What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with us by litigation and mediation only in Maine. Out-of-State litigation and mediation may force you to accept a less favorable settlement for disputes. It may also cost you more to litigate and mediate with us in Maine than in your own State.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in a redesign of your territory, loss of any territorial exclusivity you are granted, or termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” to see whether your state requires other risks to be highlighted.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify language in this disclosure document, "CRITERIUM ENGINEERS" and "we, us, or our" means Coast to Coast Engineering Services, Inc., the Franchisor. "You" or "your" means the person who acquires rights in the franchise, and includes any investors, partners, shareholders or guarantors.

A. The Franchisor and any Parents, Predecessors and Affiliates

COAST TO COAST ENGINEERING SERVICES, INC. (the "Franchisor") is a Maine corporation doing business under the name "CRITERIUM ENGINEERS." Its principal business address is: 5 Depot Street, Suite 23, Freeport, ME 04032; Telephone numbers: 1-800-242-1969, (207) 828-1969; website: www.criterium-engineers.com; email: bwhiton@criterium-engineers.com.

CRITERIUM ENGINEERS does not have a parent company.

CRITERIUM ENGINEERS' agent for service of process is disclosed in Exhibit F.

CRITERIUM ENGINEERS incorporated in Maine on July 19, 1989 and, by Articles of Merger filed September 29, 1989, is the successor by merger to Coast to Coast Inspection Services, Inc., a New York corporation organized on March 10, 1971 (the "Predecessor Company"). The Predecessor Company was founded by Arthur Tauscher who, in 1957, first began his engineering services business of providing home inspections for prospective homebuyers in the United States. The Predecessor Company previously licensed independent offices and engineers to use certain home inspection techniques and reporting practices under the name "Home Inspection Consultants." The address of the predecessor was: 265 Sunrise Highway, Rockville Centre, NY 11571.

CRITERIUM ENGINEERS has offered franchises for the Franchised Consulting Engineering Business since its incorporation in 1989. The CRITERIUM® System uses certain aspects of the home inspection techniques and reporting practices developed by the Predecessor Company, together with other techniques and methodologies developed by Criterium Engineers. Ninety-five percent of the "Home Inspection Consultants" offices sold by the Predecessor Company and currently operating have voluntarily converted to the CRITERIUM® System format, procedures and requirements. A list of operating CRITERIUM® and "Home Inspection Consultants" offices is attached as Exhibit A.

CRITERIUM ENGINEERS' Founding President, H. Alan Mooney, P.E., has operated businesses of the type offered as franchises from 1974 until 2010. The Mooney Company, doing business as Criterium - Mooney Engineers, represented the southern Maine franchise of CRITERIUM ENGINEERS. In 2010, that company was merged into the Franchisor.

CRITERIUM ENGINEERS' President since 2018, David Leopold has a notable record of strategy development and execution in officer and senior management roles for Fortune 500 companies. He has a demonstrated ability to lead organizations. Executive competencies include strategic vision, leadership effectiveness, change management, P&L growth, digital strategy and marketing.

In 1990, CRITERIUM ENGINEERS established a company owned consulting engineering business in San Diego. That office was sold to Robert Fennema, P.E., on July 29, 1991. It closed in 2005.

On June 1, 1990, CRITERIUM ENGINEERS and H. Alan Mooney re-purchased the "Home Inspection Consultants" franchise and consulting business of Robert H. Deaderick, P.E. Mr. Deaderick had operated a Home Inspection Consultants and Architectural Consulting business in Richmond, VA since 1972. CRITERIUM ENGINEERS operated the business until December 30, 1992, when it was sold to David K. Low, P.E. Mr. Low has sold the office to Jerry Hall, effective May 1, 1999. That office closed in November of 2009.

On January 10, 1991, CRITERIUM ENGINEERS purchased the Boston "Home Inspection Consultants" franchise of Alister M. Shepherd. A new franchise for a part of the territory was sold to H. Alan Mooney, who operated the office until it was sold to Gus Karoubas, P.E. on June 24, 1993. The Boston office is now closed.

In 1995, CRITERIUM ENGINEERS acquired the Tampa Bay office of James Belliveau, after Mr. Belliveau defaulted on his franchise agreement. CRITERIUM ENGINEERS operated that office until early 1996 at which point the office was closed.

In 2007, CRITERIUM ENGINEERS opened a company-owned office in Phoenix, Arizona, which it operated until 2016, when it was sold.

In 2012, CRITERIUM ENGINEERS purchased the Las Vegas office of Charles McWilliam which it operated until 2021 when it was sold.

In 2015, CRITERIUM ENGINEERS purchased the Seattle, Washington office of David Pioli, P.E., which it operated until 2017, when it was sold.

Other than the offices enumerated above, CRITERIUM ENGINEERS has no prior history of conducting a business of the type offered as franchises.

Neither CRITERIUM ENGINEERS, nor the Predecessor Company has offered franchises for any other line of business. CRITERIUM ENGINEERS has no affiliates.

All of the "Home Inspection Consultant" offices that originated under the Predecessor Company are currently operating under a Name Change Addendum to their original license agreements. All of the "Home Inspection Consultant" offices have executed the Name Change Addendum since CRITERIUM ENGINEERS acquired the business in 1989. A copy of the Name Change Addendum is attached as Exhibit G. "Home Inspection Consultant" offices may convert to become CRITERIUM franchisees at no cost. If they choose to do so, they are then asked to sign the current Franchise Agreement. All of the "Home Inspection Consultants" offices sold by the Predecessor Company have voluntarily converted to the CRITERIUM® System format, procedures and requirements.

B. The Franchise.

CRITERIUM ENGINEERS has developed and acquired techniques, systems, procedures and know-how in the consulting engineering business, specializing in buildings. These services include providing reports, inspections, consultations, investigations and litigation support services on the structural and mechanical aspects, design, maintenance and construction of residential, commercial and light industrial buildings ("Consulting Engineering Services"). Under the Franchise Agreement, CRITERIUM ENGINEERS will authorize you to use the techniques, systems, procedures, know-how, and other features of the CRITERIUM® System and to operate a business specializing in the Consulting Engineering Services operating under the Marks.

We also offer to select qualified persons the opportunity to acquire the exclusive right to develop multiple CRITERIUM ENGINEERS Franchises in a Designated Development Area. If you are purchasing a Development Area, you must sign our Area Development Agreement. You must also execute our then-current form of Franchise Agreement for each CRITERIUM ENGINEERS Franchise you open in your Development Area. For each future CRITERIUM ENGINEERS Franchise opened under an Area Development Agreement, you may be required to sign a form of franchise agreement that is different from the form of franchise agreement included in this Franchise Disclosure Document.

Since some, or all, of the Consulting Engineering Services fall within the definition of "professional engineering services" or equivalent terms under state laws which require that persons who engage in such activities be licensed, the franchisee must at all times either be a qualified and licensed professional engineer or architect in good standing in the jurisdiction where the Franchised Consulting Engineering Business will be conducted or, in states where permitted, such an individual must hold the specific ownership and/or management position(s) that engineering firms are required to form under specific corporate structures in many states. Engineering firms must generally register with the secretary of state to do business and obtain a Certificate of Authority from the Board of Professional Engineers. You are solely responsible for determining what state and/or local licensing and registration requirements apply to you in light of the Consulting Engineering Services which you are called upon by customers and clients to render, and to qualify for, and maintain such licenses and registrations in good standing, at your sole expense.

All services provided under the Marks must comply with the National Society of Professional Engineers' Code of Ethics.

C. Market Competition.

We consider the market for buildings related consulting engineering services to be perpetual inasmuch as buildings, left unattended or poorly maintained, will always suffer defects and degradation and jeopardize the health and safety of occupants. This was acknowledged when, in most states during the pandemic, engineers were designated as essential workers. Furthermore, the market is underserved by existing engineering firms, most of which are not structured to take advantage of relatively small assignments in the building inspection market niche.

In the area of inspection services, you will compete with both licensed professional consulting engineers and unlicensed persons, such as contractors, homebuilders and home inspection services.

The market for general consulting engineering services is well developed. We do not expect significant changes in this market in the foreseeable future.

You will have to compete with licensed individuals providing similar services as independent professional consulting engineers.

The company continues to expand its Construction Engineering and Quality Assurance (QA) services for new construction. This is a growing market as builders struggle with quality issues which, according to industry sources suggest that between 5% and 9% of the total contract value. Third-party QA services, including written and photographic documentation, are often mandated by builder insurance companies. Rising home prices will continue to drive multi-family building, which was up an estimated 15% in 2022. According to the National Association of Home Builders, there are currently more than 940,000 apartments under construction, the highest total since 1973. Competition comes from three or four companies that specialize in this work, but either lack the national reach or engineering approach of CRITERIUM ENGINEERS.

CRITERIUM ENGINEERS continues to explore new market opportunities as well.

D. Regulations

The state registration board regulates the practice of engineering in each state. There is increasing activity in states with regard to the regulation of home inspections. To our knowledge, over 30 states have actually passed such legislation. The nature of the legislation varies, in some cases licensing inspectors, in others, just establishing practice standards. In many of these states, engineers are exempt from licensing or certification requirements based on their knowledge, experience and the fact that they are already licensed by a state entity.

INITIAL FEES

A. Initial Franchise Fee.

The initial franchise fee is based primarily on the population of the Territory granted. The formula will vary according to the density of the population related to the total area, or for other demographic considerations. The initial franchise fee ranges from a minimum of \$49,500 to \$79,500, but may be more depending on the population in your Territory. The fee includes all items listed in Exhibit H of the Franchise Agreement, and a supply of stationery, brochures, and other printed items. The fee is used to develop and maintain the techniques, systems, procedures and know how in the consulting engineering business which are unique to CRITERIUM ENGINEERS and to maintain the CRITERIUM® trademark.

The initial franchise fee is payable in full upon your execution of the Franchise Agreement unless, and to the extent, financing is obtained from CRITERIUM ENGINEERS. As provided in Item 10 of this Disclosure Document, CRITERIUM ENGINEERS offers financing of up to 25 percent of the initial franchise fee minimum, or \$12,375, plus the amount that exceeds the minimum, if you qualify. If financing is extended, you pay \$37,125 of the initial franchise fee when you execute the Franchise Agreement. You pay the balance of the initial franchise fee according to the terms of an unsecured promissory note, described in Item 10.

The initial franchise fee is fully earned when paid and, in cases where we provide financing, upon execution of the promissory note for the deferred position of the initial franchise fee. We do not require offices converting from the Predecessor Company's "Home Inspection Consultants" system to pay any initial franchise fee to join the CRITERIUM® System. We reserve the right to offer existing franchisees purchasing additional franchise territories a lower franchise fee.

B. Conditions for Refund.

If you fail to complete the initial training program by demonstrating, to our satisfaction, a level of business acumen, engineering understanding and the commitment to learning, we have the right to terminate the Franchise Agreement. If we terminate the Franchise Agreement for failure to satisfactorily complete the initial training program, we will return to you \$5,000 of the Franchise Fee paid. However, we do not refund any portion of the initial franchise fee if you fail to complete the initial training program due to your failure or refusal to attend such training (provided CRITERIUM ENGINEERS offers the initial training program within 90 days after we execute the Franchise Agreement.) Upon completion of the initial training program, the initial franchise fee is not refundable under any condition. Other than for failure to complete the training program the initial franchise fee is non-refundable.

C. Additional Offices within the Area.

The Franchise Agreement permits you to open an unlimited number of offices within your assigned area of primary responsibility, however, the opening of an office does not create a new franchise. CRITERIUM ENGINEERS' prior written approval of each location is required. Beginning no later than 120 days following the date of the Franchise Agreement and continuing for

the balance of the franchise term, you must at all times have at least one approved franchised office operating in the Territory. The Franchise Agreement applies to each franchised office that the Franchisee opens in the Territory. No additional franchise or other fee is payable for the right to open additional offices.

D. Area Development Rights

We also offer to select qualified persons the opportunity to acquire the exclusive right to develop and operate multiple CRITERIUM ENGINEERS Franchises in a designated Development Area. The Development Area will be established based on the consumer demographics of the Development Area, geographical area, city, county or other boundaries. If you are purchasing a Development Area, you must sign our Area Development Agreement. When you sign the Area Development Agreement, you must pay us an Area Development Fee. The Area Development Fee is equal to \$5,000, multiplied by the number of CRITERIUM ENGINEERS Franchises, which you will establish in the Development Area. You also must pay us the full amount of the then-current Franchise Fee for the first CRITERIUM ENGINEERS Franchise you open. For each subsequent CRITERIUM ENGINEERS Franchise you open under your Area Development Agreement you will pay a Franchise Fee, which is calculated in the same manner as the Franchise Fee being charged to new franchisees, at the time you sign each subsequent Franchise Agreement which may be more or less than the current Franchise Fee. In all circumstances the Area Development Fee and Franchise Fees are nonrefundable once paid. After your first CRITERIUM ENGINEERS Franchise is opened and operating, you will receive a credit of \$5,000, toward the payment of each subsequent Franchise Fee. The Franchise Fee for your second and subsequent locations may be higher or lower than the Franchise Fee for your first CRITERIUM ENGINEERS Franchise. As of the date of this Disclosure Document, the Franchise Fee for the first CRITERIUM ENGINEERS Franchise you open in the Development Area and the Franchise Fee for each subsequent CRITERIUM ENGINEERS Franchise you open in the Development Area is outlined above. We reserve the right to change the Franchise Fee and/or Area Development Fee(s) at any time in our discretion and reserve the right to, in our sole discretion, negotiate higher or lower Franchise Fees for each subsequent Criterium Engineers Franchise you open. If you form an entity to open any of the additional CRITERIUM ENGINEERS Franchises within the Development Area, you must own at least 51% of the issued equity securities in each entity. You must provide us with necessary documentation to show your ownership interest.

Gross Receipts do not include customer refunds on Gross Receipts previously reported to Criterium Engineers on which you have already paid Service Fees and Marketing Fee Contributions. Nor do they include the amount of any sales, use or other similar taxes that you collect from customers and pay to any federal, state or local taxing authority. With CRITERIUM ENGINEERS' prior written approval, Gross Receipts may not include certain unusual non-recurring expenses upon which you derive no income or profit. You must pay Service Fees on or before the 10th of each month based upon the Gross Receipts of the Franchised Consulting Engineering Business collected during the prior month. Offices converting from the "Home Inspection Consultants" network may pay a service fee equal to the same royalty rate provided in the former agreement with the Predecessor Company.

2. Marketing Fee.

You must pay a monthly Marketing Fee (the "Communications Fee") to CRITERIUM ENGINEERS together with, and for the same period as, the Service Fee. The Marketing Fee is sometimes internally referred to by the Franchisor and Franchisee as the Communications Fee. For the purposes of the Franchise Disclosure Documents these terms are interchangeable. The amount of the Communications Fee is the greater of \$50.00 per month, or 1 percent of your monthly Gross Receipts. The Communications Fee is imposed on new Franchisees to the CRITERIUM® System. Those offices converting from the "Home Inspection Consultants" network are not required to pay a Communications Fee unless they elect to participate in CRITERIUM ENGINEERS' advertising program. We do not require converting offices to participate in the advertising program. Converting offices have the option to participate in advertising activities and obtain advertising and promotional materials on a fee-for-services basis based on the cost of media production and placement and other direct advertising costs.

3. Technology Fee

You must pay an annual Technology Fee (the "Technology Fee"). The fee is \$2,800, billed monthly over the calendar year. The Technology Fee does not cover all of the technology needs of a

CRITERIUM ENGINEERS office. The Technology Fees is imposed on all new Franchisees and those offices converting from the “Home Inspection Consultants” network.

4. Late Payments; Audits.

If you fail to pay any Service Fees or Communications Fees when due, the amount not timely paid will bear interest at the rate of 12 percent per annum from the date payment was due until paid in full.

CRITERIUM ENGINEERS may apply any payments you make to any past due indebtedness of yours for Services Fees, Communications Fees, interest or any other indebtedness. We may make such application irrespective of how you may label a particular payment.

The Franchise Agreement requires you to submit periodic sales reports, financial statements and tax returns or schedules as they pertain to the Franchised Consulting Engineering Business or state law may require for persons engaged in "professional engineering" activities. You must prepare these reports and financial statements at your sole expense using our prescribed reporting and bookkeeping format. You must complete all financial statements in accordance with generally accepted accounting principles. CRITERIUM ENGINEERS may examine, copy and audit all books and records of the Franchised Consulting Engineering Business including records relating to Gross Receipts, sales calls, new accounts and other relevant information. If we have reason to believe that any financial statements submitted are not correct or are not prepared in accordance with generally accepted accounting principles, we may require that you prepare these statements at your expense by a certified public accountant we select.

You must establish and maintain a bookkeeping, accounting and record keeping system conforming to our requirements, as revised from time to time. You must submit such periodic reports, forms and records we specify in the Franchise Agreement and Confidential Operating Manual or otherwise require. Your books and records must be available for inspection, copying, and audit by CRITERIUM ENGINEERS, its agents and attorneys during normal working hours.

You must retain these books and records relating to the Franchised Consulting Engineering Business for 3 years during, and following, the expiration, termination, or your assignment of the Franchise Agreement. During this time, we may make one or more inspections and audits of these records as we deem necessary to determine your compliance with the Franchise Agreement during its term.

If an audit reveals that actual Gross Receipts for any period exceed the amount you reported, the total amount of Service Fees and Communications Fees payable on account of the deficiency is due and payable in full within 15 days after receipt of CRITERIUM ENGINEERS' audit report, together with interest at the rate stated above. In those cases where the understatement equals or exceeds 5 percent of actual Gross Receipts, we require you to pay all costs and expenses we incur in connection with the audit and collection of the deficiency, including all accountants' fees, attorneys' fees, and the travel expenses, room, board and compensation of those of our employees and independent professionals who participate in the audit. In addition, we may terminate the Franchise Agreement if the amount of the understatement of Gross Receipts is 5 percent or more.

5. Suppliers Approval.

You are responsible for ensuring that all items used in the operation and promotion of the Franchised Business comply with Franchisor's specifications and are purchased only from "approved suppliers." If you choose to obtain any items using the Marks which have not been approved or from a supplier which has not been approved, you must first submit sufficient information, specifications, and/or samples to CRITERIUM ENGINEERS for advance review and approval. CRITERIUM ENGINEERS may charge up to One Thousand Dollars (\$1,000.00) for inspection of submitted materials.

6. Transfer Fees.

Except as outlined below in this paragraph, if you transfer control of your franchise to someone other than an original signatory of the Franchise Agreement, you must pay to CRITERIUM ENGINEERS, a transfer fee equal to 15% of the then current franchise fee being charged by CRITERIUM ENGINEERS if you will provide transition training a support to the new franchisee, or 25% if you will not provide that support , in lieu of the transferee's payment of any initial franchise fee. The transfer fee is for the training, supervision, administrative costs, overhead, counsel fees, accounting and other expenses we may have in connection with the transfer. We do not charge a transfer fee in connection with the assignment or transfer of the franchise by an individual to a newly formed corporation or to the qualified heir or personal representative in the event of your death or permanent disability.

7. Training Fees.

You, or your Designated Manager, must attend and successfully complete the CRITERIUM ENGINEERS' initial training program, described in Item 11 of this Disclosure Document. We do not charge a training fee for you or your Designated Manager to attend.

Initial training programs shall be held either virtually using Zoom or other similar technology or at the offices of CRITERIUM ENGINEERS. If you or your Designated Manager is required to attend the initial training at the offices of CRITERIUM ENGINEERS, CRITERIUM ENGINEERS shall provide a minimum, reasonable travel allowance, and daily allowance for meals and lodging. CRITERIUM ENGINEERS shall be entitled to determine the type and amount of said expenses and this information shall be set forth from time to time in the Manual. All additional expenses for all training sessions shall be borne by you.

CRITERIUM ENGINEERS invites you to enroll an unlimited number of supervisory management, technical and operations staff to participate in the initial training program whenever held. CRITERIUM ENGINEERS does not provide allowances for these individuals and reserves the right to charge a fee for materials.

Alternatively, after three years of operation, you can train staff members in-house if you follow CRITERIUM ENGINEERS on-site training program. Completion of the On-site Training requires a significant time commitment from the office principal and, if not a licensed Professional Engineer themselves, then the Senior Engineers in the office. This training program is provided to protect our brand and the Marks and not to control the day-to-day operation of your business.

8. National Conventions

If held, you are required to attend the national convention sponsored by Criterium Engineers. If you are unable to attend for any valid reason, (health, family concerns, legitimate conflicts), you will still be charged the then-current conference fee unless prior written approval is granted. Travel costs may be incurred depending on the location of the conference. Travel costs are your responsibility.

These figures do not take into account any financing charges or other related costs which you may be required to pay. These figures apply to new CRITERIUM® franchisees who are starting up their business. If you purchase an operating franchised consulting engineering business from an existing CRITERIUM franchisee, you may pay a going-concern value for such business which reflects goodwill and other intangible assets in addition to costs for tangible personal property, leasehold interests, leasehold expenses, inventory and the like.

NOTES

1. Initial Franchise Fee.

See Item 5 of this Disclosure Document. CRITERIUM ENGINEERS may offer financing for up to \$12,375 of the initial minimum franchise fee to be paid over two years for qualified Franchisees. The chart does not show the effect of financing the initial franchise fee, *i.e.*, that your initial, minimum payment would be less than the full franchise fee, with the balance of the initial franchise fee payable, together with interest, in equal monthly installments over a period of up to two years, as explained in Item 10 of this Disclosure Document. We do not offer direct or indirect financing for Area Developer Agreement fees. See Item 5 for the conditions under which this fee is refundable.

If you fail to complete the initial training program to our satisfaction, we have the right to terminate the Franchise Agreement. If we terminate the Franchise Agreement for failure to satisfactorily complete the initial training program, we will return to you \$5,000 of the Franchise Fee paid. (See Item 11 of this Disclosure Document for a description of the initial training program.) However, we do not refund any portion of the initial franchise fee if you fail to complete the initial training program due to your failure or refusal to attend such training (provided CRITERIUM ENGINEERS offers the initial training program within 90 days after we execute the Franchise Agreement.) Upon completion of the initial training program, the initial franchise fee is not refundable under any condition. Other than for failure to complete the training program the initial franchise fee is non-refundable.

2. Rent.

Rent will vary depending upon the location, condition and size of the franchised office. We estimate the sum of \$1,000 to \$9,000. This estimate includes all of the continuing charges typically payable to the owner of the real estate, *e.g.*, monthly rental, taxes, insurance, maintenance and other occupancy expenses. The estimate is based upon a 300 square foot franchised office. CRITERIUM ENGINEERS imposes only minimum specifications for the design and appearance of your office facility. You have 120 days from the date of the Franchise Agreement in which to open an office in the Territory. The Minimum estimate applies for up to the first 120 days following execution of the

Franchise Agreement when you may operate the CRITERIUM® Franchise out of a suitable home office. It assumes you have an office facility in your home at the time the Franchise Agreement is signed and therefore assumes no incremental cost for rent to establish the home office.

3. Utility and Office Security Deposits.

Certain utilities (electric, gas, telephone) may require security deposits in advance of providing services. If you lease your office space, you may be required to provide a security deposit to the landlord prior to occupying the leased space. These estimates are included.

4. Other Pre-Paid Expenses, Licenses.

Governmental regulations may require various permits and licenses as either isolated or recurring expenditures. Typical of these permits and licenses are those from labor departments, sales tax bureaus and other similar state or local governmental agencies. In addition, as noted in Item 1 of this Disclosure Document, state law may require that you, at a minimum, be duly licensed as a "professional engineer" in order to render Consulting Engineering Services. We anticipate that most Franchisees will have the requisite professional licenses when they purchase the CRITERIUM® franchise and therefore will not incur any additional expense for this item in connection with their purchase of the franchise. Compliance with such licensing requirements is a condition of the CRITERIUM® franchise. Government authorities determine fees to obtain required licenses and permits and you pay them directly as required.

5. Leasehold Improvements, Fixtures and Equipment including Computer Systems

We impose only minimal specifications for leasehold improvements to the franchised office, fixtures (such as signage) and furnishings. The specifications are described in the Confidential Operating Manual. The cost of leasehold improvements, fixtures and equipment depends upon the size of the franchised office, the nature and extent of any repair work required, the local cost of construction work and the location of the franchised office. An office must be equipped, at a minimum, with the following equipment: a dedicated business telephone line; a laptop computer operating in the Windows 10 Professional or greater environment, 12 GB RAM, DVD+RW and assorted accessories, and Microsoft Office 2016 or greater software such as Google Workspace (these computer specifications are minimums and more recent software releases can be recommended by the CRITERIUM ENGINEERS IT department); an apple iPad (9th generation or newer) with 128GB of storage and cellular data plan (case and screen protector recommend); a CRITERIUM web site associated e-mail address; and a digital camera or smartphone. You must also implement an automated nightly data backup system via external hard drive or cloud service. Of this amount, the estimated cost associated with the purchase of the specified office equipment is \$3,000. In addition, the following equipment is included in the franchise fee and must be used for the franchised business: QuickBooks Pro; Constant Contact newsletter subscription (1 year), and a website with one (1) year of hosting and support. You may already possess certain equipment. In addition, leasing of furniture and equipment may be a desirable strategy to minimize initial capital outlay.

6. Insurance.

You must procure and maintain throughout the term of the Franchise Agreement insurance of the types and amounts described in Item 8 and 9 of this Disclosure Document. The cost of insurance will vary based on policy limits, type of policies procured, geographic location, and other related factors. The figures cover insurance deposits made prior to opening. They include a \$500.00 deposit paid to the CRITERIUM® reserve account for errors and omissions insurance and initial payments for business liability and other insurances.

7. Training.

You or your Designated Manager are responsible for attending and successfully completing, prior to opening Franchisee's office, the initial training program described in Items 6 and 11 of this Disclosure Document. Training programs shall be held either virtually using Zoom or other similar technology or at the offices of Franchisor and may be completed in one or more separate sessions consisting of several days each. If Franchisee or its Designated Manager is required to attend training at the offices of the Franchisor, Franchisor shall provide a minimum, reasonable travel allowance, and daily allowance for meals and lodging. Franchisor shall be entitled to determine the type and amount of said expenses and this information shall be set forth from time to time in the Manual. All additional expenses for all training sessions shall be borne by Franchisee. Franchisor invites you to enroll an unlimited number of supervisory and technical staff to participate in the initial training program whenever held. Franchisor does not pay for travel, meals or other allowances for these individuals and reserves the right to charge a fee for materials and/or license fees associated with software used during training.. Alternatively, after three years of operation, Franchisee shall be entitled to train supervisory and technical staff in-house if Franchisee follows Franchisor's on-site training program. This training program is provided to protect Franchisor's brand and the Marks and not to control the day-to-day operation of the Franchised Business.

8. Advertising.

Before your first use or distribution, you must submit to us for written approval, samples of all promotion, marketing and advertising materials and descriptions of local promotional programs that you propose to use, that we have not previously approved. If we have not notified you of our disapproval within 15 days from the date of receipt of such information, the materials are considered approved.

You may not advertise or use in advertising or any other form of promotion any of the Marks without appropriate copyright and registration symbols or the designations ®, TM or SM where applicable, applied in accordance with our instructions.

You must maintain a dedicated business telephone number and 1) Maintain your website with fresh content, 2) Maintain your Google Business Profile (created by Franchisor), and respond to online reviews, 3) Create and maintain a LinkedIn personal page AND create and maintain a company page within one (1) year of the date of the Franchise Agreement, 4) Establish and regularly distribute content through an electronic newsletter service like Constant Contact, and other online options which we specify which cover your assigned area of primary responsibility under the

categories of the Franchised Consulting Engineering Business and under such other names as CRITERIUM ENGINEERS may designate using advertisements which CRITERIUM ENGINEERS approves in advance.

9. Printing.

Included in the franchise fee are an initial supply of 500 letterhead, 500 second sheets, 500 envelopes, 250 mailing tables, 3,000 business card, and 1,000 sell sheets. You may choose to purchase additional amounts and you may also be required to purchase additional supplies as prescribed in the Confidential Operating Manual.

10. Opening Inventory and Supplies.

Before beginning operations, you must purchase miscellaneous office supplies and certain tools, such as a ladder, an electrical tester, a flashlight and an awl, related to the business, identified in the Confidential Operating Manual.

11. Legal and Professional Fees.

You may incur certain legal, accounting and/or other professional fees in establishing the Franchised Consulting Engineering Business, including business formation and accounting services. Actual amounts may vary depending upon the local cost of such services, nature and type of professional services required and other related factors.

12. Additional Funds - for First 6 Months.

The chart shows additional start-up funds that may be required for the first 6 months of operation. These expenses include payroll costs, insurance, promotion and transportation costs. These figures are estimates and CRITERIUM ENGINEERS cannot guarantee that you will not have additional expenses in starting the business. Your costs will depend on factors such as: how much you follow CRITERIUM ENGINEERS' methods and procedures, your management skill, experience and business acumen, local economic conditions, the local market for our services, the prevailing wage rate, competition, and the sales level reached during the initial period.

The Minimum level reflects a sole proprietor working from a home office. It includes costs for sales and promotion, phone, postage, auto expenses and related professional expenses. The Maximum level reflects the immediate addition of office staff, rental of office space, and a more aggressive promotional effort.

Neither the maximum nor minimum level of expenses make any assumptions of a salary that you may draw during the first 6 months of operations. Although you may draw a salary, we anticipate that you will channel some or all revenue into the business. The chart does not take into account any money which you might need for personal living expenses during this period.

13. Area Development Fee

When you sign the Area Development Agreement, you must pay Franchisor an Area Development Fee. The Area Development Fee is equal to \$5,000 multiplied by the number of CRITERIUM ENGINEERS Franchises to be established in the Development Area. You also must pay Franchisor the full amount of the then-current Franchise Fee for the first CRITERIUM ENGINEERS Franchise you open. For each subsequent CRITERIUM ENGINEERS Franchise you open under your Area Development Agreement you will pay a Franchise Fee, which is calculated in the same manner as the Franchise Fee being charged to new franchisees, at the time you sign each subsequent Franchise Agreement. After your first CRITERIUM ENGINEERS Franchise is opened and operating, you will receive a credit of \$5,000 toward the payment of each subsequent Franchise Fee. The Area Development Fee is nonrefundable once paid. See Item 5 of this Disclosure Document for additional information regarding the Area Development Fee.

14. Vehicle

This figure represents the estimated cost per month for a vehicle. The minimum estimated amount assumes you already have a vehicle. The maximum amount represents the estimated cost per month to lease a vehicle.

15. Total

All fees paid to CRITERIUM ENGINEERS are non-refundable, except as outlined in Items 5 and 6 of this Disclosure Document. Fees paid to a third party may be refundable, depending upon the arrangement and contracts, if any, made between such third party and the Franchisee.

The preceding projections are estimates of the total initial investment required of a CRITERIUM® Franchisee. Many of the expenses shown in the chart may not be incurred by you for several months after signing the Franchise Agreement, during which time you may nevertheless be able to operate the Franchised Consulting Engineering Business from your home and develop and service a clientele and generate revenue.

Minimum expenses reflect the projected least capital outlay required to establish a CRITERIUM® Franchise business. Variables, some of which are within your control, others of which are not, contribute to the estimate of Maximum Expenses.

Offices converting from the Predecessor Company's "Home Inspection Consultants" system do not incur an initial franchise fee or initial expenses to join the CRITERIUM® System.

CRITERIUM ENGINEERS relied on its experience since 1989 and that of the predecessor company to compile these estimates. You should review these figures carefully with a business advisor before deciding to purchase the franchise.

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except those items covered by the Technology Fee, you have no obligation, under the Franchise Agreement or other practice, to purchase or lease from CRITERIUM ENGINEERS or from suppliers we designate any goods, services, supplies, fixtures, equipment, inventory or real estate relating to the establishment or operation of the Franchised Consulting Engineering Business. You must purchase various items used in the development and operation of the Franchised Consulting Engineering Business in accordance with our specifications. Currently, these items include the equipment, supplies, stationery, and computer system software. These specifications are outlined in the Confidential Operating Manual that is provided to Franchisees. We reserve the right to change the standards and specifications if we find it necessary to do so. You will be notified of any modifications of standards or specifications through notices and periodic updates to the Confidential Operations Manual. The Franchise Agreement expressly incorporates the contents of the Confidential Operating Manual into the Franchise Agreement by reference. Therefore, your breach of any mandatory requirement contained in the Confidential Operating Manual constitutes a default under the Franchise Agreement.

You may not incorporate as CRITERIUM® but must register the CRITERIUM® name as a fictitious or assumed name or d/b/a in your state.

If you desire to apply CRITERIUM ENGINEERS' Marks to any goods used in connection with franchise operations, the supplier must agree to use and apply the CRITERIUM® Marks in accordance with our guidelines. These goods include stationery, brochures, signs, and other printed items. No other requirement exists to qualify suppliers.

CRITERIUM ENGINEERS will be the approved supplier for software and services covered by the Technology Fee which commences in 2023. Creative Imaging Group is an approved supplier for most printed items and products are purchased directly from them. In 2022, we had total revenues of \$6,872,949. Of that, \$3,826 (.06%) was from franchisees' purchases of marketing materials, technology products and support, and technical services of which most was a pass-through of costs. All printed materials are purchased directly from our recommended supplier. Neither CRITERIUM ENGINEERS nor any person or company affiliated with it receives any consideration from suppliers that we may recommend to you on account of your purchases from such suppliers, although certain items may be marked up between 15 and 25 percent above actual cost to cover processing and inventory costs. There are no approved suppliers in which any of our officers owns an interest. No one affiliated with CRITERIUM ENGINEERS is currently an approved supplier.

If you desire to purchase any items from an unapproved supplier, you will submit to us a written request for such approval, and have such supplier acknowledge in writing that you are an independent entity from us and that we are not liable for debts incurred by you. We will consider all requests and will try to advise you of our decision in writing within 30 days after receipt of the fully documented request. Requests not approved within 30 days are automatically disapproved. We will have the right to require that our representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, at our option, either to us or to an independent, certified laboratory designated by us for testing. We may also require that the supplier comply with

such other reasonable requirements, as we may deem appropriate. We reserve the right, at our option, to re-inspect the facilities and products of any such approved supplier and to revoke its approval upon the supplier's failure to continue to meet any of our then-current criteria. Approval will be immediately revoked if the supplier ceases to use and apply the CRITERIUM marks per our guidelines. You or the supplier may be charged for the costs of our testing of a product or supplier in an amount not to exceed \$1,000.

We apply the following general criteria in approving a proposed supplier: ability to provide sufficient quantity of product; quality of products and/or services at competitive prices; production and delivery capability; and dependability and general reputation of the supplier.

CRITERIUM ENGINEERS requires that an office be equipped, at a minimum, with the following equipment: a dedicated business telephone line; a laptop computer operating in the Windows 10 Professional or greater environment, 12 GB RAM, DVD+RW and assorted accessories, and Microsoft Office 2016 or compatible software such as Google Workspace (these computer specifications are minimums and more recent software releases can be recommended by the CRITERIUM ENGINEERS IT department); an Apple iPad (9th generation or newer) with 128GB of storage and cellular data plan (case and screen protector recommended); a CRITERIUM web site associated e-mail address; and a digital camera or smartphone. You must also implement an automated nightly data backup system via external hard drive or cloud service. Of this amount, the estimated cost associated with the purchase of the specified office equipment is \$3,000. In addition, the following equipment is included in the franchise fee and must be used for the franchise business: QuickBooks Pro; Constant Contact newsletter subscription (1 year), and a website with one (1) year of hosting and support.

You must maintain an insurance policy or policies protecting you and CRITERIUM ENGINEERS, their officers, directors, employees, subcontractors and other affiliated persons against any loss, liability or expense whatsoever from personal injury, death or property damage arising or occurring upon or in connection with the Franchised Consulting Engineering Business or your occupancy of the franchised office. You must name us as an additional insured on all required policies other than worker's compensation coverage.

The required insurance shall be written by companies satisfactory to CRITERIUM ENGINEERS and must include all of the following, unless we excuse any particular coverage in writing:

(1)	General Liability Insurance	Minimum Limits of Liability/Maximum Deductible
	Bodily Injury	\$1,000,000 each person/ \$1,000 deductible
		\$1,000,000 each accident/ \$1,000 deductible
	Property Damage	\$1,000,000 each accident/

\$250 deductible

- (2) Errors and Omissions for all inspection and consulting engineering services provided \$4,000,000 per year \$2,000,000 each claim \$25,000 deductible

To the extent CRITERIUM ENGINEERS is able to obtain errors and omissions (professional liability) insurance, you may elect to be included under our master policy. Each CRITERIUM® office which elects such coverage, to the extent it is available, shares pro rata in the cost of the errors and omissions insurance based upon a ratio of each office's Gross Billings to the total aggregate Gross Billings of all CRITERIUM® offices included under our master policy. Each participating CRITERIUM office contributes to a reserve fund to cover claim fees within the deductible and pays an administration fee for the costs of managing the program.

(3) Worker's compensation coverage as provided by applicable state law where the Franchised Consulting Engineering Business is located.

(4) Business umbrella liability insurance in an amount not less than \$1,000,000.00.

(5) Automobile insurance containing a non-ownership and/or hired vehicle endorsement including CRITERIUM ENGINEERS as a named insured.

(6) Employment practices liability insurance coverage in an amount ranging from \$100,000 to \$250,000, depending on the size of your office and the number of employees you have. CRITERIUM ENGINEERS must be named as an additional insured.

You must submit to us certificates of insurance showing compliance with the requirements within 30 days after you execute the Franchise Agreement, but in no event later than the first day you start doing business to the public under the Marks and using the CRITERIUM® System, whether operating from a home office or from the franchised office. Each certificate must state that the policy or policies cannot be canceled or altered without at least 30 days prior written notice to CRITERIUM ENGINEERS and must reflect proof of payment of premiums. Minimum insurance limits may be modified periodically, based upon inflation or our experience with claims, by written notice to you. Should you fail to maintain any required insurance, we may procure the same after giving you notice of our intent to do so, and you must pay and reimburse us for all actual costs of same upon demand.

At the current time, printed materials plus insurance costs may represent 4 to 6 percent of all purchases required in establishing and operating the business.

There are currently no purchasing or distribution cooperatives. As a service, we occasionally negotiate preferred pricing arrangements with suppliers, however we do not require you to purchase from these suppliers. We will pass any discounts or volume credits directly to you. Currently, we have preferred pricing arrangements with:

- CRITERIUM ENGINEERS has established a Franchise Partnership account with Constant Contact, which provides a monthly discount to Franchisees who choose to participate. Fees are charged as a pass through amount with no mark up.
- Intuit’s QuickBooks, through Mendelson Consulting provides a first-year discount to CRITERIUM ENGINEERS when the program is obtained, which may or may not be afforded to the Franchisee in subsequent years. Fees are charged directly from QuickBooks.

CRITERIUM ENGINEERS has established an online portal with Creative Imaging Group, which provides printed items, marketing items, wearables, etc. Fees are charged as a pass through amount with no mark up.

We do not provide material benefits (such as renewal or granting additional franchises) to you based on your purchase of particular products or services or use of particular suppliers.

NOTES

1. Financing Terms.

If you qualify, CRITERIUM ENGINEERS may, in its discretion, offer financing of up to 25 percent, or \$12,375, of the initial \$49,500 minimum, plus 100 percent of any additional franchise fee amount. The terms of such financing are in an unsecured promissory note, in the form attached to the Franchise Agreement as Exhibit "G." The note shall be dated the same date as the Franchise Agreement and you will sign it concurrently with the execution of the Franchise Agreement. The note bears interest at the lesser of 12% per annum or the maximum legal rate of interest at the time of its execution.

Payment of the financed portion of the initial franchise fee is due in twenty-four (24) equal monthly installments of principal and interest, with the first installment one month from the date of the note.

If the Franchisee is a corporation, each officer and shareholder of the Franchisee must execute a personal guaranty of the note, agreeing to be personally jointly and severally liable for its repayment. The form of personal guaranty is attached to the Franchise Agreement as Exhibit "B."

You may prepay the note at any time without premium or penalty. Should you default in any payment, the entire unpaid principal balance of the note, together with accrued interest and all costs incurred in collecting this balance (whether or not litigation is initiated), shall become immediately due and payable in full from you or any one of the guarantors. Under the Franchise Agreement, your default under the note shall constitute a breach of the Franchise Agreement permitting CRITERIUM ENGINEERS to terminate the Franchise Agreement unless the default is timely cured. Likewise, under the note, a default in payment of any installment due constitutes a default under the Franchise Agreement.

Before suit for payment, CRITERIUM ENGINEERS is not required to serve you or any guarantor with notice of non-payment or default, nor are we required to present the original note for

payment at maturity as a condition of final payment. CRITERIUM ENGINEERS will endeavor to send you the note marked "canceled" following its payment in full. CRITERIUM ENGINEERS, at its option, may extend the time for payment under the note provided the extension is confirmed in writing. Such extension does not affect the liability of any guarantor.

CRITERIUM ENGINEERS has no present plan to sell or assign the note to any third party, although it may do so in the future. If CRITERIUM ENGINEERS does sell or assign the note, you may lose all defenses against CRITERIUM ENGINEERS and others in a collection action on a note that is sold or discounted. CRITERIUM ENGINEERS does not receive direct or indirect payments for placing financing.

Except as provided in this Item 10, neither CRITERIUM ENGINEERS, nor any agent or affiliate of CRITERIUM ENGINEERS, directly or indirectly, offers you any financing arrangements nor do they guaranty the payment of financing you obtain from third parties. We do not offer direct or indirect financing for Area Developer Agreement fees. We also do not guarantee lease or other obligations for Area Developers.

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, CRITERIUM ENGINEERS is not required to provide you with any assistance.

A. Pre-Opening Obligations

(1) Selection of a location for your business office is your responsibility. The choice of location is subject to our approval, which we shall not unreasonably withhold or delay. CRITERIUM ENGINEERS will review sites and other site data you compile or assemble for each franchised office which you desire to open and notify you of our approval or disapproval of each proposed site within one week after receiving your written proposal. In approving site locations, CRITERIUM ENGINEERS considers such factors as professional experience, proximity to major thoroughfares, signage, a minimum of 300 square feet of space, and review of photographs and/or plans of the proposed site. CRITERIUM ENGINEERS will grant site approval within one week of receiving the required descriptive and photographic information. We do not currently own sites for leasing to franchisees. CRITERIUM ENGINEERS may terminate the Franchise Agreement if the parties cannot agree upon a site location. You must begin operating the Franchised Consulting Engineering Business from the approved office facility by no later than 120 days from the date of the Franchise Agreement. As previously noted, before that time, you may operate the Franchised Consulting Engineering Business out of your home, provided you satisfy certain specifications for a home office, which are specified in the Confidential Operating Manual. A typical office is at least 300 square feet. It is located in a spot that provides convenient access to major thoroughfares. Since there is little walk-in traffic, so-called Class A office space is not necessary, but neat professional looking space is. After 120 days, your office must be located outside your home. (Franchise Agreement Section 2)

The development area is selected in the same manner as the franchise territory. The development area is established based on the consumer demographics of the Development Area, geographical area, city, county or other boundaries, and may vary depending on factors such as the number of franchises to be developed under the Area Development Agreement.

We will approve the location of any future additional Franchised Businesses and related territories, if applicable. Our then-current standards for sites and territories will apply.

(2) CRITERIUM ENGINEERS provides a mandatory initial training program of approximately 75 hours to you or your Designated Manager. Training must be completed to our satisfaction. (Franchise Agreement Section 8.3.1). See below in this Item 11 for additional information regarding the initial training program.

(3) We will review all promotional materials and advertising you initiate that you propose to use in connection with pre-opening promotion, as well as following opening. You must obtain our approval prior to use of such materials. (Franchise Agreement, Section 9.1.2.) CRITERIUM ENGINEERS may provide assistance in the formulation and design of the pre-opening advertising program. There are currently no specific advertising restrictions relating to your use of the electronic media, such as the Internet and web pages. However, you must follow our graphic design standards. We will provide you with a Web site to help you accomplish that.

(4) Franchisor shall provide Franchisee with an initial supply of printed and promotional materials for the operation of the Consulting Engineering Service Business licensed herein. (Franchise Agreement Section 13.3 and Exhibit H)

(5) Franchisor shall direct Franchisee to procure a bookkeeping system and to record revenue and expenses on forms similar to or compatible with those employed by other franchisees, and Franchisee agrees to employ the bookkeeping system in order to generate the reports required by the Franchise Agreement. (Franchise Agreement Section 12.4)

(6) CRITERIUM ENGINEERS posts its Confidential Operating Manual, which details mandatory specifications, standards and operating procedures, on mycriterium-engineers.com, a proprietary website available to affiliates and staff. Additional requirements, with which the Franchisee must adhere, are also located on mycriterium.com, and are not in the Operations Manual. The Table of Contents for the Operating Manual appears in the table below. We may modify the Manual and website to reflect changes in the methods, standards, specifications and services approved for CRITERIUM® businesses operating under the Marks and using the CRITERIUM® System. You review the Manual and website regularly and check for updates. (Franchise Agreement, Section 7.1.)

B. Time to Open

You must begin operating the Franchised Consulting Engineering Business from the approved office facility by no later than 120 days from the date of the Franchise Agreement. As previously noted, before that time, you may operate the Franchised Consulting Engineering Business out of your home, provided you satisfy certain specifications for a home office, which are specified in the Confidential Operating Manual. In our experience, the average length of time between the time you sign the Franchise Agreement to the time you open for business at the

approved office location is one month. Factors affecting time to open include obtaining a satisfactory location, ability to obtain a lease and financing, attendance at and satisfactory completion of our Initial Training Program, construction, complying with local ordinances, completing delivery and installation of equipment and signs and procuring opening inventory.

C. Advertising

Grand Opening

You are not required to spend any money on advertising associated with a grand opening of your business. (Franchise Agreement, Section 9.4)

Communications Account

CRITERIUM ENGINEERS will establish and maintain the Communications Account. (Franchise Agreement, Section 9.2.) The amount you must contribute to the Communications Account is either 1% of the prior month's gross receipts or \$50.00, whichever is greater, each month. We deposit Marketing Fees into a Communications Account (the "Communications Account") maintained separately from CRITERIUM ENGINEERS' general operating account. We apply the Communications Account to meet all costs of maintaining, administering, directing and preparing advertising, public relations and sales promotion programs, printed materials and other marketing, promotional and advertising services, development and research expenses and reasonable administrative and overhead expenses incurred in maintaining the Communications Account and program.

No restrictions are imposed on CRITERIUM ENGINEERS on what, where and how Marketing Fees are applied; CRITERIUM ENGINEERS retains complete discretion over the creative concepts, form, content, time, location, market and choice of media for all advertising and promotion paid from Marketing Fees. The media used may include print, television, radio, Internet, or other media and may be local, regional, or national in scope. We conduct all advertising in-house, but reserve the right to use a national or regional advertising agency in the future.

In fiscal year 2022, the funds were spent as follows:

Memberships	1%
Tradeshows	6%
Publications & Materials	0%
Travel	0%
Mailings	0%
Advertising	78%
Other (content creating, subcontractors, etc.)	3%
Internet/Web Costs	2%
<u>Personnel</u>	<u>10%</u>
Total:	100.00%

We make no representation as to the amount or percentage of total Marketing Fees collected which will be spent in any given geographic region, that monies will necessarily be spent on

national advertising, or that monies will be spent in your market area in proportion to your contribution. While CRITERIUM ENGINEERS will attempt to expend Marketing Fees on a current basis, we may recover over-expenditures from previous fiscal years and may carry forward under-expenditures to succeeding fiscal years. Franchisees may obtain a non-audited accounting of the Communications Account on an annual basis upon request.

All franchisees must contribute to the fund (we have waived payment of communications fees for our one Canadian office as our advertising fund has not provided benefit to them - instead, they use an advertising/promotion company and spend at least equivalent money to what they would pay into the advertising fund for the promotion of their office). We do not require those offices operating under the predecessor's agreements to contribute to the fund. All franchisees required to do so contribute at the same rate.

Neither CRITERIUM ENGINEERS or any affiliate receives payment for providing goods or services to the Communications Account. None of the Communications Account is used for the solicitation of new franchisees.

Marketing Resources, Pre-Approvals For Marketing Materials, and Internet Marketing

You must submit all advertising you create for our approval before first use or distribution. There are currently no specific advertising restrictions relating to your use of the electronic media, such as Internet and web pages. However, you must follow our graphic design standards. If we use and make available to other CRITERIUM® Franchisees any advertising or promotional materials you create for your local use, CRITERIUM ENGINEERS, in our sole discretion, may compensate you for your direct out-of-pocket production costs incurred in producing such materials.

We retain the sole right to market on the Internet, including all use of websites, domain names, URLs, linking, advertising, public/social media and/or networking pages and groups (i.e. Facebook, LinkedIn) and their associated URLs, and co-branding arrangements. You may not independently market on the Internet, or use any domain name, address, locator, link, metatag, or search technique, with words or symbols similar to the Marks, without our prior review and written approval.

Internet Directory Advertising

Franchisee shall 1) list and advertise its telephone number 2) maintain its website with fresh content, 3) Maintain your Google Business Profile (created by Franchisor) and respond to online reviews, 4) Create and maintain a LinkedIn personal page AND create and maintain a company page within one (1) year of the date of the Franchise Agreement,, 5) establish and regularly distribute content through LinkedIn profiles, Google Business Page posts, an electronic newsletter service like Constant Contact, and other online options which the Franchisor specifies which cover your Territory under the categories of the Franchised Business and under such other names as Franchisor may designate using advertisements which Franchisor approves in advance.

Other Advertising Information

In 2019, the Sales and Marketing Criterium Building Team was established for the purpose of identifying best practices, ongoing collaboration, and establishing team priorities and deliverables. There are both franchisees and corporate staff on the team who volunteer for those positions, and they serve in a brain-storming, advisory capacity. The Franchisor reserves the right to change or dissolve this team.

Currently, franchisees are not required to participate in a local or regional advertising cooperative or in any Communications Fund other than that which is described above. We reserve the right, upon ninety (90) days advance notice, to require franchisees to spend up to two percent (2%) of the previous month's Gross Receipts on local advertising. (Franchise Agreement, Section 9.1)

D. Obligations After Opening

During the operation of your Franchised Business, we (or our designee) will provide the following assistance and services to you:

(1) From time to time, advise or offer guidance to you by telephone, electronic mail, newsletters and other methods that, in our judgment, constitute good business practice. Such guidance will be based on the experience of us and our franchisees in operating Criterium Engineers Franchised Businesses. (Section 12.1)

(2) Make periodic visits to the Franchised Business for the purposes of consultation, assistance, and guidance in various aspects of the operation and management of the Franchised Business. We may prepare written reports outlining any suggested changes or improvements in the operations of the Franchised Business and detail any deficiencies, which become evident as a result of any such visit. If prepared, a copy of the written report may be provided to you. (Section 12.2)

(3) CRITERIUM ENGINEERS will communicate improvements in the CRITERIUM® System to Franchisee as such improvements may be developed or acquired by Franchisor and implemented as part of the System. (Franchise Agreement, Section 12.5)

(4) Make available to you operations assistance and ongoing training as we deem necessary. (Sections 8.2 and 8.4)

(5) We may, from time to time, present seminars, conventions or continuing development programs for the benefit of franchisees. You are encouraged to attend regional meetings and you are required to attend all annual conventions. You must pay for any registration fees, materials and travel and living expenses incurred in attending all seminars and conventions. (Section 8.5)

(6) Upon request, we may provide additional on-site assistance to you. We reserve the right to charge you a daily flat fee, plus travel expenses, lodging and meals, for each of our employees or designees that provide the requested additional on-site assistance to you for each day

the assistance is provided. Provided, however, that such fees shall be agreed upon in writing and in advance of assistance. (Section 8.6)

(7) We will provide a continuing advisory service which shall include, but not be limited to, consultation on promotional, business or operational problems with analysis of your sales, marketing and financial data. (Section 8.6.2)

(8) CRITERIUM ENGINEERS will hold seminars on technical and operational changes in the CRITERIUM® System, issue periodic newsletters, bulletins and other written materials, conduct "peer review" programs and hold seminars on sales, marketing developments, inspection aides and technical issues. We furnish some written materials, newsletters and bulletins without charge and others may be furnished at our then-current prices as published in the Confidential Operating Manual. We provide an initial supply of stationery, brochures, and promotional materials at no charge to you. (Franchise Agreement, Section 8.6.3.).

(9) CRITERIUM ENGINEERS provides engineering technical support and various technical information libraries to which all Franchisees and their technical staff have access. A dedicated email address is available to request support. A technical forum is also available. We, as a matter of policy, furnish technical support and library access without charge. (Franchise Agreement, Section 8.6.4).

E. Computer Systems and Office Equipment

CRITERIUM ENGINEERS reserves the right to specify the brands and types of office equipment required for the operation of the Franchised Consulting Engineering Business. The cost of purchasing the required equipment is approximately \$3,000. Presently, an office must be equipped, at a minimum, with the following equipment: a dedicated business telephone line; a laptop computer operating in the Windows 10 Professional or greater environment, 12 GB RAM, DVD+RW and assorted accessories, and Microsoft Office 2016 or compatible software such as Google Workspace (these computer specifications are minimums and more recent software releases can be recommended by the CRITERIUM ENGINEERS IT department); an Apple iPad (9th generation or newer) with 128GB of storage and cellular data plan (case and screen protector recommended); a CRITERIUM website associated email address; and a digital camera or smartphone. You must also implement an automated nightly data backup system via external hard drive or cloud service. The following equipment is included in the franchise fee: QuickBooks Pro; and a website with one (1) year of hosting and support; Constant Contact newsletter subscription (1 year).. After the first year, the annual cost for web hosting is \$750 which is included in the cost of the base Technology Fee. The annual cost for QuickBooks Pro and Constant Contact depends on your choice of plans from these providers. CRITERIUM ENGINEERS reserves the right to require franchisees to upgrade or update any and all hardware components or software programs during the term of the Franchise Agreement, without any limitation on the frequency or cost of the obligation. Upgrades may require you to make significant expenditures. We do not reimburse you for these expenditures. We cannot estimate the cost of maintaining, updating or upgrading your computer equipment because it will depend on your repair history, local costs of computer maintenance services in your area and technological advances which we cannot predict. The Franchisor will not have independent access to information and data that is electronically collected by franchisee, however the

Franchise Agreement gives us the right to access it. (Franchise Agreement, Sections 11.7.2 and 10.5).

You are solely responsible for protecting yourself from viruses, computer hackers, and other communications and computer-related problems, and you may not sue us for any harm caused by these communications and computer-related problems. Franchisor makes no representation concerning, and expressly disclaims any liability arising out of or in connection with, the services rendered or products furnished by CRITERIUM ENGINEERS or any supplier approved or designated by Franchisor. Franchisor’s approval or consent to any services, goods, suppliers, or any other individual, entity or any item shall not create any liability to Franchisor.

In 2019, the Tools and Technology Criterium Building Team was established for the purpose of identifying new technology, upgrades to existing systems, best practices, ongoing collaboration, and establishing team priorities and deliverables. There are both franchisees and corporate staff on the team who volunteer for those positions, and they serve in a brain-storming, advisory capacity. The Franchisor reserves the right to change or dissolve this team.

F. Training

The initial training program provided by our headquarters staff may consist of any combination of virtual, on-line classroom instruction, in-person instruction, field training, and on-site at your office. The initial training program may be completed in one or more separate sessions consisting of several days each. You, or your Designated Manager, must complete the initial training program to our satisfaction before beginning franchise operations, and, in any event, no later than 90 days following execution of the Franchise Agreement. If you are an individual and cannot successfully complete the initial training program, we may terminate your Franchise Agreement. If you are a business entity and your Designated Manager cannot successfully complete the initial training program, we will give you 30 days to select a substitute Designated Manager; however, if you cannot find someone acceptable to us, we may terminate the Franchise Agreement. We are not obligated to provide training to a replacement Designated Manager free of charge.

Training instruction covers the company, franchise administrative matters, bookkeeping and reporting systems, marketing, customer service and technical training (see table below). We do not require persons owning offices which convert from the Predecessor Company's "Home Inspection Consultants" network to attend the initial training program.

Although we have no plans to do so, we reserve the right to change or substitute training personnel as necessary, and we may delegate our duties and share our responsibilities with regard to training.

It is CRITERIUM ENGINEER'S practice and policy to permit you to send newly hired supervisory, engineering, technical and operations employees who do not participate in the pre-opening training program to subsequent corporate training sessions. Arrangements for such training are subject to the availability. Technical employees are typically required to attend in compliance with our Risk Management Program.

We do not charge a fee for the initial training program for you or your Designated Manager. We reserve the right to charge a fee for materials and/or license fees associated with software used during training for additional newly hired employees. You are responsible for any expenses for your employees who attend training, as well as salary expenses, if any, for such employees. This training program is provided to protect our brand and the Marks and not to control the day-to-day operation of your business.

The training program is conducted under the supervision of Rebecca Costigan, P.E. and Deb Adams.

CRITERIUM ENGINEERS does not currently require but reserves the right to require that you or your staff attend mandatory refresher training or continuing education programs as a condition of the franchise license. You are required to attend Criterium Engineers' national conference when held, unless prior written permission is granted. In addition, insurance companies underwriting errors and omissions insurance may require that you fulfill minimum annual continuing education requirements. For example, the insurance company through which CRITERIUM ENGINEERS maintains its master errors and omissions policy requires that each

Franchisee electing coverage under such policy complete at least 6 hours of continuing education annually. You can accomplish this through attendance at CRITERIUM ENGINEERS-sponsored programs or at professional programs approved by us.

Franchisor has the same obligations to conversion franchisees as to all other franchisees operating under the CRITERIUM® System.

The information contained in this Item 11 applies to any franchises opened under an Area Development Agreement.

12 **TERRITORY**

Single Unit Franchise Agreement

We will grant you an area of primary responsibility for all, or a portion, of a metropolitan area encompassing anywhere from 250,000 to 1,500,000 people (the designated area of primary responsibility is referred to as the "Territory".) The Territory is determined by negotiation of the parties before the Franchise Agreement's execution, and a map depicting the geographic boundaries of the Territory is attached by the parties as Exhibit "A" to the Franchise Agreement at the time of its signing. Decreases which may occur in the Territory's population during the Franchise Agreement's term will not result in any refund of the initial franchise fee or redrawing of the Territory's boundaries. Likewise, increases in the Territory's population during the Franchise Agreement's term will not trigger any obligation that you must pay an additional franchise fee nor will it result in any change in the Territory's boundaries. You do not receive the right to acquire additional franchises within your Territory without entering into an Area Development Agreement with us.

If you wish to relocate your CRITERIUM business site, the proposed new site must meet our then-current site selection criteria and be approved by us.

Offices converting from the Predecessor Company's "Home Inspection Consultants" network receive an area of primary responsibility generally corresponding to the territory they have been servicing, unless otherwise agreed to by the parties. Such area may not necessarily contain the same population base described above applicable to new CRITERIUM® Franchisees. The area granted to converting offices is also determined by negotiations before the parties' execution of the Franchise Agreement and depicted on a map attached as Exhibit "A" to the Franchise Agreement.

We will not locate another CRITERIUM® franchise or establish a company-owned outlet or channels of distribution using the Franchisor's trademark within the Territory. This is the only exclusive right granted to you. After five years, in order to maintain the territorial exclusivity, you must maintain minimum annual Gross Receipts as indicated in Section 2.2.5 of the Franchise Agreement and in the table below in this Item 12. A failure by you to achieve this quota for any twelve-month period commencing after the end of the fourth anniversary of the Franchise Agreement, shall result in the immediate termination of your territorial exclusivity. If your territorial exclusivity is terminated for the reasons outlined above, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Any CRITERIUM® office, whether owned by CRITERIUM ENGINEERS or another Franchisee, as well as “Home Inspection Consultants” offices, may provide Consulting Engineering Services in any geographic area and to any customer, while the provider is legally licensed to render these Consulting Engineering Services in the jurisdiction where they are performed. However, you or another CRITERIUM® franchisee may not provide these services within the exclusive territory of any other CRITERIUM® franchisee.

You may conduct building evaluations outside of your Territory, provided (1) you are legally licensed to render such evaluation services in the jurisdiction where they are performed, and (2) you do not render such services in any Territory which has been assigned to another CRITERIUM® Franchisee or to a licensee operating under the "Home Inspection Consultants" network that has been granted exclusive rights within that Territory. We will notify you by written supplements to the Confidential Operating Manual of the geographic boundaries assigned as areas of primary responsibility to other Franchisees and to "Home Inspection Consultants" licensees. You may use other channels of distribution, such as the Internet, telemarketing or other direct marketing, to make sales outside your Territory, however you may not use other channels of distribution to make sales within the territory of another franchisee.

The Franchise Agreement provides that it is an event of default, permitting termination of the Franchise Agreement, for you to fail to realize minimum annual Gross Receipts in the amounts indicated below, starting after the end of the first 12 months from execution of the Franchise Agreement and for each 12 month period during the term of the Franchise Agreement:

Population Base –	0 – 500,000	500,001 – 1,000,000	1,000,001 – 2,000,000	Each additional 1,000,000 add
Year 1 (first 12 months)	\$0	\$0	\$0	\$0
Year 2	\$50,000	\$75,000	\$75,000	\$75,000
Year 3	\$100,000	\$150,000	\$200,000	\$150,000
Year 4	\$150,000	\$225,000	\$300,000	\$225,000
Year 5	\$200,000	\$300,000	\$400,000	\$300,000

If, at any time during the term of the Franchise Agreement, you fail to attain the minimum Gross Receipts outlined in the Franchise Agreement for any twelve (12) consecutive month period commencing after the end of the first 12 months from execution of the Franchise Agreement, then at our option, we may: (1) terminate the franchise agreement; or (2) reduce the size of the franchise territory. If offered, you may either accept or decline the re-designed franchise territory. If you do not accept the re-designed franchise territory, then we may terminate the Franchise Agreement.

In this respect, the continuation of your exclusive rights in the Territory depends upon achievement of a certain sales volume or other contingency since your failure to meet the minimum annual Gross Receipts level may result in termination of the franchise. At our option, if you fail to achieve the minimum sales volume, we may offer you the ability to continue to operate the franchise with a re-designed territory. You may accept this as an alternative to termination of the

franchise. However, under those conditions, we may be permitted to establish another franchise within the Territory.

CRITERIUM ENGINEERS has no present plan to establish any other franchises or businesses offering similar services under a different name or trademark as those offered by CRITERIUM® offices utilizing the CRITERIUM® System and under the Marks. However, except as provided in this Item 12 regarding building evaluation services, the Franchise Agreement contains no limitation on our right to do so.

Periodically, CRITERIUM ENGINEERS may seek to obtain work from clients (national accounts). This work may be at one or various locations around the country. For any transactional services (those which are single transactions usually performed within a short period of time), we will assign all work we obtain within your Territory to you. We may negotiate the fees for these services on your behalf. CRITERIUM ENGINEERS may also solicit work within your Territory which are ongoing, longer-term services. Such services may require specialized training and technology. We agree to provide the necessary training and assign the work to you, provided you have successfully completed the training and demonstrated competence. You have no obligation to accept these assignments. If you decline to accept any assignment we refer to you, we may assign the work to any other engineer or franchise without having to obtain your permission and/or without having to pay you a royalty or commission. If Franchisee's performance on these assignments is unacceptable, Franchisee's access to assignments may be discontinued, limited and/or monitored until evidence of acceptable performance.

We reserve the right, among others:

(1) To establish, and license others to establish other businesses under other systems using other proprietary marks at such locations and on such terms and conditions as we deem appropriate;

(2) to own, franchise, or operate CRITERIUM ENGINEERS Businesses at any location outside of the Territory, regardless of the proximity to your CRITERIUM ENGINEERS Business. We will not establish within your Territory another franchisee or company-owned outlet which may also use the franchisor's trademark;

(3) to use the Marks and the System to sell any products or services, similar to those which you will sell, through any alternate channels of distribution within or outside of the Territory. This includes, but is not limited to, retail locations and other channels of distribution such as television, mail order, catalog sales, wholesale to unrelated retail outlets, or over the Internet. We are not required to compensate you for soliciting or accepting orders inside your territory;

(4) to use and license the use of other proprietary and non-proprietary marks or methods which are not the same as or confusingly similar to the Marks, whether in alternative channels of distribution or in the operation of a business offering which are not similar to the business operated by you;

(5) to purchase or be purchased by, or merge or combine with, any business, including a business that competes directly with your CRITERIUM ENGINEERS Business, wherever located;

(6) to acquire and convert to the System operated by us any businesses offering services and products related to operating a consulting engineering service business, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned and whether located inside or outside of the Territory; and

(7) to implement multi-area marketing programs which may allow us or others to solicit or sell to customers anywhere. We also reserve the right to issue mandatory policies to coordinate these multi-area marketing programs.

Area Development Agreement

If we grant you area development rights, the Area Development Agreement you sign with us will grant to you an exclusive area within which you may establish an agreed upon number of CRITERIUM ENGINEERS Franchises, in accordance with your Development Schedule (“Development Area”). A Development Area is usually defined by political boundaries such as city, county or state limits, or by other reasonable boundaries we may determine in our discretion. The number of CRITERIUM ENGINEERS Franchises to be developed is determined based on demographics and other characteristics of the Development Area, including population density, average income and other characteristics of the surrounding area, natural boundaries, extent of competition and the amount and size of urban, suburban and rural areas in the Development Area. Based on your proposal and our own research, we will negotiate with you how many CRITERIUM ENGINEERS Franchises must be established within the Development Area. Each Authorized Territory for specific CRITERIUM ENGINEERS Franchise locations to be established within the Development Area will be determined at the time the Franchise Agreement is signed for each new CRITERIUM ENGINEERS Franchise.

If you enter into an Area Development Agreement with us, then we will approve the location of any future additional Franchised Businesses and related territories, if applicable. Our then-current standards for sites and territories will apply.

Except as stated below, the Development Area is exclusive to you unless you fail to meet the Development Schedule designated for your Development Area. If you fail to meet that schedule, your exclusive rights to the Development Area may be forfeited and we may grant franchises to other persons or entities to establish Franchise locations using the Marks and the System within the Development Area. For each additional Criterium Engineers Franchise you purchase/open, we reserve the right, in our sole and absolute discretion, to negotiate whatever Franchise Fee we deem appropriate; and in an amount that is the same, higher, or lower than the current and/or existing Franchise Fee.

PUBLIC FIGURES

We do not use any public figure to promote our franchise.

19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The figures below represent actual annual billings generated by our franchisees during the first five fiscal years of their operation. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. You should also carefully review the attached explanatory notes.

The table below represents the billings reported to us by CRITERIUM ENGINEERS franchisees. The results reported are for all the offices opened since 2017 that have or had been in business for a minimum of one to five years or have not yet been open that long but are currently existing (6 out of a total of 34 franchise offices). In putting together this information, we relied exclusively on information provided to us by those offices.

The financial performance reported below does not reflect the costs of sales, operating expenses or other income or profit. You should conduct an independent investigation of costs and expenses you will incur in operating your Criterium Engineers franchise. Franchisees or former franchisees, listed in the disclosure document, may be one source of this information.

The information provided is based on all franchises established after 2017. The information provided was based on the franchisee’s monthly report, due on the 10th of the month following. The size of the territories vary, and no attempt was made to segregate the data by any other variables. Average, median, high and low billing levels were determined by examining the reports of all franchisees in business for the entire period of examination (one to six years).

Criterion’s per capita share of the consulting engineering service business in the territories served by currently active franchisees (“Home Inspection Consultant” office “old system,” and CRITERIUM® System franchisees “new system”), in the United States and Canada, is illustrated in the following chart.

<i>33 Affiliates</i>	<i>Average \$ per capita</i>	<i>Median \$ per capita</i>	<i>High \$ per capita</i>	<i>Low \$ per capita</i>
Top 5 Affiliates	\$0.78	\$0.67	\$1.36	\$0.41
Top 10 Affiliates	\$0.53	\$0.35	\$1.36	\$0.22
Top 20 Affiliates	\$0.36	\$0.22	\$1.36	\$0.14
Lowest 5 Affiliates	\$0.03	\$0.04	\$0.05	\$0.01
Lowest 10 Affiliates	\$0.07	\$0.07	\$0.13	\$0.01
Lowest 20 Affiliates	\$0.11	\$0.13	\$0.18	\$0.01
All Affiliates	\$0.25	\$0.15	\$1.36	\$0.01

These numbers do not include the company owned outlet. These numbers are based on the general population totals in the territories assigned to the franchisee, as determined by the 2021 United States Census Bureau population estimate and the Canadian Census Program data for that year, and dividing those totals by the franchisee billings for the calendar year of December 31, 2022, resulting in Criterion’s high, low, median and average per capita share of the consulting engineering service business for those areas.

Significant matters upon which a franchisee’s future results are expected to depend include economic or market conditions which are basic to a franchisee’s operations and encompass matters affecting, among other things, franchisee’s sales, the cost of goods sold or services sold and operating expenses. We make available to you substantiation of the data used in preparing this chart upon reasonable request. We offer substantially the same services to you as we provided to the franchisees we used in compiling these numbers. All of these franchisees offer substantially the same consulting engineering services to the public we expect you to offer although the proportionate mix of services does vary and we expect that you will offer additional, related services.

Some franchisees have sold this amount. Your individual results may differ. There is no assurance you will sell as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

A list of the names, addresses, and telephone numbers of all franchisees as of December 2022 is attached as Exhibit A.

Exhibit D to the Franchise Disclosure Document outlines the name, city and state, and the current business telephone number (or, if unknown, the last known home telephone number) of every franchisee who had an outlet terminated, cancelled, not renewed, transferred, or otherwise voluntarily or involuntarily ceased to do business under their franchise agreement during the most recently completed fiscal year or who has not communicated with the franchisor within ten (10) weeks of the issuance date of this Disclosure Document (Franchisor's fiscal year end is December 31st of each year). If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the last three fiscal years, we have signed two (2) confidentiality clauses with current or former franchisees. Each confidentiality agreement was entered into as part of a settlement of a dispute between us and the current or former franchisee. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with CRITERIUM ENGINEERS. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

INDEPENDENT AUDITORS' REPORT

The Stockholders
Coast to Coast Engineering Services, Inc.
d/b/a Criterium Engineers

Opinion

We have audited the accompanying consolidated financial statements of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliate which comprise the balance sheet as of December 31, 2022, and the related statements of income and retained earnings, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliate as of December 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliate's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates' 2021 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated March 21, 2022. In our opinion, the summarized comparative financial information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Opinion

We have audited the accompanying consolidated financial statements of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates which comprise the balance sheets as of December 31, 2021 and 2020, and the related statements of income and retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast to Coast Engineering Services, Inc. d/b/a Criterium Engineers and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2.1. Grant of Franchise

Subject to the provisions of this Agreement, Franchisor grants to Franchisee, and Franchisee accepts, the limited right to use the System and the Marks in the operation of a Franchised Business in the Territory.

2.2. Territorial Rights

The license in this Agreement is granted for the Territory described in Exhibit "A." The office, or offices, shall be located in the Territory at the specific location or locations identified by the parties on Exhibit "A", and no office shall be relocated, nor additional offices opened, in the Territory without the prior written approval of Franchisor. Commencing no later than six (6) months following the date of this Agreement and continuing for the balance of the term hereof, Franchisee must at all times have at least one office operating in the Territory. This license is subject to the following rights, restrictions and exceptions:

2.2.1 Franchisee agrees that during the term of this Agreement it shall not, in territories protected by exclusive arrangements with other Franchisees or Licensees of Franchisor, perform or provide consulting engineering services that fall within the definition of a Competitive Business.

2.2.2 Franchisor agrees that during the term of this Agreement, unless earlier terminated in accordance with Sections 16 or 17, it shall not locate for itself or license any franchisee within the Territory, other than Franchisee, to perform or provide consulting engineering services that fall within the definition of a Competitive Business as defined in this Agreement.

2.2.3 Notwithstanding the restriction set forth in Section 2.2.2, Franchisor may solicit work within the Territory from its National Account Clients. For any transactional services (those which are single transactions usually performed within a short period of time), Franchisor agrees to initially negotiate the fee for services performed and assign the work to Franchisee.

Franchisor may also solicit work within the Territory from National Accounts Clients that request ongoing, longer-term services including, but are not limited to, new construction services for building envelope consulting, quality assurance programs, and other services. Such services may require specialized training in order for Franchisee and/or Franchisee’s staff to acquire the skills both technically and technologically. Franchisor agrees to provide the necessary training and assign the work to Franchisee, provided Franchisee has successfully completed the training and demonstrated competence satisfactory to Franchisor.

While the Franchisee has no obligation to accept these assignments, if the Franchisee declines to accept any assignment, Franchisor shall be entitled to redirect that assignment to another engineer or franchisee without having to obtain Franchisee’s permission and/or without having to pay Franchisee a royalty or commission or other payment.

2.2.3.1 If Franchisor deems Franchisee’s performance on any National Accounts Client assignments as being unacceptable, Franchisor shall be entitled to discontinue, limit or monitor Franchisee’s access to assignments until Franchisor has evidence of acceptable performance.

2.2.3.2 Notwithstanding the restrictions in Section 2.2.1, Franchisee may solicit work from National Accounts Clients.

2.2.4 If, at any time during the term of the Franchise Agreement, Franchisee fails to generate the minimum gross receipts (“Minimum Gross Receipts”) specified in the following schedule for any twelve (12) consecutive month period commencing after the end of the first 12 months from execution of the Franchise Agreement, then at Franchisor’s option and pursuant to Section 15, the Franchisor shall be entitled to: (1) terminate the franchise agreement; or (2) reduce the size of the Territory. If the Franchisor offers to reduce the size of the Territory, the Franchisee may either accept or decline the reduced franchise territory. If the Franchisee does not accept the re-designed territory in writing within ten (10) days of the Franchisor’s offer to do so, then the Franchisor may terminate the franchise agreement. If, however, the failure by Franchisee to achieve the Minimum Gross Receipts specified occurs in the fifth (5th) or any subsequent years, the Franchisee’s territorial exclusivity shall be immediately terminated

Franchisor shall consider geographic location, territory, population and per capita share in establishing minimum Gross Receipts.

Franchisee acknowledges that Franchisor expressly retains all rights and discretion with respect to the Marks and System, including, without limitation, the right:

2.3.1 To establish, and license others to establish other businesses under other systems using other proprietary marks at such locations and on such terms and conditions as Franchisor deems appropriate;

2.3.2 To own, franchise, or operate CRITERIUM ENGINEERS Businesses at any location outside of the Territory, regardless of the proximity to the Franchised Business. Franchisor will not establish within the Territory another franchisee or company-owned outlet which may also use the Marks, subject to the requirements outlined in Section 2.2 above;

2.3.3 To use the Marks and the System to sell any products or services, similar to those which Franchisee will sell, through any alternate channels of distribution within or outside of the Territory. This includes, but is not limited to, other channels of distribution such as television, mail order, catalog sales, wholesale to unrelated retail outlets, or over the Internet. Franchisor is not required to compensate Franchisee for soliciting or accepting orders, pursuant to section 2.2.3 above, inside the Territory;

2.3.4 To use and license the use of other proprietary and non-proprietary marks or methods which are not the same as or confusingly similar to the Marks, whether in alternative channels of distribution or in the operation of a business offering which is outside of the scope of Competitive Business as defined above;

2.3.6 To acquire and convert to the System operated by Franchisor any businesses offering services and products related to operating a consulting engineering service business, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned and whether located inside or outside of the Territory;

2.3.7 To implement multi-area marketing programs which may allow Franchisor or others to solicit or sell to customers anywhere. Franchisor also reserve the right to issue mandatory policies to coordinate these multi-area marketing programs; and

2.3.8 To engage in any activities not expressly prohibited by this Agreement.

3. **FEES**

Franchisee agrees to pay Franchisor the following fees and amounts at the times specified herein:

3.1. Franchise Fee

Upon execution of this Agreement, Franchisee shall pay a nonrefundable Franchise Fee to Franchisor in the amount of _____ (\$_____). The Franchise Fee shall be deemed fully earned upon execution of this Agreement and is non-refundable, except under the conditions set forth under Section 8.3.1 of this Agreement. The

Franchise Fee is payment, in part, for expenses incurred by Franchisor in furnishing assistance and services to Franchisee as set forth in this Agreement and for costs incurred by Franchisor including, but not limited to, general sales and marketing expenses, training, legal, accounting and other professional fees. Franchisor reserve the right to offer existing franchisees purchasing additional franchise territories a lower franchise fee.

Franchisor shall be entitled to change the Franchise Fee at any time and to negotiate higher or lower Franchise Fees for each additional and subsequent Criterium Engineers franchise Franchisee opens.

3.2. Royalty Fee

So long as this Agreement and any extension hereof shall be in effect with respect to its activities:

3.2.1 Franchisee shall pay to Franchisor a monthly Royalty Fee in amounts equal to those in the table below.

<i>ROYALTY/ FEE</i>	<i>BASED ON GROSS RECEIPTS OF:</i>
6.0%	Less than or equal to \$300,000 Annually
5.5%	Above \$300,000 and less than or equal to \$600,000 Annualized
5.0%	Above \$600,000 and less than or equal to \$1,000,000 Annualized

4.0%	Above \$1,500,000 Annualized and less than or equal to \$2,000,000 Annualized
Fixed \$5,000/month.	Above \$2,000,000 Annualized

3.2.2 If, at any time during the term of the Franchise Agreement, Franchisee fails to generate the Minimum Gross Receipts specified in Section 2.2.4, for any twelve (12) consecutive month period commencing after the end of the first 12 months from execution of the Franchise Agreement, then Franchisee shall be required to pay to Franchisor an additional Royalty Fee as if the Minimum Gross Receipt had been generated. Such additional payment will be due on or before the 1st day of second month of the subsequent year.

3.2.3. To receive a reduction in Royalty Fee payments, Franchisee must be in complete compliance with all material and non-material terms of this Agreement and the then existing Operations Manual, including timely payment of all Royalty Fees, timely filing of all financial reports and timely filing of evidence of required insurance coverage, etc. . . . (“Complete Compliance”). Franchisor shall be solely entitled to determine as to whether Franchisee is in Complete Compliance. In the event Franchisee is in Complete Compliance, reductions in Royalty Fee shall be administered as follows:

(a) In the year Franchisee first crosses the threshold to the next level of annual Gross Receipts, a rebate equal to the amount of the reduced Royalty Fee shall be provided

to the Franchisee within thirty (30) days after the receipt and confirmation of Franchisee's prior year financial reports (audit or tax returns) or by June 30th, whichever is later.

(b) In the second consecutive year after Franchisee crosses the threshold to the next level of annual Gross Receipts, a rebate equal to the amount of the reduced Royalty Fee shall be provided to the franchisee within thirty (30) days after the receipt and confirmation of Franchisee's prior year financial reports (audit or tax returns) or by June 30th, whichever is later.

(c) If Franchisee succeeds for two consecutive years in attaining annual Gross Receipts above the threshold of the next level of annual Gross Receipts, then in the third year, Franchisee may begin paying Royalty Fees at the reduced level and may continue to do so for as long as they remain above the threshold revenue level.

(d) In the event Franchisee falls below the previously attained threshold level, Franchisee must pay to Franchisor the incremental difference between the Royalty Fees actually paid and the Royalty Fees owed using the table outlined above. Franchisee must make this payment at the earlier of June 30th of the following year; or within thirty (30) days after the receipt and confirmation of Franchisee's prior year financial reports (audit or tax returns).

(e) In the event Franchisee falls below a previously attained threshold level, this entire Royalty Fee reduction process shall start all over again and Franchisee shall be given no credit or consideration for having previously attained said threshold level.

3.3. Marketing Fee

With respect to its activities, Franchisee shall pay to the CRITERIUM® communications account a marketing and advertising fee equal to one percent (1%) of the prior month's Gross Receipts or the sum of fifty dollars (\$50.00), whichever is more, each month (the "Advertising Fee"). Franchisee's required payments shall be made at the same time and in the same manner as the Royalty Fee payment as provided in Section 3.2 of this Agreement including the provision to make additional payment to adjust for meeting the Minimum Gross Receipts as specified in Section 3.2.2. Such sums shall be maintained and administered by Franchisor or its designee in accordance with the provisions contained in Section 9.2.

3.3.1 Franchisee shall pay to Franchisor the amount of all sales taxes, use taxes and similar taxes imposed upon or required to be collected on account of the fees payable by Franchisee hereunder and of services or goods furnished to Franchisee by Franchisor, whether such services or goods are furnished by sale, lease or otherwise, unless the tax is an income tax assessed on Franchisor for doing business in the state where the Franchised Business is located.

3.4 Technology Fee

Franchisee may be required to pay to Franchisor a technology fee. Such sums shall be maintained and administered by Franchisor or its designee in accordance with the provisions contained in Section 10.

3.5 Pre-authorized Transfers; Late Charges

Franchisor does not currently but reserves the right to require Franchisee to effectuate all payments to Franchisor by the use of pre-authorized electronic funds transfer or via our on-line payment portal in the amount of the Royalty Fee or any other amounts due to Franchisor or its Franchisor Subsidiary. The requirement for pre-authorized electronic funds transfer may be, but is not necessarily, initiated by failure to meet the requirements for timely payments of Royalty Fees, Marketing Fees, and other fees due under this Agreement. Upon thirty (30) days notice to commence electronic funds transfer such withdrawals may be made on the first business day following the date on which the payment was due, or any succeeding business day. Franchisee shall cooperate with Franchisor in all respects to implement such payment system, including but not limited to, at Franchisor's request at any time, the execution of the Electronic Fund Transfer Authorization in the form attached hereto as Exhibit C or the effective equivalent which Franchisor deems necessary to process the aforementioned electronic funds transfer from Franchisee's designated bank account for payments hereunder. If any payment is overdue for any reason, except Franchisor's failure to attempt access to Franchisee's operating account, Franchisee must pay Franchisor, in addition to the overdue amount, interest on such amount from the date it was due until paid equal to eighteen percent (18%) per annum.

3.6 Application of Payments

Notwithstanding any designation by Franchisee, Franchisor shall be entitled to apply any payments by Franchisee to any past due indebtedness of Franchisee for Royalty Fees, Marketing Fees, purchases from Franchisor or any Franchisor Subsidiary, interest or any other indebtedness.

3.7 Currency

Unless otherwise stated, all dollar amounts in the Agreement are in U.S. dollar amounts.

4. TERM AND RENEWAL

4.1. Initial Term

This Agreement shall be effective and binding for an initial term of ten (10) years from the date indicated in the first paragraph of this Agreement; provided, however, that in the event Franchisee (or its Designated Manager) fails to successfully complete initial training to Franchisor's satisfaction, then Franchisor will return to Franchisee Five Thousand Dollars (\$5,000) of the Franchise Fee paid under Section 3.1, in accordance with 8.3.1 below, and this Agreement shall be of no further force and effect.

4.2. Renewal Right

Franchisee shall have the right to enter into a new franchise agreement in the form then being offered to prospective franchisees at the expiration of the initial term of this Agreement for two (2) additional successive terms of five (5) years each, provided that all of the following conditions have been fulfilled:

4.2.1 Franchisee has, during the entire term of this Agreement, substantially complied with all its provisions and is not in default of this Agreement at the time of renewal;

4.2.2 Franchisee has given notice of renewal to Franchisor as provided in Section 4.3 below;

4.2.3 Upon renewal, Franchisee has executed Franchisor's then-current form of the franchise agreement or has executed renewal documents at Franchisor's election (with appropriate modifications to reflect the fact that the franchise agreement relates to the grant of a renewal franchise), which franchise agreement shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement including, without limitation, a different percentage Royalty Fee and Advertising Fee; provided however, Franchisee shall not be required to pay the then-current initial Franchise Fee or its equivalent;

4.2.4 Franchisee has complied with Franchisor's then-current qualifications and ongoing training requirements; and

4.2.5 Franchisee and each officer, director, shareholder or partner of Franchisee shall have executed a general release, in a form substantially similar to the one attached hereto as Exhibit F, of any and all claims against Franchisor and its officers, directors, shareholders, and employees.

4.3. Notice

If Franchisee desires to renew this franchise at the expiration of this Agreement, Franchisee shall give Franchisor written notice that it intends to exercise its right to renew at least 180 days, but not more than twelve (12) months, prior to the expiration of the initial term of this Agreement or the end of the first renewal term, as the case may be. Within thirty (30) days after its receipt of such timely notice, Franchisor shall furnish Franchisee with written notice of its decision of whether pursuant to Section 4.2 Franchisee has the right to renew its franchise. If the notice indicates that Franchisor will permit Franchisee to renew its franchise, then Franchisee's right to renew its franchise will be contingent on continued full compliance with this Agreement and any other agreement between Franchisee and Franchisor. If Franchisor refuses to renew the franchise, Franchisor will provide notice which states the reasons for Franchisor's decision. If Franchisor determines that Franchisee is not eligible to renew its franchise, but that the nature of the noncompliance may be cured so that Franchisor is willing to consider granting Franchisee a renewal franchise, Franchisor will notify Franchisee accordingly. Franchisee will be eligible to renew its franchise if Franchisee has cured the noncompliance within thirty (30) days of Franchisor's notice of noncompliance to Franchisee and remains in compliance with the terms of this Agreement until the renewal franchise agreement is executed.

12.7.4 Franchisee will have sole authority and control over the day-to-day operations of the Franchised Business and its employees. Franchisee will be solely responsible for recruiting and hiring the persons it employs to operate the Franchised Business. Franchisee will also be responsible for their training, wages, taxes, benefits, safety, work schedules, work conditions, assignments, discipline and termination and for compliance with all workplace related laws. At no time will Franchisee or its employees be deemed to be employees of Franchisor or Franchisor's affiliates. Franchisor has no right or obligation to direct Franchisees employees or to operate the Franchised Business.

12.7.5 Franchisee shall cause the complete effort of the office to be devoted to the development of the Criterium program and the Franchised Business as it exists at the time of the execution of this Agreement and as it may be developed and expanded during the course of the existence of this Agreement, and use the office (including but not limited to its hardware, software and other physical assets) for no other purpose whatsoever, without the written approval of Franchisor being first obtained.

13. **FRANCHISOR'S ONGOING OPERATIONS ASSISTANCE**

13.1. General Advice and Guidance

From time to time, Franchisor may advise and offer general guidance to Franchisee by telephone, electronic mail, newsletters and other methods. Such guidance shall be based on the experience of Franchisor and gleaned from other franchisees in operating the Franchised Business.

13.2. Periodic Visits

Franchisor or Franchisor's representative may make periodic visits to the Franchised Business, at its expense, for the purposes of consultation, assistance and guidance of Franchisee in various aspects of the operation and management of the Franchised Business. Franchisor and Franchisor's representatives who visit the Franchised Business may prepare, for the benefit of both Franchisor and Franchisee, written reports with respect to such visits outlining any suggested changes or improvements in the operations of the Franchised Business and detailing

any defaults in such operations which become evident as a result of any such visit. A copy of any such written report may be provided to Franchisee.

13.3. Advertising and Promotional Materials

Franchisor shall provide Franchisee with an initial supply of printed and promotional materials for the operation of the Franchised Business licensed herein. A list of the materials to be supplied is provided in Exhibit H.

13.4. Bookkeeping

Franchisor shall direct Franchisee to procure a bookkeeping system and to record revenue and expenses on forms similar to or compatible with those employed by other franchisees, and Franchisee agrees to employ the bookkeeping system in order to generate the reports required by this Agreement.

13.5. System Improvements

Franchisor will communicate improvements in the System to Franchisee as such improvements may be developed or acquired by Franchisor and implemented as part of the System.

14. INSURANCE

14.1. Types and Amounts of Coverage

Franchisee shall procure, at its sole expense, and maintain in full force and effect during the term of this Agreement any and all insurance coverage that is required by Franchisor in its Manual and related coverage minimums and types of coverage. All such insurance must name Franchisor as additional insured and/or loss payee, in addition to any other insurance that may be required by applicable law, any lender or lessor.

14.2. Carrier Standards

Such policy or policies shall be written by an insurance company licensed in the state in which Franchisee operates and having at least an "A" Rating Classification as indicated in A.M. Best's Key Rating Guide in accordance with standards and specifications set forth in the Manual.

14.3. Evidence of Coverage

Franchisee's obligation to obtain and maintain the foregoing policy or policies shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section 19 of this Agreement. Franchisee agrees to provide annually, within thirty (30) days of their renewal, certificates of insurance showing compliance with the foregoing requirements. Such certificate shall state that said policy or policies shall not be

canceled or altered without at least thirty (30) days prior written notice to Franchisor and shall reflect proof of payment of premiums.

14.4. Failure to Maintain Coverage

Should Franchisee, for any reason, not procure and maintain such insurance coverage as required by this Agreement, Franchisee acknowledges the liability and risk imposed upon Franchisor and Franchisee by such lack of coverage and, therefore, grants Franchisor the right and authority (without, however, any obligation to do so) to immediately procure such insurance coverage and to charge same to Franchisee, which charges, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, shall be payable by Franchisee immediately upon notice.

15. **FRANCHISE SYSTEM**

15.1. Uniformity

Franchisee shall comply with all requirements set forth in this Agreement, the Manual, and other written policies supplied to Franchisee by Franchisor. Franchisee shall comply with all such mandatory specifications, standards and operating procedures and rules including, but not limited to, the provisions of this Section 15.

15.2. Modification of the System

Franchisee recognizes that from time to time hereafter, Franchisor may make changes or upgrades to the System including, without limitation, the adoption and use of new or modified Marks or copyrighted materials, new computer hardware and software, equipment or techniques. Franchisee agrees to make such changes at Franchisee's expense and to conform to changes, developments and upgrades; provided, however, that Franchisee shall not be required to make an additional investment of more than TEN THOUSAND DOLLARS (\$10,000.00) (which amount may be increased consistent with increases to the Consumer Price Index, as published by the United States Department of Labor, Bureau of Labor Statistics "CPI") during the first five years of the initial ten (10) year term. Franchisor will use its best efforts to provide Franchisee with at least ninety (90) days notice of changes or upgrades to the System which require an additional investment, but reserves the right to provide even a shorter notice. No additional investment will be required during the first year of the initial term; if it is required to be made within the last year of the initial term or the last year of any renewal term, the Franchisee may avoid making the investment by providing notice of its intent not to renew this Agreement.

15.3. Variance

Franchisee acknowledges that because complete and detailed uniformity under varying conditions may not be possible or practical, Franchisor shall be entitled to vary standards for Franchisee and any other franchisee based upon the peculiarities of the particular site or circumstance, population of trade area, density of population, business potential, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of any particular Franchised Business. Franchisee shall not be entitled to require Franchisor to disclose or grant to Franchisee a like or similar variation hereunder.

Franchisee acknowledges that the implementation or variance of standards with respect to other franchisees shall not afford a basis for a claim or suit by Franchisee.

16. DEFAULT AND TERMINATION

16.1. Termination By Franchisee

(a) With Cause - If Franchisee is in substantial compliance with this Agreement and Franchisor materially breaches this Agreement and fails to cure such breach within a reasonable time after written notice thereof is delivered to Franchisor, Franchisee may terminate this Agreement unless the breach cannot reasonably be cured within thirty (30) days. In the case where the breach cannot reasonably be cured within thirty (30) days, Franchisee will have the right to terminate this Agreement if, after receipt of a written notice of default, Franchisor does not promptly undertake and continue efforts to cure such material breach within a reasonable period of time and furnish Franchisee reasonable proof of such efforts. To terminate this Agreement under this Paragraph, Franchisee must provide a separate written notice of termination, which will be effective no less than thirty (30) days after delivery of such notice to Franchisor.

(b) Without Cause - Franchisee may terminate this Agreement at any time, without cause, provided that: (A) Franchisee is in good standing with regard to all obligations to Franchisor; (B) Franchisee agrees to comply with Section 17 of this Agreement; and (C) Franchisee executes Franchisor's then existing general release, which shall be a form substantially similar to the one attached to this Agreement as Exhibit F. Should Franchisee desire to remain in business in a manner that is deemed by the Franchisor to be similar to the Franchised Business, then (B) above shall be modified in the following manner;

(1) if Franchisee pays a Royalty Fee of less than 4%, Franchisee shall pay to Franchisor a fee equal to 2 times the Royalty Fee of the average of the last 6 month's Gross Receipts times 4% times three (3) years as compensation for termination, and shall no longer be bound by the provisions set forth in Sections 17.2.1, 17.1.8, and the portion of 17.1.7 relating to the Franchisee's telephone number which shall then remain in the possession of the Franchisee. However, if Franchisee is not meeting the Minimum Gross Receipts, then the termination fee will be three times the annualized Royalty Fee or the annualized Royalty Fee based upon the Minimum Gross Receipts, whichever is greater. All other conditions of Section 17 shall remain in force, or,

(2) if Franchisee pays a royalty equal to, or more than, 4% or greater, Franchisee shall pay to Franchisor a fee equal to three (3) times the annualized average Royalty Fee for the last six (6) months, or \$10,000, whichever is greater, as compensation for termination, and shall no longer be bound by the provisions as set forth in Sections 17.2.1, 17.1.8, and the portion of 17.1.7 relating to the Franchisee's telephone number which shall then remain in the possession of the Franchisee. However, if Franchisee is not meeting the Minimum Gross Receipts, then the termination fee will be three times the annualized Royalty Fee or the annualized Royalty Fee based upon the Minimum Gross Receipts, whichever is greater. All other conditions of Section 17 shall remain in force.

(c) Otherwise Not Permitted - The Franchisee shall have no right to terminate this Agreement on any basis other than as is set out in this Section. Any attempt by Franchisee to terminate the Franchise Agreement on grounds not constituting good cause, other than as stated above, or without complying with the conditions outlined above, shall be void. In the event of termination by Franchisee, Franchisee is not entitled to a refund of any fees or other monies paid to Franchisor.

16.2. Termination By Franchisor

16.2.1 This Agreement shall, at the option of Franchisor, terminate without notice of termination, or if notice is required by applicable law, the minimum notice period required by such law, if Franchisee:

16.2.1.1 Fails to satisfactorily complete the initial training program as provided in Section 8 of this Agreement;

16.2.1.2 Has made any material misrepresentation or omission in the application for the franchise;

16.2.1.3 Is indicted on, charged with, convicted of an indictable offense that is likely to adversely affect the reputation of Franchisor, Franchisee or the Franchised Business; failure to adhere to the code of Ethics of the National Society of Professional Engineers (NSPE) and any code of ethics promulgated to the licensing and regulating body for professional engineering in the applicable state;

16.2.1.4 Makes any unauthorized use, disclosure or duplication of any portion of the Manual or duplicates or discloses or makes any unauthorized use of any Confidential Information provided to Franchisee;

16.2.1.5 Abandons, fails or refuses to actively operate the Franchised Business for five (5) or more consecutive days, unless the Franchised Business has not been operational for a purpose approved by Franchisor (including without limitation a reasonable vacation);

16.2.1.6 Surrenders or transfers control of the operation of the Franchised Business, makes or attempts to make an unauthorized direct or indirect assignment of the franchise or an ownership interest in Franchisee, or fails or refuses to assign the franchise or the interest in Franchisee of a deceased or incapacitated controlling owner thereof as herein required;

16.2.1.7 Submits to Franchisor on two (2) or more separate occasions at any time during the term of the franchise any reports or other data, information or supporting records which understate the Royalty Fee payments and any fees or payments owed to Franchisor by more than five percent (5%) for any accounting period, and Franchisee is unable to demonstrate that such understatements resulted from inadvertent error;

16.2.1.8 Or the Franchised Business is declared or judicially determined to be insolvent or Franchisee commits an act of bankruptcy or all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or Franchisee admits its inability to pay its debts as they become due, or a liquidator, trustee in bankruptcy, custodian appointed temporarily or permanently, either privately or by a court of competent authority for or over the Franchise Business: or the Franchised Business is seized taken over or foreclosed by a governmental official in the exercise of its duties, or seized, taken over or foreclosed by a creditor lien holder or lessor, a final judgment against Franchisee remains unsatisfied for thirty (30) days or a levy of execution has been made upon the Franchised Business granted by this Agreement or upon any property used in the Franchise business and it is not discharged within five (5) days of such levy; or a bankruptcy order is made against Franchisee under the Bankruptcy and Insolvency Act (including any successor legislation);

16.2.1.9 Materially misuses or makes an unauthorized use of any of the Marks or commits any other act which can reasonably be expected to materially impair the goodwill associated with any of the Marks;

16.2.1.10 Fails on two (2) or more separate occasions within any period of twelve (12) consecutive months to submit reports or other information or supporting records when due, to pay Royalty Fees, Advertising Fees, amounts due for purchases from Franchisor or other payments when due to Franchisor, or otherwise fails to comply with this Agreement, whether or not such failures to comply are corrected after notice is delivered to Franchisee;

16.2.1.11 Within ten (10) days of receipt of notice of non-compliance, fails to obtain or maintain such permits, certificates or licenses necessary for the proper conduct of the Franchised Business; or

16.2.1.12 Fails to attain the Minimum Gross Receipts set forth in Section 2.2. In the event that Franchisee fails to attain the Minimum Gross Receipts set forth in Section 2.2 for any twelve (12) consecutive month period commencing after the end of the first 12 months, Franchisor shall be entitled to: (1) terminate this Agreement; or (2) make the Territory a non-exclusive one; or (3) reconfigure and reduce the size of the Territory.

Except as otherwise provided in Section 15.1 of this Agreement, upon any other default by Franchisee, Franchisor may terminate this Agreement only by giving written notice of termination (in the manner set forth under Section 20.2 hereof) stating the nature of such default to Franchisee at least thirty (30) days prior to the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default, curing it to Franchisor's satisfaction, and by promptly providing proof thereof to Franchisor within the thirty (30) day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the thirty (30) day period or such longer period as applicable law may require.

16.3. Reinstatement and Extension

To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like, other than in accordance with applicable law, to the extent such are not in accordance with applicable law, Franchisor may reinstate or extend the term for the purpose of complying with applicable law by submitting a written notice to Franchisee without waiving any of Franchisor's rights under this Agreement.

17. **FRANCHISEE'S OBLIGATION UPON EXPIRATION OR TERMINATION**

17.1. Post-Term Duties

Upon termination or expiration, this Agreement and all rights granted hereunder to Franchisee shall terminate and Franchisee will:

17.1.1 cease to operate the Franchised Business under this Agreement and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former Franchisee of Franchisor;

17.1.2 cease to use the Confidential Information, the System, the Marks and any distinctive forms, slogans, signs, symbols, logos or devices associated with the Marks or System. In particular, Franchisee shall cease to use, without limitation, all signs, advertising materials, stationery, forms and any other article which displays the Marks;

17.1.3 assign to Franchisor any assumed name or equivalent registration filed with state, city, or county authorities which contains the name "CRITERIUM" or any of the Marks;

17.1.6 immediately return the Manual and all other records, files, instructions, brochures, agreements, disclosure statements, report templates and any and all other materials provided by Franchisor to Franchisee or developed by Franchisee relating to the operation of the Franchised Business (all of which are acknowledged to be Franchisor's property);

17.1.7 assign to Franchisor, at Franchisor's option, all telephone numbers, domain names and e-mail addresses (and associated listings) for the Franchised Business;

17.1.8 turn over to Franchisor or its designee upon request a complete list of names, addresses, telephone numbers and e-mail addresses of all of Franchisee's customers for the two-year period prior to the date of termination together with Franchisee's customer record files; and

17.1.9 comply with all other applicable provisions of this Agreement including the non-compete provisions.

17.1.10 Franchisee further agrees that upon termination or expiration of the Agreement, Franchisee will take all such action as may be required to cancel all assumed name or equivalent registrations relating to his use of any Marks and to notify the telephone company and all listing agencies (including but not limited to professional and service association listings) of the termination or expiration of Franchisee's right to use any telephone number and any classified and other telephone directory listings associated with any Marks or Franchisee's office and to authorize transfer of same to Franchisor. Likewise, Franchisee shall immediately take all such action as may be required to cancel use of any email address(es), website(s) and/or domain name(s), and listing(s) of the same used, directly or indirectly, in association with any Marks or Franchisee's office and to authorize the transfer of same to Franchisor. Franchisee acknowledges that as between Franchisor and Franchisee, Franchisor has the sole right to and interest in all telephone numbers and directory listings associated with any Marks or Franchisee's office and Franchisee authorizes Franchisor, and hereby appoints Franchisor his attorney in fact, to direct the telephone company and all listing agencies to transfer same to Franchisor, should Franchisee fail to refuse to do so, and the telephone company and all listing agencies may accept such direction of this Agreement as conclusive of the exclusive rights of Franchisor in such telephone numbers and directory listings and its authority to direct their transfer. Further, Franchisee acknowledges that as between Franchisor and Franchisee, Franchisor has the sole right to and interest in all email address(es), domain name(s), website(s) and the contents of any website(s) associated with any of the Marks or Franchisee's office and Franchisee authorizes Franchisor, and hereby appoints Franchisor his attorney in fact, to direct the provider of Franchisee's email address(es), domain name(s) and/or website(s) and all listing agencies of the same, to transfer same to Franchisor, should Franchisee fail to refuse to do so, and the providers and all listing agencies may accept such direction of this Agreement as conclusive of the exclusive rights of Franchisor in such email address(es), domain name(s) and/or website(s) and directory listing(s) and its authority to direct their transfer.

17.2. Post-Term Covenant Not to Compete

Franchisee covenants that, except as otherwise approved in writing by Franchisor, Franchisee and any Franchise Affiliates shall not, for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of termination, either directly or indirectly, for itself or through, on behalf of or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity:

17.2.1 Own an interest in, manage, operate, and act as a consultant with respect to the management or operation of any Competitive Business within a radius of fifty (50) miles of Territory specified in this Agreement; or

17.2.2 Have any direct or indirect ownership interest in any entity which has granted or grants franchises for the operation of a Competitive Business within fifty (50) miles of the Territory or within ten (10) miles of the Territory of any other Criterion Engineers Franchised Business.

Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section is held unreasonable, then it shall be amended to provide for limitations upon post-term competition to the maximum extent provided and permitted by law. The running of any period of time specified in this Section shall be tolled and suspended for any period of time in which the Franchisee is found by a court of competent jurisdiction to have been in violation of this restrictive covenant. Franchisor shall be entitled to revise any of the covenants in this Section so as to reduce the obligations of Franchisee hereunder. Franchisee further expressly agrees that the existence of any claim it may have against Franchisor whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section.

17.3. Injunctive Relief

As Franchisee acknowledges that breach of any of the covenants contained in this Section may result in irreparable or incalculable injury to Franchisor, that, in addition to all other remedies provided by law or in equity, Franchisor may accordingly seek an injunction against any such breach, whether actual or contemplated.

17.4. If Franchisee Starts Another Business

In the event Franchisee continues to operate or subsequently begins to operate any other business, Franchisee shall not use any reproduction, counterfeit, copy or colorable imitation of the Marks, the System or the trade dress, either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute Franchisor's rights in the Marks. This Section 17.4 is not intended as an approval of Franchisee's right to operate other businesses and in no way is it intended to contradict Section 17.2 of this Agreement. Franchisee shall not utilize any designation of origin, or description or representation which falsely suggests or represents an association or connection with Franchisor so as to constitute unfair competition.

17.5. Franchisor's Option to Purchase Certain Assets

Franchisor shall have the right (but not the duty) within thirty (30) days after termination or expiration, to purchase any assets of the Franchised Business containing the Marks. Such assets may include leasehold improvements, equipment, supplies, paper goods, stationery, and advertising materials. The purchase price shall be Franchisee's cost or fair market value, whichever is less. Franchisor shall have the right to offset all amounts due from Franchisee.

17.6. Survival of Certain Provisions

All obligations of Franchisor and Franchisee which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding their expiration or termination and until satisfied or by their nature expire.

18. **TRANSFERABILITY OF INTEREST**

18.1. By Franchisor

This Agreement and all rights hereunder can be assigned and transferred by Franchisor and, if so, shall be binding upon and inure to the benefit of Franchisor's successors and assigns; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall assume the obligations of Franchisor hereunder.

18.2. By Franchisee to a Third Party

The rights and duties of Franchisee as set forth in this Agreement, and the franchise herein granted, are personal to Franchisee, and Franchisor has agreed to enter into this contract with Franchisee in reliance upon Franchisee's personal skill and financial ability. Accordingly, neither Franchisee nor any successor of Franchisee, either immediate or remote, to any part of Franchisee's interest in this Agreement may sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement or in the franchise granted hereby. Any purported assignment or transfer, whether by operation of law or otherwise, or encumbrance of all or any part of Franchisee's rights under this Agreement, or of all or any part of the ownership interests in Franchisee, or of all or any part of the operating control of Franchisee, or of fifteen percent (15%) or more of the assets used in the operation of the Franchised Business, shall be null and void and shall constitute a material breach of this Agreement, for which breach Franchisor may then terminate this Agreement without notice or opportunity to cure, unless such assignment, transfer or encumbrance has the prior written consent of Franchisor. If Franchisee desires to sell or transfer any rights or assets described in the preceding sentence to any transferee, Franchisee shall first obtain the written consent of Franchisor to such transaction, which consent will be conditioned upon the satisfaction of the following conditions:

18.2.1 The transferee(s) or someone in responsible charge shall be a licensed professional engineer or architect in good standing within the Territory or, where legally permitted to do so, shall at all times maintain a licensed professional engineer or architect, as an officer of the company or in responsible charge, be of good moral character and reputation, and shall have a good credit rating and competent business qualifications reasonably acceptable to Franchisor. Franchisee shall provide Franchisor with such information concerning each such proposed transferee(s). The proposed transferee shall successfully complete the Franchisor's training program.

18.2.2 All obligations owed to Franchisor and all other outstanding obligations relating to the Franchised Business shall be fully paid and satisfied.

18.2.3 Unless prohibited by the law of the state where the Franchised Business is located, Franchisee shall have executed a general release, in a form substantially similar to the one attached hereto as Exhibit F, of any and all claims against Franchisor and its officers, directors, shareholders and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement or to the transfer of Franchisee's interest herein or to the transfer of Franchisee's ownership of all or any part of the business which operates this franchise. If a general release is prohibited, Franchisee shall give the maximum release allowed by law.

18.2.4 The transferee shall have satisfied Franchisor that it meets Franchisor's management, business, and financial standards and otherwise possesses the character and capabilities, including business reputation and credit rating, as Franchisor may require to demonstrate ability to conduct the Franchised Business.

18.2.5 The transferee and, at Franchisor's option, all persons owning any interest in the transferee, shall execute the then-current franchise agreement offered to new franchisees which may be substantially different from this Agreement, including, without limitation, differences in Royalty Fee payments and Marketing Fees and other material provisions. The franchise agreement then executed shall be for the term specified in such Agreement.

18.2.6 Franchisee shall have provided Franchisor with a complete copy of all contracts and agreements and related documentation between Franchisee and the transferee relating to the sale or transfer of the franchise.

18.2.7 Franchisee shall have paid to Franchisor a transfer fee in the amount of fifteen percent (15%) of the then-current initial Franchise Fee if seller will provide one year of transition and training support or twenty-five percent (25%) if no support is provided.

18.2.8 Franchisee agrees to continue to be bound to the obligations of the new Franchise Agreement and to guarantee the full performance thereof by the transferee, if required by Franchisor.

18.2.9 The transferee shall have obtained all necessary consents and approvals by third parties, and the transfer shall be made in compliance with all applicable federal, state and local laws, rules and ordinances.

Franchisor will not unreasonably withhold, delay or condition its consent to any proposed transfer or assignment by Franchisee to a third party, so long as the above referenced conditions have been satisfied.

18.3. Transfer by Franchisee to an Entity Controlled by Franchisee

If Franchisee wishes to transfer this Agreement or any interest therein to a corporation, limited liability company or other legal entity (“Entity”) which shall be entirely owned by Franchisee, which Entity is being formed for the financial planning, tax or other convenience of Franchisee, Franchisor’s consent to such transfer shall be conditioned upon the following requirements:

18.3.1 The Entity shall be newly organized and its charter shall provide that its activities are confined exclusively to the operation of the Franchised Business.

18.3.2 Franchisee shall retain total ownership of the outstanding stock or other capital interest in the transferee Entity, and Franchisee shall act as the principal officer or officers and directors thereof.

18.3.3 All obligations of Franchisee to Franchisor or any Franchisor Subsidiary shall be fully paid and satisfied prior to Franchisor’s consent; provided that Franchisee shall not be required to pay a transfer fee, as required, pursuant to Section 18.2.7 of this Agreement for any transfer under this Section 18.3.

18.3.4 The Entity assignee shall enter into a written agreement with Franchisor expressly assuming the obligations of this Agreement and all other agreements relating to the operation of this Franchised Business. If the consent of any other contracting party to any such agreement is required, Franchisee shall have obtained such written consent and provided the same to Franchisor prior to consent by Franchisor.

18.3.5 All owners of the stock or other ownership interest of the transferee Entity shall enter into an agreement with Franchisor, jointly and severally, guaranteeing the full payment of the Entity’s obligations to Franchisor and the performance by the Entity of all the obligations of the Agreement.

18.3.6 Each stock certificate or other ownership interest certificate of the Entity shall have conspicuously endorsed upon the face thereof of a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments by this Agreement.

18.3.7 Copies of the transferee Entity’s Articles of Incorporation, Bylaws, Operating Agreement, and other governing regulations or documents, including resolutions of the Board of Directors authorizing entry into this Agreement, shall be promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

18.3.8 The term of the transferred franchise shall be the unexpired term of this Agreement.

Franchisor’s consent to a transfer of any interest in this Agreement or of any ownership interest in the Franchised Business shall not constitute a waiver of any claims Franchisor may

have against the transferor or the transferee, nor shall it be deemed a waiver of Franchisor's right to demand compliance with the terms of this Agreement. Franchisor will not unreasonably withhold, delay or condition its consent to any proposed transfer or assignment by Franchisee to an entity controlled by Franchisee, so long as the above referenced conditions have been satisfied.

18.4. Death or Incapacity of Franchisee

18.4.1 If Franchisee is an individual who dies, or becomes permanently incapacitated (as evidenced by an inability to perform usual duties for a period of six consecutive months, and a person shall not be considered to have resumed his or her usual duties unless they are performed by that individual for thirty (30) consecutive days), Franchisor shall allow the deceased's surviving spouse, heirs, or estate or the incapacitated person's legal representative, the opportunity to participate in the ownership of the franchise up to ninety (90) days after the death or incapacity of Franchisee. During such time the surviving spouse, heirs or estate or legal representative shall either (i) satisfy the then current qualifications for a purchaser of a franchise; or (ii) in accordance with the requirements of this Section, sell Franchisee's ownership interest in the franchise to a person or entity who satisfies Franchisor's then current standards for new franchisees. In the event that neither (i) or (ii) above is satisfied within the required ninety (90) day time period, as stated in this Section 18.4.1, then this Agreement may be subject to termination pursuant to Section 16.2.1.6.

18.4.2 If Franchisee is a corporation or partnership, the death or incapacitation of a shareholder, director or officer or partner of Franchisee shall not constitute an assignment or transfer of this Agreement provided that during ninety (90) days after such death or incapacitation, the surviving spouse, heirs or estate or the incapacitated person's legal representative (i) maintains all standards of the franchise, performs all obligations of the Franchisee and satisfies the then current qualifications for a purchaser of a franchise; or (ii) in accordance with the requirements of this Section, sells such person's ownership interest in the franchise, to a person or entity who satisfies Franchisor's then current standards for new franchisees. In the event that neither (i) or (ii) above is satisfied within the required ninety (90) day time period, as stated in this Section 18.4.2, then this Agreement may be subject to termination pursuant to Section 16.2.1.6.

18.5. Franchisor's Disclosure to Transferee

Franchisor may, without liability of any kind or nature whatsoever to Franchisee, make available for inspection by any intended transferee of Franchisee all or any part of Franchisor's records relating to this Agreement, the Franchised Business, or to the history of the relationship of the parties hereto. Franchisee hereby specifically consents to such disclosure by Franchisor and absolutely releases and agrees to hold Franchisor harmless from and against any claim, loss or injury resulting from an inspection of Franchisor's records relating to this franchise by an intended transferee identified by Franchisee.

19. **RIGHT OF FIRST REFUSAL**

19.1. Submission of Offer

If Franchisee or its owners propose to sell: (i) fifteen percent (15%) or more of the assets of the Franchised Business; (ii) any interest in the capital, profits or losses of the Franchise; or (iii) any ownership interest in this Agreement or the Franchise, Franchisee shall obtain and deliver a bona fide, executed written offer or proposal to purchase, along with all pertinent documents including any contract or due diligence materials to Franchisor. The offer must apply only to an approved sale of the above and may not include any other property or rights of Franchisee or its owners.

19.2. Franchisor's Right to Purchase

Franchisor shall, for thirty (30) days from the date of delivery of all such documents, have the right, exercisable by written notice to Franchisee, to purchase the same for the price and on the same terms and conditions contained in such offer or proposal to Franchisor. Franchisor may substitute cash for the fair market value of any form of payment proposed in such offer or proposal. Franchisor's credit shall be deemed equal to the credit of any proposed buyer. After providing notice to Franchisee, Franchisor shall have up to sixty (60) days to close the purchase. Franchisor shall be entitled to receive from Franchisee all customary representation and warranties given by Franchisee as the seller of the assets or such ownership interest.

19.3. Non-Exercise of Right of First Refusal

If Franchisor does not exercise this right of first refusal within thirty (30) days, the offer or proposal may be accepted by Franchisee or its owners, subject to the prior written approval by Franchisor, as provided in Section 18, of the proposed transfer. Should the sale fail to close within one hundred twenty (120) days after the offer is delivered to Franchisor, Franchisor shall again have the right of first refusal herein described. Should a transferee assume the rights and obligations under this Agreement, such transferee shall likewise be subject to Franchisor's right of first refusal under terms and conditions as set forth herein.

20. **RELATIONSHIP AND INDEMNIFICATION**

20.1. Independent Contractor

This Agreement does not create a fiduciary or other special relationship between the parties. No agency, employment, or partnership is created or implied by the terms of this Agreement, and Franchisee is not and shall not hold itself out as Franchisor's (or Franchisor's Affiliates) agent, legal representative, partner, subsidiary, joint venture or employee for any purpose whatsoever. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed, to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractors, nor vice versa. Franchisee may not represent to third parties that Franchisee is an agent of Franchisor and it is understood between the parties hereto that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on

Franchisor's behalf. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt or any other obligation of Franchisee or its employees. Franchisee specifically acknowledges that Franchisor shall in no way be responsible for any injuries to persons or property resulting from the operation of the Franchised Business. In addition, any third party contractors and vendors retained by Franchisor to perform conversion or construction of the Authorized Location are independent contractors. During the term of this Agreement and any extension hereof, Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise from Franchisor. Franchisee shall prominently display in its place of business a certificate from Franchisor stating that said business is operated by Franchisee as an independent franchisee of Franchisor and not as an agent thereof.

20.2. Indemnification

Franchisee agrees to hold harmless and indemnify Franchisor and its Franchisor Subsidiaries and Franchisor's respective members, shareholders, officers, directors, employees and agents and successors or assigns (collectively "Franchisor Indemnities") from and against all losses, damages, fines, costs, expenses, lost profits, or liability (including attorneys' fees and all other costs of litigation) incurred in connection with any actual or threatened action, application, suit, demand, claim, investigation, proceeding or inquiry, or any settlement thereof which arises from or is based upon (a) Franchisee's ownership or operation of the Franchised Business; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation, rule, industry standards or professional regulatory standard, including any liability arising from labor or employment law violations; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Franchisor or Franchisor's Subsidiaries; (d) libel, slander or other form of defamation of Franchisor or the System by Franchisee; or (e) acts, errors or omissions incurred in connection with or arising out of the Franchised Business, including any negligent or intentional acts of the Franchisee and/or its employees. In addition, Franchisee shall indemnify Franchisor for any and all other losses, damages, fines, charges, costs, expenses, lost profits, damages to Franchisor's reputation and goodwill, costs of advertising material, media time and space and substituting and replacing the same, all costs of recall, refunds, compensation, all public notices and other such amounts which may result from any of the actions, commissions or items listed in this Section.

21. GENERAL CONDITIONS AND PROVISIONS

21.1. Non-Waiver

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of either Franchisor or Franchisee in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms hereof. Waiver by Franchisor of any particular default by Franchisee shall not be binding unless in writing and executed by the party sought to be charged and shall not affect or impair Franchisor's right with respect to any subsequent default of the same or of a different nature; nor shall any delay, waiver, forbearance or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions or covenants hereof, affect or

impair Franchisor's rights nor shall such constitute a waiver by Franchisor of any right hereunder or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

21.2. Notices

Any and all notices required or permitted under this Agreement shall be in writing and shall be deemed received: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the next business day of the transmission by facsimile, telegraph or other reasonably reliable electronic communication system; (c) two (2) business days after being placed in the hands of a commercial courier service for guaranteed overnight delivery; or (d) five (5) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified in writing. All notices, payments, and reports required by this Agreement shall be sent to Franchisor at the address below:

21.3. Cost of Enforcement or Defense

If Franchisor brings any legal action or other proceeding for the enforcement of this Agreement, or is forced to defend itself because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Agreement, the substantially prevailing party shall be entitled to recover reasonable attorneys' fees, court costs and all expenses even if not taxable as court costs (including, without limitation, all such fees, costs and

expenses incident to appeals, bankruptcy and post judgment proceedings), incurred in that action or proceeding, in addition to any other relief to which Franchisor may be entitled. Attorney's fees include paralegal fees, administrative costs and all other charges billed by the attorney.

21.4. Approvals

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefore and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Franchisor makes no warranties or guarantees upon which Franchisee may rely and assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefore.

21.5. Entire Agreement

This Agreement, any exhibit attached hereto and the documents referred to herein, shall be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and shall supersede all prior agreements. No other representation has induced Franchisee to execute this Agreement and there are no representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with reference to this Agreement or otherwise. No amendment, change, or variance from this Agreement shall be binding on either party unless executed in writing by both parties. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

21.6. Severability

Each paragraph, section, part, term and/or provision of this Agreement shall be considered severable, and if, for any reason, any paragraph, section, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, paragraphs, sections, parts, terms and/or provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid paragraphs, sections, parts, terms and/or provisions shall be deemed not part of this Agreement; provided, however, that if Franchisor determines that said finding of illegality adversely affects the basic consideration of this Agreement, Franchisor may, at its option, terminate this Agreement. Anything to the contrary herein notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement. Franchisee expressly shall be bound by any promise or covenant imposing the maximum duty permitted by law which is contained within the terms of any provision hereof, as though it were separately stated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to

which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

21.7. Construction

All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

21.8. Force Majeure

Whenever a period of time is provided in this Agreement for either party to do or perform any act or thing, except the payment of monies, neither party shall be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control, epidemics, pandemics or other causes unforeseeable and beyond the reasonable control of the parties, and in any event said time period for the performance of an obligation hereunder shall be extended for the amount of time of the delay. This clause shall not apply or not result in an extension of the term of this Agreement. Provided further, that Franchisee is not entitled to any compensation for any inconvenience or nuisance or discomfort thereby occasioned, or to terminate this Agreement or to any abatement of any payments due to Franchisor under this Agreement. Without limiting the generality of the foregoing, the provisions of this Section 21.8 do not in any way operate to excuse Franchisee from the prompt payment of any fees, Royalty Fees, Marketing Fees or other sums required to be paid to Franchisor or Franchisor's Affiliates by the terms of this Agreement, or from the prompt performance of any of Franchisee's other obligations hereunder where such prompt performance is delayed, hindered or prevented by reason of lack of funds, unless agreed to and specified in writing by Franchisor.

For the avoidance of doubt, force Majeure shall not include changes in market prices or conditions.

Either party may invoke the Force Majeure process by providing to the other party written notice, identifying the event excusing performance and the anticipated duration of nonperformance.

If a force majeure event results in federal, state or local governmental regulation or control, Franchisee shall comply with all directives. If such directives designate the Franchised Business to be an essential business, while ensuring the well-being and security of personnel, Franchisee must maintain certain essential job functions and personnel so as to conduct the Franchised Business.

Once a force majeure event has occurred, all good faith efforts shall be made to overcome the effects of the event and resume performance of the party's obligations under this Agreement.

22. **DISPUTE RESOLUTION**

22.1. Choice of Law

This Agreement and the rights of the parties will not take effect unless and until this agreement is accepted and signed by Franchisor. Except to the extent this agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Maine (without reference to its conflict of laws principles), excluding any franchise law regulating the registration, disclosure or relationship between a franchisor and franchisee, which currently exists or may be adopted by the State of Maine, shall not apply, unless the jurisdictional requirements of such laws are met independently without reference to this section. References to any law or regulation refer also to any successor laws or regulations or any published regulations for any statute, as in effect at the relevant time. References to a governmental agency also refer to any successor regulatory body that succeeds the function of such agency.

22.2. Jurisdiction and Venue

Franchisee acknowledges that this Agreement is entered into in Cumberland County, Maine, and that any action sought to be brought by either party, shall be brought in the appropriate state court located in Cumberland County, Maine or in the United States District Court located in Portland, Maine. The Parties do hereby waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. The foregoing choice of jurisdiction and venue does not preclude the bringing of any action by the parties or the enforcement by the parties of any judgment obtained in any such jurisdiction, in any other appropriate jurisdiction, or restrict the ability of the parties to confirm or enforce arbitration awards in any appropriate jurisdiction.

22.3. Cumulative Rights and Remedies

No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing herein contained shall bar Franchisor's right to obtain interim, interlocutory or final mandatory, injunctive, or other extraordinary relief against actual or threatened conduct.

22.4. Limitations of Claims

Any claim concerning the Franchised Business or this Agreement or any related agreement brought by Franchisee will be barred unless an action for a claim is commenced within one (1) year from the date on which Franchisee knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to or the claim.

22.5. No Punitive or Exemplary Damages

Franchisee and Franchisor each waive, to the fullest extent permitted by law, any right or claim for any aggravated, punitive or exemplary or moral damages against the other, and agrees that if there is a dispute with the other, each will be limited to the recovery of actual

damages sustained by it including reasonable accounting and/or legal fees as provided in section 20.4.

22.6. Waiver of Jury Trial

Franchisee and Franchisor each irrevocably waive trial by jury in any action or proceeding, whether at law or equity, brought by either of them.

22.7. Injunctive Relief

Franchisor may bring an action or other proceeding for interim, interlocutory or final mandatory, injunctive or other extraordinary relief in any court having jurisdiction to enforce the Franchisor's non-competition trademark, and/or proprietary rights.

22.8. Mediation

The parties agree to attempt to resolve any dispute, claim or controversy arising out of or relating to this Agreement by non-binding mediation in Portland Maine, conducted by a single mediator, no later than ninety (90) days after the commencement of any litigation or arbitration by either party to this agreement. Either party may commence the mediation process by providing to the other party written notice, pursuant to Section 21.2 herein, setting forth the subject of the dispute, claim or controversy and the relief requested. Within ten (10) days after the receipt of the foregoing notice, the other party shall deliver a written response to the initiating party's notice. The initial mediation session shall be held within ninety (90) days after the initial notice. The parties agree to share equally the costs and expenses of the mediation (which shall not include the expenses incurred by each party for its own legal representation in connection with the mediation). The mediator shall be agreed upon by the parties within thirty (30) days after the initial notice. If the parties do not or are not able to agree upon a mediator within thirty (30) days after the initial notice, then the Franchisor shall have the right to unilaterally select the mediator.

The parties further acknowledge and agree that mediation proceedings are settlement negotiations, and that, to the extent allowed by applicable law, all offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties or their agents shall be confidential and inadmissible in any arbitration, litigation or other legal proceeding involving the parties; provided, however, that evidence which is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation.

23. ACKNOWLEDGMENTS

23.1. Receipt of Agreement

23.2. Receipt of Uniform Franchise Disclosure Document

Franchisee acknowledges that it has received a copy of this Agreement and the attachments thereto, at least seven (7) days prior to the date on which this Agreement was executed. Franchisee has either consulted with such advisors or has deliberately declined to do so.

23.4. Multiple Originals

In the event the parties execute multiple copies of this Agreement, each executed copy will be deemed an original.

23.5. Risk

Franchisee has conducted an independent investigation of the Franchised Business contemplated by this Agreement and recognizes that, like any other business, an investment in a Franchised Business involves business risks and that the success of the venture is dependent, among other factors, upon the business abilities and efforts of Franchisee. Franchisor does not, in this Agreement or otherwise, make any representation or warranty, express or implied, as to the potential success of the Franchised Business contemplated hereby.

23.6. No Guarantee of Success

Franchisee acknowledges that it has not received or relied on any guaranty, express or implied, as to the revenues, profits or likelihood of success of the Franchised Business that it will operate pursuant to this Agreement. Franchisee acknowledges that there have been no representations by Franchisor's directors, employees or agents, that are not contained in, or inconsistent with, the statements made in the Franchise Disclosure Document or with the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby have duly executed this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, and intending to be legally bound hereby, the parties hereby mutually agree as follows:

1. Proprietary Information.

Individual understands Franchisee possesses and will possess Proprietary Information, which is important to its business. For purposes of this Agreement, "Proprietary Information" is information that was or will be developed, created, or discovered by or on behalf of Franchisee, or which became or will become known by, or was or is conveyed to Franchisee, and which has commercial value in Franchisee's business. "Proprietary Information" includes, but is not limited to, operation manual(s), information about trade secrets, computer programs, designs, technology, ideas, know-how, processes, formulas, compositions, data, techniques, improvements, inventions (whether patentable or not), works of authorship, business and product development plans, customers and other information concerning Franchisee's actual or anticipated business, research or development related to the System and/or any of Franchisee's other business operations or procedures. Any information expressly designated by Franchisee as "Proprietary Information" shall be deemed such for all purposes of this Agreement, but the absence of designation shall not relieve Individual of his obligations hereunder in respect of information otherwise constituting Proprietary Information. Individual understands Franchisee's providing of access to the confidential information creates a relationship of confidence and trust between Individual and Franchisee with respect to the Proprietary Information.

a) Individual understands Franchisee possesses or will possess "Franchise Materials" which are important to its business. For purposes of this Agreement, "Franchise Materials" are documents or other media or tangible items that contain or embody Proprietary Information or any other information concerning the business, operations or plans of Franchisee, whether such documents have been prepared by me or by others. f) No amendments or additions to this Agreement shall be binding unless in writing and signed by both parties.

g) The section headings in this Agreement are included solely for convenience and shall not affect, or be used in connection with, the interpretation of this Agreement.

h) In the event that any part of this Agreement shall be held to be unenforceable or invalid, the remaining parts hereof shall nevertheless continue to be valid and enforceable as though the invalid portions were not a part hereof.

- d. Franchisee shall execute a General Release of any and all claims it may have against Franchisor.

The Parties further agree that Franchisor’s consent to the aforementioned termination/renewal/transfer (Select One) of the Franchise Agreement is itself full and adequate consideration for the release set forth in Sections 3 & 4 of this Agreement.

3. Releases.

Franchisee, on behalf of itself/himself/herself, its/his/her corporate officers, directors, shareholders, heirs, personal representatives, successors, assigns, representatives, creditors, agents, lawyers and insurers, do hereby fully and expressly release, acquit, remise, and forever discharge Franchisor, and each of its respective heirs, personal representatives, successors, assigns, representatives, agents, lawyers, insurers, officers, directors, shareholders, subsidiaries, affiliates, and employees, to the extent permitted by applicable law, of and from any and all claims, demands, actions, liabilities, losses, proceedings, and rights of action of any kind arising out of or related in any way to the Franchise Agreement, Franchisee's purchase and/or operation of the Franchisor's franchise pursuant to the Franchise Agreement, known or unknown and/or the manner of settlement of any claims relating thereto, which may have occurred prior to the date of this Agreement.

STATE-SPECIFIC ADDENDA TO

FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT,

AND AREA DEVELOPMENT AGREEMENT

The following modifications are to the Coast to Coast Engineering Systems, Inc. d/b/a Criterium Engineers Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

The provisions of this State Law Addendum to Franchise Disclosure Document and Franchise Agreement (“**State Addendum**”) apply only to those persons residing or operating Criterium Engineers Businesses in the following states:

CALIFORNIA

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the franchise disclosure document.

The franchisor, any person or franchise broker in Item 2 of the FDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspecting or expelling such persons from membership in such association or exchange.

- a. California Business and Professions Code 20000 through 20043 provide rights to the franchisee concerning transfer, termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control. (Note: This is required to be disclosed in all filings.)
- b. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.).
- c. The franchise agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

- d. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
- e. The franchise agreement requires binding mediation. The mediation will occur at Portland, Maine, with costs and expenses being equally shared by the parties, not including the expenses incurred by each party for its own legal representation in connection with mediation. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
- f. The franchise agreement requires application of the laws of Maine. This provision may not be enforceable under California law.
- g. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.
- h. You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 Through 31516). Business and Professions Code Section 20010 Voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

ILLINOIS

Illinois law governs the agreements between the parties to this franchise.

Section 4 of the Illinois Franchise Disclosure Act provides that any provision in a franchise agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a franchise agreement may provide for arbitration outside of Illinois.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosures Act or any other law of Illinois is void.

Your rights upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

Payment of the initial franchise fee shall be deferred until Franchisor has satisfied its pre-opening obligations to Franchisee and Franchisee has commenced doing business. The Illinois Attorney General's Office imposed this deferral requirement due to Franchisor's financial condition.

MARYLAND

The Disclosure Document, Franchise Agreement and Area Development Agreement are amended as follows.

1. Item 17 of the Franchise Disclosure Document, Sections 4 & 17 of the Franchise Agreement (FA) and Section 10 of the Area Development Agreement (ADA) require franchisee to execute a release or waiver of rights as a condition of renewal, sale and/or assignment/transfer. The general release required as a condition of renewal, sale, and/or assignment /transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

FDD: Item 17

FA: Section 4 & 17

ADA: Section 10

2. The Franchise Disclosure Document, Franchise Agreement and Area Development Agreement require a Franchisee to sue in a State other than Maryland, and are amended to expressly permit a Franchisee to file a civil lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

FDD: Item 17

FA: Section 21

ADA: Section 14.2

3. Item 17 of the Franchise Disclosure Document and Section 15.2 of the Franchise Agreement state that if the Franchisee is declared bankrupt then Criterium Engineers may terminate the agreement without an opportunity to cure. This provision may not be enforceable under current U.S. Bankruptcy Laws.

FDD: Item 17

FA: Section 15.2

4. To the extent that the Franchise Agreement, Area Development Agreement and Franchise Disclosure Questionnaire require prospective franchisees to disclaim the occurrence and/or acknowledge the non-occurrence of acts that would constitute a violation of the Franchise Law in order to purchase a franchise, the Franchise Agreement, Area Development Agreement and Franchise Disclosure Questionnaire are amended to state that such representations are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on your right to join an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel which deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits us to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits us to refuse to renew your Franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) you are prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.

(e) A provision that permits us to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet our then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of us or our subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) Your or proposed transferee's failure to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants to us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

For the Area Development Agreement chart of Item 17(t) the following amendment is added:

“Only the terms of the development agreement and other related written agreements are binding (subject to the applicable state law.) Any representations or promises outside of the disclosure document and development agreement may not be enforceable.”

WASHINGTON Addendum Franchise Disclosure Document, Franchise Agreement, Area Development Agreement, Questionnaire, and Related Agreements

The State of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator, or as determined by the arbitrator at the time of arbitration. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver or rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisors reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

WISCONSIN

The State of Wisconsin has a statute, the Wisconsin Franchise Investment Law, Wis. Stat. § 553.01, et. seq., and Wis. Adm. Code Chapter DFI-Sec. 31.01, et seq., which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In the event of a conflict of laws, the provisions of the Wisconsin Franchise Investment Law, Wis. Stat. § 553.01, et. seq., and Wis. Adm. Code Chapter DFI-Sec. 31.01, et seq., shall prevail.

1. The Franchise Disclosure Document, Franchise Agreement and Area Development Agreement require a Franchisee to sue in a State other than Wisconsin, and are hereby amended to expressly permit a Franchisee to file a civil lawsuit in Wisconsin for claims arising under the Wisconsin Franchise Investment Law.

FDD: Item 17

FA: Section 21

ADA: Section 14

2. Item 17 of the Franchise Disclosure Document and Section 15 of the Franchise Agreement permit Franchisor to terminate, cancel, not renew or make a substantial

change in competitive circumstances in the Franchise Agreement, without cause under certain circumstances. These provisions are prohibited by the Wisconsin Fair Dealership Law, § 135.04. Accordingly, Item 17 of the Franchise Disclosure Document and Section 15 of the Franchise Agreement are hereby amended to prevent the termination, cancellation, non-renewal or substantial change in competitive circumstances of the Franchise Agreement without good cause.

FDD: Item 17

FA: Section 15

3. Item 17 of the Franchise Disclosure Document, Section 15 of the Franchise Agreement and Section 8 of the Area Development Agreement permit the Franchisor to terminate the Franchise Agreement without providing the Franchisee ninety (90) days prior notice of the proposed termination or sixty (60) days to cure the deficiency. These provisions are prohibited by the Wisconsin Fair Dealership Law, § 135.04. Accordingly, Item 17 of the Franchise Disclosure Document and Section 15 of the Franchise Agreement are hereby amended to require that prior to the termination of the Franchise Agreement Franchisor must provide Franchisee ninety (90) days written notice of a proposed termination, which states all the reasons for the termination, cancellation, non-renewal or substantive change in circumstances, and the Franchisee shall be given sixty (60) days from the date of delivery or posting of such notice to rectify any claimed deficiency. If the deficiency is rectified within the sixty (60) days the notice shall be void. The notice provisions shall not apply if the reason for termination, cancellation or non-renewal is insolvency, the occurrence of an assignment for the benefit of creditors or bankruptcy. If the reason for termination, cancellation or non-renewal or substantial change in competitive circumstances is nonpayment of sums due under the Franchise Agreement, Franchisee shall still be entitled to (90) days written notice, as referenced above, however, Franchisee shall only have ten (10) days in which to remedy such default from the date of delivery or post of such notice.

FDD: Item 17

FA: Section 15

ADA: Section 8

ACKNOWLEDGMENT:

It is agreed that the applicable foregoing State-Specific Addendum, if any, supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise Disclosure Document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect, and the parties further acknowledge and agree that this State-Specific Addendum is applicable only to those persons specifically subject to the protections of the state laws referenced in this State-Specific Addendum.

RECITALS:

WHEREAS, Developer on behalf of itself and the Principals desires to obtain the exclusive right for Developer to develop _(#)_____ (#___) Criterium Engineers Franchises within the geographic areas described herein for a specified period, pursuant to the terms, conditions and provisions which are set forth in this Agreement; and

WHEREAS, the Company desires to have the Developer perform the development work provided for herein and to operate the developed Criterium Engineers Franchises in accordance with its franchise agreements;

NOW, THEREFORE, in consideration of the mutual promises, which are set forth herein, the parties agree as follows:

1. DEFINITIONS

Whenever used in this Agreement, unless there is something in the subject matter or context inconsistent therewith, the following words and terms shall have the respective meanings ascribed to them as follows:

"Agreement" means this agreement entitled "Area Development Agreement" and all instruments supplemental hereto or in amendment or confirmation hereof;

"Competitive Business" means the consulting engineering business specializing but not limited to buildings, including the provision of reports, inspections, consultations, investigations and litigation support services on the structural and mechanical aspects, design, maintenance and construction of residential, commercial and light industrial buildings for prospective purchasers, brokers, litigants and others;

"Company" means Coast To Coast Engineering Services, Inc. d/b/a Criterium Engineers.

"Development Territory" has the meaning given to such term in Section 2.1 as shown on the map set out in Appendix A hereof;

“**Developer**” shall be deemed to include not only the individual or entity defined as “Developer” in the introductory paragraph of this Agreement, but shall also include all partners of the entity that execute this Agreement, (if the entity is a partnership); all shareholders, officers and directors of the entity that execute this Agreement (if the entity is a corporation); and all members and managers of the entity that execute this Agreement (if the entity is a limited liability company). All such persons or parties are identified below as controlling principals. By their signatures hereto, all partners, shareholders, officers, directors, members and managers of the entity that sign this Agreement as Developer acknowledges, accepts and personally guarantees the duties and obligations imposed upon each of them, individually, by the terms of this Agreement;

“**Development Fee**” has the meaning given to such term in Section 4 hereof;

“**Marks**” means the mark “CRITERIUM” and such other trade names, trademarks, service marks, designs, graphics, logos and other commercial symbols as Company may designate and not thereafter withdraw to be used in connection with this Agreement.

2. GRANT OF DEVELOPMENT RIGHTS.

2.1 Appointment. Company hereby grants to Developer the right and license to develop, construct, operate and manage ____ (#) _____ (# ____) Criterium Engineers Franchises in strict accordance with the System and under the Marks within the Development Territory described in **Appendix A**. Each Criterium Engineers Franchise shall be operated according to the terms of the individual Franchise Agreement with respect thereto. Such development will include operating the franchise in strict accordance with the Company’s then existing Operations Manual.

2.2 Development Territory; Reservation of Rights. If the Developer complies with the terms of this Agreement, the Development Schedule and the individual Franchise Agreement for each Criterium Engineers Franchise, then Company will not franchise or license others, nor will it itself directly or indirectly develop, own, lease, construct or operate in any manner, any Criterium Engineers Franchises in the Development Territory during the term of this Agreement. Franchisor reserves the right, among others:

- (a) to own, franchise, or operate a Criterium Engineers Franchise at any location outside of the Development Territory, regardless of the proximity to the Development Territory or to any specific Criterium Engineers Franchise in the Development Territory;
- (b) to use the Marks and System to sell any Consulting Engineering Services, similar to those which Franchisee will sell, through alternative channels of distribution within or outside of the Development Territory, other than through a Criterium Engineers Franchise office located in the Development Territory;
- (c) to use and license the use of other proprietary and non-proprietary marks or methods which are not the same as or confusingly similar to the Marks which may

be the same as, similar to or different from the Criterium Engineers Franchises developed by the Developer; and

- (d) to purchase or be purchased by, or merge or combine with, any businesses wherever located, including a business that competes directly with the Developer's Criterium Engineers Franchises.

2.3 Term. Developer's rights contained in this Agreement will expire five (5) years from the date above, unless sooner terminated as hereinafter provided, or extended by mutual written agreement of each of the parties hereto.

2.4 Exclusivity. During the term of this Agreement, the Company will not license or allow any other corporation or person to operate a Criterium Engineers Franchise within the Territory, or open or operate any Company-operated Criterium Engineers Franchise within the Territory.

2.5 Termination. If this Agreement is terminated as a result of a material breach by the Developer, the Company will have the full and absolute right to franchise other parties to operate Criterium Engineers businesses within the Territory and/or to operate a Criterium Engineers business itself within the Territory.

2.6 Governing Agreement. This Agreement is not a Franchise Agreement and Developer shall have no right to use, in any manner, the Marks or System by virtue of this Agreement. Each Criterium Engineers Franchise will be governed by the individual Franchise Agreement executed by Company and the Developer for each Criterium Engineers Franchise.

3. DEVELOPMENT OF TERRITORY.

3.1 Development Schedule. Developer hereby covenants and agrees to develop at least a total of ___ (#)___ (# ___) Criterium Engineers Franchises within the Territory during the term of this Agreement in strict accordance with the development schedule set forth in Appendix B attached hereto and incorporated herein by reference (the "Development Schedule"). The Development Schedule contains a specific minimum number of Criterium Engineers Franchises to be open and operating by Developer within the Territory during certain time periods, and if any franchise locations are temporarily or permanently closed for business, such closed locations will not be included, while closed, as open and operating in computing such minimum numbers of open and operating Criterium Engineers Franchises and in satisfying the deadlines set forth in the Development Schedule.

3.2 Deadlines. The parties acknowledge and agree that the deadlines set forth in the Development Schedule are of the essence of this Agreement. No modification or amendment to the Development Schedule or any consent to or waiver of any deadline or other obligation on this Agreement will either (a) be effective unless made by written mutual agreement of the parties or (b) create any obligation to grant additional modifications, amendments, consents or waivers.

4. PAYMENT.

In consideration of the Company's grant to Developer of the right to develop Criterium Engineers Franchises in the Territory as provided for herein, Developer agrees to pay to the Company upon execution by the parties of this Agreement a non-refundable Development Fee equal to _____ DOLLARS (\$_____) (the "Development Fee"). The Development Fee is fully earned by the Company through and upon its execution hereof as a result of its forbearance from developing the Territory itself or through other parties and is not refundable in any manner whatsoever.

5. DEVELOPMENT PROCEDURES.

5.1 Continuing Approval Mandatory. Developer specifically understands and agrees that it must at all times remain operationally and financially approved for each franchise developed hereunder to be approved by the Company. Developer's failure to do so will constitute good cause for the Company to disapprove any pending franchise application or site approval request by Developer.

5.2 Franchise Agreements and Fees. Developer and the Company will execute the Company's then current Criterium Engineers Franchise Agreement approximately thirty days prior to opening of each franchise developed hereunder. Developer specifically agrees to pay for each franchise the fees and royalties set forth in such then current form of Franchise Agreement and the Company's then current initial franchise fee; provided, however, that (a) after opening and operating the initial franchise, Developer will receive for each franchise opened under the Development Schedule a credit of \$_____ against such initial franchise fee and that (b) during the first sixty months following the date of this Agreement, such initial franchise fee will be fixed at \$_____. The balance of the initial fee, if any, after deducting such credit will be paid by Developer upon execution of the Franchise Agreement for each such franchise. Moreover, regardless of the language contained in the executed or then current Criterium Engineers Franchise Agreement, the Royalty Fee charged by Company to Developer shall not exceed six percent under any of the franchise agreements entered into by the parties, so long as Developer fulfills all of its obligations under this Agreement in a timely manner. In the event that Developer fails to fulfill any of its obligations under this Agreement in a timely manner, the language of the executed or then current Criterium Engineers Franchise Agreement shall control with respect to the issue of increasing royalty payments.

6. EXISTING CRITERIUM ENGINEERS FRANCHISE: ACQUISITIONS.

6.1 Company Owned Franchises. The Company does not currently operate any Criterium Engineers businesses in the Developer's Territory.

6.2 Acquisitions: First Right of Refusal.

(a) The Company may during the term hereof acquire a chain of competing businesses from a third party with the intention of converting some or all of such competing businesses to Criterium Engineers businesses and/or franchises, in which event Developer agrees

that the Company may so convert any of such competing businesses located within the Territory, so long as the Company satisfies the following conditions:

(i) The Company will first send a written offer to Developer for it to purchase all such competing businesses within the Territory at the Company's total acquisition cost (including without limitation its "soft" costs as defined in (c) below for such businesses;

(ii) Developer will have thirty days from the date such offer is sent to accept such offer, and until Developer has either rejected such offer or such thirty day period has elapsed, no conversion or other offer to third parties will be made by the Company; and

(iii) Failure of Developer to accept such offer within said thirty-day period will constitute a rejection.

(b) If Developer has accepted the above offer and converted such competing businesses to Criterium Engineers Franchises to the Company's satisfaction, such businesses will apply toward meeting Developer's development obligations under the Development Schedule. If the Company converts or franchises another party to convert such businesses to Criterium Engineers Franchises, such franchises will not have any effect on Developer's obligations under the Development Schedule.

(c) For purposes herein, "soft costs" will mean all internal and external costs incurred by the Company in connection with the acquisition. These will include without limitation cost of funds, personnel time (e.g., in analyzing, negotiating, approving and permitting the acquisition, etc.), and out-of-pocket expenses (e.g., travel, lodging, meals, professional fees to attorneys, architects, engineers, etc.) in connection with the acquisition as applied pro rata to each franchise being offered to Developer.

7. EXPENSES.

Except as otherwise set forth herein, all legal and other costs and expenses incurred by each party hereto in connection with this Agreement and the transactions contemplated herein will be paid by the party which incurs such expense.

8. DEFAULT.

8.1 Default by Developer. Company will have the right to terminate this Agreement upon thirty (30) days written notice to Developer if the Developer fails to perform any obligation of Developer contained in this Agreement and fails to cure said failure within thirty (30) days of its receipt of such notice.

8.2 Deadlines Missed by Developer. The parties hereto agree that TIME IS OF THE ESSENCE of this Agreement. The failure of the Developer to meet any deadline set forth in the Development Schedule will constitute a material default under this Agreement without any opportunity to cure such default or notice under Section 8.1 hereof. If the Developer fails to

meet such a deadline, the Company at any time thereafter may immediately terminate this Agreement effective upon written notice from the Company.

8.3 Other Defaults. Default under any Franchise Agreement between Developer and the Company will constitute a material default under the Agreement and the Company may terminate this Agreement in such event unless such default is timely cured by the Developer in accordance with the terms of the pertinent Franchise Agreement. For purposes of this Section 8, any Franchise Agreement issued by Company to the Developer or its affiliates, or any Entity or joint venture, or their affiliates, in which the Developer or any stockholder, partner or joint venturer of the Developer, has any direct or indirect ownership or participation interest, shall be deemed a Franchise Agreement issued to the Developer.

8.4 Remedies and Termination Rights. Upon such default, Company shall have the right, at its option, and in its sole discretion, to do any or all of the following:

- (a) terminate this Agreement;
- (b) terminate the territorial exclusivity granted to the Developer;
- (c) reduce the size of the Developer's Development Territory or the number of Criterium Engineers Franchises the Developer may develop in the Development Territory;
- (d) accelerate the Development Schedule on immediate written notice; or terminate any or all other Franchise Agreements granted to the Developer.

9. EARNINGS CLAIMS.

Developer and each of the Principals expressly acknowledge that neither it nor they have relied upon any earnings claims such as oral or written statements or suggestions made by any representative of or any other person purporting to be acting on behalf of the Company regarding the potential future sales, revenues or profits which may be derived from operation of Criterium Engineers Franchises or development of the Territory, except as set forth in Item 19 of the Disclosure Document given to Developer.

10. ASSIGNMENT

10.1 By Company. Company shall have the absolute right to transfer or assign all or any part of its rights or obligations hereunder to any person or legal entity which assumes its obligation under this Agreement and Company shall thereby be released from any and all further liability to Developer.

10.2 By Developer. Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer and are granted in reliance upon the personal qualifications of Developer or Developer's principals. Developer has represented to Company that Developer is entering into this Agreement with the intention of complying with its terms and conditions and not for the purpose of transferring the development rights hereunder.

- (a) Neither Developer nor any partner, member, or shareholder thereof shall, without Company's prior written consent, directly or indirectly assign,

transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement or in Developer. Any such proposed assignment occurring by operation of law or otherwise, including any assignment by a trustee in bankruptcy, without Company's prior written consent, shall be a material default of this Agreement.

- (b) Any assignment, transfer or other disposition by Developer of a single Criterium Engineers Franchise within the Development Territory will be governed by the Franchise Agreement to which such single Criterium Engineers Franchise is bound.

10.3 Assignment Procedure. If Developer wishes to sell, transfer or otherwise assign any portion, or all, of the Development Territory, or this Agreement, Developer shall notify Company which may approve or disapprove the same in its sole discretion, and in addition Company may require any or all of the following as conditions of its approval:

- (a) All of Developer's accrued monetary obligations and all other outstanding obligations to Company, its affiliates and suppliers must be fully paid and satisfied;
- (b) Developer must not be in default of any provision of its Franchise Agreements, any amendments thereof or successors thereto, or any other agreement between Developer and Company, its subsidiaries, parents, or affiliates;
- (c) Developer and each of its affiliates, shareholders, members, partners, officers and directors must execute a general release, under seal, the consideration for which shall be the approval of the transfer, in a form satisfactory to Company and a form substantially similar to the one attached hereto as Appendix D, of any and all claims against Company and its parents, subsidiaries, and affiliates, officers, directors, shareholders and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances;
- (d) The transferee must enter into a written assignment, under seal and in a form satisfactory to Company, assuming and agreeing to discharge all of Developer's obligations under the relevant Franchise Agreements and, if deemed necessary by Company, the transferee's principals, individually, shall guarantee the performance of all such obligations in writing in a form satisfactory to Company;
- (e) The transferee must demonstrate to Company's satisfaction that the transferee meets Company's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate Criterium Engineers Franchises (as may be evidenced by prior related experience or otherwise); has at least the same

managerial and financial acumen required of new Area Developers and shall have sufficient equity capital, as determined by Company in Company's sole discretion, to operate the Criterium Engineers Franchises; and

- (f) At Company's option, the transferee must execute or, upon Company's request, shall cause all interested parties to execute, for a term ending on the expiration date of the Franchise Agreement(s) and with such renewal term as may be provided by the Franchise Agreement(s), the standard form of Franchise Agreement then being offered to new Area Developers and Franchisees, and such other ancillary agreements as Company may require for the Criterium Engineers Franchisees, which agreements shall supersede the Franchise Agreements between Developer and Company in all respects and the terms of which agreements may materially differ from the terms of the Franchise Agreements, including, without limitation, the implementation of other fees and different royalty rates.

10.4 Liability. Developer and its principals shall remain liable for all direct and indirect obligations to Company in connection with the Criterium Engineers Franchises prior to the effective date of transfer and will continue to remain responsible for their obligations of nondisclosure, noncompetition and indemnification as provided in the Franchise Agreements and guaranty, and shall execute any and all instruments reasonably requested by Company to further evidence such liability.

10.5 Transfer Fee. Developer or its approved transferee shall pay to Company, at the time of said transfer, a Transfer Fee equal to Ten Percent (10%) of the then current franchise fee for each Criterium Engineers Franchise to be transferred, unless the transferee is the child, parent, sibling or spouse of Developer, in which case the Transfer Fee is waived, to cover Company's administrative and other expenses in connection with the transfer of the Criterium Engineers Franchises by Developer.

10.6 Entity Ownership. If the Area Developer is a corporation, partnership, limited liability company, or any other form of business or association ("Entity"), each shareholder, member, manager, or partner ("Controlling Person") which is granted the rights to serve as Developer hereunder shall be a party to a shareholders agreement, operating agreement, or partnership agreement which shall provide, among other things, that upon any dissolution of the Entity, or upon any divorce decree among the parties who are also Controlling Persons, that ownership of the shares, membership interest, or partnership interest shall be transferred to the Controlling Person, for agreed upon consideration, which has primary responsibility for sales and marketing activities, typically the president, following any such dissolution or decree. The form and content of the shareholders agreement, operating agreement, or partnership agreement must be approved by Company prior to execution.

11. CONFIDENTIALITY

11.1 Scope. Nothing contained in this Agreement shall be construed to require Company to divulge to Developer any trade secrets, techniques, methods or processes except the material contained in Company's manuals and training materials, and then only pursuant to the

terms, conditions and restrictions contained in the applicable Franchise Agreement. Developer acknowledges that its knowledge of Company's know-how, processes, techniques, information and other proprietary data are derived entirely from information disclosed to it by Company and that such information is proprietary, confidential and a trade secret of Company. Developer agrees to adhere fully and strictly to the confidentiality of such information and to exercise the highest degree of diligence in safeguarding Company's trade secrets during and after the term of this Agreement. Developer shall divulge such material only to its employees and agents and only to the extent necessary to permit the efficient operation of the Criterium Engineers Franchises. It is expressly agreed that the ownership of all such items and property is and shall remain vested solely in Company.

11.2 Disclosure. Developer agrees that all terms of this Agreement shall remain confidential and shall not make any public announcement, issue any press release or publicity, make any confirmation of statements made by third parties concerning the terms of this Agreement, or make any other disclosures other than the existence of this Agreement without the prior written consent of Company, unless compelled by law or ordered to do so by a court of competent jurisdiction. It is agreed and understood that Developer may disclose the terms of this Agreement to its professional advisors and lenders. Company shall be free to make such disclosure of the terms of this Agreement as it determines, in its sole discretion, to be in the best interest of Company or the System.

12. NONCOMPETITION

12.1 Competition During Term. Developer covenants that during the term of this Agreement and subject to the post-term provisions contained herein, except as otherwise approved in writing by Company, Area Developer shall not, either directly or indirectly, for itself or through, on behalf of or in conjunction with any person, persons, partners or corporations:

- (a) Divert or attempt to divert any business or customer of the Criterium Engineers Franchises to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Company's Marks or the System;
- (b) Employ or seek to employ any person who is at that time employed by Company or by Developer or any other Developer or Franchisee of Company, or otherwise directly or indirectly induce such person to leave his or her employment; or
- (c) Own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any interest in any business which is the same as or substantially similar to the Criterium Engineers Franchises.

12.2 Post-Term Competition. Developer covenants that, except as otherwise approved in writing by Company, Developer shall not, for a continuous uninterrupted period commencing upon the expiration or termination of this Agreement, regardless of the cause for termination, and

continuing for two (2) years thereafter, either directly or indirectly, for itself or through, on behalf of or in conjunction with any person, persons, partnership or corporation, own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any interest in any business which is the same as or substantially similar to Criterium Engineers Franchises and which is located anywhere within the Development Territory. However, Sections 12.1 and 12.2 shall not apply to ownership by Developer of less than a five percent (5%) beneficial interest in the outstanding equity securities of any publicly-held corporation.

12.3 Independent Covenants. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If any or all portions of the covenants in this Section 12 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an un-appealed final decision to which Company is a party, Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 12. The running of any period of time specified in this Section 12 shall be tolled and suspended for any period of time in which the Developer is found by a court of competent jurisdiction to have been in violation of this restrictive covenant. Franchisor may, unilaterally, at any time, in its sole discretion, revise any of the covenants in this Section 12 so as to reduce the obligations of Developer hereunder. Developer further expressly agrees that the existence of any claim it may have against Franchisor whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section 12.

12.4 Modification. Developer understands and acknowledges that Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 12.1 and 12.2 in this Agreement, or any portion thereof, without Developer's consent, effective immediately upon receipt by Developer of written notice thereof, and Developer agrees that it shall forthwith comply with any covenant as so modified, which shall be fully enforceable.

12.5 Irreparable Injury. Developer acknowledges that Developer's violation of the terms of this Section 12 would result in irreparable injury to Company for which no adequate remedy at law may be available, and Developer accordingly consents to the issuance of an injunction, without the requirement of posting a bond, by any court of competent jurisdiction or arbitrator having jurisdiction over the Agreement prohibiting any conduct by Developer in violation of the terms of this Section 12.

12.6 Additional Covenants. At Company's request, Developer shall require and obtain execution of covenants similar to those set forth in this Section 12 (including covenants applicable upon the termination of a person's relationship with Area Developer) from any or all of the following persons:

- (a) all directors and Managers of the Criterium Engineers Franchises;
- (b) all officers, directors and holders of a beneficial interest of five percent (5%) or more of the securities of Developer and of any corporation

directly or indirectly controlling Developer if Developer is a corporation;
and

- (c) the members or general partners and any limited partners (including any corporation, and the officers, directors and holders of a beneficial interest of five percent (5%) or more of the securities of any corporation which controls, directly or indirectly, any general or limited partner) if Developer is a limited liability company or general or limited partnership.

12.7 Form. All covenants required by this Section 12 must be in forms satisfactory to Company, including, without limitation, specific identification of Company as a third party beneficiary of such covenants with the independent right to enforce them.

13. MISCELLANEOUS

13.1 Non-Waiver

No failure of Company to exercise any power reserved to it hereunder, or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom or practice of either Company or Developer in variance with the terms hereof, shall constitute a waiver of Company's right to demand exact compliance with the terms hereof. Waiver by Company of any particular default by Developer shall not be binding unless in writing and executed by the party sought to be charged and shall not affect or impair Company's right with respect to any subsequent default of the same or of a different nature; nor shall any delay, waiver, forbearance or omission of Company to exercise any power or rights arising out of any breach or default by Developer of any of the terms, provisions or covenants hereof, affect or impair Company's rights nor shall such constitute a waiver by Company of any right hereunder or of the right to declare any subsequent breach or default. Subsequent acceptance by Company of any payment(s) due to it hereunder shall not be deemed to be a waiver by Company of any preceding breach by Developer of any terms, covenants or conditions of this Agreement.

13.2 Notices

Any and all notices required or permitted under this Agreement shall be in writing and shall be deemed received: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the next business day of the transmission by confirmed facsimile, telegraph or other reasonably reliable electronic communication system; (c) two (2) business days after being placed in the hands of a commercial courier service for guaranteed overnight delivery; or (d) five (5) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified in writing. All notices, payments, and reports required by this Agreement shall be sent to Company at the address below:

13.3 Cost of Enforcement or Defense

If Company brings any legal action or other proceeding for the enforcement of this Agreement, or is forced to defend itself because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Agreement, it shall be entitled to recover reasonable attorneys' fees, court costs and all expenses even if not taxable as court costs (including, without limitation, all such fees, costs and expenses incident to arbitration, appeals, bankruptcy and post judgment proceedings), incurred in that action or proceeding, in addition to any other relief to which Company may be entitled. Attorneys' fees include paralegal fees, administrative costs and all other charges billed by the attorney.

13.4 Approvals

Whenever this Agreement requires the prior approval or consent of Company, Developer shall make a timely written request to Company therefore and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Company makes no warranties or guarantees upon which Developer may rely and assumes no liability or obligation to Developer or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Developer in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefore.

13.5 Entire Agreement

This Agreement, any exhibit attached hereto and the documents referred to herein, shall be construed together and constitute the entire, full and complete agreement between Company and Developer concerning the subject matter hereof, and shall supersede all prior agreements. No other representation has induced Developer to execute this Agreement and there are no

representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with reference to this Agreement or otherwise. No amendment, change, or variance from this Agreement shall be binding on either party unless executed in writing by both parties. Nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in the Franchise Disclosure Document.

13.6 Severability

Each paragraph, part, term and/or provision of this Agreement shall be considered severable, and if, for any reason, any paragraph, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and/or provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid paragraphs, parts, terms and/or provisions shall be deemed not part of this Agreement; provided, however, that if Company determines that said finding of illegality adversely affects the basic consideration of this Agreement, Company may, at its option, terminate this Agreement. Anything to the contrary herein notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Company or Developer and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement. Developer expressly shall be bound by any promise or covenant imposing the maximum duty permitted by law which is contained within the terms of any provision hereof, as though it were separately stated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Company is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

13.7 Construction

All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

13.8 Force Majeure

Whenever a period of time is provided in this Agreement for either party to do or perform any act or thing, except the payment of monies, neither party shall be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other causes beyond the reasonable control of the parties, and in any event said time period for the performance of an obligation hereunder shall be extended for the amount of time of the delay. This clause shall not apply or not result in an extension of the term of this Agreement.

14. DISPUTE RESOLUTION

14.1 Choice Of Law

This Agreement and the rights of the parties will not take effect unless and until this Agreement is accepted and signed by Company. This Agreement shall be governed by and construed in accordance with the laws of the State of Maine (without reference to its conflict of laws principles), excluding any franchise law regulating the registration, disclosure or relationship between a company and developer, which currently exists or may be adopted by the State of Maine, shall not apply, unless the jurisdictional requirements of such laws are met independently without reference to this section.

14.2 Jurisdiction And Venue

Developer acknowledges that this agreement is entered into in Cumberland County, Maine, and that any action sought to be brought by either party shall be brought in the appropriate state court located in Portland, Maine or in the United States District Court located in Portland, Maine. The parties do hereby waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision.

14.3 Cumulative Rights And Remedies

No right or remedy conferred upon or reserved to Company or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing herein contained shall bar Company's right to obtain injunctive relief against threatened conduct that shall cause it loss or damages including obtaining restraining orders, preliminary and permanent injunctions.

14.4 Limitations Of Claims

Any claim concerning the franchised business or this Agreement or any related agreement brought by Developer will be barred unless an action for a claim is commenced within one (1) year from the date on which Developer knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to or the claim.

14.5 No Punitive Or Exemplary Damages

Developer and Company each waive, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other, and agrees that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and/or legal fees as provided in section 21.3.

14.6 Mediation

The parties agree to attempt to resolve any dispute, claim or controversy arising out of or relating to this agreement by non-binding mediation in Portland Maine, conducted by a single mediator, no later than ninety (90) days after the commencement of any litigation or arbitration or litigation is commenced by either party to this agreement. Either party may commence the mediation process by providing to the other party written notice, pursuant to Section 13.2 herein, setting forth the subject of the dispute, claim or controversy and the relief requested. Within ten (10) days after the receipt of the foregoing notice, the other party shall deliver a written response to the initiating party's notice. The initial mediation session shall be held within ninety (90) days after the initial notice. The parties agree to share equally the costs and expenses of the mediation (which shall not include the expenses incurred by each party for its own legal representation in connection with the mediation). The mediator shall be agreed upon by the parties within thirty (30) days after the initial notice. If the parties do not or are not able to agree upon a mediator within thirty (30) days after the initial notice, then the franchisor shall have the right to unilaterally select the mediator.

The parties further acknowledge and agree that mediation proceedings are settlement negotiations, and that, to the extent allowed by applicable law, all offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties or their agents shall be confidential and inadmissible in any arbitration, litigation or other legal proceeding involving the parties; provided, however, that evidence which is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation.

The provisions of this section may be enforced by any court of competent jurisdiction, and the party seeking enforcement shall be entitled to an award of all costs, fees and expenses, including reasonable attorneys' fees, to be paid by the party against whom enforcement is ordered.

14.7 Waiver of Jury Trial

Developer and Company each irrevocably waive trial by jury in any action, whether at law or equity, brought by either of them.

14.8 Injunctive Relief

Company may bring an action for injunctive relief in any court having jurisdiction to enforce the Company's non-competition trademark, and/or proprietary rights, in order to avoid irreparable harm to the Company, its affiliates, or the franchise system as a whole.

15. ACKNOWLEDGMENTS

Developer acknowledges that there have been no representations by Company's directors, employees or agents, that are not contained in, or inconsistent with, the statements made in the Franchise Disclosure Document or with the provisions of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day, month and year first above written.
