HOW TO USE THIS FRANCHISE DISCLOSURE DOCUMENT

QUESTION	WHERE TO FIND INFORMATION

How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit D includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only "Qualicare" business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a "Qualicare" franchisee?	Item 20 or Exhibit I list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with us by mediation and litigation in New York. Out of state mediation and litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and litigate in New York than in your own state.

Spousal Liability. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Sales Performance Requirement. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in the loss of any territorial rights you are granted, termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

The Franchised Business

We grant franchises for the establishment, development, and operation of a business (the “Franchised Business” or “Business”) under the mark “Qualicare” to provide companionship, homemaker services, and personal care services (the “Personal Services”) and medical, home healthcare services (the “Home Healthcare Services”) to seniors and other adults with chronic or acute illnesses as well as supplemental healthcare staffing services provided to institutional clients (which include facilities such as hospitals, nursing homes, rehabilitation centers, long term healthcare centers and clinics) or government clients, all done in accordance with our unique standards and specifications for providing such services (the “Qualicare System” or “System”). We offer to enter into franchise agreements (“Franchise Agreements”) with qualified corporations and persons (“you”) that wish to establish and operate a Franchised Business. The current form of our Franchise Agreement is attached as Exhibit E-1 to this disclosure document. If you enter into a Franchise Agreement, your clients could be either and/or both private pay clients and institutional or government clients for the provision of Personal Services and Home Healthcare Services to be provided by qualified individuals employed directly by you.

Personal Services include companionship and conversation, meal preparation, light housekeeping, assistance with daily household tasks, assistance with shopping, errands and outings, transportation, and telephone answering services.

The Home Healthcare Services offered under the System include skilled nursing services (or other certified healthcare personnel) on a private pay basis to home based and institutional clients (staffing), provided that franchisee complies with all applicable federal, state and local laws and obtains all required licenses and permits prior to offering Home Healthcare Services. Home Healthcare Services include pediatric care; chronic or other acute illness care; preventative care; technology-based care and technology-based monitoring services; and others. The Home Healthcare Services are provided by licensed healthcare personnel, including registered nurses, licensed practical nurses, certified nursing assistants, home health aides, personal care aides and companions. Home Healthcare Services provided to home care clients must be evaluated by a registered nurse employed by you who will collaborate with the client's physicians, hospitals and social agencies to leverage all resources available, including both public and private services, enhancing the level of care and the client’s quality of life.

The distinguishing characteristics of a Qualicare Business include programs for client evaluation, and our processes and methodologies for providing the Personal Services and Home Healthcare Services. The System also offers unique marketing programs, sales techniques and general procedures for operating and managing a Qualicare Business.

We identify the System by means of certain trade names, service marks, trademarks, logos, emblems, distinctive trade dress, and indicia of origin, including, but not limited to, the marks “Qualicare”, “Qualicare 360°”, “360°Case Management” and such other trade names, trademarks, and service marks as we now designate or may in the future designate in writing for use in connection with the System (the “Proprietary Marks”). We continue to develop, use, and control the use of such Proprietary Marks in order to identify for the public the source of services and products marketed under the Proprietary Marks and System, and to represent the System's high standards of quality, appearance and service.

Through your Qualicare business, you will develop relationships with seniors and/or acute or chronically ill clients, as well as their families, who require in-home assistance.

Under the Franchise Agreement, you will be granted the right to offer Personal Services and Home Healthcare Services only to clients who are located in a protected, but not exclusive geographic area (a “Territory”). A Territory generally consists of an area with a population of up to 300,000 people and will

be delineated by U.S. Postal zip codes. Before you enter into the Franchise Agreement, certain franchisees under the System may have acquired clients located outside of their territories, which may have included your Territory, up to the date you open and while you are actively engaged in the Business and are not otherwise in default under your Franchise Agreement. So long as you remain actively engaged in the Business and are not in default under your Franchise Agreement, we will not award others the right to operate a Business within your Territory, and other System franchisees who have previously obtained clients in your Territory will no longer be authorized to solicit new clients in your Territory and may only continue to service clients they previously serviced who are located in your Territory, if applicable.

We also offer the option of a “Community Builder” franchise, under which you would enter into three separate Franchise Agreements simultaneously. We expect that the territorial boundaries for all three Territories will be contiguous to each other, but there may be exceptions. For the Community Builder program, you will sign our standard Franchise Agreement for each Territory you will develop, plus our Community Builder Addendum, which is attached as Exhibit E-2 to this disclosure document.

Market and Competition

We target our services towards adults who are chronically or acutely ill, disabled or who need help performing day-to-day tasks in the home. Our clients usually come to us when they do not have family nearby to assist or because they require additional help beyond what family members or the public system can provide.

Your Franchised Business will compete primarily with other local, regional, and national businesses and chains that provide homecare, home healthcare, personal care, companionship and home making services. Generally speaking, the market for companionship and home making services is developed but continues to evolve. Your competitive advantage will be based on your adherence to our standards and guidelines, particularly in the area of leveraging professional resources, as well as your entrepreneurial, marketing, managerial, professional networking and relationship building abilities, as well as your focus on customer service and satisfaction.

Industry Specific Regulations

You must comply with all local, state, and federal laws that apply to your operations, including those pertaining to the healthcare industry, sanitation, insurance, EEOC, OSHA, non-discrimination, employment, and sexual harassment. Some states require you to obtain a license to provide employment services or nurse staffing services. Certain services rendered by your Franchised Business may be governed by the federal Health Insurance Portability and Accountability Act (commonly referred to as “HIPAA”) and you and your employees must comply with it. You must obtain and maintain any employment related permits, licenses, certifications or other approvals necessary for the operation of the Franchised Business, including employment agency licenses.

In addition, some states may require a local business license, a home care license and a certificate of need demonstrating that the establishment of an additional homecare agency is needed.

We do not anticipate or recommend that you seek Medicare/Medicaid certification from the federal government and we will not support you in achieving and maintaining Medicare/Medicaid certification. If you determine to obtain Medicare/Medicaid certification, you agree to assume all associated costs and risks. You will be required to pay us royalties on account of gross sales resulting from your Medicare/Medicaid certification.

Where applicable, you may not offer Personal Services or Home Healthcare Services unless you have secured all necessary state and local licenses and certifications applicable to your Franchised Business. Certain states have imposed broad regulations which include in their definition of “medical services” certain services offered by the Franchised Business. You are responsible for investigating these regulations to determine if services offered by your Franchised Business are “medical services”, which may require additional licensing. If you provide Home Healthcare Services, you must obtain and maintain any home healthcare or employment related permits, licenses, or certifications necessary for the operation of the Franchised Business, including personal care licenses, home health agency licenses or nurse staffing agency licenses, as may be applicable. Certain states have also imposed a moratorium regarding the issuance of healthcare staffing and nurse staffing and other home healthcare licenses. **It is up to you to investigate and abide by all applicable licensing requirements and obtain all required licenses. Although you may open without all the required licenses for our Business, your business results may vary. We do not provide assistance in determining which specific state laws apply to the Franchise Business. We strongly suggest that you consult with an attorney, consultant and/or financial advisor regarding such regulations prior to purchasing a franchise from us. Applicable laws and regulations are subject to change.**

You are also subject to employment laws such as the Fair Labor Standards Act and various state laws governing such matters as minimum wages, overtime, and working conditions. You will also be subject to other laws or regulations that are not specific to the industry, but applicable to businesses generally, including labor laws, insurance requirements, business licensing laws and tax regulations, and the Americans with Disabilities Act.

You and each of your employees will be required to undergo criminal background checks.

ITEM 5 INITIAL FEES

Initial Franchise Fee

The initial franchise fee (“Initial Franchise Fee”) is \$49,700 for a Territory with a population of up to 300,000 people, or an otherwise mutually agreed upon population. If your Territory has a population greater than 300,000, your Initial Franchise Fee will increase by \$200 for every additional 1,000 people in excess of 300,000. Twenty Five percent of the Initial Franchise Fee is payable upon your execution of a “Deposit Receipt Agreement” (the form of which is attached to this disclosure document as Exhibit H), with the balance due upon the execution of a Franchise Agreement. The Initial Franchise Fee is deemed fully earned and nonrefundable upon payment, except that if we decline to offer you a franchise, we will reimburse that portion of the Initial Franchise Fee paid to us under the Deposit Receipt Agreement.

Community Builder

Under the Community Builder program, you will purchase three franchises simultaneously, and must pay the Initial Franchise Fee under the first two Franchise Agreements but the Initial Franchise Fee under the third Franchise Agreement will be waived. The total Initial Franchise Fee payable to us under the Community Builder program is \$99,400 for Territories each with a population of up to 300,000 people, or an otherwise mutually agreed upon population for each applicable Territory (based on an increase by \$200 for every additional 1,000 people in excess of 300,000 for each Territory, as noted above).

Discounts

We do not currently offer any “standard” reduced-franchise fee incentives for new franchise owners (except for the Community Builder Program). We may periodically offer (but are not obligated to offer) initial franchise fee incentives to qualified franchisees in association with certain programs (for example, for franchisees purchasing multiple units simultaneously, for existing franchisees purchasing additional units, and for honorably discharged veterans of the U.S. Armed Services).

Occasionally we may establish various franchise expansion programs, which are generally available only to existing franchise owners. These programs are intended to provide incentives for existing franchise owners to establish additional offices within their existing franchise territories, expand their existing franchise territories, acquire existing franchise operations from other franchise owners or expand into additional franchise territories. Under these programs, which are established and maintained at our sole discretion, initial franchise fees for additional territories may be reduced or rebated, provided that the franchise meets certain sales or performance criteria.

Start-Up Marketing Kit

You must purchase from us a Start-Up Marketing Kit prior to attending Home Office Training. The cost of the Start-Up Marketing Kit can be up to \$2,500, depending on the materials you need, and is deemed fully earned and nonrefundable upon payment. Notes:

Note 1. Unless otherwise indicated above or below, all of the fees listed below are uniformly imposed by, payable to and collected by us and are non-refundable.

Note 2. Royalty Fee. From the beginning of operation, you must pay us a monthly royalty fee equal to 5% of your Gross Sales (“Royalty”). Beginning the 7th month of operation, you must pay us a monthly Royalty in an amount equal to the greater of (i) 5% of Gross Sales or (ii) \$600 per Territory whichever is greater. Beginning with the 13th month of operation, you must pay us a monthly Royalty in an amount of 5% of Gross Sales or \$1,200 per Territory.

“Gross Sales” includes all revenues you generate from all business conducted at, from, or through your Franchised Business during the preceding reporting period. (See Section 3.2 of the Franchise Agreement). Gross Sales does not include the amount of any applicable sales tax imposed by any federal, state, municipal, or other governmental authority. Also excluded from Gross Sales are discounts and other adjustments, including disbursements paid on behalf of clients, corrections or errors in billings, and any reductions you may make to maintain client relations and goodwill.

Presently, all payments for services rendered are payable by the clients directly to the Franchisee. Currently, you will remit to us before the 15th day of each month for services rendered by the Franchised Business during the prior month (a) the Royalty, (b) the Brand Development Fee and (c) any charges for business materials or costs incurred, associated with your Franchised Business. You will have sole responsibility for collecting amounts due from clients and any expenses associated with collection activities.

We reserve the right to require you to pay any fees due under the Franchise Agreement by electronic funds transfer or any other means we may designate. You agree to execute any documentation necessary to effectuate our designated method of payment.

You must also comply with the Minimum Annual Gross Sale Requirement set forth in Section 1.6 of the Franchise Agreement and discussed in Item 12 below. Failure to meet the Minimum Annual Gross Sales Requirement in any given period will result in termination of the Franchise Agreement. See Item 12 for details.

Under the Community Builder Program, the Minimum Annual Gross Sale Requirement and minimum Royalty under all three Franchise Agreements will be as if under a single Franchise Agreement.

Note 3. Brand Development Fund. We have established a Brand Development Fund (the “Fund”) for the common benefit of the System. You must contribute to the Fund on a monthly basis in an amount equal to 1% of your Gross Sales (the “Brand Development Fee”). You must pay the Brand Development Fee in the same manner as the Royalty.

Note 4. Local Marketing Requirement. You must spend a minimum of \$1,000 each month on local marketing and advertisements (the “Local Marketing Requirement”). The Local Marketing Requirement must be spent in the manner we prescribe in the Operations Manual or otherwise in writing, which may include, without limitation, requirements that you place a certain number and/or type(s) of media advertisements, or the medium in which you place the advertisements. You must use any required advertising materials we generate in connection with local advertising; or, should you decide to use materials created by persons other than us, those materials must be approved by us prior to their placement. All marketing must be in accordance with our standards and specifications.

We have the right, in our discretion, to designate any geographical area for purposes of establishing a regional marketing and promotional cooperative (“Cooperative”), and to determine whether you must participate in a Cooperative. You will receive credit for Cooperative contributions against any amount we may then require you to spend on local marketing.

Note 5. ERP Software Fee. Presently, you must pay a minimum fee of \$120 per month (the “Software Fee”) to cover the costs of our chosen enterprise resource planning software (“ERP Software”) program. The Software Fee is payable directly to the vendor, based on their billing and payment practices. However, we reserve the right, in our sole and absolute discretion, to require you to pay the fee directly to us in the same manner as the Royalty, change our designated service provider, and/or to increase the amount of the Software Fee. Under the Community Builder Program, the Software Fee due under both Franchise Agreements will be as if under a single Franchise Agreement.

Note 6. Transfer Fee. We have the right to condition the proposed sale or transfer of your Franchised Business or of your interest in the Franchised Business and to approve the purchaser upon your payment of a transfer fee equal to \$15,000.

Note 7. Renewal Fee. You must pay a renewal fee equal to \$6,500 upon exercising your option to renew.

Note 8. Collection Costs, Attorneys' Fees, Interest. Any late payment or underpayment of charges or fees you owe us will bear interest at a rate of 3% per month. If you are in breach or default of any monetary or non-monetary material obligation under the Franchise Agreement or any related agreement between you and us, and we engage an attorney to enforce our respective rights (whether or not we initiate formal judicial proceedings), you must pay all reasonable attorneys' fees, court costs and litigation expenses we incur. If you institute any legal action to interpret or enforce the terms of the Franchise Agreement and your claim is denied or the action is dismissed, you must reimburse us our reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against the action. We are entitled, under the Franchise Agreement, to have such amount awarded as part of the judgment in the proceeding.

Note 9. Insurance. During the term of the Franchise Agreement, for the protection of your franchise, you must obtain and maintain at your expense the types and amount of insurance specified by us in the Operations Manual or otherwise in writing. You must name us and any party we may designate as additional insureds to all of the insurance policies you maintain. If you fail to comply with our minimum insurance requirements, we have the right to obtain and maintain the requisite insurance coverage at your sole expense for which you must pay us the premium cost of such insurance plus an administrative fee equal to 10% of such cost for obtaining insurance on your behalf. We have the right to increase or otherwise

modify the minimum insurance requirements upon 30 days' prior written notice to you, and you must comply with any such modification within the time specified in the notice.

Note 10. Audit/Inspection Costs. You must maintain accurate business records, reports, accounts, books and data relating to the operation of your Franchised Business. We, or our designee, have the right, at any time during normal business hours, to inspect and/or audit your business records, to determine whether you are current with suppliers and/or otherwise are operating in compliance with the terms of the Franchise Agreement or the Operations Manual. If any audit reveals that you have understated your Royalty or Brand Fund payments, online lead generation payments or any other payments due to us by more than 2%, or if you have failed to submit timely reports and/or remittances for any three reporting periods within any 12-month period, you must pay the reasonable cost of such audit and/or inspection, including the cost of outside auditors and attorneys (to the extent we incur such costs), together with the amount(s) due for royalty and other fees as a result of such underreporting and/or failure to submit reports, along with all late fees and interest which may be otherwise due under the Franchise Agreement.

Note 11. Financial Records and Reports. You must maintain for at least seven fiscal years from their preparation complete financial records for the operation of your Qualicare Business in accordance with generally accepted accounting principles and must provide us with monthly reports in the form and manner we specify, an accounting of royalties, online lead generation payments, yearly unaudited financial statements, and any other reports and statements we may require. To assist you in recording and keeping accurate and detailed financial records for reports and tax returns, we, at our discretion, may specify the form in which the business records are to be maintained, and provide a uniform set of business records for you to use. All required financial statements and reports must be in the form and format, and on such software, as we specify. We will have full access to all of your data, system, and related information by means of direct access, whether in person, or by telephone/modem installed and maintained at your sole expense. During the first 12 months of operation of your Qualicare Business, you must use a bookkeeper from our approved list of bookkeepers.

Note 12. Taxes on Payments to Us. If any taxing authority, wherever located, imposes any future tax, levy or assessment on any payment you make to us, in addition to all payments due us, you must pay the tax, levy or assessment.

Note 13. Additional Training. We do not charge a fee for initial training for the first two attendees. Subject to the availability of our training personnel, we will train additional and/or replacement managers at our then-current tuition rate, which is currently \$2,500 per person. You will be responsible for the cost of salaries, meals, lodging, and transportation associated with attending such training for the first two attendees and any subsequent attendees. We also recommend (but do not require) that you request and participate in five days of in-the-field training that we can provide during the first six months of the operation of your Qualicare Business.

Note 14. Indemnification. You and your principals agree to indemnify, defend and hold us, our affiliates, and our respective shareholders, directors, officers, employees, agents, successors and assignees ("Indemnitees") harmless against and to reimburse the Indemnitees for all claims, obligations, liabilities and damages ("Claims"), including any and all taxes, directly or indirectly arising out of, in whole or in part: (a) the operation of your Franchised Business, including the use, condition, or construction, equipping, decorating, maintenance, or operation of your Franchised Business(s), the provision of any services for Franchised Business Clients; (b) the use of the Proprietary Marks and our other proprietary and confidential information; (c) the transfer of any interest in the Franchise Agreement or your Franchised Business in any manner not in accordance with the Franchise Agreement or any other agreement you sign with us; (d) the infringement, alleged infringement, or any other violation or alleged violation by you or any of your principals of any patent, mark, copyright, or other proprietary right owned or controlled by third parties; or

(e) libel, slander or any other form of defamation against us, the System, or any franchisee or option holder operating under the System, by you or by any of your principals. For purposes of this indemnification, the term “Claims” includes all obligations, actual, consequential, punitive, and other damages, and costs reasonably incurred in the defense of any action, including attorneys’, attorney assistants’ and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether or not such claims exceed the amount of insurance coverage available through you to us. We will have the right to defend any such claim against us in such manner as we deem appropriate or desirable in our sole discretion. Such action by us will, in no manner or form, diminish your and each of your principals’ obligation to indemnify the Indemnitees and to hold them harmless. This indemnity will survive the expiration or termination of the Franchise Agreement.

Note 15. Supplier Approval/Testing Costs. If we incur any costs in connection with testing a particular product or evaluating a supplier at your request, you must reimburse us our reasonable testing costs, regardless of whether we subsequently approve the product or supplier. See Item 8 of this Disclosure Document for more information about designated and approved suppliers.

Note 16. Post-Termination and Post-Expiration Expenses. Upon termination, expiration, non-renewal, and/or transfer of the Franchise Agreement by either you or us, you are responsible for all costs and expenses associated with your ceasing of and de-identification with the Franchised Business and the Qualicare System.

Note 17. Insufficient Funds. If any check or withdrawal is not honored by your bank, you will be responsible for that payment and any service charges we incur. Payment is due within five days of the date of any invoice via electronic funds transfer, or any other method we may specify.

Note 18. Background Checks. You and all of your employees must (a) undergo a criminal background check, which must be passed to our satisfaction; and (b) provide at least two (2) references meeting our satisfaction prior to entering into this Agreement and participating in the operation of the Franchised Business. You and your employees must routinely undergo criminal background rescreening during the term of the Franchise Agreement as prescribed in the Operations Manual and immediately upon request. We must be provided with copies of all such reports on a periodic basis and immediately upon request. Any employee failing to meet our criteria for a clean criminal background check must be terminated immediately. We have the right to terminate the Franchise Agreement immediately in the event you fail a criminal background check.

Note 19. Monthly Technology Fees. You are required to pay us a monthly fee, currently \$425, due on the 15th day of the preceding month (collectively, the “Technology Fees”). The Technology Fee covers the ongoing monthly costs for website maintenance, intranet, and software licenses. We have the right to increase or decrease the Technology Fees based on changes in our vendor’s pricing and our technology needs, impose additional fees, as changes are made to the System’s technology platforms, including computer hardware, software and other computer requirements or as required by the third-party service provider(s) or by any regulatory agency, or otherwise require you to pay the Technology Fee to a third-party vendor. Under the Community Builder Program, the Monthly Technology Fees due under all three Franchise Agreements will be as if under a single Franchise Agreement.

Note 20. Liquidated Damages. If the Franchise Agreement is terminated before the term of the Franchise Agreement expires, then you will have to pay liquidated damages. You will have to pay these liquidated damages in a lump sum amount, which will be calculated as follows: (a) the average of your monthly Royalties that are due under the Franchise Agreement for the 12 months immediately before your abandonment or our delivery of the notice of default; (b) multiplied by the lesser of 36 months or the number of months remaining in the then-current term of the Franchise Agreement. If we terminate or you abandon

the Franchised Business if you do not open or within the first 15 months of operation, then liquidated damages are calculated as: (x) the greater of (i) the average of your monthly Royalties that are due for the three months immediately before your abandonment or our delivery of the notice of default, or (ii) \$600; (y) multiplied by 36 months.

Note 21. Annual Conference Fees. We may conduct an annual conference to discuss and review new business, marketing technology and training ideas and concepts. We will provide one free ticket to your first annual conference. After your first year of operation, you will be billed on a monthly basis for the conference fee regardless of your attendance. You will also pay for all expenses you and your attendees incur while at the conference. See Section 6.7 of the Franchise Agreement for further information. Under the Community Builder Program, the monthly conference fee due under all 3 Franchise Agreements will be as if under a single Franchise Agreement.

Note 22. Online Lead Generation. You are required to spend a minimum of \$1,000 per month on online lead generating advertising with our designated vendors (the “Online Lead Generation Requirement”), and such minimum expenditure cannot include your internal management costs to administer lead generation. You must spend the Online Lead Generation Requirement in the manner we prescribe in the Operations Manual or as otherwise in writing. You must send us proof of these expenditures within 15 days of the end of each month. You shall follow up on all customer leads provided to you through this advertising within twenty-four (24) hours of the potential client enquiry by way of home visit, telephone or by email. Under the Community Builder Program, the Online lead Generation Fees due under all three Franchise Agreements will be as if under a single Franchise Agreement.

Notes

Note 1. All fees and payments are non-refundable, unless otherwise stated or permitted by the payee. The table above provides an estimate of your initial investment and the costs necessary to begin operating a Franchised Business for the first six months. Actual costs will vary for each franchise location depending on a number of factors including market condition, and the geographic location of your Franchised Business.

Note 2. Initial Franchise Fee. The Initial Franchise Fee is \$49,700 for a Territory with a population of up to 300,000 people or an otherwise mutually agreed upon total. If your Territory has a population greater than 300,000, your Initial Franchise Fee will increase by \$200 for every additional 1,000 people in excess of 300,000. Twenty-five percent of the Initial Franchise Fee is due and payable upon your submission of a franchise application and completion of the Deposit Receipt Agreement, with the balance due and payable upon your execution of a Franchise Agreement.

Note 3. Nurse's Salary for Nurse-Led Care Delivery. If you choose to hire a nurse, or are required under applicable state or local laws to do so, the high-end of the estimate represents six months' worth of

salary at an annual salary of \$70,000 for an RN and \$50,000 for an LPN. The low-end of the estimate represents the cost if you choose to not hire a nurse.

Note 4. General Manager. Some states may require you to employ a manager with healthcare experience in order to secure some selective licenses. If you do not qualify and want to pursue the license immediately, additional costs may apply. The low range reflected above is in the event that your Business is located in a state which does not require a General Manager or where you may elect to pursue the license at a later date. The high range estimate reflects the costs of employing a part time general manager for a three-month period (based on an annual salary of \$90,000) if located in a state which requires you to hire a manager with healthcare experience if you don't have the required experience.

Note 5. Leases and Security Deposits. Before opening, you are required to obtain a registered business address in your Territory that we approve in writing, which must not be the same as your home address. For the first year of operations, you may operate the Franchised Business from your home and using the registered business address and you will not be required to lease commercial office space unless you choose to or the laws and regulations applicable to your Franchised Business prevent you from operating the Franchised Business from your home. Beginning in your second year of operations, you will be required to lease commercial office space ranging between 500 and 800 sq ft. Your lease costs will vary greatly depending upon location, variance in square footage, and required maintenance costs. We estimate that your initial rent for commercial office space will range from \$0 (if you operate your business out of another commercial space you own) up to approximately \$1,000 per month, including utilities such as heat and water, if you lease in a shared executive office facility. The estimate above includes a security deposit as well as first and last months' rent.

Note 6. Office Equipment and Furniture. You must purchase or lease a minimum of one workstation (including desks and chairs), as well as file cabinets and miscellaneous office furniture. In connection with your lease of commercial space for your Franchised Business, you may need to spend additional funds on building out your office premises. You are required to set-up a VOIP telephone system with two lines, which you must purchase from our authorized supplier. This system allows our franchise network to operate as an integrated system, which provides extended features across our network of locations. These features include location back-up, uniform messaging, automated attendant and more. The low range assumes that you will begin operating the Franchised Business from your home. The high range assumes that you will begin operations from commercial office space.

Note 7. Insurance. Business insurance coverage will vary from state to state and will depend on your prior loss experience, if any, the prior loss experience of your insurance carrier in the state or locale in which you operate your Franchised Business, and national or local market conditions. This estimate includes the cost of commercial insurance, as well as errors and omissions professional liability insurance for the first six months of operations. See Item 8 for insurance requirements.

Note 8. Training/Travel Expenses. See Item 11 for a complete explanation of our training program and training costs. The estimate in the chart includes travel expenses, lodging accommodations, and dining expenses for two individuals. In addition, you will also be responsible for payroll for you and your employees while attending training.

Note 9. Grand Opening Marketing. You are required to spend between \$4,000 to \$7,500 on grand opening marketing during your first three months of operations in accordance with our mutually agreed upon annual marketing plan. You may expend additional sums on marketing your grand opening, in your sole discretion.

Note 10. Start-Up Marketing Kit. Prior to attending Home Office Training, you must purchase from us our Start-Up Marketing Kit. This Start-Up Marketing Kit includes a short-term supply of marketing collateral and items that will help you start your marketing quickly. It is a sampling of the material available to start your marketing efforts. Additional materials and quantities of marketing materials will have to be ordered, as required. The Franchisee will bear any shipping-related costs attached to the order, handling and shipping of the Start-Up Marketing Kit. Under the Community Builder Program, you will only be required to purchase one Start-Up Marketing Kit.

Note 11. Vehicle and Graphics. Prior to your official opening, you must have the use of an acceptable vehicle that is outfitted, wrapped and/or decaled with our required graphics. You may use your personal vehicle provided it is in good condition free of any major interior or exterior defects, blemishes and mechanical problems. If you do not have an acceptable personal vehicle to use in connection with the operation of the Franchised Business, you will need to purchase or lease an automobile. The low amount of the range assumes that you will use a personal vehicle, and the high range assumes you lease a vehicle requiring a \$5,000 down payment and three months of lease payments of \$300 per month. Your actual costs will depend upon the vehicle you choose. If you choose to lease or finance the purchase of your vehicle, your actual payments will depend on your credit worthiness, as determined by the lender or supplier, and the lease options you select. We do not provide any financing in connection with the vehicle. We estimate that the cost of the vehicle graphics will range between \$2,000 and \$3,500.

Note 12. Computer Software & Hardware Requirements. You must purchase, lease and/or license the computer hardware and software we may designate for use in operating the Franchised Business. See Items 8 and 11 for more details regarding our computer software and hardware requirements.

Note 13. Business Licenses & Permits. The cost of business licenses and permits will depend upon the county, state or other geographic locations within which you operate the Franchised Business. State rules vary on companion care, personal care, home healthcare, and skilled staffing licenses and you must consult with an attorney, consultant or business advisor regarding applicable personal care, home healthcare, and skilled staffing laws or regulations prior to purchasing a franchise from us. We will provide you with a list of third party consultants that can assist you in obtaining all required licenses and permits necessary to operate the Franchised Business.

Note 14. Professional Fees. This range reflects the estimated costs of professional services, such as legal, accounting and consulting services, for starting up your Franchised Business.

Note 15. Technology Fees. This range reflects the initial set-up fee of between \$1,500 and \$4,000 plus three months of monthly fees, currently \$425 a month, which are due on the 15th day of the preceding month. See Item 6 for more information regarding the Technology Fees.

Note 16. Additional Funds. The range in the chart reflects the amount of additional working capital you will need during the first six months of operation to pay other expenses including, among other things, payroll and payroll taxes. The additional funds that we estimate that you will need may vary considerably based upon a variety of factors, including: the number of employees hired; the salary and benefits paid to employees; how closely you follow our methods and procedures; your management skills, experience, and business acumen; your ability to obtain proper licenses and certifications; local economic conditions; the local market for our products and services; the prevailing wage rate; competition; and the level of sales reached during the start-up phase of the business. In the event you are authorized to offer Home Healthcare Services, you will be required to comply with all State laws and regulations regarding the licensing of personal care, home healthcare, and skilled staffing businesses, and may also be required to lease commercial office space. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting the Business. These estimates are based on our and our predecessor's

experience in operating a similar business as well as the costs and expenses incurred by our existing franchisees. There may be other costs and expenses that are required to fund accounts receivable as you grow. In addition, additional funds may be used for additional staff, or to use other marketing techniques that are more comprehensive or aggressive than we require.

Note 17. Community Builder Total. If you participate in the Community Builder program, you will purchase three franchises simultaneously, and must pay the Initial Franchise Fee under the first two Franchise Agreements but the Initial Franchise Fee under the third Franchise Agreement will be waived. The total Initial Franchise Fees payable to us under the Community Builder program are \$99,400, based on populations of 300,000 for the territories under each Franchise Agreement. The Community Builder Program Initial Franchise Fee will increase by \$200 for each additional \$1,000 people in excess of 300,000 in each territory. The other estimated initial investment costs (other than the Initial Franchise Fee) for each of the Franchised Businesses you establish under each of the three Franchise Agreements will be the same as for a single Franchised Business as shown in the Table, but multiplied by three.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Products, Services, and Suppliers

You must operate your Franchised Business in strict conformance with our methods, standards, and specifications which we prescribe in our confidential Operating Manual and various other confidential manuals and writings, including our QCentral intranet, prepared for use by you in operating a Franchised Business (collectively the “Operations Manual”), and which we may change at our sole discretion. The Operations Manual covers many aspects of your Franchised Business’ operations, such as processes and procedures for the provision of Personal Services, Home Healthcare Services, 360° Approach Services and techniques for developing a client base. You must offer services and products in the manner we prescribe and authorize, provide quality customer service, and otherwise operate the Franchised Business in such a manner that will serve to emulate and enhance the image intended by us for the System.

You may only offer approved services and products (“Approved Services and Products”) through your Franchised Business. All Approved Services and Products must meet our standards and specifications. In order to: (i) better assure the quality of the Approved Services and Products; (ii) assure the supply or quality of the Approved Services and Products; and/or (iii) enable us, in our sole discretion to take advantage of marketplace efficiencies, we have the right to require you to purchase certain Approved Services and Products only from us or other suppliers or distributors approved or designated by us. We may also develop certain Proprietary Products which you must purchase from us and offer for sale through your Qualicare Business. If you decide to offer products or services other than those we have authorized in connection with operating your Qualicare Business, you must obtain our prior written consent. We currently are the only approved supplier of the Start-up Marketing Kit that you must purchase prior to attending Home Office Training. Presently, neither we nor our officers have an ownership interest in any approved or designated supplier.

We reserve the right to formulate and modify our standards and specifications for operating a Qualicare Business based upon the collective experience of our affiliates and principals. Our standards and specifications are described in the Franchise Agreement, the Operations Manual, and other written documents. We may provide our standards and specifications to you or directly to our approved suppliers. We have the right, under the Franchise Agreement, to change the standards and specifications applicable to the operation of the franchise, including standards and specifications for products, signs, furnishings,

supplies, fixtures, inventory and equipment by written notice to you or through changes in the Operations Manual. You may incur an increased cost to comply with these changes at your own expense; however, no change will materially alter your fundamental rights under the Franchise Agreement you may sign. We will notify you of any change to our standards and specifications by way of amendments to the on-line Operations Manual. These updates will be delivered electronically.

We reserve the right to derive revenue from your required purchases from approved suppliers. We estimate that your required purchases will account for approximately 20% to 40% of all purchases and leases necessary to open your Qualicare Business and approximately 10% to 20% of your annual costs to operate your Qualicare Business thereafter. For our fiscal year ended May 31, 2023, neither we nor our affiliates received any income from required franchisee purchases or leases.

In the event you wish to purchase any approved item from an unapproved supplier, you must provide us the name, address and telephone number of the proposed supplier, a description of the item you wish to purchase, and purchase price of the item, if known. At our request, you must provide us, for testing purposes, a sample of the item you wish to purchase. If we incur any costs in connection with testing a particular product or evaluating an unapproved supplier at your request, you or the supplier must reimburse our reasonable testing costs, regardless of whether we subsequently approve the item or supplier. We will notify you of approval or disapproval within 15 business days of receiving all requested information. Nothing in the foregoing will be construed to require us to approve any particular supplier. We may base our approval of any such proposed item or supplier on considerations relating not only directly to the item or the supplier but also indirectly to the uniformity, efficiency, and quality of operation we deem necessary or desirable in our System as a whole. Our criteria for approving suppliers are not available to franchisees.

We have the right to receive payments from suppliers on account of their dealings with you and other franchisees and to use all amounts we receive without restriction (unless instructed otherwise by the supplier) for any purposes we deem appropriate. We will not approve an unreasonable number of suppliers for a given item, which approval might, in our reasonable judgment, result in higher costs or prevent the effective or economical supervision of approved suppliers. We may revoke our approval of particular products or suppliers when we determine, in our sole discretion, that such products or suppliers no longer meet our standards. Upon receipt of written notice of such revocation, you must cease purchasing products from such suppliers. You must use products purchased from approved suppliers solely in connection with the operation of your Qualicare Business and not for any competitive business purpose. We have negotiated purchase arrangements with suppliers of required goods and services for your benefit. You do not receive any other material benefits in the form of renewal rights or rights to additional territories from your use of our designated and approved suppliers. There are currently no purchasing or distribution cooperatives in existence for the System.

Pre-Opening Obligations.

Before you open the Qualicare Business, we will perform the following:

1. Upon request, we will allow you to have access to our proprietary and confidential Operations Manual, which we may amend periodically. (Section 6.1 of the Franchise Agreement). The Table of Contents of the Operations Manual is included as Exhibit C to this Disclosure Document. The Operations Manual is presently 309 pages long, and our Outside Sales Playbook is currently 224 pages long, each of which are subject to ongoing modifications and changes as we make changes to our procedures. You must operate the Franchised Business in accordance with all applicable federal, state, and local laws, regulations, and ordinances, and must obtain our written consent before deviating from any of our standards and specifications to comply with any law or regulation, which approval we will not unreasonably withhold. We reserve the right to disclose updates to the Operations Manual in writing in any manner, including electronic means such as e-mail, our website, and any intranet or extranet that we establish in connection with the System.
2. We will provide specifications and requirements for computer hardware, software and other equipment necessary to operate your Qualicare Business. (Section 6.2 of the Franchise Agreement).
3. We will provide specifications for and designate sources of supply from which you agree to purchase inventory, goods and supplies necessary for the startup and ongoing operations of the Franchised Business, including stationary, client questionnaires, uniforms, and other forms. (Section 6.3 of the Franchise Agreement).
4. We will assist you in the planning and marketing for your grand opening and will also prepare and sell you a Start-Up Marketing Kit. (Section 6.4 of the Franchise Agreement).
5. We will provide you with our initial training program, which includes a pre-opening on-line training course immediately after signing the Franchise Agreement and our initial tuition-free home office training program. (Sections 8.1 and 8.2 of the Franchise Agreement). Prior to opening, you must complete initial training to our satisfaction. Julia has over 30 years of experience with the subjects taught and more than five years of experience with us. Megan and Julia may use the services of our employees or professional trainers to conduct various aspects of training. The Operations Manual is the principal instructional material.

You will be assigned a licensing coach to review your state specific regulations. You will be required to meet with your coach on a weekly basis to review materials and work on your licensing application.

Failure to complete the Home Office Training Program to our satisfaction within the applicable time period may result in termination of the Franchise Agreement. (Section 8.2 of the Franchise Agreement). Our initial training program is offered tuition free to you and one of your key employees. Any additional personnel may be trained by us at our then current fee for providing such initial training, which is presently \$2,500 per person. (Section 8.3 of the Franchise Agreement). You are responsible for

you and your employees' costs to attend our Home Office Program, including travel costs, room and board expenses, and employees' salaries. (Section 8.2 of the Franchise Agreement). All training will occur at Company's headquarters in Toronto, Canada, and/or at your Approved Location, or any other location we may designate, whether in-person or online. The initial training program is offered as frequently as necessary for new franchisees. You must complete the initial training program to our satisfaction (at least one day) prior to opening. (Section 8.2 of the Franchise Agreement). If you have a General Manager, then he/she shall be the other trainee along with you.

You are responsible to ensure that your other personnel are properly trained. Only our approved training materials may be used by you in training your personnel. Updated training materials will be provided to you by us as they are developed. (Section 8.3 of the Franchise Agreement). All training materials provided to you by us, will at all times remain our property, and you agree not to challenge our or our affiliates' title or rights in or to the training materials. You may not make any disclosure, duplication or other unauthorized use of any portion of the training materials.

To assist you in the operation of your Franchised Business, we may offer additional training programs and/or refresher courses to you, your manager and/or your employees. We may provide such assistance, at our discretion, by telephone, intranet communication, web portals, e-Learning systems or on-site visits. We may also require your attendance at these programs and/or courses, as well as to our annual meetings. You are responsible for the expenses of you, your manager and your employees, including transportation to and from the training site and lodging, meals, and salaries during such training. The additional training programs and refresher courses will be held at our then-current tuition for such training, which is presently \$2,500 per person. (Section 8.2 of the Franchise Agreement).

Site Selection and Opening

1. We will permit you to begin the operations of your Franchised Business out of your home using a registered business address provided that the laws and regulations applicable to your Franchised Business allow you to do so. However, at the expiration of your first year of operations, you are required to operate your Qualicare Business from commercial office space. You must obtain commercial office space that is acceptable to us and our approval of which will not be unreasonably withheld. (Sections 1.2 and 7.1 of the Franchise Agreement). If you fail to obtain our approval for commercial office space within the required timeframe, this will be a default under the Franchise Agreement. See Item 12. We will not typically own the premises for your office space and lease that space back to you.

2. We estimate that it will take approximately two to six months from signing the Franchise Agreement for you to open your Qualicare Business. The actual length of this period will depend upon factors such as: whether you choose to operate your business from home or lease or otherwise obtain commercial office space; whether you can acquire acceptable financing arrangements; whether you secure all necessary licenses and permits with applicable regulatory agencies; and our training schedules. However, we require that the Franchisee complete the pre-opening online training program within six months of signing the Franchise Agreement. Under the Franchise Agreement, you are required to open your Franchised Business no later than 12 months after we sign the Franchise Agreement. (Section 7.3 of the Franchise Agreement). If the Franchised Business has not been opened within 12 months of signing the Franchise Agreement, we may, at our sole discretion, elect to terminate your Franchise Agreement and retain the full franchise fee. (Sections 7.3 and 15.3.4 of the Franchise Agreement, and the Site Selection Addendum to the Franchise Agreement).

Post-Opening Assistance.

1. We will provide you continuing consultation and advice as we deem necessary and appropriate regarding the management and operation of the Franchised Business. We will provide such assistance, in our discretion, by telephone, intranet communication e-Learning systems and on-site visits. (Section 6.5 of the Franchise Agreement).
2. We, or our designee, will maintain and update the ERP Software. (Section 7.8.1 of the Franchise Agreement).
3. We will administer the Brand Development Fund. (Section 12.5 of the Franchise Agreement).
4. We may provide National Account Sales Services for the benefit of System franchisees. (Section 1.5 of the Franchise Agreement).
5. We may, in our discretion, hold an annual conference, regional conferences or additional training at locations to be selected by us. (Section 6.7 of the Franchise Agreement). We will determine the topics and agenda for such conferences and training to serve the purpose, among other things, of updating Franchisees on new developments affecting Franchisees, exchanging information between Franchisees and our personnel regarding Qualicare Business operations and programs, and recognizing Franchisees for their achievements. We may require you to attend the annual conference, regional conferences or training and to pay our then-current registration fee. Your first conference is free and we will provide one free ticket to the annual conference. After your first conference, you will be billed on a monthly basis for the cost of one ticket to the upcoming annual conference. Currently priced at \$85/month. If you fail to attend the annual conference, the cost of the ticket will not be refunded to you. All expenses, including you and your employees' transportation, lodging, meals, and salaries are your sole responsibility. We may use contributions from the Fund for purposes related to the annual conference, regional conferences or other training, including costs related to productions, programs, and materials. (Section 6.7 of the Franchise Agreement).
6. We may provide you with assistance in establishing prices for the products and services offered through your Franchised Business.
7. We have the right, but not the obligation, to establish and maintain a toll free telephone number for the purpose of accepting and confirming client inquiries nationwide, customer service, and client follow-up and satisfaction surveys. As we have established a toll free number, you must comply with our procedures for implementing the nationwide service as we specify in the Operations Manual or otherwise in writing, and you may have to pay a fee related to the establishment, operation and maintenance of the toll free telephone number. (Section 6.6 of the Franchise Agreement).
8. We have created, and continue to develop and create, additional products and services to be offered by Franchisees in operating their Franchised Businesses, including proprietary products and services sold under the trademarks we designate ("Proprietary Products and Services"). You must sell all Proprietary Products and Services we designate for use in connection with the System at your Franchised Business.
9. We may, in our sole discretion, hold refresher and ongoing training courses, or training courses upon a significant change to the Franchise System. We may require you and your employees to attend such training at its then-current fee for providing such training. All expenses, including your and your employees' transportation, meal, and lodging expenses to attend such training shall be your sole responsibility. This will not exceed \$2,000 per year. (Section 6.8 of the Franchise Agreement).

Marketing

We have established a brand development fund (the “Fund”) for the common benefit of the System. You must participate in and contribute 1% of your Gross Sales on a monthly basis to the Fund in the manner we prescribe (Section 12.5 of the Franchise Agreement). Contributions to the Fund by subsequent company owned units will be equal to that provided for in our Franchise Disclosure Document in the year that the company owned unit is established. Should the marketing contribution for the System decrease at any time, we have the right to reduce the contributions from company owned units to the then-current rate specified for franchised locations.

We will use the Fund contributions, in our sole discretion, to develop, produce, and distribute national, regional and/or local marketing and to create marketing materials and programs as well as public relations which promote, in our sole judgment, the services offered by System franchisees. (Section 12.5.1 of the Franchise Agreement). We may use the Fund to satisfy any and all costs of maintaining, administering, directing, preparing, and producing marketing programs, including (a) the cost of preparing and producing television, radio, magazine, and newspaper marketing campaigns; (b) the cost of direct mail; (c) the cost of public relations activities and advertising agencies; (d) the cost of developing and maintaining an Internet website; and (e) personnel and other departmental costs for any marketing activities that we internally administer or prepare. (Section 12.5.1 of the Franchise Agreement). While we do not anticipate that any part of Fund contributions will be used for marketing which is principally a solicitation for franchisees, we reserve the right to use the Fund for public relations or recognition of our brand, for the creation and maintenance of a website, a portion of which can be used to explain the franchise offering and solicit potential franchisees, and to include a notation in any advertisement indicating “Franchises Available.” (Section 12.5.1 of the Franchise Agreement).

We will use the Fund contributions to develop and prepare marketing materials which we will distribute to System Franchisees for their use in their local marketing efforts. (Section 12.5.1 of the Franchise Agreement). The marketing materials will be prepared by us and by outside sources. If we do not spend all fund contributions by the end of each fiscal year, the funds will be carried forward into the next fiscal year. You must contribute to the Fund regardless of whether other System franchisees are required to contribute to the Fund at different rates.

We have the sole right to determine how to spend contributions to the Fund, or any funds from any other marketing program, and the sole authority to determine the selection of the marketing materials and programs; provided, however, that we will make a good faith effort to expend such funds in the general best interests of the System on a national or regional basis. We will direct and make expenditures on behalf of the Fund, but we are not required, under the Franchise Agreement, to spend any amount of the Fund contributions in your Territory and not all System Franchisees will benefit directly or on a pro rata basis from our expenditures. We have the right to reimbursement from the Fund contributions for reasonable costs and overhead, if any, as we may incur in activities which are reasonably related to directing and implementing the Fund and marketing programs for franchisees and the System, including costs of personnel for creating and implementing advertising, promotional and marketing programs. (Section 12.5.1 of the Franchise Agreement). There is no requirement that the Fund be audited. Upon your written request, we will provide you with an unaudited accounting of Fund expenditures.

In the fiscal year ended May 31, 2023, the Fund contributions were used for the research, creative, development and production of new marketing and promotional materials. The expenditures for the fiscal year ended May 31, 2023, were spent as follows: production of advertising (90.6%); general and administrative expenses (9.4%).

We also may provide National Account sales services including the marketing and sales of Qualicare Services to institutions, associations and organizations that are national or regional in scope, whereby the Franchisee would be able to deliver services, in their local territory, through that contract or adjacent to a national agreement that we may secure. All sales generated by us and serviced by you will be subject to an extra 1% National Account Sales Fee.

There is presently a franchisee advisory council associated with the Fund. Currently, our franchisee advisory council is comprised of three franchisees that serve in an advisory capacity. Franchisee members are nominated through a franchisee nomination process and selected by us to serve for a three-year term.

We have the right to require that the marketing cooperative and/or franchisee advisory council be formed, changed, dissolved or merged. (Section 12.5 of the Franchise Agreement). Other than operating the Fund, we are not required to spend any amount on marketing in your area or territory.

Local Marketing Requirement

You must spend a minimum of \$1,000 each month on local marketing and advertisements (the “Local Marketing Requirement”). The Local Marketing Requirement must be spent in the manner we prescribe in the Operations Manual or otherwise in writing, which may include, without limitation, requirements that you place a certain number and/or type(s) of media advertisements, or the medium in which you place the advertisements. You must use any required advertising materials we generate in connection with local advertising; or, should you decide to use materials created by persons other than us, those materials must be approved by us prior to their placement. All marketing must be in accordance with our standards and specifications.

You acknowledge and agree that your local marketing obligation must be expended regardless of the amount(s) spent by other System franchisees on local marketing. We may require you to submit to us an annual plan for your local marketing expenditures. We may require you to send us proof of these expenditures within 15 days of the end of each month. You must use any required local advertising materials designated by us. All advertising must prominently display the Proprietary Marks and comply with any standards for use of the Proprietary Marks that we may establish from time to time. We may require you to discontinue use of any advertising or marketing materials at any time at your expense.

Online Lead Generation.

You are required to spend a minimum of \$1,000 per month on online lead generating advertising with our designated vendors (the “Online Lead Generation Requirement”). (Section 12.8 of the Franchise Agreement). You must spend the Online Lead Generation Requirement in the manner we prescribe in the Operations Manual or as otherwise in writing. You must send us proof of these expenditures within 15 days of the end of each month. You shall follow up on all customer leads provided to you through this advertising within 24 hours of the potential client enquiry by way of home visit, telephone or by email

Regional Marketing Cooperative

There are currently no regional cooperatives in existence in our System. However, we will have the right, in our discretion, to designate any geographical area for purposes of establishing a regional marketing and promotional cooperative (“Cooperative”), and to determine whether a Cooperative is applicable to your Franchised Business. (Section 12.6 of the Franchise Agreement). If a Cooperative has been established applicable to the Franchised Business at the time you begin operating under the Franchise Agreement, you must immediately become a member of such Cooperative. Any contribution made towards a Cooperative will be credited against your Local Marketing Requirement. If a Cooperative applicable to

the Franchised Business is established at any later time during the term of the Franchise Agreement, you must become a member of such Cooperative no later than 30 days after the date on which the Cooperative begins operation. If the Franchised Business is within the territory of more than one Cooperative, you are required to be a member of only one such Cooperative. (Section 12.6 of the Franchise Agreement). Each Cooperative will be organized and governed in a form and manner, and will commence operation on a date, approved in advance by us. (Section 12.6.1 of the Franchise Agreement).

Each Cooperative will be organized for the exclusive purpose of administering regional marketing programs and developing, subject to our approval, standardized marketing materials for use by the members of the Cooperative. (Section 12.6.2 of the Franchise Agreement). No promotional or marketing plans or materials may be used by a Cooperative or furnished to its members without our prior approval. All such plans and materials will be submitted to us in accordance with the procedure set forth in Section 12.1 of the Franchise Agreement. (Section 12.6.3 of the Franchise Agreement). Each Cooperative will have the right to require its members to make contributions to the Cooperative in such amounts as are determined by the Cooperative; provided, however, that you will not be required to contribute to any Cooperative in excess of your Local Marketing Requirement. (Section 12.6.4 of the Franchise Agreement). Each member franchisee must submit to the Cooperative, no later than the 15th of each month, for the preceding month, its respective contribution as provided in the Franchise Agreement together with such other statements or reports as we may require or as may be required by the Cooperative with our approval. (Section 12.6.5 of the Franchise Agreement). We may grant to any franchisee, in our sole discretion, an exemption for any length of time from the requirement of membership in a Cooperative, upon written request of such franchisee stating reasons supporting such exemption. Our decision concerning such request for an exemption will be final. (Section 12.6.6 of the Franchise Agreement).

Computer System

You will purchase and/or lease and use any and all computer software programs (“Software”) which we have developed or may develop and/or designate for use for the System, and will purchase or lease such computer hardware as may be necessary for the efficient operation of the Software.

Presently, our hardware and software requirements include a laptop computer with the current Microsoft operating system, plus MS Office or a compatible software, web camera and QuickBooks online. You also need a multi-function printer that prints, scans and faxes.

We have the right to require you to update or upgrade computer hardware components and/or Software as we deem necessary, but not more than two times per calendar year, at your cost. We have no obligation to provide you with ongoing maintenance, repairs, upgrades or updates to the computer hardware or Software. In addition, we have the right to require you to enter into a separate maintenance agreement for such computer hardware and/or Software. We also require you to install or subscribe to a “systems backup solution” which backs up critical data stored in your computer system using an off-premises storage location. Notwithstanding the fact that you must buy or lease, use and maintain the computer hardware and Software under our standards and specifications, you will have the sole and complete responsibility for: 1) the acquisition, operation, maintenance and upgrading of the computer hardware and software; and 2) any and all consequences that may arise if the computer hardware or Software is not properly operated, maintained and upgraded. (Section 7.8 of the Franchise Agreement). We reserve the right to have independent access to any data you collect electronically, and there are no contractual limits imposed on our access to that data (although such access will be limited by applicable HIPAA and related rules and regulations). With respect to client related data collect, you must use such form(s) as required by us and applicable law to obtain consent from clients for the collection and retention of such data. You must install, at your expense, the necessary computer hardware and software to provide us with full and direct electronic access to all of your data, software systems, and related information.

Through our third party supplier we have identified an executive recording platform (“ERP”) which you must license either directly from the third party supplier or from us, in our sole discretion. Your license to use the ERP software is nonexclusive, and we are presently and may in the future use other software and/or expand the functions of the ERP to support our other business activities.

If and at such time we develop and custom design any software programs in addition to or as a substitute for the ERP or for conducting scheduling, case management, accounting, point-of-sale functions and related activities (“Proprietary Software Program”), you, at your own expense, agree to obtain the computer hardware required to implement the Proprietary Software Program into your Qualicare Business, and to comply with all specifications and standards prescribed by us regarding the Proprietary Software Program as provided in the Operations Manual. This software will be proprietary to us and Confidential Information of ours. We or our designee agree to provide ongoing service and support to you regarding the Proprietary Software Program and will lease such software to you at the then current rates published by us. (Section 7.8.1 of the Franchise Agreement).

The initial cost of our required computer hardware and software ranges between \$1,600 and \$4,000 and is disclosed in further detail in Item 7 of this Disclosure Document. The monthly Software Fee for the ERP Software, currently starting at \$120 per month and disclosed in further detail in Item 6 of this Disclosure Document, covers the cost of all required maintenance, support, upgrades and updates to that system. The Software Fee is presently payable directly to our authorized vendor.

Website and Internet Presence

We will also provide you, through a third party internet marketing company of our choice, an integrated customizable and supported mobile-friendly website, which includes maintenance updates, changes, enhancements, form support and security protection. In addition, the website will have the same Qualicare branding as the corporate site with templated pages, layout and content. All local website pages will be in a subdirectory of the qualicare.com domain formatted as www.qualicare.com/territoryname. We will be the web master, either directly or through a third party, and will have absolute discretion and control over such a web pages. All information on the website must be approved by us prior to posting.

You must pay us a non-refundable initial technology set-up fee of \$1,650 before attending initial training. (Section 12.3.1 of the Franchise Agreement). This fee covers the initial costs associated with the set-up of your website, intranet connection, and social media profiles. You are required to pay us a monthly Technology Fee, currently \$425, due on the 15th day of the preceding month. The Technology Fee covers the ongoing monthly costs for website maintenance, intranet, and software licenses. We have the right to increase or decrease the Technology Fees based on changes in our vendor’s pricing and our technology needs, impose additional fees, as changes are made to the System’s technology platforms, including computer hardware, software and other computer requirements or as required by the third party service provider(s) or by any regulatory agency, or otherwise require you to pay the Technology Fee to a third party vendor. We may also use Branding Fund amounts to pay or reimburse the costs associated with the development, maintenance and updating of our website. (Section 12.3 of the Franchise Agreement).

Other than the authorized website for your location, you are not permitted to maintain any other individual website related to the Qualicare Business, or to establish a URL incorporating any variation of “Qualicare” or the “Qualicare 360°” or the “360° Approach” names or the Proprietary Marks, without our prior written approval. Any and all URLs incorporating any variation of our marks must be registered and held by Qualicare. (Section 12.3 of the Franchise Agreement). You may not solicit clients and/or advertise outside your Territory or deliver any products or services to any destination outside your Territory without our prior written consent. Generally, your Territory will have a population of up to 300,000, as determined by the Franchisor's choice of methodology which will be delineated by U.S. Postal zip codes. The boundaries of your Territory will not change, even if the population within your Territory increases or decreases. In some cases, your Territory may have a population of greater than 300,000. This will be mutually agreed upon. Your initial franchise fee for a Territory will increase by \$200 for every additional 1,000 people your Local Territory has in excess of 300,000.

Before you enter into the Franchise Agreement, some franchisees under the System acquired clients outside of their territory, which may have included your Territory. So long as you are actively engaged in the Business and are otherwise not in default of the Franchise Agreement, we will not establish and operate, nor license any party other than you to establish and operate, a Qualicare Business under the System and the Proprietary Marks within your Territory, and other System franchisees who had previously obtained clients outside of their territory shall no longer be authorized to solicit new clients in your Territory once you enter into the Franchise Agreement. However, other System franchisees may continue to service their pre-existing clients located in your Territory, if applicable.

You understand that the Territory is non-exclusive and may, therefore, be shared with other Qualicare Businesses. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control.

You will operate the Franchised Business from a location ("Approved Location") which will be identified on the Data Sheet of the Franchise Agreement. Before opening the Franchised Business you are required to obtain a registered business address for your Franchised Business, which must not be the same as your home address. For the first year of operations, you may operate the Franchised Business from home using the registered business address and will not be required to lease commercial office space unless you choose to or the laws and regulations applicable to your Franchised Business prevent you from operating the Franchised Business from your home. After the conclusion of your first full year of operations, you must secure commercial office space for the operation of the Franchised Business. We have the right to review, evaluate and approve the proposed Lease for the commercial office space prior to execution,

approval of which will not be unreasonably withheld. You may relocate the Franchised Business only with our prior written approval. If, for any reason, the Lease term is shorter than the term of this Agreement and the Lease cannot be renewed or extended, or you cannot continue for any other reason to occupy the Location, you must relocate the Franchised Business to a mutually acceptable site within your Territory to complete the unexpired portion of the term of this Agreement. You must notify us of your intention to relocate, procure a site acceptable to us within ninety (90) days prior to closing operations at the current Approved Location, and open for business at the new Approved Location.

You expressly understand and agree that we and our affiliates shall have the right, in our sole discretion, to: (i) own, operate and license others to own and operate, Qualicare Businesses at any location(s) outside your Territory under the same or different marks; (ii) own, operate and license others to own and operate different businesses under different marks inside or outside your Territory; (iii) use the Proprietary Marks and System in connection with ancillary services and products, promotional and marketing efforts without regard to location; (iv) own and operate and license others to own and operate businesses that offer Personal Services and Home Healthcare Services using different marks within or outside of the Territory; and (v) use the Proprietary Marks.

Under the Community Builder Program you will enter into three Franchise Agreements and be licensed three separate Territories. The parameters for each of these Territories are as described above.

Alternative Services

Although we agree not to distribute your existing services within your Territory, certain other products or services from our affiliates, whether currently existing, in research and development, or developed in the future, may be distributed in your Territory by us or our affiliates, or our franchisees, licensees or designees, in such manner and through such channels of distribution as we, in our sole discretion, will determine. We reserve the right, among others, to any service arrangements relating to our sale of products and services through alternative channels of distribution. The Franchise Agreement grants you no rights: (i) to distribute the services as described in this paragraph; or (ii) to share in any of the proceeds from our activities through alternate channels of distribution.

National Accounts

We have the exclusive right to negotiate and enter into agreements or approve forms of agreements to provide supplemental healthcare staffing services to institutional clients, including hospitals, nursing homes, governments and hospices, etc., that have office locations or clients in more than one particular franchisee's territory, regardless of the contract amount of the services you want to perform (a "National Account"). After we sign a contract with a National Account, we may, at our option, provide you with the option to perform services for the National Account upon the contract terms we negotiate. If you refuse to offer services on such terms, we or any party we may designate will have the right to perform said services for the National Account within your Territory.

Performance Standards

Your right to operate a Franchised Business within a protected Territory is dependent on achieving the following minimum annual gross sales requirement in the operating years listed below (the "Minimum Annual Gross Sales Requirement") (Section 1.6 of the Franchise Agreement):

Year of Operations	Minimum Annual Gross Sales Requirement
2 nd Year	\$200,000
3 rd Year	\$300,000
4 th Year	\$400,000
5 th Year & Thereafter	\$500,000

Your minimum annual Gross Sales is calculated by adding the sum of your Gross Sales during each operating month per Territory during each year of operations. We will notify you of your non-compliance within 30 days after the end of each year of operations. Your failure to achieve the Minimum Annual Gross Sales Requirement will constitute a material default of the Franchise Agreement, unless within 60 days, the Franchisee outlines a plan to achieve the Minimum Annual Gross Sales Requirement, which is agreed to and approved by the Franchisor. Otherwise, the Franchisor has the right to either terminate the Franchise Agreement or to grant additional franchises within your Territory to third parties.

ITEM 13 TRADEMARKS

You will have the limited right to use the Proprietary Marks we designate for use in connection with the System. Our parent, QFCI, is the owner of the following marks and has registered the following marks on the Principal Register of the United States Patent and Trademark Office (“USPTO”) and has filed all required affidavits:

MARK	REGISTRATION NUMBER	REGISTRATION DATE	REGISTER
Qualicare	4182966	July 31, 2012	Principal
Qualicare	6543768	November 2, 2021	Principal
OUALICARE HOME CARE	6490405	September 21, 2021	Principal
QUALICARE BREADTH OF SERVICE. DEPTH OF CARE	7026765	April 11, 2023	Principal

Our rights to use the Marks are derived from an irrevocable, perpetual trademark license agreement with QFCI under which we have the exclusive right in the United States to use and to sublicense the Marks in connection with the offer and sale of franchises to third parties.

There are currently no effective determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court; no pending

interference, opposition or cancellation proceedings; nor any pending material litigation involving the Proprietary Marks.

You must promptly notify us of any suspected unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to our ownership of, our right to use and to license others to use, or your right to use, the Proprietary Marks. We have the sole right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including the right to settle the proceedings or litigation. We have the exclusive right, but not the obligation, to affirmatively prosecute actions against third parties for infringement or threatened infringement of the Proprietary Marks.

We will defend you against any third-party claim, suit, or demand arising out of your use of the Proprietary Marks. If we, in our sole discretion, determine that you have used the Proprietary Marks in accordance with the Franchise Agreement, we will pay the cost of defending the action, including the cost of any judgment or settlement. If we, in our sole discretion, determine that you have not used the Proprietary Marks in accordance with the Franchise Agreement, you will be required to pay for the defense or to reimburse us for costs we incurred in providing the defense, including the cost of any judgment or settlement. In the event of any litigation relating to your use of the Proprietary Marks, you are required to sign all documents and assist us, as we deem necessary, to carry out the defense or prosecution including, without limitation, becoming a nominal party to any legal action. Except to the extent that such litigation is the result of your use of the Proprietary Marks in a manner inconsistent with the terms of the Franchise Agreement, we will reimburse you for your out-of-pocket costs in performing such acts.

We are not aware of any superior prior rights or infringing uses that could materially affect your use of the Proprietary Marks in any state; however, a federal trademark registration does not necessarily protect the use of the concerned mark against a prior user in a given relevant market area. Therefore, before entering into the Franchise Agreement, you should make every effort to ascertain that there are no existing uses of the Proprietary Marks or confusingly similar marks being used in the market area where you wish to do business. You should immediately notify us of any confusingly similar marks you discover.

We reserve the right to substitute different proprietary marks for use in identifying the System and the businesses operating thereunder. You must discontinue using all Proprietary Marks which we have notified you, in writing, have been modified or discontinued within 10 days of receiving written notice and must promptly begin using such additional, modified or substituted Proprietary Marks at your expense.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any registered patents material to the franchise. We (or our affiliate, in some cases) claim copyright protection covering various materials used in our business and the development and operation of Qualicare Businesses, including the Operations Manual, advertising, and business materials, forms, processes and methodologies, as well as material aspects of the Proprietary Software. We have not registered these materials with the United States Registrar of Copyrights but we are not required to do so.

There are no current determinations, proceedings or litigation involving any of our copyrighted materials. Should you become aware that any unauthorized third party is using any of our copyrighted materials, we request that you notify us of such unauthorized use. We may revise our System and any of our copyrighted materials in our discretion, and may require that you cease using any outdated copyrighted material. You will be responsible for printing any revised or new advertising, marketing or other business materials. It is the responsibility of the Franchisee to ensure that the Operations Manual is kept up-to-date.

During the term of the Franchise Agreement, you will receive information which we consider trade secret and confidential information, such as information regarding clients and suppliers. You may not, during the term of the Franchise Agreement or thereafter, communicate, divulge, or use for the benefit of any other person, partnership, association, corporation, or limited liability company any trade secrets, copyrighted materials, methods and other techniques and know-how concerning the operation of the Franchised Business (“Confidential Information”). You may divulge such Confidential Information only to your employees who must have access to it in order to perform their employment obligations. You may not divulge personal information regarding clients, except as absolutely necessary to operate your Franchised Business. You must require your manager and any personnel having access to any of our Confidential Information to sign an agreement stating that they will maintain the confidentiality of information they receive in connection with their employment, and restricting their right to work for a competitor while they are employed by you. Such agreement, which will be in a form that we prescribe and is available in the Operations Manual, will identify us as a third-party beneficiary to the agreement and will give us independent enforcement rights. You acknowledge and agree that any client lists you or we may develop for use by you in conjunction with operating your Franchised Business are our proprietary information.

The Franchise Agreement provides that if you, your employees, or principals develop any new concept, process or improvement in the operation or promotion of the Franchised Business, you will promptly notify us and provide us with all necessary related information, without compensation. Any new concept, process or improvement will become our sole property and we will be the sole owner of all patents, patent applications, trademarks, copyrights and other intellectual property rights related to such new concepts.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You (or at least one of your principals if you are a corporation or partnership) must personally supervise the day-to-day operations of the Franchised Business. You must devote your personal full-time attention and best efforts to the management and operation of the Franchised Business or you may delegate the day-to-day operation of your Franchised Business to a full-time manager (“General Manager”). We must approve your General Manager and you or your General Manager must successfully complete our initial training program before assuming any managerial responsibility. The General Manager is not required to have an equity ownership interest in you or the Franchised Business. Your Franchised Business must, at all times, be staffed with at least one individual who has successfully completed our initial training program. In the event that you operate more than one Qualicare Business, you will have a properly trained General Manager who has been approved by us at each location. You will keep us informed at all times of the identity of any employees acting as General Manager, as well as others employed by your Franchised Business, and any change in their employment status. All persons providing Personal Services or Home Healthcare Services must be employed by you and may not work as independent contractors.

In the event that a General Manager resigns or is otherwise terminated, you must hire a replacement approved by us in writing who meets our then-current standards for General Managers, who is approved by us in writing before hiring, and who is hired within 30 days after the resignation or termination of the former General Manager. The new General Manager must complete initial training to our satisfaction within 60 days after being hired. Your General Manager(s) will devote full time and best efforts to the day-to-day operation and management of the Franchised Business and will not engage in any other business activity. Your General Manager and his/her spouse will be bound by the confidentiality and non-compete covenants

of the Franchise Agreement and will execute the Confidentiality and Restrictive Covenant Agreement attached as Exhibit C to the Franchise Agreement.

In addition, you and all of your employees must (a) undergo a criminal background check, which you must pass to our satisfaction; and (b) provide at least two (2) references meeting our satisfaction. You and your employees must routinely undergo criminal background rescreening. Any employee failing to meet our criteria for a clean criminal background check must be terminated immediately. We have the right to terminate the Franchise Agreement immediately in the event you fail to meet our criteria for a clean criminal background check.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all of the services which we require and only the services which we authorize for the System. You will not offer to sell or provide at or through the Franchised Business any merchandise, products or services that have not been approved in writing, or use the premises for any other business purpose other than the operation of the Franchised Business. You may not offer and sell any products or services which do not meet our standards and specifications.

You will provide Personal Services and Home Healthcare Services in accordance with our standards and specifications. We have the right to require you to offer and sell additional goods or services as we may designate. There are no limits on our right to do so. You must stop using or offering disapproved services or products immediately upon notice that such services or products have been discontinued. If the law prohibits the use or sale of any product or service, use must cease immediately.

ITEM 18 PUBLIC FIGURES

We do not currently use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATION

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

BACKGROUND

This Item 19 provides historical Gross Sales information for the Franchised Businesses that were open and in operation (the "Open Franchisees") as of the end of each of the last three of our fiscal years (fiscal years ended May 31, 2021, May 31, 2022 and May 31, 2023). The average net revenue information presented in this Item was provided by the Open Franchisees through sales reports that those Open Franchisees provided to us. Written substantiation for this financial performance representation will be provided to a prospective franchisee upon reasonable request.

Fiscal Year (ended May 31)	Total # of Open Franchisees	Total # of Open Franchised Units	Average Net Revenue	Number & Percentage of Franchises that Attained or Exceeded Average	Median Net Revenue	High Amount	Low Amount	% Increase of Avg. Net Revenue from prior year
2023	11	24	\$477,549	6 (55%)	\$467,929	\$1,944,962	\$11,388	-26%
2022	8	17	\$649,240	4 (50%)	\$577,232	\$2,265,812	\$59,295	-14%
2021	7	15	\$757,937	4 (57%)	\$885,873	\$2,489,096	\$0	-14%

Notes:

1. “Net Revenue” includes all revenues generated from all business during the relevant years, including amounts received from the sale and delivery of services, products, merchandise, and tangible property of any nature whatsoever, whether in cash or for credit, and whether collected or uncollected. “Net Revenue” does not include the amount of any applicable sales tax imposed by any federal, state, municipal or other governmental authority.
2. The Open Franchisees included in the results entered into between one and four Franchise Agreements (each, a “unit”) with us. Additional Franchise Agreements grant a franchisee additional areas (“Territories”) within which to expand and operate their Franchised Business in a single market. All Open Franchisees included in the results operate from a single location and in a single market, with similarly sized staff, regardless of the number of units. Typically, the longer a franchisee remains in our System the more Franchise Agreements they sign with us in order to expand and grow their Franchised Business with more units, but there is no obligation to do so.
3. There were a total of 18 Franchised Businesses and no company or affiliate-owned Qualicare Businesses that existed during the 2023 fiscal year. For the period from June 1, 2022 to May 31, 2023, we did not include seven Franchised Businesses in the results because they were not open and in operation for the full period. There were a total of ten Franchised Businesses and no company or affiliate-owned Qualicare Businesses that existed during the 2022 fiscal year. For the period from June 1, 2021 to May 31, 2022, we did not include two Franchised Businesses in the results because they were not open and in operation for the full period. There were a total of nine Franchised Businesses and no company or affiliate Qualicare Businesses that existed during the 2021 fiscal year. For the period from June 1, 2020 to May 31, 2021, we did not include two Franchised Businesses in the results because they were not open and in operation for the full period.
4. The results do not contain information concerning the operating costs and expenses that you will incur in operating your Franchised Business, including royalties, Brand Development Fund contributions, local marketing, Software Fees, rent, payroll, payroll taxes, credit card processing fees, owner compensation/salary, healthcare, employee benefits, office supplies, postage, travel and entertainment expenses, utilities and telephone charges, late fees, training fees, professional fees, and other fees and operating expenses which you may incur as a franchisee.
5. Interest expense, interest income, depreciation, amortization and other income or expenses will vary substantially from business to business, depending on the amount and kind of financing you obtain to establish your Franchised Business. You should consult with your tax advisor regarding depreciation and amortization schedules and the period over which assets of your Franchised Business may be amortized or depreciated, as well as the effect, if any, of any recent or proposed tax legislation.

6. **Some outlets have earned these amounts. Your individual results may differ. There is no assurance you will earn as much.**
7. We recommend that you make your own independent investigation to determine whether or not the franchise may be profitable to you. You should use the above information only as a reference in conducting your analysis and preparing your own projected income statements and cash flow statements. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections and federal, state and local income taxes and any other applicable taxes that you may incur in operating a Franchised Business.

Other than the preceding financial performance representation, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Tony Valle, Qualicare of America, Inc., 91 Skyway Ave, Unit 104, Etobicoke, Ontario, M9W 6R5, Canada, Telephone: (888) 561-0616.

Independent Auditor's Report

To the Board of Directors of
Qualicare of America Inc.

Opinion

We have audited the accompanying financial statements of Qualicare of America Inc. (the "Company"), which comprise the balance sheet as at May 31, 2023, and the related statements of operations and retained earnings and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at May 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Summary of Significant Accounting Policies

Nature of Business

Qualicare of America Inc. (the "Company") was incorporated under the General Corporation Law of the State of Delaware on May 31, 2011 and operates as the franchisor of the Qualicare franchise. The primary business activity relates to the development of the Qualicare franchise and the offer, sale and support of the franchised business in the private homecare sector. The Company's parent company is Qualicare Franchise Corporation, a company incorporated in Ontario, Canada and its ultimate parent entity is Clear Summit Group Inc. As of May 31, 2023, the Company had 16 (2022 - 11) franchised stores in the U.S.

Basis of Accounting

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Revenue Recognition

In May 2014, the FASB issued ASU No. 2014-09 "Revenue from Contracts with Customers: Topic 606" ("ASC 606"), under which revenue is recognized when a customer obtains control of promised goods or services in an amount that reflects the consideration the entity expects to receive for those goods or services. The Company adopted ASC 606 effective June 1, 2020 using the modified retrospective method, whereby the new standard was applied to all contracts initiated after the effective date.

Initial franchise fee revenue is recognized based on consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring service to a customer. The total transaction price is allocated to the performance obligations based on the standalone selling price, which is estimated using the relative cost of each performance obligation. As such, the revenue is recognized when the following criteria have been met:

- final payment has been received or is receivable;
- the franchise has executed a franchise agreement or evidence of an agreement exists;
- all substantive performance obligations relating to the sale of a franchise have been performed; and
- the price to the customer is fixed and determinable.

Revenue Recognition
(continued)

During the year, *ASU 2021-02 Franchisors - Revenue from Contracts with Customers* was released which provided a practical expedient to non-public franchisors to account for pre-opening services provided to a franchisee as distinct from the franchise licenses if the services were consistent with those included in a predefined list within the guidance. The Company has elected to apply this practical expedient retrospectively to January 1, 2019, the date ASU 2019-09 *Revenue from Contracts with Customers* was adopted. As part of the application of the practical expedient the Company recognizes pre-opening services as a single performance obligation. Accordingly, the Company recognizes initial franchise fees once the service related to the performance obligation is performed, which coincides with the completion of the corresponding training of the franchisee's personnel.

Revenue from royalties is recognized over the term of the franchise agreement. The Company satisfies the following conditions under topic ASC 606-10-55-65:

- franchisor uses the IP over the life of the agreement; and
- the performance obligation to provide the continuous services to franchises is satisfied on monthly basis for which it receives sales-based royalty

Accordingly, revenue from royalties are considered as sales-based royalties received in exchange for a license of intellectual property and recognized on monthly basis.

Deferred revenue consists of royalties collected up front and are being recognized over the term of the franchise agreement. Significant changes in the contract liability balances during the year are as follows:

	<u>2023</u>	<u>2022</u>
Deferred revenue - beginning of year	\$ 188,375	\$ 157,465
Amounts billed not recognized	647,900	49,700
Amounts recognized in the year	<u>(278,071)</u>	<u>(18,790)</u>
Deferred revenue - end of year	<u>\$ 558,204</u>	<u>\$ 188,375</u>

Revenue Recognition
(continued)

The Company requires brand payments from franchisees based on a percent of net sales. Brand funds collected are required to be spent for specific advertising purposes. Brand fund revenue is recognized as the underlying sales occur. Advertising expenses are recorded as incurred. Revenues and expenses related to these advertising collections and expenditures are reported on a gross basis in the statement of operations and retained earnings. When brand fund revenues exceed the related advertising expenses, there is no recovery of a previously recognized deficit of brand fund revenues, advertising costs are accrued up to the amount of revenues.

Technology fees are recognized on the same basis as royalties as the underlying services rendered are not considered distinct from the license of intellectual property.

Financial Instruments

Financial instruments are recorded at fair value when acquired or issued and subsequently measured at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instrument for those measured at amortized cost.

Income Taxes

The Company provides for income taxes using the asset and liability method. This approach recognizes the amount of taxes payable for the current year, as well as deferred tax assets and liabilities for the future tax consequences of events recognized in the financial statements and income tax returns.

Deferred income tax assets, net of valuation allowances, are recognized only to the extent that, in the opinion of management, it is more likely than not that deferred income tax assets will be realized. Deferred income tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment or substantive enactment of the change.

Use of Estimates

The preparation of these financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of sales and expenses during the reporting period.

These estimates are reviewed periodically and as adjustments become necessary, they are reported in earnings in the year in which they become known. Significant estimates and assumptions are used for, but are not limited to the allocation of consideration to performance obligations based on relative stand alone selling price.

Recent Accounting Pronouncements

Adoption of ASC 842 Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU No. 2016-02, Leases (Topic 842), which supersedes ASC Topic 840, Leases and creates a new topic, ASC 842, Leases. The new guidance requires the recognition of lease assets and liabilities for operating leases with terms of more than 12 months. The new standard is effective for the Company as of June 1, 2022.

Issued but not yet adopted

In November 2019, the FASB issued 2019-10 "Financial Instruments - Credit Losses (Topic 326)" to defer the effective dates for private companies, not-for-profit organizations and certain smaller reporting companies applying standards on current expected credit losses. The new effective dates are annual periods beginning after December 15, 2022 for current expected credit losses. In addition, the FASB also issued 2019-11 to address issues raised during the implementation of ASU 2016-03 "Financial Instruments - Credit Losses" (Topic 326): Measurement of Credit Losses on Financial Instruments. The Company is currently in the process of evaluating the impact of adoption of the guidance on the financial statements.

5. Financial Instruments

Fair Value

The Company accounts for certain financial assets and liabilities at fair value following the provisions of ASC 820. This Topic applies to certain assets and liabilities that are being measured and reported on a fair value basis. The Topic defines fair value, establishes a framework for measuring fair value in accordance with GAAP, and expands disclosure about fair value measurements. This Topic enables the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The statement requires that financial assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

Level 1 - quoted market prices in active markets for identical assets or liabilities

Level 2 - observable market based inputs or unobservable inputs that are corroborated by market data

Level 3 - unobservable inputs that are not corroborated by market data

The fair value of cash, accounts receivable, due from related party and accounts payable and accrued liabilities approximates the carrying value due to the short-term nature of these financial instruments.

Credit Risk

The Company is exposed to credit risk on its cash, accounts receivable and due from related party. The risk is mitigated by maintaining cash with major financial institutions and credit policies that include regular monitoring of the debtor's payment history and performance.

Liquidity Risk

Liquidity risk is the risk that the Company encounters difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Company will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value which is less than what they are worth; or may be unable to settle or recover financial assets. Liquidity risk arises from accounts payable and accrued liabilities. The Company manages this risk by maintaining adequate liquidity to meet operating working capital requirements and regular monitoring of forecasted and actual cash flows.

Independent Auditor's Report

To the Board of Directors of
Qualicare of America Inc.

Opinion

We have audited the accompanying financial statements of Qualicare of America Inc. (the "Company"), which comprise the balance sheet as at May 31, 2022, and the related statements of operations and retained earnings and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at May 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

4. Contingencies

In the opinion of management, any liability that may arise from such claims would not have a significant adverse effect on the financial statements of the Company.

5. Financial Instruments

Fair value

The Company accounts for certain financial assets and liabilities at fair value following the provisions of ASC 820. This Topic applies to certain assets and liabilities that are being measured and reported on a fair value basis. The Topic defines fair value, establishes a framework for measuring fair value in accordance with GAAP, and expands disclosure about fair value measurements. This Topic enables the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The statement requires that financial assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

Level 1 - quoted market prices in active markets for identical assets or liabilities

Level 2 - observable market based inputs or unobservable inputs that are corroborated by market data

Level 3 - unobservable inputs that are not corroborated by market data

The fair value of cash, accounts receivable, due from related party and accounts payable and accrued liabilities approximates the carrying value due to the short-term nature of these financial instruments.

Credit Risk

The Company is exposed to credit risk on its cash, accounts receivable and due from related party. The risk is mitigated by maintaining cash with major financial institutions and credit policies that include regular monitoring of the debtor's payment history and performance.

Liquidity Risk

Liquidity risk is the risk that the Company encounters difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Company will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value which is less than what they are worth; or may be unable to settle or recover financial assets. Liquidity risk arises from accounts payable and accrued liabilities. The Company manages this risk by maintaining adequate liquidity to meet operating working capital requirements and regular monitoring of forecasted and actual cash flows.

6. Subsequent Events and COVID-19

In preparing the financial statements, the Company has reviewed events that have occurred after May 31, 2022 through the date of issuance of the financial statements on August 29, 2022.

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company’s financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. The impact arising from the COVID-19 outbreak has been minimized on the Company to date as the service offered by the underlying franchisees is considered an essential service (i.e. healthcare). Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Company is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2022, if any. Although the Company cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, if the pandemic continues, it may have an adverse effect on the Company’s results of future operations, financial position, and liquidity in fiscal year 2023.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises, commitments and understandings contained herein, Franchisor and Franchisee hereby agree as follows:

1. GRANT OF FRANCHISE

1.1 **Grant and Acceptance.** Franchisor hereby grants to Franchisee, upon the express terms and conditions contained in this Agreement, and Franchisee hereby accepts, a franchise for the right to establish and operate one Qualicare Business, under the System and Proprietary Marks identified below, and the right to use the System and Proprietary Marks in the operation of the Franchised Business. 1.2 **Approved Location.** Franchisee may operate the Franchised Business only at the approved location identified in the Data Sheet (the "Approved Location"). Franchisee may not relocate the Franchised Business without Franchisor's prior written consent.

1.3 Territory.

1.3.1 Franchisee shall acquire the right to offer and sell the services of the Franchised Business only to clients who are located in Franchisee's "Territory," as identified in the Data Sheet of this Franchise Agreement. The boundaries of the Territory will not change, even if the population within the Territory increases or decreases. Provided that Franchisee is actively engaged in the Franchised Business and in good standing, Franchisor will not establish or license any other party to establish a Qualicare Business within Franchisee's Territory, and will no longer authorize other System franchisees who previously obtained clients in Franchisee's Territory to solicit new clients in Franchisee's Territory. Prior to entering into this Agreement, certain franchisees under the System acquired clients located outside of their territories, which may include areas within Franchisee's Territory. Franchisee acknowledges and agrees that other System franchisees may continue to service their pre-existing clients located in Franchisee's Territory, if applicable.

1.3.2 Franchisor reserves all rights not specifically granted in this Agreement. Franchisee expressly understands and agrees that this means that Franchisor and Franchisor's affiliates shall, among other things, have the right, in Franchisor's sole discretion, to: (i) own, operate and license others to own and operate, Qualicare Businesses at any location(s) outside Franchisee's Territory under the same or different marks; (ii) own, operate and license others to own and operate different businesses under different marks inside or outside Franchisee's Territory; (iii) use the Proprietary Marks and System in connection with ancillary services and products, promotional and marketing efforts without regard to location; (iv) own and operate and license others to own and operate businesses that offer Personal Services and Home Healthcare Services using different proprietary marks within or outside of the Territory; and (v) use the Proprietary Marks, Proprietary Software, and System, and license others to use the Proprietary Marks, Proprietary Software, and System to engage in any other activities not expressly prohibited in this Agreement.

1.3.3 Franchisee may not solicit clients and/or advertise outside the Territory or deliver any products or services to any destination outside the Territory without Franchisor's prior written consent. The foregoing grant to Franchisee does not include: (i) any right to offer any product or service via e-commerce; (ii) any right to establish an independent website or to establish a URL incorporating the Proprietary Marks or any variation thereof; or (iii) any right to distribute, market, or implement Franchisor's products and services in any channel of distribution not specifically identified in this Agreement.

1.4 **Alternative Services.** Franchisee acknowledges and agrees that certain of Franchisor's or its affiliates' products and services, whether now existing or developed in the future, may be distributed in Franchisee's Territory by Franchisor, Franchisor's affiliates, or Franchisor's franchisees, licensees or designees, in such manner and through such channels of distribution as Franchisor, in its sole discretion, shall determine. Franchisee understands that this Agreement grants Franchisee no rights: (i) to distribute such products or services as described in this Section 1.4; or (ii) to share in any of the proceeds received by any such party therefrom.

1.5 **National Account Sales.** Franchisor shall have the exclusive right, unless otherwise specifically delegated in writing, on behalf of itself, Franchisee, and/or other franchisees utilizing the Proprietary Marks, to negotiate and enter into agreements or approve forms of agreement to provide services to "National Account" clients, including any affiliate, Franchisor owned, or franchised locations within the Territory.

1.5.1 The term National Account means any client which on its own behalf or through agents, franchisees, or other third parties owns, manages, controls or otherwise has responsibility for a business in more than one (1) location, including institutional clients such as hospitals, senior citizen centers, senior day care facilities, nursing homes, and hospices, whose physical presence and/or clientele are not confined within any one particular franchisee's Territory regardless of the aggregate contract amount of the services to be performed. Any dispute as to whether a particular client is a National Account shall be determined by Franchisor in its sole discretion and Franchisor's determination shall be final and binding.

1.5.2 Following the execution of a contract with or the acceptance of a bid by a National Account client which contemplates the provision of services to one or more National Account locations or National Account clientele within or outside of the Territory, Franchisor will, if Franchisee is qualified to perform the services and conditioned upon Franchisee's substantial compliance with the terms of this Agreement and any addenda, provide Franchisee the option to perform such services pursuant to the terms and conditions of the National Account contract or on such terms and conditions as Franchisor in its discretion determines is appropriate.

1.5.3 If Franchisee elects not to provide services to a National Account client in conformity with the terms and conditions of the National Account bid or contract, or fails to make an election within the time specified by Franchisor, after being offered the opportunity by Franchisor, Franchisor shall have the right, exercisable in its sole discretion, to:

1.5.3.1 Provide, directly or through any affiliate, other licensee or franchisee utilizing the Proprietary Marks, services to the National Account client location(s) within the Territory on the terms and conditions contained in the National Account bid or contract; and/or

1.5.3.2 Contract with another party to provide such services to the National Account client location(s) within the Territory on the terms and conditions contained in the National Account bid or contract between Franchisor and the National Account client, utilizing the Franchisor's Proprietary Marks or any other trademarks, service marks or trade names.

1.5.3.3 Neither the direct provision by Franchisor (or an affiliate, franchisee, licensee, or agent of Franchisor) of services to National Account clients as authorized in Section 1.5.3.1 above, nor Franchisor's contracting with another party to provide such services as authorized in 1.5.3.2 above, shall constitute a violation of this Section 1 relating to territorial exclusivity, even if such services are delivered from a location within the Territory. Franchisee disclaims any

compensation or consideration for work performed by others in the Exclusive Territory pursuant to this section.

1.6 Minimum Annual Gross Sales Requirement. Franchisee’s right to operate a Qualicare Business within the protected Territory is dependent upon Franchisee’s achievement of the following minimum annual gross sales requirements in the operating years listed below (the “Minimum Annual Gross Sales Requirement”):

Year of Operations	Minimum Annual Gross Sales Requirement Per Territory
2 nd Year	\$200,000
3 rd Year	\$300,000
4 th Year	\$400,000
5 th Year & Thereafter	\$500,000

1.6.1 Franchisee’s minimum annual Gross Sales will be calculated by adding the sum of Franchisee’s monthly gross sales per Territory during each operating year. Franchisor will notify Franchisee of its non-compliance within 30 days after the end of each operating year.

1.6.2 Failure to achieve the Minimum Annual Gross Sales Requirement will constitute a material default of this Agreement unless, within 60 days, the Franchisee outlines a plan to achieve the Minimum Annual Gross Sales Requirement, which is agreed to and approved by the Franchisor. Otherwise, Franchisor has the right to terminate this Agreement and/or to grant additional franchises within the Territory to third parties. Upon termination of this Agreement, all rights granted to Franchisee end.

1.7 Certification Program and Qualification Requirements. Franchisor reserves the right, but is not obligated to, establish one or more certificate programs through which franchisees may be authorized to provide any additional services which Franchisor may now or in the future designate in connection with System (“Certification Program”), including comprehensive care and medical services to in-home clients or institutional clients, such as hospitals, nursing homes and clinics. All certificate programs will be designated as such in Franchisor’s Operations Manual, as amended from time to time.

1.7.1 Program Participation Requirements. Franchisee acknowledges and agrees that Franchisee’s participation in any Certification Program will be subject to the terms and conditions of such programs. Those terms and conditions may include, but will not be limited to the following:

1.7.1.1 Franchisee’s compliance with the provisions of this Agreement and any other agreement between Franchisee and Franchisor, Franchisor’s affiliates and Franchisee’s substantial compliance with all such agreements during their respective terms;

1.7.1.2 Execution of Franchisor’s then-current Certification Program Addendum, Which may require a Certification Program initial fee, additional or alternative Program Fees or royalty payments, and additional marketing requirements;

1.7.1.3 Franchisee’s purchase or lease of additional equipment, inventory, and insurance meeting Franchisor’s then-current standards and specifications;

1.7.1.4 Franchisee’s satisfactory completion of Franchisor’s training program, if any, for any Certification Program. Franchisee hereby acknowledges and agrees that Franchisee will be

responsible for all travel, meal and lodging costs associated with Franchisee and Franchisee's employees' attendance at such training programs;

1.7.1.5 Franchisee's acquisition of any required licenses and permits necessary for the provision of Certification Program products and services; and

1.7.1.6 Any other requirements Franchisor deems necessary and appropriate in connection with Franchisor's Certification Program.

1.7.2 Franchisee hereby acknowledges and agrees that Franchisor may include a particular Certification Program as part of its standard offering now or in the future, or offer a Certification Program through a separate franchise offering using the Proprietary Marks or any other marks Franchisor may designate.

1.7.3 In the event that Franchisee is in default of this Agreement, or the Certification Program Addendum, and fails to cure such defaults within the time frame prescribed in such agreements, Franchisor may revoke Franchisee's Certification and/or require re-Certification if, in Franchisor's judgment, Franchisee's performance warrants such action(s).

1.7.4 In the event that Franchisee is unable or unwilling to participate in a Certification Program, Franchisee acknowledges and expressly understands and agrees that Franchisor, Franchisor's other franchisees, or any third party designated by Franchisor may perform Certification Program services within Franchisee's Territory. Franchisee disclaims any compensation or consideration for work performed by others in the Territory pursuant to this Section.

1.7.5 This Section 1.7 does not constitute a right of first refusal for any additional franchise programs which Franchisor may now or in the future create.

2. TERM AND RENEWAL

2.1 **Term.** The initial term of the Franchise is for a period of ten (10) years, which will begin on the date that Franchisor signs this Agreement.

2.2 **Renewal.** Franchisee has the right to renew this Agreement for three (3) successive, additional five (5) year periods, provided Franchisee has met the following conditions:

2.2.1 Franchisee has notified Franchisor of Franchisee's intention to renew this Agreement in writing at least one hundred eighty (180) days prior to the expiration of the current term;

2.2.2 Franchisee has demonstrated to Franchisor's satisfaction that Franchisee has the right to operate the Franchised Business at the Approved Location for the duration of the renewal term; or, if Franchisee is unable to operate the Franchised Business at the Approved Location, Franchisee has secured a substitute location;

2.2.3 Franchisee has completed, to Franchisor's satisfaction, no later than ninety (90) days prior to the expiration of the then-current term, all maintenance, refurbishing, renovating, updating and remodeling of the Franchised Business premises, and any updates to QPID and accompanying Third Party materials, required to bring the Business and all equipment into full compliance with Franchisor's then-current System standards and specifications;

2.2.4 Franchisee is not in breach of any provision of this Agreement, or any other agreement between Franchisee and Franchisor, Franchisor's affiliates and Franchisee has substantially complied with all such agreements during their respective terms;

2.2.5 Franchisee has satisfied all monetary obligations Franchisee owes Franchisor, Franchisor's affiliates, Franchisor's approved/designated suppliers and vendors;

2.2.6 Franchisee executes Franchisor's then-current form of franchise agreement, the terms of which may vary materially from the terms of this Agreement and may include, without limitation, increased royalty fees and branding fund obligations;

2.2.7 Franchisee satisfies Franchisor's then-current training requirements for renewing franchisees at Franchisee's expense, as of the date of such renewal, if any;

2.2.8 Franchisee signs a general release, in the form Franchisor prescribes. The release shall not be inconsistent with any applicable state statute regulating franchises; and

2.2.9 Franchisee pays Franchisor a renewal fee of six thousand five hundred dollars (\$6,500).

3. FEES

3.1 **Initial Franchise Fees.** Upon execution of this Agreement, Franchisee shall pay an initial franchise fee in the amount set out in the Data Sheet at the beginning of this Agreement via certified check or wire transfer in immediately available federal funds ("Franchise Fee") to Franchisor. The initial franchise fee is non-refundable and is deemed fully earned upon payment in consideration of administrative and other expenses Franchisor incurs in granting the franchise and for Franchisor's lost or deferred opportunity to franchise others.

3.2 **Royalty Fee.** From the commencement of operations, for each territory, Franchisee must pay Franchisor a royalty on or before the 15th of each month in the amount of five percent (5%) of Franchisee's "Gross Sales" from the prior month (the "Royalty"). Beginning the 7th month of operation, Franchisee must pay Franchisor a monthly Royalty in an amount which is the greater of (i) five percent (5%) of Gross Sales or (ii) six hundred dollars (\$600) per Territory. Beginning with the 13th month of operation, Franchisee must pay Franchisor a monthly Royalty in an amount the greater of (i) five percent (5%) of Gross Sales or (ii) one thousand two hundred dollars (\$1,200) per Territory.

"Gross Sales" includes all revenues Franchisee generates from all business conducted at, from, or through the Franchised Business during the preceding reporting period, including amounts received from the sale and delivery of services, products, merchandise, and tangible property of any nature whatsoever, whether in cash or for credit, and whether collected or uncollected. "Gross Sales" does not include the amount of any applicable sales tax imposed by any federal, state, municipal or other governmental authority if such taxes are stated separately when the client is charged, and Franchisee pays such amounts as and when due to the appropriate taxing authority. Gross Sales also does not include corrections for errors and billings, and any reductions Franchisee may choose to make to maintain client relationships and goodwill. Also excluded from Gross Sales are the amount of any documented refunds, charge backs, disbursements paid on behalf of clients, as well as credits and allowances given to clients in good faith pursuant to Franchisor's standard procedures for issuing such refunds. All barter and exchange transactions for which Franchisee furnishes services or products in exchange for goods or services to be provided to Franchisee by a vendor, supplier or client will be valued at the full retail value of the goods or services provided to Franchisee.

3.3 **ERP Software Maintenance Fee.** Franchisee must pay a monthly fee for licensing of our ERP, our operational software program (the “Software License Fee,” \$12.00 per active client per month with a minimum monthly payment of \$120.00). The Software License Fee is presently payable on the 1st of each month. Franchisee must pay the Software License Fee directly to our Approved Supplier. Franchisee shall pay the Software License Fee according to the then-current payment schedule; provided, however that Franchisor reserves the right, in Franchisor’s sole and absolute discretion, to require Franchisee to pay the fee directly to Franchisor in the same manner as the Royalty Fees are due under this Agreement, to change the designated service provider, and/or to increase the amounts of the Software License Fee.

3.4 **Manner of Payment.** Unless otherwise agreed between Franchisor and Franchisee, all fees and other amounts paid to Franchisor or any affiliate shall be made in the form of an electronic or similar funds transfer in the appropriate amount(s) from Franchisee’s bank account. Franchisor reserves the right to require Franchisee to pay any fees due under this agreement at any intervals Franchisor may designate and by such means as Franchisor may specify from time to time. Franchisee agrees to execute and deliver to its bank and to Franchisor those documents necessary to authorize such withdrawals and to make payment or deposit as directed by Franchisor. A form of authorization for electronic transfer of funds is attached hereto as Exhibit D. Franchisee further agrees that it will not thereafter terminate such authorization so long as the Franchise Agreement is in effect. Franchisee agrees that it will not close such bank account without prior notice to Franchisor and the establishment of a substitute bank account permitting such withdrawals. Franchisee also agrees that in the event that a direct electronic funds transfer or other withdrawal program is not available at the bank at which it currently does its business, it will take all reasonable and necessary steps to establish an account at a bank which does have such a program.

3.5 **Insufficient Funds.** If any check or other form of payment is not honored, Franchisee will be responsible for the amount of the payment plus any service charges Franchisor incurs.

3.6 **Failure to Pay Fees in a Timely Manner.** Any late payment or underpayment of the Royalty, Brand Development Fee, Invoicing Fee, and any other charges or fees Franchisee owes Franchisor or Franchisor’s affiliates, will bear interest from the due date until paid at a rate of three (3%) per month. Nothing contained in this Section shall prevent Franchisor from exercising, in Franchisor’s sole judgment, any other rights or remedies available to Franchisor under this Agreement.

3.7 **Taxes on Payments.** In the event any taxing authority, wherever located, imposes any future tax, levy or assessment on any payment Franchisee makes to Franchisor, Franchisee must, in addition to all payments due to Franchisor, pay such tax, levy or assessment.

3.8 **Technology Fee.** In addition to the fees set forth above, Franchisee agrees to pay Franchisor or Franchisor’s designated vendor(s) a fee associated with website maintenance, intranet, social media profiles, telephone system setup, software licenses, ongoing website marketing and required technology used in the operation of the Franchised Business. Such payment shall be made in the manner prescribed by Franchisor or Franchisor’s designated vendor(s), as applicable. Franchisee must pay Franchisor a non-refundable initial technology set-up fee of between \$1,500 and \$4,000 (depending on the Services to be provided by the Franchised Business) before attending initial training. This fee covers the initial costs associated with the set-up of your website, intranet, and social media profiles. Franchisee agrees to pay and authorizes Franchisor and/or its designated vendors to charge a recurring monthly technology fee, currently \$425 and currently due on the 15th day of the preceding month (the “Technology Fee”). The Technology Fee covers the ongoing monthly costs for website maintenance, intranet, and software licenses. Franchisor has the right to increase or decrease the Technology Fees based on changes in Franchisor’s vendor’s pricing and Franchisor’s technology needs. Franchisor reserves the right to impose and Franchisee agrees to pay additional fees, as changes are made to the System’s technology platforms, including computer hardware, software and other computer requirements or as required by the third party service provider(s) or by any regulatory agency, or otherwise require Franchisee to pay the Technology Fee to a third

party vendor.

4. PROPRIETARY MARKS

4.1 Franchisee's Use of the Proprietary Marks and Other Proprietary Material.

4.1.1 Franchisee shall use only the Proprietary Marks which Franchisor designates, and shall use them only in the manner Franchisor authorizes and permits.

4.1.2 Franchisee shall use the Proprietary Marks only for the operation of the Franchised Business and only at the Approved Location and in marketing for the Franchised Business.

4.1.3 Franchisee shall use all Proprietary Marks without prefix or suffix and in conjunction with the symbols "TM," "SM," "S," or "®," as applicable. Franchisee may not use the Proprietary Marks in connection with the offer or sale of any services or products which Franchisor has not authorized for use in connection with the System. Franchisee may not use the Proprietary Marks as part of Franchisee's corporate or other legal name. Franchisee's corporate name and all fictitious names under which Franchisee proposes to do business must be approved by Franchisor in writing before use. Franchisee must use Franchisee's corporate or limited liability company name followed by the phrase "an independently owned and operated Qualicare business." Franchisee must promptly register at the office of the county in which Franchisee's Business is located, or such other public office as provided for by the laws of the state in which Franchisee's Approved Location is located, as doing business under such assumed business name.

4.1.4 Franchisee must identify itself as the owner of the Franchised Business (in the manner Franchisor prescribes) in conjunction with any use of the Proprietary Marks including, without limitation, on invoices, order forms, receipts, client forms and questionnaires, business stationery, and advertisements, as well as at such conspicuous locations as Franchisor may designate in writing at the Approved Location.

4.1.5 Franchisee's right to use the Proprietary Marks is limited to such uses as are authorized under this Agreement, and any unauthorized use thereof shall constitute an infringement of Franchisor's rights.

4.1.6 Franchisee shall not use the Proprietary Marks to incur any obligation or indebtedness on Franchisor's behalf.

4.1.7 Franchisee shall execute all documents Franchisor deems necessary to obtain protection for the Proprietary Marks or to maintain their continued validity and enforceability.

4.1.8 Franchisee must promptly notify Franchisor of any suspected unauthorized use of the Proprietary Marks, or any proprietary software (as defined in Section 7.8.1 below). Franchisor may now or hereafter designate for use in connection with the System, any challenge to the validity of the Proprietary Marks, or any challenge to Franchisor's ownership of, Franchisor's right to use and to license others to use, or Franchisee's right to use, the Proprietary Marks.

4.1.9 Franchisee expressly understands and acknowledges that:

4.1.9.1 Franchisor owns all right, title, and interest in and to the Proprietary Marks and the goodwill associated with and symbolized by them, and Franchisor has the right to use, and license others to use, the Proprietary Marks;

4.1.9.2 The Proprietary Marks are valid and serve to identify the System and those who are authorized to operate under the System;

4.1.9.3 During the term of this Agreement and after its expiration or termination, Franchisee shall not directly or indirectly contest the validity of, or Franchisor's ownership of, or right to use and to license others to use, the Proprietary Marks or any other Proprietary Material;

4.1.9.4 Franchisee's use of the Proprietary Marks or Proprietary Materials does not give Franchisee any ownership interest or other interest in or to the Proprietary Marks or Proprietary Materials;

4.1.9.5 Any and all goodwill arising from Franchisee's use of the Proprietary Marks and Proprietary Material shall inure solely and exclusively to Franchisor's benefit, and upon expiration or termination of this Agreement, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the System, the Proprietary Marks, or any other Proprietary Material;

4.1.9.6 Except as specified in Section 1.3 hereof, the license of the Proprietary Marks granted to Franchisee hereunder is nonexclusive and Franchisor retains the right, among others, (i) to use the Proprietary Marks itself in connection with selling products and services; (ii) to grant other licenses for the Proprietary Marks; and (iii) to develop and establish other systems using the Proprietary Marks, similar proprietary marks, or any other proprietary marks, and to grant licenses thereto without providing any rights therein to Franchisee; and

4.1.9.7 Franchisor reserves the right, in Franchisor's sole discretion, to substitute different proprietary marks for use in identifying the System and the businesses operating thereunder. Franchisee shall discontinue using all Proprietary Marks which Franchisor has notified Franchisee, in writing, have been modified or discontinued within ten (10) days of receiving written notice and, at Franchisee's sole cost and expense, shall promptly begin using such additional, modified or substituted Proprietary Marks.

4.2 Litigation Involving the Marks. Franchisee acknowledges that Franchisor has the sole right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including any settlement thereof. Franchisor has the right, but not the obligation, to take action against uses by others that may constitute infringement of the Franchisor's rights to the Proprietary Marks. Franchisor shall defend Franchisee against any third-party claim, suit, or demand arising out of Franchisee's use of the Proprietary Marks. If Franchisor, in Franchisor's sole discretion, determines that Franchisee has used the Proprietary Marks in accordance with this Agreement, Franchisor shall bear the cost of such defense, including the cost of any judgment or settlement. If Franchisor, in Franchisor's sole discretion, determines that Franchisee has not used the Proprietary Marks in accordance with this Agreement, Franchisee shall bear the cost of such defense, including the cost of any judgment or settlement. In the event of any litigation relating to Franchisee's use of the Proprietary Marks, Franchisee shall execute any and all documents and do such acts as may, in Franchisor's opinion, be necessary to carry out such defense or prosecution including, without limitation, becoming a nominal party to any legal action. Except to the extent that such litigation is the result of Franchisee's use of the Proprietary Marks in a manner inconsistent with the terms of this Agreement, Franchisor agrees to reimburse Franchisee for Franchisee's out-of-pocket costs in performing such acts.

5. CONFIDENTIAL INFORMATION

5.1 **Nondisclosure.** During the term of this Agreement, Franchisee will receive information which Franchisor considers a trade secret and confidential information, including the Proprietary Software (“Confidential Information”). Franchisee shall not, during the term of this Agreement or thereafter, communicate, divulge, or use for the benefit of any other person, partnership, association, corporation, or limited liability company any Confidential Information including, without limitation, methods and techniques for providing Personal Services, Home Healthcare Services or 360⁰ Case Management trade secrets, online and Home Office Training, the company’s client lists, copyrighted materials, methods, processes and other techniques and know-how concerning the operation of the Franchised Business which may be communicated to Franchisee or of which Franchisee may be apprised by virtue of Franchisee’s operation of the Business. Franchisee acknowledges that certain information regarding clients, including (i) current client and prospective client names and addresses, (ii) information about credit extensions to clients, (iii) client service purchasing histories, (iv) rates charged to clients (subsections (i)-(iv) collectively “Client Lists”), and (v) sources of suppliers also constitute Franchisor’s trade secrets and confidential information. Franchisee may divulge such Confidential Information and trade secrets only to such of Franchisee’s employees as must have access to it in order to operate the Franchised Business. Any and all information, knowledge, know-how, techniques, and other data which Franchisor designates as confidential will be deemed Confidential Information for purposes of this Agreement. Franchisee further acknowledges and agrees to maintain the full and strictest confidentiality of all client information.

5.2 **Employees.** At Franchisor’s request, Franchisee must require Franchisee’s officers, directors, 360⁰ Case Managers, General Manager, and any personnel having access to any of Franchisor’s Confidential Information to execute the Confidentiality and Restrictive Covenant Agreement attached hereto as Exhibit C. The Confidentiality and Restrictive Covenant Agreement provides that they will maintain the confidentiality of information they receive in connection with their employment by Franchisee.

5.3 **New Concepts.** If Franchisee, Franchisee’s employees, or principals develop any new concept, processes, or improvements in the operation or promotion of the Franchised Business or Proprietary Software, Franchisee shall promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Any such concept, process or improvement shall become Franchisor’s sole property and Franchisor shall be the sole owner of all patents, patent applications, trademarks, copyrights and other intellectual property rights related thereto. Franchisee and Franchisee’s principals hereby assign to Franchisor any rights Franchisee may have or acquire therein, including the right to modify such concept, process or improvement, and otherwise waive and/or release all rights of restraint and moral rights therein and thereto. Franchisee and Franchisee’s principals agree to assist Franchisor in obtaining and enforcing the intellectual property rights to any such concept, process or improvement in any and all countries and further agree to execute and provide Franchisor with all necessary documentations for obtaining and enforcing such rights. Franchisee and Franchisee’s principals hereby irrevocably designate and appoint Franchisor as Franchisee’s agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property rights related to any such concept, process or improvement. In the event that the foregoing provisions of this Section 5.3 are found to be invalid or otherwise unenforceable, Franchisee and Franchisee’s principals hereby grant to Franchisor a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process or improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe Franchisee’s rights therein.

6. FRANCHISOR'S OBLIGATIONS

6.1 **Operations Manual.** Franchisor will provide Franchisee with on-line access to Franchisor's proprietary and confidential Operations Manual and any other manual Franchisor may now or hereafter designate for use in operating a Business (collectively the "Operations Manual"). Franchisee shall operate the Franchised Business in strict compliance with the Operations Manual, as it may be reasonably changed from time to time. The Operations Manual shall remain confidential and Franchisor's exclusive property. Franchisee shall not disclose, duplicate or make any unauthorized use of any portion of the Operations Manual. The provisions of the Operations Manual constitute provisions of this Agreement as if fully set forth herein. If there is a dispute relating to the contents of the Operations Manual, the master on-line copy, which Franchisor maintains, will control. Franchisor reserves the right to disclose updates to the Operations Manual in writing in any manner, including electronic means such as e-mail, Franchisor's website and any intranet or extranet that Franchisor establishes in connection with the System. Franchisee must operate the Franchised Business in accordance with all applicable federal, state, and local laws, regulations, and ordinances. Franchisee acknowledges that Franchisee has conducted a thorough independent investigation into all such laws and regulations with the advice of an attorney or other qualified advisor. Franchisee must obtain Franchisor's written consent prior to deviating from any of Franchisor's standards and specifications to comply with any law or regulation, which approval will not be unreasonably withheld.

6.2 **Equipment Selection.** Franchisor will provide Franchisee with specifications and requirements for computer hardware, software, and other electronic equipment required to operate the Franchisee's Qualicare Business.

6.3 **Start-up and Ongoing Inventory and Supplies.** Franchisor will provide specifications for and designate sources of supply from which Franchisee agrees to purchase inventory and other supplies necessary for the start-up and ongoing operations of Franchisee's Franchised Business, including stationery, marketing collateral and display materials.

6.4 **Pre-opening Marketing.** Franchisor will help plan Franchisee's grand opening campaign. Franchisor, at its sole discretion, may provide graphic designs, layouts and written copy for marketing material, which Franchisee may use (Franchisee must pay production costs for items such as advertisements and other promotional material for Franchisee's Franchised Business address). Franchisor will make available for sale the Start-Up Marketing Kit (as described in Section 12.4).

6.5 **Ongoing Assistance.** Franchisor will provide Franchisee continuing consultation and advice as Franchisor deems necessary and appropriate regarding the management and operation of the Franchised Business. Franchisor will provide such assistance, in Franchisor's discretion, by telephone, in person or by intranet communication.

6.6 **Toll Free Telephone Number.** Franchisor has the right, but not the obligation, to establish and maintain a toll free telephone number for the purpose of accepting and confirming client orders nationwide, customer service, and client follow-up and satisfaction surveys. If Franchisor establishes a toll free number, Franchisee must comply with Franchisor's procedures for implementing the nationwide service as Franchisor specifies in the Operations Manual or otherwise in writing and Franchisee may have to pay a fee related to the establishment, operation and maintenance of the toll free telephone number.

6.7 **Conferences.** Franchisor may, in Franchisor's discretion, hold an Annual Conference, Regional Conferences or other training sessions at locations to be selected by Franchisor. Franchisor shall determine the topics and agenda for any such conference to serve the purpose, among other things, of updating franchisees on new developments affecting franchisees, exchanging information between franchisees and Franchisor's personnel regarding Business operations and programs, and recognizing

franchisees for their achievements. We will provide one free ticket to your first annual conference. After your first year of operation, you will be billed on a monthly basis for the cost of one ticket to the upcoming annual conference. If you fail to attend the annual conference, the cost of the ticket will not be refunded to you. Franchisor may require Franchisee to attend the Annual Conference, Regional Conferences or other training sessions and to pay Franchisor's then-current registration fee. All expenses, including Franchisee's and Franchisee's employees' transportation to and from the conference or training session, and lodging, meals, and salaries during the event, are Franchisee's sole responsibility. Franchisor may use expenditures from the Branding Fund for purposes related to the Annual Conference, including costs related to productions, programs, and materials.

6.8 Refresher/On-going Training. Franchisor may, in Franchisor's sole discretion, hold refresher and ongoing training courses, or training courses upon a significant change to the Franchise System. Franchisor may require Franchisee and Franchisee's employees to attend such training at its then-current fee for providing such training. All expenses, including Franchisee and Franchisee's employees' transportation, meal, and lodging expenses to attend such training shall be Franchisee's sole responsibility provided that such expenses shall not exceed \$2,000.00 per year.

7. FRANCHISEE'S OBLIGATIONS

7.1 Site Location and Lease Approval. Before opening, you are required to obtain a registered business address in your Territory that we approve in writing, which must not be the same as your home address. For the first year of operations, you may operate the Franchise Business from home using the registered business address and will not be required to lease commercial office space unless you choose to or the laws and regulations applicable to your Business prevent you from operating the Business from your home. Beginning in the second year of operations, you must secure commercial office space for the operation of the Franchised Business. Franchisor has the right to review, evaluate and approve Franchisee's proposed lease for the commercial office space ("Lease") prior to execution, approval of which will not be unreasonably withheld. Neither Franchisor's review of the Lease, nor Franchisor's acceptance of the site Franchisee has selected, constitutes a representation or guarantee that Franchisee will succeed at the selected Approved Location or an expression of Franchisor's opinion regarding the terms of the Lease. Franchisor encourages Franchisee to seek independent counsel from a lawyer or business adviser to assist Franchisee in selecting a location and negotiating a lease for the Franchised Business premises.

7.1.1 Relocation. If, for any reason, the Lease term is shorter than the term of this Agreement and the Lease cannot be renewed or extended, or Franchisee cannot continue for any other reason to occupy the Location, Franchisee must relocate Franchisee's Franchised Business to a mutually acceptable site within Franchisee's Territory to complete the unexpired portion of the term of this Agreement. Franchisee must notify Franchisor of Franchisee's intention to relocate, procure a site acceptable to Franchisor within ninety (90) days prior to closing operations at Franchisee's current Approved Location, and open for business at the new Approved Location within thirty (30) days of closing business at Franchisee's existing Approved Location.

7.2 Training. Franchisee (or Franchisee's principal, as applicable) or Franchisee's General Manager, if applicable and Franchisee's Nurse (if applicable), must attend and successfully complete Franchisor's Initial Training Program, as set forth in Section 8 of this Agreement.

7.3 Opening Requirements. Franchisee shall commence operations of the Franchised Business within 12 months from the date Franchisor signs this Agreement.

7.4 Purchasing Requirements.

7.4.1 Compliance with Standards. Franchisee acknowledges and agrees that Franchisee's obligations set forth in this Agreement and the Operations Manual are reasonable and necessary for the operation of the Business and to maintain uniformity throughout the System. Franchisee shall adhere to the standards and specifications set forth in this Agreement and the Operations Manual and any revisions or amendments to same. Franchisee shall use signs, furnishings, supplies, fixtures, equipment and inventory which comply with Franchisor's then-current standards and specifications (including, without limitation, standards and specifications for computer hardware and software, as well as other equipment and inventory items, furnishings, fixtures, and signage) which Franchisor establishes from time to time. Franchisor has the right to change Franchisor's standards and specifications in Franchisor's discretion. Franchisee acknowledges that Franchisee may incur an increased cost to comply with such changes at Franchisee's expense.

7.4.2 Designated and Approved Suppliers. Recognizing that preservation of the System depends upon service and product uniformity and the maintenance of Franchisor's trade dress, Franchisee agrees to purchase products and services, including (but not limited to) certain signs, furnishings, supplies, fixtures, computer hardware and software, and services from Franchisor or from approved or designated third party suppliers as Franchisor shall specify, from time to time, in the Operations Manual and otherwise in writing. Franchisee hereby acknowledges that Franchisor, Franchisor's affiliate and/or a third party may be one of several, or the only, approved supplier of any item. Franchisee further acknowledges and agrees that Franchisor and/or Franchisor's affiliates have the right to realize a profit on any items that Franchisor, Franchisor's affiliates or Franchisor's approved suppliers provide to Franchisee.

7.4.3 Supplier Approval. In the event Franchisee wishes to purchase any approved items from an unapproved supplier, Franchisee must provide Franchisor the name, address and telephone number of the proposed supplier, a description of the item Franchisee wishes to purchase, and purchase price of the item, if known. At Franchisor's request, Franchisee must provide Franchisor, for testing purposes, a sample of the item Franchisee wishes to purchase. If Franchisor incurs any costs in connection with testing a particular product or evaluating an unapproved supplier at Franchisee's request, Franchisee or the supplier must reimburse Franchisor for Franchisor's reasonable testing costs, regardless of whether Franchisor subsequently approves the item or supplier. Franchisor will notify Franchisee of approval or disapproval within 15 business days of receiving all requested information. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier. Franchisor may base Franchisor's approval of any such proposed item or supplier on considerations relating not only directly to the item or supplier itself, but also indirectly to the uniformity, efficiency, and quality of operation Franchisor deems necessary or desirable in Franchisor's System as a whole. Franchisor has the right to receive payments from suppliers on account of their dealings with Franchisee and other franchisees and to use all amounts Franchisor receives without restriction (unless instructed otherwise by the supplier) for any purposes Franchisor deems appropriate. Nothing herein shall require Franchisor to approve an unreasonable number of suppliers for a given item, which approval might, in Franchisor's reasonable judgment, result in higher costs or prevent the effective or economical supervision of approved suppliers. Franchisor may revoke Franchisor's approval of particular products or suppliers when Franchisor determines, in Franchisor's sole discretion, that such products or suppliers no longer meet Franchisor's standards. Upon receipt of written notice of such revocation, Franchisee must cease purchasing products from such supplier. Franchisee must use products purchased from approved suppliers solely in connection with the operation of Franchisee's Business and not for any competitive business purpose.

7.4.4 System Suppliers. Franchisor may establish business relationships, from time to time, with suppliers who may offer certain services (such as credit and background check services and asset identification services) or certain products such as furnishings, supplies, fixtures, equipment and inventory

according to Franchisor's proprietary standards and specifications or private label goods which Franchisor has authorized and prescribed for sale by System franchisees ("System Suppliers"). Franchisee recognizes that such services and products are essential to the operation of the Franchised Business and to the System generally. Franchisee further recognizes that Franchisee's failure to pay System Suppliers may interfere with such suppliers' willingness to supply the System which may result in other System franchisees' inability to obtain product or ability to obtain product only on less favorable credit terms. Accordingly, Franchisee agrees to pay System Suppliers as and when due.

7.5 Authorized Products and Services. Franchisee shall offer for sale all services and products which Franchisor prescribes and only those services and products which Franchisor prescribes. Franchisee may not offer any other services for sale or products for sale, rent, or lease without having received Franchisor's prior written authorization.

7.6 Operations.

7.6.1 Franchisee must operate Franchisee's Franchised Business for at least those months, hours and days that Franchisor specifies in the Operations Manual.

7.6.2 Franchisee must operate the Franchised Business in accordance with all applicable requirements of law, including all federal, state and local laws or regulations, and the Operations Manual. Franchisee and Franchisee's employees must give prompt, courteous and efficient service to the public and otherwise operate the Business so as to preserve, maintain and enhance the reputation and goodwill of the System.

7.6.2.1 Franchisee shall provide Personal Services, Home Healthcare Services and our 360⁰ Approach strictly in accordance with Franchisor's techniques and processes for providing such services, as Franchisor may state in the Operations Manual or otherwise in writing and in compliance with all applicable laws and regulations. Such services may only be sold using Franchisor's marketing plan and concept. Franchisee acknowledges that such operational procedures are integral to the System and failure to strictly adhere to such procedures shall be detrimental to the System and Proprietary Marks and shall constitute a default of this Agreement.

7.6.3 Franchisee must employ a sufficient number of qualified, competent personnel, offer prompt, courteous and efficient service to the public, and otherwise operate the Business in compliance with the System so as to preserve, maintain and enhance the reputation and goodwill of the System and to receive any necessary state healthcare licensing. All employees, engaged in the operation of Franchisee's Franchised Business during working hours shall dress conforming to Franchisor's standards, shall present a neat and clean appearance in conformance with Franchisor's reasonable standards and shall render competent, efficient service to the clients of the Business.

7.6.4 Franchisee agrees to conduct the Franchised Business in accordance with the Operations Manual. Franchisee shall immediately train and instruct Franchisee's employees in accordance with the Operations Manual, and shall continue such training and instruction as long as each employee is employed. The Operations Manual shall set forth the practices, procedures and methods to be utilized in Franchisee's Franchised Business and Franchisor may require Franchisee to conform Franchisee's practices to national programs, which Franchisor has designed and promulgated as part of Franchisor's Franchise System.

7.6.5 Franchisee (or at least one of Franchisee's principals if Franchisee is a corporation or partnership) must personally supervise the day-to-day operations of the Franchised Business. Franchisee (or at least one of Franchisee's principals if Franchisee is a corporation or partnership) must devote

Franchisee's personal full-time attention and best efforts to the management and operation of the Franchised Business. Franchisee may, however, delegate the day-to-day operation of the Franchised Business to a manager ("General Manager"). Franchisor must approve Franchisee's General Manager in writing prior to hiring and Franchisee or Franchisee's General Manager must successfully complete Franchisor's initial training program before assuming any managerial responsibility. The Franchised Business must, at all times, be staffed with at least one (1) individual who has successfully completed Franchisor's initial training program as set forth in Section 8.2. In the event that Franchisee operates more than one Franchised Business, Franchisee shall have a properly trained General Manager who has been approved by Franchisor at each location. Franchisee shall keep Franchisor informed at all times of the identity of any employee acting as General Manager of the Franchised Business. In the event that a General Manager resigns or is otherwise terminated from the Franchised Business, Franchisee shall hire a replacement approved of in writing by Franchisor who meets Franchisor's then current standards for General Managers within thirty (30) days after termination or resignation of the prior General Manager. The new General Manager must complete initial training to Franchisor's satisfaction within sixty (60) days of hiring, subject to the availability of Franchisor's personnel. Any General Manager(s) shall devote full time and best efforts to the day-to-day operation and management of the Business and shall not engage in any other business activity without Franchisor's prior written consent.

7.6.6 Franchisee must at all times maintain such working capital as may be reasonably necessary to enable Franchisee to properly and fully carry out and perform all of Franchisee's duties, obligations and responsibilities hereunder and to operate the business in a businesslike, proper and efficient manner.

7.6.7 All persons providing services to clients must be employed by Franchisee and be covered under Franchisee's insurance policies, and may not be classified as independent contractors.

7.6.8 Not later than thirty (30) days after the opening of the Franchised Business, Franchisee shall purchase or lease the automobile required and specified by Franchisor for the Franchised Business. Such vehicle shall be outfitted, wrapped and/or decaled to Franchisor's specifications. Franchisee shall ensure that, at all times, the automobile is properly insured, according to Franchisor's standards and/or as mandated by applicable laws and regulations, and is properly maintained and in good working order and Franchisee shall promptly pay all license and use charges and taxes assessed on or pertaining to such automobile, and shall hold Franchisor harmless therefrom. The automobile must be kept in a neat and clean condition at all times, performing scheduled maintenance as recommended by the manufacturer and repairing all malfunctions promptly. If Franchisee replaces any automobile during the Term or any Renewal Term of this Agreement, Franchisee shall inform Franchisor of any such replacement;

7.6.9 In addition, Franchisee and all of Franchisee's employees must (a) undergo a criminal background check, which must be passed to our satisfaction; and (b) provide at least two (2) references meeting our satisfaction prior to entering into this Agreement and participating in the operation of the Franchised Business. Franchisee and Franchisee's employees must routinely undergo criminal background rescreening during the term of the Franchise Agreement as prescribed in the Operations Manual and immediately upon request. Franchisor must be provided with copies of all such reports on a periodic basis and immediately upon request. Any employee failing to meet Franchisor's criteria for a clean criminal background check must be terminated immediately. Franchisor has the right to terminate the Franchise Agreement immediately in the event Franchisee fails a criminal background check.

7.6.10 In the course of operating the Franchised Business, all email communication shall be through email accounts that Franchisor has assigned to Franchisee. In no circumstances is Franchisee to operate the Franchised Business using a personal email account or any other email account not assigned to Franchisee by Franchisor.

7.7 Site Evaluation. Franchisee agrees, that in order to maintain the high quality and uniform standards associated with the System and to protect its goodwill and reputation, Franchisee will permit Franchisor during business hours, to inspect the Franchised Business, confer with Franchisee and Franchisee's employees and clients, conduct field investigations, and perform any other inspection which Franchisor deems necessary to protect the standards of quality and uniformity of the Franchise system and Franchisee's performance under this Agreement. Franchisee is obligated to make changes to Franchisee's operations based upon any inspections by Franchisor.

7.8 Computer Software and Hardware. Franchisee shall purchase and use any and all computer software programs ("Software") which Franchisor has developed or may develop and/or designate for use for the System, and shall purchase such computer hardware as may be necessary for the efficient operation of the Software, including without limitation, the Proprietary Software. Franchisor has the right to require Franchisee to update or upgrade computer hardware components and/or Software as Franchisor deems necessary from time to time but not more than two (2) times per calendar year, at Franchisee's cost. Franchisee shall grant to Franchisor ongoing electronic access, in the manner Franchisor periodically specifies, to the software, hardware, and other technology used in the operation of the Franchised Business, including without limitation access to the records and data generated by and stored on such technology. With respect to client related data collected by Franchisee on the Software or otherwise, Franchisee shall use such form(s) as required by Franchisor and applicable law to obtain consent from clients for the collection and retention of such data. This requirement of ongoing access may include the requirement to preserve such records and data in a manner and for a period of time that Franchisor specifies. In addition, Franchisor has the right to require Franchisee to enter into a separate maintenance agreement for such computer hardware and/or Software. Franchisor reserves the right to require Franchisee to install a "systems backup solution", which backs up critical data in Franchisee's computer system using an off-premises storage scheme. Notwithstanding the fact that Franchisee must buy, use and maintain the computer hardware and Software under Franchisor's standards and specifications, Franchisee will have the sole and complete responsibility for: 1) the acquisition, operation, maintenance and upgrading of the computer hardware and Software; and 2) any and all consequences that may arise if the computer hardware and Software is not properly operated, maintained and upgraded.

7.8.1 Franchisor has developed an enterprise resource planning system for the management of the Franchised Business contemplated in this Franchise Agreement (the "Proprietary Software Program"), herein referred to as our ERP. Franchisee, at Franchisee's own expense, agrees to obtain the computer hardware required to implement the Proprietary Software Program into Franchisee's Business, and to comply with all specifications and standards prescribed by Franchisor regarding the Proprietary Software Program as provided from time to time in the Operations Manual. This Proprietary Software Program, and all modifications, upgrades, and substitutions thereto are Franchisor's proprietary intellectual property and Confidential Information. Franchisor or its designee will provide ongoing service and support to Franchisee regarding the Proprietary Software Program.

7.8.2. Franchisee shall be responsible for purchasing or obtaining a license for any third party software, programs, content, documentation, equipment, hardware or other products that are designated by Franchisor as being necessary for the use and operation of the ERP (the "Third Party Materials"). Franchisee acknowledges and agrees that from time to time Franchisor may require additional Third Party Materials, or may substitute other Third Party Materials for those originally or previously required. To the extent any Third Party Materials are packed with, incorporated into, or embedded in our ERP or otherwise provided by Franchisor hereunder, Franchisee agrees to comply with the terms and conditions of the third party licenses associated with such Third Party Materials.

7.8.3. Upon Franchisor's request, Franchisee agrees to install, update or replace any equipment or software related to the ERP, including any modifications and improvements to the ERP in such manner as is specified by Franchisor from time to time. Franchisee further agrees to be responsible for all costs and expenses not covered by the ERP Software Maintenance Fee. Franchisee acknowledges and agrees that the ERP Monthly Service Fee is subject to change periodically and will increase with the number of transactions. Franchisor reserves the right to collect the ERP Monthly Service Fee directly or require Franchisee to pay the fee directly to Franchisor's service provider.

7.8.4 If and at such time Franchisor develops and custom designs additional or substitute software programs in addition to the Proprietary Software for conducting accounting, point-of-sale functions and other related activities, ("Additional Proprietary Software Program"), Franchisee, at Franchisee's own expense, agrees to obtain the computer hardware and software required to implement any such software program into the Franchised Business, and to comply with all specifications and standards prescribed by Franchisor regarding the Additional Proprietary Software Program as provided from time to time in the Operations Manual.

7.8.5. Franchisor may lend Franchisee some or all Software and/or hardware at no extra cost to Franchisee and Franchisee must immediately return such equipment to Franchisor in working order upon the expiration or termination of this agreement.

7.8.6 Franchisee agrees not to hire third party or outside vendors to perform any services or obligations in connection with the computer hardware, required Software, and/or any other obligations under this Agreement, without our prior written approval. Our consideration of any proposed outsourcing vendors may be conditioned upon, among other things, such third party or outside vendor's entry into a confidentiality agreement with us and you in a form that we may reasonably require, and the third party or outside vendor's agreement to pay for all initial and ongoing costs related to interaction with our computer hardware and Software. You agree to not install (and/or remove) any software or firmware from the computer system for the Franchised Business without our prior written consent.

7.9 **Computer Network, Intranet or Extranet Participation.** Franchisee is required to participate in any System-wide computer network, intranet system or extranet system that Franchisor implements and may be required by Franchisor to use such area computer network, intranet system or extranet system to, among other things: (i) submit Franchisee's reports due under this Agreement to Franchisor on-line; (ii) view and print portions of the Operations Manual; (iii) download approved local marketing materials; (iv) communicate with Franchisor and other System franchisees; (v) complete any initial and ongoing training; and (vi) view and retrieve standard business forms. Franchisee agrees to use the facilities of any such area computer network, intranet system or extranet system in strict compliance with the standards, protocols, and restrictions that Franchisor included in the Operations Manual, including those related to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory or defamatory statements.

7.10 **Personal Conduct.** Franchisee agrees to refrain from committing any act or pursuing any course of conduct that tends to bring Franchisor's Proprietary Marks into disrepute.

7.11 **Best Efforts.** Franchisee must use best efforts to promote and increase the demand for the goods and services of the Business. All of Franchisee's marketing and promotion shall be completely factual and shall conform to the highest standards of ethical advertising. In addition, you shall also obtain separate consents, where necessary, to enable you and us to collect, use, or disclose client, employee and contractor information for the purpose of marketing communications in compliance with applicable laws. You represent and warrant that any disclosure or transfer of personal information you provide to us will not violate any applicable laws.

7.14.6 For the limited purpose of this Section 7.14, references to "data" exclude

consumers' credit card and/or other payment information.

7.15 Data Requirements and Usage. We may periodically specify in the Operations Manual or otherwise in writing the information that you agree to collect and maintain on the computer system for the Franchised Business, and you agree to provide to us such reports as we may reasonably request from the data so collected and maintained. In addition:

7.15.1 You agree to abide by all applicable laws pertaining to the data (including those pertaining to the collection, use, maintenance, disposition, and/or privacy of consumer, employee, vendor, and transactional information) ("Privacy Laws").

7.15.2 You agree to also comply with any standards and policies that we may issue (without any obligation to do so) pertaining to the collection, use, maintenance, disposition, and/or privacy of consumer, employee, vendor, and transactional information. If you become aware (and/or if you should be aware) that there is a conflict between our standards and policies and Privacy Laws, then you agree to: (a) comply with the requirements of the Privacy Laws; (b) immediately give us written notice of that conflict; and (c) promptly and fully cooperate with us and our counsel in determining the most effective way, if any, to meet our standards and policies pertaining to privacy within the bounds of Privacy Laws.

7.15.3 You agree to not publish, disseminate, implement, revise, or rescind a data privacy policy without our prior written consent as to such policy.

7.15.4 You agree to implement at all times appropriate physical and electronic security as is necessary to secure your computer system, including complex passwords that you change periodically, and to comply with any standards and policies that we may issue (without obligation to do so) in this regard.

If Franchisee obtains accreditation from a national accreditation service (The Joint Commission or other providers), Franchisee must maintain such accreditation in good standing. Franchisee will provide Franchisor with a list of third party consultants that may assist Franchisee in obtaining all required licenses and permits necessary to operate the Franchised Business at Franchisee's expense. Franchisor does not anticipate or recommend that Franchisee seek Medicare/Medicaid certification from the federal government and Franchisor will not support Franchisee in achieving and/or maintaining Medicare/Medicaid certification. If Franchisee determines to obtain Medicare/Medicaid certification, Franchisee agrees to assume all associated costs and risks. Franchisee will be required to pay Franchisor royalties on account of Gross Sales resulting from Franchisee's Medicare/Medicaid certification. Franchisee will have sole authority and control over the day-to-day operations of the Franchised Business and Franchisee's employees and/or independent contractors. 7.18 Image. Franchisee acknowledges that Franchisor has developed the System to offer and sell products which will distinguish the Business as a Business of distinction from other businesses and chains which offer similar services valued at different prices and with less attention paid to customer service excellence. Franchisee agrees to offer services and products and to conduct the Business in such a manner which will serve to emulate and enhance the image Franchisor intended for the System. Franchisee further acknowledges and agrees that each aspect of the System is important not only to Franchisee but also to Franchisor and to other System franchisees in order to maintain the highest operating standards, achieve system wide uniformity and increase the demand for the customized personal care services rendered by System franchisees. Franchisee agrees to comply with the standards, specifications and requirements Franchisor set forth in order to uniformly convey the distinctive image of a Qualicare Business. Franchisee shall, in the operation of the Business, use only such displays, labels, forms, and stationary imprinted with the Proprietary Marks and colors as prescribed from time to time by Franchisor.

Franchisee acknowledges and agrees to complete any additional training or certification programs that Franchisor may designate now or in the future.

8.3 Training Materials. Franchisor will provide Franchisee with training materials for Franchisee to use in training Franchisee's personnel. Only Franchisor's approved training materials may be used by Franchisee in training Franchisee's personnel. All training materials provided to Franchisee, by Franchisor, shall at all times remain Franchisor's property, and Franchisee agrees not to challenge Franchisor's or Franchisor's affiliates' title or rights in or to the training materials. Franchisee may not make any disclosure, duplication or other unauthorized use of any portion of the training materials. Franchisor's acceptance of an insurance carrier does not constitute Franchisor's representation or guarantee that the insurance carrier will be capable of meeting claims during the term of the insurance policy. Franchisee agrees to carry such insurance as may be required by the lease of the Approved Location or by any of Franchisee's lenders or equipment lessors and such workers' compensation insurance as may be required by applicable law. Franchisee shall add Franchisor and its designees and assignees to all insurance contracts as additional insureds under the insurance policies, the cost of which will be paid by Franchisee. 10. FINANCIAL RECORDS AND REPORTS

Franchisee must maintain for at least seven (7) fiscal years from their preparation complete financial records for the operation of the Business in accordance with generally accepted accounting principles. Franchisee must provide Franchisor unaudited monthly financial statements including a monthly Profit & Loss Statement within fifteen (15) days of each month's end as well as year-end unaudited financial statements, including a Profit & Loss Statement and Balance Sheet to be prepared by a certified public accountant or state licensed public accountant and provided to Franchisor within ninety (90) days of the calendar year end. Franchisee's fiscal year must be on a calendar year basis. Franchisor will provide Franchisee with a Chart of Accounts that Franchisee must follow in preparation of its financial statements. All financial statements and reports requested by Franchisor must be in the form and format, and on such software, as specified by Franchisor.

Additionally, Franchisor may request copies of any other financial and tax reports including but not limited to (i) a quarterly income statement and profit and loss statement, and (ii) state and local sales tax returns or reports and federal, state and local income tax returns for each year in which Franchisee's Business is operated, within thirty (30) days after their timely completion.

To assist Franchisee in recording and keeping accurate and detailed financial records for reports and tax returns, Franchisor, at Franchisor's discretion, may specify the form in which the business records are to be maintained, and provide a uniform set of business records for Franchisee to use. Franchisor shall have full access to all of Franchisee's data, system, and related information by means of direct access, whether in person, or by telephone/modem installed and maintained at Franchisee's sole expense.

11. BOOKS AND RECORDS

Franchisee must maintain accurate business records, reports, accounts, books and data relating to the operation of Franchisee's Business. During the first twelve (12) months of operation of the Business, Franchisee must use a bookkeeper from Franchisor's approved list of bookkeepers. Franchisor and Franchisor's designees have the right to inspect and/or audit Franchisee's business records at any time during normal business hours, to determine whether Franchisee is current with suppliers and are otherwise operating in compliance with the terms of this Agreement and the Operations Manual. If any audit reveals that Franchisee has understated Franchisee's royalty or marketing payments, or Franchisee's Local Marketing Requirement expenditures, by more than two percent (2%), or if Franchisee has failed to submit timely reports and/or remittances for any three (3) reporting periods within any twelve (12)-month period, Franchisee must pay the reasonable cost of such audit and/or inspection, including the cost of outside auditors and attorneys (to the extent Franchisor incurs such costs), together with amounts due for royalty and other fees as a result of such underreporting and/or failure to submit reports, along with all late fees and interest which may otherwise be due under this Agreement.

12. MARKETING

Recognizing the value of marketing and promotion, and the importance of the standardization of marketing and promotion programs to the furtherance of the goodwill and public image of the System, the parties agree as follows:

12.1 **Generally.** With regard to marketing generally for the Business, Franchisee shall place or display at the Approved Location (interior and exterior) only such signs, emblems, lettering, logos and displays and marketing materials as Franchisor approves in writing from time to time. Franchisee shall submit to Franchisor, at least ten (10) days prior to publication or use, samples of all sales, promotional, and marketing materials Franchisee desires to use, including, but not limited to, all print, radio and television material, signage, supplies and packaging which Franchisor has not previously approved. Such submission shall not affect Franchisee's right to determine the prices at which Franchisee sells Franchisee's products. Within five (5) days of Franchisor's receipt of any sample sales promotional material or marketing materials from Franchisee, Franchisor shall notify Franchisee in writing of Franchisor's approval or disapproval of the materials. Franchisee shall not use any marketing materials for which Franchisor has not given Franchisor's prior written approval. All marketing materials shall prominently display the Proprietary Marks and shall comply with any standards for use of the Proprietary Marks Franchisor establishes as set forth in the Operations Manual or otherwise in writing. Franchisor may require Franchisee to discontinue the use of any marketing material, within time frames prescribed by Franchisor, at Franchisee's sole cost and expense.

12.2 **Territorial Marketing Restriction.** Franchisee is not permitted to solicit clients and/or market outside Franchisee's Territory, except to the extent that Franchisee has received Franchisor's prior written authorization, which Franchisor will not unreasonably withhold. Franchisor may condition Franchisor's authorization upon Franchisee's agreement to offer System franchisees that are operating System Businesses in territories encompassed by the circulation base of the proposed marketing opportunity to participate in, and share the expense of, such solicitation and/or marketing opportunity. Notwithstanding the foregoing, Franchisee may not accept clients from outside Franchisee's Territory. Franchisee may not advertise the Business or any products or services offered by the Business via the Internet or any other means of e-commerce, except as permitted in Section 12.3.

12.3 Internet Website.

12.3.1 Franchisor will establish a website that provides information about the System and Franchisor's products and services. Franchisor may use the Technology Fees and monies from the Branding Fund that Franchisor collects under this Agreement to pay or reimburse the costs associated with the

development, maintenance and update of such website. Franchisor will also provide, through a third party internet marketing company of its choice, an integrated customizable and supported mobile-friendly website to Franchisee, which includes maintenance updates, changes, enhancements, form support and security protection. In addition, the website will have the same Qualicare branding as the corporate site with templated pages, layout and content. All local website pages will be in a subdirectory of the qualicare.com domain formatted as www.qualicare.com/territoryname. Franchisor will be the web master, either directly or through a third party, and will have absolute discretion and control over such a web page. All information on the website must be approved by Franchisor prior to posting, pursuant to Section 12.1 above. Franchisee is prohibited from maintaining an individual website related to the Franchised Business, or establishing a URL incorporating any variation of the “Qualicare” name or the Proprietary Marks. Franchisee cannot violate Franchisor’s privacy policies or user terms posted on its website. Franchisor has the right to modify the provisions of this Section 12.3 relating to Internet websites as Franchisor deems necessary or appropriate in the best interest of the System.

12.3.2 Franchisee may not establish a URL incorporating any variation of the “Qualicare”, “Qualicare 360°” or “360° Case Management” names or the Proprietary Marks, without Franchisor’s prior written approval. Franchisee will not violate Franchisor’s privacy policies as posted on the website. Franchisee must also participate in any System-wide area computer network, intranet system, or extranet system implemented by Franchisor as described in Section 7.9 above. The Franchisee shall, during the term of this Agreement, maintain access to the Internet and comply with all Internet and privacy policies announced by the Franchisor from time to time, and as required by applicable law. Any advertising or other presence or promotion by Franchisee on the Internet must comply with Franchisor’s internet and privacy policies, data protection requirements and applicable law, including the contents of any Franchisee website (the Franchisee Home Page). Any website property, including social media, mobile property, address, domain name and other identifiers used in any website owned or maintained by or for the benefit of the Franchisee shall belong to Franchisor.

12.3.3 The Franchisee agrees that it will not utilize any approved website used to promote the Franchised Business in any manner not approved by Franchisor including but not exclusive to misuse of the Proprietary Marks, and Franchisee agrees to abide by all terms and conditions prescribed by Franchisor in relation to any website provided to Franchisee or authorized for use by Franchisee for the promotion of the Franchised Business. Franchisee may not conduct business hereunder through the Internet without Franchisor’s consent. In connection with any such consent, Franchisor may establish such requirements as it deems appropriate, including:

12.3.3.1 obtaining its prior written approval of any Internet domain name, home page and social media addresses;

12.3.3.2 obtaining of account information for any of the Internet customer accounts used by Franchisee in the Franchised Business;

12.3.3.3 submission for its approval of all website pages, advertising materials and content;

12.3.3.4 use of all meta-tags, hyperlinks and other links;

12.3.3.5 restrictions on use of any materials (including text, video clips, photographs, images and audio clips) in which any third party has any ownership interest;

12.3.3.6 obtaining its prior written approval of any modifications; and

12.3.3.7 consenting in advance to its removal of any website pages, materials,

advertising and content as it deems desirable, in its sole discretion, to maintain and enhance the goodwill associated with the Marks.

12.3.4 Franchisee acknowledges that Franchisor is the lawful, rightful and sole owner of the Internet domain name www.qualicare.com, and any other Internet domain names registered by Franchisor, and unconditionally disclaims any ownership interest in those or any arguably similar Internet domain names. Franchisee agrees not to register any Internet domain name in any class or category that contains words used in or similar to any brand name owned by Franchisor or Franchisor's affiliates or any abbreviation, acronym, phonetic variation or visual variation of those words.

12.4 **Grand Opening Marketing & Promotion.** Franchisee must spend between \$4,000 and \$7,500 to promote the grand opening of Franchisee's Business ("Grand Opening Marketing Requirement") within the first six (6) months of opening Franchisee's Business. Franchisee may expend additional sums on advertising its grand opening at its sole discretion. Franchisor reserves the right to collect the Grand Opening Marketing Requirement and implement a grand opening marketing and promotions program on Franchisee's behalf. All marketing must be approved by Franchisor in writing prior to publication, as described in Section 12.1, above. In addition, prior to attending Home Office Training, Franchisee must purchase from Franchisor or its designated supplier, a start-up marketing kit (the "Start-Up Marketing Kit"), which includes a short-term supply of marketing collateral. The cost of the Start-Up Marketing Kit is \$2,500 and is not refundable.

12.5 **Branding Fund.** Franchisor has established a brand development fund (the "Fund") for the common benefit of System Franchisees. Franchisee will participate in and contribute monthly to the Fund an amount of one percent (1%) of Franchisee's Gross Sales (the "Brand Development Fee") in the manner Franchisor prescribes. If Franchisor requires Franchisee to contribute to the Fund, Franchisee must pay the Brand Development Fee in the same manner as the Royalty fees due under this Agreement. Franchisor has the right to require that an advertising cooperative and/or franchisee advisory council be formed, changed, dissolved or merged.

12.5.1 Franchisor will use Fund contributions, in Franchisor's sole discretion, to develop, produce and distribute national, regional and/or local advertising and to create advertising materials and public relations programs which promote, in Franchisor's sole judgment, the services offered by System Franchisees. Franchisor has the sole right to determine contributions and expenditures from the Fund, or any other advertising program, and sole authority to determine, without limitation, the selection of the advertising materials and programs; provided, however, that Franchisor will make a good faith effort to expend Fund contributions in the general best interests of the System on a national or regional basis. Franchisor may use the Fund to satisfy any and all costs of maintaining, administering, directing, preparing, and producing advertising, including the cost of preparing and producing television, radio, magazine and newspaper advertising campaigns; the cost of direct mail and outdoor billboard advertising; the cost of public relations activities and advertising agencies; the cost of developing and maintaining an Internet website; and personnel and other departmental costs for advertising that Franchisor internally administers or prepares. Nevertheless, Franchisee acknowledges that not all System Franchisees will benefit directly or on a pro rata basis from such expenditures. While Franchisor does not anticipate that any part of the Fund contributions will be used for advertising which is principally a solicitation for franchisees, Franchisor reserves the right to use the Fund for public relations or recognition of the Qualicare brand.

12.5.2 Franchisor may periodically assist franchises to maintain high quality standards through client surveys, client interviews, and other similar initiatives ("Surveys"). The cost of such programs will be borne by the Fund. The cost of these programs may be charged directly to Franchisee if Franchisee's results from a Survey fall below System established minimum standards for such Surveys.

12.5.3 Franchisor has the right to reimburse itself from the Fund contributions for such reasonable costs and overhead, if any, as Franchisor may incur in activities reasonably related to the

direction and implementation of the Fund.

12.5.4 Franchisor's contribution to the Fund for subsequent company owned units will be equal to that provided for in Franchisor's Franchise Disclosure Document in the year that the company owned unit is established. Should the advertising contribution for the System decrease at any time, Franchisor has the right to reduce Franchisor's contribution from company owned units to the rate specified for franchised locations. Upon Franchisee's request, Franchisor will make available for Franchisee within sixty (60) days of the end of the fiscal year, a statement of contributions and expenditures for the Fund. The Fund is not required to be independently audited.

12.6 Regional Marketing and Promotional Cooperative. Franchisor shall have the right, in Franchisor's discretion, to designate any geographical area for purposes of establishing a regional marketing and promotional cooperative ("Cooperative"), and to determine whether a Cooperative is applicable to the Franchised Business. If a Cooperative has been established applicable to the Franchised Business at the time Franchisee begins operating under this Agreement, Franchisee must immediately become a member of such Cooperative. If a Cooperative applicable to the Franchised Business is established at any later time during the term of this Agreement, Franchisee must become a member of such Cooperative no later than thirty (30) days after the date on which the Cooperative begins operation. If the Franchised Business is within the territory of more than one Cooperative, Franchisee is required to be a member of only one such Cooperative. The following provisions will apply to each Cooperative:

12.6.1 Each Cooperative will be organized and governed in a form and manner, and will commence operation on a date, approved in advance by Franchisor;

12.6.2 Each Cooperative will be organized for the exclusive purpose of administering regional marketing programs and developing, subject to Franchisor's approval, standardized marketing materials for use by the members in local marketing;

12.6.3 No promotional or marketing plans or materials may be used by a Cooperative or furnished to its members without Franchisor's prior approval. All such plans and materials shall be submitted to Franchisor in accordance with the procedure set forth in Section 12.1 hereof;

12.6.4 All activities and contributions (which may exceed the Local Marketing Requirement as described in Section 12.7, however, Franchisee will receive credit for Cooperative contributions against the Local Marketing Requirement) to the Cooperative shall be determined by a majority vote of the member franchisees in the Cooperative;

12.6.5 Each member franchisee must submit to the Cooperative, no later than the Tuesday following the first Monday of each month, for the preceding month, its respective contribution as provided in this Agreement together with such other statements or reports as Franchisor may require or as may be required the Cooperative with Franchisor's approval; and

12.6.6 Franchisor may grant to any franchisee, in Franchisor's sole discretion, an exemption for any length of time from the requirement of membership in a Cooperative, upon written request of such franchisee stating reasons supporting such exemption. Franchisor's decision concerning such request for exemption will be final.

12.7 Local Marketing Requirement. Franchisee must spend a minimum of One Thousand Dollars (\$1,000) each month on local marketing and advertisements (the "Local Marketing Requirement"). Franchisee will be required to spend the Local Marketing Requirement as Franchisor prescribes in the Operations Manual or otherwise in writing, which may include, without limitation, requirements for placing a certain number and/or type(s) of media advertisements or changes to the manner and formats in which the

Local Marketing Requirement is spent. Franchisee acknowledges and agrees that Franchisee's local marketing obligation must be expended regardless of the amount(s) spent by other System franchisees on local marketing. Franchisee may spend any additional sums Franchisee wishes on local marketing. Franchisee must use only such marketing and promotional materials as have been previously approved by Franchisor. Franchisee must send Franchisor proof of these expenditures within fifteen (15) days of the end of each month. Franchisee must use any required local advertising materials designated by Franchisor. All advertising must prominently display the Proprietary Marks and comply with any standards for use of the Proprietary Marks Franchisor establishes from time to time. Franchisor may require Franchisee to discontinue use of any advertising or marketing materials at any time at your expense.

12.8 Online Lead Generation Requirement. Franchisee is required to spend a minimum of \$1,000 per month on online lead generating advertising with Franchisor's designated vendors (the "Online Lead Generation Requirement"). Franchisee must spend the Online Lead Generation Requirement in the manner Franchisor prescribes in the Operations Manual or as otherwise in writing. Franchisee must send Franchisor proof of Franchisee's expenditures which satisfy the Online Lead Generation requirement in the form requested by Franchisor within 15 days of the end of each month. Franchisee shall follow up on all customer leads provided to Franchisee through this advertising within twenty-four (24) hours of the potential client enquiry by way of home visit, telephone or by email.

13. INDEPENDENT CONTRACTOR; INDEMNIFICATION

13.1 Independent Contractor Status. Franchisee is an independent contractor responsible for full control over the internal management and daily operation of Franchisee's Business, and neither party to this Agreement is the agent, principal, partner, employee, employer or joint venture partner of the other party. Franchisee may not act or represent itself, directly or by implication, as Franchisor's agent, partner, employee or joint venture partner, and Franchisee may not incur any obligation on Franchisor's behalf or in Franchisor's name. All stationery, business cards and contractual agreements entered into by Franchisee shall contain Franchisee's corporate or fictitious name and a conspicuously displayed notice in the place Franchisor designates, that Franchisee operates Franchisee's Business as an independently owned and operated Qualicare franchise and that Franchisee independently owns and operates the Business as a System franchisee. Nothing in this Agreement authorizes Franchisee to make any contract, agreement warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any of Franchisee's acts or omissions in the operation of the franchised business or for any claim or judgment arising therefrom against Franchisee or Franchisor.

13.2 Indemnification. Franchisee and Franchisee's principals agree to indemnify, defend and hold Franchisor, Franchisor's affiliates and their respective shareholders, directors, officers, employees, agents, successors and assignees ("Indemnitees") harmless against and to reimburse them for all claims, obligations, liabilities and damages ("Claims"), including any and all taxes, directly or indirectly arising out of, in whole or in part: (a) the operation of Franchisee's Business, including the use, condition, or construction, equipping, decorating, maintenance or operation of the Franchised Business Premises, the sale or provision of any services, including supplemental healthcare staffing services or personal care services, and Franchisee's advertising; (b) the use of the Proprietary Marks and other Proprietary Material; (c) the transfer of any interest in this Agreement or Franchisee's Business in any manner not in accordance with this Agreement; (d) the infringement, alleged infringement, or any other violation or alleged violation by Franchisee or any of Franchisee's principals of any patent, mark or copyright or other proprietary right owned or controlled by third parties; or (e) libel, slander or any other form of defamation of Franchisor, the System or any franchisee or developer operating under the System, by Franchisee or by any of Franchisee's principals. For purposes of this indemnification, "Claims" shall mean and include all obligations, actual, consequential, punitive and other damages, and costs reasonably incurred in the defense of any action, including attorneys', attorney assistants' and expert witness fees, costs of investigation and proof of facts,

court costs, other litigation expenses, and travel and living expenses, whether or not such claims exceed the amount of insurance coverage available through Franchisee to Franchisor. Franchisor shall have the right to defend any such claim against it in such manner as Franchisor deems appropriate or desirable in Franchisor's sole discretion. Such an undertaking by Franchisor shall, in no manner or form, diminish Franchisee's and each of Franchisee's principals' obligations to indemnify the Indemnities and to hold them harmless. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

14. SALE OR TRANSFER

14.1 **Transfer.** Franchisee's rights under this Agreement are personal, and Franchisee shall not sell, transfer, assign or encumber Franchisee's interest in the Franchise Business without Franchisor's prior written consent. Any sale, transfer, assignment or encumbrance made without Franchisor's prior written consent shall be voidable at Franchisor's option and shall subject this Agreement to termination as specified herein.

14.2 **Death or Disability.**

14.2.1 Representative's Right to Continue as Franchisee. In the event of Franchisee's death, disability or incapacitation (or the death, disability or incapacitation of Franchisee's partners or personal guarantors, Franchisee's legal representative, or Franchisee's partner's or guarantor's respective legal representative, as applicable) shall have the right to continue the operation of the Business as franchisee under this Agreement if: (i) within forty-five (45) days from the date of death, disability or incapacity (the "45 day period"), such person has obtained Franchisor's prior written approval and has executed Franchisor's then-current Franchise Agreement for the unexpired term of the franchise, or has furnished a personal guaranty of any partnership, corporate or limited liability company franchisee's obligations to Franchisor and Franchisor's affiliates; and (ii) such person successfully completes Franchisor's training program (which Franchisor will provide at Franchisor's then-current tuition rate). Such assignment by operation of law will not be deemed in violation of this Agreement, provided such heirs or legatees accept the conditions imposed by the Franchise Agreement and are acceptable to Franchisor.

14.2.2 Business Operation During and After 45 Day Period. Franchisor is under no obligation to operate the Business, or incur any obligation on behalf of any incapacitated franchisee, during or after the 45-day period. If necessary, Franchisee (or Franchisee's legal representative, as applicable) shall appoint a previously approved acting interim manager to operate the Business during the 45-day period. In the event of Franchisee's death, disability, absence or otherwise, Franchisor may (but is not required to) operate Franchisee's Business on Franchisee's behalf and at Franchisee's expense for such period of time (and under such terms and conditions) as Franchisor determines, including paying out the assets and/or revenues of the Business to cover any or all past, current and/or future obligations of the Business (including any amounts owed to Franchisor and/or any affiliate) in such priorities as Franchisor determines from time-to-time in Franchisor's sole and absolute discretion. Franchisor may pay itself a reasonable amount to reimburse Franchisor for Franchisor's management services and other costs. Franchisor may obtain approval of a court or arbitrator for any such arrangements, the attorney's fees and other costs incurred in connection with obtaining such approval to be charged against the assets and/or revenues of Franchisee's Business. Franchisee (and/or Franchisee's estate) will indemnify Franchisor against any costs and/or liabilities incurred by it in connection with, or related in any way to, the operation (or otherwise) of Franchisee's Business.

14.3 **Ownership Changes.** A sale, transfer or assignment requiring Franchisor's prior written consent shall be deemed to occur: (i) if Franchisee is a corporation, upon any assignment, sale, pledge or transfer of any fractional portion of Franchisee's voting stock or any increase in the number of outstanding shares of Franchisee's voting stock which results in a change of ownership, (ii) if Franchisee is a

partnership, upon the assignment, sale, pledge or transfer of any fractional partnership ownership interest; or (iii) if Franchisee is a limited liability company, upon the assignment, sale, pledge or transfer or any interest in the limited liability company. Any new partner, shareholder, or member or manager owning more than ten percent (10%) of the outstanding shares of the corporation, will be required to personally guarantee Franchisee's obligations under this Agreement. A transfer pursuant to (i) and (iii) above shall not be subject to Franchisor's right of first refusal as set forth in Section 14.3.1.

14.3.1 Right of First Refusal. If Franchisee proposes to transfer either this Agreement or all, or substantially all, of the assets used in connection with the Franchised Business or any interest in Franchisee's lease to any third party (other than a corporation or limited liability company as set forth in Section 14.4 hereof), Franchisee shall first offer to sell such interest to Franchisor on the same terms and conditions as offered by such third party. Franchisee shall obtain from the third party and provide Franchisor a statement in writing, signed by the third party and Franchisee, of the terms of the offer ("Letter of Intent"). If Franchisor elects not to accept the offer within a thirty (30) day period, Franchisee shall have a period not to exceed sixty (60) days to complete the transfer described in the Letter of Intent subject to the conditions for approval set forth in Section 14.3.2 hereof. Franchisee shall effect no other sale or transfer as contemplated under the Letter of Intent without first complying with this Section 14.3.1. Any material change in the terms of the offer, shall be deemed a new proposal subject to Franchisor's right of first refusal. So long as Franchisee has obtained Franchisor's prior written consent, which shall not be unreasonably withheld, a transfer to an existing partner or shareholder, or a transfer as a result of the death, disability or incapacitation of a shareholder or partner, in accordance with the provisions set forth below, is not subject to Franchisor's first right of refusal.

14.3.2 Conditions for Approval. Franchisor may condition Franchisor's approval of any proposed sale or transfer of the Franchise Business or of Franchisee's interest in this Agreement upon satisfaction of the following occurrences:

14.3.2.1 All of Franchisee's accrued monetary obligations to Franchisor, Franchisor's affiliates, and Franchisor's designated/approved suppliers and vendors, are satisfied;

14.3.2.2 Franchisee must cure all existing defaults under this Agreement, or any other agreement between Franchisee and Franchisor, Franchisor's affiliates, Franchisor's designated/approved suppliers and vendors, within the period permitted for cure and have substantially complied with such agreements during their respective terms;

14.3.2.3 Franchisee and Franchisee's principals (if Franchisee is a partnership, corporation or limited liability company), and the transferee (if it has had any previous relationship with Franchisor or Franchisor's affiliates), must execute a general release under seal, in a form satisfactory to Franchisor, of any and all claims against Franchisor and Franchisor's affiliates and officers, directors, shareholders and employees, in their corporate and individual capacities; provided, however, the release shall not be inconsistent with any applicable state statute regulating franchising;

14.3.2.4 Franchisee or transferee shall provide Franchisor a copy of the executed purchase agreement relating to the proposed transfer with all supporting documents and schedules, including transferee's assumption of and agreement to faithfully perform all of Franchisee's obligations under this Agreement;

14.3.2.5 The transferee shall demonstrate to Franchisor's satisfaction that he or she meets Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement; however, transferee shall not be in the same business as Franchisor either as licensor, franchisor,

independent operator or licensee of any other personal care business, chain or business which is similar in nature or in competition with Franchisor, except that the transferee may be an existing franchisee of ours;

14.3.2.6 The transferee shall execute Franchisor's then-current Franchise Agreement for the unexpired term of this Agreement;

14.3.2.7 Franchisee or transferee shall pay Franchisor a transfer fee equal to fifteen thousand dollars (\$15,000);

14.3.2.8 The transferee shall satisfactorily complete Franchisor's training program at the transferee's expense within the time frame Franchisor sets forth;

14.3.2.9 Franchisee (and Franchisee's principals if Franchisee is a partnership, corporation or limited liability company), and the members of their respective families must comply with the post-termination provisions of this Agreement;

14.3.2.10 The transferee must obtain, within the time limits set by Franchisor, and maintain thereafter, all permits and licenses required for the operation of the Franchised Business;

14.3.2.11 To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer;

14.3.2.12 The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises;

14.3.2.13 The purchase price and terms of the proposed transfer are not so burdensome to the prospective transferee as to impair or materially threaten its future operation of the Business and performance under its franchise agreement;

14.3.2.14 Franchisee must request that Franchisor provide the prospective transferee with Franchisor's current form of Franchise Disclosure Document and Franchisor shall not be liable for any representations not included in the Disclosure Document;

14.3.2.15 Franchisor's approval of the transfer shall not constitute a waiver of any claims Franchisor may have against the transferring party;

14.3.2.16 Franchisor shall have the right to disclose to any prospective transferee such revenue reports and other financial information concerning Franchisee and Franchisee's Business as Franchisee has supplied Franchisor hereunder; and

14.3.2.17 In any event, Franchisor may withhold or condition Franchisor's consent to any transfer as Franchisor deems appropriate based on the circumstances of the transfer or otherwise.

14.4 Transfer to a Corporation or Limited Liability Company. If Franchisee is an individual and desires to assign its rights under this Agreement to a corporation or limited liability company, and if all of the following conditions are met, Franchisor will consent to the transfer without assessing the transfer fee set forth in Section 14.3.2.7, and such assignment will not be subject to Franchisor's right of first refusal in Section 14.3.1:

14.4.1 The corporation or limited liability company is newly organized and its activities are confined to operating the Franchised Business;

14.4.2 Franchisee is, and at all times remains, the owner of fifty-one percent (51%) of the outstanding shares of the corporation or a controlling interest in the limited liability company;

14.4.3 The corporation or limited liability company agrees in writing to assume all of Franchisee's obligations hereunder; and

14.4.4 All stockholders of the corporation, or members and managers of the limited liability company, as applicable, personally guarantee prompt payment and performance by the corporation or limited liability company of all its obligations to Franchisor and Franchisor's affiliates, under this Agreement and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates and execute a non-compete agreement as set forth in Section 17.4 hereof.

14.5 **Franchisor's Right to Transfer.** Franchisor has the right to sell, transfer, assign and/or encumber all or any part of Franchisor's assets and Franchisor's interest in, and rights and obligations under, this Agreement in Franchisor's sole discretion.

15. BREACH AND TERMINATION

15.1 **Automatic Termination.** This Agreement shall automatically terminate without notice or an opportunity to cure upon the occurrence of any of the following:

15.1.1 Voluntary Bankruptcy. If Franchisee makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy, is adjudicated bankrupt or insolvent, files or acquiesces in the filing of a petition seeking reorganization or arrangement under any federal or state bankruptcy or insolvency law, or consents to or acquiesces in the appointment of a trustee or receiver for Franchisee or the franchised business.

15.1.2 Involuntary Bankruptcy. If proceedings are commenced to have Franchisee adjudicated bankrupt or to seek Franchisee's reorganization under any state or federal bankruptcy or insolvency law, and such proceedings are not dismissed within sixty (60) days, or a trustee or receiver is appointed for Franchisee or the franchised business without Franchisee's consent, and the appointment is not vacated within sixty (60) days.

15.2 **With Notice and Without Opportunity to Cure.** Franchisor has the right to terminate this Agreement upon notice without providing Franchisee an opportunity to cure for any of the following breaches or defaults:

15.2.18 Government Actions. Any government action is taken against Franchisee that results in any obligation upon Franchisor which in Franchisor's sole judgment is uneconomical, not in the best interests of Franchisor, or would result in Franchisor having an unintended relationship or obligation.

15.2.19 Anti-Terrorist Activities. Franchisee fails to comply with the provisions of Section 22.7.

15.2.20 Insufficient Funds. If there are insufficient funds in Franchisee's bank account to cover a check or EFT payment to Franchisor three (3) or more times within any twelve (12) month period.

In the event Franchisor exercises the rights described in this Section, Franchisee must reimburse Franchisor for all reasonable costs and overhead, if any, incurred in connection with its operation of Franchisee's Business including, without limitation, costs of personnel for supervising and staffing the Franchised Business and their travel and lodging accommodations. If Franchisor undertakes to operate the Business pursuant to this Section, Franchisee agrees to indemnify and hold Franchisor (and Franchisor's representative(s) and employees) harmless from and against any fines, claims, suits or proceedings which may arise out of Franchisor's operation of the Business.

15.6 **Nonwaiver.** Franchisor's delay in exercising or failing to exercise any right or remedy under this Agreement or Franchisor's acceptance of any late or partial payment due hereunder shall not constitute a waiver of any of Franchisor's rights or remedies against Franchisee.

16. RIGHTS AND DUTIES UPON TERMINATION OR EXPIRATION

16.1 **Franchisee's Obligations.** Upon termination of this Agreement, regardless of the cause, and upon expiration and non-renewal or transfer of this Agreement, Franchisee must, at Franchisee's cost and expense:

16.1.1 Cease immediately all operations under this Agreement;

16.1.2 Pay Franchisor immediately all unpaid fees and pay Franchisor, Franchisor's affiliates, Franchisor's major suppliers and vendors, all other monies owed;

16.1.3 Discontinue immediately the use of the Proprietary Marks;

16.1.4 Immediately return the Operations Manual, Proprietary Software and Third Party Material, client lists, all other Proprietary Materials and Confidential Information Franchisor loaned to Franchisee and immediately and permanently cease use of such information and materials;

16.1.5 Immediately cease using all telephone numbers and listings used in connection with the operation of the Franchised Business and direct the telephone company to transfer all such numbers and listings to Franchisor or Franchisor's designee pursuant to the Conditional Assignment of Telephone Numbers attached hereto as Exhibit B or, if Franchisor directs, to disconnect the numbers;

16.1.6 Promptly surrender all stationery, printed matter, signs, advertising materials and other items containing the Proprietary Marks as Franchisor directs and all items which are a part of the trade dress of the System;

16.1.7 Cease to hold itself out as Franchisor's franchisee;

16.1.8 Take such action as shall be necessary to amend or cancel any assumed name, business name or equivalent registration which contains any trade name or other Proprietary Mark Franchisor licensed to Franchisee and furnish Franchisor evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) calendar days after the termination, expiration or transfer of this Agreement;

16.1.9 Permit Franchisor to make final inspection of Franchisee's financial records, books, and other accounting records within six (6) months of the effective date of termination, expiration, or transfer;

16.1.10 Comply with the post-termination covenants set forth in Section 17 hereof, all of which shall survive the transfer, termination or expiration of this Agreement;

16.1.11 Cease to use in marketing materials or in any other manner, any methods, procedures or techniques associated with Franchisor or the System; and

16.1.13 Promptly turn over all Client Lists and any other information Franchisee may have about former, existing, or potential clients, including health related information and financial information.

16.2 **Power of Attorney.** Franchisee hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to execute in Franchisee's name and on Franchisee's behalf all documents necessary to discontinue Franchisee's use of the Proprietary Marks and the Confidential Information.

16.3 **Option to Purchase Personal Property.**

16.3.1 Upon the termination or expiration of this Agreement, Franchisor, or Franchisor's designee shall also have the option, but not the obligation, to purchase any personal property used in connection with operation of Franchisee's Business by providing Franchisee written notice of Franchisor's election within sixty (60) calendar days after such termination or expiration and paying Franchisee the book value for such personal property within sixty (60) calendar days of such notice. For purposes of this paragraph, "book value" means the amount Franchisee actually paid for the personal property less depreciation (calculated by using the straight-line depreciation method on a ten (10) year depreciation schedule irrespective of the depreciation method or schedule Franchisee uses for accounting purposes). Notwithstanding the foregoing, to the extent that Franchisor exercises Franchisor's right to purchase any personal property that is subject to a lease or finance agreement, the purchase price of such personal property shall equal the amount of Franchisee's remaining obligations under the lease or finance agreement, as applicable. Franchisor shall be entitled to offset the purchase price by the amount of money owed by Franchisee to Franchisor for any payments necessary to acquire clear title to property or for any other debt. If Franchisor exercises Franchisor's option to purchase, pending the closing of such purchase, Franchisor has the right to appoint a manager to maintain operation of the Business, or Franchisor may require that Franchisee close the Franchised Business during such period without removing any assets. Franchisee is required to maintain in force all insurance policies required under this Agreement until the date of such closing. Franchisor has the unrestricted right to assign this option to purchase the Business. Franchisor will be entitled to all customary warranties and representations in connection with Franchisor's purchase of Franchisee's property, including, without limitation, representations and warranties as to ownership and condition of and title to the property; liens and encumbrances on the property; validity of contracts and agreements; and liabilities affecting the property, contingent or otherwise.

16.3.2 **Exclusions.** Franchisor may exclude from the personal property purchased hereunder cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the Business's operation or that Franchisor has not approved as meeting standards for the Business.

16.4 **Damages, Costs, and Expenses.** In the event of termination for any default by Franchisee, Franchisee shall promptly pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default, which obligation shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of Franchisee's personal property, furnishings, equipment, signs, fixtures and inventory related to the operation of the Business.

16.5 **Lost Future Royalties.** If we terminate this Agreement based on your default, or if you abandon or otherwise cease to operate the Franchised Business, then, in addition to all other amounts due to us under this Agreement, you agree to pay to us, as liquidated damages, an amount calculated as follows: (a) the average of your monthly Royalties that are due under this Agreement for the twelve (12) months immediately before your abandonment or our delivery of the notice of default; (b) multiplied by the lesser of thirty-six (36) months or the number of months remaining in the then-current term of this Agreement under Section 2 above. Notwithstanding the foregoing, if the Franchised Business has not yet been opened and is in operation for less than fifteen (15) months before we terminate this Agreement based on your default, or if you abandon or otherwise cease to operate the Franchised Business, then, in addition to all other amounts due to us under this Agreement, you agree to pay to us, as liquidated damages, an amount calculated as follows: (x) the greater of (i) the average of your monthly Royalties that are due under this Agreement for the three (3) months immediately before your abandonment or our delivery of the notice of default, or (ii) six hundred dollars (\$600); (y) multiplied by thirty-six (36) months.

17. COVENANTS

Franchisee acknowledges that as a participant in Franchisor's Franchise System, Franchisee will receive proprietary and confidential information and materials, trade secrets, and the unique methods, procedures and techniques which Franchisor has developed. Therefore, to protect Franchisor and all Franchisor's franchisees, Franchisee agrees as follows:

17.1 **During the Term of This Agreement.** During the term of this Agreement, neither Franchisee, Franchisee's principals, General Managers, officers, directors, or principals, nor any member of the immediate family of Franchisee or Franchisee's principals, officers, directors, and General Managers may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

17.1.1 Own, maintain, engage in, lend money to, extend credit to, have any interest in, or be employed as an officer, director, executive, or principal of any other business offering Personal Services, including companion care, Home Healthcare Services, including supplemental healthcare staffing services or skilled nursing services or other goods or services offered or authorized for sale by System franchisees; provided, however, that this Section does not apply to Franchisee's operation of any other Qualicare Business; or

17.1.2 Divert or attempt to divert any business or client of the Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks or the System.

17.2 After the Term of This Agreement.

17.2.1 For a period of two (2) years after the expiration and non-renewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, Franchisee's principals, nor any member of the immediate family of Franchisee or Franchisee's principals may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation, enter into any business competing in whole or in part with Franchisor granting franchises or licenses for businesses offering Personal Services, including companion care, Home Healthcare Services, including supplemental healthcare staffing services or skilled nursing services or other goods or services offered or authorized for sale by System franchisees at the time this Agreement is terminated or otherwise expires and is not renewed.

17.2.2 For a period of two (2) years after the expiration, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, Franchisee's principals, nor any member of the immediate family of Franchisee or Franchisee's principals may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

17.2.2.1 Own, maintain, engage in, lend money to, extend credit to, have any interest in, or be employed as an officer, director, executive, or principal of any other business offering, in whole or in part, Personal Services, including companion care, Home Healthcare Services, including supplemental healthcare staffing services or skilled nursing services or other goods or services offered or authorized for sale by System franchisees at the time this Agreement is terminated or otherwise expires and is not renewed, (i) at the Franchised Business premises; (ii) within the Territory; or (iii) within a radius of twenty (20) miles of the perimeter of (a) the Territory being granted hereunder or (b) any other territory licensed by Franchisor as of the date of expiration or termination of this Agreement; or

17.2.2.2 Solicit business from clients of Franchisee's former Business or contact any of Franchisor's suppliers or vendors for any competitive business purpose or solicit any of our employees, or the employees of Franchisor's affiliates or any other System franchisee to discontinue employment.

17.3 Intent and Enforcement. It is the parties' intent that the provisions of this Section 17 be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of this Section 17 by Franchisee, any of Franchisee's principals, or any member of the immediate family of Franchisee or Franchisee's principals, Franchisor shall be entitled to an injunction restraining such person from any such actual or threatened breach. Franchisee agrees that in the event of the actual or threatened breach of this Section 17, Franchisor's harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. Franchisee acknowledges and agrees on Franchisee's own behalf and on behalf of the persons who are liable under this Section 17 that each has previously worked or been gainfully employed in other careers and that the provisions of this Section 17 in no way prevent any such person from earning a living. Franchisee further acknowledges and agrees that the time limitation of this Section 17 shall be tolled during any default under this Section.

17.4 Employees. Franchisee shall ensure that Franchisee's principals, employees and members of their immediate families who have access to Franchisor's Confidential Information, including all of Franchisee's managers and other key employees, execute a Confidentiality and Restrictive Covenant Agreement, in the form attached as Exhibit C to the Franchise Agreement, or as Franchisor, in Franchisor's sole discretion, otherwise prescribes. Franchisee must furnish Franchisor a copy of each and/or any executed agreement, upon request.

17.5 No Defense. Franchisee hereby agrees that the existence of any claim Franchisee may have

against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants contained in this Section 17. Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) which Franchisor incurs in connection with the enforcement of this Section 17.

18. DISPUTE RESOLUTION

18.1 **Choice of Law.** This Agreement takes effect only when all of the parties have signed this document. The parties agree that New York has a deep body of law that will aid in interpreting and understanding the terms of this Agreement and that they therefore have agreed that this Agreement will be interpreted and construed exclusively under the laws of the State of New York (which laws will prevail in the event of any conflict of law, without applying New York choice-of-law rules); provided, however, that if the covenants in Section 17 of this Agreement would not be enforced as written under New York law, then the parties agree that those covenants will instead be interpreted and construed under the laws of the state in which the Franchised Business is located. Nothing in this Section 18.1 is intended by the parties to invoke the application of any franchise, business opportunity, antitrust, implied covenant, unfair competition, fiduciary, and/or other doctrine of law of the State of New York (or any other state) that would not otherwise apply without the words of this Section 18.1.

18.2 **Mediation.** Before any party may bring an action in court against the other, the parties agree that they must first meet to mediate the dispute (except as otherwise provided in Section 18.7 below). Any such mediation will be non-binding and will be conducted in accordance with the then-current rules for mediation of commercial disputes of JAMS, Inc. (formerly, "Judicial Arbitration and Mediation Services, Inc.") at its location in Erie County, New York.

18.3 **Choice of Venue.** Subject to Section 18.7 below, the parties agree that any action that Franchisee brings against Franchisor, in any court, whether federal or state, must be brought only within the courts that have jurisdiction over Erie County, New York. Any action that Franchisor brings against Franchisee in any court, whether federal or state, may be brought within any court, whether federal or state, in Erie County, New York.

18.3.1 The parties agree that this Section 18.3 will not be construed as preventing either party from removing an action from state to federal court; provided, however, that venue will be as set forth above.

18.3.2 The parties hereby waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision.

18.3.3 Any such action will be conducted on an individual basis, and not as part of a consolidated, common, or class action.

18.4 **Third-Party Beneficiaries.** Franchisor's officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the mediation set forth in this Section 18, each having authority to specifically enforce the right to mediate or arbitrate claims asserted against such person(s) by Franchisee.

18.5 **Prior Notice of Claims.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchisee must notify Franchisor within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

18.6 **No Right to Offset.** Franchisee shall not withhold all or any part of any payment to

Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Franchisee under this Agreement or any related agreements.

18.7 **Injunctive Relief.** Nothing in this Agreement shall prevent Franchisor from seeking to obtain injunctive relief, without posting a bond, against threatened conduct that will cause Franchisor loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions. If injunctive relief is granted, Franchisee's only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, Franchisee expressly waives all claims for damages Franchisee incurred as a result of the wrongful issuance.

18.8 **MUST BRING CLAIMS WITHIN ONE YEAR.** EACH PARTY TO THIS AGREEMENT AGREES THAT ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE PARTIES' RELATIONSHIP, AND/OR FRANCHISEE'S OPERATION OF THE FRANCHISED BUSINESS, BROUGHT BY ANY PARTY HERETO AGAINST THE OTHER, SHALL BE COMMENCED WITHIN ONE (1) YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR, IT IS EXPRESSLY ACKNOWLEDGED AND AGREED BY ALL PARTIES, SUCH CLAIM OR ACTION SHALL BE IRREVOCABLY BARRED.

18.9 **WAIVER OF PUNITIVE DAMAGES.** EACH PARTY TO THIS AGREEMENT HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM OF ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER, AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

18.10 **WAIVER OF JURY TRIALS.** EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

18.11 **Payment of Legal Fees.** Franchisee agrees to pay Franchisor all damages, costs and expenses (including without limitation reasonable attorneys' fees, court costs, discovery costs, and all other related expenses) that Franchisor incurs in: (a) obtaining injunctive or other relief for the enforcement of any provisions of this Agreement (including without limitation Sections 5 and 17 above); and/or (b) successfully defending a claim from Franchisee that Franchisor misrepresented the terms of this Agreement, fraudulently induced Franchisee to sign this Agreement, that the provisions of this Agreement are not fair, were not properly entered into, and/or that the terms of this Agreement (as it may be amended by its terms) do not exclusively govern the parties' relationship.

19. REPRESENTATIONS

19.1 **No Authority.** NO SALESPERSON, REPRESENTATIVE OR OTHER PERSON HAS THE AUTHORITY TO BIND OR OBLIGATE FRANCHISOR EXCEPT FRANCHISOR'S AUTHORIZED OFFICER BY A WRITTEN DOCUMENT. FRANCHISEE ACKNOWLEDGES THAT NO REPRESENTATIONS, PROMISES, INDUCEMENTS, GUARANTEES OR WARRANTIES OF ANY KIND WERE MADE BY FRANCHISOR OR ON FRANCHISOR'S BEHALF WHICH HAVE LED FRANCHISEE TO ENTER INTO THIS AGREEMENT. FRANCHISEE UNDERSTANDS THAT WHETHER FRANCHISEE SUCCEEDS AS A FRANCHISEE IS DEPENDENT UPON FRANCHISEE'S EFFORTS, BUSINESS JUDGMENTS, THE PERFORMANCE OF FRANCHISEE'S EMPLOYEES, MARKET CONDITIONS AND VARIABLE FACTORS BEYOND FRANCHISOR'S CONTROL OR INFLUENCE. FRANCHISEE FURTHER UNDERSTANDS THAT SOME FRANCHISEES ARE MORE OR LESS SUCCESSFUL THAN OTHER FRANCHISEES AND THAT FRANCHISOR HAS MADE NO REPRESENTATION THAT FRANCHISEE WILL DO AS WELL AS

ANY OTHER FRANCHISEE.

19.2 Receipt. THE UNDERSIGNED ACKNOWLEDGES RECEIPT OF THIS AGREEMENT, WITH ALL BLANKS COMPLETED AND WITH ANY AMENDMENTS AND EXHIBITS, AT LEAST SEVEN (7) DAYS PRIOR TO EXECUTION OF THIS AGREEMENT. IN ADDITION, THE UNDERSIGNED ACKNOWLEDGES RECEIPT OF FRANCHISOR'S UNIFORM FRANCHISE DISCLOSURE DOCUMENT AT LEAST FOURTEEN (14) DAYS PRIOR TO THE EXECUTION OF THIS AGREEMENT OR FRANCHISEE'S PAYMENT OF ANY MONIES TO FRANCHISOR, REFUNDABLE OR OTHERWISE.

19.3 Opportunity for Review by Franchisee's Advisors. FRANCHISEE ACKNOWLEDGES THAT FRANCHISOR HAS RECOMMENDED, AND THAT FRANCHISEE HAS HAD THE OPPORTUNITY TO OBTAIN, REVIEW OF THIS AGREEMENT AND FRANCHISOR'S FRANCHISE DISCLOSURE DOCUMENT BY FRANCHISEE'S LAWYER, ACCOUNTANT OR OTHER BUSINESS ADVISOR PRIOR TO EXECUTION HEREOF.

19.4 Execution of Agreement. EACH OF THE UNDERSIGNED PARTIES WARRANTS THAT IT HAS THE FULL AUTHORITY TO SIGN AND EXECUTE THIS AGREEMENT. IF FRANCHISEE IS A PARTNERSHIP OR CORPORATION, THE PERSON EXECUTING THIS AGREEMENT ON BEHALF OF SUCH PARTNERSHIP OR CORPORATION WARRANTS TO FRANCHISOR, BOTH INDIVIDUALLY AND IN HIS CAPACITY AS PARTNER OR OFFICER, THAT ALL OF THE PARTNERS OF THE PARTNERSHIP OR ALL OF THE SHAREHOLDERS OF THE CORPORATION, AS APPLICABLE, HAVE READ AND APPROVED THIS AGREEMENT, INCLUDING ANY RESTRICTIONS WHICH THIS AGREEMENT PLACES UPON RIGHTS TO TRANSFER THEIR INTEREST IN THE PARTNERSHIP OR CORPORATION.

20. GUARANTEE OF PRINCIPALS AND THEIR AND SPOUSES

If Franchisee is a corporation, or subsequent to execution hereof, Franchisee assigns this Agreement to a corporation, all shareholders owning more than ten percent (10%) of Franchisee's outstanding shares and their spouses (or if Franchisee is a partnership, or subsequent to execution hereof, Franchisee assigns this Agreement to a partnership, all general partners and their spouses, or if Franchisee is a limited liability company, or subsequent to execution hereof Franchisee assigns this Agreement to a limited liability company, all members and managers and their spouses) hereby personally and unconditionally guarantee without notice, demand or presentment, the payment of all of Franchisee's monetary obligations under this Agreement and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates, as if each were an original party to this or any other agreement in his or her individual capacity. All such personal guarantors further agree to be bound by the restrictions upon Franchisee's activities upon transfer, termination or expiration and non-renewal of this Agreement as if each were an original party to this Agreement in his or her individual capacity. All such personal guarantors and their spouses must execute a continuing personal guarantee in the form attached hereto as Exhibit A.

21. NOTICES

22. MISCELLANEOUS

22.1 **Entire Agreement.** This Agreement contains the entire Agreement of the parties. There are no representations either oral or written, except those contained in this Agreement. This written Agreement includes all representations between the parties. This Agreement may not be modified except by a written document signed by both parties. Nothing in the Agreement is intended to disclaim the representations Franchisor makes in the Franchise Disclosure Document provided to Franchisee.

22.2 **Construction of Language.** The language of this Agreement shall be construed according to its fair meaning, and not strictly for or against either party. All words in this Agreement refer to whatever number or gender the context requires. If more than one party or person is referred to as Franchisee, their obligations and liabilities shall be joint and several. Headings are for reference purposes and do not control interpretation. Reference to Franchisee's "immediate family" means Franchisee's spouse, parents, children and siblings and Franchisee's spouse's parents, children and siblings. Reference to Franchisee's "principals" means Franchisee's partners, officers, directors, shareholders, members and managers, as applicable. References to "Franchisor" and "Franchisee" include the party's successors, assigns or transferees.

22.3 **Severability.** If any provision of this Agreement is deemed invalid or inoperative for any reason, that provision shall be deemed modified to the extent necessary to make it valid and operative or, if it cannot be so modified, it shall then be severed, and the remainder of that provision shall continue in full force and effect as if this Agreement had been signed with the invalid portion so modified or eliminated; provided, however, that if any part of this Agreement relating to payments to Franchisor or any of its affiliates or protection of the Proprietary Marks or the Confidential Information, including the Operations Manual and Franchisor's other trade secrets, is declared invalid or unenforceable, then Franchisor at Franchisor's option may terminate this Agreement immediately upon written notice to Franchisee.

22.4 **State Law Applies.** If any provision of this Agreement, including but not limited to its provisions for transfer, renewal, termination, notice of termination, or cure rights, is inconsistent with any valid law or regulation of the state in which the Business is located, then the valid law or regulation of that state applicable to the franchise shall supersede any provision of this Agreement that is less favorable to Franchisee.

22.5 **Additional Documentation.** Franchisee must from time to time, subsequent to the date first set forth above, at Franchisor's request and without further consideration, execute and deliver such other documentation or agreement and take such other action as Franchisor reasonably may require in order to effectuate the transactions contemplated herein. In the event that Franchisee fails to comply with the provisions of this Section, Franchisee hereby appoints Franchisor as Franchisee's attorney-in-fact to

execute any and all documents on Franchisee's behalf that are reasonably necessary to effectuate the transactions contemplated herein.

22.6 Force Majeure. Neither Franchisee, Franchisor, or Franchisor's affiliates will be liable for loss or damage or deemed to be in breach of this Agreement or any related agreement if its failure to perform its obligations is not the fault nor within the reasonable control of the person due to perform but results from, without limitation, fire, flood, natural disasters, acts of God, governmental acts or orders, or civil disorders. Any delay resulting from any such cause will extend the time of performance for the period of such delay or for such other reasonable period of time as the parties agree in writing or will excuse performance, in whole or in part, as Franchisor deems reasonable.

22.7 Anti-Terrorist Activities. Franchisee certifies that neither Franchisee, nor Franchisee's owners, principals, employees or anyone associated with Franchisee is listed in the Annex to Executive Order 13224. (The Annex is available at <http://www.treasury.gov/offices/enforcement/ofac/sanctions/terrorism.html>.) Franchisee agrees not to hire or have any dealings with a person listed in the Annex. Franchisee certifies that Franchisee has no knowledge or information that, if generally known, would result in Franchisee, Franchisee's owners, principals, employees, or anyone associated with Franchisee being listed in the Annex to Executive Order 13224. Franchisee agrees to comply with and/or assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with the Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee certifies, represents, and warrants that none of Franchisee's property or interests are subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and Franchisee's owners or principals are not otherwise in violation of any of the Anti-Terrorism Laws. Franchisee is solely responsible for ascertaining what actions must be taken by Franchisee to comply with all such Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that Franchisee's indemnification responsibilities as provided in Section 13.2 of this Agreement pertain to Franchisee's obligations under this Section 22.7. Any misrepresentation by Franchisee under this Section or any violation of the Anti-Terrorism Laws by Franchisee, Franchisee's owners, principals or employees shall constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered into with Franchisor or one of Franchisor's affiliates in accordance with the terms of Section 15.2.3 of this Agreement. As used herein, "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies lists and any other requirements of any Governmental Authority (including without limitation, the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

22.8 Attorneys' Fees. If Franchisee is in breach or default of any monetary or non-monetary material obligation under this Agreement or any related agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and Franchisor engages an attorney to enforce Franchisor's rights (whether or not formal judicial proceedings are initiated), Franchisee must pay all reasonable attorneys' fees, court costs and litigation expenses Franchisor incurs. If Franchisee institutes any legal action to interpret or enforce the terms of this Agreement, and Franchisee's claim in such action is denied or the action is dismissed, Franchisor is entitled to recover Franchisor's reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

23. ACKNOWLEDGMENTS

23.1 Independent Investigation. Franchisee acknowledges that Franchisee has conducted an independent investigation of the Franchised Business contemplated by this Agreement and recognizes that it involves business risks which make the success of the venture largely dependent upon Franchisee's business abilities and efforts. Franchisee acknowledges that Franchisee has been given the opportunity to clarify any provision of this Agreement that Franchisee may not have initially understood and that Franchisor has advised Franchisee to have this Agreement reviewed by an attorney.

23.2 No Guarantee of Earnings. Franchisee understands that Franchisor and any of Franchisor's representatives and/or agents with whom Franchisee has met have not made and are not making any guarantees as to the extent of Franchisee's success in Franchisee's Franchised Business, and have not and are not in any way representing or promising any specific amounts of earnings or profits in association with Franchisee's Franchised Business.

23.3 Receipt of Disclosure Document. Franchisee acknowledges that this Agreement and Franchisor's Franchise Disclosure Document have been in Franchisee's possession for at least fourteen (14) days before Franchisee signed this Agreement and that any material changes to this Agreement were in writing in this Agreement for at least seven (7) days before Franchisee signed this Agreement.

23.4 No Personal Liability. Franchisee agrees that fulfillment of any and all of Franchisor's obligations written in this Agreement or based on any oral communications which may be ruled to be binding in a Court of Law shall be Franchisor's sole responsibility and none of Franchisor's agents, representatives, nor any individuals associated with Franchisor's franchise company shall be personally liable to Franchisee for any reason. This is an important part of this Agreement. Franchisee agrees that nothing that Franchisee believes Franchisee has been told by Franchisor or Franchisor's representatives shall be binding unless it is written in this Agreement. This is an important part of this Agreement. Do not sign this Agreement if there is any question concerning its contents or any representations made.

IN WITNESS WHEREOF, AND INTENDING TO BE LEGALLY BOUND HEREBY, THE PARTIES HERETO HAVE CAUSED THIS AGREEMENT TO BE EXECUTED EFFECTIVE THE DATE FIRST SET FORTH ABOVE.

(the "Company") to establish and operate a Qualicare Franchised Business (the "Business" or "Franchised Business") and the right to use in the operation of the Business the Company's trade names, trademarks and service marks (the "Proprietary Marks") and the Company's unique and distinctive format and system relating to the establishment and operation of Businesses (the "System"), as they may be changed, improved and further developed from time to time in the Company's sole discretion, only at the following authorized and approved location: _____ (the "Business Premises").

1. The Company possesses certain proprietary and confidential information relating to the operation of the System, which includes certain trade secrets, the Proprietary Software (as defined in the Franchise Agreement) and copyrighted materials, methods and other techniques and know-how (the "Confidential Information").

2. Any and all information, knowledge, know-how, and techniques which the Company specifically designates as confidential shall be deemed to be Confidential Information for purposes of this Agreement.

3. As _____ of the Franchisee, the Company and Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, the Qualicare of America, Inc. Operations Manual (the "Manual") and other general assistance during the term of this Agreement.

4. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term hereof, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

5. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as _____ of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.

6. Except as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company, own, maintain, engage in, be employed by, or have any interest in any other business which operates or licenses any other Businesses, which offer personal care services, including companionship, assistance with bathing and grooming, assistance with medicinal intake, assistance in preparing meals, in addition to housekeeping, transportation, and bill payment assistance to seniors or to the physically or mentally impaired, except a Qualicare Business operating under the System and Proprietary Marks.

7. Except as otherwise approved in writing by the Company, I will not, for a period of two years after my position with the Franchisee expires or is terminated, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company:

(a) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any other business which operates or licenses the sale of businesses which offer personal care services, including companionship, assistance with bathing and grooming, assistance with medicinal intake, assistance in preparing meals, in addition to housekeeping, transportation, and bill payment assistance to seniors or to the physically or mentally impaired: (i) at the Franchised Business premises; (ii) within the Territory; or (iii) within a radius of twenty (20) miles of the perimeter of (a) the Territory being granted hereunder or (b) any other Territory licensed by Franchisor as of the date of expiration or termination of this Agreement; or (i) within the Franchisee's territory; or (iii) within a ten (10) mile radius of (a) the Franchisee's territory; or (b) any other territory licensed by the Company as of the date of expiration or termination of this Agreement.

(b) Solicit the Franchised Business' Guests or contact any of the Company's suppliers or vendors for any competitive business purpose.

The prohibitions in this Section 8 do not apply to my interests in or activities performed in connection with a Qualicare Business. This restriction does not apply to my ownership of less than a five percent (5%) beneficial interest in the outstanding securities of any publicly held corporation. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

8. I understand and acknowledge that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

9. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

10. This Agreement shall be construed under the laws of the _____. The only way this Agreement can be changed is in writing signed by both the Franchisee and me.

**ADDENDUM TO QUALICARE OF AMERICA, INC.
DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT
FOR THE STATE OF MICHIGAN**

**THE FOLLOWING DISCLOSURES APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a Franchisee to join an association of franchisees.
- (b) A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a Franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation.

This subsection applies only if:

- (i) the term of the franchise is less than 5 years; and
 - (ii) the Franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the Franchisee does not receive at least 6 months' advance notice of Franchisor's intent not to renew the franchise.
- (e) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
 - (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the Franchisor or Subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires the Franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NOTICE, DIRECT THEM TO THE DEPARTMENT OF THE ATTORNEY GENERAL OF THE STATE OF MICHIGAN, 670 LAW BUILDING, 525 WEST OTTAWA, LANSING, MICHIGAN 48913, (517) 373-7117.

ADDENDUM TO QUALICARE OF AMERICA, INC.
FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF WASHINGTON

In recognition of the requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.180, the Franchise Disclosure Document for Qualicare of America, Inc. in connection with the offer and sale of franchises for use in the State of Washington shall be amended to include the following:

1. Item 17(d) of the Franchise Disclosure Document is amended by adding the following:

Franchisees may terminate the Franchise Agreement under any grounds permitted by law.
2. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following paragraphs at the conclusion of the Item:
 - a. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
 - b. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
 - c. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
 - d. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
 - e. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
 - f. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

**WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT,
COMPLIANCE CERTIFICATION, AND RELATED AGREEMENTS**

In recognition of the requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 through 19.100.940, the parties to the attached Qualicare of America, Inc. Franchise Agreement agree as follows:

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Washington amendment to the Franchise Agreement on the same date as the Franchise Agreement was executed.
