What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Washington. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Washington than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

FOR MICHIGAN OFFEREES

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

1. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, notation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

2. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

3. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

4. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

5. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

6. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (a) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

- (c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

7. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

8. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

The Travel Business will offer reservations services for cruises and certain other leisure products and related travel services (collectively, the “Travel Products and Services”) using our “System” and “Marks” described below. Each Travel Business generates revenues on sales of Travel Products and Services, with those revenues (usually a percentage of sales) generally paid by the suppliers of those Travel Products and Services. We refer to those revenues paid by suppliers and any other revenues generated through your Travel Business as “Gross Revenues”. You will pay us a Service Fee, Marketing Fee and Technology Fee as a percentage of your Gross Revenues.

We will enter into franchise agreements (“Franchise Agreements”) with persons who want to establish and operate a Travel Business. Under our Franchise Agreement, we will grant you the right and you will accept the obligation to operate a Travel Business. Our current form of Franchise Agreement is attached as **Exhibit B**. If you are a business entity (corporation, limited liability company or general partnership), your owners must sign a “Franchisee Owners Statement” identifying each owner and their interest in you and a “Franchisee Owner’s Guaranty” requiring your owners and their spouses to guaranty your obligations under the Franchise Agreement. Our current forms of Franchisee Owners Statement and Franchisee Owner’s Guaranty are attached to the Franchise Agreement as Schedules E and F, respectively.

We previously offered Expedia® CruiseShipCenters® franchises and have current franchises utilizing the Expedia® CruiseShipCenters® Marks. We are in the process of rebranding and converting all franchise locations to Expedia Cruises® and no longer offer franchises under the name Expedia® CruiseShipCenters®. We will discontinue the use of the Expedia® CruiseShipCenters® Marks gradually over time, with the intention of completing the rebranding by June 30, 2024. As we transition to the Expedia Cruises® Marks, certain elements of our System will continue to utilize the Expedia CruiseShipCenters Marks.

SYSTEM AND MARKS

All Franchises operate under our distinctive “System”, which includes proprietary methods, procedures, techniques, designs, standards and specifications, and a business format utilizing the CruiseDesk® system (“CruiseDesk®”), formerly referred to as Expedia Group Partner Central, a proprietary online software application and marketing system developed specifically for the cruise specialist travel agency or agent by our affiliate, CII. CII licenses CruiseDesk® directly to its franchisees in Canada and licenses the right to use and to sublicense the use of CruiseDesk® in the U.S. to us. CruiseDesk® provides a fully-integrated means of researching, communicating, booking, invoicing and conducting travel agency business on the Internet and includes a secure business portal application for travel agents. As a condition to accessing and using CruiseDesk®, each Franchisee must agree to CruiseDesk® Terms, Conditions, and Notices set forth in Exhibit D. CruiseDesk® also provides permission-based personalized internet and email marketing programs, product research, on-line booking, sales administration and business management tools, including invoicing capabilities, cash flow analysis and commission reporting, and allows authorized users to work from any location where secure, broadband access to the Internet is available. CruiseDesk® includes proprietary technology that we have developed as well as functionality that is licensed from third parties. You must operate your Center from a retail storefront location acceptable to us, however, our agreement as to a particular Center site is not a guaranty or warranty of the success of the site.

You must use certain computer software in conjunction with CruiseDesk® (which includes our proprietary software and additional third-party software), all of which we may improve, further develop, or otherwise modify from time to time. In addition, in conjunction with the operation of your Travel Business, you will use certain trademarks, service marks, trade names, slogans and other commercial symbols, including the trademarks “EXPEDIA CRUISES®” and “EXPEDIA CRUCEROS™”, and in limited circumstances the trademarks “EXPEDIA® CRUISESHIPCENTERS®” and “EXPEDIA® CENTRODECROCEROS®” (collectively, the “Marks”), which we have the right to use, promote and

sublicense to you and other franchisees in conjunction with the operation of Travel Businesses. As noted above, CII owns and licenses to us certain Marks, with the right to sublicense those Marks in the U.S., which we, in turn, license to you for use in connection with the Travel Business. Expedia owns and licenses to us the trademark “EXPEDIA®”, with the right to sublicense that mark in the U.S. as part of the “EXPEDIA CRUISES®”, “EXPEDIA CRUCEROS™”, “EXPEDIA® CRUISESHIPCENTERS®” and “EXPEDIA® CENTRODECRUCEROS®” combined marks, which we, in turn, license to you for use in connection with the Travel Business. We may in the future develop, enhance or modify various aspects of the System and/or the Marks, as well as add new trademarks, trade names, service marks, trade dress, slogans, logotypes and other commercial symbols we specify for use in each Travel Business.

You may recruit individuals as independent contractors (we refer to these individuals as “Consultants”) to sell Approved Travel Products and Services through your Travel Business and under our System. Any Consultant you recruit must enter into an Independent Contractor Agreement with you. The form of Independent Contractor Agreement you must use is available through CruiseDesk®. You must provide us with a fully-executed digital copy of each Independent Contractor Agreement you enter into so that we may provide your Consultant with access to CruiseDesk®. You may not change the terms of the Independent Contractor Agreement.

Each Franchise Agreement authorizes you to use CruiseDesk® at only one Center.

MARKET AND COMPETITION

The general market for your Travel Business will be leisure travelers seeking vacation cruises and related travel products and services. As a Travel Business franchisee, you will compete with: (1) other Expedia Cruises® franchisees; (2) other retail and non-retail or home-based travel businesses; (3) specialized and full-service travel agencies; (4) travel suppliers; and (5) web-based travel reservation businesses, including Expedia Group, us, and CII. Some of these travel businesses are large organizations; others are smaller, independent operations. Some travel businesses are franchised.

REGULATORY MATTERS

Some states require travel agents to obtain a “seller of travel” license or permit. You also may be required to file an application and post a bond. In addition to state-specific laws and regulations applicable to sellers of travel, you must comply with all federal, state and local laws and regulations applicable to business operations generally. The classification of Consultants as independent contractors is subject to rules and regulations imposed by certain federal and state government agencies. Consultants that do not satisfy the criteria of these rules and regulations to be classified as independent contractors will be classified as employees and may be subject to certain terms of employment including taxation, benefits, and withholdings. Transferee pays the Transfer Fee upon transfer of a controlling ownership interest in the Franchisee or your Travel Business (where the transfer results in a change of control or shared control) to a new owner, that is, a person or company that does not already have an ownership interest in the Franchisee or your Travel Business, and our then-current form of Franchise Agreement must be signed.

Type of Fee ⁽¹⁾	Amount	Due Date	Remarks
Document Administration Fee	The greater of \$295 or our actual expenses incurred.	Payable upon execution of documents. NOTES

- (1) All fees are non-refundable and payable to us unless otherwise stated. All fees are imposed uniformly.
- (2) Approved Travel Suppliers pay you a percentage of the revenues generated by your sales of their Approved Travel Products and Services. We refer to these revenues plus any other revenues generated through your Franchised Travel Business as “Gross Revenues”.
- (3) In 2025 and each calendar year thereafter, we may increase the Annual Threshold Level for the MIS Fee and the Marketing Fee annually on July 1st by a percentage of up to the percentage increase in the

U.S. Consumer Price Index for All Urban Consumers (CPI-U) on a seasonally adjusted bases (“CPI”) between January 1st and December 31st of the immediately prior year, such increase referred to as the “CPI Adjustment”. If we increase the Annual Threshold Level for the MIS Fee or the Marketing Fee by less than the full CPI percentage increase in a given year, we may carry the difference forward and add it to the allowable percentage increase for the following year. By way of example, if the CPI increases 5% and we implement only a 3% increase in the Annual Threshold Level for the MIS Fee, we may carry the remaining 2% forward and add to the CPI increase in the following year, so that if the following year CPI is 2%, we may increase the Annual Threshold Level for the MIS Fee by up to 4%.

- (4) You will comply with the procedures we specify in the Franchise Operations Manual (the “Manual”) and sign and deliver the documents necessary to allow us to credit and debit by EFT your “Designated Account.” You will make funds available in the Designated Account for withdrawal by EFT no later than the date the payments are due. If we determine at any time that you have under-reported or underpaid amounts due to us, we will be authorized to transfer from the Designated Account the amount owed to us plus applicable interest.
- (5) We will draft by EFT the “Service Fee”, “MIS Fee” and “Marketing Fee” on or before the 15th day of each month. We may change the amount debited each month periodically based on the expected Gross Revenue you will earn. We will notify you prior to any change. At the end of each of your fiscal years during the term of this Agreement and at the end of the term of the Agreement, we will reconcile the actual Service Fees, MIS Fees and Marketing Fees earned and payable for that prior fiscal year or portion of the current fiscal year (as applicable) based on your actual Gross Revenues for that year (or portion thereof). We then will draft (or refund) by EFT the difference between the total of all Service Fees you paid and the actual total Service Fees due and payable for the year (or portion thereof). We will issue you an invoice for that amount drafted or refunded.

NOTES

- (1) You should expect to incur these types of expenses as part of your initial investment from the day you sign the Franchise Agreement until you open and begin operating your Travel Business (typically 6 to 9 months), except for Additional Funds, Working Capital, which you should expect to cover the first 18 to 36 months after you open and begin operating your Travel Business. However, the actual amounts of your expenses and Working Capital may vary.
- (2) Payments made to us are non-refundable. The ability to obtain a refund of any payments made to third parties and governmental agencies will depend on their individual refund policies.
- (3) We provide In-person Training, which is classroom-style training we refer to as Cruise Management Academy (“CMA”), at our offices in Vancouver. We make Cruise Management Academy available for up to two persons at no additional cost, including breakfast and lunch meals. Other meals, hotel and transportation, including airfare, automobile and transfers, are at your cost. You are required to book your own transport and accommodation. Costs may vary depending upon whether you have one or two persons attend the In-person Training in Vancouver and also upon factors including your point of origin, seasonality, and the Canadian-United States dollar foreign exchange rate. Low range transportation and accommodation amounts presented are for one person, high range amounts are for two persons.

If you wish to have a third trainee attend In-person Training, we require a \$495 fee and the additional trainee will be responsible for their own private hotel accommodations, transportation, and meals other than lunch meals while on site. See “Training” in Item 11 for more information about the In-person Training program and associated costs.

- (4) Rent can vary significantly by site location and size (typically we require the location of the Travel Business to be at least 800 square feet and no greater than approximately 1,200 square feet). The low

range is based on a one month security deposit and the high range is based on a two month security deposit. You may also be required to prepay your first month rent, which is not included in these estimates, rather is included as an operating cost included in the estimate of additional funds – working capital as described in note 15 below. If you own your business premises, we cannot estimate or anticipate what, if any, additional investment may be required. The costs of ownership may differ from the rent-based amounts included in these estimates.

- (5) The amount of deposit required, if any, for utilities and telephone will depend upon supplier policy and potentially your credit and/or past customer history.
- (6) Leasehold improvement expenses will vary significantly depending on the size of your location, the condition and facilities of the premises selected, the market for materials and labor in your area and arrangements with your landlord on who is responsible for improvements. This estimated amount assumes that the premises meets vanilla shell specifications prior to commencing construction. If the landlord does not deliver the premises to vanilla shell specifications, you may be required to incur additional costs, which in turn you may be able to recover from the landlord in the form of a tenant improvement allowance. Leasehold improvement expenses include, among other things, obtaining building permits, framing, drywall, electrical, plumbing, millwork, painting, and flooring which includes carpeting that must be purchased from our approved vendor.
- (7) Signage expenses will vary significantly depending on the size and nature of your location, the market for materials and labor in your area and arrangements with your landlord on who is responsible for signage. Expenses include exterior and interior sign(s), interior porthole window, minimum 4 snap frames, 2 specials boards, 2 portable merchandising roll-up displays, a logoed tablecloth, a logo window decal, and/or window dressing posters.
- (8) Franchisees must have at least 4 to 8 computers and software that meet our requirements described under the heading “Computer System” in Item 11. The amount you must spend on computers and software will vary based on the type of computers and software you already have, if any. The high range of the estimate assumes that you purchase new computers and all required software, with specifications greater than what we require at a minimum. You will need to have a high-speed internet connection at your Center, including wireless internet router, switch and cables.
- (9) Office equipment and supplies include telephone and alarm equipment and associated installation costs, television, fridge, dishwasher, microwave, coffee maker, shredder, printer/copier/fax machine, vacuum cleaner and general office supplies including stationery. The amount you spend on these items will vary based on the quality of equipment and supplies you select and whether you already own items that are suitable and compliant with our design standards.
- (10) Office furniture and furnishings include desks, chairs, cabinets, display units, bookshelf and installation. Certain of these items must be purchased from our approved vendors. Due to recent supply chain shortages, prices for these items may be subject to unexpected and sometimes sharp increases.
- (11) We require you to maintain certain minimum level of errors and omissions and general liability insurance coverages for your Travel Business. The amounts of insurance coverage disclosed above vary depending on if you pay your annual insurance coverage up front or pay premiums each month. See “Insurance” in Item 8 for more information about your insurance obligations.
- (12) You should consult with a professional, such as an attorney and/or accountant before you decide to invest in a Travel Business. The costs associated with these consultations can vary based on the particular professional and the scope of their review and assistance.
- (13) Typical licenses and permits include business name search and registration, business license, CLIA application, IATA application, and travel insurance seller license. Depending on where you are located,

you may be required to obtain a “seller of travel” permit (which may require you to post a bond or provide other financial security) and other business licenses and/or permits. The amount of any such security or costs related to arranging required financial security is in addition to amounts presented above. You should consult with an attorney regarding any obligation you may have to obtain such business licenses and/or permits and the expected costs, if any.

- (14) This estimate assumes you will receive no income from your Travel Business during the first 18-36 months after you open and begin operating your Travel Business. You will need additional funds to cover your cost of living and other expenses during that period or longer.

Working Capital includes your net operating costs for the first 18-36 months after you open and begin operating and is estimated based on projected “Medium” net revenue for each of the first, second and third years less operating costs for 3 years (excluding insurance for year 1, which is included in pre-opening costs). These net revenue and operating cost amounts are provided in Item 19. The low and high ranges presented in this table are the estimate of net revenue less operating costs as described above, less 25%, for low range and plus 25% for the high range. Your costs and working capital requirements will depend on factors such as the size of your offices and your operations, the degree to which you follow our methods and procedures for the Travel Business, your management skill, experience and business acumen, general economic conditions, competition and your labor market forces. We relied on our prior experience and recent performance of our existing franchisees to compile these estimates and, although these estimates are based on our expectations prior to the Covid-19 pandemic, as well as financial, economic and competitive data currently available, these estimates are inherently uncertain. You may require more or less working capital than the estimates provided in this table. Your costs, financial performance, and actual living expenses may be more or less than the averages of other new Franchisees.

- (15) We are unable to calculate the exact investment required of each Franchisee due to the many factors that influence the total cost to establish a Travel Business. The actual amount of your investment will vary based on location, local economy, competition, and other factors discussed in the previous notes. You should review these estimates carefully with a business advisor and/or accountant before making any decisions to invest in a Travel Business.
- (16) In order to expedite ordering and delivery of certain required furniture, décor and merchandising materials, as well as to gain the best possible pricing, we may purchase the items on your behalf and require you to pay us directly in advance to reimburse us for payments we make or will make to various suppliers on your behalf. If this occurs, we will submit to you a detailed invoice in advance of your required payment. We do not add any fees or other amounts to the amount invoiced by the supplier. This will typically occur once a lease for your Center has been finalized.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

REQUIRED PURCHASES

We provide you with a prototype design plan for the layout of a Center, showing furniture placement and facilities with color coordination scheme and advise you as to the particulars and specifications of office furniture, equipment and supplies to be used in the operation of the Center. We do not require you to purchase or lease any inventory, supplies, fixtures, equipment or services from us or our affiliates. However, we do require you to purchase some of these items from certain approved vendors which we will identify in our Center Design Specifications Resource which we will make available to you or through CruiseDesk® from time to time and we may require you to purchase furniture, décor and merchandising materials through us at our suppliers’ price.

You must record all sales activity of all Travel Products and Services in CruiseDesk®. All bookings must be

accomplished under our brand and any contracts we have in place with suppliers and vendors, and you must use our identification numbers as the agent code for all bookings. Although you may only offer for sale to your customers those Approved Travel Products and Services, you will not actually *purchase* any Travel Products and Services. The purchases will be made by your customers (See “Approved Travel Suppliers” below).

You are required to license certain software from us and you must have access to CruiseDesk® for which you must pay the monthly MIS Fee. During our last fiscal year, the total amount of MIS Fees we collected from franchisees was \$278,000, which represents 0.002% of the \$12.839 billion total revenue for Expedia Group, Inc. as reported in Consolidated Statement of Operations included in Item 21. You also must make a monthly Marketing Fee contribution to the Marketing Fund for advertising, marketing and public relations programs and materials we develop. During our last fiscal year, the total amount of Marketing Fees we collected from franchisees was \$560,000, which represents 0.004% of the \$12.839 billion total revenue for Expedia Group, Inc. as reported in Consolidated Statement of Operations included in Item 21. (See Item 6 and Item 11 for more information regarding the software you are required to license from us and the Marketing Fund.)

APPROVED TRAVEL SUPPLIERS

You are required to use suppliers approved by us and identified in the Manual or CruiseDesk® (“Approved Travel Suppliers”) for the sale of all Approved Travel Products and Services. We also may identify suppliers or Travel Products and Services that are expressly not approved. While you do not “purchase” Travel Products and Services from such Approved Travel Suppliers, the Gross Revenues generated by your Travel Business may vary based on which Approved Travel Suppliers you use. We may change Approved Travel Suppliers from time to time. We will update the list of Approved Travel Suppliers, including any suppliers or Travel Products and Services that are expressly not approved, through the Manual, CruiseDesk®, or other forms of communication. You must register with certain Approved Travel Suppliers as a member agency of CII or as directed by us. We and/or our affiliates may be Approved Travel Suppliers for certain products and services. To the extent that we and/or our affiliates are currently the only Approved Travel Supplier for certain products and services, required purchases of such products and services are included in the estimates for “Required Purchases” in the first paragraph above. Our affiliates, CII and Expedia Group, are Approved Travel Suppliers of Travel Services.

COMPENSATION WE RECEIVE FROM TRAVEL PURCHASES

If you meet an Approved Travel Supplier’s eligibility requirements for bonuses or tour conductor status, on your own and without aggregation with our activities or those of other Franchisees, then you will receive the benefit of the bonus or tour conductor status. We and/or our affiliates retain any bonuses or tour conductor benefits that are paid to us by the Approved Travel Suppliers, if your efforts alone did not result in its issuance. We and/or our affiliates are also entitled to retain any overrides, bonuses, overages and advertising allowances paid by such Approved Travel Suppliers that are only available to us.

Approved Travel Suppliers pay you Gross Revenues on your sales of their Approved Travel Products and Services. The Gross Revenues (that is, the percentage of your sales) that each Approved Travel Supplier will pay is dictated by that particular Approved Travel Supplier and varies among Approved Travel Suppliers.

CHANGES OF APPROVED TRAVEL SUPPLIERS OR APPROVED VENDORS

We may terminate, suspend and change Approved Travel Suppliers or approved vendors at any time in our sole discretion, including identification of any suppliers or Travel Products and Services that are expressly not approved. Whether or not we designate a supplier or vendor as an Approved Travel Supplier will be based on meeting the quality standards that we establish from time to time (see “System Standards” below), and may consider not just the quality standards of the products or services, but also, among other things, the proposed supplier’s reputation, management, product selection and pricing, delivery capabilities, financing terms and ability to service our franchisees and Expedia Cruises® customers as a whole.

SYSTEM STANDARDS

Your Travel Business must be operated in accordance with the mandatory and suggested specifications, standards, operating procedures, trademark usage guidelines, and rules that we prescribe from time to time for the operation of a Travel Business (collectively, the “System Standards”). System Standards may regulate, among other things, marketing materials, use and display of the Marks, insurance coverage requirements, computer system requirements, pricing and other policies governing the conduct of Travel Businesses. We may periodically modify the System Standards, which may accommodate regional or local variations as we determine. Such modifications may obligate you to invest additional capital in your Travel Business and/or incur higher operating costs. We will notify you of changes to the System Standards and/or names of Approved Travel Suppliers through updates to the Manual or other communications.

ADVERTISING

If you elect to conduct visual advertising (print or digital), you must use our design templates and only in the manner we prescribe. We will provide design and images for your print advertisements to you either paid for out of the Marketing Fund or at our cost. If you desire to develop your own advertising material, you must follow the System Standards and you must submit all material to us for approval prior to your use.

INSURANCE

You must maintain E&O insurance coverage and general liability insurance. We may prescribe the minimum amount of coverage required and may periodically increase or decrease the amounts of coverage required and require different or additional types of insurance at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes and circumstances. All required insurance policies must be issued by an insurance company meeting our minimum rating requirement and must contain the terms and conditions we require. You are required to furnish proof of insurance satisfactory to us. If you fail to furnish such proof of insurance, we may obtain (at our option) insurance on your behalf and you must pay us, on demand, any costs and premiums we incur in obtaining such insurance. Alternatively, you may self-insure your travel agent errors and omissions insurance, as long as you demonstrate to our satisfaction that you have set aside and maintain an adequate reserve for claims that would be covered under a typical errors and omissions insurance policy.

REQUIRED COMPUTER SYSTEM

You must use a computer system that meets our specifications. See “Computer System” in Item 11 for more information. We license CruiseDesk® software and obtain software maintenance services from our affiliate, CII. You will sublicense the CII CruiseDesk® system software from us.

We have a Management Services Agreement (the “MSA”) and a Software and Technology License Agreement (the “Software Agreement”) with CII. Pursuant to the Software Agreement, CII licenses to us the use of CruiseDesk® (which we in turn sublicense to you under the Franchise Agreement) and CII hosts, manages and maintains CruiseDesk®.

Through the MSA, we have outsourced to CII various services associated with CruiseDesk®, including:

- (a) Developing, supporting and hosting CruiseDesk®.
- (b) Monitoring, updating and improving CruiseDesk® as new developments and improvements are established or implemented.
- (c) Enabling direct bookings, either within a particular Consultant Website or through travel supplier sites accessible through the Consultant Website or via telephone access to the travel supplier provided by CII. CII will provide e-mail support and facilitate and respond to inquiries relative to direct bookings

and other related customer services. CII will also provide technical support to us and our Franchisees with respect to functionality of CruiseDesk®.

- (d) Providing e-marketing support to Franchisees and their consultants in the form of permission-based personalized, internet-driven marketing programs; consumer accessible product research tools; and on-line booking capabilities.
- (e) Extending to us and our Franchisees commission arrangements no less available than those that CII has arranged for its Franchisees.
- (f) Providing commission management and bookkeeping tools to our Franchisees and their consultants, including invoicing capabilities, cash flow analysis and commission reporting.
- (g) Conducting training programs on our behalf for our Franchisees, including the online cruise consultant certification program we refer to as International Cruise Academy® and the in-person franchise owner training program we refer to as Cruise Management Academy.

We pay CII for the support and other services it provides, and an annual royalty for the licensing of CruiseDesk® and CruiseShipCenters® trademarks. Additionally, we pay Expedia an annual royalty for the licensing of the Expedia® trademark.

MISCELLANEOUS

Except as described above, neither we nor our affiliates currently derive revenue or other material consideration as a result of your purchases. There are currently no purchasing or distribution cooperatives. In the future, we and/or our affiliates may negotiate agreements with Approved Travel Suppliers and we and/or our affiliates may receive consideration from such Approved Travel Suppliers. Our corporate officers may own shares of one or more of the publicly traded Approved Travel Suppliers available to you through CruiseDesk®, however, none of our officers own controlling interests in any Approved Travel Suppliers. We do not provide material benefits (for example, renewal or granting additional franchises) to you based on your purchase of particular products or services or use of particular suppliers.

MARKETING FUND

We administer a system-wide marketing fund (the "Marketing Fund") for such advertising, marketing and public relations programs and materials we deem necessary or appropriate in our sole discretion. You and every other franchisee must contribute to the Marketing Fund on a monthly basis, based on your monthly Gross Revenues subject to an annual maximum ("Annual Threshold Amount"). Beginning in calendar year 2024, we may increase the Annual Threshold Amount annually on or prior to July 1st by a percentage of up to the percentage increase in the U.S. Consumer Price Index ("CPI") between January 1st and December 31st of the immediately prior year. If we increase the Annual Threshold Amount by less than the full CPI percentage increase in a given year, we may carry the difference forward and add it to the allowable percentage increase for the following year. If the Marketing Fund is terminated, all unspent monies on the date of termination will be distributed to our Franchisees in proportion to their respective contributions to the Marketing Fund during the preceding 12-month period. We will contribute to the Marketing Fund on the same basis as Franchisees for any Travel Businesses owned and operated by us (Franchise Agreement Section 14.01).

We will direct all programs financed by the Marketing Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. The Marketing Fund may be used to pay the costs of preparing and producing video, audio, email, internet-based and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing activities. We may develop these materials in-house, including through CII, or utilize national or regional advertising agencies. The Marketing Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost (Franchise Agreement Section 14.02).

The Marketing Fund will not be held separately but will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Marketing Fund and its programs. Any unspent surplus amount in the Marketing Fund remaining at the end of a fiscal year in which it was collected or accrued will remain in the Marketing Fund for future use. We will prepare a periodic statement of monies collected and costs incurred by the Marketing Fund and furnish the statement to you upon written request (Franchise Agreement Section 14.03.) The Marketing Fund is not audited.

Although we will endeavor to utilize the Marketing Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all Travel Businesses, we have no obligation to ensure that expenditures by the Marketing Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Marketing Fund by Travel Businesses operating in that geographic area or that any Travel Business will benefit directly or in proportion to its contribution to the Marketing Fund from the development of advertising and marketing materials or the placement of advertising (Franchise Agreement Section 14.04).

Marketing Fund monies will not be used to directly advertise or otherwise promote the sale of Travel Businesses, although Marketing Fund advertising and marketing materials may include incidental advertising for the opportunity to join Expedia Cruises® as a franchisee or as a travel consultant.

During our fiscal year, from January 1, 2023 through December 31, 2023, Marketing Fund expenditures on

advertising for the benefit of all our franchisees totaled approximately \$1,467,000 allocated as follows: Personnel, including web development, creative for E-marketing and print media and associated overhead (55%); and print materials and media (45%). None of these expenditures included any advertising for franchise opportunities.

ADVERTISING AND ADVERTISING COOPERATIVES

You may conduct advertising, promotion or marketing in any medium but it must meet our standards and be approved by us before use in all cases (Franchise Agreement Section 14.05). You must submit to us for prior written approval, samples of all promotional and marketing materials, including, all internet advertising, promotions or listings, you wish to use that have not been supplied by us or Approved Travel Suppliers or have not been approved by us within the last 3 months. We will notify you of our approval or disapproval of the materials within 5 days from the date we receive them. Approval or disapproval will be at our sole discretion.

We may designate certain areas in which we believe a local advertising cooperative (an “Advertising Cooperative”) may be appropriate for all Travel Businesses located in those areas. If an Advertising Cooperative is established in the geographic area where your Travel Business is located, you may join and actively participate in it. If you join an Advertising Cooperative, you must contribute to the Advertising Cooperative such amounts as are determined from time to time by the Advertising Cooperative. We will not set the amount of those contributions. Amounts contributed to the Advertising Cooperative are separate from, and in addition to, any Marketing Fees. The Advertising Cooperative will adopt its own rules, regulations and procedures which you must follow. However, the rules, regulations and procedures of the Advertising Cooperative must be approved by us.

INTERNET USE OF THE MARKS

You may not operate or arrange for the establishment of any Website that is in any way connected to the Travel Business, in either case, without our prior written approval, which we may give or withhold or revoke at our discretion. “Website” means an interactive electronic document, contained in a network of computers linked by communications software, that you operate or authorizes others to operate and that refers to the Travel Business, the Marks or any of our or our affiliates’ other intellectual property, CruiseDesk[®], and/or any of the Approved Travel Products and Services, and includes, but is not limited to, internet and World Wide Web home pages. In addition to the prohibition on establishing a Website, you may not adopt, use or register the Marks or any word or symbol that may be similar to any of the Marks so as to cause any likelihood of consumer confusion generally and, in particular, in any Website, e-mail or Website address, domain name or search engine identifier, adword or key word. We have the right to designate and control your use of all URLs, domain names, website addresses, metatags, links, key words, e-mail addresses, social media profiles and pages and any other means of electronic identification or origin (“e-names”) used in connection with your Travel Business (Franchise Agreement Section 14.06).

COMPUTER SYSTEM

You must use a computer system (including both hardware and software) that meets our specifications. The personal computers you own or lease (and which may be obtained from any source) must be capable of running the currently commercially available Microsoft Windows[®] Operating System, Office[®] and Google Chrome[®] software and you must have a relationship with an internet service provider to gain high-speed access to CruiseDesk[®] and other websites.

Franchisees must have at least 4 to 8 computers and software that meet our specifications. The amount you must spend on computers and software will vary based on the type of computers and software you already have, if any. We estimate the cost of purchasing the required computer system, including wireless internet router, switch and cables, at \$3,500 to \$6,000. The high range of these estimates assumes you purchase new computers and all required software, with specifications greater than what we require at a minimum.

We reserve the right to require you to upgrade your computer system's hardware or software components at any time during the term of the Franchise Agreement. You will be responsible for the costs for upgrades, technical support and ongoing maintenance for the computer system. We may modify the computer system specifications from time to time and you must comply with such modifications at your expense within 60 days after you receive notice from us. Your computer system must be capable of connecting with CruiseDesk®. You must also use high-speed (broadband) internet access and Google Chrome as your internet browser. We will have unrestricted independent access to your computer system so we may review the operation of your Travel Business (Franchise Agreement Section 15.06). In addition, we may require you to submit marketing and related data to allow us to compile consumer trends, costs, and other information on a frequency and detail we deem appropriate (Franchise Agreement Section 15.01). We cannot estimate the costs of maintaining your computer system or any required upgrades because it will depend on your usage, service fees in your market and improvements in technology which we cannot predict at this time.

Your payment of the Initial Franchise Fee, the ongoing Service Fee and the MIS Fee constitute payment to us for your use of CruiseDesk® (a proprietary online software application and marketing system developed specifically for the cruise specialist travel agency or agent by our affiliate, CII). We may require you to license or sublicense from us any additional proprietary software or any third party software applications (collectively, the "Additional Software") and we may charge you an additional fee for Additional Software (Franchise Agreement Section 13.02). We will provide assistance to you through email and in some instances, by telephone, in connection with the use of CruiseDesk® and any proprietary software we require you to use.

We have outsourced to CII the maintenance and improvement requirements for CruiseDesk® and email services, for which you will be required to agree to the Terms of Use (the "TOU"). A copy of the current form of TOU is attached as **Exhibit D**. You will be bound by the TOU and any privacy policy, copyright notice and takedown policies that we establish from time to time regarding CruiseDesk® and email services.

We may designate, approve, control or limit all aspects of your use of CruiseDesk® and any aspect of your Travel Business that you conduct over the Internet ("e-commerce"). You must follow all of our policies and procedures for the use and regulation of e-commerce and for its use with CruiseDesk®. We may require that you provide graphical, photographic, written or other forms of artistic or literary content to us for use in e-commerce activities associated with the Marks or the System that we may designate. You must provide information to us via CruiseDesk®. You must coordinate your e-commerce activities with us, other Travel Businesses, suppliers and affiliates, and participate in any intranet networks we develop (Franchise Agreement, Section 14.06).

THE MANUAL

Our Franchise Operations Manual (the "Manual") is in the form of an online resource center that contains the current System Standards and information relating to your obligations as a Franchisee. The content of the Manual belongs to us and you will have no ownership interest in the Manual. The Manual may be modified, updated and revised periodically to reflect changes in System Standards and other policies affecting Franchisees. The table of contents of the Manual is attached as **Exhibit C**.

OPENING YOUR TRAVEL BUSINESS

We estimate the typical length of time between the Effective Date of the Franchise Agreement and opening your Center for business to be between 6 and 9 months. Factors affecting the timing include site selection and availability, lease negotiation, build-out/construction implementation and any delays, landlord approvals, and licensing and permitting. Other factors may include the ability to secure financing arrangements, completing training, and fulfilling other pre-opening requirements. Failure to open your Center within 9 months of the Effective Date the Franchise Agreement is a default under, and cause for termination of, the Franchise Agreement. In lieu of termination, however, you may be subject to penalties, including suspension of leads routed to a franchise from both Expedia Cruises channels and external channels, suspension of recruitment

leads routed from Expedia Cruises channels, suspension of participation in recognition programs and award trips, suspension of participation in any councils, suspension of eligibility for program discounts, suspension of eligibility for extension or deferral programs, loss of eligibility to receive an Additional Term Franchise/renewal, loss of eligibility to receive approval for a Transfer of the Franchise. Additionally, if you still not have received your Certification of Operational Readiness and opened your Center to the public within 12 months of the Effective Date of your Franchise Agreement, the monthly Overdue Center Opening Fee will become due and will be incurred monthly until you receive your Certification of Operational Readiness and open your Center to the public.

You may not open your Center or begin operating your Travel Business until: (a) we have approved your site selection and construction to our current standards; (b) you (or if you are a business entity, one of your Owners) have completed training (Online Training and In-person Training) to our satisfaction; (c) the Initial Franchise Fee and all other amounts then due to us have been paid; (d) you have furnished to us copies of all insurance policies we require, or other evidence of insurance coverage and payment of premiums as we request or accept; (e) you have demonstrated to our reasonable satisfaction that you have secured the financing necessary to establish the Center and operate your Travel Business; and (f) we have given you written Certification of Operational Readiness of your Travel Business and the Center, which may be conditioned on your compliance with all applicable laws, System Standards and the terms of the Franchise Agreement.

You must open the Center and you must begin operating your Travel Business within two days after we have delivered our written Certification of Operational Readiness. Once open and operating, you must continuously staff the Center with qualified trained employees or Consultants in accordance with the Manual and the terms of your Lease.

SITE REQUIREMENTS

You must propose a site within the Market Area that is acceptable to us where you intend to establish the Center to operate your Travel Business. The criteria we use to determine if a site is acceptable may include visibility, traffic count, demographics and local competition. We reserve the right not to approve a location based on factors including but not limited to proximity to the border of the Market Area or proximity to another Center. Our acceptance of a particular site for the location of your Center is not a guaranty or warranty of the success of the site. The new site must typically have at least 800 square feet of retail space although we recommend up to 1,200 square feet. Because the Travel Business is a destination site rather than being driven by walk-by traffic, retail store fronts and strip-mall locations are preferred.

You will have up to four months after the Effective Date of the Franchise Agreement to negotiate a lease for the site designated in the Franchise Agreement for the Center and, subject to our review and approval, sign the lease. A condition to our approving the lease is the execution of the Addendum to Lease Agreement (attached as Schedule C to the Franchise Agreement) by you and the landlord or the inclusion of certain required language in the lease. If we cannot agree on an acceptable site or if you are unable to enter into a lease within the required time, at our discretion, we may terminate the Franchise Agreement.

TRAINING PROGRAM

Before you begin operating your Travel Business, we will furnish training for up to two persons on the operation of a Travel business to you (or if you are a business entity, to up to two of your owners). The person or persons who participate in the training program are called the “Trainees”. The Trainees must complete five core programs delivered through a combination of e-learning and in-person classroom training to our satisfaction and before commencing operations of the Travel Business. This means the training program must be completed within 9 months after the Effective Date of the Franchise Agreement. The training program consists of the following components:

Online Training

Consultant Certification: The Trainees will receive one week of training through an e-learning course referred to as Consultant Certification, which is part of International Cruise Academy (“e-learning”). There is no additional charge for e-learning curriculum. Our e-learning consists of course modules, recorded webinars and student activity / practice exercises in the areas of Preferred Suppliers and Products, Relationshiping, Selling, Servicing and Operations.

New Franchisee Training: Once the Trainees have completed Consultant Certification, they will progress onto New Franchisee Training. This training is a combination of e-learning coupled with weekly one-on-one sessions with your designated trainer. This curriculum consists of e-learning courses, recorded webinars and videos, activities and practical exercises that are designed to help the Trainees run their business by recruiting a team and initiating and servicing sales before their Center’s doors open. This curriculum is overseen by their trainer. The Trainees will have specific tasks to complete from the curriculum each week for review on their next training call with their trainer.

Leadership Programs (2 core programs): The Trainees will also complete the “Navigator’s Approach to Selling” and “Coaching for Performance” programs. Both programs consist of e-learning courses coupled with instructor-led sessions. Navigator’s Approach to Selling will help Trainees understand the importance of using consultative selling skills, focus on developing a customer centric mindset, and develop into true sales professionals. Coaching for Performance is a coaching program developed for Expedia Group leaders, which focuses on developing a set of core coaching skills that will support Trainees in building team culture and trust, exploring vulnerability, discovering new perspectives, raising team performance, and ultimately shifting into the mindset of a coach in leading their team.

In-Person Training:

Cruise Management Academy (CMA): The Trainees will receive 5 days of classroom training at one of our (or CII’s) training facilities, currently located in Vancouver, British Columbia, Canada. CMA is designed to ready Trainees to open their Center’s doors to the public by synthesizing their learning and applying it practically to formulate an operational plan for their travel business.

Cruise Management Academy is offered several times a year in Vancouver. If you do not hold a valid passport, you must obtain one at your expense. The current fees to obtain a U.S. passport are a \$130 application fee and a \$35 execution fee. You will also need to supply passport photographs, the cost of which will vary depending on the vendor. You may bring a third trainee to in-person training for an additional \$495 fee, which will include their breakfast and lunch meals while onsite. Hotel accommodations and transportation costs for all trainees will be at your/their expense. Additional trainees will be required to sign a confidentiality agreement with us prior to attending the In-person Training.

NOTES

- (1) All aspects of our training are integrated throughout each component of the Franchisee Curriculum program. There are not definite starting and stopping times for training on these subjects.
- (2) Currently, Franchisee and Consultant training is managed by our Learning and Development team led by Lara Walker, Manager of Learning and Development. Ms. Walker's staff includes two Senior Learning and Development Specialists who are responsible for both the content and delivery of the new Franchisee Curriculum and coaching new Franchisees on opening benchmarks for the Franchisee's Center. The Learning and Development team also includes the two Instructional Designers, who work with our Subject Matter Experts to create e-learning content for our Franchisees and Consultants. Our online Consultant Curriculum content is primarily managed by Subject Matter Experts on the Franchise Operations team, led by the Senior Director of Franchise Operations, Mike Barron and the Sales Enablement team, led by Senior Director of Strategy, Partnerships and Sales, Eileen Wong. Ms. Wong has served as Senior Director of Strategy, Partnerships and Sales at CruiseShipCenters International Inc. located in Vancouver, B.C. since March 2023, having previously served as Senior Director, Strategy and Global Cruise Partnerships from June 2021 to March 2023 and as Director, Strategy and Business Development from April 2019 to June 2021. Mr. Barron's business experience is described in Item 2 of this Disclosure Document.

ADDITIONAL TRAINING

We may offer additional training, including periodic and refresher training courses, at such times and locations that we designate. You are not required to participate in additional training but if you choose to do so, you

will pay our charges for furnishing it and you will be responsible for any travel expenses you or your representatives incur. We may make some additional training available through internet-based training programs. If we furnish internet-based training programs, we will furnish them at no additional cost to you.

FRANCHISEE MEETINGS

All franchisees are required to attend our annual National Conference and Regional Franchisee meetings. The Regional Franchisee meetings are typically 4 to 6 days and the National Conference meetings are typically 7 to 8 days. These meetings will typically take place onboard a cruise ship. Land venues have been used in the past and may be utilized for future meetings at the Franchisors discretion. You will be responsible for travel, lodging and other expenses related to your and your representatives' attendance at these meetings.

PAYMENT OF FEES

On the 1st or the 15th day of each month, we will draft by EFT from your designated bank account all Service Fees, the Marketing Fee, MIS Fee and any other monies you owe us for the current month's accounting period.

ITEM 12. TERRITORY

You will receive a designated territory described in Schedule A to your Franchise Agreement (your "Market Area") in which you may establish and operate one Center at one location. We reserve the right to adjust the Market Area upon finalization of the Location for the Center. There is no minimum territory size that comprises a Market Area, however, we estimate a typical Market Area will have between 15,000 and 35,000 "Targeted Households" based upon data provided by a third-party company specializing in geographic-based information. A "Targeted Household" is one with an annual income of approximately greater than \$125,000 (although we may adjust the dollar threshold to reflect differences in regional CPI, or for other reasons). The number of Targeted Households in a particular Market Area is based on a number of factors including local cost of living, shopping patterns, geographic aspects, market conditions and demographic criteria, including population density, average and median income and local competition. As long as you are not in default under your franchise agreement, we will not open a Travel Business or allow any future franchisee the right to establish and operate an Expedia Cruises® franchise within your Market Area. We will not allow any other existing franchisees the right to relocate their Travel Business to be within your Market Area. You are not restricted from doing business with customers residing outside your Market Area. These same restrictions apply to our other franchisees. Leads from external sources including Expedia.com are routed to Franchisees at our sole discretion. Eligibility to receive leads is based on service level requirements and other defined criteria. Leads from these sources may cease at any time at the discretion of the external provider.

Prior to granting you an Additional Term Franchise or upon a Transfer of your Travel Business, we may assess your Market Area to determine if it is being sufficiently serviced. Your Market Area may be determined to be insufficiently serviced if your average Gross Revenue for the final two years of your Term and for the final year of your Term (or two years prior to the Transfer date and for the final year prior to the Transfer Date) is less than \$9.00 (subject to annual CPI Adjustment) per Targeted Household in your Market Area. In the case of an Additional Term Franchise, if your Market Area is determined to be insufficiently serviced, then we may opt not to offer an Additional Term Franchise, or alternatively, before we grant an Additional Term Franchise, we may make adjustments to your Market Area, which may include a reduction in the number of Targeted Households. In the case of a Transfer of your Travel Business, if your Market Area is determined to be insufficiently serviced, or an independent third-party geographic data analysis suggests that the Market Area granted to you could, at the time of the Transfer, support two or more viable Market Areas, we may make adjustments to the Market Area, which may include a reduction of the number of Targeted Households in the Market Area included in the Franchise Agreement the transferee will enter into.

You will still face competition from our other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control. Except for your right to the exclusive operation of an Expedia Cruises® franchise within your Market Area, there are no restrictions on us, our affiliates, Approved Travel Suppliers, or anyone else from offering Approved Travel Products and Services to customers located anywhere unless otherwise prohibited by law and you are not compensated for any orders we may solicit or accept from consumers inside your Market Area. Unless we agree in writing, you have no option, right of first refusal or similar right to acquire additional franchises.

We and our affiliates retain all rights not specifically granted to you in the Franchise Agreement including, without limitation, the absolute right to:

- (a) Operate, establish and grant other Travel Businesses anywhere on such terms and conditions as we deem appropriate;
- (b) Operate, and grant others the right to operate, businesses selling travel-related products or services, including a competitive business, using the Marks or other trademarks or service marks under terms and conditions as we deem appropriate;
- (c) Operate, and grant others the right to operate, businesses that do not use any of the Marks; and
- (d) Market, provide, offer and sell Travel Products and Services (including through online access) using the Marks or other trade names or service marks.

If you need or decide to relocate the Center because of condemnation, destruction, or expiration or cancellation of your Lease for reasons other than your breach of your Lease, you may do so to another site that is reasonably comparable to your original location, that is acceptable to us and is within your Market Area, as long as you have obtained our written approval for the selection and construction of the new Center consistent with our then-current standards and the new Center is ready to open and operate in conjunction with the move from the original location. You also must keep your Travel Business open and operating during any relocation. You do not have the right to relocate the Center in the event you lose the right to occupy your existing Center premises because of the cancellation of your Lease as a result of your breach (as a Lease cancellation would be grounds for immediate termination under Section 18.02(f) of your Franchise Agreement).

ITEM 13. TRADEMARKS

The Marks are owned by CII (with the exception of the “EXPEDIA” mark), which, in turn, licenses the rights to use and license others to use the Marks in the United States. The trademark “EXPEDIA” is owned by Expedia and licensed to us for our own use and for our sublicensing to others to use in the United States as part of the “Combination Mark” (defined below). For as long as you remain a Franchisee, we will license the Marks to you to use on a non-exclusive, non-transferable, non-assignable, royalty-free basis solely in connection with your operation of your Travel Business, as well as any future trademarks we develop or license from third-parties for use as part of the System. You must comply with our trademark usage guidelines and other requirements for use of the Marks as prescribed in our System Standards, which we may modify from time to time. The following Marks are currently registered on the Principal Register or Supplemental Register (as indicated) of the United States Patent and Trademark Office (“USPTO”):

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court in the United States related to the Marks. There are no pending infringements, opposition or cancellation proceedings, or material litigation involving the Marks in the United States. We are not aware of any superior prior rights or infringing uses that could materially affect your use of the Marks in the United States. All requisite affidavits of use related to the Marks have been filed with the USPTO.

Your right to use the Marks (including any additional Marks we authorize you to use) is derived solely from the Franchise Agreement and is limited to your use in connection with the operation of your Travel Business. You may not use any Mark as part of any corporate or legal business name or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we license to you), or in any modified form, including whereby any characters or symbols within the Marks are reversed, replaced, removed or inserted, nor may you use any Mark in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing. You may use the Combination Mark as a fictitious (d/b/a) name as prescribed in the Manual. No Mark may be used in any advertising concerning the transfer, sale or other disposition of your Travel Business or an ownership interest in you, without our prior written consent.

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any superior rights in any Mark. We have the exclusive right to take any action (including taking no action) as we determine appropriate and to control any litigation, USPTO proceeding or any other proceeding relating to the Marks. We will indemnify you against all claims, liabilities, obligations and damages directly arising out of any infringement, or alleged infringement of a third party's rights by virtue of the programs, software, systems, trade names and other intellectual property we provide or license to you. You have the right to defend any such claim against you.

We may notify you at any time of our intent to modify or discontinue the use of any of the Marks. If we modify or discontinue the use of any Mark and/or use one or more additional or substitute Marks, you must comply with such changes within a reasonable time (but not longer than 30 days) after receiving notice. We will reimburse you for your reasonable direct expenses of replacing necessary supplies and marketing materials containing the discontinued Mark. However, we will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

We license the Marks (other than the "EXPEDIA" mark) from CII pursuant to a License Agreement with CII (the "CII License Agreement"). We license the "EXPEDIA" mark from Expedia pursuant to a License Agreement with Expedia (the "Expedia License Agreement"). We have the right to sublicense these Marks to our franchisees for use in connection with their franchised Travel Businesses within the United States and to use them for certain other travel products and services. The term of the CII License Agreement runs until there are no longer any Travel Businesses operating under the Marks. The term of the Expedia License Agreement is terminable by either Expedia or CII upon 30 days' notice.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents that are material to a Travel Business.

We claim copyrights in: (a) the Manual, advertising materials and related items used in operating a Travel Business; (b) CruiseDesk®; and (c) the Expedia Cruises® website (collectively, the "Copyrights"). These Copyrights have not been registered with the United States Registrar of Copyrights.

CONFIDENTIAL INFORMATION

We possess (and will continue to develop and acquire) certain confidential information (the "Confidential Information") relating to: (i) the development and operation of Travel Businesses; (ii) the development of Approved Travel Suppliers and Travel Products and Services used by and in connection with the operation of Travel Businesses; and (iii) those suppliers and Travel Products and Services that are not approved.

We will disclose Confidential Information to you and personnel of your Travel Business by furnishing the Manual and access to CruiseDesk® to you and by providing training, guidance and assistance to you. In addition, if in the course of operating a Travel Business, you or your employees or consultants develop any ideas, concepts, methods, techniques or improvements ("Improvements") relating to your Travel Business, you must disclose these Improvements to us. We will be deemed to own the Improvements and may use them and authorize others to use the Improvements in the operation of Travel Businesses. Improvements will then also be Confidential Information.

CONFIDENTIALITY OBLIGATIONS

As a Franchisee, your relationship with us does not give you any interest in the Confidential Information other than the right to use it in the development and operation of your Travel Business in accordance with the terms of the Franchise Agreement. The Confidential Information is proprietary, includes trade secrets belonging to us and will be disclosed to you or authorized for your use solely on the condition that you:

- (a) Will not use the Confidential Information in any other business or capacity;
- (b) Will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement;
- (c) Will not make unauthorized copies of any portion of the Confidential Information disclosed via electronic medium, in written form or in other tangible form, including, for example, the Manual; and
- (d) Will adopt and implement all procedures we may prescribe from time to time to prevent unauthorized use or disclosure of the Confidential Information, including, restrictions on disclosure to your employees and the use of nondisclosure and non-competition agreements we may prescribe for employees or others who have access to the Confidential Information.

EXCEPTIONS TO CONFIDENTIALITY

The restrictions on your disclosure and use of the Confidential Information will not apply to the disclosure of the Confidential Information in judicial or administrative proceedings when and only to the extent you are legally compelled to disclose it, provided that you have first given us the opportunity to obtain an appropriate protective order or other assurance satisfactory to us that the information required to be disclosed will be treated confidentially.

CUSTOMER DATA

You will collect customer data and enter it into CruiseDesk® in the manner and format we specify. Both we and you must comply with all applicable laws pertaining to privacy and data protection relative to customer data. We will maintain all information you and individual consumers enter into CruiseDesk® and any information generated by CruiseDesk®. We will compile sales data, consumer trends, costs, and other such financial and marketing information as we may determine. As between you and us, we own all this data, except for customer data that you owned prior to entering into your franchise agreement with us, which franchisee-owned data we will be entitled to use for economic and marketing analysis.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must at all times faithfully, honestly and diligently perform your obligations under the Franchise Agreement, continuously exert your best efforts to promote and enhance your Travel Business and, not engage in any other business or activity that conflicts with your obligations to operate your Travel Business in compliance with the Franchise Agreement (Franchise Agreement Section 2.03). You must operate your Travel Business in accordance with our standards of service, advertising, promotion and management. You must comply with all our business policies, practices and procedures, as we prescribe in the Manual or otherwise in writing from time to time.

You (or one of your controlling owners if you are a business entity) must assume responsibility for the day-to-day management and operation of your Travel Business and the supervision of your Travel Business personnel. During all hours of operations, you will ensure your Travel Business is at all times under your direct on-premises supervision (or if you are a business entity, under the direct on-premises supervision of one of your controlling owners who has satisfactorily completed training and who we have approved to supervise your Travel Business) or by one of your employees or consultants whom we have approved to manage your Center, based on the criteria outlined in the Manual. During the first 3 years of operation, you are not permitted to be “Materially Absent” from your store. Materially Absent is defined as not being physically in-person at the store for three or more days per week, 50% or more of the time, or otherwise not being physically in-person at the store for 50% or more of the required Opening Hours, excluding time away for attendance at Conference, Anchor or other Expedia Cruises events/training and periodic, reasonable time away escorting groups or on

vacation. After 3 years of operation, you will be permitted to be Materially Absent and retain a Manager, as long as your Total Bookings (as defined in item 19 of this disclosure document) for the prior 12 months exceed the sales benchmark for third year stores, currently \$1,600,000; you have a minimum of 12 Independent Contractors; your Franchise owner sales are less than 30% of total sales; you are not in default of the franchise agreement; and we have approved your business plan for the operation of your franchise while being Materially Absent. These criteria are set out in the Manual and may be amended from time-to-time. You will at all times keep us informed of the person(s) managing the day-to-day operation of the Center and require such person(s) to sign a written agreement to maintain confidentiality and to observe covenants not to compete described in Items 14 and 17. Your supervising managers or employees are not required to own equity in your Travel Business.

If you are a business entity (corporation, limited liability company or general partnership), your owners must sign a “Franchisee Owner’s Guaranty” requiring your owners and their spouses to guaranty your obligations under the Franchise Agreement. Our current form of Franchisee Owner’s Guaranty is attached to the Franchise Agreement as Schedule F.

ITEM 18. PUBLIC FIGURES

We do not use any public figure to promote our franchises at this time.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned Travel Businesses, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing Travel Business you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following table illustrates projections based upon historical data for annual bookings, departed revenue and gross revenues as well as projected cost of revenues (selling expenses payable to us and to your consultants). The columns of numbers represent potential amounts at the various sales levels attained based upon the year of operation.

Beginning March 13, 2020, in consideration of Covid-19 pandemic limitations, cruise lines announced the suspension of all sailings and various countries implemented travel restrictions and protocols, dramatically reducing the volume of leisure travel. Travel restrictions and protocols, reduced sailings and the reduction in volume of leisure travel remained through 2021 and continued into 2022. At the end of 2022 all pandemic related restrictions were lifted and the disclosures below reflect the uptick in travel as the industry returned to normal in 2023. As Travel Businesses are typically paid commissions for departed or completed travel, revenues subsequent to the suspension of sailings and implementation of travel restrictions and protocols were minimal, which is not typical of the historical Financial Performance Representations.

These projection levels are based on historical data and results from 2011 through 2019 and in publicly available financial reports filed with the U.S. Securities and Exchange Commission by a number of major North American cruise line operators, including Carnival Corporation & plc, Royal Caribbean Group and

Norwegian Cruise Line Holdings Ltd., each stating that cruise industry activity has now materially returned to pre-Covid-19 pandemic levels. (As a result, we assume the performance of Travel Businesses will reflect that improvement.). This assumption is further supported by the Mature Store booking performance in 2023.

These figures are estimates of the sales and revenues levels that may be achieved. Your individual results may differ. Reaching these levels of sales and revenues depends entirely on your ability to implement our marketing and operational systems, to develop a cruise-focused sales team, and to make connections in your community.

These projection levels are based on the operations of Travel Business franchises as entered into CruiseDesk® by franchisees. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request. All amounts are in United States dollars.

The assumptions as to the average booking value and, consequently, the number of bookings needed to achieve these revenue levels are based on historical data. **Some franchises have achieved these revenue levels but there is no assurance you will do as well, your individual results may differ.** Expenses payable to us are as disclosed.

Annual Sales and Net Revenue

The following tables present amounts at various levels of performance for Mature Stores during 2019 and stores in the each of their first three years of operations. (Similar metrics using 2023 performance are set forth in the table that follows under the caption “2023 Annual Sales and Net Revenues” and those metrics reflect operations during calendar year 2023 when the travel industry has materially returned to pre-Covid-19 pandemic levels. Net revenue is the amount of revenue, after deducting directly associated costs, that is available to fund operating expenses, service financing if applicable, or for other uses as you determine. Operating expenses are presented following these tables and associated notes.

NOTES AND ASSUMPTIONS – ANNUAL SALES AND NET REVENUE

- (1) Amounts presented for a “Mature Store” franchise operations are projected based upon the historical performance for the year of 2019 of Expedia Cruises® franchises that had been open for at least 4 full years prior to 2019, being franchises opened in 2014 and earlier. For purposes of these projections, performance of Canadian franchises has been converted to United States dollars at the average foreign exchange rate for the period 2011 to 2019. “USA” includes franchises opened in the USA, and “North America” includes franchises opened in the USA and Canada. Franchises that were operated as a Competing Travel Business prior to becoming an Expedia Cruises® franchise, Franchises not operated from a commercial storefront and Travel Businesses owned by the Franchisor and CII are also excluded, as is one franchisee that was operated with an atypically high cost base, as their results are not typical of the type of Travel Business that you will operate.
- (2) Amounts presented for the first, second and third years of a franchise's operations are projected based upon the historical performance of Expedia Cruises® franchises that have opened since January 1, 2010. These projections are based on franchises that are typical of the type of Travel Business that you will operate. As such, new franchises opened by existing franchisees are not included in these projections, as these franchises typically perform to a higher level than experienced by a new franchisee. For purposes of these projections, we also excluded 9 franchises with atypical results that did not recruit a minimal number of productive Consultants and did not offset the resultant lower Consultant sales through a higher level of Franchise owner sales. (However, we did provide historical performance information on these 9 franchises in note 11 below). Additionally, franchises that were operated as a Competing Travel Business prior to becoming an Expedia Cruises® franchise and franchises not operated from a commercial storefront are also excluded, as is one franchise that was operated with an atypically high cost base, as their results are not typical of the type of Travel Business that you will operate.
- (3) Number of Consultants During the Year is the average number of Consultants retained throughout the year. “Low” results are projected based upon the 25th percentile, being the performance of the individual franchise that is higher than 25% of the other franchises. “Medium” results are based on the average performance of franchises. “High” results are projected based upon the 75th percentile, being the performance of the individual franchise that is higher than 75% of the other franchises. “Upper” results are projected based upon the 90th percentile while for the USA Mature Stores, where there are fourteen franchises in this group, results are projected based on the average of the highest two franchises.
- (4) Total Bookings is the commissionable fare from travel booked with Approved Travel Suppliers during the period, and excludes taxes and other non-commissionable items. “Low” results are projected based upon the 25th percentile, being the performance of the individual franchise that is higher than 25% of the other franchises. “Medium” results are based on the average performance of franchises. “High” results are projected based upon the 75th percentile, being the performance of the individual franchise that is higher than 75% of the other franchises. “Upper” results are projected based upon the 90th percentile while for the USA Mature Stores, where there are six franchises in this group, results are projected based on the average of the highest two franchises. The 2019 average Total Bookings of all North America “Mature Store” franchises (excluding Travel Businesses owned by the Franchisor) was \$3,476,895 (\$4,316,019 including taxes and other non-commissionable items) with 54 of the 146 mature franchises attaining this volume. The median of these Total Bookings was \$2,804,488 (\$3,478,300 including taxes and other non-commissionable items) with the highest being \$13,965,750 (\$22,137,545 including taxes and other non-commissionable items) and the lowest being \$578,082 (\$761,483 including taxes and other non-commissionable items).

Bookings Supplemental Information:

	<u>USA</u>	<u>USA high performer</u>
<u>Average Booking Value</u> ⁽ⁱ⁾	\$ 2,532	\$ 2,862

- (i) Average Booking Value is the commissionable fare per booking from travel booked with Approved Travel Suppliers, excluding taxes and other non-commissionable items. Average Booking Value is based upon the 2019 historical performance of franchises. Franchises that were operated as a Competing Travel Business prior to becoming an Expedia Cruises® franchise, Franchises not operated from a commercial storefront and Travel Businesses owned by the Franchisor and CII are excluded as their results are not typical of the type of Travel Business that you will operate. “USA high performer” results are based upon the 75th percentile, being the average booking value of the individual franchise that is higher than 75% of the franchises.
- (5) Total Departed Revenue is the commissionable fare from travel bookings with Approved Travel Suppliers that departed during the period and excludes taxes and other non-commissionable items. “Low” results are projected based upon the 25th percentile, being the performance of the individual franchise that is higher than 25% of the other franchises. “Medium” results are based on the average performance of franchises. “High” results are projected based upon the 75th percentile, being the performance of the individual franchise that is higher than 75% of the other franchises. “Upper” results for North America are projected based upon the 90th percentile while for the USA Mature Stores, where there are fourteen franchises in this group, results are projected based on the average of the highest two franchises.
- (6) Commission Rate is projected based upon the average commission rate earned by all franchises in the respective USA or North America “Low”, “Medium”, “High” or “Upper” population, as applicable, expressed as a percentage of Total Departed Revenue.
- (7) Gross Revenue is the product of Total Departed Revenue multiplied by the Commission Rate.
- (8) Commission Rate Paid to your Consultants is projected based upon the average percentage rate paid by all franchises on sales made by EC Travel Consultants in the respective USA or North America “Low”, “Medium”, “High” or “Upper” population, as applicable, expressed as a percentage of Gross Revenue. You will retain 100% of Gross Revenues from sales you make as Franchise owner, subject to applicable fees. The percentage rate of your Commissions Paid to your Consultants may vary significantly from the amounts presented depending upon the productivity of your Consultants. Consultants generating Gross Revenues of more than \$20,000 (approximately \$165,000 of Departed Revenue) will typically be paid at a higher percentage rate.
- (9) Commission Paid to your Consultants is the product of Gross Revenue multiplied by the Commission Rate. Gross Revenue from sales you make as Franchise owner are excluded from this calculation as you will retain 100% of these Gross Revenues. Gross Revenue from sales you make as Franchise owner, which are excluded from the calculation of Commission Paid to your Consultants, is calculated as the product of Total Departed Revenue multiplied by the Commission Rate. The following table sets out the projected Franchise Owner Total Departed Revenue generated from Franchise owner sales:

	<u>Mature USA</u>	<u>Mature North America</u>	<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>
Low	\$ 150,000	\$ 180,000	\$ 75,000	\$ 195,000	\$ 240,000
Medium	\$ 260,000	\$ 280,000	\$ 100,000	\$ 200,000	\$ 250,000

Upper	\$ 400,000	\$ 520,000	\$ 225,000	\$ 300,000	\$ 425,000

- (10) Service Fees are payable to us at a rate of 9% of Gross Revenue. Service Fees for USA Mature Stores in 2019 were 1.21% of Total Bookings (0.97% of Total Bookings including taxes and other non-commissionable items).

MIS Fees and Marketing Fees are payable to us at rates of 2% and 4% of Gross Revenues, respectively, up to an Annual Threshold Level, being the first \$200,000 of Gross Revenues in 2023. The fees presented in this Item 19 are based upon the 2023 Annual Threshold Level, with the maximum annual MIS and Marketing Fees totaling \$12,000. The Annual Threshold Level is subject to annual CPI adjustment in 2024 and thereafter. All Marketing Fees are contributed to the Marketing Fund.

- (11) The following table sets out the Net Revenues of the franchises in the respective populations that are the highest, lowest and median (“middle” result, being the performance of the individual franchise that is higher than 50% of the other franchises). Also presented are the average Net Revenues of the 9 franchises that we excluded from our projections because their performance was atypical (as set out in Note 2 above):

	<u>Mature USA</u>	<u>Mature North America</u>	<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>

Excluded franchises ⁽ⁱ⁾	-	-	\$10,300	\$28,500	\$41,300

- (i) We have excluded 9 franchises with atypical results that did not recruit a minimal number of productive Consultants and did not offset the resultant lower Consultant sales through a higher level of Franchise owner sales. We excluded franchises with first year performance of 4 or fewer Consultants that averaged monthly Total Bookings of \$2,000 unless the Franchise owner Total Bookings for the year were at least \$155,000.

NOTES AND ASSUMPTIONS – 2023 ANNUAL SALES AND NET REVENUE

- (1) Amounts presented for a “Mature Store” franchise operations are projected based upon the historical performance for the year of 2023 of Expedia Cruises® franchises that had been open for at least 4 full years prior to 2023, being franchises opened in 2018 and earlier. Franchises that were operated as a Competing Travel Business prior to becoming an Expedia Cruises® franchise, Franchises not operated from a commercial storefront are also excluded, as is one franchisee that was operated with an atypically high cost base, as their results are not typical of the type of Travel Business that you will operate.
- (2) Amounts presented for the first year of a franchise's operations are projected based upon the first year of performance of Expedia Cruises® franchises that completed their first year of operation during 2023 and were open throughout the year. As such, new franchises opened by existing franchisees are not included in these projections, as these franchises typically perform to a higher level than experienced by a new franchisee.
- (3) Number of Consultants During the Year is the average number of Consultants retained throughout the year. “Low” results are projected based upon the 25th percentile, being the performance of the individual franchise that is higher than 25% of the other franchises. “Medium” results are based on the average performance of franchises. “High” results are projected based upon the 75th percentile, being the performance of the individual franchise that is higher than 75% of the other franchises. “Upper” results are projected based upon the 90th percentile, being the performance of the individual franchise that is higher than 90% of the other franchises.
- (4) Total Bookings is the commissionable fare from travel booked with Approved Travel Suppliers during the period, and excludes taxes and other non-commissionable items. “Low” results are projected based upon the 25th percentile, being the performance of the individual franchise that is higher than 25% of the other franchises. “Medium” results are based on the average performance of franchises. “High” results are projected based upon the 75th percentile, being the performance of the individual franchise that is higher than 75% of the other franchises. “Upper” results are projected based upon the 90th percentile, being the performance of the individual franchise that is higher than 90% of the other franchises. The 2023 average Total Bookings of all USA “Mature Store” franchises (excluding Travel Businesses owned by the Franchisor) was \$3,879,674 (\$4,641,487 including taxes and other non-commissionable items) with 17 of the 50 mature franchises attaining this volume. NOTES AND ASSUMPTIONS – ANNUAL OPERATING COSTS

- (1) Projected Operating Costs illustrate typical annual costs during the first 4 years of operations. Operating Costs will vary depending upon many factors including local economic conditions; the size,

type and location of premises you occupy; and your preferences and abilities as an operator. Total Annual Operating Costs typically range between \$63,000 and \$126,000, based on the experience of roughly 80% of the franchisees used in our representative sample. Of the 20% of franchisees outside this range, roughly half of those were above and the other half were below the range.

- (2) Rent is based on premises that are typically 1,000 square feet and will vary depending on your local economic and real estate conditions, site selected and size of premises. Amounts presented do not include any rent that may be payable prior to opening. Premises costs include telephone, internet and utilities. Rent and premises costs will typically range between \$33,000 and \$50,000.
- (3) Projected based upon our recommended and required participation in Marketing Fund core programs and local marketing and promotional activities. Participation in the Platinum Marketing Program is required for 24+ months commencing at the opening of your Center. More details on this program are available in the Manual. Marketing and promotion costs will typically range between \$14,000 and \$34,000.
- (4) Office and courier includes office supplies, repairs and maintenance and courier costs.
- (5) Administration includes professional fees (accounting and legal), business licenses, and bank charges.
- (6) Education and Travel includes costs to attend the annual National Conference and one regional Franchisee meeting, with low range being for one attendee and high range two attendees.

ADDITIONAL ASSUMPTIONS

- A. These projections assume you act as manager of your center and do not receive a separate salary. They assume you only use commissioned sales agents (consultants) who are independent contractors and you do not hire any other employees to help you. If you need other individuals to staff your Center at certain times, your expenses may increase significantly because you may have to pay salaries and benefits to employees.
- B. We did not include any corporate or personal income tax expense.
- C. Operating costs are not illustrated to include any expenses for the lease/purchase of your equipment, depreciation, amortization, interest, or the repayment of debt. We anticipate every franchisee will fund its initial investment differently and, as a result, we cannot project how you would account for these items.
- D. The projections are based on economic and market conditions that existed in February 2020 with no consideration in any category for inflation related adjustments or weaknesses in general economic conditions.

1. Item 3 is amended to reflect that:

Neither the Franchisor nor any person identified in Item 2 of the disclosure document is subject to any current effective order of any national securities association or national securities exchange as defined in the Securities Exchange Act of 1934, U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

2. Item 17 is amended by the addition of the following language:

California Business and Professions Code Sections 20000 through 20043 provide you with rights concerning termination or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement requires binding arbitration. The arbitration will occur at our headquarters in Seattle, Washington, with the costs being borne equally by the Parties, although the arbitrator may award reimbursement of attorneys' fees and related costs to the prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires the application of the laws of Washington. This provision may be unenforceable under California Law.

You must sign a general release if you renew or transfer your franchise. California Corporations Code Sec. 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). California Business and Professions Code Sec. 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Section 31125 of the California Corporations Code requires us to give you a document approved by the Commissioner of Corporations before we ask you to consider a material modification of your existing business.

Section 31126 of the California Corporations Code applies to any transfer of a franchise subject to California law, including making any transfer forms reasonably available to the prospective transferee by email or hard copy within fifteen calendar days of receiving a written request; making the standards for approval of a transfer application "reasonably available" or otherwise communicating the standards within fifteen calendar days of receiving a written request; notifying a prospective transferee of the approval or rejection of a transfer application in writing by email, courier, or certified mail within sixty days of receiving a transfer application; and if rejected, providing the prospective transferee with written notice, including the reasons for the rejection, which reasons must be reasonable in consideration of all relevant circumstances.

3. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

4. As to any state law described in this Addendum that declares void or unenforceable any provision contained in the Franchise Agreement, we reserve the right to challenge the enforceability of the state law by, among other things, bringing an appropriate legal action or by raising the claim in a legal action or arbitration that you have initiated.

DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON**

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

The undersigned does hereby acknowledge receipt of this addendum.

Dated this _____ day of _____, 20_____.

**ADDENDUM TO EXPEDIA CRUISES®
DISCLOSURE DOCUMENT
FOR THE COMMONWEALTH OF MASSACHUSETTS**

The EC Travel Business model contemplates the franchisee's engagement of independent travel agents to sell Travel Products and Services for the franchisee. These agents are treated as independent contractors for purposes of tax and employment laws, however, Massachusetts has adopted a law (M.G.L. c. 149, s. 148B) which applies a three part test to determine the classification of employees and independent contractors. The three prongs of the test are: (1) freedom of the individual from control and direction in connection with the performance of the service; (2) the services performed are outside the usual course of business of the employer; (3) the individual is customarily engaged in an independently established trade, occupation, profession or business of the same nature as that involved in the service performed. It is possible that a state agency or court could rely on this law to assert a misclassification claim against a franchisee that EC independent contractors are misclassified and instead should be considered employees. If that occurs, the franchisee may be subject to civil and criminal penalties for violations of wage and hour laws or other labor and employment laws. You should show this franchise disclosure document to your legal advisor and discuss the franchise business model and use of independent contractors with him or her.

1. GRANT OF FRANCHISE

1.1 Grant of Franchise

Subject to all of the terms, conditions and provisions of this Agreement, we grant you the right to establish one Center in the Market Area at and through which you will operate a Travel Business in accordance with this Agreement and our System Standards, and advertise, promote, market and provide “**Approved Travel Products and Services.**” Except with respect to your engaging “**Authorized Independent Contractors**” pursuant to our form of Independent Contractor Agreements, the foregoing grant and the consideration therefore does not confer on you any right to license any other Persons the right to use the System, the Marks, to operate a Travel Business or to otherwise offer or sell Approved Travel Products and Services to the public.

1.2 Rights We Reserve

Subject to the limitations otherwise set forth in this Agreement, we retain the absolute right to:

- (a) operate, establish or grant Franchises for other Travel Businesses anywhere on such terms and conditions as we deem appropriate;
- (b) operate, or grant others the right to operate, businesses selling travel-related products or services, including a Competing Business, using the Marks or other trademarks or service marks under terms and conditions as we deem appropriate;
- (c) operate, and grant others the right to operate, businesses that do not use any of the Marks; and
- (d) market, provide, offer and sell Travel Products and Services (including through online access) using the Marks or other trade names or service marks.

1.3 Performance

You will at all times faithfully, honestly and diligently perform your obligations, continuously exert your best efforts to advertise, promote, market and sell the Approved Travel Products and Services at and through the Center, and promote and enhance the System and the Marks. You will not engage in any other business or activity that conflicts with your obligations as a Franchisee under this Agreement.

1.4 Location

You will establish a Center in the geographic market area (the “**Market Area**”) described in Schedule A to this Agreement from which you will operate your Travel Business. You are responsible for locating the site of the Center within the Market Area (the “**Location**”), provided, however, you must first submit the Location to us for our approval. We will either approve or reject the Location in writing in our reasonable discretion. We reserve the right not to approve a location based on factors including but not limited to proximity to the border of the Market Area or proximity to another Center. We expressly disclaim making, and you acknowledge that you have not received any warranty, guarantee, expressed or implied, as to the potential volume, profits or success of the Center. You may not, without our prior written consent, operate your Travel Business from any location other than the Location approved by us. You may not sublet the Center or any portion of your Location without our prior written approval.

1.5 Limited Exclusivity

As long as you and your Affiliates are not in default, after any and all applicable grace, notice and/or cure periods, under this Agreement, we will not open a Travel Business or award any future Expedia Cruises® franchisee the right to open a Travel Business within the Market Area.

2. TERM; ADDITIONAL TERM

2.1 Term

The term of this Agreement is 10 years, commencing on the Effective Date (the “**Term**”). If this Agreement has been entered into as a result of a Transfer of the Travel Business or as an Additional Term Franchise, the term of this Agreement is 5 years, commencing on the Effective Date.

2.2 Additional Term

If you (and each of your Owners) have complied with all of your obligations under this Agreement during the Term, are in compliance at the expiration of the Term and, in addition, you meet the terms and conditions set forth below, then upon expiration of the Term, we will grant you a Franchise for an additional 5-year period on the terms and conditions of our then-current franchise agreement (a “**Additional Term Franchise**”), which may or may not include the right to be granted subsequent terms thereafter.

2.3 Terms and Conditions for Additional Term

In order for us to consider granting you an Additional Term Franchise, you (or your Owners if you are a Business Entity) must meet all of the following terms and conditions to our satisfaction:

- (a) you are current on all of your monetary obligations under this Agreement and are in compliance with all of your non-monetary obligations under this Agreement;
- (b) you agree to execute our then-current franchise agreement and any ancillary agreements we are then customarily using in connection with the grant of Franchises (modified to be consistent with this Article 3);
- (c) you agree to execute general release, in a form satisfactory to us, of any and all claims against us and our partners, officers, directors, employees, agents, successors, assigns and Affiliates. Failure by you or your Owners to sign such agreements and releases and deliver them to us for acceptance and execution within 60 days after their delivery to you will be deemed an election not to acquire an Additional Term Franchise;
- (d) you make all changes we deem necessary to bring the Center into compliance with the then-current System Standards at your own cost, including updating all signage, décor, furnishings, computer software, hardware and other equipment, prior to the expiration of the Term of this Agreement;
- (e) you complete to our satisfaction any new training and refresher programs as we may reasonably require. You are responsible for travel, living and compensation costs of attendees;
- (f) you remit to us the Additional Term Franchise Fee via EFT at the time of execution of the Additional Term Franchise;
- (g) you have complied with the terms and conditions of this Agreement and have not received three or more notices of breach under any of the termination provisions set forth in Section 18.02

during the Term, including but not limited to defaults relating to use of the Marks, disparagement, and failure to make payments of any amounts due to us;

(h) you continue to comply with all of the terms and conditions of this Agreement through the date of its expiration;

(i) you have not, in our opinion, adversely interfered with or prejudiced our relationships with our Approved Travel Suppliers;

(j) you have not taken any action that we deem to be materially adverse to the reputation of the System or the Marks; and

(k) your Market Area is sufficiently serviced. Your Market Area may be determined to be insufficiently serviced if your average annual Gross Revenue for the final two years of your Term and for the final year of your Term is less than \$9.00 (subject to annual CPI Adjustment) per Targeted Household in your Market Area.

(l) Alternatively, if your Market Area is determined to be insufficiently serviced in accordance with Section 3.03 (k), before granting an Additional Term Franchise we may make adjustments to your Market Area, which may include a reduction in the number of Targeted Households.

2.4 Procedure for Additional Term Franchise

(a) Election Notice. You will give us written notice of your election (the “**Election Notice**”) to acquire an Additional Term Franchise at least 180 days before the expiration of the Term.

(b) Response Notice. We agree to give you written notice of our decision (the “**Response Notice**”), within 60 days after we receive the Election Notice. The Response Notice will inform you of our decision to:

(i) grant you an Additional Term Franchise;

(ii) grant you conditional approval for an Additional Term Franchise (“**Conditional Approval**”), subject to Sections 3.04(c) and 3.05 below; or

(iii) not grant you an Additional Term Franchise based on our determination that you and your Owners have not substantially complied with this Agreement during the Term.

(c) Conditional Approval. If applicable, the Response Notice may contain certain conditions for an Additional Term Franchise that you are required to fulfill in order to bring your Travel Business in compliance with then-current System Standards, and the timeframe to comply with such conditions. Such conditions may include, but are not limited to adjustments to your Market Area in accordance with Section 3.03(1) above and correcting deficiencies of your Travel Business, or in your operation of your Travel Business.

2.5 Extension of Term Pending Award of Additional Term Franchise

In the event that we grant you a Conditional Approval, we may extend this Agreement on a month to month basis for such period of time as is necessary, but in no event more than twelve (12) months, in order to provide you with reasonable time to correct deficiencies or comply with the conditions of Section 3.04(c) above; provided, however, that we may alter the material terms of this Agreement as part of our Conditional Approval, including, among other things, reconfiguring the Market Area, rescinding

modifications or amendments to this Agreement previously negotiated, or discontinuing allowances or privileges that are inconsistent with terms of our then-current Franchise Agreement. If we grant you an Additional Term Franchise after the Term of this Agreement has expired, but we have extended the Agreement on a month to month basis following that expiration date, then the Term of the Additional Term Franchise shall be deemed to have commenced on the day following the expiration of the prior Term and will run for a period of five (5) years from that date.

3. APPROVED TRAVEL PRODUCTS AND SERVICES; APPROVED TRAVEL SUPPLIERS

3.1 Approved Travel Products and Services

We will identify in the Manual or in CruiseDesk® the Travel Products and Services we have approved (collectively, the “**Approved Travel Products and Services**”). You will not offer, sell or otherwise use any products or services through your Travel Business other than the Approved Travel Products and Services. We will also identify Travel Products and Services that specifically are not approved and which you may only offer, sell or otherwise use with our express written consent. We, in our sole discretion, may change, add to or remove products, supplies or any other type of item or service included as Approved Travel Products and Services or as non-approved Travel Products and Services as we deem necessary, from time to time. You will immediately adopt all changes we make to the Approved Travel Products and Services and related services.

3.2 Approved Travel Suppliers

The Manual and/or CruiseDesk® will identify the suppliers that we have approved (“**Approved Travel Suppliers**”) and you will obtain all Approved Travel Products and Services solely from Approved Travel Suppliers. We will also identify travel suppliers that specifically are not approved and whose travel products and services you may only offer, sell or otherwise use with our express written consent. We may negotiate agreements with Approved Travel Suppliers and we may receive rebates or other consideration from such Approved Travel Suppliers.

3.3 Changes to Approved Travel Suppliers

Whether or not we designate a supplier as an Approved Travel Supplier and its Travel Products and Services approved will be based on meeting the quality standards that we establish from time to time, including quality of its products or services, delivery capabilities, financial terms and ability to service our franchise system as a whole. We may withhold approval of any Approved Travel Products and Services or any Approved Travel Supplier that does not meet our quality standards by giving you written notice (which notice may be delivered via electronic mail). If we do so, you will stop purchasing, selling or otherwise using such products and services in your Travel Business immediately and from then on until we notify you that such supplier or such products and services meet our quality standards.

4. OPENING AND OPERATING YOUR TRAVEL BUSINESS

4.1 Requirements to Open and Operate Your Travel Business

You will not begin operating your Travel Business until:

- (a) you (or if you are a Business Entity, one of your Owners) have completed Training to our satisfaction;
- (b) the Initial Franchise Fee and all other amounts then due to us have been paid;

(c) you have furnished to us copies of all insurance policies required under this Agreement, or such other evidence of insurance coverage and payment of premiums as we request or accept; and

(d) you have demonstrated to our reasonable satisfaction that you have secured the financing necessary to establish the Center and operate your Travel Business.

You will not open your Center to the public until:

(e) you have satisfied all the requirements under Sections 5.03 and 5.04 regarding the Lease and build-out of the Location; and

(f) we have delivered to you our written certification of operational readiness of your Travel Business and the Center ("**Certification of Operational Readiness**"), which may be conditioned upon your compliance with all applicable laws, System Standards and the terms, provisions and conditions of this Agreement. You must open the Center and begin operating your Travel Business within two days after the date indicated on the Certification of Operational Readiness (such date referred to herein as the "**Opening Date**").

4.2 Operation From a Center

The Travel Business shall be operated from a single Center at a fixed Location open to the public and only at and from that Center. You must satisfy your requirements to open your Travel Business, obtain your Certification of Operational Readiness and open the Center within nine months of the Effective Date, and you must continuously staff the Center with qualified trained employees and Authorized Independent Contractors in accordance with the Manual and the terms of your Lease.

Commencing 12 months from the Effective Date, we retain the right to charge you \$500 per month from your designated Account if you have not obtained your Certification of Operational Readiness and opened your Center to the public (an "**Overdue Center Opening Fee**").

4.3 Center Location and Lease

Within four months after the Effective Date, you must locate a retail storefront site suitable for the Center Location (as we may reasonably determine) and negotiate the Lease for the Center, subject to our prior approval. We reserve the right not to approve a location based on factors including but not limited to proximity to the border of the Market Area or proximity to another Center. You may not execute any lease, sublease or purchase contract or any modification thereof without our approval. The Lease must require that the premises be used only for the operation of a Center and must grant us the right (but not the obligation) to take possession of the Center, to assume the Lease, and to assign it to another Franchisee in the event of the expiration or termination of this Agreement or a threatened termination of the Lease as a result of your breach of the Lease. To effect the foregoing requirements, you and the Center landlord must include and incorporate into the Lease the form of Lease Addendum attached hereto as Schedule C or, in the alternative, include the terms and provisions of the Lease Addendum in the Lease itself. Our approval of the Lease and our agreement as to the Location is merely an indication that we find the Location acceptable and is not, nor is it intended in any way to be, a guaranty or warranty of the success of your Travel Business or the Center. You must deliver to us a fully executed copy of the Lease and the Lease Addendum (unless we otherwise waive this requirement). In order to assist you with the foregoing Location requirements, we will:

(a) review and approve your proposed site for the location of the Center within the Market Area, based on criteria, including, without limitation, location of the customer base, population and any available traffic patterns in the area, transportation infrastructure, local licensing and permit requirements, applicable building by-laws and building codes, local government approvals, visibility, competition and size; provided, however, that by our approval of a proposed site (or any Lease related thereto), we make no guaranty or warranty of the feasibility of the terms of any Lease or the success of the Center or your Travel Business; and

(b) provide you with graphic standards, including prototypical design plans for the layout of a Center, showing furniture placement and facilities with color coordination scheme and advise as to the particulars and specifications of office furniture, equipment and supplies to be used in the operation of the Center.

4.4 Center Construction or Build-Out

You will purchase all furniture, fixtures, signage, merchandising, equipment and tenant improvements in accordance with the specifications, design and layout included in the System Standards and from certain Approved Vendors. Before commencing any construction of the Center or undertaking any leasehold improvements at the Location, you must comply, at your own expense, with all of the following requirements:

(a) you must employ a qualified general contractor or such other qualified person for the purposes of implementing the construction and build-out of the Center in accordance with our design plan and ensuring the completion of all leasehold improvements; and

(b) you must obtain all business licenses, permits and certifications required for the lawful construction and ongoing operation of the Center (including, without limitation, zoning, access, variances, health and safety, sign and fire requirements) and must certify in writing to us that all such licenses, permits and certifications have been obtained.

4.5 Additional Pre-Opening Assistance

Prior to opening your Travel Business, we will:

(a) advise you on obtaining a license or registration to sell Approved Travel Products and Services with any applicable regulatory authority; provided, however we make no representation that any required licenses or registrations will be obtained;

(b) provide you with an initial supply of stationery and promotional materials;

(c) provide to you access to CruiseDesk[®] and other Proprietary Software related thereto on the terms and conditions described in Article 13;

(d) provide you with Training as described in Section 8.01; and

4.6 Operation of the Center

In operating the Center, you will:

- (a) ensure that the operation of the Center is at all times under the direct, on-premises control by you or by one of your employees or consultants whom we have approved to manage your Center, based on the criteria and limitations outlined in the Manual, as amended from time-to-time. You will at all times keep us informed of the person(s) managing the day-to-day operation of the Center;
- (b) operate the Travel Business and the Center in accordance with the System Standards (as further described in Section 12.02), use the Center only for the operation of a Travel Business and for no other purpose, and redecorate, repair and restore the Center when required to comply with System Standards;
- (c) maintain the interior and exterior of the Center in a sound, clean and attractive condition;
- (d) maintain the standards of the System in accordance with the specifications we provide;
- (e) not alter, modify or otherwise change, add to or delete from any portion of the System, the Marks, or the Approved Travel Products and Services;
- (f) purchase all furniture, fixtures, equipment and tenant improvements in accordance with the specifications, design and layout included in the System Standards and from certain Approved Vendors;
- (g) ensure all email communications relating to the Travel Business will be sent through CruiseDesk® or through your @expediacruzises.com email account;
- (h) ensure that a customer invoice is created through CruiseDesk® and delivered to the customer for all sales and cancellations conducted through your Travel Business;
- (i) recruit, hire, supervise and maintain at all times a sufficient number of trained employees or consultants to service the customers of the Center in accordance with the System Standards and ensure that all employees and consultants servicing customers of the Center are efficient, competent, sober and courteous and meet every requirement imposed by applicable laws with respect to the offer and sale of any products and services through the Center or your Travel Business;
- (j) cause all of your employees or consultants, while engaged in the operation of the Center, to present a neat and clean appearance and render competent and courteous service to the customers of the Center;
- (k) use, publish or display in connection with the Center only those signs, advertising or other materials we have approved in accordance with System Standards;
- (l) if requested, use only branded marketing collateral, promotional items and other like articles which comply with the specifications established under the System Standards;
- (m) use only those methods of data processing we have designated;
- (n) operate the Center only under the name “Expedia Cruises®” without any accompanying words or symbols of any nature unless written notice is delivered to you of an alternate operating name and, on receiving notice of such alternate name, you will cause all necessary changes in identification we have requested to be implemented within the time specified in the notice and at your expense;

(o) not permit any vending machines, entertainment devices and products not included in the System or consistent with the System Standards to be sold, displayed or used in the Center unless we have first consented in writing;

(p) make prompt payment in accordance with the terms of invoices rendered to you for the purchase of all furniture, fixtures, equipment, leasehold improvement and supplies;

(q) secure and maintain in force all required licenses, permits and certificates relating to the operation of the Center and operate the Center in full compliance with all applicable laws and regulations, including, without limitation, all governmental regulations relating to occupational hazards and health, safety, workers' compensation insurance, health and welfare plans, employment insurance, withholding and payment of federal state and local income taxes, goods and services taxes and sales taxes, and applicable consumer protection and travel industry regulations;

(r) not commence construction or build out of the Center until we have first reviewed and approved in writing the design for the Center;

(s) not negotiate directly with Approved Travel Suppliers of any Approved Travel Products and Services, unless we otherwise first consent to such negotiation in writing;

(t) purchase goods and services that are of a standard and of a quality consistent with the System Standards;

(u) advise Approved Travel Suppliers, contractors and all others with whom you deal that you are an independent contractor, that all debts you incur are for your own account only, and not on our account, and, if applicable, that your officers and directors are not our officers or directors;

(v) faithfully observe and perform in a timely fashion, all covenants required under the Lease for the Center premises;

(w) not, without the prior consent of the relevant contractor or employer, knowingly contract or employ or seek to contract or employ any person who is at the time employed by or under contract with us or one of our subsidiaries or Affiliates, or by any person who is at the time operating a Center or a Travel Business under our Marks, or otherwise directly or indirectly induce any person described above to leave his or her employment or not renew his or her contract;

(x) maintain an inventory of advertising materials and supplies sufficient to satisfy customer demand;

(y) pay the salary of any agent or employee of ours or our Affiliates or subsidiaries who works at the Center and performs services which would otherwise have to be performed by a regular employee or Authorized Independent Contractor of yours and, in addition, pay the out-of-pocket expenses including transportation, lodging and food of such agent or employee; and

(z) pay the salaries and related expenses of your employees or consultants who are temporarily engaged as part of an on-the-job training program at a Travel Business, which may be owned by CII or a Franchisee.

4.7 Relocation of the Center

If you need or decide to relocate the Center because of condemnation, destruction, or expiration or cancellation of your Lease for reasons other than a breach of your Lease, we will grant you authority to do so to a new site that is reasonably comparable to your existing Location, that is acceptable to us and is within your Market Area; provided that:

(a) the new Center is ready to open and operate in conjunction with the move from the original Location and is constructed in accordance with our then-current standards, including satisfaction of all the requirements and obtaining the necessary approvals under Sections 5.03 and 5.04 in particular our written approval of the Location, the Lease and the build-out of the Location and also that you may not execute any lease, sublease or purchase contract or any modification thereof without our prior written approval;

(b) you have received from us a Certification of Operational Readiness;

(c) your Travel Business is kept open and operating during any relocation. You do not have the right to relocate the Center in the event you lose the right to occupy the Center premises because of the cancellation of your Lease due to your breach, such Lease cancellation being grounds for immediate termination under Section 18.02(f); and

(d) you pay us the Site Relocation Fee.

5. ONGOING ASSISTANCE

5.1 General Assistance

As long as you are not in default of this Agreement or any other agreement with us, we will generally assist you with respect to:

(a) System Standards, specifications and operating procedures and methods utilized by Travel Businesses;

(b) use of CruiseDesk®;

(c) current lists of Approved Travel Suppliers, Approved Travel Products and Services, and those suppliers and Travel Products and Services that are not approved;

(d) advertising and marketing programs and related materials;

(e) Improvements to the System, if any; and

(f) administrative, bookkeeping and accounting procedures.

Such general assistance will be provided in CruiseDesk®, in the Manual, in bulletins and similar postings or communication, in other written materials or during telephone or field consultations.

5.2 Additional Assistance

At your request, we may furnish additional assistance as we deem appropriate. If we consider your requests for additional assistance to be excessive or unreasonable, we may refuse to provide such additional

assistance or we may charge you a reasonable fee for such additional assistance, including per diem charges and travel and living expenses for our personnel.

6. FEES

6.1 Initial Franchise Fee

At the time you sign this Agreement, you must pay us a nonrecurring initial franchise fee in the amount set forth in Schedule A (the “**Initial Franchise Fee**”). The Initial Franchise Fee is non-refundable and is fully earned by us when you sign this Agreement.

6.2 Service Fee

During the term of this Agreement, you will pay us a Service Fee as a percentage of Gross Revenues as set forth in Schedule A and in the manner set forth in Section 7.05 below. We may change the amount debited each month periodically based on the expected Gross Revenue you will earn. We will notify you prior to any change.

6.3 Management Information Systems Fee

During the term of this Agreement, you will pay us a monthly Management Information Systems fee (“**MIS Fee**”) as a percentage of Gross Revenues as set forth in Schedule A and in the manner set forth in Section 7.05 below. We may change the amount debited each month periodically based on the expected Gross Revenue you will earn. We will notify you prior to any change. The MIS Fee will be subject to annual CPI Adjustment (as described below in Section 7.07) based on the Consumer Price Index (“**CPI**”).

6.4 Marketing Fee

During the term of this Agreement, you will pay us a monthly Marketing Fee (the “**Marketing Fee**”) as a percentage of Gross Revenues as set forth in Schedule A, in the manner set forth in Section 7.05 below and as provided pursuant to Section 14.01 below. We may change the amount debited each month periodically based on the expected Gross Revenue you will earn. We will notify you prior to any change. The Marketing Fee will be subject to annual CPI Adjustment (as described below in Section 7.07).

6.5 Annual Reconciliation

At the end of each of your fiscal years during the term of this Agreement and any Additional Term Franchise Agreement or upon termination of this Agreement, we will reconcile the actual Service Fees, Management Information Systems Fees, and Marketing Fees earned and payable hereunder for the prior fiscal year (or portion of the prior fiscal year in the case of the termination of this Agreement) based on your actual Gross Revenues for that year (or portion thereof) and we will draft (or refund) by EFT the difference between the total Service Fees, Management Information Systems Fees, and Marketing Fees paid and the actual Service Fees, Management Information Systems Fees, and Marketing Fees earned and due for the year (or portion thereof). We will issue you an invoice for that difference.

6.6 Pre-Authorized Payments Through EFT

You will pay us all fees and any interest you owe us under the terms of this Agreement by way of electronic funds transfer (“**EFT**”) from a bank account you designate (the “**Account**”) pursuant to and in accordance with the terms of this Article 7. We retain the right to obtain payment for all Pre-authorized Payments and any other amounts you owe us by way of EFT. You will execute all bank documents and

other instruments necessary to permit the EFT from your Account to us. You will comply with the procedures we specify in the Manual and sign and deliver a Bank Authorization Agreement in the form attached hereto as Schedule D and such documents as may be necessary to accomplish EFT transactions. You will give us authorization, in a form that we designate, to initiate debit entries or credit entries to your Account. You will make funds available in the Account for withdrawal by EFT no later than the date the payments are due. If we determine at any time that you have under-reported or underpaid amounts due to us, we will be authorized to initiate a transfer from the Account the amount we reasonably believe is owed to us, plus applicable interest.

6.7 CPI Adjustment

Any of the recurring fixed fees you must pay under this Agreement are subject to a CPI Adjustment, based on the percentage increase, if any, in the CPI between January 1 of the then-current year and January 1 of the immediately prior year. Each adjustment will be made on July 1 based on the January index or adjustments may be made cumulatively on or prior to July 1 of any year in our absolute discretion. If we increase a given fee by less than the full CPI increase in a given year, we may carry the difference forward and add it to the allowable percentage increase for the following year. By way of example, if the CPI increases 5% and we implement only a 3% increase in the MIS Fee, we may carry the remaining 2% forward and add to the CPI increase in the following year, so that if the following year CPI is 2%, we may increase the MIS Fee by up to 4%.

6.8 Interest on Late Payments

All amounts you owe us will bear interest after their due date at the annual rate of 15% or the highest contract rate of interest permitted by law, whichever is less. You acknowledge that we are not required to accept any payments after the due date nor commit to extend credit to, or otherwise finance the operation of, your Travel Business. Your failure to pay all amounts when due constitutes grounds for termination of this Agreement.

6.9 Insufficient Funds Fee

We retain the right to charge you \$50 per occurrence of insufficient funds when we draft from your designated Account (an “**Insufficient Funds Fee**”).

6.10 Application of Payments

Notwithstanding any designation you might make, we have sole discretion to apply your payments to any amounts you owe us.

6.11 Payment Set-Offs

We may set-off from any amounts that we may owe you by any fees or amounts that you owe us, for any reason whatsoever, and any accrued interest thereon. Thus, payments that we make to you may be reduced, in our discretion, by amounts that you owe us from time to time. We will notify you monthly if we do so.

6.12 Discontinuance of Service

If you do not timely pay amounts due us under this Agreement, we may discontinue any services to you, without limiting any of our other rights in this Agreement.

7. TRAINING AND ASSISTANCE

7.1 Training

Before your Travel Business opens, we will furnish training on the operation of a Travel Business (the “**Training**”) as described in the Manual. You (or if you are a Business Entity, one of your Owners) must complete the Training to our satisfaction within nine months of the Effective Date. The person or persons who will participate in the Training are individually and collectively called the “**Trainees**.” The Training consists of the following components:

(a) Online Training: The Trainees will receive Online Training through a curriculum consisting of online and offline course modules, which typically include recorded webinars and videos, activities and practical exercises, and one on one sessions with a designated trainer (“**Online Training**”). Online Training consists of Consultant Certification which is part of International Cruise Academy, training and Franchisee Training. There is no additional charge for Online Training which is typically completed within 3.5 months.

(b) In-Person Training: The Trainees will receive 5 days of classroom training at one of our training facilities (“**In-Person Training**”). This In-Person Training is referred to as Cruise Management Academy (“CMA”) training. We will provide lunch meals and continental breakfast while on site. Hotel and transportation are at your cost. You are required to book your own transport and accommodation. You may bring up to two Trainees to In-Person Training for no charge and you may bring one additional trainee to In-Person Training for a \$495 fee but we will not provide private hotel accommodations or airfare for the additional trainee. Additional trainees may be required to sign a confidentiality agreement with us prior to attending the In-Person Training. In-Person Training is restricted to Franchisees, their spouses, and Center managers. As an alternative to classroom training at one of our training facilities, we may provide the In-Person Training through live, interactive online videoconferencing and will not provide any meals.

7.2 Additional Training

We may offer additional training, including periodic and refresher training courses at such times and locations that we designate (“**Additional Training**”). You are not required to participate in Additional Training but if you choose to do so, you will be responsible for any fees associated with the Additional Training (the “**Additional Training Fees**”) and any travel expenses you incur for the Additional Training. Some Additional Training may take place through internet-based training initiatives, which we will provide to you at no additional cost.

8. MARKS

8.1 Grant of License

We hereby grant to you a non-exclusive, non-transferable, non-assignable, royalty-free license to use in the United States (i) the Marks (other than the trademark “EXPEDIA[®]”) and (ii) the Combination Marks, in each case, solely in connection with your operation of a Franchise and the provision of services and products in the Travel Business to your customers. We will license the Marks to you and other franchisees for use only in accordance with the System Standards, the terms of which we may change at any time at our discretion, without notice to you and the operating standards and quality control specifications attendant thereto which underlie the goodwill associated with and symbolized by the Marks. We do not grant you the right to sub-license the Marks or Combination Marks (except pursuant to the Independent Contractor Agreement in the form provided through CruiseDesk[®]).

8.2 Ownership and Goodwill of Marks

Your right to use the Marks is derived solely from this Agreement and is limited to the operation of your Travel Business under this Agreement and the System Standards. Your usage of the Marks and any goodwill established by such use will be exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you (other than the right to operate your Travel Business in compliance with this Agreement and the System Standards). We may in the future develop, enhance or modify various aspects of the Marks as well as add new trademarks, trade names, service marks, trade dress, and other commercial symbols. All provisions of this Agreement applicable to the Marks will also apply to any additional proprietary trademarks, service marks, logos and commercial symbols we authorize you to use in your Travel Business. Any uses of the Marks (including the Combination Marks) as permitted herein must be in compliance with the Brand Standards, as may be amended from time to time, included as part of our Manual.

8.3 Limitations on Your Use of Marks

You will use the Marks as the sole identification of your Travel Business, except that you will identify yourself as an independent operator of the Travel Business in the manner we prescribe in the Manual or otherwise. You may not use any Mark: (i) as part of any corporate or legal business name (although you may use the Combination Mark as a fictitious (d/b/a) name in the manner we prescribe in the Manual or otherwise); or (ii) as part of any social media profiles or pages, e-mail addresses, URLs or website addresses; or (iii) with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we license to you); or (iv) in any modified form, including whereby any characters or symbols within the Marks are reversed, replaced, removed or inserted, nor may you use any Mark in connection with the performance or sale of any unauthorized services or products; or (v) in any other manner we have not expressly authorized in writing. No Mark may be used in any advertising concerning the transfer, sale or other disposition of your Travel Business or an ownership interest in you.

You are not permitted to use the EXPEDIA[®] mark on its own or in combination with any other word except “CRUISES” (or “CRUCEROS”) or “CRUISESHIPCENTERS[®]” at any time in relation to your Travel Business. When using the Combination Mark, the EXPEDIA[®] mark must be of a prominence that is equal to or lesser than that of the word CRUISES (or CRUCEROS) or the CRUISESHIPCENTERS[®] mark, within the Combination Mark.

You will not manufacture, or cause to have manufactured, any promotional items having the Marks affixed or otherwise associated with in any way whatsoever, without our prior written approval. You will display the Marks prominently in the manner we require in connection with forms and marketing materials. You will give such notices of trade and service mark registrations as we specify and you will obtain any fictitious or assumed name registrations required under applicable law. Your unauthorized use of the Marks is a breach of this Agreement and an infringing use of the Marks.

8.4 Notification of Infringements and Claims

You will notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any Person of any rights in any Mark, and you will not communicate with any Person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, U.S. Patent and Trademark Office proceeding or any other administrative proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Mark. You will sign any and all instruments and documents, render such assistance and do such acts and things as, in our opinion, are deemed necessary or advisable to protect and maintain our interests in any litigation,

regulatory action or other administrative proceeding or otherwise to protect and maintain our interests in the Marks.

8.5 Discontinuance of Use of Marks

If it becomes advisable at any time in our sole discretion for us or you to modify or discontinue the use of any Mark or use one or more additional or substitute trade or service marks, you will comply with our directions within a reasonable time after receiving notice but in no event longer than thirty (30) days. We will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

We may in the future develop, enhance or modify various aspects of the System and System Standards and all references to this Agreement include the System and all System Standards as modified. We may from time to time develop or test prospective programs or aspects of the System in collaboration with individual Travel Businesses or a group of Travel Businesses, which may include Travel Businesses owned by us.

11.3 Management

You (or if you are a Business Entity, your controlling Owner(s)) will assume responsibility for the day-to-day management and operation of your Travel Business and the supervision of your personnel, if any. At all times of operation your Travel Business must be under the direct on-premises supervision of a controlling Owner or by one of your employees or consultants whom we have approved to manage your Center, based on the criteria and limitations outlined in the Manual, as amended from time-to-time. 11.6 No Disparagement

Neither you nor any of your Owners will publicly disparage us or our Affiliates or our officers, directors, employees, other Franchisees, Approved Travel Suppliers or Approved Vendors, except that this requirement will not apply to any statements or information required to be disclosed pursuant to any law or order of any court or government authority.

You must also comply with the terms of any licenses or sublicenses for any Additional Software.

12.3 No Reverse Engineering

You must not decompile or reverse engineer any executable code for CruiseDesk® or any Proprietary Software or Additional Software we provide (*e.g.*, to reveal the corresponding source code). Neither we nor our Affiliates are liable under any circumstances to you for any consequential, special, exemplary, indirect, incidental or collateral damages of any nature whatsoever in connection with any of the supplies or CruiseDesk®, Proprietary Software or Additional Software, or any other products, equipment or supplies you obtain from us or others and their design (including your right to use, delivery, installation and your use of them), the service and functions they perform (or fail to perform), and this agreement, whether by reason of imperfection or defect in them or in their performance, our (or any of our Affiliates) breach or otherwise, even if we (or our Affiliates) are advised of the possibility of such damages, regardless of whether they are based in tort or in contract.

13. MARKETING AND PROMOTION

13.1 Marketing Fund

In recognition of the value of advertising and marketing to the goodwill and public image of all Travel Businesses, we administer a system-wide marketing fund (the “**Marketing Fund**”) for such advertising, marketing and public relations programs and materials we deem necessary or appropriate in our sole discretion. We may consult with franchisees on a timely basis to obtain their input regarding the contents and type of advertising for which the Marketing Fund will be used. Franchisee input that is reasonable and in the best interest of all franchisees will be considered in the management of the Marketing Fund. You must contribute the Marketing Fee to the Marketing Fund on a monthly basis in the amount set forth on Schedule A. The Marketing Fee will be subject to an annual CPI Adjustment. We reserve the right to defer or reduce contributions of a Franchisee and, upon 30 days' prior written notice to you, to reduce or suspend contributions to and operations of the Marketing Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the Marketing Fund. If the Marketing Fund is terminated, all unspent monies on the date of termination will be distributed to our Franchisees in proportion to their

respective contributions to the Marketing Fund during the preceding 12-month period. We will contribute to the Marketing Fund on the same basis as Franchisees for any Travel Businesses owned and operated by us.

13.2 Management of Marketing Fund

We will direct all programs financed by the Marketing Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. We may use the Marketing Fund to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; supporting public relations, market research and other advertising, promotion and marketing activities.

13.3 Accounting for the Marketing Fund

We are not required to hold funds in the Marketing Fund in a separate account, although we will account for the funds in the Marketing Fund separately. We will not use the Marketing Fund to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Marketing Fund and its programs. We may spend, on behalf of the Marketing Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Travel Businesses to the Marketing Fund in that year, and the Marketing Fund may borrow from us or others to cover deficits or invest any surplus for future use. We will prepare a periodic statement of monies collected and costs incurred by the Marketing Fund and furnish the statement to you upon written request.

13.4 Marketing Fund Limitations

You acknowledge that the Marketing Fund is intended to maximize recognition of the Marks and patronage of Travel Businesses generally. Although we will endeavor to utilize the Marketing Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all Travel Businesses, we undertake no obligation to ensure that expenditures by the Marketing Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Marketing Fund by Travel Businesses operating in that geographic area or that any Travel Business will benefit directly or in proportion to its contribution to the Marketing Fund. Except as expressly provided in this Section 14.04, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the Marketing Fund and will not be held liable for any act or omission with respect to the Marketing Fund which is consistent with this agreement, the Manual or that which is done in good faith.

13.5 Local Marketing

You agree that any advertising, promotion and marketing you conduct will be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the promotion policies which we prescribe from time to time. You will submit to us samples of all advertising, promotional and marketing materials which we have not prepared or previously approved for approval before use. You must provide any non-approved advertising to us at least 5 days prior to the deadline for running the advertisement. Any advertising or promotional materials not approved by us within 3 days of receipt will be deemed disapproved. You may not use any advertising or promotional materials that we have disapproved. We will not approve any materials submitted to us with pricing that does not comply with Approved Travel Suppliers' policies.

13.6 Website and E-Commerce

We have the right to designate and control your use of all telephone and facsimile numbers for the Center, URLs, domain names, website addresses, metatags, links, key words, e-mail addresses, social media profiles and pages and any other means of electronic identification or origin (“**E-names**”) used in connection with your Travel Business. We also have the right to designate, approve, control or limit all aspects of your use of CruiseDesk® and any aspect of your Travel Business that you conduct over the Internet (“**E-commerce**”), including, use of e-names, e-mail, home pages, bulletin boards, chat rooms, linking, framing, on-line purchasing cooperatives, marketplaces, barter exchanges, and related technologies, methods, techniques, registrations, networking, and any electronic communication, commerce, computations, or any means of interactive electronic documents contained in a network of computers or similar devices linked by communications software or hardware. You must follow all of our policies and procedures, either contained in the Manual or communicated to you in any written form, for the use and regulation of e-commerce and for its use with CruiseDesk®. We may require that you provide graphical, photographic, written or other forms of artistic or literary content to us for use in e-commerce activities associated with the Marks or the System that we may designate. We may restrict your use of e-commerce to CruiseDesk®, Center Website, Consultant Websites or other form of e-commerce that we designate or operate. You will be bound by any terms of use, privacy policy and copyright notice and takedown policies and the like that we establish from time to time. You must coordinate your e-commerce activities with us, other Travel Businesses, suppliers and Affiliates, and participate in any intranet networks we develop. You acknowledge and agree that as between the Parties: (a) we hold all license rights in and to CruiseDesk® and any other websites and any e-names created or used in connection with the System or Travel Businesses; (b) we own all rights, title and interest in and to any and all data or other information collected via e-commerce related to the System or the Marks, including any customer data, click-stream data, cookies, user data, hits and the like; and (c) such data or other information also constitutes our Confidential Information.

14.ACCOUNTING; TRADE ACCOUNTS; REPORTS

14.1 Accounting System

You will establish and maintain at your own expense a bookkeeping, accounting and recordkeeping system conforming to the requirements and formats we prescribe from time to time. We may require you to use approved computer hardware and software in order to maintain certain sales data and other information including updating of the Manual and for communication purposes. You will provide us with access to such sales, marketing and related data and other information through CruiseDesk® at all times.

14.2 Accounting and Records

It is your responsibility to obtain accounting services and any required hardware or software related to them. At all times, you will maintain the books and records in accordance with the applicable laws and taxation requirements of your jurisdiction, including, without limitation, sales and expense information and Independent Contractor Agreements. To the extent we require support for accounting software used by you, such support will only be provided with respect to the accounting software then used by us in the operation of Travel Businesses.

14.3 Trade Accounts and Taxes

You will maintain your accounts with all Approved Travel Suppliers (collectively, your “**Trade Accounts**”) in a current status, timely transfer on or before the due date all customer payments, deposits and other customer funds to the appropriate Approved Travel Suppliers, and seek to resolve any disputes

involving your Trade Accounts promptly. You will pay all taxes incurred in connection with your Travel Business's operations in a timely manner. If you fail to maintain your Trade Accounts in a current status or fail to file or pay all taxes in a timely manner, you will be in default of this Agreement.

14.4 Reports

Upon request, within fifteen (15) days of such request, you will deliver to us a profit and loss statement and balance sheet covering the operations of your Center/Travel Business for the immediately preceding completed month, fiscal year-to-date, or other such period as may reasonably be requested, a statement of Gross Revenues in the form and containing the breakdown of the amounts comprising Gross Revenues as we may require, and any other evidence of operation of the Center during the period requested that we require. You will communicate electronically with us the Center/Travel Business's daily sales activity and other reports as we may request from time to time. You will allow us access to and advise us of all passwords and codes necessary to access your computer system. Our access will be limited to information prescribed in this agreement and the Manual as amended from time to time. Upon request, within fifteen (15) days of such request you will furnish to us other periodic reports and financial statements as we may reasonably require in the Manual or otherwise.

14.5 Financial Statements

You will submit to us within ninety (90) days after the end of each fiscal year complete financial statements in the format we prescribe, including a profit and loss statement covering the operations of the Center for that fiscal year and a balance sheet as at the end of the fiscal year, which financial statements will be reviewed by the external accountants of the Franchisee if requested by Franchisor.

14.6 Access and Disclosure of Information

You will verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data derived from such reports without identifying you or your Travel Business. We also have the right to review your records if we reasonably believe that the reports are incorrect. Moreover, we have the right as often as we deem appropriate (including on a daily basis) to access your CruiseDesk[®] and to retrieve all information relating to the operation of your Travel Business.

15. INSPECTIONS AND AUDITS

15.1 Our Right to Inspect

To determine whether you and your Travel Business are complying with this Agreement and all System Standards, we and our designated agents have the right at any time during your regular business hours, to:

- (a) inspect your Center and Travel Business;
- (b) observe and make photographs/digital images and audio and/or video recordings of the operations of your Center and Travel Business for such consecutive or intermittent periods as we deem necessary;
- (c) interview personnel and customers of your Travel Business;
- (d) interview and review records from Approved Travel Suppliers;

(e) inspect and copy any books, records and documents relating to your operation of your Travel Business;

(f) inspect and copy any promotional, advertising or other material that incorporates the Marks and that relates to the operation of your Travel Business;

(g) request information from government agencies that regulate your Travel Business for the purpose of confirming your status and standing to operate your Travel Business during the term of the Franchise Agreement (you must consent to allow state regulators to provide us such information by signing a consent, a form of which is attached as Schedule G); and

(h) pose as a customer or potential customer and to survey/observe your interactions with customers without notice to you.

You will cooperate with us fully in connection with any such inspections, observations, photographing, audio and video recording, product removal and interviews. You will present to your customers such evaluation forms that we periodically prescribe and to participate or request your customers to participate in any surveys performed by us or on our behalf. You will correct or repair any unsatisfactory conditions we specify within 5 days.

15.2 Our Right to Audit

We have the right at any time during your business hours, and without prior notice to you, to inspect and audit, or cause to be inspected and audited, the bookkeeping and accounting records, sales and income tax records and returns and other records of your Travel Business. You will cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. If our inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we require, or to furnish such items on a timely basis, or if the information is not accurate (meaning that your payments to us were deficient by 2% or more), or if we incur expenses in obtaining required information from regulatory agencies or other governmental authorities, you will reimburse us for the cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our personnel within 10 days of billing. You also must pay us any shortfall in the amounts you owe us, including late fees and interest, within 10 days of our notice, and we have the right to debit your Account for these amounts by way of an EFT. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law. Our right to audit will survive the termination or expiration of this Agreement.

16. TRANSFER

16.1 By Us

This Agreement is fully transferable by us and inures to the benefit of any transferee or other legal successor to our interests, as long as such transferee or successor agrees to be bound by, and assumes all of our continuing obligations under this Agreement.

16.2 By You

You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a Business Entity, to your Owner(s)) and that we have granted the Franchise to you in reliance upon our perceptions of the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of you or your Owner(s). Accordingly, you may not transfer or assign this Agreement (or any interest in it or any of the rights we grant you hereunder) nor any ownership or other

interest in you or your Travel Business without our prior written approval. Any transfer without our prior approval constitutes a breach of this Agreement and is void and of no effect.

16.3 Definition of a Transfer

As used in this Agreement, the term “**Transfer**” means a voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in: (a) this Agreement; (b) you; or (c) your Travel Business, including:

- (a) a transfer of ownership of capital stock or any partnership interest;
- (b) a merger or consolidation or issuance of additional securities or interests representing an ownership interest in you;
- (c) any issuance or sale of your stock or any security convertible into your stock;
- (d) any transfer of an interest in you, this Agreement or your Travel Business in a divorce, insolvency or corporate or partnership dissolution proceeding or otherwise by operation of law;
- (e) any transfer of an interest in you, this Agreement or your Travel Business, in the event of your death or the death of one of your Owners, by will, declaration of or transfer in trust or under the laws of intestate succession; or
- (f) any pledge of this Agreement (to someone other than us) or of an ownership interest in you as security, foreclosure upon your Travel Business, or your transfer, surrender or loss of possession, control or management of your Travel Business.

16.4 Conditions for Approval of Transfer

In connection with any proposed Transfer of this Agreement, any of the rights hereunder, or a controlling interest in you (or any series of Transfers which in the aggregate constitute the Transfer of this Agreement or a controlling interest in you), we require the following as conditions to our approval:

- (a) the transferee (or its direct and indirect owners, if it is a Business Entity) is of good character and has/have sufficient business experience, aptitude, financial resources and all necessary licenses required to operate a Travel Business and otherwise meets our then applicable standards for Franchisees (which include, if the transferee is an existing franchisee operating a different Travel Business, that the transferee is fully compliant with System Standards and in all other obligations to the Franchisor);
- (b) you have paid all amounts owed to us and to third-party creditors, have submitted all required reports and statements, and otherwise are in full compliance with this Agreement;
- (c) the material terms and conditions of such proposed Transfer are acceptable to us, including any draft and final versions of the proposed purchase and sale agreement, and we determine that the price and terms of payment will not adversely affect the ongoing operation of the Travel Business;
- (d) the transferee (or, if the transferee is a Business Entity, one or more of its controlling Owners and any of its employees or consultants whom we have approved to manage the Travel Business) agree(s) to complete the Franchisor’s required Training;
- (e) if the proposed Transfer is to a transferee who is not a current Owner, then such transferee has executed our then-current form of Franchise Agreement and related agreements and paid the

Transfer Fee, as applicable (and each of such transferee's owners has executed our Franchisee Owner's Guaranty if it is a Business Entity); provided, however, if such transferee is an existing franchisee operating a different Travel Business, the required Transfer Fee will be reduced by fifty percent (50%);

(f) if the proposed Transfer is to a transferee who is a current Owner and (i) the Transfer results in a change of control in you in favor of the transferee, then such transferee has paid the Transfer Fee; or (ii) the Transfer does not result in a change of control in you in favor of the transferee, then such transferee has paid the Document Administration Fee, and, in either case, has (or if such current Owner is a Business Entity, then its Owner(s) have/has) executed our Franchisee Owner's Guaranty;

(g) you have completed to our satisfaction the requirements under Section 5.01 of this Agreement, including but not limited to obtaining our Certification of Operational Readiness, and are currently operating your Center;

(h) you make all changes we deem necessary to bring the Center into compliance with the then-current System Standards, including updating all signage, décor, furnishings, computer software, hardware and other equipment, prior to the Transfer; or, alternatively, the transferee agrees to make such changes as we deem necessary in accordance with a specified timeline, prior to the Transfer, pursuant to our current form of Franchise Agreement to be entered into by the transferee or otherwise;

(i) you (and your transferring Owners if you are a Business Entity) execute a release, in a form satisfactory to us and our partners, officers, directors, employees and agents;

(j) if you (or your Owners if you are a Business Entity) finance any part of the sale price of the transferred interest, you (or your Owners if you are a Business Entity) agree that all of the transferee's obligations pursuant to any promissory notes, agreements or security interests that you (or your Owners) have reserved in your Travel Business are subordinate to the transferee's obligation to pay all fees and other amounts due to us and to operate the Travel Business in accordance with and otherwise in compliance with this Agreement, meaning, among other things: (x) that any payment by the transferee to you or your Owners is conditional upon the transferee first having paid in full when due all amounts then owed by the transferee to us or our Affiliates; and (y) in no event shall you take or be entitled to take any action to hinder or interfere with the operation of the Travel Business, enter the premises of the Center or attempt to retake or resume occupancy of the Travel Business or Location while a Dispute is threatened, pending or in the process of being resolved (although following the resolution of a Dispute in accordance with the procedures agreed upon for resolving Disputes, you may attempt to collect any money damages from the transferee awarded to you or to which you are entitled); and

(k) you (or your Owners if you are a Business Entity) agree to not directly or indirectly at any time or in any manner (except with respect to other Travel Businesses you are licensed to operate) identify yourself (or themselves) or any business as a current or former Travel Business, or as one of our Franchisees, use any Mark, any colorable imitation of a Mark, or other indicia of a Travel Business in any manner or for any purpose or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us.

In connection with any proposed Transfer of a non-controlling interest in you, we may require any or all of the foregoing as conditions to our approval, as applicable, except for the payment of a Transfer Fee pursuant to Section 17.04(e), in lieu of which, you must pay a Document Administration Fee. You also must pay the Document Administration Fee any time you take any other action that requires us to change existing contracts or prepare additional documents.

For the avoidance of doubt, in no case will we permit the Transfer of this Franchise Agreement as part of a sale of substantially all of the equity in or assets owned by you or your Travel Business. Instead, such acquirer of substantially all of the equity in or assets owned by you or your Travel Business will be required to sign our then-current form of Franchise Agreement to operate your Travel Business. If your Market Area is determined to be insufficiently serviced, this new Franchise Agreement signed by the acquirer may include an adjustment to your Market Area, which may include a reduction in the number of Targeted Households. Your Market Area may be determined to be insufficiently serviced if your average annual Gross Revenue for the final two years prior to the date of Transfer and for the final year prior to the date of Transfer are less than \$9.00 (subject to annual CPI Adjustment) per Targeted Household in your Market Area. Additionally, if an independent third-party geographic data analysis suggests that the Market Area granted to you could, at the time of the Transfer, support two or more viable Market Areas, we may make adjustments to the Market Area, which may include a reduction of the number of Targeted Households in the Market Area included in the Franchise Agreement the transferee will enter into.

16.5 Effect of Consent to Transfer

Our consent to a Transfer does not constitute (i) a representation as to the fairness of the terms of any contract between you (or your Owners if you are a Business Entity) and the transferee; (ii) a guarantee that the transferee will be successful in operating the Travel Business; or (iii) a waiver of any claims we may have against you (or your Owners if you are a Business Entity) or of our right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.

16.6 Transfer to a Business Entity

Notwithstanding the conditions for approval of a Transfer described above, if you are in full compliance with this Agreement, you may transfer this Agreement to a Business Entity that conducts no business other than your Travel Business and, if applicable, other Travel Businesses so long as you own, control and have the right to vote 51% or more of its issued and outstanding ownership interests (like capital stock or partnership interests); provided, however, that: (a) any other Owners of this sole-purpose Business Entity are subject to our approval; (b) you and any other Owners guarantee its performance under this Agreement by signing the Franchisee Owner's Guaranty; and (c) you and any other Owners agree not to engage in a Competing Business in violation of Section 11.01. The organizational or governing documents of the Business Entity must recite that the issuance and transfer of any ownership interests in the Business Entity are restricted by the terms of this Agreement, are subject to our approval, and all certificates or other documents representing ownership interests in the Business Entity must bear a legend referring to the restrictions of this Agreement. You must reimburse us for any administrative or legal expenses we incur in connection with a Transfer described in this Section 17.06.

16.7 Transfer Upon Death or Disability

Upon your death or disability or, if you are a Business Entity, the death or disability of the Owner of a controlling interest in you, your or such Owner's executor, administrator, conservator, guardian or other personal representative must transfer your interest in this Agreement or such Owner's interest in you to a third party. Such disposition of this Agreement or the interest in you (including, without limitation, transfer by bequest or inheritance) must be completed within a reasonable time, not to exceed 6 months from the date of death or disability, and will be subject to all of the terms and conditions applicable to transfers contained in this Article 17. A failure to transfer your interest in this Agreement or the ownership interest in you within this period of time constitutes a breach of this Agreement. For purposes of this Agreement, the term “**disability**” means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent you or an Owner of a controlling interest in you from managing and operating your Travel Business.

16.8 Operation Upon Death or Disability

If, upon your death or disability, or the death or disability of the Owner of a controlling interest in you, your Travel Business is not being managed by a manager we deem to be reasonably qualified, your or such Owner's executor, administrator, conservator, guardian or other personal representative must, within a reasonable time, not to exceed 30 days from the date of death or disability, appoint a qualified manager to operate your Travel Business. Such manager will be required to complete the Franchisor's required Training at your expense. Pending the appointment of a qualified manager, or if we believe your Travel Business is not being managed properly, we have the right to suspend operation of your Travel Business or, in the alternative appoint a Franchisee or other designee to operate and manage your Travel Business, whose compensation for such management will be at your expense.

18. RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION

18.1 Payment of Amounts Owed to Us

Upon the termination or expiration of this Agreement, we may debit your Account through an EFT for all other fees, including interest due thereon and all other amounts owed to us which are then unpaid. If we elect not to debit your Account through an EFT, you will pay us the foregoing amounts within 15 days after the effective date of termination or expiration of this Agreement, or on such later date that the amounts due to us are determined.

Neither party will publicly disparage the other party, any Approved Travel Suppliers, or any of their respective Affiliates. This obligation excludes any statements or information required to be disclosed pursuant to any law or order of any court or government authority.

(c) You and your Owners expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section 19.05 will not deprive you of your personal goodwill or ability to earn a living.

(d) You will promptly obtain and deliver to us agreements containing similar covenants as those contained in this Section 19.05 and in a form satisfactory to us, signed by all personnel performing managerial or supervisory functions and all personnel receiving training from you. Without limiting your obligations under this Section 19.05, persons required to sign such agreements will include your managerial personnel and all Owners, officers, directors and partners, if any, all of which agreements you will strictly enforce.

18.6 Payment of Service Fees

Upon termination of this Agreement for any reason whatsoever or upon expiration of this Agreement where you have not entered into an Additional Term Franchise, the Service Fee will apply to and be due on all Gross Revenues for all sales bookings made during the Term of this Agreement which have not been transferred to either the Franchisor or another Expedia Cruises® franchisee.

We will generate a report from information that is stored in CruiseDesk® and from information provided by our Approved Travel Suppliers to determine the total amount of Service Fees that will be owing, subject to Section 19.08, and will invoice you for that amount.

18.7 Assumption of Center Leases

Upon termination of this Agreement pursuant to Section 18.02, you shall assign to us or a nominee upon our request, unless not otherwise assigned pursuant to the terms of the Lease Addendum, the Lease(s) for the Center, which assignment we may require to be made under your corporate seal and in a form and on terms and conditions satisfactory to us.

18.8 Continuity of Business Activity

Upon termination of this Agreement for any reason whatsoever or upon expiration of this Agreement where you have not entered into an Additional Term Franchise, Franchisor shall have the right to take such actions it deems reasonable and appropriate in order to maintain the customers' and the Authorized Independent Contractors' satisfaction and relationship with Expedia Cruises®, including the following:

(a) All bookings that have not completed travel at the date of expiration or termination of this Agreement will be transferred to the Franchisor, or to another Expedia Cruises® franchisee at the Franchisor's sole discretion. If for any reason the booking is not transferred to the Franchisor or another Expedia Cruises® franchisee, you are responsible to ensure that the customer receives all pricing, amenities and benefits (including but not limited to onboard credits) as if the booking were to have remained with Expedia Cruises®. For bookings that are unable to be transferred, you will pay Independent Contractors at 100% of the Commission Compensation Level.

(b) You will provide us with written consent or other such documentation as may be required by Approved Travel Suppliers in order to transfer to us, or to another Expedia Cruises® franchisee

as the case may be, all bookings and any commission payments for travel that has not completed at the date of termination or expiration of this Agreement.

(e) Any data pertaining to customers, prospective customers, Authorized Independent Contractors or prospective Authorized Independent Contractors acquired as a result of the operation of the Travel Business during the Term of this Agreement, during the term of any prior franchise agreement between you or any of our Affiliates and the Franchisor, or during any subsequent Additional Term Franchise(s) shall remain the property of Franchisor and Franchisor shall have the unrestricted right to contact and market to those parties.

18.9 Independence of Covenants

The parties agree that each of the covenants in this Article 19 shall be construed as independent of each other and of any other covenant or provision of this Agreement. If any or all portions of the covenants contained herein is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which we are a party, you expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

18.10 Modification of Covenants

You understand and acknowledge that we shall have the right, in our sole discretion, to reduce the scope of any covenant set forth in Section 19.05 or any portion thereof, without your consent, effective immediately upon receipt by you of written notice thereof, and you agree that it shall forthwith comply with any covenant as so modified.

18.11 Enforcement of Covenants

You expressly agree that the existence of any claims you may have against us shall not constitute a defense to our enforcement of the covenants contained in this Agreement. You agree to pay all costs and expenses (including reasonable attorneys' fees) we incur in connection with the enforcement of the covenants set forth in this Agreement.

18.12 Continuing Obligations

All of our and your (and your Owners') obligations which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire. Examples include indemnification, payment, de-identification and dispute resolution provisions.

18.13 Our Purchase of Certain Assets

(a) In the event of termination of this Agreement pursuant to Section 18.02 and subject to the rights of third party creditors, you and your Owners grant to us or our nominee the option to purchase

from you at fair market value at the time of termination any portion or the entire inventory, supplies, furniture, fixtures and equipment situated in the Center, which option may be exercised by our written notice to you within thirty (30) days of the termination of this Agreement. The exercise notice will state our desire or our nominee's desire to purchase some or all of the aforementioned inventory, supplies, furniture, fixtures and equipment. We or our nominee will pay the purchase price to you on your delivery of the documents necessary, in the opinion of our counsel, or our nominee to transfer the inventory, supplies, furniture, fixtures and equipment and delivery and payment of the purchase price will take place on a date not more than twenty-one (21) days following the determination pursuant to Section 19.13(c) of the fair market value of the property to be transferred.

(b) In the event that we terminate this Agreement pursuant to Section 18.02 and we sublease the Center to you and the sublease or the lease of the Center is assigned to us pursuant to the provisions of Sections 5.03, 19.07 and/or the Lease Addendum, and subject to the rights of third parties pursuant to financing arrangements, we will purchase from you and you will sell to us, at the fair market value at the time of termination, the leasehold improvements at the Center.

(c) We and you will agree on the fair market value of all inventory, supplies, furniture, fixtures, equipment and leasehold improvements we or our nominee purchase under this Section 19.13 and, in the event of a failure to mutually agree within forty-five (45) days of the termination of this agreement, fair market value will be determined by a qualified appraiser mutually agreed on by you and us or our nominee. If we or our nominee and you cannot mutually agree on an appraiser within a further period of ten (10) days, the appraiser will be selected by our accountants, which selection will be binding on the parties.

19. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION

19.1 Independent Contractors

You and we understand and agree that this Agreement does not create a fiduciary relationship between the Parties, that you and we are and will be independent contractors and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You will identify yourself conspicuously in all dealings with customers, suppliers, public officials, personnel and others as the Owner of your Travel Business under a Franchise we have granted to you and place such notices of independent ownership on such forms, business cards, stationery and advertising and other materials as we may require from time to time. If you do not do so, we may place the notices and accomplish the foregoing as we see fit, and you must reimburse us for doing so.

19.2 No Liability for Acts of Other Party

You will not employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that may result in our liability for any of your indebtedness or obligations. You will not use the Marks in any way we have not expressly authorized. Neither you nor we will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages to any Person or property directly or indirectly arising out of the operation of your Travel Business.

19.3 Taxes

We will have no liability for any taxes levied upon you or your Travel Business, including, without limitation and by way of example, sales, use, service, occupation, excise, gross receipts, income, payroll or property taxes (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

19.4 Indemnification

(a) **By You:** You will indemnify, defend and hold us and all our Affiliates, partners, directors, officers, employees, agents, successors and assigns (the “**Franchisor Indemnified Parties**”) harmless against and reimburse any one or more of the Franchisor Indemnified Parties for all claims, liabilities, obligations and damages including any and all taxes described in Section 20.03, directly or indirectly arising out of the operation of your Travel Business. We have the right to defend any such claim against us. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. Under no circumstances will we or any other Franchisor Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses, in order to maintain and fully recover a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Franchisor Indemnified Party may recover from you.

(b) **By Us:** We will indemnify, defend and hold you and all your partners, directors, officers, employees, agents, successors and assigns (the “**Franchisee Indemnified Parties**”) harmless against and reimburse any one or more of the Franchisee Indemnified Parties for all claims, liabilities, obligations and damages directly arising out of any infringement, or alleged infringement of a third party’s rights by virtue of the programs, software, systems, trade names and other intellectual property we provide or license to you. You have the right to defend any such claim against you. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. Under no circumstances will you or any other Franchisee Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate your, their or our losses and expenses, in order to maintain and fully recover a claim against us. We agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts you or another Franchisee Indemnified Party may recover from us.

(c) For purposes of this Section 20.04, “**claims**” includes all obligations, liabilities, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Franchisor Indemnified Parties or Franchisee Indemnified Parties, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution, travel and living expenses.

20. INSURANCE

20.1 Mandatory Insurance

You must, at all times during the Term, maintain in full force and effect, a travel agent professional liability policy (travel agent error and omissions) in the minimum amounts we specify in the Manual, on a per occurrence basis, and other insurance coverages in the minimum amounts we prescribe from time to time in the Manual, including, without limitation, comprehensive general liability insurance, fire and extended coverage insurance on equipment, leasehold improvements and stock at the Center, and business interruption insurance coverage. We may periodically increase or decrease the amounts of coverage

required under these insurance policies and require different or additional kinds of insurance at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes and circumstances. Alternatively, you may self-insure your travel agent errors and omissions insurance, provided you demonstrate to our satisfaction that you have set aside and maintain an adequate reserve for claims that would be covered under a typical errors and omissions insurance policy.

20.2 Group Policies

You must obtain and participate in any group errors and omissions insurance policies we designate from time to time. We may recover from you the costs and premiums for such group policies as an EFT.

20.3 Policy Terms

All insurance policies must:

- (a) be issued by an insurance company meeting our minimum ratings as described in the Manual;
- (b) not contain a provision which in any way limits or reduces coverage for us in the event of any claim by us or our directors, officers or agents;
- (c) provide indemnity for all obligations assumed by you under this Agreement and all items for which you are required to indemnify us under the provisions of this Agreement or otherwise;
- (d) name us and our Affiliates as additional insureds;
- (e) contain a waiver of the insurance company's right of subrogation against us;
- (f) provide that the insurance company will provide us with at least 15 days prior written notice of termination, expiration, cancellation or material modification of any policy; and
- (g) provide that you cannot reduce the policy limits, restrict coverage, cancel or otherwise alter or amend the policies without our prior written consent.

20.4 Evidence of Coverage

Before the expiration of the term of each insurance policy, at our request, you must furnish us with a copy of each new, renewal or replacement policy (or at our option, a certificate evidencing such policy) you have obtained to extend your coverage, along with evidence of the premium payment. If you do not maintain the required insurance coverage, or do not furnish us with satisfactory evidence of insurance coverage and premium payments, we may obtain, at our option and in addition to our other rights and remedies under this Agreement, any required insurance coverage on your behalf. If we do so, you must fully cooperate with us in our effort to obtain the insurance policies and must promptly sign all forms required to obtain or maintain the insurance. You must also allow any inspections of your Travel Business required to obtain or maintain the insurance. Finally, you must pay us any costs and premiums we incur in obtaining insurance on your behalf, which we may draft from your Account as an EFT. Neither your obligation to maintain insurance coverage nor our maintenance of insurance on your behalf will reduce or absolve you of any obligations of indemnification described in this Agreement.

21. ACKNOWLEDGMENTS AND REPRESENTATIONS

21.1 Acknowledgments

By signing this Agreement, you acknowledge:

(a) the importance of operating your Travel Business in strict conformity with our standards;

(b) you have conducted an independent investigation of owning and operating a Travel Business as a Franchisee under this Agreement and recognize that the nature of being a Franchisee may evolve and change over time, that an investment in your Travel Business involves business risks and that your business abilities and efforts are vital to your success as a Franchisee;

(c) you recognize the benefits to be derived from being a Franchisee and being able to utilize the System and the Marks which we make available to you;

(d) you have read this Agreement and our Franchise Disclosure Document and understand and accept the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards by each Travel Business to protect and preserve the goodwill of the System and the Marks;

(e) in all of their dealings with you, our officers, directors, employees and agents act only in a representative, and not in an individual, capacity and that all business dealings between you and such Persons as a result of this Agreement are solely between the Parties;

(f) we have advised you to have this Agreement reviewed and explained to you by a professional, such as an attorney and/or accountant;

(g) any statements regarding the potential or probable revenues, sales or profits of Franchisees are made solely in the Franchise Disclosure Document delivered to you prior to signing this Agreement;

(h) any statement regarding the potential or probable revenues, sales or profits of Franchisees or statistical information regarding any existing Franchisee that is not contained in our Franchise Disclosure Document is unauthorized, unwarranted and unreliable and should be reported to us immediately;

(i) any information you obtain from our Franchisees relating to sales, revenues, profits, cash flows or otherwise does not constitute information obtained from us and we do not warrant or guarantee the accuracy of any such information;

(j) you have not received nor relied upon any representations about being a Franchisee made by us, our officers, directors, employees or agents, that are contrary to the statements made in our Franchise Disclosure Document or to the terms of this Agreement; and

(k) we have approved your request to become a Franchisee in reliance on all of your representations and acknowledgments.

If there are any exceptions to any of the foregoing, you must: (i) immediately notify us; and (ii) note such exceptions by attaching a statement of exceptions to this Agreement prior to signing it (any such statement must be signed by each of the Parties).

21.2 Representations

You represent to us, as an inducement to our execution of this Agreement, that all statements you have made and all materials you have submitted to us in connection with your application for a Franchise are accurate and complete and that you have made no misrepresentations or material omissions in becoming a Franchisee.

21.3 Representations of your Business Entity

If you are at any time a business organization (“**Business Entity**”) (for example, a corporation, a limited liability company or a partnership) you represent and warrant to us that:

(a) you have the authority to execute, deliver and perform your obligations under this Agreement and you are duly organized or formed and validly existing in good standing under the laws of the country or state of your incorporation or formation;

(b) your organizational or governing documents will recite that the issuance and transfer of any ownership interests in you are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in you will bear a legend referring to the restrictions of this Agreement;

(c) your Owners will execute and deliver to us our then-current form of “Franchisee Owners Statement” attached hereto as Schedule E, that completely and accurately describes all of your Owners and their interests in you;

(d) you and your Owners will revise the Franchisee Owners Statement as may be necessary to reflect any ownership changes and to furnish such other information about your organization or formation as we may request within 30 days of any change. No ownership changes that reduce your ownership below 51% may be made without our prior approval;

(e) each of your Owners and their spouses will sign and deliver to us our then-current form of “Franchisee Owner's Guaranty” attached hereto as Schedule F, undertaking to be bound jointly and severally by all provisions of this Agreement and any other agreements between the Parties;

(f) at our request, you will furnish true and correct copies of all documents and contracts governing the rights, obligations and powers of your owners and agents (like Articles of incorporation or organization and partnership, operating or shareholder agreements).

21.4 No Guarantees

We expressly disclaim the making of, and you acknowledge that you have not received or relied upon, any warranty or guarantee, expressed or implied, as to the revenues, sales, profits or success of the business venture contemplated by this Agreement or the extent to which we will continue to develop and expand the network of Franchisees.

22. DISPUTE RESOLUTION

22.1 Mediation

(a) Subject to applicable franchise statute and subject to the exceptions in the following sentence, the Parties will undertake in good faith to mediate and settle any and all disputes between us and you before pursuing legal action, either through: (x) a face-to-face meeting in accordance with the process

set forth in clauses 23.01(b) and (c) below, or (y) mediation before an independent mediator in accordance with the process set forth in clauses 23.01(b) and 23.01(d) below. Such meeting shall be held at our offices or such other site in the State of Washington as we may designate. The foregoing requirement to mediate disputes will not apply when (i) we seek injunctive relief pursuant to other provisions of this Agreement, or (ii) we are a party to litigation brought by third parties as a direct or indirect result of or in connection with the operation of the Travel Business, or (iii) this Agreement terminates immediately pursuant to the provisions of Article 18 above.

(b) If a Party alleges a dispute against the other Party for any reason (other than for matters described in clauses 23.01(a)(i) through (a)(iii) above), such Party shall submit a written statement of dispute, together with an explanation of its position and a request for either a face-to-face meeting, a video conference or a telephone conference, to the opposing Party or non-binding mediation.

(c) If a face-to-face meeting, a video conference or a telephone conference is requested, the Parties shall then meet in person, virtually (by video conference) or telephonically within the next seven (7) days of the written statement of dispute in an effort to negotiate a settlement to the dispute. Any face-to-face meeting shall be held at our offices unless the Parties mutually agree otherwise, in writing. In the case of a dispute over monies past due and owing or any other grounds for termination of this Agreement described in any default or termination notice issued by us for which a cure period is provided, you must submit your written statement of dispute and position within fourteen days of receipt of the default or termination notice. The submission of a statement of your dispute and position in response to such notice for monies past due and owing shall not toll any cure period set forth in such notice. Each Party is responsible for its own expenses incurred in connection with the foregoing procedures.

(d) If non-binding mediation is requested, such mediation shall be held at our offices or such other site in the State of Washington as we may designate for a minimum of eight hours before an independent mediator appointed (i) in accordance with the Commercial Mediation Rules and Regulations of the American Arbitration Association (“AAA”); or (ii) by the Parties if the Parties agree in writing on the appointment of a mediator within ten (10) days after either Party gives written notice of mediation. At least one principal of each Party, with authority to settle the dispute, shall attend the meeting or participate in the telephone conference or mediation. Each Party agrees that any legal proceedings subsequently commenced against the other Party shall be limited to claims raised in that Party’s written statement of dispute or response. All matters, allegations and documents will be confidential and will not be disclosed to any other person or entity by either Party. Each Party is responsible for its own expenses incurred in connection with mediation except that the Parties shall share equally the mediator’s and any related AAA fees and expenses.

(e) For purposes of this Agreement, a “**Dispute**” means any litigation, claim, dispute, suit, action, controversy, proceeding or otherwise between or involving: (i) you and us or our respective partners, officers, employees, agents, attorneys, accountants, guarantors; or (ii) you and any other Franchisee. In the case of a Dispute between you and any other Franchisee pursuant to Section 23.01(e)(ii), the term “Party” means each of you and the other Franchisee(s) involved in the Dispute for purposes of applying the terms of Article 23 and other relevant terms in this Agreement as necessary to give effect to the provisions herein.

22.2 Disputes Subject to Arbitration

(a) The following Disputes which are not resolved after a meeting or non-binding mediation pursuant to Section 23.01 (or within 45 days of notice from you to another one of our Franchisees if you have a dispute with another Franchisee) are subject to resolution through arbitration:

- i. any Dispute between or involving you and us or our respective partners, officers, employees, agents, attorneys, accountants, guarantors or otherwise; and
- ii. any Dispute between or involving you and any other Franchisee.

The following Disputes will not be subject to the foregoing arbitration requirements:

- i. actions for injunctive relief;
- ii. actions in which we are a party to a suit brought by third parties as a direct or indirect result of or in connection with the operation of your Travel Business; and
- iii. Disputes related to or based on the Marks (which at our sole option may be submitted to any court of competent jurisdiction).

22.3 Arbitration Rules

(a) The arbitration will be conducted by the American Arbitration Association pursuant to its commercial arbitration rules. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by any state arbitration law. The parties to any arbitration will execute an appropriate confidentiality agreement, excepting only such disclosures and filings as are required by law.

(b) The arbitration proceedings will be conducted at our then-current headquarters. Any Dispute and any arbitration proceeding will be conducted and resolved on an individual basis only and not a class-wide, multiple plaintiff or similar basis. Any such arbitration proceeding will not be consolidated with any other arbitration proceeding involving any other Person, except for Disputes involving Affiliates of the parties to such arbitration. The Parties agree that, in connection with any such arbitration proceeding, each must submit or file any claim that would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure (28 U.S.C. Appendix)) within the same proceeding as the dispute to which it relates. Any such Dispute not submitted or filed in such proceeding will be barred.

The arbitration proceedings will be heard by one arbitrator appointed in accordance with AAA commercial arbitration rules within sixty days after a written demand for arbitration has been made unless the Parties mutually agree on an arbitrator before then. Subject to the limitations described below, the arbitrator will have the right to award any relief that he deems proper in the circumstances, including, for example, money damages, specific performance, temporary or permanent injunctive relief, and reimbursement of attorneys' fees and related costs to the prevailing party. The arbitrator will not have the authority to award exemplary or punitive damages except as otherwise permitted by this Agreement, nor the right to declare any mark generic or otherwise invalid. You and we agree to be bound by the provisions of any limitations on the time in which claims must be brought under applicable law or under this Agreement, whichever expires earlier. The award and decision of the arbitrator will be final, non-appealable, and binding and judgment on the award may be entered in any court of competent jurisdiction. The Parties acknowledge and agree that any arbitration award may be enforced against either or both of them in a court of competent jurisdiction and each waives any right to contest the validity or enforceability of such award. Without limiting the foregoing, each Party will be entitled in any such arbitration proceeding to the entry of an order by a court of competent jurisdiction pursuant to an opinion of the arbitrator for specific performance of any of the requirements of this agreement.

In the case of a Dispute between you and any other Franchisee(s), you will keep us informed on a timely basis of all developments, proceedings, determinations, and settlement or resolution agreements with respect to such Dispute.

22.4 Limitations on Arbitration

(a) Money Damages. The arbitrator may not award money damages payable by us that exceeds the total amount you have paid to us for the Initial Franchise Fee.

(b) Injunctive Relief. We reserve the right to seek temporary or permanent injunctive relief solely in courts of competent jurisdiction. If the arbitrator awards temporary or permanent injunctive relief against us without our prior written consent, such award will not be binding against us.

(c) Time Barred Claims. The arbitrator is not authorized to award relief on claims that would be otherwise barred by an applicable statute of limitations or other agreement between the Parties.

(d) Limitations on the Arbitrator. The Arbitrator will be bound by all remedies and limitations in this Agreement, including those expressed in Article 24.

23. ENFORCEMENT

23.1 Severability; Substitution of Valid Provisions

Except as otherwise stated in this Agreement, each provision of this Agreement, and any portion of any provision, is severable. The remainder of this Agreement will continue in full force and effect. To the extent that any provision restricting your competitive activities is deemed unenforceable, you and we agree that such provisions will be enforced to the fullest extent permissible under governing law. This Agreement will be deemed automatically modified to comply with such governing law if any governing law requires: (a) a greater prior notice of the termination of or refusal to renew this Agreement; or (b) the taking of some other action not described in this Agreement; or (c) if any of our System Standards are invalid or unenforceable. We may modify such invalid or unenforceable provision to the extent necessary to be valid and enforceable. In such event, you will be bound by the modified provisions.

23.2 Waivers

Our right to demand exact compliance with any of the provisions of this Agreement will not be waived if: (a) we do not exercise a right or power available to us under this Agreement; or (b) we do not insist on your strict compliance with the terms of this Agreement; or (c) if a custom or practice exists which varies from the provisions of this Agreement; or (d) if we accept payments which are otherwise due to us under this Agreement. Similarly, our waiver of any particular breach or series of breaches under this Agreement or of any similar provision in any other agreement between the Parties or between us and any other Franchisee, will not affect our rights with respect to any later breach by you or anyone else.

23.3 Limitation of Liability; Force Majeure

Neither of the Parties will be liable for loss or damage nor be in breach of this Agreement if failure to perform results from:

(a) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state or municipal government or any department or agency thereof;

- (b) transportation shortages, inadequate supply of equipment, merchandise, supplies, labor, material, or energy;
- (c) war, strikes, terrorist attacks, natural disaster or acts of God; or
- (d) acts or omissions of a similar event or cause.

Any delay resulting from any of these causes extends performance accordingly or excuses performance as may be reasonable, except that these causes do not excuse payments of amounts owed to us for any reason.

23.4 Approval and Consents

Whenever this Agreement requires our advance approval, agreement or consent, you will make a timely written request for it. Our approval or consent will not be valid unless it is in writing. Except where expressly stated otherwise in this Agreement, we have the right to refuse any request by you or to withhold approval of any action or omission by you. We are not bound to (i) approve or consent to any action; (ii) exercise our judgment in any decision making process; or (iii) approve or disapprove or determine whether to consent to any action or request. If we (x) provide to you any waiver, approval, consent, or suggestion; or (y) neglect or delay our response; or (z) deny any request for any of those, we will not be deemed to have made any warranties or guarantees which you may rely on, and we will not assume any liability or obligation to you.

23.5 Waiver of Punitive Damages

Except for your obligations to indemnify us pursuant to Section 20.04 of this agreement and claims for unauthorized use of the Marks or Confidential Information, you and we each waive to the full extent permitted by law any right to, or claim for, any punitive or exemplary damages against the other. You and we also agree that, in the event of a dispute between the Parties, the Party making a claim will be limited to equitable relief and recovery of any actual damages it sustains.

23.6 Limitations of Claims

Any and all claims arising out of this Agreement or the relationship between the Parties must be made by written notice from one Party to the other Party within one year from the occurrence of the facts giving rise to such claim (regardless of when it becomes known); except for claims arising from: (a) under-reporting of Gross Revenue; (b) under-payment of amounts owed to us; (c) claims for indemnification; or (d) unauthorized use of the Marks. However, this provision does not limit a Party's right to terminate this Agreement in any way.

23.7 Governing Law

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C. 1051, et seq.) or other federal law, this Agreement and the Franchise are governed by the laws of the State of Washington, excluding any law regulating the sale of franchises or governing the relationship between a franchisor and franchisee, unless the jurisdictional requirements of such laws are met independently without reference to this Section. All matters relating to arbitration are governed by the Federal Arbitration Act. References to any law or regulation also refer to any successor laws or regulations and any impending regulations for any statute, as in effect at the relevant time. References to a governmental agency also refer to any successor regulatory body that succeeds to the function of such agency.

23.8 Jurisdiction and Venue

The Parties: (i) consent and irrevocably submit to the jurisdiction and venue of any state court of competent jurisdiction located in the county where our headquarters are then located; (ii) consent and irrevocably agree to submit to the jurisdiction and venue of any federal or state court where our headquarters are then located; and (iii) consent and irrevocably waive any objection to the jurisdiction and venue of such courts. The exclusive choice of jurisdiction does not preclude the bringing of any action by a Party or the enforcement by a Party in any judgment obtained in any such jurisdiction, in any other appropriate jurisdiction or the right of the Parties to confirm or enforce any arbitration award in any appropriate jurisdiction.

23.9 Waiver of Jury Trial

Each Party irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either Party.

23.10 Cumulative Remedies

The rights and remedies provided in this Agreement are cumulative and neither Party is prohibited from exercising any other right or remedy provided under this Agreement or permitted by law or equity.

23.11 Costs and Attorneys' Fees

If a claim for amounts owed by you to us is asserted in any legal or arbitration proceeding or if either Party is required to enforce this Agreement in a judicial or arbitration proceeding, the Party prevailing in such proceeding will be entitled to reimbursement of its costs and expenses, including reasonable accounting and attorneys' fees. Attorneys' fees will include, without limitation, reasonable legal fees charged by attorneys, paralegals, and costs and disbursements, whether incurred prior to, in preparation for, or contemplation of, the filing of written demand or claim, action, hearing, or proceeding to enforce the obligations of the Parties under this Agreement.

23.12 Binding Effect

This Agreement is binding on and will inure to the benefit of our successors and assigns. Except as otherwise provided herein, this Agreement is binding on your successors, assigns, heirs, executors and administrators.

23.13 Entire Agreement; Modifications

This Agreement, including the introduction and attachments, constitutes the entire agreement between the Parties. There are no other oral or written understandings or agreements between the Parties concerning the subject matter of this Agreement. Except as expressly provided otherwise in this Agreement, this Agreement may be modified only by written agreement signed by each of the Parties. Nothing in this Agreement or any related agreement is intended to disclaim the representations we have made in our Franchise Disclosure Document.

23.14 No Liability to Others; No Other Beneficiaries

We will not, because of this Agreement or by virtue of any approvals, advice or services provided to you, be liable to any Person who is not a party to this Agreement. Except as specifically described in this Agreement, no other party has any rights because of this Agreement.

23.15 No Set-Off

You may not withhold payment of any amounts due to us or our Affiliates hereunder on grounds of alleged non-performance by us of any of our obligations, hereunder.

23.16 Construction

The headings of the sections are for convenience only. If 2 or more Persons are at any time Franchisees hereunder, whether or not as partners or joint venturers, their obligations and liabilities to us are joint and several. This Agreement may be signed in multiple copies and counterparts, each of which will be an original. The use of the word “or” shall be construed as “and/or” as appropriate unless specifically otherwise indicated (*i.e.*, “A or B” means: “A” or “B” or both “A” and “B”).

LEASE ADDENDUM

THIS ADDENDUM TO LEASE (“Addendum”) made and entered into this ____ day of _____, _____, by and among _____ (hereinafter referred to as the “Landlord”), with its principal offices at _____; and _____ (hereinafter referred to as the “Tenant”), with its principal offices at _____.

WITNESSETH:

WHEREAS, the Landlord and the Tenant have executed a lease agreement dated _____ (the “Lease”) for the premises described in Section ____ of the Lease (the “Leased Premises”) for use by the Tenant as an Expedia Cruises® travel agency to be operated pursuant to certain proprietary marks and in connection with a written Franchise Agreement by and among the Tenant and CruiseShipCenters USA, Inc. (the “Franchisor”) dated _____ (the “Franchise Agreement”);

WHEREAS, the Franchisor has a right to approve the Lease and a condition to such approval by the Franchisor is that the Lease for the Leased Premises designated for the operation of an Expedia Cruises® travel agency (hereinafter the “Franchised Business”) contain the agreements set forth herein;

WHEREAS, the Landlord acknowledges that the Franchisor requires the modifications to the Lease set forth herein as a condition to its approving the Lease for the Franchised Business, and that the Landlord agrees to modify and amend the Lease in accordance with the terms and conditions contained herein;

WHEREAS, under the Franchise Agreement, all right, title and interest in and to the Lease may be assigned to the Franchisor upon the termination of the Franchise Agreement; and

WHEREAS, it is the intent of the parties hereto to provide the Franchisor with the opportunity to preserve the Leased Premises as a Franchised Business in the event of any default or termination of said Lease or Franchise Agreement by the Tenant and to assure the Landlord that in the event the Franchisor exercises its rights herein contained, any defaults of the Tenant under the Lease will be cured by the Franchisor before it takes possession of the Leased Premises.

1. Use Clause. The Leased Premises shall be used for the operation of an Expedia Cruises® travel agency (“Franchised Business”) offering travel products and services and identified by the mark Expedia Cruises® (Stylized) or any other name designated by Franchisor. The Landlord acknowledges that such use shall not violate any then-existing exclusives granted to any existing tenant of the Landlord.

2. Copy of Notice of Default of Tenant to Franchisor; Franchisor’s Right to Cure Default and Assume Lease. The Landlord will provide a copy to Franchisor of any notice of default or termination it issues to the Tenant concurrently with issuing such notice to the Tenant, specifying all default(s) of Tenant under the Lease. If the Tenant fails to cure any default within the period provided in the Lease (if any), the Landlord will give the Franchisor immediate written notice of such failure to cure. The Franchisor then will be afforded an opportunity to cure such default or to assume and accept an assignment of the Lease. If the Franchisor elects to continue the use of the Leased Premises under an assignment of the Lease, it will notify

the Landlord in writing within fifteen (15) days following the failure to cure notice from the Landlord. Upon receipt of notice of the Franchisor's election to assume the Lease, the Landlord shall promptly execute and deliver to the Franchisor an assignment of the Lease and shall deliver to the Franchisor possession of the Leased Premises. The Franchisor, before taking possession of the Leased Premises, shall promptly cure the defaults specified by the Landlord in its notice to the Franchisor and shall execute and deliver to the Landlord its acceptance of the assignment of the Lease.

3. Termination of the Franchise Agreement. If the Franchise Agreement is terminated for any reason during the term of the Lease or any extension thereof, then the Tenant will assign to the Franchisor all of its right, title and interest in and to the Lease, if so requested by the Franchisor. The Landlord consents to the assignment of the Lease from the Tenant to the Franchisor hereunder, subject to the Tenant's and/or the Franchisor's curing any defaults of the Tenant under the Lease before the Franchisor takes possession of the Leased Premises. The Landlord and the Tenant must deliver possession of the Leased Premises to the Franchisor, free and clear of all rights of the Tenant or third parties, subject to the Franchisor's curing any defaults of the Tenant under the Lease, and executing an acceptance of the assignment of Lease.

4. The Tenant's Agreement to Vacate Leased Premises. The Tenant agrees to peaceably and promptly vacate the Leased Premises and (subject to the Franchisor's right to acquire any such property pursuant to its Franchise Agreement with the Tenant) to remove its personal property therefrom upon the termination of the Franchise Agreement or upon the Tenant's failure to timely cure all of its defaults under the Lease. Any property not removed or otherwise disposed of by the Tenant shall be deemed abandoned.

5. Delivery of Possession. If the Franchisor exercises its right to assume the Lease pursuant to Paragraph 2 or 3 above, then:

(a) Tenant will assign all of its right, title and interest in the Lease to Franchisor within 10 days after written demand and, if Tenant fails to do so, then Tenant appoints Franchisor as its agent to execute all documents that may be necessary for Franchisor to take assignment of the Lease and possession of the Premises; and

(b) Landlord agrees that Franchisor (i) may sublet the Premises or assign the Lease in either case to an approved franchisee of Franchisor, provided in either instance that Franchisor remains liable for the payment of rent and the performance of Tenant's duties under the Lease, (ii) will not be bound by the terms of any amendment to the Lease executed by Tenant without obtaining Franchisor's prior written approval, (iii) will not be subject to any provision of the Lease that requires Tenant to continuously operate a business in the Premises during any period that the Premises is closed for remodeling or while Franchisor is seeking to obtain and train a new franchisee, provided however, that such period of closure will not exceed 60 days in each instance; and (iv) may, if it subleases the Premises to a franchisee as provided above, retain all rent or other consideration payable under such sublease.

6. Amendment of Lease. The Tenant agrees not to enter into any amendment to the Lease in any respect, except with the prior written consent of the Franchisor.

7. The Franchisor Not a Guarantor. Notwithstanding any terms or conditions contained in this Addendum or any other agreement, the Franchisor shall in no way be construed as a guarantor or surety of the Tenant's obligations under the Lease. If the Franchisor assumes Lease in accordance with the terms hereof, however, then the Franchisor will become liable for all of the obligations of the Tenant on its part to be performed or observed under the Lease.

8. Third-Part Beneficiary. The parties hereto agree and acknowledge that the Franchisor is and is intended to be a third-party beneficiary of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum to Lease Agreement to be executed the day and year first above written.

ADDENDUM TO CRUISESHIPCENTERS USA INC.
FRANCHISE AGREEMENT
FOR THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

You agree that CII may establish limits concerning use of CruiseDesk®, including without limitation the maximum number of days that email messages will be retained, the maximum number of email messages that may be sent from or received by an account, the maximum size of an email message that may be sent from or received by an account or the maximum disk space that will be allotted on CII servers on your behalf. You acknowledge that CII reserves the right to log off accounts that are inactive for an extended period of time. You are responsible for maintaining the confidentiality of the password and are fully responsible for all activities that occur under the email address and password. You agree to (a) immediately notify CII of any unauthorized access to your email account or any other breach of security, and (b) ensure that you sign out of the account at the end of each session. You will keep the password to access your email account in a secure place under reasonable access and use restrictions designed to prevent access to your email account by unauthorized persons, such restrictions to be no less than those applicable to CII's own trade secrets or confidential information. You acknowledge that you are not permitted to setup automatic forwarding from your CII email account to an external email domain account at any time and that the ability to do so has been restricted by CII. You authorize us, or a Franchise Owner, if applicable, to access this email account upon

your termination, or in the event of your inactivity or inability to service the account, to ensure uninterrupted service to both customers and prospective customers with regards to bookings and prospective bookings.

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of Expedia Group, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Expedia Group, Inc. (the Company) as of December 31, 2023 and 2022, the related consolidated statements of operations, comprehensive income, changes in stockholders' equity and cash flows for each of the three years in the period ended December 31, 2023, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated February 8, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Description of the Matter

Loyalty Programs

As discussed in Note 2 of the financial statements, travelers enrolled in the One Key, Expedia Rewards and Hotels.com Rewards loyalty programs (collectively "loyalty programs") earn rewards with each eligible booking made which can be redeemed for free or discounted future bookings. Member consideration is allocated between travel services and rewards earned in the loyalty programs. The Company defers the relative standalone selling price of earned rewards, net of rewards not expected to be redeemed (known as "breakage"), as deferred loyalty rewards within deferred merchant bookings on the consolidated balance sheet. To estimate the relative standalone selling price for rewards, the Company considers the stated redemption value per reward dictated by the terms of the loyalty programs and then estimates the future breakage of rewards based on statistical modeling techniques using historical member activity. The deferred loyalty rewards balance, net of amounts paid to the travel supplier, is recognized as revenue when the travel service purchased with the loyalty reward is satisfied.

Auditing the Company's deferred loyalty rewards balance is especially complex and judgmental due to significant measurement uncertainty in determining the expected future breakage of rewards. Management uses statistical modeling techniques to estimate future breakage based on historical member activity. The amount of member consideration allocated to the rewards earned is sensitive to the expected future breakage assumption. The introduction of new programs, changes in loyalty program terms or the method, or manner in which rewards can be redeemed by members can change member behavior which increases the measurement uncertainty as historical member activity may not be indicative of future behavior.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over Management's review of the statistical modeling techniques and resulting breakage estimates. We also tested controls over the completeness and accuracy of member activity data used in the breakage estimate analyses. This included controls over the Company's systems and the application controls involved in the process to track loyalty reward member activity.

To test the deferred loyalty rewards balance, we performed audit procedures that included, among others, involving our actuarial specialists to assist us in assessing the methods used by Management and to develop an independent actuarial estimate of a reasonable range of breakage rates. We then compared this reasonable range of breakage rates to the Company's estimates. Additionally, we tested the completeness and accuracy of the member activity data used by our actuarial specialists in their breakage analyses.

We have served as the Company's auditor since 2004.

Notes to Consolidated Financial Statements

NOTE 1 — Organization and Basis of Presentation

Description of Business

Expedia Group, Inc. and its subsidiaries provide travel products and services to leisure and corporate travelers in the United States and abroad as well as various media and advertising offerings to travel and non-travel advertisers. These travel products and services are offered through a diversified portfolio of brands including: Brand Expedia®, Hotels.com®, Expedia® Partner Solutions, Vrbo®, trivago®, Orbitz®, Travelocity®, Hotwire®, Wotif®, ebookers®, CheapTickets®, Expedia Group™ Media Solutions, CarRentals.com™ and Expedia Cruises™. In addition, many of these brands have related international points of sale. We refer to Expedia Group, Inc. and its subsidiaries collectively as “Expedia Group,” the “Company,” “us,” “we” and “our” in these consolidated financial statements.

Basis of Presentation

The accompanying consolidated financial statements include Expedia Group, Inc., our wholly-owned subsidiaries, and entities we control, or in which we have a variable interest and are the primary beneficiary of expected cash profits or losses. We record our investments in entities that we do not control, but over which we have the ability to exercise significant influence, using the equity method or at fair value. We have eliminated significant intercompany transactions and accounts.

We believe that the assumptions underlying our consolidated financial statements are reasonable. However, these consolidated financial statements do not present our future financial position, the results of our future operations and cash flows.

Seasonality

We generally experience seasonal fluctuations in the demand for our travel services. For example, traditional leisure travel bookings are generally the highest in the first three quarters as travelers plan and book their spring, summer and winter holiday travel. The number of bookings typically decreases in the fourth quarter. Since revenue for most of our travel services, including merchant and agency hotel, is recognized as the travel takes place rather than when it is booked, revenue typically lags bookings by several weeks for our hotel business and can be several months or more for our alternative accommodations business. Historically, Vrbo has seen seasonally stronger bookings in the first quarter of the year, with the relevant stays occurring during the peak summer travel months. The seasonal revenue impact is exacerbated with respect to income by the nature of our variable cost of revenue and direct sales and marketing costs, which we typically realize in closer alignment to booking volumes, and the more stable nature of our fixed costs. As a result on a consolidated basis, revenue and income are typically the lowest in the first quarter and highest in the third quarter.

NOTE 2 — Significant Accounting Policies

Consolidation

Our consolidated financial statements include the accounts of Expedia Group, Inc., our wholly-owned subsidiaries, and entities for which we control a majority of the entity’s outstanding common stock. We record non-controlling interest in our consolidated financial statements to recognize the minority ownership interest in our consolidated subsidiaries. Non-controlling interest in the earnings and losses of consolidated subsidiaries represent the share of net income or loss allocated to members or partners in our consolidated entities. trivago is a separately listed company on the Nasdaq Global Select Market and, therefore, is subject to its own reporting and filing requirements, which could result in possible differences that are not expected to be material to Expedia Group, Inc.

We have eliminated significant intercompany transactions and accounts in our consolidated financial statements.

Accounting Estimates

We use estimates and assumptions in the preparation of our consolidated financial statements in accordance with accounting principles generally accepted in the United States (“GAAP”). Our estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of our consolidated financial statements. These estimates and assumptions also affect the reported amount of net income or loss during any period. Our actual financial results could differ significantly from these estimates. The significant estimates underlying our consolidated financial statements include revenue recognition; recoverability of current and long-lived assets, intangible assets and goodwill; income and transactional taxes, such as potential settlements related to occupancy and excise taxes; loss contingencies; deferred

loyalty rewards; stock-based compensation; accounting for derivative instruments and provisions for credit losses, customer refunds and chargebacks.

Reclassifications

We have reclassified prior period financial statements to conform to the current period presentation.

Revenue Recognition

We recognize revenue upon transfer of control of our promised services in an amount that reflects the consideration we expect to be entitled to in exchange for those services.

For our primary transaction-based revenue sources, discussed below, we have determined net presentation (that is, the amount billed to a traveler less the amount paid to a supplier) is appropriate for the majority of our revenue transactions as the supplier is primarily responsible for providing the underlying travel services and we do not control the service provided by the supplier to the traveler. We exclude all taxes assessed by a government authority, if any, from the measurement of transaction prices that are imposed on our travel related services or collected by the Company from customers (which are therefore excluded from revenue).

We offer traditional travel services on a stand-alone and package basis generally either through the merchant or the agency business model.

Under the merchant model, we facilitate the booking of hotel rooms, alternative accommodations, airline seats, car rentals and destination services from our travel suppliers and we are the merchant of record for such bookings.

Under the agency model, we pass reservations booked by the traveler to the relevant travel supplier and the travel supplier serves as the merchant of record for such bookings. We receive commissions or ticketing fees from the travel supplier and/or traveler. For certain agency airline, hotel and car transactions, we also receive fees through global distribution systems ("GDS") that provide the computer systems through which the travel supplier inventory is made available and through which reservations are booked.

Under the advertising model, we offer travel and non-travel advertisers access to a potential source of incremental traffic and transactions through our various media and advertising offerings on trivago and our transaction-based websites.

In addition, Vrbo also provides subscription-based listing and other ancillary services to property owners and managers.

The nature of our travel booking service performance obligations vary based on the travel service with differences primarily related to the degree to which we provide post booking services to the traveler and the timing when rights and obligations are triggered in our underlying supplier agreements. We consider both the traveler and travel supplier as our customers.

Refer to NOTE 18 — Segment Information for revenue by business model and service type.

Lodging. Our lodging revenue is comprised of revenue recognized under the merchant, agency and Vrbo subscription-based listing services model.

Merchant Hotel. We provide travelers access to book hotel room reservations through our contracts with lodging suppliers, which provide us with rates and availability information for rooms but for which we have no control over the rooms and do not bear inventory risk. Our travelers pay us for merchant hotel transactions prior to departing on their trip, generally when they book the reservation. We record the payment in deferred merchant bookings until the stayed night occurs, at which point we recognize the revenue, net of amounts paid to suppliers, as this is when our performance obligation is satisfied. Payments to suppliers are generally due within 30 days of check-in or stay. In certain instances when a supplier invoices us for less than the cost we accrued, we generally reduce our merchant accounts payable and the supplier costs within net revenue six months in arrears, net of an allowance, when we determine it is not probable that we will be required to pay the supplier, based on historical experience. Cancellation fees are collected and remitted to the supplier, if applicable.

Agency Hotel. We generally record agency revenue from the hotel when the stayed night occurs as we provide post booking services to the traveler and, thus consider the stay as when our performance obligation is satisfied. We record an allowance for cancellations on this revenue based on historical experience.

Merchant and Agency Vrbo Alternative Accommodations. Vrbo's lodging revenue is generally earned on a pay-per-booking basis, which can be either merchant or agency bookings depending on the nature of the payment processor. Pay-per-booking arrangements are commission-based where rental property owners and managers bear the inventory risk, have latitude in setting the price and compensate Vrbo for facilitating bookings with travelers. Under pay-per-booking arrangements, each booking is a separate contract as listings are typically cancelable at any time and the related revenue, net of amounts paid to property owners, is recognized at check in, which is the point in time when our service to the traveler is complete. Vrbo also

charges a traveler service fee at the time of booking. The service fee charged to travelers provides compensation for Vrbo's services, including but not limited to the use of Vrbo's website and a "Book with Confidence Guarantee" providing travelers with comprehensive payment protection and 24/7 traveler support. The performance obligation is to facilitate the booking of a property and assist travelers up to their check in process and, as such, the traveler service fee revenue is recognized at check-in.

Subscription-based Listing Services. To a lesser extent, Vrbo's lodging revenue is also earned on a pay-per-subscription basis. In pay-per-subscription contracts, property owners or managers purchase in advance online advertising services related to the listing of their properties for rent over a fixed term (typically one year). As the performance obligation is the listing service and is provided to the property owner or manager over the life of the listing period, the pay-per-subscription revenue is recognized on a straight-line basis over the listing period.

Merchant and Agency Air. We record revenue on air transactions when the traveler books the transaction, as we do not typically provide significant post booking services to the traveler and payments due to and from air carriers are typically due at the time of ticketing. We record a reserve for chargebacks and cancellations at the time of the transaction based on historical experience. In certain transactions, the GDS collects commissions from our suppliers and passes these commissions to us, net of their fees. Therefore, we view payments through the GDS as commissions from suppliers and record these commissions in net revenue. Fees paid to the GDS as compensation for their role in processing transactions are recorded as cost of revenue.

Advertising and Media. We record revenue from click-through fees charged to our travel partners for leads sent to the travel partners' websites. We record revenue from click-through fees after the traveler makes the click-through to the related travel partners' websites. We record revenue for advertising placements ratably over the advertising period or upon delivery of advertising impressions, depending on the terms of the contract. Payments from advertisers are generally due within 30 days of invoicing.

Other. Other primarily includes transaction revenue for booking services related to products such as car, cruise and destination services under the agency business model. We generally record the related revenue when the travel occurs, as in most cases we provide post booking services and this is when our performance obligation is complete. Additionally, no rights or obligations are triggered in our supplier agreements until the travel occurs. We record an allowance for cancellations on this revenue based on historical experience. Revenue from other ancillary alternative accommodation services or products are recorded either upon delivery or when we provide the service. In addition, other also includes travel insurance products primarily under the merchant model, for which revenue is recorded at the time the transaction is booked.

Packages. Packages assembled by travelers through the packaging functionality on our websites generally include a merchant hotel component and some combination of an air, car or destination services component. The individual package components are accounted for as separate performance obligations and recognized in accordance with our revenue recognition policies stated above.

Prepaid Merchant Bookings. We classify payments made to suppliers in advance of Vrbo performance obligations as prepaid merchant bookings included within prepaid and other current assets. Prepaid merchant bookings was \$365 million as of December 31, 2023 and \$480 million as of December 31, 2022.

Deferred Merchant Bookings. We classify cash payments received in advance of our performance obligations as deferred merchant bookings. At December 31, 2022, \$6.2 billion of advance cash payments was reported within deferred merchant bookings, \$5.3 billion of which was recognized resulting in \$871 million of revenue during the year ended December 31, 2023 with the remainder primarily consisting of cancellations during the year. At December 31, 2023, the related balance was \$6.9 billion.

Travelers enrolled in our internally administered traveler loyalty rewards programs earn rewards for each eligible booking made which can be redeemed for free or discounted future bookings. One Key allows members to earn OneKeyCash, the currency of the One Key program, on eligible hotels, alternative accommodations, activities, packages, car rentals, flights and cruises made on the U.S. points of sale on Brand Expedia, Hotels.com and Vrbo. Hotels.com Rewards continues to be offered outside the U.S. and offers travelers one free night at any Hotels.com partner property after that traveler stays 10 nights, subject to certain restrictions. Expedia Rewards also continues to be offered outside the U.S. and enables participating travelers to earn points on all hotel, flight, package and activities made on various international Brand Expedia websites. As travelers accumulate rewards towards free travel products, we defer the relative standalone selling price of earned rewards, net of expected breakage, as deferred loyalty rewards within deferred merchant bookings on the consolidated balance sheet. In order to estimate the standalone selling price of the underlying services on which rewards can be redeemed for all loyalty programs, we use an adjusted market assessment approach and consider the redemption values expected from the traveler. We then estimate the number of rewards that will not be redeemed based on historical activity in our members' accounts as well as statistical modeling techniques. Revenue is recognized when we have satisfied our performance obligation relating to the rewards, that is when the travel service purchased with the loyalty award is satisfied. The majority of rewards expected to be redeemed are recognized within one to two years of being earned. At December 31, 2022, \$961 million of deferred loyalty

rewards was reported within deferred merchant bookings, all of which was recognized as revenue during the year ended December 31, 2023. At December 31, 2023, the related balance was \$871 million.

Deferred Revenue. Deferred revenue primarily consists of unearned subscription revenue as well as deferred advertising revenue. At December 31, 2022, \$163 million was recorded as deferred revenue, \$125 million of which was recognized as revenue during the year ended December 31, 2023. At December 31, 2023, the related balance was \$164 million.

Practical Expedients and Exemptions. We have used the portfolio approach to account for our loyalty points as the rewards programs share similar characteristics within each program in relation to the value provided to the traveler and their breakage patterns. Using this portfolio approach is not expected to differ materially from applying the guidance to individual contracts. However, we will continue to assess and refine, if necessary, how a portfolio within each rewards program is defined.

We do not disclose the value of unsatisfied performance obligations for (i) contracts with an original expected length of one year or less and (ii) contracts for which we recognize revenue at the amount to which we have the right to invoice for services performed.

Cash, Restricted Cash, and Cash Equivalents

Our cash and cash equivalents include cash and liquid financial instruments, including money market funds and term deposit investments, with maturities of three months or less when purchased. Restricted cash includes cash and cash equivalents that is restricted through legal contracts, regulations or our intention to use the cash for a specific purpose. Our restricted cash primarily relates to certain traveler deposits and to a lesser extent collateral for office leases. The following table reconciles cash, cash equivalents and restricted cash reported in our consolidated balance sheets to the total amount presented in our consolidated statements of cash flows:

	December 31,	
	2023	2022
	(in millions)	
Cash and cash equivalents	\$ 4,225	\$ 4,096
Restricted cash and cash equivalents	1,436	1,755
Total cash, cash equivalents and restricted cash and cash equivalents in the consolidated statements of cash flows	<u>\$ 5,661</u>	<u>\$ 5,851</u>

Short-term and Long-term Investments

We determine the appropriate classification of our investments in marketable securities at the time of purchase and reevaluate such designation at each balance sheet date. Investments, other than minority equity investments, classified as available-for-sale are recorded at fair value with unrealized holding gains and losses recorded, net of tax, as a component of accumulated other comprehensive income ("OCI"). Realized gains and losses from the sale of available-for-sale investments, if any, are determined on a specific identification basis. Investments with remaining maturities of less than one year are classified within short-term investments. All other investments are classified within long-term investments and other assets.

Minority equity investments with either readily determinable fair values, or for which we have elected to apply the fair value option, are measured at fair value on a recurring basis with changes in fair value recorded through net income or loss. Minority investments without readily determinable fair values, for which we have not elected to measure at fair value, are measured using the equity method, or measured at cost with observable price changes reflected through net income or loss. We perform a qualitative assessment on a quarterly basis and recognize an impairment if there are sufficient indicators that the fair value of the investment is less than carrying value. Changes in value of minority equity investments are recorded in other income (expense), net.

Accounts Receivable

Accounts receivable are generally due within thirty days and are recorded net of an allowance for expected uncollectible amounts. We consider accounts outstanding longer than the contractual payment terms as past due. The risk characteristics we generally review when analyzing our accounts receivable pools primarily include the type of receivable (for example, credit card vs hotel collect), collection terms and historical or expected credit loss patterns. For each pool, we make estimates of expected credit losses for our allowance by considering a number of factors, including the length of time trade accounts receivable are past due, previous loss history continually updated for new collections data, the credit quality of our customers, current economic conditions, reasonable and supportable forecasts of future economic conditions and other factors that may affect our ability to collect from customers. The provision for estimated credit losses is recorded as cost of revenue in our consolidated statements of operations.

Property and Equipment

We record property and equipment at cost, net of accumulated depreciation and amortization. We also capitalize certain costs incurred related to the development of internal use software. We capitalize costs incurred during the application development stage related to the development of internal use software. We expense costs incurred related to the planning and post-implementation phases of development as incurred.

We compute depreciation using the straight-line method over the estimated useful lives of the assets, which is three to five years for computer equipment, capitalized software development and furniture and other equipment, 15 years for land improvements, and 40 years for buildings, which includes our corporate headquarters. Land is not depreciated. We amortize leasehold improvement using the straight-line method, over the shorter of the estimated useful life of the improvement or the remaining term of the lease.

We establish assets and liabilities for the present value of estimated future costs to return certain of our leased facilities to their original condition under the authoritative accounting guidance for asset retirement obligations. Such assets are depreciated over the lease period into operating expense, and the recorded liabilities are accreted to the future value of the estimated restoration costs.

Leases

We determine if an arrangement is a lease at inception. Operating leases are primarily for office space and data centers and are included in operating lease right-of-use ("ROU") assets, accrued expenses and other current liabilities, and operating lease liabilities on our consolidated balance sheets. ROU assets represent our right to use an underlying asset for the lease term and lease liabilities represent our obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

For operating leases with a term of one year or less, we have elected to not recognize a lease liability or ROU asset on our consolidated balance sheet. Instead, we recognize the lease payments as expense on a straight-line basis over the lease term. Short-term lease costs are immaterial to our consolidated statements of operations and cash flows.

We have office space and data center lease agreements with insignificant non-lease components and have elected the practical expedient to combine and account for lease and non-lease components as a single lease component.

Business Combinations

We assign the value of the consideration transferred to acquire a business to the tangible assets and identifiable intangible assets acquired and liabilities assumed on the basis of their fair values at the date of acquisition. Any excess purchase price over the fair value of the net tangible and intangible assets acquired is allocated to goodwill. When determining the fair values of assets acquired and liabilities assumed, management makes significant estimates and assumptions, especially with respect to intangible assets. Critical estimates in valuing certain intangible assets include but are not limited to future expected cash flows from customer relationships and trade names, and discount rates. Management's estimates of fair value are based upon assumptions believed to be reasonable, but which are inherently uncertain and unpredictable and, as a result, actual results may differ from estimates. Any changes to provisional amounts identified during the measurement period are recognized in the reporting period in which the adjustment amounts are determined.

Recoverability of Goodwill and Indefinite-Lived Intangible Assets

Goodwill is assigned to reporting units that are expected to benefit from the synergies of the business combination as of the acquisition date. We assess goodwill and indefinite-lived intangible assets, neither of which is amortized, for impairment annually as of October 1, or more frequently, if events and circumstances indicate impairment may have occurred. In the evaluation of goodwill for impairment, we typically perform a quantitative assessment and compare the fair value of the reporting unit to the carrying value. An impairment charge is recorded based on the excess of the reporting unit's carrying amount over its fair value. Periodically, we may choose to perform a qualitative assessment, prior to performing the quantitative analysis, to determine whether the fair value of the goodwill is more likely than not impaired.

We generally base our measurement of fair value of reporting units on a blended analysis of the present value of future discounted cash flows and market valuation approach. The discounted cash flows model indicates the fair value of the reporting units based on the present value of the cash flows that we expect the reporting units to generate in the future. Our significant

estimates in the discounted cash flows model include: our weighted average cost of capital; long-term rate of growth and profitability of our business; and working capital effects. The market valuation approach indicates the fair value of the business based on a comparison of the Company to comparable publicly traded firms in similar lines of business. Our significant estimates in the market approach model include identifying similar companies with comparable business factors such as size, growth, profitability, risk and return on investment and assessing comparable revenue and operating income multiples in estimating the fair value of the reporting units.

We believe the weighted use of discounted cash flows and market approach is the best method for determining the fair value of our reporting units because these are the most common valuation methodologies used within the travel and internet industries; and the blended use of both models compensates for the inherent risks associated with either model if used on a stand-alone basis.

In addition to measuring the fair value of our reporting units as described above, we consider the combined carrying and fair values of our reporting units in relation to the Company's total fair value of equity plus debt as of the assessment date. Our equity value assumes our fully diluted market capitalization, using either the stock price on the valuation date or the average stock price over a range of dates around the valuation date, plus an estimated acquisition premium which is based on observable transactions of comparable companies. The debt value is based on the highest value expected to be paid to repurchase the debt, which can be fair value, principal or principal plus a premium depending on the terms of each debt instrument.

In our evaluation of our indefinite-lived intangible assets, we typically first perform a quantitative assessment and an impairment charge is recorded for the excess of the carrying value of indefinite-lived intangible assets over their fair value, if necessary. We base our measurement of fair value of indefinite-lived intangible assets, which primarily consist of trade name and trademarks, using the relief-from-royalty method. This method assumes that the trade name and trademarks have value to the extent that their owner is relieved of the obligation to pay royalties for the benefits received from them. As with goodwill, periodically, we may choose to perform a qualitative assessment, prior to performing the quantitative analysis, to determine whether the fair value of the indefinite-lived intangible asset is more likely than not impaired.

Recoverability of Intangible Assets with Definite Lives and Other Long-Lived Assets

Intangible assets with definite lives and other long-lived assets are carried at cost and are amortized on a straight-line basis over their estimated useful lives of one to ten years. We review the carrying value of long-lived assets or asset groups, including property and equipment, to be used in operations whenever events or changes in circumstances indicate that the carrying amount of the assets might not be recoverable. Factors that would necessitate an impairment assessment include a significant adverse change in the extent or manner in which an asset is used, a significant adverse change in legal factors or the business climate that could affect the value of the asset, or a significant decline in the observable market value of an asset, among others. If such facts indicate a potential impairment, we would assess the recoverability of an asset group by determining if the carrying value of the asset group exceeds the sum of the projected undiscounted cash flows expected to result from the use and eventual disposition of the assets over the remaining economic life of the primary asset in the asset group. If the recoverability test indicates that the carrying value of the asset group is not recoverable, we will estimate the fair value of the asset group using appropriate valuation methodologies which would typically include an estimate of discounted cash flows. Any impairment would be measured as the difference between the asset groups carrying amount and its estimated fair value.

Assets held for sale, to the extent we have any, are reported at the lower of cost or fair value less costs to sell.

Income Taxes

We record income taxes under the liability method. Deferred tax assets and liabilities reflect our estimation of the future tax consequences of temporary differences between the carrying amounts of assets and liabilities for book and tax purposes. We determine deferred income taxes based on the differences in accounting methods and timing between financial statement and income tax reporting. Accordingly, we determine the deferred tax asset or liability for each temporary difference based on the enacted tax rates expected to be in effect when we realize the underlying items of income and expense.

We consider many factors when assessing the likelihood of future realization of our deferred tax assets, including our recent earnings experience by jurisdiction, expectations of future taxable income, and the carryforward periods available to us for tax reporting purposes, as well as other relevant factors. We may establish a valuation allowance to reduce deferred tax assets to the amount we believe is more likely than not to be realized. Due to inherent complexities arising from the nature of our businesses, future changes in income tax law, tax sharing agreements or variances between our actual and anticipated operating results, we make certain judgments and estimates. Therefore, actual income taxes could materially vary from these estimates. All deferred income taxes are classified as long-term on our consolidated balance sheets.

We account for uncertain tax positions based on a two-step process of evaluating recognition and measurement criteria. The first step assesses whether the tax position is more likely than not to be sustained upon examination by the tax authority, including resolution of any appeals or litigation, based on the technical merits of the position. If the tax position meets the more

likely than not criteria, the portion of the tax benefit greater than 50% likely to be realized upon settlement with the tax authority is recognized in the financial statements.

We recognize interest and penalties related to unrecognized tax benefits in the income tax expense line in our consolidated statement of operations. Accrued interest and penalties are included in other long-term liabilities on the consolidated balance sheet.

In relation to tax effects for accumulated OCI, our policy is to release the tax effects of amounts reclassified from accumulated OCI to pre-tax income (loss) from continuing operations. Any remaining tax effect in accumulated OCI is released following a portfolio approach.

We account for the global intangible low-tax income earned by our foreign subsidiaries included in gross U.S. taxable income in the period incurred.

Derivative Instruments

Derivative instruments are carried at fair value on our consolidated balance sheets. The fair values of the derivative financial instruments generally represent the estimated amounts we would expect to receive or pay upon termination of the contracts as of the reporting date.

At December 31, 2023 and 2022, our derivative instruments primarily consisted of foreign currency forward contracts. We use foreign currency forward contracts to economically hedge certain merchant revenue exposures, foreign denominated liabilities related to certain of our loyalty programs and our other foreign currency-denominated operating liabilities. Our goal in managing our foreign exchange risk is to reduce, to the extent practicable, our potential exposure to the changes that exchange rates might have on our earnings, cash flows and financial position. Our foreign currency forward contracts are typically short-term and, as they do not qualify for hedge accounting treatment, we classify the changes in their fair value in other, net and present associated cash flows within investing activities on the statement of cash flows. We do not hold or issue financial instruments for speculative or trading purposes.

Until their redemption in March 2022, the aggregate principal value of our €650 million of registered senior unsecured notes that bore interest at 2.5% (the “2.5% Notes”) was designated as a hedge of our net investment in certain Euro-functional currency subsidiaries. In March 2022, we redeemed the 2.5% Notes and terminated the related hedging relationship. The currency translation adjustment amounts associated with the net investment hedge of the 2.5% Notes will remain in accumulated OCI until realized upon a full or partial sale or liquidation of applicable Euro-functional currency subsidiaries.

In March 2022, we entered into two fixed-to-fixed cross-currency interest rate swaps (the “swaps”) with an aggregate notional amount of €300 million. During the term of each contract, we receive interest payments in U.S. dollars at a fixed rate of 5% and make interest payments in Euros at an average fixed rate of 3.38% based on a notional amount and fixed interest rates determined at contract inception. The swaps were designated as a hedge of our net investment in certain Euro functional currency subsidiaries. Hedge effectiveness is assessed each quarter based on the net investment in the foreign subsidiaries designated as the hedged item and the changes in the fair value of the designated interest rate swaps based on spot rates. For hedges that meet the effectiveness requirements, changes in fair value are recorded as accumulated OCI within the foreign currency translation adjustment. Amounts excluded from hedge effectiveness at inception are recognized as interest accrues within interest expense. The maturity date of both swaps is February 2026, whereby, we will receive U.S. dollars from and pay Euros to the contract counterparties.

Foreign Currency Translation and Transaction Gains and Losses

Certain of our operations outside of the United States use the related local currency as their functional currency. We translate revenue and expense at average rates of exchange during the period. We translate assets and liabilities at the rates of exchange as of the consolidated balance sheet dates and include foreign currency translation gains and losses as a component of accumulated OCI. Due to the nature of our operations and our corporate structure, we also have subsidiaries that have significant transactions in foreign currencies other than their functional currency. We record transaction gains and losses in our consolidated statements of operations related to the recurring remeasurement and settlement of such transactions.

To the extent practicable, we attempt to minimize this exposure by maintaining natural hedges between our current assets and current liabilities of similarly denominated foreign currencies. Additionally, as discussed above, we use foreign currency forward contracts to economically hedge certain merchant revenue exposures and in lieu of holding certain foreign currency cash for the purpose of economically hedging our foreign currency-denominated operating liabilities.

Debt Issuance Costs

We defer costs we incur to issue debt, which are presented in the balance sheet as a direct deduction from the carrying amount of the related debt liability, and amortize these costs to interest expense over the term of the debt or in circumstances where the debt can be redeemed at the option of the holders, over the term of the redemption option.

Marketing Promotions

We periodically provide incentive offers to our customers to encourage booking of travel products and services. Generally, our incentive offers are as follows:

Current Discount Offers. These promotions include dollar or percent off discounts to be applied against current purchases. We record the discounts as reduction in revenue at the date we record the corresponding revenue transaction.

Inducement Offers. These promotions include discounts granted at the time of a current purchase to be applied against a future qualifying purchase. We treat inducement offers as a reduction to revenue based on estimated future redemption rates. We allocate the discount amount at the time of the offer between the current performance obligation and the potential future performance obligations based on our expected relative value of the transactions. We estimate our redemption rates using our historical experience for similar inducement offers.

Concession Offers. These promotions include discounts to be applied against a future purchase to maintain customer satisfaction. Upon issuance, we record these concession offers as a reduction to revenue based on estimated future redemption rates. We estimate our redemption rates using our historical experience for concession offers.

Advertising Expense

We incur advertising expense consisting of offline costs, including television and print advertising, and online advertising expense to promote our brands. We expense the production costs associated with advertisements in the period in which the advertisement first takes place. We expense the costs of communicating the advertisement (e.g., television airtime) as incurred each time the advertisement is shown. For the years ended December 31, 2023, 2022 and 2021, our advertising expense was \$3.8 billion, \$3.9 billion and \$2.7 billion.

Stock-Based Compensation

We measure and amortize the fair value of restricted stock units ("RSUs") and stock options as follows:

Restricted Stock Units. RSUs are stock awards that are granted to employees entitling the holder to shares of common stock as the award vests, typically over a four-year period, but may accelerate in certain circumstances. We measure the value of RSUs at fair value based on the number of shares granted and the quoted price of our common stock at the date of grant. We amortize the fair value, net of actual forfeitures, as stock-based compensation expense over the vesting term generally on a straight-line basis, but at least equal to the portion of the grant-date fair value of the award that is vested at that date. In addition, we have a limited number of performance stock units ("PSUs"), for which we calculate the fair value using a Monte Carlo valuation model and amortized the fair value, net of actual forfeitures, as stock-based compensation over the vesting term, generally a two or three year period, on an accelerated basis. The number of shares that ultimately vest depends on achieving certain performance metrics or performance goals, as applicable, by the end of the performance period, assuming there is no accelerated vesting for, among other things, a termination of employment under certain circumstances. We record RSUs that may be settled by the holder in cash, rather than shares, as a liability and we remeasure these instruments at fair value at the end of each reporting period. Upon settlement of these awards, our total compensation expense recorded over the vesting period of the awards will equal the settlement amount, which is based on our stock price on the settlement date.

Stock Options. Our employee stock options consist of service based awards. We measure the value of stock options issued or modified, including unvested options assumed in acquisitions, on the grant date (or modification or acquisition dates, if applicable) at fair value, using appropriate valuation techniques, including the Black-Scholes. We amortize the fair value, net of actual forfeitures, over the remaining explicit vesting term in the case of service-based awards and the longer of the derived service period or the explicit service period for awards with market conditions on a straight-line basis. In addition, we classify certain employee option awards as liabilities when we deem it not probable that the employees holding the awards will bear the risk and rewards of stock ownership for a reasonable period of time. Such options are revalued at the end of each reporting period and upon settlement our total compensation expense recorded from grant date to settlement date will equal the settlement amount. The majority of our stock options vest over three to four years.

Estimates of fair value are not intended to predict actual future events or the value ultimately realized by employees who receive these awards, and subsequent events are not indicative of the reasonableness of our original estimates of fair value.

Earnings Per Share

We compute basic earnings per share by taking net income or loss attributable to Expedia Group, Inc. available to common stockholders divided by the weighted average number of common and Class B common shares outstanding during the period excluding restricted stock and stock held in escrow. Diluted earnings per share include the potential dilution that could occur from stock-based awards and other stock-based commitments (which includes our Convertible Notes) using the treasury stock or the if converted method, as applicable. For additional information on how we compute earnings per share, see NOTE 12 — Earnings Per Share.

Fair Value Recognition, Measurement and Disclosure

The carrying amounts of cash and cash equivalents and restricted cash and cash equivalents reported on our consolidated balance sheets approximate fair value as we maintain them with various high-quality financial institutions. The accounts receivable are short-term in nature and are generally settled shortly after the sale.

We disclose the fair value of our financial instruments based on the fair value hierarchy using the following three categories:

Level 1 — Valuations based on quoted prices for identical assets and liabilities in active markets.

Level 2 — Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 — Valuations based on unobservable inputs reflecting the Company's own assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

Certain Risks and Concentrations

Our business is subject to certain risks and concentrations including dependence on relationships with travel suppliers, primarily airlines and hotels, dependence on third-party technology providers, exposure to risks associated with online commerce security and payment related fraud. We also rely on global distribution system partners and third-party service providers for certain fulfillment services.

Financial instruments, which potentially subject us to concentration of credit risk, consist primarily of cash and cash equivalents. We maintain some cash and cash equivalents balances with financial institutions that are in excess of Federal Deposit Insurance Corporation insurance limits. Our cash and cash equivalents are primarily composed of term deposits as well as bank (both interest and non-interest bearing) account balances denominated in U.S. dollars, Euros, British pound, Canadian dollar, Australian dollar, Brazilian real, Indian Rupee, South Korean Won and Japanese Yen.

Contingent Liabilities

We have a number of regulatory and legal matters outstanding, as discussed further in NOTE 15 — Commitments and Contingencies. Periodically, we review the status of all significant outstanding matters to assess the potential financial exposure. When (i) it is probable that an asset has been impaired or a liability has been incurred and (ii) the amount of the loss can be reasonably estimated, we record the estimated loss in our consolidated statements of operations. We provide disclosure in the notes to the consolidated financial statements for loss contingencies that do not meet both of these conditions if there is a reasonable possibility that a loss may have been incurred that would be material to the financial statements. Significant judgment is required to determine the probability that a liability has been incurred and whether such liability is reasonably estimable. We base accruals made on the best information available at the time which can be highly subjective. The final outcome of these matters could vary significantly from the amounts included in the accompanying consolidated financial statements.

Occupancy and Other Taxes

Some states and localities impose taxes (e.g. transient occupancy, accommodation tax, sales tax, and/or business privilege tax) on the use or occupancy of hotel accommodations or other traveler services. Generally, hotels collect taxes based on the room rate paid to the hotel and remit these taxes to the various tax authorities. When a customer books a room through one of our travel services, we collect a tax recovery charge from the customer which we pay to the hotel. We calculate the tax recovery charge by applying the applicable tax rate supplied to us by the hotels to the amount that the hotel has agreed to receive for the rental of the room by the consumer. In most jurisdictions, we do not collect or remit taxes, nor do we pay taxes to the hotel operator on the portion of the customer payment we retain. Some jurisdictions have questioned our practice in this regard. While the applicable tax provisions vary among the jurisdictions, we generally believe that we are not required to collect and

remit such taxes. A limited number of taxing jurisdictions have made similar claims against certain of our companies for tax amounts due on the rental amounts charged by owners of alternative accommodations properties or for taxes on our services. We are an intermediary between a traveler and a party renting a vacation property and we believe is similarly not liable for such taxes. We are engaged in discussions with tax authorities in various jurisdictions to resolve these issues. Some tax authorities have brought lawsuits or have levied assessments asserting that we are required to collect and remit tax. The ultimate resolution in all jurisdictions cannot be determined at this time. We have established a reserve for the potential settlement of issues related to hotel occupancy and other taxes when determined to be probable and estimable. See NOTE 15 — Commitments and Contingencies for further discussion.

Recently Adopted Accounting Policies

As of January 1, 2023, we adopted the new guidance related to recognizing and measuring contract assets and contract liabilities from contracts with customers acquired in a business combination. The new guidance requires acquiring entities to apply Topic 606 to recognize and measure contract assets and contract liabilities in a business combination as compared to current GAAP where an acquirer generally recognizes such items at fair value on the acquisition date. The adoption of this new guidance had no impact on our consolidated financial statements.

Recent Accounting Policies Not Yet Adopted

In November 2023, the Financial Accounting Standards Board ("FASB") issued new guidance that modifies the disclosure and presentation requirements of reportable segments. The new guidance requires the disclosure of significant segment expenses that are regularly provided to the chief operating decision maker ("CODM") and included within each reported measure of segment profit and loss. In addition, the new guidance enhances interim disclosure requirements, clarifies circumstances in which an entity can disclose multiple segment measures of profit or loss, provides new segment disclosure requirements for entities with a single reportable segment, and contains other disclosure requirements. The update is effective for annual periods beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024, with early adoption permitted. We are in the process of evaluating the impact of adopting this new guidance on our consolidated financial statement disclosures.

In December 2023, the FASB issued new guidance to improve its income tax disclosure requirements. Under the new guidance, public business entities must annually (1) disclose specific categories in the rate reconciliation and (2) provide additional information for reconciling items that meet a quantitative threshold (if the effect of those reconciling items is equal to or greater than 5 percent of the amount computed by multiplying pretax income (loss) by the applicable statutory income tax rate). The new guidance is effective for public business entities for annual periods beginning after December 15, 2024. We are in the process of evaluating the impact of adopting this new guidance on our consolidated financial statement disclosures.

NOTE 3 — Fair Value Measurements

Financial assets and liabilities measured at fair value on a recurring basis as of December 31, 2023 are classified using the fair value hierarchy in the table below:

Financial assets measured at fair value on a recurring basis as of December 31, 2022 are classified using the fair value hierarchy in the table below:

	Total	Level 1	Level 2
	(In millions)		
Assets			
Cash equivalents:			
Money market funds	\$ 3	\$ 3	\$ —
Term deposits	188	—	188
Derivatives:			
Foreign currency forward contracts	15	—	15
Cross-currency interest rate swaps	21	—	21
Investments:			
Term deposits	48	—	48
Equity investments	564	49	515
Total assets	\$ 839	\$ 52	\$ 787

We classify our cash equivalents and investments within Level 1 and Level 2 as we value our cash equivalents and investments using quoted market prices or alternative pricing sources and models utilizing market observable inputs. Valuation of the foreign currency forward contracts is based on foreign currency exchange rates in active markets, a Level 2 input. Valuation of the cross-currency interest rate swaps is based on foreign currency exchange rates and the current interest rate curve, Level 2 inputs.

We hold term deposit investments with financial institutions. Term deposits with original maturities of less than three months are classified as cash equivalents. Those with remaining maturities of less than one year are classified within short-term investments and those with remaining maturities of greater than one year are classified within long-term investments and other assets.

As of December 31, 2023 and 2022, our cash and cash equivalents consisted primarily of term deposits and money market funds with maturities of three months or less and bank account balances.

We use foreign currency forward contracts to economically hedge certain merchant revenue exposures, foreign denominated liabilities related to certain of our loyalty programs and our other foreign currency-denominated operating liabilities. As of December 31, 2023, we were party to outstanding forward contracts hedging our liability exposures with a total net notional value of \$3.7 billion. As of December 31, 2023 and 2022, we had net forward liability of \$9 million (\$28 million gross forward liability) recorded in accrued expenses and other current liabilities and \$15 million (\$29 million gross forward asset) recorded in prepaid expenses and other current assets. We recorded \$(24) million, \$(66) million and \$1 million in net gains (losses) from foreign currency forward contracts in 2023, 2022 and 2021.

On March 2, 2022, we entered into two fixed-to-fixed cross-currency interest rate swaps with an aggregate notional amount of €300 million, and maturity dates of February 2026. The swaps were designated as net investment hedges of Euro assets with the objective to protect the U.S. dollar value of our net investments in the Euro foreign operations due to movements in foreign currency. The fair value of the cross-currency interest rate swaps was an \$8 million asset as of December 31, 2023 and a \$21 million asset as of December 31, 2022, recorded in long-term investments and other assets. The gain recognized in interest expense was \$5 million during the years ended December 31, 2023 and 2022.

Our equity investments include our marketable equity investment in Despegar, a publicly traded company, which is included in long-term investments and other assets in our consolidated balance sheets. During the years ended December 31, 2023, 2022, and 2021, we recognized gains (losses) of approximately \$42 million, \$(45) million and \$(29) million, respectively, within other, net in our consolidated statements of operations related to the fair value changes of this equity investment.

In connection with our disposition of Egencia (our former corporate travel arm) in November 2021 as discussed in NOTE 16 – Divestitures, we became an indirect holder of approximately 19% interest in GBT JerseyCo Ltd. (“GBT”), doing business as American Express Global Business Travel, with an initial fair value of \$815 million. In May 2022, GBT completed a deSPAC business combination with Apollo Strategic Growth Capital. This combination resulted in a newly publicly traded company, Global Business Travel Group, Inc. (“GBTG”), which together with GBT’s pre-combination shareholders owned all of GBT. Post combination and as of December 31, 2022, we had an approximately 16% ownership interest in GBT and a commensurate voting interest in GBTG. In July 2023, GBTG simplified its organizational structure, and we exchanged our previously held GBT shares for an equal number of GBTG shares with no change to our ownership interest. Our previous GBT shares were exchangeable on a 1:1 basis for GBTG shares, and as such, we valued our investment based on the GBTG’s share

price. As a result of this exchange, as of the third quarter of 2023, we reclassified our investment from Level 2 to a Level 1 asset. As of December 31, 2023, we have an approximately 16% ownership interest in GBTG. In 2023 and 2022, we recognized a loss of approximately \$26 million and approximately \$300 million within other, net in our consolidated statements of operations related to the fair value changes of this equity investment.

Assets Measured at Fair Value on a Non-recurring Basis

Our non-financial assets, such as goodwill, intangible assets and property and equipment, as well as equity method investments for which we have not elected the fair value option, are adjusted to fair value when an impairment charge is recognized or the underlying investment is sold. Such fair value measurements are based predominately on Level 3 inputs. We measure our minority investments that do not have readily determinable fair values at cost less impairment, adjusted by observable price changes with changes recorded within other, net on our consolidated statements of operations.

Goodwill. During 2023, we recognized a goodwill impairment charge of \$297 million related to our trivago segment. This impairment charge resulted from trivago's recent strategic shift which included intensifying its brand marketing investments with an anticipated decrease in profitability. As a result, we concluded that sufficient indicators existed that to require us to perform an interim quantitative assessment of goodwill for our trivago segment as of September 30, 2023, in which we compared the fair value of the reporting unit to its carrying value. The fair value estimate for the reporting unit was based on a blended analysis of the present value of future discounted cash flows and market value approach, Level 3 inputs. The significant estimates used in the discounted cash flows model included our weighted average cost of capital, projected cash flows and the long-term rate of growth. Our assumptions were based on the actual historical performance of the reporting unit and considered the weakening of operating results, and implied risk premiums based on market prices of our equity and debt as of the assessment date. Our significant estimates in the market approach model included identifying similar companies with comparable business factors such as size, growth, profitability, risk and return on investment and assessing comparable revenue and earnings multiples in estimating the fair value of the reporting unit. The excess of the reporting unit's carrying value over our estimate of the fair value was recorded as the goodwill impairment charge in third quarter of 2023. As of December 31, 2023, our trivago segment had no goodwill remaining.

As noted above, trivago is subject to its own reporting and filing requirements and, therefore, assesses goodwill at a lower level, which could result in possible differences in the ultimate amount or timing of impairments recognized. Additionally, as the stock of our trivago segment is publicly traded, it is difficult to predict market dynamics and the extent or duration of any stock declines.

During 2021, we recognized a goodwill impairment charge of \$14 million in our B2B segment resulting from valuing a component of our Egencia reporting unit that remained after the sale on November 1, 2021.

Intangible and Long-term Assets. During 2023, we recognized intangible asset impairment charges of \$129 million related to indefinite-lived trade names that resulted from changes in estimated future revenues of the related brands, of which \$114 million related to our B2C segment and \$15 million related to our trivago segment. The indefinite-lived intangible assets, classified as Level 3 measurements, were valued using the relief-from-royalty method, which includes unobservable inputs, including projected revenues and royalty rates, which ranged from 3% to 4% with a weighted average royalty rate of 3.2%.

During 2022, we recognized intangible impairment charges of \$81 million related to an indefinite-lived trade name within our trivago segment that resulted from changes in the weighted average cost of capital. The indefinite-lived trade name asset, classified as Level 3 measurements, was valued using the relief-from-royalty method, which includes unobservable inputs, including projected revenues, royalty rates and weighted average cost of capital.

During 2021, we recognized long-term asset impairment charges of \$6 million in our B2B segment resulting from the write-off of capitalized software of a component of our Egencia reporting unit that remained after the sale on November 1, 2021.

Minority Investments without Readily Determinable Fair Values. As of both December 31, 2023 and 2022, the carrying values of our minority investments without readily determinable fair values totaled \$330 million. During 2023, 2022 and 2021, we had no material gains or losses recognized related to these minority investments. As of December 31, 2023, total cumulative adjustments made to the initial cost basis of these investments included \$2 million in unrealized upward adjustments and \$105 million in unrealized downward adjustments (including impairments).

For the years ended December 31, 2023, 2022 and 2021, we recorded amortization of capitalized software development costs of \$642 million, \$597 million and \$588 million included in depreciation and amortization expense.

As of December 31, 2023, 2022 and 2021, we had \$5 million, \$26 million and \$4 million, respectively, included in accounts payable for the acquisition of property and equipment, which is considered a non-cash investing activity in the consolidated statements of cash flows.

NOTE 5 – Leases

We have operating leases for office space and data centers. Our leases have remaining lease terms of one year to 14 years, some of which include options to extend the leases for up to ten years, and some of which include options to terminate the leases within one year.

Operating lease costs were \$97 million, \$99 million and \$119 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Impairment Assessments. We perform our annual assessment of possible impairment of goodwill and indefinite-lived intangible assets as of October 1, or more frequently if events and circumstances indicate that an impairment may have occurred.

During 2023, due to trivago's recent strategic shift which included intensifying its brand marketing investments with an anticipated decrease in profitability, in addition to our annual assessment, we deemed it necessary to perform an interim assessment of goodwill and intangible assets. As a result of the assessment during the third quarter of 2023, we recognized a goodwill impairment charge of \$297 million related to our trivago segment as well as intangible impairment charges of \$15 million related to indefinite-lived trade name within our trivago segment. In addition, during the fourth quarter of 2023, we recognized intangible impairment charges of \$114 million related to indefinite-lived trade names within our B2C segment.

During 2022, we recognized intangible impairment charges of \$81 million related to an indefinite-lived trade name within our trivago segment. During 2021, we recognized a goodwill impairment charge of \$14 million.

Goodwill. The following table presents the changes in goodwill by reportable segment:

As of December 31, 2022, accumulated goodwill impairment losses in total were \$3.3 billion, of which \$3.0 billion was associated with our B2C segment, \$240 million was associated with our trivago segment and \$14 million was associated with our B2B segment.

Indefinite-lived Intangible Assets. Our indefinite-lived intangible assets relate principally to trade names and trademarks acquired in various acquisitions.

Redemption of Senior Notes

During 2022, we early redeemed all of our €650 million registered senior unsecured notes that were due June 2022 and bore interest at 2.5% (the “2.5% Notes”), all of our \$500 million registered senior unsecured notes that were due December 2023 and bore interest at 3.6% (the “3.6% Notes”), and all of our \$500 million registered senior unsecured notes that were due August 2024 and bore interest at 4.5% (the “4.5% Notes”), which resulted in the recognition of a loss on debt extinguishment of \$24 million during the year ended December 31, 2022. This loss primarily reflected the payment of “make-whole” premiums of \$20 million for the 3.6% and 4.5% Notes as well as the write-off of unamortized debt issuance costs and discounts of \$4 million.

In addition, during 2022, we settled a tender offer to purchase \$500 million in aggregate principal of our 2.95% Senior Notes due 2031 (the “2.95% Notes”) for an aggregate cash repurchase price of approximately \$418 million, which resulted in

the recognition of a net gain on debt extinguishment of \$73 million. The net gain included the write-off of debt issuance costs and discounts of \$8 million as well as fees of \$1 million.

During 2021, we redeemed all of our then outstanding 7.0% senior notes due 2025 as well as settled the tender offer to purchase \$956 million in aggregate principal of our 6.25% senior notes due 2025, which resulted in the recognition of a loss on debt extinguishment of \$280 million during the year ended December 31, 2021. This loss primarily reflected the payment of early payment premiums and fees associated with the tender offer as well as the write-off of unamortized debt issuance costs.

Outstanding Debt

Senior Notes Outstanding. In prior years, we issued the following senior notes, which are still outstanding as of December 31, 2023:

- Approximately \$1 billion of senior unsecured notes that are due in May 2025 that bear interest at 6.25% (the “6.25% Notes”), which reflects the 2021 tender offer to purchase \$956 million in aggregate principal discussed above. The 6.25% Notes were issued at a price of 100% of the aggregate principal amount. Interest is payable semi-annually in arrears in May and November of each year. We may redeem some or all of the 6.25% Notes at any time prior to February 1, 2025 by paying a “make-whole” premium plus accrued and unpaid interest, if any. We may redeem some or all of the 6.25% Notes on or after February 1, 2025 at par plus accrued and unpaid interest, if any.
- \$750 million of registered senior unsecured notes that are due in February 2026 that bear interest at 5.0% (the “5.0% Notes”). The 5.0% Notes were issued at 99.535% of par resulting in a discount, which is being amortized over their life. Interest is payable semi-annually in arrears in February and August of each year. We may redeem the 5.0% Notes at our option at any time in whole or from time to time in part. If we elect to redeem the 5.0% Notes prior to November 12, 2025, we may redeem them at a redemption price of 100% of the principal plus accrued interest, plus a “make-whole” premium. If we elect to redeem the 5.0% Notes on or after November 12, 2025, we may redeem them at a redemption price of 100% of the principal plus accrued interest.
- \$750 million of registered senior unsecured notes that are due in August 2027 that bear interest at 4.625% (the “4.625% Notes”). The 4.625% Notes were issued at a price of 99.997% of the aggregate principal amount. Interest is payable semi-annually in arrears in February and August of each year. We may redeem some or all of the 4.625% Notes at any time prior to May 1, 2027 by paying a “make-whole” premium plus accrued and unpaid interest, if any. We may redeem some or all of the 4.625% Notes on or after May 1, 2027 at par plus accrued and unpaid interest, if any.

We may redeem the 3.8% Notes at our option at any time in whole or from time to time in part. If we elect to redeem the 3.8% Notes prior to November 15, 2027, we may redeem them at a redemption price of 100% of the principal plus accrued interest, plus a “make-whole” premium. If we elect to redeem the 3.8% Notes on or after November 15, 2027, we may redeem them at a redemption price of 100% of the principal plus accrued interest.

The 3.25% Notes were issued at 99.225% of par resulting in a discount, which is being amortized over their life. Interest is payable semi-annually in arrears in February and August of each year. We may redeem the 3.25% Notes at our option at any time in whole or from time to time in part. If we elect to redeem the 3.25% Notes prior to November 15, 2029, we may redeem them at a redemption price of 100% of the principal plus accrued interest, plus a “make-whole” premium. All of our outstanding senior notes (collectively the “Senior Notes”) are senior unsecured obligations issued by Expedia Group and guaranteed by certain domestic Expedia Group subsidiaries. The Senior Notes rank equally in right of payment with all of our existing and future unsecured and unsubordinated obligations of Expedia Group and the guarantor subsidiaries. In addition, the Senior Notes include covenants that limit our ability to (i) create certain liens, (ii) enter into sale/leaseback

transactions and (iii) merge or consolidate with or into another entity or transfer substantially all of our assets. The Senior Notes are redeemable in whole or in part, at the option of the holders thereof, upon the occurrence of certain change of control triggering events at a purchase price in cash equal to 101% of the principal plus accrued and unpaid interest. Accrued interest related to the Senior Notes was \$73 million as of both December 31, 2023 and 2022.

Convertible Notes Outstanding. The net carrying amount of the Convertible Notes as of December 31, 2023 and 2022 was \$993 million and \$989 million, respectively, which reflects the \$1 billion in principal less unamortized debt issuance costs of \$7 million and \$11 million, respectively. Interest expense related to the amortization of the debt issuance costs for the Convertible Notes was \$3 million during both of the years ended December 31, 2023 and 2022.

The Convertible Notes are unsecured, unsubordinated obligations and rank equally in right of payment with each other and with all of our existing and future unsecured and unsubordinated obligations, including our existing senior notes. The Convertible Notes are fully and unconditionally guaranteed by the subsidiary guarantors, which include each domestic subsidiary that is a borrower under or guarantees the obligations under our existing senior secured credit agreement. So long as the guarantees are in effect, each subsidiary guarantor's guarantee will be the unsecured, unsubordinated obligation of such subsidiary guarantor and will rank equally in right of payment with each other and with all of such subsidiary guarantor's existing and future unsecured and unsubordinated obligations, including such subsidiary guarantor's guarantees of our existing senior notes.

The Convertible Notes will mature on February 15, 2026, unless earlier converted, redeemed or repurchased. The Convertible Notes will not bear regular interest, and the principal amount of the Convertible Notes will not accrete.

The Convertible Notes have an initial conversion rate of 3.9212 shares of common stock of Expedia Group with a par value \$0.0001 per share (referred to as "our common stock" herein), per \$1,000 principal amount of Convertible Notes, which is equal to an initial conversion price of approximately \$255.02 per share of our common stock. The conversion rate is subject to adjustment from time to time upon the occurrence of certain events, including, but not limited to, the issuance of stock dividends and payment of cash dividends. At any time prior to the close of business on the business day immediately preceding November 15, 2025, holders may convert their Convertible Notes at their option only under the following circumstances:

- during any calendar quarter commencing after the calendar quarter ending on March 31, 2021 (and only during such calendar quarter), if the last reported sale price of our common stock for at least 20 trading days (whether or not consecutive) during the period of 30 consecutive trading days ending on, and including, the last trading day of the immediately preceding calendar quarter is equal to or greater than 130% of the conversion price then in effect on each applicable trading day;
- during the five business day period immediately after any five consecutive trading day period (the "measurement period") in which the trading price per \$1,000 principal amount of Convertible Notes for each trading day of the measurement period was less than 98% of the product of the last reported sale price of our common stock and the conversion rate on each such trading day;
- if the Company calls any or all of the Convertible Notes for redemption, at any time prior to the close of business on the business day immediately prior to the redemption date, but only with respect to the Convertible Notes called for redemption (or deemed called for redemption); or
- upon the occurrence of specified corporate events.

Irrespective of the foregoing conditions, holders may convert their Convertible Notes on or after November 15, 2025 and prior to the close of business on the second scheduled trading day immediately preceding the maturity date. Additionally, upon the occurrence of a corporate event that constitutes a "make-whole fundamental change" per the indenture, or if we call the Convertible Notes for redemption, and a holder elects to convert its Convertible Notes in connection with such make-whole fundamental change or during the related redemption period, as the case may be, such holder may be entitled to an increase in the conversion rate in certain circumstances as described in the indenture. Upon conversion, holders will receive cash, shares of our common stock or a combination of cash and shares of our common stock, at our election.

We may not redeem the Convertible Notes prior to February 20, 2024. On or after February 20, 2024 and prior to the 41st scheduled trading day immediately preceding the maturity date, if the last reported sale price per share of our common stock has been at least 130% of the conversion price then in effect for at least 20 trading days (whether or not consecutive) during any 30 consecutive trading day period (including the last trading day of such period) ending on, and including, the trading day immediately preceding the date on which we provide notice of redemption, we may redeem for cash all or part of the Convertible Notes at a redemption price equal to 100% of the principal amount of the Convertible Notes to be redeemed, plus accrued and unpaid special interest, if any, to, but excluding, the redemption date, except as otherwise described in the indenture.

Estimated Fair Value. The total estimated fair value of our Senior Notes was approximately \$5.1 billion and \$4.9 billion as of December 31, 2023 and 2022. Additionally, the estimated fair value of the Convertible Notes was \$953 million and \$871 million as of December 31, 2023 and 2022. The fair value was determined based on quoted market prices in less active markets and is categorized according as Level 2 in the fair value hierarchy.

Credit Facility

As of December 31, 2023 and 2022, Expedia Group maintained a \$2.5 billion revolving credit facility that matures in April 2027. As of December 31, 2023 and 2022, we had no revolving credit facility borrowings outstanding. Loans under the revolving credit facility bear interest at a rate equal to an index rate plus a margin (a) in the case of term benchmark loans, ranging from 1.00% to 1.75% per annum, depending on Expedia Group's credit ratings, and (b) in the case of base rate loans, ranging from 0.00% to 0.75% per annum, depending on Expedia Group's credit ratings. A fee is payable quarterly in respect of undrawn commitments under the revolving credit facility at a rate ranging from 0.10% to 0.25% per annum, depending on Expedia Group's credit ratings. The terms of the revolving credit facility require Expedia Group to not exceed a specified maximum consolidated leverage ratio as of the end of each fiscal quarter.

The revolving credit facility has a \$120 million letter of credit ("LOC") sublimit, and the amount of LOCs issued under the facility reduced the credit amount available. As of December 31, 2023 and 2022, there was \$40 million and \$38 million of outstanding stand-by LOCs issued under the facility.

NOTE 8 — Employee Benefit Plans

Our U.S. employees are generally eligible to participate in a retirement and savings plan that qualifies under Section 401(k) of the Internal Revenue Code. Participating employees may contribute up to 50% of their eligible compensation on a pre-tax and/or Roth basis. Employees may also contribute up to 10% after-tax, not to exceed 60% of pay and not more than statutory limits. Expedia Group makes matching contributions in an amount equal to 50% of participant 401(k) contributions up to the first 6% of their compensation each payroll period. Our contribution vests with the employee after the employee completes two years of service. Participating employees have the option to invest in our common stock, but there is no requirement for participating employees to invest their contribution or our matching contribution in our common stock. We also have various defined contribution plans for our international employees. Our contributions to these benefit plans were \$72 million, \$63 million and \$68 million for the years ended December 31, 2023, 2022 and 2021.

The total intrinsic value of stock options exercised was \$9 million, \$89 million and \$302 million for the years ended December 31, 2023, 2022 and 2021.

There were no options granted during 2023 or 2022. The fair value of stock options granted during 2021 were estimated at the date of grant using the Black-Scholes option-pricing model, assuming the following weighted average assumptions:

Risk-free interest rate	0.82 %
Expected volatility	42.64 %
Expected life (in years)	5.13
Dividend yield	— %
Weighted-average estimated fair value of options granted during the year	\$ 60.39

In 2023, 2022 and 2021, we recognized total stock-based compensation expense of \$413 million, \$374 million and \$418 million. The total income tax benefit related to stock-based compensation expense was \$88 million, \$106 million and \$157 million for 2023, 2022 and 2021. We capitalized \$71 million, \$54 million and \$68 million of stock-based compensation expense associated with the cost of developing internal-use software in 2023, 2022 and 2021.

Cash received from stock-based award exercises for the years ended December 31, 2023, 2022 and 2021 was \$60 million, \$98 million and \$476 million, respectively. Total current income tax benefits during the years ended December 31, 2023, 2022 and 2021 associated with the exercise of stock-based awards held by our employees were \$17 million, \$17 million and \$28 million, respectively.

As of December 31, 2023, there was approximately \$878 million of unrecognized stock-based compensation expense related to unvested stock-based awards, which is expected to be recognized in expense over a weighted-average period of 1.45 years.

Employee Stock Purchase Plan

We have an Employee Stock Purchase Plan (“ESPP”), which allows shares of our common stock to be purchased by eligible employees at three-month intervals at 85% of the fair market value of the stock on the last day of each three-month period. Eligible employees were allowed to contribute up to 15% of their base compensation. During 2023, 2022 and 2021, approximately 442,000, 305,000, and 194,000 shares were purchased under this plan for an average price of \$92.56, \$109.36 and \$135.38 per share. As of December 31, 2023, we have reserved approximately 1.5 million shares of our common stock for issuance under the ESPP.

We reduced our current income tax payable by \$17 million, \$17 million, and \$28 million for the years ended December 31, 2023, 2022 and 2021 for tax deductions attributable to stock-based compensation.

Deferred Income Taxes

As of December 31, 2023 and 2022, the significant components of our deferred tax assets and deferred tax liabilities were as follows:

As of December 31, 2023, we had state and foreign net operating loss carryforwards (“NOLs”) of approximately \$283 million and \$268 million. State NOLs of \$85 million may be carried forward indefinitely, and state NOLs of \$198 million expire at various times starting from 2025. Foreign NOLs of \$178 million may be carried forward indefinitely, and foreign NOLs of \$90 million expire at various times starting from 2024.

As of December 31, 2023, we had a valuation allowance of approximately \$244 million related to certain tax attribute carryforwards for which it is more likely than not the tax benefits will not be realized. The valuation allowance increased by \$2 million from the amount recorded as of December 31, 2022, primarily due to the unrealized capital losses on minority investments. The amount of the deferred tax asset considered realizable may be adjusted if capital gains are realized or if, in certain jurisdictions, objective negative evidence in the form of cumulative GAAP losses is no longer present and additional weight may be given to subjective evidence such as our projections for growth.

Most of our foreign undistributed earnings have already been subject to U.S. federal income tax. We do not assert indefinite reinvestment on the undistributed earnings of our foreign subsidiaries.

Reconciliation of U.S. Federal Statutory Income Tax Rate to Effective Income Tax Rate

A reconciliation of amounts computed by applying the U.S. federal statutory income tax rate to income before income taxes to total income tax expense is as follows:

	Year Ended December 31,		
	2023	2022	2021
	(In millions)

Excess tax benefits related to stock-based compensation	9	(17)	(56)
Nondeductible compensation	28	37	45
Unrecognized tax benefits and related interest	39	27	6
Change in valuation allowances	—	77	(24)

Foreign-derived intangible income	(25)	(15)	—
Other, net	4	10	18
Income tax (benefit) expense	\$ 330	\$ 195	\$ (53)

Our effective tax rate for 2023 was higher than the 21% U.S. federal statutory income tax rate due to a non-deductible goodwill impairment and the TripAdvisor audit assessment discussed below, partially offset by research and experimentation credits. Our effective tax rate for 2022 was higher than the 21% U.S. federal statutory income tax rate due to valuation allowances on minority investments and nondeductible compensation, partially offset by research and experimentation credits. Our effective tax rate for 2021 was higher than the 21% U.S. federal statutory income tax rate due to excess tax benefits related to stock-based compensation, release of valuation allowances and research and experimentation credits, partially offset by nondeductible compensation, measured against a pre-tax loss.

Unrecognized Tax Benefits and Interest

A reconciliation of the beginning and ending amount of gross unrecognized tax benefits and interest is as follows:

	2023	2022	2021
	(In millions)		
Balance, beginning of year	\$ 379	\$ 349	\$ 345
Increases to tax positions related to the current year	19	23	11
Increases to tax positions related to prior years	4	5	3
Decreases to tax positions related to prior years	—	—	(11)
Settlements during current year	(1)	(8)	(6)
Interest and penalties	24	10	7
Balance, end of year	\$ 425	\$ 379	\$ 349

As of December 31, 2023, we had \$425 million of gross unrecognized tax benefits, \$223 million of which, if recognized, would affect the effective tax rate. As of December 31, 2022, we had \$379 million of gross unrecognized tax benefits, \$213 million of which, if recognized, would affect the effective tax rate. As of December 31, 2021, we had \$349 million of gross unrecognized tax benefits, \$207 million of which, if recognized, would affect the effective tax rate.

We recognize interest and penalties related to unrecognized tax benefits in provision for income taxes in our consolidated statement of operations. Accrued interest and penalties of \$90 million and \$66 million were reflected in our consolidated balance sheets as of December 31, 2023 and 2022.

The Company is routinely audited by U.S. federal, state, local and foreign income tax authorities. These audits include questioning the timing and amount of income and deductions, and the allocation of income and deductions among various tax

jurisdictions. The IRS is currently examining Expedia Group's U.S. consolidated federal income tax returns for the periods ended December 31, 2011 through December 31, 2020. The Company has consented to an extension of the statute of limitations, until December 31, 2024 for the 2011 through 2013 tax years, until March 31, 2025 for the 2014 through 2016 tax years, and until June 30, 2025 for the 2017 through 2020 tax years. As of December 31, 2023, for the Expedia Group, Inc. and Subsidiaries group, statutes of limitations for tax years 2011 through 2022 remain open to examination in the U.S. federal jurisdiction and most state jurisdictions. For the HomeAway and Orbitz groups, statutes of limitations for tax years 2001 through 2015 remain open to examination in the U.S. federal and most state jurisdictions due to NOL carryforwards.

During the fourth quarter of 2019, the IRS issued final adjustments related to transfer pricing with our foreign subsidiaries for our 2011 to 2013 tax years. The adjustments would increase our U.S. taxable income by \$696 million, which would result in federal income tax of approximately \$244 million, subject to interest. We do not agree with the position of the IRS. We have formally filed a protest for our 2011 to 2013 tax years and the case is currently in Appeals. During the third quarter of 2023, the IRS issued final adjustments related to transfer pricing with our foreign subsidiaries for our 2014 to 2016 tax years. The adjustments would increase our U.S. taxable income by \$1.232 billion, which would result in federal income tax of approximately \$431 million, subject to interest. We do not agree with the position of the IRS and intend to formally file a protest. We are also under examination by the IRS for our 2017 to 2020 tax years. We believe it is reasonably possible that the audit of the 2011 to 2013 tax years will conclude within the next 12 months.

On December 20, 2011, we completed a spin-off of TripAdvisor into a separate publicly-traded corporation. Pursuant to the tax sharing agreement between Expedia Group and TripAdvisor, TripAdvisor is responsible for its potential income tax liabilities in connection with any consolidated income tax returns filed as a part of Expedia Group's consolidated income tax return prior to or in connection with the spin-off. TripAdvisor is required to indemnify Expedia Group for any such taxes, including interest, penalties, legal, and professional fees.

In 2023, TripAdvisor agreed in principle with the IRS to an assessed amount of \$120 million, inclusive of interest and state tax effects, for transfer pricing adjustments with its foreign subsidiaries for the 2009 through 2011 tax years. The assessment is a tax liability for tax years when TripAdvisor was part of Expedia Group's consolidated income tax return and is covered by the indemnification pursuant to the tax sharing agreement. In May 2023, Expedia Group received from the IRS the final assessment for the 2009 through 2011 tax years related to the TripAdvisor matter. Expedia Group remitted \$113 million in settlement payments to the IRS, as the primary obligor for this assessment, and received the reimbursement required from TripAdvisor in settlement of the indemnification receivable for this matter. During 2023, we recorded \$67 million of additional income tax expense and a corresponding tax indemnification adjustment in other, net in our consolidated statements of operations representing the estimate of the incremental assessed payment to the IRS, including state tax effects.

The loss on redemption of Preferred Stock was \$214 million during the year ended December 31, 2021, which included a charge to additional paid-in capital for the redemption premium as well as \$178 million related to the original issuance discount, issuance costs and the Warrants value. As

of December 31, 2021, there was no remaining Series A Preferred Stock outstanding. The Series A Preferred Stock accumulated and we paid \$67 million (or \$74.96 per share of Series A Preferred Stock) in total dividends during the year ended December 31, 2021, including those mentioned above.

Warrants to Purchase Company Common Stock. Pursuant to the investment agreements in 2020, we issued to each of (1) the Silver Lake Purchasers (in the aggregate) and (2) the Apollo Purchaser, Warrants to purchase 4.2 million shares of our common stock at an exercise price of \$72.00 per share. In 2021, the Apollo Purchaser exercised all of the Warrants it held and received approximately 2.5 million shares of our common stock in respect thereof, and the Silver Lake Purchasers exercised all of the Warrants they held and received approximately 2.6 million shares of our common stock in respect thereof. As of December 31, 2021, no warrants remained outstanding.

Treasury Stock

As of December 31, 2023, the Company's treasury stock was comprised of approximately 150.6 million common stock and 7.3 million Class B shares. As of December 31, 2022, the Company's treasury stock was comprised of approximately 130.5 million shares of common stock and 7.3 million Class B shares.

Share Repurchases. In 2018 and 2019, the Board of Directors and the Executive Committee of the Board, pursuant to a delegation of authority from the Board, authorized a program to repurchase up to 15 million shares and 20 million shares of our common stock (the "2018 Share Repurchase Program" and the "2019 Share Repurchase Program"). In October 2023, the Executive Committee of the Board of Directors, pursuant to a delegation of authority from the Board, authorized an additional program to repurchase up to \$5 billion of our common stock ("2023 Share Repurchase Program"). The 2018 and 2019 Share Repurchase Programs have been completed. Our 2023 Share Repurchase Program does not have fixed expiration dates and does not obligate the Company to acquire any specific number of shares. Under the program, shares may be repurchased in the open market or in privately negotiated transactions. The timing, manner, price and amount of any repurchases will be subject to the discretion of the Company and depend on a variety of factors, including the market price of Expedia Group's common stock, general market and economic conditions, regulatory requirements and other business considerations.

Shares repurchased under the authorized programs were as follows:

	Year Ended December 31,		
	2023	2022	2021
Number of shares repurchased	19.1 million	5.2 million	—
Average price per share	\$ 106.07	\$ 96.09	\$ —
Total cost of repurchases (in millions) ⁽¹⁾	\$ 2,031	\$ 500	\$ —

(1) Amount excludes transaction costs and the excise tax due under the Inflation Reduction Act of 2022.

As of December 31, 2023, \$4.8 billion remains authorized for repurchase with no fixed termination date for the repurchases. Subsequent to the end of 2023, we repurchased an additional 1.3 million shares for a total cost of \$189 million, excluding transaction costs and excise tax, representing an average of \$149.65 per share.

Accumulated Other Comprehensive Income (Loss)

The balance of accumulated OCI as of December 31, 2023 and 2022 was comprised of foreign currency translation adjustments. These translation adjustments include foreign currency transaction gains at December 31, 2023 and 2022 of \$6 million (\$8 million before tax) and \$16 million (\$21 million before tax) associated with our cross-currency interest rate swaps. Additionally, translation adjustments include foreign currency transaction losses of \$7 million (\$10 million before tax) as of both December 31, 2023 and 2022 associated with previously settled Euro-denominated notes that were designated as net investment hedges. See NOTE 2 — Significant Accounting Policies for more information.

Non-redeemable Non-controlling Interests

As of December 31, 2023 and 2022, our ownership interest in trivago was approximately 60.0% and 61.1%.

During 2023, trivago paid a one-time extraordinary dividend totaling approximately EUR 184 million (or approximately EUR 0.53 per share), which included intercompany payments to Expedia Group as well as \$78 million to third-parties included in other, net in financing activities on the consolidated statement of cash flows.

NOTE 12 — Earnings Per Share
Basic Earnings Per Share

Basic earnings per share was calculated for the years ended December 31, 2023, 2022 and 2021 using the weighted average number of common and Class B common shares outstanding during the period excluding restricted stock and stock held in escrow.

Diluted Earnings Per Share

For the years ended December 31, 2023 and 2022, we computed diluted earnings per share using (i) the number of shares of common stock and Class B common stock used in the basic earnings per share calculation as indicated above, (ii) if dilutive, the incremental common stock that we would issue upon the assumed exercise or vesting of stock-based awards and common stock warrants using the treasury stock method, (iii) if dilutive, our Convertible Notes using the if-converted method, and (iv) other stock-based commitments. In periods when we recognize a net loss, such as the year ended December 31, 2021, we exclude the impact of outstanding stock-based awards, common stock warrants and the potential share settlement impact related to our Convertible Notes from the diluted loss per share calculation as their inclusion would have an antidilutive effect.

The following table presents our basic and diluted earnings (loss) per share:

	Year Ended December 31,		
	2023	2022	2021
	(In millions, except share and per share data)		
Net income attributable to Expedia Group, Inc.	\$ 797	\$ 352	\$ 12
Preferred stock dividend	—	—	(67)
Loss on redemption of preferred stock	—	—	(214)
Net income (loss) attributable to Expedia Group, Inc. common stockholders	<u>\$ 797</u>	<u>\$ 352</u>	<u>\$ (269)</u>
Earnings (loss) per share attributable to Expedia Group, Inc. available to common stockholders:			
Basic	\$ 5.50	\$ 2.24	\$ (1.80)
Diluted	5.31	2.17	(1.80)
Weighted average number of shares outstanding (000's):			
Basic	144,967	156,672	149,734
Dilutive effect of:			
Convertible Notes	3,921	3,921	—
Stock-based awards	1,333	1,153	—
Other dilutive securities	7	5	—
Diluted	<u>150,228</u>	<u>161,751</u>	<u>149,734</u>

For the years ended December 31, 2023 and 2022, approximately 4 million and approximately 9 million of outstanding stock-based awards have been excluded from the calculations of diluted earnings per share attributable to common stockholders because their effect would have been antidilutive. For the year ended December 31, 2021, approximately 11 million of outstanding stock-based awards and approximately 4 million shares related to the potential share settlement impact related to our Convertible Notes were excluded.

The earnings per share amounts are the same for common stock and Class B common stock because the holders of each class are legally entitled to equal per share distributions whether through dividends or in liquidation.

NOTE 13 — Restructuring and Related Reorganization Charges

In 2020, we committed to restructuring actions intended to simplify our businesses and improve operational efficiencies, which have resulted in headcount reductions and office consolidations. As a result, we recognized \$55 million in restructuring and related reorganization charges during 2021. We did not recognize any restructuring and related organization charges during 2023 and 2022. We continue to evaluate additional cost reduction efforts and should we make decisions in future periods to take further actions we may incur additional reorganization charges.

NOTE 15 — Commitments and Contingencies
Letters of Credit, Purchase Obligations and Guarantees

We have commitments and obligations that include purchase obligations, guarantees and LOCs, which could potentially require our payment in the event of demands by third parties or contingent events. The following table presents these commitments and obligations as of December 31, 2023:

	Total	By Period			
		Less than 1 year	1 to 3 years	3 to 5 years	More than 5 years
	(In millions)				
Purchase obligations	\$ 1,020	\$ 426	\$ 585	\$ 9	\$ —
Guarantees	39	32	7	—	—
Letters of credit	44	42	2	—	—
	\$ 1,103	\$ 500	\$ 594	\$ 9	\$ —

Our purchase obligations represent the minimum obligations we have under agreements with certain of our vendors. These minimum obligations are less than our projected use for those periods. Payments may be more than the minimum obligations based on actual use.

We have guarantees which consist primarily of bonds relating to tax assessments that we are contesting as well as bonds required by certain foreign countries' aviation authorities for the potential non-delivery, by us, of packaged travel sold in those countries. The authorities also require that a portion of the total amount of packaged travel sold be bonded. Our guarantees also include certain surety bonds related to various company performance obligations.

Our LOCs consist of stand-by LOCs, underwritten by a group of lenders, which we primarily issue for certain regulatory purposes as well as to certain hotel properties to secure our payment for hotel room transactions. The contractual expiration dates of these LOCs are shown in the table above. There were no material claims made against any stand-by LOCs during the years ended December 31, 2023, 2022 and 2021.

Legal Proceedings

In the ordinary course of business, we are a party to various lawsuits. Management does not expect these lawsuits to have a material impact on the liquidity, results of operations, or financial condition of Expedia Group. We also evaluate other potential contingent matters, including value-added tax, excise tax, sales tax, transient occupancy or accommodation tax and similar matters. We do not believe that the aggregate amount of liability that could be reasonably possible with respect to these matters would have a material adverse effect on our financial results; however, litigation is inherently uncertain and the actual losses incurred in the event that our legal proceedings were to result in unfavorable outcomes could have a material adverse effect on our business and financial performance.

Litigation Relating to Occupancy Taxes. One hundred three lawsuits have been filed by or against cities, counties and states involving hotel occupancy and other taxes. Seven lawsuits are currently active. These lawsuits are in various stages and we continue to defend against the claims made in them vigorously. With respect to the principal claims in these matters, we believe that the statutes or ordinances at issue do not apply to us or the services we provide and, therefore, that we do not owe the taxes that are claimed to be owed. We believe that the statutes or ordinances at issue generally impose occupancy and other

taxes on entities that own, operate or control hotels (or similar businesses) or furnish or provide hotel rooms or similar accommodations. To date, fifty of these lawsuits have been dismissed. Some of these dismissals have been without prejudice and, generally, allow the governmental entity or entities to seek administrative remedies prior to pursuing further litigation. Thirty-five dismissals were based on a finding that we and the other defendants were not subject to the local tax ordinance or that the local government lacked standing to pursue its claims. As a result of this litigation and other attempts by certain jurisdictions to levy such taxes, we have established a reserve for the potential settlement of issues related to hotel occupancy and other taxes, consistent with applicable accounting principles and in light of all current facts and circumstances, in the amount of \$46 million and \$44 million as of December 31, 2023 and 2022. Our settlement reserve is based on our best estimate of probable losses and the ultimate resolution of these contingencies may be greater or less than the liabilities recorded. An estimate for a reasonably possible loss or range of loss in excess of the amount reserved cannot be made. Changes to the settlement reserve are included within legal reserves, occupancy tax and other in the consolidated statements of operations.

Pay-to-Play. Certain jurisdictions may assert that we are required to pay any assessed taxes prior to being allowed to contest or litigate the applicability of the ordinances. This prepayment of contested taxes is referred to as "pay-to-play." Payment of these amounts is not an admission that we believe we are subject to such taxes and, even when such payments are made, we continue to defend our position vigorously. If we prevail in the litigation, for which a pay-to-play payment was made, the jurisdiction collecting the payment will be required to repay such amounts and also may be required to pay interest.

We are in various stages of inquiry or audit with various tax authorities, some of which, including in the City of Los Angeles regarding hotel occupancy taxes, may impose a pay-to-play requirement to challenge an adverse inquiry or audit result in court.

Matters Relating to International VAT. We are in various stages of inquiry or audit in multiple European Union jurisdictions regarding the application of VAT to our European Union related transactions. While we believe we comply with applicable VAT laws, rules and regulations in the relevant jurisdictions, the tax authorities may determine that we owe additional taxes. In certain jurisdictions, including the United Kingdom, we may be required to "pay-to-play" any VAT assessment prior to contesting its validity. While we believe that we will be successful based on the merits of our positions with regard to audits in pay-to-play jurisdictions, it is nevertheless reasonably possible that we could be required to pay any assessed amounts in order to contest or litigate the applicability of any assessments and an estimate for a reasonably possible amount of any such payments cannot be made.

Competition and Consumer Matters. On August 23, 2018, the Australian Competition and Consumer Commission, or "ACCC", instituted proceedings in the Australian Federal Court against trivago. The ACCC alleged breaches of Australian Consumer Law, or "ACL," relating to trivago's advertisements in Australia concerning the hotel prices available on trivago's Australian site, trivago's strike-through pricing practice and other aspects of the way offers for accommodation were displayed on trivago's Australian website. On January 20, 2020, the Australian Federal Court issued a judgment finding trivago had engaged in conduct in breach of the ACL. On October 18 and 19, 2021, the court heard submissions from the parties regarding penalties and other orders. On April 22, 2022, the Australian Federal Court issued a judgment ordering trivago to pay a penalty of AU\$44.7 million, which was paid in the second quarter of 2022, and to cover the ACCC's costs arising from the proceedings. The court also enjoined trivago from engaging in misleading conduct of the type found by the Australian Federal Court to be in contravention of the ACL. We recorded an estimated loss of approximately \$11 million with respect to these proceedings in a previous period and an additional loss of approximately \$23 million during the first quarter of 2022, for a total of approximately \$34 million previously included in accrued expenses and other current liabilities as of March 31, 2022.

NOTE 16 – Divestitures

On November 1, 2021, we completed the sale of Egencia, Expedia Group's corporate travel arm included within our B2B segment, to GBT. As a result of the sale, we deconsolidated Egencia, recognized a gain of \$401 million within gain on sale of business, net in the consolidated statement of operations during the year ended December 31, 2021 and divested cash and restricted cash of \$88 million. We received no cash for this transaction but on the date of sale Expedia Group became an indirect holder of an approximately 19% interest of GBT with an initial fair value of \$815 million, and a subsidiary entered into a 10-year lodging supply agreement with GBT. During 2023 and 2022, we recognized immaterial gains of approximately \$4 million and \$6 million related to this transaction. See NOTE 3 — Fair Value Measurements for additional information on our ongoing investment.

In addition, during 2021, in connection with our efforts to focus on our core businesses and streamline our activities, we committed to plans to divest certain smaller businesses primarily within our B2C segment. As a result, in 2021, we completed the sales of certain smaller businesses, including Classic Vacations and Alice, which combined resulted in net gains of \$57 million and net cash received of \$27 million. The resulting gains in these transactions were recorded within gain on sale of business, net in the consolidated statement of operations.

During 2023, we had no dispositions, but we recognized a \$21 million gain related to the sales of businesses in a prior year. We had no disposition activity during 2022.

None of these dispositions were considered a strategic shift that will have a major effect on our operations or financial results and they did not represent individually significant components of our business; therefore, they have not been reported as discontinued operations.

NOTE 17 — Related Party Transactions

IAC/InterActiveCorp

The Company and IAC are related parties because Mr. Diller serves as Chairman and Senior Executive of both Expedia Group and IAC. At December 31, 2023, each of Expedia Group and IAC has a 50% ownership interest in two aircraft that may be used by both companies. Members of the aircraft flight crews are employed by an entity in which the Company and IAC each have a 50% ownership interest. The Company and IAC have agreed to share costs relating to flight crew compensation and benefits pro-rata according to each company's respective usage of the aircraft, for which they are separately billed by the entity described above. We share equally in fixed and nonrecurring costs for the aircraft; direct operating costs are pro-rated based on actual usage. Another aircraft that had previously been jointly-owned by the companies was sold in November 2022, with each company receiving 50% of the \$19 million in net sale proceeds.

In addition, in 2021, we entered into agreements pursuant to which we may use additional aircraft owned by a subsidiary of IAC on a cost basis. Total payments made to this entity by the Company were not material.

As of December 31, 2023 and 2022, the net basis in our ownership interest in the aircrafts then jointly-owned was \$43 million and \$46 million, respectively, recorded in long-term investments and other assets. In 2023, 2022 and 2021, operating and maintenance costs paid directly to the jointly-owned subsidiary for the aircraft were not material.

NOTE 18 — Segment Information

We have the following reportable segments: B2C (formerly referred to as Retail), B2B, and trivago. Our B2C segment provides a full range of travel and advertising services to our worldwide customers through a variety of consumer brands including: Expedia.com, Hotels.com, Vrbo, Orbitz, Travelocity, Wotif Group, ebookers, CheapTickets, Hotwire.com and CarRentals.com. Our B2B segment fuels a wide range of travel and non-travel companies including airlines, offline travel agents, online retailers, corporate travel management and financial institutions, who leverage our leading travel technology and tap into our diverse supply to augment their offerings and market Expedia Group rates and availabilities to their travelers. In addition, through its sale in November 2021, our B2B segment included Egencia, a full-service travel management company that provided travel services to businesses and their corporate customers. Our trivago segment generates advertising revenue primarily from sending referrals to online travel companies and travel service providers from its hotel metasearch websites.

We determined our operating segments based on how our chief operating decision makers manage our business, make operating decisions and evaluate operating performance. Our primary operating metric is Adjusted EBITDA. Adjusted EBITDA for our B2C and B2B segments includes allocations of certain expenses, primarily related to our global travel supply organization and the majority of costs from our product and technology platform, as well as facility costs and the realized foreign currency gains or losses related to the forward contracts hedging a component of our net merchant lodging revenue. We base the allocations primarily on transaction volumes and other usage metrics. We do not allocate certain shared expenses such as accounting, human resources, certain information technology and legal to our reportable segments. We include these expenses in Corporate and Eliminations. Our allocation methodology is periodically evaluated and may change.

Our segment disclosure includes intersegment revenues, which primarily consist of advertising and media services provided by our trivago segment to our B2C segment. These intersegment transactions are recorded by each segment at amounts that approximate fair value as if the transactions were between third parties, and therefore, impact segment performance. However, the revenue and corresponding expense are eliminated in consolidation. The elimination of such intersegment transactions is included within Corporate and Eliminations in the table below.

Corporate and Eliminations also includes unallocated corporate functions and expenses. In addition, we record amortization of intangible assets and any related impairment, as well as stock-based compensation expense, restructuring and related reorganization charges, legal reserves, occupancy tax and other, and other items excluded from segment operating performance in Corporate and Eliminations. Such amounts are detailed in our segment reconciliation below.

The following tables present our segment information for 2023, 2022 and 2021. As a significant portion of our property and equipment is not allocated to our operating segments and depreciation is not included in our segment measure, we do not report the assets by segment as it would not be meaningful. We do not regularly provide such information to our chief operating decision makers.
