What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED FOR PROSPECTIVE FRANCHISEES
BY STATE OF MICHIGAN**

Section 445.1508(1) of the Michigan Franchise Investment Law requires franchisor to give you a copy of the Franchise Disclosure documents earlier of: (i) 10 business days prior to signing the Franchise Agreement; or (ii) 10 business days prior to franchisor's receipt of any consideration.

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, according to the Michigan Department of Attorney General, Consumer Protection Division (the "Division"), the provisions are void and cannot be enforced against you:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided by the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This subsection does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from

exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then **current** reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market value or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c) above.

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General of Michigan does not constitute approval, recommendation, or endorsement by the Attorney General.

3. This item estimates your initial start-up expenses. These expenses include payroll costs. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: how much you follow our methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for your products and services; the prevailing wage rate; competition; and the sales level reached during the initial period.

4. We do not estimate any real estate or office space costs. They vary dramatically based on numerous factors. We presume you will operate your ACTIKARE® Franchised Business from your home.

5. We require franchise owners to carry one million dollars in General Liability and one million dollars in Professional Liability coverage naming us as an additional insured.

6. You are required to use a scheduling software, provided by a third party designated by us, to streamline client and employee management, scheduling, billing and payroll. Cost is based on number of active clients and is payable directly to the third party. We will provide you with a local business telephone number, Web Hosting and Email Account.

7. We will provide and you will utilize a virtual local business telephone number exclusively for advertising and marketing your franchise business, web hosting, and an email account. This fee will begin the first month from the date of the Franchise Agreement. As further described in Item 11, this fee increases beginning in your third year of business.

8. You are required to pay us each month for marketing services which we will execute on your behalf, including call center services/appointment setting services, cold calling potential business partners on your behalf, live chat services during business hours, and a customized Website (your “Sitelet”). These services are only offered as a bundle and may not be purchased separately or pro-rated based on usage. Similar services or products may be substituted and/or replaced at any time, and at our sole discretion.

9. Beginning upon completion of training or issuance of your state-required license, whichever is later, during your first 4 months of business, \$1,500 must be paid directly to us each month for marketing services which we will execute on your behalf for your territory. We recommend 30 days prior to training or issuance of your required state license, you initiate Initial Launch Advertising, but you are not required to do so.

10. We relied on our experience to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not offer financing directly or indirectly for any part of the initial investment for your ACTIKARE® Franchised Business. The availability and terms of financing will depend on factors such as the availability of financing generally, your creditworthiness, collateral you may have and lending policies of financial institutions from which you may request a loan. All payments to us are non-refundable. Any refund of payments made to various vendors will depend on the terms you arrange with those vendors.

ITEM 8 RESTRICTIONS ON SOURCES

The following table summarizes the approximate percentages of your purchases of equipment and supplies through sourcing restrictions, based on the nature of the restriction.

REQUIRED PURCHASES FROM US	REQUIRED PURCHASES FROM APPROVED SUPPLIERS	REQUIRED PURCHASES IN ACCORDANCE WITH OUR SPECIFICATIONS AND STANDARDS
Establishment – 2%	Establishment 2%	Establishment – 2%
Operation – 2% - 10%	Operation – 2% - 10%	Operation – 2% - 10%

You are not currently required to purchase any equipment or supplies from us, approved suppliers or according to our specifications and standards. We will furnish you with an initial supply of brochures and other trademarked materials. You may purchase equipment, supplies, and inventory items under specifications in the Operations Manual from suppliers approved by us. We do not make our criteria for vendor/supplier approval available to our franchisees.

Our specifications for equipment, supplies and inventory items have been designed to minimize costs and to create consistency throughout the ACTIKARE ® System. Those specifications include standards for performance, competitive cost, quality, availability, compatibility, and the supplier or manufacturer's service and credit history. To the extent we designate vendors/suppliers and you wish to purchase goods or supplies from a vendor/supplier not on our approved list, you or the supplier must request our approval in writing. We will then examine the vendor or supplier, which examination may include a review of product specifications, actual testing or review of their product, inquiries as to general reputation and reliability, and all such other factors as we deem important. You or the supplier are not required to pay costs of our examination. We must respond to the request in writing within 30 days. Such response may indicate that we need additional time to complete our review. If we do not approve your request, we must tell you why. If we give approval, our specifications and standards will be given to the vendor/supplier and they will be added to our approved list for you and all other franchisees.

We continually monitor and evaluate all approved suppliers and vendors based on our experience and that of our franchisees. We will discontinue the use of any vendor or supplier that fails to consistently meet quality control standards, conform to our specifications or meet the needs of our franchisees.

We are the exclusive vendor for our Launch Advertising, ACTIKARE ® Business Package, Software, Virtual Business Telephone Number, Web Hosting and Email Account. We are also a vendor for all trademarked materials. However, you may use any vendor you choose if they can produce our trademarked materials to our specifications and are approved by our office. Except for trademarked items, there are currently no other items or services for which we or our affiliates are approved suppliers or the only approved suppliers.

You can purchase additional supplies, but you are not required to do so. We do derive revenue from your purchase of our Support Services and trademarked material. We mark up these materials approximately 10% to 12% to cover handling costs. As of our fiscal year end December 31, 2023, we realized \$6,142.83 in revenue from your purchases which accounted for approximately 29% of our total revenues of \$2,083,762.

Other than the trademarked material described above, there are no approved suppliers in which any of our officers owns an interest.

Computer Hardware and Software.

We do not require you to purchase a computer or any standard software (Microsoft Office) from any particular vendor. We do not require you to purchase a new computer, however you are required to own a computer for your ACTIKARE® Business

We require that you use QuickBooks by Intuit, Inc. as your accounting software.

We require that you use a scheduling software provided by a 3rd party vendor designated by us. We reserve the right to require you to use certain scheduling, tracking and reporting software to operate your Franchised Business, and this requirement may change over time. We will provide you with at least 90 days' notice of any change to your required software.

Miscellaneous.

Except as described above, we currently derive no revenue or other material consideration as a result of required purchases or leases. There currently are no purchasing or distribution cooperatives. We do not currently negotiate purchase arrangements with suppliers for the benefit of franchisees but we may do so in the future.

We restrict, designate, and have the right to approve, or control all of your digital, electronic and social media, and Internet activity. You shall not establish or operate a web site on the Internet using any domain name containing the words ActiKare.com, .net, .biz, .org or any variation, without our prior written permission. You may not create, maintain or operate any blogs, Internet web sites or other online activities advertising, promoting or discussing the services of the ACTIKARE® Business, any competitive business or any in-home care or in-home care-related business, including the sending of bulk e-mail, other than in accordance with our Manuals or as we otherwise specify in writing. You shall, within 48 hours of a demand to do so by us, dismantle and/or deactivate any frames and/or links between your web pages and any other web sites or violating domains or any other items appearing on the Internet or elsewhere in violation of our policies and procedures.

ITEM 11 FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations: Before you open the ACTIKARE® Business, we will:

1. Provide you with the Franchise Package. (Franchise Agreement – Section 1)
2. Loan you one copy of each of our Manuals (Franchisee Manual and Marketing Plan). (Franchise Agreement - Section 7)
3. Train you and 2 other people. (Franchise Agreement - Section 4) This training is described in detail later in this Item.

Post-Opening Obligations: During your operation of the ACTIKARE® Business, we will:

1. Provide unlimited telephone support during business hours. (Franchise Agreement - Section 4)
2. Hold conference calls to discuss sales techniques, bookkeeping, performance standards and advertising programs. (Franchise Agreement – Section 4)
3. Loan you one copy of each of our Manuals (Franchisee Manual and Marketing Plan), consisting of such materials for use in operating ACTIKARE® Businesses. The Manuals contain mandatory and suggested specifications, standards, operating procedures and rules (“**System Standards**”) that we prescribe from time to time for operation of an ACTIKARE® Business and information relating to your other obligations under the Franchise Agreement and related agreements. The Manuals may be modified, updated and revised periodically to reflect changes in System Standards. (Franchise Agreement - Section 7)
4. Issue, modify and supplement System Standards for ACTIKARE® businesses. We may periodically modify System Standards, which may accommodate regional or local variations as we determine, and these modifications may obligate you to invest additional capital in the ACTIKARE®

Business and/or incur higher operating costs. However, these modifications will not alter your fundamental status and rights under the Agreement. (Franchise Agreement -Section 7)

5. Maintain an Internet Website that will include a list of all ACTIKARE® locations that are in good standing with us. Our Website will have a link to your customized Website Page (your “Sitelet”). Your Sitelet will include information relating to your specific business location and select content that we provide from our website. Your Sitelet will also showcase the ACTIKARE® Services and products. By posting or submitting to us information or materials for the ACTIKARE® Internet Website, you are representing to us that the information and materials are accurate and not misleading and do not infringe any third party’s rights. You must notify us whenever any information about you or the Franchise Business on the ACTIKARE® Internet Website changes or is not accurate. You may not establish or maintain any other Website without our prior written approval. We reserve the right to change the requirements relating to your Sitelet at any time. (Franchise Agreement- Section 5)

6. Provide you with an Email account for your business.

Advertising Fund.

We have established and administer an Advertising Fund for the creation and development of marketing, advertising and related programs and materials on a system-wide basis. Upon completion of your training, or issuance of your receipt of your state-required license, whichever is later, you must contribute 2% of your Gross Sales or \$50.00 a month, whichever is greater, to the Advertising Fund. The advertising fee is non-refundable. (Franchise Agreement Section 5(b)) (See Items 6, 8 and 9) The Advertising Fund is administered by our Officers.

The Advertising Fund prepares income and expense statements at least once each calendar quarter, and at such time as is practical, the entire fund will be audited annually. Income and expense statements and audit results, as prepared, are available to any franchisee upon written request. Although the Fund is intended to remain in existence, we reserve the right to terminate the Fund only after all monies have been spent for advertising and promotion.

The Advertising Fund develops and places advertising for the ACTIKARE® System; decides whether to use advertising agencies and which ones; and decides which media to use, which may include print, radio, television, or direct mail. It may also include further development of a national web site. You are prohibited from producing any website for use with the Franchised Business unless specific written permission is given by us.

All franchisees contribute to the Advertising Fund on the same basis, and the expenditure of funds will be limited to advertising, promoting and marketing the goods and services offered by the ACTIKARE® System. Franchisees who are not yet contributing to the Advertising Fund may be excluded from receiving benefits from the activities of the Advertising Funds. No portion of the Advertising Funds will be used to sell franchises. We receive reimbursement from the Fund for our advertising related administrative costs, indirect expenses and subsidizing costs. The Advertising Fund’s operating rules and guidelines will be determined by our Officers. In our most recent fiscal year, 2023, we spent the Advertising Fund as follows: Co-op Advertising 30%, Merchant Services 3%, lead advertising 47%, Website Development 2%, Internet Marketing 12%, Art Department 5%, and Miscellaneous 1%, totaling 100% of the total funds collected. Excess funds not spent in any given fiscal year will be carried forward to the next fiscal year.

We will spend funds to benefit the ACTIKARE® Franchise System. This does not mean, however, that expenditures in your territory will be equivalent or proportionate to your contribution. In 2023, we placed additional national advertising at our own expense equal to % of that year's Advertising Fund, but are not obligated to do so in the future.

You may develop your own advertising materials provided they are submitted to us in advance for review and approval. We recommend you spend a minimum of \$1,000 every month on approved local paid advertising within your territory.

We do not have the power to require cooperatives to be formed, changed, dissolved or merged.

We restrict, designate, and have the right to approve, or control all of your electronic media, including Internet.

You will receive a virtual telephone number from us that will serve as your official ACTIKARE telephone number to be used exclusively for advertising and marketing to the public. (Franchise Agreement – Section 6)

You agree that upon termination, transfer, or expiration of your Franchise Agreement, you will immediately remove all advertising that you control and notify all advertising sources that your advertising must be removed and/or canceled immediately. For advertising that cannot be immediately canceled, you are responsible for any and all costs related to such advertising until such time as it can be canceled or it expires. You will cooperate with us in the removal of all Internet listings that may arise, for up to 12 months after termination, transfer or expiration of your Agreement.

Initial 4 Month Launch Advertising

Beginning upon completion of training or issuance of your state-required license, whichever is later, during your first 4 months of business, you must pay us directly \$1,500 each month for initial launch advertising and marketing services which we will execute on your behalf for your territory. You agree to provide authorization for your credit card to be automatically charged by us on the first day of each month during this 4 month period.

ActiKare Business Package.

Beginning upon receipt of training or state-required license, whichever is later, and continuing for 24 months, \$250 must be paid directly to us each month for call center services/cold calling/appointment setting services, cold calling potential business partners on your behalf, live chat services, and a customized Website. This fee will increase to \$300 your third year in business and remain at \$300 for the remainder of your Franchise Agreement. Payment will be made monthly by automatic debit to your credit card.

Hardware and Software Requirements.

You must have a computer to operate your ACTIKARE® Franchised Business. Currently we do not require you to use any specific brand of computer hardware. You are required to have Microsoft Word, Microsoft Excel, Microsoft Outlook, QuickBooks, and Internet Explorer on your computer in order to access our website. Although not required, we do highly recommend a broadband connection for your computer. You may purchase the hardware and software from any source. The computer is not proprietary and does not require a maintenance or service agreement. You are responsible for purchasing and arranging delivery of this equipment with the vendor. The computer system manages your sales activities and general business operations. We estimate the cost of a computer system to be \$500 - \$1,000.

You are required to use a scheduling software, provided by a third party designated and administered by us, to streamline processes in four major areas: client and employee management, scheduling, billing, and payroll. The cost is based on the number of active clients and typically ranges between \$130 and \$200 per month. The management aspect of the software will allow you to manage contact information, schedules, plan of care, skills and certifications, etc. The scheduling feature will allow you to assign employees to clients according to geographic location, needs, schedules and personality types.

The scheduling software will allow you to invoice clients based on the confirmed visits made to the client's home. The software will also allow franchise owners to print various reports.

Employment Policies

Any materials, guidance or assistance that we provide concerning the terms and conditions of employment for your employees, employee hiring, firing and discipline, and similar employment-related policies or procedures, whether in the Operations Manual or otherwise, are solely for your optional consideration and use. Those materials, guidance and assistance do not form part of the mandatory System Standards. You will determine to what extent, if any, these materials, guidance or assistance should apply to your employees.

You will have responsibility for your employees and all acts of your employees, and all employment-related decisions involving wages, benefits, hours of work, scheduling, hiring, firing, discipline, supervision, record keeping, taxes and withholdings, social security contributions, Medicare contributions, unemployment fund contributions and all other terms and conditions of employment.

We do not exercise control and do not have the authority to control any of the essential terms and conditions of your employees' employment with you listed below:

(1) Wages, benefits, and other compensation; (2) Hours of work and scheduling; (3) The assignment of duties to be performed; (4) The supervision of the performance of duties; (5) Work rules and directions governing the manner, means, and methods of the performance of duties and the grounds for discipline; (6) The tenure of employment, including hiring and discharge; and (7) Working conditions related to the safety and health of your employees.

You must disclose to each of your employees in writing, in a form approved by us in advance, that you are the sole employer with total control over the terms and conditions of your employee's employment and that we are not a "joint employer" of your employees and that we do not control your personnel policies.

You will be charged a monthly fee of \$50 for your business telephone number, Web Hosting and your email account beginning the first month from the date you sign your Franchise Agreement.

We reserve the right to require you, at your expense and in the time frame determined by us, to update or upgrade the hardware and/or software you use to conform to new standards or specifications and we have no limitations on our ability to do so. However, we do not request the right to remotely access information and data maintained on the computer system.

We do not anticipate that you will incur any annual costs for computer update, upgrade, support contracts or maintenance costs, unless you choose to do so.

Time To Opening.

We estimate that there will be an interval of 90 - 180 days between the signing of the Franchise Agreement and the opening of the ACTIKARE® Business, but the interval may vary based upon such factors as, the delivery schedule for the initial Franchise Package, delays in securing financing arrangements and completing training and your compliance with local laws and regulations. You may not open the ACTIKARE® Business for business until: (1) our pre-opening training has been completed to our satisfaction; (2) you submit proof of insurance in the amounts required under the Franchise Agreement, and (3) you comply with any required state or local registrations or licensing requirements.

If your ACTIKARE® Business will operate in a state that does not require that you secure a license prior to opening, you must complete training and open your Business within 90 days of signing your Franchise Agreement or we may terminate your Franchise Agreement.

If your ACTIKARE® Business will operate in a state that requires your licensure prior to opening, you must apply for your license within thirty (30) days of signing your Franchise Agreement; and complete training within 30 days of license approval, or 180 days of signing your Franchise Agreement or we may terminate your Franchise Agreement.

Training.

You must attend and successfully complete the initial training program that we provide to franchisees (the “**Initial Training**”). We may extend the Initial Training for anyone who fails to successfully complete the program, but you must attend and successfully complete the program within 180 days of signing your Franchise Agreement, or within 60 days of your receipt of your state-required license, whichever comes first; or we may terminate your Franchise Agreement.

The Initial Training Program consists of 10 hours Web-based Pre-training and Post-training and approximately 2-3 days of Corporate Training which is presently conducted at our headquarters in Tampa, Florida, on-line or at another mutually agreed upon location (*additional fees to reimburse us for our costs will apply*). Training programs are scheduled and run as needed. You may not open your business until you have completed on-site and mandatory pre and post launch training. Upon your request, if you choose not to attend our on-site classroom training, we will make available to you and you must attend our virtual one-on-one on-line classroom training. There is no charge for the Initial Training for you and 2 other people. You are responsible for your compensation, travel, lodging and living expenses incurred in connection with your attendance at any training program. Any person attending training is required to execute our current confidentiality agreement (if not named on the Franchise Agreement).

The Web-based training is a 10 hour self-paced program conducted through the Internet. The time to complete the Web-based training varies depending on how much time you can devote to training and how quickly you are able to absorb the materials. We expect this aspect of your training to take you 2 to 4 weeks to complete. The instructional material used in the Web-based training is our confidential operations manual and the Internet.

Currently our Initial Training consists of the following:

1. It is the nature of the ACTIKARE® business that all aspects of training are integrated, that is, there are no definitive starting and stopping times.

2. Although the individuals instructing the training may vary, all of our instructors have at least three years of relevant work experience in their designated subject area. In addition, we conduct optional training programs and conference. If you participate you must pay the costs and expenses for yourself and anyone attending with you. We may charge for optional training programs.

We will hold conferences, either telephonically or electronically, to discuss sales techniques, bookkeeping, performance standards, advertising programs and other topics we feel may be appropriate. These calls cover important information, including but not limited to changes in System Standards which are mandatory to remain in compliance with your Franchise Agreement. From time to time we may host in-person conferences and you will be required to pay the then current participation fee; however, your attendance is optional.

Following the initial phase of in-person training, you will be assigned to a dedicated support team from our corporate office to assist you in completing two additional phases of pre-opening training. This assistance includes but is not limited to rate setting, establishing an advertising and marketing campaign, caretaker recruitment and staffing, role playing and setting up back-office functions. Following successful completion of these training modules, you will be granted approval to market and accept clients. During this phase, you will submit applicable documentation to your dedicated support specialist to confirm that you are operating within our System Standards and meeting expectations for all ACTIKARE® franchisees.

Operations Manual.

The table of contents of our Manual is specified in Exhibit “D.”

**ITEM 12
TERRITORY**

The franchise is granted for a specific protected territory consisting of a population of 100,000 to not more than 250,000 (the “**Territory**”). As long as you are in compliance with the Franchise Agreement, you will receive an exclusive Territory. We will not grant a franchise for, nor operate for ourselves, an ACTIKARE® business within your Territory. However, if you fail to satisfy the terms and conditions in the Franchise Agreement, we may develop the ACTIKARE® System and business in your Territory.

You may operate your ACTIKARE® business office from your home or a commercial site, however you are not permitted to perform any customer services from your business office or any retail or commercial site without our written permission, which we can withhold at our sole discretion. If you do not have a commercial site within your protected territory, you must get a virtual address within your protected territory to use for Internet advertising.

You are also not permitted to operate a business office or perform services at any location or home that is situated outside of your Territory without our written permission. Permission will not be unreasonably withheld. If we grant you permission, you must enter into a written agreement with us which

addresses specific terms, policies and procedures. (See Rider A to the Franchise Agreement). If you service a client outside of your protected Territory, without our written permission, you agree to forfeit all of your gross sales for that client to us or someone we designate.

Other than your right to operate the ACTIKARE® Business in your Territory, we do not grant you any territorial or other rights whatsoever. We may establish other ACTIKARE® businesses (franchised or owned by us) anywhere outside of the Territory that may compete with your location.

You have no right to acquire additional territory within your Market or contiguous territories; however, additional territories may be purchased with the approval of our Executive Committee.

There is no minimum sales quota. You maintain your rights to your area as long as you abide by your Franchise Agreement. We may not alter your exclusive area without your consent.

Rights We Retain: Nevertheless, we retain the right, on behalf of ourselves or through affiliates, in our discretion, and without granting any rights to you, to:

- (i) solicit prospective franchisees and grant franchises or other rights to operate ACTIKARE® businesses through national or regional advertising, trade shows or conventions or through e-commerce or similar means for individuals to operate ACTIKARE® businesses (franchises will not be granted to operate within your Territory);
- (ii) solicit prospective franchisees for, and own and operate, businesses and ACTIKARE® businesses of any other kind or nature, anywhere;
- (iii) conduct or assign any ACTIKARE® business within your Territory that you refuse to perform, you are unable to perform or while you are in default of your Franchise Agreement;
- (iv) conduct services through any government program ("Program"). If we grant you permission to participate in a Program, which will not be unreasonably withheld, you may be required to enter into a written agreement with us which addresses specific terms, policies and procedures related to participation in the program and pay us the then current Program royalty fee.

Except as provided above, as long as you are in compliance with your Franchise Agreement, there are no other circumstances which permit us to modify your territorial rights.

ITEM 13 TRADEMARKS

Primary Trademark.

We grant you the right to use certain trademarks, service marks and other commercial symbols in operating your ACTIKARE® Business. The primary trademarks we use are the "ACTI-KARE®" composite mark, "ACTIKARE®" word mark and associated trade names, logos, symbols, and associated designs and trade dress.

Trademark Registration.

We have registered the following Marks with the United States Patent and Trademark Office (the "USPTO") as indicated:

Mark	Reg. No.	Reg. Date	Place of Registration
ACTIKARE	3,577,553	02/17/2009	Principal Register of USPTO
ACTi-KARE	3,631,365	06/02/2009	Principal Register of USPTO

There are no agreements currently in effect which significantly limit our rights to use or license the use of our Marks in a manner material to the franchise. There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringements, opposition or cancellation proceedings, or material litigation involving the Marks. All required affidavits have been filed with the USPTO.

Use of the Marks.

You must follow our rules when you use the Marks. You cannot use any Mark as part of your corporate or legal business name or with modifying words, designs or symbols. You may only use the Marks we license to you. You cannot use any Mark in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing.

Infringements.

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark, and you may not communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim and you must cooperate with us fully in pursuing, defending or settling the litigation. We have no affirmative obligation to preserve and protect the ownership and validity of our trademarks. However, we will take all steps that we deem reasonably appropriate. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, USPTO proceeding or any other administrative proceeding arising from such infringement, challenge or claim or otherwise relating to any Mark licensed by us to you. You must sign any instruments and documents, provide such assistance and take any action that, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or otherwise to protect and maintain our interests in the Marks. We will have no obligation to defend or indemnify you for your expenses or damages if the claim against you relates to your use of the trademarks in violation of the Franchise Agreement.

Changes to the Mark.

If it becomes advisable at any time in our sole discretion for us and/or you to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, you must comply with our directions within a reasonable time after receiving notice. We will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

Other than as described above, we do not actually know of either superior prior rights or infringing uses that could materially affect your use of our principal trademarks in any state.

Because your telephone listings will be associated with our Marks, we will own all rights to the telephone listings, and all goodwill generated from the use of the telephone listings will be to our benefit.

**ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

There are no patents nor pending patent applications that are material to the franchise.

We claim copyrights in the advertising materials and related items used in operating the Franchise. These copyrights have not been registered with the United States Registrar of Copyrights.

The Manuals and other materials we possess contain our confidential information and trade secrets. This information includes methods, formats, specifications, standards, systems, procedures and sales and marketing techniques used, and knowledge of, and experience in, developing and operating ACTIKARE® Businesses; marketing and advertising programs for ACTIKARE® Businesses; knowledge of specifications for and suppliers of certain equipment, products, materials and supplies; and knowledge of the operating results and financial performance of ACTIKARE® Businesses other than your ACTIKARE® Business.

You may not use our confidential information in an unauthorized manner and must take reasonable steps to prevent its disclosure to others. We require your managers to also agree to not use our confidential information in an unauthorized manner.

There currently are no effective determinations of the Copyright Office (Library of Congress) or any court regarding any of the copyrighted materials. Nor are there any agreements currently in effect which significantly limit our right to use or authorize franchisees to use the copyrighted materials. Furthermore, there are no infringing uses actually known to us which could materially affect a franchisee's use of the copyrighted materials in any state. We are not required by any agreement to protect or defend copyrights or confidential information, although we intend to do so when this action is in the best interests of the ACTIKARE® Business System.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet that you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Because we permit franchisees to determine the number of hours they operate their Franchised Business, and part-time hours vary widely, we are also only reporting on businesses that operate on a full-time basis which we define as 40 hours per week during typical business hours. Of our 146 Franchised Businesses, 95 operate on a full-time basis and 27 on a part-time basis and 24 units are in the process of getting licensed per their state requirements. Excluded from this financial performance representation are affiliate owned and operated units.

The Franchised Businesses whose gross sales are used in our calculations are single unit franchises, spend a minimum of \$12,000 per calendar year on advertising and have purchased a protected territory of between 100,000 and 250,000 populations.

The Franchised Businesses gross sales used in our calculations are franchises that are offering personal care services and are licensed within their state to offer such services, if applicable.

The Franchised Businesses presented below does not differ materially from the franchises now being offered.

The above figure does not reflect the costs of sales, operating expenses or other costs and expenses that must be deducted from the Gross Sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Franchised Business. Franchisees or former franchisees, listed in Exhibits E and F of this Franchise Disclosure Document, may be one source of this information.

Some franchises have sold this amount. Your individual results may differ. There is no assurance you will sell as much.

FINANCIAL STATEMENTS OF

ACTIKARE, INC.

Independent Auditor's Report

***Board of Directors of
ActiKare, Inc.***

Opinion

We have audited the financial statements of ActiKare, Inc., which comprise the balance sheets as of December 31, 2023, 2022 and 2021, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of ActiKare, Inc. as of December 31, 2023, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. *We are required to be independent of ActiKare, Inc. and to meet our other ethical responsibilities,* in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ActiKare, Inc.'s ability to continue as a going concern for one year from the date that the financial statements are issued.

Auditor's Responsibilities/or the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will

CDM Financials, LLC | P.O. Box 1028 | Fairburn, GA 30213 | email: info@cdmfinancials.com | www.cdmfinancials.com

always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, *there is a substantial likelihood that*, individually or in the aggregate, they *would* influence the *judgment made by a reasonable user based on the* financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ActiKare, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ActiKare, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The Company assists in operating the franchisees business and design an ongoing marketing program to reach potential customers within your protected territory. Generally, Actikare, Inc. businesses market to individuals 60 years of age and older.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements for Actikare, Inc., Inc. were prepared using the accrual basis of accounting. Under this method income is recorded when earned and expenses are recorded when incurred.

Reporting Period

For tax and reporting purposes, Actikare, Inc. operates on a calendar year consisting of a full twelve months beginning with January 1 and ending December 31.

The Company considers cash on hand, cash in banks and other short-term securities with maturities of three months or less when purchased as cash and cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Impairment of Long-Lived Assets

The Company records impairment losses on long-lived assets used in operations when events and circumstances indicate that the assets might be impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of those assets. There were no such impairment losses at December 31, 2023.

ACTIKARE, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD ENDING DECEMBER 31, 2023, 2022 and 2021

Note 3 – Revenue Recognition

The Company adopted ASU 2014-09 Revenue from Contracts with Customers and all subsequent amendments to the ASU (collectively, “ASU 606”) which creates a single framework for recognizing revenue from contracts with customers that fall within its scope. In adopting ASC 606 the full retrospective method was used to determine revenue under the current standard. Completion of the implementation analysis resulted in no adjustment to the beginning accumulated deficit balance.

Initial franchise fees are used to secure the franchisees designated territory and cover the necessary training and orientation. Franchise sales are only recognized when the Company satisfies all its performance obligations to its franchisees. Accordingly, for the year ending December 31, 2023 and for the periods prior to adoption of ASC 606, the company had no unearned income to report.

16. MARKS.

(a) ***Ownership and Goodwill.*** Your right to use the trademark ACTIKARE® and any other trademarks, service marks, logos, designs or artwork that we authorize (the "Marks") is derived solely from this Agreement. You may only use the Marks in connection with the operation of your ACTIKARE® Business and only in accordance with this Agreement. (c) ***Infringements and Claims.*** You must notify us immediately in writing if you become aware of any apparent infringement of, or challenge to, your use of any Mark, or claim by any person of any rights in any of the Marks. You must not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. We have sole right to take any action we deem appropriate and the right to exclusively control any litigation, administrative or other proceeding arising out of any infringement, challenge or claim or otherwise relating to any Mark. You must sign any instruments and documents, provide such assistance and take any action that, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or United States Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks.

(d) ***Discontinuance of Use.*** If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trademarks or service marks, you must comply within a reasonable time after our notice to you, and our sole liability and obligation to you in the event of such change will be to reimburse you for your out-of-pocket costs of compliance. **ADDENDUM TO THE
FRANCHISE DISCLOSURE DOCUMENT FOR
ACTIKARE, INC.
STATE OF CALIFORNIA**

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The following paragraphs are added at the end of Item 17 of the Disclosure Document pursuant to regulations promulgated under the California Franchise Investment Law:

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with this Disclosure Document.

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

Neither the franchisor, nor any person nor franchise broker in Item 2 of this Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS, CONCERNING THE CONTENTS OF THIS WEBSITE MSY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

California Law Regarding Termination and Nonrenewal. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

Termination Upon Bankruptcy. The Franchise Agreement provides for termination upon bankruptcy. These provisions may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et. seq.).

Post-Termination Noncompetition Covenants. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the respective agreement. These provisions may not be enforceable under California law.

Applicable Law. The Franchise Agreement requires application of the laws of the State of Florida with certain exceptions. These provisions may not be enforceable under California law.

Arbitration. The Franchise Agreement requires binding arbitration. The arbitration is to occur at the office of the America Arbitration Association in the county in which our principal place of business is located. The cost of the arbitration will be borne by the non-prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professional Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California. This provision may not be enforceable under generally applicable contract defenses such as fraud, duress or unconscionability.

Pursuant to the Home Care Services Consumer Protection Act of 2013 (the “Act”), you must conform to the Licensure and Certificate requirements of the Home Care Services Bureau (“HCSB”) effective January 1, 2016. The Act will apply to California agencies that provide home care services to consumers. Home care services as related to this Act include nonmedical services and assistance provided by a registered home care aide to a client who, perhaps because of advanced age or physical or mental disability, cannot perform these services. These services enable the client to remain in his or her residence and include, but are not limited to, assistance with the following: bathing, dressing, shopping, eating, exercising, and personal hygiene and grooming.

The Franchise Agreement contains a provision requiring you to waive your right to punitive or exemplary damages against the franchisor or any of its representatives, limiting your recovery to actual damages. Under California Corporations Code section 31512, these provisions are not enforceable in California for any claims you may have under the California Franchise Investment Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE
FRANCHISE DISCLOSURE DOCUMENT FOR
ACTIKARE, INC.
STATE OF ILLINOIS**

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act **or** any other law of Illinois is void.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE
FRANCHISE DISCLOSURE DOCUMENT FOR
ACTIKARE, INC.
STATE OF NORTH DAKOTA**

ALTHOUGH THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF NORTH DAKOTA, REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE STATE OF NORTH DAKOTA THAT THE INFORMATION PROVIDED IN THIS DISCLOSURE DOCUMENT IS TRUE, COMPLETE, ACCURATE OR NOT MISLEADING.

NORTH DAKOTA LAW MODIFICATIONS

1. The North Dakota Securities Commissioner requires that certain provisions contained in franchise documents be amended to be consistent with North Dakota Law, including the North Dakota Franchises Investment Law, North Dakota Century Code Annotated Chapter 51-19, Sections 51-19-01 through 51-19-17 (1993). To the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. If the Franchisee is required in the Franchise Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Law, or a rule or order under the Law, such release shall exclude claims arising under North Dakota Law, and such acknowledgements shall be void with respect to claims under the Law.
- b. Covenants not to compete during the term and upon termination or expiration of the Franchise Agreement are enforceable only under certain conditions according to North Dakota Law. If the Franchise Agreement contains a covenant not to compete which is inconsistent with North Dakota Law, the covenant may be unenforceable.
- c. If the Franchise Agreement requires litigation to be conducted in a forum other than the State of North Dakota, the requirement is void with respect to claims under North Dakota Law.
- d. If the Franchise Agreement requires that it be governed by a state's law, other than the State of North Dakota, to the extent that such law conflicts with North Dakota Law, North Dakota Law will control.
- e. If the Franchise Agreement requires mediation or arbitration to be conducted in a forum other than the State of North Dakota, the requirement may be unenforceable under North Dakota Law. Arbitration involving a franchise purchased in the State of North Dakota must be held either in a location mutually agreed upon prior to the arbitration or if the parties cannot agree on a location, the location will be determined by the arbitrator.
- f. If the Franchise Agreement requires payment of a termination penalty, the requirement may be unenforceable under the North Dakota Franchise Investment Law.
- g. Section 51-19-08 of the North Dakota Franchise Investment Law requires franchisor to give you a copy of the Franchise Disclosure Document at the earlier of: (i) seven days

prior to signing the franchise agreement; or (ii) seven days prior to franchisor's receipt of any consideration.

2. THE SECURITIES COMMISSIONER HAS HELD THE FOLLOWING TO BE UNFAIR, UNJUST OR INEQUITABLE TO NORTH DAKOTA FRANCHISEES (SECTION 51-19-09, N.D.C.C.):

- A) Restrictive Covenants: Franchise Disclosure Documents which disclose the existence of covenants restricting competition contrary to Section 9-08-06, N.D.C.C., without further disclosing that such covenants will be subject to the statute.
- B) Situs of Arbitration Proceedings: Franchise agreements providing that the parties must agree to the arbitration of disputes at a location that is remote from the site of the franchisee's business.
- C) Restrictions of Forum: Requiring North Dakota franchisees to consent to the jurisdiction of courts outside of North Dakota.
- D) Liquidated Damages and Termination Penalties: Requiring North Dakota franchisees to consent to liquidated damages or termination penalties.
- E) Applicable Laws: Franchise agreements which specify that they are to be governed by the laws of a state other than North Dakota.
- F) Waiver of Trial by Jury: Requiring North Dakota Franchises to consent to the waiver of a trial by jury.
- G) Waiver of Exemplary & Punitive Damages: Requiring North Dakota Franchisees to consent to a waiver of exemplary and punitive damage.
- H) General Release: Franchise Agreements that require the franchisee to sign a general release upon renewal of the franchise agreement.
- I) Limitation of Claims: Franchise Agreements that require the franchisee to consent to a limitation of claims. The statute of limitations under North Dakota law applies.
- J) Enforcement of Agreement: Franchise Agreements that require the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement. The prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

3. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of North Dakota Law, with respect to each such provision, are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

**ADDENDUM TO THE
FRANCHISE DISCLOSURE DOCUMENT FOR
ACTIKARE, INC.
STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
