What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in New York State. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in New York State than in your own state.

2. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services to you.

3. **Short Operating History**. The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURES REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

(a) A prohibition of the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that mediation or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of mediation, to conduct mediation at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualification or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchise Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, (517) 373-7117.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

THE FRANCHISOR

OLC Development, LLC is the franchisor and is referred to as "the Franchisor," "us," "our," and "we" in this disclosure document. "The Franchisee," "you" and "your" means the entity that buys the franchise. The provisions of the Franchise Agreement (as defined in this Item 1) also apply to your owners.

We are a Delaware limited liability company formed on March 15, 2019. Our principal business and mailing address is 50 Methodist Hill Drive, Suite 600, Rochester, New York 14623. Our telephone number is (888) 652-9199 and our facsimile number is (585) 421-8039. Our agents for service of process are disclosed in Exhibit B.

We conduct business under our corporate name and were formed for the purpose of offering and selling franchises for OrthoLazer Centers. We do not own or operate any OrthoLazer Centers. We began offering franchises for OrthoLazer Centers in October 2019. We do not engage in other business activities and have not offered franchises in other lines of business.

PARENTS, PREDECESSORS AND AFFILIATES

We have no parents or predecessors.

Our affiliate Cutting Edge Products, LLC ("Cutting Edge") is a Delaware limited liability formed on October 7, 2002. Cutting Edge's principal business and mailing address and its phone number are the same as ours. Cutting Edge is engaged in the distribution of therapeutic and surgical lasers to the medical and veterinary markets. Cutting Edge will sell or lease M8 MLS Therapy Lasers manufactured by ASA Laser and distributed in the United States exclusively through Cutting Edge ("M8 MLS Therapy Lasers") and other equipment to our franchisees. Cutting Edge does not offer, and has not previously offered, franchises in this or any other line of business.

Our affiliate OrthoLazer Orthopedic Laser Center, LLC ("OrthoLazer Chelmsford") is a Massachusetts professional limited liability company formed on March 13, 2019. OrthoLazer Chelmsford's principal business and mailing address is 227 Chelmsford Road, Chelmsford, Massachusetts and its telephone number is (978) 856-7676. OrthoLazer Chelmsford entered into a franchise agreement with us on September 9, 2019. OrthoLazer Chelmsford did not pay us an initial franchise fee and does not pay us royalty fees or brand fund fees but is required to pay us all other fees that are required of our franchisees. OrthoLazer Chelmsford and its predecessor have operated an orthopedic laser clinic in Chelmsford, Massachusetts since September 1, 2018. OrthoLazer Chelmsford does not offer, and has not previously offered, franchises in this or any other line of business.

We have no affiliates that are selling franchises in any line of business. Other than Cutting Edge, we have no affiliates that will provide products or services to you.

OUR BUSINESS

We have developed a system (the "System") relating to the establishment and management of business and administrative services of a non-medical nature appropriate for the operation of centers that specialize in providing laser therapy for the treatment of pain through licensed medical professionals under the name OrthoLazer™. We refer to these centers in this disclosure document as "OrthoLazer Centers." The business that you will own, manage, administer and operate under the System is referred to as the

"Franchised Business."

The Franchised Business must be operated according to the System. The System includes the right to use the mark OrthoLazer™ in the operation of an OrthoLazer Center, standards for building design and layouts, equipment and inventory standards and specifications, specifications for the scope of professional services available at OrthoLazer Centers, and similar types of standards and policies, all of which we may modify at any time.

The distinguishing characteristics of the System include preferred vendor relationships for the purchaser or lease of M8 MLS Therapy Lasers and related equipment, distinctive exterior and interior design, decor, and color scheme; furnishings; unique services and innovative techniques; uniform standards, specifications, policies and procedures for operations; quality and uniformity of the products and services offered; procedures for inventory, management and financial control; training and assistance; and advertising and promotional programs, all of which we may change, improve, further develop or otherwise modify from time to time. Franchised Businesses must offer all non-medical services and products that we may specify and may not offer any non-medical services or products we have not authorized. We are not currently engaged in any other business.

We use, promote, and license certain trademarks, service marks, and other commercial symbols including the marks "OrthoLazer" and "OrthoLazer Orthopedic Laser Center" in the operation and management of OrthoLazer Centers (the "Marks"). We may create, use, and license other trademarks, service marks, and commercial symbols for Franchised Businesses and OrthoLazer Centers. If we do, these other marks and symbols will become part of the "Marks."

We offer franchises to professional legal entities that are permitted to engage in the practice of medicine under the laws of the state in which the Franchised Business will be located and operated ("Professional Entities") and who meet our qualifications and are willing to undertake the investment and effort to establish and manage an OrthoLazer Center using the System.

We offer two programs: the right to manage the non-medical operations of a single OrthoLazer Center under the terms of a franchise agreement ("Franchise Agreement") and the right to develop multiple OrthoLazer Centers (a minimum of four) within a defined geographic area that you must open by the deadlines that we mutually agree upon under the terms of an area development agreement ("Area Development Agreement") with each OrthoLazer Center that you open operated under the terms of a Franchise Agreement. You will be required to sign our then-current franchise agreement for each OrthoLazer Center that you open; provided that the initial franchise fee will remain $49,500 and the royalty fee and brand fund fee will remain 8% and 2%, respectively, during the initial term.

A copy of the Franchise Agreement is attached to this disclosure document as Exhibit C. A copy of the Area Development Agreement is attached to this disclosure document as Exhibit D.

Under the Franchise Agreement, you must locate the OrthoLazer Center and operate the Franchised Business at a location that we have approved (the "Approved Location"). The Approved Location will be identified in your Franchise Agreement or, if we have not approved a location when you enter into your Franchise Agreement, through our site selection and approval process according to the terms of the Site Selection Addendum which is attached as Exhibit B to the Franchise Agreement. Your Approved Location will be in a geographic area identified under the Franchise Agreement (the "Protected Territory"). You will be responsible for securing a lease for the Approved Location and developing the OrthoLazer Center that you will manage there.

You must use the System in operating your Franchised Business and at all times perform your obligations under the Franchise Agreement faithfully, honestly, and diligently, and use your best efforts to promote the Franchised Business.

You are responsible for employing and controlling any and all medical professionals and staff who provide actual laser therapy services to be delivered at and through the OrthoLazer Center where you operate your Franchised Business. You are responsible for providing all laser therapy services in accordance with all applicable federal, state and local laws, rules and regulations, with all applicable rules and regulations of any board of medicine or other accrediting agency and with the System. Each state has medical, health, nursing, physician assistant and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as licensed medical professionals or assistants in the state where your OrthoLazer Center is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such a law or regulation, these laws and regulations are likely to vary from state to state, and these may change from time to time.

Nothing in the Franchise Agreement or the Manual is intended to or shall be deemed to interfere, affect or limit the independent exercise of professional judgment by you and your licensed medical professionals.

If permitted by the laws of the state in which the Franchised Business will be located and operated, you may, with our consent, which shall not be unreasonably withheld, enter into an agreement (a "Management Services Agreement") with a management services organization (an "MSO") to provide non-clinical services to the Franchised Business and assign your rights and delegate your obligations under the Franchise Agreement to the MSO to the extent necessary for them to perform their obligations under the Management Services Agreement. Your entry into a Management Services Agreement and your assignment of your rights and delegations of your obligations under the Franchise Agreement to the MSO shall not relieve you of any of your obligations to us under the Franchise Agreement.

MARKET AND COMPETITION

The market for the Franchised Business includes all individuals who desire drug free pain management options including but not limited to laser therapy services. If you open an OrthoLazer Center, your competition will include other businesses or professionals offering similar products and services to individuals. These competitors may include acupuncture, naturopathic, chiropractic, medical, and other similar facilities and franchises. Your Franchised Business may also face competition from businesses or professionals who operate multi-disciplinary medical and/or health practices, which offer laser therapy services along with other medical and health services to their clients or patients. Although laser therapy has been a practice for over 30 years, the US laser therapy market is still considered emerging.

LAWS AND REGULATIONS

You are responsible for operating the Franchised Business in full compliance with all applicable laws. The medical industry is heavily regulated. These laws may include federal, state and local regulations relating to: the practice of medicine, the provision of healthcare services, the licensing of laser therapy services; the relationship of providers and suppliers of health care services, on the one hand, and professionals offering laser therapy services on the other, including anti-kickback laws (including the Federal Medicare Anti-Kickback Statute and similar state laws); restrictions or prohibition on fee splitting; physician self-referral restrictions (including the federal "Stark Law" and similar state laws); privacy of

patient records (including the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); use of medical devices; and advertising of medical services. While not all of these laws and regulations will be applicable to all OrthoLazer Centers, it is important to be aware of and compliant with the regulatory framework.

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to an OrthoLazer Center. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files and displayed as may be required. You must comply with all state and local laws and regulations regarding the operation of an OrthoLazer Center.

Additionally, state fee splitting laws may have an impact on the royalties and other fees you pay to us. OrthoLazer Centers are considered "covered entities" under HIPAA regulations and are required to follow all HIPAA regulations and guidelines.

You may not accept private insurance, or participate in federal and/or state reimbursement programs, such as Medicaid or Medicare, in the operation of the Franchised Business. All OrthoLazer Centers may only accept private payments from all clients.

By licensing you to operate a Franchised Business, we are not engaging in the practice of medicine, nursing or any other profession that requires specialized training or certification. The Franchise Agreement will not interfere, affect or limit the independent exercise of medical judgment by you or your medical staff. It will be your responsibility for researching all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing an Area Development Agreement or a Franchise Agreement with us to determine your legal obligations and evaluate the possible effects on your costs and operations.

In addition, you must operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including government regulations relating to occupational hazards, health, EEOC, OSHA, discrimination, employment, sexual harassment, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You should consult with your attorney concerning those and other local laws and ordinances that may affect the operation of your Franchised Business.

Additional Operational Assistance Fee	$400 per person, per day, plus our expenses	As incurred	At any time, you must pay for additional operational assistance that we consider necessary or that you request.
Management Fee	3% of Gross Sales (Note 2)	5th of each month for the prior month	Paid when we must appoint a person to manage your store because of death, disability, or your defaults under the Franchise Agreement. (Note 8)
Non-Sufficient Funds Fee	$100	On demand	Paid if we debit your account and our debit is declined or dishonored by your financial institution

Notes

1. Fees. All fees are imposed by and are payable to us, except as specified for the fees payable to our affiliates and your local advertising expenditures. All fees are nonrefundable, and all are uniformly imposed on similarly situated franchisees currently acquiring a franchise. We reserve the right to modify these fees in certain circumstances. You will pay most fees by electronic funds transfer. Payments made by credit card are subject to various additional handling charges of up to 10%.

2. Gross Sales. "Gross Sales" means all revenues of the Franchised Business, from services performed from, through or on account of the operation of the Franchise and revenues from the sale of services and products, less the amount of sales tax or similar receipts which, by law, are chargeable to customers, if taxes are separately stated when the customer is charged and paid to the appropriate taxing authority. Gross Sales does not include any bona fide refunds, rebates or discounts granted in the ordinary course of business. Gross Sales includes all sales done at and through the location, whether cash or credit, including, credit card and debit card transactions and payments using a check, with payment received at the time the debit, charge or check is made. If a transaction that was included in a prior period's report of Gross Sales is subsequently determined to be uncollectable, that amount will

be allowed as a credit against the Gross Sales reported to us for the period in which the determination is made. Your franchised business may be located in a jurisdiction whose taxing authority will subject us to tax assessments on payments you submit to us for the royalty fee and brand fund fee. Under such circumstances, you will be required to adjust, or "gross up" your payment to us to account for these taxes.

3. Flat Fees. If the applicable medical practice laws prohibit us from collecting and/or you from paying a royalty fee or advertising fee as a percentage of the Gross Sales, the annual royalty fee and annual brand fund fee will be flat fees that you and we will determine by mutual agreement before execution of the Franchise Agreement. These flat fees may be reviewed by the parties on an annual basis and, based upon such review, either party may propose an adjustment to annual royalty fee and/or annual brand fund fee.

4. Late Fees. If you are paying royalty fees and brand fund fees based on your Gross Sales and you do not timely report your Franchised Business's Gross Sales for any month, then we may debit your account for one hundred twenty percent (120%) of the royalty fee and brand fund fee amounts that we debited during the previous month. If the royalty fee and brand fund fee amounts we debit are less than the royalty fee and brand fund fee amounts you actually owe us (once we determine the Franchised Business's actual Gross Sales for the month), then we will debit your account for the balance on the day we specify. If the royalty fee and brand fund fee amount we debit is greater than the royalty fee and brand fund fee amount you actually owe us, then we will credit the excess amount, without interest, against the amount we otherwise would debit from your account during the following month.

5. Insurance Policies. If you fail to pay the premiums for insurance required to operate your franchise, including but not limited to, general or professional liability insurance, or to include us as an additional insured on such insurance, we may obtain such insurance coverage for you and you will be required to reimburse us within ten (10) days of receipt of a demand for reimbursement from us, together with a $500 administrative fee per event, and any other fees, including attorneys' fees, incurred by us. We will have the right to debit your account the amounts owed to us for such premiums and fees if you fail to pay us within ten (10) days of our request for reimbursement.

6. Transfers. You may be required to reimburse us for reasonable expenses incurred by us in investigating and processing any proposed new owner where a transfer is not finalized, for any reason, and you will be responsible for all expenses we incur including but not limited to attorneys' fees we incur, up to a total of $2,500. If you are in default of your Franchise Agreement, or any other agreement with us, we may deny you the right to transfer the Franchised Business and/or in addition to the transfer fee, should we permit the transfer, we may require you to pay any amounts we deem necessary, in our sole discretion, to cure the default(s), provided that the default(s) is/are curable.

7. Relocation. Any site for the relocation of an OrthoLazer Center must be approved by us in the same manner as the approval of the OrthoLazer Center's initial site and must be within the same trading areas as the previous Center location, as is determined by us in our sole and absolute discretion. The relocation fee is due to the Franchisor within a week after the site approval by the Franchisor.

8. Termination Related Events. If the franchise agreement expires or terminates, we may give you notice of our interest in purchasing some or all of the assets of the franchised business within 30 days, or notice of our election to purchase some or all of the assets of the franchised business within 60 days. If we give you either type of notice, we may appoint a person to oversee the operation of the franchised business by your personnel pending the closing on our purchase of the assets, and the royalty fee will be 11%, rather than 8% during the oversight period. This is reflected as the additional 3% management fee as outlined in Item 6. In addition, during the oversight period, you must pay us a fee for the appointed person and for any persons doing onsite visits (currently $400 per person, per day) and must reimburse us for the reasonable expenses of the appointed person and any persons doing onsite visits.

Notes

1. Initial Franchise Fee. The details of the Initial Franchise Fee are described in Item 5.
2. Security & Utility Deposits. These are estimated amounts of lease costs, security and utility deposits. These amounts will vary in each market and may be refundable.
3. Leasehold Improvements. You will need to make improvements to, or "build out," the Premises, at which you will operate your franchised business. You may be able to negotiate various terms with your Landlord, including paying for some of the build out costs for your leased space, known as Tenant Improvement (TI) Allowances. Also, you may seek to finance some or all of your build out costs through your Landlord or other financing sources. A variety of factors may affect the availability of Landlord and other financing, the monthly overall costs of the financing, and other terms relevant to your decision whether to pay or finance the build out costs.

   The cost of leasehold improvements will vary widely depending upon the size and condition of the premises, if you are located outside of the 48 contiguous states, whether or not there are any existing and comparable leasehold improvements in the premises, the extent and quality of improvements desired by you over and above our minimum requirements, landlord's cash contribution to the cost of the improvements, whether you are required to use union labor, and the like.
4. Exterior Signage. You will need to purchase signage for the Premises that meets our specifications. The cost of signage and graphics will vary from location to location depending on lease requirements, local ordinances and restrictions, store frontage, and related factors. This amount includes localization graphics and signage. The final design must be submitted to us for review and approval.
5. Furniture & Fixtures. You will need to purchase furniture and fixtures for the Premises that meet our specifications. You may decide to lease the furniture and/or equipment needed rather than purchasing it with a lump sum payment. A variety of factors (such as the condition of the national and regional economy, availability of credit, number of suppliers leasing products in your area, the interest rates offered by suppliers, duration of leases offered, security requirements, and your credit history) may affect the availability of leased products, the monthly and overall costs of the leases, and other terms relevant to your decision whether to purchase or lease the furniture and/or fixtures. These figures represent the cost of furniture and fixtures for Premises of approximately 1,500 square feet and including three (3) treatment rooms.
6. MLS Therapy Lasers & Accessories. You will need to purchase three MLS M8 Therapy Lasers for the each OrthoLazer Center from Cutting Edge. You may decide to lease the lasers rather than purchasing them thereby significantly reducing your start up capital outlay. This estimate includes five year warranty coverage as well.
7. Professional Fees. This estimate is for legal, accounting, administrative, permitting, traffic studies, demographic studies, architectural, engineer, site surveys, brokerage, and miscellaneous other professional fees that you might incur before you open for business, including (among other things) to assist you in reviewing the Franchise Agreement. Your actual cost may vary. These fees will vary by jurisdiction and state.
8. Insurance. This is an estimate of insurance premiums for the initial 3 months of business operation. Your costs will vary depending on your market, the amount of coverage you select, and other factors.
9. Initial Inventory & Operating Supplies. This estimate covers various supplies you will need in your initial phase of operation. In compiling these estimates, we have relied on experience and data collected from our management's previous franchise business experience. You are required to obtain these items from us or from our designated sources.
10. Rent Payments. Should you need to rent or acquire leased space for your franchise business, rent varies considerably from market to market, and from location to location in each market. Generally, you will need a minimum of 1,350 to 2,500 square feet leased space. These figures represent rent of approximately 1,500 square feet for 3 months. In metro areas, we encourage you to seek specialist advice regarding fit-out, union labor, operational and any other costs that may impact costs particular to that location.
11. Grand Opening Advertising. You must spend a minimum of 10,000 for local advertising during the Grand

Opening Period (this covers a 105-day period that begins 45 days prior to the opening of your Franchise, and ends 60 days after the opening of your Franchise). You must spend this amount in accordance with the Manual. You will be required to provide us proof of all payments expending during the Grand Opening Period.

12. Technology Fee. You must purchase and exclusively use our OrthoLazer approved business operations software at your location. You will be required to pay a monthly technology fee for the continuing use of the software, as soon as you are given access to the system, which is generally within 30 days of signing your Franchise Agreement.

13. Payroll. Estimate assumes three to four employees including office manager, two technicians and/or a receptionist/scheduler. It does not include an owner's draw or salary and varies based on prevailing wage rates.

14. Additional Funds. You will need additional capital to support on-going expenses during the initial 3 months after you open for business. The estimate includes items such as royalty payments, advertising fees, repairs and maintenance, bank charges, supplies and equipment, state tax, and other miscellaneous items.

15. Estimates Only. The figures in this table are only estimates. In compiling these estimates, we have relied on the experience and data collected from our affiliate that operates a similar franchise business in Chelmsford, MA. Unless otherwise noted above, expenditures are non-refundable.

AREA DEVELOPMENT AGREEMENT

If you sign an Area Development Agreement, then, you must pay us a development fee of $25,000 for each of the OrthoLazer Centers to be developed. $25,000 of the development fee shall be refunded to you when and if each OrthoLazer Center to be developed under the Area Development Agreement is opened. . You will also incur the other expenses outlined in the chart in Item 7 for each OrthoLazer Center that you develop. As your development commitment may require that you open new OrthoLazer Centers over some time period in the future, you understand that the expense categories in Item 7 may increase with time due to inflation and other factors beyond our control. The following table shows your estimated expenses for purchasing the rights to open four OrthoLazer Centers and developing one OrthoLazer Center. You will incur additional fees when you develop the second OrthoLazer Center.

Type of Expenditure	Amount		Method of Payment	When Due	To Whom Payment is to be Made
	Low	High			
Development Fee	$100,000	$100,000	Lump sum	Upon execution of the Area Development Agreement	Us

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS & SERVICES

Except as indicated below, you are not required to purchase or lease products or services from us or our affiliates or from suppliers approved by us or under our specifications.

REQUIRED PURCHASES OF GOODS AND SERVICES

You must purchase certain non-medical products, supplies, insurance, inventory, signage, fixtures, furniture, equipment, décor, software and other specified items under specifications and standards that we periodically establish in our Manual or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance and support the System. You must purchase such non-medical products, supplies, insurance, etc. required for the operation of your Franchised Business solely from suppliers (including distributors, manufacturers, and other sources) who have been designated or approved by us in writing. A list of all approved and/or designated suppliers is set forth in our Manual. You are not allowed to purchase any non-medical item from an unapproved supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or services.

The designated and approved suppliers may be us or an affiliate of ours. Currently, we are not a designated or approved supplier of any item. Our affiliate Cutting Edge is the currently the only approved supplier of M8 MLS Therapy Lasers and related equipment used in the operation of the Franchised Business. You must purchase or lease from Cutting Edge three M8 MLS Therapy Lasers for use in each OrthoLazer Center. Mark Mollenkopf, Chief Executive Officer, and Robert Turner, our Chief Financial Officer, each own an interest in Cutting Edge.

APPROVAL OF ALTERNATIVE SUPPLIERS

We do not have any specific written criteria for supplier selection and does not intend at this time to prepare one. Therefore, we will not furnish its criteria for supplier approval to Franchisees. If you would like to purchase any products or services from any unapproved supplier, then you must submit to us a written request for approval of the proposed supplier. We will approve or disapprove your request within 30 days of receipt of your written request. We have the right to inspect the proposed supplier's facilities, and require that product samples from the proposed supplier be delivered, at our option, either directly to us, or to any independent, certified laboratory that we may designate, for testing. We may charge you a supplier evaluation fee (not to exceed the reasonable cost of the inspection and the actual cost of the test) to make the evaluation. We reserve the right to periodically re-inspect the facilities and products of any approved supplier, and revoke our approval if the supplier does not continue to meet any of our criteria.

REVENUE FROM FRANCHISEE PURCHASES

In 2022, we did not receive any revenues from franchisee required purchases of products and services from us and/or required suppliers, but we may receive revenues from such purchases in the future.

In 2022, our affiliate Cutting Edge received $980,000 in revenue from the sale of M8 MLS Therapy Lasers and related equipment to franchisees.

Franchisees may be required to sign agreements with our required vendors. Currently, we do not receive any rebates or compensation for purchases from any of our required vendors, but we may in the future.

The cost of purchasing required products and services to our specifications will represent approximately 50-60% of your total purchases in establishing your franchise and approximately 10-25% of your total purchases during the operation of your franchise.

We may receive revenue or other consideration from any other suppliers for goods and services that we require or advise you to purchase. In the event we enter agreements with any such suppliers, we anticipate that any revenue or other consideration received will include certain promotional allowances, rebates, volume discounts, and other payments, that may range from 0-10% of the amount of the goods or services you purchase from the supplier. We expect that at least some of these arrangements will generally allow us to obtain discounts from standard pricing, and that it may facilitate our ability to pass along a portion of the savings to you.

NEGOTIATED PRICES, COOPERATIVES & MATERIAL BENEFITS

We may negotiate price terms and other purchase arrangements with suppliers for you for some items that we require you to lease or purchase in developing and operating your Franchised Business. There currently are no purchasing and distribution cooperatives. We do not provide any material benefits to you if you buy from sources we approve.

PRICE RESTRICTIONS

To the extent permitted by applicable law, we may periodically establish maximum and/or minimum prices for non-medical products and services that OrthoLazer Centers offer, including without limitation, prices for promotions in which all or certain Franchised Businesses participate. If we establish such prices for any non-medical products services, you cannot exceed or reduce that price, but will charge the price that we establish for that non-medical product or service.

You must purchase from approved suppliers and use the point-of-sale system, computer hardware, computer software and the all-in-one printer/copier/scanner/fax machine.

We do not currently derive any revenue from your purchase of the Computer System, but reserve the right to do so in the future. You will be required to meet all computer guidelines laid out in the Manual. You must have high-speed Internet connection at your premises. We reserve the right to require you to purchase, install and use proprietary operating software that allows us to download certain sales and other information related to Franchise operations that we specify. In the future, you may be required to purchase or lease other proprietary software from us, an affiliate of ours, or from a third party designated by us.

You will be required to pay a monthly Technology Fee of $750 for the continuing use of our software, as soon as you are given access to the system, which is generally within 30 days of signing your Franchise Agreement. Our Technology Fee does not include the monthly cost to purchase and/or maintain additional software or software applications that you may be required to use in the future to operate your franchise to comply with applicable laws and regulations, such as PCI data security software or software to protect patient or customer data. We reserve the right to increase the Technology Fee up to 5% annually after giving you 30-day prior written notice. You will also be required to have access to a broadband Internet connection at all times.

If we require you to use any proprietary software or to purchase any software from an approved supplier, you must sign any software license agreements that we or the licensor of the software require and any related software maintenance agreements. The Computer System is described in more detail in the Manual.

CREDIT CARDS

You are required to honor all credit, charge, courtesy and cash cards that we approve in writing. To the extent you store, process, transmit or otherwise access or possess cardholder data in connection with the sale of services and products at the OrthoLazer Center, you are required to maintain the security of cardholder data and adhere to the then-current credit card security standards which can be found at www.pcisecuritystandards.org for the protection of cardholder data throughout the term of your Franchise Agreement. You are responsible for the security of cardholder data in the possession or control of any of your employees that you engage to process credit cards. You must, if we request that you do so, provide appropriate documentation to us to demonstrate compliance with applicable PCIDSS requirements by you and all your employees.

INSURANCE

You must obtain and maintain medical professional liability insurance covering you and your Clinical Staff. The medical professional liability insurance must name your Clinical Staff as additional insureds with coverage being applicable based on the retroactive date and effective date shown on the policy. If approved by your medical professional liability insurer, your Clinical Staff may be covered through your medical professional liability insurance to the extent the policy provides coverage and from the retroactive date and effective date shown on the policy. Medical professional liability insurance for you and your Clinical Staff covered hereby must be at least One Million dollars ($1,000,000) per claim and Three Million dollars ($3,000,000) annual aggregate for all claims, or such other amount as required by law. Neither we nor any affiliate of ours will derive revenue as a result of your purchase of medical professional liability insurance.

In addition to medical professional liability insurance, you must obtain and maintain such other insurance as we may specify in the Manual, in addition to any other insurance that may be required by applicable law, or by any lender or lessor. Neither we nor any affiliate of ours will derive revenue as a result of your purchase of such insurance. All such insurance policies must name us as an additional insured and specifically, "Grantor of the Franchise." You cannot open your franchise location until you have obtained all the required insurance coverage. If you fail to obtain and maintain this insurance coverage, we have the right to obtain it on your behalf and to charge you for the cost-plus interest. We have the right to increase the minimum coverage, decrease the maximum deductible, or require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards, or other relevant changes in circumstances. We must give you at least 30 days' written notice.

Any advertising or marketing material that you intend to use must receive prior written approval from us. If you do not receive our written disapproval within 15 days from the date the materials are delivered to us, then the materials will be deemed approved. The approval of the marketing or advertising material is valid for 1 year.

We may establish one or more advertising cooperatives (an "Advertising Co-op") from time to time and you are required to join and participate in any Advertising Co-op we may establish covering your OrthoLazer Center. An Advertising Co-op is an association of all franchisees whose Franchised Businesses are located within a designated market area ("DMA"). A DMA is a geographic area around a city in which the radio and television stations based in that city account for a greater proportion of the listening/viewing public than those based in the neighboring cities. One function of the Advertising Co-op is to establish a local advertising pool, of which the funds must be used for OrthoLazer Center advertising only and for the mutual benefit of each Advertising Co-op member.

As of the date of this disclosure document, there are no Advertising Co-ops. We have the right to create Advertising Co-ops and to decide how they will be run. We also have the right to specify the manner in which Advertising Co-ops are organized and governed, and may require all Advertising Co-ops to be legal entities of the state where they are located. Each Advertising Co-op must operate according to bylaws which have been approved by us. Members of the Advertising Co-ops are responsible for determining the fees to be paid by the Advertising Co-op members directly to the Advertising Co-op. While none exist at this time, if Franchisor-owned outlets exist within any DMAs, these outlets will contribute to the Advertising Co-op in the same amounts as all other franchisees within the same DMA. Amounts contributed to Co-ops may be considered as spent toward local advertising, if appropriately documented and spent according to our defined criteria for local advertising, and therefore may be applied towards the Minimum Local Advertising Requirement.

With your brand fund fees, we will create one or several national and/or regional brand funds (each referred to as a "Brand Fund") for OrthoLazer Centers (both franchisee-owned and Franchisor-owned) to accomplish those advertising and promotional programs we deem necessary or appropriate for the OrthoLazer Centers. However, we may choose to use only one Brand Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. Each OrthoLazer Center must contribute to the Brand Fund for its area such amounts that we periodically require. Unless prohibited by applicable law, the current contribution amount is 2% of Gross Sales. If applicable law in the state in which your OrthoLazer Center is located forbids you from paying or us from collecting a brand fund fee as a percentage of the Gross Sales, the brand fund fee will be a flat fee that we and you will determine by mutual agreement before execution of the Franchise Agreement and which will be reviewed by the parties on an annual basis and, based upon such review, either party may propose an adjustment to annual brand fund fee. The maximum contribution to the Brand Fund we may require from you is 2% of Gross Sales. Any OrthoLazer Center owned by us will contribute to the Brand Fund on the same basis as you.

We will direct all marketing programs financed by the Brand Fund, including the creative concepts, materials and endorsements used by the Brand Fund(s), and the geographic, market, and media placement and allocation of the Brand Fund. We may use the Brand Fund to pay the costs of administering regional, multi-regional, and/or national advertising programs, including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. We may use Brand

Fund to engage in advertising and promotional programs that benefit only one or several regionals, and not necessarily all OrthoLazer Centers. We will not use the Brand Fund for advertising that is principally a solicitation for the sale of franchises.

The Brand Fund will be accounted for separately from our other funds, and will not be used to pay any of our general operating expenses, except for salaries, administrative costs, and overhead that we incur in activities reasonably related to the administration of the Brand Fund and their marketing programs, including preparing advertising and marketing materials, and collecting and accounting for contributions to the Brand Fund. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the Brand Fund in that year, and the Brand Fund may borrow from us or other lenders to cover the Brand Fund's deficits, or invest any surplus for future use by the Brand Fund. We will prepare an annual statement of monies collected and costs incurred by each Brand Fund, and will provide it to you upon written request. The Brand Fund is not currently audited but could be audited at a future time.

We may cause any Brand Fund to be incorporated or operated through an entity separate from us when we deem appropriate, and the entity will have the same rights and duties as we do under the Franchise Agreement. If established, the Brand Fund will be intended to enhance recognition of the Marks and to enhance the franchise opportunities available through our franchises. Although we will endeavor to use the Brand Fund to develop advertising and marketing materials and programs and place advertising that will benefit all OrthoLazer Centers, we do not have to ensure that the Brand Fund's expenditures in or affecting any geographic area are proportionate or equivalent to the contributions made by OrthoLazer Centers in that geographic area, or that any OrthoLazer Center will benefit from the development of advertising and marketing materials or the placement of advertising by the Brand Fund directly or in proportion to the OrthoLazer Center's contribution to the Brand Fund. We assume no direct or indirect liability or obligation to you or any other OrthoLazer Center in connection with the establishment of a Brand Fund, or the collection, administration, or disbursement of monies paid into any Brand Fund.

We may suspend contributions to, and the operations of, any Brand Fund for any period we deem appropriate, and may terminate the Brand Fund upon 30 days' written notice to you. All unspent monies held by the Brand Fund on the date of termination will be distributed to us, our affiliates, and you and our other franchisees in proportion to each party's respective contributions to the Brand Fund during the preceding 12-month period. We may reinstate a terminated Brand Fund upon the same terms and conditions set forth in the Franchise Agreement upon 30 days' advance written notice to you.

As of the date of this disclosure document, we have no franchise councils or advisory boards. We may change or dissolve any advisory councils or similar organization we have formed or organized.

We, or our designated supplier, may become the required supplier of some or all marketing and advertising services (including digital services) for your Franchised Business. If we do, you will be required to discontinue using any of your current suppliers for these services upon expiration of any existing contracts for these services, or within 30 days after receiving notice from us, whichever occurs first. Any amounts paid toward marketing and advertising services may be applied towards your Minimum Local Advertising Requirement.

SYSTEM WEBSITE & SOCIAL MEDIA

We have established a website to advertise, market and promote OrthoLazer Centers and the franchise opportunity. We will provide you with a web page to promote your business if you provide us with the information that we request. Currently, you may control your photo galleries and biographies, but you must follow the System, which applies to all Internet content. You may not establish your own website

or use social media platforms without our prior written consent, which shall not be unreasonably withheld. You must sign an authorization that grants us the right to change, transfer or terminate your email addresses, domain names, social media platforms and comparable electronic identities that use our trademarks if the franchise agreement expires or is terminated, or if your franchise is not renewed.

INTERNET ACCESS & EMAIL COMMUNICATIONS

You must have commercially appropriate 24 hours a day, 7 days a week, high speed Internet access. You may use any Internet service provider (ISP) of your choosing that provides high speed dedicated access. You must utilize your corporate issued OrthoLazer email for your Franchised Business-related electronic communications. We will provide you with an email address that is to be used in all commercial communications. The email format will be similar to [franchise location]@ortholazer.com. The use of any other email address in conducting OL business is prohibited.

COMPUTER-RELATED EQUIPMENT & SOFTWARE.

You must use the computer hardware and software (collectively, "Computer System") that we periodically designate to operate your Franchised Business. Your Computer System includes our OrthoLazer-branded business operations software necessary to operate your franchise. You must obtain the Computer System, software licenses, maintenance and support services, and other related services from the suppliers we specify (which may include or be limited to us and/or our affiliates). You are responsible for all costs and monthly fees associated with any such software licenses or programs, including any updates. We may periodically modify the specifications for, and components of, the Computer System. These modifications and/or other technological developments or events may require you to purchase, lease, and/or obtain by license new or modified computer hardware and/or software, and obtain service and support for the Computer System. The Franchise Agreement does not limit the frequency or cost of these changes, upgrades, or updates. We have no obligation to reimburse you for any Computer System costs. Within 60 days after you receive notice from us, you must obtain the components of the Computer System that we designate and ensure that your Computer System, as modified, is functioning properly.

We may charge you a reasonable fee for installing, providing, supporting, modifying, and enhancing any proprietary software or hardware that we develop and license to you; and other Computer System-related maintenance and support services that we or our affiliates provide to you. If we or our affiliates license any proprietary software to you or otherwise allow you to use similar technology that we develop or maintain, then you must sign any software license agreement or similar instrument that we or our affiliates may require.

You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of other third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained and upgraded.

You will have sole responsibility for ensuring that all data and other information stored on your Computer System is stored in compliance with HIPAA, the regulations and guidelines thereunder and all other applicable federal state or local laws, rules and regulations relating to the disclosure of Protected Health Information (within the meaning of the HIPAA) or personally identifiable information (collectively, "Information Privacy Laws").

You will have sole responsibility for ensuring that all data and other information that you disclose to us or to which we have access on your Computer System has been "de-identified" within the meaning of

Section 164.514(a) of the HIPAA Privacy Rule and that such disclosure or access does not otherwise violate any Information Privacy Laws. Subject to the applicable Information Privacy Laws, we will have independent access to the information that will be generated and stored on your Computer System.

Your Computer System must be capable of supporting our required software, with Internet capability, and accessible by us remotely. You may also be required to purchase certain customer contact software and financial software, and to pay monthly charges associated with your Computer System. The specification regarding the required hardware and software for your Computer System, are contained in the Manual. The main purpose of your Computer System will be for customer database maintenance and point of sale operations. You will be housing all of your clinic related accounting information, clinic related files and patient files within the Franchisor accessible system.

We estimate the expense involved in purchasing or leasing the Computer System and related software and associated equipment to be between $7,000 and $8,000. Our Technology Fee does not include the monthly cost to purchase and/or maintain additional software or software applications that you may be required to use in the future to operate your franchise to comply with applicable laws and regulations, such as Payment Card Industry ("PCI") data security software or software to protect patient or customer data. You will also be required to pay the monthly cost of maintaining high-speed Internet access at your site. We estimate this cost at between $150 and $1,050 depending on your area and building requirements and availabilities.

TRAINING PROGRAM

We will provide an initial training program on the operation of an OrthoLazer Center for your Center Director, all staff and Business Owner(s). The cost of the initial training program for your Center Director, staff and Business Owner(s) are included in the initial franchise fee, but we reserve the right to charge a fee of $125 per hour for , additional or repeat training .

We will conduct initial training that the Center Director and Business Owner must, after signing the franchise agreement, attend and complete to our satisfaction. We provide training at no cost for a total of three individuals, however, you must pay for all travel costs and living expenses for yourself and your trainees. We may charge you for initial training for more than three people, or for providing repeat initial training to any person who does not complete initial training to our satisfaction in the first instance. Although the successful completion of initial training is mandatory for the Center Director and Business Owner, it is also available for one additional person. Additionally, you will be responsible for hiring and training your own employees and other management personnel at your own cost, which you must hire without assistance from us.

Our initial training program lasts approximately two-weeks and is presently conducted at our headquarters in Rochester, New York, onsite at one of our operating centers, at your Center, and through electronic training delivery. At our discretion we may designate another location for training. Our initial training program is conducted on an as-needed basis; however, the training schedule may change.

Currently, our VP of Franchise Success, oversees the initial training program. He has a Bachelor Degree and prior to joining OrthoLazer operated an employee engagement and training company and has 20+ years in the training industry. Some specific subjects may be taught by employees of Cutting Edge who have daily management responsibility or practical experience in the subject being taught.

If your Business Owner or Center Director fails to successfully complete the initial training program, we may require them to attend additional or remedial training and pay our then-current fee for such training.

We may require you (or your Center Director) to attend (and, in the case of training programs, successfully complete) any conferences or supplemental or refresher training programs that we choose to provide at locations that we designate. We may charge you a reasonable registration fee for each individual that attends or participates in a program or conference.

While we may provide additional guidance, you are responsible for making all hiring and employment decisions as the owner of the Center. This includes, but is not limited to, employee selection, hiring, training, promotion, termination, hours worked, rates of pay, benefits, work assigned, supervision, discipline, and working conditions.

MANUAL

We will provide you with access to our operations manual (the "Manual"), which contains our mandatory and suggested specifications, standards and procedures for operating your OrthoLazer Center, all of which we collectively refer to as our "System Standards." The contents of the Manual are Confidential Information. We may modify the Manual periodically to reflect changes in System Standards and other guidance and requirements regarding the operation of an OrthoLazer Center. System Standards will not impinge on or interfere with the ability of your Owners or clinical staff to exercise professional judgment in practicing medicine and providing patient services. The table of contents of our Manual is attached as Exhibit F to this disclosure document. The Manual contains approximately 112 pages.

SITE IDENTIFICATION, ACQUISITION & CONSTRUCTION

We will provide you with assistance with site identification, acquisition, design and construction through our vendors. The general site selection and evaluation criteria that we consider in approving your site includes the condition of the premises, demographics of the surrounding area, proximity to other OrthoLazer Centers, lease requirements, traffic patterns, vehicular and pedestrian access, proximity to major roads, available parking and overall suitability. We do not own any premises to which we would lease to a franchisee, at this time. We will provide you with written notice of our approval or disapproval of any proposed site within 15 days after receiving all requested information. If we do not approve your proposed site, you must find an alternative location and submit it to us for approval through the same process described above. Unless specified in writing, disapproval of a proposed location will not extend your opening deadline.

You will be responsible with conforming to local ordinances, building codes and obtaining any required permits relating to the construction, remodeling or decorating your franchise locations. We offer construction service vendors that may assist with some or all of these activities, but you are ultimately responsible for obtaining the items above and are responsible for all final decisions and actions. At no time will our assistance, or even lack thereof, constitute a modification of your opening deadline. If a modification is needed, you must follow the opening deadline modification process outlined in this disclosure document.

We have specific requirements for equipment, signs, fixtures, initial inventory and supplies, as outlined in the Manual. We, or our designated supplier, are the required supplier of some or all of the supplies and/products needed for your Franchised Business.

TYPICAL LENGTH OF TIME BEFORE OPERATION

We will agree on the time you must open your OrthoLazer Center for business when you sign your Franchise Agreement, but we typically will require you to open no more than 120 days after you sign your Franchise Agreement ("Opening Deadline"). Factors affecting this length of time before you open include locating a site for the OrthoLazer Center and signing a lease, construction or remodeling of the site (if required), completion of required training, financing arrangements, local ordinance and building code compliance, delivery and installation of equipment, and hiring and training of your staff, securing of all manner of permits and operational licenses and approvals.

If you are delayed from opening your OrthoLazer Center by the Opening Deadline in your Franchise Agreement, you must provide us with a written request to extend the Opening Deadline. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that you are making to proceed with the opening; and (4) an anticipated opening date. We will not unreasonably

withhold our consent to a delay if you have been diligently pursuing the opening.

Unless we agree to extend the Opening Deadline, if you do not open your OrthoLazer Center for business by the deadline, you will be considered in default of your Franchise Agreement. Upon receipt of written notice from us of your default, you must cure your default by opening your OrthoLazer Center for business no more than 90 days after receipt of notice of the default, or 180 days after the original Opening Deadline, whichever occurs first. If you fail to cure your default, we have the right to terminate your Franchise Agreement.

ITEM 12
TERRITORY

We will grant you a protected territory (the "Protected Territory"). We will define the Protected Territory in an addendum to the Franchise Agreement after you select and we approve the site for your OrthoLazer Center. Typically, the Protected Territory will be defined by the natural traffic and trade patterns of your particular approved site or area. We will describe the Protected Territory in general terms using fixed geographical boundaries (such as streets, highways, zip codes or counties). The geographic size of the Protected Territory will dependent upon the following: geographical boundaries, cultural demographics, household income, population count, age, traffic/trip count, daytime population, competition, housing density and permit and zoning regulations, once you sign your location lease.

We will not modify your Protected Territory during the franchise term. If you intend to renew or transfer the franchise, and your Protected Territory is larger than our then-current standard size for territories or the then-current demographics of your Protected Territory have changed, then we may reduce the size of your Protected Territory on renewal or require your transferee to operate the Franchised Business in a smaller territory. If we reduce the Protected Territory, we will give you or your transferee the option (as applicable) to develop the remaining territory.

If you are in full compliance with the Franchise Agreement, then during the Franchise Agreement's term, neither we nor our affiliates will operate or grant a franchise for the operation of another OrthoLazer Center franchise or Company-owned OrthoLazer Center located within your Protected Territory.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, from other channels of distribution or competitive brands that we control. There are no restrictions on the ability of us or other franchisees to solicit or accept business from customers inside your Protected Territory. Neither we nor any franchisee has any obligation to pay you any compensation for soliciting or accepting business from customers inside your Protected Territory. There are no restrictions on you from soliciting or accepting business from customers outside your Protected Territory or from using other channels of distribution, such as the Internet, catalog sales, Telemarketing, or other direct marketing, to solicit and/or make sales outside of your Protected Territory.

Without our prior written approval you may not operate the Franchised Business out of any site other than the location we have approved as set forth in the Franchise Agreement.

We must approve the relocation of your OrthoLazer Center. We will apply the same criteria for the relocation of a franchised business as we apply when determining the location of a new franchise. There is a relocation fee of $2,500 to relocate and any relocation must be approved by us.

The Franchise Agreement does not grant you any options, rights of first refusal, or similar rights to acquire additional franchises.

OTHER COMPANY RESERVED RIGHTS

We and our affiliates reserve the right to engage in any activities we deem appropriate that your Franchise Agreement does not expressly prohibit, whenever and wherever we desire, including the right to (1) own, acquire, site build, or operate, for our own account, or grant to others the right to operate, OrthoLazer Centers on terms and conditions and at locations we deem appropriate outside of your Protected Territory; (2) provide or grant other persons the right to provide goods and services that are similar to and/or competitive with those provided by OrthoLazer Centers through any distribution channel, including, but not limited to, sales via mail order, catalog, toll-free telephone numbers, and electronic means, including the Internet under the Marks or trademarks and services marks other than the Marks; (4) acquire the assets or ownership interest of businesses providing products and services similar to those provided at OrthoLazer Centers, and franchising, licensing, or creating similar arrangements with respect to those acquired businesses, wherever those businesses or their franchisees or licensees are located; and (5) being acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at OrthoLazer Centers or another business. Neither we nor any of our affiliates currently operate or currently plan to operate or franchise businesses under a different trademark that will sell similar goods or services to those provided at OrthoLazer Centers.

ITEM 13
TRADEMARKS

Your right to use the Marks is derived only from the Franchise Agreement and limited to your operating the Franchised Business according to the Franchise Agreement and all System standards we prescribe during its term.

We will indemnify and defend you against all claims or actions arising out of your use of the marks as authorized by us, including reasonable attorneys' fees and expenses, if you have properly used the marks. We reserve the right to control any trademark litigation and will be the sole judge whether suit will be brought or settled in any instance when any person or entity infringes the marks. You must notify us within in 3 calendar days of any infringement or unauthorized use of the marks of which you become aware and to cooperate with any action that we undertake.

If we decide that it is advisable at any time for you to modify or discontinue the use of any of the marks, or to use one or more additional or substitute trade or service marks, you must comply with our directions to modify or discontinue the use of the mark or use one or more additional or substitute trade or service marks within a reasonable time after notice. We will not reimburse you for any expenses you incur to implement such modifications or substitutions. We are not obligated to reimburse you for any loss of goodwill or revenue associated with any modified or discontinued mark, nor are we responsible for any other damages or costs.

We have registered the following Marks with the U.S. Patent and Trademark Office ("USPTO") on the Principal & Supplemental Registers. At the appropriate times, we intend to renew the registrations and to file all appropriate affidavits.

MARK	REGISTRATION NUMBER	REGISTRATION DATE	REGISTER
	6133092	August 25, 2020	Principal

OrthoLazer	6098103	July 7, 2020	Supplemental

There are no agreements currently in effect that significantly limit our right to use or license the use of the Marks in a manner material to the franchise. With respect to the Marks, there are currently no effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, or any pending infringement, opposition, or cancellation proceeding.

We have no actual knowledge of either superior prior rights or infringing uses that could materially affect a Franchisee's use of the Marks in any state.

We will reimburse you for all of your expenses reasonably incurred in any legal proceeding disputing your authorized use of any Mark, but only if you notify us of the proceeding in a timely manner and you have complied with our directions with regard to such proceeding. Our reimbursement does not include your expenses for removing signage or discontinuing your use of any Mark. Our reimbursement also does not apply to any disputes where we challenge your use of a Mark. Our reimbursement does not apply to legal fees you incur in seeking separate, independent legal counsel.

You must use the Marks as the sole trade identification of the franchised business, but you may not use any Mark or part of any Mark as part of your corporate or other legal entity name. You may not use any Mark in connection with the sale of any unauthorized products or services, or in any other manner that we do not authorize in writing. You must obtain a fictitious or assumed name registration if required by your state or local law. The fictitious or assumed name registration must be for "OrthoLazer [name of your protected territory]".

You must notify us if you apply for your own trademark or service mark registrations. You must not register or seek to register as a trademark or service mark, either with the USPTO or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any of our Marks.

You may not establish, create or operate an Internet site or website using any domain name containing the words "OrthoLazer" or any variation thereof without our prior written consent, which shall not be unreasonably withheld. You may not establish, create or operate a social media platform using or containing the Marks without our prior written consent, which shall not be unreasonably withheld. <u>EXHIBIT C</u>
FRANCHISE AGREEMENT

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT ("Agreement") is made and entered into on _____________ (the "Effective Date"), by and between OLC DEVELOPMENT, LLC, a Delaware limited liability company with its principal place of business at 50 Methodist Hill Drive, Suite 600, Rochester, New York 14623 ("Franchisor"), and ________________________________, a __________ with its principal place of business at ____ ("Franchisee").

WITNESSETH:

A. Franchisee has purchased or leased from an affiliate of Franchisor three (3) M8 MLS Therapy Lasers manufactured by ASA Laser and distributed in the United States exclusively through Cutting Edge Products, LLC (the "M8 MLS Therapy Laser") which has been selected by the Franchisee based solely upon and in the exercise of its independent medical judgment for the purpose of providing Multiwave Locked System Therapy laser pain treatment to patients of Franchisee's medical practice ("MLS Therapy Laser Services").

B. Franchisor and its affiliates, as the result of the expenditure of time, skill, effort, and money, have developed, and continues to develop, a distinctive system relating to the establishment and general management of business and administrative services of a non-medical nature appropriate for the operation of centers which offer MLS Therapy Laser Services using M8 MLS Therapy Lasers and such other non-medical ancillary and related services as the Franchisor shall determine from time to time under the name "OrthoLazer™ Orthopedic Laser Centers" (an "OrthoLazer Center"), and which may be changed, improved and further developed by Franchisor from time to time (the "System"). The System relates only to non-medical methods of operation and does not involve the rendering of medical treatment.

C. The MLS Therapy Laser Services and other related medical services are provided at an OrthoLazer Center by a physician, or medical personnel supervised by a physician, in each case employed or engaged by the Franchisee, using M8 MLS Therapy Lasers. The business that the Franchisee will own, manage, administer and operate using M8 MLS Therapy Lasers and the System is referred to as the "Franchised Business."

D. The distinguishing characteristics of the System include, without limitation, providing site selection assistance; construction design assistance; preferred vendor relationships for the purchase or lease of M8 MLS Therapy Lasers and related equipment; procedures for monitoring business operations; procedures for business management; training of and assistance with non-medical personnel; guidance regarding advertising and promotional programs; business formats, methods, procedures, standards, and specifications, all of which may be changed, improved and further developed by Franchisor from time to time. Notwithstanding anything in this Agreement to the contrary, Franchisor is not responsible for marketing, advertising or expanding the business of the Franchisee's OrthoLazer Center; those efforts are solely Franchisee's responsibility, subject to the terms of this Agreement.

E. The System is identified by the name "OrthoLazer™" and certain other trade names, service marks, trademarks, trade dress, logos, emblems, and indicia of origin as are now designated and may hereafter be designated by Franchisor in writing for use in connection with the System (the "Proprietary Marks") which have gained and will continue to gain public acceptance and goodwill. The use of the word "Center" in this Agreement is intended to be a generic reference only and is not intended to imply or require that such word must or is available to be used by Franchisee in connection with its business or the System in those jurisdictions which prohibit its use or otherwise require special licensing or approvals in order to use such word.

F. Franchisor grants to Professional Entities (as defined in Section 1.5 below) who meet its qualifications, and are willing to undertake the investment and effort, a franchise to establish and manage an OrthoLazer Center using the System and Proprietary Marks.

G. Franchisee has applied for a franchise for an OrthoLazer Center at the location identified in this Agreement and its application has been approved by Franchisor in reliance upon all of the representations made in Franchisee's application, including those concerning its financial resources and the manner in which the Franchised Business will be owned and operated.

H. Franchisee understands and acknowledges that the terms and conditions contained in this Agreement are necessary to maintain Franchisor's high standards of quality and service and the uniformity of those standards at all OrthoLazer Centers and thereby agree to protect and preserve the goodwill of the Proprietary Marks, and Franchisee must comply with this Agreement and all System Standards (as defined below in Section 9.1) in order to maintain the high and consistent quality that is critical for OrthoLazer Centers.

NOW, THEREFORE, the parties agree as follows:

1. GRANT

1.1 Grant of Franchise. Franchisor grants to Franchisee the right and Franchisee undertakes the obligation, upon the express terms and conditions set forth in this Agreement, to establish and manage the business and administrative services of a non-medical nature as appropriate for the operation of an OrthoLazer Center under the Proprietary Marks and the System (the "Franchised Business"), and to use the Proprietary Marks and the System, as they may be changed and improved from time to time at Franchisor's sole discretion, solely in connection therewith.

1.2 Approved Location. Franchisee shall operate the Franchised Business only at the location identified in Exhibit A (the "Approved Location"). If on the Effective Date a location for the Franchised Business has not been obtained by Franchisee and approved by Franchisor, Franchisee shall lease or acquire a location within one hundred and twenty) 120 days after the Effective Date, subject to the Franchisor's approval, as provided for in the Site Selection Addendum attached hereto as Exhibit B. Franchisee shall not relocate the Franchised Business without the prior written approval of Franchisor, which shall not be unreasonably withheld. Franchisee acknowledges and agrees that Franchisor's approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the suitability of the site for the Franchised Business or for any other purpose. Franchisee further acknowledges and agrees that its acceptance of a franchise for the operation of the Franchised Business at the site is based on its own independent investigation of the suitability of the site.

1.3 Franchisee's Territory.

(a) Except as otherwise provided in this Agreement, during the term of this Agreement Franchisor shall not establish or operate, nor license any other person to establish or operate, an OrthoLazer Center under the System and the Proprietary Marks at any location within the territory described in Exhibit A (the "Franchisee's Territory").

(b) Except as otherwise provided in Section 1.3(a), Franchisor and its affiliates retain all rights, among others, on any terms and conditions Franchisor deems advisable, and without granting Franchisee any rights therein, with respect to OrthoLazer Centers, the System, the Proprietary Marks, the sale of similar or dissimilar services, and any other activities Franchisor deem appropriate whenever and wherever it desires, including to the extent permitted under Applicable Medical Practice Laws (defined in

Section 7.1 below), but not limited to:

(i) to establish, own and manage, and license others to establish, own and manage, OrthoLazer Centers under the System and the Proprietary Marks and similar therapy laser businesses under different names or marks at any location outside the Franchisee's Territory under any terms and conditions Franchisor deems appropriate and regardless of proximity to the Approved Location or the Franchisee's Territory;

(ii) to establish and operate (and to grant to others the right to establish and operate) any businesses offering services and products other than therapy laser pain management services through similar or dissimilar channels of distribution, at any location whether within or outside the Franchisee's Territory under trademarks or service marks other than the Proprietary Marks;

(iii) to acquire and operate assets, or ownership interests in one or more businesses that operate, and/or have granted franchises, licenses, or similar rights to one or more third parties to operate, businesses offering services and products other than therapy laser pain management services even if such business operates, franchises and/or licenses competitive businesses in the Franchisee's Territory; and; and

(iv) the right to create, place, and/or distribute any advertising and promotional materials related to the System and the Proprietary Marks, as those materials may appear in media, including, without limitation, the Internet or similar electronic media anywhere, including within the Franchisee's Territory.

1.4 Modifying and Supplementing the System. Franchisee acknowledges that the System may be operated, supplemented, improved, and otherwise changed or modified from time to time by Franchisor at its discretion; and Franchisee agrees, subject to all Applicable Medical Practice Laws, to comply with all reasonable requirements of Franchisor in that regard. Because complete and detailed uniformity under many varying conditions might not be possible or practical, Franchisee acknowledges that Franchisor specifically reserves the right and privilege, as it considers to be best, to vary System Standards for any franchisee or any OrthoLazer Center based upon any conditions that Franchisor considers important to that franchisee's or franchised business's operation. Franchisee may request that Franchisor grant Franchisee a variation or accommodation, but Franchisor has no obligation to do so.

1.5 Professional Corporation, Limited Liability Company, or Partnership. Franchisee must be a professional corporation, professional limited liability company, professional general or limited partnership or other professional entity permitted to engage in the practice of medicine under the laws of the state in which the Franchised Business will be located and operated (collectively, a "Professional Entity"). At all times during the Term, Franchisee shall be duly organized or formed and validly existing in good standing under the laws of the state of Franchisee's formation. Franchisee additionally agrees and represents and warrants to Franchisor as follows:

(a) Franchisee has the authority to sign, deliver, and perform Franchisee's obligations under this Agreement and all related agreements;

(b) Franchisee will not alter, change, or amend Franchisee's organizational documents, including the certificate or articles of incorporation, by-laws, shareholder or stockholder agreement, operating agreement, or partnership agreement, as applicable (collectively, the "Franchisee Organizational Documents") without obtaining Franchisor's prior written approval, which approval Franchisor will not unreasonably deny or withhold, and will grant if such changes will not, in Franchisor's opinion, prevent Franchisee from performing and observing Franchisee's obligations under this Agreement;

(c) Franchisee Organizational Documents, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interests in Franchisee and all certificates and other documents representing ownership interests in Franchisee will bear a legend referring to this Agreement's restrictions;

(d) Exhibit C to this Agreement completely and accurately describes all of Franchisee's direct and indirect stockholders, members, partners, or other owners (each an "Owner") and their stockholdings, membership interests, partnership, equity, ownership or other interests in Franchisee as of the Effective Date;

(e) Subject to Franchisor's rights and Franchisee's obligations under Section 14, Franchisee and each Owner agree to sign and deliver to Franchisor a revised Exhibit C to reflect any permitted changes in the information that Exhibit C now contains;

(f) Each Owner will sign a guaranty, indemnity and acknowledgement in the form Franchisor prescribes from time to time, undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between Franchisee and Franchisor. Franchisor's form of guaranty, indemnity and acknowledgement as of the Effective Date is attached as Exhibit D;

(g) Franchisee will appoint one Owner to serve as Franchisee's "Operating Owner," who will responsible for overseeing and supervising the operation of the Franchised Business. The Operating Owner, as of the Effective Date, is identified in Exhibit C. The Operating Owner will be the person with whom Franchisor will communicate on all major policy, financial, non-medical business management and operational matters, and the only person from Franchisee that Franchisor will recognize as having authority to communicate for and on Franchisee's behalf. Franchisee may not change the Operating Owner without Franchisor's prior written consent, which Franchisor will not unreasonably withhold provided that the proposed new Operating Owner meets Franchisor's then-current qualifications and standards and successfully completes Franchisor's then-current non-medical business training programs as Franchisor may require.

2. TERM AND RENEWAL

2.1 Term. This Agreement shall be in effect upon its acceptance and execution by Franchisor and, except as otherwise provided herein, the initial term of this Agreement (the "Initial Term") shall be five (5) years from the date on which the Franchised Business first opens for business.

2.2 Renewal. Franchisee may, subject to the following conditions, renew the rights granted under this Agreement for two (2) additional terms of five (5) years each (the "Renewal Terms" and, together with the Initial Term, the "Term") commencing on the first day following the last day of the Initial Term. Franchisor may require that any or all of the following conditions be met prior to such renewal becoming effective:

(a) Franchisee shall give Franchisor written notice of Franchisee's election to renew not less than one hundred eighty (180) days nor more than three hundred sixty five (365) days prior to the end of the Initial Term.

(b) Franchisee shall make or provide for, in a manner satisfactory to Franchisor, such renovation and modernization of the premises of the Franchised Business (the "Premises") as Franchisor may reasonably require, including, without limitation, but subject Applicable Medical Practice Laws, installation of new therapy laser pain management and other equipment and renovation of signs,

furnishings, fixtures, and décor to reflect the then-current standards and image of the System.

(c) Franchisee and all of its affiliates shall not be in default of any provision of this Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor or its affiliates; and Franchisee and all of its affiliates shall have substantially complied with all the terms and conditions of this Agreement during the Initial Term and such other agreements during the terms thereof.

(d) Franchisee and all of its affiliates shall have satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates under this Agreement, and shall have timely met those obligations throughout the Initial Term.

(e) Franchisee shall present evidence satisfactory to Franchisor that Franchisee has the right to remain in possession of the Premises for the duration of the renewal term (including without limitation providing Franchisor a complete copy of Franchisee's lease and all exhibits and amendments thereto) or shall obtain Franchisor's approval of a new location for the Franchised Business for the duration of the renewal term.

(f) Franchisee shall, at Franchisor's option, execute Franchisor's then-current form of franchise agreement (but only for such renewal terms as are provided by this Agreement), which shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement including, without limitation, a higher royalty fee and advertising contribution and a smaller or modified Franchisee's Territory, except that Franchisee shall not be required to pay any initial franchise fee (but shall be required to pay the renewal fee set forth in Section 2.2(i)).

(g) Franchisee shall execute, and shall cause each of its affiliates to execute, a general release, in a form required by Franchisor, of any and all claims against Franchisor and its affiliates, and their respective officers, directors, agents, and employees.

(h) Franchisee shall comply with Franchisor's then-current non-medical qualification and training requirements.

(i) Franchisee shall pay Franchisor a renewal fee in the amount of $5,000.

2.3 Continuation. If Franchisee continues to operate the Franchised Business with Franchisor's express or implied consent following the expiration of the term of this Agreement, the continuation will be a month-to-month extension of this Agreement, unless otherwise set forth in writing. All provisions of this Agreement will apply while Franchisee continues to operate the Franchised Business. Subject to applicable law, this Agreement will then be terminable by either party on 30 days' written notice to the other party.

3. DUTIES OF FRANCHISOR

3.1 Plans and Specifications. Franchisor shall make available, at no additional charge to Franchisee, (a) standard architectural plans for the Franchised Business, including exterior and interior design and layout, and (b) specifications for fixtures, furnishings and signs. Franchisee acknowledges that such layout and specifications shall not contain the requirements of any federal, state or local law, code or regulations (collectively, "Applicable Law") (including, without limitation, those concerning the Americans with Disabilities Act (the "ADA") or similar rules governing public accommodations or commercial facilities for persons with disabilities), nor shall such plans contain the requirements of, or be used for, construction drawings or other documentation as may be necessary to obtain permits or authorization to build a specific OrthoLazer Center. It is Franchisee's sole responsibility to make sure that

the design and construction of the Franchised Business and the Premises are in compliance with all Applicable Laws including without limitation, the ADA. Franchisee shall indemnify and hold Franchisor harmless against any and all claims, actions, causes of action, costs, fees, fines and penalties, of every kind and nature, should the design and/or construction of the Franchised Business fail in any way to comply with any Applicable Laws, including, without the limitation, the ADA. Without Franchisor's written consent, which shall not be unreasonably withheld, Franchisee shall not make any changes to the specifications and layouts that Franchisor requires except as necessary to comply with Applicable Law; provided that in the case of changes to the specifications and layouts necessary to comply with Applicable Law Franchisee shall notify Franchisor in writing prior to making such changes. Franchisee shall maintain the interior and exterior decor in such manner as may be prescribed from time to time by Franchisor.

3.2 Training. Franchisor shall provide the non-medical training as set forth in Section 6.

3.3 Opening Assistance. Franchisor shall provide two (2) representatives to provide such on-site, pre-opening and opening assistance as Franchisor deems appropriate.

3.4 Additional Assistance. Franchisor will make available to Franchisee such advice and assistance on the proper implementation of the System and non-medical management of the Franchised Business as Franchisee shall reasonably request from time to time. Franchisor shall have the right to charge a reasonable fee for such advice and assistance.

3.5 Advertising and Promotional Materials. Franchisor shall make available to Franchisee advertising and promotional materials as provided in Section 12.

3.6 Confidential Operating Manual. Franchisor shall provide Franchisee, on loan, one copy of Franchisor's Confidential Operating Manual (the "Manual"), as more fully described in Section 9.

3.7 Equipment, Supplies and Products. During the required time period of operations of the Franchised Business, as specified by Franchisor in the Manual or otherwise in writing from time to time, Franchisor shall make available to Franchisee for sale, or designate or approve other suppliers who shall make available to Franchisee for sale, such equipment, supplies and products as Franchisor may designate in the Manual or in writing from time to time.

3.8 Marketing Fund. Franchisor shall administer a marketing promotion fund in the manner set forth in Section 12.

3.9 Inspections. Subject to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the Standards of Privacy of Individual Identifiable Health Information at 45 C.F.R. Part 160 and 164, Subpart A and E (the "HIPAA Privacy Rule") and all other applicable federal, state or local laws, rules and regulations relating to the disclosure of Protected Health Information (within the meaning of the HIPAA Privacy Rule) or personally identifiable information (collectively, "Applicable Information Privacy Laws"), Franchisor shall have the right, on reasonable advance notice, to conduct inspections of Franchisee's operation of the Franchised Business.

3.10 Performance by Designee. Franchisee acknowledges and agrees that any duty or obligation imposed on Franchisor by this Agreement may be performed by any designee, employee, or agent of Franchisor, as Franchisor may direct.

4. FEES

4.1 Initial Franchise Fee. In consideration of the franchise granted herein, Franchisee shall pay

to Franchisor, on execution of this Agreement, an initial franchise fee of Forty-Nine Thousand and Five Hundred dollars ($49,500) (the "Initial Franchise Fee"). The entire Initial Franchise Fee is fully earned and non-refundable in consideration of administrative and other expenses incurred by Franchisor in granting this franchise and for Franchisor's lost or deferred opportunity to enter into this Agreement with others.

4.2 Royalty Fees. Unless prohibited by Applicable Medical Practice Laws, Franchisee shall pay to Franchisor a continuing royalty fee in an amount equal to eight percent (8%) of Gross Sales for each calendar month beginning with the three-month anniversary of the date on which the Franchised Business is first opened for business (the "Opening Date") and for the remainder of the Term, which shall be paid to Franchisor in accordance with Section 4.7. If Applicable Medical Practice Laws forbid the Franchisor from collecting and/or Franchisee from paying a royalty fee as a percentage of the Gross Sales, the royalty fee will be a flat fee that Franchisor and Franchisee will determine by mutual agreement before execution of the Franchise Agreement and which shall be paid to Franchisor in accordance with Section 4.7. If required by Applicable Medical Practice Laws to be on a flat fee basis, the annual royalty fee hereunder may be reviewed by the parties on an annual basis and, based upon such review, either party may propose an adjustment to such annual royalty fee (but not below the Minimum Annual Royalty provided for below). If, after sixty (60) calendar days of good faith negotiations, the parties are not able to agree upon an adjusted royalty fee, either party may terminate this Agreement by giving the other party sixty (60) calendar days' prior written notice. If the parties agree to such adjustment, the parties shall either amend this Agreement or terminate this Agreement and enter into a new franchise agreement, as allowed by applicable law, with such amendment or new agreement to reflect the necessary adjustments to the royalty fee and other terms and conditions as agreed upon by the parties.

4.3 No Referral of Patients or Splitting of Fees. No payment of royalty fees or other amounts under this Agreement is or shall be in return for the referral of patients, and no such payment is or shall be construed as splitting or sharing of the professional fees of Franchisee or its Clinical Providers or any kind of commission, rebate or other remuneration for the referral of patients. No party is required to refer patients to the other or to any of their respective affiliates, and nothing in this Agreement shall be construed as (a) directing, influencing, requiring, inducing, soliciting or reimbursing the referral of any patients, nor (b) restricting, directing, controlling, influencing or interfering with the professional judgment of Franchisee or any of its clinical providers.

4.4 Gross Sales. "Gross Sales" means all revenues generated from all sales of services or products at, from or with respect to the Franchised Business, whether such sales are evidenced by cash, check, credit, charge, account, barter or exchange. Gross Sales shall not include the sale of services or products for which refunds have been made in good faith to patients, the sale of equipment or furnishings used in the operation of the Franchised Business, any sales taxes or other taxes collected from patients by Franchisee and paid directly to the appropriate taxing authority.

4.5 Minimum Monthly Royalty Fee. Notwithstanding Section 4.2, the minimum royalty fees that Franchisee shall pay to Franchisor for each calendar month beginning on the Opening Date and for the remainder of the Term shall be Three Thousand dollars ($3,000) (the "Minimum Monthly Royalty"). Franchisee agrees that the Minimum Monthly Royalty is fair and reasonable consideration for the rights granted by Franchisor under this Agreement. If the aggregate royalty fee paid by Franchisee based on Gross Sales pursuant to Section 4.2 during any calendar month during the Term is less than the Minimum Monthly Royalty, then Franchisee shall pay the amount of such difference to Franchisor by the tenth (10th) day after the end of such calendar month. If three-month anniversary of the Opening Date is a date other than the first day of a calendar month, or if this Agreement shall expire or be terminated on a date other than the last day of a calendar month, then the Minimum Monthly Royalty payable for the first or last month, as applicable, shall be proportionately reduced.

4.6 Advertising Expenditures. Franchisee shall make monthly expenditures and contributions for advertising and promotion as specified in Section 12.

4.7 Payments. All payments to Franchisor required by Section 4.2, 4.4 and Section 12 shall be paid by the tenth (10th) day of each calendar month based on the Gross Sales from the preceding calendar month or, if the royalty fee is a flat fee, then one-twelfth (1/12) of such amount monthly. All such payments shall be made by direct deposit or electronic funds transfer. All such payments shall be accompanied by such Gross Sales reports as Franchisor requires under Section 11.2. Any payment or Gross Sales report not actually received by Franchisor on or before such date shall be deemed overdue. If any payment or Gross Sales report is overdue, Franchisee shall pay Franchisor immediately upon demand, in addition to the overdue amount, a "late charge" on such amount from the date it was due until received by Franchisor, at the rate of two percent (2%) per month on the overdue amount, or the maximum rate permitted by applicable law. Entitlement to such late charges shall be in addition to any other remedies Franchisor may have. Franchisee shall not be entitled to set off any payments required to be made under this Section 4 against any monetary claim it may have against Franchisor. Franchisor reserves the right to require Franchisee to make any or all payments under this Agreement to an affiliate of Franchisor.

4.8 Bank Account. Franchisee shall deposit all revenues from operation of the Franchised Business into one bank account within two (2) days of receipt, including cash, checks, credit card receipts or the value of other forms of payment. Unless prohibited by Applicable Medical Practice Laws, Franchisee shall furnish to Franchisor, upon Franchisor's request, such bank and account number, a voided check from such bank account, and written authorization for Franchisor to withdraw funds from such bank account via electronic funds transfer without further consent or authorization for all payments payable by Franchisee to Franchisor hereunder. Unless prohibited by Applicable Medical Practice Laws, Franchisee agrees to execute any and all documents as may be necessary to effectuate and maintain the electronic funds transfer arrangement, as required by Franchisor. Franchisee agrees to pay all costs associated with any such transfer. In the event Franchisee changes banks or accounts for the bank account required by this Section 4.8, Franchisee shall, prior to such change, provide such information concerning the new account and an authorization to make withdrawals therefrom. Franchisee's failure to provide such information concerning the bank account required by this Section 4.8 or any new account, or Franchisee's withdrawal of consent to withdrawals for whatever reason and by whatever method, shall be a breach of this Agreement. If any of the foregoing are prohibited by Applicable Medical Practice Laws, Franchisee agrees to make payment of the amounts due Franchisor hereunder by wire transfer to direct deposit to an account designated by Franchisor.

5. OPENING OF FRANCHISED BUSINESS

5.1 Opening Deadline.

(a) Franchisee shall obtain Franchisor's written approval prior to first opening the Franchised Business. Franchisee shall commence operation of the Franchised Business not later than one hundred twenty (120) days after the Effective Date (as may be extended below, the "Opening Deadline"). The parties agree that time is of the essence in the opening of the Franchised Business.

(b) If Franchisee anticipates a delay in opening the Franchised Business by the Opening Deadline, Franchisee must promptly provide Franchisor with a written request to extend the Opening Deadline. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that Franchisee is making to proceed with the opening; and (4) an anticipated opening date. Franchisor will not unreasonably withhold its consent to extending the Opening Deadline if Franchisee has been diligently pursuing the opening.

(c) If Franchisee does not open the Franchised Business by the Opening Deadline (as we may agree to extend it), Franchisee will be in default under this Agreement. Upon receipt of written notice from Franchisor of default, Franchisee must cure the default by opening the Franchised Business for business no more than 90 days after receipt of notice of the default, or 180 days after the original Opening Deadline, whichever occurs first. If Franchisee fails to cure the default, Franchisor shall have the right to terminate this Agreement.

5.2 Conditions to Opening. Franchisee agrees not to open the Franchised Business unless and until all the following conditions have been satisfied:

(a) Franchisor notifies Franchisee in writing that the Franchised Business meets Franchisor's standards and specifications (although Franchisor's acceptance is not a representation or warranty, express or implied, that the Franchised Business complies with any licensing, labor, building, fire, occupational, landlord's, insurance, safety, tax, governmental, or other statutes, rules, regulations, requirements, or recommendations nor a waiver of Franchisor's right to require continuing compliance with Franchisor's requirements, standards, or policies);

(b) Franchisee has retained legal counsel to advise Franchisee on all applicable federal, state and local healthcare laws, rules and regulations and to counsel Franchisee on its compliance with them, including those regarding licensure;

(c) Franchisee has received all required state and local government certifications, permits and licenses necessary for the operation of an OrthoLazer Center, including any required licenses and certifications for its personnel;

(d) Franchisee has hired and retained one Business Manager;

(e) Franchisee's Operating Owner and its Business Manager, and other managers and personnel (if any) have satisfactorily completed all training that Franchisor requires for each such persons;

(f) Franchisee has paid the Initial Franchise Fee and other amounts then due to Franchisor;

(g) Franchisee has signed all agreements required prior to the opening of the Franchised Business, including, but not limited to, this Agreement, any lease, and any software license agreements;

(h) Franchisee is not in default under or in violation of any agreements by and between Franchisee and Franchisor or any of Franchisor's affiliate(s) or suppliers; and

(i) Franchisee has delivered Franchisor certificates for all required insurance policies.

6. NON-MEDICAL TRAINING

6.1 Initial Non-medical Training Program. Prior to the opening of the Franchised Business, each Owner and one non-medical manager of the Franchised Business approved by Franchisor (the "Business Manager") shall attend and complete to Franchisor's satisfaction the initial non-medical training program offered by Franchisor with respect to the System. Any persons subsequently employed by Franchisee in the position of non-medical manager of the Franchised Business shall also attend and

complete Franchisor's training program with respect to the System, to Franchisor's satisfaction, within ninety (90) days of their date of hire. Franchisee, Franchisee's non-medical managers, and other non-medical employees shall also attend such additional courses, seminars and other training programs with respect to the System as Franchisor may reasonably require from time to time.

6.2 Non-Medical Training Expenses. All training programs required by Section 6.1 shall be at such times and places as may be designated by Franchisor, and also may be conducted via Internet, intranet, conference call, or such other means as Franchisor determines. For all training courses, seminars and programs required by Section 6.1, Franchisor shall provide, at no charge to Franchisee, instructors, training materials, and technical training tools. Franchisee shall be responsible for any and all other expenses incurred by Franchisee and its employees in connection with the initial training program and any additional courses, seminars, and other training programs, including, without limitation, the costs of transportation, lodging, meals, and wages.

7. DUTIES OF FRANCHISEE

7.1 General. Notwithstanding anything herein to the contrary, to the fullest extent required under applicable federal, state and local statutes, regulations, common law and other applicable laws governing the practice of medicine and/or the provision of healthcare services and the applicable rules and regulations of any board of medicine or other accrediting agency (collectively, "Applicable Medical Practice Laws"), Franchisee shall be solely responsible for and have full authority and control over the practice of medicine and the provision of medical and patient care and all other aspects of the clinical practice of medicine by or at the OrthoLazer Center and any and all matters included within the definition of "medicine" or "practice of medicine" under any Applicable Medical Practice Laws.

7.2 Employees and Clinical Staff.

(a) Franchisee will employ, lease or contract all employees including (i) all non-medical employees and (ii) all physicians and non-physician practitioners and other personnel (collectively, the "Clinical Staff"), including, for example, physician assistants, nurses, technicians, and medical assistants, and, other professionals who will provide the actual clinical/medical services to be delivered at and through the OrthoLazer Center. Franchisee will hire non-medical employees and Clinical Staff in adequate numbers to meet the needs of the OrthoLazer Center.

(b) Franchisee will have sole responsibility and full authority and control over all employees and employment decisions and functions of the Franchise Business, including selection, hiring, compensation, record-keeping, supervision, discipline, promotion, demotion and termination. Without limiting the foregoing, the Franchisee shall have sole responsibility and full authority and control over the supervision and medical direction of all Clinical Staff and any other clinical personnel employed, leased or contracted by Franchisee, including all professional and employment-related decisions related to such Clinical Staff.

(c) The Franchised Business shall at all times be under the supervision of the Operating Owner, a Clinical Staff member and the Business Manager who has completed the training as required by Section 6.1. Franchisee shall maintain a competent, conscientious, trained staff, including the Business Manager who has completed the training described in Section 6.1. Franchisee shall take such steps as are necessary to ensure that its employees preserve good customer relations; render competent, prompt, courteous and knowledgeable service; wear uniforms of the color, design, and other specifications that Franchisor requires; present a neat and clean appearance during all hours of operation; and meet such additional minimum standards as Franchisor may establish from time to time in the Manual. Franchisee and its employees shall handle all patient complaints, refunds, returns and other adjustments in a manner that

will not detract from the name and goodwill of Franchisor. Franchisee shall take such steps as are necessary to ensure that its employees do not violate Franchisor's policies relating to the use of Networking Media Sites (as defined in Section 8.8), including, but not limited to, prohibiting employees from posting any information relating to Franchisor, the System, the Proprietary Marks, or the Franchised Business on any Networking Media Site that is inconsistent with such policies.

7.3 Licenses and Permits. Franchisee is and will be responsible for ensuring that (a) each of the physicians providing services on behalf of Franchisee holds an unrestricted license to practice medicine in the state in which the OrthoLazer Center is located; (b) each of the non-physician practitioners providing services on behalf of the Franchisee holds an unrestricted license (as required) to practice such profession in the state in which the OrthoLazer Center is located; (c) each member of the Clinical Staff shall have a level of competence, experience and skill comparable to that prevailing in the community where such Clinical Staff provides professional services; (d) Franchisee prepares and files with the appropriate governmental authority all applicable annual reports and similar documentation, and (e) Franchisee and its medical offices have such licenses, permits and authorizations as are necessary or appropriate to operate the OrthoLazer Center under the Applicable Medical Practice Laws.

7.4 Standard of Care. The Franchisee and its Clinical Staff shall render services to patients at the OrthoLazer Center in a competent and professional manner, in compliance with generally accepted and prevailing standards of care, and in compliance with the Applicable Medical Practice Laws.

7.5 Hours of Operation. The Franchisee shall establish the OrthoLazer Center's hours of operation and provide MLS Therapy Laser Services and other services and products during typical retail business hours, with a minimum of 50 hours per week, as established in consultation with the Franchisor. The Franchisee shall ensure that all work and coverage schedules meet the needs of patients of the Franchisee in a competent, timely and responsive manner.

7.6 Patient Care. The Franchisee and its Clinical Staff shall have full responsibility for (a) the hours of operation of the OrthoLazer Center, (b) the assignment of Clinical Staff to treat patients, including determining how many patients a physician must see in a given period or how many hours a physician must work, (c) all aspects of patient care, including treatment options and plans and clinical necessity; and (d) determining the need for referrals to or consultation with another physician/specialist.

7.7 Fees. Franchisee shall have the right to determine and modify the fees for the MLS Therapy Laser Services and other services and products offered, sold, and advertised by Franchisee.

7.8 Private Pay Business. Notwithstanding anything herein to the contrary, all services provided by the Franchisee under this Agreement shall be provided on a private payment basis and Franchisee will not participate in any government programs or contract with any third party payers.

7.9 Lease and Premises.

(a) Franchisee shall comply with all the terms of its lease or sublease for the Premises and all other agreements affecting the operation of the Franchised Business; shall promptly furnish Franchisor a copy of its lease, upon request; shall undertake best efforts to maintain a good and positive working relationship with its landlord and/or lessor; and shall refrain from any activity which may jeopardize Franchisee's right to remain in possession of, or to renew the lease or sublease for, the Franchised Business premises.

(b) Franchisee shall use the Premises solely for the operation of the Franchised Business. Franchisee shall refrain from using or permitting the use of the Premises for any other purpose

or activity at any time without first obtaining the written consent of Franchisor, which shall not be unreasonably withheld.

(c) Franchisee shall maintain the Franchised Business premises (including the adjacent public areas) in a clean, orderly condition and in excellent repair; and, in connection therewith, Franchisee shall, at its expense, make such additions, alterations, repairs and replacements thereto (but no others without Franchisor's prior written consent, which shall not be unreasonably withheld) as may be required for that purpose, including, without limitation, such periodic repainting or replacement of obsolete signs, furnishings, equipment and décor as Franchisor may reasonably direct.

(d) At Franchisor's request, but no more than once every five (5) years, unless sooner required by Franchisee's lease, Franchisee shall refurbish the Premises, at its expense, to conform to the building design, trade dress, color schemes and presentation of the Proprietary Marks in a manner consistent with the then-current image for new OrthoLazer Centers; provided, however, that Franchisee shall not be obligated to spend more than $25,000 on such refurbishment in any five (5) year period and that Franchisee shall not be obligated to spend more than $50,000 in the aggregate under Section 7.9(d) and Section 8.3(h) during the Term. Such refurbishment may include, without limitation, structural changes, remodeling, redecoration and modifications to existing improvements.

7.10 Quality of Service.

(a) To insure that the highest degree of quality and service is maintained, Franchisee shall operate the Franchised Business in strict conformity with the System Standards.

(b) Notwithstanding the foregoing, the System Standards will not control the Franchisee's practice of medicine and the Franchisee shall be solely responsible for and have full authority and control over the practice of medicine and the provision of medical and patient care by or at the OrthoLazer Center.

(c) The Franchisee shall establish and enforce procedures to assure the appropriateness, necessity, consistency, quality, cost effectiveness and efficacy of all MLS Therapy Laser Services and other services and products provided to patients of the OrthoLazer Center. The Franchisee shall require each member of its Clinical Staff who are licensed, registered or certified to perform professional services to participate in and cooperate with any utilization management, quality assurance, risk management, patient care assessment, continuous quality improvement, accreditation or other similar program or study to review the performance such Clinical Staff as may be required by the Franchisee, governmental agencies, professional review organizations, accrediting bodies, or health care entities or other third parties with which the Franchisee may contract or affiliate.

7.11 Training of Clinical Staff. The Franchisee shall have sole responsibility for the training of all Clinical Staff other than with respect to matters included in the System.

7.12 Fixtures, Furnishings, Office Equipment and Supplies. Franchisee shall purchase and install, at Franchisee's expense, all fixtures, furnishings, office equipment (including, without limitation, décor, and signs as Franchisor may reasonably direct from time to time) and supplies for which Franchisor has established standards or specifications; and shall refrain from installing or permitting to be installed on or about the Premises, without Franchisor's prior written consent, which shall not be unreasonably withheld, any fixtures, furnishings, equipment, décor, signs, supplies or other items for which Franchisor has established standards or specifications not previously approved by Franchisor. Franchisee shall purchase all of the foregoing solely from Franchisor, an affiliate of Franchisor, or suppliers (including manufacturers, distributors and other sources) designated by Franchisor that demonstrate, to the continuing reasonable

satisfaction of Franchisor, the ability to meet Franchisor's standards and specifications, who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably, and who have been approved by Franchisor in the Manual or otherwise in writing. Franchisor reserves the right to require Franchisee to purchase any or all of the foregoing solely from Franchisor or an affiliate of Franchisor. Franchisee agrees that it shall use products purchased from approved suppliers solely for the purpose of operating the Franchised Business and not for any other purpose, including, without limitation, resale. If Franchisee desires to purchase any of the foregoing from a party other than an approved supplier, Franchisee shall submit to Franchisor a written request to approve the proposed supplier, together with such evidence of conformity with Franchisor's specifications as Franchisor may reasonably require. Franchisee agrees and acknowledges that the Brand Fund is intended to maximize general public recognition, acceptance, and use of the System and the Proprietary Marks; and that Franchisor or its affiliate is not obligated, in administering the Brand Fund, to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contribution, or to ensure that any particular franchisee benefits directly or from expenditures by the Brand Fund.

(ii) The Brand Fund, all contributions thereto, and any earnings thereon, shall be used exclusively to meet any and all costs of maintaining, administering, directing, conducting and preparing advertising, marketing, public relations, and/or promotional programs and materials, and any other activities which Franchisor or its affiliate believes will enhance the image of the System and the Proprietary Marks, including, among other things, the costs of preparing and conducting radio, cable television, print, and Internet-based advertising campaigns; utilizing Networking Media Sites (as defined in Section 8.8) and other emerging media or promotional tactics; developing, maintaining, and updating a Website on the Internet; review of locally produced advertisements; brochures and promotional materials; market research, market surveys, and sponsorships; web site design and maintenance; public relations and related retainers; celebrity endorsements; trade shows (including costs of travel and personnel expenses, trade booths, and specialty entertainment); association dues; search engine optimization; employing advertising and/or public relations agencies; purchasing promotional items; providing promotional and other marketing materials and services to the businesses operating under the System and the Proprietary Marks; developing poster, banners, and signs; advertising for the sale of franchises.

The Brand Fund and any earnings thereon shall not otherwise inure to the benefit of Franchisor or its affiliate. Franchisor shall maintain separate bookkeeping accounts for the Brand Fund and reserves the right to form an affiliated entity to control and administer the Brand Fund. Franchisee acknowledges that neither Franchisor nor its affiliate is a fiduciary to Franchisee of the monies in the Brand Fund. Franchisor does not owe any fiduciary duty or obligation to Franchisee for administering the Brand Fund or any other reason.

(iv) The Brand Fund may spend in any fiscal year more or less than the total Brand Fund contributions in that year, borrow from Franchisor or others (paying reasonable interest) to cover deficits, or invest any surplus for future use.

(v) Although Franchisor may use the Brand Fund, or a portion of the monies in the Brand Fund, to create, develop, use and/or place advertising and promotional marketing materials and programs, and Franchisor may try to engage in brand enhancement actives that will benefit all franchisees of Franchisor, Franchisor cannot and does not ensure that the Brand Fund expenses will be made in or affect any specific geographic area. Franchisor does not guarantee or assure Franchisee that the Franchised Business will benefit directly in proportion to its Brand Fund contributions from the brand enhancement activities of the Brand Fund or the development of advertising and marketing materials or the placement of advertising and marketing.

Franchisee shall not use any such advertising or promotional plans or materials unless and until Franchisee has received written approval from Franchisor, which shall not be unreasonably withheld, pursuant to the procedures and terms set forth in Section 12.7. Franchisor may make available to Franchisee from time to time, pre-approved advertising that Franchisee will be required to use during such season and at such times as Franchisor shall specify in writing. In addition, Franchisor may make available, at Franchisee's expense, such promotional materials.

12.6 Franchisor Approval. Franchisee shall submit to Franchisor samples of all advertising and promotional plans and materials (including without limitation any design, advertisement, sign, or form of publicity) and proposed coupons for any print, broadcast, cable, electronic, computer or other media (including, without limitation, the Internet) that Franchisee desires to use and that have not been prepared or previously approved by Franchisor within the preceding six (6) months (as provided in Section 21), for Franchisor's prior approval, which shall not be unreasonably withheld. Franchisee shall not use such plans or materials or coupons until they have been approved in writing by Franchisor. If written notice of approval is not received by Franchisee from Franchisor within fifteen (15) days of the date of receipt by Franchisor of such samples or materials, Franchisor shall be deemed to have disapproved them.

12.7 Photographs of the Franchised Business. Franchisor shall have the right to photograph the interior and exterior of the Franchised Business and use such photographs in any advertising or promotional materials. Franchisor is not obliged to compensate Franchisee or Franchisee's employees for use of the

Franchised Business or Franchisee's employees in any advertising or promotional materials. Franchisee shall cooperate in securing the consent of persons photographed for such use.

12.8 Advertising Cooperative. Franchisor shall have the right to designate any geographical area for purposes of establishing a regional advertising and promotional cooperative ("Cooperative"), and to determine whether a Cooperative is applicable to the Franchised Business. If a Cooperative has been established applicable to the Franchised Business at the time the Franchisee commences operations hereunder, Franchisee shall immediately become a member of the Cooperative. If a Cooperative applicable to the Franchised Business is established at any later time during the term of this Agreement, Franchisee shall become a member of such Cooperative no later than thirty (30) days after the date on which the Cooperative commences operation. If the Franchised Business is within the territory of more than one Cooperative, Franchisee shall be required to be a member of only one such Cooperative.

13. INSURANCE

13.1 Malpractice Insurance. Franchisee shall procure, prior to the commencement of any operations under this Agreement, and shall maintain in full force and effect at all times during the term of this Agreement, at Franchisee's expense, medical professional liability insurance covering the Franchisee and its Clinical Staff. The medical professional liability insurance shall name the Clinical Staff as additional insureds with coverage being applicable based on the retro date and effective date shown on the policy. If approved by the Franchisee's medical professional liability insurer, the Clinical Staff shall be covered through the Franchisee's medical professional liability insurance to the extent the policy provides coverage and from the retroactive date and effective date shown on the policy. Medical professional liability insurance for the Franchisee inclusive of the scheduled insured Clinical Staff shall be One Million dollars ($1,000,000) per claim and Three Million dollars ($3,000,000) annual aggregate for all claims which the parties hereby agree are adequate amounts of coverage, or such other amount as required by law.

Such policy or policies shall be written by a responsible carrier or carriers acceptable to Franchisor, shall name Franchisor as an additional insured as specified by Franchisor, and shall provide at least the types and minimum amounts of coverage specified in the Manual.

13.3 No Waiver. Franchisee's obligation to obtain and maintain the policy or policies in the amounts specified in the Manual shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section 19.3 of this Agreement.

13.4 Franchisor Entitled to Recover. All public liability and property damage policies shall contain a provision that Franchisor, although named as an insured, shall nevertheless be entitled to recover under such policies on any loss occasioned to Franchisor or its servants, agents or employees by reason of the negligence of Franchisee or its servants, agents or employees.

13.5 Certificates of Insurance. Prior to the commencement of the Franchised Business', and thereafter at least thirty (30) days prior to the expiration of any policy, Franchisee shall deliver to Franchisor

All Certificates shall expressly provide that no less than thirty (30) days' prior written notice shall be given Franchisor in the event of an alteration to or cancellation of the coverages evidenced by such Certificates.

13.6 Franchisor's Right to Procure. Should Franchisee, for any reason, fail to procure or maintain the insurance required by this Agreement, as such requirements may be revised from time to time by Franchisor in the Manual or otherwise in writing, Franchisor shall have the right and authority (but under no circumstances any obligation) to procure such insurance and to charge same to Franchisee, which charges, together with an administrative surcharge of ten percent (10%), shall be payable by Franchisee immediately upon notice. The foregoing remedies shall be in addition to any other remedies Franchisor may have.

Franchisor shall have the right to transfer or assign this Agreement and all or any part of its rights or obligations herein to any person or legal entity, and any designated assignee of Franchisor shall become solely responsible for all obligations of Franchisor under this Agreement from the date of assignment. After our assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, Franchisor will no longer have any performance or other obligations under this Agreement. If requested by Franchisor, Franchisee shall execute such documents of attornment or requested documents.

14.2 Franchisee's Conditional Right to Transfer. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted this franchise in reliance on Franchisee's and its Owners' business and professional skills, financial capacity and personal character. Accordingly, neither Franchisee nor any immediate or remote successor to any part of Franchisee's interest in this Agreement, nor any Owner which directly or indirectly owns any stockholdings, membership interest, partnership interest, equity interest, ownership interest or other interest in Franchisee or in the Franchised Business shall sell, assign, transfer, convey, dispose of, gift, pledge, encumber, merge or give away (collectively, "transfer") any direct or indirect interest in this Agreement, in Franchisee or any Owner, or in all or substantially all of the assets of the Franchised Business, the M8 MLS Therapy Lasers or the Premises lease without the prior written consent of Franchisor, which shall not be unreasonably withheld. A transfer of the Franchised Business's ownership, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any purported assignment or transfer not having the written consent of Franchisor required by this Section 14.2 shall be null and void and shall constitute a material breach of this Agreement, for which Franchisor may immediately terminate without opportunity to cure pursuant to Section 15.2(f).

14.3 Conditions of Transfer. Franchisee shall notify Franchisor in writing ("Notice of Transfer") sent by certified mail, return receipt requested, of any proposed transfer of any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Franchised Business (a) prior to Franchisee's offering for sale (including, but not limited to, advertising the sale of) the Franchised Business, or any assets of the Franchised Business, or any stockholdings, membership interest, partnership interest, equity interest, ownership or other interest in Franchisee; and (b) at least ninety (90) days before any transfer is proposed to take place. Franchisor shall not unreasonably withhold its consent to any transfer. Franchisor may require any or all of the following as conditions of its approval:

(a) That the transferee is a Professional Entity which employs physicians and non-physician practitioners and other personnel, including, for example, physician assistants, nurses, technicians, and medical assistants, and, other professionals who will provide the actual clinical/medical services to be delivered at and through the OrthoLazer Center;

(i) That (i)(A) the transferee (and, if the transferee is other than an individual, such owners of a beneficial interest in the transferee as Franchisor may request) enters into a written assignment, in a form satisfactory to Franchisor, assuming and agreeing to discharge all of Franchisee's obligations under this Agreement, or (B) the transferee executes, for a term ending on the expiration of this Agreement and with such renewal term(s) as may be provided by this Agreement, the Franchisor's then-current form of franchise agreement and other ancillary agreements as Franchisor may require for the Franchised Business, which agreements shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement including, without limitation, a higher royalty fee and advertising contribution and a smaller or modified Franchisee's Territory, except that transferee shall not be required to pay any initial franchise fee; and (ii) the transferee's owners guaranty the performance of all such obligations in writing in a form satisfactory to Franchisor;

(j) That the transferee and its owners demonstrates to Franchisor's satisfaction that it meets all applicable legal requirements for the operation of the Franchised Business, including all professional licensing requirements, and Franchisor's managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate the Franchised Business (as may be evidenced by prior related business experience or otherwise), and has adequate financial resources and capital to operate the Franchised Business;

(k) That Franchisee remains liable for all of the obligations to Franchisor in connection with the Franchised Business which arose prior to the effective date of the transfer and execute any and all instruments reasonably requested by Franchisor to evidence such liability;

(l) That the Franchisee obtains and maintains for at least one year after the closing of the transfer tail coverage for malpractice liability insuring all licensed Clinical Staff then employed by the Franchisee prior to the date of such transfer for claims which may arise following such transfer with limits of not less than One Million dollars ($1,000,000) per occurrence and Three Million dollars ($3,000,000) in the aggregate for all occurrences (unless comparable coverage then exists on an occurrence basis);

(m) That an owner of the transferee acceptable to Franchisor, or the transferee's non-medical manager (if transferee or transferee's principal will not manage the general business management aspects of the Franchised Business), at the transferee's expense, completes any non-medical training programs then in effect upon such terms and conditions as Franchisor may reasonably require; and

(n) That Franchisee pays to Franchisor a transfer fee of Ten Thousand dollars ($10,000).

14.4 No Security Interest. Franchisee shall not grant a security interest in the Franchised Business or in any of the assets of the Franchised Business unless the secured party agrees that in the event of any default by Franchisee under any documents related to the security interest, Franchisor shall have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of Franchisee, and, in the event Franchisor exercises such option, any acceleration of indebtedness due to Franchisee's default shall be void.

14.5 Franchisor's Right of First Refusal. If any party holding any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Franchised Business desires to accept any bona fide offer from a third party to purchase such interest, Franchisee shall notify Franchisor as provided in Section 14.3, and shall provide such information and documentation relating to the offer as Franchisor may require. Franchisor shall have the right and option, exercisable within ninety (90) days after receipt of such written notification, to send written notice to the seller that a Professional Entity selected by Franchisor (the "ROFR Buyer") intends to purchase the seller's interest on the same terms and conditions offered by the third party. If a ROFR Buyer elects to purchase the seller's interest, closing on such purchase shall occur within forty-five (45) days from the date of notice to the seller of the election to purchase by the ROFR Buyer. If ROFR Buyer does not elect not to purchase the seller's interest, any material change thereafter in the terms of the offer from a third party shall constitute a new offer subject to the same rights of first refusal set forth in this Section 14.5 as in the case of the third party's initial offer. Failure of a ROFR Buyer to exercise the option afforded by this Section 14.5 shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 14, with respect to a proposed transfer. In the event the consideration, terms and/or conditions offered by a third party are such that a ROFR Buyer may not reasonably be required to furnish the same consideration, terms and/or conditions, then the ROFR Buyer may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within thirty (30) days on the reasonable equivalent in cash of the consideration, terms and/or conditions offered by the third party, an independent appraiser shall be designated by

Franchisor at Franchisor's expense, and the appraiser's determination shall be binding on the seller and the ROFR Buyer.

14.6 Death or Incapacity. Upon the death or physical or mental incapacity of any Owner, the executor, administrator, or personal representative of such person shall transfer such interest to a third party approved by Franchisor within six (6) months after such death or incapacity. Such transfers, including, without limitation, transfers by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer. In the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section 14, the executor, administrator, or personal representative of the decedent shall transfer the decedent's interest to another party approved by Franchisor within a reasonable time, which disposition shall be subject to all the terms and conditions for transfers contained in this Agreement. If the interest is not disposed of within a reasonable time, Franchisor may terminate this Agreement, pursuant to Section 15.2(g).

14.7 No Waiver. Franchisor's consent to a transfer of any interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Franchised Business shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferor or transferee.

15. DEFAULT AND TERMINATION

15.1 Automatic Termination. Franchisee shall be deemed to be in default under this Agreement, and all rights granted to Franchisee herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Franchisee or such a petition is filed against and not opposed by Franchisee; if Franchisee is adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee; if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against Franchisee; if a final judgment remains unsatisfied or of record for thirty (30) days or longer; if Franchisee is dissolved; if execution is levied against Franchisee's business or property; if suit to foreclose any lien or mortgage against the Premises of the Franchised Business, the M8 MLC Therapy Lasers or any other equipment is instituted against Franchisee and not dismissed within thirty (30) days; or if the real or personal property of the Franchised Business shall be sold after levy thereupon by any sheriff, marshal, or constable.

15.2 Regulatory Termination. If any federal, state or local regulatory body determines that this Agreement is illegal, or otherwise materially affects either party's ability to perform under this Agreement, then the affected party shall give the other party such notice as is reasonable under the circumstances and shall make available a reasonable period within which to cure. If no cure is implemented by the parties, then Franchisor may terminate this Agreement with such notice as is reasonable under the circumstances.

15.3 Changes in Applicable Law. If (i) there is a change in any Applicable Medical Practice Law or other Applicable Law or the interpretation or application thereof, or the adoption, enactment, promulgation, issuance, rendering or interpretation or application of any new Applicable Law, any of which are reasonably likely to adversely affect the manner in which either party may perform or be compensated for its services under this Agreement or which shall make this Agreement or the arrangements hereunder unlawful or illegal, or (ii) the Franchisee or any Owner alleges or claims that this Agreement or the arrangements hereunder are unlawful or illegal, then the parties shall immediately enter into good faith negotiations regarding amendment of this Agreement or a new basis for compensation for the services furnished pursuant to this Agreement that complies with the Applicable Law, interpretation or application,

and that approximates as closely as possible the economic arrangements and position of the parties hereunder. If the parties are unable to resolve the matter through good faith negotiations within thirty (30) days, then Franchisor may terminate this Agreement with such notice as is reasonable under the circumstances.

15.4 Notice without Opportunity to Cure. Upon the occurrence of any of the following events of default, Franchisor may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon the provision of notice to Franchisee (in the manner provided under Section 22):

(a) If Franchisee has made or make any material misrepresentation or omission in Franchisee's application for, or in acquiring, the franchise rights or in operating the Franchised Business;

(b) Franchisee makes or attempts to make any transfer in violation Section 14;

(c) If Franchisee fails to locate an approved site or to construct and open the Franchised Business within the time limits provided in the Site Selection Addendum or Section 5.3;

(d) If Franchisee or Franchisee's designated trainees fail to complete the initial non-medical training program or additional training described in Section 6.1 to Franchisor's satisfaction;

(e) If Franchisee at any time ceases to operate or otherwise abandons the Franchised Business, or loses the right to possession of the Premises of the Franchised Business or the M8 MLS Therapy Lasers, or otherwise forfeits the right to do or transact business in the jurisdiction where the Franchised Business is located; provided, however, if, through no fault of Franchisee, the Premises of the Franchised Business are damaged or destroyed by an event such that repairs or reconstruction cannot be completed within sixty (60) days thereafter, then Franchisee shall have thirty (30) days after such event in which to apply for Franchisor's approval to relocate and/or reconstruct the Premises of the Franchised Business, which approval shall not he unreasonably withheld;

(f) If Franchisee or any Owner fails to maintain any required license, permits, or certifications to open or operate the Franchised Business, or fails to comply with any Applicable Law or operates the Franchised Business in an unsafe manner, and Franchisee does not cure or commence to cure this failure within five (5) days after it received notice;

(g) If Franchisee or any of its employees fail to meet the state and local certifications or other requirements for operation and/or employment in the Franchised Business, or the Franchisee fails to meet state and local certifications or other requirements for the operation or employment of physicians and other professionals in the Franchised Business and Franchisee fails to cure this default within then (10) days after Franchisee receives notice, or alternatively, Franchisee fails to prohibit any such employees from working the Franchised Business until the requirements are met;

(h) If Franchisee or any Owner is convicted of, or plead or have pleaded no contest to, a felony, a crime involving moral turpitude, or any other crime or offense or Franchisee engages in any dishonest or unethical conduct which, in Franchisee's opinion, adversely affects the Franchised Business' reputation or the goodwill associated with the Proprietary Marks that in any such case Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith or Franchisor's interest therein;

(i) If any purported assignment or transfer of any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Franchised Business is made to any third party without Franchisor's prior written consent or otherwise contrary to the terms of Section 14;

(j) If an approved transfer is not effected within the time provided following death or mental incapacity, as required by Section 14.6;

(k) If Franchisee fails to comply with the covenants in Section 17.2 or fails to obtain execution of the covenants required under Section 10.2;

(l) If, contrary to the terms of Section 9 or Section 10, Franchisee discloses or divulges the contents of the Manual or other Confidential Information provided to Franchisee by Franchisor;

(m) If Franchisee interferes with Franchisor's relationships with third parties and the ability to operate and/or gran franchises under the System;

(n) If Franchisee abandons or fails actively to operate the Franchised Business for three (3) or more consecutive business days, unless Franchise closes the Franchised Business for a purpose Franchisor approves because of casualty or government order;

(o) If Franchisee submits any false reports to Franchisor;

(p) If Franchisee misuses or makes any unauthorized use of the Proprietary Marks or any other identifying characteristics of the System, or otherwise materially impairs the goodwill associated therewith or Franchisor's rights therein;

(q) If Franchisee refuses to permit Franchisor to inspect the Franchised Business premises, or the books, records or accounts of Franchisee upon demand;

(r) If Franchisee, upon receiving a notice of default under Section 15.5, fails to initiate immediately a remedy to cure such default; or

(s) If Franchisee, after curing any default pursuant to Section 15.5, commits the same default again, whether or not cured after notice.

15.5 Notice with Opportunity to Cure. Except as otherwise provided in Sections 15.1, 15.2, 15.3 or 15.4, upon any other default by Franchisee of its obligations in this Agreement, Franchisor may terminate this Agreement by giving written notice of termination (in the manner set forth under Section 22) stating the nature of the default to Franchisee at least thirty (30) days prior to the effective date of termination (the "Cure Period"); provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default, curing it to Franchisor's satisfaction, and by promptly providing proof thereof to Franchisor prior to the expiration of the Cure Period. If any such default is not cured within the specified time, or such longer period as Applicable Law may require, this Agreement shall terminate without further notice to Franchisee, effective immediately upon the expiration of the applicable cure period or such longer period as Applicable Law may require. Defaults which are susceptible of cure hereunder include the following illustrative events:

(a) If Franchisee fails to comply with any of the requirements imposed by this Agreement, as it may from time to time reasonably be supplemented by the Manual, or failure to carry out the terms of this Agreement in good faith, in each case not specifically set forth in Section 15.4 above;

(b) Except as provided in Section 15.4(f), if Franchisee fails, refuses or neglects to obtain Franchisor's prior written approval or consent as required by this Agreement;

(c) If Franchisee acts, or fails to act, in any manner which is inconsistent with or contrary to its lease or sublease for the Premises, or in any way jeopardizes its right to renewal of such lease or sublease; or

(d) If Franchisee engages in any business or markets any service or product under a name or mark which, in Franchisor's opinion, is confusingly similar to the Proprietary Marks.

15.6 Cross-Default. Any default by Franchisee under any other agreement between Franchisor or its affiliates (including, but not limited to Cutting Edge) as one party and Franchisee or any of Franchisee's Owners or affiliates as the other party, that is so material as to permit Franchisor to terminate such other agreement, shall be deemed to be a default of this Agreement, and Franchisor shall have the right, at its option, to terminate this Agreement without affording Franchisee an opportunity to cure, effective immediately upon notice to Franchisee.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted hereunder to Franchisee shall forthwith terminate, and:

16.1 Cease Operations. Franchisee shall immediately cease to operate the Franchised Business, and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor or to identify any business as a current or former OrthoLazer Center.

16.2 Cease Use of Confidential Information and Marks. Franchisee shall immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the System; any Confidential Information; the Proprietary Mark "OrthoLazer" and all other Proprietary Marks and distinctive forms, slogans, signs, symbols and devices associated with the System. In particular, Franchisee shall cease to use, without limitation, all signs, advertising materials, displays, stationery, forms, products and any other articles which display the Proprietary Marks.

16.3 Cancellation of Registrations. Franchisee shall take such action as may be necessary to cancel any assumed name registration or equivalent registration obtained by Franchisee which contains the mark "OrthoLazer" or any other Proprietary Marks, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within five (5) days after termination or expiration of this Agreement.

16.4 Assignment of Lease. Franchisee shall, at Franchisor's option, assign to Franchisor any interest which Franchisee has in any lease or sublease to the Premises for the Franchised Business. Such assignment shall be in the form attached hereto as Exhibit G. In the event Franchisor does not elect to exercise its option to acquire the lease or sublease for the Premises to the Franchised Business, Franchisee shall make such modifications or alterations to the premises immediately upon termination or expiration of this Agreement as may be necessary to distinguish the appearance of the Premises from that of the Franchised Business under the System, and shall make such specific additional changes thereto as Franchisor may reasonably request for that purpose. In the event Franchisee fails or refuses to comply with the requirements of this Section 16.4, Franchisor shall have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making or causing to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee agrees to pay upon demand.

16.5 Assignment of Telephone Number. Franchisee must cease using all telephone numbers and directory or other business listings used in connection with the Franchised Business. At Franchisor's option, Franchisee shall assign to Franchisor all rights to such telephone numbers and directory and other business listings, and shall sign all forms and documents required by Franchisor and any telephone company to effect such transfer. Franchisee hereby appoints Franchisor as Franchisee's true and lawful agent and attorney-in-fact with full power and authority for the sole purpose of taking such action as is necessary to complete such assignment. This power of attorney shall survive the expiration, termination or transfer of this Agreement. Franchisee is not entitled to any compensation from Franchisor if Franchisor exercises its rights or options under this Section 16.5. Franchisee shall notify the telephone company and all telephone directory publishers of the termination or expiration of Franchisee's right to use any telephone, facsimile or other numbers, names, and telephone directory listings associated with the Proprietary Marks; to authorize the transfer of these numbers, names, and directory listings to Franchisor or at Franchisor's direction; and/or to instruct the telephone company to forward all calls made to Franchisee names or numbers to names, numbers, or addresses Franchisor specifies.

16.6 Subsequent Use of Proprietary Marks Prohibited. Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion thereof, which, in Franchisor's determination, is likely to cause confusion, mistake or deception, or which, in Franchisor's determination, is likely to dilute Franchisor's rights in and to the Proprietary Marks. Franchisee further agrees not to utilize any designation of origin, description or representation (including but not limited to reference to the Franchisor, the System or the Proprietary Marks) which, in Franchisor's determination, suggests or represents a present or former association or connection with Franchisor, the System or the Proprietary Marks.

16.7 Payment. Franchisee shall promptly pay all sums owing to Franchisor and its affiliates, including all royalty fees and Brand Fund contributions. In the event of termination for any default of Franchisee, such sums shall include all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default, which obligation shall give rise to and remain, until paid-in-full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Franchisee and on the Premises operated hereunder at the time of default.

16.8 Liquidated Damages. In the event this Agreement is terminated prior to the end of its term due to Franchisee's default hereunder, in addition to the amounts set forth in Section 16.7, Franchisee shall promptly pay to Franchisor a lump sum payment (as damages and not as a penalty) for breaching this Agreement in an amount equal to: (a) the average monthly continuing royalty fee and Brand Fund fee payable by Franchisee under Section 4.3 and Section 12.4 over the twelve (12) month period immediately preceding the date of termination (or such shorter time period if the Franchised Business has been open less than twelve (12) months); (b) multiplied by the lesser of (a) thirty-six (36) months or (b) the number of months then remaining in the then-current term of this Agreement. Franchisee acknowledges that a precise calculation of the full extent of the damages Franchisor will incur in the event of termination of this Agreement as a result of Franchisee's default is difficult to determine and that this lump sum payment is reasonable in light of the damages Franchisor will incur for Franchisee's pre-mature termination of this Agreement. This lump sum payment shall be in lieu of any damages Franchisor may incur as a result of Franchisee's default, but it shall be in addition to all amounts provided in Section 16.7 and any attorneys' fees and other costs and expenses to which Franchisor is entitled under the terms of this Agreement, including but not limited to, Section 25.7. Franchisee's payment of this lump sum shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies to enforce this Section 16 and the covenants set forth in Section 10 and Section 17.

16.9 Return Manual. Franchisee shall immediately deliver to Franchisor the Manual and all other records, correspondence and instructions containing Confidential Information relating to the operation of the Franchised Business (and any copies thereof, even if such copies were made in violation of this Agreement), all of which are acknowledged to be the property of Franchisor, and shall retain no copy or record of any of the foregoing, with the exception of Franchisee's copy of this Agreement, any correspondence between the parties and any other documents which Franchisee reasonably needs for compliance with any provision of law.

16.10 Transfer Websites. Franchisee shall immediately cease using and, at Franchisor's request irrevocably assign and transfer to Franchisor or its designee any and all interests Franchisee may have in the Website maintained by Franchisee in connection with the Franchised Business and in the domain name and home page address related to such Website. Franchisee shall notify all domain name registries and internet service providers of the termination or expiration and, if applicable, assignment of its right to use any URLs and domain names, or associated with the Marks and/or to instruct the domain name registries, and Internet service providers to forward all e-mails and electronic communications made to Franchisee's names, or addresses to names or addresses Franchisor specifies. Franchisee shall immediately execute any documents and perform any other actions required by Franchisor to effectuate such assignment and transfer and otherwise ensure that all rights in such Website revert to Franchisor or its designee, and hereby appoints Franchisor as its attorney-in-fact to execute such documents on Franchisee's behalf if Franchisee fails to do so. Franchisee may not establish any Website using any similar or confusing domain name and/or home page address.

16.11 Franchisor's Option to Purchase Assets.

(a) Upon termination or expiration of this Agreement, Franchisor's designee (the "Option Purchaser") shall have the right and option, but not the obligation, to be exercised within thirty (30) days after termination, to purchase from Franchisee any or all any and all of Franchisee's assets from the Franchised Business, including, but not limited to, all equipment, furnishings, and signs, at the purchase price set forth in Section 16.11 below. If Franchisor elects to exercise this option on behalf of the Option Purchaser, Franchisor will deliver written notice to Franchisee of the election within thirty (30) days after the date of termination or expiration of this Agreement. The Franchisor and the Option Purchaser will have the right to inspect any equipment at any time prior to or during this thirty (30) day period. If the Franchisor elects to purchase the equipment, the Option Purchaser will be entitled to, and Franchisor must provide, all customary warranties and representations relating to the equipment purchase, including, without limitation, representations and warranties as to the maintenance, function and condition of the equipment and Franchise's good title to the equipment (including that you own the equipment free and clear of any liens and encumbrances).

(b) The purchase price for the option granted pursuant to Section 16.11(a) shall be the fair market value or at Franchisee's depreciated book value, whichever is less, and to purchase any or all supplies and inventory of the Franchised Business at Franchisee's cost or depreciated book value, whichever is less. If the parties cannot agree on the purchase price of any such items within a reasonable time, an independent appraisal shall be conducted by a person selected by Franchisor at Franchisor's expense, and the appraiser's determination shall be binding. If Franchisor on behalf of the Option Purchaser elects to exercise any option to purchase herein provided, it shall have the right to set off all amounts due from Franchisee, and the cost of the appraisal, if any, against any payment therefor.

16.12 Compliance with Continuing Obligations. All of the obligations of Franchisor and Franchisee which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire. Without limiting the foregoing, Franchisee shall comply

with the covenants contained in Section 10.1 and Section 17.3.

17. COVENANTS

17.1 Best Efforts. Franchisee covenants that, during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee's Owners and the Business Manager shall devote such time as Franchisor shall determine to be necessary to the general management of the business operations of the Franchised Business and shall use their best efforts in the business management of the operations of the Franchised Business.

17.2 In-Term Covenants. Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee will receive valuable, specialized non-medical training and Confidential Information, including, without limitation, information regarding the non-medical business operations, sales, promotional, and marketing methods and techniques of Franchisor and the System. Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity:

(a) Divert or attempt to divert any present or prospective franchisee of the Franchisor's franchised businesses to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks and the System;

(b) Employ or seek to employ any person who is at that time employed by Franchisor or by any other franchisee of Franchisor, or otherwise directly or indirectly induce such person to leave his or her employment; or

(c) Own, maintain, operate, engage in, be employed by, provide any assistance or advice to, or have any interest in (as owner or otherwise) any business that provides a system for the management of the non-medical operations of laser pain treatment centers or be franchisee or licensee of or otherwise affiliated with any such business ("Competitive Business").

17.3 Post-Term Covenants. Franchisee covenants that, except as otherwise approved in writing by Franchisor, Franchisee shall not, for a continuous uninterrupted period of two (2) years commencing upon the date of: (a) a transfer permitted under Section 14; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); and (d) if litigation is necessary to enforce this Agreement, the date of entry a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to enforcement of this Section 17.3; or (e) any or all of the foregoing; either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity, own, maintain, operate, engage in, be employed by, provide assistance to, have any interest in (as owner or otherwise), or be franchisee or licensee of or otherwise affiliated with any Competitive Business; and (ii) is, or is intended to be, located at or within:

(a) the Franchisee's Territory; or

(b) ten (10) miles of the Approved Location; or

(c) ten (10) miles of any business operating under the Proprietary Marks;

provided, however, that Section 17.2(c) and this Section 17.3 shall not apply to the operation by Franchisee

of any business under the System which may be franchised by Franchisor to Franchisee under a written Franchise Agreement.

These restrictions also apply after transfers, as provided in Section 12 above. If any person restricted by this Section refuses voluntarily to comply with these obligations, the two (2) year period for that person will commence with the entry of a court order enforcing this provision. Franchisee expressly acknowledges that it possesses skills and abilities of a general nature and have other opportunities for exploiting these skills. Consequently, Franchisor enforcing the covenants made in this Section will not deprive Franchisee of its personal goodwill or ability to earn a living.

17.4 No Application to Equity Securities. Section 17.2(c) and Section 17.3 shall not apply to ownership by Franchisee of a less than two percent (2%) beneficial interest in the outstanding equity securities of any corporation which has securities registered under the Securities Exchange Act of 1934.

17.5 Reduction of Scope of Covenants. Franchisee understands and acknowledges that Franchisor shall have the right to reduce the scope of any covenant set forth in Section 17.2 and Section 17.3, or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof; and Franchisee agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 22.

17.6 No Defense. Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section 17. Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Section 17.

18. TAXES, PERMITS, AND INDEBTEDNESS

18.1 Payment of Taxes. Franchisee shall promptly pay when due all taxes levied or assessed, including, without limitation, employer's portion of employment-related taxes (FICA, Medicare and unemployment taxes) and sales taxes, and all accounts and other indebtedness of every kind incurred by Franchisee in the operation of the Franchised Business. Franchisee shall pay to Franchisor an amount equal to any state or local taxes, including, without limitation, sales, use, service, occupation, employment related, excise, gross receipts, income, property or other taxes, that may be imposed on Franchisor as a result of Franchisor's receipt or accrual of the initial franchise fee, royalty fees, advertising fees, renewal fees, and all other fees that are referenced in this Agreement, whether assessed against Franchisee through withholding or other means or whether paid by Franchisor directly, unless the tax is credited against income tax otherwise payable by Franchisor. In such event, Franchisee shall pay to Franchisor (or to the appropriate governmental authority) such additional amounts as are necessary to provide Franchisor, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that Franchisor would have received or accrued had such withholding or other payment, whether by Franchisee or by Franchisor, not been required.

18.2 Contesting Taxes. In the event of any bona fide dispute as to Franchisee's liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but in no event shall Franchisee permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the premises of the Franchised Business, or any improvements thereon.

19. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

19.1 Independent Contractor. Franchisor and Franchisee agree that this Agreement does not create a fiduciary relationship between them, that Franchisee shall be an independent contractor, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever. Franchisee acknowledges and agrees that Franchisor's usual business is offering and selling rights to operate OrthoLazer Centers using the Proprietary Marks and System, developing enhancements to the System, and providing assistance to franchisees, and, accordingly, Franchisor's usual business is different from Franchisee's usual business of operating the Franchised Business. During the term of this Agreement, Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise agreement from Franchisor. Franchisee agrees to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place at the premises of the Franchised Business, the content of which Franchisor reserves the right to specify.

19.2 No Authority to Contract. Nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Franchisee in its operation of the Franchised Business or for any claim or judgment arising therefrom against Franchisee or Franchisor.

19.3 Indemnification. Franchisee shall indemnify, defend and hold harmless Franchisor and its affiliates, and their respective owners, officers, directors and employees (each a "Franchisor Indemnified Party") against any and all claims, losses, costs, expenses, liabilities and damages arising directly or indirectly from, as a result of, or in connection with the Franchised Business operations and/or the OrthoLazer Center operations, the business conducted under this Agreement, or Franchisee's breach of this Agreement. Franchisor shall indemnify, defend and hold harmless Franchisee and its affiliates, and their respective owners, officers, directors and employees (each a "Franchisee Indemnified Party") against any and all claims, losses, costs, expenses, liabilities and damages arising directly or indirectly from or as a result of Franchisor's breach of this Agreement. Each party acknowledges and agrees that its indemnification and hold harmless obligations under this Section 19.3 shall survive the termination or expiration of this Agreement.

19.4 Force Majeure. Neither Franchisor, Franchisor's affiliates, nor Franchisee shall be responsible or liable for any delays in the performance of any duties under this Agreement which are not the fault or within the reasonable control of that party including, but not limited to, fire, flood, natural disasters, acts of God, delays in deliveries by common carriers, governmental acts or orders, late deliveries of products or goods or furnishing of services by third party vendors, civil disorders, acts of terrorism, or strikes and any other labor-related disruption, and in any event said time period for the performance of an obligation hereunder shall be extended for the amount of time of the delay or impossibility. Provided, however, this clause shall not apply to and not result in an extension of: (1) the time for payments to be made by Franchisee as required by Section 4.7; or (2) the term of this Agreement.

19.5 Business Associate Agreement. To the extent Franchisee acts as a "covered entity" as defined in HIPAA, the Franchisor will be considered a "business associate", as defined in HIPAA. As such, the Franchisee and Franchisor are entering into the Business Associate Agreement attached hereto as Exhibit G, the terms of which shall govern any transmission, use, and/or disclosure of PHI to the extent Franchisee, in its capacity as a HIPAA covered entity, discloses or transmits PHI to Franchisor.

20. APPROVALS AND WAIVERS

20.1 Approvals and Consent. Whenever this Agreement requires the prior approval or consent

of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and such approval or consent must be obtained in writing.

20.2 No Warranties or Guarantees. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee, by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

20.3 No Waiver. No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement. Waiver by Franchisor of any particular default of Franchisee shall not affect or impair Franchisor's rights with respect to any subsequent default of the same, similar, or different nature; nor shall any delay, force, or omission of Franchisor to exercise any power or right arising out of any breach of default by Franchisee of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's right to exercise the same, nor shall such constitute a waiver by Franchisor of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its term. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants, or conditions of this Agreement.

21. NOTICES

Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by registered mail, or sent by other means which affords the sender evidence of delivery or rejected delivery (which shall not include electronic communication, such as email), to the Franchisor or the Franchisee at its address set forth above, unless and until a different address has been designated for such purpose by written notice to the other party in accordance with this Section 21.

22. ENTIRE AGREEMENT

This Agreement, the attachments hereto, and the documents referred to herein constitute the entire Agreement between Franchisor and Franchisee concerning the subject matter of this Agreement, and supersede any prior agreements, no other representations having induced Franchisee to execute this Agreement. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Agreement or in any related agreement between Franchisor and Franchisee is intended to disclaim the representations in Franchisor's Franchise Disclosure Document.

23. SEVERABILITY AND CONSTRUCTION

23.1 Severability. Except as otherwise provided herein, if, for any reason, any section, part, term, provision, and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions, and/or covenants of this Agreement and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, provisions, and/or covenants shall be deemed not to be a part of this Agreement. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, the parties agree that the covenant will be enforced to the fullest extent

permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

23.2 Survival. Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), shall survive such expiration, termination or assignment, including but not limited to Sections 10, 17, and 25.

23.3 Counterparts. This Agreement, and all addenda hereto and each and every other agreement, instrument, certificate or other document delivered pursuant to this Agreement, may be executed in one or more counterparts, each one of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A signed copy of this Agreement, or any addenda hereto or any other agreement, instrument, certificate or other document delivered pursuant to this Agreement, delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement or such other document.

23.4 No Rights or Remedies Conferred. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee, Franchisor, Franchisor's officers, directors, shareholders, agents, and employees, and such of Franchisor's successors and assigns as may be contemplated by Section 14, any rights or remedies under or by reason of this Agreement.

23.5 Headings. The headings and subheadings used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

23.6 Franchisor's Discretion and Judgment. Whenever Franchisor has expressly reserved in this Agreement the right and/or discretion (or Franchisor is deemed to have a right and/or discretion) to take or refrain from taking any action, or to grant or decline to grant Franchisee the right to take or refrain from taking any action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make such decision or exercise its right and/or discretion on the basis of its judgment of what is in Franchisor's best interests, which includes what Franchisor believes to be the best interests of its franchise network at the time such decision is made or such right or discretion is exercised even though (1) there may have been other alternative decisions or actions that could have been taken; (2) Franchisor's decision or the action taken or not taken promotes its own financial or other individual interest; or (3) Franchisor's decision or the action taken or not taken may apply differently to different franchisees or our company-owned or affiliate-owned operations. In the absence of an applicable statute, Franchisor shall have no liability to Franchisee or any Owner for any such decision or action. Franchisor and Franchisee intend that the exercise of Franchisor's rights or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, Franchisor and Franchisee agree that such covenant shall not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's rights and obligations hereunder.

23.7 Promises and Covenants. Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions of this Agreement any portion or portions which a court or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an unappealed final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court or agency order.

23.8 Savings Clause. In the event any state or federal laws or regulations now existing or enacted or promulgated after the Effective Date are interpreted by judicial decision, a regulatory agency or legal counsel of both parties, in such manner as to indicate that some or all provisions of this Agreement may be in violation of such laws and regulations, the parties shall use their best efforts to amend this Agreement as necessary or appropriate under the circumstances in such a way as to make any provision of this Agreement that was formerly invalid valid. Such provision, as amended, shall be considered valid from the effective date of such interpretation or amendment. To the maximum extent possible, any such amendment shall preserve the underlying economic and financial arrangements between the parties. If an amendment is not possible, either party shall have the right to terminate this Agreement.

24. APPLICABLE LAW AND DISPUTE RESOLUTION

24.1 Applicable Law. Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C. §1051 and the sections following it) or other federal law, this Agreement shall be interpreted and construed exclusively under the laws of New York State without regard to any conflict-of-law rules that would result in the application of the laws of any other jurisdiction. If, however, any provision of this Agreement would not be enforceable under the laws of New York State and if Franchisee is located outside of New York State and such provision would be enforceable under the laws of the state in which Franchisee is located, then such provision shall be interpreted and construed under the laws of that state.

24.2 Jurisdiction and Venue. Any action, whether or not arising out of, or relating to, this Agreement, brought by Franchisee or any Owner against Franchisor shall be brought in the U.S. District Court for the Western District of New York or, if such court lacks subject matter jurisdiction, in the New York State Supreme Court sitting in Rochester, New York. Franchisor shall have the right to commence an action against Franchisee in any court of competent jurisdiction. Franchisee hereby waives all objections to personal jurisdiction or venue for purposes of this Section 24.2 and agrees that nothing in this Section 24.2 shall be deemed to prevent Franchisor from removing an action from state court to federal court.

24.3 No Exclusivity. No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

24.4 WAIVER OF RIGHT TO JURY TRIAL AND PUNITIVE DAMAGES. FRANCHISOR AND FRANCHISEE HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY AGREE AS FOLLOWS: (A) FRANCHISOR AND FRANCHISEE HEREBY EXPRESSLY AND IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING; AND (B) FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM OF ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

24.5 LIMITATION OF CLAIMS. FRANCHISEE AND THE OWNERS AGREE NOT TO BRING ANY CLAIM ASSERTING THAT ANY OF THE PROPRIETARY MARKS ARE GENERIC OR OTHERWISE INVALID. ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP OF FRANCHISEE AND FRANCHISOR, OR FRANCHISEE'S OPERATION OF THE FRANCHISED BUSINESS, BROUGHT BY FRANCHISEE OR ANY OWNER AGAINST FRANCHISOR, SHALL BE COMMENCED WITHIN

ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION SHALL BE BARRED. THE PARTIES UNDERSTAND THAT SUCH TIME LIMIT MIGHT BE SHORTER THAN OTHERWISE ALLOWED BY LAW.

24.6 WAIVER OF CLASS ACTIONS. THE PARTIES AGREE THAT ANY CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP OF FRANCHISEE AND FRANCHISOR, OR FRANCHISEE'S OPERATION OF THE FRANCHISED BUSINESS WILL BE CONDUCTED ON AN INDIVIDUAL AND NOT A CLASS BASIS, AND THAT A PROCEEDING BETWEEN FRANCHISOR AND FRANCHISEE OR ANY OWNER MAY NOT BE CONSOLIDATED WITH ANOTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER PERSON OR ENTITY, NOR MAY ANY CLAIMS OF ANOTHER PARTY OR PARTIES BE JOINED WITH ANY CLAIMS ASSERTED IN ANY ACTION OR PROCEEDING BETWEEN FRANCHISOR AND FRANCHISEE OR ANY OWNER.

24.7 Injunctive Relief. Nothing herein contained (including, without limitation, Section 24.2) shall bar Franchisor's right to obtain injunctive relief from a court of competent jurisdiction against threatened conduct that will cause it loss or damage, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions.

24.8 Costs and Expenses. Franchisee shall pay to Franchisor all damages, costs, and expenses, including all court costs, mediation costs, and reasonable attorney's fees, and all other expenses incurred by Franchisor in enforcing any obligation under, or in defending against any claim, demand, action, or proceeding related to, this Agreement, including, but not limited to the obtaining of injunctive relief.

25. FRANCHISEE'S ACKNOWLEDGEMENTS AND REPRESENTATIONS

25.1 Independent Investigation; System Standards; Etc. Franchisee acknowledges that:

(a) it has independently investigated the Franchised Business as a franchise opportunity and recognizes that, like any other business, the nature of the business of managing an OrthoLazer Center may, and probably will, evolve and change over time;

(b) an investment in a Franchised Business involves business risks that could result in the loss of a significant portion or all of its investment;

(c) the business abilities and efforts of the Owners are vital to the Franchisee's success;

(d) attracting patients for the OrthoLazer Center that Franchisee manages will require you to make consistent marketing efforts in Franchisee's community through various methods, including media advertising, direct mail advertising, and display materials;

(e) Franchisee must maintain a high level of patient service and adhere strictly to the System and the System Standards, and that Franchisee is committed to maintaining the System Standards;

(f) neither Franchisee not any Owner has received from Franchisor or any person or entity representing or claiming to represent Franchisor, and neither Franchisee not any Owner is relying upon, any representations or guarantees, express or implied, as to the potential volume, sales, income, or profits of a Franchised Business, and that any financial information that may appear in the Franchisor's current Franchise Disclosure Document is not a representation or guarantee as to potential volume, sales, income, or profits that you may achieve at a Franchised Business;

(g) in all of their dealings with Franchisee and the Owners, Franchisor's officers, directors, employees, and agents act only in a representative, and not in an individual, capacity and that business dealings between Franchisee and the Owners and them as a result of this Agreement are deemed to be only between Franchisee and Franchisee;

(h) Franchisee and the Owners have represented to Franchisor, to induce Franchisor's entry into this Agreement, that all statements Franchisee and the Owners have made and all materials Franchisee and the Owners have given to Franchisor are accurate and complete to the best of Franchisee's and the Owners' knowledge and diligence in gathering required information and that neither Franchisee not any Owner has made any misrepresentations or material omissions in obtaining the rights under this Franchise Agreement;

(i) Franchisee and each Owner has read this Agreement and Franchisor's current Franchise Disclosure Document and understand and accept that this Agreement's terms and covenants are reasonably necessary for Franchisor to maintain its high standards of quality and service, as well as the uniformity of those standards at each Franchised Business, and to protect and preserve the goodwill of the Proprietary Marks;

(j) neither Franchisor nor any person or entity representing or claiming to represent Franchisor has made any representation, warranty, or other claim regarding this Franchised Business franchise opportunity, other than those made in this Agreement and the Franchisor's current Franchise Disclosure Document, and that Franchisee and the Owners have independently evaluated this opportunity, including by using their business professionals and advisors, and have relied solely upon those evaluations in deciding to enter into this Agreement;

(k) Franchisee and each Owner have been afforded an opportunity to ask any questions that it or they have and to review any materials of interest to them concerning the Franchised Business franchise opportunity, and that Franchisor has not refused to answer any questions, inquiries, or requests;

(l) Franchisee and each Owner has been afforded an opportunity, and have been encouraged by Franchisor, to have this Agreement and all other agreements and materials Franchisor has given or made available to Franchisee or any Owner reviewed by an attorney and have either done so or chosen not to do so;

(m) Franchisor may modify the offer of its franchise opportunity to other franchisees in any manner and at any time, and these offers and agreements have or may have terms, conditions, and obligations that may differ from the terms, conditions, and obligations in this Agreement; and

(n) notwithstanding the foregoing, nothing in any franchise agreement is intended to disclaim the express representations made in the Franchisor's current Franchise Disclosure Document.

25.2 Acknowledgement of Receipt. Franchisee acknowledges that it received Franchisor's current Franchise Disclosure Document at least fourteen (14) calendar days prior to the date on which this Agreement was executed or Franchisee paid any money to Franchisor. Franchisee further acknowledges that it received a complete copy of this Agreement, the attachments hereto, and all related agreements attached to the Franchise Disclosure Document, and that Franchisee waited at least seven (7) calendar days prior to executing them if any changes to such agreements were unilaterally and materially made by Franchisor.

25.5 Compliance with Anti-Terrorism Laws. Franchisee acknowledges that under applicable U.S. law, including, without limitation, Executive Order 13224, signed on September 23, 2001 (the

"Order"), Franchisor is prohibited from engaging in any transaction with any Specially Designated National or Blocked Person. "Specially Designated National" or "Blocked Person" shall mean (1) those persons designated by the U.S. Department of Treasury's Office of Foreign Assets Control from time to time as a "specially designated national" or "blocked person" or similar status, (2) a person engaged in, or aiding any person engaged in, acts of terrorism, as defined in the Order, or (3) a person otherwise identified by government or legal authority as a person with whom Franchisor is prohibited from transacting business. Currently, a listing of such designations and the text of the Order are published at the Internet website address, www.ustreas.gov/offices/enforcement/ofac. Accordingly, Franchisee represents and warrants to Franchisor that as of the Effective Date, neither Franchisee nor any person holding any ownership interest in Franchisee, controlled by Franchisee, or under common control with Franchisee is a Specially Designated National or Blocked Person, and that Franchisee (1) does not, and hereafter shall not, engage in any terrorist activity; (2) is not affiliated with and does not support any individual or entity engaged in, contemplating, or supporting terrorist activity; and (3) is not acquiring the rights granted under this Agreement with the intent to generate funds to channel to any individual or entity engaged in, contemplating, or supporting terrorist activity, or to otherwise support or further any terrorist activity. Franchisee agrees that Franchisee shall immediately provide written notice to Franchisor of the occurrence of any event which renders the representations and warranties in this Section 25.5 incorrect.

EXHIBIT B TO FRANCHISE AGREEMENT

SITE SELECTION ADDENDUM

OLC Development, LLC, a Delaware limited liability company (the "Franchisor") and _________________________________ (the "Franchisee"), have this date, ______________ , entered into that certain Franchise Agreement (the "Franchise Agreement") and desire to supplement its terms, as set forth below. The parties hereto therefore agree as follows:

1. Within one hundred twenty (120) days after Franchisee's execution of the Franchise Agreement, Franchisee shall obtain a site, at Franchisee's expense, for the OrthoLazer Orthopedic Laser Center ("Franchised Business") franchised under the Franchise Agreement, which premises shall be approved by Franchisor as hereinafter provided. The premises shall be within the following territory ("Site Selection Territory"):

2. Failure by Franchisee to obtain premises for the Franchised Business within the time required in Paragraph 1 hereof shall constitute a default under the Franchise Agreement and this Site Selection Addendum. Time is of the essence.

3. Franchisor shall not establish, nor franchise another to establish, an OrthoLazer Orthopedic Laser Center within the Site Selection Territory until Franchisor approves a location for the Franchised Business, or until the time set forth in Paragraph 1 hereof expires, whichever event first occurs.

4. Prior to Franchisee's acquisition by lease or purchase of a site for the Franchised Business, Franchisee shall submit to Franchisor, in the form specified by Franchisor, a completed site review form, such other information or materials as Franchisor may reasonably require, and a letter of intent or other evidence satisfactory to Franchisor which confirms Franchisee's favorable prospects for obtaining the proposed site. Recognizing that time is of the essence, Franchisee agrees that Franchisee must submit a proposed site, together with the information and materials required by this Paragraph 4, to Franchisor for its approval within one hundred twenty (120) days after execution of this Site Selection Addendum. Franchisor shall have thirty (30) days after receipt of such information and materials from Franchisee to approve or disapprove the site as a location for the Franchised Business and such approval shall not be unreasonably withheld. No proposed site shall be deemed approved unless it has been expressly approved in writing by Franchisor.

5. Franchisor shall furnish to Franchisee the following:

(a) Such site selection guidelines and consultation as Franchisor deems advisable;

(b) Such on-site evaluation as Franchisor deems advisable as part of its evaluation of Franchisee's request for site approval; provided, however, that Franchisor shall not provide on-site evaluation for any proposed site prior to Franchisor's receipt of the information or materials required by Paragraph 4 hereof. If on-site evaluation is deemed necessary and appropriate by Franchisor, Franchisor shall conduct up to two (2) on-site evaluations at Franchisor's expense. For each additional on-site evaluation (if any), Franchisee shall reimburse Franchisor for Franchisor's reasonable expenses, including, without limitation, the costs of travel, lodging and meals.

6. If Franchisee will occupy the premises of the Franchised Business under a lease, Franchisee shall, prior to the execution thereof, submit the lease to Franchisor for its approval, which shall not be unreasonably withheld. Franchisor's approval of the lease may be conditioned upon the inclusion of the following terms and conditions:

(a) That the initial term of the lease, or the initial term together with renewal terms, shall be for not less than ten (10) years;

(b) That the lessor consents to Franchisee's use of such Proprietary Marks and initial signage as Franchisor may prescribe for the Franchised Business;

(c) That the use of the premises be restricted solely to the operation of the Franchised Business;

(d) That Franchisee be prohibited from subleasing or assigning all or any part of its occupancy rights or extending the term of or renewing the lease without Franchisor's prior written consent;

(e) That lessor provide to Franchisor copies of any and all notices of default given to Franchisee under the lease;

(f) That Franchisor have the right to enter the premises to make modifications necessary to protect the Proprietary Marks or the System or to cure any default under the Franchise Agreement or under the lease;

(g) That Franchisor (or Franchisor's designee) have the option, upon default, expiration or termination of the Franchise Agreement, and upon notice to the lessor, to assume all of Franchisee's rights under the lease terms, including the right to assign or sublease.

7. Franchisee shall furnish Franchisor with a copy of any executed lease within ten (10) days after execution thereof.

8. After a site for the Franchised Business has been approved in writing by Franchisor and obtained by Franchisee pursuant to Paragraph 4 hereof, the site shall constitute the Approved Location referred to in Section 1.2 of the Franchise Agreement.

9. Franchisee hereby acknowledges and agrees that Franchisor's approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the suitability of the site for the Franchised Business or for any other purpose. Franchisor's approval of the site indicates only that Franchisor believes the site complies with acceptable minimum criteria established by Franchisor solely for its purposes as of the time of the evaluation. Both Franchisee and Franchisor acknowledge that application of criteria that may have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to Franchisor's approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from Franchisor's criteria could change, thereby altering the potential of a site or lease. Such factors are unpredictable and are beyond Franchisor's control. Franchisor shall not be responsible for the failure of a site approved by Franchisee to meet Franchisee's expectations as to revenue or operational criteria. Franchisee further acknowledges and agrees that its acceptance of a franchise for the operation of the Franchised Business at the site is based on its own independent investigation of the suitability of the site.

10. This Site Selection Addendum constitutes an integral part of the Franchise Agreement between the parties hereto, and the terms of this Site Selection Addendum shall be controlling with respect to the subject matter hereof. Except as modified or supplemented by this Site Selection Addendum, the terms of the Franchise Agreement are hereby ratified and confirmed.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement in duplicate on the date first above written.

The undersigned waive notice of amendment of the Franchise Agreement and notice of demand for payment by Franchisee, and agree to be bound by any and all such amendments and changes to the Franchise Agreement.

Upon the death of an individual guarantor, the estate of such guarantor shall be bound by this Guarantee, but only for defaults and obligations hereunder existing at the time of death; and the obligations of the other guarantors will continue in full force and effect.

5. Unless specifically stated otherwise, the terms used in this Guarantee shall have the same meaning as in the Franchise Agreement, and shall be interpreted and construed in accordance with Section 25 of the Franchise Agreement. CONFIDENTIALITY AGREEMENT

(For execution by Franchisee's owners, managers and other personnel having access to Franchisor's Confidential Information.)

In consideration of my position as ___________________________ of ___________________________ (the "Franchisee"), and One Dollar, receipt of which is acknowledged, I hereby acknowledge and agree that:

1. OLC Development, LLC, a Delaware limited liability company (the "Franchisor"), as the result of the expenditure of time, skill, effort, and money, has developed, and continues to develop, a distinctive system relating to the establishment, operation, and promotion of centers which offer laser therapy pain treatment ("OrthoLazer Orthopedic Laser Center"), and all of which may be changed, improved and further developed by Franchisor from time to time (the "System").

2. Because of my position with the Franchisee, I will receive valuable confidential information, disclosure of which would be detrimental to the Franchisor and the Franchisee, such as information relating to the Manual, procedures, patient lists, drawings, materials, or equipment of the Franchisor and the System related to the establishment and operation of OrthoLazer Orthopedic Laser Centers, which are beyond the present skills and experience possessed by me ("Confidential Information"). This list of confidential matters is illustrative only, and does not include all matters considered confidential by the Franchisor and the Franchisee.

3. I will hold in strict confidence all information designated by the Franchisor or the Franchisee as confidential. My undertaking not to disclose Confidential Information is a condition of my position with the Franchisee, and continues even after I cease to be in that position.

4. The Franchisor is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Franchisor and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisor and/or the Franchisee may apply for the issuance of an injunction preventing me from violating this Agreement in addition to any other remedies it may have hereunder, at law or in equity; and I agree to pay the Franchisor and the Franchisee all the costs it/they incur/s, including without limitation attorneys' fees, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisor and the Franchisee, any claim I have against the Franchisor or the Franchisee is a separate matter and does not entitle me to violate, or justify any violation of, this Agreement. If any part of this Agreement is held invalid by a court or agency having valid jurisdiction, the rest of the Agreement is still enforceable and the part held invalid is enforceable to the extent found reasonable by the court or agency. 5. The Franchisor may reduce the scope of any covenant set forth in this Agreement, without my consent, effective immediately upon my receipt of written notice thereof; and I agree to comply with any covenant as so modified.

6. This Agreement shall be construed under the laws of the State of New York. The only way this Agreement can be changed is in a writing signed by both the Franchisee and me.

WITNESSETH:

WHEREAS, Covered Entity and Business Associate want to enter into an agreement whereby Business Associate provides non-clinical management and administrative services to the Covered Entity (the "Underlying Agreement").

WHEREAS, Covered Entity wishes to disclose certain information to Business Associate pursuant to the terms of the Underlying Agreement, some of which may constitute Protected Health Information ("PHI");

WHEREAS, Covered Entity and Business Associate intend to protect the privacy and provide for the security of PHI disclosed to Business Associate pursuant to the Underlying Agreement in compliance with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 as amended by the Health Information Technology for Economic and Clinical Health Act ("HITECH") and the privacy rule and security standards promulgated thereunder by the U.S. Department of Health and Human Services as amended from time to time (collectively, "HIPAA") and other applicable laws, including applicable state laws;

WHEREAS, the purpose of this Agreement is to satisfy certain standards and requirements of HIPAA including, but not limited to, Title 45, Section 164.504(e) of the Code of Federal Regulations ("C.F.R."), as the same may be amended from time to time;

(c) Unless otherwise specified in this Agreement, all other capitalized terms will have the meaning ascribed to them under the HIPAA Regulations.

II. Obligations of Business Associate

Business Associate agrees to:

(a) only use or disclose PHI as permitted or required for the Underlying Services or as required by law;

(b) use appropriate safeguards, and comply with Subpart C of 45 CFR Part 164 with respect to PHI in electronic form, to prevent use or disclosure of PHI other than as necessary for the Underlying Services or this Agreement;

Business Associate's notice will include information necessary for Covered Entity to comply with its breach notification obligations under the HIPAA Regulations and/or state law. Business Associate may supplement its initial report as facts become available. The parties acknowledge and agree that this Section constitutes notice by Business Associate to Covered Entity that attempted but unsuccessful Security Incidents, such as pings and other broadcast attacks on Business Associate's firewall, port scans, unsuccessful log-on attempts, denials of service and any combination of the above, regularly occur and that no further notice will be made by Business Associate unless there has been a successful Security Incident.

(d) in accordance with 45 CFR 164.502(e)(1)(ii) and 164.308(b)(2), if applicable, ensure that any subcontractors that create, receive, maintain, or transmit PHI on behalf of Business Associate agree to the same restrictions, conditions, and requirements that apply to the Business Associate with respect to such information;

(f) if Required by the Underlying Agreement, make available PHI in a Designated Record Set to Covered Entity within fifteen (15) calendar days of Covered Entity's written request to assist Covered Entity in carrying out its amendment obligations pursuant to 45 CFR 164.526;

(g) maintain and make available to Covered Entity within fifteen (15) calendar days of Covered Entity's written request all necessary information to assist Covered Entity to carry out its accounting of disclosures obligations under 45 CFR 164.528 as amended from time to time;

(h) comply with the requirements of Subpart E of 45 CFR Part 164 to the extent required by law and also to the extent that Business Associate is to carry out one or more of Covered Entity's obligation(s) under Subpart E of 45 CFR Part 164; and

(b) Business Associate may use or disclose PHI as required by law.

(c) Business Associate agrees to make uses and disclosures and requests for PHI consistent with Covered Entity's minimum necessary policies and procedures provided to Business Associate in advance.

(d) Except for uses and disclosures set forth in Section III (e), (f) and (g) herein, Business Associate may not use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if done by Covered Entity.

(e) Business Associate may use PHI for the proper management and administration of the Business Associate or to carry out the legal responsibilities of Business Associate.

(f) Business Associate may disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate, provided the disclosures are required by law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and be used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

IV. Provisions for Covered Entity to Inform Business Associate of Privacy Practices and Restrictions

(a) Covered entity shall notify Business Associate of any limitation(s) in the Notice of Privacy Practices of Covered Entity under 45 CFR 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of Protected Health Information.

(b) Covered Entity shall notify Business Associate of any changes in, or revocation of, the permission by an individual to use or disclose his or her PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.

(c) Covered Entity shall notify Business Associate of any restriction on the use or disclosure of PHI that Covered Entity has agreed to or is required to abide by under 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

in paragraph (b) of this Section, whichever is sooner.

(b) Termination for Cause. Business Associate authorizes termination of this Agreement by Covered Entity, if Covered Entity determines that Business Associate has violated a material term of this Agreement and Business Associate has not cured the breach or ended the violation within a reasonable time, not to exceed ten (10) business days, after Business Associates receipt of written notice from the Covered Entity specifying the specific section of this Agreement of which Covered Entity asserts Business Associate is in violation. Termination of this Agreement will suspend uses and disclosures of PHI by Business Associate pursuant to the Underlying Services.

(c) Obligations of Business Associate Upon Termination.

Upon termination of this Agreement for any reason, Business Associate shall return to Covered Entity or, if agreed to by Covered Entity, destroy, all PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that Business Associate still maintains in any form. Business Associate shall retain no copies of the PHI. Upon termination of this Agreement for any reason, Business Associate, with respect to PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of covered entity, shall:

1. retain only that PHI which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities;
2. return to Covered Entity or, if agreed to by Covered Entity, destroy the remaining PHI that the Business Associate still maintains in any form;
3. continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to electronic PHI to prevent use or disclosure of the PHI, other than as provided for in this Section, for as long as Business Associate retains the PHI;
4. not use or disclose PHI retained by Business Associate other than for the purposes for which such PHI was retained and subject to the same conditions set forth herein; and
5. return to Covered Entity or, if agreed to by Covered Entity, destroy the PHI retained by Business Associate when it is no longer needed by Business Associate for its proper management and administration or to carry out its legal responsibilities.

Notwithstanding the foregoing or anything to the contrary in this Agreement or the Underlying Agreement, if return or destruction of some or all of the PHI is not feasible, in Business Associate's reasonable judgment, Business Associate will furnish Covered Entity with notification, in writing, of the conditions that make return or destruction of such PHI infeasible. In such event, Business Associate will extend the protections of this Agreement to such information for as long as Business Associate retains such information and will limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible.

EXHIBIT D
AREA DEVELOPMENT AGREEMENT

AREA DEVELOPMENT AGREEMENT

THIS AREA DEVELOPMENT AGREEMENT ("Agreement") is made and entered into on ______________ (the "Effective Date"), by and between OLC DEVELOPMENT, LLC, a Delaware limited liability company with its principal place of business at 50 Methodist Hill Drive, Suite 600, Rochester, New York 14623 ("Franchisor"), and _________________________________, a PLLC with its principal place of business at ____ ("Developer").

WITNESSETH:

A. Franchisor and its affiliates, as the result of the expenditure of time, skill, effort, and money, have developed, and continues to develop, a distinctive system relating to the establishment and general management of business and administrative services of a non-medical nature appropriate for the operation of centers which offer Multiwave Locked System Therapy laser pain treatment ("MLS Therapy Laser Services") using M8 MLS Therapy Lasers manufactured by ASA Laser and distributed in the United States exclusively through Cutting Edge Products, LLC (the "M8 MLS Therapy Laser") and such other non-medical ancillary and related services as the Franchisor shall determine from time to time under the name "OrthoLazer™ Orthopedic Laser Centers" (an "OrthoLazer Center"), and which may be changed, improved and further developed by Franchisor from time to time (the "System"). The System relates only to non-medical methods of operation and does not involve the rendering of medical treatment.

B. Franchisor uses and licenses certain trademarks, service marks and trade dress, including the mark "OrthoLazer™," and such other marks, logos and commercial symbols as Franchisor may adopt from time to time (the "Proprietary Marks").

C. The distinguishing characteristics of the System include, without limitation, providing site selection assistance; construction design assistance; preferred vendor relationships for the purchaser or lease of M8 MLS Therapy Lasers and related equipment; procedures for monitoring business operations; procedures for business management; training of and assistance with non-medical personnel; guidance regarding advertising and promotional programs; business formats, methods, procedures, standards, and specifications, all of which may be changed, improved and further developed by Franchisor from time to time.

D. Franchisor grants to Professional Entities (as defined below) who meet its qualifications, and are willing to undertake the investment and effort, a franchise to establish and manage the non-medical operations of an OrthoLazer Center using the System and Proprietary Marks.

E. Franchisor grants to Professional Entities who meet Franchisor's qualifications and who are willing to undertake the investment and effort, the right to develop a number of OrthoLazer Centers within a defined geographical area.

F. This Agreement is being presented to Developer because of Developer's desire to obtain the rights to develop and manage the non-medical operations of multiple OrthoLazer Centers. In signing this Agreement, Developer acknowledges the importance of the high standards of quality and services of OrthoLazer Centers and the necessity of managing the non-medical operations of OrthoLazer Centers in strict compliance with the System. Developer acknowledges that Franchisor is not responsible for marketing, advertising or expanding the business of Developer's OrthoLazer Centers.

2. GRANT OF DEVELOPMENT RIGHTS

2.1 Grant. Franchisor hereby grants to Developer, on to the terms and subject to the conditions of this Agreement, the exclusive right to develop ___________ (__) OrthoLazer Centers (the "Development Quota") within the Development Area.

2.2 No Franchise. This Agreement does not give Developer the right to own, operate, manage or administer OrthoLazer Centers or use the Proprietary Marks or the System, nor does this Agreement give Developer any right to license others to do so or use the System. This Agreement only gives Developer a right to enter into franchise agreements for OrthoLazer Centers in the Development Area approved by Franchisor.

3. RIGHTS RETAINED BY FRANCHISOR

Franchisor (on behalf of itself and its Affiliates) retains the rights to:

(a) own, operate, manage and administer and grant others the right to own, operate, manage and administer within the Development Area, businesses other a business operating one or more health care, orthopedic care centers located or operating within the Development Area under trade names, service marks, and trademarks other than the Proprietary Marks.

(b) manage the non-medical operations of and grant to others the right to manage the non-medical operations of OrthoLazer Centers anywhere outside of the Development Area, including on

the border of the Development Area, on such terms and conditions as Franchisor deems appropriate;

(c) acquire and operate any company other a company operating one or more health care, orthopedic care centers located or operating within the Development Area or be acquired by any company (including, without limitation, a company operating one or more health care, orthopedic care centers located or operating within the Development Area); and

(d) sell any products identified by the Proprietary Marks or by other trademarks, service marks, trade names or other commercial symbols in any channel of distribution (other than a OrthoLazer Center physically located within the Development Area), including, without limitation, wholesale, Internet sales, mobile applications, sales through non-franchised outlets, or through independent distributors, whether within or outside of the Development Area.

4. DEVELOPMENT FEE

Developer shall pay to Franchisor, upon execution of this Agreement, a development fee in the amount of $[_______], which fee shall be fully earned by Franchisor upon execution of this Agreement, for administrative and other expenses incurred by Franchisor and for the development opportunities lost or deferred as a result of the exclusivity granted herein. The development fee represents $25,000 for each OrthoLazer Center to be developed hereunder. The $25,000 of the development fee shall be refunded to Developer when and if each OrthoLazer Center to be developed hereunder is opened. Developer shall have no right to recover from Franchisor, directly or indirectly, any of the fees which are paid pursuant to this Section 4.

5. DEVELOPMENT SCHEDULE

Developer shall open the Development Quota of OrthoLazer Centers in the Development Area, pursuant to Franchise Agreements, in accordance with the Development Schedule. Time is of the essence in this Agreement and Franchisor has no obligation under any circumstances to extend the Development Schedule. Notwithstanding the forgoing, Franchisor’s consent to any reasonable proposed extension of the Development Schedule shall not be unreasonably withheld. Developer hereby acknowledges that its timely development of the Development Quota of OrthoLazer Centers in the Development Area in accordance with Development Schedule is of material importance to Franchisor. Developer’s failure to develop and open the Development Quota of OrthoLazer Centers in accordance with the Development Schedule is a material breach of this Agreement; provided, however, Franchisor’s exclusive remedy for Developer’s failure to meet the Development Schedule shall be to terminate this Agreement pursuant to Section 10.2.

6. DEVELOPMENT PROCEDURES

6.1 Developer shall submit to Franchisor complete site reports in a form supplied and approved by Franchisor (containing such demographic, commercial and other information and photographs as Franchisor may reasonably require) for each site at which Developer proposes to establish an OrthoLazer Center and which Developer reasonably believes to conform to site selection criteria established by Franchisor from time to time. The proposed site shall be subject to Franchisor’s prior written approval, which shall not be unreasonably withheld. In approving or disapproving any proposed site, Franchisor will consider such matters as it deems material, including, without limitation, demographic characteristics of the proposed site, traffic patterns, difficulty of ingress and egress, parking, the proximity to other businesses, the nature of other businesses in proximity to the site, other commercial characteristics (including the purchase price or rental obligations and other lease terms for the proposed site) and the size, appearance and other physical characteristics of the premises.

6.2 By delivery of written notice to Developer, Franchisor will approve or disapprove sites proposed by Developer for an OrthoLazer Center (a site approved by Franchisor is an "Approved Site"). Franchisor agrees to exert its best efforts to deliver such notification to Developer within forty-five (45) days of receipt by Franchisor of the complete site report and other materials requested by Franchisor, containing all information reasonably required by Franchisor and the completion by Franchisor of such on site evaluations as Franchisor deems advisable. Franchisor's approval of a site does not mean that the site will be profitable. Developer is cautioned not to make any binding commitments for a site until receiving Franchisor's written approval.

6.3 Promptly after approval of any site, Franchisor shall transmit to Developer, a disclosure document and two (2) execution copies of the then current Franchise Agreement, the terms of which may differ from those set forth in the Franchise Agreement attached hereto as Exhibit C, except for the initial franchise fee, royalty fee and brand fund fee. Immediately upon receipt of the disclosure document, Developer shall return to Franchisor a signed copy of the Receipt of the disclosure document. After the passage of the applicable disclosure period, Developer shall sign and deliver to Franchisor, the two (2) copies of the Franchise Agreement and the initial franchise fee required pursuant to the Franchise Agreement. Franchisor shall promptly, upon receipt of the documents and initial franchise fee, sign and return to Developer one (1) copy of the Franchise Agreement. Developer shall then procure the Approved Site by purchase or lease and commence construction and operation of the OrthoLazer Center pursuant to the terms of the Franchise Agreement. If Developer shall have failed to obtain possession of an Approved Site (through acquisition or lease) within ninety (90) days after delivery of Franchisor's approval thereof, Franchisor shall have the right to withdraw its approval of the site. Notwithstanding the foregoing, if Franchisor is not legally able to deliver a disclosure document to Developer by reason of any lapse or expiration of its franchise registration, or because Franchisor is in the process of amending any such registration, or for any reason beyond Franchisor's reasonable control, Franchisor may delay approval of the site for Developer's proposed OrthoLazer Center until such time as Franchisor is legally able to deliver a disclosure document. If Developer fails to sign and return the Franchise Agreement with the respective payment, Franchisor shall have the right to revoke its offer to grant to Developer a franchise to operate an OrthoLazer Center at the proposed site and to withdraw its approval of the proposed site.

7. DEVELOPER OBLIGATIONS

Developer agrees that, during the term of this Agreement, Developer will at all times faithfully, honestly, and diligently perform Developer's obligations hereunder and will use Developer's best efforts to open the Development Quota of OrthoLazer Centers within the Development Area in accordance with the Development Schedule.

8. DEVELOPER REPRESENTATION, WARRANTIES AND COVENANTS

At all times during the Term, Developer shall be duly organized or formed and validly existing in good standing under the laws of the state of Developer's formation. Developer additionally agrees and represents and warrants to Franchisor as follows:

(a) Developer has the authority to sign, deliver, and perform Developer's obligations under this Agreement and all related agreements;

(b) Developer will not alter, change, or amend Developer's organizational documents, including the certificate or articles of incorporation, by-laws, shareholder or stockholder agreement, operating agreement, or partnership agreement, as applicable (collectively, the "Developer Organizational Documents") in any manner that could reasonably be expected to prevent Developer from performing and observing Developer's obligations under this Agreement without Franchisor's prior written consent, which

obligation shall not be unreasonably withheld;

(c) Developer Organizational Documents, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interests in Developer and all certificates and other documents representing ownership interests in Developer will bear a legend referring to this Agreement's restrictions;

(d) Exhibit D to this Agreement sets forth a complete and accurate list of all of Developer's Owners and the shares, membership interests, partnership interests or other ownership interests in Developer owned by each of them as of the Effective Date;

(e) Subject to Franchisor's rights and Developer's obligations under Section 8, Developer and each Owner agree to sign and deliver to Franchisor a revised Exhibit D to reflect any permitted changes in the information that Exhibit D now contains;

(f) Each Owner will sign a guaranty, indemnity and acknowledgement in the form Franchisor prescribes from time to time, undertaking personally to be bound, jointly and severally, by all provisions of this Agreement. Franchisor's form of guaranty, indemnity and acknowledgement as of the Effective Date is attached as Exhibit E;

(g) Developer will appoint one Owner to serve as Developer's "Development Owner," who will responsible for overseeing and supervising the development OrthoLazer Centers under this Agreement. The Development Owner, as of the Effective Date, is identified in Exhibit D. The Development Owner will be the person with whom Franchisor will communicate on all matters relating to development of OrthoLazer centers under this Agreement and the only person from Developer that Franchisor will recognize as having authority to communicate for and on Developer's behalf. Developer may not change the Development Owner without Franchisor's prior written consent, which Franchisor will not unreasonably withhold.

9. CONFIDENTIAL INFORMATION AND COVENANT NOT TO COMPETE

9.1 Confidential Information. Developer shall not, during the term of this Agreement or thereafter, communicate, divulge or use for the benefit of any other person, partnership, association, limited liability company or corporation any confidential information, knowledge or know-how concerning the methods of operation of the business franchised hereunder, including, without limitation, the Manual, non-medical procedures, drawings, materials, or equipment which may be communicated to Developer or of which Developer may be apprised by virtue of Developer's operation under the terms of this Agreement ("Confidential Information"). Developer shall divulge such Confidential Information only to such of its employees as must have access to it in order to for Developer to perform its obligations under this Agreement. Any and all information, knowledge, know-how, techniques and other data which Franchisor designates as confidential shall be deemed confidential for purposes of this Agreement.

9.2 Covenant Not to Compete. Developer covenants that, except as otherwise approved in writing by Franchisor, during the Term of this Agreement and for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause for termination, neither Developer nor any Owner shall own, maintain, operate, engage in, be employed by, provide any assistance or advice to, or have any interest in (as owner or otherwise) any business that provides a system for the management of the non-medical operations of laser pain treatment centers or be Developer or licensee of or otherwise affiliated with any such business that is, or is intended to be, located at or within (a) the Development Area, (b) ten (10) miles of any Approved Location, or (c) ten (10) miles of any business operating under the Proprietary Marks.

9.3 Irreparable Injury. Developer acknowledges that any failure to comply with the requirements of this Section 6 will cause Franchisor irreparable injury, and Developer agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of this Section 9 or such other relief sought by Franchisor without the necessity to post a bond.

10. TERM AND TERMINATION

10.1 Term. The Term of this Agreement shall commence on the date hereof and expire on the earlier of: (1) the last day of the Development Schedule or (2) the date on which the Development Quota has been fulfilled.

10.2 Termination. Upon the occurrence of any event of default described below, Franchisor may, at its option, and without waiving its rights hereunder or any other rights available at law or in equity, including its rights to damages, terminate this Agreement and all of Developer's rights hereunder effective immediately upon the date Franchisor gives written notice of termination, upon such other date as may be set forth in such notice of termination, or in those instances enumerated below, automatically upon the occurrence of, or the lapse of the specified period following, an event of default. The occurrence of any one or more of the following events shall constitute an event of default and grounds for termination of this Agreement by Franchisor:

(a) Developer or any Owner is adjudged bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, or is unable to pay its debts as they become due; or if a petition under any bankruptcy law is filed against Developer or any Owner or a receiver or other custodian is appointed for a substantial part of the assets of Developer or any Owner;

(b) Developer fails to open the Development Quota of OrthoLazer Centers in accordance with the Development Schedule;

(c) Developer or any Owner makes an unauthorized transfer of this Agreement, an ownership interest in Developer, any OrthoLazer Center (or interest therein) developed pursuant to this Agreement, or any Franchise Agreement (or interest therein) entered into pursuant to this Agreement;

(d) Developer or any Owner has made any material misrepresentation or omission in an application for the development rights conferred by this Agreement; or is convicted by a trial court of or pleads no contest to a felony, or to any other crime or offense that may adversely affect the goodwill associated with the Proprietary Marks, or engages in any misconduct which affects the reputation of any OrthoLazer Center or the goodwill associated with the Proprietary Marks; or Developer or any Owner makes any unauthorized use of any Proprietary Marks or unauthorized use or disclosure of any Confidential Information;

(e) Developer fails to comply with any other provision of this Agreement, and does not correct such failure within thirty (30) days after written notice of such failure to comply is delivered to Developer;

(f) Developer fails on three (3) or more separate occasions within any period of twelve (12) consecutive months to comply with this Agreement, whether or not such failures to comply are material or are corrected after notice thereof is delivered to Developer; or

(g) Franchisor has delivered a notice of termination of a Franchise Agreement entered into pursuant to this Agreement in accordance with the terms and conditions of such Franchise Agreement,

or Developer has terminated a Franchise Agreement with Franchisor without cause.

10.3 Effect of Termination. Upon termination or expiration of this Agreement as provided herein, the rights of Developer under this Agreement shall terminate and Franchisor and its Affiliates shall be free to manage the non-medical operations of, and to grant to others development rights and franchises to manage the non-medical operations OrthoLazer Centers within the Development Area, subject only to territorial rights, if any, granted to Developer pursuant to any then-existing Franchise Agreements.

10.4 Continuing Obligations. All obligations of the parties under this Agreement which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force subsequent to the expiration or termination of this Agreement until they are fully satisfied or by their nature expire.

11. TRANSFER.

11.1 Franchisor's Right to Transfer. Franchisor shall have the right to transfer or assign this Agreement and all or any part of its rights or obligations herein to any person or legal entity, and any designated assignee of Franchisor shall become solely responsible for all obligations of Franchisor under this Agreement from the date of assignment. After Franchisor's assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, Franchisor will no longer have any performance or other obligations under this Agreement. If requested by Franchisor, Developer shall execute such documents of attornment or requested documents.

11.2 Developer's Conditional Right to Transfer. Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer, and that Franchisor has granted Developer the development rights hereunder in reliance on Developer's and its Owners' business and professional skills, financial capacity and personal character. Accordingly, neither Developer nor any immediate or remote successor to any part of Developer's interest in this Agreement, nor any Owner which directly or indirectly owns any shares, membership interest, partnership interest or other ownership interest in Developer shall sell, assign, transfer, convey, dispose of, gift, pledge, encumber, merge or give away (collectively, "transfer") any direct or indirect interest in this Agreement, in Developer or any Owner, in any Franchise Agreement entered into pursuant to this Agreement or any interest therein or in any OrthoLazer Center developed pursuant to this Agreement or any interest therein without the prior written consent of Franchisor, which shall not be unreasonably withheld. Notwithstanding the foregoing, any Owner may transfer any shares, membership interest, partnership interest or other ownership interest in Developer without the prior written consent of Franchisor provided that the Developer continues to own at least a majority of the outstanding shares, membership interest, partnership interest or other ownership interest in Developer generally entitled to vote in the election or directors, managers or other persons or body performing similar functions. Any purported transfer in violation of this Section 11.2 shall be null and void and shall constitute a material breach of this Agreement, for which Franchisor may immediately terminate this Agreement pursuant to Section 10.2.

11.3 Conditions of Transfer. All the terms and conditions of Section 14.3 of the Franchise Agreement with respect to conditions of transfer shall apply to this Agreement.

11.4 No Waiver. Franchisor's consent to a transfer shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferor or transferee.

12. RELATIONSHIP OF THE PARTIES.

12.1 Independent Contractors. Franchisor and Developer agree that this Agreement does not create a fiduciary relationship between them, that Developer shall be an independent contractor, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever. During the term of this Agreement, Developer must conspicuously identify Developer in all dealings with customers, lessors, contractors, suppliers, public officials, employees and others as the licensee of development rights for OrthoLazer Centers and place such notices of independent ownership on forms, business cards, stationery, advertising and other materials as Franchisor may require from time to time.

12.2 No Authority to Contract. Nothing in this Agreement authorizes Developer to make any contract, agreement, warranty or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Developer in its operation of any OrthoLazer Center developed pursuant to this Agreement or for any claim or judgment arising therefrom against Developer.

12.3 Indemnification. Developer agrees to indemnify, defend and hold harmless Franchisor, its Affiliates and their respective shareholders, directors, officers, employees, agents, attorneys, accountants, successors and assigns against, and reimburse them for, any claim, liability, obligation, actual and direct damages or taxes asserted against or imposed on any of the above indemnified parties contrary to the provisions of this Section and any claim or liability directly or indirectly arising from Developer's business conducted in accordance with this Agreement. Franchisor agrees to indemnify, defend, and hold harmless Developer, its shareholders, directors, officers, employees, agents, attorneys, accountants, successors and assigns against, and reimburse them for, any claim, liability, obligation, actual and direct damages or taxes arising from or relating to any breach by Franchisor of any representation or warranty set forth herein. This Section shall continue in full force and effect subsequent to the expiration or termination of this Agreement.

13. APPLICABLE LAW AND DISPUTE RESOLUTION

13.1 Applicable Law. This Agreement shall be interpreted and construed exclusively under the laws of New York State without regard to any conflict-of-law rules that would result in the application of the laws of any other jurisdiction. If, however, any provision of this Agreement would not be enforceable under the laws of New York State and if Developer is located outside of New York State and such provision would be enforceable under the laws of the state in which Developer is located, then such provision shall be interpreted and construed under the laws of that state.

13.2 Jurisdiction and Venue. Any action, whether or not arising out of, or relating to, this Agreement, brought by Developer or any Owner against Franchisor shall be brought in the U.S. District Court for the Western District of New York or, if such court lacks subject matter jurisdiction, in the New York State Supreme Court sitting in Rochester, New York. Franchisor shall have the right to commence an action against Developer in any court of competent jurisdiction. Developer hereby waives all objections to personal jurisdiction or venue for purposes of this Section 13.2 and agrees that nothing in this Section 13.2 shall be deemed to prevent Franchisor from removing an action from state court to federal court.

13.3 No Exclusivity. Except as otherwise expressly set forth herein, no right or remedy conferred upon or reserved to Franchisor or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

13.4 WAIVER OF RIGHT TO JURY TRIAL AND PUNITIVE DAMAGES. FRANCHISOR AND DEVELOPER HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY AGREE AS

FOLLOWS: (A) FRANCHISOR AND DEVELOPER HEREBY EXPRESSLY AND IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING; AND (B) FRANCHISOR AND DEVELOPER HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM OF ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

13.5 LIMITATION OF CLAIMS. ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP OF DEVELOPER AND FRANCHISOR BROUGHT BY DEVELOPER OR ANY OWNER AGAINST FRANCHISOR SHALL BE COMMENCED WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION SHALL BE BARRED. THE PARTIES UNDERSTAND THAT SUCH TIME LIMIT MIGHT BE SHORTER THAN OTHERWISE ALLOWED BY LAW.

13.6 WAIVER OF CLASS ACTIONS. THE PARTIES AGREE THAT ANY CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP OF DEVELOPER AND FRANCHISOR WILL BE CONDUCTED ON AN INDIVIDUAL AND NOT A CLASS BASIS, AND THAT A PROCEEDING BETWEEN FRANCHISOR AND DEVELOPER OR ANY OWNER MAY NOT BE CONSOLIDATED WITH ANOTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER PERSON OR ENTITY, NOR MAY ANY CLAIMS OF ANOTHER PARTY OR PARTIES BE JOINED WITH ANY CLAIMS ASSERTED IN ANY ACTION OR PROCEEDING BETWEEN FRANCHISOR AND DEVELOPER OR ANY OWNER.

13.7 Injunctive Relief. Nothing herein contained (including, without limitation, Section 10.2) shall bar Franchisor's right to obtain injunctive relief from a court of competent jurisdiction against threatened conduct that will cause it loss or damage, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions.

13.8 Costs and Expenses. Developer shall pay to Franchisor all damages, costs, and expenses, including all court costs, mediation costs, and reasonable attorney's fees, and all other expenses incurred by Franchisor in enforcing any obligation under, or in defending against any claim, demand, action, or proceeding related to, this Agreement, including, but not limited to the obtaining of injunctive relief.

14. MISCELLANEOUS.

14.1 Approvals and Consent. Whenever this Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor therefor, and such approval or consent must be obtained in writing.

14.2 No Warranties or Guarantees. Franchisor makes no warranties or guarantees upon which Developer may rely, and assumes no liability or obligation to Developer, by providing any waiver, approval, consent, or suggestion to Developer in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

14.3 No Waiver. No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement. Waiver

by Franchisor of any particular default of Developer shall not affect or impair Franchisor's rights with respect to any subsequent default of the same, similar, or different nature; nor shall any delay, force, or omission of Franchisor to exercise any power or right arising out of any breach of default by Developer of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's right to exercise the same, nor shall such constitute a waiver by Franchisor of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its term. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Developer of any terms, covenants, or conditions of this Agreement.

14.4 Notices. Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by registered mail, or sent by other means which affords the sender evidence of delivery or rejected delivery (which shall not include electronic communication, such as email), to the Franchisor or the Developer at its address set forth above, unless and until a different address has been designated for such purpose by written notice to the other party in accordance with this Section 14.4.

14.5 Entire Agreement. This Agreement and the attachments hereto constitute the entire Agreement between Franchisor and Developer concerning the subject matter of this Agreement, and supersede any prior agreements, no other representations having induced Developer to execute this Agreement. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Agreement or in any related agreement between Franchisor and Developer is intended to disclaim the representations in Franchisor's Franchise Disclosure Document.

14.6 Severability. Except as otherwise provided herein, if, for any reason, any section, part, term, provision, and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions, and/or covenants of this Agreement and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, provisions, and/or covenants shall be deemed not to be a part of this Agreement. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, the parties agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

14.7 Survival. Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), shall survive such expiration, termination or assignment, including but not limited to Sections 9,10, 12, 13 and 14.

14.8 No Rights or Remedies Conferred. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Developer and Franchisor any rights or remedies under or by reason of this Agreement.

14.9 Headings. The headings and subheadings used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

14.10 Franchisor's Discretion and Judgment. INDEPENDENT AUDITOR'S REPORT

To the Members of
OLC Development, LLC:

Opinion
We have audited the accompanying financial statements of OLC Development, LLC (a Delaware limited liability company), which comprise the balance sheet as of December 31, 2022, and the related statements of operations, changes in members' deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the 2022 financial statements referred to above present fairly, in all material respects, the financial position of OLC Development, LLC as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OLC Development, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements
The financial statements of OLC Development, LLC as of December 31, 2021 were audited by other auditors whose report dated May 6, 2022 expressed an unmodified opinion on those statements. As more fully described in Note 11, the Company has restated its 2021 financial statements during the current year to properly account for deferred revenue, in accordance with accounting principles generally accepted in the United States of America. The other auditors reported on the 2021 financial statements before the restatement.

As part of our audit of the 2022 financial statements, we also audited adjustments described in Note 11 that were applied to restate the 2021 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2021 financial statements of the Company other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2021 financial statements as a whole.

Responsibility of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT (Continued)

Responsibility of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OLC Development, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OLC Development, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OLC Development, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The 2022 supplementary information contained in Exhibit I is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The 2021 supplementary information contained in Exhibit I was subjected to the auditing procedures applied in the 2021 audit of the basic financial statements by other auditors, whose report on such information stated that it was fairly stated in all material respects in relation to the 2021 financial statements as a whole.

1. THE COMPANY

OLC Development, LLC (the "Company") is a Delaware limited liability company ("LLC") formed in April 2019 for the purpose of developing, owning, and operating a franchise system relating to the establishment and management of business and administrative services of a non-clinical nature for centers that specialize in providing laser therapy for the treatment of pain through licensed medical professionals. The franchise system is trademarked as OrthoLazer™.

As an LCC, the members are not personally liable for any of the debts of, obligations, losses, claims, or judgments on any of the liabilities of the Company, whether arising in tort, contract, or otherwise, except as provided by law.

The Company and independently owned franchises are in the early stages of their operations. Future activities of the Company are subject to significant risks and uncertainties, including the ability of the Company to successfully execute its operating plans.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting -

The financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States.

Recently Adopted Accounting Pronouncements –

In February 2016, FASB issued ASU No. 2016-02, Leases, (Topic 842) ("FASB ASC 842"). FASB ASC 842 supersedes the lease requirements in FASB ASC 840. Under FASB ASC 842, lessees are required to recognize assets and liabilities on the balance sheet for most leases and provide enhanced disclosures. The Company adopted FASB ASC 842, with a date of initial application of January 1, 2022, by applying the modified retrospective transition approach. The Company determined that there will be no impact under FASB ASC 842 on the Company's financial statements due to the Company's lack of lease contracts.

Revenue Recognition -

Revenues are recognized when control of the promised goods or services is transferred to the Company's customers, in an amount that reflects the consideration they expect to be entitled to in exchange for those goods or services. To do this, the Company performs the following five steps: (i) identify the contract(s) with a customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations in the contract, and (v) recognize revenue when (or as) the Company satisfies a performance obligation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued) –

Revenue Types –

Franchise Fees and Area Development Fees – The Company has determined that the services provided in exchange for initial franchise fees and area development fees are highly interrelated with the franchise system and are not individually distinct from the ongoing services provided to franchisees throughout the term of the franchise agreement. As a result, the Company recognizes initial franchise fees as revenue over-time as the Company satisfies the performance obligation throughout the term of the franchise agreement, which is generally five years. Initial franchise fee revenue is deferred and recognized on a straight-line basis. The initial franchise fee is determined on an individual franchise basis and is typically billed and payable upon execution of the franchise agreement. Area development fees generally consist of an obligation to grant exclusive geographic area development rights. As the development rights are not distinct from the franchise agreements, upfront fees paid by franchisees for exclusive development rights are deferred and recognized in income on the straight-line basis over the term of the franchise agreement.

The Company defers and recognizes fees paid to renew a franchise agreement on the straight-line basis over the franchise renewal term. Renewal fees are typically billed and payable at the time of renewal.

Revenues for fees paid for the transfer of the franchise agreements to another franchisee are deferred and recognized on the straight-line basis over the remaining term of the franchise agreement. Transfer fees are typically billed and payable at the time of transfer.

Royalty Fees – The franchise agreements also provide for the franchisee to remit continuing royalty fees to the Company as a percentage of the franchisee's gross sales in exchange for use of the franchise system. Continuing royalty fees are determined on an individual franchise basis, as agreed to in the franchise agreement, and generally are calculated as a percentage of the gross monthly sales of the franchisee. The fees are payable monthly and recognized at that point in time. Certain franchise agreements provide for a flat monthly royalty fee if the structure above is not permitted by law.

Brand Marketing Fees – The franchise agreements also typically require the franchisee to pay brand marketing and advertising fees to the Company based on a percentage of the franchisee's gross sales. Brand marketing fees are determined on an individual franchise basis but generally are 2% of the gross monthly sales of the franchisee and are payable monthly and recognized at that point in time. Certain franchise agreements provide for a flat brand marketing fee in lieu of fees as a percentage of sales.

Branded Product Sales – The Company's product sales are from resale of purchased products. The majority of the Company's revenues are generated by delivery of products to the Company's customers and recognized at a point in time based on the Company's evaluation of when the customer obtains control of the products. Revenue is recognized when all performance obligations under the terms of the contract with the Company's customer are satisfied, and control of the product has been transferred to the customer. Sales of products typically do not include multiple product and/or service elements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued) –

Revenue was recognized as follows for the year ended December 31:

	2022	2021
Recognized over time	$ 240,765	$ 128,453
Recognized at a point in time	290,691	157,837
	$ 531,456	$ 286,290

Practical Expedients –

The Company has applied certain practical expedients as follows:

- The Company does not evaluate a contract for a significant financing component if payment is expected to be received within one year or less from the transfer of the promised items to the customer.

- The Company expenses costs incurred to obtain a contract when the amortization period would have been one year or less. The Company's contracts are generally for a period of one year or less, except as noted for initial franchisee sales above, and they do not expect there to be any costs incurred where the benefit of those costs would be longer than one year.

- The Company does not disclose the value of unsatisfied performance obligations, as applicable, for contracts with an original expected duration of one year or less.

Significant Judgments –

The Company's contracts with customers have different terms based on the scope, deliverables and complexity of the engagement, which requires the Company to make judgments and estimates about recognizing revenue. The Company's contracts may include promises to transfer multiple services to a customer. Determining whether services are considered distinct performance obligations that should be accounted for separately versus together may require significant judgment.

Sales Tax –

The Company records sales tax collected from customers, as applicable, on a net basis and does not include such taxes in revenue.

Contract Balances –

The timing of revenue recognition, billings and cash collections may result in deferred revenue (contract liability) on the balance sheet. Deferred revenue represents amounts billed or received in advance of the revenue being recognized. Generally, billings occur subsequent to revenue recognition other than initial franchisee sales revenue that is recognized over time, as billings occur at the beginning of the franchise period. Amounts received for such initial franchisee sales revenue may lead to recognition of a contract liability. The Company had contract liabilities related to deferred revenue totaling $1,225,120 and $674,634 at December 31, 2022 and 2021, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents -

Cash and cash equivalents include bank deposit accounts. These accounts may, at times, exceed federally insured limits. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk with respect to cash and cash equivalents.

Accounts Receivable -

The Company advances credit to customers in the normal course of business. Accounts for which no payments have been received for several months are considered delinquent and customary collection efforts are taken. After all collection efforts are exhausted, the account is written off. There was no allowance for doubtful accounts deemed necessary as of December 31, 2022 and 2021.

Inventory -

Inventory consists solely of finished goods and is recorded at the lower of cost, using an average cost basis, or net realizable value. Inventory values are based upon standard costs which approximate average costs.

Capitalized Contract Costs –

The Company capitalizes and recognizes as an asset incremental costs incurred to obtain a contract with a customer. Those costs, consisting primarily of sales commissions, are initially capitalized and recognized as an asset and expensed over the term of the franchise agreement which is typically five years.

Advertising and Promotion –

Advertising costs are expensed as incurred. Advertising expense for the years ended December 31, 2022 and 2021 totaled $107,006 and $146,572, respectively.

Income Taxes -

The Company has elected to be treated as a partnership for Federal and New York State income tax purposes. As a result of this election, the profit of the Company is reported directly on the members' individual tax returns. As of December 31, 2022 and 2021, the Company has not recorded any provisions for accrued interest and penalties related to uncertain tax positions. By statute, fiscal years 2019 through 2022 remain open to examination by the major taxing jurisdictions to which the Company is subject. The Company files income tax returns in the U.S. Federal and New York State jurisdictions.

Estimates –

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Significant estimates within these financial statements include net realizable value of trade and other accounts receivables.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Events Occurring After Reporting Date –

The Company has evaluated events and transactions that occurred between December 31, 2022 and March 22, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. CAPITALIZED CONTRACT COSTS

The Company capitalizes the incremental costs of obtaining franchise and area development agreements with customers. These costs consist primarily of sales commissions paid to employees in connection with the execution of the franchise or area development agreement with a customer. The costs are capitalized as the Company expects to recover the costs through future franchise fees. The capitalized costs are amortized over the franchise term which is typically five years.

Capitalized contract costs consisted of the following during the years ended December 31:

	2022	2021
Capitalized contract costs at January 1	$ 61,879	$ 15,938
Capitalized contract costs incurred	97,825	53,226
Amortization of capitalized contract costs	(25,798)	(7,285)
	$ 133,906	$ 61,879

Capitalized contract cost assets consisted of the following at December 31:

	2022	2021

10. EQUITY

Voting Membership Units –

The Company's partnership agreement provides for voting membership units and non-voting membership units. The partnership agreement was amended in February 2022, whereby each of the 200 membership units that were authorized, issued, and outstanding as of December 31, 2021, were converted into 50,000 voting membership units. As of December 31, 2022, the Company has 10,000,000 voting membership units authorized, issued, and outstanding. Holders of voting membership units shall manage the Company's business, affairs and property. At least monthly, voting members shall determine the amount of cash available from operations generated by the company to be distributed to the members in accordance with their respective membership interest percentages. Such distributions shall be payable only when, and if, declared by the voting members. There were no distributions declared for the years ended December 31, 2022 and 2021.

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company or deemed liquidation event, the holders of voting membership units then outstanding shall be entitled to be paid out of the assets of the Company available for distribution to its members on a pro rata basis according to each member's membership interest.

10. EQUITY (Continued)

Non-Voting Membership Units –

As part of the amendment to the partnership agreement in February 2022, the Company authorized 2,500,000 non-voting membership units to be available for issuance under the non-voting membership unit option plan. As of December 31, 2022, the Company has 2,500,000 non-voting membership units authorized, of which none are issued or outstanding. Non-voting membership units have no authority over the business, affairs and property of the Company, but otherwise have the same rights in regards to distributions and liquidations as voting membership units.

Membership Unit Options –

Since the Company's inception, the Company has issued one incentive-based non-voting membership unit option contract granting a total of 250,000 non-voting membership units available to be exercised. The options vest equally over a five year period from the date of grant, with the first 20% of options being vested in March 2023. The options have an exercise price of $.02 per unit and have an expiration date of August 2032. No non-voting membership units were exercised during 2022. As of December 31, 2022 and 2021, there were a total of 250,000 and -0- exercisable non-voting membership units outstanding, respectively, that were granted as part of the option contract.

The calculated value of each option is estimated as of the date of issuance using an option-pricing model and the following assumptions: a risk-free interest rate based on the U.S. Treasury yield curve at the date of issuance; a weighted average expected term, which is derived from the contractual life of the option and historical data used to estimate exercise and termination; and expected volatility based on an evaluation of comparable public companies' measures of volatility. The Company has utilized this measure as a basis for determining the expected volatility used in calculating the value of the options issued as there is not sufficient historical information about past volatility available on which to base a reasonable and supportable estimate of the expected volatility of its share price.

The Company has determined that the value of the options granted are similar to the exercise price and are immaterial for recognition of compensation expense over the vesting period and for additional financial statement disclosures.

11. PRIOR PERIOD ADJUSTMENT

During 2022, a difference in the deferred franchise fee revenue as of December 31, 2021 was discovered. An adjustment to the 2021 financial statements was made to decrease the non-current portion of deferred revenue and increase the franchise fees and area development fees revenue, thereby decreasing the total undistributed deficit balance in the amount of $36,713 for the year ended December 31, 2021 as shown below:
