You will operate a quick-service restaurant specializing in the sale of fried chicken, seafood and other quick service food under the name "Popeyes Louisiana Kitchen" ("Franchised Restaurant").

The total investment necessary to begin operation of a Popeyes Louisiana Kitchen franchised business, exclusive of real estate costs, is between \$1,188,500 and \$3,875,700 for a new free-standing facility, and between \$471,000 and \$1,900,700 for a new in-line facility. This includes a franchise fee of up to \$50,000 for each Franchised Restaurant that must be paid to us. You may be eligible to sign a Development Agreement to develop more than one Franchised Restaurant pursuant to a Development Schedule, in which case you will pay to us \$50,000 multiplied by the number of Franchised Restaurants you must develop and have open for business. At that time, you must also pay us between \$5,000 and \$20,000. If you sign a Multiple Target Reservation Agreement, you must pay to us a deposit of \$25,000 multiplied by the number of Franchised Restaurants you must develop and have open for business. At that time, you must also pay us between \$1,000 and \$2,500.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risk(s) to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The Franchise Agreement and Development Agreement require you to resolve disputes with the franchisor by litigation in Florida. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to litigate with the franchisor in Florida than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

NOTICE MANDATED BY SECTION 8 OF
MICHIGAN'S FRANCHISE INVESTMENT ACT

The following is applicable to you if you are a Michigan resident or your franchise will be located in Michigan.

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

If the franchisee has any questions regarding this notice, those questions should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Attn.: Franchise, 525 West Ottawa Street, Lansing, Michigan 48913, telephone: (517) 373-7117.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor and its Parents

To simplify the language in this disclosure document, “Popeyes,” “we” “our” or “us” means Popeyes Louisiana Kitchen, Inc. (“PLK”), the franchisor of the Popeyes Louisiana Kitchen restaurant system (“System” or “Popeyes System”). “You” or “your” means the person or legal entity who buys the franchise. If you are any type of a legal entity, certain provisions of this disclosure document also apply to your owners and will be noted.

We were formed as a Minnesota corporation on July 27, 1992 under the name America’s Favorite Chicken Company. We changed our name to AFC Enterprises, Inc. on October 7, 1996 and to Popeyes Louisiana Kitchen, Inc. on January 17, 2014. We do business under our corporate name and under the names “Popeyes Chicken & Biscuits” and “Popeyes Louisiana Kitchen” (as well as related trademarks and service marks). Since 2009, we have been transitioning the name of the restaurants in the Popeyes System from “Popeyes Chicken & Biscuits” to “Popeyes Louisiana Kitchen”. Some restaurants may continue to operate under the name “Popeyes Chicken & Biscuits” for a period of time during which a reasonable transition of signage to the name “Popeyes Louisiana Kitchen” is expected to occur. In this disclosure document we refer to Popeyes Chicken & Biscuits restaurants and Popeyes Louisiana Kitchen restaurants as “Restaurants” or “Popeyes Restaurants”. We have operated and franchised Popeyes Restaurants since November 5, 1992. Since December 2004, we have not conducted business or offered franchises in any other line of business. Our agents for service of process in various states are listed in **Exhibit A**. Our principal business address is 5707 Blue Lagoon Drive, Miami, Florida 33126.

The first Popeyes Restaurant opened in New Orleans, Louisiana in 1972 and our predecessors began selling franchises for Popeyes Restaurants in 1976. We do not otherwise conduct any businesses except as described above. Except as disclosed in this Item 1, we have no affiliates, predecessors or parents that we are required to disclose in this disclosure document.

In March 2017 we were acquired by Orange, Inc., a Minnesota corporation, which merged into our company. We are an indirect subsidiary of Restaurant Brands International Limited Partnership, a limited partnership organized under the laws of the Province of Ontario (“RBILP”). The general partner of RBILP is Restaurant Brands International Inc., a Canadian corporation (“RBI”). The principal place of business of RBILP and RBI is 130 King Street West, Suite 300, Toronto, Ontario M5X 1E1, Canada. 3G Restaurant Brands Holdings, L.P., a Cayman Islands limited partnership, (“3G Restaurant Brands Holdings”) owns the largest percentage of the combined voting power of RBI (approximately 28%). 3G Restaurant Brand Holdings’ general partner is 3G Restaurant Brands Holdings General Partner Ltd., a Cayman Islands exempted company (“3G Restaurant Brands Holdings GP”). 3G Restaurant Brands Holdings and 3G Restaurant Brands Holdings GP are each located at c/o 3G Capital, Inc., 600 Third Avenue, 37th Floor, New York, New York 10016.

Popeyes Restaurants

Popeyes Restaurants are quick service restaurants offering a limited menu of lunch and dinner products, and in certain Popeyes Restaurants approved by us, breakfast products. Popeyes distinguishes itself with a unique “Louisiana” style menu that features fried chicken, chicken tenders, biscuits, fried shrimp and other seafood, red beans and rice and other quick-service menu items. Popeyes Restaurants are located in many different communities and different locations within communities including free-standing buildings, store-front locations, and mall locations, in urban and suburban locations. A Popeyes Restaurant may feature a walk-in format, drive-thru, sit-down, takeout, delivery, or some combination of these types of formats, with our approval. Over the years we have offered multiple images for our Popeyes Restaurants. The current approved image is the NOLA Makers image.

The Franchise

You may become a Franchisee either by developing a new Popeyes Restaurant or by purchasing an existing Popeyes Restaurant. You must meet all of our requirements to be approved by us to become a franchisee or expand within the Popeyes Louisiana Kitchen® System in North America. You must sign a Target Reservation Agreement (“TRA”) (a copy of the current form is attached as **Exhibit C1**) to develop one Popeyes Restaurant or a Multiple Target Reservation Agreement (“MTRA”) (a copy of the current form is attached as **Exhibit C2**) to develop more than one Popeyes Restaurants.

We may permit you to open multiple Popeyes Restaurants within a defined area we refer to as a “Territory” under a Development Agreement (“Development Agreement”), in the form attached at **Exhibit C3**. Under a Development Agreement, you must make a commitment to sign separate Franchise Agreements for, and open, the number and type of Popeyes Restaurants that we agree upon in the Territory according to a Development Schedule during the term of the Development Agreement. You must sign the current form of Franchise Agreement that we are using at the time we require you to sign the Franchise Agreement for each Popeyes Restaurant opened under a Development Agreement. Under a Development Agreement, only traditional Popeyes Restaurants and certain non-traditional in-line and food court Popeyes Restaurants count towards your development obligations.

For each Popeyes Restaurant that you develop under a Development Agreement, a TRA or an MTRA, you will sign our then-current form of Popeyes Louisiana Kitchen Franchise Agreement. The terms of these agreements may differ from the form attached to this Disclosure Document.

Our current form of Franchise Agreement is attached as **Exhibit D**. Under the Franchise Agreement, we grant you the right (and you accept the responsibility) to establish and operate a Franchised Restaurant for the full term of the Franchise Agreement. You must operate the Franchised Restaurant under the “Popeyes Louisiana Kitchen” name and under the Popeyes System, which includes our business and

operating procedures, as described in our Brand Standards Manual, our Standard Operating Procedures Library, and such other operating standards, specifications, procedures and techniques that we may prescribe from time to time (collectively, whether made available to you via electronic communication (including the internet) or via hard copy, and all amendments and updates, the “Manual”).

You may be eligible to pay reduced franchise fees, royalty or advertising contribution if you qualify for one of our development incentive programs described in Item 5. Our Development Incentive Program Addenda are attached as **Exhibits G1 and G2**. Also See Item 6 for additional information.

In most cases, you must secure control of the property where your Popeyes Restaurant will be located by either leasing or subleasing the property or purchasing it. In some cases Popeyes may lease or sublease the property where the Popeyes Restaurant will be located.

You must meet our then-current operational, financial, credit, legal and other criteria for the development and operation of a Popeyes Restaurant before you can sign a Development Agreement, TRA or MTRA and at all times during the term of the Development Agreement, TRA or MTRA, including at the time of development of a Popeyes Restaurant under any of these agreements. You must obtain our acceptance for any site on which you propose to construct a new Popeyes Restaurant under the Development Agreement, TRA or MTRA in accordance with our then-current standards for site acceptance. You must then construct, equip and furnish the Popeyes Restaurant at the approved site in accordance with plans and specifications approved by us.

The General Market and the Competition

The customer base for the quick-service restaurant market includes the total population; however, the population age group between 18 and 54 years of age averages the greatest frequency of patronage of quick service food establishments. There is a clearly established market for quick service food prepared away from home. In general, the quick-service restaurant business is highly competitive. Changes in taste and eating habits of the public, local and national economic conditions, population and traffic patterns affect the restaurant business and are generally unpredictable.

The principal basis of competition in the industry is the quality and price of the food products offered, but name identification, site location, quality and speed of service, consistency, advertising and attractiveness of facilities are also important factors. You should expect to compete with other quick service food, carry-out, delivery and even sit-down restaurants that feature chicken, seafood and related menu items similar to those offered at Popeyes Restaurants. You will also compete with restaurants and quick service food outlets that offer other types of chicken and seafood entrées and other foods to be eaten at those restaurants, delivered or taken out by the consumer. Through our affiliates, we may operate other third-party franchise concepts in combination with our own. You may also encounter competition from other Popeyes Restaurants that we or our franchisees operate.

Some of these competitors may be in close proximity to your Franchised Restaurant and may have greater financial resources, larger advertising budgets and more national (or local) recognition than we have. In addition, competition for management and other operating personnel and for sites is intense within the industry.

Industry-Specific Laws and Regulations

We are not aware of any laws applicable to a Popeyes Restaurant that would not apply to restaurant businesses generally. You will be required to comply with all local, state and federal laws and regulations applicable to the operation of your Franchised Restaurant, including: labor and employment laws and regulations; health, sanitation, food handling, food preparation, and waste disposal laws and regulations; smoking restrictions; and advertising and point-of-sale disclosures, such as statements concerning the

nutritional and dietary characteristics of the food served at your Franchised Restaurant. There are other laws and regulations applicable to businesses generally (such as the Americans with Disabilities Act) with which you must comply. You must also comply with Payment Card Industry Data Security Standards and data privacy laws. You must also comply with all provisions of the USA Patriot Act and Executive Order 13224. You must also obtain all real estate permits, licenses and operational licenses. Your business is subject to state and federal regulations that allow the government to restrict travel and/or require businesses to close or limit operations during state or national emergencies.

You should consult with your attorney concerning all laws, regulations and standards that may affect your restaurant operations.

ITEM 3 LITIGATION

Pending litigation:

Pinnacle Foods of California, LLC v. Popeyes Louisiana Kitchen, Inc., (Case No. 20STCV49914), Superior Court of the State of California for the County of Los Angeles, filed on December 31, 2020 removed on March 5, 2021 to the United States District Court for the Central District of California. (case no. 2:21-cv-02050) and transferred to the United States District Court for the Southern District of Florida (case no. 1:21-cv-21555).

Plaintiff filed a complaint against Popeyes alleging: breach of Development Agreement; breach of the implied covenant of good faith and fair dealing for Popeyes' alleged failure to evaluate and approve sites under the Development Agreement and for Popeyes' alleged termination of the Development Agreement; violation of Cal. Bus. & Prof. Code § 20020; and violation of Cal. Bus. & Prof. Code § 17200. The claims arise from Plaintiff's belief that Popeye's improperly refused to approve development locations and that Popeyes improperly terminated the Development Agreement for the Bakersfield and Fresno, CA markets. On March 5, 2021, Popeyes removed the case to federal court. Upon a motion by Popeyes, the case was transferred to the U.S. District Court for the Southern District of Florida. On May 20, 2021, Popeyes filed its answer and affirmative defenses. Plaintiff filed its Second Amended Complaint on April 26, 2022, on which date Popeyes filed a motion to dismiss the Second Amended Complaint. On June 23, 2022, Pinnacle filed a motion seeking leave to file a third amended complaint. Popeyes opposed the motion. On August 25, 2022, Pinnacle filed a motion requesting that all pending deadlines and trial be continued for three months. The motion was granted. On August 30, 2022, Popeyes' Rule 30(b)(6) corporate representative deposition was taken. At Plaintiff's request, a discovery hearing took place on October 4, 2022, at which the Court ruled, for the most part, in Popeyes' favor. The Court gave the Plaintiff leave to file a motion for spoliation sanctions. The Court dismissed the claims against RBI because there was a lack of personal jurisdiction. The court also dismissed three out of the four causes of action asserted against Popeyes. The Court granted Plaintiff leave to file a motion seeking leave to file yet another amended complaint. On March 8, 2023, the Court granted in part and denied in part Plaintiff's motion to amend. The Court permitted Plaintiff to file an amended complaint to add a breach of contract claim, and one claim for breach of the implied covenant of good faith and fair dealing, but did not permit a second implied covenant claim to be filed. Plaintiff filed its Third Amended Complaint on March 9, 2023, alleging breach of contract for PLK's alleged refusal to consider sites submitted by Plaintiff and for breach of the implied covenant of good faith and fair dealing, alleging that PLK improperly utilized its expansion policy. On March 22, 2023, Popeyes responded to the Third Amended Complaint. On April 20, 2023, both parties filed motions for summary judgment. On April 24, 2023, Plaintiff agreed to pay Popeyes \$59,000.00 in connection with the fees and costs Popeyes incurred in connection with its defense of Plaintiff's motion for spoliation sanctions. Summary judgment briefing has closed and the parties are currently working on pre-trial documents such as jury instructions. Plaintiff also filed a motion in limine which Popeyes opposed, and Popeyes filed a motion to have facts asserted by Popeyes in support of its motion for summary judgment deemed admitted, which has been opposed by Plaintiff. The above-described motion for summary judgment and related motions remain pending.

Arrington v. Burger King Worldwide, Inc., (Case No. 18-24128-CV-MARTINEZ/AOR), United States District Court for the Southern District of Florida, filed on March 15, 2019.

In October 2018 and November 2018, four separate class action complaints; Jarvis Arrington v. Burger King Worldwide and Burger King Corporation, (Case No. 1:18-cv-24128-JEM), Monique Michel v. Restaurant Brands International, Inc., Burger King Worldwide Inc., and Burger King Corporation, (Case No. 1:18-cv-24304-JEM), Geneva Blanchard and Tiffany Miller v. Burger King Corporation and Burger King Worldwide, Inc., (Case No. 1:18-cv-24576 – SCOLA/TORRES), and Sandra Munster v. Restaurant Brands International Inc., Burger King Worldwide, Inc. and Burger King Corporation, (Case No. 1:18-cv-

24623 – RNS) were filed against BK Corporation (“BK Corporation”) and various BK Corporation affiliates (“Defendants”) in the U.S. District Court for the Southern District of Florida. Plaintiffs allege that they have been employed at a BURGER KING® restaurant at some point after 2010 and are filing the complaint individually and on behalf of all others similarly situated. Plaintiffs allege that Defendants violated Section 1 of the Sherman Antitrust Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Burger King® franchisees must sign. Plaintiffs seek injunctive relief and damages for themselves and other members of the class. On January 17, 2019, the Court issued an order consolidating all four cases. On March 15, 2019, the Plaintiffs filed the Consolidated Complaint in the matter, and on April 19, 2019 Defendants filed a Consolidated Motion to Dismiss. The Plaintiffs filed an opposition to the Motion to Dismiss on May 23, 2019, and BK Corporation filed a Reply in Support of the Motion to Dismiss on June 10, 2019. The Court granted the Motion to Dismiss on March 24, 2020. The Plaintiffs filed a motion for leave to amend their complaint on April 20, 2020, and the Defendants filed a motion opposing the motion for leave to amend on April 27, 2020. On August 24, 2020, the Court denied the Plaintiffs motion for leave to amend their complaint. On January 27, 2021, the Defendants filed their answer brief in the case. The plaintiffs filed their reply brief on March 17, 2021. The Court heard oral arguments for this case on September 22, 2021. On August 31, 2022, the federal appellate court reversed the lower court’s decision to dismiss the case and remanded the case to the lower court for further proceedings. Concluded Litigation

Elite Cajun Foods II, LLC v. Popeyes Louisiana Kitchen, Inc., (Case No. 3:19-cv-00706), United States District Court for the Northern District of California, filed February 8, 2019.

Plaintiff, Elite Cajun Foods II, LLC, filed a lawsuit Elite Cajun Foods II, LLC v. Popeyes Louisiana Kitchen, Inc. and Does 1 through 10 (Case No. C19-00010), in the Superior Court in the State of California, County of Contra Costa. We removed the case to the United States District Court for the Northern District of California on February 8, 2019. Plaintiff alleged that we made unlawful statements and misrepresentations in the offer and sale of six franchises in violation of California statutes; engaged in fraud to induce it to enter into the Franchise Agreements by providing false sales forecasts; unfair competition; and negligent misrepresentation. Plaintiff sought money damages and rescission of six Franchise Agreements. On February 22, 2019, we filed a motion to transfer the action to the United States District Court for the Southern District of Florida pursuant to the Franchise Agreements. On March 26, 2019, a settlement agreement was executed and the Plaintiff closed five of the six restaurants, and Plaintiff filed a notice of voluntary dismissal of the case with prejudice.

PLK APAC PTE. Ltd. and Restaurant Brands International, Inc. v. Popeyes Shanghai Restaurant Management Co. Ltd.; TFI TAB Gida Yatirimlari A.Ş.; and TFI Asia Holdings B.V., (International Chamber of Commerce, International Court of Arbitration, ICC CASE NO. 26121/HTG) filed on March 12, 2021.

On March 12, 2021, PLK APAC filed its initial Statement of Claim with the International Court of Arbitration in Singapore seeking declaratory relief; specifically, a declaration that PLK APAC properly exercised its right to terminate the Master Franchise and Development Agreement (“MFDA”) on December 7, 2020 following Respondent’s breach of the MFDA. Respondents filed their initial Answer on May 24, 2021, containing their basic defenses, along with four counterclaims with unspecified damages, and adding RBI as a party to the proceeding. Respondents have alleged lost profits of \$53,264,697, plus lost franchise income of \$5,543,475. PLK APAC filed its Memorialized Statement of Claim on July 8, 2021. Respondents filed their Memorialized Defenses and Counterclaims on September 6, 2021. Multi-Jurisdictional No-Poach Settlements

In February 2020, we entered into a Settlement Agreement with the states of Massachusetts, California, Illinois, Iowa, Maryland, Minnesota, New Jersey, New York, North Carolina, Oregon, Pennsylvania, Rhode Island, and the District of Columbia. At this same time, our affiliate BK Corporation entered into a Settlement Agreement with Massachusetts, California, Illinois, Iowa, Maryland, Minnesota, New Jersey, New York, North Carolina, Oregon, Pennsylvania, Rhode Island, Vermont and the District of Columbia. THUSA entered into a Settlement Agreement with the states of Massachusetts, California, Illinois, Iowa, Maryland, Minnesota, New Jersey, New York, Pennsylvania and Rhode Island.

Each of these settlement agreements arose out of an investigation by the states Attorney Generals regarding the alleged impact of the no-poach provision of the BK Corporation, PLK and THUSA franchise agreements which purportedly restricted franchisees from soliciting or employing each other’s employees in these franchise agreements. The states alleged that these provisions and there use violated state antitrust laws, consumer protection laws and laws governing the free exercise of the right to contract for employment. Although each of the parties denied all allegations and each of them had already removed the provisions from their current franchise agreements, the parties entered into the Settlement Agreement and,

among other things, agreed to not enforce these provisions in existing franchise agreements, notify their franchisees that they had entered into the settlements, attempt to get franchisees with a no-poach provision in their franchise agreement to remove it, notify the Attorneys General of any franchisees who failed to remove the provisions, post a notice at company-owned locations, and ask franchisees to post a notice at their locations, indicating that these types of provisions are unenforceable. None of the parties paid any money under the Settlement Agreements. These states enforced the settlement agreements through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance and similar methods.

BANKRUPTCY**

No bankruptcy is required to be disclosed in this Item.

[THE REMAINDER OF THIS PAGE WAS INTENTIONALLY LEFT BLANK]

ITEM 5 INITIAL FEES

Initial Franchise Fee

Under the Franchise Agreement you must pay us a \$50,000 franchise fee for a Popeye’s Restaurant (“Initial Franchise Fee”) before opening the Franchised Restaurant. Unless you are opening the Franchised Restaurant under one of the Development Incentive Programs discussed below, the Initial Franchise Fee under the Franchise Agreement for that Restaurant is due at the time you sign the Franchise Agreement. In all cases it is not credited against any other fee and is not refundable.

You must sign either a Target Reservation Agreement (“TRA”) (**Exhibit C1**), a Multiple Target Reservation Agreement (“MTRA”) (**Exhibit C2**) or a Development Agreement (**Exhibit C3**) based on the number of Franchised Restaurants you commit to develop.

There is no deposit due when you sign the TRA. As discussed below, when you sign the MTRA, you must pay to us an “MTRA Deposit” determined by *multiplying* \$25,000 by the number of Popeyes Restaurants openings committed. When you sign each Franchise Agreement, we will apply \$25,000 from the previously made MTRA Deposit towards the Initial Franchise Fee owed by you for the applicable Popeyes Restaurant until the full amount of all MTRA Deposit is applied.

We may reduce the Initial Franchise Fee for franchise rights granted in certain Alternative Venues; and, in particular, in those instances where the duration of the franchise term may be a shorter term (i.e. typically one to five years) and as a result of the shorter occupancy rights or restrictions that may exist in these other locations.

* * *

If you are purchasing an existing Franchised Restaurant as part of a transfer that has been approved by us, you must pay us a pro-rated amount of the Initial Franchise Fee if we agree to grant you additional term.

The Initial Franchise Fees actually paid for new franchises during our fiscal year ended December 31, 2023 ranged from \$0 to \$50,000 per Popeyes Restaurant. These variations in Initial Franchise Fees may be attributed to: (i) the sale of franchises for alternative venues; (ii) existing Franchise and Development Agreements entered into when our fee structure differed; (iii) periodic limited time offers and promotions, including certain development incentive programs; (iv) unique circumstances to encourage the development and opening of Popeyes Restaurants; or (v) a reallocation of fees between our Initial Franchise Fee and previously required development fee in the second half of our last fiscal year.

Development Incentive Programs

We have established the following programs that we refer to as development incentive programs to encourage franchisees to develop and open new Popeyes Restaurants (collectively, the “Development Incentive Programs” or “Programs”): (1) the Veterans Development Incentive Program; (2) the Women and Minorities Development Incentive Program; and (3) the 2023-2025 Top Operators Development Incentive Program. You must be in good standing under your existing Development and Franchise Agreements, if any, to qualify for any Development Incentive Program. We can modify or terminate any of these programs at any time.

For purposes of the Development Incentive Programs, a “Free Standing Restaurant” is a Popeyes Restaurant located in a single purpose, single tenant building. Free Standing Restaurants do not include

Popeyes Restaurants located in food courts, any “In-Line” Restaurants or any Popeyes Restaurants located in co-branded buildings.

In no event will an individual Popeyes Restaurant qualify for development incentives under more than one development incentive program provided by us.

The Veterans Development Incentive Program and the Women and Minorities Development Incentive Program

The following sites will not be eligible for either the Veterans Development Incentive Program or the Women and Minorities Development Incentive Program: (1) any sites previously operated as Popeyes Restaurants; and (2) any sites for which site approval previously expired unless such site will be developed and operated by a third-party franchisee who is unrelated to the prospective developer who previously obtained site approval.

1. Veterans Development Incentive Program

Under our Veterans Development Incentive Program, qualified veteran franchisees may be eligible to receive certain development incentives. If: (A) you are a New Franchisee; (B) you (or a holder of at least 51% of your ownership interests) provide us with a DD Form 214 or other adequate documentation, as determined by us, demonstrating honorable discharge from the United States military; (C) you sign a Franchise Agreement, an Amendment to Franchise Agreement (Single Unit) and a Development Incentive Program Addendum to the Franchise Agreement (**Exhibit G1**); and (D) you open your first new Franchised Restaurant within 18 months following the date your site was approved by us, then for your first new Franchised Restaurant, we will do the following:

- (i) Reduce the Initial Franchise Fee for the Franchised Restaurant from \$50,000 to \$27,500, and
- (ii) Reduce the Royalty to 2% of Gross Sales for a period of 6 months following the opening date of the Franchised Restaurant.

If you participate in the Veterans Development Incentive Program and your qualifying veteran owner transfers his/her interests in the qualifying franchise prior to the first anniversary of the opening date of the Franchised Restaurant, you must pay us the portion of the Initial Franchise Fee that was waived under this Program as a condition to the transfer. Any reduced Royalty rates will terminate at the time of transfer.

2. Women and Minorities Development Incentive Program

Under our Women and Minorities Development Incentive Program, qualified female and Minority (as defined below) owned franchisees may be eligible to receive certain development incentives. If: (A) you are a New Franchisee; (B) you (or a holder of at least 51% of your ownership interests) are a woman or qualify as a Minority and will control the management and daily business operations of the Franchised Restaurant; (C) you sign a Franchise Agreement, an Amendment to Franchise Agreement (Single Unit) and a Development Incentive Program Addendum to the Franchise Agreement (**Exhibit G1**); and (D) you open your first new Franchised Restaurant within 18 months following the date your site was approved by us, then for your first new Franchised Restaurant, we will do the following:

- (i) Reduce the Initial Franchise Fee for the Franchised Restaurant from \$50,000 to \$27,500, and
- (ii) Reduce the Royalty to 2% of Gross Sales for a period of 6 months following the opening date of the Franchised Restaurant.

For purposes of the Women and Minorities Development Incentive Program, a Minority is a United States citizen presenting documentation from a federal or state certification body to establish at least 25% minimum origins as follows:

- African-American – origins in any of the Black racial groups of Africa;
- Hispanic – origins from any of the Spanish-speaking areas of the following regions: Mexico, Central America, South America and the Caribbean Basin only. Brazilians shall be listed under Hispanic designation for review and certification purposes; and
- Native American – American Indian, Eskimo, Aleut or Native Hawaiian, and regarded as such by the community of which the person claims to be a part. Additionally, Native Americans must be documented members of a North American tribe, band or otherwise organized group of native people who are indigenous to the continental United States for which proof can be provided through a Native American Blood Degree Certificate (i.e., tribal registry letter and/or tribal roll register number).

If you participate in the Women and Minorities Development Incentive Program and your qualifying female or Minority owner transfers his/her interests in the qualifying franchise prior to the first anniversary of the opening date of the Franchised Restaurant, you must pay us the portion of the Initial Franchise Fee that was waived under this Program as a condition to the transfer. Any reduced Royalty rates will terminate at the time of transfer.

The Development Incentive Programs described above will terminate if: (A) you fail to open any Franchised Restaurant qualifying for a development incentive by the program due date; (B) you fail to open any Franchised Restaurant by its scheduled opening date; or (C) you receive, while you are paying a reduced Royalty, a written notice of default under any agreement with us (including any Development Agreement or Franchise Agreement) and you fail to cure the default within the applicable cure period, if any. Following the termination of any Development Incentive Program, you must: (i) pay us the full amount of the Initial Franchise Fee and (ii) begin paying Royalty at 5% of Gross Sales. There are many factors and variables that can affect the timeline of the development process. Delays in the development process will not be grounds for extension of the incentive deadlines.

Prior Incentive Programs

In the past, we offered a program under which various fees were reduced. Although we no longer offer this program, because Franchisees in this program must sign an addendum to the Franchise Agreement, we have included this document at **Exhibit G2**.

Other Initial Fees

Initial Franchise Fee Deposit

You must sign a TRA (**Exhibit C1**) or a MTRA (**Exhibit C2**) if you wish to specify "Target Area(s)" (as defined in the TRA or MTRA) to search for potential sites to develop one or more Popeyes

Restaurants. When you sign the MTRA, you pay a deposit of \$25,000 multiplied by the number of Popeyes Restaurant openings committed (“MTRA Deposit”). When you sign your MTRA, you must pay us for all costs and expenses incurred by us to source, review, and onboard you, and all other incidental expenses we incur to prepare your MTRA. This cost generally ranges from \$1,000 to \$2,500. This amount may be different if you are signing an MTRA under one of the programs described above. We may grant you approval to pursue additional Target Areas without requiring an additional deposit. The MTRA will typically grant you more Target Areas than Popeyes Restaurant openings that you commit to. We will credit \$25,000 of the MTRA Deposit against the then-current initial franchise fee upon opening of the Popeyes Restaurant, assuming the franchise fee is greater than the MTRA Deposit. We may waive the deposit for Institutional Target Areas and in limited special situations. The MTRA Deposit will be non-refundable.

We have the sole discretion to decide whether to grant you a Development Agreement, TRA, MTRA or a franchise. We also have the sole discretion to determine the number of additional targets above the opening commitment that can be added to the MTRA. We are not obligated to grant a Development Agreement, TRA or MTRA to you even if you have the financial, legal and operational capacity to develop and operate Restaurants. For Target Areas, we may require you to pay for a "Impact Study" before we decide whether to approve development at the location. The fee for any Impact Study is non-refundable (see Item 6).

Development Agreements

As described above, we occasionally grant Development Agreements. The terms are subject to negotiation. When you sign your Development Agreement, you must pay us for all costs and expenses incurred by us to source, review, and onboard you, and all other incidental expenses we incur to prepare your Development Agreement. This cost generally ranges from \$5,000 to \$20,000. Unless we otherwise agree, you must also prepay the Initial Franchisee Fees you would pay for each Popeyes Restaurant you commit to develop. This amount is paid in installments with the first installment due and payable on the date of the Development Agreement. The remaining amount is paid in installments over the term of the Development Agreement. These amounts are nonrefundable but will be credited towards the then-current initial franchise fee payable by you as you develop Popeyes Restaurants under the Development Agreement until exhausted. We may impose other financial and operational commitments. These agreements are typically granted only to sophisticated, highly experienced Franchisees.

Other

We generally require that you construct a Franchised Restaurant on real estate that you own or lease. In all instances, we or our affiliate or a supplier we approve will supply various equipment, fixtures and signage. The cost will be site specific and will depend on the square footage of the Franchised Restaurant, the existing condition of the Franchised Restaurant premises, and your choice of items to be supplied as more particularly described in Item 6. In certain circumstances, we may offer to construct all leasehold improvements and the cost of leasehold improvements may be reflected in the rent for the Franchised Restaurant premises. In those situations where we are selling a Franchised Restaurant constructed on real estate that we or one of our affiliates own or lease, we or one of our affiliates will, in most situations, lease the Franchised Restaurant premises directly to you, or lease the Franchised Restaurant premises from the landlord and then sublease the premises to you. See Item 6 for more information.

NOTES

1 Unless otherwise noted, all fees are payable to us and are non-refundable fees. Generally, all fees are uniformly imposed on our franchisees, however, in certain unique circumstances, we may reduce or waive a fee for a particular franchisee for a limited period of time.

2 Your payment of royalty, advertising contributions and rent must be made through our current electronic funds transfer program authorizing us to utilize a pre-authorized bank draft system.

3 If you qualify for the Veterans Development Incentive Program or the Women and Minorities Development Incentive Program as described in Item 5, the royalty to be paid by you under the Franchise Agreement will be reduced to 2% of Gross Sales for a period of 6 months following the date the Franchised Restaurant first opens for business (“Reduced Royalty Period”). The royalty will then be 5% of Gross Sales as provided in the Franchise Agreement. As described in Item 5, these incentives, including the royalty reduction, will terminate and you must immediately begin paying the royalty designated in your Franchise Agreement if: (a) you fail to open a Franchised Restaurant for business as required under your Development Schedule or the incentive programs; (b) for some incentive programs, you transfer the Franchised Restaurant; or (c) you receive, before the expiration of the Reduced Royalty Period, a written notice of default under any agreement with us (for example, the Franchise Agreement or the Development Agreement) and you fail to cure the default within the applicable cure period, if any.

For certain other locations including military bases, educational facilities, transportation facilities, hospitals and other non-traditional locations, we may negotiate the royalties, which may range from 2% to 8% of Gross Sales.

If you are a developer you will pay royalties, advertising contributions and initial franchise fees that are the greater of the amount disclosed in our then-current Franchise Disclosure Document at the time you sign each Franchise Agreement for a Popeye’s Restaurant and 5% of weekly Gross Sales for royalties, 4% of weekly gross sales for advertising contributions and \$50,000 initial franchise fee for a free standing, in-line or food court Popeyes Restaurant with a 20 year term, subject to any reductions based upon your participation in any of our Development Incentive Programs discussed in Item 5.

The royalties actually paid during our last fiscal year ended December 31, 2023 ranged from 2% to 10% of Gross Sales. These variations in royalty may be attributed to: (i) development incentive programs; (ii) franchises operated in non-traditional locations, such as U.S. military bases and universities, and Delivery Restaurants; or (iii) negotiated rates in the context of workout and settlement agreements.

4 We intend to establish an advertising cooperative (“Co-Op”) in every designated market area, as defined by Nielsen Media Research, Inc., (“DMA”) in which there is a franchised Popeyes Restaurant. See Item 11. The following chart lists those DMAs, as of December 31, 2023, that have company-operated Popeyes Restaurants, and the voting power of those Restaurants in each DMA. Each Restaurant in a Co-op is entitled to 1 vote. Co-op contributions, if any, will be in excess of the Advertising Contribution of 4% of Gross Sales as indicated in the table above. Co-op contributions can be increased only once in any 12-month period by a vote of 2/3 of the members and may not be increased above an additional 2% of Gross Sales without the unanimous consent of the members, unless a Co-op bylaw exists requiring a lesser threshold.

DMA Name	Number of Company-operated Restaurants	Number of Franchised Restaurants*	Voting Power of Company-operated Restaurants
Memphis, TN	16	13	55.2%
New Orleans, LA	25	32	43.9%

*Excludes alternative venues that do not participate in the Co-Op.

We may waive or reduce Co-Op contributions or any Ad Fund contributions for Restaurants located in certain areas, for example, military bases, educational facilities, transportation facilities, hospitals and other institutional locations.

5 If we lease the Restaurant premises (land and building) to you, it is a “PL.” If we lease you the land only, it is a “PGL.” If you own the Restaurant premises or lease them from a third party, it is a “DTL.” The calculation of the rent due to us varies depending on the circumstances. In those instances, where we agree to acquire a location and lease it to you, with or without a developed facility, your rent will generally be determined as follows: If we own the property, the minimum annual rent is typically 10% of the capitalized site acquisition costs and, if applicable, construction costs, against a designated percentage of annual Gross Sales. The minimum annual rent will increase 12% every 5 years for those leases where we own the property. If we lease the property, the minimum annual rent you pay is typically 125% of the rent paid by us plus 10% of the capitalized site acquisition and construction costs, against a designated percentage of annual Gross Sales. If any underlying master lease contains an escalation clause, your rent will be increased by 125% of the escalation. In addition to the minimum annual rent you will pay percentage rent which is typically 8.5% of monthly Gross Sales up to \$133,333.33 and increases to 10% on monthly Gross Sales above \$133,333.33 per month in excess of the monthly installment of the guaranteed minimum annual rent to be paid for each month.

For PLs where we sell a Restaurant we own to you and lease you the land and building, your rent will generally be determined as follows: If we own the property, the minimum annual rent is typically the higher of: (i) 10% of the capitalized site acquisition costs and, if applicable, construction costs, against a designated percentage of annual Gross Sales; or (ii) 8.5% of trailing twelve months' Gross Sales, against a designated percentage of annual Gross Sales. The minimum annual rent will increase by 12% every 5 years for those leases where we own the property. If we lease the property, the minimum annual rent you pay is typically 125% of the rent paid by us, plus 10% of the capitalized site acquisition and construction costs, against a designated percentage of annual Gross Sales. If any underlying master lease contains an escalation clause, your rent will be increased by 125% of the escalation. In addition to the minimum annual rent you will pay percentage rent which is typically 8.5% of monthly Gross Sales up to \$133,333.33 and increases to 10% on monthly Gross Sales above \$133,333.33 per month in excess of the monthly installment of the guaranteed minimum annual rent to be paid for each month.

The rent you pay on a PL when you enter into a renewal Lease Agreement will generally be determined as follows. If we own the property, the minimum annual rent you pay initially shall be; (i) the greater of 85% of the trailing twelve months rent paid or (ii) 12% increase on current base rent for a term of 5 years, and then, the minimum annual rent will increase by 12% every 5 years. If we lease the property, the minimum annual rent you pay is typically the greater of 125% of the rent paid by us or 85% of the trailing twelve month rent paid. If any underlying master lease contains an escalation clause, your rent will be increased by 125% of the escalation amount. In addition to the minimum annual rent, you will pay percentage rent which is typically 8.5% of monthly Gross Sales up to \$133,333.33 and increases to 10% on monthly Gross Sales above \$133,333.33 per month in excess of the monthly installment of the guaranteed minimum annual rental to be paid for each month.

If you default under the lease, you pay the full amount of the rent and additional charges that would have accrued for the balance of the lease term. You may have to pay the cost of re-letting the premises, plus costs and attorneys' fees spent by us to enforce the terms of the lease. If you do not repair or maintain the premises we can have the work done and charge you for those costs.

6 We estimate the annual guest recovery fee related to resolution and compensation to be an average of \$750 per Restaurant per year depending on the actual call volume and number of guest issues.

7 A portion of the transfer fee in the amount of \$1,000 per unit to be transferred is payable upon submission of your transfer application to us. This transfer fee deposit is non-refundable in the event

that the proposed transfer does not occur in accordance with the terms of the transfer application approved by us. If the proposed transfer occurs in accordance with the terms of the approved transfer application, the transfer fee deposit will be applied to the total transfer fee due at the time of the closing of the transfer. We may waive or reduce transfer fees, in our discretion, in limited circumstances.

NOTES:

1 Free Standing Restaurants. Free Standing Restaurants include Popeyes Restaurants located in single purpose, single tenant buildings. Free Standing Restaurants may also include “Build to Suit” projects, which can substantially lower your initial investment costs. In a typical Build to Suit scenario, the landlord will deliver a complete building ready for you to customize the interior. Free Standing Restaurants do not include Popeyes Restaurants located in food courts, any “In-Line” Restaurants or any Popeyes Restaurants located in co-branded buildings.

2 In-Line Restaurants. In-Line Restaurants include Popeyes Restaurants located in or at “strip-style” retail shopping centers, premises with convenience stores, travel plazas (or similar locations that sell gasoline), shopping malls, and other food court locations.

3 Initial Franchise Fee. The payment of the Initial Franchise Fee is described in Item 5. You may be eligible to pay a reduced Initial Franchise Fee if you qualify for one of our development incentive programs described in Item 5. We may also reduce the Initial Franchise Fee for franchise rights granted in certain Alternative Venues; and, in particular, in those instances where the duration of the franchise term may be a shorter term (i.e. typically one to five years) and as a result of the shorter occupancy rights or restrictions that may exist in these other locations.

Under the Development Agreement, you will pay us an amount equal to the Initial Franchise Fee multiplied by the number of Popeyes Restaurants you commit to develop. This amount is paid in installments with the first installment due on the date of the Development Agreement. The remaining amount is paid in installments over the term of the Development Agreement. These amounts are nonrefundable but will be credited toward the then current Initial Franchise Fees payable by you as you develop Popeyes Restaurants under the Development Agreement, until the amounts are exhausted. There are no other incidental expenses you should incur under an Development Agreement, as the expenses to open each Franchised Restaurant are accounted for in the chart above.

As discussed in Item 5, under the MTRA you will pay us an Initial Franchise Fee deposit in the amount of \$25,000 multiplied by the number of Popeyes Restaurants you commit to develop. These amounts are nonrefundable but will be credited toward the then current Initial Franchise Fees payable by you as you develop Popeyes Restaurants under the MTRA.

4 Real Estate. We cannot estimate your initial investment for acquiring or leasing real estate for the Franchised Restaurant; however, the following factors will bear on these costs. If you do not already own adequate space for the Franchised Restaurant, you will have to purchase or lease land and a building for the Franchised Restaurant. Typical locations for In-Line Restaurants are shopping centers, urban commercial areas and suburban shopping areas. Popeyes Restaurants range in size from 1,600 to 3,500 square feet. Free Standing Restaurants in suburban locations will require from 28,000 to 38,000 square feet of land for the Franchised Restaurant and adequate parking facilities, typically 25-30 spaces on average. The cost of commercial land or restaurant space, whether you lease or buy, varies considerably depending upon the location, entitlement requirements, and conditions affecting the local market for commercial property. The cost of land (if purchased) varies depending upon the location and condition of the property and we cannot estimate the cost of purchasing land. The cost of converting land to use as a Popeyes Restaurant may vary widely depending upon the location, previous use and condition of the property.

5 Soft Costs. The estimate is for legal, accounting, administrative, permitting, architectural, design, traffic studies, demographic studies, brokerage and miscellaneous other professional fees that you may incur before you open for business, including (among other things) to assist you in reviewing the Franchise Agreement. Your actual costs may vary, for example, depending on the degree to which you rely

upon your advisors. The high estimate includes an additional \$20,000 to account for an expense reimbursement pursuant to the Development Agreement or the Multiple Target Reservation Agreement. See Item 5 for more detail.

6 Site Work. This estimate covers site improvement costs such as sewer, electrical, water, storm water, paving, striping, concrete, landscaping, grading and excavation, and site accessories.

7 Building. This estimate includes the costs of constructing improvements, or “building out,” the premises at which you will operate your Franchised Restaurant. Among other things, you will need to arrange for proper wiring and plumbing, floor covering, wall covering, partitions, heat, air conditioning, lighting installation, storefront modifications, painting, cabinetry, bathroom facilities, etc. as outlined in architectural Mechanical, Electrical and Plumbing (MEP) drawings. You will need to hire a qualified licensed general contractor. Free Standing Restaurants are ordinarily of masonry or frame construction. Costs to build a new Popeyes Restaurant to comply with local codes and requirements will likely vary by municipality and may be much higher if you wish to establish your Franchised Restaurant in an area where special requirements of any kind will apply (such as historical, architectural, or preservation requirements). It is your responsibility to gain a complete understanding of these costs, which may be significant.

8 Furniture, Fixtures, Equipment, Signage and Technology. You must purchase certain items of furniture, fixtures, equipment, signage, smallwares, and a technology package (point-of-sale and back-of-house computer systems and firewall) for your Franchised Restaurant. The Manual contains a complete list of the needed items. As the above table indicates, the cost of equipment and signage varies depending on the size and location of the Franchised Restaurant.

9 Initial Training. In connection with the initial training, you will need to arrange and pay for transportation, lodging, food, proper uniforms and incidental expenses for you and your designated management employees. You must also pay the salaries and benefits of your designated management employees. The expenses you will incur depend on factors such as the cost of travel, hotel accommodations and meals, as well as employee salaries and associated costs. In addition, training expenses will vary depending upon how many employees you send to training. We may require that you send a certain minimum number of employees that we determine to training. In addition, if the in-house portion of Popeyes Training Program (as more particularly described in Item 11) for a Free Standing Restaurant is completed at a Popeyes Restaurant that is owned by another Popeyes franchisee, you may be required to reimburse that franchisee for certain training costs as described in Item 11.

10 Opening Supplies. We estimate that this amount will be sufficient to cover a supply of food, paper products, uniforms and required training materials for the first one to two weeks of Franchised Restaurant operations.

11 Insurance. This item includes amounts that must be paid before the opening of your Franchised Restaurant and may not include amounts payable after the Franchised Restaurant opens. Required insurance includes: general liability, employers’ liability, workers’ compensation, auto liability (if you own, hire or lease automobiles for use in your business) and property insurance. (See Section XI of the Franchise Agreement for coverage amounts.) Your costs will vary according to the risks associated with your business and your location. The cost of workers’ compensation insurance will vary according to the number of employees of the Franchised Restaurant and the requirements of state law.

12 Utility Deposits. You may need to provide deposits for utilities. The amount of these deposits and utility costs will vary depending upon the location of the Franchised Restaurant and the practices of the lessor and the utility companies.

13 Business Licenses. Local, municipal, county and state regulations vary on what licenses and permits are required to operate a Popeyes Restaurant. For example, you may need city and county occupational licenses and a city food handlers' license. These fees are paid to government authorities before commencing business.

14 Additional funds – 3 Months. You will need capital to support ongoing expenses, such as payroll, uniforms, supplies and miscellaneous expenses. We estimate that this amount will be sufficient to cover ongoing expenses for three months. This is only an estimate, however, and there is no assurance that additional working capital will not be necessary whether during this initial phase or later.

15 Total Estimated Initial Investment. The figures in the chart and the explanatory notes are only estimates. This is our best estimate of your total investment, excluding the cost of real estate, assuming that you will establish only one Franchised Restaurant. We relied upon the many years of experience of our executives identified in Item 2, our experience in developing company-operated Free Standing Popeyes Restaurants and reports from our franchisees in preparing these figures. In all cases, numerous market specific factors exist that may contribute to costs greater than our estimates, including, without limitation, elevated labor costs and the remoteness of your site.

No part of your initial investment payable to us is refundable under any circumstances. We do not offer financing for any portion of your initial investment.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To operate the Franchised Restaurant, you must use certain items that incorporate our trade secrets (“Trade Secret Products”). Trade Secret Products include ingredients, products, materials, supplies and other items such as spices, batter, seasonings and mixes. You must buy Trade Secret Products only from suppliers that we designate. We have a sole supplier of Trade Secret Products.

Certain products bear our Proprietary Marks (as defined in Item 13) or are made to our specifications by approved manufacturers (“Proprietary Products”). You must buy Proprietary Products only from manufacturers we approve in writing. Examples of Proprietary Products include certain uniforms, signs, menu boards, paper goods and packaging.

In addition to Trade Secret Products, Proprietary Products and other items described in this Item 8, you must buy all other items needed to operate the Franchised Restaurant (such as poultry, french fries, flour, food trays, paperware, items required for limited time offers, etc.) only from suppliers and distributors: (i) who demonstrate, to our continuing and reasonable satisfaction, the ability to meet our reasonable standards for those items; (ii) who possess adequate quality controls and capacity to supply your needs promptly and reliably; (iii) whose approval would not adversely impact the overall efficiencies of the Popeyes System; and (iv) as to whom we have given (and not later revoked) our written approval for each specific product they are approved for, and are currently listed as approved suppliers for the corresponding approved products in our electronic system of reference for approved products.

Presently, The Coca-Cola Company and Keurig Dr Pepper are our only approved carbonated beverage vendors and Coca-Cola Company is our approved lemonade and frozen lemonade beverage vendor. You must adhere to our national beverage strategy, which specifies beverage flavors, beverage equipment and the number of valves per beverage vendor, if applicable.

You may use only the oil monitoring system, digital menu boards, drive-thru timers, firewall network security systems, point-of-sale equipment, back-of-house systems, including training tablets and over ear headphones, and other drive-thru related equipment and systems that we approve in writing from time to time. We have a sole supplier for the oil monitoring system. You must enter your profit and loss statements online each month, period or quarter, as determined by us, using our required categories for tracking revenue and expenses. You must also submit an unaudited financial statement, including an income statement, balance sheet and statement of cash flow each quarter, in the format we require.

You must participate in a guest feedback program offered through a service provider designated by us. You must also subscribe to a live guest relations program and 24/365 assurance hotline offered through a service provider designated by us. These are the sole service providers for these programs. You must provide ordering and delivery services that permit customers to order food for delivery or pickup at the Restaurant via third party delivery providers’ apps and websites that we approve, as well as the POPEYES® mobile app and website. You must sign and maintain agreements with the third-party delivery providers we approve. You must also provide customer loyalty program services that we require via the digital platforms we require. These digital platforms are the same platforms that enable ordering and delivery services via the POPEYES® mobile app and website. We are the sole supplier of these digital platforms.

You must comply with all applicable legal, regulatory and credit card brand requirements and brand standards regarding the use of information technology in your business and restaurants. You must honor all credit, charge, courtesy or cash cards or other credit devices that we specify. You must comply with the then current Payment Card Industry Data Security Standards (PCI/DSS) as those standards may be revised by the PCI Security Standards Council, LLC (see www.pcisecuritystandards.org) or successor organization.

Among other things, you agree to implement the security requirements that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards. You must demonstrate compliance upon reasonable request, which may include having an independent third party Qualified Security Assessor (QSA) conduct a PCI/DSS audit. In the event you are unable to demonstrate full compliance, we may require that you engage the services of an approved vendor to assist you on an ongoing basis. Having a secure managed firewall that meets our system standards is one part of the current requirement. You must purchase or lease, install, and use pin pads provided by our approved supplier, and you must also use our approved supplier to process all credit card, debit card and gift card transactions. We have one sole supplier for the pin pads and one sole supplier for the credit card, debit card and gift card transactions. We have a sole supplier of managed firewall services vendor. You must enter into a contractual relationship directly with our approved managed firewall vendor.

To the extent your Franchised Restaurant will be located on a military base, in a public educational institution, or in another government building or facility, you will be subject to certain Equal Employment Opportunity and Affirmative Action requirements as more specifically described in Section X of the Franchise Agreement attached as **Exhibit D** to this disclosure document.

We may periodically require you to purchase, lease and install or construct, at your expense, all improvements, furnishings, signs and equipment that we specify for the Franchised Restaurant, as well as other furnishings, signs or equipment. You may not install or allow installation of improvements, furnishings, signs or equipment for which we did not give our prior written approval.

If you want to obtain food products or packaging items (other than Trade Secret Products and Proprietary Products) from a non-approved supplier, you (or the supplier) must make a written request to us seeking approval. We have the right to require, as a condition of our approval, that the supplier allow our representatives to inspect its facilities and that the supplier deliver samples, at our option, either to us or to an independent laboratory that we designate for testing before we will grant our approval. The approval process ranges from 90 days for simple items to 9 months for highly complex food formulas which require more extensive testing. You or the supplier must pay a charge to cover the costs and expenses actually incurred by us, including those of any third party acting on our behalf, to conduct any inspection, including the actual cost of testing. We may periodically re-inspect the facilities and products of any approved supplier, the costs of which will need to be covered by the supplier. We will also have the right to revoke our approval if we find that a supplier no longer meets our standards or satisfies our criteria or to change suppliers, for any reason, in our sole discretion. The process of reviewing possible suppliers and distributors includes many factors, such as inspecting and testing sample products to determine whether the products meet our standards, inspecting a proposed distributor's physical plant and similar steps to assure compliance with our standards for quality, safety and sanitation. We are not required to approve any particular supplier, nor are we required to make available to prospective suppliers any of our standards or specifications for formulas that we deem confidential or proprietary. If we conclude that an approved supplier or distributor no longer meets our standards, we will revoke our approval of that supplier or distributor. We currently charge an annual fee to approved suppliers to cover the expenses of our Supplier and Product Enterprise Quality system (SPEQ). We also seek reimbursement from the supplier for the expenses associated with the approval and monitoring process, including third party audit fees, testing fees, approval coordination, specification writing and complaint management.

Various suppliers make payments to us in consideration of purchases and payments made by Franchisees and us. Payments to us based upon Franchisee purchases may take the form of rebates based upon purchases, flat fee payments or the provision of products or services to us or our affiliates at or below market rates. We currently contribute some of these payments to the Ad Fund administered by us. These contributions vary and are generally for system wide initiatives. In the year ended December 31, 2023, these contributions totaled approximately 4.3% of the consolidated fund revenue. Approved suppliers may

implement programs that benefit Popeyes Restaurants, and we may receive benefits from those programs as a purchaser with respect to Restaurants we own. We may incur additional costs and expenses to develop or improve certain products and services (including, without limitation, food and paper goods, equipment, uniforms, computer hardware or software) which ultimately may be provided to the Restaurants by approved suppliers.

In the year ending December 31, 2023, our revenues from all sales and leases to Franchisees were approximately \$13.6 million, which represented approximately 3.3% of our total revenues of approximately \$417 million. These figures are taken from our unaudited internal financial statements.

Except as disclosed in this Item we do not currently require you to buy or lease goods or services from us, nor do we presently offer to sell or lease goods or services to our franchisees. We have beverage marketing agreements with Coca-Cola North America, a division of The Coca-Cola Company, and Coca-Cola Refreshments USA, Inc. (collectively, “CCR”) and Keurig Dr Pepper (“KDP”) where CCR and KDP make funding available in an amount that is calculated based on the gallons of fountain beverages purchased by Franchised Restaurants annually. This funding is not paid to us, but is managed by CCR and KDP separately, and used to pay for approved expenses for mutually agreed upon national or co-op based marketing activities designed to increase the sale of CCR’s and KDP’s fountain beverages. Although not directly related to required purchases or leases by franchisees, we receive sponsorship revenue from suppliers in connection with our annual franchise convention. Except as expressly set forth in this paragraph, neither we nor any of our affiliates presently derive revenue or other material consideration from required purchases or leases by Popeyes franchisees.

We will provide our standards to you through our Manual, which we will make available to you after you sign your Franchise Agreement and pay us the Initial Franchise Fee and any other amounts then due. In order for you to benefit from new knowledge, information, methods, and technology adapted and used by us in the operation of the System, we may update and revise the Manual or provide other standards or manuals periodically, and we will notify you of these changes by electronic or written communication (including the Internet). You must review, understand, adhere to and abide by all revisions to the Manual. In addition, we may modify, add to, or rescind any requirement, standard, or specification set forth in the Manual to adapt the Popeyes System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that we deem appropriate in our business judgment, and you must comply with such modifications, additions, or rescissions. We typically develop standards internally (for example, our Quality Assurance department develops our standards for food and packaging materials) but we may also develop standards with suppliers.

We estimate that your purchases from approved suppliers, from suppliers that we designate, and otherwise under our standards will be approximately 95% of the total purchases and leases of products and services needed to establish the Franchised Restaurant, and approximately 95% of the total purchases and leases of products and services needed to operate the Franchised Restaurant. All of your food, packaging, equipment, uniforms, and cleaning supply purchases must be made from suppliers that we designate.

Except as described above, we do not require you to buy or lease any goods or services from suppliers designated by us.

By signing the Franchise Agreement, you become a member of a purchasing and logistical service cooperative known as Supply Management Services, Inc. (“SMS”). We or SMS negotiate with vendors (with respect to factors such as sales terms and price terms) for the benefit of the Popeyes System.

We do not confer special or other material benefits on franchisees that buy or lease from approved suppliers or sources. An officer of ours owns publicly traded shares of The Kraft Heinz Company and General Mills, Inc., suppliers of approved products to the Popeyes System.

You must obtain the right to occupy the premises at which you will operate each Franchised Restaurant. We have the right to review and approve these premises. If you lease or sublease the premises, we have the right to review and approve the lease or sublease. In some situations we lease improved and unimproved real estate, and in some cases associated equipment and furnishings, for some Franchised Restaurants. There is not a general requirement that you lease real estate from us, but some locations or restaurant facilities may only be available under a lease from us. We are not obligated to lease real estate or equipment to you.

FOOTNOTE:

1. Generally your officers, directors and all holders of your legal or beneficial interests of ten percent (10%) or more must jointly and severally guarantee your payment and performance obligations under your agreements with us and also shall bind themselves to the terms of the Franchise Agreement and the Development Agreement.

ITEM 10 FINANCING

If we own or lease the land or the land and building of your Franchised Restaurant, we may lease or sublease the location to you. The lease terms are described in detail in Item 6 of this disclosure document. The lease does not cover equipment, inventory, supplies, or the initial franchise fee.

Except as disclosed below, we do not offer any direct or indirect financing. We do not guarantee your notes, leases, or obligations to third parties.

Ascentium Capital Equipment Financing Program

We have entered into an agreement with Ascentium Capital, a division of Regions Bank (“Ascentium”), a third-party equipment lender, under which Ascentium will offer financing to our Franchisees who meet their requirements, to finance the cost of the purchase of certain equipment for a Restaurant. Depending on various factors, the amount of this financing will range from \$5,000 to \$2,000,000.

A non-refundable rebate compensation equal to 0.35% of the total loans funded to Popeyes’ franchisees by Ascentium will be paid to PLK on a quarterly basis.

Franchisees will pay monthly payments of principal and interest accruing on the loan. The repayment period depends on the size of the loan and monthly payment amount considerations but is generally between 12 and 72 months. Interest rates will be fixed at the time the loan is funded based on various factors including length of term, loan amount, changes in rates, your credit history and operating history, and other relevant risk factors. These factors will also be considered in setting your monthly loan payment amount. (Ascentium Capital Equipment Finance Agreement). As of the issuance date of this disclosure document, the rate of interest is approximately 8.25% per annum. Loan terms are typically 3 to 6 years (depending upon the circumstances). You may prepay the loan in full but you must pay a prepayment premium on the remaining loan balance equal to 1% for each year or partial year remaining on the loan. You may not make partial prepayments. (Ascentium Prepayment Addendums)

To be eligible for a loan from Ascentium, you must not be in default under your Franchise Agreement with us and you must meet the credit requirements of Ascentium. The loan will be secured by the equipment you are obtaining with the loan proceeds (Ascentium Capital Equipment Finance Agreement). Ascentium may require as a condition to making any loan that your owners and your affiliates personally guaranty your obligations to Ascentium (Personal Guaranty/Corporate Guaranty).

You will be in default under your loan if you fail to make payments in a timely manner; if you or any guarantor become insolvent, file a petition in bankruptcy, make an assignment for the benefit of creditors or admit the inability to pay debts as they become due; if you or any guarantor terminate existence or take any action to cease or wind up your business affairs; you otherwise breach or default under any agreement with Ascentium; or you merge, consolidate with, or sell substantially all of your assets or a majority of your ownership interests to any third party without Ascentium’s prior written consent (Ascentium Capital Equipment Finance Agreement – Section 9).

If you default, Ascentium may, at its election, accelerate and require that you pay all accrued and unpaid amounts outstanding, and all of the remaining payments due under the financing agreement (discounted to present value at the higher of 3% per annum or the lowest rate allowed by law). (Ascentium Capital Equipment Finance Agreement – Section 9). Ascentium can also take possession of the collateral, sell it and apply the proceeds against what you owe Ascentium after deducting any costs it incurs. You must

also pay Ascentium's costs and expenses, including reasonable attorneys' fees, to enforce the financing agreement (Ascentium Capital Equipment Finance Agreement – Section 9). If you make a payment late you must pay Ascentium a late charge of 10% of the payment amount (not to exceed the highest rate allowed by applicable law) (Ascentium Capital Equipment Finance Agreement – Section 9). Ascentium may charge you a return check or return ACH charge of \$30 for any payment which is returned by the bank for any reason (not to exceed the maximum amount permitted by law) (Ascentium Capital Equipment Finance Agreement – Section 9).

You must insure the collateral, at your cost, against all loss during the term of the loan. If you fail to satisfy your insurance obligations, Ascentium may obtain insurance on its collateral and you must pay Ascentium all charges for obtaining the insurance including its administrative fees (Ascentium Capital Equipment Finance Agreement – Section 6).

You waive your right to reduction or set-off and any issues relating to the collateral must be resolved directly with the supplier (Ascentium Capital Equipment Finance Agreement – Sections 4 & 5). Any disputes concerning the loan must be venued in Alabama. You waive your right to a jury trial and to assert improper venue (Ascentium Capital Equipment Finance Agreement – Section 12).

Ascentium can assign the loan and its interest in any collateral. If it assigns the loan or its interest in the collateral the rights of the assignee will not be subject to any claims, defenses or set-offs you had against Ascentium (Ascentium Capital Equipment Finance Agreement – Section 10).

A copy of the finance agreement (1 page version for loans up to \$250,000 and 2 page version for loans over \$250,000) and the related prepayment addendums and guaranties, proposed by Ascentium are attached to this disclosure document as **Exhibit M**.

LEAF Capital Financing Program

We have entered into an agreement with LEAF Capital Funding, LLC (“LEAF”), a third-party equipment lender, under which LEAF will offer financing to our Franchisees who meet their requirements to finance the cost of the purchase of certain equipment for a Restaurant. Depending on various factors, the amount of this financing will range from \$5,000 to \$2,000,000.

A non-refundable rebate compensation equal to 0.35% of the total loans funded to Popeyes' franchisees by LEAF will be paid to PLK on a quarterly basis.

Franchisees will pay monthly payments of principal and interest accruing on the loan. The repayment period depends on the size of the loan and monthly payment amount considerations but is generally between 24 and 48 months. Interest rates will be fixed at the time the loan is funded based on various factors including length of term, loan amount, changes in rates, your credit history and operating history, and other relevant risk factors. As of the issuance date of this disclosure document, the rate of interest ranges from 7.83-12.33% per annum. Loan terms are typically 2 to 7 years (depending upon the circumstances). You may not make any prepayments. (LEAF Capital Finance Agreement – Section 2)

To be eligible for a loan from LEAF, you must not be in default under your Franchise Agreement with us and you must meet the credit requirements of LEAF. The loan will be secured by the equipment you are obtaining with the loan proceeds (LEAF Capital Finance Agreement – Section 1). LEAF may require as a condition to making any loan that your owners and your affiliates personally guaranty your obligations to LEAF.

You will be in default under your loan if you fail to make payments in a timely manner; if you or any guarantor become insolvent, file a petition in bankruptcy, make an assignment for the benefit of creditors or admit the inability to pay debts as they become due; if you or any guarantor terminate existence or take any action to cease or wind up your business affairs; you otherwise breach or default under any agreement with LEAF; or you merge, consolidate with, or sell substantially all of your assets or a majority of your ownership interests to any third party without LEAF's prior written consent; or you or any guarantor shall fail to maintain in good standing any license necessary to conduct its business (LEAF Capital Finance Agreement – Section 4).

If you default, LEAF may, at its election, accelerate and require that you pay all accrued and unpaid amounts outstanding, and all of the remaining payments due under the financing agreement (discounted to present value at the higher of 3% per annum or the lowest rate allowed by law). (LEAF Capital Finance Agreement – Sections 5&6). LEAF can also take possession of the collateral, sell it and apply the proceeds against what you owe LEAF after deducting any costs it incurs. You must also pay LEAF's costs and expenses, including reasonable attorneys' fees, to enforce the financing agreement (LEAF Capital Finance Agreement – Section 5). If you make a payment late you must pay LEAF a late charge of 1.5% of the payment amount per month (not to exceed the highest rate allowed by applicable law) (LEAF Capital Finance Agreement – Section 5).

You must insure the collateral, at your cost, against all loss during the term of the loan. If you fail to satisfy your insurance obligations, LEAF may obtain insurance on its collateral and you must pay LEAF all charges for obtaining the insurance including its administrative fees (LEAF Capital Finance Agreement – Section 9).

You waive your right to reduction or set-off and any issues relating to the collateral must be resolved directly with the supplier (LEAF Capital Finance Agreement – Sections 14). Any disputes concerning the loan must be venued in Pennsylvania. You waive your right to a jury trial and to assert improper venue (LEAF Capital Finance Agreement – Section 12).

A copy of the finance agreement proposed by LEAF is attached to this disclosure document as **Exhibit M**.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Popeyes is not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your Restaurant, we will provide the following assistance to you.

1. We will evaluate each site you propose for a Popeyes Restaurant. We will also evaluate your proposed site plan, floor plan and elevations. Subject to the requirements for an Impact Study, we will send you written notice of acceptance or non-acceptance of the proposed site plans and elevations. Under a Development Agreement, we designate the Territory in which you may develop Restaurants and provide a Development Schedule for the number and/or types of Restaurants you must develop in the Territory and the time within which they must be developed. [Development Agreement Article I and III]

2. We will make available to you the following items: our standard construction plans and specifications in PDF format (or such other format that we require) that you must follow in preparation of your construction drawings, our standard plans and specifications in AutoCAD format (which are to be used by your architect in creating your construction documents), and up to 2 equipment layout drawings in the most recent version of AutoCAD within 10 business days after we receive from you or your architect an existing conditions plan for an accepted site in AutoCAD (or, alternatively, if the site is vacant with no structures or improvements, an AutoCAD survey of the site). With respect to the foregoing, we reserve the right to require a format other than PDF or AutoCAD. Any modifications or deviations to the foregoing plans and specifications (including those required by local or state laws, regulations or ordinances) require our written approval prior to commencing construction. In addition, any modifications or deviations to the standard plans that are required by local or state laws, regulations or ordinances must be accompanied by the code citation requiring the modification. You must obtain, at your own expense, qualified architectural and engineering services to prepare surveys and construction documents and construct your Franchised Restaurant. [Development Agreement, Section 4.3.4, Franchise Agreement, Section 9.03, Multiple Target Reservation Agreement, Section 4.5.5, and Target Reservation Agreement, Section 4.4] You must also obtain your own equipment, signage, fixtures, inventory and supplies subject to our approval of the items and the vendors from whom you purchase these items. See Item 8 for more information.

3. We will evaluate your final construction documents for conformance to our standard plans, brand image, approved equipment plan and completeness. Your construction documents must be submitted to us in PDF format promptly upon submitting for your building permit. If a discrepancy is identified in the drawings, you may be requested to submit construction documents in AutoCAD format for verification. If appropriate, we will approve your plans. We assume no liability for the adequacy of your construction documents. The adequacy of your construction documents is the responsibility of your architect and engineers. [Development Agreement, Section 4.3.5, Multiple Target Reservation Agreement, Section 4.5.5, and Target Reservation Agreement, Section 4.4]

4. For your first Franchised Restaurant opened under the Multiple Target Reservation Agreement or Target Reservation Agreement, we may provide a representative to be present at the opening. [Development Agreement, Section 4.4, Multiple Target Reservation Agreement, Section 4.6, and Target Reservation Agreement, Section 4.4]

5. We will grant you a franchise, on our then-current form of Franchise Agreement, for a Popeyes Restaurant upon your satisfaction of all conditions to opening a Restaurant under a Development Agreement. [Development Agreement, Article V]

6. We will make available an initial training program at your cost in a Certified Training Restaurant and other training locations designated by us. If the Franchised Restaurant is your first Popeyes Restaurant, then at least 5 of your designated management employees at the Franchised Restaurant (we will determine the exact number) must complete this training program. If the Franchised Restaurant is not your first Popeyes Restaurant (i.e. you already own and operate one or more Popeyes Restaurants as of the date of this disclosure document), then at least 4 of your designated management employees at the Franchised Restaurant (we will determine the exact number) must complete this training program. In either case, one of the designated management employees must include the Managing Director for the Franchised Restaurant as further described in Item 15. [Franchise Agreement, Section 8.01 and 8.02]

Continuing Obligations

During the operation of your Franchised Restaurant, we will provide the following assistance to you.

1. We will approve Vendor(s) that provide the ability to poll data and information from your Franchised Restaurant's systems (including your POS and BOH Systems (as defined below), such as information regarding sales, menu mix, transaction-level data, inventory, labor, speed of service and other similar items. We will have access to the polled data and information. [Franchise Agreement, Section 10.14]

2. For the duration of the Franchise Agreement, we will make the Manual available to you electronically via the Internet or other electronic format. The Brand Standards Manual contains the standards, specifications, standard operating procedures and techniques of the System. [Franchise Agreement, Section 9.04] The Index to our Brand Standards Manual as of the date of this disclosure document is attached as **Exhibit I** and, as of that date, the Brand Standards Manual contained approximately 59 pages.

3. We will make available to you additional training as we, in our discretion, choose to conduct. [Franchise Agreement, Section 8.05]

4. We will make available to you continuing advisory assistance in the operation of the Restaurant, in person or by bulletins, as we deem appropriate. [Franchise Agreement, Section 9.01]

5. We (or our designated affiliate) will maintain and administer an Advertising Fund, and in some areas, a Co-op (as defined in this Item). [Franchise Agreement, Sections 3.02, 10.08]

6. In order for you to benefit from new knowledge, information, methods, and technology adopted and used by us in the operation of the System, we may revise the contents of the Manual periodically by bulletin, video, the Internet, electronic mail, or by other electronic or written communication (including an online learning management system designated by us). You must review, understand, adhere to and abide by all revisions to the Manual. In addition, we may modify, add to, or rescind any requirement, standard, or specification in the Manual to adapt the System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that we deem appropriate in our business judgment, and you must comply with such modifications, additions, or rescissions. [Franchise Agreement, Section 7.04]

7. We will continue our efforts to maintain high and uniform standards of quality, cleanliness, appearance and services at all Popeyes Restaurants. [Franchise Agreement, Section 9.05]

8. We will establish criteria for approving suppliers and will make every reasonable effort to share our standards and specifications with your prospective suppliers upon completion of our electronic approval request form. We may choose not to make available to prospective suppliers the standards and specifications for any food or packaging formula, or equipment design that we deem to be confidential. [Franchise Agreement, Section 9.05]

9. We may conduct periodic inspections of the premises of the Franchised Restaurant and periodic evaluations of the products used and sold at the Franchised Restaurant. [Franchise Agreement, Section 9.05]

Site Selection and Length of Time before Opening

Typically, you will sign a TRA at the same time we have approved a site, or an MTRA that identifies one or more Target Areas in which you are authorized to search for sites for development of new Restaurant(s). A Target Area is an area with clear, describable boundaries. We assign Target Areas and issue TRAs and MTRAs in our sole discretion. Alternatively, you may sign a Development Agreement. The Development Agreement grants you a specific Territory in which to establish and operate Popeyes Restaurants under the System at specific locations to be designated in separate Franchise Agreements.

Unless we are leasing or subleasing a site to you, we do not select the site for your Franchised Restaurant and even in those situations you are free to locate your own site. If we are leasing or subleasing a site to you we or an affiliate will generally own the site.

Otherwise, you select the site subject to our acceptance of the site. You must submit for our acceptance a Site Package, in the form that we require (inclusive of your proposed site plan, floor plan and elevations), for the site of each Franchised Restaurant you propose to develop. We will evaluate each proposed site, site plan, floor plan and elevations and we will send you written notice of our acceptance or non-acceptance of the site. If an Impact Study is requested in accordance with our Impact Guidelines, our notice to you of acceptance or non-acceptance may be delayed.

We consider the following factors, among other things, in evaluating the proposed site: demographic characteristics (such as number of households in the neighborhood, average income and family size); traffic patterns; proximity to existing restaurants, including Popeyes Restaurants; and the size and condition of the proposed premises. We may retain the services of third-party real estate analysts to evaluate proposed sites for Popeyes Restaurants, including the potential sales that can be generated from particular sites. Our acceptance of a site or lease or sublease of a site to you is not a representation or promise by us that a Popeyes Restaurant at that site will achieve a certain sales volume or level of profitability. Similarly, our acceptance of one or more sites and our non-acceptance of other sites is not a representation or promise by us that a site we accept will have a higher sales volume or be more profitable than a site we do not accept. Our acceptance only indicates our willingness to be represented by you at that site. Within 90 days after our acceptance of a proposed site, you must provide us with satisfactory evidence (such as a deed or signed lease) that you have the right to occupy the site.

If we believe that a proposed site may have potential impact on another existing Popeyes Restaurant and the existing Restaurant is not located at an Alternative Venue, then, under our current site consideration and impact guidelines, the franchisee for any existing location may ask for an impact study analysis, which would be conducted by an independent third-party consultant. In this event, if you wish to continue to have your proposed site evaluated, you must pay for the impact study fee conducted by the third party in the amount of \$3,500.00 per study. If the results of an impact study reveal that the potential impact on sales for the existing location would be less than ten percent, the cost of the impact study will be paid by the existing

franchisee and we will refund to you the money that you paid. If the results of an impact study reveal that the potential impact on sales for the existing location would be ten percent or more, we would not approve the proposed site for development and you will not get a refund of the impact study fee. We may change or modify these impact guidelines periodically as we deem appropriate.

The typical length of time between the signing of a Franchise Agreement and the opening of the Franchised Restaurant is 30 days. The typical length of time between receiving site approval and the opening of the Franchised Restaurant is 9-18 months. The length of this period depends on many factors, such as your ability to buy or lease a site and obtain adequate financing, the local requirements you must meet to obtain permits and zoning approval, and other factors (such as weather) that affect construction in your area. Other factors may affect the length of this period, such as your ability to obtain insurance and to get your approval of the final and complete plans and specifications for the construction/renovation and decoration of the Franchised Restaurant.

If we cannot reach agreement on a site or you do not open within 18 months of receiving site approval, you will be unable to operate a Popeyes Restaurant, you may be in default under the Development Schedule of your Development Agreement or MTRA and we may terminate the Development Agreement, TRA or MTRA.

When we evaluate sites for future Popeyes Restaurants that you develop under the Development Agreement, we will apply our then-current policies and standards.

Except as disclosed above we do not locate a site for you. We do not negotiate the purchase or lease of a site for you. Under no circumstances do we conform the premises to local ordinances or building codes or obtain any required permits. This is your responsibility. If we lease or sublease a site to you in most cases we or a third party would have constructed the site assuming we are leasing or subleasing an actual building to you. Otherwise, we do not construct, remodel or decorate the premises.

The Popeyes Training Program

Certain of your management employees must complete (to our satisfaction) the Popeyes Training Program for their applicable management role at the Franchised Restaurant (“PTP”). PTP is provided to protect the System and the Proprietary Marks and not to control the day to day operation of your Franchised Restaurant. You are responsible for hiring and training your employees.

If the Franchised Restaurant is your first Popeyes Restaurant, then before you open or take possession of the Franchised Restaurant, a minimum of five of your designated management employees (we will decide the final number), including the Managing Director, must complete (to our satisfaction) PTP for their applicable management role at the Franchised Restaurant. If the Franchised Restaurant is not your first Popeyes Restaurant (i.e. you currently own and operate one or more Popeyes Restaurants), and if you already have an approved Managing Director that has completed PTP for his/her applicable management role in the Franchised Restaurant, then before you open or take possession of the Franchised Restaurant, a minimum of three of your designated management employees (we will decide the final number) must complete (to our satisfaction) PTP for their applicable management roles at the Franchised Restaurant.

In each case, PTP consists of a blended learning approach and curriculum, including online (including via an online learning management system designated by us), Webcasts, in-restaurant as well as training at locations designated by us. Components for PTP are provided on an as-needed basis and as determined by us. If your management employees complete PTP to our satisfaction, we will issue certificates of completion for these trainees. A management employee (including the Managing Director)

that successfully completes the designated segments of PTP for his/her applicable management role at the Restaurant is designated as a “Popeyes Certified Manager”.

Currently, PTP consists of training modules for restaurant general managers, assistant managers and shift managers. Before a manager can achieve Popeyes Certified Manager status, the manager must first complete (to our satisfaction) each module for his/her applicable management role at the Franchised Restaurant. If any Popeyes Certified Manager does not do so, such individual will no longer qualify as a “Popeyes Certified Manager”. To maintain certification as a Popeyes Certified Manager, each PTP participant must complete all available modules of PTP applicable to his/her management role at the Franchised Restaurant within 6 months of being hired in a management position at the Franchised Restaurant. We reserve the right to amend or modify the existing PTP modules at any time, and we also reserve the right to roll out to the System new or additional PTP modules. We in our sole discretion will determine whether the completion of a particular module is required for a manager to achieve Popeyes Certified Manager status.

Throughout the term of the Franchise Agreement, you must employ at the Franchised Restaurant at least one restaurant general manager and three or more shift managers who have satisfactorily completed PTP for their applicable management roles at the Franchised Restaurant and who have a current ServSafe Food Safety Certification (or state/local mandated equivalent certification). You must enroll a qualified replacement in PTP training for any manager who ceases active employment at your Franchised Restaurant within 30 days after the former employee’s last day of employment. The replacement employee must complete all components of PTP for his/her applicable management role at the Franchised Restaurant.

The Franchised Restaurant must at all times be under the on-site supervision of a Popeyes Certified Manager, and the Managing Director must remain active in overseeing the operations of the Franchised Restaurant, including regular, periodic visits to the Franchised Restaurant to ensure that the Franchised Restaurant’s operations comply with our operating standards.

PTP can last as long as six to ten weeks, the first two to four weeks of which consist of an orientation and team member station training until the trainee meets our proficiency standards. The next four to six weeks will cover leadership training as well as training modules for (as applicable) a restaurant general manager, and shift manager. The remaining modules of PTP can last as long as 20 to 50 hours, in the aggregate.

We designed certain segments of PTP as an in-restaurant training experience to educate you and/or your managers in the essential areas of Popeyes-specific operations and quick-service restaurant basics. If the Franchised Restaurant is your first Popeyes Restaurant, then PTP must be conducted at a Certified Training Restaurant (as defined below) with at least one Certified Training Manager (as defined below), whether such Popeyes Restaurant is company-operated or franchised and at such other training locations designated by us. However, if the Franchised Restaurant is not your first Popeyes Restaurant (i.e. you already own and operate one or more Popeyes Restaurants as of the date of this disclosure document), then PTP must be conducted at either a Certified Training Restaurant or another location that we approve, so long as at least one Certified Training Manager is present and conducting the training in question.

The cost to facilitate PTP training at a franchised Popeyes Restaurant may vary from franchisee to franchisee and must be paid by you before your trainees enter PTP training. Similarly, the cost to facilitate PTP training at other locations designated by us may also vary and must be paid by you before your trainees enter PTP training. The Popeyes training team identifies and facilitates the assignment and follow-up of franchisee-to-franchisee training for PTP participants. A designee of the Popeyes training team (as determined by the team) oversees the execution of the program and communicates overall program expectations.

A Certified Training Manager will supervise the in-restaurant training at the Certified Training Restaurant (if required as set forth above) and will assess the knowledge and skill level of each participant assigned to his/her facility. Trainees will be expected to demonstrate proficiency in each area by successfully executing tasks listed on validation checklists and/or successfully passing subject-specific tests. Both the checklists and tests are administered under the supervision of the Certified Training Manager. If a trainee demonstrates that he/she knows and is able to properly execute a module of the training program before the recommended timeframe for training delivery, he/she may proceed to the next segment of PTP training.

In order to be designated as a “Certified Training Manager”, an individual must meet certain standards that we choose, which currently include the following:

- (1) Must be a Popeyes Certified Manager who has completed (to our satisfaction) all then-available modules of PTP applicable to a restaurant general manager or higher;
- (2) Must work at a Restaurant that consistently receives high operations assessment scores (as determined in our discretion);
- (3) Must have a current ServSafe Food Safety Certification (or state/local mandated equivalent certification);
- (4) Must work at a Restaurant that is consistently in compliance with all current requirements for the physical condition of the Restaurant and minimum equipment standards; and
- (5) Must work at a Restaurant that has a training tablet, over-ear headphones and WiFi Internet access at all times (including email).

In order to be designated as a “Certified Training Restaurant”, the Restaurant must meet certain standards that we choose, which currently include the following:

- (1) Must consistently receive high scores on Restaurant Evaluations (including components for both food excellence and brand standards);
- (2) Must have a Certified Training Manager with a current ServSafe Food Safety Certification (or state/local mandated equivalent certification);
- (3) Must consistently be in compliance with all current requirements for the physical condition of a Popeyes Restaurant and minimum equipment standards;
- (4) Must have a training tablet, over-ear headphones, and Internet access at all times (including email);
- (5) Must have five Popeyes Certified Managers on the management team; and
- (6) Must have ten crew members certified in two primary positions as identified in the Positioning Guide found in our extranet site “The Scoop”.

In addition to having the requisite number of personnel complete PTP before the opening of a new Popeyes Restaurant, it is highly recommended that you be prepared to properly train and assess the knowledge and skill level of each team member that you employ at the Franchised Restaurant.

Training at the Certified Training Restaurant includes online and on-the-job training.

PTP provides for Popeyes Academy Training requirements for your restaurant management employees. Training schedules and locations for existing franchisees may be modified and reduced based on their prior experience.

We require that (a) each Popeyes Certified Manager, and (b) any other manager that you employ who may have been certified under a management certification program previously provided or approved by us, in each case, be certified or re-certified (to our satisfaction) in each applicable module of PTP (including the modules set forth above).

Periodically, we also may make available to you or your employees additional training programs that we, in our discretion, choose to conduct. Attendance at these training programs may be mandatory.

You must pay any and all fees, costs, and expenses that we may charge (or that our designated training vendors may charge) for the training programs described in this Item 11. We may elect to have these training programs conducted by other certified franchisees that have a Certified Training Manager described above. In addition to the above-described fees, costs, and expenses, you must also pay for all other costs and expenses that you and your trainees incur in connection with training, such as the cost of travel (including daily transportation to and from training), accommodations, meals, program materials and

fees, uniforms and employee wages and benefits (including any routine or emergency medical services). It is solely your responsibility to hire, train and otherwise be solely responsible for the employees in your Franchised Restaurant. We may offer training to your employees from time to time, and we may require you to send your employees to training programs and pay our applicable fees for providing that training. However, the fact that we may offer training to your employees does not relieve you from your primary responsibility to assure that your employees are properly trained.

All members of the Popeyes training team have extensive experience in training or operations with us and/or other hospitality companies. We employ the following individuals on our training staff who have the responsibility for delivering training programs, courses and support materials:

Director, Operations Training: Theresa Papaleo

Ms. Papaleo joined Popeyes in December 2022. Before joining Popeyes, Ms. Papaleo had over 20 years of experience in training and operations at Darden Restaurants, Krispy Kreme and Checkers & Rally's.

Point-of-Sale and Back-of-House Systems

You must purchase, install, and use at your Franchised Restaurant a point-of-sale system ("POS System") provided by a vendor we have approved. The POS System at your Franchised Restaurant must be approved in writing by us and meet our specifications.

You must also purchase, install, and use a back-of-house system ("BOH System") for your new Franchised Restaurant that has been approved in writing by us and meets our specifications. The BOH System provides functionality allowing the restaurant manager to track and manage inventory, food cost, labor scheduling, labor management, and other general restaurant management tasks and information. In addition, the BOH System provides reporting capabilities in the areas of inventory and labor management, cash management and accountability and menu mix, allowing the restaurant manager and above-store operators to have full visibility into all aspects of restaurant operations.

The Franchise Agreement allows us or our vendor to independently poll data and information from your Franchised Restaurants' systems (including your POS and BOH Systems), such as sales, menu mix, transaction-level data, inventory, labor, speed of service, and other similar items. In addition, we or our vendor will maintain standard recipes, menus, and reports. We may require that you use and adhere to a standardized set of menu sales item Product Look Up (PLU) codes and descriptors for every menu sales item in your POS System and BOH System, including limited time offers ("LTOs"). There are no contractual limits on our right to independently poll information from your POS and BOH Systems, either directly or through an approved vendor. You must subscribe to the approved polling solution. The POS and BOH Systems will permit you to manage cash control, inventory control, labor scheduling, sales forecasting and price change control. [Franchise Agreement, Section 4.06] You must follow all Payment Card Industry (PCI) compliance practices. We have the right to request documentation from you at any time demonstrating your PCI compliance status.

We may revise our specifications for the POS and BOH Systems periodically. Consequently, you must upgrade, update or add new features or components to your POS and BOH Systems at such time as specifications are revised. You must purchase a high speed broad band or cable internet connection which will allow us and/or our vendors to freely update menus, recipes, system configuration and independently retrieve data and information from your POS and BOH System, including daily sales, menu mix and other data as we determine. Many POS providers offer hardware and software maintenance services and even menu maintenance services where they will maintain the PLU's, recipes, prices, and POS programming

based on your needs and requests. These ongoing services typically range from \$150 to \$350 per month. The initial and ongoing costs of BOH Systems vary widely based on which form they take. For example, Cloud-based solutions generally have monthly subscription fees, but no upfront costs. In contrast, BOH software applications running on the computer system typically have an upfront purchase price ranging from \$2,000 to \$10,000 and annual software maintenance and support fees in the range of \$1,000 to \$3,500.

The POS and BOH approved vendors will provide help desk support, ongoing hardware, software and menu maintenance, reporting capabilities, repairs and upgrades to the POS and BOH Systems on an as needed basis as may be required by you. There are no limitations in the Franchise Agreement regarding the cost of such required support, maintenance, repairs, or upgrades relating to these systems, however, annual costs generally range from \$3,500 to \$6,500 per Popeyes Restaurant for each of the POS and BOH Systems and varies based on the specific vendor and product. It is your responsibility to ensure that your POS and BOH Systems are kept up to date with the latest versions and patches available from your POS and BOH vendors.

The initial costs to purchase and install a kiosk typically ranges from \$4,200 to \$8,500 depending upon the kiosk configuration. Ongoing services typically range from \$750 to \$1,000 annually per kiosk screen.

As mentioned in Item 6, you must pay us a Consumer Ordering Technology Fee. This fee consists of a monthly fixed amount of \$200 per Restaurant, plus 1% of “Digital Sales” which includes all sales facilitated by our digital platforms (such as the POPEYES® mobile app and website, kiosk, white label delivery, third party delivery and loyalty transactions). Currently, the Consumer Ordering Technology Fee is capped for each calendar year at \$6,500 per Restaurant

You must use gift cards and gift card processing systems specified by us at your restaurants. Additionally, you must comply with all applicable legal, regulatory, credit card and gift card requirements and brand standards regarding the use of information technology in your business and restaurants, and we may require you to use, and directly contract with, certain approved third-party vendors, and in some cases a single approved third-party vendor, for some or all of your managed firewall, other technology security compliance and/or credit card or government requirements related to the transmission/processing of credit card transactions and information. You must purchase or lease, install, and use pinpads provided by our approved supplier, and you must also use our approved supplier to process all credit card and debit card transactions.

You must have a secure managed firewall that meets our standards. You must enter into a contractual relationship directly with our approved managed firewall vendor. There are no limitations in the Franchise Agreement regarding the cost of such required support, maintenance, repairs, or upgrades related to these systems; however, initial costs generally range from \$0 to \$1,000, with current annual costs of approximately \$2,000.

Neither we nor any affiliate has any obligation to provide ongoing maintenance, repairs, upgrades or updates for any of the systems disclosed above nor do any third parties unless disclosed above. We can require you to upgrade or update any of the systems or other items disclosed above during the term of your Franchise Agreement and there is no limitation on the frequency or cost.

Computer System

You must purchase a computer system (separate and apart from the POS and BOH Systems) that meets our standards and specifications for training, communications and access to other Internet-based resources provided by us. The computer system will permit electronic communication of information

between us and you concerning the Popeyes System and your Franchised Restaurant, including access to our extranet, <http://www.thescoop.popeyes.com> and our online learning management system. The Franchise Agreement does not limit us from receiving (*i.e.* downloading) information from the computer system. The cost of the computer system ranges from approximately \$1,000 to \$3,000.

You must also purchase approved Digital Menu Boards for the interior and exterior of your Franchised Restaurant. The purchase price ranges between \$20,000 and \$67,500 for Outdoor Digital Menu Boards depending on the number of drive-thru lanes you have and the number of boards and type of mount purchased; and \$9,000 to \$18,000 for Indoor Digital Menu Boards depending on the number of screens, screen size and type of mounting purchased. The annual cost for content and support of the Outdoor Menu Boards ranges from \$350 to \$450 per drive-thru lane and is approximately \$375 for the Indoor Menu Boards.

In addition to accessing our online learning management system via a desktop computer or a laptop computer, you must have one dedicated training tablet and over ear headphones. The cost for the training tablet and over ear headphones ranges from \$350 to \$1,000 per tablet.

You must upgrade or update the computer system, tablet or mobile device (as applicable) and the Digital Menu Boards during the term of your Franchise Agreement to implement any changes to the specifications made by us periodically. There is no limitation on the frequency and cost of this obligation. Neither we, any affiliate nor any third party, except as disclosed above, have any obligation to provide ongoing maintenance, repairs, upgrades or updates for any of the items identified in this section.

Advertising and Promotion

Marketing Advisory Council

We have an informal marketing advisory council (“Council”), composed of franchisees chosen by the Popeyes International Franchisee Association (“PIFA”) from among its members. We consult with the Council concerning our marketing initiatives. The Council operates in an informal advisory capacity only. We do not have to consult with the Council, and we can discontinue doing so at any time. We can change or dissolve the Council or form additional councils.

Advertising Fund

Advertising and standardization of advertising and promotion is important to the goodwill, overall health, and public image of the System. We have established an advertising fund (“Ad Fund”) to accomplish this. You must make a weekly contribution to the Ad Fund, not to exceed 4.0% of Gross Sales (which is the current required amount). Presently, at least 3% is allocated to “working” media and 1% is allocated to “non-working” media such as production. Restaurants that we and our affiliates currently own contribute to the Ad Fund at the average rate of 4.0% of Gross Sales. Individual Popeyes Restaurant contribution rates vary and may be attributed to: (i) the opening date of the Popeyes Restaurant; and (ii) the corresponding Ad Fund rate paid by franchised Popeyes Restaurants opened during the same time period; (iii) franchises operated in non-traditional locations such as U.S. military bases and universities; and (iv) development incentive programs. The Ad Fund is currently used for national advertising and promotional materials and market research in any media format for the Popeyes System as determined by us. We or our designee will administer the Ad Fund.

The selection of media and locale for media placement will be at our discretion. Currently, we use television, radio, print, direct mail, digital, social and mobile media and restaurant point-of-purchase

advertising. We presently use several national advertising agencies to produce and place our advertising materials.

The Ad Fund currently uses all contributions made to it and any earnings to pay the costs of maintaining, administering, directing and preparing market research, advertising and/or promotional activities, including placement of national media campaigns and promotions. We do not have to spend any minimum amount from the Ad Fund, or from any other source, on advertising in the market in which your Franchised Restaurant is located. We maintain all sums paid to the Ad Fund in an account separate from our other funds. We maintain separate bookkeeping accounts for the Ad Fund. We anticipate that all contributions to, and earnings of, the Ad Fund will be spent for market research, advertising or promotional purposes during the taxable year in which these contributions and earnings are received. If, however, there are balances in the Ad Fund at the end of the taxable year, the amounts will be carried over to the following taxable year(s).

We do not use the Ad Fund to defray our expenses except for expenses we incur administering the Ad Fund and in running advertising and marketing programs for the System. We may charge the Ad Fund for our reasonable costs for market research, production and distribution of advertising materials. We will, upon request, provide you with an annual unaudited accounting of receipts and disbursements of the Ad Fund.

The Ad Fund is not an asset of ours or any of our affiliates. We intend the Ad Fund to be of perpetual duration; however, after the Ad Fund has spent all of its funds for the purposes described above, we may terminate the Ad Fund. In the fiscal year ended December 31, 2023, 4% of the expenditures from the Ad Fund were spent on media production, 58% on traditional and digital media placement, 8% on agency fees and expenses, 2% on point of purchase materials (including menu boards), and 28% on other expenses, including research. None of the monies collected for the Ad Fund are used to solicit new franchisees. Neither we nor our affiliates receive any payments for providing goods or services to the Ad Fund, except for the expenses we incur in administering the Ad Fund.

Regional Advertising/Co-ops

We can establish a Co-op for any DMA. If we establish a Co-op for the DMA in which your Franchised Restaurant is located, in addition to your contribution to the Ad Fund, you must contribute to the Co-op the percentage contribution established by that Co-op. A Co-op may also be established if the owners of 80% of the Popeyes Restaurants (franchised and operated by us) within a DMA vote to do so. We have the power to dissolve or merge Co-ops. Our Co-ops are governed by a standard prescribed set of by-laws adopted by the members of the Co-ops.

Members of a Co-op who are in good standing are entitled to one vote per Popeyes Restaurant with respect to advertising expenditures. A primary purpose of the Co-op is to administer advertising and marketing programs in the DMA and to develop, subject to our approval, standardized promotional materials for use by its members. The Co-op may not use or furnish to its members any advertising or promotional plans or materials without our prior approval. You must contribute to the Co-op weekly based on your Gross Sales for the prior week. All Co-op contributions will be sent to us with the corresponding Ad Fund Contribution, and will be allocated to the applicable Co-op account, which we administer for each Co-op. When you make your contribution to the Co-op, you also must submit any reports that we (or, if we permit, the Co-op) may require. Popeyes Restaurants that we own in a DMA with a Co-op will contribute to the Co-op on the same basis as franchisees with Popeyes Restaurants in that DMA and we will have the right to vote in the Co-op.

If you sign a Development Agreement or a Multiple Target Reservation Agreement, you will agree to cast your votes in each Co-op in which you are a member in favor of a Co-op contribution that is equal

to or greater than 1% of Gross Sales for the entire term of the Franchise Agreement for each Franchised Restaurant that you own, whether or not developed under the Development Agreement or the Multiple Target Reservation Agreement (including any renewals).

Upon written request, we may waive the requirement that you join a Co-op or pay the full contribution to the Co-op. For example, we may reduce, defer or waive your requirement to contribute. We have the sole discretion to decide whether to grant a waiver and our decision will be final. If we grant a waiver to you, you must still spend the same amount as you would have been required to contribute to the Co-op on local advertising during each accounting period.

Our Brand Marketing Manager and/or Brand Marketing Director for the DMA consults with, and in some instances may administer, the Co-op. Co-ops are not required to prepare annual financial statements.

Local Advertising

All local advertising, marketing, and promotional plans, as well as all advertising agencies and vendors that may implement such plans, in each case, must be designated by and approved by us. The same rules apply to a Co-op. We do not approve or disapprove the sale prices of products in proposed advertising, marketing or promotional plans.

ITEM 12 TERRITORY

Target Reservation Agreement and Multiple Target Reservation Agreement

You may only develop your Popeyes Restaurant at a site we have approved. If you are signing a TRA that site will be included at the time you sign the TRA. The MTRA defines one or more Target Areas in which we authorize you to search for one or more Popeyes Restaurant sites. You may only develop Franchised Restaurants in these Areas and you will not be granted any exclusivity in these Areas. There are no restrictions on us in these Target Areas.

You do not have any right to prevent or restrict the development of other restaurants at any locations in these Target Areas, at any time. We and our affiliates also have the right to sell products including POPEYES branded products, in other channels of distribution like grocery stores, convenience stores, the internet or other direct marketing sales under the POPEYES Marks or any others anywhere in these Target Areas. We may establish and license other Popeyes Restaurants to operate at locations in these Target Areas, including in the vicinity of your Franchised Restaurant. Other Popeyes Restaurants may compete with your Franchised Restaurant or may affect customer trading patterns. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You have no right to relocate your Franchised Restaurant other than with our prior written approval. The conditions under which we will grant this approval vary according to the circumstances.

Development Agreement

We occasionally grant Development Agreements. These agreements are typically granted only to sophisticated, highly experienced Franchisees. Development Agreements usually contain strict development schedules for multiple sites. The terms are subject to negotiation. When we issue a Development Agreement, we and the developer may negotiate other operational and financial terms to help achieve efficient and effective penetration and support of the market. If you sign the Development Agreement included as **Exhibit C3**, we will grant you a geographic area (“Territory”) and you must develop Franchised Restaurants within the Territory.

In limited circumstances, and subject to your compliance with your Development Agreement and any other agreements you or your affiliates may have with us, we may grant you the right during the term of your Development Agreement to develop Popeyes Restaurants in specific geographic areas within the Territory that you and we agree to. We refer to these areas as “Target Locations” Other than this grant there are no other prohibitions on us in your Territory or the Target Locations. For example, the right to develop, open and operate Popeye’s Restaurants at Alternative Venues (as discussed below) are specifically excluded from this grant. Additionally, the “Protected Area” granted by us to any Franchisee under a Franchise Agreement entered into before, on or after the Commencement Date of your Development Agreement is also excluded from and not considered a part of the Territory. We can, and we can grant others the right to, develop and operate Popeyes Restaurants within and outside the Territory so long as they are not in a Target Location. Rights or approvals we have granted to franchisees or others will not be affected by this limited grant, including rights or approvals granted under Development Agreements that existed before the execution of your Development Agreement. This grant will not limit our ability to renew or extend existing Franchise Agreements or Development Agreements within or outside the Territory, or to enter into new agreements for Popeyes Restaurants within or outside the Territory, including new development agreements, whether previously approved and under development or otherwise. You will not receive an exclusive territory under the Development Agreement. You may face competition from other

franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

As discussed above, the Territory does not include Alternative Venues (as defined below) and the protected area of any existing Popeyes Restaurant (including any closed Popeyes Restaurant that may re-open), even though these facilities may be located in the Territory or relocated in the Territory in accordance with our then-current relocation policy. Alternative Venues are defined as Popeyes Restaurants located in: (1) transportation facilities (including airports, train stations, bus stations, etc.); (2) toll road plazas; (3) educational facilities (including schools, colleges and universities); (4) enclosed shopping malls; (5) institutional feeding facilities (including hospitals, hotels and corporate cafeterias); (6) government institutions and facilities; (7) military bases; (8) casinos; (9) amusement, recreational and theme parks; (10) stadiums, arenas, and convention centers; and (11) delivery facilities (e.g., ghost kitchens).

Franchise Agreement

When you sign a Franchise Agreement for a Franchised Restaurant that is not an Alternative Venue, you will be granted a geographic area within which we will not open, nor license anyone other than you to open, a Popeyes Restaurant that is physically located in this area during the term of the Franchise Agreement (“Protected Area”). The Protected Area will consist of an area equal to the lesser of: (1) a 1 mile radius around the Franchised Restaurant, and (2) an area surrounding the Franchised Restaurant encompassing a population (residential and workplace combined) of 50,000 people. The limited exclusivity granted in the Protected Area does not apply to: (a) existing Popeyes Restaurants; (b) any closed Popeyes Restaurant that may re-open within three years from the closing date of such Restaurant; and (c) Popeyes Restaurants for which Franchise Agreements were previously granted. We also have the right to make and license others to make wholesale and retail sales of products identified by Popeyes trademarks within the Protected Area. The limited exclusivity does not apply to Alternative Venues nor do Alternative Venues receive Protected Areas. You will not receive an exclusive territory under the Franchise Agreement. You may face competition from other Popeyes Restaurants that we franchise or own and operate. Also, you may face competition from other outlets that we franchise or own, or from other channels of distribution or competitive brands we may control.

We have the right periodically to reduce or modify the Protected Area to reflect population shifts; however, if less than a 1-mile radius, the Protected Area always will include a population of at least 50,000 people. Except as provided in the previous sentence, we cannot alter the Protected Area.

When we evaluate the Protected Area for future Popeyes Restaurants that you develop under the Development Agreement we will apply our then-current policies and standards.

You may only operate the Franchised Restaurant from the location we have approved. You will not be restricted from soliciting or accepting orders from customers that may be located elsewhere. Similarly, other Popeyes Restaurants will not be restricted from soliciting or accepting orders from customers located in the vicinity of your Franchised Restaurant. You may not relocate the Franchised Restaurant without our prior written consent. We will evaluate your relocation request under our then-current relocation policy as well as our then-current site selection criteria, however, we have no obligation to approve your request. We will not permit you to relocate your Franchised Restaurant within the Protected Area assigned to another Popeyes Restaurant.

You do not have the right under the Franchise Agreement to acquire additional franchises.

Although we have not done so, we may sell products under the Trademarks or under different trademarks within and outside your Protected Area through any method of distribution, other than a

dedicated Popeyes Restaurant, including sales through such channels of distribution as the Internet, catalog sales, telemarketing, or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Protected Area and you will receive no compensation for our sales through alternative distribution channels. However, subject to our approval, you may use the internet to advertise your Popeyes Restaurant.

For example, all four currently offer sandwiches, french fried potatoes, and/or chips, dessert items and beverages. There may be now or in the future Burger King® restaurants, Tim Hortons restaurants, and/or Firehouse Subs® restaurants located in the same market as current and future Popeyes Restaurants. If there is a conflict between you and us caused by a Burger King®, Tim Hortons® or Firehouse Subs® restaurant or between a Popeyes® franchisee and a Burger King®, Tim Hortons® or Firehouse Subs® franchisee, our management team will attempt to resolve the conflict after taking into account the specific facts of each situation and what is in the best interests of the affected system or systems. However, we are not responsible for resolving conflicts between or among Popeyes® franchisees, or between or among a Popeyes® franchisee and a Burger King®, Tim Hortons® or Firehouse Subs® franchisee.

Except as previously described in Item 1 and in this Item 12, neither we nor any of our affiliates have established or presently intend to establish, other franchises or company-operated outlets selling or leasing similar products or services under a different trade name or trademark; however, we retain the right to do so in the future.

You must follow our rules when you use these trademarks. You cannot use the trademarks as part of a corporate, limited liability company or partnership name or with modifying words, designs or symbols. You may not use the trademarks in connection with the sale of any unauthorized products or services or in any manner not authorized in writing by us.

There are currently no effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court relating to the principal trademarks. There are no pending infringement, opposition or cancellation proceedings or material litigation involving the principal trademarks (except that some of our registrations exclude the city of Lake Geneva, Wisconsin). There are no agreements currently in effect that significantly limit our right to use or license the use of the principal trademarks in any manner material to you. We do not know of any superior prior rights or infringing uses that could materially affect your use of the principal trademarks in any state.

You must promptly notify us of any suspected infringement of or challenge to our trademarks. We will control any administrative proceeding or litigation involving our trademarks and will decide whether to pursue any suspected infringer. If we defend or commence litigation relating to the trademarks, you must sign documents and do what our counsel believes is necessary to carry out the defense or prosecution. Unless the litigation arises as a result of your use of the trademarks in a manner inconsistent with the Franchise Agreement, we will reimburse you for your out-of-pocket costs in doing these things (except that you will still bear the salary costs of your employees). Otherwise, we are not obligated by the Franchise Agreement, or any other agreement, to defend the rights granted to you to use the trademarks or to defend you against claims of infringement or unfair competition. Nevertheless, it is ordinarily in our best interest to do so.

If we find it necessary to modify or discontinue the use of a particular trademark as a result of litigation, or if we develop additional trademarks, or otherwise substitute trademarks for use in identifying the System and the Popeyes restaurants operating under the System, you must immediately use the new marks in place of the old marks upon receipt of our notice to do so, and such substitutions will be at your expense.

You may not operate an Internet web site for your Franchised Restaurant (“Web Site”) without our prior written consent. Our consent to your creating, operating and/or maintaining a Web Site is subject to those requirements as we may reasonably establish periodically, including, among others: (a) we may require you to submit to us for our prior written approval, a sample of the proposed Web Site, domain name, home page address, format and visible (including proposed screen shots and any text, video clips, photographs, images, sound bites or other materials in which any third party has any ownership interest) and non-visible (including meta-tags) content in the form and manner that we may reasonably require; (b) we may require you to establish hyperlinks to our web site and others as we may require, and obtain our prior written approval of your use of any other hyperlinks and/or other links; (c) we may require you to submit to us for our prior written approval any modifications to your Web Site. We may revoke our approval of your Web Site at any time and require you to discontinue your use of it. In addition to any other applicable requirements, you must comply with any standards and specifications we develop that are applicable to Web Sites as stated in the Manual or otherwise in writing. We may, at any time, designate the form and content of your Web Site and you must use any Web Site hosted by us or a third party whom we designate. We also may charge you a fee for developing, reviewing and approving your Web Site and/or hosting it. You may not use or permit any third party to use any of the Proprietary Marks in connection with any Internet web site and/or as part of any Internet domain name or electronic mail or home page address, unless such use is expressly approved by us in writing.

You may not operate or create a social media site, page or group containing our Proprietary Marks using tools including, but not limited to, Facebook, MySpace, X (formerly Twitter), YouTube, Instagram,

Except as described above, we do not own any patents, copyrights or related applications that are material to your Franchised Restaurant or the System. However, we claim copyright protection in the Manual and for certain additional forms, architectural, engineering, and construction plans, advertising materials, product specifications, computer programs, newsletters, training materials, and operations materials. We have no obligation to defend the copyrights or to defend you against claims arising from your use of the copyrighted items.

The Manual and these other materials contain our detailed standards, specifications, procedures and techniques for operating your Franchised Restaurant. The Manual and all other materials and information provided or disclosed to you regarding the System are disclosed in confidence. You may not, during or after the term of either the Franchise Agreement or the Development Agreement, communicate, divulge or use for the benefit of any other person, persons, partnership, association, corporation or other entity any confidential information, knowledge or know-how concerning the construction and methods of operation of the Franchised Restaurant which may be communicated to you or about which you may become aware because of your operation under the terms of the Franchise Agreement or the Development Agreement. You may divulge confidential information only to those of your employees who need access to it to operate your Franchised Restaurant. Any information, knowledge or know-how (including, for example, drawings, materials, equipment, recipes and other data) that we designate as confidential will be confidential for purposes of the Franchise and Development Agreements, except information which you can show came to your attention before the disclosure of that information by us; or which, at the time we disclose it to you, has become part of the public domain through publication or communication by others; or which, after our disclosure to you, becomes public domain through publication or communication by others.

At our request, we may also require that you obtain a signed confidentiality agreement requiring the signatory to agree (among other things) to not communicate, divulge, or use for the benefit of any person, persons, partnership, association, corporation, or any other entity, any confidential information, knowledge, or know-how concerning the methods of operation of your Franchised Restaurant (including information presented in the Manual), in each case, from each of the following individuals: all managers and assistant managers of your Franchised Restaurant, any other personnel employed by you who have received or will receive training from us, and (to the extent applicable) all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of 10 percent or more in the franchisee.

For additional information regarding the Manual, please refer to Item 11 of this disclosure document.

ITEM 15
OBLIGATION TO PARTICIPATE
IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must designate and retain an individual to serve as the Managing Director of the Franchised Restaurant. If you are an individual that owns the franchise, we recommend (but do not require) that you be the Managing Director. You must designate a Managing Owner who must have the authority to bind you in your dealings with us and our affiliates and who can direct any action necessary for your compliance with the Franchise Agreement or any other agreements relating to your Franchised Restaurant. The Managing Owner must be approved by us and must have at least a 10% legal or beneficial ownership interest in the franchise or the right to receive 10% or more of the operating profits of the Franchised Restaurant. Your Managing Owner, along with all of your other owners, must sign the Managing Owner/Owner(s) Certification, an example of which is attached as **Exhibit E2** to this disclosure document. Among other things, this Certification prohibits those who sign it for 2 years after any termination or expiration of a Franchise Agreement or sale of a Franchised Restaurant from owning, operating or have any interest in any chicken business, except other franchised Popeyes Restaurants, either at or within 10 miles of the premises of each Franchised Restaurant you own.

The Managing Director must have full control over the day-to-day operations of the Franchised Restaurant and any other Popeyes Restaurants owned by you located in the same geographic area. The Managing Director must devote his or her full-time and best efforts to supervising the operation of the Franchised Restaurant(s), ensuring compliance with the standards we set out in the Manual or otherwise in writing, not engage in any other business or activity that requires substantial management responsibility, and not own, operate or have any interest in any chicken business except other franchised Popeyes Restaurants while employed as the Managing Director. The Managing Director must have his or her primary residence within a reasonable driving distance of the Franchised Restaurant. The Managing Director must complete all modules of PTP that we require. The Managing Director must also sign the Managing Director Certification, an example of which is attached as **Exhibit E3** to this disclosure document. If the Managing Director for the Franchised Restaurant is not the same individual as the Managing Owner, then, unless otherwise approved by us in writing, the Managing Director for the Franchised Restaurant, collectively with all other individuals acting as Managing Directors for Franchised Restaurants owned by you, if any, must have at least a 2.5% legal or beneficial ownership interest in the franchise or the right to receive 2.5% or more of the operating profits of the Franchised Restaurants owned by you.

Your Franchised Restaurant must at all times be under the direct, on-premises supervision of a Popeyes Certified Manager. You must maintain the number of Popeyes Certified Managers and crew members on your staff as we require. If you operate more than one Popeyes Restaurant, you must also employ a supervisor (who meets the reasonable standards that we set out in the Manual or otherwise in writing) to supervise and coordinate the operation of the Popeyes Restaurants. You must hire another Supervisor upon the opening of your 8th Popeyes Restaurant and for every additional 7-10 Popeyes Restaurants that you open. Each Supervisor must complete all modules of PTP that we require. A Manager does not need to own an equity interest in you unless the Manager is also your Managing Owner.

You are solely responsible for all employment decisions and functions for the Franchised Restaurant, such as those related to hiring, firing, remuneration, compensation, personnel policies, training, benefits, insurance, compliance with wage and hour requirements, recordkeeping, and the supervision and discipline of employees. The people that you hire to work in your Franchised Restaurant will be your agents and employees. They are not our agents or employees and we are not a joint employer of those persons.

If we request, you must have in-person meetings with our representatives to (among other things) review and discuss the operations and performance of your Popeyes Restaurants. These meetings will be at location(s) we designate (which may include our corporate headquarters in Miami, Florida).

Unless you are a publicly-held entity, your officers, directors and all holders of your legal or beneficial interests of 10% or more must jointly and severally guarantee your payment and performance obligations under the Franchise Agreement and the Development Agreement and also shall bind themselves to the terms of the Franchise Agreement and the Development Agreement pursuant to an Owner's Guaranty (**Exhibit E1**) or, if applicable, the Development Agreement (**Exhibit C3**).

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use the Franchised Restaurant solely for the operation of a Popeyes Restaurant and must keep the Franchised Restaurant open and in normal operation for the hours and days as we specify in the Manual or otherwise in writing.

You must operate the Franchised Restaurant in strict conformity with the methods, standards and specifications as we prescribe in the Manual or otherwise in writing.

You must offer for sale and sell at the Franchised Restaurant all and only those products and services as are expressly authorized by us in the Manual or otherwise in writing. You may offer products and menu items for sale at whatever price you want except with respect to certain products on the menu designated by us from time to time, which are subject to a maximum price set by us. You are not bound by any sales price that we may recommend or suggest. We can change the menu items, ingredients, products, materials, supplies and paper goods or the standards and specifications of each and there are no limits on our ability to do so. You must promptly comply with the new requirements.

We do not limit the customers to whom you may sell products or services, except that you may only sell products and services to customers using a delivery aggregator (e.g. Uber Eats, Grub Hub) or delivery service that we approve.

See Item 8 for more specific information on restrictions covering what you may sell.

TABLE V: EBITDA – BY OPERATIONAL TIER
FREE-STANDING AND INLINE FRANCHISED RESTAURANTS

Set forth below are calculations of EBITDA as a percentage of 2023 Annual Sales and certain select expenses based upon Operational Tiers for the Popeyes Restaurants whose information was included in Table IV above. An Operational Tier represents the quality of the Restaurant’s operations, with Tier 4 representing the lowest score, and Tier 1 representing the highest score. We assign Operational Tiers three times annually based on objective factors including number of guest complaints, speed of service, percentage of training certifications completed, and third-party audit results focused on brand standards. The Operational Tiers below reflect the average of three distinct full-round of assignments between January 1, 2023 and December 31, 2023.

NOTES TO TABLES I THROUGH V

1. Sales shown in these tables include all sales revenues generated in the Popeyes Restaurant in 2023 and reported to us, excluding refunds and sales taxes, and amounts from the sale of equipment used in operation of the Restaurant. This is consistent with the definition of Gross Sales in our Franchise Agreement. Sales volumes vary considerably due to a variety of factors, such as demographics of the restaurant trade area, competition from other restaurants in the trade area, traffic flow, accessibility and visibility, economic conditions in the restaurant trade area, advertising and promotional activities, and the business abilities and efforts of the management of the restaurant.

2. For franchised Popeyes Restaurants, the sales information disclosed in this Item 19 is taken from reports provided to us by these franchisees or from information we were able to obtain via the franchisees' point of sale systems. Franchise expense information disclosed in this Item 19 is taken from Restaurant-level income statements submitted by franchisees. We have not audited the royalty or income statement reports submitted by franchisees. For company-operated Popeyes Restaurants, the sales information is taken from our accounting systems.

3. Any Restaurant that was open for less than 15 days in any one month period during 2023 was excluded from the tables above as a temporary closure. This is consistent with how we consider these Restaurants in our System. Restaurants that were temporarily closed, closed for reasons that include the following: a fire at the Restaurant, a remodel of the Restaurant, construction in the surrounding environment, Municipal/State/Federal actions, and other operational issues leading to the irregular closure of the Restaurant.

4. Some Popeyes Restaurants have sold and earned these amounts. Your individual results may differ. There is no assurance that you'll sell or earn as much.

5. Food and Paper Costs consist of the total costs of food and beverage items as well as the cost of paper and packaging supplies in each sales range described. Not all franchisees used the same reporting method. If a franchisee separately reported shipping and carbonation costs, then we added those costs to the franchisee's Food and Paper Costs. Food and Paper Costs may vary depending upon a Popeyes Restaurant's location, menu, variances in prices, temporary shortages, participation in cooperative or distribution programs and control over costs. Popeyes Restaurants purchase many items used in the operation of the Popeyes Restaurants under purchasing arrangements and contracts that Supply Management Services, Inc., Popeyes' third party purchasing cooperative, negotiates with suppliers and distributors, which may have permitted the Popeyes Restaurants to purchase and have those items delivered at a volume discount. To the extent these arrangements are changed or are not available to you in your market, these costs could increase.

6. Labor Costs include costs for restaurant level hourly and management labor including salaries, workers compensation insurance, workers medical claims, bonuses, FICA, payroll taxes, unemployment insurance, medical benefits, vacation pay, holiday pay, other pay, sick pay, contract labor, fringe benefits and training. Labor costs do not include an owner's draw. Costs related to district managers, area managers, life insurance, maintenance labor and auto expenses are not included in the results. However, if a franchisee did not separately report these costs on their income statements, then these costs could be included in the franchised Popeyes Restaurant results. Your Labor Costs will be affected by the amount of vacation time and vacation pay that you provide to your employees, the rate of employee turnover, the local labor market, applicable minimum or "living" wage laws and health or other mandated benefits, and your control over costs. The costs of providing group health insurance for employees and workers' compensation insurance will vary depending on many factors, including the extent and amount of coverage provided, the loss experience of the group, which insurance provider is chosen and potential

coverage requirements mandated by governmental regulation. Therefore, you may encounter higher relative costs in obtaining comparable insurance coverage.

7. Other Costs include all royalties paid to us, advertising fund contributions paid to us, rental and other occupancy expenses, utilities expenses, small equipment repair and maintenance, insurance, and other miscellaneous costs such as security, local store marketing, recruiting expenses, consumer ordering technology fees, training platform fees, PLK Foundation fees, or other subscription fees including digital menu board and POS menu maintenance fees.

8. EBITDA, or Earnings before interest, taxes, depreciation and amortization, is calculated as follows: Annual Sales minus Food and Paper Costs minus Labor Costs minus Other Costs. EBITDA does not include any non-cash expenses such as depreciation, gains and losses on the sale of assets, impairment or disposal of assets and amortization of business value, franchise fees, or loan fees.

You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you. Specifically, in conjunction with settlement agreements, workout agreements and certain amendments to franchise and development agreements, some former and current franchisees have signed confidentiality agreements.

TARGET RESERVATION AGREEMENT
(NON-EXCLUSIVE)

This Target Reservation Agreement (“Agreement”) is made and entered into in Miami, Florida as of the ____ day of _____, 20__ (the “Effective Date”), by and between **POPEYES LOUISIANA KITCHEN, INC.** (“PLK”), a Minnesota corporation having its principal place of business at 5707 Blue Lagoon Drive, Miami, Florida, 33126, and _____ (“Developer”).

INTRODUCTION

In consideration of the mutual undertakings and covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I: GRANT

1.1 **POPEYES® Restaurant Site.** Subject to the terms and conditions of this Agreement, PLK grants Developer the right to develop a POPEYES® restaurant (the “Franchised Restaurant”) at the specific address set forth on Exhibit A (“Site”), and the development of a Franchised Restaurant at the Site. In addition, Developer acknowledges and agrees that Developer’s development of a Franchised Restaurant at the Site is subject to the requirements, procedures, and standards of PLK’s then-current Impact Guidelines.

1.2 **No Territorial or Other Rights.** The development rights granted to Developer in this Agreement are for the Site set forth in Exhibit A only, and: (a) Developer has no express or implied territorial rights in any area to develop POPEYES® restaurants; (b) PLK has the unconditional right to directly or indirectly develop, establish and/or approve a franchisee to develop POPEYES® restaurants at all locations other than the Site; (c) the development rights specifically exclude the right to obtain approval for development of a POPEYES® restaurant at any institutional locations, including, but not limited to, public buildings, schools, hospitals, airports, factories, turnpikes, toll roads, universities, and existing or hereafter established U.S. military establishments; and (d) rights or approvals previously granted by PLK to other persons or entities are not affected by this Agreement. This Agreement shall not limit PLK’s ability to renew or extend existing agreements or enter into new agreements for any POPEYES® restaurant whether previously approved and under development or otherwise.

1.3 **Success or Viability of a Site or Franchised Restaurant.** The Developer agrees that neither PLK’s approval of the Site nor any site selection assistance, site identification or other assistance by PLK prior to such approval, shall be construed or interpreted as a representation or warranty relating directly or indirectly to the success or viability of the Site or Franchised Restaurant and no reliance shall be placed on any warranty, representation or advice that may be given by any person by or on behalf of PLK directly or indirectly relating to the success or viability of the Site or Franchised Restaurant. Developer represents and warrants that it has conducted its own independent investigation and due diligence with respect to the viability and success of the Site or Franchised Restaurant and acknowledges that there are risks associated with the development of a Franchised Restaurant at the Site and that there are no guarantees that the Site or Franchised Restaurant will be successful or viable.

ARTICLE II: OPENING DEADLINE SCHEDULE

Opening Deadline Schedule. Developer shall, in accordance with the terms and conditions hereof, construct, open and operate the new Franchised Restaurant at the Site no later than the date three hundred sixty (360) days after the Effective Date (the "Opening Deadline").

ARTICLE III: TERM

Unless terminated earlier or extended, as provided herein, this Agreement shall commence as of the Effective Date and expire on the date of the Opening Deadline. Except as provided herein, Developer has no right to any extension or renewal of this Agreement.

ARTICLE IV: DEVELOPMENT PROCEDURE

4.1 Nature of Agreement. Developer understands and agrees that this Agreement is not a franchise agreement and does not grant Developer a franchise for the operation of a POPEYES® restaurant or any right to use the PLK trademarks, service marks or other PLK intellectual property, but is merely intended by the parties to set forth the terms and conditions which, if fully satisfied, would entitle the Developer to obtain an individual Franchise Agreement for the Site to be developed under this Agreement.

4.2 Franchise Approval. Notwithstanding any provision in this Agreement to the contrary, the Developer understands and agrees that, as a condition precedent to the development of the Franchised Restaurant, the Developer must apply for, meet and maintain PLK's then-current operational, financial, credit, legal and other criteria for developing and operating a new POPEYES® restaurant as set forth in the then-current PLK Franchise Approval and Expansion Policy ("Franchise Approval"). Developer understands and accepts that PLK may change its criteria for Franchise Approval as it applies to all Franchisees in the U.S. during the term of this Agreement. Failure to meet the requirements for operational, financial, credit and/or legal approval shall constitute grounds for, among other things, PLK refusing to grant Franchise Approval or withdrawing an approval already granted. Any failure by Developer to qualify for Franchise Approval for any period of time shall not extend, modify or reduce the development obligations of Developer under this Agreement and if such failure results in Developer defaulting on its development obligations under this Agreement, PLK may, in its sole discretion, exercise its right to terminate this Agreement under Section 5.1.2 and the provisions of Section 5.2(ii) shall not apply.

4.3 Site Approval. Upon execution of this Agreement, Developer shall be deemed to have obtained site approval ("Site Approval") from PLK for the Franchised Restaurant to be developed at the Site. Developer understands and acknowledges that in addition to Site Approval, Developer shall obtain all permits required to construct, open and operate the Franchised Restaurant at the Site. Site Approval automatically expires (without any requirement of PLK to provide Developer any written notification of its expiration) on the date of the Opening Deadline (subject to any applicable cure period granted herein).

4.4 Site Acquisition, Construction Approval and Construction.

4.4.1 Within ninety (90) days following the Effective Date, Developer shall submit, in writing to PLK, satisfactory proof that Developer:

4.4.1.1 owns the Site;

4.4.1.2 has leased the Site for a term which, with renewal options, is not less than the initial term of the Franchise Agreement for the Franchised Restaurant; or

4.4.1.3 has entered into a written agreement to purchase or to lease the Site on terms provided herein, subject only to obtaining necessary governmental approvals.

The proof required by this Section 4.4.1 includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of leases or deeds is conditioned thereon. Failure to provide PLK with the proof required by this Section 4.4.1 within the 90-day period set forth in this Section 4.4.1 shall constitute a default of this Agreement with no opportunity to cure.

4.4.2 PLK assumes no liability or responsibility for: (a) evaluation of the Site's soil for hazardous substance; (b) inspection of any structure on the Site for asbestos or other toxic or hazardous materials; (c) compliance with the Americans With Disabilities Act (the "ADA"); or (d) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

4.4.3 If Developer proposes to lease or sublease the Site, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Developer from performing its obligations under the Franchise Agreement for the Franchised Restaurant.

4.4.4 The Franchised Restaurant must be constructed, equipped and furnished in accordance with PLK approved plans and specifications (the "Construction Plans"). Prior to construction, Developer must obtain from PLK written architectural and design approval of Developer's plans as indicated by issuance of a restaurant number ("PLK #"). Developer must obtain PLK's approval of the type of facility, site layout, and equipment configuration for the Franchised Restaurant, including the building design, style, size, interior decor, type of equipment, service format and equipment arrangement ("Construction Approval"). For the avoidance of doubt, Construction Approval solely indicates PLK's approval of the Franchised Restaurant design in accordance with the Construction Plans.

4.4.5 PLK assumes no liability for the adequacy of any Construction Plan. Developer assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. It shall be Developer's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Site, and Developer shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Developer shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to PLK's reasonable satisfaction the ability to meet PLK's reasonable quality standards (as determined by PLK in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Restaurant. Developer shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans, including the costs and expenses incurred for any plans containing deviations or modifications from PLK's standard plans and specifications. For the avoidance of any doubt, the Franchised Restaurant may not open if construction has not been performed in substantial compliance with the Construction Plans as approved by PLK. PLK may terminate this Agreement if such non-compliance is not cured within a commercially reasonable amount of time.

4.4.6 Developer shall complete the construction of the Franchised Restaurant and commence operation of the Franchised Restaurant (the "Opening Date") by no later than the Opening Deadline.

4.4.7 Right to Open a Franchised Restaurant. At least forty-five (45) days prior to the proposed Opening Date of the Franchised Restaurant, Developer shall notify PLK in writing of such proposed opening. Upon receipt of such notice, PLK may provide a representative to be present at the opening of the Franchised Restaurant. The Franchised Restaurant shall not open until Developer has received PLK's prior written approval to open. Should commencement of operation of the Franchised Unit be delayed by the failure of PLK to provide such a representative, the date upon which commencement of operation of the Franchised Restaurant is required pursuant to this Agreement shall be extended until such time as such assistance is provided by PLK. Should Developer reschedule the Opening Date of the Franchised Restaurant less than thirty (30) days prior to the date scheduled with PLK, Developer shall reimburse PLK for any out-of-pocket expenses incurred by PLK in connection with the reschedule, unless such delay was caused solely by PLK or as otherwise agreed to by PLK in writing.

ARTICLE V: DEFAULT

5.1 Events of Default. Each of the following events shall constitute an "Event of Default" under this Agreement, which, unless otherwise specified, shall entitle PLK to immediately terminate this Agreement upon written notice to Developer:

5.1.1 Developer fails to provide proof of property control of the Site in accordance with Section 4.4.1 of this Agreement;

5.1.2 Developer fails to develop and open for business the Franchised Restaurant by the Opening Deadline (a "Development Default");

5.1.3 Developer breaches or otherwise fails to timely comply with any provision of this Agreement;

5.1.4 Developer fails to cure any default within the time specified by PLK in any notice to Developer, under any franchise agreement, lease, or any other agreement with PLK; or

5.1.5 The knowing and intentional submission by Developer of any applications which contain false or misleading statements or omission of any material fact.

5.2 Cure. In the event of a Development Default, Developer may cure such Development Default as follows: (i) open the Franchised Restaurant within thirty (30) days from the Opening Deadline (the "Cure Period"); or (ii) pay to PLK at the time of the Development Default an amount equal to the then-current franchise fee for the Franchised Restaurant, which will be applied to payment of franchise fees for the Franchised Restaurant and is deemed fully earned and non-refundable. In the event Developer elects to cure the Development Default as described in this Section 6.2(ii), PLK shall extend the Opening Deadline for the Franchised Restaurant to a date which shall be ninety (90) days from the original Opening Deadline (the "Extended Opening Deadline"). PLK shall also extend the Site Approval and Construction Approval for the Franchised Restaurant to be developed at the Site until the Extended Opening Deadline. Further, failure to open the Franchised Restaurant by the Extended Opening Deadline shall result in the immediate termination of this Agreement by PLK without further notice, in which event Developer shall forfeit all amounts paid under this Agreement.

5.3 Termination. Upon termination of this Agreement by PLK or if at the time of expiration of this Agreement Developer has not developed and opened the Franchised Restaurant, any rights granted to Developer pursuant to this Agreement shall terminate and Developer shall forfeit all amounts paid under this Agreement.

ARTICLE VI: INDEMNIFICATION/INSURANCE

6.1 Indemnification. Developer is responsible for all losses, damages and/or contractual liabilities to third parties arising out of or relating to any of the obligations, undertakings, promises and representations of Developer under this Agreement, and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom. Developer agrees to defend, indemnify and save PLK and PLK's officers, directors, agents, employees, attorneys, accountants, subsidiaries, affiliates and parent company harmless of, from and with respect to any such claims, demands, losses, obligations, costs, expenses, liabilities, debts or damages (including, without limitation, reasonable attorney's fees). PLK shall notify Developer of any such claims, and Developer shall be given the opportunity to assume the defense of the matter. If Developer fails to assume the defense, PLK may defend the action in the manner it deems appropriate, and Developer shall pay to PLK all costs, including attorney fees, incurred by PLK in effecting such defense. PLK's right to indemnity under this Agreement shall arise and be valid notwithstanding that joint or concurrent liability may be imposed on PLK by statute, ordinance, regulation or other law.

6.2 Insurance. Developer shall procure the insurance coverage provided for in PLK's standard form of Franchise Agreement as disclosed in PLK's then-current Franchise Disclosure Document, prior to the commencement of construction of a Franchised Restaurant, and shall maintain such insurance coverage throughout the term of the Franchise Agreement.

ARTICLE VII: SEVERABILITY

If any of the provisions of this Agreement may be construed in more than one way, one of which would render the provision illegal or otherwise void, voidable or unenforceable, such provision shall have the meaning which renders it valid and enforceable. This Agreement shall be construed according to its fair meaning and not strictly against any party. If any court or other government authority determines that any provision is not enforceable as written, the parties agree that the provision shall be amended so that it is enforceable to the fullest extent permissible under the laws and public policies of the jurisdiction in which enforcement is sought and affords the parties the same basic rights and obligations and has the same economic effect. If any provision is held invalid or otherwise unenforceable, such findings shall not invalidate the remainder of the agreement unless, in the reasonable opinion of PLK, the effect of such determination frustrates the purpose of this Agreement whereupon PLK shall have the right by written notice to the other party to immediately terminate this Agreement.

ARTICLE VIII: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties with respect to the subject matter hereof and cancels and supersedes all prior negotiations, understandings and agreements, written or oral, relating to the Site and development of a Franchised Restaurant thereon. The parties acknowledge that they are not relying upon any representation, warranty, condition, agreement or understanding, written or oral, except as herein specified. Nothing in this Section, however,

is intended to disclaim any representations PLK made in the Franchise Disclosure Document that it furnished to Developer. Neither this Agreement nor any term or provision of it may be changed, waived, discharged, or modified orally. The only changes, waivers, discharges or modifications that will be effective will be those which are in writing and signed by the parties to this Agreement.

ARTICLE IX: MISCELLANEOUS

9.1 **Notice.** Any notice shall be in writing and shall be delivered or sent by registered or certified mail postage fully prepaid, or a nationally recognized courier service and if to PLK to: Popeyes Louisiana Kitchen, Inc., 5707 Blue Lagoon Drive, Miami, Florida 33126, Attn: General Counsel, if to Developer: _____. All such notices shall be deemed delivered on the earlier of actual receipt or the third (3rd) day after being deposited in the US Mail.

9.2 **Assignment.** This Agreement may not be directly or indirectly assigned, transferred or encumbered by Developer. PLK may assign this Agreement, in whole or in part, at any time in its sole discretion.

9.3 **Non-Waiver.** Failure of PLK to insist upon strict performance of any terms of this Agreement shall not be deemed a waiver of any subsequent breach or default. Acceptance by PLK of any money paid by Developer under this Agreement or under any Franchise Agreement shall not constitute a waiver by PLK of any breach or default of this Agreement or any Franchise Agreement.

9.4 **Relationship of Parties.** The parties to this Agreement are not partners, joint venturers, or agents of each other and there is no fiduciary relationship between the parties. Developer has no right to bind or obligate PLK in any way and Developer shall not represent that it has any such right. This Agreement is not a franchise for the operation of a POPEYES® restaurant.

9.5 **Governing Law/Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The parties hereto acknowledge and agree that the United States District Court for the Southern District Court of Florida, or if such court lacks jurisdiction, the 11th Judicial Court (or its successor) in and for Miami-Dade County, Florida, shall be the venue and exclusive proper forum in which to adjudicate any case or controversy arising, either directly or indirectly, under or in connection with this Agreement, the Franchise Agreement or related documentation and any other agreement between the parties, and the parties further agree that, if litigation arises out of, or in connection with this Agreement, the Franchise Agreement, or related documentation or any other agreement between the parties in these courts, they will not contest or challenge the personal jurisdiction or venue of these courts.

9.6 **GENERAL RELEASE.** For and in consideration of PLK entering into this Agreement, and other good and valuable consideration received from or on behalf of PLK, the receipt of which is hereby acknowledged, Developer hereby remises, releases, acquits, satisfies, and forever discharges PLK, its officers, directors, agents, employees, affiliates, subsidiaries, parent corporation, and all of their assignees (individually and together "PLK"), of and from all manner of action and actions, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, executions, claims, and demands whatsoever, in law or in equity, which Developer ever had, now has, or which any successor or assign of Developer hereafter can, shall, or may have, whether known or unknown, against PLK for, upon, or by reason of any matter, cause, or thing whatsoever, from the beginning of the world to the day of these presents. [DEVELOPER, EXPRESSLY AND INTENTIONALLY, AND WITH FULL KNOWLEDGE AND ADVICE

OF COUNSEL, DOES HEREBY WAIVE THE PROVISIONS AND PROTECTIONS OF THE CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."]

9.7 No Representations or Warranties. Developer agrees that PLK approvals are not a representation or warranty of the potential success or viability of a Site or Franchised Restaurant. Developer shall not rely on any warranty, representation or advice given by or on behalf of PLK directly or indirectly relating to the success or viability of a Site or Franchised Restaurant.

9.8 Franchise Agreement. Developer understands and agrees that as a condition precedent to PLK granting a franchise to operate a Franchised Restaurant, Developer must meet the requirements for Franchise Approval. Developer must sign and return to PLK, no less than seven (7) days prior to the opening of the Franchised Restaurant, the then-current form of POPEYES® restaurant franchise agreement as disclosed in PLK's then-current Franchise Disclosure Document ("Franchise Agreement"), together with the then-current franchise fee, less only the Franchise Fee Deposit for the Franchised Restaurant. Developer shall not open the Franchised Restaurant prior to the execution of a Franchise Agreement, payment of the franchise fee, and receipt of PLK approval.

9.9 Survival. Section 7 and all other provisions which must survive in order to give effect to their intent and meaning shall survive the termination or expiration of this Agreement.

9.10 Time is of the Essence. Time is of the essence with respect to Developer's obligations under this Agreement.

MULTIPLE TARGET RESERVATION AGREEMENT
(NON-EXCLUSIVE)

This Multiple Target Reservation Agreement ("Agreement") is made and entered into in Miami, Florida as of the ____ day of _____, 20__, ("Effective Date") by and between **POPEYES LOUISIANA KITCHEN, INC.** ("PLK"), a Minnesota corporation having its principal place of business at 5707 Blue Lagoon Drive, Miami, Florida, 33126, and ("Developer").

INTRODUCTION

In consideration of the mutual undertakings and covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I: GRANT

1.1 Target Areas. Subject to the terms and conditions of this Agreement, PLK grants Developer a non-exclusive right to develop POPEYES® restaurants (each a "Franchised Restaurant" and collectively, the "Franchised Restaurants") within the specific geographic areas set forth on Exhibit A (the "Target Areas"). Developer may submit additional proposed Target Areas to PLK for approval within sixty (60) days from the Effective Date. Developer acknowledges and agrees that all Target Areas shall be located within the territory set forth on Exhibit A (the "Territory").

PLK and Developer will review the Target Areas as needed throughout the term of this Agreement and may make amendments to the Target Areas as mutually agreed by the parties. At PLK's sole discretion, the total number of Target Areas listed on Exhibit A can exceed the number of required restaurant openings. Each Franchised Restaurant will be developed at a specific address in a Target Area (each, a "Site"), and any proposed Site shall be subject to the prior approval of PLK, in its sole discretion, as described herein. In addition, Developer acknowledges and agrees that PLK's review and evaluation of any proposed Site is subject to the requirements, procedures, and standards of PLK's then-current Impact Guidelines.

Notwithstanding anything to the contrary in this Agreement, Developer acknowledges and agrees that if any part of the Target Area falls within the Protected Area (as such term is defined in the applicable Franchise Agreement) granted by PLK to a PLK franchisee pursuant to a franchise agreement entered into prior to, on or after the Effective Date, the Target Area shall not include such Protected Area.

1.2 Substitute Target Area. If PLK denies all Site Approval (as defined below) requests submitted by Developer prior to the Site Approval Due Date (as defined below) for any Term Year and PLK determines there is no other comparable Site in the Target Area, PLK will allow Developer to remove a Target Area from Exhibit A and replace it with a new Target Area acceptable to PLK in its sole discretion.

1.3 No Territorial or Other Rights. The non-exclusive rights granted to Developer in this Agreement are for the Target Areas set forth in Exhibit A only, and: (a) Developer has no express or implied territorial rights in any area to develop POPEYES® restaurants; (b) PLK has the unconditional right to directly or indirectly develop, establish and/or approve a franchisee to develop POPEYES® restaurants within and outside of the Target Areas; (c) the development rights specifically exclude the right to obtain approval for development of a POPEYES® restaurant at any institutional locations, including, but not limited to, public buildings, schools, hospitals, airports, factories, turnpikes, toll roads, universities, and existing or hereafter established U.S. military establishments; and (d) rights or approvals previously granted by PLK to other persons or entities are not affected by this Agreement. This Agreement shall not limit PLK's ability to renew

or extend existing agreements or enter into new agreements for any POPEYES® restaurants whether previously approved and under development or otherwise.

1.4 Success or Viability of a Site or Franchised Restaurant. The Developer agrees that any site selection assistance, site identification, or offer to develop a Site by or on behalf of PLK shall not be construed or interpreted as a representation or warranty relating directly or indirectly to the success or viability of a Site or Franchised Restaurant and no reliance shall be placed on any warranty, representation or advice that may be given by any person by or on behalf of PLK directly or indirectly relating to the success or viability of a Site or Franchised Restaurant. Developer agrees to conduct its own independent investigation and due diligence with respect to the viability and success of a Site or Franchised Restaurant and acknowledges that there are risks associated with the development of a Franchised Restaurant at any Site and that there are no guarantees that any Site or Franchised Restaurant will be successful or viable.

1.5 Franchising and Business Development Expense Reimbursement. On or before the Effective Date, Developer shall pay to PLK the aggregate amount equal to _____ (\$_____) (the "Franchising and Business Development Expense Reimbursement") as a reimbursement of costs and expenses incurred by PLK or any of its affiliates, comprised of expenses including, but not limited to (i) travel, accommodation, meals, and ground transportation in relation to the conduct of sourcing, due diligence, and onboarding of Developer, and (ii) all other incidental expenses in connection with the preparation and execution of this Agreement. The Franchising and Business Development Expense Reimbursement will be non-refundable and deemed fully earned by PLK upon execution and delivery of this Agreement.

ARTICLE II: DEVELOPMENT AND OPENING COMMITMENT SCHEDULE

2.1 Development and Opening Commitment Schedule. Developer shall develop and open for business and keep open pursuant to the terms of the franchise agreement for the applicable Franchised Restaurant a minimum number of new Popeyes® restaurants in the Target Areas in strict compliance with the Development and Opening Commitment Schedule set forth on Exhibit B (the "Development and Opening Commitment Schedule"). All of the Cumulative Opening Targets set forth on the Development and Opening Commitment Schedule are expressed net of closures, without distinction as to the reason for any such closure (i.e., expiration, early termination or otherwise). Developer may open new Franchised Restaurants within the Target Areas at a faster rate than indicated in the Development and Opening Commitment Schedule. If at the end of any Term Year the number of new Franchised Restaurants opened falls short of the Annual Opening Target for that Term Year but the cumulative total of new Franchised Restaurants opened under this Agreement through such Term Year (net of closures) equals or exceeds the Cumulative Opening Target for such Term Year, as set forth in the Development and Opening Commitment Schedule, Developer shall be deemed to be in compliance with the Development and Opening Commitment Schedule.

ARTICLE III: TERM

Unless terminated earlier or extended as provided herein, this Agreement shall commence as of the Effective Date and expire at the end of the final Term Year as described on Exhibit B (the "Term"). Except as provided herein, Developer has no right to any extension or renewal of this Agreement.

ARTICLE IV: DEVELOPMENT PROCEDURE

4.1 Nature of Agreement. Developer understands and agrees that this Agreement is not a franchise agreement and does not grant Developer a franchise for the operation of POPEYES® restaurants or any right to use the PLK trademarks, service marks or other PLK intellectual property, but is merely intended by the parties to set forth the terms and conditions which, if fully satisfied, would entitle the Developer to obtain an individual Franchise Agreement for each Site to be developed under this Agreement.

4.2 Franchise Approval. Notwithstanding any provision in this Agreement to the contrary, the Developer understands and agrees that, as a condition precedent to the development of a Franchised Restaurant, the Developer must apply for, meet, and maintain PLK's then-current operational, financial, credit, legal and other criteria for developing and operating a new POPEYES® restaurant as set forth in the then-current PLK Franchise Approval and Expansion Policy ("Franchise Approval"). Developer understands and accepts that PLK may change its criteria for Franchise Approval as it applies to all Franchisees in the U.S. during the term of this Agreement. Failure to meet the requirements for operational, financial, credit and/or legal approval shall constitute grounds for, among other things, PLK refusing to grant Franchise Approval or withdrawing an approval already granted. Any failure by Developer to qualify for Franchise Approval for any period of time shall not extend, modify or reduce the development obligations of Developer under this Agreement and if such failure results in Developer defaulting on its development obligations under this Agreement, PLK may, in its sole discretion, exercise its right to terminate this Agreement under Section 6.1.1 and the provisions of Section 6.2 shall not apply.

4.3 Site Approval. Developer must apply for and obtain Site Approval from PLK for each Franchised Restaurant to be developed under this Agreement. Developer understands and acknowledges that Site Approval must be obtained in addition to the permits required to construct, open and operate the Franchised Restaurants within the Target Areas listed on Exhibit A and within the time periods provided on Exhibit B. For each proposed Site, Developer must submit a complete "Site Acceptance Request Package" in the form specified by PLK, together with such site information as required by PLK to evaluate the proposed Site, with a request for written PLK site approval ("Site Approval"). Site Approval is indicated by PLK's issuance of a "Site Approval Letter", which Developer must obtain from PLK for each Franchised Restaurant to be developed hereunder by no later than the applicable "Site Approval Due Date" set forth on Exhibit B. Site Approval automatically expires (without any requirement of PLK to provide Developer any written notification of its expiration) on the End Date of the applicable Term Year as set forth on Exhibit B (subject to any applicable cure period granted herein) in which Site Approval was granted for such Site. Developer may request a six (6) month extension of Site Approval for a Site within thirty (30) days following expiration of such Site Approval (a "Site Approval Extension Request"). Simultaneously with any such Site Approval Extension Request, Developer shall pay to PLK an amount equal to Five Thousand Dollars (\$5,000.00). The failure to timely obtain Site Approval within the time specified in Exhibit B or Construction Approval in accordance with Section 4.5.4 is an Event of Default under Section 6.1 below.

4.4 Commitments. Developer shall not, except at Developer's own risk, enter into any legally binding commitments with vendors or lessors in any Target Area or at any Site until PLK has given Developer written Site Approval.

4.5 Site Acquisition, Construction Approval and Construction.

4.5.1 Within ninety (90) days following notice of Site Approval, Developer shall submit, in writing to PLK, satisfactory proof that Developer:

4.5.1.1 owns the Site;

4.5.1.2 has leased the Site for a term which, with renewal options, is not less than the initial term of the Franchise Agreement for the applicable Franchised Restaurant; or

4.5.1.3 has entered into a written agreement to purchase or to lease the Site on terms provided herein, subject only to obtaining necessary governmental approvals.

The proof required by this Section 4.5.1 includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of leases or deeds is conditioned thereon. Failure to

provide PLK with the proof required by this Section 4.5.1 within the 90-day period set forth in this Section 4.5.1 shall result in automatic and immediate revocation of the relevant Site Approval without any requirement of notice from PLK to Developer.

4.5.2 PLK assumes no liability or responsibility for: (a) evaluation of an approved Site's soil for hazardous substance; (b) inspection of any structure on the approved Site for asbestos or other toxic or hazardous materials; (c) compliance with the Americans With Disabilities Act (the "ADA"); or (d) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the approved Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

4.5.3 If Developer proposes to lease or sublease the Site, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Developer from performing its obligations under the applicable Franchise Agreement for the applicable Franchised Restaurant.

4.5.4 All Franchised Restaurants must be constructed, equipped and furnished in accordance with PLK approved plans and specifications (the "Construction Plans"). Prior to construction, Developer must obtain from PLK written architectural and design approval of Developer's plans as indicated by issuance of a restaurant number ("PLK #"). Developer must obtain PLK's approval of the type of facility, site layout, and equipment configuration for each Franchised Restaurant, including the building design, style, size, interior decor, type of equipment, service format and equipment arrangement ("Construction Approval"). For the avoidance of doubt, Construction Approval solely indicates PLK's approval of the Franchised Restaurant design in accordance with the Construction Plans.

4.5.5 PLK assumes no liability for the adequacy of any Construction Plan. Developer assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. It shall be Developer's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Site, and Developer shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Developer shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to PLK's reasonable satisfaction the ability to meet PLK's reasonable quality standards (as determined by PLK in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Restaurant. Developer shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans including the costs and expenses incurred for any plans containing deviations or modifications from PLK's standard plans and specifications. For the avoidance of any doubt, the Franchised Restaurant may not open if construction has not been performed in substantial compliance with the Construction Plans as approved by PLK. PLK may terminate this Agreement if such non-compliance is not cured within a commercially reasonable amount of time.

4.5.6 Developer shall complete the construction of the Franchised Restaurant and commence operation of the Franchised Restaurant (the "Opening Date") by no later than the End Date of the applicable Term Year as specified on Exhibit B.

4.6 Right to Open a Franchised Restaurant. At least forty-five (45) days prior to the proposed Opening Date of each Franchised Restaurant, Developer shall notify PLK in writing of such proposed opening. Upon receipt of such notice, PLK may provide a representative to be present at the opening of the first Franchised Restaurant. The first Franchised Restaurant shall not be opened unless such representative is present. Thereafter, each Franchised Restaurant shall not open until Developer has received PLK's prior written approval to open. Should commencement of operation of the first Franchised Restaurant be delayed by the failure of PLK to provide such a representative, the date upon which commencement of operation of

such Franchised Restaurant is required pursuant to this Agreement shall be extended until such time as such assistance is provided by PLK. Should Developer reschedule the opening date of Developer's first Franchised Restaurant less than thirty (30) days prior to the date scheduled with PLK, Developer shall reimburse PLK for any out-of-pocket expenses incurred by PLK in connection with the reschedule, unless such delay was caused solely by PLK or as otherwise agreed to by PLK in writing.

ARTICLE V: DEPOSIT

5.1 **Franchise Fee Deposit.** As consideration for the rights granted herein, Developer shall, upon execution of this Agreement, pay to PLK Twenty Five Thousand Dollars (\$25,000.00) multiplied by the total number of Franchised Restaurants to be developed and opened under this Agreement as set forth on Exhibit B (the "Franchise Fee Deposit"). Franchise Fee Deposits are deemed fully earned and non-refundable upon execution of this Agreement by PLK. Twenty-Five Thousand Dollars (\$25,000.00) of the Franchise Fee Deposit will be applied to offset the franchise fee of each proposed Franchised Restaurant.

5.2 **Indirect Tax.** The amount of all fees payable pursuant to this Agreement by the Developer do not include Indirect Tax and, in the event Indirect Tax applies under either existing law or a future change in statute or interpretation that results in Indirect Tax on the fees, Developer will bear the economic burden of the Indirect Tax either (i) through payment of the Indirect Tax to PLK or (ii) if Developer is required by law to pay the applicable Indirect Tax directly to the relevant tax authority, Developer will not deduct any amount for Indirect Tax from the fees payable to PLK. "Indirect Tax" means sales and use tax, goods and services tax, value added tax, ad valorem tax, excise tax, duty, levy or other governmental charges, and other obligations of the same or of a similar nature to any of the foregoing levied by a tax authority.

ARTICLE VI: DEFAULT

6.1 **Events of Default.** Each of the following events shall constitute an "Event of Default" under this Agreement, which, unless otherwise specified, shall entitle PLK to immediately terminate this Agreement upon written notice to Developer:

6.1.1 Developer fails to achieve the Cumulative Opening Target for any Term Year by the end of such Term Year (each such failure, a "Development Default" and each such Term Year, a "Shortfall Development Year");

6.1.2 Developer (or any affiliate) fails at any time to satisfy the requirements for Franchise Approval;

6.1.3 Developer breaches or otherwise fails to timely comply with any provision of this Agreement, including, without limitation, allowing a Site Approval to expire without obtaining any extension thereof under Section 4.3;

6.1.4 If taking into consideration operations at all POPEYES® restaurants owned and operated by Developer or any affiliate or subsidiary of Developer (whether developed under this Agreement or not), either (i) such operations fail at any time to score in the top fifty percent (50%) of the peer category in which PLK places Developer for each of PLK's then-standard metrics as applied consistently across the Popeyes brand domestically in the U.S., or (ii) Developer receives a letter grade of "D" or "F" in any metric used by PLK to measure operational performance, as measured by PLK. For the avoidance of doubt, in determining any ranking, grade, rating or score of Developer pursuant to this paragraph, PLK may consider the performance not only of the POPEYES® restaurants owned and operated by Developer, but also any POPEYES® restaurants owned and operated by any affiliate(s) of Developer, or by any other franchisee owned in whole or in part by (x) any one or more of the owners of Developer, or (y) any "Managing Owner", "Operating Partner", "Key Operator", "Principal Manager", or "Operating Principal" under any franchise agreement entered into by Developer or any affiliate of Developer;

6.1.5 Developer fails to cure any default within the time specified by PLK in any notice to Developer, under any franchise agreement, lease, or any other agreement with PLK; or

6.1.6 The knowing and intentional submission by Developer of any applications which contain false or misleading statements or omission of any material fact.

6.2 Cure. In the event of a Development Default, Developer may cure such Development Default by opening the number of Franchised Restaurants necessary to cure the Development Default within sixty (60) days from the end of the Shortfall Development Year (the "Cure Period"). Notwithstanding anything herein to the contrary, the cure set forth in this Section 6.2 is a one-time cure that may only be utilized once by Developer during the Term of this Agreement. Further, in the event Developer fails to open the number of Franchised Restaurants necessary to achieve the Cumulative Opening Target by the end of the Cure Period PLK may, at PLK's election, by written notice to Developer terminate this Agreement with immediate effect.

6.3 Termination. Upon termination of this Agreement by PLK or if at the time of expiration of this Agreement Developer has not achieved the Cumulative Opening Target for the final Term Year, any rights granted to Developer pursuant to this Agreement shall terminate and Developer shall forfeit all amounts paid under this Agreement.

ARTICLE VII: INDEMNIFICATION/INSURANCE

7.1 Indemnification. Developer is responsible for all losses, damages and/or contractual liabilities to third parties arising out of or relating to any of the obligations, undertakings, promises and representations of Developer under this Agreement, and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom. Developer agrees to defend, indemnify and save PLK and PLK's officers, directors, agents, employees, attorneys, accountants, subsidiaries, affiliates and parent company harmless of, from and with respect to any such claims, demands, losses, obligations, costs, expenses, liabilities, debts or damages (including, without limitation, reasonable attorney's fees). PLK shall notify Developer of any such claims, and Developer shall be given the opportunity to assume the defense of the matter. If Developer fails to assume the defense, PLK may defend the action in the manner it deems appropriate, and Developer shall pay to PLK all costs, including attorney fees, incurred by PLK in effecting such defense. PLK's right to indemnity under this Agreement shall arise and be valid notwithstanding that joint or concurrent liability may be imposed on PLK by statute, ordinance, regulation or other law.

7.2 Insurance. Developer shall procure the insurance coverage provided for in the Franchise Agreement, prior to the commencement of construction of a Franchised Restaurant, and shall maintain such insurance coverage throughout the term of the Franchise Agreement.

ARTICLE VIII: ADVERTISING COOPERATIVE

Advertising Cooperative. Developer acknowledges and agrees that following the Effective Date, PLK intends to establish (or, alternatively, if currently in existence, PLK intends to continue to maintain) an advertising cooperative in each Designated Market Area ("DMA"), as defined by PLK from time to time in its sole discretion, in which a Franchised Restaurant is located or to be located, at which time Developer shall be obligated to make a cooperative contribution in an amount that is not less than the amount designated by such cooperative, based upon a percentage of such Franchised Restaurant's Gross Sales (as such term is defined in the applicable Franchise Agreement) for the preceding week, payable weekly (or on such other basis as may be set forth in the Manual (as such term is defined in the Franchise Agreement) or otherwise agreed to in writing by PLK). Developer further covenants to PLK that Developer shall, for the entire term of each franchise agreement, whether for a Franchised Restaurant developed and

opened pursuant to this Agreement or another Franchised Restaurant (including any renewals, if any), cast its votes in each advertising cooperative in each DMA relating to each Franchised Restaurant in favor of an above-the-fund local advertising cooperative contribution rate that is equal to or greater than one percent (1%) of such Franchised Restaurant's Gross Sales. Developer acknowledges and agrees that such cooperative contributions are in addition to (and not in lieu of) any other payments, fees, or contributions provided for under this Agreement and/or any franchise agreement (including any royalties or advertising contributions).

ARTICLE IX: SEVERABILITY

If any of the provision of this Agreement may be construed in more than one way, one of which would render the provision illegal or otherwise void, voidable or unenforceable, such provision shall have the meaning which renders it valid and enforceable. This Agreement shall be construed according to its fair meaning and not strictly against any party. If any court or other government authority determines that any provision is not enforceable as written, the parties agree that the provision shall be amended so that it is enforceable to the fullest extent permissible under the laws and public policies of the jurisdiction in which enforcement is sought and affords the parties the same basic rights and obligations and has the same economic effect. If any provision is held invalid or otherwise unenforceable, such findings shall not invalidate the remainder of the agreement unless, in the reasonable opinion of PLK, the effect of such determination frustrates the purpose of this Agreement whereupon PLK shall have the right by written notice to the other party to immediately terminate this Agreement.

ARTICLE X: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties with respect to the subject matter hereof and cancels and supersedes all prior negotiations, understandings and agreements, written or oral, relating to the Target Areas and development of Franchised Restaurants thereon. The parties acknowledge that they are not relying upon any representation, warranty, condition, agreement or understanding, written or oral, except as herein specified. Nothing in this or in any related agreement, however, is intended to disclaim any representations PLK made in the Franchise Disclosure Document it furnished to Developer. Neither this Agreement nor any term or provision of it may be changed, waived, discharged, or modified orally. The only changes, waivers, discharges or modifications that will be effective will be those which are in writing and signed by the parties to this Agreement.

ARTICLE XI: MISCELLANEOUS

11.1 **Notice.** Any notice shall be in writing and shall be delivered or sent by registered or certified mail postage fully prepaid, or a nationally recognized courier service and if to PLK to: Popeyes Louisiana Kitchen, Inc., 5707 Blue Lagoon Drive, Miami, Florida 33126, Attn: General Counsel, if to Developer: _____ . All such notices shall be deemed delivered on the earlier of actual receipt or the third (3rd) day after being deposited in the US Mail.

11.2 **Assignment.** This Agreement may not be directly or indirectly assigned, transferred or encumbered by Developer. PLK may assign this Agreement, in whole or in part, at any time in its sole discretion.

11.3 **Non-Waiver.** Failure of PLK to insist upon strict performance of any terms of this Agreement shall not be deemed a waiver of any subsequent breach or default. Acceptance by PLK of any money paid by Developer under this Agreement or under any other agreement shall not constitute a waiver by PLK of any breach or default of this Agreement or any other agreement.

11.4 **Relationship of Parties.** The parties to this Agreement are not partners, joint venturers, or agents of each other and there is no fiduciary relationship between the parties. Developer has no right to bind or

obligate PLK in any way and Developer shall not represent that it has any such right. This Agreement is not a franchise for the operation of a POPEYES® restaurant.

11.5 Governing Law/Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The parties hereto acknowledge and agree that the United States District Court for the Southern District Court of Florida, or if such court lacks jurisdiction, the 11th Judicial Court (or its successor) in and for Miami-Dade County, Florida, shall be the venue and exclusive proper forum in which to adjudicate any case or controversy arising, either directly or indirectly, under or in connection with this Agreement, the Franchise Agreements or related documentation and any other agreement between the parties, and the parties further agree that, if litigation arises out of, or in connection with this Agreement, the Franchise Agreements, or related documentation or any other agreement between the parties in these courts, they will not contest or challenge the personal jurisdiction or venue of these courts.

11.6 GENERAL RELEASE. For and in consideration of PLK entering into this Agreement, and other good and valuable consideration received from or on behalf of PLK, the receipt of which is hereby acknowledged, Developer hereby remises, releases, acquits, satisfies, and forever discharges PLK, its officers, directors, agents, employees, affiliates, subsidiaries, parent corporation, and all of their assignees (individually and together "PLK"), of and from all manner of action and actions, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, executions, claims, and demands whatsoever, in law or in equity, which Developer ever had, now has, or which any successor or assign of Developer hereafter can, shall, or may have, whether known or unknown, against PLK for, upon, or by reason of any matter, cause, or thing whatsoever, from the beginning of the world to the day of these presents. [DEVELOPER, EXPRESSLY AND INTENTIONALLY, AND WITH FULL KNOWLEDGE AND ADVICE OF COUNSEL, DOES HEREBY WAIVE THE PROVISIONS AND PROTECTIONS OF THE CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."]

11.7 No Representations or Warranties. Developer agrees that PLK approvals are not a representation or warranty of the potential success or viability of a Site or Franchised Restaurant. Developer shall not rely on any warranty, representation or advice given by or on behalf of PLK directly or indirectly relating to the success or viability of a Site or Franchised Restaurant.

11.8 Franchise Agreement. Developer understands and agrees that as a condition precedent to PLK granting a franchise to operate a Franchised Restaurant, Developer must meet the requirements for Franchise Approval. Developer must sign and return to PLK, no less than seven (7) days prior to the opening of each Franchised Restaurant, the then-current form of POPEYES® restaurant franchise agreement as disclosed in PLK's then-current Franchise Disclosure Document ("Franchise Agreement"), together with the then-current franchise fee, less only the Franchise Fee Deposit for that Franchised Restaurant. Developer shall not open a Franchised Restaurant prior to the execution of a Franchise Agreement, payment of the franchise fee, and receipt of PLK approval.

11.9 Survival. Section 7 and all other provisions which must survive in order to give effect to their intent and meaning shall survive the termination or expiration of this Agreement.

11.10 Time is of the Essence. Time is of the essence with respect to Developer's obligations under this Agreement.

By entering into this Agreement, Developer expressly consents to transact business with PLK electronically and that, consistent with the Uniform Electronic Transactions Act, and all other applicable state and federal laws, this Agreement may be executed by electronic signatures. The parties to this Agreement agree that the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures and an electronically signed version of this Agreement shall constitute an original for all purposes.

THIS AGREEMENT is executed by the parties as of the day and year indicated on the first page of this Agreement.

(Non-Exclusive)

THIS DEVELOPMENT AGREEMENT (this "Agreement") is made as of _____, 20__ ("Commencement Date") by and among:

- (2) [____], a [____] organized under the laws of [____] having its principal place of business at _____ ("Developer").
- (3) [____], an individual having their principal place of business at [____] ("Principal 1"), [____], a [____] organized under the laws of [____] having its principal place of business at [____] ("Principal 2"), (each, a "Principal," and Principal 1 and Principal 2 collectively, the "Principals").

For the purposes of this Agreement, the above parties shall be individually referred to as a "Party" and collectively referred to as the "Parties".

In consideration of the mutual undertakings and covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I: GRANT OF RIGHTS

1.1 Non-Exclusive Development Rights; Limited Exceptions.

1.1.1 Except as set forth in Section 1.1.2, subject to the terms and conditions of this Agreement, PLK hereby grants to Developer the non-exclusive right to, and Developer hereby accepts the obligation to, develop, open and operate Popeyes Restaurants (each, a "Franchised Restaurant") in the geographic area described in Exhibit A hereto (the "Territory") pursuant to the Development Schedule attached hereto as Schedule 1 (the "Development Schedule") during the Term (the "Development Rights").

1.1.2 Subject to the terms and conditions set forth herein, PLK grants to Developer the exclusive right to develop Franchised Restaurants in the specific geographic areas within the Territory determined in accordance with the terms set forth below (each, a "Target Location" and collectively, the "Target Locations") during the Term (the "Limited Exclusive Development Rights").

1.1.2.1 For each Development Year (as same are set forth in the Development Schedule), the maximum number of Target Locations subject to the Limited Exclusive Development Rights shall be as follows:

Development Year	Maximum Aggregate Target Locations
Development Year 1	---
Development Year 2	---
Development Year 3	---
Development Year 4	---
Development Year 5	---

1.1.2.2 Upon full execution of this Agreement, but no later than _____, Developer shall submit a list of proposed Target Locations, in accordance with the Maximum Aggregate Target Locations set forth in the table above, for Development Year 1. The proposed Target Locations shall be set forth in the Target Location Addendum attached hereto as Exhibit B which shall be executed by the parties no later than _____. No Target Location shall be final until PLK grants written confirmation of clearance of such Target Location pursuant to the then-current development process (“**Target Location Clearance**”). Each Target Location submitted by Developer for which PLK has granted Target Location Clearance shall remain as a Target Location continuously for each subsequent Development Year until such time as a Franchised Restaurant has been developed and opened for business at such Target Location. Developer may remove a Target Location and replace it with a new Target Location, subject to the prior approval of PLK, which such approval may be granted or denied in PLK’s sole discretion.

1.1.2.3 Commencing with Development Year ____ and for each Development Year thereafter, provided that the Limited Exclusive Development Rights remain in effect, Developer shall submit a list of proposed Target Locations in accordance with the Maximum Aggregate Target Locations set forth in the table above by no later than December 1 of the immediately preceding Development Year, provided at no time shall the number of Target Locations exceed such Maximum Aggregate Target Locations for such Development Year. The proposed Target Locations shall be set forth in a Target Location Addendum to this Agreement which shall be executed by the parties by no later than the beginning of the applicable Development Year.

1.1.2.4 If by the end of any Development Year, Developer has failed to develop and open for business at Target Locations a cumulative number of Franchised Restaurants equal to the Cumulative Opening Target (as defined in the Development Schedule) for such Development Year, then the Limited Exclusive Development Rights shall be suspended for the immediately following Development Year (each, a “**Suspension Year**”) commencing on the first day of such Suspension Year and the non-exclusive development rights described in Section 1.1.1 shall be the only development rights afforded to Developer for the Suspension Year, subject to the terms hereof.

1.1.2.5 If by the end of any Suspension Year, Developer has achieved the Cumulative Opening Target for such Suspension Year, then the Limited Exclusive Development Rights shall be restored for the immediately following Development Year, and Developer shall submit a list of proposed Target Locations in accordance with the Maximum Aggregate Target Locations set forth in the table above for the Development Year immediately following such Suspension Year on or before January 1 of such Development Year. The proposed Target Locations shall be set forth in a Target Location Addendum to this Agreement which shall be executed by the parties by no later than February 1 of such Development Year.

1.1.2.6 If by the end of any Suspension Year, Developer has failed to achieve the Cumulative Opening Target, then, in addition to any other rights and remedies of PLK set forth in this Agreement, the Limited Exclusive Development Rights shall continue suspended for the Development Year immediately following such Suspension Year (such Development Year immediately following such Suspension Year shall also be deemed a “**Suspension Year**”).

1.2 This Agreement is not a franchise agreement and does not grant Developer a franchise for the operation of a Franchised Restaurant, nor any right to use the Proprietary Marks (as defined below) or Popeyes System (as defined below), but merely sets forth the terms and conditions under which, if fully satisfied, Developer will be entitled to obtain an individual Franchise Agreement (as hereinafter defined) for each Franchised Restaurant to be developed under this Agreement. As used herein, (i) “**Popeyes System**” means the unique restaurant format and operating system developed and/or owned by PLK and/or its Affiliates for the development and operation of quick service or fast food restaurants specializing in the preparation, merchandising, advertising and sale of “Louisiana” style menu

items that include spicy chicken, biscuits, fried shrimp and other seafood, red beans and rice and other quick-service menu items developed and owned by PLK, including specially designed buildings, distinctive interior and exterior layouts, trade dress, decor, color schemes, and furnishings; confidential food and beverage formulas and recipes; specialized menus; and standards and specifications for equipment, equipment layouts, products, operating procedures, and training programs; the term **"Popeyes System"** also includes the Proprietary Marks and all Confidential Information (as hereinafter defined), other proprietary information, copyrights and other intellectual property rights relating to the system, and any modifications, amendments, improvements and/or other changes PLK or any of its Affiliates may make to the system from time to time, in their sole discretion; (ii) **"Proprietary Marks"** means the trademarks, service marks, trade names, trade dress, logos, slogans, designs and other commercial symbols and indicia of origin (and the goodwill associated therewith) used in the operation of Popeyes Chicken and Biscuits and Popeyes Louisiana Kitchen restaurants (**"Popeyes Restaurants"**) and to identify the Popeyes System, whether registered, applied for or unregistered, including without limitation, the marks "Popeyes", "and "Popeyes Louisiana Kitchen" and such other trade names, service marks, trademarks and trade dress as are now, or may hereafter, be designated by PLK for use in connection with the Popeyes System; (iii) **"Affiliate"** means, with respect to any Person, another Person that directly, or indirectly through one or more intermediaries, Controls, is Controlled by, or is under common Control with the Person specified; (iv) **"Person"** means any natural person, corporation, limited liability company, trust, joint venture, association, company, partnership, limited partnership, governmental authority, statutory organization or other entity; and (v) **"Control"** or **"Controlled"** means the direct or indirect ownership, whether by ownership of securities, contract, proxy or otherwise, of shareholding or contractual rights of a Person that assures (A) the majority of the votes in the resolutions of such Person, (B) the power to appoint the majority of the managers or directors of such Person, or (C) the power to direct or cause the direction of the management or policies of such Person, and the related terms "Controlled by" "Controlling" or "under common Control with" shall be read accordingly.

1.3 Prior to the opening of each Franchised Restaurant, Developer must enter into a Franchise Agreement (as hereinafter defined) for such Franchised Restaurant.

1.4 No Territorial or other Rights; Reservation of Rights. For the avoidance of doubt,

1.4.1 Other than as set forth in Section 1.1.2, Developer has no other express or implied territorial rights in any area to develop Popeyes Restaurants;

1.4.2 the right to develop, open and operate Franchised Restaurants at Alternative Venues (as defined below) are specifically excluded from the Development Rights set forth in Section 1.1. **"Alternative Venues"** are defined as any of the following types of locations: (i) transportation facilities (including airports, train stations, bus stations, etc.); (ii) toll road plazas; (iii) educational facilities (including schools, colleges and universities); (iv) institutional feeding facilities (including hospitals, hotels, and corporate cafeterias); (v) government institutions and facilities; (vi) enclosed shopping malls; (vii) military bases; (viii) casinos; (ix) amusement, recreation and theme parks; and (x) stadiums, arenas, and convention centers;

1.4.3 the "Protected Area" (as such term is defined in the applicable franchise agreement) granted by PLK to any franchisee pursuant to a franchise agreement entered into prior to, on or after the Commencement Date shall be excluded from, and not considered a part of, the Territory;

1.4.4 Except as set forth in Section 1.1.2 above, PLK may itself or through another party as franchisee develop and operate Popeyes Restaurants within and/or outside the Territory;

1.4.5 rights or approvals granted by PLK to franchisees or other Persons are not affected by this Agreement, including without limitation, rights or approvals granted pursuant to any agreements between PLK and franchisees granting development rights to such franchisees in the Territory (**"Existing Development Agreements"**); and

1.4.6 this Agreement shall not limit PLK's ability to renew or extend franchise agreements or Existing

Development Agreements within or outside the Territory, or to enter into new agreements for Popeyes Restaurants within or outside the Territory, including new development agreements, whether previously approved and under development or otherwise.

1.5 PLK (on behalf of itself, its Affiliates and its designees) reserves all rights not expressly granted to Developer under this Agreement, and Developer and Principals hereby accept and acknowledge such reserved rights of PLK. Furthermore, PLK reserves the right to own and/or operate Popeyes Restaurants or other means of distribution in any location, regardless of geographic proximity to or impact on the Territory and/or Target Locations or any Franchised Restaurants now or in the future owned by Developer. PLK reserves the right to distribute, offer for sale and/or to acquire, convert, develop and establish other license systems for the same or similar products or services, utilizing the same, similar or different trademarks as Popeyes Restaurants and to grant franchises and licenses therefor, either through Popeyes Restaurants or other channels (including without limiting the generality of the foregoing, delivery units, kiosks, grocery or convenience stores, express units, catering, home delivery, food trucks and other mobile means of product or service delivery, mail order, television, catalogue sales, internet websites or other means of electronic advertising and sales), without providing Developer any rights therein.

1.6 Developer must obtain PLK's prior written approvals to develop a Franchised Restaurant in accordance with the development procedures set forth in Article IV.

1.7 In the event of conflict or confusion as to the exact boundaries of the Territory or a Target Location, the sole discretion of PLK will prevail.

1.8 On or before the Commencement Date, Developer shall pay to PLK the aggregate amount equal to _____ (\$ _____) (the "**Franchising and Business Development Expense Reimbursement**") as a reimbursement of costs and expenses incurred by PLK and its Affiliates, comprised of expenses including, but not limited to (i) travel, accommodation, meals, and ground transportation in relation to the conduct of sourcing, due diligence, and onboarding of developers, and (ii) all other incidental expenses in connection with the preparation and execution of this Agreement. The Franchising and Business Development Expense Reimbursement will be non-refundable and deemed fully earned by PLK upon execution and delivery of this Agreement.

ARTICLE II: TERM

Unless terminated earlier as provided herein, this Agreement shall commence on the Commencement Date and expire at the end of Development Year __, i.e., _____, 20__ ("**Term**").

ARTICLE III: DEVELOPMENT OBLIGATIONS

Developer shall develop and open for business and keep open pursuant to the terms of the applicable Franchise Agreements a minimum number of new Popeyes Restaurants in the Territory in strict compliance with the Development Schedule. All of the Mid-Year Opening Targets (as defined in the Development Schedule) and Cumulative Opening Targets set forth in the Development Schedule are expressed net of closures, without distinction as to the reason for such closure (i.e., expiration, early termination or otherwise). Only Free-Standing Restaurants, In-Line Restaurants, and Food Court Restaurants (as such terms are hereinafter defined) shall count towards fulfillment of Developer's obligations under the Development Schedule. As used herein, (i) "**Free-Standing Restaurant**" means a Popeyes Restaurant in a single purpose, single tenant freestanding building meeting the minimum criteria for free-standing restaurants as determined by PLK, in its sole discretion, for the U.S. from time to time; (ii) "**In-Line Restaurant**" means a Popeyes Restaurant in a retail space within a building, meeting the minimum criteria for in-line restaurants as determined by PLK, in its sole discretion, for the U.S. from time to time, and (iii) "**Food Court Restaurant**" means a Popeyes Restaurant in a retail space within an area of a building which consists primarily of quick service restaurants, meeting the minimum criteria for food court restaurants as determined by PLK, in its sole discretion, for the U.S. from time to time.

ARTICLE IV: DEVELOPMENT PROCEDURE

4.1 Franchise Approval. Notwithstanding any provision in this Agreement to the contrary, Developer understands and agrees that, as a condition precedent to the development of a Franchised Restaurant, Developer must apply for, meet, and continuously maintain PLK's then-current operational, financial, credit, legal and other criteria for developing and operating a new Franchised Restaurant as set forth in the then-current PLK Franchise Approval and Expansion Policy (herein, "**Franchise Approval**") applicable to all franchisees of PLK in the U.S. Developer understands and accepts that PLK may change its criteria for Franchise Approval as it applies to all franchisees of PLK during the term of this Agreement. Failure to meet the requirements for operational, financial, credit and/or legal approval shall constitute grounds for, among other things, PLK refusing to grant Franchise Approval, Site Acceptance (as hereinafter defined), or withdrawing an approval already granted. Any failure by Developer to qualify for Franchise Approval for any period of time shall not extend, modify or reduce the development obligations of Developer under Article III, and if such failure results in Developer defaulting on its development obligations under Article III, PLK may, in its sole discretion, exercise its rights under Section 6.1.

4.2 Site Acceptance.

4.2.1 Developer must apply for and obtain Site Acceptance from PLK for each Franchised Restaurant to be developed under this Agreement. Developer understands and acknowledges that Site Acceptance must be obtained in addition to the permits required to construct, open and operate the Franchised Restaurants. For each proposed Site, Developer must submit a complete "**Site Acceptance Request Package**" in the form specified by PLK, together with such site information as required by PLK to evaluate the proposed Site, with a request for written PLK site acceptance ("**Site Acceptance**"). Site Acceptance is indicated by PLK's issuance of a "**Conditional Site Approval Letter**". Site Acceptance automatically expires (without any requirement of notice from PLK to Developer regarding such expiration) eighteen (18) months following the date of the Conditional Site Approval Letter. Developer may request a six (6) month extension of Site Acceptance for a Site within thirty (30) days following expiration of such Site Acceptance (a "**Site Acceptance Extension Request**"). Simultaneously with any such Site Acceptance Extension Request, Developer shall pay to PLK an amount equal to Five Thousand Dollars (\$5,000.00).

4.2.2 Developer agrees that PLK may, in its sole discretion, refuse to accept a site if, in PLK's sole discretion, the site does not meet PLK's criteria for Site Acceptance. If Developer enters into any legally binding commitment with respect to a potential site before PLK has granted Site Acceptance, then Developer shall bear the entire risk of loss or damage resulting from a subsequent decision of PLK not to grant Site Acceptance. Developer agrees to fully comply with the Popeyes Louisiana Kitchen, Inc. Impact Guidelines provided to Developer via the PLK intranet site (currently known as The Scoop), as modified by PLK from time to time. The denial of Site Acceptance by PLK shall not extend, modify or reduce the development obligations of Developer under Article III.

4.2.3 Developer agrees that any site selection assistance, site identification, or offer to develop a Site by or on behalf of PLK shall not be construed or interpreted as a representation or warranty relating directly or indirectly to the success or viability of a Site or Franchised Restaurant and no reliance shall be placed on any warranty, representation or advice that may be given by any Person by or on behalf of PLK directly or indirectly relating to the success or viability of a Site or Franchised Restaurant. Developer agrees to conduct its own independent investigation and due diligence with respect to the viability and success of a Site or Franchised Restaurant and acknowledges that there are risks associated with the development of a Franchised Restaurant at any Site and that there are no guarantees that any Site or Franchised Restaurant will be successful or viable.

4.3 Site Acquisition, Construction Approval and Construction.

4.3.1 Within ninety (90) days following notice of Site Acceptance, Developer shall submit, in writing to PLK, satisfactory proof that Developer:

4.3.1.1 owns the Site;

4.3.1.2 has leased the Site for a term which, with renewal options, is not less than the initial term of the Franchise Agreement for the applicable Franchised Restaurant; or

4.3.1.3 has entered into a written agreement to purchase or to lease the Site on terms provided herein, subject only to obtaining necessary governmental approvals.

The proof required by this Section 4.3.1 includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of leases or deeds is conditioned thereon. Failure to provide PLK with the proof required by this Section 4.3.1 within the 90-day period set forth in this Section 4.3.1 shall result in automatic and immediate revocation of the relevant Site Acceptance without any requirement of notice from PLK to Developer.

4.3.2 PLK assumes no liability or responsibility for: (a) evaluation of an approved Site's soil for hazardous substance; (b) inspection of any structure on the approved Site for asbestos or other toxic or hazardous materials; (c) compliance with the Americans With Disabilities Act (the "**ADA**"); or (d) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the approved Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

4.3.3 If Developer proposes to lease or sublease the Site, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Developer from performing its obligations under the applicable Franchise Agreement for the applicable Franchised Restaurant.

4.3.4 All Franchised Restaurants must be constructed, equipped and furnished in accordance with PLK approved plans and specifications (the "**Construction Plans**"). Prior to construction, Developer must obtain from PLK written architectural and design approval of Developer's plans as indicated by issuance of a restaurant number. Developer must obtain PLK's approval of the type of facility, site layout, and equipment configuration for each Franchised Restaurant, including the building design, style, size, interior decor, type of equipment, service format and equipment arrangement ("**Construction Approval**"). For the avoidance of doubt, Construction Approval solely indicates PLK's approval of the Franchised Restaurant design in accordance with the Construction Plans. The failure to obtain Construction Approval in accordance with this Section 4.3.4 is an Event of Default under Section 6.1.9 below.

4.3.5 PLK assumes no liability for the adequacy of any Construction Plans. Developer assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. It shall be Developer's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Site, and Developer shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Developer shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to PLK's reasonable satisfaction the ability to meet PLK's reasonable quality standards (as determined by PLK in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Restaurant. Developer shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans including the costs and expenses incurred for any plans containing deviations or modifications from PLK's standard plans and specifications. For the avoidance of any doubt, the Franchised Restaurant may not open if construction has not been performed in substantial compliance with the Construction Plans as approved by PLK. PLK may terminate this Agreement if such non-compliance is not cured within a commercially reasonable amount of time.

4.4 Notice of Franchised Restaurant. At least forty-five (45) days prior to the proposed opening date of each Franchised Restaurant, Developer shall notify PLK in writing of such proposed opening. Upon receipt of such notice, PLK may provide a representative to be present at the opening of the first Franchised Restaurant. At PLK's option, the first Franchised Restaurant shall not be opened unless such representative is present. Thereafter, each Franchised Restaurant shall not open until Developer has received PLK's prior written approval to open. Should commencement of operation of the first Franchised Restaurant be delayed by the failure of PLK to provide such a representative, the date upon which commencement of operation of such Franchised Restaurant is required pursuant to this Agreement shall be extended until such time as such assistance is provided by PLK. Should Developer reschedule the opening date of Developer's first Franchised Restaurant less than thirty (30) days prior to the date scheduled with PLK, Developer shall reimburse PLK for any out-of-pocket expenses incurred by PLK in connection with the reschedule, unless such delay was caused solely by PLK or as otherwise agreed to by PLK in writing.

ARTICLE V: GRANT OF FRANCHISE

5.1 Developer understands and agrees that as a condition precedent to PLK granting a franchise to operate a Franchised Restaurant, Developer must meet the requirements for Franchise Approval. Developer must sign and return to PLK, no less than seven (7) days prior to the opening of each Franchised Restaurant, the then-current form of the Popeyes Louisiana Kitchen franchise agreement as disclosed in PLK's then-current Franchise Disclosure Document ("**Franchise Agreement**"), together with the then-current franchise fee, subject to Section 5.5 below. Developer shall not open a Franchised Restaurant prior to the execution of a Franchise Agreement, payment of the franchise fee, and receipt of PLK approval. In addition to other conditions precedent set forth in this Agreement, Developer further acknowledges and agrees that prior to PLK's granting a Franchise Agreement for each respective Franchised Restaurant, Developer must satisfy the following conditions precedent:

5.1.1 Developer, its Affiliates, and the Principals are in full compliance with the requirements of this Agreement and all franchise agreements for Developer Restaurants (as hereinafter defined) (collectively, the "**Developer Franchise Agreements**"), in force at the time a grant of a franchise is requested;

5.1.2 Developer has obtained and continues to hold all relevant approvals, permits and licenses required by applicable law to operate the Franchised Restaurant;

5.1.3 Developer is current on all monetary obligations due to PLK;

5.1.4 Developer has completed the construction of the Franchised Restaurant in accordance with the construction plans approved by PLK and with all laws, ordinances, permits, codes, and regulations;

5.1.5 Developer has decorated the interior of the Franchised Restaurant and purchased or leased and installed all specified and required fixtures, equipment, furnishings and signs in accordance with PLK's standards and specifications;

5.1.6 Developer has obtained a certificate of occupancy and all other required building, utility, health, sign, sanitation, safety or fire department certificates, and other permits and licenses applicable to the Franchised Restaurant, and, if requested by PLK, Developer shall have submitted a copy of the certificate of occupancy to PLK;

5.1.7 Developer has hired and trained a staff in accordance with the requirements of the Franchise Agreement;

5.1.8 Developer has purchased an opening inventory for the Franchised Restaurant of only products and other materials and supplies that have been authorized and approved by PLK;

5.1.9 If Developer leases the location of the Franchised Restaurant, PLK has been furnished with a copy

of a fully executed lease for the location and such lease shall be for a term that is at least equal to the term of the Franchise Agreement for the relevant Franchised Restaurant; and

5.1.10 Developer has furnished to PLK copies of all insurance policies required by this Agreement and the applicable Franchise Agreement, or such other evidence of insurance coverage and payment of premiums as PLK reasonably may request.

PLK shall grant and Developer shall accept a franchise in respect of the relevant Franchised Restaurant on the terms and conditions set out in the Franchise Agreement.

5.2 Until the conditions set forth in Section 5.1 have been met, the proposed Franchised Restaurant shall not open for business. Following the grant of a franchise, the Franchised Restaurant shall commence trading immediately and, in any event, not later than seven (7) days thereafter, time being of the essence.

5.3 The duration of each Franchise Agreement shall be twenty (20) years or such other duration agreed in writing by PLK.

5.4 Developer shall pay to PLK with respect to each Franchised Restaurant opened during the Term an "Initial Franchise Fee", "Royalty", and "Advertising Contribution" (as such terms are defined in the franchise agreement disclosed in PLK's then current Franchise Disclosure Document at the time of such opening) in the amounts equal to the greater, in each case, of (i) the standard undiscounted rate for Initial Franchise Fee, Royalty, or Advertising Contribution, as applicable, set forth in PLK's then current Franchise Disclosure Document at the time of such opening and (ii)(A)\$50,000.00 with respect to Initial Franchise Fee, (B) 5.0% of "Gross Sales" (as such term is defined in the franchise agreement disclosed in PLK's then current Franchise Disclosure Document at the time of such opening) with respect to Royalty, and (C) 4.0% of Gross Sales with respect to Advertising Contribution.

5.5 Prepaid Franchise Fee. Developer will pay to PLK initial franchise fees in advance in the amount of [INSERT AMOUNT] (the "Prepaid Franchise Fees"). The Prepaid Franchise Fees shall be paid in installments as follows:

Closing Date	[January 1, 20XX]	[January 1, 20XX]	[January 1, 20XX]	[January 1, 20XX]	[January 1, 20XX]	[January 1, 20XX]
\$[●]	\$[●]	\$[●]	\$[●]	\$[●]	\$[●]	\$[●]

Upon the execution of each Franchise Agreement for a Franchised Restaurant, PLK will apply the respective amount of the Prepaid Franchise Fees as payment of the Initial Franchise Fee owed for that Franchised Restaurant until the full amount of the Prepaid Franchise Fees are exhausted. Thereafter, Developer shall pay the applicable Initial Franchise Fee to PLK in accordance with this Agreement.

5.6 Developer acknowledges and agrees that PLK will suffer substantial damages as a result of the termination of this Agreement before the expiration of the Term. Some of those damages include lost Initial Franchise Fees, Royalties, development opportunities, market penetration, opportunity costs, and expenses that PLK will incur in developing or finding another franchisee to develop Popeyes Restaurants in the Territory (collectively, "Brand Damages"). Developer and PLK acknowledge that Brand Damages are difficult to estimate accurately and proof of Brand Damages would be burdensome and costly. Therefore, upon termination of this Agreement before the expiration of the Term for any reason, as Brand Damages (a) PLK shall have the right to retain, without obligation for any refund to Developer or for any application toward any future Initial Franchise Fees due from Developer, the remaining balance of Prepaid Franchise Fees paid by Developer prior to the date of termination, and (b) Developer shall pay to PLK an amount equal to the amount of the next installment of Prepaid Franchise Fees that would have come due after the date of termination, which shall become immediately due and payable to PLK as of the date of termination. Developer's payment of the liquidated damages to PLK will not be considered a penalty but, rather, a

reasonable estimate of fair compensation to PLK for the Brand Damages. Developer acknowledges that the payment of liquidated damages is full compensation to PLK only for the Brand Damages resulting from the early termination of this Agreement and is in addition to, and not in lieu of, Developer's obligations to pay other amounts due to PLK under this Agreement as of the date of termination and to comply strictly with Developer's other post-termination obligations.

5.7 The amount of all fees payable pursuant to this Agreement by the Developer do not include Indirect Tax and, in the event Indirect Tax applies under either existing law or a future change in statute or interpretation that results in Indirect Tax on the fees, Developer will bear the economic burden of the Indirect Tax either (i) through payment of the Indirect Tax to PLK or (ii) if Developer is required by law to pay the applicable Indirect Tax directly to the relevant tax authority, Developer will not deduct any amount for Indirect Tax from the fees payable to PLK. "Indirect Tax" means sales and use tax, goods and services tax, value added tax, ad valorem tax, excise tax, duty, levy or other governmental charges, and other obligations of the same or of a similar nature to any of the foregoing levied by a tax authority.

ARTICLE VI: DEFAULT AND TERMINATION

6.1 Without prejudice to any other rights of PLK under this Agreement or at law, upon the occurrence of any of the following events (each, an "**Event of Default**"), Developer shall be in default of this Agreement and PLK may, at its election, by written notice to Developer terminate this Agreement with immediate effect (but with due regard for the cure periods set forth below, if any):

6.1.1 if Developer fails to achieve the Cumulative Opening Target for any Development Year by the end of such Development Year (each such failure, a "**Development Default**" and each such Development Year, a "**Shortfall Year**");

6.1.2 if Developer (or any of its Affiliates) fails to pay to PLK (or its designee) when due any amounts payable under this Agreement, and does not cure such failure within ten (10) days of written notice from PLK,

6.1.3 if Developer (or any of its Affiliates) fails at any time to satisfy the requirements for Franchise Approval;

6.1.4 if Developer and/or any of the Principals assigns, encumbers, transfers, sub-licenses or otherwise disposes of, or attempts to assign, transfer, encumber, or otherwise dispose of this Agreement or any of its rights hereunder in whole or in part, whether directly or indirectly by operation of law, without the prior written consent of PLK in violation of Section 8.1; or if Developer, any of its Affiliates, or any Principal duplicates, in whole or in part, the Popeyes System or violates the confidentiality or restrictive covenant provisions set forth in Article VII;

6.1.5 if Developer, any of its Affiliates or any Principal seeks any type of relief under the provisions of a bankruptcy or insolvency law; or if there is an arrangement among the creditors of Developer, any of its Affiliates or any Principal; or any Person files a petition or application seeking to have Developer, any of its Affiliates or any Principal adjudicated bankrupt and the action is not dismissed within thirty (30) days after it is filed; or Developer, any of its Affiliates or any Principal admits in writing or upon sworn oath the inability to pay any debts as they fall due; or a receiver or other administrator (permanent or temporary) is appointed over all or any of the assets of Developer, any of its Affiliates or any Principal; or any administrator or liquidator is appointed over Developer, any of its Affiliates or any Principal by any competent bankruptcy court or under any other law or authority including under an order for a suspension of proceedings or Developer, any of its Affiliates or any Principal takes any action to liquidate; or wind up;

6.1.6 if Developer (directly or through its Affiliate) opens any Franchised Restaurant using any Proprietary Marks or any marks similar to any Proprietary Marks without being granted Franchise Approval or Site Acceptance by PLK, or without having delivered to PLK a fully executed Franchise Agreement for such Franchised

Restaurant, or without having paid the applicable Initial Franchise Fee for such Franchised Restaurant in accordance with this Agreement;

6.1.7 if Developer, any of its Affiliates or any Principal (or any Affiliate thereof) challenges the validity of any of the Proprietary Marks or copyright or other intellectual property rights of PLK or any PLK Affiliate;

6.1.8 if any information provided by Developer or any of the Principals to PLK or its Affiliates is materially false or misleading, including any information provided to PLK prior to entering into this Agreement, and any information provided to PLK by Developer any of its Affiliates or any of the Principals in order to obtain Franchise Approval or Site Acceptance pursuant to the terms of this Agreement;

6.1.9 if Developer, any of its Affiliates or any Principal fails to comply with any of the other material terms, provisions or conditions of this Agreement, any Developer Franchise Agreement, or any other material obligation owed by Developer, any of its Affiliates or any Principal to PLK and fails to rectify the same within thirty (30) days (or such shorter period of time as may be provided under any applicable Developer Franchise Agreement or other agreement) of a notice requiring it to do so;

6.1.10 if Developer, any board member or senior officer of Developer, any "Managing Owner" or "Managing Director" under any franchise agreement entered into by Developer or its Affiliates, or any other owner of legal or beneficial interests in Developer, engages in any conduct which, in PLK's sole judgment, adversely affects the reputation of the Developer Restaurants, the Popeyes System, or the goodwill associated with the Proprietary Marks. An act of default under this Section 6.1.10 does not require any criminal action to be brought against Developer, any board member or senior officer of Developer, the "Managing Owner", the "Managing Director", or any other such owner of legal or beneficial interests in the Developer;

6.1.11 if taking into consideration operations at all Developer Restaurants (as defined below), whether developed under this Agreement or not, either (i) such operations fail at any time to score in the top fifty percent (50%) of the peer category in which PLK places Developer for each of PLK's then-standard metrics as applied consistently across the Popeyes brand domestically in the U.S., or (ii) Developer receives a letter grade of "D" or "F" in any metric used by PLK to measure operational performance, as measured by PLK. For the avoidance of doubt, in determining any ranking, grade, rating or score of Developer pursuant to this paragraph, PLK may consider the performance of any Popeyes Restaurants owned by Developer and any Popeyes Restaurants owned and operated by any Affiliate(s) of Developer, or by any other franchisee owned in whole or in part by (x) any one or more of the Principals, or (y) any "Managing Owner", "Operating Partner", "Key Operator", "Principal Manager", or "Operating Principal" under any franchise agreement entered into by Developer or its Affiliate (collectively, the "**Developer Restaurants**");

6.1.12 if Developer shall at any time incur total consolidated debt that would cause the ratio of (i) the total consolidated debt of Developer, minus the cash or cash equivalents held by Developer, to (ii) the trailing twelve months EBITDA of Developer ending at such time, to be greater than [_____] (_____) times. As used herein "**EBITDA**" means, for any period of measurement, an amount equal to net income for such period, plus the following to the extent deducted in calculating such net income (without duplication): (a) interest charges, (b) the provision for federal, state, local and foreign income taxes payable, and (c) depreciation and amortization expense; or

6.1.13 If Developer shall at any time incur total consolidated debt and rent and lease obligations that would cause the ratio of (i) the total consolidated debt of Developer, plus the product of [_____] (_____) multiplied by the aggregate amount of principal rent or lease payments made by Developer during the twelve (12)-month period immediately preceding the date of determination, minus the cash or cash equivalents held by Developer, to (ii) the trailing twelve (12) months EBITDAR of Developer ending at such time, to be greater than [_____] (_____) times. As used herein "**EBITDAR**" means, for any period of measurement, an amount equal to net income for such period, plus the following to the extent deducted in calculating such net income (without duplication): (a) interest charges, (b) the provision for federal, state, local and foreign income taxes payable, (c)

depreciation and amortization expense, and (d) rent and lease expense.

6.2 In the event of a Development Default, Developer may cure such Development Default by opening the number of Franchised Restaurants necessary to cure the Development Default within sixty (60) days from the end of the Shortfall Year (the “**Cure Period**”). Notwithstanding anything herein to the contrary, the cure set forth in this Section 6.2 is a one-time cure that may only be utilized once by Developer during the Term of this Agreement. Further, in the event Developer fails to open the number of Franchised Restaurants necessary to achieve the Cumulative Opening Target by the end of the Cure Period PLK may, at PLK's election, by written notice to Developer terminate this Agreement with immediate effect.

6.3 In addition to any other legal rights and remedies available to PLK set out in this Agreement or at law, including, without limitation, the provisions of Section 5.6 above, upon termination of this Agreement by PLK or if at the time of expiration of this Agreement Developer has not achieved the Cumulative Opening Target for the final Term Year, any rights granted to Developer pursuant to this Agreement, including all Franchise Approvals and Site Acceptances for Franchised Restaurants not yet opened, shall terminate .

ARTICLE VII: CONFIDENTIALITY AND RESTRICTIVE COVENANT

7.1 The term “**Confidential Information**” as used in this Agreement means all confidential and proprietary information of PLK or any of its Affiliates, including without limitation, this Agreement, PLK's or any of its Affiliates' trade dress, restaurant packaging design specifications and strategies, brand standards, any information relating to business plans, branding and design, operations manuals, including the Manual (as defined in the Franchise Agreement), and other standards, specifications and operating procedures, training material, marketing and business information, marketing strategy and marketing programs, plans and methods, food specifications (including recipes, prepared mixtures or blends of spices and other food products), details of suppliers and distributors, and sources of supply and distribution, sales, contractual and financial arrangements of PLK and its Affiliates and service providers, and all other information and knowledge relating to the methods of operating and the functional know-how applicable to Popeyes Restaurants and the Popeyes System and any other system or brand operated by PLK or its Affiliates revealed by or at the direction of PLK or any of its Affiliates to Developer, any of its Affiliates and/or any of the Principals.

7.2 Developer and each of the Principals acknowledges the uniqueness of the Popeyes System and that PLK is making the Confidential Information available to Developer and the Principals only for the purpose of developing Franchised Restaurants. Developer and each of the Principals agrees that it would be an unfair method of competition for any of them to use or duplicate or to allow others to use or duplicate any of the Confidential Information. Developer and each Principal, therefore, must:

7.2.1 at all times, both during the Term and following its termination or expiration, maintain the Confidential Information in strict confidence;

7.2.2 use the Confidential Information only in the operation of the Developer Restaurants;

7.2.3 not disclose the Confidential Information to any Person except those directors, officers, employees, professional advisers and financing sources (debt or equity) of Developer or any Principal who have a specific need to have access to it for the operation of any of the Developer Restaurants, and who have been made aware of the terms on which it has been disclosed to Developer and/or any Principal, and who agree to maintain its confidentiality. Developer and the Principals are jointly and severally responsible for any unauthorized disclosure of the Confidential Information by Persons to whom Developer or any Principal has disclosed it;

7.2.4 not permit anyone to reproduce, copy or exhibit any portion of the Manual (as defined in the Franchise Agreement) or any other Confidential Information received from PLK or any of its Affiliates;

7.2.5 return, delete or destroy the Confidential Information received from PLK or any of its Affiliates immediately upon receipt of a request from PLK to do so; and

7.2.6 at PLK's request, procure the Managing Director (as defined in the Franchise Agreement) and the Managing Owner (as defined in the Franchise Agreement) to execute an agreement similar in substance to this Article VII in a form acceptable to PLK and naming PLK as a third party beneficiary with the independent right to enforce such agreement.

7.3 In addition, Developer and the Principals agree that they shall not, at any time, whether before or after the Commencement Date, issue any press release or any other statement, broadcast, podcast, advertisement, circular, newsletter or other forms of information in relation to this Agreement, or the Popeyes business to the public unless the contents of such information release have been approved in writing by PLK prior to dissemination.

7.4 Developer and each Principal specifically acknowledges that, pursuant to this Agreement, Developer will receive valuable specialized training and Confidential Information, including information regarding the operational, sales, promotional, and marketing methods, procedures and techniques of PLK and the Popeyes System. Developer (who, unless otherwise specified, shall include for purposes of this Article VII, collectively and individually, all officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Developer, and of any corporation directly or indirectly Controlling Developer, if Developer is a corporation, and the general partners and any limited partners, including any corporation and the officers, directors and holders of legal or beneficial interests of ten percent (10%) or more of the securities with voting rights, of a corporation which Controls, directly or indirectly, any general or limited partner, if Developer is a partnership) and each Principal covenants that, during the Term, each of them shall not, either directly or indirectly, for Developer, any Principal, or through or on behalf of, or in conjunction with, any Person or Persons:

7.4.1 Divert or attempt to divert any business or customer of the business franchised hereunder to any competitor by direct or indirect inducements or otherwise, or to do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with PLK's Proprietary Marks and the Popeyes System; or

7.4.2 Own, maintain, operate, engage in, or have any interest in any quick service (either takeout, on premises consumption, or a combination thereof) restaurant that specializes in the sale of chicken ("**Disqualifying Restaurant**"); provided, however, that the term "Disqualifying Restaurant" shall not apply to any business operated by Developer under a franchise agreement with PLK or an Affiliate of PLK.

7.5 Developer and each Principal covenants that, except as otherwise approved in writing by PLK, each of them shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any Person or Persons, for a period of two (2) years following any sale, assignment, transfer, expiration or termination of this Agreement, regardless of the cause for termination, own, maintain, engage in, or have an interest in any Disqualifying Restaurant that is located within the Territory or within ten (10) miles of the Territory.

7.6 At PLK's request, Developer shall require and obtain execution of covenants similar to those set forth in this Article VII (including covenants applicable upon the termination of a Person's relationship with Developer) from all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of ten percent (10%) or more in Developer. Every covenant required by this Section 7.6 shall be in a form satisfactory to PLK, including specific identification of PLK as a third-party beneficiary of such covenants with the independent right to enforce them. Failure by Developer to obtain execution of a covenant required by this Section 7.6 shall constitute a material breach of this Agreement. A duplicate original of each such covenant shall be provided by Developer to PLK immediately upon execution.

7.7 The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Article VII, is held unreasonable or unenforceable by a court or agency having jurisdiction in a final decision, Developer expressly agrees to be bound

by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Article VII.

7.8 Developer understands and acknowledges that PLK shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 7.4 and 7.5 of this Agreement, or any portion thereof, without Developer's consent, effective immediately upon receipt by Developer of written notice thereof, and Developer agrees that it shall comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of this Article VII hereof.

7.9 The parties acknowledge that it will be difficult to ascertain with any degree of certainty the amount of damages resulting from a breach by of any of the covenants contained in this Article VII. It is further agreed and acknowledged that any violation by Developer of any of said covenants will cause irreparable harm to PLK. Accordingly, Developer agrees that upon proof of the existence of a violation of any of said covenants, PLK will be entitled to injunctive relief against Developer in any court of competent jurisdiction having authority to grant such relief, together with all costs and reasonable attorneys' fees incurred by PLK in bringing such action.

ARTICLE VIII: ASSIGNMENT AND TRANSFER

8.1 This Agreement and the Development Rights may not be, directly or indirectly, sold, conveyed, assigned, transferred, leased, licensed or sub-licensed, charged, mortgaged, pledged, hypothecated, encumbered or otherwise disposed of ("**Transferred**", and each such action, a "**Transfer**") by Developer in whole or in part, whether directly or indirectly by operation of law nor shall Developer have any right to sub-license any of the rights granted under this Agreement, without the prior written consent of PLK, which consent may be withheld by PLK at its sole discretion.

8.2 This Agreement and all the rights and obligations hereunder of PLK may be Transferred by PLK, and shall inure to the benefit of the successors and assigns of PLK. Developer and the Principals hereby irrevocably consent to any such Transfer at any time and waive any requirement of prior notice.

ARTICLE IX: ADVERTISING COOPERATIVE / POPEYES FOUNDATION

9.1 Advertising Cooperative. Developer acknowledges and agrees that following the Commencement Date, PLK intends to establish (or, alternatively, if currently in existence, PLK intends to continue to maintain) an advertising cooperative in each Designated Market Area ("**DMA**"), as defined by PLK from time to time in its sole discretion, in which a Developer Restaurant is located or to be located, at which time Developer shall be obligated to make a cooperative contribution in an amount that is not less than the amount designated by such cooperative, based upon a percentage of such Developer Restaurant's Gross Sales (as defined in the applicable Franchise Agreement) for the preceding week, payable weekly (or on such other basis as may be set forth in the Manual (as defined in the Developer Franchise Agreement) or otherwise agreed to in writing by PLK). Developer further covenants to PLK that Developer shall, for the entire term of each Developer Franchise Agreement, whether for a Developer Restaurant developed and opened pursuant to this Agreement or another Developer Restaurant (including any renewals, if any), cast its votes in each advertising cooperative in each DMA relating to each Developer Restaurant in favor of an above-the-fund local advertising cooperative contribution rate that is equal to or greater than one percent (1%) of such Developer Restaurant's Gross Sales. Developer acknowledges and agrees that such cooperative contributions are in addition to (and not in lieu of) any other payments, fees, or contributions provided for under this Agreement and/or any Developer Franchise Agreement (including the Royalties and the Advertising Contributions).

9.2 Popeyes Foundation. The Developer Restaurants shall participate in the fundraising and charitable efforts of the Popeyes Foundation (the "Foundation"). Developer agrees to contribute to the Foundation at least _____ DOLLARS (\$_____) for each Developer Restaurant during each year of the term of the relevant Developer Franchise Agreement at the time specified by the Foundation.

ARTICLE X: INDEMNIFICATION; INSURANCE

10.1 **Indemnification.** Developer is responsible for all losses, damages and/or contractual liabilities to third parties arising out of or relating to any of the obligations, undertakings, promises and representations of Developer under this Agreement, and for all claims or demands for damages to property or for injury, illness or death of Persons directly or indirectly resulting therefrom. Developer agrees to defend, indemnify and save PLK and PLK's officers, directors, agents, employees, attorneys, accountants, and Affiliates harmless of, from and with respect to any such claims, demands, losses, obligations, costs, expenses, liabilities, debts or damages (including, without limitation, reasonable attorney's fees). PLK shall notify Developer of any such claims, and Developer shall be given the opportunity to assume the defense of the matter. If Developer fails to assume the defense, PLK may defend the action in the manner it deems appropriate, and Developer shall pay to PLK all costs, including attorney fees, incurred by PLK in effecting such defense. PLK's right to indemnity under this Agreement shall arise and be valid notwithstanding that joint or concurrent liability may be imposed on PLK by statute, ordinance, regulation or other law.

10.2 **Insurance.** Developer shall procure the insurance coverage provided for in PLK's standard form of franchise agreement as disclosed in PLK's then-current Franchise Disclosure Document, prior to the commencement of construction of a Franchised Restaurant, and shall maintain such insurance coverage throughout the term of the Agreement.

ARTICLE XI: GUARANTEE OF PRINCIPALS

11.1 Each of the Principals guarantees (a) the prompt payment of all sums due from Developer under this Agreement and from Developer under all Developer Franchise Agreements granted pursuant to this Agreement, (b) the compliance by Developer with all the obligations contained in this Agreement and all Developer Franchise Agreements granted pursuant to this Agreement, in each case, together with all costs incurred by PLK of collection, compromise or enforcement, including reasonable attorneys' fees ((a) and (b) together, collectively, the "Obligations"). Each of the Principals shall pay all sums due under this Section 11.1, and take or cause to be taken all steps necessary to remedy a non-monetary breach of this Agreement, within fourteen (14) days of receipt of a demand specifying the breach or non-performance on the part of Developer. The liability of the Principals is primary, direct and unconditional, and PLK shall be under no obligation to take any steps or commence any proceedings against Developer before enforcing any of its rights under this Article XI against one or more of the Principals. The Principals waive any right they might otherwise have to be given notice of any breach or non-performance except as part of a demand made under this Section 11.1.

11.2 The guarantee contained in Section 11.1:

11.2.1 Shall continue in full force and effect notwithstanding any intermediate satisfaction of any such matters and notwithstanding any suspension of proceedings, receivership, liquidation or any similar proceedings with regard to Developer;

11.2.2 Shall remain valid and enforceable notwithstanding any time or indulgence given to Developer, and/or any waiver of its rights by PLK and/or any settlement agreed between PLK and any such Person including in the framework of a court approved creditors' arrangement; and

11.2.3 Shall not be impaired by any modification, supplement, extension or amendment of this Agreement, the Developer Franchise Agreements or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations under this Agreement, nor by any agreements or arrangements whatever with Developer, the Principals or anyone else.

11.3 As between PLK and the Principals and each of them, all sums due now and in the future to the Principals or any of them from Developer shall be subordinated to any sums owing from Developer to PLK.

11.4 The Principals hereby represent and warrant to PLK (and it is a condition of this Agreement) that the guarantees and other undertakings given by each of them in this Agreement are binding upon the Principals in accordance with their terms.

11.5 PLK shall be entitled in its sole discretion to request from any Principal partial or full performance, but all Principals shall remain bound until the whole Claim (as hereinafter defined) is satisfied.

11.6 Without limitation of any other provision of this Agreement, each of the Principals shall observe the covenants in this Agreement relating to Confidentiality and Restrictive Covenant (Article VII) and Assignment and Transfer (Article VIII) and the restrictive covenants in the Developer Franchise Agreement, as if they were Developer.

11.7 As a separate and principal obligation, each Principal shall indemnify PLK against any Claim, damage, liability, cost, charge, expense, or payment suffered, paid or incurred by PLK in connection with any default or delay by Developer in the due and punctual performance of its obligations under this Agreement or any Developer Franchise Agreement.

ARTICLE XII: SEVERABILITY

If any of the provisions of this Agreement may be construed in more than one way, one or more of which would render the provision illegal or otherwise void, voidable or unenforceable, and one of which would render the provision valid and enforceable, such provision shall have the meaning which renders it valid and enforceable. This Agreement shall be construed according to its fair meaning and not strictly against any Party. If any court or other government authority determines that any provision is not enforceable as written, the Parties agree that the provision shall be amended so that it is enforceable to the fullest extent permissible under the laws and public policies of the jurisdiction in which enforcement is sought and affords the Parties the same basic rights and obligations and has the same economic effect. If any provision is held invalid or otherwise unenforceable, such findings shall not invalidate the remainder of this Agreement.

ARTICLE XIII: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding of the Parties with respect to the development of Franchised Restaurants and supersedes all prior negotiations, commitments, representations, warranties and undertakings of the Parties (if any) with respect to the development of Franchised Restaurants, whether written or oral. The Parties acknowledge that they are not relying upon any representations, warranties, conditions, agreements or understandings, written or oral, made by the Parties as their agents or representatives, except as herein specified. Nothing in this or in any related agreement, however, is intended to disclaim the representations PLK made in the Franchise Disclosure Document it furnished to Developer. Neither this Agreement nor any term or provision of it may be changed, waived, discharged, or modified other than in writing and signed by the Parties.

ARTICLE XIV: ACKNOWLEDGEMENT

Subject to the terms of this Development Schedule and the Agreement:

(a) **Development Years []**: Developer agrees to develop, open, build and operate, on a cumulative basis, a total of _____ new Franchised Restaurants (net of closures) in the Territory by the end of Development Year _____. In addition, Developer must achieve the applicable (i) Mid-Year Opening Target (net of closures) set forth below by _____ [DATE] _____ of each Development Year (each, a “**Mid-Year Opening Date**”); and (ii) annual Cumulative Opening Target (net of closures) set forth below by the end of each Development Year set forth below.

DEVELOPMENT YEAR	Mid-Year Opening Target	Cumulative Opening Target
Development Year 1 (___/___/___ - ___/___/___)	___	___
Development Year 2 (___/___/___ - ___/___/___)	___	___
Development Year 3 (___/___/___ - ___/___/___)	___	___
Development Year 4 (___/___/___ - ___/___/___)	___	___
Development Year 5 (___/___/___ - ___/___/___)	___	___
TOTAL	_____	_____

The mid-year targets set forth above are collectively referred to as the “**Mid-Year Opening Targets**” and individually, a “**Mid-Year Opening Target**”. The Development Year targets set forth above are collectively referred to as the “**Cumulative Opening Targets**” and individually, a “**Cumulative Opening Target**”.

(b) **Mid-Year Shortfall**. In the event Developer fails to achieve any applicable Mid-Year Opening Target by opening the applicable number of new Franchised Restaurants set forth above between the first day of the applicable Development Year and the Mid-Year Opening Date of the applicable Development Year, then Developer shall pay to PLK an amount equal to Five Thousand Dollars (\$5,000) per month per Mid-Year Shortfall Restaurant (each, a “**Mid-Year Shortfall Fee**” and collectively, the “**Mid-Year Shortfall Fees**”). Developer’s obligation to pay any such Mid-Year Shortfall Fee shall commence on the calendar day immediately following the Mid-Year Opening Date of the applicable Development Year in which Developer fails to achieve the Mid-Year Opening Target and shall cease upon Developer’s opening for business of the applicable Mid-Year Shortfall Restaurant(s). For the avoidance of any doubt, any Mid-Year Shortfall Fee paid by Developer to PLK shall not be considered Prepaid Franchise Fees (as such term is defined herein) and shall not serve as a reduction to the Initial Franchise Fees due for any such Mid-Year Shortfall Restaurant. As used herein, the term “Mid-Year Shortfall Restaurant” shall refer to any new Franchised Restaurant not developed and opened for business as of the Mid-Year Opening Date of the applicable Development

Year. All of the Mid-Year Opening Targets set forth in the Development Schedule are expressed net of closures, without distinction as to the reason for such closure (i.e., expiration, early termination or otherwise).

(c) **Net of Closures Requirement.** Developer acknowledges and agrees that all Mid-Year Opening Targets and Cumulative Opening Targets must be achieved net of closures (as set forth in this Development Schedule and in Article III) so that such targets represent net restaurant growth (or NRG) in the Territory for each Development Year or portion thereof, as the case may be, and (ii) in the event of the closure of any Developer Restaurant in the Territory (including without limitation Developer Restaurants owned and operated by Developer and/or its Affiliates prior to the Commencement Date and Developer Restaurants not developed or opened pursuant to the Agreement), and without distinction as to the reason for such closure (i.e., expiration, early termination or otherwise), (a) such Restaurant must be replaced by a new Franchised Restaurant by the end of the Development Year in which the closure occurred, as necessary, in order to achieve the Cumulative Opening Targets net of closures, and (b) if such closure occurs prior to the Mid-Year Opening Date in a Development Year, then such Restaurant must be replaced by a new Franchised Restaurant on or before the Mid-Year Opening Date for the Development Year in which the closure occurred, as necessary, in order to achieve the Mid-Year Opening Targets net of closures.

POPEYES LOUISIANA KITCHEN
FRANCHISE AGREEMENT

THIS AGREEMENT (the “**Agreement**”) is made as of the effective date set forth on the Key Contract Data page, by and between **POPEYES LOUISIANA KITCHEN, INC.**, a Minnesota corporation, having its principal place of business at 5707 Blue Lagoon Drive, Miami, Florida 33126, U.S.A. (“**Franchisor**” or “**Popeyes**”), and the party identified as the franchisee on the Key Contract Data page (“**Franchisee**”).

WITNESSETH:

WHEREAS, Franchisor has developed and owns a unique system for opening and operating restaurants specializing in the preparation, merchandising, advertising and sale of “Louisiana” style menu items that include spicy chicken, biscuits, fried shrimp and other seafood, red beans and rice and other quick-service menu items developed and owned by Franchisor (the “**Popeyes System**” or “**System**”) and utilizing the Proprietary Marks (“**Popeyes Restaurant(s)**”);

WHEREAS, the distinguishing characteristics of the Popeyes System include the names “Popeyes” and “Popeyes Louisiana Kitchen”; specially designed buildings, distinctive interior and exterior layouts, trade dress, decor, color schemes, and furnishings; confidential food and beverage formulas and recipes; specialized menus; and standards and specifications for equipment, equipment layouts, products, operating procedures, and training programs, all of which may be changed, improved, and further developed by Franchisor from time to time;

WHEREAS, Franchisor identifies the Popeyes System by means of certain trade names, service marks, trademarks, logos, emblems, and other indicia of origin, including the marks “Popeyes”, “Popeyes Chicken and Biscuits” and “Popeyes Louisiana Kitchen” and such other trade names, service marks, trademarks and trade dress as are now, or may hereafter, be designated by Franchisor for use in connection with the Popeyes System (collectively referred to as the “**Proprietary Marks**”);

WHEREAS, Franchisor continues to develop, use, and control the use of such Proprietary Marks in order to identify for the public the source of services and products marketed thereunder in the Popeyes System and to represent the System’s high standards of quality, appearance, and service;

WHEREAS, Franchisee wishes to be assisted, trained, and licensed by Franchisor as a Popeyes franchisee and licensed to use, in connection therewith, the Proprietary Marks;

WHEREAS, Franchisee understands the importance of the Popeyes System and Franchisor’s high and uniform standards of quality, cleanliness, appearance, and service, and the necessity of opening and operating Popeyes Restaurants in conformity with the Popeyes System;

NOW, THEREFORE, the parties hereto agree as follows:

I. APPOINTMENT; OPENING OF FRANCHISED RESTAURANT

1.01. Franchisor grants to Franchisee a franchise to open and operate a POPEYES® Restaurant at the location set forth on the Key Contract Data page attached hereto and incorporated by reference herein, (the “**Franchised Restaurant**”) only upon the terms and conditions herein contained, and a license to use in connection therewith the Proprietary Marks and the Popeyes System.

1.02. Protected Area.

A. Subject to the terms and conditions of this Agreement and provided Franchisee is not otherwise in default of this Agreement and/or any other Agreement between Franchisor (or any parent, subsidiary or affiliate of Franchisor) and Franchisee (or any parent, subsidiary or affiliate of Franchisee), Franchisor shall not establish, nor franchise another to establish a POPEYES® Restaurant, for the term of this Agreement, within a geographic area immediately surrounding the Franchised Restaurant equal to the lesser of: (i) a one (1) mile radius around the Franchised Restaurant and (ii) an area encompassing a population (residential and workplace) of 50,000 people (the “**Protected Area**”), without Franchisee’s prior written consent. The area described in **Exhibit “A”** of this Agreement reflects a one (1) mile radius surrounding the Franchised Restaurant and may include area outside of Franchisee’s Protected Area.

B. The provisions of the above Section 1.02.A. shall not apply to Alternative Venues (as defined below). Alternative Venues do not receive Protected Areas. Alternative Venues are defined as Popeyes Restaurants operated in any of the following types of locations: (i) transportation facilities (including airports, train stations, bus stations, etc.); (ii) toll road plazas; (iii) educational facilities (including schools, colleges and universities); (iv) institutional feeding facilities (including hospitals, hotels, and corporate cafeterias); (v) government institutions and facilities; (vi) enclosed shopping malls; (vii) military bases; (viii) casinos; (ix) amusement, recreation and theme parks; and (x) stadiums, arenas, and convention centers. Additionally, the provisions of the above Section 1.02.A. do not prohibit Franchisor or its affiliates from operating or permitting others to operate in the Protected Area: (a) Popeyes Restaurants that are operating as of the effective date of this Agreement as set forth on the Key Contract Data page; (b) Popeyes Restaurants that were previously operated and closed as of the effective date of this Agreement as set forth on the Key Contract Data page, provided that (i) the premises of such restaurants were most recently operated as a Popeyes Restaurant and (ii) such restaurants reopen within three (3) years of their respective closing dates; and (c) Popeyes Restaurants to be operated pursuant to Franchise Agreements already executed at the time of this Agreement.

1.03. Limited Exclusivity. Except as expressly set forth herein: (i) the franchise granted to Franchisee under this Agreement is non-exclusive, and grants to Franchisee the rights to establish and operate the Franchised Restaurant at only the specific location set forth on the Key Contract Data page; (ii) no exclusive, protected or other territorial rights within or outside the market where the Franchised Restaurant is located are hereby granted or to be inferred; and (iii) Franchisor and/or its affiliates have the right to operate and grant as many other franchises for the

operation of Popeyes Restaurants, anywhere in the world, as they shall, in their sole discretion elect.

1.04. Right to Open the Franchised Restaurant.

A. Prior to opening the Franchised Restaurant (or re-opening the Franchised Restaurant in the case of a transfer of an existing Franchised Restaurant), Franchisor reserves the right to conduct a final inspection of the Franchised Restaurant and its premises to determine if Franchisee has complied with this Agreement. Franchisor shall not be liable for delays or loss occasioned by its inability to complete its inspection prior to Franchisee's scheduled opening date. Franchisee shall not open the Franchised Restaurant for business without the express written authorization of Franchisor, which may be withheld unless Franchisee has satisfied the following conditions:

1. Franchisee is not in material default under this Agreement or any other agreements with Franchisor.
2. Franchisee is current on all monetary obligations due Franchisor and has paid Franchisor the balance of the initial fees required by this Agreement and any amendment to this Agreement.
3. Franchisee has constructed the Franchised Restaurant substantially in accordance with plans approved by Franchisor and with applicable laws, ordinances and local codes.
4. Franchisee has decorated the interior of the Franchised Restaurant and purchased or leased and installed all specified and required fixtures, equipment, furnishings and signs substantially in accordance with Franchisor's standards and specifications and only from suppliers designated or approved by Popeyes, which may include Franchisor.
5. Franchisee has obtained a certificate of occupancy and all other required building, utility, health, sign, sanitation, safety or fire department certificates, and other permits and licenses applicable to the Franchised Restaurant. If requested by Franchisor, Franchisee shall submit a copy of the certificate of occupancy to Franchisor.
6. Franchisee has hired and trained a staff in accordance with the requirements of this Agreement.
7. Franchisee has purchased an opening inventory for the Franchised Restaurant of only authorized and approved products and other materials and supplies.

8. If Franchisee leases the location of the Franchised Restaurant, Franchisor has been furnished with a copy of a fully executed lease for the location of the Franchised Restaurant.

9. Franchisee has furnished to Franchisor copies of all insurance policies required by this Agreement or such other evidence of insurance coverage and payment of premiums as Franchisor reasonably may request.

II. TERM

2.01. Except as otherwise provided in this Agreement, the initial term of this Franchise Agreement (the “**Term**”) shall be for the period of time set forth on the Key Contract Data page, which shall commence on the date set forth on the Key Contract Data page (as determined by Franchisor). Franchisee agrees and shall be obligated to operate the Franchised Restaurant and perform hereunder for the full Term of this Agreement. Notwithstanding anything set forth below, if Franchisee continues to operate the Franchised Restaurant after the end of the Term without express written authorization from Franchisor to do so and does not renew this franchise in accordance with this Section, Franchisee shall be deemed to be operating such Franchised Restaurant on a month-to-month basis under the terms and conditions of this Agreement and Franchisor may terminate this Agreement at any time after the end of the Term upon thirty (30) days prior written notice.

2.02. Franchisee may, at its option, renew this franchise for one (1) additional period of ten (10) years (the “**Renewal Term**”), provided that, at the time of renewal:

A. Franchisee gives Franchisor written notice of such election to renew not less than six (6) months nor more than twelve (12) months prior to the end of the initial Term;

B. Franchisee executes Franchisor’s then-current standard form of franchise agreement, which may differ from this Agreement as to ownership requirements and include a higher royalty fee and a higher advertising contribution, if any, than that contained in this Agreement; and the term of which shall be the renewal term as specified in Section 2.02. hereof, but shall contain no further renewal rights except as provided in Section 2.03. hereof;

C. Franchisee executes a general release in a form prescribed by Franchisor of any and all claims against Franchisor and its parent companies, subsidiaries, and affiliates, and their respective officers, directors, agents, and employees;

D. Franchisee is in “good standing” and not otherwise in default of any provision of this Agreement, or any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor, or any subsidiary or affiliate of Franchisor, and Franchisee has fully and faithfully performed all of Franchisee’s obligations throughout the term of this Agreement. For the purposes of this Agreement, Franchisee shall be considered in “good standing” if Franchisee is in compliance with the terms and conditions of this Agreement and the following conditions:

1. Any and all amounts owed to Franchisor and/or its affiliates under any agreement between Franchisor and Franchisee, are current (*i.e.*, there are no amounts delinquent), including Royalty, Advertising Contribution, lease payments, promissory note payments, etc., and all related documents, reports and financial statements have been provided as required by Franchisor;

2. Franchisee's operation of any and all restaurants and/or other businesses operated under any agreement between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor) are in compliance with the standards set forth in the respective franchise agreements and manuals applicable to such restaurants and/or businesses, or as otherwise set forth in writing;

3. Franchisee does not, at such time, operate any franchised restaurant which has failed to meet Franchisor's minimum quality, service and/or cleanliness standards applicable to such restaurant;

4. Franchisee is in compliance with all the material terms and conditions of any and all agreements between Franchisee and Franchisor, including any franchise agreement, development agreement, lease agreement, promissory note, etc.;

5. There is, at such time, no pending or threatened litigation between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor); and

6. Franchisee meets all then-current financial ratios that Franchisor uses to evaluate new franchisees for financial approval.

E. Franchisee has paid or otherwise satisfied all monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates and any indebtedness of Franchisee which is guaranteed by Franchisor, and Franchisee has timely paid or otherwise satisfied these obligations throughout the term of this Agreement;

F. Franchisee agrees, at its sole cost and expense, to reimage, renovate, refurbish and modernize the Franchised Restaurant, within the timeframe required by Franchisor, including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials to meet Franchisor's then-current standards, specifications and design criteria for Popeyes Restaurants, as contained in the then-current franchise agreement, the Manual, or otherwise in writing, including such structural changes, remodeling and redecoration and such modifications to existing improvement as may be necessary to do so; and

G. Franchisee shall pay to Franchisor a renewal fee in an amount equal to fifty percent (50%) of Franchisor's then-current standard, initial franchise fee when Franchisee signs the franchise agreement for the Renewal Term.

2.03. Provided Franchisee is in “good standing” (as defined above) and not otherwise in default under the terms of this Agreement and/or any other agreement between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor), Franchisee may, at any time during the term hereof, or during the Renewal Term, purchase an option (the “**Supplemental Term Option**”) for an additional ten (10) year renewal term commencing immediately following the Renewal Term (the “**Supplemental Renewal Term**”), upon the following terms and conditions:

A. Franchisee shall pay a fee (the “**Option Fee**”) to Franchisor in an amount equal to fifty percent (50%) of Franchisor’s then-current standard, initial franchise fee when Franchisee signs the franchise agreement for the Supplemental Renewal Term;

B. Franchisee shall execute an amendment to the Franchise Agreement in the form required by Franchisor which shall: (i) add the Supplemental Term Option and the terms upon which such option may be exercised to the Franchise Agreement; and (ii) incorporate Franchisor’s then-current renewal conditions into the Franchise Agreement (provided, however, Franchisor’s then-current renewal conditions shall not impose the payment of a renewal fee in addition to the Option Fee); and

C. The Supplemental Term Option must be purchased no later than six (6) months prior to the end of the Renewal Term. There shall be no right to extend the Franchise Agreement beyond the Supplemental Renewal Term.

III. FEES

3.01. In consideration of the franchise granted to Franchisee herein, Franchisee shall pay to Franchisor the following:

A. An initial franchise fee equal to the amount set forth as the “Initial Franchise Fee” on the Key Contract Data page (“**Initial Franchise Fee**”) payable prior to the opening of the Franchised Restaurant for business to the public. Such Initial Franchise Fee shall be fully earned by Franchisor upon payment by Franchisee. Franchisor may require Franchisee to utilize wire transfers as a means of paying the Initial Franchise Fee.

B. A recurring, non-refundable royalty fee equal to the amount set forth as the “Royalty” on the Key Contract Data page (“**Royalty**”) during the term of this Agreement, payable weekly (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor) on the Gross Sales of the preceding week.

3.02. In addition to the payments provided for in Section 3.01 hereof, Franchisee, recognizing the value of advertising and the importance of the standardization of advertising and promotion to the goodwill and public image of the System, agrees to pay to the Popeyes Advertising Fund (“**Advertising Fund**”) a recurring, non-refundable advertising fund contribution (“**Advertising Contribution**”) in an amount to be determined by Franchisor, in its sole discretion, not to exceed the amount set forth as the “Advertising Contribution” on the Key Contract Data page for the preceding week, payable weekly (or on such other basis as may be set

forth in the Manual or otherwise agreed to in writing by Franchisor). The Advertising Contribution shall be expended by Franchisor in accordance with the following conditions and limitations:

A. The Advertising Fund, all contributions thereto, and any earnings thereon, shall be used exclusively for national, regional, and/or local advertising and promotional materials and market research for the Popeyes System including maintaining, administering, directing, producing and preparing market research, advertising, marketing materials and/or promotional activities for the Popeyes System. All reasonable costs incurred by Franchisor or charged to Franchisor by third parties for market research and the production and dissemination of advertising, marketing and promotional materials may be charged to the Advertising Fund.

B. All sums paid by Franchisee to the Advertising Fund shall be maintained in an account separate from other funds of Franchisor and shall not be used to defray any of Franchisor's expenses except as provided herein, and as Franchisor may incur in activities reasonably related to the administration or direction of the Advertising Fund and advertising and marketing programs for franchisees and the Popeyes System. The Advertising Fund and its earnings shall not otherwise inure to the benefit of Franchisor. Franchisor shall maintain a separate bookkeeping account for the Advertising Fund.

C. The selection of media and locale for media placement shall be at the sole discretion of Franchisor.

D. Franchisor, upon request, shall provide Franchisee with an annual accounting of receipts and disbursements of the Advertising Fund.

E. It is anticipated that all contributions to and earnings of the Advertising Fund will be expended in accordance with the terms hereof during the taxable year in which contributions and earnings are received. If, however, excess amounts remain in the Advertising Fund at the end of a taxable year, all expenditures in the following taxable year(s) shall be made first out of accumulated earnings from previous years, next out of earnings in the current year, and finally from contributions.

F. The Advertising Fund is not, and shall not be, an asset of Franchisor. Although the Advertising Fund is intended to be of perpetual duration, Franchisor maintains the right to terminate the Advertising Fund; provided, however, that the Advertising Fund shall not be terminated until all monies in the Advertising Fund have been expended for the purposes stated herein.

G. Franchisee understands that such advertising and marketing is intended to maximize the public's awareness of the Franchised Restaurants and the System, and that Franchisor accordingly undertakes no obligation to insure that any individual Franchisee benefits directly or on a pro rata basis from the placement, if any, of such advertising or marketing in its local market. Franchisee further acknowledges that its failure to derive any such benefit, whether directly or indirectly, shall not be cause for Franchisee's nonpayment or reduction of the required contributions to the Advertising Fund.

H. For each Popeyes Restaurant operated by Franchisor, Franchisor shall pay to the Advertising Fund an Advertising Contribution in an amount equal to the standard amount required to be paid by franchisees for any franchised Popeyes Restaurants opened on the same date as the Popeyes Restaurant opened by Franchisor.

3.03. For the purposes of this Agreement, the term “**Gross Sales**” shall mean all revenues generated by Franchisee’s business conducted upon, from or with respect to the Franchised Restaurant, whether such sales are evidenced by cash, check, credit, charge, account, barter or exchange. Gross Sales shall include monies or credit received from the sale of food and merchandise, from tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Franchised Restaurant, including such off-premises services as catering and delivery. Gross Sales shall not include the sale of food or merchandise for which refunds have been made in good faith to customers, the sale of equipment used in the operation of the Franchised Restaurant, nor shall it include sales, meals, use or excise tax imposed by a governmental authority directly on sales and collected from customers; provided that the amount for such tax is added to the selling price or absorbed therein, and is actually paid by Franchisee to such governmental authority.

3.04. Franchisee’s payment of Royalty and Advertising Contributions shall be in accordance with the following terms and requirements:

A. Franchisee shall participate in Franchisor’s then-current electronic funds transfer program authorizing Franchisor to utilize a pre-authorized bank draft system. All Royalty and Advertising Contributions applicable to the Gross Sales and other amounts owed under this Agreement, including interest charges must be received by Franchisor or credited to Franchisor’s account by pre-authorized bank debit before 5:00 p.m. on the 5th day after the end of each fiscal week, or at a later point specified by Franchisor from time to time (“**Due Date**”). On each Due Date, Franchisor will transfer from the Franchised Restaurant’s commercial bank operating account (“**Account**”) the amount reported to Franchisor in Franchisee’s remittance report or determined by Franchisor by the records contained in the POS System and the BOH System (as defined below) of the Franchised Restaurant.

B. Franchisee shall: (i) comply with payment procedures specified by Franchisor in the Manual or otherwise in writing; (ii) a minimum of five (5) business days prior to the opening date, deliver to Franchisor an authorization in such form as Franchisor may designate to initiate debit entries and/or credit correction entries to the Account for payments of the Royalty, Advertising Contributions and other amounts payable under this Agreement, including any interest charges; (iii) promptly upon request, perform those acts and sign and deliver those documents as may be necessary to accomplish payment by electronic funds transfer as described in this Section 3.04; and (iv) make sufficient funds available in the Account for withdrawal by electronic funds transfer no later than the Due Date for payment thereof.

C. Failure by Franchisee to have sufficient funds in the Account shall constitute a default of this Agreement pursuant to Section 15.03. Additionally, Franchisor

may assess and debit from the Account a reasonable administrative charge for each notification of insufficient funds. Franchisee shall not be entitled to set off, deduct or otherwise withhold any Royalty, Advertising Contributions, interest charges or any other monies payable by Franchisee under this Agreement on grounds of any alleged non-performance by Franchisor of any of its obligations or for any other reason.

3.05. Notwithstanding the provisions of Section 3.04, Franchisor reserves the right to modify, at its option, the method by which Franchisee pays the Royalty, Advertising Contributions and other amounts owed under this Agreement, including interest charges, upon receipt of written notice from Franchisor.

3.06 If any monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates are more than seven (7) days overdue, Franchisee shall, in addition to such obligations, pay to Franchisor a sum equal to one and one-half percent (1.5%) of the overdue balance per month, or the highest rate permitted by law, whichever is less, from the date said payment is due.

IV. ACCOUNTING AND RECORDS

4.01. Accurate Books and Records. During the Term of this Agreement, Franchisee shall maintain and preserve, for at least three (3) years from the dates of their preparation, full, complete and accurate books, records and accounts in accordance with generally accepted accounting principles and in the form and the manner prescribed by Franchisor from time-to-time in the Manual or otherwise in writing. These records shall include daily and weekly sales tapes (including non-resettable readings), daily and weekly sales mix tapes, meals, sales and other tax returns, duplicate deposit slips and other evidence of Gross Sales and all other business transactions.

4.02. Royalty Reports. Franchisee shall submit to Franchisor, no later than the date each weekly Royalty payment is due during the Term of this Agreement, a report on forms prescribed by Franchisor, accurately reflecting all Gross Sales during the preceding week and such other forms, reports, records, financial statements or information as Franchisor may reasonably require in the Manual, or otherwise in writing. Franchisor may require Franchisee to submit such written reports in addition to the Gross Sales information transmitted to Franchisor by Franchisee's POS and BOH Systems (as defined below).

4.03. Periodic Statements. Franchisee shall, at its expense, submit to Franchisor: (i) each Period (as defined below), month or quarter, as determined by Franchisor, within thirty (30) days following the end of each Period, month or quarter of the Term hereof, profit and loss statements with such detail and in a format as Franchisor may reasonably require; and (ii) quarterly, within thirty (30) days following the end of each quarter during the Term hereof, an unaudited financial statement including an income statement, balance sheet and statement of cash flow, with such detail and in a format as Franchisor may reasonably require ("**Quarterly Statement**"), together with a certificate executed by Franchisee stating that such financial statement is true and accurate. Upon Franchisor's request, Franchisee shall submit to Franchisor, with each Quarterly Statement, copies of any state or local sales tax returns ("**Sales Tax Returns**") filed by Franchisee for the

period included in the Quarterly Statement. In the event Franchisee prepares financial statements on the basis of thirteen (13), four (4) week periods (“**Periods**”), the Quarterly Statements shall be submitted within thirty (30) days following the end of the fourth (4th), seventh (7th), tenth (10th) and thirteenth (13th) Periods.

4.04. Annual Financial Statements. Franchisee shall, at its expense, submit to Franchisor within ninety (90) days following the end of each calendar or fiscal year during the Term of this Agreement, an unaudited financial statement for the preceding calendar or fiscal year, including an income statement, balance sheet and statement of cash flow, with such detail and in a format as Franchisor may reasonably require, together with a certificate executed by Franchisee certifying that such financial statement is true and accurate (“**Annual Financial Statements**”) and such other information in such form as Franchisor may reasonably require. Upon written request from Franchisor, the foregoing Annual Financial Statement shall include a profit and loss statement and balance sheet for the Franchised Restaurant, and shall be prepared in accordance with generally accepted accounting principles. In the event Franchisee defaults under this Agreement, Franchisor may require, upon written notice to Franchisee, that all Annual Financial Statements submitted thereafter include a “Review Report” prepared by an independent Certified Public Accountant.

4.05. Other Reports. Franchisee shall also submit to Franchisor, for review or auditing, such other forms, financial statements, reports, records, information and data as Franchisor may reasonably designate, in the form and at the times and places reasonably required by Franchisor, upon request and as specified from time-to-time in the Manual or otherwise in writing. If Franchisee has combined or consolidated financial information relating to the Franchised Restaurant with that of any other business or businesses, including a business licensed by Franchisor, Franchisee shall simultaneously submit to Franchisor, for review or auditing, the forms, reports, records and financial statements (including the Quarterly Statements and Annual Financial Statements) which contain the detailed financial information relating to the Franchised Restaurant, separate and apart from the financial information of such other businesses. Franchisee hereby authorizes all of its suppliers and distributors to release to Franchisor, upon Franchisor’s request, any and all of its books, records, accounts or other information relating to goods, products and supplies sold to Franchisee and/or the Franchised Restaurant.

4.06. Franchisor’s Right of Audit. Franchisor or its designated agents or auditors shall have the right at all reasonable times to audit, review and examine by any means, including electronically through the use of telecommunications devices or otherwise, at its expense, the books, records, accounts, and tax returns of Franchisee related to the Franchised Restaurant. If any such audit, review or examination reveals that Gross Sales have been understated in any report to Franchisor, Franchisee shall immediately pay to Franchisor the Royalty and Advertising Contribution due with respect to the amount understated upon demand, in addition to interest from the date such amount was due until paid, at the rate of one and one-half percent (1.5%) per month. If any such understatement exceeds two percent (2%) of Gross Sales as set forth in the report, Franchisee shall, in addition, upon demand, reimburse Franchisor for any and all costs and expenses connected with such audit, review or examination (including reasonable accounting and attorneys’ fees). The foregoing remedies shall be in addition to any other rights and remedies Franchisor may have.

4.07. Financial Ratios. Franchisee shall at all times meet all then current financial ratios Franchisor uses to evaluate Popeyes franchisees for financial approval to expand in the Popeyes System, and Franchisee's failure to meet such financial ratios shall constitute a default of this Agreement pursuant to Section 15.03.

V. PROPRIETARY MARKS

5.01. It is understood and agreed that the franchise granted herein to use Franchisor's Proprietary Marks applies only to use in connection with the operation of the Franchised Restaurant franchised in this Agreement at the location designated in Section I hereof, and includes only such Proprietary Marks as are now designated or which may hereafter be designated, in the Manual or otherwise in writing as a part of the System (which might or might not be all of the Proprietary Marks pertaining to the System owned by Franchisor), and does not include any other mark, name, or indicia of origin of Franchisor now existing or which may hereafter be adopted or acquired by Franchisor.

5.02. With respect to Franchisee's use of the Proprietary Marks pursuant to this Agreement, Franchisee acknowledges and agrees that:

A. Franchisee shall not use the Proprietary Marks as part of Franchisee's corporate or other business name;

B. Franchisee shall not hold out or otherwise use the Proprietary Marks to perform any activity or incur any obligation or indebtedness in such manner as might, in any way, make Franchisor liable therefore, without Franchisor's prior written consent;

C. Franchisee shall execute any documents and provide such other assistance deemed necessary by Franchisor or its counsel to obtain protection for the Proprietary Marks or to maintain the continued validity of such Proprietary Marks; and

D. Franchisor reserves the right to substitute different Proprietary Marks for use in identifying the System and the franchised businesses operating thereunder, and Franchisee agrees to immediately substitute Proprietary Marks upon receipt of written notice from Franchisor.

5.03. Franchisee expressly acknowledges Franchisor's exclusive right to use the mark "Popeyes" for restaurant services, fried chicken, and other related food products; the building configuration; and the other Proprietary Marks of the System. Franchisee agrees not to represent in any manner that it has any ownership in the Proprietary Marks or the right to use the Proprietary Marks except as provided in this Agreement. Franchisee further agrees that its use of the Proprietary Marks shall not create in its favor any right, title, or interest in or to the Proprietary Marks, and that all of such use shall inure to the benefit of Franchisor.

5.04. Franchisee acknowledges that the use of the Proprietary Marks outside the scope of this license, without Franchisor's prior written consent, is an infringement of Franchisor's exclusive right to use the Proprietary Marks, and during the term of this Agreement and after the

expiration or termination hereof, Franchisee covenants not to, directly or indirectly, commit an act of infringement or contest or aid in contesting the validity or ownership of Franchisor's Proprietary Marks, or take any other action in derogation thereof.

5.05. Franchisee shall promptly notify Franchisor of any suspected infringement of, or challenge to, the validity of the ownership of, or Franchisor's right to use, the Proprietary Marks licensed hereunder. Franchisee acknowledges that Franchisor has the right to control any administrative proceeding or litigation involving the Proprietary Marks. In the event Franchisor undertakes the defense or prosecution of any litigation relating to the Proprietary Marks, Franchisee agrees to execute any and all documents and to do such acts and things as may, in the opinion of counsel for Franchisor, be necessary to carry out such defense or prosecution. Except to the extent that such litigation is the result of Franchisee's use of the Proprietary Marks in a manner inconsistent with the terms of this Agreement, Franchisor agrees to reimburse Franchisee for its out-of-pocket costs in doing such acts and things, except that Franchisee shall bear the salary costs of its employees.

5.06. Franchisee understands and agrees that its license with respect to the Proprietary Marks is non-exclusive to the extent that Franchisor has and retains the right under this Agreement:

A. To grant other licenses for the Proprietary Marks, in addition to those licenses already granted to existing franchisees;

B. To develop and establish other franchise systems for the same, similar, or different products or services utilizing proprietary marks not now or hereafter designated as part of the System licensed by this Agreement, and to grant licenses thereto, without providing Franchisee any right therein; and

C. To develop and establish other systems for the sale, at wholesale or retail, of similar or different products utilizing the same or similar Proprietary Marks, without providing Franchisee any right therein.

5.07. Franchisee acknowledges and expressly agrees that any and all goodwill associated with the System and identified by the Proprietary Marks used in connection therewith shall inure directly and exclusively to the benefit of Franchisor and is the property of Franchisor, and that upon the expiration or termination of this Agreement or any other agreement, no monetary amount shall be assigned as attributable to any goodwill associated with any of Franchisee's activities in the operation of the Franchised Restaurant granted herein, or Franchisee's use of the Proprietary Marks.

5.08. Franchisee understands and acknowledges that each and every detail of the Popeyes System is important to Franchisee, Franchisor, and other franchisees in order to develop and maintain high and uniform standards of quality and services, and hence to protect the reputation and goodwill of Popeyes Restaurants. Accordingly, Franchisee covenants:

A. To operate and advertise the Franchised Restaurant, at Franchisee's own expense, under the name "Popeyes Louisiana Kitchen," without prefix or suffix;

B. To adopt and use the Proprietary Marks licensed hereunder solely in the manner prescribed by Franchisor; and

C. To observe such reasonable requirements with respect to trademark registration notices as Franchisor may from time to time direct in the Manual or otherwise in writing.

5.09. In order to preserve the validity and integrity of the Proprietary Marks licensed herein and to assure that Franchisee is properly employing the same in the operation of the Franchised Restaurant, Franchisor or its agents shall at all reasonable times have the right to inspect Franchisee's operations, premises, and Franchised Restaurant and make periodic evaluations of the services provided and the products sold and used therein. Franchisee shall cooperate with Franchisor's representatives in such inspections and render such assistance to the representatives as may reasonably be requested.

VI. ORGANIZATION OF FRANCHISEE

6.01. Franchisee makes the following representations, warranties and covenants to Franchisor:

A. If Franchisee is a legal entity such as a business corporation, partnership, limited liability company or other legal entity, Franchisee represents, warrants and agrees that: (i) Franchisee is duly organized, in good standing, and validly existing under the laws of the state of its organization; (ii) Franchisee is duly qualified to transact business in (and is in good standing in) the state in which the Franchised Restaurant is located; (iii) Franchisee's governing documents permit execution of this Agreement and the development and operation of the Franchised Restaurant; (iv) unless waived in writing by Franchisor, Franchisee's governing documents shall at all times provide that Franchisee's activities are restricted to those necessary solely for the development, ownership and operation of the Franchised Restaurant in accordance with this Agreement and any other agreements entered into with Franchisor or its affiliates; and (v) one owner of Franchisee is and shall be the chief executive officer or managing member of Franchisee, holding such office or offices as may be necessary to maintain and exercise the actual power and authority actively to direct the affairs of Franchisee.

B. If Franchisee is an individual, a group of individuals or a partnership comprised solely of individuals, Franchisee makes the following additional representations and warranties: (i) each individual has executed this Agreement; (ii) each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and (iii) notwithstanding any transfer to a business entity formed for convenience of ownership, each individual shall continue to be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

6.02. Franchisee shall furnish to Franchisor, upon execution or any subsequent transfer of this Agreement, as applicable, true and complete copies of the articles or certificate of incorporation, articles of organization, membership agreement, partnership agreement, bylaws, subscription agreements, buy-sell agreements, voting trust agreements and all other documents relating to the ownership, organization, capitalization, management and control of Franchisee and all amendments thereto and a list of shareholders, members or owners showing the percentage interest of each. When any of these governing documents are modified or changed, Franchisee promptly shall provide copies to Franchisor. Franchisee may not change the form of its entity unless Franchisor mutually agrees in writing that such a change is warranted. Franchisee shall promptly furnish Franchisor, on a regular basis, with certified copies of such business records material to the Franchised Restaurant as Franchisor may require from time to time in the Manual or otherwise in writing.

6.03. Restrictive Legend.

A. If Franchisee is a corporation, Franchisee shall maintain stop-transfer instructions against the transfer, on its records, of any securities with voting rights, subject to the restrictions of this Agreement, and each stock certificate of the corporate Franchisee representing each share of stock, shall have conspicuously endorsed upon it the following legend: “Any assignment or transfer of this stock is subject to the restrictions imposed on assignment by the Popeyes Louisiana Kitchen Franchise Agreement with Popeyes Louisiana Kitchen, Inc. dated [INSERT AGREEMENT DATE] to which the corporation is a party.”

B. If Franchisee is a limited liability company, each membership or management certificate shall have conspicuously endorsed upon its face the following statement: “Any assignment or transfer of an interest in this limited liability company is subject to the restrictions imposed on assignment by the Popeyes Louisiana Kitchen Franchise Agreement with Popeyes Louisiana Kitchen, Inc. dated [INSERT AGREEMENT DATE] to which the limited liability company is a party.”

C. If Franchisee is a partnership, Franchisee’s written partnership agreement shall provide that ownership of an interest in the partnership is held, and that further assignment or transfer thereof, is subject to all restrictions imposed on assignment by this Agreement.

6.04. Franchisee represents, warrants, and covenants to Franchisor that the information set forth on **Exhibit “B”** is and will be, true, correct, and complete at all times during the Term (including the identity of all of the individuals with an ownership interest in Franchisee, the amount of such ownership interest, and other information specified). Without limiting the generality of the foregoing, Franchisee acknowledges its understanding of Franchisor’s requirement that an individual “Managing Owner” be named and be granted the authority by Franchisee to bind Franchisee in any dealings with Franchisor and its affiliates and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Restaurant. The Managing Owner shall, at all times, (a) own ten percent (10%) or more of the legal or beneficial interest in Franchisee (or alternatively, have the right to receive ten percent

(10%) or more of the operating profits of the Franchised Restaurant), and (b) meet Franchisor's then current criteria for Managing Owners. Clause (a) of the immediately preceding sentence of this Section 6.04 shall not apply if Franchisee was a publicly held entity or a wholly-owned subsidiary of a publicly held entity as of the date of the first franchise related agreement between Franchisee and Franchisor. Franchisee represents, warrants, and covenants to Franchisor that the Managing Owner designated on the Key Contract Data page and in **Exhibit "B"** has, and will have throughout the Term, the authority to bind Franchisee in any dealings with Franchisor and its affiliates and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Restaurant. Franchisee agrees to furnish Franchisor with such evidence as Franchisor may request from time to time for the purpose of assuring Franchisor that the Managing Owner's authority remains as represented in this Agreement. Franchisee shall promptly advise Franchisor in writing of any proposed change to the information set forth on the Key Contract Data page and in **Exhibit "B"** and thereafter comply with the applicable provisions of this Agreement. No change in the Managing Owner may be made without the prior written consent of Franchisor. If Franchisor provides consent to a change in Managing Owner, such new Managing Owner shall execute an Owner's Guaranty unless waived by Franchisor in its sole discretion or unless otherwise provided in accordance with Section 6.05 herein. If the Managing Owner dies or becomes incapacitated, then within sixty (60) days thereafter, Franchisee shall name a new Managing Owner approved by Franchisor pursuant to Franchisor's then current criteria for approving Managing Owners.

6.05. Unless Franchisee is a publicly-held entity, all of Franchisee's officers, directors and all holders of a legal or beneficial interest in Franchisee of ten percent (10%) or more shall jointly and severally guarantee Franchisee's payment and performance under this Agreement and also shall bind themselves to the terms of this Agreement pursuant to an Owner's Guaranty, in a form acceptable to Franchisor. Franchisor reserves the right, in its sole discretion, from time to time upon consideration of certain circumstances presented by Franchisee such as for family estate planning purposes, to waive the requirement that some or all of the previously described individuals execute the Owner's Guaranty. Franchisor reserves the right to require any guarantor to provide personal financial statements to Franchisor from time to time.

6.06. Franchisee acknowledges its understanding of Franchisor's requirement that an individual "Managing Director" be identified by Franchisee to Franchisor and be approved by Franchisor. The term "**Managing Director**" shall be defined as a person who has been approved by Franchisor, in its sole discretion, as the individual who possesses the operational experience, skills, and other criteria set forth in this Section 6.06. The Managing Director is identified on the Key Contract Data page and in **Exhibit "B"** attached hereto. Unless waived in writing by Franchisor, the Managing Director shall meet all of the following qualifications:

A. The Managing Director shall, at all times, have the authority to direct full control over the day-to-day activities, including operations, of the Franchised Restaurant and those other Franchised Restaurants operated by Franchisee in the same geographic area as the Franchised Restaurant, including, without limitation, control over the standards of operation and financial performance and authority to ensure compliance with the Manual, this Agreement, and the terms of any lease or other agreements related to the Franchised Restaurant.

B. The Managing Director shall devote full-time and best efforts to supervising the operation of the Franchised Restaurant and those other Franchised Restaurants operated by Franchisee in the same geographic area as the Franchised Restaurant and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

C. The Managing Director shall maintain his primary residence within a reasonable driving distance of the Franchised Restaurant.

D. The Managing Director shall successfully complete all modules of PTP, as defined in Section 8.01 of this Agreement, that are applicable to a Managing Director and any additional training required by Franchisor.

E. The Managing Director otherwise meets Franchisor's then current criteria for Managing Directors as communicated by Franchisor to the Popeyes System from time to time.

F. Franchisor shall have approved the Managing Director, and not have later withdrawn that approval.

G. If the Managing Director no longer qualifies as such, Franchisee shall designate another qualified person to act as Managing Director within 30 days after the date the prior Managing Director ceases to be qualified. Franchisee's designee to become the Managing Director must be approved by Franchisor and must successfully complete all modules of PTP that are applicable to a Managing Director.

VII. CONFIDENTIAL OPERATING STANDARDS MANUAL

7.01. In order to protect the reputation and goodwill of Franchisor and the Popeyes System and to maintain uniform standards of operation under Franchisor's Proprietary Marks, Franchisee shall operate the Franchised Restaurant in accordance with Franchisor's Brand Standards Manual, its Brand Training Standards, and such other operating standards, specifications, procedures and techniques prescribed by Franchisor from time to time (collectively, whether made available to Franchisee via electronic communication (including the internet) or via hard copy, and all amendments and updates thereto, the "**Manual**").

7.02. Franchisee shall at all times treat the Manual, and the information contained therein, as confidential, and shall use all reasonable efforts to keep such information secret and confidential. Franchisee shall not, at any time, without Franchisor's prior written consent, copy, duplicate, record, or otherwise make the Manual available to any unauthorized person or entity.

7.03. The Manual shall at all times remain the sole property of Franchisor.

7.04. In order for Franchisee to benefit from new knowledge, information, methods and technology adopted and used by Franchisor in the operation of the System, Franchisor may from time to time revise the Manual by bulletin, video, the Internet, electronic mail or by other written or electronic communication (including an online learning management system designated by

Franchisor). Franchisee shall review, understand, adhere to and abide by all such revisions. Franchisee acknowledges and agrees that (i) Franchisor retains the right to modify, add to, or rescind any requirement, standard, or specification set forth in the Manual in order to adapt the Popeyes System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that Franchisor deems appropriate in its business judgment, and (ii) Franchisee shall comply with such modifications, additions, or rescissions. Notwithstanding the foregoing, no new requirement, standard or specification set forth in the Manual or otherwise, may act as a unilateral amendment to any express term, condition, or provision of this Agreement.

7.05. If Franchisee desires to print a physical copy of the Manual (subject to Franchisor's prior written consent, as provided above), Franchisee agrees at all times to keep such copy current and up-to-date, and in the event of any dispute as to the contents of such copy, the terms of the Manual maintained by Franchisor shall be controlling.

7.06. The Manual is intended to further the purposes of this Agreement, and is specifically incorporated, by reference, into this Agreement. Except as otherwise set forth in this Agreement, in the event of a conflict between the terms of this Agreement and the terms of the Manual, the terms of this Agreement shall control. Franchisee acknowledges and agrees that any required standards set forth in this Agreement and the Manual exist to protect Franchisor's interests in the Popeyes System and the Proprietary Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Franchisee (including the day-to-day operation of the Franchised Restaurant and the conduct and management of Franchisee's employees).

VIII. TRAINING

8.01. If the Franchised Restaurant is Franchisee's first Popeyes Restaurant, a minimum of five (5) designated management employees of Franchisee (including the Managing Director) must complete, to Franchisor's satisfaction, the Popeyes Training Program as described in the Manual for their applicable management roles at the Franchised Restaurant ("**PTP**"), prior to Franchisee's opening or taking possession of the Franchised Restaurant. If the Franchised Restaurant is not Franchisee's first Popeyes Restaurant (i.e. Franchisee owns and operates one or more Popeyes Restaurants as of the effective date of this Agreement as set forth on the Key Contract Data page), and if Franchisee already has an approved Managing Director who has completed PTP for his or her applicable management role in the Franchised Restaurant, then a minimum of three (3) designated management employees of Franchisee must complete, to Franchisor's satisfaction, PTP for their applicable management roles at the Franchised Restaurant, prior to Franchisee's opening or taking possession of the Franchised Restaurant. The exact number of Franchisee's management employees required to complete PTP for their applicable management roles at the Franchised Restaurant shall be determined by Franchisor in its sole discretion.

8.02. PTP consists of a blended learning approach and curriculum, including online (including via an online learning management system designated by Franchisor), in-restaurant, and training at locations designated by Franchisor. Franchisor reserves the right to amend or modify

existing PTP modules at any time, and Franchisor also reserves the right to roll out to the System new or additional PTP modules. Whether the completion of a particular module is obligatory for a manager to achieve Popeyes Certified Manager status shall be determined by Franchisor in its discretion. The fees, costs, and expenses of conducting any PTP module shall be borne by Franchisee. The cost to facilitate PTP training at a franchisee-operated Popeyes Restaurant may vary from franchisee to franchisee and must be paid by Franchisee prior to trainees entering PTP. Similarly, the cost to facilitate PTP training at other locations designated by Franchisor may also vary and must be paid by Franchisee prior to trainees entering PTP training. The administration of PTP shall be in such format designated by Franchisor in the Manual or otherwise in writing.

8.03. If Franchisee's management employees complete PTP to Franchisor's satisfaction, Franchisor will issue certificates of completion for these trainees. A management employee (including the Managing Director) that successfully completes the designated segments of PTP for his or her applicable management role at the Franchised Restaurant is designated as a "**Popeyes Certified Manager**". Throughout the term of the Franchise Agreement, Franchisee shall employ at the Franchised Restaurant at least one (1) restaurant general manager and three (3) or more shift managers who have satisfactorily completed all modules of PTP for their applicable management role at the Franchised Restaurant and who have a current ServSafe Food Safety Certification (or state/local mandated equivalent certification). Franchisee must enroll a qualified replacement in PTP for any Popeyes Certified Manager who ceases active employment at the Franchised Restaurant within thirty (30) days after the former employee's last day of employment. The replacement employee must complete all available modules of PTP for his or her applicable management role at the Franchised Restaurant within six months of being hired in a management position at the Franchised Restaurant.

8.04. PTP is conducted at a Certified Training Restaurant (as defined below) with at least one Certified Training Manager (as defined below), whether such restaurant is company-operated or franchisee-operated, and at such other training locations designated by Franchisor; provided, that, if the Franchised Restaurant is not Franchisee's first Popeyes Restaurant (i.e. Franchisee owns and operates one or more Popeyes Restaurants as of the effective date of this Agreement as set forth on the Key Contract Data page), then PTP may be conducted at either a Certified Training Restaurant or another location approved by Franchisor so long as at least one Certified Training Manager is present and conducting the PTP in question. As used in this Agreement, (i) a "**Certified Training Manager**" shall mean an individual designated by (and having the qualifications set by) Franchisor (as more particularly set forth in the Manual or otherwise in writing), and (ii) a "**Certified Training Restaurant**" shall mean a Popeyes Restaurant designated by (and having the qualifications set by) Franchisor (as more particularly set forth in the Manual or otherwise in writing).

8.05. Franchisor reserves the right to test any and all Popeyes Certified Managers on an annual basis, and may require such individuals to attend and complete additional training at a training facility designated by Franchisor, and at Franchisee's sole cost and expense, in the event they fail to achieve a satisfactory score on such test. Additionally, Franchisor may make available to Franchisee or Franchisee's employees, from time to time, such additional training programs as Franchisor, in its sole discretion, may choose to conduct. Attendance at said training programs may be mandatory. The fees, costs, and expenses of conducting such additional training programs

(including instruction and required materials) shall be borne by Franchisee. All other fees, costs, and expenses during the training period, including travel (including daily transportation to and from training), accommodations, meals, uniforms, and employee wages and benefits (including any routine or emergency medical services) shall also be borne by Franchisee.

IX. DUTIES OF THE FRANCHISOR

9.01. Franchisor will make available to Franchisee such continuing advisory assistance in the operation of the Franchised Restaurant, in person or by electronic or written bulletins made available from time to time, as Franchisor may deem appropriate.

9.02. Franchisor, in its sole discretion, may provide opening assistance to Franchisee at the Franchised Restaurant.

9.03. Franchisor will make available to Franchisee standard plans and specifications to be utilized only in the development of Franchisee's Construction Plans for the Franchised Restaurant. Franchisee may not modify or deviate from such standard plans and specifications or Franchisee's approved equipment plan (including any modifications or deviations that may be required by local or state laws, regulations or ordinances) without Franchisor's prior written consent.

9.04. Franchisor will make the Manual available to Franchisee electronically via electronic mail, the internet or other electronic format.

9.05. Franchisor will continue its efforts to maintain high and uniform standards of quality, cleanliness, appearance and service at all Popeyes Restaurants, to protect and enhance the reputation of the Popeyes System and the demand for the products and services of the System. Franchisor will establish uniform criteria for approving suppliers; make every reasonable effort to disseminate its standards and specifications to prospective suppliers of Franchisee upon the written request of Franchisee, provided that Franchisor may elect not to make available to prospective suppliers the standards and specifications for such food formulas or equipment designs deemed by Franchisor in its sole discretion to be confidential; and may conduct periodic inspections of the premises and evaluations of the products used and sold at the Franchised Restaurant and in all other Popeyes Restaurants.

9.06. Franchisor will provide training to Franchisee as set forth in Section VIII hereof.

X. DUTIES OF THE FRANCHISEE

Franchisee understands and acknowledges that every detail of the System is important to Franchisor, Franchisee and other franchisees in order to develop and maintain high and uniform operating standards, to increase the demand for Popeyes products and services, and to protect the reputation and goodwill of Franchisor. Accordingly, Franchisee agrees that:

10.01. Franchisee shall maintain, at all times during the term of this Agreement, at Franchisee's expense, the premises of the Franchised Restaurant and all fixtures, furnishings,

signs, systems and equipment (“**improvements**”) thereon or therein, in conformity with Franchisor’s high standards and public image and to make such additions, alterations, repairs, and replacements thereto (but no others, without Franchisor’s prior written consent) as may be required by Franchisor, including the following:

A. Franchisee agrees to keep the Franchised Restaurant in the highest degree of sanitation and repair (including such periodic repainting, repairs or replacement of impaired equipment, and replacement of obsolete signs, all as Franchisor may reasonably direct) and to maintain at the Franchised Restaurant at all times a facilities maintenance program created and internally administered by Franchisee (or a professional facilities maintenance company selected and retained by Franchisee) that is commercially reasonable based upon the Franchised Restaurant’s particular circumstances (including the age and overall condition of the Franchised Restaurant, including its furniture, fixtures and equipment); for avoidance of doubt, Franchisee shall not be required to retain or pay for an outside professional facilities maintenance company so long as Franchisee has adequate resources and properly trained personnel to create and administer the facilities maintenance program internally, all as determined by Franchisor in Franchisor’s good faith, using Franchisor’s commercially reasonable discretion;

B. Franchisee agrees to meet and maintain the highest governmental standards and ratings applicable to the operation of the Franchised Restaurant;

C. At its sole cost and expense, Franchisee agrees to complete a full reimagining, renovation, refurbishment and modernization of the Franchised Restaurant, within the time frame required by Franchisor as set forth in the “Frequency for Franchised Restaurant Renovation” on the Key Contract Data page, (provided, however, Franchisor may require Franchisee to submit reimagining plans and obtain Franchisor’s approval of such plans twelve (12) months prior to the required completion date), including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials, to meet Franchisor’s then-current standards, specifications and design criteria for Popeyes Restaurants, including such structural changes, remodeling and redecoration and such modifications to existing improvements as may be necessary to do so (“**Franchised Restaurant Renovation**”). However, notwithstanding the foregoing:

- (i) Franchisee shall not be required to perform a Franchised Restaurant Renovation if there are less than two (2) years remaining on the term of this Agreement.
- (ii) If Franchisor has provided to Franchisee written notice that Franchisee is required to complete a Franchised Restaurant Renovation on or before a date certain in accordance with the foregoing (the “**Required Renovation Date**”) and there are from the Required Renovation Date less than five (5) years but two (2) years or more remaining on the term of this Agreement, then Franchisee may, at its option, extend the term of this Agreement to a

date selected by Franchisee that is up to five (5) years following the Required Renovation Date, provided that: (A) Franchisee gives Franchisor written notice of such election to extend not less than six months prior to the Required Renovation Date, or three months following receipt of written notice of the Required Renovation Date, whichever is later; (B) Franchisee is in good-standing (as defined in Section II of this Agreement); (C) prior to the Required Renovation Date, Franchisee executes an amendment to this Agreement to document the extended term; (D) concurrently with Franchisee's execution of such amendment, Franchisee pays to Franchisor an extension fee equal to Franchisor's then-current initial franchise fee, prorated for the extended term; and (E) Franchisee in fact completes such Franchised Restaurant Renovation on or before the Required Renovation Date. At the end of such extended term, Franchisee may renew this franchise in accordance with the Renewal Term and Supplemental Term Option provisions of this Agreement.

Nothing in this Section 10.01(C) shall be deemed to limit Franchisee's other obligations, during the term of this Agreement, to operate the Franchised Restaurant in accordance with Franchisor's standards and specifications for the Popeyes System, including the obligations set forth in this Section X; and

10.02. The Franchised Restaurant shall at all times be under the on-site supervision of the Managing Director or a Popeyes Certified Manager. Franchisee or, if Franchisee is owned by more than one individual, the Managing Director shall remain active in overseeing the operations of the Franchised Restaurant, including regular, periodic visits to the Franchised Restaurant and sufficient communications with Franchisor to ensure that the Franchised Restaurant's operations comply with the operating standards as promulgated by Franchisor from time to time in the Manual or otherwise in written or oral communications. Following reasonable advance notice from Franchisor, from time to time, Franchisee shall attend in-person meetings with Franchisor's representatives to (among other things) review and discuss the operations and performance of the Franchised Restaurant and other Popeyes Restaurants operated by Franchisee and its affiliates, which meetings shall be at a location designated by Franchisor (which location may include Franchisor's corporate headquarters in Miami, Florida).

10.03. Franchisee shall have sole authority and control over the day-to-day operations of the Franchised Restaurant. Without limiting the generality of the foregoing, Franchisee shall be solely responsible for (i) recruiting and hiring all employees of the Franchised Restaurant, (ii) the terms of such employees' employment and compensation, (iii) the proper training of such employees in the operation of the Franchised Restaurant (including in human resources and customer relations), and (iv) Franchisee's compliance with all applicable employment and workplace-related laws (including with respect to such employees' wages, taxes, benefits, safety, work schedules, work conditions, assignments, discipline, and termination). Franchisee is an independent contractor and is not an agent, partner, joint venture, joint employer, or employee of Franchisor, and no fiduciary relationship between the parties exists. Franchisee shall be the sole and exclusive employer of its employees with the sole right to hire, discipline, discharge, and establish wages, hours, benefits, employment policies, and other terms and conditions of

employment of Franchisee's employees. Franchisee shall have no right to bind or obligate Franchisor in any way nor shall Franchisee represent that it has any right to do so. At no time shall Franchisee's employees be deemed to be Franchisor's employees or agents, and Franchisor shall have no right or obligation to direct Franchisee's employees or oversee Franchisee's employment policies or practices.

10.04. Franchisee shall post a sign in a conspicuous location at the Franchised Restaurant that contains Franchisee's name and states that the Franchised Restaurant is independently owned and operated by Franchisee under a franchise agreement with Franchisor.

10.05. Franchisee shall operate the Franchised Restaurant in conformity with such uniform methods, standards, and specifications as Franchisor may from time to time prescribe in the Manual or otherwise in writing, to insure that the highest degree of quality, service and cleanliness is uniformly maintained and to refrain from any deviation therefrom and from otherwise operating in any manner which reflects adversely on Franchisor's name and goodwill or on the Proprietary Marks, and in connection therewith:

A. Shall maintain in sufficient supply, and use at all times, only such ingredients, products, materials, supplies, and paper goods as conform to Franchisor's standards and specifications, and to refrain from deviating therefrom by using non-conforming items, without Franchisor's prior written consent;

B. Shall sell or offer for sale only such products and menu items that have been expressly approved for sale in writing by Franchisor, meet Franchisor's uniform standards of quality and quantity and as have been prepared in accordance with Franchisor's methods and techniques for product preparation; shall sell or offer for sale the minimum menu items specified in the Manual or otherwise in writing; shall refrain from any deviation from Franchisor's standards and specifications for serving or selling the menu items, without Franchisor's prior written consent; and shall discontinue selling or offering for sale such items as Franchisor may, in its discretion, disapprove in writing at any time;

C. Shall use the premises of the Franchised Restaurant solely for the purpose of conducting the business franchised hereunder, and to conduct no other business or activity thereon, whether for profit or otherwise, without Franchisor's prior written consent;

D. Shall keep the Franchised Restaurant open and in normal operation during such business hours as Franchisor may prescribe in the Manual or otherwise in writing;

E. Shall permit Franchisor or its agents, at any time during ordinary business hours, to remove from the Franchised Restaurant samples of any ingredients, products, materials, supplies, and paper goods used in the operation of the Franchised Restaurant, without payment therefore, in amounts reasonably necessary for testing by Franchisor or an independent laboratory, to determine whether such samples meet Franchisor's then-current standards and specifications. In addition to any other remedies it may have under this Agreement, Franchisor may require Franchisee to bear the cost of such testing if any such

ingredient, products, materials, supplier or paper goods have been obtained from a supplier not approved by Franchisor, or if the sample fails to conform to Franchisor's specifications;

F. Shall purchase, install and construct, at Franchisee's expense, all improvements, furnishings, signs and equipment specified in the approved standard plans and specifications, and such other furnishings, signs or equipment as Franchisor may reasonably direct from time to time in the Manual or otherwise in writing; and to refrain from installing or permitting to be installed on or about the premises of the Franchised Restaurant, without Franchisor's written consent, any improvements, furnishings, signs or equipment not first approved in writing as meeting Franchisor's standards and specifications;

G. Shall comply with all applicable federal, state and local laws, regulations and ordinances pertaining to the operation of the Franchised Restaurant. Franchisee shall notify Franchisor if the Franchised Restaurant is closed by order of the health department or other governmental authority within twenty-four (24) hours of such closure; and

H. Shall grant Franchisor and its agents the right to enter upon the premises of the Franchised Restaurant at any time during ordinary business hours for the purpose of conducting inspections; cooperate with Franchisor's representatives in such inspections by rendering such assistance as they may reasonably request; and, upon notice from Franchisor or its agents, and without limiting Franchisor's other rights under this Agreement, take such steps as may be necessary immediately to correct the deficiencies detected during any such inspection, including immediately desisting from the further use of any equipment, promotional materials, products, or supplies that do not conform with Franchisor's then-current specifications, standards, or requirements.

10.06. Franchisee shall purchase all ingredients, products, materials, supplies, and other items required in the operation of the Franchised Restaurant which are or incorporate trade-secrets of Franchisor, as designated by Franchisor ("**Trade-Secret Products**") only from Franchisor or suppliers designated by Franchisor, and these Trade-Secret Products shall only be purchased for, used or sold, directly or indirectly, at the Franchised Restaurant.

10.07. Franchisee shall purchase all ingredients, products, materials, supplies, including cleaning supplies, paper goods, and other items required for the operation of the Franchised Restaurant (including items required for limited time offers), except Trade-Secret Products, solely from suppliers who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's reasonable standards and specifications for such items; who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; whose approval would not adversely impact the overall efficiencies of the Popeyes System; and who have been approved in writing by Franchisor and such approval has not thereafter been revoked. If Franchisee desires to purchase any such items from an unapproved supplier, Franchisee shall submit to Franchisor a written request for approval, or shall request the supplier itself to seek approval. Franchisor shall have the right to require, as a condition of its approval, that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, at Franchisor's option, either to Franchisor or to an independent laboratory designated by Franchisor for testing prior to granting approval. A charge not to exceed the cost

and expenses actually incurred by Franchisor to conduct any inspection, including the actual cost of testing, shall be paid by the supplier or Franchisee. In addition, if the proposed supplier lacks its own current and approved form of third-party audit, Franchisor's reasonable cost of third-party audit fees shall also be paid by the supplier or Franchisee. Franchisor reserves the right, at its option, to reinspect the facilities and products of any such approved supplier from time to time and to revoke its approval upon failure of such supplier to continue to meet any of the foregoing criteria. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier, nor to require Franchisor to make available to prospective suppliers, standards and specifications for formulas that Franchisor, in its sole discretion, deems confidential.

10.08. Franchisor shall have the right, in its sole discretion, to establish an advertising cooperative (“**Ad Co-op**”) in any designated market area, as defined by Nielsen Media Research, Inc. (“**DMA**”). In addition, an Ad Co-op for the DMA in which the Franchised Restaurant is located may be established upon the favorable vote of the owners of all Popeyes Restaurants (including non-franchised restaurants) within the same DMA. Each owner will be entitled to cast one (1) vote for each restaurant owned and operated by that owner within such DMA. If 80% of all votes entitled to be cast vote in favor of establishing an Ad Co-op, then such Ad Co-op shall be formed.

A. Once an Ad Co-op is established in the DMA in which the Franchised Restaurant is located, Franchisee shall become a member of such Ad Co-op upon commencement of operation of the Franchised Restaurant if the Ad Co-op is in existence at that time, or no later than thirty (30) days after the date on which the Ad Co-op commences operation. In no event shall Franchisee be required to be a member of more than one Ad Co-op with respect to the Franchised Restaurant.

B. If an Ad Co-op has been established, Franchisee shall contribute the amount established, from time to time, by the Ad Co-op for its members (the “**Co-op Contribution**”). The Co-op Contribution shall be sent to Franchisor by Franchisee together with the Advertising Contribution set forth in Section 3.02 herein, and will be allocated by Franchisor to the applicable Ad Co-op account, which will be administered by Franchisor.

C. Each Ad Co-op shall be organized and governed in a form and manner, and shall commence operations on a date, approved in advance by Franchisor in writing.

1. Each Cooperative shall be organized for the primary purpose of administering regional advertising programs and developing, subject to Franchisor's approval, standardized promotional materials for use by its members in local advertising.

2. No advertising or promotional plans or materials may be used by an Ad Co-op or furnished to its members without the prior approval of Franchisor, pursuant to the procedures and terms set forth in Section 10.07. hereof.

3. Franchisee shall pay its required Co-op Contribution to Franchisor weekly, on Gross Sales for the preceding week, together with such statements or

reports as may be required by Franchisor, or by the Ad Co-op with Franchisor's prior written approval.

D. Franchisor, in its sole discretion, may grant an exemption to any franchisee for any length of time from the requirement of membership in an Ad Co-op, and/or from the obligation to contribute thereto (including a reduction, deferral or waiver of such contribution), upon written request of such franchisee stating reasons supporting such exemption. Franchisor's decision concerning such request for exemption shall be final. If an exemption is granted to a franchisee, such franchisee shall be required to expend on local advertising, on a monthly basis, the same amount as would otherwise be assessed by the Ad Co-op, as set forth in Section 10.08.B. hereof.

E. Franchisor shall be a member of all Ad Co-ops in DMA's where Franchisor operates Popeyes Restaurants. Accordingly, Franchisor shall enjoy voting rights and shall make Co-op Contributions; provided, however, Popeyes Restaurants operated by Franchisor may be entitled to the same types of exemptions as provided to Franchisees in accordance with the terms of Section 10.08.D above.

10.09. All local advertising by Franchisee shall be in such media, and of such type and format as Franchisor may approve; shall be conducted in a dignified manner; and shall conform to such standards and requirements as Franchisor may specify. Franchisee shall not use any advertising or promotional plans or materials unless and until Franchisee has received written approval from Franchisor, pursuant to the procedures and terms set forth in Section 10.07. hereof.

10.10. All advertising and promotional plans proposed to be used by Franchisee or the Ad Co-op, where applicable, except such plans and materials that have been previously approved by Franchisor shall be submitted to Franchisor for Franchisor's written approval (except with respect to prices to be charged) prior to any use thereof. Franchisor shall use its best efforts to complete its review of Franchisee's proposed advertising and promotional plans within fifteen (15) days after Franchisor receives such plans. If written approval is not received by Franchisee or the Ad Co-op from Franchisor within fifteen (15) days after receipt by Franchisor of such plans, Franchisor shall be deemed to have disapproved such plans.

10.11. If Franchisee operates more than one (1) Franchised Restaurant, Franchisee shall have a supervisor, which may be Franchisee, if Franchisee is an individual, to supervise and coordinate the operation of the Franchised Restaurants (a "**Supervisor**"). In addition to the foregoing, Franchisee shall employ an additional Supervisor upon the opening of Franchisee's eighth (8th) Franchised Restaurant and upon the opening of each successive seven (7) to ten (10) Franchised Restaurants thereafter. Each Supervisor shall attend and successfully complete all modules of PTP that are applicable to a Supervisor prior to assuming any supervisory responsibilities and shall meet such other standards as Franchisor may reasonably impose.

10.12. If at any time the Franchised Restaurant is proposed to be operated by an entity or individual other than Franchisee, Franchisor reserves the right to review and approve the operating entity or individual and to require and approve an operating agreement prior to such party's assumption of operations. Franchisor may, in its sole discretion, reject either the operating entity,

the individual operator or the operating agreement. If approved by Franchisor, the operating entity shall agree in writing to comply with all of Franchisee's obligations under the Franchise Agreement as though the operating entity were the franchisee designated therein, on such form as may be designated by Franchisor. The operation of the Franchised Restaurant by any party other than Franchisee, without Franchisor's prior written consent, shall be deemed a default of this Agreement, for which Franchisor may terminate this Agreement pursuant to the provisions of Section 15.02. hereof.

10.13. By signing this Agreement, Franchisee becomes a member of Supply Management Services, Inc. ("**SMS**"), formerly Popeyes Operators Purchasing Cooperative Association or POPCA, or any successor thereto, and shall remain a member in good standing of SMS throughout the term of this Agreement, and shall pay all reasonable membership fees assessed by SMS.

10.14. POS and BOH Systems; Other Systems.

A. Franchisee shall purchase, install and use a point-of-sale system ("**POS System**") and a back-of-house system ("**BOH System**"), in each case, that has been approved in writing by Franchisor and that meets Franchisor's specifications. Franchisee agrees that Franchisor (or Franchisor's designated vendor) shall have the right to retrieve any data and information from Franchisee's POS System and its BOH System as Franchisor, in its sole discretion, deems appropriate, including electronically polling sales, menu mix, transaction-level data, inventory, labor and other data of the Franchised Restaurant; provided, however, Franchisor shall take necessary precautions to preserve and protect Franchisee's security and privacy rights in exercising its right hereunder. Franchisee shall subscribe to Franchisor's approved polling solution. Franchisee shall use and adhere to a standardized set of menu sales item price look-up codes (PLUs) and descriptors for every menu sales item in Franchisee's POS System and BOH System, including limited time offers. Franchisor may revise its specifications for the POS System and the BOH System periodically. Consequently, Franchisee must upgrade, update or add new features or components to Franchisee's POS System and its BOH System at such time(s) as such specifications are revised. In addition to the foregoing, Franchisor may poll data and information from other systems installed at the Franchised Restaurant, including speed of service data from drive-thru timer systems. Further, Franchisee shall, at its sole cost and expense, integrate or otherwise permit the integration of the POS System and/or BOH System with such technological platforms designated by Franchisor from time to time (including websites and mobile applications designated by Franchisor).

B. Franchisee must also, at its sole cost and expense: (a) maintain, use and/or operate a centralized or technology based methods of taking, processing, routing, and delivering orders or receiving payment for such orders that may be mandated by Franchisor at any time during the Term in addition to the methods and technology Franchisor currently uses or authorizes (individually an "**Additional Ordering System**" and collectively "**Additional Ordering Systems**"); and (b) add or replace equipment, wiring, hardware and software in connection with the Additional Ordering Systems. To the extent any products and services related to an Additional Ordering System are owned by Franchisor or provided to Franchisee by Franchisor, Franchisor may charge up front and/or ongoing fees.

Franchisor shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data generated by the Additional Ordering Systems, but excluding hardware or equipment Franchisee purchases directly for the purpose of gaining access to the Additional Order System. If Franchisor requires Franchisee to use an Additional Ordering System, then Franchisee shall comply with Franchisor's requirements for connecting to and utilizing such technology in connection with Franchisee's operation of the Franchised Restaurant. Franchisee will install and implement any Additional Ordering System required by Franchisor within the reasonable time specified by Franchisor.

C. Franchisee must also, at its sole cost and expense: (a) maintain, use and/or operate technology for the purpose of communicating with customers of POPEYES Restaurants and the collection, processing, storage and use of POPEYES Restaurant customer data that may be mandated by Franchisor at any time during the Term in addition to the methods and technology Franchisor currently uses or authorizes (individually an "**Additional Digital System**" and collectively, the "**Additional Digital Systems**"); and (b) add or replace equipment, wiring, hardware and software in connection with the Additional Digital Systems. To the extent any products and services related to an Additional Digital System are owned by Franchisor or provided to Franchisee by Franchisor, Franchisor may charge up front and/or ongoing fees. Franchisor shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data generated by the Additional Digital Systems, but excluding hardware or equipment Franchisee purchases directly for the purpose of gaining access to an Additional Digital System. Franchisor may provide the data to third parties and use the data generated by the Additional Digital Systems (1) to analyze customer trends, (2) to market Franchisor-developed goods and products to all customers or specific customer(s), (3) to reward loyal or repeat customers, (4) to provide the data to third parties, and (5) for such other purposes as Franchisor deems appropriate in its sole discretion. Franchisee acknowledges and agrees that any amounts received by Franchisor from providing the data generated by the Additional Digital Systems to third parties shall be the sole property of Franchisor. If Franchisor requires Franchisee to use an Additional Digital System, then Franchisee shall comply with Franchisor's requirements for connecting to and utilizing such technology in connection with Franchisee's operation of the Franchised Restaurant. Franchisee will install and implement any Additional Digital System required by Franchisor within the reasonable time specified by Franchisor.

D. Franchisee shall purchase, install and maintain a computer system, separate from the POS System and the BOH System, at the Franchised Restaurant that meets Franchisor's current standards and specifications for training, communications and access to Internet-based resources provided by Franchisor ("**Computer System**"). Franchisor may periodically revise its specifications for the Computer System requiring Franchisee to promptly upgrade or update as necessary to meet Franchisor's then current standards and specifications.

10.15. Prior to opening the Franchised Restaurant, Franchisee shall implement a Customer Service Response System Program ("**CSRSP**") satisfactory to Franchisor, with a third party

vendor approved by Franchisor in writing. The CSRSP (i) must include a 24/365 “Live Operator” customer hotline; and (ii) may, at Franchisee’s option, include “mystery shopper” visits on a quarterly basis throughout the term of this Agreement. The results of the CSRSP shall be forwarded to Franchisor by Franchisee and/or the approved CSRSP vendor on a weekly basis. Franchisee shall reimburse Franchisor for the cost of any remuneration or promotional materials provided to Franchisee’s customers in response to complaints made to the hotline. Franchisor shall not use any unsatisfactory results of CSRSP as grounds for default under this Agreement or as the basis of a default action. The foregoing shall not in any way limit the rights of Franchisor to enforce any provision hereunder, nor limit the ability of Franchisor to declare a default hereunder for any breach of this Agreement.

10.16. Franchisee shall, in accordance with such requirements as Franchisor may from time to time prescribe in the Manual, participate in a guest feedback program offered through a third party service provider designated by Franchisor. Components of the program may, among other things, require Franchisee to offer (or reimburse Franchisor for offering) such guest incentives for guest participation in the program as Franchisor may reasonably require.

10.17. Franchisee shall not promote, offer or sell any products or other services related to the Franchised Restaurant through the internet or use the Proprietary Marks or any marks similar thereto in any internet domain name, electronic mail address or home page address, or in the operation of any internet web site without Franchisor’s prior written consent. In connection with any such consent, which Franchisor may grant or withhold, in Franchisor’s sole discretion, Franchisor may establish such requirements as Franchisor deems appropriate, including, among others: (i) Franchisor may require Franchisee to submit to Franchisor for Franchisor’s prior written approval, a sample of any proposed internet web site used for or in connection with the Franchised Restaurant or the business of Franchisee (“**Web Site**”), domain name, home page address, format and visible (including proposed screen shots and any text, video clips, photographs, images, sound bites or other materials in which any party other than Franchisor has any ownership interest) and non-visible content (including meta-tags) in the form and manner that Franchisor may reasonably require; (ii) Franchisor may require Franchisee to establish hyperlinks to Franchisor’s web site and others as Franchisor may require, and to obtain Franchisor’s prior written approval of Franchisee’s use of any other hyperlinks and/or other links; (iii) Franchisor may require Franchisee to submit to Franchisor for Franchisor’s prior written approval any modifications to Franchisee’s Web Site. Franchisor may revoke Franchisor’s approval of Franchisee’s Web Site at any time and require Franchisee to discontinue Franchisee’s use of it and any domain names associated with it. In addition to any other applicable requirements, Franchisee must comply with any standards and specifications Franchisor develops that are applicable to Web Sites as set forth in the Manual or otherwise in writing, which standards and specifications Franchisor may modify from time to time. Franchisor may designate the form and content of Franchisee’s Web Site and may require that any such Web Site be hosted by Franchisor or a third party whom Franchisor designates. Franchisor also may charge Franchisee a fee for developing, reviewing and approving Franchisee’s Web Site and/or hosting it. In addition to the foregoing, Franchisee shall not use or permit any third party to use any of the Proprietary Marks in connection with any internet web site and/or as part of any internet domain name or electronic mail or home page address, unless such use is expressly approved by Franchisor in writing. Franchisee shall not, directly or indirectly, nor shall Franchisee instruct or authorize any third party to, engage in any online advertising for the Franchised

Restaurant or the business of Franchisee, including but not limited to the purchase of keywords consisting of, containing or similar to any of the Proprietary Marks through any paid search program, without Franchisor's prior written consent, which Franchisor may grant or withhold, in Franchisor's sole discretion.

10.18. Franchisee shall not operate or create a social media site, page or group containing the Proprietary Marks using tools including, but not limited to, Facebook, MySpace, Twitter, YouTube, Instagram, Google+, Pinterest, Tumblr, SnapChat, Vine, or other social channels without Franchisor's prior written consent. Franchisor may, at any time, require any unapproved page, site or group be discontinued and deleted.

10.19. To the extent Franchisee opens or operates a Franchised Restaurant located on a military base, in a public educational institution, or in another government building or facility, or otherwise opens or operates a Franchised Restaurant in furtherance of a contract between Franchisor and the federal government, the following requirements shall apply to Franchisee:

A. Franchisee will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Franchisee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Franchisee agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. Franchisee will, in all solicitations or advertisements for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, sexual preference, age, disability, gender identity, genetic information, veteran status, national origin or other categories as provided by law.

C. Franchisee will send to any labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice advising the labor union or workers' representative of the Franchisee's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. Franchisee will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

E. Franchisee will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and

accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

F. In the event of the Franchisee's non-compliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be canceled, terminated or suspended in whole or in part and the Franchisee may be declared ineligible for Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

G. The Franchisee will include the provisions of paragraphs (A) through (G) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Franchisee will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the Franchisee becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Franchisee may request the United States to enter into such litigation to protect the interests of the United States.

10.20. Franchisee shall comply with all applicable legal, regulatory, credit card brand requirements and brand standards regarding the use of information technology in Franchisee's business and restaurants. Franchisee shall honor all credit, charge, courtesy or cash cards or other credit devices specified by Franchisor. Franchisee shall also comply with the then current Payment Card Industry Data Security Standards (PCI/DSS) as those standards may be revised by the PCI Security Standards Council, LLC (see www.pcisecuritystandards.org) or successor organization, including (i) implementing (at Franchisee's expense) all security requirements that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards, and (ii) participating in (at Franchisee's expense) a standardized PCI/DSS compliance program that is provided by a PCI/DSS vendor, in each case, approved by Franchisor in its discretion. Franchisee shall, at its expense, demonstrate full compliance through means which may include having an independent third party Qualified Security Assessor (QSA) conduct a PCI/DSS audit. In the event Franchisee is unable to demonstrate full compliance, Franchisor may require Franchisee to engage the services of an approved vendor to assist Franchisee to demonstrate full compliance on an ongoing basis. Additionally, Franchisor may require Franchisee to use, and directly contract with, certain approved third-party vendors, and in some cases a single approved third-party vendor, for some or all of Franchisee's managed firewall, other technology security compliance and/or card brand or government requirements related to the transmission/processing of credit card transactions and information. Franchisee shall immediately notify Franchisor if Franchisee becomes aware of any breach, or suspected breach, of card holder data, Personally Identifiable Information (PII), confidential information, or trade secrets related to its business or restaurants, whether notice is provided by Franchisee's credit card processor, law enforcement or any other party.

10.21. Franchisee shall comply with all other requirements set forth in this Agreement.

10.22. Franchisee agrees to contribute to The Popeyes Foundation, Inc. (the “Foundation”) at least ONE THOUSAND DOLLARS (\$1,000.00) for the Franchised Restaurant during each year for the duration of the Term at the time specified by the Foundation by participating in the in-restaurant fundraising programs specified by Franchisor or by a donation. Franchisee agrees to hold any money raised on behalf of the Foundation (the “Charitable Funds”) in trust for the benefit of the Foundation until such Charitable Funds are distributed to the Foundation. Franchisee further agrees that (a) the Charitable Funds are not property of the Franchisee and (b) it shall not use the Charitable Funds for any purpose whatsoever, other than for turning over such Charitable Funds to the Foundation.

XI. INSURANCE

11.01. Insurance Program. Franchisee shall be responsible for all loss or damage arising from or related to Franchisee’s development and operation of the Franchised Restaurant, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Restaurant. Franchisee shall procure, prior to commencement of construction of the Franchised Restaurant, and shall maintain in full force and effect during the Term of this Agreement at Franchisee’s expense, an insurance policy or policies protecting Franchisee and Franchisor, and their officers, directors, agents and employees, against any loss, liability, or expense whatsoever from personal injury, death or property damage or casualty, including, fire, lightning, theft, vandalism, malicious mischief, and other perils normally included in an extended coverage endorsement arising from, occurring upon or in connection with the construction, operation or occupancy of the Franchised Restaurant, as Franchisor may reasonably require for its own and Franchisee’s protection.

11.02. Insurance Requirements. Such policy or policies shall be written by an insurance company satisfactory to Franchisor and Franchisee shall maintain in full force and effect throughout the term of this Agreement that insurance which Franchisee determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant, which insurance shall include, at a minimum the following coverage:

A. Workers’ Compensation Insurance, with statutory limits as required by the laws and regulations applicable to the employees of Franchisee who are engaged in the performance of their duties relating to the Franchised Restaurant, including any pre-opening training programs, as well as such other insurance as may be required by statute or regulation of the state in which the Franchised Restaurant is located.

B. Employer’s Liability Insurance, for employee bodily injuries and deaths, with limits as follows:

\$1,000,000 Bodily Injury by Accident each accident;
\$1,000,000 Bodily Injury by Disease policy limit; and
\$1,000,000 Bodily Injury by Disease each employee.

C. Commercial General Liability Insurance, covering claims for bodily injury, death and property damage, including Premises and Operations, Independent Contractors, Products and Completed Operations, Personal Injury, Contractual, and Broadform Property Damage liability coverages, with a limit of not less than \$5,000,000 per occurrence.

D. Commercial Automobile Liability Insurance must be provided with the following limit if Franchisee owns, hires or leases automobiles for use in the business:

Combined Single Limit of not less than \$1,000,000 for bodily injury, death and property damage per occurrence,

E. All Risk (special perils) Property Insurance, as required to meet the then current health and safety codes and other applicable laws on a replacement cost basis, without depreciation or co-insurance with limits as appropriate, covering the real property of Franchisee and any real property which Franchisee may be obligated to insure by contract. Such real property may include building, machinery, equipment, furniture, fixtures and inventory.

11.03. All such policies of insurance shall provide that the same shall not be canceled, modified or changed without first giving thirty (30) days' prior written notice thereof to Franchisor. No such cancellation, modification or change shall affect Franchisee's obligation to maintain the insurance coverages required by this Agreement. Except for Workers' Compensation Insurance, Franchisor shall be named as an Additional Insured on all such required policies. All liability insurance policies shall be written on an "occurrence" policy form. Franchisee shall be responsible for payment of any and all deductibles from insured claims under its policies of insurance. Franchisee shall not satisfy the requirements of this Section XI unless and until certificates of such insurance, including renewals thereof, have been delivered to and approved by Franchisor. Franchisee shall not self-insure any of the insurance coverages required by this Agreement, or non-subscribe to any State's applicable workmen's compensation laws without the prior written consent of Franchisor. Franchisor shall have the right, at any time during the term of this Agreement to increase the minimum limits of insurance coverage or otherwise modify the insurance requirements of this Agreement upon written notice in the Manual or as otherwise prescribed by Franchisor in writing. If Franchisee shall fail to comply with any of the insurance requirements herein, upon written notice to Franchisee by Franchisor, Franchisor may, without any obligation to do so, procure such insurance and Franchisee shall pay Franchisor, upon demand, the cost thereof plus interest at the maximum rate permitted by law, and a reasonable administrative fee designated by Franchisor.

11.04. Insurance Obtained by Franchisee Shall Be Primary to Franchisor's Own Insurance. Franchisee agrees that all insurance policies obtained by Franchisee shall be primary coverage, the applicable limits of which shall be exhausted before any benefits (defense or indemnity) may be obtained under any other insurance (including self-insurance) providing coverage to Franchisor. Franchisee shall notify its insurers of this Agreement and shall use best efforts to obtain an endorsement on each policy it obtains pursuant to Sections 11.01. and 11.02. stating as follows:

The applicable limits of this policy shall be applied and exhausted before any benefits may be obtained (whether for defense or indemnity) under any other insurance (including self-insurance) that may provide coverage to Franchisor. All insurance coverage obtained by Franchisor shall be considered excess insurance with respect to this policy, the benefits of which excess insurance shall not be available until the applicable limits of this policy are exhausted.

11.05. No Limitation on Coverage. Franchisee's obligation to obtain and maintain the foregoing policy or policies of insurance in the amounts specified shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section XVIII of this Agreement.

11.06. Issuance of Insurance. Franchisee must obtain the insurance required by this Agreement no later than fifteen (15) days before the date on which any construction is commenced. The Franchised Restaurant shall not be opened for business prior to Franchisor's receipt of satisfactory evidence that all insurance required by this Agreement is in effect. Upon obtaining such insurance, and on each policy renewal date thereafter, Franchisee shall promptly submit evidence of satisfactory insurance and proof of payment therefore to Franchisor, together with, upon request, copies of all policies and policy amendments. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least thirty (30) days' prior written notice to Franchisor.

11.07. No Representations. Franchisee acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by Franchisor that only such policies, in such amounts, are necessary to protect Franchisee from losses in connection with its business under this Agreement. Maintenance of the insurance required by this Agreement, and the performance by Franchisee of its obligations under this Section of the Agreement shall not relieve Franchisee of liability under the indemnification provisions or any other provisions of this Agreement.

XII. CONFIDENTIAL INFORMATION

12.01. Franchisee shall not, during the term of this Agreement or thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association, corporation or other entity, any confidential information, knowledge or know-how concerning the construction and methods of operation of the Franchised Restaurant which may be communicated to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under the terms of this Agreement. Such confidential information may be provided to Franchisee through a variety of resources, including the following: (a) the Manual (including Franchisor's Brand Standards Manual as well as its Brand Training Standards), (b) Franchisor's extranet (<http://www.thescoop.popeyes.com>), (c) Franchisor's online training solution and learning management system, and (d) such other resources provided by Franchisor in its discretion from time to time. Franchisee shall divulge such confidential information only to: (i) such employees of Franchisee as must have access to it in order to exercise the franchise rights granted hereunder

and to establish and operate the Franchised Restaurant pursuant hereto; (ii) Franchisee's attorneys and certified public accountants on an as needed basis for legitimate business purposes of the Franchisee; and (iii) as Franchisee may be required by law, provided Franchisee shall give Franchisor prior written notice of any such required disclosure immediately upon receipt of notice by Franchisee in order for Franchisor to have the opportunity to seek a protective order or take such other actions as it deems appropriate under the circumstances.

12.02. Any and all information, knowledge, and know-how, including drawings, materials, equipment, recipes, prepared mixtures or blends of spices or other food products, and other data, which Franchisor designates as confidential, either specifically in writings of any kind, course of conduct, or which otherwise derives economic value, actual or potential, from not being generally known, and not ascertainable by proper means and in the subject of reasonable efforts, under the circumstances, to maintain secrecy, and any information, knowledge, or know-how which may be derived by analysis thereof, shall be deemed confidential for purposes of this Agreement, except information which Franchisee can demonstrate came to Franchisee's attention prior to disclosure thereof by Franchisor; or which, at the time of disclosure thereof by Franchisor to Franchisee, had become a part of the public domain, through publication or communication by others; or which, after disclosure to Franchisee by Franchisor, becomes a part of the public domain, through publication or communication by others.

XIII. COVENANTS

13.01. Franchisee covenants that, during the term of the Agreement, except as otherwise approved in writing by Franchisor, the Managing Director shall devote the Managing Director's full time, energy and best efforts to the management and operation of the Franchised Restaurant and any other Popeyes Restaurant owned by Franchisee for which he or she is the Managing Director.

13.02. Franchisee acknowledges that, pursuant to this Agreement, Franchisee will receive valuable specialized training and confidential information, including information regarding the operational, sales, promotional, and marketing methods, procedures and techniques of Franchisor and the System. Franchisee covenants that, during the term of this Agreement, Franchisee (who, unless otherwise specified, shall include, for purposes of this Section XIII, collectively and individually: (i) all officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Franchisee and of any corporation, directly or indirectly controlling Franchisee, if Franchisee is a corporation; and (ii) the general partner and any limited partners of Franchisee, including any corporation, and the officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of a corporation which controls, directly or indirectly, any general or limited partner of Franchisee, if Franchisee is a partnership, and (iii) any members and managers and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Franchisee and/or any corporation directly or indirectly controlling Franchisee, if Franchisee is a limited liability company) shall not, either directly or indirectly, for itself, or on behalf of, or in conjunction with, any person, persons, partnership, limited liability company, association, corporation, or other entity:

A. Divert or attempt to divert any business or customer of the business franchised hereunder to any competitor by direct or indirect inducements or otherwise, or to do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Franchisor's Proprietary Marks and the System; or

B. Own, maintain, operate, engage in, or have any interest in any quick service (either takeout, delivery, on premises consumption, or a combination thereof) restaurant or other business that specializes in the sale of chicken ("Disqualifying Restaurant"); provided, however, that the term "Disqualifying Restaurant" shall not apply to any business operated by Franchisee under a franchise agreement with Franchisor or an affiliate of Franchisor.

13.03. Franchisee covenants that Franchisee shall not, regardless of the cause for termination, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, association, corporation or other entity, for a period of two (2) years following the sale, assignment, transfer, termination or expiration of this Agreement, own, maintain, engage in, or have any interest in any Disqualifying Restaurant that is located within a radius of ten (10) miles of the location of the Franchised Restaurant specified on the Key Contract Data page.

13.04. At Franchisor's request, Franchisee shall require and obtain execution of a confidentiality and non-competition agreement containing (i) confidentiality obligations similar to those set forth in Section XII of this Agreement (including a prohibition against communicating, divulging or using for the benefit of any person, persons, partnership, association, corporation, or any other entity, any confidential information, knowledge, or know-how concerning the methods of operation of the Franchised Restaurant), and (ii) covenants similar to those set forth in this Section XIII (including covenants applicable upon the termination of a person's relationship with Franchisee), in each case, in a form satisfactory to Franchisor, including specific identification of Franchisor as a third party beneficiary of such obligations and covenants with the independent right to enforce them, from all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of ten percent (10%) or more in Franchisee.

The failure of Franchisee to obtain execution of such a confidentiality and non-competition agreement required by this Section 13.04. shall constitute a breach of this Agreement. A duplicate original of each such confidentiality and non-competition agreement shall be provided by Franchisee to Franchisor immediately upon execution.

13.05. Upon demand or termination of this Agreement, Franchisee shall (and shall instruct each officer and employee of Franchisee to) (a) return to Franchisor all of the Franchisor's confidential information in Franchisee's possession, or (b) certify to Franchisor in writing that Franchisee has purged all confidential and proprietary information from Franchisee's computers and other data storage systems.

13.06. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section XIII, is held unreasonable or unenforceable by a court or agency having

jurisdiction in a final decision, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Section XIII.

A. Right to Reduce Covenants. Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 13.02. and 13.03. of this Agreement, or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it shall comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section XXII hereof.

B. Injunctive Relief. The parties acknowledge that it will be difficult to ascertain with any degree of certainty the amount of damages resulting from a breach by Franchisee of any of the covenants contained in this Section XIII. It is further agreed and acknowledged that any violation by Franchisee of any of said covenants will cause irreparable harm to Franchisor. Accordingly, Franchisee agrees that upon proof of the existence of a violation of any of said covenants, Franchisor will be entitled to injunctive relief against Franchisee in any court of competent jurisdiction having authority to grant such relief, together with all costs and reasonable attorneys' fees incurred by Franchisor in bringing such action.

XIV. TRANSFERABILITY OF INTEREST

14.01. Transfer by Franchisor. This Agreement shall inure to the benefit of the successors and assigns of Franchisor. Franchisor shall have the right to transfer or assign its interest in this Agreement to any person, persons, partnership, association, corporation, or other entity. If Franchisor's assignee assumes all the obligations of Franchisor hereunder and sends Franchisee written notice of the assignment so attesting, Franchisee agrees promptly to execute a general release of Franchisor and its parent companies, subsidiaries, and affiliates from claims or liabilities of Franchisor under this Agreement.

14.02. Transfer by Franchisee. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted this Agreement in reliance on Franchisee's business skill and financial capacity. Accordingly, neither (i) Franchisee, nor (ii) any immediate or remote successor to Franchisee, nor (iii) any individual, partnership, corporation or other legal entity which directly or indirectly owns any interest in Franchisee or in this Franchise Agreement, shall sell, assign, transfer, convey, donate, pledge, mortgage, or otherwise encumber any direct or indirect interest in this Agreement or in any legal entity which owns the Franchised Restaurant without the prior written consent of Franchisor. Acceptance by Franchisor of any Royalty, Advertising Contribution or any other amount accruing hereunder from any third party, including any proposed transferee, shall not constitute Franchisor's approval of such party as a transferee or the transfer of this Franchise Agreement to such party. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor, shall be null and void, and shall constitute a breach of this Agreement, for which Franchisor may then terminate without opportunity to cure pursuant to Section 15.02.D. of this Agreement.

14.03. Conditions for Consent. Franchisor may grant or withhold its consent to any transfer referred to in Section 14.02., when requested, in its sole discretion; provided that prior to the time of any transfer consented to by Franchisor;

A. All of Franchisee's accrued monetary obligations to Franchisor and its subsidiaries and affiliates shall have been satisfied;

B. Franchisee shall have agreed to remain obligated under the covenants contained in Section XIII hereof as if this Agreement had been terminated on the date of the transfer;

C. The transferee must be of good moral character and reputation, in the reasonable judgment of Franchisor;

D. Franchisor shall have determined, to its satisfaction, that the transferee's qualifications meet Franchisor's then-current criteria for new franchisees;

E. Franchisee and the transferee shall execute a written agreement, in a form satisfactory to Franchisor, pursuant to which the transferee shall assume all of the obligations of Franchisee under this Agreement and shall also assume any additional commitments of Franchisee, including an agreement by Franchisee to pay an Advertising Contribution in an amount exceeding four percent (4%) of Gross Sales. Franchisee shall unconditionally release any and all claims Franchisee might have against Franchisor and its parent companies, subsidiaries, and affiliates as of the date of the transfer;

F. The transferee shall execute the then-current form of Franchise Agreement and such other then-current ancillary agreements as Franchisor may reasonably require. The then-current form of Franchise Agreement may have significantly different provisions including a higher royalty fee and advertising contribution than that contained in this Agreement. The then-current form of Franchise Agreement will expire on the expiration date of this Agreement and will contain the same renewal rights, if any, as are available to Franchisee under Sections 2.02. and 2.03. hereof;

G. The transferee shall agree at its sole cost and expense, to (i) complete a Franchised Restaurant Renovation, within the time frame required by Franchisor, unless a Franchised Restaurant Renovation was completed within six (6) years prior to the date of the transfer and (ii) perform such other scope of work as may be determined by Franchisor;

H. The transferee and such other individuals as may be designated by Franchisor in the Manual or otherwise in writing, must have successfully completed the training course then in effect for new franchisees. If the Franchised Restaurant is the transferee's first Popeyes Restaurant, the transferee shall pay to Franchisor the then-standard training fee, if any;

I. If the transferee is a partnership, the partnership agreement shall provide that further assignments or transfers of any interest in the partnership are subject to all restrictions imposed upon assignments and transfers in this Agreement;

J. Franchisee shall, at Franchisor's option and request, execute a written guaranty of the transferee's obligations with respect to the Franchised Restaurant, which guaranty shall not exceed a period of three (3) years from the date of transfer; and

K. Franchisee shall pay to Franchisor the transfer fee in the amount set forth on the Key Contract Data page (the "Transfer Fee"), however, no additional initial franchise fee or development fee shall be charged by Franchisor for a transfer. If the transferee is a corporation or other business entity formed by Franchisee for the convenience of ownership and Franchisee is the sole shareholder or member of such business entity, no Transfer Fee shall be required. A portion of the Transfer Fee in the amount set forth on the Key Contract Data page (the "**Transfer Fee Deposit**") is payable upon Franchisee's submission of its initial transfer application to Franchisor. The Transfer Fee Deposit is non-refundable in the event that the proposed transfer does not occur in accordance with the terms of approved transfer application. If the proposed transfer occurs in accordance with the terms of the approved transfer application, the Transfer Fee Deposit will be applied to the total Transfer Fee due at the time of the closing of the transfer.

14.04. Grant of Security Interest. Franchisee shall grant no security interest in this Agreement unless the secured party agrees: (i) that in the event of any default by Franchisee under any documents related to the security interest (A) Franchisor shall be provided with notice of default and given a reasonable time within which to cure said default, and (B) Franchisor shall have the right and option to be substituted as obligor to the secured party and to cure any default of Franchisee or to purchase the rights of the secured party upon payment of all sums then due to such secured party, except such amounts which may have become due as a result of any acceleration of the payment dates based upon Franchisee's default; and (ii) to such other requirements as Franchisor, in its sole discretion, deems reasonable and necessary to protect the integrity of the Proprietary Marks and the Popeyes System. Notwithstanding the above paragraph 14.04, in no event shall any secured party be entitled to (i) use or assign Franchisee's rights with respect to Franchisor's Proprietary Marks or (ii) use, assign, possess or have access to any trade secrets or confidential information of Franchisor.

14.05. Transfer on Death or Mental Incapacity. Upon the death or mental incapacity of any person with an interest in this Agreement, the Franchised Restaurant or Franchisee, the executor, administrator, or personal representative of such person shall transfer his or her interest to a third party approved by Franchisor within twelve (12) months after such death or mental incapacity. Such transfer, including transfer by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer. However, in the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section XIV, the personal representative of the deceased shall have a reasonable time, but in no event more than eighteen (18) months from the deceased's death, to dispose of the deceased's interest in this Agreement and the business conducted pursuant hereto, which disposition shall be subject to all the terms and conditions for assignments and transfers contained in this Agreement. If the interest

is not disposed of within twelve (12) or eighteen (18) months, whichever is applicable, Franchisor may terminate this Agreement.

14.06. Right of First Refusal. Any party holding an interest in this Agreement, the Franchised Restaurant or in Franchisee, and who desires to accept a bona fide offer from a third party to purchase such interest, shall notify Franchisor in writing of such offer within ten (10) days of receipt of such offer, and shall provide such information and documentation relating to the offer as Franchisor may require. Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of the notice of offer and the furnishing of all reasonably requested information, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party. In the event that Franchisor elects to purchase the seller's interest, closing on such purchase must occur within sixty (60) days from the date of notice to the seller of the election to purchase by Franchisor. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Section 14.06. shall not constitute a waiver of any other provisions of this Agreement, including all of the requirements of this Section XIV, with respect to a proposed transfer. In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest in this Agreement, Franchisee, or the Franchised Restaurant proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time as to the reasonable equivalent in cash of the consideration, terms, and/or conditions offered by the third party, an independent appraiser shall be designated by Franchisor, and his or her determination shall be binding upon the parties.

14.07. Offerings by Franchisee. Securities or partnership interests in Franchisee may be offered to the public, by private offering or otherwise, only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. All materials required for such offering by federal or state law shall be submitted to Franchisor for review prior to their being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for review prior to their use. No offering of such securities shall imply (by use of the Proprietary Marks or otherwise) that Franchisor is participating in the underwriting, issuance, or offering of securities by Franchisee; and Franchisor's review of any offering shall be limited solely to the subject of the relationship between Franchisee and Franchisor. Franchisee and the other participants in the offering shall fully indemnify Franchisor in connection with the offering. For each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of Five Thousand Dollars (\$5,000), or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including legal and accounting fees. Franchisee shall give Franchisor written notice at least thirty (30) days prior to the date of commencement any offering or other transaction covered by this Section 14.07.

XV. TERMINATION

15.01. Franchisee shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed

by Franchisee or such a petition is filed against Franchisee and not opposed by Franchisee; or if Franchisee is adjudicated bankrupt or insolvent; or if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under the applicable law of any jurisdiction should be instituted by Franchisee or against Franchisee and not opposed by Franchisee; or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a supersedeas bond is filed); or if Franchisee is dissolved; or if execution is levied against Franchisee's property or business; or if suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Restaurant developed hereunder is instituted against Franchisee and not dismissed within thirty (30) days; or if the real or personal property of any Restaurant developed hereunder shall be sold after levy thereon by any sheriff, marshal, or constable.

15.02. Franchisee shall be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder without affording Franchisee any opportunity to cure the default upon the occurrence of any of the following events:

A. If Franchisee, at any time, ceases to operate the Franchised Restaurant or otherwise abandons the Franchised Restaurant, or loses the right to possess the premises of the Franchised Restaurant, or otherwise forfeits the right to do or transact business in the jurisdiction where the Franchised Restaurant is located; provided, however, that if, through no fault of Franchisee, the premises are damaged or destroyed by an event not within the control of Franchisee such that repairs or reconstruction cannot be completed within one-hundred eighty (180) days thereafter, then Franchisee shall have thirty (30) days after such event in which to apply for Franchisor's approval to relocate and/or reconstruct the premises, which approval shall not be unreasonably withheld, but may be conditioned upon the payment of an agreed minimum royalty to Franchisor during the period in which the Franchised Restaurant is not in operation;

B. If Franchisee is convicted of or pleads guilty to a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith, or Franchisor's interest therein;

C. (i) If a threat or danger to public health or safety results from the construction, maintenance, or operation of the Franchised Restaurant or from the material violation of any health and safety laws, rules, or regulations, or (ii) if the Franchised Restaurant is closed as a result of a failed inspection by the health department and in the event of such closure Franchisor determines, in its sole discretion, that the failed inspection is the result of repeated or material failure by Franchisee to comply with the requirements of the Franchise Agreement or the health department. Notwithstanding anything herein to the contrary, in the event of a default described in this Section 15.02(C) Franchisor shall have the right, in addition to any other right or remedy available hereunder, to require, upon verbal notice from Franchisor to Franchisee, that the Franchised Restaurant be closed to the public and/or remain closed until the applicable food, health, or safety matters are cured. Failure to close the Franchised Restaurant upon such verbal notice shall be an act of default, and, if this act of default shall occur, Franchisor shall have the right to immediately

terminate this Agreement, such termination to be effective immediately and with no opportunity to cure;

D. If Franchisee, or any partner or shareholder of Franchisee purports to transfer any rights or obligations under this Agreement or any interest in Franchisee without Franchisor's prior written consent, contrary to the terms of Section XIV hereof;

E. If Franchisee fails to comply with the in-term covenants in Section 13.02. hereof or fails to obtain execution of the covenants required under Sections 10.12. or 13.04. hereof;

F. If, contrary to the terms of Section VII hereof, Franchisee discloses or divulges the contents of the Manual or any other confidential information provided to Franchisee by Franchisor;

G. If an approved transfer is not effected as required by Section 14.05. hereof, following Franchisee's death or mental incapacity;

H. If Franchisee knowingly maintains false books or records, or submits any false reports to Franchisor;

I. If Franchisee or any individual, group, association, limited or general partnership, corporation or other business entity which directly or indirectly controls, is controlled by, or is under common control with Franchisee; or which directly or indirectly owns, controls, or holds power to vote ten percent (10%) or more of the outstanding voting securities of Franchisee; or which has in common with Franchisee one or more partners, officers, directors, trustees, branch managers, or other persons occupying similar status or performing similar functions (“**Affiliate**”) commits any act of default under any other Franchise Agreement, development agreement (except for failure to meet the development schedule thereunder), asset purchase agreement, promissory note or any other agreement entered into by Franchisee or an Affiliate of Franchisee, and Franchisor, or any parent, subsidiary, affiliate, predecessor or successor to Franchisor;

J. If Franchisee defaults more than once in any twelve (12) month period under this Agreement for failure to substantially comply with any of the requirements imposed by this Agreement, whether or not cured after notice;

K. If Franchisee refuses to permit Franchisor or its agents to enter upon the premises of the Franchised Restaurant to conduct any periodic inspection as set forth in Sections 5.09. and 10.05.H. hereof;

L. If Franchisee uses any of Franchisor's Proprietary Marks in any unauthorized manner or is otherwise in default of the provisions of Section V hereof;

M. If Franchisee fails to meet the requirements of Section 10.20 hereof, including demonstrating full PCI/DSS compliance through means requested by Franchisor, as Franchisor may elect in its reasonable discretion;

N. If Franchisee sells or offers for sale any products and menu items that have not been expressly approved for sale in writing by Franchisor, contrary to the terms of Section 10.05.B hereof;

O. If Franchisee sells any approved products or menu items that deviate from Franchisor's standards and specifications for serving or selling such items, without Franchisor's prior written consent, contrary to the terms of Section 10.05.B hereof;

P. If Franchisee continues to sell or offer for sale any products or menu items that Franchisor disapproves in writing at any time, contrary to the terms of Section 10.05.B; or

Q. If (A) Franchisee, the Managing Owner or the Managing Director engages in conduct which is deleterious to or reflects unfavorably on Franchisee, the Franchisor's Proprietary Marks or the System by exhibiting a reckless disregard for the physical and mental well-being of employees, customers, Franchisor representatives or the public at large including, but not limited to, battery, assault, sexual harassment or other forms of threatening, outrageous, willfully discriminatory or unacceptable behavior, or (B) Franchisee, the Managing Owner, the Managing Director or any other owner of legal or beneficial interests in the Franchisee engages in conduct which, in Franchisor's sole judgment, adversely affects the reputation of the Franchised Restaurant, the System, or the goodwill associated with the Proprietary Marks. An act of default under this Section 15.02.Q does not require any criminal action to be brought against Franchisee, the Managing Owner, the Managing Director or any other such owner of legal or beneficial interest in the Franchisee.

15.03. Except as provided in Sections 15.01. and 15.02. of this Agreement, upon any default by Franchisee which is susceptible of being cured, Franchisor may terminate this Agreement only by giving written Notice of Termination stating the nature of such default to Franchisee (i) at least five (5) days prior to the effective date of termination if the default is for failure to comply with the requirements of Sections XI or 17.02 hereof or for the failure to sell or offer for sale the minimum menu items specified in the Manual or otherwise in writing, as required by Section 10.05.B hereof, (ii) at least ten (10) days prior to the effective date of termination if the default is for failure to pay the Initial Franchise Fee, Royalty, Advertising Contributions (including Co-Op Contributions, if any are due and/or any other financial obligations owed to Franchisor by Franchisee), and (iii) at least thirty (30) days, prior to the effective date of termination for any other default; provided, however, that Franchisee may avoid termination by curing such default to Franchisor's satisfaction within the aforementioned five (5) day, ten (10) day or thirty (30) day period, as applicable. If any such default is not cured within the specified time, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the aforementioned five (5) day, ten (10) day or thirty (30) day period, as applicable, or such longer period as applicable law may require. Notwithstanding anything to the contrary set forth in this Agreement, Franchisee hereby acknowledges that any

agreement between Franchisee and Franchisor relating to past due amounts accruing hereunder, (an “**Arrearage Agreement**”), including any promissory note or amendment to this agreement shall be deemed to be a material part of this agreement and shall be incorporated herein by reference. A default under any Arrearage Agreement shall be deemed a default of this Franchise Agreement, regardless of the reason Franchisee fails to pay the amount which is the subject of such Arrearage Agreement.

15.04. If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section 15, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

15.05. Franchisee shall indemnify and hold Franchisor harmless for all costs, expenses and any losses incurred by Franchisor in enforcing the provisions hereof, or in upholding the propriety of any action or determination by Franchisor pursuant to this Agreement, or in defending any claims made by Franchisee against Franchisor, or arising in any manner from Franchisee’s breach of or failure to perform any covenant or obligation hereunder, including reasonable litigation expenses and attorneys’ fees incurred by Franchisor in connection with any threatened or pending litigation relating to any part of this Agreement, unless Franchisee shall be found, after due legal proceedings, to have complied with all of the terms, provisions, conditions and covenants hereof. For the avoidance of doubt, the indemnification provisions of this Section 15.05. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

XVI. EFFECT OF TERMINATION OR EXPIRATION

16.01. Upon termination or expiration of this Agreement, all rights granted herein shall forthwith terminate, and:

A. Franchisee shall immediately cease to operate the Franchised Restaurant as a Popeyes Restaurant, and shall not thereafter, directly or indirectly, represent to the public that the restaurant is a Popeyes Restaurant;

B. Franchisee shall immediately and permanently cease to use, by advertising or in any manner whatsoever, any menus, recipes, confidential food formulas, equipment, methods, procedures, and the techniques associated with the System, Franchisor’s Proprietary Marks, and Franchisor’s other trade names, trademarks and service marks associated with the Popeyes System. In particular, and without limitation, Franchisee shall cease to use all signs, furniture, fixtures, equipment, advertising materials, the Web Site, stationery, forms, packaging, containers and any other articles which display the Proprietary Marks and make such removals or changes in the premises as Franchisor shall request, so as to effectively distinguish the premises and the Franchised Restaurant from its former appearance and from any other Popeyes Restaurant. In the event Franchisee fails to comply with this section, Franchisee consents to Franchisor entering the premises (which includes the Franchised Restaurant) to make nonstructural changes at Franchisee’s

expense. Franchisee shall obtain, on behalf of itself and Franchisor, the right to enter the premises to effectuate the purposes of this Section;

C. Franchisee agrees, in the event Franchisee continues to operate or subsequently begins to operate restaurants or other businesses, not to use any reproduction, counterfeit, copy, or colorable imitation of the Proprietary Marks in conjunction with such other business which is likely to cause confusion or mistake or to deceive, and further agrees not to utilize any trade dress, designation of origin, description, or representation which falsely suggests or represents an association or connection with Franchisor;

D. Franchisee agrees, upon termination or expiration of this Agreement or upon ceasing to operate the Franchised Restaurant at the location specified in Section I hereof for any reason, whether or not Franchisee continues to operate any business at such location, and whether or not Franchisee owns or leases the location, to make such modifications or alterations to the Franchised Restaurant premises immediately upon termination or expiration of this Agreement or cessation of operation of the Franchised Restaurant as may be necessary to prevent the operation of any businesses thereon by Franchisee or others in derogation of this Section XVI, and shall make such specified additional changes thereto as Franchisor may reasonably request for that purpose. The modifications and alterations required by this Section XVI shall include removal of all trade dress, Proprietary Marks and other indicia of the Popeyes System;

E. Franchisee shall immediately pay all sums owing to Franchisor and its subsidiaries and affiliates. In the event of termination for any default by Franchisee, such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default;

F. To the extent applicable, Franchisee shall immediately turn over to Franchisor (or, at Franchisor's direction, shall destroy) the Manual, all other manuals, records, files, instructions, correspondence and any and all other materials relating to the operation of the Franchised Restaurant in Franchisee's possession and all copies thereof (all of which are acknowledged to be Franchisor's property) and shall retain no copy or record of any of the foregoing, with the exception of such materials possessed by Franchisee pursuant to a separate valid and enforceable franchise agreement and Franchisee's copy of this Agreement, any correspondence between the parties, and any other documents which Franchisee reasonably needs for compliance with any provision of law; and

G. Franchisee shall immediately delete or cause to be deleted the Web Site (if not within Franchisor's control) and transfer to Franchisor (if not already registered to Franchisor) the registration of all domain names used in connection with the Web Site, as well as any other domain names registered by or on behalf of Franchisor in connection with the Franchised Restaurant. Any rights granted by Franchisor to Franchisee with respect to the Web Site, or any other website associated with the Franchised Restaurant, including any domain names, shall immediately cease upon termination or expiration of this Agreement, and Franchisor may, at any time upon or after termination or expiration of this

Agreement, delete the Web Site (if within Franchisor's control) and cease or reassign usage of any domain names within Franchisor's control that may have benefited Franchisee.

16.02. Franchisor shall have the right (but not the duty) to be exercised by notice of intent to do so within thirty (30) days after termination or expiration of this Agreement, to purchase any and all improvements, equipment, advertising and promotional materials, ingredients, products, materials, supplies, paper goods and any items bearing Franchisor's Proprietary Marks at current fair market value. If the parties cannot agree on a fair market value within a reasonable time, an independent appraiser shall be designated by Franchisor, and his or her determination of fair market value shall be binding. If Franchisor elects to exercise any option to purchase herein provided, it shall have the right to set-off all amounts due from Franchisee under this Agreement and the cost of the appraisal, if any, against any payment therefor.

16.03. In the event the premises are leased to Franchisee, Franchisee shall, upon termination of this Agreement and upon request by Franchisor, immediately assign, set over and transfer unto Franchisor, at Franchisor's sole option and discretion, said lease and the premises, including improvements. Any such lease entered into by Franchisee shall contain a clause specifying the landlord's consent to assign such lease to Franchisor or its assignee in the event this Agreement is terminated.

16.04. Franchisee shall pay to Franchisor all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor in seeking recovery of damages caused by any action of Franchisee in violation of, or in obtaining injunctive relief for the enforcement of, any portion of this Section XVI. Further, Franchisee acknowledges and agrees that any failure to comply with the provisions of this Section XVI, shall result in irreparable injury to Franchisor.

16.05. All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, shall so survive the expiration and/or termination of this Agreement.

16.06. Franchisee shall comply with the covenants contained in Section XIII of this Agreement.

16.07. Franchisee shall execute such documents as Franchisor may reasonably require to effectuate termination of the franchise and Franchisee's rights to use the trademarks and systems of Franchisor.

XVII. TAXES, PERMITS, AND INDEBTEDNESS

17.01. Franchisee shall promptly pay when due all taxes, accounts and other indebtedness of every kind incurred by Franchisee in the conduct of Franchisee's business and operation of the Franchised Restaurant under this Agreement.

17.02. Franchisee, in the conduct of Franchisee's business and operation of the Franchised Restaurant, shall comply with all applicable laws and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the businesses

operated under this Agreement, including licenses to do business, trade name registrations, sales tax permits and fire clearances.

17.03. Notwithstanding the foregoing or anything else herein, the amount of all fees payable pursuant to this Agreement by the Franchisee does not include Indirect Tax and, in the event Indirect Tax applies on the fees payable pursuant to this Agreement, Franchisee will be responsible for such Indirect Tax either (i) through payment of the Indirect Tax to Franchisor or (ii) if Franchisee is required by law to deduct and pay the applicable Indirect Tax to the relevant Tax Authority, Franchisee will gross up the fees by the applicable Indirect Tax and remit payment of the applicable Indirect Tax amount to the relevant Tax Authority, without any deduction from fees payable under this Agreement. If there is an exemption in the territory of the Franchised Restaurant for the application of Indirect Taxes to any payments made by Franchisee to Franchisor or its designee, Franchisee will cooperate in good faith with Franchisor and take all reasonable steps necessary to ensure that Franchisor or its designee will be eligible for such exemption, including by applying for the exemption with the applicable Tax Authority. "**Indirect Tax**" or "**Indirect Taxes**" means sales and use tax, goods and services tax, value added tax, ad valorem tax, excise tax, duty, levy or other governmental charges, and other obligations of the same or of a similar nature to any of the foregoing (together with any penalties, interest, or other similar amounts thereon) levied by a Tax Authority. "**Tax**" or "**Taxes**" means all taxes, however denominated, including any interest, penalties, or other additions that may become payable in respect thereof, imposed by any Taxing Authority. "**Tax Authority**" means any governmental authority having or purporting to have power to impose, administer or collect any Tax.

XVIII. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

18.01. This Agreement does not constitute Franchisee an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever. It is understood and agreed that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation on behalf of Franchisor or to incur any debt or any other obligation in Franchisor's name, and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action or by reason of any act or omission of Franchisee, or any claim or judgment arising therefrom. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed, to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractors, nor vice versa. The parties further agree that this Agreement does not create any fiduciary or special relationship between them. In all public records, in relationships with other persons, and on letterhead and business forms, Franchisee shall indicate its independent ownership of the Franchised Restaurant and that Franchisee is a franchisee of Franchisor.

18.02. During the term of this Agreement and any extensions hereof, Franchisee agrees to take such action as Franchisor deems reasonably necessary for Franchisee to inform and hold itself out to the public as an independent contractor operating the Franchised Restaurant pursuant to a franchise from Franchisor (including exhibiting a notice of that fact at the Franchised Restaurant in form and substance satisfactory to Franchisor), subject only to the conditions and covenants set forth in this Agreement. Franchisee shall have no right or power to, and shall not, bind or obligate

Franchisor in any way or manner, nor shall Franchisee represent at any time that Franchisee has any right to do so. Without limiting the generality of the foregoing, Franchisee acknowledges that (i) Franchisor has no responsibility or obligation to ensure that the Franchised Restaurant is developed and operated in compliance with all applicable laws, ordinances, and regulations, and (ii) Franchisor shall have no liability in the event the development or operation of the Franchised Restaurant violates any applicable law, ordinance, or regulation.

18.03. Franchisee agrees to defend, indemnify and hold harmless Franchisor, its parent, subsidiaries and affiliates, and their respective officers, directors, employees, agents, successors and assigns from all claims, demands, losses, damages, liabilities, cost and expenses (including attorneys' fees and litigation expenses) resulting from, or alleged to have resulted from, or in connection with Franchisee's operation of the Franchised Restaurant, including any claim or actions based on or arising out of (i) Franchisee's violation of any applicable laws, rules, or regulations (including any applicable employment or workplace-related laws, rules, or regulations), (ii) the acts or omissions of Franchisee or any of its employees, or (iii) any injuries, including death to persons or damages to or destruction of property, sustained or alleged to have been sustained in connection with or to have arisen out of or incidental to the Franchised Restaurant, Franchisee's business and/or the performance of this Agreement by Franchisee, its agents, employees, and/or its subcontractors, their agents and employees, or anyone for whose acts they may be liable, regardless of whether or not such claim, demand, damage, loss, liability, cost or expense is caused in whole or in part by the negligence of Franchisor, Franchisor's representative, or the employees, agents, invitees, or licensees thereof. For the avoidance of doubt, the provisions of this Section 18.03. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

18.04. Franchisor shall advise Franchisee in the event Franchisor receives notice that a claim has been or may be filed with respect to a matter covered by this Agreement, and Franchisee shall immediately assume the defense thereof at Franchisee's sole cost and expense. In any event, Franchisor will have the right, through counsel of its choice, to control any matter to the extent it could directly or indirectly affect Franchisor and/or its parent, subsidiaries or affiliates or their officers, directors, employees, agents, successors or assigns. If Franchisee fails to assume such defense, Franchisor may defend, settle, and litigate such action in the manner it deems appropriate and Franchisee shall, immediately upon demand, pay to Franchisor all costs (including attorneys' fees and litigation expenses) incurred by Franchisor in affecting such defense, in addition to any sum which Franchisor may pay by reason of any settlement or judgment against Franchisor.

18.05. Franchisor's right to indemnity hereunder shall exist notwithstanding that joint or several liability may be imposed upon Franchisor by statute, ordinance, regulation or judicial decision.

18.06. Franchisee agrees to pay Franchisor all expenses attorneys' fees and court costs, incurred by Franchisor, its parent, subsidiaries, affiliates, and their successors and assigns to remedy any defaults of or enforce any rights under this Agreement, effect termination of this Agreement or collect any amounts due under this Agreement.

XIX. APPROVALS AND WAIVERS

19.01. Whenever this Agreement requires the approval of Franchisor, Franchisee shall make a timely written request to Franchisor therefore, and such approval or consent shall be in writing. Whenever this Agreement or any related agreement grants, confers or reserves to Franchisor the right to take action, refrain from taking action, or grant or withhold Franchisor's consent or approval, unless the provision specifically states otherwise, Franchisor may take into consideration Franchisor's good faith assessment of the long term interests of all stakeholders in the Popeyes System. When the terms of this Agreement specifically require that Franchisor not unreasonably withhold Franchisor's approval or consent, if Franchisee is in default of this Agreement (after applicable notice and cure period), any withholding of Franchisor's approval or consent will be considered reasonable.

19.02. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which Franchisor would not otherwise be subject, by providing any waiver, approval, advice, consent, or suggestions to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefore.

19.03. No failure of Franchisor to exercise any power reserved to it in this Agreement, or to insist upon compliance by Franchisee with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall such constitute a waiver by Franchisor of any rights, hereunder or right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payments due to it shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants, or conditions of this Agreement.

XX. NOTICES

Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by registered mail, or by other means which will provide evidence of the date received to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other party:

XXI. SEVERABILITY AND CONSTRUCTION

21.01. Except as expressly provided to the contrary herein, each section, paragraph, part, term, and/or provision of this Agreement shall be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Agreement as may remain otherwise intelligible, and the latter shall continue to be given full force and effect to bind the parties hereto; and said invalid portions, sections, parts, terms, and/or provisions shall be deemed not to be part of this Agreement.

21.02. Except as has been expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee, Franchisor, Franchisor's officer, directors, and employees, and Franchisee's permitted and Franchisor's respective successors and assigns, any rights or remedies under or by reason of this Agreement.

21.03. All captions in the Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof. In this Agreement, the words "include", "includes", and "including" shall be deemed to be followed by the phrase "without limitation".

21.04. All references herein to the masculine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, where applicable, and all acknowledgments, promises, covenants, agreements and obligations herein made or undertaken by Franchisee shall be deemed jointly and severally undertaken by all the parties hereto on behalf of Franchisee.

21.05. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed to be an original and all of which together shall constitute but one and the same agreement. By entering into this Agreement, Franchisee expressly consents to transact business with Franchisor electronically and that, consistent with the Uniform Electronic Transactions Act and all other applicable state and federal laws, this Agreement may be executed by electronic signatures. The parties to this Agreement agree that (i) the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures, and (ii) an electronically signed version of this Agreement shall constitute an original for all purposes.

XXII. ENTIRE AGREEMENT: SURVIVAL

22.01. This Agreement, the Key Contract Data page to this Agreement, the documents referred to herein, and the exhibits hereto, constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof and supersede any and all prior agreements. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, modification or variance of this Agreement shall be binding on either party unless in writing and executed by Franchisor and Franchisee. Representations by either party, whether oral, in writing, electronic or otherwise, that are not set forth in this Agreement (other than those set forth in the Franchise Disclosure Document provided by Franchisor to Franchisee) shall not be binding upon the party alleged to have made such representations and shall be of no force or effect. However, and notwithstanding the foregoing, no provision in this Agreement is intended to disclaim any representation made by Franchisor in the Franchise Disclosure Document provided by Franchisor to Franchisee.

Franchisee has read this Section 22.01., and Franchisee acknowledges and agrees that neither it nor any of its owners, directors, officers, or employees has been induced by (and none of the foregoing are relying upon) any representation not contained in this Agreement or the Franchise Disclosure Document provided by Franchisor at least 14 days prior to the execution of any agreement with Franchisor or any affiliate or the payment of any money to Franchisor or any affiliate.

22.02. Notwithstanding anything herein to the contrary, upon the termination of this Agreement for any reason whatsoever (including the execution of a subsequent Franchise Agreement pursuant to the provisions of Sections 2.02.B. and 14.03.F.), or upon the expiration of the Term hereof, any provisions of this Agreement which, by their nature, extend beyond the expiration or termination of this Agreement, shall survive termination or expiration and be fully binding and enforceable as though such termination or expiration had not occurred.

XXIV. APPLICABLE LAW; VENUE

24.01. Applicable Law. This Agreement takes effect upon its acceptance and execution by Franchisor and shall be interpreted and construed under the laws of the State of Florida which laws shall prevail in the event of any conflict of law (without regard to, and without giving effect to, the application of Florida choice of law or conflict of law rules) except to the extent governed by the U. S. Trademark Act of 1946, 15 U.S.C. § 1051, et seq. (the “**Lanham Act**”) as amended; provided, however, that if the covenants in Section XIII of this Agreement would not be enforceable under the laws of Florida, and the Franchised Restaurant is located outside of Florida, then such covenants shall be interpreted and construed under the laws of the state in which the Franchised Restaurant is located. Nothing in this Section XXIV is intended by the parties to subject this Agreement to any franchise or similar law, rule, or regulation of the State of Florida to which this Agreement would not otherwise be subject.

All rights of FRANCHISOR hereunder or otherwise arising under the FRANCHISOR Agreements are separate and cumulative and may be pursued separately, successively, or concurrently, or not pursued, without affecting or limiting any other right of FRANCHISOR and without affecting or impairing the liability of the GUARANTORS;
- (j) Your liability hereunder will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence, or any waiver that FRANCHISOR may from time to time grant to FRANCHISEE or to any other person, including without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims (including the release of other Owners or guarantors), or the taking of any action by FRANCHISOR which may have the effect of increasing your obligations, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Franchise Agreement and so long as any performance is or may be owed under any of the FRANCHISOR Agreements by FRANCHISEE or its Owners and so long as FRANCHISOR may have any cause of action against FRANCHISEE or its Owners, subject to paragraph (m) below;

Notwithstanding the foregoing, your liability hereunder for Obligations under the other FRANCHISOR Agreements will continue in full force and effect until FRANCHISEE has fully paid and performed all obligations thereunder;
- (n) The written acknowledgement of FRANCHISEE or the judgment of any court establishing the amount due from FRANCHISEE shall be conclusive and binding on you and your heirs, representatives, successors and assigns. FRANCHISOR's books and records showing the account between FRANCHISOR and FRANCHISEE shall be admissible in evidence in any action or proceeding, shall be binding upon you for the purpose of establishing the items therein set forth, and shall constitute prima facie proof thereof; and
- (o) Except to the extent the provisions of this Guaranty give FRANCHISOR additional rights, this Guaranty shall not be deemed to supersede or replace any other guarantees given to FRANCHISOR by you; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by you pursuant to any other agreement of guarantee given to FRANCHISOR and other guarantees of the Obligations.

5. Assignment by FRANCHISOR. This Guaranty is for the benefit of FRANCHISOR, which may, without any notice, sell, assign or transfer any part of the Obligations guaranteed herein. Each and every successive assignee, transferee or holder of all or any part of the Obligations shall have the right to enforce this Guaranty, by suit or otherwise, for the benefit of such assignee, transferee or holder, as fully as though such assignee, transferee or holder were herein by name given such rights, powers and benefits; but FRANCHISOR shall have an unimpaired right, prior and superior to that of any such assignee, transferee or holder, to enforce this Guaranty for its benefit as to so much of said Obligations that it has not sold, assigned or transferred.

6. Choice of Law; Jurisdiction and Venue. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida. You hereby irrevocably submit to the jurisdiction of the U.S. District Court for the Southern District of Florida, or if such court lacks

jurisdiction, the 11th Judicial Court (or its successor) in and for Miami-Dade County, Florida, and any appellate court thereof in any action or proceeding arising out of or relating to the Guaranty. You hereby irrevocably waive, to the fullest extent you may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding and any right to jurisdiction on account of your place of residence or domicile. You agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

7. Severability. If one or more provisions contained in this Guaranty shall be invalid, illegal or unenforceable, in any respect under the laws of any jurisdiction, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

8. Counterparts. This Guaranty may be executed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same instrument.

6. Franchisee meets all then-current financial ratios that Franchisor uses to evaluate new franchisees for financial approval.

7. Section 3.01.A of the Renewal Franchise Agreement is hereby deleted in its entirety and the following new Section 3.01.A is inserted in lieu thereof:

A. A renewal fee in the amount of _____ Dollars (\$_____) payable upon execution of that certain Renewal Amendment to Franchise Agreement dated _____ (the "Renewal Amendment") by Franchisee. Such renewal fee shall be fully earned by Franchisor upon execution of the Renewal Amendment by Franchisee.

8. Section 9.02 of the Renewal Franchise Agreement is hereby deleted in its entirety.

9. Section 10.01.C. of the Renewal Franchise Agreement is hereby deleted in its entirety and the following new Section 10.01.C is inserted in lieu thereof:

C. At its sole cost and expense, Franchisee agrees to complete a full reimaging, renovation, refurbishment and modernization of the Franchised Restaurant, (1) on or before _____, 20__ [DATE 18 MONTHS AFTER RENEWAL DATE] (the "Renewal Renovation Date") and (2) from time-to-time from and after the Renewal Renovation Date, within the time frame required by Franchisor as set forth in the "Frequency for Franchised Restaurant Renovation" on the Key Contract Data page, (provided, however, Franchisor may require Franchisee to submit reimaging plans and obtain Franchisor's approval of such plans twelve (12) months prior to the required completion date), including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials, to meet Franchisor's then-current standards, specifications and design criteria for Popeyes Restaurants, including such structural changes, remodeling and redecoration and such modifications to existing improvements as may be necessary to do so ("Franchised Restaurant Renovation"). However, notwithstanding the foregoing:

(i) Franchisee shall not be required to perform a Franchised Restaurant Renovation if there are less than two (2) years remaining on the term of this Agreement.

(ii) If Franchisor has provided to Franchisee written notice that Franchisee is required to complete a Franchised Restaurant Renovation on or before a date certain in accordance with Section 10.01(C)(2) (the “Required Renovation Date”) and there are from the Required Renovation Date less than five (5) years but two (2) years or more remaining on the term of this Agreement, then Franchisee may, at its option, extend the term of this Agreement to a date selected by Franchisee that is up to five (5) years following the Required Renovation Date, provided that: (A) Franchisee gives Franchisor written notice of such election to extend not less than six months prior to the Required Renovation Date, or three months following receipt of written notice of the Required Renovation Date, whichever is later; (B) Franchisee is in good-standing (as defined in Section II of this Agreement); (C) prior to the Required Renovation Date, Franchisee executes an amendment to this Agreement to document the extended term; (D) concurrently with Franchisee’s execution of such amendment, Franchisee pays to Franchisor an extension fee equal to Franchisor’s then-current initial franchise fee, prorated for the extended term; and (E) Franchisee in fact completes such Franchised Restaurant Renovation on or before the Required Renovation Date. At the end of such extended term, Franchisee may renew this franchise in accordance with the Renewal Term and Supplemental Term Option provisions of this Agreement.

For the avoidance of doubt, the failure to complete a Franchised Restaurant Renovation on or before the Renewal Renovation Date or the Required Renovation Date, as the case may be, shall be considered a default of this Agreement and PLK may, at its option terminate this Agreement pursuant to Section 15.03.

Nothing in this Section 10.01(C) shall be deemed to limit Franchisee’s other obligations, during the term of this Agreement, to operate the Franchised Restaurant in accordance with Franchisor’s standards and specifications for the Popeyes System, including the obligations set forth in this Section X; and

10. General Release by Franchisee. In order to induce Franchisor to execute this Amendment, Franchisee (on behalf of itself and its parent, subsidiaries, affiliates and their respective past and present owners, officers, directors, shareholders, partners, agents and employees, in their corporate and individual capacities), and all other persons or entities acting on Franchisee’s behalf or claiming under Franchisee (collectively, “Franchisee Releasers”) freely and without any influence, forever release and covenant not to sue Franchisor and its subsidiaries, predecessors and affiliates and their respective past and present officers, directors, shareholders, agents and employees, in their corporate and individual capacities (collectively, “Franchisor Releasees”), with respect to any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively, “Claims”), that any of the Franchisee Releasers now own or hold or may at any time have owned or held,

including, without limitation, Claims arising under federal, state and local laws, rules and ordinances and Claims arising out of, or related to, the Franchise Agreement, any real estate contracts or development agreements and all other agreements between any Franchisee Releasors and any Franchisor Releasees, the development or proposed development of any System restaurant, the sale of a franchise to any Franchisee Releasors, the operation of any business using the System by any Franchisee Releasors and/or performance by any Franchisor Releasees of any obligations under any agreement with any Franchisee Releasors. Franchisee (on behalf of the Franchisee Releasors) agrees that fair consideration has been given for this release and fully understands that this is a negotiated, complete and final release of all of Franchisee Releasors' Claims. **FRANCHISEE, ON BEHALF OF ITSELF AND THE FRANCHISEE RELEASORS, WAIVES ANY RIGHTS AND BENEFITS CONFERRED BY ANY APPLICABLE PROVISION OF LAW EXISTING UNDER ANY FEDERAL, STATE OR POLITICAL SUBDIVISION THEREOF WHICH WOULD INVALIDATE ALL OR ANY PORTION OF THE RELEASE CONTAINED IN THIS AMENDMENT BECAUSE SUCH RELEASE MAY EXTEND TO CLAIMS THAT THE FRANCHISEE RELEASORS DO NOT KNOW OR SUSPECT TO EXIST IN THEIR FAVOR AT THE TIME OF EXECUTION OF THIS AMENDMENT. 12. The Renewal Franchise Agreement, this Amendment, and the documents referred to herein, constitute the entire, full, and complete agreement between Franchisor and Franchisee concerning the subject matter hereof and supersede any and all prior agreements. 14. The Renewal Franchise Agreement shall remain in full force and effect except as specifically amended herein.

15. Notwithstanding any term or provision in any document between Franchisee and Franchisor to the contrary, Franchisee has the duty and obligation (i) to investigate whether or not the Franchised Restaurant is in compliance with all local, state and federal laws, codes, rules and regulations now in existence or hereafter promulgated, including without limitation, the Americans with Disabilities Act of 1990 and applicable building and fire codes (collectively, "Laws"), and (ii) to make any required renovations, alterations or improvements to comply with such Laws, all at Franchisee's own cost and expense and in a good, professional and workmanlike manner, whether or not there are any existing violations or conditions which do not comply with Laws on the date hereof.

16. This Agreement may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original. Any signature by e-mail or facsimile shall be binding.

17. This Amendment shall not be effective unless it is executed by Franchisor.

IN WITNESS WHEREOF, the parties hereto intending to be legally bound hereby have executed this Amendment in duplicate on the day and year first written.

**DEVELOPMENT INCENTIVE PROGRAM ADDENDUM
TO THE POPEYES LOUISIANA KITCHEN FRANCHISE AGREEMENT**

THIS DEVELOPMENT INCENTIVE PROGRAM ADDENDUM (this “Addendum”) to the Popeyes Louisiana Kitchen Franchise Agreement dated as of _____, 20__ (as at any time amended, the “Franchise Agreement”) is made as of _____, 20__, by and between Popeyes Louisiana Kitchen, Inc., a Minnesota corporation (“Franchisor”), and _____, a _____ (“Franchisee”).

RECITALS

Pursuant to the Franchise Agreement, Franchisor granted Franchisee the right to develop and operate a Popeyes Restaurant located at _____ and known as Restaurant No. _____ (the “Franchised Restaurant”).

In order to encourage the development of franchised Popeyes Restaurants, Franchisor has implemented a development incentive program (the “Program”).

Since the development of the Franchised Restaurant meets the criteria for the Program, Franchisor and Franchisee are entering into this Addendum to provide the Program benefits to Franchisee and to modify certain provisions of the Franchise Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, agreements and obligations set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Veterans Development Incentive Program

A. Initial Franchise Fee Reduction. Notwithstanding the provisions of Section 3.01.A. of the Franchise Agreement, Franchisor shall reduce the Initial Franchise Fee from Fifty Thousand Dollars (\$50,000) to Twenty-Seven Thousand Five Hundred Dollars (\$27,500) (the “Initial Franchise Fee Reduction”) if:

- i. Franchisor issues a site approval letter (the “Site Approval Letter”) to Franchisee for a new Qualifying Restaurant (as defined below);
- ii. Franchisee is in compliance with the terms of the Site Approval Letter and any Development Agreement and/or any Franchise Agreement with Franchisor;
- iii. Franchisee opens such Qualifying Restaurant within eighteen (18) months following the date of the Site Approval Letter (the “Eighteen Month Opening Date”);
- iv. Franchisee is a New Franchisee (as defined below); and
- v. Franchisee (or alternatively, if Franchisee is an entity, a holder of at least a fifty-one percent (51%) ownership interest in Franchisee) provides Franchisor

with a DD Form 214 or other adequate documentation, as determined by Franchisor, demonstrating an honorable discharge from the United States military.

B. Royalty Fee Reduction. In addition to the Initial Franchise Fee Reduction, for a period of six (6) months following the Opening Date of the Qualifying Restaurant meeting the requirements set forth in Section 1.A. above, Franchisee will pay a reduced Royalty for that Qualifying Restaurant in the amount of two percent (2%) of Gross Sales (the “Royalty Reduction”). Thereafter, the Royalty shall be five percent (5%) of Gross Sales as set forth in the Franchise Agreement.

C. Incentives Apply Only To One Qualifying Restaurant. For the avoidance of doubt, Franchisee acknowledges and agrees that if Franchisee (or alternatively, a holder of at least a fifty-one percent (51%) ownership interest in Franchisee) qualifies for the Initial Franchise Fee Reduction and the Royalty Reduction as described above, then such incentives shall only be applicable to the first (1st) Popeyes Restaurant (the Qualifying Restaurant described above) and shall not apply to any additional Popeyes Restaurant subsequently developed or operated by Franchisee or such interest holder.

D. Defined Terms. As used in this Addendum, the following terms shall have the applicable meanings:

- i. “New Franchisee” shall mean (a) an individual who has not previously owned a Popeyes Restaurant, or (b) an entity whose majority equity interest holders have not previously owned a Popeyes Restaurant.
- ii. “Qualifying Restaurant” shall mean a new Popeyes Restaurant developed on a site approved by Franchisor that is not an “Excluded Site.”
- iii. “Excluded Site” shall mean: (a) any site previously operated as a Popeyes Restaurant; and (b) any site for which site approval previously expired unless such site will be developed and operated by a third party franchisee who is unrelated to the prospective developer who previously obtained site approval. An Excluded Site is not eligible for any development incentives under the Program.

OR

1. Women and Minorities Development Incentive Program.

A. Initial Franchise Fee Reduction. Notwithstanding the provisions of Section 3.01.A. of the Franchise Agreement, Franchisor shall reduce the Initial Franchise Fee from Fifty

Thousand Dollars (\$50,000) to Twenty-Seven Thousand Five Hundred Dollars (\$27,500) (the “Initial Franchise Fee Reduction”) if:

- i. Franchisor issues a site approval letter (the “Site Approval Letter”) to Franchisee for a new Qualifying Restaurant (as defined below);
- ii. Franchisee opens such Qualifying Restaurant within eighteen (18) months following the date of the Site Approval Letter (the “Eighteen Month Opening Date”);
- iii. Franchisee is in compliance with the terms of the Site Approval Letter and any Development Agreement and/or any Franchise Agreement with Franchisor;
- iv. Franchisee is a New Franchisee (as defined below); and
- v. Franchisee (or alternatively, if Franchisee is an entity, a holder of at least a fifty-one percent (51%) ownership interest in Franchisee) is either a woman or a Minority (as defined below), and such individual or such holder will control the management and daily business operations of the Qualifying Restaurant.

B. Royalty Fee Reduction. In addition to the Initial Franchise Fee Reduction, for a period of six (6) months following the Opening Date of the Qualifying Restaurant meeting the requirements set forth in Section 1.A. above, Franchisee will pay a reduced Royalty for that Qualifying Restaurant in the amount of two percent (2%) of Gross Sales (the “Royalty Reduction”). Thereafter, the Royalty shall be five percent (5%) of Gross Sales as set forth in the Franchise Agreement.

C. Incentives Apply Only To One Qualifying Restaurant. For the avoidance of doubt, Franchisee acknowledges and agrees that if Franchisee (or alternatively, a holder of at least a fifty-one percent (51%) ownership interest in Franchisee) qualifies for the Initial Franchise Fee Reduction and the Royalty Reduction as described above, then such incentives shall only be applicable to the first (1st) Popeyes Restaurant (the Qualifying Restaurant described above) and shall not apply to any additional Popeyes Restaurant subsequently developed or operated by Franchisee or such interest holder.

D. Defined Terms. As used in this Addendum, the following terms shall have the applicable meanings:

- i. “New Franchisee” shall mean (a) an individual who has not previously owned a Popeyes Restaurant, or (b) an entity whose majority equity interest holders have not previously owned a Popeyes Restaurant.
- ii. “Qualifying Restaurant” shall mean a new Popeyes Restaurant developed on a site approved by Franchisor that is not an “Excluded Site.”
- iii. “Excluded Site” shall mean: (a) any site previously operated as a Popeyes Restaurant; and (b) any site for which site approval previously expired unless

such site will be developed and operated by a third party franchisee who is unrelated to the prospective developer who previously obtained site approval. An Excluded Site is not eligible for any development incentives under the Program.

iv. “Minority” shall mean a United States citizen presenting documentation from a federal or state certification body to establish at least twenty-five percent (25%) minimum origins as follows:

2. Compliance with Popeyes Development Procedures. With respect to each Popeyes Restaurant developed pursuant to the Program, Franchisee agrees to comply with Franchisor’s then current site submittal review and approval process.

3. Termination of Addendum.

A. This Addendum, and the development incentives offered pursuant to this Addendum, shall terminate following written notice to Franchisee upon the occurrence of any of the following events:

- i. Franchisee fails to open the Qualifying Restaurant by the Eighteen-Month Opening Date;
- ii. [The qualifying female or Minority owner][The qualifying veteran owner] transfers such individual’s interests in the qualifying franchise prior to the first anniversary of the Opening Date of the Qualifying Restaurant;
- iii. Franchisee fails to open any Popeyes Restaurant on or before the applicable date set forth in the applicable development schedule set forth in any Development Agreement or other agreement between Franchisor and Franchisee; or
- iv. From the date of this Addendum to the expiration of any period when Franchisee is paying a reduced Royalty Fee, Franchisee receives a written notice of default under any agreement with Franchisor (including, without

limitation, the Franchise Agreement and any Development Agreement) and fails to cure the default within the applicable cure period, if any.

- B. Effect of Termination. If this Addendum is terminated, Franchisee shall immediately: (i) pay to Franchisor an amount equal to the difference between Fifty Thousand Dollars (\$50,000) and the reduced Initial Franchise Fee(s) actually paid by Franchisee to Franchisor pursuant to Section 1 above; and (ii) begin paying to Franchisor a Royalty in the amount of five percent (5%) of Gross Sales as provided in the Franchise Agreement.
4. Capitalized Terms. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.
5. Limited Modification. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.
6. Counterparts. This Addendum may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original. Any signature by email or facsimile shall be binding.

[Signatures on Next Page]

By entering into this Addendum, Franchisee expressly consents to transact business with Franchisor electronically and that, consistent with the Uniform Electronic Transactions Act and all other applicable state and federal laws, this Addendum may be executed by electronic signatures. **TOP OPERATOR DIP ADDENDUM
TO THE POPEYES LOUISIANA KITCHEN FRANCHISE AGREEMENT**

**2023-2025 Top Operator
Development Incentive Program**

THIS TOP OPERATOR DIP ADDENDUM (this “Addendum”) to the Popeyes Louisiana Kitchen Franchise Agreement dated as of _____, 20____ (as at any time amended, the “Franchise Agreement”) is made as of _____, 20____, by and between Popeyes Louisiana Kitchen, Inc., a Minnesota corporation (“Franchisor”), and _____, a _____ (“Franchisee”).

RECITALS

Pursuant to the Franchise Agreement, Franchisor granted Franchisee the right to develop and operate a Popeyes Restaurant located at _____ and known as Restaurant No. _____ (the “Franchised Restaurant”).

In order to encourage the development of franchised Popeyes Restaurants by Franchisee who achieve and maintain a grade of “A” under the “Franchisee Success System” used by Franchisor to evaluate franchisee’s operational performance (as may be modified by Franchisor from time to time, “FSS”), Franchisor has implemented a 2023-2025 Top Operator Development Incentive Program (the “Program”).

In connection with the Program, Franchisee or an affiliate of Franchisee, entered into that certain 2023-2025 Top Operator DIP Addendum to [**Area Development Agreement (Non-Exclusive)**][**Development Agreement (Non-Exclusive)**][**Multiple Target Reservation Agreement**][**Target Reservation Agreement**] (the “Developer Addendum”) setting forth the terms and conditions upon which Franchisee’s Popeyes Restaurants shall be eligible to participate in the Program.

Since the development of the Franchised Restaurant meets the criteria for the Program, Franchisor and Franchisee are entering into this Addendum to provide the Program benefits to Franchisee and to modify certain provisions of the Franchise Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, agreements and obligations set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Initial Franchise Fee. Notwithstanding the provisions of Section 3.01.A. of the Franchise Agreement, the Initial Franchise Fee payable by Franchisee with respect to the Franchised Restaurant shall be calculated as follows:

- A. Prior to the opening of the Franchised Restaurant, Franchisee shall pay to Franchisor an Initial Franchise Fee in the amount of one-half (1/2) the amount set forth on the Key Contract Data page.

- B. If Franchisor determines that no Incentive Default (as such term is defined in the Developer Addendum) occurs with respect to the calendar year in which the Franchised Restaurant first opens, then Franchisee shall have no further obligation to pay Franchisor the second half of the Initial Franchise Fee due for the Franchised Restaurant.
- C. If Franchisor determines that an Incentive Default occurs with respect to the calendar year in which the Franchised Restaurant first opens, then the second half of the Initial Franchise Fee due for the Franchised Restaurant shall immediately become due and payable by Franchisee to Franchisor.

Solely in the event Franchisee has previously paid to Franchisor the full Initial Franchise Fee for Franchised Restaurant prior to the date of this Addendum and thereafter Franchisor determines that no Incentive Default occurs with respect to the calendar year in which the Franchised Restaurant first opens, then Franchisor shall provide Franchisee with a credit in the amount of one-half of the Initial Franchise Fee upon making such determination.

2. Advertising Contribution. Notwithstanding anything to the contrary contained in Section 3.02 of the Franchise Agreement, the Advertising Contribution amount payable by Franchisee with respect to the Franchised Restaurant shall be calculated as follows:

- A. Upon the initial opening of the Franchise Restaurant, Franchisee shall pay to Franchisor an Advertising Contribution in the amount set forth on the Key Contract Data page until December 31st of the calendar year in which the Franchised Restaurant first opens.
- B. If Franchisor determines that no Incentive Default occurs with respect to the calendar year in which the Franchised Restaurant opens, then, subject to the provisions of Section 2.D. below, commencing on January 1st of the calendar year immediately following the year in which the Franchised Restaurant opens, Franchisee shall pay to Franchisor an Advertising Contribution in a discounted amount equal to the Advertising Contribution amount set forth on the Key Contract Data page less three percent (3%) of weekly Gross Sales (the “Incentive Advertising Contribution Amount”) until the expiration of the Incentive Advertising Contribution Period (as such term is defined in the Developer Addendum)
- C. Upon the expiration of the Incentive Advertising Contribution Period, the Advertising Contribution payable by Franchisee to Franchisor for the Franchised Restaurant shall revert to the Advertising Contribution amount set forth on the Key Contract Data page for the remaining Term of the Franchise Agreement.
- D. Notwithstanding the foregoing, upon the occurrence of any Incentive Default prior to the expiration of the Incentive Advertising Contribution Period, Franchisor may, in its sole and absolute discretion upon written notice to Franchisee, elect to terminate the Incentive Advertising Contribution Period and charge Franchisee the Advertising Contribution amount set forth for on the Key Contract Data page for the remaining Term of the Franchise Agreement.

3. FSS DIP Grade Determination. Although each FSS Year (as such term is defined in the Developer Addendum) ends on December 31st, Franchisee acknowledges and agrees that, starting on January 1st of each FSS Year, Franchisor may elect, in its sole discretion, to charge Developer the Advertising Contribution amount set forth in the Key Data Contract Page of the Franchise Agreement until such time as Franchisor makes a final determination as to the FSS DIP Grade (as such term is defined in the Developer Addendum) for the immediately prior FSS Year. If, following such determination, Franchisor determines that no Incentive Default occurred with respect to the prior FSS Year, then (i) Franchisor shall provide Franchisee a credit against future Advertising Contributions for the incremental three percent (3%) of weekly Gross Sales collected by Franchisor during such portion of the Incentive Advertising Contribution Period prior to Franchisor's final determination of the FSS DIP Grade for the prior FSS Year, and (ii) starting with the week immediately following such final determination, Franchisor shall commence charging Franchisee the Incentive Advertising Contribution Amount. If, on the other hand, Franchisor elects to continue to collect the Incentive Advertising Contribution amount prior to making a final determination as to the FSS DIP Grade for the immediately prior FSS Year and thereafter determines that an Incentive Default occurred, Franchisor may invoice Franchisee for the incremental three (3%) of Gross Sales that should have been due and payable by Franchisee retroactive to January 1st of such FSS Year and Franchisee shall pay such amount upon receipt of such invoice.

4. Termination of Addendum.

A. This Addendum, and the development incentives offered pursuant to this Addendum, shall terminate following written notice to Franchisee upon the occurrence of any of the following events:

- i. Franchisee fails to open the Franchised Restaurant on or before the applicable date set forth in the applicable development schedule set forth in any Developer Addendum or other agreement between Franchisor and Franchisee; or
- ii. Franchisor determines, in its sole and absolute discretion, that any information collected from or provided by Franchisee, any of its affiliates, or any person acting on behalf of Franchisee or any of its affiliates, in connection with the calculation of any FSS grade is materially false or misleading; or
- iii. Franchisee or any Affiliate of Franchisee receives from Franchisor during the Incentive Advertising Contribution Period a written notice of default under any agreement with Franchisor (including, without limitation, this Franchise Agreement, any other franchise agreement or any development agreement or addenda thereto) and fails to cure the default within the applicable cure period, if any.

B. If this Addendum is terminated, Franchisee shall immediately: (i) pay to Franchisor the second-half of the Initial Franchise Fee actually paid by Franchisee to Franchisor pursuant to Section 1 above; and (ii) begin paying to Franchisor an Advertising

Contribution in the amount set forth on the Key Contract Data page of the Franchise Agreement.

5. Capitalized Terms. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement or the Developer Addendum, as applicable.
6. Limited Modification. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.
7. Counterparts. This Addendum may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original. Any signature by email or facsimile shall be binding.

[Signatures on Next Page.]

By entering into this Addendum, Franchisee expressly consents to transact business with Franchisor electronically and that, consistent with the Uniform Electronic Transactions Act and all other applicable state and federal laws, this Addendum may be executed by electronic signatures. The parties to this Addendum agree that (i) the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures, and (ii) an electronically signed version of this Addendum shall constitute an original for all purposes.

IN WITNESS WHEREOF, the parties have duly executed, sealed and delivered this Addendum as of the day and year first above written.

LEASE/SUBLEASE AGREEMENT

THIS AGREEMENT (the "Lease"), is made as of the Lease Date set forth on the Key Contract Data Page, by and between **POPEYES LOUISIANA KITCHEN, INC.**, a Minnesota corporation (the "Lessor") and the Lessee set forth on the Key Contract Data Page. The terms "Lessor" and "Lessee" shall mean respectively "Sublessor" and "Sublessee" whenever the context requires or permits it.

In consideration of the covenants contained in this Lease, the parties agree as follows:

I. PROPERTY LEASED

§1.1 DEMISE. Lessor leases to Lessee and Lessee leases from Lessor the property set forth on the Key Contract Data Page (the "Land") along with the POPEYES® restaurant (the "Building") and other improvements to be constructed on it (collectively called the "Premises").

The Premises shall also include and be subject to, and Lessee shall ensure compliance with, any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any.

§1.2 ERECTION OF BUILDING. Commencement of this Lease is conditioned on the completion of the Building in accordance with plans and specifications prepared by Lessor's architect. Lessor has agreed to construct or contract for the construction of the Building promptly and to complete or contract to complete it as promptly as conditions will permit, but in any event before one hundred eighty (180) days from the lease date; provided, however, that this period shall be extended by any time lost in construction due to delays caused by strike, lockout, acts of God, shortage of materials, or other conditions beyond the control of Lessor. In the event the Building is not completed within one (1) year from the date of this Lease, this Lease may be terminated at the option of either party, on fifteen (15) days' notice to the other party.

§1.3 COVENANT OF QUIET ENJOYMENT. The Lessor promises, subject to Lessee's performance of all of the terms and conditions of the Lease, that Lessee shall be entitled to the quiet and peaceful enjoyment and undisturbed possession of the Premises for the term of this Lease.

II. TERM

§2.1 TERM. The term of this Lease (the "Term") shall commence upon the Commencement Date set forth on the Key Contract Data Page and expire at midnight the Original Term Expiration Date set forth on the Key Contract Data Page unless sooner terminated as provided in this Lease. The Commencement Date shall be designated by the parties in a form capable of being recorded among the public records of the county where the Premises are located.

§2.2 POSSESSION. Possession of the Premises shall be delivered to the Lessee on the Commencement Date.

§2.3 HOLDOVER. Any holdover at the expiration of the Term with the written consent of Lessor shall be on a month-to-month basis, which tenancy may be terminated by Lessor giving Lessee not less than fifteen (15) days' notice. During such holdover tenancy, Lessee agrees to pay Lessor on a monthly basis all increased rentals and other charges that would have been due under this Lease and agrees to continue to be bound by all of the terms of this Lease which are applicable at that time. In the event Lessee holds over without consent of Lessor, the rent during any holdover period shall be double the average rent that was due during the last year of the Lease Term.

§2.4 END OF TERM.

- (a) **Fixtures and Personalty.** At the expiration or earlier termination of this Lease, any fixtures, as defined in Section 16.14(e) of this Lease, located on the Premises and not already owned by Lessor shall become the property of the Lessor. If, at that time, Lessee has fully complied with Lease terms and conditions, Lessor hereby waives any right to claim any personalty owned or leased by Lessee and located on the Premises. The personalty may then be removed by Lessee or the lessor of such personalty provided that the Premises are restored to their original condition. Any such personalty not removed within fifteen (15) days after the Lease expiration or termination shall be deemed abandoned and become the property of Lessor.
- (b) **Joint Inspection.** During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Lessor and Lessee shall conduct a joint inspection of the Premises and Lessor shall make a list of any items of repair and maintenance which may be needed to put the Premises in good condition and repair. If the items on such list cannot be completed by Lessee by the end of the Term, then Lessee shall pay to Lessor by the end of the Term the reasonable cost of such repairs as estimated by Lessor. Lessee's obligation to make such payment shall survive the termination of this Lease. Any failure by the parties to conduct the joint inspection shall not constitute a waiver of Lessee's obligations under this Section 2.4, and Section 5.2 of this Lease.

III. CONSIDERATION

§3.1 RENT. Lessee agrees to pay and Lessor agrees to accept the Guaranteed Minimum Annual Rental as indicated on the Key Contract Data Page, for each year of the Term of this Lease (such being hereinafter referred to as "Guaranteed Minimum Annual Rental"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Lease. The first monthly installment of the Guaranteed Minimum Annual Rental shall be due on the Commencement Date. If this Lease shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Lease Term shall be prorated.

*The term "Lease Year" shall mean and refer to the first consecutive twelve (12) month period beginning on the Commencement Date of the Lease and each succeeding twelve (12) month period thereafter, whether fiscal or annual.

§3.2 PERCENTAGE RENTAL.

- (a) **Percentage Rental.** In addition to the Guaranteed Minimum Annual Rental, and as part of the total rent to be paid by Lessee to Lessor during the Lease Term, Lessee covenants and agrees to pay to Lessor as percentage rental ("Percentage Rental"), a sum equal to a percentage (as set forth as the Percentage Rental Data Schedule on the Key Contract Data Page) of the "Gross Sales" (defined in Section 3.2(b) below) for each month of each Lease Year in excess of the monthly installment of the Guaranteed Minimum Annual Rental to be paid for such month. The Percentage Rental shall be payable in monthly installments and computed in accordance with the terms and conditions of Section 3.2 (a) (i) below.
- (i) **Monthly Accounting and Payment.** Beginning with the tenth (10th) day of the month following the calendar month in which the Term commences and continuing monthly thereafter, Lessee shall deliver to Lessor a statement in writing on a form furnished by the Lessor, setting forth all of the Gross Sales for the preceding calendar month, and simultaneously upon submission of such statement, Lessee shall pay to the Lessor the Percentage Rental due, being an amount equal to the

amount set forth on the Key Contract Data Page, less the monthly installment of Guaranteed Minimum Annual Rental paid by Lessee for the month in question; provided that in no event shall Lessee ever become liable to pay less than the monthly installment of Guaranteed Minimum Annual Rental for any such month.

- (ii) Annual Accounting. Within thirty (30) days following each Lease Year, the Lessee agrees to deliver to Lessor a statement prepared by a Certified Public Accountant and sworn to by Lessee setting forth Gross Sales for the preceding Lease Year.

- (b) Gross Sales. The term "Gross Sales" as used in this Lease includes all sums charged for goods, merchandise or services sold at or from the Premises including all promotional items or premiums unless exempted by Lessor. The sale of POPEYES products away from the Premises is not authorized; however, should any such sales be approved in the future, they will be included within the definition of Gross Sales. Gross Sales excludes any federal, state, county or city sales tax, excise tax, or other similar taxes collected by Lessee from customers based upon sales, and cash received as payment in credit transactions where the extension of credit itself has already been included in the figure upon which any previous Percentage Rental has been computed.

The Guaranteed Minimum Annual Rental and the Percentage Rental shall sometimes hereinafter be referred to collectively as the "Rent."

§3.3 FINANCIAL REPORTS

- (a) Financial Statements. During the Term of this Lease, Lessee and any other persons or entities who are guarantors, who have personal liability, or who have joint and several liability under this Lease ("Guarantors") shall deliver to Lessor the following financial statements:

As to Lessee:

- (i) Within ninety (90) days after the end of each fiscal year of Lessee, balance sheets as of the end of such year and statements of income and of changes in financial condition for such year;

- (ii) Within twenty-five (25) days after the end of each fiscal quarter of Lessee, balance sheets as of the end of such quarter, and statements of income and changes in financial condition for such fiscal quarter and for the current fiscal year to the end of such fiscal quarter;

As to Guarantor:

- (iii) Within ninety (90) days after the end of each fiscal year of Guarantors, a personal net worth statement and a copy of the most recent federal income tax return filed as to each individual Guarantor;

As to Lessee and Guarantors:

- (iv) The balance sheets and financial statements referred to in subparagraphs (i), (ii), and (iii) above shall be prepared in accordance with generally accepted accounting principles consistently applied (except as noted), and be accompanied by certificates of the Lessee and each Guarantor or the chief financial officer of the Lessee and each Guarantor, as the case may be, stating that such financial statements have been prepared in accordance with generally accepted accounting

principles consistently applied (except as noted) and fairly present the financial condition of the Lessee or each Guarantor at the date thereof and for the periods covered thereby.

- (v) If requested by Lessor, the balance sheets and financial statements referred to in subparagraphs (i) and (ii) above shall be certified by a Certified Public Accountant.
- (b) Release of Financial Information. Lessee and Guarantors give permission to Lessor to release to Lessor's landlord, lenders or prospective landlord or lenders and/or any prospective purchaser of all or part of Lessor's interest in the Premises and/or the Lease, any financial and operational information relating to Lessee, Guarantors and/or the business operated at the Premises.
- (c) Records and Audit. Lessee agrees to keep true, accurate and complete records of the business conducted at the Premises in such form as Lessor now or hereafter may require. Lessee shall retain for a period of at least twenty-four (24) months and upon request submit to Lessor copies of all state sales tax returns and all supporting data and records relating to sales made from the business operated at the Premises and such other records as Lessor may reasonably request from time to time. Lessee agrees that Lessor or its representatives, at Lessor's expense, shall at all reasonable times have the right to examine or audit the books, records, state sales tax returns or accounts of Lessee. Lessor shall similarly have the right to examine or audit the books, records, state sales tax returns or accounts of any and all Guarantors. In the event the audit discloses an understatement of Gross Sales for any period or periods, Lessee shall, within fifteen (15) days after the receipt of the audit report, pay Lessor the Percentage Rental of the amount of each understatement plus the late charge identified in Section 3.6 of this Lease from the date such payments were originally due. Additionally, if this audit discloses an understatement of Gross Sales which exceeds two percent (2%) for any period or periods, Lessee shall, within fifteen (15) days after receipt of the audit report, reimburse Lessor for all costs of the audit including travel, lodging and wages, reasonably incurred, and Lessor may terminate this Lease upon five (5) days' notice to Lessee unless the understatement was due to inadvertent clerical error. In the event the audit discloses an overstatement of Gross Sales for any period or periods, any excess payment paid shall be allowed as a credit to Lessee on the rental payment next accruing under the Lease. The acceptance by the Lessor of payment of any Percentage Rental is without prejudice to Lessor's right to audit the books and records of Gross Sales and other papers required to be kept hereunder.

§3.4 ADDITIONAL CHARGES. Lessee and Lessor agree that the Rent accruing under this Lease shall be net to Lessor and that all Charges (as hereinafter defined), taxes, costs, common area maintenance fees, expenses and charges of every kind and nature ("Additional Charges") relating to the Premises (except the taxes of Lessor referred to in Section 6.3 and any payments for interest or principal under any mortgage relating to the Premises) which may arise or become due during the Term or any extension of this Lease, shall be paid by Lessee, and that Lessee shall indemnify and save harmless Lessor from and against them. All Additional Charges which Lessee assumes or agrees to pay under any provisions of this Lease, together with all interest and penalties that may accrue on these Additional Charges in the event Lessee fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs which Lessor may incur in enforcing this Lease, and any and all other sums which may become due by reason of Lessee's default or failure to comply with its obligations under this Lease, shall be deemed to be "Additional Rent." In the event of non-payment, Lessor shall have all the rights and remedies as provided in the case of non-payment of Rent.

§3.5 ALTERNATIVE METHOD OF PAYMENT. Lessor or its assigns, mortgagee or designated agent, may, at its/their option, require payment of (i) the Rent and/or (ii) the monthly escrow sums described in Section 6.4 of the Lease and/or (iii) if applicable, any common area maintenance or similar charge assessed

pursuant to the Lease and/or (iv) any Additional Charges due pursuant to Section 3.4 of this Lease by making direct monthly withdrawals in the appropriate amount(s) from Lessee's bank account. In the event that this option is exercised, Lessee agrees to execute and deliver to its bank and to Lessor those documents necessary to authorize such withdrawals and to make payment or deposit as directed by Lessor. Lessee further agrees that it will not thereafter terminate such authorization so long as this Lease is in effect. Lessee also agrees that in the event that a direct monthly withdrawal program is not available at the bank at which Lessee then does its business, it will take all reasonable and necessary steps to establish an account at a bank which does have such a program.

§3.6 LATE CHARGES. All Rent, Additional Charges and any other charges shall be paid to Lessor without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Lease. All payments not paid when due shall bear interest at the maximum rate allowed by Florida law. In the event such interest rate shall be void or unenforceable under the laws of the jurisdiction where the Premises are located, the highest rate of interest permitted within such jurisdiction shall be charged.

§3.7 LESSOR'S LIEN. To secure the payment of all Rent, Additional Charges and Charges or any other sums due and to become due under this Lease, the faithful performance of this Lease by Lessee and to secure all other indebtedness and liabilities of Lessee to Lessor now existing or hereafter incurred, Lessee hereby grants to Lessor a lien and security interest on all furniture, furnishings, trade fixtures, equipment and other personal property (collectively, "**Personal Property**") to which Lessee has legal title and which is placed in the Premises. The Lessee further agrees that if Lessee vacates the Premises while any Rent or Additional Charges owing under this Lease is unpaid, Lessor, in addition to any remedy otherwise provided by law or in this Lease, may seize and sell the Personal Property at any place to which Lessee or any other person may have removed them in the same manner as if the Personal Property had remained at the Premises. If requested by Lessor, Lessee shall execute and deliver to Lessor any and all documentation necessary to evidence Lessor's lien on the Personal Property.

IV. INSURANCE

§4.1 COVERAGE. During the Term, Lessee, at its own cost and expense, shall:

- (a) Keep the Premises and the fixtures and personalty on it insured with an all risk property insurance policy (including business interruption coverage with an indemnity period of at least 12 months) in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Such replacement cost shall be determined from time to time at the request of Lessor, but not more frequently than once in any twelve (12) consecutive calendar months. Replacement cost shall be determined by one of the insurers or, at the option of Lessor, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Lessor and Lessee, and whom shall be retained and paid by Lessee. Such insurance shall name Lessor and any other entity that Lessor acting reasonably requests as a loss payee as its interest may appear and shall include a waiver of subrogation in favor of Lessor and any other loss payee.
- (b) Provide and keep in force:
 - (i) commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises or the adjoining streets and property, in a primary and excess limit of not less than \$5,000,000 per occurrence for bodily injury, death, personal injury, property damage, non-owned automobile, blanket contractual and products and completed operations liability, with the annual aggregate liability limit to be maintained on the commercial general liability insurance (which can be achieved through a combination of primary and excess annual aggregate liability limits) based on the number of POPEYES®

restaurants owned by Lessee and certain of its affiliates as follows: (1) for 1-10 restaurants, an annual aggregate liability limit of not less than \$5,000,000 per year, (2) for 11-50 restaurants, an annual aggregate liability limit of not less than \$10,000,000 per year, and (3) for more than 50 restaurants, an annual aggregate liability limit of not less than \$20,000,000 per year;

- (ii) automobile liability insurance on all owned and/or leased vehicles, with a combination of primary and excess limits of not less than \$1,000,000.00;
- (iii) broad form Boiler and Machinery insurance covering all boilers, pressure vessels and HVAC equipment within the Premises in an amount not less than the full replacement cost thereof; and
- (iv) such other insurance and in such amounts as reasonably may be required by Lessor for its own and Lessee's protection.

The foregoing policies shall name Lessor and any other entity that Lessor acting reasonably requests as an additional insured and shall include a waiver of subrogation in favor of PLK and any other loss payee.

- (c) Provide and keep in force plate glass insurance covering the glass in the Premises, unless waived by Lessor.
- (d) If requested by Lessor, provide and keep in force rent insurance (and/or, as the case may require, use and occupancy insurance) in an amount not less than the then current Guaranteed Minimum Annual Rental plus the estimated annual taxes, water charges, sewer rents, common area maintenance and other assessments and the annual premiums for the insurance required by this Article.
- (e) If requested by Lessor or any mortgagee, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.

§4.2 POLICIES. Lessee's obligation to obtain and maintain the foregoing policy or policies in the amounts specified shall not be limited in any way by reason of any insurance which may be maintained by Lessor. All insurance maintained by Lessee shall be primary and shall not call into contribution any insurance maintained by Lessor. All insurance required by Lessor and provided by Lessee shall be carried in favor of Lessor and Lessee, as their respective interests may appear, and any underlying lessor, fee owner, affiliate corporation, trustee, mortgagee or other person designated by Lessor. If requested by Lessor, insurance against fire or other casualty shall provide that the proceeds of any loss shall be payable to the mortgagee under a standard mortgagee clause. Any rent insurance or use and occupancy insurance carried by Lessee shall provide that, in the event of loss or damage to the Premises, the proceeds shall be payable to Lessor to be held by Lessor as security for the payment of the Rent and Additional Charges due under this Lease until the Premises are restored. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and be with insurers with a minimum A. M. Best A(X) rating or Standard & Poor's Rating of A. Lessee shall procure policies for all insurance for periods of not less than one year and shall deliver to Lessor all policies or certificates of insurance with evidence of payment of all premiums. Lessee shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' notice by registered mail to Lessor of any cancellation or change affecting Lessor's coverage under the policies. All property damage and business interruption policies of Lessee shall contain a waiver of any subrogation rights which Lessee's insurers may have against Lessor, even if the loss suffered is caused by the act, omission or negligence of Lessor.

§4.3 ADJUSTING: PROCEEDS. Claims for loss due to damage to the Premises under any policies provided for in this Lease shall be adjusted with the insurance companies:

- (a) by Lessee in the case of any particular casualty resulting in damage or destruction not exceeding \$25,000, or
- (b) by Lessor and Lessee, in the case of any particular casualty resulting in damage or destruction exceeding \$25,000 in the aggregate. Subject to the rights of any mortgagee, the proceeds of any insurance shall be payable as follows:
 - (1) With respect to any loss not exceeding \$25,000 in the aggregate, proceeds shall be paid to Lessee, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and
 - (2) With respect to losses exceeding \$25,000 in the aggregate, the proceeds shall be paid to Lessor and shall be applied to pay the costs of repair and restoration.

§4.4 JOINT EFFORTS. Lessee and Lessor shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Lessee shall execute and deliver to Lessor such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.

§4.5 WAIVER OF SUBROGATION. Lessee agrees to look solely to the proceeds of his own insurer for indemnity against exposure for loss of property or business interruption. Lessee warrants that its property and business interruption insurers shall have no rights against Lessor by virtue of assignment, subrogation, loan agreement or otherwise.

§4.6 CANCELLATION OF INSURANCE. If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Lessee fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within forty-eight (48) hours after notice thereof by Lessor, Lessor may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so (in which case the provisions of Article VIII shall apply) or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Lessee shall forthwith pay the cost thereof to Lessor (which cost may be collected by Lessor as Additional Rent) and Lessor shall not be liable for any damage or injury caused to any property of Lessee or of others located on the Premises as a result of any such entry.

§4.7 LOSS AND DAMAGE. Lessor shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personalty or other property of Lessee or of others by theft or otherwise, from any cause whatsoever. Without limiting the generality of the foregoing, Lessor shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever. Lessor shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personalty or any other property of Lessee kept or stored on the Premises shall be kept or stored at the risk of Lessee.

V. THE PREMISES

§5.1 USE AND SERVICES. During the Term of this Lease, Lessee shall continuously operate a POPEYES restaurant on the Premises in accordance with the terms of the POPEYES Franchise Agreement entered into by Lessee contemporaneously with this Lease (the "Franchise Agreement"), unless Lessee is

prevented from doing so due to acts of God or other causes beyond Lessee's control. The Premises shall not be used for any other purpose. Lessee shall not use in connection with the operation of or as additional parking for its business on the Premises any property other than the Premises, except in accordance with the provisions of Article XIII of this Lease.

Except as may be otherwise specifically provided by the terms of this Lease or the Franchise Agreement, Lessor shall not be required to furnish to Lessee any facilities or services of any kind whatsoever, such as, but not limited to water, sewer, steam, heat, gas, hot water, electricity, light and power.

§5.2 REPAIRS AND MAINTENANCE. Lessee shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personalty located on it in first-class order and condition, and subject to all applicable terms of Section 5.3 and Section 5.8, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called "Repairs"), and shall use all reasonable precaution to prevent waste, damage or injury. Lessee shall also put, keep and maintain in good repair and free from dirt, snow, ice, rubbish and other obstructions or encumbrances, the sidewalks, parking areas, yards, plantings, gutters and curbs in front of and adjacent to the Building.

In the event that Lessee fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Lessor or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All costs and expenses incurred as a consequence of Lessor's action together with a service charge of fifteen percent (15%) thereof shall be repaid by Lessee to Lessor within fifteen (15) days after Lessee receives copies of receipts showing payment by Lessor for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Lessor. Except in the case of emergency, Lessor shall give Lessee ten (10) days' notice before taking any such action. If Lessee fails to pay any such amounts due to Lessor under this Section 5.2, Lessor may add the same to Lessee's "Rent" and recover the same by all remedies available to Lessor for recovery of Rent in arrears.

§5.3 ALTERATIONS. Lessee agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Lessor from time to time in order to modify the appearance of the Building to reflect the then current image of POPEYES restaurants.

Lessee shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called "Alterations") in or to the interior or exterior of the Premises without the prior written consent of Lessor. In the event consent is given:

- (a) the Alterations shall be performed in a first class workmanlike manner at Lessee's sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;
- (b) the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Lessor;
- (c) before the commencement of work on any Alterations, such plans and specifications shall be approved by all governmental authorities having jurisdiction and any public utility company having an interest in the Alterations;
- (d) before the commencement of any Alterations, Lessee shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;

- (e) if the estimated cost of the Alteration exceeds \$50,000.00, Lessee shall furnish to Lessor a surety bond of a company acceptable to Lessor, in an amount equal to the estimated cost of such work, or other security satisfactory to Lessor, guaranteeing the completion of such work, free and clear of all liens and encumbrances;
- (f) the Alterations shall comply with (i) the requirements of Title III of the Americans With Disabilities Act of 1990 ("ADA") as same may be amended from time to time; (ii) the Americans With Disabilities Act Accessibility Guidelines 1991 ("ADAAG") as same may be amended from time to time which is a part of the ADA; (iii) the 2010 ADA Standards; and (iv) all state and local building codes including any disabilities related statutes or codes (collectively, the "Codes") in the applicable jurisdiction where the Premises are located; and
- (g) upon completion of the Alterations, an architect shall inspect the Alterations and complete the POPEYES® ADAAG Checklist, and complete a certificate of inspection, on a form to be provided by Lessor, certifying that the Alterations are in compliance with Title III of the ADA, the ADAAG, the 2010 ADA Standards and the Codes, as same may be amended from time to time.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Lessor. All personalty installed by Lessee (except signs, trademarks and other insignia of Lessor) shall remain the property of Lessee.

Notwithstanding the foregoing, if requested by Lessor, the Lessee will remove from the Premises any or all alterations, additions, and improvements, brought upon or affixed to the Premises and make good any damage caused thereby.

§5.4 LIENS. Should Lessee cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Lessor nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Lessee's expense. If, because of any act or omission of Lessee, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Lessor, Lessee shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within fifteen (15) days after filing or notice of filing thereof. In the event that the Lessee fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of the Lessor, the Lessor may, at its option, cancel or discharge such lien, charge or order by paying the amount claimed to be due into court or directly to any claimant, without inquiring into the validity or merits of such lien, charge or order, and the amount so paid by Lessor and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from the Lessee to the Lessor as an additional charge payable on demand.

§5.5 SIGNS. Lessee shall not place any signs or symbols on any portion of the Premises without the prior written approval of Lessor.

§5.6 INSPECTION. Fee owner, Lessor or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition.

§5.7 LICENSE AND LAWS. The Lessee shall, at its own cost and expense, obtain all necessary licenses and/or permits which may be required for the conduct of its business; and Lessee shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "Regulations") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Lessee's business. By way of example, and

not limitation, compliance with governmental Regulations shall include, but not be limited to, the following: (i) alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990 and (ii) testing, remediation or abatement of environmental conditions (defined as conditions affecting the air, soil, ground water and improvements) affecting the Premises or property adjacent to or near the Premises, if so required by governmental authority. Lessee may contest in good faith, after notice to Lessor, by appropriate proceedings conducted promptly at Lessee's own expense, in Lessee's name (and/or whenever necessary and with Lessor's consent, in Lessor's name), the validity or enforcement of any such regulation; provided that (i) such contest or any associated deferment of payment does not subject Lessor to a fine or other criminal liability, or subject the Premises to any encumbrance, (ii) Lessee diligently prosecutes such contest to a final determination by the governing authority, and (iii) Lessee furnishes Lessor with any security that Lessor may reasonably request in connection with such contest.

§5.8 DAMAGE OR DESTRUCTION. If, during the Term, the Premises or the personalty or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Lessee shall give Lessor immediate notice, and Lessee, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same ("Restoration"), subject to Section 5.2 and Section 5.3 of this Lease. The restored building, personalty or fixtures shall reflect the then current image of POPEYES restaurants and conform to the then current design and specifications of Lessor. Lessor shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personalty, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Lease.

All insurance proceeds received by Lessor or by any insurance trustee on account of such damage or destruction, less the actual cost, fees and expenses, if any, incurred in connection with adjustment of the loss, shall be applied by Lessor to pay or reimburse Lessee for the payment of the cost of the Restoration, including the cost of temporary repairs or for the protection of property pending the completion of permanent Restoration, and shall be paid out from time to time as Restoration progresses upon the written request of Lessee, accompanied by evidence satisfactory to Lessor that:

- (a)
 - (1) the sum then requested either has been paid by Lessee or is justly due to contractors, subcontractors, materialmen, or other persons who have rendered services or furnished materials for the Restoration pursuant to a certificate or claim for payment ("Certificate"), and that the sum then requested does not exceed the amount of the services and materials described in the Certificate;
 - (2) except for the amount, if any, stated in the Certificate to be due for services or materials, there is no outstanding indebtedness known to the persons signing such Certificate, after due inquiry, which is then due for labor, wages, materials, supplies, or services in connection with the Restoration;
 - (3) the cost of the Restoration required to be done does not exceed the insurance proceeds, and
- (b) that there have not been filed against the Premises any vendors, contractor's, mechanic's, laborers or materialman's statutory or similar lien ("Liens") which has not been discharged of record, except those that will be discharged upon payment of the sum requested in the Certificate, or bonded or contested in accordance with Section 5.4.

Upon compliance with the above provisions, Lessor or the insurance trustee shall, out of such insurance proceeds and such other funds as may have been made available, pay or cause to be paid to Lessee or its designee, the respective amounts due.

If the insurance proceeds and other funds deposited with Lessor or the insurance trustee, less the actual cost, fees and expenses, if any, incurred in connection with the adjustment

of the loss, are insufficient to pay the entire cost of the Restoration, Lessee will pay the deficiency.

At least ten (10) days before the commencement of Restoration, Lessee shall notify Lessor of its intention to restore the Premises. During Restoration, this Lease shall not terminate, nor shall the Rent and the Additional Charges payable under this Lease be abated or be affected in any manner.

§5.9 WARRANTIES: DISCLAIMER. Lessor shall provide Lessee with the benefit of any warranties provided by the building contractor. Lessor expressly disclaims any other warranty, either express or implied, and Lessee acknowledges that neither Lessor nor its agents have made any representations or promises with respect to the Premises except as expressly set forth in this Lease, and no rights, easements or licenses are acquired by Lessee by implication or otherwise except as expressly set forth herein. The taking of possession of the Premises by Lessee shall be conclusive evidence that the Lessee has accepted the Premises "AS IS," including any latent or patent defects. Lessee acknowledges that Lessee is relying on its own independent inspection. Lessor agrees to cooperate with and assist Lessee in asserting claims against contractors or others providing work and/or services to the Premises.

§5.10 CONTRACTS. Lessee shall not without Lessor's consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Lessor in the event that this Lease is terminated or expires. Lessee shall furnish Lessor with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

§5.11 REFUSE. Lessee shall not allow any refuse, garbage or other loose or objectionable materials to accumulate on or about the Premises, will at all times keep the Premises in a clean and wholesome condition, and shall be responsible for the removal of all garbage or loose or objectionable materials emanating from the Premises. Lessee shall not dispose of any trash or garbage in or about the Premises except for in areas provided therefor by Lessor.

§5.12 LOADING AND UNLOADING. Lessee shall take all reasonable precautions to ensure that loading and unloading of merchandise, supplies, materials or chattels shall be made only through or by means of doorways and openings designated by Lessor.

§5.13 CONDUCT AND HOURS OF OPERATION. Lessee covenants to operate and conduct its business in a high-class and reputable manner and to conduct its business in the Premises during such hours as set out in the Franchise Agreement.

§5.14 HEAT. Lessee covenants to heat the Premises so as, at all times, to protect the Premises and all of its contents from damage by cold or frost.

VI. TAXES AND OTHER CHARGES

§6.1 PAYMENT.

- (a) In the event Lessor elects, at its sole option, to pay any real estate taxes and assessments (both general and special), goods and service taxes, sales taxes, value added taxes, business transfer taxes, any other taxes imposed on Lessor with respect to rent payable by Lessee to Lessor or in respect of the rental of space under this Lease, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever (collectively, the "Charges") which are payable in connection with the ownership, occupancy or possession of the

Premises, Lessee shall reimburse Lessor within fifteen (15) days after Lessee receives an invoice for the payment of such Charges.

- (b) In the event Lessor elects not to pay the Charges as set forth in the preceding paragraph, Lessee shall pay on or before the last day on which payment may be made without penalty or interest, all Charges which may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personalty on it, or any Charges which may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Lessor's request, Lessee shall exhibit to Lessor satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Lease commences and terminates shall be apportioned.

§6.2 CONTESTS. Lessee has the right to promptly contest or review any of the Charges by appropriate proceedings ("Proceedings") at its own expense, and if necessary, with the prior written consent of Lessor, in the name of Lessor. Lessee may defer payment of a contested Charge only if, before instituting any Proceedings, Lessee furnishes to Lessor security satisfactory to Lessor and sufficient to cover the amount of each contested Charge, with interest and penalties for the period which the Proceedings may be expected to take. Notwithstanding the furnishing of security (other than a cash deposit), Lessee shall promptly pay each contested Charge if, at any time, the Premises or any part of it are in danger of being sold, forfeited or otherwise lost or Lessor becomes subject to criminal or any other liability for such non-payment, provided that in that event, if Lessee has made a cash deposit to Lessor, Lessor may pay each contested Charge out of the deposit. When any contested Charge is paid or canceled, any balance of any cash deposit not so applied shall be repaid to Lessee without interest. All Proceedings shall be begun as soon as possible after the imposition or assessment of any contested item and shall be diligently prosecuted to final adjudication. If there is any refund with respect to any contested Charge based on a payment by Lessee, Lessee shall be entitled to it to the extent of such payment.

§6.3 LIMITATION: SUBSTITUTION. Nothing contained in this Lease shall be construed to require Lessee to pay any inheritance, estate, succession, transfer, gift, franchise, corporation, income or profit tax, or capital levy that is or may be imposed upon Lessor, its successors or assigns; provided, however, that if at any time during the Term of this Lease the methods of taxation prevailing at the Commencement Date are altered so that in lieu of or as a substitute for the whole or any part of the taxes, assessments, levies, impositions or charges (collectively "Assessments") now levied, assessed or imposed ("Imposed") on real estate and improvements thereon, there is Imposed

- (1) an Assessment made wholly or partially as a capital levy, or
- (2) an Assessment measured by or based in whole or in part on the Premises, or
- (3) a license fee measured by the Rent payable by Lessee under this Lease,

then to the extent that such Assessments or portion thereof would be payable if the Premises were the only asset of Lessor subject to the Assessments, Lessee shall pay these Assessments in the same manner as provided in this Lease for payment of real estate taxes.

§6.4 ESCROW FUNDS. If, during the Term of this Lease, Lessor or any mortgagee requests Lessee to provide an escrow fund for payment of real estate taxes, Lessee agrees that upon such request it will promptly deposit with Lessor or its designated mortgagee, for each month or portion thereof since the due date of the previous tax bill, one-twelfth (1/12) of the latest year's tax obligation (the "Monthly Escrow Sum"), and that it will continue to deposit the Monthly Escrow Sum on the first day of each subsequent month, so that as each installment of real estate taxes becomes due and payable, Lessee will have deposited a sum sufficient to pay it. All of these deposits (the "Escrow Funds") shall be received and held in trust; provided, however, that unless otherwise required by law, Lessor or its designated mortgagee shall not be required

to maintain the Escrow Funds in a segregated account nor invest them in interest bearing accounts or securities nor pay any interest on them. When the real estate taxes become due and payable, Lessor or its mortgagee shall promptly pay them from the Escrow Funds and shall promptly forward to Lessee receipts or other satisfactory evidence of payment. In the event that the amount of the real estate taxes assessed or Imposed against the Premises has not been fixed at the time when any Monthly Escrow Sum is due, the Monthly Escrow Sum shall be one-twelfth (1/12) of the amount of real estate taxes assessed or Imposed against the Premises for the preceding year, subject to adjustment when the actual amount of the real estate taxes is ascertained. If required by Lessor or any mortgagee, the provisions of this Section 6.4 shall be applicable to any Additional Charges due under this Lease.

VII. INDEMNIFICATION

Lessee shall indemnify, defend with counsel reasonably acceptable to Lessor and save Lessor harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Lessee to perform any of its obligations under this Lease, (b) any accident, injury or damage which occurs in or about the Premises, however occurring, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Lessee of any imposed tax, Assessment, or other Charges, or (e) any other matter arising from or relating to Lessee's occupation of the Premises.

VIII. ENFORCEMENT

§8.1 DEFAULT. Each of the following events is a default and a breach of this Lease by Lessee:

- (a) If Lessee files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency, or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;
- (b) If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Lessee or if a receiver or trustee is appointed of all or substantially all of the property of Lessee and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;
- (c) If Lessee vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;
- (d) If this Lease or the estate of Lessee hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Lease;
- (e) If Lessee fails to pay Lessor any installment of the Rent or Additional Charges, or fails to make any other payment required herein, when it becomes due and payable and fails to make such payment within ten (10) days after notice thereof by Lessor to Lessee;
- (f) If Lessee fails to perform any of its nonmonetary obligations under this Lease and such non-performance continues for a period within which performance is required to be made by specific provision of this Lease or, if no such period is provided, for a period of thirty (30)

days after notice thereof by Lessor to Lessee; or, if such performance cannot be reasonably had within such thirty day period, Lessee has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;

- (g) If the Lessee or any agent of Lessee falsifies any report required to be furnished to Lessor pursuant to the terms of this Lease and fails to notify Lessor of such falsification within sixty (60) days of submission of such report.
- (h) Repeated breaches of provisions of this Lease. If PLK intends to terminate this Lease under this Section 8.1.(h), PLK shall provide notice to Lessee that PLK considers the Lessee to have repeatedly breached this Lease, and that PLK intends to terminate this Lease if Lessee breaches the Lease at any time after said notice. If Lessee after receiving such notice subsequently breaches this Lease in any manner, PLK shall have the right to terminate this Lease upon notice with no further opportunity to cure.
- (i) Failure by Lessee to comply with any provisions of the Franchise Agreement relating to the Premises.

In the event of a default under this Section 8.1, Lessor shall have such remedies as are provided under this Lease and/or under applicable law.

§8.2 CURE BY LESSOR. After expiration of the applicable period of notice, or without notice in the event of any emergency, Lessor at its option may, but shall not be obligated to, make any payment required of Lessee or perform any obligation of Lessee, and the amount Lessor pays, or the cost of its performance, together with interest thereon at the highest legal rate permitted, shall be deemed to be an additional charge payable by Lessee on demand. Lessor shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Lessor shall be deemed to waive or release Lessee's default or the right of Lessor to take such action as may be otherwise permissible in the case of default. The Lessor shall have no liability to the Lessee for any loss or damages resulting from any such action by the Lessor, and entry by the Lessor under the provisions of Article V or Article VIII shall not constitute breach of the covenant for quiet enjoyment or an eviction.

§8.3 LESSOR'S REMEDIES. If Lessee is in default under this Lease, Lessor may, at its option, in addition to such other remedies as may be available under applicable law:

- (a) terminate this Lease and Lessee's right of possession, and retake possession for Lessor's account. In such event, Lessor may repair and alter the Premises in any manner as Lessor deems reasonably necessary or advisable. All expenses of every nature which Lessor may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Lessee to Lessor, or
- (b) terminate Lessee's right of possession, but not this Lease, retake possession of the Premises for the Lessee's account, repair, and alter the Premises in any manner as Lessor deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Lessee, for the whole or any part of the remainder of the Term or for a longer period, and Lessor may grant concessions or free rent or charge a higher rental than that reserved in this Lease. Out of any rent collected or received from subtenants or as a result of such letting or reletting, Lessor shall first pay to itself all expenses of every nature which Lessor may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Lessor shall pay to itself any balance remaining on account of the liability of Lessee for the sum equal to all Rent, Additional Rent and other Additional

Charges due from Lessee through the Original Term Expiration Date. Should Lessor, pursuant to this Section 8.3, not collect rent which, after deductions is sufficient to fully pay to Lessor a sum equal to all Rent, Additional Rent and other Additional Charges payable through the Original Term Expiration Date, the balance or deficiency shall, at the election of Lessor, be paid by Lessee on the first of each month; or

- (c) stand by and do nothing, and hold the Lessee liable for all Rent, Additional Rent and other Additional Charges payable under this Lease through the Original Term Expiration Date.

If Lessor does not notify Lessee which remedy it is pursuing, or if Lessor's notice to Lessee does not expressly state that Lessor is exercising its remedies under Section 8.3(a) or Section 8.3(c), then it shall be deemed that Lessor is pursuing the remedy set forth in Section 8.3(b). If Lessor exercises option (a) or (b) above, Lessee agrees to immediately peacefully surrender the Premises to Lessor, and if Lessee refuses to do so, Lessor may without further notice reenter the Premises either by force or otherwise and dispossess Lessee by summary proceedings or otherwise, as well as the legal representative(s) of Lessee and/or other occupant(s) of the Premises, and remove their effects.

§8.4 ACCELERATION. If Lessor exercises the remedies in Section 8.3(b) or (c) of this Lease, Lessee shall immediately pay to Lessor as damages for loss of the bargain caused by Lessee's default, and not as a penalty, in addition to any other damages, an aggregate sum which represents the present value of the full amount of the Rent, Additional Rent and all other Additional Charges payable by Lessee hereunder that would have accrued for the balance of the Term. If Lessor exercises the remedy in Section 8.3(b) of this Lease, Lessor shall account to Lessee at the Original Term Expiration Date for amounts actually collected by Lessor as a result of a reletting, net of amounts to be paid to Lessor under Section 8.3(b) of this Lease.

§8.5 SUITS. Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Rent, Additional Rent or any other charge due under this Lease may be brought by Lessor at any time or, at Lessor's election, from time to time, and nothing in this Lease shall be deemed to require Lessor to wait until the Original Term Expiration Date to bring suit.

§8.6 WAIVER. Lessee hereby expressly waives service of any notice of intention to reenter. Lessee hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Lease as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of moneys by Lessor from Lessee after the cancellation or termination of the Lease shall reinstate, continue or extend the Lease, or affect any prior notice given to Lessee or operate as a waiver of the right of Lessor to enforce the payment of Rent and Additional Rent then due or subsequently falling due, or operate as a waiver of the right of Lessor to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of the Lessor, on account of Lessee's liability under this Lease.

§8.7 PROOF OF CLAIM. Nothing in this Article shall limit or prejudice the right of Lessor to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.

§8.8 INJUNCTION. In the event of a breach or a threatened breach by Lessee of any of its Lease obligations, Lessor shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Lease.

§8.9 INDEPENDENT RIGHTS. The rights and remedies of Lessor are distinct, separate and cumulative, and no one of them, whether or not exercised by Lessor, shall be deemed to be to the exclusion of any of the others.

§8.10 NON-WAIVER. The failure of Lessor to insist upon strict performance of any of Lessee's obligations under this Lease shall not be deemed a waiver of any rights or remedies that Lessor may have and shall not be deemed a waiver of any subsequent breach or default by Lessee. The exercise of any of the Lessor's options under the Lease "shall not be deemed to be the exclusive remedy of Lessor."

§8.11 WAIVER OF EXEMPTION FROM DISTRESS. Lessee agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personalty located on the Premises shall be exempt from levy for distress for Rent in arrears, and that if Lessee makes any claim for such an exemption, this Lease may be pleaded as an estoppel against Lessee in any appropriate action.

§8.12 FRANCHISE AGREEMENT. Notwithstanding anything in this Lease to the contrary, this Lease is conditioned upon the faithful performance by Lessee of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Lease.

IX. NO RENT ABATEMENT

Unless specifically provided in this Lease, no abatement, diminution, or reduction of Rent, Additional Rent, Additional Charges or other compensation shall be claimed by or allowed to Lessee, or any persons claiming under Lessee, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

X. CONDEMNATION

§10.1 ENTIRE AWARD. In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain (or by settlement agreement in lieu thereof between Lessor and those authorized to exercise such right), Lessor shall be entitled to collect the entire amount of any award made without deduction for any estate vested in or owned by Lessee, subject only to the rights of any mortgagee and to Lessee's rights as set forth in this Lease. Lessee agrees to execute any and all documents that may be required to facilitate collection by Lessor of any and all such awards. Lessee shall have no right to participate in any condemnation proceedings or agreement except for the purposes described in Section 10.5.

§10.2 SUBSTANTIAL TAKING. If at any time during the Lease Term, the whole or substantially all of the Premises is taken or condemned, this Lease shall terminate and expire on the date on which title vests in the condemning authority, upon which the Rent provided to be paid by Lessee shall be apportioned and paid to that date, and Lessee shall have no claim against Lessor for the unexpired Term of this Lease or for damage or for any other reason whatsoever. For the purposes of this Section, "substantially all of the Premises" shall be deemed to have been taken if, in the sole opinion of Lessor, the portion of the Premises not taken cannot be repaired or reconstructed in such a way that, by using only the amount of the net award available from the taking, there remains a complete, rentable structure capable of producing a proportionately fair and reasonable net annual income after payment of all operating expenses, Rent, Additional Rent and all other Additional Charges payable by Lessee, and after performance by the Lessee of all its obligations under this Lease.

§10.3 PARTIAL TAKING. In the event of a partial taking (any taking which is not "substantial"), this Lease shall not terminate, and Lessee shall promptly proceed to restore the remainder of the Building on the Land (if affected by the taking) to a complete, independent and self-contained architectural unit, usable for the purposes contemplated by this Lease, and Lessor shall pay to Lessee, subject to the same provisions and limitations specified herein with respect to insurance proceeds, the cost of restoration, which payment shall in no event exceed a sum equal to the amount of any separate award made for such restoration. Any deficiency will be paid by Lessee. Such restoration shall be subject to and shall be performed in accordance

with the provisions of Section 5.3, except that any surety bond shall be in the amount, if any, by which the estimated cost of the work exceeds said separate award for the restoration. In the event that there is no separate award for restoration, the amount shall be fixed and settled by mutual agreement or by arbitration as provided in this Lease.

If this Lease does not terminate as provided in Section 10.2, and the taking results in the loss of parking spaces, driveways or accesses which are not or cannot be relocated or replaced elsewhere on the Premises, the Guaranteed Minimum Annual Rental after the date of taking shall be the lesser of (a) the Guaranteed Minimum Annual Rental payable by Lessee immediately prior to the taking, reduced by 12.5% of any portion of the award or awards recovered by Lessor which are not applied to the reduction of any mortgage to which this Lease is subject and subordinate or are not otherwise applied to Lessee's cost of demolition, repair and restoration or (b) the Guaranteed Minimum Annual Rental payable by Lessee immediately prior to the taking reduced in direct proportion to the area of the Premises taken. For example: if prior to the taking the area of the Premises is 30,000 square feet and the Guaranteed Minimum Annual Rental is \$100,000.00, upon the taking of 750 square feet, the Guaranteed Minimum Annual Rental will be reduced by three percent (3%), resulting in a new Guaranteed Minimum Annual Rental of \$97,000.00.

§10.4 EASEMENTS. If the taking is (i) of any existing appurtenant easement, or (ii) by easement rather than by fee, then the Lessee shall not be entitled to any reduction in Guaranteed Minimum Annual Rental unless such taking results in (i) receipt of an award by Lessor and (ii) the deprivation of use of the easement area by Lessee for parking, driveways or access. In such case, Lessee's Guaranteed Minimum Annual Rental shall be reduced in accordance with the calculation for a taking of the fee set forth in Section 10.3 above.

§10.5 LESSEE'S INDEPENDENT AWARD. Nothing in this article shall preclude Lessee from pursuing any independent action permitted by law or from participating in the condemnation proceedings, but only for the purpose of securing an independent award for loss of business or damage to personalty.

XI. SUBORDINATION

This Lease shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises which the fee owner, Lessor and/or their assigns has or subsequently obtains upon the Premises; provided, however, that any such mortgage and/or collateral assignment of Lease against the Premises granted by Lessor shall provide that Lessee's possession of the Premises pursuant to this Lease shall not be disturbed in the event of a default by Lessor so long as Lessee shall be in compliance under the terms hereof. This Lease shall be fully subordinate and subject to any senior lease now, or hereafter affecting the Premises. In the event Lessor transfers all or a part of its interest in the Premises to a third party and enters into a lease with said third party (with Lessor as tenant) then this Lease shall be fully subordinate to said lease between such third party and Lessor.

The Lessee hereby grants a power of attorney to the Lessor with full power to act as its attorney in fact and to execute on behalf of the Lessee any and all documents that may be required by a mortgagee and/or assignee evidencing the Lessee's full subordination of the Lessee's interest to any mortgage and/or collateral assignment of lease that may be entered into by Lessor, the fee owner or their assigns. Lessee hereby agrees to execute, without charging Lessor, any and all documents that it is requested to execute to evidence this subordination. However, Lessee shall not be required to execute any promissory notes or other evidence of indebtedness which would create any personal liability on behalf of Lessee.

XII. ASSIGNMENT

§12.1 BY LESSOR. This Lease shall be fully assignable by the Lessor or its assigns.

§12.2 BY LESSEE. Neither Lessee, nor Lessee's successors or assigns, shall (unless expressly permitted in this Lease) assign, mortgage, give as security, pledge or encumber this Lease, in whole or in part, by operation of law or otherwise, or sublet the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Lessee's leasehold estate, without the prior consent in writing of Lessor in each instance. If this Lease is assigned or transferred, or if all or any part of the Premises is sublet or occupied by anybody other than Lessee, Lessor may collect Rent from the assignee, transferee, subtenant or occupant, and apply the net amount collected to the Rent reserved in this Lease, but no such assignment, subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Lease, or the acceptance of the assignee, transferee, subtenant or occupant as lessee, or a release of Lessee from the performance or further performance by Lessee of its obligations under this Lease, and Lessee shall continue to be liable for all its obligations under this Lease. The consent by Lessor to an assignment, mortgage, pledge, encumbrance, transfer, management contract or subletting shall not in any way be construed to relieve Lessee from obtaining the express consent in writing of Lessor in each instance to any subsequent similar action that the Lessee may intend to take. Providing Lessee remains liable for all its obligations under this Lease, Lessor shall consent to an assignment of this Lease to an individual, partnership or corporation to which the Franchise Agreement has been assigned.

§12.3 ASSUMPTION BY ASSIGNEE. An assignment made with Lessor's consent or as otherwise permitted shall not be effective until Lessee delivers to Lessor an executed counterpart of such assignment containing an agreement, in recordable form, executed by the assignor and the proposed assignee, in which the assignee assumes the performance of the obligations of the assignor under this Lease to the Original Term Expiration Date.

XIII. ADDITIONAL PROPERTY

§13.1 PURCHASE OF ADDITIONAL PROPERTY. In the event Lessee (for purposes of this Article, if Lessee is a group of more than one person, the term "Lessee" shall mean any member of the Lessee group) or any corporation, partnership or other entity in which Lessee has an interest or any member of Lessee's immediate family (Lessee or such other person or entity shall hereinafter be referred to as "Vendee") acquires the right to purchase property which, in the sole opinion of Lessor, is capable of being used either as additional parking or for any other purpose connected with the operation of the Premises (the "Additional Property"), Lessor shall have an option to assume Vendee's right to purchase such Additional Property without cost or charge to Lessor for such option. The granting of this option by Vendee to Lessor is in partial consideration for the making of this Lease by Lessor. Vendee agrees to submit to Lessor (i) a copy of the purchase or option contract within ten (10) days after final execution thereof and (ii) all other relevant documents within a reasonable period of time in advance of the scheduled closing date. Lessor shall have twenty (20) days after its receipt of the purchase or option contract and any and all relevant documents within which to notify Vendee of Lessor's intention to accept or reject Lessor's option. If Vendee's rights to purchase such Additional Property are not assignable, or if Vendee purchases the Additional Property without previously granting Lessor the option to acquire the Additional Property, Lessor shall have the additional option to purchase the Additional Property from Vendee, at Vendee's purchase price, under the terms of Lessor's then standard contract for the purchase of real property which shall be executed by Vendee and Lessor upon Lessor's exercise of this additional option. The granting of this additional option by Vendee to Lessor is in partial consideration for the making of this Lease by Lessor. Vendee agrees to submit to Lessor a copy of the purchase agreement and all other relevant documents within fifteen (15) days after Vendee acquires the Additional Property, and Lessor shall have thirty (30) days thereafter within which to notify Vendee of its intention to accept or reject this additional option.

In the event Lessor acquires the Additional Property from Vendee as set forth above, Vendee and Lessor agree to amend this Lease to include the Additional Property and to increase the Rent and other Additional Charges payable by Lessee for its use of the Additional Property. The rent for the Additional Property shall be calculated by Lessor in accordance with its then current formula for the calculation of "PL" lease rentals.

In the event (i) Lessor fails to exercise its options to purchase the Additional Property as set forth above, or (ii) Lessor has not received notice from Vendee that Vendee has purchased the Additional Property, then at such time as (a) Lessor becomes aware of the acquisition by Vendee of the Additional Property or (b) this Lease expires or is terminated, whichever is earlier, Lessor shall have a third option to acquire the Additional Property by purchasing it for its then fair market value or three (3) times Vendee's purchase price, whichever is less, under the terms of Lessor's then standard contract for the purchase of real property, to be executed by Vendee and Lessor upon the exercise by Lessor of this third option. The granting of this third option by Vendee to Lessor is in partial consideration for the making of this Lease by Lessor. Lessor must notify Vendee of its election to exercise this third option within thirty (30) days after (A) the date on which Lessor receives notice of Vendee's acquisition of the Additional Property or (B) the expiration or termination of this Lease, whichever is earlier. Should Lessor and Vendee be unable to agree upon a purchase price within thirty (30) days after Vendee is notified by Lessor that Lessor desires to exercise this third option, Lessor and Vendee shall within ten (10) days following the end of said thirty (30) day period separately hire disinterested, qualified real estate appraisers who are authorized to appraise property in the county where the Additional Property is located and who are members of The Society of Real Estate Appraisers, The American Institute of Real Estate Appraisers or The American Society of Appraisers. If either Lessor or Vendee fails to appoint an appraiser within ten (10) days after being notified of the appraiser retained by the other party, the single appraiser hired shall determine the fair market value of the Additional Property. If both parties select an appraiser, the two appraisers shall meet and attempt to agree on a fair market value of the Additional Property. If they are unable to agree on the value within fifteen (15) days after the second appraiser was appointed, they shall select a third appraiser who shall determine the fair market value. Lessor and Vendee shall be responsible for the fee charged by the respective appraisers they selected and shall split the cost of the third appraiser. If after being informed of the fair market value of the Additional Property, Lessor indicates that the purchase price is unacceptable, it may rescind its election to purchase the Additional Property, upon notice to Vendee within twenty (20) days after being informed of the fair market value of the Additional Property, but must pay the total cost of the appraisal.

In the event Lessor acquires the Additional Property from Vendee under any of the above options, Vendee shall furnish to Lessor evidence that he has good and marketable title to the Additional Property, and title shall be conveyed to Lessor in fee simple, free and clear of any liens, encumbrances, restrictions or violations of any local, state or federal laws, orders, rules or regulations upon payment of the purchase price. Closing shall be within ninety (90) days after determination of the purchase price, subject to any extension permitted under the terms of Lessor's then standard contract for the sale of real property.

Vendee hereby expressly covenants and agrees that, in the event that Vendee acquires Additional Property without complying with the terms and provisions of this Section 13.1, Lessor shall have the absolute and unrestricted option to purchase any such Additional Property, upon the terms and conditions set forth above with respect to the third option to purchase, at any time during the Term of this Lease and for thirty (30) days after the expiration or termination of this Lease. If, during such thirty (30) period, Lessor discovers that Vendee has acquired Additional Property without complying with the terms and provisions of this Section 13.1, then notwithstanding the expiration or termination of this Lease, Vendee hereby further expressly covenants and agrees that Vendee shall execute any and all relevant documents in order to transfer fee title to said Additional Property to Lessor in accordance with the terms and provisions of this Section 13.1. The granting of this final option by Vendee to Lessor is in partial consideration for the making of this Lease by Lessor.

§13.2 LEASE OF ADDITIONAL PROPERTY. In the event Vendee acquires the right to lease, sublease or license, have an easement across or over, or any other right of any kind, save and except by purchase, to use or occupy the Additional Property (the "Occupancy Right") from any person other than Lessor, Vendee shall give Lessor written notice thereof, which notice shall set forth or be accompanied by a copy of the proposed lease, sublease, license agreement, easement agreement or other use or occupancy agreement (the "Additional Property Lease") and which notice shall be delivered to Lessor prior to the execution of any Additional Property Lease. The Additional Property Lease shall set forth (a) all terms and conditions of the Occupancy Right, including, without limitation, the Rent, Additional Rent, Additional Charges and other consideration payable under the Additional Property Lease, and the term and any

options to extend the term; (b) the extent to which the tenant under the Additional Property Lease may make Alterations and/or improvements; (c) any broker or other agent who was involved in the acquisition of the Occupancy Right; (d) a description of the Additional Property; (e) its proposed use; and (f) the name and address of the proposed landlord. Lessor may, within thirty (30) days after receipt of such written notice from Vendee accompanied by or containing all of the items set forth above, in its sole and absolute discretion, choose to enter into the Additional Property Lease, as tenant; in such event, Lessor and Vendee agree to amend this Lease to include the Additional Property and to increase the Rent and other Additional Charges payable by Lessee for its use of the Additional Property. The rent for the Additional Property shall be calculated by Lessor in accordance with its then current formula for the calculation of "PL" lease rentals. During said thirty (30) day period, Vendee shall not, in any event whatsoever, execute, or cause anyone else to execute on Vendee's behalf or otherwise, the Additional Property Lease. If Lessor chooses not to enter into the Additional Property Lease, then Vendee may choose to enter into the Additional Property Lease, as tenant; in such event, the following paragraph shall be incorporated into the Additional Property Lease in its entirety:

"Notwithstanding anything to the contrary set forth herein, Landlord and Tenant hereby covenant and agree that Tenant may, at any time during the term hereof and without Landlord's consent, assign this Lease to Popeyes Louisiana Kitchen, Inc. or its designee (collectively, "PLK"). The Tenant covenants that, notwithstanding any such assignment to PLK, and notwithstanding the acceptance of rent and/or additional rent by Landlord from PLK, the Tenant shall, during the term hereof, remain fully liable for the payment of the rent and the additional rent hereunder and for the performance and observance of all other obligations of this lease on the part of Tenant to be performed or observed. Additionally, (i) in the event of any default by Tenant hereunder which default has not been cured prior to the expiration of any grace, notice or cure period; or (ii) at such time as any lease between PLK, as landlord, and Tenant, as tenant expires or is terminated, then, in any such event, PLK shall have the option, but shall be under no obligation to exercise said option, exercisable within thirty (30) days after the end of any grace, notice or cure period, or the expiration or termination of any such lease, to assume this lease from Tenant by written notice to Tenant and Landlord and at no cost or charge to PLK. In order to effectuate this provision, Landlord agrees that, if Tenant is in default hereunder, Landlord shall give written notice thereof to PLK at 5707 Blue Lagoon Drive, Miami, Florida 33126, P.O. Box 020783, Miami, Florida 33102-0783, Attention: General Counsel and Landlord further agrees that Landlord shall be obligated to send said notice to PLK whether or not this Lease provides for written notice of default to be sent to the Tenant. The parties hereto acknowledge and agree that PLK may, in its sole and absolute discretion, cure any default by Tenant hereunder, but PLK shall be under no obligation to do so and PLK's decision to cure or not to cure any default by the Tenant shall not be a condition precedent to PLK's assumption of this lease. Landlord and Tenant hereby agree to execute and provide such documents (including, without limitation, a copy of this lease, certified by Landlord and Tenant to be a true and correct copy, and an estoppel certificate from Landlord) and other assurances (including, without limitation, Tenants guarantee to cure all existing defaults hereunder prior to the effective date of said assumption by PLK) reasonably required by PLK to give full force and effect to this provision." [The words "Landlord", "Tenant" and "Lease" in the foregoing paragraph shall be changed to "Licensor", "Licensee" and "License", respectively, if Vendee is entering into a license agreement and similar modifications (but only as to form, not substance) may be made to the foregoing paragraph where required in the case of a sublease, an easement agreement or any other type of use or occupancy agreement.]

Upon the execution and delivery of the Additional Property Lease by Vendee and the proposed landlord, Vendee shall deliver a duplicate original of the fully executed Additional Property Lease and any and all other documents relating to the Additional Property Lease to Lessor.

Vendee hereby expressly covenants and agrees that, in the event that Vendee enters into an Additional Property Lease without complying with the terms and provisions of this Section 13.2, Lessor shall have the absolute and unrestricted right to have said Additional Property Lease assigned to Lessor, upon the terms and conditions set forth in this Section 13.2, at any time during the Term or any extensions of the Term of

the Additional Property Lease. If Lessor is not notified of the existence of an Additional Property Lease during the Term hereof, Lessor shall have thirty (30) days after the expiration or termination of this Lease to investigate whether such an Additional Property Lease exists. If, during such thirty (30) day period, Lessor discovers that an Additional Property Lease exists, then notwithstanding the expiration or termination of this Lease, Vendee hereby further expressly covenants and agrees that Vendee shall execute any and all relevant documents in order to assign said Additional Property Lease to Lessor. After the Additional Property Lease has been assigned to Lessor (if said assignment occurs prior to the expiration or termination of this Lease), Vendee and Lessor agree to amend this Lease to include the Additional Property. The rent and other charges for the Additional Property shall be calculated by Lessor in accordance with its then current formula for the calculation of "PL" lease rentals.

For purposes of this Article, notice to the Lessee in the manner indicated in Section 16.2 shall be deemed to be notice to Vendee. The terms and provisions of this Article shall survive the expiration or termination of this Lease.

4. Except as otherwise provided below, all costs, common area maintenance fees, expenses, charges, assessments, and rent escalations accruing under the Master Lease, any restrictions imposed upon Lessor thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Lessor, as tenant under the Master Lease, shall be binding upon Lessee herein. 5. With respect to any consent or approval required to be obtained of Master Landlord under the Master Lease (by way of illustration and without limitation, consent to alterations), Lessor's sole obligation with respect thereto, upon being requested in writing by Lessee, shall be to seek the approval or consent of Master Landlord. Provided that such is not prohibited under the terms of the Master Lease, Lessor in its sole and absolute discretion, may assign to Lessee one or more of such rights on terms and conditions satisfactory to Lessor. Furthermore, during the Term of the Lease, Lessee covenants and agrees that Lessee, all

6. Lessee acknowledges and agrees that, commencing on _____, _____, and continuing annually thereafter until expiration of the Lease Term, the Guaranteed Minimum Annual Rental shall be increased by an amount equal to 125.0% of the amount by which Lessor's annual rent under the Master Lease is increased pursuant to the escalation formula set forth in paragraph _____ of the Master Lease (the "Escalation Formula"). Lessee further acknowledges and agrees to the following: (i) to complete the Remodel Work in accordance with the Franchise Agreement; and (ii) that all work associated with the Remodel Work, including, without limitation, all demolition and/or construction work, shall be completed in compliance with all Regulations. Without limiting the foregoing, Lessee agrees to provide the Lessor with the following:

**ADDITIONAL DISCLOSURES REQUIRED BY
THE STATE OF CALIFORNIA**

California Disclosure

In recognition of the requirements of the California Franchise Investment Law, Cal. Corporations Code Sections 31000 et seq., the Franchise Disclosure Document for Popeyes Louisiana Kitchen, Inc. for use in the State of California shall be amended as follows:

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

2. See the cover page of the Franchise Disclosure Document for our website address. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENTS OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV/.

3. **Item 3, Additional Disclosure.** The following statement is added to Item 3:

Neither Popeyes nor any person identified in Item 2 of the Franchise Disclosure Document is currently subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in such association or exchange.

4. **Item 17, Additional Disclosures.** The following statements are added to Item 17:

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer and non-renewal of the franchise agreements. If the franchise agreements contain a provision that is inconsistent with the law, the law will control.

The franchise agreements provide for termination upon bankruptcy. These provisions may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101 *et seq.*).

The franchise agreements contain a covenant not to compete which extends beyond the termination of the franchise. These provisions may not be enforceable under California law.

The franchise agreements require application of the laws of the State of Florida. These provisions may not be enforceable under California law.

You must sign a general release if you transfer or renew your franchise. These provisions may not be enforceable under California law. California Corporations Code Section 31512 voids a waiver of your rights under the California Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professional Code Section 21000 voids a waiver of your rights under the California Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

The franchise agreements require that any action be commenced in a court in the judicial district in which Popeyes has its principal place of business and that you must irrevocably submit to the jurisdiction of such courts. This provision may not be enforceable under California law.

5. You are required to sign a personal guaranty, making you individually liable for financial obligations under both the Franchise Agreement and the Development Agreement. In the state of California, the guaranty will place your spouse's marital and personal assets at risk if your franchise fails.
6. Section 31125 of the California Corporation Code requires Popeyes to give you a disclosure document, in a form and containing such information as the Commissioner may by rule or order require, prior to a solicitation of a proposed material modification of an existing franchise.
7. **Item 21, Additional Disclosure.** Item 21 of the Franchise Disclosure Document is amended by the addition of the following language:

Also attached at Exhibit L is the unaudited consolidated balance sheet of Popeyes, and its subsidiaries, as of December 31, 2023. THE UNAUDITED CONSOLIDATED BALANCE SHEET IS PREPARED WITHOUT AN AUDIT. PROSPECTIVE FRANCHISEES SHOULD BE ADVISED THAT NO CERTIFIED PUBLIC ACCOUNTANT HAS AUDITED THESE FIGURES OR EXPRESSED HIS/HER OPINION WITH REGARD TO THE CONTENTS AND FORM.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDA REQUIRED BY
THE STATE OF WASHINGTON**

Washington Disclosure

In recognition of the requirements of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW, the Popeyes Louisiana Kitchen, Inc. Franchise Disclosure Document for the offer of Popeyes Louisiana Kitchen Franchises (“FDD”) for use in the State of Washington shall be amended as follows:

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. Popeyes Louisiana Kitchen, Inc. Assurance of Discontinuance In Re Franchise No Poaching Provisions, Superior Court of Washington, King County Superior Court. On or about September 13, 2018, we entered into an Assurance of Discontinuance (No. 18-2-22883-2SEA) with the State of Washington entitled In Re: Franchise No Poaching Provisions under which we agreed to refrain

from including “no-poach” language in our Franchise Agreement, which restricts a franchisee from recruiting and/or hiring the employees of other franchisees and/or employees of us or our affiliates, which the Attorney General alleges violates Washington state and federal antitrust and unfair practices laws. We have also agreed to refrain from enforcing the language in any of our existing Franchise Agreements, notify our current franchisees of the entry of the Assurance of Discontinuance, notify the Washington Attorney General if any of our franchisees attempt to enforce such a provision, offer to amend existing Franchise Agreements to delete the no-poach language and remove the language from existing Franchise Agreements as they come up for renewal. We satisfied the requirements in the Assurance of Discontinuance and submitted to the State of Washington a declaration of completion.

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each provision of this Addendum to the Franchise Disclosure Document shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act are met independently, without reference to this Addendum to the Franchise Disclosure Document.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

5. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or

(ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

8. No acknowledgement set forth in the Agreement waives any liability Franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

10. Each provision of this Amendment, shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act are met independently, without reference to this Amendment.

[THE REST OF THIS PAGE IS

Management's Report on Internal Control Over Financial Reporting

Management is responsible for the preparation, integrity and fair presentation of the consolidated financial statements, related notes and other information included in this annual report. The consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and include certain amounts based on management's estimates and assumptions. Other financial information presented in the annual report is derived from the consolidated financial statements.

Management is also responsible for establishing and maintaining adequate internal control over financial reporting, and for performing an assessment of the effectiveness of internal control over financial reporting as of December 31, 2023. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Our system of internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Management performed an assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2023 based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on our assessment and those criteria, management determined that the Company's internal control over financial reporting was effective as of December 31, 2023.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The effectiveness of the Company's internal control over financial reporting as of December 31, 2023 has been audited by KPMG LLP, the Company's independent registered public accounting firm, as stated in its report which is included herein.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Restaurant Brands International Inc.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Restaurant Brands International Inc. and subsidiaries (the Company) as of December 31, 2023 and 2022, the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2023, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control - Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 22, 2024 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Gross unrecognized tax benefits

As discussed in Notes 2 and 10 to the consolidated financial statements, the Company records a liability for unrecognized tax benefits associated with uncertain tax positions. The Company recognizes tax benefits from tax positions only if there is more than a 50% likelihood that the tax positions will be sustained upon examination by the taxing authorities, based on the technical merits of the positions. As of December 31, 2023, the Company has recorded gross unrecognized tax benefits, excluding associated interest and penalties, of \$58 million.

Table of Contents

We identified the assessment of gross unrecognized tax benefits resulting from certain tax planning strategies implemented during the year as a critical audit matter. Identifying and determining uncertain tax positions arising from implementing tax planning strategies involved a number of judgments and assumptions, which included complex considerations of tax law. As a result, subjective and complex auditor judgment, including the involvement of tax professionals with specialized skills and knowledge, was required to evaluate the Company's interpretation of tax law and its determination of which tax positions have more than a 50% likelihood of being sustained upon examination.

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Company's gross unrecognized tax benefits process, including controls related to 1) interpreting tax law, 2) identifying significant uncertain tax positions arising from tax planning strategies that were implemented during the year, 3) evaluating the tax consequences of the related strategies, and 4) evaluating which of the Company's tax positions may not be sustained upon examination. In addition, we involved tax professionals with specialized skills and knowledge, who assisted in:

- obtaining an understanding of the Company's tax planning strategies
- evaluating the Company's interpretation of the relevant tax laws by developing an independent assessment
- evaluating the Company's identification of uncertain tax positions to assess the tax consequences of these related tax positions
- performing an independent assessment of the Company's tax positions and comparing our assessment to the Company's assessment.

We have served as the Company's auditor since 1989.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Restaurant Brands International Inc.:

Opinion on Internal Control Over Financial Reporting

We have audited Restaurant Brands International Inc. and subsidiaries' (the Company) internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2023 and 2022, the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2023, and the related notes (collectively, the consolidated financial statements), and our report dated February 22, 2024 expressed an unqualified opinion on those consolidated financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Consolidated Financial Statements

Note 1. Description of Business and Organization

Description of Business

Restaurant Brands International Inc. (the “Company,” “RBI,” “we,” “us” or “our”) is a Canadian corporation that serves as the sole general partner of Restaurant Brands International Limited Partnership (the “Partnership”). We franchise and operate quick service restaurants serving premium coffee and other beverage and food products under the *Tim Hortons*® brand (“Tim Hortons”), fast food hamburgers principally under the *Burger King*® brand (“Burger King”), chicken under the *Popeyes*® brand (“Popeyes”) and sandwiches under the *Firehouse Subs*® brand (“Firehouse”). We are one of the world’s largest quick service restaurant, or QSR, companies as measured by total number of restaurants. As of December 31, 2023, we franchised or owned 5,833 Tim Hortons restaurants, 19,384 Burger King restaurants, 4,571 Popeyes restaurants, and 1,282 Firehouse Subs restaurants, for a total of 31,070 restaurants, and operate in more than 120 countries and territories. As of December 31, 2023, nearly all of the current system-wide restaurants are franchised.

Note 2. Significant Accounting Policies

Fiscal Year

We operate on a monthly calendar, with a fiscal year that ends on December 31.

Basis of Presentation

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) and related rules and regulations of the U.S. Securities and Exchange Commission requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Principles of Consolidation

The consolidated financial statements (the “Financial Statements”) include our accounts and the accounts of entities in which we have a controlling financial interest, the usual condition of which is ownership of a majority voting interest. We also consolidate marketing funds we control. All material intercompany balances and transactions have been eliminated in consolidation. Investments in other affiliates that are owned 50% or less where we have significant influence are generally accounted for by the equity method.

We are the sole general partner of Partnership and, as such we have the exclusive right, power and authority to manage, control, administer and operate the business and affairs and to make decisions regarding the undertaking and business of Partnership, subject to the terms of the limited partnership agreement of Partnership (“partnership agreement”) and applicable laws. As a result, we consolidate the results of Partnership and record a noncontrolling interest in our consolidated balance sheets and statements of operations with respect to the remaining economic interest in Partnership we do not hold.

We also consider for consolidation entities in which we have certain interests, where the controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity (“VIE”), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it. Our maximum exposure to loss resulting from involvement with VIEs is attributable to accounts and notes receivable balances, investment balances, outstanding loan guarantees and future lease payments, where applicable.

As our franchise and master franchise arrangements provide the franchise and master franchise entities the power to direct the activities that most significantly impact their economic performance, we do not consider ourselves the primary beneficiary of any such entity that might be a VIE.

Tim Hortons has historically entered into certain arrangements in which an operator acquires the right to operate a restaurant, but Tim Hortons owns the restaurant’s assets. In these arrangements, Tim Hortons has the ability to determine which operators manage the restaurants and for what duration. We perform an analysis to determine if the legal entity in which operations are

[Table of Contents](#)

conducted is a VIE and consolidate a VIE entity if we also determine Tim Hortons is the entity's primary beneficiary ("Restaurant VIEs"). As of December 31, 2023 and 2022, we determined that we are the primary beneficiary of 38 and 41 Restaurant VIEs, respectively, and accordingly, have consolidated the results of operations, assets and liabilities, and cash flows of these Restaurant VIEs in our Financial Statements.

Assets and liabilities related to consolidated VIEs are not significant to our total consolidated assets and liabilities. Liabilities recognized as a result of consolidating these VIEs do not necessarily represent additional claims on our general assets; rather, they represent claims against the specific assets of the consolidated VIEs. Conversely, assets recognized as a result of consolidating these VIEs do not represent additional assets that could be used to satisfy claims by our creditors as they are not legally included within our general assets.

Foreign Currency Translation and Transaction Gains and Losses

Our functional currency is the U.S. dollar, since our term loans and senior secured notes are denominated in U.S. dollars, and the principal market for our common shares is the U.S. The functional currency of each of our operating subsidiaries is generally the currency of the economic environment in which the subsidiary primarily does business. Our foreign subsidiaries' financial statements are translated into U.S. dollars using the foreign exchange rates applicable to the dates of the financial statements. Assets and liabilities are translated using the end-of-period spot foreign exchange rates. Income, expenses and cash flows are translated at the average foreign exchange rates for each period. Equity accounts are translated at historical foreign exchange rates. The effects of these translation adjustments are reported as a component of accumulated other comprehensive income (loss) ("AOCI") in the consolidated statements of shareholders' equity.

For any transaction that is denominated in a currency different from the entity's functional currency, we record a gain or loss based on the difference between the foreign exchange rate at the transaction date and the foreign exchange rate at the transaction settlement date (or rate at period end, if unsettled) which is included within other operating expenses (income), net in the consolidated statements of operations.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less and credit card receivables are considered cash equivalents.

Accounts and Notes Receivable, net

Our credit loss exposure is mainly concentrated in our accounts and notes receivable portfolio, which consists primarily of amounts due from franchisees, including royalties, rents, franchise fees, contributions due to advertising funds we manage and, in the case of our TH segment, amounts due for supply chain sales. Accounts and notes receivable are reported net of an allowance for expected credit losses over the estimated life of the receivable. Credit losses are estimated based on aging, historical collection experience, financial position of the franchisee and other factors, including those related to current economic conditions and reasonable and supportable forecasts of future conditions.

Bad debt expense recognized for expected credit losses is classified in our consolidated statement of operations as Cost of sales, Franchise and property expenses or Advertising expenses and other services, based on the nature of the underlying receivable. Net bad debt expense (recoveries) totaled \$20 million in 2023, \$19 million in 2022 and \$(9) million in 2021.

Inventories

Inventories are carried at the lower of cost or net realizable value and consist primarily of raw materials such as green coffee beans and finished goods such as new equipment, parts, paper supplies and restaurant food items. The moving average method is used to determine the cost of raw materials and finished goods inventories held for sale to Tim Hortons franchisees.

Property and Equipment, net

We record property and equipment at historical cost less accumulated depreciation and amortization, which is recognized using the straight-line method over the following estimated useful lives: (i) buildings and improvements – up to 40 years; (ii) restaurant equipment – up to 17 years; (iii) furniture, fixtures and other – up to 10 years; and (iv) manufacturing equipment – up to 25 years. Leasehold improvements to properties where we are the lessee are amortized over the lesser of the remaining term of the lease or the estimated useful life of the improvement.

Major improvements are capitalized, while maintenance and repairs are expensed when incurred.

Table of Contents

Capitalized Software and Cloud Computing Costs

We record capitalized software at historical cost less accumulated amortization, which is recognized using the straight-line method. Amortization expense is based on the estimated useful life of the software, which is primarily up to five years, once the asset is available for its intended use.

Implementation costs incurred in connection with Cloud Computing Arrangements (“CCA”) are capitalized consistently with costs capitalized for internal-use software. Capitalized CCA implementation costs are included in “Other assets” in the consolidated balance sheets and are amortized over the term of the related hosting agreement, including renewal periods that are reasonably certain to be exercised. Amortization expense of CCA implementation costs is classified as “General and administrative expenses” in the consolidated statements of operations.

Leases

In all leases, whether we are the lessor or lessee, we define lease term as the noncancellable term of the lease plus any renewals covered by renewal options that are reasonably certain of exercise based on our assessment of the economic factors relevant to the lessee. The noncancellable term of the lease commences on the date the lessor makes the underlying property in the lease available to the lessee, irrespective of when lease payments begin under the contract.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term, and property revenue is presented net of any related sales tax. Lease incentive payments we make to lessees are amortized as a reduction in property revenue over the lease term. We account for reimbursements of maintenance and property tax costs paid to us by lessees as property revenue.

We also have net investments in properties leased to franchisees, which meet the criteria of sales-type leases or met the criteria of direct financing leases under the previous accounting guidance. Investments in sales-type leases and direct financing leases are recorded on a net basis. Profit on sales-type leases is recognized at lease commencement and recorded in other operating expenses (income), net. Unearned income on direct financing leases is deferred, included in the net investment in the lease, and recognized over the lease term yielding a constant periodic rate of return on the net investment in the lease.

We recognize variable lease payment income in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In leases where we are the lessee, we recognize a right-of-use (“ROU”) asset and lease liability at lease commencement, which are measured by discounting lease payments using our incremental borrowing rate as the discount rate. We determine the incremental borrowing rate applicable to each lease by reference to our outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease, as adjusted for the currency of the lease. Subsequent amortization of the ROU asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions of the ROU asset and the change in the lease liability are included in changes in Other long-term assets and liabilities in the Consolidated Statement of Cash Flows.

A finance lease ROU asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease ROU assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure ROU assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. Maintenance and property tax expenses are accounted for on an accrual basis as variable lease cost.

We recognize variable lease cost in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Goodwill and Intangible Assets Not Subject to Amortization

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed in connection with business combination transactions. Our indefinite-lived intangible assets consist of the *Tim Hortons* brand, the *Burger King* brand, the *Popeyes* brand and the *Firehouse Subs* brand (each a “Brand” and together, the “Brands”). Goodwill and the Brands are tested for impairment at least annually as of October 1 of each year and more often if an event occurs or circumstances change which

Table of Contents

indicate impairment might exist. Our annual impairment tests of goodwill and the Brands may be completed through qualitative assessments. We may elect to bypass the qualitative assessment and proceed directly to a quantitative impairment test for any reporting unit or Brand in any period. We can resume the qualitative assessment for any reporting unit or Brand in any subsequent period.

Under a qualitative approach, our impairment review for goodwill consists of an assessment of whether it is more-likely-than-not that a reporting unit's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any reporting unit, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a reporting unit exceeds its fair value, we perform a quantitative goodwill impairment test that requires us to estimate the fair value of the reporting unit. If the fair value of the reporting unit is less than its carrying amount, we will measure any goodwill impairment loss as the amount by which the carrying amount of a reporting unit exceeds its fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

Under a qualitative approach, our impairment review for the Brands consists of an assessment of whether it is more-likely-than-not that a Brand's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for a Brand, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a Brand exceeds its fair value, we estimate the fair value of the Brand and compare it to its carrying amount. If the carrying amount exceeds fair value, an impairment loss is recognized in an amount equal to that excess.

We completed our impairment tests for goodwill and the Brands as of October 1, 2023, 2022 and 2021 and no impairment resulted.

Long-Lived Assets

Long-lived assets, such as property and equipment, intangible assets subject to amortization and lease right-of-use assets, are tested for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset or asset group may not be recoverable. Some of the events or changes in circumstances that would trigger an impairment review include, but are not limited to, bankruptcy proceedings or other significant financial distress of a lessee; significant negative industry or economic trends; knowledge of transactions involving the sale of similar property at amounts below the carrying value; or our expectation to dispose of long-lived assets before the end of their estimated useful lives. The impairment test for long-lived assets requires us to assess the recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from use and eventual disposition of the assets or asset group. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. If the net carrying value of a group of long-lived assets exceeds the sum of related undiscounted estimated future cash flows, we record an impairment charge equal to the excess, if any, of the net carrying value over fair value.

Other Comprehensive Income (Loss)

Other comprehensive income (loss) ("OCI") refers to revenues, expenses, gains and losses that are included in comprehensive income (loss), but are excluded from net income (loss) as these amounts are recorded directly as an adjustment to shareholders' equity, net of tax. Our other comprehensive income (loss) is primarily comprised of unrealized gains and losses on foreign currency translation adjustments and unrealized gains and losses on hedging activity, net of tax.

Derivative Financial Instruments

We recognize and measure all derivative instruments as either assets or liabilities at fair value in the consolidated balance sheets. Derivative instruments accounted for as net investments hedges are classified as long term assets and liabilities in the consolidated balance sheets. We may enter into derivatives that are not designated as hedging instruments for accounting purposes, but which largely offset the economic impact of certain transactions.

Gains or losses resulting from changes in the fair value of derivatives are recognized in earnings or recorded in other comprehensive income (loss) and recognized in the consolidated statements of operations when the hedged item affects earnings, depending on the purpose of the derivatives and whether they qualify for, and we have applied, hedge accounting treatment.

When applying hedge accounting, we designate at a derivative's inception, the specific assets, liabilities or future commitments being hedged, and assess the hedge's effectiveness at inception and on an ongoing basis. We discontinue hedge accounting when: (i) we determine that the cash flow derivative is no longer effective in offsetting changes in the cash flows of a hedged item; (ii) the derivative expires or is sold, terminated or exercised; (iii) it is no longer probable that the forecasted transaction will occur; or (iv) management determines that designation of the derivatives as a hedge instrument is no longer appropriate. We do not enter into or hold derivatives for speculative purposes.

Disclosures about Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date (the exit price). The fair value is based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

Level 1 Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3 Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The carrying amounts for cash and cash equivalents, accounts and notes receivable and accounts and drafts payable approximate fair value based on the short-term nature of these amounts.

We carry all of our derivatives at fair value and value them using various pricing models or discounted cash flow analysis that incorporate observable market parameters, such as interest rate yield curves and currency rates, which are Level 2 inputs. Derivative valuations incorporate credit risk adjustments that are necessary to reflect the probability of default by the counterparty or us. For disclosures about the fair value measurements of our derivative instruments, see Note 11, *Derivative Instruments*.

The following table presents the fair value of our variable rate term debt and senior notes, estimated using inputs based on bid and offer prices that are Level 2 inputs, and principal carrying amount (in millions):

	As of December 31,	
	2023	2022
Fair value of our variable term debt and senior notes	\$ 12,401	\$ 11,885
Principal carrying amount of our variable term debt and senior notes	\$ 12,900	\$ 12,890

The determination of fair values of our reporting units and the determination of the fair value of the Brands for impairment testing using a quantitative approach during 2023 and 2022 were based upon Level 3 inputs.

Revenue Recognition

Sales

Sales consist primarily of supply chain sales, which represent sales of products, supplies and restaurant equipment to franchisees, as well as sales to retailers and direct to consumer and are presented net of any related sales tax. Orders placed by customers specify the goods to be delivered and transaction prices for supply chain sales. Revenue is recognized upon transfer of control over ordered items, generally upon delivery to the customer, which is when the customer obtains physical possession of the goods, legal title is transferred, the customer has all risks and rewards of ownership and an obligation to pay for the goods is created. Shipping and handling costs associated with outbound freight for supply chain sales are accounted for as fulfillment costs and classified as cost of sales.

To a much lesser extent, sales also include Company restaurant sales (including Restaurant VIEs), which consist of sales to restaurant guests. Revenue from Company restaurant sales is recognized at the point of sale. Taxes assessed by a governmental authority that we collect are excluded from revenue.

Franchise and property revenues

Franchise revenues consist primarily of royalties, initial and renewal franchise fees and upfront fees from development agreements and master franchise and development agreements ("MFDAs"). Under franchise agreements, we provide franchisees with (i) a franchise license, which includes a license to use our intellectual property, (ii) pre-opening services, such as training and inspections, and (iii) ongoing services, such as development of training materials and menu items and restaurant monitoring and inspections. These services are highly interrelated and dependent upon the franchise license and we concluded these services do not represent individually distinct performance obligations. Consequently, we bundle the franchise license performance obligation and promises to provide these services into a single performance obligation (the "Franchise PO"), which we satisfy by providing a right to use our intellectual property over the term of each franchise agreement.

Table of Contents

Royalties are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Initial and renewal franchise fees are payable by the franchisee upon a new restaurant opening or renewal of an existing franchise agreement. Our franchise agreement royalties represent sales-based royalties that are related entirely to the Franchise PO and are recognized as franchise sales occur. Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement. Our performance obligation under development agreements other than MFDAs generally consists of an obligation to grant exclusive development rights over a stated term. These development rights are not distinct from franchise agreements, so upfront fees paid by franchisees for exclusive development rights are deferred and apportioned to each franchised restaurant opened by the franchisee. The pro rata amount apportioned to each restaurant is accounted for as an initial franchise fee.

We have a distinct performance obligation under our MFDAs to grant subfranchising rights over a stated term. Under the terms of MFDAs, we typically either receive an upfront fee paid in cash and/or receive noncash consideration in the form of an equity interest in the master franchisee or an affiliate of the master franchisee. We account for noncash consideration as investments in the applicable equity method investee and recognize revenue in an amount equal to the fair value of the equity interest received. Upfront fees from master franchisees, including the fair value of noncash consideration, are deferred and amortized over the MFDA term on a straight-line basis. We may recognize unamortized upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract.

The portion of gift cards sold to customers which are never redeemed is commonly referred to as gift card breakage. We recognize gift card breakage income proportionately as each gift card is redeemed using an estimated breakage rate based on our historical experience.

Property revenues consists of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases and are excluded from the scope of revenue recognition guidance.

In certain instances, we provide incentives to franchisees in connection with restaurant renovations or other initiatives. These incentives may consist of cash consideration or non-cash consideration such as restaurant equipment. In general, these incentives are designed to support system-wide sales growth to increase our future revenues. The costs of these incentives are capitalized and amortized as a reduction in franchise and property revenue over the term of the contract to which the incentive relates.

Advertising revenues and other services

Advertising revenues consist primarily of franchisee contributions to advertising funds in those markets where our subsidiaries manage an advertising fund and are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing, and related activities. We determined our advertising and promotion management services do not represent individually distinct performance obligations and are included in the Franchise PO.

Other services revenues consist primarily of tech fees and revenues, that vary by market, and partially offset expenses related to technology initiatives. These services are distinct from the Franchise PO because they are not dependent upon the franchise license or highly interrelated with the franchise license.

Cost of Sales

Cost of sales consists primarily of costs associated with the management of our Tim Hortons supply chain, including cost of goods, direct labor, depreciation, bad debt expense (recoveries) from supply chain sales and cost of products sold to retailers. Cost of sales also includes food, paper and labor costs of Company restaurants.

Franchise and Property Expenses

Franchise and property expenses consist primarily of depreciation of properties leased to franchisees, rental expense associated with properties subleased to franchisees, amortization of franchise agreements, and bad debt expense (recoveries) from franchise and property revenues.

Advertising Expenses and Other Services

Advertising expenses and other services consist primarily of expenses relating to marketing, advertising and promotion, including market research, production, advertising costs, sales promotions, social media campaigns, technology initiatives, bad debt expense (recoveries) from franchisee contributions to advertising funds we manage, depreciation and amortization and other related support functions for the respective brands. Additionally, we may incur discretionary expenses to fund advertising programs in connection with periodic initiatives.

Table of Contents

Company restaurants and franchised restaurants contribute to advertising funds that our subsidiaries manage in the United States and Canada and certain other international markets. The advertising funds expense the production costs of advertising when the advertisements are first aired or displayed. All other advertising and promotional costs are expensed in the period incurred. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing and related activities. The advertising contributions by Company restaurants (including Restaurant VIEs) are eliminated in consolidation. Consolidated advertising expense totaled \$1,201 million, \$1,032 million and \$962 million in 2023, 2022 and 2021, respectively.

Deferred Financing Costs

Deferred financing costs are amortized over the term of the related debt agreement into interest expense using the effective interest method.

Income Taxes

Amounts in the Financial Statements related to income taxes are calculated using the principles of ASC Topic 740, *Income Taxes*. Under these principles, deferred tax assets and liabilities reflect the impact of temporary differences between the amounts of assets and liabilities recognized for financial reporting purposes and the amounts recognized for tax purposes, as well as tax credit carry-forwards and loss carry-forwards. These deferred taxes are measured by applying currently enacted tax rates. A deferred tax asset is recognized when it is considered more-likely-than-not to be realized. The effects of changes in tax rates on deferred tax assets and liabilities are recognized in income in the year in which the law is enacted. A valuation allowance reduces deferred tax assets when it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

We recognize positions taken or expected to be taken in a tax return in the Financial Statements when it is more-likely-than-not (i.e., a likelihood of more than 50%) that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit with greater than 50% likelihood of being realized upon ultimate settlement.

Translation gains and losses resulting from the remeasurement of foreign deferred tax assets or liabilities denominated in a currency other than the functional currency are classified as other operating expenses (income), net in the consolidated statements of operations.

Share-based Compensation

Compensation expense related to the issuance of share-based awards to our employees is measured at fair value on the grant date. We use the Black-Scholes option pricing model to value stock options. The fair value of restricted stock units (“RSUs”) is generally based on the closing price of RBI's common shares on the trading day preceding the date of grant. Our total shareholder return and if applicable our total shareholder return relative to our peer group is incorporated into the underlying assumptions using a Monte Carlo simulation valuation model to calculate grant date fair value for performance based awards with a market condition. The compensation expense for awards that vest over a future service period is recognized over the requisite service period on a straight-line basis, adjusted for estimated forfeitures of awards that are not expected to vest. We use historical data to estimate forfeitures for share-based awards. Upon the end of the service period, compensation expense is adjusted to account for the actual forfeiture rate. The compensation expense for awards that contain performance conditions is recognized when it is probable that the performance conditions will be achieved.

Supplier Finance Programs

Our Tim Hortons business includes individually negotiated contracts with suppliers, which include payment terms that range up to 120 days. A global financial institution offers a voluntary supply chain finance (“SCF”) program to certain Tim Hortons vendors, which provides suppliers that elect to participate with the ability to elect early payment, which is discounted based on the payment terms and a rate based on RBI's credit rating, which may be beneficial to the vendor. Participation in the SCF program is at the sole discretion of the suppliers and financial institution and we are not a party to the arrangements between the suppliers and the financial institution. Our obligations to suppliers are not affected by the suppliers’ decisions to participate in the SCF program and our payment terms remain the same based on the original supplier invoicing terms and conditions. No guarantees are provided by us or any of our subsidiaries in connection with the SCF Program.

Our confirmed outstanding obligations under the SCF program at December 31, 2023 and December 31, 2022 totaled \$36 million and \$47 million, respectively, and are classified as Accounts and drafts payable in our condensed consolidated balance sheets. All activity related to the obligations is classified as Cost of sales in our condensed consolidated statements of operations and presented within cash flows from operating activities in our condensed consolidated statements of cash flows.

New Accounting Pronouncements

Accounting Relief for the Transition Away from LIBOR and Certain other Reference Rates – In March 2020 and as clarified in January 2021 and December 2022, the Financial Accounting Standards Board (“FASB”) issued guidance which provides optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships, and other transactions that reference LIBOR or another reference rate expected to be discontinued because of reference rate reform. This amendment is effective as of March 12, 2020 through December 31, 2024. The expedients and exceptions provided by this new guidance do not apply to contract modifications made and hedging relationships entered into or evaluated after December 31, 2024, except for hedging relationships existing as of December 31, 2024, that an entity has elected certain optional expedients for and that are retained through the end of the hedging relationships. During 2021, we adopted certain of the expedients as it relates to hedge accounting as certain of our debt agreements and hedging relationships bear interest at variable rates, primarily U.S. dollar LIBOR. Additionally, during the three months ended September 30, 2023, we amended the LIBOR-referencing credit agreement governing our senior secured term loan facilities to reference the Secured Overnight Financing Rate (SOFR) as further disclosed in Note 8, *Long-Term Debt*. As of December 31, 2023, none of our debt agreements and hedging relationships make reference to LIBOR. The adoption of this new guidance did not have a material impact on our Financial Statements.

Liabilities—Supplier Finance Programs – In September 2022, the FASB issued guidance that requires buyers in a supplier finance program to disclose sufficient information about the program to allow investors to understand the program's nature, activity during the period, changes from period to period, and potential magnitude. These disclosures would include the key terms of the program, as well as the obligation amount that the buyer has confirmed as valid to the third party that is outstanding at the end of the reporting period, a rollforward of that amount, and a description of where that amount is presented in the balance sheet. This amendment is effective in 2023, except for the amendment on rollforward information which is effective in 2024, with early adoption permitted. This guidance should be applied retrospectively to each period in which a balance sheet is presented, except for the amendment on rollforward information, which should be applied prospectively. During the first quarter of 2023, we adopted this guidance and added necessary disclosures upon adoption as disclosed in Note 2, *Significant Accounting Policies*, with the exception of rollforward information which will be added during the first quarter of 2024.

Segment Reporting – In November 2023, the FASB issued guidance that expands segment disclosures for public entities, including requiring disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (“CODM”), the title and position of the CODM and an explanation of how the CODM uses reported measures of segment profit or loss in assessing segment performance and allocating resources. The new guidance also expands disclosures about a reportable segment’s profit or loss and assets in interim periods and clarifies that a public entity may report additional measures of segment profit if the CODM uses more than one measure of a segment’s profit or loss. The new guidance does not remove existing segment disclosure requirements or change how a public entity identifies its operating segments, aggregates those operating segments, or determines its reportable segments. The guidance is effective for fiscal years beginning after December 15, 2023, and subsequent interim periods with early adoption permitted, and requires retrospective application to all prior periods presented in the financial statements. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Improvements to Income Tax Disclosures – In December 2023, the FASB issued guidance that expands income tax disclosures for public entities, including requiring enhanced disclosures related to the rate reconciliation and income taxes paid information. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2024, with early adoption permitted. The guidance should be applied on a prospective basis, with retrospective application to all prior periods presented in the financial statements permitted. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Note 3. Earnings per Share

An economic interest in Partnership common equity is held by the holders of Class B exchangeable limited partnership units (the “Partnership exchangeable units”), which is reflected as a noncontrolling interest in our equity. See Note 12, *Shareholders’ Equity*.

Basic and diluted earnings per share is computed using the weighted average number of shares outstanding for the period. We apply the treasury stock method to determine the dilutive weighted average common shares represented by outstanding equity awards, unless the effect of their inclusion is anti-dilutive. The diluted earnings per share calculation assumes conversion of 100% of the Partnership exchangeable units under the “if converted” method. Accordingly, the numerator is also adjusted to include the earnings allocated to the holders of noncontrolling interests.

During the fourth quarter of 2023, we revised our internal reporting structure to align with how our Chief Executive Officer, who is our Chief Operating Decision Maker (“CODM”), manages the business, assesses performance, makes operating decisions and allocates resources, which resulted in a change in our operating and reportable segments. We manage each of our brands’ United States and Canada operations as an operating and reportable segment and our international operations as an operating and reportable segment. As part of this reevaluation, we moved the international components of our previous operating segments to the new International segment with no changes to the composition of any reporting units. The carrying amount of goodwill assigned to each international component is included above in our International segment for both periods presented.

Amortization expense on intangible assets totaled \$37 million for 2023, \$39 million for 2022, and \$41 million for 2021. The change in the franchise agreements, brands and goodwill balances during 2023 was primarily due to the impact of foreign currency translation.

Except for the following equity method investments, no quoted market prices are available for our other equity method investments. The aggregate market value of our 14.7% equity interest in Carrols Restaurant Group, Inc. (“Carrols”) based on the quoted market price on December 31, 2023 is approximately \$74 million. The aggregate market value of our 4.2% equity interest in TH International Limited based on the quoted market price on December 31, 2023 was approximately \$12 million. We evaluate declines in the market value of these equity method investments and as a result, during 2022, we recognized an impairment of \$15 million due to a sustained decline in Carrols' share price and market capitalization.

We have equity interests in entities that own or franchise Tim Hortons, Burger King and Popeyes restaurants. Franchise and property revenue recognized from franchisees that are owned or franchised by entities in which we have an equity interest consist of the following (in millions):

Credit Facilities

On September 21, 2023, two of our subsidiaries (the “Borrowers”) entered into a seventh amendment (the “7th Amendment”) to the credit agreement governing our senior secured term loan A facility (the “Term Loan A”), our senior secured term loan B facility (the “Term Loan B” and together with the Term Loan A, the “Term Loan Facilities”) and our senior secured revolving credit facility (including revolving loans, swingline loans and letters of credit) (the “Revolving Credit Facility” and together with the Term Loan Facilities, the “Credit Facilities”). Under the 7th Amendment we (i) amended the existing Revolving Credit Facility to increase the availability from \$1,000 million to \$1,250 million and extended the maturity of the facility to September 21, 2028 without changing the leverage-based spread to adjusted SOFR (Secured Overnight Financing Rate); (ii) increased the Term Loan A to \$1,275 million and extended the maturity of the Term Loan A to September 21, 2028 without changing the leverage-based spread to adjusted SOFR; (iii) increased the Term Loan B to \$5,175 million, extended the maturity of the Term Loan B to September 21, 2030, and changed the interest rate applicable to borrowings under our Term Loan B to term SOFR, subject to a floor of 0.00%, plus an applicable margin of 2.25%; and (iv) made certain other changes as set forth therein, including removing the 0.10% adjustment to the term SOFR rate across the facilities and changes to certain covenants to provide increased flexibility. On December 28, 2023, we entered into an eighth amendment (the “8th Amendment” and together with the 7th Amendment, the “2023 Amendments”) to the credit agreement whereby Partnership and its subsidiaries became guarantors, subject to the covenants applicable to the Credit Facilities. The 2023 Amendments made no other material changes to the terms of the credit agreement. In connection with the 7th Amendment, we capitalized approximately \$44 million in debt issuance costs and recorded a \$16 million loss on early extinguishment of debt that primarily reflects expensing of fees in connection with the 7th Amendment and the write-off of unamortized debt issuance costs.

The interest rate applicable to the Term Loan A and Revolving Credit Facility is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin varying from 0.00% to 0.50%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin varying between 0.75% and 1.50%, in each case, determined by reference to a net first lien leverage-based pricing grid. The commitment fee on the unused portion of the Revolving Credit Facility is 0.15%. At December 31, 2023, the interest rate on the Term Loan A was 6.61%. The principal amount of the Term Loan A amortizes in quarterly installments equal to \$8 million beginning March 31, 2025 and \$16 million beginning March 31, 2027 until maturity, with the balance payable at maturity.

The interest rate applicable to the Term Loan B is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin of 1.25%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin of 2.25%. At December 31, 2023, the interest rate on the Term Loan B was 7.61%. The principal amount of the Term Loan B amortizes in quarterly installments equal to \$13 million beginning March 31, 2024 until maturity, with the balance payable at maturity.

Revolving Credit Facility

As of December 31, 2023, we had no amounts outstanding under our Revolving Credit Facility. Funds available under the Revolving Credit Facility may be used to repay other debt, finance debt or share repurchases, to fund acquisitions or capital expenditures and for other general corporate purposes. We have a \$125 million letter of credit sublimit as part of the Revolving Credit Facility, which reduces our borrowing availability thereunder by the cumulative amount of outstanding letters of credit. The interest rate applicable to amounts drawn under each letter of credit is 0.75% to 1.50%, depending on our net first lien leverage ratio. As of December 31, 2023, we had \$2 million of letters of credit issued against the Revolving Credit Facility, and our borrowing availability was \$1,248 million.

Obligations under the Credit Facilities are guaranteed on a senior secured basis, jointly and severally, by the Partnership and substantially all of its Canadian and U.S. subsidiaries, including The TDL Group Corp., Burger King Company LLC, Popeyes Louisiana Kitchen, Inc., FRG, LLC and substantially all of their respective Canadian and U.S. subsidiaries (the “Credit Guarantors”). Amounts borrowed under the Credit Facilities are secured on a first priority basis by a perfected security interest in substantially all of the present and future property (subject to certain exceptions) of each Borrower and Credit Guarantor.

No principal payments are due until maturity and interest is paid semi-annually. The Additional Notes were priced at 100.250% of their face value. The net proceeds from the offering of the Additional Notes were used to redeem the remaining \$775 million principal amount outstanding of 4.25% first lien senior notes, plus any accrued and unpaid interest thereon, and pay related redemption premiums, fees and expenses. In connection with the issuance of the Additional Notes, we capitalized approximately \$7 million in debt issuance costs. In connection with the redemption of the remaining \$775 million principal amount outstanding of the 4.25% first lien senior notes, we recorded a loss on early extinguishment of debt of \$11 million that primarily reflects the payment of redemption premiums and the write-off of unamortized debt issuance costs.

Obligations under the 4.375% Second Lien Senior Notes due 2028 are guaranteed on a second priority senior secured basis, jointly and severally, by the Note Guarantors. The 4.375% Second Lien Senior Notes due 2028 are second lien senior secured obligations and rank equal in right of payment with all of the existing and future senior debt of the Borrowers and Note Guarantors, including borrowings and guarantees of the Credit Facilities, and effectively subordinated to all of the existing and future first lien senior debt of the Borrowers and Note Guarantors.

Our 4.375% Second Lien Senior Notes due 2028 may be redeemed in whole or in part at any time at the redemption prices set forth in the 4.375% Second Lien Senior Notes Indenture, plus accrued and unpaid interest, if any, at the date of redemption. The 4.375% Second Lien Senior Notes Indenture also contains redemption provisions related to tender offers, change of control and equity offerings, among others.

Restrictions and Covenants

Our Credit Facilities, as well as the 3.875% First Lien Senior Notes Indenture, 5.75% First Lien Senior Notes Indenture, 3.50% First Lien Senior Notes Indenture, 4.375% Second Lien Senior Notes Indenture and 4.00% Second Lien Senior Notes Indenture (all together the “Senior Notes Indentures”) contain a number of customary affirmative and negative covenants that, among other things, limit or restrict our ability and the ability of certain of our subsidiaries to: incur additional indebtedness; incur liens; engage in mergers, consolidations, liquidations and dissolutions; sell assets; pay dividends and make other payments in respect of capital stock; make investments, loans and advances; pay or modify the terms of certain indebtedness; and engage in certain transactions with affiliates. In addition, under the Credit Facilities, the Borrowers are not permitted to exceed a first lien senior secured leverage ratio of 6.50 to 1.00 when, as of the end of any fiscal quarter beginning with the first fiscal quarter of 2020, (1) any amounts are outstanding under the Term Loan A and/or (2) the sum of (i) the amount of letters of credit outstanding exceeding \$50 million (other than those that are cash collateralized); (ii) outstanding amounts under the Revolving Credit Facility and (iii) outstanding amounts of swing line loans, exceeds 30.0% of the commitments under the Revolving Credit Facility.

The restrictions under the Credit Facilities and the Senior Notes Indentures have resulted in substantially all of our consolidated assets being restricted.

As of December 31, 2023, we were in compliance with applicable financial debt covenants under the Credit Facilities and the Senior Notes Indentures and there were no limitations on our ability to draw on the remaining availability under our Revolving Credit Facility.

TH Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of C\$225 million with a maturity date of October 4, 2025 (the “TH Facility”). The interest rate applicable to the TH Facility is the Canadian Bankers’ Acceptance rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Obligations under the TH Facility are guaranteed by four of our subsidiaries, and amounts borrowed under the TH Facility are secured by certain parcels of real estate. As of December 31, 2023, we had approximately C\$182 million outstanding under the TH Facility with a weighted average interest rate of 6.84%.

RE Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of \$50 million with a maturity date of October 12, 2028 (the “RE Facility”). The interest rate applicable to the RE Facility is, at our option, either (i) a base rate, subject to a floor of 0.50%, plus an applicable margin of 0.50% or (ii) Adjusted Term SOFR (Adjusted Term SOFR is calculated as Term SOFR plus a margin based on duration), subject to a floor of 0.00%, plus an applicable margin of 1.50%. Obligations under the RE Facility are guaranteed by four of our subsidiaries, and amounts borrowed under the RE Facility are secured by certain parcels of real estate. As of December 31, 2023, we had approximately \$4 million outstanding under the RE Facility with a weighted average interest rate of 6.95%.

Debt Issuance Costs

During 2023 and 2021, we incurred aggregate deferred financing costs of \$44 million and \$19 million, respectively. We did not incur any significant deferred financing costs during 2022.

Table of Contents

Loss on Early Extinguishment of Debt

During 2023, we recorded a \$16 million loss on early extinguishment of debt that primarily reflects expensing of fees in connection with the 7th Amendment and the write-off of unamortized debt issuance costs. During 2021, we recorded an \$11 million loss on early extinguishment of debt that primarily reflects the payment of redemption premiums and the write-off of unamortized debt issuance costs in connection with the redemption of the remaining \$775 million principal amount outstanding of the 4.25% first lien senior notes.

Note 9. Leases

As of December 31, 2023, we leased or subleased 4,941 restaurant properties to franchisees and 132 non-restaurant properties to third parties under operating leases, direct financing leases and sales-type leases where we are the lessor. Initial lease terms generally range from 10 to 20 years. Most leases to franchisees provide for fixed monthly payments and many provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent, determined as a percentage of sales, generally when annual sales exceed specific levels. Lessees typically bear the cost of maintenance, insurance and property taxes.

We lease land, buildings, equipment, office space and warehouse space from third parties. Land and building leases generally have an initial term of 10 to 20 years, while land-only lease terms can extend longer, and most leases provide for fixed monthly payments. Many of these leases provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent payments, determined as a percentage of sales, generally when annual sales exceed specified levels. Most leases also obligate us to pay, as lessee, variable lease cost related to maintenance, insurance and property taxes.

We are generally permanently reinvested on any potential outside basis differences except for unremitted earnings and profits and thus do not record a deferred tax liability for such outside basis differences. To the extent of unremitted earnings and profits, we generally review various factors including, but not limited to, forecasts and budgets of financial needs of cash for working capital, liquidity and expected cash requirements to fund our various obligations and record deferred taxes to the extent we expect to distribute.

We had \$58 million and \$139 million of unrecognized tax benefits at December 31, 2023 and December 31, 2022, respectively, which if recognized, would favorably affect the effective income tax rate. A reconciliation of the beginning and ending amounts of unrecognized tax benefits is as follows (in millions):

	2023	2022	2021
Beginning balance	\$ 139	\$ 437	\$ 497
Additions for tax positions related to the current year	5	(5)	9

Ending balance	<u>\$ 58</u>	<u>\$ 139</u>	<u>\$ 437</u>

Although the timing of the resolution, settlement, and closure of any audits is highly uncertain, it is reasonably possible that the balance of gross unrecognized tax benefits could significantly change in the next 12 months. During the twelve months beginning January 1, 2024, it is reasonably possible we will reduce unrecognized tax benefits by up to approximately \$6 million due to the expiration of statutes of limitations, anticipated closure of various tax matters currently under examination, and settlements with tax authorities all being possibly impacted in multiple jurisdictions.

We recognize interest and penalties related to unrecognized tax benefits in income tax expense. The total amount of accrued interest and penalties was \$11 million and \$27 million at December 31, 2023 and 2022, respectively. Potential interest and penalties associated with uncertain tax positions in various jurisdictions recognized was \$4 million during 2023, \$3 million during 2022 and \$2 million during 2021. To the extent interest and penalties are not assessed with respect to uncertain tax positions, amounts accrued will be reduced and reflected as a reduction of the overall income tax provision.

We file income tax returns with Canada and its provinces and territories. Generally, we are subject to routine examinations by the Canada Revenue Agency (“CRA”). The CRA is conducting examinations of the 2016 through 2019 taxation years. Additionally, income tax returns filed with various provincial jurisdictions are generally open to examination for periods up to six years subsequent to the filing and assessment of the respective return.

[Table of Contents](#)

We also file income tax returns, including returns for our subsidiaries, with U.S. federal, U.S. state, and other foreign jurisdictions. We are subject to routine examination by taxing authorities in the U.S. jurisdictions, as well as other foreign tax jurisdictions. Taxable years of such U.S. companies are closed through 2019 for U.S. federal income tax purposes. We have various U.S. state and other foreign income tax returns in the process of examination. From time to time, these audits result in proposed assessments where the ultimate resolution may result in owing additional taxes. We believe that our tax positions comply with applicable tax law and that we have adequately provided for these matters.

Note 11. Derivative Instruments

Disclosures about Derivative Instruments and Hedging Activities

We enter into derivative instruments for risk management purposes, including derivatives designated as cash flow hedges and derivatives designated as net investment hedges. We use derivatives to manage our exposure to fluctuations in interest rates and currency exchange rates.

Interest Rate Swaps

At December 31, 2023, we had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$3,500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities, including any subsequent refinancing or replacement of the Term Loan Facilities, beginning August 31, 2021 through the termination date of October 31, 2028. Additionally, at December 31, 2023, we also had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities effective September 30, 2019 through the termination date of September 30, 2026. Following the discontinuance of the U.S. dollar LIBOR after June 30, 2023, the interest rate on all these interest rate swaps transitioned from LIBOR to SOFR, with no impact to hedge effectiveness and no change in accounting treatment as a result of applicable accounting relief guidance for the transition away from LIBOR. At inception, all of these interest rate swaps were designated as cash flow hedges for hedge accounting. The unrealized changes in market value are recorded in AOCI, net of tax, and reclassified into interest expense during the period in which the hedged forecasted transaction affects earnings. The net amount of pre-tax gains in connection with these net unrealized gains in AOCI as of December 31, 2023 that we expect to be reclassified into interest expense within the next 12 months is \$115 million.

Cross-Currency Rate Swaps

To protect the value of our investments in our foreign operations against adverse changes in foreign currency exchange rates, we hedge a portion of our net investment in one or more of our foreign subsidiaries by using cross-currency rate swaps. At December 31, 2023, we had outstanding cross-currency rate swap contracts between the Canadian dollar and U.S. dollar and the Euro and U.S. dollar that have been designated as net investment hedges of a portion of our equity in foreign operations in those currencies. The component of the gains and losses on our net investment in these designated foreign operations driven by changes in foreign exchange rates are economically partly offset by movements in the fair value of our cross-currency swap contracts. The fair value of the swaps is calculated each period with changes in fair value reported in AOCI, net of tax. Such amounts will remain in AOCI until the complete or substantially complete liquidation of our investment in the underlying foreign operations.

At December 31, 2023, we had outstanding cross-currency rate swaps that we entered into during 2022 to partially hedge the net investment in our Canadian subsidiaries. At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as net investment hedges. These swaps are contracts in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional amount of \$5,000 million through the maturity date of September 30, 2028.

During 2022, we de-designated existing cross-currency rate swap hedges between the Canadian dollar and U.S. dollar with a total notional amount of \$5,000 million for hedge accounting. As a result of these de-designations, changes in fair value of these undesignated hedges were recognized in earnings. Concurrently with these de-designations and to offset the changes in fair value recognized in earnings, we entered into off-setting cross-currency rate swaps, with a total notional amount of \$5,000 million, that were not designated as a hedge for hedge accounting and as such changes in fair value were recognized in earnings. The balances in AOCI associated with the de-designated cross-currency rate swaps will remain in AOCI and will only be reclassified into earnings if and when the net investment in our Canadian subsidiaries is sold or substantially sold. The entire notional amount of the de-designated cross-currency rate swaps and the off-setting cross-currency rate swaps were cash settled during 2022 for approximately \$35 million in net proceeds and included within operating activities in the consolidated statements of cash flows.

[Table of Contents](#)

At December 31, 2023, we had outstanding cross-currency rate swap contracts between the Euro and U.S. dollar in which we receive quarterly fixed-rate interest payments on the U.S. dollar aggregate amount of \$2,750 million, of which \$1,400 million have a maturity date of October 31, 2026, \$1,200 million have a maturity date of November 30, 2028, and \$150 million have a maturity date of October 31, 2028. At inception, these cross-currency rate swaps were designated and continue to be hedges and are accounted for as a net investment hedge. During 2023, we settled our previously existing cross-currency rate swaps in which we paid quarterly fixed-rate interest payments on the Euro notional amount of €1,108 million and received quarterly fixed-rate interest payments on the U.S. dollar notional amount of \$1,200 million and an original maturity date of February 17, 2024. During 2023, we also settled our previously existing cross-currency rate swap contracts between the Euro and U.S. dollar with a notional value of \$900 million and an original maturity date of February 17, 2024. In connection with these settlements, we received \$69 million in cash which is included within operating activities in the consolidated statements of cash flows.

In connection with the cross-currency rate swaps hedging Canadian dollar and Euro net investments, we utilize the spot method to exclude the interest component (the “Excluded Component”) from the accounting hedge without affecting net investment hedge accounting and amortize the Excluded Component over the life of the derivative instrument. The amortization of the Excluded Component is recognized in Interest expense, net in the condensed consolidated statement of operations. The change in fair value that is not related to the Excluded Component is recorded in AOCI and will be reclassified to earnings when the foreign subsidiaries are sold or substantially liquidated.

Foreign Currency Exchange Contracts

We use foreign exchange derivative instruments to manage the impact of foreign exchange fluctuations on U.S. dollar purchases and payments, such as coffee purchases made by our Canadian Tim Hortons operations. At December 31, 2023, we had outstanding forward currency contracts to manage this risk in which we sell Canadian dollars and buy U.S. dollars with a notional value of \$169 million with maturities to February 18, 2025. We have designated these instruments as cash flow hedges, and as such, the unrealized changes in market value of effective hedges are recorded in AOCI and are reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

Credit Risk

By entering into derivative contracts, we are exposed to counterparty credit risk. Counterparty credit risk is the failure of the counterparty to perform under the terms of the derivative contract. When the fair value of a derivative contract is in an asset position, the counterparty has a liability to us, which creates credit risk for us. We attempt to minimize this risk by selecting counterparties with investment grade credit ratings and regularly monitoring our market position with each counterparty.

Credit-Risk Related Contingent Features

Our derivative instruments do not contain any credit-risk related contingent features.

Note 12. Shareholders' Equity

Special Voting Share

The holders of the Partnership exchangeable units are indirectly entitled to vote in respect of matters on which holders of the common shares of the Company are entitled to vote, including in respect of the election of RBI directors, through a special voting share of the Company (the "Special Voting Share"). The Special Voting Share is held by a trustee, entitling the trustee to that number of votes on matters on which holders of common shares of the Company are entitled to vote equal to the number of Partnership exchangeable units outstanding. The trustee is required to cast such votes in accordance with voting instructions provided by holders of Partnership exchangeable units. At any shareholder meeting of the Company, holders of our common shares vote together as a single class with the Special Voting Share except as otherwise provided by law.

Noncontrolling Interests

We reflect a noncontrolling interest which primarily represents the interests of the holders of Partnership exchangeable units in Partnership that are not held by RBI. The holders of Partnership exchangeable units held an economic interest of approximately 29.9% and 31.8% in Partnership common equity through the ownership of 133,597,764 and 142,996,640 Partnership exchangeable units as of December 31, 2023 and 2022, respectively.

Pursuant to the terms of the partnership agreement, each holder of a Partnership exchangeable unit is entitled to distributions from Partnership in an amount equal to any dividends or distributions that we declare and pay with respect to our common shares. Additionally, each holder of a Partnership exchangeable unit is entitled to vote in respect of matters on which holders of RBI common shares are entitled to vote through our special voting share. A holder of a Partnership exchangeable unit may require Partnership to exchange all or any portion of such holder's Partnership exchangeable units for our common shares at a ratio of one common share for each Partnership exchangeable unit, subject to our right as the general partner of Partnership, in our sole discretion, to deliver a cash payment in lieu of our common shares. If we elect to make a cash payment in lieu of issuing common shares, the amount of the payment will be the weighted average trading price of the common shares on the New York Stock Exchange for the 20 consecutive trading days ending on the last business day prior to the exchange date.

During 2023, Partnership exchanged 9,398,876 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 9,398,876 Partnership exchangeable units for the same number of newly issued RBI common shares. During 2022, Partnership exchanged 1,996,818 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 1,996,818 Partnership exchangeable units for the same number of newly issued RBI common shares. During 2021, Partnership exchanged 10,119,880 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 10,119,880 Partnership exchangeable units for the same number of newly issued RBI common shares. The exchanges represented increases in our ownership interest in Partnership and were accounted for as equity transactions, with no gain or loss recorded in the consolidated statements of operations. Pursuant to the terms of the partnership agreement, upon the exchange of Partnership exchangeable units, each such Partnership exchangeable unit was cancelled concurrently with the exchange.

Share Repurchases

On August 31, 2023, our Board of Directors approved a share repurchase program that allows us to purchase up to \$1,000 million of our common shares until September 30, 2025. This approval follows the expiration of our prior two-year authorization to repurchase up to the same \$1,000 million amount of our common shares. During 2023, we repurchased and cancelled 7,639,137 common shares for \$500 million. During 2022, we repurchased and cancelled 6,101,364 common shares for \$326 million. During 2021, we repurchased and cancelled 9,247,648 common shares for \$551 million. As of December 31, 2023, we had \$500 million remaining under the authorization.

Note 13. Share-based Compensation

We are currently issuing awards under the 2023 Omnibus Incentive Plan (the “2023 Plan”) and the number of shares available for issuance under such plan as of December 31, 2023 was 15,319,222. The 2023 Plan, and, prior to its adoption our Amended and Restated 2014 Omnibus Incentive Plan as amended (the “2014 Plan”) and together with the 2023 Plan, the “Omnibus Plans”), permits the grant of several types of awards with respect to our common shares, including stock options, time-vested RSUs, and performance-based RSUs, which may include Company, S&P 500 Index and/or individual performance based-vesting conditions. Under the terms of the Omnibus Plans and the applicable award agreements, RSUs are generally entitled to dividend equivalents, which are not distributed unless the related awards vest. Upon vesting, the amount of the dividend equivalent, which is distributed in additional RSUs, except in the case of RSUs awarded to non-management members of our board of directors, is equal to the equivalent of the aggregate dividends declared on common shares during the period from the date of grant of the award compounded until the date the shares underlying the award are delivered.

We also have some outstanding awards under legacy plans for Burger King and Tim Hortons, which were assumed in connection with the merger and amalgamation of those entities within the RBI group. No new awards may be granted under the 2014 Plan or these legacy Burger King plans or legacy Tim Hortons plans.

Share-based compensation expense is generally classified as general and administrative expenses in the consolidated statements of operations and consists of the following for the periods presented (in millions):

	2023	2022	2021
Total share-based compensation expense	\$ 177	\$ 121	\$ 88

As of December 31, 2023, total unrecognized compensation cost related to share-based compensation arrangements was \$285 million and is expected to be recognized over a weighted-average period of approximately 2.7 years.

Restricted Stock Units

The fair value of the time-vested RSUs and performance-based RSUs is based on the closing price of the Company's common shares on the trading day preceding the date of grant. Time-vested RSUs are expensed over the vesting period. Performance-based RSUs are expensed over the vesting period, based upon the probability that the performance target will be met. We grant fully vested RSUs, with dividend equivalent rights that accrue in cash, to non-employee members of our board of directors in lieu of a cash retainer and committee fees. All such RSUs will settle and common shares of the Company will be issued following termination of service by the board member.

Starting in 2021, grants of time-vested RSUs generally vest 25% per year on December 15th or 31st over four years from the grant date and performance-based RSUs generally cliff vest three years from the grant date (the starting date for the applicable vesting period is referred to as the "Anniversary Date"). Time-vested RSUs and performance-based RSUs awarded prior to 2021 generally cliff vest five years from the original grant date.

During 2022, the Company granted performance-based RSUs that cliff vest three years from the original grant date based on achievement of performance metrics with a multiplier that can increase or decrease the amount vested based on the achievement of contractually defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted in 2021 and 2023 cliff vest three years from the original grant date based solely on defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted to the CEO in 2023 cliff vest five years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period. The total fair value of performance-based RSUs that solely have a performance condition relative to the S&P 500 Index does not change regardless of the value that the award recipients ultimately receive.

For grants of time-vested RSUs beginning in 2021, if the employee is terminated for any reason prior to any vesting date, the employee will forfeit all of the RSUs that are unvested at the time of termination. For grants of performance-based RSUs beginning in 2021, if the employee is terminated within the first two years of the Anniversary Date, 100% of the performance-based RSUs will be forfeited. If we terminate the employment of a performance-based RSU holder without cause at least two years after the grant date, or if the employee retires, the employee will become vested in 67% of the performance-based RSUs that are earned based on the performance criteria.

For grants prior to 2021, if the employee is terminated for any reason within the first two years of the Anniversary Date, 100% of the time-vested RSUs granted will be forfeited. If we terminate the employment of a time-vested RSU holder without cause two years after the Anniversary Date, or if the employee retires, the employee will become vested in the number of time-vested RSUs as if the time-vested RSUs vested 20% for each anniversary after the grant date. Also, for grants prior to 2021, if the employee is terminated for any reason within the first three years of the Anniversary Date, 100% of the performance-based RSUs granted will be forfeited. If we terminate the employment of a performance-based RSU holder without cause between three and five years after the Anniversary Date, or if the employee retires, the employee will become vested in 50% of the performance-based RSUs.

An alternate ratable vesting schedule applies to the extent the participant ends employment by reason of death or disability.

Chairman Awards

In connection with the appointment of the Executive Chairman in November 2022, the Company made one-time grants of options, RSUs and performance-based RSUs with specific terms and conditions. The Company granted 2,000,000 options with an exercise price equal to the closing price of RBI common shares on the trading day preceding the date of grant that cliff vest five years from the date of grant and expire after ten years. The Company granted 500,000 RSUs that vest ratably over five years on the anniversary of the grant date. Lastly, the Company granted 750,000 performance-based RSUs that cliff vest five and a half years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period regardless of the value that the award recipient ultimately receives.

The weighted-average grant date fair value of time-vested RSUs granted was \$57.24 and \$60.97 during 2022 and 2021, respectively. The weighted-average grant date fair value of performance-based RSUs granted was \$51.31 and \$57.60 during 2022 and 2021, respectively. The total fair value, determined as of the date of vesting, of RSUs vested and converted to common shares of the Company during 2023, 2022 and 2021 was \$141 million, \$58 million and \$99 million, respectively.

Stock Options

Stock option awards are granted with an exercise price or market value equal to the closing price of our common shares on the trading day preceding the date of grant. We satisfy stock option exercises through the issuance of authorized but previously unissued common shares. Stock option grants generally cliff vest 5 years from the original grant date, provided the employee is continuously employed by us or one of our affiliates, and the stock options expire 10 years following the grant date. Additionally, if we terminate the employment of a stock option holder without cause prior to the vesting date, or if the employee retires or becomes disabled, the employee will become vested in the number of stock options as if the stock options vested 20% on each anniversary of the grant date. If the employee dies, the employee will become vested in the number of stock options as if the stock options vested 20% on the first anniversary of the grant date, 40% on the second anniversary of the grant date and 100% on the third anniversary of the grant date. If an employee is terminated with cause or resigns before vesting, all stock options are forfeited. If there is an event such as a return of capital or dividend that is determined to be dilutive, the exercise price of the awards will be adjusted accordingly.

The following assumptions were used in the Black-Scholes option-pricing model to determine the fair value of stock option awards granted in 2022 at the grant date. There were no significant stock option awards granted in 2023 or 2021.

	2022
Risk-free interest rate	3.92%
Expected term (in years)	7.50
Expected volatility	30.0%
Expected dividend yield	3.24%

The risk-free interest rate was based on the U.S. Treasury or Canadian Sovereign bond yield with a remaining term equal to the expected option life assumed at the date of grant. The expected term was calculated based on the analysis of a five-year vesting period coupled with our expectations of exercise activity. Expected volatility was based on the historical and implied equity volatility of the Company. The expected dividend yield is based on the annual dividend yield at the time of grant.

Note 14. Revenue Recognition

Contract Liabilities

Contract liabilities consist of deferred revenue resulting from initial and renewal franchise fees paid by franchisees, as well as upfront fees paid by master franchisees, which are generally recognized on a straight-line basis over the term of the underlying agreement. We may recognize unamortized franchise fees and upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract. We classify these contract liabilities as Other liabilities, net in our consolidated balance sheets. The following table reflects the change in contract liabilities on a consolidated basis between December 31, 2022 and December 31, 2023 (in millions):

Contract Liabilities

Note 15. Other Operating Expenses (Income), net

Other operating expenses (income), net, consist of the following (in millions):

	2023	2022	2021
Net losses (gains) on disposal of assets, restaurant closures and refranchisings	\$ 16	\$ 4	\$ 2
Litigation settlements and reserves, net	1	11	81

Other, net	18	14	—
Other operating expenses (income), net	<u>\$ 55</u>	<u>\$ 25</u>	<u>\$ 7</u>

Net losses (gains) on disposal of assets, restaurant closures, and refranchisings represent sales of properties and other costs related to restaurant closures and refranchisings. Gains and losses recognized in the current period may reflect certain costs related to closures and refranchisings that occurred in previous periods. The amount for 2023 includes asset write-offs and related costs in connection with the discontinuance of an internally developed software project.

Litigation settlements and reserves, net primarily reflects accruals and payments made and proceeds received in connection with litigation and arbitration matters and other business disputes.

In early 2022, we entered into negotiations to resolve business disputes that arose during 2021 with counterparties to the master franchise agreements for Burger King and Popeyes in China. Based on these discussions, we paid approximately \$100 million in 2022, of which \$5 million and \$72 million was recorded as Litigation settlements and reserves, net in 2022 and 2021, respectively. The majority of this amount related to Popeyes, resolved our disputes, and allowed us to move forward in the market with a new master franchisee. Additionally, pursuant to this agreement we and our partners have made equity contributions to the Burger King business in China.

Net losses (gains) on foreign exchange is primarily related to revaluation of foreign denominated assets and liabilities, primarily those denominated in Euros and Canadian dollars.

Other, net for 2023 and 2022 are primarily related to payments in connection with FHS area representative buyouts.

Note 16. Commitments and Contingencies

Letters of Credit

As of December 31, 2023, we had \$12 million in irrevocable standby letters of credit outstanding, which were issued primarily to certain insurance carriers to guarantee payments of deductibles for various insurance programs, such as health and commercial liability insurance. Of these letters of credit outstanding, \$2 million are secured by the collateral under our Revolving Credit Facility and the remainder are secured by cash collateral. As of December 31, 2023, no amounts had been drawn on any of these irrevocable standby letters of credit.

Purchase Commitments

We have arrangements for information technology and telecommunication services with an aggregate contractual obligation of \$30 million over the next three years, some of which have early termination fees. We also enter into commitments to purchase advertising. As of December 31, 2023, these commitments totaled \$201 million and run through 2028.

Litigation

From time to time, we are involved in legal proceedings arising in the ordinary course of business relating to matters including, but not limited to, disputes with franchisees, suppliers, employees and customers, as well as disputes over our intellectual property.

(“BKW”) and Burger King Company, successor in interest, (“BKC”) in the U.S. District Court for the Southern District of Florida by Jarvis Arrington, individually and on behalf of all others similarly situated. On October 18, 2018, a second class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Monique Michel, individually and on behalf of all others similarly situated. On October 31, 2018, a third class action complaint was filed against BKC and BKW in the U.S. District Court for the Southern District of Florida by Geneva Blanchard and Tiffany Miller, individually and on behalf of all others similarly situated. On November 2, 2018, a fourth class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Sandra Munster, individually and on behalf of all others similarly situated. These complaints have been consolidated and allege that the defendants violated Section 1 of the Sherman Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Burger King franchisees are required to sign. Each plaintiff seeks injunctive relief and damages for himself or herself and other members of the class. On March 24, 2020, the Court granted BKC’s motion to dismiss for failure to state a claim and on April 20, 2020 the plaintiffs filed a motion for leave to amend their complaint. On April 27, 2020, BKC filed a motion opposing the motion for leave to amend. The court denied the plaintiffs motion for leave to amend their complaint in August 2020 and the plaintiffs appealed this ruling. In August 2022, the federal appellate court reversed the lower court's decision to dismiss the case and remanded the case to the lower court for further proceedings. While we intend to vigorously defend these claims, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

Note 17. Segment Reporting and Geographical Information

As stated in Note 1, *Description of Business and Organization*, we manage four brands. Under the *Tim Hortons* brand, we operate in the donut/coffee/tea category of the quick service segment of the restaurant industry. Under the *Burger King* brand, we operate in the fast food hamburger restaurant category of the quick service segment of the restaurant industry. Under the *Popeyes* brand, we operate in the chicken category of the quick service segment of the restaurant industry. Under the *Firehouse Subs* brand, we operate in the specialty subs category of the quick service segment of the restaurant industry.

Our business generates revenue from the following sources: (i) sales, consisting primarily of (1) Tim Hortons supply chain sales, which represent sales of products, supplies and restaurant equipment to franchisees, as well as sales of consumer packaged goods (“CPG”), and (2) sales at Company restaurants; (ii) franchise revenues, consisting primarily of royalties based on a percentage of sales reported by franchised restaurants and franchise fees paid by franchisees; (iii) property revenues from properties we lease or sublease to franchisees; and (iv) advertising revenues and other services, consisting primarily of (1) advertising fund contributions based on a percentage of sales reported by franchised restaurants to fund advertising expenses and (2) tech fees and revenues, that vary by market, and partially offset expenses related to technology initiatives.

During the fourth quarter of 2023, we revised our internal reporting structure, which resulted in a change to our operating and reportable segments. As a result, we manage each of our brands’ United States and Canada operations as an operating and reportable segment and our international operations as a separate operating and reportable segment.

Consequently, we have five operating and reportable segments: (1) TH, which includes all operations of our *Tim Hortons* brand in the United States and Canada, (2) BK, which includes all operations of our *Burger King* brand in the United States and Canada, (3) PLK, which includes all operations of our *Popeyes* brand in the United States and Canada, (4) FHS, which includes all operations of our *Firehouse Subs* brand in the United States and Canada, and (5) INTL, which includes all operations of each of our brands outside the United States and Canada. Our five operating segments represent our reportable segments. Prior year amounts presented have been reclassified to conform to this new segment presentation with no effect on previously reported consolidated results. FHS revenues and segment income for the period from the acquisition date of December 15, 2021 through December 26, 2021 (the fiscal year end for FHS) are included in our consolidated statement of operations for 2021.

Long-lived assets include property and equipment, net, finance and operating lease right of use assets, net and net investment in property leased to franchisees. Only Canada and the United States represented 10% or more of our total long-lived assets as of December 31, 2023 and December 31, 2022.

In connection with our change in operating and reportable segments, we also transitioned our definition of segment income from Adjusted EBITDA to Adjusted Operating Income and represents income from operations adjusted to exclude (i) franchise agreement amortization as a result of acquisition accounting, (ii) (income) loss from equity method investments, net of cash distributions received from equity method investments, (iii) other operating expenses (income), net and, (iv) income/expenses from non-recurring projects and non-operating activities. For the periods referenced, income/expenses from non-recurring projects and non-operating activities included (i) non-recurring fees and expense incurred in connection with the acquisition of Firehouse consisting of professional fees, compensation-related expenses and integration costs (“FHS Transaction costs”); and (ii) non-operating costs from professional advisory and consulting services associated with certain transformational corporate restructuring initiatives that rationalize our structure and optimize cash movements as well as services related to significant tax reform legislation and regulations (“Corporate restructuring and advisory fees”). Unlike Adjusted EBITDA, our previous measure of segment income, Adjusted Operating Income includes depreciation and amortization (excluding franchise agreement amortization) as well as share-based compensation and non-cash incentive compensation expense. Prior year amounts presented have been reclassified to conform to this new segment income presentation with no effect on previously reported consolidated results.

Adjusted Operating Income is used by management to measure operating performance of the business, excluding these non-cash and other specifically identified items that management believes are not relevant to management’s assessment of our operating performance. A reconciliation of segment income to net income consists of the following (in millions):

Management’s Report on Internal Control Over Financial Reporting

Management of Restaurant Brands International Inc. (“RBI”), the sole general partner of Restaurant Brands International Limited Partnership (the “Partnership”), is responsible for the preparation, integrity and fair presentation of the consolidated financial statements, related notes and other information included in this annual report. The consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and include certain amounts based on management’s estimates and assumptions. Other financial information presented in the annual report is derived from the consolidated financial statements.

Management is also responsible for establishing and maintaining adequate internal control over financial reporting, and for performing an assessment of the effectiveness of internal control over financial reporting as of December 31, 2023. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Our system of internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of Partnership; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of Partnership are being made only in accordance with authorizations of management and directors of RBI; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of Partnership’s assets that could have a material effect on the consolidated financial statements.

Management performed an assessment of the effectiveness of Partnership’s internal control over financial reporting as of December 31, 2023 based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on our assessment and those criteria, management determined that Partnership’s internal control over financial reporting was effective as of December 31, 2023.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The effectiveness of Partnership’s internal control over financial reporting as of December 31, 2023 has been audited by KPMG LLP, Partnership’s independent registered public accounting firm, as stated in its report which is included herein.

Report of Independent Registered Public Accounting Firm

To the Partners, Restaurant Brands International Limited Partnership, and Board of Directors,
Restaurant Brands International Inc., the sole general partner of Restaurant Brands International Limited Partnership:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Restaurant Brands International Limited Partnership and subsidiaries (the Partnership) as of December 31, 2023 and 2022, the related consolidated statements of operations, comprehensive income (loss), equity, and cash flows for each of the years in the three-year period ended December 31, 2023, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Partnership as of December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Partnership's internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control - Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 22, 2024 expressed an unqualified opinion on the effectiveness of the Partnership's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Gross unrecognized tax benefits

As discussed in Notes 2 and 10 to the consolidated financial statements, the Partnership records a liability for unrecognized tax benefits associated with uncertain tax positions. The Partnership recognizes tax benefits from tax positions only if there is more than a 50% likelihood that the tax positions will be sustained upon examination by the taxing authorities, based on the technical merits of the positions. As of December 31, 2023, the Partnership has recorded gross unrecognized tax benefits, excluding associated interest and penalties, of \$58 million.

We identified the assessment of gross unrecognized tax benefits resulting from certain tax planning strategies implemented during the year as a critical audit matter. Identifying and determining uncertain tax positions arising from implementing tax planning strategies involved a number of judgments and assumptions, which included complex considerations of tax law. As a result, subjective and complex auditor judgment, including the involvement of tax professionals with specialized skills and knowledge, was required to evaluate the Partnership's interpretation of tax law and its determination of which tax positions have more than a 50% likelihood of being sustained upon examination.

Table of Contents

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Partnership's gross unrecognized tax benefits process, including controls related to 1) interpreting tax law, 2) identifying significant uncertain tax positions arising from tax planning strategies that were implemented during the year, 3) evaluating the tax consequences of the related strategies, and 4) evaluating which of the Partnership's tax positions may not be sustained upon examination. In addition, we involved tax professionals with specialized skills and knowledge, who assisted in:

- obtaining an understanding of the Partnership's tax planning strategies
- evaluating the Partnership's interpretation of the relevant tax laws by developing an independent assessment
- evaluating the Partnership's identification of uncertain tax positions to assess the tax consequences of these related tax positions
- performing an independent assessment of the Partnership's tax positions and comparing our assessment to the Partnership's assessment.

Report of Independent Registered Public Accounting Firm

To the Partners, Restaurant Brands International Limited Partnership, and Board of Directors,
Restaurant Brands International Inc., the sole general partner of Restaurant Brands International Limited Partnership:

Opinion on Internal Control Over Financial Reporting

We have audited Restaurant Brands International Limited Partnership and subsidiaries' (the Partnership) internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Partnership maintained, in all material respects, effective internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Partnership as of December 31, 2023 and 2022, the related consolidated statements of operations, comprehensive income (loss), equity, and cash flows for each of the years in the three-year period ended December 31, 2023, and the related notes (collectively, the consolidated financial statements), and our report dated February 22, 2024 expressed an unqualified opinion on those consolidated financial statements.

Basis for Opinion

The Partnership's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Partnership's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Consolidated Financial Statements

Note 1. Description of Business and Organization

Description of Business

Restaurant Brands International Limited Partnership (“Partnership”, “we”, “us” or “our”) is a Canadian limited partnership. We franchise and operate quick service restaurants serving premium coffee and other beverage and food products under the *Tim Hortons*® brand (“Tim Hortons”), fast food hamburgers principally under the *Burger King*® brand (“Burger King”), chicken under the *Popeyes*® brand (“Popeyes”) and sandwiches under the *Firehouse Subs*® brand (“Firehouse”). We are one of the world’s largest quick service restaurant, or QSR, companies as measured by total number of restaurants. As of December 31, 2023, we franchised or owned 5,833 Tim Hortons restaurants, 19,384 Burger King restaurants, 4,571 Popeyes restaurants, and 1,282 Firehouse Subs restaurants, for a total of 31,070 restaurants, and operate in more than 120 countries and territories. As of December 31, 2023, nearly all of the current system-wide restaurants are franchised.

We are a subsidiary of Restaurant Brands International Inc. (“RBI”). RBI is our sole general partner, and as such, RBI has the exclusive right, power and authority to manage, control, administer and operate the business and affairs and to make decisions regarding the undertaking and business of Partnership in accordance with the partnership agreement of Partnership (“partnership agreement”) and applicable laws.

Note 2. Significant Accounting Policies

Fiscal Year

We operate on a monthly calendar, with a fiscal year that ends on December 31.

Basis of Presentation

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) and related rules and regulations of the U.S. Securities and Exchange Commission requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Principles of Consolidation

The consolidated financial statements (the “Financial Statements”) include our accounts and the accounts of entities in which we have a controlling financial interest, the usual condition of which is ownership of a majority voting interest. We also consolidate marketing funds we control. All material intercompany balances and transactions have been eliminated in consolidation. Investments in other affiliates that are owned 50% or less where we have significant influence are generally accounted for by the equity method.

We also consider for consolidation entities in which we have certain interests, where the controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity (“VIE”), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it. Our maximum exposure to loss resulting from involvement with VIEs is attributable to accounts and notes receivable balances, investment balances, outstanding loan guarantees and future lease payments, where applicable.

As our franchise and master franchise arrangements provide the franchise and master franchise entities the power to direct the activities that most significantly impact their economic performance, we do not consider ourselves the primary beneficiary of any such entity that might be a VIE.

Tim Hortons has historically entered into certain arrangements in which an operator acquires the right to operate a restaurant, but Tim Hortons owns the restaurant’s assets. In these arrangements, Tim Hortons has the ability to determine which operators manage the restaurants and for what duration. We perform an analysis to determine if the legal entity in which operations are conducted is a VIE and consolidate a VIE entity if we also determine Tim Hortons is the entity’s primary beneficiary (“Restaurant VIEs”). As of December 31, 2023 and 2022, we determined that we are the primary beneficiary of 38 and 41 Restaurant VIEs,

[Table of Contents](#)

respectively, and accordingly, have consolidated the results of operations, assets and liabilities, and cash flows of these Restaurant VIEs in our Financial Statements.

Assets and liabilities related to consolidated VIEs are not significant to our total consolidated assets and liabilities. Liabilities recognized as a result of consolidating these VIEs do not necessarily represent additional claims on our general assets; rather, they represent claims against the specific assets of the consolidated VIEs. Conversely, assets recognized as a result of consolidating these VIEs do not represent additional assets that could be used to satisfy claims by our creditors as they are not legally included within our general assets.

Foreign Currency Translation and Transaction Gains and Losses

Our functional currency is the U.S. dollar, since our term loans and senior secured notes are denominated in U.S. dollars. The functional currency of each of our operating subsidiaries is generally the currency of the economic environment in which the subsidiary primarily does business. Our foreign subsidiaries' financial statements are translated into U.S. dollars using the foreign exchange rates applicable to the dates of the financial statements. Assets and liabilities are translated using the end-of-period spot foreign exchange rates. Income, expenses and cash flows are translated at the average foreign exchange rates for each period. Equity accounts are translated at historical foreign exchange rates. The effects of these translation adjustments are reported as a component of accumulated other comprehensive income (loss) ("AOCI") in the consolidated statements of equity.

For any transaction that is denominated in a currency different from the entity's functional currency, we record a gain or loss based on the difference between the foreign exchange rate at the transaction date and the foreign exchange rate at the transaction settlement date (or rate at period end, if unsettled) which is included within other operating expenses (income), net in the consolidated statements of operations.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less and credit card receivables are considered cash equivalents.

Accounts and Notes Receivable, net

Our credit loss exposure is mainly concentrated in our accounts and notes receivable portfolio, which consists primarily of amounts due from franchisees, including royalties, rents, franchise fees, contributions due to advertising funds we manage and, in the case of our TH segment, amounts due for supply chain sales. Accounts and notes receivable are reported net of an allowance for expected credit losses over the estimated life of the receivable. Credit losses are estimated based on aging, historical collection experience, financial position of the franchisee and other factors, including those related to current economic conditions and reasonable and supportable forecasts of future conditions.

Bad debt expense recognized for expected credit losses is classified in our consolidated statement of operations as Cost of sales, Franchise and property expenses or Advertising expenses and other services, based on the nature of the underlying receivable. Net bad debt expense (recoveries) totaled \$20 million in 2023, \$19 million in 2022 and \$(9) million in 2021.

Inventories

Inventories are carried at the lower of cost or net realizable value and consist primarily of raw materials such as green coffee beans and finished goods such as new equipment, parts, paper supplies and restaurant food items. The moving average method is used to determine the cost of raw materials and finished goods inventories held for sale to Tim Hortons franchisees.

Property and Equipment, net

We record property and equipment at historical cost less accumulated depreciation and amortization, which is recognized using the straight-line method over the following estimated useful lives: (i) buildings and improvements – up to 40 years; (ii) restaurant equipment – up to 17 years; (iii) furniture, fixtures and other – up to 10 years; and (iv) manufacturing equipment – up to 25 years. Leasehold improvements to properties where we are the lessee are amortized over the lesser of the remaining term of the lease or the estimated useful life of the improvement.

Major improvements are capitalized, while maintenance and repairs are expensed when incurred.

Capitalized Software and Cloud Computing Costs

We record capitalized software at historical cost less accumulated amortization, which is recognized using the straight-line method. Amortization expense is based on the estimated useful life of the software, which is primarily up to five years, once the asset is available for its intended use.

Table of Contents

Implementation costs incurred in connection with Cloud Computing Arrangements (“CCA”) are capitalized consistently with costs capitalized for internal-use software. Capitalized CCA implementation costs are included in “Other assets” in the consolidated balance sheets and are amortized over the term of the related hosting agreement, including renewal periods that are reasonably certain to be exercised. Amortization expense of CCA implementation costs is classified as “General and administrative expenses” in the consolidated statements of operations.

Leases

In all leases, whether we are the lessor or lessee, we define lease term as the noncancellable term of the lease plus any renewals covered by renewal options that are reasonably certain of exercise based on our assessment of the economic factors relevant to the lessee. The noncancellable term of the lease commences on the date the lessor makes the underlying property in the lease available to the lessee, irrespective of when lease payments begin under the contract.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term, and property revenue is presented net of any related sales tax. Lease incentive payments we make to lessees are amortized as a reduction in property revenue over the lease term. We account for reimbursements of maintenance and property tax costs paid to us by lessees as property revenue.

We also have net investments in properties leased to franchisees, which meet the criteria of sales-type leases or met the criteria of direct financing leases under the previous accounting guidance. Investments in sales-type leases and direct financing leases are recorded on a net basis. Profit on sales-type leases is recognized at lease commencement and recorded in other operating expenses (income), net. Unearned income on direct financing leases is deferred, included in the net investment in the lease, and recognized over the lease term yielding a constant periodic rate of return on the net investment in the lease.

We recognize variable lease payment income in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In leases where we are the lessee, we recognize a right-of-use (“ROU”) asset and lease liability at lease commencement, which are measured by discounting lease payments using our incremental borrowing rate as the discount rate. We determine the incremental borrowing rate applicable to each lease by reference to our outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease, as adjusted for the currency of the lease. Subsequent amortization of the ROU asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions of the ROU asset and the change in the lease liability are included in changes in Other long-term assets and liabilities in the Consolidated Statement of Cash Flows.

A finance lease ROU asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease ROU assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure ROU assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. Maintenance and property tax expenses are accounted for on an accrual basis as variable lease cost.

We recognize variable lease cost in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Goodwill and Intangible Assets Not Subject to Amortization

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed in connection with business combination transactions. Our indefinite-lived intangible assets consist of the *Tim Hortons* brand, the *Burger King* brand, the *Popeyes* brand and the *Firehouse Subs* brand (each a “Brand” and together, the “Brands”). Goodwill and the Brands are tested for impairment at least annually as of October 1 of each year and more often if an event occurs or circumstances change which indicate impairment might exist. Our annual impairment tests of goodwill and the Brands may be completed through qualitative assessments. We may elect to bypass the qualitative assessment and proceed directly to a quantitative impairment test for any reporting unit or Brand in any period. We can resume the qualitative assessment for any reporting unit or Brand in any subsequent period.

Table of Contents

Under a qualitative approach, our impairment review for goodwill consists of an assessment of whether it is more-likely-than-not that a reporting unit's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any reporting unit, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a reporting unit exceeds its fair value, we perform a quantitative goodwill impairment test that requires us to estimate the fair value of the reporting unit. If the fair value of the reporting unit is less than its carrying amount, we will measure any goodwill impairment loss as the amount by which the carrying amount of a reporting unit exceeds its fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

Under a qualitative approach, our impairment review for the Brands consists of an assessment of whether it is more-likely-than-not that a Brand's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for a Brand, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a Brand exceeds its fair value, we estimate the fair value of the Brand and compare it to its carrying amount. If the carrying amount exceeds fair value, an impairment loss is recognized in an amount equal to that excess.

We completed our impairment tests for goodwill and the Brands as of October 1, 2023, 2022 and 2021 and no impairment resulted.

Long-Lived Assets

Long-lived assets, such as property and equipment, intangible assets subject to amortization and lease right-of-use assets, are tested for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset or asset group may not be recoverable. Some of the events or changes in circumstances that would trigger an impairment review include, but are not limited to, bankruptcy proceedings or other significant financial distress of a lessee; significant negative industry or economic trends; knowledge of transactions involving the sale of similar property at amounts below the carrying value; or our expectation to dispose of long-lived assets before the end of their estimated useful lives. The impairment test for long-lived assets requires us to assess the recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from use and eventual disposition of the assets or asset group. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. If the net carrying value of a group of long-lived assets exceeds the sum of related undiscounted estimated future cash flows, we record an impairment charge equal to the excess, if any, of the net carrying value over fair value.

Other Comprehensive Income (Loss)

Other comprehensive income (loss) ("OCI") refers to revenues, expenses, gains and losses that are included in comprehensive income (loss), but are excluded from net income (loss) as these amounts are recorded directly as an adjustment to equity, net of tax. Our other comprehensive income (loss) is primarily comprised of unrealized gains and losses on foreign currency translation adjustments and unrealized gains and losses on hedging activity, net of tax.

Derivative Financial Instruments

We recognize and measure all derivative instruments as either assets or liabilities at fair value in the consolidated balance sheets. Derivative instruments accounted for as net investments hedges are classified as long term assets and liabilities in the consolidated balance sheets. We may enter into derivatives that are not designated as hedging instruments for accounting purposes, but which largely offset the economic impact of certain transactions.

Gains or losses resulting from changes in the fair value of derivatives are recognized in earnings or recorded in other comprehensive income (loss) and recognized in the consolidated statements of operations when the hedged item affects earnings, depending on the purpose of the derivatives and whether they qualify for, and we have applied, hedge accounting treatment.

When applying hedge accounting, we designate at a derivative's inception, the specific assets, liabilities or future commitments being hedged, and assess the hedge's effectiveness at inception and on an ongoing basis. We discontinue hedge accounting when: (i) we determine that the cash flow derivative is no longer effective in offsetting changes in the cash flows of a hedged item; (ii) the derivative expires or is sold, terminated or exercised; (iii) it is no longer probable that the forecasted transaction will occur; or (iv) management determines that designation of the derivatives as a hedge instrument is no longer appropriate. We do not enter into or hold derivatives for speculative purposes.

Disclosures about Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date (the exit price). The fair value is based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

Table of Contents

Level 1 Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3 Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The carrying amounts for cash and cash equivalents, accounts and notes receivable and accounts and drafts payable approximate fair value based on the short-term nature of these amounts.

We carry all of our derivatives at fair value and value them using various pricing models or discounted cash flow analysis that incorporate observable market parameters, such as interest rate yield curves and currency rates, which are Level 2 inputs. Derivative valuations incorporate credit risk adjustments that are necessary to reflect the probability of default by the counterparty or us. For disclosures about the fair value measurements of our derivative instruments, see Note 11, *Derivative Instruments*.

The following table presents the fair value of our variable rate term debt and senior notes, estimated using inputs based on bid and offer prices that are Level 2 inputs, and principal carrying amount (in millions):

	As of December 31,	
	2023	2022
Fair value of our variable term debt and senior notes	\$ 12,401	\$ 11,885
Principal carrying amount of our variable term debt and senior notes	\$ 12,900	\$ 12,890

The determination of fair values of our reporting units and the determination of the fair value of the Brands for impairment testing using a quantitative approach during 2023 and 2022 were based upon Level 3 inputs.

Revenue Recognition

Sales

Sales consist primarily of supply chain sales, which represent sales of products, supplies and restaurant equipment to franchisees, as well as sales to retailers and direct to consumer and are presented net of any related sales tax. Orders placed by customers specify the goods to be delivered and transaction prices for supply chain sales. Revenue is recognized upon transfer of control over ordered items, generally upon delivery to the customer, which is when the customer obtains physical possession of the goods, legal title is transferred, the customer has all risks and rewards of ownership and an obligation to pay for the goods is created. Shipping and handling costs associated with outbound freight for supply chain sales are accounted for as fulfillment costs and classified as cost of sales.

To a much lesser extent, sales also include Company restaurant sales (including Restaurant VIEs), which consist of sales to restaurant guests. Revenue from Company restaurant sales is recognized at the point of sale. Taxes assessed by a governmental authority that we collect are excluded from revenue.

Franchise and property revenues

Franchise revenues consist primarily of royalties, initial and renewal franchise fees and upfront fees from development agreements and master franchise and development agreements ("MFDAs"). Under franchise agreements, we provide franchisees with (i) a franchise license, which includes a license to use our intellectual property, (ii) pre-opening services, such as training and inspections, and (iii) ongoing services, such as development of training materials and menu items and restaurant monitoring and inspections. These services are highly interrelated and dependent upon the franchise license and we concluded these services do not represent individually distinct performance obligations. Consequently, we bundle the franchise license performance obligation and promises to provide these services into a single performance obligation (the "Franchise PO"), which we satisfy by providing a right to use our intellectual property over the term of each franchise agreement.

Royalties are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Initial and renewal franchise fees are payable by the franchisee upon a new restaurant opening or renewal of an existing franchise agreement. Our franchise agreement royalties represent sales-based royalties that are related entirely to the Franchise PO and are recognized as franchise sales occur. Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement. Our performance obligation under development agreements other than MFDAs generally consists of an obligation to grant exclusive development rights over a stated term. These development rights are not distinct from franchise agreements, so upfront fees paid by franchisees for exclusive development rights are deferred and apportioned to each franchised restaurant opened by the franchisee. The pro rata amount apportioned to each restaurant is accounted for as an initial franchise fee.

Table of Contents

We have a distinct performance obligation under our MFDAs to grant subfranchising rights over a stated term. Under the terms of MFDAs, we typically either receive an upfront fee paid in cash and/or receive noncash consideration in the form of an equity interest in the master franchisee or an affiliate of the master franchisee. We account for noncash consideration as investments in the applicable equity method investee and recognize revenue in an amount equal to the fair value of the equity interest received. Upfront fees from master franchisees, including the fair value of noncash consideration, are deferred and amortized over the MFDA term on a straight-line basis. We may recognize unamortized upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract.

The portion of gift cards sold to customers which are never redeemed is commonly referred to as gift card breakage. We recognize gift card breakage income proportionately as each gift card is redeemed using an estimated breakage rate based on our historical experience.

Property revenues consists of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases and are excluded from the scope of revenue recognition guidance.

In certain instances, we provide incentives to franchisees in connection with restaurant renovations or other initiatives. These incentives may consist of cash consideration or non-cash consideration such as restaurant equipment. In general, these incentives are designed to support system-wide sales growth to increase our future revenues. The costs of these incentives are capitalized and amortized as a reduction in franchise and property revenue over the term of the contract to which the incentive relates.

Advertising revenues and other services

Advertising revenues consist primarily of franchisee contributions to advertising funds in those markets where our subsidiaries manage an advertising fund and are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing, and related activities. We determined our advertising and promotion management services do not represent individually distinct performance obligations and are included in the Franchise PO.

Other services revenues consist primarily of tech fees and revenues, that vary by market, and partially offset expenses related to technology initiatives. These services are distinct from the Franchise PO because they are not dependent upon the franchise license or highly interrelated with the franchise license.

Cost of Sales

Cost of sales consists primarily of costs associated with the management of our Tim Hortons supply chain, including cost of goods, direct labor, depreciation, bad debt expense (recoveries) from supply chain sales and cost of products sold to retailers. Cost of sales also includes food, paper and labor costs of Company restaurants.

Franchise and Property Expenses

Franchise and property expenses consist primarily of depreciation of properties leased to franchisees, rental expense associated with properties subleased to franchisees, amortization of franchise agreements, and bad debt expense (recoveries) from franchise and property revenues.

Advertising Expenses and Other Services

Advertising expenses and other services consist primarily of expenses relating to marketing, advertising and promotion, including market research, production, advertising costs, sales promotions, social media campaigns, technology initiatives, bad debt expense (recoveries) from franchisee contributions to advertising funds we manage, depreciation and amortization and other related support functions for the respective brands. Additionally, we may incur discretionary expenses to fund advertising programs in connection with periodic initiatives.

Company restaurants and franchised restaurants contribute to advertising funds that our subsidiaries manage in the United States and Canada and certain other international markets. The advertising funds expense the production costs of advertising when the advertisements are first aired or displayed. All other advertising and promotional costs are expensed in the period incurred. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing and related activities. The advertising contributions by Company restaurants (including Restaurant VIEs) are eliminated in consolidation. Consolidated advertising expense totaled \$1,201 million, \$1,032 million and \$962 million in 2023, 2022 and 2021, respectively.

Deferred Financing Costs

Deferred financing costs are amortized over the term of the related debt agreement into interest expense using the effective interest method.

Income Taxes

Amounts in the Financial Statements related to income taxes are calculated using the principles of ASC Topic 740, *Income Taxes*. Under these principles, deferred tax assets and liabilities reflect the impact of temporary differences between the amounts of assets and liabilities recognized for financial reporting purposes and the amounts recognized for tax purposes, as well as tax credit carry-forwards and loss carry-forwards. These deferred taxes are measured by applying currently enacted tax rates. A deferred tax asset is recognized when it is considered more-likely-than-not to be realized. The effects of changes in tax rates on deferred tax assets and liabilities are recognized in income in the year in which the law is enacted. A valuation allowance reduces deferred tax assets when it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

We recognize positions taken or expected to be taken in a tax return in the Financial Statements when it is more-likely-than-not (i.e., a likelihood of more than 50%) that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit with greater than 50% likelihood of being realized upon ultimate settlement.

Translation gains and losses resulting from the remeasurement of foreign deferred tax assets or liabilities denominated in a currency other than the functional currency are classified as other operating expenses (income), net in the consolidated statements of operations.

Share-based Compensation

Compensation expense related to the issuance of share-based awards to our employees is measured at fair value on the grant date. We use the Black-Scholes option pricing model to value stock options. The fair value of restricted stock units (“RSUs”) is generally based on the closing price of RBI's common shares on the trading day preceding the date of grant. Our total shareholder return and if applicable our total shareholder return relative to our peer group is incorporated into the underlying assumptions using a Monte Carlo simulation valuation model to calculate grant date fair value for performance based awards with a market condition. The compensation expense for awards that vest over a future service period is recognized over the requisite service period on a straight-line basis, adjusted for estimated forfeitures of awards that are not expected to vest. We use historical data to estimate forfeitures for share-based awards. Upon the end of the service period, compensation expense is adjusted to account for the actual forfeiture rate. The compensation expense for awards that contain performance conditions is recognized when it is probable that the performance conditions will be achieved.

Supplier Finance Programs

Our Tim Hortons business includes individually negotiated contracts with suppliers, which include payment terms that range up to 120 days. A global financial institution offers a voluntary supply chain finance (“SCF”) program to certain Tim Hortons vendors, which provides suppliers that elect to participate with the ability to elect early payment, which is discounted based on the payment terms and a rate based on RBI's credit rating, which may be beneficial to the vendor. Participation in the SCF program is at the sole discretion of the suppliers and financial institution and we are not a party to the arrangements between the suppliers and the financial institution. Our obligations to suppliers are not affected by the suppliers’ decisions to participate in the SCF program and our payment terms remain the same based on the original supplier invoicing terms and conditions. No guarantees are provided by us or any of our subsidiaries in connection with the SCF Program.

Our confirmed outstanding obligations under the SCF program at December 31, 2023 and December 31, 2022 totaled \$36 million and \$47 million, respectively, and are classified as Accounts and drafts payable in our condensed consolidated balance sheets. All activity related to the obligations is classified as Cost of sales in our condensed consolidated statements of operations and presented within cash flows from operating activities in our condensed consolidated statements of cash flows.

New Accounting Pronouncements

Accounting Relief for the Transition Away from LIBOR and Certain other Reference Rates – In March 2020 and as clarified in January 2021 and December 2022, the Financial Accounting Standards Board (“FASB”) issued guidance which provides optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships, and other transactions that reference LIBOR or another reference rate expected to be discontinued because of reference rate reform. This amendment is effective as of March 12, 2020 through December 31, 2024. The expedients and exceptions provided by this new guidance do not apply to contract modifications made and hedging relationships entered into or evaluated after December 31, 2024, except for hedging relationships existing as of December 31, 2024, that an entity has elected certain optional expedients for and that are retained through the end of the hedging relationships. During 2021, we adopted certain of the expedients as it relates to hedge accounting as certain of our debt agreements

and hedging relationships bear interest at variable rates, primarily U.S. dollar LIBOR. Additionally, during the three months ended September 30, 2023, we amended the LIBOR-referencing credit agreement governing our senior secured term loan facilities to reference the Secured Overnight Financing Rate (SOFR) as further disclosed in Note 8, *Long-Term Debt*. As of December 31, 2023, none of our debt agreements and hedging relationships make reference to LIBOR. The adoption of this new guidance did not have a material impact on our Financial Statements.

Liabilities—Supplier Finance Programs – In September 2022, the FASB issued guidance that requires buyers in a supplier finance program to disclose sufficient information about the program to allow investors to understand the program's nature, activity during the period, changes from period to period, and potential magnitude. These disclosures would include the key terms of the program, as well as the obligation amount that the buyer has confirmed as valid to the third party that is outstanding at the end of the reporting period, a rollforward of that amount, and a description of where that amount is presented in the balance sheet. This amendment is effective in 2023, except for the amendment on rollforward information which is effective in 2024, with early adoption permitted. This guidance should be applied retrospectively to each period in which a balance sheet is presented, except for the amendment on rollforward information, which should be applied prospectively. During the first quarter of 2023, we adopted this guidance and added necessary disclosures upon adoption as disclosed in Note 2, *Significant Accounting Policies*, with the exception of rollforward information which will be added during the first quarter of 2024.

Segment Reporting – In November 2023, the FASB issued guidance that expands segment disclosures for public entities, including requiring disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (“CODM”), the title and position of the CODM and an explanation of how the CODM uses reported measures of segment profit or loss in assessing segment performance and allocating resources. The new guidance also expands disclosures about a reportable segment’s profit or loss and assets in interim periods and clarifies that a public entity may report additional measures of segment profit if the CODM uses more than one measure of a segment’s profit or loss. The new guidance does not remove existing segment disclosure requirements or change how a public entity identifies its operating segments, aggregates those operating segments, or determines its reportable segments. The guidance is effective for fiscal years beginning after December 15, 2023, and subsequent interim periods with early adoption permitted, and requires retrospective application to all prior periods presented in the financial statements. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Improvements to Income Tax Disclosures – In December 2023, the FASB issued guidance that expands income tax disclosures for public entities, including requiring enhanced disclosures related to the rate reconciliation and income taxes paid information. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2024, with early adoption permitted. The guidance should be applied on a prospective basis, with retrospective application to all prior periods presented in the financial statements permitted. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Note 3. Earnings Per Unit

Partnership uses the two-class method in the computation of earnings per unit. Pursuant to the terms of the partnership agreement, RBI, as the holder of the Class A common units, is entitled to receive distributions from Partnership in an amount equal to the aggregate dividends payable by RBI to holders of RBI common shares, and the holders of Class B exchangeable limited partnership units (the “Partnership exchangeable units”) are entitled to receive distributions from Partnership in an amount per unit equal to the dividends payable by RBI on each RBI common share. Partnership’s net income available to common unitholders is allocated between the Class A common units and Partnership exchangeable units on a fully-distributed basis and reflects residual net income after noncontrolling interests. Basic and diluted earnings per Class A common unit is determined by dividing net income allocated to Class A common unitholders by the weighted average number of Class A common units outstanding for the period. Basic and diluted earnings per Partnership exchangeable unit is determined by dividing net income allocated to the Partnership exchangeable units by the weighted average number of Partnership exchangeable units outstanding during the period.

There are no dilutive securities for Partnership as the exercise of stock options and vesting of RSUs will not affect the number of Class A common units or Partnership exchangeable units outstanding. However, the issuance of RBI shares by RBI in future periods will affect the allocation of net income attributable to common unitholders between Partnership’s Class A common units and Partnership exchangeable units.

During the fourth quarter of 2023, we revised our internal reporting structure to align with how our Chief Executive Officer, who is our Chief Operating Decision Maker (“CODM”), manages the business, assesses performance, makes operating decisions and allocates resources, which resulted in a change in our operating and reportable segments. We manage each of our brands’ United States and Canada operations as an operating and reportable segment and our international operations as an operating and reportable segment. As part of this reevaluation, we moved the international components of our previous operating segments to the new International segment with no changes to the composition of any reporting units. The carrying amount of goodwill assigned to each international component is included above in our International segment for both periods presented.

Amortization expense on intangible assets totaled \$37 million for 2023, \$39 million for 2022, and \$41 million for 2021. The change in the franchise agreements, brands and goodwill balances during 2023 was primarily due to the impact of foreign currency translation.

As of December 31, 2023, the estimated future amortization expense on identifiable assets subject to amortization is as follows (in millions):

<u>Twelve-months ended December 31,</u>	<u>Amount</u>

Except for the following equity method investments, no quoted market prices are available for our other equity method investments. The aggregate market value of our 14.7% equity interest in Carrols Restaurant Group, Inc. (“Carrols”) based on the quoted market price on December 31, 2023 is approximately \$74 million. The aggregate market value of our 9.4% equity interest in BK Brasil Operação e Assessoria a Restaurantes S.A. based on the quoted market price on December 31, 2023 is approximately \$30 million. The aggregate market value of our 4.2% equity interest in TH International Limited based on the quoted market price on December 31, 2023 was approximately \$12 million. We evaluate declines in the market value of these equity method investments and as a result, during 2022, we recognized an impairment of \$15 million due to a sustained decline in Carrols’ share price and market capitalization.

We have equity interests in entities that own or franchise Tim Hortons, Burger King and Popeyes restaurants. Franchise and property revenue recognized from franchisees that are owned or franchised by entities in which we have an equity interest consist of the following (in millions):

Credit Facilities

On September 21, 2023, two of our subsidiaries (the “Borrowers”) entered into a seventh amendment (the “7th Amendment”) to the credit agreement governing our senior secured term loan A facility (the “Term Loan A”), our senior secured term loan B facility (the “Term Loan B” and together with the Term Loan A, the “Term Loan Facilities”) and our senior secured revolving credit facility (including revolving loans, swingline loans and letters of credit) (the “Revolving Credit Facility” and together with the Term Loan Facilities, the “Credit Facilities”). Under the 7th Amendment we (i) amended the existing Revolving Credit Facility to increase the availability from \$1,000 million to \$1,250 million and extended the maturity of the facility to September 21, 2028 without changing the leverage-based spread to adjusted SOFR (Secured Overnight Financing Rate); (ii) increased the Term Loan A to \$1,275 million and extended the maturity of the Term Loan A to September 21, 2028 without changing the leverage-based spread to adjusted SOFR; (iii) increased the Term Loan B to \$5,175 million, extended the maturity of the Term Loan B to September 21, 2030, and changed the interest rate applicable to borrowings under our Term Loan B to term SOFR, subject to a floor of 0.00%, plus an applicable margin of 2.25%; and (iv) made certain other changes as set forth therein, including removing the 0.10% adjustment to the term SOFR rate across the facilities and changes to certain covenants to provide increased flexibility. On December 28, 2023, we entered into an eighth amendment (the “8th Amendment” and together with the 7th Amendment, the “2023 Amendments”) to the credit agreement whereby Partnership and its subsidiaries became guarantors, subject to the covenants applicable to the Credit Facilities. The 2023 Amendments made no other material changes to the terms of the credit agreement. In connection with the 7th Amendment, we capitalized approximately \$44 million in debt issuance costs and recorded a \$16 million loss on early extinguishment of debt that primarily reflects expensing of fees in connection with the 7th Amendment and the write-off of unamortized debt issuance costs.

The interest rate applicable to the Term Loan A and Revolving Credit Facility is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin varying from 0.00% to 0.50%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin varying between 0.75% and 1.50%, in each case, determined by reference to a net first lien leverage-based pricing grid. The commitment fee on the unused portion of the Revolving Credit Facility is 0.15%. At December 31, 2023, the interest rate on the Term Loan A was 6.61%. The principal amount of the Term Loan A amortizes in quarterly installments equal to \$8 million beginning March 31, 2025 and \$16 million beginning March 31, 2027 until maturity, with the balance payable at maturity.

The interest rate applicable to the Term Loan B is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin of 1.25%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin of 2.25%. At December 31, 2023, the interest rate on the Term Loan B was 7.61%. The principal amount of the Term Loan B amortizes in quarterly installments equal to \$13 million beginning March 31, 2024 until maturity, with the balance payable at maturity.

Revolving Credit Facility

As of December 31, 2023, we had no amounts outstanding under our Revolving Credit Facility. Funds available under the Revolving Credit Facility may be used to repay other debt, finance debt or repurchases of RBI common shares or repurchases of partnership exchangeable units, to fund acquisitions or capital expenditures and for other general corporate purposes. We have a \$125 million letter of credit sublimit as part of the Revolving Credit Facility, which reduces our borrowing availability thereunder by the cumulative amount of outstanding letters of credit. The interest rate applicable to amounts drawn under each letter of credit is 0.75% to 1.50%, depending on our net first lien leverage ratio. As of December 31, 2023, we had \$2 million of letters of credit issued against the Revolving Credit Facility, and our borrowing availability was \$1,248 million.

Obligations under the Credit Facilities are guaranteed on a senior secured basis, jointly and severally, by the Partnership and substantially all of its Canadian and U.S. subsidiaries, including The TDL Group Corp., Burger King Company LLC, Popeyes Louisiana Kitchen, Inc., FRG, LLC and substantially all of their respective Canadian and U.S. subsidiaries (the “Credit Guarantors”). Amounts borrowed under the Credit Facilities are secured on a first priority basis by a perfected security interest in substantially all of the present and future property (subject to certain exceptions) of each Borrower and Credit Guarantor.

The net proceeds from the offering of the Additional Notes were used to redeem the remaining \$775 million principal amount outstanding of 4.25% first lien senior notes, plus any accrued and unpaid interest thereon, and pay related redemption premiums, fees and expenses. In connection with the issuance of the Additional Notes, we capitalized approximately \$7 million in debt issuance costs. In connection with the redemption of the remaining \$775 million principal amount outstanding of the 4.25% first lien senior notes, we recorded a loss on early extinguishment of debt of \$11 million that primarily reflects the payment of redemption premiums and the write-off of unamortized debt issuance costs.

4.00% Second Lien Senior Notes due 2030

During 2020, the Borrowers entered into an indenture (the “4.00% Second Lien Senior Notes Indenture”) in connection with the issuance of \$2,900 million of 4.00% second lien notes due October 15, 2030 (the “4.00% Second Lien Senior Notes due 2030”). No principal payments are due until maturity and interest is paid semi-annually. The proceeds from the offering of the 4.00% Second Lien Senior Notes due 2030 were used to redeem the entire outstanding principal balance of \$2,800 million of 5.00% second lien senior notes due October 15, 2025 (the “5.00% Second Lien Senior Notes due 2025”), pay related redemption premiums, fees and expenses.

Obligations under the 4.00% Second Lien Senior Notes due 2030 are guaranteed on a second priority senior secured basis, jointly and severally, by the Note Guarantors. The 4.00% Second Lien Senior Notes due 2030 are second lien senior secured obligations and rank equal in right of payment with all of the existing and future senior debt of the Borrowers and Note Guarantors and effectively subordinated to all of the existing and future first lien senior debt of the Borrowers and Note Guarantors.

Our 4.00% Second Lien Senior Notes due 2030 may be redeemed in whole or in part, on or after October 15, 2025 at the redemption prices set forth in the 4.00% Second Lien Senior Notes Indenture, plus accrued and unpaid interest, if any, at the date of redemption. The 4.00% Second Lien Senior Notes Indenture also contains optional redemption provisions related to tender offers, change of control and equity offerings, among others.

Restrictions and Covenants

Our Credit Facilities, as well as the 3.875% First Lien Senior Notes Indenture, 5.75% First Lien Senior Notes Indenture, 3.50% First Lien Senior Notes Indenture, 4.375% Second Lien Senior Notes Indenture and 4.00% Second Lien Senior Notes Indenture (all together the “Senior Notes Indentures”) contain a number of customary affirmative and negative covenants that, among other things, limit or restrict our ability and the ability of certain of our subsidiaries to: incur additional indebtedness; incur liens; engage in mergers, consolidations, liquidations and dissolutions; sell assets; pay dividends and make other payments in respect of capital stock; make investments, loans and advances; pay or modify the terms of certain indebtedness; and engage in certain transactions with affiliates. In addition, under the Credit Facilities, the Borrowers are not permitted to exceed a first lien senior secured leverage ratio of 6.50 to 1.00 when, as of the end of any fiscal quarter beginning with the first fiscal quarter of 2020, (1) any amounts are outstanding under the Term Loan A and/or (2) the sum of (i) the amount of letters of credit outstanding exceeding \$50 million (other than those that are cash collateralized); (ii) outstanding amounts under the Revolving Credit Facility and (iii) outstanding amounts of swing line loans, exceeds 30.0% of the commitments under the Revolving Credit Facility.

The restrictions under the Credit Facilities and the Senior Notes Indentures have resulted in substantially all of our consolidated assets being restricted.

As of December 31, 2023, we were in compliance with applicable financial debt covenants under the Credit Facilities and the Senior Notes Indentures and there were no limitations on our ability to draw on the remaining availability under our Revolving Credit Facility.

TH Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of C\$225 million with a maturity date of October 4, 2025 (the “TH Facility”). The interest rate applicable to the TH Facility is the Canadian Bankers’ Acceptance rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Obligations under the TH Facility are guaranteed by four of our subsidiaries, and amounts borrowed under the TH Facility are secured by certain parcels of real estate. As of December 31, 2023, we had approximately C\$182 million outstanding under the TH Facility with a weighted average interest rate of 6.84%.

RE Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of \$50 million with a maturity date of October 12, 2028 (the “RE Facility”). The interest rate applicable to the RE Facility is, at our option, either (i) a base rate, subject to a floor of 0.50%, plus an applicable margin of 0.50% or (ii) Adjusted Term SOFR (Adjusted Term SOFR is calculated as Term SOFR plus a margin based on duration), subject to a floor of 0.00%, plus an applicable margin of 1.50%. Obligations under the RE Facility are guaranteed by four of our subsidiaries, and amounts borrowed under the RE Facility are secured by certain parcels of real estate. As of December 31, 2023, we had approximately \$4 million outstanding under the RE Facility with a weighted average interest rate of 6.95%.

Debt Issuance Costs

During 2023 and 2021, we incurred aggregate deferred financing costs of \$44 million and \$19 million, respectively. We did not incur any significant deferred financing costs during 2022.

Table of Contents

Loss on Early Extinguishment of Debt

During 2023, we recorded a \$16 million loss on early extinguishment of debt that primarily reflects expensing of fees in connection with the 7th Amendment and the write-off of unamortized debt issuance costs. During 2021, we recorded an \$11 million loss on early extinguishment of debt that primarily reflects the payment of redemption premiums and the write-off of unamortized debt issuance costs in connection with the redemption of the remaining \$775 million principal amount outstanding of the 4.25% first lien senior notes.

Note 9. Leases

As of December 31, 2023, we leased or subleased 4,941 restaurant properties to franchisees and 132 non-restaurant properties to third parties under operating leases, direct financing leases and sales-type leases where we are the lessor. Initial lease terms generally range from 10 to 20 years. Most leases to franchisees provide for fixed monthly payments and many provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent, determined as a percentage of sales, generally when annual sales exceed specific levels. Lessees typically bear the cost of maintenance, insurance and property taxes.

We lease land, buildings, equipment, office space and warehouse space from third parties. Land and building leases generally have an initial term of 10 to 20 years, while land-only lease terms can extend longer, and most leases provide for fixed monthly payments. Many of these leases provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent payments, determined as a percentage of sales, generally when annual sales exceed specified levels. Most leases also obligate us to pay, as lessee, variable lease cost related to maintenance, insurance and property taxes.

We are generally permanently reinvested on any potential outside basis differences except for unremitted earnings and profits and thus do not record a deferred tax liability for such outside basis differences. To the extent of unremitted earnings and profits, we generally review various factors including, but not limited to, forecasts and budgets of financial needs of cash for working capital, liquidity and expected cash requirements to fund our various obligations and record deferred taxes to the extent we expect to distribute.

We had \$58 million and \$139 million of unrecognized tax benefits at December 31, 2023 and December 31, 2022, respectively, which if recognized, would favorably affect the effective income tax rate. A reconciliation of the beginning and ending amounts of unrecognized tax benefits is as follows (in millions):

	2023	2022	2021
Beginning balance	\$ 139	\$ 437	\$ 497
Additions for tax positions related to the current year	5	(5)	9

Additions for settlement	6	—	7
Reductions due to statute expiration	(85)	(281)	(94)
Ending balance	<u>\$ 58</u>	<u>\$ 139</u>	<u>\$ 437</u>

Although the timing of the resolution, settlement, and closure of any audits is highly uncertain, it is reasonably possible that the balance of gross unrecognized tax benefits could significantly change in the next 12 months. During the twelve months beginning January 1, 2024, it is reasonably possible we will reduce unrecognized tax benefits by up to approximately \$6 million due to the expiration of statutes of limitations, anticipated closure of various tax matters currently under examination, and settlements with tax authorities all being possibly impacted in multiple jurisdictions.

We recognize interest and penalties related to unrecognized tax benefits in income tax expense. The total amount of accrued interest and penalties was \$11 million and \$27 million at December 31, 2023 and 2022, respectively. Potential interest and penalties associated with uncertain tax positions in various jurisdictions recognized was \$4 million during 2023, \$3 million during 2022 and \$2 million during 2021. To the extent interest and penalties are not assessed with respect to uncertain tax positions, amounts accrued will be reduced and reflected as a reduction of the overall income tax provision.

We file income tax returns with Canada and its provinces and territories. Generally, we are subject to routine examinations by the Canada Revenue Agency (“CRA”). The CRA is conducting examinations of the 2016 through 2019 taxation years. Additionally, income tax returns filed with various provincial jurisdictions are generally open to examination for periods up to six years subsequent to the filing and assessment of the respective return.

[Table of Contents](#)

We also file income tax returns, including returns for our subsidiaries, with U.S. federal, U.S. state, and other foreign jurisdictions. We are subject to routine examination by taxing authorities in the U.S. jurisdictions, as well as other foreign tax jurisdictions. Taxable years of such U.S. companies are closed through 2019 for U.S. federal income tax purposes. We have various U.S. state and other foreign income tax returns in the process of examination. From time to time, these audits result in proposed assessments where the ultimate resolution may result in owing additional taxes. We believe that our tax positions comply with applicable tax law and that we have adequately provided for these matters.

Note 11. Derivative Instruments

Disclosures about Derivative Instruments and Hedging Activities

We enter into derivative instruments for risk management purposes, including derivatives designated as cash flow hedges and derivatives designated as net investment hedges. We use derivatives to manage our exposure to fluctuations in interest rates and currency exchange rates.

Interest Rate Swaps

At December 31, 2023, we had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$3,500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities, including any subsequent refinancing or replacement of the Term Loan Facilities, beginning August 31, 2021 through the termination date of October 31, 2028. Additionally, at December 31, 2023, we also had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities effective September 30, 2019 through the termination date of September 30, 2026. Following the discontinuance of the U.S. dollar LIBOR after June 30, 2023, the interest rate on all these interest rate swaps transitioned from LIBOR to SOFR, with no impact to hedge effectiveness and no change in accounting treatment as a result of applicable accounting relief guidance for the transition away from LIBOR. At inception, all of these interest rate swaps were designated as cash flow hedges for hedge accounting. The unrealized changes in market value are recorded in AOCI, net of tax, and reclassified into interest expense during the period in which the hedged forecasted transaction affects earnings. The net amount of pre-tax gains in connection with these net unrealized gains in AOCI as of December 31, 2023 that we expect to be reclassified into interest expense within the next 12 months is \$115 million.

Cross-Currency Rate Swaps

To protect the value of our investments in our foreign operations against adverse changes in foreign currency exchange rates, we hedge a portion of our net investment in one or more of our foreign subsidiaries by using cross-currency rate swaps. At December 31, 2023, we had outstanding cross-currency rate swap contracts between the Canadian dollar and U.S. dollar and the Euro and U.S. dollar that have been designated as net investment hedges of a portion of our equity in foreign operations in those currencies. The component of the gains and losses on our net investment in these designated foreign operations driven by changes in foreign exchange rates are economically partly offset by movements in the fair value of our cross-currency swap contracts. The fair value of the swaps is calculated each period with changes in fair value reported in AOCI, net of tax. Such amounts will remain in AOCI until the complete or substantially complete liquidation of our investment in the underlying foreign operations.

At December 31, 2023, we had outstanding cross-currency rate swaps that we entered into during 2022 to partially hedge the net investment in our Canadian subsidiaries. At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as net investment hedges. These swaps are contracts in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional amount of \$5,000 million through the maturity date of September 30, 2028.

During 2022, we de-designated existing cross-currency rate swap hedges between the Canadian dollar and U.S. dollar with a total notional amount of \$5,000 million for hedge accounting. As a result of these de-designations, changes in fair value of these undesignated hedges were recognized in earnings. Concurrently with these de-designations and to offset the changes in fair value recognized in earnings, we entered into off-setting cross-currency rate swaps, with a total notional amount of \$5,000 million, that were not designated as a hedge for hedge accounting and as such changes in fair value were recognized in earnings. The balances in AOCI associated with the de-designated cross-currency rate swaps will remain in AOCI and will only be reclassified into earnings if and when the net investment in our Canadian subsidiaries is sold or substantially sold. The entire notional amount of the de-designated cross-currency rate swaps and the off-setting cross-currency rate swaps were cash settled during 2022 for approximately \$35 million in net proceeds and included within operating activities in the consolidated statements of cash flows.

Table of Contents

At December 31, 2023, we had outstanding cross-currency rate swap contracts between the Euro and U.S. dollar in which we receive quarterly fixed-rate interest payments on the U.S. dollar aggregate amount of \$2,750 million, of which \$1,400 million have a maturity date of October 31, 2026, \$1,200 million have a maturity date of November 30, 2028, and \$150 million have a maturity date of October 31, 2028. At inception, these cross-currency rate swaps were designated and continue to be hedges and are accounted for as a net investment hedge. During 2023, we settled our previously existing cross-currency rate swaps in which we paid quarterly fixed-rate interest payments on the Euro notional amount of €1,108 million and received quarterly fixed-rate interest payments on the U.S. dollar notional amount of \$1,200 million and an original maturity date of February 17, 2024. During 2023, we also settled our previously existing cross-currency rate swap contracts between the Euro and U.S. dollar with a notional value of \$900 million and an original maturity date of February 17, 2024. In connection with these settlements, we received \$69 million in cash which is included within operating activities in the consolidated statements of cash flows.

In connection with the cross-currency rate swaps hedging Canadian dollar and Euro net investments, we utilize the spot method to exclude the interest component (the “Excluded Component”) from the accounting hedge without affecting net investment hedge accounting and amortize the Excluded Component over the life of the derivative instrument. The amortization of the Excluded Component is recognized in Interest expense, net in the condensed consolidated statement of operations. The change in fair value that is not related to the Excluded Component is recorded in AOCI and will be reclassified to earnings when the foreign subsidiaries are sold or substantially liquidated.

Foreign Currency Exchange Contracts

We use foreign exchange derivative instruments to manage the impact of foreign exchange fluctuations on U.S. dollar purchases and payments, such as coffee purchases made by our Canadian Tim Hortons operations. At December 31, 2023, we had outstanding forward currency contracts to manage this risk in which we sell Canadian dollars and buy U.S. dollars with a notional value of \$169 million with maturities to February 18, 2025. We have designated these instruments as cash flow hedges, and as such, the unrealized changes in market value of effective hedges are recorded in AOCI and are reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

Credit Risk

By entering into derivative contracts, we are exposed to counterparty credit risk. Counterparty credit risk is the failure of the counterparty to perform under the terms of the derivative contract. When the fair value of a derivative contract is in an asset position, the counterparty has a liability to us, which creates credit risk for us. We attempt to minimize this risk by selecting counterparties with investment grade credit ratings and regularly monitoring our market position with each counterparty.

Credit-Risk Related Contingent Features

Our derivative instruments do not contain any credit-risk related contingent features.

Note 12. Equity

Pursuant to the terms of the partnership agreement, RBI, as the holder of Class A common units, is entitled to distributions from Partnership in an amount equal to the aggregate dividends payable by RBI to holders of RBI common shares, and the holders of Partnership exchangeable units are entitled to receive distributions from Partnership in an amount per unit equal to the dividend payable by RBI on each RBI common share. Additionally, if RBI proposes to redeem, repurchase or otherwise acquire any RBI common shares, the partnership agreement requires that Partnership, immediately prior to such redemption, repurchase or acquisition, make a distribution to RBI on the Class A common units in an amount sufficient for RBI to fund such redemption, repurchase or acquisition, as the case may be. Each holder of a Partnership exchangeable unit is entitled to vote in respect of matters on which holders of RBI common shares are entitled to vote through one special voting share of RBI. A holder of a Partnership exchangeable unit may require Partnership to exchange all or any portion of such holder's Partnership exchangeable units for RBI common shares at a ratio of one common share for each Partnership exchangeable unit, subject to RBI's right as the general partner of Partnership, in its sole discretion, to deliver a cash payment in lieu of RBI common shares. If RBI elects to make a cash payment in lieu of issuing common shares, the amount of the payment will be the weighted average trading price of the RBI common shares on the New York Stock Exchange for the 20 consecutive trading days ending on the last business day prior to the exchange date.

During 2023, Partnership exchanged 9,398,876 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 9,398,876 Partnership exchangeable units for the same number of newly issued RBI common shares. During 2022, Partnership exchanged 1,996,818 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 1,996,818 Partnership exchangeable units for the same number of newly issued RBI common shares. During 2021, Partnership exchanged 10,119,880 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 10,119,880 Partnership exchangeable units for the same number of newly issued RBI common shares. The exchanges of Partnership exchangeable units were recorded as increases to the Class A common units balance within partner's capital in our consolidated balance sheets in an amount equal to the market value of the newly issued RBI common shares and a reduction to the Partnership exchangeable units balance within partner's capital of our consolidated balance sheets in an amount equal to the cash paid by Partnership and the market value of the newly issued RBI common shares. Pursuant to the terms of the partnership agreement, upon the exchange of Partnership exchangeable units, each such Partnership exchangeable unit was cancelled concurrently with the exchange.

RBI Share Repurchases

On August 31, 2023, the RBI Board of Directors approved a share repurchase program that allows RBI to purchase up to \$1,000 million of RBI common shares until September 30, 2025. During 2023, RBI repurchased and cancelled 7,639,137 common shares for \$500 million. During 2022, RBI repurchased and cancelled 6,101,364 common shares for \$326 million. During 2021, RBI repurchased and cancelled 9,247,648 common shares for \$551 million. Pursuant to the terms of the partnership agreement, Partnership made a distribution to RBI on the Class A common units in an amount sufficient for RBI to fund such share repurchases.

Note 13. Share-based Compensation

Share-based compensation expense associated with the participation of Partnership and its subsidiaries in RBI's share-based compensation plans is recognized in Partnership's Financial Statements.

RBI is currently issuing awards under the 2023 Omnibus Incentive Plan (the "2023 Plan") and the number of shares available for issuance under such plan as of December 31, 2023 was 15,319,222. The 2023 Plan, and, prior to its adoption the Amended and Restated 2014 Omnibus Incentive Plan as amended (the "2014 Plan" and together with the 2023 Plan, the "Omnibus Plans"), permits the grant of several types of awards with respect to RBI common shares, including stock options, time-vested RSUs, and performance-based RSUs, which may include RBI, S&P 500 Index and/or individual performance based-vesting conditions. Under the terms of the Omnibus Plans and the applicable award agreements, RSUs are generally entitled to dividend equivalents, which are not distributed unless the related awards vest. Upon vesting, the amount of the dividend equivalent, which is distributed in additional RSUs, except in the case of RSUs awarded to non-management members of our board of directors, is equal to the equivalent of the aggregate dividends declared on common shares during the period from the date of grant of the award compounded until the date the shares underlying the award are delivered.

RBI also has some outstanding awards under legacy plans for Burger King and Tim Hortons, which were assumed in connection with the merger and amalgamation of those entities within the RBI group. No new awards may be granted under the 2014 Plan or these legacy Burger King plans or legacy Tim Hortons plans.

Share-based compensation expense is generally classified as general and administrative expenses in the consolidated statements of operations and consists of the following for the periods presented (in millions):

	2023	2022	2021
Total share-based compensation expense	\$ 177	\$ 121	\$ 88

As of December 31, 2023, total unrecognized compensation cost related to share-based compensation arrangements was \$285 million and is expected to be recognized over a weighted-average period of approximately 2.7 years.

Restricted Stock Units

The fair value of the time-vested RSUs and performance-based RSUs is based on the closing price of RBI's common shares on the trading day preceding the date of grant. Time-vested RSUs are expensed over the vesting period. Performance-based RSUs are expensed over the vesting period, based upon the probability that the performance target will be met. RBI grants fully vested RSUs, with dividend equivalent rights that accrue in cash, to non-employee members of our board of directors in lieu of a cash retainer and committee fees. All such RSUs will settle and common shares of RBI will be issued following termination of service by the board member.

Starting in 2021, grants of time-vested RSUs generally vest 25% per year on December 15th or 31st over four years from the grant date and performance-based RSUs generally cliff vest three years from the grant date (the starting date for the applicable vesting period is referred to as the "Anniversary Date"). Time-vested RSUs and performance-based RSUs awarded prior to 2021 generally cliff vest five years from the original grant date.

During 2022, RBI granted performance-based RSUs that cliff vest three years from the original grant date based on achievement of performance metrics with a multiplier that can increase or decrease the amount vested based on the achievement of contractually defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted in 2021 and 2023 cliff vest three years from the original grant date based solely on defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted to the CEO of RBI in 2023 cliff vest five years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period. The total fair value of performance-based RSUs that solely have a performance condition relative to the S&P 500 Index does not change regardless of the value that the award recipients ultimately receive.

For grants of time-vested RSUs beginning in 2021, if the employee is terminated for any reason prior to any vesting date, the employee will forfeit all of the RSUs that are unvested at the time of termination. For grants of performance-based RSUs beginning in 2021, if the employee is terminated within the first two years of the Anniversary Date, 100% of the performance-based RSUs will be forfeited. If we terminate the employment of a performance-based RSU holder without cause at least two years after the grant date, or if the employee retires, the employee will become vested in 67% of the performance-based RSUs that are earned based on the performance criteria.

For grants prior to 2021, if the employee is terminated for any reason within the first two years of the Anniversary Date, 100% of the time-vested RSUs granted will be forfeited. If we terminate the employment of a time-vested RSU holder without cause two years after the Anniversary Date, or if the employee retires, the employee will become vested in the number of time-vested RSUs as if the time-vested RSUs vested 20% for each anniversary after the grant date. Also, for grants prior to 2021, if the employee is terminated for any reason within the first three years of the Anniversary Date, 100% of the performance-based RSUs granted will be forfeited. If we terminate the employment of a performance-based RSU holder without cause between three and five years after the Anniversary Date, or if the employee retires, the employee will become vested in 50% of the performance-based RSUs.

An alternate ratable vesting schedule applies to the extent the participant ends employment by reason of death or disability.

Chairman Awards

In connection with the appointment of the RBI Executive Chairman in November 2022, RBI made one-time grants of options, RSUs and performance-based RSUs with specific terms and conditions. RBI granted 2,000,000 options with an exercise price equal to the closing price of RBI common shares on the trading day preceding the date of grant that cliff vest five years from the date of grant and expire after ten years. RBI granted 500,000 RSUs that vest ratably over five years on the anniversary of the grant date. Lastly, RBI granted 750,000 performance-based RSUs that cliff vest five and a half years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period regardless of the value that the award recipient ultimately receives.

Outstanding at December 31, 2023	3,034	\$ 60.29	7,346	\$ 57.68

The weighted-average grant date fair value of time-vested RSUs granted was \$57.24 and \$60.97 during 2022 and 2021, respectively. The weighted-average grant date fair value of performance-based RSUs granted was \$51.31 and \$57.60 during 2022 and 2021, respectively. The total fair value, determined as of the date of vesting, of RSUs vested and converted to common shares of RBI during 2023, 2022 and 2021 was \$141 million, \$58 million and \$99 million, respectively.

Stock Options

Stock option awards are granted with an exercise price or market value equal to the closing price of RBI's common shares on the trading day preceding the date of grant. RBI satisfies stock option exercises through the issuance of authorized but previously unissued common shares. Stock option grants generally cliff vest 5 years from the original grant date, provided the employee is continuously employed by RBI or one of our affiliates, and the stock options expire 10 years following the grant date. Additionally, if RBI terminates the employment of a stock option holder without cause prior to the vesting date, or if the employee retires or becomes disabled, the employee will become vested in the number of stock options as if the stock options vested 20% on each anniversary of the grant date. If the employee dies, the employee will become vested in the number of stock options as if the stock options vested 20% on the first anniversary of the grant date, 40% on the second anniversary of the grant date and 100% on the third anniversary of the grant date. If an employee is terminated with cause or resigns before vesting, all stock options are forfeited. If there is an event such as a return of capital or dividend that is determined to be dilutive, the exercise price of the awards will be adjusted accordingly.

The following assumptions were used in the Black-Scholes option-pricing model to determine the fair value of stock option awards granted in 2022 at the grant date. There were no significant stock option awards granted in 2023 or 2021.

	2022
Risk-free interest rate	3.92%
Expected term (in years)	7.50
Expected volatility	30.0%
Expected dividend yield	3.24%

The risk-free interest rate was based on the U.S. Treasury or Canadian Sovereign bond yield with a remaining term equal to the expected option life assumed at the date of grant. The expected term was calculated based on the analysis of a five-year vesting period coupled with RBI's expectations of exercise activity. Expected volatility was based on the historical and implied equity volatility of RBI. The expected dividend yield is based on the annual dividend yield at the time of grant.

Note 14. Revenue Recognition

Contract Liabilities

Contract liabilities consist of deferred revenue resulting from initial and renewal franchise fees paid by franchisees, as well as upfront fees paid by master franchisees, which are generally recognized on a straight-line basis over the term of the underlying agreement. We may recognize unamortized franchise fees and upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract. We classify these contract liabilities as Other liabilities, net in our consolidated balance sheets. The following table reflects the change in contract liabilities on a consolidated basis between December 31, 2022 and December 31, 2023 (in millions):

As described in Note 17, *Segment Reporting and Geographical Information*, during the fourth quarter of 2023, we revised our internal reporting structure, which resulted in a change to our operating and reportable segments. As a result, we manage each of our brands' United States and Canada operations as an operating and reportable segment and our international operations as an operating and reportable segment.

Note 15. Other Operating Expenses (Income), net

Other operating expenses (income), net, consist of the following (in millions):

	2023	2022	2021
Net losses (gains) on disposal of assets, restaurant closures and refranchisings	\$ 16	\$ 4	\$ 2
Litigation settlements and reserves, net	1	11	81

Other, net	18	14	—
Other operating expenses (income), net	<u>\$ 55</u>	<u>\$ 25</u>	<u>\$ 7</u>

Net losses (gains) on disposal of assets, restaurant closures, and refranchisings represent sales of properties and other costs related to restaurant closures and refranchisings. Gains and losses recognized in the current period may reflect certain costs related to closures and refranchisings that occurred in previous periods. The amount for 2023 includes asset write-offs and related costs in connection with the discontinuance of an internally developed software project.

Litigation settlements and reserves, net primarily reflects accruals and payments made and proceeds received in connection with litigation and arbitration matters and other business disputes.

In early 2022, we entered into negotiations to resolve business disputes that arose during 2021 with counterparties to the master franchise agreements for Burger King and Popeyes in China. Based on these discussions, we paid approximately \$100 million in 2022, of which \$5 million and \$72 million was recorded as Litigation settlements and reserves, net in 2022 and 2021, respectively. The majority of this amount related to Popeyes, resolved our disputes, and allowed us to move forward in the market with a new master franchisee. Additionally, pursuant to this agreement we and our partners have made equity contributions to the Burger King business in China.

Net losses (gains) on foreign exchange is primarily related to revaluation of foreign denominated assets and liabilities, primarily those denominated in Euros and Canadian dollars.

Other, net for 2023 and 2022 are primarily related to payments in connection with FHS area representative buyouts.

Note 16. Commitments and Contingencies

Letters of Credit

As of December 31, 2023, we had \$12 million in irrevocable standby letters of credit outstanding, which were issued primarily to certain insurance carriers to guarantee payments of deductibles for various insurance programs, such as health and commercial liability insurance. Of these letters of credit outstanding, \$2 million are secured by the collateral under our Revolving Credit Facility and the remainder are secured by cash collateral. As of December 31, 2023, no amounts had been drawn on any of these irrevocable standby letters of credit.

Purchase Commitments

We have arrangements for information technology and telecommunication services with an aggregate contractual obligation of \$30 million over the next three years, some of which have early termination fees. We also enter into commitments to purchase advertising. As of December 31, 2023, these commitments totaled \$201 million and run through 2028.

Litigation

From time to time, we are involved in legal proceedings arising in the ordinary course of business relating to matters including, but not limited to, disputes with franchisees, suppliers, employees and customers, as well as disputes over our intellectual property.

On October 5, 2018, a class action complaint was filed against Burger King Worldwide, Inc. (“BKW”) and Burger King Company, successor in interest, (“BKC”) in the U.S. District Court for the Southern District of Florida by Jarvis Arrington, individually and on behalf of all others similarly situated. On October 18, 2018, a second class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Monique Michel, individually and on behalf of all others similarly situated. On October 31, 2018, a third class action complaint was filed against BKC and BKW in the U.S. District Court for the Southern District of Florida by Geneva Blanchard and Tiffany Miller, individually and on behalf of all others similarly situated. On November 2, 2018, a fourth class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for

the Southern District of Florida by Sandra Munster, individually and on behalf of all others similarly situated. These complaints have been consolidated and allege that the defendants violated Section 1 of the Sherman Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Burger King franchisees are required to sign. Each plaintiff seeks injunctive relief and damages for himself or herself and other members of the class. On March 24, 2020, the Court granted BKC's motion to dismiss for failure to state a claim and on April 20, 2020 the plaintiffs filed a motion for leave to amend their complaint. On April 27, 2020, BKC filed a motion opposing the motion for leave to amend. The court denied the plaintiffs motion for leave to amend their complaint in August 2020 and the plaintiffs appealed this ruling. In August 2022, the federal appellate court reversed the lower court's decision to dismiss the case and remanded the case to the lower court for further proceedings. While we intend to vigorously defend these claims, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

Note 17. Segment Reporting and Geographical Information

As stated in Note 1, *Description of Business and Organization*, we manage four brands. Under the *Tim Hortons* brand, we operate in the donut/coffee/tea category of the quick service segment of the restaurant industry. Under the *Burger King* brand, we operate in the fast food hamburger restaurant category of the quick service segment of the restaurant industry. Under the *Popeyes* brand, we operate in the chicken category of the quick service segment of the restaurant industry. Under the *Firehouse Subs* brand, we operate in the specialty subs category of the quick service segment of the restaurant industry.

Our business generates revenue from the following sources: (i) sales, consisting primarily of (1) Tim Hortons supply chain sales, which represent sales of products, supplies and restaurant equipment to franchisees, as well as sales of consumer packaged goods ("CPG"), and (2) sales at Company restaurants; (ii) franchise revenues, consisting primarily of royalties based on a percentage of sales reported by franchised restaurants and franchise fees paid by franchisees; (iii) property revenues from properties we lease or sublease to franchisees; and (iv) advertising revenues and other services, consisting primarily of (1) advertising fund contributions based on a percentage of sales reported by franchised restaurants to fund advertising expenses and (2) tech fees and revenues, that vary by market, and partially offset expenses related to technology initiatives.

During the fourth quarter of 2023, we revised our internal reporting structure, which resulted in a change to our operating and reportable segments. As a result, we manage each of our brands' United States and Canada operations as an operating and reportable segment and our international operations as a separate operating and reportable segment.

Consequently, we have five operating and reportable segments: (1) TH, which includes all operations of our *Tim Hortons* brand in the United States and Canada, (2) BK, which includes all operations of our *Burger King* brand in the United States and Canada, (3) PLK, which includes all operations of our *Popeyes* brand in the United States and Canada, (4) FHS, which includes all operations of our *Firehouse Subs* brand in the United States and Canada, and (5) INTL, which includes all operations of each of our brands outside the United States and Canada. Our five operating segments represent our reportable segments. Prior year amounts presented have been reclassified to conform to this new segment presentation with no effect on previously reported consolidated results. FHS revenues and segment income for the period from the acquisition date of December 15, 2021 through December 26, 2021 (the fiscal year end for FHS) are included in our consolidated statement of operations for 2021.

Our CODM manages assets on a consolidated basis. Accordingly, segment assets are not reported to our CODM or used in his decisions to allocate resources or assess performance of the segments. Therefore, total segment assets and long-lived assets have not been disclosed.

Table of Contents

Total long-lived assets by country are as follows (in millions):

	As of December 31,

By country:		
Canada	\$ 1,545	\$ 1,531
United States	1,578	1,558
Other	41	25
Total	<u>\$ 3,164</u>	<u>\$ 3,114</u>

Long-lived assets include property and equipment, net, finance and operating lease right of use assets, net and net investment in property leased to franchisees. Only Canada and the United States represented 10% or more of our total long-lived assets as of December 31, 2023 and December 31, 2022.

In connection with our change in operating and reportable segments, we also transitioned our definition of segment income from Adjusted EBITDA to Adjusted Operating Income and represents income from operations adjusted to exclude (i) franchise agreement amortization as a result of acquisition accounting, (ii) (income) loss from equity method investments, net of cash distributions received from equity method investments, (iii) other operating expenses (income), net and, (iv) income/expenses from non-recurring projects and non-operating activities. For the periods referenced, income/expenses from non-recurring projects and non-operating activities included (i) non-recurring fees and expense incurred in connection with the acquisition of Firehouse consisting of professional fees, compensation-related expenses and integration costs (“FHS Transaction costs”); and (ii) non-operating costs from professional advisory and consulting services associated with certain transformational corporate restructuring initiatives that rationalize our structure and optimize cash movements as well as services related to significant tax reform legislation and regulations (“Corporate restructuring and advisory fees”). Unlike Adjusted EBITDA, our previous measure of segment income, Adjusted Operating Income includes depreciation and amortization (excluding franchise agreement amortization) as well as share-based compensation and non-cash incentive compensation expense. Prior year amounts presented have been reclassified to conform to this new segment income presentation with no effect on previously reported consolidated results.

Adjusted Operating Income is used by management to measure operating performance of the business, excluding these non-cash and other specifically identified items that management believes are not relevant to management’s assessment of our operating performance. A reconciliation of segment income to net income consists of the following (in millions):

	2023	2022	2021

Acquisition of Carrols Restaurant Group

On January 16, 2024, we announced that we have reached an agreement to acquire all of Carrols issued and outstanding shares that are not already held by RBI or its affiliates for \$9.55 per share in an all cash transaction, or an aggregate total enterprise value of approximately \$1.0 billion. Carrols is the largest Burger King franchisee in the U.S. today, currently operating approximately 1,020 Burger King restaurants and approximately 60 Popeyes restaurants.

The transaction is expected to be completed in the second quarter of 2024 and is subject to customary closing conditions, including approval by the holders of the majority of common stock held by Carrols stockholders excluding shares held by RBI and its affiliates and officers of Carrols in addition to approval by holders of a majority of outstanding common stock of Carrols.

The transaction is not subject to a financing contingency and is expected to be financed with cash on hand and term loan debt for which RBI has received a financing commitment.

You irrevocably instruct us to pay the Supplier on your behalf, which payment is the funding of our loan to you. The Financed Amount is based upon the total estimated cost of the Collateral and financed Soft Costs (adjusted for any non-reimbursed down payments made by you) (the "Estimated Cost"), which Estimated Cost you and/or the Supplier have provided to us. Subsequent Payments are due on the same day of each month thereafter (the period from the Commencement Date until full payment of your obligations, the "Term"). All payments are due whether or not we invoice you. You authorize us to adjust the Payment amount to maintain the same interest rate stated above if the Financed Amount changes. Any amount not paid when due is subject to a late charge of the lower of 10% of such amount or the highest amount allowed by law. Amounts received under this EFA shall be applied to amounts owed as we determine. You may prepay this EFA only in accordance with the Prepayment Addendum referencing the Agreement No. above, which is made a part hereof.</p> <p>Security Interest. You hereby grant to us a security interest in the Collateral and all proceeds to secure all your obligations under this EFA. You irrevocably grant us the right to make such filings under the Uniform Commercial Code as we deem necessary.</p> <p>Obligations Absolute. We make no representation or warranty as to any matter whatsoever including the merchantability or fitness for a particular purpose of the Collateral. This EFA is irrevocable. Your obligation to pay all amounts due hereunder is absolute and unconditional and will not be subject to any reduction, setoff, defense, counterclaim, deferment or recoupment for any reason, including without limitation any defect, damage or unfitness of the Collateral or Soft Costs or the Supplier's failure to deliver the Collateral or Soft Costs. You acknowledge you selected the Supplier, the Collateral and any Soft Costs and the Supplier is not our agent nor are we their agent. If the Collateral or any Soft Costs are unsatisfactory for any reason or are not delivered, your only remedy, if any, shall be against the Supplier and not against us.</p> <p>Collateral. You will use the Collateral for commercial purposes only and in compliance with law. You will not sell, transfer, or lease the Collateral or allow it to be used by anyone other than you. At your expense, you will maintain the Collateral in good operating condition and repair and keep it free and clear from all liens and encumbrances. Titled Collateral will be titled and/or registered as we direct. You will not modify or change the location of the Collateral without our prior consent and will allow us to inspect it upon request. You are responsible for any damage or destruction of the Collateral. You will at our election repair the Collateral at your expense or pay to us all amounts then due and owing plus the total of all unpaid future Payments discounted at 3%. You will indemnify and hold us, our affiliates, employees and agents harmless from and against any claims, costs, expenses, damages and liabilities, in any way relating to the Collateral.</p> <p>Fees & Taxes. You agree to pay when due and hold us harmless from all taxes, interest and penalties relating to this EFA or the Collateral ("Taxes") and reimburse us for those Taxes we pay on your behalf. You agree to pay us document fees and all other fees we deem necessary.</p> <p>Insurance. You will maintain insurance we specify on the Collateral. If you do not provide us satisfactory proof of insurance we may, but are not required to, have such insurance placed for the Term in such form and amount as we deem reasonable to protect our interests. Such</p>		<p>insurance will be for our sole benefit and not for your benefit, and your monthly payment pursuant to this EFA shall include a charge equal to (A) our premium expense for such insurance, which may be higher than the premium you would pay if you placed such insurance independently, <u>plus</u> (B) an annualized finance charge not to exceed 15% on our premium <u>plus</u> (C) fees for billing and other administrative services with respect to such insurance not to exceed \$7.00 per month.</p> <p>Default and Remedies. If any one of the following occurs with respect to you or any guarantor, you will be in default: (i) you fail to pay any amount under this EFA when due, (ii) you cease doing business, admit your inability to pay your debts, or you file or have filed against you a petition under the Bankruptcy Code, (iii) you breach any other obligation contained in this EFA or any related document or (iv) you merge, consolidate with, or sell all or substantially all of your assets or a majority of your ownership interests to any third party. Upon your default, we may do any or all of the following: (a) terminate this EFA, (b) take possession of the Collateral; you irrevocably waive any security required of us if we take possession of the Collateral and require you to deliver it to us at your expense to a location designated by us, (c) declare all sums due and to become due hereunder immediately due and payable, with all future Payments discounted to their present value at 3% per annum as calculated by us, (d) sell, dispose of, hold, or lease the Collateral, (e) direct Supplier to terminate your access to all software, services and support relating to the Collateral, without liability to us or Supplier, and/or (f) exercise any other right or remedy available under applicable law. You shall reimburse us for all costs we incur in enforcing and defending our rights and interests hereunder including our attorneys' fees and costs to repossess, repair, store and remarket the Collateral. A waiver of default is not a waiver of any other or subsequent default.</p> <p>General. Lender is an FDIC-insured institution with its main office in Alabama. This EFA is governed by applicable Federal Law and the laws of Alabama with respect to interest and matters that are material to the determination of interest. This EFA is otherwise governed by the laws of Alabama, excluding conflicts of law principles. If any amount charged, collected or due exceeds the maximum amount permitted by applicable law, Lender shall make necessary adjustments to eliminate the excess. You consent to the non-exclusive jurisdiction of courts located in Jefferson County, Alabama in any action relating to this EFA. You waive any objection based on improper venue and waive any right to a jury trial. In some cases, we may receive a discount from Supplier to reduce your interest rate below what we would otherwise charge. Any such discount reduces your Payments due to a lower interest rate but does not reduce the Financed Amount. Time is of the essence with respect to your obligations under this Agreement. All of our rights and the indemnities in our favor under this EFA shall survive its termination. You agree to pay us interest on all past due amounts at the lower of 1.5% per month or the highest rate allowed by law. You shall not assign or otherwise transfer this EFA or any of your obligations hereunder. We may assign this EFA, in whole or in part, without notice to you or your consent. You agree that our assignee will have the same rights and benefits that we have now under this EFA, but none of our obligations. This EFA sets forth the entire understanding of the parties with respect to its subject matter and may only be amended in a writing executed by the party against whom enforcement is sought. You agree, however, that we are authorized, without notice to you, to supply missing information or correct any misspellings or obvious errors in this EFA. You represent and warrant to us that the person executing this EFA on your behalf is authorized to do so. All fees, including fees and finance charges in connection with any insurance we obtain for our benefit on the Collateral under this EFA, may not only cover our costs but may include a profit. If Debtor constitutes more than one person, the liability of each shall be joint and several. Any notice given hereunder shall be in writing and, if delivered by mail, deemed given two business days after deposit with the US Postal Service, first class postage prepaid, addressed to Debtor at its address set forth above or to Lender at 23970 HWY 59 N, Kingwood, TX 77339-1535, or such other address given to the sender by written notice. You agree that by providing us with an email address or phone number for a cellular or wireless device, you expressly consent to receiving notices and other communications including voice and text messages from us at that number or email address, and this express consent applies to each such email address or phone number that you provide to us now or in the future. This EFA may be executed in counterparts which together shall be the same instrument. You agree this EFA may be signed and delivered electronically. In the event we seek to take possession of any part of the Collateral, you irrevocably waive to the fullest extent permitted by law any bonds, surety or security required by statute, court rule or otherwise as an incident of such possession. You agree to pay our reasonable attorneys' fees and actual costs incurred by us in enforcing and defending our rights and interests hereunder including repossession, storage, refurbishment and sale of the Collateral and collection costs, and all non-sufficient funds charges and similar charges. If any part of a payment is late, you agree to pay us upon our demand the following, or if less, the maximum amount allowed under applicable law: (x) a late charge equal to 10% of the payment, (y) a charge of \$30.00 for each check returned for any reason or if any ACH debit charge is not honored and (z) if we have had to perform collection activities in connection with such late payment, our specified collection charges then in effect. The foregoing will not be construed as interest but as reimbursement to us to cover administrative and overhead expenses related to the processing and collection of the late payment.

10. Assignment; Inspection: YOU HAVE NO RIGHT TO SELL, TRANSFER, ASSIGN, LEASE OR ENCUMBER THE COLLATERAL OR THIS EFA. We may sell, transfer, assign or encumber this EFA, in whole or in part, without notice to you or your consent. You agree that if we sell, transfer, assign or encumber this EFA, the assignee will have the rights and benefits that we assign to the assignee and will not have to perform any of our obligations. You agree that the rights of the assignee will not be subject to any claims, defenses or set-offs that you may have against us. We and our agents and representatives shall have the right at any time during regular business hours to inspect the Collateral and for that purpose to have access to the location of the Collateral.

11. Risk of Loss: You assume and shall bear the entire risk of loss, theft, damage and destruction of the Collateral from any cause whatsoever, and no loss, theft, damage or destruction of the Collateral shall relieve you of the obligation to make Payments or any other obligation under this EFA. You shall promptly notify us in writing of such loss, theft, damage or destruction. If damage of any kind occurs to any item of Collateral, you, at our option, shall at your expense (a) place the Collateral in good repair, condition or working order, or (b) if the Collateral cannot be repaired or is lost, stolen or suffers a constructive loss under an insurance policy covering the Collateral, pay to us the "Casualty Value." The Casualty Value will be equal to the total of (i) accrued and unpaid amounts then due and owing, and (ii) the remaining future Payments discounted to present value at 3%, in both cases as of the date the Casualty Value is received by us.

12. Choice of Law; Waiver of Jury Trial: Secured Party is an FDIC-insured institution with its main office in Alabama. This EFA is governed by applicable Federal Law and the laws of the State of Alabama with respect to interest and matters that are material to the determination of interest. This EFA is otherwise governed by the law of the State of Alabama, excluding conflicts of law principles. If any amount charged, collected or due exceeds the maximum amount permitted by applicable law, Secured Party shall make necessary adjustments to eliminate such excess. You consent to the non-exclusive jurisdiction of the courts located in Jefferson County, Alabama in any action or proceeding relating to this EFA, YOU WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY SUCH ACTION OR PROCEEDING, AND YOU WAIVE ANY RIGHT TO ASSERT THIS IS AN INCONVENIENT FORUM.

13. Miscellaneous: During the Term, you agree to provide us with all financial statements and copies of tax returns we may request. If we supply you with labels, you shall label any and all Collateral and shall keep the same affixed in a prominent place. If any provision hereof or any remedy herein provided is found to be invalid under any applicable law, the remaining provisions hereof, shall be given effect in accordance with the manifest intent hereof. The parties agree that each Payment includes interest. In some cases, we may receive a discount from Supplier to reduce your interest rate below what we would otherwise charge. Any such discount reduces your Payments due to a lower interest rate but does not reduce the Financed Amount. You agree that a waiver of breach will not be a waiver of any other subsequent breach, and that any delay or failure to enforce our rights under this EFA does not prevent us from enforcing any rights at a later time. YOU AGREE THAT WE WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR ANY DEFAULT BY US UNDER THIS EFA. Section headings are for convenience and are not a part of this EFA. You agree that by providing us with an email address or telephone number for a cellular or other wireless device, you expressly consent to receiving notices and other communications including email, voice and text messages from us or our affiliates or assigns at that email address or telephone number, and this express consent applies to each such email address or telephone number that you provide to us now or in the future and permits such communications regardless of their purpose. You agree that the original of this EFA may be electronically duplicated and a copy hereof may be introduced in lieu of the original thereof and without further foundation. The parties hereto expressly waive the secondary evidence rule. You agree that this EFA will be binding upon your successors, permitted assigns, heirs and legal representatives. You authorize us to complete any blank in this instrument or in any document executed or delivered in connection herewith that contemplates a date by inserting a date deemed appropriate by us. Time is of the essence with respect to your obligations hereunder. Except as otherwise expressly permitted hereunder, no term or provision of this EFA may be amended, altered, waived or discharged except by a written instrument signed by the party against whom enforcement is sought. You agree, however, that we are authorized, without notice to you, to supply missing information or correct any misspellings or obvious errors in this EFA. Any formal notice given pursuant to this EFA shall, if delivered by mail, be deemed given 2 business days after being placed with the U.S. Postal Service, postage prepaid, addressed to the Debtor at its address set forth above, or to Secured Party at 23970 Hwy 59 N, Kingwood, TX 77339-1535, or such other address as a party may designate by written notice to the other. If Debtor constitutes more than one person, you agree that the liability of each such person hereunder is joint and several. Any restrictive endorsement on any check you give us in payment of any amount due hereunder shall be void. A facsimile or other copy of this EFA, as executed, shall be deemed the equivalent of the originally executed copy for all purposes. Secured Party may acknowledge acceptance of this EFA in a subsequent communication signed by Secured Party. All amounts payable hereunder by you if not paid when due shall accrue interest at a rate of interest of 1.5% per month or the highest rate allowed by applicable law if less, from the due date thereof until received by us in cash and shall be payable on demand. This EFA may be executed in separate counterparts which together shall constitute one and the same instrument. You agree this EFA may be signed electronically pursuant to the Electronic Signatures in Global and National Commerce Act and other applicable law. This Prepayment Addendum ("Addendum") sets forth your right to prepay the transaction evidenced by the agreement identified above ("Agreement"). Capitalized terms used, but not defined, in this Addendum shall have the meaning set forth in the Agreement.

Provided no default under the Agreement has occurred and is continuing as of the Prepayment Date (as defined below), you may prepay the Agreement, in whole but not in part, on any business day by paying Ascentium the "Unpaid Balance" in immediately available funds.

The Unpaid Balance shall equal, as of the date of the receipt by Ascentium of the Unpaid Balance (such date, the "Prepayment Date"), the sum of (i) the Principal Balance plus (ii) the Prepayment Fee plus (iii) any Additional Amounts (each as defined below) due under the Agreement.

"Principal Balance" means:

- (a) The sum of all unpaid Payments, less all unearned interest, that are due and to become due under the Agreement; plus
- (b) Ascentium's unamortized initial direct costs for the transaction evidenced by the Agreement.

"Prepayment Fee" means:

- a) 3% of the Principal Balance if the Prepayment Date is on or before Ascentium's receipt of the 12th Payment, or
- b) 2% of the Principal Balance if the Prepayment Date is following Ascentium's receipt of the 12th Payment but on or before its receipt of the 24th Payment; or
- c) 1% of the Principal Balance if the Prepayment Date is following Ascentium's receipt of the 24th Payment.

"Additional Amounts" means (i) all other amounts (excluding Payments) due and owing under the Agreement as of the Prepayment Date, (ii) all known tax and insurance payments, if any, that we expect to pay on your behalf under the Agreement after the Prepayment Date but attributable to the period prior to the Prepayment Date, and (iii) all applicable taxes, if any, arising out of the prepayment.

Ascentium shall specify the Unpaid Balance which, absent manifest error, shall be binding and conclusive. Your prepayment pursuant to this Addendum does not release you from your indemnity obligations or your obligation to reimburse us for any taxes, insurance or other expenses we pay on your behalf under the Agreement after the Prepayment Date that were not included in the Unpaid Balance calculation.

Partial prepayments are not permitted. If you pay more than the current amount due under the Agreement, Ascentium may (i) apply the excess amount to the Payment(s) due at the end of the payment term or (ii) return the excess amount to you. If we apply the excess amount to Payment(s) due at the end of the term, the number of your remaining Payments will be reduced but the total amount of Payments set forth in the Agreement will not change including the interest calculated.

If you desire to prepay the Agreement in full, please contact Ascentium at customerservice@ascentiumcapital.com or 866-846-3646 to receive your current Unpaid Balance.

This Addendum is part of the Agreement. Except as expressly set forth in this Addendum, the Agreement remains unchanged and in full force and effect. You agree that a facsimile or other copy of this Addendum, as executed, shall be deemed the equivalent of an originally executed copy for all purposes.

2. PAYMENTS. Borrower's obligation to pay the Payments shall be absolute and unconditional and is not subject to any termination, cancellation, abatement, set-off, defense or counterclaim for any reason whatsoever. Borrower may not elect to prepay or otherwise terminate this Agreement without the prior written consent of Lender. If Borrower is more than one person or entity, all of Borrower's obligations hereunder shall be joint and several. All Payments shall be made to Lender at its address specified above (or such other place as Lender may direct in writing) without notice or demand therefor, and all Payments shall be applied first to accrued and unpaid interest and other amounts payable hereunder and the balance to unpaid principal. Interest shall be computed on the basis of a year consisting of twelve months of thirty days each. Until all Indebtedness shall have been paid in full, the security interest in the Collateral granted hereby shall remain in full force and effect. Whenever any Payment is not made by Borrower when due hereunder and such failure continues for three (3) days thereafter, Borrower agrees to pay to Lender an amount equal to ten percent (10%) of such delayed Payment, but only to the extent permitted by law. Except as specifically provided herein, Borrower may not prepay any portion of this Agreement. Notwithstanding any other provision in this Agreement, nothing herein shall authorize or permit the payment of interest by Borrower where the same would be prohibited by any applicable law or would violate the applicable usury law. In any such event, this Agreement shall automatically be deemed amended to permit interest charges at an amount equal to, but not greater than, the maximum permitted by law. Unless specifically financed hereunder and included in the Principal Amount, Payments do not include taxes allocable to the Products, as defined in Section 14. In the event the United States tax laws change prior to, or during, the Base Term, Lender has the right to increase the remaining Periodic Payments to achieve its originally anticipated economic return. Borrower shall file and pay when due any and all taxes and government fees, charges, penalties and interest related to the Products, this Agreement and the Payments and shall immediately reimburse Lender for all such amounts paid by Lender on behalf of Borrower. Each check by phone payment made by Borrower to Lender shall be subject to a fee of \$25.00 and any check returned without payment shall be subject to a \$35.00 charge. Borrower agrees to pay Lender a documentation fee equal to the amount specified above, or if not so specified, the greater of either \$250.00 or 0.5% of the total of the Principal Amount, which amount shall be invoiced and payable along with the first Payment hereunder.

3. ASSIGNMENT. BORROWER MAY NOT ASSIGN THIS AGREEMENT OR THE RIGHTS AND/OR OBLIGATIONS HEREUNDER, NOR SHALL THE BORROWER LEASE OR LEND THE COLLATERAL OR SUBMIT IT TO BE USED BY ANYONE OTHER THAN BORROWER'S EMPLOYEES WITHOUT THE PRIOR WRITTEN CONSENT OF LENDER. Lender may at any time assign all or part of any interest in this Agreement and moneys to become due to Lender hereunder and the Collateral. In such an event, all of Lender's rights, powers and privileges contained herein so assigned shall inure to the benefit of and may be exercised by or on behalf of such assignee, but the assignee shall not be liable for or be required to perform any of Lender's obligations to Borrower. The right of the assignee to the payment of assigned Payments and performance of all Borrower's obligations and the right to exercise any and all of Lender's rights hereunder shall not be subject to any defense, counterclaim or set-off which the Borrower may have or assert against the Lender, and the Borrower hereby agrees that it will not assert any such defenses, set-offs, counterclaims and claims against the assignee.

1. COMMENCEMENT, DUE DATES, COLLATERAL. (a) This Agreement shall become binding on Borrower upon its execution thereof and on Lender upon its execution. The term of this Agreement shall commence on the date Lender first disburses all or a portion of the Principal Amount (the "**Commencement Date**") and the Base Term shall commence on the date specified by Lender in the month following the Commencement Date (the "**Base Term Commencement Date**") and shall continue until all obligations of the Borrower hereunder have been fully performed. The first Periodic Payment shall be due thirty (30) days after the Base Term Commencement Date, or as otherwise invoiced by Lender (the "**First Due Date**"), with the remaining Periodic Payments due on the same day of each subsequent payment period until paid in full. Lender may charge Borrower a portion of one Periodic Payment for the period from the Commencement Date until the Base Term Commencement Date (such accrued interest, the "**Interim Payment**"). The Interim Payment shall be due and payable as invoiced by Lender. UPON DISBURSEMENT OF ALL OR A PORTION OF THE PRINCIPAL AMOUNT, BORROWER IRREVOCABLY AUTHORIZES LENDER TO INSERT THE CORRECT PAYMENT DUE DATES and to complete or amend all documents related to this Agreement to reflect the correct due dates of all payments hereunder.

(b) To secure the prompt repayment of (i) the Periodic Payments, Interim Payment and all other amounts due hereunder (the "**Payments**"), and (ii) all other obligations of Borrower to Lender, whether now existing or hereafter arising (collectively, the "**Indebtedness**"), Borrower hereby grants to Lender a first priority security interest in the assets described in Exhibit A attached hereto, whether now owned or hereafter acquired, together with all accessories, acccessions, attachments thereto, and all other substitutions, renewals, replacements and improvements and all proceeds of the foregoing, including proceeds in the form of goods, accounts, chattel paper, documents, instruments, general intangibles, investment property, deposit accounts, letter of credit rights and supporting obligations (collectively, "**Collateral**"). Borrower covenants to keep the Collateral free and clear of all liens and encumbrances, except for Lender's security interest therein. Borrower authorizes Lender to insert and/or correct serial numbers, VIN numbers and any other relevant information which identifies the Collateral when such information becomes available to Lender. Upon Lender's receipt of all Payments, Borrower shall own the Collateral free and clear of Lender's security interest.

4. EVENTS OF DEFAULT. The term "**Event of Default**" shall mean any one or more of the following: (a) Borrower shall fail to make any Payment as it becomes due hereunder and such failure is not cured within 10 days; or (b) Borrower shall fail to perform or observe any of the covenants set forth in Paragraph 9; or (c) Borrower shall fail to perform or observe any other covenant, condition or agreement to be performed or observed by it hereunder and such failure is not cured within 15 days after written notice from Lender to Borrower; or (d) Borrower or any guarantor of Borrower's obligations (each a "**Guarantor**") shall commence or be subject to any action for relief under any existing or future law of any jurisdiction, relating to bankruptcy, insolvency, reorganization or relief of debtors; or (e) Borrower or any Guarantor shall die, or if an entity, cease to exist, dissolve itself or be terminated; or (f) Any representation or warranty made by Borrower herein or otherwise furnished Lender in connection with this Agreement shall prove at any time to have been untrue or misleading in any material respect; or (g) Borrower or any Guarantor defaults with respect to any other indebtedness for borrowed money, lease, installment sale or guaranty obligation, or fails to comply with any financial covenant related thereto, in each case when any applicable grace period for such obligation has expired and the creditor has commenced to exercise any remedy; or (h) Lender shall reasonably deem itself insecure as a result of a material adverse change in Borrower's financial condition or operations or a change in the ownership of Borrower or any Guarantor; or (i) Borrower or any Guarantor shall fail to maintain in good standing any license necessary to conduct its business.

5. REMEDIES. Upon the occurrence of any Event of Default, Lender may declare this Agreement to be in default and exercise any one or more of the following remedies: (a) declare the Termination Amount, as defined in Section 6 hereof, to be immediately due and payable without notice or demand, (b) charge Borrower interest on all moneys due Lender at the rate of one and one half percent (1.5%) per month or the maximum rate permitted by law, whichever is less, from the date of default until paid in full, (c) require Borrower to assemble all Collateral at Borrower's expense, at a place reasonably designated by Lender, (d) remove any physical obstructions for removal of the Collateral from the place where the Collateral is located and take possession of any or all items of Collateral, without demand or notice, wherever same may be located, and (e) without liability to Borrower, cause all data and other information stored on hard drives and other

media storage devices to be securely overwritten and destroyed beyond recovery (such process being referred to as "Data Erasure"). Borrower hereby waives any and all damages occasioned by such retaking, except to the extent that such damage is caused by Lender's gross negligence or willful misconduct. Lender may, at its option, use, ship, store or repair all Collateral so removed and shall sell, lease or otherwise dispose of any such Collateral at a private or public sale. In the event Lender disposes of the Collateral, Lender shall give Borrower credit for any sums received by Lender from the sale or lease of the Collateral after deduction of the expenses of sale or lease. Borrower shall also be liable for and shall pay to Lender (i) all expenses incurred by Lender in connection with the enforcement of any of Lender's remedies, including all expenses of repossessing, storing, shipping, repairing and selling the Collateral, and (ii) Lender's reasonable attorney's fees and expenses, whether such fees and expenses arise in connection with a bankruptcy proceeding of Borrower and/or any Guarantor, or otherwise. All remedies of Lender hereunder are cumulative, are in addition to any other remedies provided for by law, and may, to the extent permitted by law, be exercised concurrently or separately. The exercise of any one remedy shall not be deemed to be an election of such remedy or to preclude the exercise of any other remedy. No failure on the part of the Lender to exercise and no delay in exercising any right or remedy shall operate as a waiver thereof or modify the terms of this Agreement.

6. **TERMINATION AMOUNT.** In the case of a required prepayment pursuant to Sections 5 or 8, Borrower shall pay Lender an amount equal to: (a) all amounts then due, including but not limited to, any due but not yet paid Periodic Payments, Interim Payment, late charges, and other amounts due as of the date of prepayment (the "Current Balance"); plus (b) the remaining Periodic Payments, discounted to the date of payment by Borrower at an annual rate equal to the lesser of three percent (3%) or the rate then available for United States Treasury obligations having an average life equal to one half of the remaining Base Term (collectively, the "Termination Amount").

7. **UCC FILINGS AND FINANCIAL STATEMENTS.** Borrower hereby irrevocably authorizes Lender and appoints Lender as Borrower's attorney-in-fact, with full power of substitution, to execute and/or file (on behalf of Borrower if necessary) such financing statements, continuations, assignments, amendments and/or other documents which Lender deems reasonably necessary to protect and continue Lender's right, title and interest hereunder and with respect to the Collateral. Borrower agrees to reimburse Lender for Lender's expenses incurred in preparing and filing all financing statements and for Lender's other documentation costs. Borrower agrees to submit audited financial statements or tax returns if its financial statements are unaudited within 120 days from the end of its fiscal year and Borrower warrants to Lender that all financial statements furnished and to be furnished have been and will be prepared in accordance with generally accepted accounting principles, are an accurate reflection of Borrower's financial condition and that there has been no material adverse change in the financial condition of Borrower or any Guarantor since the dates of preparation and submission of the financial statements to Lender. Lender may from time to time require a site inspection to verify the condition and/or existence of the Collateral and Borrower shall reimburse Lender's reasonable costs as invoiced. If Borrower requests administrative services from Lender, Borrower shall pay Lender's then applicable fee, if any, for such services.

8. **LOSS OR DAMAGE.** Borrower hereby assumes and shall bear the entire risk of loss (including theft and requisition of use) or destruction of or damage to the Collateral from any and every cause whatsoever, whether or not insured. No such loss or damage shall relieve Borrower from any obligation under this Agreement, which shall continue in full force and effect. In the event of damage to or loss or destruction of the Collateral (or any item thereof), Borrower shall promptly notify Lender in writing of such fact and shall, at the option of Lender; (a) place the same in good repair, condition and working order, or (b) replace the Collateral with like collateral acceptable to Lender and grant Lender a first priority security interest in such replacement collateral, or (c) pay to Lender the Termination Amount (or, at Lender's sole option, a prorata portion thereof if less than all of the Collateral is destroyed), whereupon the principal balance of this Agreement shall be reduced accordingly.

9. **INSURANCE.** Until all of the Indebtedness has been paid in full, Borrower shall obtain, maintain and keep the Collateral insured against all risks of loss or damage from every cause whatsoever, in an amount not less than the Termination Amount. Lender, its successors or assigns, shall be the named loss payee with respect to insurance for damage to the Collateral. Lender may require Borrower to obtain, provide evidence of and/or cause Lender to be entitled to the benefits of liability insurance, professional liability insurance, disability insurance and/or key man life insurance. Borrower shall pay all premiums for such insurance and shall deliver to Lender the original policy or policies of insurance, certificates of insurance, or other evidence satisfactory to Lender evidencing the insurance required thereby, along with proof, satisfactory to Lender, of the payment of the premiums for such insurance policies. The proceeds of all insurance policies required hereunder shall be paid directly to Lender. Borrower hereby irrevocably appoints Lender as Borrower's attorney-in-fact to make claim for, receive payment of, and execute and endorse all documents, checks or drafts received in payment for loss or damage under any such insurance policy. If Borrower fails to maintain insurance satisfactory to Lender or fails to timely provide proof of such insurance, Lender has the option, but not the obligation, to secure insurance from a carrier of its choosing in such forms and amounts as Lender deems reasonable to protect its interests. If Lender secures insurance on the Collateral, it will not name Borrower as an insured party, Borrower's interests may not be fully protected, and Borrower will reimburse Lender the premium which may be higher than the premium Borrower would pay if Borrower obtained insurance, and which may result in a profit to Lender through an investment in reinsurance. If Borrower is current in all of Borrower's obligations under this Agreement at the time of loss, any insurance proceeds received will be applied, at Lender's option, to repair or replace the Products, or to pay Lender the Termination Amount.

10. **BORROWER'S COVENANTS, REPRESENTATIONS AND WARRANTIES.** Borrower hereby represents, warrants and covenants to Lender as of the date hereof: (a) Borrower is organized and validly existing under the laws of the state of its organization, with adequate power and capacity to enter into this Agreement and any other documents required to be delivered in connection herewith (hereinafter

"Documents") and Borrower is duly qualified and licensed to do business wherever necessary to carry on its present business, including all states where the Collateral is to be located; (b) the Documents have been duly authorized, executed and delivered by Borrower and constitute valid, legal and binding agreements, enforceable in accordance with their terms; (c) no approval, consent or withholding of objections is required from any federal, state or local governmental authority or instrumentality with respect to the entry into or performance by Borrower of the Documents, except such as have already been obtained; (d) the entry into and performance by Borrower of the Documents will not (i) violate any judgment, order, law or regulation applicable to Borrower or (ii) result in any breach of, constitute a default under or result in the creation of any lien, charge, security interest or other encumbrance upon any item of Collateral pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement or other instrument to which Borrower is a party; (e) there are no suits or proceedings pending or threatened in court or before any regulatory commission, board or other administrative governmental agency against or affecting Borrower, which may have a material adverse effect on the ability of Borrower to fulfill its obligations hereunder; (f) Borrower shall not: (i) enter into any transaction of merger or consolidation in which it is not the surviving entity or sell, transfer or otherwise dispose of all or substantially all of its assets or (ii) change its name or (iii) permit any change of more than twenty percent (20%) in the ownership of the Borrower.

11. **MISCELLANEOUS.** Borrower agrees to execute or obtain and deliver to Lender at Lender's request such additional documents as Lender may reasonably deem necessary to protect Lender's interest in the Collateral and this Agreement. Any Security Deposit shall be held by and applied by Lender at its discretion to cure any Event of Default hereunder. Upon the satisfaction in full of all of the Indebtedness, Lender shall return any unapplied portion of the Security Deposit without interest. A facsimile copy of this Agreement with facsimile signatures may be treated as an original and will be admissible as evidence of this Agreement. The USA PATRIOT Act requires us to obtain, verify, and record information that identifies you thus we ask for your name, address and other information or documents that substantiate your identity.

12. **CHOICE OF LAW.** This Agreement shall be binding and effective when accepted by Lender, shall be deemed to have been made in Pennsylvania and, except for local filing requirements, shall be governed by and construed in accordance with the laws (except for the laws relating to conflict of law) of the Commonwealth of Pennsylvania. Borrower hereby consents to and agrees that personal jurisdiction over Borrower and subject matter jurisdiction over the Collateral shall be with the courts of the Commonwealth of Pennsylvania or the Eastern Federal District Court for the Eastern District of Pennsylvania. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT IN CONNECTION WITH THIS AGREEMENT.

13. **INDEMNITY.** Borrower agrees to indemnify and hold harmless Lender, and its agents, employees and assigns from and against any liability, damage or loss of any nature (including attorneys' fees) arising out of, or resulting from this Agreement and claims of any nature arising out of the selection, purchase, delivery, acceptance, rejection, use, operation, ownership, return or disposition of the Collateral, or Data Erasure.

14. **WAIVERS.** Borrower hereby waives against Lender as a precondition for payment hereunder each of the following: any demand for payment, filing of claims with any court, and proceeding to enforce provisions of the Indebtedness or any guaranty thereof against any other party or collateral and all protests, presentment, notice or demand whatsoever. Borrower shall not be discharged from its obligations hereunder or with respect to the Indebtedness except by payment in full of all amounts due and to become due and the performance of all other obligations with respect thereto. Borrower hereby acknowledges and agrees that with respect to any products being financed with the proceeds of the Principal Amount hereof ("Products"): Borrower has selected the Products and the vendor thereof; LENDER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND; LENDER IS NOT RESPONSIBLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OR ANY INJURY TO BORROWER OR ANY THIRD PARTY OR PROPERTY CAUSED BY THE PRODUCTS. Borrower shall continue to pay and perform its obligations hereunder notwithstanding any breach by the manufacturer or supplier of the Products.

15. **ENTIRE AGREEMENT; NON-WAIVER; SEVERABILITY.** This Agreement contains the entire agreement and understanding between Borrower and Lender or relating to the subject matter hereof. No agreements or understandings shall be binding on the parties hereto unless set forth in writing and signed by the parties. Time is of the essence in this Agreement. Any provision of this Agreement held unenforceable in any jurisdiction shall be ineffective to the extent of such unenforceability without invalidating the remaining provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their authorized representatives.
