HOW TO USE THIS FRANCHISE DISCLOSURE DOCUMENT

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees (if there are any). To the extent there are any, you can find their names and contact information in Item 20 or Exhibit K.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit B includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only <i>Barrio Queen</i> business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a <i>Barrio Queen</i> franchisee?	Item 20 or Exhibit K lists current and former franchisees, to the extent there are any. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

WHAT YOU NEED TO KNOW ABOUT FRANCHISING GENERALLY

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

SOME STATES REQUIRE REGISTRATION

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT THIS FRANCHISE

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Arizona. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Arizona than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Franchise History.** This restaurant concept has never been franchised prior to March 2023. As of the Issuance Date of this Disclosure Document, there are no (and have been no) franchisees who have signed a franchise agreement and/or opened and operated a Barrio Queen restaurant – as all Barrio Queen restaurants have only been owned and operated by franchisor or its predecessor.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW

Section 445.1508(1) of the Michigan Franchise Investment Law requires franchisor to give you a copy of the Franchise Disclosure Document earlier of: (i) 10 business days prior to signing the Franchise Agreement; or (ii) 10 business days prior to franchisor's receipt of any consideration.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN THE FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

(j) No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Additionally, as of the issuance date of this Disclosure Document, we are not offering area representative agreements under a separate Area Representative

Franchise Disclosure Document but may do so in the future under a separate disclosure document.

Except as described above, neither we nor any of our affiliates, have offered any other franchises in any other line of business.

Affiliates That Provide Products or Services to Franchisees

An affiliate of Franchisor's may be created to provide franchisees with goods and/or services such as to: (i) administer the national advertising fund and/or any regional or local advertising association for you, or (ii) sell, distribute, and/or coordinate logistics of equipment, menu boards, interior and exterior signage, and/or smallwares with you.

Certain affiliates of Franchisor may ultimately provide to Franchisor the following services: administrative, legal, accounting, sales, POS, IT, real estate, purchasing, distribution and/or marketing support services.

The Franchise

We are in the business of franchising Barrio Queen restaurants. If you qualify, you may (i) construct a new Barrio Queen restaurant; (ii) purchase one of our Barrio Queen franchises by acquiring an existing business from another franchisee (if any) or from us or an affiliate of ours; or (iii) convert all your existing retail operations from another brand to our Barrio Queen brand.

The business you will operate is a Barrio Queen restaurant specializing in authentic Southern Mexican food and beverage on a take-out, delivery or eat-in basis, at a specific location approved by us, and using the trademarks Barrio Queen, and other trademarks, trade names, service marks, logotypes, and other commercial symbols we adopt and authorize. A Barrio Queen restaurant is traditionally a restaurant that is easily available to the general public, and located primarily in places such as a free-standing building and end caps in retail centers. A Barrio Queen restaurant normally offers a full Barrio Queen menu. A Barrio Queen restaurant is also referred to herein as the "Franchised Business" or "Restaurant."

Barrio Queen restaurants serve the general public, and people of all ages consume the food products offered by Barrio Queen restaurants. Barrio Queen restaurants may be operated throughout the year. Some of your competitors may include Barrio Queen restaurants operated by other franchisees or by us or our affiliates, and you will compete with local, regional and national Mexican restaurants and other full-service and quick-service casual restaurant chains and eating establishments. The extent to which you may succeed at any particular location cannot be predicted. Because of the highly competitive nature of the business involved, successful operation of the Franchised Business will depend in part upon the best efforts, capabilities, management, and efficient operation by the franchisee; as well as the general economic trend and other local marketing conditions.

Industry Specific Regulation

The restaurant industry is heavily regulated. Many of the laws, rules, and regulations that apply to businesses generally have particular applicability to restaurants, especially restaurants that serve alcoholic beverages. All Franchised Businesses must comply with federal, state, and local laws applicable to the operation and licensing of restaurant businesses, including nutritional disclosure requirements, regulations affecting the content of foods served in restaurants and obtaining all applicable health permits and/or inspections and approvals by municipal, county, or state health departments that regulate food and liquor service operations. Your Franchised Business must also meet applicable municipal, county, state, and federal building codes and handicap access codes, in addition to other requirements set forth in the Americans with Disabilities Act.

Unless Franchisor agrees otherwise, your Franchised Business must serve beer, wine and other alcoholic beverages. You must have a liquor license before you sell alcoholic beverages at your Restaurant. The difficulty and cost of obtaining a liquor license, and the steps for securing the license, vary greatly from area to area. There is also wide variation in state and local laws and regulations that govern the sale of alcoholic beverages. In addition, state dram shop laws give rise to potential liability for injuries that are directly or indirectly related to the sale and consumption of alcohol.

The U.S. Food and Drug Administration, the U.S. Department of Agriculture and state and local health departments administer and enforce regulations that govern food preparation and service and restaurant sanitary conditions. State and local agencies inspect restaurants to ensure that they comply with these laws and regulations.

The Federal Clean Air Act and various state laws require certain state and local areas to meet national air quality standards limiting emissions of ozone, carbon monoxide and particles, including caps on emissions from commercial food preparation. Some state and local governments also regulate indoor air quality, including limiting the use of tobacco products in public places, such as restaurants.

There may be other laws which apply to your Franchised Business. You should investigate and consider all laws and regulations when evaluating your purchase of a franchise.

On or about February 17, 2015, Koho, Inc. (“Koho”) filed a Complaint against Kahala Franchising, L.L.C. (“Kahala”) alleging: (i) breach of contract; (ii) unjust enrichment; and (iii) declaratory relief. On or about May 5, 2015, Kahala filed a Cross-Complaint against Koho; Heeyong Kyle Chung; and Hannah Kim; alleging: (i) breach of contract; (ii) unjust enrichment; (iii) disgorgement and restitution; (iv) fraud-deceit and concealment; (v) negligent misrepresentation; (vi) conversion; (vii) negligence; and (viii) declaratory relief. Kahala sought: (i) breach of contract damages in amount according to proof; (ii) disgorgement and restitution on Unjust Enrichment cause of action; (iii) judicial determination that Kahala is permitted and entitled to set off amounts owed to it by Koho with funds in its possession which would otherwise have been due Koho; (iv) costs; (v) attorneys’ fees; (vi) punitive damages; and (vii) prejudgment interest; (viii) any other relief the Court deems just and proper. On or about June 15, 2015, Koho filed a Notice of Hearing on Demurrer and Demurrer to Kahala’s Cross-Complaint; Memorandum of Points and Authorities; Declaration of Daniel D. Hoffman and Exhibits in Support Thereof. Koho filed its Notice of Motion and Motion to Strike Certain Portions of Kahala’s Cross Complaint; Memorandum of Points and Authorities on June 17, 2015. Mediation was held on May 3, 2016, which failed to yield a settlement between the two parties. On July 18, 2016, the Court awarded Kahala attorneys’ fees in the amount of \$205,000. On September 22, 2016, Koho filed a Notice of Filing of Notice of Appeal and requested that Kahala participate in a mediation to resolve the outstanding award to Kahala. Koho failed to post an appeal bond. On February 13, 2017, Kahala commenced its self-help pursuant to Section 8(i) and (j) of the ARA and began withholding 100% of the Area Representative fees to which Koho would have otherwise been entitled. On June 19, 2017, the parties entered into a settlement agreement whereby Kahala repurchased Koho’s Area Developer territory for the sum of \$75,000 and forgave the remaining damages owed in the amount of \$130,000.

Concluded State Administrative Actions Involving SFF, LLC, successor in interest to SweetFrog Enterprises, LLC

In the Matter of SweetFrog Enterprises, LLC f.k.a. Imagination Enterprises, Inc., d/b/a Sweet Frog, Administrative Proceeding Before the Securities Commissioner of Maryland, Case No. 2012-0055.

As a result of an inquiry into the franchise related activities of SweetFrog Enterprises, LLC, ("SFE") the Maryland Securities Commissioner ("Commissioner") concluded that grounds existed to allege that SFE violated the registration and disclosure provisions of the Maryland Franchise Law in relation to the offer and sale of certain license agreements. SFE acknowledged that those license agreements constituted franchises as defined under the Maryland Franchise Law. SFE represented that it entered into license agreements with eight Maryland licensees during the time it was not registered to offer and sell franchises in Maryland. On August 29, 2012, the Commissioner and SFE agreed to enter into a consent order whereby SFE, without admitting or denying any violations of the law, agreed to: (i) immediately and permanently cease from the offer and sale of franchises in violation of the Maryland Franchise Law; (ii) file and diligently pursue an application for an initial franchise registration in Maryland relating to the license agreements it offered and sold to Maryland licensees; and (iii) to offer to rescind the license agreements of all Maryland licensees to whom it sold unregistered franchises. We are not aware of any licensees that accepted the rescission and have made a good faith effort to obtain that information.

Without the admission of any wrongdoing, Respondents consented to the entry of an order in which Respondents agreed to (i) entry of a judgment enjoining them from further violations of the New York Franchise Sales Act, and (ii) pay the sum of \$18,000 to the State of New York as an additional allowance. Respondents paid the \$18,000 in May 1992 and executed the consent judgment on August 25, 1992.

Concluded State Administrative Actions Involving Maui Wowi Franchising, Inc., predecessor in interest to Kahala Franchising, L.L.C.

In the Matter of Maui Wowi Franchising, Inc., Before the Securities Commissioner of Maryland (Case No. 2005-0651)

On November 11, 2005, Maui Wowi Franchising, Inc. (“MWF”), the predecessor franchisor of the Maui Wowi brand entered into a Consent Order with the Securities Commissioner of Maryland (“Commissioner”) resulting from MWF inadvertently entering into four franchise agreements with Maryland residents (“Maryland Franchisees”) after its registration in Maryland expired on June 9, 2004. The Consent Order required MWF to (i) cease and desist from the offer and sale of unregistered franchises in Maryland; (ii) diligently pursue the completion of its then pending application to register its Offering Circular in Maryland; (iii) develop and implement new franchise law compliance procedures to ensure future compliance with the registration and disclosure provisions of Maryland Franchise Law; and (iv) enroll an officer and a franchise compliance person in a franchise law compliance training program. Upon notification by the Commissioner, MWF sent to the Maryland Franchisees the registered Offering Circular, a copy of the Consent Order, and a letter notifying the Maryland Franchisees that they could rescind their franchise agreements. At this time, MWF is in full compliance with the Consent Order.

In the Matter of Maui Wowi Franchising, Inc., Before the Securities Commissioner of Maryland, (Case No. 2007-0194).

On September 12, 2007, Maui Wowi Franchising, Inc. (“MWF”) the predecessor franchisor of the Maui Wowi brand, entered into a Consent Order with the Maryland Commissioner resulting from MWF inadvertently entering into two franchise agreements with two Maryland residents (“Second Maryland Franchisees”) without delivering to them the appropriate Offering Circular. MWF was registered in the State of Maryland at the time of the offer and sale with an Offering Circular containing certain specific information required only by Maryland law. At the same time, MWF used a second form of Offering Circular in other states that did not contain all of the information required by Maryland law. Prior to the execution of the franchise agreements with the Second Maryland Franchisees, MWF accidentally delivered to them the Offering Circular that did not contain the Maryland-specific information. MWF subsequently reported these mistakes to the Commissioner. The Consent Order required MWF to (i) cease and desist from the offer and sale of franchises in Maryland in violation of the Maryland Franchise Law; (ii) diligently pursue the completion of its then pending application to register its Offering Circular in Maryland; (iii) implement additional compliance measures to ensure future compliance with the Maryland Franchise Law; (iv) employ an approved franchise law compliance training program or trainer to monitor MWF’s franchise activities in Maryland for two years; and (v) reimburse the Maryland Attorney General for its investigation and resolution costs in the total amount of \$2,500. Additionally, MWF was required to provide to the Second Maryland Franchisees the registered Offering Circular, a copy of the Consent Order, and a letter notifying the Second Maryland Franchisees that they have a right to rescind their franchise agreements. The Commissioner and MWF subsequently entered into an Amended Consent Order in which MWF elected to withdraw from the State of Maryland instead of employing a compliance monitor, with the agreement to employ a monitor if MWF was to re-register in the State of Maryland. MWF fully complied with the Amended Consent Order, and subsequently employed a compliance monitor and was granted registration in the State of Maryland.

Management Fee	6% of the Franchised Business' Gross Sales (in addition to the Royalty Fee and Advertising Fee) plus our direct out-of-pocket costs and expenses.	Payable with Royalty and Advertising Fee	If we assume the management of your Franchised Business for any period of time.

Notes:

(1) These fees are collected by Franchisor or its affiliate, are payable to Franchisor, and are non-refundable. These fees are uniformly imposed by Franchisor; however, Franchisor, in its sole discretion, may reduce or waive a one-time fee (*i.e.*, transfer franchise fee, renewal franchise fee, etc.) or may waive or reduce an ongoing fee (*i.e.*, Royalty Fee or Advertising Fees) for a defined period of time.

(2) In our sole discretion, we may charge, in addition to the Royalty Fee, a Surcharge of up to \$10 per week if your Restaurant is located in a state that imposes additional reporting requirements on a franchisor.

(3) At the time you sign the Franchise Agreement, you will set up a depository account with your local banking institution. You are required to maintain a minimum balance as established by Franchisor in this account at all times. This will mean that you must replenish the depository account to such amount after Franchisor makes any withdrawals. (A Pre-Authorized Electronic Funds Transfer Form by and payable to Franchisor is attached as Exhibit I).

(4) Franchisor directs that Advertising Fees be paid to us, a national advertising fund ("National Fund") designated by us, and/or, in our sole discretion, to a designated approved regional advertising fund ("Regional Fund," and together with the National Fund, the "Advertising Fund" or "Fund"). Upon sixty (60) days' notice by us to you, we may unilaterally increase the Advertising Fee from its current level by one half percent (.5%) of your weekly Gross Sales in any twelve-month period. We encourage the formation of franchisee local advertising associations (each an "LAA"). Currently, there is no established local advertising association. If a LAA is formed for your region, you must financially contribute to the LAA in addition to the National Fund, as required by us. Failure to do so will be deemed a breach of the Franchise Agreement and you may also, in Franchisor's sole discretion, lose your right to vote on decisions the LAA makes. The membership of the LAA is defined by us according to your market area. If no LAA exists where your Restaurant is located, your store will be considered a "single store" LAA and you must contribute to the Regional Fund for your store. In limited cases in our sole discretion (for example, certain international restaurants or non-traditional restaurants such as airport or university locations that require different advertising support), some stores may not be obligated to contribute to the Fund. For each of our company-owned

or affiliate-owned restaurants, it's our policy that such restaurants make contributions to the Fund at a rate equal to the lowest rate a franchisee is then-required to contribute. Company-owned or affiliate-owned restaurants have the same voting power as franchisee owned restaurants. On our request, you must assist in establishing an LAA or in deciding how to allocate contributions we may make to the LAA. We reserve the right to establish general standards concerning the operation of an LAA, to specify the advertising agencies an LAA must retain, and to designate advertising programs an LAA must conduct. Notwithstanding anything to the contrary, no LAA may make decisions or spend advertising contributions without our prior written approval. (See Franchise Agreement – Section 5.4).

(5) If we hold an annual meeting (“Meeting”), the Meeting will be held at various locations throughout the United States and/or online as we may designate in our sole discretion, and may offer valuable continuing education programs. Because the planning and funding of the Meeting must be done well in advance and requires a substantial financial commitment, we have the right to debit your Depository Account for the Annual Meeting Registration Fee up to \$1,000 at any time 60 to 90 days prior to the first day of the Meeting. This fee is not refundable and will be debited from all franchisees’ accounts (even if you do not attend the Meeting). If you do not attend the Meeting, we will send to you one full set of the substantive materials that were presented at the Meeting.

(6) You must participate in all programs of a charitable nature designated by us from time-to-time, including the obligation to contribute a designated percentage of opening day sales (or sales for other periods) to a charity designated by you or us, as we may elect.

(7) We may develop or contract with third parties to develop centralized or technology-based methods of taking, processing, routing, and delivering orders in addition to the methods and technology we currently use or authorize (collectively "Additional Order Systems"). These may become mandatory at any time during the term of the Franchise Agreement and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with us and with third parties. To the extent these products and services are owned by us or an affiliate or provided to you by us or an affiliate, we may charge up front and/or ongoing fees that may be included as part of the Technology Fee. However, to the extent all the direct and indirect costs to develop, test and implement an Additional Ordering System are paid from other sources, then such up-front and ongoing fees charged by us would be intended only to cover our ongoing expenses, including direct costs and reasonable allocations.

(8) If you fail to deliver or provide to us any statement, report or other document or information required to be delivered (for example, sales reports, certificates of insurance and financial statements), by the applicable deadline, you will be assessed a late charge per week, or part thereof (until that statement, document or other information has been delivered or provided), which amount may be increased by us from time to time.

(9) If you fail to provide us with any necessary information or documentation with respect to our practice of drawing drafts against your bank accounts, you will be assessed a fee in the amount of \$100 per day.

(10) If you want to transfer the restaurant or the Franchise, or if you want to sell more than 50% of the equity of your business, you must first give us a right of first refusal, at the same price offered by any bona fide buyer. Before transfer, we must approve any new franchisee, transferee, stockholder, or assignee.

(11) The Document Administration Fee in the amount of \$500 will be charged to you if an amendment to your franchise documents must be prepared.

(12) Interest begins from the date of the underpayment.

(13) Royalties may be increased to up to fifteen percent (15%) of Gross Sales with respect to any period during which Franchisee is in breach or default of its/his/her obligations under this Agreement without providing Franchisee advance notice or right to cure. The Royalties paid or owing to Franchisor with respect to the period during which Franchisee is in breach or default are referred to as "Breaching Royalties." Breaching Royalties will be charged for a minimum fourteen (14) day period, regardless of the length of the actual breach or default.

(14) This fee may be initiated and from time to time increased to cover the potential of future increased costs affecting the gift card program, such as increased production and shipping costs and costs of processing. If fees are to increase, franchisees will receive 30-day advanced notice.

Notes:

- (1) This estimated initial investment is for one new Restaurant that you develop after signing a Franchise Agreement. If you purchase a Refranchised Restaurant, the estimated initial investment will be different. For instance, unless we otherwise consent, you will assume a refranchised Restaurant's existing lease. As a result, the costs you incur in connection with identifying and developing a site will be different. Additionally, you may not need to hold a Grand Opening Celebration.

The initial franchise fee represents an actual amount. The remaining amounts included in this Item 7 are based upon Franchisor's affiliates' years of experience in the restaurant business, as discussed in Item 1 of this Disclosure Document. You should carefully review these figures with your business advisor before making any decision to purchase a franchised Restaurant.

- (2) Payments are not refundable unless otherwise noted. Franchisor does not offer direct or indirect financing.
- (3) Lease only: These figures represent the cost to lease and remodel an existing building to a Restaurant. Barrio Queen Restaurants are generally located in free-standing buildings and end caps in retail centers and require from 4,000 square feet up to 6,500 square feet of floor space with seating for 150 to 300 guests. The rental rate will generally be between \$20 and \$50 per square foot.
- (4) Purchase only: If you choose to purchase the land and building for your Restaurant, your initial costs likely will be significantly higher than if you choose to lease the premises for your Restaurant. The land required for your Restaurant will require from 0.75 acres to 2 acres, and the building will require from 4,000 square feet to 6,500 square feet of floor space with seating for 150 to 300 guests. Your initial investment if you chose to purchase the land and building may range from \$500,000 to \$2,000,000 for the cost of the property and \$300,000 to \$1,500,000 for the cost of construction or remodeling (not including equipment costs). In addition, you may be required to landscape or make other improvements to your site which may range from \$100,000 to \$400,000. Some of your costs for the property, construction and other site improvements may be financed through a bank or other financial institution. The cost to purchase land on which to construct

a Restaurant may vary widely depending upon the location of the land, the demand for the site, the zoning, the assessed value of the parcel, the attributes of the parcel and related area, such as parking availability, accessibility and traffic flow, and the general economic conditions. These estimates are based upon the experience of Franchisor in Arizona, and its affiliate's experience in full-service restaurant concepts in the Midwestern and Eastern United States, although such full-service restaurants concepts are not exactly the same as a Barrio Queen Restaurant. Depending upon your area, your costs may be higher.

- (5) You must pay for the Travel Expenses and other expenses while you and your Management Staff attend the initial training program (see Item 11). Salaries and Benefits are not included.
- (6) This includes the cost of the computer hardware, peripherals, and software that will serve as your point-of-sale system, and the maintenance agreement for that system (see Item 11), and also includes the costs for décor items and installation services. Your furniture, fixtures, décor and equipment may be financed through a bank or other financial institution, leased or purchased outright.
- (7) Liquor license costs generally are less than \$35,000. However in isolated instances, and depending on your geographic location, you may have to pay significantly more for a liquor license. You should check with the issuing authority to determine the cost and availability of your liquor license.
- (8) Lease only: The monthly rental if you lease the premises for your Franchised Business may include common area maintenance fees and real estate taxes. The amount indicated may also include a one month advanced rental payment, security deposit and prepaid expenses. Isolated instances could be higher.
- (9) This estimate does not include the salaries for you or your Management Staff during training.
- (10) Miscellaneous fees include such items as security, utility and license deposits, impact fees, insurance premiums for three months, and professional services such as attorneys and accountants. You should check with the local agency that issues building permits to determine what impact, connection, or other site development fees might be required for the specific site for your Restaurant. Environmental impact fees vary significantly for each location and often may range from .5% to 3% of the value of the land. You must maintain general liability insurance with coverage of at least \$2,000,000 per occurrence and \$5,000,000 aggregate coverage, liquor liability insurance with coverage of at least \$2,000,000 per occurrence, employment practices liability insurance with Franchisor defense coverage of at least \$1,000,000 per occurrence, hired and non-owned automobile liability insurance with coverage of at least \$1,000,000 combined single limit per accident, business personal property insurance with 100% of full replacement cost coverage – no coinsurance - Special Form or equivalent (minimum of \$100,000), spoilage coverage with limits of \$5,000, business interruption insurance with coverage of at least \$300,000 per occurrence, building improvement and betterments insurance with coverage of at least 100% of full replacement cost – no coinsurance (minimum of \$100,000) umbrella liability insurance with coverage

of at least \$3,000,000 per occurrence, and all insurance required by law, such as workers' compensation and employer's liability insurance, and flood, earthquake and volcanic eruption coverage that is subject to territory limitations and required if in a designated Flood Zone.

You must obtain all insurance we require and obtain it from an insurer having an A.M. Best's financial strength rating of "A-VIII" or better. Your insurance must: (i) insure the particular Franchisee listed on your Franchise Agreement; (ii) name us and our parents, subsidiaries, affiliates, directors, officers, and employees as additional insured; (iii) contain a waiver by the insurance carrier of all subrogation rights against us and our affiliates for casualty losses; (iv) provide that we will receive by an endorsement 30 days' prior written notice of cancellation; and (v) provide that failure by franchisee to comply with any term, condition or provision of the contract, or other conduct by franchisee, will not void or otherwise affect the coverage afforded us. Our minimum insurance coverage requirements are subject to change, including to increase.

You need to evaluate if your particular business will require greater coverage or other types of insurance. For example, we strongly recommend that you consult with an insurance broker to discuss whether your particular lease/situation requires and/or should obtain additional common types of insurance (including without limitation cyber liability/data breach insurance coverage). Such insurance may significantly increase your premiums but may also save you money in the long run. We make no representation that the minimum coverage that we specify will be sufficient for your business.

You must always keep the required insurance coverage in force, and you must comply with any changes we make periodically to our insurance requirements. Upon 30 days' notice to you, we may require you to increase and/or otherwise change the minimum coverage of the insurance referred to above including to reflect identification of special risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. In the event you fail to obtain or maintain the required insurance coverage, we reserve the right, but are not obligated to, obtain the required insurance on your behalf and charge the insurance premium to you.

- (11) You must spend a minimum of \$15,000 on, provided Franchisor can require you spend up to \$25,000 on, the Grand Opening Celebration for your Restaurant.
- (12) During at least the first three months of operations, you will need additional funds to cover your expenditures for supplies, food and beverage inventories, local advertising, utilities, and other miscellaneous operating costs. This estimate has not been offset by any allowance for your operating revenues during this three-month period. Your working capital requirements may increase or decrease depending upon your geographic area, number of employees, labor rates, minimum wage laws, and employment laws and regulations, operating revenues and other economic factors.
- (13) These figures are estimates only, and it is very possible that you may have additional or greater expenses during this period. We cannot guarantee that you

will not have additional expenses starting the business. Your costs will vary depending on the size of your Restaurant, your geographic area, economic and market conditions, competition, interest rates, wage rates, sales levels attained, and other economic factors. Cash flow from your operations may not be adequate to cover operating and other costs during the initial phase of business.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We will provide you with specifications for authorized food and beverage preparation, beverage dispensing, storage and display equipment, computer hardware, software licenses, other equipment, fixtures, furniture, exterior and interior signs and decorating that we require you to use or install in the Restaurant. We may specify brands, types or models for any of these items. Franchisor determines its standards and specifications at its sole discretion and may modify its written standards and specifications and you must comply with any modifications. You may purchase items meeting our specifications from any source unless we designate an approved source or sources for any of these items. You must use only such items that meet our specifications in the operation of the Restaurant and to purchase them from approved vendors if we so require. We or our affiliates or an approved vendor may be the only source for some of these items and we may otherwise limit the number of approved vendors.

All requests for approving new or alternative suppliers must be submitted in writing by you and/or the supplier to Franchisor's purchasing department. Each request will be reviewed in accordance with our then-current procedures and the supplier must meet our then-current requirements, which may include that our representatives be allowed to inspect the facilities of the proposed supplier, and that samples from the proposed supplier be delivered, at no charge to us, either to us or to our designee for testing. Our criteria for approving suppliers is available to franchisees upon written request to the purchasing department. We reserve the right to charge you a New Vendor Approval Fee for the inspection and tests of the proposed supplier. If approved, in our sole reasonable discretion, we will notify you and/or the supplier in writing within sixty (60) days of our receipt of an approval request. You must not offer for sale or sell any of the proposed alternative supplier's products until you receive our written approval of the proposed alternative supplier. We may, at our option, re-inspect the facilities and products of any approved supplier and revoke its approval upon the supplier's failure to meet any of our then-current minimum standards and specifications. If you receive a written notice of revocation from us, you must stop selling disapproved products and stop purchasing from the disapproved supplier.

The Franchise Agreement requires that all food and beverage products, ingredients, equipment, computer hardware and software, furniture, fixtures, millwork, décor, signs, supplies and other products, services and materials which you will use in the operation of your Restaurant meet our standards and be purchased only from our approved distributors and suppliers (if any). You may use any operational service providers, such as exterminators, refrigeration services companies, refuse removal

companies, and similar service providers that you desire. If at any time during the Term we organize a rollout for a new approved product or a new supplier of an approved product, you will be required to purchase such approved product(s) and/or service(s) from our approved distributors of the approved supplier within 60 days of notification from us and it may require you to enter into a contract directly with such vendor.

We will provide you with one set of our confidential “ops package” which may consist of the operations manual, “ops toolkit” and related printed and electronic documents (collectively, the “Confidential Manual”.) We provide all specifications and standards to you in the Confidential Manual, which we may modify from time to time by providing you with “rollout guides” for limited time offers, amendments, modifications or supplemental inserts through notices or bulletins, or by amending the Confidential Manual. A list of approved distributors for our approved vendors is maintained by our purchasing department and will be provided to you during the pre-opening and/or construction phase for your Franchised Business. Updates will be provided to you as changes are made (i.e., additions and deletions) to the list of approved distributors for our approved vendors.

Unless otherwise agreed to by us in writing, if the property which the Restaurant is located is not owned by you, you must maintain a lease for the site of the Restaurant which must contain such terms as we specify from time to time for all leases of a similar type. Each original lease, renewal leases and lease addenda and modification of any type must be submitted to us prior to execution for our examination and approval that it contains the terms we require in all leases. You must provide us with a copy of the executed lease, any renewal lease, and any addenda and modification or other instrument or agreement governing occupancy of the premises within thirty (30) days after execution by you and the landlord. Attached as Exhibit H is a Lease Addendum to lease agreement which contains the terms we currently require. This document must be signed at the time the lease is executed.

Franchisor is the only approved supplier for services related to the preparation of the Site Model Report for your Restaurant. You must, at your own cost and expense, use our designated and approved architect, as detailed in the Confidential Manual and no other architect may be used by you for the design of your restaurant. You must also, at your own cost and expense, retain a licensed architect of record to prepare the permitted construction set of drawings.

You must use in the development and operation of your Restaurant the management system and computer hardware and software and related technology designated by us, including without limitation, features such as high-speed broadband connectivity, high-speed broadband monitoring, online ordering, delivery, methods and means of encryption and access to our network resources, an approved debit, credit and/or gift/loyalty card processing system, mobile application, and other technology and peripheral devices that we specify from time to time (the “Brand Technology”). We may modify all aspects and the components of the Brand Technology from time to time. As part of the Brand Technology, we may require you to obtain computer hardware and/or

software we specify from a single vendor designated by us and we or our affiliates may be the sole supplier of all or any part of the Brand Technology. You may use only such items and services as we specify in connection with the Brand Technology. We may require that you enter into a license exclusively with us or our affiliates to use proprietary software developed by or for us. You may also be required to enter into agreements with others for use of third-party software incorporated or used in connection with the Brand Technology. Our modification of such specifications or components for the Brand Technology may require you to incur costs to purchase, lease and/or license new or modified computer hardware and/or software and to obtain service and support for the Brand Technology during the term of the Franchise Agreement. The cost to you of obtaining the Brand Technology (including software licenses) (or additions, substitutions, replacements or modifications thereto) may not be fully amortizable over the remaining term of the Franchise Agreement. You must incur such costs in connection with obtaining the computer hardware and software comprising the Brand Technology (or additions, substitutions, replacements or modifications to the Brand Technology). We have the right to charge reasonable fees for software or systems modifications and enhancements specifically made for us that are licensed to you and other maintenance and support services that we or our affiliates furnish to you related to the Brand Technology. You may also incur charges from third parties who render services or provide products that we require you to purchase or use. We shall have independent access to data created by or stored on your Brand Technology, including sales figures. There are no contractual limitations on our right to access this information and data.

You must purchase an integrated front-of-house and back-of-house POS system that includes terminals, guest check printers, a mechanism to communicate orders to the kitchen, and a mechanism for electronically accepting credit cards and gift cards which complies with then-current Payment Card Industry Payment Application Data Security Standards that is required by Franchisor. There are currently no third-party vendors for help desk services. We reserve the right to offer help desk and support services and to charge fees for these services. Help desk and support services providers may also require you to sign an agreement for their services.

We reserve the right to charge you fees and expenses associated with your use of online ordering, accepting and processing applications for Restaurant-level positions through an online platform, and the requisite internet usage and connections, including the fees charged by the service provider(s), which may be subject to increase each year.

We reserve the right to require you to participate in a gift card program and obtain and use gift cards, processors, and related services from vendors approved by us and pay the fees associated with such gift card programs, which may be subject to increase each year.

There are certain seasonings, spices, food, food items, disposable and tabletop items, recipe ingredients, and drink items (and, if applicable, dispensing equipment for the drink items) that are proprietary to Franchisor or that are selected by Franchisor for consistency in quality and other considerations. These items, such as certain brand

name products, are manufactured or produced only by manufacturers or producers approved by Franchisor in writing. To ensure that you adhere to the uniformity requirements and quality standards associated with all Barrio Queen restaurants, you must purchase all such items from a member of Franchisor's Distribution Marketing Advantage system, Sysco Corporation, or from any other vendor/distributor Franchisor may designate in the future. Franchisor reserves the right to limit the number of approved suppliers. Franchisor will provide a written list of these proprietary or selected products and services. Franchisor will also notify you of any additions to or deletions from the list.

As of the date of this Disclosure Document, Coca-Cola beverages have been designated as the company standard for soda beverages for sale at Barrio Queen.

In the future Franchisor or an affiliate may be an approved supplier of products and services for your Restaurant, including a single source for proprietary or other products and services. You will pay the then-current price in effect for all purchases you make from Franchisor or an affiliate, and Franchisor or its affiliate may derive revenue from such purchases by charging you more than its costs. Franchisor reserves the right to receive discounts, vendor allowances, and other consideration from suppliers of products and services as a result of franchisee purchases.

We have negotiated special pricing arrangements or discounts with some of our suppliers. The arrangements may include special contract pricing, volume discounts, and specific discounts from regular wholesale prices to our franchise system. Some or all of these discounts could be passed on to our franchisees, in our sole discretion. We do not provide any other material special benefits to franchisees based on their purchase of approved supplies or their use of particular approved suppliers. We may use the consideration received from our suppliers to benefit the Barrio Queen system in our sole and absolute discretion. To the extent possible, Franchisor attempts to pass on to franchisees and company-owned Restaurants equally the benefit of these contributions from suppliers, either directly or to offset certain costs related to owning and operating a Restaurant. However, Franchisor cannot guarantee or otherwise assure you that all these goods and services will be passed on to the franchisees or will directly benefit franchisees in the same manner given the number of Barrio Queen restaurants currently owned and operated by Franchisor.

As of the issuance date of this Disclosure Document, there are no (and have been no) franchisees in the Barrio Queen franchise system so neither we nor our affiliates received payments or credits from suppliers for the purchase of products by or for the benefit of franchisees last fiscal year, although we and our affiliates reserve the right to do so moving forward. Additionally, neither Franchisor nor its affiliates have received revenue from: (i) its sales of products or services to Franchisees, or (ii) or vendor allowances based on purchased required by Franchisor to be made by Franchisees.

Various suppliers and vendors of Franchisor, its parent, and/or affiliates may contribute marketing and other revenues or consideration to Franchisor based upon Barrio Queen system-wide purchases from those suppliers and vendors.

We may acquire certain used equipment and signage and offer it for sale to prospective or existing franchisees at a price that we believe to be equal to or less than the fair market value of that equipment and signage. If we make that offer to you, you have the option of purchasing that equipment and signage from us or purchasing new equipment and signage from approved third parties. In addition, we or our affiliate, may offer to sell to prospective or existing franchisees an existing operational Restaurant (including the equipment, signage, fixtures, inventory and other items necessary to operate the restaurant) at a price that we believe to be equal to or less than the fair market value of the restaurant. If we make that offer to you, you have the option of purchasing the existing operational Restaurant or starting your own Restaurant.

We have not arranged any purchasing or distribution cooperatives among our franchisees, but reserve the right to do so in our sole discretion.

You must complete a food safety manager training program at your cost. We will accept your local county or state required program or any other nationally recognized food safety program. You must provide us with a copy of your certificate prior to attending our Training Program.

We may, from time to time, provide referral incentives to franchisees, employees and others for qualified referrals of prospective franchisees. We may, from time to time, pay membership fees to public, quasi-public and private service providers who refer potential franchisees from identified groups (e.g. veterans or military personnel planning to leave the service).

We may vary the terms of our franchises in connection with testing new marketing, branding, research and development of new menu offerings, and/or operational programs. These tests are generally conducted with experienced, existing franchisees and may include incentives and other rights which are not available to all franchisees. We reserve the right to sell some of the products associated with the *Barrio Queen* brand to different retail outlets such as grocery chains or membership-based retailers.

You may not maintain a World Wide Web site, social media site, an App (application) or otherwise maintain a presence or advertise on the Internet or any other public computer network in connection with the Franchised Business without our prior written approval.

Although not bound to do so, Franchisor may conduct, from time to time, additional research and development with regard to its specifications and standards. The criteria for evaluating any changes in these specifications will be whether such changes in the specifications will improve quality, be more efficient and have greater customer appeal, thus enhancing the *Barrio Queen* brand name and image. When we and/or our affiliates periodically test new products, we may require you to purchase these products exclusively from us or an affiliate of ours, or otherwise limit the distribution and use of these products. We or our affiliates may from time to time offer or make available other services or products to franchisees, such as online ordering and gift cards. We or our

affiliates may derive revenue from the sale of these services and products to franchisees or from the participation by franchisees in these programs.

You must obtain all insurance we require and obtain it from an insurer having an A.M. Best’s financial strength rating of “A-VIII” or better. Your insurance must: (i) insure the particular Franchisee listed on your Franchise Agreement; (ii) name us and our parents, subsidiaries, affiliates, directors, officers, and employees as additional insured; (iii) contain a waiver by the insurance carrier of all subrogation rights against us and our affiliates for casualty losses; (iv) provide that we will receive by an endorsement 30 days’ prior written notice of cancellation; and (v) provide that failure by franchisee to comply with any term, condition or provision of the contract, or other conduct by franchisee, will NOT void or otherwise affect the coverage afforded us. Before you may open your Restaurant, at the time you sign your lease, annually at least 10 days prior to renewal of your insurance coverage, and at any other time upon our request, you must provide a copy of your certificate of insurance to us which meets our requirements.

Our minimum insurance coverage requirements (subject to change, including to increase) will be prescribed from us from time to time. You need to evaluate if your particular Franchised Business will require greater coverage or other types of insurance. For example, we strongly recommend that you consult with an insurance broker to discuss whether your particular lease/situation requires and/or should obtain additional common types of insurance (including without limitation, business interruption, umbrella insurance and cyber liability/data breach insurance coverage). Such insurance may significantly increase your premiums but may also save you money in the long run. We make no representation that the minimum coverage that we specify will be sufficient for your business. You will pay your insurance premiums directly to your insurance broker or to the insurance company issuing the policy.

Upon 30 days' notice to you, we may require you to increase and/or otherwise change the minimum coverage of the insurance referred to above including to reflect identification of special risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. In the event you fail to obtain or maintain the required insurance coverage, we reserve the right, but are not obligated to, obtain the required insurance on your behalf and charge you the fees we incur. Your obligation to maintain the required insurance is not limited by insurance we maintain. Your failure to carry required insurance at our specified limits could result in default.

We may, at our option, require you to enter into a lease for the restaurant premises directly with the landlord ("Direct Lease"). You and your attorneys must negotiate the terms of the Direct Lease. We have no liability to you regarding the terms or negotiations of the Direct Lease. The Direct Lease for the premises is subject to our final approval. You and the landlord under the Direct Lease must sign our approved Lease Addendum (See Exhibit H: Required Lease Terms). If we require you to enter into a Direct Lease, you must provide us with a copy of the Direct Lease and the Lease Addendum(s) for our approval at least 10 days before you sign the Direct Lease, and you must provide us with a copy of the executed Direct Lease and Lease Addendum(s) within 10 days after signing. If you do not provide us with all of the required documents, we will not approve your Direct Lease.

Various suppliers and vendors of MTY USA and its subsidiaries contribute marketing and other revenues to MTY USA and/or its subsidiaries based upon system-wide purchases from those suppliers and vendors. During our last fiscal year, MTY USA and its subsidiaries on a consolidated basis earned a total of \$32,499,276 of the \$45,890,026 from such vendors. Additional other revenues (for example, revenue from miscellaneous fees and expenses from franchisees) in the amount of \$5,749,317 were also received by MTY USA and its subsidiaries during the last fiscal year.

Currently, we are not an approved supplier of any products or services. None of our officers own an interest in any of the approved suppliers not affiliated with us.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as disclosed below, Franchisor is not required to provide you with any assistance.

Pre-Opening Assistance

Before you open your Restaurant, we will provide the following assistance to you:

Site Selection

1. Although Franchisor has no obligation, duty, or liability to you as a result of the site selected by you and/or the purchase or lease of the Franchised Business, Franchisor will provide a Site Model Report for the proposed site and if a lease exists, may review the lease for the premises for compliance with the terms and conditions of the Franchise Agreement. You will provide the information as may be reasonably specified by Franchisor for the proposed site selected by you. Franchisor reserves the right, that within 30 days, Franchisor will visit the proposed site and prepare a Site Model Report for you which provides certain site information relevant to assessing whether the proposed site is suitable for development of a Restaurant. Factors considered when reviewing a proposed site include visibility, potential traffic flows, population trends, household income and financial considerations, lease terms and other demographic information. The Site Model Report is not a warranty, representation or guaranty by Franchisor that a Restaurant opened at that site will be a financial success or that the site

complies with any or all applicable laws, codes, ordinances or regulations (including without limitation, the Americans with Disabilities Act). If applicable, you may not purchase or lease any proposed site until Franchisor has issued a “no brand standard objection” letter, signifying the site meets brand standards. Once a “no brand standard objection” letter is issued, you will pay Franchisor the then-current fee (currently \$750) for the Site Model Report (see Item 5). Franchisor can terminate your Franchise Agreement if you do not purchase or lease a site for your Restaurant within 90 days after you sign the Franchise Agreement. Franchisor can also terminate your Franchise Agreement if you fail to open your Restaurant within one (1) year after the effective date of the Franchise Agreement (“Required Opening Date”). The decision to establish and operate your Restaurant at the location will be made solely by you, without any reliance upon any information provided (if any), recommendation made (if any) or approval given (if any) by us, or any of our respective shareholders, directors, officers, employees, representatives, agents or affiliates. You must purchase or lease your business location from independent third parties. If you intend to lease your business location, the lease must include certain required provisions.

Construction and Furnishings

1. You must hire and use, at your sole cost and expense, our designated and approved third party architect. You are solely responsible for conforming the premises to all codes and ordinances, including the Americans with Disabilities Act (the “ADA”), and obtaining all required permits. You are solely responsible for constructing or remodeling and decorating the location to our system standards and subject to our approval. We do not provide assistance with conforming the premises to codes and ordinances, including the ADA, obtaining permits, or constructing, remodeling or otherwise decorating your Restaurant.

2. We will identify the furnishings, fixtures, and equipment (including cash registers, point of sale systems, and computer hardware and software and other equipment and devices), signs, products, materials, and supplies necessary or authorized for the restaurant to begin operation. Franchisor reserves the right to have independent access to the information and data collected and generated by these items.

3. We will provide you with all standards of operation that you must use or satisfy before you open the Restaurant (See Franchise Agreement—Section 4.5).

4. We will provide you with the names and contact information of any distributors and/or suppliers you are required or authorized to use to supply you with products or services complying with our standards and specifications. The names and contact information of the approved distributors and suppliers and the written specifications for the approved equipment, signs, fixtures, opening inventory and supplies will be provided to you during the pre-opening and/or construction phase for your Franchised Business. Updates will be provided to you as changes are made (i.e., additions and deletions) to the list of approved distributors for our approved suppliers. We do not deliver or install any of these approved items.

5. Franchisor will provide access to a “grand opening celebration” package which will include advertising and promotional materials for your Restaurant (see Franchise Agreement – Section 5). You must spend a minimum of \$15,000 (or a higher amount as determined by Franchisor) on the grand opening celebration for your Restaurant (see Item 7).

Confidential Operations Manual

We will provide you, as part of the Confidential Manual, an electronic or print version of the Operations Manual, with operating procedures to assist you in complying with our standard methods of controls, production methods, and with policies procedures and resources to support brand consistency and compliance. The Operations Manual is confidential and remains our property. We may modify the Operations Manual as and when we desire, but no modification will materially alter your status and rights under the Franchise Agreement (See Franchise Agreement—Section 4.5). The Operations Manual available currently discusses most or all of the following subjects:

Each shift is an eight (8) to ten (10) hour day. All training programs will be held at a certified training location designated by Franchisor. Notes:

(1) This table is for the training provided to your General Manager, Multi-Unit Manager (if applicable), Kitchen Manager and Assistant Manager(s).

(2) You will utilize the Standard Operating Procedures/Training Manual(s) (the "Operating Manuals", which form part of the "Confidential Manual") and other proprietary training tools and documents required by Franchisor.

All training will be conducted under the supervision of Adam Lehr, or another suitable instructor provided by Franchisor. Mr. Lehr has been Co-Chief Operating Officer since October 2022 and prior to that was the Senior Vice President of Operations over both corporate and franchise restaurants owned and operated by our affiliate since January 2020. He was also involved with the franchise operations of restaurants operated by us and our affiliates as both the Director of Operations and as an FBC. Prior to that, Mr. Lehr was the Director of Franchise Operations for the University of Minnesota where we oversaw 18 different franchise operations, including Chick-Fil-A, Papa John's, Subway, Starbucks and more. All instruction will be conducted by instructors who have experience with Barrio Queen and/or with restaurant operations.

The initial training program is provided to you and your Management Staff at no additional cost to you. You must pay the Salaries and Benefits, Travel Expenses and all other expenses for all persons who attend training on your behalf. The training program generally takes seven weeks (35 shifts) for you and your Management Staff to complete. You and your Management Staff must begin the training program before the scheduled opening of your Restaurant and must successfully complete the training program before you open your Restaurant. If the opening of your Restaurant is delayed, you and your Management Staff may have to attend re-training as determined by Franchisor.

(3) After you and your Management Staff have successfully completed the training program, Franchisor will arrange for an Opening Team, at your expense, to assist you with opening your Restaurant (see Section 4.3 of the Franchise Agreement). For up to 14 consecutive days, certain Opening Team members will assist you with implementing the restaurant system at your Restaurant and training your staff and kitchen employees. For your second and each subsequent Restaurant opening, if any, you will be asked to provide a prescribed number of certified trainers for the Opening Team based upon your existing number of staff. Franchisor will determine and provide, at your expense, the additional personnel needed to complete the Opening Team who will be on site at your Restaurant for a minimum of 14 days. All Opening Teams will be assembled based on guidelines established by Franchisor. There is no fee for this opening assistance. However, you will pay Franchisor for the Travel Expenses and the prorated Salaries and Benefits for the Opening Team within 30 days after receipt of an invoice from Franchisor. Note: 50% of this expense is billed up front before the opening date.

(4) Franchisor will provide franchisees access to Manuals (see Section 4.5 of the Franchise Agreement). The Manuals are confidential and will remain the property of Franchisor during and after the term of the Franchise Agreement. You and your

restaurant managers must be able to read and write English adequately, in our good faith opinion, to satisfactorily complete our Training Program and to communicate with employees, customers and suppliers. Notwithstanding the foregoing, Franchisor has the right to require Franchisee and/or its managers(s) to attend additional in-store training in the event Franchisee is not operating the Franchised Business pursuant to Franchisor's systems standards. Please note, at our sole discretion, the Training Program for a non-traditional Restaurant may differ slightly from the Training Program outlined above.

3. If you would like additional training after completing the Training Program, we will provide additional training to you for a per diem training fee (currently \$750 per day) for each trainer provided by Franchisor. You must also reimburse Franchisor for the travel expenses it incurs, estimated to range from \$100 to \$1,000 per trainer. Notwithstanding the foregoing, Franchisor has the right to require Franchisee and/or its managers(s) to attend additional training in the event Franchisee is not operating the Franchised Business pursuant to Franchisor's systems standards.

5. In addition to the Training Program, you must ensure that all your employees are trained in *Barrio Queen* restaurant procedures. You are solely responsible for hiring and training your employees. You must also ensure that the manager(s) and all employees whose duties include customer service are able to speak and read English and any other language that may be required to adequately meet the public needs in your restaurant. We believe training is important to the success of the *Barrio Queen* System, and from time to time, we may offer informal training sessions to franchisees. We believe it is in your best interest to attend any such training sessions.

6. We may, in the future, hold refresher or additional training programs, conferences and seminars. Your attendance at these programs is mandatory. To help us defray the cost of sponsoring these programs, there may be a nominal registration fee, and you will also be required to pay the cost of transportation, food, lodging and other personal expenses of your attendance and those of your personnel at any such program. These programs will be held at locations within the United States that we will specify in our sole discretion (See Section 4.3 of the Franchise Agreement).

7. You must obtain authorization from Franchisor to open your Restaurant before you can commence business (see Section 3.1 of the Franchise Agreement).

Post-Opening Assistance

During the operation of the Franchised Business:

1. Franchisor will provide additional training if, during the term of the Franchise Agreement, you hire a new member of your Management Staff who has not attended and successfully completed the Franchisor's training program. The training program will be conducted at a certified training Restaurant designated by Franchisor. You must pay the Salaries and Benefits, Travel Expenses and all other expenses for each new Management Staff member who attends the training program on your behalf (see Section

4 of the Franchise Agreement). Your Operating Partner and your General Manager must successfully complete the training program before managing your Restaurant.

2. If you are opening a new Restaurant, we or our designated affiliate will provide you with guidance on your grand opening event (“Grand Opening Celebration”) (See Section 5.24 of the Franchise Agreement).

3. We will maintain a continuing advisory relationship with you, including consulting with you in marketing, merchandising and general business operations which may help you in improving and developing your Restaurant (See Franchise Agreement – Sections 4.3, 9.1).

4. We will provide you with information on our operating and other standards for your Restaurant. We may modify these as, and when, we desire (See Franchise Agreement – Sections 4.5, 9.1).

5. We will continue our efforts to maintain high and uniform standards of quality, cleanliness, appearance and service at all restaurants in the Barrio Queen system, including making periodic inspections and quality service checks of your Restaurant (See Franchise Agreement – Section 4.3, 9.1, and 9.7).

6. We may make you aware of software available for purchase from an approved third-party vendor to assist you in administrative, bookkeeping, accounting, and inventory control procedures (See Franchise Agreement – Section 4.6).

7. We must review substitute locations for your Restaurant, and you must obtain our prior approval if you desire to relocate your Restaurant. (See Franchise Agreement – Section 2.5).

8. We may offer you the option for a one-time renewal of your Franchise Agreement prior to its expiration for a maximum term of ten (10) years, if you meet our requirements. Upon renewal, you must execute our form of Franchise Agreement being used at the time of your renewal and pay us the applicable Renewal Franchise Fee (See Franchise Agreement – Article 13).

Optional Assistance

1. Upon your request, we will reasonably assist you or provide recommendations regarding establishing pricing for the products you sell in your Restaurant; however, the ultimate decision on the prices you charge is yours. We will not establish the prices for you.

2. Upon your request, we will reasonably assist you in resolving operating problems you may encounter.

3. We or our affiliates may spend or advance our own funds for promotional materials and the conduct of advertising programs for the benefit of the Barrio Queen system.

Advertising

1. We (or, at our election, a third party that may be an affiliate of ours) will establish and administer the Fund that will include your Advertising Fees and those of other franchise owners in the Barrio Queen system (if any), in accordance with the Franchise Agreement. The Advertising Fee, which is currently one percent (1%) of your weekly Gross Sales (See Franchise Agreement – Section 5.3), shall be due and payable with the Royalty Fee (See Franchise Agreement – Section 5.2). Except in limited circumstances as described below, all Barrio Queen franchisees must contribute to the Fund at the same rate. In addition to contributions to the Fund described above, you must spend not less than 1.5% of your monthly Gross Sales on approved local advertising (See Franchise Agreement—Sections 5.3 and 10.2). If you fail to meet these minimum requirements, you will have to deposit with Franchisor the difference between what you should have spent and what you actually spent, which Franchisor may spend on advertising within your marketing area. If your Restaurant is located in a LAA, you must also contribute an additional one and one half percent (1.5%) of your weekly Gross Sales to your LAA; provided, however, the recurring fees paid by you to the LAA will meet your recurring local advertising requirements.

In limited cases in our sole discretion (for example, certain international restaurants or non-traditional restaurants such as airport or university locations that require different advertising support), some franchisees may not be obligated to contribute to the Fund. For each of our company-owned or affiliate-owned restaurants, it's our policy that such restaurants make contributions to the Fund at a rate equal to the lowest rate a franchisee is then-required to contribute. If an affiliate of ours administers the Fund or places advertising in connection with the System, such affiliate may be paid a fee that will not exceed the fee that would be payable to unrelated third parties for comparable services. Unless required by applicable law, we will have no obligation to create a trust account, escrow account or other special account for the Fund, and the monies comprising the Fund may be placed in our general account(s) if we desire. We may also reserve portions of the Fund for use in a subsequent year. The Fund is not audited, and the financial statements for the Fund and accounting of the Fund are not available to franchisees.

2. The Fund will be used for marketing, advertising, production and media expenses to promote the *Barrio Queen* name, system, products and services. The Fund may be used to pay any and all costs of maintaining, administering, directing and preparing advertising, including the cost of preparing and conducting television, radio, magazine, digital, and newspaper advertising campaigns and other public relations activities, employing advertising agencies to assist in such campaigns or other activities, and providing promotional brochures and other marketing materials to franchise owners. We are entitled to receive the following from the Fund: reimbursement of our expenses, overhead, and employee salaries for services, materials, supplies, facilities, equipment

or capital provided to the Fund, and rent for office space provided to the Fund. Advertising funds not spent in the fiscal year in which they accrue are rolled over to the next fiscal year. We have no fiduciary responsibility to you on our management of the Fund, and no obligation to you to spend the Fund in your market area and/or in your Cooperative area, if applicable.

3. We will determine when, how and where the payments deposited into the Marketing Fund will be spent. Permitted expenditures from the Fund include, without limitation, payments for local, regional or national print advertising, radio and television commercials, telemarketing, direct mail advertising, Internet, social media and other electronic promotions, product and market research, production development, production of point-of-purchase materials, public relations, promotional programs, advertising market research, graphics and design costs, creation and maintenance of a Home Page or website, Internet costs, miscellaneous advertising costs, other costs and expenses as Franchisor deems appropriate and in the best interests of all Barrio Queen system and advertising services provided by an in-house marketing/social media/advertising department and local, regional or national advertising agencies. All administrative and other costs associated with or incurred in the administration of the Fund, including marketing and administrative personnel salaries, fringe benefits and Travel Expenses, long-distance telephone charges, office rental, FF&E, leasehold improvements, collection costs (including attorneys' fees paid in collecting past-due Advertising Fees) and office supplies may in our discretion be paid from the Fund. All costs for the administration of the Fund, collection costs and office supplies will be paid from the Fund (including attorneys' fees paid in collecting past due Advertising Fees). Except for possible incidental website costs, the monies in the Fund will not be spent for the solicitation of prospective franchisees. Franchisor does not have to spend the monies in the Marketing Fund for local, regional or national media coverage using any particular media or in any particular market. Franchisor does not have to spend the Advertising Fees in your market area in proportion to the Advertising Fees paid by you. Franchisor does not have to spend the funds in the Fund in the calendar year in which the payments were made. Payments to the Fund not spent in the calendar year in which they were paid and the interest accrued will remain in the Fund. The Fund is not audited. A summary generally showing the income to and the expenditures from the Marketing Fund during each calendar year will be prepared by Franchisor each year for the preceding year, and copies of the summary will, upon written request, be provided to you on a confidential basis no more than once a year.

4. You may in our discretion be required to insert a regular (white pages) listing and a classified (yellow pages) telephone directory advertisement in the main telephone directories serving the geographical area in which the restaurant is located, or you must participate in a multiple insertion in the event there is more than one franchise owner in such area. In either case, the telephone directory advertisement must be approved by us in advance (See Franchise Agreement—Section 10.2).

5. All advertising by you in any medium must be conducted in a professional manner, must conform to the standards and requirements in our Confidential Manual, and must display our Proprietary Marks only in those forms approved by us. We may make

available to you, from time to time, approved advertising, promotional plans and materials for purchase (See Franchise Agreement—Sections 3.2 and 10.2).

6. You may not maintain a website, software application, a mobile application, social media account (including, but not limited to, an account, group or page on Facebook®, Flickr®, Foursquare®, Google+®, Instagram®, LinkedIn®, Pinterest®, Snapchat®, Tumblr®, Twitter®, YouTube®, Vine®, VKontakte or Weibo®). In addition, if and when Franchisor provides the Franchisee with access to the local restaurant template page (the “Subpage”) on Franchisor’s main Barrio Queen public website or another website maintained by Franchisor, the Franchisee will be required to maintain its own content and information on the Subpage consistent with the standards and specifications that Franchisor may set forth in the Manuals or otherwise. Finally, you may not use the words “Barrio Queen” or any other Marks as any part of an email address or any domain name, absent Franchisor’s prior approval (See Franchise Agreement – Section 3.4).

7. We will encourage our franchisees to form and operate a Local Advertising Association (the “LAA”). Each LAA will coordinate advertising and marketing efforts and programs and will attempt to maximize the efficient use of local advertising media. No LAAs have been formed to date. If a LAA is formed for your region, you must financially contribute to the LAA as required by us. Failure to do so will be deemed a breach of the Franchise Agreement and you may also, in Franchisor’s sole discretion, lose your right to vote as to LAA matters. The membership of the LAA is defined by us according to your market area. We are responsible for administering the LAA. We may prepare for each LAA a statement on the use of advertising collections and expenditures. The LAA will not conduct any advertising, promotion, marketing or public relations program or campaign for the Restaurants in the DMA until Franchisor has given the LAA written approval for all proposed concepts, materials or media. The LAA will provide a written summary of the members’ contributions to the LAA and an accurate accounting of the LAA’s expenditures for approved local advertising and promotion to Franchisor and its members as set forth in the Manuals or otherwise. We reserve the right at any time, in our sole discretion, to form, change, dissolve, or merge LAAs. (See Franchise Agreement – Section 5.4).

8. We may contribute sums from the Fund to a LAA. On our request, you must assist in establishing a LAA and in deciding how to allocate contributions from the Fund to your LAA. We reserve the right to establish general standards concerning the operation of a LAA, advertising agencies the LAA retains, and advertising programs the LAA conducts. Notwithstanding anything to the contrary, no LAA decisions will be made or advertising collections spent without our prior written approval. (See Franchise Agreement – Section 5.4).

9. We are not, under any circumstances, obligated to contribute any advertising collections to any regional or national advertising account, fund, program, association, or other organization. We are not required to spend any advertising collections on advertising in the area where your restaurant is located. We carry forward any advertising collections not spent in a fiscal year and may spend them in a subsequent fiscal year. The Fund is not a trust or escrow account, and Franchisor does not have any fiduciary obligations regarding the Fund.

10. Because there are no franchisees and have been no franchisees of the Barrio Queen brand, as of the Issuance Date of this Disclosure Document there are no funds in the Fund and therefore there were no expenditures from the Fund during the last fiscal year.

11. Although the Fund is intended to be of perpetual duration, we may terminate the Fund at our sole option at any time. However, the Fund will not be terminated until all monies in the Fund have been expended for marketing, advertising and promotional purposes or returned to contributing franchised Restaurants without interest on the basis of their respective contributions.

12. Currently, there is no established advertising council comprised of franchisees that advise us on advertising policies, although we may informally consult franchisees in connection with marketing, promotional or advertising initiatives.

Computer System

1. We require you to exclusively use a specific and approved electronic point-of-sale system to record all your sales during the operation of your Restaurant, the components of which are identified in the Confidential Manual ("POS System"). Prior to the opening of your Restaurant, you will be required to acquire and to exclusively use an approved cash register/computer system POS System during the operation of the Franchised Business. We require that the manufacturer or its authorized representative on an ongoing basis service the POS System, at your cost. You will be required to maintain the POS System in good working order at all times, and to upgrade or update the POS System during the term of your Franchise Agreement as we may require from time to time. There are no contractual limitations on the frequency or cost for the franchisee to upgrade or update the POS System during the term of the Franchise Agreement. It will be your responsibility to enter into contracts for the maintenance, upgrades and updates to the POS System with an approved supplier of such services identified by us on the list of approved vendors and distributors or other notification to you from us advising of suppliers for your market area. Your POS System cost per restaurant will depend, among other things, on your restaurant's size and configuration, the system options you choose and/or we determine (such as drive-thru needs (if any), and printer needs), and the types of telephone and internet access services available. You may be required to obtain a high-speed/always-on internet connection service for your POS System. This requirement shall be defined by the then-current Confidential Manual, which may change from time to time. If high-speed/always-on internet connection service is not available in your area, dial-up Internet access may be used until high-speed/always-on internet connection service becomes available in your area. As noted in Item 8, you have an obligation to make additions, substitutions, replacements and modifications to the Brand Technology which includes that you may be required, from time to time, to upgrade the POS System's hardware and/or software, at your sole cost and expense, to maintain the POS System in conformity with our then current requirements. You must complete training for the POS System as we require. If you are buying refranchised restaurant with an older cash register system, it is a requirement for the transfer that you

purchase and install the then current POS System in the restaurant. (See Franchise Agreement – Section 4.6).

a. We require you to use a POS System that meets our specifications in order to: (i) assist you in the operation of your Restaurant; (ii) allow us to monitor your gross sales; (iii) enable us to develop chain-wide statistics that may improve purchasing; (iv) assist us in the development of new authorized products or the removal of existing unsuccessful authorized products; (v) enable us to refine existing authorized products; (vi) generally improve system-wide understanding of our marketing efforts; and (vii) obtain new types of information. The POS System must be configured so that we have independent and remote access to the information and data stored in it. This access allows us to exchange/collect data and other information on such basis as we shall from time to time communicate to you. There are no contractual limitations on our right to access the information in your POS System. All approved cash registers are capable of recording accumulated sales and cannot be turned back or reset, and must be able to retain data in the event of power loss. You must purchase the approved electronic POS System from an approved vendor, as we have required our approved supplier to make special modifications to their equipment and systems to comply with our requirements (See Franchise Agreement – Section 4.6). You must also purchase approved software for your restaurant, and it is recommended that you also purchase hardware support for all modules for the first year you operate your Restaurant. This cost is subject to change by the supplier.

b. The approved POS System has in its specifications integrated “card swipe” systems that process debit card, credit card, or other non-cash payment systems including our stored value gift cards, loyalty cards, frequency cards, gift certificates, vouchers, and any other similar electronic card and/or payment programs (collectively, the “Gift/Loyalty Card”) sponsored by us or our affiliates (if any). You must obtain credit card and gift card processing services from our approved vendors. Charges associated with credit card and gift card transactions are traditionally compiled per transaction and therefore will likely vary from restaurant to restaurant, and may increase at any time with a 30 day notice. The Payment Card Industry (“PCI”) requires all companies that process, store, or transmit credit card information to protect the cardholders’ information by complying with the PCI Data Security Standard (“PCI DSS”). Therefore, as a franchisee who accepts credit cards, you are required to be PCI compliant by following and adhering to PCI DSS, completing an annual questionnaire and quarterly network PCI scans and installing a network firewall appliance for logging, tracking, reporting, and security assessment. We may require a particular firewall (hardware and/or software). The PCI compliance is mandated by the Payment Card Industry. The cost is subject to change by supplier. You are also required to validate with Franchisor that your store is PCI compliant to show validation you must send Franchisor your Passing Certificate showing your store is PCI compliant and also verify that you have a PCI compliant firewall appliance installed at your location if you process credit cards via high-speed internet connectivity.

c. You must purchase a computer and connect to the Internet so that you can report your gross sales online, so that you can receive online orders, so that we

can communicate by email, so that you can use Internet services, and so that you can receive other electronic information we send. You also must, at your cost, maintain membership in a designated third-party network, and maintain an active email account. We may revise our computer specifications. If we do so, we may require you to upgrade or update your computer. There is no contractual limitation on the frequency and cost of this obligation. There may be comparable equivalents on the market for the computer we require, but we have not yet tested or approved any comparable computer; however, we may do so in the future. You are responsible for backing up and otherwise protecting your data on your computer. You are also responsible for recording and restoring all software license keys. We may require you to upgrade the hardware and software as reasonably necessary to provide reports and information required by us. You may be required to participate in online ordering and delivery programs, that require you to pay a fee us, our affiliate, and/or a third-party vendor.

2. We require that you permit us to poll your sales information on a daily basis, and that you execute a Pre-Authorized Electronic Funds Transfer Form by and payable to Franchisor (which is attached to this Disclosure Document as Exhibit I), permitting us to weekly debit your account for payment of weekly royalty and advertising fees and debit your account as necessary for product purchases from us or our affiliates. (See Franchise Agreement – Sections 5.2 and 5.3). We may require you to enter weekly inventory information, and if so, would require that you permit us have remote access to that information (See Franchise Agreement – Section 4.6). We may require you to permit us access to your POS System, restaurant management software, and financial records (or similar tools thereto) to poll your information daily, or more frequently, by electronic or other remote means and there are no contractual limitations on our right to access such information (See Franchise Agreement – Section 5.2).

3. The POS System and personal computers contain sales and labor data that can be generated and stored in the systems and that allows for the generation of financial and payroll reports.

ITEM 12: TERRITORY

The franchise is granted only for the location specified in the Franchise Agreement as approved by us (the “Franchised Location”). The Franchised Location of your Restaurant is subject to our approval. We will not unreasonably withhold our approval.

You will not receive an exclusive territory. You may face competition from other franchisees, from restaurants that we or our affiliates own, or from other channels of distribution or competitive brands that we or our affiliates control. You will not receive an option, right of first refusal or other rights under the Franchise Agreement to acquire additional franchises. We (and/or our affiliates) may establish other franchised or company-owned *Barrio Queen* restaurants that may compete with your location, including across the street from your location or in the same venue as your location. We (and/or our affiliates) may co-brand *Barrio Queen* with one or more of our other quick service restaurants or allow approved *Barrio Queen* restaurants to sell additional approved menu items under a trademark license agreement we may have with other third-party restaurant

concepts. We presently intend to develop *Barrio Queen* restaurants throughout the United States and internationally. Except as expressly limited in the Franchise Agreement, we (for ourselves, our affiliates and our designees) retain all rights with respect to *Barrio Queen* restaurants, the Marks, all confidential and proprietary information, all copyrighted materials and the sale of *Barrio Queen* products anywhere in the world, including, without limitation, the right to implement multi-area marketing programs that may allow us or others to solicit or sell to customers anywhere. We also reserve the right to issue mandatory policies to coordinate such multi-area marketing programs. One or more future *Barrio Queen* restaurants may have an adverse effect on the revenues and profitability of existing *Barrio Queen* restaurants, including your Restaurant.

In addition, we (and/or our affiliates) may market and/or test, directly or indirectly, *Barrio Queen* products or services through channels of distribution other than *Barrio Queen* restaurants operated by us, our affiliates and franchisees, including through the Internet, catalog sales, telemarketing, grocery stores, movie theaters, limited access highway food facilities, mobile units, off-site sales accounts, electronic mail, converting other chains and other distribution opportunities, or vending machines and similar automated dispensing systems ("Other Channels") which generally are not available for us to franchise to you, and typically involve trademark licensing and/or the sale of our branded products. We may also distribute, sell and/or license other persons or entities to distribute and/or sell products through all Other Channels. Where tests prove to be successful, we may expand our sale of products in similar businesses on a regional, national or international level. We reserve the right to establish Other Channels to make sales that may compete with your location using our principal trademarks. These Other Channels could compete with you in the sale of your products. Franchisor is under no obligation to compensate its franchisees on sales Franchisor makes using Other Channels. Franchisor is under no obligation to compensate franchisees for soliciting or accepting orders in the franchisee's territory as the franchisee is granted no exclusive territory. Franchisees may not use Other Channels, including the Internet, catalog sales or telemarketing to make sales except that the Franchisee may provide catering services anywhere as long as such services comply with the current version of our Confidential Manual. All sales made from catering services must be included in the Franchisee's Gross Sales. We reserve the right, directly or through third parties, to manufacture or sell, or both, anywhere, other products which are the same as or similar to those sold in *Barrio Queen* restaurants, but which bear trademarks that are not confusingly similar to any of the trademarks you are authorized to use under the Franchise Agreement.

We reserve the right, either directly or through affiliated entities, to operate or license others to operate businesses other than *Barrio Queen* restaurants anywhere, including, but not limited to, locations of our other restaurant concepts, and you agree that we or our affiliates may do so anywhere.

The Mucho Burrito, TacoTime, La Salsa and America's Taco Shop restaurant concepts franchised or operated by affiliates of Franchisor offer goods and services that are the same or similar to those that you will offer under the *Barrio Queen* brand. Those

goods and services are offered under the Mucho Burrito, TacoTime, La Salsa and America's Taco Shop trademarks, respectively. Mucho Burrito, TacoTime, La Salsa and America's Taco Shop franchisees are not granted an exclusive territory and any conflicts that may arise between a Mucho Burrito, Taco Time, La Salsa or an America's Taco Shop franchisee and a Barrio Queen franchisee regarding territory or franchisor support that cannot be resolved through negotiation between the parties will be resolved through mediation and arbitration. Franchisor and its affiliates will provide support to all of their respective concepts regardless of the vicinity of a concept to another concept that sells similar products. The principal business address of these similar concepts may be the same as Franchisor's primary address. Franchisor and its affiliates do not necessarily maintain separate offices or separate training facilities for the similar competing business.

We may merge with, acquire and/or be acquired by any other business, including, without limitation, a business that competes with your Restaurant, or acquire and convert any retail stores, including, without limitation, retail stores operated by competitors, or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned.

As described in Item 1, MTY Canada franchises over fifty-five (55) different restaurant concepts and sub-franchises two (2) other different restaurant concepts primarily in Canada. Certain of the restaurant concepts franchised by MTY Canada offer goods or services that are the same or similar to those that you will offer under the *Barrio Queen* brand. MTY offers the same or similar goods or services in Canada under the TacoTime trademark.

You must obtain our prior approval to relocate your Restaurant. The approval or rejection by us of any proposed relocation shall be in our sole discretion. To relocate your Restaurant, you must be in compliance with your Franchise Agreement, the relocation must be for a legitimate business reason, and we must approve the new location. In connection with any relocation, your Restaurant may not be closed for business for more than thirty (30) days.

Your Franchise Agreement is for a specific location only, so you may not open additional *Barrio Queen* restaurants under the same Franchise Agreement. You must obtain our prior approval to purchase and open additional *Barrio Queen* restaurants. The approval or rejection by us shall be in our sole discretion. To purchase an additional *Barrio Queen* restaurant(s), you must be in compliance with your existing Franchise Agreement(s), you must qualify to operate additional restaurants, you must enter into our then-current form of Franchise Agreement and pay the Initial Franchise Fee, and we must approve the location.

Franchisor and its affiliates have the absolute right to develop other restaurant business concepts under other brand names even if the locations for the concept are located close to your Restaurant.

ITEM 13: TRADEMARKS

Under the Franchise Agreement, we will grant you the non-exclusive right to operate the *Barrio Queen* restaurant specified in your Franchise Agreement or any amendments to your Franchise Agreement under the *Barrio Queen* trademarks. You will also be granted the right to use our other current or future trademarks that we may from time to time designate as being available for use by franchisees in the *Barrio Queen* system. By "trademarks" or "Marks" we mean trade names, trademarks, service marks, logos, Trade Dress (as defined below), and product identifiers used to identify your restaurant. "Trade Dress" is defined as the total appearance and image of the *Barrio Queen* restaurant; the Mexican food and beverage products and related products and packaging; all related features such as size, texture, shape, color or color combinations, and graphics of Barrio Queen restaurants and the Mexican food and beverage products and related products and packaging, and all advertising and marketing techniques used to promote the franchise, as well as specifically including all signage, menu boards, product displays, and any color schemes and designs utilized in connection with *Barrio Queen* restaurants' interior walls, counters, table tops, chairs, and floors. You must not directly or indirectly contest our right to our trademarks.

You will not have the exclusive right to use the trademarks, nor will you acquire, by use or otherwise, any right, title or interest in or to the trademarks, other than as expressly contained in, and limited by, the Franchise Agreement. We and our affiliates have the right, among others: (a) to use the Marks to sell products and services; (b) to grant others licenses for the Marks; (c) to develop and establish other systems using the same or similar Marks, or any other proprietary marks, and to grant licenses or franchises in those systems without providing any rights to you; and (d) to regulate the use of the Marks in any form of electronic media including web sites or web pages or as a domain name or electronic media identifier. Your right to use the trademarks is limited and temporary. Your usage of the Marks and any goodwill you establish is to our and our affiliates exclusive benefit. Upon expiration or termination of the Franchise Agreement, you may not, directly or indirectly, use the trademarks in any manner or for any purpose, and you may be required by us to renovate the premises of your Restaurant to eliminate the trademarks and de-identify such premises to remove all Trade Dress (including, without limitation, the "cold stone"), returning it to a "vanilla shell," at your expense.

The following trademarks have been registered with the United States Patent and Trademark Office on the Principal Register:

All affidavits of use required to be filed to maintain these registrations have been filed.

The following application(s) are pending with the United States Patent and Trademark Office on the Principal Register:

TRADEMARK	SERIAL NUMBER	APPLICATION DATE
	90133104	August 24, 2020

No one other than us or our affiliates has an ownership interest in the above-referenced trademarks. Franchisor is the sole owner of the above-referenced trademarks and has all right, title, and interest in and to the trademarks and goodwill.

No agreements limit our right to use or license the use of our trademarks. You must follow our rules when you use our trademarks. Use of the service marks or trademarks must be accompanied by the registration (®), service mark (SM), trademark (TM) in close proximity to the trademark. You cannot use our trademarks as part of your corporate, partnership, limited liability company or other entity name, or register it as a trade name. You may not use our trademarks in connection with the sale of an unauthorized product or service or in a manner not authorized in writing by us. You may not directly or indirectly contest or aid in contesting the validity of the trademarks or the ownership of the trademarks by us, nor may you directly or indirectly apply to register or otherwise seek to use or control our trademarks or any confusingly similar variation or form in the United States or any other country, nor may you assist any others to do so. You must modify or discontinue the use of a trademark if we modify or discontinue it, at your sole cost.

You must immediately notify us of any apparent infringement of, or challenge to your use of, any of our trademarks, or any claim by any person of any rights in any of our trademarks. You must not communicate with any person other than us and our legal counsel in connection with any such infringement, challenge or claim. We will have the sole discretion to take such action as we may deem appropriate to protect our trademarks and the right to exclusively control any litigation, United States Patent and Trademark Office proceeding, or other proceeding arising out of any such infringement, challenge or claim or otherwise relating to our trademarks. The Franchise Agreement does not require us to take affirmative action when notified of these uses or claims, but indicates we have the sole discretion to take such action as we may deem appropriate. You must execute such documents, render such assistance, and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interests in connection with any such litigation or proceeding, or to otherwise protect and maintain our interests in our trademarks.

The Franchise Agreement requires that we indemnify and hold you harmless for, from and against any and all claims, liabilities, causes of action, demands, obligations, costs and expenses, including reasonable attorneys' fees, arising out of any claim of infringement or unfair competition in connection with your use of our trademarks set forth in the chart above, provided that such use is in accordance with the provisions of the Franchise Agreement.

We may, in our sole discretion, modify or discontinue use of any of the above-referenced trademarks and/or use one or more additional or substitute service marks or trademarks. If we decide to do so, you must do so also, at your own expense. The Franchise Agreement does not provide you any additional rights if we require you to modify or discontinue using a trademark. However, if we require you to modify or discontinue use of our trademarks and/or use other trademarks in its place at any time other than upon renewal of the Franchise Agreement, and that requirement is a direct result of proceedings or litigation that determined that our and our franchisees' use of the trademarks infringed upon a third party's rights, our sole obligation to you will be to bear the direct, tangible costs of complying with such requirement.

We do not actually know of any superior prior rights or infringing uses or effective material determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, trademark administrator of this state or of any court, nor do we actually know of any pending infringement, opposition or cancellation proceeding that could materially affect your use of our trademark. We do not actually know of any pending material federal or state court litigation regarding our use or ownership rights in the above registered trademarks or pending applications.

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We own proprietary information and rights in numerous items, such as menu formats, advertising designs, processes, techniques, certain recipes for *Barrio Queen* specialty food and beverages, the method of production and storage of products and information contained in the Confidential Manual and related documents. In connection with the operation of the franchise, we may disclose to you certain information in which we claim proprietary rights. For example, our Manual incorporates certain information that we believe is protected under the law of trade secrets, including sales and marketing techniques and restaurant operations. In addition, although we have not registered the copyright with the United States Copyright Office, the Confidential Manual is protected against unauthorized copying under United States Copyright laws for 100 years from the date of creation or 75 years from the date of publication, whichever is shorter. You must use the proprietary information only in the manner required by us and in no other manner. This information is strictly confidential and you may not disclose it to any person, or use any of that information for any purpose, except disclosure to a person who has signed and delivered to us the "Confidentiality Agreement" contained in the Confidential Manual, and you may only use this information as necessary in connection with the operation of your restaurant. In addition, you must fully and strictly comply with all security measures required by us for maintaining the confidentiality of all information designated by us as trade secrets.

No agreements limit our right to use or license the use of our statutory copyright of the Confidential Manual.

If you reproduce any items or materials suitable for copyright protection, you must make sure that each item bears a copyright notice in the form specified by us. You must use the proprietary information only in the manner required by us and in no other manner. This information is strictly confidential and you may not disclose to any person or use any of that information for any purpose, except disclosure to a person who has signed and delivered to us a confidentiality agreement, and use as necessary in connection with the operation of your Franchised Business. In addition, you must fully and strictly comply with all security measures required by us for maintaining the confidentiality of all information designated by us as trade secrets.

You will not have the exclusive right to use the innovations or any of our (if any) patents or patent applications, copyrights or proprietary information, nor will you acquire, by use or otherwise, any right, title or interest in or to the innovations, the copyrights or the proprietary information, other than as expressly contained in, and limited by, the Franchise Agreement. Your right to use the innovations, the claimed subject matter of any patents or patent applications, the copyrights and the proprietary information is limited and temporary. Upon expiration or termination of the Franchise Agreement, you may not, directly or indirectly, use the innovations, the claimed subject matter of any patents or patent applications, the copyrights or the proprietary information in any manner or for any purpose.

You must immediately notify us of any conduct that could constitute infringement of or challenge to the innovations, the patents or patent applications, the copyrights and our proprietary information. We will decide, in our sole discretion, whether to institute any action in connection with infringement of or challenge to the innovations, the patents or patent applications, the copyrights and our proprietary information, and will control all proceedings and litigation. The Franchise Agreement does not require us to take affirmative action when notified of infringement, but indicates we have the sole discretion to take such action as we may deem appropriate. We are not required to protect your right to use the innovations, the patents or patent applications, the copyrights and proprietary information. As indicated in the Franchise Agreement, we will indemnify you for all damages for which you are held liable in any lawsuit arising out of your proper use of the innovations, the patents or patent applications, the copyrights and our proprietary information in compliance with the Franchise Agreement.

We may, in our sole discretion, modify or discontinue use of the innovations, the patents or patent applications, the copyrights and our proprietary information and/or use other information and/or rights in its place. If we decide to do so, you must do so also, at your expense. The Franchise Agreement does not provide you any additional rights if we require you to modify or discontinue use of the innovations, the patents or patent applications, the copyrights and our proprietary information. However, if we require you to modify or discontinue use of the innovations, the patents or patent applications, the copyrights and our proprietary information and/or use other information and/or rights in its

place at any time other than upon renewal of the Franchise Agreement, and that requirement is a direct result of proceedings or litigation that determined that our and our franchisees' use of the innovations, the patents or patent applications, the copyrights and the proprietary information infringed upon a third party's rights, our sole obligation will be that we bear the actual direct and tangible cost of complying with such requirement. The rights granted in this paragraph are your sole and exclusive remedy for any infringement by any part of the System.

We have no pending patent applications that are material to the franchise. We do not actually know of any current material determinations of the United States Patent and Trademark Office, United States Copyright Office, or of any court, nor do we actually know of any effective determinations or any material proceedings pending in the United States Patent and Trademark Office or of any court regarding the patent application. We do not actually know of any patent or copyright infringement that could materially affect the franchisee.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your Operating Partner is required to have at least a 20% ownership interest in the entity that is the Franchisee and participate full time in the operation of your Restaurant. You and each Management Staff member you employ must successfully complete the training program. Your employees do not have to own an equity interest in your Restaurant. Your Restaurant must be open during the business hours as specified in the Manuals.

The operating company responsible for operating and managing your Restaurant must be dedicated solely to developing and operating Barrio Queen Restaurants, and may not hold any interest in, operate, or manage any other business without the prior written approval of Franchisor.

If you are an individual and married, your spouse must: sign the Guaranty of Franchise Agreement in which your spouse agrees to perform, and guarantees, all of the franchisee's obligations to us and our affiliates contained in the Franchise Agreement (see Exhibit D) and a Non-Disclosure and Non-Competition Agreement (see Exhibit F).

We are not seeking to license you to operate a Restaurant if your Principals are merely seeking a passive investment.

Additionally, you must employ on a full-time basis at least one on-premises supervisor (the "Manager") for the Restaurant. The Manager of the Restaurant must at all times be a person who meets our criteria as a qualified restaurant operator. The Manager is not required to have any equity interest in the Franchised Business. The Manager must devote his or her entire time during normal business hours to the management, operation and development of the Franchised Business and must maintain

the confidentiality of the trade secrets and proprietary information, comply with the use of the proprietary marks, conform with the covenants not to compete, and conform with the operating standards in the Franchise Agreement and Confidential Manual. The Manager is required to sign the Confidentiality Agreement.

In the interest of safe and efficient job performance, business operation and public health and safety, you must have a Manager on each shift who is able to read and understand our written materials and communicate with your employees and customers in the English language. This requirement will not restrict the Manager or your employees from speaking in any other language with you, other employees or customers, and shall not apply to any employee while on personal time or breaks.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require that your business is solely that of a *Barrio Queen* restaurant, and you may not conduct any other business or activity at the site of the Restaurant without our prior written approval. You must offer the full menu prescribed by us, subject to change from time to time in our sole discretion. ITEM 18: PUBLIC FIGURES

We currently do not use any public figure to promote our franchise system.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The average gross sales amounts contained in the table below pertain to the historic performance of all Barrio Queen restaurants located in the United States that were existing outlets that did not open for the first time during the past fiscal year. The period measured was December 1, 2022, through November 30, 2023. All restaurants detailed below were company-owned restaurants as of such November 30, 2023 date, and none were operated by a franchisee. Prospective franchisees should be advised that no certified public accountant has audited these figures or expressed his/her opinion concerning their content or form.

All Restaurants in the chart below are considered standard Restaurants, and they operate under the Barrio Queen system and the Marks. We are not aware of any material differences between the Franchisor-owned restaurants in the chart below and the franchises being offered in this Disclosure Document.

	Average Gross Sales	Median Gross Sales	Number of Stores Measured	Number of stores that met or exceeded the Average Gross Sales	Percentage of stores that met or exceeded the Average Gross Sales	Number of stores that met or exceeded the Median Gross Sales	Percentage of stores that met or exceeded the Median Gross Sales
All company-owned outlets	\$4,162,544	\$4,243,865	7	4	57%	3	43%

Notes:

- As of November 30, 2023, there were 7 Barrio Queen restaurants open in the United States. Of these, none were franchised and all were owned and operated by Franchisor, its affiliate or predecessor.

2. The information is based upon gross sales, which means the total revenue derived from the sales of goods and services less sales tax, discounts, allowances and returns, of franchised stores.

3. Many of these Restaurants have been open and operating for several years and have an existing customer base. New franchisees developing a Restaurant in new markets where there is less brand awareness and less unit development may need to take more time and make more effort to build marketing effectiveness, brand awareness, a base of customers, and operational efficiencies. Geographic and socio-economic variations from locality to locality may affect the results of the Restaurant, as well as performance of the national and world economy. A Restaurant's sales also vary based on, among other things, the owner's operational ability, capital and financing, commitment to training staff, customer service orientation, location and site criteria, seating, parking, the physical condition of the Restaurant, and ease of ingress and egress.

4. We strongly encourage you to consult with your legal and financial advisors in reviewing all information, and in particular, estimating the expenses you will incur in establishing and operating your Restaurant prior to executing any agreement. We recommend that you make your own independent investigation to determine whether or not your Restaurant may be profitable.

5. Some Barrio Queen outlets have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.

6. We will provide to you the spreadsheets as written substantiation for the representations made in this Item 19 upon reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting BQ Concepts, LLC, Attn: Legal Department, 12701 Whitewater Drive, Suite 100, Minnetonka, Minnesota 55343-4164, (952) 294-1300, the Federal Trade Commission, and the appropriate state regulatory agencies.

ADDENDUM TO THE BQ CONCEPTS, LLC
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF MARYLAND

1. Item 5 of the Franchise Disclosure Document and all agreements in this offering are amended to disclose the following:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

2. The following amends Item 11 and replaces the last sentence of paragraph 8.a. under the section titled "During the operation of the Franchised Business:"

A Franchisee may, at any time after 120 days following the end of the calendar year, obtain an accounting of expenditures for the Advertising Fund and any LAA Funds for the entire preceding calendar year by submitting a written request to BQ Concepts, LLC's Chief Financial Officer at the principal business address listed in Item 1 of the Franchise Disclosure Document.

3. The Summary in Item 17.v is deleted, and the following Summary is inserted in its place:

A Franchisee may file a civil lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of the franchise.

4. Item 17 is amended to disclose the following:

Any general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

5. The following paragraph is added to the end of Item 17:

The Franchise Agreement provides for termination upon Franchisee's bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C. Section 101 et seq.).

6. Item 17 is amended to disclose the following:

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO ADDENDUM TO THE BQ CONCEPTS, LLC
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF MICHIGAN**

Section 445.1508(1) of the Michigan Franchise Investment Law requires franchisor to give you a copy of the Franchise Disclosure Document earlier of: (i) 10 business days prior to signing the Agreement; or (ii) 10 business days prior to franchisor's receipt of any consideration.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (A) A prohibition on the right of a franchisee to join an association of franchisees.
- (B) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- (C) A provision that permits a franchisor to terminate a Franchise Agreement prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (D) A provision that permits a franchisor to refuse to renew a Franchise Agreement without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if: (i) the term of the Franchise Agreement is less than five (5) years; and (ii) the franchisee is prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the Franchise Agreement or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the Franchise Agreement.
- (E) A provision that permits the franchisor to refuse to renew a Franchise Agreement on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(F) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(G) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(H) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).

(I) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

(J) No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

To the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. If the Franchisee is required in the Franchise Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Law, or a rule or order under the Law, such release shall exclude claims arising under the North Dakota Franchise Investment Law, and such acknowledgements shall be void with respect to claims under the Law.
- b. Covenants not to compete during the term and upon termination or expiration of the Franchise Agreement are enforceable only under certain conditions according to North Dakota Law. If the Franchise Agreement contains a covenant not to compete which is inconsistent with North Dakota Law, the covenant may be unenforceable.

3. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of the North Dakota Franchise Investment Law, with respect to each such provision, are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. ADDENDUM TO THE BQ CONCEPTS, LLC
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF WASHINGTON

The State of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your Franchise Agreement. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your Franchise Agreement.

1. If any provisions governing termination or non-renewal disclosed herein are inconsistent with Washington law, then Washington law shall apply. The applicable law reads as follows:

Section 19.100.180. Without limiting the other provisions of this chapter, the following specific rights and prohibitions shall govern the relation between the franchisor or subfranchisor and the franchisees:

(2) For the purpose of this chapter and without limiting its general application, it shall be an unfair or deceptive act or practice or an unfair method of competition and therefore unlawful and violation of this chapter for any person to:

(a) Restrict or inhibit the right of the franchisees to join an association of franchisees.

(b) Require a franchisee to purchase or lease goods or services of the franchisor or from approved sources of supply unless and to the extent that the franchisor satisfies the burden of proving that such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds, and do not substantially affect competition: PROVIDED, that this provision shall not apply to the initial inventory of the franchise. In determining whether a requirement to purchase or lease goods or services constitutes an unfair or deceptive act or practice or an unfair method of competition the courts shall be guided by the decisions of the courts of the United States interpreting and applying the anti-trust laws of the United States.

(c) Discriminate between franchisees in the charges offered or made for royalties, goods, services, equipment, rentals, advertising services, or in any other business dealing, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is: (i) Reasonable, (ii) based on franchises granted at materially different times and such discrimination is reasonably related to such difference in time, or is based on other proper and justifiable distinctions considering the purposes of this chapter, and (iii) is not arbitrary. However, nothing in (c) of this subsection precludes negotiation of the terms and conditions of a franchise at the initiative of the franchisees.

(d) Sell, rent, or offer to sell to a franchisee any product or service for more than a fair and reasonable price.

(e) Obtain money, goods, services, anything of value, or any other benefit from any other person with whom the franchisee does business on account of such business unless such benefit is disclosed to the franchisee.

(f) If the franchise provides that the franchisee has an exclusive territory, which exclusive territory shall be specified in the franchise agreement, for the franchisor or subfranchisor to compete with the franchisee in an exclusive territory or to grant competitive franchises in the exclusive territory area previously granted to another franchisee.

(h) Impose on a franchisee by contract, rule, or regulation, whether written or oral, any standard of conduct unless the person so doing can sustain the burden of proving such to be reasonable and necessary.

(i) Refuse to renew a Franchise Agreement without fairly compensating the franchisee for the fair market value, at the time of expiration of the Franchise Agreement, or the franchisee's inventory, supplies, equipment, and furnishings purchased from the franchisor and good will, exclusive of personalized materials which have no value to the franchisor, and inventory, supplies, equipment and furnishings not reasonably required in the conduct of the franchised business: PROVIDED, that compensation need not be made to a franchisee for good will if: (i) the franchisee has been given one year's notice of nonrenewal; and (ii) the franchisor agrees in writing not to enforce any covenant which restrains the franchisee from competing with the franchisor: PROVIDED FURTHER, that a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to franchisor.

(j) Terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include, without limitation, the failure of the franchisee to comply with lawful material provisions of the franchise or other agreement between the franchisor and the franchisee and to cure such default after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such default, or if such default cannot reasonably be cured within thirty days, the failure of the franchisee to initiate within thirty days substantial and continuing action to cure such default: PROVIDED, that after three willful and material breaches of the same term of the Franchise Agreement occurring within a twelve month period, for which the franchisee has been given notice and an opportunity to cure as provided in this subsection, the franchisor may terminate the Franchise Agreement upon any subsequent month period without providing notice or opportunity cure: PROVIDED FURTHER, that a franchisor may terminate a Franchise Agreement without prior notice or opportunity to cure a default if the franchisee: (i) is adjudicated bankrupt or insolvent; (ii) makes an assignment for the benefit of creditors or similar disposition of the assets of the franchised business; (iii) voluntarily abandons the franchised business; or (iv) is convicted of or pleads guilty or no contest to a charge of violating any law relating to the franchised business. Report of Independent Auditors

To the Management and Stockholder of MTY Franchising USA, Inc.

Opinion

We have audited the accompanying consolidated financial statements of MTY Franchising USA, Inc. and its subsidiaries (the "Company"), which comprise the consolidated statement of operations and comprehensive income for the year ended on November 30, 2023 and 2022, the consolidated statement of changes in stockholder's equity for the year ended on November 30, 2023 and 2022, the consolidated balance sheets as of November 30, 2023 and 2022, and the consolidated statement of cash flows for the year then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of November 30, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to the consolidated financial statements

Years ended November 30, 2023 and 2022

(In thousands of US dollars)

1. Nature of operations

MTY Franchising USA, Inc. (the "Company" or "MTY USA") was incorporated on March 14, 2001. The Company operates, develops and franchises restaurants under a multitude of different banners in the United States of America (the "US").

2. Significant accounting policies

Basis of presentation

The accounting policies of the Company are in accordance with accounting principles generally accepted in the US ("US GAAP"). The Company uses the US dollar as its functional and reporting currency, and tabular amounts are rounded to the nearest thousand (\$000) except when otherwise indicated. MTY USA is a wholly owned subsidiary of MTY Food Group Inc.

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Presented below are those policies considered particularly significant:

Basis of consolidation

The consolidated financial statements reflect the financial position and operating results of the Company, including wholly owned subsidiaries and investees that we control.

The principal subsidiaries of the Company are as follows:

<u>Principal subsidiaries</u>	<u>Percentage of equity interest</u>
	<u>%</u>
BF Acquisition Holdings, LLC	100
Built Franchise Systems, LLC	100
CB Franchise Systems, LLC	100
Kahala Brands Ltd.	100
Papa Murphy's Holdings Inc.	100
BBQ Holdings, Inc. (Note 3)	100
Weitzel's Pretzels, LLC (Note 3)	100

Revenues and expenses of subsidiaries are included in the consolidated statement of operations and comprehensive income from the effective date of acquisition. The subsidiaries are consolidated from the acquisition date until the date on which the Company ceases to control them.

All intercompany transactions, balances, revenues and expenses are eliminated in full upon consolidation.

Business combinations

The Company accounts for acquired businesses using the acquisition method of accounting in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 805, Business Combinations. The consideration transferred for the acquisition is the fair values of the assets transferred, the liabilities incurred, and the equity interest issued. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Acquisition-related costs are expensed as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value at the acquisition date.

MTY Franchising USA, Inc.

Notes to the consolidated financial statements

Years ended November 30, 2023 and 2022

(In thousands of US dollars)

2. Significant accounting policies (continued)

Business combinations (continued)

Goodwill is measured as the excess of the purchase price over the estimated fair values of the net assets acquired. If, after reassessment, the net of the acquisition date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer's previously held interest in the acquiree (if any), the excess is recognized immediately in profit or loss as a bargain purchase gain.

Goodwill reflects how the acquisition will impact the Company's ability to generate future profits in excess of existing profits. The consideration paid mostly relates to combined synergies, related mainly to revenue growth. These benefits are not recognized separately from goodwill as they do not meet the recognition criteria for identifiable intangible assets.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition date fair value and included as part of the consideration transferred in a business combination.

When a business combination is achieved in stages, the Company's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date (i.e. the date when the Company obtains control) and the resulting gain or loss, if any, is recognized in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognized in income and other comprehensive income are reclassified to profit or loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted retrospectively during the measurement period or additional assets or liabilities are recognized, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date.

Goodwill

Goodwill represents the excess of cost over the net tangible assets and identifiable intangible assets of acquired businesses. Goodwill is carried at cost reduced by previous impairment losses, if any.

Functional currency

The functional currency of the Company and its subsidiaries is the US dollar. The Company translates monetary assets and liabilities that are denominated in currencies other than the US dollar at the exchange rates prevailing at the end of the reporting period; non-monetary assets denominated in foreign currencies are translated using the exchange rate prevailing at the transaction date; all revenue and expense items denominated in foreign currencies are translated at the exchange rate prevailing at the transaction date. All foreign exchange gains and losses are reported in profit or loss.

Revenue recognition

Revenue is recognized upon the transfer of control of promised goods or services to customer in an amount that reflects the consideration the Company expects to receive for those goods or services:

Revenue from franchise locations

- i) Royalties are based either on a percentage of gross sales as reported by the franchisees or on a fixed monthly fee. They are recognized on an accrual basis in accordance with the substance of the relevant agreement, as they are earned.
- ii) Promotional fund contributions are based on a percentage of gross sales as reported by the franchisees. Corresponding promotional fund transfers are presented directly on the consolidated balance sheets. The Company is not entitled to retain these promotional fund payments received and is obligated to transfer these funds to be used solely for use in promotional and marketing-related costs for specific restaurant banners. The Company sometimes charges a fee for the administration of the promotional funds.

Revenue recognition (continued)

Revenue from franchise locations (continued)

- iii) Initial franchise fees are recognized on a straight-line basis over the term of the franchise agreement as the performance obligation relating to franchise rights is fulfilled. Amortization begins once the restaurant has opened.
- iv) Upfront fees related to master license agreements are recognized over the term of the master license agreements on a straight-line basis.
- v) Renewal fees and transfer fees are recognized on a straight-line basis over the term of the related franchise agreement.
- vi) The Company earns rent revenue on certain leases it holds; the Company's policy is described below.
- vii) Revenue from equipment sale and retail sales are recognized upon transfer of control, generally upon shipment of the equipment or goods. This revenue is recorded in resale material and retail sales.
- viii) The Company recognizes breakage income proportionately as each gift card is redeemed, based on the historical redemption patterns of the gift cards. The Company also charges various program fees to its franchisees as gift cards are redeemed. Notably, this does not apply to gift card liabilities assumed in a business acquisition, which are accounted for at fair value at acquisition date.
- ix) The Company receives considerations from certain suppliers. Fees are generally earned based on the value of purchases during the period. Agreements that contain an initial upfront fee, in addition to ongoing fees, are recognized on a straight-line basis over the term of the respective agreement. Supplier contributions are recognized as revenue as they are earned and are recorded in franchising revenue.
- x) The Company earns e-commerce fees, which includes point-of-sale ("POS") support fees and transaction fees for purchase made through one of the Company's brands' e-commerce platforms. POS supports fees are received quarterly in advance and are recognized over the period they cover. Transaction fees are recognized when the food items purchased from a store are delivered or picked up by customers.

Revenue from corporate-owned locations

Revenue from corporate-owned locations is recorded when goods are delivered to customers.

Contract cost asset

The Company recognizes incremental costs of obtaining a contract as an asset if they are expected to be recoverable, unless their amortization period would be less than one year, in which case they are expensed as incurred. The costs are amortized to operating expenses over the term of the related franchise agreement.

Leasing

In accordance with ASC 842, the Company determines if an arrangement is or contains a lease at contract inception and recognizes a right-of-use asset and a lease liability at the lease commencement date. Leases with an initial term of 12 months or less but greater than one month are not recorded on the balance sheet for select asset classes.

The lease liability is measured at the present value of future lease payments as of the lease commencement date. The right-of-use asset recognized is based on the lease liability adjusted for prepaid and deferred rent and unamortized lease incentives. An operating lease right-of-use asset is amortized on a straight-line basis over the lease term and is recognized as a single lease cost against the operating lease liability. A finance lease right-of-use asset is amortized on a straight-line basis, with interest costs reported separately, over the lesser of the useful life of the leased asset or lease term.

Leasing (continued)

Operating lease expense is recognized on a straight-line basis over the lease term and is included in Operating expenses. Variable lease payments are expensed as incurred. The Company uses its incremental borrowing rates as the discount rate for its leases, which is equal to the rate of interest the Company would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms. The lease terms for all the Company's leases include the contractually obligated period of the leases, plus any additional periods covered by Company options to extend the leases that the Company is reasonably certain to exercise. Certain leases provide that the lease payments may be increased annually based on the fixed rate terms or adjustable terms such as the Consumer Price Index. Future base rent escalations that are not contractually quantifiable as of the lease commencement date are not included in the lease liability.

Lease expense for lease payments is recognized on a straight-line basis over the lease term. Lease expense is comprised of operating and finance lease costs, short-term lease costs, and variable lease costs, which primarily include common area maintenance, real estate taxes, and insurance for the Company's real estate leases.

The Company enters into leases for franchised and corporately-owned locations, offices, and equipment in the normal course of business.

The Company as lessee

The Company recognizes operating lease liabilities with corresponding operating lease right-of-use assets, except for short-term leases and leases of low value assets, which are expensed on a straight-line basis over the lease term. The Company's leases are all classified as operating leases. The amortization of the operating lease right-of-use asset and interest expense related to the operating lease liability are recorded together as the lease expense to produce a straight-line recognition effect in the consolidated statement of operations. Under ASC 842, operating lease right-of-use assets are tested for impairment in accordance with ASC 360, Property, Plant and Equipment.

The Company as lessor

When the Company enters into a sublease arrangement as an intermediate lessor, the Company accounts for the head lease and the sublease as two separate contracts. All the subleases of the Company are classified as operating subleases by reference to the operating lease right-of-use asset arising from the underlying asset. For operating subleases, the Company recognizes an operating right-of-use asset relating to the head lease and recognizes a deferred rent asset or liability in the sublease. As the intermediate lessor, the Company retains the operating lease liability on the head lease in its consolidated balance sheet. During the term of the sublease, the Company recognizes both lease income on the sublease and lease expense on the head lease.

Income taxes

The Company accounts for income taxes pursuant to ASC 740, Income Taxes ("ASC 740"). Deferred tax assets and liabilities are recorded for differences between the financial statement and tax basis of the assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is recorded for the amount of income tax payable or refundable for the period increased or decreased by the change in deferred tax assets and liabilities during the period.

The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority.

Allowance for doubtful accounts

The Company currently uses the simplified expected credit loss ("ECL") model for its trade receivables, which permits the use of the lifetime expected loss provision for all trade receivables and also incorporates forward-looking information. Lifetime ECL represents the ECL that will result from all probable default events over the expected life of a financial instrument.

Assets held for sale

Assets are classified as held for sale when management with the appropriate authority commits to a plan to sell the assets, the assets are available for immediate sale, the assets are actively marketed at a reasonable price, the sale is probable within a year, and certain other criteria met. Assets held for sale consist primarily of Company-owned stores where the Company has committed to a plan to sell specific stores. Assets designated as held for sale are held at the lower of the net book value or fair value less costs to sell. Depreciation is not charged against property, plant and equipment classified as assets held for sale.

Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at their historical costs less accumulated depreciation (buildings) and accumulated impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the asset, including any costs directly attributable to bringing the asset to a working condition for its intended use.

Equipment, leasehold improvements, rolling stock and computer hardware are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognized so as to write off the cost or valuation of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation methods are reviewed at the end of each year, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Depreciation is based on the following terms:

Buildings	Straight-line	25 to 50 years
Equipment	Straight-line	Three to 10 years
Leasehold improvements	Straight-line	Term of the lease
Rolling stock	Straight-line	Five to seven years
Computer hardware	Straight-line	Three to seven years

Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if applicable. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful lives and amortization methods are reviewed at the end of each year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses, if applicable.

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognized separately from goodwill are initially recognized at their fair value at the acquisition date.

Subsequent to initial recognition, intangible assets having a finite life acquired in a business combination are reported at cost less accumulated amortization and accumulated impairment losses, if applicable, on the same basis as intangible assets that are acquired separately. Intangible assets having an indefinite life are not amortized and are therefore carried at cost reduced by previous impairment losses, if applicable.

2. Significant accounting policies (continued)

Intangible assets (continued)

Derecognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is derecognized.

The Company currently carries the following intangible assets in its books:

Franchise rights

The franchise rights acquired through business combinations are recognized at the fair value of the estimated future cash inflows related to the acquisition of franchises. The franchise rights are generally amortized on a straight-line basis over the term of the agreements which typically range between 10 to 20 years.

Trademarks

Trademarks acquired through business combinations are recognized at their fair value at the time of the acquisition and are not amortized. Trademarks are determined to have an indefinite useful life based on their brand recognition and their ability to generate revenue through changing economic conditions with no foreseeable time limit.

Other

Included in other intangible assets are purchased software and liquor licences, which are being amortized over their expected useful life on a straight-line basis.

Impairment of long-lived assets other than goodwill

The Company continually reviews whether events or circumstances subsequent to the acquisition of any long-lived assets, including intangible assets with finite useful lives, have occurred that indicate the remaining estimated useful lives of those assets may warrant revision or that the remaining balance of those assets may not be recoverable. If events and circumstances indicate that the long-lived assets should be reviewed for possible impairment, the Company uses projections to assess whether future cash flows on an undiscounted basis related to the assets exceed the recorded carrying amount of those assets to determine if an asset is impaired. Should an impairment be identified, a loss would be recorded to the extent that the carrying value of the impaired assets exceeds their fair values as determined by valuation techniques appropriate in the circumstances that could include the use of similar cash flow projections on a discounted basis. The reporting units of indefinite intangible assets are individual brands, comprised of franchise rights, trademarks, and perpetual licenses.

Impairment of goodwill

For the purposes of impairment testing, goodwill is allocated to the unit or group of units ("reporting unit") that are considered to represent the lowest level within the group at which the goodwill is monitored for internal management purposes. As at November 30, 2023, goodwill is allocated as follows:

	Reporting unit description
Reporting Unit A	A group of units comprised of acquired brands in the US, excluding the Papa Murphy's, BBQ Holdings, Inc. ("BBQ Holdings") and Wetzel's Pretzels brands
Reporting Unit B	One unit comprised of the Papa Murphy's brand
Reporting Unit C	A group of units comprised of the BBQ Holdings brands
Reporting Unit D	One unit comprised of the Wetzel's Pretzels brand

2. Significant accounting policies (continued)

Impairment of goodwill (continued)

Goodwill is tested for impairment on an annual basis (August 31 for the Company) and between annual tests if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying value. Fair value is determined using a discounted cash flow methodology with a risk adjusted weighted average cost of capital.

Cash and restricted cash

Cash and restricted cash include cash on hand and short-term investments, if any, with maturities upon acquisition of generally three months or less or that are redeemable at any time at full value and for which the risk of a change in value is not significant. As at November 30, 2023, cash and restricted cash included \$271 of restricted cash (2022 – \$504) that is required as part of guarantees on certain lease commitments.

Inventories

Inventories are measured at the lower of cost and market value. Costs of inventories are determined on a first-in-first-out basis and include acquisition costs and other costs incurred to bring inventories to their present location and condition.

Market value represents the current replacement cost, provided that the cost does not exceed the net realizable value or is not less than the net realizable value reduced by a normal profit margin.

Contingencies

Litigation, disputes and closed stores

Provisions for the expected cost of litigation, disputes and the cost of settling leases for closed stores, with the exception of operating lease liabilities already recorded pursuant to ASC 842, are recognized when it becomes probable the Company will be required to settle the obligation, at management's best estimate of the expenditure required to settle the Company's obligation.

Contingent liabilities acquired in a business combination

Contingent liabilities acquired in a business combination are initially measured at fair value at the acquisition date. At the end of subsequent reporting periods, such contingent liabilities are measured at the higher of the amount that would be recognized, and the amount initially recognized less cumulative amortization recognized, if any.

Financial instruments

The Company's financial instruments consist of cash, restricted cash, accounts receivable, loans receivable, receivable from company under common control, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company, advances from companies under common control, long-term loan from company under common control and holdbacks payable. Unless otherwise noted, it is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values for cash, restricted cash, accounts receivable, loans receivable, receivable from company under common control, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company and advances from companies under common control approximate their carrying values due to their immediate or short-term maturities, unless otherwise noted. The long-term loan from company under common control, advances from ultimate parent and holdbacks payable are measured at amortized cost using the effective interest method.

Promotional funds

Pursuant to the franchise agreements, franchisees must pay a fee to the promotional funds. These amounts are collected by the Company in its capacity as agent and must be used for promotional and advertising purposes, since the amounts are set aside to promote the respective banners for the franchisees' benefit. The promotional funds collected, and the related expenditures are reported on a gross basis in the consolidated statements of operations and comprehensive income. To the extent that promotional funds received exceed the related promotional expenditures, the excess contributions will be recorded in accounts payable or accrued liabilities.

Promotional funds (continued)

Cash held pursuant to the promotional funds received are classified as unrestricted cash as there are no legal restrictions on the use of these funds; however, the Company intends to use these funds solely to support the promotional funds rather than to fund its ongoing operations. As at November 30, 2023, promotional funds were in a net liability position amounting to \$11,357 (2022 – net liability position of \$13,278).

Subsequent events

Subsequent events were evaluated through the date that the consolidated financial statements were issued, which was February 2, 2024.

Estimates and assumptions

Business combinations

For business combinations, the Company must make assumptions and estimates to determine the purchase price accounting of the business being acquired. To do so, the Company must determine the acquisition date fair value of the identifiable assets acquired, including such intangible assets as franchise rights and master franchise rights, trademarks, step-in rights and liabilities assumed. Among other things, the determination of these fair market values involves the use of discounted cash flow analyses and future system sales growth. Goodwill is measured as the excess of the fair value of the consideration transferred including the recognized amount of any non-controlling interest in the acquiree over the net recognized amount of the identifiable assets acquired and liabilities assumed, all measured at the acquisition date. These assumptions and estimates have an impact on the asset and liability amounts recorded in the consolidated balance sheets on the acquisition date. In addition, the estimated useful lives of the acquired amortizable assets, the identification of intangible assets and the determination of the indefinite or finite useful lives of intangible assets acquired will have an impact on the Company's future profit or loss.

Goodwill and indefinite-lived intangible assets

The fair value calculation includes estimates of revenue growth, which are based on past performance and internal projections for the intangible asset group's forecasted growth, and royalty rates, which are adjusted for our particular facts and circumstances. The discount rate is selected based on the estimated cost of capital that reflects the risk profile of the related business. These estimates are highly subjective, the ability to achieve the forecasted cash flows used in our fair value calculations is affected by factors such as the success of strategic initiatives, changes in economic conditions, changes in our operating performance and changes in our business strategies.

Contingencies

The Company makes assumptions and estimations based on its current knowledge of future disbursements it will have to make in connection with various events that have occurred in the past and for which the amount to be disbursed and the timing of such disbursement are uncertain at the date of producing its financial statements. This includes contingencies for onerous contracts, litigations and disputes and other contingencies.

Gift card liabilities

Management is required to make certain assumptions in both the prorated recognition based on redemption pattern and remoteness recognition of gift card breakage. The significant estimates are breakage rate and the redemption patterns.

10. Impairment

The Company performed its annual impairment test as at August 31, 2023, resulting in the recognition of \$4,063 (2022 – \$5,643) of impairment losses on its intangible assets for four of its brands (2022 – three brands), following indicators of impairment that were noted.

Additionally, the Company recorded \$169 of impairment losses on its property, plant and equipment (2022 – \$338), and did not record any impairment on goodwill (2022 – nil), for a total of \$4,232 (2022 – \$5,981) of impairment charges on its property, plant and equipment and intangible assets for the year ended November 30, 2023, which have been recognized in the consolidated statement of operations.

Impairment charges were based on the amount by which the carrying values of the assets exceeded recoverable amounts, determined using expected discounted projected operating cash flows for trademarks and franchise rights.

Impairment by reporting unit for the year ended November 30, 2023:

	Property, plant and equipment	Intangible assets		Total
		Franchise rights	Trademarks	
	\$	\$	\$	\$
Reporting Unit A	22	559	3,264	3,845

10. Impairment (continued)

Impairment by reporting unit for the year ended November 30, 2022:

	Property, plant and equipment	Intangible assets		Total
		Franchise rights	Trademarks	
	\$	\$	\$	\$
Reporting Unit A	79	1,776	3,867	5,722
Reporting Unit B	259	—	—	259
Reporting Unit C	—	—	—	—
	338	1,776	3,867	5,981

The key assumptions used, where the recoverable amount was measured as a reporting unit's fair value, are those related to projected operating cash flows, as well as the discount rates. The sales forecasts for cash flows were based on the subsequent fiscal year's budgeted operating results, which were prepared by management and approved by the Board, and internal forecasts for subsequent years, which were prepared by management and developed from the budgeted operating results.

10. Impairment (continued)

The following table presents the key assumptions used in the Company's impairment tests, as well as the recoverable amounts measured at fair value as at August 31, 2023 and 2022:

(\$, except percentage data)	2023				2022	
	Reporting Unit A	Reporting Unit B	Reporting Unit C	Reporting Unit D	Reporting Unit A	Reporting Unit B
Discount rates after tax	10.5%	10.5%	10.5%	10.5%	10.3%	10.3%
Discount rates pre-tax	13.4%	13.8%	13.7%	13.6%	13.1%	13.2%
Recoverable amounts	539,407	266,604	313,644	270,246	515,478	250,715

Long-term growth rates ranging from 0% to 2% (2022 – 0% to 2%) were used in the impairment test for Reporting Unit A. A change of 100 basis points in discount rates in Reporting Unit A would result in additional impairment charges on intangible assets of three brands (2022 – four brands) representing 0.7% (2022 – 0.5%) of the total carrying value of the franchise rights and trademarks in that unit. A change of 100 basis points in discount rates in Reporting Unit A would not result in additional impairment charges on goodwill for the years ended November 30, 2023 and 2022. For Reporting Unit A, an increase of 440 basis points (2022 – 320 basis points) in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

A long-term growth rate of 1.5% (2022 – 1.5%) was used in the impairment test for Reporting Unit B. A change of 100 basis points in discount rates in Reporting Unit B would not result in additional impairment charges on intangible assets or goodwill for the years ended November 30, 2023 and 2022. For Reporting Unit B, an increase of 200 basis points (2022 – 110 basis points) in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

Long-term growth rates of 2.0% were used in the impairment test for Reporting Unit C. A change of 100 basis points in discount rates in Reporting Unit C would not result in additional impairment charges on intangible assets or goodwill for the years ended November 30, 2023. For Reporting Unit C, an increase of 200 basis points in the discount rate would have resulted in its recoverable amount being equal to its carrying value. For the year ended November 30, 2022, the impairment test of Reporting Unit C was performed as at November 30, 2022 and was based on qualitative factors, which did not give rise to any indications of impairment.

A long-term growth rate of 2.0% was used in the impairment test for Reporting Unit D. A change of 100 basis points in discount rates in Reporting Unit D would not result in additional impairment charges on intangible assets or goodwill for the year ended November 30, 2023. For Reporting Unit D, an increase of 160 basis points in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

11. Gift card liability

The changes in the carrying amount of the gift card liability are as follows:

	2023	2022

Deferred revenues consist mostly of initial, transfer and renewal franchise fees paid by franchisees, as well as upfront fees paid by master franchisees, which are generally recognized on a straight-line basis over the term of the related agreement. Deferred revenues also include amounts paid in upfront fees received from agreements with suppliers, which are amortized over the term of the related agreement.

\$8,055 (2022 – \$7,598) of revenue recognized in the current year was included in the deferred revenue balance at the beginning of the year.

The following table provides estimated revenues expected to be recognized in future years related to performance obligations that are unsatisfied as at November 30, 2023:

13. Receivables and advances from ultimate parent, parent company and companies under common control

The receivable from ultimate parent is primarily comprised of a renewable one-year term loan facility of \$148,670 (2022 – \$126,128). The term loan is unsecured and bears interest at the rate set at the Applicable Federal Rates as issued by the US Internal Revenue Service for short-term instruments. The term loan may be repaid, in whole or in part, at any time, without premium or penalty. MTY USA may also request repayment, in whole or in part, at any time, without penalty.

The advance from ultimate parent was repaid in conjunction with the issuance of another loan that makes up a portion of the interest bearing loans totaling \$405,833 seen in note 14 (2022 – \$198,785). Those loans are due December 8, 2029, are unsecured and bear interest at 9.26%. The term loans may be repaid, in whole or in part, at any time, without premium or penalty.

The receivable from company under common control and advances from parent company and companies under common control are non-interest bearing and receivable/due on demand with no specified collection/repayment terms.

16. Contingencies

The contingencies for litigation and disputes represent management's best estimate of the outcome of litigations and disputes that are ongoing at the date of the consolidated balance sheet. These contingencies consist of multiple items, a large part of which are insurance claims, including worker's compensation claims, at the Company's corporately owned locations. The timing of the settlement of these contingencies is unknown given their nature, as the Company does not control the litigation timelines.

18. Financial instruments

In the normal course of business, the Company uses various financial instruments which by their nature involve risk, including market risk and the credit risk of non-performance by counterparties. These financial instruments are subject to normal credit standards, financial controls, risk management as well as monitoring procedures.

Fair value of recognized financial instruments

The Company has determined that the fair value of its financial assets and financial liabilities with short-term maturities approximates their carrying value. These financial instruments include cash, restricted cash, accrued liabilities, promotional funds payable, and advances from parent company and from companies under common control.

The table below shows the fair value and the carrying value of other financial instruments as at November 30, 2023 and 2022. Since estimates are used to determine fair value, they must not be interpreted as being realizable in the event of a settlement of the instruments.

	2023		2022	
	Carrying amount	Fair value	Carrying amount	Fair value
	\$	\$	\$	\$
Financial assets				
Loans receivable	423	423	1,004	1,004

Determination of fair value

The following methods and assumptions were used to estimate the fair values of each class of financial instrument:

Cash, restricted cash, accounts receivable, receivable from ultimate parent, deposits, accounts payable, holdback payable, accrued liabilities, advance from parent company, advances from companies under common control – The carrying amounts approximate fair values due to the short maturity of these financial instruments.

Risk management policies

The Company, through its financial assets and financial liabilities, is exposed to various risks. The following analysis provides a measurement of risks as at November 30, 2023.

Credit risk

The Company's credit risk is primarily attributable to its trade receivables, loans receivable and deposits. For accounts receivable and loans receivable, the amounts disclosed on the consolidated balance sheets are net of allowances for bad debts, estimated by the Company's management based on past experience and counterparty specific circumstances. The Company believes that the credit risk of accounts receivable is limited for the following reasons:

- The Company's broad client base is spread mostly across the US, which limits the concentration of credit risk.
- The Company accounts for specific bad debt provisions when management considers that the expected recovery is less than the actual account receivable.

The credit risk on cash is limited because the Company invests its excess liquidity in high-quality financial instruments and with credit-worthy counterparties.

The credit risk on deposits is also limited as these are mostly with well-established and credit-worthy companies.

Interest rate risk

Interest rate risk is the Company's exposure to increases and decreases in financial instrument values caused by the fluctuation in interest rates. The Company has limited exposure to interest rate risk as its long-term loans from company under common control and ultimate parent as well as its long-term debt have fixed interest rates

ASC 740 prescribes the use of the liability method whereby deferred tax asset and liability account balances are determined based on differences between the financial reporting and tax bases of assets and liabilities and are measured using the enacted tax rates. The effects of future changes in tax laws or rates are not anticipated.

Under ASC 740, income taxes are recognized for the following: a) amount of tax payable for the current year and b) deferred tax liabilities and assets for future tax consequences of events that have been recognized differently in the consolidated financial statements than for tax purposes.

	2023	2022
	\$	\$
Income tax expense (recovery)		
Current tax expense	7,807	9,911
Deferred tax recovery	(6,405)	(2,496)
Total tax expense	1,402	7,415

The provision for income taxes recorded in the consolidated financial statements differs from the amount which would be obtained by applying the statutory federal income tax rate of 21% (2022 – 21%) to the income for the period as follows:

	2023	2022
	\$	\$
Income before income taxes	18,380	26,988
Income tax expense at federal statutory rate	3,860	5,679
State and local income taxes net of federal tax benefit	2,360	2,457
Non-deductible/non-taxable items	(216)	549
Temporary difference for which no deferred tax asset is recognized	—	(44)
True-up of prior year tax provision	(2,239)	(598)
Rate variation on deferred income tax	(102)	(552)
Credits generated and used in current year	(2,371)	286

Report of Independent Auditors

To the Management and Stockholder of MTY Franchising USA, Inc.

Opinion

We have audited the accompanying consolidated financial statements of MTY Franchising USA, Inc. and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of November 30, 2022, 2021 and 2020, and the related consolidated statements of operations and comprehensive income (loss), of changes in stockholder's equity and of cash flows for the years then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of November 30, 2022, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 3 to the consolidated financial statements, the Company changed the manner in which it accounts for leases in 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to the consolidated financial statements

Years ended November 30, 2022, 2021 and 2020

(In thousands of US dollars)

1. Nature of operations

MTY Franchising USA, Inc. (the “Company” or “MTY USA”) was incorporated on March 14, 2001. The Company develops and franchises restaurants under a multitude of different banners in the United States of America (the “US”).

2. Significant accounting policies

Basis of presentation

The accounting policies of the Company are in accordance with accounting principles generally accepted in the US (“US GAAP”). The Company uses the US dollar as its functional and reporting currency, and tabular amounts are rounded to the nearest thousand (\$000) except when otherwise indicated. MTY USA is a wholly owned subsidiary of MTY Food Group Inc.

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Presented below are those policies considered particularly significant:

Basis of consolidation

The consolidated financial statements reflect the financial position and operating results of the Company, including wholly owned subsidiaries and investees that we control.

The principal subsidiaries of the Company are as follows:

<u>Principal subsidiaries</u>	<u>Percentage of equity interest</u>
	%
BF Acquisition Holdings, LLC	100
Built Franchise Systems, LLC	100
CB Franchise Systems, LLC	100
Kahala Brands Ltd.	100
Papa Murphy’s Holdings Inc.	100
BBQ Holdings, Inc. (Note 4)	100

Revenues and expenses of subsidiaries are included in the consolidated statement of operations and comprehensive income from the effective date of acquisition. The subsidiaries are consolidated from the acquisition date until the date on which the Company ceases to control them.

All intercompany transactions, balances, revenues and expenses are eliminated in full upon consolidation.

2. Significant accounting policies (continued)

Business combinations

The Company accounts for acquired businesses using the acquisition method of accounting in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 805, Business Combinations. The consideration transferred for the acquisition is the fair values of the assets transferred, the liabilities incurred, and the equity interest issued. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Acquisition-related costs are expensed as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value at the acquisition date.

Goodwill is measured as the excess of the purchase price over the estimated fair values of the net assets acquired. If, after reassessment, the net of the acquisition date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer’s previously held interest in the acquiree (if any), the excess is recognized immediately in profit or loss as a bargain purchase gain.

Goodwill reflects how the acquisition will impact the Company’s ability to generate future profits in excess of existing profits. The consideration paid mostly relates to combined synergies, related mainly to revenue growth. These benefits are not recognized separately from goodwill as they do not meet the recognition criteria for identifiable intangible assets.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition date fair value and included as part of the consideration transferred in a business combination.

When a business combination is achieved in stages, the Company’s previously held equity interest in the acquiree is remeasured to fair value at the acquisition date (i.e. the date when the Company obtains control) and the resulting gain or loss, if any, is recognized in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognized in income and other comprehensive income are reclassified to profit or loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted retrospectively during the measurement period or additional assets or liabilities are recognized, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date.

Goodwill

Goodwill represents the excess of cost over the net tangible assets and identifiable intangible assets of acquired businesses. Goodwill is carried at cost reduced by previous impairment losses, if any.

2. Significant accounting policies (continued)

Functional currency

The functional currency of the Company and its subsidiaries is the US dollar. The Company translates monetary assets and liabilities that are denominated in currencies other than the US dollar at the exchange rates prevailing at the end of the reporting period; non-monetary assets denominated in foreign currencies are translated using the exchange rate prevailing at the transaction date; all revenue and expense items denominated in foreign currencies are translated at the exchange rate prevailing at the transaction date. All foreign exchange gains and losses are reported in profit or loss.

Revenue recognition

Revenue is recognized upon the transfer of control of promised goods or services to customer in an amount that reflects the consideration the Company expects to receive for those goods or services.

Revenue from franchise locations

- i) Royalties are based either on a percentage of gross sales as reported by the franchisees or on a fixed monthly fee. They are recognized on an accrual basis in accordance with the substance of the relevant agreement, as they are earned.
- ii) Promotional fund contributions are based on a percentage of gross sales as reported by the franchisees. Corresponding promotional fund transfers are presented directly on the consolidated balance sheets. The Company is not entitled to retain these promotional fund payments received and is obligated to transfer these funds to be used solely for use in promotional and marketing-related costs for specific restaurant banners. The Company sometimes charges a fee for the administration of the promotional funds.
- iii) Initial franchise fees are recognized on a straight-line basis over the term of the franchise agreement as the performance obligation relating to franchise rights is fulfilled. Amortization begins once the restaurant has opened.
- iv) Upfront fees related to master license agreements are recognized over the term of the master license agreements on a straight-line basis.
- v) Renewal fees and transfer fees are recognized on a straight-line basis over the term of the related franchise agreement.
- vi) The Company earns rent revenue on certain leases it holds; the Company's policy is described below.
- vii) Revenue from equipment sale and retail sales are recognized upon transfer of control, generally upon shipment of the equipment or goods. This revenue is recorded in resale material and retail sales.
- viii) The Company recognizes breakage income proportionately as each gift card is redeemed, based on the historical redemption patterns of the gift cards. The Company also charges various program fees to its franchisees as gift cards are redeemed. Notably, this does not apply to gift card liabilities assumed in a business acquisition, which are accounted for at fair value at acquisition date.
- ix) The Company receives considerations from certain suppliers. Fees are generally earned based on the value of purchases during the period. Agreements that contain an initial upfront fee, in addition to ongoing fees, are recognized on a straight-line basis over the term of the respective agreement. Supplier contributions are recognized as revenue as they are earned and are recorded in franchising revenue.

Revenue from franchise locations (continued)

- x) The Company earns e-commerce fees, which includes point-of-sale (“POS”) support fees and transaction fees for purchase made through one of the Company’s brands’ e-commerce platforms. POS supports fees are received quarterly in advance and are recognized over the period they cover. Transaction fees are recognized when the food items purchased from a store are delivered or picked up by customers.

Revenue from corporate-owned locations

Revenue from corporate-owned locations is recorded when goods are delivered to customers.

Contract cost asset

The Company recognizes incremental costs of obtaining a contract as an asset if they are expected to be recoverable, unless their amortization period would be less than one year, in which case they are expensed as incurred. The costs are amortized to operating expenses over the term of the related franchise agreement.

Leasing

The Company adopted ASC 842, Leases (“ASC 842”) on December 1, 2021. See note 3 for further details.

In accordance with ASC 842, the Company determines if an arrangement is or contains a lease at contract inception and recognizes a right-of-use asset and a lease liability at the lease commencement date. Leases with an initial term of 12 months or less but greater than one month are not recorded on the balance sheet for select asset classes.

The lease liability is measured at the present value of future lease payments as of the lease commencement date. The right-of-use asset recognized is based on the lease liability adjusted for prepaid and deferred rent and unamortized lease incentives. An operating lease right-of-use asset is amortized on a straight-line basis over the lease term and is recognized as a single lease cost against the operating lease liability. A finance lease right-of-use asset is amortized on a straight-line basis, with interest costs reported separately, over the lesser of the useful life of the leased asset or lease term.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in Operating expenses. Variable lease payments are expensed as incurred. The Company uses its incremental borrowing rates as the discount rate for its leases, which is equal to the rate of interest the Company would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms. The lease terms for all the Company’s leases include the contractually obligated period of the leases, plus any additional periods covered by Company options to extend the leases that the Company is reasonably certain to exercise. Certain leases provide that the lease payments may be increased annually based on the fixed rate terms or adjustable terms such as the Consumer Price Index. Future base rent escalations that are not contractually quantifiable as of the lease commencement date are not included in the lease liability.

Lease expense for lease payments is recognized on a straight-line basis over the lease term. Lease expense is comprised of operating and finance lease costs, short-term lease costs, and variable lease costs, which primarily include common area maintenance, real estate taxes, and insurance for the Company’s real estate leases.

2. Significant accounting policies (continued)

Leasing (continued)

The Company enters into leases for franchised and corporately-owned locations, offices, and equipment in the normal course of business.

The Company as lessee

The Company recognizes operating lease liabilities with corresponding operating lease right-of-use assets, except for short-term leases and leases of low value assets, which are expensed on a straight-line basis over the lease term. The Company's leases are all classified as operating leases. The amortization of the operating lease right-of-use asset and interest expense related to the operating lease liability are recorded together as the lease expense to produce a straight-line recognition effect in the consolidated statement of operations. Under ASC 842, operating lease right-of-use assets are tested for impairment in accordance with ASC 360, Property, Plant and Equipment.

The Company as lessor

When the Company enters into a sublease arrangement as an intermediate lessor, the Company accounts for the head lease and the sublease as two separate contracts. All the subleases of the Company are classified as operating subleases by reference to the operating lease right-of-use asset arising from the underlying asset. For operating subleases, the Company recognizes an operating right-of-use asset relating to the head lease and recognizes a deferred rent asset or liability in the sublease. As the intermediate lessor, the Company retains the operating lease liability on the head lease in its consolidated balance sheet. During the term of the sublease, the Company recognizes both lease income on the sublease and lease expense on the head lease.

Income taxes

The Company accounts for income taxes pursuant to ASC 740, Income Taxes ("ASC 740"). Deferred tax assets and liabilities are recorded for differences between the financial statement and tax basis of the assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is recorded for the amount of income tax payable or refundable for the period increased or decreased by the change in deferred tax assets and liabilities during the period.

The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority.

Allowance for doubtful accounts

The Company currently uses the simplified expected credit loss ("ECL") model for its trade receivables, which permits the use of the lifetime expected loss provision for all trade receivables and also incorporates forward-looking information. Lifetime ECL represents the ECL that will result from all probable default events over the expected life of a financial instrument.

Assets held for sale

Assets are classified as held for sale when management with the appropriate authority commits to a plan to sell the assets, the assets are available for immediate sale, the assets are actively marketed at a reasonable price, the sale is probable within a year, and certain other criteria met. Assets held for sale consist primarily of Company-owned stores where the Company has committed to a plan to sell specific stores. Assets designated as held for sale are held at the lower of the net book value or fair value less costs to sell. Depreciation is not charged against property, plant and equipment classified as assets held for sale.

Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at their historical costs less accumulated depreciation (buildings) and accumulated impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the asset, including any costs directly attributable to bringing the asset to a working condition for its intended use.

Equipment, leasehold improvements, rolling stock and computer hardware are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognized so as to write off the cost or valuation of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation methods are reviewed at the end of each year, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Depreciation is based on the following terms:

Buildings	Straight-line	25 to 50 years
Equipment	Straight-line	Three to 10 years
Leasehold improvements	Straight-line	Term of the lease
Rolling stock	Straight-line	Five to seven years
Computer hardware	Straight-line	Three to seven years

Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if applicable. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful lives and amortization methods are reviewed at the end of each year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses, if applicable.

Intangible assets (continued)

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognized separately from goodwill are initially recognized at their fair value at the acquisition date.

Subsequent to initial recognition, intangible assets having a finite life acquired in a business combination are reported at cost less accumulated amortization and accumulated impairment losses, if applicable, on the same basis as intangible assets that are acquired separately. Intangible assets having an indefinite life are not amortized and are therefore carried at cost reduced by previous impairment losses, if applicable.

Derecognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is derecognized.

The Company currently carries the following intangible assets in its books:

Franchise rights

The franchise rights acquired through business combinations are recognized at the fair value of the estimated future cash inflows related to the acquisition of franchises. The franchise rights are generally amortized on a straight-line basis over the term of the agreements which typically range between 10 to 20 years.

Trademarks

Trademarks acquired through business combinations are recognized at their fair value at the time of the acquisition and are not amortized. Trademarks are determined to have an indefinite useful life based on their brand recognition and their ability to generate revenue through changing economic conditions with no foreseeable time limit.

Other

Included in other intangible assets are purchased software and liquor licences, which are being amortized over their expected useful life on a straight-line basis.

Impairment of long-lived assets other than goodwill

The Company continually reviews whether events or circumstances subsequent to the acquisition of any long-lived assets, including intangible assets with finite useful lives, have occurred that indicate the remaining estimated useful lives of those assets may warrant revision or that the remaining balance of those assets may not be recoverable. If events and circumstances indicate that the long-lived assets should be reviewed for possible impairment, the Company uses projections to assess whether future cash flows on an undiscounted basis related to the assets exceed the recorded carrying amount of those assets to determine if an asset is impaired. Should an impairment be identified, a loss would be recorded to the extent that the carrying value of the impaired assets exceeds their fair values as determined by valuation techniques appropriate in the circumstances that could include the use of similar cash flow projections on a discounted basis. The reporting units of indefinite intangible assets are individual brands, comprised of franchise rights, trademarks, and perpetual licenses.

Impairment of goodwill

For the purposes of impairment testing, goodwill is allocated to the unit or group of units (“reporting unit”) that are considered to represent the lowest level within the group at which the goodwill is monitored for internal management purposes. As at November 30, 2022, goodwill is allocated as follows:

	Reporting unit description
US excluding Papa Murphy’s and BBQ Holdings	A group of units comprised of acquired brands in the US, excluding the Papa Murphy’s (“Papa Murphy’s”) and BBQ Holdings, Inc. (“BBQ Holdings”) brands
Papa Murphy’s	One unit comprised of the Papa Murphy’s brand
BBQ Holdings	A group of units comprised of the BBQ Holdings brands

Goodwill is tested for impairment on an annual basis (August 31 for the Company) and between annual tests if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying value. Fair value is determined using a discounted cash flow methodology with a risk adjusted weighted average cost of capital.

Cash and restricted cash

Cash and restricted cash include cash on hand and short-term investments, if any, with maturities upon acquisition of generally three months or less or that are redeemable at any time at full value and for which the risk of a change in value is not significant. As at November 30, 2022, cash and restricted cash included \$504 of restricted cash (2021 and 2020 – \$361) that is required as part of guarantees on certain lease commitments.

Inventories

Inventories are measured at the lower of cost and market value. Costs of inventories are determined on a first-in-first-out basis and include acquisition costs and other costs incurred to bring inventories to their present location and condition.

Market value represents the current replacement cost, provided that the cost does not exceed the net realizable value or is not less than the net realizable value reduced by a normal profit margin.

Contingencies

Litigation, disputes and closed stores

Provisions for the expected cost of litigation, disputes and the cost of settling leases for closed stores, with the exception of operating lease liabilities already recorded pursuant to ASC 842, are recognized when it becomes probable the Company will be required to settle the obligation, at management’s best estimate of the expenditure required to settle the Company’s obligation.

Contingencies (continued)

Contingent liabilities acquired in a business combination

Contingent liabilities acquired in a business combination are initially measured at fair value at the acquisition date. At the end of subsequent reporting periods, such contingent liabilities are measured at the higher of the amount that would be recognized, and the amount initially recognized less cumulative amortization recognized, if any.

Financial instruments

The Company's financial instruments consist of cash, restricted cash, accounts receivable, loans receivable, receivable from company under common control, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company, advances from companies under common control, long-term loan from company under common control and holdbacks payable. Unless otherwise noted, it is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values for cash, restricted cash, accounts receivable, loans receivable, receivable from company under common control, receivable from ultimate parent, accounts payable, accrued liabilities, promotional funds payable, advance from parent company and advances from companies under common control approximate their carrying values due to their immediate or short-term maturities, unless otherwise noted. The long-term loan from company under common control, advances from ultimate parent and holdbacks payable are measured at amortized cost using the effective interest method.

Promotional funds

Pursuant to the franchise agreements, franchisees must pay a fee to the promotional funds. These amounts are collected by the Company in its capacity as agent and must be used for promotional and advertising purposes, since the amounts are set aside to promote the respective banners for the franchisees' benefit. The promotional funds collected, and the related expenditures are reported on a gross basis in the consolidated statements of operations and comprehensive income. To the extent that promotional funds received exceed the related promotional expenditures, the excess contributions will be recorded in accounts payable or accrued liabilities.

Cash held pursuant to the promotional funds received are classified as unrestricted cash as there are no legal restrictions on the use of these funds; however, the Company intends to use these funds solely to support the promotional funds rather than to fund its ongoing operations. As at November 30, 2022, promotional funds were in a net liability position amounting to \$13,278 (2021 – net liability position of \$14,603; 2020 – net liability position of \$9,559).

Subsequent events were evaluated through the date that the consolidated financial statements were issued, which was February 6, 2023.

Estimates and assumptions

Business combinations

For business combinations, the Company must make assumptions and estimates to determine the purchase price accounting of the business being acquired. To do so, the Company must determine the acquisition date fair value of the identifiable assets acquired, including such intangible assets as franchise rights and master franchise rights, trademarks, step-in rights and liabilities assumed. Among other things, the determination of these fair market values involves the use of discounted cash flow analyses and future system sales growth. Goodwill is measured as the excess of the fair value of the consideration transferred including the recognized amount of any non-controlling interest in the acquiree over the net recognized amount of the identifiable assets acquired and liabilities assumed, all measured at the acquisition date. These assumptions and estimates have an impact on the asset and liability amounts recorded in the consolidated balance sheets on the acquisition date. In addition, the estimated useful lives of the acquired amortizable assets, the identification of intangible assets and the determination of the indefinite or finite useful lives of intangible assets acquired will have an impact on the Company's future profit or loss.

Goodwill and indefinite-lived intangible assets

The fair value calculation includes estimates of revenue growth, which are based on past performance and internal projections for the intangible asset group's forecasted growth, and royalty rates, which are adjusted for our particular facts and circumstances. The discount rate is selected based on the estimated cost of capital that reflects the risk profile of the related business. These estimates are highly subjective, the ability to achieve the forecasted cash flows used in our fair value calculations is affected by factors such as the success of strategic initiatives, changes in economic conditions, changes in our operating performance and changes in our business strategies.

Contingencies

The Company makes assumptions and estimations based on its current knowledge of future disbursements it will have to make in connection with various events that have occurred in the past and for which the amount to be disbursed and the timing of such disbursement are uncertain at the date of producing its financial statements. This includes contingencies for onerous contracts, litigations and disputes and other contingencies.

Gift card liabilities

Management is required to make certain assumptions in both the prorated recognition based on redemption pattern and remoteness recognition of gift card breakage. The significant estimates are breakage rate and the redemption patterns.

Estimates and assumptions (continued)

Impact of COVID-19

During the year ended November 30, 2022, the COVID-19 pandemic continued to impact the markets in which MTY USA and its franchise partners and suppliers operate. The beginning of the year saw the spread of the Omicron variant, which impacted certain markets with additional government-mandated restrictions. However, over the following months such restrictions were gradually eased, with most government-imposed restrictions lifted in the second quarter in most of the markets in which MTY USA operates. The continuing vaccination campaigns, including the administration of boosters and the gradual expansion of the coverage of the population, allowed those markets to mostly remain open in the second half of the year, with small disruptions in certain areas. Although there is uncertainty surrounding the effects that the lifting of restrictions will have on the number of infections and the potential emergence of new variants, the current situation appears to highlight a familiar sense of back-to-normal with the longer-term impact on the economy and the rules and restrictions that will apply to MTY USA's restaurants.

As a result of the continued and uncertain economic and business impacts of the COVID-19 pandemic, the Company continues to monitor the estimates, judgments and assumptions used in the financial statements. For the year ended November 30, 2022, the Company determined that there were no specific triggers for impairment assessments attributable to COVID-19. Accordingly, the Company did not record impairment charges on its property, plant and equipment, intangible assets, and goodwill in the period attributable to COVID-19. These estimates, judgments and assumptions are subject to change.

3. Changes in accounting policies

ASU 2016-13 – Financial instruments (“ASU 2016-13”)

In June 2016, the FASB issued ASU No. 2016-13, Measurement of Credit Losses on Financial Instruments, which revised guidance for the accounting for credit losses on financial instruments within its scope, and through March 2020 issued ASUs that amended the standard (ASU No. 2018-19, ASU No. 2019-04, ASU No. 2019-05, ASU No. 2019-11, and ASU No. 2020-03). The new standard introduced an approach, based on expected losses, to estimate credit losses on certain types of financial instruments and modified the impairment model for available-for-sale debt securities. The new approach to estimating credit losses (referred to as the current expected credit losses model) applies to most financial assets measured at amortized cost and certain other instruments, notably trade and other receivables and loans. For the Company, this ASU was effective December 1, 2023 but the Company chose to early adopt this ASU on December 1 2021 and it did not have a material impact due to the nature and extent of the Company’s financial instruments in scope for this ASU (primarily trade receivables) and the historical, current and expected credit quality of its customers as of the date of adoption.

ASU 2016-02 – Leases (Topic 842) (“ASU 2016-02”)

The early adoption of ASC 842 on December 1, 2021 had a material impact on the Company’s assets and liabilities due to the recognition of operating lease right-of-use assets and operating lease liabilities on its consolidated balance sheets. The Company elected to adopt ASC 842 using the retrospective method using December 1, 2019 as the date of initial application. As such, the Company has adjusted the comparative periods for its 2020 and 2021 financial years. The Company elected to apply the package of practical expedients under which it has not reassess the classification of its existing leases, re-evaluate whether any expired or existing contracts are or contain leases or reassessed initial direct costs under the new guidance. Additionally, the Company has elected lessee and lessor practical expedients to not separate non-lease components from lease components. The Company did not elect the practical expedient that permits a reassessment of lease terms for existing leases. The Company has also made an accounting policy election to keep leases with an initial term of 12 months or less off the balance sheet. The impacts on each financial year are outlined in the tables below.

4. Business acquisition

I) BBQ Holdings (2022)

On September 27, 2022, the Company completed its acquisition of all of the issued and outstanding common shares of BBQ Holdings. BBQ Holdings is a franchisor and operator of casual and fast casual dining restaurants across 37 states in the US, Canada, and the United Arab Emirates. As of the date of the acquisition, BBQ Holdings was operating over 190 franchised and over 100 corporate-owned restaurants under nine different brands. The purpose of the transaction was to diversify the Company's range of offerings in the US as well as to bring proficiency in operating corporate-owned restaurants.

The transaction included a purchase consideration totaling \$182,458, repayment of long-term debt of \$24,625 and early cash settlement of stock options and restricted stock units of \$10,164, as detailed below. The payment of stock options and restricted stock units was settled with cash acquired from BBQ Holdings.

The Company has not yet completed its fair value assessment of all assets acquired and liabilities assumed in connection with the BBQ Holdings acquisition. The most significant aspects remaining to be finalized relate to the valuation of property, plant and equipment, franchise rights, trademarks, gift card liability and deferred income taxes. Consequently, the table below presents management's preliminary assessment of the fair values of the assets acquired and the liabilities assumed. The final determination of the fair values will be made within 12 months of the acquisition date. Accordingly, the following values and goodwill are subject to change and such changes may be material.

The Company performed its annual impairment test as at August 31, 2022, with the exception of BBQ Holdings, which was performed as at November 30, 2022. The impairment test of BBQ Holdings was based on qualitative factors, which did not give rise to any indications of impairment. The Company's impairment test as at August 31, 2022 resulted in the recognition of \$5,643 (2021 – \$2,862; 2020 – \$13,490) of impairment losses on its intangible assets for three of its brands (2021 – three brands; 2020 – 10 brands), following indicators of impairment that were noted.

The key assumptions used, where the recoverable amount was measured as a reporting unit's fair value, are those related to projected operating cash flows, as well as the discount rates. The sales forecasts for cash flows were based on the subsequent fiscal year's budgeted operating results, which were prepared by management and approved by the Board, and internal forecasts for subsequent years, which were prepared by management and developed from the budgeted operating results.

13. Impairment (continued)

The following table presents the key assumptions used in the Company's impairment tests, as well as the recoverable amounts measured at fair value as at August 31, 2022, 2021 and 2020:

	2022		2021		2020	
	US excluding Papa Murphy's and BBQ Holdings	Papa Murphy's	US excluding Papa Murphy's	Papa Murphy's	US excluding Papa Murphy's	Papa Murphy's
(\$, except percentage data)						
Discount rates after tax	10.3%	10.3%	8.0%	8.0%	8.3%	8.3%
Discount rates pre-tax	13.1%	13.2%	10.1%	10.2%	10.5%	10.5%
Recoverable amounts	515,478	250,715	695,525	305,133	431,609	323,543

Long-term growth rates ranging from 0% to 2% (2021 and 2020 – 0% to 2%) were used in the impairment test for the US excluding Papa Murphy's and BBQ Holdings. A change of 100 basis points in discount rates in the US excluding Papa Murphy's and BBQ Holdings would result in additional impairment charges on intangible assets of four brands (2021 – three brands; 2020 – 11 brands) representing 0.5% (2021 – 0.1%; 2020 – 2.9%) of the total carrying value of the franchise rights and trademarks in that unit. A change of 100 basis points in discount rates in the US excluding Papa Murphy's and BBQ Holdings would not result in additional impairment charges on goodwill for the year ended November 30, 2022 (2021 – nil; 2020 – additional impairment charges on goodwill representing 5.3% of the total carrying value of goodwill in that unit). For the US excluding Papa Murphy's and BBQ Holdings reporting unit, an increase of 320 basis points (2021 – 500 basis points; 2020 – 60 basis points) in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

A long-term growth rate of 1.5% (2021 and 2020 – 1.5%) was used in the impairment test for Papa Murphy's. A change of 100 basis points in discount rates in Papa Murphy's would not result in additional impairment charges on intangible assets or goodwill for the years ended November 30, 2022, 2021 and 2020. For the Papa Murphy's reporting unit, an increase of 110 basis points (2021 – 230 basis points; 2020 – 300 basis points) in the discount rate would have resulted in its recoverable amount being equal to its carrying value.

19. Contingencies

The contingencies for litigation and disputes represent management's best estimate of the outcome of litigations and disputes that are ongoing at the date of the consolidated balance sheet. These contingencies consist of multiple items; the timing of the settlement of these contingencies is unknown given their nature, as the Company does not control the litigation timelines.

The payables related to closed stores mainly represent amounts that are expected to be disbursed to exit leases of underperforming or closed stores. The negotiations with the various stakeholders are typically short in duration and are expected to be settled within a few months following the recognition of the provision. The Company has recognized a liability of nil (2021 and 2020, both restated – nil) for the leases of premises in which it no longer has operations but retains the obligations contained in the lease agreement, with the exception of leases for which the operating lease liabilities are already recorded pursuant to ASC 842.

21. Financial instruments

In the normal course of business, the Company uses various financial instruments which by their nature involve risk, including market risk and the credit risk of non-performance by counterparties. These financial instruments are subject to normal credit standards, financial controls, risk management as well as monitoring procedures.

Fair value of recognized financial instruments

The Company has determined that the fair value of its financial assets and financial liabilities with short-term maturities approximates their carrying value. These financial instruments include cash, restricted cash, accrued liabilities, promotional funds payable, and advances from parent company and from companies under common control.

The table below shows the fair value and the carrying value of other financial instruments as at November 30, 2022, 2021 and 2020. Since estimates are used to determine fair value, they must not be interpreted as being realizable in the event of a settlement of the instruments.

	2022		2021		2020	
	Carrying amount	Fair value	Carrying amount	Fair value	Carrying amount	Fair value
	\$	\$	\$	\$	\$	\$
Financial assets						
Loans receivable	1,004	1,004	1,112	1,112	1,609	1,609

Determination of fair value

The following methods and assumptions were used to estimate the fair values of each class of financial instruments:

Cash, restricted cash, accounts receivable, receivable from ultimate parent, deposits, accounts payable, accrued liabilities, advance from parent company, advances from companies under common control – The carrying amounts approximate fair values due to the short maturity of these financial instruments.

Risk management policies

The Company, through its financial assets and financial liabilities, is exposed to various risks. The following analysis provides a measurement of risks as at November 30, 2022.

21. Financial instruments (continued)

Risk management policies (continued)

Credit risk

The Company's credit risk is primarily attributable to its trade receivables, loans receivable and deposits. For accounts receivable and loans receivable, the amounts disclosed on the consolidated balance sheets are net of allowances for bad debts, estimated by the Company's management based on past experience and counterparty specific circumstances. The Company believes that the credit risk of accounts receivable is limited for the following reasons:

- The Company's broad client base is spread mostly across the US, which limits the concentration of credit risk.
- The Company accounts for specific bad debt provisions when management considers that the expected recovery is less than the actual account receivable.

The credit risk on cash is limited because the Company invests its excess liquidity in high-quality financial instruments and with credit-worthy counterparties.

The credit risk on deposits is also limited as these are mostly with well-established and credit-worthy companies.

Interest rate risk

Interest rate risk is the Company's exposure to increases and decreases in financial instrument values caused by the fluctuation in interest rates. The Company has limited exposure to interest rate risk as its long-term loans from company under common control and ultimate parent as well as its long-term debt have fixed interest rates.

The effects of future changes in tax laws or rates are not anticipated.

Under ASC 740, income taxes are recognized for the following: a) amount of tax payable for the current year and b) deferred tax liabilities and assets for future tax consequences of events that have been recognized differently in the consolidated financial statements than for tax purposes.

- g. cooperation with and participation consistent with our responses and resolutions in response to customer feedback;
- h. cooperation with and participation in: (i) market research and testing; and (ii) product and service development programs;

j. bookkeeping, accounting, data processing and record keeping systems; computer hardware and software; connections to the Internet or to proprietary networks; forms, methods, formats, content and frequency of reports to us of Gross Sales (as defined in *Article 5*), financial performance and condition; and providing tax returns and other operating and financial information to us; and

k. conduct and maintain the Franchised Business and Location so as not to distract from or interfere with the integrity of the System (individually and collectively, "System Standards"). We may, in whole or in part, change, improve, update and further develop the System Standards, from time to time during the term. You shall comply with the updated System Standards as directed by us.

The operation and maintenance of your restaurant according to the System Standards are essential to the well-being and vitality of the System and to preserve the goodwill of the Proprietary Marks for us and for all other franchisees operating under the System. It is critical to the System for all restaurants operating under the *Barrio Queen* System to present a uniform and professional image to *Barrio Queen* customers regardless of which location the customer visits. Any information regarding the operation of the restaurant will be considered a mandatory System Standard, unless it is clear from the express language of our communication that the information is merely optional or is intended by us as a suggestion, rather than a requirement.

You agree that System Standards constitute binding provisions of this Agreement as if they were an integral part of this Agreement.

ARTICLE 2. SELECTION OF LOCATION; CONSTRUCTION AND RELOCATION

2.1 Location Selection Procedures.

You must select a Location that satisfies our minimum site requirements (such confirmation will be provided to you by us in writing) and purchase or sign a lease for your Franchised Business Location within ninety (90) days after the Effective Date of this Agreement. Failure to do so will be deemed a material breach of this Agreement and grounds for termination. Upon receipt of all items requested by Franchisor from Franchisee, Franchisor will have 30 days to visit and/or review the site proposed by Franchisee and prepare a Site Model Report that will provide Franchisee with certain site information relevant to assessing whether the proposed site is suitable for development of a Restaurant. The Site Model Report represents Franchisor opinion based on its past experience and is offered for consideration and independent evaluation by Franchisee and its advisors. It is not a representation of fact, or guaranty of any type and is provided only on the express understanding, as stated herein, that Franchisor has no liability of any kind whatsoever with respect to the information provided. Franchisee agrees and acknowledges that the Site Model Report may provide an estimate of revenues for the site selected by Franchisee but that there is no representation, warranty, or guaranty that Franchisee's Restaurant will attain these estimated revenues if Franchisee selects this site as the Franchised Location or that the estimate is based on any validated or substantiated methodology. Franchisee will pay Franchisor the then-current fee for the Site Model Report after Franchisor issues a "no-brand-standards-objection" letter for the site. The fee for a Site

Model Report is currently \$750, but this fee may be increased by Franchisor at any time. Franchisee will not purchase or lease a proposed site until Franchisor has provided Franchisee with a no-brand-standards-objection letter for that proposed site

If you cannot secure an acceptable Location for your Franchised Business by the Required Opening Date, then we may terminate this Agreement by giving you notice to that effect. You are ultimately responsible for the selection of the Location. We will not have any liability to you with respect to your selection of the Location, any assistance we provide you in making your selection, our recommendation of any location or a third party to assist you in selecting a location, or our allowing you to move forward on any location. You agree that your selection of the Location will be based on your own independent investigation of the suitability of the Location.

2.2 Lease and Purchase Approval.

If you intend to lease the Location for your Franchised Business, the lease will be subject to our prior limited review and acknowledgment so that we can confirm that certain lease terms are incorporated into the lease. You must provide us, at least thirty (30) days prior to executing the lease, a copy of the lease and details relating to square footage, rent per square foot, the term of the lease, and either confirmation that such other terms as we reasonably require are incorporated into the lease or that you and the landlord agree to incorporate the lease addendum to lease agreement as an exhibit to the lease. You or your attorney shall be responsible for negotiating the terms of the lease, which shall be subject to our final limited review and acknowledgment. If you do not submit all of the required documents to us, we will not allow you to move forward with your lease. We have no liability to you regarding the terms or negotiations of the lease.

If, prior to executing the lease, you or your attorney request a full review of your lease, including any and all exhibits attached thereto, and we or our designated affiliate review your entire lease and exhibits and provide to you or your attorney its review of the entire lease and suggested changes to the lease ("Lease Review"), you must pay a Lease Review Fee (as defined in *Section 5.7*) to compensate for time and effort in reviewing the lease. The Lease Review is optional and only completed by us or our designated affiliate at your or your attorney's request. The Lease Review Fee is due only in the event that you or your attorney request us or our affiliate to complete a Lease Review. Each lease must contain the required lease terms set forth in the Lease Addendum to Lease Agreement, and must specifically state that we are a third-party beneficiary of the lease. If we cure any default by you under the lease, any amounts that we pay to cure the default will be payable by you to us on demand, together with interest thereon, at the lesser rate of one and one-half percent (1½%) or the maximum rate that does not violate applicable state usury laws ("Default Rate") per month from the date we make such payment.

You acknowledge and agree that on the earlier of thirty (30) days after: (i) you receive a fully executed copy of your lease for the Location of your Franchised Business; or (ii) you open your Franchised Business to the public, you must provide a fully-executed copy of your lease for the Location to us. Failure to timely provide us with a fully-executed copy of the lease will result in a default under this Agreement.

If you intend to purchase the Location for your Franchised Business, the terms of such purchase shall be subject to our prior approval, and you must provide us, at least thirty (30) days prior to executing the purchase agreement, a copy of the purchase agreement and details relating to square footage, price per square foot and such other terms as we reasonably require.

You acknowledge and understand that our confirmation that you may move forward with any specific location, lease or purchase agreement does not in any way guarantee or ensure the success or profitability of the Franchised Business, or the conformity of the Location, lease or purchase agreement to applicable laws, and such confirmations are only for our own benefit. By executing this Agreement, and in furtherance of the provisions above, Franchisee releases Franchisor and its affiliates, and each of their respective officers, directors, agents, members and employees, in their corporate and individual capacities, from any and all claims by Franchisee arising from, in connection with, or as a result of Franchisee's purchase or lease of the site selected by Franchisee, whether such claims arise before or after the execution of this Agreement.

2.3 Construction.

a. You must, at your sole cost and expense, construct, furnish, make improvements to and equip, if necessary, the Franchised Business at the Location selected by you and meeting our minimum site requirements, in accordance with plans and specifications approved by us or our third-party approved architect, if applicable. Our approval of plans is solely for complying with our System Standards and not for determining compliance with codes, ordinances and other legal requirements, including the Americans with Disabilities Act ("ADA") or any requirements under the lease for your Location. You are solely responsible for ensuring that your Location conforms to all codes and ordinances, including the ADA, and all lease-specific requirements. You must, at your sole cost and expense, use our designated and approved third-party design architect ("Design Architect") to prepare the initial design drawings for any construction, alterations or improvements, as applicable, for your Franchised Business. The Design Architect must provide us with one (1) set of the design drawings, including landscaping and parking spaces if applicable, which are the detailed plans and specifications ("Plans") for your Franchised Business. We will provide you with a copy of the Plans upon our approval of the Plans. You must also, at your sole cost and expense, retain a licensed architect of record to prepare the permitted construction set of drawings for any construction, alterations or improvements. The permitted construction set of drawings must be submitted to us for our files prior to the start of construction, alterations or improvements. In addition, you must obtain the appropriate construction documents and all mechanical, plumbing, electrical and architectural plans must be sealed and stamped, as we may require, even if local laws in the jurisdiction where your restaurant is located do not require same.

b. Any material modifications to the approved Plans must be submitted to us for approval and you will not undertake any construction, alterations or improvements until such modifications have been approved by us. Approval of such modifications does not constitute any representation by us of compliance with applicable zoning laws, building codes or other laws.

c. You will be solely responsible for the cost and expense of obtaining all necessary governmental construction permits and licenses, and you must, at your sole cost and expense, comply with all laws, zoning ordinances, rules and regulations of any governmental agencies that may govern any construction, alterations or improvements of the Franchised Business in accordance with the approved Plans. We will have the right, but are not required, to meet with the Design Architect and to inspect any construction, alterations or improvements during its course to ensure that the provisions of this *Section 2.3* are being observed; and you agree to allow our authorized representatives, at any and all times while construction, alterations or improvements are in progress, to meet with the licensed architect and general contractor and enter onto the Location for this purpose. If we determine in good faith that the provisions of this

Section 2.3 are not being observed, you will, at your sole cost and expense, immediately take all necessary corrective action.

d. You must, at your sole cost and expense, use a general contractor that is licensed, and if applicable, registered in the state and local jurisdiction where your restaurant is located for any and all construction, alterations and improvements. The general contractor must have prior experience in the construction, alterations and improvement of quick-service restaurants.

e. You acknowledge that the design and appearance of the restaurant is part of the System, and that uniformity is essential to the System. Therefore, you agree that after the restaurant has been constructed, altered or improved, you will not make any material changes to the building plan or design or its appearance without our prior written consent, and you will, at your sole cost and expense, maintain the interior and exterior décor of the restaurant in a first class condition and in such manner as we may reasonably prescribe from time to time. In addition to any remodeling required by us upon the transfer of the Franchised Business and upon the renewal of this Agreement, as set forth in *Articles 12 and 13*, respectively, you will, upon thirty (30) days' prior notice from us, and at your sole cost and expense, remodel and make all alterations and improvements in and to your Franchised Business as reasonably determined by us to reflect the then-current System specifications, standards, format, image and appearance.

f. A certificate of occupancy for your Franchised Business must be submitted to us approximately six (6) days prior to the day you open your Franchised Business to the public and as otherwise requested by us throughout the Term.

2.4 Signage.

You will acquire, repair and replace, as necessary, and maintain in a first-class condition throughout the Term, signs for advertising and identifying the Franchised Business as a *Barrio Queen* restaurant. All signs must be in accordance with the System Standards, specifications and any local governing body (i.e., city or county governments), as well as any other applicable laws, including the Americans with Disabilities Act ("ADA"), and exterior signage must be the maximum size allowed by the landlord and local governing body. You acknowledge that quality control is essential to protect and promote our Proprietary Marks, standards, and uniform image, and you shall acquire all signs only from approved suppliers. In addition, you shall prominently display on all communications, forms, advertising, business stationery and business cards, and in a sign easily visible to consumers at the Franchised Business, the following words: "INDEPENDENTLY OWNED AND OPERATED."

2.5 Relocation.

a. If you desire to relocate the Franchised Business, you may request our consent upon the following conditions:

(i) Not less than sixty (60) days prior to the desired date of relocation (unless prior notice is impractical because of a required relocation, due to a third-party or our request, in which event notice shall be made as soon as possible), you must make a written request for consent to relocate, describing the reasons for the relocation and providing details respecting any proposed new location.

(ii) Within twenty-one (21) days after receiving your written request, we shall advise you in writing if the proposed new location meets our minimum real estate site requirements as provided in *Section 2.1* and if you have our authorization to proceed with the relocation. In the event of our denial to proceed with the relocation, you may request an alternative proposed new location pursuant to the provisions of this *Section 2.5*.

(iii) The Term will not be extended in connection with the requested relocation.

b. At the time you request to relocate the Franchised Business, you must also meet each of the following requirements:

(i) You must not be in default under this Agreement or any other agreement or note then in effect between us or you and any affiliate of ours, and no event shall have occurred that, with the giving of notice, the passage of time, or both, would constitute a default under this Agreement;

(ii) You must neither have received more than three (3) notices of default or breach during the Term; nor more than two (2) notices of default or breach during the five (5) years immediately preceding the effective date of the proposed relocation;

(iii) The equipment, fixtures and signage used in connection with the operation of the Franchised Business must either meet our then-existing System specifications and System Standards, or you must agree, within a timeframe required by us, to replace or refurbish such items, and otherwise modify the methods of operation of the Franchised Business at your cost and expense, in order to comply with our System specifications and System Standards then applicable to new franchise owners; and

(iv) You shall have paid to us a Relocation Fee (as defined in *Section 5.14*).

c. If we approve the relocation of your Franchised Business, (i) you and we must execute an amendment to this Agreement indicating the address for your relocated Franchised Business and you must sign a general release provided by us, and (ii) you must open your Franchised Business at the new location within thirty (30) days after you close your Franchised Business at the current Location. Provided that you comply with all of the terms and conditions set forth in this Agreement including this *Section 2.5*, during the period of time between the closure of your Franchised Business at the current Location, and the opening of the Franchised Business at the approved relocation address, you will not owe the Royalty Fee (as defined in *Section 5.2*).

2.6 Restricted Use of Restaurant Location.

You may not wholly or partially sublet the Location without our prior written consent. The Location may be used only for the operation of a *Barrio Queen* restaurant in compliance with this Agreement and the System Standards. You shall not conduct other businesses or activities at the Location without our prior written consent.

2.7 Not Applicable.

ARTICLE 3. OPERATIONS

3.1 Commencing Operations.

You agree to start operating your restaurant at the confirmed Location on or before the Required Opening Date. You acknowledge that before starting operations you must, at your own expense, do the following (in addition to any other requirements set forth in this Agreement):

- a. Complete a food safety training program at your sole cost and expense. We will accept the certificate for the required program through your local county or state health department or any other nationally recognized food safety program. You must provide us with a copy of your certificate prior to commencing training;
- b. Successfully complete the Training Program described in *Section 4.1*;
- c. Purchase, lease or otherwise acquire from the list of approved sources provided by us all the signage, supplies, equipment, fixtures, inventory and other items necessary to operate the Franchised Business; and
- d. Obtain liability insurance in accordance with the requirements described in *Section 9.5* and provide to us evidence that such insurance has been obtained.

Prior to opening the Franchised Business, you must notify us that you have satisfied all requirements to begin operations, and provide us with such documents as we may reasonably request that show your compliance with all such requirements. Upon receipt of our acknowledgment that such requirements have been satisfied, you will have five (5) days to begin operations of your restaurant. If you do not begin operations of your restaurant at the confirmed Location before the Required Opening Date, then we may terminate this Agreement by giving you notice to that effect.

3.2 Supplies and Promotional Materials; Rollouts.

You agree to sell only those menu items, products and services authorized under the terms of this Agreement and as specified in the Confidential Manual, and you shall use only supplies and ingredients in making those menu items that are in compliance with the standards as set forth in the Confidential Manual or other documents provided by, or approved by, us as they presently exist or may exist in the future. You shall purchase all such services, supplies and ingredients only from approved vendors and utilize approved distributor(s) as specified in the documents provided by, or approved by, us as they presently exist or may exist in the future. You must purchase promotional materials containing the Proprietary Marks, including stationery, business cards, promotional and advertising materials and similar items, from suppliers approved by us, except that we must first approve all such promotional and advertising materials before you use them, and all such printed materials containing any of the Proprietary Marks shall be accompanied by the words "INDEPENDENTLY OWNED AND OPERATED." Additionally, during the Term, you agree to participate in any Rollout of new products and suppliers, as defined in *Section 9.3*.

3.3 Fixtures, Furnishings, and Equipment.

Unless otherwise approved by us in writing, you will: (1) acquire, repair and replace, as necessary, and maintain in a first class condition throughout the Term, fixtures, furnishings, and equipment to be used in the operation of your Franchised Business that is in accordance with the System Standards, specifications set forth by us in the Confidential Manual or other documents provided by, or approved by, us as they presently exist or may exist in the future, and with applicable laws including, without limitation, including the Americans with Disabilities Act (“ADA”); and (2) procure the fixtures, furnishings, and equipment from suppliers or vendors previously approved in writing by us.

3.4 Online Presence.

You may not maintain a website, software application, an App (application), social media account (including an account, group or page on Facebook®, Flickr®, Foursquare®, Google+®, Instagram®, LinkedIn®, Pinterest®, Snapchat®, Tumblr®, Twitter®, YouTube®, Vine®, VKontakte or Weibo®), or otherwise maintain a presence or advertise on the Internet or any other public computer network (individually and collectively, “Site”) in connection with the Franchised Business without our prior written approval, which we may withhold in our sole discretion. If Franchisor provides you with access to the local restaurant template page (the “Subpage”) on Franchisor’s main Barrio Queen public website or another website maintained by Franchisor, you may in Franchisor’s sole discretion be required to maintain your own content and information on the Subpage consistent with the standards and specifications that Franchisor may set forth in the Confidential Manuals or otherwise. If we grant you written approval, you agree to submit to us for approval before use, true and correct printouts, of all Site pages you propose to use in connection with the Franchised Business. You understand and agree that our right of approval of all such Site pages is necessitated by the fact that such Site pages will include and be inextricably linked with our Proprietary Marks. If we approve your use of a Site, you may only use Site pages that we have approved. Your Site must conform to all online presence requirements, policies and procedures per our System Standards. You agree to provide all information regarding your online presence that we require. If we grant approval for a Site, you may not use any of the Proprietary Marks on the Site except as we expressly permit. You may not post any of our proprietary, confidential or copyrighted material or information on the Site without our prior written permission. If you wish to modify your approved Site, all proposed modifications must also receive our prior written approval. You explicitly understand that you may not post on any Site (whether yours or someone else’s) any material in which a third-party has any direct or indirect ownership interest (including video clips, photographs, sound bites, copyrighted text, trademarks or service marks, or any other text or image which any third-party may claim intellectual property or other rights in). If we grant approval, you agree to list on the Site any website and social media account maintained by us, and any other information we require in the manner we dictate. You agree to obtain our prior written approval for any Internet domain name, home page address and Uniform Resource Locator. The requirement for our prior approval set forth in this *Section 3.4* will apply to all activities on the Internet or other communications network to be conducted by you, except that you may maintain one (1) or more e-mail addresses and may conduct individual e-mail communications without our prior written approval. You agree to obtain our prior approval as provided above if you propose to send advertising to multiple addressees via e-mail or text messages. You may not use a Site to represent that: (1) the Site is an official account, application, page or group of, or video produced by us; or (2) you are the owner of the *Barrio Queen* brand. On any Site you use in connection with the Franchised Business, you must affirmatively state: (a) that you are a franchisee and the opinion and content being expressed are your own and not that of the *Barrio*

Queen brand; and (b) the Location of your Franchised Business.

3.5 Continuing Working Capital Requirement.

You must have a minimum amount as reasonably designated by us in working capital at the time you open your Franchised Business.

ARTICLE 4. TRAINING, ASSISTANCE AND START-UP MATERIALS

4.1 Training Program.

We will provide the Franchisee's Operating Partner (as defined below), the General Manager and, if applicable, Franchisee's Multi-Unit Manager, and a minimum of two (2) and a maximum of four (4) members of Franchisee's management personnel (individually and collectively, the "Management Staff" or "Trainees") depending on the size of the Restaurant as determined by Franchisor, with a training program designed to inform the participants as to the fundamentals of operating the Franchised Business prior to your opening of the Franchised Business.

If Franchisee is an individual, then the Operating Partner will be Franchisee. If Franchisee is an entity, the designated Operating Partner must have at least five (5) years of restaurant management experience, as may be further described in the Confidential Manual. The Operating Partner will also, during the entire period he or she serves as the Operating Partner: (a) maintain, at all times, an ownership interest in Franchisee of at least twenty percent (20%) of the issued and outstanding ownership interests in Franchisee; (b) execute a Personal Guaranty in the form as set forth by us; and (c) devote his or her full time and best efforts to the supervision, conduct and operations of Franchisee's Restaurant.

The members of the Management Staff must begin training at least 60 to 75 days prior to the scheduled opening of your Restaurant. Franchisor will train your Operating Partner up to twenty (20) shifts, your General Manager up to thirty-five (35) shifts, and two (2) to four (4) other members of your Management Staff up to thirty-five (35) shifts. Each shift is an eight (8) to ten (10) hour day. All Training Programs will be held at a certified training location designated by Franchisor. The current training program includes classroom instruction ("New Owner Training") and on-the-job instruction ("In-Store Training") (collectively, the "Training Program"). You will be solely responsible for all transportation costs, food, lodging and other personal expenses incurred by you and your employees in connection with the Training Program. You acknowledge that adequate knowledge regarding the operation of the Franchised Business is essential to the growth of your franchise and to the promotion of the System. Notwithstanding the foregoing, Franchisor has the right to require Franchisee and/or its Management Staff to attend additional training and pay the Additional Training Fee (as defined below), as provided for in this *Section 4.1* and *Section 5.10*, in the event Franchisee is not operating the Franchised Business pursuant to Franchisor's Systems Standards. Additionally, if any Management Staff member or employee has not successfully completed the required Training Program, then Franchisee will not permit that Management Staff member or employee to participate in the operation of Franchisee's Restaurant unless/until such Training Program is successfully completed to Franchisor's sole discretion.

4.2 Employee Training.

You acknowledge that the employees of your Franchised Business are an integral and important part of the Franchised Business, as they will have substantial contact with customers. You alone are responsible and acknowledge that we have no direct or indirect control and no right or authority, for the hiring, firing, training, supervising, setting the terms and conditions of employment (including employee tasks and work schedules), compensation of your employees, or maintaining employment records, for the safety of your employees and for your employees' compliance with the System Standards. The System Standards are in place to protect our interests in the System and not for exercising any control over you, your employees or your Franchised Business. You must ensure that your employees who have direct interaction with the public are able to speak and read English and any other language that may be required to adequately meet the public needs in your Franchised Business.

4.3 Additional Programs; Continuing Assistance.

If this Agreement is for your first Restaurant, then we will, at our expense, provide two (2) captains and such other training personnel as we determine (the "Opening Team") to assist you in: (a) implementing the System at your Restaurant, and (b) training you on how to train your staff and kitchen employees. The Opening Team will be present at Franchisee's Restaurant for a minimum of fourteen (14) consecutive days. You will pay us for all Travel Expenses and the prorated Salaries and Benefits (based on the number of days each Opening Team member has worked at Franchisee's Restaurant) for each member of the Opening Team. Two (2) weeks prior to the date that the Opening Team arrives at the Restaurant, you will pay to us 50% of the estimated Travel Expenses (as determined by us) and 50% of the prorated Salaries and Benefits for the Opening Team. Upon completion of the Opening Team's assistance, we will send you an invoice for the actual amount of remaining Travel Expenses and prorated Salaries and Benefits still owed by you. You will pay this invoice within thirty (30) days after receipt. If this Agreement is for the second or a subsequent Restaurant to be opened by Franchisee, then you will be responsible for furnishing the Opening Team to assist with the opening of the Restaurant. The number of Opening Team members (if any) provided by us for the opening of the second or a subsequent Restaurant will be determined by us, in our sole discretion, and if applicable, you will pay us the then-current Per Diem Training Fee for each Opening Team member who provides opening assistance at the Restaurant, and will reimburse us for the Travel Expenses and Salaries and Benefits of the Opening Team members provided by us for the opening of your Restaurant. You will pay the amounts owed to us pursuant to this provision within ten (10) days after receipt of an invoice indicating the amount owed.

We may, in the future, request that Trainees participate in refresher or additional training programs. We may also hold an annual conference to introduce new products, discuss sales and marketing techniques, personnel training, advertising programs, merchandising procedures and other subjects. You may be charged a nominal registration fee for these programs and you will be solely responsible for the cost of transportation, food, lodging and other expenses incurred by Trainees at any such program. Attendance at these additional training programs and conferences is mandatory. They will be held in the metropolitan Phoenix, Arizona area, or at other locations in the United States chosen by us, at our sole discretion.

In addition to the initial training available under *Section 4.1*, we shall provide such periodic evaluations or inspections as we deem appropriate, utilizing our field representatives who may visit the Franchised Business from time to time. The frequency and duration of such visits to a Franchised Business by our representatives shall be in our sole discretion. Any such

evaluation or inspection is not intended to exercise any control over your employees or the daily operation of your Franchised Business. In addition, we will be available on an ongoing basis at our offices for consultation and guidance with respect to the operation and management of the Franchised Business. In addition to the Confidential Manual, we may, but are not required to, from time to time provide you with additional materials relating to the Franchised Business.

4.4 Area Representatives.

We may retain the services of an independent third-party area representative ("Area Representative") to represent us in the area in which the restaurant is located and perform some or all of the services we provide under this Agreement. The services the Area Representative may perform could include: (i) assistance in location selection and evaluating and confirming that the Location meets our minimum site requirements; (ii) advice and guidance regarding lease negotiations; (iii) assistance in opening new *Barrio Queen* locations; (iv) assistance with training on the approved POS System (as defined in *Section 4.6a.*); (v) assistance with marketing advice; (vi) periodic Quality Service Cleanliness and Experience ("QSCE") evaluations; (vii) assistance with collection of the various sums due to us from franchisees; and (viii) coordination with other franchisees in your area and general supervision and monitoring of your Franchised Business on our behalf. You agree in advance to our delegation to an Area Representative of some or all of our obligations, and assignment to an Area Representative of some or all of our rights under this Agreement. You agree that we may require you to submit to an Area Representative any reports you are required to submit to us. Upon our request, you will provide the Area Representative with access, inspection and audit rights to the same extent we have those rights under this Agreement. You are not a third-party beneficiary of any agreement between us and any Area Representative. If we have designated an Area Representative for your restaurant as of the Effective Date, the name and contact information of the Area Representative is shown in *Section 17.3h*. We reserve the right in our sole discretion to remove any Area Representative in your area at any time and to appoint any other Area Representative for your area. We have no obligation to appoint an Area Representative in the area in which your restaurant is located, and we have no obligation to appoint a new Area Representative after we have removed an Area Representative.

You acknowledge that Area Representatives and their owners and employees may not contractually bind us without our express written authorization. You further acknowledge no Area Representative has the authority to: (i) enter into agreements or execute any agreements on our behalf; or (ii) bind us in any way without our prior written consent. Unless expressly authorized and agreed to by us in writing, we disavow any agreements, whether verbal or written, entered into by an Area Representative that in any way attempts to bind us. In any litigation or arbitration proceeding, you agree to waive any claim or defense that an Area Representative is our express or implied agent and such an assertion by you constitutes a material default under this Agreement.

4.5 Confidential Manual.

To protect the reputation and goodwill of the System and to maintain the uniform standards of operation under the Proprietary Marks, you must conduct your business in accordance with our Confidential Manual. The Confidential Manual is confidential and remains our property.

We will provide you access to the Operations Manual, which may be provided by any reasonable method to you, including online or electronically

So that you may benefit from new knowledge gained by us as to improved techniques in the operation of the Franchised Business, we may from time to time revise, amend, restate or supplement the content of the Confidential Manual or other documents provided by, or approved by, us as they presently exist or may exist in the future. You will at all times ensure that your copy of the Confidential Manual is kept current and up to date. In the event of a dispute regarding any of the content of the Confidential Manual, the master copies maintained by us at our corporate office will control.

4.6 Computer Systems; Debit and Credit Card Processing.

a. Prior to the opening of your restaurant, you will be required to acquire, to maintain, and to exclusively use an approved cash register/computer system ("POS System") during the operation of the Franchised Business. You and your employees must complete training for the POS System as we require, and you will be required to use the POS System to produce sales reports, keep inventory control and post sales tax, refunds, credits and allowances and submit that information to us immediately upon our request. You are required to obtain high-speed/always-on internet connection service for your POS System. If high-speed/always-on internet is not available in your area, dial-up Internet access may be used until high-speed/always-on service becomes available in your area. The POS System must be configured so that we will have remote access to the information and data stored in the POS System, which may include inventory information. This access will allow us to exchange/collect data and other information on such bases as we will communicate to you from time to time. You will be required to maintain the POS System in good working order at all times, and to upgrade or update the POS System during the Term as we may require from time to time. It will be your responsibility to enter into contracts for the maintenance, upgrades and updates to the POS System with an approved supplier of such services identified by us on the list of approved vendors and distributors or other notification to you from us advising of suppliers for your market area. You shall also be required to own a personal computer or similar device with access to the Internet that allows you to report your Gross Sales (as defined in *Section 5.2*) online, send and receive e-mails with us, and receive online cake orders. All franchisees are required to participate in the online ordering program. We may require you to upgrade the hardware and software including, but not limited to, your operating system, as reasonably necessary to provide reports and information required by us.

b. We reserve the right to require you to accept debit and credit cards and Gift/Loyalty Cards from consumers at the Franchised Business and participate in any online ordering programs which Franchisor may require. Prior to the opening of your restaurant, you may in our sole discretion be required to acquire and maintain an approved debit, credit and Gift/Loyalty Card processing system to use during the operation of the Franchised Business. If so, additionally, you must utilize our approved third-party Gift/Loyalty payment card processor for processing all such Gift/Loyalty Card transactions, including entering into a Gift Card Participation Agreement with one of our affiliates, or its successors or assigns, or other approved vendor for the Gift/Loyalty Card processing services. The Payment Card Industry ("PCI") requires all companies that process, store, or transmit credit card information to protect the cardholders' information by complying with the PCI Data Security Standard ("PCI DSS"). Therefore, as a franchisee who accepts credit cards, you are required to be PCI compliant by following and adhering to PCI DSS, which includes ensuring that your POS System, back office computer (if supplied), and any other device that is plugged into the network is **only** used for business purposes. You are also required to complete an annual questionnaire and quarterly network PCI scans and install a network firewall appliance for logging, tracking, reporting, and security assessment. You are also required to validate with Franchisor that your store is PCI

compliant, and Franchisor may in its sole discretion require you to install a particular type of firewall (hardware and/or software). To show such validation you must send us your Passing Certificate showing your store is PCI compliant. You are also required to verify that you have a PCI compliant firewall appliance installed at your location if you process credit cards via high speed internet connectivity. We require your Franchised Business' POS System, including terminals, computers, and software to be in compliance with the PCI DSS at all times. The PCI DSS is often updated, and you are required to obtain and comply with all updated standards. You must also be PCI compliant in order to obtain cyber liability/data breach insurance coverage.

ARTICLE 5. FEES AND DEPOSITS

You agree to pay each of the following amounts to us via a lump sum, with each and every amount being non-refundable because of our investment in time and money, in addition to any other benefits conferred upon you, including processing your application, reviewing your documents, and providing you with relevant information, unless otherwise expressly specified below, in accordance with the provisions set forth in this *Article 5*. Notwithstanding your designation to the contrary, we have the sole discretion to apply any of your payments, in part or in whole, to any of your indebtedness to us.

5.1 Initial Franchise Fee.

The initial franchise fee is Fifty Thousand Dollars (\$50,000) ("Initial Franchise Fee"). The Initial Franchise Fee will be due and payable by you to us by cashier's check, wire transfer or other form of immediately available funds acceptable to us, upon your execution of this Agreement. You and we agree that our grant of the franchise and your payment of the Initial Franchise Fee provided for in this *Section 5.1* does not give you any rights with respect to other franchises, if any, as we in our sole discretion may elect to make available in the future.

5.2 Royalty Fee and Surcharge.

For the period of time commencing on the later of the Effective Date or the date the Franchised Business opens to the public, and for the duration of the Term, you must pay to us a weekly royalty fee equal to five percent (5%) of total Gross Sales (as defined below) ("Royalty Fee"). If we or the landlord of the Location require you to remodel your Franchised Business in such a way that your Franchised Business (including catering) stops offering items to the public, or if there is a disaster at your Franchised Business, such as a fire, flood or damage caused by an act of God, that requires you to temporarily close your Franchised Business, you are not required to pay the Royalty Fee during the period of time of such temporary closure; provided you provide us or our authorized representative with notice of such temporary closure as soon as reasonably possible, but in no event more than twenty-four (24) hours after such closure begins. Notwithstanding the above, all amounts owed to us under this Agreement prior to the temporary closure shall still be fully due and payable. The temporary closure of your Franchised Business shall not exceed ninety (90) days, but may be extended on a case-by-case basis at our sole discretion and with our prior written approval.

In our sole discretion, we may charge, in addition to the Royalty Fee, a surcharge of up to Ten Dollars (\$10) per week if your Franchised Business is located in a state that imposes additional reporting requirements on a franchisor ("Surcharge"). The Royalty Fee and applicable Surcharge shall be due and payable no later than Tuesday of each week, which day may be modified by us without prior notice to or approval from you, for the week ending on the

preceding Monday in which applicable Gross Sales (as defined below) were earned from the Franchised Business. The weekly Royalty Fee and applicable Surcharge shall be paid by electronic funds transfer, as detailed below.

For the period of time commencing on the later of the Effective Date or the date the Franchised Business opens to the public, and for the duration of the Term, you are required to report Gross Sales to our designated accounting office, which as of the Effective Date, is via the Internet at <http://franchisee.kahalamgmt.com>, as set forth in *Section 5.6*. Nothing herein shall prevent Franchisor from electronically polling Franchisee's POS system, restaurant management software, and financial records (or similar tools thereto) daily, or more frequently, by electronic or other remote means and Franchisee hereby grants Franchisor authority to do so; however, such authority does not negate Franchisee's requirement to ensure all sales are timely and accurately reported each week. You shall be required to establish a Depository Account (as defined in *Section 5.6*) at the time you execute this Agreement as set forth in *Section 5.6*. Payment of the Royalty Fee, Advertising Fee (as defined in *Section 5.3*), and all other fees due under this Agreement to us shall be made via electronic transfer of funds from the Depository Account. To accomplish this electronic transfer of funds from the Depository Account, you must complete, sign and deliver to us, and maintain for the duration of the Term, a current Electronic Funds Transfer Authorization in a form that we provide.

As used in this Agreement, "Gross Sales" means all sales, money or things of value, received or receivable, directly or indirectly, by Franchisee on account of the Franchised Business, less applicable sales taxes and any properly documented refunds, credits and allowances given by you to customers in accordance with the System Standards, but without deducting any of your income taxes, costs and other expenses. All sales made from catering services must be included in the Gross Sales.

5.3 Advertising Fee.

a. You must pay to us, or directly into a national advertising fund or also any regional advertising funds, as designated by us at our sole discretion, (individually and collectively, "Advertising Fund") a weekly advertising fee of one percent (1%) of the Gross Sales for the preceding week ("Advertising Fee"). From time to time during the Term and upon sixty (60) days' notice by us to you, we may unilaterally increase the Advertising Fee from its current level provided however, that we may not increase the Advertising Fee by more than one half percent (0.5%) in any 12-month period. The Advertising Fee shall be due and payable with the Royalty Fee under *Section 5.2*. The Advertising Fee is our property and may be deposited by us into our general operating account.

b. The Advertising Fund will be used for marketing, advertising, production and media expenses to promote the *Barrio Queen* name, System, products and services. We are entitled to deduct, free of charge the following from the Advertising Fund: (i) reimbursement of expenses, overhead, and employee salaries for services provided; and (ii) rent for office space provided to the Advertising Fund. We have no fiduciary obligation to you in connection with the operation of any Advertising Fund. No interest on an unexpended Advertising Fee shall be imputed or otherwise charged for the benefit of, or payable to, you. You understand and agree that the only obligations we have regarding the collection and spending of the Advertising Fee or the administration of the Advertising Fund are the express contractual obligations in this *Section 5.3*. We are not acting as a trustee, fiduciary, agent or in any other special capacity. We do not give any representation or warranty regarding the quality or effectiveness of the advertising and

marketing activities funded by the Advertising Fee or of the Advertising Fund, and we will have no liability to you with respect to how these funds are spent.

c. Beginning with the calendar quarter that the Restaurant opens, you will, each calendar quarter, spend a minimum of one and one-half percent (1.5%) of its Gross Sales on approved local marketing and advertising for its Restaurant (as specified in the Confidential Manual) ("Local Advertising Fee"). Each calendar year during the Term, your cumulative quarterly expenditures on approved local advertising must total at least one and one-half percent (1.5%) of Franchisee's Gross Sales for the calendar year. If you spend less than such amount for approved local advertising in any calendar quarter or less than such amount for approved local advertising during any calendar year, then you will deposit with us the difference between the amount you were required to spend and the amount actually spent by you. We will have the right to spend all of the funds deposited by you under this provision for advertising and promotion in you DMA in the manner deemed appropriate by us. You will not conduct any advertising and/or promotion programs for your Restaurant, except those permitted by the Confidential Manuals or otherwise provided by us, without our prior written approval. Your own local marketing and advertising should be developed to maximize your particular customer base.

5.4 Cooperative Advertising.

a. We encourage the formation and operation of franchisee cooperative local advertising associations (each an "LAA" or an "Association"). Each Association will help coordinate advertising, marketing efforts and programs, and attempt to maximize the efficient use of local advertising media. If an Association is formed for your region, you must contribute financially to the Association as required by us. Failure to do so will be deemed a breach of this Agreement and you may also, in Franchisor's sole discretion, lose your right to vote as to decisions regarding advertising and marketing efforts and programs.

b. Upon our request, you will assist in establishing an Association or in deciding how to allocate all or part of any Fund contribution we elect to distribute to the Association. We will decide in our sole discretion whether to make contributions from the Fund to an Association and how much to contribute. We reserve the right to establish general standards concerning the operation of an Association, advertising agencies retained by an Association, and advertising programs conducted by an Association. Notwithstanding anything to the contrary, no Association decision will be made or advertising collections spent without our prior written approval.

If you are a member of an LAA, you will contribute Local Advertising Fees equal to 1.5% of your weekly Gross Sales to the LAA by each Tuesday with respect to the previous week's Gross Sales, unless that day is a non-business day, in which case the Local Advertising Fee is payable on the next business day. The weekly Local Advertising Fees paid by Franchisee to the LAA will meet the local advertising requirement set forth above.

5.5 Not Applicable.

5.6 Depository Account; Payment Procedures.

You are required to establish, at the time you execute this Agreement, and maintain for the duration of the Term a depository account ("Depository Account") at a bank or other federally insured financial institution ("Depository") under the same name as Franchisee under this Agreement. You will initially deposit no less than the amount set forth in the Confidential

Manuals into the Depository Account and are required to maintain that as a balance all times during the Term by replenishing the Depository Account to the required minimum after any withdrawals. We shall not be responsible for any bank service charges incurred by you which result from the withdrawal of funds from your Depository Account.

On Tuesday of each week by noon CST, you must submit a report to us regarding the weekly period which ended on the preceding Sunday, including details on Gross Sales and other statistical data as provided in this Agreement, Confidential Manual, or as otherwise specified from time to time by us. We will withdraw funds electronically on Tuesday of each week from the Depository Account. The withdrawals are based upon the figures you report and constitute the Royalty Fee and Advertising Fee as described in *Sections 5.2 and 5.3*. If you do not timely submit a report, we may estimate the Royalty Fee and Advertising Fee based upon prior reports and withdraw the estimated amounts. We will return or credit back to you, in our sole discretion, any overage within thirty (30) days after our receipt of your report(s). We shall not be responsible to you for any interest charges for any overage collected due to your failure to timely report your sales. You shall instruct the Depository to disburse each week to our designated bank, via electronic funds transfer by the close of business on Tuesday (or preceding banking business day, if Tuesday is a bank holiday), the weekly Royalty Fee and Advertising Fee and other fees due for that week, which week shall end on the preceding Sunday. The days of the week specified above may be modified by us without prior notice to or approval from you.

We will also withdraw any monthly fee from the Depository Account on or around the last Thursday of each month. Under no circumstances shall such access to the Depository Account be deemed control or joint control of the Depository Account by us.

Subject to reasonable advance notice for non-recurring payment amounts, we have the right to debit your Depository Account, or any other depository account you have with us, according to the terms of your Electronic Funds Transfer Authorization for any of the payments described in this Agreement. If you do not pay all amounts due by the due date, we may suspend our and our affiliates' services and support until your payment default is cured. Repeated failure to pay all amounts when due, whether or not the defaults are subsequently cured, may be cause for termination under *Article 14*.

You shall pay us Fifty Dollars (\$50) for each electronic funds transfer attempted from your Depository Account pursuant to this *Section 5.6* that is returned for non-sufficient funds. You shall also reimburse us for all other costs and expenses incurred by us in collecting or attempting to collect funds due to us from the Depository Account (for example, without limitation, charges for non-sufficient funds, uncollected funds or other discrepancies in deposits or maintenance of the Depository Account balance in accordance with the terms hereof). The Depository Account shall be established and maintained solely for the purposes set forth in this *Section 5.6* and any other fees authorized under this Agreement and any other agreements between you and us or any of our affiliates.

5.7 Lease Review Fee.

If you request us or one of our designated affiliates to complete a Lease Review, you are required to pay us or our designated affiliate a lease review fee in the amount of Two Thousand Five Hundred Dollars (\$2,500) ("Lease Review Fee") for reviewing and providing comments to your proposed lease.

5.8 Lease Guarantee Fee.

If, in order to obtain the lease agreement for the Location of your Franchised Business, the landlord requires you to obtain a lease guarantee, and we or one of our affiliates agree to serve as such guarantor, you will pay us or our affiliate a fee in the amount of ten percent (10%) of the total amount of the rental obligations being guaranteed under the lease during its term up to a maximum fee of Ten Thousand Dollars (\$10,000) ("Lease Guarantee Fee"). The Lease Guarantee Fee will be due and payable upon our or our affiliate's execution of the applicable lease guarantee agreement with the landlord. Neither we nor any of our affiliates are required to serve as a guarantor of your lease for the Location of your Franchised Business; rather, the decision of whether to serve as a guarantor shall be made in our sole discretion. In the event that you request us or our affiliate to either agree to be the tenant under the lease or execute a separate guarantee to the lease, and you pay the required Lease Guarantee Fee, you agree and acknowledge that payment of the Lease Guarantee Fee shall not, in any manner, be deemed as an insurance policy which limits your liability in connection with the Franchised Business, including any and all financial liability under the sublease or lease related to the Location. You further agree and acknowledge that our or our affiliate's agreement to act as tenant or guarantor under the lease, and your payment of the Lease Guarantee Fee to us or our affiliate, does not result in the assumption or transfer of your liability, in connection with the Franchised Business, by or to us or our affiliate.

5.9 Additional Persons Training Fee.

The training of your Management Staff, as described above, is included in the Initial Franchise Fee. If you desire to have more people attend the initial Training Program, you must pay an additional training fee of One Thousand Dollars (\$1,000) for each such person to attend the In-Store Training and an additional Seven Hundred Fifty Dollars (\$750) for each such person to attend the New Owner Training (individually and collectively, "Additional Persons Training Fee") (see *Section 4.1*).

5.10 Additional Training Fee.

If, after attending the Training Program, you desire to receive additional training, we will provide additional training time to you for a per diem fee per person per day, (currently \$750 per day) for each trainer provided by Franchisor. You must also reimburse Franchisor for the travel expenses it incurs, estimated to range from \$100 to \$1,000 per trainer. Such additional training will be at a time reasonably agreed to by you and us, and will be conducted at Franchisor's headquarters, online, or such other location as we may designate in our sole discretion. You will be solely responsible for all transportation costs and expenses, food, lodging and other personal costs and expenses incurred by you and your employees in connection with this additional training. This additional training fee may be increased from time to time, at the sole option of Franchisor's, to account for inflation, increased costs and other economic conditions.

5.11 Document Administration Fee.

A document administration fee of Five Hundred Dollars (\$500) ("Document Administration Fee") is payable to us when we must prepare an amendment to your franchise documents.

5.12 Renewal Franchise Fee.

A renewal franchise fee of fifty percent (50%) of the then-current initial franchise fee not including any discounts or reductions ("Renewal Franchise Fee") is payable to us when you renew this Agreement (see *Section 13.i*).

5.13 Transfer Franchise Fee.

a. Not applicable.

b. A Potential Transferee (as defined in *Section 12.1c.*) receiving this Agreement, as may be amended, in connection with a Full Transfer (as defined in *Section 12.1a.1.*), must pay to us a transfer franchise fee of Five Thousand Dollars (\$5,000) ("Transfer Franchise Fee").

5.14 Relocation Fee.

A relocation fee of Five Hundred Dollars (\$500) ("Relocation Fee") is payable to us when you sign the amendment to your Franchise Agreement for your relocation (see *Section 2.5*).

5.15 Not Applicable.

5.16 Annual Meeting Registration Fee.

If we hold an annual meeting ("Meeting"), the Meeting may be held at various locations throughout the United States and/or online as we may designate in our sole discretion. Because the planning and funding of the Meeting must be done well in advance and requires a substantial financial commitment, we have the right to debit your Depository Account for up to One Thousand Dollars (\$1,000) for the Meeting registration fee at any time sixty (60) to ninety (90) days prior to the first day of the Meeting. This fee may be debited from your account (even if you do not attend the Meeting). You will also be solely responsible for all costs incidental to attending the Meeting. If you do not attend the Meeting, we will make available to you one (1) full set of the substantive materials that were presented at the Meeting.

5.17 Late Report; Interest; Late Charge; Non-Sufficient Funds Fee; Breaching Royalties; Draft Draw Charge.

If you fail to submit to us any financial statements, forms, reports or records required to be provided under this Agreement by its due date, including your weekly Gross Sales report for calculating your Royalty Fee and Advertising Fee, you must pay to us a late report charge of One Hundred Dollars (\$100) per week or part thereof.

If any fees or assessments due under this Agreement, including the Royalty Fee and Advertising Fee, are not paid when due, interest shall accrue on the late payment (from the date payment is due until the date payment is made) at the Default Rate, which amount, plus a late charge of five percent (5%) of the unpaid amount, or One Hundred Dollars (\$100), whichever is greater, shall be added to each late payment. For any payments made by you to us under this Agreement which are returned for non-sufficient funds of a processed check, you shall be charged a non-sufficient funds fee of Twenty-Five Dollars (\$25) per occurrence. Pursuant to *Section 5.6*, for each electronic funds transfer that is attempted from the Depository Account but returned for non-sufficient funds, you shall be charged a Fifty Dollars (\$50) non-sufficient funds fee per occurrence.

Franchisor has the absolute right to charge Franchisee the greater of: three (3) times the fixed Royalty Fee; or, if on a percentage Royalty Fee, the Royalty Fee will be increased up to fifteen percent (15%) of Gross Sales, with respect to any period during which Franchisee is in breach or default of its/his/her obligations under this Agreement without providing Franchisee advance notice or right to cure. The Royalty Fees paid or owing to Franchisor with respect to the period during which Franchisee is in breach or default are referred to as "Breaching Royalties." Breaching Royalties will be charged for a minimum fourteen (14) day period, regardless of the length of the actual breach or default.

If you fail to provide us any necessary information or documentation with respect to our practice of drawing drafts against your bank accounts, you must pay us a draft draw charge in the amount of One Hundred Dollars (\$100) per day that that failure continues.

If, as a result of your failure to remit payments required under any provision of this Agreement, we retain an attorney or a collection agency to collect such payments, you must pay all collection costs and expenses, including reasonable attorneys' fees and expenses, whether or not legal proceedings are initiated. Our rights under this *Section 5.17* are in addition to any other rights or remedies that we may have as a result of your default under this Agreement.

5.18 Audit Fees.

For the purpose of this *Section 5.18*, we have the right, at any time during business hours, and with or without prior notice to you, to inspect and audit, or cause to be inspected and audited, the business records, cash control devices, bookkeeping and accounting records, sales and income tax records and returns and other records of the Franchised Business and your entity's books and records.

You hereby grant us access to any computers utilized by you for such purposes and we will have the ability, at all times, via modem, to obtain daily and weekly sales reports and other financial records that the POS System provides. You will fully cooperate with our representatives, the Area Representative, if applicable, and independent accountants hired by us to conduct any such inspection or audit. In addition, in the event such inspection or audit is made necessary by your failure to furnish reports, supporting records or other information, as required herein, or to furnish such reports, records or information on a timely basis, or if an understatement of Gross Sales, resulting in an underpayment of the Royalty Fee or Advertising Fee for the period of any audit (which shall not be for less than one (1) month) is determined by any such audit or inspection to be two percent (2%) or greater, you will pay to us, immediately after receipt of the inspection or audit report, any additional Royalty Fee and Advertising Fee and other amounts due as a result of any such understatement, plus interest at the Default Rate from the date originally due until the date of payment and you must reimburse us for such audit or inspection, including the charges of any independent accountants, and the travel expenses, room, board and compensation of such accountants and our employees.

The remedies in this *Section 5.18* will be in addition to all other remedies and rights available to us under this Agreement or otherwise available.

5.19 Technology Fees.

We specifically reserve the right to require you to pay us or an affiliated or unaffiliated third-party we designate a fee, subject to reasonable annual and/or service enhancement increases throughout the Term, as we may develop or contract with third parties to develop

centralized or technology-based methods of taking, processing, routing, and delivering orders in addition to the methods and technology we currently use or authorize (collectively "Additional Order Systems"). These may become mandatory at any time during the Term and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with us and with third parties. To the extent these products and services are owned by us or an affiliate or provided to you by us or an affiliate, we may charge up front and/or ongoing fees that may be included as part of the Technology Fee. However, to the extent all the direct and indirect costs to develop, test and implement an Additional Ordering System are paid from other sources, then such up-front and ongoing fees charged by us may be intended only to cover our ongoing expenses, including direct costs and reasonable allocations.

5.20 Third-Party Performance Measurement Evaluations.

We reserve the right to charge you up to one-half of the cost of set programs, estimated as of the Effective Date to range from \$300 to \$600 per month, per restaurant, but subject to increases throughout the Term.

In its sole and absolute judgment, we may hire providers of independent and secret shopping or other services to: (a) visit and evaluate food safety at the Restaurant; (b) visit and dine at the Restaurant; (c) interview the customers of the Restaurant by telephone, electronically, interactive voice response, or in person; (d) summarize information from customer surveys or comment cards for the Restaurant; and (e) communicate with customers of the Restaurant by email or in writing, by direct contact, electronically, or interactive voice response for the purpose of evaluating: (i) the operations of the Restaurant; (ii) the quality of the goods and services provided to customers by the Restaurant; and (iii) whether you are in compliance with the operational and quality standards specified in the Confidential Manual. We will determine the frequency, nature and extent of the services that will be provided and the form of the reports the service providers will provide to us, a copy of which will also be provided to you.

In the event you fail a food safety evaluation, and without waiving any of the rights afforded to us herein, you must pay the full cost of any required follow-up evaluation, as well as the full cost of the original failed evaluation.

5.21 New Vendor Approval Fee.

All requests for approving new or alternative vendors must be submitted in writing by you or the supplier to our Purchasing Department. Each request will be reviewed in accordance with our then-current procedures and the vendor must meet our then-current requirements, which may include that our representatives be allowed to inspect the facilities of the proposed vendor, and that samples from the proposed vendor be delivered, at no charge, either to us or to our designee for testing. A charge not to exceed the amounts incurred in connection with the inspection and the test, with such cumulative amount not to exceed Five Thousand Dollars (\$5,000), must be paid by the vendor. If approved, in our sole discretion, we will notify you or the vendor in writing within sixty (60) days after our receipt of an approval request. You must not offer or sell in any manner any of the proposed alternative vendor's products until you receive our written approval of the proposed alternative vendor.

5.22 Reserved.

5.23 Non-participation Fee.

You must offer and sell at the Location of the Franchised Business all products designated by us, consistent with our System Standards. In addition, you must immediately incorporate into the Franchised Business all new products and services designated by us and must fully participate in all local, regional, seasonal, promotional and other programs, initiatives and campaigns adopted by us in which we require you to participate. If you fail or refuse to fully participate in any such program, initiative or campaign, you may, in our sole discretion, be required to pay a non-participation fee of One Hundred Dollars (\$100) per day that you are not in compliance ("Non-participation Fee").

5.24 Grand Opening Celebration.

We will provide you access to a "grand opening celebration" package that will include advertising and promotional materials for Franchisee's Restaurant. You will spend a minimum of \$15,000 (or such other greater amount determined by us, in our sole and absolute discretion, and specified in writing by us) on the grand opening celebration for your Restaurant if the Restaurant is your first Restaurant in the market area (as determined by us). The grand opening expenditures can be applied toward the local advertising requirements set forth in above in this Agreement. We reserve the right to request written documentation from you sufficient to establish to our satisfaction that such expenditures were actually made by you. Such documentation will be provided to us within fifteen (15) days after our request.

5.25 through 5.35 Not Applicable.

ARTICLE 6. PROPRIETARY MARKS

6.1 Ownership and Right to Use.

We warrant to you that:

- a. We are the owner of all right, title and interest in and to the Proprietary Marks;
- b. We have granted to you the personal, non-exclusive, limited, revocable right and license to use the Proprietary Marks in connection with the operation of your Franchised Business;
- c. We have taken and will take all steps reasonably necessary to preserve and protect our rights in the Proprietary Marks; and
- d. We will only permit you to use the Proprietary Marks in accordance with the System Standards.

6.2 Covenants of Franchise Owners.

a. You acknowledge our ownership of the Proprietary Marks, and you agree that during the Term and after its expiration or termination, you will not directly or indirectly contest, or aid in contesting, the validity of the Proprietary Marks or our ownership of the Proprietary Marks, nor will you take any action which might impair or prejudice our ownership of the Proprietary Marks. You shall not, directly or indirectly, apply to register, register or otherwise seek to own or control any of the Proprietary Marks, or any confusingly similar mark thereto,

whether in whole or in part, in any place or jurisdiction either within or outside of the United States; nor will you assist any others to do so.

b. You agree that the license granted pursuant to this Agreement authorizes you to use the Proprietary Marks solely in connection with the Franchised Business only at the Location, and for no other purpose. You have no right to license or sublicense any aspect of the System Standards or any of the Proprietary Marks.

c. You agree to use the Proprietary Marks only in the manner and to the extent specifically licensed by this Agreement. You further agree that any unauthorized use or continued use of the Proprietary Marks after the termination or expiration of this Agreement will constitute irreparable harm and is subject to injunctive relief.

d. The license granted by this Agreement includes only the Proprietary Marks, now existing or which may exist in the future. This license does not include the right to use any other trademarks, service marks, trade name or trade dress owned by us or our licensor anywhere in the world. You agree that any and all goodwill associated with and identified by your use of the Proprietary Marks will inure directly and exclusively to our benefit, and that, on the expiration or termination of this Agreement, no monetary amount will be due or payable to you as a result of any goodwill associated with your ownership or operation of the Franchised Business.

6.3 Limitations on Franchisee's Use of Proprietary Marks.

To develop and maintain high and uniform standards of quality and service and thereby protect our reputation and goodwill and that of the System, you agree:

a. To operate and advertise the Franchised Business only under the Proprietary Marks authorized by us;

b. To adopt and use the Proprietary Marks licensed by this Agreement solely in the manner prescribed by us;

c. That your corporate, partnership or other entity name including trade name, will not include any of the Proprietary Marks, in whole or in part, or any terms confusingly similar thereto, unless first authorized by us in writing;

d. To submit all advertising, promotional materials and all printed matter, including stationery, business cards, and any materials to be used on the Internet to us for our written approval before you use any of these items; and

e. That we may from time to time change or modify the System Standards, including modifying existing Proprietary Marks or adopting new marks. You agree, at your own expense, to adopt, use and display any such new or modified Proprietary Marks within ninety (90) days after notification from us. However, if we require you to modify or discontinue use of our proprietary information or use other information or rights in its place at any time other than upon renewal of this Agreement, and that requirement is a direct result of proceedings or litigation that determined that our and our franchisees' use of the proprietary information infringed upon a third-party's rights, we or our affiliate will bear the actual, direct, and reasonable costs of those modifications or discontinuances. The rights granted to Franchisee under this Section shall be Franchisee's sole and exclusive remedy for any infringement by any part of the System.

Upon your abandonment of the Franchised Business (whether voluntary or involuntary), termination or expiration of this Agreement, you must immediately cease to use, in any manner whatsoever, any of the Proprietary Marks or any other marks which, in whole or in part, may be confusingly similar to any of the Proprietary Marks.

6.4 Non-Exclusive License of Proprietary Marks.

You understand and agree that your license to use the Proprietary Marks is non-exclusive; that we, in our sole discretion, can grant to other franchisees the right to use the Proprietary Marks and obtain the benefits of the System Standards, in addition to the licenses and rights granted to you under this Agreement; and that we or our affiliates may develop and license other proprietary marks in conjunction with concepts other than the *Barrio Queen* concept, on any terms and conditions we deem advisable. You will have no right or interest in any such other licenses, proprietary marks or systems.

6.5 Notification of Infringement and Claims.

You agree that you will notify us immediately of any apparent infringement of, or challenge to your use of any of the Proprietary Marks, or any claim by any person of any rights in any of the Proprietary Marks. You agree that you will not communicate with any person, other than us and our legal counsel, in connection with any such infringement, challenge or claim. We will have the sole discretion to take such action as we may deem appropriate to protect the Proprietary Marks and the exclusive right to control any litigation, United States Patent and Trademark Office proceeding, or other proceeding arising out of any such infringement, challenge, claim or otherwise relating to any Proprietary Marks. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interests in connection with any such litigation or proceeding, or to otherwise protect and maintain our interests in the Proprietary Marks.

ARTICLE 7. TRADE SECRETS AND PROPRIETARY INFORMATION

7.1 Innovations.

During the Term, you and your principals, officers, managers and employees may conceive, invent, create, design or develop various ideas, techniques, methods, processes and procedures, recipes, formulae, products, packaging or other concepts and features relating to restaurant operations, business practices or the manufacturing, production, marketing and sale of Mexican food and/or beverages, and related items now in existence or later developed, adopted, or improved in connection with the Franchised Business (individually and collectively, "Innovations"). You, without further consideration, hereby assign any and all of your rights, title and interest in the Innovations, including any intellectual property rights, to us, and also agree to cooperate with us and our counsel in the protection of the Innovations, including the perfecting of title thereto in us. In addition, you will require all of your principals, officers, managers and employees to sign an agreement in the form set forth in our System Standards and incorporated herein by reference ("Confidentiality Agreement"), and shall be liable to us for obligating your principals, officers, managers and employees to assign all of their rights, title and interest to the Innovations to us and requiring your principals, officers, managers and employees to cooperate in obtaining, protecting, maintaining and enforcing our right, title and interest in the Innovations.

7.2 Confidentiality Agreement.

a. In connection with the operation of the Franchised Business, you will from time to time receive, have access to, or learn certain information and materials that are proprietary to us or our affiliate. You and any person signing this Agreement under the heading "Personal Acceptance of *Sections 7.1, 7.2, 14.6 and 14.8*" agree that you will keep confidential, and will not use for your own purposes, nor supply or divulge to any other person, any of our Trade Secrets, including our methods of operation, processes, techniques, formulae and procedures, information a reasonable person would believe to be confidential and any other proprietary information regardless of whether such is expressly marked as confidential ("Confidential Information"). You acknowledge that much of the information imparted to you by us is confidential, constitutes Trade Secrets, are unique to us, and remains our sole exclusive property. Our Confidential Information includes the following:

1. The Confidential Manual and any amendments thereto;
2. Ingredients, recipes, and methods of preparation of food products;
3. Methods of operation of *Barrio Queen* restaurants;
4. Information about products, services, or procedures before they become public knowledge;
5. Information which relates in any manner to our business or the System Standards, whether oral or reduced to writing, and which is not generally known to, or readily ascertainable by, other persons who might derive economic benefit from its disclosure or use; and
6. Any other information which may be imparted to you from time to time and designated by us as confidential.

b. You and any person signing this Agreement under the heading "Personal Acceptance of *Sections 7.1, 7.2, 14.6 and 14.8*" acknowledge and agree that the Confidential Information and any business goodwill of the Franchised Business is our sole and exclusive property, and that you will preserve the confidentiality thereof. Upon termination or expiration of this Agreement, all items, records or documentation recording or incorporating any Confidential Information, including any copies thereof, will be immediately turned over by you to us or our authorized representative.

c. You agree to take all steps necessary, at your own expense, to protect the Confidential Information, including our Trade Secrets, and to adopt and implement all reasonable procedures prescribed by us from time to time to prevent the unauthorized use or disclosure of any of the Confidential Information. We require that all of your executive officers, agents, directors, shareholders, trustees, beneficiaries, partners and managers who may or are likely to obtain knowledge concerning the Proprietary Information (and who do not sign this Agreement under the heading "Personal Acceptance of *Sections 7.1, 7.2, 14.6 and 14.8*") sign the Confidentiality Agreement binding such person to preserve the confidentiality of the Confidential Information as part of the terms and conditions of such person's employment or association with you. You must obtain a Confidentiality Agreement signed by any such person prior to or at the same time that you begin employment of, or association with, that person. This will be a continuing obligation on your part throughout the Term. You must keep each original

signed Confidentiality Agreement and provide us with a copy of each Confidentiality Agreement when requested by us or our authorized representative.

d. Notwithstanding the above, Confidential Information shall not include information which you can reasonably prove: (i) entered the public domain through no breach by you or your affiliate of any duty of confidentiality, or (ii) you received our prior express written consent to disclose in the manner in which you disclosed it.

e. If anyone under a Confidentiality Agreement is legally compelled or required by a regulatory body to disclose any Confidential Information, he/she/it will notify us as soon as possible and will use his/her/its best efforts to obtain, and give us an opportunity to obtain, appropriate assurances of confidential treatment.

f. The requirements under this *Section 7.2* will remain in full force and effect during the Term and after termination or expiration of this Agreement.

ARTICLE 8. RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION

8.1 Relationship of the Parties.

You and we agree that this Agreement does not create any fiduciary or employment relationship between you, or any of your employees, and us, that you are an independent contractor, and that nothing in this Agreement is intended to make either you or us a general or special agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose. You shall not enter into any agreement on behalf of or otherwise bind us for any purpose.

Should it ever be asserted that Franchisor is the employer, joint employer or co-employer of any of your or your affiliate's employees in any private or government investigation, action, proceeding, arbitration, or other setting, you irrevocably agree to assist Franchisor in defending said allegation, including (if necessary) appearing at any venue requested by Franchisor to testify on our behalf (and, as may be necessary, submitting itself to depositions, other appearances and/or preparing affidavits dismissive of any allegation that Franchisor is the employer, joint employer or co-employer of any of your employees).

8.2 Indemnification of Franchisor.

You agree to indemnify, defend and hold us and our affiliates (including our parent and subsidiary companies, current, past and future predecessors, successors and assigns), and each of our shareholders, owners, directors, officers, members, managers, partners, joint venturers, attorneys, employees, contractors, agents, representatives, guarantors, insurers, spouses, heirs, executors, trustees and estates (collectively with us, "Indemnified Parties") harmless for, from and against any and all claims, liabilities, causes of action, suits, debts, duties, accounts, covenants, contracts, agreements, promises, taxes, demands, obligations, costs and expenses, including reasonable attorneys' fees, damages, judgments, and proceedings, of every kind and nature whatsoever, whether actual or threatened, in law or equity, or otherwise, under local, state or federal law including, without limitation the Americans with Disabilities Act ("ADA"), or the law of any other applicable jurisdiction (individually and collectively, "Claims") suffered or incurred by any of the Indemnified Parties arising out of or relating to your construction, ownership, marketing, Promotions (as defined in Article 10),

operation, including your failure to comply with PCI DSS or any law, statute, regulation, order, rule, or ordinance, or management of the Franchised Business, except for Claims held to have resulted solely from our gross negligence or willful misconduct. Notwithstanding the foregoing, we will have the right, at our option, to defend any Claim, but you must reimburse us upon demand for the costs and expenses of such defense. You shall immediately give us notice of any demand, investigation, written inquiry, action, suit, proceeding, or claim in any way related to us or the Barrio Queen brand.

8.3 Indemnification of Franchisee.

We agree to indemnify, defend and hold you and your affiliates, and their shareholders, directors, officers, members, managers, partners, employees, agents, successors and assignees harmless for, from and against any and all Claims, arising out of any Claim of infringement or unfair competition in connection with your authorized use of the Proprietary Marks or Confidential Information, provided that such use is in accordance with the provisions of this Agreement. However, if we require you to modify or discontinue use of our Proprietary Marks or Confidential Information or use other information or rights in its place at any time other than upon renewal of this Agreement, and that requirement is a direct result of proceedings or litigation that determined that our and our franchisees' use of the Proprietary Marks or Confidential Information infringed upon a third-party's rights, we will bear the cost of those modifications or discontinuances as set forth in this Agreement.

8.4 Special Power of Attorney.

You agree to cooperate with and assist us as we may request from time to time to obtain, protect, maintain or enforce our intellectual property and Proprietary Marks, including executing documents and appearing as a witness. You hereby appoint us as your attorney-of-fact and hereby grant us an irrevocable Special Power of Attorney, coupled with an interest, with full power and authority for the purpose of executing documents or taking such action as necessary or appropriate as you might or could do if personally present, hereby ratifying all that we, as your attorney-in-fact, shall lawfully do or cause to be done by virtue of this Special Power of Attorney to obtain, protect, maintain or enforce our intellectual property and Proprietary Marks if we are, for any reason, unable to obtain your cooperation or assistance. The Special Power of Attorney granted by this *Section 8.4*, shall survive your dissolution, death, incompetence or disability and the termination or expiration of this Agreement.

ARTICLE 9. OPERATING STANDARDS AND DUTIES OF FRANCHISE OWNER

9.1 Compliance with System Standards and Confidential Manual.

You understand and acknowledge that every detail of the operation of the Franchised Business is important in order to develop and maintain high and uniform standards of quality, cleanliness, appearance, service, facilities and techniques; to increase the demand for the System; and to protect our reputation and goodwill and that of other franchisees. You also acknowledge that the operation of the Franchised Business is your sole responsibility, and that neither we nor our affiliates have any responsibility to obtain customers for you. The System Standards will constitute provisions of this Agreement as if fully set forth herein.

9.2 Authorized Products and Services.

a. You agree that you will not, without our prior written approval, offer at the Location any menu items, beverages, products or services that are not authorized by us for the Franchised Business, as set forth in the System Standards.

b. You have complete discretion in establishing the minimum price you charge for your products. Although we may suggest pricing strategy, you will have the final pricing decision.

c. Notwithstanding the terms of *Section 9.2b.*, we may conduct periodic promotional campaigns during which a specified product or products are promoted at a specified price. During the promotional period, you may not charge your customers more than the specified promotional price, although you may charge less than the promotional price.

d. We may conduct new marketing, research and development, branding and operational program tests, which will generally be conducted with experienced, existing franchisees and may include incentives and other rights that are not available to all franchisees.

e. You hereby consent to third-party vendors, suppliers and distributors sharing with us any and all information, reports, invoices and related documentation covering and otherwise detailing your purchases for the Franchised Business, and to us sharing your contact information with them when we reasonably believe they may offer you a desired benefit.

f. You are required to accept debit and credit cards (including Visa®, MASTERCARD® and AMERICAN EXPRESS®) and as we see fit Gift/Loyalty Cards from consumers at the Franchised Business. Prior to the opening of your Franchised Business, you are required to acquire, and maintain during the Term, an approved debit, credit and Gift/Loyalty Card processing system ("Card Processing System") to use during the operation of the Franchised Business. Additionally, you must utilize our approved third-party payment card processor, as identified in the System Standards, for processing all Card Processing System transactions.

9.3 Specifications and Standards for Supplies; Approved Suppliers; Rollouts.

a. You must purchase or otherwise acquire certain proprietary or required equipment and supplies utilized in the Franchised Business only from our designated approved distributors or suppliers. If, during the Term, we change designated approved distributors or suppliers for any of the proprietary or required equipment and supplies utilized in the Franchised Business, you shall change to the new designated approved distributor or supplier within sixty (60) days after written notification of such change from us.

You acknowledge Franchisor and/or its affiliates has the right to receive commissions, volume discounts, purchase discounts, performance payments, bonuses, rebates, marketing and advertising allowances, co-op advertising, administrative fees, enhancements, price discounts, economic benefits and/or other payments ("Payments") based upon the actual purchases of the foods, beverages, and other products by Franchisor, its affiliates, area developers and franchisees from suppliers. Any such Payments made to Franchisor may be retained by Franchisor or distributed to franchisees in such amounts and using such allocation methods as Franchisor deems appropriate, in its sole discretion. All Payments received from a supplier for a

designated purpose (such as participation at an annual convention, etc.) will be spent in accordance with the supplier's designated purpose.

b. If you desire to purchase or otherwise acquire any equipment, supplies or inventory items required by the System Standards but not previously approved by us, or from sources not previously approved by us, you must submit to us sufficient specifications, photographs, drawings and other information sufficient to allow us to determine whether such equipment, supplies or inventory items meet our System Standards. We may require that our representatives be allowed to inspect the facilities of the proposed supplier and revoke its approval upon the supplier's failure to meet any of our then-current minimum System Standards. We may also require that samples from the proposed supplier be delivered, at no charge to us, either to us or to our designee for testing. A charge not to exceed the reasonable cost and expense of the inspection and the actual cost and expense of the test must be paid to us either by you or by the proposed supplier. We will notify you within sixty (60) days after your request of our approval or disapproval of the proposed product or supplier, with such determination to be made at our sole discretion. You acknowledge and agree that our approval of any item or supplier of equipment, supplies or inventory not previously approved by us will not, in and of itself, make the supplier of that item an approved supplier for other franchise owners in the System. We may, in our sole discretion, at any time and from time to time, re-inspect the facilities and products of any approved supplier and revoke its approval upon the supplier's failure to meet any of our then-current System Standards. If you receive a notice of revocation from us, you must immediately stop selling disapproved products and purchasing from the disapproved supplier.

c. We will provide to you a list of all recommended and required items of equipment, fixtures, supplies, smallwares and interior decor. This list will be included in the System Standards.

d. At any time and from time to time, we may in our sole option engage in new product rollouts to add to or change the menu items offered for sale in the Franchised Business and the ingredients or supplier of ingredients utilized in the preparation of the menu items sold in the Franchised Business ("Rollout"). If we engage in a Rollout, you shall participate in the changes that are the subject of such Rollout, including offering the new menu items, changing the menu items, changing to the new supplier of the ingredients utilized in the preparation of the menu items, and changing to the new ingredients utilized in the preparation of the menu items. If we engage in a Rollout, we will notify you of the details of the Rollout and provide you sixty (60) days from said notification to take the applicable actions required by the Rollout.

e. We may require that you join and make required purchases/leases through a purchasing cooperative or other entity designated by us. Such entity may adopt its own by-laws, rules, regulations and procedures, subject to our prior review and approval, which may include required provisions intended to meet applicable legal and regulatory principles. Your failure to timely pay amounts due to, or comply with the by-laws, rules, regulations and procedures of such cooperative is a breach of this Agreement. We will have the right, but not the obligation, to offset against amounts we owe to you the amount of your unpaid cooperative obligations.

9.4 Compliance with Legal Requirements and Good Business Practices.

You must, at your sole expense, operate the Franchised Business in full compliance with all applicable Federal, state and local statutes, laws, ordinances and regulations, including

health and safety regulations, food and drug laws, disability laws, labor and employment laws and data privacy laws, as may be amended, supplemented or enacted from time to time. You must pay all costs and expenses incurred by, and in the conduct of, the Franchised Business, including all rent, salaries, taxes (excluding our income taxes), disbursements, license or permit fees, insurance premiums, traveling expenses and any other business expenses when they become due. If you receive any demand, action, suit or proceeding, or the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality relating to your Franchised Business, you must immediately notify us, and in no event, later than three (3) days after your receipt. Any such notice must be accompanied by a copy of the demand, complaint, order, writ, injunction, award, decree or other similar document. You must, in all dealings with your employees, customers, suppliers, the public and us adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business practice that may be injurious to the System or the goodwill associated with the Proprietary Marks.

9.5 Maintenance of Insurance.

At all times during the Term, you must maintain in full force and effect at least the minimum types and amounts of insurance coverage that we require, under one (1) or more policies of insurance (each of which shall be primary coverage and shall not be contributory or secondary to any other coverage maintained by us), insured under the particular name of the Franchisee and for the particular address of the Franchised Business.

Such insurance policies must be issued by insurers acceptable to us having an A.M. Best's financial strength rating of at minimum "A-VIII," and grant us authority to obtain copies of your certificate of insurance directly from the carrier or your agent/broker. The particular requirements of our minimum insurance coverage will be made available to you throughout your term. Currently, the general liability insurance required by this Agreement must: (i) name BQ Concepts, L.L.C. as the certificate holder; (ii) name BQ Concepts, L.L.C., BBQ Holdings, Inc. and MTY Franchising USA, Inc. and their parents, subsidiaries, affiliates, officers, directors, and employees as additional insureds; (iii) contain a waiver by the insurance carrier of all subrogation rights against us and our affiliates and our affiliates' respective officers, directors and employees for casualty losses; (iv) indicate the address of the Franchised Business being insured; and (v) provide that we will receive a copy, via an endorsement, thirty (30) days' prior notice of cancellation of any such policy. Additional minimum insurance coverage requirements (subject to increase or otherwise change in our sole discretion) are as follows:

TYPE OF COVERAGE	LIMITS/SPECIFICATIONS
General Liability	\$2,000,000 Bodily Injury/Property Damage Per Occurrence / \$5,000,000 Aggregate
Liquor Liability	\$2,000,000 Per Occurrence
Building Improvements and Betterments	100% of Full Replacement Cost – No Coinsurance (minimum of \$100,000)
Business Personal Property	100% of Full Replacement Cost – No Coinsurance – Special Form or equivalent (minimum of \$100,000)

TYPE OF COVERAGE	LIMITS/SPECIFICATIONS
Spoilage	\$5,000
Flood, Earthquake and Volcanic Eruption	Subject to Territory Limitations – required if in a designated Flood Zone
Workers' Compensation and Employer's Liability Insurance	As required by law (or if none required by the state, then in comparable insurance as we require)
Employment Practices Liability Insurance with Franchisor Defense coverage	\$1,000,000
Hired and Non-Owned Automobile Liability	\$1,000,000 Combined Single Limit per accident
Umbrella	\$3,000,000 Per Occurrence

You need to evaluate if your particular business will require greater coverage or other types of insurance. For example, we strongly recommend that you consult with an insurance broker to discuss whether your particular lease/situation requires and/or should obtain additional common types of insurance (including without limitation, umbrella insurance, and cyber liability/data breach insurance coverage). Such insurance may significantly increase your premiums, but may also save you money in the long run.

You are responsible for maintaining insurance coverage and limits as required by us, at minimum, pursuant to this *Section 9.5*, provided, if your landlord requires additional coverage, higher limits, or any other requirements not required by us, then you are responsible for maintaining such additional items as well. You must always keep the required insurance coverage in force at all times during the operation of the Franchised Business, and you must comply with any changes we make periodically to our insurance requirements. Upon 30 days' notice to you, we may require you to increase and/or otherwise change the minimum coverage of the insurance referred to above, including to reflect identification of special risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances.

Subject to *Section 3.1*, before you may open your restaurant, annually thereafter at least ten (10) days prior to renewal of your insurance coverage, and at any other time on our request, you must provide us with certificates of insurance or copies of insurance policies showing that you are in compliance with our insurance requirements, as well as proof that you have paid the premiums you owe for the insurance we require. You will pay your insurance premiums to your insurance broker or to the insurance company issuing the policy. We or our affiliate may, at our option and in addition to our other rights and remedies under this Agreement, obtain such insurance coverage on your behalf, and you must promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to us, on demand, any costs, expenses and premiums (in whole or part) incurred by us. Your obligation to obtain and maintain the insurance described above will not be limited in any way by reason of any insurance maintained by us, nor will your performance of such obligations relieve you of any obligations under *Section 8.2*.

9.6 Management of the Franchised Business.

You are directly responsible for all aspects of operating the Franchised Business, and you agree that you will, at all times, operate the Franchised Business and use your best efforts to enhance your Franchised Business and the System. The Franchised Business must be personally managed and directly operated by your Operating Partner.

9.7 Inspections by Franchisor.

For the purpose of this *Section 9.7*, you must make available to us or our authorized representatives such financial and other information concerning the Franchised Business, and you must permit us or our authorized representatives to have full and free access to such information at your Franchised Business Location during regular business hours without prior notice. We and our authorized representatives will have the right to communicate freely with your employees, and make extracts from, and copies of, all such information. Our authorized representative may make announced or unannounced inspections of your Franchised Business to ensure compliance with all of the requirements of this Agreement.

9.8 Personal Guaranty.

If you are an individual and married, your spouse must execute and deliver to us a Guaranty of Franchise Agreement at the same time that you sign the Agreement unless your spouse is also signing the Agreement as an individual.

If you are a corporation, limited liability company, or other business entity, each of your shareholders, members, or other owners, whether direct or indirect (and their respective spouses, if married) must execute and deliver to us a Guaranty of Franchise Agreement at the same time you sign this Agreement.

In the event any person who has not previously signed a Guaranty of Franchise Agreement becomes your spouse or shareholder, member, or other owner, direct or indirect or a spouse of such shareholders, members, or other owner, at any time after the execution of this Agreement, you must cause such person(s) to immediately execute and deliver a Guaranty of Franchise Agreement to us.

Failure to provide a Guaranty of Franchise Agreement to us may, in our sole discretion, be grounds for termination of this Agreement as set forth in *Section 14.2a*.

9.9 Not Applicable.

ARTICLE 10. ADVERTISING AND PROMOTION

10.1 Advertising by Franchisor.

We (or at our election a third-party which may be an affiliate of ours) will administer the Advertising Fund that will include your Advertising Fee and those of other franchise owners in the System. If an affiliate of ours administers the Advertising Fund or places advertising in connection with the System, such affiliate may be paid a fee that will not exceed the fee that would be payable to unrelated third-parties for comparable services. Unless required by applicable law, we will have no obligation to create a trust account, escrow account or other special account for the Advertising Fund, and the monies comprising the Advertising Fund may

be placed in our general account. We may also reserve the Advertising Fee for use in a subsequent year.

We will direct all advertising and promotional programs. We will have sole discretion over all creative concepts, materials and media used in such programs and the placement and allocation of such programs. The Advertising Fund will be used for marketing, advertising, production and media expenses to promote the *Barrio Queen* trade name, System, products and services. We are entitled to deduct, free of charge, the following from the Advertising Fund: reimbursement of expenses, overhead, and employee salaries for services provided; and rent for office space provided to the Advertising Fund. We are not required to use any specific amounts from the Advertising Fund in your market. However, we in our sole discretion, may use some amounts contributed by you to any Advertising Fund, if any (see *Section 5.3*), in the same geographic area in which your Franchised Business is located.

10.2 Advertising by Franchisee.

In addition to your Advertising Fee, if applicable, and your grand opening promotional advertising program required under *Section 5.24*, you agree to pay for a regular (white pages) and classified (yellow pages) telephone directory advertisement in the main directory distributed in the area where your Franchised Business is located, in such directory categories as we specify, utilizing forms of listing and classified directory advertisements approved by us.

Your own local marketing and advertising plan should be developed to maximize your particular customer base. You should not rely upon a marketing program or plan by us as the sole means of obtaining customers. All marketing and advertising materials must be reviewed by the marketing department for look and feel. The marketing department's review is not for determining compliance with federal, state and local laws.

All advertising by you in any medium must be conducted in a professional manner and must conform to the System Standards. We may make available to you, from time to time, advertising, promotional plans and materials for purchase.

Under no circumstances may you use, without limitation, the name, image, or voice of a celebrity, public figure, character or other person in connection with the Proprietary Marks or the Franchised Business without our prior written consent. We retain the sole and exclusive right to use, without limitation, the name, services or image of any celebrity, public figure, character or other person in advertising, endorsing or recommending the System.

ARTICLE 11. ACCOUNTING PROCEDURES AND REPORTS

11.1 Maintenance of Records.

You shall keep full, complete, and accurate books and accounts in accordance with generally accepted accounting principles, and in the form and manner indicated below or as from time to time further required by us. You agree to submit reports and data to us electronically if we advise you to do so. You agree:

- a. to submit to us electronically the weekly Gross Sales as set forth in *Section 5.6*;
- b. to submit to us, on or before the thirtieth (30th) day of each month, commencing with the opening of the Franchised Business, in a format and method approved by us (including through a third-party vendor that franchisee may be required to pay for), a profit and loss

c. to submit to us, within twenty one (21) days after the end of each calendar year, commencing with the opening of the Franchised Business, in a format approved by us, a profit and loss statement and balance sheet (including a statement of retained earnings or partnership account) for the preceding calendar year;

e. to preserve, in the English language and for the time periods set forth below, all accounting records and supporting documents related to the Franchised Business (individually and collectively, "Records"), including:

1. daily cash reports;
2. cash receipts journal and general ledger;
3. cash disbursements journal and weekly payroll register;
4. monthly bank statements, daily deposit slips and canceled checks;
5. all tax returns, including your personal returns and those of your officers, shareholders, partners and members;
6. suppliers invoices (paid and unpaid);
7. dated cash register tapes (detailed and summary);
8. semi-annual balance sheets and monthly profit and loss statements;
9. daily production, throwaway and finishing records and weekly inventories;
10. records of promotion and coupon redemptions;
11. records of all outside sales; and
12. such other records as we may from time to time request.

f. to record all sales on cash registers approved by us, as specified in the Confidential Manual;

g. to file all of your federal and state tax returns on a timely basis and to provide copies of them to us. We may, where applicable, require that tax returns from all of your shareholders, members or partners be provided to us, if you are other than an individual;

For three (3) years after the date of any transfer of an interest in this Agreement, the transferor of such interest will preserve the Records for its last three (3) fiscal years of operation under this Agreement. For three (3) years after the expiration of the Term (or after any earlier termination), you shall preserve the Records for the last three (3) fiscal years of operation of the Franchised Business; and

i. In connection with our efforts to attract additional franchise owners to the System, we will have the right to use (without identifying you, except as required or allowed by law) any financial statements, sales reports, profit and loss statements or balance sheets provided by you and, in connection therewith, you authorize us to disclose any information contained on such financial reports as may be required by any federal or state registration or disclosure law.

11.2 Audit by Franchisor.

We will have the right, at any time during business hours, and with or without prior notice to you, to inspect and audit, or cause to be inspected and audited, the Records and cash control devices of the Franchised Business, and your corporate, partnership or limited liability company books and records (if you are a corporation, partnership, limited liability company, or other entity). You agree that we may access any computers utilized by you for such purposes.

You will fully cooperate with our authorized representatives and independent accountants hired by us to conduct any such inspection or audit. In the event any such inspection or audit discloses an understatement of your Gross Sales for any period in question, you will pay to us, immediately after receipt of the inspection or audit report, any additional Royalty Fee or Advertising Fee due as a result of any such understatement, plus interest at the Default Rate from the date originally due until the date such understatement is paid in full.

In addition, in the event such inspection or audit is made necessary by your failure to timely furnish Records, or if an understatement of the Royalty Fee or Advertising Fee for the period of any audit (which period shall not be for less than one (1) month) is determined by any such audit or inspection to be two percent (2%) or greater, you must reimburse us all amounts incurred in connection with such audit or inspection including our employee costs and expenses, any independent accountants' and attorneys' fees, transportation, room, and meal expenses.

The remedies in this *Section 11.2* will be in addition to all our other remedies and rights under this Agreement or under applicable law.

ARTICLE 12. TRANSFER

Sections 12.1 through *12.4* apply to all transfers, except transfers by us, which are described in *Section 12.5*.

12.1 Prior Consent of Franchisor.

a. As used in this Agreement, "Transfer" means any voluntary, involuntary (including by operation of law), direct or indirect assignment, sale, gift or other transfer by you, including:

1. "Full Transfer," which is any act or circumstance, except those set forth in *Section 12.1.a.2.*, by which fifty percent (50%) or more of the ownership or control is shifted from any individual or corporation, partnership or other business entity (individually and collectively, "Entity") to another, including:

b. We are entering into this Agreement based upon our knowledge of and faith in your ability. Therefore, the Franchised Business and all the rights granted by this Agreement are personal to you and you may not Transfer without our prior written consent. Any attempted Transfer without our prior written consent will be null and void, and will give us the right to terminate this Agreement and your rights under it, in addition to any remedies which we may have for the breach of this covenant by reason of an attempted Transfer.

c. We shall not unreasonably withhold or delay our consent to a Transfer, so long as it is shown to our satisfaction that the potential transferee ("Potential Transferee") can perform a franchisee's obligations under the then-current form of franchise agreement and all other agreements, legal instruments and documents required of new franchisees.

12.2 Advance Notice of Proposed Terms and Right of First Refusal.

a. If you, or any of your shareholders, members or partners, have received and desire to accept a signed bona fide written offer from a third-party to Transfer, you shall notify us

and provide us with a complete copy of the offer (letter of intent) which must include the name, address and telephone number for every Potential Transferee. You must also include information as to the identity of all who will own an interest in this Agreement or in the Franchised Business after the completion of the Transfer, their respective interests, and the proposed terms and conditions of sale and payment.

b. We shall have the right and option, exercisable within thirty (30) days after the date we receive a copy of the offer, to purchase the interest proposed to be transferred, at the price and upon the same terms and conditions specified in the notice.

c. If we do not exercise our option, and the terms of the unaccepted offer are altered, you must, in each such instance, notify us of the changed offer; and we will again have thirty (30) days to exercise our right to purchase on the altered terms. If we do not exercise our option, then the Transfer may take place on the terms and price set forth in the notice; provided: (i) we give our written consent; (ii) the Transfer takes place no later than six (6) months from receipt of our written refusal to exercise our option to purchase; and (iii) all the conditions set forth in *Section 12.3* are satisfied.

12.3 Requirement for Consent to Transfer.

If a Transfer is proposed and we do not exercise our right of first refusal pursuant to *Section 12.2*, then we will consent to the Transfer, provided that:

a. All your obligations under this Agreement are fully paid and satisfied, including the Royalty Fee and Advertising Fee; you are not in default under any provisions of this Agreement or any other agreement, legal instrument or document with us or any of our affiliates; and you enter into written agreements with us, including (except where prohibited by law) a general release by you of all claims against us;

b. Potential Transferee provides to us a completed application and financial documents, is financially acceptable, is not associated with any of our competitors, is of good moral character and reputation, and meets our criteria, which includes: work experience and aptitude; ability to devote time and best efforts to the Franchised Business; equity interest in the Franchised Business; ability to speak and read English sufficient in our opinion to communicate with employees, customers and suppliers and to satisfactorily complete our training; no conflicting interests; and other criteria and conditions that we apply to new franchisees;

c. Potential Transferee provides us with copies of all governing documents of Potential Transferee (e.g., certificate of incorporation or organization, by-laws, stock certificates, operating agreement, membership certificates (if any)) which must be reasonably satisfactory to us in our sole discretion;

d. You provide to us a copy of the purchase and sale agreement, if a Full Transfer, or other documentation evidencing the Transfer, if an Affiliate Transfer, and following our analysis of the terms and conditions of the proposed Transfer, we, in our sole discretion, conclude that such terms and conditions will not interfere with the financial feasibility of the future operation of the Franchised Business;

e. Potential Transferee enters into all agreements, legal instruments and other documents, whether our then-current agreements, legal instruments and documents or a transfer of this Agreement and related legal instruments and documents, as determined by us

(individually and collectively, "Transfer Documents"). The terms of the Transfer Documents may vary materially from the current agreements used by us, including the payment of a higher Royalty Fee and Advertising Fee;

f. Not applicable;

g. Potential Transferee pays to us the transfer franchise fee set forth in the Transfer Documents, if a Full Transfer; or Potential Transferee pays us the Document Administration Fee, if an Affiliate Transfer; Franchisee shall be liable to the Franchisor for the transfer franchise fee or Document Administration Fee in the event the Potential Transferee fails to pay such fee that is owing in full;

h. Not applicable;

i. Potential Transferee successfully completes the training program required by the Transfer Documents, if a Full Transfer;

j. Potential Transferee agrees to complete all remodeling and improvements as required by us, and must upgrade the POS System to the then-current required POS System, within the time period specified by us, if a Full Transfer;

k. You and Potential Transferee agree not to assert any security interest, lien, right or claim now or in the future, in the Franchised Business. Any security interest, lien, claim or right asserted with respect to any personal property at the Location must not include any after-acquired property and must be subject, junior and subordinate to any security interest, lien, right or claim now or in the future, asserted by us, our successors or assigns; and

l. You agree to complete and sign a letter of agency, letter of authorization, or equivalent and provide it to Potential Transferee so that Potential Transferee may keep the existing telephone number when the store is transferred to Potential Transferee.

a. Death or incapacity of Franchisee when Franchisee is an individual:

(i) In the event of your death or incapacity, your legal representative may, for a period of ninety (90) days from the date of death or incapacitation, continue to operate the Franchised Business, provided that the operation is conducted in accordance with this Agreement and any other agreements with us.

(ii) If your representative desires to continue the operation of the Franchised Business beyond the ninety (90) day period, then, prior to the expiration of this period, your legal representative must apply in writing for the right to transfer the Franchised Business to the person or persons (whether spouse, heir, devisee, purchaser, or any other person), as the legal representative may specify. The application for transfer will be treated in the same manner as any other proposed Transfer under this Agreement.

(iii) If your legal representative does not comply with the provisions of the preceding paragraph, or does not propose a Potential Transferee acceptable to us under the standards set forth in this Agreement, all rights licensed to you under this Agreement will terminate immediately and automatically revert to us. We shall have the right and option, in our

sole discretion, exercisable upon such termination, to purchase all removable furniture, fixtures, signs, equipment and other chattels, but not leasehold improvements, at a price to be agreed upon by the parties or, if no agreement as to price is reached by the parties, at such price as may be determined by a qualified appraiser, approved by both parties, such approval not to be unreasonably withheld. We shall give notice of our intent to exercise the option no later than twenty-one (21) days prior to termination.

b. Death or incapacity of any shareholder, partner, or member in Franchisee when Franchisee is a business entity:

(i) In the event of the death or incapacity of any of your shareholders, partners, or members, the surviving shareholders, partners, or members may, for a period of ninety (90) days from the date of death or incapacitation, continue to operate the Franchised Business, provided that the operation is conducted in accordance with this Agreement and any other agreements with us.

(ii) If your shareholders, partners or members desire to continue the operation of the Franchised Business beyond the ninety (90) day period, then, prior to the expiration of this period, your shareholders, partners, or members must apply jointly with all surviving shareholders, partners or members in writing, for the right to transfer the Franchised Business (or the interest of the deceased or incapacitated shareholder, partner, or member in the Franchised Business), to the person or business entity as the surviving shareholders, partners, or members may specify. The application for transfer will be treated in the same manner as any other proposed Transfer under this Agreement.

(iii) If all surviving shareholders, partners or members do not comply with the provisions of the preceding paragraph, or do not propose a Potential Transferee acceptable to us under the standards set forth in this Agreement, all rights licensed to you under this Agreement will terminate immediately and automatically revert to us. We shall have the right and option, in our sole discretion, exercisable upon such termination, to purchase all removable furniture, fixtures, signs, equipment and other chattels, but not leasehold improvements, at a price to be agreed upon by the parties or, if no agreement as to price is reached by the parties, at such price as may be determined by a qualified appraiser, approved by both parties, such approval not to be unreasonably withheld. We shall give notice of our intent to exercise the option no later than twenty-one (21) days prior to termination.

Except as otherwise set forth in this *Section 12.6*, you shall not have any rights to pledge, encumber, hypothecate or otherwise give any third-party a security interest in this Agreement in any manner whatsoever, nor subfranchise or otherwise transfer, or attempt to subfranchise or transfer the Franchised Business, in whole or in part, so long as it is operated as the Franchised Business, without our express prior written permission, which permission may be withheld for any reason whatsoever in our sole discretion. Notwithstanding anything contained herein to the contrary, you shall have the right to pledge your accounts receivable, net of royalties and rent, without our prior written consent for the sole purpose of obtaining financing for the operation of the Franchised Business, provided you are in full compliance with this Agreement and any other agreement, arrangement or understanding with us.

You and we must execute all agreements, legal instruments and other documents (individually and collectively, "Renewal Documents") then used by us in the renewal of franchises and then being required of new franchise owners in connection with the System. The terms of the Renewal Documents may vary materially from the current agreements used by us, including the payment of a higher Royalty Fee and Advertising Fee;

14.3 Our Right to Take Over Management.

We have the right (but not the obligation), under the circumstances described below, to enter the Franchised Business and assume the Franchised Business' management for any period of time we feel is appropriate. If we assume the Franchised Business' management, you must pay us, in addition to the Royalty Fee and Advertising Fee, six percent (6%) of the Gross Sales, plus our direct out-of-pocket cost and expenses, for the period of time we assume the Franchised Business' management. If we assume the Franchised Business' management, you acknowledge that our duty is limited to using our reasonable efforts, and we will not be liable to

you or your owners for any debts, losses or obligations the Franchised Business incurs, or to any of your creditors for any supplies or services the Franchised Business purchases. We may assume the Franchised Business' management if you abandon the Franchised Business or if you fail to comply with any provision of this Agreement and did not cure the failure within the time period we specify in our notice to you. You agree to complete and sign a letter of agency, letter of authorization, or equivalent and provide it to us upon our request if we assume the Franchised Business' management so that we may keep the existing telephone, facsimile, alarm, and credit card machine numbers (as applicable) in operation under our phone service provider. You also agree to keep the phone, water, gas, electric service (as applicable) turned on and active for one (1) week after we assume the Franchised Business's management to allow us to switch the services over to us or our affiliate. Our exercise of our management rights under this *Section 14.3* will not affect our right to terminate this Agreement.

14.4 Remedies.

a. Interest, Costs and Damages - If you fail to remit when due any payments required under this Agreement, you agree to pay, in addition to the unpaid amounts, all of our collection costs and expenses, expert fees, reasonable attorneys' fees, and costs and expenses, including all fees, costs and expenses of court, including all appeals, with interest on the unpaid amounts at the Default Rate or the highest permissible rate. b. Waiver of Punitive Damages - Both we and you waive, to the full extent permitted by law, any right they otherwise may have had to claim, pursue, demand or receive any exemplary or punitive damages arising out of or related in any way to this Agreement and its addenda, amendments, appendices, exhibits and attachments.

c. If you breach any of the terms of this Agreement, including if you are in default of this Agreement, we may enforce our rights by injunction, specific performance, or any other remedy available under this Agreement, at law or in equity, including termination. These remedies are cumulative and not exclusive and we may use all remedies available. In addition, we may elect to terminate this Agreement and all your rights under it as set forth in *Section 14.5*.

d. If you breach any of the terms of this Agreement, including if you are in default of this Agreement, we have the right to have a receiver appointed to take possession, manage and control the assets of the Franchised Business, collect the profits, and pay the net income for the operation of the Franchised Business as ordered by a court of competent jurisdiction. The right to appoint a receiver will be available regardless of whether waste or danger of loss or destruction of the assets exists.

14.5 Effect of Termination or Expiration.

Upon termination or expiration of this Agreement, we can advise all suppliers of *Barrio Queen* proprietary food items and other supplies bearing any of the Proprietary Marks or service marks to cease delivering the items and products to you.

Upon your abandonment of the Franchised Business (whether voluntary or involuntary), any termination of this Agreement (whether pursuant to *Sections 14.1, 14.2, 14.4*, or otherwise), or upon expiration of the Term, you must immediately cease to hold yourself out to the public as a franchise owner of the System, and you must comply with the following:

a. Immediately pay to us or any affiliate of ours all sums owing from you to us or such affiliate, including the Royalty Fee and Advertising Fee, for any period prior to the date of termination, the applicable Early Termination Damages (as defined in Section 14.9 below), and all amounts owed for services, supplies or other items purchased by you from us or any affiliate of ours, or that were financed by us or any affiliate of ours, or which we or any affiliate of ours loaned to you, together with any interest or late fees accrued thereon, together with all other sums due us under this Agreement, and all damages of any kind or nature whatsoever that may be allowed by law;

If we do not recover any such items, such items shall be valued at their then-current replacement cost, for purposes of determining the damages owing by you to us for failure to return such items, if we pursue a damage claim as a result thereof;

(ii) transfer to our designee or us all telephone numbers used by you in connection with the Franchised Business. You acknowledge that between you and us, we have the sole right and interest in all telephone numbers and directory listings associated with any Proprietary Marks, and you authorize us and appoint us and any officer or agent of ours, as your attorney-in-fact, to direct the telephone company and all listings agencies to accept such direction, or this Agreement, as conclusive evidence of our exclusive rights in such telephone numbers and directory listings and our authority to direct their transfer;

e. Immediately take such action as may be required to cancel all fictitious or assumed names, amend any entity name, or dissolve any entity that contains any Proprietary Mark, in whole or in part, regardless of whether the entity name was authorized by us, and

You acknowledge that between you and us, we have the sole right and interest in all such fictitious or assumed names, entity name, and equivalent registrations, and you authorize us and appoint us and any officer or agent of ours as your attorney-in-fact, to effect the termination or cancellation of such fictitious or assumed names or equivalent registrations should you fail or refuse to do so, and the appropriate federal, state, and local agencies may accept your direction or this Agreement as conclusive evidence of our exclusive rights in such fictitious or assumed names or equivalent registrations, and our authority to direct their termination or cancellation;

f. Comply with the confidentiality requirements and the covenant against competition in this Agreement for the specified period. You acknowledge that you, or (if an entity) your authorized representative, has carefully reviewed the confidentiality requirements and the covenant against competition in this Agreement; and that you have agreed to be bound by all the requirements and covenants; and

g. Maintain at a place made known to us all books, records and reports required under this Agreement for a period of not less than three (3) years after the date of termination or expiration of this Agreement, to allow us to make a final inspection of your books and records for the purpose of verifying that all amounts owing have been paid.

If you fail to do any of the foregoing, we may pursue any remedy available at law or in equity against: (i) you; (ii) any or all guarantors of your obligations under this Agreement; and (iii) you and any or all guarantors of your obligations under this Agreement.

h. Right of First Refusal. We have the right, but not the obligation, to purchase from you any assets or property (but not leasehold improvements) used in the operation of the Franchised Business for an amount equal to the Value (as defined below), as of the expiration date or termination date, as applicable ("RoFR"). If we are required, by law, regulation or court order, to purchase the equipment and other tangible assets used in connection with the Franchised Business, the purchase price will be equal to the Value. For purposes of this Agreement, the term "Value" means, subject to applicable law, an amount equal to your cost for such assets, less depreciation and amortization using a two hundred percent (200%) declining balance method over a five (5) year period. If all, or any portion of, your assets that are being purchased by us or our authorized representative are subject to lien(s), we or our authorized representative may pay, on your behalf, the lienholder(s) that portion of the purchase price for your assets (which may be the entire purchase price) that is necessary to obtain the release of those assets from the lien(s), in lieu of paying you those funds. Further, we may offset any amounts payable to you pursuant to this *Section 14.5.h*, or otherwise pursuant to this Agreement, against any unpaid amounts payable to us or our affiliates pursuant to this Agreement or any agreement executed in connection with this Agreement.

14.6 Covenant Not to Compete; Conflicting Interests.

a. During the Term and for a period of two (2) years after your abandonment of the Franchised Business, expiration of this Agreement, or termination of this Agreement (whether voluntary or involuntary), you shall not engage in any Competing Business (as defined in *Section 14.6c.*) with any *Barrio Queen* restaurant, nor shall you have any Conflicting Interest (as defined in *Section 14.6d.*) in a Competing Business. The provisions of this Agreement bind you in any capacity, including as a franchisee, sole proprietor, partner, limited partner, member, employer, franchisor, shareholder, officer, director or employee.

b. During the Term, and for a period of two (2) years after your abandonment of the Franchised Business, expiration of this Agreement, or termination of this Agreement (whether voluntary or involuntary), you shall not divert or attempt to divert any business, customers, or potential customers of the System to any Competing Business, by direct or indirect inducement or otherwise. In addition, you shall not at any time do or perform any act, directly or indirectly, which harms the goodwill or reputation of us or the System.

c. For purposes of this *Section 14.6*, "Competing Business" means a business which is primarily engaged in the sale of Mexican food and/or beverages, products prepared or served with such as an ingredient, and all variations thereof, within a geographical area consisting of: (1) during the Term, anywhere else; and (2) after abandonment, expiration or termination of this Agreement, within a ten (10) mile radius from the Location or location of any *Barrio Queen* restaurant of ours, our third-party licensees or our third-party franchisees. The term "*Barrio Queen* restaurant" includes not only the restaurants now in existence, but also those established at a later date. The term of this covenant will be extended by any time consumed in litigation to enforce it in both trial and appellate courts. If a court of competent jurisdiction determines that the restrictions in this paragraph are excessive in time, geographic scope, or otherwise, the court may reduce the restriction to the level that provides the maximum restriction allowed by law.

d. For purposes of this *Section 14.6*, "Conflicting Interest" means an interest by which you, or your executive officers, directors and shareholders (if you are a corporation), or your partners (if you are a partnership), or your members (if you are a limited liability company), or your designated manager, spouses, and/or guarantor(s) directly or indirectly, have a controlling interest in, lend money to, consult with or otherwise assist any Competing Business. If any of the persons named above do not sign this Agreement under the heading "Personal Acceptance of *Sections 7.1, 7.2, 14.6 and 14.8*," then you agree to obtain the execution by such person of a written agreement setting forth the foregoing in a form acceptable to us.

14.7 Continuing Obligations.

All your obligations that expressly survive the expiration or termination of this Agreement, including *Sections 14.5 and 14.6*, or by the implicit nature thereof require performance after the expiration or termination of this Agreement, will continue in full force and effect (subsequent to, and notwithstanding, your abandonment of the Franchised Business (whether voluntary or involuntary) the expiration of the Term, or termination of this Agreement), until they are satisfied in full or by their nature expire. The indemnities and obligations set forth in *Article 8* will continue in full force and effect subsequent to, and notwithstanding, the expiration or termination of this Agreement.

14.8 Remedies.

You acknowledge and agree that the restrictions contained in this Agreement, including in this *Article 14*, are fair and reasonable and necessary for the protection of our legitimate business interests and you intend and agree that such restrictions be enforceable and enforced to their fullest extent. You further understand and agree that, notwithstanding any other provision of this Agreement, your breach of your obligations under this *Article 14*, will cause us irreparable harm for which recovery of monetary damages alone would not be an adequate remedy. Both parties shall be entitled to obtain timely injunctive relief, including a temporary restraining order, preliminary and permanent injunctions, to protect their rights under this

Agreement, in addition to and not exclusive of any and all other remedies available to each party.

14.9 Early Termination Damages.

If you discontinue operating your Franchised Business before this Agreement expires, with or without obtaining our prior written consent, or in the event of a termination of this Agreement arising from or related to your default and breach of its provisions, you will become obligated to pay Franchisor early termination damages ("Early Termination Damages"). The Early Termination Damages shall be considered damages and not a penalty, are not in lieu of other damages, and your payment of these damages shall not constitute a release of any other obligation owed to us. Franchisor, Franchisee, each individual signing on behalf of Franchisee, and each guarantor guaranteeing Franchisee's obligations hereunder, hereby acknowledge and agree that Franchisor's losses due to Franchisee's unilateral closure of the Franchised Business or termination of this Agreement would be highly difficult or impossible to calculate with reasonable certainty and, therefore, have agreed at the outset of this Agreement that the Early Termination Damages, and the formula for calculating these damages, constitutes a reasonable, good faith forecast of Franchisor's estimated losses and damages due to the premature closure of the Franchised Business or termination of this Agreement.

The amount of the Early Termination Damages is calculated as follows:

- a. Compute the average monthly Royalty Fee and Advertising Fee due for any consecutive twelve (12) month period within the forty-eight (48) months immediately preceding the date we receive notification of the closure, or if you failed to timely notify us of the closure then the date the Franchise Business closed, or, if the Franchised Business has been open for less than twelve (12) months, the average monthly Royalty Fee and Advertising Fee due since the opening of the Franchised Business ("Monthly Average");
- b. Multiply the Monthly Average by the number of months remaining in the Term;
and
- c. Divide the resulting total computed in b. above by two (2).

For example purposes only: If the average monthly Royalty Fee and Advertising Fee were collectively \$1,000 and there were five years (60 months) remaining in the Term, the Early Termination Damages would be \$30,000, calculated as follows: $\$1,000 \times 60 \text{ months} = \$60,000 \div 2 = \$30,000$.

If you unilaterally close the Franchised Business and/or unilaterally terminate this Agreement prior to the end of the Term, you must give us ninety (90) days prior notice of the early termination ("Early Termination Notice") pursuant to the applicable notice requirements as set forth in Article 15 of this Agreement. For avoidance of doubt, sending the Early Termination Notice via facsimile, email or through other electronic means does not constitute proper notice). Within ten (10) days after our receipt of your Early Termination Notice, we will calculate the Early Termination Damages, which will be due and payable thirty (30) days prior to the closure of your Franchised Business. In the event of a closure or termination arising from or related to your default under this Agreement, or that you do not: (i) timely or properly provide us with the Early Termination Notice at least ninety (90) days prior to the early termination of your Franchised Business and this Agreement; (ii) remain open for at least ninety (90) days after providing us with the Early Termination Notice; and (iii) pay the Early Termination Damages in

full at least thirty (30) days prior to closing of the Franchised Business, the Early Termination Damages due may, in our sole discretion, be increased as follows: it will be calculated by multiplying the Monthly Average by the number of months remaining in the Term, and will not be divided by two (2).

If you have not paid your Royalty Fee and Advertising Fee for any period(s) within the forty-eight (48) months prior to notifying us of your early closure or termination, or if you have not reported your Gross Sales for any period(s) within the forty-eight (48) months prior to notifying us of your intended early termination, we will estimate the Royalty Fee and Advertising Fee based upon prior reports to calculate the Monthly Average.

ARTICLE 15. NOTICES

Unless otherwise provided in this *Article 15*, all notices specified by this Agreement or required by law must be in writing and given by personal delivery, sent by carrier (i.e., FedEx®, UPS®, etc.), U.S. certified mail, return receipt requested. All notices to us must be given at the address set forth on page 1 of this Agreement or to such other address as we may designate in writing from time to time in accordance with this *Article 15*. All notices to you may be given at the address set forth on page 1 of this Agreement, at the address of the Franchised Business, at any of your franchised restaurants, at your residence (if an individual), or at the residence of your principal shareholder(s), partner(s), or member(s) (if a business entity). Notices will be conclusively deemed to be given, delivered, and effective when sent pre-paid and actually left in the custody of an adult agent, employee or resident at a place of business or residence if given by personal delivery; or if given by carrier, twenty-four (24) hours after deposited with carrier, or if by U.S. certified mail, three (3) days after deposited with the U.S. Postal Service. You have an obligation to promptly notify us pursuant to this *Article 15* whenever your mailing address, phone number or email address change. Notwithstanding the foregoing, only Franchisor has the right to give you written notice via email to an email address you provide us regarding all notices specified by this Agreement or required by law, with such email notification to be deemed received by you twenty-four (24) hours after we send it, unless you otherwise earlier acknowledge receipt.

ARTICLE 16. CONSTRUCTION AND ENFORCEMENT; MISCELLANEOUS

16.1 Independent Contractors.

The relationship between you and us is that of independent contractors. You are in no way to be deemed our partner, joint venturer, agent, employee, or servant. You have no authority to bind us to any contractual obligation or incur any liability for or on our behalf. You shall identify yourself as an independent owner of the Franchised Business in all dealings with customers, lessors, contractors, suppliers, public officials, employees, and others.

16.2 Severability and Substitution of Provisions.

Except as provided to the contrary in this Agreement, each article, section, term and provision of this Agreement, and any portion thereof, will be considered severable, and if, for any reason, any such portion of this Agreement is held to be invalid, contrary to, or in conflict with any applicable present or future law or regulation, or as a result of a final, non-appealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which we are a party, that regulation or ruling will not impair the operation of, or have any other effect upon, such other portions of this Agreement as may otherwise remain valid, and such other portions will continue to be given full force and effect and bind the parties to this

Agreement. If the severed provision is material to this Agreement, we shall promptly provide a substitute provision to replace the invalid severed provision consistent with then-current law and the original intent of the parties.

If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of, or refusal to renew, this Agreement than is required under this Agreement, or the taking of some other action not required under this Agreement, or if under any applicable law, regulation, or court ruling of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable, the prior notice or other action required by such law, regulation, or court ruling will be substituted for the comparable provisions of this Agreement, and we will have the right, in our sole discretion, to modify such invalid or unenforceable provision, specification, standard or operating procedure to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction, unless we elect to give them greater applicability, and otherwise shall be enforced as originally made and entered into in all other jurisdictions.

16.3 Dispute Resolution.

a. Except as otherwise provided herein, any dispute, claim or controversy arising out of or relating to this Agreement, the breach hereof, the rights and obligations of the parties hereto or the relationship between the parties, or the entry, making, interpretation, or performance of either party under this Agreement (“Dispute”), which cannot be resolved by mediation under *Section 16.3d.* or is not subject to mediation under the terms of this Agreement, shall be settled by arbitration administered by the American Arbitration Association (“AAA”) in accordance with its Commercial Arbitration Rules as modified below.

b. Any arbitration shall take place before a sole arbitrator in Maricopa County, Arizona or, if our headquarters are no longer located in Maricopa County, Arizona, then the arbitration shall take place in the county in which our headquarters are located at the time the arbitration is commenced. You agree that conducting the arbitration where we are located is appropriate due to the multiple locations throughout the United States where our franchisees are located. The parties agree that the arbitrator shall be an attorney licensed to practice law in the United States and must have a minimum of five (5) years of experience in franchise law. Judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. The arbitrator shall, in the award, allocate all of the costs and expenses of the arbitration, including the fees of the arbitrator and the reasonable attorneys’ fees of the prevailing party, against the party who did not prevail. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any other dispute, arbitration proceeding or litigation, except to the extent such issue may have been specifically determined in another proceeding between the parties. This agreement to arbitrate shall survive any termination or expiration of this Agreement, however effected. The parties agree that any arbitration shall be solely between them (including any affiliates) and shall not include as a party, by consolidation, joinder, or in any other manner, any other person or entity, unless both parties consent in writing. Both parties shall have the absolute right to refuse such consent. Further, the parties expressly waive any right to bring or participate in any class or other consolidated, joined or multi-party arbitration claim or proceeding, whether or not permissible under the AAA Commercial Arbitration Rules, including any claim brought on their behalf by an association of which it, he or she is a member. At the request of any party, the arbitration shall be conducted in a manner that maintains the confidentiality of the proceedings.

c. The arbitrator will issue a reasoned award, with findings of fact and conclusions of law. Actions to enforce an express obligation to pay monies may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The Federal Arbitration Act shall govern, excluding all state arbitration laws. Arizona law will govern all other issues. With respect to discovery, the arbitrator shall require each party to make a good cause showing before any discovery exceeding that specifically authorized by the AAA Commercial Arbitration Rules will be granted.

d. Prior to the commencement of an arbitration proceeding, the parties must first submit any Dispute to non-binding mediation. At the request of any party, the mediation will be confidential. The mediation shall be conducted in Maricopa County, Arizona or in the county in which our headquarters are located at the time of mediation, unless the parties shall mutually agree to a different location. The parties to the mediation will share equally in its costs and expenses, except those costs and expenses incurred separately by each party, including counsel fees and expenses. The mediation process will be deemed "Completed" when the parties agree that it has been completed, the mediator declares that any impasse exists, or sixty (60) days have elapsed since the date of the initiating party's notice to the other party that it is initiating the mediation process, whichever occurs first.

e. Notwithstanding anything contained in this Agreement to the contrary, the provisions of Sections 16.3a., 16.3b., 16.3c. and 16.3d. do not apply to a Dispute where: (i) we bring an action for an express obligation to pay monies, declaratory relief, preliminary or permanent equitable relief, any action at law for damage to our goodwill, the Confidential Information, the Proprietary Marks or for fraudulent conduct by you; or (ii) the delay resulting from the mediation process may endanger or adversely affect the public (for example, unhealthy, unsafe or unsanitary conditions would continue to exist). For such disputes, we may bring an action in any federal or state court having jurisdiction, whether for monetary damages, temporary preliminary and permanent injunctive relief or specific performance in addition to, and not exclusive of, any other remedies available to us. You hereby consent to and waive any objection or defense and agree not to contest venue, forum non conveniens or jurisdiction of such court or arbitration.

f. Disputes concerning the validity or scope of arbitration, including whether the Dispute is subject to arbitration, are beyond the authority of the arbitrator and will be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time.

g. Either party may appeal the final award of the arbitrator, if it is over One Hundred Thousand Dollars (\$100,000), to the appropriate U.S. District Court. The Court's review of the arbitrator's findings of fact will be under the clearly erroneous standard, and the Court's review of all legal rulings will be *de novo*. If it should be determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator's final award, if it is over One Hundred Thousand Dollars (\$100,000), to a panel of three (3) arbitrators chosen under AAA Optional Appellate Arbitration Rules, which will employ the same standards of review stated immediately above.

16.4 Applicable Law and Forum; Waiver of Jury; Statute of Limitations.

a. Except to the extent that the United States Trademark Act of 1946, as amended (15 U.S.C., § 1051 et seq.) or the franchising laws of any state that may be applicable, the laws of the State of Arizona govern all rights and obligations of the parties under this Agreement

without regard to conflict of law. The parties agree, subject to the mandatory mediation and arbitration provisions of *Section 16.3*, that any appropriate state or federal court located in Maricopa County, Arizona has exclusive jurisdiction over any Dispute arising under or in connection with this Agreement and is the proper forum in which to adjudicate the case or controversy. Notwithstanding the foregoing any action initiated by us may, at our election, be brought in any jurisdiction where you are domiciled or that has jurisdiction over you. The parties hereto irrevocably submit to the jurisdiction of, and venue in, any such court, and hereby waive any objection or defense thereto. THE PARTIES AGREE THAT ALL DISPUTES SUBMITTED TO THE COURT PURSUANT TO THIS SECTION SHALL BE TRIED TO THE COURT SITTING WITHOUT A JURY, NOTWITHSTANDING ANY STATE OR FEDERAL CONSTITUTIONAL OR STATUTORY RIGHTS OR PROVISIONS.

b. Notwithstanding anything contained in this Agreement to the contrary, the parties agree that any claims under, arising out of, or related to, this Agreement must be brought within two (2) years of the date on which the underlying cause of action accrued, and the parties hereby waive any right to bring any such action after such two (2)-year period, except for the collection of any unpaid Royalty Fee, Advertising Fee, and any other amount due to us or our affiliate.

c. **YOU HEREBY WAIVE THE RIGHT TO SEEK OR COLLECT PUNITIVE, MULTIPLE, CONSEQUENTIAL AND SPECIAL DAMAGES IN ANY FORUM, INCLUDING ARBITRATION. YOU HEREBY FURTHER WAIVE THE RIGHT, IF ANY, OF ANY ASSOCIATION OR MEMBERSHIP GROUP TO ASSERT CLAIMS ON YOUR BEHALF IN ANY ACTION.**

d. **YOU HEREBY WAIVE THE RIGHT TO ANY DAMAGES IN CONNECTION WITH OR RESULTING FROM THE WRONGFUL ISSUANCE OF AN INJUNCTION.**

e. The parties agree that the maximum damages that you may recover in connection with a wrongful termination of your franchise and this Agreement will be an amount equal to the product of:

- (i) the annual net profit (as defined below) multiplied by
- (ii) the lesser of:

(a) The number of full years existing between the date on which the franchise and this agreement were wrongfully terminated and the date on which the Term would have otherwise expired; or

- (b) Three.

For purposes of this Agreement, the term "net profit" means an amount equal to the net profits of your Franchised Business, as reflected on your tax return filed with the Internal Revenue Service prior to such termination; provided, however, that if such tax return reflects the operations of your Franchised Business for a period less than one (1) year, such net profits will be annualized based upon the net profits reflected in such tax return.

16.5 No Guarantee of Franchisee's Success.

You have been informed of and acknowledge the highly competitive nature of the business involved, and agree that the successful operation of your Franchised Business will depend in part, upon your best efforts, capabilities, management, and efficient operation; as well as the general economic trend and other market conditions.

16.6 Existence of Various Forms of Franchise Agreements.

You acknowledge that our present and future franchisees operate under a number of forms of franchise agreements and consequently, our obligations and rights with respect to our various franchisees may differ materially in certain instances. The existence of different forms or versions of the franchise agreement does not entitle you to benefit from any such difference; nor does it operate to alter or amend the agreement of the parties set forth in this Agreement.

16.7 Franchise Owner May Not Withhold Payments.

You agree that you will not, on grounds of alleged or actual nonperformance or breach by us of any of our obligations under this Agreement, withhold payment of any Royalty Fee, Advertising Fee, amounts due to us or any of our affiliates for goods or services purchased by you, or any other amounts due to us or any of our affiliates.

16.8 Remedies Are Cumulative.

The rights and remedies of the parties to this Agreement are cumulative and not exclusive, and no exercise or enforcement by either party of any right or remedy under this Agreement shall preclude the exercise or enforcement by such party of any other right or remedy under this Agreement or otherwise available at law or in equity to such party.

16.9 Interpretation.

All the terms and provisions of this Agreement will be binding upon and inure to the benefit of the successors and assigns of the parties. However, nothing in this *Section 16.9* may be construed as our consent to the Transfer of this Agreement or any rights by you.

16.10 Waiver.

Our failure to insist upon the strict performance of any term, covenant or condition contained in this Agreement will not constitute or be construed as a waiver or relinquishment of our right to enforce thereafter any such term, covenant or condition and such term, covenant or condition will continue in full force and effect. For example, Franchisor's acceptance of any payments made, or Franchisor's failure to require any payments, by Franchisee after a breach of this Agreement shall not be, nor be construed as, a waiver by Franchisor of any breach by Franchisee of any term, covenant or condition of this Agreement or of Franchisor's right to later require such payments as a result of such prior breach.

16.11 Litigation Expense.

If an action at law or suit in equity is brought to establish, obtain or enforce any right by either of the parties to this Agreement, the prevailing party in the suit or action, in the trial and

appellate courts, will be entitled to recover from the non-prevailing party reasonable attorneys' fees, costs and expenses and disbursements incurred in such suit or action.

16.12 No Third-Party Beneficiaries.

This Agreement is not intended to benefit any other person or entity except the named parties hereto and no other person or entity shall be entitled to any rights hereunder by virtue of so-called "third-party beneficiary rights" or otherwise.

16.13 Binding Effect; Modification.

This Agreement is binding upon the parties to this Agreement and their respective executors, administrators, personal representatives, heirs, permitted assigns and successors in interest. No amendment, change, or modification of this Agreement shall be binding on any party unless executed in writing by you and us.

16.14 Entire Agreement; Nature and Scope; Construction.

This Agreement, all exhibits, attachments, addendums, and amendments, constitute the entire understanding and agreement between the parties, and there are no other oral or written understandings or agreements between us and you relating to the subject matter of this Agreement. If required to be signed, any state specific addendums are incorporated herein by reference. Any representation not specifically contained in this Agreement made prior to entering into this Agreement does not survive subsequent to the execution of this Agreement. We and you have entered into this Agreement for the sole purpose of authorizing you to use the System licensed by this Agreement in the operation of the Franchised Business during the Term in which those specific items designated by us for sale and use in such locations are offered for sale and use in individual, face-to-face transactions with patrons visiting the Franchised Business (and equivalent telephone or mail transactions accepted as a convenience to that customer group). All consideration being furnished by us to you during the course of performance of this Agreement has been determined based on the limited rights and other limitations expressed herein. No other rights have been bargained for or paid for. This provision is intended to define the nature and extent of the parties' mutual contractual intent, there being no mutual intent to enter into contract relations, whether by agreement or by implication, other than as set forth in this Agreement. The parties further acknowledge that these limitations are intended to achieve the highest possible degree of certainty in the definition of the contract being formed, in recognition of the fact that uncertainty creates economic risks for both parties which, if not addressed as provided in this Agreement, would affect the economic terms of this bargain.

Nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in the Disclosure Document. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto.

16.15 Terminology.

In addition to the terms defined elsewhere in this Agreement, the following terms defined below are incorporated in this Agreement by reference and shall be deemed to include all persons who succeed to the interest of the original, where applicable:

The term “affiliate” means any person who, directly or indirectly through one (1) or more intermediaries, controls, is controlled by, or is under common control with any person;

The term “Dollars” means United States Dollars and all amounts due under this Agreement shall be paid in United States currency;

The use of the terms “includes” and “including” in any provision of this Agreement followed by specific examples used shall not be construed to limit application of the provision to only the specific examples used;

The term “person” means any natural person, corporation, partnership, trust, other entity, association or form of organization;

The term “will” and “shall” shall be synonymous, and shall be mandatory and not discretionary, unless otherwise specifically provided herein; and

Any references to articles or sections refer to articles and sections in this Agreement unless specified otherwise.

16.16 Counterparts.

This Agreement may be executed in one (1) or more original counterparts, and all of which, when taken together, shall be deemed to be one (1) original Agreement. The signatures required for execution may be transmitted to the other party via facsimile or a scanned .pdf file sent via email and such signature shall be deemed a duplicate original, shall be effective upon receipt by the other party, may be admitted in evidence and shall fully bind the party and person making such signature. A fully-executed copy of this Agreement shall be of the same force and effect as the original.

16.17 Offerings.

If you are a corporation, partnership or other entity, and if you intend to offer securities, partnership interests or other ownership interests in you through any public or private offering, you shall not use any Proprietary Marks in such public or private offering, except to reflect your franchise relationship with us; nor shall you misrepresent your relationship with us by any statement or omission of an essential statement. You shall indemnify and hold us harmless from any liability in connection with such offering. Nothing in the foregoing shall modify the provisions of *Article 12*, and no such offering shall be made without first complying with any applicable provisions of *Article 12*.

16.18 Time.

Time is of the essence of each and every provision of this Agreement.

16.19 Force Majeure.

Neither of the parties will be liable for loss or damage or be deemed to be in breach of this Agreement if the failure to perform the party’s obligations results from: (a) transportation shortages, inadequate supply of equipment, merchandise, supplies, labor, material or energy, or the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or

instructions of any government or any department or agency thereof, or (b) acts of God, and in each case being unforeseeable forces which Franchisee could not by the exercise of due diligence have avoided; provided however that Franchisee must: (i) immediately upon the start of the above-mentioned act, provide written notice to Franchisor that it expressly enacts its rights granted under this Section, and (ii) use all commercially reasonable efforts to mitigate the effect of the event of Force Majeure upon its performance and to fulfill its obligations under this Agreement. Any delay resulting from any of these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that no such cause will excuse payments of amounts owed at the time of such occurrence or payment of the Royalty Fee and all other amounts due to us and our affiliates thereafter, or permit Franchisee to permanently close the Franchised Business.

16.20 Plurals and Captions.

Words in the singular number include the plural when the context requires (and vice-versa). The table of contents and the captions are inserted only for convenience and are not a part of this Agreement or a limitation of the scope of the particular article or section to which each refers.

16.21 Joint and Several Liability.

If you consist of two (2) or more individuals, whether in the form of separate individuals or a business entity controlled by the individuals, then each individual will be jointly and severally liable under the provisions of this Agreement.

16.22 Trademark Notice.

All trademarks referenced in this Agreement are those of their respective owners.

16.23 No Accord or Satisfaction.

If you pay, or we otherwise receive, a lesser amount than the full amount provided for under this Agreement for any payment due hereunder, such payment or receipt may, in our sole discretion, be applied against the earliest amount due us. In addition, if interest or late fees are owed, we may, in our sole discretion, apply any amounts paid to the late fees and interest before such amounts are applied to the principal amount owed. We may accept any check or other payment in any amount without prejudice to our right to recover the entire balance of the amount due or to pursue any other right or remedy. No endorsement or statement by you on any check or payment or in any letter accompanying any check or payment or elsewhere shall constitute or be construed as an accord or satisfaction.

h. You have, or if you are a partnership, corporation or other entity, your partners or principals have, carefully read this Agreement and all other related documents to be executed by you concurrently or in conjunction with the execution hereof; that you have obtained, or had the opportunity to obtain, the advice of counsel in connection with the execution and delivery of this Agreement; that you understand the nature of this Agreement and that you intend to comply with and be bound by this Agreement.

i. You have read and understand the information and disclosures made in the Disclosure Document provided to you as acknowledged in *Section 17.3e*. You understand and acknowledge that: (i) estimates for initial start-up expenses are estimates only and there can be additional start-up expenses; and (ii) your sales may differ substantially from any sales provided in Item 19 of the Disclosure Document, and there is no assurance that your sales will meet or exceed any sales listed in Item 19 of the Disclosure Document. You have had the opportunity to and have consulted or elected not to consult with your attorney, accountant and business advisors before entering into this Agreement.

j. You understand and agree that, while not applicable in every case, our past experience indicates that owner-operated restaurants generally perform better than absentee owners with hired managers. The food business is a personal business and is dependent upon your business skill and judgment. This includes your choice of employees. Your skill in hiring the right people to work in your Franchised Business is very important in determining whether people decide to purchase menu items from your Franchised Business or from another restaurant in the same vicinity.

k. You understand and agree that ownership of a franchise and the Franchised Business carries certain risks. These risks include the loss of your initial investment, other continued financial losses such as rent payments due under lease obligations and other contractual obligations, the loss of your time and energy in starting up and running your Franchised Business, and loss of earnings and investment income from your investment in the Franchised Business. You understand and agree that the Franchised Business may make money and may lose money and are entering this business venture with this express understanding. You are not relying upon anything which is not contained within this Agreement or the Disclosure Document in determining and deciding to become a franchisee.

l. Notwithstanding the foregoing, you understand and agree that the System must not remain static if it is to meet (without limitation) presently unforeseen changes in technology, competitive circumstances, demographics, populations, consumer trends, social trends and other market place variables, and if it is to best serve the interests of us, you and all other franchisees. Accordingly, you expressly understand and agree that we may from time to time change the components of the System, including altering the products, programs, services, methods, standards, forms, policies and procedures of that System; abandoning the System altogether in favor of another system in connection with a merger, acquisition or other business combination or for other reasons; adding to, deleting from or modifying those products, programs and services which your Franchised Business is authorized and required to offer, modifying or substituting entirely the equipment, signage, trade dress, décor, color schemes and uniform System Standards and specifications and all other unit constructions, design, appearance and operation attributes which you are required to observe under this Agreement; and, abandoning, changing, improving, modifying or substituting the Proprietary Marks. You expressly agree to comply with any such modifications, changes, additions, deletions, substitutions and alterations. You shall accept, use and effectuate any such changes or modifications to, or substitution of, the System as if they were part of the System at the time that this Agreement was executed. Except as provided herein, we shall not be liable to you for any expenses, losses or damages sustained by you as a result of any of the modifications contemplated hereby.

m. You represent that neither you nor any of your affiliates, officers, directors, managers, members, or partners (as applicable) or funding sources are subject to U.S. Executive Order 13224, identified on the U.S. Department of the Treasury's Office of Foreign Assets Control Specially Designated National and Blocked Persons list, or any terrorist list or other blocked persons list. In addition, you represent that you have not received funding from, nor are you owned, controlled, or acting on behalf of the government of any country that is subject to an embargo by the United States, any foreign government official, political party or international organization, and that no foreign government or government official, political party or international organization has any financial interest in the Franchised Business or any monies earned by the Franchised Business.

n. You represent, warrant and agree that you, your officers, directors, managers, members, or partners (as applicable) will each at all times conduct themselves in an ethical manner and avoid any activity that might result in a violation of the U.S. Foreign Corrupt Practices Act, Anti-Terrorism Laws, or any other applicable anti-corruption or bribery laws.

17.2 Additional Information Respecting Franchisee.

a. You have delivered to us or will deliver concurrent herewith, complete and accurate copies of all of your organizational documents, including all partnership agreements,

certificates of partnership, articles of organization, operating agreements, articles or certificates of incorporation, by-laws and shareholder agreements, including all amendments, side letters and other items modifying such documents.

b. Reserved.

State Addenda to Franchise Documents

ADDENDUM TO FRANCHISE DOCUMENTS

(FOR THE STATE OF CALIFORNIA)

This ADDENDUM TO FRANCHISE DOCUMENTS (FOR THE STATE OF CALIFORNIA) ("Addendum") dated _____ ("Addendum Effective Date") to the Franchise Agreement, [as amended], dated _____, and including any and all exhibits attached thereto (individually and collectively, "Franchise Documents") between _____ ("Franchisee") and BQ CONCEPTS, L.L.C., an Arizona limited liability company ("Franchisor") hereby amends the Franchise Documents by the addition of the following language, which shall be considered an integral part of the Agreement. To the extent this Addendum contains terms and conditions that differ from those contained in the Franchise Documents, this Addendum shall control. The parties agree that a concept or principle covered in this Addendum shall apply and be incorporated into all other provisions of the Franchise Documents in which the concept or principle is also applicable, notwithstanding the absence of any specific cross-reference thereto. All capitalized terms not otherwise defined in this Addendum will have the same meanings ascribed to such terms in the Franchise Documents.

1. CALIFORNIA LAW MODIFICATIONS

- A. The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.
- B. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law. (11 U.S.C.A. Sec. 101 et seq.).
- C. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California Law.
- D. The Franchise Documents require application of the laws of the State of Arizona. This provision may not be enforceable under California Law.
- E. Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.
- F. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).
- G. The Franchise Agreement requires binding arbitration. The arbitration will occur at the American Arbitration Association office in Maricopa County, Arizona, or, if our headquarters are no longer located in Maricopa County, Arizona, then the arbitration shall take place in the county in which our headquarters are located at the time the arbitration is commenced, with *all of the costs of the arbitration, including the fees of the arbitrator and the reasonable attorney's fees of the prevailing party* to be paid by the party that did not prevail. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws

(such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

- H. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning transfer, termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.
- I. If the franchisee resides in the State of California or the franchised business is located within the State of California, the venue for any dispute may be within the State of California. Business and Professions Code Section 20040.5 voids restricting a venue to a forum outside California with respect to any claim arising under or relating to a franchise involving a franchise business operating in California.
- J. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the California law applicable to the provision are met independent of this Addendum. This Addendum shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum, the terms and provisions of the Franchise Documents shall remain in full force and effect.

IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party without further consent or approval of any kind, have duly executed and delivered this Addendum as of the Addendum Effective Date.

ADDENDUM TO FRANCHISE DOCUMENTS
(FOR THE STATE OF HAWAII)

This ADDENDUM TO FRANCHISE DOCUMENTS (FOR THE STATE OF HAWAII) ("Addendum") dated _____ ("Addendum Effective Date") to the Franchise Agreement, [as amended], dated _____, and including any and all exhibits attached thereto (individually and collectively, "Franchise Documents") between _____ ("Franchisee") and BQ CONCEPTS, L.L.C., an Arizona limited liability company ("Franchisor") hereby amends the Franchise Documents by the addition of the following language, which shall be considered an integral part of the Agreement. To the extent this Addendum contains terms and conditions that differ from those contained in the Franchise Documents, this Addendum shall control. The parties agree that a concept or principle covered in this Addendum shall apply and be incorporated into all other provisions of the Franchise Documents in which the concept or principle is also applicable, notwithstanding the absence of any specific cross-reference thereto. All capitalized terms not otherwise defined in this Addendum will have the same meanings ascribed to such terms in the Franchise Documents.

1. The Director of the Hawaii Department of Commerce and Consumer Affairs requires that certain provisions contained in franchise documents be amended to be consistent with Hawaii law, including the Hawaii Franchise Investment Law, Hawaii Revised Statutes, Title 26, Chapter 482E-1 through 482E-12 (1988). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. The Hawaii Franchise Investment Law provides rights to you concerning non-renewal, termination and transfer of the Franchise Agreement. If the Franchise Agreement contains a provision that is inconsistent with the Law, the Law will control. Among those rights, the law may require that upon termination or non-renewal Franchisor purchase for fair market value Franchisee's inventory, supplies, equipment and furnishings purchased from Franchisor or a supplier designated by Franchisor; provided that personalized materials which have no value to Franchisor need not be compensated for. If the non-renewal or termination is for the purpose of converting the Franchisee's business to one owned and operated by Franchisor, Franchisor may, additionally, be obligated to compensate the Franchisee for loss of goodwill. Franchisor may deduct all amounts due from Franchisee and any costs related to the transportation or disposition of items purchased against any payment for those items. If the parties cannot agree on fair market value, fair market value shall be determined in the manner set forth in the Franchise Agreement. If the Franchise Agreement does not provide for determination of fair market value of assets for purchase by Franchisor, such amount will be determined by an independent appraiser approved by both parties, and the costs of the appraisal shall be shared equally by the parties.
- b. If the Franchisee is required in the Franchise Documents to execute a release of claims, such release shall exclude claims arising under the Hawaii Franchise Investment Law. Any condition, stipulation or provision binding the Franchisee to waive compliance with any provision of Section 482E-6 of the Hawaii Franchise Investment Law shall be void.

- c. The requirement of a franchisee to purchase or lease goods or services of the franchisor or from designated sources may not be enforceable under Hawaii Franchise Investment law unless it is reasonably necessary for a lawful purpose, and does not substantially affect competition.
- d. The Hawaii Franchise Investment Law prohibits the Franchisor from establishing a similar business or granting a franchise for the establishment of a similar business to that of the Franchisee's within the Franchisee's exclusive territory. To the extent the Franchise Documents contain a provision that is inconsistent with the Act, the Act will control.
- e. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Section 482E-3(a) of the Hawaii Franchise Investment Law requires us to give you a copy of the Franchise Disclosure Document at least 7 calendar days prior to signing the Agreement.

3. The Franchise Documents permits us to terminate the Agreement upon your bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law. (11 U.S.C. §101, et seq.).

4. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Hawaii Franchise Investment Law applicable to the provision are met independent of this Addendum. This Addendum shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum, the terms and provisions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party without further consent or approval of any kind, have duly executed and delivered this Addendum as of the Addendum Effective Date.

INDIANA LAW MODIFICATIONS

1. The Indiana Securities Commissioner requires that certain provisions contained in franchise documents be amended to be consistent with Indiana law, including the Indiana Franchises Act, Ind. Code Ann. §§ 1-51 (1994) and the Indiana Deceptive Franchise Practices Act, Ind. Code Ann. § 23-27 (1985). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. The Indiana Deceptive Franchise Practices Act provides rights to Franchisee concerning non-renewal and termination of the Franchise Agreement. To the extent the Franchise Agreement contains a provision that is inconsistent with the Act, the Act will control.
- b. If the Franchisee is required in the Franchise Documents to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Act, or a rule of order under the Act, such release shall exclude claims arising under the Indiana Deceptive Franchise Practices Act and the Indiana Franchises Act, and such acknowledgements shall be void with respect to claims under the Act.
- c. If the Franchise Agreement contains covenants not to compete upon expiration or termination of the Franchise Agreement that are inconsistent with the Indiana Deceptive Franchise Practices Act, the requirements of the Act will control.

- e. If the Franchise Documents requires litigation/arbitration to be conducted in a forum other than the State of Indiana, the requirement may be unenforceable as a limitation on litigation under the Indiana Deceptive Franchise Practices Act §§ 23-2.2.7(10).

To the extent the Agreement contains a provision that is inconsistent with the Act, the Act will control.
- j. The Indiana Deceptive Franchise Practice Act excludes any indemnification for liability caused by the Franchisee's proper reliance on or use of procedures or materials provided by the Franchisor. To the extent the Agreement contains a provision that is inconsistent with the Act, the Act will control.
- k. If the Franchise Agreement requires goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories or services of comparable quality are available from sources other than those designated by the franchisor, to the extent that such law conflicts with the Indiana Deceptive Franchise Practices Act and the Indiana Franchises Act, the Acts will control. 3. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Indiana Deceptive Practices Act and the Indiana Franchises Act, with respect to each such provision, are met independent of this Addendum. This Addendum shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum, the terms and provisions of the Franchise Documents shall remain in full force and effect.

MARYLAND LAW MODIFICATIONS

1. The Maryland Securities Division requires that certain provisions contained in franchise documents be amended to be consistent with Maryland law, including the Maryland Franchise Registration and Disclosure Law. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:
 - a. The general release required as a condition of assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
 - b. The general release required as a condition of renewal shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
 - c. The Franchise Documents requires litigation to be conducted in the State of Arizona. The Franchise Documents are amended to state that the requirement for litigation to be conducted in a forum other than the State of Maryland shall not be interpreted to limit any rights Franchisee may have to bring suit in the state of Maryland. A Franchisee may file a civil lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of the franchise.
 - d. The Franchise Documents provide that certain disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

- e. Based upon the Franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the Franchisor completes its pre-opening obligations under the Franchise Documents.
- f. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.
- g. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law, with respect to each such provision, are met independent of this Addendum. This Addendum shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum, the terms and provisions of the Franchise Documents shall remain in full force and effect.

IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party without further consent or approval of any kind, have duly executed and delivered this Addendum as of the Addendum Effective Date.

ADDENDUM TO FRANCHISE DOCUMENTS
(FOR THE STATE OF MICHIGAN)

Section 445.1508(1) of the Michigan Franchise Investment Law requires franchisor to give you a copy of the Franchise Disclosure Document earlier of: (i) 10 business days prior to signing the Franchise Agreement; or (ii) 10 business days prior to franchisor's receipt of any consideration.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN THE FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if:
 - (i) The term of the franchise is less than 5 years and
 - (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.
- (j) No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

To the extent this Addendum contains terms and conditions that differ from those contained in the Franchise Documents, this Addendum shall control. The parties agree that a concept or principle covered in this Addendum shall apply and be incorporated into all other provisions of the Franchise Documents in which the concept or principle is also applicable, notwithstanding the absence of any specific cross-reference thereto. All capitalized terms not otherwise defined in this Addendum will have the same meanings ascribed to such terms in the Franchise Documents.

MINNESOTA LAW MODIFICATIONS

1. The Commissioner of Commerce for the State of Minnesota requires that certain provisions contained in franchise documents be amended to be consistent with Minnesota Franchise Act, Minn. Stat. Section 80.01 et seq., and of the Rules and Regulations promulgated under the Act (collectively "Franchise Act"). To the extent that the Franchise Documents and Disclosure Document contain provisions that are inconsistent with the following, such provisions are hereby amended:

- a. Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Any condition, stipulation or provision, including any choice of law provision, purporting to bind any person who, at the time of acquiring a franchise is a resident of this state, or, in the case of a partnership or corporation, organized or incorporated under the laws of this state, or purporting to bind a person acquiring any franchise to be operated in this state to waive compliance or which has the effect of waiving compliance with any provision of sections [80C.01](#) to [80C.22](#) or any rule or order thereunder is void under the Minnesota Franchise Act, Minn. Stat. § 80C.21.
- b. With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- c. Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g). The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names,

logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

- d. Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statutes 1973 Supplement, sections [80C.01](#) to [80C.22](#); provided, that this part shall not bar the voluntary settlement of disputes.
- e. The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- f. The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.
- g. Minnesota limits a service charge not to exceed \$30 for any dishonored check by the payee or holder of the check. See Minn. Rules 604.113.
- h. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Minnesota law applicable to the provision are met independent of this Addendum. This Addendum shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum, the terms and provisions of the Franchise Documents shall remain in full force and effect.

ADDENDUM TO THE FRANCHISE DOCUMENTS
(REQUIRED BY THE STATE OF WASHINGTON)

The state of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Documents in your relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Documents in your relationship with the Franchisor, including the areas of termination and renewal of your Franchise.

1. If any provisions governing termination or non-renewal disclosed herein are inconsistent with Washington law, then Washington law shall apply. The applicable law reads as follows:

Section 19.100.180. Without limiting the other provisions of this chapter, the following specific rights and prohibitions shall govern the relation between the franchisor or subfranchisor and the franchisees:

(2) For the purpose of this chapter and without limiting its general application, it shall be an unfair or deceptive act or practice or an unfair method of competition and therefore unlawful and violation of this chapter for any person to:

(a) Restrict or inhibit the right of the franchisees to join an association of franchisees.

(b) Require a franchisee to purchase or lease goods or services of the franchisor or from approved sources of supply unless and to the extent that the franchisor satisfies the burden of proving that such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds, and do not substantially affect competition: PROVIDED, That this provision shall not apply to the initial inventory of the franchise. In determining whether a requirement to purchase or lease goods or services constitutes an unfair or deceptive act or practice or an unfair method of competition the courts shall be guided by the decisions of the courts of the United States interpreting and applying the anti-trust laws of the United States.

(c) Discriminate between franchisees in the charges offered or made for royalties, goods, services, equipment, rentals, advertising services, or in any other business dealing, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is: (i) Reasonable, (ii) based on franchises granted at materially different times and such discrimination is reasonably related to such difference in time, or is based on other proper and justifiable distinctions considering the purposes of this chapter, and (iii) is not arbitrary. However, nothing in (c) of this subsection precludes negotiation of the terms and conditions of a franchise at the initiative of the franchisees.

(d) Sell, rent, or offer to sell to a franchisee any product or service for more than a fair and reasonable price.

(e) Obtain money, goods, services, anything of value, or any other benefit from any other person with whom the franchisee does business on account of such business unless such benefit is disclosed to the franchisee.

(f) If the franchise provides that the franchisee has an exclusive territory, which exclusive territory shall be specified in the franchise agreement, for the franchisor or subfranchisor

to compete with the franchisee in an exclusive territory or to grant competitive franchises in the exclusive territory area previously granted to another franchisee.

(g) Require franchisee to assent to a release, assignment, novation, or waiver which would relieve any person from liability imposed by this chapter, except as otherwise permitted by RCW [19.100.220](#).

(h) Impose on a franchisee by contract, rule, or regulation, whether written or oral, any standard of conduct unless the person so doing can sustain the burden of proving such to be reasonable and necessary.

(i) Refuse to renew a Franchise Agreement without fairly compensating the franchisee for the fair market value, at the time of expiration of the Franchise Agreement, or the franchisee's inventory, supplies, equipment, and furnishings purchased from the franchisor and good will, exclusive of personalized materials which have no value to the franchisor, and inventory, supplies, equipment and furnishings not reasonably required in the conduct of the franchised business: PROVIDED, that compensation need not be made to a franchisee for good will if: (i) the franchisee has been given one year's notice of nonrenewal; and (ii) the franchisor agrees in writing not to enforce any covenant which restrains the franchisee from competing with the franchisor: PROVIDED FURTHER, that a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to franchisor.

(j) Terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include, without limitation, the failure of the franchisee to comply with lawful material provisions of the franchise or other agreement between the franchisor and the franchisee and to cure such default after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such default, or if such default cannot reasonably be cured within thirty days, the failure of the franchisee to initiate within thirty days substantial and continuing action to cure such default: PROVIDED, that after three willful and material breaches of the same term of the Franchise Agreement occurring within a twelve month period, for which the franchisee has been given notice and an opportunity to cure as provided in this subsection, the franchisor may terminate the Franchise Agreement upon any subsequent month period without providing notice or opportunity cure: PROVIDED FURTHER, that a franchisor may terminate a Franchise Agreement without prior notice or opportunity to cure a default if the franchisee: (i) is adjudicated bankrupt or insolvent; (ii) makes an assignment for the benefit of creditors or similar disposition of the assets of the franchised business; (iii) voluntarily abandons the franchised business; or (iv) is convicted of or pleads guilty or no contest to a charge of violating any law relating to the franchised business. Upon termination for good cause the franchisor shall purchase from the franchisee at a fair market value at the time of termination, the franchisee's inventory and supplies, exclusive of: (i) personalized materials which have no value to the franchisor; (ii) inventory and supplies not reasonably required in the conduct of the franchised business; and (iii) if the franchisee is to retain control of the premises of the franchised business, any inventory and supplies not purchased from the franchisor or on his express requirement: PROVIDED, that a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to the franchisor."

(k) No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the State of Washington or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

3. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

4. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

5. Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.

Each provision of this Addendum to Franchise Documents shall be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independent of this Addendum. This Addendum to Franchise Documents shall have no force or effect if such jurisdictional requirements are not met. Except as set forth in this Addendum to Franchise Documents, the terms and provisions of the Franchise Documents shall remain in full force and effect.

IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party without further consent or approval of any kind, have duly executed and delivered this Addendum to the Franchise Documents on _____.

THE PARTIES AGREE THAT ALL DISPUTES ADMITTED TO THE COURT PURSUANT TO THIS SECTION 12 SHALL BE TRIED TO THE COURT SITTING WITHOUT A JURY, NOTWITHSTANDING ANY STATE OR FEDERAL CONSTITUTIONAL OR STATUTORY RIGHTS OR PROVISIONS.

NOW, THEREFORE, in consideration of the foregoing and of the representations, terms, covenants, conditions and agreements set forth in this Agreement and intending to be legally bound, the Parties hereby agree as follows:

Agreement

1. **Definition of Confidential Information.** "Confidential Information" includes, without limitation, knowledge and information which Franchisee knows, or should reasonably know, which Franchisor regards as confidential concerning: (i) formulation, ingredients, raw materials, recipes, and food preparation processes for proprietary products, non-proprietary products, collateral logo merchandise or other items or services that Franchisor permits Franchisee to sell at or from the Franchised Business; (ii) Franchisor's supply relationships, inventory requirements and control procedures; (iii) pricing, sales, profit performance or other results of operations of any and all *Barrio Queen* restaurants, including the Franchised Business; (iv) demographic data for determining sites and territories; (v) the results of customer surveys and promotional programs; and (vi) in general, business methods, trade secrets, specifications, customer data, cost data, procedures, information systems and knowledge about the operation of *Barrio Queen* restaurants or the *Barrio Queen* System, whether it is now known or exists or is acquired or created in the future, and whether or not the information is included in the Confidential Manual or Franchisor expressly designates the information as confidential. Confidential Information does not include information which the undersigned can demonstrate came to his or her attention independent of entering into this Agreement and information that Franchisor agrees is, or has become, generally known in the public domain, except where

public knowledge is the result of the undersigned's wrongful disclosure (whether or not deliberate or inadvertent).

2. **Non-Disclosure of Confidential Information.**

a. The undersigned agrees not to possess, obtain, or seek to obtain, either directly or indirectly, any Confidential Information from any person or other source, unless authorized in writing by Franchisor. If the undersigned does possess, or comes to possess, any Confidential Information, the undersigned shall immediately notify Franchisor of that fact and return the Confidential Information, and all copies and portions thereof, to Franchisor.

b. The undersigned agrees not to disclose, duplicate, sell, reveal, divulge, publish, furnish or communicate, either directly or indirectly, any Confidential Information to any other person, firm or entity, unless authorized in writing by Franchisor.

c. The undersigned agrees not to use any Confidential Information for his or her own personal gain or to further the purposes of others, whether or not the Confidential Information has been conceived, originated, discovered or developed, in whole or in part, by the undersigned or represents the undersigned's work product. To the extent the undersigned has assisted in the preparation of any information that Franchisor considers Confidential Information or has prepared or created such information by himself or herself, the undersigned hereby assigns any rights that he or she may have in such information as creator to Franchisor, including all ideas made or conceived by the undersigned.

d. The undersigned acknowledges that the use, publication or duplication of the Confidential Information for any purpose not authorized by this Agreement constitutes an unfair method of competition by the undersigned.

e. The provisions of this Section 2 shall apply forever, surviving the expiration or termination of all contracts between Franchisor and Franchisee.

f. The provisions concerning non-disclosure of Confidential Information shall not apply if disclosure of Confidential Information is legally compelled in a judicial or administrative proceeding, provided the undersigned shall have used his or her best efforts, and shall have afforded Franchisor the opportunity, to obtain an appropriate protective order or other assurance satisfactory to Franchisor of confidential treatment for the information required to be disclosed. If the undersigned is required to disclose Confidential Information, whether in whole or in part, to any third party pursuant to a subpoena or a court or agency order, the undersigned agrees to only disclose the minimum amount of Confidential Information required to be disclosed.

3. **Agreements Regarding Competition.**

a. For as long as Franchisee is a party to any franchise agreement with Franchisor, the undersigned agrees that he or she shall not, directly or indirectly, own (neither beneficially nor of record), engage in or render services to, whether as an investor, partner, lender, director, officer, manager, employee, consultant, representative or agent, any Competing Business (as defined in *Section 3.f* below); provided, however, the restrictions stated in this paragraph shall not apply to the undersigned after two (2) years from the date that the undersigned ceases to be a spouse of the Franchisee or spouse of an employee, officer, director, member, manager, partner or owner of an interest in the equity or voting interests of Franchisee or otherwise associated in any capacity with Franchisee.

b. For a period of two (2) years after expiration or termination of the last franchise agreement between Franchisee and Franchisor, it shall be a breach of this Agreement for the undersigned to directly or indirectly, own, engage in or render services to, whether as an investor, partner, lender, director, officer, manager, employee, consultant, representative or agent, any Competitive Business; provided, however, the restrictions stated in this paragraph shall not apply to the undersigned after two (2) years from the date that the undersigned ceases to be a spouse of the Franchisee or spouse of an employee, officer, director, member, manager, partner or owner of an interest in the equity or voting interests of Franchisee or otherwise associated in any capacity with Franchisee.

c. The undersigned may engage in any activities not expressly prohibited by this Agreement. However, in connection with permitted activities, the undersigned shall not (i) use the Confidential Information or any of *Barrio Queen* intellectual property including without limitation, any and all rights currently existing or that may come into being which Franchisor or Franchisor's affiliates now own or later acquire in *Barrio Queen* trademarks, proprietary products and/or Confidential Information arising under any patent, trade secret, copyright, trade dress, design protection, database protection, trademark, or similar laws of the United States or any other country in which Franchisor or its affiliates operate (collectively "Barrio Queen Intellectual Property"); (ii) engage in any conduct or activity which suggests or implies that Franchisor endorses, or authorizes, the undersigned's activities; or (iii) induce any person to engage in conduct prohibited by this Agreement.

d. The undersigned acknowledges that the covenants regarding competition are independent of the other covenants and provisions of this Agreement. If any provision regarding competition is void or unenforceable under any applicable law, but would be enforceable as written or as modified under the laws of the state in which the Franchised Business is located (the "Local Laws"), the parties agree that the Local Laws shall govern any dispute concerning or involving the construction, interpretation, validity or enforcement of the provisions regarding competition. Franchisee expressly authorizes Franchisor to conform the scope of any void or unenforceable covenant in order to conform it to the Local Laws.

e. For purposes of this *Section 3*, "Barrio Queen System" means, collectively, all of the distinctive business methods, proprietary products, Confidential Information and *Barrio Queen* Intellectual Property which Franchisor now or in the future authorizes or requires Franchisee to use as a condition of the Franchise Agreement, as Franchisor may modify in its sole discretion at any time.

f. For purposes of this *Section 3*, "Competing Business" means a business which is primarily engaged in the sale of Mexican food within a geographical area consisting of: (1) for as long as Franchisee is a party to any Franchise Agreement with Franchisor, anywhere including the location of the Franchised Business; and (2) after expiration or termination of the last franchise agreement between Franchisee and Franchisor, within a ten (10) mile radius from the location of the Franchised Business or location of any *Barrio Queen* restaurant of Franchisor, Franchisor's third-party licensees or Franchisor's third-party franchisees. The term "*Barrio Queen* restaurant" includes not only the restaurants now in existence, but also those established at a later date. The term of this covenant will be extended by any time consumed in litigation to enforce it in both trial and appellate courts. If a court of competent jurisdiction determines that the restrictions in this paragraph are excessive in time, geographic scope, or otherwise, the court may reduce the restriction to the level that provides the maximum restriction allowed by law.

g. For purposes of this *Section 3*, “Confidential Manual” refers collectively to all of the confidential operations manuals, recipe manuals, operations guides and other instructions loaned or delivered to the Franchisee during the term of the Franchise Agreement, which may be memorialized in written or electronic format, now existing and hereinafter developed, and which may be modified periodically to reflect changes in the *Barrio Queen* System.

4. **Interference.**

The undersigned agrees not to, directly or indirectly, for himself or herself or on behalf of any other person: divert, or attempt to divert, any business or customer of any *Barrio Queen* restaurant to any competitor by direct or indirect inducement or perform any act which directly or indirectly could, or may, injure or prejudice the goodwill and reputation of *Barrio Queen* Intellectual Property or *Barrio Queen* System.

5. **Irreparable Harm to Franchisor.**

The undersigned understands and agrees that if the undersigned breaches or threatens to breach any of his or her obligations under this Agreement, Franchisor will be irreparably harmed and an award of monetary damages alone would be inadequate. Therefore, the undersigned agrees that Franchisor shall be entitled to seek equitable relief, including, without limitation, temporary, preliminary and permanent injunctive relief and specific performance for any actual or threatened breach by the undersigned, his or her affiliates or their respective officers, directors, shareholders, employees or agents. The remedies provided under this *Section 5* shall be in addition to and not exclusive of any other right or remedy available to Franchisor under this Agreement or otherwise, including, without limitation, an award of attorneys’ fees, expert witness fees and costs incurred by Franchisor or its affiliates in connection with any dispute arising from or related to this Agreement.

6. **Validity; Conformity With Applicable Law.**

Wherever possible, each provision of this Agreement shall be interpreted in a manner as to be valid under applicable law, but if any provision of this Agreement shall be invalid or prohibited thereunder, the provision shall be ineffective only to the extent of the prohibition or invalidity without invalidating the remainder of this Agreement.

7. **Miscellaneous.**

a. *Waiver.* Any waiver granted to the undersigned by Franchisor excusing or reducing any obligation or restriction imposed under this Agreement shall be evidenced by a writing executed by Franchisor in order to be effective and shall only be effective to the extent specifically allowed in such writing. No waiver granted by Franchisor shall constitute a continuing waiver. Any waiver granted by Franchisor shall be without prejudice to any other rights Franchisor may have. The rights and remedies granted to Franchisor are cumulative. No delay on the part of Franchisor in exercising any right or remedy shall preclude Franchisor from fully exercising such right or remedy or any other right or remedy.

b. *Entire Agreement; Amendment.* This Agreement sets forth the entire agreement made by the undersigned pertaining to the subject matter hereof, fully superseding any and all prior agreements or understandings that may exist between the undersigned and the Franchisor pertaining to such subject matter. No amendment, change, modification or variance to or from the

terms and conditions set forth in this Agreement shall be binding on the undersigned unless it is set forth in writing and duly executed by the undersigned and Franchisor.

c. This Agreement shall be binding on the undersigned's heirs, executors, successors and assigns as though originally executed by such persons.

d. *Notices.* All notices permitted or required under this Agreement shall be in writing and shall be delivered by personal delivery, courier, such as FedEx® or UPS®, or by U.S. Mail, sent certified or registered mail, return receipt requested, to the address set forth in the first paragraph of this Agreement, with a courtesy copy sent via email or facsimile (to the address set forth on the signature page below) for the respective Party to be noticed, which address may be amended from time to time pursuant to the terms of this *Section 7.d*. Notices provided under this *Section 7.d* shall be deemed received upon personal delivery or delivery by courier and within five (5) days after deposit in the U.S. Mail.

e. *Governing Law and Venue.* This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona without reference to conflict of laws principles. Except for actions seeking injunctive relief (which may be brought in any appropriate jurisdiction) suit under this Agreement shall only be brought in the state or federal courts located in Maricopa County, Arizona. This choice of jurisdiction and venue is intended by the Parties to be mandatory and not permissive in nature, and to preclude the possibility of litigation between the Parties with respect to, or arising out of, this Agreement in any jurisdiction other than as specified in this *Section 7.e*. **COLLATERAL ASSIGNMENT AND
IRREVOCABLE SPECIAL POWER OF ATTORNEY**

This COLLATERAL ASSIGNMENT AND IRREVOCABLE SPECIAL POWER OF ATTORNEY ("Assignment") is entered into on _____ ("Effective Date") in accordance with the terms of that certain Franchise Agreement dated _____ [, as amended] ("Franchise Agreement") by and between _____, a(n) _____ ("Franchisee") and BQ CONCEPTS, L.L.C., an Arizona limited liability company ("Franchisor"), executed concurrently with this Assignment and under which Franchisor granted Franchisee the right to own and operate a *Barrio Queen* restaurant located at _____ ("Restaurant").

FOR VALUE RECEIVED, Franchisee hereby assigns to Franchisor, its affiliates, subsidiaries, successors and assigns, all of Franchisee's right, title and interest in and to: (i) the "Telephone Numbers and Listings" which include those certain telephone numbers and regular, yellow-pages, special, classified or other telephone directory listings used at any time in connection with the operation of the Restaurant; (ii) any website page or social media addresses and accounts, including, but not limited to, a Facebook® page, Instagram® account, or Twitter® account that contains any term or any mark confusingly similar to a trademark or other intellectual property owned or licensed by Franchisor; and (iii) any corporation, limited liability company, partnership, or other entity name or trade name filed or formed by Franchisee that contains any trademark or other intellectual property owned or licensed by Franchisor (each an "Entity Name"). This Assignment is for collateral purposes only, and except as specified herein, Franchisor shall have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment unless Franchisor shall notify the (i) telephone company and/or the listing agencies with which Franchisee has placed telephone directory listings (all such entities are collectively referred to herein as the "Telephone Company"); (ii) webmaster/webhost for the website or social media account; and (iii) Secretary of State, Corporation Commission or other state government agency that handles the filing of entity formation documents, to effectuate the assignment pursuant to the terms hereof.

Franchisee hereby appoints Franchisor as his/her/its attorney-of-fact and grants Franchisor an irrevocable Special Power of Attorney, coupled with an interest, with full power and authority for the purpose of executing documents or taking such action as necessary or appropriate as Franchisee might or could do if personally present, hereby ratifying all that Franchisor, as Franchisee's attorney-in-fact, shall lawfully do or cause to be done by virtue of this Special Power of Attorney to obtain, protect, maintain or enforce Franchisor's intellectual property rights if Franchisor is, for any reason, unable to obtain Franchisee's cooperation or assistance. The Special Power of Attorney granted by this Assignment, shall survive the dissolution, death, incompetence or disability of Franchisee and the termination or expiration of the Franchise Agreement or this Assignment.

Upon (i) termination of the Franchise Agreement for any reason, or (ii) expiration of the Franchise Agreement without renewal or extension, Franchisor shall have the right and is hereby empowered to effectuate the assignment of the Telephone Numbers and Listings, website and/or social media account, and Entity Name. In such event Franchisee shall have no further right, title or interest in the Telephone Numbers and Listings or the website and/or social media account, and shall remain liable to the Telephone Company for all past due fees and charges owing to the Telephone Company on or before the effective date of the assignment hereunder.

Franchisee agrees and acknowledges that as between Franchisor and Franchisee, Franchisor shall have the sole right to and interest in the Telephone Numbers and Listings,

Upon such event Franchisee shall immediately instruct the (i) Telephone Company to assign the Telephone Numbers and Listings to Franchisor; the webmaster/webhost to assign the website and/or social media account to Franchisor; and (iii) state government agency to allow Franchisor to file the necessary documents to change the Entity Name. If Franchisee fails to promptly direct the (i) Telephone Company to assign the Telephone Numbers and Listings to Franchisor; (ii) webmaster/webhost to assign the website or social media account(s) to Franchisor; and/or (iii) file the necessary documents with the appropriate state government agency to remove Franchisor's trademarks or other intellectual property from the Franchisee's Entity Name, Franchisor shall direct the appropriate parties to effectuate the assignment contemplated hereunder to Franchisor.

The parties agree that the Telephone Company, webmaster/webhost, and appropriate state government agency may accept Franchisor's written direction, the Franchise Agreement or this Assignment as conclusive proof of Franchisor's exclusive rights in and to the Telephone Numbers and Listings, website and/or social media accounts, and Franchisor's authority to file the necessary documents to remove Franchisor's trademark or other intellectual property from the Entity Name and that such assignment shall be made automatically and effective immediately upon Telephone Company's, webmaster's/webhost's or state government agency's receipt of such notice from Franchisor or Franchisee. The parties further agree that if the Telephone Company, webmaster/webhost, or state government agency requires that the parties execute an assignment form or other documentation at the time of termination or expiration of the Franchise Agreement Franchisor's execution of such forms or documentation on behalf of Franchisee shall effectuate Franchisee's consent and agreement to the assignment. The parties agree that at any time after the date hereof they will perform such acts and execute and deliver such documents as may be necessary to assist in or accomplish the assignment described herein upon termination or expiration of the Franchise Agreement.

IN WITNESS WHEREOF, each party hereto, by and through its respective representative with full rights, power and authority to enter into and bind his or her respective party, without further consent or approval of any kind, has duly executed and delivered this Assignment as of the Effective Date.

**Required Lease Terms
(Lease Addendum to Lease Agreement)**

REQUIRED LEASE TERMS

The Terms and Conditions in the attached Lease Addendum to Lease Agreement (“Lease Addendum”) must be included in the Franchisee’s Lease for the location of the Franchised Business via execution of the attached Lease Addendum or through modifications to the actual Lease

LEASE ADDENDUM TO LEASE AGREEMENT

(“Lease Addendum”)

Dated: _____, 20__

between

_____ and _____
(Landlord Name) (Tenant Name)

(Address of “Premises”)

1. Use of Premises.

During the term of the Lease, the Premises may be used only for the operation of a restaurant under the *Barrio Queen* system, trademarks, trade names, and logos, which specialize in the sale of authentic Southern Mexican food and beverages, and any other items sold under the *Barrio Queen* system. Landlord consents to Tenant’s use of such trademarks, trade names, logos, tag lines, signs, décor items, color schemes, and related components of the *Barrio Queen* franchise system as BQ Concepts, L.L.C., franchisor of the *Barrio Queen* brand (“Franchisor”), or any of its affiliates, may prescribe for *Barrio Queen* franchisees and which may be altered or changed by Franchisor from time to time.

2. Assignment and Notices.

a. Notwithstanding anything to the contrary in the Lease, Tenant shall have the right to assign the Lease and all amendments thereto, as applicable, including this Lease Addendum (collectively, “Lease”), and all rights hereunder to Franchisor or any of its affiliates, or to a third-party *Barrio Queen* franchisee approved by Franchisor upon the expiration or termination of the current franchise agreement by and between Franchisor and Tenant (“Franchise Agreement”), without obtaining Landlord’s consent and without the imposition of any assignment fee or similar charge. Landlord shall not accelerate the rent owed hereunder in connection with such assignment(s), so long as Franchisor, its affiliate(s) or its third-party franchisee(s) assumes in writing the obligations of Tenant under the Lease. Nothing in this Section 2.a shall serve to extend the term of the Lease or provide Franchisor any occupancy rights, options to renew or other rights not expressly set forth to Tenant in the Lease.

b. Landlord agrees to furnish Franchisor with copies of any and all letters and notices to Tenant pertaining to the Lease and the Premises at the same time that such letters and notices are sent to Tenant. Landlord further agrees that, if it intends to terminate the Lease, the Landlord will give Franchisor the same advance written notice of such intent as provided to Tenant, specifying in such notice all defaults that are the cause of the proposed termination. Franchisor shall have the right to cure, at its sole option, any such default within the time periods granted to Tenant under the Lease. If neither Tenant nor Franchisor cures all such defaults within said time periods (or such longer cure periods as may be specifically permitted by the Lease), then the Landlord may terminate the Lease, re-enter the Premises and/or exercise all other rights as set forth in the Lease.

c. Prior to the expiration or termination of the Lease, Franchisor shall have the right to enter the Premises to make any reasonable modifications or reasonable alterations

necessary to protect Franchisor's interest in the *Barrio Queen* brand and its trademarks, trade names, logos, tag lines, signs, décor items, color schemes, and related components of the *Barrio Queen* franchise system, or to cure any default under the Lease, and Landlord and Tenant agree that Franchisor shall not be liable for trespass or any other crimes or tort.

3. Notices.

All notices and demands required to be given hereunder shall be in writing and shall be sent by personal delivery, expedited delivery service, certified or registered mail, return receipt requested, first-class postage prepaid, email or facsimile (provided that the sender confirm the facsimile by sending an original confirmation copy by certified transmission), to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other parties.

Any notices given by email or facsimile shall be deemed given on the business day of transmission, provided confirmation is made as provided above. Any notice sent by expedited delivery service or registered or certified mail shall be deemed given three (3) business days after the time of mailing. Any change in the foregoing addresses shall be effected by giving fifteen (15) days' written notice of such change to the other parties.

4. **Amendments.**

Landlord and Tenant will not amend, renew, extend or otherwise modify the Lease in any manner which would materially affect any of the provisions in this Lease Addendum without Franchisor's prior written consent.

5. **Right of First Refusal.**

Landlord and Tenant agree that should Landlord and Tenant desire to terminate the Lease prior to the scheduled expiration date, Landlord will notify Franchisor of the proposed termination not less than thirty (30) days in advance of the proposed termination date.
