What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. Out-of-State Dispute Resolution. The development agreement and franchise agreement require that all disagreements be litigated in the State of Kansas. Out of state litigation may force you to accept a less favorable settlement. It may also cost you more to sue us in Kansas than in your home state.
2. Governing Law. The development agreement and franchise agreement state that Kansas law governs the agreements, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, “Applebee’s,” “we,” “us” or “our” means Applebee’s Franchisor LLC, the franchisor, and when appropriate, our affiliates. “You” means the person or entity that buys the franchise, called the “Developer” under the Development Agreement and the “Franchisee” under the Franchise Agreement(s). When we refer to “Agreements,” we mean both the Development Agreement and Franchise Agreement(s).

Franchisor:

Applebee’s was formed in Delaware on July 28, 2014. Our principal business address is 10 W. Walnut St., 5th Floor, Pasadena, California 91103, and we do business only under our company name and the trade names Applebee’s Neighborhood Grill & Bar[®] and Applebee’s[®].

Since October 1, 2014, we have offered franchises for restaurants utilizing the service marks Applebee’s Neighborhood Grill & Bar[®] and Applebee’s Grill[®], using a system (the “System”) specializing in the sale of uniform, high quality, moderately priced food and alcoholic beverages in a distinctive, casual setting (“Restaurants”) in the U.S. and abroad. We may offer franchises for “Applebee’s” full-service Restaurants and new Applebee’s concepts being developed under the same or different names for fast-casual and/or quick-serve Restaurants to be located at another primary business or in conjunction with other businesses or at institutional settings such as schools, colleges and universities, military and other governmental facilities, hospitals, airports, highway rest stops, toll roads, hotels, motels, arenas, travel plazas, office or in-plant food facilities, supermarkets, grocery stores or convenience stores, casinos, stadiums, shopping malls and any other site, venue or location operated by a master concessionaire or contract food service provider (a “Non-Traditional Venue”). We may also offer optional online sales channels that offer a subset of Applebee’s menu items by delivery. In addition, we are developing and testing and may offer other virtual brands, new fast casual and quick serve concepts, as well as concepts, restaurants, and prototypes located in urban markets, which may operate under a name which may include “Applebee’s”. We may also develop and test and may engage with third parties regarding preparing Applebee’s food in ghost kitchens. Applebee’s has no businesses other than as described in this Disclosure Document. We have not offered franchises in any other line of business. Our registered agents for service of process are listed in Exhibit C.

Our Parents, Predecessors and Affiliates:

Our parent, Dine Brands Global, Inc. (“Dine Brands”) (formerly known as DineEquity, Inc.), acquired Applebee’s International, Inc. and its subsidiaries, the owner and franchisor of the Applebee’s Restaurant chain, on November 29, 2007. On or about September 30, 2014, Dine Brands and various of its existing direct and indirect subsidiaries closed a securitization transaction involving both the Applebee’s and the IHOP brands (the “Securitization”), as part of which various existing subsidiaries contributed their assets, including intellectual property, real and personal property and equipment and related leases and subleases (IHOP only), notes and indebtedness of franchisees, and the business and related agreements concerning manufacturing, sourcing and sales of goods and services, to newly-formed subsidiaries of Dine Brands, including us.

Following September 30, 2014, Applebee’s International, Inc. ceased offering and selling new domestic franchises and contributed all then-existing U.S. Applebee’s franchise agreements and related franchisee notes and guarantee agreements, among other assets, to newly formed Applebee’s Restaurants LLC, which continued to serve as the “franchisor” for those franchisees. Applebee’s International, Inc. also contributed all then-existing U.S. area development agreements to us, and we became responsible for all new domestic franchise sales commencing October 1, 2014. Prior to January 4, 2016, Applebee’s International, Inc. offered and sold Applebee’s franchises internationally. On January 4, 2016, our parent, Dine Brands,

conducted a reorganization of its international operations such that substantially all the assets of Applebee's International, Inc. were transferred to Dine Brands International, Inc. (formerly known as DineEquity International, Inc.). Dine Brands International, Inc. serves as the franchisor for all international Applebee's franchisees and franchisees with restaurants in the U.S. territories.

Our parent companies, all organized under Delaware law, are: Applebee's Funding LLC; Applebee's SPV Guarantor LLC; Applebee's International, Inc.; and Dine Brands. The principal business address of Dine Brands and our other parent companies is 10 W. Walnut St., 5th Floor, Pasadena, California 91103.

We have no predecessors; however, several of our existing and formerly affiliated entities previously offered franchises under the Applebee's Neighborhood Grill & Bar[®] and Applebee's Grill[®] brand names since the chain began in 1988. Applebee's International, Inc. offered domestic franchises from March 1988 to November 2007 (and continued to offer franchise agreements for the Restaurants abroad until January 3, 2016); Applebee's Franchising, LLC ("Applebee's Franchising") offered domestic franchises from November 2007 to December 2011, and Applebee's International, Inc. again offered franchises both domestically and internationally (from December 2011 through September 2014, for domestic franchisees, and from December 2011 through January 3, 2016, for international franchises).

As of December 31, 2023, there were a total of 1,545 Applebee's brand franchised Restaurants in the U.S. and U.S. Territories.

Our affiliates that provide products or services to our franchisees, all organized under Delaware law unless otherwise noted, are:

Dine Brands, whose activities include administering collections, franchising, marketing, real property, intellectual property, and providing certain pre-opening and post-opening services to franchised Restaurants.

Applebee's Services, Inc. (formerly known as AII Services, Inc.) ("Applebee's Services"), who may provide certain services to you on our behalf, including for example, training, site selection, and Restaurant inspections. See Item 11 of this Disclosure Document for more information. Applebee's Services maintains its principal place of business at 10 W. Walnut St., 5th Floor, Pasadena, California 91103. It has not owned or operated a Restaurant and has not offered franchises in any other line of business.

ACM Cards, Inc., a Florida corporation, who administers the Applebee's gift card program. ACM Cards, Inc.'s principal business address is 10 W. Walnut St., 5th Floor, Pasadena, California 91103. ACM Cards, Inc. has not conducted a business of the type to be operated by you nor has it offered franchises in this or any other line of business.

We have two affiliates that offer franchises in the U.S. in any line of business, which are IHOP Franchisor LLC for *IHOP* restaurants and Fuzzy's Taco Opportunities, LLC for *Fuzzy's Taco Shop* restaurants, as further described below.

IHOP franchise system. Our affiliate, IHOP Franchisor LLC, has offered U.S. franchises for IHOP and International House of Pancakes restaurants since October 1, 2014. IHOP Franchisor LLC's principal place of business is 10 W. Walnut St., 5th Floor, Pasadena, California 91103. Several of Dine Brands' then-affiliated entities previously offered franchises in the U.S. under the "IHOP" and "International House of Pancakes" brand names since the chain began in 1958, namely:

International House of Pancakes, Inc. from 1960 until February 2007;

IHOP Franchising, LLC from March 2007 to February 2009;

IHOP Franchise Company, LLC from April 2009 through December 2011; and

International House of Pancakes, LLC from December 2011 through September 2014 (this is the same entity that franchised from 1960 until February 2007, but in December 2008 converted to a limited liability company).

These restaurants feature “IHOP” pancakes as well as a diverse menu of other breakfast, lunch and dinner items. As of December 31, 2023, there were a total of 1,703 IHOP brand franchised restaurants in the U.S. and U.S. Territories that were franchised under the franchise programs offered in the IHOP Franchise Disclosure Documents.

Fuzzy’s Taco Shop franchise system. Our affiliate, Fuzzy’s Taco Opportunities, LLC (“FTO”), has offered franchises for “Fuzzy’s Taco Shop” restaurants in the U.S. since May 2008. FTO’s principal place of business is 4200 Regent Boulevard, Suite C-210, Irving, Texas 75063. In December 2022, Dine Brands acquired FTO and certain of its parent and affiliate entities, and FTO became our affiliate. Fuzzy’s Taco Shops are Baja-style Mexican food fast-casual restaurant under the name “Fuzzy’s Taco Shop” that feature items like huevos rancheros and breakfast tacos, Baja-inspired tacos and burritos, traditional Mexican dinners, sandwiches, sides, and signature sauces. As of December 31, 2023, there were a total of 131 Fuzzy’s Taco Shop brand franchised restaurants in the U.S., and 1 company-owned Fuzzy’s Taco Shop brand restaurant that was operated by FTO or other affiliates.

Except as described in this Item 1, none of our parents, predecessors or affiliates have operated Restaurants or offered franchises for Restaurants or any other business.

Other than the entities described in this Item 1, there are no other parents, affiliates or predecessors required to be described in Item 1.

Description of Franchise: You will develop and operate Restaurants within a defined geographic area (“Territory”). You will use our various trademarks, construction specifications, designs, color schemes, signs and equipment for Restaurant premises, procedures and recipes for preparing food and beverage products, inventory, operations, and financial control methods, initial and ongoing management training and teaching techniques, and advertising and promotional services and assistance.

Each franchise arrangement usually consists of two parts: a development agreement (“Development Agreement”) which requires you to open and operate at least one Restaurant pursuant to an initial development schedule and during the remaining term of the Development Agreement, and allows you to open and operate more Restaurants in the Territory, if needed; and separate franchise agreements (“Franchise Agreement(s)”) between you and us for your operation of each Restaurant, although franchise arrangements occasionally consist of only a Franchise Agreement and do not grant a Territory. The Franchise Agreement names the location of the Restaurant and tells you your rights and obligations for that Restaurant. The Development Agreement and each Franchise Agreement will be between you and us, and if you are a corporation, all or some of your shareholders; and if you are a partnership, some or all your partners. Those people who sign as your shareholders or partners and who guarantee your financial obligations to us under a Development Agreement and Franchise Agreement are “Principal Shareholders.”

Although the Agreements attached as Exhibits E and F assume that you are a corporate franchisee, we do consider other types of business entities (for example, general or limited partnerships and limited liability companies) which meet the requirements for franchisees described in the Agreements. In those cases, you must execute amendments to the Development Agreement and Franchise Agreement that conform those Agreements to your form of business structure. A sample form amendment is attached to the Development Agreement included as Exhibit E to the Disclosure Document and a sample form amendment is attached to the Franchise Agreement included as Exhibit F to this Disclosure Document.

We intend to use and file, if and as appropriate, a separate franchise disclosure document to offer franchises for Applebee's full-service Restaurants and new Applebee's concepts for fast-casual and/or quick-service Restaurants to be located at another primary business or in conjunction with other businesses or at institutional settings such as schools, colleges and universities, military and other governmental facilities, hospitals, airports, travel plazas, casinos, stadiums, and any other site, venue or location operated by a master concessionaire or contract food service provider (a "Non-Traditional Venue"). The terms of such an offering may differ materially from the terms described in this Disclosure Document.

Additionally, subject to the terms and conditions of the Applebee's 2023 Development Incentive Program (the "Development Incentive Program"), if you are approved to participate in the Development Incentive Program and you open a qualifying new Restaurant in 2024 or 2025 (generally a new, incremental Restaurant not previously presented to Applebee's and above and beyond what you or your affiliates are obligated to develop), you may be eligible to receive a development incentive that is equal to a certain percentage of your actual, documented construction costs up to a maximum dollar amount, which development incentive will be applied as a credit to your monthly royalty remittances for the qualifying Restaurant. If your Restaurant is approved for participation in the Development Incentive Program and is fully open to the public on or prior to December 31, 2024, you are eligible to receive a development incentive of 25% of construction costs up to a maximum incentive amount of \$500,000, and if your Restaurant is approved for participation and is fully open to the public after December 31, 2024 but on or prior to December 31, 2025, you are eligible to receive a development incentive of 20% of construction costs up to a maximum incentive amount of \$400,000. We may also, under certain circumstances, offer other financial and/or operational incentives. The Development Incentive Program is subject to additional terms and conditions further described in the Development Incentive Program. This brief summary of the Development Incentive Program does not include all applicable terms and conditions and is qualified in its entirety by reference to the actual Development Incentive Program. Terms and conditions of the Development Incentive Program include but are not limited to there being a limited number of development incentives available, each incentive award being approved by Applebee's in writing, the Development Incentive Program being subject to change or revision by Applebee's in its sole discretion and all questions of interpretation under the Development Incentive Program being made by Applebee's in its sole discretion. In addition, you and each of your affiliates must be and remain in good standing and maintain full compliance with all obligations and agreements with Applebee's and any of its affiliates. No franchisee or prospective franchisee may act in reliance on the Development Incentive Program unless and until informed in writing that a particular site/Restaurant is eligible for participation in the Development Incentive Program, even after which award of an incentive will depend on satisfaction of Development Incentive Program criteria.

Competition and Market: The Restaurants compete with other national and local restaurants which provide similar food, beverages and services to the general public. In addition, the Restaurants may compete with ghost kitchens and virtual brands. Your direct competitors will include other restaurants, ghost kitchens and virtual brands in the area of your Restaurant. We believe, however, that the Restaurants have particular appeal because of their distinctive atmosphere and high quality food. Each of the Restaurants is designed as an attractive, friendly "neighborhood establishment" in a fun, casual setting. We believe that a comfortable, warm atmosphere combined with fast service, good value, convenient locations associated with traditional fast service Restaurants and a wider variety of menu items (including alcoholic beverages) appeals to all ages and encourages regular patronage by both families and adult groups.

Specific Industry Regulation: In addition to the laws, regulations and ordinances applicable to businesses generally, such as the Americans with Disabilities Act, federal and state wage and hour laws, and the Occupational Safety and Health Act, you should consider that certain aspects of the Restaurant and related bar business are heavily regulated by federal, state and local laws, rules and ordinances. The U.S. Food and Drug Administration, the U.S. Department of Agriculture, as well as state and local departments of health and other agencies have laws and regulations concerning the preparation of food and sanitary conditions of Restaurant facilities. State and local agencies routinely conduct inspections for compliance with these requirements.

Under the Clean Air Act and state implementing laws, certain state and local areas must attain, by the applicable statutory guidelines, the national air quality standards for ozone, carbon monoxide and particulate matters. Certain provisions of those laws impose caps on emissions resulting from commercial food preparation. You must also comply with laws generally applicable to restaurant businesses, including laws relating to compensation of employees (including minimum wage and overtime requirements), accessibility for persons with disabilities, sales and use tax, food health and safety, and emergency orders related to public health or safety (such as mandatory shut-down orders in response to COVID-19).

To operate the Restaurant, you must obtain a liquor license, unless the service of all types of alcohol is prohibited by law. State and local laws, regulations and ordinances vary significantly in the procedures, difficulty and cost to obtain a license to sell liquor, the restrictions placed on how liquor may be sold, and the potential liability dram shop laws impose involving injuries, directly and indirectly, related to the sale of liquor and its consumption. You must understand and comply with those laws in operating the Restaurant.

ITEM 5 INITIAL FEES

Applicant's Fee. You may be required to pay a nonrefundable applicant's fee of \$15,000. The applicant's fee may be waived or reduced if the applicant is an existing System franchisee or Restaurant operator.

Franchise Fee Deposit. At the time you sign a Development Agreement, you must pay us a deposit on the franchise fees to be incurred under the Development Agreement. The franchise fee deposit amount required equals \$10,000 for each of the Restaurants you will develop during the "initial development periods." We allocate the franchise fee deposit equally toward the \$35,000 franchise fee due for each Restaurant you open during the initial development periods of the Development Agreement, provided you open such Restaurants on a timely basis. (Development Agreement, Section 4.1)

Initial Franchise Fee. You must pay an initial franchise fee of \$35,000 for each Restaurant you open during the initial development periods of the Development Agreement. As noted above, we allocate the franchise fee deposit equally toward the \$35,000 initial franchise fee due for each Restaurant you open during the initial development periods of the Development Agreement, provided you open such Restaurants on a timely basis. If there is a transfer of one or more Restaurants between one franchisee to another franchisee, we may reduce, defer, and/or waive the initial franchise fee when the selling franchisee has a term left on its existing franchise agreement(s), although we may require payment of transfer fees. The initial franchise fee for each Restaurant opened during a subsequent development period of the Development Agreement will equal the standard Restaurant initial franchise fee in effect at the time the respective Franchise Agreement is issued. You must pay the balance of the initial franchise fee for each of the Restaurants as follows: one-half when you sign the Franchise Agreement for the Restaurant and the remaining balance 14 days before you are scheduled to open the Restaurant.

Range and Timing of Payment of Initial Fees. During the fiscal year ended December 31, 2023, we did not charge any applicant's fees.

Except as stated above, the initial fees are the same for all franchisees subject to this offering and are nonrefundable.

Notes:

(1) Fee is payable to us or one of our affiliates and is non-refundable. These payments will be made by electronic funds transfer (EFT). Unless otherwise stated, all Fees are uniformly applied to new System franchisees; we may modify or change some or all these fees for a particular Franchisee if, in our sole discretion, we decide it is appropriate to do so.

(2) "Gross Sales," as used in this Disclosure Document, shall mean all receipts (cash, cash equivalents or credit) or revenues from sales from all business conducted upon or from the Restaurant premises, whether evidenced by check, cash, credit, debit card, charge account, exchange or otherwise, including, but not limited to, amounts received from the sale of goods, wares and merchandise (including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise), from all services performed from or at the Restaurant premises, and from all orders taken or received at the Restaurant premises, regardless of where such orders are filled (including any payments received from the sale of meals to employees). Gross Sales shall not be reduced by any deductions for cash shortages incurred in connection with the transaction of business with customers, credit card company charges or theft which is reimbursed by insurance or is not reported to the appropriate police authorities. Each charge or sale upon installment or credit shall be treated as a sale for the full price in the month during which such charge or sale shall be first made, irrespective of the time when you shall receive payment (whether full or partial) therefor. Gross Sales shall not include: (i) the sale of merchandise for which cash has been refunded or, except as provided in the second sentence of this footnote, not received,

or allowances made for merchandise, if the sales of any such returned or exchanged merchandise shall have been previously included in Gross Sales; (ii) the amount of any sales tax imposed by any federal, state, municipal or other governmental authority directly on sales and intended to be collected from customers, provided that the amount thereof is added to the selling price and actually paid by you to such governmental authority; (iii) the sale of merchandise for which a gift card is redeemed, if the initial sale of the gift card shall have been previously included in Gross Sales; (iv) the sale of waste products of the Restaurant; (v) telephone, game and vending machine revenues; (vi) the sale of non-food items or beverages at a discount in connection with a promotional campaign; (vii) one-time sale of furniture, fixtures or equipment; (viii) theft which is not covered by insurance and is reported to the appropriate police authorities; and (ix) delivery fees imposed in connection with dispatch services provided by Olo, Inc. In addition, we may, from time to time, in writing, permit or allow certain other items to be excluded from Gross Sales. Any such permission or allowance may be revoked or withdrawn at our discretion.

(3) The current required contribution of 4.25% of total Gross Sales to the Applebee's national advertising fund (the "Applebee's NAF") is effective through December 31, 2024. Commencing on January 1, 2025, you will be required to contribute 3.25% of total Gross Sales to the Applebee's NAF, subject to future agreed upon increases.

(4) After you sign a Franchise Agreement, we can increase or decrease the prospective monthly advertising fees for the Restaurant covered by that Franchise Agreement, including both those to be paid to us (which we can increase to a maximum of 4.25% of gross sales and the funds paid pursuant to any such increase shall be used by us for specified purposes) as well as those which the Franchise Agreement requires you to spend for local advertising activities, but the total of those fees cannot exceed 5% of your Gross Sales.

(5) There is currently no required local advertising fee through December 31, 2024. Commencing on January 1, 2025, you will be required to spend a minimum dollar amount equal to 0.5% of total Gross Sales for local promotional activities. Any amounts paid to an advertising cooperative will reduce the amount required to be spent on local advertising on a dollar for dollar basis.

(6) You must participate in our Gift Card Program (unless otherwise approved in writing by us). As part of this, you must sign a Gift Card Participation Agreement in form and substance approved by us.

(7) We require you to use our approved POS system that will provide the Restaurant with basic guest order entry and tracking, guest check printing, credit and gift card processing, sales accounting and labor management tools, and that will permit us to gather information concerning the Restaurant's operation and aggregate System-wide performance.

(8) If we receive a complaint relating to an experience at your Restaurant, we will inform you of the complaint. We will contact the guest approximately four business days after receiving the complaint to determine if it has been resolved. If it has not been resolved, we reserve the right to compensate the guest as we determine appropriate and you must reimburse us for an amount equal to the value of the compensation provided.

(9) This describes our current POS system and provider; however, we may, from time to time, evaluate and approve other systems and/or vendors as our POS provider. We plan to start to transition Applebee's Restaurants to a new POS system, Nigel POS, beginning in the last quarter of 2024 and continuing through 2025. We reserve the right to increase these fees in accordance with the AIPOS Agreement or an agreement with another approved POS provider.

(10) This describes our current site development costs. We reserve the right in our discretion to modify these costs in certain circumstances.

(11) On or around April 2024, a new percentage will be communicated by us to franchisees, which is anticipated to be between 10% and 10.5%.

(12) [Reserved.]

(13) If your Restaurant fails a routine food safety evaluation ("FSE"), it will receive an automatic unannounced FSE reaudit prior to the next routine FSE. You will be billed (either by us or the third party) and must promptly pay the approximately \$320 cost of the reaudit, which amount is subject to change from time to time. If your Restaurant fails the FSE reaudit, additional FSE reaudits will be conducted at your sole cost and expense until your Restaurant passes. If you have any unpaid FSE reaudit invoices, all pending reaudits for the franchisee may be put on

hold. The \$1,280 figure represents a Restaurant that requires 4 FSE reaudits but note that you must pay for the costs of all reaudits until your Restaurant passes unless otherwise agreed to in writing by us. See Item 8 for details.

Notes:

The preceding table shows our current estimates of the initial investment likely to be required for the development and opening of our newest Restaurant prototype. The low range of the costs in the table for the newest prototype typically reflects our estimate of costs for a 169-seat version. The high range of the costs in the table typically reflects our estimate of costs for a 225-seat version of the newest prototype and also takes into account some add-ons that may increase the investment cost, including enhanced fire alarm systems, pylon signs and costs relating to expanding the Restaurant to accommodate up to 275 seats.

The figures in the table above reflect our estimate of your initial investment from the time you sign a Development Agreement through approximately three months after you open your first Restaurant. The total estimated initial investment includes pro-rated costs and expenses related to on-line ordering, wi-fi services, digital products service fee, server tablet maintenance fee, gateway processing fee, Waitlist, campaign/menu training, and training for 3 months. The estimates for construction costs are based on the most recent costs or on the expected costs for franchisees' Restaurants to be opened in 2024. Please note that construction costs have fluctuated greatly (both up and down) in recent years. Your actual investment costs may be higher or lower than these estimates based on many factors, including the following: land and building size, location, and development needs; time for conversion or construction of building; variations in décor packages; equipment specifications; signage; liquor license requirements; number of employees hired and trained; and employee pay structure. In our experience, the market in which you build your Restaurant represents the source of the biggest variation in investment. Please note that the table above does not include amounts to cover your salary or draw or personal expenses. We relied on our experience and the experience of our affiliates and franchisees who provided projected or actual costs of Restaurants to compile this estimate. You should review these figures carefully with your business advisor before deciding to acquire a franchise.

(1) We do not provide an estimate for the cost to acquire real estate on which to construct a new Restaurant or to acquire an existing building to convert. There are significant cost variations for real estate and existing buildings among geographic areas, different sites, and various options for what you may purchase or lease. The cost to purchase land varies because of geographic location. If you do not purchase the land and building for the Restaurant, you will need to lease this property in which case a security deposit may be required. Typical annual rentals, which vary widely depending on factors like size, location and condition of the leased premises, may range from 4% to over 8% of the Restaurant's Gross Sales per year. Also, you might incur certain construction or remodeling costs for necessary leasehold improvements. Because the Restaurant may be in a strip center, shopping center or a mall, or it may be a free-standing building, costs will vary. Free-standing Restaurant sizes using the newest prototype range, from approximately 4,500 square feet (seating 168) to approximately 5,410 square feet (seating 225), and Restaurants located in strip centers, shopping centers and malls generally require more square footage to achieve the same seating. Certain Restaurants built using the newest prototype may be expanded to seat 225, in which case the size for a free-standing Restaurant would be approximately 5,400 square feet. A free-standing building of approximately 4,961 square feet with needed parking on the site (approximately 85 spaces minimum) requires a piece of land approximately 55,000 square feet in size. A free-standing building of approximately 5,410 square feet with needed parking on the site (approximately 110 spaces minimum) requires a piece of land approximately 60,000 square feet in size.

(2) You may wish to install additional signage which costs approximately \$15,000 to \$30,000 for a monument sign and \$25,000 to \$35,000 for a 35-foot pylon sign. In addition, if you require a security and fire alarm, it will cost approximately \$25,000 to \$30,000. Cost may vary by region, as well as engineering and material costs.

(3) You must install the hardware, operating system and software required to equip the Restaurant with a POS that we approve (as described in Item 11). For Applebee's Restaurants, the current approved POS system is A1POS. We plan to start to transition Applebee's Restaurants to a new POS system, Nigel POS, beginning in the last quarter of 2024 and continuing through 2025. You must have a secured network in place before operating the system. Typically, you will use five to seven POS workstations or three POS workstations and a sufficient number of server tablets with guest check printers and a KDS consisting of four to five displays. A cash drawer is typically utilized at the bar and at least one Carside workstation. A remote order printer is used at the bar and for backup in the kitchen. Additionally, most Restaurants may use labor scheduling, food cost management and Carside payment technology. A separate desktop PC may be used as the Manager's workstation. Server tablets are currently optional but may be required in the future. If they are required in the future, they must be pre-approved by us. Amounts noted include eight optional server tablets. We frequently test new technology and service models for use by franchisees. These technologies may require additional costs for installation and supplies. The new technologies, when implemented, will become part of the System. (See Item 11 for more information).

(4) These fees relate to software licenses which may be required in connection with the operation of the POS system.

(5) All Restaurants must have a kitchen display system (“KDS”) that meets our specifications and is approved by us. The KDS approved by us is specifically designed for meeting the operational and guest experience requirements of the Applebee’s brand. Currently, the approved KDS is provided by QSR Automations. We reserve the right to change KDS providers from time to time at our sole discretion. You must at all times use the approved KDS system in your Restaurant.

(6) When you sign the Development Agreement, you may be required to prepay a portion of the total initial franchise fees for the Restaurants we require you to develop during the initial years of the Development Agreement. This amount will vary based on your development obligations during the “initial development periods.” If required, the franchise fee deposit will equal \$10,000 per Restaurant. (See Item 5.)

(7) Application of a part of the franchise fee deposit described in Footnote (5) reduces the initial franchise fee. (See Item 5.) The two installments are due as follows: 50% when you sign the Franchise Agreement and the remaining balance 14 days before you are scheduled to open the Restaurant.

(8) You must conduct an advertising campaign to promote the opening of the Restaurant, and we will reimburse you for 50% of your expenditures for such advertising campaign up to a maximum of \$2,500 if you comply with the requirements described in Section 8.4 of the Franchise Agreement and the Field Marketing Intranet.

(9) The amount necessary to obtain a liquor license varies greatly depending on the city, county and state licensing authority involved, and may be based on whether a license is available from the licensing authority or must be purchased from a third party. In states with large urban areas, such as New York and New Jersey, the cost may range up to \$1,000,000 for a single liquor license.

(10) Membership in the Apple Supply Chain Co-op, Inc. (“Apple Co-op”) is voluntary. If you choose to join, this fee must be paid. Payment must be made to Apple Co-op at the address set forth in the Membership Subscription Agreement and not to us. (See Item 8 “Purchasing and Distribution Cooperative” for more information.)

(11) You must sign an Authorized Operator Agreement with Olo, Inc. (or another vendor approved by us) for access and use of an approved provider’s on-line ordering system in form and substance approved by us. These figures include the estimated cost for services provided by Olo, Inc. and a payment gateway provider related to on-line ordering. You will be required to use dispatch services provided by Olo, Inc. and may include other Olo, Inc. products such as call center and catering.

(12) You must purchase equipment and procure services from an approved payment gateway vendor for credit card processing services. These figures include the estimated cost to purchase the equipment and a monthly fee of \$63 to \$130.

(13) You must have a secure Wi-Fi connection in your Restaurant with sufficient bandwidth, 50/20 download/upload to support restaurant operations and guests’ needs. Wi-Fi connection is required in order to utilize Applebee’s University and other technology platforms, including server tablets. See Item 11 for further details.

(14) You must make a one-time purchase of commercial Wi-Fi hardware that is approved by us.

(15) We currently require Carside Express powered by FlyBuy, and we may require other products from time to time in the future, including without limitation, guest payment and ordering from their own device (“Pay ‘N Go”). The current fees reflect software as a service pricing but we may charge you transaction pricing in the future.

(16) There is an annual maintenance fee of up to \$1,000 per Restaurant if server tablets are deployed (regardless of the number of tablets in the Restaurant). Server tablets are currently optional but may be required in the future. If they are required in the future, they must be pre-approved by us.

(17) These fees relate to deployment and support for hardware and software upgrades, as well as other products.

(18) This fee relates to providing menu management capabilities including integrations to other digital platforms and POS. This fee is currently optional but may be required in the future.

(19) This fee may be funded by the Applebee's NAF or there could be all or a portion of the fees required to be paid directly by the Franchisee.

(20) This fee covers transaction processing costs to route transactions from the POS to the credit or gift card provider. These fees are in addition to any processing fees charged by your credit card and gift card processors.

(21) Waitlist enables restaurants to seat more guests, more efficiently through a service provided by NoWait or WaitWhile. Waitlist is currently optional but may be required by us in the future.

(22) This training is required.

(23) This training is required.

(24) Payable if you want extra manuals, training materials and other similar documents. We make the first set available to you for free.

(25) [Reserved.]

(26) This estimates your initial operating expenses for three months of operation. These expenses include working capital, payroll costs, food and liquor costs, utilities, ordinary maintenance, local advertising, royalty fees, advertising fees, telecommunication services, and other expenses normal in operating a Restaurant. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business. Your costs depend on factors such as how much you follow our methods and procedures; the area of the country in which you locate your Restaurant; your management skill, experience and business acumen; local economic conditions; the local prevailing wage rate; competition; and sales level reached during the initial period.

(27) None of the payments described in Item 7 are refundable. The total investment necessary to begin operation of an Applebee's Neighborhood Grill & Bar[®] franchised business ranges from \$2,428,029 to \$7,084,006, excluding any expenses related to the purchase of real property.

(28) We currently do not offer direct or indirect financing to franchisees for any items. (See Item 10 for more explanation.)

(29) Please note that the range of total costs does not cover the investment required for the conversion of an existing Restaurant. We expect that costs for such conversion would be lower. For purposes of computing the total estimate of your initial investment from the time you sign a Development Agreement through approximately three months after you open your first Restaurant, the high and low end of the range for monthly fees, as applicable, have been multiplied by three.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

In order to maintain the uniform high standards of appearance, service, and food and beverage quality necessary to retain and enhance the goodwill and acceptance of the Restaurants, you must adhere to our current and future requirements, specifications and standards for the following: form, content and media of any advertising, including the form and content of any websites, mobile apps, or digital menus; the selection, purchase, distribution and preparation of all food and beverage products; all equipment, signs, interior and exterior furnishings or decor items; site acquisition, construction, site work and development, including remodeling criteria; fixtures; uniforms; plateware; glassware; accounting, bookkeeping, and other business

systems; POS systems; KDS systems; EMV; digital products; computer hardware and software; gift card program; guest satisfaction surveys; and all other materials, supplies and services we require for the operation of your Restaurants. From time to time, we may require you to participate in national advertising campaigns, subject to applicable laws.

We develop and modify our specifications internally. As part of this process, we may consult with suppliers, professionals or other third parties. Our standards, operating specifications and procedures for developing and operating a Restaurant are communicated to you via the Manuals as described in Item 11. You must obtain our prior written approval to deviate from these standards, specifications or procedures. Certain detailed specifications for equipment, food and other products may only be communicated to suppliers. We will notify you in writing of any modification to our specifications previously disclosed to you.

Except for print, radio and television advertising and site acquisition, you must purchase or lease all the above items necessary to establish and operate your Restaurant from sellers, lessors, distributors or suppliers we approve in writing. We make available to you a list of approved suppliers. We estimate that your cost to purchase and lease all goods and services that we require you to obtain from us or an approved supplier ranges from 16% to 23% of the total purchases and leases to establish a Restaurant excluding real estate, building and site work, franchise deposit and fee.

As of the date of this Disclosure Document, none of our officers have disclosed any ownership interest in any of our suppliers.

Purchasing and Distribution Cooperative. In 2001, we began a new multi-year supply chain management initiative designed to leverage its size, improve sourcing of products and optimize distribution. Since February 2009, Centralized Supply Chain Services, LLC (“CSCS”), a Delaware limited liability company and a purchasing and distribution cooperative, has been responsible for the procurement and logistics duties of franchised Applebee’s Restaurants and IHOP restaurants. (See “Group Purchasing Program” below.)

Group Purchasing Program. Effective February 16, 2009, we designated CSCS as the sole authorized purchasing agent for all Restaurants. CSCS and Apple Supply Chain Co-Op, Inc. (“Apple Co-op”) are not affiliated with us and are independently operated. However, Applebee’s Services is a stockholder member of the Apple Co-op and is entitled to designate one voting member of the Apple Co-op Board of Directors and one voting member of the CSCS Board of Directors. CSCS administers purchasing programs on a cooperative basis for the benefit of its members, Apple Co-op, as well as Pancake Supply Chain Co-op, Inc. (for IHOP restaurants). Apple Co-op was formed to allow operators of franchise or company-owned Restaurants to conduct a purchasing program through CSCS.

CSCS procures products and services only through suppliers approved by us, with the exception of some optional services programs that are managed directly by CSCS. See “Purchasing and Distribution Cooperative” above for procedures for the approval of suppliers from which CSCS purchases products or services.

The establishment of Apple Co-op is not a guarantee that it will remain in existence; it may be modified or discontinued at any time, in accordance with its Bylaws, which CSCS will provide to you upon request. CSCS was organized in accordance with Delaware law and federal tax laws relating to entities operating on a cooperative basis, to act as a purchasing agent for its members. In accordance with those laws, CSCS intends to distribute substantially all its net income not required for working capital or reserves to its members each year as a “patronage dividend.”

If you choose to become a member of Apple Co-op, you will execute a Membership Subscription Agreement and pay \$100 for one share of Apple Co-op common stock, regardless of how many Restaurants you own. Voting rights are determined in accordance with the Bylaws of Apple Co-op.

Apple Co-op or CSCS may from time to time charge Apple Co-op's members' administration fees to fund Apple Co-op and CSCS's supply chain programs and services. The administrative fees may be collected from suppliers and distributors by adding a fee to specific products and services. Such fees are approved by the Apple Co-op Board of Directors and communicated to all members.

In many cases, we, Applebee's Services or CSCS have negotiated purchase and distribution agreements with most of our suppliers and distributors to benefit the System through volume discounts. These arrangements sometimes assure you of the price to be charged to any franchisee or might assure that the product or equipment will be available when needed.

At any time, on written request, you (or a prospective supplier/distributor/manufacture) can ask us to approve a supplier/distributor/manufacture. Effective February 16, 2009, such written requests by CSCS's members must be submitted through CSCS. Before approval or disapproval, we can require that we be allowed to inspect the supplier's/distributor's facilities. We can conduct field tests on products and require full production runs. We can also require that samples from the supplier/distributor/manufacture be delivered to us or to a designated independent testing laboratory for testing. We must notify you within 60 days after receipt if we require additional testing or disapprove your request of a particular supplier/distributor/manufacture. We can re-inspect the facilities of, or retest products of, any approved supplier/distributor/manufacture, and we can rescind our approval if the supplier/distributor/manufacture does not continue to meet our criteria. Approved suppliers/distributors/manufacture and proposed suppliers/distributors/manufacture may be required to bear the costs, which will vary, associated with the inspections, tests and other procedures involved in the approval process.

We currently evaluate potential suppliers and distributors based upon their ability to meet all of our product standards and specifications, their location, cost, adequacy of their quality controls, and capacity and facilities to supply your and other franchisee needs promptly and reliably. We are not obligated to provide a certain number of approved suppliers for any given product or service.

In fiscal 2023, the total revenues received by our affiliates from all products and services required to be purchased by a franchisee, whether from our affiliates or another supplier, was \$2,092,217. This amount represents .25% of our and our affiliates' total revenues of \$831,068,512 in such period.

Gift Cards. In 2002, we introduced a gift card system to replace the paper gift certificate. An approved supplier produces or supplies and processes all gift cards, redemptions and settlements. The process fees are currently \$0.13 per card. The card production fees vary based on the volume of cards produced and typically range between \$0.11 and \$0.15 for each Restaurant gift card. New franchisees must sign a Gift Card Participation Agreement with ACM Cards, Inc., our affiliate that administers the gift card program, and our third-party supplier of gift card processing services, Stored Value Systems, Inc. (or any future supplier of gift card processing services) in form and substance approved by us. Under the gift card program, franchisees do not make any direct payment to ACM Cards, Inc. for the cards sold in their Restaurants, but will reimburse ACM Cards, Inc. for costs incurred to operate the gift card program, which includes without limitation, gift card production and gift card marketing costs for the national gift card program. (See Item 6.)

Pepsi-Cola. In 2012, Applebee's Services, certain of its affiliates and CSCS entered a multi-year agreement with PepsiCo Sales, Inc. ("Pepsi"), a wholly-owned subsidiary of PepsiCo, Inc., to be the fountain beverage supplier for the System in the U.S. Pepsi contributes an amount per gallon of product sold in Restaurants, depending on the percentage of franchisees that meet an agreed-upon performance level, to an advertising and marketing fund. Each year, the fund proceeds are distributed to franchisees that have signed a participation agreement with Pepsi and met their performance obligations under such participation agreement. New franchisees must sign a participation agreement with Pepsi in form and substance approved by us to supply their fountain beverages.

Guest Information Feedback Tool (GIFT). We have entered an agreement with a vendor to administer a guest experience survey program for franchise Restaurants. All franchisees must participate in the survey program. Applebee's Services paid for the costs of the program in 2023. We reserve the right to require franchisees to pay for all costs of the program in 2024 and after.

Food Safety Evaluation ("FSE"). Restaurant food safety performance is routinely evaluated by an independent third party two times per year. Applebee's Services will pay for the costs of the routine FSE program in 2024 and reserves the right to require franchisees to pay all costs associated with the FSE program in 2025 and after. If a Restaurant fails a routine food safety evaluation, it will receive an automatic unannounced FSE reaudit prior to the next routine FSE. The franchisee will be billed (either by Applebee's Services, its affiliate, or the third party) and must promptly pay the approximately \$320 cost of the reaudit, which amount is subject to change from time to time. If the Restaurant fails the FSE reaudit, additional FSE reaudits will be conducted at the franchisee's sole cost and expense until the Restaurant passes. If a franchisee has any unpaid FSE reaudit invoices, all pending reaudits for the franchisee may be put on hold and passing reaudit scores reverted back to the original failing score.

On-Line Ordering. You must sign an Authorized Operator Agreement for access to and use of an approved provider's on-line ordering system in form and substance approved by us. You will be required to use dispatch services provided by Olo, Inc. and may include other Olo, Inc. products such as call center and catering. See Item 11 for additional information.

Computer Systems. You are required to purchase, install and use an electronic POS cash register system approved by us. Currently, NCR is the only approved supplier for new POS equipment and guest check printers, and QSR is the only approved supplier for the Kitchen Display System. You must use the QSR computer software programs for the Kitchen Display System. We reserve the right to evaluate other providers of POS and KDS and may require the use of different systems. The number of required POS terminals may vary. All Applebee's Restaurants must be compliant with the PCI data security standard.

All Applebee's franchisees using Nigel POS are required to use Mobile Device Management ("MDM") on all hardware in the Restaurant. This service is currently provided by Esper, a third-party vendor but Applebee's reserves the right to evaluate other providers and make changes as required.

EMV. We require franchisees to have Europay, Mastercard, and Visa ("EMV") Point to Point Encryption ("P2P") encryption certified solutions for processing payment in the Restaurant. Specifically, we require franchisees to use the approved payment devices purchased through an approved payment gateway vendor and we require franchisees to use the approved payment gateway vendor's EMV processing as part of the credit card gateway solution or any future solution we may implement.

Digital Products. We may require you to purchase digital products from us or a vendor that are brand standard in order to provide a consistent guest experience across our brand. These products may include, without limitation, Guest Notification for Carside ("Carside Express powered by FlyBuy") and guest payment and ordering from their own device through our proprietary solution ("Pay 'N Go") and others as we determine from time to time. These products may require you to sign one or more agreements with third party providers approved by us. Fees associated with these products may be payable to us or to a third party. We currently require "Carside Express powered by FlyBuy", where applicable, and we may require other products from time to time in the future, including without limitation, "Pay 'N Go" where applicable.

Except as stated above, neither we nor any of our affiliates are approved suppliers of any required goods or services, and neither we nor any of our affiliates derive material, substantive revenue because of required purchases or leases by franchisees in accordance with specifications or standards required by us, or from suppliers approved by us. At times, certain suppliers provide sponsorship funds that we use to offset

expenses for franchise conventions or other events to which our franchisees are invited. At times, members of Apple Co-op may receive patronage dividends with respect to sales through the cooperative and indirect sales through distributors participating with the cooperative.

Restaurant Site Approval. You must obtain our approval of the site for the Restaurant before you acquire the site. We will supply required demographic reports for the current price of \$150, which is subject to change and may be waived in our discretion, and will evaluate the site through our executive review committee. For each proposed site, you must submit to us for our review a preliminary site review package, including a site plan, a map, a survey, a proposed floor plan, relevant statistics and characteristics of the site, and other information regarding the proposed location that we require, at least eight months prior to the expiration of the applicable development period. You must also submit the related contract of sale or lease agreement (and any other information required) in order to obtain our evaluation of relevant provisions and potential approval for the Restaurant. If you lease the premises for a Restaurant, you and the landlord must sign a rider to the lease in substantially the same form as Appendix C to the Development Agreement, subject to the modifications that we make to the form rider occasionally. We require the lease to provide, among other provisions, that the lease term is at least as long as the term of the Franchise Agreement, and that if the applicable Franchise Agreement terminates before the expiration of that term, you have the right to assign the lease to us without landlord consent and without the landlord imposing conditions on the assignment or obtaining any payment because of the assignment. Notice to the landlord is required. The lease must also contain other provisions as may be required by our current lease approval policy or required by the terms and conditions of our approval of the site. We will not approve a site for the Restaurant unless we approve the economic terms of the purchase or lease of the site, including the rental rate. You must not make any binding commitment to a prospective seller or landlord of real estate unless we notify you that the site has been approved and that the lease complies with the requirements described immediately above as well as the other provisions of the Development Agreement and the Franchise Agreement. We will notify you whether the sale or lease agreement complies within 45 days of receiving your request for approval in the form of a complete site submittal package. Failure by us to notify you within the 45-day period constitutes an approval of the sale or lease agreement.

Insurance. Before you open the Restaurant for business, you must obtain the type and amount of insurance coverage for the Restaurant we specify in the Franchise Agreement, the Franchise Insurance Bulletin, and the Manuals, or otherwise in writing. Certificates of insurance evidencing compliance with our requirements must be forwarded to our Risk Management Department before opening of the Restaurant and at the time of each policy renewal. You must obtain and maintain the specified insurance coverage during the term of the Franchise Agreement, without any exclusions unless you have our consent to them, from an A-VII carrier or carriers we find acceptable. All the policies must name us (“Applebee’s Franchisor LLC including its parent and our designated subsidiaries and affiliates, and respective officers, directors, members, managers, employees, agent, successors and assigns of Applebee’s Franchisor LLC”) as additional insured (excluding Worker’s Compensation). All policies specified in the Franchise Agreement, the Franchise Insurance Bulletin and in Manuals or otherwise in writing, shall be Primary and Non-contributory to all policies maintained by the Franchisor. We may adjust the minimum limits of liability and other required insurance provisions at any time, even if your Franchise Agreement specifies a different minimum limit. Each insurance policy is subject to review by us and copies of policies must be forwarded to us upon request.

Public Relations & Crisis Communications. You must inform us if and when you retain a local public relations firm and provide us with the identity of that firm. Regardless of whether you have retained a local public relations firm, you must allow us to review and approve, in our sole discretion, all press releases relating to us or our affiliates, the System or Restaurant(s) before their distribution to the media. You must comply with our or Dine Brands’ crisis communication protocol in effect at the time of the crisis. You must alert us to any actual crisis situation (or any potential crisis situation) that develops, regardless of whether you have obtained the assistance of a local public relations firm.

* * *

Other than the contribution by Pepsi described above, no supplier will make payments to us because of the transactions with our franchisees. We and our affiliates reserve the right, however, to accept payments from suppliers in the future and to receive patronage dividends from any cooperatives in which we or our affiliates are members.

Other than as described above, we do not provide any material benefits to franchisees based on their use of approved suppliers. When determining whether to grant new or additional franchises, we consider many factors, including whether you have complied with the requirements described above.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

As described in Item 1, the assistance described below may be performed by Dine Brands or Applebee's Services on our behalf.

PRE-OPENING OBLIGATIONS:

Before you open a Restaurant, we will provide the following assistance and services:

1. **Orientation; Manuals.** Within 30 days after you sign your initial Development Agreement, you must attend an orientation session at our offices. You will meet with a representative of each of our departments with whom you will work. Also, we will give you access to our Manuals on the Applebee's Intranet or an alternative format (the "Manuals"). These Manuals are confidential and remain our property. We will alter these Manuals, but the modification will not alter your status and rights under the Development Agreement and Franchise Agreement (Franchise Agreement, Sections 5.4 and 5.5). You will receive or be given access to the following Manuals, training materials or information:

- Brand Standards Manual: Beverage Recipe
- Brand Standards Manual: Plate Presentation
- Brand Standards Manual: Recipe
- Brand Standards Manual: Administration
- Brand Standards Manual: Food Safety, Sanitation, Health and Hygiene
- Team Member Training Process Guide

- Manager In Training Program – Franchise Process Guide
- Manager Development Program Kit
- Bridge to GM Development Program
- GM Development Program
- NRO Project Managers Guide
- Prototype Building Drawings
- Service Promise Assessment Evaluation Guide
- Food Safety Evaluation Help Text
- Approved Products List
- Approved To Go Packaging List

The Manuals provide our specifications and standards for the operation of Restaurants, including specifications and standards for administration, accounting, bookkeeping, record retention and other business systems, safety, health/hygiene, insurance, preparation and presentation of all food and beverage items, advertising and marketing (including co-op advertising policies, media buying guidelines and allowable marketing expenditures), and training programs for your employees. The Manuals include the Grand Opening Reimbursement Program Policy Guidelines, which include a “Press Release Kit,” to assist you with the advertising campaign you conduct to promote the opening of each Restaurant (Franchise Agreement, Section 8.4). The Manuals contain valuable confidential information, such as recipes, specifications and the like, which you may only use in the operation of the Restaurant. You must return any of the Manuals loaned to you upon request and immediately upon termination of the Franchise Agreement. The Manuals include a list of approved manufacturers and suppliers (Franchise Agreement, Sections 5.4 - 5.9 and 5.11). Attached as Exhibit G is a copy of the tables of contents of the Manuals we consider our operations manuals that indicate the number of pages devoted to each subject.

2. Restaurant Site Selection. The selection of a site is your responsibility. We will provide certain demographic information to you about the site for a fee. We may, at our discretion, conduct an on-site inspection before approving a site. We will review any lease or purchase agreement regarding the site (Development Agreement, Section 5.1). We will approve or disapprove your site within 45 days after we receive your request for approval of the location in a completed site submittal package. Our approval will be deemed to be granted if we fail to notify you within the 45 days. We will evaluate a site in accordance with our then-current site approval procedure (Development Agreement, Section 5.1). We will review all features that we deem relevant in evaluating a site, including general location and neighborhood, impact on existing Restaurants, traffic patterns, parking, size, lease terms and average income of nearby households. We will not unreasonably withhold our consent to a Restaurant site, but if we do not approve a site, you will not be permitted to construct a Restaurant at that location. (Development Agreement, Section 5.1). We do not generally own your site and lease it to you, but may offer to sublease a site to you.

3. Restaurant Plans and Specifications. We will give you, at no cost, one set of PDF drawings and one set of AutoCAD files of site adaptable prototype plans and specifications for our two typical sizes of Restaurants soon after you sign the Development Agreement (Development Agreement, Section 5.2) and the required indemnification agreement. You hire your own architect and engineers, at your cost, to have them prepare architectural/engineering plans for construction of a Restaurant meeting all local safety, accessibility and building codes. You must submit the plans and we must approve them before the start of construction. After you submit those plans to us, we will review them for compliance with all trade dress guidelines for Restaurants and, within 45 days, tell you if we approve or disapprove those plans. If changes are needed, we will tell you and review any resubmitted plans within 21 days. Our approval will be deemed granted if we fail to notify you within the number of days discussed above (Development Agreement, Section 5.2).

4. Restaurant Trainers. If you are a new franchisee without existing Restaurants, for your first Restaurant opening, for approximately eight days before and six days after you open your first Restaurant, we will provide you with the services of up to eight training personnel to train your Restaurant employees in the

operation of the Kitchen, To Go, Bar and Dining Room areas. If you require more than eight training personnel or a training period beyond 14 days, you will be responsible for the excess cost and expenses for the additional trainers and/or for the period beyond the 14-day period.

If you are a franchisee with existing Restaurants, for every new Restaurant that you open, we will provide you with financial assistance equal to the cost of up to eight training personnel for up to 14 days, not to exceed a maximum amount which we will communicate to you prior to the opening of the new Restaurant, but we will not provide you with any training personnel and you must meet the requirements set forth in the Brand Standards Manual and NRO Project Managers Guide. The initial expenditure of the costs incurred for the opening will be your responsibility. Any reimbursable costs for this financial assistance will be outlined in the NRO Training Cost Memo. Only actual and reasonable costs incurred will be reimbursed once proof of expenditures have been provided to us. Please note that these costs are only covered for new Restaurant locations and not for relocations, rebuilds, or re-openings, unless specifically agreed upon prior to the project commencing.

From time to time, we may agree to provide alternative training arrangements for certain qualifying franchisees.

A Franchise Operations Director will assist in coordinating the Restaurant's pre-opening activities (Franchise Agreement, Sections 4.2 and 5.1).

5. Franchise Leadership and Manager Training. After you sign the Development Agreement, we will train one top leader of your organization (hereinafter referred to as the "Leader of Operations") (Development Agreement, Section 12.5). Also, we will train up to four Restaurant managers (Franchise Agreement, Sections 6.1 and 6.2). The current training includes on-the-job training in one of the Restaurants. More about training will follow later in this Item 11.

6. Approved Suppliers/Manufacturers. We do not provide assistance in the purchase or lease of equipment, signs, fixtures, opening inventory or supplies except for certain inventory items our affiliate may supply as described in Item 8 (Franchise Agreement, Section 5.9). We have appointed CSCS as the sole authorized purchasing agent for all Restaurants. CSCS procures products and services only through suppliers approved by us. Our standards, operating specifications and procedures for developing and operating a Restaurant are communicated to you via the Manuals. Certain detailed specifications for equipment, food and other products may only be communicated to suppliers.

We are not required to provide any other service or assistance to you before you open the Restaurant.

POST-OPENING OBLIGATIONS

We provide the following services and assistance after you open each of your Restaurants:

1. Assistance/Inspections. We will advise and assist you in operating and managing each of your Restaurants and, to that end, will provide you, at training sessions, on-premises visits, and by written or other material, with information on new developments, techniques and improvements in Restaurant management, food and beverage preparation and safety, sales promotion and service concepts. At least once yearly, our representatives will visit the Restaurant to consult with you, and conduct inspections/consultations at the Restaurant. We reserve the right to conduct additional visits or inspections at our discretion. Also, we will make available to you all additional services, facilities, rights and privileges which we make available to our franchisees generally (Franchise Agreement, Sections 4.1, 5.1 and 14.2).

2. Refresher Courses. Your Leader of Operations, supervisory employees, General Managers, Kitchen Managers and Assistant Managers shall, from time to time as reasonably required by us, attend and

successfully complete refresher courses regarding restaurant operations and continuing education around any core brand initiatives or programs (Development Agreement, Section 12.5(b) and Franchise Agreement, Section 6.3).

3. New Menu Items. Throughout the term of each Franchise Agreement, we will develop and test new menu items. The menu which you must present may be revised several times each year with each of our promotional campaigns and/or product features. The menu includes selections from a list of national items approved by us; however, you may propose additional items that appeal to local trends and traditions for inclusion in your menu. We must test and approve the local items you propose (Franchise Agreement, Section 4.3). Our testing may include sensory panels, audits, consumer panels, and nutritional testing and such costs shall be your responsibility. We may require you to certify that you are following recipes so that nutritional values are met. All of your Team Members are required to be sufficiently trained prior to the launch of new menu items, as well as trained during the promotion if they are a New Hire.

4. Advertising and Promotion. We will develop and administer advertising and sales promotion programs designed to promote and enhance the collective success of all Restaurants and will utilize your monthly national advertising fees for marketing studies and services, and the purchase of advertising time, space and materials in national, regional or other advertising media to publicize the Restaurants. Within six months of the end of our fiscal year, upon your request, we will provide you with an unaudited accounting of all advertising fees we received and spent for advertising, marketing and related expenses (Franchise Agreement, Sections 8.1 and 8.2).

5. Opening Advertising Expenses. If you comply with the requirements of Section 8.3 of the Franchise Agreement, we will reimburse 50% of your expenditures for opening advertising up to a maximum of \$2,500 (Franchise Agreement, Section 8.3).

6. Force Majeure. If *force majeure* (including condemnation proceedings) prevents you from operating your Restaurant at the designated location and you apply for approval to relocate the Restaurant, we will assist you in finding an alternative location in the same general area where you can operate the Restaurant for the balance of the term if the Development Agreement has not expired or terminated. You must reimburse us for our reasonable out-of-pocket expenses incurred because of your relocation (Franchise Agreement, Section 24.3).

Except for the services described above, we are not obligated to provide you with any other services. In addition, if we say that “we may provide” you a service or use similar words, it means that we are not obligated to provide that service to you.

LOCAL ADVERTISING

There is currently no required local advertising fee through December 31, 2024. Commencing on January 1, 2025, you will be required to spend, annually throughout the term of the Franchise Agreement, 0.5% of the Gross Sales of the Restaurant on Local Advertising for the Restaurant. We must approve all advertising and promotional materials before you use it. You must provide us with copies of your proposed advertising, promotional and creative materials and media buys, and we will approve or disapprove the advertising in writing, within 15 days of our receipt. If we do not respond, the advertising is approved (Franchise Agreement, Section 8.5.). You may use only “approved advertising media,” which is defined in the Franchise Agreement, and only monies spent on this type of Local Advertising will be counted for purposes of satisfying the 0.5% Local Advertising spending requirement commencing on January 1, 2025. If you want to use other media and advertising, you must receive our prior written approval, which approval must be granted or denied within 30 days of our receipt of your request (Franchise Agreement, Section 8.5.).

NATIONAL ADVERTISING FUND

1. National Advertising Fee; Fund. Currently, you must contribute 4.25% of the Gross Sales of the Restaurant as an advertising fee to a national advertising fund (the “Fund”) we have established and administer to advertise the System on a regional or national basis, which must be paid in the same manner as the royalty payments (Franchise Agreement, Section 8.2). You must pay Fund contributions separately from royalty fees. As discussed in Item 6, we can decrease or increase either the amount you must contribute to the Fund or the amount you must spend on local advertising (Franchise Agreement, Section 8.2.). Commencing on January 1, 2025, you will be required to contribute 3.25% of total Gross Sales to the Fund, subject to future agreed upon increases.

2. Advertising Programs. We or our designees direct all advertising programs and have the right to approve the creative concepts, materials and media used in the programs and their placement and allocation. The Fund is intended to maximize general public recognition and acceptance of the Marks and improve the collective success of all Restaurants operating under the System. In administering the Fund, we and our designees will use reasonable commercial efforts in each calendar year to ensure that the expenditures for advertising placement are approximately proportional to each franchisee’s contributions to the Fund within any given territory (as that term is defined in each franchisee’s respective Development Agreement) during that 12-month period (Franchise Agreement, Sections 8.1 and 8.2).

3. Fund Operations. We or our designee may use the Fund to satisfy the costs of maintaining, administering, directing and preparing advertising, including the cost of consumer research; preparing and conducting television, digital, social, radio, magazine and newspaper advertising campaigns; direct mail and outdoor billboard advertising; public relations activities; e-mail marketing; loyalty programs; third party promotion of our gift card; employing advertising agencies; marketing personnel and other departmental costs for advertising that we administer or prepare internally and any other expenditures for marketing activities we make. Interest earned on the Fund will become the sole property of us or our affiliate (Franchise Agreement, Sections 8.1 and 8.2). Dine Brands will maintain an account designated as the “Applebee’s Advertising Fund Account” in the name of Dine Brands (or a subsidiary thereof) for fees payable by our or Applebee’s Restaurants LLC’s franchisees to fund the national marketing and advertising activities and local advertising cooperatives with respect to the Applebee’s brand. All sums you pay to the Fund are kept in a separate account and are not used to defray any general operating expenses, except for reasonable costs, if any, that may be incurred in the administration or direction of the Fund and advertising programs for you and the System. The Fund operates solely as a means for collecting and expending the advertising fees as outlined above. Any sums paid to the Fund that are not spent in the year they are collected will be spent in the following year. If the Fund is required to get a short-term loan to satisfy a payment obligation prior to receipt of sufficient amounts due from franchisees, the Fund would be responsible for any interest on the loan.

We prepare an annual statement of the operations of the Fund that is made available to you within six months of the end of our fiscal year (Franchise Agreement, Section 8.2). During the last fiscal year of the Fund (ending December 31, 2023), the Fund spent 10.8% of its income on the production and deployment of advertisements, 77.5% for media placement, 0.8% for research and development, and 9.5% for other expenses, including advertising agency retainer. The Fund position at the end of fiscal year 2023 was 1.4%.

4. Termination of Fund. Although the Fund is intended to be permanent, we may terminate the Fund at any time. The Fund will not be terminated, however, until all monies in the Fund have been spent for advertising or promotional purposes or returned to contributors without interest, based on their respective contributions.

5. Media Outlets. We and our designees currently advertise the Restaurants and the products offered by the Restaurants in various forms of media, including television, radio, magazine, newspaper, social media, e-mail and internet advertising campaigns; direct mail and outdoor billboard advertising; and through our gift card program. The majority of our advertising is developed by outside agencies. We use national

advertising agencies to assist us in the development and placement of advertising. We advertise nationally with the funds contributed to the Fund.

6. Advertising Council. There is no advertising council composed of franchisees that advises Applebee's on advertising policies. A Franchise Brand Council of current Applebee's franchisees was created and is sponsored by Applebee's and/or its affiliates. The Franchise Brand Council has established a marketing subcommittee to discuss pertinent issues regarding advertising and marketing. See Item 20 for information regarding Applebee's franchisee Franchise Brand Council.

7. Advertising Cooperatives. We may designate any geographic area in which two or more Restaurants are located and owned by different parties as a region for purposes of establishing an advertising Cooperative. If a Cooperative is established, the members of the Cooperative for that region will consist of all Restaurants whether operated by our franchisees or franchisees of our affiliate. We will determine in advance how each Cooperative will be organized and governed and when it must start operation. Once established, we do not have the right to dissolve, merge or change the structure of the Cooperatives. Each Cooperative will be organized for the exclusive purposes of administering advertising programs and developing, subject to our approval, promotional materials for use by the members in Local Advertising. If a Cooperative has been established for a geographic area where your Restaurant is located when the Franchise Agreement is signed, or if any Cooperative is established during the term of the Franchise Agreement, you must sign all documents we request and become a member of the Cooperative per the terms of the documents. We will provide to you a copy of the Cooperative documents applicable to the geographic area in which your Restaurant will be located if you request it.

You must contribute to the Cooperative the amounts required by the documents governing the Cooperative. Your payments to the Cooperative apply toward satisfaction of your Local Advertising requirement. All contributions to the Cooperative will be maintained and administered per the Cooperative governing documents. The Cooperative will be operated solely as a means for the collection and expenditure of the Cooperative fees for the purposes outlined above. No advertising or promotional plans or materials may be used by the Cooperative or furnished to its members without first obtaining our approval. Cooperative(s) will not be obligated to prepare an annual financial statement reporting its expenditures for the previous year to its members.

8. Maximum Required Advertising Contributions. We have the right to increase or decrease your required advertising contributions or payments to the Fund, to a Cooperative, or for Local Advertising (the funds paid pursuant to any such increase in advertising contributions to the Fund shall be used by us for specified purposes). However, we will not increase the total amount of your required contributions or payments to more than 5% of Gross Sales (Franchise Agreement, Section 8.2.).

Neither the Fund nor any Cooperative uses any funds for advertising that is principally a solicitation for the sale of franchises for Restaurants.

GRAND OPENING CAMPAIGN

You must plan and conduct a grand opening campaign for the Restaurant that is sufficient to meet the needs of the market and is conducted per the parameters set forth in the Field Marketing Intranet. If this campaign is timely conducted, and we receive all requested documentation within 120 days after the Restaurant opens, we will reimburse you 50% of your expenditures for the grand opening advertising up to a total reimbursement of \$2,500. We must approve all advertising materials and methods you use in the grand opening campaign. You may not credit any amounts you pay for the grand opening campaign toward any of your other advertising obligations (Franchise Agreement, Section 8.4).

Except as described above, we have no obligation to spend any amount on advertising in the area where your Restaurant is located.

RESTAURANT TECHNOLOGY (COMPUTER AND ELECTRONIC CASH REGISTER SYSTEMS)

As described in Items 6, 7 and 8, with all approved POS Software you must install specified technology we approve (Franchise Agreement, Section 10.1). Before operating the POS, you must have a network with at least 50 mbps download and 20 mbps upload in place and Wi-Fi access points with a minimum of 3.2 GHz. The required POS functions include guest order entry and tracking, guest check printing, tax calculation, credit card and gift card processing, kitchen display system, employee time clock, product mix reporting, server level and sales reporting. The POS system is integrated with support and reporting tools that enable us to have independent immediate access to the information monitored and stored by the POS system, and there is no contractual limitation on our use of the information we obtain.

POS Computer System. All Applebee's Restaurants must have a POS computer system that meets Applebee's specifications. The POS systems approved by Applebee's are specifically designed for tracking information relevant to the Restaurant's business. The POS systems are integrated with support and reporting tools that enable us to have independent immediate access to the information monitored and stored by the POS system, and there is no contractual limitation on our use of the information we obtain. For Applebee's Restaurants, the current approved POS system is A1POS. We plan to start to transition Applebee's Restaurants to a new POS system, Nigel POS, beginning in the last quarter of 2024 and continuing through 2025. If you are purchasing a Restaurant, you must use the approved POS system. All Applebee's Restaurants must be PCI compliant.

From time to time, we may evaluate and approve other systems for use.

Support Services. You have the option of purchasing support services from the Restaurant Technology Support Center ("Help Desk") provided by Dine Brands at a cost of \$1,000 to \$1,800 annually per Restaurant (*see* Item 6).

Approved POS Hardware Supplier Cost. We have an arrangement with our approved suppliers to provide the hardware described above for our franchised Restaurants on the same terms that it offers the equipment to us and our affiliates. You are currently required to use the NCR POS Workstation, Epson Printers, and the QSR Kitchen Display System. NCR is currently the approved supplier for the POS Workstation and the guest check printer. NCR and QSR are the approved suppliers for the Kitchen Display System. We may revise our specifications for the hardware as we determine necessary to meet the needs of the System. There is no contractual limitation on our ability to require the hardware be improved or upgraded. From time to time, we may evaluate and approve alternative hardware suppliers.

You must provide data feeds to the Applebee's system-wide Data Warehouse following the standard POS menu numbering schemes at your own expense.

Computer hardware must be maintained and this maintenance may be provided to you for an approximate annual cost of \$4,000 to \$6,000 per Restaurant by an approved maintenance provider. The current price to purchase approved hardware is approximately \$20,000 to \$45,000 per Restaurant based on the size of the Restaurant and the equipment selected, in addition to wiring and installation costs.

All Applebee's franchisees using Nigel POS are required to use Mobile Device Management ("MDM") on all hardware in the Restaurant. This service is currently provided by Esper, a third-party vendor but Applebee's reserves the right to evaluate other providers and make changes as required. The fees for this service may be charged directly to you, the franchisee, or Applebee's may choose to cover these fees. Fees are per terminal and range from \$60 per device annually to \$160 per device annually.

On-Line Ordering. You must sign an Authorized Operator Agreement for access and use of an approved provider's on-line ordering system in form and substance approved by us. The current approved provider is Olo, Inc., but we may use other providers in the future. Currently, the fee with Olo, Inc. is \$56-\$125 a month (per Restaurant) for the use, access and maintenance of the on-line ordering system. This monthly fee covers the application and menu setup, menu maintenance, service, support and production account maintenance. You will be required to use dispatch services provided by Olo, Inc. and may include other Olo, Inc. products such as call center and catering.

EMV/P2P. You must purchase equipment and procure services from an approved payment gateway vendor for credit card processing services. Currently, the initial investment ranges between \$1,500 and \$3,000 for equipment and a monthly fee of \$63 to \$130 to be paid to the vendor. An approved payment vendor and approved hardware must be used. Currently, the approved vendor for EMV and payment processing is Freedom Pay.

Kitchen Display System. All Restaurants must have a kitchen display system ("KDS") that meets our specifications and is approved by us. The KDS systems approved by us are specifically designed for meeting the operational and guest experience requirements of the Applebee's brand. Currently, the approved KDS system is provided by QSR. We reserve the right to change KDS providers from time to time at our sole discretion. You must at all times use the approved KDS system in your Restaurant.

Server Tablets. Server tablets are currently optional but may be required in the future. If they are required in the future, they must be pre-approved by us. PCM is the only approved provider of server tablets and such tablets must have Advantech hardware. We reserve the right to change server tablet providers from time to time at our sole discretion.

Waitlist. Waitlist enables restaurants to seat more guests, more efficiently through a service provided by an approved waitlist vendor. Waitlist is currently optional but may be required by us in the future.

Carside Express powered by FlyBuy. Carside Express powered by FlyBuy is a geofencing enabled service which allows restaurants to know when guests or third party delivery drivers are arriving to pick up an order.

To Go Order Accuracy Printers. To Go Order Accuracy Printers print stickers for each item on an order, allowing Team Members to verify that all items have been packaged for delivery.

Auto-Attendant. Auto-Attendant is a digital phone line system capable of routing incoming calls to any pre-determined destinations, such as the restaurant or To Go order calling center.

ShiftOne. ShiftOne is a communication tool that is subsidized by the brand to help with brand messaging, franchise communications, and also a national contest tracking tool.

START-UP TIME

1. Factors. We estimate that the applicant's fee will typically be paid within two to three months before you sign the Development Agreement, and that the opening of your first Restaurant will range from eight to 18 months from the date of the Development Agreement. Factors affecting your start-up time include selection of a site satisfactory to you and us, obtaining any necessary financing, completing the acquisition (or leasing) of the site, obtaining architectural drawings and permits, soliciting bids and completing all renovation, remodeling or new construction of the Restaurant (new construction being the most time-consuming alternative), weather conditions existing during the construction period, complying with local ordinances

(including obtaining liquor licenses), purchasing and installing fixtures and equipment, purchasing inventory, hiring and training personnel, and attending our pre-opening training programs.

2. Franchise Agreement. You must sign a Franchise Agreement in the form attached as Exhibit F approximately 90 days before the opening of a Restaurant although this time period may be shortened in our sole discretion under special circumstances. If you sign a Development Agreement, for those Restaurants which you agree to develop over the initial years of the Development Agreement, you must pay one-half of the balance of any remaining franchise fee at the time of signing the Franchise Agreement and the remainder of the fee 14 days before the scheduled opening of each Restaurant.

TRAINING

1. E-Learning. We use a learning management system which is currently called Applebee's University. Applebee's University is a web-based personal learning and training environment for the administration, delivery, tracking and reporting of learning programs. Currently, there are no fees associated with the use, access and maintenance of this program, but we reserve the right to charge a fee in the future. Applebee's University requires certain high-speed internet and hardware and such costs shall be your responsibility.

2. Executive Overview. While not a traditional training course, we require your new principal shareholders to attend an orientation and onboarding program at our Restaurant Support Center in Pasadena, California, in connection with signing a Development Agreement and/or prior to acquiring restaurants in a new market (unless otherwise approved by us in writing). This program is provided at no cost; however, you must pay for your own traveling expenses.

3. Management Training Programs. We provide a basic Restaurant management and operations program for Leaders of Operations, other persons with development or supervisory responsibility over more than one Restaurant, General Managers, Kitchen Managers, Assistant Managers (together, up to 4 Managers, including General Manager and Kitchen Manager) and other Restaurant managers at a franchisee Restaurant. Your General Manager, Kitchen Manager and Assistant Managers for each Restaurant must be trained to our reasonable satisfaction before the opening of the Restaurant which they will manage (and after the Restaurant opens, as you hire each new manager). Your Leader of Operations and any other supervisory employee you designate must successfully complete the program to our reasonable satisfaction (Development Agreement, Section 12.3). If any of the persons you designate for training are not deemed fit, we will provide additional training, at your cost. The maximum amount of training covered will be for one Leader of Operations, one General Manager, one Kitchen Manager, and two Assistant Managers, at 10 weeks each, for a total of 50 training weeks. Any additional weeks above and beyond the 50 weeks provided will be at your cost.

Our current training program for management includes in-store, performance-based, task-oriented training. The training covers the following functions: Server, Host, Bartender, To Go, Fry Cook, Mid Cook, Grill Cook, Prep Cook, Expo, General Utility, Dining Room Management, Kitchen Management and Administration. We will observe and evaluate the trainees' performance of these tasks. (See the Training Program Chart below.) At our option, individuals who fail evaluations may not be permitted to complete our training program. The Restaurant training will take 10 weeks (a work week consisting of five days), depending on the position and performance of the individuals involved. In the case of your first Restaurant, our personnel will periodically follow up with the Restaurant's leadership regarding training progress. After you open your first Restaurant, we may, at our option, permit you to conduct Restaurant training for your future Restaurants in one of your existing Restaurants. If so, you must provide qualified personnel to validate performance and maintain records regarding a trainee's performance for successful completion of the operations training course.

If the opening of your Restaurant is delayed and the managers are out of training and not working in an operating Applebee's Restaurant for more than 90 days, they may be required to attend a "refresher course,"

at our discretion, which typically lasts two weeks. There is no charge for this refresher course, though you must pay for actual costs (e.g. travel, lodging, meals) of approximately \$1,400 per person. If the duration of their delay exceeds 12 months, the managers may be required, at our discretion, to be retrained in the entire program at your cost.

Except as stated above, we currently do not require any courses.

We also require that the Manager on Duty or the person in charge is certified through an accredited food safety manager program (ServSafe or equivalent). ServSafe certification is sponsored by the National Restaurant Association. The cost is approximately \$65 for the materials and test.

For the initial onboarding only, all required training for managers and other persons with development or supervisory responsibility over more than one Restaurant that we provide is tuition-free at the training Restaurants. You must pay for all salaries, travel, hotel, meal, training material (books and uniforms), bonus for training store manager, and other incidental costs when your employees participate in this training, including without limitation, the location costs and expenses where the training is located.

4. Non-Management Training. Before the opening of the Restaurant, your NRO Project Manager will be responsible for following the NRO Project Managers Guide and administering the Flight School training process with their trainers prior to the beginning of the training week.

If you are a new franchisee without existing Restaurants, for your first Restaurant opening, for approximately eight days before and six days after you open your first Restaurant, we will provide you with the services of up to eight training personnel to train your Restaurant employees in the operation of the kitchen, bar and dining room areas. If you require more than eight training personnel or a training period beyond 14 days, you will be responsible for the excess cost and expenses for the additional trainers and/or for the period beyond the 14-day period.

If you are a franchisee with existing Restaurants, for every new Restaurant that you open, we will provide you with financial assistance equal to the cost of up to eight training personnel for up to 14 days, not to exceed a maximum amount which we will communicate to you prior to the opening of the new Restaurant, but we will not provide you with any training personnel and you must meet the requirements set forth in the Brand Standards Manual and NRO Project Managers Guide. The initial expenditure of the costs incurred for the opening will be your responsibility. Any reimbursable costs for this financial assistance will be outlined in the NRO Training Cost Memo. Only actual and reasonable costs incurred will be reimbursed once proof of expenditures have been provided to us. Please note that these costs are only covered for new Restaurant locations and not for relocations, rebuilds, or re-openings, unless specifically agreed upon prior to the project commencing.

From time to time, we may agree to provide alternative training arrangements for certain qualifying franchisees.

Training is provided for the following Restaurant functions: Host, Server, Bartender, To Go, Mid Cook, Grill Cook, Fry Cook, Prep, Expo, and General Utility. The following topics are addressed for each function: Food Safety, Menu Knowledge, Food Preparation Standards, Service Standards, Safe Equipment Usage, Kitchen Display System training and POS training. Optional training materials include our Manuals, written quizzes and exams, visual training, such as videos and suggested agendas to complete all of the functions listed above.

ITEM 12 TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Under the terms of the Development Agreement, we grant you the right to develop one or more Restaurants within a specified territory (the "Territory") during one or more "initial development period(s)." This right will continue during any subsequent development periods (as defined in Section 3.2 of the Development Agreement) if it is determined that additional Restaurants should be constructed to fully develop the Territory. However, Non-Traditional Venues (*see* Item 1) will be excluded from your Territory and may be developed by us or a third party without any participation by or payment to you. After the "initial development period(s)," we will determine the number of Restaurants that you must develop under the Development Agreement based on the Territory's population, per person or family income, current and potential development, your financial strength and certain other related factors. The term of "initial development periods" shown in the Development Agreement may vary from franchisee to franchisee. Before signing the Development Agreement, we will give you a written description and/or map of your Territory.

The Development Agreement does not restrict you from developing more than the minimum number of Restaurants called for, but you may only develop the Restaurants we approve for development. Under the Development Agreement, you cannot develop Restaurants outside of your Territory. The Development Agreement does not allow you to acquire additional Territory. You have no options, rights of first refusal or similar rights to acquire additional franchises beyond the development rights granted by your Development Agreement.

Under each Franchise Agreement, we allow you to operate a Restaurant at the single specific location described in the Franchise Agreement. We must approve the location of the Restaurant in advance. You may not enter into any lease or other agreement which imposes restrictions on your (or our) right to operate additional Restaurants at any particular location or which does not provide you with the right to operate the Restaurant throughout the entire term of the Franchise Agreement, and we must approve for these purposes in advance any purchase contract or lease you enter. You and your landlord must sign a rider to any lease in substantially the same form as our then-current form of lease rider. Our current form of lease rider is attached as Appendix C to the Development Agreement.

Once we issue a Franchise Agreement to you, you must obtain our approval in advance to relocate or close the Restaurant for any reason, including condemnation or events outside your control. You will not have the right to close your Restaurant or terminate your Franchise Agreement without our prior approval in the event your lease for the Restaurant expires or is terminated for any reason prior to the expiration of the term of the Franchise Agreement.

While the Development Agreement is in effect, we may not operate, and may not franchise or license any other party to operate, any Restaurant using the Applebee's Neighborhood Grill & Bar[®] trade name in your Territory, with the exception of Non-Traditional Venues as described above. If the Development Agreement expires or terminates, but your Franchise Agreement remains in effect, we may not establish or grant any franchise to a third party for the establishment of, a Restaurant (using the Applebee's Neighborhood Grill & Bar[®] service mark) within the lesser of a three-mile radius of the Restaurant covered by the Franchise Agreement or a radius from the Restaurant which includes either a residential or daytime population of 40,000 or more people. These radius restrictions will not apply to a Restaurant located in an airport, train station, bus terminal, port authority, campus at any college, university or other post-secondary education institution, hospital and other health care facility, arena, stadium, state or national park, or military fort, post or base, travel plaza, casino or across an international border.

The Franchise Agreement allows you to use the Applebee's Neighborhood Grill & Bar[®] and other related service marks or trademarks for the operation of your Restaurant only. You may not sell pre-packaged food products, gift cards or any other products or services from or through any location or channel of distribution other than your Restaurant, such as grocery, mass merchandise, wholesale/club, convenience, drug stores or any other type of outlet or channel of distribution. We and our affiliates retain the right to sell products and services in your Territory (or in the protected radius of your Franchise Agreement) under our principal trademarks or any other trademarks or service marks through any channel of distribution other than a Restaurant. For example, although we do not currently do so, we reserve the right to sell pre-packaged food products at outlets in your Territory or protected radius like grocery, mass merchandise, wholesale/club, convenience, drug stores or any other channel of distribution (including the Internet). We may engage in these activities without paying any compensation to you.

We retain the right to operate, or franchise the operation of, Restaurants that do not use the Applebee's Neighborhood Grill & Bar[®] service mark or similar marks even if they offer similar products and services ("Other Restaurants") and to produce and sell products that are not branded with the Applebee's Neighborhood Grill & Bar[®] service mark or similar marks (for example, through virtual brands that we develop and license to be produced and sold). We may operate, or franchise the operation of, Other Restaurants within your Territory or within the radius restriction set forth in your Franchise Agreement without paying any compensation to you. At present, we do not plan to operate, or franchise the operation of, Other Restaurants.

Notwithstanding the foregoing, as described in more detail in the current form franchise agreement, if we establish, license or franchise a ghost kitchen, we shall not authorize such ghost kitchen to use the trademark for a virtual brand we own in fulfilling delivery orders within the Restaurant's Delivery Area if such virtual brand was actually offered by the Restaurant at the time we begin the ghost kitchen. To the extent that the restriction in the foregoing sentence is not applicable solely because the virtual brand was not actually offered by the Restaurant at the time the ghost kitchen was established, licensed or franchised, then, prior to authorizing the use of the trademark by such ghost kitchen in the Restaurant's Delivery Area, we shall first inquire whether you desire to negotiate in good faith to arrive at a mutually acceptable arrangement whereby by the Restaurant may offer such virtual brand within the Restaurant's Delivery Area and follow the procedures outlined in connection therewith in the franchise agreement. If, after following the procedures in the franchise agreement, you have not entered into a written agreement providing for the Restaurant's offering of such virtual brand, we shall be free to authorize a ghost kitchen to use the trademark for our virtual brand owned in fulfilling deliveries within the Restaurant's Delivery Area. "Restaurant's Delivery Area" means the area surrounding the Restaurant within which the Restaurant routinely fulfills delivery orders as of the date on which we establish the ghost kitchen. The determination of the Restaurant's Delivery Area shall be in our sole discretion after obtaining information from any third-party delivery vendors and you.

To continue your right to develop under the Development Agreement, you must comply with the development schedule stated in the Development Agreement (discussed in Item 17). Otherwise, continuation of your territorial rights under the Development Agreement and Franchise Agreement are not contingent on a certain sales volume, quota or market penetration. We will not reduce or change your Territory due to changes in population; however, it is possible for the protected radius under a Franchise Agreement to be reduced upon increases in residential or daytime population.

As noted in Item 1, in November 2007, Applebee's International, Inc. and its subsidiaries were acquired by Dine Brands. Subsidiaries of Dine Brands are the franchisor and operator of the IHOP/International House of Pancakes family restaurant chain, which serves a wide variety of breakfast, lunch and dinner selections. The chain currently offers, among other things, a variety of pancakes as well as omelets, breakfast specialties, burgers, sandwiches, salads, chicken and steaks. The diverse menu of the IHOP restaurants appeals to people of all ages. Additionally, in December 2022, Dine Brands acquired the franchisor and operator of the Fuzzy's Taco Shop restaurants, which are Baja-style Mexican food fast-casual restaurants that feature simple, made-from-scratch items like huevos rancheros and breakfast tacos, Baja-inspired tacos and burritos,

traditional Mexican dinners, sandwiches, sides, and signature sauces. As of the end of fiscal 2023, there were: 1,703 franchised IHOP restaurants in the U.S. and U.S. Territories; and approximately 131 franchised Fuzzy’s Taco Shop restaurants in the U.S. These restaurants operate under the “IHOP” and “International House of Pancakes” marks for the IHOP system, and the “Fuzzy’s Taco Shop” mark for the Fuzzy’s system. These restaurants, which are operated by our affiliates and their franchisees, may solicit and accept orders within the Territory and within the above-described radius surrounding your Restaurant. We do not expect that there will be material conflicts between these franchise systems regarding territory, customers or franchisor support. The principal business address for the IHOP chain’s operations is 10 W. Walnut St., 5th Floor, Pasadena, California 91103, and the principal business address for the Fuzzy’s Taco Shop chain’s operations is 4200 Regent Boulevard, Suite C-210, Irving, Texas 75063.

ITEM 13 TRADEMARKS

In the Franchise Agreement, we allow you to operate a Restaurant under the service mark Applebee’s Neighborhood Grill & Bar® and under any other trade names, trademarks, service marks and logos that we may authorize in the future (“Trademarks”). The Franchise Agreement does not allow you to use the service marks T.J. Applebee’s, T.J. Applebee’s Rx for Edibles and Elixirs®, or T.J. Applebee’s Edibles and Elixirs. Restaurants which opened on or after October 1, 1985 must operate under our service mark Applebee’s Neighborhood Grill & Bar® and under any other related trade names, trademarks, service marks and logos that we may in the future authorize the franchisee to use in the operation of Restaurants. You must use all licensed names, marks and logos in compliance with the rules contained in the Agreements and the Manuals, and any modifications we later make to the Manuals. Neither you nor any other person can use any of the names, trademarks, service marks or logos to sell any product or service not authorized by us.

The Trademarks listed in the tables below include certain marks you will use to identify your Restaurants. Except as specifically stated below, all the Trademarks have been registered on the Principal Register of the U.S. Patent and Trademark Office and are held by, or licensed to, us.

All required affidavits for the Trademarks above have been filed.

Each registration described in the above chart is currently effective.

There is no presently effective determination of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court relating to the Trademarks described in this Item 13 that would materially affect your right to use the Trademarks. There are no pending infringement, opposition, or cancellation proceedings, or any pending material litigation involving the Trademarks.

Applebee's Restaurants LLC is the owner of the above Trademarks in the United States. We have, among others, signed a License Agreement dated September 30, 2014 under which Applebee's Restaurants LLC has licensed us to use and sublicense the above Trademarks for 99 years unless terminated for breach. Except for the License Agreement with Applebee's Restaurants LLC, we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Trademarks in any manner material to the franchise. We know of no superior prior rights or infringing use that could materially affect your use of the Trademarks.

You must notify us as soon as possible of any infringement claim. We are not required to take affirmative action when you notify us of an infringement claim. We and our affiliates have the sole right to conduct the defense of and settle the claim and to retain control of any negotiations related to any claim. You must cooperate in all actions we or our affiliates take regarding a claim and must assist us and our affiliates, at our and their expense, in the defense of a claim.

You agree never to contest our or our affiliates' ownership, title, right or interest in our names, marks or logos or take any action against these claimed interests, including an attempt by you to adopt, use or register any name, mark or logo similar to those we license to you.

At any time, we can notify you that you must modify any of the licensed names, marks or logos to the extent to which we, in good faith, determine that it is in overall best interests of the franchised operations.

We know of no superior prior rights or infringing uses of our service marks that could materially affect your use of the Trademarks.

ITEM 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We do not own rights in or licenses to any patents material to the franchise and do not have any applications for patents pending. Except as stated in this Item 14, no copyrights are material to the franchise. We claim copyrights in original materials used in the System, including the prototype plans and specifications, form construction plans, Manuals and promotional materials used in the System. Also, the information disclosed to you and your employees concerning the development and operation of Restaurants includes proprietary information of us and Applebee's Services regarding recipes, marketing, operational techniques and the like. You must acknowledge that the information concerning the franchised operations contained in the Manuals and other materials we provide to you is our property and that you will keep it confidential. (See Item 11 for more information.)

You also agree not to disclose, use or sell any portion of this proprietary information except as we permit. (Look at Item 17 for more information.) You must also have your Leader of Operations, your other employees who will have a supervisory authority over the development or operation of more than one Restaurant within a Territory, each General Manager, Kitchen Manager and Restaurant Manager sign a written agreement, in the forms attached to the Development Agreement and Franchise Agreement, generally agreeing with the confidential nature of these materials.

You must notify us as soon as possible of any copyright infringement claim. We are not required to take affirmative action when you notify us of an infringement claim. We and our affiliates have the sole right to conduct the defense of and settle the claim and to retain control of any negotiations related to any claim. You must cooperate in all actions we or our affiliates take regarding a claim and must assist us and our affiliates, at our and their expense, in the defense of a claim.

There is no presently effective determination of the United States Copyright Office (Library of Congress) or any court affecting these copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. We are not obligated by the Franchise Agreement, Development Agreement or otherwise, to protect any rights you have to use the copyrights. We have no actual knowledge of any infringements that could materially affect the ownership, use or licensing of the copyrights.

ITEM 15
**OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF
THE FRANCHISE BUSINESS**

We do not require you to personally supervise your franchised Restaurants. You must employ a Leader of Operations (or an individual with equivalent or greater responsibility and authority) to devote his/her full-time efforts to your Restaurants in your Territory. The Leader of Operations may be one of your individual Principal Shareholders if we agree he/she has sufficient Restaurant experience to perform the job of the Leader of Operations. Any Leader of Operations overseeing multiple brands in a franchisee will be subject to our approval. If we determine that the person does not have sufficient Restaurant experience, then you must locate and hire another individual as the Leader of Operations. You may also appoint an additional supervisory employee to oversee the operation of more than one Restaurant in your Territory. The Leader of Operations and any other additional supervisory employee must also successfully complete our operations training course and any refresher courses we require. The Leader of Operations must reside in the market area of the Restaurants that he or she oversees.

Under each Franchise Agreement, you must employ a General Manager who will devote his/her full-time efforts to supervising the day-to-day operation of each Restaurant and a Kitchen Manager who will devote

his/her full-time efforts to supervising the day-to-day operation of the Restaurant kitchen. The General Manager, Kitchen Manager and Assistant Managers for each Restaurant must successfully complete our operations training course before the opening of the Restaurant for which they are responsible (and after the Restaurant opens, as you hire each new manager) and must successfully complete any refresher courses we require. Additionally, each Restaurant Team Member must be fully trained and staffing levels must be adequate to meet Restaurant sales volumes.

Your selection of your Leader of Operations and any additional supervisory employee is subject to our prior written approval, which we cannot arbitrarily withhold.

None of the persons described in the above paragraphs is required to have an ownership interest in the franchise.

You must enter a written agreement with your Leader of Operations, your other employees who will have a supervisory authority over the development or operation of more than one Restaurant within a Territory, each General Manager, Kitchen Manager and Restaurant Manager which prohibits that individual from misusing any of our proprietary information (as described in Item 14). The Leader of Operations also must enter into a written agreement which prohibits him/her, while in your employ or within two years following termination of his/her employment, from engaging in or acquiring any interest in a Restaurant business located in the Territory defined in the Development Agreement or in the Area of Dominant Influence (counties within a specific television advertising range, determined by Arbitron in 1988) of any Restaurant you open, whose menu or method of operation is the same as or similar to that employed by the Restaurants. These agreements also must permit us to enforce these prohibitions directly against those employees. The forms of agreement those employees will sign are attached to the Development Agreement and Franchise Agreement (*see* Item 17). We can also require you to obtain from your Leader of Operations an agreement verifying his or her employment status.

Each individual or entity that owns more than a 10% direct or indirect interest in the franchisee must sign the Development Agreement and Franchise Agreement and agree to discharge all obligations of the “Developer/Franchisee” under those agreements. On a case-by-case basis, we may apply this requirement to individuals or entities with less than a 10% direct or indirect interest in the franchisee. Individuals or entities other than the franchisee that must sign the Development Agreement and Franchise Agreement and agree to discharge (i.e., personally guarantee) all obligations of the “Developer/Franchisee” under those agreements are called “Principal Shareholders.” Principal Shareholders must also agree not to disclose our confidential information and may not compete with us. *See* Items 14 and 17.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may offer for sale in the Restaurants only those products and services specified in the Franchise Agreement and the Manuals which satisfy our standards and specifications and which you purchase from approved suppliers and distributors. *See* Item 8. Unless we specifically consent in writing, you must offer all the products and services specified in the preceding sentence. We can modify any of our specifications, standards and requirements whenever we deem necessary, and if so, you must modify your operations. Our right to modify or add to what you must offer is not limited in any way.

You may not use the Restaurant location for any purpose other than the operation of a restaurant complying with our requirements, and you may only advertise locally through media we approve, including periodicals, radio, television, outdoor signs on billboards or buildings, newspapers, flyers, direct mail, social media and other approved electronic media. *See* Item 12. You must notify us if you plan to close the Restaurant for remodeling.

Subject to our approval in Section 8.5 of the Franchise Agreement, you may use the Internet to identify locations of your Restaurants at which products are sold, but you may not sell any products, including gift cards, on the Internet. You may not sell any pre-packaged items, including anything from the Restaurants, nor conduct retail sales or gift card sales in other locations. We retain the exclusive right to sell products (including gift cards) at grocery, mass merchandise, wholesale/club, convenience, drug stores, other similar locations and any other channel of distribution, including the Internet.

You are not limited in the customers whom you may serve.

PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet that you are considering buying; or (2) a franchisor supplements the information provided in Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

CHART 1: Historical Gross Sales of Traditional Franchised Restaurants by Region

Chart 1 contains historical average, median, high and low gross sales for the 12-month period of January 1, 2023 to December 31, 2023, for all 1,531 traditional franchised Applebee’s Restaurants that were active and operating as of December 31, 2023; except we excluded four restaurants which were operating as express concepts and the restaurant that was operating as a ghost kitchen. Notes

- (1) We compiled the gross sales data included in Chart 1 above from information submitted to us by our franchisees for royalty reporting. These amounts are not audited. Upon your reasonable request, we will provide written substantiation for these financial performance representations.
- (2) “Gross Sales” is defined as all receipts (cash, cash equivalents or credit) or revenues from sales from all business conducted upon or from the Restaurant premises, whether evidenced by check, cash, credit, debit card, charge account, exchange or otherwise, including, but not limited to, amounts received from the sale of goods, wares and merchandise (including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise), from all services performed from or at the Restaurant premises, and from all orders taken or received at the Restaurant premises, regardless of where such orders are filled (including any payments received from the sale of meals to employees). This definition is provided in the Franchise Agreement.

Some outlets have earned these amounts. Your individual results may differ. There is no assurance that you will earn as much.

Other than the preceding financial performance representations, we do not make any financial performance representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. Current Franchised Locations

A complete list of our franchisees in the U.S. as of December 31, 2023, including their names, addresses and telephone numbers, is attached as Exhibit H-1. Also included in Exhibit H-1 is the address and telephone number for the individual franchise outlets operated by each franchisee in the U.S.

Former Franchisees

A list with the name and last known address and telephone number of each franchisee whose Franchise Agreement(s) has been terminated, canceled, not renewed, or who otherwise voluntarily or involuntarily ceased to do business under a Franchise Agreement during the fiscal year ending December 31, 2023 or who have not communicated with us or our affiliates within 10 weeks of the date of this Disclosure Document is attached as Exhibit H-2.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

Purchase of Previously-Owned Franchise Outlet

If you are purchasing a previously-owned franchised outlet, we will provide you additional information on the previously-owned franchise outlet in an addendum to this Disclosure Document.

Confidentiality Clauses

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with Applebee’s. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

Trademark Specific Franchisee Organizations

The Applebee’s Franchise Brand Council; Marketing, Menu and Media Committee; Franchise Operations Committee; Technology Committee; and People Committee are the trademark specific franchisee organizations associated with the franchise system and were created and are sponsored by Applebee’s and/or its affiliates. These Council/Committees have no separate address, telephone number, email address or web address. No other independent franchisee organization has asked to be included in this Disclosure Document.

ITEM 21 FINANCIAL STATEMENTS

Attached as Exhibit A are our audited financial statements as of December 31, 2023, January 1, 2023, and January 2, 2022.

Also included are the audited financial statements of our parent company, Dine Brands, as of its fiscal years ending December 31, 2023, January 1, 2023, and January 2, 2022. These financials are included because Dine Brands performs certain post-sale obligations for the franchisor; Dine Brands does not guarantee our performance of obligations to our franchisees.

We and Dine Brands have a 52/53 week fiscal year ending on the Sunday nearest to December 31 of each year. For convenience, in this Disclosure Document, we may sometimes refer to fiscal years as ending on December 31 and fiscal quarters as ending on the nearest calendar quarter-end. Report of Independent Auditors

Member of Applebee's Franchisor LLC

Opinion

We have audited the financial statements of Applebee's Franchisor LLC (the Company), which comprise the balance sheets as of December 31, 2023 and January 1, 2023, and the related statements of income, member's equity and cash flows for the years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and January 1, 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Applebee's Franchisor LLC

Notes to the Financial Statements

1. Formation and Business

Organization

Applebee's Franchisor LLC (the "Company") is a single-member limited liability company formed in Delaware on July 28, 2014 and is governed by the limited liability company agreement dated July 28, 2014. The Company is a wholly-owned subsidiary of Applebee's Funding LLC (the "Member"), which, through various entities, is a wholly-owned subsidiary of Applebee's International, Inc., which is a wholly-owned subsidiary of Dine Brands Global, Inc. ("Dine").

On June 5, 2019, the Member and a sister entity (the "Co-Issuers"), each a special purpose, wholly-owned indirect subsidiary of Dine, issued two tranches of fixed rate senior secured notes, \$700 million of 2019 Class A-2-I Notes and \$600 million of 2019 Class A-2-II Notes. On August 12, 2022, the Co-Issuers also replaced their existing revolving financing facility with a new revolving financing facility (the "Credit Facility"). On April 17, 2023, the Co-Issuers completed a refinancing transaction and issued \$500 million of 2023 Class A-2 Notes and paid off the remaining balance of the 2019 Class A-2-I Notes. The Class A-2-II Notes and the 2023 Class A-2 Notes have an anticipated repayment date of June 2026 and June 2029, respectively. The fixed rate senior secured notes and the Credit Facility are referred to collectively herein as the "Notes." The Notes were issued in a securitization transaction pursuant to which substantially all of Dine's domestic revenue-generating assets and domestic intellectual property are held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of Dine (the "Guarantors") that act as guarantors of the Notes and that have pledged substantially all of their assets to secure the Notes.

Nature of Operations

The Company was formed as a special purpose entity to act as franchisor and to hold all rights, title and interest in new franchise agreements for all Applebee's Neighborhood Grill and Bar[®] ("Applebee's") restaurants in the United States effective after September 30, 2014 (the "Agreements") and all accrued and future rights to collection under the Agreements. In its capacity as franchisor, the Company enters into all additional development and franchise agreements for Applebee's[®] restaurants within the United States (including all substitute or replacement franchise agreements for existing Applebee's restaurants).

As of December 31, 2023, there were 592 Applebee's restaurants subject to franchise agreements held by the Company located in 41 states. As of January 1, 2023, there were 588 Applebee's restaurants subject to franchise agreements held by the Company located in 41 states.

Fiscal Period

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. The 2023 year presented herein began on January 2, 2023 and ended December 31, 2023. The 2022 year presented herein began on January 3, 2022 and ended January 1, 2023. Both 2023 and 2022 fiscal years contained 52 weeks.

Profits and Losses and Distributions

All profit and losses and distributions will be allocated entirely to the Member.

Applebee's Franchisor LLC

Notes to the Financial Statements (continued)

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of allowance for doubtful accounts and contingencies. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all unrestricted, highly-liquid investments with an original maturity of three months or less to be cash equivalents.

Revenue Recognition

Franchise revenues consist primarily of royalty revenues, advertising fees and franchise fees. Franchise revenue is recognized in accordance with Accounting Standards Codification 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods.

The Company owns and franchises the Applebee's restaurant concept. The franchise arrangement is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required.

Applebee's Franchisor LLC

Notes to the Financial Statements (continued)

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenue ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the month of reported sales by the franchisee, neither of which requires estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Advertising

Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized on an annual basis. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. When advertising revenues exceed the related advertising expenses and there is no recovery of a previously recognized deficit of advertising revenues, advertising costs are accrued up to the amount of revenues. The advertising fees are recorded as a liability to Applebee's International, Inc. as a component of Due to Affiliates against which specific costs are charged.

Concentration of Credit Risk

The Company's cash and receivables are potentially subject to concentration of credit risk. Cash is placed with financial institutions that management believes are creditworthy. The Company does not believe that it is exposed to any significant credit risk on cash. At times, cash balances may be in excess of FDIC insurance limits. Receivables are derived from revenues earned from franchisees located in the United States.

As of December 31, 2023, three franchisees owned 129, 66 and 54 Applebee's restaurants, respectively, representing 42% of the Company's restaurants. Revenues from these franchisees represented 18%, 11% and 11% of total franchise revenues, respectively, for the year ended December 31, 2023. As of January 1, 2023, two franchisees owned 136 and 55 Applebee's restaurants, respectively, representing 32% of the Company's restaurants. Revenues from these franchisees represented 16% and 12% of total franchise revenues, respectively, for the year ended January 1, 2023. No other individual franchisee represented more than 10% of the Company's total revenue for the year ended December 31, 2023 and January 1, 2023.

Applebee's Franchisor LLC

Notes to the Financial Statements (continued)

Allowance for Credit Losses

The allowance for credit losses is the Company's best estimate of the amount of probable credit losses incurred on existing receivables; however, changes in circumstances relating to receivables may result in changes to the allowance in the future. The Company determines the allowance based on historical losses, current conditions, and reasonable and supportable forecasts used in assessing the franchisees' ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. The Company continually reviews the allowance for credit losses. Past due balances and future obligations are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote. Credit losses historically have been within management's estimates.

Income Taxes

The Company, a disregarded entity for both federal and state tax filing purposes, elected to simplify the accounting for income taxes under Accounting Standards Update No. 2019—12, *Income Taxes*, which does not require tax allocation. Accordingly, its results are included in the consolidated tax returns of Dine.

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred and are included as franchise expenses in the Statement of Income.

Accounting Standards

The Company reviewed new accounting guidance that became effective as of the beginning of fiscal 2023 as well as other newly issued accounting pronouncements and concluded that they were either not applicable to its operations or had no material effect on its financial statements in the current or future fiscal years.

Applebee's Franchisor LLC

Notes to the Financial Statements (continued)

5. Related Party Transactions

All cash receipts from the Company's operating revenue are collected and administered by the Member, resulting in a balance due from Member. All cash disbursements related to the Company's operating expenses are paid by affiliated entities (the "Affiliates"), resulting in a balance due to Affiliates. The Company, the Member and the Affiliates are under the common control of Dine. The Company and Dine determined that the balance due to Affiliates and the balance due from Member (collectively, the "Related Party balances") will not be settled until the securitization structure described in Note 1 is dissolved. Since the Related Party balances will not be settled until the dissolution of the Company and the Company, the Member and the Affiliates are all under the common control of Dine, the net amount of the Related Party balances is classified within equity as Due from Member, net. Changes in Related Party balances are considered to be non-cash financing activity.

Applebee's International, Inc. allocates costs of general and administrative services to the Company, including information technology, human resources, quality assurance, training, legal, payroll, audit, tax, and communication. These costs are allocated on a basis the Company believes to be reasonable, primarily proportional allocation based on revenue, or specific identification, where applicable. The Company cannot estimate with any reasonable certainty what the charges for similar transactions would have been on a stand-alone basis. The total amounts of allocated costs charged to the Company of \$15.9 million and \$13.5 million for the fiscal years ended December 31, 2023 and January 1, 2023, respectively, are included in general and administrative expenses in the Statements of Income.

In November 2019, Dine borrowed \$20.0 million from the Company at an interest rate of 6.5% per annum. The note was due in June 2022 with interest payable semiannually beginning in December 2019. In June 2022, the note was amended and extended to June 2025.

In April 2023, Dine borrowed an additional \$5.0 million from the Company at an interest rate of 8.0% per annum. The note is due in December 2027 with interest payable annually beginning in December 2023. Total interest income of \$1.6 million and \$1.3 million related to these notes is included in other income, net in the Statements of Income for the fiscal years ended December 31, 2023 and January 1, 2023, respectively.

6. Commitments and Contingencies

The Company is subject to lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience in connection with pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

7. Subsequent Events

The Company has evaluated subsequent events for potential recognition or disclosure through March 20, 2024, the date the financial statements were available to be issued.

Opinion

We have audited the financial statements of Applebee's Franchisor LLC (the Company), which comprise the balance sheets as of January 1, 2023 and January 2, 2022, and the related statements of income, member's equity and cash flows for the fiscal years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at January 1, 2023 and January 2, 2022, and the results of its operations and its cash flows for the fiscal years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

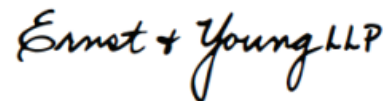

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Notes to the Financial Statements

1. Formation and Business

Organization

Applebee's Franchisor LLC (the Company) is a single-member limited liability company formed in Delaware on July 28, 2014 and is governed by the limited liability company agreement dated July 28, 2014. The Company is a wholly-owned subsidiary of Applebee's Funding LLC (the Member), which, through various entities, is a wholly-owned subsidiary of Applebee's International, Inc., which is a wholly-owned subsidiary of Dine Brands Global, Inc. (Dine).

On June 5, 2019, the Member and a sister entity (the Co-Issuers), each a special purpose, wholly-owned indirect subsidiary of Dine, issued \$1.3 billion of fixed rate senior secured notes. The Co-Issuers also replaced their existing revolving financing facility with a new revolving financing facility. The fixed rate senior secured notes and the revolving credit facility are referred to collectively herein as the "Notes." The Notes were issued in a securitization transaction pursuant to which substantially all of Dine's domestic revenue-generating assets and domestic intellectual property are held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of Dine (the "Guarantors") that act as guarantors of the Notes and that have pledged substantially all of their assets to secure the Notes.

Nature of Operations

The Company was formed as a special purpose entity to act as franchisor and to hold all rights, title and interest in new franchise agreements for all Applebee's Neighborhood Grill and Bar[®] (Applebee's) restaurants in the United States effective after September 30, 2014 (the Agreements) and all accrued and future rights to collection under the Agreements. In its capacity as franchisor, the Company enters into all additional development and franchise agreements for Applebee's[®] restaurants within the United States (including all substitute or replacement franchise agreements for existing Applebee's restaurants).

As of January 1, 2023, there were 588 Applebee's restaurants subject to franchise agreements held by the Company located in 41 states.

Fiscal Period

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. The 2022 year presented herein began on January 3, 2022 and ended January 1, 2023. The 2021 year presented herein began on January 4, 2021 and ended January 2, 2022. Both 2022 and 2021 fiscal years contained 52 weeks.

Profits and Losses and Distributions

All profit and losses and distributions will be allocated entirely to the Member.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of allowance for doubtful accounts and contingencies. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

Risks and Uncertainties

Beginning in March 2020, federal, state, local and international governments reacted to the COVID-19 pandemic by encouraging or requiring social distancing, instituting shelter-in-place orders, and requiring, in varying degrees, reduced operating hours, restaurant dine-in and/or indoor dining limitations, capacity limitations or other restrictions that largely limited restaurants to off-premise sales (take-out and delivery). As infection rates from the initial outbreak declined, domestic governmental entities slowly began to relax restrictions, and the degree of relaxation varied by individual geographic area. Restaurants allowed to re-open were largely limited to occupancy of 50% or less of capacity during the period from May 2020 to March 2021. As vaccines became widely available and incidents of infection continued to decrease, many restrictions were removed during 2021 and 2022. This information is helpful in reviewing results of operations from, and comparisons to, these time periods. The Company and its franchisees continue to monitor developing health authority recommendations and regulatory requirements.

The Company cannot predict how long the pandemic will last, whether/when recurrences of the virus and its variants may arise, what restrictions on in-restaurant dining may be enacted or re-enacted, the availability and acceptance of vaccines, the timing and extent of customer re-engagement with the Company's brand and in general, what the short- and long-term impact on consumer discretionary spending the COVID-19 pandemic might have on the Company and the restaurant industry as a whole, all of which are uncertain and cannot be predicted. As such, the extent to which the COVID-19 pandemic may continue to materially impact the Company's financial condition, liquidity, or results of operations remains highly uncertain.

Revenue Recognition

Franchise revenues consist primarily of royalty revenues, advertising fees and franchise fees. Franchise revenue is recognized in accordance with Accounting Standards Codification 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods.

Applebee's Franchisor LLC

2. Summary of Significant Accounting Policies, continued

The Company owns and franchises the Applebee's restaurant concept. The franchise arrangement is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required.

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenue ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the month of reported sales by the franchisee, neither of which requires estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Advertising

Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized on an annual basis. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. The advertising fees are recorded as a liability to Applebee's International, Inc. as a component of Due to affiliates against which specific costs are charged.

2. Summary of Significant Accounting Policies, continued

Concentration of Credit Risk

The Company's cash and receivables are potentially subject to concentration of credit risk. Cash is placed with financial institutions that management believes are creditworthy. The Company does not believe that it is exposed to any significant credit risk on cash. At times, cash balances may be in excess of FDIC insurance limits. Receivables are derived from revenues earned from franchisees located in the United States.

As of January 1, 2023, two franchisees owned 136 and 55 Applebee's restaurants, respectively, representing 32% of the Company's restaurants. Revenues from these franchisees represented 16% and 12% of total franchise revenues, respectively, for the year ended January 1, 2023. No other individual franchisee represented more than 10% of the Company's total revenue for the year ended January 1, 2023.

Allowance for Credit Losses

The allowance for credit losses is the Company's best estimate of the amount of probable credit losses incurred on existing receivables; however, changes in circumstances relating to receivables may result in changes to the allowance in the future. The Company determines the allowance based on historical losses, current conditions, and reasonable and supportable forecasts used in assessing the franchisees' ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. The Company continually reviews the allowance for credit losses. Past due balances and future obligations are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote. Credit losses historically have been within management's estimates.

Income Taxes

The Company, a disregarded entity for both federal and state tax filing purposes, elected to simplify the accounting for income taxes under Accounting Standards Update No. 2019—12, *Income Taxes*, which does not require tax allocation. Accordingly, its results are included in the consolidated tax returns of Dine.

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred and are included as franchise expenses in the Statement of Income.

Accounting Standards

The Company reviewed new accounting guidance that became effective as of the beginning of fiscal 2021 as well as other newly issued accounting pronouncements and concluded that they were either not applicable to its operations or had no material effect on its financial statements in the current or future fiscal years.

4. Receivables

Changes in the allowance for credit losses during the fiscal years ended January 1, 2023 and January 2, 2022 were as follows:

	<i>(In thousands)</i>

Provisions to advertising receivables are fully offset by adjustments against advertising payables.

5. Related Party Transactions

All cash receipts from the Company's operating revenue are collected and administered by the Member, resulting in a balance due from Member. All cash disbursements related to the Company's operating expenses are paid by affiliated entities (the Affiliates), resulting in a balance due to Affiliates. The Company, the Member and the Affiliates are under the common control of Dine. The Company and Dine determined that the balance due to Affiliates and the balance due from Member (collectively, the Related Party balances) will not be settled until the securitization structure described in Note 1 is dissolved. Since the Related Party balances will not be settled until the dissolution of the Company and the Company, the Member and the Affiliates are all under the common control of Dine, the net amount of the Related Party balances is classified within equity as Due from Member, net. Changes in Related Party balances are considered to be non-cash financing activity.

Applebee's International, Inc. allocates costs of general and administrative services to the Company, including information technology, human resources, quality assurance, training, legal, payroll, audit, tax, and communication. These costs are allocated on a basis the Company believes to be reasonable, primarily proportional allocation based on revenue, or specific identification, where applicable. The Company cannot estimate with any reasonable certainty what the charges for similar transactions would have been on a stand-alone basis. The total amounts of allocated costs charged to the Company of \$13.5 million and \$10.3 million for the fiscal years ended January 1, 2023 and January 2, 2022, respectively, are included in general and administrative expenses in the Statements of Income.

Applebee's Franchisor LLC

Notes to the Financial Statements (continued)

5. Related Party Transactions, continued

In November 2019, Dine borrowed \$20.0 million from the Company at an interest rate of 6.5% per annum. The note was due in June 2022 with interest payable semiannually beginning in December 2019. In June 2022, the note was amended and extended to June 2025. The Company received \$1.3 million and \$1.3 million of interest income related to this note, which is included in other income in the Statements of Income, for the fiscal years ended January 1, 2023 and January 2, 2022, respectively.

6. Commitments and Contingencies

The Company is subject to lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience in connection with pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

7. Subsequent Events

The Company has evaluated subsequent events for potential recognition or disclosure through March 23, 2023, the date the financial statements were available to be issued.

Goodwill and Indefinite Lived Intangible Assets Impairment Assessment

Description of the Matter

At December 31, 2023, the Company's goodwill and indefinite lived tradename intangible asset balances related to the Applebee's franchised restaurants reporting unit (Applebee's franchise unit) were \$236.2 million and \$468.0 million, respectively. As discussed in Notes 2, 6 and 7 to the consolidated financial statements, goodwill and tradename are tested for impairment at least annually, and more frequently if the Company believes indicators of impairment exist or at management's discretion. Management elected to perform a quantitative impairment test of the Applebee's franchise unit goodwill and tradename assets as of October 31, 2023. The impairment tests concluded that the estimated fair values exceeded the carrying values of the assets.

Auditing management's goodwill and tradename impairment tests was especially challenging and complex due to the significant estimation underlying the determination of fair values. In particular, the fair value estimates were sensitive to changes in the significant assumptions used under the income and market approaches utilized to determine the fair value of goodwill and the relief of royalty method utilized to determine the fair value of tradename. Significant assumptions made by management in estimating fair value under the income and market approaches included future trends in sales, the appropriate discount rate, the selection of guideline companies and the valuation multiples applied. Significant assumptions used to determine fair value under the relief of royalty method included future trends in sales, royalty rate and discount rate.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's goodwill and tradename impairment tests, including controls over the review of the assumptions used and the accuracy of the underlying data.

Our testing of the Company's impairment assessment included, among other procedures, evaluating the significant assumptions and data used in estimating fair values. For example, we compared the forecasted future sales growth rates to historical results, analyst projections and industry trends. We also performed sensitivity analyses on the significant assumptions used, agreed historical balances to accounting records, and recalculated management's estimates. Additionally, we involved our valuation specialists to assist with our evaluation of the methodology used and to assess whether assumptions such as discount rates were comparable to observable market data.

2. Basis of Presentation and Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of Dine Brands Global, Inc. and its wholly-owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation.

Fiscal Periods

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. In a 52-week fiscal year, each fiscal quarter contains 13 weeks, comprised of two, four-week fiscal months followed by a five-week fiscal month. In a 53-week fiscal year, the last month of the fourth fiscal quarter contains six weeks. For convenience, the Company refers to its fiscal years as ending on December 31 and its fiscal quarters as ending on March 31, June 30 and September 30. There were 52 calendar weeks in our 2023, 2022, and 2021 fiscal year that ended December 31, 2023, January 1, 2023, and January 2, 2022, respectively.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles (“U.S. GAAP”) requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of the following: impairment of tangible and intangible assets and goodwill; purchase price allocation of acquired companies to the assets acquired and liabilities assumed; income taxes; allowance for doubtful accounts and notes receivables; lease accounting estimates; contingencies; and stock-based compensation. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

Concentration of Credit Risk

The Company's cash, cash equivalents, restricted cash and accounts receivable are potentially subject to concentration of credit risk. Cash and cash equivalents are placed with financial institutions that management believes are creditworthy. The

Notes to the Consolidated Financial Statements (Continued)

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Company does not believe that it is exposed to any significant credit risk on cash, cash equivalents and restricted cash. At times, cash, cash equivalents and restricted cash balances may be in excess of FDIC insurance limits.

Accounts receivable are derived from revenues earned from franchisees and area licensees located primarily in the United States. Financing receivables arise from the financing of restaurant equipment, real estate leases or franchise fees with the Company by IHOP franchisees. The Company is subject to a concentration of credit risk with respect to receivables from franchisees that own a large number of Applebee's, IHOP or Fuzzy's restaurants. As of December 31, 2023, two franchisees (one Applebee's franchisee and one franchisee with cross-brand ownership) operated a combined total of 822 Applebee's and IHOP restaurants in the United States, which comprised 24.4% of the total Applebee's, IHOP and Fuzzy's franchise and area license restaurants in the United States. Revenues from these two franchisees represented 21.1%, 18.8%, and 18.0% of total consolidated revenue for the years ended December 31, 2023, 2022 and 2021, respectively. One franchisee represented 13.9%, 12.5%, and 11.8% of total consolidated revenue for the years ended December 31, 2023, 2022 and 2021, respectively. Receivables from these franchisees totaled \$19.7 million and \$20.9 million at December 31, 2023 and 2022, respectively.

Cash and Cash Equivalents

The Company considers all highly liquid investment securities with remaining maturities at the date of purchase of three months or less to be cash equivalents. These cash equivalents are stated at cost which approximates market value. Cash held related to IHOP advertising funds and the Company's gift card programs is not considered to be restricted cash as there are no restrictions on the use of these funds. The components of cash and cash equivalents were as follows:

	December 31,	
	2023	2022
	(In millions)	
Money market funds	\$ 42.0	\$ 75.0
IHOP advertising funds and gift card programs	82.8	96.7
Other depository accounts	21.2	98.0
Total cash and cash equivalents	<u>\$ 146.0</u>	<u>\$ 269.7</u>

Restricted Cash

Current

Current restricted cash primarily consisted of funds required to be held in trust in connection with the Company's securitized debt and funds from Applebee's and Fuzzy's franchisees pursuant to franchise agreements, usage of which was restricted to advertising activities. The components of current restricted cash were as follows:

	December 31,	
	2023	2022
	(In millions)	
Securitized debt reserves	\$ 31.2	\$ 32.4
Applebee's advertising funds	2.0	5.4
Other	1.9	1.1
Total current restricted cash	<u>\$ 35.1</u>	<u>\$ 38.9</u>

Non-current

Non-current restricted cash of \$19.5 million and \$16.4 million at December 31, 2023 and 2022, respectively, represents interest reserves set aside for the duration of the securitized debt. The required reserve is approximately one quarter's interest payment on the Company's securitized debt.

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation. Properties under finance leases are stated at the present value of the minimum lease payments. Depreciation is computed using the straight-line method over the estimated useful lives of the assets or remaining useful lives. Leasehold improvements and properties under finance leases are amortized on a straight-line basis over their estimated useful lives or the lease term, if less. The general ranges of depreciable and amortizable lives are as follows:

Notes to the Consolidated Financial Statements (Continued)

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Category	Depreciable Life
Buildings and improvements	25 to 40 years
Leaseholds and improvements	Shorter of primary lease term or between three to 40 years
Equipment and fixtures	Three to five years
Internal-use software	Three to 10 years
Properties under finance leases	Primary lease term or remaining primary lease term

Long-Lived Assets

On a regular basis, the Company assesses whether events or changes in circumstances have occurred that potentially indicate the carrying value of long-lived assets (primarily assets related to property and equipment leased or subleased to franchisees) may not be recoverable. The analysis is performed at the restaurant level for indicators of impairment. The Company tests for impairment using current and historical operating results and cash flows as well as other relevant facts and circumstances as the primary basis for estimates of future cash flows. The Company considers factors such as the number of years the franchisee's restaurant has been in operation, sales trends, cash flow trends, remaining lease life and other factors which apply on a case-by-case basis. Continuing losses associated with an asset are an indicator of impairment.

If it is decided that there has been an impairment, the carrying amount of the asset is written down to the estimated fair value as determined in accordance with U.S. GAAP governing fair value measurements. The primary method of estimating fair value is based on a discounted cash flow analysis. Any loss resulting from impairment is recognized as a charge against operations.

See *Note 13 - Closure and Long-lived Tangible Asset Impairment Charges*, of the Notes to the Consolidated Financial Statements for additional information.

Goodwill and Intangible Assets

Goodwill is recorded when the aggregate purchase price of an acquisition exceeds the estimated fair value of the net identified tangible and intangible assets acquired. Intangible assets resulting from an acquisition are accounted for using the purchase method of accounting and are estimated by management based on the fair value of the assets received. The Company's identifiable intangible assets are comprised primarily of the Applebee's tradename and Applebee's franchise agreements and as of December 2022, the Fuzzy's tradename and Fuzzy's franchise agreements. Identifiable intangible assets with finite lives (franchise agreements) are amortized over the period of estimated benefit using the straight-line method and estimated useful lives. Goodwill and intangible assets considered to have an indefinite life (primarily the tradenames) are not subject to amortization. The determination of indefinite life is subject to reassessment if changes in facts and circumstances indicate the period of benefit has become finite.

Goodwill has been allocated to four reporting units. The significant majority of the Company's goodwill resulted from the November 29, 2007 acquisition of Applebee's and was allocated to the Applebee's franchised restaurants unit ("Applebee's franchise unit"). Smaller amounts of goodwill arising from other business combinations have been allocated to the Fuzzy's franchised restaurants unit ("Fuzzy's franchise unit"), the IHOP franchised restaurants unit ("IHOP franchise unit") and the Applebee's company restaurants unit ("Applebee's company unit"). In October 2022, the Company refranchised the Applebee's company restaurant units and disposed the related assets. See *Note 6 - Goodwill*, of the Notes to the Consolidated Financial Statements for additional information.

The Company evaluates the goodwill of the Applebee's franchise unit and the indefinite-lived Applebee's tradename for impairment as of October 31 of each year. The Company evaluates the goodwill of the IHOP franchise unit and the Fuzzy's franchise unit for impairment as of December 31 of each year. In addition to the annual evaluation for impairment, goodwill and indefinite-lived intangible assets are evaluated more frequently if the Company believes indicators of impairment exist.

When evaluating goodwill and indefinite-lived intangible assets for impairment, under U.S. GAAP, the Company may first perform an assessment of qualitative factors to determine if the fair value of the reporting unit or the intangible asset is more-likely-than-not greater than the carrying amount. Such qualitative factors include, but are not limited to, macro-economic conditions, market and industry conditions, cost considerations, current and future income tax rates, the competitive environment, fluctuations in the market value of the Company's common stock, absolute and relative to peers, overall financial performance and results of past impairment tests. If, based on a review of the qualitative factors, the Company determines it is more-likely-than-not that the fair value is greater than the carrying value, the Company may bypass a quantitative test for impairment. Additionally, in any given year, the Company can elect to perform a quantitative assessment of impairment.

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

In performing the quantitative test for impairment of goodwill, the Company primarily uses the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method. Significant assumptions used to determine fair value under the discounted cash flow method include expected future trends in sales, operating expenses, overhead expenses, capital expenditures and changes in working capital, along with an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt. Significant assumptions used to determine fair value under the guideline public company method include the selection of guideline companies and the valuation multiples applied. The Company measures impairment as the excess of a reporting unit's carrying amount over its fair value as determined by the quantitative test described above.

In the process of performing its quantitative impairment review of intangible assets considered to have an indefinite life, the Company primarily uses the relief of royalty method under the income approach method of valuation. Significant assumptions used to determine fair value under the relief of royalty method include future trends in sales, a royalty rate and an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt to be applied to the forecast revenue stream.

Business Combinations

From time to time, the Company may enter into business combinations. In accordance with Accounting Standards Codification ("ASC") 805, Business Combinations, the Company applies the acquisition method for acquisitions that meet the definition of a business combination. Under the acquisition method, the Company estimates the fair value of the identifiable assets and liabilities of the acquired entity on the acquisition date. Acquired intangible assets are valued using different methods under the income approach, including but not limited to, the multi-period excess earnings method for tradenames and franchising rights and the relief of royalty method for recipes. The Company measures goodwill as the excess of consideration transferred over the net of the acquisition date fair values of the identifiable assets acquired and liabilities assumed. Goodwill is assigned to each reporting unit that is expected to benefit from the synergies of the business combination. Acquisition-related expenses and transaction costs associated with business combinations are expensed in the period incurred which is included in the General and administrative expenses line item of the Consolidated Statements of Comprehensive Income.

Revenue Recognition

The Company's revenues are recorded in four categories: franchise operations, company restaurant operations, rental operations and financing operations. Franchise revenue (which comprises most of the Company's revenues) and revenue from company-operated restaurants are recognized in accordance with ASC 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods. The Company's rental and financing revenues are recognized in accordance with other U.S. GAAP accounting standards and are not subject to ASC 606.

Franchise Revenues

The Company franchises the Applebee's, IHOP and Fuzzy's restaurant concepts. The franchise arrangement for the brands is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement for the brands primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required. Additionally, all domestic IHOP franchise agreements require franchisees to purchase proprietary pancake and waffle dry mix from the Company.

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenues ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;

- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenues are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either a contract asset (unbilled receivable) or, once billed, accounts receivable, on the balance sheet;
- Revenue from the sales of proprietary pancake and waffle dry mix is recognized in the period in which distributors ship the franchisee's order; recognition of revenue results in accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises judgment with respect to collectibility of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term, the month of sale as reported by the franchisee or the date of product shipment, none of which require estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Company Restaurant Revenues

Company restaurant revenues comprise retail sales at company-operated restaurants. Sales by company-operated restaurants are recognized when food and beverage items are sold. Company restaurant sales are reported net of sales taxes collected from guests that are remitted to the appropriate taxing authorities, with no significant judgments required.

Rental Revenues

Rental operations revenues include revenues from operating leases and interest income from real estate leases. See *Basis of Presentation and Summary of Significant Accounting Policies - Leases*.

Financing Revenues

Financing operations revenues consist primarily of interest income from the financing of franchise fees and equipment leases, other notes receivable from franchisees and sales of equipment associated with franchised IHOP restaurants. Interest income is recorded as earned.

Gift Card

The Company administers gift card programs for each restaurant concept. The Company records a liability in the period in which a gift card is sold and recognizes costs associated with its administration of the gift card programs as prepaid assets when the costs are incurred. The liability and prepaid asset recorded on the Company's books are relieved when gift cards are redeemed. If redemption occurs at a franchisee-operated restaurant, the gift card proceeds, net of costs, is remitted to the franchisee. The Company receives gift card breakage revenue only from gift cards redeemed at company-operated restaurants. There was no breakage revenue for gift cards estimated to be redeemable at company-operated restaurants for the year ended December 31, 2023. Breakage revenue for gift cards estimated to be redeemable at company-operated restaurants for the years ended December 31, 2022 and 2021 were \$0.3 million and \$0.3 million, respectively.

Allowance for Credit Losses

The allowance for credit losses is the Company's best estimate of the amount of probable credit losses incurred on existing receivables; however, changes in circumstances relating to receivables may result in changes to the allowance in the future. The Company determines the allowance based on historical losses, current conditions, and reasonable and supportable forecasts used in assessing the franchisee's or area licensee's ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. The Company continually reviews the allowance for credit losses. Past due balances and future obligations are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote. See *Note 4 - Current Expected Credit Losses*, of the Notes to the Consolidated Financial Statements for additional information.

Leases

The Company accounts for its leasing activities in accordance with accounting guidance for leases, as codified in Accounting Standards Topic 842 ("ASC 842"). In adopting ASC 842, the Company utilized expedients that allowed it to retain the classification, as either an operating lease or a finance lease, that was previously determined under prior accounting guidance for leases. The Company reassesses this classification upon renewal, extension or the modification of an existing lease

Notes to the Consolidated Financial Statements (Continued)

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

agreement. The Company determines the appropriate classification upon entering into a new contract determined to contain a lease.

Operating lease assets and liabilities are recognized at the lease commencement date, or were recognized upon adoption of ASC 842. Operating lease liabilities represent the present value of lease payments not yet paid. Operating lease assets represent the Company's right to use an underlying asset and are based upon the operating lease liabilities adjusted for prepayments or accrued lease payments, initial direct costs, lease incentives and impairment of operating lease assets.

The Company's lease agreements generally do not provide information to determine the implicit interest rate in the agreements. This requires the Company to estimate an incremental borrowing rate to be used in calculating operating lease liabilities as of the adoption or commencement date. The Company estimates the incremental borrowing rate primarily by reference to (i) yield rates on debt issuances by companies of a similar credit rating as the Company; (ii) U.S. Treasury rates as of the adoption or commencement date; and (iii) adjustments for differences between these rates and the lease term.

The cost of an operating lease is recognized over the lease term on a straight-line basis. The lease term commences on the date the Company has the right to control the use of the leased property. Certain leases may contain provisions for rent holidays and fixed-step escalations in payments over the base lease term, as well as renewal periods. The effects of the holidays and fixed-step escalations are reflected in rent expense on a straight-line basis over the expected lease term. Differences between amounts paid and amounts expensed are recorded as deferred rent. Certain leases may include rent escalations based on inflation indexes and fair market value adjustments. Certain leases may contain contingent rental provisions that include a fixed base rent plus an additional percentage of the restaurant's sales. Subsequent escalations subject to such an index and contingent rental payments are recognized as variable lease expense.

The rental payments (as lessee) or receipts (as lessor) on those property leases that meet the finance lease criteria result in the recognition of interest expense or interest income and a reduction of finance lease obligation or financing lease receivable, respectively. Finance lease obligations are amortized based on the Company's incremental borrowing rate and real estate leases receivable are amortized using the implicit interest rate.

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred.

Advertising

Advertising expense reflected in the Consolidated Statements of Comprehensive Income includes our contributions to the national advertising funds, local marketing advertising costs incurred by company-operated restaurants, and certain advertising costs incurred by the Company to benefit future franchise operations. Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized in the fourth quarter of the Company's fiscal year. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. When advertising revenues exceed the related advertising expenses and there is no recovery of a previously recognized deficit of advertising revenues, advertising costs are accrued up to the amount of revenues.

Advertising expense included in company restaurant operations for the years ended December 31, 2023, 2022 and 2021 was \$0.1 million, \$5.6 million and \$6.8 million, respectively.

Fair Value Measurements

The Company determines the fair market values of its financial assets and liabilities, as well as non-financial assets and liabilities that are recognized or disclosed at fair value on a recurring basis, based on the fair value hierarchy established in U.S. GAAP. As necessary, the Company measures its financial assets and liabilities using inputs from the following three levels of the fair value hierarchy:

- Level 1 inputs are quoted prices in active markets for identical assets or liabilities.
- Level 2 inputs are observable for the asset or liability, either directly or indirectly, including quoted prices in active markets for similar assets or liabilities.
- Level 3 inputs are unobservable and reflect the Company's own assumptions.

The Company does not have a material amount of financial assets or liabilities that are required under U.S. GAAP to be measured at fair value on a recurring basis. None of the Company's non-financial assets or non-financial liabilities is required to be measured at fair value on a recurring basis. Assets recognized or disclosed at fair value in the consolidated financial statements on a nonrecurring basis include items such as property and equipment, operating lease assets, goodwill and other

intangible assets, which are measured at fair value if determined to be impaired. The Company has not elected to use fair value measurement for any assets or liabilities for which fair value measurement is not presently required.

The Company believes the fair values of cash and cash equivalents, restricted cash, accounts receivable and accounts payable approximate their carrying amounts due to their short duration.

The Company believes the fair value of the Credit Facility approximate carrying value due to the variable interest rate. The fair values of the Company's long-term debt, excluding the Credit Facility, at December 31, 2023 and December 31, 2022 were as follows:

	December 31,	
	2023	2022
	(In millions)	
Face Value	\$ 1,094.0	\$ 1,247.0
Fair Value	\$ 1,085.8	\$ 1,167.0

Income Taxes

The Company utilizes the liability method of accounting for income taxes. Under the liability method, deferred taxes are determined based on the temporary differences between the financial statement and tax basis of assets and liabilities using enacted tax rates. A valuation allowance is recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. The Company records estimated tax liabilities to the extent the contingencies are probable and can be reasonably estimated. The Company recognizes interest accrued related to unrecognizable tax benefits and penalties as a component of the income tax provision recognized in the Consolidated Statements of Comprehensive Income.

The Company is taxed on global intangible low-tax income ("GILTI") earned by certain foreign subsidiaries and recognizes the current tax on GILTI as an expense in the period the tax is incurred. The Company includes the current tax impact of GILTI in our effective tax rate.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by taxing authorities based on its technical merits, including all appeals or litigation processes. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate resolution. For each reporting period, management applies a consistent methodology to measure and adjust all uncertain tax positions based on the available information.

Stock-Based Compensation

Members of the Board of Directors and certain employees are eligible to receive stock options, restricted stock, restricted stock units and performance units pursuant to the Dine Brands Global, Inc. 2019 Stock Incentive Plan. Shares of unvested restricted stock are subject to restrictions on transfer and forfeiture under certain circumstances. The holder of unvested restricted stock has the right to vote and receive regular cash dividends with respect to the shares of unvested restricted stock.

The Company accounts for all stock-based payments to employees and non-employee directors, including grants of stock options, restricted stock, restricted stock units and performance units to be recognized in the financial statements, based on their respective grant date fair values. The value of the portion of the award that is ultimately expected to vest is recognized as expense ratably over the requisite service periods.

The grant date fair value of restricted stock and stock-settled restricted stock units is determined based on the Company's stock price on the grant date. The Company estimates the grant date fair value of stock option awards using the Black-Scholes option pricing model, which considers, among other factors, a risk-free interest rate, the expected life of the award and the historical volatility of the Company's stock price. The Company estimates the grant date fair value of awards with performance-based market conditions using a Monte Carlo simulation method which considers, among other factors, the performance-based market condition, a risk-free interest rate, the expected life of the award and the historical volatility of the Company's stock price. Awards of cash-settled restricted stock units are classified as liabilities with the liability and compensation expense related to cash-settled awards adjusted to fair value at each balance sheet date.

Net Income (Loss) Per Share

Net income (loss) per share is calculated using the two-class method prescribed in U.S. GAAP. Basic net income (loss) per share is computed by dividing the net income (loss) available to common stockholders for the period by the weighted average number of common shares outstanding during the period. Diluted net income (loss) per share is computed by dividing the net

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

income (loss) available to common stockholders for the period by the weighted average number of common shares and potential shares of common stock outstanding during the period if their effect is dilutive. The Company uses the treasury stock method to calculate the weighted average shares used in the diluted earnings per share calculation. Potentially dilutive common shares include the assumed exercise of stock options and assumed vesting of restricted stock.

Treasury Stock

The Company may from time to time utilize treasury stock when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. The cost of treasury stock re-issued is determined using the first-in, first-out method.

Dividends

Dividends declared on common stock are recorded as a reduction of retained earnings to the extent retained earnings are available at the close of the period prior to the date of the dividend declaration. Dividends declared in excess of retained earnings are recorded as a reduction of additional paid-in capital.

Reporting Segments

The Company identifies its reporting segments based on the organizational units used by management to monitor performance and make operating decisions. The Company has six operating segments: Applebee's franchise operations, IHOP franchise operations, Fuzzy's franchise operations, rental operations, financing operations and company-operated restaurant operations. The Company has four reporting segments: franchise operations, (an aggregation of each restaurant concept's franchise operations), rental operations, financing operations and company-operated restaurant operations. The Company considers these to be its reportable segments, regardless of whether any segment exceeds 10% of consolidated revenues, income before income tax provision or total assets.

Franchise Segment

As of December 31, 2023, the franchise operations reportable segment consisted of 1,642 restaurants operated by Applebee's franchisees in the United States, two United States territories and 12 countries outside the United States; 1,814 restaurants operated by IHOP franchisees and area licensees in the United States, two United States territories and 13 countries outside the United States; and 131 restaurants operated by Fuzzy's franchisees in the United States. Franchise operations revenue consists primarily of royalties and advertising fees based on a percentage of the franchisee's gross sales, sales of proprietary products (primarily IHOP pancake and waffle dry mixes) and other franchise fees.

Franchise operations expenses include advertising expense, the cost of proprietary products, pre-opening training expenses and other franchise-related costs.

Rental Segment

Rental operations revenue includes revenue from operating leases and interest income from real estate leases. Rental operations expenses are costs of operating leases and interest expense of finance leases on franchisee-operated restaurants. The rental operations revenue and expenses are primarily generated by IHOP. Applebee's and Fuzzy's have no or an insignificant amount of rental activity.

Financing Segment

Financing operations revenue primarily consists of interest income from the financing of IHOP franchise fees and equipment leases, notes receivable from Applebee's, IHOP and Fuzzy's franchisees and sales of equipment associated with refranchised IHOP restaurants. Financing expenses are the cost of restaurant equipment.

Company Segment

In connection with our acquisition of Fuzzy's in December 2022, the Company acquired three company-owned Fuzzy's restaurants, and subsequently refranchised two restaurants in April 2023. As of December 31, 2023, the Company operated one Fuzzy's restaurant. During 2022 and 2021, the Company operated 69 Applebee's restaurants that were acquired from a former franchisee in December 2018. The 69 Applebee's company-operated restaurants were sold in October 2022. All company-operated restaurants were located in the United States. Company restaurant sales are retail sales at company-operated restaurants. Company restaurant expenses are operating expenses at company-operated restaurants and include food, beverage, labor, benefits, utilities, rent and other operating costs.

Accounting Standards Adopted in the Current Fiscal Year

In October 2021, the FASB issued Accounting Standards Update ("ASU") No. 2021-08, "Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers." The ASU primarily requires contract assets and contract liabilities acquired in a business combination to be recognized and measured in accordance with ASC 606, the revenue standard, and is effective for fiscal years beginning after December 15, 2022. Adoption did not have any material effect on the consolidated financial statements.

Additional new accounting guidance became effective for the Company as of the beginning of fiscal 2023 that the Company reviewed and concluded was either not applicable to its operations or had no material effect on its consolidated financial statements in the current or future fiscal years.

Newly Issued Accounting Standards Not Yet Adopted

In November 2023, the FASB issued ASU No. 2023-07, "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosure," which updates reportable segment disclosure requirements. The ASU primarily requires enhanced disclosures about significant segment expenses and information used to assess segment performance and is effective for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024 with early adoption permitted. The Company is currently evaluating the impact of adopting this ASU in our disclosures.

In December 2023, the FASB issued ASU No. 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures." The standard requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income taxes paid. The guidance is effective for fiscal years beginning after December 15, 2024, with early adoption permitted, and should be applied on a prospective basis with the option to apply the standard retrospectively. The Company is currently evaluating the impact of adopting this ASU on our disclosures.

The Company reviewed all other recently issued accounting pronouncements and concluded that they were either not applicable or not expected to have a significant impact to the consolidated financial statements.

4. Current Expected Credit Losses (“CECL”)

The CECL reserve methodology requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Under the CECL model, reserves may be established against financial asset balances even if the risk of loss is remote or has not yet manifested itself.

In applying the CECL methodology, the Company developed its estimated loss reserves in the following manner. The Company continued to record specific reserves against account balances of franchisees deemed “at-risk” when a potential loss is likely or imminent as a result of prolonged payment delinquency (greater than 90 days past due) and where notable credit deterioration has become evident. For financial assets that are not currently deemed “at-risk,” an allowance is recorded based on expected loss rates derived pursuant to the following CECL methodology that assesses four components - historical losses, current conditions, reasonable and supportable forecasts, and reversion to history, if applicable.

Historical Losses

Historical loss rates over a five-year span were calculated for financial assets with common risk characteristics. The Company determined historical loss rate data for each franchise brand concept was more relevant than a single blended rate. Historical losses were determined based on the average charge-off method. Historical loss rates are further adjusted by factors related to current conditions and forecasts of future economic conditions.

Current Conditions

The Company identified three metrics that it believes provide the most relevant reflection of the current risks inherent in the Company’s franchisee-based restaurant business, as follows: (1) delinquency status, (2) system-wide same-restaurant sales, and (3) restaurant unit-level economics.

Reasonable and Supportable Forecasts

The third component in the CECL methodology involves consideration of macroeconomic conditions that can impact the estimate of expected credit losses in the future. The Company has not developed an internal methodology in this regard; rather, the Company utilizes existing, publicly accessible sources of economic data, primarily forecasts of overall unemployment rate as well as consumer spending based on the personal consumption expenditure index.

Reversion to History

The Company has determined that reversion to history was not required since the remaining average lives of the Company’s financial assets are not exceedingly lengthy.

The Company considers its portfolio segments to be the following:

Accounts Receivable (Franchise-Related)

Most of the Company’s short-term receivables due from franchisees are derived from royalty, advertising and other franchise-related fees.

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

4. Current Expected Credit Losses (Continued)

Gift Card Receivables

Gift card receivables consist primarily of amounts due from third-party vendors. Receivables related to gift card sales are subject to seasonality and usually peak around year end as a result of the December holiday season.

Notes Receivable

Notes receivable balances primarily relate to the conversion of certain Applebee's franchisee accounts receivable to notes receivable, cash loans to franchisees for working capital purposes, a note receivable in connection with the sale of IHOP company restaurants in June 2017, and IHOP franchise fee and other notes. The notes are typically collateralized by the franchise. The notes generally have a term from one to eight years and bear interest averaging 5.0% and 5.3% per annum at December 31, 2023 and 2022, respectively. Due to the risk inherent in Applebee's notes that were converted from previously delinquent franchisee accounts receivable balances, a significant portion of these notes have specific reserves recorded against them totaling \$6.5 million as of December 31, 2023.

Equipment Leases Receivable

Equipment leases receivable primarily relate to IHOP franchise development activity prior to 2003. IHOP provided the financing for the leasing of the equipment. Equipment lease contracts are collateralized by the equipment in the restaurant. Equipment lease contracts are due in equal weekly installments, and bear interest averaging 9.6% and 9.8% per annum at December 31, 2023 and 2022, respectively. The term of an equipment lease contract typically coincides with the term of the corresponding restaurant building lease. The weighted average remaining life of the Company's equipment leases is 3.2 years as of December 31, 2023. The estimated fair value of the equipment collateralizing these lease contracts are not deemed to be significant given the very seasoned and mature nature of this portfolio.

Real Estate Leases Receivable

Real estate lease receivable also primarily relate to IHOP franchise development activity prior to 2003 when IHOP typically leased or purchased the restaurant site, built and equipped the restaurant, and then franchised the restaurant to a franchisee. IHOP provided the financing for leasing or subleasing the site. Real estate lease receivables at December 31, 2023, were comprised of 26 leases with a weighted average remaining life of 11.0 years, and relate to locations that IHOP is leasing from third parties and subleasing to franchisees. Where applicable, building leases and equipment contracts contain cross-default provisions wherein a default under one constitutes a default under all.

Distributor Receivables

Receivables due from distributors are related to the sale of proprietary products to franchisees through the Company's network of suppliers and distributors and are included as part of Other receivables.

Total receivables balances at December 31, 2023 and 2022 were as follows:

Accumulated depreciation and amortization includes accumulated amortization for properties under finance leases in the amount of \$43.7 million and \$45.3 million at December 31, 2023 and 2022, respectively.

6. Goodwill

The significant majority of the Company's goodwill arose from the November 29, 2007 acquisition of Applebee's. In October 2022, the disposition of assets of \$4.6 million was related to the refranchising and sale of the restaurant assets of 69 Applebee's company-operated restaurants. In December 2022, the addition to goodwill of \$7.0 million arose from the acquisition of Fuzzy's, which was determined to be a separate reporting unit. Changes in the carrying amount of goodwill for the years ended December 31, 2023, 2022 and 2021 are as follows:

The Company assesses goodwill for impairment in accordance with its policy described in *Note 2 - Basis of Presentation and Summary of Significant Accounting Policies*.

The Company evaluates its goodwill and the indefinite-lived tradenames for impairment annually in the fourth quarter of each year or on an interim basis if events or changes in circumstances between annual tests indicate a potential impairment. Definite-lived intangible assets and long-lived tangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset or asset group may not be recoverable based on estimated undiscounted future cash flows.

2023 Assessment

In the fourth quarter of 2023, the Company performed qualitative assessments of its goodwill in accordance with its accounting policies, and determined that it was more-likely-than-not that an impairment does not exist. Significant factors considered in this assessment include macro-economic conditions, market and industry conditions, cost considerations, the competitive environment, share price fluctuations, overall financial performance and results of past impairment tests.

Additionally, we elected to perform quantitative tests for impairment on the Applebee's goodwill. In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The fair value technique used in this instance is classified as Level 3, where unobservable inputs are used when little or no market data is available.

Notes to the Consolidated Financial Statements (Continued)

6. Goodwill (Continued)

In performing the quantitative test for impairment of goodwill, the Company used the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method to determine the fair value of goodwill and intangible assets. Significant assumptions made by management in estimating fair value under the discounted cash flow model include future trends in sales, operating expenses, overhead expenses, depreciation, capital expenditures and changes in working capital, along with an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt. Significant assumptions used to determine fair value under the guideline public company method include the selection of guideline companies and the valuation multiples applied.

As a result of performing the quantitative test of impairment, the fair value was substantially in excess of its respective carrying value as of the testing date.

2022 and 2021 Assessments

In the fourth quarters of 2022 and 2021, the Company performed qualitative assessments of its goodwill in accordance with its accounting policies. We first assess qualitatively whether it is more-likely-than-not that an impairment does not exist. Significant factors considered in this assessment include macro-economic conditions, market and industry conditions, cost considerations, the competitive environment, share price fluctuations, overall financial performance and results of past impairment tests. As result of the qualitative assessment, the Company concluded it was more likely than not that the fair values of each unit exceeded the respective carrying amounts and therefore, a quantitative test of impairment was not necessary.

7. Other Intangible Assets

The significant majority of the Company's other intangible assets arose from the November 29, 2007 acquisition of Applebee's. Franchise rights, reacquired franchise rights, favorable leaseholds, and recipes, which is included in Other below, is subject to amortization. Changes in the carrying amounts for the years ended December 31, 2023, 2022 and 2021 are as follows:

In October 2022, the \$4.7 million disposition of assets was related to the refranchising and sale of the restaurant assets of 69 Applebee's company-operated restaurants. Additions and impairment of other intangibles for the years ended December 31, 2023, 2022, and 2021 are individually insignificant.

Long-Term Debt

On June 5, 2019, Applebee's Funding LLC and IHOP Funding LLC (the "Co-Issuers"), each a special purpose, wholly-owned indirect subsidiary of the Company, issued two tranches of fixed rate senior secured notes, the Series 2019-1 4.194% Fixed Rate Senior Secured Notes, Class A-2-I ("2019 Class A-2-I Notes") in an initial aggregate principal amount of \$700 million and the Series 2019-1 4.723% Fixed Rate Senior Secured Notes, Class A-2-II ("2019 Class A-2-II Notes") in an initial aggregate principal amount of \$600 million (the "2019 Class A-2-II Notes" and, together with the 2019 Class A-2-I Notes, the "2019 Class A-2 Notes"). The 2019 Class A-2 Notes were issued pursuant to an offering exempt from registration under the Securities Act of 1933, as amended.

On August 12, 2022, the Co-Issuers established a new revolving financing facility, the 2022-1 Variable Funding Senior Secured Notes, Class A-1 (the "Credit Facility"), that allows for drawings up to \$325 million of variable funding notes on a revolving basis and the issuance of letters of credit. In connection with this transaction, the Co-Issuers terminated their \$225 million revolving financing facility, the 2019-1 Variable Funding Senior Secured Notes, Class A-1 (the "Previous Credit Facility").

On April 17, 2023, the Co-Issuers completed a refinancing transaction and issued \$500 million of Series 2023-1 7.824% Fixed Rate Senior Secured Notes, Class A-2 (the "2023 Class A-2 Notes"). The 2023 Class A-2 Notes were issued pursuant to an offering exempt from registration under the Securities Act of 1933, as amended. The Company used the net proceeds of the

2023 Class A-2 Notes to repay the entire outstanding balance of approximately \$585.1 million of the 2019 Class A-2-I Notes and to pay fees and expenses incurred in connection with the issuance of the 2023 Class A-2 Notes. The remaining 2019 Class A-2-II Notes and the Credit Facility, together with the 2023 Class A-2 Notes are referred to collectively herein as the “Notes.” The Notes were issued in securitization transactions pursuant to which substantially all the domestic revenue-generating assets and domestic intellectual property held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of the Company (the “Guarantors”) were pledged as collateral to secure the Notes.

The Notes were issued under a Base Indenture, dated as of September 30, 2014, amended and restated as of June 5, 2019 and further amended and restated as of April 17, 2023 (the “Base Indenture”). In addition, the 2019 Class A-2-II Notes were issued under the related Series 2019-1 Supplement to the Base Indenture, dated June 5, 2019 (the “Series 2019-1 Supplement”), among the Co-Issuers and Citibank, N.A., as the trustee (in such capacity, the “Trustee”) and securities intermediary, the Credit Facility was issued under the related Series 2022-1 Supplement to the Base Indenture, dated August 12, 2022 (“Series 2022-1 Supplement”), among the Co-Issuers and Citibank, N.A., as Trustee and securities intermediary, and the 2023 Class A-2 Notes were issued under the related Series 2023-I Supplement to the Base Indenture, dated April 17, 2023 (the “Series 2023-I Supplement”), among the Co-Issuers and Citibank, N.A., as Trustee and securities intermediary. The Base Indenture, Series 2019-1 Supplement, Series 2022-1 Supplement, and Series 2023-I Supplement (collectively, the “Indenture”) will allow the Co-Issuers to issue additional series of notes in the future subject to certain conditions set forth therein.

2019 Class A-2 Notes

The 2019 Class A-2-I Notes were voluntarily repaid in full on April 17, 2023, while the 2019 Class A-2-II Notes remain outstanding as of December 31, 2023.

The legal final maturity of the 2019 Class A-2-II Notes is June 2049, but rapid amortization will apply if the 2019 Class A-2-II Notes are not repaid by June 2026 (the “2019 Class A-2-II Anticipated Repayment Date”). If the Co-Issuers have not repaid or refinanced the 2019 Class A-2-II Notes by the 2019 Class A-2-II Anticipated Repayment Date, then additional interest will accrue on the 2019 Class A-2-II Notes, as applicable, at the greater of: (A) 5.0% and (B) the amount, if any, by which the sum of the following exceeds the applicable 2019 Class A-2-II Note interest rate: (x) the yield to maturity (adjusted to a quarterly bond-equivalent basis) on the 2019 Class A-2-II Anticipated Repayment Date of the United States Treasury Security having a term closest to 10 years plus (y) 7.64% for the 2019 Class A-2-II Notes.

While the 2019 Class A-2-II Notes are outstanding, payment of principal and interest is required to be made on the 2019 Class A-2-II Notes on a quarterly basis. The quarterly principal payment of \$1.5 million on the 2019 Class A-2-II Notes may be suspended when the leverage ratio for the Company and its subsidiaries is less than or equal to 5.25x. Exceeding the leverage ratio of 5.25x does not violate any covenant related to the Notes. In general, the leverage ratio is the Company's indebtedness (as defined in the Indenture) divided by adjusted EBITDA (as defined in the Indenture) for the four preceding quarterly periods. The complete definitions of all calculation elements of the leverage ratio are contained in the Indenture.

As of December 31, 2023 the Company's leverage ratio was 4.2x. As a result, quarterly principal payments on the 2019 Class A-2-II Notes of \$1.5 million currently are not required. The Company may voluntarily repay the 2019 Class A-2-II Notes at any time without any associated make-whole premium.

2019 Class A-1 Notes

The Previous Credit Facility allowed for drawings up to \$225 million of variable funding notes on a revolving basis and the issuance of letters of credit. There were no outstanding borrowings since March 2021 under the Previous Credit Facility until its termination in August 2022.

The interest rate for borrowings under the Previous Credit Facility was the three-month LIBOR rate plus 2.15% for 60% of the advances and the commercial paper funding rate of our conduit investor plus 2.15% for 40% of the advances.

2022 Class A-1 Notes

In August 2022, the Co-Issuers entered into the Credit Facility that allows for drawings up to \$325 million of variable funding notes on a revolving basis and the issuance of letters of credit. The applicable interest rate under the Credit Facility depends on the type of borrowing by the Co-Issuers. The applicable interest rate for advances is generally calculated at a per annum rate equal to the commercial paper funding rate or one-, two-, three- or six-month Term SOFR Rate, in either case, plus 2.50%. The applicable interest rate for swingline advances and unreimbursed draws on outstanding letters of credit is a per annum base rate equal to the sum of (a) the greatest of (i) the Prime Rate in effect from time to time; (ii) the Federal Funds Rate in effect from time to time plus 0.50%; and (iii) Term SOFR for a one-month tenor in effect at such time plus 0.50% plus (b) 2.00%.

8. Long-Term Debt (Continued)

The legal final maturity of the Credit Facility is June 2052, but rapid amortization will apply if there are outstanding amounts under the Credit Facility after June 2027 (the “Class A-1 Renewal Date”). The Class A-1 Renewal Date may be extended at the Co-Issuers’ election for up to two successive one-year periods if certain conditions are met. If the Co-Issuers have not repaid or refinanced the Credit Facility by the Class A-1 Renewal Date (after giving effect to any extensions), then interest will accrue on the Credit Facility at a rate equal to 5.00% in addition to the regular interest rate applicable to the Credit Facility.

In August 2022, the Company borrowed \$100 million against the Credit Facility, all of which was outstanding at December 31, 2023. The amount of \$3.4 million was pledged against the Credit Facility for outstanding letters of credit, leaving \$221.6 million of the Credit Facility available for borrowing at December 31, 2023. It is anticipated that any principal and interest on the Credit Facility outstanding will be repaid in full on or prior to the quarterly payment date in June 2027, subject to two additional one-year extensions at the option of the Company upon the satisfaction of certain conditions. The letters of credit are used primarily to satisfy insurance-related collateral requirements. The weighted average interest rate for the period outstanding during the year ended December 31, 2023 was 7.68%.

2023 Class A-2 Notes

The legal final maturity of the 2023 Class A-2 Notes is in March 2053, but it is anticipated that, unless repaid earlier to the extent permitted under the Indenture, the 2023 Class A-2 Notes will be repaid in June 2029 (the “2023 Class A-2 Anticipated Repayment Date”). If the Co-Issuers have not repaid or refinanced the 2023 Class A-2 Notes by the 2023 Class A-2 Anticipated Repayment Date, then additional interest will accrue on the 2023 Class A-2 Notes, as applicable, at the greater of: (A) 5.0% and (B) the amount, if any, by which the sum of the following exceeds the Series 2023-1 Class A-2 Note interest rate: (x) the yield to maturity (adjusted to a quarterly bond-equivalent basis) on the 2023 Class A-2 Anticipated Repayment Date of the United States Treasury Security having a term closest to 10 years plus (y) 9.24% for the 2023 Class A-2 Notes.

While the 2023 Class A-2 Notes are outstanding, payment of principal and interest is required to be made on the 2023 Class A-2 Notes on a quarterly basis. The payment of principal on the 2023 Class A-2 Notes may be suspended when the leverage ratio for the Company and its subsidiaries is less than or equal to 5.25x.

As of December 31, 2023, the Company's leverage ratio was approximately 4.2x. As a result, quarterly principal payments on the 2023 Class A-2 Notes of \$1.25 million currently are not required.

The Company may voluntarily repay the 2023 Class A-2 Notes at any time; however, if the 2023 Class A-2 Notes are repaid prior to certain dates, the Company would be required to pay make-whole premiums. As of December 31, 2023, the make-whole premium associated with voluntary prepayment of the 2023 Class A-2 Notes was approximately \$43.5 million. The Company also would be subject to a make-whole premium in the event of a mandatory prepayment required following a Rapid Amortization Event or certain asset dispositions. The mandatory make-whole premium requirements are considered derivatives embedded in the Notes that must be bifurcated for separate valuation. The Company estimated the fair value of these derivatives to be immaterial as of December 31, 2023, based on the probability-weighted discounted cash flows associated with either event.

Management Agreement

Under the terms of the Management Agreement, dated September 30, 2014, as amended and restated as of September 5, 2018, as further amended and restated as of June 5, 2019 and as further amended and restated as of April 17, 2023, among the Co-Issuers and the Guarantors (collectively, the “Securitization Entities”), the Company, Applebee’s Services, Inc., International House of Pancakes, LLC and the Trustee, the Company will act as the manager with respect to substantially all of the assets of the Securitization Entities (the “Securitized Assets”). The primary responsibilities of the manager will be to perform certain franchising, distribution, intellectual property and operational functions on behalf of the Securitization Entities with respect to the Securitized Assets pursuant to the Management Agreement. The manager will be entitled to the payment of the weekly management fee, as set forth in the Management Agreement and will be subject to the liabilities set forth in the Management Agreement.

Repurchase Program

On February 16, 2023, our Company's Board of Directors authorized a debt repurchase program of up to \$100 million. Repurchases of the Company's debt, if any, are expected to reduce future cash interest payments, as well as future amounts due at maturity or upon redemption. Under the authorization, the Company may make repurchases of the Company's debt from time to time in the open market or in privately negotiated transactions upon such terms and at such prices as management may determine.

8. Long-Term Debt (Continued)

Covenants and Restrictions

The Notes are subject to a series of covenants and restrictions customary for transactions of this type, including: (i) that the Co-Issuers maintain specified reserve accounts to be used to make required payments in respect of the Notes, (ii) provisions relating to optional and mandatory prepayments, and the related payment of specified amounts, including specified call redemption premiums in the case of Class A-2 Notes under certain circumstances; (iii) certain indemnification payments in the event, among other things, the transfers of the assets pledged as collateral for the Notes are in stated ways defective or ineffective and (iv) covenants relating to recordkeeping, access to information and similar matters. The Notes are subject to customary rapid amortization events provided for in the Indenture, including events tied to failure of the Securitization Entities to maintain the stated debt service coverage ratio (“DSCR”), the sum of domestic retail sales for all restaurants being below certain levels on certain measurement dates, certain manager termination events, certain events of default and the failure to repay or refinance the Class A-2 Notes on the anticipated repayment dates. The Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal or other amounts due on or with respect to the Notes, failure of the Securitization Entities to maintain the stated DSCR, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties and certain judgments.

In general, the DSCR ratio is Net Cash Flow (as defined in the Indenture) for the four quarters preceding the calculation date divided by the total debt service payments (as defined in the Indenture) of the preceding four quarters. The complete definitions of the DSCR and all calculation elements are contained in the Indenture. Failure to maintain a prescribed DSCR can trigger a Cash Flow Sweeping Event, a Rapid Amortization Event, a Manager Termination Event or a Default Event (each as defined in the Indenture) as described below. In a Cash Flow Sweeping Event, the Trustee is required to retain 50% of excess Cash Flow (as defined in the Indenture) in a restricted account. In a Rapid Amortization Event, all excess Cash Flow is retained and used to retire principal amounts of debt. In a Manager Termination Event, the Company may be replaced as manager of the assets securitized under the Indenture. In a Default Event, the outstanding principal amount and any accrued but unpaid interest can be called to become immediately due and payable. Key DSCRs are as follows:

- DSCR less than 1.75x - Cash Flow Sweeping Event
- DSCR less than 1.20x - Rapid Amortization Event
- Interest-only DSCR less than 1.20x - Manager Termination Event
- Interest-only DSCR less than 1.10x - Default Event

The Company's DSCR for the reporting period ended December 31, 2023 was approximately 3.6x.

Debt Issuance Costs

Amortization costs of \$0.7 million were included in interest expense for the year ended December 31, 2023. As of December 31, 2023, unamortized debt issuance costs of \$7.3 million are reported as a direct reduction of the 2023 Series Class A-2 Notes in the Consolidated Balance Sheets.

As of December 31, 2023, unamortized debt issuance costs of \$4.7 million related to the Credit Facility are classified as other non-current assets in the Consolidated Balance Sheets.

2019 Class A-2 Notes

The Company incurred costs of approximately \$12.9 million in connection with the issuance of the 2019 Class A-2 Notes. These debt issuance costs are being amortized using the effective interest method over estimated life of each tranche of the 2019 Class A-2 Notes. Amortization costs of \$1.6 million, \$2.4 million, and \$2.2 million are included in interest expense for the years ended December 31, 2023, 2022 and 2021, respectively.

The Company repaid the entire outstanding balance of approximately \$585.1 million of its 2019 Class A-2-I Notes during the year ended December 31, 2023 and recognized a \$1.7 million loss on extinguishment of debt from the write-off of the related remaining issuance costs. This loss was offset by a \$1.7 million gain on extinguishment of debt from the purchase of \$67.9 million of its 2019 Class A-2-I Notes under par value during the year ended December 31, 2023. In addition, the

Maturities of Long-term Debt

- The final maturity of the 2023 Class A-2 Notes is in March 2053, but it is anticipated that, unless repaid earlier, the 2023 Class A-2 Notes will be repaid in June 2029.
- The renewal date of the Credit Facility is June 2027, subject to two additional one-year extensions at the option of the Company upon the satisfaction of certain conditions.
- Quarterly principal payments on the 2019 Class A-2-II Notes totaling \$1.50 million (\$6.0 million per annum) are required if the Company's leverage ratio is greater than 5.25x.
- Quarterly principal payments on the 2023 Class A-2 Notes totaling \$1.25 million (\$5.0 million per annum) are required if the Company's leverage ratio is greater than 5.25x.

9. Financing Obligations

On May 19, 2008, the Company entered into a Purchase and Sale Agreement relating to the sale and leaseback of 181 parcels of real property (the "Sale-Leaseback Transaction"), each of which is improved with a restaurant operating as an Applebee's Neighborhood Grill and Bar (the "Properties"). On June 13, 2008, the closing date of the Sale-Leaseback Transaction, the Company entered into a Master Land and Building Lease ("Master Lease") for the Properties. The proceeds received from the transaction were \$337.2 million. The Master Lease calls for an initial term of twenty years and four, five-year options to extend the term.

The Sale-Leaseback Transaction does not qualify as a sale under current U.S. GAAP. Accordingly, the Sale-Leaseback Transaction continues to be recorded under the financing method. The value of the land and leasehold improvements will remain on the Company's books and the leasehold improvements will continue to be depreciated over their remaining useful lives. The net proceeds received were recorded as a financing obligation. A portion of the lease payments is recorded as a decrease to the financing obligation and a portion is recognized as interest expense. In the event the lease obligation of any individual property or group of properties is assumed by a qualified franchisee, the portion of the transaction related to that property or group of properties is recorded as a sale in accordance with U.S. GAAP and the net book value of those properties will be removed from the Company's books, along with a ratable portion of the remaining financing obligation.

As of December 31, 2023, the portion of the original Sale-Leaseback Transaction related to 160 of the 181 Properties has qualified as a sale by assignment of the lease obligation to a qualified franchisee or a release from the lessor. In accordance with the accounting described above, the property and equipment and financing obligations have each been cumulatively reduced by approximately \$286.9 million.

10. Leases

The Company engages in leasing activity as both a lessee and a lessor. The majority of the Company's lease portfolio originated when the Company was actively involved in the development and financing of IHOP restaurants prior to the franchising of the restaurant to the franchisee. This activity included the Company's purchase or leasing of the site on which the restaurant was located and subsequently leasing/subleasing the site to the franchisee. With a few exceptions, the Company ended this practice in 2003 and the Company's current lease activity is predominantly comprised of renewals of existing lease arrangements and exercises of options on existing lease arrangements.

The Company currently leases from third parties the real property on which approximately 519 IHOP franchisee-operated restaurants and one Applebee's franchisee-operated restaurant are located; the Company (as lessor) subleases the property to the franchisees that operate those restaurants. The Company also leases property it owns to the franchisees that operate 52 IHOP restaurants and one Applebee's restaurant. The Company leases from a third party the real property on which one Fuzzy's company-operated restaurant is located. The Company also leases office space for its principal corporate office in Pasadena, California and restaurant support centers in Leawood, Kansas and Irving, Texas. The Company does not have a significant amount of non-real estate leases.

The Company's existing leases/subleases related to IHOP restaurants generally provide for an initial term of 20 to 25 years, with most having one or more five-year renewal options. Leases related to Applebee's restaurants generally have an initial term of 10 to 20 years, with renewal terms of five to 20 years. Option periods were not included in determining liabilities and right-of-use assets related to operating leases. Restaurants associated with approximately 340 of the Company's leases met the sales levels that required variable rent payments to the Company (as lessor), based on a percentage of restaurant sales in 2023. Restaurants associated with approximately 45 of the Company's leases met the sales levels that required variable rent payments by the Company (as lessee), based on a percentage of restaurant sales in 2023.

The individual lease agreements do not provide information to determine the implicit interest rate in the agreements. The Company made significant judgments in determining the incremental borrowing rates that were used in calculating operating lease liabilities. Due to the large number of leases, the Company applied a portfolio approach by grouping the leases based on the original lease term. The Company estimated the interest rate for each grouping primarily by reference to (i) yield rates on debt issuances by companies of a similar credit rating as the Company; (ii) U.S. Treasury rates as of the adoption date; and (iii) adjustments for differences in years to maturity.

11. Commitments and Contingencies

Purchase Commitments

In some instances, the Company enters into commitments to purchase advertising and other items. Most of these agreements are fixed price purchase commitments. At December 31, 2023, the outstanding purchase commitments were \$117.6 million, of which \$108.2 million related to advertising commitments over the next twelve months.

Lease Guarantees

In connection with the refranchising of Applebee's restaurants to franchisees, the Company has, in certain cases, guaranteed or had potential continuing liability for lease payments. The Company had outstanding lease guarantees or was contingently liable for approximately \$402.1 million and \$445.1 million as of December 31, 2023 and 2022, respectively. These amounts represent the maximum potential liability of future payments under these leases. These leases have been assigned to the buyers and expire at the end of the respective lease terms, which range from 2024 through 2058. Excluding unexercised option periods, the Company's potential liability for future payments under these leases as of December 31, 2023 was \$90.1 million. In the event of default, the indemnity and default clauses in our sale or assignment agreements govern our ability to pursue and recover damages incurred. No material liabilities for these guarantees have been recorded as of December 31, 2023.

11. Commitments and Contingencies (Continued)

Litigation, Claims and Disputes

The Company is subject to various lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Legal fees and expenses associated with the defense of the Company's litigation are expensed as such fees and expenses are incurred. In the opinion of management, these matters are adequately covered by insurance or, if not so covered, are without merit or are of such a nature or involve amounts that would not have a material adverse impact on the Company's business or consolidated financial statements. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience in connection with pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

Letters of Credit

The Company provides letters of credit, primarily to various insurance carriers to collateralize obligations for outstanding claims. As of December 31, 2023, the Company had approximately \$3.4 million of unused letters of credit outstanding that reduce the Company's available borrowing under its 2022 Class A-1 Notes. These letters of credit expire on various dates in 2024 and are automatically renewed for an additional year if no cancellation notice is submitted.

12. Stockholders' Deficit

Stock Repurchase Programs

In February 2019, the Company's Board of Directors approved a stock repurchase program authorizing the Company to repurchase up to \$200 million of the Company's common stock (the "2019 Repurchase Program") on an opportunistic basis from time to time in the open market or in privately negotiated transactions based on business, market, applicable legal requirements and other considerations. The 2019 Repurchase Program, as approved by the Board of Directors, does not require the repurchase of a specific number of shares and can be terminated at any time.

On February 17, 2022, the Company's Board of Directors authorized a new share repurchase program, effective April 1, 2022, of up to \$250 million (the "2022 Repurchase Program"). In connection with the approval of the 2022 Repurchase Program, the 2019 Repurchase Program terminated effective April 1, 2022.

A summary of shares repurchased under the 2022 Repurchase Program and the 2019 Repurchase Program, during the years ended December 31, 2023, 2022 and 2021, and cumulatively for each program, is as follows:

All dividends declared during the fiscal years ended December 31, 2023, 2022 and 2021 were declared from retained earnings.

Treasury Stock

Repurchases of the Company's common stock are included in treasury stock at the cost of shares repurchased plus any transaction costs. Treasury stock may be re-issued when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. The cost of treasury stock re-issued is determined on the first-in, first-out ("FIFO") method. The Company re-issued 281,161 shares, 205,293 shares and 660,718 shares, respectively, during the years ended December 31, 2023, 2022 and 2021 at a total FIFO cost of \$13.5 million, \$9.6 million and \$26.8 million, respectively.

13. Closure and Long-lived Tangible Asset Impairment Charges

Closure and long-lived tangible asset impairment charges for the years ended December 31, 2023, 2022 and 2021 were as follows:

	Year Ended December 31,		
	2023	2022	2021
	(In millions)		
Closure charges	\$ 1.6	\$ 1.7	\$ 3.7
Long-lived tangible asset impairment	2.0	1.4	1.7
Total closure and impairment charges	\$ 3.6	\$ 3.1	\$ 5.4

Closure Charges

The closure charges of \$1.6 million for the year ended December 31, 2023 primarily related to revisions to existing closure reserves, including accretion, for approximately 40 IHOP restaurants closed prior to 2022.

The closure charges of \$1.7 million for the year ended December 31, 2022 comprised of \$1.3 million for revisions to existing closure reserves, including accretion for approximately 40 restaurants closed prior to 2021 and \$0.4 million related to three IHOP restaurants closed in 2022. The closure charges of \$3.7 million for the year ended December 31, 2021 comprised \$2.1 million related to 20 IHOP restaurants closed in 2021 and \$1.6 million for revisions to existing closure reserves, including accretion, primarily for 28 IHOP restaurants closed prior to 2020.

Long-lived Tangible Asset Impairment

The long-lived asset impairment of \$2.0 million for the year ended December 31, 2023 primarily related to four IHOP subleased restaurants for which the carrying amount exceeded the future projected cash flows. The primary method of estimating fair value is based on a discounted cash flow analysis. The Company also considers factors such as the number of years the restaurant has been in operation, sales trends, cash flow trends, remaining lease life and other factors which apply on a case-by-case basis. For locations owned by the Company, current purchase offers, if any, or valuations from independent third party sources are utilized, if available. The analysis is performed at the restaurant level for indicators of permanent impairment. The impairment recorded represented the difference between the carrying value and the estimated fair value. The impairments primarily related to operating lease right-of-use assets.

The long-lived asset impairment of \$1.4 million for the year ended December 31, 2022 related to five IHOP subleased restaurants for which the carrying amount exceeded the future projected cash flows. The long-lived asset impairment of \$1.7 million for the year ended December 31, 2021 related to five IHOP subleased restaurants for which the carrying amount exceeded the future projected cash flows.

14. Stock-Based Incentive Plans

Stock-Based Compensation Expense

From time to time, the Company has granted non-qualified stock options, restricted stock, cash-settled and stock-settled restricted stock units and performance units to officers, other employees and non-employee directors of the Company under the Plans. The non-qualified stock options generally vest ratably over a three-year period in one-third increments and have a maturity of ten years from the grant date. Options vest immediately upon a change in control of the Company, as defined in the Plans. Option exercise prices equal the closing price of the Company's common stock on the New York Stock Exchange on the date of grant. Restricted stock and restricted stock units are issued at no cost to the holder and vest over terms determined by the Compensation Committee of the Company's Board of Directors, generally either three years from the date of grant or in one-third increments over three years, as well as immediately upon a change in control of the Company, as defined in the Plans. The Company either utilizes treasury stock or issues new shares from its authorized but unissued share pool when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. See *Note 12, Stockholders' Deficit*, of Notes to the Consolidated Financial Statements, for treasury shares utilized related to equity grants during the years ended December 31, 2023, 2022 and 2021.

The following table summarizes the Company's stock-based compensation expense included as a component of general and administrative expenses in the consolidated financial statements:

As of December 31, 2023, total unrecognized compensation cost related to restricted stock and restricted stock units of \$17.2 million and \$2.6 million related to stock options is expected to be recognized over a weighted average period of approximately 1.37 years for restricted stock and restricted stock units and 1.40 years for stock options.

Equity Classified Awards - Stock Options

The per share fair values of the stock options granted have been estimated as of the date of grant using the Black-Scholes option pricing model. The Black-Scholes model considers, among other factors, the expected life of the option and the historical volatility of the Company's stock price. The Black-Scholes model meets the requirements of U.S. GAAP, but the fair values generated by the model may not be indicative of the actual fair values of the Company's stock-based awards.

The following table summarizes the assumptions used in the Black-Scholes model for stock options granted in the years ended December 31, 2023, 2022 and 2021:

	2023	2022	2021

Liability Classified Awards - Long-Term Incentive Awards

The Company has granted cash long-term incentive awards to certain employees (“LTIP awards”). Annual LTIP awards vest over a three-year period and are determined using a multiplier from 0% to 200% of the target award based on the total stockholder return of the Company's common stock compared to the total stockholder returns of a peer group of companies. Though LTIP awards are only paid in cash, since the multiplier is primarily based on the price of the Company's common stock, the awards are considered stock-based compensation in accordance with U.S. GAAP and are classified as liabilities. The expense related to the LTIP awards included a credit of \$1.4 million and an expense of \$1.2 million and \$0.8 million, for the

15. Employee Benefit Plans

401(k) Savings and Investment Plan

Effective January 1, 2013, the Company amended the Dine Brands Global, Inc. 401(k) Plan to (i) modify the Company matching formula and (ii) eliminate the one-year completed service requirement that previously had to be met to become eligible for Company matching contributions. As amended, the Company matches 100% of the first four percent of the employee's eligible compensation deferral and 50% of the next two percent of the employee's eligible compensation deferral. All contributions under this plan vest immediately. Company common stock is not an investment option for employees in the 401(k) Plan, other than shares transferred from a prior employee stock ownership plan. Substantially all of the administrative cost of the 401(k) plan is borne by the Company. The Company's matching contribution expense was \$3.3 million, \$3.3 million and \$2.9 million for the years ended December 31, 2023, 2022 and 2021, respectively.

16. Income Taxes

Note 16. Income Taxes (Continued)

The fiscal year 2023 effective tax rate of 13.0% applied to pretax book income was different than the statutory Federal income tax rate of 21% primarily due to the conclusion of a state income tax settlement, resulting in a net income tax benefit of \$15.1 million.

The fiscal year 2022 effective tax rate of 29.3% applied to pretax book income was different than the statutory Federal income tax rate of 21% due to the state and local income taxes and the non-deductibility of executive compensation. The effective tax rate further increased due to the increase in the effective state tax rate applied to revaluing deferred tax balances. The increase in the effective state tax rate was due to the non-recurring refranchising of 69 Applebee's company-operated restaurants in the fourth quarter of 2022 and various state legislative changes.

The fiscal year 2021 effective tax rate of 19.7% applied to pretax book loss was different than the statutory Federal income tax rate of 21% primarily due to the one-time recognition of excess tax benefits on stock-based compensation, offset by non-deductibility of executive compensation and state and local income taxes.

The Company files federal income tax returns and the Company or one of its subsidiaries file income tax returns in various state and international jurisdictions. With few exceptions, the Company is no longer subject to federal tax examinations by tax authorities for years before 2020 and state or non-United States tax examinations by tax authorities for years before 2018. The Company believes that adequate reserves have been recorded relating to all matters contained in the tax periods open to examination.

Net deferred tax assets (liabilities) at December 31, 2023 and 2022 consisted of the following components:

As of each reporting date, the Company considers new evidence, both positive and negative, that could impact management's view with regards to future realization of deferred tax assets. Management believes that the future realizability of benefits arising from foreign tax credit carryforwards and certain state net operating loss carryforwards does not meet the more-likely-than-not threshold. In recognition of this risk, there is a valuation allowance of \$4.4 million as of December 31, 2023.

The Company had gross operating loss carryforwards for state tax purposes of \$127.8 million and \$37.9 million as of December 31, 2023 and 2022, respectively. Certain net operating loss carryforwards will expire in 2029 if not utilized. The Company had income tax credit carryforwards of \$7.4 million and \$3.4 million as of December 31, 2023 and 2022, respectively. Certain income tax credit carryforwards will begin to expire in 2029 if not utilized. The increase in gross operating loss carryforwards and income tax credit carryforwards compared to prior year is primarily due to the conclusion of a state income tax audit settlement.

Note 16. Income Taxes (Continued)

The total gross unrecognized tax benefit as of December 31, 2023 and 2022 was \$3.5 million and \$2.1 million, respectively, excluding interest, penalties and related income tax benefits. If recognized, these amounts would affect the Company's effective income tax rates.

The Company estimates the unrecognized tax benefits may decrease over the upcoming 12 months by \$0.4 million related to settlements with taxing authorities and statute of limitations expirations. For the remaining liability, due to the uncertainties related to these tax matters, the Company is unable to make a reasonable estimate as to when cash settlement with a taxing authority will occur. A reconciliation of the beginning and ending amount of unrecognized tax benefits is as follows:

	Year Ended December 31,

Unrecognized tax benefit as of January 1	\$ 2.1	\$ 1.9	\$ 2.2

Unrecognized tax benefit as of December 31	<u>\$ 3.5</u>	<u>\$ 2.1</u>	<u>\$ 1.9</u>

As of December 31, 2023, the accrued interest was \$0.9 million and accrued penalties were less than \$0.1 million, excluding any related income tax benefits. As of December 31, 2022, the accrued interest and penalties were \$0.7 million and less than \$0.1 million, respectively, excluding any related income tax benefits. The Company recognizes interest accrued related to unrecognized tax benefits and penalties as a component of the income tax provision recognized in the Consolidated Statements of Comprehensive Income.

19. Business Acquisition

On December 13, 2022, the Company purchased all of the issued and outstanding membership interests of Fuzzy's for approximately \$80 million in cash, pursuant to the Membership Interest Purchase Agreement, dated as of December 2, 2022, with Fuzzy's becoming a wholly-owned subsidiary of the Company. Fuzzy's is a dining company that develops, franchises and operates casual dining restaurants that offer a specialized menu of Baja-style Mexican food under the Fuzzy's Taco Shop brand. The Company acquired Fuzzy's as part of the Company's goal to investing in a high growth concept to accelerate growth.

The Company reviewed the SEC guidance in Regulation S-X on the significance of an acquired business that determines if an acquired business is required to provide financial statements and pro forma statements if the business exceeds 20% significance to the Company. Based on the three required tests (asset, investment and income) that were performed by the Company, the acquisition was not deemed to be a significant acquisition, and therefore the required disclosures are limited in these Consolidated Financial Statements. The results of operations related to Fuzzy's have been included in the consolidated results of the Company subsequent to the acquisition date.

The acquisition of Fuzzy's has been accounted for using the acquisition method of accounting in accordance with ASC 805, *Business Combinations*, with the Company treated as the accounting acquirer, which requires that the assets acquired, and liabilities assumed be recognized at their acquisition date fair value. The Company received a third-party actuarial valuation report to determine the fair value assigned to the assets acquired and liabilities assumed.

The intangible assets acquired include franchising rights with a useful life of 20 years and a tradename with an indefinite useful life (see *Note 7 - Other Intangible Assets*). The fair value of franchising rights was estimated based on the estimated future cash flows to be generated from these franchise agreements. The earnings expected to be generated by the franchising rights were forecasted over the estimated duration of the intangible asset. The earnings were then discounted to present value at a rate commensurate with the risk of the asset. The fair value of the tradename was based on the multi-period excess earnings method, a variation of the income approach, using cash flows ("excess earnings") attributable only to the tradename intangible asset. These excess earnings were discounted to present value at a rate commensurate with the risk of the asset.

The fair value of the tangible personal property and other working capital assets and liabilities was assumed to approximate book value.

Operating lease liabilities were calculated using the present value of lease payments not yet paid and operating lease assets were calculated based upon the operating lease liabilities adjusted for prepayments or accrued lease payments. The contractual rent payments were determined to approximate market rates.

Notes to the Consolidated Financial Statements (Continued)

18. Segment Reporting (Continued)

The following table summarizes the estimated fair value of net assets acquired at December 13, 2022:

	(In millions)
Receivables and other current assets	\$ 1.1
Property and equipment and other non-current assets	2.1
Tradename	57.2
Franchise agreements	14.8
Other intangible assets	0.5
Goodwill	7.0
Accounts payable and other liabilities	(4.4)
Net cash paid for acquisition	<u>\$ 78.3</u>

The excess of the purchase price over the fair value of identifiable net assets acquired amounted to approximately \$7.0 million. The acquisition goodwill arises from the expected synergies from combining the operations of the Company and Fuzzy's. During the allowable allocation period in 2023, the Company recorded a \$0.1 million purchase price adjustment.

20. Subsequent Events

On February 26, 2024, our Board of Directors declared a first quarter 2024 cash dividend of \$0.51 per share of common stock, payable on April 5, 2024 to the stockholders of record as of the close of business on March 20, 2024.

Item 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.

None.

Item 9A. Controls and Procedures.

Evaluation of Disclosure Controls and Procedures

We maintain “disclosure controls and procedures,” as such terms are defined in Rule 13a-15(e) and 15d-15(e) promulgated under the Exchange Act of 1934, as amended, that are designed to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure. In designing and evaluating our disclosure controls and procedures, management recognized that disclosure controls and procedures, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the disclosure controls and procedures are met. Additionally, in designing disclosure controls and procedures, our management necessarily was required to apply its judgment in evaluating the cost-benefit relationship of possible disclosure controls and procedures. The design of any disclosure controls and procedures also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions.

Based on their assessment as of the end of the period covered by this report, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures were effective at the reasonable assurance level.

Management's Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as defined in Exchange Act Rules 13a-15(f) and 15d-15(f). All internal control systems, no matter how well designed, have inherent limitations. Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation.

Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the effectiveness of our internal control over financial reporting as of December 31, 2023 based on the framework in *Internal Control—Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”). Based on that evaluation, our management concluded that our internal control over financial reporting was effective as of December 31, 2023.

The effectiveness of our internal control over financial reporting as of December 31, 2023 has been audited by Ernst & Young LLP, an independent registered public accounting firm, as stated in their report that appears herein.

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of Dine Brands Global, Inc.

Opinion on Internal Control over Financial Reporting

We have audited Dine Brands Global, Inc. and Subsidiaries' internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). In our opinion, Dine Brands Global, Inc. and Subsidiaries (the Company) maintained, in all material respects, effective internal control over financial reporting as of December 31, 2023, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2023 and January 1, 2023, the related consolidated statements of comprehensive income, stockholders' deficit and cash flows for each of the three years in the period ended December 31, 2023, and the related notes and our report dated February 28, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at January 1, 2023 and January 2, 2022, and the results of its operations and its cash flows for each of the three years in the period ended January 1, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of January 1, 2023, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated March 1, 2023 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Acquisition of Fuzzy's Taco Shop

*Description of
the Matter*

During 2022, the Company completed its acquisition of FTO Holding Company, LLC for total consideration of \$80 million, as disclosed in Notes 1, 7 and 19 to the consolidated financial statements. The transaction was accounted for as a business combination, which requires that the assets acquired and liabilities assumed be recognized at their acquisition date fair values.

Auditing the Company's accounting for its acquisition of FTO Holding Company, LLC was complex due to the significant estimation required in management's determination of the fair value of the tradename intangible asset of \$57.2 million. The estimate was based on a complex discounted cash flow valuation model and was sensitive to changes in the significant underlying assumptions. The significant assumptions used included discount rates and future revenue growth rates, which are forward looking and could be affected by future economic and market conditions.

*How We
Addressed the
Matter in Our
Audit*

We obtained an understanding, evaluated the design and tested the Company's controls over its accounting for business combinations. For example, we tested controls over the review of the valuation model and significant assumptions used to estimate the fair value of tradename intangible asset.

Our procedures to test the estimated fair value of the tradename intangible asset included, among others, evaluating the Company's selection of the valuation methodology, testing the significant assumptions used in the model, and evaluating the completeness and accuracy of the underlying data. For example, we compared the significant assumptions to market trends, to the historical results of the acquired entity, and to the Company's historical results. Further, we involved our valuation specialists to assist in the evaluation of the methodology and certain significant assumptions used in the valuation model, and to perform an independent estimate of the fair value.

2. Basis of Presentation and Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of Dine Brands Global, Inc. and its wholly-owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation.

Fiscal Periods

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. In a 52-week fiscal year, each fiscal quarter contains 13 weeks, comprised of two, four-week fiscal months followed by a five-week fiscal month. In a 53-week fiscal year, the last month of the fourth fiscal quarter contains six weeks. For convenience, the Company refers to its fiscal years as ending on December 31 and its fiscal quarters as ending on March 31, June 30 and September 30. The December 31, 2022 fiscal year ended January 1, 2023 and contained 52 weeks. The 2021 fiscal year ended January 2, 2022 contained 52 weeks. The 2020 fiscal year ended January 3, 2021 contained 53 weeks.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles (“U.S. GAAP”) requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of the following: impairment of tangible and intangible assets and goodwill; income taxes; allowance for doubtful accounts and notes receivables; lease accounting estimates; contingencies; and stock-based compensation. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

The Company is subject to risks and uncertainties as a result of the outbreak of a novel strain of coronavirus, designated “COVID-19” and declared to be a pandemic in March 2020. The Company first began to experience impacts from COVID-19 in March 2020, as federal, state and local governments reacted to the public health crisis by encouraging and/or requiring social distancing, instituting shelter-in-place orders, and requiring, in varying degrees, restaurant dine-in limitations and other restrictions that largely limited the restaurants of the Company’s franchisees and its company-operated restaurants to take-out and delivery sales during the initial stages of the pandemic. Subsequently, government-imposed dine-in restrictions have been relaxed, removed and reinstated as incidents of infection decrease or increase within the respective governmental jurisdictions. As of December 31, 2022, almost all of the restaurants were open and operating without government-mandated restriction.

We cannot predict how long the pandemic will last, whether/when recurrences of the virus and its variants may arise, what restrictions on in-restaurant dining may be enacted or re-enacted, the availability and acceptance of vaccines, the timing and extent of customer re-engagement with the Company’s brands and, in general, what the short- and long-term impact on consumer discretionary spending the COVID-19 pandemic might have on the Company and the restaurant industry as a whole, all of which are uncertain and cannot be predicted. As such, the extent to which the COVID-19 pandemic may continue to materially impact the Company’s financial condition, liquidity, or results of operations remains highly uncertain.

Concentration of Credit Risk

The Company’s cash, cash equivalents, restricted cash and accounts receivable are potentially subject to concentration of credit risk. Cash and cash equivalents are placed with financial institutions that management believes are creditworthy. The Company does not believe that it is exposed to any significant credit risk on cash, cash equivalents and restricted cash. At times, cash, cash equivalents and restricted cash balances may be in excess of FDIC insurance limits.

Accounts receivable are derived from revenues earned from franchisees and area licensees located primarily in the United States. Financing receivables arise from the financing of restaurant equipment, real estate leases or franchise fees with the Company by IHOP franchisees. The Company is subject to a concentration of credit risk with respect to receivables from franchisees that own a large number of Applebee’s or IHOP restaurants. As of December 31, 2022, two franchisees (one Applebee’s franchisee and one franchisee with cross-brand ownership) operated a combined total of 825 Applebee’s and IHOP restaurants in the United States, which comprised 25.4% of the total Applebee’s and IHOP franchise and area license restaurants in the United States. Revenues from these two franchisees represented 18.8%, 18.0%, and 17.1% of total consolidated revenue for the years ended December 31, 2022, 2021 and 2020, respectively. One franchisee represented 12.5%, 11.8%, and 11.0% of total consolidated revenue for the years ended December 31, 2022, 2021 and 2020, respectively. Receivables from these franchisees totaled \$20.9 million and \$19.7 million at December 31, 2022 and 2021, respectively.

Cash and Cash Equivalents

The Company considers all highly liquid investment securities with remaining maturities at the date of purchase of three months or less to be cash equivalents. These cash equivalents are stated at cost which approximates market value. Cash held related to IHOP advertising funds and the Company’s gift card programs is not considered to be restricted cash as there are no restrictions on the use of these funds. The components of cash and cash equivalents were as follows:

	December 31,	
	2022	2021
	(In millions)	
Money market funds	\$ 75.0	\$ 30.0
IHOP advertising funds and gift card programs	96.7	101.5

Total cash and cash equivalents	\$ 269.7	\$ 361.4

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Restricted Cash

Current

Current restricted cash primarily consisted of funds required to be held in trust in connection with the Company's securitized debt and funds from Applebee's and Fuzzy's franchisees pursuant to franchise agreements, usage of which was restricted to advertising activities. The components of current restricted cash were as follows:

	December 31,	
	2022	2021
	(In millions)	
Securitized debt reserves	\$ 32.4	\$ 29.9
Applebee's advertising funds	5.4	17.5
Other	1.1	0.1
Total current restricted cash	\$ 38.9	\$ 47.5

Non-current

Non-current restricted cash of \$16.4 million and \$16.4 million at December 31, 2022 and 2021, respectively, represents interest reserves set aside for the duration of the securitized debt. The required reserve is approximately one quarter's interest payment on the Company's securitized debt. The Company voluntarily increased the amount held in non-current cash to twice the required amount during the year ended December 31, 2020 and reduced the reserve back to the minimum amount during the year ended December 31, 2021.

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation. Properties under finance leases are stated at the present value of the minimum lease payments. Depreciation is computed using the straight-line method over the estimated useful lives of the assets or remaining useful lives. Leasehold improvements and properties under finance leases are amortized on a straight-line basis over their estimated useful lives or the lease term, if less. The general ranges of depreciable and amortizable lives are as follows:

Category	Depreciable Life
Buildings and improvements	25 to 40 years
Leaseholds and improvements	Shorter of primary lease term or between three to 40 years
Equipment and fixtures	Three to five years
Internal-use software	Three to 10 years
Properties under finance leases	Primary lease term or remaining primary lease term

Long-Lived Assets

On a regular basis, the Company assesses whether events or changes in circumstances have occurred that potentially indicate the carrying value of long-lived assets (primarily assets related to property and equipment leased or subleased to franchisees) may not be recoverable. The analysis is performed at the restaurant level for indicators of impairment. The Company tests for impairment using current and historical operating results and cash flows as well as other relevant facts and circumstances as the primary basis for estimates of future cash flows. The Company considers factors such as the number of years the franchisee's restaurant has been in operation, sales trends, cash flow trends, remaining lease life and other factors which apply on a case-by-case basis. Continuing losses associated with an asset are an indicator of impairment.

If it is decided that there has been an impairment, the carrying amount of the asset is written down to the estimated fair value as determined in accordance with U.S. GAAP governing fair value measurements. The primary method of estimating fair value is based on a discounted cash flow analysis. Any loss resulting from impairment is recognized as a charge against operations.

See *Note 13 - Closure and Long-lived Tangible Asset Impairment Charges*, of the Notes to the Consolidated Financial Statements for additional information.

Goodwill and Intangible Assets

Goodwill is recorded when the aggregate purchase price of an acquisition exceeds the estimated fair value of the net identified tangible and intangible assets acquired. Intangible assets resulting from an acquisition are accounted for using the purchase method of accounting and are estimated by management based on the fair value of the assets received. The Company's identifiable intangible assets are comprised primarily of the Applebee's tradename and Applebee's franchise agreements and as of December 2022, the Fuzzy's tradename and Fuzzy's franchise agreements. Identifiable intangible assets with finite lives (franchise agreements) are amortized over the period of estimated benefit using the straight-line method and estimated useful lives. Goodwill and intangible assets considered to have an indefinite life (primarily the tradenames) are not subject to amortization. The determination of indefinite life is subject to reassessment if changes in facts and circumstances indicate the period of benefit has become finite.

Goodwill has been allocated to four reporting units. The significant majority of the Company's goodwill resulted from the November 29, 2007 acquisition of Applebee's and was allocated to the Applebee's franchised restaurants unit ("Applebee's franchise unit"). Smaller amounts of goodwill arising from other business combinations have been allocated to the Fuzzy's franchised restaurants unit ("Fuzzy's franchise unit"), the IHOP franchised restaurants unit ("IHOP franchise unit") and the Applebee's company restaurants unit ("Applebee's company unit"). See *Note 6 - Goodwill*, of the Notes to the Consolidated Financial Statements for additional information.

The Company evaluates the goodwill of the Applebee's franchise and company units and the indefinite-lived Applebee's tradename for impairment as of October 31 of each year. The Company evaluates the goodwill of the IHOP franchise unit and the Fuzzy's franchise unit for impairment as of December 31 of each year. In addition to the annual evaluation for impairment, goodwill and indefinite-lived intangible assets are evaluated more frequently if the Company believes indicators of impairment exist.

When evaluating goodwill and indefinite-lived intangible assets for impairment, under U.S. GAAP, the Company may first perform an assessment of qualitative factors to determine if the fair value of the reporting unit or the intangible asset is more-likely-than-not greater than the carrying amount. Such qualitative factors include, but are not limited to, macro-economic conditions, market and industry conditions, cost considerations, current and future income tax rates, the competitive environment, fluctuations in the market value of the Company's common stock, absolute and relative to peers, overall financial performance and results of past impairment tests. If, based on a review of the qualitative factors, the Company determines it is more-likely-than-not that the fair value is greater than the carrying value, the Company may bypass a quantitative test for impairment.

In performing the quantitative test for impairment of goodwill, the Company primarily uses the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method. Significant assumptions used to determine fair value under the discounted cash flow method include expected future trends in sales, operating expenses, overhead expenses, capital expenditures and changes in working capital, along with an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt. Significant assumptions used to determine fair value under the guideline public company method include the selection of guideline companies and the valuation multiples applied. The Company measures impairment as the excess of a reporting unit's carrying amount over its fair value as determined by the quantitative test described above.

In the process of performing its quantitative impairment review of intangible assets considered to have an indefinite life, the Company primarily uses the relief of royalty method under the income approach method of valuation. Significant assumptions used to determine fair value under the relief of royalty method include future trends in sales, a royalty rate and an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt to be applied to the forecast revenue stream.

Business Combinations

From time to time, we may enter into business combinations. In accordance with Accounting Standards Codification ("ASC") 805, Business Combinations, the Company applies the acquisition method for acquisitions that meet the definition of a business combination. Under the acquisition method, the Company estimates the fair value of the identifiable assets and liabilities of the acquired entity on the acquisition date. Acquired intangible assets are valued using different methods under the income approach, including but not limited to, the multi-period excess earnings method for tradenames and franchising rights and the relief-from-royalty method for recipes. The Company measures goodwill as the excess of consideration transferred over the net of the acquisition date fair values of the identifiable assets acquired and liabilities assumed. Goodwill is assigned to each reporting unit that is expected to benefit from the synergies of the business combination. Acquisition-related expenses and

transaction costs associated with business combinations are expensed in the period incurred which is included in the transaction-related expenses line item of the Consolidated Statements of Comprehensive Income (Loss).

Revenue Recognition

The Company's revenues are recorded in four categories: franchise operations, company restaurant operations, rental operations and financing operations. Franchise revenue (which comprises most of the Company's revenues) and revenue from company-operated restaurants are recognized in accordance with ASC 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods. The Company's rental and financing revenues are recognized in accordance with other U.S. GAAP accounting standards and are not subject to ASC 606.

Franchise Revenues

The Company franchises the Applebee's, IHOP and Fuzzy's restaurant concepts. The franchise arrangement for the brands is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement for the brands primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required. Additionally, all domestic IHOP franchise agreements require franchisees to purchase proprietary pancake and waffle dry mix from the Company.

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenues ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenues are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either a contract asset (unbilled receivable) or, once billed, accounts receivable, on the balance sheet;
- Revenue from the sales of proprietary pancake and waffle dry mix is recognized in the period in which distributors ship the franchisee's order; recognition of revenue results in accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises judgment with respect to collectibility of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term, the month of sale as reported by the franchisee or the date of product shipment, none of which require estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Company Restaurant Revenues

Company restaurant revenues comprise retail sales at company-operated restaurants. Sales by company-operated restaurants are recognized when food and beverage items are sold. Company restaurant sales are reported net of sales taxes collected from guests that are remitted to the appropriate taxing authorities, with no significant judgments required.

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Rental Revenues

Rental operations revenues include revenues from operating leases and interest income from real estate leases. See *Basis of Presentation and Summary of Significant Accounting Policies - Leases*.

Financing Revenues

Financing operations revenues consist primarily of interest income from the financing of franchise fees and equipment leases, other notes receivable from franchisees and sales of equipment associated with refranchised IHOP restaurants. Interest income is recorded as earned.

Gift Card

The Company administers gift card programs for each restaurant concept. The Company records a liability in the period in which a gift card is sold and recognizes costs associated with its administration of the gift card programs as prepaid assets when the costs are incurred. The liability and prepaid asset recorded on the Company's books are relieved when gift cards are redeemed. If redemption occurs at a franchisee-operated restaurant, the gift card revenue, net of costs, is remitted to the franchisee. The Company receives gift card breakage revenue only from gift cards redeemed at company-operated restaurants. Breakage revenue for gift cards estimated to be redeemable at company-operated restaurants for the years ended December 31, 2022, 2021 and 2020 was \$0.3 million in each year.

Allowance for Credit Losses

The allowance for credit losses is the Company's best estimate of the amount of probable credit losses incurred on existing receivables; however, changes in circumstances relating to receivables may result in changes to the allowance in the future. The Company determines the allowance based on historical losses, current conditions, and reasonable and supportable forecasts used in assessing the franchisee's or area licensee's ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. The Company continually reviews the allowance for credit losses. Past due balances and future obligations are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote. See *Note 4, Current Expected Credit Losses*, of the Notes to the Consolidated Financial Statements for additional information.

Leases

The Company accounts for its leasing activities in accordance with accounting guidance for leases, as codified in Accounting Standards Topic 842 ("ASC 842"), adopted as of the beginning of its 2019 fiscal year. In adopting ASC 842, the Company utilized expedients that allowed it to retain the classification, as either an operating lease or a finance lease, that was previously determined under prior accounting guidance for leases. The Company reassesses this classification upon renewal, extension or the modification of an existing lease agreement. The Company determines the appropriate classification upon entering into a new contract determined to contain a lease.

Operating lease assets and liabilities are recognized at the lease commencement date, or were recognized upon adoption of ASC 842. Operating lease liabilities represent the present value of lease payments not yet paid. Operating lease assets represent the Company's right to use an underlying asset and are based upon the operating lease liabilities adjusted for prepayments or accrued lease payments, initial direct costs, lease incentives and impairment of operating lease assets.

The Company's lease agreements generally do not provide information to determine the implicit interest rate in the agreements. This requires the Company to estimate an incremental borrowing rate to be used in calculating operating lease liabilities as of the adoption or commencement date. The Company estimates the incremental borrowing rate primarily by reference to (i) yield rates on debt issuances by companies of a similar credit rating as the Company; (ii) U.S. Treasury rates as of the adoption or commencement date; and (iii) adjustments for differences between these rates and the lease term.

The cost of an operating lease is recognized over the lease term on a straight-line basis. The lease term commences on the date the Company has the right to control the use of the leased property. Certain leases may contain provisions for rent holidays and fixed-step escalations in payments over the base lease term, as well as renewal periods. The effects of the holidays and fixed-step escalations are reflected in rent expense on a straight-line basis over the expected lease term. Differences between amounts paid and amounts expensed are recorded as deferred rent. Certain leases may include rent escalations based on inflation indexes and fair market value adjustments. Certain leases may contain contingent rental provisions that include a fixed

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

base rent plus an additional percentage of the restaurant's sales. Subsequent escalations subject to such an index and contingent rental payments are recognized as variable lease expense.

The rental payments (as lessee) or receipts (as lessor) on those property leases that meet the finance lease criteria result in the recognition of interest expense or interest income and a reduction of finance lease obligation or financing lease receivable, respectively. Finance lease obligations are amortized based on the Company's incremental borrowing rate and real estate leases receivable are amortized using the implicit interest rate.

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred.

Advertising

Advertising expense reflected in the Consolidated Statements of Comprehensive Income (Loss) includes contributions to the national advertising funds made by Applebee's and IHOP, local marketing advertising costs incurred by company-operated restaurants, and certain advertising costs incurred by the Company to benefit future franchise operations. Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized in the fourth quarter of the Company's fiscal year. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. When advertising revenues exceed the related advertising expenses and there is no recovery of a previously recognized deficit of advertising revenues, advertising costs are accrued up to the amount of revenues.

Advertising expense included in company restaurant operations for the years ended December 31, 2022, 2021 and 2020 was \$5.6 million, \$6.8 million and \$5.2 million, respectively.

Fair Value Measurements

The Company determines the fair market values of its financial assets and liabilities, as well as non-financial assets and liabilities that are recognized or disclosed at fair value on a recurring basis, based on the fair value hierarchy established in U.S. GAAP. As necessary, the Company measures its financial assets and liabilities using inputs from the following three levels of the fair value hierarchy:

- Level 1 inputs are quoted prices in active markets for identical assets or liabilities.
- Level 2 inputs are observable for the asset or liability, either directly or indirectly, including quoted prices in active markets for similar assets or liabilities.
- Level 3 inputs are unobservable and reflect the Company's own assumptions.

The Company does not have a material amount of financial assets or liabilities that are required under U.S. GAAP to be measured at fair value on a recurring basis. None of the Company's non-financial assets or non-financial liabilities is required to be measured at fair value on a recurring basis. Assets recognized or disclosed at fair value in the consolidated financial statements on a nonrecurring basis include items such as property and equipment, operating lease assets, goodwill and other intangible assets, which are measured at fair value if determined to be impaired. The Company has not elected to use fair value measurement for any assets or liabilities for which fair value measurement is not presently required.

The Company believes the fair values of cash and cash equivalents, restricted cash, accounts receivable and accounts payable approximate their carrying amounts due to their short duration.

The fair values of non-current financial instruments, determined based on Level 2 inputs, are shown in the following table:

	December 31,	
	2022	2021
	(In millions)	
Face value of Series 2019-1 Fixed Rate Senior Secured Notes	\$ 1,247.0	\$ 1,287.0

Income Taxes

The Company utilizes the liability method of accounting for income taxes. Under the liability method, deferred taxes are determined based on the temporary differences between the financial statement and tax basis of assets and liabilities using enacted tax rates. A valuation allowance is recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. The Company records estimated tax liabilities to the extent the contingencies are probable and can be reasonably estimated. The Company recognizes interest accrued related to unrecognizable tax benefits and penalties as a component of the income tax provision recognized in the Consolidated Statements of Comprehensive Income (Loss).

The Company is taxed on global intangible low-tax income ("GILTI") earned by certain foreign subsidiaries and recognizes the current tax on GILTI as an expense in the period the tax is incurred. The Company includes the current tax impact of GILTI in our effective tax rate.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by taxing authorities based on its technical merits, including all appeals or litigation processes. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate resolution. For each reporting period, management applies a consistent methodology to measure and adjust all uncertain tax positions based on the available information.

Stock-Based Compensation

Members of the Board of Directors and certain employees are eligible to receive stock options, restricted stock, restricted stock units and performance units pursuant to the Dine Brands Global, Inc. 2019 Stock Incentive Plan. Shares of unvested restricted stock are subject to restrictions on transfer and forfeiture under certain circumstances. The holder of unvested restricted stock has the right to vote and receive regular cash dividends with respect to the shares of unvested restricted stock.

The Company accounts for all stock-based payments to employees and non-employee directors, including grants of stock options, restricted stock, restricted stock units and performance units to be recognized in the financial statements, based on their respective grant date fair values. The value of the portion of the award that is ultimately expected to vest is recognized as expense ratably over the requisite service periods.

The grant date fair value of restricted stock and stock-settled restricted stock units is determined based on the Company's stock price on the grant date. The Company estimates the grant date fair value of stock option awards using the Black-Scholes option pricing model, which considers, among other factors, a risk-free interest rate, the expected life of the award and the historical volatility of the Company's stock price. The Company estimates the grant date fair value of awards with performance-based market conditions using a Monte Carlo simulation method which considers, among other factors, the performance-based market condition, a risk-free interest rate, the expected life of the award and the historical volatility of the Company's stock price. Awards of cash-settled restricted stock units are classified as liabilities with the liability and compensation expense related to cash-settled awards adjusted to fair value at each balance sheet date.

Net Income (Loss) Per Share

Net income (loss) per share is calculated using the two-class method prescribed in U.S. GAAP. Basic net income (loss) per share is computed by dividing the net income (loss) available to common stockholders for the period by the weighted average number of common shares outstanding during the period. Diluted net income (loss) per share is computed by dividing the net income (loss) available to common stockholders for the period by the weighted average number of common shares and potential shares of common stock outstanding during the period if their effect is dilutive. The Company uses the treasury stock method to calculate the weighted average shares used in the diluted earnings per share calculation. Potentially dilutive common shares include the assumed exercise of stock options and assumed vesting of restricted stock.

Other Comprehensive Income (Loss)

For the years ended December 31, 2022, 2021 and 2020, the income tax benefit or provision allocated to items of other comprehensive income (loss) was not significant.

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Treasury Stock

The Company may from time to time utilize treasury stock when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. The cost of treasury stock re-issued is determined using the first-in, first-out method.

Dividends

Dividends declared on common stock are recorded as a reduction of retained earnings to the extent retained earnings are available at the close of the period prior to the date of the dividend declaration. Dividends declared in excess of retained earnings are recorded as a reduction of additional paid-in capital.

Reporting Segments

The Company identifies its reporting segments based on the organizational units used by management to monitor performance and make operating decisions. The Company has six operating segments: Applebee's franchise operations, IHOP franchise operations, Fuzzy's franchise operations, rental operations, financing operations and company-operated restaurant operations. The Company has four reporting segments: franchise operations, (an aggregation of each restaurant concept's franchise operations), rental operations, financing operations and company-operated restaurant operations. The Company considers these to be its reportable segments, regardless of whether any segment exceeds 10% of consolidated revenues, income before income tax provision or total assets.

Franchise Segment

As of December 31, 2022, the franchise operations reportable segment consisted of 1,678 restaurants operated by Applebee's franchisees in the United States, two United States territories and 11 countries outside the United States; 1,781 restaurants operated by IHOP franchisees and area licensees in the United States, two United States territories and nine countries outside the United States; and 134 restaurants operated by Fuzzy's franchisees in the United States. Franchise operations revenue consists primarily of royalties and advertising fees based on a percentage of the franchisee's gross sales, sales of proprietary products (primarily IHOP pancake and waffle dry mixes) and other franchise fees.

Franchise operations expenses include advertising expense, the cost of proprietary products, pre-opening training expenses and other franchise-related costs.

Rental Segment

Rental operations revenue includes revenue from operating leases and interest income from real estate leases. Rental operations expenses are costs of operating leases and interest expense of finance leases on franchisee-operated restaurants. The rental operations revenue and expenses are primarily generated by IHOP. Applebee's has an insignificant amount of rental activity.

Financing Segment

Financing operations revenue primarily consists of interest income from the financing of IHOP franchise fees and equipment leases, notes receivable from Applebee's and IHOP franchisees and sales of equipment associated with refranchised IHOP restaurants. Financing expenses are the cost of restaurant equipment.

Company Segment

As of December 31, 2022, the company-operated three Fuzzy's restaurants that were acquired in December 2022. During 2022, 2021 and 2020, the company-operated 69 Applebee's restaurants that were acquired from a former franchisee in December 2018. The 69 Applebee's company-operated restaurants were sold in October 2022. All company-operated restaurants were located in the United States. Company restaurant sales are retail sales at company-operated restaurants. Company restaurant expenses are operating expenses at company-operated restaurants and include food, beverage, labor, benefits, utilities, rent and other operating costs.

Accounting Standards Adopted in the Current Fiscal Year

In July 2021, the FASB issued guidance which affect lessors with lease contracts that (i) have variable lease payments that do not depend on a reference index or a rate and (ii) would have resulted in the recognition of a selling loss at lease commencement if classified as sales-type or direct financing. The amendments are effective for fiscal years beginning after December 15, 2021. Adoption did not have any material effect on the consolidated financial statements.

In March 2020, with an update in January 2021, the FASB issued guidance which provides optional expedients and exceptions for applying current U.S. GAAP to contracts, hedging relationships, and other transactions affected by the discontinuation of the London Interbank Offered Rate (“LIBOR”) or by another reference rate expected to be discontinued. The guidance can be adopted immediately and is applicable to contracts entered into on or before December 31, 2022. Adoption did not have any material effect on the consolidated financial statements.

Additional new accounting guidance became effective for the Company as of the beginning of fiscal 2022 that the Company reviewed and concluded was either not applicable to its operations or had no material effect on its consolidated financial statements in the current or future fiscal years.

Newly Issued Accounting Standards Not Yet Adopted

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's financial statements when adoption is required in the future.

4. Current Expected Credit Losses (“CECL”)

The CECL reserve methodology requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Under the CECL model, reserves may be established against financial asset balances even if the risk of loss is remote or has not yet manifested itself.

In applying the CECL methodology, the Company developed its estimated loss reserves in the following manner. The Company continued to record specific reserves against account balances of franchisees deemed “at-risk” when a potential loss is likely or imminent as a result of prolonged payment delinquency (greater than 90 days past due) and where notable credit deterioration has become evident. For financial assets that are not currently deemed “at-risk,” an allowance is recorded based on expected loss rates derived pursuant to the following CECL methodology that assesses four components: (1) historical losses, (2) current conditions, (3) reasonable and supportable forecasts, and (4) reversion to history, if applicable.

Historical Losses

Historical loss rates over a five-year span were calculated for financial assets with common risk characteristics. The Company determined historical loss rate data for each franchise brand concept was more relevant than a single blended rate. Historical losses were determined based on the average charge-off method. Historical loss rates are further adjusted by factors related to current conditions and forecasts of future economic conditions.

Current Conditions

The Company identified three metrics that it believes provide the most relevant reflection of the current risks inherent in the Company’s franchisee-based restaurant business, as follows: (1) delinquency status, (2) system-wide same-restaurant sales, and (3) restaurant unit-level economics. The current conditions adjustment factor was adjusted to account for the impact of the COVID-19 pandemic.

Reasonable and Supportable Forecasts

The third component in the CECL methodology involves consideration of macroeconomic conditions that can impact the estimate of expected credit losses in the future. The Company has not developed an internal methodology in this regard; rather, the Company utilizes existing, publicly accessible sources of economic data, primarily forecasts of overall unemployment rate as well as consumer spending based on the personal consumption expenditure index.

Reversion to History

The Company has determined that reversion to history was not required since the remaining average lives of the Company’s financial assets are not exceedingly lengthy.

The Company considers its portfolio segments to be the following:

Accounts Receivable (Franchise-Related)

Most of the Company’s short-term receivables due from franchisees are derived from royalty, advertising and other franchise-related fees.

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

4. Current Expected Credit Losses (Continued)

Gift Card Receivables

Gift card receivables consist primarily of amounts due from third-party vendors. Receivables related to gift card sales are subject to seasonality and usually peak around year end as a result of the December holiday season.

Notes Receivable

Notes receivable balances primarily relate to the conversion of certain Applebee's franchisee accounts receivable to notes receivable, cash loans to franchisees for working capital purposes, a note receivable in connection with the sale of IHOP company restaurants in June 2017, and IHOP franchise fee and other notes. The notes are typically collateralized by the franchise. The notes generally have a term from one to eight years and bear interest averaging 5.3% and 4.0% per annum at December 31, 2022 and 2021, respectively. Due to the risk inherent in Applebee's notes that were converted from previously delinquent franchisee accounts receivable balances, a significant portion of these notes have specific reserves recorded against them totaling \$8.8 million as of December 31, 2022.

Equipment Leases Receivable

Equipment leases receivable primarily relate to IHOP franchise development activity prior to 2003. IHOP provided the financing for the leasing of the equipment. Equipment lease contracts are collateralized by the equipment in the restaurant. Equipment lease contracts are due in equal weekly installments, and bear interest averaging 9.8% and 9.9% per annum at December 31, 2022 and 2021, respectively. The term of an equipment lease contract typically coincides with the term of the corresponding restaurant building lease. The weighted average remaining life of the Company's equipment leases is 3.9 years as of December 31, 2022. The estimated fair value of the equipment collateralizing these lease contracts are not deemed to be significant given the very seasoned and mature nature of this portfolio.

Real Estate Leases Receivable

Real estate lease receivable also primarily relate to IHOP franchise development activity prior to 2003 when IHOP typically leased or purchased the restaurant site, built and equipped the restaurant, and then franchised the restaurant to a franchisee. IHOP provided the financing for leasing or subleasing the site. Real estate lease receivables at December 31, 2022, were comprised of 48 leases with a weighted average remaining life of 10.2 years, and relate to locations that IHOP is leasing from third parties and subleasing to franchisees. Where applicable, building leases and equipment contracts contain cross-default provisions wherein a default under one constitutes a default under all.

Distributor Receivables

Receivables due from distributors are related to the sale of IHOP's proprietary pancake and waffle dry mix to franchisees through the Company's network of suppliers and distributors and are included as part of Other receivables.

Total receivables balances at December 31, 2022 and 2021 were as follows:

<i>Receivables</i>	<u>2022</u>	<u>2021</u>
	(In millions)	
Accounts receivable	\$ 67.5	\$ 63.6
Gift card receivables	34.6	33.4

Financing receivables:

Accumulated depreciation and amortization includes accumulated amortization for properties under finance leases in the amount of \$45.3 million and \$52.7 million at December 31, 2022 and 2021, respectively.

6. Goodwill

The significant majority of the Company's goodwill arose from the November 29, 2007 acquisition of Applebee's. In October 2022, the disposition of assets of \$4.6 million was related to the refranchising and sale of the restaurant assets of 69 Applebee's company-operated restaurants. In December 2022, the addition to goodwill of \$7.0 million arose from the acquisition of Fuzzy's, which was determined to be a separate reporting unit. Changes in the carrying amount of goodwill for the years ended December 31, 2022, 2021 and 2020 are as follows:

6. Goodwill (Continued)

The Company assesses goodwill for impairment in accordance with its policy described in *Note 2 - Basis of Presentation and Summary of Significant Accounting Policies*.

The Company evaluates its goodwill and the indefinite-lived tradenames for impairment annually in the fourth quarter of each year or on an interim basis if events or changes in circumstances between annual tests indicate a potential impairment. Definite-lived intangible assets and long-lived tangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset or asset group may not be recoverable based on estimated undiscounted future cash flows.

2022 and 2021 Assessments

In the fourth quarters of 2022 and 2021, the Company performed qualitative assessments of its goodwill in accordance with its accounting policies. As result of the qualitative assessment, the Company concluded it was more likely than not that the fair values of each unit exceeded the respective carrying amounts and therefore, a quantitative test of impairment was not necessary.

2020 Assessment

Because of the risks and uncertainties associated with the COVID-19 pandemic, the Company performed an interim assessment to determine whether the impact of COVID-19 indicated a potential impairment to its goodwill and intangible assets. In the second quarter of 2020, the Company noted that its common stock had recovered less of its early March 2020 (pre-pandemic) market value than the overall U.S. stock market had recovered. The Company also was able to assess several months of data as to the impact of the COVID-19 pandemic on its operations and, in turn, assess the impact that might have on the risk premium incorporated into its discount rate. Based on these developments, the Company determined that an interim quantitative test for impairment of the goodwill of the Applebee's Franchise and Company units should be performed as of May 24, 2020. In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The fair value technique used in this instance is classified as Level 3, where unobservable inputs are used when little or no market data is available.

In performing the quantitative test for impairment of goodwill, the Company used the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method to determine the fair value of goodwill and intangible assets. Significant assumptions made by management in estimating fair value under the discounted cash flow model include future trends in sales, operating expenses, overhead expenses, depreciation, capital expenditures and changes in working capital, along with an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt. Significant assumptions used to determine fair value under the guideline public company method include the selection of guideline companies and the valuation multiples applied.

As a result of performing the quantitative test of impairment, the Company recognized an impairment loss of \$92.2 million in 2020 to the goodwill of the Applebee's Franchise unit. The majority of the impairment was due to an increase in the assessed risk premium incorporated into the discount rate assumption. There was no impairment of the Applebee's Company unit.

7. Other Intangible Assets

The significant majority of the Company's other intangible assets arose from the November 29, 2007 acquisition of Applebee's. Changes in the carrying amounts for the years ended December 31, 2022, 2021 and 2020 are as follows:

	Not Subject to Amortization		Subject to Amortization			Total

In December 2022, the Company acquired Fuzzy's and recorded \$57.2 million of tradename, \$14.8 million of franchising rights and \$0.5 million of recipes as intangible assets. Additions of other intangibles for the years ended December 31, 2022, 2021 and 2020 are individually insignificant. In October 2022, the \$4.7 million disposition of assets was related to the refranchising and sale of the restaurant assets of 69 Applebee's company-operated restaurants.

Impairments in 2020

As discussed in *Note 6 - Goodwill*, the Company determined that indicators of impairment existed prior to the annual test for impairment and performed an interim quantitative test for impairment of Applebee's tradename and reacquired franchise rights in the second quarter of 2020. In performing the impairment test of the tradename, the Company used the relief of royalty method under the income approach method of valuation. Significant assumptions used to determine fair value under the relief of royalty method include future trends in sales, a royalty rate and a discount rate applied to the forecast revenue stream. As a result of performing the quantitative test of impairment, the Company recognized an impairment of \$11.0 million to Applebee's tradename. The majority of the impairment was due to an increase in the assessed risk premium incorporated into the discount rate assumption. In addition, the Company determined that the carrying amounts of reacquired franchise rights and favorable leaseholds exceeded the estimated fair value by \$3.3 million and \$0.8 million, respectively, and recorded impairments to those intangible assets.

Annual amortization expense for the next five fiscal years is estimated to be approximately \$14.4 million per year.

Gross and net carrying amounts of intangible assets subject to amortization at December 31, 2022 and 2021 are as follows:

	December 31, 2022			December 31, 2021		
	Gross	Accumulated Amortization	Net	Gross	Accumulated Amortization	Net

Franchising rights	\$ 214.8	\$ (151.0)	\$ 63.8	\$ 200.0	\$ (141.0)	\$ 59.0

In the fourth quarter of fiscal 2022 and 2021, the Company performed a qualitative assessment of the Applebee's tradename and concluded the fair value exceeded the carrying amount.

8. Long-Term Debt

Long-term debt at December 31, 2022 and 2021 consists of the following components:

Long-Term Debt

On June 5, 2019, Applebee's Funding LLC and IHOP Funding LLC (the "Co-Issuers"), each a special purpose, wholly-owned indirect subsidiary of the Company, issued two tranches of fixed rate senior secured notes, the Series 2019-1 4.194% Fixed Rate Senior Secured Notes, Class A-2-I ("Class A-2-I Notes") in an initial aggregate principal amount of \$700 million and the Series 2019-1 4.723% Fixed Rate Senior Secured Notes, Class A-2-II ("Class A-2-II Notes") in an initial aggregate principal amount of \$600 million (the "Class A-2-II Notes" and, together with the Class A-2-I Notes, the "2019 Class A-2 Notes"). The 2019 Class A-2 Notes were issued pursuant to an offering exempt from registration under the Securities Act of 1933, as amended.

On August 12, 2022, the Co-Issuers established a new revolving financing facility, the 2022-1 Variable Funding Notes, Class A-1 (the "Credit Facility"), that allows for drawings up to \$325 million of variable funding notes on a revolving basis and the issuance of letters of credit. In connection with this transaction, the Co-Issuers terminated their \$225 million revolving financing facility, the 2019-1 Variable Funding Notes, Class A-1 (the "Previous Credit Facility"). The Credit Facility and the 2019 Class A-2 Notes are referred to collectively herein as the "Notes." The Notes were issued in securitization transactions pursuant to which substantially all the domestic revenue-generating assets and domestic intellectual property held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of the Company (the "Guarantors") were pledged as collateral to secure the Notes.

The Notes were issued under a Base Indenture, dated as of September 30, 2014, and amended and restated as of June 5, 2019 (the "Base Indenture"). In addition, the 2019 Class A-2 Notes were issued under the related Series 2019-1 Supplement to the Base Indenture, dated June 5, 2019 (the "Series 2019-1 Supplement"), among the Co-Issuers and Citibank, N.A., as the trustee (in such capacity, the "Trustee") and securities intermediary and the Credit Facility was issued under the related Series 2022-1 Supplement to the Base Indenture, dated August 12, 2022 ("Series 2022-1 Supplement"), among the Co-Issuers and Citibank, N.A., as Trustee and securities intermediary. The Base Indenture, Series 2019-1 Supplement and Series 2022-1 Supplement (collectively, the "Indenture") will allow the Co-Issuers to issue additional series of notes in the future subject to certain conditions set forth therein.

2019 Class A-2 Notes

The legal final maturity of the 2019 Class A-2 Notes is in June 2049, but it is anticipated that, unless earlier prepaid to the extent permitted under the Indenture, the Class A-2-I Notes will be repaid in June 2024 (the "Class A-2-I Anticipated Repayment Date") and the Class A-2-II Notes will be repaid in June 2026 (the "Class A-2-II Anticipated Repayment Date"). If the Co-Issuers have not repaid or refinanced the Class A-2-I Notes by the Class A-2-I Anticipated Repayment Date or the Class A-2-II Notes by the Class A-2-II Anticipated Repayment Date, then additional interest will accrue on the Class A-2-I Notes and the Class A-2-II Notes, as applicable, at the greater of: (A) 5.0% and (B) the amount, if any, by which the sum of the following exceeds the applicable Class A-2 Note interest rate: (x) the yield to maturity (adjusted to a quarterly bond-equivalent basis) on the applicable anticipated repayment date of the United States Treasury Security having a term closest to 10 years plus (y) 5.0%, plus (z) 2.15% for the Class A-2-I Notes and 2.64% for the Class A-2-II Notes.

While the 2019 Class A-2 Notes are outstanding, payment of principal and interest is required to be made on the 2019 Class A-2 Notes on a quarterly basis. The payment of principal on the 2019 Class A-2 Notes may be suspended when the leverage ratio for the Company and its subsidiaries is less than or equal to 5.25x. Exceeding the leverage ratio of 5.25x does not violate any covenant related to the Notes. In general, the leverage ratio is the Company's indebtedness (as defined in the

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

8. Long-Term Debt (Continued)

Indenture) divided by adjusted EBITDA (as defined in the Indenture) for the four preceding quarterly periods. The complete definitions of all calculation elements of the leverage ratio are contained in the Indenture.

As of December 31, 2022 the Company's leverage ratio was 4.4x. As a result, quarterly principal payments on the 2019 Class A-2 Notes of \$3.25 million currently are not required. During fiscal 2021, the Company's leverage ratio exceeded 5.25x until the quarterly payment period ended September 30, 2021. Accordingly, the Company made three principal payments totaling \$9.75 million in fiscal 2021.

The Company may voluntarily repay the 2019 Class A-2 Notes at any time; however, if the 2019 Class A-2 Notes are repaid prior to certain dates, the Company would be required to pay make-whole premiums. As of December 31, 2022, the make-whole premium associated with voluntary prepayment of the Class A-2-I Notes was zero and will remain as such. As of December 31, 2022, the make-whole premium associated with voluntary prepayment of the Class A-2-II Notes was approximately \$0.5 million; this amount declines each quarter to zero in June 2024. The Company would also be subject to a make-whole premium in the event of a mandatory prepayment required following a Rapid Amortization Event (as defined in the Indenture) or certain asset dispositions. The mandatory make-whole premium requirements are considered derivatives embedded in the New Notes that must be bifurcated for separate valuation. The Company estimated the fair value of these derivatives to be immaterial as of December 31, 2022, based on the probability-weighted discounted cash flows associated with either event.

2019 Class A-1 Notes

The Previous Credit Facility allowed for drawings up to \$225 million of variable funding notes on a revolving basis and the issuance of letters of credit. In March 2020, the Company borrowed \$220.0 million against the Previous Credit Facility. The \$220.0 million was repaid on March 5, 2021, and as of December 31, 2021, there were no outstanding borrowings under the Previous Credit Facility.

The interest rate for borrowings under the Previous Credit Facility was the three-month LIBOR rate plus 2.15% for 60% of the advances and the commercial paper funding rate of our conduit investor plus 2.15% for 40% of the advances. The weighted average interest rate for the period outstanding during the year ended December 31, 2021 was 2.42%.

2022 Class A-1 Notes

In August 2022, the Co-Issuers entered into the Credit Facility that allows for drawings up to \$325 million of variable funding notes on a revolving basis and the issuance of letters of credit. The applicable interest rate under the Credit Facility depends on the type of borrowing by the Co-Issuers. The applicable interest rate for advances is generally calculated at a per annum rate equal to the commercial paper funding rate or one-, two-, three- or six-month Term SOFR Rate, in either case, plus 2.50%. The applicable interest rate for swingline advances and unreimbursed draws on outstanding letters of credit is a per annum base rate equal to the sum of (a) the greatest of (i) the Prime Rate in effect from time to time; (ii) the Federal Funds Rate in effect from time to time plus 0.50%; and (iii) Term SOFR for a one-month tenor in effect at such time plus 0.50% plus (b) 2.00%.

The legal final maturity of the Credit Facility is June 2052, but amortization will apply if there are outstanding amounts under the Credit Facility after June 2027 (the "Class A-1 Renewal Date"). The Class A-1 Renewal Date may be extended at the Co-Issuers' election for up to two successive one-year periods if certain conditions are met. If the Co-Issuers have not repaid or refinanced the Credit Facility by the Class A-1 Renewal Date (after giving effect to any extensions), then interest will accrue on the Credit Facility at a rate equal to 5.00% in addition to the regular interest rate applicable to the Credit Facility.

In August 2022, the Company borrowed \$100 million against the Credit Facility, all of which was outstanding at December 31, 2022. The amount of \$3.4 million was pledged against the Credit Facility for outstanding letters of credit, leaving \$21.6 million of the Credit Facility available for borrowing at December 31, 2022. It is anticipated that any principal and interest on the Credit Facility outstanding will be repaid in full on or prior to the quarterly payment date in June 2027, subject to two additional one-year extensions at the option of the Company upon the satisfaction of certain conditions. The letters of credit are used primarily to satisfy insurance-related collateral requirements. The weighted average interest rate for the period outstanding during the year ended December 31, 2022 was 3.64%.

Management Agreement

Under the terms of the Management Agreement, dated September 30, 2014, as amended and restated as of September 5, 2018, as further amended and restated as of June 5, 2019 and as amended by that certain Amendment No. 1 to Management Agreement dated November 21, 2019, among the Co-Issuers and the Guarantors (collectively, the "Securitization Entities"), the Company, Applebee's Services, Inc., International House of Pancakes, LLC and the Trustee, the Company will act as the

manager with respect to substantially all of the assets of the Securitization Entities (the “Securitized Assets”). The primary responsibilities of the manager will be to perform certain franchising, distribution, intellectual property and operational functions on behalf of the Securitization Entities with respect to the Securitized Assets pursuant to the Management Agreement. The manager will be entitled to the payment of the weekly management fee, as set forth in the Management Agreement and will be subject to the liabilities set forth in the Management Agreement. The Company, as Manager, voluntarily began waiving its receipt of the weekly management fee in April 2020 and resumed its receiving the weekly management fee in July 2020.

Covenants and Restrictions

The New Notes are subject to a series of covenants and restrictions customary for transactions of this type, including: (i) that the Co-Issuers maintain specified reserve accounts to be used to make required payments in respect of the New Notes, (ii) provisions relating to optional and mandatory prepayments, and the related payment of specified amounts, including specified call redemption premiums in the case of Class A-2 Notes under certain circumstances; (iii) certain indemnification payments in the event, among other things, the transfers of the assets pledged as collateral for the New Notes are in stated ways defective or ineffective and (iv) covenants relating to recordkeeping, access to information and similar matters. The New Notes are subject to customary rapid amortization events provided for in the Indenture, including events tied to failure of the Securitization Entities to maintain the stated debt service coverage ratio (“DSCR”), the sum of domestic retail sales for all restaurants being below certain levels on certain measurement dates, certain manager termination events, certain events of default and the failure to repay or refinance the Class A-2 Notes on the anticipated repayment dates. The New Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal or other amounts due on or with respect to the New Notes, failure of the Securitization Entities to maintain the stated DSCR, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties and certain judgments.

In general, the DSCR ratio is Net Cash Flow (as defined in the Indenture) for the four quarters preceding the calculation date divided by the total debt service payments (as defined in the Indenture) of the preceding four quarters. The complete definitions of the DSCR and all calculation elements are contained in the Indenture. Failure to maintain a prescribed DSCR can trigger a Cash Flow Sweeping Event, a Rapid Amortization Event, a Manager Termination Event or a Default Event as described below. In a Cash Flow Sweeping Event, the Trustee is required to retain 50% of excess Cash Flow (as defined in the Indenture) in a restricted account. In a Rapid Amortization Event, all excess Cash Flow is retained and used to retire principal amounts of debt. In a Manager Termination Event, the Company may be replaced as manager of the assets securitized under the Indenture. In a Default Event, the outstanding principal amount and any accrued but unpaid interest can be called to become immediately due and payable. Key DSCRs are as follows:

- DSCR less than 1.75x - Cash Flow Sweeping Event
- DSCR less than 1.20x - Rapid Amortization Event
- Interest-only DSCR less than 1.20x - Manager Termination Event
- Interest-only DSCR less than 1.10x - Default Event

The Company's DSCR for the reporting period ended December 31, 2022 was approximately 4.1x.

(Gain)/Loss on Extinguishment of Debt

In connection with the termination of the Previous Credit Facility during the year ended December 31, 2022, the Company recognized a loss on extinguishment of debt of \$1.2 million, representing the remaining unamortized debt issuance costs associated with the Previous Credit Facility. In addition, the Company purchased \$40.0 million of its 2019 Class A-2 Notes under par and recognized a \$1.4 million gain on extinguishment of debt during the three months ended December 31, 2022.

Debt Issuance Costs

2022 Class A-1 Notes

In August 2022, the Company incurred costs of approximately \$6.3 million in connection with the issuance of the Credit Facility. Amortization of \$0.4 million of these costs was included in interest expense for the year ended December 31, 2022. Unamortized debt issuance costs of \$5.9 million related to the Credit Facility are classified as other non-current assets in the Consolidated Balance Sheets.

8. Long-Term Debt (Continued)

2019 Class A-2 Notes

The Company incurred costs of approximately \$12.9 million in connection with the issuance of the 2019 Class A-2 Notes. These debt issuance costs are being amortized using the effective interest method over estimated life of each tranche of the 2019 Class A-2 Notes. Amortization costs of \$2.4 million, \$2.2 million, and \$2.1 million included in interest expense for the years ended December 31, 2022, 2021 and 2020, respectively. Unamortized debt issuance costs of \$5.1 million are reported as a direct reduction of the Class A-2 Notes in the Consolidated Balance Sheets.

Amortization costs incurred in connection with the Previous Credit Facility of \$0.4 million, \$0.6 million, and \$0.6 million were included in interest expense for the years ended December 31, 2022, 2021 and 2020, respectively.

Total unamortized debt issuance costs of \$1.5 million related to the Previous Credit Facility were classified as other long-term assets because there are no borrowings outstanding against the Credit Facility at December 31, 2021.

Maturities of Long-term Debt

- The legal final maturity of the Class A-2 Notes is in June 2049, but it is anticipated that, unless repaid earlier, the Class A-2-I Notes will be repaid in June 2024 and the Class A-2-II Notes will be repaid in June 2026.
- The renewal date of the Credit Facility is June 2027, subject to two additional one-year extensions at the option of the Company upon the satisfaction of certain conditions.
- Quarterly principal payments on the Class A-2-I and Class A-2-II Notes totaling \$3.25 million (\$13.0 million per annum) are required if the Company's leverage ratio is greater than 5.25x.

9. Financing Obligations

On May 19, 2008, the Company entered into a Purchase and Sale Agreement relating to the sale and leaseback of 181 parcels of real property (the "Sale-Leaseback Transaction"), each of which is improved with a restaurant operating as an Applebee's Neighborhood Grill and Bar (the "Properties"). On June 13, 2008, the closing date of the Sale-Leaseback Transaction, the Company entered into a Master Land and Building Lease ("Master Lease") for the Properties. The proceeds received from the transaction were \$337.2 million. The Master Lease calls for an initial term of twenty years and four, five-year options to extend the term.

The Sale-Leaseback Transaction does not qualify as a sale under current U.S. GAAP. Accordingly, the Sale-Leaseback Transaction continues to be recorded under the financing method. The value of the land and leasehold improvements will remain on the Company's books and the leasehold improvements will continue to be depreciated over their remaining useful lives. The net proceeds received were recorded as a financing obligation. A portion of the lease payments is recorded as a decrease to the financing obligation and a portion is recognized as interest expense. In the event the lease obligation of any individual property or group of properties is assumed by a qualified franchisee, the portion of the transaction related to that property or group of properties is recorded as a sale in accordance with U.S. GAAP and the net book value of those properties will be removed from the Company's books, along with a ratable portion of the remaining financing obligation.

As of December 31, 2022, the portion of the original Sale-Leaseback Transaction related to 160 of the 181 Properties has qualified as a sale by assignment of the lease obligation to a qualified franchisee or a release from the lessor. In accordance with the accounting described above, the property and equipment and financing obligations have each been cumulatively reduced by approximately \$286.9 million.

10. Leases

The Company engages in leasing activity as both a lessee and a lessor. The majority of the Company's lease portfolio originated when the Company was actively involved in the development and financing of IHOP restaurants prior to the franchising of the restaurant to the franchisee. This activity included the Company's purchase or leasing of the site on which the restaurant was located and subsequently leasing/subleasing the site to the franchisee. With a few exceptions, the Company ended this practice in 2003 and the Company's current lease activity is predominantly comprised of renewals of existing lease arrangements and exercises of options on existing lease arrangements.

The Company currently leases from third parties the real property on which approximately 530 IHOP franchisee-operated restaurants and one Applebee's franchisee-operated restaurant are located; the Company (as lessor) subleases the property to the franchisees that operate those restaurants. The Company also leases property it owns to the franchisees that operate 52 IHOP restaurants and one Applebee's restaurant. The Company leases from third parties the real property on which company-operated restaurants are located. The Company also leases office space for its principal corporate office in Glendale, California and will be moving to Pasadena, California. In addition, the Company leases office space for restaurant support centers in Leawood, Kansas and Irving, Texas. The Company does not have a significant amount of non-real estate leases.

The Company's existing leases/subleases related to IHOP restaurants generally provide for an initial term of 20 to 25 years, with most having one or more five-year renewal options. Leases related to Applebee's restaurants generally have an initial term of 10 to 20 years, with renewal terms of five to 20 years. Option periods were not included in determining liabilities and right-of-use assets related to operating leases. Restaurants associated with approximately 325 of the Company's leases met the sales levels that required variable rent payments to the Company (as lessor), based on a percentage of restaurant sales in 2022. Restaurants associated with approximately 65 of the Company's leases met the sales levels that required variable rent payments by the Company (as lessee), based on a percentage of restaurant sales in 2022.

The individual lease agreements do not provide information to determine the implicit interest rate in the agreements. The Company made significant judgments in determining the incremental borrowing rates that were used in calculating operating lease liabilities. Due to the large number of leases, the Company applied a portfolio approach by grouping the leases based on the original lease term. The Company estimated the interest rate for each grouping primarily by reference to (i) yield rates on debt issuances by companies of a similar credit rating as the Company; (ii) U.S. Treasury rates as of the adoption date; and (iii) adjustments for differences in years to maturity.

11. Commitments and Contingencies

Purchase Commitments

In some instances, the Company enters into commitments to purchase advertising and other items. Most of these agreements are fixed price purchase commitments. At December 31, 2022, the outstanding purchase commitments were \$95.6 million, of which \$86.3 million related to advertising commitments over the next twelve months.

Lease Guarantees

In connection with the sale of Applebee's restaurants to franchisees and other parties, the Company has, in certain cases, guaranteed or had potential continuing liability for lease payments. The Company had outstanding lease guarantees or was contingently liable for approximately \$445.1 million and \$223.1 million as of December 31, 2022 and 2021, respectively. These amounts represent the maximum potential liability of future payments under these leases. These leases have been assigned to the buyers and expire at the end of the respective lease terms, which range from 2023 through 2058. Excluding unexercised option periods, the Company's potential liability for future payments under these leases as of December 31, 2022 was \$102.9 million. In the event of default, the indemnity and default clauses in our sale or assignment agreements govern our ability to pursue and recover damages incurred. No material liabilities for these guarantees have been recorded as of December 31, 2022.

Litigation, Claims and Disputes

The Company is subject to various lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Legal fees and expenses associated with the defense of the Company's litigation are expensed as such fees and expenses are incurred. In the opinion of management, these matters are adequately covered by insurance or, if not so covered, are without merit or are of such a nature or involve amounts that would not have a material adverse impact on the Company's business or consolidated financial statements. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience in connection with pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

Letters of Credit

The Company provides letters of credit, primarily to various insurance carriers to collateralize obligations for outstanding claims. As of December 31, 2022, the Company had approximately \$3.4 million of unused letters of credit outstanding that reduce the Company's available borrowing under its 2022 Class A-1 Notes. These letters of credit expire on various dates in 2023 and are automatically renewed for an additional year if no cancellation notice is submitted.

12. Stockholders' Deficit

Stock Repurchase Programs

In February 2019, the Company's Board of Directors approved a stock repurchase program authorizing the Company to repurchase up to \$200 million of the Company's common stock (the "2019 Repurchase Program") on an opportunistic basis from time to time in the open market or in privately negotiated transactions based on business, market, applicable legal requirements and other considerations. The 2019 Repurchase Program, as approved by the Board of Directors, does not require the repurchase of a specific number of shares and can be terminated at any time.

On February 17, 2022, the Company's Board of Directors authorized a new share repurchase program, effective April 1, 2022, of up to \$250 million (the "2022 Repurchase Program"). In connection with the approval of the 2022 Repurchase Program, the 2019 Repurchase Program terminated effective April 1, 2022. In 2022, the Company repurchased 588,108 shares of common stock at a cost of \$41.4 million under the 2019 Repurchase Program through April 1, 2022.

Treasury Stock

Repurchases of the Company's common stock are included in treasury stock at the cost of shares repurchased plus any transaction costs. Treasury stock may be re-issued when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. The cost of treasury stock re-issued is determined on the first-in, first-out ("FIFO") method. The Company re-issued 205,293 shares, 660,718 shares and 433,477 shares, respectively, during the years ended December 31, 2022, 2021 and 2020 at a total FIFO cost of \$9.6 million, \$26.8 million and \$19.4 million, respectively.

13. Closure and Long-lived Tangible Asset Impairment Charges

Closure and long-lived tangible asset impairment charges for the years ended December 31, 2022, 2021 and 2020 were as follows:

Long-lived tangible asset impairment	1.4	1.7	22.3
Total closure and long-lived tangible asset impairment charges	\$ 3.1	\$ 5.4	\$ 25.3

Closure Charges

The closure charges of \$1.7 million for the year ended December 31, 2022 comprised \$0.4 million related to three IHOP restaurants closed in fiscal 2022 and \$1.3 million for revisions to existing closure reserves, including accretion, primarily for approximately 40 IHOP restaurants closed prior to December 31, 2021.

The closure charges of \$3.7 million for the year ended December 31, 2021 comprised \$2.1 million related to 20 IHOP restaurants closed in 2021 and \$1.6 million for revisions to existing closure reserves, including accretion, primarily for 28 IHOP restaurants closed prior to December 31, 2020. Approximately \$1.6 million of closure charges for the year ended December 31, 2020 related to seven IHOP restaurants closed during 2020, with the remainder primarily related to adjustments to the reserve for IHOP and Applebee's restaurants closed prior to 2020.

Long-lived Tangible Asset Impairment

The long-lived asset impairment of \$1.4 million for the year ended December 31, 2022 related to five IHOP franchisee-operated restaurants for which the carrying amount exceeded the future projected cash flows. The primary method of estimating fair value is based on a discounted cash flow analysis. The Company also considers factors such as the number of years the restaurant has been in operation, sales trends, cash flow trends, remaining lease life and other factors which apply on a case-by-case basis. For locations owned by the Company, current purchase offers, if any, or valuations from independent third party sources are utilized, if available. The analysis is performed at the restaurant level for indicators of permanent impairment. The impairment recorded represented the difference between the carrying value and the estimated fair value. The impairments primarily related to operating lease right-of-use assets.

The long-lived asset impairment of \$1.7 million for the year ended December 31, 2021 related to five IHOP franchisee-operated restaurants for which the carrying amount exceeded the future projected cash flows. The long-lived asset impairment of \$22.3 million for the year ended December 31, 2020 related to 29 Applebee's company-operated restaurants and 29 IHOP franchisee-operated restaurants for which the carrying amount exceeded the undiscounted cash flows. Approximately \$15.1 million of the total impairment related to operating lease right-of-use assets, while \$7.2 million related to impairments of land, building, leasehold improvements and finance leases. The impairments by individual property varied in amount, ranging from the largest single-property impairment of \$1.3 million to less than \$5,000.

14. Stock-Based Incentive Plans

General Description

Currently, the Company is authorized to grant stock options, stock appreciation rights, restricted stock, cash-settled and stock-settled restricted stock units and performance units to officers, other employees and non-employee directors under the Dine Brands Global, Inc. 2019 Stock Incentive Plan (the “2019 Plan”). The 2019 Plan was approved by stockholders on May 14, 2019 to permit the issuance of up to 2,050,000 shares (subject to adjustment as defined in the 2019 Plan for shares that may become available from prior plans) of the Company’s common stock for incentive stock awards. The 2019 Plan will expire in May 2029.

The Dine Brands Global, Inc. 2016 Stock Incentive Plan (the “2016 Plan”) was adopted in 2016 to permit the issuance of up to 3,750,000 shares of the Company’s common stock for incentive stock awards. The 2016 Plan was terminated upon adoption of the 2019 Plan, but there are stock options (vested and unvested) and unvested restricted stock and restricted stock units issued under the 2016 Plan that are outstanding as of December 31, 2022.

The DineEquity, Inc. 2011 Stock Incentive Plan (the “2011 Plan”) was adopted in 2011 to permit the issuance of up to 1,500,000 shares of the Company’s common stock for incentive stock awards. The 2011 Plan was terminated upon adoption of the 2016 Plan, but there are vested stock options issued under the 2011 Plan that are outstanding as of December 31, 2022.

The 2019 Plan, 2016 Plan and the 2011 Plan are collectively referred to as the “Plans.”

Stock-Based Compensation Expense

From time to time, the Company has granted non-qualified stock options, restricted stock, cash-settled and stock-settled restricted stock units and performance units to officers, other employees and non-employee directors of the Company under the Plans. The non-qualified stock options generally vest ratably over a three-year period in one-third increments and have a maturity of ten years from the grant date. Options vest immediately upon a change in control of the Company, as defined in the Plans. Option exercise prices equal the closing price of the Company's common stock on the New York Stock Exchange on the date of grant. Restricted stock and restricted stock units are issued at no cost to the holder and vest over terms determined by the Compensation Committee of the Company's Board of Directors, generally either three years from the date of grant or in one-third increments over three years, as well as immediately upon a change in control of the Company, as defined in the Plans. The Company either utilizes treasury stock or issues new shares from its authorized but unissued share pool when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. See *Note 12, Stockholders' Deficit*, of Notes to the Consolidated Financial Statements, for treasury shares utilized related to equity grants during the years ended December 31, 2022, 2021 and 2020.

The following table summarizes the Company's stock-based compensation expense included as a component of general and administrative expenses in the consolidated financial statements:

Equity Classified Awards - Stock Options

The per share fair values of the stock options granted have been estimated as of the date of grant using the Black-Scholes option pricing model. The Black-Scholes model considers, among other factors, the expected life of the option and the historical volatility of the Company's stock price. The Black-Scholes model meets the requirements of U.S. GAAP, but the fair values generated by the model may not be indicative of the actual fair values of the Company's stock-based awards.

The following table summarizes the assumptions used in the Black-Scholes model for stock options granted in the years ended December 31, 2022, 2021 and 2020:

14. Stock-Based Incentive Plans (Continued)

Liability Classified Awards - Long-Term Incentive Awards

The Company has granted cash long-term incentive awards to certain employees (“LTIP awards”). Annual LTIP awards vest over a three-year period and are determined using a multiplier from 0% to 200% of the target award based on the total stockholder return of the Company's common stock compared to the total stockholder returns of a peer group of companies. Though LTIP awards are only paid in cash, since the multiplier is primarily based on the price of the Company's common stock, the awards are considered stock-based compensation in accordance with U.S. GAAP and are classified as liabilities. For the years ended December 31, 2022, 2021 and 2020, expense of \$1.2 million, \$0.8 million and \$0.7 million, respectively, was included in stock-based compensation expense related to the LTIP awards. At December 31, 2022 and 2021, liabilities of \$2.1 million and \$1.5 million, respectively, were included as accrued employee compensation and benefits in the Consolidated Balance Sheets.

15. Employee Benefit Plans

401(k) Savings and Investment Plan

Effective January 1, 2013, the Company amended the Dine Brands Global, Inc. 401(k) Plan to (i) modify the Company matching formula and (ii) eliminate the one-year completed service requirement that previously had to be met to become eligible for Company matching contributions. As amended, the Company matches 100% of the first four percent of the employee's eligible compensation deferral and 50% of the next two percent of the employee's eligible compensation deferral. All contributions under this plan vest immediately. Company common stock is not an investment option for employees in the 401(k) Plan, other than shares transferred from a prior employee stock ownership plan. Substantially all of the administrative cost of the 401(k) plan is borne by the Company. The Company's matching contribution expense was \$3.3 million, \$2.9 million and \$2.8 million for the years ended December 31, 2022, 2021 and 2020, respectively.

16. Income Taxes

The provision (benefit) for income taxes for the years ended December 31, 2022, 2021 and 2020 was as follows:

Note 16. Income Taxes (Continued)

The provision (benefit) for income taxes differs from the expected federal income tax rates as follows:

	Year Ended December 31,		
	2022	2021	2020
Statutory federal income tax rate	21.0 %	21.0 %	21.0 %
Non-deductibility of goodwill	0.8	—	(17.9)
Non-deductibility of officer's compensation	2.9	2.2	(0.9)

Changes in tax rates and state tax laws	3.4	0.2	(0.4)

Other	0.3	0.8	(0.2)
Effective tax rate	<u>29.3 %</u>	<u>19.7 %</u>	<u>4.2 %</u>

The fiscal year 2022 effective tax rate of 29.3% applied to pretax book income was different than the statutory Federal income tax rate of 21% due to the state and local income taxes and the non-deductibility of executive compensation. The effective tax rate further increased due to the increase in the effective state tax rate applied to revaluing deferred tax balances. The increase in the effective state tax rate was due to the non-recurring refranchising of 69 Applebee's company-operated restaurants in the fourth quarter of 2022 and various state legislative changes.

The fiscal year 2021 effective tax rate of 19.7% applied to pretax book income was different than the statutory Federal income tax rate of 21% primarily due to the one-time recognition of excess tax benefits on stock-based compensation, offset by non-deductibility of executive compensation and state and local income taxes.

The fiscal year 2020 effective tax rate of 4.2% applied to pretax book loss was significantly different than the statutory Federal income tax rate of 21% primarily because of the \$92.2 million impairment of goodwill incurred, which was not deductible for income tax purposes and therefore had no associated tax benefit.

The Company files federal income tax returns and the Company or one of its subsidiaries file income tax returns in various state and international jurisdictions. With few exceptions, the Company is no longer subject to federal tax examinations by tax authorities for years before 2018 and state or non-United States tax examinations by tax authorities for years before 2011. The Company believes that adequate reserves have been recorded relating to all matters contained in the tax periods open to examination.

Net deferred tax assets (liabilities) at December 31, 2022 and 2021 consisted of the following components:

	2022	2021

As of each reporting date, the Company considers new evidence, both positive and negative, that could impact management's view with regards to future realization of deferred tax assets. During fiscal 2022, we released a valuation

Dine Brands Global, Inc. and Subsidiaries

Note 16. Income Taxes (Continued)

allowance of \$1.1 million related to state deferred tax assets based on positive evidence which suggests that deferred tax assets will be more likely than not to be realizable in the future. We also believe that the future realizability of benefits arising from foreign tax credit carryforwards and certain state net operating loss carryforwards does not meet the more-likely-than-not threshold. In recognition of this risk, there is a valuation allowance of \$3.5 million as of December 31, 2022.

The Company had gross operating loss carryforwards for state tax purposes of \$37.9 million and \$23.6 million as of December 31, 2022 and 2021, respectively. Certain net operating loss carryforwards will expire in 2029 if not utilized.

The total gross unrecognized tax benefit as of December 31, 2022 and 2021 was \$2.1 million and \$1.9 million, respectively, excluding interest, penalties and related income tax benefits. If recognized, these amounts would affect the Company's effective income tax rates.

The Company estimates the unrecognized tax benefits may decrease over the upcoming 12 months by an amount up to less than \$0.5 million related to settlements with taxing authorities and statute of limitations expirations. For the remaining liability, due to the uncertainties related to these tax matters, the Company is unable to make a reasonable estimate as to when cash settlement with a taxing authority will occur. A reconciliation of the beginning and ending amount of unrecognized tax benefits is as follows:

	Year Ended December 31,		
	2022	2021	2020
	(In millions)		
Unrecognized tax benefit as of January 1	\$ 1.9	\$ 2.2	\$ 7.6

Increases for tax positions related to the current year	0.4	0.3	0.2
Decreases relating to settlements and lapsing of statutes of limitations	(0.3)	(1.1)	(5.6)
Unrecognized tax benefit as of December 31	<u>\$ 2.1</u>	<u>\$ 1.9</u>	<u>\$ 2.2</u>

As of December 31, 2022, the accrued interest was \$0.7 million and accrued penalties were less than \$0.1 million, excluding any related income tax benefits. As of December 31, 2021, the accrued interest and penalties were \$0.6 million and less than \$0.1 million, respectively, excluding any related income tax benefits. The Company recognizes interest accrued related to unrecognized tax benefits and penalties as a component of the income tax provision recognized in the Consolidated Statements of Comprehensive Income (Loss).

17. Net Income (Loss) Per Share

The computation of the Company's basic and diluted net income (loss) per share is as follows:

Diluted	<u>\$ 4.96</u>	<u>\$ 5.66</u>	<u>\$ (6.43)</u>

For the year ended December 31, 2020, diluted loss per common share was computed using the basic weighted average number of shares outstanding during the period as the 100,056 shares from common stock equivalents would have been antidilutive.

19. Business Acquisition

On December 13, 2022, the Company purchased all of the issued and outstanding membership interests of Fuzzy's for approximately \$80 million in cash, pursuant to the Membership Interest Purchase Agreement, dated as of December 2, 2022, with Fuzzy's becoming a wholly-owned subsidiary of the Company. Fuzzy's is a dining company that develops, franchises and operates casual dining restaurants that offer a specialized menu of Baja-style Mexican food under the Fuzzy's Taco Shop brand. The Company acquired Fuzzy's as part of the Company's goal to investing in a high growth concept to accelerate growth.

The Company reviewed the SEC guidance in Regulation S-X on the significance of an acquired business that determines if an acquired business is required to provide financial statements and pro forma statements if the business exceeds 20% significance to the Company. Based on the three required tests (asset, investment and income) that were performed by the Company, the acquisition was not deemed to be a significant acquisition, and therefore the required disclosures are limited in these Consolidated Financial Statements. The results of operations related to Fuzzy's have been included in the consolidated results of the Company subsequent to the acquisition date.

The acquisition of Fuzzy's has been accounted for using the acquisition method of accounting in accordance with ASC 805, *Business Combinations*, with the Company treated as the accounting acquirer, which requires that the assets acquired, and liabilities assumed be recognized at their acquisition date fair value. The Company received a third-party actuarial valuation report to determine the fair value assigned to the assets acquired and liabilities assumed.

The intangible assets acquired include franchising rights with an estimated useful life of 20 years and a tradename with an indefinite useful life (see Note 7). The fair value of franchising rights was estimated based on the estimated future cash flows to be generated from these franchise agreements. The earnings expected to be generated by the franchising rights were forecasted over the estimated duration of the intangible asset. The earnings were then discounted to present value at a rate commensurate with the risk of the asset. The fair value of the tradename was estimated based on the multi-period excess earnings method, a variation of the income approach, using cash flows ("excess earnings") attributable only to the tradename intangible asset. These excess earnings were discounted to present value at a rate commensurate with the risk of the asset.

The fair value of the tangible personal property and other working capital assets and liabilities was assumed to approximate book value.

Operating lease liabilities were calculated using the present value of lease payments not yet paid and operating lease assets were calculated based upon the operating lease liabilities adjusted for prepayments or accrued lease payments. The contractual rent payments were determined to approximate market rates.

The following table summarizes the estimated fair value of net assets acquired at December 13, 2022:

	(In millions)
Receivables and other current assets	\$ 1.1
Property and equipment and other non-current assets	2.1
Tradename	57.2
Franchise agreements	14.8
Other intangible assets	0.5
Goodwill	7.0
Accounts payable and other liabilities	(4.4)
Net cash paid for acquisition	<u>\$ 78.3</u>

The excess of the purchase price over the fair value of identifiable net assets acquired amounted to approximately \$7.0 million. The acquisition goodwill arises from the expected synergies from combining the operations of the Company and Fuzzy's. The allocation of the purchase price is subject to potential changes due to working capital adjustments expected to be completed within approximately 90 days of the acquisition date. The Company's goodwill balance also may change during the allowable allocation period, which is up to one year from the acquisition date if additional information becomes available.

20. Subsequent Events

On February 16, 2023, the Company's Board of Directors authorized a debt repurchase program of up to \$100 million.

DEVELOPMENT AGREEMENT**

This Agreement is made this _____ day of _____, 20__, by and [between] [among] Applebee’s Franchisor LLC, a Delaware limited liability company (“**Franchisor**”), _____, a _____ corporation, sole proprietorship, _____ partnership, _____ limited partnership [strike *inappropriate language*] (“**Developer**”) and _____ (collectively, the “**Principal Shareholders**” and, individually, a “**Principal Shareholder**” of Developer if a corporation or general partner of Developer is a limited partnership having as its general partner a corporation) and _____ (“**General Partner**”) of Developer if Developer is a limited partnership).*

* (If Developer is not a corporation or a sole proprietorship, or if Developer is a limited liability company, the parties hereto hereby agree that an Addendum shall be attached to this Agreement so as properly to reflect the responsibilities of the partners of any general partnership, the general partner of any limited partnership and the shareholders of any corporate general partner of any partnership, or the members of any limited liability company.)

RECITALS

A. Franchisor owns the rights to develop and operate a unique system of restaurants which specialize in the sale of high quality, moderately priced food and alcoholic beverages in an attractive, casual setting. Franchisor owns the service mark Applebee’s Neighborhood Grill & Bar and variations of such mark, and other service marks and trademarks which may be adopted for use in the future (the “**Marks**”), designs, decor and color schemes for restaurant premises, signs, equipment, procedures and formulae for preparing food and beverage products, specifications for certain food and beverage products, inventory methods, operating methods, financial control concepts, training facilities and teaching techniques (“the **System**”). Franchisor has the right to use the Marks and the System, with the further right to offer franchises for the use of the Marks and the System.

B. Franchisor established, through its own development and operation, and through the granting of franchises to develop and operate, a chain of Applebee’s Neighborhood Grill & Bar restaurants which are distinctive; which are similar in appearance, design and decor; and which are uniform in operation and product consistency.

C. The value of the Marks used in the System is based upon: (1) the maintenance of uniform high quality standards in connection with the preparation and sale of Franchisor-approved food and beverage products; (2) the uniform high standards of appearance of the individual restaurant units in the System; (3) the use of distinctive trademarks, service marks, building designs and advertising signs representing a uniformly high quality of product and services; and (4) the assumption by Franchisor and its franchisees of the obligation to maintain and enhance the goodwill and public acceptance of the System (and of the Marks) by strict adherence to the high standards required by Franchisor.

D. Developer desires to obtain the right to develop restaurant units franchised by Franchisor within the geographic area specified in Appendix A hereto (“**Territory**”), for the period specified in Subsection 1.1, pursuant to the terms, conditions and provisions which are set forth in this Agreement.

NOW, THEREFORE, in consideration of Franchisor granting to Developer the right to develop restaurant units franchised by Franchisor which employ the System (“**Restaurants**”) in the Territory for such

period, and in consideration of the mutual obligations which are provided for herein, it is hereby agreed as follows:

1. GRANT OF DEVELOPMENT RIGHTS

1.1 Franchisor grants Developer the right to develop Restaurants only in the Territory for a period commencing on the date hereof and expiring on _____, 20____, unless sooner terminated as hereinafter provided. Developer has no rights under this Agreement to develop Restaurants outside of the Territory or to develop restaurants which do not employ the System, including the Applebee's Neighborhood Grill & Bar service mark.

1.2 During the term of this Agreement, Franchisor shall not operate a restaurant utilizing the System or license any other person to operate a restaurant utilizing the System in the Territory. However, nothing in this Agreement shall prohibit or infringe upon Franchisor's right to operate a restaurant or license any other person to operate a restaurant in the Territory which does not utilize the System or use the Applebee's Neighborhood Grill & Bar service mark. In addition, Franchisor specifically reserves the right to operate or license any other person to operate restaurants in any location within an airport (serviced by one or more public or charter carrier), train station, bus terminal, port authority, campus at any college, university or other post-secondary education institution, hospitals and other health care facilities, arena, stadium, state or national park, or military fort, post or base, travel plaza or casino which may be within the boundaries of the Territory otherwise granted to Developer. Further, Developer acknowledges and agrees that Franchisor or any one or more of its subsidiary or affiliated companies or divisions shall have the right to operate or license any other person to operate such other restaurants which may or will compete with the Restaurants, under a system and service mark other than Applebee's Neighborhood Grill & Bar. In addition, Developer acknowledges and agrees that Franchisor may establish a restaurant unit or may license a restaurant unit to a third-party within the Territory, provided that: (a) such restaurant is an Other Applebee's Concept (as defined below), (b) such restaurant is in the form of a ghost kitchen, or (c) such restaurant utilizes some aspect of the System (including menu items and Applebee's kitchens and/or facilities) but does not utilize the Applebee's Neighborhood Grill & Bar service mark.

As used herein, "**Other Applebee's Concepts**" means restaurants which: (a) feature self-serve or counter service and not full table service, (b) have a different or more limited menu than that offered at an Applebee's Restaurant, even though that menu may include certain authorized menu items authorized at Applebee's Restaurants, and (c) operate under a principal name and mark different from "Applebee's Neighborhood Grill & Bar" or "Applebee's" but which may include "Applebee's" together with an additional prefix or suffix.

1.3 After this Agreement expires or is terminated, Franchisor shall have the complete and unrestricted right to operate or license other persons to operate a restaurant utilizing the System in the Territory.

2. INITIAL DEVELOPMENT SCHEDULE

2.1 Developer shall develop a total of _____ Restaurants franchised by Franchisor in the Territory during the period commencing on the date hereof and expiring on _____, 20____, in accordance with the following development schedule:

(a)¹ During the first Initial Development Period under this Agreement, Developer shall develop at least _____ Restaurants within the Territory, each of which shall be open for operation and doing business on _____, _____ (the end of the first Initial Development Period under this Agreement).

¹ The periods specified in Subsection 2.1(a)-(c) may be revised, deleted or added to in order to reflect the number of Restaurants Developer is obligated to develop and the time in which the Developer is obligated to open such Restaurants.

(b) During the second Initial Development Period under this Agreement, Developer shall develop the number of Restaurants within the Territory necessary to result in the existence of _____ such Restaurants developed by Developer which are open for operation and doing business on _____, _____ (the end of the second Initial Development Period under this Agreement).

(c) During the third Initial Development Period under this Agreement, Developer shall develop the number of Restaurants within the Territory necessary to result in the existence of _____ such Restaurants developed by Developer which are open for operation and doing business on _____, _____ (the end of the third Initial Development Period under this Agreement).

Each of the periods specified in Subparagraphs (a) through (___) hereof is sometimes referred to hereinafter as an “**Initial Development Period.**”

2.2 During any Initial Development Period, subject to the provisions of this Agreement, Developer is free to develop more than the total minimum number of Restaurants which Developer is required to develop during that Initial Development Period. Any such Restaurants developed, open for operation and doing business during an Initial Development Period in excess of the minimum number required to be developed during that Initial Development Period shall be applied to satisfy Developer’s development obligation during the next succeeding Initial Development Period or next succeeding Subsequent Development Period (as defined in Section 3 hereof), if any, as the case may be. Notwithstanding the above, Developer shall not develop more than the total number Restaurants approved by Franchisor for development under this Agreement.

2.3 Strict compliance with the development schedule specified in Subsection 2.1 hereof is of the essence of this Agreement. If Developer fails to fulfill its specified development obligation with respect to any of the Initial Development Periods specified in Subsection 2.1 hereof, this Agreement shall terminate 60 days after the end of the Initial Development Period in question, unless by the end of such 60 day period Developer has fulfilled the development obligation relating to such Initial Development Period.

3. **SUBSEQUENT DEVELOPMENT SCHEDULE; DEVELOPMENT OBLIGATIONS GENERALLY**

3.1 During the period commencing on _____, 20____, and expiring on _____, 20____, Developer shall develop and open for business in the Territory, in accordance with the parameters established under Subsection 3.2, that number of additional Restaurants as is required to achieve at the end of such period, a total number of Restaurants open for business within the Territory which, after including the Restaurants developed during the Initial Development Periods, will equal the Minimum Development Potential of the Territory (as defined herein below).

3.2 (a) Each consecutive period of two or more years, commencing with the period beginning on _____, 20____, is hereafter referred to as a “**Subsequent Development Period.**”

(b) On or before the commencement of each Subsequent Development Period, Franchisor shall provide to Developer in writing the number of Restaurants to be developed by Developer during such Subsequent Development Period (“**Subsequent Development Schedule**”), together with a detailed summary of the Minimum Development Potential calculations used to determine the Subsequent Development Schedule. The minimum development potential (“**Minimum Development Potential**”) shall be determined as follows:

(i) Each Area of Dominant Influence (“**A.D.I.**”), as determined by the 1988 Arbitron Ratings, comprising all or a portion of the Territory shall be placed into one of four market categories (“**Market Categories**”), identified as either a “**Small Market,**” defined as those A.D.I.’s containing less than

135,000 households in metropolitan counties within the Territory with incomes greater than \$25,000 (“**Income Qualified Metro Household**”); a “**Medium Market**,” defined as those A.D.I.’s containing 135,000 to 399,999 Income Qualified Metro Households; a “**Large Market**,” defined as those A.D.I.’s containing 400,000 to 1,399,999 Income Qualified Metro Households; or a “**Mega Market**,” defined as those A.D.I.’s containing 1,400,000 or more Income Qualified Metro Households (Small Market, Medium Market, Large Market or Mega Market may also be referred to herein individually as an “**A.D.I. Market**” or collectively as “**A.D.I. Markets**.” The income level set forth above may, but need not, be adjusted upward or downward by Franchisor once every five years in order to reflect changes in household income, such adjustments to be determined by reference to the United States Census Bureau’s Median Household Income Index or if such index no longer exists at the time it is to be used, then the index employed shall be such other generally known index used by NPD Crest or other such similar company then used by Franchisor.

(ii) Each county within an A.D.I. Market shall be classified as a “**Metropolitan County**,” those counties with a total population greater than 50,000; a “**Small Town County**,” those counties with a total population of 20,000 to 50,000; or an “**Other County**,” those counties with a total population less than 20,000 (Metropolitan County, Small Town County and Other County may be for description purposes also referred to herein as a “**County Type**”).

(iii) Each A.D.I. Market shall at that time be assigned to one of four development groups according to the level of development penetration which Developer has achieved in the A.D.I. Market as compared to the level of development penetration achieved by all domestic development in the System. The four development groups will be determined by ranking each A.D.I. in the System within each of the Market Categories from most developed to least developed. The A.D.I.’s in ranking order from most developed to least developed shall then be divided into four substantially equal development groups: “**Opportunistic Group**,” “**Second Group**,” “**Third Group**” and “**Lower Limit Group**.” The average number of Restaurants per Income Qualified Metro Household developed by the top three territories in the System of the Second Group in each A.D.I. Market category shall be the development target for each such A.D.I. Market category (“**Penetration Target**”).

(iv) The total number of Restaurants to be developed by Developer in each Metropolitan County of an A.D.I. Market shall be equal to the number of Income Qualified Metro Households in such A.D.I. Market divided by the Penetration Target (“**Metropolitan Development Potential**”). The Metropolitan Development Potential minus the number of Restaurants in each Metropolitan County then open and operating in said A.D.I. Market shall be the number of Restaurants in each Metropolitan County then available for development in the A.D.I. Market (“**Metropolitan Development Balance**”).

(v) The Minimum Development Potential shall be the maximum number of Restaurants Franchisor may include on the Subsequent Development Schedule and thus require Developer to develop in the A.D.I. Market during the next Subsequent Development Period; subject, however, to the minimum and maximum development criteria outlined in paragraph (c) and (d) of this Subsection 3.2. In the event, however, a particular A.D.I. Market is in the Opportunistic Group, Developer and Franchisor shall negotiate in good faith a mutually agreeable Subsequent Development Schedule; provided, however, said Subsequent Development Schedule shall not reflect a number of Restaurants less than the remaining undeveloped portion of the Metropolitan Development Potential, nor shall the Developer be required (without its consent) to develop more than the remaining undeveloped portion of the Metropolitan Development Potential.

(c) During each Subsequent Development Period that Developer has less than ten Restaurants open and operating in the Territory, Developer shall be required to develop no more than one Restaurant each calendar year that the number of Restaurants in Developer’s Territory does not meet or exceed the Minimum Development Potential of the Territory. During each Subsequent Development Period that Developer has ten or more Restaurants in the Territory, Developer shall be required to develop no more than

two Restaurants each calendar year that the number of Restaurants in the Territory does not meet or exceed the Minimum Development Potential for the Territory.

(d) Notwithstanding the Minimum Development Potential for which Developer might otherwise be obligated in order to satisfy the Penetration Target for the Territory, Developer shall not be required to develop more than 10 Restaurants in any one calendar year in the Territory. In the event Developer holds other development agreements with the System or the Principal Shareholders of Developer are the identical Principal Shareholders of other entities who hold other development agreement(s) within the System (such other entities being defined hereunder as “**Affiliates**”), Developer, together with such Affiliates, may limit its combined development under all such development agreements to no more than 10 Restaurants in the aggregate in any calendar year. Provided, however, Developer and Principal Shareholder(s) hereby acknowledge that if Developer exercises its option under this provision to limit its combined development with its Affiliates and after so limited its development, Developer (together with its Affiliate) does not achieve such aggregate development, Developer shall be in default under that development agreement (or all such development agreements as the case may be) but only such development agreement(s) which did not meet the individual Subsequent Development Schedule calculated and agreed to for that individual development agreement.

(e) If the Developer has timely developed and opened for operation the Restaurant called for by the Initial Development Schedule and thereafter during a Subsequent Development Period objects to the development of the last Restaurant required during that Subsequent Development Period under Article 3 hereof, then Franchisor hereby grants Developer the right to make a written demand for a study as to whether said last Restaurant may be located in the Territory or whether said Restaurant will at that time cannibalize the sales and traffic with respect to its other existing Restaurants in the Territory. In the event a written request for such a study is received by Franchisor prior to the end of the Subsequent Development Period in question and prior to any default under the Development Agreement, then in such an event, Franchisor and Developer shall in good faith attempt to resolve the issue regarding whether the last Restaurant should or should not be developed and opened. If an agreement cannot be reached (which process may include the Franchisor and Developer ordering a PIN study at Developer’s cost), Franchisor and Developer shall submit the disagreement to the National Franchise Mediation Board (“**NFMB**”), as herein defined below, for handling and disposition. The submission of said disagreement will be in accordance with subsection 3.2 (f)(i) hereof.

(f) The following shall apply to the submission to the NFMB pursuant to the preceding paragraph:

(i) The disagreement shall be submitted by the Developer by way of a written demand for mediation tendered to Franchisor within 30 days after Franchisor has indicated to Developer that an agreement cannot be reached. Developer will deposit \$35,000 with Franchisor at the time of the filing of its written demand for mediation. If the demand or the deposit or either or both of them are not so timely made, then in such an event, the Developer shall be deemed to have waived its right to request mediation and further, shall be deemed to have elected to accept the full number of Restaurants Franchisor had determined for the Subsequent Development Period then in question. The NFMB will determine in its sole discretion the procedure, time limits and additional filing and responses required with respect to the mediation. However, it is understood and agreed by all parties that the mediation is intended to provide a more expeditious resolution of the matter submitted to the NFMB. The mediation decision to be rendered by the NFMB will be binding upon all parties to the mediation. The party for whom a favorable decision is rendered shall receive from the other party reimbursement for all out-of-pocket costs and expenses, including attorneys’ fees incurred and any PIN study conducted with respect to the mediation, which are determined to be reasonable by the NFMB.

(ii) At the conclusion of the mediation, the NFMB shall issue its decision either supporting Developer and indicating that the last Restaurant need not be developed as a part of the Subsequent Development Period in question, or conversely, supporting Franchisor and indicating that the last Restaurant

should be a part of the development for that Subsequent Development Period. If the decision of the NFMB supports the Developer, then in such an event, the Developer shall maintain its rights to the Territory, and shall continue to maintain its right to develop therein in the future. Provided, however, Franchisor may request further development during future Subsequent Development Periods. In addition, Franchisor shall reimburse Developer the \$35,000 previously deposited at the commencement of the mediation process.

(iii) If the decision of the NFMB supports the Franchisor, then in such an event, the Developer shall be required to construct and open the last Restaurant, pursuant to the development schedule originally listed as a part of the Subsequent Development Period so in question. In addition, the funds previously deposited by Developer with Franchisor shall be applied to the Franchise Fee due for such Restaurant. However, in the event Developer fails to develop the Restaurant, the \$35,000 shall be forfeited and shall become the exclusive property of Franchisor and further, the development rights granted by the Development Agreement shall terminate and be of no further force and effect.

(iv) If, after a new developer has been appointed to open the last Restaurant, and said Restaurant has opened for operation, and within the first 12 months of operation of said Restaurant, Developer believes that said new developer's Restaurant has had a significant cannibalization effect upon one or more of Developer's Restaurants, then in such an event, the Developer may avail itself of the following post impact process ("**Post Impact Process**"). The Post Impact Process will consist of the submission of the positions of the Developer, new developer and Franchisor to the NFMB for study and mediation. The Post Impact Process is and shall be from time to time more fully outlined in the Manuals. The NFMB shall have the right to issue a non-binding determination as to whether or not the Developer's Restaurant or Restaurants (as the case may be) were, in fact, significantly cannibalized as contended by Developer and if so determined, a recommendation on whether any and what type of royalty relief or other relief, if any, shall be granted Developer. The parties agree to exhaust the foregoing remedies and seek the mediation provided by the NFMB prior to submitting the matter to any judicial tribunal.

3.3 Strict compliance with the development schedule established in accordance with Subsection 3.2 hereof is of the essence of this Agreement. If Developer shall fail to fulfill its specified development obligation with respect to any Subsequent Development Period, this Agreement shall automatically terminate 60 days after the end of the Subsequent Development Period in question, unless by the end of such 60-day period Developer has fulfilled the development obligation relating to such Subsequent Development Period.

3.4 If, during the term of this Agreement: (a) Developer transfers or disposes of any Restaurant developed hereunder in accordance with the provisions hereof, or for any other reason ceases to operate any Restaurant developed hereunder; and (b) after such transfer or other cessation of operation the premises no longer are utilized for the operation of a Restaurant, Developer's development obligation in the Initial or Subsequent Development Period in which such transfer or other cessation of operations occurred shall increase by the number of Restaurants which Developer so transferred, disposed of or which otherwise ceased to operate.

3.5 Notwithstanding the foregoing Subsection 3.2 and in addition thereto, Franchisor shall further divide those counties identified as Small Town Counties and Other Counties ("**STC**") and provide for the development of such counties.

(a) Franchisor shall request Developer to commit to develop and open for operation pursuant to a pre-determined development schedule the number of Restaurants utilizing a Small Town Restaurant prototype ("**STC Restaurant**") and in the specified counties set forth on the written request tendered to Developer by Franchisor (the "**STC Notice**"). The STC Notice provided Developer will further reflect the proposed development schedule for all such STC Restaurants. Within 30 days of Developer's receipt of such STC Notice, Developer shall indicate in writing whether it desires to develop an STC Restaurant

in all or a portion of the counties listed. Thereafter, the development schedule suggested in the STC Notice will be adjusted by the Franchisor, using the same pace of development as set forth in Subsection 3.2(c) and Subsection 3.2(d). With respect to this process, the Franchisor and Developer will review the development feasibility of each county listed in the STC Notice, giving appropriate consideration to such factors as liquor license availability, proximity to existing Restaurants, the presence or absence of competitive concepts and other such matters as Franchisor deems appropriate. Any counties removed from the purview of the STC Notice by such negotiations will be returned to the pool of unused counties for possible future development. At or before the conclusion of the 30-day notice period, unless otherwise extended in writing, Developer shall:

(i) Signify its agreement to develop in accordance with the STC Notice in all of the listed counties and in accordance with the proposed development schedule included with the revised STC Notice and as a result, Developer's right to develop Restaurants in the Territory as previously granted remains unaffected;

(ii) Signify its agreement to develop an STC Restaurant in a portion of the STC Notice listed counties, and in such an event, Developer shall no longer have the right to develop Restaurants in the counties in which it chose not to develop the STC Restaurant and will be subject to the terms set forth in subparagraph (c) below; or

(iii) Reject the development of an STC Restaurant in all of the STC Notice listed counties, and in such an event, Developer shall no longer have the right to develop Restaurants in the counties listed in the final STC Notice and will be subject to the terms of subparagraph (c) below; or

(iv) Seek mediation of the inclusion of one or more of the counties in the STC Notice with the National Franchise Mediation Board in accordance with Subsection 3.6(b); or

(v) Fail to respond in writing to the STC Notice, in which event the Developer will no longer have the right to develop Restaurants in the counties set forth in the STC Notice and will be subject to the terms of subparagraph (c) below.

(b) In the event the Developer contests the STC Notice as referenced in subsection 3.6(a)(iv) above, such disagreement shall be submitted for mediation to the National Franchise Mediation Board, which shall be comprised of two individuals appointed by Franchisor, two individuals appointed by the Franchise Business Council and one individual chosen by the foregoing four individuals, in accordance with the following:

(i) Developer will deposit with Franchisor at the time of the filing of its written demand for mediation an amount equal to \$35,000 times the number of counties about which Developer is contesting development. Notwithstanding the foregoing, in no event shall less than \$35,000 be so deposited. If the deposit is not so timely made, then in such an event, the Developer shall be deemed to have waived its right to request mediation and further, deemed to have elected alternative (v) as set forth in subparagraph 3.6(a).

(ii) The NFMB will determine in its sole discretion the procedure, time limits and additional filing and responses required with respect to the mediation. However, it is understood and agreed by all parties that the mediation is intended to provide a more expeditious resolution of the matter submitted to the NFMB.

(iii) The mediation decision to be rendered by the NFMB will be binding upon all parties to the mediation.

(iv) The party for whom a favorable decision is rendered shall receive from the other party reimbursement for all out-of-pocket costs and expenses, including attorneys' fees, incurred with respect to the mediation which are determined to be reasonable by the NFMB.

(v) At the conclusion of the mediation, the NFMB shall issue its decision either supporting Developer and indicating that the county(ies) to which the Developer objected shall be removed from the STC Notice and returned to the pool of unused county(ies), or conversely, supporting Franchisor and indicating that the county(ies) about which an objection was raised should be so included in the STC Notice and therefore an STC Restaurant should be developed therein.

(vi) If the decision of the NFMB supports the Developer, then in such an event, the Developer shall maintain its right to the county(ies) in question, and shall continue to maintain its right to develop therein in the future. In addition, the amount deposited by Developer shall be refunded to Developer.

(vii) If the decision of the NFMB supports the Franchisor, then in such an event, the Developer shall be required to construct the STC Restaurant in the county(ies) in question, pursuant to the development schedule originally listed in the STC Notice. The funds previously deposited by Developer with Franchisor shall be applied to the Franchise Fee due for each of said units at the rate of \$35,000 per each unit. In the event Developer fails to develop some or all of the STC Restaurants in the county(ies) here in question, any unused deposit shall be forfeited and further, the Developer's rights to the county(ies) in which no development occurred shall be terminated and not subject to any first right of refusal rights, notwithstanding anything herein to the contrary.

(c) Except as otherwise provided in subparagraph 3.6(b) hereof, in the event that the Developer, after receiving its STC Notice, falls within the purview of subsections 3.6(a)(ii), (iii), or (v) above, the counties for which the Developer rejected the right to develop an STC Restaurant, Franchisor may in its discretion seek another franchisee to develop the rejected counties or develop STC Restaurants in those counties on its own. Upon the identification of a *bona fide* prospective franchisee for those counties or upon the determination by Franchisor that it will develop those counties, Franchisor shall provide Developer with a written first right of refusal notice ("**FROR Notice**"), which FROR Notice will set forth the counties in question and the schedule of development. Developer shall have 30 days within which to respond to such FROR Notice in writing. Such response shall be solely to accept or reject in whole its right of refusal. No partial acceptances will be honored by the Franchisor. In the event the Developer fails to respond or responds and indicates its desire not to develop the counties listed, then Developer's right to develop such counties shall no longer be valid and exclusivity rights previously granted in the Development Agreement as to those counties shall be of no further effect, and in such an event the Franchisor may grant a third party prospective franchisee the right to develop STC Restaurants in those counties or develop STC Restaurants itself, without regard to the Developer. Conversely, if the Developer responds to the FROR Notice in writing and indicates its desire to build the STC Restaurants listed in compliance with the schedule set forth, and at the same time tenders a non-refundable deposit in the amount of thirty five thousand dollars (\$35,000) for each of the Restaurants to be developed in the counties listed in the FROR Notice, the Developer shall have the right to develop said STC Restaurants and shall further retain the right to develop Restaurants in the counties so listed.

(d) As to the other counties unallocated under the foregoing process set forth in subsection (c) above, Franchisor may issue future notices regarding development of the same STC Restaurants for use in some or all of the counties. Further, Franchisor may create other new small town prototypes using the System developed for the Restaurants, which extend the brand name but which would more likely be adaptable to the demographics shown for some or all of the other counties which have not been identified for development under the preceding sentence or under subparagraph (b) above. As each such release (which may be in one or more increments) is developed by the Franchisor, the same procedures set forth in subparagraphs (a) and (b) above shall apply.

(e) The development and opening of an STC Restaurant in a listed county will not apply to or substitute for the development required under Section 2.1 hereof. However, in the event Developer fails to develop and open the Restaurants called for under Section 3.6(a) hereof pursuant to the schedule established by Franchisor, such default in development shall only affect the Developer's right to open and operate in the counties so listed. If Developer fails to open one or more of the STC Restaurants in the total aggregate time period set forth in the schedule, then in such an event, Developer shall lose its rights to develop any STC Restaurants in the counties listed in the STC Notice or the FROR Notice (as the case may be) wherein no Restaurant is in operation and further, the exclusivity provided by this Development Agreement shall be of no further force or effect with respect to those counties listed in said Notice (but only as to said affected counties) and Franchisor may grant development rights to a third party or develop said counties itself. It is understood that the 60-day period provided for in Section 2.3 of the Development Agreement shall apply to all of the Restaurants to be developed under this paragraph.

4. FRANCHISE FEE AND ROYALTY RATE

4.1 Developer shall pay Franchisor a franchise fee of \$35,000 with respect to each Restaurant which is developed pursuant to this Agreement during the Initial Development Periods. Thereafter, Developer shall pay Franchisor a franchise fee in an amount which is equal to the amount of the franchise fee then in effect at the time of the issuance of the franchise agreement for each additional restaurant to be opened during any Subsequent Development Period. The amount of the franchise fee shall be set forth in the franchise disclosure document received by the Developer from Franchisor immediately preceding the issuance of such franchise agreement. Simultaneously with the execution of this Agreement, Developer shall pay to Franchisor, by certified check, wire transfer, or other electronic transfer, the amount of \$_____ (“**Franchise Fee Deposit**”). Said Franchise Fee Deposit shall be equal to \$10,000 for each of the Restaurants to be developed during the Initial Development Periods. The remaining balance of the franchise fees for each of the Restaurants to be developed during the Initial Development Periods shall be paid by certified check, wire transfer or electronic funds transfer as follows: half of the balance shall be paid upon signing a franchise agreement for that Restaurant and the remaining balance shall be paid 14 days prior to the scheduled opening of the Restaurant. The Franchise Fee Deposit shall be proportionately allocated to the franchise fee due with respect to each Restaurant to which it applies, provided Developer timely opens such Restaurant. The franchise fee with respect to each Restaurant to be developed during a Subsequent Development Period or with respect to any additional Restaurants developed during the Initial Development Periods shall be paid by certified check, wire transfer or electronic funds transfer in the same manner. The Franchise Fee Deposit is non-refundable and any amount that has not been applied toward a franchise fee will be forfeited.

4.2 Developer shall have no right to recover from Franchisor, directly or indirectly, any of the franchise fees which are prepaid pursuant to Subsection 4.1 hereof.

4.3 As partial consideration for the rights granted to Developer pursuant to the franchise agreements covering the Restaurants which Developer develops hereunder, Developer (as franchisee under each such franchise agreement) shall pay Franchisor a monthly royalty fee as determined by Franchisor. Until January 1, 2021, the monthly royalty fee shall not exceed 4% of each calendar month's gross sales (as that term is defined in the form of franchise agreement which is attached hereto as **Appendix B**). Thereafter, the monthly royalty fee shall be as determined by Franchisor.

4.4 Pursuant to its obligations hereunder and under the applicable franchise agreements, Franchisor will make various expenditures in connection with the development of prospective Restaurant sites by Developer, including expenditures for travel, lodging, meals, obtaining of information about prospective sites, demographic information, traffic counts, and inquiries into local laws and ordinances. Developer shall promptly notify Franchisor of a decision to cease development of a prospective Restaurant site. In the event that Developer fails to open a restaurant at any such site, in lieu of the payment of the franchise fee therefor, Franchisor in its sole discretion may require Developer to reimburse Franchisor for Franchisor's expenditures

with respect to that site. In such event, Franchisor shall provide Developer with an itemized list of Franchisor's expenditures with respect to that site after Franchisor receives notice that Developer no longer intends to develop a Restaurant at that site, and Developer shall reimburse Franchisor for such costs within 30 days after receiving such list.

5. SITE APPROVALS: PLANS AND SPECIFICATIONS

5.1 Developer assumes all cost, liability, expense and responsibility for locating, obtaining, financing and developing sites for Restaurants, and for constructing and equipping Restaurants at such sites. To assist Developer in the site selection process, Franchisor will provide Developer with certain demographic information regarding the site for a fee, will conduct an on-site inspection (if deemed necessary by Franchisor), and, at no additional cost, will review any lease or contract under negotiation for the prospective site; provided, however, such review does not mean that Franchisor is required to have an attorney review such lease. The development of a Restaurant at any site must be approved by Franchisor in accordance with its then-existing site approval procedure. In connection with a request for approval of a proposed site for a Restaurant, Developer shall provide a related contract of sale or lease agreement and such other information and material as the Franchisor may reasonably require. Franchisor's approval of a prospective Restaurant site shall not be unreasonably withheld. Franchisor shall notify Developer whether it approves a proposed site and the related contract of sale or lease agreement within 45 days of the first date after Franchisor receives Developer's request for approval and all of Franchisor's prerequisites to consideration of a site for approval have been satisfied. Failure of Franchisor to so notify Developer within such 45 day period shall be deemed to be an approval of such site and the related contract of sale or lease agreement. Developer acknowledges that Franchisor's approval of a prospective site for a Restaurant does not constitute a representation, promise or guarantee by Franchisor that a Restaurant operated at that site will be profitable or otherwise successful. Developer shall not make any binding commitment to a prospective vendor or lessor of real estate with respect to a site for a Restaurant unless Franchisor has approved that site in accordance with Franchisor's then-existing site approval procedure. After Franchisor has approved a site for a Restaurant, Developer shall provide Franchisor with a copy of the executed contract of sale or lease, as applicable, relating to the site within a reasonable period of time.

5.2 For each Restaurant which Developer develops pursuant to this Agreement, Franchisor will make available to Developer Franchisor's specifications for a typical Restaurant. Developer will obtain architectural and engineering services independently and at its own expense. Franchisor shall have the right to review all such architectural and/or engineering plans which Developer obtains and to prohibit the implementation of any plan, or part thereof, which Franchisor, in its sole and absolute discretion, believes is not consistent with the best interests of the System. In the event that Franchisor desires to prohibit the implementation of any such plan, or part thereof, Franchisor shall so notify Developer within 45 days of receiving such architectural and/or engineering plans for review. Failure of Franchisor to so notify Developer within such 45 day period shall be deemed to be an approval of such plans. In the event Franchisor does object to any such plan, Franchisor shall provide Developer with a reasonable detailed list of changes necessary to make such plans acceptable to Franchisor. Franchisor shall, upon resubmission of such plans, with such changes as Developer has prepared, notify Developer within 21 days of receiving such plans whether they are acceptable. Failure to so notify Developer within such 21-day period shall be deemed to be an approval of such amended plans.

5.3 If Developer acquires a leasehold interest in a site, Franchisor has the right to review and approve the lease. Franchisor may not approve any lease unless Developer and its landlord execute a rider to the lease in substantially the same form as attached hereto as **Appendix C**. The leasehold interest shall be for a term which is at least as long as the term of the form of franchise agreement which is attached hereto as **Appendix B**, and the lease shall provide that Developer may assign the lease or sublease the property to Franchisor or another Applebee's franchisee without the lessor having any right to impose conditions on such assignment or to obtain any payment in connection therewith. The lease must also contain such other

provisions as may be required by Franchisor's then current lease approval policy or required by the terms and conditions of Franchisor's approval of such site.

6. FEES AND FRANCHISE AGREEMENTS

Not later than 90 days prior to the scheduled opening of any Restaurant which has been developed pursuant to this Agreement, Developer shall deliver to Franchisor an executed franchise agreement substantially in the form which is attached hereto as **Appendix B**, provided, however, that the franchise agreement which Developer executes shall require the payment of a franchise fee in the amount described in Subsection 4.1, royalty fees as described in Subsection 4.3, and advertising payments at the rates then established by Franchisor with respect to new Restaurants, except that in no event shall such rates exceed 5% of a Restaurant's gross sales (as defined in Subsection 9.3 of the form of a franchise agreement which is attached hereto as **Appendix B**).

7. DEVELOPER ORGANIZATION, AUTHORITY, FINANCIAL CONDITION AND SHAREHOLDERS

7.1 Developer and each Principal Shareholder represent and warrant that: (a) Developer is a corporation duly incorporated, validly existing and in good standing under the laws of the state of its incorporation; (b) Developer is duly qualified and is authorized to do business and is in good standing as a foreign corporation in each jurisdiction in which its business activities or the nature of the properties owned by it requires such qualification; (c) the execution and delivery of this Agreement and the transactions contemplated hereby are within Developer's corporate power; (d) the execution and delivery of this Agreement have been duly authorized by the Developer; (e) the articles of incorporation and by-laws of Developer delivered to Franchisor are true, complete and correct, and there have been no changes therein since the date thereof; (f) the certified copies of the minutes electing the officers of Developer and authorizing the execution and delivery of this Agreement are true, correct and complete, and there have been no changes therein since the date(s) thereof; (g) the specimen stock certificate delivered to Franchisor is a true specimen of Developer's stock certificate; (h) the financial statement of Developer and financial statements of its Principal Shareholders, heretofore delivered to Franchisor, are true, complete and correct, and fairly present the financial positions of Developer and each Principal Shareholder, respectively, as of the date thereof; (i) such financial statements have been prepared in accordance with generally accepted accounting principles; and (j) there have been no materially adverse changes in the condition, assets or liabilities of Developer or Principal Shareholders since the date or dates thereof.

7.2 Developer and each Principal Shareholder covenant that during the term of this Agreement: (a) Developer shall do or cause to be done all things necessary to preserve and keep in full force its corporate existence and shall be in good standing as a foreign corporation in each jurisdiction in which its business activities or the nature of the properties owned by it requires such qualification; (b) Developer shall have the corporate authority to carry out the terms of this Agreement; and (c) Developer shall print, in a conspicuous fashion on all certificates representing shares of its stock when issued, a legend referring to this Agreement and the restrictions on and obligations of Developer and Principal Shareholders hereunder, including the restrictions on transfer of Developer's shares.

7.3 In addition to its obligations pursuant to Subsection 7.1 hereof, Developer and Principal Shareholders shall provide Franchisor with such financial information as Franchisor may reasonably request from time to time, including, on an annual basis, copies of the then-most current financial statements of Developer and each Principal Shareholder, dated as of the end of the last preceding fiscal year of the Developer or Principal Shareholder, said statements to be delivered to Franchisor no later than April 15 of each year, which financial statements shall conform to the standards set forth in Subsection 7.1 hereof.

7.4 Developer and each Principal Shareholder represent, warrant and covenant that all Interests (as defined in Subsection 8.4 hereto) in Developer are owned as set forth on Appendix D hereto, that no Interest has been pledged or hypothecated (except in accordance with Section 8 of this Agreement), and that no change will be made in the ownership of any such Interest other than as permitted by this Agreement, or otherwise consented to in writing by Franchisor. Developer and Principal Shareholders agree to furnish Franchisor with such evidence as Franchisor may request, from time to time, for the purpose of assuring Franchisor that the Interests of Developer and Principal Shareholders remain as represented herein.

7.5 Each Principal Shareholder, jointly and severally, hereby personally and unconditionally guarantees each of Developer's financial obligations to Franchisor (including, but not limited to, all obligations relating to the payment of fees by Developer to Franchisor). Each Principal Shareholder agrees that Franchisor may resort to such Principal Shareholder (or any of them) for payment of any such financial obligation, whether or not Franchisor shall have proceeded against Developer, any other Principal Shareholder or any other obligor primarily or secondarily obligated to Franchisor with respect to such financial obligation. Each Principal Shareholder hereby expressly waives presentment, demand, notice of dishonor, protest, and all other notices whatsoever with respect to Franchisor's enforcement of this guaranty. In addition, each Principal Shareholder agrees that if the performance or observance by Developer of any term or provision hereof is waived or the time of performance thereof extended by Franchisor, or payment of any such financial obligation is accelerated in accordance with any agreement between Franchisor and any party liable in respect thereto or extended or renewed, in whole or in part, all as Franchisor may determine, whether or not notice to or consent by any Principal Shareholder or any other party liable in respect to such financial obligations is given or obtained, such actions shall not affect or alter the guaranty of each Principal Shareholder described in this Subsection.

7.6 Developer and each Principal Shareholder represent and warrant to Franchisor that:

(a) Neither Developer nor any Principal Shareholder or any other person with a direct or indirect ownership interest in Developer is identified, either by name or an alias, pseudonym or nickname, on the list of "Specially Designated Nationals and Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts available at www.treas.gov/offices/enforcement/ofac/). Further, Developer and its Principal Shareholders represent and warrant that neither has violated and agree that neither will violate any law (in effect now or which may become effective in the future) prohibiting corrupt business practices, money laundering or the aid or support of persons or entities who conspire to commit acts of terror against any person or government, including acts prohibited by the U.S. Patriot Act (text available at <http://www.epic.org/privacy/terrorism/hr3162.html>), U.S. Executive Order 13244 (text available at <http://treas.gov/offices/enforcement/ofac/sanctions/terrorism.html>), or similar law;

(b) Developer has not made, nor has any Principal Shareholder made, any expenditures other than for lawful purposes or directly or indirectly offered, gave, promised to give or authorized the payment or the gift of any money, or anything of value, to any person or entity, while knowing or having reason to know that all or a portion of such money or thing of value would be given or promised, directly or indirectly, to any government official, official of an international organization, officer or employee of a foreign government or anyone acting in an official capacity for a foreign government, for the purpose of: (1) influencing any action, inaction or decision of such official in a manner contrary to his or her position or creating an improper advantage; or (2) inducing such official to influence any government or instrumentality thereof to effect or influence any act or decision of such government or instrumentality.

(c) Developer nor any Principal Shareholder or any other person or entity who has any direct or indirect ownership interest is or will become directly or indirectly owned or controlled by governmental authorities of any country that is subject to a United States embargo; and

(d) Developer understands and its Principal Shareholders understand and have been advised by legal counsel on the requirements of the United States Foreign Corrupt Practices Act (currently

located at www.usdoj.gov/criminal/fraud/fcpa.html, any local foreign corrupt practices laws and the Patriot Act (currently located at www.epic.org/privacy/terrorism/hr3162.html, acknowledge the importance to Franchisor and the Restaurants and the parties' relationship of their respective compliance with the requirements of these laws, including any applicable auditing requirements and any requirement to report or provide access to information to Franchisor or any government, that is made part of any applicable law, and agree to take all steps required by their consultants, agents and employees to comply with such laws prior to engaging or employing any such individuals or entities.

8. TRANSFER

8.1 There shall be no Transfer of any Interest of Developer, or of a Principal Shareholder in Developer, in whole or in part (whether voluntarily or by operation of law), directly, indirectly or contingently, except in accordance with the provisions of this Section 8. “**Transfer**” and “**Interest**” are defined in Subsections 8.2, 8.3 and 8.4.

8.2 Except as provided in Subsection 8.3, “**Transfer**” shall mean any assignment, sale, pledge, hypothecation, gift or any other such event which would change ownership of or create a new Interest, including, but not limited to:

(a) any change in the ownership of or rights in or to any shares of stock or other equity interest in Developer which would result from the act of any shareholder of Developer (“**Shareholder**”), such as a sale, exchange, pledge or hypothecation of shares, or any interest in or rights to any of Developer’s profits, revenues or assets, or any such change which would result by operation of law; and

(b) any change in the percentage interest owned by any Shareholder in the shares of stock of Developer, or interests in its profits, revenues or assets which would result from any act of Developer such as a sale, pledge or hypothecation of any Restaurant assets (other than a pledge of assets to secure *bona fide* loans made or credit extended in connection with acquisition of the assets pledged); any sale or issuance of any shares of Developer’s stock; the retirement or redemption of any shares of Developer’s stock; or any sale or grant to any person of any right to participate in or otherwise to share or become entitled to any part of Developer’s profits, revenues, assets or equity.

8.3 “**Transfer**” shall not include: (a) a change in the ownership of or rights to any shares or other equity interest in Developer pursuant to a public offering of Developer’s securities registered under the Securities Act of 1933; or (b) a change in the ownership of or rights to any securities or other equity interest in Developer pursuant to a private offering of Developer’s securities exempted from registration under such Act, provided that Developer provides Franchisor with a copy of its prospectus and/or offering memorandum ten (10) days prior to its filing with the Securities and Exchange Commission or circulation to third parties so that Franchisor may comment and, if necessary, correct any information concerning Franchisor and/or the System, and further provided that after giving effect to any such public or private offering, the Principal Shareholders, or any of them, “control” Developer. For purposes of this Section 8, “**control**” means either: (1) owning legal and equitable title to 51% or more of the outstanding voting securities of Developer, which are not subject to a proxy granted to or contract with any other person or party granting that party the right to vote part or all of such securities; or (2) having and continually exercising the contractual power presently to designate a majority of the directors of Developer.

8.4 “**Interest**” shall mean, when referring to interests or rights in Developer, any shares of Developer’s stock, and any other equitable or legal right in or to any of Developer’s stock, revenues, profits or assets; when referring to rights or assets of Developer, Developer’s rights under and interest in this Agreement, any Restaurant and its revenues, profits and assets.

8.5 (a) The Interest of a Principal Shareholder may be transferred to such Principal Shareholder's spouse or children or to a person designated in such Principal Shareholder's will or trust (individually and collectively referred to as "**Successor**"), upon such Principal Shareholder's death or permanent incapacity, without Franchisor's approval, provided that such Successor shall agree to be bound by the restrictions contained in this Section 8, and the other agreements and covenants of the Principal Shareholders contained in this Agreement.

(b) The Interest of a Principal Shareholder may not be transferred to another Principal Shareholder without Franchisor's approval, which approval will not be unreasonably withheld.

(c) The Interest of a Successor may only be transferred in accordance with Subsection 8.5(b) or 8.8, regardless of whether such Transfer is for consideration or by gift or will or other device.

8.6 Until such date as Developer has developed and opened for operation 40% of the number of Restaurants required by Subsection 2.1 hereof and the number of Restaurants required by Subsection 3.1 hereof as said total aggregate number is set forth on **Appendix A**, Developer shall have no right to Transfer this Agreement or any rights or obligations under this Agreement, and any franchise agreements to be issued pursuant hereto shall be issued solely to the Developer, which as of the date of issuance of each such franchise agreement shall be owned by the Principal Shareholders to the extent hereinbefore provided. Any transfer or attempted transfer in contravention of this provision shall be void and of no effect. If, after the date Developer has developed and opened for continuous operation the number of Restaurants required by this Subsection 8.6, any of the Principal Shareholders desires to dispose of all or substantially all of the Interests of the Principal Shareholder(s) in Developer, or any of the Principal Shareholders (or Developer) desires to dispose of all or substantially all of Developer's Interest in this Agreement or in the assets which Developer has acquired pursuant to this Agreement, the Principal Shareholder(s) or Developer, as the case may be, shall notify Franchisor of that desire, in writing, 30 days before announcing that fact publicly or engaging the services of a broker or sales agent.

8.7 (a) If at any time any of the Principal Shareholders or Developer, as the case may be, obtains from a third party or third parties a *bona fide* offer (the "**Offer**") in writing for the purchase of all or substantially all of the Interests of the Principal Shareholders in Developer or in the Restaurant assets which Developer has acquired as a result of this Agreement, the Principal Shareholders or Developer shall give notice (the "**Selling Notice**") to Franchisor stating that the Principal Shareholders or Developer, as the case may be, have received the Offer, identifying the prospective purchaser by name and address, specifying the proposed purchase price and attaching a true and complete copy of the Offer, including all relevant materials required for approval by Franchisor. Notwithstanding the foregoing, however, Developer and Principal Shareholders understand and agree that, as provided in Subsection 8.6 hereof, until such time as Developer has developed and opened for operation the number of Restaurants required by said Subsection 8.6. hereof, any portion of any Offer regarding the right to develop Restaurants or Developer's Interest in this Agreement shall be invalid and of no force or effect, it being expressly understood and agreed that such rights may not be transferred, and any franchise agreements to be granted hereunder shall be issued solely to Developer, which shall be owned by the Principal Shareholders as hereinbefore set forth. At such time as Developer has developed and opened for operation the number of Restaurants required by Subsection 8.6, any portion of such an Offer regarding Developer's Interest in this Agreement shall be effective in accordance with its terms.

(b) Franchisor shall have an option to purchase (the "**Option**"), exercisable within a period of 45 days after receipt of the Selling Notice (the "**Option Period**"), such Interests at the price and on the conditions set forth in the Offer, except that Franchisor shall not be obligated to pay any finder's or broker's fee, and if the Offer provides for payment of consideration other than cash, or if the Offer involves certain intangible benefits, Franchisor may elect to purchase such Interests by offering a reasonable dollar value substitute for the non-cash/intangible benefits part of the Offer. Notwithstanding the foregoing, if Franchisor

exercises the Option, Franchisor: (a) will be entitled to receive representations and warranties from Developer and the Principal Shareholders, jointly and severally, that are customarily received by purchasers in similar transactions; and (b) will be permitted to not close if it is not satisfied with the results of its business, legal and financial due diligence.

(c) The Option shall be exercisable by Franchisor delivering to the Principal Shareholders or Developer, as the case may be, within the Option Period, a notice: (i) stating that the Option is being exercised; and (ii) specifying the time, date and place at which such purchase and sale will take place, which date shall be within 45 days after Franchisor delivers such notice. Developer shall provide Franchisor access to and copies of such information and documentation Franchisor shall request regarding the purchase prior to the start of the Option Period. The 45-day limitation for purposes of determining the sale date shall not apply if at the end of said 45-day period the only issue which prevents completion of the purchase and sale is the need to effect transfers of the applicable liquor licenses. In the event of such a delay, the purchase and sale shall take place within 10 days after those liquor licenses have been transferred.

(d) If the Option is not exercised, the Principal Shareholders or Developer, as the case may be, may sell the Interests in or of Developer to the third party which made the Offer, on conditions no more favorable to the third-party offerer than those set forth in the Offer, provided that Franchisor approves the proposed transferee in accordance with the criteria set forth in **Appendix E** and provided further that such sale takes place within 90 days after the expiration of the Option Period. The 90-day limitation described in the preceding sentence shall not apply if at the end of said 90-day period the issue which prevents completion of the purchase and sale is either the need to effect transfers of the applicable liquor licenses or consent or approval of the transaction by a state or federal regulatory agency. In the event of such a delay, the purchase and sale shall take place within 10 days after those issues have been resolved or waived by Franchisor. In the event of such a transfer, Franchisor may, in its discretion, require an amendment to Subsection 2.1 of this Agreement in order to increase or decrease the number of restaurants required thereby and the dates of the Initial Development Periods referred to therein.

(e) If the Option is not exercised, the Principal Shareholders or Developer, as the case may be, shall immediately notify Franchisor in writing of any change in the terms of an Offer. Any change in the terms of an Offer shall cause it to be deemed a new Offer, conferring upon Franchisor a new Option pursuant to this Subsection 8.7; the Option Period with respect to the new Option shall be deemed to commence on the day on which Franchisor receives written notice of a change in the terms of the original Offer. Provided however, in such an instance, Franchisor shall provide Franchisee its response within 15 days after Franchisor's receipt of all of the modified terms, unless such changes are deemed material by Franchisor and in such an event, Franchisor shall have a 45-day period within which to review said changes.

8.8 (a) Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer and that Franchisor has entered into this Agreement in reliance on the business skill and financial capacity of Developer, and the business skill, financial capability and personal character of each Principal Shareholder. Any transfer of Principal Shareholders' Interest in Developer or in Developer's Interest in this Agreement in contravention of this Section 8 shall cause the immediate termination of all development rights granted herein with respect to Restaurants not otherwise open for operation. Except as otherwise set forth in this Section 8, the Principal Shareholders shall at all times retain control of Developer. Except as otherwise provided in this Section 8, no Transfer of any part of Developer's Interest in this Agreement, and no Transfer of any Interest of any Principal Shareholder shall be completed except in accordance with this Subsection 8.8. In the event of such a proposed Transfer of any part of Developer's Interest in this Agreement, or of any Interest of any Principal Shareholder, the party or parties desiring to effect such Transfer shall give Franchisor notice in writing of the proposed Transfer, which notice shall set forth the name and address of the proposed transferee, its financial condition, including a copy of its financial statement dated not more than 90 days prior to the date of said notice, and all the terms and conditions of the proposed Transfer. Upon receiving such notice, Franchisor may: (i) approve the Transfer; or (ii) withhold its consent

to the Transfer. Franchisor shall, within 45 days of receiving such notice and all the information requested by Franchisor regarding the proposed Transfer and the parties thereto, advise the party or parties desiring to effect the Transfer whether it: (1) approves the Transfer; or (2) withholds its consent to the Transfer, giving the reasons for such disapproval. Failure of Franchisor to so advise said party or parties within that 45 day period shall be deemed to be approval of the proposed Transfer. **Appendix E** sets forth the criteria for obtaining Franchisor's consent to a proposed Transfer.

(b) In the event that Franchisor approves the Transfer, and the Transfer is not completed within 90 days of the later of: (i) expiration of the 45-day notice period; or (ii) delivery of notice of Franchisor's approval of the proposed Transfer; Franchisor's approval of the proposed Transfer shall automatically be revoked. The 90-day limitation described in the preceding sentence shall not apply if at the end of said 90-day period the only issue which prevents completion of the Transfer is the need to effect transfers of the applicable liquor licenses. In the event of such a delay, the Transfer shall take place within 10 business days after those liquor licenses have been transferred. Any subsequent proposal to complete the proposed Transfer shall be subject to Franchisor's right of approval as provided herein. The party which desires to effect the proposed Transfer shall immediately notify Franchisor in writing of any change in the terms of a Transfer. Any change in terms of a Transfer prior to closing shall cause it to be deemed a new Transfer, revoking any approval previously given by Franchisor and conferring upon Franchisor a new right to approve such Transfer, which shall be deemed to commence on the day on which Franchisor receives written notice of such change in terms.

8.9 In connection with any request for Franchisor's approval of a proposed Transfer to this Section 8, the parties to the proposed Transfer shall pay Franchisor a nonaccountable fee to defray the actual cost of review and the administrative and professional expenses related to the proposed Transfer and the preparation and execution of documents and agreements of \$2,500. For purposes of clarification, the transfer fee reflected in the preceding sentence relates to this Agreement only and does not limit the ability of Franchisor to charge fees in connection with other franchise agreements involved in the Transfer.

9. TERMINATION

9.1 This Agreement shall expire on _____, 20____, unless sooner terminated pursuant to the terms hereof.

9.2 Franchisor shall have the right to terminate this Agreement immediately upon written notice to Developer stating the reason for such termination, and Developer shall no longer have any of the rights created by this Agreement, in the event of:

(a) development by Developer of a Restaurant without first obtaining approval from Franchisor of the Restaurant site or of Developer's architectural and/or engineering plans in accordance with Section 5 hereof;

(b) any breach or default of any of the provisions of Sections 8 and 11 of this Agreement and Subsection 14.1 of any franchise agreement entered into pursuant to this Agreement;

(c) the filing by Developer of a petition in bankruptcy, an arrangement for the benefit of creditors, or a petition for reorganization; the filing against Developer of a petition in bankruptcy, an arrangement for the benefit of creditors, or petition for reorganization, not dismissed within 90 days of the filing thereof; the making of an assignment by Developer for the benefit of creditors; or the appointment of a receiver or trustee for Developer, which receiver or trustee shall not have been dismissed within 90 days of such appointment;

(d) the discovery by Franchisor that Developer made any material misrepresentation or omitted any material fact in the information which was furnished to Franchisor in connection with this Agreement;

(e) failure by Developer to locate and employ a Director of Operations who is approved by Franchisor in accordance with Subsection 12.2 within 90 days of the date of this Agreement or, with respect to a replacement Director of Operations, failure by Developer to locate such a replacement who is approved by Franchisor in accordance with Subsection 12.2 within 180 days of the date on which the last Director of Operations who was approved by Franchisor ceased to be employed by Developer in that capacity;

(f) any part of this Agreement relating to the payment of fees to Franchisor, or the preservation of any of the Marks, trade secrets or secret formulae licensed or disclosed hereunder or under any franchise agreement between Franchisor and Developer, for any reason being declared invalid or unenforceable;

(g) Developer or any Principal Shareholder being convicted of or pleading *nolo contendere* to a felony or any crime involving moral turpitude; or

(h) the franchisee under any franchise agreement executed pursuant to this Agreement committing a default subject to immediate termination under the franchise agreement.

9.3 Except as provided above in Subsection 9.2, if Developer defaults in the performance or observance of any of its other obligations hereunder or under any franchise agreement between Developer and Franchisor, and any such default continues for a period of 30 days after written notice to Developer specifying such default, Franchisor shall have the right to terminate this Agreement upon written notice to Developer. If Developer defaults in the performance or observance of the same obligation two or more times within a 12-month period, Franchisor shall have the right to terminate this Agreement immediately upon commission of the second act of default, upon written notice to Developer stating the reason for such termination, without allowance for any curative period.

9.4 This Agreement shall automatically terminate under the conditions and at the times specified in Subsection 2.3 and 3.3.

10. PREREQUISITES TO OBTAINING FRANCHISES FOR INDIVIDUAL RESTAURANT UNITS

10.1 Developer understands and agrees that this Agreement does not confer upon Developer a right to obtain a franchise for any Restaurant, but is intended by the parties to set forth the terms and conditions which, if fully satisfied, shall entitle Developer to obtain such a franchise, located within the Territory. Developer further understands that until the date Developer opens for operation all those Restaurants required under Subsection 8.6 of this Agreement, such aforesaid terms and conditions may only be satisfied by Developer (and not an assignee or transferee thereof), who shall remain at all times owned and controlled by the Principal Shareholders as herein set forth.

10.2 In the event that Developer shall have obtained Franchisor's approval of a particular proposed site for a Restaurant, and if Franchisor, in the exercise of its sole discretion, has granted Developer operational, financial and legal approval, then Franchisor will grant Developer a franchise for a Restaurant at the site in question. As used herein, Franchisor will give Developer "operational," "financial" and "legal" approval under the following circumstances:

"**Operational**" approval will be granted if Franchisor has determined, in the exercise of its sole discretion, that Developer is conducting the operation of each of its Restaurants, and is capable of

conducting the operation of the proposed Restaurant, including physical aspects thereof: (a) in accordance with the terms and conditions of this Agreement; (b) in accordance with the provisions of the respective franchise agreements; and (c) in accordance with the standards, specifications and procedures set forth and described in the Franchise Operations Manual and in any other materials or manuals provided or made available to Developer by Franchisor (collectively, the “**Manuals**”), as such may be amended from time to time. Developer understands that changes in said standards, specifications and procedures may become necessary from time to time. Developer agrees to accept said changes, and Developer further agrees that it is within the sole discretion of Franchisor to make said changes;

“**Financial**” approval will be granted if: (a) Developer has been and is faithfully performing all terms and conditions under each of its existing franchise agreements with Franchisor; (b) Developer or its affiliates is not in default of any money obligations owed to Franchisor; and (c) Developer is not in default of any financial obligation to any of its suppliers, unless any such obligation is being disputed in good faith by the Developer. Developer acknowledges and agrees that it is vital to Franchisor’s interest that each of its franchisees be financially sound to avoid failure of a franchised business (which would adversely affect the reputation and good name of Franchisor and the System). Developer acknowledges and agrees that it is vital to Franchisor’s interest and to the interests of the System that Developer (in its capacity as franchisee) remain current in satisfying its financial obligations to its suppliers; and

“**Legal**” approval will be granted if Franchisor has determined, in the exercise of its sole discretion, that Developer has submitted to Franchisor, in a timely manner as requested, all information and documents requested by Franchisor prior to and as a basis for the issuance of individual franchises or pursuant to any right granted to Franchisor by this Agreement or by any franchise agreement between Developer and Franchisor, and has taken such additional actions in connection therewith as may be requested from time to time.

10.3 It is understood and agreed that the foregoing criteria apply to the operational, financial and legal aspects of any Restaurant franchised by Franchisor in which Developer or any Principal Shareholder has any legal or equitable interest, including, without limitation, indirect ownership interests. It is further understood and agreed that Developer and Principal Shareholders have an ongoing responsibility to operate each Restaurant in which Developer or any Principal Shareholder has any legal or equitable interest in a manner which satisfies the foregoing requirements for operational, financial and legal approval.

11. RESTRICTIONS

11.1 Developer and its Principal Shareholders acknowledge that over the term of this Agreement they are to receive proprietary information which Franchisor or its affiliates have acquired or developed over time at great expense, including, but not limited to, methods of site selection, marketing methods, product analysis and selection, and service methods and skills relating to the development and operation of Restaurants. They further acknowledge that this information, which includes, but is not necessarily limited to, that contained in the Manuals, is not generally known in the industry and is beyond their own present skills and experience, and that to develop it themselves would be expensive, time-consuming and difficult. Developer and Principal Shareholders further acknowledge that such information provides a competitive advantage and will be valuable to them in the development of their business, and that gaining access to it is therefore a primary reason why they are entering into this Agreement. Accordingly, Developer and its Principal Shareholders agree that such information, as described above, which may or may not be “trade secrets” under prevailing judicial interpretations or statutes, is private and valuable, and constitutes trade secrets belonging to Franchisor or its affiliates; and in consideration of Franchisor’s confidential disclosure to them of these trade secrets, Developer and Principal Shareholders agree as follows:

(a) During the term of this Agreement, neither Developer nor any Principal Shareholder, for so long as such Principal Shareholder owns an Interest in Developer, may, without the prior written consent

of Franchisor, directly or indirectly engage in, or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures) in, advise, help, guarantee loans or make loans to, any restaurant business whose menu or method of operation is similar to that employed by restaurant units within the System which is either: (i) located in the Territory; (ii) located in the Area of Dominant Influence (as defined and established from time to time by Arbitron Ratings Company) of any Restaurant developed pursuant to this Agreement; (iii) located within a five-mile radius of any restaurant unit within the System; or (iv) determined by Franchisor, exercising reasonable good faith judgment, to be a direct competitor of the System.

(b) Neither Developer, for two years following the termination of this Agreement, nor any Principal Shareholder, for two years following the termination of all of his or her Interest in Developer or the termination of this Agreement, whichever occurs first, may directly or indirectly engage in, or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures) in, advise, help, guarantee loans or make loans to, any restaurant business whose menu or method of operation is similar to that employed by restaurant units within the System which is located either: (i) in the Territory; (ii) in the Area of Dominant Influence (as defined and established from time to time by Arbitron Ratings Company) of any Restaurant developed pursuant to this Agreement; (iii) within a five-mile radius of any restaurant unit within the System; or (iv) within any area for which an active, currently binding development agreement has been granted by Franchisor to another franchisee as of the date of termination.

11.2 Neither Developer nor any Shareholder shall at any time: (a) appropriate or use the trade secrets incorporated in the System, or any portion thereof, in any other restaurant business which is not within the System; (b) disclose or reveal any portion of the System to any person other than to Developer's employees as an incident of their training; (c) acquire any right to use any name, mark or other intellectual property right which may be granted pursuant to any agreement between Franchisor and Developer, except in connection with the operation of a Restaurant; or (d) communicate, divulge or use for the benefit of any other person or entity any confidential information, knowledge or know-how of Franchisor or its affiliates concerning the methods of development or operation of a restaurant utilizing the System.

11.3 Developer and Principal Shareholders agree that the provisions of this Section 11 are and have been a primary inducement to Franchisor to enter into this Agreement, and that in the event of breach thereof Franchisor would be irreparably injured and would be without an adequate remedy at law. Therefore, in the event of a breach, or a threatened or attempted breach, of any of such provisions Franchisor shall be entitled, in addition to any other remedies which it may have hereunder or in law or in equity (including the right to terminate this Agreement), to a preliminary and/or permanent injunction and a decree for specific performance of the terms hereof without the necessity of showing actual or threatened damage, and without being required to furnish a bond or other security.

11.4 The restrictions contained in Subsection 11.1 above shall not apply to ownership of less than 2% of the shares of a company whose shares are listed and traded on a national securities exchange if such shares are owned for investment only, and are not owned by an officer, director, employee or consultant of such publicly traded company.

11.5 If any court or other tribunal having jurisdiction to determine the validity or enforceability of this Section 11 determines that it would be invalid or unenforceable as written, then the provisions hereof shall be deemed to be modified or limited to such extent or in such manner as necessary for such provisions to be valid and enforceable to the greatest extent possible.

12. DEVELOPMENT PROCEDURES

12.1 Franchisor will use its reasonable efforts to furnish Developer with advice in developing Restaurants and in selecting sites therefor.

12.2 Developer shall designate an individual employee who shall be personally responsible for Developer's activities during the term of this Agreement, and who shall devote his or her full-time, best efforts and constant personal attention, on a day-to-day basis, to Developer's activities in the Territory (the "**Director of Operations**"). Developer shall require that the Director of Operations maintain his or her principal personal residence in the Territory. Franchisor reserves the right to require that, as a condition of his or her employment with Developer, the Director of Operations, as well as each supervisory employee referred to in Subsection 12.3, must successfully complete Franchisor's interview process and a psychological profile test in a manner which satisfies a uniform standard established by Franchisor. The test shall be administered by Franchisor, or by a testing agency designated by Franchisor, at Developer's expense. Developer's designation of the first Director of Operations, and any subsequent Director of Operations, shall be subject to the written approval of Franchisor, which approval shall not be arbitrarily withheld, and shall also be subject to the time limitations described in Subsection 9.2(e) hereof. Franchisor shall notify Developer in writing within 21 days of receipt of Developer's request whether Franchisor disapproves such person. Failure by Franchisor to so notify Developer within that period shall be deemed to constitute Franchisor's approval of such person.

12.3 In the event that Developer desires to designate an employee (in addition to the Director of Operations) who will have supervisory authority over the development or operation of more than one Restaurant within the Territory, Developer's designation of such a supervisory employee shall be subject to the written approval of Franchisor, which approval shall not be arbitrarily withheld. Franchisor shall notify Developer in writing within 21 days of receipt of Developer's request whether Franchisor disapproves such person. Failure by Franchisor to so notify Developer within that period shall be deemed to constitute Franchisor's approval of such person. Developer shall require that any such supervisory employee maintain his or her principal personal residence in the Territory.

12.4 Developer shall require the Director of Operations to execute a confidentiality agreement and covenant not to compete in the form attached hereto as **Appendix F**. In addition, at Franchisor's request, Developer shall obtain from the Director of Operations an agreement verifying his or her employment status. Developer shall require that each other employee of Developer who will have supervisory authority over the development or operation of more than one Restaurant execute a confidentiality agreement in the form attached hereto as **Appendix G**. Developer shall be responsible for compliance of its employees with the agreements identified in this Subsection, including the payment of any costs needed to enforce the obligations.

12.5 (a) Developer shall require its Director of Operations and any other supervisory employee designated pursuant to Subsection 12.3 to attend and to successfully complete to Franchisor's reasonable satisfaction an operations training course provided by Franchisor. If the Director of Operations or any such supervisory employee fails to successfully complete Franchisor's operations training course, Franchisor may require designation of a new Director of Operations or replacement supervisory employee, as the case may be, and Developer shall designate a new Director of Operations or replacement supervisory employee who shall be required to successfully complete such training course.

(b) The Director of Operations and supervisory employees designated pursuant to Subsection 12.3 shall, from time to time as reasonably requested by Franchisor, attend and successfully complete to Franchisor's reasonable satisfaction a Franchisor-provided refresher course in restaurant operations.

12.6 With respect to each Restaurant within the Territory developed by Developer, Developer's employees must satisfy the training requirements described in Section 6 of Appendix B hereto. After Developer opens its first Restaurant pursuant to this Agreement, Franchisor may at its option, and subject to such conditions as Franchisor deems necessary, permit Developer (at Developer's own expense) to conduct a

portion of the required training at one of Developer's existing Restaurants. In that event, Developer will be required to provide qualified personnel to administer training tests and to maintain records relating to the training and performance of employees.

13. NO WAIVER OF DEFAULT

13.1 The waiver by any party to this Agreement of any breach or default, or series of breaches or defaults, of any term, covenant or condition herein, or of any same or similar term, covenant or condition contained in any other agreement between Franchisor and any other person, shall not be deemed a waiver of any subsequent or continuing breach or default of the same or any other term, covenant or condition in this Agreement, or in any other agreement between Franchisor and any other person.

13.2 All rights and remedies of Franchisor shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies which are provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of this Agreement. Franchisor's rights and remedies shall be continuing and shall not be exhausted by any one or more uses thereof, and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. The expiration or earlier termination of this Agreement shall not discharge or release Developer or any Principal Shareholder from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration or earlier termination of this Agreement.

14. FORCE MAJEURE

14.1 As used in this Agreement, the term "**Force Majeure**" shall mean any act of God, strike, lock-out or other industrial disturbance, war (declared or undeclared), riot, epidemic, fire or other catastrophe, act of any government and any other similar cause not within the control of the party affected thereby.

14.2 If the performance of any obligation by any party under this Agreement is prevented or delayed by reason of Force Majeure, which cannot be overcome by use of normal commercial measures, the parties shall be relieved of their respective obligations to the extent the parties are respectively necessarily prevented or delayed in such performance during the period of such Force Majeure. The party whose performance is affected by an event of Force Majeure shall give prompt notice of such Force Majeure event to the other party by telephone (in each case to be confirmed in writing) or electronic mail, setting forth the nature thereof and an estimate as to its duration, and shall be liable for failure to give such timely notice only to the extent of damage actually caused.

15. CONSTRUCTION, SEVERABILITY, GOVERNING LAW AND JURISDICTION

15.1 If any part of this Agreement shall for any reason be declared invalid, unenforceable or impaired in any way, the validity of the remaining portions shall remain in full force and effect as if this Agreement had been executed with such invalid portion eliminated, and it is hereby declared the intention of the parties that they would have executed the remaining portion of this Agreement without including therein any such portions which might be declared invalid; provided however, that in the event any part hereof relating to the payment of fees to Franchisor, or the preservation of any of the Marks, trade secrets or secret formulae licensed or disclosed hereunder or pursuant to any franchise agreement between Franchisor and Developer is for any reason declared invalid or unenforceable, then Franchisor shall have the option of terminating this Agreement upon written notice to Developer. If any clause or provision herein would be deemed invalid or unenforceable as written, it shall be deemed to be modified or limited to such extent or in such manner as may be necessary to render the clause or provision valid and enforceable to the greatest extent possible in light of the interest of the parties expressed in that clause or provision, subject to the provisions of the preceding sentence.

15.2 DEVELOPER AND PRINCIPAL SHAREHOLDERS ACKNOWLEDGE THAT FRANCHISOR MAY ENTER INTO OTHER DEVELOPMENT AGREEMENTS THROUGHOUT THE UNITED STATES ON TERMS AND CONDITIONS SIMILAR TO THOSE SET FORTH IN THIS AGREEMENT, AND THAT IT IS OF MUTUAL BENEFIT TO DEVELOPER AND PRINCIPAL SHAREHOLDERS AND TO FRANCHISOR THAT THESE TERMS AND CONDITIONS BE UNIFORMLY INTERPRETED. THEREFORE, THE PARTIES AGREE THAT TO THE EXTENT THAT THE LAW OF THE STATE OF KANSAS DOES NOT CONFLICT WITH LOCAL FRANCHISE STATUTES, RULES AND REGULATIONS, KANSAS LAW SHALL APPLY TO THE CONSTRUCTION OF THIS AGREEMENT AND SHALL GOVERN ALL QUESTIONS WHICH ARISE WITH REFERENCE HERETO; PROVIDED HOWEVER, THAT PROVISIONS OF KANSAS LAW REGARDING CONFLICTS OF LAW SHALL NOT APPLY HERETO.

15.3 THE PARTIES AGREE THAT ANY CLAIM, CONTROVERSY OR DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE PERFORMANCE THEREOF WHICH CANNOT BE AMICABLY SETTLED, EXCEPT AS OTHERWISE PROVIDED HEREIN WILL BE RESOLVED BY A PROCEEDING IN A COURT IN JOHNSON COUNTY, KANSAS, AND DEVELOPER AND THE PRINCIPAL SHAREHOLDERS EACH IRREVOCABLY ACCEPT THE JURISDICTION OF THE COURTS OF THE STATE OF KANSAS AND THE FEDERAL COURTS SERVING JOHNSON COUNTY, KANSAS FOR SUCH CLAIMS, CONTROVERSIES OR DISPUTES. EACH PARTY WAIVES ITS RIGHT TO A JURY TRIAL IN ANY COURT ACTION ARISING AMONG THE PARTIES UNDER THIS AGREEMENT OR OTHERWISE RELATED TO THIS AGREEMENT, WHETHER MADE BY CLAIM, COUNTERCLAIM, THIRD-PARTY CLAIM OR OTHERWISE.

The parties agree that service of process in any proceeding arising out of or relating to this Agreement or the performance thereof may be made as to Developer and any Principal Shareholder by serving a person of suitable age and discretion (such as the person in charge of the office) at the address of Developer specified in this Agreement and as to Franchisor by serving the president or a vice-president of Franchisor at the address of Franchisor or by serving Franchisor’s registered agent.

16. MISCELLANEOUS

16.1 All notices and other communications required or permitted to be given hereunder shall be deemed given when delivered in person, by overnight courier service or mailed by registered or certified mail addressed to the recipient at the address set forth below, unless that party shall have given written notice of change of address to the sending party, in which event the new address so specified shall be used.

16.2 All terms used in this Agreement, regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine,

feminine or neuter, as the context or sense of this Agreement may require, the same as if such words had been written in this Agreement themselves. The words “includes,” “including” and “inclusive” and the phrases “in particular,” “such as,” “i.e.” and “for example” when used in this Agreement shall be interpreted and construed so as not to limit the generality of the words of general application or nature which precede these words and phrases. The headings inserted in this Agreement are for reference purposes only and shall not affect the construction of this Agreement or limit the generality of any of its provisions.

16.3 Entire Agreement. This Agreement and the Exhibits incorporated herein contain all of the terms and conditions agreed upon by the parties hereto concerning the subject matter hereof. No other agreements concerning the subject matter hereof, written or oral, shall be deemed to exist or to bind any of the parties hereto and all prior agreements, understanding and representations are merged herein and superseded hereby. Notwithstanding the foregoing, nothing in this Agreement is intended to constitute a waiver by Franchisee of its rights to rely upon any disclosure contained in the most recent Franchise Disclosure Document delivered by Franchisor to Franchisee prior to the execution hereof. This Agreement cannot be modified or changed except by written instrument signed by all of the parties hereto.

16.4 Except as expressly authorized herein, no amendment or modification of this Agreement shall be binding unless executed in writing both by Franchisor and by Developer.

16.5 In the event that any party to this Agreement initiates any legal proceeding to construe or enforce any of the terms, conditions and/or provisions of this Agreement, including, but not limited to, its termination provisions, or to obtain damages or other relief to which any party may be entitled by virtue of this Agreement, the prevailing party or parties shall be paid its reasonable attorneys’ fees and expenses by other party or parties.

16.6 Developer and the Principal Shareholders acknowledge and agree that: (i) this Agreement (and the relationship of the parties contemplated by this Agreement) grants Franchisor the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with Developer’s explicit rights and obligations hereunder that may affect favorably or adversely Developer’s interests; (ii) Franchisor will use its business judgment in exercising such discretion based on Franchisor’s assessment of its interests and the System, balancing those interests with or against the interests of the operators of Restaurants generally (including Franchisor, its affiliates and other franchisees) and specifically without considering the individual interests of any particular franchisee; (iii) Franchisor will have no liability to Developer for the exercise of its discretion in this manner; and (iv) even if Franchisor has numerous motives for a particular action or decision, so long as at least one motive is a reasonable business justification for such action or decision, no trier of fact in any legal action shall substitute its judgment for Franchisor’s judgment so exercised, and such action or decision will not be subject to challenge for abuse of discretion.

If Franchisor takes any action or chooses not to take any action in Franchisor’s discretion with regard to any matter related to this Agreement and Franchisor’s action or inaction is challenged for any reason, the parties expressly direct the trier of fact that Franchisor’s reliance on a business reason in the exercise of its discretion is to be viewed as a reasonable and proper exercise of Franchisor’s discretion, without regard to whether other reasons for its decision may exist and without regard to whether the trier of fact would independently accord the same weight to the business reason.

IN WITNESS WHEREOF, the undersigned have entered into this Agreement as of the date first above written.

APPENDIX B TO DEVELOPMENT AGREEMENT
FORM FRANCHISE AGREEMENT

APPENDIX C TO DEVELOPMENT AGREEMENT

APPLEBEE'S RESTAURANTS FRANCHISEE LEASE RIDER

This Lease Rider (this "**Rider**") is executed as of the ____ day of _____, 202_, by and between _____, as landlord ("**Landlord**") and _____, as tenant ("**Franchisee**"), as a Rider to that certain lease for the premises located at _____ (the "**Premises**"), dated as of _____ ("**the Lease**"). This Rider is hereby incorporated into, and made a part of, the Lease.

WHEREAS, Franchisee has executed or intends to execute a Franchise Agreement (the "**Franchise Agreement**") with Applebee's Franchisor LLC, a Delaware limited liability company (along with any successor franchisor of Applebee's restaurants, "**Franchisor**") for the operation of an Applebee's restaurant ("**Restaurant**") at the Premises, and as a requirement thereof, the Lease must include the provisions contained in this Rider; and

WHEREAS, Landlord and Franchisee agree that the terms contained herein shall supersede any terms to the contrary set forth in the Lease;

NOW THEREFORE, in consideration of mutual covenants set forth herein, the execution and delivery of the Lease, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Franchisee hereby agree as follows:

1. The effectiveness of the Lease is contingent upon Franchisor's approval of the Premises, the form of the Lease, and Franchisee's ability to obtain a liquor license for the Premises.
2. The Premises may be used, in addition to any other uses permitted under the Lease, for the operation of an Applebee's Restaurant, with the sale and service of alcoholic beverages for on premises consumption, and ancillary carry-out food service. Franchisee may operate Applebee's Restaurants at any other location without Landlord's approval.
3. Franchisor, its personnel or agents, for a period of up to 30 days after the expiration or sooner termination of the Lease or the Franchise Agreement, may enter the Premises for itself or on behalf of Franchisee to de-identify the Premises as a Restaurant, which may include the removal of signs, decor and materials displaying any marks, designs or logos owned b Franchisor or its affiliates, provided Franchisor shall bear the expense of repairing any and all damage to the Premises as a result thereof.
4. If Franchisee has an obligation to continuously operate its business at the Premises, Franchisee may cease operating for up to 60 days, from time to time, to perform repairs, enhancements or renovations, as required by the Franchise Agreement.
5. Notwithstanding any provision herein to the contrary, Franchisee shall have the absolute right, whether or not the Franchisee is in default under the Lease, upon 10 days prior written notice to Landlord, to sublet, assign or otherwise transfer its interest in the Lease to Franchisor or Franchisor's affiliate, to any entity with which Franchisor may merge or consolidate, or to any person or entity which is an authorized franchisee of Franchisor operating a minimum of 5 restaurants (each, a "**Permitted Assignee**"), without Landlord's consent. Following such an assignment, a Permitted Assignee also may sublet, assign or otherwise transfer its interest in the Lease to another Permitted Assignee without the consent of Landlord. There will be no fee or expense charged in connection with such transfer.

Landlord and Franchisee acknowledge and agree that a Permitted Assignee will assume all of Franchisee's

obligations under the Lease arising as a result of events, acts or omissions occurring from and after the date of assignment. In the event that Franchisee is in default of its obligations under the Lease as of the effective date of the assignment to a Permitted Assignee: a) the Permitted Assignee shall be obligated to cure such default, but only to the extent such default accrued not more than 30 days prior to the date Franchisor received notice of such default from Landlord; and b) Landlord may pursue, or continue to pursue, a claim for damages under the Lease against Franchisee, but will have no rights to terminate the lease or to disturb the quiet possession of the Leased Premises by the Permitted Assignee.

6. The Lease contains provisions addressing: a) the allocation of responsibility for the presence of hazardous materials within the Premises (and the larger property of which the Premises is a part, if any (“**Shopping Center**”)); and b) to the extent the Premises is part of a Shopping Center with common areas, the Landlord’s responsibility for compliance with the Americans With Disabilities Act of 1990, as amended, within the common areas.
7. Landlord hereby represents and warrants that it holds fee simple title to the Premises and has all requisite right, power and authority to lease the Premises to Franchisee. Landlord hereby agrees to obtain a non-disturbance agreement for the benefit of Franchisee: a) from the holder of any mortgage/deed of trust as of the date of the Lease; and b) as a condition to Franchisee’s subordination to any mortgage/deed of trust granted after the date of the Lease.
8. In the event the Premises is part of a Shopping Center, Landlord agrees not to construct or change any improvements or landscaping in any manner which would impair the visibility of or access to the Premises, or the amount of parking available for use by Franchisee.
9. Copies of all notices required or permitted by the Lease shall also be sent to Franchisor at 10 W. Walnut St., 5th Floor, Pasadena, California 91103, Attn: General Counsel, or such other address as Franchisor may locate its Restaurant Support Center, at the same time notice is provided to Franchisee. Franchisor shall have the right, but not the obligation, upon giving written notice to Franchisee and Landlord, to cure any breach of the Lease.
10. The parties acknowledge that Franchisor is an intended third-party beneficiary of this Rider and has the right to enforce the terms of this Rider as if it was a party hereto.
11. In the event of any conflict between this Rider and the Lease, the terms of this Rider shall control, and the Lease may not be modified or amended in any manner inconsistent with the terms of this Rider.

APPENDIX E TO DEVELOPMENT AGREEMENT

REVIEW AND CONSENT WITH RESPECT TO TRANSFERS

In determining whether to grant or to withhold consent to a proposed Transfer, Franchisor shall consider all of the facts and circumstances which it views as relevant in the particular instance, including, but not limited to, any of the following: (i) work experience and aptitude of Proposed New Owner and/or proposed new management (a proposed transferee of a Principal Shareholder's Interest and/or a proposed transferee of this Agreement is referred to as "**Proposed New Owner**"); (ii) financial background and condition of Proposed New Owner, and actual and pro forma financial condition of Developer; (iii) character and reputation of Proposed New Owner; (iv) conflicting interests of Proposed New Owner; (v) the terms and conditions of Proposed New Owner's rights, if the proposed Transfer is a pledge or hypothecation; (vi) the adequacy of Developer's operation (as Franchisee) of any Restaurant and compliance with the System and this Agreement; and (vii) such other criteria and conditions as Franchisor shall then consider relevant in the case of an application for a new franchise to operate a restaurant unit within the System by an applicant that is not then currently doing so. Franchisor's consent also may be conditioned upon execution by Proposed New Owner of an agreement whereby Proposed New Owner assumes full, unconditional, joint and several liability for, and agrees to perform from the date of such Transfer, all obligations, covenants and agreements contained herein to the same extent as if it had been an original party to this Agreement and may also require Developer and Principal Shareholders, including the proposed Transferor(s), to execute a general release which releases Franchisor and its affiliates from any claims they may have had or then have against Franchisor and its affiliates. In the event Proposed New Owner is a partnership (including, but not limited to, a limited partnership), Proposed New Owner will also be required to execute an addendum to the Agreement which amends the references to Developer and its Principal Shareholders to include the partnership approved by Franchisor and Proposed New Owner's general partner(s) and the principal shareholders of the general partner(s), if the general partner(s) is a corporation. This addendum will contain a provision including in the definition of "**Transfer**" the withdrawal, removal or voluntary/involuntary dissolution (if applicable) of the general partner(s) or the substitution or addition of a new general partner. Developer or Principal Shareholders, as the case may be, shall provide Franchisor with such information as it may require in connection with a request for approval of a proposed Transfer. For purposes of clarification, nothing in this **Appendix E** shall limit Franchisor's discretion in granting or withholding consent to a Transfer or to require the applicable parties to agree to certain terms as a condition to obtaining consent to a Transfer.

COVENANT NOT TO COMPETE**

THIS AGREEMENT is made this _____ day of _____, 20____, by and between _____, a _____ corporation (“**Developer**”), and _____, an individual employed by Developer (“**Employee**”).

WITNESSETH:

WHEREAS, APPLEBEE’S FRANCHISOR LLC (“**Applebee’s**”) has the right to grant franchises for all rights in and to a unique system for the development and operation of restaurants (the “**System**”), which includes proprietary rights in valuable trade names, service marks and trademarks, including the service mark Applebee’s Neighborhood Grill & Bar and variations of such mark, designs and color schemes for restaurant premises, signs, equipment, procedures and formulae for preparing food and beverage products, specifications for certain food and beverage products, inventory methods, operating methods, financial control concepts, a training facility and teaching techniques;

WHEREAS, Developer is the owner of the right to develop restaurants franchised by Applebee’s which utilize the System (“**Restaurants**”) for the period and in the Territory described in the Development Agreement between Applebee’s and Developer (the “**Development Agreement**”);

WHEREAS, Developer and Employee acknowledge that Applebee’s information as described above was developed over time at great expense, is not generally known in the industry and is beyond Developer’s own present skills and experience, and that to develop it itself would be expensive, time-consuming and difficult, that it provides a competitive advantage and will be valuable to Developer in the development of its business, and that gaining access to it was therefore a primary reason why Developer entered into the Development Agreement; and

WHEREAS, in consideration of Applebee’s confidential disclosure to Developer of these trade secrets, Developer has agreed to be obligated by the terms of Development Agreement to execute, with its Director of Operations, a written agreement protecting Applebee’s trade secrets and confidential information entrusted to Employee, and protecting against unfair competition;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

(1) The parties acknowledge and agree that Employee is or will be employed in a supervisory or managerial capacity and in such capacity will have access to information and materials which constitute trade secrets and confidential and proprietary information. The parties further acknowledge and agree that any actual or potential direct or indirect competitor of Applebee’s or of any of its franchisees shall not have access to such trade secrets and confidential information.

(2) The parties acknowledge and agree that the System includes trade secrets and confidential information which Applebee’s has revealed or will reveal to Developer in confidence, and that protection of said trade secrets and confidential information and protection of Applebee’s against unfair competition from others who enjoy or who have had access to said trade secrets and confidential information are essential for the maintenance of goodwill and special value of the System.

(3) Employee agrees that he or she shall not at any time: (i) appropriate or use the trade secrets incorporated in the System, or any portion thereof, for use in any business which is not within the System;

(ii) disclose or reveal any portion of the System to any person other than to Developer's employees as an incident of their training; (iii) acquire any right to use, or to license or franchise the use of any name, mark or other intellectual property right which is or may be granted by any franchise agreement between Applebee's and Developer; or (iv) communicate, divulge or use for the benefit of any other person or entity any confidential information, knowledge or know-how concerning the methods of development or operation of a Restaurant which may be communicated to Employee or of which Employee may be apprised by virtue of Employee's employment by Developer. Employee shall divulge such confidential information only to such of Developer's other employees as must have access to that information in order to operate a Restaurant or to develop a prospective site for a Restaurant. Any and all information, knowledge and know-how, including, without limitation, drawings, materials, equipment, specifications, techniques and other data, which Applebee's designates as confidential, shall be deemed confidential for purposes of this Agreement.

(4) Employee agrees that for the duration of his or her employment by Developer, and for two years following termination thereof, Employee may not, without the prior written consent of Applebee's, directly or indirectly, for himself or through, on behalf of or in conjunction with any person, partnership or corporation, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures) in, advise, help, guarantee loans or make loans to, any restaurant business whose menu or method of operation is the same as or similar to that employed by restaurant units within the System which is located either: (a) in the Territory, as defined in the Development Agreement; or (b) in the Area of Dominant Influence (as defined and established from time to time by Arbitron Ratings Company) of any Restaurant developed pursuant to the Development Agreement.

(5) Employee further acknowledges and agrees that any materials and manuals provided or made available to Developer by Applebee's (collectively, the "**Manuals**"), described in Section 5 of the form of franchise agreement which is attached as **Appendix B** to the Development Agreement are loaned by Applebee's to Developer for limited purposes only, remain the property of Applebee's, and may not be reproduced, in whole or in part, without the written consent of Applebee's.

(6) Employee agrees to surrender to Developer or to Applebee's each and every copy of the Manuals and any other information or material in his or her possession or control upon request, upon termination of employment, or upon completion of the use for which said Manuals or other information or material may have been furnished to Employee.

(7) The parties agree that in the event of a breach of this Agreement, Applebee's would be irreparably injured and would be without an adequate remedy at law. Therefore, in the event of a breach or a threatened or attempted breach of any of the provisions hereof, Applebee's shall be entitled to enforce the provisions of this agreement as a third-party beneficiary hereof and shall be entitled, in addition to any other remedies which it may have hereunder at law or in equity (including the right to terminate the Development Agreement), to a temporary and/or permanent injunction and a decree for specific performance of the terms hereof without the necessity of showing actual or threatened damage, and without being required to furnish a bond or other security.

(8) The restrictions in Subsection (4) hereof shall not apply to ownership of less than 2% of the shares of a company whose shares are traded on a national securities exchange if such shares are owned for investment only, and are not owned by an officer, director, employee or consultant of such publicly traded company.

(9) If any court or other tribunal having jurisdiction to determine the validity or enforceability of this Agreement determines that it would be invalid or unenforceable as written, the provisions hereof

shall be deemed to be modified or limited to such extent or in such manner necessary for such provisions to be valid and enforceable to the greatest extent possible.

(10) In the event that any party to this Agreement or Applebee's initiates any legal proceeding to construe or enforce any of the terms, conditions and/or provisions of this Agreement, or to obtain damages or other relief to which any party may be entitled by virtue of this Agreement, the prevailing party or parties shall be paid its/their reasonable attorneys' fees and expenses by other party or parties.

IN WITNESS WHEREOF, the undersigned have entered into this Agreement as of the date first above written.

Each Principal Shareholder hereby expressly waives presentment, demand, notice of dishonor, protest and all other notices whatsoever with respect to Franchisor’s enforcement of this guaranty. 7.2 Developer and Principal Shareholders covenant that during the term of this Agreement: (a) Developer shall do or cause to be done all things necessary to preserve and keep in full force its existence as a limited partnership and shall be in good standing in each jurisdiction in which its business activities or the nature of the properties owned by it requires such qualification; (b) the General Partner shall do or cause to be done all things necessary to preserve and keep in full force its existence and shall be in good standing as a foreign company in each jurisdiction in which its business activities or the nature of the properties owned by it requires such qualification; (c) Developer shall have the authority under its limited partnership agreement to carry out the terms of this Agreement; (d) the General Partner shall have the authority pursuant to its operating agreement to carry out the terms of this Agreement; (e) Developer shall print, in a conspicuous fashion on all certificates evidencing ownership interest in the limited partnership when issued, a legend referring to this Agreement and the restrictions on and obligations of Developer and the Principal Shareholders, including, but not limited to, the restrictions on transfer or removal of any interest of the Principal Shareholders in or of Developer. Further, Developer shall deliver to Franchisor prior to the sale of any partnership units a true specimen certificate evidencing ownership interest in the limited partnership, bearing the legend described herein and shall certify to Franchisor that any existing certificates now bear the legend described herein; and (f) the General Partner shall print, in a conspicuous fashion on all certificates representing membership interests, a legend referring to this Agreement and the restrictions on and obligations of the Principal Shareholders hereunder, including the restrictions on transfer of membership interests in the General Partner.

2. Section 8 Amended. Sections 8.2 - 8.4 of the Development Agreement are hereby amended by deleting said sections in their entirety and replacing them with the following:

“8.2 Except as provided in Subsection 8.3, “**Transfer**” shall mean any assignment, sale, pledge, hypothecation, gift or any other such event which would change ownership of or change or create a new Interest, including, but not limited to:

(a) any change in the ownership of or rights in or to the partnership interests or other equity interests of Developer which would result from the act of the Principal Shareholders, such as a sale, exchange, pledge or hypothecation of the partnership interest in or rights to any of Developer's profits, revenues or assets, or any such change which would result by operation of law;

(b) any change in the percentage interest owned by any Principal Shareholder in the partnership interests or other equity interests of Developer, or interests in Developer's profits, revenues or assets which would result from any act of Developer such as a sale, pledge or hypothecation of any Restaurant assets (other than a pledge of assets to secure *bona fide* loans made or credit extended in connection with acquisition of the assets pledged); any sale or issuance of any partnership interest or other equity interest in Developer; the retirement or redemption of any Interest in Developer; or any sale or grant to any person of any right to participate in or otherwise to share or become entitled to any part of Developer's profits, revenues, assets or equity; and

RECITALS

A. Franchisor owns the rights to develop and operate a unique system of restaurants which specialize in the sale of high quality, moderately priced food and alcoholic beverages in an attractive, casual setting. Franchisor owns the service mark Applebee's Neighborhood Grill & Bar and variations of such mark, and other names, service marks and trademarks which may be adopted for use in the future (the "**Marks**"), designs, decor and color schemes for restaurant premises, signs, equipment, procedures and formulae for preparing food and beverage products, specifications for certain food and beverage products, inventory methods, operating methods, financial control concepts, training facilities and teaching techniques (the "**System**"). Franchisor has the right to offer franchises for the use of the Marks and the System.

B. Franchisor established, through its own development and operation, and through the granting of franchises, a chain of Applebee's Neighborhood Grill & Bar restaurants which are distinctive; which are similar in appearance, design and decor; and which are uniform in operation and product consistency.

C. The value of the Marks used in the System is based upon: (1) the maintenance of uniform high quality standards in connection with the preparation and sale of Franchisor-approved food and beverage products, (2) the uniform high standards of appearance of the individual restaurant units in the System, (3) the use of distinctive trademarks, service marks, building designs and advertising signs representing a uniformly high quality of product and services, and (4) the assumption by Franchisor and its franchisees of the obligation to maintain and enhance the goodwill and public acceptance of the System (and of the Marks) by strict adherence to the high standards required by Franchisor.

D. Franchisor, Franchisee and the Principal Shareholders have entered into a Development Agreement dated _____, 20____ ("**Development Agreement**"), relating to the development by Franchisee of Applebee's Neighborhood Grill & Bar restaurants.

E. Franchisee desires to use the System in connection with the operation of an Applebee's Neighborhood Grill & Bar restaurant at the location which is specified in Subsection 1.1 of this Agreement, pursuant to the terms, conditions and provisions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual obligations contained herein, it is hereby agreed as follows:

1. FRANCHISE GRANT AND TERM

1.1 Franchisor grants Franchisee, for the term stated below, the right, license and privilege:

(a) to use the System incident to the operation of an Applebee's Neighborhood Grill & Bar restaurant at _____ (the "**Restaurant**");

(b) to use the Marks which Franchisor shall from time to time designate as part of the System, but only in connection with the sale at the Restaurant of those products which Franchisor has designated and approved; and

(c) to hold itself out to the public as a Franchisee of Franchisor.

1.2 The term of the franchise shall commence as of the Commencement Date, as hereinafter defined, and shall end 20 years thereafter, unless this Agreement is terminated prior to that date in accordance with its provisions. "**Commencement Date**," as used herein, shall mean the date upon which the Restaurant opens for business. The parties agree that Franchisor, without obtaining the signature of Franchisee, may affix to this Agreement an addendum expressly setting forth the Commencement Date, which, when so affixed, shall become a part of this Agreement.

1.3 At the expiration of the term hereof, Franchisee shall have an option to operate the Restaurant for four successive terms of five years (unless the franchise agreement with respect to that additional term is sooner terminated in accordance with its provisions), provided that immediately prior to each such five-year term: (a) Franchisee satisfies the requirements which Franchisor then-imposes on its new franchisees, (b) all other restaurant units within the System which Franchisee then-operates substantially comply, in the opinion of Franchisor, with Franchisor's then-current standards, specifications, requirements and instructions, and (c) Franchisee executes the form of franchise agreement which Franchisor is then using with respect to new restaurants within the System, with the amount of royalty and advertising fees payable at the rates then-prevailing under the franchise agreements which Franchisor is then using for new restaurants within the System, and Franchisee pays to Franchisor for each of said five-year periods a franchise fee equal to 10% of the prevailing franchise fee paid by new franchisees at that time. Any franchise agreement which Franchisee executes for such additional term will also contain options to obtain an assignment of Franchisee's lease with a third-party and/or to purchase certain property or to purchase or lease the Restaurant premises exercisable by Franchisor upon termination thereof and an option to purchase or lease the Restaurant premises exercisable by Franchisor upon expiration of the renewal term (subject to any then-existing renewal rights of Franchisee). Such options will contain provisions substantially similar to the provisions of Franchisor's options described in Subsection 19.4 hereof. Franchisee shall give Franchisor written notice of its desire to exercise its option to operate the Restaurant for an additional term no earlier than 12 months, and no later than seven months, prior to expiration of the initial term. If Franchisee gives that notice, Franchisor, in its sole discretion, reasonably exercised, shall determine whether Franchisee has satisfied the foregoing requirements. Within 45 days of receiving the notice described above, Franchisor shall notify Franchisee in writing whether or not Franchisee is eligible to exercise the option described in this Subsection.

1.4 During the period from the date of this Agreement to the expiration or earlier termination of this Agreement, Franchisor shall not establish a restaurant unit utilizing the System, or license another franchisee to establish a restaurant unit utilizing the System, at any location within the lesser of a three-mile radius of the Restaurant or a radius from the Restaurant which includes either a daytime or residential population of 40,000 or more people; provided, however, the 3-mile radius will be reduced to the extent it would extend over an international border. Notwithstanding the foregoing, Franchisor may establish a

restaurant unit or may license a restaurant unit to a third-party within the geographic area set forth in the preceding sentence, provided that: (i) such restaurant is located within an airport (serviced by one or more public or charter carrier), train station, bus terminal, port authority, campus at any college, university or other post-secondary education institution, hospitals and other health care facilities, arena, stadium, state or national park, or military fort, post or base, travel plaza or casino, (ii) is located across an international border, or (iii) does not utilize the System or utilize the Applebee's Neighborhood Grill & Bar service mark. From the date hereof through the date of the expiration or earlier termination of this Agreement, to the extent that Franchisor establishes, franchises or licenses a ghost kitchen, Franchisor shall not authorize such ghost kitchen to use the Applebee's Neighborhood Grill and Bar trademark in fulfilling delivery orders within the Restaurant's Delivery Area (as defined below). Additionally, from the date hereof through the date of expiration or earlier termination of this Agreement, to the extent that Franchisor establishes, franchises or licenses a ghost kitchen, Franchisor shall not authorize such ghost kitchen to use the trademark for a virtual brand owned by Franchisor in fulfilling delivery orders within the Restaurant's Delivery Area; provided, that, this restriction shall only apply to the extent that such virtual brand was actually offered by the Restaurant at the time Franchisor establishes, franchises or licenses the ghost kitchen. To the extent that the restriction in the foregoing sentence is not applicable solely because the virtual brand was not actually offered by the Restaurant at the time the ghost kitchen was established, licensed or franchised, then, prior to authorizing the use of the trademark by such ghost kitchen in the Restaurant's Delivery Area, Franchisor shall first send a written notice ("**Notice**") to Franchisee inquiring whether Franchisee desires to negotiate in good faith with Franchisor to arrive at a mutually acceptable arrangement whereby by the Restaurant may offer such virtual brand within the Restaurant's Delivery Area (the date of such written notice, the "**Notice Date**"). If Franchisor has received an offer which it finds acceptable as of the Notice Date, the Notice will also contain an offer to the Franchisee consisting of commercial terms at least as favorable to those received with respect to the virtual brand within the Restaurant Delivery Area. Should Franchisee respond in writing to Franchisor within 7 days of the Notice Date that it wishes to negotiate in good faith concerning such an arrangement, then for a period of 30 days commencing on the Notice Date (such period, the "**Right of First Offer Period**"), Franchisor shall not authorize such ghost kitchen to use the trademark within the Restaurant's Delivery Area in order to allow time for Franchisor and Franchisee to negotiate such an arrangement in good faith. Following expiration of the Right of First Offer Period, if Franchisor and Franchisee have not entered into a written agreement providing for the Restaurant's offering of such virtual brand, Franchisor shall be free to authorize a ghost kitchen to use the trademark for such virtual brand owned by Franchisor in fulfilling deliveries within the Restaurant's Delivery Area. As used herein, "**Restaurant's Delivery Area**" means the area surrounding the Restaurant within which the Restaurant routinely fulfills delivery orders as of the date on which Franchisor establishes the ghost kitchen (in the case of a company owned ghost kitchen) or enters into a license or franchise agreement with the third party ghost kitchen operator (in the case of a licensed or franchised ghost kitchen); provided, however, in no event will the Restaurant's Delivery Area be smaller than the Restricted Area. The determination of the Restaurant's Delivery Area shall be in Franchisor's sole discretion after obtaining information from any third-party delivery vendors and Franchisee.

1.5 Franchisee, in consideration of the benefits and privileges provided to it by this Agreement, agrees to operate the Restaurant and perform as required hereunder for the full term of this Agreement.

1.6 This Agreement is entered into pursuant to and subject to the terms and conditions which are set forth in the Development Agreement.

2. UNIFORM STANDARDS

2.1 The System is a comprehensive restaurant system for the retailing of certain uniform and quality food and beverage products (including alcoholic beverages), emphasizing a varied menu of high quality, moderately priced food products (including appetizers, creative sandwiches, dinner entrees and desserts), a selection of alcoholic and other beverages, and prompt and courteous service in a clean, wholesome, casual atmosphere. The foundation of the System is the establishment and maintenance of a

reputation among the public for the operation of high quality restaurant units. A fundamental requirement of the System, this Franchise Agreement and franchises which Franchisor will grant to others is adherence by all franchisees to Franchisor's standards and policies providing for the uniform operation of all restaurant units within the System, including, but not limited to: (a) selling only those products which Franchisor has designated and approved; (b) using only Franchisor's prescribed building layout and designs, equipment, signs, interior and exterior decor items, fixtures and furnishings; (c) adhering strictly to Franchisor's standards and specifications relating to the selection, purchase, storage, preparation, packaging, service and sale of all food and beverage products being sold at the Restaurant; and (d) satisfying all of Franchisor's prescribed standards of quality, service and cleanliness. Compliance by all franchisees with the foregoing standards and policies in conjunction with the use of the Marks provides the basis for the wide public acceptance of the System and its valuable goodwill. Accordingly, strict adherence by all franchisees to all aspects of the System is required at all times.

2.2 The provisions of the Agreement shall be interpreted to give effect to the intent of the parties stated in this Section 2 to assure that Franchisee shall operate the Restaurant in conformity with the System, through strict adherence to Franchisor's standards and policies as they now exist and as they may be modified from time to time.

3. COMPLIANCE WITH THE SYSTEM

Franchisee acknowledges that every component of the System is important to Franchisor, to all franchisees and to the operation of the Restaurant, including the requirements: (a) that only those products designated and approved by Franchisor are sold at the Restaurant; and (b) that there is uniformity of food and beverage specifications, preparation methods, quality, appearance, building and interior design, color and decor, landscaping, facilities and service among all restaurant units in the System. Accordingly, Franchisee agrees to and shall comply with all aspects of the System (as it now exists and as it may be modified from time to time). Franchisee recognizes and agrees that Franchisor may prohibit the use of the System and its trade names, notwithstanding the granting of this Agreement, if Franchisee fails to design, construct, equip, furnish or operate its Restaurant in compliance with the specifications designated by Franchisor, unless prior written approval has been received from Franchisor.

4. GENERAL SERVICES OF FRANCHISOR

4.1 Franchisor shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant, and at other reasonable times upon Franchisee's request. Franchisor will provide to Franchisee such of its know-how, new developments, techniques and improvements in areas of restaurant design, management, food and beverage preparation, sales promotion and service concepts as may be pertinent to the construction and operation of the Restaurant under the System. Franchisor may provide the foregoing information: (a) by sending representatives to visit the Restaurant; (b) by providing written or other material; (c) at meetings or seminars; and (d) at training sessions at Franchisor's training facility and/or such other locations as may be selected by Franchisor from time to time. Franchisor also shall make available to Franchisee all additional services, facilities, rights and privileges which Franchisor makes available from time to time to its franchisees of the System generally.

4.2 If Franchisee and its affiliates do not have any existing Applebee's Neighborhood Grill & Bar restaurants, for Franchisee's first restaurant opening, for approximately eight days before and six days after Franchisee opens its first Restaurant, Franchisor will provide Franchisee with the services of up to eight training personnel to train Franchisee's Restaurant employees in the operation of the kitchen, bar and dining room areas. If Franchisee requires more than eight training personnel or a training period beyond 14 days, Franchisee will be responsible for the excess cost and expenses for the additional trainers and/or for the period beyond the 14-day period.

4.3 If Franchisee and/or any of its affiliates have existing Applebee's Neighborhood Grill & Bar restaurants, for every new Restaurant that Franchisee opens, Franchisor will provide Franchisee with financial assistance equal to the amount of costs and expenses reasonably and actually incurred by Franchisee to retain up to eight training personnel for up to 14 days (provided, however, that Franchisor shall have no obligation to reimburse Franchisee for any costs and expenses incurred in excess of a maximum amount which Franchisor shall communicate to Franchisee prior to the opening of the new Restaurant), but Franchisor will not provide Franchisee with any training personnel and Franchisee must meet the requirements set forth in the Brand Standards Manual and NRO Project Managers Guide. The initial expenditure of such costs and expenses shall be Franchisee's sole responsibility. A written description of qualified reimbursable costs and expenses will be provided to Franchisee by Franchisor. Franchisee shall provide Franchisor with reasonable supporting documentation for all reimbursement requests. The financial assistance described in this paragraph shall be limited to new Restaurant locations and shall not apply in cases of relocations, rebuilds, or re-openings.

4.4 From time to time, Franchisor may agree in writing to provide Franchisee with alternative training arrangements if Franchisee meets certain qualifications as determined by Franchisor.

4.5 From time to time during the term of this Agreement, Franchisor will develop and test new menu items. The menu consists of approved national food and beverage selections. Franchisee shall comply with all menu changes which generally occur every six months. The menu may be modified to reflect food and beverage items peculiar to Franchisee's local area, subject to Franchisor's testing and approval.

5. RESTAURANT SYSTEM AND PROCEDURES

5.1 Franchisor shall furnish Franchisee with advice and assistance in managing and operating the Restaurant, and Franchisor's representatives will visit the Restaurant periodically. Franchisor will assist Franchisee in coordinating the Restaurant's pre-opening activities, and as noted more particularly in Subsection 4.2 hereof, shall provide Franchisee with the services of certain of Franchisor's personnel to facilitate proper operation of the Restaurant when it opens for business.

5.2 Franchisee shall designate an employee who will supervise the Restaurant, and devote his or her full time, best efforts and constant personal attention to the day-to-day operation of the Restaurant (the "**General Manager**"). Franchisee also shall designate an employee who will supervise the Restaurant kitchen, and devote his or her full time, best efforts and constant personal attention to the day-to-day operation of the Restaurant kitchen (the "**Kitchen Manager**") and an appropriate number of Assistant Managers.

5.3 [Intentionally Omitted]

5.4 Unless Franchisor shall have given its prior written approval, Franchisee shall keep the Restaurant open for business only during the hours which are specified by Franchisor in the Franchise Operations Manual or in such other materials or manuals provided or made available by Franchisor to Franchisee (as amended, restated, supplemented or otherwise modified from time to time by Franchisor in its sole discretion, collectively, the "**Manuals**"), provided that such hours do not conflict with state laws or local ordinances relating to the sale of alcoholic beverages or governing the hours during which restaurant establishments may be open for business. In addition, Franchisee expressly agrees to:

(a) operate the Restaurant in a clean, safe and orderly manner, providing courteous, first-class service to the public;

(b) diligently promote and make every reasonable effort to increase the business of the Restaurant;

(c) advertise the business of the Restaurant by the use of the Marks and such other insignia, slogans, emblems, symbols, designs and other identifying characteristics as may be developed or established from time to time by Franchisor and included in the Manuals, subject to the limitations of Subsections 8.4 and 8.5 hereof;

(d) prohibit and, to the best of Franchisee's ability, prevent the use of the Restaurant for any immoral or illegal purpose, or for any other purpose, business activity, use or function which is not expressly authorized hereunder or in the Manuals; and

(e) comply fully with all applicable laws and regulations, including, but not limited to, those relating to building construction, maintenance and safety, environmental, fire prevention, food safety, public access and the sale of alcoholic beverages.

5.5 Franchisee hereby acknowledges receipt and loan of a copy of the Manuals heretofore or hereinafter furnished to Franchisee, and agrees to faithfully, completely and continuously perform, fulfill, observe and follow all instructions, requirements, standards, specifications, systems and procedures contained therein, including: (a) those relating to the construction, design, decor, building and equipping of the Restaurant; (b) those relating to the selection, purchase, storage, preparation, packaging, service and sale of all products being sold at the Restaurant; (c) those relating to the maintenance and repair of Restaurant building, grounds, equipment, signs, interior and exterior decor items, fixtures and furnishings; and (d) those relating to employee uniforms and dress, accounting, bookkeeping, record retention, and other business systems, procedures and operations. The Manuals are incorporated herein by reference and hereby made part of this Agreement. Franchisee acknowledges and agrees that the materials contained in the Manuals are integral, necessary and material elements of the System.

5.6 Franchisee understands, acknowledges and agrees that strict conformity with the System, including the standards, specifications, systems, procedures, requirements and instructions contained in this Agreement and in the Manuals, is vitally important, not only to the success of Franchisor, but to the collective success of all of Franchisor's other franchisees, by reason of the benefits which Franchisor and all of its franchisees will derive from uniformity in products sold, identity, quality, appearance, facilities and service among all restaurant units which are part of the System. Without limiting the generality of the foregoing provisions, Franchisee agrees to adhere strictly to the requirements in the Manuals relating: (a) to the construction, design, decor, building and equipping of the Restaurant; and (b) to the limitations on the number of video games or similar devices which may be placed on the Restaurant premises. Any failure to adhere to the standards, specifications, systems, requirements or instructions contained in this Agreement or in the Manuals shall constitute a material breach of this Agreement.

5.7 Franchisor shall have the right, at any time and from time to time, in the good faith exercise of its reasonable business judgment, consistent with the overall best interests of the System generally, having due regard for the financial burden which may be placed upon its franchisees, to revise, amend, delete from and add to the System and the material contained in the Manuals. Franchisee expressly agrees to comply with all such revisions, amendments, deletions and additions.

5.8 Franchisee shall offer for sale from the Restaurant, at all times when the Restaurant is open for business, only the products which are expressly designated in the Manuals, except, as noted more particularly in Subsection 4.3, to the extent that Franchisee has obtained Franchisor's prior written consent to a modification of that requirement. No product shall be offered or sold at or from the Restaurant under, or in connection with, any trademark or service mark other than Franchisor's designated Marks without Franchisor's prior written consent.

5.9 Franchisor shall have the right to establish or to designate a group purchasing program from time to time (which may include a purchasing or distribution cooperative), with respect to equipment, supplies,

inventory and services used in or by the Restaurant. Promptly upon notice thereof from Franchisor, Franchisee shall execute a participation agreement in the form approved by Franchisor for the group purchasing program and participate therein. Franchisor may modify or discontinue the group purchasing program at any time upon 30 days' prior written notice to Franchisee.

5.10 Franchisee shall obtain all food and beverage products, equipment, signs, interior and exterior decor items, fixtures, furnishings, supplies, and other products and materials required for the operation of or sold at the Restaurant solely from suppliers (including manufacturers, distributors and other sources) who demonstrate, to Franchisor's continuing reasonable satisfaction, the ability to meet Franchisor's then-current standards and specifications for such items; who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; and who have been approved in writing by Franchisor and not thereafter disapproved. The Manuals contain a list of approved suppliers. If Franchisee desires to purchase any items from an unapproved supplier, Franchisee shall submit to Franchisor a written request for such approval, which approval shall not be unreasonably withheld, or shall request the supplier itself to do so. Franchisor shall have the right to inspect the supplier's facilities, and to require that samples from the supplier be delivered, at Franchisor's option, either to Franchisor or to an independent, certified laboratory designated by Franchisor for testing. Franchisee or the supplier shall pay the costs of any such test. Franchisor shall notify Franchisee in writing within 60 days of receiving any such request whether it disapproves the supplier. Failure by Franchisor to so notify Franchisee within that period shall be deemed to constitute Franchisor's approval of such supplier. Franchisor reserves the right, at its option, to reinspect the facilities and retest products of any such approved supplier at any time and to revoke its approval upon the supplier's failure to continue to meet any of Franchisor's criteria. Notwithstanding the foregoing, any supplier of goods which will bear any of the Marks shall not be approved to supply Franchisee such goods until such supplier has entered a written agreement with Franchisor or its affiliated companies regarding the production, use and sale of such goods.

5.11 No food or beverage product, interior or exterior decor item, sign, item of equipment, fixtures, furnishings or supplies, or other product or material required for the operation of the Restaurant, which bears any of the Marks, shall be used or sold in or upon the Restaurant premises unless the same shall have been first submitted to and approved in writing by Franchisor.

5.12 The Manuals and all related material furnished to Franchisee hereunder are and shall remain the property of Franchisor, and must be returned to Franchisor, along with any copies made thereof, immediately upon request or upon the expiration or earlier termination of this Agreement.

5.13 Franchisee shall participate in any of Franchisor's gift card programs.

6. TRAINING

6.1 Franchisor shall make its operations training course available to the General Manager, the Kitchen Manager, and Franchisee's Assistant Managers and other Restaurant managers.

6.2 Before the Restaurant opens for business, and thereafter as replacement personnel are employed by Franchisee, the General Manager, the Kitchen Manager and each Assistant Manager shall attend Franchisor's operations training facility for such period of time as Franchisor shall deem reasonably necessary, and shall successfully complete that course to Franchisor's reasonable satisfaction. If the General Manager, Kitchen Manager or an Assistant Manager fails to successfully complete Franchisor's operations training course, Franchisor may require designation of a new General Manager, Kitchen Manager or Assistant Manager, as the case may be, and Franchisee shall designate a new General Manager, Kitchen Manager or Assistant Manager, who shall be required to successfully complete such training course.

6.3 The General Manager, the Kitchen Manager and each Assistant Manager shall, from time to time as reasonably required by Franchisor, attend and successfully complete to Franchisor's reasonable satisfaction a Franchisor-provided refresher course in restaurant operations.

6.4 Franchisee shall be responsible for the Restaurant's compliance with the operating standards, methods, techniques and material taught at Franchisor's operations training course, and shall cause the employees of the Restaurant to be trained in such standards, methods and techniques as are relevant to the performance of their respective duties.

6.5 Attendance of the General Manager, the Kitchen Manager and each Assistant Manager at any of Franchisor's training courses shall be tuition-free. Franchisee shall pay all other costs and expenses relating to the attendance of Franchisee's personnel at any of Franchisor's training courses, including, without limitation, the cost of travel, lodging, meals, and other related and incidental expenses.

7. RESTAURANT MAINTENANCE

7.1 Franchisee shall, at Franchisee's sole cost and expense, maintain the Restaurant in conformity with the standards, specifications and requirements of the System, as the same may be designated by Franchisor from time to time. Franchisee specifically agrees to repair or replace, at Franchisee's cost and expense, equipment, signs, interior and exterior decor items, fixtures, furnishings, supplies, and other products and materials required for the operation of the Restaurant as necessary or desirable, and to obtain, at Franchisee's cost and expense, any new or additional equipment, signs, interior and exterior decor items, fixtures, furnishings, supplies, and other products and materials which may be reasonably required by Franchisor for new products or procedures. Except as may be expressly provided in the Manuals, no alterations or improvements, or changes of any kind in design, equipment, signs, interior or exterior decor items, fixtures or furnishings shall be made in or about the Restaurant or Restaurant premises without the prior written approval of Franchisor in each instance.

7.2 In order to assure the continued success of the Restaurant, Franchisee must, at any time from time to time after the six-year anniversary of the date of this Agreement as reasonably required by Franchisor (taking into consideration the cost and then-remaining term of this Agreement), modernize the Restaurant premises, equipment, signs, interior and exterior decor items, fixtures, furnishings, supplies, and other products and materials required for the operation of the Restaurant, to Franchisor's then-current standards and specifications. Franchisee's obligations under this Subsection are in addition to, and shall not relieve Franchisee from, any of its other obligations under this Agreement, including those contained in the Manuals.

7.3 If Franchisee is or becomes a lessee of the Restaurant premises, Franchisee shall have included in the lease provisions expressly permitting both Franchisee and Franchisor to take all actions and make all alterations referred to under Subsections 7.1 and 7.2 hereof, requiring the lessor thereunder to give Franchisor reasonable notice of any contemplated termination, and providing that Franchisee has the unrestricted right to assign the lease to Franchisor, Franchisor's affiliates or approved franchisees of Franchisor without the lessor having any right to impose conditions on such assignment or to obtain any payment in connection therewith. Franchisee shall not, without the prior written consent of Franchisor, execute any lease or other agreement which imposes, or purports to impose, any limitations on the ability of Franchisee and/or of Franchisor or its affiliates to operate additional restaurants at any particular location beyond the geographic limitation set forth in Section 1.4 hereof, or any lease the term of which is shorter than the term of this Agreement. For purposes of clarification, Franchisor may require the lease to contain such other provisions as may be specified in Franchisor's then current lease approval policy or the terms and conditions of Franchisor's approval of the site for the Restaurant.

8. ADVERTISING

8.1 Franchisor shall develop and administer advertising, public relations and sales promotion programs designed to promote and enhance the collective success of all restaurant units in the System. It is expressly understood, acknowledged and agreed that in all phases of such advertising and promotion, including, without limitation, type, quantity, timing, placement and choice of media and medium, market areas, advertising agencies and public relations firms, Franchisor's decisions shall be final and binding. Franchisee shall have the right to participate actively in all such advertising, public relations and sales promotion programs, but only in full and complete accordance with such terms and conditions as may be established by Franchisor for each such program.

8.2 Franchisee shall pay the amounts described in this Section 8.2, in the manner described in Section 9 hereof.

(a) Advertising (National Advertising Fund):

(i) From the Commencement Date through December 31, 2024, Franchisee shall pay to Franchisor a minimum dollar amount equal to 4.25% of Franchisee's gross sales, as defined in Subsection 9.3 hereof (the "**Minimum Rate**").

(ii) From January 1, 2025 through the term of this Agreement, Franchisee shall pay to Franchisor a minimum dollar amount equal to 3.25% of Franchisee's gross sales.

(iii) The funds mentioned in Section 8.2(a)(i) and Section 8.2(a)(ii) shall become the sole and absolute property of Franchisor, to be allocated to a separate "**advertising account**" established by Franchisor (the "**Fund**"). Franchisor shall use such funds for market studies, advertising and marketing studies or services, production of commercials, advertising copy and layouts, traffic costs, agency fees, marketing personnel, or any other costs associated with the development, marketing and testing of advertising, and for the purchase of advertising time, space or materials in national, regional or other advertising media, in a manner determined by Franchisor in its sole discretion; provided, however, that all interest earned on such funds shall be Franchisor's or its affiliate's sole property. Within six months following the end of Franchisor's fiscal year, Franchisor shall provide all franchisees with an accounting of all amounts received from them and expended by Franchisor from the Fund for the matters set forth above.

(b) Local Advertising:

(i) From the Commencement Date through December 31, 2024, Franchisee shall not be required to expend a minimum dollar amount for local promotional activities.

(ii) From January 1, 2025 through the term of this Agreement, Franchisee shall expend a minimum dollar amount equal to 0.5% of Franchisee's gross sales, for local promotional activities, subject to the provisions of Subsections 8.3, 8.5 and 8.6 hereof.

(iii) Franchisor shall have the right at all times to review Franchisee's books and records, and to require Franchisee to produce evidence of its gross sales and local promotional activities, to ensure Franchisee's compliance with this Section. Any amount determined by said audit to be due Franchisor as part of the advertising fee will be paid to Franchisor by Franchisee within 10 days thereafter.

(c) At any time after execution of this Agreement, Franchisor may in its sole discretion increase, to a maximum of 4% of gross sales, the percentage of gross sales which Franchisee shall be required to pay to Franchisor for allocation to the Fund pursuant to Subsection 8.2. Franchisor shall use the funds paid pursuant to that increased percentage requirement solely for the purchase of advertising time, space or materials in national, regional or other advertising media, in a manner determined by Franchisor in its sole discretion, provided that in each calendar year (or other 12-month period established by Franchisor) in which Franchisor

makes expenditures for advertising from the Fund, so long as Franchisee is in compliance with its obligations hereunder, Franchisor's expenditures for advertising in the Territory encompassed by the Development Agreement (including expenditures for national or regional advertising in media which reach that Territory) shall be on a basis which is roughly proportional to Franchisee's contribution to the Fund during that calendar year or other 12-month period; provided that, Franchisor does not guarantee that the benefits of such advertising will be equal to or comparable to the benefits of advertising received by other Applebee's Neighborhood Grill & Bar franchisees.

(d) Franchisor also may increase the percentage of gross sales which Franchisee shall be required to spend for local promotional activities, provided however, that in no event shall Franchisee be required to make payments pursuant to Subsection 8.2 in an aggregate dollar amount in excess of 5% of gross sales. For purposes of clarification, Franchisor may also decrease the amounts required to be paid or expended by Franchisor pursuant to this Subsection 8.2.

8.3 Franchisor may designate any geographic area in which two or more Restaurants are located and owned by different parties as a region for purposes of establishing an advertising cooperative (a "**Cooperative**").

(a) If a Cooperative is established, the members of the Cooperative for that region will consist of all Restaurants whether operated by Franchisor, its affiliated companies, or franchisees. Franchisor will determine in advance how each Cooperative will be organized and governed and when it must start operation. Each Cooperative will be governed by a co-op advertising policy, which will be provided to all members of the Cooperative upon request. Once the Cooperative is established, members of the Cooperative may not dissolve, merge or change the structure of a Cooperative without the prior written consent of Franchisor. Each Cooperative will be organized for the exclusive purposes of administering advertising programs and developing, subject to Franchisor's approval, promotional materials for use by the members in Local Advertising. If a Cooperative has been established for a geographic area where the Restaurant is located when the Franchise Agreement is signed, or if any Cooperative is established during the term of the Franchise Agreement, Franchisee must sign all documents Franchisor requests and become a member of the Cooperative according to the terms of the documents. Franchisor will provide to Franchisee a copy of the Cooperative documents applicable to the geographic area in which the Restaurant will be located upon Franchisee's request.

(b) Franchisee must contribute to the Cooperative the amounts required by the documents governing the Cooperative, subject to the maximum contributions described in Section 8.2(b) above. Franchisee's payments to the Cooperative will apply toward satisfaction of Franchisee's Local Advertising requirement. Franchisee agrees to submit to Franchisor and the Cooperative any reports that Franchisor or the Cooperative requires. All contributions to the Cooperative will be maintained and administered according to the Cooperative governing documents. Franchisor retains the right to approve all expenditures made by the Cooperative. The Cooperative will be operated solely as a means for the collection and expenditure of the Cooperative fees for the purposes outlined above. No advertising or promotional plans or materials may be used by the Cooperative or furnished to its members without first obtaining Franchisor's approval.

8.4 Franchisee shall submit to Franchisor, for Franchisor's approval, an advertising campaign plan relating to the promotion of the opening of the Restaurant which is sufficient to meet the needs of the market. The Manuals contain a Press Release kit to assist Franchisee in this regard. Franchisee shall conduct the approved advertising campaign and make all expenditures for advertising to promote the opening of the Restaurant no later than 60 days after the Restaurant opens for business. Franchisor will reimburse 50% of Franchisee's out-of-pocket advertising expenditures up to a maximum of \$2,500, if Franchisee meets the following criteria:

(a) Franchisee's opening advertising expenditures are made, and the approved advertising campaign has been conducted, within 60 days after the opening of the Restaurant;

(b) Franchisee submits to Franchisor within 120 days after the opening of the Restaurant documentation for the opening advertising expenditures, such as paid invoices from suppliers of goods or services evidencing expenditure on the opening advertising promotion; and

(c) Franchisee's opening advertising expenditures are made pursuant to the approved advertising campaign plan and in accordance with the Grand Opening Reimbursement Program Policy Guidelines set forth in the Manuals.

8.5 Nothing in the foregoing Subsections shall be deemed to prohibit Franchisee from making additional expenditures for local promotional activities. All of Franchisee's local promotional activities shall utilize approved advertising media. "**Approved advertising media**" are limited to the following:

- (a) Newspapers, magazines and other such periodicals;
- (b) Radio and television;
- (c) Outdoor advertising by signs displayed on billboards or buildings; and
- (d) Handbills, flyers, door-hangers and direct mail.

In the event Franchisee wants to use a form of advertising medium not set forth above, Franchisee shall submit a description of such medium and advertising to Franchisor. Franchisor shall notify Franchisee whether it approves the use of such medium within 30 days of Franchisee's request. Failure by Franchisor to so notify Franchisee within that period shall be deemed to constitute Franchisor's approval of such request. Guidelines for local promotional activities are contained in the Manuals, including Franchisee's required participation in any co-operative marketing program.

8.6 All advertising copy and other materials employed by Franchisee in local promotional activities shall be in strict accordance and conformity with the standards, formats and specimens contained in the Manuals and shall receive the prior approval of Franchisor. In the event Franchisee wishes to deviate from the materials contained in the Manuals, Franchisee shall submit, in each instance, the proposed advertising copy and materials to Franchisor for approval in advance of publication. Franchisor shall notify Franchisee in writing, within 15 days of such submission, whether Franchisor disapproves such advertising copy and materials. Failure by Franchisor to so notify Franchisee within that period shall be deemed to constitute Franchisor's approval of such advertising copy and materials. In no event shall Franchisee's advertising contain any statement or material which may be considered: (a) in bad taste or offensive to the public or to any group of persons; (b) defamatory of any person or an attack on any competitor; (c) to infringe upon the use, without permission, of any other persons' trade name, trademark, service mark or identification; or (d) inconsistent with the public image of Franchisor or of the System.

9. FEES

9.1 As partial consideration for the rights granted hereunder, Franchisee shall pay Franchisor:

(a) an initial franchise fee of _____ dollars (\$ _____), to be paid in the manner prescribed in Subsection 4.1 of the Development Agreement as payment for the grant of the franchise. If Franchisor has not received such fee within 5 business days of the date hereof, Franchisee authorizes Franchisor, at Franchisor's election and without obligation to do so, to electronically debit such fee from any of Franchisee's accounts enrolled in Franchisor's electronic funds transfer program. Should, for any reason whatsoever, the funds in any such account be insufficient to pay in full the amount due, Franchisee shall

remain liable for such shortfall and, immediately upon demand, remit to Franchisor the full amount of any such deficiency;

(b) a monthly royalty fee as determined by Franchisor, not to exceed 5% of each calendar month's gross sales, as provided in Subsection 4.3 of the Development Agreement, as payment for Franchisee's continuing right to operate the Restaurant as part of the System (*see Exhibit 1*); and

(c) a monthly advertising fee equal to such percentage of each calendar month's gross sales as Franchisor may require pursuant to Subsection 8.2 hereof.

9.2 The fees referred to in Subsections 9.1(b) and (c) (the "**Fees**") shall be paid on or before the twelfth day of the next full month immediately following the month to which the Fees relate. Any Fees, including the initial franchise fee, which are not paid when due shall bear interest from and after the due dates thereof at the rate of 18% per annum or the highest rate permitted by applicable law, whichever is less.

9.3 (a) Except for the sale of a gift card (on which royalty shall be due and payable upon redemption of the gift card and as provided in Subsection 9.3(b) hereof, the term "**gross sales**," as used in this Agreement, shall mean all receipts (cash, cash equivalents or credit) or revenues from sales from all business conducted upon or from the Restaurant premises, whether evidenced by check, cash, credit, debit card, charge account, exchange or otherwise, including, but not limited to, amounts received from the sale of goods, wares and merchandise (including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise), from all services performed from or at the Restaurant premises, and from all orders taken or received at the Restaurant premises, regardless of where such orders are filled (including any payments received from the sale of meals to employees). Gross sales shall not be reduced by any deductions for cash shortages incurred in connection with the transaction of business with customers, credit card company charges or theft which is reimbursed by insurance or is not reported to the appropriate police authorities. Each charge or sale upon installment or credit shall be treated as a sale for the full price in the month during which such charge or sale shall be first made, irrespective of the time when Franchisee shall receive payment (whether full or partial) therefor.

(b) Gross sales shall not include: (i) the sale of merchandise for which cash has been refunded or, except as provided in the second sentence of Subsection 9.3(a), not received, or allowances made for merchandise, if the sales of any such returned or exchanged merchandise shall have been previously included in gross sales; (ii) the amount of any sales tax imposed by any federal, state, municipal or other governmental authority directly on sales and intended to be collected from customers, provided that the amount thereof is added to the selling price and actually paid by Franchisee to such governmental authority; (iii) the sale of merchandise for which a gift card is redeemed, if the initial sale of the gift card shall have been previously included in gross sales; (iv) the sale of waste products of the Restaurant; (v) telephone, game and vending machine revenues; (vi) the sale of non-food items or beverages at a discount in connection with a promotional campaign; (vii) one-time sale of furniture, fixtures or equipment; (viii) theft which is not covered by insurance and is reported to the appropriate police authorities; and (ix) delivery fees imposed in connection with dispatch services provided by Mobo Systems, Inc. In addition, Franchisor may, from time to time, in writing, permit or allow certain other items to be excluded from gross sales. Any such permission or allowance may be revoked or withdrawn at Franchisor's discretion.

9.4 Franchisee agrees that, subject to the provisions of this Section 9.4, Franchisor or its designee may withdraw funds from Franchisee's designated bank account by electronic funds transfer ("**EFT**") in the amount of any royalties or other fees payable to Franchisor under this Agreement. Franchisor or its designee will make each EFT withdrawal of the royalty fees described in Section 9.1(b) and advertising fees described in Section 9.1(c) on the dates such payments are due. Franchisor or its designee may withdraw any other payments owed to Franchisor pursuant to, or in connection with, this Agreement if such payments become more than 10 days past due. Franchisee's designated bank account for EFT withdrawals shall at all times be

maintained in the United States and such account shall permit EFT withdrawals by Franchisor or its designee without approval of, or involvement by, a government agency or authority. If Franchisee has not submitted a monthly Restaurant report as required by Section 10.2(a) hereof, Franchisor or its designee may make an EFT withdrawal for overdue royalty fees based on a good faith estimate of the Gross Sales for the applicable month. After the applicable monthly Restaurant report is submitted, Franchisor or its designee will make an appropriate credit to Franchisee for any overpayment or will invoice Franchisee for any underpayment, as applicable.

9.5 Franchisee will, upon execution of this Agreement, execute a document in the form of **Appendix D**, granting to Franchisor or its designee the authority to process EFTs from Franchisee's designated bank account. From time-to-time at Franchisor's request, Franchisee will execute any additional documents necessary to confirm or update this authority. Franchisee will be responsible for any EFT transfer fee or similar charge imposed by Franchisee's bank, and for any service charges incurred by Franchisor or its designee and/or imposed by Franchisee's bank should any EFT not be honored by Franchisee's bank for any reason. Throughout the term of this Agreement, Franchisee will maintain a minimum balance sufficient to satisfy all of Franchisee's obligations under this Agreement. It will be a material event of default of Franchisee if Franchisee closes the account without Franchisor's consent, or closes the account with Franchisor's consent, but fails to promptly establish another account and execute all documents necessary for Franchisor or its designee to process all payments by EFT from the new account.

10. RECORD KEEPING; ACCESS TO INFORMATION

10.1 Franchisee shall employ a point of sale system approved by Franchisor, without modification, in connection with the business of the Restaurant. Franchisee shall use such bookkeeping and record keeping forms as shall be prescribed in the Manuals.

10.2 Franchisee shall complete and submit to Franchisor, on a regular, continuous basis, each of the following reports, in the form specified in the Manuals:

- (a) monthly Restaurant reports, on or before the 12th day of each calendar month following the month to which the report relates;
- (b) annual Restaurant reports, on or before the 15th day of April of each year;
- (c) weekly gross sales reports, on or before the Tuesday following the calendar week to which the report relates; and
- (d) such additional reports as Franchisor shall request.

10.3 The annual Restaurant reports referred to above shall include a balance sheet dated as of the end of Franchisee's fiscal year or calendar year and a profit and loss statement for such year, together with such additional financial information as Franchisor may reasonably request. Such balance sheet and profit and loss statement shall be prepared in accordance with generally accepted accounting principles, certified as correct and complete by Franchisee's chief executive officer, president, chief financial officer or controller and reported on and reviewed by an independent state-licensed certified public accountant. If Franchisee fails to provide Franchisor with such balance sheet and profit and loss statement, Franchisor shall have the right to have an independent audit made of Franchisee's books and records, and Franchisee shall promptly reimburse Franchisor for the cost thereof.

10.4 Each of the reports referred to in this Section 10 shall be completed by Franchisee or its accountant in the respective specimen forms, and in accordance with the instructions, contained in the Manuals.

Subsection 10.3 notwithstanding, time is of the essence with respect to the completion and submission of each such report.

10.5 Franchisee shall install and maintain such equipment, make such arrangements and follow such procedures as Franchisor may require in the Manuals or otherwise in writing (including the establishment and maintenance of Internet, intranet or extranet access or such other means of electronic communication, as specified by Franchisor from time to time) to permit Franchisor to access, download, and retrieve electronically, by telecommunication or other designated method, any information stored in Franchisee's electronic cash registers or on Franchisee's computer systems, including information concerning the gross sales of the Restaurant, and to permit Franchisor to upload and for Franchisee to receive and download information from Franchisor with or without Franchisee's prior consent. Franchisee further agrees that Franchisor will have and be afforded access to such information at the times and in the manner that Franchisor may specify from time to time, including extracting information by electronic, digital or other means.

11. FRANCHISEE ORGANIZATION, AUTHORITY, FINANCIAL CONDITION AND SHAREHOLDERS

11.1 Franchisee and each Principal Shareholder represent and warrant that: (a) Franchisee is a corporation duly incorporated, validly existing and in good standing under the laws of the State of its incorporation; (b) Franchisee is duly qualified and is authorized to do business and is in good standing as a foreign corporation in each jurisdiction in which the Restaurant is located and its business activities or the nature of the properties owned by it requires such qualification; (c) the execution and delivery of this Agreement and the transaction contemplated hereby are within Franchisee's corporate power and do not and will not conflict with or interfere with, directly or indirectly, intentionally or otherwise, with the terms of any other agreement with any other third party to which Franchisee, any Principal Shareholder or any person with an ownership interest in Franchisee or any Principal Shareholder is a party; (d) the execution and delivery of this Agreement has been duly authorized by Franchisee and is permitted by its articles of incorporation and by-laws; (e) the articles of incorporation and by-laws of Franchisee delivered to Franchisor are true, complete and correct, and there have been no changes therein since the date thereof; (f) the certified copies of the minutes electing the officers of Franchisee and authorizing the execution and delivery of this Agreement are true, correct and complete, and there have been no changes therein since the date(s) thereof; (g) the specimen stock certificate delivered to Franchisor is a true specimen of Franchisee's stock certificate; (h) the most recent balance sheet of Franchisee ("Balance Sheet") and the most recent balance sheets of its Principal Shareholders heretofore delivered to Franchisor, are true, complete and correct, and fairly present the financial positions of Franchisee and each Principal Shareholder, respectively, as of the dates thereof; (i) the Balance Sheet and each such balance sheet have been prepared in accordance with generally accepted accounting principles; and (j) there have been no materially adverse changes in the condition, assets or liabilities of Franchisee or Principal Shareholders since the date or dates thereof.

11.2 Franchisee and each Principal Shareholder covenant that during the term of this Agreement: (a) Franchisee shall do or cause to be done all things necessary to preserve and keep in full force its corporate existence and shall be in good standing as a foreign corporation in each jurisdiction in which its business activities or the nature of the properties owned by it requires such qualification; (b) Franchisee shall have the corporate authority to carry out the terms of this Agreement; and (c) Franchisee shall print, in a conspicuous fashion on all certificates representing shares of its stock when issued, a legend referring to this Agreement and the restrictions on and obligations of Franchisee and Principal Shareholders hereunder, including the restrictions on transfer of Franchisee's shares.

11.3 In addition to the financial information which Franchisee is required to provide to Franchisor under Subsections 10.2 and 11.1 hereof, Franchisee and Principal Shareholders shall provide Franchisor with such other financial information as Franchisor may reasonably request from time to time, including without limitation: (a) on an annual basis, copies of the then-most current financial statements of Franchisee and each

Principal Shareholder, dated as of the end of the last preceding fiscal year of Franchisee or Principal Shareholder, said statements to be delivered to Franchisor no later than April 15 of each year, which financial statements shall conform to the standards set forth in Subsection 11.1 hereof, (b) on a quarterly basis, copies of the then-most current quarterly financial statements of Franchisee and each Principal Shareholder, which shall include a balance sheet, profit and loss statement and statements of cash flow, said statements to be delivered to Franchisor no later than 60 days after the end of each such quarter, which financial statements shall conform to the standards set forth in Subsection 11.1 hereof, and (c) on a quarterly basis, a copy of the then-most current quarterly Restaurant-level profit and loss statement, said statement to be delivered to Franchisor no later than 60 days after the end of each such quarter, which statement shall conform to the standards set forth in Subsection 11.1 hereof.

11.4 Franchisee and each Principal Shareholder represent, warrant and covenant that all Interests (as defined in Subsection 12.4 hereto) in Franchisee are owned as set forth on **Appendix A** hereto, that no Interest has been pledged or hypothecated (except in accordance with Section 12 of this Agreement), and that no change will be made in the ownership of any such Interest other than as permitted by this Agreement, or otherwise consented to in writing by Franchisor. Franchisee and Principal Shareholders agree to furnish Franchisor with such evidence as Franchisor may request, from time to time, for the purpose of assuring Franchisor that the Interests of Franchisee and Principal Shareholders remain as represented herein. Franchisee and Principal Shareholders represent and warrant that (x) the Entity Information Sheet attached as **Appendix A** hereto accurately indicates the beneficial and direct ownership of all Interests in the Franchisee, each Principal Shareholder, and each other entity specified thereon and (y) each person and entity indicated on **Appendix A** as an authorized signatory and officer of the Franchisee, Principal Shareholder, or other entity specified therein is in fact an authorized signatory and duly elected officer of such entity and has been duly authorized to execute and deliver this Agreement and all other agreements and instruments in connection herewith. Franchisor may rely these representations and warranties on an ongoing basis throughout the term of this Agreement and Franchisee and Principal Shareholders shall promptly update Franchisor as to any changes in the information provided on **Appendix A**.

11.5 Each Principal Shareholder, jointly and severally, hereby personally and unconditionally guarantees each of Franchisee's financial obligations to Franchisor (including, but not limited to, all obligations relating to the payment of fees by Franchisee to Franchisor). Each Principal Shareholder agrees that Franchisor may resort to such Principal Shareholder (or any of them) for payment of any such financial obligation, whether or not Franchisor shall have proceeded against Franchisee, any other Principal Shareholder or any other obligor primarily or secondarily obligated to Franchisor with respect to such financial obligation. Each Principal Shareholder hereby expressly waives presentment, demand, notice of dishonor, protest, and all other notices whatsoever with respect to Franchisor's enforcement of this guaranty. In addition, each Principal Shareholder agrees that if the performance or observance by Franchisee of any term or provision hereof is waived or the time of performance thereof extended by Franchisor, or payment of any such financial obligation is accelerated in accordance with any agreement between Franchisor and any party liable in respect thereto or extended or renewed, in whole or in part, all as Franchisor may determine, whether or not notice to or consent by any Principal Shareholder or any other party liable in respect to such financial obligations is given or obtained, such actions shall not affect or alter the guaranty of each Principal Shareholder described in this Subsection.

11.6 Franchisee and each Principal Shareholder represent and warrant to Franchisor that:

(a) Neither Franchisee nor any Principal Shareholder or any other person with a direct or indirect ownership interest in Franchisee is identified, either by name or an alias, pseudonym or nickname, on the list of "**Specially Designated Nationals and Blocked Persons**" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts available at www.treas.gov/offices/enforcement/ofac/). Further, Franchisee and its Principal Shareholders represent and warrant that neither has violated and agree that neither will violate any law (in effect now or which may become effective in the future) prohibiting corrupt business practices, money laundering or the aid or support of persons or entities who conspire to commit acts

of terror against any person or government, including acts prohibited by the U.S. Patriot Act (text available at <http://www.epic.org/privacy/terrorism/hr3162.html>), U.S. Executive Order 13244 (text available at <https://www.treasury.gov/resource-center/sanctions/Programs/Documents/terror.pdf>, or similar law;

(b) Franchisee has not made, nor has any Principal Shareholder made, any expenditures other than for lawful purposes or directly or indirectly offered, gave, promised to give or authorized the payment or the gift of any money, or anything of value, to any person or entity, while knowing or having reason to know that all or a portion of such money or thing of value would be given or promised, directly or indirectly, to any government official, official of an international organization, officer or employee of a foreign government or anyone acting in an official capacity for a foreign government, for the purpose of: (1) influencing any action, inaction or decision of such official in a manner contrary to his or her position or creating an improper advantage; or (2) inducing such official to influence any government or instrumentality thereof to effect or influence any act or decision of such government or instrumentality.

(c) Franchisee nor any Principal Shareholder or any other person or entity who has any direct or indirect ownership interest is or will become directly or indirectly owned or controlled by governmental authorities of any country that is subject to a United States embargo; and

(d) Franchisee understands and its Principal Shareholders understand and have been advised by legal counsel on the requirements of the United States Foreign Corrupt Practices Act (currently located at <https://www.justice.gov/criminal-fraud/foreign-corrupt-practices-act>, any local foreign corrupt practices laws and the Patriot Act (currently located at www.epic.org/privacy/terrorism/hr3162.html), acknowledge the importance to Franchisor and the Restaurants and the parties' relationship of their respective compliance with the requirements of these laws, including any applicable auditing requirements and any requirement to report or provide access to information to Franchisor or any government, that is made part of any applicable law, and agree to take all steps required by their consultants, agents and employees to comply with such laws prior to engaging or employing any such individuals or entities.

12. TRANSFER

12.1 There shall be no Transfer of any Interest of Franchisee, or of a Principal Shareholder in Franchisee, in whole or in part (whether voluntarily or by operation of law), directly, indirectly or contingently, except in accordance with the provisions of this Section 12. “**Transfer**” and “**Interest**” are defined in Subsections 12.2, 12.3 and 12.4. Any proposed Transfer also shall be subject to the provisions of the Development Agreement, which are incorporated herein by reference.

12.2 Except as provided in Subsection 12.3, “**Transfer**” shall mean any assignment, sale, pledge, hypothecation, gift or any other event which would change ownership of or change or create a new Interest, including, but not limited to:

(a) any change in the ownership of or rights in or to any shares of stock or other equity interest in Franchisee which would result from the act of any shareholder of Franchisee (“**Shareholder**”), such as a sale, exchange, pledge or hypothecation of shares, or any interest in or rights to any of Franchisee’s profits, revenues or assets, or any such change which would result by operation of law; and

(b) any change in the percentage interest owned by any Shareholder in the shares of stock of Franchisee, or interests in its profits, revenues or assets which would result from any act of Franchisee such as a sale, pledge or hypothecation of any Restaurant assets (other than a pledge of assets to secure bona fide loans made or credit extended in connection with acquisition of the assets pledged, provided that immediately before and after such transaction the net worth of Franchisee shall not be less than the amount which is reflected on the Balance Sheet referred to in Subsection 11.1 of this Agreement); any sale or issuance of any shares of Franchisee’s stock; the retirement or redemption of any shares of Franchisee’s stock; or any sale or grant to

any person of any right to participate in or otherwise to share or become entitled to any part of Franchisee's profits, revenues, assets or equity.

12.3 “**Transfer**” shall not include: (a) a change in the ownership of or rights to any shares or other equity interest in Franchisee pursuant to a public offering of Franchisee's securities registered under the Securities Act of 1933, or (b) a change in the ownership of or rights to any securities or other equity interest in Franchisee pursuant to a private offering of Franchisee's securities exempted from registration under such Act, provided that Franchisee provides Franchisor with a copy of its prospectus and/or offering memorandum 10 days prior to its filing with the Securities and Exchange Commission or circulation to third parties so that Franchisor may comment and, if necessary, correct any information concerning Franchisor and/or the System, and further provided that after giving effect to such public or private offering, the Principal Shareholders, or any of them, “control” Franchisee. For purposes of this Section 12, “control” means either: (1) owning legal and equitable title to 51% or more of the outstanding voting securities of Franchisee, which are not subject to a proxy granted to or contract with any other person or party granting that party the right to vote part or all of such securities; or (2) having and continually exercising the contractual power presently to designate a majority of the directors of Franchisee.

12.4 “**Interest**” shall mean when referring to interests or rights in Franchisee, any shares of Franchisee's stock and any other equitable or legal right in or to any of Franchisee's stock, revenues, profits or assets; when referring to rights or assets of Franchisee, Franchisee's rights under and interest in this Agreement, the Restaurant and its revenues, profits and assets.

12.5 (a) The Interest of a Principal Shareholder may be transferred to such Principal Shareholder's spouse or children or to a person designated in such Principal Shareholder's will or trust (individually and collectively referred to as a “**Successor**”), upon such Principal Shareholder's death or permanent incapacity, without Franchisor's approval, provided that such Successor shall agree to be bound by the restrictions contained in this Section 12, and the other agreements and covenants of the Principal Shareholders contained in this Agreement;

(b) The Interest of a Principal Shareholder may not be transferred to another Principal Shareholder without Franchisor's approval, which approval shall not be unreasonably withheld; and

(c) The Interest of a Successor may only be transferred in accordance with Subsection 12.5(b), 12.6, 12.7 or 12.8, regardless of whether such Transfer is for consideration or by gift or will or other device.

12.6 If at any time any of the Principal Shareholders desires to dispose of all or substantially all of the Interests of the Principal Shareholder(s) in Franchisee, or any of the Principal Shareholders (or Franchisee) desires to dispose of all or substantially all of Franchisee's Interest in this Agreement or in the assets which Franchisee has acquired as a result of this Agreement, the Principal Shareholder(s) or Franchisee, as the case may be, shall notify Franchisor of that desire, in writing, 30 days before announcing that fact publicly or engaging the services of a broker or sales agent.

12.7 (a) If at any time any of the Principal Shareholders or Franchisee, as the case may be, obtains from a third-party or third parties a bona fide offer (the “**Offer**”) in writing for the purchase of all or substantially all of the Interests of the Principal Shareholders in Franchisee, or of Franchisee's Interest in this Agreement or in the assets which Franchisee has acquired as a result of this Agreement, the Principal Shareholders or Franchisee shall give notice (the “**Selling Notice**”) to Franchisor stating that the Principal Shareholders or Franchisee, as the case may be, have received the Offer, identifying the prospective purchaser by name and address, specifying the proposed purchase price and attaching a true and complete copy of the Offer, including all relevant materials required for approval by Franchisor;

(b) Franchisor shall have an option to purchase (the “**Option**”), exercisable within a period of 45 days after receipt of the Selling Notice (the “**Option Period**”), such Interests at the price and on the conditions set forth in the Offer, except that Franchisor shall not be obligated to pay any finder’s or broker’s fee, and if the Offer provides for payment of consideration other than cash, or if the Offer involves certain intangible benefits, Franchisor may elect to purchase such Interests by offering a reasonable dollar value substitute for the non-cash/intangible benefits part of the Offer. Notwithstanding the foregoing, if Franchisor exercises the Option, Franchisor: (a) will be entitled to receive representations and warranties from Franchisee and the Principal Shareholders, jointly and severally, that are customarily received by purchasers in similar transactions; and (b) will be permitted to not close if it is not satisfied with the results of its business, legal and financial due diligence;

(c) The Option shall be exercisable by Franchisor delivering to the Principal Shareholders or Franchisee, as the case may be, within the Option Period, a notice: (i) stating that the Option is being exercised; and (ii) specifying the time, date and place at which such purchase and sale will take place, which date shall be within 45 days after Franchisor delivers such notice. Franchisee shall provide Franchisor access to and copies of such information and documentation Franchisor shall request regarding the purchase prior to the start of the Option Period. The 45-day limitation for purposes of determining the sale date shall not apply if at the end of said 45-day period the only issue which prevents completion of the purchase and sale is the need to effect transfers of the applicable liquor licenses. In the event of such a delay, the purchase and sale shall take place within 10 days after those liquor licenses have been transferred;

(d) If the Option is not exercised, the Principal Shareholders or Franchisee, as the case may be, may sell the Interests in or of Franchisee to the third-party which made the Offer, on conditions no more favorable to the third-party offerer than those set forth in the Offer, provided that Franchisor approves the proposed transferee in accordance with the criteria set forth in Appendix B and provided further that such sale takes place within 90 days after the expiration of the Option Period. The 90-day limitation described in the preceding sentence shall not apply if at the end of said 90-day period the issue which prevents completion of the purchase and sale is either the need to effect transfers of the applicable liquor licenses or consent or approval of the transaction by a state or federal regulatory agency. In the event of such a delay, the purchase and sale shall take place within 10 days after those issues have been resolved or waived by Franchisor;

(e) If the Option is not exercised, the Principal Shareholders or Franchisee, as the case may be, shall immediately notify Franchisor in writing of any change in the terms of an Offer. Any change in the terms of an Offer shall cause it to be deemed a new Offer, conferring upon Franchisor a new Option pursuant to this Subsection 12.7; the Option Period with respect to the new Option shall be deemed to commence on the day on which Franchisor receives written notice of a change in the terms of the original Offer. Provided however, in such an instance, Franchisor shall provide Franchisee its response within 15 days after Franchisor’s receipt of all the modified terms, unless such changes are deemed material by Franchisor and in such an event, Franchisor shall have a 45-day period within which to review said changes;

12.8 (a) Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Franchisor has entered into this Agreement in reliance on the business skill and financial capability of Franchisee, and the business skill, financial capability and personal character of each Principal Shareholder. Except as otherwise provided in this Section 12, the Principal Shareholders shall at all times retain control of Franchisee. Except as otherwise provided in this Section 12, no Transfer of any part of Franchisee’s Interest in this Agreement or in the Restaurant, and no Transfer of any Interest of any Principal Shareholder, shall be completed except in accordance with this Subsection 12.8. In the event of such a proposed Transfer of any part of Franchisee’s Interest in this Agreement or in the Restaurant, or of any Interest of any Principal Shareholder, the party or parties desiring to effect such Transfer shall give Franchisor notice in writing of the proposed Transfer, which notice shall set forth the name and address of the proposed transferee, its financial condition, including a copy of its financial statement dated not more than 90 days prior to the date of said notice, and all the terms and conditions of the proposed Transfer. Upon receiving

such notice, Franchisor may: (i) approve the Transfer; or (ii) withhold its consent to the Transfer. Franchisor shall, within 45 days of receiving such notice and all of the information requested by Franchisor regarding the proposed Transfer and the parties thereto, advise the party or parties desiring to effect the Transfer whether it: (1) approves the Transfer; or (2) withholds its consent to the Transfer, giving the reasons for such disapproval. Failure of Franchisor to so advise said party or parties within that 45-day period shall be deemed to be an approval of the proposed Transfer. **Appendix B** sets forth the criteria for obtaining Franchisor's consent to a proposed Transfer; and

(b) In the event that Franchisor approves the Transfer and the Transfer is not completed within 90 days of the later of: (i) expiration of the 45-day notice period; or (ii) delivery of notice of Franchisor's approval of the proposed Transfer, Franchisor's approval of the proposed Transfer shall automatically be revoked. The 90-day limitation described in the preceding sentence shall not apply if at the end of said 90-day period the only issue which prevents completion of the Transfer is the need to effect transfers of the applicable liquor licenses. In the event of such a delay, the Transfer shall take place within 10 days after those liquor licenses have been transferred. Any subsequent proposal to complete the proposed Transfer shall be subject to Franchisor's right of approval as provided herein. The party which desires to effect the proposed Transfer shall immediately notify Franchisor in writing of any change in the terms of a Transfer. Any change in the terms of a Transfer prior to closing shall cause it to be deemed a new Transfer, revoking any approval previously given by Franchisor and conferring upon Franchisor a new right to approve such Transfer, which shall be deemed to commence on the day on which Franchisor receives written notice of such changes in terms.

12.9 In connection with any request for Franchisor's approval of a proposed Transfer pursuant to this Section 12, the parties to the proposed Transfer shall pay Franchisor a non-accountable fee to defray the actual cost of review and the administrative and professional expenses related to the proposed Transfer and the preparation and execution of documents and agreements of \$2,500. For purposes of clarification, the transfer fee reflected in the preceding sentence relates to this Agreement only and does not limit the ability of Franchisor to charge fees in connection with other franchise agreements involved in the Transfer.

13. CONFIDENTIALITY; RESTRICTIONS

13.1 Franchisee and its Principal Shareholders acknowledge that over the term of this Agreement they are to receive proprietary information which Franchisor or its affiliates have acquired or developed over time at great expense, including, but not limited to, information regarding the System, methods of site selection, marketing and public relations methods, product analysis and selection, and service methods and skills relating to the development and operation of restaurants. They further acknowledge that this information, which includes, but is not necessarily limited to, that contained in the Manuals, is not generally known in the industry and is beyond their own present skills and experience, and that to develop it themselves would be expensive, time consuming and difficult. Franchisee and its Principal Shareholders further acknowledge that such information provides a competitive advantage and will be valuable to them in the development of their business, and that gaining access to it is therefore a primary reason why they are entering into this Agreement. Accordingly, Franchisee and its Principal Shareholders agree that such information, as described above, which may or may not be "**trade secrets**" under prevailing judicial interpretations or statutes, is private and valuable, and constitutes trade secrets belonging to Franchisor or its affiliates. Accordingly, in consideration of Franchisor's confidential disclosure to them of these trade secrets, Franchisee and Principal Shareholders agree as follows (subject to the provisions of the Development Agreement and any other franchise agreement between Franchisor and Franchisee):

(a) During the term of this Agreement, neither Franchisee nor any Principal Shareholder, for so long as such Principal Shareholder owns an Interest in Franchisee, may, without the prior written consent of Franchisor, directly or indirectly engage in, or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures) in, advise, help, guarantee loans or make loans to, any restaurant business whose menu or method of operation is similar to that

employed by restaurant units within the System which is either: (i) located in the Territory, as defined in the Development Agreement; (ii) located in the Area of Dominant Influence (as defined and established from time to time by Arbitron Ratings Company) of any restaurant developed pursuant to the Development Agreement; (iii) located within a five-mile radius of any restaurant unit within the System; or (iv) determined by Franchisor, exercising reasonable good faith judgment, to be a direct competitor of the System;

(b) Neither Franchisee, for two years following the termination of this Agreement, nor any Principal Shareholder, for two years following the termination of all of his or her Interest in Franchisee or the termination of this Agreement, whichever occurs first, may directly or indirectly engage in, or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures) in, advise, help, guarantee loans or make loans to, any restaurant business whose menu or method of operation is similar to that employed by restaurant units within the System which is located either: (i) in the Territory, as defined in the Development Agreement; (ii) in the Area of Dominant Influence (as defined and established from time to time by Arbitron Ratings Company) of any restaurant developed pursuant to the Development Agreement; (iii) within a five-mile radius of any restaurant unit within the System; or (iv) within any area for which an active, currently binding development agreement has been granted by Franchisor to another franchisee as of the date of the termination; and

(c) Neither Franchisee nor any Shareholder shall at any time: (i) appropriate or use the trade secrets incorporated in the System, or any portion thereof, in any restaurant business which is not within the System; (ii) disclose or reveal any portion of the System to any person, other than to Franchisee's Restaurant employees as an incident of their training; (iii) acquire any right to use any name, mark or other intellectual property right which is or may be granted by this Agreement, except in connection with the operation of the Restaurant; or (iv) communicate, divulge or use for the benefit of any other person or entity any confidential information, knowledge or know-how of Franchisor or its affiliates concerning the methods of development or operation of a restaurant utilizing the System.

13.2 Franchisee and Principal Shareholders agree that the provisions of this Section 13 are and have been a primary inducement to Franchisor to enter into this Agreement, and that in the event of breach thereof Franchisor would be irreparably injured and would be without adequate remedy at law. Therefore, in the event of a breach, or a threatened or attempted breach, of any of such provisions Franchisor shall be entitled, in addition to any other remedies which it may have hereunder or at law or in equity (including the right to terminate this Agreement), to a preliminary and/or permanent injunction and a decree for specific performance of the terms hereof without the necessity of showing actual or threatened damage, and without being required to furnish a bond or other security.

13.3 The restrictions contained in Subsection 13.1(a) and (b) above shall not apply to ownership of less than 2% of the shares of a company whose shares are listed and traded on a national securities exchange if such shares are owned for investment only, and are not owned by an officer, director, employee, or consultant of such publicly traded company.

13.4 If any court or other tribunal having jurisdiction to determine the validity or enforceability of this Section 13 determines that it would be invalid or unenforceable as written, then the provisions hereof shall be deemed to be modified or limited to such extent or in such manner as necessary for such provisions to be valid and enforceable to the greatest extent possible.

13.5 Franchisee shall require the General Manager, the Kitchen Manager and each of its Restaurant managers to execute a confidentiality agreement in the form attached hereto as **Appendix C**. Franchisee shall be responsible for compliance of its employees with the agreements identified in this Subsection.

14. INSPECTIONS

14.1 Franchisor shall have the right at any time, and from time to time, to have its representatives enter the Restaurant premises without notice for the purpose of inspecting the condition thereof and the operation of the Restaurant in order to determine whether Franchisee is in compliance with the standards, specifications, requirements and instructions contained in this Agreement and in the Manuals, and for any other reasonable purpose connected with the operation of the Restaurant.

14.2 Without limiting the generality of Subsection 14.1, a representative of Franchisor shall be present in the Restaurant to consult with Franchisee or its General Manager from time to time and, at least semi-annually, a representative shall conduct an inspection/consultation at the Restaurant (which may be conducted with or without notice). During such inspection, Franchisor's representative will inspect the condition of the Restaurant and observe procedures and operations at the Restaurant. Also during the inspection/consultation, Franchisor's representative will meet with the General Manager and such other Restaurant employees as Franchisor's representative may designate, for the purpose of evaluating the condition and operation of the Restaurant and seeking to maintain or achieve compliance with the standards, specifications, requirements and instructions contained in this Agreement and in the Manuals.

14.3 Without limiting the generality of Subsection 14.1, Franchisor's representatives shall have the right at all times during normal business hours to confer with Restaurant employees and customers, and to inspect Franchisee's books, records and tax returns, or such portions thereof as pertain to the operation of the Restaurant. All such books, records and tax returns shall be kept and maintained at the principal executive offices of Franchisee or such other place as may be agreed upon by the parties in writing. If any inspection reveals that the gross sales reported in any report or statement are less than the actual gross sales ascertained by such inspection, then Franchisee shall immediately pay Franchisor the additional amount of fees owing by reason of the understatement of gross sales previously reported, together with interest as provided in Subsection 9.2. In the event that any report or statement understates gross sales by more than 3% of the actual gross sales ascertained by Franchisor's inspection, Franchisee shall, in addition to making the payment provided for in the immediately preceding sentence, pay and reimburse Franchisor for any and all expenses incurred in connection with its inspection, including, but not limited to, reasonable accounting and legal fees. Such payments shall be without prejudice to any other rights or remedies which Franchisor may have under this Agreement or otherwise. If any inspection reveals that the gross sales reported in any report or statement are greater than the actual gross sales ascertained by such inspection, and that Franchisee thereby has made an overpayment of fees, the amount of the overpayment (without interest) shall be offset against future fees owing by Franchisee to Franchisor.

14.4 Franchisee shall maintain an accurate stock register. In the event that the beneficial ownership of Franchisee's stock differs in any respect from record ownership, Franchisee also shall maintain a list of the names, addresses and interests of all beneficial owners of its stock. Franchisee shall produce its stock register, and any list of beneficial owners certified by the corporation's secretary to be correct, at its principal executive offices upon 10 days' prior written request by Franchisor. Franchisor's representatives shall have the right to examine the stock register and any list of beneficial owners, and to reproduce all or any part thereof. Further, upon 10 days' written notice, Franchisor may request a copy of the list of stockholders and owners of beneficial interests to be forwarded to it at Franchisor's principal office.

15. RELATIONSHIP OF PARTIES AND INDEMNIFICATION

15.1 Franchisee is not, and shall not represent or hold itself out as, an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever and, where permitted by law to do so, shall file a business certificate to such effect with the proper recording authorities. Franchisee is an independent contractor and is not authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor. Franchisee agrees that Franchisor does not have any fiduciary obligation to Franchisee. Franchisee shall not use the name Applebee's Neighborhood Grill & Bar (other than in connection with the operation of the Restaurant), or

Applebee's, or any similar words as part of or in association with any trade name of any business entity which is, directly or indirectly, associated with Franchisee.

15.2 Franchisee shall indemnify and hold harmless Franchisor and its officers, directors, employees, agents, affiliates, successors and assigns from and against: (a) any and all claims based upon, arising out of, or in any way related to the operation or condition of any part of the Restaurant or Restaurant premises, the conduct of business thereat, the ownership or possession of real or personal property, and any negligent act, misfeasance or nonfeasance by Franchisee or any of its agents, contractors, servants, employees or licensees (including, without limitation, the performance by Franchisee of any act required by, or performed pursuant to, any provision of this Agreement); and (b) any and all fees (including reasonable attorneys' fees), costs and other expenses incurred by or on behalf of Franchisor in the investigation of or defense against any and all such claims. Without limiting the generality of the foregoing, Franchisee will satisfy the obligations set forth in this paragraph without regard to any acts or omissions, real or alleged, of Franchisor or its officers, directors, employees, agents, affiliates, successors and assigns.

15.3 In addition to, and not in limitation of, any subsection hereof, Franchisee specifically covenants, represents and warrants that Franchisee is in compliance in all material respects with all federal, state, municipal and local laws governing the generation, use or disposal of hazardous waste or hazardous materials, and any and all other laws designed to protect the environment and that:

(a) There have been no past, and there are no current or anticipated, releases or substantial threats of a release of a hazardous substance, pollutant or contaminant from or onto the Restaurant or real property upon which the Restaurant is located and referred to in this Agreement ("**Premises**") which is or may be subject to regulation under the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. 9601, *et seq.*) or other laws designed to protect the environment;

(e) No asbestos fibers or materials or polychlorinated biphenyls (**PCB's**) are on or in the Premises;

(n) Franchisor shall have the right, at Franchisee's expense, to require an environmental audit of the Premises from a company or companies satisfactory to Franchisor.

16. INSURANCE

16.1 Franchisee shall procure before the commencement of Restaurant operations, and shall maintain in full force and effect during the entire term of this Agreement, at its sole cost and expense, an insurance policy or policies protecting Franchisee and Franchisor and their respective officers, directors and employees against any and all claims, loss, liability or expense whatsoever, arising out of or in connection with the condition, operation, use or occupancy of the Restaurant or Restaurant Premises. Franchisee shall procure workers' compensation coverage for each of its employees no later than the first date of such employee's employment. Franchisee shall also insure the Restaurant building and other improvements, equipment, signs, interior and exterior decor items, furnishings and fixtures, and any additions thereto, in accordance with standard fire and extended coverage insurance policies then in effect for similar businesses. Franchisor and Franchisor's parent, designated subsidiaries and affiliates, and respective officers, directors, members, managers, employees, agent, successors and assigns, as may be specified by Franchisor from time to time shall be named as an additional insured in all such policies, workers' compensation excepted, and the certificate or certificates of insurance shall state that the policy or policies shall not be subject to cancellation or alteration without at least 30 days prior written notice to Franchisor. Such policy or policies shall be written by an insurance company(ies) rated at least A-VII by AM Best or company(ies) satisfactory to Franchisor, and shall be in such form and contain such limits of liability and other required insurance as shall be satisfactory to Franchisor from time to time. In any event, such policy or policies shall include at least the following for the year 2020:

<u>KIND OF INSURANCE</u>	<u>MINIMUM LIMITS OF LIABILITY</u>
Workers' Compensation	Statutory
Employer's Liability	\$500,000 bodily injury by accident \$500,000 bodily injury by disease
Commercial General Liability, including Product Liability,	\$1,000,000 each person, \$1,000,000 each incident

Injury and Liquor Liability	\$2,000,000 aggregate
Fire and Extended Coverage including (a) Business Interruption and (b) Service Interruption	Full replacement value Policy limits per occurrence, except service interruption; 24 hour waiting period; \$250,000 limit
Umbrella Liability Insurance Following Form of the Primary Liability	\$30,000,000

Franchisee shall provide certificates of such insurance to Franchisor prior to the opening of the Restaurant and at the time of each policy renewal. Upon request, Franchisee shall provide copies of each insurance policy to Franchisor. The insurance afforded by the policy or policies respecting Commercial General Liability shall not be limited in any way by reason of any insurance which may be maintained by Franchisor or its affiliates. The insurance provisions of this Agreement may be supplemented from time to time through written notice by Franchisor.

16.2 Within 60 days after the execution of this Agreement, but in no event later than the day before the Restaurant opens for business, Franchisee shall submit to Franchisor for approval certificates of insurance showing compliance with the requirements of Subsection 16.1. Notwithstanding the foregoing, Franchisee shall submit to Franchisor for approval certificates of insurance showing compliance with the worker's compensation requirements set forth in Subsection 16.1 prior to the training of any Franchisee employee at a Restaurant operated by Franchisor. Maintenance of such insurance and the performance by Franchisee of its obligations under this Section 16 shall not relieve Franchisee of liability under the indemnity provisions of this Agreement, and shall not limit such liability.

16.3 Should Franchisee, for any reason, fail to procure or maintain the insurance coverage required by this Section, then Franchisor shall have the right and authority but not the obligation to immediately procure such insurance coverage and to charge the cost thereof to Franchisee, which amounts shall be paid immediately upon notice and shall be subject to charges for late payments in the manner set forth in Subsection 9.2.

16.4 No later than 30 days following Franchisee's receipt of same, Franchisee shall submit to Franchisor a copy of any written report relating to the condition of the Restaurant premises, or any aspect thereof, prepared by an insurer or prospective insurer or by a representative of a federal, state or local government agency, provided that if any such report contains comments or information which could materially and detrimentally affect the Restaurant, such report shall be submitted to Franchisor within three days following Franchisee's receipt thereof.

17. DEBTS AND TAXES

Franchisee shall pay or cause to be paid promptly when due all obligations incurred, directly or indirectly, in connection with the Restaurant and its operation, including, without limitation: (a) all taxes and assessments that may be assessed against the Restaurant land, building and other improvements, equipment, fixtures, signs, furnishings, and other property; (b) all debts or other sums secured by liens and encumbrances of every kind and character created or placed upon or against any of said property; and (c) all accounts and other indebtedness of every kind and character incurred by or on behalf of Franchisee in the conduct of the Restaurant business. Notwithstanding the foregoing, Franchisee will not be in default of this Agreement as a result of a non-payment or non-performance of the foregoing so long as it disputes said debt or lien and is, in the sole opinion of Franchisor, validly and in good faith pursuing a resolution of said claim or lien and has reserved sufficient sums to pay the debt/claim as is agreed to by Franchisor.

18. TRADE NAMES, SERVICE MARKS AND TRADEMARKS

18.1 Franchisee acknowledges the sole and exclusive right of Franchisor and its affiliates (except for rights granted under existing and future franchise agreements) to use the Marks in connection with the products and services to which they are or may be applied by Franchisor or its affiliates, and represents, warrants and agrees that Franchisee shall not, either during the term of this Agreement, or after the expiration or other termination hereof, directly or indirectly, contest or aid in contesting the validity, ownership or use thereof by Franchisor or its affiliates, or take any action whatsoever in derogation of the rights claimed herein by Franchisor or its affiliates.

18.2 The right granted to Franchisee under this Agreement to use the Marks is nonexclusive, and Franchisor and its affiliates, in its or their sole discretion, subject only to the limitations contained in Subsection 1.4 of this Agreement, have the right to grant other rights in, to and under those names and marks in addition to those rights already granted, and to develop and grant rights in other names and marks on any such terms and conditions as Franchisor or its affiliates deem appropriate. The rights granted under this Agreement do not include any right or authority of any kind whatsoever to pre-package or sell pre-packaged food products, under any of the Marks, or any menu items approved for sale at the Restaurant, whether at the Restaurant, on the Internet, or at any other location, including grocery stores.

18.3 Franchisee understands and acknowledges and agrees that Franchisor has the unrestricted right, subject only to the limitations contained in Subsection 1.4 of this Agreement, to engage, directly and indirectly, through its employees, representatives, licenses, assigns, agents, affiliates, subsidiaries and others, at wholesale, retail, and otherwise, in: (a) the production, distribution and sale of products under the Marks or other names or marks; (b) the use, in connection with such production, distribution and sale, of any and all trademarks, trade names, service marks, logos, insignia, slogans, emblems, symbols, designs and other identifying characteristics as may be developed or used, from time to time, by Franchisor or its affiliated companies with respect to the System or otherwise; and (c) the production, distribution and sale of products through another restaurant or restaurants which do not utilize the System or the Applebee's Neighborhood Grill & Bar service mark and which otherwise compete or might compete with the Restaurant. Further, Franchisee agrees that ownership of any trademarks, service marks or other insignia, symbols, designs or slogans used in development and promotion of any products or menu items, including any general promotion or concept not tied to a specific product, and all recipes and copyrighted material, whether such development was instituted at the request or suggestion of Franchisee or Franchisor, and whether such development was done in collaboration with Franchisor or done independently by Franchisee, shall, as between Franchisor and Franchisee, be the sole and exclusive property of Franchisor. Any goodwill engendered by the trademarks, service marks, insignia, symbols, designs or slogans used shall inure to the benefit of Franchisor and its affiliated companies whose ownership shall be sole and exclusive.

18.4 Nothing contained in this Agreement shall be construed to vest in Franchisee any right, title or interest in or to any of Franchisor's names or the Marks, the goodwill now or hereafter associated therewith, or any right in the design of any restaurant building or premises, or the decor or trade-dress of the Restaurant, other than the rights and license expressly granted herein for the term hereof. Any and all goodwill associated with or identified by any of Franchisor's names or the Marks shall inure directly and exclusively to the benefit of Franchisor and its affiliates, including, without limitation, any goodwill resulting from operation and promotion of the Restaurant, provided that this Subsection shall not be construed to entitle Franchisor to receive any portion of the consideration paid to Franchisee and/or any Principal Shareholder as a result of a Transfer of an Interest pursuant to Section 12 hereof.

18.5 Franchisee shall adopt and use each of the Marks only in a manner expressly approved by Franchisor, and shall not use any of the Marks in connection with any statement or material which may, in the judgment of Franchisor, be in bad taste or inconsistent with Franchisor's public image, or tend to bring disparagement, ridicule or scorn upon Franchisor, any of the Marks, or the goodwill associated therewith.

Franchisee shall not adopt, use or register as its corporate name (by filing a certificate or articles of incorporation or otherwise) any trade or business name, style or design which includes, or is similar to, any of Marks, logos, insignia, slogans, emblems, symbols, designs or other identifying characteristics. Franchisee has no right, license or authority to use any of the Marks on or in connection with the Internet, except as stated in and permitted by this Section 18.5. Without limiting the foregoing, Franchisee shall not use any of the Marks in any Internet domain name or URL or use any Internet domain name or URL that may be confusingly similar to one or more of the Marks. Franchisee shall not display or use any of the Marks or other of Franchisor's intellectual property in connection with, or associate the System with (through a link or otherwise) any web site advertising, address, or listing on the World Wide Web or any other portion of the Internet without Franchisor's prior written consent. Franchisee shall submit for Franchisor's approval any Internet domain name, URL or Internet e-mail address Franchisee intends to use in connection with the Restaurant.

18.6 Franchisor shall have the right, at any time and from time to time, upon notice to Franchisee, to make additions to, deletions from and changes in any of the Marks, or all of them, all of which additions, deletions and changes shall be made in good faith, on a reasonable basis and with a view toward the overall best interests of the System.

18.7 Franchisee agrees to notify Franchisor promptly in writing of any suit or claim for infringement relating to the marks. Subject to the terms and conditions of this Subsection 18.7, Franchisor and its affiliates shall have the sole right to defend or settle any such suit or claim of infringement at Franchisor's or its affiliates' expense. Franchisee, at Franchisee's expense, shall have the right to be represented by counsel. Franchisor or its affiliates shall, however, retain control of any negotiations with respect to such claim or of any litigation involving such suit. Franchisee agrees to cooperate with Franchisor and its affiliates and to assist Franchisor and its affiliates' whenever reasonably requested by them, at Franchisor's and its affiliates' expense, in the defense of any such infringement suit or claim.

18.8 Franchisor represents that it is the sole owner of the service mark Applebee's Neighborhood Grill & Bar.

19. EXPIRATION AND TERMINATION; OPTION TO PURCHASE RESTAURANT; ATTORNEYS' FEES

19.1 Franchisor shall have the right to terminate this Agreement immediately upon written notice to Franchisee stating the reason for such termination:

(a) in the event of any breach or default of any of the provisions of Subsection 9.1, Sections 12 or 13, Subsection 14.1 or Section 23;

(b) if a petition in bankruptcy, an arrangement for the benefit of creditors, or a petition for reorganization is filed by Franchisee, or is filed against Franchisee and not dismissed within 90 days from the filing thereof, or if Franchisee shall make any assignment for the benefit of creditors, or if a receiver or trustee is appointed for Franchisee and is not dismissed within 90 days of such appointment;

(c) if Franchisee ceases to operate the Restaurant without the prior written consent of Franchisor or loses its right to possession of the Restaurant premises; provided however, this provision will not apply if Franchisee ceases to operate the Restaurant or loses its right to possession of the Restaurant premises by reason of Force Majeure and Franchisee complies with the requirements of Section 24 of this Agreement;

(d) if Franchisor discovers that Franchisee has made any material misrepresentation or omitted any material fact in the information which was furnished to Franchisor in connection with this Agreement;

(e) if any part of this Agreement relating to the payment of fees to Franchisor, or the preservation of any of the Marks, trade secrets or secret formulae licensed or disclosed hereunder is, for any reason, declared invalid or unenforceable; or

(f) if Franchisee or any Principal Shareholder is convicted of or pleads nolo contendere to a felony or any crime involving moral turpitude.

If Franchisee defaults in the performance or observance of any of its other obligations hereunder, and such default continues for a period of 60 days after written notice to Franchisee specifying such default, Franchisor shall have the right to terminate this Agreement upon 30 days' written notice to Franchisee. If Franchisee defaults in the performance or observance of the same obligation two or more times within a 12-month period, Franchisor shall have the right to terminate this Agreement immediately upon commission of the second act of default, upon 30 days' written notice to Franchisee stating the reason for such termination, without allowance for any curative period.

The foregoing provisions of this Subsection 19.1 are subject to the provisions of any local statutes or regulations which limit the grounds upon which Franchisor may terminate this Agreement, or which require that Franchisor give Franchisee additional prior written notice of termination and opportunity to cure any default.

19.2 Upon the termination of this Agreement by Franchisor, Franchisee may not remove any property from the Restaurant premises for 30 days after the termination. Upon the expiration or earlier termination of this Agreement for any reason:

(a) Franchisee shall immediately discontinue its use of the System and its use of the Marks and other identifying characteristics;

(b) if the Restaurant premises are owned by Franchisee or leased from a third-party, Franchisee shall, upon demand by Franchisor, remove (at Franchisee's expense) the Marks, sign facia, and other identifying characteristics from all premises, and paint all premises and other improvements maintained pursuant to this Agreement a design and color which is basically different from Franchisor's authorized design and color. If Franchisee shall fail to make or cause to be made any such removal or repainting within 30 days after written notice, then Franchisor shall have the right to enter upon the Restaurant premises, without being deemed guilty of trespass or any tort (or Franchisee shall cause Franchisor to be permitted on the premises as necessary), and make or cause to be made such removal, alterations and repainting at the reasonable expense of Franchisee, which expense Franchisee shall pay to Franchisor immediately upon demand; and

(c) Franchisee shall not thereafter use the Marks or any other trademark, trade name, service mark, logo, insignia, slogan, emblem, symbol, design or other identifying characteristic that is in any way associated with Franchisor or similar to those associated with Franchisor, or use any food or proprietary menu item, recipe or method of food preparation or operate or do business under any name or in any manner that might tend to give the public the impression that Franchisee is or was a licensee or franchisee of, or otherwise associated with, Franchisor or its affiliated companies.

19.3 In the event that any party to this Agreement initiates any legal proceeding to construe or enforce any of the terms, conditions and/or provisions of this Agreement, including, but not limited to, its termination provisions and its provisions requiring Franchisee to make certain payments to Franchisor incident to the operation of the Restaurant, or to obtain damages or other relief to which any such party may be entitled by virtue of this Agreement, the prevailing party or parties shall be paid its reasonable attorneys' fees and expenses by the other party or parties. If Franchisee fails to comply with a written notice of termination sent by Franchisor and a court later upholds such termination of this Agreement, Franchisee's operation of the

Restaurant, from and after the date of termination stated in such notice, shall constitute willful trademark infringement and unfair competition by Franchisee, and Franchisee shall be liable to Franchisor for damages resulting from such infringement in addition to any fees paid or payable hereunder, including, without limitation, any profits which Franchisee derived from such post-termination operation of the Restaurant.

19.4 (a) With respect to Restaurant premises owned by Franchisee, in the event of termination of this Agreement, Franchisor shall have, for 30 days after the termination is effective, an option, exercisable upon written notice to Franchisee within such 30-day period, to elect to purchase the Restaurant premises from Franchisee for the fair market value of the land and buildings, furnishings and equipment located therein;

(b) In addition to the option described above, Franchisor shall have an option, exercisable upon written notice to Franchisee, to elect to purchase the Restaurant premises from Franchisee upon expiration of this Agreement for the fair market value of the land and buildings, furnishings, and equipment located therein subject to Franchisee's option to operate the Restaurant for an additional term under Subsection 1.3 hereof. If Franchisee does not notify Franchisor, pursuant to Subsection 1.3 hereof, of a desire to operate the Restaurant for an additional term, then Franchisor shall provide the written notice described in the preceding sentence within 30 days after the latest date by which Franchisee is required by Subsection 1.3 to advise Franchisor of such a desire; if Franchisee does notify Franchisor of a desire to operate the Restaurant for an additional term and Franchisor determines that Franchisee is not eligible to do so, Franchisor shall provide the written notice described in the preceding sentence within 30 days of its written notice to Franchisee that Franchisee is not eligible to operate the Restaurant for such additional term. With respect to the option to purchase upon expiration of this Agreement, this option shall not apply if prior to 30 days before said expiration, Franchisee enters into an agreement to sell such Restaurant premises to a third-party upon the expiration of the Franchise Agreement, provided that Franchisee's agreement with the purchaser includes a covenant by the purchaser, which is expressly enforceable by Franchisor as a third-party beneficiary thereof, pursuant to which the purchaser agrees that, for a period of 12 months after the expiration of this Agreement, the purchaser shall not use such premises for the operation of a restaurant business whose menu or method of operation is similar to that employed by restaurant units within the System;

(c) If Franchisee receives approval to operate the Restaurant premises for an additional term in accordance with Subsection 1.3 hereof, Franchisee will be required to execute the then-existing form of franchise agreement, which shall contain an option to obtain assignment of Franchisee's lease with a third-party and/or to purchase certain property, exercisable by Franchisor upon termination thereof, and an option to purchase the Restaurant premises, exercisable by Franchisor upon expiration of the additional term (subject to any then-existing rights to renew of Franchisee). Such options shall be substantially similar to the provisions described in this Subsection 19.4;

(d) If the parties cannot agree on the purchase price or other terms of purchase within 30 days following Franchisor's exercise of its option pursuant to Subsection 19.4(a) and (b), the price or disputed terms of purchase shall be determined by three appraisers, with each party selecting one appraiser and the two appraisers, so chosen, selecting the third appraiser. In the event of such an appraisal, each party shall bear its own legal and other costs and shall split equally the appraisal fees. The appraisers' determination of the price and other disputed terms of purchase shall be final and binding;

(e) If Franchisor elects to exercise its option to purchase upon termination of this Agreement, the purchase price shall be paid within 30 days of the determination of the purchase price and other terms of purchase. If Franchisor elects to exercise its option to purchase upon expiration of this Agreement, the purchase price shall be paid within 30 days of the later of: (a) the determination of the purchase price and other terms of purchase; or (b) expiration of this Agreement. If Franchisor does not elect to exercise its option to purchase the Restaurant premises, Franchisee may sell such premises to a third-party, provided that Franchisee's agreement with the purchaser includes a covenant by the purchaser, which is expressly enforceable by Franchisor as a third-party beneficiary thereof, pursuant to which the purchaser agrees that it

shall not use such premises for the operation of a restaurant business whose menu or method of operation is similar to that employed by restaurant units within the System for a period of 12 months after the termination or expiration of this Agreement; and

(f) If the Restaurant premises are leased by Franchisee from a third-party, such lease must allow Franchisee to assign the lease to Franchisor. Upon termination of this Agreement for any reason, Franchisor has the right, exercisable upon written notice to Franchisee within 30 days after termination is effective, to require Franchisee to assign all Franchisee's rights and obligations under the lease to Franchisor and to immediately surrender possession of the premises, including all fixtures and leasehold improvements, to Franchisor. The lessor may not impose any assignment fee or other similar charge on Franchisor in connection with such assignment. If Franchisor exercises that right, it has an additional right, to be exercised within 30 days after taking possession of the premises, to purchase all of Franchisee's equipment, signs, decor items, furnishings, supplies and other products and materials at their then-fair market value. If the parties cannot agree on the price, the price will be determined in the manner set forth in connection with Franchisee-owned Restaurant premises. If Franchisor elects not to purchase the items mentioned above, Franchisee shall, at Franchisee's own expense and under Franchisor's supervision remove those items from the premises within 10 days after such final election, or 10 days after expiration of the option period, whichever is earlier. If Franchisee fails to remove all such property from the premises within such period, Franchisor shall be entitled to do so, or to authorize a third-party to do so, all at Franchisee's expense.

19.5 In addition to the provisions contained in Subsection 19.4 hereof:

(a) With respect to Restaurant premises owned by Franchisee, in the event of termination of this Agreement and Franchisor's exercise of its option to purchase the Restaurant premises pursuant to Subsection 19.4(a) hereof, Franchisee shall have, for 10 days after its receipt of written notice of Franchisor's election to purchase, an option, exercisable upon written notice to Franchisor, to lease said premises to Franchisor, pursuant to a lease which provides for rental at a rate not in excess of 6% of gross sales and triple net terms. Said lease shall provide for a lease term of at least 10 years with two five-year options to renew, and for primary annual rent of not in excess of the number derived from multiplying 6% times the gross sales reported by Franchisee to Franchisor for which Franchisee has paid a royalty fee for the next preceding calendar year times 80%;

(b) In addition to the option described above, Franchisee shall have an option, exercisable upon written notice to Franchisor, to elect to lease the Restaurant premises to Franchisor upon expiration of this Agreement and Franchisor's exercise of its option to purchase the Restaurant premises pursuant to Subsection 19.4(b) hereof, pursuant to the same terms set forth in Subsection 19.5(a) above, subject to Franchisee's option to operate the Restaurant for an additional term under Subsection 1.3 hereof. If: (i) Franchisee does not notify Franchisor, pursuant to Subsection 1.3 hereof, of a desire to operate the Restaurant for an additional term; or (ii) Franchisee does notify Franchisor of a desire to operate the Restaurant for an additional term and Franchisor determines that Franchisee is not eligible to do so, and Franchisor exercises its option to purchase the Restaurant premises, then Franchisee shall provide the written notice described in the preceding sentence within 10 days after its receipt of written notice of Franchisor's election to purchase. With respect to the option to lease upon expiration of this Agreement, this option shall not apply if prior to 30 days before said expiration, Franchisee enters into an agreement to sell such Restaurant premises to a third-party upon the expiration of the Franchise Agreement, provided that Franchisee's agreement with the purchaser includes a covenant by the purchaser, which is expressly enforceable by Franchisor as a third-party beneficiary thereof, pursuant to which the purchaser agrees, at Franchisor's option, either to lease said premises to Franchisor upon the terms set forth in Subsection 19.5(a), or that for a period of 12 months after the expiration of this Agreement, the purchaser shall not use such premises for the operation of a restaurant business whose menu or method of operation is similar to that employed by restaurant units within the System; and

(c) If Franchisee receives approval to operate the Restaurant premises for an additional term in accordance with Subsection 1.3 hereof, Franchisee will be required to execute the then-existing form of franchise agreement which shall contain an option to obtain assignment of Franchisee's lease with a third-party and/or to lease certain property, exercisable by Franchisor upon termination thereof, and an option to lease the Restaurant premises, exercisable by Franchisor upon expiration of the additional term (subject to any then-existing rights to renew of Franchisee). Such options shall be substantially similar to the provisions described in this Subsection 19.5.

20. NO WAIVER OF DEFAULT

20.1 The waiver by any party to this Agreement of any breach or default, or series of breaches or defaults, of any term, covenant or condition herein, or of any same or similar term, covenant or condition contained in any other agreement between Franchisor and any franchisee, shall not be deemed a waiver of any subsequent or continuing breach or default of the same or any other term, covenant or condition contained in this Agreement, or in any other agreement between Franchisor and any franchisee.

20.2 All rights and remedies of the parties hereto shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies which are provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of this Agreement. The rights and remedies of the parties hereto shall be continuing and shall not be exhausted by any one or more uses thereof, and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. The expiration or earlier termination of this Agreement shall not discharge or release Franchisee or any Principal Shareholder from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration or earlier termination of the Agreement.

21. CONSTRUCTION, SEVERABILITY, GOVERNING LAW AND JURISDICTION

21.1 If any part of this Agreement shall for any reason be declared invalid, unenforceable or impaired in any way, the validity of the remaining portions shall remain in full force and effect as if the Agreement had been executed with such invalid portion eliminated, and it is hereby declared the intention of the parties that they would have executed the remaining portion of this Agreement without including therein any such portions which might be declared invalid; provided however, that in the event any part hereof relating to the payment of fees to Franchisor, or the preservation of any of Franchisor's Marks, trade secrets or secret formulae licensed or disclosed hereunder is for any reason declared invalid or unenforceable, then Franchisor shall have the right to terminate this Agreement upon written notice to Franchisee. If any clause or provision herein would be deemed invalid or unenforceable as written, it shall be deemed modified or limited to such extent or in such manner as may be necessary to render the clause or provision valid and enforceable to the greatest extent possible in light of the interest of the parties expressed in that clause or provision, subject to the provisions of the preceding sentence.

21.2 FRANCHISEE AND PRINCIPAL SHAREHOLDERS ACKNOWLEDGE THAT FRANCHISOR MAY GRANT NUMEROUS FRANCHISES THROUGHOUT THE UNITED STATES ON TERMS AND CONDITIONS SIMILAR TO THOSE SET FORTH IN THIS AGREEMENT, AND THAT IT IS OF MUTUAL BENEFIT TO FRANCHISEE AND PRINCIPAL SHAREHOLDERS AND TO FRANCHISOR THAT THESE TERMS AND CONDITIONS BE UNIFORMLY INTERPRETED. THEREFORE, THE PARTIES AGREE THAT TO THE EXTENT THAT THE LAW OF THE STATE OF KANSAS DOES NOT CONFLICT WITH LOCAL FRANCHISE STATUTES, RULES AND REGULATIONS, KANSAS LAW SHALL APPLY TO THE CONSTRUCTION OF THIS AGREEMENT AND SHALL GOVERN ALL QUESTIONS WHICH ARISE WITH REFERENCE

HERETO; PROVIDED HOWEVER, THAT PROVISIONS OF KANSAS LAW REGARDING CONFLICTS OF LAW SHALL NOT APPLY HERETO.

21.3 THE PARTIES AGREE THAT ANY CLAIM, CONTROVERSY OR DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE PERFORMANCE THEREOF WHICH CANNOT BE AMICABLY SETTLED, EXCEPT AS OTHERWISE PROVIDED HEREIN WILL BE RESOLVED BY A PROCEEDING IN A COURT IN JOHNSON COUNTY, KANSAS, AND FRANCHISEE AND PRINCIPAL SHAREHOLDERS EACH IRREVOCABLY ACCEPT THE JURISDICTION OF THE COURTS OF THE STATE OF KANSAS AND THE FEDERAL COURTS SERVING JOHNSON COUNTY, KANSAS FOR SUCH CLAIMS, CONTROVERSIES OR DISPUTES. EACH PARTY WAIVES ITS RIGHT TO A JURY TRIAL IN ANY COURT ACTION ARISING AMONG THE PARTIES UNDER THIS AGREEMENT OR OTHERWISE RELATED TO THIS AGREEMENT, WHETHER MADE BY CLAIM, COUNTERCLAIM, THIRD-PARTY CLAIM OR OTHERWISE.

The parties agree that service of process in any proceeding arising out of or relating to this Agreement or the performance thereof may be made as to Franchisee and any Principal Shareholder by serving a person of suitable age and discretion (such as the person in charge of the office) at the address of Franchisee specified in this Agreement and as to Franchisor by serving the president or a vice-president of Franchisor at the address of Franchisor or by serving Franchisor’s registered agent.

22. [INTENTIONALLY OMITTED]

23. LIQUOR LICENSE

The grant of the rights which are the subject of this Agreement is expressly conditioned upon the ability of Franchisee to obtain and maintain any and all required state and/or local licenses permitting the sale of liquor by the drink on the Restaurant premises, and Franchisee agrees to use its best efforts to obtain such licenses. After obtaining the necessary state or local liquor licenses, Franchisee shall thereafter comply with all applicable laws and regulations relating to the sale of liquor on the Restaurant premises. If, during any 12-month period during the term of this Agreement, Franchisee is prohibited for any reason from selling liquor on the Restaurant premises for more than 30 days because of a violation or violations of state or local liquor laws, then at the option of Franchisor this Agreement may be terminated forthwith by Franchisor upon written notice to Franchisee.

24. FORCE MAJEURE

24.1 As used in this Agreement, the term “**Force Majeure**” shall mean any act of God, strike, lock-out or other industrial disturbance, war (declared or undeclared), riot, epidemic, fire or other catastrophe, act of any government and any other similar cause not within the control of the party affected thereby.

24.2 If the performance of any obligation by any party under this Agreement is prevented or delayed by reason of Force Majeure, which cannot be overcome by use of normal commercial measures, the parties shall be relieved of their respective obligations to the extent the parties are respectively necessarily prevented or delayed in such performance during the period of such Force Majeure. The party whose performance is affected by an event of Force Majeure shall give prompt notice of such Force Majeure event to the other party by telephone or electronic mail (in each case to be confirmed in writing), setting forth the nature thereof and an estimate as to its duration, and shall be liable for failure to give such timely notice only to the extent of damage actually caused.

24.3 Notwithstanding the provisions of this Section 24, if, as a result of an event of Force Majeure (including condemnation proceedings), Franchisee ceases to operate the Restaurant or loses the right to

possession of the Restaurant premises, Franchisee shall apply within 30 days after the event of Force Majeure for Franchisor's approval to relocate and/or reconstruct the Restaurant. If relocation is necessary, Franchisor agrees to use its reasonable efforts to assist Franchisee in locating an alternative site in the same general area where Franchisee can operate a Restaurant within the System for the balance of the term of the Franchise Agreement. If Franchisor so assists Franchisee, Franchisee shall reimburse Franchisor for its reasonable out-of-pocket expenses incurred as a result thereof. (This provision shall not be construed to prevent Franchisee from receiving the full amount of any condemnation award of damages relating to the closing of the Restaurant; provided however, that if Franchisor or an affiliate is the lessor of the Restaurant premises, Franchisee specifically waives and releases any claim it may have for the value of any building, fixtures and other improvements on the premises, whether or not installed or paid for by Franchisee, and Franchisee agrees to subordinate any claim it may have to Franchisor's claim for such improvements.) Selection of an alternative location will be subject to the site approval procedures set forth in Section 5 of the Development Agreement. For purposes of clarification, if Franchisee does not have development rights, Franchisor does not have any obligation to approve a new site. Once Franchisee has obtained Franchisor's approval to relocate and/or reconstruct the Restaurant, Franchisee must diligently pursue relocation and/or reconstruction until the Restaurant is reopened for business.

One person shall be designated in writing to receive all notices and to be empowered to act on behalf of Franchisee with respect to all matters relating to the Restaurant, and notice and/or service upon such person shall constitute notice and/or service upon Franchisee. Upon the Effective Date, such person shall be _____ (the "**Designated Representative**") whose address and telephone number are as follows:

Any change in the Designated Representative requires the prior written consent of Franchisor.

25.2 All terms used in this Agreement, regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context or sense of this Agreement may require, the same as if such words had been written in this Agreement themselves. The words "includes," "including" and "inclusive" and the phrases "in

particular,” “such as,” “i.e.” and “for example” when used in this Agreement shall be interpreted and construed so as not to limit the generality of the words of general application and nature which precede these words and phrases. The headings inserted in this Agreement are for reference purposes only and shall not affect the construction of this Agreement or limit the generality of any of its provisions.

25.3 Franchisee shall, at its own cost and expense, promptly comply with all laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governments and appropriate departments, commissions, boards and offices thereof. Without limiting the generality of the foregoing, Franchisee shall abide by all applicable rules and regulations of any public health department.

25.4 In the event that Franchisor or its affiliates have leased the Restaurant premises to Franchisee pursuant to a written lease agreement (the “Lease”), the Lease is hereby incorporated in this Agreement by reference, and any failure on the part of Franchisee (Lessee therein) to perform, fulfill or observe any of the covenants, conditions or agreements contained in the Lease shall constitute a material breach of this Agreement. It is expressly understood, acknowledged and agreed by Franchisee that any termination of the Lease shall result in automatic and immediate termination of this Agreement without additional notice to Franchisee.

25.5 This Agreement and the documents referred to herein constitute the entire agreement between the parties, superseding and canceling any and all prior and contemporaneous agreements, understandings, representations, inducements and statements, oral or written, of the parties in connection with the subject matter hereof. FRANCHISEE EXPRESSLY ACKNOWLEDGES THAT IT HAS ENTERED INTO THIS FRANCHISE AGREEMENT AS A RESULT OF ITS OWN INDEPENDENT INVESTIGATION AND AFTER CONSULTATION WITH ITS OWN ATTORNEY, AND NOT AS A RESULT OF ANY REPRESENTATIONS OF FRANCHISOR, ITS AGENTS, OFFICERS OR EMPLOYEES, EXCEPT AS CONTAINED HEREIN AND IN FRANCHISOR’S FRANCHISE DISCLOSURE DOCUMENT, HERETOFORE MADE AVAILABLE TO FRANCHISEE. Nothing in this Agreement will disclaim or require Franchisee to waive reliance on any representation that Franchisor made in the most recent disclosure document (including its exhibits and amendments) that Franchisor delivered to Franchisee or its representative.

25.6 Except as expressly authorized herein, no amendment or modification of this Agreement shall be binding unless executed in writing both by Franchisor and by Franchisee and Principal Shareholders.

25.7 Franchisee and the Principal Shareholders acknowledge and agree that: (i) this Agreement (and the relationship of the parties contemplated by this Agreement) grants Franchisor the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee’s explicit rights and obligations hereunder that may affect favorably or adversely Franchisee’s interests; (ii) Franchisor will use its business judgment in exercising such discretion based on Franchisor’s assessment of its interests and the System, balancing those interests with or against the interests of the operators of Restaurants generally (including Franchisor, its affiliates and other franchisees) and specifically without considering the individual interests of any particular franchisee; (iii) Franchisor will have no liability to Franchisee for the exercise of its discretion in this manner; and (iv) even if Franchisor has numerous motives for a particular action or decision, so long as at least one motive is a reasonable business justification for such action or decision, no trier of fact in any legal action shall substitute its judgment for Franchisor’s judgment so exercised, and such action or decision will not be subject to challenge for abuse of discretion.

If Franchisor takes any action or chooses not to take any action in Franchisor’s discretion with regard to any matter related to this Agreement and Franchisor’s action or inaction is challenged for any reason, the parties expressly direct the trier of fact that Franchisor’s reliance on a business reason in the exercise of its discretion is to be viewed as a reasonable and proper exercise of Franchisor’s discretion, without regard to whether other reasons for its decision may exist and without regard to whether the trier of fact would independently accord the same weight to the business reason.

26. ACKNOWLEDGMENTS

Franchisee and Principal Shareholders acknowledge that:

- (a) Franchisee has received a copy of this Agreement and has had an opportunity to consult with its attorney with respect thereto at least seven days prior to execution of this Agreement;
- (b) No representation has been made by Franchisor as to the future profitability of the Restaurant;
- (c) Prior to the execution of this Agreement, Franchisee has had ample opportunity to contact Franchisor’s existing franchisees, if any, and to investigate all statements made by Franchisor relating to the System;
- (d) This Agreement establishes the right to construct and operate a Restaurant only at the location specified in Subsection 1.1 hereof; and
- (e) Franchisor is the sole owner of the service marks identified in this Agreement, and of the goodwill associated therewith, and Franchisee acquires no right, title or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by Franchisor.

IN WITNESS WHEREOF, the undersigned have entered into this Agreement as of the date first above written.

REVIEW AND CONSENT WITH RESPECT TO TRANSFERS

In determining whether to grant or to withhold consent to a proposed Transfer, Franchisor shall consider all of the facts and circumstances which it views as relevant in the particular instance, including, but not limited to, any of the following: (i) work experience and aptitude of Proposed New Owner and/or proposed new management (a proposed transferee of a Principal Shareholder's Interest and/or a proposed transferee of this Agreement is referred to as "**Proposed New Owner**"); (ii) financial background and condition of Proposed New Owner, and actual and pro forma financial condition of Franchisee; (iii) character and reputation of Proposed New Owner; (iv) conflicting interests of Proposed New Owner; (v) the terms and conditions of Proposed New Owner's rights, if the proposed Transfer is a pledge or hypothecation; (vi) the adequacy of Franchisee's operation of any Restaurant and compliance with the System and this Agreement; and (vii) such other criteria and conditions as Franchisor shall then consider relevant in the case of an application for a new franchise to operate a restaurant unit within the System by an applicant that is not then currently doing so. Franchisor's consent also may be conditioned upon execution by Proposed New Owner of an agreement whereby Proposed New Owner assumes full, unconditional, joint and several liability for, and agrees to perform from the date of such Transfer, all obligations, covenants and agreements contained herein to the same extent as if it had been an original party to this Agreement and may also require Franchisee and Principal Shareholders, including the proposed Transferor(s), to execute a general release which releases Franchisor and its affiliates from any claims they may have had or then have against Franchisor and its affiliates. In the event Proposed New Owner is a partnership (including, but not limited to, a limited partnership), Proposed New Owner will also be required to execute an addendum to the Agreement which amends the references to Franchisee and its Principal Shareholders to include the partnership approved by Franchisor and Proposed New Owner's general partner(s) and the principal shareholders of the general partner(s), if the general partner(s) is a corporation. This addendum will contain a provision including in the definition of "**Transfer**" the withdrawal, removal or voluntary/involuntary dissolution (if applicable) of the general partner(s) or the substitution or addition of a new general partner. Franchisee or Principal Shareholders, as the case may be, shall provide Franchisor with such information as it may require in connection with a request for approval of a proposed Transfer. For purposes of clarification, nothing in this Appendix B shall limit Franchisor's discretion in granting or withholding consent to a Transfer or to require the applicable parties to agree to certain terms as a condition to obtaining consent to a Transfer.

APPENDIX C TO FRANCHISE AGREEMENT

CONFIDENTIALITY AGREEMENT

THIS AGREEMENT is made this _____ day of _____, 20____, by and between _____, a _____ corporation (“**Developer**”), and _____, an individual employed by Developer (“**Employee**”).

WITNESSETH:

WHEREAS, APPLEBEE’S FRANCHISOR LLC (“**Applebee’s**”) has the right to grant franchises for all rights in and to a unique system for the development and operation of restaurants (the “**System**”), which includes proprietary rights in valuable trade names, service marks and trademarks, including the service mark Applebee’s Neighborhood Grill & Bar and variations of such mark, designs and color schemes for restaurant premises, signs, equipment, procedures and formulae for preparing food and beverage products, specifications for certain food and beverage products, inventory methods, operating methods, financial control concepts, a training facility and teaching techniques;

WHEREAS, Developer is the owner of the exclusive right to develop restaurants franchised by Applebee’s which utilize the System (“**Restaurants**”) for the period and in the territory described in the Development Agreement between Applebee’s and Developer (the “**Development Agreement**”); and

WHEREAS, Developer acknowledges that Applebee’s information as described above was developed over time at great expense, is not generally known in the industry and is beyond Developer’s own present skills and experience, and that to develop it itself would be expensive, time-consuming and difficult, that it provides a competitive advantage and will be valuable to Developer in the development of its business, and that gaining access to it was therefore a primary reason why Developer entered into the Development Agreement; and

WHEREAS, in consideration of Applebee’s confidential disclosure to Developer of these trade secrets, Developer has agreed to be obligated by the terms of Development Agreement to execute, with each employee of Developer who will have supervisory authority over the development or operation of more than one Restaurant in the Territory described in the Development Agreement, a written agreement protecting Applebee’s trade secrets and confidential information entrusted to Employee.

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

(1) The parties acknowledge and agree that Employee is or will be employed in a supervisory or managerial capacity and in such capacity will have access to information and materials which constitute trade secrets and confidential and proprietary information. The parties further acknowledge and agree that any actual or potential direct or indirect competitor of Applebee’s, or of any of its franchisees, shall not have access to such trade secrets and confidential information;

(2) The parties acknowledge and agree that the System includes trade secrets and confidential information which Applebee’s has revealed to Developer in confidence, and that protection of said trade secrets and confidential information and protection of Applebee’s against unfair competition from others who enjoy or who have had access to said trade secrets and confidential information are essential for the maintenance of goodwill and special value of the System;

(3) Employee agrees that he or she shall not at any time: (i) appropriate or use the trade secrets incorporated in the System, or any portion thereof, for use in any business which is not within the System; (ii) disclose or reveal any portion of the System to any person, other than to Developer’s employees as an

incident of their training; (iii) acquire any right to use, or to license or franchise the use of any name, mark or other intellectual property right which is or may be granted by any franchise agreement between Applebee's and Developer; or (iv) communicate, divulge or use for the benefit of any other person or entity any confidential information, knowledge or know-how concerning the methods of development or operation of a Restaurant which may be communicated to Employee or of which Employee may be apprised by virtue of Employee's employment by Developer. Employee shall divulge such confidential information only to such of Developer's other employees as must have access to that information in order to operate a Restaurant or to develop a prospective site for a Restaurant. Any and information, knowledge and know-how, including, without limitation, drawings, materials, equipment, specifications, techniques and other data, which Applebee's designates as confidential, shall be deemed confidential for purposes of this Agreement;

(4) Employee further acknowledges and agrees that any materials or manuals provided or made available to Developer by Applebee's (collectively, the "**Manuals**"), described in Section 5 of the applicable franchise agreement between Applebee's and Developer, are loaned by Applebee's to Developer for limited purposes only, remain the property of Applebee's, and may not be reproduced, in whole or in part, without the written consent of Applebee's;

(5) Employee agrees to surrender to Developer or to Applebee's each and every copy of the Manuals and any other information or material in his or her possession or control upon request, upon termination of employment or upon completion of the use for which said Manuals or other information or material may have been furnished to Employee;

(6) The parties agree that in the event of a breach of this Agreement, Applebee's would be irreparably injured and would be without an adequate remedy at law. Therefore, in the event of a breach or a threatened or attempted breach of any of the provisions hereof, Applebee's shall be entitled to enforce the provisions of this Agreement as a third-party beneficiary hereof and shall be entitled, in addition to any other remedies which it may have hereunder at law or in equity (including the right to terminate the Development Agreement), to a temporary and/or permanent injunction and a decree for specific performance of the terms hereof without the necessity of showing actual or threatened damage, and without being required to furnish a bond or other security; and

(7) If any court or other tribunal having jurisdiction to determine the validity or enforceability of this Agreement determines that it would be invalid or unenforceable as written, the provisions hereof shall be deemed to be modified or limited to such extent or in such manner necessary for such provisions to be valid and enforceable to the greatest extent possible.

IN WITNESS WHEREOF, the undersigned have entered into this Agreement as of the date first above written.

5. Appendix C. Amended. The first paragraph of **Appendix C** to Franchise Agreement, entitled “**CONFIDENTIALITY AGREEMENT**,” is hereby amended by deleting the same as it now appears and inserting the following in its place and stead:

“THIS AGREEMENT is made this _____ day of _____, 20____, by and between _____, a _____ limited liability company (“**Franchisee**”), and _____, an individual employed by Franchisee (“**Employee**”).”

6. Governing Law. This Addendum shall be governed by, and construed and enforced in accordance with, the internal laws of the State of Kansas, without regard to its conflict of laws provisions.

7. No Further Amendment. No further amendment or modification of the Franchise Agreement shall be binding unless executed in writing by Franchisor and Franchisee or their authorized successors or assigns. No course of conduct or course of performance under this or any other agreement between the parties

will be deemed to modify this Addendum. Except as expressly set forth in this Addendum, the Franchise Agreement remains in full force and effect.

8. Entire Agreement. This Addendum and the agreements, documents and instruments referenced herein constitute the entire agreement between the parties with respect to the subject matter hereof, superseding and cancelling any and all prior and contemporaneous agreements, understandings, representations, inducements and statements, oral or written, of the parties in connection with the subject matter hereof.

9. Headings. The section headings are inserted as a matter of convenience and in no way define, limit or describe the scope of such section or affect the interpretation of this Addendum.

10. Counterparts. This Addendum may be signed in counterparts and each counterpart with a hand-written signature, whether an original or an electronic data text (including electronic mail) is considered an original and all counterparts constitute one and the same instrument.

11. Miscellaneous. Each of the terms and provisions of this Addendum is deemed incorporated by reference into the Franchise Agreement. When a conflict exists between this Addendum and the Franchise Agreement, this Addendum shall control. Any capitalized term not otherwise defined in this Addendum shall have the meaning as set forth in the Franchise Agreement. If any provision of this Addendum is found to be unenforceable, the remaining provisions will continue to be in full force and effect. This Addendum will be binding upon and inure to the benefit of the parties, their successors and permitted assigns. No waiver of any provision of this Addendum will be enforceable against a party unless it is in writing and signed by such party. No waiver by any party of any provisions of this Addendum will be deemed to be or constitute a waiver of any other provision hereof (whether or not similar), nor will such waiver constitute a continuing waiver unless otherwise expressly provided.

Disclaimer

This Manual contains brand standards which are mandatory standards Franchisees must meet as required by your Franchise Agreement. These standards exist to protect All's interests in its trademarks and the Applebee's Grill and Bar system and not for the purpose of establishing any control over those matters that are reserved to Franchisees. For example, each Franchisee must follow the recipes, cooking instructions, and plate presentation standards described in recipe manuals, job aids, and other Brand Standards materials except when a Franchisee has obtained approval from All for a deviation through the Form 100 Exception Authorization Request process.

Each Franchisee is solely responsible for following Applebee's Grill and Bar system standards and for the day-to-day operation of your restaurants. For example, each Franchisee is responsible for the control of your employees in the daily operation of a restaurant, as well as the safety and security of your employees and customers. No information that we provide to you in these areas shifts any part of this responsibility from you. In the event there is a guest incident that occurs due to the failure to follow an Applebee's Grill and Bar system standard that may jeopardize the Applebee's Grill and Bar brand, the Franchisee must contact Applebee's International, Inc. and report the incident within 12 hours of its occurrence.

This Manual also contains suggestions and best demonstrated practices where specifically indicated. We recommend these suggested practices to enhance the likelihood that you will be in compliance with system standards relating to the operation of your restaurant.

Where this Manual provides suggestions and best demonstrated practices, All's intent is to protect the image of the Applebee's system and brand and not for the purpose of limiting a Franchisee's control over, or a Franchisee's obligation and sole responsibility to manage its restaurants, including but not limited to its employment and customer relations practices. You are not required to adopt or use any suggestions and these suggestions do not negate your sole responsibility for all employment matters related to your restaurants. Each Franchisee is solely responsible for the daily operation of restaurants, including selecting, compensating, and training your employees, developing employee relations, and establishing your own policies and practices in a manner that complies with all laws applicable to your business. We advise that you consult your own employment attorney regarding workplace matters.

The information in this Manual is provided "as is." All does not and cannot warrant any Franchisee's results. All makes no warranties, express or implied, including warranty as to performance, merchantability, or fitness for a particular purpose. All is not engaged to render legal or other professional advice, and makes no representation that the information is accurate or complete with respect to all laws, rules and regulations applicable to a Franchisee's restaurant. All recommends that the Franchisee contact your own lawyer to make sure you understand and comply with all laws applicable to your business.

All may update this Manual to provide better service to Applebee's guests and build a stronger business. All will send instructions to update and maintain this Manual through various forms of communication, including email, mail, DinePlate and CORE News items. It is the Franchisee's responsibility to use the most current version of the Manual as instructed.

Disclaimer

This Manual contains brand standards which are mandatory standards Franchisees must meet as required by your Franchise Agreement. These standards exist to protect All's interests in its trademarks and the Applebee's Grill and Bar system and not for the purpose of establishing any control over those matters that are reserved to Franchisees. For example, each Franchisee must follow the recipes, cooking instructions, and plate presentation standards described in recipe manuals, job aids, and other Brand Standards materials except when a Franchisee has obtained approval from All for a deviation through the Form 100 Exception Authorization Request process.

Each Franchisee is solely responsible for following Applebee's Grill and Bar system standards and for the day-to-day operation of your restaurants. For example, each Franchisee is responsible for the control of your employees in the daily operation of a restaurant, as well as the safety and security of your employees and customers. No information that we provide to you in these areas shifts any part of this responsibility from you. In the event there is a guest incident that occurs due to the failure to follow an Applebee's Grill and Bar system standard that may jeopardize the Applebee's Grill and Bar brand, the Franchisee must contact Applebee's International, Inc. and report the incident within 12 hours of its occurrence.

This Manual also contains suggestions and best demonstrated practices where specifically indicated. We recommend these suggested practices to enhance the likelihood that you will be in compliance with system standards relating to the operation of your restaurant.

Where this Manual provides suggestions and best demonstrated practices, All's intent is to protect the image of the Applebee's system and brand and not for the purpose of limiting a Franchisee's control over, or a Franchisee's obligation and sole responsibility to manage its restaurants, including but not limited to its employment and customer relations practices. You are not required to adopt or use any suggestions and these suggestions do not negate your sole responsibility for all employment matters related to your restaurants. Each Franchisee is solely responsible for the daily operation of restaurants, including selecting, compensating, and training your employees, developing employee relations, and establishing your own policies and practices in a manner that complies with all laws applicable to your business. We advise that you consult your own employment attorney regarding workplace matters.

(B) A REQUIREMENT THAT A FRANCHISEE ASSENT TO A RELEASE, ASSIGNMENT, NOVATION, WAIVER OR ESTOPPEL WHICH DEPRIVES A FRANCHISEE OF RIGHTS AND PROTECTIONS PROVIDED IN THIS ACT. THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT, FROM SETTLING ANY AND ALL CLAIMS.

THIS PUBLIC OFFERING STATEMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR OTHER AGREEMENT SHOULD BE REFERRED TO FOR AN UNDERSTANDING OF ALL RIGHTS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

1. Item 13 is amended by adding the following language: The Minnesota Department of Commerce requires that the Franchisor indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the Franchisor's trademark infringes upon the trademark rights of the third party. Franchisor will protect your right to use the trademarks, service marks, trade names, logotypes of other commercial symbols ("Marks") or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use the Marks. Franchisor does not indemnify against the consequences of a franchisee's use of the Franchisor's trademark except in accordance with the requirements of the franchise, and, as a condition to indemnification, franchisee must provide notice to Franchisor of any such claim within ten (10) days and tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

2. Item 17 is amended by adding the following language:

a. Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit Franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or Franchise Agreement can abrogate or reduce any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or the franchisee's rights to any procedure, forum or remedies provided for by the laws of the jurisdiction. If the Franchise Agreement and/or the Franchise Disclosure Document contains a provision that is inconsistent with the Minnesota Statutes or the Minnesota Rule, the provisions of the Franchise Agreement and/or the Franchise Disclosure Document shall be superseded by the Minn. Rule's requirements and shall have no force or effect.

b. With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a franchisee be given 90 days' written notice of termination (with 60 days to cure) and notice of Franchisor's intention not to renew 180 days before expiration of the franchise and that the franchisee be given sufficient opportunity to operate the franchise in order to enable the franchisee the opportunity to recover the fair market value of the franchise as a going concern. Franchisor's consent to the transfer will not be unreasonably withheld.

**AMENDMENT TO APPLEBEE'S NEIGHBORHOOD GRILL & BAR
FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF MARYLAND**

In recognition of the Maryland Franchise Registration and Disclosure Law, Md. Code Ann., Bus. Reg. §§ 14-201 - 14-233 (1994), and of the Rules and Regulations promulgated pursuant thereto, the parties to the attached APPLEBEE'S NEIGHBORHOOD GRILL & BAR FRANCHISE AGREEMENT (the "Franchise Agreement") agree as follows:

1. Franchisee is required in this Agreement to execute a release of claims and/or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Act, or a rule or order under the Act. Such release shall exclude claims arising under the Maryland Franchise Registration and Disclosure Law, and such acknowledgments shall be void with respect to claims under the Law.

2. This Agreement requires litigation to be conducted in a forum other than the State of Maryland. The requirement shall not be interpreted to limit any rights Franchisee may have under Sec. 14-216 (c)(25) of the Maryland Franchise Registration and Disclosure Law to bring suit in the state of Maryland.

3. Pursuant to COMAR 02.02.08.16L, the general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

4. This Agreement is hereby amended to reflect that any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

5. Section 14-226 of the Maryland Franchise Registration and Disclosure Law prohibits a franchisor from requiring a prospective franchisee to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise. This Agreement requires prospective franchisees to disclaim the occurrence and/or acknowledge the non-occurrence of acts that would constitute a violation of the Franchise Law. Such representations are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law resulting from the offer or sale of the franchise.

6. No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto have fully executed, sealed and delivered this Amendment to the Franchise Agreement (Attachment FA-1) on the _____ day of _____, 20____.

**AMENDMENT TO APPLEBEE'S NEIGHBORHOOD GRILL & BAR
FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF MINNESOTA**

In recognition of the Minnesota Franchise Act, Minn. Stat. Section 80C.01 *et seq.*, and of the Rules and Regulations promulgated pursuant thereto by the Commissioner of Securities, the parties to the attached APPLEBEE'S NEIGHBORHOOD GRILL & BAR FRANCHISE AGREEMENT (the "Franchise Agreement") agree as follows:

1. Subsection 1.3 of Section 1 of the Franchise Agreement, "Franchise Grant and Term," shall be supplemented by the addition of the following paragraph, which shall be considered an integral part of the Franchise Agreement:

With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a franchisee be given ninety (90) days' written notice of termination (with sixty [60] days to cure) and notice of Franchisor's intention not to renew one hundred eighty (180) days prior to expiration of the franchise and that the franchisee be given sufficient opportunity to operate the franchise in order to enable the franchisee the opportunity to recover the fair market value of the franchise as a going concern. Franchisor's consent to the transfer will not be unreasonably withheld.

2. Section 18 of the Franchise Agreement, "Trade Names, Service Marks and Trademarks," shall be supplemented by the addition of the following Subsection 18.9, which shall be considered an integral part of the Franchise Agreement:

18.9 The Minnesota Department of Commerce requires that the Franchisor indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the Franchisor's trademark infringes upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of the Franchisor's trademark except in accordance with the requirements of the franchise, and, as a condition to indemnification, franchisee must provide notice to Franchisor of any such claim within ten (10) days and tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

3. Subsection 19.1 of Section 19 of the Franchise Agreement, "Expiration and Termination; Option to Purchase Restaurant; Attorneys' Fees," shall be supplemented by the addition of the following paragraph, which shall be considered an integral part of the Franchise Agreement:

Minnesota law provides franchisees with certain termination rights. With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a franchisee be given ninety (90) days' written notice of termination (with sixty [60] days to cure) and one hundred eighty (180) days' notice for non-renewal of the Franchise Agreement. Franchisor's consent to the transfer of the franchise will not be unreasonably withheld.

4. Subsection 21 of the Franchise Agreement, "Construction, Severability, Governing Law and Jurisdiction," shall be supplemented by the addition of the following sentence:

MINNESOTA STAT. SECTION 80C.21 AND MINN. RULE 2860.4400(J) PROHIBIT FRANCHISOR FROM REQUIRING LITIGATION TO BE CONDUCTED OUTSIDE MINNESOTA, REQUIRING WAIVER OF A JURY TRIAL OR REQUIRING FRANCHISEE TO CONSENT TO LIQUIDATED DAMAGES, TERMINATION PENALTIES OR JUDGMENT NOTES. IN ADDITION, NOTHING IN THIS AGREEMENT SHALL ABROGATE OR REDUCE ANY RIGHTS OF FRANCHISEE'S RIGHTS AS PROVIDED FOR IN MINNESOTA STATUTES, CHAPTER 80C, OR FRANCHISEE'S RIGHTS TO ANY PROCEDURE, FORUM, OR REMEDIES PROVIDED FOR BY THE LAWS OF THE JURISDICTION.

If the Franchise Agreement contains a provision that is inconsistent with the Minnesota Statutes or the Minnesota Rule, the provisions of the Franchise Agreement shall be superseded by the Minn. Rule's requirements and shall have no force or effect.

5. The second sentence of Appendix B to the Franchise Agreement, "Review and Consent with Respect to Transfers," shall be deleted in its entirety and shall have no force or effect, and the following sentence shall be substituted in lieu thereof:

Franchisor's consent also may be conditioned upon execution by Proposed New Owner of an agreement whereby Proposed New Owner assumes full, unconditional, joint and several liability for, and agrees to perform from the date of such Transfer, all obligations, covenants and agreements contained herein to the same extent as if it had been an original party to this Agreement and may also require Franchisee and Principal Shareholders, including the proposed transferor(s), to execute a general release which releases Franchisor from any claims they may have had or then have against Franchisor, excluding only such claims as the Franchisee may have that have arisen under the Minnesota Franchise Act or the rules and regulations promulgated thereunder by the Commissioner of Commerce.

6. Appendix B to the Franchise Agreement, "Review and Consent with Respect to Transfers," shall be supplemented by the following sentence:

Franchisor's consent to the transfer of the franchise will not be unreasonably withheld.

FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF NEW YORK**

In recognition of the requirements of the New York General Business Law, Article 33, the parties to the attached Applebee's Neighborhood Grill & Bar Franchise Agreement (the "Franchise Agreement") agree as follows:

1. Subsection 5.7 of Section 5 of the Franchise Agreement, "Restaurant System and Procedures," shall be deleted in its entirety and shall have no force or effect, and the following shall be substituted in lieu thereof:

5.7 Franchisor shall have the right, at any time and from time to time, in the exercise of its reasonable business judgment consistent with the overall best interests of the System generally to revise, amend, delete from and add to the System and the material contained in the Manual. Franchisee agrees to comply with all such revisions, amendments, deletions and additions.

2. Subsection 13.2 of Section 13 of the Franchise Agreement, "Confidentiality; Restrictions," shall be deleted in its entirety and shall have no force or effect, and the following shall be substituted in lieu thereof:

13.2 Franchisee and Principal Shareholders agree that the provisions of this Section 13 are and have been a primary inducement to Franchisor to enter into this Agreement, and that in the event of a breach thereof Franchisor would be irreparably injured and would be without adequate remedy at law. Therefore, in the event of a breach or a threatened or attempted breach of any of such provisions Franchisor shall be entitled, in addition to any other remedies which it may have hereunder or at law or in equity (including the right to terminate this Agreement), to apply for a preliminary and/or permanent injunction in a decree for a specific performance of the terms hereof without the necessity of showing actual or threatened damage, and without being required to furnish a bond or security.

3. Subsection 15.2 of Section 15 of the Franchise Agreement, "Relationship of Parties and Indemnification," shall be deemed to exclude any claims arising as the result of Franchisor's acts or omissions to act in connection with the operation or condition of the Restaurant.

4. Subsection 21.1 of Section 21 of the Franchise Agreement, "Construction, Severability, Governing Law and Jurisdiction," shall be supplemented with the following sentence:

The Franchisee's restitutionary rights, if any, are subject to determination under applicable law.

5. Subsection 21.2 of Section 21 of the Franchise Agreement, "Construction, Severability, Governing Law and Jurisdiction," shall be supplemented with the following sentence:

THE FOREGOING CHOICE OF LAW SHOULD NOT BE CONSIDERED A WAIVER OF ANY RIGHT CONFERRED UPON FRANCHISEE BY ART. 33 OF THE NEW YORK GENERAL BUSINESS LAW.

6. The second sentence of Appendix B to the Franchise Agreement, "Review and Consent with Respect to Transfers," shall be deleted in its entirety and shall have no force or effect, and the following shall be substituted in lieu thereof:

Franchisor's consent also may be conditioned upon execution by Proposed New Owner of an agreement whereby Proposed New Owner assumes full, unconditional, joint and several liability for, and agrees to perform from the date of such Transfer, all obligations, covenants and agreements contained herein to the same extent as if it had been an original party to this Agreement and may also require Franchisee and Principal Shareholders, including the proposed transferor(s), to execute a general release which releases Franchisor from any claims they may have had or then have against Franchisor; provided however, that all rights enjoyed by the Franchisee and Principal Shareholders and any causes of action arising in their favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of Sections 687.4 and 687.5 of the New York General Business Law be satisfied.

IN WITNESS WHEREOF, the undersigned have entered into this Amendment to the Franchise Agreement (Attachment FA-1) as of the date first above written in the Franchise Agreement.
