How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibits D & E.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit G includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only GREEN + THE GRAIN business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Minnesota. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Minnesota than in your own state.
2. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
3. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a system with a longer operating history.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, “we” or “us” means green and the grain franchising, LLC, the franchisor. “You” means the person or entity that buys the franchise. If the franchisee is a corporation, partnership or other entity, “you” includes the franchisee’s owners unless otherwise indicated.

The Franchisor

We are a Minnesota limited liability company formed on October 5, 2023. We do business under our entity name and under the franchise name “GREEN + THE GRAIN.” Our principal business address is 200 South 6th Street, Suite 296, Minneapolis, MN 55402. Our agents for service of process are listed in Exhibit A.

We have offered franchises since the date of this Disclosure Document. We have never offered franchises in any other line of business or operated a business of the type to be operated by the franchisee.

Our Parents, Predecessors and Affiliates

We have no parent or predecessor. We have one affiliate. Our affiliate is green and the grain LLC, a Minnesota limited liability company formed on November 6, 2013 (“GATG Affiliate”). GATG Affiliate’s principal business address is the same as ours. GATG Affiliate operates six affiliate locations, but it has never offered franchises in this or any other line of business.

The Franchise Offered

A GREEN + THE GRAIN business (“Franchised Business” or “Restaurant”) is a contemporary salad restaurant for busy appetites. We are offering franchises operating under the “GREEN + THE GRAIN” name and using our System (as described below).

Our System includes distinctive interior and exterior design; signage and décor; specific equipment, layout, fixtures, furnishings, materials and supplies; customer service and quality standards; menus, recipes and preparation techniques; software, training and assistance; operational procedures; and advertising and promotional programs, all of which may be changed, improved and further developed (the “System”). The System is identified by certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including the mark “GREEN + THE GRAIN”, as are now designated and may in the future be designated by us in writing for use with the System (the “Marks”).

Franchise Agreement

We offer qualified candidates the right to establish and operate a GREEN + THE GRAIN business within a specific designated area under the terms of a single unit franchise agreement (the “Franchise Agreement”), which is attached to this Disclosure Document as Exhibit B.

Development Agreement

If you meet our net worth, operational, experience and other requirements for multi-unit developers, we may offer you the right to develop multiple Restaurants in a designated geographical area (a “Development Area”) under a development agreement (“Development Agreement”) attached as Exhibit C to this Disclosure Document. Under the Development Agreement, you must develop an agreed upon number of Restaurants in the Development Area within a specified time-period. Our multi-unit developers typically must commit to develop three or more Restaurants. As part of your operation of multiple Restaurants, we may grant you written permission you to operate a commissary kitchen that will allow you to share certain kitchen services for one or more Restaurants.

You must sign the Franchise Agreement for your first Restaurant at the same time as you sign the Development Agreement. For each Restaurant developed after the first one you must sign our then-current form of Franchise Agreement, which may differ from the current Franchise Agreement included with this Franchise Disclosure Document except that for all locations timely opened under the Development Schedule, the Initial Franchise Fee and Royalty will be the same as the first location. Under the Development Agreement, you and we will agree on a schedule for developing Restaurants and the dates by which these Restaurants must be open (“Development Schedule”).

Market and Competition

You will offer the food, drink and related menu items from your Restaurant to the general public. The market for our products and services is year-round and should not be impacted by seasonality. Your competitors may include fast casual restaurant businesses, particularly those offering similar food products, including national or regional franchise systems and other chains. We believe that the market for restaurants offering similar menu items is developed and growing based on increased consumer demand for healthy options. The ability of each franchisee to compete depends on various market conditions, including location, co-tenants, traffic patterns, ingress and egress to the location, parking, service, product quality, advertising, employees, overhead, any applicable state or local regulations or licensing requirements, changes in local market and economic conditions, inflation, changes in food, labor and energy costs, fluctuating insurance and interest rates, as well as other factors both within and outside of a franchisee’s control.

Industry Specific Laws and Regulations

In addition to laws and regulations that apply to businesses generally, your Restaurant is subject to federal, state and local regulations and guidelines governing the food service industry (including health, sanitation and safety regulations regarding food storage, preparation and safety, including Serv Safe). You must be knowledgeable with federal, state and local health and consumer protection laws and regulations concerning food preparation, handling and storage, “Truth in Menu” concerning menu item names and product labeling, nutritional claims, and access to your Restaurant by persons with disabilities (under the federal Americans with Disabilities Act). You should also be aware of federal, state and local labor regulations,

including minimum age and minimum wage laws. You should investigate local zoning rules because they may limit where you can locate your Restaurant and may affect design features, including the building facade and signs. You should be aware of federal, state and local environmental laws that may affect the disposal of waste materials and the packaging you may use. The details of state, county and local laws and regulations vary from place to place. You should investigate these laws and regulations. It is your sole responsibility to obtain and keep in force all necessary licenses and permits required by public authorities.

ITEM 4

ITEM 5
INITIAL FEES

You must pay us an initial franchise fee of \$50,000 when you sign the Franchise Agreement for each Restaurant. The initial franchise fee is nonrefundable and uniformly applied.

If you enter into a Development Agreement, you must pay us a one-time development fee upon execution of your Development Agreement. Your development fee is equal to the Initial Franchise Fee for the first location plus \$15,000 for each additional Restaurant you commit to develop under the Development Agreement. For example, if you sign a development agreement for three locations, you will pay a development fee of \$80,000 (\$50,000 Initial Franchise Fee for the first location and \$30,000 for the additional two locations).

If you are in compliance with your obligations under the Development Agreement, then we will credit you the portion of the Development Fee that you have paid toward the initial franchise fees due under the Franchise Agreement for each Restaurant that you are required to develop under the Development Agreement. For example, if you paid a Development Fee of \$80,000 for three Restaurants, you would be credited \$50,000 towards the initial franchise fee of the first location, \$15,000 for your second location and \$15,000 for your third location. The development fee must be paid in lump sum, is uniformly applied and is non-refundable.

There are no other payments to or purchases from us or our affiliates that a franchisee must make before your Restaurant opens, except in the limited instances where a franchisee may purchase an existing GREEN + THE GRAIN business from an affiliate of ours, in which case the payments will include the negotiated purchase price for the assets of the business, and will be set forth in a Sale of Assets Purchase Agreement (a copy of the form Sale of Assets Purchase Agreement is included in this Disclosure Document as Exhibit I). The amount of the purchase price will vary by Restaurant based on a wide range of factors, including the assets being acquired, their location, their book value, their fair market value and other factors.

In general, none of the expenses listed in the above charts are refundable, except any security deposits you must make may be refundable. We do not finance any portion of your initial investment. If you are purchasing an existing company-operated Restaurant, the estimated initial investment (excluding the purchase price) will be lower than the applicable estimated initial investment detailed above since there will be no costs associated with initial building and site improvement and equipment and signage. You will, however, likely incur costs for business licenses, utility deposits, insurance, and, depending on the condition of the Restaurant and the equipment included in the purchase, you may incur additional costs in connection with, among other things, remodeling the Restaurant or repairs to the Restaurant. These costs will vary by city and by restaurant.

1. ***Initial Franchise Fee.*** The initial franchise fee is discussed in detail in Item 5.
2. ***Rent/Security Deposit.*** You will need approximately 1,500 to 3,000 square feet of space in an urban setting with high office density and strong foot traffic. Landlords may vary the base rental rate and charge rent based on a percentage of Gross Revenue. In addition to base rent, your lease may require you to pay common area maintenance charges (“CAM Charges”) for your pro rata share of the real estate taxes and insurance, and your pro rata share of other charges. Rent depends on many factors include size, geographic location, visibility, economic conditions and competitive market conditions. The actual amount you pay under the lease will vary depending on the size of the Restaurant, the types of charges that are allocated to tenants under the lease, your ability to negotiate with landlords (including any free rent for a limited number of months) and the prevailing rental rates in the geographic region. We are unable to estimate with any precision the costs of leasing or purchasing real estate because of the wide variation from region to region and between markets. Location is a major factor in the amount of rent required. You may want to contact a commercial real estate broker to discuss the costs associated with acquiring real estate in your area. Our estimate assumes that you will need to provide one to three months of rent as a security deposit to your landlord, and you may need to provide security deposits for your utilities (such as gas, water and/or electric).
3. ***Leasehold Improvements/Construction and Remodeling.*** This range does not include expects any tenant improvement allowance or credit (“TI”) that you and your business advisors may negotiate with the landlord of your Restaurant premises. Construction costs and TI allowances/credits can vary significantly from market to market and among local vendors and also depends on factors such as the condition of the premises, the financial condition of the tenant, and the length of the term of the lease. Our estimate includes licenses and permits you may need to open the Restaurant as well as labor costs and installation of certain features, including flooring and lighting and assumes your landlord provides adequate cooling, water and heating infrastructure.
4. ***Furniture, Fixtures and Equipment.*** The low end of the range assumes you are opening a second-generation restaurant space and that there is some existing equipment, including a cooler. The high end is based on a 3,000 square foot space that requires all new equipment, including the oven. You may choose to lease some or all of the furniture,

fixtures and equipment for your Restaurant and that may reduce your up front costs of initial investment.

5. ***Training Travel Expenses.*** Our initial training program is included for up to four individuals attending the same initial training program. You are responsible for travel, accommodations and meals for your personnel attending initial training. The estimate is based on local accommodations and meals during initial training.
6. ***Initial Technology Expense.*** The POS computer system and related technology are described in Item 11.
7. ***Signage.*** These amounts represent your cost for interior and exterior signage, including logo. Your landlord or your local ordinances may have different restrictions it places on interior and exterior signage which may affect your costs.
8. ***Grand Opening Marketing.*** You must conduct a grand opening marketing campaign to promote the opening of your Restaurant and to generate sales. Your pre-sale marketing campaign should be conducted in the 60-day period before Grand Opening and continue after your Restaurant opens for a 30-day period.
9. ***Professional Fees.*** We strongly encourage you to engage the services of an attorney and/or an accountant to advise you regarding this franchise offering.
10. ***Insurance.*** These figures are estimates of the cost of three months of the annual premiums for the insurance you must obtain and maintain for your Restaurant, as described in Item 8. Insurance premiums may be payable monthly, quarterly, semi-annually or annually, based on the insurance company's practices and your creditworthiness.
11. ***Supplies.*** The supplies you will need include various smallwares, inventory, office and miscellaneous supplies.
12. ***Additional Funds.*** You will need additional funds/working capital to support ongoing expenses, such as payroll, for your first three months of operation. We estimate that the amount given will be sufficient to cover ongoing expenses for the start-up phase of the business, which we calculate to be approximately three months or more. This is only an estimate, and additional working capital may be necessary during this start-up phase or after.
13. ***Total.*** We relied upon our affiliate's nine years of experience operating restaurants when preparing these figures. However, these figures are merely estimates, and there is no assurance that additional working capital will not be necessary during this initial phase or after. Your actual costs may vary greatly and will depend on factors such as the size and condition of the space of your Restaurant, your management skill, experience and business acumen; local economic conditions; the local market for the Restaurant'

products and services; the prevailing wage rate; competition; and the sales level reached during the start-up phase. These amounts do not include any estimates for debt service.

Notes:

1. ***Development Fee.*** The development fee is discussed in Item 5. Our estimate assumes you will develop three Restaurants.

2. ***Other Expenditures for First Restaurant.*** These are the estimates to build-out your first Restaurant, including the \$50,000 initial franchise fee. You should be aware that your initial investment for your second and subsequent Restaurants likely will be higher than the above estimates for your first Restaurant due to inflation, increased labor costs, increased materials costs and other economic factors that may vary over time.

**ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

In order to ensure a uniform image and uniform quality of products and services throughout the GREEN + THE GRAIN system, you must maintain and comply with our quality standards. Although you are not required to purchase or lease real estate from us or our affiliates, we must accept the location of your Restaurant (see Item 11). You must construct and equip your Restaurant in accordance with our then current approved design, specifications and standards. In addition, it is your responsibility to ensure that your building plans comply with the Americans with Disabilities Act and all other federal, state and local laws. You also must use equipment (which includes hardware and software for a computerized record-keeping

system), signage, fixtures, furnishings, products, supplies and marketing and sales promotion materials that meet our specifications and standards.

We reserve the right to designate a primary or single source of supply for certain products and supplies, and we or an affiliate may be that single source. For example, as of the date of this Disclosure Document, you must purchase items like food products, POS system and hardware and other product and services from our designated approved third party vendor. Other than any required products where we designate one or more designated suppliers, you have no obligation to purchase or lease products, goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating the Restaurant from us, our affiliates or designated third parties.

Approved Supplies and Suppliers

We provide you with a list of approved manufacturers, suppliers and distributors (“Approved Suppliers List”) and approved inventory products, food products, uniforms, fixtures, furniture, equipment, signs, stationery, supplies and other items or services necessary to operate the Restaurant (“Approved Supplies List”). The Approved Supplies List may identify the specific manufacturer or supplier of a specific product or piece of equipment.

Our Approved Supplies List also may include other specific products without reference to a particular manufacturer or supplier, or it may set forth the specifications and/or standards for other approved products. We may revise the Approved Suppliers List and Approved Supplies List. We give you the approved lists as we deem advisable. We generally do not give these lists to approved suppliers.

Except for any products, supplies or materials for which we designate a single source approved supplier, if you wish to purchase products, supplies, materials or equipment from other suppliers not approved by us, you must submit to us a written request to approve the proposed supplier, together with any background documents or evidence we may require. We will have the right to require you to obtain permissions from the supplier to allow our representatives to inspect the supplier’s facilities and that you deliver samples from the supplier for evaluation and testing either to us or to an independent testing facility that we designate. To have an alternate supplier approved, you must first notify us in writing, submit sufficient specifications, samples and information, along with our then current fee (which is currently \$400 per day) for each person we provide for this determination plus reasonable expenses. Our criteria for approving suppliers is confidential and is not available to franchisees. You may contract only with suppliers whom we have approved. We will notify you of our approval or disapproval within 60 days of our receiving all requested information. We may revoke our approval of a supplier at any time for any reason. Upon receipt of our revocation of approval, you must cease to use or sell any disapproved products and cease to purchase from any disapproved supplier.

Other than nominal interests in certain approved suppliers which are publicly traded companies or through investment funds, there is no supplier in which an officer of ours owns an interest.

You must deliver to us upon execution of the lease or purchase agreement for the Authorized Location, but before commencing construction of your Restaurant, and thereafter annually or at our request proper certificates evidencing the existence of required insurance coverage and your compliance with other insurance requirements. The insurance certificate must show our and our affiliates' status as an additional insured and provide that we will be given 30 days' prior written notice of material change in or termination or cancellation of the policy. The insurance policy or policies must be written in accordance with the standards and specifications (including minimum coverage amounts) set forth in writing by us from time to time. As of the date of this Disclosure Document, the insurance coverage standards are:

If you do not procure and maintain the required insurance coverage (including any modifications referenced in the preceding sentence), we have the right, but not the obligation, to procure insurance coverage and to charge the costs to you, together with a reasonable fee for the expenses we incur in doing so. You must pay these amounts to us immediately upon written notice. Although we require certain insurance coverage and have recommended other coverages, we do not guarantee that the required or recommended insurance will be adequate to fully protect your assets. You should therefore consult with an insurance professional to determine what coverage, in addition to the minimum required coverage, may be needed for you and your Restaurant. We may from time to time modify the required minimum limits and require additional insurance coverages by providing written notice to you, as conditions require, to reflect changes in relevant circumstances, industry standards, experiences in the GREEN + THE GRAIN system, standards of liability and higher damage awards. Although we do not do so as of the date of this Disclosure Document, we reserve the right to designate a single source from which you must purchase or renew insurance.

We and our affiliates (including GATG Affiliate) reserve the right to receive rebates or other consideration from suppliers in connection with your purchase of goods, products and services as described in this Item 8, as well as in connection with any future purchase of any goods, products or services. Most of these payments are calculated on an amount based on products sold. We will retain and use such payments as we deem appropriate or as required by the vendor. We also may derive revenue from any items we or any affiliate sells directly to you by charging you more than our or the affiliate's cost. You will pay the then-current price in effect at the time for items you purchase from us or our affiliates.

As we just started franchising in April 2024, neither we nor any affiliate derived any revenue from franchisee purchases prior to April 2024.

We estimate that your required purchases and leases in compliance with the above specifications of goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate and comparable items will represent 90 to 95% of your overall purchases and leases in establishing the Restaurant and 50 to 60% operating the Restaurant.

We may negotiate prices for numerous products for the benefit of the System but not on behalf of individual franchisees. Currently, there is no purchasing or distribution cooperative but we reserve the right to create a cooperative and require you to participate. We may receive volume discounts for the System from some third party approved suppliers, which we may pass through to our franchisees. Beyond these discounts, we do not provide material benefits to you because of your use of approved suppliers.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Development Agreement: Under the Development Agreement, we will grant you rights to a Development Area within which you will establish and operate multiple Restaurants under separate Franchise Agreements. (Development Agreement – Section 2.A.)

Franchise Agreement: Before you open your Restaurant, we will:

1. Consult with you on the location for your Restaurant, which must be accepted by us. Your site must meet our criteria for population and/or median income in the surrounding area, size and cost of the location that you select and other similar factors, including our business judgment. We may reject your proposed location. Our acceptance only means that the site meets our minimum requirements for a Restaurant (Franchise Agreement – Section 5.A).
2. Consult with you regarding the build-out for the interior of your Restaurant or interior leasehold improvements and floor plan design. We will provide you with our specifications and requirements based on typical configurations for the layout of the business, including lists and specifications of approved fixtures, equipment and signs needed to outfit and furnish your Restaurant in accordance with our uniform image and standards (Franchise Agreement – Section 5.B).
3. Lend you one copy of the Manual (Franchise Agreement – Section 6.H). We will provide the Manual electronically.
4. Train up to four people, the cost of which is included in your initial franchise fee (Franchise Agreement – Section 7.B). This training is described in detail later in this Item.
5. Provide one of our representatives to conduct on-site grand opening assistance and training at your Restaurant for up to five days. We will provide this opening assistance and training at our expense, but if you request additional days of on-site assistance, you must reimburse our costs for the additional days, including our per diem fee for our representative and the additional out-of-pocket expenses our representative incurs. If you are opening your second or later Restaurant, we reserve the right to reduce the duration of or eliminate our representative's visit (Franchise Agreement – Section 7.B and 8.B).

Post-Opening Obligations

Development Agreement: Under the Development Agreement:

1. We will review the information regarding potential sites that you provide to us to determine whether the sites meet our standards and criteria for a Restaurant and, if the site meets our criteria, accept the site for a Restaurant. (Area Development Agreement – Section 4.B.)
2. We will provide you with standard specifications and layouts for building and furnishing the Restaurant. (Area Development Agreement – Section 4.B.)
3. We will review your site plan and final build-out plans and specifications for conformity to our standards and specifications. (Area Development Agreement – Section 4.B.)

Franchise Agreement: During the operation of your Restaurant, we will:

1. Provide guidance and assistance in the operation of your Restaurant. This guidance may be provided in the form of periodic in-person meetings and telephone or written communications and will cover topics such as products or services to be offered to customers; improvements and developments in your Restaurant; (Franchise Agreement – Section 7.C.)
2. Maintain a Brand Fund (Franchise Agreement – Section 8.A.)
3. Provide periodic refresher training. We may designate that attendance at a refresher training program is mandatory for your Operating Principal, General Manager and/or other personnel (Franchise Agreement – Section 7.C.)
4. Conduct a meeting of our franchisees, which will not be held more frequently than annually. We may specify that attendance at a franchisee meeting is mandatory for your Operating Principal and your General Manager (Franchise Agreement – Section 7.E).

Site Selection

Within 90 days after you sign the Franchise Agreement, you must locate a site for your Restaurant, obtain our acceptance of the proposed site, and enter into a lease, sublease or purchase agreement for the approved site. We may require you to use our approved real estate vendor to assist you in the search of your site. You must submit to us the information and materials we may reasonably require to allow us to review the proposed site. We generally do not own the premises and lease it to you. The factors which we consider in accepting your location include the size and location of the premises, population in the immediate area and/or median household income, the lease terms for the premises, availability of parking and ease of access, types of businesses in close proximity to the premises, competition from similar businesses and other similar factors.

We will have 30 days after receiving all information we require concerning the proposed site to notify you whether the site is accepted or not. If we do not provide our specific

acceptance of a location within 30 days, the location is deemed not accepted. Our acceptance only indicates that the site meets our minimum criteria for a Restaurant. If you are unable to obtain possession of a suitable site for your Restaurant by lease, sublease or purchase agreement within six months after you sign the Franchise Agreement, we may provide you with an extension of this timeframe or we may terminate your Franchise Agreement.

Opening

We estimate that approximately six to twelve months will elapse from the date you sign the Franchise Agreement to the opening of your Restaurant. Factors which may affect the time required to open the Restaurant include your ability to obtain building permits, zoning and local ordinances, weather conditions, shortages, or delayed installation of equipment, fixtures and signs. We may require you to use our approved vendor for pre-construction/construction management while designing and building your Restaurant. We do not provide assistance with equipment, signs, fixtures, opening inventory or supplies except by providing a list of approved suppliers and through our written brand design specifications. We do not deliver or install these items. Your Restaurant must be open not later than twelve months after you sign the Franchise Agreement. If you are unable to open your Restaurant within the required time period, we may terminate the Franchise Agreement upon 30 days' prior written notice to you, unless Restaurant is scheduled to be open within this 30 day period or we grant you an extension in writing upon payment of an extension fee. You may not open your Restaurant until we have approved it as being ready to open.

You may not open your Restaurant until: (1) you have complied with all requirements regarding site selection and construction of the Restaurant (2) we determine that your Restaurant has been constructed, decorated, furnished, equipped and stocked with equipment, materials and supplies in accordance with plans and specifications we have approved; (3) the initial training program we provided has been completed to our satisfaction by all required persons; (4) the initial franchise fee and all other amounts due to us have been paid; (5) you have furnished us with all certificates of insurance required by the Franchise Agreement; (6) you have obtained all required governmental permits, licenses and authorizations necessary for the operation of your Restaurant; and (7) you are in full compliance with all the terms of the Franchise Agreement.

If you are a multi-unit developer, you must sign your first Franchise Agreement at the same time you sign the Development Agreement. The typical length of time between the signing of the Franchise Agreement and the opening of your first Restaurant is the same as for an individual franchisee. Each additional Restaurant you develop must be opened according to the terms of your Development Schedule.

Brand Fund

You must pay us a monthly Brand Fund Fee equal to 3% of Gross Revenues to be contributed to the Brand Fund ("Brand Fund") for marketing, promotion and brand development programs to promote the System. We may, on 6 months' prior written notice to you and in one or more increments, increase the Brand Fund Fee to up to 6%. However, your total payments of the Brand Fund Fee and the local marketing requirements will not exceed a total of 8% of Gross

Revenues. GREEN + THE GRAIN Restaurants owned by us and our affiliates will contribute to the Brand Fund on the same basis as franchisees. As of the date of this Disclosure Document, we have not collected or spent any Brand Fund amounts.

We may use the Brand Fund for activities to support the marketing and promotion of GREEN + THE GRAIN locations, including: providing creative development services (including graphic design for marketing collateral); updating and hosting a website; development and maintenance of software used by franchisees (including class registration and billing software), social media support; subscription fees and set-up expenses for design and learning platforms; the cost of music licensing; the expenses of franchise system-wide meetings; providing market intelligence through analytics to the franchise system; conducting member interviews, focus groups and surveys; conducting promotions; engaging advertising and marketing agencies and public relations firms; and any other expenses for developing and promoting the brand or System. We may be reimbursed for reasonable administrative costs, salaries and overhead incurred in administering or providing services to the Brand Fund.

The Brand Fund Fees paid will be accounted for separately from our other funds. Any sums paid to the Fund that are not spent in the year they are collected will be carried over to the following year. We need not spend all amounts we collect for this advertising in the same year collected. If the amount collected exceeds what is needed to pay for currently planned advertising, marketing and technology, we may accrue the excess amounts for use in future years. We will provide you with an unaudited accounting of how we used payments in the last fiscal year upon your request.

The Brand Fund is intended to maximize general public recognition, in all media, of the Marks and patronage of GREEN + THE GRAIN Restaurants and we have no obligation to make sure that expenditures of the Fund in or affecting any geographic area are proportionate or equivalent to payments of the Brand Fund Fee by franchisees operating in that geographic area, or that any Store will benefit directly or in proportion to the Brand Fund Fees paid for the development of advertising and marketing materials or the placement of advertising. Your failure to derive this benefit will not serve as a basis for a reduction or elimination of your obligation to contribute to the Fund. We have no fiduciary obligation to you or any other Restaurant in connection with the establishment of the Fund or the collection, control or administration of Brand Fund Fees. No amount of the Fund will be spent for advertising that is principally a solicitation for the sale of franchises, provided our general marketing materials may reference franchise sales available.

We reserve the right to terminate the Fund at any time upon notice to you. If we terminate the Fund, any remaining money in the Fund will be used for advertising and promotion or returned to contributors on a pro rata basis. If we terminate the Fund we may reinstate it at any time, and any reinstated Fund will be maintained as described above.

Local Marketing

You must spend a minimum of 3% of Gross Revenues per month on approved local marketing activities in accordance with the Manual (currently, 3%). Upon 90 days' notice to you and in one or several increments, we may increase the required minimum Local Marketing

expenditures to 5% of Gross Revenues per month. Within 30 days of our request, you shall provide us with verification of the local marketing you conduct, including reports and receipts evidencing the placement of ads or verification copies of advertising.

We will provide you with pre-approved marketing templates that you can have personalized for your Restaurant. You must use only such marketing materials (including any print, radio, television, electronic, or other media forms that may become available in the future) as we furnish, approve or make available, and the materials must be used only in a manner that we prescribe. Furthermore, any promotional activities you conduct in or related to the Restaurant or on its premises are subject to our approval. You must submit all advertising and promotional materials to us prior to your use. If we do not respond within 14 days after you submit the proposed advertising materials to us, the advertising materials will be deemed not approved. We will not unreasonably withhold approval of any sales promotion materials or media and activities; provided that they are current, in good condition, in good taste, accurately depict the Marks and otherwise comply with brand standards. Any materials you submit to us for our review will become our property, and there will be no restriction on our use or distribution of these materials. At our request, you must include certain language in your local marketing materials, including “Franchises Available” and our website address and other contact information we may specify.

Grand Opening Marketing

You must spend no less than \$15,000 to conduct a grand opening celebration during the 60-day period prior to opening and during the first 30 days after your Restaurant opens. You must follow our prescribed activities to conduct your grand opening activities.

Cooperative Marketing/Local Marketing Groups

We may designate any geographic area in which two or more restaurants are located as a region for purposes of establishing a marketing cooperative or group (“Cooperative” or “Group”). The members of the Cooperative or Group for any area will consist of all GREEN + THE GRAIN Stores whether operated by us, our affiliates or our franchisees. We have the right to dissolve, merge or change the structure of the Cooperatives or Groups. Each Cooperative or Group will be organized for the exclusive purposes of administering marketing programs and developing promotional materials for use by the members in local marketing, subject to our approval as described above. If a Cooperative or Group has been established for a geographic area where your Restaurant is located when the Franchise Agreement is signed, or if any Cooperative or Group is established during the term of the Franchise Agreement, you must become a member. If the Cooperative or Group will operate according to written documents, we must approve of these documents, and a copy of the documents applicable to the geographic area in which your Restaurant will be located will be provided to you if you request it. You will not have to participate in more than one Cooperative or Group.

The payments you make to a Cooperative or Group may be applied by you toward satisfaction of your local advertising requirement. If the amount you contribute is less than your local advertising requirement, you must still spend the difference locally. All contributions will be maintained and administered in accordance with the documents governing the Cooperative or

Group, if any. Currently, there are no Cooperatives or Groups in the System. The Cooperative or Group is not required to prepare an annual financial statement.

Advisory Council

There are presently no advisory councils composed of franchisees and/or our representatives, but there may be these councils in the future. If we decide to form an advisory council, it will include our representatives and franchisee representatives. We will select the franchisee members of the council based, in part, on their length of time in the System and the performance of their Restaurants. If formed, we reserve the right to merge, change or dissolve the council. The council will be advisory only and will not have decision-making authority. We do not anticipate establishing an advisory council until there are at least 10 franchisees in our System.

Website, Intranet and Social Media

We alone may establish, maintain, modify or discontinue all internet, world wide web and electronic commerce activities pertaining to the System. We may establish one or more websites accessible through one or more uniform resource locators (“URLs”) and, if we do, we may design and provide for the benefit of your Restaurant a “click-through” subpage at our website for the promotion of your Restaurant. If we establish one or more websites or other modes of electronic commerce and if we provide a “click-through” subpage at the website(s) for the promotion of your Restaurant, you must routinely provide us with updated copy, photographs and news stories about your Restaurant suitable for posting on your “click-through” subpage. We reserve the right to specify the content, frequency and procedure you must follow for updating your “click-through” subpage.

In addition to these activities, we may also establish an intranet through which downloads of operations and marketing materials, exchanges of franchisee email, System discussion forums and System-wide communications (among other activities) can be done. You may not maintain your own website; otherwise maintain a presence or advertise on the internet or any other mode of electronic commerce in connection with your Restaurant; establish a link to any website we establish at or from any other website or page; or at any time establish any other website, electronic commerce presence or URL which in whole or in part incorporates the “GREEN + THE GRAIN” name or any name confusingly similar to the Marks.

You are not permitted to promote your Restaurant or use any of the Marks in any manner on any social or networking websites, such as Facebook, Instagram, LinkedIn or Twitter, without our prior written consent. We will control all social media initiatives. You must comply with our System standards regarding the use of social media in the operation of your Restaurant, including prohibitions on you and your employees posting or blogging comments about the Restaurant or the System, other than on a website established and authorized by us (“social media” includes personal blogs, common social networks like Facebook, Instagram and Snapchat, professional networks like LinkedIn, live-blogging tools like Twitter, virtual worlds, file, audio and video-sharing sites, and other similar social networking or media sites or tools). We will provide access to branded social media pages/handles/assets, and you must update these

regularly. We reserve the right to conduct collective/national campaigns via local social media on your behalf.

We alone will be, and at all times will remain, the sole owner of the copyrights to all material which appears on any website we establish and maintain, including any and all material you may furnish to us for your “click-through” subpage.

Initial Training Program

Our training is created to provide guidance to you, as well as your managers and key personnel responsible for delivering the brand promise to customers, on Green + The Grain System Standards and processes to ensure consistent, quality delivery of the Green + The Grain brand and approved products and services to customers. All franchisees and their Operating Principals (including any successor or replacement Operating Principal or general manager) must attend and satisfactorily complete our training programs. We reserve the right to require you to pay our then-current training fee for any trainee re-taking our training program. If any trainee fails to complete the training program a second time, we may choose to terminate the Franchise Agreement without providing you a refund of any portion of the initial franchise fee or training fee.

The instructional materials we use in our training program include our Manual, handouts, and any other materials that we believe will be beneficial in the training process. There currently are no fixed training schedules. We will offer our training program on an “as needed” basis. We may adjust our training schedule based on the individual needs or experience of any trainee.

You must pay our then-current per diem fee for each representative we send to you, and you must reimburse each representative’s expenses, including travel, lodging and meals.

We may periodically conduct a conference, convention, program, or training session, including, an annual franchise convention for all System franchise owners at a location that we

choose and approve. We will determine the duration, curriculum, and location of these events. You and your Operating Partner must attend each conference, convention, program, or training session. We may also require all of your managers, including replacement managers, to complete initial and on-going training programs to our satisfaction. These meetings may be held in virtually, in Minneapolis, Minnesota, or any other place that we may designate. We do not anticipate any training or conference will exceed three days. Lastly, as a condition of renewing your Franchise Agreement, we may require you to undergo further training. We may charge a reasonable fee for these sessions and you must pay all expenses incurred in attending, including the travel, living and other expenses and wages of your employees while attending all training programs. You must also maintain a computer and any other necessary digital device on which you and your employees can perform those training programs that are available digitally.

Table of Contents of Confidential Operations Manual

The Table of Contents for our Manual is attached to this Disclosure Document as Exhibit F. The Manual includes approximately 130 pages. We will provide the Manual electronically through an online platform.

Technology System

You must install and use in your Restaurant the computer network system (the “Technology System,” which also includes the required point of sale (“POS”) hardware and technology that is included as part of the Technology System) that we have developed or selected for your Restaurant, including all future updates, supplements and modifications. Our specific requirements for the technology system will be included in the Manual. We expect the cost of purchasing the system will be \$3,000 to \$4000, which includes the POS hardware, a computer and related accessories, cameras and music system and speakers. You may be required to license proprietary software from us, an affiliate or a third party and you also may be required to pay a software licensing or user fee in connection with your use of the proprietary software. All right, title and interest in the software will remain with the licensor of the software. You must not use or download any software on your computer unless it has been authorized by us in writing. In the event that you use or download any unauthorized software, you will be liable for all damages and problems caused by the unauthorized software. We will have full and complete access to the information and data entered and produced by the Technology System.

We may, during the term of your Franchise Agreement, require you to update and/or upgrade your computer system. There are no contractual limitations on our access to your data or on our right to request that you obtain these updates and/or upgrades, nor are there any limitations on the cost of these updates and/or upgrades. Neither we nor our affiliates will provide you with any maintenance, updates or upgrades for your Technology System. The estimated annual cost of maintenance, updating, upgrading or support contracts for the computer system is \$500 to \$2500. It is your responsibility to make sure that you are in compliance with all laws that are applicable to the Technology System or other technology used in the operation of your Restaurant, including all data protection or security laws as well as PCI compliance.

ITEM 12
TERRITORY

Franchise Agreement

The Franchise Agreement grants you the right to operate your Restaurant only at the location we approve (“Authorized Location”). You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control. However, we will grant you a protected area, which will be described in an exhibit to your Franchise Agreement (“Designated Area”). The Designated Area initially identified in the Franchise Agreement may be preliminary and subject to change once you and we have agreed on a specific Authorized Location. Your Designated Area may be as large as a several mile radius or as small as a single city block. Your Designated Area may be described in terms of street boundaries or may be drawn on a map to be attached to your Franchise Agreement. We (and any affiliates that we periodically might have) will not establish, nor allow another franchise owner to establish, another Restaurant located in your Designated Area. There are no circumstances under which we can modify the boundaries of your Designated Area during the term of your Franchise Agreement.

We retain all rights that are not expressly granted to you under the Franchise Agreement. Further, we and our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee, and without granting you any rights therein:

(i) establish and/or license others to establish franchised or company-owned or affiliate-owned GREEN + THE GRAIN businesses at any location outside of your Designated Area, regardless of the proximity of such businesses to your Designated Area;

(ii) merge with, acquire or become associated with (“Merger/Acquisition Activity”) any businesses of any kind (including those in competition with GREEN + THE GRAIN businesses under other systems and/or marks, which businesses may convert to or operate under the Marks and may offer or sell products or services that are the same as or similar to the services or products offered at or from the Restaurant, and which may be located anywhere;

(iii) sell and distribute for ourselves and/or license others to sell and distribute through restaurants or any other method of distribution services and products the same as or different from the services or products offered under the System, and which are offered and distributed under marks different than the GREEN + THE GRAIN Marks,

(iv) offer, sell or distribute any services or products associated with the System (now or in the future) or identified by the GREEN + THE GRAIN Marks, or any other trademarks, service marks or trade names through any distribution channels or methods (“Alternative Channels of Distribution”) separate from Restaurants like the one you are authorized to operate at your Authorized Location. The Alternative Channels of Distribution may include, without limitation, the Internet (or any other existing or future form of electronic commerce) or grocery stores or other stores where food items are sold; and

(v) develop or franchise nontraditional sites (“Nontraditional Locations”) which include, but are not limited to, the following locations regardless of their proximity to your Restaurant: (1) military bases; (2) public transportation facilities (including airports); (3) business or industry locations (e.g. manufacturing site, corporate cafeteria, healthcare facility), (4) sports facilities; (5) student unions or other similar buildings on college or university campuses; and (6) community and special events.

You may relocate your Restaurant within your Designated Area only with our prior written approval and payment of our relocation fee. Our approval will be based upon many factors, including the viability of the then-current location and demographics. Our approval will not be unreasonably withheld.

You may sell products and services to customers who live anywhere but who choose to use your Restaurant. You may not use Alternative Channels of Distribution to make sales outside or inside your Designated Area and you will not receive any compensation for our sales through alternative distribution channels. You may not engage in any promotional activities or sell our proprietary products or similar products or services, whether directly or indirectly, through or on the internet, the world wide web, or any other similar proprietary or common carrier electronic delivery system; through catalogs or other mail order devices sent or directed to customers or prospective customers located anywhere; or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from customers or prospective customers located anywhere. While you may place advertisements in printed media or online and on television and radio that are targeted to customers and prospective customers located within your Designated Area, and you will not be deemed to be in violation of the Franchise Agreement if those advertisements, because of the natural circulation of the printed media or reach of television and radio, are viewed by prospective customers outside of your Designated Area, you may not directly solicit customers outside of your Designated Area. You have no options, rights of first refusal, or similar rights to acquire additional franchises. You may not sell products to any business or other customer at wholesale.

We have not established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark. We describe earlier in this Item 12 what we may do within and outside of your Designated Area.

Except for any other franchise program that we may develop in the future, neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned businesses which provide similar products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

Development Agreement

If you enter into a Development Agreement, you will receive a Development Area within which you will have certain rights to develop multiple Restaurants. The size of the Development Area will depend on the number of Restaurants you commit to develop and may be described in terms of contiguous zip codes, street or county boundaries, or other similar methods, and may be depicted on a map. If you meet the Minimum Performance Schedule, comply with all other

provisions described in the Development Agreement and otherwise comply with the provisions of each related Franchise Agreement, we will not establish or license others to establish a Restaurant physically located within the Development Area assigned to you. You maintain your rights to your Development Area even if the population increases.

Except as expressly limited by the Development Agreement, we retain all rights that are not expressly granted to you under the Development Agreement or any Franchise Agreement that is in effect for a Restaurant in the Development Area. Further, we or our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee, and without granting you any rights therein:

(i) establish and/or license others to establish franchised or company-owned or affiliate-owned GREEN + THE GRAIN businesses at any location outside of your Development Area, regardless of the proximity of such businesses to your Development Area;

(ii) merge with, acquire or become associated with (“Merger/Acquisition Activity”) any businesses of any kind (including those in competition with GREEN + THE GRAIN businesses) under other systems and/or marks, which businesses may convert to or operate under the Marks and may offer or sell products or services that are the same as or similar to the products or services offered at or from the Restaurants, and which may be located anywhere;

(iii) sell or distribute for ourselves and/or license others to sell or distribute through restaurants or any other method of distribution products and services the same as or different from the services or products offered under the System, and which are offered and distributed under marks different than the Marks;

(iv) offer, sell or distribute any services or products associated with the System (now or in the future) or identified by the GREEN + THE GRAIN Trademarks, or any other trademarks, service marks or trade names through any distribution channels or methods (“Alternative Channels of Distribution”) separate from Restaurants like the one you are authorized to operate under this Agreement. The Alternative Channels of Distribution may include, without limitation, the Internet (or any other existing or future form of electronic commerce), or grocery stores or other stores where food items are sold; and

(v) develop or franchise Nontraditional Locations.

To maintain your rights under the Development Agreement you must have open and in operation the cumulative number of Stores stated on the Development Schedule by the dates agreed upon in the Development Schedule. Failure to do so will be grounds for either a loss of territorial exclusivity or a termination of the Development Agreement.

In addition, upon the expiration or termination of the Development Agreement, your rights under the Development Agreement with respect to the Development Area will have expired, and we and our affiliates will have the right to operate and to grant to others development rights and franchises to develop and operate Restaurants within the Development Area. This right will be subject only to any territorial rights under your franchise agreements for Restaurants in the Development Area. The Development Area may not be altered unless we and

you mutually agree to do so. It will not be affected by your sales volume. You are not granted any other option, right of first refusal or similar right to acquire additional Restaurants in your Development Area under the Development Agreement, except as described above.

ITEM 13
TRADEMARKS

The Franchise Agreement grants you the right to use certain trademarks, trade names, service marks, symbols, emblems, logos and indicia of origin designated by us. These Marks may be used only in the manner we authorize and only for the operation of your Restaurant. The Development Agreement does not grant you the right to use the Marks.

You may not use the Marks as a part of your corporate or other legal name, and you must comply with our instructions in filing and maintaining trade name or fictitious name registrations. You must sign any documents we require to protect the Marks or to maintain their continued validity and enforceability. In addition, you may not directly or indirectly contest the validity of our ownership of or our rights in and to the Marks.

GATG Affiliate has registered for the following Marks on the Principal Register with the United States Patent and Trademark Office (“USPTO”):

Mark	Registration Date	Registration Number
GREEN + THE GRAIN	August 11, 2020	6121648
	August 11, 2020	6121649
	August 11, 2020	6121650

There are no currently effective determinations of the USPTO, Trademark Trial and Appeal Board, the Trademark Administrator of this state or any court, nor is there any pending infringement, opposition, or cancellation proceeding, nor any pending material litigation involving the Marks which may be relevant to their use in any state, except as described below in this Item 13. GATG Affiliate intends to file all affidavits and to renew the registrations for the Marks when they become due.

There are no agreements currently in effect which limit our right to use or to franchise others to use the Marks, except for:

- Trademark License Agreement between us and GATG Affiliate dated April 20, 2024. The Trademark License Agreement between us and GATG Affiliate grants us a sublicensable and transferrable license to use the Marks in connection with the franchise for an initial term of 20 years with automatic 10-year renewals at our option. The agreement may only be terminated for material breach or by mutual consent. In the event of termination or expiration of the Trademark License Agreement for any reason, franchisees will retain the right to continue to use the Marks pursuant to the terms of their respective agreements for not less than the then-remaining term of such agreement.
- The Concurrent Use Agreement between GATG Affiliate and Greens & Grains, LLC (“GG”), a California company based in Alameda, CA (“Concurrent Use Agreement”), dated August 19, 2019. The Concurrent Use Agreement includes the following terms: (i) GG’s use of its GREENS & GRAINS mark will be limited to California; (ii) GATG Affiliate will not use the Marks noted in this Item 13 in California, and (iii) the parties will work together to eliminate or minimize any confusion that arises.

We are not aware of any superior prior rights that could materially affect your use of the Marks in any state other than California as noted above. Also, in New Jersey we are aware of a “Greens and Grains” restaurant business that has several locations in New Jersey and one location in Philadelphia, with use and/or rights that may or may not be superior to our rights in those areas.

You must promptly notify us of any suspected unauthorized use of the Marks, any challenge to the validity of the Marks, or any challenge to our ownership of, our right to use and to franchise others to use, or your right to use, the Marks. We have the sole right to direct and control any administrative proceeding or litigation involving the Marks, including any settlement. We have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Marks. We may defend you against any third-party claim, suit or demand arising out of your use of the Marks. If we determine that you have used the Marks in accordance with your Franchise Agreement, the cost of the defense, including the cost of any judgment or settlement, will be borne by us. If we determine that you have not used the Marks in accordance with your Franchise Agreement, the cost of the defense, including the cost of any judgment or settlement, will be yours. In the event of any litigation relating to your use of the Marks, you must sign any and all documents and do the acts as may, in our opinion, be necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action. Except if this litigation is the result of your use of the Marks in a manner inconsistent with the terms of your Franchise Agreement, we will reimburse you for your out-of-pocket costs in doing these acts.

We reserve the right to substitute different Marks for use in identifying the System and the businesses operating under the Marks. You must implement any changed or substituted Mark at your own expense.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We and our affiliates own common law copyrights in the Manuals, our recipe books, certain drawings and advertising materials, and we will make these available to you. These materials are our proprietary property and must be returned to us upon expiration or termination of the Franchise Agreement.

There are no currently effective determinations of the USPTO, US Copyright Office, or any court concerning any copyright. You must promptly tell us when you learn about unauthorized use of this proprietary and confidential information. We are not obligated to take any action, but will respond to this information as we think appropriate.

No patents are material to the franchise. If it becomes advisable to us at any time to acquire a patent, you will be obligated to use the acquired patent as we may require.

Confidential Manuals

You must operate your Restaurant according to the standards, methods, policies and procedures specified in the Manual. One copy of the Manual is loaned to you by us for the term of your Agreement after you and your staff complete our initial training program to our satisfaction. We reserve the right to provide the Manual electronically. We will provide access to the Manual to your employees we have approved. Some of your employees will have access to limited sections of the Manual on a need-to-know basis.

You must treat the Manual, any other of our manuals which are used in the operation of your Restaurant, and the information in them as confidential, and must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record, or otherwise reproduce these materials, in whole or in part, or otherwise give them to any unauthorized person. The Manual will remain our sole property and must be kept in a secure place at the Restaurant.

We may revise the contents of the Manual, and you must comply with each new or changed standard. In the event of any dispute as to the contents of the Manual, the terms of the master copy maintained by us at our home office will be controlling.

Confidential Information

You must not, during the term of your Agreement or after the term of your Agreement, communicate, divulge or use for the benefit of any other person, partnership, association, or corporation any confidential information, knowledge or know-how concerning the methods of operation of the Restaurant which may be communicated to you or which you may learn because of your operation under the terms of your Agreement. Confidential information includes System standards, market research, advertising and promotional campaigns, approved suppliers, operating results of Stores, the terms of your Agreement with us, the Manual, graphic designs and other intellectual property, and your client/member database. You may divulge this confidential information only to those of your employees who must have access to it to operate

your Restaurant. Any and all information, knowledge, know-how, techniques and other data which we designate as confidential will be deemed confidential for purposes of your Agreement.

At our request, you must have your Operating Principal, General Manager, and any personnel having access to any of our confidential information sign agreements that say that they will maintain the confidentiality of information they receive in connection with their employment by you at your Restaurant. The agreements must be in a form satisfactory to us, including specific identification of us as a third party beneficiary of the covenants with the independent right to enforce them and that they prohibit any direct or indirect ownership in a competing business.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL
OPERATION OF THE FRANCHISE BUSINESS

You or your majority owner, or if there is no majority interest owned by one person, the owner appointed by you and approved by us (the “Operating Principal”), will be our primary contact for your Restaurant, and we may communicate with and rely on the decisions made by your Operating Principal. If the franchisee is an entity, all owners of that entity must sign a personal guarantee in a form we approve (current form is attached to the Franchise Agreement. We may require a spouse to sign the personal guaranty (generally, if you or the Restaurant are located in a community property state).

Your Operating Principal may also act as your General Manager. Your General Manager (if the General Manager is a separate individual from the Operating Principal) must participate full-time in the Restaurant if the Operating Principal does not. We do not require that your General Manager have an ownership interest in you or the Restaurant. If you operate more than one Restaurant, you must have a properly trained General Manager at each location, unless we approve otherwise.

In addition to requiring your Operating Principal and General Manager to complete our initial training program to our satisfaction, your Operating Principal and General Manager, along with any other personnel we designate (such as your trainers), must maintain the confidentiality of the Manual and all other confidential information that we provide you or allow you to access.

If your Operating Principal or General Manager is terminated or leaves his/her employment with you, you must designate a replacement for that person within 30 days after the employment of the previous employee ends. The replacement must be trained to our satisfaction as soon as practicable after hiring, which may require sending the replacement to our training program at your expense.

You must operate the Restaurant in strict conformity with all applicable Federal, state and local laws, ordinances and regulations. These laws, ordinances and regulations vary from jurisdiction to jurisdiction and may be implemented or interpreted in a different manner. You must learn of the existence and requirements of all laws, ordinances and regulations applicable to the Restaurant and you must adhere to them and to the then-current implementation or interpretation of them.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use the Restaurant solely for the operation of your Restaurant. You must keep your Restaurant open and in normal operation for the minimum hours and days as we specify, subject to applicable law and/or the terms of your lease. You must not use or permit the use of the Restaurant for any other purpose or activity at any time without first obtaining our written consent. You must operate the Restaurant in conformity with the methods, standards and specifications we may require in the Manual or in writing. You must not change the standards, specifications and procedures without our prior written consent.

ITEM 18
PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be

given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 information is an historic representation based on the past performance of existing outlets. The table below presents an unaudited statement of gross sales and certain expenses and profit numbers, as qualified below, for each of our six affiliated operated restaurants that were open and operating in 2023 (A-F in the table). Our affiliate has a lease for a seventh location, which did not open as originally planned because of COVID19 and did not operate in 2023 or for any material amount of time before that year. Accordingly, the expenses associated with that location are not included below. The affiliate operated restaurants are operationally similar to the restaurants that franchisees will operate.

Notes:

Gross Sales – The Gross Sales represents total revenue derived from the sale of goods less sales tax. Gross sales related to our mobile eatery, outposts and corporate cafeteria contract are reported with Location A because the majority of the support for those programs is provided through that location.

Cost of Goods Sold – The costs of goods includes food and beverage costs as well as packaging and paper products. Our affiliate operates these six locations as a group and certain food preparation is consolidated at commissary kitchen locations (A and E). The majority of costs of goods sold are tracked at the location level, however there may be certain costs reported above at A and E that are associated with the locations supported by those kitchens.

Labor and Benefits Costs – Staff includes team members assigned to work at individual locations as well as team members who work across multiple locations. The labor and benefits costs reflected for each location includes the pay and benefits for the dedicated staff at each location as well as an allocation for those restaurant-level team members who work across multiple locations.

Occupancy Costs –Occupancy costs in the table reflect the actual rent, common area maintenance, real estate tax, and other lease expenses paid during the year, which in some cases was reduced due to a free rent period or similar concession provided by the landlord in connection with the lease.

Other Operating Expenses - All other expenses associated with the operations of a restaurant including but not limited to liability insurance, merchant processing fees, marketing, delivery expenses, restaurant supplies, cleaning services, and uniforms. Because our six affiliate locations are operated as a group, most of the operating expenses are shared expenses. The amounts reflected in the chart for each location represent an allocation of the total operating expenses proportionate to that location’s gross revenue. Our affiliate has operated in the general Minneapolis-St. Paul metro where it has an established brand recognition over its 10 years of operations and the operating expenses reflect minimal marketing expense in 2023. We anticipate that you will have greater marketing expenses, especially during the initial phases of operation.

Imputed Franchise Fees – None of our affiliate locations paid any franchise fees in 2023. The imputed franchise fees in the table above represent a calculation of the royalty, marketing fund contribution and technology fees that franchisees will pay under their franchise agreement.

Total Operating Profit –Total operating profit generated by the restaurant excluding interest, taxes, and depreciation.

Some stores have sold this amount. Your individual results may differ. There is no assurance that you’ll sell as much.

Our management prepared this Item 19 financial performance representation based on information provided by our affiliates. This financial performance representation was prepared without an audit. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are

purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Tiffany Hauser at tiffany@greenandthegrain.com, (612) 217-1650, 200 South 6th Street, Suite 296, Minneapolis, MN 55402, the Federal Trade Commission, and the appropriate state regulatory agencies.

D. We have agreed to grant you a GREEN + THE GRAIN franchise using the Trademarks and System, subject to the terms and conditions of this Agreement.

In consideration of the foregoing and the mutual covenants and consideration below, you and we agree as follows:

DEFINITIONS

1. For purposes of this Agreement, the terms below have the following definitions:

A. “**Gross Revenues**” means the total gross revenue from the provision of all services and products sold or performed in, at, from or away from the Restaurant whether from cash, check, credit and debit card, barter or exchange, trade credit or credit transactions, including business interruption insurance proceeds and service charges in lieu of gratuity, but excluding (i) sales taxes collected from customers and paid to the appropriate taxing authority and (ii) the amount of all coupons redeemed at the Restaurant.

B. “**Manual**” or “**Operations Manual**” means any collection of written, video, audio and/or software media (including materials distributed electronically), regardless of title and consisting of various subparts and separate components, all of which we or our agents produce and which contain specifications, standards, policies, procedures and recommendations for your Restaurant, all of which we may change from time to time.

C. “**Menu Items**” means the salads, wraps and other products prepared according to our specified recipes and procedures, as we may modify and change from time to time.

D. “**Owner**” means any person or entity who, now or hereafter, directly or indirectly owns an interest in the franchisee when the franchisee is a corporation, limited liability company, or a similar entity other than a partnership entity. If the franchisee is a partnership entity, then each general partner is an Owner, regardless of the percentage of ownership interest. If the franchisee is one or

If we determine that you have used the Trademarks in accordance with this Agreement, the cost of the defense, including the cost of any judgment or settlement, will be borne by us. If we determine that you have not used

the Trademarks in accordance with this Agreement, the cost of the defense, including the cost of any judgment or settlement, will be yours. In the event of any litigation relating to your use of the Trademarks, you must sign any and all documents and do the acts as may, in our opinion, be necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action, and we will reimburse you for your out-of-pocket costs in doing these acts, except if this litigation is the result of your use of the Trademarks in a manner inconsistent with the terms of this Agreement.

E. Changes. You may not make any changes or substitutions to the Trademarks unless we direct in writing. We reserve the right to change or modify the Trademarks, including the “GREEN + THE GRAIN” Trademark, at any time. For example, we may require you to cease all use of the “GREEN + THE GRAIN” Trademark at any time and require you to use a different Trademark as we may designate in connection with the operation and identification of your Restaurant. There are no limitations on our right to change or modify the Trademarks and we may change or modify the Trademarks for any reason including, but not limited to, any challenge to our ownership of the Trademarks, a change in market conditions, or any claimed or actual infringement of our Trademarks. We will provide you with written notice of any changes or modifications to the Trademarks. Upon receipt of our written notice, you will have a reasonable amount of time, not to exceed three (3) months, to change or modify your use of the Trademarks consistent with the terms contained in the written notice. By way of example only, if we require you to change or modify the Trademarks, you may be required to do any of the following: (i) change all signage (interior and exterior) used in connection with the operation or identification of your Restaurant, (ii) cease all use of any products, serving and/or convenience items containing the Trademarks, (iii) cease all use of any advertising or marketing materials containing the former Trademarks, and (iv) change your letterhead, business cards and any other items containing the former Trademarks. All changes or modifications to the Trademarks will be at your sole expense.

F. Creative Works. All ideas, concepts, techniques, or materials concerning the “GREEN + THE GRAIN” Business, whether or not protectable intellectual property and whether created by or for you or one of your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any item does not qualify as a “work made-for-hire” for us, you must assign ownership of that item, and all related rights to that item, to us and must take whatever action (including signing an assignment agreement or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item.

TERM AND RENEWAL

4. The following provisions control with respect to the term of this Agreement and any successor rights:

A. Term. The initial term of this Agreement begins on the Effective Date as defined in Section 15.P below and the Summary Page and ends 10 years from the date of this Agreement, subject to any extension in writing for up to six months in order to correspond to the lease term for the Authorized Location (any such extension will be reflected in an updated Summary Page).

B. Renewal. You will have the option to renew your rights under this Agreement for two renewal terms of 10 years each; provided that with respect to each renewal: (i) you have given us written notice of your intent to enter into a renewal agreement at least 6 months but not more than 12 months prior to the end of the expiring term; (ii) you sign our then-current form of franchise agreement (modified to reflect that the agreement relates to a renewal agreement), the terms of which

may materially differ from this Agreement, including higher fees and a modified Designated Area (or, at our sole option, you sign an instrument extending for the duration of the renewal term, all covenants, conditions and provisions contained in this Agreement); (iii) you have complied with the provisions of Section 5.E regarding modernization and you perform any further items of modernization and/or replacement of the building, premises, trade dress, equipment and grounds as may be necessary for your Restaurant to conform to the standards then applicable to new “GREEN + THE GRAIN” businesses, regardless of the cost of such modernizations and/or replacements; (iv) you are not in default of this Agreement or any other agreement between you and us or our affiliates, you have not been in default of this Agreement on three or more occasions during the term of this Agreement, regardless of whether any cure has been effectuated, have satisfied all monetary and material obligations on a timely basis during the term, and you are in good standing; (v) if leasing the Restaurant premises, you have renewed the lease and have provided written proof of your ability to remain in possession of the premises throughout the renewal period; (vi) you comply with our then-current training requirements; (vii) you pay us a renewal fee of 50% of the then current initial franchise fee; and (viii) you and your owner(s) and guarantors execute a general release of claims in a form we prescribe.

C. Interim Period. If you do not exercise your option to enter into a renewal agreement prior to the expiration of this Agreement and continue to accept the benefits of this Agreement after the expiration of this Agreement, then at our option, this Agreement may be treated either as (i) expired as of the date of expiration with you then operating a franchise without the right to do so and in violation of our rights; or (ii) continued on a month-to-month basis (“**Interim Period**”) until one party provides the other with written notice of such party’s intent to terminate the Interim Period, in which case the Interim Period will terminate thirty (30) days after receipt of the notice to terminate the Interim Period. In the latter case, all of your obligations shall remain in full force and effect during the Interim Period as if this Agreement had not expired, and all obligations and restrictions imposed on you upon expiration of this Agreement will be deemed to take effect upon termination of the Interim Period.

FACILITY STANDARDS AND MAINTENANCE

5. You acknowledge and agree that we have the right to establish, from time to time, quality standards regarding the business operations of “GREEN + THE GRAIN” businesses to protect the distinction, goodwill and uniformity symbolized by the Trademarks and the System. Accordingly, you agree to maintain and comply with our quality standards and agree to the following terms and conditions:

A. Site Selection. You are responsible for identifying a site that meets our site selection guidelines and that we have approved. Once we approve, the Authorized Location must be designated on the Summary Page. The parties acknowledge and agree that our site approval is not an assurance that the Business will achieve a certain sales volume or level of profitability; it means only that the proposed site meets our minimum site selection criteria.

You may not open your Restaurant for business until we have notified you in writing that you have satisfied your pre-opening obligations as set forth in Sections 5.A and 5.B and we have consented to your opening date. We are not responsible or liable for any of your pre-opening obligations, losses or expenses you might incur for your failure to comply with these obligations or your failure to open by a particular date. We also are entitled to injunctive relief or specific performance under Section 12.C for your failure to comply with your obligations.

You and your landlord must sign the Lease Addendum attached as Schedule A. We recommend you submit the Lease Addendum to the landlord at the beginning of your lease review

and negotiation, although the terms of the Lease Addendum may not be negotiated without our prior approval. If the landlord requires us to negotiate the Lease Addendum, we reserve the right to charge you a fee, which will not exceed our actual costs associated with the negotiation. You must provide us a copy of the executed lease and Lease Addendum within 5 days of its execution. We have no responsibility for the lease; it is your sole responsibility to evaluate, negotiate and enter into the lease for the Restaurant premises.

You must execute and provide us an executed copy of your lease (including an executed copy of the Lease Addendum) or the purchase agreement for the selected and approved site for your Restaurant within six months from the date of execution of this Agreement. If you fail to have your “site under control” (you and we agree on a site and you execute a lease or purchase agreement for the site) within six months after the date of execution of this Agreement, we will have the right to terminate this Agreement without opportunity to cure pursuant to Section 13.B.2.

B. Construction; Future Alteration. You must construct and equip the Restaurant in strict accordance with our current approved specifications and standards pertaining to equipment, signage, fixtures, furnishings, and design and layout of the building. You may not commence construction of the Restaurant until you have received our written consent to your layout plans.

Without limiting the generality of the prior paragraph, you must promptly after obtaining possession of the site for the Restaurant: (i) contact and retain a construction manager and an architect that meet our approval and have prepared and submitted for our approval a site survey and basic architectural plans and specifications consistent with our general buildout, image, color scheme and décor requirements as set forth in the Manuals for a “GREEN + THE GRAIN” Restaurant (including requirements for dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture and signage); (ii) purchase or lease and then, in the construction of the Restaurant, use only the approved building materials, equipment, fixtures, audio visual equipment, furniture and signage; (iii) complete the construction and/or remodeling, equipment, fixtures, furniture and sign installation and decorating of the Restaurant in full and strict compliance with plans and specifications we approve and all applicable ordinances, building codes and permit requirements without any unauthorized alterations; (iv) obtain all customary contractors’ sworn statements and partial and final waivers, obtain all necessary permits, licenses and architectural seals and comply with applicable legal requirements relating to the building, signs, equipment and premises, including, but not limited to, the Americans With Disabilities Act; and (v) obtain and maintain all required zoning changes, building, utility, health, sanitation, and sign permits and licenses and any other required permits and licenses. It is your responsibility to comply with the foregoing conditions.

Any change to the plans or any replacement, reconstruction, addition or modification in the space, interior or exterior decor or image, equipment or signage of the Restaurant to be made after our consent is granted for initial plans, whether at the request of you or of us, must be made in accordance with specifications that have received our prior written consent. You may not commence such replacement, reconstruction, addition or modification until you have received our written consent to your revised plans.

C. Maintenance. The building interior, equipment, fixtures, furnishings, signage and trade dress (including the interior and exterior appearance) employed in the operation of your Restaurant must be maintained and refreshed in accordance with our requirements established periodically and any of our reasonable schedules prepared based upon periodic evaluations of the premises by our representatives. Within a period of 30-60 days (as we determine depending on the work needed) after the receipt of any particular report prepared following such an evaluation, you must

effect the items of maintenance we designate, including the repair of defective items and/or the replacement of irreparable or obsolete items of equipment and interior signage. If, however, any condition presents a threat to customers or public health or safety, you must effect the items of maintenance immediately, as further described in Section 6.G.

D. Relocation. If you need to relocate because of condemnation, destruction, or expiration or cancellation of your lease for reasons other than your breach, we will grant you authority to do so at a site acceptable to us; provided that (i) the new Restaurant is under construction within 90 days after you discontinue operation of the Restaurant at the Authorized Location, and (ii) the new Restaurant is open and operating within 120 days after construction commences, all in accordance with our then-current standards. If you voluntarily decide to relocate the Restaurant, your right to relocate the Restaurant will be void and your interest in this Agreement will be voluntarily abandoned, unless you have given us notice of your intent to relocate not less than 60 days prior to closing the Restaurant, have procured a site that we accept within 60 days after closing the prior Restaurant, have opened the new Restaurant for business within 120 days of such closure and complied with any other conditions that we reasonably require.

In the event your Restaurant is destroyed or damaged and you repair the Restaurant at the Authorized Location (rather than relocate the Restaurant), you must repair and reopen the Restaurant in accordance with our then-current standards for the destroyed or damaged area within 120 days of the date of occurrence of the destruction or damage.

You do not have the right to relocate in the event you lose the right to occupy the Restaurant premises because of the cancellation of your lease due to your breach. The termination or cancellation of your lease due to your breach is grounds for immediate termination under Section 13.B.2.

E. Modernization or Replacement. From time to time as we require, you must modernize and/or replace the building interior, trade dress, equipment, fixtures and improvements as may be necessary for your Restaurant to conform to the standards for similarly situated “GREEN + THE GRAIN” businesses. Furthermore, in addition to performing general continued maintenance and refreshing of the Restaurant premises whenever necessary as set forth in Section 5.C, you must make any required expenditures for equipment or leasehold improvements necessary to offer new services.

Each and every transfer of any interest in this Agreement or your Business governed by Paragraph 11 or any renewal agreement covered by Paragraph 4 is expressly conditioned upon your compliance with these modernization or replacement requirements at the time of transfer or renewal.

You acknowledge and agree that the requirements of this Section 5.E are both reasonable and necessary to ensure continued public acceptance and patronage of the “GREEN + THE GRAIN” Business licensed hereunder and to avoid deterioration or obsolescence in connection with the operation of the Restaurant. If you fail to make any improvement as required by this Section or perform the maintenance described in Section 5.C, we may, in addition to our other rights in this Agreement, effect such improvement or maintenance and you must reimburse us for the costs we incur.

F. Signage. All signage at your Restaurant must comply with our then current specifications, which we may modify and change from time to time due to modifications to the System, including changes to the Trademarks. You must make such changes to the outdoor signage as we require and at your cost.

PRODUCTS AND OPERATIONS STANDARDS AND REQUIREMENTS

6. You must implement and abide by our requirements and recommendations directed to enhancing substantial System uniformity and protecting the goodwill of the Trademarks. The following provisions control with respect to products and operations:

A. Authorized Menu; Authorized Products and Services. Your Business must be confined to the preparation and sale of only such Menu Items and other food and beverage products as we designate and approve in writing from time to time for sale by your Restaurant. You must offer for sale from the Restaurant all items and only those items listed as Menu Items and other approved food and beverage products. We have the right to make modifications to these items from time to time, and you agree to comply with any modifications. You may not offer or sell any other product or service at the Authorized Location without our prior written consent.

You must use in the operation of the Business only the proprietary and non-proprietary techniques and processes and supplies we designate, all as we specify in our Manual or otherwise in writing. We will supply to you a copy of the current Manual prior to opening the Business. You acknowledge and agree that we may change these periodically and that you are obligated to conform to the requirements.

B. Approved Supplies and Suppliers. We will furnish to you from time to time lists of approved supplies or approved suppliers. You must only use approved products, services, equipment, fixtures, furnishings, signs, advertising materials, trademarked items and novelties, and other items or services (collectively, “**approved supplies**”) in connection with the design, construction and operation of the Business as set forth in the approved supplies and approved suppliers lists, as we may amend from time to time. Although we do not do so for every item, we have the right to approve the manufacturer, distributor and/or supplier (“**approved suppliers**”) of approved supplies. You acknowledge and agree that certain approved supplies may only be available from one approved supplier, and we or our affiliates may be that supplier. You will pay the then-current price in effect for any approved products and supplies purchased from us or our affiliates. All inventory, products, materials and other items and supplies used in the operation of the Business that are not included in the approved supplies or approved suppliers lists must conform to the specifications and standards we establish from time to time. ALTHOUGH APPROVED OR DESIGNATED BY US, WE AND OUR AFFILIATES MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO SERVICES, PRODUCTS, EQUIPMENT (INCLUDING, WITHOUT LIMITATION, ANY REQUIRED COMPUTER SYSTEMS), SUPPLIES, FIXTURES, FURNISHINGS OR OTHER APPROVED ITEMS. IN ADDITION, WE DISCLAIM ANY LIABILITY ARISING OUT OF OR IN CONNECTION WITH THE SERVICES RENDERED OR PRODUCTS FURNISHED BY ANY SUPPLIER APPROVED OR DESIGNATED BY US. OUR APPROVAL OR CONSENT TO ANY SERVICES, GOODS, SUPPLIERS, OR ANY OTHER INDIVIDUAL, ENTITY OR ANY ITEM SHALL NOT CREATE ANY LIABILITY TO US.

Except for any products, supplies or materials for which we designate a single approved supplier, if you wish to purchase products, supplies, materials or equipment from suppliers not approved by us, you must submit to us a written request to approve the proposed supplier, together with any background documents or evidence we may require. We will have the right to require you to obtain permission from the supplier to allow our representatives to inspect the supplier’s facilities and that you deliver samples from the supplier for evaluation and testing to us or to an independent testing Restaurant that we designate. We may charge you an evaluation fee to conduct our evaluation and

testing. We will, within 30 days after our receipt of your evaluation request, notify you in writing of our approval or disapproval of your proposed supplier. We may revoke our approval of particular products, equipment or suppliers when we determine that such products, equipment or suppliers no longer meet our standards. Upon receipt of our revocation of approval, you must cease to use or sell any disapproved products and cease to purchase from any disapproved supplier.

C. Technology System. You must install and use in your Business the computer network system (the “**Technology System**,” which also includes the required point of sale (“**POS**”) hardware and technology that is included as part of the Technology System) that we have developed or selected for your Business, including all future updates, supplements and modifications. The required software and hardware may include a credit card processing system and/or gift card processing system we designate. You will be responsible for all fees and expenses associated with the Technology System, including any technical or administrative support, which may be due to third party vendors or suppliers (these amounts are separate from the Technology Fee described in Section 9.D). It is your responsibility to make sure that you are in compliance with all laws that are applicable to the Technology System or other technology used in the operation of your Restaurant, including all data protection or security laws as well as PCI compliance. You may be required to license software from us, an affiliate or a third party and you also may be required to pay a software licensing or user fee in connection with your use of the software. All right, title and interest in the software will remain with the licensor of the software. You must not use or download any software on your computer unless it has been authorized by us in writing. In the event that you use or download any unauthorized software, you will be liable for all damages and problems caused by the unauthorized software in addition to the other remedies provided under this Agreement. You acknowledge and agree that we will have full and complete access to the information and data entered and produced by the Technology System. You must, at all times, have at the Business internet access with a form of high speed connection as we require and you must maintain an email account for the Business.

D. Health and Sanitation. Your Business must be operated and maintained at all times in compliance with any and all applicable health and sanitary standards prescribed by governmental authority. You also must comply with any standards that we prescribe. In addition to complying with such standards, if the Business is subject to any sanitary or health inspection by any governmental authorities under which it may be rated in one or more than one classification, it must be maintained and operated so as to be rated in the highest available health and sanitary classification with respect to each governmental agency inspecting the same. In the event you fail to be rated in the highest classification or receive any notice that you are not in compliance with all applicable health and sanitary standards, you must immediately notify us of such failure or noncompliance.

E. Evaluations. We or our authorized representative have the right to enter your Business at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain if the provisions of this Agreement are being observed by you, to inspect and evaluate your Business and equipment, and to test, inspect and evaluate your services, equipment, supplies, products and overall operation of the Business. We and our representative also have the right to interview you, your employees and subcontractors, marketing contacts and clients pertaining to matters of compliance with this Agreement and the System and to photograph, videotape or audiotape any such interviews and/or observation/inspection of the operation of the Business without prior notice to you. You hereby consent to our use of any such audio or video recording for training, marketing or any other purpose. Any evaluation or inspection we conduct is not intended to exercise control over your day-to-day operation of the Business or to assume any responsibility for your obligations under this Agreement.

Any failure of an inspection is a default under Section 13.A of this Agreement. Further, if we determine that any condition in the Restaurant presents a threat to customers or public health or safety, we may take whatever measures we deem necessary, including requiring you to immediately close the Restaurant until the situation is remedied to our satisfaction. Our inspections and evaluations may include a “mystery shopper” program from time to time throughout the term of this Agreement. You must participate in any “mystery shopper” program we designate and be responsible for any costs of a “mystery shopper” visit or evaluation of your Restaurant.

F. Period of Operation. Subject to any contrary requirements of local law, your Business must be opened to the public and operated during the days and times set forth in the Manual. You acknowledge and agree that if your Business is closed for a period of five consecutive days without our prior written consent, such closure constitutes your voluntary abandonment of the franchise and business and we have the right, in addition to other remedies provided for herein, to terminate this Agreement. Acts of force majeure, as defined in Section 16.M, preventing you temporarily from complying with the foregoing will suspend compliance for the duration of such interference.

G. Operating Procedures. You must adopt and use as your continuing operational routine the required standards, procedures, techniques and management systems described in our Manuals or other written materials relating to various aspects of the operation of the Business. We will revise the Manual and these standards, procedures, techniques and management systems periodically to meet changing conditions of retail operation in the best interest of facilities operating under the Trademarks. Any required standards exist to protect our interests in the System and the Trademarks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to you. The required standards generally will be set forth in the Manual as defined in Section 1.C or other written materials. The Manual also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. You may follow the recommendations or guidelines or some other suitable alternative, provided you meet and comply with the required standards. In other instances, no suitable alternative may exist. In order to protect our interests in the System and Trademarks, we reserve the right to determine if you are meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

You will receive one copy of the Manual on loan from us for the term of this Agreement. The Manual is at all times our sole property. You must at all times treat the Manual, and the information it contains, as secret and confidential, and must use all reasonable efforts to maintain such information as secret and confidential. We may from time to time revise the contents of the Manual and you expressly agree to comply with each new or changed requirement. You must at all times ensure that your copy of the Manual is kept current and up to date, and in the event of any dispute as to the contents of said Manual, the terms of the master copy of the Manual that we maintain are controlling. You acknowledge and agree that in the future the Manual and other system communications may only be available on the Internet or other online or computer communications.

H. Compliance with Law; Licenses and Permits. You must at all times maintain your premises and conduct your Business operations in compliance with all applicable laws, regulations, codes and ordinances. You must secure and maintain in force all required licenses, permits and certificates relating to your Restaurant and be prepared to furnish copies upon request.

You acknowledge that you are an independent business and solely responsible for control and management of your Business, including, but not limited to, the hiring and discharging of your employees and setting and paying wages and benefits of your employees. You acknowledge that we

have no power, responsibility or liability in respect to the hiring, discharging, setting and paying of wages or related matters.

You must immediately notify us in writing of any claim, litigation or proceeding that arises from or affects the operation or financial condition of your “GREEN + THE GRAIN” Business, including any notices of health code violations or other license violations.

I. Confidential Information. You, your owners, and your manager may not, during the term of this Agreement or thereafter, disclose, copy, reproduce, sell or use for the benefit of any other person or entity Confidential Information, except to such employees that must have access to it to operate the Restaurant. For purposes of this Agreement, “Confidential Information” means the whole or any portion of know-how, knowledge, methods, specifications, processes, procedures and/or improvements regarding the business that is valuable and secret in the sense that it is not generally known to our competitors and any proprietary information contained in the Operations Manual or otherwise communicated to you in writing, verbally or through the Internet or other online or computer communications, and any other knowledge or know-how concerning the methods of operation of the Restaurant, as well as the content of this Agreement and any other document executed in connection with this Agreement. Any and all Confidential Information, including, without limitation, methods, procedures, suggested pricing, specifications, processes, materials, techniques and other data, may not be used for any purpose other than operating the Restaurant. We may require that you obtain nondisclosure and confidentiality agreements in a form satisfactory to us from any persons owning an interest in you, the Owners, your manager and other key employees. You must provide executed copies of these agreements to us upon our request. Notwithstanding the foregoing, you are authorized to disclose the terms of this Agreement to any lender providing you financing for the Restaurant as well as to your landlord.

J. Customer Information. You may only use Customer Information (as defined below) to the extent necessary to perform your obligations under this Agreement during the term hereof and subject to such restrictions as we may from time to time impose and in compliance with all data privacy, security and other applicable laws. “**Customer Information**” means any contact information (including name, address, phone and fax numbers, and e-mail addresses), sales and payment history, and all other information about any client, including any information deemed “personal information” under applicable law. As used in this Agreement, the term “customer” refers to any person or entity (i) included on any marketing or customer lists you develop or use; (ii) who has purchased or purchases services or products at the Restaurant; or (iii) whom you have solicited to purchase any services or products at or from the Restaurant. We own all Customer Information and may use the Customer Information as we deem appropriate, including sharing it with our affiliates.

Without limiting the foregoing, you agree to comply with applicable law in connection with your collection, storage and your use and our use of such Customer Information, including, if required under applicable law, obtaining consents from client to our and our affiliates’ use of the Customer Information. You must comply with all laws and regulations relating to data protection, privacy and security, including data breach response requirements (“**Privacy Laws**”), as well as data privacy and security policies, procedures and other requirements we may periodically establish. You must notify us immediately of any suspected data breach at or in connection with the Restaurant or the business operated at the Restaurant. You must fully cooperate with us and our counsel in determining the most effective way to meet our standards and policies pertaining to Privacy Laws within the bounds of applicable law. You are responsible for any financial losses you incur or remedial actions that you must take as a result of breach of security or unauthorized access to Customer Information in your control or possession.

K. Participation in Internet Websites or Other Online Communications. We may require you, at your expense, to participate in our “GREEN + THE GRAIN” website on the Internet, our intranet system or extranet system or other online communications as we may require. We have the right to determine the content and use of our website and intranet or extranet system and will establish the rules under which franchisees may or must participate. You may not separately register any domain name containing any of the Trademarks, participate in any website (including any social media platform) that markets goods and services similar to a “GREEN + THE GRAIN” business, or operate a website or social media site for your Restaurant that does not link to our website and/or that we do not approve. We retain all rights relating to our website and intranet system and may alter or terminate our website, extranet system or intranet system. Your general conduct on our website and intranet and extranet systems or other online communications and specifically your use of the Trademarks or any advertising is subject to the provisions of this Agreement. In particular, you shall not either directly or indirectly create, develop, maintain, and/or use your own website, blog, vlog, social network, or other on-line venue or communication on the Internet using any of the Trademarks, or otherwise use any of the Trademarks on the Internet in any other manner including for search engine advertising purposes without our prior written consent. You acknowledge that certain information related to your participation in our website or intranet system may be considered Confidential Information, including access codes and identification codes. Your right to participate in our website and intranet or extranet system, or otherwise use the Trademarks or System on the Internet or other online communications, will terminate when this Agreement expires or terminates.

L. System Modifications. You acknowledge and agree that we have the right to modify, add to or rescind any requirement, standard or specification that we prescribe under this Agreement to adapt the System to changing conditions competitive circumstances, business strategies, business practices and technological innovations and other changes as we deem appropriate. You must comply with these modifications, additions or rescissions at your expense, subject to any express limitations set forth in this Agreement.

M. Suggested Pricing Policies. You generally have the right to establish prices for the services and products you offer and sell at your Restaurant. We may, from time to time, suggest prices for the training services and related services and products you offer and sell. We do, however, have the right to modify the System to give us the right to establish prices for such menu items and related services and products, both minimum and maximum. Any such modification will be in writing. Unless we so modify the System, any list or schedule of prices we furnish to you is a recommendation only and any decision you make to accept or reject the suggestion will not in any way affect the relationship between you and us.

N. Key Accounts. We reserve the right to establish and administer a Key Accounts program. You must comply with all Key Accounts standards and procedures set forth in the Manual and/or as we may otherwise communicate to you, as well as the specific terms of our arrangement with each applicable Key Account, which terms may include, without limitation, special pricing and payment terms. For purposes of this Agreement, “**Key Accounts**” means national, regional or other customers of “GREEN + THE GRAIN” Businesses located within and/or outside the Designated Area with whom we have entered or plan to enter into contracts, programs or other arrangements (i) for servicing of multiple locations of such customers and/or (ii) that we determine are designed to benefit the System as a whole by gaining otherwise unavailable business or addressing the concerns of such customers that may require specific terms or provisions of our arrangement with them.

O. Gift Card/Loyalty Programs. We may require you to participate in our gift card or loyalty program. The gift card program may give you the right to issue to customers of the Restaurant prepaid gift cards bearing the Trademarks (the “**Gift Cards**”). Your participation in the Gift Card program will be subject to compliance with the terms and conditions we from time to time specify. You also agree to comply with terms and conditions of any customer loyalty program we adopt from time to time.

Without limiting the foregoing, you must comply with the Gift Card program’s terms and conditions and procedures where a customer purchases a Gift Card from one franchisee’s Restaurant and redeems the Gift Card at another franchisee’s Restaurant. In order to implement the Gift Card program at the Restaurant, you may be required to purchase, at your own cost, from us or our approved or designated suppliers, certain equipment, supplies, software and materials and provide access and assistance to us and our approved vendor(s) in connection with such implementation. You may not issue any gift cards outside of our authorized Gift Card program.

P. Ethical Business Conduct. You agree to adhere to good business practices, observing high standards of honesty, integrity, fair dealing and ethical business conduct and good faith in all business dealings with customers, vendors, your employees, our corporate employees, and all other “GREEN + THE GRAIN” franchisees. You must not engage in deceptive, misleading or unethical practices or conduct that may have a negative impact on the reputation and goodwill associated with the Trademarks.

Q. Crisis Situations. In the interest of protecting the “GREEN + THE GRAIN” brand, Trademarks and the System, we have the sole and absolute right to determine a response, including what steps will be taken and what communications will be made, in instances of a Crisis, and you agree to comply with and implement our directions in response to a Crisis. “Crisis” means an event or development that negatively impacts the “GREEN + THE GRAIN” brand in such a way that we determine may cause substantial harm or injury to the Trademarks, System, reputation or image.

PERSONNEL AND SUPERVISION STANDARDS

7. The following provisions and conditions control with respect to personnel, training and supervision:

A. Supervision. During the term of this Agreement, you (if Franchisee is an individual), or your Operating Partner (if Franchisee is a legal entity), or your Restaurant’s general manager must devote full time and best efforts to the management and operation of your Restaurant and provide direct, on-site supervision of the Business. Any general manager or replacement manager(s) you hire must complete our training as described in Sections 7.B – 7.E. Any general manager(s) or replacement manager(s) you hire must meet the applicable training requirements. The use of a general manager in no way relieves you of your obligations to comply with this Agreement and to ensure that the Restaurant is properly operated.

B. Training. You must comply with all of the training requirements we prescribe for the Restaurant to be developed under this Agreement. You (or if Franchisee is a legal entity, one of your Operating Partner) must complete our initial training program to our satisfaction prior to opening your Restaurant. It then is solely your responsibility to ensure that your employees are properly trained.

Initial training for up to four people attending the same in person training session is included as part of the Initial Franchise Fee. You also are responsible for paying all costs and expenses, including salaries, hotel and transportation costs, for all persons to attend our training program. You

will be responsible for paying all costs and other daily expenses for any additional person who attends our initial training program.

In the event you are given notice of default as set forth in Sections 13.A and B, and the default relates, in whole or in part, to your failure to meet any operational standards, we have the right to require as a condition of curing the default that you and your manager, at your expense, comply with the additional training requirements we prescribe. Any new manager you hire must comply with our training requirements within a reasonable time as we specify. Under no circumstances may you permit the management of the Restaurant's operation on a regular basis by a person who has not successfully completed to our reasonable satisfaction all applicable training we require.

Additionally, prior to and after the opening of your Restaurant, we will provide you with on-site opening assistance for up to five days. If you request additional days of on-site training or if we determine that it is necessary to provide you with more on-site training, we may require you to pay to us for each additional on-site training day at our then-current daily on-site training fee. You are responsible for paying all hotel and travel costs and expenses we incur in providing you with this onsite training.

C. Ongoing Training. We may require you, your manager and other key employees of the Restaurant to attend, at your expense, ongoing training at our training facility, the Restaurant or other location we designate. If you request training in addition to the initial training program identified above, you must pay to us our then-current daily training fee plus expenses.

D. Staffing. You will employ a sufficient number of competent and trained employees to ensure efficient service to your customers. No employee of yours will be deemed to be an employee of ours for any purpose whatsoever, and nothing in any aspect of the System or the Trademarks in any way shifts any employee or employment related responsibility from you to us. You alone are responsible for hiring, firing, training, maintaining working conditions, setting hours and for supervising all employees.

E. Attendance at Meetings. You must attend, at your expense, all franchise conventions we may hold or sponsor and all meetings relating to new training services, new operational procedures or programs, training, Restaurant management, sales or sales promotion, or similar topics. We may charge you a fee in connection with your attendance at any convention or meetings we hold or sponsor. If you are not able to attend a meeting or convention, you must notify us prior to the meeting and must have a substitute person acceptable to us attend the meeting. Any fee we may charge shall be payable by you whether or not you or a substitute person attends the conference or meeting. If you fail to attend two (2) or more conventions during the term of this Agreement, we have the right to require you to attend additional training, in addition to any other rights and remedies available to us for your breach of this provision.

MARKETING AND ADVERTISING

8. You agree to actively promote your Business, to abide by all of our marketing and advertising requirements and to comply with the following provisions:

A. Brand Fund. You must pay to us a Brand Fund Fee as set forth in Section 9.D. All Brand Fund Fees will be placed in a Brand Fund ("Fund") that we manage. The Fund is not a trust or escrow account, and we have no fiduciary obligation to franchisees with respect to the Fund; provided, however, we will make a good faith effort to expend such fees in a manner that we determine is in the general best interests of the System. We have the right to determine the

expenditures of the amounts collected and the methods of marketing, advertising, media employed and contents, terms and conditions of marketing campaigns and promotional programs, including without limitation any national, regional and local advertising, marketing, promotional and public campaigns, which expenditures may include providing creative development services (including graphic design for marketing collateral); updating and hosting a website; development and maintenance of software used by franchisees, social media and local marketing support; subscription fees and set-up expenses for design and learning platforms; the expenses of franchise system-wide meetings; providing market intelligence through analytics to the franchise system; conducting member interviews, focus groups and surveys; conducting promotions; engaging advertising and marketing agencies and public relations firms; and any other expenses for developing and promoting the brand or System. Because of the methods used, we are not required to spend a prorated amount on each Restaurant or in each advertising market. We have the right to make disbursements from the Fund for expenses incurred in connection with the cost of formulating, developing and implementing marketing, advertising and promotional campaigns. The disbursements may include payments to us for the expense of administering the Fund, including accounting expenses and salaries and benefits paid to our employees engaged in the marketing and advertising functions. If requested, we will provide you an annual unaudited statement of the financial condition of the Fund.

B. Required Local Expenditures and Grand Opening Advertising. You must use your best efforts to promote and advertise the Business and participate in any local marketing and promotional programs we establish from time to time. In addition to the Brand Fund Fee, you are required to spend (i) a minimum of 3% of Gross Revenues per month on approved local marketing activities as further described below (“Local Marketing”), and (ii) a minimum of \$15,000 on approved grand opening advertising. Upon our request, you must provide us of the monies you spend on Local Marketing and grand opening advertising, with an itemization and proof of the marketing/advertising activities. Upon 90 days’ notice to you and in one or several increments, we may increase the required minimum Local Marketing expenditures to 5% of Gross Revenues per month.

C. Approved Activities and Materials. You agree to comply with any guidelines we develop regarding the territorial scope of your marketing activities, including limitations from where customer business may be generated, although in the future we may establish written guidelines regarding the territorial scope of your marketing activities. You must use only such marketing materials (including any print, radio, television, electronic, or other media forms that may become available in the future) as we furnish, approve or make available, and the materials must be used only in a manner that we prescribe. Furthermore, any promotional activities you conduct in the Restaurant or on its premises are subject to our approval. You must submit all advertising and promotional materials to us prior to your use. If we do not respond within 14 days after you submit the proposed advertising materials to us, the advertising materials will be deemed not approved. We will not unreasonably withhold approval of any sales promotion materials or media and activities; provided that they are current, in good condition, in good taste and accurately depict the Trademarks.

D. Local/Regional Marketing Groups. We have the right to designate local or regional marketing groups and if designated, you must participate in and contribute to the advertising and marketing programs in your designated local/regional marketing group. If established, you must contribute to the group the amount we designate. Each “GREEN + THE GRAIN” business, including those operated by us or our affiliates within a designated marketing area (except Nontraditional Locations) is a member of the local or regional marketing group. We have the right to form, change, dissolve or merge local/regional marketing groups. Any amount you spend on approved local/regional marketing group activities will count towards your Local Marketing requirements.

FEES, REPORTING AND AUDIT RIGHTS

9. You must pay the fees described below and comply with the following provisions:

A. Initial Franchise Fee. You must pay us an Initial Franchise Fee in the amount of set forth on the Summary Page. The Initial Franchise Fee is a lump sum payment and due when you sign this Agreement. The Initial Franchise Fee is earned upon receipt and are nonrefundable.

B. Royalty Fee. In addition to the Initial Franchise Fee, during the full term of this Agreement, or any Interim Period, and in consideration of the rights granted to you, you must pay to us a monthly Royalty Fee equal to 6% of Gross Revenues.

C. Brand Fund Fee. You must pay to us a monthly Brand Fund Fee in an amount equal to 3% of Gross Revenues. The Brand Fund Fee is separate from any local/regional marketing requirements. We may, on 6 months' prior written notice to you and in one or more increments, increase the Brand Fund Fee to up to a total of 6%. However, your total payments of the Brand Fund Fee and the local marketing requirements will not exceed a total of 8% of Gross Revenues. The Brand Fund Fees are not held by us in trust and will be spent in accordance with Section 8.A of this Agreement.

D. Technology Fee. You must pay to us each month the then-current technology fee (the "**Technology Fee**"), the current amount of which is set forth in the Summary Page. We will use these fees paid to us for services related to technology used in your Restaurant, which includes a branded email, website hosting (if applicable) and other technology initiatives. You acknowledge and agree that we can increase the Technology Fee at any time with notice to you to cover costs associated with any changes, improvements or updates to the Technology System used in or for the Restaurant.

E. Daily Noncompliance Fee. We have the right to charge you a Daily Noncompliance Fee for each day that you remain out of compliance with the Franchise Agreement or any mandatory standard or procedure. The Daily Noncompliance Fee is payable via ACH immediately upon 24 hours' notice and may be charged until you cure any applicable default. The Daily Noncompliance Fee is in addition to, and not in lieu of, any rights we have under this Agreement (including termination for defaults as set forth in this Agreement). As of the Effective Date, the Daily Noncompliance Fee is \$100, but that amount is subject to change at any time.

F. Computations and Remittances. Except as otherwise stated in this Agreement, all amounts due and owing to us monthly, and will be paid through electronic funds transfer. You must also submit the reports required by Section 9.J of this Agreement. We reserve the right to change the due date and method of payment for any or all amounts. You must certify the computation of the amounts in the manner and form we specify, and you must supply to us any supporting or supplementary materials as we reasonably require to verify the accuracy of remittances. You waive any and all existing and future claims and offsets against any amounts due under this Agreement, which amounts you must pay when due. We have the right to apply or cause to be applied against amounts due to us or any of our affiliates any amounts that we or our affiliates may hold from time to time on your behalf or that we or our affiliates owe to you.

G. Electronic Transfer of Funds. You must sign our electronic transfer of funds authorization forms, attached as Schedule B, to authorize and direct your bank or financial institution to transfer electronically directly to our account or our affiliates' account and to charge to your account all amounts due to us or our affiliates. You must maintain a balance in your account

sufficient to allow us and our affiliates to collect the amounts owed when due. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this Section.

H. Interest Charges; Late Fees. Any and all amounts that you owe to us or to our affiliates will bear interest at the rate of 18% per annum or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual. In addition to interest charges on late Royalty Fee and Brand Fund Fee payments, you must pay to us a service charge of \$50 for each delinquent periodic report or payment that you owe to us under this Agreement. A payment is delinquent for any of the following reasons: (i) we do not receive the payment on or before the date due; or (ii) there are insufficient funds in your bank account to collect the total payment by a transfer of funds on or after the date due. The service charge is not interest or a penalty, it is only to compensate us for increased administrative and management costs due to late payment.

I. Financial Planning and Management. You must keep books and records (including using our standard chart of accounts) and submit reports as we periodically require, including but not limited to a monthly profit plan, monthly balance sheet and monthly statement of profit and loss, records of prices and special sales, check registers, purchase records, invoices, sales summaries and inventories, sales tax records and returns, payroll records, cash disbursement journals and general ledgers, all of which accurately reflect the operations and condition of your Business operations. You must compile, keep and submit to us the books, records and reports on the forms and using the methods of bookkeeping and accounting as we periodically may prescribe. The records that you are required to keep for your Business must include detailed daily sales, cost of sales, and other relevant records or information maintained in an electronic media format and methodology we approve. You must provide this information to us according to reporting formats, methodologies and time schedules that we establish from time to time. You also must preserve and retain the books, records and reports for not less than 36 months. You must allow us electronic and manual access to any and all records relating to your Business. We reserve the right to designate a required accounting software for the System.

J. Reports and Audit. Each month you must submit to us a report of your Gross Revenues with respect to the preceding month on the day and in the form and content as we periodically prescribe. The monthly report or other reports that we may require will include, but not be limited to, the following information for the preceding the applicable reporting period: (i) amount of Gross Revenues of the Business, amount of sales tax and the computation of the Royalty Fee and the Brand Fund Fee; (ii) copies of your most recent sales tax return, sales summary and monthly balance sheet and statement of profit and loss, including a summary of your costs for utilities, labor, rent and other material cost items; and (iii) if requested by us to verify your Gross Revenues, all such books and records as we may require under our audit policies published from time to time. You also must, at your expense, submit to us within 90 days after the end of each fiscal year a detailed balance sheet, profit and loss statement and statement of cash flows for such fiscal year. We may require that the annual financial statements be reviewed by a certified public accountant. You must certify all reports to be true and correct.

We or our authorized representative have the right at all times during the business day to enter the premises where your books and records relative to the Business are kept and to evaluate, copy and audit such books and records. We also have the right to request information from your suppliers and vendors. In the event that any such evaluation or audit reveals any understatement of 2% or more of your Gross Revenues, you must pay for the audit, and in addition to any other rights we may have, we have the right to conduct further periodic audits and evaluations of your books and records as we reasonably deem necessary for up to 3 years thereafter and any further audits and evaluations will be at your sole expense, including, without limitation, professional fees, travel, and room and board

expenses directly related thereto. Furthermore, if you intentionally understate or underreport Gross Revenues at any time, or if a subsequent audit or evaluation conducted within the 3-year period reveals any understatement of your Gross Revenues of 2% or more, in addition to any other remedies provided for in this Agreement, at law or in equity, we have the right to terminate this Agreement immediately. In order to verify the information that you supply, we have the right to reconstruct your sales through the inventory extension method or any other reasonable method of analyzing and reconstructing sales. You agree to accept any such reconstruction of sales unless you provide evidence in a form satisfactory to us of your sales within a period of 14 days from the date of notice of understatement or variance. You must fully cooperate with us or our representative in performing these activities and any expenses incurred by us from your lack of cooperation shall be reimbursed by you.

YOUR OTHER OBLIGATIONS; NONCOMPETE COVENANTS

10. You agree to comply with the following terms and conditions:

A. Payment of Debts. You agree to pay promptly when due: (i) all payments, obligations, assessments and taxes due and payable to us and our affiliates, vendors, suppliers, lessors, federal, state or local governments, or creditors in connection with your business; (ii) all liens and encumbrances of every kind and character created or placed upon or against any of the property used in connection with the Business; and (iii) all accounts and other indebtedness of every kind incurred by you in operating the Business. In the event you default in making any such payment, we are authorized, but not required, to pay the same on your behalf and you agree promptly to reimburse us on demand for any such payment.

You also will pay all federal, state and local taxes, other than taxes as assessed on our income, that may be imposed on us as the result of our receipt or accrual of the Initial Franchise Fee, Initial Training Fee, Royalty Fees, Brand Fund Fees, Technology Fees or other fees referenced in this Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you shall pay us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.

B. Indemnification. You waive all claims against us for damages to property or injuries to persons arising out of the operation of your Business. You must fully protect, indemnify and hold us and our owners, directors, officers, insurers, successors and assigns and our affiliates harmless from and against any and all claims, demands, damages and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of or in connection with or incidental to the operation of your Business (regardless of cause or any concurrent or contributing fault or negligence of us or our affiliates) or any breach by you or your failure to comply with the terms and conditions of this Agreement, although your indemnification obligations under this Section 10.B do not cover claims solely related to our willful misconduct. We also reserve the right to select our own legal counsel to represent our interests, and you must reimburse us for all our costs and all attorneys' fees immediately upon our request as they are incurred.

It is the intention of the parties to this Agreement that we should not be deemed a joint employer with you for any reason; however, if we incur any cost, loss or damage as a result of any actions or omissions of you or your employees, including any that relate to any party making a finding of any joint employer status, you will fully indemnify us for any such loss.

C. **Insurance.** You must purchase and maintain in full force and effect, at your expense and from a company we accept, insurance that insures both you and us, our affiliates and any other persons we designate by name. You must deliver to us upon execution of the lease or purchase agreement for the Authorized Location, but before commencing construction of your Restaurant, and thereafter annually or at our request proper certificates evidencing the existence of required insurance coverage and your compliance with other insurance requirements. The insurance certificate must show our and our affiliates' status as an additional insured and provide that we will be given 30 days' prior written notice of material change in or termination or cancellation of the policy. The insurance policy or policies must be written in accordance with the standards and specifications (including minimum coverage amounts) set forth in writing by us from time to time. If you do not procure and maintain the required insurance coverage (including any modifications we impose), we have the right, but not the obligation, to procure insurance coverage and to charge the costs to you, together with a reasonable fee for the expenses we incur in doing so. You must pay these amounts to us immediately upon written notice. Although we require certain insurance coverage and have recommended other coverages, we do not guarantee that the required or recommended insurance will be adequate to fully protect your assets. You should therefore consult with an insurance professional to determine what coverage, in addition to the minimum required coverage, may be needed for you and your Restaurant.

D. Noncompete Covenants. You agree that you will receive valuable training, Confidential Information and goodwill that you otherwise would not receive or have access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants:

1. Unless otherwise specified, the term “you” as used in this Section 10.D includes, collectively and individually, all Owners, guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you and any immediate family members of same including spouses and children. We may require you to obtain from your manager and other individuals identified in the preceding sentence a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this Section 10.D.

2. You covenant that during the term of this Agreement or during any Interim Period you will not, except as we otherwise consent to in writing, and which consent shall be unreasonably withheld, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any other Restaurant or café business other than the one authorized by this Agreement or any other agreement between us and you.

3. You covenant that you will not, for a period of two years after the expiration or termination of this Agreement, or after the expiration of any Interim Period, regardless of the cause of termination, or within two years of the sale of the Business or any interest in you, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a Competing Business:

For purposes of this Section 10.D, a Competing Business includes any business which has menu items that feature salads or wraps where those items comprise more than 25% of the annual revenue of the business.

4. You agree that the length of time in subpart (3) will be tolled for any period during which you are in breach of the covenants or any other period during which we seek to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

TRANSFER OF FRANCHISE

11. You agree that the following provisions govern any transfer or proposed transfer:

A. Transfers. We have entered into this Agreement with specific reliance upon your financial qualifications, experience, skills and managerial qualifications as being essential to the satisfactory operation of the Business. Consequently, neither your interest in this Agreement nor in the Business may be transferred or assigned to or assumed by any other person or entity (the “assignee”), in whole or in part, unless you have first tendered to us the right of first refusal to acquire this Agreement in accordance with Section 11.F, and, if we do not exercise such right, unless our prior written consent is obtained, the transfer fee provided for in Section 11.C is paid, and the transfer conditions described in Section 11.D are satisfied. Any sale (including installment sale), lease, pledge, management agreement, contract for deed, option agreement, assignment, bequest, gift or otherwise, or any arrangement pursuant to which you turn over all or part of the daily operation of the business to a person or entity who shares in the losses or profits of the business in a manner other than as an employee will be considered a transfer for purposes of this Agreement. Specifically, but without limiting the generality of the foregoing, the following events constitute a transfer and you must comply with the right of first refusal, consent, transfer fee, and other transfer conditions in this Paragraph 11:

1. Any change in the percentage of the franchisee entity owned, directly or indirectly, by any Owner (including any addition or deletion of any person or entity who qualifies as an Owner);

2. Any change in the general partner of a franchisee that is a general, limited or other partnership entity;

3. For purposes of this Section 11.A, a pledge or seizure of any ownership interests in you or in any Owner that affects the ownership of 20% or more of you or any Owner, which we have not approved in advance in writing; or

4. Any grant of a security interest in, or otherwise encumbrance of, any of the assets or securities of you, including the Business unless you satisfy our requirements. Such requirements may include execution of an agreement by the secured party in which it acknowledges the creditor's obligations and agrees that in the event of any default by you under any documents related to the security interest, we shall have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure your default; and, in the event we exercise such option, any acceleration of indebtedness due to your default shall be void.

In the event of your insolvency or the filing of any petition by or against you under any provisions of any bankruptcy or insolvency law, if your legal representative, successor, receiver or trustee desires to succeed to your interest in this Agreement or the business conducted hereunder, such person first must notify us, tender the right of first refusal provided for in Section 11.F, and if we do not exercise such right, must apply for and obtain our consent to the transfer, pay the transfer fee provided for in Section 11.C, and satisfy the transfer conditions described in Section 11.D. In addition, you or the assignee must pay the attorneys' fees and costs that we incur in any bankruptcy or insolvency proceeding pertaining to you.

You may not place in, on or upon the location of the Business, or in any communication media or any form of advertising, any information relating to the sale of the Business or the rights under this Agreement, without our prior written consent.

B. Consent to Transfer. We will not unreasonably withhold our consent to transfer, provided we determine that all of the conditions described in this Paragraph 11 have been satisfied. Application for our consent to a transfer and tender of the right of first refusal provided for in Section 11.F must be made by submission of our form of application for consent to transfer, which must be accompanied by the documents we request and other required information. The application must indicate whether you or an Owner proposes to retain a security interest in the property to be transferred. No security interest may be retained or created, however, without our prior written consent and except upon conditions acceptable to us. Any agreement used in connection with a transfer will be subject to our prior written approval, which approval will not be withheld unreasonably. You immediately must notify us of any proposed transfer and must submit promptly to us the application for consent to transfer and any other required documents and information. Any attempted transfer by you without our prior written consent or otherwise not in compliance with the terms of this Agreement will be void, your interest in this Agreement will be voluntarily abandoned, and it will provide us with the right to elect either to deem you in default and terminate this Agreement or to collect from you and the guarantors a transfer fee equal to two times the transfer fee provided for in Section 11.C.

C. Transfer Fee. You must pay to us a transfer fee in an amount equal to 50% of our then-current initial franchise fee (the transfer fee is reduced to (i) 30% of our then-current initial

franchise fee if the buyer is an existing “GREEN + THE GRAIN” franchisee in good standing or (ii) \$2,000 if we determine that the transfer does not result in a change of control in the Franchisee entity). The transfer fee is nonrefundable even if, for any reason, the proposed transfer does not occur.

D. Conditions of Transfer. We condition our consent to any proposed transfer, whether to an individual, a corporation, a partnership or any other entity upon the following:

1. Assignee Requirements. The assignee must meet all of our then-current requirements for our “GREEN + THE GRAIN” franchise program we are offering at the time of the proposed transfer and sign our then-current form of franchise agreement.

2. Payment of Amounts Owed. All amounts owed by you to us, or any of our affiliates, your suppliers or any landlord for the Business premises and Restaurant, or upon which we or any of our affiliates have any contingent liability must be paid in full.

3. Reports. You must have provided all required reports to us in accordance with Sections 9.H and I.

4. Modernization. You must have complied with the provisions of Section 5.E.

5. Guarantee. In the case of an installment sale for which we have consented to you or any Owner retaining a security interest or other financial interest in this Agreement or the Business operated thereunder, you or such Owner, and the guarantors, are obligated to guarantee the performance under this Agreement until the final close of the installment sale or the termination of such interest, as the case may be.

6. General Release. You, each Owner and each guarantor must sign a general release of all claims arising out of or relating to this Agreement, your Business or the parties’ business relationship, in the form we designate, releasing us and our affiliates.

7. Training. The assignee must, at your or assignee’s expense, comply with the training requirements of Section 7.B., including the payment of any then applicable training fee.

8. Transaction Terms. You or the proposed transferee have provided us with all information we reasonably request re the terms of the proposed transfer, and we are satisfied that the financial terms and conditions of the proposed transfer will not have a materially adverse effect on the businesses’ post-transfer ability to continue in operation and to meet its liabilities as they fall due. All marketing, promotional or offering materials you use in connection with any transfer must be submitted to us for review prior to use. Our review will be limited solely to the subject of the relationship between you and us and any reference to the Trademarks. You must pay us for our reasonable costs and expenses associated with any such review.

9. Financial Reports and Data. We have the right to require you to prepare and furnish to assignee and/or us such financial reports and other data relating to the Restaurant and its operations reasonably necessary or appropriate for assignee and/or us to evaluate the Restaurant and the proposed transfer. You agree that we have the right to confer with proposed assignees and furnish them with information concerning the Restaurant and proposed transfer without being held liable to you, except for intentional misstatements made to an assignee. Any information furnished by us to proposed assignees is for the sole purpose of permitting

the assignees to evaluate the Restaurant and proposed transfer and must not be construed in any manner or form whatsoever as a financial performance representation or claims of success or failure.

10. Other Conditions. You must have complied with any other conditions that we reasonably require from time to time as part of our transfer policies.

E. Death, Disability or Incapacity. If any individual who is an Owner dies or becomes disabled or incapacitated and the decedent's or disabled or incapacitated person's heir or successor-in-interest wishes to continue as an Owner, such person or entity must apply for our consent under Section 11.B, pay the applicable transfer fee under Section 11.C, and satisfy the transfer conditions under Section 11.D, as in any other case of a proposed transfer, all within 90 days of the death or event of disability or incapacity. If the assignee of the decedent or disabled or incapacitated person is the spouse, child or person with a similar familial relationship of such person, no transfer fee will be payable to us and we will not have a right of first refusal as set forth in Section 11.F. During any transition period to an heir or successor-in-interest, the Restaurant still must be operated in accordance with the terms and conditions of this Agreement. If we determine the Restaurant is not being operated accordingly, we may, but are not obligated to, temporarily manage the Restaurant until such time as any consent is completed or the Agreement is terminated. Under these circumstances where we temporarily manage the Restaurant, you agree to pay us the then-current temporary management fee for the time we manage the Restaurant.

F. Right of First Refusal. If you propose to transfer or assign this Agreement or your interest herein or in you or the business, in whole or in part, to any third party, including, without limitation, any transfer contemplated by Section 11.E or any transfer described in Section 11.A, you first must offer to sell to us your interest under the same general terms. In the event of a bona fide offer from such third party, you must obtain from the third-party offeror and deliver to us a statement in writing in a form that is acceptable to us, signed by the offeror and by you, of the terms of the offer. In the event the proposed transfer results from a transfer under Sections 11.A.1 through 11.A.3, or your insolvency or the filing of any petition by or against you under any provisions of any bankruptcy or insolvency law, you first must offer to sell to us your interest in this Agreement and the land, building, equipment, furniture and fixtures, and any leasehold interest used in the operation of your Restaurant. Unless otherwise agreed to in writing by us and you, the purchase price for our purchase of assets in the event of a transfer that occurs by a transfer under Sections 11.A.1 through 11.A.3 or insolvency or bankruptcy filing will be established by a qualified appraiser selected by the parties and in accordance with the price determination formula established in Section 14.B (the formula that includes the value of any goodwill of the business) in connection with an asset purchase upon expiration. In addition, unless otherwise agreed to in writing by us and you, the transaction documents, which we will prepare, will be those customary for this type of transaction and will include representations and warranties then customary for this type of transaction. If the parties cannot agree upon the selection of such an appraiser, a Judge of the United States District Court for the District in which the Restaurant is located will appoint one upon petition of either party.

You or your legal representative must deliver to us a statement in writing incorporating the appraiser's report and all other information we have requested. We then have 30 days from our receipt of the statement setting forth the third-party offer or the appraiser's report and other requested information to accept the offer by delivering written notice of acceptance to you. Our acceptance of any right of first refusal will be on the same price and terms set forth in the statement delivered to us; provided, however, we have the right to substitute equivalent cash for any noncash consideration included in the offer. If we fail to accept the offer within the 30-day period, you will be free for 60 days after such period to effect the disposition described in the statement delivered to us provided such

transfer is in accordance with this Paragraph 11. You may effect no other sale or assignment of you, this Agreement or the business without first offering the same to us in accordance with this Section 11.F.

G. Transfer by Us. We have the right to sell or assign, in whole or in part, our interest in this Agreement.

H. Individual Franchisee. If you are in full compliance with this Agreement, you may transfer this Agreement to a corporate or other business entity **(i)** which conducts no business other than operating your Restaurant (and if applicable other Green + The Grain Restaurant), **(ii)** in which you maintain management control **(iii)** of which you own and control 100% of the equity and voting power of all issued and outstanding equity interests and **(iv)** further provided that all assets of the Club are owned, and the entire Club is conducted by a single business entity. Any transfer meeting the conditions in this Section 11.G will not be subject to the conditions in Section 11.C, however, the corporation or other similar entity must execute a document in a form approved by us in which it agrees to become a party to and be bound by all the provisions of this Agreement and the Principal Owners must agree to remain personally liable under this Agreement.

DISPUTE RESOLUTION

12. The following provisions apply with respect to dispute resolution:

A. Mediation; Arbitration.

(i) Except for disputes that involve injunctive relief or specific performance actions covered under subsection 12.B and prior to either party filing arbitration, the parties agree to mediate any dispute between you and us or any of our or your affiliates, including, without limitation, your owners and guarantors, arising under, out of, in connection with or in relation to this Agreement, the Restaurant or Authorized Location, or the parties' relationship; provided that the party seeking mediation must notify the other party of its intent to mediate prior to the termination of this Agreement. Mediation will be conducted in the county in which our headquarters are then located (currently, Hennepin County, Minnesota), or at such other place as may be mutually agreeable to the parties, by a mediator or mediation program agreed to by the parties. Persons authorized to settle the dispute must attend any mediation session. The parties agree to participate in the mediation proceedings in good faith with the intention of resolving the dispute if at all possible within 30 days of the notice from the party seeking to initiate the mediation procedures. If not resolved within 30 days, or if one party refuses to participate in mediation as outlined herein, the parties are free to pursue arbitration. Mediation is a compromise negotiation for purposes of the federal and state rules of evidence, and the entire process is confidential. The parties agree that each party will pay fifty percent (50%) of the total of mediation fees and all costs associated with mediation.

(ii) Except as qualified below in Section 12.B and subject to the mediation obligation set forth above, any dispute between you and us or any of our or your affiliates arising under, out of, in connection with or in relation to this Agreement, the Restaurant or Authorized Location, or the parties' relationship must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be determined by arbitration administered by the American Arbitration Association pursuant to its then-current commercial arbitration rules and procedures. The arbitrator must have at least 5 years of significant experience in franchise law. The arbitrator must follow the law and not disregard the terms of this Agreement or disregard the law based on principles of justice or equity which are not a specific part of the applicable law. The arbitrator shall decide the

gateway issue of arbitrability Any arbitration must be on an individual basis and the parties, and the arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any other claim or any other proceeding involving third parties. In the event a court determines that this limitation on joinder of or class action certification of claims is unenforceable, then this entire commitment to arbitrate will become null and void and the parties must submit all claims to the jurisdiction of the courts. The arbitration must take place in the city of our then-current headquarters (currently, Minneapolis, Minnesota). A judgment may be entered upon the arbitration award by any state or federal court in the state where we maintain our headquarters or the state where your Restaurant is located. The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that we set.

This arbitration provision is self-executing. Specifically, the arbitration may proceed, and the arbitrator has jurisdiction, regardless of whether any party fails to actively participate or appear. In the event that any party fails without good cause (i) to appear at any properly noticed arbitration proceeding; or (ii) to make payment in full of its share of the required arbitration fees and costs within ten (10) days after notice and demand, absent a previously issued court order to the contrary, then the arbitrator or the organization/entity administering the arbitration shall be authorized to enter a final award against such party in the nature of a default judgment or otherwise, notwithstanding the failure to appear or to make the required payment.

B. Exceptions to Arbitration. Notwithstanding Sections 12.A, the parties agree that the following claims will not be subject to arbitration:

1. any action for declaratory or equitable relief, including, without limitation, seeking preliminary or permanent injunctive relief, specific performance, other relief in the nature of equity to enjoin any harm or threat of harm to such party's tangible or intangible property, brought at any time, including, without limitation, prior to or during the pendency of any arbitration proceedings initiated hereunder.
2. any action in ejectment or for possession of any interest in real or personal property.

D. Costs of Enforcement, Defense and Attorneys' Fees. The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement, any lease or sublease for the Business or the business will be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accounting and attorneys' fees (whether such fees be incurred by outside counsel or a staff attorney), expert witness fees, arbitration administrative charges, arbitrator's compensation, and any other costs and expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any written demand, claim, action, hearing or proceeding to enforce the obligations of this Agreement. Further, if we incur expenses in connection with your failure to pay when due amounts owing to us; to submit when due any reports, information or supporting records; failure to comply with post-termination obligations, including the covenant not to compete; or any other failure to comply with this Agreement, you shall reimburse us for any such costs and expenses which we incur including but not limited to attorneys' and accounting fees and collection agency fees.

DEFAULT AND TERMINATION

13. The following provisions apply with respect to default and termination:

A. Defaults. You are in default if we determine that you or any Owner or guarantor has breached any of the terms of this Agreement or any other agreement between you and us or our affiliates, which without limiting the generality of the foregoing includes making any false report to us, intentionally understating or underreporting or failure to pay when due any amounts required to be paid to us or any of our affiliates, conviction of you, an Owner, or a guarantor of (or pleading no contest to) any misdemeanor that brings or tends to bring any of the Trademarks into disrepute or impairs or tends to impair your reputation or the goodwill of any of the Trademarks or the Business, any felony, filing of tax or other liens that may affect this Agreement, voluntary or involuntary bankruptcy by or against you or any Owner or guarantor, insolvency, making an assignment for the benefit of creditors or any similar voluntary or involuntary arrangement for the disposition of assets for the benefit of creditors.

B. Termination by Us. We have the right to terminate this Agreement in accordance with the following provisions:

1. Termination After Opportunity to Cure. Except as otherwise provided in this Section 13.B or elsewhere in the Agreement: (i) you will have 30 days from the date of our issuance of a written notice of default to cure any default under this Agreement, other than a failure to pay amounts due or submit required reports, in which case you will have 10 days to cure those defaults; (ii) your failure to cure a default within the 30-day or 10-day period will provide us with good cause to terminate this Agreement; (iii) the termination will be accomplished by mailing or delivering to you written notice of termination that will identify the grounds for the termination; and (iv) the termination will be effective immediately upon our issuance of the written notice of termination.

2. Immediate Termination With No Opportunity to Cure. In the event any of the following defaults occurs, you will have no right or opportunity to cure the default and this Agreement will terminate effective immediately on our issuance of written notice of termination:

- i. any material misrepresentation or omission in your franchise application;
- ii. your voluntary abandonment of this Agreement or the Business which will include, but not be limited to, your Business being closed for a period of five consecutive days without our prior written consent;

- xi. intentionally understating or underreporting Gross Revenues, Royalty Fees or Brand Fund Fees or any understatement or 2% variance on a subsequent audit within a 3 year period under Section 9.H;
- xii. violation by you of the provisions of Section 15.Q;
- xiii. any unauthorized transfer or assignment in violation of Paragraph 11; or
- xiv. any default by you that is the second same or similar default within any 12-month consecutive period or the fourth default of any type within any 24-month consecutive period.

3. Immediate Termination After No More than 24 Hours to Cure. In the event that a default under this Agreement occurs that violates any health safety or sanitation law or regulation, violates any system standard as to cleanliness, health, safety and sanitation, or if the operation of the Business presents a health or safety hazard to your customers or to the public: (i) you will have no more than 24 hours after we provide written notice of the default to cure the default; and (ii) if you fail to cure the default within the 24 hour period, this Agreement will terminate effective immediately on our issuance of written notice of termination.

4. Effect of Other Laws. The provisions of any valid, applicable law or regulation prescribing permissible grounds, cure rights or minimum periods of notice for termination of this franchise supersede any provision of this Agreement that is less favorable to you.

C. Termination by You. You may terminate this Agreement as a result of a breach by us of a material provision of this Agreement provided that: (i) you provide us with written notice of the breach that identifies the grounds for the breach; and (ii) we fail to cure the breach within 30 days after our receipt of the written notice. If we fail to cure the breach, the termination will be effective 90 days after our receipt of your written notice of breach. Your termination of this Agreement under this Paragraph will not release or modify your Post-Term obligations under Paragraph 14 of this Agreement.

D. Liquidated Damages. In the event of termination or cancellation of this Agreement prior to the end of the Initial Term, for any reason (other than a lawful termination by you), the parties agree that we are entitled to collect damages for lost future revenue, in addition to all other remedies and damages available we have at law or in equity, and any arbitrator or judge shall have

the authority to award the liquidated damages in addition to any other relief, damages, costs, and fees. For the avoidance of doubt, the parties agree that this provision shall apply in the event of termination precipitated by your default under this Agreement. Lost future revenue shall be calculated by taking the monthly average of the Royalty Fees actually paid by Franchisee for the 12 months immediately preceding the effective date of termination or cancellation, multiplied by the months that would have remained in the Initial Term had the Agreement not been terminated or cancelled up to a maximum of 36 months. The parties agree that this calculation is reasonable and reflects the actual lost revenue we are likely to suffer in the event of early termination or cancellation.

POST-TERM OBLIGATIONS

14. Upon the expiration or termination of this Agreement, or the expiration of any Interim Period:

A. Reversion of Rights; Discontinuation of Trademark Use. All of your rights to the use of the Trademarks and all other rights and licenses granted herein and the right and license to conduct business under the Trademarks at the Business will revert to us without further act or deed of any party. All of your right, title and interest in, to and under this Agreement will become our property. Upon our demand, you must assign to us or our assignee your remaining interest in any lease then in effect for the Business (although we will not assume any past due obligations). You must immediately comply with the post-term noncompete obligations under Section 10.D, cease all use and display of the Trademarks and of any proprietary material (including the Operations Manual), assign all right, title and interest in the telephone numbers for the Business and cancel or assign, at our option, any assumed name rights or equivalent registrations filed with authorities. You must pay all sums due to us, our affiliates or designees and all sums you owe to third parties that have been guaranteed by us or any of our affiliates. You must immediately return to us, at your expense, all copies of the Operations Manual, Confidential Information, and product preparation materials then in your possession or control or previously disseminated to your employees and continue to comply with the confidentiality provisions of Section 6.I. You must promptly at your expense and subject to Section 14.B, remove or obliterate all Business signage, displays or other materials (electronic or tangible) in your possession at the Business or elsewhere that bear any of the Trademarks or names or material confusingly similar to the Trademarks and so alter the appearance of the Restaurant as to differentiate the Business unmistakably from duly licensed facilities identified by the Trademarks. If, however, you refuse to comply with the provisions of the preceding sentence within 30 days, we have the right to enter the Restaurant and remove all Business signage, displays or other materials in your possession at the Business or elsewhere that bear any of the Trademarks or names or material confusingly similar to the Trademarks, and you must reimburse us for our costs incurred. Notwithstanding the foregoing, in the event of expiration or termination of this Agreement (or the expiration of any Interim Period), you will remain liable for your obligations pursuant to this Agreement or any other agreement between you and us or our affiliates that expressly or by their nature survive the expiration or termination of this Agreement, including, without limitation, your indemnification obligations under Section 10.B. You also agree to keep in effect the insurance coverage required under Section 10.C for a minimum of three months after the date of expiration or termination.

B. Purchase Option. We have the right to purchase or designate a third party that will purchase all or any portion of the assets of your Business that are owned by you or any of your affiliates including, without limitation, the premises, building, equipment, fixtures, signage, furnishings, supplies, leasehold improvements, and inventory of the Business at a price determined by a qualified appraiser (or qualified appraisers if one party believes it is better to have a real estate appraiser appraise the value of the land and building and a business appraiser appraise the Business's other assets) selected with the consent of both parties, provided we give you written notice of our preliminary intent

to exercise our purchase rights under this Paragraph within 30 days after the date of the expiration or termination of this Agreement, or the expiration of any Interim Period. If the parties cannot agree upon the selection of an appraiser(s), we will select one appraiser (who must have at least five years of restaurant appraisal experience) to conduct the appraisal as set forth in this Section 14.B.

The price determined by the appraiser(s) will be the reasonable fair market value of the assets based on their continuing use in, as, and for the operation of a “Green + The Grain” Business and the appraiser will designate a price for each category of asset (e.g., land, building, equipment, fixtures, etc.), but shall not include the value of any goodwill of the business, as the goodwill of the business is attributable to the Trademarks and the System.

Within 30 days after our receipt of the appraisal report, we or our designated purchaser will identify the assets, if any, that we intend to purchase at the price designated for those assets in the appraisal report. We or our designated purchaser and you will then proceed to complete and close the purchase of the identified assets, and to prepare and execute purchase and sale documents customary for the assets being purchased, in a commercially reasonable time and manner. We and you will each pay one-half of the appraiser’s fees and expenses. Our interest in the assets of the Restaurant that are owned by you or your affiliates will constitute a lien thereon and may not be impaired or terminated by the sale or other transfer of any of those assets to a third party. Upon our or our designated purchaser’s exercise of the purchase option and tender of payment, you agree to sell and deliver, and cause your affiliates to sell and deliver, the purchased assets to us or our designated purchaser, free and clear of all encumbrances, and to execute and deliver, and cause your affiliates to execute and deliver, to us or our designated purchaser a bill of sale therefor and such other documents as may be commercially reasonable and customary to effectuate the sale and transfer of the assets being purchased.

If we do not exercise our option to purchase under this Section, you may sell or lease the Business premises to a third party purchaser, provided that your agreement with the purchaser includes a covenant by the purchaser, which is expressly enforceable by us as a third party beneficiary, pursuant to which the purchaser agrees, for a period of 2 years after the expiration or termination of this Agreement, or the expiration of any Interim Period, not to use the premises for the operation of a business that offers menu items or services similar to that employed by our company-owned or franchised businesses.

C. Claims. You and your Owners and guarantors may not assert any claim or cause of action against us or our affiliates relating to this Agreement or the “GREEN + THE GRAIN” business after the shorter period of the applicable statute of limitations or one year following the date upon which a party discovered or should have discovered the facts giving rise to the claim,; provided that where the one-year limitation of time is prohibited or invalid by or under any applicable law, then and in that event no suit or action may be commenced or maintained unless commenced within the applicable statute of limitations.

It is

the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. B. Waiver/Integration. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights with respect to that or any other or subsequent breach. Such causes include, but are not limited to, strikes, wars, riots and acts of government except as may be specifically provided for elsewhere in this Agreement.

N. Adaptations and Variances. Complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of the System. You agree that we and/or our affiliates are entitled to said profits and/or consideration.

P. Effective Date. We will designate the "Effective Date" of this Agreement in the space provided on the Summary Page. If no Effective Date is designated on the Summary Page, the Effective Date is the date when we sign this Agreement. You certify that none of your owners, employees, or anyone associated with you is listed in the Annex to Executive Order 13224. (The Annex is available at <http://www.treasury.gov/offices/enforcement/ofac/sanctions/terrorism.html>.) You agree not to hire any individuals listed in the Annex. You certify that you have no knowledge or information that, if generally known, would result in you or your owners, employees, or anyone associated with you to be listed in the Annex to Executive Order 13224. You will be solely responsible for ascertaining what actions must be taken by you to comply with the Anti-Terrorism Laws, and you specifically acknowledge and agree that your indemnification responsibilities set forth in this Agreement pertain to your obligations under this Section.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree to amend the Lease as follows:

1. Remodeling and Decor. Landlord agrees that Tenant has the right to remodel, equip, paint and decorate the interior of the Premises and to display such Marks and signs on the interior and exterior of the Premises as Tenant is reasonably required to do pursuant to the Franchise Agreement and any renewal Franchise Agreement under which Tenant may operate a Restaurant on the Premises. Any remodel of the building and/or its signs shall be subject to Landlord’s prior and reasonable approval.

2. Assignment By Tenant.

(a) Tenant does not have the right to sublease or assign the Lease to any third party without Landlord’s and Franchisor’s written approval.

(b) So long as Tenant is in good standing under the Lease, Tenant has the right to assign all of its right, title and interest in the Lease to Franchisor or its affiliates during the term of the Lease, including any extensions or renewals, without first obtaining Landlord’s consent. No assignment will be effective, however, until Franchisor or its designated affiliate gives Landlord written notice of its acceptance of the assignment. Franchisor will be responsible for the Lease obligations incurred after the effective date of the assignment.

(c) If Franchisor elects to assume the Lease, Franchisor shall not be required to begin paying rent until Landlord delivers possession of the Premises to the Franchisor. At any time until the Landlord delivers possession of the Premises, Franchisor shall have the right to rescind the election to assume by written notice to Landlord.

3. Default and Notices to Franchisor.

(a) Landlord shall send Franchisor copies of all notices of default under the Lease at the same time it provides Tenant with such notice. If Tenant fails to cure any defaults within the period specified in the Lease, Landlord shall promptly give Franchisor written notice thereof, specifying the defaults that Tenant has failed to cure. Franchisor has the right to unilaterally assume the Lease if Tenant fails to cure. Franchisor shall have 15 days from the date Franchisor receives such notice to exercise, by written notice to Landlord and Tenant, its right for Franchisor or its affiliate designee (“Franchisor Entity”), to assume the Lease. Franchisor shall have an additional 30 days from the expiration of Tenant’s cure period in which to cure the default or violation.

(b) If Franchisor elects to assume the Lease, the Franchisor Entity shall not be required to cure defaults and/or to begin paying rent until Landlord delivers possession of the Premises to the Franchisor Entity. At any time until Landlord delivers possession of the Premises, Franchisor shall have the right to rescind the election to assume by written notice to Landlord.

4. Termination of Franchise Agreement; Expiration or Non-Renewal of Lease.

(a) If the Franchise Agreement is terminated for any reason during the term of the Lease or any renewal or extension thereof, and if Franchisor desires to assume the Lease, Franchisor shall promptly give Landlord written notice thereof. Within 30 days after receipt of such notice, Landlord shall give Franchisor written notice specifying any defaults of Tenant under the Lease. If Franchisor elects to assume the Lease, Franchisor must cure said defaults consistent with paragraph 3 above.

(b) If the Lease contains term renewal or extension right(s) and if Tenant allows the term to expire without exercising said right(s), Landlord shall give Franchisor written notice thereof, and a Franchisor Entity shall have the option, for 30 days after receipt of said notice, to exercise the Tenant’s renewal or extension right(s) on the same terms and conditions as are contained in the Lease. If a Franchisor Entity elects to exercise such right(s), it shall so notify Landlord in writing, whereupon Landlord and the Franchisor Entity shall promptly execute and deliver an agreement whereby the Franchisor Entity assumes the Lease, effective at the commencement of the extension or renewal term.

5. Access to Premises Following Expiration or Termination of Lease. Upon the expiration or termination of the Lease, Landlord will cooperate with and assist Franchisor in gaining possession of the Premises and, if the Franchisor Entity does not elect to assume the Lease for the Premises consistent with Sections 3(a) or 4(b) above, Landlord will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Landlord except for any damages caused by Franchisor’s willful misconduct or gross negligence, to remove all signs and all other items identifying the Premises as a GREEN + THE GRAIN Restaurant and to make such other modifications (such as repainting) as are reasonably necessary to protect the GREEN + THE GRAIN marks and system, and to distinguish the Premises from GREEN + THE GRAIN Restaurants. In the event Franchisor exercises its option to purchase assets of Tenant, Landlord must permit Franchisor to remove all such assets being purchased by Franchisor.

6. Assumption and Subsequent Assignment By Franchisor. If Franchisor elects to assume the Lease under paragraph 2, or unilaterally assumes the Lease as provided for in paragraphs 3 or 4, Landlord and Tenant agree that:

(a) Tenant will remain liable for the responsibilities and obligations, including amounts owed to Landlord, prior to the date of assignment and assumption. Further, Tenant shall

be and remain liable to Landlord for all of its obligations under the Lease, notwithstanding any assignment or assumption of the Lease by Franchisor. Franchisor shall be entitled to recover from Tenant all amounts it pays to Landlord to cure Tenant's defaults under the Lease, including interest and reasonable collection costs.

(b) Franchisor, upon taking possession of the Premises, shall cure any default specified by Landlord within the timeframes noted herein and shall execute and deliver to Landlord its assumption of Tenant's rights and obligations under the Lease. Franchisor shall pay, perform and be bound by all the duties and obligations of the Lease applicable to Tenant, except that the Franchisor may elect not to assume or be bound by the terms of any Amendment to the Lease executed by Tenant without obtaining Franchisor's prior written approval, which shall not be unreasonably withheld or delayed.

(c) At or after the time Franchisor assumes Tenant's interests under the Lease, the Franchisor may, at any time, assign such interests or sublet the Premises to a "GREEN + THE GRAIN" franchisee. Any such assignment shall be subject to the prior written consent of the Landlord, which Landlord shall not unreasonably withhold as it relates to a creditworthy franchisee who otherwise meets Franchisor's then-current standards and requirements for franchisees and agrees to operate the Restaurant as a "GREEN + THE GRAIN" Business pursuant to a Franchise Agreement with Franchisor. Upon receipt by Landlord of an assumption agreement pursuant to which the assignee agrees to assume the Lease and to observe the terms, conditions and agreements on the part of Tenant to be performed under the Lease, the Franchisor shall thereupon be released from all liability as tenant under the Lease from and after the date of assignment, without any need of a written acknowledgement of such release by Landlord.

7. Access to Premises During Lease. As provided in the Franchise Agreement, Franchisor shall have the right to access the Premises during continuance of the Lease to ensure compliance by Tenant with its obligations under the Franchise Agreement.

8. Additional Provisions.

(a) Landlord hereby acknowledges that the provisions of this Addendum to Lease are required pursuant to the Franchise Agreement under which Tenant plans to operate its business and the Tenant would not lease the Premises without this Addendum.

(b) Landlord further acknowledges that Tenant is not an agent or employee of Franchisor and the Tenant has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any affiliate of Franchisor, and that Landlord has entered into this Addendum to Lease with full understanding that it creates no duties, obligations or liability of or against Franchisor or any affiliate of Franchisor, unless and until the Lease is assigned to, and accepted in writing by, Franchisor.

(c) All notices to Franchisor required by this Addendum must be in writing and sent by registered or certified mail, postage prepaid, to the following address:

If intended for us, addressed to:

green and the grain franchising LLC
200 South 6th Street, Suite 296
Minneapolis, MN 55402

Franchisor may change its address for receiving notices by giving Landlord written notice of the new address. Landlord agrees that it will notify both Tenant and Franchisor of any change in Landlord's mailing address to which notices should be sent.

9. Sales Reports. If requested by Franchisor, Landlord will provide Franchisor with whatever information Landlord has regarding Tenant's sales from the Restaurant.

10. Conflicts. In the event of a conflict between the terms of the Lease and the terms set forth in this Addendum, the terms set forth herein shall govern. In the event of a conflict between notices provided to Landlord by Tenant and Franchisor, the notices of Franchisor shall prevail.

11. Miscellaneous. Any waiver excusing or reducing any obligation imposed by this Addendum shall be in writing and executed by the party who is charged with making the waiver and shall be effective only to the extent specifically allowed in such writing. The language used in this Addendum shall in all cases be construed simply according to its fair meaning and not strictly for or against any party. Franchisor is a third party beneficiary of this Addendum, with independent rights of enforcement. This Addendum shall be binding upon, and shall inure to the benefit of, the successors, assigns, heirs, and personal representatives of the parties hereto. This Addendum sets forth the entire agreement with regard to the rights of Franchisor, fully superseding any and all prior agreements or understandings between the parties pertaining to the subject matter of this Addendum. This Addendum may only be amended by written agreement duly executed by each party.

IN WITNESS WHEREOF, this Addendum is made and entered into by the undersigned parties as of _____, _____.

- 1. For purposes of this Agreement, the terms below have the following definitions:
 - A. “Manual” or “Operations Manual” means any collection of written, video, audio and/or software media (including materials distributed electronically), regardless of title and consisting of various subparts and separate components, all of which we or our agents produce and which contain specifications, standards, policies, procedures and recommendations for GREEN + THE GRAIN businesses, all of which we may change from time to time.

H. **“Traditional Location”** means a Restaurant that is a fast casual restaurant and offers our fresh and flavorful salads and related products and services available for dine in, carry out and catering.

GRANT OF DEVELOPMENT RIGHTS

2. The following provisions control with respect to the rights granted hereunder:

A. We grant to you, under the terms and conditions of this Agreement, the right to develop and operate a specified number of GREEN + THE GRAIN Restaurants within the geographic area set forth in the Summary Page and further described in Appendix A (the **“Development Area”**).

B. You are bound by the development schedule set forth on the Summary Page (the **“Development Schedule”**). Time is of the essence for the development of each Restaurant in accordance with the Development Schedule. For purposes of determining compliance with the above Development Schedule, only the Restaurants actually open and continuously operating for business in the Development Area as of a given date will be counted toward the number of Restaurants required to be open and continuously operating for business. Each Restaurant must be developed and operated pursuant to a separate Franchise Agreement that you enter into with us pursuant to Section 4.B below.

C. If you are in compliance with the Development Schedule, we will not develop or operate or grant anyone else a franchise to develop and operate a GREEN + THE GRAIN restaurant (except as set forth in this Agreement) in the Development Area prior to the earlier of (i) the expiration or termination of this Agreement; (ii) the date on which you must execute the Franchise Agreement for your last Restaurant pursuant to the terms of the Development Schedule or (iii) the date on which the Authorized Location (as defined in the Franchise Agreement) for your final Restaurant under this Agreement is determined. Notwithstanding anything in this Agreement, upon the earliest occurrence of any of the foregoing events (a) your right to develop any additional

Restaurant will expire and (b) we will be entitled to develop and operate, or to franchise others to develop and operate, GREEN + THE GRAIN restaurants in the Development Area, except as may be otherwise provided under any Franchise Agreement that has been executed between us and you and that has not been terminated.

D. The rights granted under this Agreement are limited to the right to develop Restaurants located in the Development Area, and do not include: (i) any right to sell products and services identified by the Trademarks at any location (including Nontraditional Locations) or through any other channels or methods of distribution, including grocery stores or the Internet (or any other existing or future form of electronic commerce), other than at Restaurants within the Development Area pursuant to the terms of the applicable Franchise Agreement, (ii) any right to sell products and services identified by the Trademarks to any person or entity for resale or further distribution, or (iii) any right to exclude, control or impose conditions on our development or operation of franchised, company or affiliate owned restaurants or businesses any time or at any location outside of the Development Area. You may not use the words GREEN + THE GRAIN or any of the other Trademarks as part of the name of your corporation, partnership, limited liability company or other similar entity.

We retain all rights that are not expressly granted to you under this Agreement or any Franchise Agreement that is in effect for a Restaurant in the Development Area. Further, we or our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee, and without granting you any rights therein:

(i) establish and/or license others to establish franchised or company-owned or affiliate-owned GREEN + THE GRAIN businesses at any location outside of your Development Area, regardless of the proximity of such businesses to your Development Area;

(ii) merge with, acquire or become associated with (“**Merger/Acquisition Activity**”) any businesses of any kind (including those in competition with GREEN + THE GRAIN businesses) under other systems and/or marks, which businesses may convert to or operate under the Trademarks and may offer or sell products or services that are the same as or similar to the products or services offered at or from the Restaurants, and which may be located anywhere;

(iii) sell or distribute for ourselves and/or license others to sell or distribute through restaurants or any other method of distribution products and services the same as or different from the services or products offered under the System, and which are offered and distributed under marks different than the Trademarks;

(iv) offer, sell or distribute any services or products associated with the System (now or in the future) or identified by the GREEN + THE GRAIN Trademarks, or any other trademarks, service marks or trade names through any distribution channels or methods (“**Alternative Channels of Distribution**”) separate from Restaurants like the one you are authorized to operate under this Agreement. The Alternative Channels of Distribution may include, without limitation, the Internet (or any other existing or future form of electronic commerce), or grocery stores or other stores where food items are sold; and

(v) develop or franchise Nontraditional Locations.

E. This Agreement is not a Franchise Agreement, and you have no right to use in any manner the Trademarks or operate a GREEN + THE GRAIN Restaurant by virtue of this Agreement. You have no right under this Agreement to sublicense or subfranchise others to operate a business or restaurant or use the System or the Trademarks.

DEVELOPMENT FEE

3. Simultaneously with the execution of this Agreement, you must pay a Development Fee as described below:

A. As consideration for the rights granted in this Agreement, you must pay us a “**Development Fee**” in the amount designated on the Summary Page. The Development Fee is an amount equal to the Initial Franchise Fee for the first location plus an amount for each additional Restaurant you commit to develop under this Agreement. The Development Fee is consideration for this Agreement and not consideration for any Franchise Agreement, is fully earned by us upon receipt and is nonrefundable.

B. You must submit a separate application for each Restaurant to be established by you within the Development Area as further described in Section 4. Upon our consent to the site of your Restaurant, a separate Franchise Agreement must be executed for each such Restaurant. Provided that the Franchise Agreement is executed within the timeline required by the Development Schedule, the Initial Franchise Fee will be the amount paid for the first location as identified in the Summary Page and reduced by the applicable per location amount included in the calculation of the Development Fee. Upon the execution of each Franchise Agreement, the terms and conditions of the Franchise Agreement control the establishment and operation of such Restaurant. You must execute the Franchise Agreement for the first Restaurant to be developed hereunder simultaneously with the execution of this Agreement.

DEVELOPMENT SCHEDULE

4. The following provisions control with respect to your development rights and obligations:

A. You are bound by and strictly must follow the Development Schedule. By the dates set forth in the Development Schedule, you must enter into Franchise Agreements with us pursuant to this Agreement for the number of Restaurants described in the Development Schedule. You also must comply with the Development Schedule requirements regarding (i) the opening date for each Restaurant and (ii) the cumulative number of Restaurants to be open and continuously operating for business in the Development Area. If you fail to either execute a Franchise Agreement or to open a Restaurant according to the dates set forth in this Agreement or otherwise fail to comply with the Development Schedule, we have the right to immediately terminate this Agreement pursuant to Section 7.B.

B. You may not develop a Restaurant unless (i) at least 60 days prior to the date set forth in the Development Schedule for the execution of each Franchise Agreement, you send us a notice (a) requesting that we send you our then current disclosure documents, (b) confirming your intention to develop the particular Restaurant and (c) sending us all information necessary to complete the Franchise Agreement for the particular Restaurant, and (ii) all of the following conditions have been met (these conditions apply to each Restaurant to be developed in the Development Area):

1. Your Submission of Proposed Site. You must find a proposed site for the Restaurant which you reasonably believe to conform to our site selection criteria (as modified by us from time to time) and submit to us a complete site report (containing such demographic, commercial, and other information and photographs as we may reasonably require) for such site.

2. Our Consent to Proposed Site. You must receive our written consent to your proposed site. We agree not to unreasonably withhold consent to a proposed site. In approving or disapproving any proposed site, we will consider such matters as we deem material, including demographic characteristics of the proposed site, traffic patterns, visibility, business mix, parking, layout and dimensions of location, physical characteristics of the site, and other commercial characteristics (including the purchase or lease obligations for the proposed site). We may conduct on-site evaluations, as we deem advisable, as part of our evaluation of the site for the Restaurant. We reserve the right to charge you our then-current site evaluation fee for each on-site evaluation we conduct.

3. Your Submission of Information. You must furnish to us, at least 60 days prior to the earlier of (i) the date set forth in the Development Schedule by which you must execute a Franchise Agreement or (ii) the actual date on which the Franchise Agreement would be executed, a franchise application for the proposed Restaurant, financial statements and other information regarding you, the operation of any of your other Restaurants within the Development Area and the development and operation of the proposed Restaurant (including, without limitation, investment and financing plans for the proposed Restaurant) as we may reasonably require.

4. Your Compliance with Our Then-Current Standards for Franchisees. You must receive written confirmation from us that you meet our then-current standards for franchisees, including financial capability criteria for the development of a new Restaurant. You acknowledge and agree that this requirement is necessary to ensure the proper development and operation of your Restaurants and to preserve and enhance the reputation and goodwill of all GREEN + THE GRAIN businesses and the goodwill of the Trademarks.

5. Good Standing. You must not be in default of this Agreement, any Franchise Agreement entered into pursuant to this Agreement or any other agreement between you or any of your affiliates and us or any of our affiliates. You also must have satisfied, on a timely basis, all monetary and other material obligations under the Franchise Agreements for all of your existing Restaurants.

6. Execution of Franchise Agreement. You and we must enter into our then-current form of Franchise Agreement for the proposed Restaurant. You understand that we may modify the then-current form of Franchise Agreement from time to time and that it may be different from the current form of Franchise Agreement, although the Royalty Fee for your first Franchise Agreement will remain the same for the initial term of each additional Franchise Agreement you sign under this Agreement. You understand and agree that any and all Franchise Agreements will be construed and will exist independently of this Agreement. The continued existence of each Franchise Agreement will be determined by the terms and conditions of such Franchise Agreement. Except as specifically set forth in this Agreement, the establishment and operation of each Restaurant must be in accordance with the terms of the applicable Franchise Agreement.

7. Other Investors; Franchisee Entity. You may have other investors involved in the ownership of an individual Restaurant you operate under this Agreement, provided that: (i) you advise us of all Owners at the time you sign the Franchise Agreement for the site; (ii) all Owners meet our then-current qualifications for franchisees; (iii) you maintain majority ownership and control of the Franchisee entity; and (iv) each Owner signs the Personal Guaranty and a confidentiality and non-competition agreement in a format we require. You may form a wholly-owned subsidiary or other affiliated entity for each individual Restaurant provided that such entity: (i) conducts no other business than operating a GREEN + THE GRAIN Restaurant, (ii) you maintain management control; (iii) you own and control at least 51% of the equity and voting power of all issued and outstanding equity interests; and (iv) all assets of the Restaurant are owned and the entire Restaurant business is conducted by a single business entity.

C. You must construct and equip each Restaurant in strict accordance with our then-current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, design and layout for the type of location you are developing. You may not commence construction on any Restaurant until you have received our written consent to your building plans.

D. You acknowledge that you have conducted an independent investigation of the prospects for the establishment of the Restaurant within the Development Area, and you recognize that the business venture contemplated by this Agreement involves business and economic risks and that your financial and business success will be primarily dependent upon the personal efforts of you and your management and employees.

E. You recognize and acknowledge that this Agreement requires you to open Restaurants in the future pursuant to the Development Schedule. You further acknowledge that the estimated expenses and investment requirements set forth in Items 6 and 7 of our Franchise Disclosure Document are subject to increase over time, and that future Restaurants developed hereunder likely will involve greater initial investment and operating capital requirements than those stated in the Franchise Disclosure Document provided to you prior to the execution of this Agreement. You are obligated to execute all the Franchise Agreements and open all the Restaurants on the dates set forth on the Development Schedule, regardless of (i) the requirement of a greater investment, (ii) the financial condition or performance of your prior Restaurants, or (iii) any other circumstances, financial or otherwise. The foregoing will not be interpreted as imposing any obligation upon us to execute the Franchise Agreements under this Agreement if you have not complied with each and every condition necessary to develop the Restaurants.

TERM

5. Unless sooner terminated in accordance with Section 7 of this Agreement and subject to the terms detailed in Section 2.C, the term of this Agreement and all rights granted to you will expire on the earlier of (a) date that your last GREEN + THE GRAIN Restaurant is scheduled to be opened under the Development Schedule or (b) the date the last Restaurant to be developed under this Agreement opens for business.

YOUR DUTIES

6. You must perform the following obligations:

A. You must comply with all of the terms and conditions of each Franchise Agreement, including the operating requirements specified in each Franchise Agreement.

B. You and your Owners, officers, directors, shareholders, partners, members and managers (if any) acknowledge that your entire knowledge of the operation of the GREEN + THE GRAIN Restaurants and the System, including the knowledge or know-how regarding the specifications, standards and operating procedures of the services and activities, is derived from information we disclose to you and that certain information is proprietary, confidential and constitutes our trade secrets. The term “trade secrets” refers to the whole or any portion of know-how, knowledge, methods, specifications, processes, procedures and/or improvements regarding the business that is valuable and secret in the sense that it is not generally known to our competitors and any proprietary information contained in the Manuals or otherwise communicated to you in writing, verbally or through the internet or other online or computer communications, and any other knowledge or know-how concerning the methods of operation of the Restaurants. You and your Owners, officers, directors, shareholders, partners, members and managers (if any), jointly and severally, agree that at all times during and after the term of this Agreement, you will maintain the absolute confidentiality of all such proprietary information and will not disclose, copy, reproduce, sell or use any such information in any other business or in any manner not specifically authorized or approved in advance in writing by us. We may require that you obtain nondisclosure and confidentiality agreements in a form satisfactory to us from the individuals identified in the first sentence of this paragraph and other key employees.

C. You must comply with all requirements of federal, state and local laws, rules and regulations.

DEFAULT AND TERMINATION

7. The following provisions apply with respect to default and termination:

A. The rights and territorial protection granted to you in this Agreement have been granted in reliance on your representations and warranties, and strictly on the conditions set forth in Sections 2, 4 and 6 of this Agreement, including the condition that you comply strictly with the Development Schedule.

B. You will be deemed in default under this Agreement if you breach any of the terms of this Agreement, including the failure to meet the Development Schedule, or the terms of any Franchise Agreement or any other agreement between you or your affiliates and us or our affiliates. All rights granted in this Agreement immediately terminate upon written notice without opportunity to cure if: (i) you become insolvent, commit any affirmative action of insolvency or file any action or petition of insolvency, (ii) a receiver (permanent or temporary) of your property is appointed by a court of competent authority, (iii) you make a general assignment or other similar arrangement for the benefit of your creditors, (iv) a final judgment remains unsatisfied of record for 30 days or longer (unless supersedeas bond is filed), (v) execution is levied against your business or property, (vi) suit to foreclose any lien or mortgage against the premises or equipment is instituted against you and not dismissed within 30 days, or is not in the process of being dismissed, (vii) you fail to meet the development obligations set forth in the Development Schedule (unless we determine that you are on track to become compliant with the Development Schedule within 30 days following the applicable deadline set forth in the Development Schedule), (viii) you fail to comply with any other provision of this Agreement and do not correct the failure within 30 days after written notice of that failure is delivered to you, or (ix) we have delivered to you a notice of termination of a Franchise Agreement or another agreement between you or your affiliates and us or our affiliates in accordance with the terms and conditions of such Franchise Agreement or other agreement.

C. If you fail to comply with the Development Schedule, we may terminate this Agreement, reduce the number of Restaurants you have the right to develop hereunder, terminate or reduce the Development Area, repurchase any Restaurant opened by you under this Agreement or exercise any other rights and remedies that we may have under the law. Notwithstanding the foregoing, you may request an extension of your opening deadline for a location under the Development Schedule if you are diligently and in good faith pursuing the opening of the Restaurant as evidenced by a signed lease, commencement of construction or other equivalent process as we determine in our sole judgment. We will not unreasonable withhold your written request for such extension, provided that: (i) you agree to pay a Grace Period Fee of \$2,500 per location for each month or partial month of delay; (ii) you are not in default of any other obligation under this Agreement or any Franchise Agreement; (iii) you and any affiliates with Franchise Agreements entered into pursuant to this Agreement executes a general release, in a form prescribed by us, of any and all claims against us and our affiliates, and our and their respective officers, directors, agents, shareholders, and employees; (iv) you execute an extension agreement and (v) we have not previously granted extensions of more than 3 months per location or 12 months in the aggregate.

RIGHTS AND DUTIES OF PARTIES UPON TERMINATION OR EXPIRATION

8. Upon termination or expiration of this Agreement, all rights granted to you will automatically terminate, and:

A. All remaining rights granted to you to develop Restaurants under this Agreement will automatically be revoked and will be null and void. You will not be entitled to any refund of any fees. You will have no right to develop or operate any business for which a Franchise Agreement has not been executed by us. We will be entitled to develop and operate, or to franchise others to develop and operate, GREEN + THE GRAIN restaurants in the Development Area, except as may be otherwise provided under any Franchise Agreement that has been executed between us and you and that has not been terminated.

B. You must immediately cease to operate your business under this Agreement and must not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former developer of ours except in connection with the business operations of any existing Restaurants that have been developed prior to the termination of this Agreement and that are still operating under a valid Franchise Agreement.

C. Except as specifically permitted under any then-effective Franchise Agreement, you must take such action as may be necessary to cancel or assign to us or our designee, at our option, any assumed name or equivalent registration that contains the name or any of the words GREEN + THE GRAIN or any other Trademark of ours, and you must furnish us with evidence satisfactory to us of compliance with this obligation within 30 days after termination or expiration of this Agreement.

D. Except as specifically permitted under any then-effective Franchise Agreement, you must immediately (i) cease using or operating any digital marketing and social media related to the Restaurant in any way, take all action required to disable digital marketing and social media accounts, and cancel all rights in and to any accounts for such digital marketing and social media (unless we require you to assign them to us), (ii) assign to us or our designee all your right, title, and interest in and to your telephone numbers and must notify the telephone company and all listing agencies of the termination or expiration of your right to use any telephone number in any regular,

classified or other telephone directory listing associated with the Trademarks and to authorize transfer of same at our direction.

E. You must within 30 days of the termination or expiration pay all sums owing to us and our affiliates.

All unpaid amounts will bear interest at the rate of 18% per annum or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual. In the event of termination for any default by you, the sums due will include all damages, costs, and expenses, including reasonable attorneys' fees and expenses, incurred by us as a result of your default. You also must pay to us all damages, costs and expenses, including reasonable attorneys' fees and expenses, that we incur subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement.

F. If this Agreement is terminated, you may continue to operate, pursuant to the terms of the applicable Franchise Agreement(s), any Restaurants open and operating at the time of the termination of this Agreement, unless the termination of this Agreement constitutes a termination under the terms of the separate Franchise Agreement for the Restaurant. Under such circumstances, we will have the option to purchase from you all assets used in the Restaurant that have been developed prior to the termination of this Agreement and that are subject to closure under the terminating Franchise Agreement(s), as provided in the post-termination purchase option provision of the terminating Franchise Agreement(s).

G. All of our and your obligations that expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied or by their nature expire.

TRANSFER

9. The following provisions govern any transfer:

A. We have the right to transfer all or any part of our rights or obligations under this Agreement to any person or legal entity.

B. This Agreement is entered into by us with specific reliance upon your personal experience, skills and managerial and financial qualifications. Consequently, this Agreement, and your rights and obligations under it, are and will remain personal to you. You may only Transfer your rights and interests under this Agreement if you obtain our prior written consent and you transfer your rights and interests under the relevant Franchise Agreements for Restaurants in the Development Area as dictated by the circumstances. In this event, the transferee will be required, as a condition of approval of the transfer, to assume transferor's development obligations, including the payment of any remaining initial franchise fees. Accordingly, the assignment terms and conditions of the Franchise Agreements will apply to any Transfer of your rights and interests under this Agreement. As used in this Agreement, the term "Transfer" means any sale (including installment sale), assignment, gift, pledge, mortgage or any other encumbrance, transfer by bankruptcy, transfer by judicial order, merger, consolidation, reorganization, combination, share exchange, transfer by operation of law or otherwise, or transfer as a result of a death, disability, divorce or insolvency, whether direct or indirect, voluntary or involuntary, of this Agreement or any interest in it, or any rights or obligations arising under it, or of any material portion of your assets, or of any interest in you.

MISCELLANEOUS

10. The parties agree to the following provisions:

A. You agree to indemnify, defend, and hold us, our affiliates and our officers, directors, managers, members, shareholders, representatives and employees harmless from and against any and all claims, losses, damages and liabilities, however caused, arising directly or indirectly from, as a result of, or in connection with, the development, use and operation of your Restaurants, as well as the costs, including attorneys' fees, of defending against them ("**Franchise Claims**"). Franchise Claims include, but are not limited to, those arising from any death, personal injury or property damage (whether caused wholly or in part through our or our affiliates' active or passive negligence), latent or other defects in any Restaurant, or your employment practices. If a Franchise Claim is made against us or our affiliates, we reserve the right in our sole judgment to select our own legal counsel to represent our interests, at your cost.

B. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement is valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses.

C. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights with respect to that or any other or subsequent breach. This Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us.

D. This Agreement together with all schedules, addenda and appendices to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the Franchise Disclosure Document we furnished to you. You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our franchised business and not as a result of representations about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

E. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be in writing and signed by the party serving the same and either delivered personally, in electronic form via email to an authorized email address with proof of receipt, by reputable overnight service or deposited in the United States mail, service or postage prepaid as follows:

1. If intended for us, addressed to:

green and the grain franchising, LLC
200 South 6th Street, Suite 296
Minneapolis, MN 55402

2. If intended for you, addressed to you at the address set forth on the Summary Page; or,

in either case, to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if emailed, mailed or delivered as provided in this subparagraph.

F. Any modification, consent, approval, authorization or waiver granted in this Agreement required to be effective by signature will be valid only if in writing executed by the Owner or, if on behalf of us, in writing executed by our CEO.

G. The following provisions apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:

1. Applicable Law and Waiver. Subject to our rights under federal trademark laws and the parties' rights under the Federal Arbitration Act in accordance with Section 10.N of this Agreement, this Agreement, the parties' rights under this Agreement, and the relationship between the parties, is governed by, and will be interpreted in accordance with, the laws (statutory and otherwise) of the state in which the Development Area is located, excluding any conflicts of laws provisions.

2. Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement, although this right does not modify the express limitations set forth in this Agreement.

3. Our Reasonable Business Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise Reasonable Business Judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System include, without limitation, enhancing the value of the Trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System.

H. Any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties that is not subject to arbitration under Section 10.N must be brought in the state or federal district court located in the county where our headquarters are then located (currently, Hennepin County, Minnesota). Both parties irrevocably submit themselves to, and consent to, the jurisdiction of said courts. The provisions of this Section will survive the termination of this Agreement. You are aware of the business purposes and needs underlying the language of this subparagraph, and with a complete understanding, agree to be bound in the manner set forth.

I. All parties hereby waive any and all rights to a trial by jury in connection with the enforcement or interpretation by judicial process of any provision of this Agreement, and in connection with allegations of state or federal statutory violations, fraud, misrepresentation or similar causes of action or any legal action initiated for the recovery of damages for breach of this Agreement and any claim arising out of the parties' relationship.

J. You and us and our affiliates agree to waive, to the fullest extent permitted by law, the right to or claim for any punitive or exemplary damages against the other and agree that in the event of any dispute between them, each will be limited to the recovery of actual damages sustained.

K. If you are a corporation, partnership, limited liability company, partnership or other legal entity, all of your Owners must execute the form of undertaking and guarantee attached as Appendix B to this Agreement ("**Personal Guaranty**"). Any person or entity that at any time after the date of this Agreement becomes an Owner must also execute the form of Personal Guaranty.

L. You and we are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venturer or employee of the other. Neither party may obligate the other or represent any right to do so. This Agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence.

M. In the event of any failure of performance of this Agreement according to its terms by any party (other than payment of money), the same will not be deemed a breach of this Agreement if it arose from a cause beyond the control of and without the negligence of said party. Such causes include, but are not limited to, strikes, wars, riots and acts of government except as may be specifically provided for elsewhere in this Agreement.

N. Except as qualified below, any dispute between you and us or any of our or your affiliates, including, without limitation your Owners and guarantors, arising under, out of, in connection with or in relation to this Agreement, the parties' relationship, or the business must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be determined by arbitration administered by the American Arbitration Association pursuant to its then-current commercial arbitration rules and procedures. Any arbitration must be on an individual basis, and the parties and arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any other claim or proceeding involving third parties. If a court determines that this limitation on joinder of or class action certification of claims is unenforceable, then this entire commitment to arbitrate will become null and void and the parties must submit all claims to the jurisdiction of the courts. The arbitration must take place in the county where our headquarters are then located (currently, Hennepin County, Minnesota), or such other place as we mutually agree. The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitrator must have at least 5 years of significant experience in franchise law. A judgment may be entered upon the arbitration award by any court of competent jurisdiction. The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (i) stay the effectiveness of any pending termination of this Agreement; (ii) assess punitive or exemplary damages; or (iii) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that we set.

Before any party may bring an action in court or against the other, or commence an arbitration proceeding (except as noted below), the parties must first meet to mediate the dispute. Specifically, no litigation or arbitration action may be commenced until the earlier of thirty (30) days from written notice by one party to the other of a request to initiate mediation, or the mutual

agreement by both parties that mediation has been unsuccessful if the notified party fails to respond to the requesting party within thirty (30) days of notification. The mediation will be held in the county where our headquarters are then located (currently, Hennepin County, Minnesota). Any such mediation will be non-binding and conducted by the American Arbitration Association in accordance with its then-current rules for mediation of commercial disputes. Prior to the mediation, each party involved in the mediation must sign the standard confidentiality agreement designated by us or the mediator. The mediator will be disqualified as a witness, expert or counsel for any party with respect to the dispute or any related matter. Mediation is a compromise negotiation and will constitute privileged communications under the law governing this Agreement. The entire mediation process will be confidential and the conduct, statements, promises, offers, views and opinions of the mediator and the parties will not be discoverable or admissible in any legal proceeding for any purposes; provided, however, that evidence which is otherwise discoverable or admissible will not be excluded from discovery or admission as a result of its use in the mediation. The parties will share equally all fees and expenses of the mediator.

Nothing in this Agreement bars either party's right to obtain injunctive relief against threatened conduct that will cause loss or damages to the other party, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions. Furthermore, we and our affiliates have the right to commence a civil action against you or take other appropriate action for the following reasons: to collect sums of money due to us; to compel your compliance with trademark standards and requirements to protect the goodwill of the Trademarks; to compel you to compile and submit required reports to us; or to permit evaluations or audits authorized by this Agreement.

The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement, any lease or sublease for the Restaurant or Authorized Location, the parties' relationship or the business will be entitled to recover its reasonable attorneys' fees and costs.

O. We will designate the "**Effective Date**" of this Agreement on the Summary Page in the space provided on the Summary Page. If no Effective Date is designated on the Summary Page, the Effective Date is the date we sign this Agreement.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
green and the grain franchising LLC
Minneapolis, Minnesota

Opinion

We have audited the accompanying financial statements of green and the grain franchising LLC (a Limited Liability Company), which comprise the balance sheets as of December 31, 2023 and October 5, 2023, and the related statements of operations, members' equity and cash flows for the period from inception (October 5, 2023) to December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of green and the grain franchising LLC as of December 31, 2023 and October 5, 2023, and the results of its operations and its cash flows from the inception period to year ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of green and the grain franchising LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about of green and the grain franchising LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of green and the grain franchising LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about green and the grain franchising LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

GREEN AND THE GRAIN FRANCHISING LLC

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business description

green and the grain franchising LLC (The Company), a Minnesota limited liability company, offers franchises of GREEN + THE GRAIN restaurants. The franchisees will operate a fast casual restaurant offering fresh salads and related products under the name “GREEN + THE GRAIN.” The Company was incorporated on October 5, 2023 and funded on December 29, 2023. The Company receives an initial franchise fee and continuing fees monthly from the franchisees. The Company is currently preparing to sell franchises and no franchises have been sold as of March 6, 2024.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Company considers cash on hand, bank checking accounts and investments purchased with a maturity of three months or less to be cash equivalents.

Concentration of credit risk

The Company maintains cash in financial institutions that are insured by the Federal Deposit Insurance Corporation (FDIC), which at times may exceed federally insured limits. The Company believes they are not exposed to any significant credit risk on cash and cash equivalents.

Subsequent events

Management has evaluated subsequent events through March 6, 2024, the date at which the financial statements were available to be issued.

Revenue recognition

The Company follows Accounting Standards Update (ASU) 2014-09 *Revenue from Contracts with Customers (Topic 606)* and all subsequently issued clarifying ASU's which replaced most existing revenue recognition guidance in generally accepted accounting principles in the United States of America (GAAP). The guidance requires the Company to recognize revenue to depict the transfer of good or services to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures related to the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers.

The Company franchises GREEN + THE GRAIN restaurants. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the concepts of the franchise license. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license.

GREEN AND THE GRAIN FRANCHISING LLC

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. (CONTINUED)

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fee; (b) royalty fees; (c) marketing fees; (d) technology fees; (e) training fees; and (f) other one-time or ongoing fees.

The Company recognizes the primary components of the transaction price as follows:

- Franchise fees are typically received in cash at or near the beginning of the franchise term.
- The Company is entitled to various continuing fees, including royalty fees, marketing fees, and other fees. Some of the fees are flat fees and others are based on the revenues of the franchisee's business.

There have been no franchisees signed as of March 6, 2024.

Income taxes

The Company is organized as a Limited Liability Company that is taxed as a partnership under the Internal Revenue code and applicable state statutes. The profits and losses of the Company flow through to the members rather than the Company level. Accordingly, the Company will have no tax liability.

The Company has not been audited by the Internal Revenue Service or other state agencies. Management has evaluated its tax positions and has concluded that they do not result in anything that would require either recording or disclosure in the financial statements.

This Agreement is, and as of the Closing Date this Agreement and the other documents related to this transaction will be, the legal, valid and binding obligations of Buyer, enforceable in accordance with their respective terms.

VII. Time of the Essence

Time is of the essence of this Agreement. The acceptance by either party of partial or delinquent payment or performance, or failure of either party to exercise any right or remedy shall not be a waiver of the party's obligations or rights, or constitute a waiver of any other or similar act or omission occurring at a later date. Failure at times to insist upon strict performance hereunder shall not be deemed as a waiver or bar to later insist upon strict performance of all of the terms of this Agreement.

VIII. Buyer's Inspection

Any suit or action arising out of, related to, or in connection with this Agreement, or any instrument or document executed pursuant thereto, shall be filed and maintained in Hennepin County, Minnesota, or such other jurisdiction as to which Seller may expressly agree in writing. Buyer waives any claim that such jurisdiction is inconvenient, and hereby irrevocably authorizes and directs the judge in any court other than ones named above to promptly dismiss any such suit or action, with prejudice and at plaintiff's costs, unless Seller shall have consented in writing to the venue and jurisdiction of the suit or action.

XII. Benefit of Agreement

This Agreement shall be binding upon and shall inure to the benefit of the parties, their successors, the assigns of Seller, and the Buyer. Buyer may not assign this Agreement or delegate its duties hereunder without the prior written consent of Seller. The parties have not received, and have not relied on, any promise, statement or representation other than those expressly set forth herein in entering into this Agreement. This Agreement shall be binding when signed by an authorized agent of each party and may be executed in one or more counterparts, all of which shall constitute one original. The terms of this Agreement may be altered only by a writing signed by Buyer and Seller.

XIV. Authorization

Seller is fully authorized and empowered to release to its affiliated companies or other creditors any information concerning this Agreement, including but not limited to the type, location, condition and amount of fixtures and equipment involved; the total purchase price; the inclusive dates of the Agreement, and any other matter or fact related to the transaction or Buyer and

XV. Notices

Except as otherwise provided in this Agreement, all notices, demands or other communications given under this Agreement shall be in writing, and shall be either hand delivered or mailed to the address of each party as first above set forth, said mailing to be by certified United States government mail, or by recognized overnight commercial courier service, with notice to be effective upon delivery or on the second business day after mailing by certified mail. Either party may, by written direction to the other, change the address to which notice shall be sent.

XVI. Bulk Sales

Buyer and Seller both agree to waive compliance with any applicable bulk sales provision or similar law.

XVII. Compliance With Lease(s)

Buyer agrees to assume the real estate leases for the Restaurant, by executing an Assignment of Lease for the Restaurant premises in the form of Exhibit _ attached hereto. In connection with Buyer's assumption of the lease, Buyer shall promptly pay when due all rent, additional rent, taxes, assessments and utility charges and fully comply with all of the terms of the leases for the Restaurant's premises. Buyer shall defend, indemnify and hold Seller harmless from any liability under the leases from and after the close of business on _____, including Seller's attorneys' fees. Unless its liability ends sooner, Seller shall have no liability under the lease for the Restaurant upon the first to occur of any of the following: (i) the termination or expiration of the present term of the lease; (ii) a material modification of the lease; or, (iii) Seller's release from liability under the lease. Buyer will not exercise any option to renew or extend any lease unless Seller is released from any further liability under the lease as of the expiration of the current term.

XVIII. Assumption Of Seller's Other Contractual Obligations

Buyer shall assume those contracts listed and disclosed on Exhibit __, by executing an Assignment of Contracts in the form of Exhibit __. Conditioned on the Closing, Buyer agrees to defend, indemnify and hold Seller harmless from and against any obligation, breach or other liability arising out of an assigned contract, which accrues subsequent to Closing. Seller agrees to defend, indemnify and hold Buyer harmless from and against any obligation, breach or other liability arising out of an assigned contract, which accrues prior to Closing. Seller's liability under these contracts shall end upon termination or expiration of the current term of those contracts and Buyer agrees that the terms of any renewal or continuation of these contracts by Buyer shall be without further liability to Seller.

XIX. Tenancy

Buyer acknowledges and agrees that Seller does not own the building or real estate where the Assets are located and Seller does not warrant that it has a continuing right to possession of the Restaurant's premises.

XX. Bill of Sale

Upon payment in full of all sums due and owing Seller hereunder and upon full and faithful performance of all the terms of this Agreement by the Buyer on its part to be performed, Seller shall execute and deliver to Buyer a Bill of Sale in the form of Exhibit __, evidencing conveyance of the Assets to Buyer.

XXI. Severability

Seller and Buyer agree that if any provision of this Agreement is capable of two constructions, one of which would render the provision illegal or otherwise voidable or unenforceable and the other of which would render the provision valid and enforceable, such provision shall have the meaning that renders it valid and enforceable. The language of all provisions of this Agreement shall be construed simply according to its fair meaning and not strictly against Buyer or Seller. It is the desire and intent of Buyer and Seller that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies in force. If any provision is nonetheless held to be void or unenforceable, all of the others shall remain in full force and effect.

XXII. Confirmation of Prior Acts or Performance
