## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation or litigation only in Texas. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with franchisor in Texas than in than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
4. **Mandatory Minimum Payment.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
5. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT  
FOR THE STATE OF MICHIGAN**

**The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:**

- (a) a prohibition on the right of a franchisee to join an association of franchisees.
- (b) a requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) a provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) a provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) a provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) a provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) a provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or Standards.
  - (ii) the fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) a provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) a provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

**The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.**

This disclosure document does not provide all of the information you should consider in deciding whether to enter into a franchise agreement. You should independently investigate this franchise opportunity and consult with an advisor such as an attorney and/or accountant.

**The Franchisor, and any Parents, Predecessors, and Affiliates**

**Franchisor and Parents**

The franchisor is F45 Training Incorporated, referred to in this disclosure document as “we,” “us,” or “our.” We refer to the person interested in buying the franchise as “you” or “your.” If you are a corporation, partnership, limited liability company, or other entity, certain provisions of the Franchise Agreement will apply to your owners. We were incorporated in Delaware on March 25, 2015, and our principal business address is 3601 South Congress Avenue, Building E, Austin, Texas 78704. We do business under our corporate name and under the name “F45 Training.”

We sell franchises for exercise training businesses that do business under the mark “F45 Training” (“**F45 Studios**” or “**Studios**”).

We began to offer franchises on August 1, 2015. We are not engaged in any other businesses and have never offered franchises in any other lines of business.

In 2017, we and our affiliates restructured. Our immediate parent is F45 ROW Hold Co Pty Ltd, an Australia proprietary company. Our intermediate parents are F45 Aus Hold Co Pty Ltd, Flyhalf Acquisition Company Pty Ltd, and Flyhalf Australia Holding Company Pty Ltd, each of which are Australia proprietary companies. ### Agent for Service of Process

Our agents for service of process are listed in Exhibit E.

### The Franchised Business We Offer

We sell franchises for the right to use a distinctive system of exercise training that involves alternating periods of short, intense anaerobic exercise under the F45 trade name, trademark, and business system (“**System**”) for: (i) the operation of an F45 Studio, (ii) the provision of services that we designate from time to time (including, by way of example only, certain at-home workouts, workouts designed for specific age groups, or boot camps) (“**Approved Services**”) and (iii) the provision of certain products related to the operation of an F45 Studio and the provision of the Approved Services (collectively, the “**Franchise Business**”). The System includes distinctive exterior and interior design, decor, color scheme, and furnishings; uniform standards, specifications, policies, and procedures for operations; quality and uniformity of the products and services offered; procedures for inventory, management, and financial control; training and assistance; advertising and promotional programs; and other standards, specifications, techniques, and procedures that we designate for developing and operating F45 Studios; all of which may be changed, deleted, improved, and further developed by us from time to time (collectively, “**System Standards**”).

You must operate your Franchise Business under the “F45” mark and use other trade names, service marks, trademarks, logos, and other symbols we designate (or may later designate) in writing for use in the System (collectively, “**Marks**”).

The Franchise Agreement (Exhibit A to this disclosure document) gives you the right to establish and operate one Studio at a specified location within a protected area.

In the past, we offered and granted franchises for the right to develop multiple F45 Studios, pursuant to development agreement, under which a franchisee or developer would commit to develop a specified number of F45 Studios, over a specified period of time, and within a specified area. The

franchisee/developer would sign individual Franchise Agreements for each F45 Studio that it was required to develop. These were referred to as “Development Deals”. We no longer offer Development Deals.

We may require your current and future Principal(s) (as defined in the Franchise Agreement) to sign a Principals’ Guaranty and Assumption Agreement (“**Guaranty**”), guaranteeing your performance and binding themselves individually to certain provisions of the Franchise Agreement, including the covenants against competition and disclosure of confidential information, restrictions on transfer, and dispute resolution procedures. If there are Principals who are not required to sign the Guaranty, they must each sign a Confidentiality Agreement and Ancillary Covenant Not to Compete, with Principals’ undertakings, in the form attached to the Franchise Agreement.

The Franchise Agreement requires you to designate a “Key Person”. Your Key Person is the main individual responsible for your business. If you are an individual, you will be the Key Person. If you are not an individual, you must designate someone who meets our requirements and whom we approve to be your Key Person. Your Key Person must have at least 10% ownership in your entity and must sign the Guaranty.

In connection with the development and operation of your F45 Studio, we offer certain optional add-ons for your F45 Studio. We currently offer optional recovery amenities (“**Recovery Amenities**”) where customers will have access to recovery services to help them warm-up or recover from their workouts. The Recovery Amenities will include various recovery equipment including but not limited to cold plunges, infrared saunas, massage guns, massage chairs, and compression therapy.

### **Competition**

The market for fitness, exercise, and physical training services is highly competitive. There is competition for management and other personnel for the Franchise Business and for commercial real estate sites suitable for F45 Studios. You must expect to compete with fitness training businesses that are the same as or similar to the Franchise Business and other competing concepts. Competitors may be locally-owned or large regional or national chains. The fitness and exercise business is also affected by changes in consumer tastes, demographics, traffic patterns, and economic conditions.

### **Industry-Specific Regulations**

You must comply with all state and local laws, rules, and regulations that apply to exercise and fitness businesses. Specifically, many states and local municipalities have laws and regulations that apply specifically to membership contracts, operations, and licenses. Many states limit the length of time your Member contracts can be, require specific provisions be included in Member contracts, require Member contracts to look a certain way (such as format and font size), and require Members be granted certain termination rights. Some state regulations may also require you to: (1) obtain a bond to protect pre-paid membership fees you collect; (2) staff the Studio during all hours of operation; (3) staff the Studio with one or more persons who are CPR-certified or who have other specialized training; (4) maintain an automated external defibrillator (AED) and other first aid items and equipment at the Studio; and/or (5) charge sales tax on memberships. You should consider these laws and regulations when evaluating your purchase of a franchise.

**Since 2020, many states and municipalities instituted regulations in response to the COVID-19 pandemic, some of which apply to exercise and fitness businesses, either specifically or as general retail regulations.**

### ITEM 3 LITIGATION

Terrell Owens v. F45 Training Inc.; Case No. BC680415, in the Superior Court of California for the Central District of the County of Los Angeles, California: On October 19, 2017, Terrell Owens (“Owens”) filed suit against us claiming breach of contract and common law and statutory misappropriation of name and likeness. Owens alleges that we entered into an oral agreement whereby F45 would be permitted to use Owens’ name and likeness in the marketing of F45 franchises in exchange for the payment of \$15,000 for each promotional video and payment of \$25,000 for each of the first 25 F45 franchises sold in the US after July 13, 2016 and \$5,000 for each of the 26th and subsequent F45 franchises sold in the US after July 13, 2016, until such time as the agreement is mutually terminated. Owens is seeking: (1) an injunction to prevent us from using Owens’ likeness, (2) consequential damages in excess of \$725,000, and (3) additional amounts and unspecified damages for (a) misappropriation of Owens’ likeness, (b) alleged profits we gained from using Owens’ likeness, (c) punitive and exemplary damages, and (d) attorneys’ fees. On November 20, 2017, we filed a verified answer to Owens’ complaint, admitting the oral agreement for the payment of \$15,000 for each promotional video (Owens was paid \$30,000 for two videos) and denying all other allegations. This matter is in the discovery phase. Trial is set for May 1, 2024.

Chanelle Rezko and Serena Johnson v. F45 Training, Inc. and Chicago Athletic Clubs, LLC, Case No. 2020CH05648, in the Circuit Court of Cook County, Illinois County Department, Chancery Division: On November 25, 2020 the Plaintiffs filed a complaint, and on April 14, 2021 the Plaintiffs filed an amended complaint against F45 Training, Inc., Robert B. Deutsch, Carl Giammarco, Chicago Athletic Clubs, LLC, Laurence Weiner, and Patrick Cunningham seeking declaratory relief and damages. The Plaintiffs allege that F45 and individuals related to F45 violated the Illinois Franchise Disclosure Act, the Illinois Uniform Deceptive Trade Practices Act, and the Illinois Consumer Fraud and Deceptive Business Practices Act by failing to disclose certain information including information relating to a prior lawsuit, failing to provide an updated disclosure statement, and by collecting royalties that were allegedly improper. The Plaintiffs further allege that F45 aided and abetted in tortious interference with Plaintiffs’ prospective economic advantage by failing to prevent misconduct by Chicago Athletic Clubs (an F45 franchisee). On July 31, 2023, the Circuit Court granted the Plaintiff’s partial summary judgment with regards to liability for violations under the Illinois Franchise Disclosure Act and the Illinois Consumer Fraud and Deceptive Business Practices Act for failing to disclose certain information including information relating to a prior lawsuit and failing to provide an updated disclosure statement. F45 and Plaintiff entered into a confidential settlement agreement on December 14, 2023, under which the parties dismissed and released each other from all claims and counterclaims and F45 agreed to pay Plaintiff a settlement in the amount of \$610,000. Additionally, F45 retained the right to seek indemnification claims against Chicago Athletic Clubs.

Functional HIIT Fitness, LLC v. F45 Training, Inc., Adam Gilchrist, Robert Deutsch, Marc Marano, Luke Armstrong, and Nick Abrahams, Case No. 5:22-cv-10168-FKB-KGA (E.D. Mich.). On or about January 26, 2022, Functional HIIT Fitness, LLC, an F45 franchisee, filed suit in federal court in Michigan against us and certain of our current and former officers and employees. The Complaint alleges claims for breach of contract, breach of the implied covenant of good faith and fair dealing, violations of the Michigan Franchise Investment Law, violations of the California Franchise Investment Law (“CFIL”), fraudulent inducement, negligent misrepresentation, and violations of the Delaware Deceptive Trade Practices Act (“DDTPA”). The Complaint seeks unspecified monetary damages, rescission of the franchise agreements entered into by the plaintiff, exemplary and special damages in an unspecified amount, restitution in an unspecified amount, attorneys’ fees and costs, and other unspecified relief. On September 28, 2023, the Court dismissed the claims for breach of the implied covenant of good faith, unjust enrichment, violations of the CFIL, and DDTPA, and dismissed all claims against Gilchrist, Deutsch, Armstrong, and Abrahams. F45 and Marano have answered with respect to the remaining claims, and F45 has filed counterclaims

against Functional HIIT and its principal, Donald Jordan, who has answered and filed counterclaims on his own behalf against F45 and Marano. Discovery is commencing and is scheduled to close on June 21, 2024. Dispositive motions are to be filed by August 22, 2024. No trial date has been set.

Nascot Enterprises, LLC v. F45 Training Inc. and Marc Marano, No. 2:23-cv-11524-GAD-APP (E.D. Mich.). On or about June 26, 2023, Nascot Enterprises, LLC, an F45 franchisee, filed suit in federal court in Michigan against us and a former franchise salesperson, Marc Marano. The Complaint alleges claims for breach of contract, breach of the implied covenant of good faith and fair dealing, violations of the Michigan Franchise Investment Law, violations of the California Franchise Investment Law (“CFIL”), fraudulent inducement, negligent misrepresentation, and violations of the Delaware Deceptive Trade Practices Act (“DDTPA”). The Complaint sought unspecified monetary damages, rescission of the franchise agreements entered into by the plaintiff, exemplary and special damages in an unspecified amount, restitution in an unspecified amount, attorneys’ fees and costs, and other unspecified relief. Marano was voluntarily dismissed from the case on October 12, 2023. On the same date, F45 moved to dismiss all claims against it. F45 and Plaintiff entered into a confidential settlement agreement on March 22, 2024, under which the parties dismissed and released each other from all claims and counterclaims and F45 agreed to pay Plaintiff a settlement in the amount of \$200,000.

Kenzie Goer v. F45 Training Holdings, Inc., Chris Payne, Adam Gilchrist, Michael Raymond, Darren Richman, and Mark Wahlberg; Civil Action No.1:22-cv-01291, US District Court for the Western District of Texas (filed December 8, 2022). The plaintiff, Kenzie Goer, a holder of F45 Training Holdings, Inc. common stock, filed a Complaint against our parent company, F45 Training Holdings, Inc. (“Holdings, Inc.”) and five officers and/or directors of Holdings, Inc., for alleged damages that were suffered as a result of alleged securities law violations and false and/or misleading statements and/or material omissions. The Complaint includes a claim for violation of Section 11 of the Securities Act of 1933 against all defendants, based on allegations of untrue statements and omissions of material fact in the Form S-1 Registration Statement and accompanying Prospectus and Supplemental Prospectus (collectively, the “Registration Statement”) issued in connection with Holdings, Inc.’s July 16, 2021 initial public offering (the “Offering”). The Complaint also includes a claim for violation of Section 15 of the Securities Act of 1933 against the individual defendants, based on their participation in the preparation and dissemination of the allegedly materially misstated Registration Statement which they executed. The plaintiff has requested an unspecified amount of damages, attorney’s fees, expert’s witness fees and costs. The plaintiff has asserted these claims on behalf of an alleged class of unnamed persons and entities that purchased or otherwise acquired the common stock of Holdings, Inc. pursuant to the Registration Statement issued in connection with the Offering. The case is pending. We understand that Holdings, Inc. and the individual defendants deny all of the charges and intend to file responses when due, and that Holdings, Inc. and the individual defendants intend to vigorously defend this suit.

State of Washington Consent Order, Order No.: S-19-2681-19-CO01. F45 signed a Consent Order with the Washington State Department of Financial Institutions Securities Division (the “Division”), which was entered effective October 18, 2022. The Division alleged that F45's franchise disclosure document for a prior period was not compliant with the Franchise Investment Protection Act of Washington, RCW Sec. 19.100 (“FIPA”), and that F45 practices during this period did not comply with certain provisions of the FIPA. The Division concluded that: (i) F45 violated RCW 19.100.170(1) because it made untrue statements of material fact or omitted material facts to the Division in its franchise registration applications; (ii) F45 violated RCW 19.100.170(2) because it made untrue statements of material fact or omitted to state material facts necessary to make the statements, in light of the circumstances in which they were made, not misleading; (iii) F45 violated RCW 19.100.080 because it required prospective franchisees to make payments to F45 in connection with proposed franchise sales before providing a copy of its current FDD to them; and (iv) F45 violated RCW 19.100.180(2)(a) because it restricted or inhibited the right of a franchisee

to join an association of franchisees. F45 neither admitted nor denied the findings of fact or the conclusions of law stated in the Consent Order. F45, on behalf of itself and its agents and employees, agreed to cease and desist from offering or selling franchises in violation of RCW 19.100.170, RCW 19.100.080, and RCW 19.100.180. F45 agreed to pay \$15,437.50 and offer rescission to seven franchisees in Washington in connection with the Consent Order.

State of Washington Consent Order, Order No.: S-23-3534-23-CO-01. F45 signed a Consent Order with the Washington State Department of Financial Institutions Securities Division (the “Division”) on November 20, 2023, and it became effective on December 4, 2023, when it was executed by the Division. The Division alleged that during the period of August 2022 through December 2022, F45 provided several Washington franchisees with FDDs that inaccurately described Washington Consent Order No. S-19-2681-19-CO01 (the “2022 Consent Order”). In February 2023, in response to comments and a request from the Division, F45 revised the description of the 2022 Consent Order in the FDD (which is the action disclosed immediately above). The Division concluded that F45’s offer of franchises with the inaccurate description of the 2022 Consent Order violated RCW 19.100.170, the antifraud section of the Franchise Investment Protection Act, because it made untrue statements of material fact or omitted to state material facts necessary to make the statements, in light of the circumstances in which they were made, not misleading. F45 neither admitted nor denied the findings of fact or the conclusions of law stated in the Consent Order. F45, on behalf of itself and its agents and employees, agreed to: (i) cease and desist from offering or selling franchises in violation of RCW 19.100.170; and (ii) pay investigative costs in the amount of \$2,675.

State of California Consent Order, File No.: 21265. F45 signed a Consent Order with the Commissioner of Financial Protection and Innovation of the State of California (the “Commissioner”), which was entered effective October 17, 2023. The Commissioner alleged that: (i) from November 2015 to September 2019, F45 provided to certain prospective franchisees in California financial performance representations, including a cash flow model, videos, and advertising materials, that included information that was not in F45’s FDDs; and (ii) during 2016 and 2017, F45 had agreements with sports teams, athletes, and coaches compensating them for the use of their logos, names, and likeness, and did not disclose these agreements in its FDDs registered in California. The Commissioner concluded that F45 made unlawful financial performance representations and failed to include required disclosures involving the use of public figures to promote franchise sales in violation of Corporations Code section 31201. F45, on behalf of itself and its agents and employees, agreed to (a) desist and refrain from violating Corporations Code section 31201; (b) cause certain persons to attend remedial California franchise law compliance education; (c) pay an administrative penalty of \$152,500; and (d) offer rescission to certain franchisees in California that entered franchises during the specified time period.

Settlement Agreement Between The Michigan Department of Attorney General and F45 Training, Inc. Case No.: 2022-0357768-A. F45 entered into a Settlement Agreement with the Michigan Department of Attorney General (“DAG”), which was made effective August 24, 2023. The Settlement Agreement arose out of DAG’s Corporate Oversight Division investigation into allegations that F45 employees or agents may have made estimates, projections, or representations about actual or potential franchisee financial performance in violation of Sections 5 or 8 of the Michigan Franchise Investment Law MCL 445.1501 *et seq* (the “MFIL”). F45 agreed to pay \$95,000 to DAG which DAG will use to compensate F45 franchisees in DAG’s sole discretion. In addition, F45 agreed to make rescission offers in accordance with MFIL Section 445.1531 to certain franchisees in Michigan who purchased their franchises directly from F45 on or after May 8, 2019. F45 also agreed to refund a \$2,500 deposit to one prospective franchisee that did not open a studio. F45 agreed to comply with the provisions of the MFIL in any future franchising activities in Michigan. The Settlement Agreement is neither an admission of liability on the part of F45 nor a concession by DAG that its claims are not well-founded.

Chad Remley and Defining Functional Movement II, LLC v. F45 Training, Inc., Greenlea Fitness, LLC, Andrew Finney, and Colby Cowan, Case No. 23CV-39, in the Chancery Court of Sumner County, Tennessee at Gallatin: On or around March 24, 2023, the Plaintiffs, a former F45 franchisee and its principal, filed a complaint, and on June 22, 2023, they filed an amended complaint against F45 Training, Inc., Greenlea Fitness, LLC, Andrew Finney, and Colby Cowan seeking damages. The Plaintiffs allege that F45 committed fraud by representing that it provided a uniform franchise system without intending to enforce certain no-poach provisions in the Franchise Agreement; failing to disclose information relating to a prior lawsuit; and failing to enforce certain anti-poaching provisions. The Plaintiffs further allege that F45 conspired to tortiously interfere with the Plaintiffs' prospective economic advantage by failing to prevent misconduct by Andrew Finney (an F45 franchisee) and related entities and an employee; violated a Tennessee franchise law; and misappropriated the Plaintiffs' trade secret customer lists. On September 28, 2023, the Chancery Court dismissed the Tennessee franchise law claim with prejudice, and all of the remaining claims against F45 without prejudice pursuant to the Franchise Agreement's forum selection clause, which required the Plaintiffs to litigate their claims against F45 in the location where F45 maintains its principal place of business. The Plaintiffs have sought leave to file an interlocutory appeal of the ruling dismissing F45 from the case. On March 1, 2024, the Tennessee Court of Appeals denied Plaintiff's application for an interlocutory appeal.

Other than the litigation described above, no other litigation is required to be disclosed in this Item.

(1) All fees and expenses described above are non-refundable and, unless otherwise indicated, are imposed uniformly by, and are payable to, us. Unless we have noted differently, we may increase these amounts based on changes in market conditions, our cost of providing services, and future policy changes, but we have no present plans to increase any fees.

(2) "Gross Sales" means the total selling price of all services, except for the Approved Services specifically identified by us as not being included in Gross Sales, and products and all income of every other kind and nature related to the Studio, including, without limitation, income from the sale of products and services over the Internet, whether for cash or credit and regardless of collection in the case of credit, but expressly excluding the following:

(a) Sums representing sales taxes collected directly from Members, based upon present or future laws of federal, state, or local governments, collected by Franchisee in the operation of the Studio, and any other tax, excise, or duty which is levied or assessed against Franchisee by any federal, state, municipal or local authority, based on sales of specific merchandise sold at or from the Studio, provided that such taxes are actually transmitted to the appropriate taxing authority;

(i) The full value of Studio products or services, except for the Approved Services specifically identified by us as being excluded from Gross Sales, furnished to Franchisee’s employees as an incident to their employment, except that the value of any discounts extended to such employees may be credited against Gross Sales during the month in which the products or services were furnished for the purpose of determining the amount of Gross Sales upon which the royalty fee is due; and

(ii) All proceeds from the sale of coupons, gift cards, gift certificates or vouchers, including amounts paid directly to Franchisee by third party marketing companies (e.g., Groupon) for similar payment devices; provided, that at the time such coupons, gift cards, gift certificates or vouchers are redeemed the retail price for the services provided in exchange for such coupons, gift cards, gift certificates, or vouchers will not be included in Gross Sales. If sales proceeds are not recorded and reported for royalty purposes at the time the coupon, gift card, gift certificate or voucher is sold, or if such coupons, gift cards, gift certificates or vouchers are distributed free of charge, the retail price for the services provided in exchange for such coupons, gift cards, gift certificates, or vouchers will be included in Gross Sales.

(3) If we terminate your requirement to pay the Marketing Fee, then you must spend \$2,500 per month on local advertising for your Studio in the local market area, which is the same as your Protected Area. You may elect to spend more on local advertising than the amount of the Marketing Fee or the required Local Advertising Expenditure, whichever is applicable.

If we make this type of merchandise available, we may require you to purchase it from a supplier we designate, which may be us. If we make Studio merchandise available to you for resale, you must purchase the minimum quantity of merchandise and/or the dollar amount we specify. Currently, you must purchase (i) at least \$1,500 (not including taxes and duties, if any) worth of F45 merchandise such as sporting goods, equipment, and F45 Studio memorabilia, like T-shirts, caps, cups, and mugs every three months during the term of your Franchise Agreement; (ii) at least 100 LionHeart heart rate monitors each year of the term of your Franchise Agreement, starting the second year following the of the Opening Date of your Studio (the first year’s supply is included in the Equipment Pack), and (iii) an inventory of nutritional and protein supplements in an amount of \$3,000. We may change from time to time the quantity and/or dollar amount of these types of items you must purchase and the frequency of such purchases.

(7) Currently, we do not provide or require you to attend additional training programs after you attend our induction seminar and successfully complete the initial online training program. At some time in the future, we anticipate that we will provide you an opportunity to participate in ongoing training with respect to your F45 business. However, at the present time, no ongoing training programs have been established, and we have not established any fees for ongoing training.

(8) If you desire to raise funds by selling public or private securities in Franchisee or an affiliate, you must obtain our prior written consent and pay a \$3,000 fee when submitting the securities offering documents for us to review. We will use the fee to pay for any costs we incur to review the documents, including any legal expenses.

TOTAL <sup>(17)</sup>	\$294,200 to \$719,100			

**Notes:**

(1) Currently, you must purchase the Equipment Pack, which includes F45 TV dongles, TVs, sound system, exercise equipment, rubber flooring, chino bar frames, training uniforms, astro turf, and marketing collateral from us or our affiliates. We may add items or delete items included in the Equipment Pack. The current cost of the Equipment Pack is \$100,000, which excludes taxes and duties and includes shipping and other delivery costs as well as duties (See Item 5), so long as you order the Equipment Pack and pay the Equipment Pack Price by the Final Payment Date. Following the Final Payment Date, the Equipment Pack Price may be increased to the Franchisor's then-current price for the Equipment Pack.

(2) When the order for your Equipment Pack is made, or when otherwise required, you must pay any taxes. We estimate this may cost between \$0 and \$15,000, depending on the state where your Studio is located. The low end assumes your Studio is located in a state where no sales tax is imposed. The Equipment Pack is generally scheduled to be delivered approximately 45 to 90 days after the date the Equipment Pack has been ordered and paid for. If you are unable to take delivery of the Equipment Pack, you must pay a third party for the storage costs incurred to store the Equipment Pack until you take delivery of the Equipment Pack. We estimate these costs to be \$600 per month.

(3) We expect that you will either purchase or lease the real estate for the Studio. This estimate assumes that you will be renting a 2,000-3,000 square foot space. We expect most Studios will be approximately this size, but we may approve smaller buildings in our sole discretion. You may choose a larger facility, but it will increase your operating costs. Your cost to lease is difficult to quantify because there are a number of market factors that will impact what you pay. Our low estimate assumes that you pay the first month's rent without a security deposit. If you are required to pre-pay additional rent or security deposits, your investment may be higher. Your landlord may refund your security deposit, but most will not refund rental payments. We do not require you to purchase or build a facility to house the Studio. Your cost may increase over our projections should you choose to purchase or build. We do not lease or sell space to you.

(4) The cost of the leasehold improvements will vary depending on various factors, including size, condition, and location of the Studio, local wage rates, and the cost of materials. The low estimates assumes that your landlord will provide a fully built out franchise business with nearly 100% of hard construction costs covered by the landlord and would likely be in a brand new development. The high estimate assumes little to no tenant improvement allowance from the landlord for total hard construction costs. Based on our experience in 2023, speaking with franchisees and in working with landlords to build out exercise studios, we anticipate that typical landlord allowance in 2024 will be approximately 30% of development costs. Therefore, the estimated costs in the table reflect this estimated landlord allowance. This may not be available in all locations, and your situation may vary. The cost of leasehold improvements includes preparation of a site verification survey, preliminary design documents, architectural costs, construction documents, and construction administration services and actual construction. This estimate does not include the costs for real estate, building permits, or financing. F45 Studios are typically located in in-line shopping centers or other types of multi-use buildings. You may purchase or lease the building for your Studio. We are unable to estimate real estate costs or lease costs because of wide variations in prices depending on factors like location, type of building on the property, size of the property, and market conditions in general. We estimate that the size of your Studio will be 1,650 to 2,400 square feet. This does not include the additional cost for optional Recovery Amenities (see separate chart below).

(5) You are responsible for connecting the relevant utility services to the site, including electricity, gas (to the extent needed). You may be required to pay a deposit in relation to each of the utilities and these deposits may range between \$1,000 to \$2,000 (excluding applicable taxes). The deposits are generally refundable at the termination of the agreements with the relevant provider, subject to the terms of the agreement.

(6) You must purchase and/or lease and install the additional furniture and fixtures we require, which are not included in the Equipment Pack. The cost of the furniture and fixtures will vary according to local market conditions, the size of the Studio, suppliers, and other related factors. We require certain equipment and technology to be professionally installed by suppliers approved by us. Presently, we require the exercise bikes which are supplied as a part of the Equipment Pack to be assembled (to the extent that they

are not pre-assembled) and the technology and audio visual equipment and sound system to be installed by a supplier we approve.

(7) You must purchase from us (or our affiliates or other suppliers designated by us) general office supplies including stationery, business cards, and typical office equipment. We may add or delete items from this list. The precise requirements and costs may vary from one franchisee to another.

(8) You must purchase the computer equipment, hardware, and software necessary for operating the franchise. The required computer equipment includes an Apple MacBook Air, an Apple iPad, and a high speed Internet router.

(9) State and local government agencies typically charge fees for occupancy permits, operating licenses, and construction permits. Your actual costs may vary from the estimates based on the requirements of state and local government agencies.

(10) We do not charge a fee for online initial training, however we charge a fee of \$1,000 (for a maximum of two attendees) for attendance at our induction seminar. If more than two people attend the induction seminar, you must pay us an additional \$300 for each attendee. You are responsible for your travel, meals, and lodging expenses when you, your Key Person and employees attend the induction seminar.

(11) This estimate is for your engagement of an attorney, an accountant, an architect and other consultants to assist you in establishing your franchise. These fees may vary from location to location depending on the prevailing rates of local attorneys, accountants, and consultants.

(12) This is the estimated cost for your initial premiums. You must obtain and maintain the types and amounts of insurance coverage we require. Insurance costs will vary depending upon the location and size of your Studio, the number of employees, the amount of your payroll, and other factors, and may change from time to time due to changes in insurance rates.

(13) You must carry out a grand opening promotion for the Studio as we require. You must spend \$25,000 on grand opening promotions. The grand opening promotions and marketing activities must be conducted as we require. If we direct, you must pay us, or third parties approved by us, part or all of the Grand Opening Expenditures. If we require that you pay us or third parties all or part of the Grand Opening Expenditures, then we or the required third party will conduct grand opening promotions on your behalf. If we require that you pay us the Grand Opening Expenditures, then you must make such payment the earlier of: (i) the date your Equipment Pack is ordered; or (ii) four months before the scheduled Opening Date of the Studio.

(14) We may require you to purchase prepared meals in the future. If we do, this amount will be more.

(15) You must pay this amount to the public performance rights organizations for the use of music.

(16) These additional funds provide a range of additional funds needed for the first three months of operation. The additional funds include funds for payroll expenses (the largest part of these additional funds), bank charges, cleaning charges, conference fees, courier fees, electricity, and other utility costs, motor vehicle expenses, recruiting expenses, security expenses, Studio amenities and other expenses, and telecommunication provider costs. These estimates do not include rent or mortgage payments. Your actual costs during the Studio's first three months of operation depend on many factors, including the following: (i) how closely you follow our methods and procedures; (ii) your management skill, experience, and

business acumen; (iii) local economic conditions; (iv) the local market for your services; (v) the prevailing wage rate; (vi) competition; and (vii) the sales level reached during the initial period.

(17) This estimated initial investment is for one F45 Studio in the chart above as well as optional Recovery Amenities in the chart below. The total does not include costs for real estate, building permits, or financing (if you build or purchase the land and building for your Studio versus renting). We have relied on the average costs incurred by our U.S. franchisees to compile these estimates. You should review these figures carefully with a business advisor before deciding to acquire the franchise.

**OPTIONAL RECOVERY AMENITIES**

<b>Type of expenditure</b>	<b>Amount</b>	<b>Method of payment</b>	<b>When due</b>	<b>To whom payment is to be made</b>
Optional Recovery Amenities <sup>(17)</sup>	\$67,000	As arranged	As arranged	Suppliers

If you choose to include optional Recovery Amenities in your F45 Studio, the estimated costs for such Recovery Amenities include (i) design/construction (\$21,000); (ii) products/equipment (\$36,000); (iii) additional design costs (\$2,500); and (iv) shelving units, merchandise racks, and POS counter (\$7,500). The products/equipment in the above estimate include but are not limited to 2 cold plunges, 2 infrared saunas (2 person), massage guns, massage chairs, and compression therapy. If you choose to include optional Recovery Amenities, the estimated total initial investment, from the principal table in this Item 7 (see above), will be \$361,200 to \$786,100 (which includes the estimated costs of \$67,000).

Unless otherwise stated above, these estimates are subject to increases based on changes in market conditions, our cost of providing services, and future policy changes. At the present time, we have no plans to increase payments we control.

We do not offer any financing for your establishment fee or any portion of your initial investment, but see Item 10 for a discussion of financing. Unless otherwise stated, the amounts described above are not refundable.

**ITEM 8**  
**RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

**Required Purchases**

**Equipment Pack**

Currently, we are the only approved supplier for our proprietary Equipment Pack, and, as a result, you must purchase the Equipment Pack from us, which includes F45 TV dongles, TVs, sound system and exercise equipment. The specific items in the Equipment Pack may vary, based on brand, size, number of items, or other factors. We may add items or delete items included in the Equipment Pack from time to time. If we change the composition of items in the Equipment Pack, the Equipment Pack Fee will not change. If we make any significant or material changes to the composition of the Equipment Pack, we will advise you before you pay the fee. Details of the items included in the Equipment Pack will be attached to the Franchise Agreement as Schedule 1 to the Equipment Pack Addendum before you sign the Franchise Agreement.

**System Merchandise**

We have the right to make available to you and to require you to purchase for resale in the Studio merchandise, sporting goods, equipment, and other items that contain the Marks. This may include items such as F45 Studio memorabilia, like T-shirts, caps, cups, and mugs. If we make this type of merchandise available, we may require you to purchase it from a supplier we designate, which may be us.

Currently, you must purchase at least \$1,500 (not including shipping, taxes, and duties (if any)) of merchandise, goods, and equipment from us every three months during the term of the Franchise Agreement, and we reserve the right to vary the amount of these purchases from time to time upon notice to you.

**Nutritional Supplements**

You must purchase from us, our affiliates, or any other supplier we require the nutritional and protein supplements we require. If we require you to sell prepared meals, you will be required to purchase such meals from a supplier we approve, which may be us.

**Other Items**

You must purchase the required LionHeart Bands, AEDs and F45 Body Scanners from us, our affiliates, or any other supplier we require. We may also require you to purchase certain computer systems from us, our affiliates or other suppliers we designate. This includes those systems and services purchased from us through the Service Fee and any other programs we may require in the future.

**Purchases According to Specifications**

You must comply with all of our System Standards and specifications relating to the purchase of all supplies, interior and exterior signage, materials, fixtures, furnishings, equipment (including computer hardware and software) and other products used or offered for sale in connection with the Franchise Business. Among other things, the following must comply with our specifications:

**Site Selection and Construction**

You must locate a site for the Studio that satisfies our site selection requirements. You must adapt our prototypical architectural and design plans as needed for the construction or remodeling of your Studio and provide them to us within 10 days after you acquire the site for the Studio. We have the right to review your plans, and we will use commercially reasonable efforts to either approve or reject the plans within 10 days after we receive the plans. If we, in our sole discretion, determine that the plans are not consistent with System Standards, we may prohibit the implementation of the plans. If we object to any of the submitted plans, we will provide you with a reasonably detailed list of changes necessary to make the plans

acceptable. If we reject the plans, you must submit revised plans, and we will use commercially reasonable efforts to either approve or reject the revised plans within 10 days after we receive the revised plans. You may not use any plans until we have approved them in writing, and our silence with respect to approval or rejection of the plans will not be deemed to be approval of the plans. You must provide written notice to us, and must obtain our prior written approval, of any proposed changes to the final plans that we previously approved. You may not remodel or make significant modifications to the Studio without our prior written approval.

### **Advertising and Promotional Materials**

All advertising and promotion activities must be conducted in a dignified manner and must conform to our Standards. You must obtain all advertising and marketing materials from a supplier we approve. We reserve the right to require you to submit advertising materials to us for review and confirmation that such materials comply with our Standards. We may also require you to include in your advertising or promotional materials a reference to the fact that franchises for the Franchise Business are available.

### **Insurance**

You must obtain and maintain insurance policies protecting you and us and various related parties against any demand or claim with respect to personal injury, death or property damage, or any loss, liability or expense related to or connected with the operation of the Franchise Business. These policies must be written by a responsible insurance carrier or carriers rated “A” or better by the A.M. Best Company, Inc. and that are acceptable to us. At a minimum, you must carry (i) comprehensive general liability insurance, including broad form contractual liability, broad form property damage, personal injury, advertising injury, completed operations, products liability and fire damage coverage in the amount of \$1,000,000, combined single limit per occurrence, \$2,000,000 general aggregate, \$2,000,000 product liability, \$1,000,000 personal and advertising injury, \$300,000 fire legal liability, \$5,000 medical payment limits, or any greater amounts as your lessor may require; (ii) “All Risks” coverage for the full cost of replacement of the Studio premises and all other property in which we may have an interest with agreed amount endorsement for the premises naming us as loss payee; (iii) an “umbrella” policy providing excess coverage with limits of not less than \$3,000,000 which must be excess to the general liability coverage; (iv) business interruption insurance covering at least 12 months’ loss of profits and necessary continuing expenses for interruptions caused by any occurrence; (v) worker’s compensation insurance with employer liability limit of bodily injury by accident \$1,000,000 each accident, by disease \$1,000,000 policy limit, and by disease \$1,000,000 each employee; (vi) professional liability insurance for errors and omissions of your professional staff in providing services to your guests with not less than \$3,000,000 limit of liability and including abuse and molestation with a minimum limit of \$300,000, (vii) employment practices liability including third party coverage for not less than \$500,000 aggregate, and (viii) any other insurance required by the landlord and the state or locality in which your Studio is situated.

Upon execution of the Franchise Agreement, and thereafter 30 days prior to the expiration of any policy required under the Franchise Agreement, you must deliver to us certificates of insurance, endorsements, insurance declarations and/or other documents requested by us evidencing the existence and continuation of proper coverage with limits not less than those required by us. All insurance policies required under the Franchise Agreement must expressly provide that no less than 30 days’ prior written notice will be given to us in the event of a material alteration to or cancellation of the policies.

### **Approved Suppliers**

If we have approved suppliers (including manufacturers, distributors, and other sources) for any supplies, materials, fixtures, furnishings, equipment (including computer hardware and software), services, and other products used or offered for sale in connection with the Franchise Business, you must obtain these items from those suppliers. Approved suppliers are those who demonstrate the ability to meet our then-current

Standards, who possess adequate quality controls and the capacity to supply your needs promptly and reliably, whom we have approved in writing and whom we have not later disapproved. We may change the number of approved suppliers at any time and may designate ourselves, an affiliate, or a third party as the exclusive source for any particular item. We may profit from your purchases from approved suppliers, and we and/or our affiliates may receive payments, fees, commissions, or reimbursements from approved suppliers as a result of your purchases.

If we require that an item be purchased from an approved supplier and you wish to purchase it from a supplier we have not approved, you must submit to us a written request for approval. You must not purchase or lease the item from the supplier until and unless we have approved the supplier in writing. We have the right to inspect the supplier's facilities and to have samples from the supplier delivered to us or to an independent laboratory we designate for testing. We may re-inspect the facilities and products of any approved supplier, and may revoke our approval upon the supplier's failure to continue to meet any of our then-current criteria. You must reimburse us for the costs that we incur in the supplier approval process. Nothing requires us to approve any particular supplier, and we are not required to notify you of our approval or disapproval within any specified period of time. We will approve or disapprove a proposed supplier within 45 days of the date on which we receive all information we request about the proposed supplier. Our specifications for products and criteria for supplier approval are generally issued through written communications and are available to franchisees and approved suppliers. None of our officers owns an interest in any privately-held suppliers or a material interest in any publicly-held suppliers of F45 franchise system. From time to time, our officers may own non-material interests in publicly-held companies that may be suppliers to our franchise system.

### **Purchasing Arrangements**

For our fiscal year ended December 31, 2023, we received \$6,336,373, which was 17% of our total revenue of \$36,858,520, as a result of required franchisee purchases from us.

We may negotiate purchase arrangements (including price terms) with suppliers in connection with your purchase of certain items from these suppliers. In doing so, we will seek to promote the overall interests of our franchise system and our interests as the franchisor. We may receive rebates from approved or designated sources based on your purchases from these sources. During the fiscal year ending December 31, 2023, we received \$2,660,253 in rebates from franchisees' purchases of products and services from approved or designated suppliers, vendors or sources, or in accordance with our standards, or 7.2% of our total revenue of \$36,858,520. The rebates are generally derived based on a percentage of the purchase price paid by franchisees which varies by product and vendor; however, in some situations, there is a flat fee payment by the vendor. Generally, the percentage ranges from 0.1% to 10% of the product purchases. There are a few vendors for which the percentage is outside of that range; at 35%, 50%, and 87%; but those outliers account for a very small level of purchases, and the rebates for those products account for .55%, .28%, and .30%, respectively, of our total revenue of \$36,858,520.

As of the date of this disclosure document, we offer, through a third-party provider, prepared meals under the F45 trademark (“**F45 Meals**”). If a member of your Studio purchases F45 Meals, then we will pay you a percentage of the sale price of the F45 Meals (varies between 3% and 10%, depending on the supplier), minus any taxes and delivery costs. We reserve the right to change this policy and the amount we pay franchisees at any time.

We do not provide material benefits to franchisees based upon their purchase of particular products or services or their use of designated or approved suppliers. There are currently no purchasing or distribution cooperatives for the system.

We estimate that your required purchases and leases will represent 80% of all of your purchases and leases required to open your Franchise Business. We estimate that your required purchases and leases will represent 80% of all purchases and leases required for the ongoing operation of your Franchise Business.

Neither we nor any of our agents or affiliates offer any direct or indirect financing to you or guarantee any note, lease, or obligation for you.

We have one arrangement with a third-party financing lead source to assist franchisees who are seeking third-party lending sources. This arrangement is described below.

### **Swoop Funding**

We have a relationship with Swoop Funding (“**Swoop**”), a funding brokerage platform that assists franchisees to obtain third-party financing. Through an agreement with Swoop, we are eligible to earn a fee equal to 20% of any commission generated by a funding transaction that is originated by Swoop. We do not provide the financing, nor do we set any terms of the financing that is sourced through Swoop.

**ITEM 11**  
**FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING**

**Except as described below, we are not required to provide you with any assistance.** We may delegate certain of our obligations under the Franchise Agreement to affiliates or other service providers.

**Pre-Opening Obligations:** Before you open your Studio, we or our designee will:

1. Provide you with access to a copy of our written site selection guidelines and give you site selection assistance (which may include visits to the site, analysis of the surrounding demographics, and general site selection advice, the extent of which will vary based on the specific circumstances, including the location and condition of the proposed site). (Franchise Agreement, Section 2.B.)

You must identify and secure a site for your F45 Studio within the Designated Area. We will not generally own the premises for your Studio. We must accept the site as meeting our Standards. You cannot place a Studio at a site we have not first accepted in writing. (Franchise Agreement, Sections 2.A. and 2.B.) Your failure to obtain a site that we approve and open within 12 months after the effective date of the Franchise Agreement is a default of the Franchise Agreement for which we may terminate. (Franchise Agreement, Section 2.G.)

When you identify a proposed site, you must submit to us in writing a description of the site, evidence that the site satisfies our site selection guidelines, and any other information we may require. We have 14 days to review your proposed site for compliance with our site selection guidelines and accept or not accept the site. (Franchise Agreement, Section 2.B.) In reviewing your proposed site, we consider various factors, including but not limited to the size, layout, and condition of the building, the location of the site, the proximity of the site to other F45 studios and competitors, population, and other demographic factors. If we accept multiple sites, you must notify us within 10 days of our acceptance of the sites of the site that you intend to acquire for the Studio. (Franchise Agreement, Section 2.B.)

Upon your acquisition of the site we approve for the Studio, we, in our sole discretion, will define the Protected Area for the Studio. (Franchise Agreement, Section 1.B.)

Within 6 months after signing the Franchise Agreement, you must enter into a lease or contract of sale for the site. You must provide us with a copy of the executed lease or contract of sale within 10 days of its signing. Your failure to acquire a site for the Studio within 6 months after the Effective Date of the Franchise Agreement is a default of the Franchise Agreement for which we may terminate. (Franchise Agreement, Section 2.C.)

You must obtain all zoning classifications, clearances, and approvals relating to the site and all required permits, licenses, and certifications. (Franchise Agreement, Section 2.E.);

2. Provide you with access to our prototypical design plans and specifications for an F45 Studio. (Franchise Agreement, Section 2.F.(1));

3. Provide you with access to our Manuals, which may be provided electronically, via video, and/or via Internet or intranet access only. (Franchise Agreement, Section 5.A.);

4. Make available to you, directly through us, or our affiliate, the Equipment Pack in good and working order. The Equipment Pack includes the equipment, signs, and other items you need to open your Studio. We do not provide written specifications for the Equipment Pack items. We arrange for the delivery of the Equipment Pack to your Studio, but we do not install or arrange for the installment of the Equipment Pack, but we provide you a list of approved suppliers who can provide installation services. (Franchise Agreement, Section 4.C. and 5.H.);

5. Provide you a list of any approved suppliers. (Franchise Agreement, Section 5.H.);

6. Conduct an induction seminar and make available to you an online initial training program. (Franchise Agreement, Section 5.I.);
7. Administer the Brand Fund and provide any advertising and promotional materials we develop for local advertising. (Franchise Agreement, Sections 8.A. and 8.E.); and
8. Provide you with New Studio Project Management services, the cost of which is included in the Establishment Fee. (Franchise Agreement, Section 7.M(1)).

### **Typical Length of Time Before You Open Your Studio**

We estimate that it will be approximately 12 months from the time you sign the Franchise Agreement to the time you begin operations. This time period may be shorter or longer depending on the modifications that must be made to the site to accommodate your F45 Studio and permits and licenses required for the Studio. You must open your Studio within 12 months after signing the Franchise Agreement, unless we give you a written extension. (Franchise Agreement, Section 2.G.)

Before you open the Franchise Business to the public, you must satisfy any and all of our pre-opening requirements, which include the pre-sale of a minimum recommended number of paid memberships that will go into effect on the Opening Date (“**Foundation Memberships**”). The number of Foundation Memberships required will be based on our System Standards, including our recommendation regarding the appearance of the Studio’s volume of business upon opening, and is not a suggestion or representation of a specific level or range of actual or potential sales, income, gross profits, or net profits that the Franchise Business will attain.

**Continuing Obligations:** After your Franchise Business opens we will:

1. Conduct periodic evaluations of your operations. (Franchise Agreement, Section 5.C.)
2. Manage purchases paid for with the Marketing Fee, administer the Brand Fund (if instituted), and provide any advertising and promotional materials we develop for local advertising. (Franchise Agreement, Section 5.D., Section 8.B. and Section 8.E.)
3. Give you advice and written materials we may develop on the techniques of managing and operating Franchise Businesses including providing you with access to the Manuals. (Franchise Agreement, Section 5.A. and Section 5.E.)
4. At our discretion, make available to you at a reasonable cost merchandise, sporting goods, equipment, nutritional and protein supplements, prepared meals, and other items we develop or approve for resale. (Franchise Agreement, Section 5.F.)
5. At our discretion, make available to you certain systems and programs relating to the System which you may offer to customers. (Franchise Agreement, Section 5.G.)
6. Give you updated lists of approved suppliers as we deem appropriate. (Franchise Agreement, Section 5.H.)
7. Provide additional training programs and seminars at our option. (Franchise Agreement, Sections 5.I. and 5J.)
8. Provide you with access to any proprietary software programs as may be developed by us or on our behalf for use in the System. We reserve the right to charge a reasonable license fee. (Franchise Agreement, Section 5.B.)

### **Advertising**

You must participate in all advertising and sales promotion programs that we may authorize or develop for Franchise Businesses. Currently, we are not obligated to conduct any advertising in any area for you or the

system. If, at any time during the term of the Franchise Agreement, but not before the end of the 6-month period following the Opening Date of the Studio, your Gross Sales are not at least 80% of the annual, average gross sales of all F45 franchisees that have operated their Studios for at least 6 months, then we may require you to participate in a special promotional program(s) that we implement, and you must pay the costs and fees associated with such program(s).

### **Pre-Opening; Grand Opening**

Before you open your Franchise Business to the public, you must: (a) conduct a soft opening of the Studio in which: (i) you must operate the Studio for the period of time we require, as described in the Manuals; (ii) classes are offered only to your friends and family; and (iii) classes are not made available to the general public; (b) pre sell the minimum number of “Foundation Memberships” we require; and (c) ensure that the Social Media Accounts we require have the number of followers, “likes,” or similar designations that we require. We may establish, on your behalf, social media accounts for the Studio (e.g., Facebook and Instagram) (“**Social Media Accounts**”). You must comply with our social media policy as set forth in the Manuals.

Beginning 120 days before Opening Date of your Studio, and continuing through 30 days after the Opening Date, you must carry out a grand opening promotion for the Studio in accordance with our grand opening Standards. You must spend at least \$25,000 on grand opening promotions conducted in accordance with the requirements determined by us. If we direct, you must pay us, or third parties approved by us, part or all of the Grand Opening Expenditures. If we require that you pay us or third parties all or part of the Grand Opening Expenditures, then we or the required third party will conduct grand opening promotions on your behalf. If we require that you pay us the Grand Opening Expenditures, then you must make such payment the earlier of: (i) the date your Equipment Pack is ordered; or (ii) four months before the scheduled Opening Date of the Studio. The Grand Opening Expenditures must be spent in accordance with a budget that has been prepared by you and approved of by us, or as otherwise recommended by us.

### **Marketing Fee**

You must pay us at least \$2,500 per month for local marketing for your Franchise Business. You must pay the Marketing Fee for the first month of operations on the Opening Date of your Studio, then the first day of each subsequent month during the term of the Franchise Agreement. Payments must be made in the same manner that royalty fee payments are made. The Marketing Fee amounts that we collect will be used to pay for local advertising for your Studio that is designed to increase your Studio’s membership.

### **Local Advertising Expenditure**

If we waive your requirement to pay the Marketing Fee, then you must spend at least \$2,500 per month on local advertising for your Franchise Business in the local market area, which is the same as your Protected Area; or you may elect to spend more on local advertising than the required amount (amount of local market expenditures, whether instead of, or as a supplement to, the Marketing Fee, “**Local Advertising Expenditures**”). We must approve all Local Advertising Expenditures, and all Local Advertising Expenditures must follow our guidelines. If you make Local Advertising Expenditures that are not part of the Marketing Fee, then you must submit to us a quarterly advertising expenditure report within 15 days following the end of each calendar quarter. None of the following may be included in your Local Advertising Expenditures: (1) incentive programs for your employees or agents; (2) non-media promotional costs; (3) charitable, political, or other contributions or donations; (4) in-Studio fixtures, equipment, or products for resale; (5) business directory listings (online or otherwise); or (6) Grand Opening Expenditures.

### **Brand Fund**

We have established a fund to promote, market and otherwise develop the System, Marks and the F45 brand (“**Brand Fund**”). You must contribute to the Brand Fund an amount which is the greater of: (i) \$200 per

month; or (ii) 2% of Gross Sales per month (“**Brand Fund Contribution**”). The Brand Fund Contribution must be made at the time and in the manner that royalty fee payments are due. We or someone we designate will administer the Brand Fund. We will direct all advertising programs, including the creative concepts, materials, and media used in the programs. We are not required to make expenditures for you that are equivalent or proportionate to your Brand Fund Contribution or to ensure that any particular franchisee benefits directly or *pro rata* from the placement of advertising. Except for a portion of the Brand Fund spent on Website development and maintenance (a portion of which may include soliciting the sale of franchises using the Website), the Brand Fund will not be used to solicit the sale of franchises. We and our affiliates may, but are not required to, contribute to the Brand Fund generally on the same basis as you do for Franchise Businesses that we or they operate.

We will determine, in our sole discretion, when, how, and where the payments deposited into the Brand Fund will be spent. We select the types of media used and the location of the advertising campaigns administered through the Brand Fund. We use or may use the following media: print, radio, television, telephone, smart phone, social media and Internet. We may also use the funds for general public relations, development of advertising and marketing materials, brand studies, to pay wages for digital marketing, graphic design, and/or marketing initiatives and to otherwise obtain and build brand awareness such as through trade shows, other events, or other channels. All advertising and marketing materials will be prepared by us or by outside advertising/public relations/promotional agencies.

The Brand Fund will be held in an account separate from our other funds. We may spend in any fiscal year an amount greater or less than the total contribution of Franchised Businesses to the Brand Fund in that year. If we do not use all the funds in the Brand Fund in the year in which they accrue, we may use these amounts in the next fiscal year. We may cause the Brand Fund to borrow from us or other lenders to cover deficits of the Brand Fund or cause the Brand Fund to invest any surplus for future use by the Brand Fund. We may collect for remission to the Brand Fund any advertising monies or credits offered by any supplier to you based upon purchases you make. All interest earned on monies contributed to the Brand Fund will be used to pay advertising costs of the Brand Fund before other assets of the Brand Fund are expended. Sums paid by you to the Brand Fund may be used by us to defray any of our operating expenses and overhead reasonably related to the administration, direction or operation of the Brand Fund, programs, and activities. We will prepare an annual, unaudited statement of monies collected and costs incurred by the Brand Fund and will make it available to you on written request.

The Brand Fund is intended to enhance recognition of the Marks and patronage of Franchised Businesses. We are a nationwide brand and intend to use the fund to help promote the image and good will of the entire brand through local, regional and national marketing campaigns. Although we will endeavor to use the Brand Fund to develop advertising and marketing materials, we are not obligated to ensure that expenditures by the Brand Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Brand Fund by Franchised Businesses operating in that geographic area or that any Franchised Business will benefit directly or in proportion to its contribution to the Brand Fund from the development of advertising and marketing materials. We assume no direct or indirect liability or obligation to you or any other Franchised Business in connection with the maintenance, direction, or administration of the Brand Fund.

We will not use your Brand Fund contributions to defray any of our operating expenses, except for any reasonable administrative costs and overhead that we may incur in administering or directing the Brand Fund. We will prepare an annual statement of the Brand Fund’s operations and will make it available to you if you request it. We are not required to have the Fund statements audited.

Although the Brand Fund is intended to be perpetual, we may terminate it at any time. We will not terminate the Brand Fund, however, until all money in the Brand Fund has been spent for advertising or promotional purposes or returned to the contributors on the basis of their respective contributions.

In 2023, 15% of the Brand Fund was spent on advertisements and other promotional materials, 75% for media placement, 10% for general and administrative expenses, and 0% for other expenses. We do not use any of the funds contributed to the Brand Fund principally to solicit new franchise sales.

### **Advertising Co-ops**

We can designate any geographic area in which two or more company-owned or franchised Franchise Businesses are located as a region for an advertising cooperative (“**Co-op**”). If we do, the Co-op must be organized and governed as we determine. Any Co-ops we authorize will be for the exclusive purpose of administering advertising programs and developing promotional materials for members in local advertising. If a Co-op is established for an area that includes your Protected Area, you must become a member of the Co-op and participate in the Co-op by contributing the amounts required by the Co-op’s governing documents. However, you will not be required to contribute more than the amount of your Marketing Fee or Local Advertising Expenditure of \$2,500 per month, whichever is applicable, and your Co-op contribution will be applied toward satisfaction of your Marketing Fee or Local Advertising Expenditure requirement, whichever is applicable. You must also submit to the Co-op and to us all statements and reports that we or the Co-op may require. Co-op contributions will be maintained and administered under the Co-op’s governing documents, which must be approved by us in writing, and the Co-op will be operated solely as a conduit for the collection and expenditure of advertising contributions.

All advertising and promotion activities must be conducted in a dignified manner and must conform to our Standards. You must obtain all advertising and marketing materials from a supplier we approve. We reserve the right to require you to submit advertising materials to us for review and confirmation that such materials comply with our Standards. We may also require you to include in your advertising or promotional materials a reference to the fact that franchises for Franchise Businesses are available.

Unless otherwise specified by us, the activities and accounting practices carried on by each Co-op shall be decided by a majority vote of its members. Any company-owned Studios in the region shall have the same voting rights as those owned by its franchisees. Each Studio owner shall be entitled to cast one (1) vote for each Studio owned. Each Co-op shall be organized for the exclusive purpose of administering regional advertising programs and developing, subject to our approval, standardized promotional materials for use by the members in local advertising and promotion. Although once established, each Co-op is intended to be of perpetual duration, we maintain the right to terminate, dissolve, or merge any Co-op. A Co-op shall not be terminated, however, until all monies in that Co-op have been expended for advertising and/or promotional purposes.

You may charge Membership Fees in amounts determined by you, however, we reserve the right, to the fullest extent allowed by applicable law, to establish maximum, minimum, or other pricing requirements with respect to the amount of the Membership Fees and the prices that you may charge for other products and services.

### **Loyalty Programs**

You must participate in, and comply with the requirements of, any gift card, gift certificate, customer loyalty or retention, or special promotional program that we implement for all or part of the F45 franchise system and sign the forms, pay the fees, and take the other action we require for you to participate in these programs. As part of our promotional programs, we may require you to offer a limited number of free memberships each year to those persons we select.

## **Franchise Services**

We offer certain build-out and opening services to franchisees. These services are included in the Establishment Fee. We will provide the following services to assist with Studio development and lead generation:

(i) New Studio Project Management. New Studio Project Management services will be provided by us and/or our preferred external vendors. Services may range from project coaching with internal subject experts to full service, third party retail project management, which may include, but not be limited to site due diligence/survey, architectural design and engineering, production of construction drawings, construction budget and bidding, pre-construction management, construction management, contract and vendor management, equipment logistics, and project closeout. Appropriate level of required services and service provider(s) shall be based upon Studio location, property type, lease language, and requisite experience of the franchisee.

(ii) Such other services as Franchisor may designate in the future.

## **Advertising Council**

As of December 31, 2023 we have a North America Franchise Advisory Committee (“FAC”). There are currently 11 franchisee members appointed to the FAC, including 3 franchisees on the leadership committee as voted on by the other members of the FAC, and 6 delegates from Franchisor. Franchisee members within the North America region are eligible to serve on the FAC if they meet the following requirements: (a) franchisee must have an ownership interest of at least 50% in an F45 Studio within North America; (b) franchisee must have owned and operated the F45 Studio for at least two (2) years; (c) franchisee must be involved in the day to day management and operation of the F45 Studio; and (d) any other reasonable criteria or condition determined by Franchisor from time to time.

The FAC serves in an advisory capacity only and does not have the authority to establish or modify the policies of F45. However, F45 management may take into consideration the input of the FAC in formulating strategies, plans, programs, and policies which affect franchisees. The FAC is organized, managed, supported, and controlled by F45, which has the power to form, change, or dissolve the FAC.

## **Computer and Point of Sale System Requirements**

You must install, maintain, and upgrade the computer hardware, software, peripheral equipment, and all other technology-related items we require, including but not limited to, Internet telecommunications systems, data cabling, and sound and surveillance equipment we require for the operation of the Studio. All bookings and sales for your Studio must be completed online. We require that you use MindBody as your point of sale, or other approved supplier that we may identify from time to time. Among other things, we may require you to install and maintain systems that permit us to independently access and retrieve electronically any information stored in your computer systems, including, without limitation, information concerning Gross Sales, at the times and in the manner that we require. You must provide us independent, remote access to all surveillance equipment. The purpose of such access is to enable us to conduct inspections of your use of the System and the Marks and to enforce System Standards, and not to monitor your day-to-day operations. We also may require you to enter into software license agreements in the form that we require for software we develop or acquire for use in the System and pay all fees associated with such agreements. All information contained in and collected by any such computer program (including, but not limited to, information pertaining to Members of the Studio) will be our sole and exclusive property.

Currently, the required computer equipment includes an Apple MacBook Air, an Apple iPad, a high speed Internet router, and the components required to operate F45 TV.

We estimate the cost of the computer system will be approximately \$1,000 to \$2,000. You must also pay us a monthly Service Fee of \$500 for certain technology services we will provide to you such as email and website administration, provision of the intranet and certain other software required for the operation of your Studio. We reserve the right to increase these fees as our costs for this service increase. The Service Fee does not cover your costs of support, other maintenance, repairs, upgrades, updates, replacement or training, if required, nor the cost of replacing any of the components that make up your computer systems. You must pay these costs, which we estimate will be approximately \$1,500 to \$2,500 per year.

Neither we, nor our affiliates, nor any third parties are required to provide ongoing maintenance, repairs, upgrades, or updates to your computer system. Currently, we do not require you to enter into any maintenance/upgrade contracts for the computer system or other technology devices. If we do require you to enter into maintenance agreements or to update the computer system, you will pay all costs associated with such agreements and requirements.

### **Operations Manual**

After you execute the Franchise Agreement, we will provide you with access to our Manuals, which may only be provided via the Internet or intranet. A copy of the table of contents of the Manuals is attached as Exhibit D. We consider the contents of the Manuals to be proprietary, and you must treat them as confidential. There are approximately 425 total pages in the Manuals.

### **Training**

After the execution of: (i) the Franchise Agreement and (ii) a lease approved by us, you (or your Key Person if you are an entity) must attend our induction seminar in Austin, Texas, which is currently conducted over a period of 8 days. When you register for induction, you must pay us \$1,000 for up to two people to attend. You must pay us an additional \$300 for the third and each additional person who attends. You are responsible for paying the costs of travel, lodging, meals, and compensation for you and your attendees to attend the induction seminar. During induction, in addition to providing you information and guidance relating to the development and operation of your Studio, we will evaluate whether or not you (or your Key Person if you are an entity), your General Manager (if applicable) have completed, to our sole satisfaction, the required initial training described below and/or whether or not such persons must complete any additional training. We conduct the induction seminar at least once a month.

At least 30 days after you and we have entered into a Franchise Agreement, you (or your Key Person if you are an entity), your General Manager (if applicable), and Studio Manager must complete, to our satisfaction, our initial online training program. The online initial training program consists of a series of Webinars, instructional guides, training information and programs, and other operations information. We do not charge a fee for access to our online training programs.

The subjects covered and other information relevant to our initial training programs are described below:

The instructional content in our Manuals is integral to the initial training program. Our training is administered under the supervision of Justin Shinn, our Senior Director of Global Network Education, who has been a part of our organization since August 2019. Formerly, he held the position of Director of Global Performance and Education. With over ten years of experience in the industry and over four years in training franchisees, Justin brings valuable expertise to the program. Additionally, we may leverage the knowledge of third-party professionals and programs and the support and facilities provided by other franchisees within our system.

In addition to completing the initial training described above, you must staff your Studio with at least three certified trainers prior to opening your Studio, and you must staff your Studio with at least three certified trainers at all times during the term of the Franchise Agreement, or such other number of certified trainers we reasonably require for System Standard purposes.

Your Key Person, General Manager, if applicable, and Studio Manager, and any other personnel we designate, must attend and complete any additional training and meetings or conferences that we may from time to time require, and you must pay us or third parties all fees assessed in connection with such training, meetings, and/or conferences. If such persons fail to attend any such training, meeting, and/or conferences, you must pay us a non-attendance fee in an amount we determine at the time, and such amount will be paid into the Brand Fund or used for local marketing for your Studio, as we determine. Training and other meetings will be conducted at locations we designate. You will be responsible for any and all expenses incurred in connection with any initial or additional training, including the costs of travel, lodging, meals, and wages you incur.

## **ITEM 12 TERRITORY**

Although we grant you some territorial protection, you will not receive an exclusive territory.

The Franchise Agreement gives you the right to operate an F45 Studio at a site we accept as meeting our site selection guidelines (“**Location**”). You must select the site for your Studio from within a geographic area you and we agree on (“**Designated Area**”), which will be identified in the Franchise Agreement when you sign the Franchise Agreement. You will not acquire any rights in and to the Designated Area, other than the right to select a site for the Studio from within the boundaries of the Designated Area. Your rights to the Protected Area (defined below) will be determined once you acquire a site that we approve.

If the site that you select and that we approve for the Studio is closer to the outside boundary of the Designated Area, then we may redefine the geographic area of protection surrounding your Location (“**Protected Area**”) such that the Studio is more centrally located in the Protected Area. If we make this modification, we anticipate that your Protected Area will be approximately the same size and will have approximately the same demographics as your original Designated Area. If we do not notify you prior to opening the Studio of the revised Protected Area, the Designated Area will automatically become the Protected Area for purposes of the Franchise Agreement.

If you are in compliance with the Franchise Agreement and any other agreement you have with us or our affiliates, we and our affiliates will not establish or authorize anyone except you to establish an F45 Studio in the Protected Area during the term of the Franchise Agreement. The Protected Area will generally be an area with a population of at least 15,000 as determined by the most recent, published U.S. census data, but the actual size and shape of the Protected Area will vary from franchisee to franchisee.

Continuation of your Protected Area does not depend on the achievement of a certain sales volume, market penetration, or other contingency. There are no circumstances that would permit us to modify your territory rights during the term of the Franchise Agreement or upon renewal of the Franchise Agreement. You do not receive the right to acquire additional franchises within or outside of your Protected Area unless you sign another Franchise Agreement with us.

You must operate the Franchise Business and offer and sell products and services only at the Location. You may not actively solicit from consumers located outside your Protected Area through any method of distribution, including alternative channels such as the Internet, catalog sales, telemarketing, or other direct marketing. You cannot relocate the Studio without our consent. If you lose possession of the Location through no fault of your own, you must apply to us within 30 days for our approval to relocate your Studio. You must relocate to another site in the Protected Area.

We retain all other rights. Among other things, this means we can:

- (i) Develop and establish other business systems using the Marks, or other names or marks, and grant licenses to use those systems without providing any rights to you;
- (ii) Advertise and promote the System in the Protected Area;
- (iii) Operate, and license others to operate, Franchise Businesses at any location outside the Protected Area, including locations that are adjacent to the Protected Area, and in any Reserved Area, even if the Reserved Area is in the Protected Area. “Reserved Area” means any office buildings/campuses; military bases and posts; airports; and hotels, resorts, and other lodging facilities, regardless of where located.
- (iv) Within and outside the Protected Area, offer and sell, and authorize others to offer and sell, any similar or dissimilar products and services, (under the Marks or under other names or marks) through

any channel or by any method of distribution (including the Internet) other than a Franchise Business on any terms and conditions we deem appropriate.

(v) Purchase, merge with, acquire, be acquired by or affiliate with any businesses of any kind under other systems and/or other marks, which businesses may convert to or operate under the Marks or other trademarks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your Franchise Business, and which may be located anywhere inside or outside the Protected Area.

There are no restrictions on our right to solicit or accept business from consumers inside the Protected Area without paying any compensation to you.

We reserve, maintain, and control all rights with respect to the use of the brand, Marks, and System, in the metaverse. The “metaverse” means a live shared digital environment that can be accessed through the Internet, virtual reality, augmented reality, and other technologies. For the avoidance of doubt, the Protected Area does not include the metaverse.

Except as described above, continuation of any territorial exclusivity does not depend on the achievement of a certain sales volume, market penetration, or other contingency and we may not alter your Protected Area.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. For example, you may face competition from competitive brands such as FS8<sup>®</sup> and Vaura<sup>™</sup>. As discussed above FS8<sup>®</sup> and Vaura<sup>™</sup> are a different type of exercise studio and exercise program. There are no restrictions on operators of these other brands from soliciting for members who are, or offering fitness and exercise programs to, members of F45 Studios.

**ITEM 13  
TRADEMARKS**

The Franchise Agreement gives you a license to operate a Franchise Business using the Marks and any future Marks we authorize.

We have registered the following Marks with the U.S. Patent and Trademark Office (“USPTO”). We intend to renew the registrations and have filed or intend to file all appropriate affidavits at the appropriate times required by law.

MARK	REGISTER	REGISTRATION DATE	REGISTRATION NUMBER
F45 Training (standard character)	Principal	September 1, 2015	4801720
 Functional 45 F45 Training (design)	Principal	August 25, 2015	4797493
 F45 (design)	Principal	July 30, 2019	5816931
Team Training Life Changing (standard character)	Principal	January 17, 2017	5125387

There is no presently effective determination of the U.S. Patent and Trademark Office, the trademark trial and appeal board, the trademark administrator of any state or any court, nor any pending infringement, opposition, or cancellation proceeding, nor any pending material litigation involving the Mark which is relevant to its ownership, use or licensing.

We know of no superior prior rights or infringing use that could materially affect your use of the Mark, and we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Mark in any manner material to the franchise.

We are not obligated to protect your rights to use the Marks or to protect you against claims of infringement or unfair competition. We are not obligated to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving the Mark or if the proceeding is resolved unfavorably to you.

You must immediately notify us of any infringement of the Marks or of any challenge to the use of any of the Marks or claim by any person of any rights in any of the Marks. You, including all Principal(s), and

your Key Person must agree not to communicate with any person other than us, any designated affiliate and our or their counsel about any infringement, challenge or claim of this type. We or our affiliates have sole discretion to take any action we deem appropriate and the right to exclusively control any litigation or any USPTO (or other) proceeding, arising out of any infringement, challenge, or claim concerning any of the Marks. You must execute all instruments and documents and give us any assistance that, in our counsel's opinion, may be necessary or advisable to protect and maintain our interests or those of our affiliates in any litigation or proceeding of this type or to otherwise protect and maintain our or their interest in the Marks.

You may not use any of the Marks as part of your corporate or other name. You must also follow our instructions for identifying yourself as a franchisee and for filing and maintaining the requisite trade name or fictitious name registrations. You must execute any documents we or our counsel determine are necessary to obtain protection for the Marks or to maintain their continued validity and enforceability. Neither you nor your Key Persons nor your Principals may take any action that would prejudice or interfere with the validity of our rights with respect to the Marks and may not contest the validity of our interest in the Marks or assist others to do so.

We have the right to substitute different trade names, service marks, trademarks, and indicia of origin for the Marks if the Marks can no longer be used, or if we determine, in our sole discretion, that the substitution will be beneficial to the System. If we do, we may require you to discontinue or modify your use of any Mark or use one or more additional or substitute Marks at your expense.

**ITEM 14**  
**PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

We do not own any patents or patent applications that are material to the franchise. We do claim copyright protection and proprietary rights in the original materials used in the System, including our Manuals, bulletins, correspondence and communications with our franchisees, training, advertising and promotional materials, and other written materials and videos/images relating to the operation of Franchise Businesses and the System.

There is no presently effective determination of the U.S. Copyright Office (Library of Congress) or any court affecting our copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. We are not obligated by the Franchise Agreement, or otherwise, to protect any rights you have to use the copyrights. We have no actual knowledge of any infringements that could materially affect the ownership, use or licensing of the copyrights.

We treat all of this information as trade secrets and you must treat any of this information we communicate to you confidentially. You and your Key Person(s) must agree not to communicate or use our confidential information for the benefit of anyone else during and after the term of the Franchise Agreement. You and your Key Person(s) must also agree not to use our confidential information at all after the Franchise Agreement terminates or expires. You and your Key Person(s) can give this confidential information only to your employees who need it to operate your Franchise Business. You must have your General Manager (if applicable), Studio Manager, and any of your other personnel who have received or will have access to our confidential information, sign similar covenants. Those of your Principals who are not signing the Guaranty also must execute these covenants.

If you or your Key Person(s) develop any new concept, process, or improvement in the operation or promotion of your Franchise Business, you must promptly notify us and give us all necessary information about the new process or improvement, without compensation. You and your Key Person(s) agree that any of these concepts, processes, or improvements will become our property, and we may use or disclose them to other franchisees, as we determine appropriate.

**ITEM 15**  
**OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE**  
**FRANCHISE BUSINESS**

When you sign the Franchise Agreement, you must designate an individual to serve as your “Key Person”. If you are an individual, you will be the Key Person. If you are not an individual, your Key Person must maintain a direct or indirect ownership interest in you of not less than 10%, unless we consent otherwise. This interest may not be pledged, mortgaged, hypothecated, or be subjected to any lien, charge, or encumbrance, voting agreement, proxy, security interest, or purchase right or option, without our consent.

The Key Person must meet our qualifications and must be approved by us. The Key Person for all Franchise Businesses operated by you and, if applicable, your affiliates, must be the same person, and the same person must act as your Key Person under all Franchise Agreements between us.

Unless a General Manager is appointed, as discussed below, your Key Person must devote his or her full time and best efforts to the supervision of your operations and may not engage in any other business. He or she must satisfy our training requirements and our other Standards and must guaranty your performance under the Franchise Agreement. Your Key Person will be individually, jointly and severally, bound by all of your obligations and the obligations of the Key Person under the Franchise Agreement.

You may, at your option and subject to our written consent, designate a General Manager to supervise your operations. Even if we permit you to designate a General Manager to supervise your operations, your Key Person remains ultimately responsible for the General Manager’s performance and the performance of the Studio and your compliance with the Franchise Agreement. The General Manager must devote his or her full time and best efforts to the supervision of your Studio(s).

You must notify us promptly if your Key Person or General Manager cannot continue to serve or no longer qualifies as a Key Person or a General Manager. You will have 30 days from the date of the notice (or from any date that we independently determine the Key Person or General Manager no longer meets our Standards) to take corrective action. During that 30-day period, you must provide for interim management of your operations in compliance with the Franchise Agreement.

You must designate and retain at all times during the term of the Franchise Agreement at least one Studio Manager to coordinate and manage the day-to-day operations of the Studio.

We require your current and future Key Person to sign a Guaranty in the form of Attachment A to the Franchise Agreement guaranteeing your performance and binding themselves individually to certain provisions of the Franchise Agreement, including the covenants against competition and disclosure of confidential information, restrictions on transfer, and dispute resolution procedures. If you are an individual, your spouse will be required to sign the Guaranty if your spouse is directly involved in the franchised business, making your spouse jointly and severally liable for your obligations. Otherwise, your spouse must sign our Confidentiality Agreement and Ancillary Covenants Not to Compete agreement, which is Attachment B to the Franchise Agreement.

At our request, you must have your General Manager and Studio Manager and any other personnel who will have access to our training sign covenants not to compete and agree to maintain the confidentiality of information they have access to through their relationship with you. These covenants will be in substantially the form of Attachment B to the Franchise Agreement. Those of your Principals who are not signing the Guaranty also must execute these covenants. We have the right, in our sole discretion, to decrease the period of time or geographic scope of the noncompetition covenants or eliminate the noncompetition covenant altogether for any person who must sign an agreement described in this paragraph.

You are solely responsible for all employment decisions and functions related to the Studio, including hiring, firing, compensation, benefits, work hours, work rules, record-keeping, scheduling, supervision, and

discipline of employees, notwithstanding any suggestions, advice, guidelines, programs or training that we may offer. You and your Key Person must comply with all federal, state and local laws and regulations regarding employment-related matters. All personnel decisions will be made by you, without any influence or advice from us. You must take such steps as are necessary to ensure that your employees preserve good customer relations; render competent, prompt, courteous, and knowledgeable service; and meet any minimum standards that we may establish from time to time in the Manuals. To the extent that we may provide suggested or mandatory standards regarding the minimum number of employees, those standards are designed solely to meet the anticipated volume of business, preserve good customer relations, and to achieve the goals of the System. We shall not be deemed a joint employer with you for any reason. If we incur any cost, loss, or damage as a result of any actions or omissions of you or your employees, including any that relate to any party making a finding of any joint employer status, you will fully indemnify us for such loss.

**ITEM 16**  
**RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You may only market, offer, sell and provide the products and services within your Protected Areas in a manner that meets our Standards and complies with our Manuals and other writings. We will provide you with a list of our then-current Approved Services, along with their standards and specifications, as part of the Manuals or otherwise in writing prior to the opening of your Franchise Business. We may update or modify this list in writing at any time. If you wish to offer products or services that are not approved by us, you must first obtain our prior written approval. You must also comply with all applicable laws and regulations and secure all appropriate governmental approvals for the Franchise Business.

You must offer and sell all products and services we require. You must sell only the products and services that we have expressly approved in writing. You must stop selling any products or services that we disapprove in writing. You must not provide the following services or types of exercise or activities unless we otherwise approve or require, in writing: Zumba®; karate/jiu jitsu/grappling; dance, spin, stretch, mixed martial arts (MMA); boxing; yoga; Olympic-style weightlifting; physiotherapy; life coaching; or therapeutic practices, including but not limited to massage, acupuncture, or meditation; or childcare. We reserve the right to modify the list of prohibited and required services and types of exercise at any time.

We may make available to you for resale in your F45 Studio prepared meals, protein and other nutritional supplements, sporting goods, equipment, and other merchandise containing the Marks, such as T-shirts, caps, cups, and mugs (“**Branded Products**”). If we make Branded Products available, we may require you to purchase them from a supplier we designate, which may be us. If we make Branded Products available to you for resale, you must purchase the minimum quantity and/or the dollar amount of Branded Products we specify, which we may change from time to time.

As of the issuance date of this disclosure document, you must purchase (1) at least \$1,500 (not including taxes and duties, if any) worth of Studio merchandise such as T-shirts, sporting goods, equipment, caps, cups, and mugs every three months during the term of your Franchise Agreement; (2) at least 100 LionHeart heart rate monitors each year of the term of your Franchise Agreement, starting the second year following the Opening Date of your Studio (the first year’s supply is included in the Equipment Pack); and (3) \$3,000 worth of protein and nutritional supplements at least 30 days before the Opening Date of your Studio and maintain the amount of inventory of these items we require, which will be a reasonable amount. We may change these minimum purchase requirements at any time during the term of the Franchise Agreement.

You must open and operate the Studio during the hours we specify in the Manuals or otherwise in writing. We reserve the right to remove all unapproved products, goods, and materials from your F45 Studio.

We reserve the right to the fullest extent allowed by applicable law, to establish maximum, minimum, or other pricing requirements with respect to the prices you may charge for products or services.

You may not advertise, promote, post, or list information relating to your Franchise Business on the Internet (through the creation of a Website or otherwise) unless we otherwise approve of such activity in writing.

Before you open the Studio to the public, you must satisfy any and all of our pre-opening requirements, which include a soft opening and the pre-sale of a minimum number of Foundation Memberships. Currently, you must conduct a soft opening of the Studio in which: (i) you must operate the Studio for the period of time we require, as described in the Manuals; (ii) classes are offered only to your friends and family; and (iii) classes are not made available to the general public. Additionally, you must sell at least 75 Foundation Memberships before we will permit the Studio to open. We reserve the right to increase or decrease at any time the number of Foundations Memberships that must be sold.

We do not impose any other restrictions in the Franchise Agreement or otherwise on the goods or services that you may offer or sell or the customers to whom you may offer or sell.

## F45 TRAINING INCORPORATED FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“**Agreement**”) is made and entered into on the date set forth in **Item 1** of the **Summary Addendum** (“**Effective Date**”) by and between F45 Training Incorporated, a Delaware corporation (“**Franchisor**”), and the party named in **Item 2** of the **Summary Addendum** (“**Franchisee**”). Certain initially capitalized terms used frequently in this Agreement are defined in **Section 21**.

### RECITALS

Franchisor has the right to use and license the use of a distinctive system relating to exercise training that involves alternating periods of short, intense anaerobic exercise under the F45 trade name, trademark, and business system (“**System**”) for the establishment and operation of an F45 training facility (“**F45 Studio**” or “**Studios**”).

The distinguishing characteristics of the System include, without limitation, distinctive exterior and interior design, decor, color scheme, and furnishings; uniform standards, specifications, policies, and procedures for operations; quality and uniformity of the products and services offered; procedures for inventory, management, and financial control; training and assistance; advertising and promotional programs; and other standards, specifications, techniques, and procedures that Franchisor designates for developing and operating F45 Studios; all of which may be changed, deleted, improved, and further developed by Franchisor from time to time (collectively, “**System Standards**”).

The System is identified by certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including, but not limited to, the mark “F45 Training” and such other trade names, service marks, trademarks, logos, emblems, and indicia of origin as are now designated, and may hereafter be designated by Franchisor in writing, for use in connection with the System (“**Marks**”).

Franchisee wishes to obtain the right to use the System for: (i) the operation of an F45 Studio at a location within the Protected Area and approved by Franchisor in accordance with the terms of this Agreement (“**Location**”), (ii) the provision of services that the Franchisor designates from time to time (“**Approved Services**”) within the Protected Area and (iii) the provision of certain products related to the operation of an F45 Studio and the provision of the Approved Services, including Branded Products, within the Protected Area (collectively, the “**Franchise Business**”), and acknowledges the importance of operating the F45 Studio in conformity with Franchisor’s high standards of quality and service.

Franchisor wishes to grant Franchisee a franchise for the operation of the Franchise Business at the Location upon the terms and conditions set forth in this Agreement.

NOW, THEREFORE, the parties, in consideration of the mutual undertakings and commitments set forth herein, the receipt and sufficiency of which are hereby acknowledged, agree as follows:

### AGREEMENT

#### 1. **GRANT**

A. **Grant of Rights.** Franchisor hereby grants Franchisee the right and license, and Franchisee hereby accepts the right and obligation, to establish and operate the Franchise Business under the Marks and the System in accordance with this Agreement at the Location. This Agreement only grants Franchisee the right and license to operate one F45 Studio at the Location. Franchisee will not offer any products, services, Approved Services or Branded Products (defined below) at any location that is not within the Protected Area or through any other method of distribution, such as the Internet.

B. **Protected Area.** Upon Franchisee’s acquisition of the site for the Studio pursuant to **Section 2**, below, Franchisee’s Protected Area will be defined by Franchisor and will be memorialized either in the

Summary Addendum or in an amendment to this Agreement (that complies with Section 19.B. below), and such amendment will be considered an integral part of this Agreement, in accordance with Section 2.A. below. If Franchisor does not memorialize the Protected Area as described immediately above, then on the Opening Date, the Designated Area set forth in **Item 19** of the Summary Addendum will be deemed the Protected Area for purposes of this Agreement. If Franchisee is in full compliance with this Agreement and any other agreement between Franchisee or its Affiliates and Franchisor or its Affiliates, neither Franchisor nor any Affiliate of Franchisor will establish, or authorize any person or entity other than Franchisee to establish, an F45 Studio in the Protected Area during the Term of this Agreement, except as set forth in Section 1.C. below.

C. Reserved Rights. The rights granted to Franchisee under this Agreement are nonexclusive, and Franchisor and its Affiliates have and retain all rights within and outside the Protected Area except those expressly granted to Franchisee. Accordingly, Franchisor, its Affiliates, and any other authorized person or entity will have the right, among others, (i) to develop and establish other business systems using the Marks, or other names or marks, and to grant licenses to use those systems without providing any rights to Franchisee, (ii) to advertise and promote the System in the Protected Area, (iii) to operate, and license others to operate, the Franchise Business at any location outside the Protected Area, including locations that are adjacent to the Protected Area, and in any Reserved Area, even if the Reserved Area is in the Protected Area, (iv) to engage, directly or indirectly, at wholesale, retail, or otherwise, in the production, distribution, license, and sale of any and all services and products, under the Marks, or under other names or marks, within and outside the Protected Area, through any method of distribution, including, but not limited to, mail order catalogs or the Internet, regardless of the proximity to, or the competitive impact on, Franchisee's Franchise Business, and without compensation to Franchisee, and (v) to purchase, merge with, acquire, be acquired by or affiliate with any businesses of any kind under other systems and/or other marks, which businesses may convert to or operate under the Marks or other trademarks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your Franchise Business, and which may be located anywhere inside or outside the Protected Area.

D. Location; Relocation. Franchisee has been granted the right to operate an F45 Studio at the Location approved by Franchisor. Franchisee will not relocate the F45 Studio without Franchisor's express, prior, written consent. If Franchisee is unable to continue the operation of the F45 Studio at the Location because of the occurrence of an event of Force Majeure (or for other reasons not constituting an event of default under this Agreement), Franchisee may request Franchisor's consent to relocate the Studio to another location in the Protected Area. If Franchisor grants Franchisee the right to relocate the Studio, then Franchisee will comply with such reasonable site selection and construction procedures as Franchisor may require.

E. Condition Precedent (Background & Financial Checks). This Agreement is conditional upon the satisfaction of the following (referred to collectively and individually as the "**Pre-contractual Obligations**"):

(1) Franchisor conducts a criminal background check in relation to the Franchisee and Principals, the results of which must be satisfactory to Franchisor at its sole discretion;

(2) Franchisor conduct a credit check in relation to the Franchisee and Principals, the results of which are satisfactory to Franchisor at its sole discretion; and

(3) Franchisee submits to Franchisor confirmation satisfactory to the Franchisor (in its absolute discretion) that it has sufficient funding in order to set up and operate Studio and otherwise satisfy their financial obligations under the Agreement; and

(4) Franchisee submits to Franchisor a signed copy of its company agreement confirming the ownership of the Franchisee, the details of which are satisfactory to Franchisor at its sole discretion.

In the event that the Pre-contractual Obligations are not satisfied within thirty (30) days of the Effective Date, Franchisor reserves the right to terminate this contract immediately by further notice to the Franchisee.

## **2. SITE SELECTION, PLANS, CONSTRUCTION, AND OPENING DATE**

A. Site Selection. Franchisee assumes all costs, liability, expenses, and responsibility for locating, obtaining, and developing a site for the Studio within the geographic area described in **Item 19** of the **Summary Addendum** (“**Designated Area**”). Franchisee acknowledges and agrees that it acquires no rights in and to the Designated Area, other than the right to select a site for the Studio from within the boundaries of the Designated Area. If the site that Franchisee selects and that Franchisor approves for the Studio is closer to the outside boundary of the Designated Area, then the Protected Area may be redefined such that the Studio is more centrally located within the Protected Area. If this occurs, then Franchisor will undertake best efforts to ensure that the Protected Area is approximately the same size and has approximately the same demographics as the Designated Area.

B. Site Approval. Before acquiring a site for the F45 Studio, Franchisee must submit to Franchisor, in the form specified by Franchisor, a description of the site, evidence satisfactory to Franchisor demonstrating that the site satisfies Franchisor’s site selection guidelines, and such other information and materials as Franchisor may reasonably require, including, but not limited to, copies of a proposed lease (which incorporates a rider in substantially the form attached hereto as Attachment D) or a contract of sale for the site, floor plans of the proposed site, and interior and exterior photographs of the proposed site. Franchisor’s approval of a lease does not mean that the economic terms of the lease are favorable to Franchisee; it means only that the lease contains the lease terms that Franchisor requires. Franchisor will have fourteen (14) days after receiving Franchisee’s site information to accept or not accept, at Franchisor’s sole option, the proposed site as the Location for the Studio. No site may be used for an F45 Studio unless it is first approved in writing by Franchisor, and Franchisee will not make any binding commitment with respect to a site for the Studio unless the site is first approved in writing by Franchisor. In reviewing your proposed site, we consider various factors, including but not limited to the size, layout, and condition of the building, the location of the site, the proximity of the site to other F45 studio and competitors, population, and other demographic factors. If Franchisor approves multiple sites for the Studio, then Franchisee will notify Franchisor in writing within ten (10) days of the date of such approval of the site that Franchisee intends to acquire for the Studio. Franchisee acknowledges that Franchisor’s acceptance of a prospective site and the rendering of assistance in the selection of a site does not constitute a representation, promise, warranty, or guarantee, express or implied, by Franchisor that the F45 Studio operated at that site will be profitable or otherwise successful.

C. Site Acquisition. Promptly following Franchisor’s acceptance of the site for the Studio, but in no event no later than six (6) months after the Effective Date, Franchisee will acquire the site by purchase or lease, at Franchisee’s expense. Franchisee will furnish to Franchisor a copy of the executed lease (with the incorporated rider in substantially the form attached hereto as Attachment D) or contract of sale within ten (10) days after execution. Failure to acquire a site for the Studio within six (6) months after the Effective Date shall be deemed a material default under this Agreement.

D. Contractual Designation of Site. Notwithstanding Section 19.B. of this Agreement, Franchisor’s acceptance of the site will be communicated to Franchisee in a writing that is signed by Franchisor. Franchisor’s written acceptance will be considered an amendment to this Agreement such that the accepted site will be the contractual Location for the Studio, and such writing will be considered an integral part of this Agreement.

E. Licenses; Permits. Franchisee will be responsible for obtaining all zoning classifications and clearances which may be required by any laws, ordinances, regulations, or restrictive covenants relating to the construction, finish-out, and operation of the Studio at the Location. In addition, Franchisee hereby

certifies to Franchisor that Franchisee will hire and retain an architect and contractor that will, to the best of Franchisee's knowledge and control, construct the Studio and its adjacent areas in compliance with all applicable federal, state and local accessibility laws, statutes, codes, rules, regulations and standards, including but not limited to the Americans with Disabilities Act, and all regulations imposed by state, local, and municipal authorities. Franchisee acknowledges that Franchisee and each of its architect and contractor are independent contractors, and the requirements of this Section 2.E do not constitute ownership, control, leasing or operation of the Studio. Franchisee acknowledges that Franchisor has relied on the certification contained in this Section 2.E. Furthermore, Franchisee agrees to indemnify Franchisor and the officers, directors, and employees of Franchisor in connection with any and all claims, losses, costs, expenses, liabilities, compliance costs, and damages incurred by the indemnified party(ies) as a result of any matters associated with Franchisee's and/or architect's and/or contractor's compliance with the Americans with Disabilities Act and all regulations imposed by state, local, and municipal authorities, as well as the costs, including attorneys' fees, costs, and expenses (and interest on such fees, costs, and expenses), related to the same. Before beginning construction at the Studio, Franchisee must (i) obtain all approvals, clearances, permits, licenses, and certifications required for the lawful construction or remodeling and operation of the Studio, and (ii) certify in writing to Franchisor that such items have been obtained. At Franchisor's request, Franchisee will provide to Franchisor copies of all such approvals, clearances, permits, licenses, and certifications. Franchisee will further certify in writing to Franchisor that the insurance coverage specified in Section 12, of this Agreement is in full force and effect.

F. Construction and Finish-Out. Franchisee must obtain, at its expense, any architectural, engineering, design, construction, and other services it deems necessary for the construction of the F45 Studio. All architectural, general contractor, and construction management services must be obtained from a supplier approved by Franchisor, and Franchisee must provide to Franchisor upon request a copy of the construction contract for the Studio and the final architectural plans after they have been approved as set forth in Section 2.F.(1) below.

(1) Franchisee will adapt Franchisor's prototypical architectural and general design plans, equipment layout, and flat screen television location plans and specifications for an F45 Studio as necessary for the construction of the Studio licensed under this Agreement and will submit such adapted plans to Franchisor for review within ten (10) days after it acquires the Location. Franchisor will use commercially reasonable efforts to either approve or reject the plans within ten (10) days after Franchisor receives the plans. If Franchisor, at its sole option, determines that the plans are not consistent with System Standards, Franchisor may prohibit the implementation of such plans. If Franchisor objects to any such plans, Franchisor will provide Franchisee with a reasonably detailed list of changes necessary to make the plans acceptable. If Franchisor rejects the plans, Franchisee must submit revised plans, and Franchisor will use commercially reasonable efforts to either approve or reject the revised plans within 10 days after Franchisor receives the revised plans. Franchisee may not use any plans until Franchisor has approved them in writing, and Franchisor's silence with respect to approval or rejection of the plans will not be deemed to be approval of the plans. Franchisee will provide written notice to Franchisor and will obtain Franchisor's prior written approval of any proposed changes to the final plans previously approved by Franchisor. Franchisee acknowledges that Franchisor's review of such plans is only for purposes of determining compliance with System Standards, and that acceptance of such plans by Franchisor does not constitute a representation, warranty, or guarantee, express or implied, by Franchisor that such plans are accurate or free of error concerning their structural application. Franchisor will not be responsible for architecture or engineering, or for code, zoning, or other requirements of the laws, ordinances, or regulations of any federal, state, local, or municipal governmental body, including, without limitation, any requirement relating to accessibility by disabled persons or others, nor will Franchisor be responsible for any errors, omissions, or discrepancies of any nature in the plans.

(2) Franchisee must promptly commence and diligently pursue construction of the Studio. Commencement of construction is defined as the time at which any site work is initiated. Site work

includes, without limitation, paving of parking areas, installing outdoor lighting and sidewalks, extending utilities, demising of interior walls, and demolishing of any existing premises, depending on whether the Studio is to be located in a freestanding building or contained within a shopping mall, strip center, or other interior location. During construction, Franchisee must provide Franchisor with such periodic progress reports as Franchisor may reasonably request. In addition, Franchisor will make such on-site inspections as it may deem reasonably necessary to evaluate such progress. To the extent necessary to enforce brand standards, Franchisee agrees that Franchisor will have the right to consult or work directly with the contractors engaged by Franchisee to construct and/or finish-out the Studio. Franchisee will notify Franchisor of the scheduled date for completion of construction no later than forty-five (45) days prior to such date. Within a reasonable time after the date construction is completed, Franchisor will, at its option, conduct an inspection of the completed Studio, which inspection may be via video conference call, in which case, Franchisee must provide Franchisor video images during such call, as required by Franchisor. Franchisee must not open the Studio for business without the written authorization of Franchisor, which authorization will be conditioned upon Franchisee's strict compliance with this Agreement.

G. Opening Date. Franchisee must open the Studio and commence business within twelve (12) months after the Effective Date, unless Franchisee obtains a written extension of such time period from Franchisor. Franchisee acknowledges that time is of the essence. The Opening Date will be communicated to Franchisee in writing, and such writing will be considered an integral part of this Agreement and will serve as the contractual Opening Date of the Studio. Before the Opening Date, Franchisee must complete all exterior and interior preparations for the Studio, including installation of equipment, fixtures, furnishings, and signs, pursuant to the plans and specifications approved by Franchisor, and must comply with all other pre-opening obligations of Franchisee, including, but not limited to, those obligations described in Section 7 of this Agreement. If Franchisee fails to comply with any of such obligations, Franchisor will have the right to prohibit Franchisee from opening. Franchisee's failure to open the Studio in compliance with these provisions will be deemed a material event of default under this Agreement.

### 3. TERM AND RENEWAL

A. Term. Unless sooner terminated as provided in this Agreement, the term of this Agreement will begin on the Effective Date and will continue for the number of years set forth in the Summary Addendum ("Initial Term").

B. Renewal. Franchisee may, at its option, renew its rights under this Agreement for the terms set forth in the Summary Addendum (each, "Renewal Term"), subject to any or all of the following conditions which must, at Franchisor's option, be met prior to and at the time of renewal:

(1) Franchisee must give Franchisor written notice of Franchisee's election to renew not less than six (6) months nor more than nine (9) months before the end of the Initial Term;

(2) Franchisee must refurbish, repair, or replace, at Franchisee's cost and expense, all equipment, electronic cash register systems, computer systems, signs, interior, and exterior décor items, fixtures, furnishings, supplies, and other products and materials required for the operation of the Studio as Franchisor may require and will otherwise upgrade the Studio to reflect the then-current Standards and image of the System;

(3) Franchisee must not be in default of any provision of this Agreement, any amendment hereof or successor hereto, at the time of renewal; Franchisee and its Affiliates must not be in default of any other agreement with Franchisor or any of its Affiliates, at the time of renewal, and Franchisee and its Affiliates must have substantially and timely complied with the terms and conditions of such agreements during the respective terms thereof;

(4) Franchisee must have timely satisfied all monetary obligations owed to: (i) Franchisor and its Affiliates under this Agreement and any other agreement between Franchisee or any of

its Affiliates and Franchisor or any of its Affiliates, (ii) the suppliers of the Franchisee, and (iii) Franchisee's lessor;

(5) Franchisee must present evidence satisfactory to Franchisor that Franchisee has the right to remain in possession of the premises of the Studio during the Renewal Term or obtain Franchisor's consent to a new site for the Studio;

(6) Franchisee must execute Franchisor's then-current form of renewal franchise agreement, which agreement will supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement, including, without limitation, a higher royalty fee, and a higher advertising contribution or expenditure requirement;

(7) Franchisee must pay to Franchisor the renewal fee set forth in **Item 7** of the **Summary Addendum**.

(8) Franchisee and its Principals must execute a general release of any and all claims against Franchisor, its Affiliates, and their respective officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants, and employees, past and present, in their corporate and individual capacities, including, without limitation, claims arising under this Agreement or under federal, state, or local laws, rules, regulations, or orders; and

(9) Franchisee must comply with Franchisor's then-current qualification and training requirements.

#### **4. FEES**

A. **Establishment Fee**. On the Effective Date, Franchisee must pay Franchisor a non-refundable establishment fee in the amount set forth in **Item 5** of the **Summary Addendum** attached to this Agreement and a non-refundable document preparation fee set forth in **Item 6** of the **Summary Addendum** via Electronic Funds Transfer ("EFT"), or any other means reasonably specified by Franchisor in writing. The establishment fee and document preparation fee are deemed fully earned and non-refundable on the Effective Date.

#### B. **Royalty Fee**.

(1) During the Term of this Agreement, Franchisee must pay to Franchisor a continuing monthly royalty fee in the amount set forth in **Item 8** of the **Summary Addendum**, attached hereto. The royalty fee is due on the first day of each month following the month in which the Studio was operating and charging for services, or any other day Franchisor requires.

(2) Franchisor reserves the right to increase annually, on January 1 of each year, the amount of the monthly royalty fee by the amount of the cost of living increase reflected year over year in the U.S. Consumer Price Index, and Franchisee hereby agrees to pay the adjusted royalty fee pursuant to the terms and conditions of this Agreement. The increase in the adjusted royalty fee will be obtained by multiplying the year over year change in the Consumer Price Index by the Base Royalty Fee. "**Base Royalty Fee**" means the royalty fee due for the month immediately preceding the month in which the royalty fee is being adjusted.

C. **Equipment Pack Fee and Delivery Costs**. Franchisee must pay Franchisor the Equipment Pack Fee in the amount and in the manner set forth in **Item 9** of the **Summary Addendum** via EFT for the "**Equipment Pack**" described in the Equipment Pack Addendum and accept delivery of the Equipment Pack no later than twelve (12) months from the Effective Date. The Equipment Pack Fee excludes Taxes and includes shipping and delivery costs ("**Delivery Costs**") as well as other duties Franchisee may be required to pay in connection with the purchase and delivery of the Equipment Pack. The Equipment Pack Fee is not refundable. If we change the composition of the items in the Equipment Pack, the Equipment Pack Fee will not change. The specific items in the Equipment Pack may vary, based on brand, size, number

of items, or other factors. Franchisor may add items or delete items included in the Equipment Pack from time to time. We will provide notice to you of only significant and material changes in the Equipment Pack prior to your purchase.

D. Service Fee.

(1) During the Term, Franchisee must pay the monthly service fee described in **Item 13** of the **Summary Addendum** for the services provided by the Franchisor to the Franchisee in connection with this Agreement including (but not limited to) email administration, intranet, website administration and the use of certain software as required under this Agreement (“**Services**”). The Service Fees are due during the Term of this Agreement on the first day of each month for the previous month, or any other day Franchisor requires. Franchisor reserves the right to amend, alter or discontinue any of the Services, or designate a single provider of any of the Services (which may be Franchisor or its Affiliate), from time to time with or without prior notice to the Franchisee.

(2) Franchisor reserves the right to increase the monthly service fee on January 1 of each year by an amount reasonably commensurate with Franchisor’s costs or the amount charged to the Franchisor for the Services by third parties.

E. Non-Compliance Fee. If Franchisor determines that Franchisee has not complied with any of its obligations under this Agreement, including any failure to comply with any Standards set forth in the Manuals, then in order to recover damages the brand incurs and any other losses Franchisor suffers because of such non-compliance, Franchisor may send Franchisee a notice of such non-compliance and require Franchisee to pay Franchisor up to \$2,000 per violation (“**Non-Compliance Fee**”). Franchisee will have ten (10) calendar days to correct all violations, which will run concurrently with any other cure period Franchisor may provide, before the Non-Compliance Fee must be paid. If the violation(s) is not corrected within the ten (10) day period, then the Non-Compliance Fee must be paid within ten (10) days after Franchisee receives notice of its failure to correct such violation(s). The Non-Compliance Fee applies to each notice of non-compliance that Franchisor provides Franchisee, even if Franchisee has received one or more previous notifications of such non-compliance, and whether or not the notification is for the same or a different instance of non-compliance. Franchisor reserves all other rights and remedies available to it, including but not limited to assessing the on-site evaluation fee and exercising its right to terminate this Agreement.

F. Electronic Funds Transfer. All fees owed under this Agreement must be paid by Franchisee to Franchisor via EFT, or any other means reasonably specified by Franchisor in writing. At Franchisor’s request, Franchisee must execute Attachment C to this Agreement and all other documents necessary to permit Franchisor to withdraw funds from Franchisee’s designated bank account by EFT in the amount of the fees set forth in this Agreement, including the Summary Addendum, at the time such amounts become due and payable under the terms of this Agreement. Any fee calculated by reference to Gross Sales will be based on the information obtained by Franchisor pursuant to Section 7.G. of this Agreement or the Gross Sales Report. If the Gross Sales Report has not been received within the time period required by this Agreement, then Franchisor may process an EFT for the subject month based on the most recent Gross Sales Report provided to Franchisor by Franchisee; provided, that if a Gross Sales Report for the subject month is subsequently received and reflects (i) that the actual amount of the fee due was more than the amount of the EFT, then Franchisor will be entitled to withdraw additional funds through EFT from Franchisee’s designated bank account for the difference; or (ii) that the actual amount of the fee due was less than the amount of the EFT, then Franchisor will credit the excess amount to the payment of Franchisee’s future obligations. Should any EFT not be honored by Franchisee’s bank for any reason, Franchisee agrees that it will be responsible for that payment and any service charge. If any payments are not received when due, interest may be charged in accordance with Section 4.G. Upon written notice to Franchisee, Franchisor may designate another method of payment.

G. Past Due Amounts; Acceptance and Application of Payments.

(1) Any payment not actually received by Franchisor on or before the due date will be deemed overdue. Time is of the essence for all payments to be made by Franchisee to Franchisor. All unpaid obligations under this Agreement will bear interest from the date due until paid at the lesser of 18% percent per annum, or the maximum rate allowed by applicable law. No provision of this Agreement will require the payment or permit the collection of interest in excess of the maximum rate allowed by applicable law. If for any reason interest in excess of the maximum rate allowed by applicable law is deemed charged, required, or permitted, any such excess will be applied as a payment to reduce any other amounts which may be due and owing hereunder, and if no such amounts are due and owing hereunder, then such excess will be re-paid to the party making the payment.

(2) Acceptance by Franchisor of any payments due subsequent to the due date will not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee or the Principals of any terms, provisions, covenants, or conditions of this Agreement.

(3) Franchisor will have the right to apply any payment it receives from Franchisee to any amounts Franchisee owes Franchisor or its Affiliates under this Agreement or any other agreement between them, even if Franchisee has designated the payment for another purpose or account. Franchisor may accept any check or payment in any amount from Franchisee without prejudice to Franchisor's right to recover the balance of the amount due or to pursue any other right or remedy. No endorsement or statement on any check or payment or in any letter accompanying any check or payment or elsewhere will constitute or be considered as an accord or satisfaction.

(4) Franchisee will have no right to withhold any payments due Franchisor on account of Franchisor's breach or alleged breach of this Agreement, and no right to offset any amount due Franchisor against any obligation that Franchisor may owe to Franchisee.

5. FRANCHISOR'S OBLIGATIONS

E. Financial Matters.

(1) Franchisee and, at Franchisor's request, each of the Principals shall have provided Franchisor with the most recent financial statements of Franchisee and such Principals. Such financial statements present fairly the financial position of Franchisee and each of the Principals, as applicable, at the dates indicated therein and, with respect to Franchisee, the results of its operations and its cash flow for the years then ended. Each of the financial statements are certified as true and correct and have been prepared in conformity with generally accepted accounting principles and, except as expressly described in the applicable notes, applied on a consistent basis. (3) Franchisee must provide Franchisor with any and all loan or other documents regarding the financing of the Franchise Business that Franchisor may request.

(4) Franchisee must maintain at all times during the Term of this Agreement sufficient working capital to fulfill its obligations under this Agreement.

F. Key Person; General Manager. Upon the execution of this Agreement, Franchisee will designate, and will retain at all times during the Term of this Agreement, an individual to serve as Franchisee's Key Person (the "**Key Person**") who is set forth in Item 17 of the Summary Addendum. If Franchisee is an individual, Franchisee will perform all obligations of the Key Person.

(1) The Key Person must maintain a direct or indirect ownership interest of not less than 10% in Franchisee. Except as may otherwise be provided in this Agreement, the Key Person's interest in Franchisee must be and remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest, or purchase right or options. The Key Person for all Franchise Businesses operated by Franchisee and, if applicable, its Affiliates must be the same person. The Key Person must execute this Agreement as a Principal and will be individually, jointly and severally, bound by all obligations of Franchisee, the Key Person, and a Principal hereunder.

(2) Notwithstanding Section 6.F.(1), Franchisee may, at its option and subject to Franchisor's written consent, designate a General Manager to supervise the operation of Franchisee's Franchise Business; provided, that Franchisee and its Key Person will remain fully responsible for General Manager's performance. The General Manager for all F45 Studios operated by Franchisee and, if applicable, its Affiliates, must be the same person. The General Manager must execute the Confidentiality Agreement and Ancillary Covenants Not to Compete attached as Attachment B to this Agreement. *[Note To Franchisee: This Document Is A Sample Form Only For Use With Your Managers And Employees With Access To Confidential Information. (3) Unless a General Manager is designated pursuant to Section 6.F.(2), Franchisee's Key Person must devote full time and best efforts to the supervision of the F45 Studio(s) operated by Franchisee and, without Franchisor's written consent, must not engage in any other business. The foregoing provision will not apply if a General Manager is designated, provided, the General Manager devotes his or her full time and best efforts to the supervision and operation of the Franchise Business conducted by Franchisee.

(4) The Key Person and any General Manager must meet Franchisor's qualifications, as set forth in this Agreement, the Manuals, or otherwise in writing and, without limitation, will be empowered with full authority to act for and on behalf of Franchisee.

Franchisee must promptly notify Franchisor if the Key Person cannot continue to serve in that capacity or no longer qualifies as such, and must take corrective action within thirty (30) days thereafter. During such thirty (30) day period, Franchisee must provide for interim management of its operations in accordance with this Agreement. Any failure to comply with this Section 6.F. will be a material breach of this Agreement.

#### G. Studio Manager and Other Required Personnel.

(1) Not later than twenty (20) days before the Opening Date, Franchisee must designate, and must retain at all times during the Term of this Agreement, at least one (1) Studio Manager. For the purpose of maintaining System Standards, Studio Manager must (i) meet Franchisor's qualifications, as set forth in this Agreement, the Manuals, or otherwise in writing; and (ii) devote full time and best efforts to the management and/or coordination of day-to-day operations of the Franchise Business.

(2) Franchisee will, during the Term of this Agreement, hire and maintain the number of trainers and other employees that Franchisor requires in order to maintain System Standards. Franchisee must maintain at least three (3) trainers (or such other number of trainers Franchisor reasonably requires) who have completed Franchisor's required training for such trainers.

(3) Franchisee is solely responsible for all employment decisions and functions related to the Studio, including hiring, firing, compensation, benefits, work hours, work rules, record-keeping, scheduling, supervision, and discipline of employees, notwithstanding any suggestions, advice, guidelines, programs or training that Franchisor may offer. Franchisee and its Key Person must comply with all federal, state and local laws and regulations regarding employment-related matters. Franchisee acknowledges and agrees that all personnel decisions will be made by Franchisee, without any influence or advice from Franchisor. Franchisee must take such steps as are necessary to ensure that its employees preserve good customer relations; render competent, prompt, courteous, and knowledgeable service; and meet any minimum standards that Franchisor may establish from time to time in the Manuals. To the extent that Franchisor may provide suggested or mandatory standards regarding the minimum number of employees, those standards are designed solely to meet the anticipated volume of business, preserve good customer relations, and to achieve the goals of the System. Further, it is the intention of the parties to this Agreement that Franchisor shall not be deemed a joint employer with Franchisee for any reason. If Franchisor incurs any cost, loss, or damage as a result of any actions or omissions of Franchisee or its employees, including any that relate to any party making a finding of any joint employer status, Franchisee will fully indemnify Franchisor for such loss.

#### H. Training.

(1) After the full execution of: (i) this Agreement, and (ii) a lease pursuant to Section 2.C., Franchisee (or Franchisee's Key Person if applicable) must attend Franchisor's informational induction seminar and pay the then-current attendance fee upon registration (currently, \$1,000 for two attendees and \$300 for each additional person who attends). Franchisee is responsible for paying the costs of travel, lodging, meals, and compensation for Franchisee and its attendees. As part of the induction, Franchisor will evaluate whether or not Franchisee's Key Person, General Manager, if applicable, and Studio Manager, has completed, to Franchisor's sole satisfaction, the required initial training described below and/or whether or not such persons must complete any additional training.

(2) At least thirty (30) days after the full execution of this Agreement, Franchisee's Key Person, General Manager, if applicable, and Studio Manager must successfully complete Franchisor's initial training program, all of which may be online. Any successor or replacement Key Person, General Manager, or Studio Manager must successfully complete Franchisor's management training program, all of which may be online, within a reasonable time after such persons are designated, and pay all related costs. If any Key Person, General Manager, or Studio Manager fails, in Franchisor's sole judgment, to satisfactorily complete Franchisor's training program, and Franchisee fails to cure such default within thirty (30) days following written notice from Franchisor, Franchisor may terminate this Agreement.

(3) Franchisee's Key Person, General Manager, if applicable, and Studio Manager, and any other personnel of Franchisee whom Franchisor may designate, must attend and complete any additional training and franchisee meetings or conferences that Franchisor may from time to time require and pay any fees assessed by Franchisor or a third party in connection with such training, meetings, and/or conferences. If such persons fail to attend any such training, meeting, and/or conferences, Franchisee must pay a non-attendance fee determined by Franchisor for such failure and such amount will be paid into the Brand Fund or will be used to pay for the marketing of Franchisee's Franchise Business, at Franchisor's sole option. Notwithstanding the foregoing, if Franchisee is required to pay a registration fee for such events, then Franchisee will be assessed the registration fee in addition to the non-attendance fee. Training and other meetings will be conducted at locations designated by Franchisor. Franchisee will be responsible for any and all expenses incurred in connection with any initial or additional training, including, without limitation, the costs of travel, lodging, meals, and wages incurred by Franchisee.

I. Legal Compliance. In addition to complying with its obligations under this Agreement, Franchisee must comply with all applicable federal, state, and local laws, rules, regulations, ordinances,

and orders. Such laws, rules, regulations, ordinances, and orders vary from jurisdiction to jurisdiction and may be amended or implemented or interpreted in a different manner from time to time. It is Franchisee's sole responsibility to apprise itself of the existence and requirements of all such laws, rules, regulations, ordinances, and orders and to adhere to them at all times during the Term of this Agreement.

J. Powers of Attorney. Franchisee hereby appoints Franchisor its true and lawful attorney-in-fact, with full power and authority to (i) assign to Franchisor upon the termination or expiration of this Agreement (a) all rights to the telephone numbers of the Franchise Business, any related business directory listings, and all rights to any Website listings or services, search engines or systems, and any other business listings related to the Franchise Business and (b) at Franchisor's option, Franchisee's interest in any lease for the premises of the Studio and any equipment used in the operation of the Studio; and (ii) obtain any and all returns and reports related to the Franchise Business that Franchisee files with any local, state, or federal taxing authority. Such powers of attorney will survive the expiration or termination of this Agreement, and Franchisee must execute such forms and documents as Franchisor deems necessary to appoint Franchisor its true and lawful attorney-in-fact with full power and authority for the foregoing purposes.

K. Competing Interests. Franchisee and/or its Affiliates and their Principals own and operate the businesses that are listed in Item 16 of the Summary Addendum. Franchisor acknowledges that the continued ownership and operation of such businesses, as they are owned and operated on the Effective Date, will not be deemed to be a violation of the non-competition covenants set forth in Section 10.C.

L. Anti-Terrorism Laws. Without limiting the generality of Section 6.I, Franchisee certifies that neither Franchisee nor its owners, employees, or anyone associated with Franchisee is listed in the Annex to Executive Order 13224. (The Annex is available at <http://www.ustreas.gov/offices/enforcement/ofac/>.) Franchisee agrees not to hire or have any dealings with a person listed in the Annex. Franchisee certifies that it has no knowledge or information that, if generally known, would result in Franchisee, its owners, employees, or anyone associated with Franchisee being listed in the Annex to Executive Order 13224. Franchisee agrees to comply with and/or assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with the Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee certifies, represents, and warrants that none of its property or interests are subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and its owners are not otherwise in violation of any of the Anti-Terrorism Laws. Franchisee is solely responsible for ascertaining what actions must be taken by Franchisee to comply with all such Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that Franchisee's indemnification responsibilities as provided in Section 15 of this Agreement pertain to Franchisee's obligations under this Section 6.L. Any misrepresentation by Franchisee under this Section or any violation of the Anti-Terrorism Laws by Franchisee, its owners, or employees will constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered into with Franchisor or one of Franchisor's Affiliates in accordance with the terms of Sections 17.C.(11) and 18 of this Agreement. As used herein, "**Anti-Terrorism Laws**" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and any other requirements of any Governmental Authority (including, without limitation, the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

## 7. FRANCHISE BUSINESS OPERATIONS

A. Standards Compliance. Franchisee acknowledges the importance of maintaining uniformity among all of the Franchise Businesses and the importance of complying with all of Franchisor's Standards relating to the operation of the Franchise Business. To protect the reputation and goodwill of Franchisor and to maintain the high standards of operation under the Marks, Franchisee will conduct its business in accordance with the Manuals, other written directives which Franchisor may issue to Franchisee and modify from time to time, and any other manuals and materials created or approved for use in the operation of the Franchise Business. For the avoidance of doubt, and without limiting the foregoing or the requirements set forth in Section 7.E., Franchisee will not provide the following services or types of exercise or activities unless otherwise approved or required by Franchisor, in writing: Zumba®; karate/jiu jitsu/grappling; dance, spin, stretch, mixed martial arts (MMA); boxing; yoga; Olympic-style weightlifting; physiotherapy; life coaching; or therapeutic practices, including but not limited to massage, acupuncture, or meditation; or childcare. Franchisor reserves the right to modify the list of prohibited and required services and types of exercise at any time at Franchisor's sole option.

### B. Maintenance of F45 Studio.

(1) Franchisee will maintain its F45 Studio in a high degree of sanitation and repair, and will make such additions, alterations, repairs, and replacements as may be required for that purpose, including, without limitation, such periodic repainting or replacement of signs, furnishings, decor, and equipment (including, but not limited to, point of sale or computer systems) as Franchisor may reasonably direct. Franchisee also will obtain, at Franchisee's cost and expense, any new or additional equipment, fixtures, supplies, and other products and materials which Franchisor may reasonably require for Franchisee to offer and sell new services or products from the F45 Studio or to provide such services or products by alternative means. Except as may be expressly provided in the Manuals, Franchisee will not make any alterations, improvements, or changes of any kind in design, equipment, signs, interior or exterior decor items, fixtures, or furnishings in or about the Studio without Franchisor's prior written approval.

(2) In connection with the requirements set forth above in Section 7.B.(1), at least two (2) times a year for every year of the Term of this Agreement, Franchisee will participate in online video inspections of the Studio (using means reasonably required by Franchisor). During the inspection, if Franchisor identifies any instances of Franchisee's non-compliance with the Standards, Franchisee must immediately correct such deficiencies within the time period specified by Franchisor. Franchisee's correction of such deficiencies will not limit any other rights Franchisor has under this Agreement, including without limitation assessing the non-compliance fee. Franchisor may also elect to conduct an on-site evaluation of Franchisee's Studio to determine compliance with the Standards and this Agreement. If Franchisee's Studio is not in compliance, Franchisor may charge Franchisee the on-site evaluation fee in addition to the non-compliance fee. Franchisor may increase the amount of the on-site evaluation fee as its costs to conduct such evaluations increase.

C. Upgrade of Studio. Upon Franchisor's request, Franchisee will make such improvements to the Studio to conform it to Franchisor's then-current Standards; except that Franchisee will not be required to make significant capital expenditures relating to the build-out or leasehold improvements of the Studio during the Term of this Agreement. Notwithstanding the foregoing, Franchisee will maintain the Studio as set forth in Section 7.B.(1) above. Franchisee may not remodel or make significant modifications to the Studio without Franchisor's prior written approval.

### D. Sourcing.

(1) Franchisee will comply with all of Franchisor's Standards relating to the purchase of supplies, materials, fixtures, furnishings, equipment (including computer hardware and software), services, and other products used or offered for sale through the Franchise Business. If Franchisor has approved suppliers for any such item or service (including manufacturers, distributors, and other sources),

Franchisee must obtain these items from those suppliers. Franchisor's approved suppliers are those who continue to demonstrate the ability to meet Franchisor's then-current Standards relating to supplies, materials, fixtures, furnishings, equipment, services, and other products used or offered for sale through the Franchise Business and who possess adequate quality controls and capacity to supply Franchisee's needs and distribute promptly and reliably over an extended period of time; and who have been approved in writing by Franchisor prior to any purchases by Franchisee from any such supplier and who have not thereafter been disapproved by Franchisor. Franchisee acknowledges and agrees that (a) Franchisor may change the number of approved suppliers at any time and may designate itself, an Affiliate, or a third party as the exclusive source for any particular item; (b) Franchisor may designate itself as an approved supplier; and (c) Franchisor may profit from Franchisee's purchases from approved suppliers, and Franchisor and/or its Affiliates may receive payments, fees, commissions or reimbursements from such suppliers in respect of Franchisee's purchases. If Franchisee desires to purchase, lease, or use any products, services, or other items from an unapproved supplier, Franchisee must submit to Franchisor a written request for such approval, or must request the supplier itself to do so. Franchisee will not purchase or lease from any supplier until and unless such supplier has been approved in writing by Franchisor. Franchisor will have the right to require that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, either to Franchisor or to an independent laboratory designated by Franchisor for testing. A charge, not to exceed the cost of the inspection and of the test (including Franchisor's administrative costs attributable to both), will be paid by Franchisee or the supplier. Franchisor reserves the right, at its option, to re-inspect from time to time the facilities and products of any such approved supplier and to revoke its approval upon the supplier's failure to continue to meet any of Franchisor's then-current criteria. Nothing in the foregoing will be construed to require Franchisor to approve any particular supplier. Franchisee's failure to comply with the provisions of this Section 7.D. will be deemed a material breach under this Agreement.

(2) Without limiting the foregoing, Franchisee agrees that the terms and conditions set forth in the Equipment Pack Addendum, attached hereto, are fully incorporated into this Agreement.

(3) Franchisee further acknowledges and agrees that products, equipment, and technology are constantly changing, whether updated, improved, replaced, or discontinued. Consequently, such changes sometimes create transition and incompatibility challenges. By entering into this Agreement, Franchisee acknowledges the potential of such occurrences and assumes all risk associated therewith, which Franchisee acknowledges may affect its ability to order, receive, or sell products and/or offer services for a period of time and further acknowledges that Franchisor is not responsible for any damages caused by such issues or occurrences, including lost sales or profits.

E. Operational Requirements. Franchisee acknowledges and agrees that maintaining uniformity among all Franchise Businesses is important. Franchisee further acknowledges and agrees that local conditions or other special circumstances may warrant a deviation from the Standards, and Franchisor may, at Franchisor's sole option, allow such deviation. Notwithstanding the foregoing, Franchisee must operate the Franchise Business in strict conformity with Franchisor's Standards as set forth in the Manuals and as from time to time otherwise prescribed in writing. Without limitation of the foregoing, Franchisee will:

(1) Sell or offer for sale, and display, all Branded Products and other products required by Franchisor, which requirement Franchisor may modify at Franchisor's sole option. Franchisor reserves the right to require Franchisee to purchase and sell minimum quantities and/or dollar amounts of Branded Products and to purchase such Branded Products as frequently as Franchisor requires. These minimum quantities are based on Franchisor's reasonable assessment of the quantities that are necessary to service customers in accordance with brand standards, and are not a suggestion or representation of a specific level or range of actual or potential sales, income, gross profits, or net profits that the Franchise Business will attain.

(2) Sell and offer for sale the Approved Services and other services required by Franchisor, which requirements Franchisor may modify in its sole discretion.

(3) Sell and offer for sale only the products and services that have been expressly approved for sale in writing by Franchisor; to discontinue selling and offering for sale any products or services which Franchisor may, in its sole discretion, disapprove in writing at any time; and to refrain from deviating from Franchisor's Standards without Franchisor's prior written consent. Franchisor has the absolute right to remove all unapproved products, goods, and materials from Franchisee's Studio.

(4) Maintain in sufficient supply and to use and sell at all times only such products, materials, and supplies that conform to Franchisor's Standards; to conduct all Studio programs in accordance with Franchisor's procedures contained in the Manuals or other written directives, including, but not limited to, using the brand and/or type of Studio products required by Franchisor and to refrain from deviating from Franchisor's Standards by the use or offer of non-conforming products or services, without Franchisor's prior written consent. Franchisee must purchase: (1) at least \$1,500 (not including shipping, taxes, and duties (if any)) of Branded Products from Franchisor every three months during the Term of this Agreement; (2) at least 100 LionHeart heart rate monitors each year of the Term of this Agreement, starting the second year following the Opening Date of the Studio (the first year's supply is included in the Equipment Pack); and (3) \$3,000 worth of protein and nutritional supplements at least 30 days before the Opening Date of the Studio and maintain the amount of inventory of these items required by Franchisor, which will be a reasonable amount. Franchisor may change these minimum purchase requirements at any time during the Term of this Agreement.

(5) Permit Franchisor or its agents, at any reasonable time, to remove samples of Studio products from the Studio, if applicable, without payment, in amounts reasonably necessary for testing by Franchisor or an independent laboratory to determine whether such samples meet Franchisor's then-current Standards. In addition to any other remedies it may have under this Agreement, Franchisor may require Franchisee to bear the cost of such testing if the supplier of the product has not previously been approved by Franchisor or if the sample fails to conform with Franchisor's specifications.

(6) Purchase or lease and install, at Franchisee's expense, all fixtures, furnishings, equipment (including computer systems and body scanners), decor items, signs, and related items that Franchisor may reasonably direct from time to time in the Manuals or otherwise in writing; and to refrain from installing or permitting to be installed on or about the Studio premises, without Franchisor's prior written consent, any fixtures, furnishings, equipment, decor items, signs, or other items not previously approved as meeting Franchisor's Standards, as set forth in the Manuals.

(7) Grant Franchisor and its agents the right to enter the Studio at any time for the purpose of conducting inspections; to cooperate with Franchisor's representatives in such inspections by rendering such assistance as they may reasonably request; and, upon notice from Franchisor or its agents and without limiting Franchisor's other rights under this Agreement, to take such steps as may be necessary to correct promptly any deficiencies detected during an inspection for the purpose of protecting System Standards. Should Franchisee, for any reason, fail to correct such deficiencies within a reasonable time, as determined by Franchisor, Franchisor will have the right and authority (without, however, any obligation to do so) to correct such deficiencies and charge Franchisee a reasonable fee for Franchisor's expenses in so taking the corrective action (including, without limitation, any necessary re-inspection). Any such fee is payable by Franchisee immediately upon demand. Further, if Franchisor conducts an on-site evaluation of the Studio to determine compliance with this Agreement, Franchisee must pay Franchisor the on-site evaluation fee described in Section 7.B.(2).

(8) Ensure that only properly trained instructors instruct, supervise, and/or teach the F45 training methods, classes, and programs to Members.

(9) In relation to classes conducted on Saturdays: (i) Franchisor reserves the right to require that Franchisee engage the services of a disc jockey (DJ), at Franchisee's sole cost, to perform at the Studio for the duration of the classes on that day; or (ii) if Franchisor requires a DJ, and if Franchisee fails to engage a DJ as required hereunder, Franchisor may engage the services of a DJ, and Franchisee is required to pay Franchisor the cost of the DJ's services monthly, in advance.

(10) To preserve and protect the brand and Marks, Franchisee must take such steps as are necessary to ensure that Franchisee's employees preserve good customer relations; render competent, prompt, courteous, and knowledgeable service; and meet any minimum operational standards that Franchisor may establish from time to time in the Manuals. To the extent that Franchisor may provide suggested or mandatory standards regarding the minimum number of employees, suggested hours of operation, or similar recommendations, Franchisor will provide such guidance through the Manuals or other written materials, telephone conversations and/or virtual or in-person meetings. Any such operating standards are designed solely to meet the anticipated volume of business, preserve excellent customer relations, and protect and promote brand and System. By offering such advice or assistance, it does not mean that Franchisor is Franchisee's employer, or the employer of Franchisee's employees, and it is the intention of the parties to this Agreement that Franchisor shall not be deemed a joint employer with Franchisee for any reason. If Franchisor incurs any claims, damages, judgments, liabilities, or losses as a result of any actions or omissions of Franchisee or Franchisee's employees, including any that relate to any party making a finding of any joint employer status, Franchisee will fully indemnify Franchisor for such loss.

F. Membership, Fees, Pricing, and Payments.

(1) Franchisee may charge Membership Fees in amounts determined by Franchisee, however, Franchisor reserves the right, to the fullest extent allowed by applicable law, to establish maximum, minimum, or other pricing requirements with respect to the amount of the Membership Fees and the prices that Franchisee may charge for other products or services.

(2) Franchisee will comply with Franchisor's requirements regarding types of payment Franchisee accepts from Members. Franchisee will not participate in or accept payment from Members or other individuals who participate in, Non-affiliated Promotions or Non-affiliated Booking Systems. "**Non-affiliated Promotions**" means any promotion, offer, discount, passport, or other system or program available to Members and other individuals that is not approved by Franchisor and that is offered by, or is accessible through, a third party; or, the use of or participation in such promotion results in a payment by a third party to Franchisee. Non-affiliated Promotions include, but are not limited to: (i) "Body Pass" or any similar service; (ii) any system or promotion which allows a person to attend training sessions at multiple Franchise Business Locations, whether or not it is offered by a third party; or (iii) any system which allows a person to attend a one-time training session at any Franchise Business Location, whether bundled with other fitness companies or not. "**Non-affiliated Booking Systems**" means any booking or scheduling system not approved by Franchisor by which Members can register to participate in Franchise Business training sessions or other classes. Notwithstanding the foregoing, Franchisor reserves the right to create and require Franchisee to participate in cross-membership programs in the future such that members of other studios may use Franchisee's Studio and vice versa, and Franchisee hereby agrees to participate in such programs if and as required by Franchisor.

(3) Franchisee acknowledges and agrees that protection of customer privacy and credit card information is necessary to protect the goodwill of businesses operating under the Marks and the System. Accordingly, Franchisee agrees that it will cause its Franchise Business to meet or exceed, at all times, all applicable security standards developed by the Payment Card Industry Data Security Standards council, or its successor, and other regulations and industry standards applicable to the protection of customer privacy and credit card information, including but not limited to the Fair and Accurate Credit Transaction Act and all other successor or additional laws, and all other data security requirements

Franchisor prescribes. Franchisee is solely responsible for educating itself as to these regulations and standards and for achieving and maintaining applicable compliance certifications.

G. Computer Systems.

(1) Franchisee must install, maintain, and upgrade the computer hardware, software, and peripheral equipment Franchisor requires for the operation of the Franchise Business, including without limitation the operation of F45 TV (described below), and must follow the procedures related thereto that Franchisor specifies in the Manuals or otherwise in writing. Franchisee must purchase all other technology-related items Franchisor requires, including but not limited to, Internet telecommunications systems, data cabling, and sound and surveillance equipment. All bookings and sales for Franchisee's studio must be completed online via MindBody, or other Approved Supplier Franchisor may identify from time to time. Among other things, Franchisor may require Franchisee to install and maintain systems that permit Franchisor to independently access and retrieve electronically surveillance images and video and any information stored in Franchisee's computer systems, including, without limitation, information concerning Gross Sales, at the times and in the manner that Franchisor may specify from time to time. The purpose of such access is to enable Franchisor to conduct inspections of Franchisee's use of the System and the Marks and to enforce brand standards, and not to monitor the Franchisee's day-to-day-operations. As the owner of the Franchise Business, Franchisee is solely responsible for the day-to-day operation of the Franchise Business. Franchisor also may require Franchisee to enter into software license agreements in the form that Franchisor requires for software Franchisor develops or acquires for use in the System. All information contained in and collected by any such computer program (including, but not limited to, information pertaining to Members of the Franchise Business) will be the sole and exclusive property of Franchisor.

(2) Without limiting the foregoing, Franchisee acknowledges and agrees that Franchisor has the sole right to determine the content, display, and functionality of the hardware and software systems comprising the integrated workout delivery system known as "F45 TV." Franchisor may, at its sole discretion, conduct any advertising, promotions, or marketing campaigns on F45 TV for any products or services, including without limitation, advertising for the sale of F45franchises.

H. Internet Website. Franchisee must have and maintain adequate hardware and software in order to access the Internet at the bit speed required by Franchisor from time to time. Franchisee must not establish any Website or other listing on the Internet, or provide or sell any services or Branded Products via the Internet, except as provided herein. For the avoidance of doubt, the "Internet" does not include the metaverse, and Franchisor reserves, maintains, and controls all rights with respect to said metaverse.

(1) Franchisor has established, or may establish, an Internet Website that provides information about the System and the products and services offered by the Franchise Business. Franchisor has sole discretion and control over the Website (including timing, design, contents, and continuation). Franchisor may use part of the Brand Fund monies it collects under this Agreement to pay or reimburse the costs associated with the development, maintenance, and update of the Website.

(2) Franchisor will include at the Website an interior page containing information about Franchisee's Franchise Business ("**Franchisee's Webpage**"), which Franchisor may require Franchisee to prepare (or pay Franchisor or a third party to prepare) all or a portion of Franchisee's Webpage, at Franchisee's expense, using a template that Franchisor provides. All such information will be subject to Franchisor's approval prior to posting. Franchisee may offer and sell Franchise Business products and services which Franchisor has approved in writing only through Franchisee's Webpage solely in accordance with Franchisor's Standards as set forth in the Manual. Franchisee will cease offering or selling Franchise Business products and services through Franchisee's Webpage, or otherwise through the Internet, immediately upon written notice from Franchisor, which notice Franchisor may provide at any time and for any or no reason. Franchisee's failure to comply with Franchisor's Standards related to offering and selling

Franchise Business products and services through Franchisee's Webpage will be an event of default for which Franchisor may terminate under Section 17.D.(7).

(3) Franchisor also will have the sole right (but no obligation) to develop an Intranet through which Franchisor and its franchisees can communicate by e-mail or similar electronic means. If Franchisor develops such an Intranet, Franchisee agrees to use the facilities of the Intranet in strict compliance with Franchisor's Standards as set forth in the Manual (including, without limitation, standards, protocols and restrictions relating to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory, or defamatory statements).

(4) Franchisor has the right to impose, and Franchisee agrees to pay, Franchisor, its Affiliates, or a third party an amount Franchisor requires for costs and fees to support the systems, platforms, and communications described in Sections 7.G. and H., the amounts of which may be increased each year by an amount commensurate with Franchisor's costs or the amount charged by third parties.

I. Customer Complaints; Crisis Management Events.

(1) Franchisee must process and handle all consumer complaints connected with or relating to the Franchise Business and must promptly notify Franchisor of all: (i) safety or health violations, (ii) claims exceeding \$1,000, and (iii) any other material claims against or losses suffered by Franchisee. Franchisee must maintain any communications with governmental authorities affecting the Franchise Business during the Term of this Agreement and for one year after the expiration or earlier termination hereof.

(2) Upon the occurrence of a Crisis Management Event, Franchisee agrees to immediately inform Franchisor of such event and to cooperate fully with Franchisor and with the appropriate authorities with respect to the investigation of the Crisis Management Event. In an effort to mitigate possible damages to the Marks and the System, Franchisee must cooperate fully with Franchisor with respect to managing statements and other responses to the Crisis Management Event. "**Crisis Management Event**" means any event that occurs at or about the Franchise Business premises or in connection with the operation of the Franchise Business that has or may cause harm or injury to customers or employees, such as food contamination, food spoilage/poisoning, food tampering/sabotage, contagious diseases, natural disasters, terrorist acts, shootings or other acts of violence, data breaches, real or threatened, or any other circumstance which may materially and adversely affect the System or the goodwill symbolized by the Marks.

J. Member Database. Franchisee will collect and maintain, in accordance with Section 7.F.(3), Member information and will submit such information to Franchisor, as required by the Manuals. Franchisee acknowledges and agrees that Franchisor is the sole owner of all right, title, and interest in and to all Member information and lists regarding all past and present Members of the Franchise Business (collectively, "**Member Information**"). Franchisor hereby licenses to Franchisee the right to use the Member Information for the Term of this Agreement and in compliance with the requirements set forth in the Manuals. Franchisee acknowledges and agrees that Franchisor may use the Member Information in perpetuity for any purpose whatsoever without compensation to Franchisee.

K. Data Privacy. Franchisee must comply with all laws and regulations relating to privacy and data protection and must comply with any privacy policies or data protection and breach response policies we periodically may establish. Franchisee must notify Franchisor of any suspected data breach at or in connection with, or with the operation of, the Studio. Franchisee is responsible for any financial losses its incurs or remedial action that it must take as a result of breach of security or unauthorized access to Member Information in Franchisee's control or possession.

L. Generative AI. Franchisee will not, without Franchisor's written consent, utilize any generative artificial intelligence software, tools, or technologies, including, natural language processing,

deep learning algorithms, or machine learning models (“**Generative AI**”) directly or indirectly in the operation of the Studio, including without limitation, in advertising, promotion, or marketing of the Studio or the franchised business, communications with active, prospective, or former clients or members of the Studio, business planning, analysis or optimization, television or video content that is visible at the Studio or provided to member, or in any social media or Social Media Accounts. Franchisee acknowledges and agrees not to upload or share and Confidential Information (including any inputs of information containing trade secrets, sensitive confidential information or personal information) with any unapproved third party platforms, including Generative AI, except as authorized in writing by Franchisor. In addition, Franchisee shall prohibit its employees from using any Confidential Information in Generative AI. In the event Franchisee utilizes any Generative AI, with or without prior approval from Franchisor, Franchisee shall comply with all laws applicable to such use, including without limitation, all trademark and copyright laws, and shall not infringe upon or use intellectual property of a third party without appropriate authorization and attribution.

Services may range from project coaching with internal subject experts to full service, third party retail project management, which may include, but not be limited to site due diligence/survey, architectural design and engineering, production of construction drawings, construction budget and bidding, pre-construction management, construction management, contract and vendor management, equipment logistics, and project closeout. Appropriate level of required services and service provider(s) shall be based upon Studio location, property type, lease language, and requisite experience of the franchisee.

(2) Other. Such other services as Franchisor may designate in the future.

## **8. ADVERTISING AND RELATED FEES**

### **A. Promotional Programs**

(1) Franchisee must participate in, and comply with the requirements of, any gift card, gift certificate, customer loyalty or retention, or special promotional program that Franchisor implements for all or part of the F45 franchise system and must sign the forms, pay the costs and fees associated with the programs, and take any and all other action that Franchisor requires in order for Franchisee to participate in such programs. Such promotional programs may require Franchisee to offer a limited number of free memberships each year to those persons Franchisor selects, in Franchisor’s sole discretion.

(2) In addition to the programs described in Section 8.A.(1), Franchisor may, from time to time, in its sole discretion, develop and administer advertising and sales promotion programs designed to promote all Franchise Businesses operating under the System. Franchisee will participate in all such advertising and sales promotion programs in accordance with the terms and conditions established by Franchisor. The Standards established by Franchisor for such programs, including, without limitation, the type, quantity, timing, placement and choice of media, market areas and advertising agencies, will be final and binding upon Franchisee.

(3) If, at any time during the Term of this Agreement, but not before the end of the six (6) month period following the Opening Date of the Studio, Franchisee’s Gross Sales are not at least 80% of the annual, average gross sales of all F45 franchisees that have operated their studios for at least six

(6) months, then Franchisor may require Franchisee to participate in a special promotional program(s) that Franchisor implements, and Franchisee must pay the costs and fees associated with such program(s).

B. Marketing Fee. Franchisee must pay Franchisor the Marketing Fee in the amount set out in **Item 11** of the Summary Addendum to this Agreement. The Marketing Fee must be paid by Franchisee to Franchisor via EFT (as set forth in Section 4.F. of this Agreement), or any other means reasonably specified by Franchisor. Marketing Fee payments will be payable on the Opening Date of your Studio and the first day of each subsequent calendar month, or any other day Franchisor requires, provided such day is a Business Day. If the date on which a Marketing Fee payment would otherwise be due is not a Business Day, then payment will be due on the next Business Day. Franchisor will use the Marketing Fee amounts you pay to Franchisor to pay for local advertising for your Franchise Business.

C. Local Advertising Expenditure. If Franchisor communicates in writing to the Franchisee that the Franchisee is not required to pay the Marketing Fee directly to the Franchisor to perform local advertising for your Franchise Business, then Franchisee shall spend the amount set out in **Item 11** of the Summary Addendum on local advertising for Franchisee's Franchise Business in the local market area, which is the same as the Protected Area; or Franchisee may elect to spend more on local advertising that is required in the Summary Addendum (amount of local market expenditures, whether instead of, or as a supplement to, the Marketing Fee, "**Local Advertising Expenditures**"). Franchisor reserves the right to reinstate the Marketing Fee at any time during the Term upon five (5) days notice to the Franchisee. All Local Advertising Expenditures will be made directly by Franchisee, subject to Franchisor's prior approval and direction, using advertising and marketing materials prepared or pre-approved by Franchisor. All local advertising and promotions must follow Franchisor's guidelines. If the Marketing Fee requirement is waived, then, if so required by Franchisor, Franchisee must provide Franchisor with Franchisee's Local Advertising Expenditure report in the form and when required by Franchisor, accurately reflecting Franchisee's Local Advertising Expenditures for the required time period. Expenditures incurred for any of the following may not be included in Local Advertising Expenditures for purposes of this Section 8.C., unless Franchisor first approves them in writing:

- (1) Incentive programs for Franchisee's employees or agents, including the cost of honoring any discounts or coupons, and salaries and expenses of any of Franchisee's employees;
- (2) Non-media costs incurred in any promotion;
- (3) Charitable, political, or other contributions or donations;
- (4) In-Studio fixtures, equipment, or Branded Products or other products for resale;
- (5) The cost of business directory listings; and
- (6) Grand Opening Expenditures incurred pursuant to Sections 8.F. or 4.B.

D. Cooperatives. Franchisor has the right to designate any geographic area in which two (2) or more company-owned or franchised F45 Studios are located as a region for purposes of establishing an advertising Cooperative. Each Cooperative will be organized and governed as, and will begin operation on a date, Franchisor determines. Cooperatives will be organized for the exclusive purpose of administering advertising programs and developing promotional materials for local advertising and will be operated solely as a conduit for the collection and expenditure of advertising contributions. If a Cooperative is established for a geographic area that includes the Protected Area, Franchisee must execute the Cooperative documents promptly upon Franchisor's request and participate as a member of the Cooperative. Among other things, this means that (i) Franchisee must submit to the Cooperative and to Franchisor all statements and reports that Franchisor or the Cooperative may require, and (ii) Franchisee must contribute to the Cooperative the amounts required by the Cooperative's governing documents; provided, that Franchisee's Cooperative contribution will be applied toward satisfaction of its local advertising requirement under Section 8.B and 8.C. Each Cooperative shall be organized (including but not limited to bylaws and other organic documents)

and governed in a form and manner, and shall commence operations on a date, approved in advance by Franchisor in writing. Unless otherwise specified by Franchisor, the activities and accounting practices carried on by each Cooperative shall be decided by a majority vote of its members. Any company-owned Studios in the region shall have the same voting rights as those owned by its franchisees. Each Studio owner shall be entitled to cast one (1) vote for each Studio owned. Each Cooperative shall be organized for the exclusive purpose of administering regional advertising programs and developing, subject to Franchisor's approval, standardized promotional materials for use by the members in local advertising and promotion. No advertising or promotional plans or materials may be used by a Cooperative or furnished to its members without the prior approval of Franchisor. Franchisee shall submit its required contribution to the Cooperative at the time designated by the Cooperative, subject to Franchisor's approval, together with such statements or reports as may be required by Franchisor or by the Cooperative with Franchisor's prior written approval. If so requested by Franchisor in writing, Franchisee shall submit its payments and reports to the Cooperative directly to Franchisor for distribution to the Cooperative. Although once established, each Cooperative is intended to be of perpetual duration, Franchisor maintains the right to terminate, dissolve, or merge any Cooperative. A Cooperative shall not be terminated, however, until all monies in that Cooperative have been expended for advertising and/or promotional purposes.

E. **Brand Fund.** Franchisor reserves the right to establish a Brand Fund to promote, market and otherwise develop the System, Marks and the F45 brand. Once instituted, Franchisee must contribute to the Brand Fund the amount set out in **Item 12** of the **Summary Addendum** to this Agreement, at the time and in the manner that royalty fee payments are due under **Section 4.B**. The following actions will apply to the administration and management of the Brand Fund:

(1) In the event the Brand Fund is used for advertising and marketing purposes, Franchisor or its designee will direct all advertising production programs and will have sole discretion to approve or disapprove the creative concepts, materials, and media used in such programs.

(2) Franchisor or its Affiliates may, but are not required to, contribute to the Brand Fund generally on the same basis as franchisees for any Franchise Business they operate.

(3) Franchisor will prepare an unaudited, annual statement of the Brand Fund's operations and will make it available to Franchisee upon request. In administering the Brand Fund, Franchisor undertakes no obligation to make expenditures for Franchisee which are equivalent or proportionate to Franchisee's contribution or to ensure that any particular franchisee benefits directly or *pro rata*.

(4) Although the Brand Fund is intended to be of perpetual duration, Franchisor may terminate it. Franchisor will not terminate the Brand Fund, however, until all monies in the Brand Fund have been spent, without interest.

F. **Grand Opening and Pre-Opening Marketing.** Beginning one hundred twenty (120) days before the Opening Date and continuing through thirty (30) days after the Opening Date, Franchisee must carry out a grand opening promotion for the Franchise Business in accordance with Franchisor's Standards, including, without limitation, those related to the type and size of the grand opening promotion. Franchisee must pay for all grand opening marketing and promotional activities Franchisor requires. Franchisee must obtain Franchisor's approval of all advertising items, methods, and media Franchisee uses in connection with grand opening promotions in accordance with **Section 8.G**. Amounts paid for the initial grand opening promotion will not be credited toward any other obligation of Franchisee under this **Section 8**.

(1) Franchisee must spend the amount set forth in **Item 10** of the **Summary Addendum** towards grand opening marketing of the Franchise Business ("**Grand Opening Expenditures**"). Grand Opening Expenditures must be spent in accordance with a budget that has been prepared by Franchisee and approved by Franchisor, or as otherwise recommended by Franchisor. If Franchisor requires, Franchisee must pay part or all of the Grand Opening Expenditures to Franchisor or a third party at the times specified

in **Item 10** of the **Summary Addendum**. If Franchisor requires Franchisee to pay it or third parties all or part of the Grand Opening Expenditures, then Franchisor or the required third party will conduct grand opening promotions on Franchisee's behalf.

(2) Before Franchisor grants Franchisee permission to open the Studio to the public, Franchisee must conduct a soft opening of the Franchise Business whereby: (i) Franchisee operates the Franchise Business for a period determined by Franchisor; (ii) classes are offered only to friends and family of Franchisee or its Principal(s); (iii) classes are not made available to the general public.

(3) Before Franchisor grants Franchisee permission to open the Franchise Business to the public, Franchisee must have pre-sold at least the minimum number of paid memberships Franchisor recommends with respect to the Franchise Business, with the intent and effect that such pre-sold memberships will commence immediately on the Opening Date of the Studio ("**Foundation Memberships**"). This minimum number of Foundation Memberships is based on Franchisor's brand standards, including Franchisor's recommendation regarding the appearance of the Studio's volume of business upon opening, and is not a suggestion or representation of a specific level or range of actual or potential sales, income, gross profits, or net profits that the Franchise Business will attain.

G. Advertising Approvals. All advertising and promotion by Franchisee in any medium must be conducted in a dignified manner and must conform to Franchisor's Standards. Franchisee must obtain all advertising and marketing materials used for the Franchise Business from a supplier approved by Franchisor. Franchisor reserves the right to require Franchisee to submit advertising materials to Franchisor for review and confirmation that such materials comply with Franchisor's Standards. Franchisor may also require Franchisee to include in Franchisee's advertising or promotional materials a reference to the fact that franchises for the Franchise Business are available.

H. Social Media Accounts. Franchisee acknowledges and agrees that Franchisor will establish, on behalf of Franchisee, social media accounts for the Franchise Business (e.g. Facebook and Instagram) ("**Social Media Accounts**"). Franchisor will select such Social Media Accounts in its sole discretion. Franchisor hereby grants Franchisee permission to operate such Social Media Accounts during the Term of this Agreement in accordance with the Manuals. Without limiting the foregoing, Franchisee further acknowledges and agrees that: (i) Franchisor is the owner of the Social Media Accounts; (ii) if directed by Franchisor, Franchisee will immediately remove any content posted on the Social Media Accounts; (iii) Franchisee will not post or promote any brands, products, or services not approved in advance by Franchisor in writing; (iv) Franchisee will not seek to establish any other social media account, Website, blog, channel, or any other ecommerce site or account in connection with the Franchise Business, without Franchisor's prior written consent.

## 9. MARKS

A. Right to Use the Marks. Franchisor grants Franchisee the right to use the Marks during the Term of this Agreement in accordance with this Agreement and Franchisor's Standards.

B. Agreements Regarding the Marks. Franchisee expressly acknowledges that:

(1) As between Franchisor and Franchisee, Franchisor is the owner of all right, title, and interest in and to the Marks and the goodwill associated with and symbolized by them.

(2) Neither Franchisee nor any Principal must take any action that would prejudice or interfere with the rights of Franchisor or its Affiliates in and to the Marks. Nothing in this Agreement gives Franchisee any right, title, or interest in or to any of the Marks, except the right to use the Marks in accordance with the terms and conditions of this Agreement.

(3) Any and all goodwill arising from Franchisee's use of the Marks will inure solely and exclusively to the benefit of Franchisor or its Affiliates, and upon expiration or termination of this

Agreement and the license granted herein, no monetary amount will be attributable to any goodwill associated with Franchisee's use of the Marks.

(4) Franchisee will not contest, or assist others to contest, the validity, or the interest, of Franchisor or its Affiliates in the Marks.

(5) Any unauthorized use of the Marks will constitute an infringement of Franchisor's or its Affiliates' rights in the Marks and a material event of default under this Agreement. Franchisee must provide Franchisor with all assignments, affidavits, documents, information, and assistance relating to the Marks that Franchisor or its Affiliates reasonably request, including all such instruments necessary to register, maintain, enforce, and fully vest the rights of Franchisor or its Affiliates in the Marks.

(6) Franchisor has the right to substitute different trade names, trademarks, service marks, logos, and commercial symbols for the current Marks to use in identifying the System and the F45 Franchise Businesses operating under the System if the current Marks no longer can be used, or if Franchisor, in its sole discretion, determines that substitution of different marks will be beneficial to the System. In such event, Franchisor may require Franchisee, at Franchisee's expense, to discontinue or modify Franchisee's use of any of the Marks or to use one or more additional or substitute marks.

C. Use of the Marks. Franchisee further agrees that Franchisee will:

(1) Operate and advertise the Franchise Business only under the name set forth in **Item 3** of the **Summary Addendum**, without prefix or suffix, unless otherwise authorized or required by Franchisor. Franchisee will not use the Marks as part of its corporate or other legal name.

(2) Identify itself as the owner of the Franchise Business in conjunction with any use of the Marks, including, but not limited to, uses on invoices, order forms, receipts, and contracts, and will display a notice in such content and form and at such conspicuous locations on the premises of the Franchise Business as Franchisor may designate in writing.

(3) Not use the Marks to incur any obligation or indebtedness on behalf of Franchisor.

(4) Comply with Franchisor's instructions in filing and maintaining the requisite trade name or fictitious name registrations, and execute any documents deemed necessary by Franchisor or its counsel to obtain protection of the Marks or to maintain their continued validity and enforceability.

(5) Franchisee will not use the Marks or any abbreviation or other name associated with Franchisor or the System as part of the Franchisee's corporate name as well as any e-mail address, domain name, or other identification of Franchisee in any electronic medium. Franchisee agrees not to transmit or cause any other party to transmit advertisements or solicitations by e-mail or other electronic media without first obtaining Franchisor's written consent as to the content of such e-mail advertisements or solicitations as well as Franchisee's plan for transmitting such advertisements. In addition, Franchisee will be solely responsible for compliance with any laws pertaining to sending e-mails including but not limited to the Controlling the Assault of Non-Solicited Pornography and Marketing Act of 2003 (CAN-SPAM Act of 2003).

D. Infringement. Franchisee must notify Franchisor immediately of any apparent infringement of or challenge to Franchisee's use of any Mark and of any claim by any person of any rights in any Mark. Franchisee and the Principals must not communicate with any person other than Franchisor, its Affiliates, their counsel, and Franchisee's counsel in connection with any such apparent infringement, challenge, or claim. Franchisor will have complete discretion to take any action it deems appropriate in connection with any infringement of, or challenge or claim to, any Mark and the right to control exclusively, or to delegate control of, any settlement, litigation, Patent and Trademark Office or other proceeding arising out of any such alleged infringement, challenge or claim or otherwise relating to any Mark. Franchisee agrees to

execute all such instruments and documents, render such assistance, and do such acts or things as may, in the opinion of Franchisor, reasonably be necessary or advisable to protect and maintain the interests of Franchisor or any Affiliate in the Marks.

E. Domain Names. Franchisee acknowledges that Franchisor is the lawful, rightful, and sole owner of the Internet domain name *www.f45training.com*, and any other Internet domain names registered by Franchisor, and unconditionally disclaims any ownership interest in those or any colorably similar Internet domain name. Franchisee agrees not to register any Internet domain name in any class or category that contains words used in or similar to any brand name owned by Franchisor or its Affiliates or any abbreviation, acronym, phonetic variation, or visual variation of those words.

## **10. CONFIDENTIALITY AND NONCOMPETITION COVENANTS**

A. Manuals. The Manuals are Franchisor's property, and Franchisee must not keep any copies whether electronic, digital, paper, or otherwise once this Agreement expires or is terminated for any reason. Franchisee and the Principals must, at all times, treat the Manuals, and the information contained therein, as confidential and must maintain such information as secret and confidential in accordance with this Section 10. Franchisee and the Principals must not at any time copy, duplicate, record, or otherwise reproduce the Manuals, in whole or in part, or otherwise make the same available to any unauthorized person. Franchisee must make the Manuals available only to those of Franchisee's employees who must have access to them in order to operate the Franchise Business. Franchisee must, at all times, keep and maintain secured access to the Manuals. Franchisor has the right to add to or modify the Manuals from time to time to, among other reasons, change operating procedures, maintain the goodwill associated with the Marks, and enable the System to remain competitive. Franchisee must comply with the terms of all additions and modifications to the Manuals and keep the Manuals current. If there is a dispute about the contents of the Manuals, the terms of the master copy at Franchisor's offices will control. The entire contents of the Manuals, and Franchisor's mandatory specifications, procedures, and rules prescribed from time to time, will constitute provisions of this Agreement as if they were set forth herein.

B. Confidentiality. Neither Franchisee nor any Principal will, during the Term of this Agreement and thereafter, communicate, divulge, or use for the benefit of any other person or entity and, following the expiration or termination of this Agreement, will not use for their own benefit, any Confidential Information, knowledge, or know-how concerning the methods of operation of the franchised business which may be communicated to them, or of which they may be apprised, in connection with the operation of the Franchise Business under the terms of this Agreement. Franchisee and the Principals must divulge such Confidential Information only to those of Franchisee's employees who must have access to it in order to operate the Franchise Business. Neither Franchisee nor the Principals will at any time, without Franchisor's prior written consent, copy, duplicate, record, or otherwise reproduce such Confidential Information, in whole or in part, nor otherwise make the same available to any unauthorized person.

(1) These covenants will survive the expiration, termination, or transfer of this Agreement or any interest herein and will be perpetually binding upon Franchisee and each of the Principals.

(2) Franchisee must require and obtain the execution of covenants similar to those set forth in this Section 10.B. from all Principals not signing the Principals' Guaranty and Assumption Agreement, from all General Managers, and, at Franchisor's request, any other personnel of Franchisee who have access to Confidential Information.

(3) Notwithstanding anything in this Agreement to the contrary, Franchisee and Franchisee's Principals, may, in accordance with any applicable law including the federal Defend Trade Secrets Act, disclose Confidential Information, including Franchisor's trade secrets, (a) in confidence, to federal, state, or local government officials, or to an attorney of Franchisee, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal

proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with any applicable law or create liability for disclosures expressly allowed by law.

C. Noncompetition Covenants. Franchisee and the Principals specifically acknowledge that, pursuant to this Agreement, they will receive access to valuable training, trade secrets and Confidential Information which are beyond their present skills and experience, including, without limitation, information regarding operational, sales, promotional and marketing methods and techniques of the System. Franchisee and the Principals further acknowledge that such specialized training, trade secrets and confidential information provide a competitive advantage, and that gaining access thereto is a primary reason for entering into this Agreement. In consideration therefor, Franchisee and the Principals covenant as follows:

(1) With respect to Franchisee, during the Term of this Agreement (or with respect to each of the Principals, for so long as such person satisfies the definition of “Principal” under this Agreement), except as otherwise approved in writing by Franchisor, neither Franchisee nor any of the Principals will, directly or indirectly, for themselves or through, on behalf of or in conjunction with any other person, persons, partnership, corporation, limited liability company, or other entity or association:

(a) Directly or indirectly divert, or attempt to divert, any business or customer of the Franchise Business to any competitor, or do or perform any other act injurious or prejudicial to the goodwill associated with the Marks and the System.

(b) Except with respect to Franchise Businesses operated under valid agreements with Franchisor, own, maintain, operate, engage in, or have any financial or beneficial interest in, advise, assist, or make loans to, any business that is the same as or similar to a Franchise Business (including, without limitation, a fitness business or a business which offers exercise classes or physical training; gym services; crossfit or resistance training; yoga; pilates; cycling; Zumba® or other dance fitness classes; martial or mixed martial arts; boxing; fitness boot camps) or any business that offers prepared meals or protein or other nutritional supplements that are the same as or similar to the meals and supplements Franchisee is required hereunder to offer in connection with the Franchise Business, and which is located within the United States, its territories, or commonwealths, or any other country, province, state or geographic area in which Franchisor has used, sought registration of, or registered the Marks or similar marks or operates or licenses others to operate a business under the Marks or similar marks.

(2) With respect to Franchisee, for a continuous uninterrupted period commencing upon the expiration, termination, or transfer of all of Franchisee’s interest in, this Agreement (or, with respect to each of the Principals, commencing upon the earlier of (i) the expiration or termination of, or transfer of all of Franchisee’s interest in, this Agreement or (ii) the time such individual or entity ceases to satisfy the definition of “Principal” under this Agreement) and continuing for two years thereafter, except as otherwise approved in writing by Franchisor, neither Franchisee, nor any of the Principals will, directly or indirectly, for themselves, or through, on behalf of or in conjunction with any other person, persons, partnership, corporation, limited liability company, or other entity or association:

(a) Directly or indirectly divert, or attempt to divert, any business or customer of the Franchise Business to any competitor, or do or perform any other act injurious or prejudicial to the goodwill associated with the Marks and the System.

(b) Except with respect to Franchise Businesses operated under valid agreements with Franchisor, own, maintain, operate, engage in, or have any financial or beneficial interest in, advise, assist or make loans to, any business that is the same as or similar to a Franchise Business (including, without limitation, a fitness business or a business which offers exercise classes or physical training; gym services; crossfit or resistance training; yoga; pilates; cycling; Zumba® or other dance fitness classes; martial or mixed martial arts; boxing; fitness boot camps) or any business that offers prepared meals or protein or other nutritional supplements that are the same as or similar to the meals and supplements

Franchisee is required hereunder to offer in connection with the Franchise Business, and which is, or is intended to be, located **(i)** at the Location, **(ii)** within the Protected Area, or **(iii)** within a five-mile radius of the location of any Franchise Business then in existence or under construction.

(3) The parties agree that each of the foregoing covenants contain reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. Each such covenant will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 10.C. is held unreasonable or unenforceable by a court having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee and the Principals expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 10.C. The time periods relating to the obligations set forth in this Section 10.C.(2) will be tolled for any period of non-compliance.

(a) Franchisee and the Principals acknowledge that Franchisor has the right, in its sole discretion, to reduce the scope of any covenant set forth in this Section 10.C. without their consent, effective immediately upon notice to Franchisee; and Franchisee and the Principals agree that they will promptly comply with any covenant as so modified.

(b) Franchisee and the Principals expressly agree that the existence of any claims they may have against Franchisor, whether arising under this Agreement or otherwise, will not constitute a defense to the enforcement by Franchisor of the covenants in this Section 10.C.

(4) Franchisee will require and obtain the execution of covenants similar to those set forth in this Section 10.C. from all Franchisee Owners and Principals not signing the Principals' Guaranty and Assumption Agreement, from all General Managers, and, at Franchisor's request, any other personnel of Franchisee who have access to Confidential Information. Such covenants will be substantially in the form set forth in Attachment B. Notwithstanding the foregoing, Franchisor reserves the right, in its sole discretion, to decrease the scope of the noncompetition covenant set forth in Attachment B or eliminate such noncompetition covenant altogether for any person that is required to execute such agreement under this Section 10.C.(4).

D. Injunctive Relief. Franchisee and the Principals acknowledge that any failure to comply with the requirements of this Section 10. will constitute a material event of default under this Agreement and further acknowledge that such a violation would result in irreparable injury to Franchisor for which no adequate remedy at law may be available. Franchisee and the Principals accordingly consent to the issuance of an injunction prohibiting any conduct by them in violation of the terms of this Section 10., without the requirement that Franchisor post a bond. Franchisee and the Principals agree to pay all court costs and reasonable attorneys' fees and costs incurred by Franchisor in connection with the enforcement of this Section 10., including all costs and expenses for obtaining specific performance, or an injunction against the violation, of the requirements of such Section, or any part thereof.

E. New Developments. If Franchisee, its employees, or Principals develop any new concept, process or improvement in the operation or promotion of the franchised business, Franchisee will promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Any such concept, process, or improvement will become Franchisor's sole property, and Franchisor will be the sole owner of all patents, patent applications, and other intellectual property rights related thereto. Franchisee and its Principals hereby assign to Franchisor any rights they may have or acquire therein, including the right to modify such concept, process or improvement, and otherwise waive and/or release all rights of restraint and moral rights therein and thereto. Franchisee and its Principals agree to assist Franchisor in obtaining and enforcing the intellectual property rights to any such concept, process or improvement in any and all countries and further agree to execute and provide Franchisor with all necessary

documentation for obtaining and enforcing such rights. Franchisee and its Principals hereby irrevocably designate and appoint Franchisor as their agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property right related to any such concept, process or improvement. In the event that the foregoing provisions of this Section 10.E. are found to be invalid or otherwise unenforceable, Franchisee and its Principals hereby grant to Franchisor a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process or improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe their rights therein.

## **11. BOOKS AND RECORDS**

A. Maintenance Requirement. Franchisee will maintain during the Term of this Agreement, in accordance with generally accepted accounting principles and in the form and manner prescribed by Franchisor from time to time in the Manuals, and will preserve for at least five years from the date of preparation, full, complete, and accurate books, records, and accounts of the Franchise Business, including, but not limited to, sales slips, coupons, purchase orders, payroll records, check stubs, bank statements, sales tax records and returns, cash receipts and disbursements, journals, and ledgers.

B. Reporting. In addition to the remittance reports required by Sections 4. and 8. hereof, Franchisee will comply with the following reporting obligations:

(1) Franchisee will, at Franchisee's expense, submit to Franchisor, in the form prescribed by Franchisor, Franchisee's monthly balance sheet and profit and loss statement (which may be unaudited) within twenty (20) days after the end of each month during the Term hereof. Each such statement must be signed by Franchisee's treasurer, chief financial officer, or comparable officer attesting that it is true, complete, and correct.

(2) Franchisee will, at its expense, submit to Franchisor, within ninety (90) days after the end of each fiscal year, Franchisee's complete annual financial statement (which may be unaudited), including a balance sheet, profit and loss statement, and statement of cash flows, prepared in accordance with generally accepted accounting principles by an independent certified public accountant satisfactory to Franchisor and showing the results of Franchisee's operations of Franchisee during such fiscal year.

(3) Franchisee will, at its expense, submit to Franchisor **(i)** copies of Franchisee's federal income tax returns (including any extension requests) not later than five (5) days after filing and **(ii)** copies of Franchisee's state sales tax returns within five (5) days after the end of each calendar quarter. If the Franchise Business is in a state which does not impose a sales tax, Franchisee will submit a copy of its state income tax return (including any extension requests) not later than five (5) days after filing.

(4) Franchisee also will submit to Franchisor such other forms, reports, records, information, and data as Franchisor may reasonably designate, in the form and at the times and places reasonably required by Franchisor.

C. Audits. Franchisor or its designees will have the right at all reasonable times to review, audit, examine, and copy the books and records of Franchisee at the Franchise Business. If any required royalty or other required payments to Franchisor are delinquent, or if an audit should reveal that such payments have been understated in any report to Franchisor, then Franchisee will immediately pay to Franchisor the amount overdue or understated upon demand with interest determined in accordance with Section 4.C. If an audit discloses an understatement in any report of 3% or more, Franchisee must, in addition, reimburse Franchisor for all costs and expenses connected with the audit (including, without limitation, reasonable accounting and attorneys' fees and costs). These remedies are in addition to any other remedies Franchisor may have at law or in equity.

D. No Waiver. Franchisor's receipt or acceptance of any of the statements furnished or amounts paid to Franchisor (or the cashing of any check or processing of any electronic fund transfer) will

not preclude Franchisor from questioning the correctness thereof at any time, and, in the event that any errors are discovered in such statements or payments, Franchisee must immediately correct the error and make the appropriate payment to Franchisor.

E. Authorization to Release Information. Franchisee hereby authorizes (and agrees to execute any other documents deemed necessary to effect such authorization) all banks, financial institutions, businesses, suppliers, manufacturers, contractors, vendors and other persons or entities with whom Franchisee does business to disclose to Franchisor any financial information in their possession relating to Franchisee or the Franchise Business which Franchisor may request. Franchisee authorizes Franchisor to disclose data from Franchisee's reports if Franchisor determines, in its sole discretion, that such disclosure is necessary or advisable, which disclosure may include disclosure to prospective or existing franchisees or other third parties.

## **12. INSURANCE**

A. Insurance Coverage Requirements. Not later than sixty (60) days prior to the Opening Date, Franchisee will procure and maintain in full force and effect at all times during the Term of this Agreement, at Franchisee's expense, an insurance policy or policies protecting Franchisee, Franchisor, its Affiliates, successors, and assigns, and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, and employees of each of them against any demand or claim with respect to personal injury, death, or property damage, or any loss, liability, or expense whatsoever arising or occurring at or in connection with the operation of the Franchise Business. Such policy or policies must be written by a responsible carrier or carriers rated "A" or better by the A.M. Best Company, Inc. and otherwise reasonably acceptable to Franchisor and must include, at a minimum (except as additional coverages and higher policy limits may reasonably be specified by Franchisor from time to time in writing), the following:

(1) Comprehensive General Liability Insurance, including broad form contractual liability, broad form property damage, personal injury, advertising injury, completed operations, products liability and fire damage coverage, in the amount of \$1,000,000 combined single limit per occurrence, \$2,000,000 general aggregate, \$2,000,000 product liability, \$1,000,000 personal and advertising injury, \$300,000 fire legal liability, and \$5,000 medical payment limits.

(2) "All Risks" coverage for the full cost of replacement of the Studio premises and all other property in which Franchisor may have an interest with agreed amount endorsement for the premises naming Franchisor as a loss payee.

(3) An "umbrella" policy providing excess coverage with limits of not less than \$3,000,000 which must be excess to the general liability coverage required herein.

(4) Business interruption insurance covering at least twelve (12) months of lost profits and necessary continuing expenses for interruptions caused by any occurrence covered by the insurance referred to in (1) and (2) above and Franchisee's royalty, Marketing Fee (or Local Advertising Expenditures), and Brand Fund contribution calculated on the basis of the Gross Sales used as the basis for calculation of the business interruption insurance award. Such business interruption insurance must be written on an all risks form, either as an endorsement to the policies described in (1) and (2) above or on a separate policy.

(5) Worker's compensation insurance with employer liability limit of bodily injury by accident \$1,000,000 each accident, by disease \$1,000,000 policy limit, and by disease \$1,000,000 each employee.

(6) Professional Liability Insurance to cover the errors and omissions of your staff in providing services to your Members with not less than \$3,000,000 limit of liability and including Abuse and Molestation with a minimum limit of \$300,000.

(7) Employment Practices Liability including third-party coverage for not less than \$500,000 aggregate.

(8) Such other insurance as may be required by the landlord of the premises at, and by the state or locality in, which the Franchise Business is located.

B. Deductibles; Waiver of Subrogation. Franchisee may elect to have reasonable deductibles in connection with the coverage required under Sections 11.A.(1)-(8) hereof. Such policies must also include a waiver of subrogation in favor of Franchisor, its Affiliates and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants, and employees of each of them.

C. Builder's Risk Insurance. In connection with any construction, renovation, refurbishment, or remodeling of the Studio, Franchisee must maintain Builder's Risks/Installation insurance and performance and completion bonds in forms and amounts, and written by a carrier or carriers, reasonably satisfactory to Franchisor.

D. No Limitation of Other Obligations. Franchisee's obligation to obtain and maintain the foregoing policies in the amounts specified will not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor will Franchisee's performance of such obligation relieve it of liability under the indemnity provisions set forth in Section 15. of this Agreement.

E. Additional Insured Designation. All insurance policies required hereunder, with the exception of workers' compensation and employment practices liability, must name Franchisor and its Affiliates, and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants, and employees of each of them, as additional insureds, and must expressly provide that their interest will not be affected by Franchisee's breach of any policy provisions. All public liability and property damage policies must contain a provision that Franchisor and its Affiliates, and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants, and employees of each of them, although named as insureds, will nevertheless be entitled to recover under such policies on any loss occasioned to them by reason of the negligence of Franchisee or its servants, agents, or employees.

F. Certificates of Insurance. Upon execution of this Agreement, and thereafter thirty (30) days prior to the expiration of any policy required hereunder, Franchisee must deliver to Franchisor certificates of insurance, endorsements, insurance declarations and/or other documents requested by Franchisor evidencing the existence and continuation of proper coverage with limits not less than those required hereunder. For instance, if requested by Franchisor, Franchisee must deliver to Franchisor a copy of the insurance policy or policies required hereunder. All insurance policies required hereunder must expressly provide that no less than thirty (30) days' prior written notice will be given to Franchisor in the event of a material alteration to or cancellation of the policies.

G. Remedies. If Franchisee fails to procure or maintain the insurance required by this Agreement, Franchisor will have the right and authority (without, however, any obligation to do so) to procure such insurance and to charge the cost of such insurance to Franchisee, together with a reasonable fee for Franchisor's expenses in so acting. Such amounts will be payable by Franchisee immediately upon notice. The foregoing remedies are in addition to any other remedies Franchisor may have at law or in equity.

### **13. DEBTS AND TAXES**

A. Payment of Taxes and Other Obligations. Franchisee must promptly pay when billed all Taxes, levied or assessed and all accounts and other indebtedness of every kind incurred by Franchisee in the conduct of the franchised business. Without limiting the provisions of Section 15., Franchisee will be solely liable for the payment of all Taxes and will indemnify Franchisor for the full amount of all such

Taxes and for any liability (including penalties, interest and expenses) arising from or concerning the payment of Taxes, whether or not correctly or legally assessed.

B. No Deduction. Each payment to be made to Franchisor hereunder must be made free and clear and without deduction for any Taxes.

C. Disputed Liability. In the event of any *bona fide* dispute as to Franchisee's liability for Taxes or other indebtedness, Franchisee may contest the validity or the amount of the Tax or indebtedness in accordance with the procedures of the taxing authority or applicable law. However, in no event will Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant or attachment by a creditor, to occur against the assets of the franchised business or any improvements thereon.

D. Credit Standing. Franchisee recognizes that the failure to make payments or repeated delays in making prompt payments to suppliers will result in a loss of credit rating or standing which will be detrimental to the goodwill associated with the Marks and the System. Except for payments which are disputed by Franchisee in good faith, Franchisee agrees to promptly pay when due all amounts owed by Franchisee to Franchisor, its Affiliates, and other suppliers.

E. Notice of Adverse Orders. Franchisee must notify Franchisor in writing within five (5) days of the commencement of any action, suit or proceeding and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of the franchised business.

#### **14. TRANSFER**

A. By Franchisor. Franchisor has the right to transfer or assign this Agreement and all or any part of its rights or obligations herein to any person or legal entity without Franchisee's consent, and upon such transfer or assignment, the transferee or assignee will be solely responsible for all Franchisor's obligations arising hereunder subsequent to the transfer or assignment. Without limitation of the foregoing, Franchisor may sell its assets to a third party; may offer its securities privately or publicly; may merge with or, acquire other corporations, or may be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring.

B. By Franchisee and Principals. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted rights under this Agreement in reliance on the business skill, financial capacity, and personal character of Franchisee and the Principals. Accordingly, neither Franchisee nor any Principal, nor any successor or assign of Franchisee or any Principal, will sell, assign, transfer, convey, merge, give away, pledge, mortgage or otherwise dispose of or encumber any direct or indirect interest in this Agreement, in the Studio or in Franchisee, whether or not such sale, assignment, transfer, conveyance, merger, gift, pledge, mortgage, disposition, or encumbrance constitutes a transfer or assignment under applicable law, without the prior written consent of Franchisor, except as provided in Section 14.D. Any purported assignment or transfer, by operation of law or otherwise, made in violation of this Agreement will be null and void and will constitute a material breach under this Agreement. If Franchisee wishes to transfer all or part of its interest in the Franchise Business, or the assets used in connection therewith; or this Agreement; or if Franchisee or a Principal wishes to transfer any ownership interest in Franchisee (except as provided in Section 14.D, below), transferor and the proposed transferee must apply to Franchisor for its consent. Franchisor may condition its consent to the transfer of any interest in Franchisee, in the Franchise Business or in this Agreement, on any or all of the following:

(1) All accrued monetary obligations of Franchisee and its Affiliates to Franchisor and its Affiliates arising under this Agreement, or any other agreement, must have been satisfied in a timely manner, and Franchisee must have satisfied all trade accounts and other debts of whatever nature or kind;

(2) Franchisee and its Affiliates must not be in default of this Agreement, or any other agreement with Franchisor or its Affiliates, and must have substantially and timely complied with all the terms and conditions of such agreements during their respective terms (and, for the avoidance of confusion, contracts with affiliates of Franchisor shall include franchise agreements and license agreements of brands other than “F45®” that are owned, operated, managed, licensed, or franchised, by entities that are Affiliates of Franchisor);

(3) The transferor and its principals, if applicable, must have executed a general release, in a form satisfactory to Franchisor, of any and all claims, against Franchisor, its Affiliates and their respective officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants and employees, past and present, in their corporate and individual capacities, including, without limitation, claims arising under this Agreement and any other agreement with Franchisor or its Affiliates, and under federal, state or local laws, rules, and regulations or orders;

(4) The transferee must demonstrate to Franchisor’s satisfaction that it meets Franchisor’s then-current qualifications, and, at the transferee’s expense, its Key Person, general manager, and any other personnel required by Franchisor must complete any training programs then in effect for Franchise Businesses upon such terms and conditions as Franchisor may reasonably require;

(5) The transferee must, at its expense and within the time period reasonably required by Franchisor, renovate, modernize, and otherwise upgrade the Studio to conform to the then-current System image and Standards;

(6) The transferee must enter into a written agreement, in a form satisfactory to Franchisor, assuming full, unconditional, joint and several, liability for, and agreeing to perform from the date of the transfer, all obligations, covenants and agreements of Franchisee under this Agreement. If the transferee is a corporation, partnership, limited liability company or other entity, those of transferee’s principals who are designated as principals, also must execute such agreement and guarantee the performance thereof;

(7) The transferee must execute Franchisor’s then-current form of franchise agreement for a term ending on the expiration date of this Agreement (including any renewal terms provided by this Agreement). The new franchise agreement will supersede this Agreement in all respects and its terms may differ from the terms of this Agreement, including higher fees, but the transferee will not be required to pay an establishment fee. If the transferee is a corporation, partnership, limited liability company, or other entity, those of transferee’s principals who are designated as principals, also must execute such agreement and guarantee the performance thereof;

(8) The transferor will remain liable for all of its obligations to Franchisor under this Agreement incurred prior to the effective date of the transfer and must execute any and all instruments reasonably requested by Franchisor to evidence such liability;

(9) Franchisee must pay Franchisor a transfer fee in the amount set forth in **Item 14** of the **Summary Addendum**, attached hereto, and must reimburse Franchisor for its actual costs and expenses associated with the transfer, including, without limitation, training costs, and legal and accounting fees and costs;

(10) If transferee is a corporation, partnership, limited liability company, or other entity, the transferee must make all of the representations, warranties, and covenants in **Section 6.**, as Franchisor may request, and must provide evidence satisfactory to Franchisor that such representations, warranties, and covenants are true and correct as of the date of the transfer.

(11) If the transfer relates to the grant of a security interest in any of Franchisee’s assets, Franchisor may require the secured party to agree that, in the event of any default by Franchisee under any

documents related to the security interest, Franchisor will have the right and option (but no obligation) to be substituted as obligor to the secured party and to cure any default of Franchisee.

C. Transfer for Convenience of Ownership. If the proposed transfer is to a corporation or other entity formed solely for the convenience of ownership, Franchisor's consent may be conditioned upon any of the requirements in Section 14.B., except that Sections 14.B.(3), (4), (5), (7), and (9) will not apply. In any transfer for the convenience of ownership, Franchisee must be the owner of all the voting stock or ownership interests in the new entity, or, if Franchisee is more than one individual, each individual must have the same proportionate ownership interest in the new entity as he or she had in Franchisee prior to the transfer.

D. Transfer of Non-Controlling Interest. If any person holding an interest in Franchisee (other than a Principal signing the Principals' Guaranty and Assumption Agreement) proposes to transfer such interest, then Franchisee must promptly notify Franchisor of such proposed transfer in writing and provide such information relative thereto as Franchisor may reasonably request prior to the transfer. The transferee must not be one of Franchisor's competitors and may be required to execute a confidentiality agreement and ancillary covenants not to compete in the form then required by Franchisor, which form will be in substantially the same as the form attached to this Agreement as Attachment B. Franchisor reserves the right to require such transferee to sign the Principals' Guaranty and Assumption Agreement.

E. Right of First Refusal. If Franchisee or a Principal wishes to transfer any interest in this Agreement, the Studio, or Franchisee, pursuant to any *bona fide* offer received from a third party to purchase such interest, then such proposed seller must promptly notify Franchisor in writing of the offer and must provide such information and documentation relating to the offer as Franchisor may require. Franchisor will have the right and option, exercisable within thirty (30) days after receipt of such written notification and copies of all required documentation describing the terms of the offer, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the terms and conditions offered by the third party. If Franchisor elects to purchase the seller's interest, closing will occur on or before sixty (60) days from the later of the date of Franchisor's notice to seller of its election to purchase and the date Franchisor receives all necessary permits and approvals, or any other date agreed by the parties in writing. If the third-party offer provides for payment of consideration other than cash, Franchisor may elect to purchase seller's interest for the reasonable cash equivalent. If the parties cannot agree within a reasonable time on the reasonable cash equivalent, then that amount will be determined by two appraisers. Each party will select one appraiser and the average of the appraisers' determinations will be binding. Each party must bear its own legal and other costs and will share the appraisal fees equally. If Franchisor exercises its right of first refusal, it will have the right to set off all appraisal fees and other amounts due from Franchisee to Franchisor or any of its Affiliates. A material change in the terms of any offer prior to closing will constitute a new offer subject to the same right of first refusal as an initial offer. Franchisor's failure to exercise the option afforded by this Section 14.E. will not constitute a waiver of any other provision of this Agreement, including all of the requirements of Section 14.B. Failure to comply with this Section 14.E. will constitute a material event of default under this Agreement.

F. Death or Permanent Disability. Franchisee or its representative must promptly notify Franchisor of any death or claim of permanent disability subject to this Section 14.F. Any transfer upon death or permanent disability will be subject to the following conditions, as well as to the conditions described in Section 14.B. for any *inter vivos* transfer.

(1) Upon the death of Franchisee (if Franchisee is a natural person) or any Principal who is a natural person ("**Deceased**"), the executor, administrator, or other personal representative of the Deceased must transfer such interest to a third party approved by Franchisor within six months after the date of death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the Deceased, then the distributee of such interest must be approved by Franchisor. If the distributee is not approved by Franchisor, then the distributee must transfer such

interest to a third party approved by Franchisor within six months after the death of the Deceased.

(2) Upon the permanent disability of Franchisee (if Franchisee is a natural person) or any Principal who is a natural person, Franchisor may, in its sole discretion, require such interest to be transferred to a third party in accordance with the conditions described in this Section 14, within six months after notice to Franchisee. “**Permanent disability**” means any physical, emotional, or mental injury, illness or incapacity which would prevent a person from performing the obligations set forth in this Agreement or in the Guaranty made part of this Agreement for at least ninety (90) consecutive days and from which condition recovery within ninety (90) days from the date of determination of disability is unlikely. Permanent disability will be determined by a licensed practicing physician selected by Franchisor, upon examination of the person; or if the person refuses to submit to an examination, then such person automatically will be deemed permanently disabled as of the date of such refusal for the purpose of this Section 14.F. The costs of any examination required by this Section will be paid by Franchisor.

G. Securities Offerings. Interests in Franchisee will not be offered to the public by private or public offering without Franchisor’s prior written consent, which will not be unreasonably withheld. As a condition of its consent, Franchisor may, in its sole discretion, require that, immediately after such offering, Franchisee and the Principals retain a Controlling Interest in Franchisee. Franchisee must give Franchisor written notice at least thirty (30) days prior to the commencement of any offering covered by this Section 14.G. All offering materials must be submitted to Franchisor for review prior to being filed with any governmental agency or distributed for use. Franchisor’s review of the offering materials will be limited solely to the subject of the relationship between Franchisee and Franchisor. No offering will imply that Franchisor is participating in an underwriting, issuance or offering of securities. Franchisor may require the offering materials to contain a written statement prescribed by Franchisor concerning the relationship of Franchisee and Franchisor. Franchisee, its Principals and the other participants in the offering must fully indemnify Franchisor, its Affiliates, their respective officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants and employees, past and present, in connection with the offering. For each proposed offering, Franchisee must pay to Franchisor a non-refundable fee of \$3,000 and must reimburse Franchisor for its reasonable costs and expenses (including, without limitation, legal and accounting fees and costs) associated with reviewing the offering materials.

H. No Waiver. Franchisor’s consent to the transfer of any interest described in this Section 14 will not constitute a waiver of any claims which Franchisor may have against the transferring party, nor will it be deemed a waiver of Franchisor’s right to demand transferee’s exact compliance with any of the terms of this Agreement.

## 15. INDEMNIFICATION

A. Indemnity. Franchisee agrees to indemnify, defend, and hold harmless Franchisor, Franchisor’s Affiliates, both current and former, and their respective shareholders, directors, officers, employees, agents, successors, and assignees (“**Indemnified Parties**”) against, and to reimburse any one or more of the Indemnified Parties for, any claims, damages, judgments, liabilities and losses, including attorney’s fees, costs, and expenses (and any interest) directly or indirectly arising out of the operation of the Franchise Business, Franchisee’s employer/employee relationships, this Agreement (including, but not limited to, Franchisee’s breach of this Agreement), the relationship between the parties to this Agreement, and the Franchisee’s employee’s and independent contractor’s actions or inactions, without limitation and without regard to the cause or causes thereof or the negligence (whether such negligence be sole, joint, or concurrent, or active or passive) or strict liability of Franchisor or any other party or parties in connection therewith, including, without limitation, the other Indemnified Parties. Notwithstanding the foregoing, this indemnity will not apply to any liability arising from Franchisor’s gross negligence or willful misconduct, except to the extent that joint liability is involved, in which event the indemnification provided herein will extend to any finding of comparative or contributory negligence attributable to Franchisee, Franchisee’s Principals, officers, directors, employees, independent contractors, or affiliates. For purposes of this

indemnification, “**claims**” includes all obligations, damages (actual, consequential, exemplary, or other), and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, accountants’, arbitrators’, attorneys’, and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration, or alternative dispute resolution and travel and living expenses. Franchisor has the right to defend any such claim against Franchisee. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. Under no circumstances will Franchisor or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate Franchisor’s, their, or Franchisee’s losses and expenses, in order to maintain and recover fully a claim against Franchisee. Franchisee agrees that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts Franchisor or another Indemnified Party may recover from Franchisee. The terms of this Section 15.A. will survive the termination, expiration, or transfer of this Agreement or any interest herein.

B. Defense of Claim. Franchisee and each of the Principals agree to give Franchisor immediate notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. At the expense and risk of Franchisee and each of the Principals, Franchisor may elect to assume (but under no circumstance is obligated to undertake) or associate counsel of its own choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry, or investigation. Such an undertaking by Franchisor will not, in any manner or form, diminish the obligation of Franchisee and each of the Principals to indemnify the Indemnitees and to hold them harmless.

C. Remedial Action. In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, Franchisor may, at any time and without notice, as it, in its judgment deems appropriate, consent or agree to settlements or take such other remedial or corrective action as it deems expedient with respect to the action, suit, proceeding, claim, demand, inquiry, or investigation if, in Franchisor’s sole judgment, there are reasonable grounds to believe that any claim described in Section 15.A. has occurred or any such claim may result directly or indirectly in damage, injury, or harm to any person or property.

D. Losses and Expenses.

(1) All Losses and Expenses incurred under this Section 15 will be chargeable to and paid by Franchisee or any of the Principals pursuant to its obligations of indemnity under this Section 15., regardless of any action, activity, or defense undertaken by Franchisor or the subsequent success or failure of such action, activity, or defense.

(2) As used in this Section 15., the phrase “**Losses and Expenses**” includes, without limitation, all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, reasonable attorneys’ fees and costs, court costs, settlement amounts, judgments, compensation for damages to the Franchisor’s reputation and goodwill, costs of or resulting from delays, financing costs, costs of advertising material and media time/space and costs of changing, substituting or replacing the same, any and all expenses of recall, refunds, compensation, and public notices and all other payments of money incurred in connection with the matters described.

E. Contributory Negligence. The Indemnitees do not assume any liability for acts, errors, or omissions of those with whom Franchisee or the Principals may contract, regardless of the purpose. Franchisee and the Principals will hold harmless and indemnify the Indemnitees as set forth herein without limitation and without regard to the cause or causes thereof or the negligence (whether such negligence be gross, sole, joint or concurrent, or active or passive) or strict liability of Franchisor or any other party or parties arising in connection therewith, including, without limitation, the other Indemnitees.

F. No Duty to Mitigate; Survival of Obligations. Under no circumstances will Franchisor be required or obligated to seek recovery from third parties or otherwise mitigate its losses in order to maintain a claim under the indemnity and against Franchisee, and the failure of Franchisor to pursue such recovery

or mitigate such loss will no way reduce the amounts recoverable by Franchisor from Franchisee. Franchisee and the Principals expressly agree that the terms of this Section 15 will survive the termination, expiration, or transfer of this Agreement or any interest herein.

## **16. RELATIONSHIP OF THE PARTIES**

A. Independent Contractor Relationship. Franchisee agrees that the relationship created by this Agreement is not a fiduciary, special, or any other similar relationship, but rather is an arm's-length business relationship, and Franchisor owes Franchisee no duties except as expressly provided in this Agreement. Franchisee is an independent contractor, and nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, joint employer or servant of the other for any purpose. During the Term of this Agreement, Franchisee must hold itself out to the public and to its employees as an independent contractor conducting its Franchise Business operations pursuant to the rights granted by Franchisor. All employees hired by or working for Franchisee or Franchisee's affiliates will be Franchisee's or Franchisee's affiliate's employees and will not, for any purpose, be deemed employees of Franchisor or its affiliates or subject to Franchisor's or its affiliates' control. Franchisor has no authority to hire, fire, promote, or demote any of Franchisee's employees or take any disciplinary action whatsoever against any of them. Additionally, Franchisee must communicate to all employees that Franchisee, not Franchisor, is their employer; and Franchisee must ensure that no payroll checks or other employment-related documents (such as job applications and W-2s) contain or reference the Marks or Franchisor's name. Each of the parties will file its own tax, regulatory, and payroll reports with respect to its respective employees and operations, saving and indemnifying the other party hereto of and from any liability of any nature whatsoever by virtue thereof.

B. No Authority. Nothing in this Agreement authorizes Franchisee or any of the Principals to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name, and Franchisor will, in no event, assume liability for, or be deemed liable under, this Agreement as a result of any such action, or for any act or omission of Franchisee or any of the Principals or any claim or judgment arising therefrom.

## **17. TERMINATION**

A. Default and Termination. Franchisee acknowledges that each of Franchisee's obligations described in this Agreement is a material and essential obligation; that nonperformance of such obligations will adversely and substantially affect the Franchisor and the System; and that the exercise by Franchisor of the rights and remedies set forth herein is appropriate and reasonable.

B. Automatic Termination. Franchisee will be deemed to be in default under this Agreement, and all rights granted herein will automatically terminate without notice to Franchisee, if Franchisee becomes insolvent or makes a general assignment for the benefit of creditors; or if Franchisee files a voluntary petition under any section or chapter of federal bankruptcy law or under any similar law or statute of the United States or any state thereof, or if an involuntary petition is filed with respect to Franchisee under any such laws and is not dismissed within sixty (60) days after it is filed; or admits in writing its inability to pay its debts when due; or if Franchisee is adjudicated as bankrupt or insolvent in proceedings filed against Franchisee under any section or chapter of federal bankruptcy laws or under any similar law or statute of the United States or any state; or if a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee; or if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under any state or federal law should be instituted by or against Franchisee; or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless supersedeas bond is filed); or if Franchisee is dissolved; or if execution is levied against Franchisee's business or property; or if judicial, non-judicial or administrative proceedings to foreclose any lien or mortgage against the Studio

premises or equipment is instituted against Franchisee and not dismissed within thirty (30) days; or if the real or personal property of Franchisee's Studio is sold after levy thereupon by any sheriff, marshal, or constable.

C. Termination on Notice; No Cure. Franchisee will be deemed to be in material default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon notice to Franchisee, upon the occurrence of any of the following events:

(1) If Franchisee fails to obtain Franchisor's approval of a proposed site or fails to acquire a Location for the Studio within the time and manner specified.

(2) If Franchisee fails to open the Studio for business within the period specified in Section 2.G. of this Agreement.

(3) If Franchisee at any time ceases to operate or otherwise abandons the Studio, or loses the right to possess the premises, or otherwise forfeits the right to do or transact business in the jurisdiction where the Studio is located; provided, that this provision will not apply in the event of a Force Majeure, if Franchisee applies within thirty (30) days after such event for Franchisor's approval to relocate or reconstruct the Studio and Franchisee diligently pursues such reconstruction or relocation. Franchisor's approval will not be unreasonably withheld but may be conditioned upon the payment of an agreed minimum fee to Franchisor during the period in which the Studio is not in operation.

(4) If Franchisee or any of the Principals is convicted of, or has entered a plea of *nolo contendere* to, a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on the System, the Marks, the goodwill associated therewith, or Franchisor's interests therein.

(5) If Franchisee or any of the Principals purports to transfer any rights or obligations under this Agreement or any interest in Franchisee or the Studio to any third party without Franchisor's prior written consent or without offering Franchisor a right of first refusal contrary to the terms of Section 14., or if a transfer upon death or permanent disability is not made in accordance with Section 14.

(6) If, contrary to the terms of Section 10.B., Franchisee or any of the Principals discloses or divulges any Confidential Information.

(7) If Franchisee knowingly maintains false books or records, or submits any false reports to Franchisor or submits false or fraudulent information in their franchise application.

(8) If Franchisee breaches in any material respect any of the covenants, or has falsely made any of the representations or warranties, set forth in Section 6.

(9) If Franchisee fails to comply with Franchisor's quality assurance program and fails to cure any default thereunder within the applicable cure period.

(10) If Franchisee or any Affiliate of Franchisee is in default of any other franchise agreement with Franchisor and fails to cure such default within the applicable cure period, if any.

(11) If Franchisee or any of the Principals repeatedly commits a material event of default under this Agreement, whether or not such defaults are of the same or different nature and whether or not such defaults have been cured by Franchisee after notice by Franchisor.

D. Termination on Notice; Opportunity to Cure. Except as provided in Sections 17.B. and 17.C. of this Agreement, upon any default by Franchisee which is capable of being cured, Franchisor may terminate this Agreement by giving Franchisee written notice of termination stating the nature of the default and the time period within which the default must be cured. Franchisee may avoid termination by immediately initiating a remedy to cure such default and curing it to Franchisor's satisfaction within the

time period set forth below or any longer period that applicable law may require (“**cure period**”). If any such default is not cured within the cure period, this Agreement will terminate without further notice to Franchisee effective immediately upon the expiration of the cure period. Defaults which are susceptible of cure hereunder may include, but are not limited to, the following:

(1) If Franchisee fails to procure and maintain the insurance policies required by Section 12. and fails to cure such default within seven (7) days following notice from Franchisor.

(2) If Franchisee misuses or makes any unauthorized use of the Marks or otherwise materially impairs the goodwill associated therewith or Franchisor’s rights therein and fails to cure such default within twenty-four (24) hours following notice from Franchisor.

(3) If Franchisee fails to obtain the execution of the confidentiality and related covenants as required under Sections 10.B. or 10.C. of this Agreement within ten (10) days after being requested to do so by Franchisor and fails to cure such default within thirty (30) days following notice from Franchisor.

(4) If Franchisee or any of its Affiliates fails, refuses, or neglects promptly to pay any monies owed to Franchisor or any of its Affiliates, when due under this Agreement or any other agreement, or fails to submit the financial or other information required by Franchisor under this Agreement, and does not cure such default within five (5) days following notice from Franchisor.

(5) If Franchisee or any of the Principals fails to comply with the restrictions against competition set forth in Section 10.C. of this Agreement and fails to cure such default within ten (10) days following notice from Franchisor.

(6) If Franchisee operates the Studio or sells any products or services authorized by Franchisor for sale at the Studio at a location other than the Location and fails to cure such default within five (5) days following notice from Franchisor.

(7) If a threat or danger to public health or safety results from the construction or operation of the Studio and Franchise fails to cure such default within the time period Franchisor requires following notice from Franchisor; or fails to close the Studio and remedy the condition on notice from Franchisor.

(8) If Franchisee fails to maintain or observe any of the Franchisor’s Standards prescribed by Franchisor in this Agreement, the Manuals, or otherwise in writing, and fails to cure such default within thirty (30) days following notice from Franchisor.

(9) If Franchisee fails to comply with any other requirement imposed by this Agreement, or fails to carry out the terms of this Agreement in good faith and fails to cure such default within thirty (30) days following notice from Franchisor.

(10) If Franchisee fails to designate a qualified replacement Key Person or General Manager within thirty (30) days after any initial or successor Key Person or General Manager ceases to serve.

E. Alternative Remedies. If Franchisee is in default under this Agreement and the default is not cured within the cure period (if any), then while such default remains uncured, Franchisor may, in addition to any other remedies, suspend Franchisee’s access to: **(i)** F45 TV; **(ii)** and any and all other services and products Franchisor provides; **(iii)** and any and all of Franchisor’s approved or required suppliers. Once the default is cured, Franchisor will promptly reconnect Franchisee’s access to all of the services, products, and providers that were suspended. Franchisor’s exercise of its remedies in this Section 17.E. will not **(x)** constitute actual or constructive termination or abandonment of this Agreement; **(ii)** be a waiver of the default or any breach of this Agreement; or **(iii)** preclude Franchisor from terminating this Agreement in accordance with Section 17., as applicable, or pursuing any equitable or other remedies.

Franchisee waives all claims against Franchisor and its Affiliates arising from any suspension described above.

F. Liquidated Damages. If this Agreement is terminated due to Franchisee's default, Franchisee must, upon written demand from Franchisor, pay Franchisor a lump-sum payment in an amount calculated as follows: (a) the average of Franchisee's Royalty fees due for the last twelve (12) months before Franchisor's delivery of notice of default (or, if lesser, the months Franchisee had been operating before Franchisor's delivery of notice of default), (b) multiplied by the lesser of twelve (12) or the number of months remaining in the term of this Agreement. The payments called for in this Section 17.F constitute liquidated damages for causing the premature termination of this Agreement and are not a penalty. A precise calculation of the full extent of damages that Franchisor will incur if this Agreement terminates because Franchisee defaults cannot be reasonably determined. Nevertheless, the parties agree that the lump-sum payment provided under this Section 17.F is reasonable in light of the damages for premature termination that may reasonably be expected to occur in such event. The amounts contemplated under this Section 17.F are not a penalty and the payment is intended by the parties only as a compensatory remedy for past breaches and not as a preventative remedy to deter future breaches. The sum contemplated in this Section 17.F does not represent a price for the privilege of not performing nor does the payment represent an alternative manner of performance. Accordingly, as a purely liquidated damages provision, this Section does not preclude, and is not inconsistent with, a court granting Franchisor specific performance or any other equitable remedies, such as an injunction, to prevent future breaches. Franchisor's rights to liquidated damages and specific performance or any other equitable relief are not mutually exclusive.

## **18. POST-TERMINATION**

A. Franchisee's Obligations Upon Termination. Upon termination or expiration of this Agreement, all rights granted hereunder to Franchisee will terminate, and Franchisee must:

(1) Immediately cease to operate the Franchise Business under this Agreement, and not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

(2) Immediately and permanently cease to use, in any manner whatsoever, any Confidential Information, methods, procedures, and techniques associated with the System and the Marks. Without limitation of the foregoing, Franchisee must cease to use all signs, advertising materials, displays, stationery, forms, and any other items which display the Marks.

(3) Take such action as may be necessary to cancel any assumed name or equivalent registration which contains the mark "F45 Studio" or any other Mark, and furnish Franchisor with satisfactory evidence of compliance within 5 days after termination or expiration of this Agreement.

(4) Not use any reproduction, counterfeit, copy, or colorable imitation of the Marks, in connection with any other business, which is likely to cause confusion, mistake, or deception, or which is likely to dilute Franchisor's rights in and to the Marks, nor will Franchisee use any designation of origin or description or representation which falsely suggests or represents an association or connection with Franchisor constituting unfair competition.

(5) Immediately pay all sums owing to Franchisor and its Affiliates and all damages, costs, and expenses, including reasonable attorneys' fees and costs, incurred by Franchisor as a result of any default by Franchisee or in connection with obtaining injunctive or other relief for the enforcement of any provisions of this Section 18., which obligation will give rise to and remain a lien in favor of Franchisor against any and all assets of Franchisee, until such obligations are paid in full.

(6) Immediately deliver to Franchisor all Manuals, records, files, instructions, correspondence, Software Programs, and other materials related to the operation of the Franchise Business

in Franchisee's possession or control, and all copies thereof, all of which are acknowledged to be Franchisor's property, and retain no copy or record of any of the foregoing, except Franchisee's copy of this Agreement and of any correspondence between the parties and any other documents which Franchisee reasonably needs for compliance with any provision of law.

(7) Comply with the restrictions against the disclosure of Confidential Information and against competition contained in Section 10 of this Agreement and cause any other person required to execute similar covenants pursuant to Section 10, also to comply with such covenants.

(8) Promptly furnish to Franchisor an itemized list of all advertising and sales promotion materials bearing the Marks, whether located at the Studio or at any other location under Franchisee's control. Franchisor will have the right to inspect these materials and the option, exercisable within thirty (30) days after such inspection, to purchase any or all of the materials at Franchisee's cost. Materials not purchased by Franchisor will not be utilized by Franchisee or any other party for any purpose unless authorized in writing by Franchisor.

(9) At Franchisor's option, assign to Franchisor any interest which Franchisee has in any lease or sublease for the premises of the Studio or for any equipment used in the operation of the franchised business. Franchisor may exercise such option at or within 30 days after the termination or expiration of this Agreement. Franchisee hereby appoints Franchisor its true and lawful agent and attorney-in-fact with full power and authority, for the sole purpose of taking such action as is necessary to complete the assignment of Franchisee's interest in any such lease or sublease upon the exercise of Franchisor's option described herein. This power of attorney will survive the expiration or termination of this Agreement. If Franchisor does not elect to exercise its option to acquire the lease or sublease for the Studio premises, Franchisee must make such modifications or alterations to the premises as are necessary to distinguish the appearance of the Studio from that of other F45 Studios, and, if Franchisee fails or refuses to do so, Franchisor will have the right to enter upon the premises, without being guilty of trespass or any other crime or tort, to make or cause such changes to be made, at Franchisee's expense.

(10) At Franchisor's option, assign to Franchisor all rights to the telephone numbers of the Franchise Business and any related business listings and execute all forms and documents required by Franchisor and any telephone company at any time to transfer such service and numbers to Franchisor. Franchisee must thereafter use different telephone numbers at or in connection with any subsequent business conducted by Franchisee.

B. Additional Franchisor Options. In addition to its options under Sections 18.A.(9) and (10), Franchisor will have the following options, to be exercised within thirty (30) days after termination or expiration of this Agreement:

(1) Franchisor will have the option to purchase from Franchisee any or all of the furnishings, equipment, signs, fixtures, supplies, materials and other assets related to the operation of the Franchise Business, at fair market value. In addition, if Franchisee owns the land upon which the Studio is located, Franchisor will have the further option to purchase the land, including any building on the land used for the operation of the Studio, for the fair market value of the land and building. If Franchisee does not own the land, Franchisor may nevertheless exercise this option for the purpose of purchasing any building owned by Franchisee and used in the operation of the Studio.

(2) With respect to Franchisor's options under Section 18.B.(1), Franchisor will purchase assets only and will assume no liabilities, unless otherwise agreed in writing by the parties. If the parties cannot agree on the fair market value of the assets within thirty (30) days of Franchisor's exercise of its option, fair market value will be determined by three appraisers. Each party will select one appraiser, and those two appraisers will select a third appraiser. The average of the determinations of the three appraisers will be binding. In the event of an appraisal, each party will bear its own legal and other costs and will divide the appraisal fees equally. The purchase price must be paid in cash; provided, that Franchisor

will have the right to set off from the purchase price (i) all fees due from Franchisee for any appraisal conducted hereunder, (ii) all amounts due from Franchisee to Franchisor or any of its Affiliates, and (iii) any costs incurred in connection with any escrow arrangement (including reasonable legal fees and costs).

(3) Closing of the purchase and sale of the properties described above will occur not later than thirty (30) days after the purchase price is determined, unless the parties mutually agree to designate another date. At closing, Franchisee must deliver to Franchisor, in a form satisfactory to Franchisor, such warranties, deeds, releases of lien, bills of sale, assignments, and such other documents and instruments which Franchisor deems necessary in order to perfect Franchisor's title and possession in and to the properties being purchased and to meet the requirements of all tax and government authorities. If, at the time of closing, Franchisee has not obtained all necessary documents, instruments, or third party consents, Franchisor may, in its sole discretion, place the purchase price in escrow pending issuance of any required certificates or documents. Closing will take place at Franchisor's corporate offices or at such other location as the parties may agree.

C. Assignment of Franchisor Rights. Franchisor will be entitled to assign any and all of its options in this Section 18, to any other party, without the consent of Franchisee.

## 19. MISCELLANEOUS

A. Notices. Any and all notices required or permitted under this Agreement must be in writing and must be personally delivered or mailed by expedited delivery service or certified or registered mail, return receipt requested, first-class postage prepaid, or sent by electronic mail, provided that such electronic mail provides a read receipt evidencing receipt, to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other party:

------------------------	--

Notices to Franchisee and Principals:	As set forth in <u>Item 15</u> of the <u>Summary Addendum</u>
---------------------------------------	---

Any notice will be deemed to have been given at the time of personal delivery or, in the case of expedited delivery service, on the next Business Day, or, in the case of registered or certified mail, three Business Days after the date and time of mailing, or, in the case of electronic mail, upon transmission (provided confirmation is sent by expedited delivery service or registered or certified mail as provided above).

B. Entire Agreement. This Agreement, the documents referred to herein, and the Attachments and Addenda hereto, constitute the entire, full, and complete agreement between Franchisor and Franchisee and the Principals concerning the subject matter hereof and supersede all prior related agreements; provided, however, that nothing in this or any related agreement disclaims or requires Franchisee to waive reliance on any representation that Franchisor made in the most recent franchise disclosure document (including its exhibits and amendments) that Franchisor delivered to Franchisee or Franchisee's representative, subject to any agreed-upon changes to the contract terms and conditions described in that franchise disclosure document and reflected in this Agreement (including any riders or addenda signed at the time of this Agreement). Except for those permitted to be made unilaterally by Franchisor hereunder,

no amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

C. No Waiver. No delay, waiver, omission, or forbearance on the part of Franchisor to exercise any right, option, duty, or power arising out of any breach or default by Franchisee or the Principals under this Agreement will constitute a waiver by Franchisor to enforce any such right, option, duty, or power against Franchisee or the Principals, or as to a subsequent breach or default by Franchisee or the Principals.

D. Approval or Consent. Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee must make a timely written request to Franchisor, and such approval or consent must be obtained in writing. No waiver, approval, consent, advice, or suggestion given to Franchisee, and no neglect, delay, or denial of any request therefor, will constitute a warranty or guaranty by Franchisor, nor does Franchisor assume any liability or obligation to Franchisee or any third party as a result thereof.

E. Force Majeure. Upon the occurrence of an event that may constitute a Force Majeure, the party affected thereby must give prompt notice thereof to the other party, together with a description of the event, the duration for which the party expects its ability to comply with the provisions of the Agreement to be affected, and a plan for resuming operation under the Agreement, which the party must promptly undertake and maintain with due diligence. Such affected party will be liable for failure to give timely notice only to the extent of damage actually caused. Franchisor, acting reasonably, reserves the right to determine if an event constitutes an event of Force Majeure. If an event of Force Majeure occurs, neither party will be held liable for a failure to comply with any terms and conditions of this Agreement when such failure is caused by an event of Force Majeure but only for the duration of such event, as determined by the Franchisor acting reasonably. Notwithstanding any other provision of this Agreement, neither party is excused from any obligation to pay monies owed because of an event of Force Majeure. The occurrence of a Force Majeure will not provide the Franchisee a right to terminate the Agreement.

F. Severability. The expiration, earlier termination, or exercise of Franchisor's rights pursuant to Section 17. of this Agreement will not discharge or release Franchisee or any of the Principals from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration, the earlier termination or the exercise of such rights under this Agreement. Additionally, Franchisee and the Principals will pay all court costs and reasonable attorneys' fees and costs incurred by Franchisor in obtaining any remedy available to Franchisor for any violation of this Agreement.

T. No Third Party Beneficiary. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will it be deemed, to confer upon any person or legal entity other than Franchisee, Franchisor, Franchisor's officers, directors, and personnel and such of Franchisee's and Franchisor's respective successors and assigns as may be contemplated (and, as to Franchisee, authorized by Section 14.), any rights or remedies under or as a result of this Agreement.

FRANCHISE AGREEMENT**

**FOR THE STATE OF CALIFORNIA**

The F45 Training Incorporated Franchise Agreement between the party named in Item 2 of the Summary Addendum (“**Franchisee**” or “**You**”) and F45 Training Incorporated (“**Franchisor**”) dated on the date set out in Item 1 of the Summary Addendum (“**Agreement**”) will be amended by the addition of the following language, which will be considered an integral part of the Agreement (“**Amendment**”):

**CALIFORNIA LAW MODIFICATIONS**

1. The California Department of Business Oversight requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 *et seq.*, and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 *et seq* (collectively, the “**Act**”). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. The Agreement requires franchisee to execute a general release of claims upon renewal or transfer of the franchise agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043)).
- b. California Business and Professions Code Sections 20000 through 20043 provides rights to Franchisee concerning termination, transfer, or non-renewal of a franchise. If the Agreement contains a provision that is inconsistent with California law, California law will control.
- c. The Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 *et seq.*).
- d. The Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
- e. The Agreement requires application of the laws of Texas. This provision may not be enforceable under California law.
- f. The Franchise Agreement contains a liquidated damages clause. Under California Civil Code §1671, certain liquidated damages clauses are unenforceable.
- g. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Each provision of this Amendment is effective only to the extent that the jurisdictional requirements of the Act, with respect to each such provision, are met independent of this Amendment. This Amendment will have no force or effect if such jurisdictional requirements are not met.

IN WITNESS WHEREOF, Franchisee on behalf of itself and its owners, acknowledges that it has read and understands the contents of this Amendment, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this Amendment and be bound thereby. FRANCHISE AGREEMENT**

**FOR THE STATE OF MARYLAND**

The F45 Training Incorporated Franchise Agreement between the party named in Item 2 of the Summary Addendum (“**Franchisee**” or “**You**”) and F45 Training Incorporated (“**Franchisor**”) dated on the date set out in Item 1 of the Summary Addendum (“**Agreement**”) will be amended by the addition of the following language, which will be considered an integral part of the Agreement (“**Amendment**”):

The limitation on the period of time mediation and/or litigation claims must be brought will not act to reduce the 3-year statute of limitations afforded Franchisee for bringing a claim arising under the Law. Any claims arising under the Law must be brought within 3 years after the grant of the franchise.
- d. The Federal Bankruptcy laws may not allow the enforcement of the provisions for termination upon bankruptcy of the franchisee.
- e. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Section 20 of the Agreement, under the heading “Franchisee’s Acknowledgments,” is modified as described below.

- a. Sections 20.A, 20.B, and 20.D are hereby deleted in their entirety.
- b. Section 20.C is hereby deleted in its entirety and replaced by the following new Section 20.C:

20.C **FTC Rule Compliance.** Franchisee acknowledges that it received a copy of Franchisor’s disclosure document required by the Federal Trade Commission’s Franchise Trade Regulation Rule (16 C.F.R. Part 436) and applicable state laws at least 14 days prior to signing the Franchise Agreement.

3. Based upon franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

4. Each provision of this Amendment will be effective only to the extent that the jurisdictional requirements of the Law, with respect to each such provision, are met independent of this Amendment. This Amendment will have no force or effect if such jurisdictional requirements are not met.

**AMENDMENT TO THE F45 TRAINING INCORPORATED  
FRANCHISE AGREEMENT AND FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF MINNESOTA**

The F45 Training Incorporated Franchise Agreement between the party named in Item 2 of the Summary Addendum (“**Franchisee**” or “**You**”) and F45 Training Incorporated (“**Franchisor**”) dated on the date set out in Item 1 of the Summary Addendum (“**Agreement**”) will be amended by the addition of the following language, which will be considered an integral part of the Agreement (“**Amendment**”):

**MINNESOTA LAW MODIFICATIONS**

1 The Commissioner of Commerce for the State of Minnesota requires that certain provisions contained in franchise documents be amended to be consistent with Minnesota Franchise Act, Minn. Stat. Section 80C.01 *et seq.*, and with the rules and regulations promulgated thereunder (collectively, “**Franchise Act**”). To the extent the Agreement/and or disclosure document contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. The Minnesota Department of Commerce requires Franchisor to indemnify Franchisee against liability to third parties for infringement resulting from Franchisee’s use of the trademarks licensed under the Agreement to the extent required by Minnesota law. Franchisor will not indemnify Franchisee against third-party liability for trademark infringement. Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.
- b. Sec. 80C.14, Subd. 4 of the Franchise Act requires, except in certain specified instances, that Franchisor give Franchisee written notice of our intention not to renew the franchise 180 days before the franchise expires. Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.
- c. Sec. 80C.14, Subd. 3 of the Franchise Act requires, except in certain specified instances, that we give you 90 days notice of termination (with 60 days to cure). Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.
- d. To the extent Franchisee is required to execute a general release in Franchisor’s favor, such release will exclude liabilities arising under the Franchise Act or a rule or any order promulgated thereunder.
- e. If the Agreement requires that it be governed by the laws of a state other than the state of Minnesota, or if the Agreement requires arbitration or mediation, those provisions will not in any way abrogate or reduce any rights of Franchisee, as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.
- f. Any provision that requires Franchisee to consent to a claims period that differs from the applicable statute of limitations period under Minn. Stat § 80C.17, Subd. 5. may not be enforceable under Minnesota.
- g. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Minn. Stat. §80C.21 and Minn. Rule 2860.4400J prohibit Franchisor from requiring litigation to be conducted outside Minnesota. In addition, nothing in the disclosure document or Agreement can abrogate or reduce any of Franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C, including Franchisee’s rights to any procedure, forum, or remedies provided for in such law.

3. All sections of the Agreement referencing Franchisor’s right to obtain injunctive relief are hereby amended to refer to Franchisor’s right to seek to obtain.

4. Each provision of this Agreement will be effective only to the extent that the jurisdictional requirements of Minnesota law applicable to the provision are met independent of this Amendment. This Amendment will have no force or effect if such jurisdictional requirements are not met.

IN WITNESS WHEREOF, Franchisee on behalf of itself and its owners, acknowledges that it has read and understands the contents of this Amendment, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this Amendment and be bound thereby. The F45 Training Incorporated Franchise Agreement between the party named in Item 2 of the Summary Addendum (“**Franchisee**” or “**You**”) and F45 Training Incorporated (“**Franchisor**”) dated on the date set out in Item 1 of the Summary Addendum (“**Agreement**”) will be amended by the addition of the following language, which will be considered an integral part of the Agreement (“**Amendment**”):

**NEW YORK LAW MODIFICATIONS**

1. The New York Department of Law requires that certain provisions contained in franchise documents be amended to be consistent with New York law, including the General Business Law, Article 33, Sections 680 through 695 (“**Law**”). - a. If Franchisee is required in the Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation, or action that would violate the Law, regulation, rule, or order under the Law, such release will exclude claims arising under the Law and the regulations promulgated thereunder, and such acknowledgments will be void. It is the intent of this provision that non-waiver provisions of Sections 687.4 and 687.5 of the General Business Law be satisfied.

**NORTH DAKOTA LAW MODIFICATIONS**

1. The North Dakota Securities Commissioner requires that certain provisions contained in franchise documents be amended to be consistent with North Dakota law, including the North Dakota Franchise Investment Law, North Dakota Century Code Annotated Chapter 51-19, Sections 51-19-01 through 51-19-17. Arbitration involving a franchise purchased in the State of North Dakota must be held either in a location mutually agreed upon prior to the arbitration or if the parties cannot agree on a location, the location will be determined by the arbitrator.
- f. If the Agreement requires payment of a termination penalty, the requirement may be unenforceable under the North Dakota Franchise Investment Law.
- g. Any provision that provides that the parties waive their right to a jury trial may not be enforceable under North Dakota law.

- j. **Limitation of Claims:** Franchise Agreements that require the franchisee to consent to a limitation of claims. The statute of limitations under North Dakota law applies.
- k. **Enforcement of Agreement:** Franchise Agreements that require the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement. The prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

The Virginia Division of Securities and Retail Franchising requires that certain provisions contained in franchise documents be amended to be consistent with Virginia law, including the Virginia Retail Franchising Act, Va. Code §§13.1-557 – 13.1-574 (“**Act**”). To the extent that this Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

a. Any provision in any of the contracts that you sign with us which provides for termination of the franchise upon the bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. 101 et. seq.).

b. “According to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. c. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. **AMENDMENT TO THE F45 TRAINING INCORPORATED  
FRANCHISE AGREEMENT**

**FOR THE STATE OF WASHINGTON**

The F45 Training Incorporated Franchise Agreement between the party named in Item 2 of the Summary Addendum (“**Franchisee**” or “**You**”) and F45 Training Incorporated (“**Franchisor**”) dated on the date set out in Item 1 of the Summary Addendum (“**Agreement**”) will be amended by the addition of the following language, which will be considered an integral part of the Agreement (“**Amendment**”):

**WASHINGTON LAW MODIFICATIONS**

1. The Director of the Washington Department of Financial Institutions requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 to 19.100.940 (“**Act**”). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. The Act provides rights to Franchisee concerning nonrenewal and termination of the Agreement. If the Agreement contains a provision that is inconsistent with the Act, the Act will control.
- b. If Franchisee is required in the Agreement to execute a release of claims, such release will exclude claims arising under the Act; except when the release is executed under a negotiated settlement after the Agreement is in effect and where the parties are represented by independent counsel.
- c. If there are provisions in the Agreement that unreasonably restrict or limit the statute of limitations period for claims brought under the Act, or other rights or remedies under the Act, those provisions may be unenforceable.
- d. If the Agreement requires litigation, arbitration, or mediation to be conducted in a forum other than the state of Washington, the requirement may be unenforceable under Washington law. Arbitration involving a franchise purchased in the state of Washington, must either be held in the state of Washington or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.
- e. If the Agreement requires that it be governed by the law of a state, other than the state of Washington, and if there is a conflict between the law and the Act, the Act will control.
- f. Transfer fees are collectable to the extent they reflect Franchisor’s reasonable estimated or actual costs in effecting a transfer.
- g. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor’s current and former franchisees to ask them about their experience with the franchisor.
- h. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchisee,

seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

3. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Each provision of this Amendment will be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independent of this Amendment. This Amendment will have no force or effect if such jurisdictional requirements are not met.

IN WITNESS WHEREOF, Franchisee on behalf of itself and its owners, acknowledges that it has read and understands the contents of this Amendment, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this Amendment and be bound thereby.   - c. such liability will not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; and
  - d. such liability will not be diminished, relieved or otherwise affected by any subsequent rider or amendment to the Franchise Agreement or by any extension of time, credit or other indulgence that Franchisor may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable throughout the term of the Franchise Agreement and for so long thereafter as there are any monies or obligations owing by Franchisee to Franchisor under the Franchise Agreement; and
  - e. Franchisee's written acknowledgment, accepted in writing by Franchisor, or the judgment of any court or arbitration panel of competent jurisdiction establishing the amount due from Franchisee will be conclusive and binding on the undersigned as Guarantors.
7. Notwithstanding Section 2. of this Guaranty, each Guarantor also makes all of the covenants, representations, warranties, and agreements of the Principals set forth in the Franchise Agreement and is obligated to perform thereunder, including, without limitation, under Sections 6., 9., 10., 14., 15., 18., and 19.G. through 19.N. **SECTION 19.L. Franchisor has granted Franchisee the right to operate a F45 Studio pursuant to the Franchise Agreement.

In connection with his or her duties, it will be necessary for Covenantor to have access to some or all of the Confidential Information.

Franchisor and Franchisee have agreed on the importance of restricting the use, access and dissemination of the Confidential Information, and Franchisee therefore has agreed to obtain from Covenantor a written agreement protecting the Confidential Information and further protecting the System against unfair competition.

Covenantor acknowledges that receipt of and the right to use the Confidential Information constitutes independent valuable consideration for the representations, promises and covenants made by Covenantor herein.

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

#### Confidentiality Agreement

1. Covenantor will, at all times, maintain the confidentiality of the Confidential Information and will use such Confidential Information only in the course of his or her employment by or association with Franchisee in connection with the operation of a F45 Studio under the Franchise Agreement.
2. Covenantor will not at any time make copies of any documents or compilations containing some or all of the Confidential Information without Franchisor’s express written permission.

3. Covenantor will not at any time disclose or permit the disclosure of the Confidential Information except to other employees of Franchisee and only to the limited extent necessary to train or assist other employees of Franchisee in the operation of the Studio.

4. Covenantor will surrender any material containing some or all of the Confidential Information to Franchisee or Franchisor, upon request, or upon termination of employment by Franchisee.

5. Covenantor will not at any time, directly or indirectly, do any act or omit to do any act that would or would likely be injurious or prejudicial to the goodwill associated with the System.

6. Covenantor acknowledges that all Manuals are loaned by Franchisor to Franchisee for limited purposes only and remain the property of Franchisor. Covenantor agrees that no Manuals may be reproduced, in whole or in part, without Franchisor's written consent.

### **Covenants Not to Compete**

In order to protect the goodwill of the System, and in consideration for the disclosure of the Confidential Information to Covenantor, Covenantor agrees that, during the term of his or her association with or employment by Franchisee, and for a period of two years following the earlier of (i) the termination thereof, or (ii) the termination, expiration, or transfer of Franchisee's interest in the Franchise Agreement, Covenantor will not, without Franchisor's prior written consent or as permitted under valid Franchise Agreements for F45 Studios:

a. Directly or indirectly divert, or attempt to divert any business opportunity or customer of the Studio to any competitor; and

b. Directly or indirectly, for himself or through, on behalf of, or in conjunction with any other person, persons, partnership, corporation, limited liability company, or other association, or entity, own, maintain, operate, engage in or have any financial or beneficial interest in, advise, assist or make loans to, any business which is the same as or similar to a F45 Studio (including, without limitation, a fitness business or a business which offers exercise classes or physical training; gym services; crossfit or resistance training; yoga; pilates; cycling; Zumba® or other dance fitness classes; martial or mixed martial arts; boxing; fitness boot camps) or any business that offers prepared meals or protein or other nutritional supplements that are the same as or similar to the meals and supplements Franchisee is required under the Franchise Agreement to offer in connection with the Studio and which is, or is intended to be, located within the Protected Area or within a five-mile radius of any F45 Studio then in existence or under construction.

### **Principal's Undertaking**

If Covenantor is also a Principal, as that term is defined in the Franchise Agreement, then Covenantor also makes all of the covenants, representations, warranties, and agreements of the Principals set forth in Sections 14., 15., and 19.G. through 19.N. of the Franchise Agreement and is obligated to perform thereunder.

### **Miscellaneous**

1. Franchisee will make all commercially reasonable efforts to ensure that Covenantor acts as required by this Agreement.

2. Covenantor agrees that:

a. Each of the covenants herein contain reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The time periods relating to the obligations set forth in this Agreement will be tolled for any period of non-compliance.

b. Each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held

unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a party, Covenantor will be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

c. In the event of a breach of this Agreement, Franchisor would be irreparably injured and without an adequate remedy at law and, therefore, upon any such breach or attempted breach of any provision hereof, Franchisor will be entitled, in addition to any other remedies which it may have at law or in equity, to a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security.

3. Covenantor agrees to pay all expenses (including court costs and reasonable attorneys' fees and costs) incurred by Franchisor and Franchisee in enforcing this Agreement.

4. Any failure by Franchisor or the Franchisee to object to or take action with respect to any breach of any provision of this Agreement by Covenantor will not operate or be construed as a waiver of or consent to that breach of any subsequent breach by Covenantor.

**5. THIS AGREEMENT IS GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT REFERENCE TO TEXAS CONFLICT OF LAW PRINCIPLES. COVENANTOR HEREBY IRREVOCABLY SUBMITS HIMSELF TO THE JURISDICTION OF THE STATE AND FEDERAL DISTRICT COURTS LOCATED IN THE STATE, COUNTY OR JUDICIAL DISTRICT IN WHICH THE FRANCHISOR'S PRINCIPAL PLACE OF BUSINESS IS LOCATED. COVENANTOR HEREBY WAIVES ALL QUESTIONS OF PERSONAL JURISDICTION OR VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION. COVENANTOR HEREBY AGREES THAT SERVICE OF PROCESS MAY BE MADE UPON HIM IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT BY ANY MEANS ALLOWED BY TEXAS OR FEDERAL LAW. COVENANTOR FURTHER AGREES THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT WILL BE THE COUNTY OR JUDICIAL DISTRICT IN WHICH THE FRANCHISOR'S PRINCIPAL PLACE OF BUSINESS IS LOCATED; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR OR FRANCHISEE MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE WHICH HAS JURISDICTION.**

**6. THE PARTIES TO THIS AGREEMENT HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, INVOLVING FRANCHISOR, WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THE FRANCHISE AGREEMENT OR THIS AGREEMENT.**

7. Franchisor is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with Franchisee. Due to the importance of this Agreement to Franchisor and Franchisee, any claim Covenantor has against Franchisee or Franchisor is a separate matter and does not entitle Covenantor to violate or justify any violation of this Agreement.

8. This Agreement contains the entire agreement of the parties regarding the subject matter hereof. This Agreement may be modified only by a duly authorized writing executed by all parties.

Any and all notices required or permitted under this Agreement must be in writing and must be personally delivered or mailed by expedited delivery service or certified or registered mail, return receipt requested, first-class postage prepaid, or sent by electronic mail to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other parties.

## ATTACHMENT D

### LEASE ADDENDUM TERMS

(a) Landlord acknowledges that Tenant is a franchisee of F45 Training Incorporated, a Delaware corporation (“**Franchisor**”), and that the Studio located at the Premises (“**Unit**”) is operated under the F45 Studio franchise system, pursuant to a franchise agreement (“**Franchise Agreement**”) between Tenant and Franchisor. Landlord consents to Tenant’s use at the Premises of such marks and signs, decor items, color schemes, and related components of the F45 Studio system as Franchisor may prescribe for the Unit. During the Term of the Franchise Agreement, the Premises may be used only for the operation of the Unit.

(b) Landlord agrees to furnish to Franchisor copies of any and all letters and notices sent to Tenant pertaining to the Lease and the Premises at the same time that such letters and notices are sent to Tenant. Without limiting the foregoing, in the event of any default by Tenant, Landlord must give Franchisor written notice of such default. If Tenant has failed to cure such default at the expiration of the applicable cure period, Landlord must give Franchisor further written notice of such failure (“**Franchisor Notice**”). Following Franchisor’s receipt of the Franchisor Notice, Franchisor will have the right (but not the obligation) to cure Tenant’s default before Landlord exercises any of Landlord’s remedies arising as a consequence of Tenant’s default. Any such cure must be effected within 15 days following Franchisor’s receipt of the Franchisor Notice. Such cure by Franchisor will not be deemed to be an election to assume the terms, covenants, obligations, and conditions of the Lease.

(c) If Franchisor cures Tenant’s default, or if Franchisor notifies Landlord that the Franchise Agreement has been terminated (which termination will constitute a non-curable default pursuant to the Lease upon Landlord’s receipt of Franchisor’s notice thereof), Landlord agrees, upon Franchisor’s written request, to assign to Franchisor any and all rights that Landlord may have under the Lease to remove and evict Tenant from the Premises and will cooperate with Franchisor in order to pursue such action to a conclusion.

(d) If Franchisor cures Tenant’s default or notifies Landlord of the termination of the Franchise Agreement, Franchisor will have the right and option, upon written notice to Landlord, to do the following:

1. Undertake to perform the terms, covenants, obligations, and conditions of the Lease (including paying rent and all other amounts due under the terms of the Lease) on behalf of the Tenant (notwithstanding any removal or eviction of Tenant) for a period not to exceed six months from the first date of any cure by Franchisor, which performance will not be deemed to be an automatic assumption or guaranty of the Lease; or

2. At any time within or at the conclusion of such six-month period, assume the terms, covenants, obligations, and conditions of the Lease for the remainder of the term, together with any applicable renewal options. In such event, Landlord and Franchisor will enter into an agreement to document such assumption. Franchisor is not a party to the Lease and will have no liability under the Lease unless and until said Lease is assigned to, and assumed by, Franchisor as herein provided.

(e) If, during the six-month period set forth in Section (d)(1) above, or at any time after the assignment contemplated in Section (d)(2), Franchisor notifies Landlord that the franchise for the Unit is being granted to another F45 Studio franchisee, Landlord will permit the assignment of the Lease to said franchisee without the payment of any fee or other cost requirement, provided that said franchisee meets Landlord’s reasonable financial qualifications. Landlord will not unreasonably delay or withhold consent to such assignment. Thereafter, Franchisor will be released from any and all further liabilities under the Lease. The parties agree to execute any commercially reasonable documents in furtherance of this section.

(f) Tenant will not assign the Lease or renew or extend the term thereof without the prior written consent of Franchisor, nor will Landlord and Tenant amend or otherwise modify the Lease in any manner that could materially affect any of the foregoing requirements without the prior written consent of Franchisor.

(g) Franchisor has the right to enter the Premises to make any modification or alteration necessary to protect the F45 Studio system and marks or to cure any default under the Franchise Agreement or under the Lease, without being guilty of trespass or any other crime or tort. Landlord will not be responsible for any expenses or damages arising from any such action by Franchisor. Tenant hereby releases, acquits and discharges Franchisor and Landlord, their respective subsidiaries, affiliates, successors, and assigns and the officers, directors, shareholders, partners, employees, agents, and representatives of each of them, from any and all claims, demands, accounts, actions, and causes of action, known or unknown, vested or contingent, which any of them may have, ever had, now has, or may hereafter have by reason of any event, transaction, or circumstance arising out of or relating to the exercise of Franchisor's rights pursuant to the Addendum.

(h) Tenant and Landlord acknowledge and agree that the obligations of Franchisor are strictly limited to the express obligations set out in this Lease Addendum, as originally written. If Tenant and Landlord amend this Lease Addendum in any way, Franchisor will not be bound by such amendments unless such amendments have been provided to Franchisor in advance, in writing, and Franchisor has signed such amendment.

(i) All notices sent pursuant to this Addendum must be sent in the manner set forth in the Lease, and delivery of such notices will be effective as of the times provided for in the Lease. For purposes of notice under the Lease, Franchisor's mailing address is F45 Training Incorporated, Attention: Legal, 3601 South Congress Ave, Building E, Austin, Texas 78704, which address may be changed by written notice to Landlord in the manner provided in the Lease.

F45 TRAINING INCORPORATED  
FRANCHISE AGREEMENT**

The following supplements Section 7.D.(2) of the Franchise Agreement:

1. Sourcing of Equipment. In addition to the obligations set forth in Section 7.D. of this Agreement, Franchisee must purchase the Equipment Pack from Franchisor and pay all Taxes in connection with the sale or supply of the Equipment Pack. The Equipment Pack will contain the equipment, inventory, goods, accessories, furnishings, fixtures, merchandise, and signage listed in the Schedule 1, hereto, and Franchisee will purchase the Equipment Pack on the terms and conditions set out below.

(i) Price of Equipment Pack and Delivery Costs. Franchisee must pay the price for the Equipment Pack as set forth in **Item 9** of the Summary Addendum (“Price”) on the date specified. Franchisee is solely responsible for any Taxes associated with the purchase and delivery of the Equipment Pack, including any sales or vendor Tax. If Franchisor is liable to pay any Taxes (including vendor tax or goods and services Tax) in relation to the sale or supply of the Equipment Pack, or any other item of equipment, then Franchisee must pay, in addition to the Price and when billed by Franchisor, an amount equal to such Tax liability.

(ii) Title. Title in and to the Equipment Pack passes to Franchisee immediately upon payment of the Price.

(iii) Storage. If Franchisee is unable to take delivery of the Equipment Pack following payment, Franchisee must pay the storage costs Franchisor incurs to store the Equipment Pack until such time that Franchisee is able to take delivery of the Equipment Pack. The current cost of storage is approximately \$600 per month. Franchisee acknowledges and agrees that title for the Equipment Pack pass to the Franchisee upon payment and that the Equipment Pack may take up to 60 days to deliver after it is shipped.

(iv) Acknowledgments. Franchisee acknowledges and agrees that:

(A) the Equipment Pack contains some, but not all, of the equipment, inventory, goods, furnishings, and fixtures Franchisee must acquire in order to operate the Studio;

(B) Franchisor may amend or vary the items in the Equipment Pack, including the quantity of those items, from time to time;

(C) Franchisor may increase the prices of the Equipment Pack where the costs of supply of the Equipment Pack have increased;

(D) without limiting Section 1.(iv)(B) above, Franchisee acknowledges and agrees that the Equipment Pack set out in this Addendum is indicative only and that the actual items which are supplied to Franchisee may vary depending upon Franchisor’s then-current requirements for operating an F45 Studio. Without limiting the foregoing, Franchisee acknowledges and agrees that: (x) the apparel and merchandise, including Branded Products; and (y) the marketing and promotional material, may vary, however Franchisor will endeavour to substitute any items with goods, materials, or equipment of a similar value or quantity; and

(E) where the Equipment Pack does not contain an item necessary to conduct the franchised business (as set out in the Manuals), Franchisee must independently acquire such item(s), subject to the terms and conditions of the Franchise Agreement.

(v) Delivery. Franchisor is responsible for all costs, including shipping and delivery costs, duties, excise, charges, and insurance associated with delivering the Equipment Pack to Franchisee.

(vi) Timeframe for Delivery. Franchisee acknowledges and agrees that Franchisor has not warranted, represented, or guaranteed a timeframe for the delivery of the Equipment Pack and that

Franchisor will not be liable for any claims, loss, damage, or liability associated with a delay in the delivery of the Equipment Pack.

(vii) **Risk**. Unless expressly agreed otherwise in writing, all risk and liability arising from or in connection with the contents of the Equipment Pack and the installation and operation thereof passes to Franchisee upon payment of the Price by the Franchisee.

(viii) **Warranties**. To the maximum extent permitted by law, except for any express manufacturer's warranty provided in relation to any item included in the Equipment Pack, the Franchise Agreement does not include by implication any other term, condition, or warranty in respect of the quality, merchantability, acceptability, fitness for purpose, condition, description, assembly, manufacture, design, or performance of an item contained in the Equipment Pack or any contractual remedy for the failure of any such item(s).

(ix) **Liability**. To the maximum extent permitted by law, and notwithstanding anything to the contrary set forth in the Franchise Agreement, Franchisor is not liable for any punitive, exemplary, incidental, indirect, special, consequential, or other similar damages, losses, or expenses suffered by Franchisee or any third party, including but not limited to loss of turnover, profits, business, or goodwill or any liability to any other party, in relation to any damaged, faulty, or defective item (each and collectively, "Defect") in the Equipment Pack, howsoever caused and regardless of when such Defect occurred, including without limitation Defects resulting from:

- (A) intentional or reckless damage to an item in the Equipment Pack by any person;
- (B) an item in the Equipment Pack not be used in the manner intended;
- (C) Franchisee's failure to maintain or store correctly an item in the Equipment Pack; or
- (D) normal wear and tear.

(x) **Repair or Replacement**. Notwithstanding anything to the contrary in the Franchise Agreement, to the maximum extent permitted by law, and to the extent that Franchisor is liable for Defects in the Equipment Pack, and to the extent that Defects are not covered by a manufacturer's warranty, the remedies available to Franchisee are limited to the following, at Franchisor's sole discretion):

- (A) Franchisor will arrange and pay for the repair or replacement of such item; or
- (B) Franchisee will arrange for the repair or replacement of such item and Franchisor will pay for such repair or replacement.

**ADDENDUM TO F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF CALIFORNIA**

1. The California Department of Business Oversight requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq. To the extent that the Disclosure Document/and or Franchise Agreement contain provisions that are inconsistent with the following, such provisions are hereby amended:

A. Item 3 of the Disclosure Document is supplemented by the following language:

Neither we nor any person or franchise broker in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A.78a et seq., suspending or expelling such persons from membership in such association or exchange.

B. Item 17 of the Franchise Disclosure Document is supplemented by the following language:

a. California Business and Professions Code Sections 20000 through 20043 provides rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

b. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

c. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

d. The franchise agreement requires application of the laws of Texas. This provision may not be enforceable under California law.

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

3. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT AT [www.dbo.ca.gov](http://www.dbo.ca.gov).

4. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH A COPY OF THE DISCLOSURE DOCUMENT.

5. Corporations Code 31512 provides that: “Any conditions, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of this law or any rule or order hereunder is void.” The franchise agreement requires a shortened status of limitations period. Pursuant to Corporations Code Section 31512, this provision is void, to the extent that it is inconsistent with the provisions of Corporations Code Sections 31303 and 31304.

6. You must sign a general release if you renew or transfer your franchise. California Corporations Code

Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

7. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF HAWAII**

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF REGULATORY AGENCIES COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF REGULATORY AGENCIES COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE FRANCHISE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS FRANCHISE DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF ILLINOIS**

1. Illinois law governs the agreements between the parties to this franchise.
2. On May 18, 2022, we entered into an Assurance of Voluntary Compliance (“AVC”) with the Office of the Attorney General of Illinois (“IL AG”) (*In the Matter of F45 Training Incorporated*). We did so to resolve an inquiry instituted by the IL AG, and did not admit or deny any liability or violation of law. The IL AG alleged that we failed to timely amend our franchise disclosure document between January 30, 2018 and April 23, 2018. In connection with the execution of the AVC, we agreed to pay the State of Illinois \$4,000, and to offer rescission to all Illinois franchisees that purchased a franchise during the period described above. We are aware of only one such franchisee. The AVC states that “nothing herein shall be deemed a finding of fact with respect to the Allegations of Fact or an adjudication of the Allegations of Violations.”
3. Section 4 of the Illinois Franchise Disclosure Act provides that any provision in a franchise agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a franchise agreement may provide for arbitration in a venue outside of Illinois.
4. Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law or Illinois is void.
5. Your rights upon termination and non-renewal of a Franchise Agreement are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure act.
6. Each provision of this addendum shall be effective only to the extent that the jurisdictional requirements of the Illinois Franchise Disclosure Act, with respect to each such provision, are met independent of this addendum. This addendum shall have no force or effect if such jurisdictional requirements are not met.
7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF MARYLAND**

1. Item 5 is revised to include the following:

Based upon franchisor’s financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.
2. The Summary column for Item 17v., “Choice of Forum,” is amended as follows:

“A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law (the “Law”). Except for any rights a franchisee has under the law to bring suit in Maryland for claims arising under the Law, mediation of disputes which are subject to mediation will be held at our corporate headquarters. Except as otherwise required by the Law, venue for all proceedings arising under the Franchise Agreement is the state, county or judicial district where our principal place of business is located, unless otherwise brought by us.”
3. Item 17c., “Requirements for you to renew or extend” and Item 17m. “Conditions for our approval of transfer” are amended by the addition of the following:

“The Code of Maryland Regulations COMAR 02.02.08.16L., states that a general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law. This may affect the enforceability of certain provisions in the Franchise Agreement relating to renewal, sale, assignment, or transfer of the Franchise Agreements.”
4. Item 17 is amended to add the following note at the end of that Item:

“The limitations of claims provision in the Franchise Agreement (Section 19.N.) will not act to reduce the 3-year statute of limitations period afforded a franchisee under Section 14-227(e) of the Maryland Franchise Registration and Disclosure Law (“**Law**”) for claims arising under the Law.”
5. The following is added as the last paragraph of Item 17:

“A provision in the Franchise Agreement which terminates the agreement upon your bankruptcy may not be enforceable under Title 11, United States Code Section 101.”
6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF MINNESOTA**

1. The following is added to Item 13 of the disclosure document:

We will protect your right to use the trademarks, service marks, trade names, logos, or other commercial symbols or will indemnify you against any liability to third parties for infringement resulting from your use of the trademarks licensed under the franchise agreement to the extent required by Minnesota law. We will not indemnify you against third-party liability for trademark infringement. Minnesota considers it unfair for franchisors not to protect the franchisee's right to use the trademarks. Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.

2. The following is added to Item 17 of the disclosure document:

Sec. 80C.14, Subd. 4 of the Minnesota Franchises Act requires, except in certain specified instances, that we give you written notice of our intention not to renew the franchise 180 days before the franchise expires. Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.

Sec. 80C.14, Subd. 3 of the Minnesota Franchises Act requires, except in certain specified instances, that we give you 90 days notice of termination (with 60 days to cure). Requirements imposed under the Minnesota Franchises Act will supersede inconsistent provisions contained in the Agreement.

3. To the extent you are required to execute a general release in our favor, such release will exclude liabilities arising under the Minnesota Franchises Act or a rule or any order promulgated thereunder.

4. Sec. 80C.17, Subd. 5 of the Minnesota Franchises Act provides that no action may be commenced thereunder more than 3 years after the cause of action accrues.

5. Sec. 80C.21 of the Minnesota Franchises Act and Minn. Rules 2860.4400(J) prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, including your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

6. All sections of the disclosure document referencing Franchisor's right to obtain injunctive relief are hereby amended to refer to Franchisor's right to seek to obtain.

7. Each provision of this addendum is effective only to the extent that the jurisdictional requirements of the laws described above, with respect to each provision of the law, are met independent of this addendum. This addendum will have no force or effect if such jurisdictional requirements are not met.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under

any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF NEW YORK**

1. The following information is added to the cover page of the Franchise Disclosure Document:

**INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT E OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.**

2. The following is to be added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or

department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17©, titled “**Requirements for franchisee to renew or extend,**” and Item 17(m), entitled “**Conditions for franchisor approval of transfer**”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “**Termination by franchisee**”: You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “**Choice of forum**”, and Item 17(w), titled “**Choice of law**”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT  
FOR THE STATE OF NORTH DAKOTA**

In recognition of the restrictions contained in N.D. Cent. Code, §§51-19-01 – 51-19-17 of the North Dakota Franchise Investment Law, the terms of this Addendum apply.

Item 17 of the Franchise Disclosure Document for F45 Training Incorporated is supplemented by the following:

Any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota may be unenforceable under North Dakota law. Any mediation or arbitration will be held at a site agreeable to all parties. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.

Any general release the franchisee is required to assent to as a condition of renewal is not intended to nor shall it act as a release, estoppel or waiver of any liability franchisor may have incurred under the North Dakota Franchise Investment Law.

Covenants not to compete during the term of and upon termination or expiration of the franchise agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The Franchise Agreement includes a waiver of exemplary and punitive damages. This waiver may not be enforceable under North Dakota law.

The Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by franchisor in enforcing the agreement. For North Dakota franchisees, the prevailing party is entitled to recover all costs and expenses, including attorneys' fees.

The Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. This waiver may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement state that franchisee must consent to the jurisdiction of courts outside that State of North Dakota. That requirement may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement may require franchisees to consent to termination or liquidated damages. This requirement may not be enforceable under North Dakota law.

The Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. To the extent this requirement conflicts with North Dakota law, North Dakota law will apply.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming

reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**FOR THE STATE OF VIRGINIA**

1. In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, Item 17h. of the Franchise Disclosure Document for F45 Training Incorporated is supplemented by the following:

Any provision in any of the contracts that you sign with us which provides for termination of the franchise upon the bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. 101 et. seq.).

“According to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.”

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE F45 TRAINING INCORPORATED  
FRANCHISE DISCLOSURE DOCUMENT**

**FOR THE STATE OF WASHINGTON**

1. The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

2. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

3. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

4. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

5. Each provision of this addendum shall be effective only to the extent that the jurisdictional requirements of the Washington Franchise Investment Protection Act, with respect to each such provision, are met independent of this addendum. This addendum shall have no force or effect if such jurisdictional requirements are not met.

6. No Poach Investigation. *In re: Franchise No Poaching Provisions*, No. 19-2-26744-5 SEA

On October 11, 2019, F45 Training Incorporated ("F45") entered into an Assurance of Discontinuance (AOD) with the Attorney General for the State of Washington. In August 2019, the Washington State Attorney General had initiated an investigation into F45 relating to its use of certain language in its franchise agreements that restricted a franchisee's ability to solicit or hire workers from another F45 franchisee. The Attorney General alleged that the so-called "no-poach" provisions violated Washington state anti-trust laws. By entering into the AOD, F45 admitted no wrongdoing, and stated that it will no longer include such no-poaching provisions in any of its future franchise agreements in the United States. It also agreed to exercise all reasonable commercial efforts to amend its franchise agreements in the State of Washington to remove such no-poach provisions, and not to enforce the provision in legacy agreements while it removed the language from agreements in the ordinary course of ongoing activities and/or transactions with franchisees. No damages, costs, fines, or penalties were levied as part of the AOD.

7. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of F45 Training Incorporated

### Opinion

We have audited the consolidated financial statements of F45 Training Incorporated (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations, changes in stockholder's equity, and cash flows for the years ended December 31, 2023, 2022, and 2021 and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter

As described in Note 1 to the accompanying financial statements, the financial statements have been prepared from the separate records maintained by the Company and may not be indicative of the conditions that would have existed if the Company had been operated as an unaffiliated Company of F45 Training Holdings, Inc. Our opinion is not modified with respect to this matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Basis of presentation***

The accompanying consolidated financial statements and related notes to the consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles (“GAAP”). The accompanying consolidated financial statements reflect all normal recurring adjustments which are considered necessary for the fair presentation of the financial position of the Company as of December 31, 2023 and 2022. The accompanying consolidated financial statements have been prepared from the separate records maintained by the Company and may not be indicative of the conditions that would have existed if the Company had been operated as an unaffiliated Company of F45 Training Holdings, Inc. All intercompany balances and transactions have been eliminated in consolidation.

***Going concern***

The accompanying consolidated financial statements are prepared in accordance with GAAP applicable to a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

The Company has experienced recurring net losses and negative cash flows from operations. The Company currently funds its operations primarily from cash on hand, operating cash flow and contributions from its Parent. The Company does not have access to a credit facility and cash held by the Company is subject to distribution to the Parent at the discretion of the Parent, which is outside of the Company’s control. The Company has determined that these circumstances represent conditions regarding the Company’s ability to continue as a going concern before consideration of management’s plans.

In response to these conditions, the Company plans to obtain additional contributions from the Parent and has obtained a support letter representing the Parent’s intent to provide financial support to the Company

through at least one year and one day beyond the date that the financial statements were issued. As a result, the Company's management believes that the Company will be able to continue as a going concern for at least twelve months from the date these consolidated financial statements were issued. The consolidated financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might result from the outcome of this uncertainty.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Use of estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

Key estimates and judgments relied upon in preparing these financial statements include revenue recognition, allowance for doubtful accounts, depreciation of long-lived assets, internally developed software, amortization of intangible assets, valuation of inventory, and accounting for income taxes. The Company bases its estimates on historical experience and various other assumptions that the Company believes to be reasonable. Actual results could differ from these estimates.

### *Cash and cash equivalents*

Cash and cash equivalents consist of bank deposits. The Company holds cash and cash equivalents at major financial institutions, which often can exceed insured limits. Historically, the Company has not experienced any losses due to such bank depository concentration.

### *Accounts receivable and credit losses*

Accounts receivable is primarily comprised of amounts owed to the Company resulting from fees due from franchisees. The Company evaluates its accounts receivable on an ongoing basis and establishes an allowance for estimated credit losses based on historical collections, age of receivable balances, the customer's financial condition, and current economic trends, all of which are subject to change. Accounts receivable due greater than one year from the balance sheet date are included in Other long-term assets. Accounts receivable are written off as uncollectible when it is determined that further collection efforts will be unsuccessful.

The change in allowance for doubtful accounts is as follows:

	<b>For the Year Ended December 31,</b>	
	<b>2023</b>	<b>2022</b>
Balance as of beginning of the year	\$ 10,230,273	\$ 4,247,701
Provisions for bad debts, included in Selling, general and administrative	1,844,392	19,985,212
Uncollectible receivables written off	(6,576,363)	(14,002,640)
Balance as of end of the year	<u>\$ 5,498,302</u>	<u>\$ 10,230,273</u>

None of the Company's customers accounted for more than 10% of the Company's gross accounts receivable as of December 31, 2023 and 2022.

None of the Company's customers accounted for more than 10% of the Company's total revenues for the year ended December 31, 2023. During the year ended December 31, 2022, one customer accounted for \$8,597,000, or 14%, respectively, of the Company's total revenues (see *Note 7—Related Party*

*Transactions*). None of the Company's customers accounted for more than 10% of the Company's total revenues for the year ended December 31, 2021.

### ***Inventories***

Inventory is carried at the lower of cost or net realizable value. Inventory primarily consists of finished goods such as merchandise and equipment. The first-in, first-out method is used to determine the cost of inventories held for sale to franchisees. If the Company determines that the estimated net realizable value of its inventory is less than the carrying value of such inventory, it records a charge to reflect the lower of cost or net realizable value. If actual market conditions are less favorable than those projected by the Company, further charges may be required.

### ***Property and equipment***

Property and equipment is recorded at cost and depreciated using the straight-line method over its related estimated useful life. Refer to *Note 3—Property And Equipment, Net* for useful lives of property and equipment. Leasehold improvements are amortized over the shorter of the lease term or the estimated useful life of the related asset. Maintenance and repair costs are expensed in the period incurred. Expenditures for purchases and improvements that extend the useful lives of property and equipment are capitalized and depreciated over the term of the lease or useful life of the equipment. Upon sale or retirement, the asset cost and related accumulated depreciation are removed from the respective accounts, and any related gain or loss is reflected in Selling, general and administrative expenses in the consolidated statements of operations.

### ***Intangible assets***

Intangible assets consist of internal-use software and trademarks.

In accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 350-40, Internal-Use Software, the Company capitalizes costs associated with software developed or obtained for internal use when the preliminary project stage is completed. These capitalized costs are included in Intangible assets and include third party cost of services procured in developing or obtaining internal-use software and personnel and related expenses for employees who are directly associated with and who devote time to internal-use software projects. Capitalization of these costs ceases once the project is substantially complete and the software is ready for its intended purpose. Software development costs are amortized to Selling, general and administrative expenses using the straight-line method over an estimated useful life of three years commencing when the software development project is ready for its intended use. Amounts related to software development that are not capitalized are charged immediately to Selling, general and administrative expenses in the consolidated statements of operations.

The recoverability of software development costs capitalized under ASC 350-40 is evaluated in accordance with the methodology noted within the "Impairment of long-lived assets, including intangible assets" section below. When, in management's estimate, future cash flows will not be sufficient to recover previously capitalized costs, the Company expenses these capitalized costs to selling, general and administrative expenses in the period such a determination is made.

Trademarks have an indefinite life and are not amortized, but are tested annually for impairment or more frequently if impairment indicators arise, as described below.

### ***Impairment of long-lived assets, including intangible assets***

The Company assesses potential impairment of its long-lived assets, which include property and equipment and intangible assets with finite useful lives, whenever events or circumstances indicate that

the carrying amount of an asset may not be recoverable. Recoverability of an asset is measured by a comparison of the carrying amount of an asset group to the estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of the asset group exceeds its estimated undiscounted future cash flows, an impairment charge is recognized as the amount by which the carrying amount of the asset exceeds the fair value of the asset. There were no impairment charges recorded on long-lived assets or intangibles with finite lives during the years ended December 31, 2023, 2022, and 2021.

The Company evaluates its indefinite-lived intangible asset (trademark) to determine whether current events and circumstances continue to support an indefinite useful life. In addition, the Company's indefinite-lived intangible asset is tested for impairment annually. The indefinite-lived intangible asset impairment test consists of a comparison of the fair value of each asset with its carrying value, with any excess of carrying value over fair value being recognized as an impairment loss. The Company is also permitted to make a qualitative assessment of whether it is more likely than not an indefinite-lived intangible asset's fair value is less than its carrying value prior to applying the quantitative assessment. If based on the Company's qualitative assessment it is more likely than not that the carrying value of the asset is less than its fair value, then a quantitative assessment may be required. The Company also tests for impairment whenever events or circumstances indicate that the fair value of such indefinite-lived intangible asset has been impaired. No impairment of the Company's indefinite-lived intangible assets were recorded during the years ended December 31, 2023, 2022, and 2021.

#### ***Right of return asset***

The Company recorded a right of return asset related to World Packs that were sold to franchisees in 2022 pursuant to multi-unit development agreements. These agreements did not meet the criteria of a contract with a customer under ASC 606. The Company intends to recover the World Packs that were delivered, for which it has not yet received payment. The amounts for delivered World Packs have been recorded as a right of return asset.

#### ***Legal contingencies***

In the normal course of business, we are subject to various legal proceedings and claims, the outcomes of which are uncertain. We record an accrual for legal contingencies when we determine it is probable that we have incurred a liability and we can reasonably estimate the amount of the loss. In making such determinations we evaluate, among other things, the probability of an unfavorable outcome, and when we believe it probable that a liability has been incurred, our ability to make a reasonable estimate of the loss.

#### ***Accounts payable and accrued expenses***

As of December 31, 2023 two vendors exceeded 10% of the Company's total accounts payable and accrued expenses. As of December 31, 2022, one vendor exceeded 10% of the Company's total accounts payable and accrued expenses. The Company purchases substantially all of its gym equipment from a single supplier.

#### ***Debt***

The Company is a guarantor of the Parent's outstanding debt obligations and has pledged its assets as collateral to its Parent's debt obligations.

#### ***First Lien Loan***

The Parent entered into a senior secured credit agreement, dated as of September 18, 2019 (the "Secured Credit Agreement"), with JPMorgan Chase Bank, N.A., as Administrative Agent, Australian Security Trustee, Lender, Swingline Lender and Issuing Bank, consisting of a \$20,000,000 revolving credit facility (the "Revolving Facility") and a \$30,000,000 term loan facility (the "Term Facility").

On June 23, 2020, the Parent amended the Secured Credit Agreement to allow it to enter into a definitive agreement with a special purpose acquisition corporation. On October 6, 2020, the Parent amended the agreement a second time. Through the second amendment, the Parent agreed to convert \$8,000,000 of the amount outstanding on the Revolving Facility to be part of the Term Facility. In addition to converting a portion of the Revolving Facility to the Term Facility, the Parent agreed to repay \$5,000,000 of the principal amount of the Revolving Facility outstanding.

On July 19, 2021, the Parent repaid in full all outstanding indebtedness and terminated all commitments and obligations under the Term Facility. The Parent used proceeds from its IPO to repay the Term Facility and Revolving Facility in the amount of \$31,100,000 and \$7,000,000, respectively.

On August 13, 2021, the Parent entered into an amended and restated credit agreement (as the same may be amended, restated, supplemented, or otherwise modified from time to time, the "Senior Credit Agreement") which amended and restated the Secured Credit Agreement dated September 18, 2019. The Credit Agreement provides for a \$90,000,000 five-year senior secured revolving facility ("Facility"). The Senior Credit Agreement also provides that, under certain circumstances, the Parent may increase the aggregate principal amount of revolving commitments by an aggregate amount of up to \$35,000,000.

On July 25, 2022, the Parent entered into a Waiver Under Credit Agreement (the "Credit Agreement Waiver") with JPMorgan Chase Bank, N.A., as administrative agent and Australian Security Trustee. Pursuant to the Credit Agreement Waiver, certain lenders party to the Credit Agreement have agreed to waive certain defaults under the Senior Credit Agreement related to cross-default provisions associated with required minimum market capitalization thresholds under the Parent's Fortress Credit Agreement.

On February 14, 2023, the Parent entered into a third amendment (the "Third Amendment") to the Senior Credit Agreement. Pursuant to the Third Amendment, certain amendments were made to the terms of the Senior Credit Agreement to permit the execution of a \$90,000,000, five-and-a-half-year term loan facility with a lender group consisting of existing stockholders of the Parent led by affiliates of Kennedy Lewis Investment Management LP ("KLIM"). In addition, a \$20,100,000 repayment to the Lender was required to facilitate the carve out of a \$66,000,000 term loan ("Term Loan") on the Facility, with an interest rate of the Secured Overnight Financing Rate ("SOFR") plus 550 basis points per annum and a two-year term, and a \$2,000,000 revolving credit facility ("New Revolving Facility") (10.9583% as of December 31, 2023).

On October 20, 2023, the Parent entered into a Fifth Amendment to the Senior Credit Agreement (the "Fifth Amendment"). Pursuant to the Fifth Amendment, the lenders agreed to permit the incremental loans and delayed draw commitments under the Subordinated Credit Agreement, and extend the deadline under the Senior Credit Agreement with respect to delivery of the Parent's quarterly financial statements for the first and second fiscal quarters of 2023, together with the accompanying compliance certificate, to November 8, 2023. In addition, the minimum liquidity covenant was amended to require that, as of the end of each fiscal month, the Parent will not permit the sum of (i) Unrestricted Cash (as defined in the Senior Credit Agreement) and (ii) any undrawn commitments under the Specified Secured Subordinated Debt (as defined in the Senior Credit Agreement) to be less than \$10,000,000, provided, however, that at no time shall the sum of (A) Unrestricted Cash and (B) any undrawn commitments under the Specified Secured Subordinated Debt be less than \$7,500,000. The Fifth Amendment also required that that \$5,000,000 in term loans under the Senior Credit Agreement be repaid, which the Company repaid on October 23, 2023.

In connection with the Parent's Facility, the Lender has issued a standby letter of credit on behalf of the Parent associated with our corporate headquarters. The outstanding commitment under this letter of credit as of December 31, 2023 totaled \$1,500,000, which has an expiration date greater than one year. The amount of borrowings available at any time under the Parent's Facility is reduced by the amount of letters of credit outstanding.

As a result of the reduction in borrowing capacity on the Facility with the Third Amendment, the Parent, in proportion to the decrease in borrowing capacity, performed a write-off of debt issuance costs of \$159,231 during the year ended December 31, 2023 which is included in Interest expense, net. Additionally, the Parent has capitalized all new lender and third party fees paid and recognizes these fees as part of interest expense over the life of the modified debt in accordance with the effective interest method. The unamortized debt issuance cost in connection to the Facility as of December 31, 2023 and 2022 was \$301,876 and \$733,401, respectively.

The outstanding balance of the Facility as of December 31, 2023 and 2022 was \$62,000,000 and \$88,100,000, respectively. The remaining availability on the Parent's Facility as of December 31, 2023 and 2022 was \$500,000 and \$255,203, respectively.

The Parent's obligations under the Senior Credit Agreement and the related transaction documents are secured on a first lien basis by a security interest in substantially all of the Parent's assets.

#### *Subordinated Second Lien PIK Credit Agreement*

On February 14, 2023, the Parent entered into a subordinated credit agreement (the "Subordinated Credit Agreement") with certain subsidiaries of the Parent party thereto as guarantors (the "Guarantors"), Alter Domus (US) LLC, as administrative Agent and Australian security trustee, and the lenders party thereto. The lender group consists of existing stockholders of the Parent led by affiliates of Kennedy Lewis Investment Management LP ("KLIM"), the investment manager to significant stockholders of the Parent and party to the Parent's Third Amended and Restated Stockholders' Agreement. The Subordinated Credit Agreement provides for a \$90,000,000, five-and-a-half-year term loan facility (the "KLIM Term Loan") at an original issue discount of 3.00% payable in kind. The proceeds from the KLIM Term Loan were used by the Parent to pay down \$20,100,000 of outstanding amounts owed on the existing credit facility with JPMorgan Chase Bank, N.A., to pay down other liabilities of the Parent and for general corporate purposes. The obligations under the Subordinated Credit Agreement are secured by substantially all of the assets of the Parent and the Guarantors.

On October 20, 2023, the Parent entered into an Amendment to the Subordinated Credit Agreement. Pursuant to the amendment, the lenders agreed, subject to the satisfaction of certain conditions precedent, to extend credit in the form of an incremental loan in an original aggregate principal amount equal to \$40,000,000, upon the same terms as the original loan amount, which the Parent received on October 23, 2023, provide delayed draw commitments in an aggregate principal amount of up to \$10,000,000, and extend the deadline under the Subordinated Credit Agreement with respect to the delivery of the Parent's quarterly financial statements for the first and second fiscal quarters of 2023, together with the accompanying compliance certificate, to November 8, 2023. The delayed draw commitments are available to be drawn until the date that is fifteen months following the effective date of the Amendment to the Subordinated Credit Agreement.

Amounts outstanding under the KLIM Term Loan accrue interest at a rate of 12.00% per annum, payable in kind.

The outstanding balance on the loan facility as of December 31, 2023 was \$145,177,052, which included \$130,000,215 of principal, \$3,900,000 in a paid-in-kind ("PIK") fee taking the form of original issue discount, and \$11,276,837 of PIK interest accrued.

In connection with issuing of the KLIM Term Loan, the Parent repaid the Lender \$25,100,000 on the Facility and \$9,553,442 in third party fees. The Parent determined that all fees paid to the lenders and third parties would result in a reduction of the initial carrying amount of the note. The Parent is amortizing the debt discount and debt issuance costs into interest expense utilizing the effective interest method.

The Parent's obligations under the Subordinated Credit Agreement and the related transaction documents are secured on a second lien basis by a security interest in substantially all of the Parent's assets.

### *Consents and Agreements*

Throughout 2023, the Parent entered into various consents and agreements with the counterparties to the Senior Credit Agreement and the Subordinated Credit Agreement. The consents and agreements had the effect of waiving certain defaults and extending the required timing of the issuance of the Parent's audited consolidated financial statements for the year ended December 31, 2022, extending the deadlines for the issuance of the Parent's unaudited interim condensed consolidated financial statements for the quarters ended March 31, 2023 and June 30, 2023, and extended the deadline for the appointment of a permanent Chief Financial Officer, among others.

### *Interest rate*

The weighted-average interest rate on the Parent's outstanding debt was 11.68% and 7.33% as of December 31, 2023 and 2022, respectively.

### **Revenue from contracts with customers**

The Company's contracts with customers are typically comprised of multiple performance obligations, including exclusive franchise rights to access our intellectual property to operate an F45 Training-branded fitness facility in a specific territory (franchise agreements), a material right related to discounted renewals of the franchise agreements (both reflected in franchise revenue in the consolidated statements of operations), and equipment and merchandise. Taxes collected from customers and remitted to government authorities are recorded on a net basis.

### *Franchise revenue*

The Company's primary performance obligation under the franchise agreement is granting certain exclusive rights to access the Company's intellectual property to operate an F45 Training-branded fitness facility in a defined territory. This performance obligation is a right to access the Company's intellectual property, which is satisfied ratably over the term of the franchise agreement. Most agreements have an initial term of five years. Franchise agreements may also include options to renew the agreement. Renewal fees are generally recognized over the renewal term for the respective agreement from the start of the renewal period. With the Company's approval, a franchisee may transfer a franchise agreement to a new or existing franchisee, at which point a transfer fee is paid. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer.

The Company's arrangements have no material financing elements as there is no difference between the promised consideration and the cash selling price. Additionally, the Company has assessed that a significant amount of the costs incurred under the contractual performance obligation are incurred upfront. The Company does not include significant financing components in its contracts.

Franchise revenue consists primarily of upfront establishment fees, monthly franchise fees, advertising brand fund fees, and other franchise-related fees. The upfront establishment fee is payable by the franchisee upon signing a new franchise agreement and monthly franchise and related fees are payable throughout the term of the franchise license. Historically, franchisees have paid a fixed monthly franchise fee. For nearly all new franchisees, the franchise fee is based on the greater of a fixed monthly franchise fee or a percentage of franchise sales. Advertising brand fund fees are calculated as a percentage of monthly franchise sales and due monthly. Amounts collected for advertising brand fund fees must be spent on advertising, marketing, and other related activities. These brand fund fees represent sales-based royalties that are related entirely to our performance obligation under the franchise agreement and are recognized as franchise sales occur.

The Company operates two corporate-owned locations as of December 31, 2023 and operated three corporate-owned locations as of December 31, 2022. Membership revenues were deemed immaterial to

the consolidated financial statements and included in Franchise revenues during the years ended December 31, 2023, 2022, and 2021.

#### *Discounted franchise agreement renewal fees*

The Company's franchise agreements may include discounted renewal options allowing franchisees to renew at no cost or at a reduction of the initial upfront establishment fee. The resulting discount in fees at renewal provides a material right to franchisees. The Company's obligation to provide future discounted renewals to franchisees are accounted for as separate performance obligations. The value of these material rights related to the future discount was determined by reference to the estimated franchise agreement term, which has been estimated to be 10 years, and related estimated transaction price. The estimated transaction price allocated to the franchise agreements, including the upfront establishment fee, is recognized as revenue over the estimated contract term of 10 years, which gives recognition to the renewal option containing a material right. At the end of the initial contract term, any unrecognized transaction price would be recognized during the renewal term, if exercised, or when the renewal option expires, if unexercised.

#### *Equipment and merchandise revenue*

The Company requires its franchisees to purchase fitness and technology equipment (the "World Pack") directly from the Company and payment is required to be made prior to the placement of the franchisees' orders. During 2022, the Company began providing short-term financing to select franchisees with payment due upon the earlier of: (i) the opening of the studio; or (ii) twelve months from the date of the order. Revenue is recognized upon transfer of control of ordered items, generally upon delivery to the franchisee or a destination provided by the franchisee, which is when the franchisee obtains physical possession of the goods, legal title has transferred, assessment of collectability is deemed as probable, and the franchisee has all risks and rewards of ownership. The franchisees are charged for all freight costs incurred for the delivery of equipment. Freight revenue is recorded within equipment and merchandise revenue and freight costs are recorded within Cost of equipment and merchandise revenue. The Company had accounted for fulfillment of World Pack and merchandise required to be purchased as part of opening of a studio as a single performance obligation as transfer of control at delivery to the studio occurs simultaneously. Beginning in the fourth quarter of 2021, as a result of franchisees accepting delivery via third-party storage facilities, the Company determined that performance obligations related to the point-in-time transfer of the World Pack were no longer being satisfied simultaneously. As a result, the Company determined the performance obligations no longer met the criteria to recognize as one performance obligation and instead are recognized individually as each point-in-time transfer of control occurs.

The Company is the principal in a majority of its equipment revenue transactions as the Company controls its proprietary equipment prior to delivery to the franchisee, has pricing discretion over the goods, and has primary responsibility to fulfill the franchisee order through its direct third-party vendor.

The Company is the agent in a limited number of equipment and merchandise revenue transactions where the franchisee interacts directly with third-party vendors for which the Company receives a rebate on sales directly from the vendor.

#### *Allocation of transaction price*

The Company's contracts include multiple performance obligations—typically the franchise license, exercise equipment, technology equipment, marketing materials, merchandise, and discounted renewal fees. Judgment is required to determine the standalone selling price for these performance obligations. The Company does not sell the franchise license or World Pack equipment on a stand-alone basis (the Company's contracts with customers almost always include both performance obligations), as such the standalone selling price of the performance obligations are not directly observable on a stand-alone basis. Accordingly, the Company estimates the standalone selling prices using available information including the prices charged for each performance obligation within its contracts with customers in the relevant geographies and market conditions.

### *Contract assets*

Contract assets primarily consist of unbilled revenue where the Company is utilizing the costs incurred as the measure of progress of satisfying the performance obligation over time. When the contract price is invoiced, the related unbilled receivable is reclassified to trade Accounts receivable, where the balance will be settled upon the collection of the invoiced amount. The unbilled receivable represents the amount expected to be billed and collected for services performed through period end in accordance with contract terms. The unbilled contract assets are principally the result of a number of multi-unit franchise agreements executed during 2021 and credits provided to studios impacted by the COVID-19 pandemic. As of December 31, 2023, the Company had contract assets of \$1,393,940 and \$3,252,528 in other current assets and other long-term assets, respectively. As of December 31, 2022, the Company had contract assets of \$3,350,835 and \$5,689,003 in other current assets and other long-term assets, respectively.

### *Deferred costs*

Deferred costs consist of incremental costs to obtain (e.g., commissions) and fulfill (e.g., payroll costs) a contract with a franchisee. Both the incremental costs to obtain and fulfill a contract with a franchisee are capitalized and amortized on a straight-line basis over the expected period if the Company expects to recover those costs. The Company reviews existing franchisee contract terminations and, where terminations are identified, the associated contract and fulfillment costs are fully impaired. As of December 31, 2023 and 2022, the Company had \$8,740,451 and \$8,692,224, respectively, of deferred costs to obtain and fulfill contracts with franchisees. During the years ended December 31, 2023, 2022 and 2021, the Company recognized \$978,703, \$753,032 and \$539,164, respectively, in amortization of these deferred costs. The amortization of these costs is included in Selling, general and administrative expenses for costs to obtain a contract and Cost of franchise revenue for costs to fulfill a contract in the consolidated statements of operations. During the years ended December 31, 2023, 2022, and 2021 the Company recognized \$779,767, \$1,057,347, and \$575,597 respectively, of impairment charges with respect to these assets within Selling, general and administrative expenses in the consolidated statements of operations.

### *Advertising*

Advertising and marketing costs are expensed as incurred. For the years ended December 31, 2023, 2022 and 2021, advertising expenses included in Selling, general and administrative expenses totaled \$2,080,761, \$12,071,846 and \$9,615,104, respectively.

### *Income taxes*

The Company and the Parent entered into a tax sharing agreement which governs the respective rights, responsibilities, and obligations of the Company and Parent with respect to tax matters, including taxes attributable to Parent, entitlement to refunds, allocation of tax attributes, preparation of tax returns, certain tax elections, control of tax contests and other tax matters regarding U.S. federal, state, local, and foreign income taxes.

The Company uses the asset and liability method to account for income taxes as prescribed by ASC 740, *Income Taxes* ("ASC 740"). Deferred tax assets and liabilities are determined based on the difference between the financial statement and tax bases of assets and liabilities as measured by the enacted tax rates which will be in effect when these differences reverse. Deferred tax expense (benefit) is the result of changes in deferred tax assets and liabilities. Deferred income tax assets and liabilities are adjusted to recognize the effects of changes in tax laws or enacted tax rates in the period during which they are signed into law. The factors used to assess the Company's ability to realize its deferred tax assets are the Company's forecast of future taxable income and available tax planning strategies that could be implemented. Under ASC 740, a valuation allowance is required when it is more likely than not that all or

some portion of the deferred tax assets will not be realized due to the inability to generate sufficient future taxable income of the correct character. Failure to achieve previous forecasted taxable income could affect the ultimate realization of deferred tax assets and could negatively impact the Company's effective tax rate on future earnings.

Tax benefits from an uncertain tax position is recognized only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized from such positions are then measured based on the largest benefit that has a greater than 50% likelihood of being realized upon settlement. Interest and penalties related to unrecognized tax benefits, which to date have not been material, are recognized within the provision (benefit) for income taxes.

### ***Fair value measurements***

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Fair value measurements are based on a fair value hierarchy, based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value as follows:

- *Level 1*—Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
- *Level 2*—Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted market prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.
- *Level 3*—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The carrying amount of Cash and cash equivalents, Accounts receivable, Inventory, and Accounts payable and accrued expenses, as reflected on the consolidated balance sheets, approximate fair value because of the short-term maturity of these instruments. These estimated fair values may not be representative of actual values of the financial instruments that could have been realized or that will be realized in the future. The Company had no Level 3 assets or liabilities that are measured at fair value on a recurring basis as of December 31, 2023 and 2022.

### ***Recently issued accounting pronouncements***

#### *Recently adopted accounting standards*

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* ("ASU 2016-13"). Topic 326 was subsequently amended by ASU No. 2018-19, *Codification Improvements*, ASU No. 2019-04, *Codification Improvements*, ASU No. 2019-05, *Targeted Transition Relief*, ASU No. 2019-10, *Effective Dates*, ASU No. 2019-11, *Codification Improvements*, and ASU No. 2020-02, *Amendments to SEC Paragraphs Pursuant to SEC Staff Accounting Bulletin No. 119 and Update to SEC Section on Effective Date Related to ASU 2016-02*, and ASU 2022-02, *Troubled Debt Restructurings and Vintage Disclosures*. The guidance changes how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The guidance replaces the current "incurred loss"

model with an “expected loss” approach. The adoption of this accounting standard on January 1, 2023 did not have a material impact on the Company’s consolidated financial statements.

#### *Accounting Standards Not Yet Adopted*

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Reform* (“ASU 2020-04”), which provides companies with optional guidance, including expedients and exceptions for applying generally accepted accounting principles to contracts and other transactions affected by reference rate reform, such as the London Interbank Offered Rate (LIBOR). In December 2022, the FASB issued ASU No. 2022-06, *Reference Rate Reform (Topic 848): Deferral of the Sunset Date of Topic 848*. ASU 2022-06 defers the sunset date of Topic 848 from December 31, 2022, to December 31, 2024, after which entities will no longer be permitted to apply the relief in Topic 848. The Company is currently evaluating the impact of ASU 2022-06 on its consolidated financial statements; however, the Company does not believe that adoption of ASU 2022-06 will materially impact its consolidated financial statements.

#### 5. DEFERRED REVENUE

Deferred revenue results from establishment fees paid by franchisees at the outset of the contract term and the value of material rights related to discounted renewal options as well as equipment fees paid by franchisees prior to the transfer of the equipment. During the year ended December 31, 2023, the Company recognized approximately \$5,961,762 of revenue that was included in the deferred revenue balance at the beginning of the period. The following table reflects the change in deferred revenue from December 31, 2021 to December 31, 2022, and from December 31, 2022 to December 31, 2023:

	Deferred Revenue
Balance at December 31, 2021	\$ 11,538,330
Net change	(1,910,942)
Balance at December 31, 2022	\$ 9,627,388
Net change	(4,473,134)
Balance at December 31, 2023	<u>\$ 5,154,254</u>

Deferred revenue expected to be recognized within one year from the balance sheet date is classified as current, and the remaining balance is classified as non-current. Transaction price allocated to remaining performance obligations represents contracted franchise and equipment revenue that has not yet been recognized, which includes deferred revenue recognized as revenue in future periods. As of December 31, 2023, remaining performance obligations were \$5,154,254 of which the Company expects to recognize approximately \$2,278,611 as revenue over the next 12 months.

## 6. INCOME TAXES

The Company uses the asset and liability method to account for income taxes as prescribed by Accounting Standards Codification (“ASC”) 740. Deferred tax assets and liabilities are determined based on the difference between the financial statement and tax basis of assets and liabilities as measured by the enacted tax rates which will be in effect when these differences reverse. Deferred tax expense (benefit) is the result of changes in deferred tax assets and liabilities. Deferred income tax assets and liabilities are adjusted to recognize the effects of changes in tax laws or enacted tax rates in the period during which they are signed into law. The factors used to assess the Company's ability to realize its deferred tax assets are the Company's forecast of future taxable income and available tax planning strategies that could be implemented. Under ASC 740, a valuation allowance is required when it is more likely than not that all or some portion of the deferred tax assets will not be realized due to the inability to generate sufficient future taxable income of the correct character. Failure to achieve previous forecasted taxable income could affect the ultimate realization of deferred tax assets and could negatively impact the Company's effective tax rate on future earnings.

We recognize the tax benefit from an uncertain tax position only if it is more likely than not the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized from such positions are then measured based on the largest benefit that has a greater than 50% likelihood of being realized upon settlement. Interest and penalties related to unrecognized tax benefits, which to date have not been material, are recognized within Provision for income taxes.

The following table summarizes the components of the Provision for income taxes:

	Year Ended December 31,		
	2023	2022	2021
<b>Current:</b>			
Federal	\$ 76,532	\$ 573,895	\$ 1,170,700
State	—	—	51,461
Total current	\$ 76,532	\$ 573,895	\$ 1,222,161
<b>Deferred:</b>

State	—	1,709,058	(1,593,704)

<b>Total</b>	<b>\$ 76,532</b>	<b>\$ 14,226,143</b>	<b>\$ (11,536,642)</b>

Deferred taxes are recognized for temporary differences between the basis of assets and liabilities for financial statement and income tax purposes. The significant components of the Company's deferred tax assets are comprised of the following:

	<b>As of December 31,</b>	
	<b>2023</b>	<b>2022</b>
Accrued expenses	\$ 3,416,161	\$ 5,522,249
Deferred revenue	182,681	276,497
Deferred costs	(1,792,969)	(2,057,611)
Net operating loss and carryforward	41,677,166	19,827,213
Property and equipment	57,573	34,470
Leased assets	(2,068,520)	(2,466,721)
Leased liabilities	3,167,026	3,746,903
Long-term liabilities	50,050	—
Valuation allowance	(44,689,168)	(24,883,000)
Total net deferred tax assets	<u>\$ —</u>	<u>\$ —</u>

The Company's effective tax rate is significantly impacted by the existence of the full valuation allowance against the Company's deferred tax asset.

There is \$151,394,411 of federal net operating loss ("NOL") carryforwards with an indefinite life as of December 31, 2023. The federal NOL carryforward is utilizable against 80% of taxable income annually. The state NOL carryforward is \$12,507,631 as of December 31, 2023 and has expiration dates ranging from 12 years to an indefinite life.

Utilization of the federal and state NOL carryforwards may be subject to annual limitations arising from ownership change limitations provided by Internal Revenue Code (IRC) Section 382 and similar state provisions.

As of December 31, 2023, a valuation allowance of \$44,689,168 has been recorded to recognize that the Company does not believe that the deferred tax asset is more likely than not to be realized. The amount of deferred tax asset considered realizable, however, could be adjusted if estimates of future taxable income during the carryforward period increased or if objective negative evidence in the form of cumulative losses is no longer present.

The total amount of unrecognized tax benefits, including accrued interest and penalties, was \$7,488,910 and \$7,412,378 as of December 31, 2023 and 2022, respectively, and was primarily related to uncertainties related to transfer pricing. This unrecognized tax benefit related to accrued interest and penalties of \$383,998 and of \$307,466 as of December 31, 2023 and 2022, respectively, was included in Other long-term liabilities on the balance sheets. The entire unrecognized tax benefits, if recognized, would impact the effective tax rate as of December 31, 2023. Although it is reasonably possible that certain unrecognized tax benefits may increase or decrease within the next twelve months due to tax examination changes, settlement activities, expirations of statute of limitations, or the impact on recognition and measurement considerations related to the results of published tax cases or other similar activities, we do not anticipate any significant changes to unrecognized tax benefits over the next 12 months.

The Company files income tax returns in the U.S. and is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. All of the Company's tax years remain open for audit.

The Company recognizes interest and penalties related to income tax matters in the Provision for income taxes in the consolidated statement of operations.

On October 26, 2022, the transfer of assets and termination of the outstanding receivable balance was completed. The value of the assets obtained as part of the transfer of assets was \$937,077. During the years ended December 31, 2022 and 2021, the Company

With respect to these transactions, the Company has presented the revenue recognized during these periods in Franchise revenue and Equipment and merchandise revenue and the related expenses in Selling, general and administrative expenses in the consolidated statements of operations.

During the first quarter of 2022, the Company entered into a development agreement with an existing multi-unit franchisee, Hillcrest Health LLC, to open approximately 87 studios. Following the execution of this agreement, the Company entered into an employment agreement and contractor agreement with two individuals who hold equity ownership in the franchise entity. As a result of the employment agreements, the Company has determined the development agreement and studios operating under ownership of its franchisee now represent related party transactions. During the years ended December 31, 2023, 2022 and 2021, the Company recognized franchise revenue and equipment and merchandise revenue totaling \$237,121, \$561,583 and approximately \$181,000, respectively, from studios under the development agreement. The Company has presented the expenses incurred during these periods in Cost of equipment and merchandise revenue in the consolidated statements of operations.

On October 31, 2023, the Company entered into a mutual termination and release agreement with Hillcrest Health LLC in connection with a multi-unit franchise agreement dated March 31, 2022, whereby both parties were released from all future obligations pursuant to that agreement and 84 equipment packs purchased pursuant to that agreement were returned to the Company.

#### ***U.S. Development Agreement Transaction with Club Franchise Group LLC***

On June 15, 2021, the Company entered into a long-term multi-unit studio agreement, with Club Franchise Group LLC ("Club Franchise"), an affiliate of KLIM, the investment manager to significant stockholders of the Parent, an affiliate of lenders under the Parent's KLIM Credit Agreement and party to the Parent's Third Amended and Restated Stockholders' Agreement. Pursuant to the term multi-unit studio agreement, the Company granted to Club Franchise the right to, and Club Franchise agreed to, open at least 300 studios in certain territories in the U.S. over 36 months, with the first 150 studios to be open within 18 months of the date of the multi-unit studio agreement, or December 15, 2022. Club Franchise had 30 studios opened as of December 31, 2023 under the multi-unit studio agreement.

Club Franchise is obligated to pay to the Company the same general fees as other franchisees in the U.S., and to enter into a franchise agreement in respect of each studio upon approval by the Company of the studio site. Consistent with some of the franchise agreements in the United States entered into since July 2019, Club Franchise is required to pay the Company a monthly franchise fee based on the greater of a fixed monthly franchise fee of \$2,500 per month or 7% of gross monthly studio revenue regardless of whether such studios are open. Club Franchise has also agreed to pay the Company an upfront establishment fees of \$7,500,000 as follows: (i) \$1,875,000 upon execution of the multi-unit studio

agreement (which amount has been paid as of December 31, 2021); (ii) \$1,875,000 by June 2022; (iii) \$1,875,000 by December 2022; and (iv) \$1,875,000 by December 2023. Club Franchise is required to pay monthly franchise fees to the Company in respect of additional studios with monthly franchise fees for 150 studios being payable by December 2022. With respect to the remaining 150 studios, the Company and Club Franchise have agreed to negotiate a payment schedule that provides for the monthly franchise fees in respect of such studios to commence no later than 12 months after the opening date of the relevant studio. Like other franchisees, Club Franchise is also obligated to pay the Company other fees, including fees related to marketing and equipment and merchandise, some of which the Company has agreed to provide at a discounted rate.

The Company recognized \$986,779, \$7,575,841 and \$3,988,856 respectively, of Franchise revenue and \$675,114, \$1,021,265 and \$11,511,595, respectively, of Equipment and merchandise revenue in conjunction with the transaction with Club Franchise during the years ended December 31, 2023, 2022 and 2021. As of December 31, 2023 and 2022, the Company had an outstanding receivable balance of \$1,353,677 and \$3,238,211, respectively. As of December 31, 2023 and 2022, the Company reported \$0 and \$48,081 of unbilled receivables in Other current assets on the consolidated balance sheets, respectively. The Company reported \$0 and \$429,724 of unbilled receivables in Other long-term assets on the consolidated balance sheets as of December 31, 2023 and 2022, respectively.

In addition to studios opened up under the multi-unit franchise agreement, Club Franchise acquired approximately 31 studios from existing franchise owners during the year ended December 31, 2022. The Company recognized \$885,291 and \$717,865 of franchise revenue in conjunction with the acquired studios during the year ended December 31, 2023 and 2022, respectively. No revenue was recognized during the year ended December 31, 2021.

During the fourth quarter of 2022, the Company determined that Club Franchise was no longer in compliance with the multi-unit studio agreement as a result of outstanding franchise fee invoices as well as delays related to required studio openings in accordance with development schedules. As a result of the non-compliance and subsequent discussions with Club Franchise management, the Company determined that collections related to approximately 280 studios under the agreement were no longer probable based on their expected opening date. Based on this assessment, the Company recorded a bad debt expense of \$8,104,676 during the year ended December 31, 2022, including \$1,685,400 related to Accounts receivable and \$6,419,276 included within Other long-term assets related to unbilled receivables. The Company is evaluating how to proceed under this agreement including amending it to provide for no further development of studios.

Related party franchise arrangements were transacted at arm's length pricing with standard contractual terms.

## **8. COMMITMENTS AND CONTINGENCIES**

### *Litigation*

Where appropriate, the Company establishes accruals in accordance with FASB guidance over loss contingencies in accordance with ASC 450, *Contingencies*. As of December 31, 2023 and 2022, the Company had established a litigation accrual of \$2,258,425 and \$8,512,925 respectively in Accounts payable and accrued expenses for claims brought against the Company in the ordinary course of business. The Company's accruals for loss contingencies are reviewed quarterly and adjusted as additional information becomes available. The Company discloses the amount accrued if it is material or if such disclosure is necessary for our financial statements to not be misleading. If a loss is not both probable and reasonably estimable, or if an exposure to loss exists in excess of the amount previously accrued, the Company assesses whether there is at least a reasonable possibility that a loss, or additional loss, may have been incurred, and adjust the accruals and disclosures accordingly.

The Company is a wholly-owned subsidiary of its Parent and is a guarantor to its Parent or any of its Parent's subsidiaries and pledged assets against the debt and as a member of this affiliated group the

Company may be included in claims brought against its Parent or the Parent's subsidiaries. We do not presently believe that the ultimate resolution of the litigation will have a material adverse effect on the Company's results of operations, financial condition, or cash flows. The outcome of litigation and other legal and regulatory matters is inherently uncertain, however, and it is possible that one or more of the legal matters currently pending or threatened could have a material adverse effect on our liquidity, financial position, and/or results of operations.

#### *Lease commitments*

Effective January 1, 2022, the Company adopted ASC 842 using the effective date method for initial application. The Company elected the use of the package of practical expedients permitted under the transition guidance which allows the Company not to reassess whether a contract contains a lease, carry forward the historical lease classification and not reassess initial direct lease costs. The Company also elected to apply the short-term measurement and recognition exemption in which the right-of-use (ROU) assets and lease liabilities are not recognized for short-term leases, representing those which have a term of less than twelve months. As a result, the Company has no short-term leases with an initial term of twelve months or less that are not recorded in the balance sheets. Adoption of this standard resulted in the Company recording ROU assets and corresponding lease liabilities of \$5,514,561 and \$10,166,197, respectively, as of January 1, 2022. The standard did not materially affect the consolidated statements of operations and had no impact on the consolidated statements of cash flows.

The Company determines if an arrangement is a lease at its inception. The Company evaluates whether (1) explicitly or implicitly identified assets have been deployed in the contract and (2) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. Operating lease ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. ROU assets also include any initial direct costs and prepayments less lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise such options. As the Company's leases generally do not provide an implicit rate, the Company uses its incremental borrowing rate based on the information available at the lease commencement date to calculate the lease liability that represents an estimate of the interest rate the Company would incur to borrow on a collateralized basis over the term of a lease within a particular currency environment.

For periods prior to January 1, 2022, the Company recorded rent expense related to leases on a straight-line basis over the term of the lease. Any difference between rent expense and rent paid as a result of lease incentives or rent abatement periods was recorded as deferred rent in Other long-term liabilities in the Company's consolidated balance sheets.

The Company lease portfolio consists of a corporate office space, corporate-owned studio space and warehouse space in the United States. Certain lease agreements contain options that allow the Company to extend the lease agreement. All of the Company's leases are classified as operating leases.

During July 2022, the Company ceased use of a facility under an operating lease which was to be used for corporate-owned studio concepts. As a result of the restructuring and change in use of the operating right-of-use asset, the Company concluded a triggering event had occurred and, accordingly, an interim impairment test was performed. Based on the condition of the facility and lack of identifiable potential sub-tenants, the Company concluded the carrying value of the asset group exceeded its fair value and recognized an impairment expense of \$4,246,510. On December 28, 2022, the Company entered into a termination agreement with the landlord in which all future payments were relieved in exchange for \$789,989. As a result of the termination agreement, the Company recognized a gain on termination of the lease of \$3,466,927, which is included in Other income, net in the consolidated statements of operations.

The following table summarizes the balances as it relates to leases as of and for the years ended December 31, 2023 and 2022:
