This franchise is for the operation of a business that markets and sells a proprietary line of air purification, water purification, water conditioners, floor care and other products and services that create and maintain allergy friendly, clean and healthy indoor environments for homes and businesses. Our franchisees also perform testing and treatments for indoor environmental containments and perform repair and maintenance services for all of our products and certain products of our competitors. Our franchisees are required to maintain a fixed store location to operate their franchise. Our franchisees accomplish a substantial portion of their sales through in-person marketing and product demonstration.

We currently offer 2 franchise programs – our Standard franchise program (“Standard Program”) and our associate franchise program (“Associate Program”). We also offer qualified franchisees under the Standard Program and Associate Program a right to sell an additional, premium line of products that are marketed and sold under the “Beyond by Aerus” trademark.

The total investment necessary to begin operation of a franchise under the Standard Program is \$30,500 to \$417,790. This includes \$20,500 to \$308,100 that must be paid to us or our affiliate.

The total investment necessary to begin operation of a franchise under the Associate Program ranges from approximately \$16,000 to \$95,790. This includes \$8,000 to \$51,000 that must be paid to us or our affiliate.

What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit 4.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration or litigation only in Texas. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate or litigate with the franchisor in Texas than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. If you fail to do so, the franchisor can terminate the franchise agreement and you could lose your investment.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, or affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than the prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

**THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE
RESIDENTS OF
MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.**

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Law Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

“You” means the individual, corporation, partnership, limited liability company or other business entity who purchases the franchise. Except for sole proprietorships, the term “You” does not include a business entity’s owners.

Background

“Electrolux” brand vacuum and floor care products have been sold in North America since 1924.

In 1998, the Electrolux business in the United States and Canada was acquired by Electrolux LLC, the current owner. In 2000, Electrolux LLC, completed a transaction to sell its “Electrolux” brand name rights. It developed a new brand name “Aerus” and retained certain non-exclusive rights in and to the brand names “Electrolux” and “Lux” based upon license agreements with Aktiebolaget Electrolux, the purchaser. In 2001, Electrolux LLC changed its name to Aerus LLC and formed a subsidiary Aerus Franchising, LLC, to offer franchising rights. In 2013, it established “Beyond by Aerus” as a new name brand for its proprietary line of products, services and treatments that create and maintain allergy friendly, clean and healthy indoor environments.

The Franchisor

Aerus Franchising, LLC, (“we”, “our” or “us”) is a limited liability company formed under the laws of Delaware on May 2, 2001. We currently do business only under our company name and under the trade names “Aerus”, “Aerus Franchising” or “Beyond by Aerus”. We maintain our principal place of business at 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254. We have been offering franchises under the “Aerus” marks since June 2002. We began offering qualified franchises the right to sell our additional premium line of products and services under the “Beyond by Aerus” mark as of April 15, 2015. As of December 31, 2023, we have 191 franchise businesses in the United States and Canada. We do not offer any other franchises or engage in any other line of business, nor have we done so prior to the date of this Disclosure Document.

Our agents for service of process are listed in Exhibit 5.

Our Parent, Predecessors and Affiliates

We are owned by Aerus LLC (“Aerus”) and a limited number of members owning a small minority interest. Aerus is a Delaware limited liability company and its principal place of business is 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254. Aerus is a wholly-owned subsidiary of ActivePure Technologies, LLC, a Delaware limited liability company, with its principal place of business at 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254. Our product line is manufactured and/or supplied by Aerus. Prior to April 1, 2004, Aerus owned and operated approximately 400 Aerus businesses in the United States. Aerus eventually sold such businesses to individuals or entities who were then granted franchise rights by us. Aerus no longer owns any such businesses. Aerus has never offered franchises in any line of business. As described in Item 13, Aerus owns some of the Marks.

From time to time, ARS Home Solutions, LLC (“ARS”), ARS Home Solutions Canada, Inc. (“ARS Canada”), or other of our affiliates may offer qualified individuals and business entities the opportunity to purchase the assets of existing Aerus Businesses operated by them. In these transactions, we negotiate with the prospective franchisee to reach mutually acceptable terms of a sales agreement, and if applicable, sublease or assignment of lease of real estate.

ARS, a wholly owned subsidiary of Aerus, is a Delaware limited liability company formed on August 6, 2001, and shares our principal business address. ARS has been granted franchise rights by us and currently owns and operates 9 Aerus Businesses in the United States. ARS has conducted businesses of the type to be operated by you, and has done so since 2004. ARS has never offered franchises in any line of business.

ARS Canada is an Ontario corporation formed on November 4, 2011 and has a principal business address at 3480 Laird Road, Suite 2-5, Mississauga, ON L5L5Y4. ARS Canada has been granted franchise rights by us, and although it currently does not own or operate any Aerus Businesses in Canada, it previously conducted business of the type to be operated by you from 2011 to 2018. ARS Canada has never offered franchises in any line of business.

Our Business and Products

We grant franchises to qualified individuals and business entities for the right to establish and operate businesses that (i) market, distribute and sell our line of air purification, water purification, water conditioning, floor care and other environmental products for homes and businesses, including accessories, attachments, parts and supplies; (ii) provide testing for indoor environmental contaminants and market, distribute and sell products, services and treatments for the control of indoor environmental contaminants; and (iii) perform product repair, maintenance and related services for our products and certain products of our competitors (collectively the “Products”).

Our Products bear or are identified by the trade name, trademark or service mark “Beyond”, “Beyond by Aerus”, “Aerus”, “Lux”, “Electrolux” or certain other indicia owned, licensed or otherwise contracted for by us (the “Marks”) which are marketed, distributed and sold through (among other channels) a network of independent franchisees, operating from permitted fixed locations, and their permitted distributors, licensees and sales representatives, who each assume responsibility for their own marketing, promotion, sales and distribution of the Products, directly or indirectly, to the end-user, consuming public. “Beyond Products” mean those Products marketed, distributed and sold under the “Beyond by Aerus” Mark.

We have developed a distinctive and proprietary system (the “System”) for establishing and operating businesses that offer and sell the Products. The distinguishing characteristics of the System include, among other things: identification by the Marks; distinctive exterior and interior design, decor, color scheme and furnishings, fixtures and other trade dress elements; proprietary products; standards, specifications, policies and procedures for construction, management and operations; quality, distinctiveness and uniformity of products and services; standards, specifications, procedures and automated, software driven administrative systems for customer, lead, inventory, sales and financial management and control; sales, recruiting and lead generation programs; training and assistance; and advertising and promotional programs all as are more

particularly described and designated in the Manuals (as defined below) and all of which we may change, improve, and further develop at our sole option from time to time.

“Manuals” refer to our confidential operations manuals, including the Policies and Procedures, and other manuals and written materials (including electronically stored or communicated materials) developed by us for use in the operation of Aerus Businesses. Our “Policies and Procedures” include those policies, procedures, practices, rules and regulations developed by us for use in the operation of Aerus Businesses. We refer to businesses which operate under the Standard and Associate Programs (each defined below) as “Aerus Businesses,” and to the specific business that you will operate as the “Franchised Business.”

The Franchise Offered

We grant to third parties the license and right to operate under 1 of 2 franchise programs, known as (i) the standard franchise program (the “Standard Program”) and (ii) the associate franchise program (the “Associate Program”); each of which offer and sell certain of the Products, are identified by certain of the Marks and use certain elements of the System, all as determined from time to time by us.

The type of businesses operated under each of these programs possess each of the four following characteristics: (i) they are identified by the Marks, (ii) they are primarily engaged in the offer and sale of the Products, to either (a) non-commercial, residential buyers of the Products, or (b) commercial buyers who are not designated in the Manuals as “national accounts” and who are not engaged, and not anticipated to be engaged, in the sale of any cleaning, purification, health improvement or other consumer products or services, who, in either case, are purchasing the Products for such customer’s use or consumption and not for re-sale (“Approved Customers”), (iii) they operate from one or more pre-authorized physical locations that serve as retail locations, service centers, recruiting and training centers (each, an “Approved Location”), and (iv) they operate in accordance with the System.

Although the type of businesses operated under each of the programs are similar, there are key and important differences in the programs. Associate Program franchisees may only operate from a single approved location, while Standard Program franchisees may, with our approval, open additional locations. Whether a franchisee is under the Association Program or Standard Program affects the prices at which the franchisee may sell consigned products, with Standard Program franchisees entitled to more favorable pricing. Some of the additional key differences between the programs are summarized below and are noted throughout this Disclosure Document. Unless otherwise noted in this Disclosure Document, the programs are similar.

Program	May open additional Satellites or Outlets with our approval	Service & Repair Center	Minimum Sales Requirement
Standard Program	Yes	Must maintain service and repair center within Approved Location	Generally, No less than 45 Core Units per Approved Location per Quarter plus 80% of average Gross Sales of aftermarket, labor and parts per quarter
Associate Program	No	May maintain service and repair center within Approved Location or contract with another Aerus Business to discharge all service and repair obligations	Generally, 30 Core Units per Approved Location per Quarter plus 80% of average Gross Sales of aftermarket, labor and parts per quarter

You will operate the Franchised Business according to the terms and conditions of the Franchise Agreement (“Franchise Agreement”) which, among other things, grants you a limited license to use those Marks and elements of the System which we designate for your use in connection with the applicable franchise program. The Franchise Agreement for the Standard Program can be found attached to this Disclosure Document at Exhibit 2(a) and the Franchise Agreement for the Associate Program can be found attached to this Disclosure Document at Exhibit 2(b). Additionally, you also must comply with the standards, specifications and directives contained in the Manuals.

As our franchisee, you will offer and sell the Products designated by us under the franchise program under which you operate. Most of the Products in your inventory will be held on consignment until sold. Consequently, we or our affiliate will determine the prices at which the Products will be sold. The Products that you hold on consignment and offer for sale are referred to in this Disclosure Document as the “Consigned Products.” When you sell any Consigned Products, you will be required to remit payment to us or our affiliate. The amount of that payment is referred to as the “Standard Allocation”. The Standard Allocation is established by us (in the Manuals or otherwise in writing) and will vary based upon the franchise program you elect and your sales volume. We or our affiliate will provide to you an initial and ongoing inventory of Consigned Products. In connection with these Consigned Products, you must maintain with us a security deposit (“Security Deposit”).

You will accomplish a substantial portion of your sales through in-person marketing and product demonstrations, but also will maintain a store front at an Approved Location, where you will offer and display Products for retail sale, conduct product demonstrations and receive products from customers for trade-in, service and repair.

You will have a “Protected Area” in which you have certain limited territorial protections and an “Area of Responsibility” in which you will have certain rights and responsibilities. See Items 12 and 16.

The Standard Program allows you (with our prior approval) to own and operate more than one Approved Locations on either a full-scale or limited-scale basis (Approved Locations of limited-scale can be “Satellites” or “Licensed Outlets”). Satellites are additional locations managed directly by you. Outlets are additional locations under your care and control that are managed by persons or entities contracted by you to oversee the location (each an “Outlet Licensee”). Outlet Licensees must be engaged on forms acceptable to us. You should note that some states may impose additional requirements or regulation on those relationships, in that event, Outlet Licensees would not be permitted.

Franchisees under the Associate Program are not permitted to open additional Approved Locations, Satellites or Licensed Outlets. References and descriptions of Satellites, Outlet Licensees and Licensed Outlets in this Disclosure Document are not applicable to the Associate Programs.

You must designate an “Operating Principal.” Your Operating Principal will be the individual primarily responsible for your business. If you are an individual, you will be the Operating Principal.

The Beyond Program

We also offer eligible franchisees the right to sell Beyond Products. If you qualify and elect to sell Beyond Products, you will sign an addendum to your Franchise Agreement, a copy of which is attached as Exhibit 2(c) (the “Beyond Addendum”). The Beyond Addendum grants you a right to market and sell Beyond Products in your Area of Responsibility. You will pay an additional initial fee as described in this Disclosure Document (“Beyond Fee”) and also be required to attend additional training, as further described in this Disclosure Document. Franchisees who do not sign the Beyond Addendum will have no rights to market and sell Beyond Products.

Market and Competition

The market for the products and services offered by Aerus Businesses is developed and highly competitive. You will be offering products and services to a diverse cross section of residential customers and certain commercial customers. You will be competing with cleaning, purification, health improvement and other home environment cleaning and maintenance product and service suppliers, including mass merchandisers, department stores, specialty stores, direct marketers and others. In some instances, you will be competing with certain products offered by other franchisees or our affiliates (and their respective independent distributors).

Industry Specific Laws and Regulations

The Franchised Business must comply with the Americans with Disability Act, and all local zoning laws, land use laws and regulations. You must comply with the Truth in Lending Law and other laws applicable to the offer of financing. Further, with respect to your sale of products through direct in-home demonstrations, you must comply with a number of regulations particular to such activity including: the Federal Trade Commission Rule granting the purchaser in any such sale an unfettered right to cancel the transaction within three business days; the Federal Communications Commission regulation requiring you to maintain a list of consumers who have asked you directly to not call them again; and some state and federal statutes that permit residential telephone users

to have their names placed on a state or federally managed “do not call” list to which telephone marketers must subscribe and adhere. You may also have to comply with local ordinances that require the in-home salespersons to hold a solicitors or direct sellers permit. Other state laws prohibit certain abusive “referral sales schemes”. State or local laws may also require the bonding of door-to-door salespeople. You must operate the Franchised Business according to all laws that apply to businesses generally, including federal, state, and local employment and health and safety laws and regulations. You must comply with all present and future laws and regulations that apply to the collection, dissemination, retention and use of personal information.

It is your responsibility to consult with your legal advisor regarding any and all laws which may apply to your business.

Item 3

LITIGATION

Completed

Enviro Professionals, LLC v. Aerus Enterprise Solutions, LLC, DBG Group Investments, LLC d/b/a activTek Environmental; Joseph P. Urso; Kevin J. Hickey; Thomas L. Lozano; Carmel D. Lozano; and California High Speed Reproduction, Inc., (May 24, 2018) No. 2018CP-2800468, in the Court of Common Pleas for the Fifth Judicial District of South Carolina

Our affiliate Aerus Enterprise Solutions, LLC ("AES"), Joseph P. Urso and Kevin Hickey were named as defendants in a lawsuit filed by a former distributor of AES products, Enviro Professionals, LLC ("EnviroPro"). EnviroPro's claims included, among others: (1) civil conspiracy; (2) violation of the South Carolina Trademarks and Service Marks Act; (3) violation of the South Carolina Unfair Trade Practices Act; (4) breach of contract; (5) breach of contract accompanied by fraudulent act; (6) violation of the South Carolina Trade Secrets Act; (7) tortious interference with contractual relations; and (8) breach of fiduciary duty. AES disputed these claims and has sought to consolidate this South Carolina lawsuit with an arbitration proceeding related to the same set of facts pending with the American Arbitration Association in Dallas County, Texas. The damages sought by the plaintiff included injunctive relief, money damages,

and attorneys' fees. The disputed issues largely center on (1) termination of the distributor relationship between AES and EnviroPro, (2) whether EnviroPro is entitled to recover any unpaid commissions and (3) the parties' respective rights to use certain trademarks. By agreement, dated June 5, 2019, the parties settled this case, as well as all arbitration proceedings. The settlement agreement provided, among other things, that (a) AES pay \$350,000 to one of the owners of EnviroPro, (b) EnviroPro agreed to sell AES all rights to all intellectual property (*e.g.*, trademarks, trade names, Internet domain names) owned or controlled by EnviroPro and relating to its business, and (c) one of EnviroPro's owners agreed to enter into a non-compete agreement that would prohibit him from, among other things, selling, marketing and distributing air purification, water purification and laundry treatment products, in exchange for a payment from AES. The case was dismissed on June 17, 2019.

Other than the action listed above, no other litigation is required to be disclosed in this Item.

BANKRUPTCY

No bankruptcy information is required to be disclosed in this item.

Item 5

INITIAL FEES

Good Faith Deposit and Initial Franchise Fee

We may require that you pay us a good faith deposit of \$100, together with delivering to us a commitment letter, a sample of which is attached as Exhibit 7 to this Disclosure Document, before we will send an execution copy of the Franchise Agreement to you. The requirement of the \$100 good faith deposit is dependent upon information disclosed to us in your application, such as work history, credit worthiness, previous franchise experience, references and/or previous work history with us or other Aerus franchisees. If we require the good faith deposit, it will be applied to the initial franchise fee and is only refundable if we choose not to enter into the Franchise Agreement with you. You must pay us the following non-refundable initial franchise fee at the time you sign a Franchise Agreement, which will vary depending on the type of Franchised Business you wish to operate:

<u>Program</u>	<u>Initial Franchise Fee (less the amount of any good faith deposit paid)</u>
Standard Program	\$3,000
Associate Program	\$1,000
Beyond Addendum (Standard Program)	\$100
Beyond Addendum (Associate Program)	\$100
Inventory (Standard Program)	\$15,000 to \$90,000

<u>Program</u>	<u>Initial Franchise Fee (less the amount of any good faith deposit paid)</u>
Inventory (Associate Program)	\$5,000 to \$20,000
Goodwill (Standard Program)	0 to \$200,000
Goodwill (Associate Program)	0 to \$25,000
Furniture, Fixtures, and Equipment (Standard Program)	\$2,500 to \$15,000
Furniture, Fixtures, and Equipment (Associate Program)	\$2,000 to \$5,000

We can require you to purchase required furniture, fixtures, and equipment (including the computer system) from us, our affiliate, or designated suppliers.

As an incentive to recruit new franchisees into the business, we may waive or discount the initial franchise fee. For franchises in certain states (including Maryland, Minnesota, New York, Virginia and Washington), a good faith deposit is not required and the initial franchise fee will be deferred until your business is open and operational.

The Beyond Addendum fee is only applicable to franchisees who sign a Beyond Addendum. If you sign a Beyond Addendum, you will pay to Company the initial fee payable by franchisees operating under the Standard Program (\$100) or by franchisees operating under the Associate Program (\$100) (the “Beyond Fee”). The Beyond Fee is non-refundable and will due and payable upon execution of the Beyond Addendum.

Inventory

You will be required to maintain an inventory of Consigned Products and aftermarket and service parts. You will purchase the aftermarket and service parts from us, one of our affiliates, or designated suppliers. You will pay to us or one of our affiliates a Security Deposit equal to 88% of the total Standard Allocation for all Consigned Products provided to you. The Security Deposit is payable upon signing the Franchise Agreement, but generally collected prior to your receipt of the Consigned Products. The amount of the Security Deposit will vary, depending upon what Consigned Products are in your inventory and the Standard Allocation for such Consigned Products. The Standard Allocation is the amount you are required to remit to us or our affiliate upon your sale of Consigned Products. The Standard Allocation is based upon your sales volume and whether you participate in the Standard Program or the Associate Program. The estimated range for aftermarket and service parts and the Security Deposit for Consigned Products is \$15,000 to \$90,000 under the Standard Program and \$5,000 to \$20,000 under the Associate Program.

We or our affiliate will hold the Security Deposit as security against all monies that you owe us or our affiliates, including payment of all fees due and debts incurred under the Franchise Agreement (including your indemnification obligations). We or our affiliates may offset against the Security Deposit all monies that you owe to us or our affiliates. We will provide you notice of any offsets made. If such an offset is made, you must immediately replenish the Security Deposit. We have

no obligation to maintain the Security Deposit in a separate account, and we may co-mingle the Security Deposit with any of our accounts or funds. You are not entitled to any interest on the Security Deposit. You may need to increase the Security Deposit from time to time depending on your inventory requirements for Consigned Products. If the Standard Allocation for any Consigned Product in your possession increases, you may be required to increase the amount of your Security Deposit.

Purchase of an Existing Aerus Business

Inventory (Standard Program)	\$15,000 to \$90,000
Inventory (Associate Program)	\$5,000 to \$20,000
Goodwill (Standard Program)	0 to \$200,000
Goodwill (Associate Program)	0 to \$25,000
Furniture, Fixtures, and Equipment (Standard Program)	\$2,500 to \$15,000
Furniture, Fixtures, and Equipment (Associate Program)	\$2,000 to \$5,000

If you are purchasing an existing Aerus Business from our affiliate, you will also enter into an asset purchase agreement on mutually acceptable terms. You will pay to our affiliate the negotiated purchase price for the assets of the business you will be acquiring. Under the Standard Program the purchase price for business assets generally range from \$2,500 to \$215,000 which includes (1) goodwill, including any phone numbers and pre-paid advertisements (\$0 to \$200,000) and (2) fair market value of furniture, fixtures and equipment (\$2,500 to \$15,000). Under the Associate Program the purchase price for business assets generally range from \$2,000 to \$30,000 which includes (1) goodwill, including any phone numbers and pre-paid advertisements (\$0 to \$25,000) and (2) fair market value of furniture, fixtures and equipment (\$2,000 to \$5,000). The value of goodwill depends on such factors as the geographic location of the Aerus Business, the amount of time the Aerus Business has existed in its general location and the number of customers serviced by the Aerus Business.

If you are purchasing an existing Aerus Business from our affiliate, you may also enter into a sublease or assignment of lease for the premises of the Franchised Business. Rent and other charges will vary among locations under the Premises Sublease, and will depend primarily on the terms of the underlying real estate lease.

Sponsors

We may pay fees to existing franchisees (sometimes referred to as “Sponsor”) for referring or recommending potential franchisee or distributor candidates to us. Such fees to Sponsor may include recurring monthly fees and product credits based on your performance (ranging from \$5 to \$100 per product sold by you). These fees will only be earned and paid to Sponsor if the candidate is actually awarded a franchise to operate an Aerus Business or right to distribute Aerus products.

Sponsor is not authorized to act as our agent or franchise broker and is not instructed to provide any information to prospects. Similarly, neither Sponsor nor any other franchisee is authorized to

(1) award franchises of Aerus Business; (2) make any claims or representations regarding the operation of the Aerus Business; or (3) alter, amend, modify, interpret or change any aspect of the Franchise Agreement or our Franchising Programs. You should not rely on any statements, claims, or representations which may have been made to you by Sponsor or other franchisees.

In certain circumstances, we may reduce initial fees and finance initial fees for our existing franchisees, people working for our existing franchisees and franchisees opening or operating multiple locations. Last year, the initial fees ranged from approximately \$5,000 to \$16,000.

Except as described above, initial fees are uniformly imposed and nonrefundable and we do not offer financing for the initial franchise fees.

The term “Gross Sales” as used in the above-referenced tables means the total selling price of all services and products and all income of every other kind and nature related to the Franchised Business (including, without limitation and to the extent applicable, the total selling price of the Consigned Products and income related to repair services, accessories and spare parts), whether for cash or credit and regardless of collection in the case of credit. Under no circumstances will Franchisee’s expenses, including third party delivery expenses, be deducted from Gross Sales. If a cash shortage occurs, the amount of Gross Sales will be determined based on the records of the electronic cash register system or point-of-sale system and any cash shortage will not be considered in the determination of Gross Sales. Gross Sales will, however, expressly exclude the following:

- (1) Sums representing sales taxes collected directly from customers by Franchisee in the operation of the Franchised Business, and any sales, value added or other tax, excise or duty charged to customers which is levied or assessed against Franchisee by any Federal, state, municipal or local authority, based on sales of specific merchandise sold at or from the Franchised Business, provided that such taxes are actually transmitted to the appropriate taxing authority;
- (2) The exchange of merchandise among Approved Locations, if more than one Approved Location is operated by Franchisee, where such exchanges are made solely for the convenient operation of the Franchised Business;
- (3) Company-approved discounts and trade-ins for the purchase of Consigned Products only;
- (4) Returns to shippers or manufacturers of any products returned to Franchisee by a retail customer, where the sale of such product by Franchisee was previously included in Gross Sales; and
- (5) Proceeds from isolated sales of trade fixtures not constituting any part of the Products nor having any material effect upon the ongoing operation of the Franchised Business required under the Franchise Agreement.

We may, from time to time, authorize certain other items to be excluded from Gross Sales. Any such permission may be revoked or withdrawn at any time in writing by us at our option.

All fees, except as otherwise provided, are imposed, collected by and paid to us or our affiliate. All fees are nonrefundable.

Notes: Your estimated initial investment will vary depending upon if you choose the Standard Program or the Associate Program. Except as otherwise noted in this Disclosure Document, all fees payable to us are non-refundable. Inflation may impact various costs, including, among others, furnishings, fixtures, equipment, building costs, vehicle costs, and inventory.

Note 1. See Item 5 of this Disclosure Document for more information about the initial franchise fee. In limited circumstances, we will finance or reduce the initial franchise fee. See Item 10 for more details about financing of initial franchise fees.

Note 2. The Beyond Fee is only applicable to franchisees who sign a Beyond Addendum.

Note 3. The cost of leasehold improvements will vary depending on the condition and size of the site, the local cost of contract work, and the location of the Franchised Business, and zoning requirements. The high estimated figures include remodeling walls, ceilings, floors, and other construction including electrical and carpentry work. The low estimate assumes that the leasehold is in suitable operating condition immediately on your taking possession of the premises and/or that the landlord will make the leasehold improvements and amortize their cost over the term of the lease.

Note 4. The furniture, fixtures and equipment that you will be required to purchase or lease will vary depending on the size of the premises and the type of Franchised Business you choose to operate. We require a standard interior decor style. This estimate also includes the cost of the required computer system, as well as high-speed internet access, printer, scanner, fax, and bar code scanner.

Note 5. The low end of our estimate includes fuel, maintenance expenses and car payments for three months for an existing vehicle, and the high end of our estimate includes a 10% down payment for a new vehicle and three months of payments. We do not require a vehicle and vehicle wrap under either the Standard or Associate Programs, however, it may be desirable to have one.

Note 6. Opening inventory of products and supplies will vary based on your expected volume of business, the size of your premises, and the size of any storage areas on the premises. You will order an initial inventory of Consigned Products. The estimate above includes your Security Deposit for an initial supply of Consigned Products, which Security Deposit is fully earned and

payable according to the Manuals at the time of signing of the Franchise Agreement. Also included in the estimate is the cost of an initial supply of parts and supplies. See Item 8 of this Disclosure Document for more information about your purchase requirements.

Note 7. This amount represents our estimate of transportation and living expenses for two trainees attending our initial training program in Dallas, Texas. You will be responsible for paying these expenses. The high end of our estimate includes the extra week of initial training required if you sign a Beyond Addendum. Please see Item 11.

Note 8. The estimated cost of annual premiums for the insurance policies required by the Franchise Agreement will vary significantly based on your location, and the claims experience of commercial businesses in the area, as well as your claims experience in other businesses you operate.

Note 9. You must purchase or lease a retail location for your Franchised Business. We recommend that you lease a space with approximately 1,500 to 2,000 square feet, depending on the type of Franchised Business you choose to operate. The leased space should preferably be located in a strip shopping center. This estimate presumes you will lease a space, and includes the cost of rent, security deposits, and other charges during the first three months of operations. The cost of purchasing or leasing space will vary, depending on location and other factors, and cannot be accurately projected by us. You should consult with a real estate broker and/or other professional in your area to assess the typical leasing costs for your target market area.

Note 10. The range in the chart reflects the estimated amount of working capital you will need during your first 3 months of operation to pay for additional expenses not itemized above, including, among other things, labor and supplies. The estimates described above were compiled based upon our or our affiliate's 80+ years' experience in establishing and operating businesses similar to the Aerus Businesses, and on the actual experience of existing franchisees in the System in operating under the Standard and Associate Programs since 2002 and 2007, respectively.

Note 11. This amount applies only when you are purchasing an existing Aerus Business from us or one of our affiliates. Location, length of time in the space or market and financial performance varies significantly, so the value of goodwill also varies significantly. We or our affiliates may offer financing for this amount to qualified franchisees. Please see Item 10 of this Disclosure Document for details of any available financing.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your Franchised Business in strict conformance with our methods, standards, and specifications, which we will prescribe in the Franchise Agreement, the Manuals, and in other written documents. We may periodically modify our standards and specifications relating to the operation of an Aerus Business including, for example: standards and specifications for Products, Product components, spare parts and other inventory, supplies, signage, equipment; consignment policies; sales and service policies; product warranties; and related standards, by written notice to you or through changes in the Manuals.

Required Purchases

You must purchase or lease, install and maintain all of the Products, Product parts and components, fixtures, furnishings, equipment (including electronic cash register, or computer hardware and software and administration systems and satellite communications systems), décor items, signs, uniforms and related items that we prescribe in the Manuals or otherwise in writing, which will be made available to you prior to signing the Franchise Agreement. You must obtain our written consent prior to installing or permitting to be installed any fixtures, furnishings, equipment, decor items, signs, games, vending machines or other items not previously authorized by us. We will promptly furnish to you, on your written request, our then-current standards and specifications applicable to any equipment, supplies, or other products we require, to the extent the standards and specifications do not constitute our trade secrets.

Approved and Designated Suppliers

We have the right to require you to purchase certain approved products and services from us, our affiliates, or other suppliers or providers approved or designated by us, including, for example, Products and other inventory items and supplies, payment processing services, advertising materials, stationery and other printed materials, Product repair equipment, computer hardware and software, electronic cash register and point of sale systems, consumer financing services, approved location décor and signage, and other goods or services necessary to operate a Franchised Business. We and/or our affiliates are presently the designated supplier of Consigned Products and other Products, Product components and parts, related accessories, and approved proprietary computer hardware and software programs. Except for certain of our officers' ownership interests in us and our affiliates, our officers do not have an ownership interest in any of our approved or designated suppliers. We derive, and our affiliates may derive, revenue as a result of required purchases or leases by franchisees. Neither we nor any of our affiliates receive rebates from third parties as result of required purchases or leases by franchisees.

During our fiscal year ended December 31, 2023, we realized approximately \$16.03 million of revenue from required purchases and leases by franchisees, primarily consisting of franchisee purchases of Consigned Products and service and aftermarket parts and accessories. This revenue accounted for approximately 91% of our total revenue of approximately \$17.62 million in 2023. Our affiliates did not derive any revenue from purchases and leases by franchisees during the fiscal year ending December 31, 2023.

We estimate that required purchases and leases will account for up to 90% of all of your purchases and leases necessary to open a Franchised Business, and up to 80% of your ongoing costs to operate a Franchised Business.

We do not have any purchasing or distribution cooperatives. While we do not presently do so, we may in the future negotiate purchasing arrangements with suppliers of approved and designated goods and services. We do not provide any material benefits such as renewal rights or additional franchises to you if you buy from sources we approve.

Consigned Products and Related Warranties

Most of the Products in your inventory will be Consigned Products which we or our affiliates own. Before the consummation of a sale with an Approved Customer, we or our affiliate, as applicable, will sell the Consigned Product to you for resale to the Approved Customer. If this ownership arrangement is not permitted under applicable law, you will grant us a continuing security interest in all owned or otherwise acquired Consigned Products and their proceeds. You must execute a Security Agreement in the form attached as Exhibit III to each of the Franchise Agreements in order to secure and perfect our security interest in any Consigned Products. You are prohibited from holding any direct or indirect equity interest in the Consigned Products and must refrain from voluntarily or involuntarily granting any third party a direct or indirect equity interest, including any pledge, lien, or other encumbrance, in the Consigned Products without us or our affiliate's prior written approval. You must at all times ensure that the Consigned Products are maintained at a secure site within an Approved Location which is not accessible to the public until they are delivered to Approved Customers. You may, however, remove Consigned Products from the Approved Location as needed for sales demonstrations, in the manner we specify in writing in the Manuals or otherwise. You must return to us or our designee all Consigned Products immediately upon request.

We will designate the price for Consigned Products offered for sale at your Aerus Business, and must approve all forms of sales contracts, warranties, and service contracts before they are offered to customers. You may not modify or otherwise alter approved forms of sales contracts, warranties, or service contracts without our prior written consent. All rebates and discounts offered in connection with Consigned Products must be offered according to our guidelines, as set forth in the Manuals or otherwise in writing. You must immediately pay the Standard Allocation for all Consigned Products when they are sold by or through the Franchised Business during each time period which we or our affiliate designate in the Manuals or otherwise in writing.

Before you open your Franchised Business, you must order an initial inventory of Consigned Products, and pay the applicable Security Deposit. You may order additional Consigned Products as specified in the Manuals on an ongoing basis. We or our affiliate are not obligated to replenish your inventory of Consigned Products or provide any other goods to you if you are in default under the Franchise Agreement, or fail to pay any additional Security Deposits necessary to support the order requested. You must at all times maintain such inventory levels as may be designated in the Manuals.

We or our affiliate offer certain warranties in connection with Consigned Products for the benefit of Approved Customers (the "Franchisor Consumer Warranties"). Neither you, nor any of your Outlet Licensees or sales representatives, may represent or suggest that we or our affiliate have or will provide any warranty, express or implied, other than the Franchisor Consumer Warranty. You may not extend the Franchisor Consumer Warranty or provide or offer additional warranties above and beyond the Franchisor Consumer Warranty. You must honor and provide service in connection with any Franchisor Consumer Warranty. Under the Associate Program, if you are not required to maintain a service and repair center at your Approved Location, your obligations to provide service in connection with any Franchisor Consumer Warranty must be met by entering into a contractual arrangement (approved by us) with an existing owner of an Aerus Business.

Alternative Product, Service, or Supplier Approval Processes

Our specifications for products, service, or suppliers are generally issued through written communications and are available to franchisees and approved suppliers. To obtain approval of a previously unapproved product, service, or supplier, you must submit a written request and provide additional information which we may request. We may test the product or service as part of our evaluation. We do not impose a fee for product, service, or supplier approval requests. We will have 90 days from the date we receive all of the requested information regarding the proposed product, service, or supplier within which to notify you of our approval or disapproval, which we will provide in writing. We are not obligated to approve any proposed product, service, or supplier. We may base our approval of any proposed product, service, or supplier, on considerations not only relating directly to the item or supplier itself, but also indirectly to the uniformity, efficiency, and quality of operations we deem necessary or desirable in our System as a whole.

Approved Locations and Service and Repair Centers

You must purchase or lease an Approved Location from which to operate your Franchised Business. You must obtain our approval of your proposed location before you sign a purchase or lease agreement. Under your Franchise Agreement, if you lease a location for your Franchised Business, we may require you and your landlord to sign a lease rider, through which your landlord will grant us the right to assume your rights and obligations under the lease if you breach the lease agreement or your Franchise Agreement. A sample lease rider is attached as Exhibit 1 to each Franchise Agreement.

Under the Standard Program, you must maintain a service and repair center (in accordance with the Manuals) in all Approved Locations. Satellites and Licensed Outlets are not required to maintain on-site service and repair centers so long as repair, maintenance and service obligations can be adequately and timely provided from another affiliated Approved Location.

In limited circumstances, under the Associate Program, you may be permitted to outsource repair and maintenance services to another Aerus Business, and avoid establishing a repair, maintenance, and service center in your Approved Location. We must approve your contractual arrangement with the other Aerus Business.

All Approved Locations must be maintained in an attractive, clean, orderly, and sanitary manner, and must be merchandised according to our standards and specifications. All furniture, fixtures, equipment, and displays must be maintained in good order and repair.

Insurance

You must obtain and maintain the amounts and types of insurance that we specify in the Manuals in connection with the operation of a Franchised Business. We currently require a minimum of \$1,000,000 in coverage for all lines of insurance. The Manuals will be made available to you prior to signing the Franchise Agreement. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. These insurance policies must name us and any affiliates we designate as

additional named insureds and provide for 30 days’ prior written notice to us of a policy’s material modification, cancellation or expiration.

Advertising

Under the Franchise Agreement, you must submit samples of all advertising and promotional materials to us for approval prior to use. We will notify you of our approval of any advertising materials within 15 days of receipt. No advertisement or promotional material may be placed outside the Area of Responsibility, as applicable, and you may not conduct any national or international advertising of any kind. You must advertise at all times in the manner designated by us in the Manuals or otherwise in writing, using formats approve by us in advance.

Vehicle Leases

Any vehicle used in connection with your Franchised Business, including vehicles used by sales representatives and Outlet Licensees to deliver Products to Approved Customers, must be clean and in good repair.

FINANCING

We are not obligated to offer financing to any franchisee. However, we or our affiliates may offer financing for (i) initial fees, (ii) Security Deposit, (iii) accessories, parts and supplies purchased from us or our affiliate, and (iv) the purchase of the assets of any existing Aerus Business that you may be acquiring from us or one of our affiliates. The amount financed and the terms of the financing will vary, based upon, among other things, the performance of the Aerus Business as measured by the number of Products sold, the goodwill associated with the location and your creditworthiness.

We anticipate that you will make an initial down payment ranging from approximately \$2,500 to \$50,000. The balance will be paid in equal monthly installments until paid in full or as we or our affiliates may otherwise determine. The debt may be pre-paid without penalty. If you default under your payment obligations, we may terminate the Franchise Agreement. If you finance any amount, you must sign a secured promissory note ("the Note") in the form attached to this Disclosure Document as part of Exhibit 3. The Note will be guaranteed by any principals of the

Franchised Business in the following cases: (i) fraud or misrepresentation in connection with the execution or performance of the Franchise Agreement, the Note or any other financing agreements; (ii) theft or conversion of the assets of us or any of the our affiliates including any consigned goods or proceeds from the sale of any consigned good (which may include selling such consigned goods at prices below the required prices); misuse or infringement of any trademark or other item of intellectual property or right owned or licensed by us or any of our affiliates; or (iii) breach or violation of any license granted under the Franchise Agreement concerning such trademarks and intellectual property. Additionally, you will be required to execute a Security Agreement and Guarantee (in the forms attached to this Disclosure Document as part of Exhibit 3), financing statement and any other related documents as necessary or reasonable to protect and perfect the interest of us or our affiliate, as lender. The Note will bear interest from 0% to 7% per annum (or the maximum rate permitted by applicable law, whichever is less) and will have a term ranging from one to five years.

The following table summarizes the previous paragraph:

Item Financed	Asset Purchase, Security Deposit, Initial Fees, Parts and Supplies
Initial Payment	At least \$2,500
Term (Yrs.)	1 to 5 years

Except in very limited circumstances, the inventory security deposit and initial franchise fee must be paid in cash and neither we nor an affiliate will finance the Security Deposit or the Initial Franchise Fee.

The Note is governed by Texas law. See Exhibit 3. Events of default under the Note include: (i) failure to pay amounts within 5 days of the due date; (ii) fraud or misrepresentation in connection with the execution of or performance under the Franchise Agreement, the Note or any other financing agreements; (iii) theft or conversion of our assets or any of the assets of our affiliates, including any Consigned Products or proceeds from the sale of any Consigned Products (which may include selling Consigned Products at prices below the required prices); (iv) misuse or infringement of any trademark or other item of intellectual property or right owned or licensed by us or any of our affiliates; (v) bankruptcy or insolvency of you or your guarantors; (vi) default under any Franchise Agreement with us; and (vii) default under any agreement, document, or

We and our affiliates do not sell, assign, or discount to a third party all or part of any financing offered. We do not receive any consideration for any financing you place with a third party lender.

You must promptly pay all shipping and handling charges incurred in connection with such replenishment. (Franchise Agreement, Section 10).
2. We will provide you with revisions and modifications to the Manuals. (Franchise Agreement Section 1).

Advertising

Except as described in this Disclosure Document and in the Franchise Agreement and the Manuals, we do not conduct for your benefit or require you to participate in any group advertising program.

You must make all commercially reasonable efforts to advertise and promote the Franchised Business in the Area of Responsibility, expending an amount equal to at least the Minimum Local Advertising Fee described in this Disclosure Document. You must submit samples of all advertising and promotional materials to us for approval prior to its use. No advertisement or promotional material may be placed outside the Area of Responsibility, and you may not conduct any national or international advertising of any kind, including any internet advertising (except in very limited circumstances and subject to our written approval). You must advertise at all times in the manner designated by us in the Manuals or otherwise in writing, using formats approved by us in advance; provided, that we may require that all such advertising be placed by us or a third party designated by us, and at your expense. (Franchise Agreement, Section 11).

We are not obligated to spend any amount on advertising in your Area of Responsibility. We may in the future establish a System Media Fund (the “System Media Fund”). If we establish the System Media Fund, you (and other franchisees with your franchise program) would be required to contribute up to 3% of Gross Sales to the System Media Fund. (Franchise Agreement, Addendum B). In addition:

1. We or a designee will have the right to direct all advertising programs, as well as all aspects of any System Media Fund, including the concept, materials, and media used in the programs and the placement and allocation of the programs. The System Media Fund is intended to maximize the general public’s recognition of the Marks and the Programs; and we and our designee are not obligated, in administering the System Media Fund, to make expenditures for you which are equivalent or proportionate to your contribution, to ensure that any particular franchisee benefits directly or pro rata from expenditures by the System Media Fund, or to expend any particular amount of money in your Area of Responsibility.
2. The System Media Fund will be used only (except as otherwise provided below) to meet any and all costs of maintaining, administering, directing, conducting, creating, and/or otherwise preparing advertising, marketing, public relations and promotional programs and materials, and any other activities that we believe will enhance the image of the Programs.
3. We have the right to use System Media Fund contributions to, among other things, prepare and/or conduct media advertising campaigns, social media campaigns, direct mail advertising, marketing surveys and other public relations activities; employ advertising and/or public relations agencies to assist in doing so; purchase promotional items; develop new or modified trade dress and marks; point-of-purchase (POP) materials; design and photographs; conduct and administer visual merchandising, and other merchandising programs; purchase media space or time (including all associated fees and expenses); administer regional and multi-regional marketing and advertising programs; engage in or retain third parties to engage in market research and customer satisfaction surveys; develop and implement customer loyalty and gift card programs; customer retention programs; offset costs associated with the creative development of, and actual production associated

with, premium items, giveaways, promotions, contests, public relation events, and charitable or non-profit events; develop and maintain our website(s); develop, implement and maintain an electronic commerce website and/or related strategies; maintain and develop one or more websites devoted to the Programs and Marks; provide promotional and other marketing materials and services to Franchised Businesses operated under the Programs; and offset the salaries of our employees to the extent such employees provide services in conjunction with System marketing activities. The System Media Fund may also be used to provide rebates or reimbursements to franchisees for local expenditures on products, services, or improvements, approved in advance by us, which products, services, or improvements we will have the right to determine, that we believe will promote general public awareness and favorable support for the Programs. We will have the sole right to decide how the System Media Fund creates, places, and pays for marketing.

4. Upon 30 days' notice from us that we have established the System Media Fund, you must contribute to the System Media Fund in the manner we specify. All sums you pay to the System Media Fund will be maintained in an account separate from our other monies.
5. We will have the right to charge the System Media Fund for the reasonable administrative costs and overhead that we incur in activities reasonably related to the direction and implementation of the System Media Fund and marketing programs for you and the System (for example, costs of personnel for creating and implementing, associated overhead, advertising, merchandising, promotional and marketing programs, and accounting services reasonably related to the operation and functions of the System Media Fund). The System Media Fund and its earnings will not otherwise inure to our benefit or be used to solicit the sale of franchises. We or our designee will maintain separate bookkeeping accounts for the System Media Fund.
6. The System Media Fund is not and will not be used for ordinary operating expenses of our company, and it is not a trust. We do not assume any fiduciary obligation to you or any other franchisee for maintaining, directing, or administering the System Media Fund or for any other reason. We will prepare annually a statement of the operations of the System Media Fund as shown on the books of the System Media Fund, and will make it available to you on an annual basis, upon written request. This annual statement is not required to be audited, but we may choose to provide an audited statement.
7. Although the System Media Fund is intended to be of perpetual duration, we maintain the right to terminate the System Media Fund. The System Media Fund will not be terminated, however, until all monies in the System Media Fund have been spent for marketing or promotional purposes.
8. We do not anticipate using any portion of the System Media Fund for marketing that is principally a solicitation for the sale of franchises. We may reference that franchises are available in advertising materials or Websites (as defined below) created using System Media Fund contributions. We may receive payment for providing goods or services to the System Media Fund. As described above, we are not required to spend any particular amount on marketing in the area where your Franchised Business is located. As also described above, if amounts are unspent in the System Media Fund at fiscal year-end, those

amounts will be carried over by the Fund for expenditure in the following year(s). In addition, if the entire System Media Fund is expended during a fiscal year, we may loan funds to the System Media Fund (or obtain loans for the System Media Fund from other lenders) to cover any deficit.

9. The System Media Fund may be established for all franchise programs or separately for one or more of the franchise programs. Outlets owned by us or our affiliates will be obligated to participate in the System Media Fund at the same rate and on the same terms as all franchisees.

We have not established an advertising council composed of franchisees.

You will not be required to participate in any local or regional advertising cooperative.

Computer System

We, or our affiliate, will install at your premises our standard software and communication package, which includes a financial and accounting software package and which also includes a customer database and lead management software package. See Item 6 for a description of the Administration and Technical Support Fee which includes our charges for the above. We, or our affiliate, are the supplier of our software and communication package and the physical mailing address of each is listed in Item 1. (Franchise Agreement, Section 4)

You will need a PC running Windows 10 or better, with the minimum hardware and software configurations as detailed in our Manual or otherwise in writing. You will also need a highspeed internet connection, a multifunction printer/scanner/fax and a bar code scanner (optional). You will use your computer and related software for a variety of functions to help you manage your business. The most significant functions include communications (sending/receiving e-mails, Intranet), inventory control (receiving, ordering, tracking) and sales reporting (contract entry, sales tax calculation, reporting).

We currently have certain access to the information entered into and compiled by your computer system. In the future, we may expand our requirements for the information you must maintain on your system with the software we provide or with software we require you to obtain. We reserve the right to require all information concerning your Franchised Business to be kept and maintained on a computer to which we have full access. We further reserve the right to access, review, evaluate and incorporate into our own systems all such information. There is no contractual limitation on our right to access and use this information.

You will be responsible for all maintenance and insurance of the hardware and equipment, and will also be responsible for all third party software purchases and licensing fees. We will maintain and provide to you software updates and revisions for any proprietary software which we provide. You must maintain at all times hardware and software that complies with our specifications detailed in the Manuals in order to properly run our proprietary software programs. Our proprietary accounting software (FOAS) is, in effect, the cash register for the business. As updates of our proprietary software are available, they will be made available to you to upgrade on your computer systems. The cost of such upgrade is included in the Administration and Technical Support Fee (see the Franchise Agreement, Schedule 3). We reserve the right to reasonably require

your computer hardware and software be maintained and upgraded as necessary at your expense. No contractual limitations exist in frequency or cost of the maintenance and/or upgrades to this equipment.

We estimate the cost of purchasing the required computer system, hardware and software will range from \$1,200 to \$2,200. In addition, you will need to pay the Administration and Technical Support Fee as described in Item 6 of this Disclosure Document.

Site Selection and Opening

You must obtain, via purchase or lease, a retail space to serve as an Approved Location of your Franchised Business. If you are purchasing the assets of an existing Aerus Business, you will sublease the premises of the Aerus Business or will take an assignment of the premises lease from us or one of our affiliates. If you are opening a new location, you will select a proposed site and submit such proposal to us for approval. We will approve or disapprove any proposed site within 30 days of receiving all of the requested information regarding the proposed site. If we do not agree on a proposed site, we have the right to terminate the Franchise Agreement.

While it is your sole responsibility to obtain a mutually acceptable site, we will provide you with assistance in finding a location as we deem reasonable and appropriate. In approving a proposed site, we will consider factors such as size, location, nearby commercial and residential development, demographics, visibility from roadways, and parking space in approving a site. Your leased/purchased space should be approximately 1,500 to 2,000 square feet and located in a strip shopping center. Your purchase or lease of a site should be based on your own independent investigation of your Area of Responsibility and the site.

Once we approve of the proposed site, you may proceed with a lease and finish out consistent with the requirements of the Manuals. You must open the Franchised Business at the Approved Location not later than the Opening Date described in the Franchise Agreement. Failure to do so may result in termination of the Franchise Agreement. We will identify any modifications or improvements to the premises of the Franchised Business, if any, which you must make, at your expense, prior to the Opening Date, or within such time period ending after the Opening Date as we may designate in writing. (Franchise Agreement Section 1).

The typical length of time between signing the Franchise Agreement and opening the Franchised Business is expected to be 1 to 6 months. The length of time prior to opening will depend on such things as the need for application processing, training and site selection and build out (if necessary).

As a condition to granting our consent, we will have the right to establish requirements that we deem appropriate, including the requirement that your only presence on the Internet will be through a webpage established by us on our website. Item 12

TERRITORY

The specific street address of the Franchised Business location will be provided in the Franchise Agreement. You will be granted certain rights to an area located in and/or around your Franchised Business. This is called the Area of Responsibility. The Area of Responsibility is not a set distance for all Franchised Businesses and will vary depending on the Program you choose to operate under, and the demographic and geographic nature of your location. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Under the Standard Program and the Associate Program, the Franchise Agreement grants to you the limited right to offer and sell Products (other than the Beyond Products) to Approved Customers within the Area of Responsibility. Franchisees who sign a Beyond Addendum will also

have the limited right to offer and sell Beyond Products to Approved Customers within the Area of Responsibility. Franchisees who do not sign a Beyond Addendum have no rights to offer and sell Beyond Products.

The Franchised Business will be operated out of and from one or more Approved Locations and from no other physical location, except as may be permitted by us in writing, and you must cause any premises lease covering any Approved Location to include a Lease Rider in the form attached to the Franchise Agreement and included in Exhibit 2(a) or Exhibit 2(b) of this Disclosure Document.

Under the Standard Program, and only upon our prior written consent, you may be permitted to engage Outlet Licensee to establish, on a non-exclusive basis, Licensed Outlets within those parts of your Area of Responsibility that do not include any part of another franchisee's Protected Area. The forms (and terms) used to engage Outlet Licensees must be acceptable to us and may not grant greater rights and must include at least the same restrictions and limitations as the Franchise Agreement. Licensed Outlets must be subject to all provisions of the Franchise Agreement and the Manuals concerning Approved Locations, except that (i) repair, maintenance and warranty service may be provided by or at an affiliated Approved Location rather than on-site and, (ii) provided that, so long as we receive prompt notice of the establishment and location of a Licensed Outlet, we will not require prior approval of the site or lease for any Licensed Outlet. Outlet Licensees will be solely and exclusively the responsibility of you for all purposes, including without limitation, all training and support. We will have no legal obligation whatsoever to or for the benefit of any Outlet Licensees; however, we will be a beneficiary of any of your rights under all agreements existing between you and any Outlet Licensees and may enforce such rights.

Franchisees under the Associate Program are not permitted to open additional locations, Satellites or Licensed Outlets. References and descriptions of Outlet Licensees and Licensed Outlets in this Disclosure Document are not applicable to the Associate Program.

You will be required to satisfy and achieve certain Minimum Sales Requirements (the "Minimum Sales Requirement") which are generally set forth below and which are based in whole or in part upon the sale of Core Units (Franchise Agreement Section 8.F. and Schedule 4). "Core Units" are such Products as designated from time to time by us in the Manuals:

Minimum Sales Requirement (Standard Program): The Minimum Sales Requirement for the Standard Program has 2 components, a Core Unit sales component and an "Aftermarket, labor, and parts" component, both of which must be on a quarterly basis.

Core Units: Ninety Percent (90%) of the Baseline for the Franchised Business, where the "Baseline" for the Franchised Business is the greater of (i) a number of units equal to forty-five (45) Core Units per quarter per Approved Location (excluding Licensed Outlets and Satellites) or (ii) the average quarterly Core Unit sales volume for the Franchised Business since the Approved Location first became part of a franchised business; provided, however, that this standard in subparagraph (ii) will not apply unless and until we give ninety (90) days written notice of our intention to implement this standard.

Aftermarket, labor and parts: Eighty percent (80%) of the average Gross Sales per Approved Location of aftermarket, labor and parts for all Approved Locations in the System for each quarter; provided, however, that Satellites and Licensed Outlets will be excluded from any such determination and any such Gross Sales recorded for a Satellite or Licensed Outlet will be included with such Gross Sales of the Approved Location with which the Satellite or Licensed Outlet is affiliated.

Minimum Sales Requirement (Associate Program): The Minimum Sales Requirement for the Associate Program has 2 components, a Core Unit sales component and an “Aftermarket, labor, and parts” component, both of which must be on a quarterly basis.

Core Units: 30 Core Unit sales per quarter.

Aftermarket, labor and parts: Eighty percent (80%) of the average Gross Sales per Approved Location of aftermarket, labor and parts for all Approved Locations in the System for each quarter. However, there is no Minimum Sales Requirement for aftermarket, labor and parts under the Associate Program if you are not required to maintain a service and repair center at your Approved Location.

Failure to Meet Minimum Sales Requirements. If you fail to meet the Minimum Sales Requirement, we may terminate the Franchise Agreement. The Minimum Sales Requirements should not be construed as a representation of possible earnings. We make no representation that you will achieve the Minimum Sales Requirements.

Except as provided in the Franchise Agreement, we will not establish, or permit or authorize any person or entity other than you to establish a physical location for the operation of an Aerus Business within a one mile radius of your Approved Location (the “Protected Area”). There are no circumstances that would permit us to modify your Protected Area.

You are generally required to sell all Products within the Area or Responsibility, however, 10% of your Gross Sales in any calendar quarter may be attributable to sales made to persons or entities who reside outside of the Area of Responsibility.

You may face competition from other franchisees or franchisee-owned outlets within or outside of your Area of Responsibility and/or Protected Area or from other channels of distribution or competitive brands we control. You may face competition from other franchisees or franchisee-owned outlets having physical locations outside of your Protected Area or from other channels of distribution or competitive brands we control.

Other than upon our prior written approval, you must not (1) conduct the Franchised Business under any actual or assumed name other than the trade name approved in advance by us, (2) sell to any person or entity that is not an Approved Customer, (3) conduct any aspect of the Franchised Business by, through or over the internet or world wide web, including without limitation, advertising, marketing and solicitation, unless or until we establish an Aerus sponsored program for such conduct by Franchisees and, then, only as part of and in accordance with such program, (4) use any trade name, trademark or service mark in connection with the Franchised Business other than the Marks (and then only in strict accordance with the terms and conditions of the Franchise Agreement, the Policies and Procedures, the Manuals and any specific guidelines

imposed by us), (5) unless authorized in advance by us, advertise or sell any product or service from an Approved Location or through the Franchised Business bearing any trade name, trademark or service mark other than the Marks, (6) sell any product or service that is not a Product, or (7) permit any Product to be sold from any physical location other than an Approved Location, by any Person other than your authorized representative or in a manner otherwise inconsistent with the System.

We and our affiliates and existing franchisees, distributors and licensees operate existing businesses and systems, and may in the future establish and operate new businesses and systems, including Aerus Businesses, under the same and other assumed names, trade names and trademarks as the Marks, which businesses and systems may offer or sell products and services similar or identical to the Products and Beyond Products and may do so (or grant licenses or franchises for third-parties to do so) within any part of the Area of Responsibility (provided that we may not establish a physical location for the operation of an Aerus Business within your Protected Area). The right granted under the Franchise Agreement is only for the operation of the Franchised Business in accordance with the Franchise Agreement. You are granted no rights of any kind of any other business or system that may now or in the future be owned, operated or licensed by us or any of our affiliates. We and our affiliates retain all rights not specifically mentioned in this document. We reserve the right to provide new products and services under the System, and to require or permit new products and services to be provided, marketed, promoted, distributed or sold hereunder by you through the Franchised Business, and may, in connection, without limitation (1) require you to execute an additional or supplemental agreement; and (2) require the payment of a royalty or additional fee.

We do not offer rights of first refusal.

One or more of our affiliates currently sells, or has in the past sold, floor care, water purification products and air purification products through several alternative channels as more fully described below. Such sales may take place at or from locations within, or to customers located in, the Area of Responsibility. Additionally, we, or our affiliates, expect to continue to explore additional opportunities for selling home environment cleaning products, water purification products and air purification products that may be the same as, or similar to, those offered by Aerus Businesses. This includes selling products bearing the Marks to independent distributors who may then sell those products in the Area of Responsibility. We will not pay you any amounts for orders solicited or accepted by us in the Area of Responsibility. At present, the only significant alternative channels in which we or our affiliates are selling similar products, are:

Television. In the past, our affiliate has sold floor care products bearing the Marks on a television shopping channel. Our affiliate also sold air purification and other products bearing the Marks through direct response television advertising. One of our affiliates, licensees or permittees may offer such products or Beyond Products, or any of the Products, for sale on television in the future.

Catalogs and Direct Mail. In the past, our affiliate has sold floor care and air purification products bearing the Marks through a variety of catalogs and direct mail to customers. One of our affiliates, licensees or permittees may offer such products, or any of the Products or Beyond Products, for sale in a variety of catalogs and mailings in the future.

Floor Care Retailers and Mass Merchandise Retailers. In the past, our affiliate has sold parts bearing the Marks to distributors who then sell the parts to a number of floor care specialty shops. One of our affiliates, licensees or permittees may offer such products, or any of the Products, for sale to mass merchandise retailers in the future.

Commercial. In the past, our affiliates have sold floor care, air purification, water purification and other products and related parts, bags, filters and supplies to distributors who then sell them (directly and indirectly) to a variety of commercial end-users and consumer households. Currently, our affiliates sell air purification and water purification products to a variety of commercial end users (including medical facilities, assisted living facilities and athletic facilities) and to distributors who then resell such products (directly or indirectly) to such end users and consumer households. One of our affiliates, licensees or permittees may offer such products, or any of the Products or Beyond Products, for sale to other commercial end-users or product distributors in the future.

Internet. Our affiliate has sold parts and accessories bearing the Marks over the Internet. One of our affiliates, licensees or permittees may offer such products, or any of the Products or Beyond Products, for sale over the Internet in the future.

Customer Service Call Center. Our affiliates sell certain floor care products, parts and accessories bearing the Marks through their customer service call center and may from time to time offer such products, or any of the Products or Beyond Products, for sale as well.

Distributors. Our affiliates sell a limited line of Products bearing the Marks through a network of approximately 324 independent distributors who may sell and/or be located within your Area of Responsibility.

Our affiliates, ARS Home Solutions, LLC and ARS Home Solutions Canada, Inc., currently own and operate Franchise Businesses in the United States and in Canada, respectively, and may in the future own and operate these, additional or other Franchise Businesses. These Franchised Businesses sell products and services which are identical or substantially similar to those which you will offer and operate based upon a franchise agreement similar to the one you would execute.

There are no currently effective determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the Canadian Intellectual Property Office, the trademark administrator of any applicable state or province or any court, any pending interference, opposition or cancellation proceeding and any pending material litigation involving the Marks described above which are relevant to their use in the United States or Canada or any state or province.

We do not know of any superior prior rights or infringing uses that could materially affect your use of the Marks described above.

(a) Electrolux Sublicense Agreement

i. The trademarks “Electrolux” and “Lux” are owned by Aktiebolaget Electrolux, which is a Swedish company that is not affiliated with us. They licensed the right to use “Electrolux” and “Lux” to Aerus LLC and Aerus Canada, Inc., our affiliates, in the United States and Canada respectively. The licenses allow Aerus LLC and Aerus Canada, Inc. to assign

the rights described below to Aerus Concepts, L.P., which they did, effective August 27, 2001. Effective on the same date, Aerus Concepts, L.P. licensed the rights described below to us. Such rights generally permit you to utilize the “Electrolux” and “Lux” marks on the products noted as long as such products are sold through an Aerus Business. The licenses are generally only cancelable by Aktiebolaget Electrolux if the Aerus business or any of the principal operating Aerus entities is sold to a competitor (as such term is defined in the license agreements with Aktiebolaget Electrolux).

ii. In connection with the foregoing, there are a series of license instruments granting to us the right to use and license to you for use on a non-exclusive, non-assignable basis (subject to the terms and conditions of the Franchise Agreement and the Manuals), the “Electrolux”, “Lux” and derivative trademarks for use in the sale, marketing, distribution and repair of vacuum cleaners and related accessories. The obligations of the licenses have been incorporated into the Manuals, which must be strictly adhered to. Aktiebolaget Electrolux may terminate the Electrolux Sublicense Agreement upon written notice if We, you or any of our other franchisees breach the Electrolux Sublicense Agreement. Material uncured breach of the license terms by you or any other franchisee may result in termination of the license for all franchisees.

iii. We are a licensee, and not the owner, of the “Electrolux,” “Lux,” and related marks and have permission to sublicense such Marks to our franchisees. We, our affiliates and Aktiebolaget Electrolux have certain inspection rights related to the use of the trademarks, including the ability to inspect your premises for proper use of the Marks. We may also issue trademark usage guidelines from time to time governing your use of the licensed Marks. The Marks may be used only in the United States if your Approved Locations are in the United States and only in Canada if your Approved Locations are in Canada, and only in (i) direct retail sales to residential customers (meaning door-to-door sales and other sales to residential end-users in a manner other than from a fixed store location open to the general public but not including sales over the Internet or other electronic communications media); and (ii) retail sales to consumers from facilities owned or leased by us or our franchisee and identified as “Aerus” and/or “Electrolux” stores, provided such facilities offer for resale to the general public, in substantial part, only those products sold under the “Aerus” and “Electrolux” brands. You may not sell any damaged goods bearing the Marks, and repossessed or demonstration goods may be sold only with our prior approval. you may be required to assist in the protection of the Marks, and are obligated to indemnify us and our affiliates against any claim resulting from your use of the Marks on products or materials.

(b) Aerus License Agreement

The trademark “Aerus” is owned by our affiliate Aerus Concepts, L.P. (“Aerus Concepts”). We obtained our right to use certain “Aerus” marks and the System pursuant to a license agreement with Aerus Concepts dated August 27, 2001 (the “Aerus License Agreement”).

i. Based upon rights granted to us, we are licensing to you, on a non-exclusive, non-assignable basis (subject to the Franchise Agreement and the Manuals, as applicable), the trademark “Aerus” and if you are a franchisee who has executed a Beyond Addendum, the trademark “Beyond”, in each instance, for use in the sale, marketing, distribution and repair of various household products, vacuum cleaners and related accessories. Aerus Concepts may

terminate the Aerus License Agreement upon written notice if we or you breach the Aerus License Agreement. Material, uncured breach of the license terms by you or any other franchisee might result in termination of the license for all franchisees.

ii. We and our affiliates have certain inspection rights related to the use of the “Aerus” and “Beyond” trademarks, including the ability to inspect your premises for proper use of the mark. We may also issue trademark usage guidelines from time to time governing your use of the Marks. If you fail to conform to the quality requirements or usage guidelines, we may terminate or suspend your license to use the Marks. The Marks may be used only in the United States if your Approved Location or Development Area is in the United States and only in Canada if your Approved Location or Development Area is in Canada and only in (i) direct retail sales to residential customers (meaning door-to-door sales and other sales to residential end-users in a manner other than from a fixed, store location open to the general public but not including sales over the Internet or other electronic communications media); and (ii) retail sales to consumers from facilities owned or leased by us or our franchisees and identified as “Beyond by Aerus”, “Aerus” and/or “Electrolux” stores. You may be required to assist in the protection of the mark, and are obligated to indemnify us and our affiliates against any claim resulting from your use of the mark on products or materials.

The Franchise Agreement grants to you a limited non-exclusive right and license to use the Marks in strict accordance and compliance with the terms and conditions of the Franchise Agreement and the Manuals, including the Policies and Procedures and any specific guidelines We may impose from time to time. We may, at our option from time to time, modify and change the Marks permitted to be used by you and the manner in which such of the Marks may be used, including discontinuing the permitted use of any of the Marks. This license does not permit, and it will be strictly prohibited for, you to use or include any of the Marks as a part of your legal business name. All rights and licenses granted concerning the Marks will automatically terminate upon the expiration or termination of the Franchise Agreement and you must promptly thereafter return to us any documents, forms, applications, signs, banners, advertisements, marketing information, product specifications, sales literature and other material bearing the Marks. All rights and goodwill in any of the Marks are the sole and exclusive property of us and our applicable licensor, if any, and all use of the Marks will inure to the sole benefit of us and our affiliates. Nothing in the Franchise Agreement or the Beyond Addendum gives you any right in or to any of the Marks, except as specifically provided in the Franchise Agreement or Beyond Addendum. You must not, for yourself or together with any other person or entity, challenge our right, title or privilege in or to any of the Marks.

You must notify us immediately by telephone, and thereafter in writing, of any apparent infringement of or challenge to your use of any of the Marks or of any claim by any person of any rights in any of the Marks. We will have the right to take such action as we deem appropriate in connection with the foregoing, including the right to control any settlement, litigation or proceeding arising out of any such alleged infringement, challenge or claim or otherwise relating to any of the Marks. You must execute any and all instruments and documents, render such assistance, and do such acts or things as may, in our reasonable opinion, be necessary or advisable to protect and maintain our or our affiliate’s interests in any litigation or other proceeding or to otherwise protect and maintain our, our affiliates or any other interested party’s interest in the Marks.

We are not obligated by the Franchise Agreement or otherwise to protect any rights which you have to use the Marks. If, at any time, we choose to modify or discontinue the use of any Mark, you must comply with our directions at your expense.

Franchisees who do not sign a Beyond Addendum are not permitted to sell Beyond Products.

You may not (1) promote the sale of, or sell, directly or indirectly, any products and services which are similar in nature to, or which are generic, non-generic or unapproved substitutes for, any of the Products, (2) undertake or participate in any business or activity which is competitive in nature with the System or any of the Products, or with our or any of our affiliates' now existing or later developed businesses or systems, or (3) use any of the Customer Data for any reason other than operation of the Franchised Business. You must prohibit the same by any sales representative, employee or agent of yours or the Franchised Business, and under the Standard Program must also prohibit same from your Outlet Licensees.

Approved Locations may be used for the operation and conduct of the Franchised Business only and for no other use. You may not use the Marks in connection with any business or activities other than the Franchised Business.

We may in the future modify, expand or supplement the System or modify or add to the products offered under the Franchise Agreement, and we or any of our affiliates may in the future develop or offer new businesses or systems. If we determine, in our reasonable discretion, that any behavior previously not in violation of such restrictions later violates such restrictions, we may require that you cease such behavior upon written notice to you. There is no limit on our rights to change or modify the types of authorized goods and services required by us for you to operate your business.

You must use your best efforts to develop a sales organization to sell and increase sales of, and legitimately and ethically advertise, market, promote, distribute and sell Products to Approved Customers who reside within the Area of Responsibility by means of in-the-home and in-person demonstrations or otherwise in accordance with the Manuals. Such efforts must always be conducted based upon the terms and conditions of the Franchise Agreement, must comply with the Manuals, including the Policies and Procedures, and must promote and demonstrate our standards of high quality and reputation.

You must provide prompt and workmanlike care and service, including service under any Franchisor Consumer Warranty, to all Approved Customers who have purchased Products directly from you or indirectly through your sales representatives (or under the Standard Program, your Outlet Licensees), and to all other owners of the Products residing within the Area of Responsibility or who may appear personally (or otherwise contact the Franchised Business) at the Approved Location, and to all owners of products (other than the Products) which may be designated from time to time by us, whether or not such products to be serviced were purchased from or through you. Under the Associate Program, in some instances, this obligation may be discharged through a contractual arrangement with an existing Aerus Business.

You are required to fulfill or cause to be fulfilled any and all promises and commitments made to Approved Customers by you, and any of your sales representatives, employees, agents, and under the Standard Program, your Outlet Licensees.

You must receive and investigate all complaints from consumer end-users of the Products sold by or through you or who otherwise appear personally at an Approved Location (or otherwise contact the Franchised Business) for assistance and make good faith efforts to resolve all such complaints in a fair and equitable manner to the consumer end-users' satisfaction.

You must promptly report to us any attempted improper sales or purchases of the Products, including sales by you or any of your sales representatives, employees or agents (or under the Standard Program, your Outlet Licensees) to any consumer who is not an Approved Customer or who does not reside within your Area of Responsibility.

See Items 8, 9, 11 and 12 for additional information concerning restrictions on what You may sell.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.”

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal bankruptcy law (11 U.S.C.A. Sec. 101 *et seq.*).

The franchise agreement contains a covenant not to compete which extends beyond the termination of a franchise. This provision may not be enforceable under California law.

The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires binding arbitration. The arbitration will occur at Dallas, Texas with the costs being borne by non-prevailing party. This provision may not be enforceable under California law.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The franchise agreement requires application of the laws of the State of Texas. This provision may not be enforceable under California law.

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. ILLINOIS ADDENDUM TO DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

This addendum is applicable for all Illinois franchises.

Illinois law governs the agreements between the parties to this franchise.

Any provision in the franchise agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a franchise agreement may provide for arbitration in a venue outside of Illinois. 815 ILCS 705/4 (West 2012). Accordingly, the forum for all court litigation shall be Cook County, Illinois and the forum for all arbitration proceedings shall be in Dallas, Texas.

Sections 19 and 20 of the Illinois Franchise Disclosure Act govern termination of a franchise agreement and the rights franchisee has upon non-renewal of a franchise agreement. 815 ILCS 705/19, 20 (West 2012),

Any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with Illinois Franchise Disclosure Act, or any other law of Illinois is void. 815 ILCS 705/41 (West 2012).

In this franchise system, you must pay a “security deposit” to the Franchisor, equal to 88% of the total allocation of consigned products and service parts that you are required to buy and maintain during the term of the franchise. The consigned products and parts are owned by the Franchisor and some of its affiliates. If your required allocation of inventory increases, your security deposit will increase, as well.

In fiscal year 2022 alone, the Franchisor derived over \$20M in revenue from required purchases made by its franchisees.

If you elect to purchase an existing AERUS business from the Franchisor or one of its affiliates, you may be required to pay up to \$200,000 for “Goodwill”.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

MARYLAND ADDENDUM TO DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The general release required as a condition of renewal shall not apply to any liability under the Maryland Franchise Rights and Disclosure Law.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy law (U.S.C.A. Sec. 101 *et seq.*).

Notwithstanding the provision that the forum for dispute resolutions, including lawsuits and other actions brought under this Agreement (if applicable), shall be Dallas, Texas and that Texas law shall apply, You may still file a civil lawsuit in Maryland alleging a violation of the Maryland Franchise Law.

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

Item 5 of the Disclosure Document is amended as follows:

Based upon the Franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the Franchisor completes its pre-opening obligations under the Franchise Agreement and the outlet is opened.

For Franchisees in Maryland, any initial fees will be deferred until the Franchisor has completed its pre-opening obligations and the outlet is opened.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

MINNESOTA ADDENDUM TO DISCLOSURE DOCUMENT

Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the Franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document or agreement can abrogate or reduce any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C, or franchisee’s rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, Company will comply with Minnesota Statute. Section 80C, Subds. 3, 4, and 5 which require, except in certain specified cases, that Franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of this Agreement.

The general release required as a condition of renewal shall not apply to any Franchised Business located in the State of Minnesota.

For Franchised Businesses located in the State of Minnesota, Company will protect Franchisee’s right to use the Marks or indemnify Franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks, provided that Franchisee is using the Marks as provided in the Manuals or as otherwise required by Company or by its Affiliates.

The liquidated damages clause does not apply to franchises in the State of Minnesota.

The Minnesota Department of Commerce Securities & Registration Division requires us to defer payment of the initial franchise fee and other initial payment owed by the franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement and the franchise is open and operational.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

2. The following is added at the end of Item 3

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are not significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934,

suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

4. The following is added to the end of Item 5

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

5. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchise to renew or extend,” and Item (m), entitled “Conditions for franchisor approval of transfer”.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”: You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the Franchise Agreement.

8. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 17, Additional Disclosures. The following statements are added to Item 17:

Any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota may be unenforceable under North Dakota law. Any mediation or arbitration will be held at a site agreeable to all parties. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.

Any general release the franchisee is required to assent to as a condition of renewal is not intended to nor shall it act as a release, estoppel or waiver of any liability franchisor may have incurred under the North Dakota Franchise Investment Law.

Covenants not to compete during the term of and upon termination or expiration of the franchise agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The Franchise Agreement includes a waiver of exemplary and punitive damages. This waiver may not be enforceable under North Dakota law.

The Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. This waiver may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement state that franchisee must consent to the jurisdiction of courts outside that State of North Dakota. That requirement may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement may require franchisees to consent to termination or liquidated damages. This requirement may not be enforceable under North Dakota law.

NORTH DAKOTA ADDENDUM TO FRANCHISE AGREEMENT

To the extent the North Dakota Franchise Investment Law, N.D. Cent. Code, §§51-19-01 – 51-19-17 applies, the terms of this Addendum apply.

Any release executed in connection with a renewal shall not apply to any claims that may arise under the North Dakota Franchise Investment Law.

Covenants not to compete during the term of and upon termination or expiration of the Franchise Agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The requirement that arbitration be held outside the State of North Dakota may not be enforceable under the North Dakota Franchise Investment Law. Any mediation or arbitration will be held at a site agreeable to all parties.

The requirement that a franchisee consent to termination or liquidated damages has been determined by the Commissioner to be unfair, unjust and inequitable within the intent of the North Dakota Franchise Investment Law. This requirement may not be enforceable under North Dakota law.

The Franchise Agreement states that franchisee must consent to the jurisdiction of courts located outside the State of North Dakota. This requirement may not be enforceable under North Dakota law.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. WASHINGTON ADDENDUM TO DISCLOSURE DOCUMENT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation).

In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims

under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Independent Auditor's Report

To the Board of Directors and Members of
Aerus Franchising, LLC
Dallas, Texas

Opinion

We have audited the accompanying financial statements of Aerus Franchising, LLC (the "Company") (a Delaware limited liability company), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income, members' equity, and cash flows for each of the three years in the period ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 1 – Organization

Organization and Nature of Operations

Aerus Franchising, LLC (the “Company”), a Delaware limited liability company, was formed on May 2, 2001 for the purpose of franchising certain former branch locations of Aerus, LLC. The Company is owned 99% by Aerus, LLC with the other 1% owned by members of Aerus, LLC management. The Company earns franchise fees and royalties through a network of approximately 205, 210, and 198 franchised locations as of December 31, 2023, 2022, and 2021, respectively, which sells products supplied primarily by Aerus, LLC.

Note 2 – Summary of Significant Accounting Policies

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Revenue Recognition

The Company primarily sells its machines on a consignment basis to its franchisees. Revenue from sales through franchisees is recognized as the franchisees sell inventory. Revenue from the sale of parts is recognized upon shipment to franchisees. The Company also sells products to distributors and through sales representatives. For products sold through distributors and sales representatives, revenue is recognized upon shipment.

Revenue from sales of individual franchises as well as franchise renewals are recognized as deferred revenue when received and recognized as revenue over the contractual term of the franchise agreements (3 years). Revenue from royalties and administration fees is recognized when the related services are performed. Revenue from closing and transfer fees are recognized when the Company accepts the terms of the franchise.

Adoption of New Accounting Standard

In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in FASB ASC 326 were trade and other accounts receivable. The Company adopted the standard effective January 1, 2023. The impact of the adoption was not material to the financial statements and required no restatement to beginning balances in the Company's financial statements.

Accounts Receivable

Accounts receivable are recorded at the invoiced amounts owed for products shipped and typically do not bear interest. Amounts are recorded net of an allowance for expected credit losses which represents the best estimate of probable loss inherent in the Company's accounts receivable portfolio. The allowance for credit losses is computed under the allowance method, based on experience, current economic conditions, and the financial condition of customers. Accounts

considered uncollectible are charged off against the allowance account in the year they are deemed uncollectible. Other receivables are comprised of tariff and Canadian fee refunds which are expected to be received within one year.

Notes Receivable

Notes receivable consists primarily of amounts due from franchisees. The allowance for credit losses is estimated, based on experience, current economic conditions, and the financial condition of borrowers. Provisions for credit loss is determined based on an evaluation of the credit risk of the franchisee. Credit risk is based on payment history and the franchisee's level of business.

Inventories

Inventories, which consist of finished goods and parts, are carried at the lower of cost or net realizable value, determined using a first-in, first-out method of inventory valuation. All inventory is held at the franchise locations.

Security Deposit

The Company requires the franchisees to provide a security deposit as security for the consigned inventory. The minimum deposit required by each franchise is based on a contractually agreed upon percentage of the inventory held by each franchise.

Deferred Revenue

Revenue from sales of individual franchises as well as franchise renewals are recognized as deferred revenue when received and recognized as revenue over the contractual term of the franchise agreements (3 years).

Advertising Costs

Advertising costs are expensed as incurred.

Income Taxes

Effective January 1, 2021 the Company elected to be taxed as a C Corporation. Prior to this date, as a limited liability company, the Company elected to be treated as a disregarded entity for federal and state tax purposes. Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the estimated future tax consequences of temporary differences, income tax credits, and net operating loss carryforwards. Temporary differences are primarily the result of the differences between the tax bases of assets and liabilities and their financial reporting amounts and net operating loss, carryforwards, and tax credits. Deferred tax assets and liabilities are measured by applying enacted statutory tax rates applicable to the future years in which deferred tax assets or liabilities are expected to be settled or realized. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense consists of the taxes payable for the current period and the change during the period in deferred tax assets and liabilities.

The Company follows ASC Topic 740, *Income Taxes*, relating to unrecognized tax benefits. The Company's income tax filings are subject to audit by taxing authorities. The Company's open audit periods are 2020-2023. In evaluating the Company's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Company believes its estimates are appropriate based on current facts and circumstances.

Warranty Policy

Warranty claims exposure is considered to be a liability of Aerus, LLC, and no such warranty accrual is recorded on the Company. Aerus, LLC is the manufacturer of the machines and is ultimately liable for any warranty claim and liability.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could vary from the estimates that were used.

Contingencies

Certain conditions may exist as of the date the financial statements are issued, which may result in a loss to the Company, but which will only be resolved when one or more future events occur or fail to occur. The Company's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Company or unasserted claims that may result in such proceedings, the Company's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. The Company is from time to time engaged in litigation in the normal course of business.

If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, the estimated liability would be accrued in the Company's financial statements. If the assessment indicates that a potentially material loss contingency is not probable but is reasonably possible, or is probable but cannot be estimated, the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed.

Loss contingencies considered remote are generally not disclosed unless they arise from guarantees, in which case the guarantees would be disclosed.

Reclassifications

Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of operations or members' equity.

Subsequent Events

The Company has appropriately evaluated subsequent events through May 31, 2024 and has concluded no material subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

B. Company and its Affiliates have developed a distinctive and proprietary system (the “Proprietary System”) for establishing and operating businesses that offer and sell the Proprietary Products. The distinguishing characteristics of the Proprietary System include, among other things: identification by the Proprietary Marks; distinctive exterior and interior design, décor, color scheme and furnishings, fixtures and other trade dress elements; proprietary products; standards, specifications, policies and procedures for construction, management and operations; quality, distinctiveness and uniformity of products and services; standards, specifications, procedures and automated, software driven administrative systems for customer, lead, inventory, sales and financial management and control; sales, recruiting and lead generation programs; training and assistance; and advertising and promotional programs all as are more particularly described and designated in the Manuals and all of which we may change, improve, and further develop at Company’s sole option from time to time.

C. Company grants to third parties the license and right to operate under one (1) of two (2) franchise programs, known as (i) the standard franchise program (the “Standard

Program”), and (ii) the associate franchise program (the “Associate Program”); both of which offer and sell certain of the Proprietary Products as determined from time to time by Company, are identified by certain of the Proprietary Marks as determined from time to time by Company, and use certain elements of the Proprietary System as determined from time to time by Company. The Company also grants to qualified franchisees operating under the Standard Program and Associate Program a right to sell “Beyond Products” which rights are granted solely pursuant to an addendum to their respective franchise agreement (the “Beyond Addendum”). For purposes of this Agreement, unless otherwise indicated herein, “Products” shall mean those Products determined by Company from time to time as applicable to the Standard Program “Beyond Products” shall mean those Proprietary Products determined by Company from time to time applicable to those franchisees who sign a Beyond Addendum and that are marketed, distributed and sold under the “Beyond” or “Beyond by Aerus” trademarks. “Marks” shall mean those Proprietary Marks determined by Company from time to time as applicable to the Standard Program, and “System” shall mean those elements of the Proprietary System determined by Company from time to time as applicable to the Standard Program.

D. Company may (i) establish additional franchise programs for the offer and sale of Products, which programs utilize the Marks and the System, (ii) cease granting licenses and rights to operate under one (1) or more of the above described franchise programs, or (iii) cease granting licenses and rights to operate under any franchise programs.

E. Company desires to grant to Franchisee, and Franchisee desires to receive and accept from Company, a license and franchise to operate an Aerus Business under the Standard Program at or from the Approved Locations in accordance with the System (the “Franchised Business”), pursuant and subject to the terms, conditions and provisions of this Agreement.

A G R E E M E N T

NOW, THEREFORE, for and in consideration of the foregoing premises and the promises set forth below and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged and confirmed, the parties agree as follows:

1. Grant of Franchise Rights.

A. Company hereby grants to Franchisee the right and license, and Franchisee hereby accepts the right and obligation, to establish and operate the Franchised Business (under the Standard Program) upon and subject to the terms, conditions and provisions of this Agreement. Franchisee agrees and acknowledges that Franchisee shall have the right to offer and sell the Products only to Approved Customers within the area identified as the Area of Responsibility in Schedule 1, attached hereto (the “Area of Responsibility”), all in accordance with the terms, conditions and provisions of this Agreement and the Manuals, including the Policies and Procedures. Except as otherwise provided herein, such offers and sales may only be made through the Approved Location or from in-home or in-person demonstrations conducted within the Area of Responsibility. Nothing herein shall be construed to grant the right to Franchisee to offer and sell the Beyond Products.

B. Subject to Company's prior approval, the Franchised Business shall be identified and operated by Franchisee only under the assumed name (the "Approved Name") "Aerus" (including such qualifiers and descriptions as may be set or approved by Company from time to time so as to geographically or otherwise distinguish one franchise from another), including the hanging of an approved exterior sign bearing such trade name; provided, that Company shall be permitted at any time and from time to time after the date of this Agreement, upon written notice, to alter or change the assumed name under which the Franchised Business shall be identified and operated. Franchisee shall, at its expense, make all county and state assumed name filings required by law (including any filings made necessary by a change in required trade names pursuant hereto) and provide evidence of such filing to Company.

C. The Franchised Business shall be operated from one or more Approved Locations and from no other physical location, except as may be permitted by Company in writing at its sole option. Franchisee shall cause any premises lease covering an Approved Location to include a lease rider in a form substantially similar to the form attached hereto as Exhibit I. Notwithstanding the generality of the foregoing, upon Company's prior written consent of and to any proposed Outlet Licensee which may be withheld or conditioned in Company's sole discretion, Franchisee shall be permitted to engage Outlet Licensees, on forms acceptable to Company and which grant no greater rights and retain at least the same restrictions and limitations (including without limitation adherence to the Manuals and to proper use of the Marks) as this Agreement, to establish, on a non-exclusive basis in accordance with the Manuals, additional physical locations (each a "Licensed Outlet") within those parts of the Area of Responsibility that do not include any part of another franchisee's protected area. Licensed Outlets shall be subject to all provisions of this Agreement and the Manuals concerning Approved Locations, except that repair, maintenance and warranty service may be provided by or at an affiliated approved location rather than on-site and, provided that, so long as Company receives prompt notice of the establishment and location of a Licensed Outlet, Company shall not require prior approval of the site or lease for any Licensed Outlet. Once notice is received by Company and this Agreement is amended accordingly, each Licensed Outlet shall constitute an Approved Location under this Agreement, for which Franchisee shall have all of the rights and obligations associated with any Approved Location under this Agreement and the Manuals. Outlet Licensees shall be solely and exclusively the responsibility of Franchisee for all purposes, including without limitation, all training and support. Company shall have no legal obligation whatsoever to or for the benefit of any Outlet Licensees; however, Company shall be a third-party beneficiary of any of Franchisee's rights under all agreements existing between Franchisee and any Outlet Licensees and may enforce such rights in its sole discretion. In its sole discretion at any time, Company may require a direct contractual relationship with any Outlet Licensee. Company reserves the right at any time to disallow the further establishment of Licensed Outlets or to impose any such policies, procedures and practices directed to the establishment and operation of Licensed Outlets as Company may deem appropriate in its sole discretion. Nothing herein shall be construed to grant Franchisee the right to sublicense or subfranchise all or part of the Marks or the System.

D. In order to facilitate the growth and development of the Franchised Business, Franchisee may from time to time (with Company's prior written consent) establish satellite locations (each a "Satellite") within those parts of the Area of Responsibility that do not include any part of another franchisee's protected area. Franchisee shall promptly notify Company of the establishment of a Satellite. Satellites shall be subject to all provisions of this Agreement and the

Manuals concerning Approved Locations, except that repair, maintenance and warranty service may be provided by or at an affiliated approved location rather than on-site and, provided that Company shall not require prior approval of the site or lease for any Satellite. Once opened, each Satellite shall constitute an Approved Location for which Franchisee shall have all of the rights and obligations associated with any Approved Location under this Agreement and the Manuals. Operation and compliance of Satellites shall be solely and exclusively the responsibility of Franchisee for all purposes. Franchisee shall be permitted to employ or engage, on forms reasonably acceptable to Company and which grant no greater rights and retain at least the same restrictions and limitations as this Agreement, Satellite Managers to operate the Satellites in accordance with this Agreement and the Manuals. Company shall have no liability for or obligation concerning any Satellite; provided, however, Company reserves the right at any time to disallow the further creation of Satellites or to impose any such policies, procedures and practices directed to the creation or operation of Satellites as Company may deem appropriate in its sole discretion.

E. Franchisee shall be permitted, at its own cost and expense, to hire and retain such employees, consultants and agents as Franchisee may deem necessary in establishing and operating the Franchised Business. Additionally, Franchisee shall be permitted to employ or engage, on forms reasonably acceptable to Company and which grant no greater rights and retain at least the same restrictions and limitations as this Agreement, Sales Representatives who shall operate in accordance with this Agreement and the Manuals, including the Policies and Procedures. Franchisee shall have sole authority and discretion regarding all employment matters, including without limitation, hiring, firing, discipline, compensation, benefits, and scheduling. Notwithstanding the generality of the foregoing, Company may from time to time set minimum staffing requirements and hours of operation for Approved Locations in the Manuals.

F. Except as provided in this Agreement, Company will not establish, permit or authorize any person or entity other than Franchisee to establish a physical location for the operation of any Aerus Business under any of the Programs listed in Recital C within the area identified as the Protected Area in Schedule 1, attached hereto (the “Protected Area”).

G. Notwithstanding anything herein to the contrary, without Company’s prior written approval, Franchisee shall not (1) conduct the Franchised Business under any actual or assumed name other than the Approved Name, (2) sell to any person or entity that is not an Approved Customer, (3) advertise, market or solicit sales outside of the Area of Responsibility, (4) sell to any person not residing within the Area of Responsibility, (5) conduct any aspect of the Franchised Business by, through, over or on the internet or world wide web, including without limitation, advertising, marketing and solicitation, unless or until Company establishes a Company sponsored program for such conduct by Franchisees and, then, only as part of and in accordance with such program, (6) use any trade name, trademark or service mark in connection with the Franchised Business other than the Marks (and then only in strict accordance with the terms and conditions of this Agreement, the Policies and Procedures, the Manuals and any specific guidelines imposed by Company), (7) advertise or sell any product or service from an Approved Location or through the Franchised Business bearing any trade name, trademark or service mark other than the Marks, (8) sell any product or service that is not a Product, or (9) permit any Product to be sold from any physical location other than an Approved Location, by any Person other than an authorized representative of Franchisee or in a manner otherwise inconsistent with the System.

H. Notwithstanding the foregoing and without limiting the generality of the provisions contained in this Section, Franchisee acknowledges that Company and its Affiliates and existing franchisees, distributors and licensees operate existing businesses and systems, and may in the future establish and operate new businesses and systems, including Aerus Businesses, under the same and other assumed names, trade names and trademarks as the Marks, which businesses and systems may offer or sell products and services similar or identical to the Products, and may do so (or grant licenses or franchises for third-parties to do so) within any part of the Area of Responsibility (except as limited by the rights granted hereunder). The right granted under this Agreement is only for the operation of the Franchised Business in accordance with this Agreement. Franchisee is granted no rights of any kind in and to any other business or system that may now or hereafter be owned, operated or licensed by Company or any of its Affiliates. Company and Company's Affiliates retain all rights not expressly granted herein. Company reserves the right to provide new products and services under the System, and to require or permit new products and services to be provided, marketed, promoted, distributed or sold hereunder by Franchisee through the Franchised Business, and may, in connection therewith, without limitation (1) require Franchisee to execute an additional or supplemental agreement and (2) require the payment of a royalty.

I. If not an existing Aerus Business, Franchisee shall open the Franchised Business at an Approved Location not later than the Opening Date. Company will identify any modifications or improvements to the premises of the Franchised Business, if any, which Franchisee shall make, at Franchisee's expense, prior to the Opening Date, or within such time period ending after the Opening Date as Company may designate in writing.

2. Term. Unless sooner terminated as provided herein, the duration of the initial term (the "Initial Term") and the renewal term (the "Renewal Term") will be as stated in Schedule 1 attached hereto, which, collectively, shall constitute the "Term" of this Agreement. Upon the expiration of the Initial Term, Franchisee may renew the franchise for one (1) Renewal Term, provided Company is then offering new franchise rights for the establishment of Aerus Businesses in the State where the franchise subject to renewal is located and provided Franchisee meets all of the following conditions: (1) Franchisee has no uncured Event of Default under the Agreement at the time of renewal; (2) Franchisee gives Company written notice of Franchisee's desire to renew at least thirty (30) days prior to the end of the Initial Term; (3) Franchisee has achieved ten thousand dollars (\$10,000) or more in Gross Sales each month during the prior six (6) months; (4) Franchisee executes Company's then-current form of franchise agreement, which, upon execution, will supersede this Agreement and which may differ from the terms of this Agreement, including, without limitation, the payment of higher or additional fees and revised Minimum Sales Requirements; (5) Franchisee pays Company a renewal fee of one hundred dollars (\$100) (in lieu of paying an initial franchisee fee); and (6) Franchisee and its principals and guarantors execute a general release, in a form satisfactory to Company, of any and all claims against Company and Company's current and former Affiliates, officers, directors, owners, employees, and agents. In the event the parties continue to perform under this Agreement after expiration of the Initial Term or Renewal Term without executing a new agreement, this Agreement will be deemed to extend on a month-to-month basis and both parties will have the right to terminate (and prevent further extensions of) this Agreement upon at least thirty (30) days' written notice.

3. License of the Marks.²

A. Company hereby grants to Franchisee a limited non-exclusive right and license to use the Marks in strict accordance and compliance with the terms and conditions of this Agreement, the Policies and Procedures and any specific guidelines Company may impose from time to time. Company may, at its option from time to time, modify and change the Marks permitted to be used by Franchisee hereunder and the manner in which such of the Marks may be used, including discontinuing the permitted use of any of the Marks. This license does not permit, and it shall be strictly prohibited for, Franchisee to use or include any of the Marks as a part of Franchisee's legal business name. All rights and licenses granted pursuant to this Section or otherwise in this Agreement concerning the Marks shall automatically terminate upon the expiration or termination of this Agreement, and Franchisee shall promptly thereafter return to Company any documents, forms, applications, signs, banners, advertisements, marketing information, product specifications, sales literature and other material bearing the Marks. All rights and goodwill in any of the Marks are the sole and exclusive property of Company and any applicable licensor of Company, and all use of the Marks shall inure to the sole benefit of Company and Company's Affiliates. Nothing in this Agreement gives Franchisee any right in or to any of the Marks, except as specifically set forth in this Agreement. Franchisee shall not, for itself or together with any other person or entity, challenge Company's right, title or privilege in or to any of the Marks. Franchisee acknowledges the value of the Marks and the importance for Company to maintain proper control of the use of the Marks and to protect the Marks from infringement, abuse and misuse. Franchisee further acknowledges that any infringement, abuse or misuse of the Marks would result in irreparable injury to Company for which no adequate remedy at law may be available, and, notwithstanding any general requirement to arbitrate disputes, Franchisee consents to the issuance of an injunction prohibiting any conduct by Franchisee that may constitute infringement, abuse or misuse of the Marks or that otherwise would violate the terms of this Section without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or other security. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Company in connection with the enforcement of this Section, including payment of all expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Section.

B. Franchisee shall notify Company immediately by telephone, and thereafter in writing, of any apparent infringement of or challenge to Franchisee's use of any of the Marks or of any claim by any person of any rights in any of the Marks. Company shall have the right to take such action as it deems appropriate in connection with the foregoing, including the right to control any settlement, litigation or proceeding arising out of any such alleged infringement, challenge or claim or otherwise relating to any of the Marks. Franchisee shall execute any and all instruments and documents, shall render such assistance, and shall do such acts or things as may, in Company's reasonable opinion, be necessary or advisable to protect and maintain Company's

² For Franchised Businesses located in the State of Minnesota, Company will protect Franchisee's right to use the Marks or indemnify Franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks, provided that Franchisee is using the Marks as provided in the Manuals or as otherwise required by Company or by its Affiliates.

or Company's Affiliate's interests in any litigation or other proceeding or to otherwise protect and maintain Company's, Company's Affiliate's or any other interested party's interest in the Marks.

C. The rights in, and license of, the Marks granted hereunder are non-exclusive and, in addition to those rights described elsewhere in this Agreement, Company and Company's Affiliates retain all rights not expressly granted in this Agreement, including without limitation, the rights: (1) to grant other licenses for use of the Marks, in addition to those licenses already granted to existing franchisees, if any; (2) to develop and establish other systems using the Marks or other names or marks and to grant licenses thereto without providing any additional rights hereunder; and (3) to engage, directly or indirectly, at wholesale, retail or otherwise, in the production, distribution, license and sale of products and services, including the Products, using the Marks and any and all trademarks, trade names, service marks, logos, insignia, slogans, emblems, symbols, designs and other identifying characteristics as Company may develop or use from time to time.

D. Franchisee shall not develop, create, generate, own, license, lease or use in any manner any computer medium or electronic medium (including, any Internet home page, e-mail address, website, bulletin board, newsgroup or other Internet-related medium) which in any way uses or displays, in whole or part, the Marks, or any of them, or any words, symbols or terms confusingly similar thereto without Company's express prior written consent. Without limiting the generality of the foregoing, Franchisee shall not cause, permit or allow the Marks, or any of them, or any words, symbols or terms confusingly similar thereto, to be used or displayed in whole or part (1) as, or a part of, an Internet domain name or URL; or (2) on or in connection with any Internet home page, website, bulletin board, newsgroup, chat-group, buddy list, instant messenger, meta-tag (or the comparable identifier in any future technology) or other Internet-related activity. Franchisee shall not link to or frame any website to any other website or authorize any third party to link to or frame any website.

4. License of the Software and Administration Systems. As a primary and material element of the System, Company and its Affiliates have developed a proprietary computer information and office automation system, comprised of various software programs and modules (including modules for customer relationship and lead management, financial administration and inventory ordering and management) (the "Software and Administration Systems"), which system is currently known as the Aerus Franchise Office Automation System ("FOAS").

A. Franchisee shall own and maintain at an Approved Location computer hardware, computer facilities and computer communications connections (e.g., DSL, cable or satellite internet access connections and service where available) meeting all minimum performance specifications promulgated and published by Company from time to time in order to install, update and support FOAS.

B. Franchisee shall permit Company or its Affiliate in-person or remote access to its computer equipment and facilities for purposes of installing, updating and supporting FOAS and shall abide by any reasonable instructions, directions or requests of Company in connection with such installation, update and support.

C. Franchisee shall implement and use all functions of FOAS in the operation, administration, management and control of the Franchised Business and shall adopt for use all new programs and modules developed and installed from time to time by Company, including without limitation the Franchise Accounting Systems and Tools program module (including any successor or substitute financial management program or module which may be developed, “FAST”), and, if applicable, pay any fee imposed for the new program or module.

D. Franchisee shall execute a Software License Agreement in a form substantially similar to the form attached hereto as Exhibit II.

5. License of the Customer Data.

A. Company owns and maintains a database of customer information (the “Customer Data”). Company may make available for use by Franchisee on a limited, nonexclusive basis, that part of the Customer Data which is pertinent to the Area of Responsibility, subject to Franchisee’s payment of the Customer Data Fee and strict accord and compliance with the terms and conditions of this Agreement, the Policies and Procedures and any specific guidelines Company may impose from time to time concerning collection, maintenance and use of the Customer Data. All rights and licenses granted pursuant to this Section or otherwise in this Agreement concerning the Customer Data shall automatically terminate upon the expiration or termination of this Agreement, and Franchisee shall promptly thereafter return to Company any printed or virtual item or material containing or bearing any of the Customer Data. All rights to and goodwill in the Customer Data are solely and exclusively the property of Company. Nothing in this Agreement gives Franchisee any right in or to any of the Customer Data except as specifically set forth in this Agreement. Franchisee shall not, for itself or together with any other person or entity, challenge Company’s right, title or privilege in or to the Customer Data. Franchisee shall do such acts or things, as may, in Company’s reasonable opinion, be necessary or advisable to protect and monitor the integrity of the Customer Data.

B. Franchisee acknowledges the value of the Customer Data and agrees that a substantial element of the System and function of the Franchised Business is support, service and development of Company’s customer relationships. To that end, during the Term of this Agreement, Franchisee shall actively and diligently maintain, use, update, correct and supplement the Customer Data. Franchisee shall update the Customer Data immediately upon completion of any sale or customer contact, shall regularly review the Customer Data and take such action as may be appropriate based on the Customer Data, and shall otherwise use the Customer Data for marketing, lead generation, sales and recruiting purposes in accordance with the System and Company’s procedures concerning such activities. Franchisee shall not use the Customer Data, or permit the Customer Data to be used, for any purpose except the operation of the Franchised Business and all uses and purposes incidental thereto.

C. Franchisee must comply with, and is solely responsible for ensuring that the Franchised Business complies with: (1) all applicable consumer and data privacy laws, including, without limitation, the Fair and Accurate Credit Transactions Act (“FACTA”); (2) the Payment Card Industry Data Security Standards (“PCI DSS”), as they may be revised and modified by the Payment Card Industry Security Standards Council (see www.pcisecuritystandards.org), or such successor or replacement organization as Company may specify; and (3) and such additional

guidelines relating to consumer and data privacy as Company may from time to time prescribe. Franchisee shall also periodically upgrade its computer systems to ensure Franchisee's compliance with all such laws, regulations, and guidelines. Franchisee's failure to comply with this Section 5(C) shall constitute a material default under this Agreement, and grounds for termination.

D. The rights in, and license of, the Customer Data granted hereunder are non-exclusive and, in addition to those rights described elsewhere in this Agreement, Company and Company's Affiliates retain all rights concerning the Customer Data not expressly granted in this Agreement, including, without limitation, the rights to: (1) terminate Franchisee's access to and right to use some or all of the Customer Data; (2) grant other licenses for use of all or any portion of the Customer Data, including any portion relevant to the Area of Responsibility; (3) develop systems and procedures to capture, store, manipulate, organize, sort and report the Customer Data and to require Franchisee to implement and utilize such systems and procedures; and (4) use the Customer Data in order to engage, directly or indirectly, at wholesale, retail or otherwise, in the distribution or sales of products and services, including, the Products.

6. Exclusivity and Non-Competition.

A. During the Term, neither Franchisee, nor its Operating Principal or any other owner, shall (1) promote the sale of, or sell, directly or indirectly, any products or services that are similar in nature to, or that are substitutes for, the Products, (2) undertake or participate in any business or activity now existing or hereafter developed businesses or systems, or (3) use any of the Customer Data for any reason other than operation of the Franchised Business. Further, Approved Locations may be used for the operation and conduct of the Franchised Business only and for no other use. Franchisee may not use the Marks in connection with any business or activities other than the Franchised Business. Company may in the future modify, expand or supplement the System or modify or add to the Products offered hereunder and Company or any of Company's Affiliates may in the future develop or offer new businesses or systems. In either event, if Company determines, in its reasonable discretion that any behavior of Franchisee previously not in violation of this Section later violates this Section, Company may require that Franchisee cease any such behavior upon written notice to Franchisee.

B. For a period of one (1) year after the expiration or termination of this Agreement or the transfer of all of Franchisee's interest in this Agreement, neither Franchisee, nor its Operating Principal, shall, within the Area of Responsibility or within a ten (10)-mile radius of any Aerus Business in existence or under construction as of the expiration or termination of this Agreement or the transfer of all of Franchisee's interest in this Agreement, (1) promote the sale of, or sell, directly or indirectly, any products or services that are similar in nature to, or that are substitutes for, the Products, or (2) undertake or participate in any business or activity that is competitive in nature with the System or any of the Products, or with Company's, or any of Company's Affiliates', now existing or hereafter developed businesses or systems. Franchisee agrees that the length of time in this Section 6(B) will be tolled for any period during which Franchisee is in breach of the covenants set forth in this Section 6(B) or any other period during which Company seeks to enforce this Agreement

C. This Section 6 shall survive the expiration or termination of this Agreement. No claim Franchisee may have against Company, whether or not arising from this Agreement, shall

constitute a defense to the enforcement by Company of the covenants provided for in this Section. Franchisee acknowledges that a violation of the terms of this Section would result in irreparable injury to Company for which no adequate remedy at law may be available, and, notwithstanding any other requirement herein to arbitrate disputes, Franchisee accordingly consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the terms of this Section without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or other security. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Company in connection with the enforcement of this Section, including payment of all expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Section.

D. For breach of the covenants in this Section 6, which are made in consideration of the specialized training and confidential information conveyed to Franchisee, and due to the difficulty of establishing the precise amount of damages for breach of these covenants, in addition to the other remedies provided for in this Agreement or otherwise available to Company, Franchisee and Franchisee's principals who committed such breach jointly and severally agree to pay Company the amount of One Thousand Five Hundred Dollars (\$1,500) per day for each day the breach continues.³ The parties agree that the foregoing amount is a reasonable estimation of the damages that would be incurred by Company for breach of the covenants provided for in this Section.

7. Fees, Payments and Deposits.

A. Franchisee shall pay to Company all fees, payments and deposits set forth in Schedule 3 attached hereto and required elsewhere in this Agreement (the remittance of each, a "Payment") in the amounts, at the time, and in the manner described in this Agreement or the Policies and Procedures or elsewhere in the Manuals. Each Payment to be made to Company must be made free and clear at the time, and in the manner, specified in this Agreement, without deduction or offset. TIME IS OF THE ESSENCE with respect to all Payments to be made. All unpaid obligations under this Agreement will bear interest from the date due until the date of receipt by Company, at one and one-half percent (1.5%) per month, or the maximum rate allowed by applicable law, whichever is less.

B. At Company's option, Company may withdraw funds from Franchisee's designated bank account by electronic funds transfer or comparable method in the amount of any Payment or any other amounts due hereunder to Company and for all subsequent payments due to Company, as further described in the Manuals or otherwise in writing. Franchisee shall at all times maintain in its designated bank account a minimum balance in the amount specified in the Manuals.

8. Standard of Conduct. Franchisee shall use its best efforts to develop a sales organization to sell and increase sales of, and to legitimately and ethically advertise, market, promote, distribute and sell Products to Approved Customers within the Area of Responsibility by means of in-the-home and in-person demonstrations or otherwise in accordance with the Manuals. Such efforts shall always be conducted pursuant to the terms and conditions of this Agreement, shall comply with the Manuals, including the Policies and Procedures, and shall promote and

A. Maintain an Approved Location in a condition acceptable to, and at standards established by, Company (including opening any Approved Location to the public and engaging Sales Representatives to schedule and perform product demonstrations and sales activities within the Area of Responsibility during the operating hours set forth by Company from time to time in the Manuals), which is adequate for reasonable inventory needs, equipped with communication devices (including personal computers) adequate for operating FOAS and receiving and sending communications from and to Company, is attractive, clean, orderly and sanitary, and has all of its fixtures and furnishings in good order and repair.

B. Purchase or lease, install and maintain at Franchisee's expense, all fixtures, furnishings, equipment (including electronic cash register or computer hardware and Software and Administration Systems and satellite communications systems), decor items, signs, and related items as Company may reasonably require from time to time in the Manuals or otherwise in writing; and shall refrain from installing or permitting to be installed, without Company's prior written consent, any fixtures, furnishings, equipment, decor items, signs, games, vending machines or other items not previously authorized by Company.

C. Identify Franchisee by the Approved Name as the owner of the Franchised Business, and as Company's franchisee, in conjunction with any use of the Marks, including without limitation, uses on invoices, order forms, receipts and contracts, and such other uses or circumstances, and in such manner, as Company may require. By way of example (and without limiting the general application of this provision), Franchisee shall identify itself as a "Franchisee" or "Independent Business Owner" and the Franchised Business as an "Independent Franchise" or "Independently Owned Business".

D. Designate and retain individuals to serve as the Operating Principal, General Manager, Sales Manager and Service Manager (which individual or individuals shall, during the entire period he or she serves in such capacity, satisfy all of the qualifications set forth by Company in the Manuals for service in such capacities); provided that, if Franchisee is an individual, Franchisee must perform all obligations of the Operating Principal and the General Manager. Upon approval of the Company, an individual Franchisee or the General Manager he appoints may also serve as the Sales Manager and/or Service Manager.

E. Obtain all Consigned Products and purchase all other Products from Company or Company's Affiliate, except in limited circumstances where Company may otherwise permit in writing.

F. Satisfy and achieve the Minimum Sales Requirements set forth in Schedule 4, attached hereto.

G. Comply with all provisions of the Manuals relating to the purchase and service of all Products, services, parts, supplies, materials, fixtures, furnishings, equipment (including electronic cash register or computer hardware and Software and Administration Systems) and other items used or offered for sale or service at the Franchised Business (including consumer

financing services); provided that, except with respect to the Consigned Products and all spare parts which must be purchased from Company, and as otherwise provided herein, Franchisee must obtain such items from Company or from suppliers who Company has authorized in writing, and who Company has not thereafter rejected, prior to any purchases.

H. Provide prompt and workmanlike care and service, including service under any warranty offered by Company, to all Approved Customers who have purchased Products from Franchisee or through Franchisee's Sales Representatives or Outlet Licensees, to all other owners of Products residing within the Area of Responsibility or who may appear personally (or otherwise contact the Franchised Business) at an Approved Location, and to all owners of products (other than the Products) which may be designated from time to time by Company, whether or not the Products to be serviced were purchased from or through Franchisee, and in order to fully discharge and perform this obligation, Franchisee shall establish and maintain a service and repair center (in accordance with the Manuals) in all Approved Locations (provided that Satellites and Licensed Outlets shall not be required to maintain an on-site service and repair center so long as repair, maintenance and warranty services can be adequately and timely provided from another affiliated Approved Location).

I. Fulfill or cause to be fulfilled any and all promises and commitments made to Approved Customers by Franchisee, and any of its Outlet Licensees, Sales Representatives, employees or agents.

J. Develop in the Area of Responsibility an organization of qualified Outlet Licensees and Sales Representatives operating from or through one or more Approved Locations who will and do follow the Policies and Procedures and guidelines of the Manuals and comply with the terms and conditions of this Agreement.

K. Recruit and train Sales Representatives and Outlet Licensees to properly and effectively demonstrate, use, care for, install and sell the Products and to understand and follow the Policies and Procedures and other guidelines set forth in the Manuals.

L. Actively and diligently use the Customer Data and any information, data or relationship management software provided by Company to service and support existing customers, develop leads to potential customers and potential sales representative recruits and to promptly and accurately record information about all past and future sales, leads and customers in the Customer Data.

M. Fully comply with all of the provisions of the Manuals, including the Policies and Procedures, with all bulletins and other communications issued by Company from time to time and with all applicable federal, state and local laws, ordinances and regulations.

N. Fully cooperate with any announced or unannounced (1) visit to or inspection of the Franchised Business or any Approved Locations, (2) audit of the books, records, information, materials, systems or data concerning the Franchised Business and (3) verification of Franchisee's compliance with the Manuals and System Standards.

The parties agree that any state law or regulation applicable to the offer or sale of franchises or the franchise relationship will not apply unless the jurisdictional provisions are independently met. Franchisee waives, to the fullest extent permitted by law, the rights and protections provided by any such franchise law or regulation. Except as may be otherwise provided hereunder in the case of actions for injunctive relief by Company or Company's Affiliates, the parties agree that all disputes, controversies or claims that may directly or indirectly arise among them (including their agents and employees), out of or relating to this Agreement and/or the Franchised Business, shall be submitted to, and determined by, binding arbitration. **Any such action shall be conducted on an individual basis, and not as part of a consolidated, common, or class action, and Franchisee waives any and all rights to proceed on a consolidated, common, or class basis.** Such arbitration shall be conducted before a single arbitrator in Dallas, Texas pursuant to the Commercial Arbitration Rules then in effect of the American Arbitration Association. The arbitrator shall be an independent third party arbitrator selected by Company.⁸ The fees of the arbitration initially shall be paid one-half by Company and one-half by Franchisee; provided, however, that the prevailing party in any such arbitration shall be entitled to recover its reasonable attorneys' fees, costs and expenses (and any interest) incurred in connection with the arbitration. Company shall not be liable to Franchisee or any of Franchisee's principals for any such dispute, controversy or claim in an aggregate amount greater than the total Standard Allocation collected from the Franchised Business during the six (6) month period immediately preceding the submittal of such dispute, controversy or claim to arbitration. Any award pursuant to such arbitration shall be final and binding upon the parties, with the following exception: if an arbitration award having a monetary value of \$100,000 or more is rendered against a party, that party (and not the party in whose favor the award was granted) may vacate such award by submitting a motion to vacate the award in any federal or state court having appropriate jurisdiction. Upon submission, the award shall be vacated, and the matter decided in the court of submission with the standard of review being *de novo*. An award may be enforced by any federal or state court sitting in any court having jurisdiction. The obligations set forth in this Section shall survive the termination of this

⁶ For Franchised Businesses in North Dakota, any cost and expense incurred by Company in connection with enforcing this Agreement, shall be borne by the prevailing party of such enforcement action.

⁷ For Franchised Businesses in North Dakota, the waiver of Franchisee's rights to any exemplary, indirect, consequential or other damages is hereby deleted.

⁸ This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable. For Franchised Businesses in the State of North Dakota: (a) arbitration shall be conducted at a place mutually agreeable to both Franchisee and Company; (b) this Agreement will be interpreted, construed and enforced under the laws of North Dakota and (c) the provision in this Section waiving Franchisee's rights to a trial by jury is hereby deleted.

Agreement. **EXCEPT AS OTHERWISE PROVIDED HEREUNDER, COMPANY AND FRANCHISEE EACH KNOWINGLY AND VOLUNTARILY GIVE UP ANY RIGHT TO A TRIAL BY JURY IN CONNECTION WITH ANY DISPUTE, CLAIM OR CONTROVERSY WHICH MAY ARISE BETWEEN THEM.**⁹

17. Indemnification. Franchisee and each of Franchisee's principals, jointly and severally, indemnify and shall defend with counsel of Company's choosing, and hold harmless Company, Company's past and present Affiliates, each of their successors and assigns, and any of their respective officers, directors, members, managers, partners, shareholders, employees, agents, representatives and independent contractors from and against any and all damages, losses, claims for loss, expense or liability, including reasonable attorneys' fees and costs, arising out of or in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or settlement thereof, which arises out of (A) acts or omissions done or allegedly done by Franchisee or Franchisee's Sales Representatives or Outlet Licensees, or any of their employees, agents or representatives, (B) action or inaction under or related to this Agreement by Franchisee or any Outlet Licensee or Sales Representative of Franchisee or any of their employees, agents or representatives, (C) any violations of the law or any allegedly negligent omissions by Franchisee or any Outlet Licensee or Sales Representative of Franchisee or any of their employees, agents or representatives, or (D) the relationship between Company and Franchisee. The terms of this Section will survive the termination, expiration or transfer of this Agreement or any interest herein.

18. Confidentiality.

A. In connection with this Agreement, Company has and may hereafter furnish to Franchisee certain Confidential Information. Furthermore, Franchisee, in connection herewith, may develop certain information that constitutes Confidential Information. Franchisee shall keep secret and retain in strictest confidence, and shall not use except in connection with the operation of the Franchised Business in accordance with this Agreement, all Confidential Information. Franchisee shall not disclose either during or after the Term of this Agreement, except as may be required by law, any Confidential Information to anyone other than those employees, agents and representatives of Franchisee or any Outlet Licensee (each of whom shall be bound as well by the provisions of this Section and for whom Franchisee shall be liable for any violations) which require such information in order to fulfill the requirements of their employment, agency or representation. Upon expiration or termination of this Agreement, all Confidential Information shall be promptly transmitted by Franchisee to Company or disposed of as instructed by Company in writing.

B. If Franchisee develops any new concept, product, process or improvement in the operation or promotion of the Franchised Business (including, without limitation, computer software enhancements; sales, lead generation, recruiting or training techniques; or advertising and

Notwithstanding the foregoing, the forum for all arbitration proceedings shall be in Dallas, Texas. For all franchises in the State of Minnesota, Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit Company from requiring litigation to be conducted outside Minnesota. In addition, nothing contained in this Agreement can abrogate or reduce any of Franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or Franchisee's rights to any procedure, forum, or remedies provided for by the laws of Minnesota.

marketing materials), Franchisee is required to promptly notify Company and provide Company with all necessary related information, without compensation. Franchisee acknowledges that any such concept, process or improvement will become the property of Company and constitute Confidential Information, and Company may use or disclose such information in its discretion, including to other franchisees or developers.

C. This Section 19 shall survive the expiration or termination of this Agreement. No claim Franchisee may have against Company, whether or not arising from this Agreement, shall constitute a defense to the enforcement by Company of the covenants provided for in this Section. Franchisee acknowledges that a violation of the terms of this Section would result in irreparable injury to Company for which no adequate remedy at law may be available, and, notwithstanding any general requirement to arbitrate disputes, Franchisee accordingly consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the terms of this Section without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or other security. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Company in connection with the enforcement of this Section 19, including payment of all expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Section.

D. For breach of the covenants in this Section 19, which are made in consideration of the specialized training and Confidential Information described above, and due to the difficulty of establishing the precise amount of damages for breach of these covenants, in addition to the other remedies provided for in this Agreement or otherwise available to Company, Franchisee and Franchisee's principals who committed such breach jointly and severally agree to pay Company the amount of Five Thousand Dollars (\$5,000) per occurrence.¹⁰ The parties agree that the foregoing amount is a reasonable estimation of the damages that would be incurred by Company for breach of the covenants provided for in this Section.

19. Assignment. Franchisee shall not directly or indirectly Transfer or assign, nor attempt to Transfer or assign, this Agreement, or any right or obligation hereunder, without the prior written consent of Company; provided, that a principal or equity holder in Franchisee may be permitted to transfer an interest in Franchisee pursuant to the provisions set forth in Addendum C attached hereto. Company shall be permitted to assign this Agreement at any time and from time to time; provided, however, no such assignment will be made by Company except to an assignee who, in Company's good faith judgment, is willing and able to assume Company's obligations under this Agreement.

20. Notice. All notices required hereunder shall be in writing and shall be deemed sufficiently given for all purposes hereunder if (A) delivered personally or by United States certified mail, return receipt requested, (B) sent by documented, overnight delivery service, or, (C) to the extent receipt is confirmed, telecopy, facsimile or other electronic transmission service to the appropriate address or facsimile number set forth below:

21. Miscellaneous.

A. This Agreement, together with the Manuals (as modified, altered, amended and supplemented from time to time) constitutes the entire Agreement and understanding of the parties and supersedes any and all previous discussions, negotiations, representations, understandings, undertakings and agreements (including previous Franchise Agreements or licenses) between Company and Franchisee, all of which are hereby deemed integrated herein, none of which may be used to vary, interpret or construe this Agreement, which constitutes the sole and entire contract between Franchisee and Company. No change, amendment or modification of this Agreement, or waiver of any of its provisions, shall be effective unless made in writing and signed by both parties. For purposes of the foregoing, only Company's Chairman, President, Chief Executive Officer and Chief Operating Officer shall have the authority to act for Company. Nothing in this Agreement is intended to disclaim the express representations made by the Company in the Franchise Disclosure Document.

B. The failure of either party at any time to require performance by the other of any provision of this Agreement shall in no way affect the full right to require such performance at any time thereafter, nor shall the waiver by either party of a breach of any provision of this Agreement constitute a waiver of any succeeding breach of the same or any other such provision nor constitute a waiver of the provision itself.

C. The section headings of this Agreement are for purposes of reference only and shall not be referred to in interpreting its provisions. Except as expressly provided to the contrary herein, each portion of this Agreement will be considered severable; and if, for any reason, any portion is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, this will not affect the other portions of this Agreement that may remain otherwise intelligible. Any reference herein to a “person” hereunder shall mean a “person” or “entity” as the context requires. Any pronoun used herein is for reference only and may refer to the male, female or neutral as the context requires.

D. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person other than Franchisee, Company, Company’s Affiliates and officers, directors and personnel of Company and Company’s Affiliates and all successors and assigns thereof, any rights or remedies under or as a result of this Agreement.

E. Without limiting the obligations individually undertaken by Franchisee’s principals under this Agreement, all acknowledgments, promises, covenants, agreements and obligations made or undertaken by Franchisee in this Agreement will be deemed, jointly and severally, undertaken by all of Franchisee’s principals.

F. Neither party shall be liable to the other party or any other person for any failure or delay in the performance of any obligations under this Agreement due to events beyond its reasonable control, including, but not limited to, fire, storm, flood, earthquake, explosion, accident, acts of the public enemy, sabotage, strikes, lockouts, labor disputes, work stoppages, transportation embargoes or delays, failure or shortage of materials, supplies or machinery, acts of God, epidemics, pandemics, public health emergencies, acts or regulations or priorities of the federal, state or local government or/and agencies thereof. If any such event occurs, the time for performance hereunder shall be appropriately extended.

G. This Agreement does not create a fiduciary relationship between the parties. Franchisee is, and will at all times be, an independent contractor, and nothing in this Agreement is intended to constitute either party an agent, legal representative, Affiliate, joint venturer, partner, employee, joint employer or servant of the other for any purpose. Company is not, and nothing in this Agreement or the Manuals is intended to make, Company the employer or joint- employer of Franchisee’s employees. Except as expressly contained herein, nothing in this Agreement authorizes Franchisee, or any of Franchisee’s principals to make any contract, agreement, warranty or representation on behalf of Company, or to incur any debt or other obligation in Company’s name.

H. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and together shall constitute one and the same instrument.

23. Immunity for Certain Limited Disclosures. Notwithstanding anything in this Agreement to the contrary, Franchisee and Franchisee’s principals, may, in accordance with any applicable law including the federal Defend Trade Secrets Act, disclose Confidential Information, including Company’s trade secrets, (a) in confidence, to federal, state, or local government officials, or to an attorney of Franchisee, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure. 24. Business Judgment. Whenever Company reserves or is deemed to have reserved rights in a particular area, or where Company agrees or is deemed to be required to exercise its rights reasonably or in good faith, Company will satisfy its obligations whenever it exercises reasonable business judgment in making a decision or exercising a right. A decision or action by Company will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if Company’s decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of Company. If Franchisee or any principal of Franchisee wishes to cause or effectuate a Transfer, the transferor and the proposed transferee must apply to Company for Company's consent not later than sixty (60) days prior to the anticipated closing date of the Transfer. Franchisee will pay, at the time of the request for Transfer, a Transfer Fee as described in Schedule 3 to reimburse Company for Company's reasonable expenses associated with reviewing the application to Transfer. The transferee will (as Company directs): (i) execute, for a term ending on the expiration date of this Agreement and with such renewal term as may be provided by this Agreement, the standard form franchise agreement then being offered to new system franchisees and other ancillary agreements as Company may require for the Franchised Business, which agreements will supersede this Agreement and Attachments in all respects and the terms of which agreements may differ from the terms of this Agreement, provided, however, that the transferee will not be required to pay any Initial Franchise Fee; or (ii) enter into a written agreement, in a form satisfactory to Company, assuming full, unconditional, joint and several liability for, and agreeing to perform from the date of the Transfer, all obligations, covenants and agreements contained in this Agreement and Attachments; and, if transferee is a business entity, transferee's shareholders, partners, members or other investors, as applicable, will execute such agreement as transferee's principals and guarantee the performance of all such obligations, covenants and agreements; and transferee will provide to Company any other evidence deemed necessary by Company to determine that the terms of the agreements described above have been or will be satisfied and are true and correct on the date of Transfer; the transferor will remain liable for all of the obligations to Company in connection with the Franchised Business incurred prior to the effective date of the Transfer and will execute any and all instruments Company reasonably requests to evidence such liability;

C. Upon Franchisee (if a natural person) or any Franchisee's principal's death, the executor, administrator or other personal representative of the deceased individual must Transfer

such interest to a third party consented to by Company within twelve (12) months after the death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the deceased individual, then the distributee of such interest must be consented to by Company. If the distributee is not consented to by Company, then the distributee must Transfer such interest to a third party consented to by Company within twelve (12) months after the death of the deceased individual.

D. Upon the permanent disability of Franchisee (if a natural person) or any principal of Franchisee, Company may, at Company's sole option, require the interest of such individual to be transferred to a third party in accordance with the conditions described in this Addendum within six (6) months after notice to Franchisee. Permanent disability will be determined by a licensed practicing physician Company selects, upon examination of the person; or if the person refuses to submit to an examination, then such person automatically will be deemed permanently disabled as of the date of such refusal for the purpose of this Addendum.

E. Upon the death or claim of permanent disability of Franchisee or any principal of Franchisee, Franchisee or a representative of Franchisee must promptly notify Company of such death or claim of Permanent disability within fifteen (15) days of its occurrence. Any Transfer upon death or permanent disability will be subject to the same terms and conditions as described in this Addendum for any other Transfer.

F. Company's consent to a Transfer of any interest described herein will not constitute a waiver of any of Company's rights under this Agreement.

FORM OF LEASE RIDER

THIS LEASE RIDER (this "Lease Rider") is attached to and made a part of that certain Lease Agreement dated [DATE OF LEASE], by and between [NAME OF TENANT] ("Tenant") and [NAME OF LANDLORD] ("Landlord"), effective this [EFFECTIVE DATE].

RECITALS:

A. Aerus Franchising, LLC ("Company") and Tenant are parties to a certain Franchise Agreement (the "Franchise Agreement").

B. Tenant and Landlord desire to enter into a lease (the "Lease") pursuant to which Tenant will occupy the premises located at [ADDRESS OF PREMISES] (the "Premises") for the purpose of operating a business which offers and sells cleaning, purification, health improvement and other consumer products (including accessories, attachments and parts) and services (the "Business") using or bearing the trade name, trademark or service mark "Aerus", "Lux", "Electrolux" or certain other indicia owned or licensed by Company (the "Proprietary Marks") pursuant to the Franchise Agreement.

C. As a condition to receiving consent by Company to enter into the Lease, Tenant is required to cause this Lease Rider to be executed and made a part of the Lease.

AGREEMENT:

NOW, THEREFORE, for and in consideration of the foregoing premises and the promises set forth below and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged and confirmed, the parties agree as follows:

1. During the term of the Franchise Agreement, the Premises shall be used only for the operation of the Business.

2. Landlord consents to Tenant's use of the Proprietary Marks. Landlord acknowledges that the Proprietary Marks and all right thereto or therein are the sole and exclusive property of Company and that all signs and displays bearing any of the Proprietary Marks placed in or on the Premises shall remain personal property and shall not become fixtures or otherwise part of the real property. Landlord shall not claim any rights in or to the Proprietary Marks and will not restrict or limit Company's, or any of Company's affiliates', rights with respect to the Proprietary Marks.

3. Landlord agrees to furnish Company with copies of any and all letters and notices sent to Tenant pertaining to the Lease and the Premises at the same time, and in the same manner, that such letters and notices are sent to Tenant. The address for such letters and notices shall be 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254, Attention: Real Estate Department, with a copy to 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254, Attention: Legal Department - Notices, or at such other address as Company shall designate in writing.

4. Company (or any designee of Company) shall have the right to enter the Premises to make any modification or alteration necessary with respect to the Proprietary Marks or to cure any default under the Franchise Agreement or any other agreement entered into between Tenant and Company or any of Company's affiliates or under the Lease, including removal of any signs, displays or graphics bearing the Proprietary Marks without being guilty of trespass or any other crime or tort, and Landlord shall not be responsible for any expense or damages arising from Company's action in connection therewith.

5. In the event of Tenant's default under the terms of the Lease, Company may, but is not required to, cure the default and may assume the lease in Company's name. If Company elects to cure the default and assume the Lease, Company shall, within thirty (30) days after Company receives notice of the default, notify Landlord of its intent to cure such default and to assume the Lease. Company shall cure the default within thirty (30) days of such election or, if the default cannot be reasonably cured within such thirty (30) day period, then Company shall commence and proceed to cure the default within such time as is reasonably necessary to cure the default. If Company elects to assume the Lease, Landlord agrees to recognize Company as the Tenant under the Lease, and Tenant shall no longer have any rights thereunder.

6. Tenant shall be permitted to assign the Lease to Company or any of Company's affiliates upon the expiration or termination of the Franchise Agreement and Landlord hereby consents to such assignment and agrees not to impose or assess any assignment fee or similar charge or accelerate rent under the Lease in connection with such assignment, or require Company to pay any past due rent or other financial obligation of Tenant to Landlord, it being understood that Landlord shall look solely to Tenant for any rents or other financial obligations owed to Landlord prior to such assignment. Landlord and Tenant acknowledge that Company is not a party to the Lease and shall have no liability under the Lease, unless and until the Lease is assigned to, or assumed by, Company.

7. In the event the Franchise Agreement is terminated by Company, Company shall promptly notify Landlord. Landlord acknowledges that, upon such termination, Company may elect under the Franchise Agreement to assume control of the Business and take possession of the Premises. Upon notice from Company of such termination and election, Landlord shall cooperate with Company in assuming possession of the Premises. Such possession shall not constitute a trespass or any other civic or tort, and Landlord shall not be responsible for any expenses or damages arising from Company's action in connection therewith.

8. Notwithstanding anything contained in this Lease, in the event Company becomes the tenant under the Lease, Company is expressly authorized, without the consent of the Landlord, to assign or sublet the Leased Premises to any authorized distributor, franchisee or affiliate of Company, provided such assignment or subletting is specifically subject to the terms of the Lease. Company may also assign the Lease to a financial institution for collateral purposes in connection with any financing transaction.

9. Tenant and Landlord shall not assign the Lease or renew, extend, or cancel the term thereof without the prior written consent of Company.

10. Landlord and Tenant shall not amend or otherwise modify the Lease in any manner that could materially affect any of the foregoing requirements without the prior written consent of Company.

11. The terms of this Lease Rider will supersede any conflicting terms of the Lease.

12. The terms and conditions of this Lease Rider shall be attached and incorporated in the Lease for all purposes thereunder.

13. This Lease Rider has been prepared, and is being executed, for the benefit of Company, and Company shall be a third-party beneficiary for all purposes hereunder. Company shall be entitled to receive the benefit of, and shall be permitted to enforce, any and all provisions hereof together with, or independent of, Tenant.

14. Facsimile signed copies of this Lease Rider shall serve as an original signed Lease Rider until such time that the original Lease Rider has been fully executed and delivered to all parties. In the event that an original signed Lease Rider is not delivered to all parties, the facsimile signed Lease Rider shall remain fully binding and effective for all purposes.

FORM OF SOFTWARE LICENSE AGREEMENT

THIS SOFTWARE LICENSE AGREEMENT (this “Software License”), is being entered into simultaneously with that certain Franchise Agreement (the “Franchise Agreement”) dated of even date herewith (the “Effective Date”) by and between Aerus Franchising, LLC, a Delaware limited liability company, having offices at 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254 (“Licensor”) and the individual or entity executing this Agreement as Licensee (“Licensee”). All capitalized terms used herein that are not otherwise defined have the meanings assigned to such terms in the Franchise Agreement.

WITNESSETH:

WHEREAS, in connection with Licensee’s execution of the Franchise Agreement and the software licenses provided for therein, Licensor and Licensee desire to execute this Software License in order to evidence the specific terms and conditions of such license;

NOW, THEREFORE, for and in consideration of the premises and promises set forth herein and in the Franchise Agreement, and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, Licensor and Licensee agree as follows:

1. Licensor hereby grants to Licensee a nonexclusive, nonassignable license to use the computer programs (including all revisions, modifications and enhancements thereto), in object code form (the “Software”), together with their related user and operating documentation, if any (the “Documentation”) from time to time made available to Licensee under the Franchise Agreement. Licensee must provide, at Licensee’s sole expense, the hardware, software and Internet or telecommunication connections meeting or exceeding the minimum operating specifications for the Software, as Licensor determines from time to time.

2. Licensee must use the Software and the Documentation only in the operation of Licensee’s Franchised Business at the Approved Locations. Licensee may not modify, copy, translate, or reproduce in any form all or any part of the Software or the Documentation without Licensor’s prior written consent, and in such event solely to the extent required for use of the Software and the Documentation in the operation of Licensee’s Franchised Business. Any copies made under Licensor’s direction must include any proprietary notices Licensor may request, including the statement “Copyright © AERUS FRANCHISING, LLC.” Licensee must not make the Software or any Documentation available to any party except as described herein. Licensee must not, nor will Licensee allow any third party to, reverse engineer, decompile or otherwise recreate the Software or to reproduce or disclose any portion of the Documentation.

3. As between Licensor and Licensee, all copies of the Software and the Documentation, including any produced by Licensee with Licensor’s consent, are and will remain Licensor’s sole and exclusive property during and after the term of this Software License. Licensee acknowledges and agrees that Licensor may secure all or any part of the Software or the Documentation from Licensor’s Affiliates and/or other third party licensors. Licensee agrees to

execute and deliver to Licensor any further contracts, agreements, reports and/or other documents Licensor requires.

4. Licensee understands and acknowledges that the Software and the Documentation contains Licensor's trade secrets and agrees, during the term of this Software License and thereafter, not to communicate, divulge or use the Software or the Documentation other than in the operation of Licensee's Franchised Business by Licensee and Licensee's employees. Licensee may divulge and allow access to the Software and the Documentation only to Licensee's employees who must have access in connection with their employment in Licensee's Franchised Business. At Licensor's request, Licensee will require and obtain execution of covenants concerning the confidentiality of the Software and the Documentation from any persons Licensee employs who have access to the Software. The grant of the licenses hereunder and the carrying out of the transactions contemplated hereby will not be deemed publication by either party of all or any portion of the Software.

5. Licensee must exercise reasonable precautions, no less rigorous than those Licensee uses to protect Licensee's own Confidential Information, to protect the confidentiality of the Software and the Documentation including, at a minimum, giving instructions to Licensee's employees that the Software and the Documentation are the proprietary information or Licensor and Licensor's trade secrets. Licensee must not remove or alter any designations (including copyright notices) that Licensor or Licensor's licensors have included in the Software, on the distribution media, and/or on the Documentation that indicate such material is the proprietary property of Licensor or such other licensors.

6. Licensee agrees to notify Licensor immediately upon becoming aware (or acquiring a reasonable basis for suspicion) of the existence of any unauthorized knowledge, possession or use of the Software, the Documentation or of any part thereof.

7. Licensee acknowledges and agrees that the Software and the Documentation are the valuable property and trade secrets of Licensor and/or Licensor's licensors, that any violation by Licensee of the provisions of this Software License would cause Licensor or Licensor's licensors irreparable injury for which they would have no adequate remedy at law, and that, in addition to any other remedies which Licensor may have, it will be entitled to preliminary and other injunctive relief against any such violation.

8. The term of this Software License will be co-extensive with the term of the Franchise Agreement, including any renewal of the term of the Franchise Agreement.

9. Expiration or termination of the Franchise Agreement for whatever reason will automatically terminate this Software License and the right granted by it to use the Software, without notice to Licensee. If Licensor's license to any portion of the Software secured from any third party should terminate, then this Software License will automatically terminate as to such portion of the Software, and Licensee will comply with the provisions of Paragraph 10 in connection with such portion of the Software. In addition, Licensor may terminate this Software License upon the failure by Licensee to comply with any of the terms and conditions herein, by giving Licensee written notice of termination stating the nature of the breach at least thirty (30) days prior to the effective date of termination; provided that Licensee may avoid termination by

immediately initiating a remedy to cure such default and curing it to Licensor's satisfaction within the thirty (30) day period and by promptly providing proof thereof to Licensor. If any such default is not cured within that time, or such longer period as applicable law may require, this Software License will terminate without further notice to Licensee effective immediately upon expiration of the thirty (30) day period or such longer period as applicable law may require. Paragraphs 3, 4, 5, 6, 7, 10 and 12 through 20 of this Software License will survive termination, cancellation or expiration of the Franchise Agreement and this Software License.

10. Upon the expiration or termination of this Software License, Licensee must immediately deliver to Licensor all copies of the Software and the Documentation then in Licensee's possession or control and erase the Software from Licensee's computer system, and must immediately cease to use the Software and the Documentation.

11. Licensor will replace without charge the distribution media (*e.g.*, CD-ROM) containing the Software provided under this Software License if such media contains defects in materials and workmanship that are not caused by Licensee's misuse or negligence. As a substitute for such distribution media, Licensor may grant Licensee online access to a directory from which the Software may be downloaded using the Internet or other online communication method, or Licensee shall grant Licensor remote or in-person access to its hardware in order to permit Licensor to install the Software, whichever Licensor shall designate. The foregoing describes Licensor's sole and exclusive warranty, and Licensee's sole and exclusive remedy, regarding the distribution media and the Software.

12. EXCEPT FOR THE LIMITED WARRANTY DESCRIBED ABOVE, THERE ARE NO WARRANTIES GRANTED TO LICENSEE OR ANY OTHER PERSON OR ENTITY FOR THE SOFTWARE, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT; ALL SUCH WARRANTIES ARE EXPRESSLY AND SPECIFICALLY DISCLAIMED. THE SOFTWARE AND DOCUMENTATION IS PROVIDED TO LICENSEE "AS-IS" WITHOUT ADDITIONAL WARRANTY OF ANY KIND. LICENSOR DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE.

13. LICENSEE IS SOLELY RESPONSIBLE FOR DETERMINING LICENSEE'S DESIRED RESULTS FROM THE USE OF THE SOFTWARE, FOR EVALUATING THE SOFTWARE'S CAPABILITIES AND FOR SUCCESSFULLY OPERATING THE SOFTWARE. IN NO EVENT WILL LICENSOR BE RESPONSIBLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, OR FOR LOST DATA OR LOST PROFITS TO LICENSEE OR ANY OTHER PERSON OR ENTITY, WHETHER OR NOT DUE TO OUR NEGLIGENCE, ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE OCCURRING. IN THE EVENT THAT ANY OTHER TERM OF THIS SOFTWARE LICENSE IS FOUND OR DETERMINED TO BE UNCONSCIONABLE OR UNENFORCEABLE FOR ANY REASON, THE FOREGOING PROVISION OF WAIVER

BY AGREEMENT OF DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES OR FOR LOST DATA OR LOST PROFITS WILL CONTINUE IN FULL FORCE AND EFFECT. WITHOUT LIMITING THE FOREGOING, IN NO EVENT WILL LICENSOR BE LIABLE TO LICENSEE FOR DAMAGES (DIRECT OR OTHERWISE) UNDER THIS AGREEMENT IN EXCESS OF THE INITIAL FRANCHISE FEE PAID BY LICENSEE TO LICENSOR, EVEN IF LICENSOR HAS BEEN NOTIFIED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED WARRANTY. THESE DISCLAIMERS OF WARRANTY AND LIMITATIONS OF LIABILITY CONSTITUTE AN ESSENTIAL PART OF THIS AGREEMENT.

14. **THIS SOFTWARE LICENSE WILL BE GOVERNED BY AND CONSTRUED UNDER THE LAWS OF TEXAS (EXCEPT FOR TEXAS CHOICE OF LAW RULES).** Licensee specifically acknowledges that the Software and the Documentation may be subject to United States and other country export control laws. Licensee must comply strictly with all requirements of all applicable export control laws and regulations with respect to all of the Software and the Documentation.

15. If any provision herein is declared to be void or unenforceable by a court of competent jurisdiction, such declaration will have no effect on the other provisions of this Software License, which will remain in effect and fully enforceable.

16. Licensee agrees to pay any sales, use, ad valorem, personal property and general intangibles tax and any registration fees arising out of this Software License and the transactions contemplated herein, except for any taxes imposed upon Licensor's gross income.

17. Licensee is solely responsible for all hardware, operating systems, and other software and peripherals required to make the Software operate as intended, including all costs and expenses related to a personal computer and a compatible operating system. If the operation of the Software requires an Internet, dial-up, VPN, T1 or other connection to a remote computer Licensor designates or approves, Licensee will be responsible for all hardware, software and telecommunication charges and expenses in connection therewith.

All capitalized terms used herein that are not otherwise defined have the meanings given such terms in the Franchise Agreement.

WITNESSETH:

WHEREAS, Consignee and Company have entered into the Franchise Agreement , which agreement governs the operations by Consignee of a franchised business engaged in, among other things, the sale of certain consigned products and other related products and services as permitted by, and more particularly described in, the Franchise Agreement;

This is intended to be a true consignment and Company shall at all times retain the full legal and equitable title to the Consigned Products. This Agreement is entered into as a precautionary measure to insure that Company’s rights to the Consigned Products shall be first and prior to all other creditors of Consignee under all circumstances.

2. Security Interest. To secure the due and punctual payment of all amounts due to Company for the proceeds arising from the sale or return to Company of the Consigned Products, Consignee hereby agrees that Company shall have, and hereby grants to and creates in favor of Company, a security interest in and to the Consigned Products and all proceeds thereof, as more fully-described on the Schedule of Collateral attached hereto (the “Collateral”). Consignee shall pay the cost of filing or recording this Agreement and any related financing statement in all public offices and the cost of all searches of records, wherever filing or recording or searching of records is deemed by Company to be necessary. At the request of Company, Consignee shall, from time to time, execute additional or supplemental documents and agreements to confirm Company’s security interest in the Collateral.

3. Covenants of Consignee. Without limitation of the obligations of Consignee to Company contained in any other agreement, Consignee hereby agrees that at all times that it shall:

(a) keep the Consigned Products separate and apart from any other goods or assets of Consignee or others and clearly mark at all times in its books and records that the Consigned Products are the property of Company;

(b) sell the Consigned Products only in the ordinary course of business of Consignee pursuant to the Franchise Agreement and any other instructions of Company, at the prices set by Company, and providing only the manufacturer's warranties given with the Consigned Products;

(c) all proceeds generated from the Consigned Products are the property of Company and shall be paid into the bank account designated by Consignee as being a trust account for the benefit solely of Company. If Company so requests, Consignee shall grant Company signing authority on such bank account. Consignee agrees that all Proceeds shall be held by it in trust solely for the benefit of Company; and

(d) Consignee shall at all times carry insurance over the Consigned Products against all risks for the full replacement value with Company named as loss payee and co-insured. Consignee shall deliver a copy of such policy to Company upon execution of this Agreement and such policy shall contain a so-called mortgagee clause giving Company at least 30 days' notice in advance of any cancellation of such coverage.

4. Event of Default; Termination. This Agreement may be terminated by Company for any reason upon thirty days prior written notice, however, the security interest in the Collateral shall survive until payment in full has been made for products consigned from Company. In addition, the following shall be "Events of Default" under this Agreement: (a) Consignee shall default under this Agreement or fail to perform or observe any of the agreements or covenants set forth in this Agreement or fail to pay when due any invoice or invoices covering products subject to this Agreement; (b) Consignee shall be declared to be in default under any material contract, agreement, or instrument to which Consignee is a party with Company or Aerus Franchising, or either of their affiliates or assigns, including without limitation the Franchise Agreement and documents incidental or related thereto, and such default shall continue beyond any applicable cure period; (c) Consignee shall sell, remove, or attempt to sell, remove, or assign Collateral not in the ordinary course of business; (d) any creditor of Consignee shall obtain possession of any Collateral by means including, without limitation, levy, distraint, replevin or self-help.

Upon the occurrence of any Event of Default and without notice, Company may immediately accelerate the maturity of any debt hereunder and Company may proceed to protect and enforce its rights either by suit in equity and/or by action at law or proceed to obtain judgment or any other relief whatsoever appropriate to the action or proceeding. In addition, Company may immediately, without demand of performance and without other notice to Consignee (all of which are hereby expressly waived): (a) repossess the Collateral at its location; (b) without advertisement, sell at public or private sale or otherwise realize upon the whole or, from time to time, any part of the Collateral, or any interest which Consignee may have therein; (c) to the full extent permitted by applicable law, enter any premises where the Collateral is located and take possession and control of the same and to keep and store the Collateral on such premises or operate the business wherein the Collateral is located; or (d) Company shall have the right of set-off as against any or all amounts owing to Consignee by Company. All rights and remedies given by this Agreement are cumulative and not exclusive of any thereof or of any other rights or remedies

available to Company, and no course of dealing between the parties shall operate as a waiver of such rights or remedies. Consignee shall, on demand, reimburse Company for all expenses, including the reasonable fees and expenses of legal counsel for Company, incurred by Company in connection with the enforcement of this Agreement.

5. Governing Law. This Note shall be governed by and construed in accordance with the laws of the State of Texas, the law of which shall prevail in the event of any conflict of law.

6. Forum Selection. The undersigned agree that any action brought by undersigned against holder in any court, whether federal or state, shall be brought only within the State of Texas in the judicial district in which Company has its principal place of business; and the parties waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision. The undersigned also agree that the Company may, in its sole discretion, bring any action against the undersigned in any court, whether federal or state, within either (a) the State of Texas; or (b) in any jurisdiction in which the undersigned resides or owns property. If the Company brings an action against undersigned in any state or federal court located within the State of Texas in the judicial district in which Company has its principal place of business, undersigned accepts generally and unconditionally the jurisdiction and venue of the aforesaid courts and waives any defense of forum non conveniens.

7. Waiver of Jury Trial. Company and undersigned agree that in any litigation, suit, action, counterclaim, or proceeding, whether at law or in equity, which arises out of, concerns, or relates to this Agreement, any and all transactions contemplated hereunder, the performance of this Agreement, or otherwise, trial shall be to a court of competent jurisdiction and not to a jury. Company and undersigned hereby irrevocably waive any right either party may have to a trial by jury. Either Company or undersigned may file an original counterpart or a copy of this Agreement with any court as written evidence of the consent of Company or undersigned of the waiver of their right to trial by jury.

8. Partial Invalidity. If any terms, covenants, or conditions of this Agreement shall be invalid or unenforceable, the remainder of this Agreement shall nevertheless survive and be binding upon the parties hereto.

9. Notice. Any notice required to be given or which Company shall give to Consignee hereunder may be given by Company to Consignee in person, by overnight mail delivery, or by United States certified mail addressed to Consignee at the address appearing by Consignee's signature below.

10. Counterpart Execution. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which shall be considered one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Consigned Products Security Agreement as of the dates set forth with their signatures below to be effective as of the ____ day of _____, 20__.

The Proprietary Products bear or are identified by the trade name, trademark or service mark “Beyond”, “Beyond by Aerus”, “Aerus”, “Lux”, “Electrolux” or certain other indicia owned, licensed or otherwise contracted for by Company (the “Proprietary Marks”) and are marketed, distributed and sold through (among other channels) a network of independent franchisees, operating from permitted fixed locations, and their permitted distributors, licensees and sales representatives, who each assume responsibility for their own marketing, promotion, sales and distribution of the Proprietary Products, directly or indirectly, to the end-user, consuming public.

B. Company and its Affiliates have developed a distinctive and proprietary system (the “Proprietary System”) for establishing and operating businesses that offer and sell the Proprietary Products. The distinguishing characteristics of the Proprietary System include, among other things: identification by the Proprietary Marks; distinctive exterior and interior design, décor, color scheme and furnishings, fixtures and other trade dress elements; proprietary products; standards, specifications, policies and procedures for construction, management and operations; quality, distinctiveness and uniformity of products and services; standards, specifications, procedures and automated, software driven administrative systems for customer, lead, inventory, sales and financial management and control; sales, recruiting and lead generation programs; training and assistance; and advertising and promotional programs all as are more particularly described and designated in the Manuals and all of which we may change, improve, and further develop at Company’s sole option from time to time.

C. Company grants to third parties the license and right to operate under one (1) of two (2) franchise programs, known as (i) the standard franchise program (the “Standard Program”), and (ii) the associate franchise program (the “Associate Program”); both of which offer

and sell certain of the Proprietary Products as determined from time to time by Company, are identified by certain of the Proprietary Marks as determined from time to time by Company, and use certain elements of the Proprietary System as determined from time to time by Company. The Company also grants to qualified franchisees operating under the Standard Program and Associate Program a right to sell “Beyond Products” which rights are granted solely pursuant to an addendum to their respective franchise agreement (the “Beyond Addendum”). For purposes of this Agreement, unless otherwise indicated herein, “Products” shall mean those Products determined by Company from time to time as applicable to the Associate Program “Beyond Products” shall mean those Proprietary Products determined by Company from time to time applicable to those franchisees who sign a Beyond Addendum and that are marketed, distributed and sold under the “Beyond” or “Beyond by Aerus” trademarks. “Marks” shall mean those Proprietary Marks determined by Company from time to time as applicable to the Associate Program, and “System” shall mean those elements of the Proprietary System determined by Company from time to time as applicable to the Associate Program.

Company desires to grant to Franchisee, and Franchisee desires to receive and accept from Company, a license and franchise to operate an Aerus Business under the Associate Program at or from the Approved Location in accordance with the System (the “Franchised Business”), pursuant and subject to the terms, conditions and provisions of this Agreement.

A G R E E M E N T

NOW, THEREFORE, for and in consideration of the foregoing premises and the promises set forth below and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged and confirmed, the parties agree as follows:

1. Grant of Franchise Rights.

A. Company hereby grants to Franchisee the right and license, and Franchisee hereby accepts the right and obligation, to establish and operate the Franchised Business (under the Associate Program) upon and subject to the terms, conditions and provisions of this Agreement. Franchisee agrees and acknowledges that Franchisee shall have the right to offer and sell the Products only to Approved Customers within the area identified as the Area of Responsibility in Schedule 1, attached hereto (the “Area of Responsibility”), all in accordance with the terms, conditions and provisions of this Agreement and the Manuals, including the Policies and Procedures. Except as otherwise provided herein, such offers and sales may only be made through the Approved Location or from in-home or in-person demonstrations conducted within the Area of Responsibility. Nothing herein shall be construed to grant the right to Franchisee to offer and sell the Beyond Products.

B. Subject to Company’s prior approval, the Franchised Business shall be identified and operated by Franchisee only under the assumed name (the “Approved Name”) “Aerus”

(including such qualifiers and descriptions as may be set or approved by Company from time to time so as to geographically or otherwise distinguish one franchise from another), including the hanging of an approved exterior sign bearing such trade name; provided, that Company shall be permitted at any time and from time to time after the date of this Agreement, upon written notice, to alter or change the assumed name under which the Franchised Business shall be identified and operated. Franchisee shall, at its expense, make all county and state assumed name filings required by law (including any filings made necessary by a change in required trade names pursuant hereto) and provide evidence of such filing to Company.

C. The Franchised Business shall be operated from the Approved Location and from no other physical location, except as may be permitted by Company in writing at its sole option. Franchisee shall cause any premises lease covering the Approved Location to include a lease rider in a form substantially similar to the form attached hereto as Exhibit I.

D. Intentionally Omitted.

E. Franchisee shall be permitted, at its own cost and expense, to hire and retain such employees, consultants and agents as Franchisee may deem necessary in establishing and operating the Franchised Business. Additionally, Franchisee shall be permitted to employ or engage, on forms reasonably acceptable to Company and which grant no greater rights and retain at least the same restrictions and limitations as this Agreement, Sales Representatives who shall operate in accordance with this Agreement and the Manuals, including the Policies and Procedures. Franchisee shall have sole authority and discretion regarding all employment matters, including without limitation, hiring, firing, discipline, compensation, benefits and scheduling. Notwithstanding the generality of the foregoing, Company may from time to time set minimum staffing requirements and hours of operation for Approved Locations in the Manuals.

F. Except as provided in this Agreement, Company will not establish, permit or authorize any person or entity other than Franchisee to establish a physical location for the operation of any Aerus Business under any of the four Programs listed in Recital C within the area identified as the Protected Area in Schedule 1, attached hereto (the "Protected Area").

G. Notwithstanding anything herein to the contrary, without Company's prior written approval, Franchisee shall not (1) conduct the Franchised Business under any actual or assumed name other than the Approved Name, (2) sell to any person or entity that is not an Approved Customer, (3) advertise, market or solicit sales outside of the Area of Responsibility, (4) sell to any person not residing within the Area of Responsibility, (5) conduct any aspect of the Franchised Business by, through, over or on the internet or world wide web, including without limitation, advertising, marketing and solicitation, unless or until Company establishes a Company sponsored program for such conduct by Franchisees and, then, only as part of and in accordance with such program, (6) use any trade name, trademark or service mark in connection with the Franchised Business other than the Marks (and then only in strict accordance with the terms and conditions of this Agreement, the Policies and Procedures, the Manuals and any specific guidelines imposed by Company), (7) advertise or sell any product or service from the Approved Location or through the Franchised Business bearing any trade name, trademark or service mark other than the Marks, (8) sell any product or service that is not a Product, or (9) permit any Product to be sold from any

physical location other than the Approved Location, by any Person other than an authorized representative of Franchisee or in a manner otherwise inconsistent with the System.

H. Notwithstanding the foregoing and without limiting the generality of the provisions contained in this Section, Franchisee acknowledges that Company and its Affiliates and existing franchisees, distributors and licensees operate existing businesses and systems, and may in the future establish and operate new businesses and systems, including Aerus Businesses, under the same and other assumed names, trade names and trademarks as the Marks, which businesses and systems may offer or sell products and services similar or identical to the Products, and may do so (or grant licenses or franchises for third-parties to do so) within any part of the Area of Responsibility (except as limited by the rights granted hereunder). The right granted under this Agreement is only for the operation of the Franchised Business in accordance with this Agreement. Franchisee is granted no rights of any kind in and to any other business or system that may now or hereafter be owned, operated or licensed by Company or any of its Affiliates. Company and Company's Affiliates retain all rights not expressly granted herein. Company reserves the right to provide new products and services under the System, and to require or permit new products and services to be provided, marketed, promoted, distributed or sold hereunder by Franchisee through the Franchised Business, and may, in connection therewith, without limitation (1) require Franchisee to execute an additional or supplemental agreement and (2) require the payment of a royalty.

I. If not an existing Aerus Business, Franchisee shall open the Franchised Business at the Approved Location not later than the Opening Date. Company will identify any modifications or improvements to the premises of the Franchised Business, if any, which Franchisee shall make, at Franchisee's expense, prior to the Opening Date, or within such time period ending after the Opening Date as Company may designate in writing.

2. Term. Unless sooner terminated as provided herein, the duration of the initial term (the "Initial Term") and the renewal term (the "Renewal Term") will be as stated in Schedule 1 attached hereto, which, collectively, shall constitute the "Term" of this Agreement. Upon the expiration of the Initial Term, Franchisee may renew the franchise for one (1) Renewal Term, provided Company is then offering new franchise rights for the establishment of Aerus Businesses in the State where the franchise subject to renewal is located and provided Franchisee meets all of the following conditions: (1) Franchisee has no uncured Event of Default under the Agreement at the time of renewal; (2) Franchisee gives Company written notice of Franchisee's desire to renew at least thirty (30) days prior to the end of the Initial Term; (3) Franchisee has achieved ten thousand dollars (\$10,000) or more in Gross Sales each month during the prior six (6) months; (4) Franchisee executes Company's then-current form of franchise agreement, which, upon execution, will supersede this Agreement and which may differ from the terms of this Agreement, including, without limitation, the payment of higher or additional fees and revised Minimum Sales Requirements; (5) Franchisee pays Company a renewal fee of one hundred dollars (\$100) (in lieu of paying an initial franchisee fee); and (6) Franchisee and its principals and guarantors execute a general release, in a form satisfactory to Company, of any and all claims against Company and Company's current and former Affiliates, officers, directors, owners, employees, and agents. In the event the parties continue to perform under this Agreement after expiration of the Initial Term or Renewal Term without executing a new agreement, this Agreement will be deemed to extend

on a month-to-month basis and both parties will have the right to terminate (and prevent further extensions of) this Agreement upon at least thirty (30) days' written notice.

3. License of the Marks.¹

A. Company hereby grants to Franchisee a limited non-exclusive right and license to use the Marks in strict accordance and compliance with the terms and conditions of this Agreement, the Policies and Procedures and any specific guidelines Company may impose from time to time. Company may, at its option from time to time, modify and change the Marks permitted to be used by Franchisee hereunder and the manner in which such of the Marks may be used, including discontinuing the permitted use of any of the Marks. This license does not permit, and it shall be strictly prohibited for, Franchisee to use or include any of the Marks as a part of Franchisee's legal business name. All rights and licenses granted pursuant to this Section or otherwise in this Agreement concerning the Marks shall automatically terminate upon the expiration or termination of this Agreement, and Franchisee shall promptly thereafter return to Company any documents, forms, applications, signs, banners, advertisements, marketing information, product specifications, sales literature and other material bearing the Marks. Nothing in this Agreement gives Franchisee any right in or to any of the Marks, except as specifically set forth in this Agreement. Franchisee shall not, for itself or together with any other person or entity, challenge Company's right, title or privilege in or to any of the Marks. Franchisee acknowledges the value of the Marks and the importance for Company to maintain proper control of the use of the Marks and to protect the Marks from infringement, abuse and misuse. Franchisee further acknowledges that any infringement, abuse or misuse of the Marks would result in irreparable injury to Company for which no adequate remedy at law may be available, and, notwithstanding any general requirement to arbitrate disputes, Franchisee consents to the issuance of an injunction prohibiting any conduct by Franchisee that may constitute infringement, abuse or misuse of the Marks or that otherwise would violate the terms of this Section without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or other security. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Company in connection with the enforcement of this Section, including payment of all expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Section.

B. Franchisee shall notify Company immediately by telephone, and thereafter in writing, of any apparent infringement of or challenge to Franchisee's use of any of the Marks or of any claim by any person of any rights in any of the Marks. Company shall have the right to take such action as it deems appropriate in connection with the foregoing, including the right to control any settlement, litigation or proceeding arising out of any such alleged infringement, challenge or claim or otherwise relating to any of the Marks. Franchisee shall execute any and all instruments and documents, shall render such assistance, and shall do such acts or things as may,

D. Franchisee shall not develop, create, generate, own, license, lease or use in any manner any computer medium or electronic medium (including, any Internet home page, e-mail address, website, bulletin board, newsgroup or other Internet-related medium) which in any way uses or displays, in whole or part, the Marks, or any of them, or any words, symbols or terms confusingly similar thereto without Company's express prior written consent. Without limiting the generality of the foregoing, Franchisee shall not cause, permit or allow the Marks, or any of them, or any words, symbols or terms confusingly similar thereto, to be used or displayed in whole or part (1) as, or a part of, an Internet domain name or URL; or (2) on or in connection with any Internet home page, website, bulletin board, newsgroup, chat-group, buddy list, instant messenger, meta-tag (or the comparable identifier in any future technology) or other Internet-related activity. Franchisee shall not link to or frame any website to any other website or authorize any third party to link to or frame any website.

4. License of the Software and Administration Systems. As a primary and material element of the System, Company and its Affiliates have developed a proprietary computer information and office automation system, comprised of various software programs and modules (including modules for customer relationship and lead management, financial administration and inventory ordering and management) (the "Software and Administration Systems"), which system is currently known as the Aerus Franchise Office Automation System ("FOAS").

A. Company may make available for use by Franchisee on a limited, nonexclusive basis, that part of the Customer Data which is pertinent to the Area of Responsibility, subject to Franchisee’s payment of the Customer Data Fee and strict accord and compliance with the terms and conditions of this Agreement, the Policies and Procedures and any specific guidelines Company may impose from time to time concerning collection, maintenance and use of the Customer Data. Franchisee shall also periodically upgrade its computer systems to ensure Franchisee's compliance with all such laws, regulations, and guidelines. 6. Exclusivity and Non-Competition.

A. During the Term, neither Franchisee, nor its Operating Principal, or any other owner, shall (1) promote the sale of, or sell, directly or indirectly, any products or services that are similar in nature to, or that are substitutes for, the Products, (2) undertake or participate in any business or activity that is competitive in nature with the System or any of the Products, or with Company's, or any of Company's Affiliates', now existing or hereafter developed businesses or systems, or (3) use any of the Customer Data for any reason other than operation of the Franchised Business. Further, the Approved Location may be used for the operation and conduct of the Franchised Business only and for no other use. Franchisee may not use the Marks in connection with any business or activities other than the Franchised Business. Company may in the future modify, expand or supplement the System or modify or add to the Products offered hereunder and Company or any of Company's Affiliates may in the future develop or offer new businesses or systems. In either event, if Company determines, in its reasonable discretion that any behavior of Franchisee previously not in violation of this Section later violates this Section, Company may require that Franchisee cease any such behavior upon written notice to Franchisee.

B. For a period of one (1) year after the expiration or termination of this Agreement or the transfer of all of Franchisee's interest in this Agreement, neither Franchisee, nor its Operating Principal, shall, within the Area of Responsibility or within a ten (10)-mile radius of any Aerus Business in existence or under construction as of the expiration or termination of this Agreement or the transfer of all of Franchisee's interest in this Agreement, (1) promote the sale of, or sell, directly or indirectly, any products or services that are similar in nature to, or that are substitutes for, the Products or (2) undertake or participate in any business or activity that is competitive in nature with the System or any of the Products, or with Company's, or any of Company's Affiliates', now existing or hereafter developed businesses or systems. Franchisee agrees that the length of time in this Section 6(B) will be tolled for any period during which Franchisee is in breach of the covenants set forth in this Section 6(B) or any other period during which Company seeks to enforce this Agreement.

C. This Section 6 shall survive the expiration or termination of this Agreement. No claim Franchisee may have against Company, whether or not arising from this Agreement, shall constitute a defense to the enforcement by Company of the covenants provided for in this Section. Franchisee acknowledges that a violation of the terms of this Section would result in irreparable injury to Company for which no adequate remedy at law may be available, and, notwithstanding any other requirement herein to arbitrate disputes, Franchisee accordingly consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the terms of this Section without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or other security. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Company in connection with the enforcement of this Section, including payment of all expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Section.

D. For breach of the covenants in this Section 6, which are made in consideration of the specialized training and confidential information conveyed to Franchisee, and due to the difficulty of establishing the precise amount of damages for breach of these covenants, in addition to the other remedies provided for in this Agreement or otherwise available to Company, Franchisee and Franchisee's principals who committed such breach jointly and severally agree to pay Company the amount of One Thousand Five Hundred Dollars (\$1,500) per day for each day the breach continues.² The parties agree that the foregoing amount is a reasonable estimation of the damages that would be incurred by Company for breach of the covenants provided for in this Section.

7. Fees, Payments and Deposits.

Franchisee shall pay to Company all fees, payments and deposits set forth in Schedule 3 attached hereto and required elsewhere in this Agreement (the remittance of each, a "Payment") in the amounts, at the time, and in the manner described in this Agreement or the Policies and Procedures or elsewhere in the Manuals. Each Payment to be made to Company must be made free and clear at the time, and in the manner, specified in this Agreement, without deduction or offset. TIME IS OF THE ESSENCE with respect to all Payments to be made. All unpaid obligations under this Agreement will bear interest from the date due until the date of receipt by Company, at one and one-half percent (1.5%) per month, or the maximum rate allowed by applicable law, whichever is less.

A. At Company's option, Company may withdraw funds from Franchisee's designated bank account by electronic funds transfer or comparable method in the amount of any Payment or any other amounts due hereunder to Company and for all subsequent payments due to Company, as further described in the Manuals or otherwise in writing. Franchisee shall at all times maintain in its designated bank account a minimum balance in the amount specified in the Manuals.

8. Standard of Conduct. Franchisee shall use its best efforts to develop a sales organization to sell and increase sales of, and to legitimately and ethically advertise, market, promote, distribute and sell Products to Approved Customers within the Area of Responsibility by means of in-the-home and in-person demonstrations or otherwise in accordance with the Manuals.

³ Any claims arising under the Maryland Franchise Rights and Disclosure Law must be brought within three (3) years after the grant of the franchise. With respect to franchises governed by Minnesota law, Company will comply with Minn. Stat. Section 80C, Subds. 3, 4, and 5 which require, except in certain specified cases, that Franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of this Agreement.

(r) Franchisee violates the advertising or promotion provisions of this Agreement; (s) Franchisee commits three (3) violations or breaches of this Agreement for which a specific cure period is provided in this Section (and for which Franchisee has in fact cured, in each instance, within the applicable cure period) within any twelve (12) month period (no further opportunities to cure shall apply in this case); (t) Franchisee is declared to be in default under any material contract, agreement, or instrument to which Franchisee is a party with Company or its affiliates or assigns, and such default shall continue beyond any applicable cure period; or (u) Franchisee or any of your Sales Representatives, Outlet Licensees, employees, agents or representatives sell or attempt to sell or market any Beyond Product.

(2) Automatically, without action by either party, in the event (a) Franchisee is dissolved or terminated, or there occurs any change in the ownership or control of the Franchisee, whether voluntary or by operation of law, except as may be permitted herein or unless Company has otherwise approved such a change in advance in writing, (b) Franchisee or any guarantor commences or is the subject of a petition filed in a court of competent jurisdiction seeking relief with respect to Franchisee under the United States Bankruptcy Code, or any other United States federal or state bankruptcy, receivership or similar law; (c) Franchisee or any guarantor has appointed a receiver, trustee, conservator or a similar official; or (d) Franchisee or any guarantor makes a general assignment for the benefit its creditors.

C. Termination, non-renewal or expiration of this Agreement shall not operate as a cancellation of any indebtedness owing to Company or Company's Affiliates by Franchisee at the time of such termination. Company's failure in any instance to invoke a right to terminate shall not waive or otherwise limit its ability or right to properly terminate this Agreement thereafter. Termination of this Agreement shall automatically terminate any and all licenses and agreements made by Franchisee with Sales Representatives.

D. Without limiting or restricting Company's right to terminate this Agreement at any time as provided herein, Company may implement a system of enforcement of the terms and provisions of this Agreement (including without limitation announced or unannounced compliance audits and "secret shopper" practices), which system may result in deferral of termination under certain circumstances and include any one or more of the following: (1) the imposition of fines or penalties associated with certain violations or breaches; (2) in the case of a royalty, impose a minimum or fixed amount to be paid in place of or in addition to the amount provided in Schedule 3 attached hereto; or (3) in the case of sales of the Products, impose the Minimum Sales Requirement set forth in Schedule 4 attached hereto. The existence, substance and process of any such system would be the sole and exclusive discretion of Company and may be implemented, revoked or modified (upon reasonable notice to Franchisee) at any time and from time to time.

E. Upon expiration or termination of this Agreement, Franchisee and Franchisee's principals shall:

(1) Immediately cease operation of the Franchised Business and any use of the Marks, Software and Administration Systems or the Customer Data for any reason or purpose; promptly remove all signs, markings, or other writings and, immediately discontinue all advertising or publicity, that tend to indicate that Franchisee is a franchisee of Company or seller of Products; and immediately discontinue all advertising or publicity and take all actions necessary to comply

with the foregoing, including instructing all publishers of any telephone directory or listing not to renew, repeat or insert any listing or advertisement using the word “Aerus”, “Lux” or “Electrolux” or any other term or identifier associating Franchisee with Company.

(2) Send written notice to all Sales Representatives with whom Franchisee has been dealing that any license granted to or agreement made with such is terminated, and that such Sales Representatives must also take all other steps herein required of Franchisee under this Section.

(3) Cooperate with Company in perfecting an assignment of all telephone numbers used at the Approved Location in connection with the sales of Products hereunder or otherwise known or identified as numbers associated with Company, the Products or the Marks to and into the name of Company or its nominee, taking all action necessary to effect the intent of the foregoing.

(4) Immediately cause the cancellation or termination of any assumed name filings for the Approved Name or otherwise including the name “Aerus”, “Lux” or “Electrolux” or any of the Marks.

(5) Immediately return to Company and Company’s Affiliates all items of personal property that are then owned by Company or Company’s Affiliates, including Consigned Products and any equipment and supplies to which Company or Company’s Affiliates hold title.

(6) Promptly pay all sums owing to Company, Company’s Affiliates, lessors and other trade creditors.

(7) Immediately deliver to Company all information (including Customer Data in physical or electronic formats) and databases described herein, and all other Confidential Information (including the Manuals) and all agreements, invoices, and any and all other materials relating to the operation of the Franchised Business in Franchisee’s possession or control (including any such information or materials in the possession of any Sales Representative), and all copies thereof.

(8) Comply with the non-competition covenants and the restrictions on Confidential Information contained herein.

F. Upon expiration or termination of this Agreement, Franchisee shall do any one or more of the following, at Company’s option:

(1) If Franchisee operates the Franchised Business premises under a lease with a third party or, with respect to any lease for equipment used in the operation of the Franchised Business, assign to Company any interest which Franchisee has in any lease or sublease for the Approved Location or any equipment related to the Franchised Business.

(2) If Franchisee, or any Affiliate of Franchisee, owns the Approved Location, sell or lease at market rents to Company the Franchisee’s business premises including any building thereon, if applicable, for the fair market value of the land and building.

(3) Sell and assign to Company any furnishings, equipment, signs, fixtures, vehicles, supplies and inventory in Franchisee's possession at the time of expiration or termination, at Franchisee's cost or fair market value, calculated in accordance with the appraisal process set forth in the Manuals, whichever is less.

(4) Sell to Company all or substantially all of any other tangible assets of the Franchised Business at Franchisee's cost or the fair market value, calculated in accordance with the appraisal process set forth in the Manuals, whichever is less.

(5) Assign and release to Company the telephone numbers used at the Approved Location.

G. Time is of the essence for all purposes of this Section. To that end, in order to preserve customer care and minimize disruption of the Franchised Business, Company shall be permitted, at its option, immediately upon terminating this Agreement, to assume control of the Approved Location and to assume operating control of the Franchised Business. Franchisee shall cooperate fully with this process and shall surrender control of the Approved Location and Franchised Business to Company pending completion of an audit and settlement of matters between Company and Franchisee in accordance with the terms of this Agreement. In complying with this provision, Franchisee shall not give up any right afforded it hereunder and may have access to, and be present for, any audit to determine inventory levels, asset appraisals, and other compliance issues.

H. Notwithstanding any forms and documents which may have been executed by Company hereunder, Franchisee hereby appoints Company its true and lawful agent and attorney-in-fact with full power and authority for the sole purpose of taking such action as is necessary to assume control and possession of the Approved Location and the Franchised Business, to complete all necessary assignments and to otherwise act in Franchisee's stead with respect to satisfying its obligations under this Section and must execute a Power of Attorney in the form attached hereto as Attachment C hereof for such purpose. This power of attorney will survive the expiration or termination of this Agreement. Franchisee will thereafter use different telephone numbers, domain names, advertisements, marketing materials and websites at or in connection with any subsequent business conducted by Franchisee.

I. Not later than 120 days after the termination or expiration of this Agreement, Company shall settle all matters concerning termination of this Agreement and transfer of the Franchised Business (if applicable) and shall return to Franchisee the Security Deposit, less all offsets, if any, that have been applied thereto.

J. Franchisee shall reimburse Company for all costs, attorneys' fees and/or other expenses incurred by Company in connection with the enforcement of the provisions under this Section in connection with a breach or violation of this Agreement by Franchisee; provided,

however, that the remedies set forth herein shall be cumulative and in addition to all other remedies available to Company at law or in equity.⁴

K. In the event of a breach of this Agreement by Company that is not cured by Company within 30 days following written notice from Franchisee (or such longer period as may be reasonable if the necessary cure is not capable of being completed within 30 days), Franchisee's sole and exclusive remedy shall be to terminate this Agreement upon written notice to Company. In no event shall Company be liable or responsible for any exemplary, indirect, consequential or other damages for any reason hereunder, and in no event shall damages payable by Company exceed the aggregate Standard Allocation paid by Franchisee to Company during the six (6) month period preceding the termination of this Agreement.⁵

16. Governing Law and Dispute Resolution.⁶ Subject to Company's rights under federal trademark laws, all claims arising out of or relating to this Agreement and/or the parties' relationship will be governed by, and will be interpreted in accordance with, the substantive laws of the State of Texas, excluding choice of law principals and irrespective of any conflict of laws. The parties agree that any state law or regulation applicable to the offer or sale of franchises or the franchise relationship will not apply unless the jurisdictional provisions are independently met. Franchisee waives, to the fullest extent permitted by law, the rights and protections provided by any such franchise law or regulation.

Except as may be otherwise provided hereunder in the case of actions for injunctive relief by Company or Company's Affiliates, the parties agree that all disputes, controversies or claims that may directly or indirectly arise among them (including their agents and employees), out of or relating to this Agreement and/or the Franchised Business, shall be submitted to, and determined by, binding arbitration. **Any such action shall be conducted on an individual basis, and not as part of a consolidated, common, or class action, and Franchisee waives any and all rights to proceed on a consolidated, common, or class basis.** Such arbitration shall be conducted before a single arbitrator in Dallas, Texas pursuant to the Commercial Arbitration Rules then in effect of the American Arbitration Association. The arbitrator shall be an independent third party arbitrator selected by Company. The fees of the arbitration initially shall be paid one-half by Company and one-half by Franchisee; provided, however, that the prevailing party in any such arbitration shall be entitled to recover its reasonable attorneys' fees, costs and expenses (and any interest) incurred in connection with the arbitration. Company shall not be liable to Franchisee or any of Franchisee's principals for any such dispute, controversy or claim in an aggregate amount greater

⁴ For Franchised Businesses in North Dakota, any cost and expense incurred by Company in connection with enforcing this Agreement, shall be borne by the prevailing party of such enforcement action.

⁵ For Franchised Businesses in North Dakota, the waiver of Franchisee's rights to any exemplary, indirect, consequential or other damages is hereby deleted.

⁶ This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable. For Franchised Business in the State of North Dakota: (a) arbitration shall be conducted at a place mutually agreeable to both Franchisee and Company; (b) this Agreement will be interpreted, construed and enforced under the laws of North Dakota and (c) the provision in this Section waiving Franchisee's rights to a trial by jury is hereby deleted.

than the total Standard Allocation collected from the Franchised Business during the six (6) month period immediately preceding the submittal of such dispute, controversy or claim to arbitration. Any award pursuant to such arbitration shall be final and binding upon the parties, with the following exception: if an arbitration award having a monetary value of \$100,000 or more is rendered against a party, that party (and not the party in whose favor the award was granted) may vacate such award by submitting a motion to vacate the award in any federal or state court having appropriate jurisdiction. Upon submission, the award shall be vacated, and the matter decided in the court of submission with the standard of review being *de novo*. An award may be enforced by any federal or state court sitting in any court having jurisdiction. The obligations set forth in this Section shall survive the termination of this Agreement. **EXCEPT AS OTHERWISE PROVIDED HEREUNDER, COMPANY AND FRANCHISEE EACH KNOWINGLY AND VOLUNTARILY GIVE UP ANY RIGHT TO A TRIAL BY JURY IN CONNECTION WITH ANY DISPUTE, CLAIM OR CONTROVERSY WHICH MAY ARISE BETWEEN THEM.**⁷

17. Indemnification. Franchisee and each of Franchisee's principals, jointly and severally, indemnify and shall defend with counsel of Company's choosing, and hold harmless Company, Company's Affiliates, each of their successors and assigns, and any of their respective officers, directors, members, managers, partners, shareholders, employees, agents, representatives and independent contractors from and against any and all damages, losses, claims for loss, expense or liability, including reasonable attorneys' fees and costs, arising out of or in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or settlement thereof, which arises out of (A) acts or omissions done or allegedly done by Franchisee or Franchisee's Sales Representatives, or any of their employees, agents or representatives, (B) action or inaction under or related to this Agreement by Franchisee or any Sales Representative of Franchisee or any of their employees, agents or representatives, (C) any violations of the law or any allegedly negligent omissions by Franchisee or Sales Representative of Franchisee or any of their employees, agents or representatives, or (D) the relationship between Company and Franchisee. The terms of this Section will survive the termination, expiration or transfer of this Agreement or any interest herein.

18. Confidentiality.

A. In connection with this Agreement, Company has and may hereafter furnish to Franchisee certain Confidential Information. Furthermore, Franchisee, in connection herewith, may develop certain information that constitutes Confidential Information. Franchisee shall keep secret and retain in strictest confidence, and shall not use except in connection with the operation of the Franchised Business in accordance with this Agreement, all Confidential Information. Franchisee shall not disclose either during or after the Term of this Agreement, except as may be

⁷ For all franchises in the State of Illinois, the forum for all court litigation shall be Cook County, Illinois and Illinois law shall govern the interpretation, construction, and enforcement of this Agreement (regardless of any choice of law rules). Notwithstanding the foregoing, the forum for all arbitration proceedings shall be in Dallas, Texas. For all franchises in the State of Minnesota, Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit Company from requiring litigation to be conducted outside Minnesota. In addition, nothing contained in this Agreement can abrogate or reduce any of Franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or Franchisee's rights to any procedure, forum, or remedies provided for by the laws of the Minnesota.

required by law, any Confidential Information to anyone other than those employees, agents and representatives of Franchisee (each of whom shall be bound as well by the provisions of this Section and for whom Franchisee shall be liable for any violations) which require such information in order to fulfill the requirements of their employment, agency or representation. Upon expiration or termination of this Agreement, all Confidential Information shall be promptly transmitted by Franchisee to Company or disposed of as instructed by Company in writing.

B. If Franchisee develops any new concept, product, process or improvement in the operation or promotion of the Franchised Business (including, without limitation, computer software enhancements; sales, lead generation, recruiting or training techniques; or advertising and marketing materials), Franchisee is required to promptly notify Company and provide Company with all necessary related information, without compensation.

Franchisee acknowledges that any such concept, process or improvement will become the property of Company and constitute Confidential Information, and Company may use or disclose such information in its discretion, including to other franchisees or developers.

C. This Section 19 shall survive the expiration or termination of this Agreement. No claim Franchisee may have against Company, whether or not arising from this Agreement, shall constitute a defense to the enforcement by Company of the covenants provided for in this Section. Franchisee acknowledges that a violation of the terms of this Section would result in irreparable injury to Company for which no adequate remedy at law may be available, and, notwithstanding any general requirement to arbitrate disputes, Franchisee accordingly consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the terms of this Section without the necessity of showing actual or threatened harm, likelihood of success on the merits of the claims and without being required to furnish a bond or other security. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Company in connection with the enforcement of this Section 19, including payment of all expenses for obtaining specific performance of, or an injunction against violation of, the requirements of this Section.

D. For breach of the covenants in this Section 19, which are made in consideration of the specialized training and Confidential Information described above, and due to the difficulty of establishing the precise amount of damages for breach of these covenants, in addition to the other remedies provided for in this Agreement or otherwise available to Company, Franchisee and Franchisee's principals who committed such breach jointly and severally agree to pay Company the amount of Five Thousand Dollars (\$5,000) per occurrence.⁸ The parties agree that the foregoing amount is a reasonable estimation of the damages that would be incurred by Company for breach of the covenants provided for in this Section.

19. Assignment. Franchisee shall not directly or indirectly Transfer or assign, nor attempt to Transfer or assign, this Agreement, or any right or obligation hereunder, without the prior written consent of Company; provided, that a principal or equity holder in Franchisee may be permitted to transfer an interest in Franchisee pursuant to the provisions set forth in Addendum C attached hereto. Company shall be permitted to assign this Agreement at any time and from time to time; provided, however, no such assignment will be made by Company except

to an assignee who, in Company's good faith judgment, is willing and able to assume Company's obligations under this Agreement.

20. Notice. All notices required hereunder shall be in writing and shall be deemed sufficiently given for all purposes hereunder if (A) delivered personally or by United States certified mail, return receipt requested, (B) sent by documented, overnight delivery service, or, (C) to the extent receipt is confirmed, telecopy, facsimile or other electronic transmission service to the appropriate address or facsimile number set forth below:

Notice shall be deemed given upon receipt in the case of personal delivery and facsimile or electronic transmission, one day after deposit with an overnight courier and four (4) days after deposited in the United States mail system.

21. Miscellaneous.

A. This Agreement, together with the Manuals (as modified, altered, amended and supplemented from time to time) constitutes the entire Agreement and understanding of the parties and supersedes any and all previous discussions, negotiations, representations, understandings, undertakings and agreements (including previous Franchise Agreements or licenses) between Company and Franchisee, all of which are hereby deemed integrated herein, none of which may be used to vary, interpret or construe this Agreement, which constitutes the sole and entire contract between Franchisee and Company. No change, amendment or modification of this Agreement, or waiver of any of its provisions, shall be effective unless made in writing and signed by both parties. For purposes of the foregoing, only Company's Chairman, President, Chief Executive Officer and Chief Operating Officer shall have the authority to act for Company. Nothing in this Agreement is intended to disclaim the express representations made by the Company in the Franchise Disclosure Document.

B. The failure of either party at any time to require performance by the other of any provision of this Agreement shall in no way affect the full right to require such performance at any time thereafter, nor shall the waiver by either party of a breach of any provision of this Agreement constitute a waiver of any succeeding breach of the same or any other such provision nor constitute a waiver of the provision itself.

C. The section headings of this Agreement are for purposes of reference only and shall not be referred to in interpreting its provisions. Except as expressly provided to the contrary herein, each portion of this Agreement will be considered severable; and if, for any reason, any portion is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, this will not affect the other portions of this Agreement that may remain otherwise intelligible. Any reference herein to a “person” hereunder shall mean a “person” or “entity” as the context requires. Any pronoun used herein is for reference only and may refer to the male, female or neutral as the context requires.

D. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person other than Franchisee, Company, Company’s Affiliates and officers, directors and personnel of Company and Company’s Affiliates and all successors and assigns thereof, any rights or remedies under or as a result of this Agreement.

E. Without limiting the obligations individually undertaken by Franchisee’s principals under this Agreement, all acknowledgments, promises, covenants, agreements and obligations made or undertaken by Franchisee in this Agreement will be deemed, jointly and severally, undertaken by all of Franchisee’s principals.

F. Neither party shall be liable to the other party or any other person for any failure or delay in the performance of any obligations under this Agreement due to events beyond its reasonable control, including, but not limited to, fire, storm, flood, earthquake, explosion, accident, acts of the public enemy, sabotage, strikes, lockouts, labor disputes, work stoppages, transportation embargoes or delays, failure or shortage of materials, supplies or machinery, acts of God, epidemics, pandemics, public health emergencies acts or regulations or priorities of the federal, state or local government or/and agencies thereof. If any such event occurs, the time for performance hereunder shall be appropriately extended.

G. This Agreement does not create a fiduciary relationship between the parties. Franchisee is, and will at all times be, an independent contractor, and nothing in this Agreement is intended to constitute either party an agent, legal representative, Affiliate, joint venturer, partner, employee, joint employer or servant of the other for any purpose. Company is not, and nothing in this Agreement or the Manuals is intended to make, Company the employer or joint- employer of Franchisee’s employees. Except as expressly contained herein, nothing in this Agreement authorizes Franchisee, or any of Franchisee’s principals to make any contract, agreement, warranty or representation on behalf of Company, or to incur any debt or other obligation in Company’s name.

H. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and together shall constitute one and the same instrument.

23. Immunity for Certain Limited Disclosures. Notwithstanding anything in this Agreement to the contrary, Franchisee and Franchisee’s principals, may, in accordance with any applicable law including the federal Defend Trade Secrets Act, disclose Confidential Information, including Company’s trade secrets, (a) in confidence, to federal, state, or local government officials, or to an attorney of Franchisee, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with any applicable law or create liability for disclosures expressly allowed by law.

24. Business Judgment. Whenever Company reserves or is deemed to have reserved rights in a particular area, or where Company agrees or is deemed to be required to exercise its rights reasonably or in good faith, Company will satisfy its obligations whenever it exercises reasonable business judgment in making a decision or exercising a right. A decision or action by Company will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if Company’s decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of Company. Neither Franchisee nor any third party (including, without limitation, a trier of fact) may substitute its judgment for Company’s reasonable business judgment.

Company may Transfer or assign this Agreement and all or any part of Company's rights or obligations herein to any person or entity, including without limitation, in connection with a sale of Company's assets, the Marks or the System to a third party, or to any lender for purposes of collateral.

Transfer of Interest in Franchisee

A. The rights and duties set forth in this Agreement are personal to Franchisee, and Company has granted rights under this Agreement in reliance on Franchisee and Franchisee's principals' business skill, financial capacity and personal character. Accordingly, neither Franchisee nor any principal of Franchisee, nor any successor or assign of Franchisee or any principal of Franchisee may cause or effectuate a Transfer of any direct or indirect interest in this Agreement, in the assets of the Franchised Business or in Franchisee without Company's prior written consent.

B. Franchisee will pay, at the time of the request for Transfer, a Transfer Fee as described in Schedule 3 to reimburse Company for Company's reasonable expenses associated with reviewing the application to Transfer. The transferee will (as Company directs): (i) execute, for a term ending on the expiration date of this Agreement and with such renewal term as may be provided by this Agreement, the standard form franchise agreement then being offered to new system franchisees and other ancillary agreements as Company may require for the Franchised Business, which agreements will supersede this Agreement and Attachments in all respects and the terms of which agreements may differ from the terms of this Agreement, provided, however, that the transferee will not be required to pay any Initial Franchise Fee; or (ii) enter into a written agreement, in a form satisfactory to Company, assuming full, unconditional, joint and several liability for, and agreeing to perform from the date of the Transfer, all obligations, covenants and agreements contained in this Agreement and Attachments; and, if transferee is a business entity, transferee's shareholders, partners, members or other investors, as applicable, will execute such agreement as transferee's principals and guarantee the performance of all such obligations, covenants and agreements; and transferee will provide to Company any other evidence deemed necessary by Company to determine that the terms of the agreements described above have been or will be satisfied and are true and correct on the date of Transfer; the transferor will remain liable for all of the obligations to Company in connection with the Franchised Business incurred prior to the effective date of the Transfer and will execute any and all instruments Company reasonably requests to evidence such liability;

C. Upon Franchisee (if a natural person) or any Franchisee's principal's death, the executor, administrator or other personal representative of the deceased individual must Transfer such interest to a third party consented to by Company within twelve (12) months after the death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the deceased individual, then the distributee of such interest must be consented to by Company. If the distributee is not consented to by Company, then the distributee must Transfer such interest to a third party consented to by Company within twelve (12) months after the death of the deceased individual.

D. Upon the permanent disability of Franchisee (if a natural person) or any principal of Franchisee, Company may, at Company's sole option, require the interest of such individual to be transferred to a third party in accordance with the conditions described in this Addendum within six (6) months after notice to Franchisee. Permanent disability will be determined by a licensed practicing physician Company selects, upon examination of the person; or if the person refuses to submit to an examination, then such person automatically will be deemed permanently disabled as of the date of such refusal for the purpose of this Addendum.

E. Landlord shall not claim any rights in or to the Proprietary Marks and will not restrict or limit Company's, or any of Company's affiliates', rights with respect to the Proprietary Marks.

3. Landlord agrees to furnish Company with copies of any and all letters and notices sent to Tenant pertaining to the Lease and the Premises at the same time, and in the same manner, that such letters and notices are sent to Tenant. The address for such letters and notices shall be 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254, Attention: Real Estate Department, with a copy to 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254, Attention: Legal Department - Notices, or at such other address as Company shall designate in writing.

6. Tenant shall be permitted to assign the Lease to Company or any of Company's affiliates upon the expiration or termination of the Franchise Agreement and Landlord hereby consents to such assignment and agrees not to impose or assess any assignment fee or similar charge or accelerate rent under the Lease in connection with such assignment, or require Company to pay any past due rent or other financial obligation of Tenant to Landlord, it being understood that Landlord shall look solely to Tenant for any rents or other financial obligations owed to Landlord prior to such assignment. Landlord and Tenant acknowledge that Company is not a party to the Lease and shall have no liability under the Lease, unless and until the Lease is assigned to, or assumed by, Company.

7. In the event the Franchise Agreement is terminated by Company, Company shall promptly notify Landlord. Landlord acknowledges that, upon such termination, Company may elect under the Franchise Agreement to assume control of the Business and take possession of the Premises. 8. Notwithstanding anything contained in this Lease, in the event Company becomes the tenant under the Lease, Company is expressly authorized, without the consent of the Landlord, to assign or sublet the Leased Premises to any authorized distributor, franchisee or affiliate of Company, provided such assignment or subletting is specifically subject to the terms of the Lease. Company may also assign the Lease to a financial institution for collateral purposes in connection with any financing transaction.

9. Tenant and Landlord shall not assign the Lease or renew, extend, or cancel the term thereof without the prior written consent of Company.

10. Landlord and Tenant shall not amend or otherwise modify the Lease in any manner that could materially affect any of the foregoing requirements without the prior written consent of Company.

11. The terms of this Lease Rider will supersede any conflicting terms of the Lease.

7. Licensee acknowledges and agrees that the Software and the Documentation are the valuable property and trade secrets of Licensor and/or Licensor's licensors, that any violation by Licensee of the provisions of this Software License would cause Licensor or Licensor's licensors irreparable injury for which they would have no adequate remedy at law, and that, in addition to any other remedies which Licensor may have, it will be entitled to preliminary and other injunctive relief against any such violation.

8. The term of this Software License will be co-extensive with the term of the Franchise Agreement, including any renewal of the term of the Franchise Agreement.

If any such default is not cured within that time, or such longer period as applicable law may require, this Software License will terminate without further notice to Licensee effective immediately upon expiration of the thirty (30) day period or such longer period as applicable law may require. Paragraphs 3, 4, 5, 6, 7, 10 and 12 through 20 of this Software License will survive termination, cancellation or expiration of the Franchise Agreement and this Software License.

10. Upon the expiration or termination of this Software License, Licensee must immediately deliver to Licensor all copies of the Software and the Documentation then in Licensee's possession or control and erase the Software from Licensee's computer system, and must immediately cease to use the Software and the Documentation.

11. As a substitute for such distribution media, Licensor may grant Licensee online access to a directory from which the Software may be downloaded using the Internet or other online communication method, or Licensee shall grant Licensor remote or in-person access to its hardware in order to permit Licensor to install the Software, whichever Licensor shall designate. The foregoing describes Licensor's sole and exclusive warranty, and Licensee's sole and exclusive remedy, regarding the distribution media and the Software.

FORM OF CONSIGNED PRODUCTS SECURITY AGREEMENT

THIS CONSIGNED PRODUCTS SECURITY AGREEMENT (this “Agreement”), is being executed simultaneously with that certain Franchise Agreement (the “Franchise Agreement”) dated of even date herewith (the “Effective Date”) by and between Aerus Franchising, LLC, a Delaware limited liability company (“Company”), having offices at 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254 and the individual or entity executing this Agreement as Consignee (“Consignee”). All capitalized terms used herein that are not otherwise defined have the meanings given such terms in the Franchise Agreement.

WITNESSETH:

WHEREAS, Consignee and Company (“Aerus Franchising”) have entered into the Franchise Agreement, which agreement governs the operations by Consignee of a franchised business engaged in, among other things, the sale of certain consigned products and other related products and services as permitted by, and more particularly described in, the Franchise Agreement;

NOW, THEREFORE, for and in consideration of the premises and promises set forth herein and in the Franchise Agreement, and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, Company and Consignee agree as follows:

1. Consignment Arrangement. Company has consigned or agrees to consign to Consignee, and Consignee agrees to receive on consignment from the Company, the Consigned Products for sale, at Company’s listed retail prices. This is intended to be a true consignment and Company shall at all times retain the full legal and equitable title to the Consigned Products. This Agreement is entered into as a precautionary measure to insure that Company’s rights to the Consigned Products shall be first and prior to all other creditors of Consignee under all circumstances.

2. Security Interest. To secure the due and punctual payment of all amounts due to Company for the proceeds arising from the sale or return to Company of the Consigned Products, Consignee hereby agrees that Company shall have, and hereby grants to and creates in favor of Company, a security interest in and to the Consigned Products and all proceeds thereof, as more fully-described on the Schedule of Collateral attached hereto (the “Collateral”). Consignee shall pay the cost of filing or recording this Agreement and any related financing statement in all public offices and the cost of all searches of records, wherever filing or recording or searching of records is deemed by Company to be necessary. At the request of Company, Consignee shall, from time to time, execute additional or supplemental documents and agreements to confirm Company’s security interest in the Collateral.

3. Covenants of Consignee. Without limitation of the obligations of Consignee to Company contained in any other agreement, Consignee hereby agrees that at all times that it shall:

(a) keep the Consigned Products separate and apart from any other goods or assets of Consignee or others and clearly mark at all times in its books and records that the Consigned Products are the property of Company;

(b) sell the Consigned Products only in the ordinary course of business of Consignee pursuant to the Franchise Agreement and any other instructions of Company, at the prices set by Company, and providing only the manufacturer's warranties given with the Consigned Products;

(c) all proceeds generated from the Consigned Products are the property of Company and shall be paid into the bank account designated by Consignee as being a trust account for the benefit solely of Company. If Company so requests, Consignee shall grant Company signing authority on such bank account. Consignee agrees that all Proceeds shall be held by it in trust solely for the benefit of Company; and

(d) Consignee shall at all times carry insurance over the Consigned Products against all risks for the full replacement value with Company named as loss payee and co-insured. Consignee shall deliver a copy of such policy to Company upon execution of this Agreement and such policy shall contain a so-called mortgagee clause giving Company at least 30 days' notice in advance of any cancellation of such coverage.

4. Event of Default; Termination. This Agreement may be terminated by Company for any reason upon thirty days prior written notice, however, the security interest in the Collateral shall survive until payment in full has been made for products consigned from Company. In addition, the following shall be "Events of Default" under this Agreement: (a) Consignee shall default under this Agreement or fail to perform or observe any of the agreements or covenants set forth in this Agreement or fail to pay when due any invoice or invoices covering products subject to this Agreement; (b) Consignee shall be declared to be in default under any material contract, agreement, or instrument to which Consignee is a party with Company or Aerus Franchising, or either of their affiliates or assigns, including without limitation the Franchise Agreement and documents incidental or related thereto, and such default shall continue beyond any applicable cure period; (c) Consignee shall sell, remove, or attempt to sell, remove, or assign Collateral not in the ordinary course of business; (d) any creditor of Consignee shall obtain possession of any Collateral by means including, without limitation, levy, distraint, replevin or self-help.

Upon the occurrence of any Event of Default and without notice, Company may immediately accelerate the maturity of any debt hereunder and Company may proceed to protect and enforce its rights either by suit in equity and/or by action at law or proceed to obtain judgment or any other relief whatsoever appropriate to the action or proceeding. In addition, Company may immediately, without demand of performance and without other notice to Consignee (all of which are hereby expressly waived): (a) repossess the Collateral at its location; (b) without advertisement, sell at public or private sale or otherwise realize upon the whole or, from time to time, any part of the Collateral, or any interest which Consignee may have therein; (c) to the full extent permitted by applicable law, enter any premises where the Collateral is located and take possession and control of the same and to keep and store the Collateral on such premises or operate the business wherein the Collateral is located; or (d) Company shall have the right of set-off as against any or all amounts owing to Consignee by Company. All rights and remedies given by this Agreement are cumulative and not exclusive of any thereof or of any other rights or remedies

available to Company, and no course of dealing between the parties shall operate as a waiver of such rights or remedies. Consignee shall, on demand, reimburse Company for all expenses, including the reasonable fees and expenses of legal counsel for Company, incurred by Company in connection with the enforcement of this Agreement.

5. Governing Law. This Note shall be governed by and construed in accordance with the laws of the State of Texas, the law of which shall prevail in the event of any conflict of law.

6. Forum Selection. The undersigned agree that any action brought by undersigned against holder in any court, whether federal or state, shall be brought only within the State of Texas in the judicial district in which Company has its principal place of business; and the parties waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision. The undersigned also agree that the Company may, in its sole discretion, bring any action against the undersigned in any court, whether federal or state, within either (a) the State of Texas; or (b) in any jurisdiction in which the undersigned resides or owns property. If the Company brings an action against undersigned in any state or federal court located within the State of Texas in the judicial district in which Company has its principal place of business, undersigned accepts generally and unconditionally the jurisdiction and venue of the aforesaid courts and waives any defense of forum non conveniens.

7. Waiver of Jury Trial. Company and undersigned agree that in any litigation, suit, action, counterclaim, or proceeding, whether at law or in equity, which arises out of, concerns, or relates to this Agreement, any and all transactions contemplated hereunder, the performance of this Agreement, or otherwise, trial shall be to a court of competent jurisdiction and not to a jury. Company and undersigned hereby irrevocably waive any right either party may have to a trial by jury. Either Company or undersigned may file an original counterpart or a copy of this Agreement with any court as written evidence of the consent of Company or undersigned of the waiver of their right to trial by jury.

8. Partial Invalidity. If any terms, covenants, or conditions of this Agreement shall be invalid or unenforceable, the remainder of this Agreement shall nevertheless survive and be binding upon the parties hereto.

9. Notice. Any notice required to be given or which Company shall give to Consignee hereunder may be given by Company to Consignee in person, by overnight mail delivery, or by United States certified mail addressed to Consignee at the address appearing by Consignee's signature below.

10. Counterpart Execution. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which shall be considered one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Consigned Products Security Agreement as of the dates set forth with their signatures below to be effective as of the ____ day of _____, 20__.

FOR VALUE RECEIVED, the undersigned, _____, a _____ (“Maker”), hereby [jointly, severally and] unconditionally promises to pay to the order of AERUS FRANCHISING, LLC, a Delaware limited liability company (“Payee”), at 14841 Dallas Parkway, Suite 500, Dallas, Texas 75254, or such other address as the holder hereof may, from time to time, designate in writing, the principal sum of _____ AND _____/100 DOLLARS (\$ _____), in lawful money of the United States of America, together with interest on the unpaid principal balance from day-to-day remaining, computed from the date of advance until maturity at a rate per annum equal to _____ percent (%) (the “Fixed Rate”).

Reference is hereby made to that certain Franchise Agreement dated _____ by and between Maker and Payee (“Franchise Agreement”).

For purposes of calculating interest accrued hereon at the Fixed Rate, interest on this Note shall be calculated on the basis of the actual days elapsed over a 360-day year.

Principal and accrued interest on this Note, computed as aforesaid, shall be due and payable as follows: (i) in equal monthly installments, each in the amount of _____ Dollars (\$ _____), commencing on _____, and continuing thereafter on the first (1st) day of each succeeding calendar month, and (ii) in one final installment on _____, 20____, in the amount of the unpaid principal balance and accrued and unpaid interest on this Note as of (and including) such date.

Should the principal of, or any installment of the principal or interest upon, this Note become due and payable on any day other than a business day, the maturity thereof shall be extended to the next succeeding business day and interest shall be payable with respect to such extension. All payments of principal of and interest upon this Note shall be made by Maker to Payee in immediately available funds; provided, that receipt of a check shall not constitute payment until such check has been honored when presented for payment. No waiver by Payee of any of its rights or remedies hereunder or under any other document evidencing or securing this Note or otherwise shall be considered a waiver of any other subsequent right or remedy of Payee; no delay or omission in the exercise or enforcement by Payee of any rights or remedies shall ever be construed as a waiver of any right or remedy of Payee; and no exercise or enforcement of any such rights or remedies shall ever be held to exhaust any right or remedy of Payee.

An “Event of Default” shall exist hereunder if any one or more of the following events shall occur and be continuing:

(a) Maker shall fail or refuse to pay within five (5) days after the date when due any principal of, or interest upon, this Note;

(b) any statement, representation or warranty made by Maker to Payee shall prove to be untrue or inaccurate in any material respect when made;

(c) default shall occur in the performance of any of the covenants or agreements of Maker contained herein or in any instrument securing this Note or any other document executed or delivered to Payee in connection herewith and such default shall continue uncured to the reasonable satisfaction of Payee for a period of fifteen (15) days after written notice thereof from Payee to Maker;

(d) Maker or any guarantor of this Note (a “Guarantor”) shall (i) apply for or consent to the appointment of a receiver, trustee, custodian, intervenor or liquidator of the Maker or such Guarantor or of all or a substantial part of the assets of the Maker or such Guarantor, (ii) file a voluntary petition in bankruptcy, admit in writing that the Maker or such Guarantor is unable to pay the debts of the Maker or such Guarantor as they become due or generally not pay such debts

(f) the failure of Maker or any Guarantor to have discharged within a period of ten (10) days after the commencement thereof any attachment, sequestration, execution or similar proceeding against any portion of the property covered by the Security Agreement;

(g) Payee's liens, mortgages or security interests in any of the collateral for this Note should become unenforceable, or cease to be first priority liens, mortgages or security interests;

(h) The occurrence of any "default" as defined in the Franchise Agreement; or

(i) The occurrence of any "default" as defined in any promissory note (other than this Note) or any Security Agreement, Product Sales Agreement or Asset Purchase and Sale Agreement, entered into with Payee, Aerus LLC, Aerus Canada, Inc., or any other affiliate of Payee or the breach of any of the terms or conditions of any loan agreement, document, or instrument or any franchise or other agreement entered into with Payee, Aerus LLC, Aerus Canada, Inc., or any other affiliate of Payee, which default or breach continues beyond any period of grace therein provided.

Upon the occurrence of any Event of Default or other default under any other agreement or instrument securing or assuring the payment of this Note or executed in connection herewith, the holder hereof may, at its option, declare the entire unpaid balance of principal and accrued interest on this Note to be immediately due and payable, and foreclose all liens and security interests securing payment hereof or any part hereof; provided, however, upon the occurrence of any of the Events of Default described in Items (d) or (e) above, the entire unpaid balance of principal and accrued interest upon this Note shall, without any action by Payee, immediately become due and payable without demand for payment, presentment, protest, notice of protest and non-payment, or other notice of default, notice of acceleration and intention to accelerate or any other notice, all of which are expressly waived by Maker.

Maker may prepay all, or any portion, of this Note at any time without premium or penalty. All prepayments shall be applied to the outstanding balance of this Note in the inverse order of maturity and shall not reduce the amount of the monthly payments hereunder required.

Notwithstanding anything contained in this Note to the contrary, Payee shall never be deemed to have contracted for or be entitled to receive, collect or apply as interest on this Note, any amount in excess of the amount permitted and calculated at the Maximum Rate, and, in the event Payee ever receives, collects or applies as interest any amount in excess of the amount permitted and calculated at the Maximum Rate, such amount which would be excessive interest shall be applied to the reduction of the unpaid principal balance of this Note, and, if the principal balance of this Note is paid in full, any remaining excess shall forthwith be paid to Maker. In determining whether or not the interest paid or payable under any specific contingency exceeds the Maximum Rate, Maker and Payee shall, to the maximum extent permitted under applicable law, (i) characterize any non-principal payment (other than payments which are expressly designated as interest payments hereunder) as an expense, fee, or premium, rather than as interest, (ii) exclude voluntary prepayments and the effect thereof, and (iii) spread the total amount of interest throughout the entire contemplated term of this Note.

THIS NOTE IS BEING EXECUTED AND DELIVERED, AND IS INTENDED TO BE PERFORMED IN THE STATE OF TEXAS. EXCEPT TO THE EXTENT THAT THE LAWS OF THE UNITED STATES MAY APPLY TO THE TERMS HEREOF, THE SUBSTANTIVE LAWS OF THE STATE OF TEXAS SHALL GOVERN THE VALIDITY, CONSTRUCTION, ENFORCEMENT AND INTERPRETATION OF THIS NOTE. IN THE EVENT OF A DISPUTE INVOLVING THIS NOTE OR ANY OTHER INSTRUMENTS EXECUTED IN CONNECTION HEREWITH, THE UNDERSIGNED IRREVOCABLY AGREES THAT VENUE FOR SUCH DISPUTE SHALL LIE IN ANY COURT OF COMPETENT JURISDICTION IN DALLAS COUNTY, TEXAS.

If this Note is placed in the hands of an attorney for collection, or if it is collected through any legal proceedings at law or in equity or in bankruptcy, receivership or other court proceedings, Maker promises to pay all costs and expenses of collection including, but not limited to, court costs and the reasonable attorneys' fees of the holder hereof.

(a) Sale of Collateral. Debtor shall not sell or assign or attempt to sell or assign the Collateral or any interest therein, provided, however, that unless an Event of Default has occurred under this Security Agreement, Debtor may sell the inventory to customers in the ordinary course of business.

(b) Removal of Collateral. Except for the sale of Inventory in the ordinary course of business, Debtor covenants and agrees that the Collateral will remain at the location stated on the Schedule of Collateral (the “Premises”) and that without the prior written consent of Secured Party, Debtor shall not remove or suffer or permit the removal of the Collateral from the Premises. If, however, the Collateral is removed from the Premises by persons not within the control of Debtor, Debtor will promptly notify Secured Party in accordance with the applicable provisions of this Security Agreement.

6. Taxes. During the term of this Security Agreement, Debtor shall pay or cause to be paid when due all taxes, assessments and charges or levies imposed upon it or on any of the Collateral or any part thereof, except where such tax, assessment, charge or levy is contested in good faith by appropriate proceedings with adequate reserves therefor having been set aside on its books and, if requested, tendered to Secured Party as additional cash collateral. Debtor shall pay or cause to be paid all such contested taxes, assessments, charges or levies forthwith whenever foreclosure on any lien that attaches (or security therefor) appears imminent. Debtor on demand shall promptly furnish Secured Party with receipts showing any such payment and Debtor shall not permit the Collateral, or any part thereof, to be levied upon or sold for any tax, charge or assessment whatsoever, nor permit to be done to, in, upon or about the Collateral, anything that may impair the value thereof, or the security interest therein created hereby.

7. Other Provisions Applicable to the Collateral. Debtor covenants and agrees that during the term of this Security Agreement:

(a) Location of Principal Place of Business. The principal place of business of Debtor is located at the Premises as more fully described in the attached Schedules. Debtor shall not move its principal place of business except to such new location as may be established in accordance with subparagraph (e) below.

(b) Jurisdiction of Formation; Charter Number. Debtor is, and shall remain at all times, a duly formed and validly existing entity under the laws of the state set forth in the Franchise Agreement and having the charter number set forth in the Franchise Agreement.

(c) Exact Legal Name. Debtor shall not change its legal name in any manner except a change in name permitted following compliance with the provisions of subparagraph (e) below. Debtor does not and will not use any other name of trade style to identify itself to the public.

(d) Location of Books and Records. Debtor’s original books of account and records relating to the Collateral are, and shall continue to be, kept at its principal place of business. Debtor shall not permit any original books of account or records concerning the Collateral to be located at any other address except such new locations as it may establish in accordance with subparagraph (e) below.

(e) Establishment of New Location or Name. If Debtor desires to establish a new location for its principal place of business where Collateral or original books of account or records relating to the Collateral may be kept or to alter the exact legal name of Debtor in any manner or take title to the Collateral or change its jurisdiction of formation then Debtor shall first, with respect to each new location or name or jurisdiction of formation:

(1) Give Secured Party written notice of its intention to do so and provide Secured Party with such information in connection therewith as Secured Party may reasonably request; and

(2) Take such action, as directed by Secured Party as may be necessary to maintain at all times the perfection and first priority of the security interest in the Collateral granted to Secured Party hereunder.

(f) Inspection. Secured Party shall have the right, during normal business hours and from time to time, to inspect the Collateral and to examine and make copies or extracts from the books and records of Debtor concerning the Collateral and payment of taxes.

8. Insurance. Debtor shall maintain, or cause to be maintained the following policies of insurance:

(a) Debtor shall procure and maintain in full force and effect during the term of this Security Agreement, at Debtor's sole expense, an insurance policy or policies covering the Collateral and protecting Debtor and Secured Party, and its officers, directors, shareholders, and employees, against any claims for loss, liability, personal injury, death, property damage, or any expense whatsoever arising out of or occurring upon or in connection with the Collateral.

(b) The carrier, policy types and policy terms, coverage and limits shall comply with the insurance requirements set forth under the Franchise Agreement.

(c) Upon obtaining the insurance required by this Agreement and on each policy renewal date thereafter, Debtor shall promptly submit evidence of satisfactory insurance and proof of payment therefor to Secured Party, together with, upon request, copies of all policies and policy amendments. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to Secured Party.

(d) Should Debtor, for any reason, fail to procure or maintain the insurance required by this Agreement, Secured Party shall have the right and authority (without, however, any obligation to do so), immediately to procure such insurance and to charge the cost of same to Debtor, which charges, together with costs and expenses in so acquiring the policy or policies, shall be payable by Debtors upon demand.

9. Title to Collateral. Debtor warrants and represents that there are no restrictions on the granting by Debtor to Secured Party of the security interest created hereby, that Debtor is the owner of the Collateral free and clear of all liens, claims, charges, security interests and other encumbrances of any kind or nature (except as created hereby) and that Debtor has the authority

to execute, deliver and consummate this Security Agreement without the consent of any other person or legal entity.

10. Events of Default. The following shall be “Events of Default” under this Security Agreement and the terms “Events of Default” or “Default” shall mean any one or more of the following events:

(a) Default in Payment of Note. Debtor shall fail to pay when due (whether on the date scheduled for payment, upon acceleration, at maturity or otherwise) any payment of principal or interest upon the Debt.

(b) Default Under Other Obligations. Debtor shall fail to pay any indebtedness for borrowed money upon maturity or when such indebtedness becomes or is declared to be due and payable prior to its express maturity by reason of any default in the performance of or observance of any obligation or condition in connection with such indebtedness, and such failure shall continue beyond any applicable grace period.

(c) Default in Material Agreement. Debtor shall be declared to be in default under any material contract, agreement or instrument to which Debtor is a party or by which Debtor or its property is bound including, without limitation, the Note, the Asset Purchase Agreement, the Franchise Agreement, and any other documents or instruments evidencing or securing any obligation of Debtor to Secured Party, Aerus LLC, or their affiliates under or in connection with this Security Agreement or any of the foregoing documents and instruments and such default shall continue for thirty (30) days after receipt of notice of such failure from the other party to the said contract, agreement or instrument.

(d) Insolvency. Debtor shall become insolvent or admit an inability to pay Debts as they become due, or apply for, consent to, or acquiesce in the appointment of a trustee, custodian or receiver for any property; or in the absence of such application or acquiescence, a trustee, custodian or receiver is appointed for Debtor, under any bankruptcy, reorganization, debt arrangement, insolvency law (whether now or hereafter in effect) and such appointment shall not have been terminated within thirty (30) days thereafter, or any dissolution or liquidation proceeding is instituted against Debtor or is consented to or acquiesced in by Debtor; or Debtor shall make an assignment for the benefit of creditors and such inability or assignment shall continue for a period of thirty (30) days.

(e) Levy, Repossession or Seizure of Collateral. Any creditor of Debtor shall obtain possession of any Collateral by any means including, without limitation, levy, distraint, replevin or self-help.

(f) Representations Incorrect. Any representation or warranty made by Debtor herein or in the Note or otherwise, as an inducement to Secured Party to enter into this Security Agreement is untrue in any material respect, or any schedule, statement, report, notice or writing furnished by Debtor to Secured Party is untrue in any material respect as of the date on which the facts set forth therein are stated.

(g) Material Adverse Change. Secured Party shall have determined in good faith and reasonably that a material adverse change has occurred in the business operations or financial

condition of Debtor or that the prospect of payment of the Note or performance under this Security Agreement has become impaired.

(h) Judgments. The issuance, filing or levy against Debtor of an attachment, injunction, execution, tax lien or judgment in excess of one thousand dollars (\$1,000.00) which is not discharged in full or stayed within thirty (30) days after issuance or filing.

11. Remedies on Default. Upon the occurrence of any Event of Default or Default, and without notice, Secured Party may:

(a) Acceleration. Declare the Debt to be immediately due and payable, and the Debt shall thereupon become and be immediately due and payable, without presentment, demand, protest, notice of protest, notice of intent to accelerate, notice of acceleration or other notice of dishonor of any kind (all of which are hereby expressly waived by Debtor) and Secured Party may proceed to protect and enforce its rights either by suit in equity and/or by action at law, whether for specific performance of any covenants or agreement contained in this Security Agreement or the Note or in aid of the exercise of any power granted herein or therein or proceed to obtain judgment or any other relief whatsoever appropriate to the action or proceeding, or proceed to enforce any other legal or equitable right of any holder of the Note.

(b) Additional Remedies. Secured Party shall have, in addition to the rights and remedies given it by this Security Agreement and the Note, all those allowed by applicable law, including, without limitation, the Code. Without limiting the generality of the foregoing, Secured Party may immediately, without demand of performance, presentment and without other notice (except as specifically required by this Security Agreement or the Note) or demand whatsoever to Debtor (all of which are hereby expressly waived) (i) repossess the Collateral at its location or (ii) without advertisement, sell at public or private sale or otherwise realize upon the whole or, from time to time, any part of the Collateral, or any interest which Debtor may have therein. If Secured Party elects to sell the Collateral, after deducting from the proceeds of sale or other disposition of the Collateral all expenses (including all reasonable expenses for legal services), Secured Party shall apply such proceeds as provided in Clause (d) below. Any remainder of the proceeds after satisfaction in full of the Debt shall be distributed as required by applicable law. Notice of any sale or other disposition shall be given at least ten (10) days before the time of any intended public sale or before the time after which any intended private sale or other disposition of the Collateral is to be made, which Debtor hereby agrees shall be reasonable notice of such sale or other disposition. The Debtor agrees to assemble, or to cause to be assembled, at Debtor's own expense, the Collateral at such place or places as Secured Party shall designate. At any such sale or other disposition, Secured Party may to the extent permissible under applicable law, purchase the whole or any part of the Collateral, free from any right of redemption on the part of Debtor, which right is hereby waived and released.

(c) Without limiting the generality of any of the rights and remedies conferred upon Secured Party under this Section, Secured Party may, to the full extent permitted by applicable law:

(1) Enter any premises where the Collateral is located and take possession and control of the same and keep and store the Collateral on such premises or if the Collateral

is located on the Premises, operate the business wherein the Collateral is located. If such premises or Premises are deemed to be the property of Debtor, Debtor agrees not to charge Secured Party for storage thereof during the period Secured Party is exercising its rights with respect to the Collateral under the Code and this Security Agreement;

(2) Upon ten (10) days' prior notice, which shall be deemed to be reasonable notice, sell all or any portion of the Collateral at public or private sale at such place or places and at such time or times and in such manner and upon such terms, whether for cash or credit, as Secured Party in its sole discretion may determine; and

(3) Endorse in the name of Secured Party any instrument, howsoever received by Secured Party, representing the Collateral or proceeds.

(d) Application of Moneys. Secured Party shall apply the proceeds of any sale of or other disposition or realization upon the Collateral in the following manner:

(1) First, to the payment or reimbursement of all reasonable advances, expenses and disbursements of Secured Party (including, without limitation, the fees and disbursements of its counsel and agents) incurred in connection with the administration and enforcement of, or the preservation of any rights under this Security Agreement;

(2) Second, to the repayment of the Debt, whether for principal, interest or expense in such order as Secured Party shall designate; and

(3) Third, any balance to be distributed as required by Law. If the proceeds of any such sale of or other disposition or realization upon the Collateral are insufficient to pay the Debt to Secured Party, then Debtor shall remain liable for such deficiency thereafter.

(e) Right of Set-Off. Secured Party shall have the right to set-off as against any or all amounts owing to Debtor by Secured Party, including, without limitation, any and all other property of the Debtor at any time in the possession of Secured Party, and for such purpose Secured Party shall have and there is hereby granted to and created in favor of Secured Party, a first lien on all such property.

(f) Remedies Cumulative, No Waiver. All rights and remedies given by this Security Agreement and the Note are cumulative and not exclusive of any thereof or of any other rights or remedies available to Secured Party, and no course of dealing between Debtor (individually and collectively) and Secured Party or any delay or omission in exercising any right or remedy shall operate as a waiver of such right or remedy, and every right and remedy may be exercised from time to time and as often as shall be deemed appropriate by Secured Party.

(g) Expense of Secured Party. Debtor shall, on demand, reimburse Secured Party for all expenses, including the reasonable fees and expenses of legal counsel for Secured Party, incurred by Secured Party in connection with the enforcement of this Security Agreement and the Note, and the collection or attempted collection of the Note.

12. Notice. Any notice of default or other notice required to be given or which Secured Party shall give to Debtor hereunder may be given by Secured Party to Debtor in person, by overnight delivery, or by United States certified mail addressed to Debtor at such address as shall have been last designated in writing by Debtor to Secured Party as a place for the giving of notice, or, in the absence of such designation, then at the address appearing by Debtor's signature below.

13. Successors and Assigns. The terms used to designate any of the parties herein shall be deemed to include their respective successors and assigns and shall bind all persons who became bound as a Debtor to this Security Agreement, and the term "Secured Party" shall also include any lawful owner, holder or pledgee of the Note.

14. Perfection of Security Interest. Debtor shall pay the cost of filing or recording this Security Agreement and any related financing statement, in all public offices and the cost of all searches of records, wherever filing or recording or searching of records is deemed by Secured Party to be necessary. At the request of Secured Party, Debtor shall, from time to time, execute additional or supplemental agreements to confirm Secured Party's security interest in the Collateral. To the maximum extent permitted by law, Secured Party is hereby authorized to file and record this Security Agreement and any related financing statements or amendments or supplements thereto as may be required to further perfect or protect the liens and security interests herein granted.

15. Subrogation and Marshalling. Debtor hereby waives, surrenders and agrees not to claim or enforce, so long as the Debt or any portion thereof remains outstanding: (a) any right to be subrogated in whole or in part to any right or claim of the holder of any part of the Debt and (b) any right to require the marshalling of any assets of Debtor which right of subrogation or marshalling might otherwise arise from any payment to the holder of any part of the Debt arising out of the enforcement of the security interest granted hereby, or any other mortgage or security interest granted by Debtor or any other person to Secured Party, or the liquidation of or realization upon the Collateral, any other collateral granted by Debtor or any other person to Secured Party, or any part thereof.

16. Execution in Counterparts; Facsimile Authentication. This Security Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one agreement. Any counterpart of this Security Agreement may be executed by facsimile, and the production of a facsimile copy of this Security Agreement shall be deemed to be the equivalent of production of an originally executed copy of this Security Agreement for all purposes.

17. Governing Law and Waiver of Jury Trial. This Security Agreement shall be governed by, and construed in accordance with, the laws of the State of Texas, other than the conflicts of laws principles thereof, except to the extent the Code provides for the application of the law of the Debtor's state of formation.

18. Forum Selection. The parties agree that any action brought by Debtor against Secured Party in any court, whether federal or state, shall be brought only within the State of Texas in the judicial district in which Secured Party has its principal place of business; and the parties waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision.

The parties also agree that the Secured Party may bring any action against the Debtor in any court, whether federal or state, within either (a) the State of Texas; or (b) in any jurisdiction wherein Debtor resides or owns property. If Secured Party brings an action against Debtor in any state or federal court located, Debtor accepts generally and unconditionally the jurisdiction and venue of the aforesaid courts and waives any defense of forum non-conveniens.

19. WAIVER OF JURY TRIAL. SECURED PARTY AND DEBTOR AGREE THAT IN ANY LITIGATION, SUIT, ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNS, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE OF THIS AGREEMENT, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. SECURED PARTY AND DEBTOR HEREBY IRREVOCABLY WAIVE ANY RIGHT EITHER PARTY MAY HAVE TO A TRIAL BY JURY. EITHER SECURED PARTY OR DEBTOR MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF SECURED PARTY OR DEBTOR TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

20. Whenever, in this document the meaning of any term or word is not readily understood from the context in which it is used, or whenever a dispute may arise between the parties as to the meaning of any term or word in this document, the definitions set forth in the Franchise Agreement or the Asset Purchase Agreement (the Franchise Agreement having priority and control as between the two) to which the Debtor is a party shall be controlling as to the proper definition or such term or word.

21. Partial Invalidity. If any terms, covenants, or conditions of this Agreement shall be invalid or unenforceable, the remainder of this Agreement shall nevertheless survive and be binding upon the parties hereto.

22. Consigned Products from Secured Party. The security interest granted herein over the Collateral does not include (and the term Collateral as used herein does not include) the Consigned Products (as such term is defined in the Franchise Agreement) delivered to Debtor by Secured Party, which Consigned Products are the subject of a separate written agreement (the "Consigned Products Security Agreement") and security interest. To the extent of any conflict between this Security Agreement and the Consigned Products Security Agreement, the Consigned Products Security Agreement shall control with respect to the Consigned Products only.

Re: [INSERT: Name and address of Franchisee] (“Borrower”)

Ladies and Gentlemen:

Aerus Franchising, LLC (“Lender”) and Borrower have entered into certain financing arrangements pursuant to which Lender may make loans and advances and provide other financial accommodations to Borrower as set forth in that certain Secured Promissory Note (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the “Note”), and other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to, this Guarantee (all of the foregoing, together with the Note, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, being collectively referred to herein as the “Financing Agreements”).

Due to the close business and financial relationships between Borrower and the undersigned (“Guarantor”), in consideration of the benefits which will accrue to Guarantor and as an inducement for and in consideration of Lender making loans and advances and providing other financial accommodations to Borrower pursuant to the Note and the other Financing Agreements, Guarantor hereby agrees in favor of Lender as follows:

1. Guarantee.

(a) Guarantor absolutely and unconditionally guarantees and agrees to be liable for the full and indefeasible payment and performance when due of the following (all of which are collectively referred to herein as the “Guaranteed Obligations”): (i) all obligations, liabilities and indebtedness of any kind, nature and description of Borrower to Lender and/or its affiliates, including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, whether arising under the Note, the other Financing Agreements or otherwise, whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the Note or after the commencement of any case with respect to Borrower under the United States Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts, which would accrue and become due but for the commencement of such case, whether or not such amounts are allowed or allowable in whole or in part in any such case and including loans, interest, fees, charges and expenses related thereto and all other obligations of Borrower or its successors to Lender arising after the commencement of such case), whether direct or indirect, absolute or contingent, joint or several, due or not due, primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by Lender and (ii) all expenses (including, without limitation, attorneys’ fees and legal expenses) incurred by Lender in connection with the preparation, execution,

delivery, recording, administration, collection, liquidation, enforcement and defense of Borrower's obligations, liabilities and indebtedness as aforesaid to Lender, the rights of Lender in any collateral or under this Guarantee and all other Financing Agreements or in any way involving claims by or against Lender directly or indirectly arising out of or related to the relationships between Borrower, Guarantor or any other Obligor (as hereinafter defined) and Lender, whether such expenses are incurred before, during or after the initial or any renewal term of the Note and the other Financing Agreements or after the commencement of any case with respect to Borrower or Guarantor under the United States Bankruptcy Code or any similar statute.

(b) This Guarantee is a guaranty of payment and not of collection. Guarantor agrees that Lender need not attempt to collect any Guaranteed Obligations from Borrower, Guarantor or any other Obligor or to realize upon any collateral, but may require Guarantor to make immediate payment of all of the Guaranteed Obligations to Lender when due, whether by maturity, acceleration or otherwise, or at any time thereafter. Lender may apply any amounts received in respect of the Guaranteed Obligations to any of the Guaranteed Obligations, in whole or in part (including attorneys' fees and legal expenses incurred by Lender with respect thereto or otherwise chargeable to Borrower or Guarantor) and in such order as Lender may elect.

(c) Payment by Guarantor shall be made to Lender at the office of Lender from time to time on demand as Guaranteed Obligations become due. Guarantor shall make all payments to Lender on the Guaranteed Obligations free and clear of, and without deduction or withholding for or on account of, any setoff, counterclaim, defense, duties, taxes, levies, imposts, fees, deductions, withholding, restrictions or conditions of any kind. One or more successive or concurrent actions may be brought hereon against Guarantor either in the same action in which Borrower or any other Obligor is sued or in separate actions. In the event any claim or action, or action on any judgment, based on this Guarantee is brought against Guarantor, Guarantor agrees not to deduct, set-off, or seek any counterclaim for or recoup any amounts which are or may be owed by Lender to Guarantor.

(d) It is acknowledged that this Guaranty, the Note and the other Financing Agreements are being executed in connection with the execution of a certain Franchise Agreement (the "Franchise Agreement") by and between Borrower and Lender or an affiliate of Lender. Notwithstanding the generality of the foregoing provisions or any other contrary provision hereof, the guaranty obligation contemplated hereunder shall be non-recourse and shall not apply except in the following cases: (i) fraud or misrepresentation in connection with the execution or performance of the Franchise Agreement, the Note or any other Financing Agreements; (ii) theft or conversion of the assets of Lender or any of Lender's affiliates (including Aerus LLC) including any consigned goods or proceeds from the sale of any consigned good (which may include selling such consigned goods at prices below the required prices); (iii) misuse or infringement of any trademark or other item of intellectual property or right owned or licensed by Lender or any of Lender's affiliates (including Aerus LLC); or (iv) breach or violation of any license granted under the Franchise Agreement concerning such trademarks and intellectual property.

2. Waivers and Consents.

(a) Notice of acceptance of this Guarantee, the making of loans and advances and providing other financial accommodations to Borrower and presentment, demand, protest, notice

of protest, notice of nonpayment or default and all other notices to which Borrower or Guarantor is entitled are hereby waived by Guarantor. Guarantor also waives notice of and hereby consents to, (iii) any amendment, modification, supplement, extension, renewal, or restatement of the Note and any of the other Financing Agreements, including, without limitation, extensions of time of payment of or increase or decrease in the amount of any of the Guaranteed Obligations, interest rate, fees, other charges, or any collateral, and the guarantee made herein shall apply to the Note and the other Financing Agreements and the Guaranteed Obligations as so amended, modified, supplemented, renewed, restated or extended, increased or decreased, (iv) the taking, exchange, surrender and releasing of collateral or guarantees now or at any time held by or available to Lender for the obligations of Borrower or any other party at any time liable on or in respect of the Guaranteed Obligations or who is the owner of any property which is security for the Guaranteed Obligations (individually, an “Obligor” and collectively, the “Obligors”), (v) the exercise of, or refraining from the exercise of any rights against Borrower or any other Obligor or any collateral and (vi) the settlement, compromise or release of, or the waiver of any default with respect to, any of the Guaranteed Obligations. Guarantor agrees that the amount of the Guaranteed Obligations shall not be diminished and the liability of Guarantor hereunder shall not be otherwise impaired or affected by any of the foregoing.

(b) No invalidity, irregularity or unenforceability of all or any part of the Guaranteed Obligations shall affect, impair or be a defense to this Guarantee, nor shall any other circumstance which might otherwise constitute a defense available to or legal or equitable discharge of Borrower in respect of any of the Guaranteed Obligations, or Guarantor in respect of this Guarantee, affect, impair or be a defense to this Guarantee. Without limitation of the foregoing, the liability of Guarantor hereunder shall not be discharged or impaired in any respect by reason of any failure by Lender to perfect or continue perfection of any lien or security interest in any collateral or any delay by Lender in perfecting any such lien or security interest. As to interest, fees and expenses, whether arising before or after the commencement of any case with respect to Borrower under the United States Bankruptcy Code or any similar statute, Guarantor shall be liable therefor, even if Borrower’s liability for such amounts does not, or ceases to, exist by operation of law. Guarantor acknowledges that Lender has not made any representations to Guarantor with respect to Borrower, any other Obligor or otherwise in connection with the execution and delivery by Guarantor of this Guarantee and Guarantor is not in any respect relying upon Lender or any statements by Lender in connection with this Guarantee.

(c) Guarantor hereby irrevocably and unconditionally waives and relinquishes all statutory, contractual, common law, equitable and all other claims against Borrower, any collateral for the Guaranteed Obligations or other assets of Borrower or any other Obligor, for subrogation, reimbursement, exoneration, contribution, indemnification, setoff or other recourse in respect to sums paid or payable to Lender by Guarantor hereunder and Guarantor hereby further irrevocably and unconditionally waives and relinquishes any and all other benefits which Guarantor might otherwise directly or indirectly receive or be entitled to receive by reason of any amounts paid by or collected or due from Guarantor, Borrower or any other Obligor upon the Guaranteed Obligations or realized from their property.

3. Subordination. Payment of all amounts now or hereafter owed to Guarantor by Borrower or any other Obligor is hereby subordinated in right of payment to the indefeasible

payment in full to Lender of the Guaranteed Obligations and all such amounts and any security and guarantees therefor are hereby assigned to Lender as security for the Guaranteed Obligations.

4. Acceleration. Notwithstanding anything to the contrary contained herein or any of the terms of any of the other Financing Agreements, the liability of Guarantor for the entire Guaranteed Obligations shall mature and become immediately due and payable, even if the liability of Borrower or any other Obligor therefor does not, upon the occurrence of any act, condition or event which constitutes an Event of Default as such term is defined in the Note.

5. Unlimited, Absolute and Unconditional Guaranty. Except as provided in any Rider attached hereto (if applicable), this Guarantee is continuing, unlimited, absolute and unconditional. All Guaranteed Obligations shall be conclusively presumed to have been created in reliance on this Guarantee. Guarantor shall continue to be liable hereunder until one of Lender's officers actually receives a written termination notice from Guarantor sent to Lender at its address set forth above by certified mail, return receipt requested and thereafter as set forth below. Revocation or termination hereof by Guarantor shall not affect, in any manner, the rights of Lender or any obligations or duties of Guarantor under this Guarantee with respect to (i) Guaranteed Obligations which have been created, contracted, assumed or incurred prior to the receipt by Lender of such written notice of revocation or termination as provided herein, including, without limitation, (ii) all amendments, extensions, renewals and modifications of such Guaranteed Obligations (whether or not evidenced by new or additional agreements, documents or instruments executed on or after such notice of revocation or termination), (iii) all interest, fees and similar charges accruing or due on and after revocation or termination, and (iv) all attorneys' fees and legal expenses, costs and other expenses paid or incurred on or after such notice of revocation or termination in attempting to collect or enforce any of the Guaranteed Obligations against Borrower, Guarantor or any other Obligor (whether or not suit be brought), or (v) Guaranteed Obligations which have been created, contracted, assumed or incurred after the receipt by Lender of such written notice of revocation or termination as provided herein pursuant to any contract entered into by Lender prior to receipt of such notice. The sole effect of such revocation or termination by Guarantor shall be to exclude from this Guarantee the liability of Guarantor for those Guaranteed Obligations arising after the date of receipt by Lender of such written notice which are unrelated to Guaranteed Obligations arising or transactions entered into prior to such date. Without limiting the foregoing, this Guarantee may not be terminated and shall continue so long as the Note shall be in effect (whether during its original term or any renewal, substitution or extension thereof).

6. Amendments and Waivers. Neither this Guarantee nor any provision hereof shall be amended, modified, waived or discharged orally or by course of conduct, but only by a written agreement signed by an authorized officer of Lender. Lender shall not by any act, delay, omission or otherwise be deemed to have expressly or impliedly waived any of its rights, powers and/or remedies unless such waiver shall be in writing and signed by an authorized officer of Lender. Any such waiver shall be enforceable only to the extent specifically set forth therein. A waiver by Lender of any right, power and/or remedy on any one occasion shall not be construed as a bar to or waiver of any such right, power and/or remedy which Lender would otherwise have on any future occasion, whether similar in kind or otherwise.

7. Governing Law; Choice of Forum; Service of Process; Jury Trial Waiver.

(a) The validity, interpretation and enforcement of this Guarantee and any dispute arising out of the relationship between Guarantor and Lender, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of Texas (without giving effect to principles of conflicts of law).

(b) Guarantor hereby irrevocably consents and submits to the non-exclusive jurisdiction of the State of Texas, Dallas County, and the United States District Court having jurisdiction in and for Dallas County, Texas and waives any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Guarantee or any of the other Financing Agreements or in any way connected with or related or incidental to the dealings of Guarantor and Lender in respect of this Guarantee or any of the other Financing Agreements or the transactions related hereto or thereto, in each case whether now existing or hereafter arising and whether in contract, tort, equity or otherwise, and agrees that any dispute arising out of the relationship between Guarantor or Borrower and Lender or the conduct of any such persons in connection with this Guarantee, the other Financing Agreements or otherwise shall be heard only in the courts described above (except that Lender shall have the right to bring any action or proceeding against Guarantor or his or her property in the courts of any other jurisdiction which Lender deems necessary or appropriate in order to realize on any collateral at any time granted by Borrower or Guarantor to Lender or to otherwise enforce its rights against Guarantor or his or her property).

(c) Guarantor hereby waives personal service of any and all process upon Guarantor and consents that all such service of process may be made by registered or certified mail (return receipt requested) directed to his or her address set forth on the signature pages hereof and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the mails, or, at Lender's option, by service upon Guarantor in any other manner provided under the rules of any such courts. Within thirty (30) days after such service, Guarantor shall appear in answer to such process, failing which Guarantor shall be deemed in default and judgment may be entered by Lender against Guarantor for the amount of the claim and other relief requested.

(d) GUARANTOR HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (ix) ARISING UNDER THIS GUARANTEE OR ANY OF THE OTHER FINANCING AGREEMENTS OR (x) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF GUARANTOR AND LENDER IN RESPECT OF THIS GUARANTEE OR ANY OF THE OTHER FINANCING AGREEMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. GUARANTOR HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT GUARANTOR OR LENDER MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF GUARANTOR AND LENDER HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Lender shall not have any liability to Guarantor (whether in tort, contract, equity or otherwise) for losses suffered by Guarantor in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Guarantee, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Lender that the losses were the result of acts or omissions constituting gross negligence or willful misconduct. In any such litigation, Lender shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of the Note and the other Financing Agreements.

8. Notices. All notices, requests and demands hereunder shall be in writing and (a) made to Lender at its address set forth above and to Guarantor at his or her address set forth below, or to such other address as either party may designate by written notice to the other in accordance with this provision, and (b) deemed to have been given or made: if delivered in person, immediately upon delivery; if by telex, telegram or facsimile transmission, immediately upon sending and upon confirmation of receipt; if by recognized overnight courier service with instructions to deliver the next business day, one (1) business day after sending; and if by registered or certified mail, return receipt requested, five (5) days after mailing.

9. Partial Invalidity. If any provision of this Guarantee is held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate this Guarantee as a whole, but this Guarantee shall be construed as though it did not contain the particular provision held to be invalid or unenforceable and the rights and obligations of the parties shall be construed and enforced only to such extent as shall be permitted by applicable law.

10. Entire Agreement. This Guarantee represents the entire agreement and understanding of the parties concerning the subject matter hereof, and supersedes all other prior agreements, understandings, negotiations and discussions, representations, warranties, commitments, proposals, offers and contracts concerning the subject matter hereof, whether oral or written. **THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

11. Successors and Assigns. This Guarantee shall be binding upon Guarantor and his or her heirs, executors, administrators, successors and assigns and shall inure to the benefit of Lender and its successors, endorsees, transferees and assigns.

12. Construction. All references to the term “Guarantor” wherever used herein shall mean Guarantor and his or her heirs, executors, administrators, successors and assigns (including, without limitation, any receiver, trustee or custodian for Guarantor or any of his or her assets or Guarantor in his or her capacity as debtor or debtor-in-possession under the United States Bankruptcy Code). All references to the term “Lender” wherever used herein shall mean Lender and its successors and assigns and all references to the term “Borrower” wherever used herein shall mean Borrower and its successors and assigns (including, without limitation, any receiver, trustee or custodian for Borrower or any of its assets or Borrower in its capacity as debtor or debtor-in-possession under the United States Bankruptcy Code). Re: Commitment Letter and Good Faith Deposit
_____ (Location)

Dear Aerus Franchising:

After reviewing the Franchise Disclosure Document and considering the terms and conditions of being an Aerus Franchisee (an “Aerus Franchisee”), I am writing to express my interest in and commitment to becoming an Aerus Franchisee and, if applicable, acquiring the business assets (the “Assets”) of the existing Aerus business location identified above. I have completed my independent research of the Aerus Franchising opportunity and would like to be considered for the awarding of an Aerus Franchise (an “Aerus Franchise”).

Included with this commitment letter is my non-refundable and non-transferable \$100.00 “Good Faith Deposit.” Although the deposit is non-refundable and non-transferable concerning my commitment hereunder, I understand the deposit is fully refundable if you do not confirm me as an Aerus Franchisee. I also understand that if I am accepted by you as an Aerus Franchise and successfully complete all of the conditions, including attending the required training program, the deposit will be applied at closing toward either my down payment for the Assets or the Initial Franchise Fee. The deposit is not otherwise refundable and will not otherwise be applied to any payments.

This commitment letter represents my commitment to becoming an Aerus Franchisee upon the execution and acceptance by you of all necessary documents and my full satisfaction of all other conditions. I realize that this commitment letter does not require me to become an Aerus Franchisee, does not constitute an offer for an Aerus Franchise or otherwise obligate Aerus to grant me a franchise and does not convey to me any rights with respect to Aerus or an Aerus Franchise.

I look forward to your response.

Best regards,
