What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in the state where our corporate headquarters are located, currently Minnesota. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Minnesota than in your own state.
2. **Spousal Liability**. We may require your spouse to sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has little or no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets at risk if your franchise fails.
3. **Sales Performance Required**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Law Building, Lansing, Michigan 48913, telephone (517) 373-7117.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in the Disclosure Document, "we," "us" or "THI" means Touching Hearts, Inc., the Franchisor. "You" means the person who buys the franchise (the "Franchisee"). If you are a corporation, partnership, or other entity, "you" includes your owners.

Franchisor

We are a Minnesota corporation formed in October 2006. We do not do business under another name. Our principal business address is 7900 W 78th St., Suite 410, Minneapolis Minnesota 55439; telephone number is 877-870-8750. We have been offering franchises since 2007. We have never offered franchises in any other line of business.

Our Business Experience

Our Founder and CEO, Renae Kummel, initially began offering non-medical home care assistance to seniors and disabled adults in 1996 under the name "Caring Companions." Caring Companions changed its name in November 2006 to "Touching Hearts at Home" and operated in the area of St. Paul, Minnesota from November 2006 to September 2009 as a company-owned branch before selling the branch as an individual TOUCHING HEARTS franchise office in September 2009.

Our Business and the Franchise Offered

We own a proprietary system of know-how, procedures and standards for operating TOUCHING HEARTS franchised home healthcare businesses (the "System"). The Franchise Agreement (defined below) and confidential Operations Manual describe the System. This Disclosure Document contains a TOUCHING HEARTS Franchise Agreement attached as Exhibit A (the "Franchise Agreement"). We have no parents, predecessors or affiliates required to be disclosed in this Item.

We offer franchises for the operation of a business ("Business") providing those "Core Services" and optional "Ancillary Services" described below under the TOUCHING HEARTS trademarks, trade names, service marks, and logos (collectively, the "Marks") to qualified individuals and entities who desire to operate a franchised business using the Marks and the System. The Business will provide high quality personal care, non-medical care, in-home care assistance, and companionship care and care management services to older adults, seniors, persons with disabilities and others with care service needs and other related services authorized for TOUCHING HEARTS businesses to offer, as we periodically may modify or otherwise approve to provide to customers through your Business ("Core Services"). In addition, you may, but are not required to, provide through your Business certain skilled care and other in-home medical care services and related products that we have or may develop and approve for TOUCHING HEARTS businesses to offer, as we periodically may modify or otherwise approve ("Ancillary Services"). You must obtain our consent before offering any Ancillary Services. Core Services and Ancillary Services collectively are considered "Approved Services."

Market and Competition

You will compete with other businesses including franchised operations, national chains, and independently owned companies offering similar services to customers. The market for senior

home care and related services is well-developed and competitive. You will also face other normal business risks that could have an adverse effect on your Business. These may include industry developments, such as pricing policies of competitors, labor regulations, and supply and demand.

Industry Specific Regulations

You must comply with all federal, state, and local laws and regulations that apply to your operations, including the practice of medicine and the operation and licensing of medical services; the relationship of providers and suppliers of health care services; on the one hand, and physicians and clinicians, on the other, including anti-kickback laws such as the Federal Anti-Kickback Statute and similar state laws; restrictions or prohibition on fee splitting; physician self-referral restrictions; use of medical devices; and advertising of medical services.

There may be specific laws or regulations in your state or municipality governing operation of the Business. You should also familiarize yourself with federal, state, and local laws of a more general nature, which may affect the operation of your Business. You must comply with employment, health and safety, workers' compensation, insurance, licensing, and similar laws and regulations. You should examine these laws before purchasing a franchise from us. You are solely responsible for complying with all applicable laws and regulations.

You must check with your state Department of Health and Human Services and any other department that may regulate this industry. Specific state statutes in your area may require licensing of your Business. To the extent you receive our consent to offer one or more Ancillary Services, you will be solely responsible for obtaining all additional permits and licenses, and employing licensed individuals, necessary to conduct such Ancillary Services. Even if a TOUCHING HEARTS franchise does not provide Ancillary Services, certain state statutes may have a broad definition of "medical services" that includes personal care services. You will need to determine those licensing requirements necessary for the Approved Services that you will offer through your Business. You also must comply with any applicable data protection and privacy laws in operating the Business.

You must obtain and maintain any health care or employment related permits, licenses, certifications or other indications of authority necessary for the operation of your Business, including, for example, a home health agency license, nurse staffing and/or employment agency license and medication management licensing compliance. You cannot provide nursing services or otherwise without complying with the Nurse Practices Act. The Nurse Practices Act varies by state and may include requirements regarding licensing, educational program standards, and supervision by a physician. Some jurisdictions may also require a Certificate of Need. Some states require you to obtain a license to provide employment services. Local law may require you to obtain a particular permit, license or accreditation. Some states have imposed a moratorium on the issuance of home health agency licenses, nurse staffing licenses, and other in-home healthcare licenses or permits. You are responsible for investigating the availability and requirements for obtaining all necessary licenses in your state and compliance with the Nurse Practices Act.

Many states have licensing, certification or registration requirements applicable to the services you will be providing as a TOUCHING HEARTS franchise. You therefore may be required to register as a home health agency, nurse staffing and/or employment agency and to comply with the screening requirements of health care workers. State licensing, certification and registration statutes may require a minimum level of education or related work experience and/or the payment of a fee in order to obtain the license.

In addition to obtaining business licenses, your staff may also need to be licensed, registered, or certified to perform certain services. To the extent we permit you to provide Ancillary Services, you may also be required to have a full-time registered nurse (RN) to comply with regulations in your state governing nursing agencies and/or home health agencies and to provide services through licensed individuals. You should inquire about any applicable laws and your corresponding obligations and cost of compliance.

Some states may have specific record-keeping or other requirements for health care providers. You will be responsible for investigating and complying with any such laws that may apply in your Protected Territory (as defined in Item 12).

Certain provisions of the Social Security Act, commonly referred to as the “Anti-Kickback Statute,” prohibit the offer, payment, solicitation or receipt of any form of remuneration either in return for the referral of patients or patient care opportunities paid in whole or in part by a federal health care program, or in return for the recommendation, arrangement, purchase, lease or order of items or services paid in whole or in part by a federal health care program. The Anti-Kickback Statute is broad in scope and has been broadly interpreted by courts in many jurisdictions. Additionally, a number of states have enacted laws which prohibit payment for referrals and other types of “kickback” arrangements. These state laws sometimes apply to all patients regardless of their insurance coverage.

There are a number of federal laws prohibiting certain activities and arrangements relating to services or items that are reimbursable by Medicare or Medicaid. While Medicare and Medicaid laws may not apply to your Business, these laws may apply to those facilities, including laws prohibiting Medicare or Medicaid-participating facilities, from employing providers excluded from those programs. If a practitioner is an excluded provider from Medicare or Medicaid, he or she will be prohibited from receiving payment from that facility. It is your responsibility to determine whether and to what extent employees of your Business need to be screened for their possible excluded status in these or other payment programs.

To the extent your Business accepts reimbursement directly from the VA, it will be required to satisfy the applicable regulatory requirements the VA imposes on its vendors, including but not limited to the Federal Acquisition Regulations and various VA contract requirements. The False Claims Act imposes civil liability on persons or corporations, which submit or cause to be submitted false or fraudulent claims for payment to the government. A violation of the False Claims Act may result in liability for fines, treble damages, attorney's fees and exclusion from federal health care programs.

We require all of our franchisees to comply with all relevant portions of the Health Insurance Portability and Accountability Act (“HIPAA”) which require health care providers to submit transactions related to payment in standard electronic formats and regulate the security and privacy of health data, and HIPAA’s implementing regulations, including the HIPAA Privacy Rule, HIPAA Breach Notification Rule, HIPAA Security Rule, HITECH Act, and Omnibus Rule. Under HIPAA’s privacy and security regulations, you must implement privacy and security policies and safeguards, designate a privacy and security officer, inform individuals how their health information is used and disclosed, provide access to health information, and give notice of certain breaches of protection data. In addition, to the extent you offer any Ancillary Services or we otherwise determine, you must sign and comply with the terms of the Business Associate Agreement (“Business Associate Agreement”) substantially in the form attached as Exhibit C to the Franchise Agreement. Further, if you engage a third party to perform functions that require access to patients’ personal information, you and such third party also must sign a business associate agreement in a form similar to the Business Associate Agreement.

If we grant you the right to operate a Business, we are not engaging in the practice of medicine, nursing or any other profession that requires specialized training or certification, and you must not engage in the practice of medicine, nursing, or any other profession that requires specialized training or certification, except to the extent we permit you to provide Ancillary Services or applicable laws require you to do so in providing Core Services. The Franchise Agreement will not interfere, affect or limit the independent exercise of medical judgment by the Business and its medical staff. You must research all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing a Franchise Agreement with us to determine your legal obligations and evaluate the possible effects on your costs and operations.

The initial franchise fee is fully earned when paid and is not refundable under any circumstances. The initial franchise fee does not include costs for insurance, leases or payments to other third parties.

Except as stated above, the franchise fee is uniform to all franchisees under this offering. We did not sell any franchises in 2022 and, as a result, did not receive any initial franchise fees during that period.

Period from Commencement of the Business* (Column A)	Monthly Gross Revenues** (Column B)	Service Fee Percentage
Months 1 – 12	Less than \$10,000	1%
Months 13 – 24	\$10,000 to \$19,999	2%

** - In determining whether you qualify for a reduced Service Fee, the monthly Gross Revenues for purposes of Column B will be the highest recorded Gross Revenues from the commencement of the Business through the most recent month in question.

To qualify for the reduced Service Fee for any given month during the first 36 months of operation, you must satisfy the requirements of both Column A and Column B relating to the percentage of Service Fees. For example, to qualify for a reduced Service Fee of 1% for a specific month, your Business must have been in operation for less than 12 months and your monthly Gross Revenues for the Business during that month (and each preceding month) must be less than \$10,000. If you do not satisfy the requirements of both Column A and Column B, you will pay Service Fees at a rate equal to highest rate corresponding to Column A or Column B. NOTES:

- 1) Except where otherwise noted, all fees that you pay to us are non-refundable. Third-party lessors, contractors and suppliers will decide if payments to them are refundable.
- 2) As disclosed in Item 5, the standard initial franchise fee is \$49,500 with a 10% discount for qualified individuals under the VetFran program. You must pay a refundable \$10,000 deposit against the initial franchise fee before signing the Franchise Agreement. You and we will sign a Franchise Deposit Agreement, a form of which is attached as Exhibit H. If, for any reason, either you or we choose not to enter into the Franchise Agreement, the \$10,000 deposit will be fully refunded to you.
- 3) You will be responsible for travel, lodging, food and other personal expenses while training. Your expenses will vary, depending on the number of people attending training and other factors.
- 4) You may need to purchase office furniture, office fixtures, computer hardware, computer software, broadband internet access, and office decorations. All computer hardware and software must meet the requirements listed in Item 11.
- 5) You will incur various miscellaneous costs to open your Business. These costs include your business license, miscellaneous deposits, legal and accounting expenses, and an incorporation fee (if you incorporate).
- 6) If you do not have adequate office space, you must lease an office. Typical locations are light industrial and commercial areas. The typical office for the Business occupies 350 to 800 square feet. The indicated estimate is only for the first 3 months' rent, security deposit, utilities, and improvements.
- 7) This amount estimates all other required expenses you will incur during the initial period (first 3 months) of Business operations, including initial wages and fringe benefits (for staff only), taxes, repairs, utilities, Technology Fees and interest payments on any business loans.
- 8) These estimates do not include owner compensation or return on investment. Your costs will depend on factors such as how closely you follow our methods and procedures; your management skill; experience and business acumen; local economic conditions; the local market for the products and services you offer; the prevailing wage rate; competition; and the sales level you reach during the initial period. We have relied on our 25+ years of experience in franchising Touching Hearts Businesses to compile these estimates.

We do not offer financing directly or indirectly for any part of the initial investment.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We require that you establish and operate your Business in compliance with your Franchise Agreement. You must strictly follow our procedures as stated in the Operations Manual we provide to you or other written materials from us, which we periodically may modify. Our standards and specifications have been presented to maintain a uniform standard of high quality, service, value and customer recognition in connection with our trademarks.

In the development and operation of your Business, you may use only those brands, types of equipment and supplies which meet our specifications and standards we prescribe periodically, which are required in the operation of your Business. We will issue or modify specifications and standards and designation of approved brands and types of equipment and supplies through the Operations Manual or other written communication to you. You may purchase only approved brands, types and models of equipment, signage and supplies which meet our specifications, and only from approved suppliers we designate, in our discretion. We will provide you with a list of approved suppliers who sell items, equipment, and supplies meeting our specifications and standards. The requirement to purchase supplies, equipment and fixtures meeting our specifications and standards from the approved suppliers will include (1) brochures, (2) business cards and stationery, (3) office signage, (4) company forms, and (5) computer software. We may establish specifications and standards for customer satisfaction and require you to provide services which meet our standards and specifications for customer service. We do not make the criteria for approving suppliers available to you and we do not provide material benefits to you for your use of designated or approved suppliers. We do not negotiate purchasing arrangements with suppliers on your behalf.

We currently require you to obtain a computer system, together with the designated software and related hardware and software from our designated supplier or other third party suppliers (if any). See Item 11.

You may purchase any of the required products and services from a supplier of your choosing, provided the products and services meet our standards and specifications and the supplier meets our criteria for approved suppliers. If you desire to purchase any items, services or products from suppliers not previously approved by us, you must submit to us written notice of a proposed supplier. We will have 30 days from receipt of written notice to approve or reject the proposed supplier. As a condition of approval, we may inspect the supplier's facility and the products and services to ensure compliance with our specifications and standards.

You also must use only our approved advertising and promotional materials in promoting the Business. See Item 11 for further information regarding advertising programs.

During the term of the Franchise Agreement, you must purchase and maintain in force at your expense: (1) comprehensive general liability insurance with minimum limits of \$1,000,000 per occurrence and \$2,000,000 annual aggregate; (2) workers' compensation, employer's liability and other insurance to meet the greater of all applicable statutory requirements; (3) commercial property insurance with the minimum levels of coverage we require; (4) sexual abuse/molestation liability insurance with minimum limits of \$1,000,000 per occurrence; (5) automobile liability insurance, including personal injury, wrongful death and property damage, with limits of at least \$1,000,000 per occurrence; (6) employment practices liability insurance; and (7) such other insurance as we periodically require. Your general liability policy must: (i) name us and our affiliates, and their respective officers, directors, and employees and any other person that we designate as an additional insured; (ii) be issued by an insurance carrier(s) acceptable to us and have an A.M. Best rating of A or higher; (iii) contain a waiver of the insurance company's right of subrogation against us; (iv) contain the above-mentioned insurance coverage for each TOUCHING HEARTS business that you operate; and (v) provide that we will receive thirty (3) days' prior written notice of a material change in or termination, expiration or cancellation of any policy (or such shorter period as the insurance carrier may require and as we may approve). We periodically may, with prior written notice to your, increase the minimum liability protection requirements, and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in the industry, or other relevant changes. You must submit to us annually a copy of the certificate of insurance or evidence of the renewal or extension

of each insurance policy or any modifications to any insurance policies. If at any time you fail or refuse to maintain in effect any insurance coverage we require, or to furnish satisfactory evidence of that insurance, we may, at our option and in addition to other rights and remedies we may have, obtain insurance coverage for you and require you to reimburse us for any expenses we incur.

We (directly or through an affiliate) may derive revenue directly or in the form of rebates or other payments from suppliers, based directly or indirectly on sales of products, advertising materials and other items to franchisees, and from other service providers. These payments may range from less than 1% up to 10% or more of the total purchase price of those items. One or more of our officers have an interest in us and our affiliates. No officer owns a material interest in any other supplier.

We do not provide material benefits based on your use of approved sources. We may negotiate prices for numerous products for the benefit of the system, but not for any individual franchisee. There is no purchasing or distribution cooperative in the system. We may, however, attempt to receive volume discounts for the system.

For the fiscal year ending December 31, 2022, we received \$4,774 as a result of franchisee purchases of products and services from approved suppliers (0.19% of our total revenue of \$2,468,204, based on our audited financial statements attached as Exhibit E). We estimate the cost of the goods and services you must purchase from us or from approved suppliers or in compliance with our specifications and standards will represent approximately 70% to 90% of the cost to develop the Business and 30% to 50% of the cost to operate your Business.

Advertising. We establish and conduct certain advertising programs as follows:

We reserve the right, following a minimum of ninety (90) days’ advance written notice to you, to establish and operate a marketing and promotional fund (the “Marketing Fund” or “Fund”) to promote TOUCHING HEARTS businesses in the System and conduct other promotional and marketing activities. As of the date of this Disclosure Document, however, we have not yet established a Marketing Fund. If we establish a Marketing Fund, we can require you to pay a Marketing Fund Fee of up to two percent (2%) of your Gross Revenues for deposit in the Marketing Fund (the “Marketing Fund Fee”). We reserve the right to increase the Marketing Fund Fee upon sixty (60) days’ notice to you. If we commence operating a Marketing Fund, we will place all Marketing Fund Fees we receive into the Marketing Fund and will manage the Fund. If applicable, we also will contribute to the Marketing Fund for each TOUCHING HEARTS business that we or our affiliates operate in the United States at the same percentage rate as a majority of the TOUCHING HEARTS businesses located in the United States must pay to the Marketing Fund. If we commence operating a Marketing Fund, disbursements from the Marketing Fund will be made solely to pay reasonable expenses we incur in connection with the general promotion of the Marks and the System, including the cost of formulating, developing and implementing advertising, marketing, promotional and public relations campaigns; the cost of market research and analytics; and the costs of administering the Marketing Fund, including the cost of employing advertising, public relations and other third-party agencies to assist us, as well as accounting expenses and the actual costs of salaries and fringe benefits paid to our employees engaged in

administration of the Marketing Fund. The Marketing Fund will not be a trust or escrow account, and we will have no fiduciary obligations regarding the Marketing Fund. If we establish the Marketing Fund, we cannot ensure that you will benefit directly or on a pro rata basis from the future placement of any such advertising or marketing activities in your local market. (Franchise Agreement – Section 12(A))

In addition to the Marketing Fund Fee (if we establish a Marketing Fund), you must actively promote your Business. We reserve the right, upon sixty (60) days' notice, to require you to spend a minimum quarterly amount on approved local marketing and Business promotion not to exceed two percent (2%) of quarterly Gross Revenues. (Franchise Agreement – Section 12(B))

In the future, we may require that you participate in, support and contribute to the cost of regional cooperative advertising programs we designate. We reserve the right to designate regional and local advertising markets, to establish regional advertising councils and to establish the bylaws and other rules under which such councils will operate. Your contributions to regional and local advertising cooperatives will be credited toward your local marketing obligations (if any). (Franchise Agreement – Section 12(C))

You will use only our approved advertising and promotional materials in promoting the Business. If you desire to use any advertising or promotional materials in promoting the Business which we previously have not approved, you must submit all materials to us for our approval before using any such materials, which approval will not be unreasonably withheld. If we do not disapprove those advertising or promotional materials within 15 days after you submit those materials to us, then you may use the materials, although we reserve the right to disapprove those materials at any later time and require you to remove any subsequently disapproved materials. (Franchise Agreement – Section 12(D))

As of the issuance date of this disclosure document, we do not have an advertising council composed of franchisees.

Development Time and Site Selection. Typically, TOUCHING HEARTS franchisees will begin operating their Businesses between 3 and 6 months after signing the Franchise Agreement. City, state or any other required licenses and permits could adversely affect the time it takes to open your Business. You must operate your Business in a retail office, industrial park or other commercial location within your Territory. You are solely responsible for locating and obtaining a site that is acceptable to us. We will consent to the location of the site so long as it is located in your Territory, the lease terms are commercially reasonable and the premises is in good condition. We will respond to your proposed site within 30 days following receipt of your written request (which must include all necessary information respecting the proposed site). We typically do not own the premises which is then leased to you. You must open your Business within 6 months after you sign the Franchise Agreement or 60 days following your receipt of all licenses and permits necessary to operate the Business, whichever is earlier. If you do not open your Business by that deadline, and we otherwise do not grant you an extension, we may terminate the Franchise Agreement. (Franchise Agreement – Sections 2(C), 6(D) and 15(B))

Computer Hardware and Software Requirements. You must obtain a computer system consisting of the Software, a laptop or desktop computer with access to broadband Internet, and Intuit's QuickBooks Pro. The current designated Software is ClearCare, although we are evaluating alternative software. We will provide you with the Software package and you can purchase the other computer hardware or software from any source. We estimate that the initial cost for the computer hardware and Software will range from \$400 to \$1,000. We are not obligated to provide ongoing maintenance, repairs, upgrades or updates respecting the Software or related hardware.

We may require you to upgrade or update your hardware and/or the Software during the term of your Franchise Agreement and there are no contractual limits on the frequency and cost of this obligation. We estimate that the cost of updates, upgrades, support or maintenance contracts range from \$50 to \$500. You also currently must pay ClearCare the greater of \$10 per active client (customer) per month, or \$120 per month for use of the ClearCare Software, subject to their third party contract. We reserve the right to change the Software and related requirements.

We will have independent access to the information that is generated or stored on your computer system (collectively the "Customer Data"). During the term of the Franchise Agreement, we reserve the right to own and control the use of the Customer Data that is stored on the Management System, although you will be responsible for obtaining all customer consents necessary to transfer to us or otherwise allow us to use the Customer Data for various purposes as we may identify. We will periodically establish policies respecting the Customer Data. You must comply with all laws and regulations relating to privacy and data protection, and must comply with any privacy policies or data protection and breach response policies we periodically may establish. You are solely responsible for protecting yourself from viruses, computer hackers, and other communications and computer-related problems, and you may not hold us liable for any harm caused by such computer-related problems. You must notify us immediately of any suspected data breach or cyber-attack at or in connection with the Business. You cannot use the Customer Data for any purpose other than the operation of the Business consistent with our standards of use. There are no contractual limitations on our right to access the information and data.

You will pay us our then-current monthly technology fee (the "Technology Fee") to offset our costs related to the Computer System, including our expenses relating to website maintenance, the internal franchisee reporting system, license fees we pay on your behalf for certain software programs and other items. We may increase the Technology Fee no more than once every 12 months, and will not increase the Technology Fee by more than 10% in any 12 month period. The Technology Fee is due and payable on or before the 10th day of each month, or as described in the Operations Manual.

Training. We will provide a one week intensive "Initial Training Program" for a Principal Owner and a General Manger (or one other employee if a Principal Owner is the General Manager) at a place and time that we designate. Both individuals must successfully complete the Initial Training Program at least 2 months before commencing operation of the Business. If, during the Initial Training Program, we determine that the Principal Owner and/or the General Manager are not qualified to manage the Business, or fail to meet our then-current requirements, we will notify you and you must select and enroll a substitute Principal Owner and/or General Manager in the Initial Training Program. Those individuals attending the Initial Training Program must successfully complete the Initial Training Program and you must satisfy other training requirements. (Franchise Agreement - Section 6(B)). We do not charge an additional fee for additional persons to attend the Initial Training Program. You are responsible for travel, lodging and living expenses that you and your other attendees incur while attending our initial training program. See Item 7 for additional information on travel and living expenses. All training, except any off-site training, will be held at our corporate headquarters in Minneapolis, Minnesota, or at another location we designate. Additional training may be required at our discretion. The following items will be used in training: Operations Manual (table of contents for this manual is listed in Exhibit D); employee training packet; payroll/human resource/billing specialist and training guide; marketing specialist and training guide; online IT training; insurance specialist and training guide. The training is designed to provide you with the fundamental technical, sales and managerial skills necessary to operate your Business. ITEM 12

TERRITORY

You will receive a territory (the "Protected Territory") in which you will operate your Business. We will describe your Protected Territory in Exhibit A to the Franchise Agreement. The Protected Territory generally will have a senior (individuals over the age of 65) population of at least 20,000.

You will operate your Business in a retail office, industrial park or other commercial location that is centrally located within the Protected Territory and that we have approved ("Office"). You may relocate your premises within your Protected Territory without our prior written approval. You may not operate your Business, or locate your Office, outside of your Protected Territory. Except as we otherwise determine, you must establish an Office within 6 months following the effective date of the Franchise Agreement or 60 days following your receipt of all licenses and permits necessary to operate the Business, whichever is earlier.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control.

You will receive a "protected" territory in that while your Franchise Agreement is in effect, we will not establish or license another to establish any other TOUCHING HEARTS franchise within your Protected Territory. You cannot advertise or solicit sales or accept orders outside of your Protected Territory except with our consent.

You must at all times use your best efforts to promote and increase the sale and service of the Business throughout the Protected Territory. You must confine all efforts (including any advertising, promotion or solicitation) at sites located in the Protected Territory. If you wish to provide care or companionship services and/or staffing or any other services outside your Protected Territory, in unassigned areas, you first must obtain our written consent and understand

that we may withdraw the right to perform services outside of your Protected Territory at any time in our sole discretion.

You retain the rights to your Protected Territory even if the population there increases. Continuation of your Protected Territory is based on maintaining the minimum monthly average gross revenues levels stated below:

Period from Commencement of Business	Minimum Monthly Average Gross Revenues
Months 1-12	No Minimum
Months 13-24	\$10,000
Months 25-36	\$20,000
Months 37-48	\$30,000
Months 49-72	\$50,000
Months 73 and thereafter	\$70,000

You will be deemed to have commenced operating the Business as of the earlier of: (1) your completion of our Initial Training Program; and (2) you have obtained all necessary licenses and permits to operate the Business. We may increase the sales level requirements, in our discretion, in any renewal Franchise Agreement. If you do not meet the minimum monthly average Gross Revenue levels above, we may terminate the Franchise Agreement or terminate your protected rights respecting the Franchise Agreement and grant franchises within your Protected Territory to third parties.

We (for ourselves and our affiliates) reserve the right, without compensation to you:

1. To ourselves operate, or to grant other persons the right to operate, TOUCHING HEARTS businesses outside the Protected Territory, although we or another franchisee periodically may service particular customers in the Protected Territory if you are unwilling or unable to service such customers as further described in the "Operations Manual" (as defined in the Franchise Agreement);

2. To sell the Approved Services and related products authorized for sale from TOUCHING HEARTS businesses under trademarks other than the Marks through similar or dissimilar channels of distribution;

3. To sell the Approved Services and related products authorized for sale through businesses under the Marks through dissimilar channels of distribution (i.e., other than the operation of TOUCHING HEARTS businesses), including by electronic means such as the Internet, by websites we establish, pursuant to conditions we deem appropriate within and outside the Protected Territory;

4. To advertise the System on the Internet (or any other existing or future form of electronic commerce) and to create, operate, maintain and modify, or discontinue the use of websites using the Marks; and

5. To acquire businesses that are the same as or similar to the Business or other TOUCHING HEARTS businesses and operate such businesses regardless of whether such businesses are located within or outside the Protected Territory, and to be acquired by any third party operating businesses that are the same as or similar to the Business or other TOUCHING HEARTS businesses regardless of whether such businesses are located within or outside the Protected Territory.

You will receive no right of first refusal or similar rights to acquire additional franchises. We or our affiliates currently have no plans to operate or franchises a business under a different trademark that sells similar goods and services as the Business.

ITEM 13

TRADEMARKS

We grant you the right to operate your Business under the mark “Touching Hearts,” a federally registered service mark and other trademarks or service marks (the “Marks”). Those rights are granted under the Franchise Agreement.

The following schedule list only the principal Marks that you are licensed to use. We have filed all required affidavits and renewal registrations for those Marks listed below.

Principal Trademarks	U.S. Registration Or Serial No.	Registration Or Application Date	Principal/Supplemental Register
Touching Hearts	Reg. No. 3,406,039	Reg. Date: April 1, 2008	Principal

We have the right to periodically change the list of Marks. Your use of the Marks and any goodwill is to our exclusive benefit and you retain no rights in the Marks. You also retain no rights in the Marks when the Franchise Agreement expires or terminates. You are not permitted to make any changes or substitutions respecting the Marks unless we direct in writing. You may not use any Mark or portion of any Mark as part of any corporate or any trade name, or any modified form or in the sale of any unauthorized product or service, or in any unauthorized manner. You may not use any Mark or portion of any Mark on any website without our prior written approval.

There are currently no effective material determinations by the U.S. Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, or any pending infringement, opposition or cancellation proceeding, or any pending material litigation, involving the principal Marks that are relevant to your use in any state. There are currently no agreements in effect that significantly limit our rights to use or license the use of any principal Marks in any manner material to the franchise.

You must immediately notify us of any apparent infringement of or challenge to your use of any Marks, and we have sole discretion to take any action we deem appropriate. We are unaware of any infringing uses or superior rights that could materially affect your use of the principal Marks.

We are not obligated to protect you against infringement or unfair competition claims arising out of your use of the Marks, or to participate in your defense or indemnify you. We reserve the right to control any litigation relating to the Marks and we will have the sole right to decide to pursue or settle any infringement actions relating to the Marks. You must notify us promptly of any infringement or unauthorized use of the Marks of which you become aware. If we determine that a trademark infringement action requires changes or substitutions to the Marks, you will make these changes or substitutions at your own expense.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered that are material to the franchise. We do claim copyright ownership and protection for the Operations Manual as well as our advertising copy and design, written training materials and for certain other written materials we provide to assist you in operating your Business. In addition, we treat certain portions of our training curriculum as trade secrets.

We own certain proprietary or confidential information relating to the operation of TOUCHING HEARTS businesses, including information in the Operations Manual (“Confidential Information”). You must keep confidential during and after the term of the Franchise Agreement the Confidential Information. When your Franchise Agreement expires or terminates, you must return to us all Confidential Information and all other copyright material. You must notify us immediately if you learn of an unauthorized use of the Confidential Information. We are not obligated to take any action and we will have the sole right to decide the appropriate response to any unauthorized use of the Confidential Information. You must comply with all changes to the Operations Manual at your cost. We reserve the right to own and control the Customer Data stored on your Management System and grant you a license to use the Customer Data during the term of your Franchise Agreement. As the Customer Data is Confidential Information, you must cease to use it when your Franchise Agreement expires or terminates. We will periodically establish policies respecting the Customer Data.

All ideas, concepts, techniques, or materials relating specifically and solely to a TOUCHING HEARTS Business, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. You must take whatever action we request to show our ownership, including obtaining all necessary consents under applicable data privacy laws or to help us obtain intellectual property rights in the item.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must designate an individual we approve and who successfully completes our Initial Training Program and other required training as the general manager of the Business (“General Manager”). If the General Manager is not a “Principal Owner” (as defined below), a Principal Owner also must attend and successfully complete the Initial Training Program. The General Manager is responsible for day-to-day Business operations, and must devote his/her personal full time and attention to the management of your Business. The General Manager assumes his/her responsibilities on a full-time basis and may not engage in any other business or other activity that requires any significant management responsibility or time commitments, or that otherwise may conflict with his/her obligations. If the General Manager is not a Principal Owner, the General Manager must sign a written agreement to maintain confidentiality of the proprietary information described in Item 14 and to comply with a covenant not to compete, similar to that described in Item 17, in a form acceptable to us. The General Manager is not required to possess an equity interest in the Business.

Each individual who owns a 10% or greater interest in the franchisee entity is considered a “Principal Owner” and must sign the Guaranty and Assumption of Obligations attached to the Franchise Agreement. These people agree to discharge all obligations of the franchisee entity to us under the Franchise Agreement (see Exhibit B) and are bound by all of its provisions, including maintaining the confidentiality of Confidential Information described in Item 14 and complying with the non-compete covenants described in Item 17. In addition, we may require each spouse of a Principal Owner to sign a Personal Guaranty.

If at any time the General Manager is not managing the Business or no longer serves as the General Manager, you must promptly appoint a successor General Manager who attends and successfully completes our Initial Training Program.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You agree to sell (provide) or offer for sale only such Core Services and Ancillary Services as we periodically direct and that meet our uniform standards of quality and performance for the System as we provide in the Operations Manual or otherwise in writing (collectively, the “Approved Services”). You must offer and sell in your Business all Core Services that we periodically direct. In addition, you may, but are not required to, sell or offer to sell Ancillary Services through your Business. You must obtain our consent before offering any Ancillary Services and must comply with all laws, rules and regulations in advance of offering any Ancillary Services. You must not deviate from our standards and specifications in providing the Approved Services and you must discontinue selling and offering for sale any such services as we may, in our discretion, disapprove in writing at any time.

You must focus your marketing and advertising of the Business within your Protected Territory and cannot advertise or solicit sales outside of your Protected Territory unless you receive our prior written consent. ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The Federal Trade Commission's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The financial performance representation below is a historic financial performance representation based on certain historical financial performance information experienced by our franchisees that have owned and operated their Touching Hearts® Business for at least one year as of December 31, 2022. The source of the data used in this Item 19 are our 64 franchisees who were open a full year as of December 31, 2022. We have not audited or independently verified this information and do not know whether the information was prepared consistent with generally accepted accounting principles.

Table 1

Table 1 reflects average annual Gross Revenues information for all franchised Businesses for calendar year 2022 that were open at least one year as of December 31, 2022. As of December 31, 2022, there were 44 franchisees operating 64 Businesses. The data below in Table 1 includes information from all 64 of the Businesses as all Businesses were open a full year as of December 31, 2022.

Table 2

Table 2 reflects average annual Gross Revenues information for the top 25% and bottom 25% of franchised Businesses for calendar year 2022 that were open at least one year as of December 31, 2022. As of December 31, 2022, there were 44 franchisees operating 64 Businesses. The data below in Table 2 includes information from 32 of the 64 Businesses as the remaining 32 Businesses were either not open a full year as of December 31, 2022, or were not in the top 25% or bottom 25% of franchised Businesses for the relevant measurement period.

Table 3

Table 3 reflects average annual Gross Revenues information for all franchised Businesses for calendar year 2022 that were open at least one year as of December 31, 2022, as separated into four categories based on the number of years in which each Business has been in operation. As of December 31, 2022, there were 44 franchisees operating 64 Businesses. The data below in Table 4 includes information from all 64 Businesses as all Businesses were open a full year as of December 31, 2022.

Statement of Annual Gross Revenues – All Franchised Businesses Segregated by Years of Business Operations					
Months of Business Operations	Number of Franchised Businesses	Average Annual Gross Revenues	Number and Percentage of Stores Above Average	Median Gross Revenues	Range

61-156 months	47	\$976,425	13 (28%)	\$684,797	\$165,498 to \$6,331,654

*- As there are only 2 Businesses in this category, the Median Gross Revenues is the average of the two.

Additional Notes Applicable to Tables 1 through 3 Above:

(1) Ten franchisees operate more than one Business. Each of these franchisees submit only one Gross Revenues report for their combined Businesses. In each of these situations, the Gross Revenues for each Business was determined by dividing Gross Revenues reported by the franchisee by the number of Businesses operated by the franchisee.

(2) The term “Gross Revenues” means all of the franchisee’s billings, whether or not collected, including cash sales and sales on account, monies billed for companion and ancillary services whether performed by the franchisee or subcontracted, monies billed in connection with trade or barter agreements, or monies billed for any other service performed using the Proprietary Marks, but does not include any bona fide refunds, rebates or discounts approved by us.

(3) The term “Average Gross Revenues” means the cumulative Gross Revenues of the number of Franchised Businesses identified in each category divided by the number of Franchised Businesses identified for that category. The term “Median Gross Revenue” means the Gross Revenue of the Franchised Business lying at the midpoint of the total number of Franchised Businesses identified in a category with the number of Franchised Businesses having more Gross Revenue than the Median Gross Revenue equal to the number of Franchised Businesses having less Gross Revenue.

(4) Each of the 64 franchisees represented in this Item 19 were open at least one full year and many of them have been in business for more than 5 years. As a result, their results are likely to be significantly higher than a franchisee in its first year of operation.

(5) We recommend that you make your own independent investigation to determine whether or not to purchase this franchise, and consult with an attorney and other advisors before signing any Franchise Agreement. You should conduct an independent investigation of the costs and expenses in operating a Business.

(6) Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Some Businesses have sold this amount. Your individual results may differ. There is no assurance that you’ll sell as much.

Other than the preceding financial performance representation, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Aaron Stromley at 7900 W 78th St., Suite 410, Minneapolis, Minnesota 55439, (877) 870-8750, the Federal Trade Commission, and the appropriate state regulatory agencies.

4. To advertise the System on the Internet (or any other existing or future form of electronic commerce) and to create, operate, maintain and modify, or discontinue the use of websites using the Marks; and

5. To acquire businesses that are the same as or similar to the Business or other TH businesses and operate such businesses regardless of whether such businesses are located within or outside the Protected Territory, and to be acquired by any third party operating businesses that are the same as or similar to the Business or other TH businesses regardless of whether such businesses are located within or outside the Protected Territory.

C. Site Selection. You must operate your Business in a retail office, industrial park or other commercial location that is centrally located within the Protected Territory and that we have approved (“Office”). You may not operate your Business, or locate your Office, outside of your Territory. Except as we otherwise determine, you must establish an Office within six (6) months following the Effective Date or sixty (60) days following your receipt of all licenses and permits necessary to operate the Business, whichever is earlier.

D. Territory Rights and Restrictions. You must focus your marketing and advertising of the Business within your Protected Territory and cannot advertise or solicit sales outside of your Protected Territory unless you receive our prior written consent. You will not service any customers outside your Protected Territory unless we, in our sole discretion, agree in writing to permit you to do so and you understand that we may withdraw that approval at any time. The license granted to you under this Agreement is personal in nature, may not be used at any location other than at the Business, and does not include the right to provide or sell any Approved Services or related products identified by the Marks at any location other than from the Business. This Agreement does not include the right to provide or sell any Approved Services or related products identified by the Marks through any other channels of distribution, including the Internet (or any other existing or future form of electronic commerce). You will not open any other TH business or office in the Protected Territory unless we permit you to do so under a separate franchise agreement. You will not have the right to subfranchise or sublicense any of your rights under this

Agreement. You will not use the Business for any purposes other than the operation of a TH business.

3. TERM AND RENEWAL

A. Term. This Agreement is for a term of ten (10) years, beginning on the date of this Agreement (the "Effective Date").

B. Renewal. You will have the right to enter into a successor agreement for the franchise granted herein for two (2) additional renewal terms of five (5) years each, provided you satisfy the following conditions respecting each renewal term:

1. You provide us with written notice of your intent to renew at least one hundred eighty (180) days but no more than three hundred sixty-five (365) days prior to the end of the term (or renewal term, if applicable) of this Agreement;

2. You are not in default of any provision of this Agreement or any other agreement between you and us or any of our affiliates, and you have substantially complied with all the terms and conditions of the foregoing agreements, including the payment of all monetary obligations owed to us or our affiliates;

3. At the time of renewal, you have met or exceeded the minimum monthly Gross Revenues levels stated in Section 6(E) below for the prior six (6) months;

4. Both a Principal Owner and General Manager (if the General Manager is not a Principal Owner) must complete, to our satisfaction, any new training and refresher programs as we may reasonably require. You are responsible for travel, living and compensation costs of attendees;

5. You maintain possession of the Office premises and, if we then so require, have at your expense made such reasonable capital expenditures necessary to remodel, modernize and redecorate the Office premises and to replace and modernize the supplies, fixtures, signs, and equipment used in your Business so that it reflects the then-current physical appearance of new TH businesses;

6. You sign our then-current form of franchise agreement which may contain terms and conditions substantially different from the provisions of this Agreement;

7. You pay to us a fee equal to Five Thousand Dollars (\$5,000) (the "Renewal Fee") when you provide notice of your intent to renew the Franchise Agreement; and

8. You and each Principal Owner sign a general release, in a form satisfactory to us, of any and all claims against us and our partners, directors, shareholders, agents, and employees.

4. FRANCHISOR SERVICES

A. Training. We will provide a one week intensive "Initial Training Program" for a Principal Owner and a General Manager (or one other employee if a Principal Owner is not the General Manager) at a place and time that we designate. The Initial Training Program may include online tutorials, classroom instruction and on-site training relating to Business operations,

providing Approved Services, marketing and sales programs and methods of controlling operating costs. If, during the Initial Training Program, we determine that the Principal Owner and/or the General Manager are not qualified to manage the Business, or fail to meet our then-current requirements, we will notify you and you must select and enroll a substitute Principal Owner and/or General Manager in the Initial Training Program. Those individuals attending the Initial Training Program must successfully complete the Initial Training Program and you must satisfy other training requirements as described in Section 5 below. If at any time we determine that one of the persons who were initially trained are not qualified to continue to manage the Business or the General Manager is no longer acting as a full-time manager of the Business, you must pay for his or her replacement to attend the Initial Training Program. We will provide such training to the replacement officer or manager for a fee we determine.

B. Operating Assistance. We will advise you on operational issues and provide assistance in operating the Business as we deem appropriate. Operating assistance may include advice regarding the following:

1. additional Approved Services and products authorized for sale at TH businesses;
2. selecting, purchasing and marketing products, equipment and other approved materials and supplies;
3. marketing assistance and sales promotion programs; and
4. establishing and operating administrative, bookkeeping, accounting, and general operating procedures for the proper operation of a TH business.

We will provide such guidance, in our discretion, through our Operations Manual, bulletins or other written materials, telephone conversations and/or meetings at our office or at the Business in conjunction with an inspection of the Business. We will provide you with additional assistance at the Business location for a fee, plus reimbursement of our travel, accommodation and meal expenses.

C. Operations Manual. We will provide on loan to you, during the term of this Agreement, electronic (Internet) access to an Operations Manual, which may include other handbooks, manuals and written materials (collectively, the "Operations Manual") for TH businesses. The Operations Manual will contain mandatory and suggested specifications, standards and operating procedures that we develop for TH businesses and information relating to your other obligations. Any required specifications, standards and operating procedures exist to protect our interests in the System and the Marks and to create a uniform customer experience, and not to establish any control or duty to take control over those matters that are reserved to you. We may supplement, modify or remove information to or from the Operations Manual to reflect changes in the System, the Approved Services and related products, and specifications, standards and operating procedures of a TH business. You must implement any changes to your Business that we require in the Operations Manual within the specified time frames. The master copy of the Operations Manual that we maintain on our website, and make available to you by electronic access, will control if there is a dispute involving the contents of the Operations Manual.

D. Conventions and Meetings. We may periodically hold or sponsor, and you must attend, franchise conventions and meetings relating to new Approved Services, new operational procedures or programs, recognition of successful franchisees, training, business management,

sales and sales promotion or similar topics. We may require your General Manager to attend the convention and pay our then-current registration fee. You must pay the then-current registration even if you do not attend. You are responsible for all expenses you incur during the convention, including your and your employees' transportation, lodging, meals and salaries. We may use the monies from the Marketing Fund for purposes related to the convention.

E. Initial Imprinted Materials Package. We will furnish you with a one-time initial inventory of imprinted materials for advertising.

5. FEES PAID TO FRANCHISOR

A. Initial Franchise Fee. You will pay us an "Initial Franchise Fee" of Forty-Nine Thousand Five Hundred Dollars (\$49,500). The Initial Franchise Fee is payable when you sign this Agreement, is fully earned by us upon receipt of the Initial Franchise Fee, and is not refundable.

B. Service Fee. You will pay us a non-refundable service fee equal to six percent (6%) of your Gross Revenues ("Service Fee") on a semi-monthly basis, or as we otherwise describe in the Operations Manual; provided, however, that you will pay a reduced Service Fee during the initial "Start-Up Phase" as described below:

Reduced Service Fee Rate During "Start Up Phase"

Period from Commencement of the Business* (Column A)	Monthly Gross Revenues** (Column B)	Service Fee Percentage
Months 1 – 12	Less than \$10,000	1%
Months 13 – 24	\$10,000 to \$19,999	2%
Months 25 – 36	\$20,000 to \$25,000	3%

* - You will be deemed to have commenced operating the Business as of the earlier of: (1) your completion of our Initial Training Program; and (2) you have obtained all necessary licenses and permits to operate the Business.

** - In determining whether you qualify for a reduced Service Fee, the monthly Gross Revenues for purposes of Column B will be the highest recorded Gross Revenues from the commencement of the Business through the most recent month in question.

To qualify for the reduced Service Fee for any given month during the first 36 months of operation, you must satisfy the requirements of both Column A and Column B relating to the percentage of Service Fees. For example, to qualify for a reduced Service Fee of one percent (1%) for a specific month, your Business must have been in operation for less than twelve (12) months and your monthly Gross Revenues for the Business during that month (and each preceding month) must be less than \$10,000. If you do not satisfy the requirements of both Column A and Column B, you will pay Service Fees at a rate equal to highest rate corresponding to Column A or Column B. For example, if your Business has been in operation for 13 months and your highest monthly Gross Revenues for the Business is \$22,000, you will pay a reduced Service Fee of three percent (3%). Once your Service Fee percentage increases, it cannot decrease in any subsequent period. You will commence paying the standard Service Fee of six percent (6%) of Gross Revenues upon the earlier of 36 months following the Effective Date

C. Marketing Fee. As further described in Section 12(A) below, we may require you to pay us in the future a non-refundable "Marketing Fund Fee" for deposit into a "Marketing Fund."

If implemented, the Marketing Fund Fee will be due and payable at the same time and in the same manner as the Service Fee.

D. Technology Fee. You will pay us our then-current monthly technology fee (the "Technology Fee") to offset our costs related to the Computer System, including our expenses relating to website maintenance, the internal franchisee reporting system and other items. We may increase the Technology Fee no more than once every twelve (12) months, and will not increase the Technology Fee by more than ten percent (10%) in any twelve (12) month period. The Technology Fee is due and payable on or before the tenth (10th) day of each month, or as described in the Operations Manual.

E. Electronic Transfer of Funds. We will require you to sign electronic funds transfer (EFT) authorizations and other documents as we periodically designate to authorize your bank to transfer, either electronically or through some other method of payment we designate, directly to our account and to charge your account for all Service Fees, Technology Fees and other amounts you owe us. Your authorization will permit us to designate the amount to be transferred from your account. You must maintain a balance in your accounts sufficient to allow us to collect the amounts owed to us when due. You will be responsible for any penalties, fines or similar expenses associated with the transfer of funds described herein. We may change the frequency with which we collect fees under this Agreement, although we will not collect fees more frequently than once a week. You agree to comply with our payment instructions as we periodically may modify them.

F. Insufficient Funds. In addition to interest charges on late fee payments, you must pay to us a service charge of up to Fifty Dollars (\$50) ("Insufficient Fund Fee") for each delinquent payment that you owe to us under this Agreement. A payment is delinquent if: (1) we do not receive the payment on or before the date due; or (2) there are insufficient funds in your bank account to collect the payment by a transfer of funds on or after the date due.

G. Interest on Late Payments. All Service Fees, Technology Fees and other amounts which you owe to us or our affiliates will bear interest after the due date at the lesser of: (1) eighteen percent (18%) per year; or (2) the maximum contract rate of interest permitted by law in the state in which the Business is located.

H. Application of Payments. We have discretion to apply any payments received from you to any amounts due to us or any of our affiliates. Moreover, we have discretion to apply any amounts we pay you to any amounts that may be due to you.

I. Withholding Payments Unlawful. You agree that you will not withhold payment of any Service Fees, Technology Fees or any other amount due us, and that the alleged non-performance or breach of any of our obligations under this Agreement or any other agreement does not establish a right at law or in equity to withhold payments due us for Service Fees, Technology Fees or any other amounts due.

J. Tax Indemnification. You will indemnify us and reimburse us for all income, capital, gross receipts, sales and other taxes that the state in which the Business is located imposes on us as a result of your operation of the Business or the license of any of our intangible property in the jurisdiction in which the Business is located. If more than one TH business is located in such jurisdiction, then those businesses will share the liability in proportion to their Gross Revenues from the Business, except in the case of sales taxes and gross receipts taxes, which will be

divided in proportion to taxable sales to you. If applicable, this payment is in addition to the Service Fee payments described above.

6. DUTIES OF FRANCHISEE

A. Development of the Business. Once you have identified a site for the Office and received our consent to that site, you will:

1. obtain all required building, utility, sign, health, sanitation and business permits and licenses, and any other required permits and licenses to operate the Business and provide each of the Approved Services. You acknowledge and agree that you will be required to satisfy additional licensing and personnel requirements imposed by applicable laws, rules and regulations to provide certain Approved Services, including skilled nursing services, at the Business;

2. construct all required improvements to the Business premises, purchase and install all required fixtures and equipment and decorate the premises in compliance with all applicable specifications described in the Operations Manual or as we otherwise approve and in compliance with all applicable ordinances, building codes, permit requirements and lease or deed requirements and restrictions; and

3. establish filing, accounting and inventory control systems complying with our requirements.

B. Initial Training. No less than two (2) months before the opening of the Business, the “General Manager” (as defined below) and one other full-time employee must attend and successfully complete the Initial Training Program on the operation of a TH business. If the General Manager is not a Principal Owner, a Principal Owner must also attend and successfully complete the Initial Training Program. The Principal Owner and the General Manager may be the same person so long as the Principal Owner meets the then-current requirements for general managers (as described in the Operations Manual. The Initial Training Program will be held in Minneapolis, Minnesota or at such other location as we may designate. We do not charge a fee for additional persons to attend the Initial Training Program. You are solely responsible for the compensation, travel, lodging and living expenses you and your employees incur in attending the Initial Training Program, as well as any supplemental or refresher training programs. You also are solely responsible for paying your employees and providing all necessary insurance, including worker’s compensation insurance, for you and your employees, while you and your employees attend training.

C. Computer System. In your Business, you will use the computer software and hardware management and reporting system, including all existing or future communication or data storage systems, components thereof and associated service, which we have developed or selected for the System (the “Computer System”). The Computer System may include one or more proprietary or other software programs developed or customized by or for us (the “Designated Software”). You must use the Designated Software (if applicable) and the Designated Software will remain the confidential property of us or our third-party supplier. You must enter into our or our designee’s standard form software license agreement in connection with your use of any Designated Software and pay the initial license fee and any ongoing fees related to your use of the Designated Software. In addition, you must pay us a Technology Fee as described in Section 4(D). We reserve the right to assign our rights, title and interest in any Designated Software to a third-party we designate or to replace the Designated Software with software that we or a third party may

provide. You must participate in our designated Payment Card Industry (“PCI”) compliance program if we establish such a program and pay the then-current fee associated with such program. If we do not designate a separate PCI compliance program, you must take all necessary steps to comply with all applicable PCI data security standards. You must maintain a secure technology infrastructure that meets our then-current requirements. All technology used to support the Computer System must comply with the then-current regulations of the Payment Card Industry Data Security Standards (PCI-DSS) council or its successor and other regulations and industry standards applicable to the protection of customer privacy and credit card information, including the Fair and Accurate Credit Transaction Act (FACTA). You will use one or more e-mail addresses we designate for communication with us. The computer hardware component of the Computer System must comply with specifications we develop. We have the right to designate a single source from which you must purchase the Computer System, including any software or hardware components or associated service, and we or our affiliates may be that single source. You will be required to use and, at our discretion, pay for all future updates, supplements and modifications to the Computer System. It is your responsibility to protect yourself from disruptions, Internet access failures, Internet content failures, and attacks by hackers and other unauthorized intruders and you waive any and all claims you may have against us as the direct or indirect result of such disruptions, failures and attacks.

D. Opening. You must comply with any Business opening requirements we periodically describe in the Operations Manual. You will not open the Business for business without our prior written approval. You agree to complete the development and open the Business for business within six (6) months following the Effective Date or within sixty (60) days following your receipt of all necessary licenses required to operate the Business, whichever is sooner.

E. General Manager. You will designate a general manager who will devote his or her best efforts and personal full time and attention to the management of your Business and who has successfully completed the Initial Training Program and all other training requirements we impose (the “General Manager”). The General Manager must sign a confidentiality agreement in a form we approve. If the General Manager no longer fulfils his/her duties at the Business, you agree to have the replacement manager attend and successfully complete our Initial Training Program at your expense within one (1) month of such replacement.

F. Minimum Performance Requirements. The rights granted to you under this Agreement are dependent on you achieving certain minimum performance requirements regarding the minimum Gross Revenues. During the term of this Agreement, you must maintain the following minimum Gross Revenues (the “Minimum Performance Requirement”):

Period from Commencement of the Business*	Minimum Monthly Average Gross Revenues
Months 1 – 12	No Minimum
Months 13 – 24	\$10,000
Months 25-36	\$20,000
Months 37 – 48	\$30,000

Months 73 and thereafter	\$70,000

* - You will be deemed to have commenced operating the Business as of the earlier of: (1) your completion of our Initial Training Program; and (2) you have obtained all necessary licenses and permits to operate the Business.

If you fail to satisfy the Minimum Performance Requirement for any twelve (12) month period, we may (a) require your General Manager to attend and complete additional training, at

your sole expense, (b) reduce the size of your Protected Territory, (c) terminate this Agreement pursuant to Section 15 below, or (d) exercise any other rights provided to us under this Agreement or available to us at law.

G. Additional Training. The General Manager, Principal Owner(s) and other employees, as we designate, must attend and complete to our satisfaction, all supplemental and refresher training programs that we designate each calendar year. We may charge you our then-current fee, plus any costs and expenses we incur, for these supplemental and refresher training programs, and you will reimburse us for any costs and expenses we incur.

H. Services to be Offered. You agree to sell or offer for sale only the Approved Services as we periodically direct in the Operations Manual or otherwise in writing. In addition, we will designate certain Approved Services that you must provide at the Business and may periodically designate other Approved Services that you may, but will not be required to, provide at the Business. You must not deviate from our standards and specifications in providing the Approved Services and you must discontinue selling and offering for sale any such services as we may, in our discretion, disapprove in writing at any time. You must notify us in writing in advance of offering any Ancillary Services.

I. Performance of Services. You agree that all Approved Services provided at the Business will be performed solely by you or your employees. In providing the Approved Services, you must satisfy all requirements stated in the Operations Manual, or otherwise in writing, including the hours and operations of the Business, scheduling customer service, marketing and financial reporting techniques, and controls. You and your employees must at all times present a neat and clean appearance and provide competent, sober, and courteous service to all customers of the Business.

J. Restriction on Use of Premises. You agree that you will not, without our prior written approval, offer at the Business any services or products we have not then authorized for use or sale for TH businesses, nor will the Business or the premises which it occupies be used for any purpose other than the operation of a TH business in compliance with this Agreement.

K. Your Hiring and Training of Employees. You will hire all employees of the Business, and you will be exclusively responsible for the terms of their employment, scheduling, benefits, disciplining, compensation, and all other personnel decisions. You must complete a background check of all of your potential employees, by a vendor approved by us. You will implement a training program for Business employees in compliance with our requirements. You will maintain at all times a staff of trained employees sufficient to operate the Business in compliance with our standards. You must ensure that all Business employees comply with all licenses and certifications respecting the Business as we may require or as federal, state and/or local authorities may require. At all times, the Business must be under the supervision of the General Manager. Any employees you hire will be solely your employees and will not be deemed our employees or subject to our control.

L. Authorized Products, Supplies and Equipment. You agree to offer and sell at the Business only the Services and related products which we have approved as being suitable to provide and meeting the standards of quality and uniformity for the System. In addition, you agree to use in the operation of the Business only such products, supplies, equipment and brands that we have approved as being suitable for use and meeting the standards of quality and uniformity for the System and are purchased from suppliers we have approved (which may include us and/or our affiliates). We periodically may modify the lists of approved and designated products,

supplies, equipment, brands and suppliers. If you propose to use in operating the Business, any products, supplies, equipment or brand, or use any supplier that we have not approved, you must first notify us in writing and provide sufficient information, specifications and samples concerning the proposed item and/or supplier to permit us to determine whether the proposed item complies with our specifications and standards and/or the supplier meets our approved supplier criteria. You must pay our then-current evaluation fee for each item or supplier you request that we evaluate, plus the costs we incur in connection with testing, inspecting and evaluating the proposed item or supplier. We will notify you within a reasonable time whether the proposed item and/or supplier is approved. If we revoke our approval of a supplier or products, you will have thirty (30) days to stop offering, selling or using those suppliers, products or other items or services in your Business. We may impose limits on the number of suppliers and/or brands for any products, supplies or equipment sold or used in the Business, and we may require that you use only one designated supplier for any products, supplies or equipment. You agree that certain products, supplies, equipment, and other items may only be available from one source, and we or our affiliates may be that source. WE AND OUR AFFILIATES MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, RESPECTING PRODUCTS, EQUIPMENT (INCLUDING ANY REQUIRED PART OF THE MANAGEMENT SYSTEM), SUPPLIES, FIXTURES, FURNISHINGS OR OTHER ITEMS THAT ARE MANUFACTURED OR DISTRIBUTED BY THIRD PARTIES AND THAT WE APPROVE FOR USE IN THE SYSTEM

M. Specifications, Standards and Procedures. You acknowledge that each and every detail of the operation of the Business is important to us and other TH businesses. You agree to maintain the highest standards of quality and service and comply with all mandatory specifications, standards and operating procedures (whether contained in the Operations Manual or any other written or oral communication to you) relating to the operation of a TH business. You agree to promptly comply with all modifications and updates we may make to the System standards in the Operations Manual or otherwise in writing.

N. Compliance with Laws and Good Business Practices. You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Business, and must operate the Business in full compliance with all applicable laws, ordinances and regulations, including all labor and employment laws. In addition, to the extent you offer any Ancillary Services, you will be solely responsible for obtaining all additional permits and licenses, and employing licensed individuals, necessary to conduct such Ancillary Services. You must notify us in writing within five (5) days of the commencement of any action, suit, proceeding or investigation, and of the issuance of any order, injunction, or award of decree, by any court, agency, or other governmental instrumentality that may adversely affect the operation or financial condition of you or the Business. You will not conduct any business or advertising practice which injures our business, the System or the goodwill associated with the Marks and other TH businesses. You agree to remain in compliance with all local, state, and federal laws, rules and regulations in connection with the operation of your Business, including the prompt payment of required licenses, surveys, permits, assessments, taxes, fees, and fines. You agree to perform all services and conduct your Business in compliance with all Health Insurance Portability and Accountability Act (HIPAA) laws and regulations.

You must comply with all relevant portions of HIPAA which require health care providers to submit transactions related to payment in standard electronic formats and regulate the security and privacy of health data, and HIPAA's implementing regulations, including the HIPAA Privacy Rule, HIPAA Breach Notification Rule, HIPAA Security Rule, HITECH Act, and Omnibus Rule. To

comply with HIPAA's privacy and security regulations, you must implement privacy and security policies and safeguards, designate a privacy and security officer, inform individuals how their health information is used and disclosed, provide access to health information, and give notice of certain breaches of protected data. You are solely responsible for training your employees on all such policies and procedures. In addition, to the extent you offer any Ancillary Services or we otherwise determine, you and we agree to sign and comply with the terms of the Business Associate Agreement ("Business Associate Agreement") substantially in the form of Exhibit C attached hereto, regarding Customer Data. You agree to sign an amended Business Associate Agreement to the extent we determine such an amended agreement is necessary. Further, if you engage a third party to perform functions that require access to patients' personal information, you and such third party also must sign a business associate agreement in a form similar to the Business Associate Agreement.

O. Customer Data. You acknowledge and agree that we reserve the right to own and control the use of Customer Data, and we grant you a license to use the Customer Data during the term of this Agreement. You have no right to sell, transfer, sublicense or otherwise share Customer Data to or with any third party unless you obtain our prior written approval. You will only use Customer Data for approved uses related to your Business, unless you obtain our prior written approval. Upon reasonable request, you will transfer all Customer Data to us or our affiliate in accordance with the Operations Manual. You must provide to us usernames and passwords to access the Computer System, and we have the right to access Customer Data on the Computer System and at the Office. It is your sole responsibility to protect Customer Data from cyber-attacks or unauthorized intruders, and you waive any claim you may have against us as the direct or indirect result of such attacks and intrusions. You are solely responsible for complying with all federal, state, and local laws and regulations concerning the storage, handling, use and protection of Customer Data. In addition, you must comply with any privacy policies or data protection and breach response policies we periodically may establish. You must notify us immediately of any suspected data breach or cyber-attack at or in connection with the Business.

P. Management of the Business/Conflicting Interests. The General Manager will be responsible for the day-to-day supervision of the Business, must at all times faithfully, honestly and diligently perform his or her obligations, and must continuously use their best efforts to promote and enhance the business of the Business. The General Manager must assume their responsibilities on a full-time basis and must not engage in any other business or other activity, directly or indirectly, that requires any significant management responsibility, time commitments, or otherwise may conflict with your obligations.

7. TRADEMARK STANDARDS

A. Ownership and Goodwill of Marks. You acknowledge that you have no interest in or to the Marks and that your right to use the Marks is derived solely from this Agreement and is limited to the conduct of business in compliance with this Agreement and all applicable specifications, standards and operating procedures that we require during the term of this Agreement. You agree that the use of the Marks and any goodwill established exclusively benefits us, and that you receive no interest in any goodwill related to your use of the Marks or the System. You must not, at any time during the term of this Agreement or after your termination or expiration, contest or assist any other person in contesting the validity or ownership of any of the Marks.

B. Limitations on Your Use of Marks. You agree to use the Marks as the sole identification of the Business, but you must identify yourself as the independent owner in the manner we direct. You must not use any Mark as part of any corporate or trade name or in any

modified form, nor may you use any Mark in selling any unauthorized product or service or in any other manner we do not expressly authorize in writing. You agree to display the Marks prominently and in the manner we direct on all signs and forms. Subject to our rights described in this Agreement, you agree to obtain fictitious or assumed name registrations as may be required under applicable law.

C. Restrictions on Internet and Website Use. We retain the sole right to advertise the System on the Internet and to create, operate, maintain and modify, or discontinue the use of, a website using the Marks. You will have the right to participate in our TH website as further described in Section 12(G) below. Except as we may authorize in writing, however, you will not: (1) duplicate our website; (2) conduct any business or offer to sell or advertise any Services or similar services or products on the Internet (or any other existing or future form of electronic communication); (3) create or register any Internet domain name in any connection with your franchise; and (4) use any e-mail address which we have not authorized for use in operating the Business. You will not register, as Internet domain names, any of the Marks that we now or hereafter may own or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar.

D. Notification of Infringements and Claims. You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Mark, or any claim by any person of any rights in any Mark or any similar trade name, trademark or service mark of which you become aware. You must not communicate with any person other than us and our counsel regarding any infringement, challenge or claim. We may take any action we deem appropriate and have the right to exclusively control any litigation or other proceeding arising out of any infringement, challenge or claim relating to any Mark. You will sign all documents, provide assistance and take all action as we may reasonably request to protect and maintain our interests in any litigation or other proceeding or to otherwise protect and maintain our interests in the Marks.

E. Litigation. You will have no obligation to and will not, without our prior written consent, defend or enforce any of the Marks in any court or other proceedings for or against imitation, infringement, any claim of prior use, or for any other allegation. You will, however, immediately notify us of any claims or complaints made against you respecting the Marks and will, at your expense, cooperate in all respects with us in any court or other proceedings involving the Marks. We will pay the cost and expense of all litigation we incur, including attorneys' fees, specifically relating to the Marks. We and our legal counsel will have the right to control and conduct any litigation relating to the Marks.

F. Changes. You cannot make any changes or substitutions to the Marks unless we so direct in writing. We reserve the right, in our discretion, to modify or discontinue use of any Mark, or to use one or more additional or substitute trademarks or service marks. In such event, you will, at your expense, comply with such modification or substitution within a reasonable time after notice by us.

8. CONFIDENTIAL INFORMATION/IMPROVEMENTS

A. Confidential Information. You acknowledge and agree that you do not acquire any interest in the Confidential Information, other than the right to use it in developing and operating the Business pursuant to this Agreement, and that the use or duplication of the Confidential Information in any other business constitutes an unfair method of competition. You acknowledge and agree that the Confidential Information is proprietary and is our trade secret and is disclosed to you solely on the condition that you agree that you: (1) will not use the Confidential Information

in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (3) will not make unauthorized copies of any Confidential Information disclosed in written form; (4) will adopt and implement all reasonable procedures we direct to prevent unauthorized use or disclosure of the Confidential Information, including restrictions on disclosure to Business employees; and (5) will sign a Confidentiality Agreement and will require the General Manager and other managers, employees and agents with access to Confidential Information to sign such an agreement in a form we approve. The restrictions on your disclosure and use of the Confidential Information will not apply to disclosure of Confidential Information in judicial or administrative proceedings to the extent you are legally compelled to disclose this information, if you use your best efforts to maintain the confidential treatment of the Confidential Information, and provide us the opportunity to obtain an appropriate protective order or other assurance satisfactory to us of confidential treatment for the information required to be so disclosed.

B. Improvements. You must fully and promptly disclose to us all ideas, concepts, products, process methods, techniques, improvements, additions and Customer Data relating to the development and/or operation of a TH business or the System, or any new trade names, service marks or other commercial symbols, or associated logos relating to the operation of the Business, or any advertising or promotion ideas related to the Business (collectively, the "Improvements") that you, your owners or your employees or agents conceive or develop during the term of this Agreement. You and your owners, agents and employees acknowledge and agree that any Improvement is our property, and you and your owners, agents or employees must sign all documents necessary to evidence the assignment of the Improvement to us without any additional compensation. 1. You are organized and validly exist under the laws of the state where you were formed and are qualified and authorized to do business in the jurisdiction where the Protected Territory and the Business is located;

2. Your articles of incorporation, bylaws, operating agreement or other organizational documents (collectively, "Authorizing Documents") at all times will provide that your business activities will be limited exclusively to the ownership and operation of the Business, unless you otherwise obtain our written consent;

3. You have the power under the Authorizing Documents to sign this Agreement and comply with the provisions of this Agreement;

4. You will provide us copies of all Authorizing Documents and any other documents, agreements or resolutions we request in writing;

5. The names of all Principal Owners are accurately stated on the Guaranty attached hereto as Exhibit B; and

5. Use any reproduction, copy or similar imitation of the Marks subject to this Agreement in any trade or business.

You agree that the covenants contained in this Section are reasonable and will not impose undue hardship on you. You understand that your willingness to agree to such covenants is an important inducement and consideration for our entering into this Agreement.

D. Injunctive Relief. You agree that damages alone cannot adequately compensate us if there is a violation of any covenant in this Section 9, and that injunctive relief is essential for our protection. You therefore agree that, to the greatest extent permitted by applicable law, we may seek injunctive relief without posting any bond or security, and without the need to prove irreparable harm, in addition to the remedies that may be available to us at equity or law, if you or anyone acting on your behalf violates any covenant in this Section 9. The covenants stated in this Section 9 will survive the termination or expiration of this Agreement.

10. RECORDS AND REPORTS

A. Accounting and Records. During the term of this Agreement, you will, at your expense, establish and maintain at the Business premises and retain for a minimum of six (6) years from the date of their preparation, an accounting and record keeping system we designate that will generate complete and accurate books, records, and accounts relating to the Business (the "Records"). The accounting and record keeping system will include accounting and reporting software that we periodically direct. The Records must be prepared in the form and manner we direct in the Operations Manual or otherwise in writing. You must preserve the Records and submit reports electronically, consistent with our requirements described in the Operations Manual or otherwise in writing. You will ensure that we have electronic access at all times to the Records, accounting systems and other information and supporting documents as we designate. If at any time you fail to fully comply with your obligations under this Section 10, we may require that you engage, at your expense, a third-party accounting firm or other service provider that we designate to satisfy the requirements of this Section 10.

B. Reports and Tax Returns. You will deliver or allow us access to the following: (1) all accounting software used in connection with the Business; (2) daily statements relating to Gross Revenues accompanying your payment of semi-monthly Service Fees; (3) monthly income statements in a format we require; (4) profit and loss statements for the Business at such intervals as we periodically may require; (5) an annual profit and loss statement and source and use of funds statement for the Business for the year and a balance sheet for the Business as of the end of the year, reviewed by an independent certified public accountant; and (6) at our request, all tax returns relating to the Business and each of its Principal Owners. All financial statements, reports and information must be in the form we approve and that you independently have verified.

11. INSPECTION AND AUDITS

A. Our Right to Inspect the Business. To determine whether you are complying with this Agreement, we may, at any time during business hours and without prior notice to you, inspect the Business and observe the provision of the Approved Services. You will fully cooperate with our representatives making any inspection and will permit our representatives to take photographs or videotapes of the Business and to interview employees and customers of the Business. If we establish a mystery shopper or compliance assessment program, we may require you to pay for the reasonable expense of mystery shopper visits or the completion of any compliance assessments at your Business.

B. Our Right to Examine Books and Records. We may, at all reasonable times and without prior notice to you, examine, audit, or request copies of the Records, including the books, records and state and/or federal income tax records and returns of any Principal Owner. You must maintain all Records and supporting documents at all times at the Business premises. You will make financial and other information available at a location we reasonably request, and will allow us (and our agents) full and free access to any such information at the Business. You must reimburse us for the cost of the audit or examination,

including the charges of any independent accountants and the travel expenses, room and board and compensation of our employees, if: (1) we determine that an examination or audit is necessary because you failed to timely provide required information; or (2) any examination or audit results in a determination that Gross Revenues for any month are understated by greater than two percent (2%). The foregoing remedies are in addition to all of our other remedies and rights under applicable law.

12. ADVERTISING

A. Marketing and Promotional Fund. We reserve the right, following a minimum of ninety (90) days' advance written notice to you, to commence operation of a Marketing Fund and require you to pay a Marketing Fund Fee of up to two percent (2%) of your Gross Revenues for deposit in the Marketing Fund. If we commence operating a Marketing Fund, we will place all Marketing Fund Fees we receive into the Marketing Fund and will manage the Fund. If applicable, we also will contribute to the Marketing Fund for each TH business that we or our affiliates operate in the United States at the same percentage rate as a majority of TH businesses located in the United States must pay to the Marketing Fund. If we commence operating a Marketing Fund, disbursements from the Marketing Fund will be made solely to pay reasonable expenses we incur in connection with the general promotion of the Marks and the System, including the cost of formulating, developing and implementing advertising, marketing, promotional and public relations campaigns; the cost of market research and analytics; and the costs of administering the Marketing Fund, including the cost of employing advertising, public relations and other third-party agencies to assist us, as well as accounting expenses and the actual costs of salaries and fringe benefits paid to our employees engaged in administration of the Marketing Fund. The Marketing Fund will not be a trust or escrow account, and we will have no fiduciary obligations regarding the Marketing Fund. If we establish the Marketing Fund, we cannot ensure that you will benefit directly or on a pro rata basis from the future placement of any such advertising or marketing activities in your local market.

B. Local Marketing and Business Promotion. In addition to the Marketing Fund Fee due under Section 12(A) above if we establish a Marketing Fund, you must actively promote the Business and Approved Services. We reserve the right to require you to spend a minimum quarter amount on approved local marketing and Business promotion not to exceed two percent (2%) of quarter Gross Revenues upon sixty (60) days' notice to you.

C. Cooperative Advertising. In the future, we may require that you participate in, support and contribute to the cost of regional cooperative advertising programs we designate. We reserve the right to designate regional and local advertising markets, to establish regional advertising councils and to establish the bylaws and other rules under which such councils will operate. Your contributions to regional and local advertising cooperatives will be credited toward your local marketing obligations (if any) described in Section 12(B) above.

D. Approved Advertising and Business Promotion Materials. You will use only our approved advertising and promotional materials in promoting the Business. If you desire to use any advertising or promotional materials in promoting the Business which we previously have not approved, you must submit all materials to us for our approval before using any such materials, which approval will not be unreasonably withheld. If we do not disapprove those advertising or promotional materials within fifteen (15) days after you submit those materials to us, then you may use the materials, although we reserve the right to disapprove those materials at any later time and require you to remove any subsequently disapproved materials.

E. Participation in Certain Programs and Promotions. You must use your best efforts to promote and advertise your Business and must participate in all advertising and promotional programs we establish in the manner we direct. We may set minimum and maximum prices on all Approved Services and related services and products provided or sold at or in connection with the Business, subject to applicable law.

We will, at our discretion, determine the content and use of a TH website and intranet system and will establish rules under which you may or will participate. We will retain all rights relating to the TH website and intranet system and may alter or terminate the website or intranet system upon thirty (30) days' notice to you. Your general conduct on the Internet and the TH intranet system, and specifically your use of the Marks or any advertising on the Internet (including the domain name and any other Marks we may develop as a result of participation in the Internet), will be subject to the provisions of this Agreement. You acknowledge that certain information obtained through your online participation in the website or intranet system is considered Confidential Information, including access codes and identification codes. Your right to participate in the TH website or intranet system or otherwise use the Marks or the System on the Internet will terminate when this Agreement expires or terminates.

13. INSURANCE

A. Requirements. You agree to purchase and maintain in force, at your expense, insurance at a minimum in the types of coverage and amounts we specify in the Operations Manual or otherwise in writing. Best rating of A or higher; (2) will name us and our affiliates, and their respective officers, directors and employees, as an additional insured; (3) contain a waiver of the insurance company's right of subrogation against us; (4) contain the above-mentioned insurance coverage for each TH business that you operate; and (5) provide that we will receive thirty (30) days' prior written notice of a material change in or termination, expiration or cancellation of any policy (or such shorter period as the insurance carrier may require and as we may approve).

B. Additional Insurance Terms. We periodically may, with prior written notice to you, increase the minimum liability protection requirements, and require different or additional kinds of insurance to reflect inflation or changes in standards of liability. If at any time you fail to maintain in effect any insurance coverage we require, or to furnish satisfactory evidence thereof, we, at our option, may obtain insurance coverage for you. You agree to promptly sign any applications or other forms or instruments required to obtain any insurance and pay to us, on demand, any costs and premiums we incur. You will provide us with copies of the certificate of insurance, insurance policy endorsements and other evidence of compliance with these requirements as we periodically require at least two (2) weeks before you commence operation of the Business and at such other times as we may require. In addition, you will provide to us a copy of the evidence of the renewal or extension of each insurance policy in a form we require. Your obligation to obtain and maintain these insurance policies in the amounts specified will not be limited by any insurance that we may maintain, nor does your procurement of required insurance relieve you of liability under the indemnity obligations described in Section 16. Your insurance procurement obligations under this Section 13(B) are separate and independent of your indemnity

obligations. We do not represent or warrant that any insurance that we require you to purchase will provide you with adequate coverage. The insurance requirements specified in this Agreement are for our protection. You should consult with your own insurance agents, attorneys and other insurance advisors to determine the level of insurance protection you need and desire, in addition to the coverage and limits we require.

The mediation will be conducted either through an individual mediator or a mediator appointed by a mediation services organization, experienced in the mediation of disputes between you and us, agreed upon by the parties. If the parties do not agree on a mediator or mediation services organization within fifteen (15) days after either party has notified the other of its desire to seek mediation, the dispute will be mediated by the American Arbitration Association pursuant to its rules governing mediation, in the county where our headquarters is located. The costs and expenses of mediation, including compensation of the mediator, will be borne equally by the parties. If the parties cannot resolve the claim, controversy or dispute within sixty (60) days after conferring with the mediator, either party may submit such claim, controversy or dispute to arbitration as described in Section 17(B) below. We may bring an action under the applicable provisions of this Section 17, without first submitting the action to mediation under this Section 17(A), for injunctive relief or for monies you owe us.

The arbitrator(s) will have a minimum of five (5) years' experience in franchising or distribution law and will have the right to award specific performance of this Agreement. The proceedings will be conducted under the Commercial Arbitration Rules of the American Arbitration Association, or the rules of such other arbitration services organization as the parties otherwise may agree upon in writing, to the extent such rules are not inconsistent with the provisions of this arbitration provision or the Federal Arbitration Act. The decision of the arbitrator(s) will be final and binding on all parties; provided, however, the arbitrator(s) may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance we establish. Any arbitration proceeding will be limited to controversies between you and us, and will not be expanded to include any other Touching Hearts® franchisee or include any class action or multi-party claims. This Section 17 will survive termination or nonrenewal of this Agreement under any circumstances. Judgment upon the award of arbitrator(s) may be entered in any court having jurisdiction thereof. During any arbitration proceeding, we and you will fully perform our respective obligations under this Agreement.

Our waiver of any breach by you, or our delay or failure to enforce any provision of this Agreement, will not be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights respecting that or any other breach. No waiver by us of any rights under this Agreement will be valid or binding upon us unless we provide that waiver in writing and sign it.

C. Rights of Parties are Cumulative. The rights of us and you are cumulative and no exercise or enforcement by either party of any right or remedy precludes the exercise or enforcement by such party of any other right or remedy to which such party is entitled by law or equity to enforce.

Independent Auditor's Report

Touching Hearts, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Touching Hearts, Inc. (the Company), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Company has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 842, *Leases*, as of January 1, 2022, using the modified retrospective approach with an adjustment at the beginning of the adoption period. Our conclusion is not modified with respect to this matter.

Other Matter

The financial statements of the Company as of and for the year ended December 31, 2020, were audited by Peterson, Whitaker and Bjork, LLC, who joined Eide Bailly LLP on December 6, 2021, and whose report dated April 26, 2021, contained an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Note 1 - Principal Business Activity and Significant Accounting Policies

Principal Business Activity

Touching Hearts, Inc. (the Company) is a franchisor, selling franchises to provide non-medical home care services to seniors and people with disabilities.

The Company filed a Uniform Franchise Offering Circular with the state of Minnesota and was authorized to sell franchises as of December 31, 2006. As of December 31, 2022, the Company is authorized to sell franchises in approximately twenty-two states. Overall changes to operating franchisees are as follows:

	<u>2022</u>	<u>2021</u>	<u>2020</u>
Franchises operating, beginning of year	69	72	68
Franchises opened during the year	-	-	4

Franchises operating, end of year	<u><u>64</u></u>	<u><u>69</u></u>	<u><u>72</u></u>

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations, Risks, and Uncertainties

The Company maintains cash balances with primarily one financial institution. The Company has not experienced any losses in the accounts, but the balances, at times, may exceed the \$250,000 insurance limit established through the Federal Deposit Insurance Corporation (FDIC). At December 31, 2022, the Company had no uninsured balances.

Financial instruments that potentially subject the Company to concentrations of credit risk as defined by current accounting guidance consist primarily of trade accounts receivable. The Company extends credit based on an evaluation of the customer's financial condition, generally without requiring collateral. The Company monitors its exposure to credit losses on receivables and maintains an allowance as considered necessary.

Accounts Receivable

Accounts receivable from franchisees are generally secured by the rights to the franchise. Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Company performs continuing credit evaluations of its customers. Accounts receivable are considered past due when payment has not been received by the stated due date on the invoice. The Company does not charge interest on past due amounts. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. No allowance for doubtful accounts has been provided as accounts receivable are considered fully collectable.

Inventory

Inventory consists of promotional items for sale to franchisees. It is stated at the lower of cost or net realizable value. Cost is determined on an average cost basis.

Property and Equipment

Property and equipment are carried at cost. Depreciation expense is computed using the straight-line method over estimated useful lives ranging from five to seven years for property and equipment. Significant additions or improvements extending asset lives are capitalized, while maintenance and repairs are charged to expense as incurred. The cost and related accumulated depreciation or amortization on asset disposals are removed from the accounts, and the resulting gain or loss is included in operating expenses.

Intangible Assets

Intangible assets consist of franchising costs that are carried at cost and amortized using the straight-line method over estimated lives of 15 years.

The Company capitalizes website development costs related to software in the application development stage. All other costs related to website development are expensed as incurred. These costs are amortized using the straight-line method over an estimated life of three years.

Impairment of Long-Lived Assets

Long-lived assets, such as property, equipment, and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. There were no impairment charges recognized during the years ended December 31, 2022, 2021, and 2020.

Revenue Recognition

Revenue recognition is governed by Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers*, which requires that five basic criteria must be met before revenue can be recognized: (1) identify the contract with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when (or as) the entity satisfies a performance obligation.

The Company derives its revenues primarily from royalties and franchise fees collected from franchisees. Revenues are recognized when control of these products or services is transferred to its customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products and services.

The Company's primary performance obligations under the franchise license is granting certain rights to use the Company's intellectual property and pre-opening services. The Company has elected to account for the pre-opening services as a single distinct performance obligation in accordance with the practical expedient, ASU 2021-02, *Franchisors — Revenue from Contracts with Customers*. Franchise agreements generally provide for an initial franchise fee of \$39,500 per franchise unit and require that franchisees pay royalty fees based on a percentage of their gross revenue, as defined by the franchise agreement. Sales tax and other taxes the Company collects concurrent with revenue-producing activities are excluded from revenue. Costs incurred to obtain a contract, if significant, are capitalized and amortized over the estimated life of a franchisee.

Revenue from inventory sales is recognized when the item is shipped and is recorded as other income in the statements of income.

Advertising Expenses

Advertising expenses are recognized in the period incurred, and were \$265,917, \$139,769, and \$129,510 for the years ended December 31, 2022, 2021, and 2020, respectively.

Leases

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, *Leases* (Topic 842). The Company elected to apply the guidance as of January 1, 2022, the beginning of the adoption period. The comparative financial information and disclosures presented are in accordance with the legacy standard, ASC 840. The new standard requires the recognition of right-of-use assets and lease liabilities for lease contracts with terms greater than 12 months. Operating lease costs are recognized in the income statement as a single lease cost and finance lease costs are recognized in two components, interest expense and amortization expense. The Company has elected the package of practical expedients permitted in Topic 842. Accordingly, the Company accounted for its existing leases as either finance or operating leases under the new guidance without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in ASC Topic 842 at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Company recognized on January 1, 2022, the beginning of the adoption period, a cumulative effect adjustment to deferred rent of \$16,915 operating lease liabilities of \$139,855 and operating right-of-use assets of \$122,940. The adoption of the new standard did not materially impact the Company's statements of operations or statements of cash flows. See Note 8 for further disclosure of the Company's lease contracts.

Prior to 2022, rent expense under noncancelable operating leases with scheduled rent increases or free rent periods were accounted for on a straight-line basis over the lease term beginning on the date of initial possession. The Company's lease agreement includes an escalation clause in minimum base rent that has been included in minimum lease payments and considered in the straight-line rent calculation. Differences between the recognized rent expense utilizing the straight-line method and amounts payable under the lease were recorded as deferred rent.

Income Tax

The Company has elected to be taxed as an S-corporation under applicable federal and state regulations. Accordingly, a provision for income taxes has not been provided on these financial statements, as any liability or benefit generally accrues to the stockholders.

The Company accounts for income taxes pursuant to Financial Accounting Standards Board guidance. This guidance prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken, or expected to be taken, in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The Company believes its income tax filing positions and deductions will be sustained upon examination and, accordingly, no reserves or related accruals for interest and penalties have been recorded at December 31, 2022, 2021, and 2020.

In accordance with the guidance, the Company has adopted a policy under which, if required to be recognized in the future, interest related to the underpayment of income taxes will be classified as a component of interest expense and any related penalties will be classified in operating expenses in the statements of income.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on net income or stockholders' equity.

Subsequent Events

The Company has evaluated subsequent events through April 28, 2023, the date which the financial statements were available to be issued.

Note 2 - Revenue

The following table disaggregates the Company's revenue based on the timing of satisfaction of performance obligations for the years ended December 31:

Note 5 - Notes Receivable

The Company occasionally executes notes receivable with franchisees for the payment of a portion of the initial franchise fee. These notes typically span a period of twelve to thirty-six months and are interest free. The Company routinely assesses the financial ability of the franchisee to pay the note prior to execution of the franchise agreement, and therefore, believes note receivable credit risk is limited.

Note 6 - Related Party Transactions

During 2022, a stockholder loaned the Company \$100,000 for short term liquidity needs. There was no formal agreement and payment terms have not been established. The balance as of December 31, 2022, is \$100,000 and is recorded as due to stockholder on the balance sheet.

During 2022, the Company recognized \$72,717 of royalty revenue from a franchise that is owned by an officer of Touching Hearts, Inc.

Note 7 - Paycheck Protection Program Loan

In April 2020, the Company was granted a \$119,176 loan under the Paycheck Protection Program (PPP) administrated by Tradition Capital Bank, a Small Business Administration (SBA) approved partner. The loan was uncollateralized and was fully guaranteed by the Federal government. The Company initially recorded a note payable in 2020 and subsequently recorded forgiveness in 2021 when the loan obligation was legally released by the SBA. The Company recognized \$119,176 of loan forgiveness income for the year ended December 31, 2021, which is included as PPP loan forgiveness in the statements of income. The Company may be audited by the SBA for a period of up to six years after the date it was forgiven to determine whether the Company met the qualifications for the loan.

Note 8 - Operating Leases

The Company leases an office under a long-term, non-cancelable operating lease. The lease expires on February 28, 2026. The office lease provides for increases in future minimum annual rental payments. The office lease also requires the Company to pay a proportionate share of real estate taxes and operating expenses.

The weighted average discount rate is based on the discount rate implicit in the lease. The Company has elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. The Company has applied the risk-free rate option to the building class of assets.

The weighted average discount rate on the operating lease was 2.96%. The weighted average lease term on the operating lease was 3.16 years. For the year ended December 31, 2022, cash paid for the operating leases totaled \$34,051.

Total lease costs for the year ended December 31, 2022, were as follows:

Operating lease cost		\$	31,646
Variable lease cost			27,553
Short-term lease cost			4,294
			63,493
		\$	63,493

Total lease expense under noncancelable leases was \$62,129 and \$73,908 for the years ended December 31, 2021 and 2020, respectively.

The Company has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis.

The future minimum lease payments under noncancelable operating leases with terms greater than one year are listed below as of December 31, 2022.

Years Ending December 31,

Note 9 - Equity

Activity

During 2022, the sole stockholder sold 66% of their shares; 33% each to two related parties. The transaction occurred outside of the Company and, therefore, had no effect on total stockholders' equity.

In order to effectuate the sale, the Company declared a ten to one stock split immediately prior to the sale, which increased the number of shares outstanding from 100 to 1,000.

Buy-Sell Agreement

In conjunction with the sale of stock, the stockholders subsequently agreed to restrict the transfer of shares whether voluntarily, involuntarily, or upon death. Generally, before stock can be sold to any outside party, the Company has the right to repurchase the shares first, then the remaining stockholders have the right to purchase the shares second. The agreement also addresses the purchase price and payment methodology.

Stock Bonus Plan

A key employee was granted the right to common shares upon the attainment of certain performance goals tied to revenues; a total of 1% per year for the next five years for a maximum 5% of outstanding common shares. At December 31, 2022, the first annual performance goal for 2022 was determined to have been met. Accordingly, a \$60,000 accrued bonus was recorded based on the estimated fair value of the Company as determined by management.

Item 17, Additional Disclosures. The following statements are added to Item 17:

Any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota may be unenforceable under North Dakota law. Any mediation or arbitration will be held at a site agreeable to all parties. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.

Any general release the franchisee is required to assent to as a condition of renewal is not intended to nor shall it act as a release, estoppel or waiver of any liability franchisor may have incurred under the North Dakota Franchise Investment Law.

Covenants not to compete during the term of and upon termination or expiration of the franchise agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The Franchise Agreement includes a waiver of exemplary and punitive damages. This waiver may not be enforceable under North Dakota law.

The Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by franchisor in enforcing the agreement. For North Dakota franchisees, the prevailing party is entitled to recover all costs and expenses, including attorneys' fees.

The Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. This waiver may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement state that franchisee must consent to the jurisdiction of courts outside that State of North Dakota. That requirement may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement may require franchisees to consent to termination or liquidated damages. This requirement may not be enforceable under North Dakota law.

WASHINGTON ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

To the extent the Washington Franchise Investment Protection Act, Wash. Rev. Code §§19.100.010 – 19.100.940 applies, the terms of this Addendum apply.

Item 17, Additional Disclosure:

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Exhibit I, Additional Disclosure:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT, FRANCHISEE COMPLIANCE QUESTIONNAIRE, AND RELATED AGREEMENTS

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel.
