You will also be required to purchase certain supplies and equipment prior to servicing your first client. The cost of the basic initial supplies and equipment is estimated at \$650 to \$2,000.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some Wisconsin Require Registration

Your Wisconsin may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the Wisconsin. Registration does not mean that the Wisconsin recommends the franchise or has verified the information in this document. To find out if your Wisconsin has a registration requirement, or to contact your Wisconsin, use the agency information in Exhibit C.

Your Wisconsin also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the Wisconsin Specific Addenda. See the Table of Contents for the location of the Wisconsin Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain Wisconsin require that the following risk(s) be highlighted:

1. **Out-of-Wisconsin Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Wisconsin. Out-of-Wisconsin mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Wisconsin than in your own Wisconsin.

Certain Wisconsin may require other risks to be highlighted. Check the “Wisconsin Specific Addenda” (if any) to see whether your Wisconsin requires other risks to be highlighted.

SBS Franchising sells master franchises (each a “Stratus Regional Franchise”), similar to the business that we currently operate, to Stratus regional franchisees (each a “Stratus Regional Franchisee”). SBS Franchising grants each Stratus Regional Franchisee the right in a specific territory (“Region” or “Territory”) to sell unit franchises for independent businesses to operate commercial cleaning and building maintenance care businesses under the System and the Marks. These unit franchises are similar to the business that you will operate.

The Stratus Regional Franchisee assists unit franchises to acquire cleaning customers, provides training to unit franchises to assure compliance with the System’s brands standards, and provides certain additional support to those unit franchisees. Stratus Regional Franchisees typically do not provide cleaning services.

(the “Southern Colorado Predecessor”), the Stratus master franchisee for the Southern Colorado Region. Also, in July 2021, SBS Services Group LLC began offering unit franchises in the Jacksonville, Florida of Milwaukee after acquiring from SBS Franchising the master franchise rights to the Jacksonville Region.

ITEM 3 LITIGATION

A. Actions Involving Stratus of Milwaukee and its Affiliates

No litigation required to be disclosed.

B. Actions Involving SBS Franchising and its Affiliates

In re: Stratus Franchising, LLC, Peter Frese, and Dennis Jarrett, California Department of Business Oversight, Org. ID: 84407 (September 15, 2015). In September of 2019, SBS Franchising first learned that a 2015 injunctive order had been issued against its predecessor, Stratus Franchising, LLC (the predecessor to SBS Franchising, LLC in the ownership and operation of the Stratus Building Solutions franchise system) and certain of its executives. The order issued by the California Department of Business Oversight (the "Department") stated that between 2007 and 2011, in various filings with the Department that were signed by President and COO Peter Frese on behalf of Stratus Franchising, LLC, the prior experience of CEO Dennis Jarrett between 2001 and 2004 was incorrectly stated as "President" of Jan-Pro International instead of "Vice President." Based on these statements, the Department ordered Stratus Franchising, LLC, Peter Frese, and Dennis Jarrett to desist and refrain from willfully making untrue statement of material fact in franchise applications filed with the Department. The order was entered approximately eight months after SBS Franchising acquired the assets of the Stratus Franchising, LLC.

Commonwealth of Virginia, ex rel., Wisconsin Corporation Commission v. Pete Frese, Jr. and Stratus Franchising, LLC, Commonwealth of Virginia, Wisconsin Corporation Commission, Case No. SEC-2011-00008 (2011). The Commission alleged that Stratus Franchising, LLC (the predecessor to SBS Franchising, LLC in the ownership and operation of the Stratus Building Solutions franchise system) and Pete Frese, Jr., principal and officer of Stratus Franchising, LLC violated § 13.1-563 (2) of the Virginia Retail Franchising Act, § 13.1-557 et seq. of the Code of Virginia, by making untrue statement of a material fact or omitting to Wisconsin a material fact necessary in order to avoid misleading the offeree in connection with the sale or offer to sell a franchise. On June 16, 2011 the defendants agreed to a Settlement Order under which they neither admitted nor denied the allegations but agreed to pay to the Treasurer of the Commonwealth of

Virginia, \$15,000 in monetary penalties and \$5,000 in costs, and agreed not to violate the Virginia Retail Franchise Act in the future.

Other than that listed above, no litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

Regardless of what plan you choose, you must pay an initial franchise fee to Stratus of Milwaukee. As shown in the tables above, the initial franchise fees range from \$3,600 to \$62,100 (\$4,000 to \$69,000, if financed). The amount of the initial franchise fee will vary depending on your choice of plan and whether or not you choose to pay the entire amount in cash upon signing the Franchise Agreement or if you choose to have the fee financed with Stratus of Milwaukee.

If you elect to pay the initial franchise fee in cash or certified funds, then the full amount listed in the “Total Franchise Fee (if paid in Cash)” column of the above tables will be due when the Franchise Agreement is signed. Please note that this amount does not include any applicable sales tax owed by you.

If you elect instead to finance the initial franchise fee through Stratus of Milwaukee, then only the amount listed in the “Down Payment” column in the tables above will be paid by you in cash or certified funds at the signing of the Franchise Agreement. The remainder of the initial franchise fee will accrue interest at 15% per year (subject to Wisconsin law) and will be secured through a promissory note and/or a personal guarantee. The promissory note is repaid in 36 monthly installments, but there is no penalty for an earlier pre-payment. The “Total Franchise Fee (if Financed)” column in the tables above shows the total amount you will have paid as the initial franchise fee if you elect to obtain financing through Stratus of Milwaukee. Please note that this amount does not include the interest paid or any applicable sales tax owed by you. The form of promissory note is located at [Exhibit B](#) of the Franchise Agreement.

No portion of the initial franchise fee is refundable, and the fee is fully earned by Stratus of Milwaukee when paid. However, if Stratus of Milwaukee, within the time allowed by the Franchise Agreement following the date you complete the Brand Certification Program (as hereinafter defined), fails to offer you Customer Contracts with gross annual billing equivalent to that Wisconsin in the franchise plan for which you have contracted, then Stratus of Milwaukee will refund a portion of your initial franchise fee equal to the difference between the initial franchise fee of the franchise plan for which you originally contracted and the initial franchise fee of the plan that corresponds with the number of Customer Contracts that have actually been offered to you by Stratus of Milwaukee.

For example, if you originally contracted with Stratus of Milwaukee for an SBS-24 franchise plan and paid the full cash payment, then you paid an initial franchise fee of \$9,900 and Stratus was obligated to provide you with Customer Contracts representing gross annual billings of \$24,000 per year. If Stratus of Milwaukee within 120 days only offered you Customer Contracts representing gross annual billings of \$18,000, then Stratus of Milwaukee would owe you a credit calculated as follows:

$$\mathbf{\$9,900} \text{ (the initial franchise fee for an SBS-24)} - \mathbf{\$7,650} \text{ (the initial franchise fee for an SBS-18)} = \mathbf{\$2,250}$$

Stratus of Milwaukee first will apply this credit to any outstanding financing and or monies owed by you to Stratus of Milwaukee. If none exist, then a cash refund will be given. If a credit is provided, then Stratus of Milwaukee will have fulfilled its obligation to you and the refund will be your sole remedy.

For veterans of the U.S. military forces, Stratus of Milwaukee offers the opportunity to enjoy a 10% discount off the initial franchise fee for any franchise plan of SBS-24 level or greater. This program is available for all veterans who have received an honorable discharge from the U.S. military. The veteran participant must maintain at least a 51% ownership interest in the company and be a “hands on” partner. A copy of the form DD-214 evidencing the status of a participating veteran must be submitted at the time the Franchise Agreement is signed.

***All of these fees are payable to Stratus of Milwaukee and are not refundable.**

- 1. Royalty** – You will pay a monthly royalty fee equal to 5% of the monthly Gross Billings for the preceding month. “Gross Billings” means the total amount of all bills and invoices sent by Stratus of Milwaukee to each account serviced by you during a calendar month, whether the bills and invoices represent janitorial services, goods, supplies or any other services or products related to the Franchised Business. Any sales taxes paid to appropriate tax authorities, any monies billed but uncollected, and any revenue from Additional Business Services are excluded from Gross Billings.
- 2. Administration** – Stratus of Milwaukee provides you with billing and collection services for all the services and supplies you have provided your Customers [and lines of credit with suppliers]. Stratus of Milwaukee will also provide you with a monthly report detailing Gross Billings along with any deductions. In exchange for such services, you will pay Stratus of Milwaukee an administration fee equaling 10% of your monthly Gross Billings.
- 3. Advertising Fee** – See **Item 11** of this Disclosure Document for more information about the advertising fee (if any).
- 4. Business Insurance Fee** – Stratus of Milwaukee requires you to carry \$2,000,000 in liability insurance, \$50,000 in fidelity bonding theft insurance, and workers’ compensation insurance, if required by your

Wisconsin. You must also purchase comprehensive general liability insurance, including property, bodily injury, automotive and product coverage.

Stratus of Milwaukee may make available to you, as a convenience, an insurance program in which you may participate if you choose. The program offered by Stratus of Milwaukee includes \$2,000,000 in liability insurance and \$50,000 in fidelity bonding theft insurance. You must acquire your own workers' compensation insurance, if by law you meet the requirements outlined by your Wisconsin for this type of insurance.

Stratus of Milwaukee reserves the right to either discontinue offering its business insurance or to make it mandatory for you to participate in the Stratus of Milwaukee business insurance program. Even if you participate in the program, you will be obligated to obtain, at your own expense, your own insurance coverage for any work you perform for your own Customer Contracts, as described in Section 2.5 of the Franchise Agreement. You must also show proof of coverage in written form, and you must name Stratus of Milwaukee and SBS Franchising as additional insureds on all insurance policies.

Workers' compensation will also be covered in the Stratus of Milwaukee program, up to 5% of monthly Gross Billings. In the event that the size of your franchise or the number of employees you hire forces the workers' compensation costs for your specific company over the 5% limits, any additional fees will be passed directly on to you. If the law of your Wisconsin requires you to obtain your own workers' compensation insurance from a Wisconsin program or otherwise, we may make the Stratus of Milwaukee program available to you at a reduced cost, with the workers' compensation component removed.

All franchisees who participate in the program must pay Stratus of Milwaukee a business insurance fee, which is currently [5%] of monthly Gross Billings.

- 5. Account Acquisition Fee** – If you choose to accept Customer Contracts that represent gross annual billings over and above the gross annual billings in the franchise plan you selected, then you will be obligated to pay Stratus an “Account Acquisition Fee” based on the monthly value of the Customer Contract. This fee is calculated as depicted below:

$$\text{\$ } \frac{\text{Additional Monthly Billing}}{\text{Monthly Business Owed}} - \text{\$ } \frac{\text{Monthly Business Owed}}{\text{Monthly Billing Volume Difference}} = \text{\$ } \frac{\text{Monthly Billing Volume Difference}}{\text{Multiplier}} \times \frac{3/4/5}{\text{Multiplier}} = \text{Account Acquisition Fee}$$

In other words, the Account Acquisition Fee is the difference between the projected monthly billing provided by the Customer Contract and any projected monthly billing owed to you by Stratus of Milwaukee (if any), multiplied by 3, 4 or 5. The use of the 3, 4 or 5 multiplier in the calculation depends upon the size of the franchise plan you have chosen, and the actual Gross Billings generated by you at the time you accept the Customer Contract, and will be the greatest of the following.

- If you invested below the SBS-12 level, or your annualized Gross Billings from the month prior to accepting the new Customer Contract was less than \$12,000 per year, then the 5 multiplier will be used.
- If you invested at the SBS-12 plan or higher, but lower than the SBS-24 level, or your annualized Gross Billings from the month prior to accepting the new Customer Contract was less than \$24,000 per year, then the 4 multiplier will be used.

- If you invested at the SBS 24 level or higher, or your annualized Gross Billings from the month prior to accepting the new Customer Contract is \$24,000 or greater per year, then the 3 multiplier will be used.

If you pay the Account Acquisition Fee in full at the time you accept such Customer Contract, you will receive a 10% discount in the fee. The value of this additional Customer Contract will also be replaced if the Customer Contract is lost for any reason other than poor performance, theft, security or no shows.

Financing may be available provided that you have not had a complaint or unacceptable inspection from any of your current Customers within the previous 60 days. Customer Contracts that are financed receive no discounts and are not replaced for any reason. If the Customer cancels a Customer Contract for issues that are not performance related, you will not receive any credits or refunds. If the Customer cancels for performance reasons, you will owe the remainder of the amount financed. If a Customer Contract that was paid in full cancels for performance reasons, you will not be due any refund or credits.

You may obtain additional Customer Contracts from Stratus of Milwaukee that are over and above the g gross annual billings in the franchise plan you have selected and not be obligated to pay an Account Acquisition Fee if you refer someone to Stratus of Milwaukee. When the person you referred to Stratus of Milwaukee purchases a franchise, you will receive additional Customer Contracts equivalent to 10% of whatever franchise plan they purchased. For example, if the person you referred purchases an SBS-60, you will receive \$6,000 in annual billings, free, in the form of new Customer Contracts.

As an independent business owner, you are also strongly encouraged to solicit new business yourself. For any Customer Contract that you solicit and obtain without our assistance, you will not pay an Account Acquisition Fee. However, if while in the process of soliciting your own Customers, you ask Stratus of Milwaukee to assist in the bidding and negotiation process, an Account Acquisition Fee of up to 50% of the standard Account Acquisition Fee may be due to Stratus of Milwaukee depending on its level of involvement. Regardless, the billings from these new Customer Contracts will be included for the purpose of calculating the royalty fees, management fees, and (if applicable) insurance fees that you must pay to Stratus of Milwaukee. In other words, all of your Customer Contracts will be included for the purpose of calculating royalties, management, insurance, and other fees.

- 6. Sale of Franchise Transfer Fee** – There will be a transfer fee upon the sale of your franchise unless you transfer your franchise to an immediate family member or to a company which you own wholly. This fee is 5% of your annual Gross Billings of the Customer Contracts being sold, or \$750, whichever is greater. You may not sell an individual account or Customer Contracts. The fee is due upon signing of the new franchise agreement. In the case of a transfer of 10% or more of the ownership interest in the Franchisee, a transfer fee equal to 10% of the sales price of such ownership interest is payable to us.
- 7. Name Changes, Additions and Deletions** – You are permitted to add or delete a person from the franchise agreement only if you first obtain written approval from Stratus of Milwaukee and pay an administration fee of \$250. This fee is due at the time of the change. New promissory notes may be required as well. Stratus of Milwaukee reserves the right to deny the release of anyone from a previously signed promissory note. If all of the original parties are being removed from the franchise agreement, the procedure will be treated as a sale of your franchise and the transfer fee described in note 6 above will be invoked.
- 8. Customer Contract Transfer Fee** – You may request to transfer out of a Customer Contract at any time. In addition, we may transfer ownership of a Customer Contract to ourselves or to another franchisee and require you to discontinue your service for such transferred Customer Contract(s) upon

certain circumstances outlined in the franchise agreement. Because the transfer of any Customer Contract destabilizes such Customer, the following transfer fees will be charged:

- a \$50 administration fee will be charged to handle the administrative costs related to transferring the Customer Contract;
- a transfer fee equal to 10% of the prior month's billings under such Customer Contract or a minimum of \$100 will apply; and
- if, at any time, you have performance issues under the Customer Contract (including Failure to Service, Repeated complaints, Customer Requested, Procedures Violations, and other customer-reported troubles) and the Customer Contract has to be transferred, it will be considered a "Troubled Transfer", an additional \$75 complaint fee will be charged and all remaining Account Acquisition Fees will continue to be assessed.

9. Customer Requested Troubled Transfer Fee – Customer may request a change of franchisee as a result of failure to service, repeated complaints, procedures violations and other customer-reported troubles. Because the transfer of any Customer Contract destabilizes such Customer, the following transfer fees will be charged:

- a \$50 administration fee and a \$75 complaint fee will be charged to handle the administrative costs related to transferring the Customer Contract; and
- a transfer fee equal to 10% of the prior month's billings under such Customer Contract or a minimum of \$100 will apply.

10. Account Abandonment Fee – If for any reason you abandon any or all of your Customer Contracts, the following will apply:

- an administrative transfer fee of \$50 will be assessed on all Troubled Transfers, to cover administrative expenses involved with the transfer;
- a \$75 Complaint Fee and any appropriate Service Fee and Expenses to restore the building to proper appearance will automatically be charged to the Franchisee;
- a Troubled Transfer fee of \$100 or 10% of the prior month's billings under such Customer Contract(s), whichever is greater, will be applied in addition to any other charges;
- any outstanding note payments will become immediately due and payable with no discounts given; and
- all future revenues from abandoned Customer Contracts will be forfeited.

11. Complaint Fees – From time to time, Customers will call into Stratus of Milwaukee regarding a complaint about the service of their Customer Contract. In order to promote full compliance with all Stratus brand standards, a Complaint Fee will be charged to any Franchisee who does not comply with the time frames allotted for initial response or corrective action to a customer complaint. You are responsible for notifying Stratus of Milwaukee of any changes in, or additions to, telephone numbers where you can be reached within one hour. To avoid the Complaint Fee and the Service Fee, it is very important that you provide a means by which to be contacted. Regular communication or information exchanged between Customers and Stratus of Milwaukee are exempt from these fees. The Complaint Fee and the Service Fee will be assessed under the following conditions:

- two or more complaints for similar issues are made to Stratus of Milwaukee within a 120-day time frame;

- Stratus of Milwaukee cannot locate the Franchisee or Franchisee does not respond to Stratus of Milwaukee within a two-hour period;
- the complaint was made known to the Franchisee, and two hours after the opening of the business the next morning, the deficiency in performance was not corrected to the satisfaction of the Customer nor to us, thus requiring the Stratus of Milwaukee to respond to the complaint; or
- if the initial complaint call to Stratus of Milwaukee requires immediate action to meet a Customer's demand for a visit or performance of services at the Customer's premises.

12. Failure to Service Fee – A Failure to Service Fee of \$75 or 10% of the prior month's billing under the relevant Customer Contract (whichever is greater) will be assessed for each and every missed clean, regardless of the reason for the missed clean (e.g., snow, flat tire, forgotten keys). The Fee will not be assessed if the Franchisee calls BOTH the customer and Stratus of Milwaukee alerting each to the circumstances of the missed clean. If the customer complains about the missed clean or the Franchisee calls only the Customer or only the Stratus of Milwaukee, the fee will be applied.

13. Service Fee – A Service Fee will be assessed when we are required to complete your obligations, as follows:

- We service or arrange replacement service for a Customer on behalf of Franchisee: a fee in the amount of \$50 per hour, plus expenses (e.g., labor, materials, supplies, equipment, etc.), for the personnel's time spent on building services required to rectify the complaint or satisfy the unhappy client.
- Monthly Statement: a fee of \$50 will be applied if the Franchisee fails to turn in its monthly statement by the 10th of the month following the month in which the work was completed.
- Monthly Evaluations: a fee of \$25 will be applied if customer evaluations for the prior month are not turned in by the 10th of the following month.

14. Account Cancellation for Cause Fee – A performance cancellation (regardless of Wisconsin reason) where there have been service problems, theft, failure to service on scheduled service dates, or a requested change in Franchisee, verbally or in writing, is a very serious setback. It not only affects the Franchisee's finances, but also damages the image and reputation of Stratus of Milwaukee and of the Stratus System. Due to the seriousness of this type of cancellation, the policy is as follows:

- A \$50 administration fee will be charged to handle the administrative costs related to canceling the Customer Contract.
- A \$75 Complaint Fee, and any pertinent Service Fee and expenses, will be charged automatically.
- Any Account Acquisition Fees still owed on the account remain on the books and are payable to us. Fees will be deducted from other Customer Contracts you are servicing, if any.
- You will be charged the equivalent of 50% of the month's gross billing on the first Customer Contract lost, 75% of the month's gross billing on the second Customer Contract lost, and one full month's gross billing on every Customer Contract lost thereafter in a 12-month period of time, plus the \$75 complaint fee and any pertinent Service Fee and expenses.

15. Isolated (Special) Services Fee – Special or isolated services are typically one time services and may include hard floor care, carpet cleaning, window washing, construction cleans, apartment turnarounds, etc. You are not obligated to accept an isolated service contract. These services will not be included in your monthly Gross Billings, but will be reported and invoiced separately. Each time you perform an isolated or special service, you will pay Stratus of Milwaukee a fee of 10% of the monthly billing for that isolated service in addition to your royalty and other fees due to Stratus of Milwaukee. If you acquire an isolated service contract on your own and the Customer does not already have a Customer Contract or is not a Customer already serviced by you, then you do not owe the isolated service fee; however, you will still pay Stratus the royalty, administration and insurance (if applicable) fees.

16. Re-Certification Fee – You may request re-certification for specific of Milwaukee or in general. Requested training under the Brand Certification Program is free if you have not had any complaints from your current Customers and if you participate in a scheduled class. Please see **Item 11** of this Disclosure Document for more information pertaining to Stratus of Milwaukee Brand Certification Program. Mandatory re-certification may be required in part or in whole, if you have had multiple customer complaints, lost a Customer Contract, or had a Customer Contract transferred due to performance issues. The re-certification fee is presently \$75 per class and is payable in full prior to the class being scheduled. No future Customer Contracts will be offered to you until you satisfactorily complete the Brand Certification Program, and you will not qualify for financing for the next two “additional accounts” you choose to accept. Please see **Item 10** of this Disclosure Document for more information pertaining to financing of additional account fees.

Unless otherwise Wisconsin, these expenditures are not refundable unless expenditures to third parties are refundable by their terms. Except as expressly Wisconsin, these estimates cover your initial cash investment up to the opening of your Franchised Business. The ranges and categories of expenses listed in the table above are based solely on the experience of SBS Franchising, and your expenses may be significantly different depending on the market in the Territory and local costs. Do not rely on this estimate of expenses to project your future performance because your expenses may differ from the ranges above, and you will have additional expenses which we have not listed.

- 1. Initial Franchise Fee** – The amount of the initial franchise fee is dependent upon the franchise plan selected and whether or not you choose to pay the entire amount in cash upon signing the Franchise Agreement or if you choose to have the fee financed with Stratus of Milwaukee. The investment range in the chart above is the range of initial investment for the packages depicted in the tables in Item 5 of this Disclosure Document. The investment range may continue beyond the listed upper limit if Franchisee desires a larger package than depicted in the tables in **Item 5** of this Disclosure Document. All payments must be in cash or certified funds. The initial franchise fee is considered earned by Stratus of Milwaukee upon signing the Franchise Agreement. A portion may be refunded if all Customer Contracts are not offered in the appropriate amount of time.
- 2. Brand Certification Program Expenses** – We provide a comprehensive brand certification program, which includes video, classroom, and on-site training similar to the actual work that will be performed by your Franchised Business (the “Brand Certification Program”). The Brand Certification Program is mandatory and must be completed in its entirety and you must pass all testing before being offered any Customer Contracts. The Brand Certification Program sessions are typically completed locally, within the Territory, and should not require overnight or out of town travel. If travel were to be necessary, however, you would be responsible for all expenses.
- 3. Professional Costs** – At your option, you may choose to consult with an accountant or an attorney to help you set up your business. We recommend that you consider this. Franchisees are required to be entities, for example a limited liability company, corporation, or partnership. Forming such an entity will require various filings with your Wisconsin, and there will be filing fees that can range from \$150 to \$1,000 depending on where you file.
- 4. Real Estate Wisconsin** – Stratus of Milwaukee does not require you to have an office or storage facility outside your home. Most Franchisees operate their business from their home, while utilizing the storage space that many Customers provide. You may choose to keep your equipment in a storage facility.
- 5. Vehicle** – You may drive your personal vehicle to and from the Customers you service. There is no requirement to purchase a special vehicle for your business. Any vehicle driven must be insured. Please see note 6 below for more information pertaining to insurance.

- 6. Insurance** – You must carry vehicle insurance that has a liability minimum of \$250,000, or meets your Wisconsin’s requirements, whichever is greater. You must also carry the insurance described in **Item 6** of this Disclosure Document. Insurance carriers may require you to pay for the coverage in full or make a deposit toward the estimated premium.
- 7. Equipment & Supply Starter Package** – You must purchase a basic starter package from an approved vendor that distributes professional quality equipment and supplies before you are qualified to service any Customer Contracts. The contents of the basic starter package are listed in Exhibit B to this Disclosure Document. This is a basic package and may be enhanced to more accurately fit the needs of your Customer Contracts.
- 8. Business Licenses** – You must secure all necessary local and Wisconsin business licenses and permits, as they may be required. The fee for these licenses may vary within each municipality and each Wisconsin.
- 9. Additional Funds** – There are usually additional items that will be needed to start your business, such as uniforms, cell phones and administrative supplies. The cost of equipment, chemicals, supplies, insurance, and uniforms purchased in accordance with specifications, through us or another approved supplier, represents most of your non-payroll expenditures in establishing and operating your commercial cleaning franchise. These expenditures do not include labor costs.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The success of a commercial cleaning franchise system such as the Stratus System depends upon high standards of workmanship. Therefore, quality control is very important. In order to achieve these high standards, only professional cleaning chemicals, supplies, and equipment can be used. Stratus has developed its own private branded chemicals that all Unit Franchisees must use.

Due to quality control considerations, you must purchase or lease your equipment according to the specifications of Stratus of Milwaukee. You must also purchase certain chemicals and supplies according to our specifications, as outlined in the Franchise Agreement, the Stratus of Milwaukee Brand Standards Manual, or in other manuals or directives Stratus of Milwaukee may issue. These specifications include standards for quality, safety, OSHA compliance, cleaning efficiency, compatibility with approved chemicals and economy. The contents of the basic starter package are listed in Exhibit B to this Disclosure Document.

During the Brand Certification Program, Stratus of Milwaukee will identify approved equipment, chemicals, and supplies and approved suppliers for such items. Qualification criteria include requirements such as the identification of product composition and compliance with OSHA requirements. A list of all of the criteria of what constitutes an approved supplier or item is available upon written request to the President of Stratus of Milwaukee. Neither Stratus of Milwaukee nor SBS Franchising nor the principals in either of those entities owns an interest in any of the approved suppliers.

If you would like to purchase non-approved equipment, chemicals, and supplies, or you want to purchase from a non-approved supplier, you must submit a “Request for Approval”. Upon receipt of such request, Stratus of Milwaukee will test for performance indications, including: cleaning efficiency, safety, ease of application, durability, and economy, and notify you of our approval or disapproval within 30 days. If you do not receive a response from us within 30 days, such request shall be deemed disapproved. Stratus branded chemicals have met all these requirements and must be utilized as part of the quality control

program. For items of necessity beyond the Stratus brand offering, we will approve an item or supplier if it meets the performance standards of an approved item or supplier. Stratus of Milwaukee reserves the right to revoke its approval of a supplier or product if it is determined that it no longer meets quality or operational standards including customer service and pricing. Upon written notification of revocation, you must cease using the disapproved supplier or product.

If a Customer specifies the use of certain products or equipment for cleaning a particular surface or item, you are obligated to purchase or lease such products or equipment in accordance with those specifications as long as such products or equipment comply with OSHA requirements.

If you purchase any goods, services, supplies, materials or other products from a supplier who has established a business relationship with SBS Franchising, or purchase products directly from SBS Franchising, SBS Franchising may derive revenue from the purchase made by you, including rebates or other discounts from certain suppliers for purchases made by you and other franchisees.

During its most recent fiscal year, ending December 31, 2022, SBS Franchising did not receive any revenue from required purchases made by franchisees of goods, services, supplies, materials, or other products, but did receive rebates of approximately \$5,000 from purchases from its supplier of green cleaning chemicals, Nyco, by master franchisees and franchisees. In the last fiscal year, SBS Franchising’s rebates were less than 1% of its total revenues.

You are not required to purchase or obtain from Stratus of Milwaukee any goods, services, supplies, cleaning chemicals, fixtures, equipment, inventory, insurance coverage, or real eWisconsin for your business, although Stratus of Milwaukee is an approved supplier of certain goods (including cleaning chemicals) and services, and it may charge a mark-up on any sales of this type. Stratus of Milwaukee uses its purchasing power to negotiate arrangements with some suppliers for your benefit, which typically represent a savings to you of 5% - 30% off the manufacturer’s retail list price.

During its most recent fiscal year, Stratus of Milwaukee had no revenue from the sale of equipment, chemicals, supplies, insurance, or uniforms to Unit Franchisees. However, it may derive such revenue in the future.

Stratus of Milwaukee does not have a purchasing or distribution cooperative at this time, but may establish one in the future, in its sole discretion. Stratus of Milwaukee does not provide any material benefit to a Franchisee based on the Franchisee’s purchase of particular products or services or the use of particular suppliers.

ITEM 10 FINANCING

There are two fees for which Stratus of Milwaukee may offer to finance a portion: the initial franchise fee and the Account Acquisition Fee. Stratus of Milwaukee reserves the right to refuse to offer you financing if it believes, in its sole judgment, that extension of the financing would constitute an unsound business decision. Within one week of providing Stratus of Milwaukee with all of the information it requires, Stratus of Milwaukee will provide you with a determination of whether or not it will extend financing to you. Stratus of Milwaukee does not engage in the practice of selling, assigning, or discounting to a third party, in whole or in part, any note, contract or other instrument executed by you. However, it reserves the right to do so in the future.

1. In the event of default, interest will be paid at the rate of 18% (subject to Wisconsin law) on all unpaid principal and interest from the date of default.
2. In the event of nonpayment or other default under the promissory note or in the event of a breach of the Franchise Agreement, the payment of the principal may be accelerated at the option of Stratus of Milwaukee without notice or demand to the Franchisee. You also will be responsible for Stratus of Milwaukee attorneys' fees as well as your own, in the event you are in default. Upon transfer, expiration or termination of the franchise, any principal balance becomes immediately payable.
3. A default of the Promissory Note, in addition to the above, is a default of the Franchise Agreement and if uncured will result in termination of the rights granted to you in the Franchise Agreement.

Financing of the Initial Franchise Fee

Stratus of Milwaukee may offer to finance a portion of your initial franchise fee. If financed, the amount of the initial franchise fee ranges from \$4,000 to \$69,000 depending on the franchise plan you choose. You are responsible for providing a down payment in cash or certified funds upon signing the Franchise Agreement. The amount of the down payment ranges between \$1,000 and \$47,000 depending on the size of the franchise plan you have selected. Also upon signing the Franchise Agreement, you will sign a promissory note for the remainder of the initial franchise fee due to Stratus of Milwaukee. The note must be guaranteed individually by all of the Franchisee's partners, members or shareholders, as applicable.

The promissory note is payable over a three-year period in equal monthly installments and accrues interest at 15% per year on the unpaid principal. You may pre-pay the note at any time without penalty. The form of promissory note is attached to the Franchise Agreement as Exhibit B.

Financing of the Account Acquisition Fee

In the event you choose to accept additional Customer Contracts offered by Stratus of Milwaukee, it may offer to finance all or a portion of your Account Acquisition Fee. The Account Acquisition Agreement (attached to the Franchise Agreement as Exhibit C) offers two options for paying the Account Acquisition Fee: the sweat equity option or the loan option.

If the sweat equity option is elected and approved by Stratus of Milwaukee, then a certain amount will be deducted from your monthly Wisconsinment in consecutive, equal monthly installments until the account acquisition fee has been paid in full. No interest is assessed with this option.

If the loan option is elected and approved by Stratus of Milwaukee, then you will owe Stratus of Milwaukee the original acquisition fee less the amount of any down payment you may have made on the fee. The balance is payable over a three-year period in equal monthly installments and accrues interest at 15% per year on the unpaid principal. Stratus of Milwaukee will be allowed to deduct your monthly payment from your accumulated total Gross Billings. If you do not make a payment, then the missed payment can be deducted in full from your next monthly Wisconsinment. If there are performance cancellations, if you abandon a Customer Contract, if you breach the Franchise Agreement or the Stratus Policy and Procedures Guide, or if Stratus of Milwaukee believes that your ability to repay the debt is impaired or unsatisfactory, then Stratus of Milwaukee is entitled to call the debt immediately due and payable without any notice. You also will be responsible for Stratus of Milwaukee's attorneys' fees as well as your own, in the event you are in default.

You may pre-pay the debt at any time without penalty. Upon transfer, expiration or termination of the franchise, any principal balance becomes immediately payable.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Stratus of Milwaukee is not required to provide you with any assistance.

Pre-Opening Assistance

Before opening your business, Stratus of Milwaukee will:

1. Provide access to or provide on loan, one complete set of manuals, including the Brand Standards Manual.
2. Make known the equipment and supply starter package, and an approved list of suppliers. We do not provide you with equipment or supplies. A list of the equipment and supply starter kit is included in Exhibit B to this Disclosure Document. See Section 3.1 of the Franchise Agreement.
3. Provide the Brand Certification Program at Stratus of Milwaukee's office or at a location to be determined. The Brand Certification Program will consist of hands on training, videos, and in-depth, guided review of the Stratus Brand Standards Manual. See Sections 3.1 and 5.1 of the Franchise Agreement.
4. We do not provide any site assistance to you. Stratus of Milwaukee does not require you to have an office or storage facility outside your home.

Post-Opening Assistance

During the operation of the franchise business, Stratus of Milwaukee will:

1. Offer you Customer Contract(s) worth a minimum amount of yearly billings, based on the franchise plan you selected. If within one year from the start date of a customer's account, the customer should terminate your service for any reason except faulty workmanship, lack of trustworthiness, or other claimed defaults by you, or if you cease servicing the customer because of the customer's non-payment,

Stratus of Milwaukee will replace the Customer Contract with another Customer Contract(s) on a proportionate basis. For example, if you were to provide services for a Customer Contract representing gross annual billings of \$12,000, and you only serviced it for six months, generating billings of \$6,000, you would be due Customer Contract(s) that would make up the \$6,000 difference. In this case, the monthly billing of the replacement Customer Contract(s) would be a total of \$500 per month. See Section 1 of the Franchise Agreement.

2. Provide an advisory service that includes consultation on promotional efforts, business or operational problems with analysis of your sales, marketing and financial data. Such services may be provided by use of mail, telephone or other means at Stratus of Milwaukee's discretion. See Section 3.1 of the Franchise Agreement.

3. Provide you with on-going invoicing and collection services. Each month Stratus of Milwaukee will invoice your Customers for the cost of services rendered by you. Stratus of Milwaukee will collect these monies and pay them to you on a monthly basis (on the 30th of the month following the month in which service was provided), after deduction of the 10% administration fee, the 5% royalty fee, the [5%] insurance program fee (if applicable), subsequent Account Acquisition Fees, any supplies, any advertising fee (if such a fee is implemented), any transfer fee, that month's payment on the promissory note, any other amounts owed, and any out-of-pocket costs (including, but not limited to, attorneys' fees and court costs) incurred by Stratus of Milwaukee in enforcing payment of accounts by Customers, you or your guarantors. Stratus of Milwaukee may engage attorneys, commence litigation, or do any acts in order to enforce payment by your Customers. However, Stratus of Milwaukee will take no such action without first notifying you. See Section 3 of the Franchise Agreement.

4. Stratus of Milwaukee will make available to you any improvements and changes in its services or business methods including the Brand Standards Manual, and other manuals to the same extent and in the same manner as they are made available to other franchisees.

5. Stratus of Milwaukee will pay you each month on the last day of the month following the month you provide services to a customer from the amount paid by the customer. See Section 3.3 of the Franchise Agreement.

6. Assist in customer relations through visits to Customers to ensure their satisfaction with your services. Stratus of Milwaukee, at its option, will also conduct inspections of your Customer Contract sites. See Section 3.2 of the Franchise Agreement.

7. Provide you with additional training under the Brand Certification Program in Stratus of Milwaukee's sole discretion. Group seminars will be available from time-to-time and may be mandatory. There are no costs to you for the group seminars. See Sections 1.5 and 3.1 of the Franchise Agreement.

Time to Open

The typical franchisee will start servicing a Customer Contract approximately 30 to 60 days after the completion of the Brand Certification Program. However, the time for opening may range up to 180 business days from the date of the completion of the Brand Certification Program depending upon the circumstances, the acquisition of your supplies and equipment, the labor situation in your of Milwaukee and the needs of your Customer Contracts.

Advertising

Stratus of Milwaukee does not currently charge an advertising fee. However, Stratus of Milwaukee reserves the right, upon 30 days' written notice, to create an advertising fund and charge an associated advertising fee in an amount not to exceed 1% of monthly Gross Billings. Any advertising produced by the fund may be print, radio, television, or other media, and may be prepared by an outside agency. Stratus of Milwaukee will not be required to spend any proportional amount of advertising fund fees on advertising specifically in your Territory. Stratus of Milwaukee will not receive any payments from the advertising fund for any of its advertising/marketing activities. The advertising fund will be used to solicit Customer Contracts and not additional franchisees. A full description of the services provided to you by way of such advertising fee and a procedure by which you can request an accounting of the advertising fund will be furnished to you, if and when, an advertising fee/fund is established. There is no advertising council or cooperative at this time. See Section 8 of the Franchise Agreement.

If you wish to advertise your own operation, you must provide Stratus of Milwaukee with a copy of any proposed advertising and Stratus of Milwaukee and SBS Franchising must approve it before you use it. You are not permitted to establish a presence on, or market using, the Internet, any website, Social Media (such as Facebook, LinkedIn, Twitter, Instagram, Snapchat, YouTube, blogs and other online social networks, wikis, forums, content sharing communities, etc.), mobile app, or any other technology platform that may be developed in the future, in connection with the Franchised Business without our and SBS Franchising's prior written consent.

You are licensed to use the SBS Marks under the rules set forth in Section 4 of the Franchise Agreement. You must follow these rules when you use these Marks. You cannot use a name or Mark as part of a corporate name or with modifying words, designs or symbols except for those which Stratus of Milwaukee licenses to you. You must modify or discontinue the use of a trademark if SBS Franchising or Stratus of Milwaukee modifies or discontinues it. If this happens, Stratus of Milwaukee may reimburse you for your tangible costs of compliance (for example, costs of new business cards), but it is not obligated to do so. You must not directly or indirectly contest Trademark Owner’s, SBS Franchising’s, or Stratus of Milwaukee’s right to any trademarks, trade secrets or business techniques that are part of the business.

All required affidavits pertaining to these registrations have been filed or will be filed by the deadlines for active trademarks above. SBS Franchising and Stratus of Milwaukee do not know of any infringing uses that could materially affect your use of the trademark. There are no presently effective determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any Wisconsin or any court, any pending infringement, opposition or cancellation proceeding, or any pending material litigation involving such trademarks, service marks, trade names, large types or other commercial symbols.

FINANCIAL WISCONSINMENTS OF STRATUS **OF MILWAUKEE**

[Presented below is a copy of the Federal Trade Commission's requirements for financial Wisconsinment disclosures by franchisors. Please work with your accountant to follow these requirements and prepare the necessary financial Wisconsinments. Once the required financial Wisconsinments are prepared, include them in this Exhibit F-1 and delete the text below.]

Item 21: Financial Wisconsinments

(1) Include the following financial Wisconsinments prepared according to United Wisconsin generally accepted accounting principles, as revised by any future United Wisconsin government mandated accounting principles, or as permitted by the Securities and Exchange Commission. Except as provided in paragraph u 2 of this section, these financial Wisconsinments must be audited by an independent certified public accountant using generally accepted United Wisconsin auditing standards. Present the required financial Wisconsinments in a tabular form that compares at least two (2) fiscal years.

- (i) The franchisor's balance sheet for the previous two (2) fiscal year-ends before the disclosure document issuance date.
- (ii) Wisconsinments of operations, stockholders equity, and cash flows for each of the franchisor's previous three fiscal years.
- (iii) Instead of the financial disclosures required by paragraphs 1(i) and (ii) of this section, the franchisor may include financial Wisconsinments of any of its affiliates if the affiliate's financial Wisconsinments satisfy paragraphs 1(i) and (ii) of this section and the affiliate absolutely and unconditionally guarantees to assume the duties and obligations of the franchisor under the franchise agreement. The affiliate's guarantee must cover all of the franchisor's obligations to the franchisee, but need not extend to third parties. If this alternative is used, attach a copy of the guarantee to the disclosure document.
- (iv) When a franchisor owns a direct or beneficial controlling financial interest in a subsidiary, its financial Wisconsinments should reflect the financial condition of the franchisor and its subsidiary.
- (v) Include separate financial Wisconsinments for the franchisor and any subfranchisor, as well as for any parent that commits to perform post-sale obligations for the franchisor or guarantees the franchisor's obligations. Attach a copy of any guarantee to the disclosure document.

(2) A start-up franchise system that does not yet have audited financial Wisconsinments may phase-in the use of audited financial Wisconsinments by providing, at a minimum, the following Wisconsinments at the indicated times:

(i) The franchisor' first (1 st) partial or full fiscal year selling franchises.	An unaudited opening balance sheet.
(ii) The franchisor' second (2 nd) fiscal year selling franchises.	Audited balance sheet opinion as of the end of the first partial or full fiscal year selling franchises.
(iii) The franchisor' third (3 rd) and subsequent fiscal years selling franchises.	All required financial Wisconsinments for the previous fiscal year, plus any previously disclosed audited Wisconsinments that still must be disclosed according to paragraphs 1(i) and (ii) of this section.

(iv) Start-up franchisors may phase-in the disclosure of audited financial Wisconsinments, provided the franchisor:

(A) Prepares audited financial Wisconsinments as soon as practicable.

(B) Prepares unaudited Wisconsinments in a format that conforms as closely as possible to audited Wisconsinments.

(C) Includes one or more years of unaudited financial Wisconsinments or clearly and conspicuously discloses in this section that the franchisor has not been in business for three (3) years or more, and cannot include all financial Wisconsinments required in paragraphs 1(i) and (ii) of this section.
