SUSHI WITH GUSTO

We offer the franchisee the right to operate a full service sushi bar (“Full Service Sushi Bar”), satellite sushi bar (“Satellite Sushi Bar”) or Asian food bar (“Asian Food Bar”) using our distinctive system under the name “Hissho Sushi” or “Ōumi Sushi” or “Sushi With Gusto”, depending on the location.

The total investment necessary to begin operation of a Hissho Sushi, Ōumi Sushi, or Sushi With Gusto food retail unit is between \$25,649 and \$134,629, plus an additional \$0 to \$150,000 if you purchase an existing food retail unit. This includes \$17,550 to \$96,650 (plus an additional \$0 to \$150,000 if you purchase an existing food retail unit from our affiliate) for each food retail unit, that must be paid to the Franchisor or its affiliates.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the Franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the Franchisor or a limited group of suppliers the Franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the Franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by mediation, arbitration and/or litigation only in North Carolina. Out of state arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate, arbitrate or litigate with us in North Carolina than in your home state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Turnover Rate.** During the last 3 years, a large number of franchised outlets (594) were terminated, not renewed, re-acquired, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

**THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED
BY THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of Franchisor's intent not to renew the franchise.
- (e) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - i.* The failure of the proposed transferee to meet the Franchisor's then-current reasonable qualifications or standards.
 - ii.* The fact that the proposed transferee is competitor of the Franchisor or Sub-franchisor.
 - iii.* The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- iv.* The failure of the franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENFORCEMENT BY THE ATTORNEY GENERAL.

ITEM 1: THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

To simplify the language in this disclosure document (“Disclosure Document”), “we” or “us” or “our” or “Franchisor” means Hissho International, LLC. “You” or “Your” or “Franchisee” means the corporation, partnership, limited liability company, or other legal entity that buys the franchise. If you are a corporation, limited liability company, or other legal entity, each owner of the franchise entity must sign our Guaranty (see Attachment B to the Franchise Agreement), which means all of the Franchise Agreement’s provisions will also apply to your owners, partners, officers, directors, shareholders, members and/or managers. You must create a corporation or a limited liability company to hold the rights granted by the Franchise Agreement. Throughout this Disclosure Document, whenever we refer to “company operated” Food Retail Units, we mean all Food Retail Units operated by our affiliate, Hissho Operations, LLC (“Hissho Operations”).

We are a Delaware limited liability company that was organized on March 29, 2017. We do business under the service marks and trade names “Hissho Sushi,” “Ōumi Sushi,” and “Sushi With Gusto,” and various other trademarks and/or service marks. Our principal place of business is located at 11949 Steele Creek Road, Charlotte, North Carolina 28273, and our telephone number is (704) 926-2200.

On January 1, 2021, we acquired substantially all of the assets of Sushi With Gusto, Inc., a South Carolina corporation. As part of that transaction, we acquired the rights to offer Sushi With Gusto franchises throughout the United States.

Agent for Service of Process

We authorize the respective agents for service of process as referenced in Exhibit B.

Prior Experience

We began offering franchises similar to the franchises offered by this Disclosure Document on September 6, 2013. We also offer franchisees, through a separate Franchise Disclosure Document, the right to develop and operate a sushi and wine bar that specializes in freshly prepared sushi and related Asian food products and serves craft beer and wine under the name “Hissho,” “Hissho Sushi” “Hissho Sushi and Craft Beer Bar,” “Hissho Asian Kitchen,” or “Hissho Sushi and Wine Bar” (“Hissho Full Service”). We began offering Hissho Full Service franchises on August 18, 2020. We have not otherwise offered franchises in any other line of business and do not conduct any other kind of business. We do not maintain a sales office at any location other than our principal place of business, and do not retain the services of any sales organization, except employees of our affiliate, Lwin Family Co, LLC (referred to as “Lwin”).

Our Parent Companies

Our immediate parent company is Hissho Holdco, LLC, a Delaware limited liability company (“Holdco”), which owns 100% of the equity in us. Holdco’s parent is Hissho Parent, LLC, a Delaware limited liability company (“Parent”), which owns 100% of the equity in Holdco. The principal business address for both Holdco and Parent is 11949 Steele Creek Road, Charlotte, North Carolina 28273.

Pursuant to an agreement and plan of merger dated April 7, 2022 (the “Merger Agreement”), AIH–Hissho Sushi, LLC and American Investment Holdings LLC, sold all their ownership interest in Parent to Hissho Sushi Merger Sub, LLC (“Hissho Sub”), a Delaware limited liability company. Upon closing of the transaction and under the Merger Agreement, on May 18, 2022, Hissho Sub merged into Parent and Parent remained the surviving company. As a result of the transaction, our new ultimate parent is Hissho Sushi

Holdings, LLC (“Hissho Holdings”), a newly formed Delaware limited liability company whose principal business address is 11150 Santa Monica Boulevard, Suite 1200, Los Angeles, CA 90025. Hissho Holdings is controlled by a private equity fund managed by Brentwood Associates (“Brentwood”), a private equity firm whose principal business address is 11150 Santa Monica Blvd., Suite 1200, Los Angeles, CA 90025.

Our Predecessors and Affiliates

We do not have any predecessors, although we were originally formed as a North Carolina limited liability company and converted to a Delaware limited liability company in 2017.

We have two affiliates, Lwin and Hissho Operations.

Lwin’s principal business address is 11949 Steele Creek Road, Charlotte, North Carolina 28273. Lwin is our designated supplier of most food items, certain types of equipment and certain services to franchisees. Lwin has not offered franchises in any line of business.

Hissho Operations’ principal business address is 11949 Steele Creek Road, Charlotte, North Carolina 28273. Hissho Operations has operated Food Retail Units under the Proprietary Marks that are similar to those offered by this Disclosure Document since November 2013. Those Food Retail Units operated by Hissho Operations are referred to as company-operated Food Retail Units.

Through common control with private equity funds managed by Brentwood, we are affiliated with the franchise programs listed below. None of these affiliates have offered franchises in any line of business other than listed below, or conducted a business similar to the Food Retail Unit at a Retail Host that you will operate:

1. Blaze Pizza, LLC (“Blaze”), a California limited liability company located at 35 N. Lake Avenue, Suite 710, Pasadena, California 91101. Blaze is the franchisor for Blaze Pizza franchises. As of December 31, 2023, there were 302 franchised and 13 company-owned Blaze Pizza restaurants in operation in the United States.
2. Simply Southern Restaurant Group, LLC (“Simply Southern”), an Alabama limited liability company located at 2839 Paces Ferry Road SE, Ste. 500, Atlanta, GA, 30339-5732. Simply Southern is the franchisor for The Chicken Salad Chick franchises. As of December 31, 2023, there were 181 franchised and 74 company-owned The Chicken Salad Chick restaurants in operation in the United States.
3. Watermill Express Franchising, LLC (“Watermill Express”), a Colorado limited liability company located at 1177 South Fourth Avenue, Brighton, Colorado 80601. Watermill Express is the franchisor for Watermill Express station franchises. As of December 31, 2023, there were 214 franchised and 1,031 company-owned Watermill Express stations in operation in the United States.

The Business We Offer

This Disclosure Document offers the right to develop and operate Full Service Sushi Bars (with or without Satellite Sushi Bars) and Asian Food Bars (collectively referred to as "Food Retail Units" or "Franchises") under the name “Hissho Sushi,” “Ōumi Sushi” or “Sushi With Gusto.” Full Service Sushi Bars and Satellite Sushi Bars are sometimes referred to collectively as “Sushi Bars.” We decide whether to offer you a Sushi Bar or an Asian Food Bar, depending upon the suitability of the facility, available square footage, the characteristics of the location, and other factors. We may offer you a single location or multiple locations over time. You will sign a Franchise Agreement to develop and operate a single location. If we offer you

additional Food Retail Units and you accept, you will sign an addendum to your Franchise Agreement authorizing operation of the additional Food Retail Units.

Food Retail Units are generally located in grocery stores, supermarkets, specialty stores, hospitals, universities, and other locations owned and operated by third-party operators (the “Retail Host”), at locations that either we select, or you propose and we approve. We, or one of our affiliates, enter into agreements with Retail Hosts to have sushi and/or Asian hot food products prepared and offered for sale at sushi counters and/or Asian hot food bars within the Retail Host locations that are branded with one of the Proprietary Marks. The name under which you operate each of your Food Retail Units will be determined by the Retail Hosts that own and operate the premises in which your Food Retail Units are located.

The right to operate and the terms of operation of a Food Retail Unit are negotiated by us, or our affiliate, directly with the Retail Host. When we franchise a Food Retail Unit to you, you must comply with the requirements of the Retail Host in all respects, including (i) the maximum, minimum and other requirements the Retail Host establishes (as allowed by applicable law) with respect to the prices you may charge for products and services and (ii) any minimum sales/performance requirements with respect to the Food Retail Unit. We have no right to, and will not, establish maximum, minimum or other requirements with respect to the prices you may charge for products and services. If our or our affiliate’s rights to the Food Retail Unit expire, are terminated, or are limited for any reason under the agreement with the Retail Host (including for a failure to satisfy any minimum sales/performance requirements), then your right to operate the Food Retail Unit will simultaneously terminate or be limited. If your rights are terminated or limited, we do not have any obligation to compensate you and we do not guaranty or promise that we will find you another location or offer another Food Retail Unit to you.

Our Full Service Sushi Bars, Satellite Sushi Bars, and Asian Food Bars operate using the same systems, methods and procedures, and under the same supply arrangements, regardless of the Proprietary Marks utilized in connection with its operation. So, when we refer to the “Hissho System” in the remainder of this Disclosure Document, we mean our method of operating Food Retail Units under any Proprietary Mark.

Sushi Bars (Full Service & Satellite)

Full Service Sushi Bars. Full Service Sushi Bars may require personnel to be present during all operating hours, or may be part-time sushi bars that require personnel to be present 30 to 35 hours during the operating week. The determination of whether a Full Service Sushi Bar is full-time or part-time is made by us in our discretion, and may be determined in consultation with the Retail Host. Full Service Sushi Bars offer high quality, freshly prepared sushi products which are offered for sale at competitive prices as carry out items typically for off premises consumption, or on premises consumption, depending upon the seating availability of the Retail Host location. Sushi Bars also offer for sale various packaged retail products such as bottled, branded sauces, dried seaweed, wasabi and gari.

Satellite Sushi Bar. Franchisees may also have prepackaged sushi display and merchandising cases at Retail Host locations in the vicinity of a Full Service Sushi Bar (“Satellite Sushi Bars”). Sushi is not prepared on site at a Satellite Sushi Bar but instead is prepared at a Full Service Sushi Bar and delivered to a Satellite Sushi Bar. Your franchise business may have only a Full Service Sushi Bar, or it may have one or more Full Service Sushi Bars and Satellite Sushi Bars. You may not obtain a Satellite Sushi Bar unless you also have a Full Service Sushi Bar. If we grant you the right to open Satellite Sushi Bars, you will prepare products at your Full Service Sushi Bar and deliver them to the Satellite Sushi Bars. If we obtain a suitable location for a Satellite Sushi Bar within the vicinity of one of your Full Service Sushi Bars, we may offer you the opportunity to operate and deliver sushi products to that Satellite Sushi Bar. If you request, and we grant you the right to open a Satellite Sushi Bar, or if we obtain a suitable location for a Satellite Sushi Bar and you accept our offer to operate and deliver sushi products to that Satellite Sushi Bar, you will sign an addendum to your Franchise Agreement detailing the terms of your operation of the Satellite Sushi Bar. There is no

initial franchise fee for a Satellite Sushi Bar.

Asian Food Bars

Asian Food Bars offer freshly prepared Asian dishes for take away, consumption off premises, and, depending on the facility, for consumption on premises. Asian Food Bars are full service food bars requiring personnel to be present during all operating hours. We may require you to operate both an Asian Food Bar with your Sushi Bar in a particular Retail Host location, at our discretion. At this time, Asian Food Bars do not prepare or serve sushi.

The Franchise Agreement

Franchisee must be a corporation, partnership, limited liability company, or other legal entity type, as approved by us. You may not sign a Franchise Agreement with us in your individual capacity or as a sole proprietorship.

Under our franchise program, you will sign a franchise agreement (the "Franchise Agreement") which grants you the right to establish and operate a Full Service Sushi Bar or Asian Food Bar at a Retail Host location identified in the Franchise Agreement.

Under our satellite program, your Franchise Agreement may also grant you the right to deliver sushi to one or more Satellite Sushi Bars.

Food Retail Units operating under our brands are characterized by a system which includes distinctive layout and systems, a special selection of sushi products prepared fresh and from high grade ingredients, utilizing our procedures and preparations which may be changed from time to time; methods for operating; a training program using special course instruction, and manuals; and distinctive graphics presentations, marketing and promotional programs and materials (the "System"). We will continue to improve and develop the System and will provide you with new information and techniques as they may develop. The Sushi Bars offer a standard special selection of branded sushi products and condiments, which may change from time to time.

The System is identified by certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including the mark "Hissho Sushi" "Ōumi Sushi" or "Sushi with Guso" that we currently designate, and may designate in writing in the future for use with the System (the "Proprietary Marks"), and certain unique trade dress, including but not limited to specific color schemes, patterns, design, decor, layout, that we now, or hereafter use in connection with the System (the "Trade Dress").

Our typical franchised Food Retail Unit will be located within a Retail Host location in an urban or suburban location, with proximity to residential areas, near or in commercial areas. Typically, we, or our affiliate, will have an agreement with the Retail Host that gives us, or our affiliates, the right to operate, or to license a third-party the right to operate, a Food Retail Unit within the Retail Host. We will give you access to the Retail Host location as part of our franchise agreement. Sushi products will be purchased through the Retail Host's cash register system. The amounts you receive are referred to as Franchise Commissions and are stated in Attachment A to the Franchise Agreement. After the Retail Host retains its portion of the Gross Sales, which percentage will be pre-negotiated with us, the remaining sales will be submitted to us. If the Retail Host's portion of Gross Sales increases, we may, on notice to you, reduce your Franchise Commission to reflect that increase in money retained by the Retail Host. Any additional portion of the Gross Sales that are retained by the Retail Host will be deducted from your Franchise Commissions. We then retain and deduct from your Franchise Commissions any amounts you owe us under the terms of your Franchise Agreement, plus any amounts you owe us for fees (see Item 6), financing costs (see Item 10), amounts you owe us or our affiliates for purchases of food and supplies, and any other monetary obligation that you have to us, or our affiliate. All amounts that we, or our affiliate, retain are deducted from your Franchise Commissions. We

will remit to you the remainder of your Franchise Commissions. If there is a negative balance to your Franchise Commissions after all deductions, then your negative balance will be carried forward to the next month and be deducted from your next month's Franchise Commissions. We are never required to remit any funds to you until the Retail Host remits those funds to us. If occupancy costs and other costs imposed by the Retail Host are increased, this may also result in a reduction in your Franchise Commissions.

Our Food Retail Units generally use a standard design, layout, and décor. Our standard, traditional Full Service Sushi Bar occupies approximately 50 to 300 square feet within a Retail Host location, including shared storage with the Retail Host. An Asian Food Bar is approximately 50 to 400 square feet, including shared storage area. A Satellite Sushi Bar typically occupies approximately 2 to 25 linear feet within a cold food display case of a Retail Host location. Typically, sushi is offered for off-premises consumption, although there may be occasions that a Retail Host location may provide limited seating.

Market and Competition

The sushi business and the market for prepared Asian food is highly competitive and may be affected by changes in taste and eating habits of the public, and by local and national economic conditions. The principal basis of competition in the industry is the quality of products served, and the price of the food products offered, but name identification, ambiance, décor, site selection, speed of service, advertising, and attractiveness of facilities are also important. There is also competition for available locations within various Retail Hosts. Your competition will include other sushi bars, and retail chains of sushi bars and restaurants that offer or specialize in sushi, or Asian food, some of which may be located close to your Food Retail Unit, including national and regional chains, as well as secondary competition, including grocery stores offering prepared products and restaurants that offer sushi. Sales may be seasonally affected and may be affected generally by weather conditions and in some areas with seasonal traffic (for example, vacation areas) sales may be particularly seasonal in nature.

Each individual who owns an interest in your corporation, limited liability, or other legal entity type, must sign a guaranty (see Attachment B to the Franchise Agreement) agreeing to be bound by all the terms and conditions of the Franchise Agreement, including any amendments, and to unconditionally guarantee the payment of all liabilities incurred by you, as Franchisee, at any time, and must sign as additional signatories the Franchise Agreement.

Industry Specific Regulations

Each franchised Food Retail Unit will be subject to Federal, State, and local health inspection authorities which govern the handling of food, temperatures, and other health considerations. Federal law and regulation impose specific requirements on the handling of fresh fish products under the Hazard Analysis Critical Control Points (HACCP) program. You or your Operating Principal must attend, receive, and hold a current ServSafe® Food Protection Manager Certification accredited by the American National Accreditation Board (ANAB) from either the National Restaurant Association or any third-party recommended on the ServSafe® website accredited by the ANAB, in addition to any safe food handling courses that may be required by the local municipality in which the Food Retail Unit is located. Each Full Service Sushi Bar and Asian Food Bar is required to have at least one ServSafe® certified person on duty at all times. Federal law also requires chain retail food establishments with more than 20 locations to disclose the number of calories of each standard menu item on the menu, and menu boards, make additional written nutritional information available to customers on request, and provide a statement on menu boards about the availability of additional information. In some states or municipalities, or other political subdivisions, there may be local regulations that limit foods offered for sale, or that require posting of calorie content or other nutritional information. You should investigate these laws further.

ITEM 3: LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4: BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5: INITIAL FEES

Initial Franchise Fee

You must pay us, in a lump sum, a franchise fee (the “Initial Franchise Fee”) upon execution of the Franchise Agreement for a Food Retail Unit. The Initial Franchise Fee for a Full Service Sushi Bar is \$6,300. The Initial Franchise Fee for an Asian Food Bar is also \$6,300. There is no Initial Franchise Fee for a Satellite Sushi Bar. The Initial Franchise Fee is deemed fully earned and non-refundable in consideration of administrative and other expenses incurred by us, and for our lost or deferred opportunity to franchise to others.

If you acquire other Food Retail Units from us later (Sushi Bar, Satellite Sushi Bar, or Asian Food Bar), the length of the term granted for each additional Food Retail Unit will match the length of the term remaining on the Franchise Agreement for your first Food Retail Unit. The Initial Franchise Fee payable for additional Food Retail Units after the first Food Retail Unit depends on the term remaining on your Franchise Agreement as follows:

Number of Months Remaining on Franchise Agreement (on effective date of the addendum)	Initial Franchise Fee (for additional Food Retail Units after the first Food Retail Unit)
Between 25 and 36 months remaining	\$6,300
Between 13 to 24 months remaining	\$3,150
Less than 13 months remaining	\$1,575

If you acquire existing Food Retail Units from another franchisee, at our option, you will be required to pay either a prorated franchise fee for the remaining term under the Franchise Agreement, or a full Initial Franchise Fee for each acquired Food Retail Unit for which you receive a new Franchise Agreement with a three-year term.

During our last fiscal year, the Initial Franchise Fees we collected ranged from a low of \$0 to a high of \$6,300.

Purchase Price for Existing Units

If you purchase an existing Food Retail Unit from our affiliate, or from another franchisee, you will have to pay for the goodwill of that existing business (representing the value of existing cash flow and relationships). Our affiliate has charged between \$0 and \$50,000 for the purchase of its existing locations but may charge a price of up to \$150,000 depending on the location's sales, customer volume, location, and other factors. We therefore estimate that the total purchase price for an existing Food Retail Unit will range between \$0 and \$150,000. This amount is separate and in addition to the Initial Franchise Fee.

Training Fees

Initial Training Fee. You are required to pay us an initial training fee of \$2,000 per person for each of the Initial Training Program for the Sushi Bar and the Initial Training Program for the Asian Food Bar, if taken separately, or an initial training fee of \$3,000 per person if the Initial Training Program for the Sushi Bar and the Initial Training Program for the Asian Food Bar are taken at the same time ("Initial Training Fee"). The costs for our training programs do not include the cost of travel, lodging, or meals to attend the required training programs. Therefore, the total Initial Training Fees range between \$2,000 and \$4,000 per person, plus travel, lodging and meals.

Sushi Chef Training Fee. If any equity owners do not have sufficient sushi chef experience, they must take additional sushi chef training for 10 to 20 days at a location we designate. You are required to pay us an additional fee for sushi chef training of \$2,000 per person ("Sushi Chef Training Fee"). Therefore, the Sushi Chef Training Fee is \$2,000 per person.

Initial Equipment and Small Wares

The initial cost of equipment and small wares ranges between \$1,000 and \$15,000 for each Full Service Sushi Bar, up to an additional \$2,000 for each Satellite Sushi Bar you open at the same time you open a Full Service Sushi Bar, and between \$1,000 and \$25,000 for each Asian Food Bar. These estimates do not include the display case lease fee (if needed), or the label system (see below). Therefore, the initial cost of equipment and small wares is estimated to be between \$1,000 and \$17,000 for a Full Service Sushi Bar (assuming on the high end of the range that you open a Satellite Sushi Bar at the same time you open a Full Service Sushi Bar), and between \$1,000 and \$25,000 for an Asian Food Bar. The equipment and small wares are purchased from and payable to us, Lwin, or a third-party drop ship vendor approved by us or Lwin. Any amounts paid to us or Lwin are in all cases non-refundable. We may finance a portion of your initial cost of equipment and small wares (see Item 10). In some cases, the Retail Host may already have in place some of the required equipment. We will offer certain types of equipment for purchase, such as display cases, if they are not provided by the Retail Host. In some cases, you may purchase some small wares directly from third-party vendors and not from us.

Sushi Robot

If you operate in a high-volume location, we may require you to buy a sushi robot and charge you a \$14,000 purchase fee. Pricing varies depending on distributor and financing may be available (See Item 10 "Terms"). Purchases of sushi robots are non-refundable.

Hissho Label System Terminal

You will be required to lease from us, or our affiliates, a Hissho Label System for each Full Service Sushi

Bar. The Hissho Label System is currently a touch screen terminal with built in high-speed label printers with internet connectivity, designed specifically for back-of-house applications in the food service industry. You will be required to execute an Equipment Lease and Software License Agreement (see **Attachment D** to the Franchise Agreement) prior to gaining access to the Hissho Label System, and pay us, or our affiliates, a non-refundable Initial Lease Fee of \$1,500 (per Hissho Label System) in exchange for use of the Hissho Label System.

Initial Food Inventory and Supply Purchases

The initial costs for food inventory and supply purchases will range between \$5,000 to \$25,000 for each Full Service Sushi Bar or Asian Food Bar, and an additional \$1,000 to \$6,000 if you open a Satellite Sushi Bar at the same time you open a Full Service Sushi Bar. Therefore, the initial cost for food inventory and supply purchases is estimated to be between \$5,000 and \$31,000 for a Full Service Sushi Bar (assuming on the high end range you open a Satellite Sushi Bar at the same time you open a Full Service Sushi Bar), and between \$5,000 and \$25,000 for an Asian Food Bar. We estimate these initial food inventory and supply purchases will be sufficient to cover the opening of the Food Retail Unit and one-month of operations for each Full Service Sushi Bar or Asian Food Bar, and three months of operation for each Satellite Sushi Bar. You may not open a Satellite Sushi Bar without a Full Service Sushi Bar. The amount of food you will need to purchase will vary depending upon the volume of sales each Sushi Bar obtains.

Uniforms

You will need to purchase from our affiliate, Lwin, at least two sets of uniforms for your Operating Principal at the cost of \$200 per set, for a total of \$400 for your Operating Principal. You will also need to purchase at least two sets of uniforms for each additional employee at the cost of \$200 per set, for a total of \$400 for each additional employee.

Insurance

Before you open and operate your Franchised Business, we will obtain (on your behalf) your initial first-year Business Insurance Policy for your Food Retail Unit, and the cost of the policy will be added to your first statement. When the first-year policy is about to expire, you are responsible for purchasing and maintaining, on an annual basis and at your sole expense, the required insurance coverage that we specify below. We estimate that the cost of the Business Insurance Policy for your first year will range from \$500 to \$5,000.

Manuals

The cost for one copy of our Confidential Franchise Manual and one copy of our SSOP/HACCP Food Safety Plan Book is \$300 total (\$150 each).

Point-of-Sale and other Marketing Materials

Prior to opening your franchised business, you will be required to purchase from us Point-of-Sale and other marketing materials, including signs, banners, cards and other materials or marketing services to promote your Food Retail Unit and the brand (as appropriate). The approximate amount of initial Point-of-Sale marketing materials that you must purchase prior to opening ranges between \$300 to \$2,000 per Food Retail Unit. The estimated amounts will be paid to us as the materials are created, and the cost of services provided to you will be deducted from your Franchise Commissions.

Initial Background Check, Credit Check, and Drug Test Fee

After your application has been approved, you will be required to pay to us a non-refundable background

check, credit check, and drug test fee of \$150 per person for each owner or shareholder/member (the “Initial Background Check, Credit Check, and Drug Test Fee”). There is no application fee.

Local and State Business License Fees and Permits

Before you can open and operate your Franchised Business, local and state governments may impose and require various business, resale, and food licenses, permits, and fees, including health inspection fees or other charges. Because they must be secured and obtained before your Food Retail Unit can open, it is our standard practice to obtain them for you, and you will reimburse us for the costs and fees (and any annual and/or renewal of these licenses and/or permits), which will be deducted from your Franchise Commissions, along with a Convenience Fee of \$100 per license/permit. We estimate the cost to acquire the licenses and permits (excluding those for business entity formation) to range from \$100 to \$5,000. The costs of licenses and permits will vary by location of the Franchised Business. All fees are non-refundable.

General Information

All franchise fees are fully earned and non-refundable when paid. We do not require our affiliate, Lwin, to pay us franchise fees.

1. You do not receive payments from customers for the sales of goods and services from your Food Retail Units. Those payments will be made directly to the Retail Host where the Food Retail Unit is located and paid directly by the customer through the Retail Host's POS System. As defined in the Franchise Agreement, "Gross Sales" includes all revenue from the sale of all services and products related to the Franchised Business, whether for cash or credit and regardless of collection in the case of credit; except that "Gross Sales" does not include any sales taxes or other taxes collected from customers for transmittal to the appropriate taxing authority.

The percentage of sales that the Retail Host may retain as its share of Gross Sales (its "Service Commission") is negotiated directly by us, or Lwin, with the Retail Host, and may vary among Food Retail Units. The Service Commission varies by Retail Host and location. A typical Service Commission is 26% of Gross Sales but may range from 0% to 40% of Gross Sales. Service Commissions may fluctuate during the term of your Franchise Agreement as a result of (i) the renegotiation of our agreement with a Retail Host at the time we renew that agreement with the Retail Host, or (ii) an escalating Service Commission structure which is built into our existing agreement with a Retail Host. The amount remaining from Gross Sales after deduction of the Service Commission is referred to as "Net Sales." In other words, the Net Sales paid by the Retail Host ranges from 60% to 100% of Gross Sales. Any additional charges or changes in cost made by the Retail Host will be passed along to you and will be deducted from your Franchise Commissions. If the Service Commissions payable to a Retail Host increase, we may, on notice to you, reduce your Franchise Commission to reflect that increase in money retained by the Retail Host.

When we receive the Net Sales from the Retail Host, we will remit to you, on a 4-week cycle (13 per year), via direct deposit electronic transfer of funds (“EFT”) into your bank account (see **Franchisee Direct Deposit Banking Authorization form attached as Attachment C** to the Franchise Agreement), the franchise commission that we agree with you in the Franchise Agreement for each individual Food Retail Unit (your “Franchise Commissions”), but only after we perform a reconciliation by first deducting from your Franchise Commissions: (i) all amounts owed to us, including all fees listed in this Item 6; (ii) all amounts you owe to Lwin and/or affiliated suppliers for food and supplies and other purchases made by you, and (iii) any other amounts owed to us arising from loans, financings, advances, credits or deferrals made to you by us or our affiliates. After all deductions, we will remit the remainder of your Franchise Commissions to you. If after all deductions from the Franchise Commission there remains a negative balance, the negative balance will be carried forward to the next month, and if necessary, additional subsequent months, and the negative balance shall be deducted from your next Franchise Commissions. You will not be entitled to any Gross Sales or Net Sales except, in the amount of the Franchise Commissions after all deductions.

The amounts we retain, after payment of all amounts owed to Lwin, and after amounts owed to us for fees and other charges varies, but typically ranges from 0% to 25% of Gross Sales. Lwin will deduct all amounts owed to it and we will deduct all amounts owed to us before we pay you your Franchise Commissions.

Typically, the Retail Host will make monthly payments to us, but the payment terms may vary from two week intervals up to three months between payments from the Retail Host. If we do not receive a monthly report from the Retail Host and the amount of Gross Sales is unknown, we may estimate the amount of the Gross Sales for that reporting period, and note on your account the amounts you owe us. Upon receipt of payment from the Retail Host, we will withhold those amounts you owe us for previous months’ Franchise Commission. We are not required to pay your Franchise Commissions until the Retail Host pays Lwin and us. Any debits or reductions made by the Retail Host, which may include under payments from previous reporting periods, will also be deducted from your Franchise Commissions.

2. You will make a Brand Fund Contribution of up to 2% of your Net Sales each week in the same manner as you pay us other fees. We may increase the Brand Fund Contribution upon 30 days written notice to you.

3. If you ask for an accounting for evidence of amounts we receive from the Retail Host, or other information more detailed than what is provided to you in your monthly report/statement, we will charge you a Sales Inquiry Fee of \$100 per monthly statement for which you request additional sales or other information. Therefore, if you ask for evidence of amounts we received from a Retail Host for a three-month period, your fee will be \$300 (\$100 per monthly statement). This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party, and is non-refundable.

4. On an ongoing basis, you may buy produce for your own account. On occasion, at our discretion, we may maintain an account at the Retail Host or other supplier of produce from which you may order. If you order on our account, you will be required to repay us, and these amounts owed may be deducted by us from your Franchise Commissions. Food purchased, supplies, condiments, third-party drop ship vendor purchases approved by us or Lwin, and the cost of freight are imposed by and payable to our affiliate Lwin (See Item 7) and are not refundable.

5. In some cases, the Retail Host may provide some of the equipment required in place. If the Retail Host does not provide a food display case, we will acquire a food display case and charge you a leasing cost of \$500 per monthly statement (see Item 7).

6. We estimate an additional \$2,000 per Food Retail Unit of annual Point-of-Sale marketing materials will be provided to you during each year of operation to promote your Food Retail Unit and the brand. The maximum annual payments that you will be required to make are \$4,000 per Food Retail Unit. These

estimated amounts will be paid to us as these materials are created, and cost of services provided to you will be deducted from your Franchise Commissions.

7. Payable when a request for transfer is made, alone or together with other previous, simultaneous, or proposed transfers, that would have the effect of transferring a controlling interest in your corporation, or limited liability company, or your Franchise Agreement. The fee is reimbursement for our reasonable costs and expenses for the review of the application for a transfer. We do not allow transfer of control of your franchise entity, or your Food Retail Unit, until you have operated the Food Retail Unit for at least one year. In no case, may you transfer less than all Food Retail Units that you own, and in all cases transfer is subject to our approval. Transfer fees are imposed by us on all franchisees, are payable to us, and are not collected on behalf of, nor paid to any third-party, and are non-refundable.

8. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party, and is non-refundable.

9. To ensure food safety, we may laboratory test your food for safety, on occasion, in our discretion. Our cost to do so with an outside laboratory may be more or less than the amount we charge you, but we will charge you a flat fee of \$500 per food item. This fee is imposed by, and payable to us, and is not collected on behalf of, nor paid to any third-party except, we may incur costs from testing. All fees are non-refundable.

10. If you ask us to consider, or review, a new product as part of your Food Retail Unit, or request that we approve a vendor, supplier, or manufacturer that is not currently approved, we will charge \$500 per request, plus our out-of-pocket costs for investigation and review. Our out-of-pocket expenses will include the cost of travel for our representatives, including costs of international travel if the food vendor is located or ships from a location outside the United States. This fee is imposed by, and payable to us, is not collected on behalf of, nor paid to any third-party, and is non-refundable (see Item 8).

11. The annual recurring loan fee for the SSOP/HACCP Food Safety Plan Book, which is assembled by us and loaned to you, is \$150 per year per Food Retail Unit type (excluding delivery locations). It contains materials from vendors regarding the safety of food items as required by federal food regulation. A SSOP/HACCP Food Safety Plan Book is provided to you for every Food Retail Unit type you franchise. You will be required to return the SSOP/HACCP Food Safety Plan Book to us upon expiration or termination of your Franchise Agreement. All materials are given on loan and remain our property. All fees are payable to us and are non-refundable.

12. We estimate the annual cost to renew the various required business, resale, and food licenses and permits associated with maintaining and operating your Food Retail Unit (after the initial licenses and permits are acquired) will range from \$100 to \$1,000. If we obtain or maintain them on your behalf, you will reimburse us for the costs and fees which will be deducted from your Franchise Commissions, along with a Convenience Fee of \$100 per license/permit. The costs of licenses and permits will vary by location of the Franchised Business. All fees are non-refundable.

13. This charge is intended to compensate us for our efforts in addressing and resolving customer complaints about your franchise by the Retail Host or your customers. This fee is imposed by, and payable to us, and is intended to cover the cost of compensation for steps taken to satisfy customers or the Retail Host, plus our cost of travel if necessary, and other steps we may take, is not collected on behalf of, nor paid to, any third-party and is non-refundable. The travel expenses that you will have to pay include our costs of transportation, lodging, meals, and any other costs incidental to the travel. This fee is not refundable.

14. This fee is charged for each incident of non-compliance of your operational obligations under the requirements, procedures, or policies of the Franchise Agreement, Franchise Manual, or the SSOP/HACCP Food Safety Plan, upon notice to Franchisee, whether or not you are entitled to cure the deficiency under the

Franchise Agreement.

This fee may also be charged to you for “repeated” failure to maintain required insurance coverages, in addition to the cost of the insurance if we must obtain it for you, and in addition to the Insurance Service Fee (see below) which we may also charge you. This fee is imposed by, and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable.

15. If either at your request, or at the request of the Retail Host, you or an employee fail to be present as required, we may, as may be necessary to support your Food Retail Unit, provide on-site assistance. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable.

16. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable if you lose your Franchise Manual.

17. We provide additional training of up to four sessions per year for one or two days each. The Operating Principal, and your other equity owners, are required to attend these sessions. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party, and is non-refundable. See Item 11 for discussion of training programs provided.

18. We provide mandatory, additional, and ongoing training. If your Operating Principal, and/or any of your equity owners, fail to attend required training sessions after you begin operating your Food Retail Unit, you will be required to pay the Additional Training Session Fee. This fee is imposed by, and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable.

19. If we have notified you of a default of operating procedures or requirements under the Franchise Agreement, the Franchise Manual, or SSOP/HACCP Food Safety Plan, and you have failed to cure the operating default within the time specified in the notice of default, we may require your Operating Principal and your other equity owners to take a one or two day mandatory remedial default training. This fee is charged for the daily training session and not on a per person basis. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable.

20. This fee is paid to us for our maintenance of the Hissho web site, other web services, email system, and for the cost of providing you an email address at @hisshofranchisee.com. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable. We may increase this fee to account for our increased costs and administrative expenses.

21. The Initial Background Check, Credit Check, and Drug Test Fee is collected at the time you give consent to a background check, credit check, and drug test for any of your new owners, and must be paid for each owner or shareholder/member of the franchise. We are required by certain Retail Hosts to run a background check on franchisees and their personnel every 15 months after the first year of operations. If this is required by the Retail Host, you will be charged a \$25 recurring background check fee for each member of your personnel every 15 months (the “Recurring Background Check Fee”). The Initial Background Check, Credit Check, and Drug Test Fee and Recurring Background Check Fee are imposed by and payable to us, are not collected on behalf of, nor paid to any third-party, and are non-refundable.

22. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to, any third-party and is non-refundable. This fee is payable when you seek to discontinue a particular Food Retail Unit without our approval. You do not have the right to discontinue operations of your Food Retail Unit, but if you request the right to discontinue operations, or “drop” the Food Retail Unit, and if we are able to locate a franchisee to operate the dropped Food Retail Unit and permit you to “drop” it, then you will be required to pay the Food Retail Unit Drop Fee.

23. This Early Termination Fee is payable if your Franchise Agreement is terminated before expiration of the term of your Franchise Agreement as a result of your default of the Franchise Agreement, or if you abandon or refuse to operate the Food Retail Unit before the end of the term of that Food Retail Unit provided in your Franchise Agreement. You do not have the right to discontinue operations of your Food Retail Unit without our approval before the end of the term of your Franchise Agreement, but if you do discontinue or abandon your operation, or if your franchise right to operate your Food Retail Unit is terminated, in that case we may charge you this fee for each Food Retail Unit that is affected. In addition to this fee, you may also be required to compensate us for our damages that include travel expenses, labor, and employee cost to operate the Food Retail Unit, food products removed and unpaid and other expenses to operate the Food Retail Unit. This fee is imposed by, and payable to us, is not collected on behalf of, nor paid to any third-party and is non-refundable.

24. This fee is payable based upon our cost of providing food sampling services at your location in the event you fail to provide the sampling requirements of the Retail Host. You are required to provide food samples under our "Engaged Sampling Program" that is described in the Franchise Manual. This requirement is a daily requirement, or as often as the Retail Host permits or directs. If you fail to follow the requirements of the program, we will send third-party contractors, or our employees to follow through on the "Engaged Sampling Program." If we send employees, or third-party contractors, we will charge you a fee which will include our hourly costs to pay our employee or a third-party, plus an additional charge of \$3.00 per hour per person for this service. We may provide customer sampling ourselves or use third-party contractors to provide sampling of the products your Food Retail Unit produces. All fees are non-refundable.

25. This fee is payable upon your request, if you request, to transfer or assign an interest between shareholders or members but that transfer does not constitute a change of control, if you seek a name change of a Franchisee entity, or if you transfer your interest to another entity that is wholly owned by you, all of which requirements and amounts may be modified by posting in the Franchise Manual.

26. This fee is payable upon each request we receive from a third-party seeking to levy or garnish amounts you owe to third parties. This fee is imposed by, and payable to, us and is not collected on behalf of, nor paid to, any third-party and is non-refundable.

27. Before you open and operate your Franchised Business, we will obtain (on your behalf), your initial first-year Business Insurance Policy for your Food Retail Unit, and the cost of the policy will be added to your first statement. When the first-year policy is about to expire, you are responsible for purchasing and maintaining, on an annual basis and at your sole expense, the required insurance coverage that we specify below. The estimate in the chart is for the annual insurance expenses for a single Food Retail Unit. Costs vary among different underwriters and may be based on variables including types of coverage, amounts of coverage, how long you have been in business, your financial condition, your prior risks and location of your Food Retail Units. In some cases, you may be required to pay the entire annual premium upon entering into an insurance contract. We require that you maintain, at all times, general liability insurance in the amount of \$2 million per occurrence limit, and \$2 million personal injury and advertising limit; \$4 million general aggregate, \$2 million Products and Completed Operations Aggregate; \$2 million business auto liability; worker's compensation/employers liability. Insurance requirements may change and may be changed in the Franchise Manual.

28. If you do not maintain the required insurance coverage that we specify, we may (but are not obligated to do so), obtain it for you. If we obtain the insurance for you, we may charge you, in addition to the cost of the insurance, an Insurance Service Fee of \$100 for each occasion we make insurance payments on your behalf, plus a Non-Compliance Fee (see above). The Insurance Service Fee is imposed by, and payable to us and, except for the cost of the required insurance, is not collected on behalf of, nor paid to, any third-party and is non-refundable.

29. If you fail to order inventory and supplies before each Monday at 3:00 p.m., you will be charged an Express Handling Fee of \$200.

30. You will be required to pay us a Software License Fee of \$125 per monthly statement for use of our customized proprietary software associated with the Hissho Label System. This fee is used for administration and maintenance of the software and limited wireless data plan associated with the label system terminal and built-in printer. This fee is imposed by, and payable to us, and is non-refundable. We may increase this fee to account for our increased costs and administrative expenses.

31. This fee is paid to us if your wireless data usage associated with the Hissho Label System exceeds the monthly allotted limit of 100mb. This fee is imposed by, and payable to us, and is non-refundable.

32. This fee is charged to you for equipment that is lost or damaged beyond repair (per lost or damaged piece).

33. This fee is charged to you if you fail to return to us the equipment and/or software associated with the Hissho Label System upon expiration or termination of your Franchise Agreement.

34. We will retain the percentage that we designate of the additional Net Sales generated from a Negotiated Retail Price Increase. The term "Negotiated Retail Price Increase" means an increase in the retail sales price for food and beverage products from your applicable Food Retail Units resulting from negotiations between you and the Retail Host.

35. If you do not purchase food products from us or our affiliates, we may charge you a Food Invoice and Handling Fee up to 6% of the amount of the invoice. This fee will be added to the amount of the invoice. You will pay this fee at the same time you pay the applicable invoice.

36. We encourage our franchisees to voluntarily form and operate cooperative advertising programs for Food Retail Units (each a "Cooperative"). Although there are not currently any regional or national Cooperatives, we may, in our sole discretion, in the future form, develop, and coordinate Cooperatives. If a Cooperative is formed for your region, you must become a member. The membership of the Cooperative would be defined by us by market area. Membership of the Cooperatives will include Food Retail Units managed and/or owned by us and our affiliates. Each member of the Cooperatives, including Food Retail Units managed and/or operated by us or our affiliates, will have one vote. We reserve the right at any time, in our sole discretion, to form, change, dissolve, or merge Cooperatives and you will be obligated to contribute to the Cooperative in an amount established and approved by the Cooperative that will be in addition to your other required marketing expenditures.

*All amounts paid to us or our affiliate Lwin are non-refundable, and amounts paid to other suppliers of services and goods as identified above are also typically non-refundable.

1. The Initial Franchise Fee for your first Food Retail Unit is \$6,300. The Franchise Fee for second and subsequent Food Retail Units are prorated depending upon the length of term remaining on the Franchise Agreement for your first Food Retail Unit. Initial Franchise Fees are discussed in Item 5.

If you purchase an existing Food Retail Unit from our affiliate, or from another franchisee, you will have to pay for the goodwill of that existing business (representing the value of existing cash flow and relationships). Our affiliate has charged between \$0 and \$50,000 for purchase of its existing locations, but for highly successful locations, our affiliate may charge a price of up to \$150,000. This amount is separate and in addition to the Initial Franchise Fee.

2. Before you open and operate your Franchised Business, we will obtain (on your behalf), your initial first-year Business Insurance Policy for your Food Retail Unit, and the cost of the policy will be added to your first statement. After the initial first-year policy has expired, you are responsible for purchasing and maintaining, at your sole expense, the required insurance coverage that we specify below. The figures in the chart are estimated annual insurance expenses for a single Food Retail Unit. Costs vary among different underwriters and may be based on variables including types of coverage, amounts of coverage, how long you have been in business, your financial condition, your prior risks and location of your Food Retail Units. In some cases, you may be required to pay the entire annual premium upon entering into an insurance contract. We require that you maintain, at all times, general liability insurance in the amount of \$2 million per occurrence limit, and \$2 million personal injury and advertising limit; \$4 million general aggregate, \$2 million Products and Completed Operations Aggregate; \$2 million business auto liability; worker's compensation/employers liability. Insurance requirements may change and may be changed in the Franchise Manual.

If you do not maintain the required business insurance coverage that we specify, we may (but are not obligated to), obtain it for you and deduct it from your Franchise Commissions (see Item 6). If we obtain the business insurance for you, we may charge you, in addition to the cost of the insurance, an Insurance Service Fee of \$100 for each occasion we make insurance payments on your behalf, plus a Non-Compliance Fee.

3. The training fees and related costs shown are for an Operating Principal of a single Sushi Bar or an Asian Food Bar. There is an Initial Training Program for Sushi Bars and a separate Initial Training Program for Asian Food Bars. Each Initial Training Program will last 10 days if taken separately. If the Initial Training Programs for a Sushi Bar and Asian Food Bar are taken at the same time, the number of training days will be adjusted to 15 days in total to avoid duplication of material. You are required to pay an Initial Training Fee of \$2,000 per person for each of the Initial Training Program for the Sushi Bar and the Initial Training Program for the Asian Food Bar, if taken separately, or an Initial Training Fee of \$3,000 per person if the Initial Training Program for the Sushi Bar and the Initial Training Program for the Asian Food Bar are taken at the same time. Therefore, the total Initial Training Fees range between \$2,000 and \$4,000 per person. In addition, you will need to arrange for transportation/travel, food, and lodging for the Operating Principal and your other equity owners to be trained at our headquarters in Charlotte, North Carolina (see below for these costs). The applicable Initial Training Program(s) is/are required for the Operating Principal and each equity owner, and the Initial Training Program must be completed at our headquarters in Charlotte, North Carolina. See Item 11 for discussion of training programs provided.

If any equity owners do not have sufficient sushi chef experience, they must take additional sushi chef training for 10 to 20 days at a location we designate. The Sushi Chef Training Fee is an additional \$2,000 per person, plus the cost of transportation/travel, food, and lodging (see below for these costs). Therefore, the Sushi Chef Training Fee is \$2,000 per person.

The cost of all training programs will depend on the number of people trained, and the travel costs will vary by the type of accommodations you choose. We estimate the cost of transportation/travel, food, and lodging for one person to attend one 10-day Initial Training Program to be \$1,500 and for one person to attend both Initial Training Programs at the same time for 15 days total and the 10-20 day sushi chef training to be \$7,000.

4. Each Full Service Sushi Bar and Asian Food Bar is required to have at least one certified ServSafe® Food Protection Manager on duty at all times. Currently, you or your Operating Principal must obtain the ServSafe® Manager certification from either the National Restaurant Association, or any third-party recommended on the ServSafe® website that is accredited by the American National Accreditation Board (ANAB), but we may provide it in the future. The estimated cost for one person to obtain Food Protection Manager certification online through the ServSafe® website ranges between \$99-\$179 (not including the retesting fee, where applicable). For the ServSafe® Manager online course & proctored exam it's approximately \$179. For just the ServSafe® Manager online proctored exam (without the 8-hour course) it's approximately \$99. If you fail the exam, you will need to purchase another online proctored exam and schedule another exam session which currently costs approximately \$99 according to their website. The fees are non-refundable and paid directly to National Restaurant Association/ServSafe® through their website. Currently, according to their website, the ServSafe® Manager Online Course is 8 hours and the Online Proctored Exam is 2 hours. Your ServSafe® Food Protection Manager certificate must be submitted to us for review before you or your Operating Principal, attend the Initial Training Program (see Item 11).

5. We recommend that you engage the services of professionals to assist you in evaluating our franchise opportunity and to help you establish your business. This will include your lawyer, accountant, third-party service providers, and other professional advisors.

6. You will be required to purchase Point-of-Sale equipment, and other marketing materials including signs, banners, cards and other materials to promote your Food Retail Unit and the brand (as appropriate). The amounts shown here are the estimated amounts of the initial point-of-sale marketing materials that you must purchase prior to opening a single Food Retail Unit.

7. Initial Equipment and Small Wares. The initial cost of equipment and small wares ranges between \$1,000 and \$15,000 for each Full Service Sushi Bar, up to an additional \$2,000 for each Satellite Sushi Bar you open at the same time you open a Full Service Sushi Bar, and between \$1,000 and \$25,000 for each Asian Food Bar. These estimates do not include the display case lease fee (if needed), or the label system (see below). Therefore, the initial cost of equipment and small wares is estimated to be between \$1,000 and \$17,000 for a Full Service Sushi Bar (assuming on the high end of the range you open a Satellite Sushi Bar at the same time you open a Full Service Sushi Bar), and between \$1,000 and \$25,000 for an Asian Food Bar. The equipment and small wares are purchased from and payable to us, Lwin, or a third-party drop ship vendor approved by us or Lwin. Any amounts paid to us or Lwin are in all cases non-refundable. We may finance a portion of your initial cost of equipment and small wares (see Item 10). In some cases, the Retail Host may already have in place some of the required equipment. We will offer certain types of equipment for purchase, such as display cases, if they are not provided by the Retail Host. In some cases, you may purchase some small wares directly from third-party vendors and not from us.

Sushi Robot. If you operate in a high-volume location, we may require you to buy a sushi robot and charge you a \$14,000 purchase fee. Pricing varies depending on distributor and financing may be available (See Item 10 "Terms"). Purchases of sushi robots are non-refundable.

Hissho Label System Terminal. You will be required to lease from us, or our affiliates, a Hissho Label System for each Full Service Sushi Bar. The Hissho Label System is currently a touch screen terminal with built in high-speed label printers with internet connectivity, designed specifically for back-of-house applications in the food service industry. You will be required to execute an Equipment Lease and Software License Agreement (see **Attachment D** to the Franchise Agreement) prior to gaining access to the Hissho

Label System, and pay us, or our affiliates, a non-refundable Initial Lease Fee of \$1,500 (per Hissho Label System) in exchange for use of the Hissho Label System.

8. Initial Food Inventory and Supply Purchases. The initial costs for food inventory and supply purchases ranges between \$5,000 to \$25,000 for each Full Service Sushi Bar or Asian Food Bar, and an additional \$1,000 to \$6,000 if you open a Satellite Sushi Bar at the same time you open a Full Service Sushi Bar. Therefore, the initial cost for food inventory and supply purchases is estimated to be between \$5,000 and \$31,000 for a Full Service Sushi Bar (assuming on the high end of the range you open a Satellite Sushi Bar at the same time you open a Full Service Sushi Bar), and between \$5,000 and \$25,000 for an Asian Food Bar. We estimate that these initial food inventory and supply purchases will be sufficient to cover the opening of the Food Retail Unit and one-month of operations for each Full Service Sushi Bar and Asian Food Bar, and three months of operation for each Satellite Sushi Bar. You may not open a Satellite Sushi Bar without a Full Service Sushi Bar. The amount of food you will need to purchase will vary depending upon the volume of sales each Sushi Bar obtains. You may buy produce for your own account. On occasion, at our discretion, we may maintain an account at the Retail Host or other supplier of produce from which you may order. If you order on our account, you will be required to repay us, and these amounts owed may be deducted by us from your Franchise Commissions.

Uniforms. You will need to purchase from our affiliate, Lwin, at least two sets of uniforms for your Operating Principal at the cost of \$200 per set, for a total of \$400 for your Operating Principal. You will also need to purchase at least two sets of uniforms for each additional employee at the cost of \$200 per set, for a total of \$400 for each additional employee.

9. This amount reflects an estimate of the costs associated with obtaining the various required business, resale, and food licenses, permits and fees, including health inspection fees, for your Franchised Business from the local and state government agencies. The costs of licenses and permits will vary by location of the Franchised Business. Because they must be secured and obtained before you open, it is our standard practice to obtain them for you, and you will reimburse us for the associated costs and fees which we will deduct from your Franchise Commission, along with a Convenience Fee of \$100 per license/permit. This estimate does not include the costs associated with the annual renewal of these license and permits, or setting up a business entity for your Franchised Business. All fees are non-refundable.

10. You will be given on loan, one copy of our Confidential Franchise Manual at the charge of \$150. You will also be given a copy of the SSOP/ HACCP Food Safety Plan Book at the charge of \$150 for each Food Retail Unit Type, excluding locations where you solely deliver sushi (and make none on premises).

11. After your application has been approved, you will be required to pay \$250 per person for each owner or shareholder/member of your Franchise entity for background checks, credit checks, and drug tests. There is no application fee. The estimate in the table assumes that your Operating Principal is the only owner of your Franchise. If you have additional owners, you will need to add-in their cost to this estimate.

12. You will need to purchase a laptop computer or tablet with internet capability and Microsoft Office word processing to receive and send emails using your Hissho email address, submit orders, receive monthly statements, and to order food and supplies. This estimate includes a laptop computer or tablet with current software (Microsoft Office Suite) and internet capabilities. See Item 11 for a full description of computer system hardware and software requirements. We have not included the cost of required hardware and software maintenance agreements, if any. This figure also does not include any technical support costs associated with operating the hardware or software.

13. You will need capital to support on-going and miscellaneous expenses to the extent these costs are not covered by sales revenue. We estimate that the amount shown will be sufficient to cover on-going expenses for a period of three months for a single new Full Service Sushi Bar or Asian Food Bar. The working

capital needed for a new Satellite Sushi Bar may be less, but you are eligible for a Satellite Sushi Bar only if you have a Full Service Sushi Bar also. These are only estimates, however, and there is no assurance that additional working capital will not be necessary during the first three months or thereafter.

14. We relied upon the experience of our Food Retail Units and knowledge of others' practices in the industry. You should review these figures carefully with a business advisor before making any decision to purchase the Franchise.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

You must purchase for your franchised business certain products (including food items and ingredients), retail items, materials, supplies, equipment, and services that only we authorize under the specifications and standards that we periodically establish either in our Franchise Agreement, Confidential Franchise Manuals, or other notices we send to you. We can require you to purchase these and other goods and services that we designate only from us, our affiliates, or from suppliers we choose. If we set standards and any specifications or requirements for any products and services or suppliers, then you can only use/offer suppliers, products and/or services that meet those requirements.

Formulae for specially formulated pre-prepared mixes or condiments are not available to you or other franchisees. Standards and specifications for other food and paper products are not uniformly issued to franchisees but are available for specific products upon a franchisee's written request to us. We determine the standards and specifications for those food and packaging products, sometimes in consultation with suppliers, to assure our desired quality of ingredients, size, flavor and appearance and our desired quantities for each product. We formulate and modify standards and specifications through consumer research and internal product testing.

Collectively, the purchases and leases described in this Item 8 are approximately 100% of your overall purchases and leases in establishing the franchised Food Retail Unit and 100% of your overall purchases and leases in operating the franchised Food Retail Unit.

Site/Location of Your Franchised Business

The Franchised Business may either be located at a site that we select or at a site that you propose for our prior written approval. We or our affiliate will typically secure locations in Retail Host locations by agreement with the applicable Retail Host. The Retail Host is usually a retail or grocery store location in which the Food Retail Unit is located. If you secure your own location, you must obtain our written approval of the terms of any lease or other agreement, which approval we may condition upon the lease or other agreement being in a form satisfactory to us and containing certain prescribed terms (including, without limitation, provisions for quiet enjoyment and a provision requiring that you assign the lease or other agreement to us at our option either in advance or upon expiration or termination of the Franchise Agreement). Leases must be bona fide and provide financial terms consistent with those prevalent in the area.

If our, or our affiliate's rights expire, are terminated, or are limited with respect to your Food Retail Unit for any reason under the agreement with the Retail Host (including for a failure to satisfy any minimum sales/performance requirements), your right to operate a Food Retail Unit will also terminate or be limited. If your rights are terminated or limited, we do not have any obligation to compensate you and we do not guaranty or promise that we will find you another location or offer another Food Retail Unit to you.

If we obtain a location suitable for operating a Satellite Sushi Bar within the vicinity of your Full Service Sushi Bar, we may offer you the opportunity to operate and deliver sushi products to that Satellite Sushi Bar.

If you request, and we grant you the right to open a Satellite Sushi Bar, or if we obtain a suitable location for a Satellite Sushi Bar and you accept our offer to operate and deliver sushi products to that Satellite Sushi Bar, you will sign an addendum to your Franchise Agreement detailing the terms of your operation of the Satellite Sushi Bar.

Computer Equipment (hardware & software)

Except for our required Hissho Label System terminal with customized proprietary software, you are not required to use a particular POS system or particular computer hardware, or software system; however, you are required to purchase a laptop computer or tablet with internet capability and Microsoft Office Suite word processing to receive and send emails using your Hissho email address, submit orders, receive monthly statements, and to order food and supplies. See Item 11 for a full description of computer system hardware and software requirements. If you opt not to make your orders electronically, you may complete your order forms and fax them to us or Lwin. You will be required to receive communication from us on a variety of subjects on an ongoing basis by email. We provide you with an email address in our system which uses “@hisshofranchisee.com” which you must use, and we use to communicate with you. The email accounts that we provide to you will, at all times, be the property of Hissho International, LLC. We will have unfettered access to read, review, retain, catalog, and utilize such emails, including email messages, attachments, and other materials associated therewith for any business purpose. We charge you an Administration/Web Fee of \$100 per month per email address (see Item 6) to maintain such email addresses, although we may increase this fee to account for our increased costs and administrative expenses.

ServSafe® Food Protection Manager Certification

You or your Operating Principal, must attend, receive, and hold a current ServSafe® Food Protection Manager Certification accredited by the American National Accreditation Board (ANAB) from either the National Restaurant Association/ServSafe® or any third-party recommended on the ServSafe® website accredited by the ANAB, in addition to any safe food handling courses that may be required by the local municipality in which the Food Retail Unit is located. We may in the future require you to obtain the ServSafe® Food Protection Manager Certification from us rather than a third-party. Each Full Service Sushi Bar and Asian Food Bar is required to have at least one ServSafe® certified person on duty at all times.

Required and Approved Suppliers

We may designate one supplier or vendor, which may be us or one of our affiliates, for any products (including food items, ingredients, equipment, furnishings, supplies, materials, and other items) or services at any time upon written notice to you. Once designated, you will be required to utilize that supplier or vendor exclusively for the applicable products or services.

If we haven't designated a supplier or vendor for a particular product or service to be used or offered for sale at the Food Retail Units or in connection with the operation of your Franchise, you must purchase the product or service solely from suppliers and vendors (including manufacturers, distributors, brokers, agents, and other sources) who demonstrate, to our continuing reasonable satisfaction, the ability to meet our then-current standards and specifications for such items or services; who possess adequate quality controls and capacity to supply your needs promptly and reliably; and who have been approved by us in writing and not thereafter disapproved. In order to maintain quality and uniformity of flavor and type of sushi, you must purchase sushi products only from the suppliers we designate.

Currently, our affiliate, Lwin, is the only approved distributor of most food items to be used or offered for sale at the Food Retail Units, and an approved supplier of other products consumed in Food Retail Unit operations. Lwin negotiates with high quality providers of sushi grade fish and other food items, condiments, utensils and supplies. One or more of our officers own an interest in Lwin, and none of our officers own an

interest in any designated third-party supplier to the franchise network.

The cost of distribution of food items, ingredients, equipment, furnishings, supplies, materials, and other items from approved vendors may vary among Franchisee owned Food Retail Units and company operated Food Retail Units. These variations in cost of distribution may be due to various factors, including the geographic proximity of your Food Retail Unit to the supplier's distribution center, varying costs charged by transport companies, the number of deliveries scheduled to your area each week or month and actual transportation costs.

Approval of Alternative Suppliers

If you desire to purchase products from other than approved suppliers or distributors, you must submit, or have the proposed supplier submit, to our principal place of business a written request for approval, together with such evidence of conformity with our specifications as we may reasonably require. We will have sole discretion to determine whether the proposed supplier or vendor will be approved.

We will have the right to require that our representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered for evaluation and testing, either to us, or to an independent testing facility designated by us. You or the supplier must pay to us a charge of \$500 per product item plus our out-of-pocket costs for evaluation and testing. Out-of-pocket costs include costs of travel that we estimate to be \$3,000, for our representatives to review and assess the quality of the product, the production facilities, and to investigate financial capability, credit and reputation within the United States. If the supplier has facilities or imports food from outside the United States, the cost of international travel will be greater. If the review involves product testing, we estimate the cost to be an additional \$3,000. We estimate the time necessary to approve a supplier after receipt of all necessary information to be 30 to 60 days. We will, within 90 days after your request, notify you of our approval or disapproval of the proposed supplier or vendor. You must not sell or offer for sale any products or services of the proposed supplier or vendor until you receive our written approval of the proposed supplier or vendor. You must use products purchased from approved suppliers solely for the purpose of operating the franchised Food Retail Unit and not for any other purpose. When a supplier is approved, we may require annual or more frequent reviews of the supplier, their facilities, processes, and finances.

Our criteria for supplier approval include: (a) adequate quality controls assuring ability to consistently produce product of desired quality in flavor, size, appearance and texture; (b) sufficiently high sanitation rating of facility producing product; (c) financial stability; (d) ability to consistently and promptly produce desired quality and quantity of product; (e) full compliance with all government regulations and specifications; (f) positive reputation in the community and ethical operation of organization; and (g) competitive pricing.

You must permit us or our agent, at any reasonable time, to remove samples of food or non-food items from your inventory, or from the Food Retail Units, without payment, in amounts reasonably necessary for testing by us in independent laboratories, to determine whether the samples meet our then current standards and specifications. You must bear the cost of such testing if the supplier of the item has not previously been approved by us, or if the sample fails to conform to our specifications.

We may revoke our approval of particular products or suppliers if we determine, in our sole discretion, that those products or suppliers no longer meet our standards. Upon your receipt of notice of such revocation, you must stop selling any disapproved products and stop purchasing from any disapproved supplier.

Advertising Specifications

You will be required to purchase your initial and ongoing supply of Point-of-Sale marketing materials

exclusively from us, as otherwise described in this Disclosure Document.

Revenue from Franchisee Purchases

During our 2023 fiscal year, (a) we had total revenues of \$34,313,809 of which \$5,768,415 or 17% was derived from required franchisee purchases or leases; and (b) our affiliate Lwin had \$90,249,715 in revenue from Franchisees from the sale of food and supplies, for services and fees, and other sums. The sources of the amounts directly following (a) are summarized and derived from amounts included in the audited financial statements, and the source of the amount directly following (b) is from the internal financial statements of our affiliate.

Insurance Specifications

You must obtain, in advance, general liability insurance in the amount of \$2 million per occurrence limit, and \$2 million personal injury and advertising limit; \$4 million general aggregate, \$2 million Products and Completed Operations Aggregate, \$2 million business auto liability; worker’s compensation/employers liability. Insurance requirements may change and may be changed in the Franchise Manual. If you fail to maintain the required insurance coverages, we may obtain the insurance and deduct it from your Franchise Commissions (see Item 6).

Cooperatives

There are no purchasing or distribution cooperatives.

Negotiated Prices

Our affiliate Lwin negotiates arrangement with suppliers, including price terms, for the benefit of franchisees as follows: (a) Lwin bargains with the various suppliers of ingredients and products used in the Food Retail Units to get the best pricing possible while maintaining the quality of menu offerings, and (b) if Lwin achieves cost savings due to decreases in market prices or other factors, Lwin may decrease the prices charged to Franchisees. However, Lwin also earns a profit on its distribution of ingredients and products to Franchisees.

We do not provide material benefits to franchisees of Food Retail Units (for example, renewal or granting additional franchises) based on their purchase of particular products or services or use of particular suppliers. We do, however, consider a variety of factors when determining whether to renew or grant additional franchises. Among the factors we consider is compliance with the requirements described above.

ITEM 10: FINANCING

We do not offer direct or indirect financing, except as described below.

We do not guarantee your note, lease or obligations, but in most cases we provide the location for your Food Retail Unit either directly or through Lwin, and we or Lwin will undertake contractual obligations to the Retail Host in order to secure the location in which you will operate your Franchised Business. We do not lease the location to you, but we grant you the right to operate the Franchised Business at the location through the Franchise Agreement. You do not pay us or our affiliate lease payments but you pay us other fees that are described in Item 6, and the Franchise Agreement (see Section 4). The Franchise Agreement must be signed and joined by each of your shareholders or members, and obligations under the Franchise Agreement must be guaranteed by each of your shareholders or members signing our **Guaranty** (see **Exhibit E** of this Disclosure Document).

In our discretion we may offer financing for some or all of the following:

Item Financed	Amount Financed	Cash Down Payment	Term	Annual Percentage Rate (as of date of this FDD)
Loan Advance ⁽¹⁾	From \$1,000-\$2,500	N/A	3 Months	None
Initial Food Inventory and Point-of-Sale Materials Purchase ⁽²⁾	Up to \$25,000	N/A	2 - 6 months	None
Initial Equipment and Small wares ⁽³⁾	Up to \$25,000	N/A	2 - 6 months	None

1. In our discretion, we may provide a loan advance (“Loan Advance”) for up to three months after you have commenced operations of your Food Retail Unit. Any Loan Advance we make is entirely in our discretion. To be eligible for a Loan Advance you must be operating for at least 60 days and the sales of all your Food Retail Units must be less than \$2,500 per week. We will deduct payments on Loan Advances from your Franchise Commissions.

2. In our discretion, we may finance the payment of part of your initial food inventory (see Item 7) purchase from our affiliate, Lwin, for up to six months in varying amounts, but no greater than \$25,000, per Food Retail Unit. Any financing of initial food inventory is at our sole discretion. We will deduct the amounts

owed to us for purchases of initial food inventory from your Franchise Commissions.

3. We may permit you to pay part of your initial equipment and small wares cost to us, or our affiliate (see Item 6 and 7) up to six months after you commence operating your Franchised Business, but not in an amount greater than \$25,000. Any financing of equipment and small wares is solely at our discretion. We will deduct all amounts owed to us, or to our affiliate, Lwin, for equipment and small wares from your Franchise Commissions.

On occasion, if payments are late from the Retail Host, we may forward some or all of your estimated Franchise Commissions until such time we receive funds from the Retail Host. Any advance we make is entirely in our discretion.

4. In all cases, financing is entirely at our discretion. Lwin may extend credit to you on a month-to-month basis for the purchase of food, inventory, supplies or items of equipment as part of your ongoing operations under the terms of your Franchise Agreement, and may not create a Promissory Note. At all times, we and Lwin, have the right to withhold any amounts owed from your Franchise Commissions whether or not we use a Promissory Note. If, after the deduction of all amounts owed to the Retail Host, to our affiliate supplier, Lwin, and to us for various fees and costs, or if we forward to you some of your Franchise Commissions that we have not yet received from the Retail Host, you may have a negative balance of amounts you owe us. Any negative balance that is carried by us may be carried forward to future months and deducted from future Franchise Commissions, but any negative balance is indebtedness to us and is payable on demand by us.

All amounts owed to us or our affiliate, Lwin, may be withheld by us from Net Sales we receive from your Retail Host, including any of your obligations that arise from acceleration of advanced, loaned, or deferred amounts.

It is not our practice or intent to sell, assign or discount to third-parties all or part of financed or deferred amounts, although the form of **Promissory Note** (see **Exhibit H** attached to this Disclosure Document) is a negotiable instrument.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

We may provide any of the services described in this Item 11 through our affiliate, Lwin, and its employees.

Pre-Opening Obligations

Before you open your Food Retail Unit, we will:

1. Allow you to operate your Food Retail Unit either from a location we select, or a location you propose and we approve. If we or one of our affiliates controls the agreed upon location of the Food Retail Unit under the terms of an agreement with a Retail Host or otherwise, we will extend the right to you to operate your Food Retail Unit as part of your Franchise Agreement. If you secure your own location, you must obtain our written approval of the terms of any lease or other agreement, which approval we may condition upon the lease or other agreement being in a form satisfactory to us and containing certain prescribed terms (including, without limitation, provisions for quiet enjoyment and a provision requiring that you assign the lease or other agreement to us at our option, either in advance, or upon expiration or termination of the Franchise Agreement). We will, within 20 days after receiving the proposed lease for the location, provide you with either our notice of approval or notice of rejection with comments. (Franchise Agreement, Section 4.B., and

Sections 5.A. – 5.C.). At our option, we may terminate your Franchise Agreement if you and we do not agree on a site, we do not approve the lease or purchase document for that site, and you do not commence operating the Food Retail Unit as of the date of the Franchise Agreement (if the Food Retail Unit is not already operating) or within 60 days of the execution of the Franchise Agreement (if the Food Retail Unit is not already operating). (Franchise Agreement, Sections 15.B. and 17.B.)

2. If you currently operate at least one Food Retail Unit and want to open another at a location not currently under our control, or the control of our affiliate, we may permit you to seek a location in a defined area. If you secure your own location, you must obtain our written approval of the terms of any lease or other agreement, which approval we may condition upon the lease or other agreement being in a form satisfactory to us and containing certain prescribed terms (including, without limitation, provisions for quiet enjoyment and a provision requiring that you assign the lease or other agreement to us at our option upon termination or expiration of the Franchise Agreement). The revenue produced from the Franchised Business shall be first remitted to us and we will retain fees and financed items (see Item 6) and other items, as well as amounts owed to our affiliate for food purchased. The remainder of proceeds will then be distributed to you. (Franchise Agreement, Section 4.B.). We must approve or disapprove your proposed site within 30 days, and approve or disapprove your lease (with comments as to any disapproval) within 20 days of our receipt of a copy of each. If we disapprove a site that you have proposed, you will not be permitted to operate a Food Retail Unit at that location, and to expand you will have to find a different site that we approve; however, you will not have to pay us any initial fees until we have approved a site and the lease is signed for that site. We do not provide plans or specifications under the Franchise Agreement. (Franchise Agreement, Section 5).

3. Provide an Initial Training Program as described below to instruct you as to the procedures and techniques to be used in the Franchised Business (Franchise Agreement, Section 3.A.). The Initial Training Program for a Sushi Bar is approximately 10 days in duration, the separate Initial Training Program for an Asian Food Bar is approximately 10 days in duration, and both Initial Training Programs when taken together are approximately 15 days in duration, although each individual Initial Training Program may be extended for those without sufficient experience to up to 20 days. Each Initial Training Program consists of classroom instruction and on-the-job training for the Operating Principal and all equity owners of your Franchise.

4. Loan you one copy of our Confidential Franchise Manual (the “Manual” or “Franchise Manual”) (Franchise Agreement, Section 9.A). The total number of pages in the Manual is 255, and the table of contents of the Franchise Manual is attached as **Exhibit K** to this Disclosure Document. The Franchise Manual may be provided to you by physical, written copy, or electronic version. There are additional publications and memoranda that may be provided in written form by us that are considered part of the Franchise Manual.

5. Provide you advice and consultation in connection with the operation of the Food Retail Units and new developments, techniques, and improvements in areas of Food Retail Unit management, operations, sales promotion, and service which may be provided by us by sending our employees or representatives to the Food Retail Unit, or by providing publications, other written materials, tapes, or films or by conducting meetings or seminars as they may be developed. (Franchise Agreement, Section 3.B.).

6. Either directly or through our affiliate Lwin, we will deliver all of the equipment, signs, fixtures, opening inventory and supplies necessary to operate the Food Retail Unit, in exchange for the fee payments described in Item 5 of this Disclosure Document. Generally, your retail partner will install those items for you.

7. We are not obligated by the Franchise Agreement, or any other agreement, to provide any other supervision, assistance or services prior to the opening of the franchised Food Retail Units.

Continuing Obligations

During the operation of each Food Retail Unit, we will:

1. Provide such training programs as we may deem appropriate. (Franchise Agreement, Section 7.D.). These training programs are offered from time-to-time throughout the year and are required for your Operating Principal and your other equity owners.
2. Provide you with advice and consultation in connection with the operation of the Food Retail Units and new developments, techniques, and improvements in areas of Food Retail Unit management, operations, sales promotion, and service which may be provided by us by sending our employees or representatives to the Franchised Business, or by providing publications, written materials, or by conducting meetings or seminars, as they may be developed. Some or all of these publications or programs may be provided electronically by Franchisor, and not by printed or physical documents. (Franchise Agreement, Section 3.C.). We provide to you specific pre-approved lists of food items, condiments, products, and services, that you may choose from to sell, or offer for sale, in the Franchised Business. (Franchise Agreement, Section 7.H.(3)).
3. Provide to you advice and assistance in local marketing from time to time and, at your expense, promotional materials for local advertising (Franchise Agreement, Sections 3.C.). Much of our advice and assistance in local marketing will be in the area of labeling, presentation, point-of-sale materials, and brand identification within the Retail Host location, subject to any requirements imposed by the Retail Host. In some cases, no trademark or brand identification may be permitted by the Retail Host except for labeling and presentation of products.
4. We will establish and administer a National Brand Fund (the “Brand Fund”) that will include your Brand Fund Contributions, and those of other Food Retail Unit franchisees, in accordance with each applicable Franchise Agreement (see Item 6 of this Disclosure Document). The Brand Fund Contribution, which is a percentage of your Net Sales (see Franchise Agreement, Section 4.C.(1)), will be due and payable each week (see Franchise Agreement, Section 4.C.(1)). All franchisees must contribute to the Brand Fund at the same rate of up to 2% of Net Sales (the “Brand Fund Contribution”). If an affiliate of ours administers the Brand Fund, or places advertising in connection with the System, such affiliate may be paid a fee that will not exceed the fee that would be payable to unrelated third-parties for comparable services. Each of our company owned or affiliated Food Retail Units will make contributions to the Brand Fund on the same basis as required of the other franchisees in the same geographic market. Unless required by applicable law, we will have no obligation to create a trust account, escrow account, or other special account for the Brand Fund, and the monies comprising the Brand Fund may be placed in our general account(s), if we desire. We may also reserve portions of the Brand Fund for use in a subsequent year. (Franchise Agreement, Section 12.A.(2)). We may solicit franchisee input directly and/or we may form a franchise advisory council to provide input to us on the use of the Brand Fund, although we are not obligated to do so. We are not obligated to act on any specific proposals or recommendations from franchisees or a franchise advisory council.
 - a. The Brand Fund will be used for expenditures that, in our sole discretion, market, advertise, promote, enhance or further the Hissho, Hissho Sushi, Sushi With Gusto, and Ōumi Sushi names and the System, including: (i) expenses associated with preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining an electronic commerce Website and/or related strategies; administering regional and multi-regional marketing and advertising programs, including, without limitation, purchasing trade journal, direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities, and (ii) paying the reasonable salaries and benefits of personnel who manage and administer the Brand Fund, the Brand Fund’s other administrative costs, travel expenses of personnel while they are on Brand Fund business, meeting costs, overhead relating to Brand Fund business, and other expenses that we incur in activities reasonably related

to administering or directing the Brand Fund and its programs, including, without limitation, conducting market research, public relations, preparing advertising, promotion, and marketing materials, and collecting and accounting for Brand Fund contributions. The Brand Fund may spend in any fiscal year, more or less than the total Brand Fund Contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, pay back outstanding principal amounts borrowed in prior years from us or third parties, or invest any surplus for future use. The Brand Fund is not audited. An accounting of the use of Brand Fund Contributions collected from franchisees during each calendar year will be made available to Franchisee annually within 90 days after Franchisee's written request. We may use an outside advertising agency to create and place advertising or we may use an in-house marketing department. The Brand Fund will be used to create new marketing material and promote the products and services offered by Food Retail Units on a local, regional or national level. (Franchise Agreement, Sections 12.A.(1) and 12.A.(2)).

b. All advertising by you must be conducted in a professional manner, must conform to the standards and requirements in our Confidential Operations Manual, and must display our Marks only in those forms approved by us. You will submit samples to us (through email, return receipt requested) and obtain our prior approval (except with respect to the cost of the advertising) of all advertising and promotional plans and materials that you desire to use and that have not been prepared or previously approved by us. If you do not receive our written approval within 15 days from the date of receipt by us of such materials, we will be deemed to have rejected the proposed advertising. We may make available to you, from time to time, approved advertising, promotional plans and materials for purchase. You will not be obligated to accept or purchase any such advertising, promotional plans, and materials offered to you by us. (Franchise Agreement, Section 12.C.).

c. You may not maintain a website, or otherwise maintain a presence or advertise on the Internet, or any other public computer network in connection with your Food Retail Unit without our prior written approval. (Franchise Agreement, Section 12.F.).

d. We encourage our franchisees to voluntarily form and operate cooperative advertising programs for Food Retail Units (each a "Cooperative"). Although there are not currently any regional or national Cooperatives, we may, in our sole discretion, in the future form, develop, and coordinate Cooperatives. If a Cooperative is formed for your region, you must become a member. The membership of the Cooperative would be defined by us by market area. Membership of the Cooperatives will include Food Retail Units managed and/or owned by us and our affiliates. Each member of the Cooperatives, including Food Retail Units managed and/or operated by us or our affiliates, will have one vote. We may at any time, in our sole discretion, form, change, dissolve, or merge Cooperatives and you will be obligated to contribute to the Cooperative in an amount established and approved by the Cooperative that will be in addition to your other required marketing expenditures. (Franchise Agreement, Sections 12.A.(1) and 12.C.).

5. Develop advertising materials and direct advertising programs for the Brand Fund with sole discretion over the creative concepts, materials, and media used in such programs (Franchise Agreement, Sections 3.C., 3.D., 7.L., 8.B.(2), 8.B.(3), and 12.).

6. Provide, as we deem advisable, revisions periodically of the contents of the Franchise Manual and written operating materials (Franchise Agreement, Section 9.D.).

7. Perform, as we deem advisable, inspections of the Food Retail Units, and evaluations of products sold and services rendered (Franchise Agreement, Section 3.F.).

8. Provide services at your expense, as we determine necessary, with respect to onsite assistance, and the resolution of customer complaints and operating problems, including complaints from the Retail Host (Franchise Agreement, Sections 4.C.(13) and 4.C.(14)).

9. We are not obligated by the Franchise Agreement, or any other agreement, to provide any supervision, assistance, or services in connection with the ongoing operation of the franchised Food Retail Units other than as stated herein.

Site Selection

The Franchise Agreement grants you an assigned location to be determined under procedures established in the Franchise Agreement for the establishment and operation of a Food Retail Unit under the System. (Franchise Agreement, Sections 1.A., 1.B., 5.A., and 5.B.).

If we select the location for the Food Retail Unit, we or Lwin will typically enter directly into an agreement with a Retail Host under which we agree to pay the Retail Host its Service Commission, which is a negotiated percentage of the revenues of your Food Retail Unit. The Service Commission payable to the Retail Host may change. We will franchise the location to you giving you the right to operate the Food Retail Unit under the Franchise Agreement. If our or our affiliate's rights to the Food Retail Unit expire, are terminated, or are limited with respect to your Food Retail Unit for any reason under the agreement with the Retail Host (including for a failure to satisfy any minimum sales/performance requirements), then your right to operate the Food Retail Unit will simultaneously terminate or be limited. If your rights are terminated or limited, we do not have any obligation to compensate you and we do not guaranty or promise that we will find you another location or offer another Food Retail Unit to you. (Franchise Agreement, Section 5.B.).

If we obtain a location suitable for operating a Satellite Sushi Bar within the vicinity of your Full Service Sushi Bar, we may offer you the opportunity to operate and deliver sushi products to that Satellite Sushi Bar. If you request, and we grant you the right to open a Satellite Sushi Bar, or if we obtain a suitable location for a Satellite Sushi Bar and you accept our offer to operate and deliver sushi products to that Satellite Sushi Bar, you will sign an addendum to your Franchise Agreement detailing the terms of your operation of the Satellite Sushi Bar. (Franchise Agreement, Section 1.B.).

While we typically grant the right to operate a Food Retail Unit in a location that we or Lwin control and have obtained from a Retail Host, you may propose the location for your Food Retail Unit by following our specific procedures. If you propose the location for your Food Retail Unit, you must obtain our approval of the site and the Food Retail Unit's layout and design before your acquisition of the site by lease or purchase, all in the manner designated by us. You may submit a site to us only after you have carefully evaluated the site, determined that it meets the criteria for Food Retail Unit sites which we have communicated to you, and determined that you may acquire or lease it. If we need more time or information to evaluate a site that you submit, we will contact you within 30 days of your submission of the site. If more information or time to evaluate the site is needed, we will inform you. If we do not approve a site you submit, you will not be permitted to develop a Food Retail Unit on the site. We will review your application for site approval and, within 30 days of our receipt of your application, we will either approve the proposed site, or reject the site in our sole discretion, and provide to you our comments concerning the reasons for rejection. The factors which we consider in approving the site include population, demographics, traffic counts of Retail Host, revenues of Retail Host and its deli, if applicable, signage available, visibility of the location and square footage. (Franchise Agreement, Sections 5.A. – 5.C.).

For a site not currently operating as a Food Retail Unit, it is our experience that after an acceptable site has been located, and a Franchise Agreement and location lease are executed, it takes approximately 60 to 90 days before a franchised Food Retail Unit is ready to open for business. You must furnish and open the Food Retail Unit according to our requirements. At times, you may be offered a Food Retail Unit that is already operating, and in that case, there should be no delay between the time you sign a Franchise Agreement and when you commence operating your Food Retail Unit, except for the time necessary to complete your training requirements. (Franchise Agreement, Sections 5.C. and 7.B.).

Computer Hardware and Software

For the typical Food Retail Unit, you are not required to buy an electronic cash register or particular computer system because sales are made through the Retail Host POS system. We do, however, require you to purchase our Hissho Label System to print labels and conduct other functions, as we prescribe (see Hissho Label System below). You are also required to purchase, at your sole expense and accordingly to any specifications that we may require, a computer with basic capability to interact with the internet, receive and send emails using the Hissho email address “@hisshofranchisee.com” that we provide for you, and word processing and spread sheet capability, to submit orders and to receive monthly statements, but only for purposes of operating your business generally. No specific type of data is necessary to be generated or stored in the computer system. To order supplies and food through the internet, we may require you to use a designated spreadsheet system, although we may also allow you to prepare these documents by hand and fax them. We estimate that the cost will be \$500 to \$800 to purchase the computer including access to Microsoft Office suite of software. We estimate a cost of \$200 every 3 years to update software, and \$600 every 5 years to replace the computer. You are not required to purchase any maintenance or support contracts for your computer hardware and software, but it is recommended to ensure continued good use and working order of the computer hardware and software, and the approximate cost is \$150 per year. (Franchise Agreement, Section 7.Q.).

If you operate a Food Retail Unit outside of a Retail Host location, we do not require that you use an electronic cash register or Point-of-Sale System, but we will require you to adopt a reliable method to document the Gross Sales of your Food Retail Unit. We will not have independent access to the information generated or stored in the computer system. (Franchise Agreement, Section 7.Q.).

Hissho Label System

You will be required to lease from us, or our affiliates, a Hissho Label System for each Full Service Sushi Bar. The Hissho Label System currently uses a touch screen terminal with built-in high-speed label printer with internet connectivity combined with our customized proprietary software (“Hissho Label System”), designed specifically for back-of-house applications in the food service industry. You will be required to execute an **Equipment Lease and Software License Agreement (see Attachment D** to the Franchise Agreement) prior to gaining access to the Hissho Label System, and pay us, or our affiliates, a non-refundable Initial Lease Fee of \$1,500 (per Hissho Label System) in exchange for use of the Hissho Label System. (Franchise Agreement, Sections 4.A.(2) and 4.C.(4)).

In connection with the Hissho Label System, we charge the following fees:

- a monthly Software License Fee of \$125 per month for use of our customized proprietary software associated with the Hissho Label System, although we may increase this fee to account for our increased costs and administrative expenses. The Software License Fee is also used for administration and maintenance of the software and limited wireless data plan associated with the label system terminal and built-in printer. (See Franchise Agreement, Sections 4.A.(2) and 4.C.(5));
- a Data Overage Fee of \$10 per GB used over the allotted limit, if your wireless data usage associated with your Hissho Label System, exceeds the monthly allotted limit of 100mb. (See Franchise Agreement, Section 4.C.(6));
- a \$1,000 Hissho Label System Replacement Fee for equipment that is lost or damaged beyond repair (per lost or damaged piece). (See Franchise Agreement, Section 4.C.(3)); and
- a \$1,500 Hissho Label System Non-Return Fee (per Hissho Label System) if you fail to return to us the equipment and/or software associated with the Hissho Label System upon expiration or termination of your Franchise Agreement. (See Franchise Agreement, Section 4.C.(4)).

Training

Initial Training Programs

Initial Training. You must designate an individual to serve as your Operating Principal. See Item 15 for the qualifications required of an Operating Principal. Before the opening of your Food Retail Unit, your Operating Principal, and all other equity owners of the Franchisee, must attend, complete, and perform to Franchisor's satisfaction (if they have not already previously done so) our Initial Training Program offered at our headquarters in Charlotte, North Carolina. After the opening of your Food Retail Unit, each new Operating Principal, and any new equity owner, must also attend, complete, and perform to Franchisor's satisfaction (if they have not already done so), our Initial Training Program (Franchise Agreement, Section 7.D.).

We offer an Initial Training Program for the Sushi Bar and a separate Initial Training Program for the Asian Food Bar. The classroom portion of each Initial Training Program is the same for each the Sushi Bar and the Asian Food Bar. The on-the-job training portion of each Initial Training Program differs for each the Sushi Bar and the Asian Food Bar. If any person takes both the Sushi Bar Initial Training Program and the Asian Food Bar Initial Training Program at the same time, they may take a combined program consisting of 15 days rather than two separate programs of 10 days each. (Franchise Agreement, Sections 3.A. and 7.D.(1)).

The Initial Training Fee that you must pay to us for the Initial Training Program is \$2,000 per person, or if the Sushi Bar and Asian Food Bar Initial Training Programs are taken at the same time, then the cost is discounted to \$3,000 per person. There is an additional training fee if we require additional initial training of an inexperienced Operating Principal, or equity owner. If your Operating Principal and/or any other equity owner does not successfully complete the applicable Initial Training Program(s) within 60 days of execution of the Franchise Agreement, as we determine in our sole discretion, we may terminate your Franchise and we will not refund any Initial Training Fees. (Franchise Agreement, Sections 7.D.(1) and 7.D.(2)).

Sushi Chef Training. If the Operating Principal or any equity owner does not have sufficient sushi chef experience, we may, in our discretion, require they take additional sushi chef training for 10 to 20 days at a location we designate before opening their Food Retail Unit. The Sushi Chef Training Fee is an additional \$2,000 per person, plus the cost of transportation/travel, food, and lodging (see below for these costs). (Franchise Agreement, Sections 3.A. and 7.D.(1)).

ServSafe® Food Protection Manager Certification. Prior to attending our Initial Training Program, you or your Operating Principal, must attend, receive, and hold a current ServSafe® Food Protection Manager Certification accredited by the American National Accreditation Board (ANAB) from either the National Restaurant Association, or any third-party recommended on the ServSafe® website (but we may provide this training in the future), in addition to any safe food handling courses that may be required by the local municipality in which the Food Retail Unit is located. Each Full Service Sushi Bar and Asian Food Bar is required to have at least one certified ServSafe® Food Protection Manager on duty at all times. The estimated cost for one person to obtain Food Protection Manager certification online through the ServSafe® website ranges between \$99-\$179 (not including the retesting fee, where applicable). For the ServSafe® Manager online course & proctored exam it's approximately \$179. For just the ServSafe® Manager online proctored exam (without the 8-hour course) it's approximately \$99. If you fail the exam, you will need to purchase another online proctored exam and schedule another exam session which currently costs approximately \$99 according to their website. The fees are non-refundable and paid directly to National Restaurant Association/ServSafe® through their website. Currently, according to their website, the ServSafe® Manager Online Course is 8 hours and the Online Proctored Exam is 2 hours. Your ServSafe® Food Protection Manager certificate must be submitted to us for review before you or your Operating Principal, attend the Initial Training Program. (Franchise Agreement, Section 7.D.(1)).

Some state regulations require additional food safety certificates that are specific to their states which may require you to take an additional certification course and test/exam from the local authorities. If you are required to obtain additional certification from your local authority agency, proof of the certification must be provided to us. (Franchise Agreement, Section 7.D.(3)).

Included within the Initial Training Fee is the cost of instructors and training materials for all required training programs. You or your trainees will be responsible for all other expenses incurred in connection with any training programs (including the cost of transportation, lodging and meals). The cost of all training programs depends upon the number of people trained, and the travel costs will vary by the type of accommodations you choose. We estimate the cost of transportation/travel, food, and lodging for one person to attend one 10-day Initial Training Program to be \$1,500, and for one person to attend both Initial Training Programs at the same time for 15 days total and the 10-20 day sushi chef training to be \$7,000. (Franchise Agreement, Section 7.D.(1)).

Training should be scheduled so that your trainees graduate from the applicable Initial Training Program(s) and sushi chef training program approximately four weeks before the Food Retail Unit opens, if it is not already operating.

The Initial Training Program is coordinated and conducted by the Hissho Training and Development Department (see chart below), which is led by Lauren Kraemer. The Initial Training Program is developed with tools and processes to support franchisees in launching and successfully operating their Franchised Business. All Hissho trainers are ServSafe certified instructors and have a wealth of knowledge and experience in the sushi franchise industry. The instructional materials that franchisees receive during training include: the Franchise Manual, links to instructional videos for operations, and supporting handouts with job aids.

On-Site Training and Additional Training

We are not required to send personnel as part of our training or ongoing support obligations. The level of support as to the number of personnel, the length of time those personnel remain, the number of Food Retail Unit openings requiring the presence of our personnel, or the per person cost of additional support may change at our discretion. Our standard training charges may change, and if so, will be stated in the Franchise Manual.

At your expense, your Operating Principal and your other equity owners must attend those courses, seminars, and other training programs as we may require. You must pay our current training fees as stated in the Franchise Manual for special training sessions we require for your Operating Principal and other equity owners through the year. You must pay us, for the Operating Principal and each equity owner, the training fee then charged by us and posted in the Franchise Manual. If any training fee is imposed by us, the training fee will be in addition to any other expenses incurred by your Operating Principal and equity owners. If your Operating Principal or any equity owner does not attend a required training session, then you must pay us a payment of \$250 per training day not attended. These training requirements and amounts may be changed by posting in the Franchise Manual. (Franchise Agreement, Section 7.D.(3)).

If you are notified of an operational default under the Franchise Agreement, the Franchise Manual, or the SSOP/HACCP (Food Safety Plan), and if you fail to cure the default within the time allowed, we may require your Operating Principal and other equity owners to take a one or two day mandatory remedial default training. The fee for this training is \$500 per training day (not per person), plus the cost of travel, food, and accommodations for our training representative. (Franchise Agreement, Section 7.D.(4)).

Advertising

We are not obligated to spend any amount on advertising in your area or territory.

We will establish and administer a National Brand Fund (the “Brand Fund”) that will include your Brand Fund Contributions and those of other Food Retail Unit franchisees, in accordance with each applicable

Franchise Agreement (see Item 6 of this Disclosure Document). The Brand Fund Contribution, which is a percentage of your Net Sales, shall be due and payable each week. All franchisees must contribute to the Brand Fund at the same rate of up to 2% of Net Sales (the “Brand Fund Contribution”). If an affiliate of ours administers the Brand Fund, or places advertising in connection with the System, such affiliate may be paid a fee that will not exceed the fee that would be payable to unrelated third parties for comparable services. Each of our company-owned or affiliated Food Retail Units will also make contributions to the Brand Fund on the same basis as required of the other franchisees in the same geographic market. Unless required by applicable law, we will have no obligation to create a trust account, escrow account, or other special account for the Brand Fund, and the monies comprising the Brand Fund may be placed in our general account(s) if we desire. We may set-up a separate incorporated entity to administer the Brand Fund. We may also reserve portions of the Brand Fund for use in a subsequent year. We may solicit franchisee input directly and/or form a franchise advisory council to provide input to us on the use of the Brand Fund, although we are not obligated to do so. We are not obligated to act on any specific proposals or recommendations from franchisees or a franchise advisory council. (Franchise Agreement, Sections 4.C.(1) and 12.A.).

The Brand Fund will be used for expenditures that, in our sole discretion, market, advertise, promote, enhance or further the Hissho, Hissho Sushi, Sushi With Gusto, and Ōumi Sushi names and the System, including: (i) expenses associated with preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining an electronic commerce Website and/or related strategies; administering regional and multi-regional marketing and advertising programs, including, without limitation, purchasing trade journal, direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities, and (ii) paying the reasonable salaries and benefits of personnel who manage and administer the Brand Fund, the Brand Fund’s other administrative costs, travel expenses of personnel while they are on Brand Fund business, meeting costs, overhead relating to Brand Fund business, and other expenses that we incur in activities reasonably related to administering or directing the Brand Fund and its programs, including, without limitation, conducting market research, public relations, preparing advertising, promotion, and marketing materials, and collecting and accounting for Brand Fund contributions. The Brand Fund may spend in any fiscal year more or less than the total Brand Fund Contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, pay back outstanding principal amounts borrowed in prior years from us or third parties, or invest any surplus for future use. (Franchise Agreement, Section 12.A.(1) and (2)).

The Brand Fund is not audited. An accounting of the use of Brand Fund Contributions collected from franchisees during each calendar year will be made available to Franchisee annually within 90 days after Franchisee’s written request. We may use an outside advertising agency to create and place advertising or we may use an in-house marketing department. The Brand Fund will be used to create new marketing material and promote the products and services offered by Food Retail Unit locations, on a local, regional, or national level. (Franchise Agreement, Section 12.A.(2)).

All advertising by you must be conducted in a professional manner, must conform to the standards and requirements in our Confidential Operations Manual, and must display our Marks only in those forms approved by us. You will submit samples to us (through email, return receipt requested) and obtain our prior approval (except with respect to the cost of the advertising) of all advertising and promotional plans and materials that you desire to use and that have not been prepared or previously approved by us. If you do not receive our written approval within 15 days from the date of receipt by us of such materials, we will be deemed to have rejected the proposed advertising. We may make available to you, from time to time, approved advertising, promotional plans and materials for purchase. You will not be obligated to accept or purchase any such advertising, promotional plans, and materials offered to you by us. (Franchise Agreement, Section 12.C.).

You may not maintain a website, or otherwise maintain a presence or advertise on the Internet, or any other

public computer network in connection with your Food Retail Unit without our prior written approval. (Franchise Agreement, Section 12.F.).

We encourage our franchisees to voluntarily form and operate cooperative advertising programs for Food Retail Units (each a “Cooperative”). Although there are not currently any regional or national Cooperatives, we may, in our sole discretion, in the future form, develop, and coordinate Cooperatives. If a Cooperative is formed for your region, you must become a member. The membership of the Cooperative would be defined by us by market area. Membership of the Cooperatives will include Food Retail Units managed and/or owned by us and our affiliates. Each member of the Cooperative, including Food Retail Units managed and/or operated by us or our affiliates, will have one vote. We may at any time, in our sole discretion, form, change, dissolve, or merge Cooperatives and you will be obligated to contribute to the Cooperative in an amount established and approved by the Cooperative that will be in addition to your other required marketing expenditures. (Franchise Agreement, Section 12.D. & 12.G.).

We may offer periodically to provide, upon your request, and at your expense, approved local advertising and promotional plans and materials to you to use as part of your local marketing program. (Franchise Agreement, Section 12.B.).

You must participate in any, and all, national advertising, marketing, and charitable promotions (“Promotions”), as we designate and approve, in our sole discretion, and you will not have the right to decline participation in the Promotions, without our prior consent. (Franchise Agreement, Section 12.E.).

We will not use Brand Fund Contributions for advertising that is primarily a solicitation for the sale of franchises.

We may require you to contribute to any other national or regional marketing fund that we control, except as explained above. (Franchise Agreement, Section 12.E.).

There is currently no advertising council composed of franchisees but we may establish an advertising council composed of franchisees at any time upon written notice to you. (Franchise Agreement, Section 12.D.).

No other supervision, assistance, or services are provided by us, or any parent, or affiliate, for the establishment, or operation of a franchised Food Retail Unit. We may not require you to contribute to any other national or regional marketing fund that we control, except as explained above. We may not require you to contribute separately to a cooperative advertising fund with other franchisees. We previously required franchisees to contribute to a National Co-op Marketing Fund but we stopped requiring those contributions from any franchisee in 2015.

During 2023, the Brand Fund included contributions from Food Retail Unit and Hissho Full Service franchisees, although moving forward there will be two separate Brand Funds. During 2023, our expenditure of Brand Fund money was made in the following percentages: 48.0% on production; 4.1% on media placement; 47.9% on administrative expenses; and 0% on other expenses.

We will use the Brand Fund Fees to market and advertise Hissho Sushi, Ōumi Sushi, and Sushi With Gusto franchises (Franchise Agreement, Section 12.A.(1)).

No other supervision, assistance, or services are provided by us or any parent or affiliate for the establishment or operation of a franchised Food Retail Unit.

ITEM 12: TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will be authorized to open a Food Retail Unit at a specific location that either we select, or you propose, and we approve. The location of your Food Retail Unit will be based upon relevant factors and typically set within an existing market, grocery store, or other retail outlet. We consider the size of the Food Retail Unit, the sales volume of the Retail Host, the presence and sales volume of the deli operations within a Retail Host, and other characteristics in evaluating a prospective Retail Host.

We, or one of our affiliates, typically controls the agreed upon location of the Franchised Business under the terms of an agreement with a Retail Host, under which we agree to pay the Retail Host a negotiated percentage of the revenues of sales from your Food Retail Unit. We will give you the right to operate the Food Retail Unit at the Retail Host under the Franchise Agreement. If our or our affiliate's rights to the Food Retail Unit expire, are terminated, or are limited for any reason under the agreement with the Retail Host (including for a failure to satisfy any minimum sales/performance requirements), then your right to operate the Food Retail Unit will simultaneously terminate or be limited. If your rights are terminated or limited, we do not have any obligation to compensate you and we do not guaranty or promise that we will find you another location or offer another Food Retail Unit to you.

In all cases, you will operate from the specific location designated in your Franchise Agreement, and you must receive our prior written permission before relocating any Food Retail Unit. Relocation of your Food Retail Unit is only at our discretion. If we approve a new location, you will have the right to open a Food Retail Unit at that specific location only, and we will sign an addendum to your existing Franchise Agreement for that location. Our approval will be based upon a variety of factors including the viability of the then current location, whether the proposed location is near your Food Retail Unit, the characteristics relating to the proposed location, and the proximity of other Food Retail Units to the proposed location. When we grant you the right to open a Food Retail Unit, we do not grant options, rights of first refusal, or similar rights to acquire additional franchises.

If we obtain a location suitable for operating a Satellite Sushi Bar within the vicinity of your Full Service Sushi Bar, we may offer you the opportunity to operate and deliver sushi products to that Satellite Sushi Bar. If you request, and we grant you the right to open a Satellite Sushi Bar, or if we obtain a suitable location for a Satellite Sushi Bar and you accept our offer to operate and deliver sushi products to that Satellite Sushi Bar, you will sign an addendum to your Franchise Agreement detailing the terms of your operation of the Satellite Sushi Bar.

We retain the right, among others, on any terms and conditions we deem advisable, and without granting you any rights therein to establish and operate and license others to establish and operate Food Retail Units at any location in all areas we deem advisable.

In all cases, we and our affiliates retain the right to offer for sale similar products and services in connection with the Proprietary Marks through alternate channels of distribution. These alternate channels of distribution may include sales of products or services through grocery stores, other retail outlets and other types of retail outlets, catalogs, direct marketing sales, or through the internet. Neither we, nor any of our affiliates, have established, other sushi bars or alternate channels of distribution for sale of similar products or services under a different trade name or trademark except, as detailed in this Disclosure Document, but we may do so.

Without our prior written consent, you may not use alternate channels of distribution, such as any form of electronic commerce including the Internet, catalog sales, telemarketing, or other direct marketing, to make sales. You may only fulfill orders, and prepare and sell food, to customers at your Food Retail Unit. We do not limit customers from outside your assigned area from ordering food or products at your Food Retail Unit.

You are not restricted from advertising outside your Food Retail Unit or assigned area if all sales are made from your Food Retail Unit. We and other franchisees are not restricted from soliciting sales in market areas in which you operate a Food Retail Unit. We do not have to pay you any compensation for soliciting or accepting orders in the market areas in which you operate a Food Retail Unit.

ITEM 13: TRADEMARKS

We are the owner of all of our Proprietary Marks. The Franchise Agreement grants you the right to use the Proprietary Marks designated by us only in a manner authorized and permitted by us and only for the operation of the franchised Food Retail Units at the location or locations authorized in the Franchise Agreement or in advertising for the franchised Food Retail Units. Under the terms of the Franchise Agreement, you must not use the Proprietary Marks as part of your corporate or other legal name.

If our right to use any of these principal trademarks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

For all principal federal registrations, all necessary affidavits and/or renewal applications have been filed for all marks.

Except for the Franchise Agreement itself, there are no agreements currently in effect which significantly limit our right to use or license others to use our Proprietary Marks that are material to any franchise. Our affiliates have the right to use the Proprietary Marks with regard to its own operating Food Retail Units.

In the event that litigation involving the principal trademarks is instituted or threatened against you, and you promptly notify us, we will conduct the defense and bear the expense of such litigation and will be entitled to settle or otherwise dispose of the litigation on terms which, in our sole discretion, we may decide. 1. To use the principal trademarks in connection with selling products and services;
2. To grant other licenses for the principal trademarks, in addition to those licenses already granted to existing franchisees; and
3. To develop and establish other systems using the same or similar principal trademarks, or any other principal trademarks, and to grant licenses or franchises thereto without providing any rights therein

to you.

All affidavits required to be filed for the principal Trademarks through the date of this Disclosure Document have been filed. There is no currently effective determination of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, nor any pending infringement, opposition, or cancellation proceeding, nor any pending material litigation involving the trademarks, service marks, trade names, logotypes, or other commercial symbols which are relevant to their use in the state in which any Food Retail Unit is to be located or elsewhere.

There are no superior prior rights or infringing uses actually known to us that could materially affect your use of the principal trademarks in the state in which any Food Retail Unit is to be located or elsewhere. We will take all steps reasonably necessary to preserve and protect our ownership in and validity of the principal trademarks.

You must promptly notify us of any suspected unauthorized use of the principal trademarks and of any litigation involving the principal trademarks that is threatened or instituted against you. We are not obligated by the Franchise Agreement, nor otherwise, to protect any rights granted to you to use the principal trademarks or to protect you against claims of infringement or unfair competition with respect to them. We have the sole right to direct and control any administrative proceeding or litigation involving the principal trademarks, including any settlement.

We may modify or discontinue principal trademarks or substitute different principal trademarks for use in identifying the System and the businesses operating under it at our sole discretion and will have no obligation or liability to you as a result of any modification, discontinuance or substitution. We and Lwin may license others to use the Proprietary Marks.

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Except as disclosed below, we do not own rights in, or licenses to, patents or copyrights that are material to the System.

We have no patents pending.

Although we have not filed applications for copyright registrations for all items, we claim a copyright in our confidential Franchise Manual, advertising material, specifications, training handbooks, SSOP/HACCP Food Safety Plan Book and a variety of forms and programs. The information contained in these items is proprietary and they may be used only with our permission, and at our direction. You must operate the franchised Food Retail Unit in accordance with the Franchise Manual. The Franchise Manual may be provided to you by physical, written copy. You must treat the Franchise Manual, any other manuals created for or approved for use in the operation of franchised Food Retail Units, and the information contained in them, as confidential, and must use reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record or otherwise reproduce these materials, in whole or in part, or otherwise make them available to any unauthorized person. We may periodically revise the contents of the Franchise Manual, and you must comply with each new or changed standard. You must ensure that the Franchise Manual is kept current at all times. In the event of any dispute as to the contents of the Franchise Manual, the terms of the master copy of the Franchise Manual maintained by us at our home office shall be controlling.

You must notify us immediately if you learn about an infringement on our or your use of any item that may be copyrighted by us. However, we are not obligated by the Franchise Agreement, nor otherwise, to protect any rights that may be granted to you or to protect you against claims of infringement or unfair competition with respect to them.

In the event that litigation involving any items that may be copyrighted is instituted or threatened against you, you must promptly notify us. We will conduct the defense and bear the expense of such litigation, and will be entitled to settle or otherwise dispose of the litigation on terms which, in our sole discretion, we may decide. You must cooperate fully with us in defending or settling such litigation.

If we decide to add, modify or discontinue the use of a proprietary item, whether or not we claim a copyright in such item, you must also do so and we will have no obligation or liability to you as a result of any addition, modification or discontinuance of the use of a proprietary item.

Confidential Information

You must not, during the term of the Franchise Agreement, or thereafter, communicate, divulge, or use for the benefit of any other person, partnership, association, or corporation, any confidential information, knowledge, or know how concerning the methods of operation of franchised sushi bars, or Asian food bars which may be communicated to you, including techniques, recipes, formulas, processes, procedures, designs, financial information and information contained in the Franchise Manual, or of which you may be apprised by virtue of your Franchise under the terms of such Agreements (including information, knowledge or know how concerning any recipes or formulas). We will disclose proprietary recipes and preparation methods to you necessary to operate a Food Retail Unit, but we are not required to disclose contents of proprietary seasonings, ingredients and mixes that are purchased from approved suppliers. You may divulge confidential information only to those of your employees who must have access to it in order to operate the franchised Food Retail Units, and you must take such precautions as we deem necessary to ensure that your employees keep such information in confidence. Any and all information, knowledge, know how, and techniques which we designate as confidential will be deemed confidential, except information which you can demonstrate came to your attention before our disclosure of it, or which, at the time of our disclosure to you, had become a part of the public domain, through publication or communication by others, or which, after our disclosure to you, becomes a part of the public domain, through publication or communication by others. Your Operating Principal and other equity owners may be required to enter into an agreement we prescribe not to compete with Food Retail Units under the System, and those same individuals, your manager and other employees may be required to enter into an agreement we prescribe not to reveal confidential information obtained in the course of their association with you. You must not use any proprietary or confidential information or Proprietary Marks, including any processes, procedures, recipes and formulas, for any purpose other than the operation of your Food Retail Unit and must take all steps necessary to prevent any other use of them.

ITEM 15: OBLIGATIONS TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You may sign the Franchise Agreement as a corporation, partnership, or a limited liability company composed solely of shareholders/members who are individuals and not corporations, limited liability companies, or any other legal entities. You may not sign the Franchise Agreement in your individual capacity or as a sole proprietorship. Franchisee must designate an individual to serve as your Operating Principal. The Operating Principal must meet the following qualifications:

- Devote full time and best efforts to the supervision and conduct of the Food Retail Units which you developed and operate.
- Successfully complete the applicable Initial Training Program(s).
- Execute a Guaranty and be individually bound by all the obligations under that agreement.

If an Operating Principal is unable or elects not to continue to meet their obligations as Operating Principal,

or if, in your sole discretion, an Operating Principal no longer qualifies to act as such, you must promptly designate another Operating Principal. The same individual may serve as your Operating Principal and of all the franchised Food Retail Units controlled by you.

Your Food Retail Units must, at all times, be under the direct on-premises supervision of a manager. You must also maintain a competent, conscientious staff, including a manager, co-managers, or staff as may be necessary to properly operate your Food Retail Units. We impose no limitations as to whom you may hire as the Food Retail Unit managers, except with respect to the Operating Principal, and except that you must comply with all applicable laws, and that you must not harm the goodwill associated with the System, and the Proprietary Marks (this requirement may affect who you hire as your manager).

Your Operating Principal and each of your other equity owners must execute our then-current form of “Nondisclosure and Non-Competition Agreement”, and you must require all other personnel of the Franchised Business and others who have access to Confidential Information to execute our then-current form of “Nondisclosure Agreement”. You agree to provide us with copies of all executed Nondisclosure Agreements and Nondisclosure and Non-Competition Agreements no later than 10 days following their execution. We will be a third-party beneficiary of each Nondisclosure Agreement and Nondisclosure and Non-Competition Agreement with independent enforcement rights.

Every individual who owns an interest in your corporation or limited liability company or other legal entity type, must sign a guaranty (see Attachment B to the Franchise Agreement) agreeing to be bound by all the terms and conditions of the Franchise Agreement, including any amendments and to unconditionally guarantee the payment of all liabilities incurred by Franchisee, at any time. Depending on the creditworthiness of the owners and the community property laws of the states in which they reside, we may also require that the spouse of each owner sign a guaranty.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all products and services which are part of the System, and all services and products we incorporate into the Hissho System in the future. You may not use the Proprietary Marks for any other business. You must use your Food Retail Unit premises solely for the operation of the Food Retail Unit and keep the Food Retail Unit open and in normal operation for such minimum hours and days as we and/or the Retail Host may periodically specify or as we and the Retail Host approve in writing. You must not use, or permit the use of, the premises for any other purpose or activity at any time without first obtaining our written consent. You may sell Hissho products only at the location specified in the Franchise Agreement, except for catering specifically directed by the Retail Host.

You must meet and maintain the highest health standards and ratings applicable to the operation of the Food Retail Unit. To ensure that the highest degree of quality, cleanliness, appearance, and service is maintained, you must operate the Food Retail Unit in strict conformity with such methods, standards, and specifications as we may periodically require in the Franchise Manual or otherwise in writing. You must also maintain in sufficient supply and always use only such ingredients, products, materials, supplies, and packaging as conform to our standards and specifications, and you must not deviate from those standards and specifications by the use or offer of non-conforming items, without our prior written consent.

You may sell or offer for sale those specific food items, condiments, products, and services that you choose from our pre-approved list of those items. You may sell or offer for sale chef specials and location favorites using your own recipes, as long as they follow our pre-approved standard ratios and ingredients. You must refrain from any deviation from our standards and specifications without our prior written consent. You must discontinue selling and offering for sale any food items, condiments, products, or services which we may, in our discretion, disapprove in writing at any time.

You must offer all services that we may require including all System promotions, local marketing, contests and other Hissho System services and activities. Currently Lwin is our sole approved supplier of most food items and certain supplies to franchisees' Food Retail Units.

You must operate the franchised Food Retail Unit in strict conformity with all applicable federal, state, and local laws, ordinances, and regulations. Such laws, ordinances and regulations vary from jurisdiction to jurisdiction and are amendable or may be implemented or interpreted in a different manner from time to time. It is your sole responsibility to apprise yourself of the existence and requirements of all laws, ordinances, and regulations applicable to the then current implementation or integration of them.

For a description of your restrictions on some purchases, see Item 8 of this Disclosure Document.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to disclose information about the actual or potential financial performance of its franchised and/or franchisor operated outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or

representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the Franchisor's management by contacting Penny Kirsch at 11949 Steele Creek Road, Charlotte, North Carolina 28273, (704) 926-2200, the Federal Trade Commission, and the appropriate state regulatory agencies.

Note: Item 20 tables do not reflect the Sushi With Gusto franchisee locations that we acquired on January 1, 2021.

The names, addresses, and telephone numbers of our current franchisees are listed in Exhibit C. Also listed

in Exhibit C are the names and last known home address and telephone number of every franchisee who has had an outlet terminated, canceled, transferred, not renewed, or otherwise voluntarily or involuntarily ceased to do business under a franchise agreement during our last fiscal year, or who has not communicated with us within 10 weeks of the date of this Disclosure Document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the last three fiscal years, franchisees have signed confidentiality clauses. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with Hissho Sushi. You may wish to speak with current and former franchisees but be aware that not all of those franchisees will be able to communicate with you.

We do not sponsor any trademark specific franchisee associations, and there are no trademark specific franchisee associations that have requested to be included in this Disclosure Document.

Report of Independent Auditor

To the Board of Directors
Hissho International, LLC
Charlotte, North Carolina

Opinion

We have audited the accompanying financial statements of Hissho International, LLC (the “Company”), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and retained earnings and of cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Hissho International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Nature of operations and summary of significant accounting policies

Organization and Business Activity – Hissho International, LLC (the “Company”) was organized in the state of North Carolina on July 12, 2013. Effective April 6, 2017, the Company had a change in ownership and became organized under Delaware law as a result of re-domesticating its limited liability company (“LLC”) charter. Effective May 18, 2022, the Company had a change in ownership and elected not to apply push-down accounting of its parent’s basis as a result of the business combination that occurred within the Company’s parent. The Company is engaged in the sale of sushi and Asian food bar franchises located in retail outlets. The Company offers products and services throughout the United States. As an LLC, the member’s liability is limited to its investment.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – The Company considers all highly liquid investments with a maturity of three months or less, when purchased, to be cash equivalents.

Accounts Receivable – Accounts receivable are derived from an entity under common ownership for cash collected on its behalf for franchisee fees, commission income, and administrative fees, net of management fees incurred. The accounts receivable are unsecured and payable on demand.

Revenue Recognition – The Company franchises Hissho Sushi, Oumi Sushi, and Sushi with Gusto stores. Revenue is recognized upon the transfer of control of promised goods or services to customers in an amount that reflects the consideration the Company expects to receive for those goods or services.

The following are the principal activities from which the Company earns revenue:

Commissions and Administrative Revenues – The Company recognizes commission income as a percentage of retail sales of food and beverages through franchise stores located in the United States. Administrative fees are charged to franchise stores as incurred (usage-based). Commission and administrative revenue are recognized monthly as earned based on the provisions of the franchise agreement. Customer payments are generally collected at the time of sale by a related party. Sales taxes collected from customers are remitted to the appropriate taxing authority and are not recognized as revenue. Payments for administrative fees are due and collected by a related party within 30 days after month-end.

Franchise Revenues – The franchise arrangement between the Company and each franchise owner of a Hissho Sushi store is documented in the form of a franchise agreement. The franchise arrangement requires the Company as franchisor to perform various activities to support the Hissho Sushi brand and does not involve the direct transfer of goods and services to the franchise owner as a customer. All material activities, with the exception of pre-opening activities, performed by the Company are highly interrelated with the franchise license and are considered to represent a single performance obligation, which is the transfer of the franchise license. The nature of the Company’s promise in granting the franchise license is to provide the franchise owner with access to the brand’s intellectual property over the term of the franchise arrangement. The pre-opening activities are considered distinct in nature and, therefore, represent a performance obligation.

HISSHO INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Nature of operations and summary of significant accounting policies (continued)

The following are the principal activities from which the Company earns revenue (continued):

The most significant items associated with the transaction price in a standard franchise arrangement consist of continuing franchise fees (royalties), advisory and consulting fees, pre-closing fees, and training fees. The value of each performance obligation is the stand-alone selling price detailed in each franchise agreement. These are considered the transaction price for the identified performance obligation.

The timing of revenue recognition may differ from the timing of payment from customers. A related party to the Company records a receivable when revenue is recognized in advance of payment, and a contract liability (“unearned revenue”) when revenue is recognized subsequent to payment. Unearned revenue consists mainly of franchise and training fees paid in advance. A liability is recorded when it is known that an amount previously received will be refunded. The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities and has not capitalized any such costs.

Income Taxes – The Company, with the consent of its member, has elected to be taxed as a partnership. In lieu of corporate federal income taxes, the member of the Company is taxed on its proportional share of the Company’s taxable income. Accordingly, no provision for income taxes is reflected in the financial statements. Management has evaluated the tax positions of the Company that could have a significant impact on the financial statements of the Company pursuant to the guidance provided by U.S. GAAP.

The Company follows the Financial Accounting Standards Board guidance on Accounting for Uncertainty in Income Taxes. The Company’s policy is to record a liability for any tax position taken that is beneficial to the Company, including any related interest and penalties, when it is more likely than not the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination.

Reclassifications – Certain reclassifications have been made to the financial statements as of and for the year ended December 31, 2022 to correspond to the December 31, 2023 format. This reclassification pertained to a balance due from a related party that was previously reported as a noncurrent asset. As the Company does not have the intention of receiving this balance in cash in the near-term, the amount was reclassified to a component of member’s equity for purposes of the balance sheet presentation. The Company’s net income, operating cash flows, and net working capital as of and for the year ended December 31, 2022 are unchanged due to this reclassification.

Note 2—Concentrations of credit risk

Financial instruments that potentially expose the Company to concentrations of credit risk consist primarily of cash and cash equivalents.

The Company places its cash and cash equivalents on deposit with financial institutions in the United States of America. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. The Company from time to time may have amounts on deposit in excess of the insured limits.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 3—Related party transactions

The Company incurs management fee expense from an entity under common ownership for certain operating expenses. These management fees of \$10,388,363 and \$10,226,506 for the years ended December 31, 2023 and 2022, respectively, are included in operating expenses on the accompanying statements of income and retained earnings.

The Company has a receivable from an entity under common ownership for cash collected on its behalf for franchisee fees, commission income, and administrative fees, net of management fees incurred. The related party receivable totaled \$80,407,979 and \$57,327,569 as of December 31, 2023 and 2022, respectively. A portion of this receivable, \$79,375,316 and \$57,185,533 at December 31, 2023 and 2022, respectively, is classified as a component of equity as the Company does not intend on settling balance in cash.

Note 4—Franchise revenue

The Company recognized franchise revenue totaling \$5,768,416 and \$4,699,504, which is included in revenue on the accompanying statements of income and retained earnings for the years ended December 31, 2023 and 2022, respectively.

Note 5—Summary of franchise outlets

There were 2,194 and 2,058 franchised outlets in operation as of December 31, 2023 and 2022, respectively.

Note 6—Leases

The Company leases concession space. The Company determines whether a contract contains a lease at inception by determining if the contract conveys the right to control the use of identified property, plant, or equipment for a period of time in exchange for consideration.

Right-of-use assets and lease liabilities are recognized at the commencement date based on the present value of the future minimum lease payments over the lease term. Renewal and termination clauses that are factored into the determination of the lease term if it is reasonably certain that these options would be exercised by the Company. Lease assets are amortized over the lease term unless there is a transfer of title or purchase option reasonably certain of exercise, in which case the asset life is used. In order to determine the present value of lease payments, the Company uses the implicit rate when it is readily determinable. As the Company's lease does not provide an implicit rate, management elected to use the risk-free rate to determine the present value of lease payments.

The Company's lease agreements do not contain any material residual value guarantee or material restrictive covenants. The Company does not have a lease where it is involved with the construction or design of an underlying asset. The Company has no material obligation for leases signed but not yet commenced as of December 31, 2023. The Company does not have any material sublease activities.

HISSHO INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 6—Leases (continued)

Practical Expedients Elected –

- The Company elected the three transition practical expedients that permit an entity to: (a) not reassess whether expired or existing contracts contain leases, (b) not reassess lease classification for existing or expired leases, and (c) not consider whether previously capitalized initial direct costs would be appropriate under the new standard.
- The Company has elected the practical expedient not to recognize leases with terms of 12 months or less on the balance sheet and instead recognize the lease payments on a straight-line basis over the term of the lease and variable lease payments in the period in which the obligation for the payments is incurred. Therefore, short-term lease expense for the period does not reflect ongoing short-term lease commitments. Lease expense for such short-term leases was not material for the years ended December 31, 2023 and 2022.

Future minimum lease payments are as follows:

2024	\$ 116,926
2025	<u>6,390</u>
Total undiscounted cash flows	123,316
Less present value discount	<u>(1,487)</u>
Total lease liabilities	<u>\$ 121,829</u>

Operating lease expense amounted to \$108,893 and \$117,089 for the years ended December 31, 2023 and 2022, respectively. Variable lease expense amounted to \$34,157 and \$38,100 for the years ended December 31, 2023 and 2022, respectively. Weighted-average discount rate for operating leases is 2.84% as of December 31, 2023. Weighted-average remaining lease term for operating leases is 1.25 years as of December 31, 2023.

Note 7—Subsequent events

The Company has evaluated subsequent events through April 26, 2024 in connection with the preparation of these financial statements, which is the date these financial statements were available to be issued.

Report of Independent Auditor

To the Board of Directors
Hissho International, LLC
Charlotte, North Carolina

Opinion

We have audited the accompanying financial statements of Hissho International, LLC (the “Company”), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income and member’s equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Hissho International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 7 to the financial statements, the Company changed its method of accounting for leases as of January 1, 2022, due to the adoption of Accounting Standards Update 2016-02, *Leases (Topic 842)*, as amended. The opinion is not modified with respect to this matter.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Nature of operations and summary of significant accounting policies

Organization and Business Activity – Hissho International, LLC (the “Company”) was organized in the state of North Carolina on July 12, 2013. Effective April 6, 2017, the Company had a change in ownership and became organized under Delaware law as a result of re-domesticating its limited liability company (“LLC”) charter. Effective May 18, 2022, the Company had a change in ownership and as of December 31, 2022, the Company has elected not to apply push-down accounting of its parent’s basis as a result of the business combination that occurred within the Company’s parent. The Company is engaged in the sale of sushi and Asian food bar franchises located in retail outlets. The Company offers products and services throughout the United States. As an LLC, the member’s liability is limited to its investment.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – The Company considers all highly liquid investments with a maturity of three months or less, when purchased, to be cash equivalents.

Accounts Receivable – Accounts receivable are derived from an entity under common ownership for cash collected on its behalf for franchisee fees, commission income, and administrative fees, net of management fees incurred. The accounts receivable are unsecured and payable on demand.

Revenue Recognition – The Company franchises Hissho Sushi stores. Revenue is recognized upon the transfer of control of promised goods or services to customers in an amount that reflects the consideration the Company expects to receive for those goods or services.

The following are the principal activities from which the Company earns revenue:

Commissions and Administrative Revenues – The Company recognizes commission income as a percentage of retail sales of food and beverages through franchise stores located in the United States. Administrative fees are charged to franchise stores as incurred (usage-based). Commission and administrative revenue are recognized monthly as earned based on the provisions of the franchise agreement. Customer payments are generally collected at the time of sale by a related party. Sales taxes collected from customers are remitted to the appropriate taxing authority and are not recognized as revenue. Payments for administrative fees are due and collected by a related party within 30 days after month-end.

Franchise Revenues – The franchise arrangement between the Company and each franchise owner of a Hissho Sushi store is documented in the form of a franchise agreement. The franchise arrangement requires the Company as franchisor to perform various activities to support the Hissho Sushi brand and does not involve the direct transfer of goods and services to the franchise owner as a customer. All material activities, with the exception of pre-opening activities, performed by the Company are highly interrelated with the franchise license and are considered to represent a single performance obligation, which is the transfer of the franchise license. The nature of the Company’s promise in granting the franchise license is to provide the franchise owner with access to the brand’s intellectual property over the term of the franchise arrangement. The pre-opening activities are considered distinct in nature and, therefore, represent a performance obligation.

HISSHO INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Nature of operations and summary of significant accounting policies (continued)

The following are the principal activities from which the Company earns revenue (continued):

The most significant items associated with the transaction price in a standard franchise arrangement consist of continuing franchise fees (royalties), advisory and consulting fees, pre-closing fees, and training fees. The value of each performance obligation is the stand-alone selling price detailed in each franchise agreement. These are considered the transaction price for the identified performance obligation.

The timing of revenue recognition may differ from the timing of payment from customers. A related party to the Company records a receivable when revenue is recognized in advance of payment, and a contract liability (“unearned revenue”) when revenue is recognized subsequent to payment. Unearned revenue consists mainly of franchise and training fees paid in advance. A liability is recorded when it is known that an amount previously received will be refunded. The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities and has not capitalized any such costs.

Income Taxes – The Company, with the consent of its member, has elected to be taxed as a partnership. In lieu of corporate federal income taxes, the member of the Company is taxed on its proportional share of the Company’s taxable income. Accordingly, no provision for income taxes is reflected in the financial statements. Management has evaluated the tax positions of the Company that could have a significant impact on the financial statements of the Company pursuant to the guidance provided by U.S. GAAP.

The Company follows the Financial Accounting Standards Board guidance on Accounting for Uncertainty in Income Taxes. The Company’s policy is to record a liability for any tax position taken that is beneficial to the Company, including any related interest and penalties, when it is more likely than not the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination.

Accounting Pronouncements Recently Adopted - In February 2016, the FASB issued Accounting Standards Update (“ASU”) 2016-02, *Leases (Topic 842)*, which supersedes existing guidance for accounting for leases under Topic 840, Leases. The FASB also subsequently issued additional ASUs which amend and clarify Topic 842. The most significant change in the new leasing guidance is the requirement to recognize right-to-use (“ROU”) assets and lease liabilities for operating leases on the balance sheet.

The Company adopted these ASUs effective January 1, 2022 using the modified retrospective approach. As a result of adopting these ASUs, the Company recorded ROU assets and lease liabilities of \$363,512. Adoption of the new standard did not materially impact the Company’s change in net assets and had no impact on cash flows.

Note 2—Concentrations of credit risk

Financial instruments that potentially expose the Company to concentrations of credit risk consist primarily of cash and cash equivalents.

The Company places its cash and cash equivalents on deposit with financial institutions in the United States of America. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. The Company from time to time may have amounts on deposit in excess of the insured limits.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 3—Related party transactions

The Company incurs management fee expense from an entity under common ownership for certain operating expenses. These management fees of \$10,226,506 and \$9,527,810 for the years ended December 31, 2022 and 2021, respectively, are included in operating expenses on the accompanying statements of income and member's equity.

The Company has a receivable from an entity under common ownership for cash collected on its behalf for franchisee fees, commission income, and administrative fees, net of management fees incurred. The related party receivable totaled \$57,327,569 and \$38,969,094 as of December 31, 2022 and 2021, respectively.

Note 4—Franchise revenue

The Company recognized franchise revenue totaling \$4,699,504 and \$3,697,298, which is included in revenue on the accompanying statements of income and member's equity for the years ended December 31, 2022 and 2021, respectively.

Note 5—Summary of franchise outlets

Following is a summary of changes in the number of franchise outlets during the years ended December 31:

	<u>2022</u>	<u>2021</u>
In operation, beginning of year	1,852	1,704
Acquired via business combination	-	248
Transferred during the year	88	12
New franchises sold during the year	164	169
Franchises closed during the year	<u>(46)</u>	<u>(281)</u>
In operation, end of year	<u>2,058</u>	<u>1,852</u>

Note 6—Long-term debt

During the year ended December 31, 2020, the Company received a loan under the Paycheck Protection Program ("PPP") for a total amount of \$1,004,000 maturing in April 2022. The PPP loan bears interest at an annual rate of 1% per annum and may be prepaid by the Company at any time prior to maturity with no prepayment penalties. Terms call for payments of principal and interest based on level amortization beginning after the deferment period ends.

The intent and purpose of the PPP was to support companies, during the coronavirus (COVID-19) pandemic, by providing funds for certain specified business expenses, with a focus on payroll. Under the terms of the PPP, certain amounts of the loan were eligible to be forgiven if they were used for qualifying expenses as described in the CARES Act. The Company used the entire loan amounts for qualifying expenses and utilized a 24-week covered period for forgiveness consideration.

The Company applied for forgiveness with the SBA, and the PPP loan was forgiven in full on September 8, 2021. The Company recorded \$1,004,000 of cancellation of debt income as shown in the statements of income and member's equity as other income. Interest and principal payments were deferred through the date the SBA remitted the borrower's loan forgiveness to the lender.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 7—Leases

The Company leases concession space. The Company determines whether a contract contains a lease at inception by determining if the contract conveys the right to control the use of identified property, plant or equipment for a period of time in exchange for consideration.

ROU assets and lease liabilities are recognized at the commencement date based on the present value of the future minimum lease payments over the lease term. Renewal and termination clauses that are factored into the determination of the lease term if it is reasonably certain that these options would be exercised by the Company. Lease assets are amortized over the lease term unless there is a transfer of title or purchase option reasonably certain of exercise, in which case the asset life is used. In order to determine the present value of lease payments, the Company uses the implicit rate when it is readily determinable. As the Company's lease does not provide an implicit rate, management elected to use the risk-free rate to determine the present value of lease payments.

The Company's lease agreements do not contain any material residual value guarantee or material restrictive covenants. The Company does not have a lease where it is involved with the construction or design of an underlying asset. The Company has no material obligation for leases signed but not yet commenced as of December 31, 2022. The Company does not have any material sublease activities.

Practical Expedients Elected

- The Company elected the three transition practical expedients that permit an entity to (a) not reassess whether expired or existing contracts contain leases, (b) not reassess lease classification for existing or expired leases, and (c) not consider whether previously capitalized initial direct costs would be appropriate under the new standard.
- The Company has elected the practical expedient not to recognize leases with terms of 12 months or less on the balance sheet and instead recognize the lease payments on a straight-line basis over the term of the lease and variable lease payments in the period in which the obligation for the payments is incurred. Therefore, short-term lease expense for the period does not reflect ongoing short-term lease commitments. Lease expense for such short-term leases was not material for the year ended December 31, 2022.

Future minimum lease payments are as follows:

<u>Years Ending December 31,</u>	<u>2022</u>
2023	\$ 121,172
2024	121,172
2025	30,294
Total undiscounted cash flows	272,638
Less present value discount	(8,206)
Total lease liabilities	<u>\$ 264,432</u>

Operating lease expense amounted to \$117,089 and \$123,691 for the years ended December 31, 2022 and 2021, respectively. Variable lease expense amounted to \$38,100 and \$31,639 for the years ended December 31, 2022 and 2021, respectively. Weighted-average discount rate for operating leases is 2.84%. Weighted-average remaining lease term in years for operating leases is 2.25.

PREAMBLE

A. **WHEREAS**, Franchisor, as the result of the expenditure of time, skill, effort, and money, has developed and owns a unique and distinctive system (hereinafter the "System") relating to the establishment and operation of sushi bars and Asian hot food bars under the brand name "Hissho Sushi" or "Ōumi Sushi" or "Sushi With Gusto";

B. **WHEREAS**, the distinguishing characteristics of the System include, without limitation, unique interior design, presentation and preparation layout, including use of a special selection of high-grade sushi and food components, specially prepared and packaged condiments and methods of preparation and operation, which may be changed from time to time, prompt and courteous service; a clean and wholesome preparation and presentation area; a training program utilizing special course instructions and manuals; and unique graphic presentations, marketing and promotional programs and materials; all of which may be changed, improved, and further developed by Franchisor from time to time;

C. **WHEREAS**, Franchisor identifies the System by means of certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including but not limited to the marks "HISSHO SUSHI[®]," "ŌUMI SUSHI[®]," and "SUSHI WITH GUSTO", and such other trade names, service marks, and trademarks as are now designated and may hereafter be designated by Franchisor in writing for use in connection with the System (hereinafter referred to as "Proprietary Marks");

D. **WHEREAS**, Franchisor continues to develop, use, and control the use of such Proprietary Marks in order to identify for the public the source of services and products marketed thereunder and under the System, and to represent the System's high standards of quality, cleanliness, appearance, and service;

E. **WHEREAS**, Franchisor has obtained and seeks to obtain locations in which to place sushi bars, Asian food bars, and other food retail locations that typically are contained within third-party retail or grocery outlets (hereinafter referred to as "Retail Hosts");

F. **WHEREAS**, Franchisee desires to enter into the business of operating one (1) or more sushi bars or Asian food bars under the System, and wishes to obtain a franchised business from Franchisor for that purpose, as well as to receive the training and other assistance provided by Franchisor in connection therewith; and

G. **WHEREAS**, Franchisee understands and acknowledges the importance of Franchisor's high standards of quality, cleanliness, appearance, service, and the necessity of operating the franchised business hereunder in conformity with Franchisor's standards and specifications.

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other party set forth herein, hereby agree as follows:

1. GRANT OF FRANCHISE

A. Franchisor hereby grants to Franchisee, upon the terms and conditions herein contained, the non-exclusive right and license, and Franchisee hereby accepts the right and obligation, to operate one (1) or more of

the following types of Food Retail Units to provide sushi, Asian hot food, and other Franchisor-approved products and services to the general public: a Full Service Sushi Bar ("Sushi Bar"), an Asian Food Bar ("Asian Food Bar"), or a Satellite Sushi Bar ("Satellite Sushi Bar"), any or all of which together are hereinafter referred to as "Food Retail Units," or the "Franchised Business", and to use solely in connection therewith the Proprietary Marks and the System, as they may be changed, improved, and further developed from time to time. Franchisor and Franchisee agree and acknowledge that the Retail Host shall select the Proprietary Mark under which Franchisee's Food Retail Unit is operated. All Food Retail Units may be operated by Franchisee only at the locations and of a type and subject to any special terms, all as set forth in **Attachment "A"** hereto, and any subparts, additions or amendments shown as Addenda to **Attachment "A."** Any reference in this Agreement to **Attachment "A"** shall include all subparts and amendments referred to as Addenda to **Attachment "A."** If Franchisor grants the right for additional Food Retail Units, and Franchisee accepts, then this Agreement will be amended with particular addenda stating the type and location, amount of Franchise Commission as defined in Paragraph 4.B(4) of this Agreement to be paid to Franchisee for the particular Food Retail Unit, and other applicable terms relating to the Food Retail Unit. The operation of each Food Retail Unit is made subject to the terms of this Agreement, and each Addendum to this Agreement.

B. If Franchisor obtains a location suitable for operating a Satellite Sushi Bar within the vicinity of Franchisee's Full Service Sushi Bar, Franchisor may offer Franchisee the opportunity to operate and deliver sushi products to that Satellite Sushi Bar. If Franchisee requests, and Franchisor grants Franchisee the right to open a Satellite Sushi Bar, or if Franchisor obtains a suitable location for a Satellite Sushi Bar and Franchisee accepts Franchisor's offer to operate and deliver sushi products to that Satellite Sushi Bar, Franchisee will sign an addendum to Franchisee's Franchise Agreement detailing the terms of Franchisee's operation of the Satellite Sushi Bar. The preparation, delivery, and applicable Franchise Commission set forth in this Agreement shall apply equally to Franchisee's delivery of food products to such Satellite Sushi Bar.

C. Franchisor and Franchisee agree that nothing in this Agreement requires Franchisor to offer Franchisee the right to operate additional Food Retail Units. Franchisee acknowledges that this Agreement is non-exclusive and is granted subject to the terms of Paragraph 8.C(6) hereof.

D. All grants of right to operate a Food Retail Unit are subject to the ongoing right of Franchisor, or its affiliate, to continue to operate a Food Retail Unit at the location provided by the Retail Host. If a Retail Host terminates or fails to renew an agreement to operate a Food Retail Unit operated by Franchisee, then Franchisor may terminate Franchisee's right to operate that Food Retail Unit without penalty or payment by Franchisor.

2. TERM AND RENEWAL

A. Initial Term. Except as otherwise provided herein, or in **Attachment "A"** and amendments to **Attachment "A,"** the initial term of this Agreement, and each Food Retail Unit shown in the **Attachment "A,"** and amendments to **Attachment "A,"** shall expire three (3) years from the date of this Agreement ("Initial Term"), so that the term of each Food Retail Unit shall expire on the same date, even if Franchisee commenced operating its various Food Retail Units on different dates; provided, however, this Agreement shall terminate prior to the expiration of the three (3) year term upon expiration or termination of Franchisor's right, or the right of Franchisor's affiliate, as the case may be, to remain and operate a Food Retail Unit at the designated location provided by a Retail Host.

B. Renewal. Franchisee may, at its option, renew this Agreement of all, but not less than all Food Retail Units under this Agreement for one (1) additional consecutive term of three (3) years ("Renewal Term") from the date of this Agreement, provided that prior to the end of the then-current term:

(1) Franchisee has paid to Franchisor a renewal fee in the amount of Franchisor's then-current Initial Franchise Fee for each Food Retail Unit (Sushi Bar and Asian Food Bar) being renewed (excludes satellite locations), except that (i) if the Franchise Agreement at the time of the renewal has been in effect at least

three (3) years, and (ii) if there has been no change of control of ownership of the Franchised Business or of the Franchisee, then the Renewal Fee shall be in the amount of fifty percent (50%) of Franchisor's then-current Initial Franchise Fee ("Renewal Fee");

(2) Franchisee has given Franchisor advanced written notice of its election to renew, not less than six (6) months prior to the end of the applicable term;

(3) Franchisee has made, or has provided for, in a manner satisfactory to Franchisor, such renovation and modernization of the Food Retail Unit, as Franchisor may reasonably require, including, without limitation, renovation of signs, furnishings, equipment, fixtures, and décor, to reflect the then-current standards and image of the System as designated in the Confidential Franchise Manual ("Franchise Manual"), described in Paragraph 9 hereof;

(4) Franchisee must be in good standing and in full compliance with all material terms and conditions, and is not in default, and has not previously been in default, resulting in written notice of the default, of any provision of this Agreement, any amendment hereof, or successor hereto, or any other agreement between Franchisee and Franchisor, or its subsidiaries, and affiliates;

(5) Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor, and its subsidiaries and affiliates;

(6) Franchisor, or its affiliate, shall have the continued right to remain in the location under the terms of its agreement with its Retail Host's location;

(7) Franchisee shall have executed Franchisor's then-current form of franchise agreement (the "Successor Agreement"), which agreement shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement, including, without limitation, a higher percentage Brand Fund contribution, a lower Franchise Commission, and other additional or increased fees and costs;

(8) Franchisee shall execute a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor and its parents, subsidiaries and affiliates, and their respective officers, directors, agents, and employees; and

(9) Franchisee shall comply with Franchisor's then-current qualification and training requirements.

(10) Notwithstanding any other provision of this Agreement, if Franchisor, directly or through its affiliate, has provided the location in which Franchisee's Food Retail Unit is located, and if Franchisor's right to the location has expired or is terminated for any reason, then the term, and any Renewal Term, of this Agreement and Franchisee's right to occupy and operate the Food Retail Unit shall be terminated. In the event the Franchise Agreement is terminated, Franchisor shall have no requirement to replace or transfer Franchisee's Franchised Business, or to provide an alternative location to operate a Food Retail Unit.

(11) Franchisee shall renew all Food Retail Units under this Agreement at the same time this Agreement is renewed. Any notice of renewal received shall be deemed notice of renewal of all Food Retail Units of Franchisee under the Agreement. The failure to renew any Food Retail Unit shall be deemed a failure to renew all Food Retail Units by Franchisee. The Renewal Term shall expire on the same date for each of the Food Retail Units operated under the Agreement.

C. With respect to a second, and all other additional Food Retail Units franchised to Franchisee by Franchisor under this Agreement, the term of each additional Food Retail Unit shall expire on the same date as the first Food Retail Unit shown in Attachment "A."

D. Holdover. If Franchisee continues to operate one or more Food Retail Units following expiration of the Term or, if applicable, a Renewal Term, without any further written agreement between the parties, the agreement shall continue on a month-to-month basis, during which time the parties shall be bound by, and comply with, each and every provision of this Agreement or, in the case of the expiration of the Renewal Term, the Successor Agreement, until the later of: (i) thirty (30) days after either party provides written notice to the other party of its intent to not renew this Agreement, or, if applicable, the Successor Agreement, or (ii) in the case of notice provided by Franchisor, effective immediately after the expiration of the notice period required for non-renewal under applicable laws, including state franchise relationship laws, if any.

3. DUTIES OF FRANCHISOR

A. Franchisor shall provide an Initial Training Program to instruct Franchisee, and other Franchisees, as to the procedures and techniques to be utilized at the Food Retail Unit in order to ensure that Franchisee becomes completely familiar with the Hissho System and shall make available such other ongoing training programs as it deems appropriate. Franchisee shall pay Franchisor its then-current training fees as set forth in this Agreement, and in the Franchise Manual, both with respect to the Initial Training Program, Sushi Chef Training, and later training programs. There may be a separate Initial Training Program provided and required for Sushi Bars and Asian Food Bars, along with separate training fees for each, as well as separate sushi chef training if the Operating Principal or any equity owner does not have sufficient sushi chef experience, which is provided at an additional cost. All training provided by Franchisor shall be subject to the terms set forth in Paragraph 7.D of this Agreement.

B. Franchisor shall advise and consult with Franchisee in connection with the operation of the Food Retail Unit and new developments, techniques, and improvements in areas of management, food preparation, promotion and service. Franchisor may provide the foregoing assistance by sending its employees or representatives to the Food Retail Unit, by providing publications, other written materials, DVDs webinars, downloadable materials, or by conducting meetings or seminars. Some, or all of these publications or programs, may be provided by electronic access by Franchisor and not by printed or physical documents.

C. Franchisor may make available, from time to time, advice and assistance in local advertising and, at Franchisee's expense, promotional materials for local advertising by Franchisee. Franchisor shall have the right to review and approve or disapprove all advertising and promotional materials which Franchisee proposes to use, pursuant to Paragraph 12 hereof.

D. Franchisor may develop advertising materials in its discretion, as appropriate to the franchised location, under the terms of Paragraph 12 hereof.

E. Franchisor shall provide to Franchisee, on loan, either one (1) printed copy of the Franchise Manual, as more fully described in Paragraph 9 hereof, or provide Franchisee with electronic access to the Franchise Manual.

F. In the interest of maintaining high standards of quality, cleanliness, appearance, and service, Franchisor shall conduct, as it deems advisable, inspection of the Food Retail Unit, and evaluations of the products sold and services rendered at the Food Retail Unit.

4. FEES AND COMPENSATION

A. Initial Franchise Fee and Label System:

(1) Initial Franchise Fee. Franchisee shall pay to Franchisor an initial franchise fee ("Initial Franchise Fee") in one lump sum, at the time this Agreement is executed in the amount specified in Attachment "A" to this Agreement. During the term of this Agreement, an additional Initial Franchise Fee shall be paid with

respect to each additional Food Retail Unit franchise granted by Franchisor in a pro-rated amount as follows, except that Franchisee shall not be required to pay an Initial Franchise Fee only for a Satellite Sushi Bar, as defined by Franchisor:

For any additional Food Retail Unit franchised during the term of the Agreement, (i) if there is between 25 to 36 months remaining on the term of this Agreement, then the additional Initial Franchise Fee for that additional Food Retail Unit shall be \$6,300; (ii) if there is between 13 to 24 months remaining on the term of this Agreement, then the additional Initial Franchise Fee for that additional Food Retail Unit shall be \$3,150; and (iii) if there is less than 13 months remaining on the term of this Agreement, then the additional Initial Franchise Fee for that additional Food Retail Unit shall be \$1,575. All sums paid shall be deemed fully earned and nonrefundable in consideration of administrative and other expenses incurred by Franchisor in granting this Franchise and for Franchisor's lost or deferred opportunity to franchise to others.

(2) Label System. Franchisee shall lease from Franchisor the Hissho Label System to permit Franchisee to print labels and conduct other functions prescribed by Franchisor. The Hissho Label System is currently a touchscreen terminal with built-in high-speed label printer and internet connectivity combined with our customized proprietary software ("Hissho Label System"). You will be required to execute an **Equipment Lease and Software License Agreement** (see Attachment D) prior to gaining access to the Hissho Label System, and pay to us, or our affiliates, the then-current one-time non-refundable Initial Lease Fee of (per Hissho Label System) in exchange for use of the Hissho Label System. In connection with the Hissho Label System, we charge a monthly Software License Fee (see Section 4.C.), for use of our customized proprietary software associated with the Hissho Label System. The Software License Fee is also used for administration and maintenance of the software and limited wireless data plan associated with the label system terminal and built-in printer. You may also be obligated to pay us a Data Overage Fee (see Section 4.C.) if your wireless data usage associated with your Hissho Label System, exceeds the monthly allotted limit of 100mb. See also Section 4.C. for additional fees charged under our Maintenance & Technology Program in regards to the Hissho Label System.

B. Franchisee acknowledges and agrees that under the System's structure:

(1) Franchisee shall not receive payments for the sales of goods and services of its Food Retail Units, and that those payments will be made directly to the Retail Host where the Food Retail Unit is located, and that all payments for goods and services will be made to the Retail Host. Franchisee further acknowledges and agrees that all sales will be made through cash registers of the Retail Host and that Franchisee shall not make any sales through Franchisee's cash registers or any other point-of-sale system. Franchisor shall have the right to unilaterally modify this payment structure at any time.

(2) As used in this Agreement, "Gross Sales" shall include all revenue from the sale of all services and products related to the Franchised Business, whether for cash or credit and regardless of collection in the case of credit; provided, however, that "Gross Sales" shall not include any documented deductions, promotions, or returns, or sales taxes or other taxes collected from customers by Franchisee for transmittal to the appropriate taxing authority.

(3) The percentage of sales that the Retail Host may retain as its share of Gross Sales "Service Commission" is negotiated directly by Franchisor or Franchisor's affiliate with the Retail Host and may vary among Food Retail Units. The amount remaining from Gross Sales after deduction of the Retail Host's Service Commission is referred to as "Net Sales." Service Commissions may fluctuate during the term of Franchisee's Franchise Agreement.

(4) Payments to Franchisee; Franchise Commission. Upon receipt of the Net Sales from the Retail Host, Franchisor shall remit to Franchisee the agreed franchise commission set forth in the Attachment "A" to this Agreement and amendments to Attachment "A" for each individual Food Retail Unit ("Franchise

Commission”) (see below for payment method), but only after Franchisor performs a reconciliation by first deducting from Franchise Commissions: (i) all amounts owed of every type and nature by Franchisee to Franchisor, including Brand Fund Contributions, and all fees and other sums owed under this Paragraph 4; (ii) all amounts owed by Franchisee to Franchisor’s affiliated suppliers for food and supplies and other purchases made by Franchisee; (iii) any amounts owed to Franchisor or its affiliated parties arising from loans, financings, advances, credits or deferrals made to Franchisee by Franchisor or its affiliates; and (iv) Franchisor's share of any additional Net Sales generated from a Negotiated Retail Price Increase. For purposes of this Agreement, the term "Negotiated Retail Price Increase" means an increase in the retail sales price for food and beverage products from Franchisee’s applicable Food Retail Units resulting from negotiations between Franchisee and the Retail Host. An electronic statement setting forth the calculation of Franchise Commissions, expenses (i.e., inventory orders, produce, service fees), and Gross Sales, shall be sent to Franchisee by Franchisor.

(a) Payments to Franchisee for Franchise Commissions are paid via direct deposit electronic transfer of funds (“EFT”) into Franchisee’s bank account. Franchisee must complete and sign Franchisor’s Electronic Transfer of Funds (“EFT”) Direct Deposit Authorization (“Franchisee Direct Deposit Banking Authorization” form), attached as Attachment C, to authorize Franchisor to deposit Franchisee’s Franchise Commissions directly into Franchisee’s bank account. Although Franchisor’s preferred payment method for remittance of Franchisee’s Franchise Commissions is via EFT, Franchisor may, upon request, but is not obligated to, use an alternative payment method, such as a paper check. Franchisor reserves the right to periodically, shall Franchisor choose to do so, change and update, in its Franchise Manual, or otherwise in writing, the payment method Franchisor uses for remittance of Franchise Commissions to Franchisee.

(5) After deduction of all items (see 4.B.(4)), Franchisor shall remit any remainder of the Franchise Commissions to Franchisee. If after all deductions from the Franchise Commission there remains a negative balance, then the negative balance will be carried forward to the next month, and if necessary, additional subsequent months, and the negative balance shall be deducted from Franchisee’s next months’ Franchise Commissions.

(6) Franchisor does not guaranty payment by the Retail Host, and Franchisor shall have no obligation to pay Franchisee its Franchise Commissions until Franchisor first receives remittance of Net Sales from the Retail Host. If from time to time, Franchisor chooses in its discretion to advance Franchisee Commissions to Franchisee prior to Franchisor’s receipt of Net Sales from the Retail Host, Franchisee agrees that such amounts shall become indebtedness of Franchisee to Franchisor and shall be carried forward by Franchisor as a negative balance owed by Franchisee. Any negative balance carried forward may be withheld from future Franchise Commissions otherwise due to Franchisee, but any negative balance shall constitute indebtedness of Franchisee due on demand by Franchisor at any time. Franchisor does not guaranty payment to any of Franchisee’s vendors or suppliers. Notwithstanding anything to the contrary, Franchisee shall not be entitled to any Gross Sales or Net Sales except in the amount of the Franchise Commissions after all deductions described in this Agreement.

(7) Franchisor shall have the right to retain some, or all, of the additional Net Sales generated as a result of a Negotiated Retail Price Increase. Franchisor shall notify Franchisee what percentage of the additional Net Sales generated, as a result of the Negotiated Retail Price Increase, Franchisor shall retain.

(8) If the Service Commissions payable to a Retail Host increase, Franchisor shall be entitled, upon written notice to Franchisee, to reduce Franchisee’s Franchise Commission, to reflect that increase in money retained by the Retail Host.

C. In addition, Franchisee shall pay to Franchisor the following fees and costs:

(1) a contribution to the Brand Fund (the “Brand Fund Contribution”) equal to up to two percent (2%) of Franchisee’s Net Sales, to be due and payable each week in the same manner as Franchisee pays Franchisor other fees;

- (2) An initial lease fee (“Initial Lease Fee”) of \$1,500 per Hissho Label System;

(15) A non-compliance fee (“Non-Compliance Fee”) in the amount of \$500 for each incident in which Franchisee shall be in non-compliance of any of its requirements under the Franchise Manual or this Agreement, which requirements and amounts may be modified by posting in the Franchise Manual. (22) An early termination fee (“Early Termination Fee”) in the amount of \$4,000 for each Food Retail Unit that Franchisee abandons or refuses to operate prior to the end of the term without Franchisor’s approval, or for which the Agreement is terminated prior to the end of the term, plus travel expenses, labor and employee cost of Franchisor to operate the Food Retail Unit prior to the expiration of the term of Franchisee’s Agreement, and for removal of food products and payment of unpaid expenses and invoices, and other expenses Franchisor incurs to operate the Food Retail Unit, all of which may be modified by posting in the Franchise Manual;

These amounts may be modified by posting in the Franchise Manual;

(24) A transfer fee (“Transfer Fee”) of \$1,500 for each Food Retail Unit for which Franchisee seeks to transfer, alone or together, with other previous, simultaneous, or proposed transfers, that would have the effect of transferring a controlling interest in Franchisee, the Franchised Business, or Franchise Agreement to another entity or person; or for which a Franchise owner, or a shareholder or member of Franchisee seeks to transfer a controlling interest of Franchisee to another person, all of which requirements and amounts may be modified by posting in the Franchise Manual. Notwithstanding the payment of this fee, Franchisor retains the sole discretion to consent, or refuse consent, to any transfer of any interest. In no event may fewer than all Food Retail Units owned or under control of Franchisee be transferred, and in no event may transfer be permitted when all

Food Retail Units have been operated by Franchisee for less than one (1) year;

(25) If Franchisee fails to obtain the required insurance coverages as provided in this Agreement and in the Franchise Manual, Franchisor may at its option, purchase the insurance for Franchisee. If Franchisor purchases the insurance for Franchisee, Franchisee shall pay an insurance service fee (“Insurance Service Fee”) for each occasion Franchisor acquires insurance, plus the cost to Franchisor to obtain the insurance. The Insurance Service Fee shall be \$100 for the time period for which Franchisor makes insurance payments on Franchisee’s behalf for each Food Retail Unit for which Franchisor acquires insurance, the requirements and amounts of which may be modified by posting in the Franchise Manual;

(28) A convenience fee (“Convenience Fee”) equal to \$100 per license, plus the amounts charged by the applicable governmental body if the Franchisor pays for, or assists with any inspection, permit, or license sought and/or obtained in connection with the operation of Franchisee’s Food Retail Unit.

D. Any of the fees or other amounts owed by Franchisee, including all items set forth in Paragraph 4 of this Agreement, may be deducted directly from Franchisee’s Franchise Commission arising from any of Franchisee’s Food Retail Units, and all such amounts shall be retained by Franchisor. The requirements and amounts of all fees described in Paragraph 4 of this Agreement may be changed by Franchisor by posting in the Franchise Manual.

E. Notwithstanding anything in this Agreement to the contrary, Franchisor shall have no obligation to remit any sales proceeds from the Food Retail Unit until the Retail Host has first remitted proceeds to Franchisor, and Franchisor has deducted any amounts owed by Franchisee to Franchisor and to Franchisor’s affiliated suppliers as provided above in this Paragraph.

F. Any other payments required to be made by Franchisee to Franchisor or to Franchisor’s affiliated suppliers that are not withheld or retained by Franchisor, are due upon demand. Franchisor reserves the right to require that all monthly payments required by this Paragraph 4 be directly drafted by Franchisor from Franchisee’s bank account. Any payment or report not actually received by Franchisor on or before the date due shall be deemed overdue. If any payment is overdue, Franchisee shall pay Franchisor, in addition to the overdue amount, interest on such amount from the date it was due until paid at the equivalent of eight percent (8%) annually or the maximum rate permitted by law, whichever is less. Entitlement to such interest shall be in addition to any other remedies Franchisor may have.

G. Franchisee authorizes Franchisor at all times: (i) to permit the Retail Host to withhold its Service Commission from Gross Sales of the Food Retail Unit, which Franchisee acknowledges may fluctuate; (ii) to withhold from Franchise Commissions any and all amounts financed by Franchisor or its affiliate suppliers for equipment, food, supplies or any other items, plus any fees and obligations Franchisee shall owe Franchisor including but not limited to all those listed in this Paragraph 4; and, (iii) to withhold and pay from Franchise Commissions any of Franchisor’s affiliated vendors for Franchisee’s purchase of food, equipment, supplies and services. Franchisee agrees that this authorization is irrevocable during the term of this Agreement and during any

time after expiration or termination of this Agreement in which Gross Sales or Net Sales have been generated and Franchise Commissions remain unpaid to Franchisee. Franchisee agrees that any purchases made from Lwin Family Co, a supplier and affiliated company of Franchisor, including any successors or assigns of Lwin Family Co., as an affiliated supplier of Franchisor, may be deducted from Franchise Commissions and paid directly to Lwin Family Co or other affiliated supplier by Franchisor.

H. Franchisee acknowledges and agrees that any negative balance resulting from the deduction of authorized amounts described in this Paragraph 4 from Franchise Commissions, may be carried forward and deducted from successive months' Franchise Commissions, until all amounts owed Franchisor and its affiliated suppliers, including Lwin Family Co, LLC, are fully paid. Franchisee shall pay any of its other suppliers directly and promptly from its own funds, and Franchisor shall have no responsibility or requirement to pay any other supplier.

I. Franchisee further acknowledges and agrees that it is entitled to receive only Franchise Commissions as specified in the Attachment "A" and any amendment to Attachment "A" to this Agreement less all fees, costs and expenses described in this Paragraph 4; and that all other remaining proceeds from Net Sales, if any, shall be retained by Franchisor. Franchisee further acknowledges that Franchisor may, upon thirty (30) days written notice to Franchisee, modify the Franchise Commissions.

5. SITE SELECTION AND CONTROL

A. The Franchised Business may either be located at a site that Franchisor selects or at a site that Franchisee proposes for Franchisor's prior written approval. With respect to sites that Franchisee proposes, Franchisee must submit the forms that Franchisor designates in the manner that Franchisor designates from time to time, and may only submit a proposed site to Franchisor after Franchisee has carefully evaluated the site, and determined that it meets the criteria for Food Retail Unit sites which Franchisor has communicated to Franchisee. Franchisor shall review the application for site approval; and within thirty (30) days of Franchisor's receipt of the application, Franchisor shall approve the proposed site or reject the site with comments as to why it was rejected.

B. If Franchisor or Franchisor's affiliate controls the agreed upon location of the Franchised Business under the terms of an agreement with a Retail Host or otherwise, Franchisee will have the right to occupy the location under this Agreement for the purpose of operating the Food Retail Unit. Franchisee agrees to strictly comply with all rules, policies, regulations and directives of the Retail Host and Franchisor with respect to Retail Host locations, which may vary from location to location, including those of the Retail Host relating to (i) maximum, minimum and other pricing requirements (as allowed by applicable law) with respect to the prices Franchisee may charge for products and services and (ii) any minimum sales/performance requirements with respect to the Food Retail Unit. Franchisor has no right to, and will not, establish maximum, minimum or other requirements with respect to the prices Franchisee may charge for products and services. If Franchisor's right to the location expires or is terminated for any reason, then Franchisee's right to possess and operate the franchised Food Retail Unit shall be terminated; and in such an event, Franchisor shall have no further obligation or liability to Franchisee, including the obligation to find a replacement location for Franchisee, and Franchisee shall not be entitled to compensation for loss of the Food Retail Unit.

C. If Franchisor or Franchisor's affiliate does not control the agreed upon location of the Franchised Business under the terms of an agreement with a Retail Host or otherwise, Franchisee shall within thirty (30) days after Franchisor's approval of a site, if the site is to be obtained by lease or agreement, provide Franchisor with a copy of the proposed lease or other agreement. Within twenty (20) days thereafter, Franchisor shall send notice of approval or notice of rejection with comments. Franchisor's approval may be conditioned upon the lease or other agreement being in a form satisfactory to Franchisor and containing certain prescribed terms (including, without limitation, provisions for quiet enjoyment and a provision requiring that Franchisee assign the lease or other agreement to Franchisor at Franchisor's option upon termination or expiration of this Agreement). Franchisee shall, as promptly as possible after receipt of approval, complete acquisition of the site.

D. Franchisee shall obtain, at its cost, the necessary permits required to prepare the Food Retail Unit and shall meet all other applicable requirements established by local statute, local ordinance or otherwise. Promptly after approval by Franchisor of Franchisee's final plans and specifications, Franchisee shall complete construction of the Food Retail Unit and open for business within the time period prescribed in Paragraph 7.B of this Agreement.

6. FRANCHISEE ORGANIZATION AND CAPITAL STRUCTURE

A. Franchisor does not permit individuals to enter into franchise agreements. Franchisee must, therefore, operate the Franchised Business, and sign this Agreement, as a corporation, partnership, or limited liability company composed solely of shareholders, members, or partners who are individuals and not corporations, limited liability companies or any other legal entities, and shall comply with the following requirements:

(1) Franchisee shall be organized and validly existing in good standing under the laws of the state of its incorporation or organization;

(2) Franchisee shall be qualified to do business in all states in which its business activities or the nature of the properties owned by it requires such qualification;

(3) Franchisee's Articles of Incorporation or Charter, or if Franchisee is a limited liability company, Franchisee's Articles of Organization and Operating Agreement shall at all times provide that Franchisee was organized and has authority only to develop, own and operate Food Retail Units; and that Franchisee shall not engage or invest in any business other than development, ownership and operation of Food Retail Units;

(4) If Franchisee is a corporation, copies of Franchisee's Articles of Incorporation or Charter, Bylaws, and other governing documents, and any amendments thereto, including the resolution of the Board of Directors authorizing entry into this Agreement, shall be furnished to Franchisor on or before execution of this Agreement; If Franchisee is a limited liability company, copies of Franchisee's Articles of Organization, Operating Agreement, and other governing documents, and any amendments thereto, including the Consent of all limited liability company members authorizing entry into this Agreement, shall be furnished to Franchisor on or before execution of this Agreement;

(5) Franchisee shall maintain a current list of all owners of record, including all members if Franchisee is a limited liability company, and all beneficial owners of any class of securities of Franchisee and shall furnish the list to Franchisor at such time as Franchisor may request; and,

(6) Each of Franchisee's owners during the Initial Term (as defined in Paragraph 2.A above) and the Renewal Term (as defined in Paragraph 2.B above) will execute a guaranty in the form attached to this Agreement as Attachment "B" in their individual capacities undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between Franchisee and Franchisor. Depending on the creditworthiness of the owners and the community property laws of the states in which they reside, Franchisor may require that the spouse of each owner sign a guaranty.

7. DUTIES OF FRANCHISEE

A. Franchisee understands and acknowledges that every detail of the Franchised Business is important to Franchisee, Franchisor, Retail Hosts, and other franchisees of Franchisor, in order to develop and maintain high operating standards, to increase the demand for the services and products sold by all franchisees, and to protect Franchisor's reputation and goodwill.

B. If the Food Retail Unit is already operating, then Franchisee shall commence operating the Food Retail Unit as of the date of this Agreement. If the Food Retail Unit is not already operating, Franchisee shall prepare and open the Food Retail Unit within 60 days of the execution of this Agreement. Time is of the essence. Prior to opening for business, Franchisee shall comply with all pre-opening requirements set forth in this Agreement and in the Franchise Manual.

C. Franchisee shall designate an individual to serve as the "Operating Principal" of Franchisee, subject to the following conditions:

(1) The Operating Principal shall devote full-time and best efforts to the supervision and conduct of the Franchised Business, and any other Food Retail Units, which may be operated by Franchisee;

(2) If the Operating Principal is unable, or elects not, to continue to meet his obligations hereunder, or if, in Franchisee's sole discretion, the Operating Principal no longer qualifies to act as such, Franchisee shall promptly designate another Operating Principal, subject to the same conditions and qualifications listed above; and

(3) The Operating Principal shall successfully complete the initial training required by Franchisor, and other additional training as Franchisor may require.

D. Franchisee agrees that it is important to the operation of the System and the Food Retail Unit, that Franchisee's Operating Principal and other equity owners, receive such training as Franchisor may require, and to that end agrees as follows:

(1) Initial Training Program. Prior to the opening of the Food Retail Unit, Franchisee's Operating Principal and each equity owner shareholder or member of the Franchisee, shall attend and complete, to Franchisor's satisfaction, the Initial Training Program offered by Franchisor. Franchisee shall pay Initial Training Fees of \$2,000 per person payable prior to training. There may be a separate Initial Training Program provided and required for Sushi Bars and Asian Food Bars, along with separate Initial Training Fees of \$2,000 per person for each. The current Initial Training Fees charged by Franchisor may be modified by Franchisor when posted in the Franchise Manual. Franchisee and its attendees shall be responsible for any and all expenses incurred by them in connection with the Initial Training Program, including, without limitation, the cost of transportation, lodging, meals, and wages.

(2) Sushi Chef Training. If the Operating Principal or any equity owner does not have sufficient sushi chef experience, we may, in our discretion, require they take additional sushi chef training for 10 to 20 days at a location we designate before opening their Food Retail Unit. The Sushi Chef Training Fee is an additional \$2,000 per person, plus the cost of transportation/travel, food, and lodging. The current Sushi Chef Training Fee charged by Franchisor for the sushi chef training may be modified by Franchisor when posted in the Franchise Manual. Franchisee and its attendees shall be responsible for any and all expenses incurred by them in connection with the sushi chef training, including, without limitation, the cost of transportation, lodging, meals, and wages.

(3) ServSafe® Food Protection Manager Certification. Prior to attending the Initial Training Program, Franchisee or Franchisee's Operating Principal must attend, receive, and hold a current ServSafe® Food Protection Manager Certification accredited by the American National Accreditation Board (ANAB) from either the National Restaurant Association, or any third-party recommended on the ServSafe® website (but Franchisor may provide this training in the future), in addition to any safe food handling courses that may be required by the local municipality in which the Food Retail Unit is located. Each Full Service Sushi Bar and Asian Food Bar is required to have at least one certified ServSafe® Food Protection Manager on duty at all times. Franchisee's ServSafe® Food Protection Manager certificate must be submitted to Franchisor for review before Franchisee or Franchisee's Operating Principal attends the Initial Training Program.

(4) Each subsequent Operating Principal and other equity owners shall attend and complete, to Franchisor's satisfaction, such training programs as Franchisor may require. Failure of Franchisee's Operating Principal and Franchisee's equity owners to satisfactorily complete the applicable training programs may result in termination of this Agreement. Training requirements and costs may be changed by posting in the Franchise Manual. Franchisee and its attendees shall be responsible for any and all expenses incurred by them in connection with all such training programs, including, without limitation, the cost of transportation, lodging, meals, and wages.

(5) At Franchisee's expense, the Operating Principal and Franchisee's other equity owners shall also attend and complete, to Franchisor's satisfaction, such courses, seminars, and other training programs as Franchisor may require from time to time. Franchisee shall pay to Franchisor, for the Operating Principal and each equity owner, the training fees then charged by Franchisor and posted in the Franchise Manual for such courses, seminars and other training programs, and training requirements and costs may be changed by posting in the Franchise Manual. If any such training fee is imposed by Franchisor, the training fee shall be in addition to any other expenses incurred by the Operating Principal and equity owners in connection with such courses, seminars and other training programs, including, without limitation, the cost of transportation, lodging, meals, and wages, for which Franchisee shall be responsible. If the Operating Principal or any equity owner does not attend a required training session, then Franchisee shall pay to Franchisor a payment of \$250 per training day not attended, which requirements and amounts may be changed by posting in the Franchise Manual.

(6) Remedial Default Training. If Franchisor has notified Franchisee of a default of operating procedures or requirements under the Franchise Agreement, the Franchise Manual, or SSOP/HACCP Food Safety Plan, Franchisor may require Franchisee's Operating Principal and other equity owners to take a one or two day remedial default training. The fee charged for this remedial default training is \$500 per day plus the cost of travel, food and lodging of Franchisor's representative. This fee is charged for each daily training session required by Franchisor and not on a per person basis and may be changed by posting in the Franchise Manual.

E. Franchisee shall use the Food Retail Unit premises solely for the operation of the Franchised Business; shall keep the Franchised Business open and in normal operation for such minimum hours and days as Franchisor and/or the Retail Host may from time to time specify or as Franchisor and the Retail Host may otherwise approve in writing; and shall refrain from using or permitting the use of the premises for any other purpose or activity at any time without first obtaining the written consent of Franchisor, all in compliance with the requirements of the Retail Host.

F. Franchisee shall maintain a competent, conscientious, trained staff at the Food Retail Unit at all times, in sufficient numbers so as to operate the Food Retail Unit efficiently and effectively. Franchisee shall take such steps as are necessary to ensure that its employees preserve good customer relations, wear uniforms, or designated clothes of such color, design and other specifications as Franchisor may designate from time to time, present a neat and clean appearance, and render competent and courteous service to customers of the Food Retail Unit.

G. Franchisee shall meet and maintain the highest health standards and ratings applicable to the operation of the Food Retail Unit; and shall comply with every aspect of federal, state and local law and regulation.

H. To insure that the highest degree of quality, cleanliness, appearance, and service is maintained, Franchisee shall operate the Food Retail Unit in strict conformity with such methods, standards, and specifications as Franchisor may, from time to time, prescribe in the Franchise Manual and Franchisor's Sanitation Standard Operating Procedures/Hazard Analysis Critical Control Points SSOP/HACCP) Food Safety Plan, and otherwise as Franchisor specifies. Franchisee agrees:

(I) To operate the Food Retail Unit in a clean, wholesome manner in compliance with Franchisor's prescribed standards of quality, cleanliness, appearance and service;

(2) To maintain in sufficient supply, and to use at all times, only such ingredients, products, materials, supplies, and goods as conform with Franchisor's standards and specifications, and to refrain from deviating therefrom by the use or offer of nonconforming items, without Franchisor's prior written consent;

(3) To sell, or offer for sale, only those specific food items, condiments, products, and services Franchisee chooses from Franchisor's pre-approved lists of such items; to sell or offer for sale chef specials and location favorites using Franchisee's own recipes, as long as they follow Franchisor's pre-approved standard ratios and ingredients; to refrain from any deviation from Franchisor's standards and specifications without Franchisor's prior written consent; and to discontinue selling and offering for sale any food items, condiments, products, or services which Franchisor may, in its discretion, disapprove in writing at any time;

(4) To employ only those methods of food handling and preparation as Franchisor may specify in the Franchise Manual, the SSOP/HACCP Food Safety Plan, or otherwise designate from time to time;

(5) To permit Franchisor or its agents, at any reasonable time, to remove samples of food or non-food items from Franchisee's inventory, or from the Food Retail Unit, without payment therefore, in amounts reasonably necessary for testing by Franchisor or an independent laboratory to determine whether said samples meet Franchisor's then current standards and specifications. In addition to any other remedies it may have under this Agreement, Franchisee shall pay Franchisor \$500 for the cost of such testing; and

(6) To purchase and install, at Franchisee's expense, all fixtures, furnishings, equipment, decor, and signs as Franchisor may reasonably direct from time to time in the Franchise Manual or otherwise in writing; and to refrain from installing or permitting to be installed on or about the Food Retail Unit premises, without Franchisor's prior written consent, any fixtures, furnishings, equipment, decor, signs, or other items not previously approved as meeting Franchisor's standards and specifications, all consistent with the requirements of the Retail Host.

I. Franchisee shall comply with all requirements of federal, state, and local laws, rules, and regulations. With respect to immigration laws specifically:

(1) Franchisee must be authorized to work in the United States within the meaning of all immigration laws, regulations, rules, orders, and codes, including, without limitation, the Immigration Reform and Control Act of 1986 ("INA") as amended, and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 ("IIRIRA"), as amended, and all successor statutes, laws, regulations, rules thereto (collectively, the "Immigration Laws"). Accordingly, Franchisee is prohibited from undertaking any productive employment in connection with the Franchise if Franchisee does not possess proper work authorization in connection with these activities.

(2) Franchisee is mandated to follow the INA and all applicable laws and regulations to only hire individuals for employment who are authorized to work in the United States. To that end, Franchisee will not in any way violate any Immigration Laws; and will require all employees to complete Form I-9 within the mandated time period.

(3) Franchisee will review the provisions of USCIS's E-Verify program and enroll into the E-Verify program by executing the E-Verify Memorandum of Understanding ("MOU"), utilizing the program in line with its requirements and in conjunction with the timely preparation and proper maintenance of Forms I-9. While E-Verify is mandatory in a number of states for some employers, Franchisee will enroll in E-Verify notwithstanding state requirements and utilize the program continuously and in line with the program requirements and E-Verify MOU.

(4) While undertaking recruitment and continuing employment of any employees, Franchisee will comply with all applicable Immigration Laws which prohibit discrimination based on citizenship and national origin.

J. Franchisor may designate one supplier or vendor, which may be Franchisor or one of its affiliates, for any products (including food items, ingredients, equipment, furnishings, supplies, materials, and other items) or services at any time upon written notice to Franchisee. Once designated, Franchisee will be required to utilize that supplier or vendor exclusively for the applicable products or services.

K. If Franchisor hasn't designated a supplier or vendor for a particular product or service to be used or offered for sale at the Food Retail Unit, Franchisee must purchase the product or service solely from suppliers including manufacturers, distributors and other sources who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's then-current standards and specifications for such items; who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; and who have been approved in writing by Franchisor and not thereafter disapproved. If Franchisee desires to purchase any products from an unapproved supplier, Franchisee shall submit to Franchisor a written request for such approval, or shall request the supplier itself to do so, and Franchisor, in its sole discretion, shall determine whether such supplier shall be approved. Franchisor shall have the right to require that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered to Franchisor or to an independent laboratory designated by Franchisor for testing. A charge in the amount of Five Hundred Dollars (\$500) per requested product, shall be paid by Franchisee to Franchisor for any request submitted to Franchisor to consider a new product for sale or a new vendor whether for new or existing products, plus Franchisor's out of pocket expenses including the costs of testing and travel, including as necessary the cost of visiting international facilities and supply chain locations for items imported into the United States. Franchisor reserves the right, at its option, to re-inspect the facilities and products of any such approved supplier and to revoke its approval upon the supplier's failure to continue to meet any of Franchisor's then current criteria. Notwithstanding any other provisions of this Agreement, for purposes of making certain the customer experience is uniform, safe and of high quality, Franchisee agrees it shall purchase sushi fish and related products only from sources designated by Franchisor.

L. Franchisee shall require all advertising and promotional materials, signs, decorations, paper goods, packaging materials, including disposable food containers, napkins, and menus), condiments, utensils and all forms and stationery used in the Franchised Business, and other items which may be designated by Franchisor to bear the Proprietary Marks in the form, color, location, and manner prescribed by Franchisor.

M. Franchisee shall maintain the Food Retail Unit in a high degree of sanitation, repair, and condition, and in connection therewith shall make such additions, alterations, repairs, and replacements thereto but, if of a substantial nature, not without Franchisor's prior written consent as may be required for that purpose, including, without limitation, such periodic repainting or replacement of signs, furnishings, equipment, and decor in the manner and at the times which Franchisor may reasonably direct.

N. Franchisee shall, where applicable, keep the floor within the Food Retail Unit area, any immediately surrounding area and preparation area clean, dry and free of debris.

O. Franchisee shall grant Franchisor, and its agents, the right to enter without advance notice or consent, upon the Food Retail Unit premises at any time for the purpose of conducting inspections; shall cooperate with Franchisor's representatives in such inspections by rendering such assistance as they may reasonably request; and, upon notice from Franchisor or its agents and without limiting Franchisor's other rights under this Agreement, shall take such steps as may be necessary to correct immediately any deficiencies detected during any such inspection.

Should Franchisee, for any reason, fail to correct such deficiencies within a reasonable time as determined by Franchisor, Franchisor shall have the right and authority without, however, any obligation to do so to correct such

deficiencies and to charge Franchisee a reasonable fee for Franchisor's expenses in so acting, payable by Franchisee immediately upon demand. The foregoing shall be in addition to such other remedies as Franchisor may have.

P. Franchisee's Assigned Hissho Email Address. Franchisor will provide an email address to Franchisee using "@hisshofranchisee.com" for Franchisee to use in the operation of the Franchised Business. Franchisee agrees to utilize the email address provided by Franchisor and review its content regularly for purposes of receiving updates, notice of postings to the Franchise Manual, or policy changes and other communications from Franchisor. All written memorandum related to the operations of Franchisee's Food Retail Units, whether delivered only by email, by first class mail, other forms of delivery or in person, shall be deemed part of the Franchise Manual. Franchisor owns the rights to all data and files received using any email address provided to Franchisee by Franchisor or using Franchisor's access to any computer network, to the extent that such rights are not superseded by applicable laws relating to intellectual property. Franchisor reserves the right to monitor electronic mail messages and their content. Electronic mail messages sent and received using Franchisor provided email addresses are not private and are subject to viewing, downloading, inspection, release, and archiving by Franchisor at all times. Franchisor has the right to inspect electronic messages in order to assure compliance with Franchisor policies and state and federal laws.

Q. Computer Equipment (hardware & software). For the typical Food Retail Unit, Franchisee is not required to buy an electronic cash register or a particular brand of computer system because sales are made through the Retail Host POS system. Franchisor does, however, require Franchisee to purchase Franchisor's Hissho Label System to print labels and conduct other functions, as Franchisor prescribes. Franchisee is also required to purchase, at Franchisee's sole expense and according to any specifications that Franchisor may require from time to time, a computer with basic capability to interact with the internet, receive and send emails using the Hissho email address "@hisshofranchisee.com" that Franchisor provides for Franchisee, and word processing and spread sheet capability, to submit orders and to receive monthly statements, but only for purposes of operating Franchisee's business generally. No specific type of data is necessary to be generated or stored in the computer system. To order supplies and food through the internet, Franchisor may require Franchisee to use a designated spreadsheet system, although Franchisor may also allow Franchisee to prepare these documents by hand and fax them. Franchisee is not required to purchase any maintenance or support contracts for its computer hardware and software, but it is recommended to ensure continued good use and working order of the computer hardware and software.

If Franchisee operates a Food Retail Unit outside of a Retail Host location, Franchisor does not require that Franchisee use an electronic cash register or Point-of-Sale System, but Franchisor will require Franchisee to adopt a reliable method to document the Gross Sales of Franchisee's Food Retail Unit. Franchisor will not have independent access to the information generated or stored in the computer system.

R. Franchisee shall comply with all other requirements set forth in this Agreement.

Franchisee shall cooperate fully with Franchisor in defending or settling such litigation.

C. Franchisee expressly understands and acknowledges that:

(1) Franchisor is the licensor of all right, title and interest in and to the Proprietary Marks and the goodwill associated with and symbolized by them;

(2) The Proprietary Marks are valid and serve to identify the System and those who are authorized to operate under the System;

(3) Franchisee shall not directly or indirectly contest the validity or Franchisor's ownership of the Proprietary Marks;

(4) Franchisee's use of the Proprietary Marks pursuant to this Agreement does not give Franchisee any ownership interest or other interest in or to the Proprietary Marks, except pursuant to the license granted by this Agreement;

(5) Any and all goodwill arising from Franchisee's use of the Proprietary Marks in its franchised operation under the System shall inure solely and exclusively to Franchisor's benefit and the owner of the Proprietary Marks, and upon expiration or termination of this Agreement and the license herein granted, no monetary amount shall be assigned to Franchisee as attributable to any goodwill associated with Franchisee's use of the System or the Proprietary Marks; and

(6) The right and license of the Proprietary Marks granted hereunder to Franchisee is nonexclusive, and Franchisor and the owner of the Proprietary Marks thus has and retains the rights, among others:

(a) To use the Proprietary Marks itself in connection with selling products and services;

(b) To grant other licenses for the Proprietary Marks, in addition to those licenses already granted to existing franchisees; and

(c) To develop and establish other systems using the same or similar Proprietary Marks, or any other marks, and to grant licenses or franchises thereto without providing any rights therein to Franchisee.

(7) Franchisor reserves the right to substitute different Proprietary Marks for use in identifying the System and the businesses operating thereunder.

D. Franchisee acknowledges that any failure to comply with the requirements of this Paragraph 8 will cause Franchisor irreparable injury, and Franchisee agrees to pay all costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of this Paragraph 8.

9. CONFIDENTIAL FRANCHISE MANUAL

In order to protect the reputation and goodwill of Franchisor, and to maintain high standards of operation under Franchisor's Proprietary Marks, Franchisee shall conduct its business in accordance with the Franchise Manual. Franchisee shall not at any time copy, duplicate, record, or otherwise reproduce the foregoing materials, in whole or in part, nor otherwise make the same available to any unauthorized person.

C. The Franchise Manual shall, at all times, remain the sole property of Franchisor, and it must be returned to Franchisor, upon expiration or termination of this Agreement.

D. Franchisor may, from time to time, revise the contents of the Franchise Manual, and the Franchisee

expressly agrees to comply with each new or changed standard.

E. Franchisee shall, at all times, maintain the Franchise Manual and ensure that the Franchise Manual is kept current and up-to-date; and, in the event of any dispute as to the contents of the Franchise Manual, the terms of the master copy of the Franchise Manual maintained by Franchisor at Franchisor's home office shall be controlling.

10. CONFIDENTIAL INFORMATION

A. Franchisee shall not, during the term of this Agreement or thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association, corporation or limited liability company any Confidential Information, knowledge, or know how concerning the methods of operation of the Franchised Business which may be communicated to Franchisee or of which Franchisee may be apprised by virtue of Franchisee's operation under the terms of this Agreement. Franchisee shall divulge such Confidential Information only to such of its employees as must have access to it in order to operate the Franchised Business and Franchisee shall take such precautions as Franchisor deems necessary to ensure that Franchisee's employees retain such information in confidence.

D. Franchisee shall adopt and implement reasonable procedures to prevent unauthorized use or disclosure of Confidential Information, including, without limitation, restricting its disclosure to personnel of the Franchised Business and others and using non-disclosure agreements with those having access to Confidential Information. Franchisor has the right to regulate the form of agreements that Franchisee uses and to be a third-party beneficiary of those agreements with independent enforcement rights. The current form of Nondisclosure Agreement is attached as Attachment “E”. Franchisee agrees to provide Franchisor copies of all executed Nondisclosure Agreements no later than ten (10) days following their execution.

11. ACCOUNTING AND RECORDS

A. Franchisee shall maintain during the term of this Agreement, and shall preserve for at least five (5) years from the dates of their preparation, full, complete, and accurate books, records, and accounts in accordance with generally accepted accounting principles and in the form and manner prescribed by Franchisor from time to time in the Franchise Manual or otherwise in writing.

B. Any amounts in the Brand Fund not spent during the fiscal year during which they were collected, may be used by Franchisor for other purposes on a short-term basis if that use does not impair the availability of those amounts for advertising purposes. An accounting of the use of Brand Fund Contributions collected from franchisees during each calendar year will be made available to Franchisee annually, within a reasonable period of time after Franchisee's request.

(3) Company-owned stores will also contribute to the Brand Fund on the same basis as franchisees. The Brand Fund Contributions paid by Franchisee, other franchisees, and company owned stores will be maintained in a single account. Franchisor reserves the right to set up a separately incorporated entity to administer the Brand Fund.

B. Franchisor may offer, from time to time, to provide, upon Franchisee's request and at Franchisee's expense, approved local advertising and promotional plans and materials. If Franchisor provides applicable materials, Franchisee may utilize such materials without additional written consent. Franchisee may not use other materials without Franchisor's written consent.

C. Local Marketing. All local advertising by Franchisee must be conducted in a professional manner, must conform to the standards and requirements in Franchisor's Franchise Manual, and must display Franchisor's Marks only in those forms approved by Franchisor. Franchisor may offer periodically to provide upon Franchisee's request and at Franchisee's expense, approved local advertising and promotional plans and materials to Franchisee to use as part of Franchisee's local marketing program. The purpose of the local marketing program is to increase patronage of the Food Retail Unit by consumers. If Franchisee does not receive Franchisor's written approval within 15 days from the date of receipt by Franchisor of such materials, Franchisor will be deemed to have rejected the proposed advertising. Franchisor may make available to Franchisee, from time to time, approved advertising, promotional plans and materials for purchase. Franchisee is not obligated to accept or purchase any such advertising, promotional plans, and materials offered to Franchisee by Franchisor. Franchisee shall not use any advertising or promotional plans and materials that have not received Franchisor's prior written approval.

D. There is currently no advertising council composed of franchisees but Franchisor reserves the right to establish a council at a later date and to require Franchisee to comply with any obligations associated with such a council.

Franchisee must participate in any and all national advertising, marketing, and charitable promotions ("Promotions"), as Franchisor designates and approves, in its sole discretion, and Franchisee will not have the right to decline participation in any Promotions without Franchisor's prior consent.

F. Franchisee may not maintain a website, or otherwise maintain a presence, or advertise on the Internet, or any other public computer network in connection with Franchisee's Food Retail Unit without Franchisor's prior written approval.

G. Franchisor encourages its franchisees to voluntarily form and operate cooperative advertising programs for Food Retail Units (each a “Cooperative”). Although there are not currently any regional or national Cooperatives, Franchisor may, in its sole discretion, in the future form, develop and coordinate Cooperatives. Membership of the Cooperatives will include Food Retail Units managed and/or owned by Franchisor and its affiliates. Each member of the Cooperatives, including Food Retail Units managed and/or operated by Franchisor or its affiliates, will have one vote. Franchisor reserves the right at any time, in its sole discretion, to form, change, dissolve, or merge Cooperatives and Franchisee will be obligated to contribute to the Cooperative in an amount established and approved by the Cooperative that will be in addition to Franchisee’s other required marketing expenditures.

The foregoing remedies shall be in addition to any other remedies Franchisor may have.

Any such proposed transfer shall be subject, where applicable, to Franchisor's option to purchase set forth in Paragraph 14.C herein. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor required by this Paragraph 14.B(2), or any attempted or purported transfer of fewer than all Food Retail Units under this Agreement, shall be null and void and shall constitute a material breach of this Agreement, for which Franchisor may then terminate without opportunity to cure pursuant to Paragraph 15.B of this Agreement.

(h) Franchisee shall remain liable for all of its obligations to Franchisor in connection with the Franchised Business prior to the effective date of the transfer, and shall execute any and all instruments reasonably requested by Franchisor to evidence such liability;

(i) At the transferee's expense, transferee's Operating Principal and other equity owners, if applicable, shall complete any training and certification programs then in effect for franchisees upon such terms and conditions as Franchisor may reasonably require; and

(j) Franchisee shall pay to Franchisor a transfer fee of one thousand five hundred dollars \$1,500 for each transferred Food Retail Unit for which Franchisee requests the right to transfer, and any other transfer fees required by Paragraph 4.C., plus Franchisor's legal expenses related to review and administration of the transfer including Franchisor's cost of travel, lodging and meals;

(4) Franchisee shall grant no security interest in this Agreement or in the Franchised Business other than a pledge of assets to secure a bona fide loan made or credit extended in connection with acquisition of the assets pledged unless the secured party agrees that in the event of any default by Franchisee under any documents related to the security interest, Franchisor shall have the right and option to purchase the rights of the secured party upon payment of all sums then due to such secured party.

C. Franchisor shall have the option to purchase any interest in the Food Retail Unit or this Agreement as follows:

(1) Any party holding any direct or indirect interest in the Food Retail Unit, in this Agreement or in Franchisee who desires to accept any bona fide offer from a third party to purchase such interest, if a transfer of that interest alone or together with other previous, simultaneous or proposed transfers would have the effect of transferring a controlling interest in the Food Retail Unit, in this Agreement, or in Franchisee, shall provide Franchisor with all of the terms of the proposed transfer in writing at least sixty (60) days prior to the proposed date of transfer. Franchisor shall have the right and option, exercisable within sixty (60) days after receipt of such written notification, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party, net of any finders or brokers' fees which any third party would be obligated to pay. In the event that Franchisor elects to purchase the seller's interest, closing on such purchase must occur within sixty (60) days from the date of notice to the seller of the election to purchase by Franchisor. If Franchisor does not exercise its option to purchase, Franchisee or shareholders or members of

Franchisee, as applicable, may proceed to consummate a transfer to a third party if they have complied with the conditions of this Paragraph 14. If Franchisor did not exercise its option to purchase, any material change in the terms of the third party's offer prior to closing shall constitute a new offer subject to the same option to purchase by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Paragraph 14.C shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Paragraph 14 with respect to a proposed transfer.

(2) In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor is not in a position to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest proposed to be sold for the reasonable equivalent in cash.

D. Upon the death or mental incapacity of any person with a controlling, direct or indirect interest in this Agreement or in Franchisee or the Franchised Business, Franchisor may take possession of the Food Retail Units and operate it for its own account. Upon taking possession of the Food Retail Units Franchisor shall give credits to Franchisee's account against any amounts owed in the amount of fifty percent (50%) of Franchisee's original cost of acquisition of equipment acquired from Franchisor and one hundred percent (100%) of Franchisee's cost for any unopened, usable food utilized by Franchisor.

E. Franchisor's consent to a transfer of any interest in Franchisee, rights to operate the Food Retail Unit, interest in this Agreement or any license or Franchise rights granted hereunder shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferee.

F. Franchisee acknowledges that any failure to comply with the requirements of this Paragraph 14 will cause Franchisor irreparable injury, for which no adequate remedy at law may be available, and Franchisee agrees to pay all costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of this Paragraph 14.

15. DEFAULT AND TERMINATION

A. Franchisee shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; or if a petition in bankruptcy is filed by Franchisee or such a petition is filed against Franchisee and not opposed by Franchisee; or if Franchisee is adjudicated a bankrupt or insolvent; or if a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee; or if a receiver or other custodian permanent or temporary of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under any state or federal law should be instituted by or against Franchisee.

B. Upon occurrence of any of the following events, Franchisee shall be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon receipt of notice by Franchisee, and may take immediate possession of the Food Retail Units together with all equipment and inventory:

(1) If Franchisee fails to immediately operate the Franchised Business if it is a currently operating Food Retail Unit, or if Franchisee shall fail to open upon Franchisor's designated opening date if the Food Retail Unit is not yet operating;

(2) If Franchisee or any shareholder or member of Franchisee is convicted of a felony, a crime involving moral turpitude, or any other crime or offense that is reasonably likely, in the sole opinion of Franchisor, adversely to affect the System, the Proprietary Marks, the goodwill associated therewith, or

Franchisor's interest therein;

(3) If Franchisee or any shareholder or member of Franchisee purports to transfer any interest in this Agreement, any rights hereunder, including but not limited to any rights to operate the Food Retail Units, Franchise and license rights or obligations under this Agreement or any interest in Franchisee to any third party without Franchisor's prior written consent, contrary to the terms of Paragraph 14 of this Agreement; or if Franchisor purports to transfer or attempt to transfer fewer than all Food Retail Units under this Franchise Agreement;

(4) If, contrary to the terms of Paragraph 9 or 10 hereof, Franchisee discloses or divulges the contents of the Franchise Manual or other Confidential Information provided to Franchisee by Franchisor;

(5) If Franchisee knowingly maintains false books or records, or knowingly submits any false reports to Franchisor;

(6) If Franchisee, or any shareholder or member of Franchisee, violates Paragraph 8 hereof by making any unauthorized use of any name, trademark, service mark, or other Proprietary Mark or Trade Dress of Franchisor;

(7) If Franchisee shall cause, suffer, or permit voluntarily or involuntarily its right to or possession of the premises on which the Food Retail Unit is located to be terminated prematurely for any cause whatsoever; or if Franchisee shall fail to follow any policy, rule, regulation or directive of the Retail Host; be in material default under the lease for the premises on which the Food Retail Unit is located;

(8) If Franchisee ceases to operate or otherwise abandons, fails to open the Food Retail Unit during ordinary business hours, or attempts to cease to operate or abandon, the Food Retail Unit, or enters into an agreement to sell, or sells, or purports or attempts to sell rights to the Food Retail Unit, or substantially all right in and to the Food Retail Unit or substantially all of the assets of Franchisee or of the Food Retail Unit, without Franchisor's prior written consent;

(9) If any other Franchise Agreement with Franchisor is terminated based upon Franchisee's default thereunder, or if Franchisee is in default under any other contract with Franchisor or other affiliate(s) of Franchisor;

(10) If Franchisee, after curing a default pursuant to Paragraph 15.C, commits the same, or a substantially similar, default again within one hundred eighty 180 days after the prior default occurred, whether or not cured after notice;

(11) If Franchisee repeatedly is in default under Paragraph 15.C for failure to comply with any of the requirements imposed by this Agreement, whether or not cured after notice;

(12) If for any reason Franchisor's right of possession or right to operate the Food Retail Unit expires or is terminated and Franchisor loses the right to retain the location in which the Franchised Business operates;

(13) If Franchisee engages in any practice that in Franchisor's discretion threatens the health of any of Franchisee's customers;

(14) If Franchisee shall operate in violation of any food safety regulation or requirement, including those required by Franchisor in Franchisor's sole discretion. With respect to a default and termination on the basis of this paragraph 15.B(14), notice may be given verbally by telephone, in person, text message, fax or as provided otherwise in this Agreement;

(15) If Franchisee denies Franchisor or its designee the right to inspect the Food Retail Unit at any time;

(16) If Franchisee fails to comply with the in term covenants in Paragraph 17.A hereof or employs, or seeks to employ, any person who at the time is employed by Franchisor or any of its affiliates or by any HISSHO Sushi, ŌUMI Sushi, or SUSHI WITH GUSTO franchisee, or otherwise induces, directly or indirectly, any such person to leave such employment;

(17) If a final judgment against Franchisee remains unsatisfied or of record for thirty 30 days or longer unless an appeal is filed and *supersedeas* bond obtained);

(18) If Franchisee is dissolved, execution is levied against Franchisee's business or property, suit to foreclose any lien or mortgage against the Franchised Business or equipment situated therein is instituted against Franchisee and not dismissed or bonded off within sixty 60 days, or the real or personal property of the Franchised Business is sold after levy thereupon by any sheriff, marshal or constable; or

(19) If Franchisee purchases ingredients used to produce food products from an unapproved source and has been assessed a Non Compliance Fee for such a deviation on at least one 1 prior occasion, or if Franchisee's food inventory order to Franchisor or its affiliate is less than ninety percent (90%) of the total amount reasonably required to meet the Food Retail Unit's production needs and Franchisee has been assessed the Ordering Non Compliance Fee on two 2 or more prior occasions.

C. Except as otherwise provided in Paragraphs 15.A and 15.B of this Agreement, Franchisee shall have fifteen (15) days after its receipt from Franchisor of a written notice of default within which to remedy any default hereunder and to provide evidence thereof to Franchisor. If any such default is not cured within that time, or such longer period as applicable law may require, Franchisor may terminate this Agreement, effective immediately upon Franchisee's receipt of notice from Franchisor after the expiration of the fifteen (15) day period or such longer period as applicable law may require. Franchisee shall be in default hereunder for any failure to comply with any of the requirements imposed by this Agreement, including any matter enumerated in this Paragraph 15.C, as it may from time to time reasonably be supplemented by the Franchise Manual, or to carry out the terms of this Agreement in good faith. Such defaults shall include, for example, but without limitation, the occurrence of any of the following events:

(1) If Franchisee fails, refuses, or neglects promptly to pay any monies owing to Franchisor or its parents, subsidiaries or affiliates when due, or to submit the financial or other information required by Franchisor under this Agreement;

(2) If Franchisee fails to pay or fails repeatedly to make prompt payment of undisputed amounts due to its suppliers, landlord, equipment lessors, or other third parties;

(3) If Franchisee fails to maintain the Food Retail Unit in a good, clean and wholesome manner, fails to maintain or observe any of the other standards or procedures prescribed by Franchisor in this Agreement, the Franchise Manual, or otherwise in writing;

(4) If Franchisee fails, refuses, or neglects to obtain Franchisor's prior written approval or consent as required by this Agreement; or

(5) If Franchisee engages in any business or markets any service or product under a name or mark which, in Franchisor's opinion, is confusingly similar to the Proprietary Marks or uses the Franchisor's Trade Dress other than in connection with the Food Retail Unit or uses any of Franchisor's products, procedures or methods in any other operation not authorized by Franchisor.

D. In order to maintain continuous operation of the Food Retail Unit and to promote the best interests of the System, in the event this Agreement is terminated, or if Franchisee shall at any time abandon any Food Retail Unit for any period of time, Franchisor shall have the right immediately upon termination to enter and take possession of and operate the Food Retail Unit. Upon taking possession of the Food Retail Units Franchisor shall give credits to Franchisee's account against any amounts owed in the amount of fifty percent (50%) of Franchisee's original cost of acquisition of equipment acquired from Franchisor and one hundred percent (100%) of Franchisee's cost for any unopened, usable food utilized by Franchisor.

E. Franchisor may terminate this Agreement if for any reason it or its affiliates shall lose the right to operate a Food Retail Unit in the Retail Host location under its agreements with the Retail Host. No guaranty or warranty is made by Franchisor that it shall have the ongoing right to operate any Food Retail Unit, and Franchisor shall have no obligation to compensate or reimburse any payments made to Franchisee, or to provide another franchised Food Retail Unit to replace a Food Retail Unit.

F. Upon termination of this Agreement, Franchisee shall not remove any furniture, fixtures, signs, equipment or other property or leasehold improvements from the Food Retail Unit premises without the written consent of Franchisor.

G. Upon termination of this Agreement, or abandonment of any Food Retail Unit by Franchisee (abandonment shall be deemed to have occurred if Franchisee shall fail to open for business on any business day), Franchisor shall have the immediate right to take possession of the Food Retail Unit without notice to Franchisee; and Franchisor shall be entitled to withhold all fees, damages, amounts owed to Franchisor or its affiliates, and to accelerate any financial obligations of Franchisee to Franchisor or its affiliates, and to apply all or any portion of Net Sales to such obligations of Franchisee.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted hereunder to Franchisee shall forthwith terminate, and:

A. Franchisee shall immediately cease to operate the Franchised Business, shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor; and shall immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the System; the Proprietary Marks HISSHO, ŌUMI, SUSHI WITH GUSTO, and all other Proprietary Marks and distinctive forms, slogans, signs, symbols, and devices and any Trade Dress associated with the System.

B. Franchisee shall return possession of the premises to Franchisor immediately on demand by Franchisor, leaving all furniture, fixtures, equipment and signage used in connection with the Food Retail Unit in place. Franchisor also may require Franchisee to leave in place all of Franchisee's usable inventory items, small wares and other tangible property used in the Food Retail Unit, and if so Franchisor will purchase all such usable items from Franchisee for their fair value as posted in the Franchise Manual.

C. Franchisee shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the mark "HISSHO" "ŌUMI" or "SUSHI WITH GUSTO" or any other service mark or trademark of Franchisor, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty 30 days after termination or expiration of this Agreement.

D. Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy, or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake, or deception, or which is likely to dilute Franchisor's rights in and to the Proprietary Marks, and further agrees not

to utilize any Trade Dress or designation of origin or description or representation which falsely suggests or represents an association or connection with Franchisor constituting unfair competition.

E. Franchisee shall promptly pay all sums owing to Franchisor and its subsidiaries and affiliates. In the event of termination for any default of Franchisee, such sums shall include all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default, which obligation shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Franchisee and on the premises operated hereunder at the time of default.

F. Franchisee shall pay to Franchisor all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Paragraph 16.

G. Franchisee shall immediately deliver to Franchisor all manuals, including the Franchise Manual, records, files, instructions, correspondence, all materials related to operating the Franchised Business, including, without limitation, brochures, agreements, invoices, and any and all other materials relating to the operation of the Franchised Business in Franchisee's possession, and all copies thereof all of which are acknowledged to be Franchisor's property), and shall retain no copy or record of any of the foregoing, except Franchisee's copy of this Agreement and of any correspondence between the parties and any other documents which Franchisee reasonably needs for compliance with any provision of law.

H. Franchisee shall comply with any surviving covenants contained in Paragraph 7 of this Agreement.

17. COVENANTS

A. Franchisee acknowledges that, pursuant to this Agreement, Franchisee will receive valuable specialized training and Confidential Information, including, without limitation, information relating to the operational, sales, promotional, and marketing methods and techniques of Franchisor and the System. Accordingly, Franchisee covenants that:

(1) During the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee and its Operating Principal and other equity owners shall not, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company:

(a) Divert or attempt to divert any business or customer of the Food Retail Unit to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Franchisor's Proprietary Marks and the System;

(b) Own, maintain, advise, help, invest in, make loans to, be employed by, be the landlord of, engage in, or have any interest in a sushi bar, shop, restaurant or retail counter that features sushi, or any business granting franchises or licenses to others to operate a sushi bar, shop, restaurant or retail counter that features sushi, wherever located or operating; or,

(c) Offer any items which are menu items or items produced in any Food Retail Unit, wherever located.

(2) For a continuous uninterrupted period of one (1) year commencing upon the expiration or termination of this Agreement, regardless of the cause of termination, except as otherwise approved in writing by Franchisor, Franchisee and its Operating Principal and other equity owners shall not, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership,

corporation or limited liability company, own, maintain, advise, help, invest in, make loans to, be employed by, be the landlord of, engage in, or have any interest in a sushi bar, shop, restaurant or retail counter that features sushi, or any business granting franchises or licenses to others to operate a sushi bar, shop, restaurant or retail counter that features sushi, and shall not offer any items which are menu items or items produced in any Food Retail Unit, at, or within twenty (20) miles of, Franchisee's Food Retail Unit, or at any location within twenty (20) miles of any other Food Retail Unit.

B. Paragraph 17.A shall not apply to ownership by Franchisee of less than five percent (5%) beneficial interest in the outstanding equity securities of any corporation which is registered under the Securities Exchange Act of 1934.

C. The parties agree that each of the foregoing covenants, and each of the subparts of the foregoing covenants, shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Paragraph 17 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Paragraph 17.

D. Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Paragraph 17.A or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof; and Franchisee agrees that it shall comply forthwith with any covenant as so modified.

E. Franchisee expressly agrees that the existence of any claims it may have now or in the future against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Paragraph 17.

F. Franchisee acknowledges that any failure to comply with the requirements of this Paragraph 17 would result in irreparable injury to Franchisor, for which no adequate remedy at law may be available, and Franchisee agrees to pay all costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of this Paragraph 17.

G. Franchisee agrees to require its Operating Principal and all of its other equity owners to sign, and Franchisee will submit to Franchisor executed copies of, Franchisor's then current form of Nondisclosure and Non-Competition Agreement, concurrent with the execution of this Agreement, or at such time as they assume such status. The current form of Nondisclosure and Non-Competition Agreement is attached as Attachment "F". Franchisee agrees to provide Franchisor copies of all executed Nondisclosure and Non-Competition Agreements no later than ten (10) days following their execution.

18. FORCE MAJEURE

If the performance of any obligation under this Agreement is prevented or delayed, in whole or in part, by reason of force majeure, or the consequence thereof, affecting the parties hereto or the rights granted hereunder, such force majeure to include but not be limited to acts of God, fire, flood, governmental restrictions, lockouts or labor disputes, then the affected party shall be given such additional time as is reasonable to perform in view of the nature and extent of the force majeure.

19. TAXES, PERMITS, AND INDEBTEDNESS

A. Franchisee shall promptly pay when due all taxes levied or assessed, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by Franchisee in the conduct of the Franchised Business. Franchisee shall pay to Franchisor an amount equal to any sales tax, gross

receipts tax, or similar tax imposed on Franchisor with respect to any payments to Franchisor required under this Agreement, unless the tax is credited against income tax otherwise payable by Franchisor.

B. In the event of any bona fide dispute as to Franchisee's liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law; however, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against the premises of the Franchised Business, or any improvements thereon.

C. Franchisee shall comply with all federal, state, and local laws, rules and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Franchised Business, including, without limitation, licenses to do business, fictitious name registrations, resale and sales tax permits, and fire clearances.

D. Franchisee shall notify Franchisor in writing within ten (10) days of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, which may adversely affect the operation or financial condition of the Franchised Business.

20. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that Franchisee and Franchisor are, and will be, independent contractors, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

B. During the term of this Agreement and any extensions thereof, Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a Franchise Agreement with Franchisor. Franchisee agrees to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place in the Food Retail Unit, the content of which Franchisor reserves the right to specify.

C. It is understood and agreed that nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name, and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action, or by reason of any act or omission of Franchisee in its conduct of the Franchised Business or any claim or judgment arising therefrom. Franchisee shall indemnify and hold Franchisor and Franchisor's officers, directors, shareholders, and employees harmless against any and all claims arising directly or indirectly from, as a result of, or in connection with, Franchisee's operation of the Franchised Business, as well as the costs, including attorneys' fees, of defending against them.

21. APPROVALS AND WAIVERS

A. Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and such approval or consent shall be obtained in writing.

B. Franchisor makes no warranties or guarantees, and assumes no liability or obligation to Franchisee by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor.

C. No delay, waiver, omission, or forbearance on the part of Franchisor to exercise any right, option, duty, or power arising out of any breach or default by Franchisee under any of the terms, provisions, covenants,

or conditions hereof shall constitute a waiver by Franchisor to enforce any such right, option, duty, or power as against Franchisee, or as to a subsequent breach or default by Franchisee. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, provisions, covenants, or conditions of this Agreement.

22. NOTICES

All notices, requests, demands, and other communications required or permitted under this Agreement shall be in writing and shall be deemed to have been properly given immediately when sent by email to Franchisee’s assigned “@hisshofranchisee.com” email address, or Franchisee’s personal email address on file with Franchisor (a) on the day delivered, if delivered personally, or (b) three (3) business days after being mailed, if mailed first class, postage prepaid, registered or certified mail, return receipt requested, or (c) one (1) business day after being mailed, if sent via a reputable overnight courier service, as follows:

23. ENTIRE AGREEMENT

This Agreement, the documents referred to herein, and the Attachments hereto constitute the entire, full, and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and supersede all prior agreements. No representations have induced Franchisee to execute this Agreement except for those contained in this Agreement, the Exhibits and the Franchise Disclosure Document. No amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Further, no modification, amendment, waiver, discharge or termination of any obligation of Franchisee, and no other matter or termination of any nature or kind whatsoever, including without limitation any release of Franchisee from any such obligation, shall release any shareholder or member of any guaranty obligation given or made by him under this Agreement or otherwise, whether or not such shareholder or member has notice thereof, all rights to notice or to consent being expressly waived hereby. Nothing in this Agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

24. SEVERABILITY AND CONSTRUCTION

A. Except as expressly provided to the contrary herein, each portion, paragraph, section, part, term, and/or provision of this Agreement shall be considered severable; and if, for any reason, any portion, paragraph, section, part, term, and/or provisions herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portion, paragraph, section, part, term, and/or provision of this Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portion, paragraph, section, part, term, and/or provision shall be deemed not to be a part of this Agreement.

B. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee, Franchisor, Franchisor's officers, directors, and employees, and such of Franchisee's and Franchisor's respective successors and assigns as may be contemplated by Paragraph 14 hereof, any rights or remedies under or by reason of this Agreement.

C. Franchisee and each of its shareholders or members, as applicable, expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

E. All references herein to the masculine, neuter, or singular shall be construed to include the masculine, feminine, neuter, or plural, where applicable, and all acknowledgments, promises, covenants, agreements, and obligations herein made or undertaken by Franchisee shall be deemed jointly and severally undertaken by all those executing this Agreement on behalf of Franchisee.

F. This Agreement shall be executed in three copies and each executed copy shall be deemed an original.

25. ARBITRATION

A. ANY DISPUTE ARISING OUT OF, IN CONNECTION WITH OR RELATING TO THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN FRANCHISEE AND FRANCHISOR OR THEIR RESPECTIVE AFFILIATES, FRANCHISOR'S RELATIONSHIP WITH FRANCHISEE, THE SCOPE AND VALIDITY OF THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN FRANCHISEE AND FRANCHISOR OR ANY PROVISION OF SUCH AGREEMENTS (INCLUDING THE VALIDITY AND SCOPE OF THE ARBITRATION OBLIGATIONS UNDER THIS PARAGRAPH 25.A, WHICH THE PARTIES ACKNOWLEDGE IS TO BE DETERMINED BY THE ARBITRATOR AND NOT A COURT), OR ANY SYSTEM STANDARDS AND SPECIFICATIONS SHALL BE SUBMITTED FOR RESOLUTION TO THE AMERICAN ARBITRATION ASSOCIATION ("AAA"), OR A COMPARABLE ORGANIZATION IF THE AAA CEASES TO EXIST, AND DETERMINED PURSUANT TO THE COMMERCIAL ARBITRATION RULES OF THE ADMINISTERING ORGANIZATION. SUCH ARBITRATION PROCEEDINGS SHALL BE CONDUCTED WITHIN MECKLENBURG COUNTY, NORTH CAROLINA. ANY ARBITRATION BETWEEN OR AMONG THE PARTIES TO THIS AGREEMENT AND ANY OF THEIR RELATED PARTIES SHALL BE CONDUCTED ON AN INDIVIDUAL BASIS AND NOT ON A CONSOLIDATED, MASS, OR CLASS WIDE BASIS. THIS ARBITRATION CLAUSE WILL NOT DEPRIVE EITHER PARTY OF ANY RIGHT IT MAY OTHERWISE HAVE TO SEEK PROVISIONAL INJUNCTIVE RELIEF FROM A COURT OF COMPETENT JURISDICTION. THE ARBITRATOR MUST BE AN ATTORNEY WITH SUBSTANTIAL EXPERIENCE IN FRANCHISE LAW. THE PARTIES ASK THAT THE ARBITRATOR LIMIT DISCOVERY TO THE GREATEST EXTENT POSSIBLE CONSISTENT WITH BASIC FAIRNESS IN ORDER TO MINIMIZE THE TIME AND EXPENSE OF ARBITRATION. IF PROPER NOTICE OF ANY HEARING HAS BEEN GIVEN, THE ARBITRATOR WILL HAVE FULL POWER TO PROCEED TO TAKE EVIDENCE OR TO PERFORM ANY OTHER ACTS NECESSARY TO ARBITRATE THE MATTER IN THE ABSENCE OF ANY PARTY WHO FAILS TO APPEAR. BOTH PARTIES WAIVE ANY RIGHTS THEY MAY HAVE TO DEMAND A TRIAL. THE ARBITRATOR WILL HAVE NO POWER TO (1) STAY THE EFFECTIVENESS OF ANY PENDING TERMINATION OF THE FRANCHISE; OR (2) MAKE ANY AWARD THAT MODIFIES OR

SUSPENDS ANY LAWFUL PROVISION OF THIS AGREEMENT. THE PARTY AGAINST WHOM THE ARBITRATOR RENDERS A DECISION MUST PAY ALL EXPENSES OF ARBITRATION. ANY COURT OF COMPETENT JURISDICTION MAY ENTER JUDGMENT UPON ANY AWARD.

B. FRANCHISEE RECOGNIZES THAT FRANCHISEE IS A MEMBER OF A FRANCHISE NETWORK AND THAT FRANCHISEE'S ACTS AND OMISSIONS MAY HAVE A POSITIVE OR NEGATIVE EFFECT ON THE SUCCESS OF OTHER BUSINESSES OPERATING UNDER FRANCHISOR'S PROPRIETARY MARKS. FAILURE ON THE PART OF A SINGLE FRANCHISEE TO COMPLY WITH THE TERMS OF ITS FRANCHISE AGREEMENT IS LIKELY TO CAUSE IRREPARABLE DAMAGE TO FRANCHISOR AND TO SOME OR ALL OF ITS OTHER FRANCHISEES. FOR THIS REASON, FRANCHISEE AGREES THAT IF FRANCHISOR CAN DEMONSTRATE TO A COURT OF COMPETENT JURISDICTION THAT THERE IS A SUBSTANTIAL LIKELIHOOD OF FRANCHISEE'S BREACH OR THREATENED BREACH OF ANY OF THE TERMS OF THIS AGREEMENT, FRANCHISOR WILL BE ENTITLED TO AN INJUNCTION RESTRAINING THE BREACH OR TO A DECREE OF SPECIFIC PERFORMANCE, WITHOUT SHOWING OR PROVING ANY ACTUAL DAMAGE, UNTIL A FINAL DETERMINATION IS MADE BY AN ARBITRATOR.

C. THE PARTIES HERETO RECOGNIZE, AND ANY ARBITRATOR IS AFFIRMATIVELY ADVISED, THAT CERTAIN PROVISIONS OF THIS AGREEMENT DESCRIBE FRANCHISOR'S RIGHT TO TAKE OR REFRAIN FROM TAKING CERTAIN ACTIONS IN THE EXERCISE OF ITS BUSINESS JUDGMENT BASED ON ITS ASSESSMENT OF THE OVERALL BEST INTERESTS OF THE SYSTEM. WHERE SUCH DISCRETION HAS BEEN EXERCISED, AND IS SUPPORTED BY FRANCHISOR'S BUSINESS JUDGMENT, NO ARBITRATOR MAY SUBSTITUTE HIS OR HER JUDGMENT FOR THE JUDGMENT SO EXERCISED BY FRANCHISOR.

D. 26. APPLICABLE LAW

A. This Agreement takes effect upon its acceptance and execution by Franchisor in the State of North Carolina, and shall be interpreted and construed under the laws of that State, which laws shall prevail in the event of any conflict of law; provided, however, that if any of the provisions of this Agreement would not be enforceable under the laws of North Carolina, then such provisions shall be interpreted and construed under the laws of the state in which the principal office of Franchisee is located.

B. For any claims to which the arbitration provisions of Section 26 do not apply, the parties agree that any action brought by either party against the other in any court, whether federal or state, shall be brought within the State of North Carolina and do hereby waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision.

C. No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed to be, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

D. Nothing herein contained shall bar Franchisor's right to obtain injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

E. In the event of any action at law or in equity to secure or protect rights under or to enforce the terms of this Agreement, except as otherwise provided for in this Agreement, the prevailing party shall be entitled to recover reasonable counsel fees together with costs and expenses incurred in connection with the litigation.

ATTACHMENT B TO
HISSHO INTERNATIONAL, LLC
FRANCHISE AGREEMENT

GUARANTY

As an inducement to **HISSHO INTERNATIONAL, LLC** (“Franchisor”) to execute the Franchise Agreement (“Agreement”), to which this Guaranty is attached, each of the undersigned (jointly and severally each a “Guarantor” and collectively “Guarantors”), personally, absolutely, unconditionally and irrevocably (a) guarantees, as primary obligor and not merely as surety, the full and punctual payment and performance of all present and future obligations, liabilities, covenants, and agreements required to be observed and performed or paid or reimbursed by Franchisee to Franchisor, its successors and assigns, under or relating to the Agreement, including any amendments or addenda thereto whenever made plus all costs, expenses and fees including reasonable attorneys fees and costs incurred by Franchisor in any way relating to the enforcement or protection of Franchisor’s rights hereunder (collectively, the “Obligations”) and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (including any amendments or modifications of the Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including the non-competition, confidentiality, transfer, and arbitration requirements.

Depending on the creditworthiness of each Guarantor and the community property laws of the states in which they reside, Franchisor may require that the spouses of one or more Guarantors execute this Guaranty as well. Each Guarantor represents and warrants that, if no signature appears below for such Guarantor’s spouse, such Guarantor is either not married or, if married, is a resident of a state that does not require the consent of both spouses to encumber the assets of a marital estate or we have waived in writing any requirement that such spouse execute this Guaranty.

Guarantor agrees that its Obligations under this Guaranty are irrevocable, continuing, absolute and unconditional and shall not be discharged or impaired or otherwise affected by, and Guarantor hereby irrevocably waives any defenses to enforcement it may have now or in the future by reason of: a) Any illegality, invalidity or unenforceability of any Obligation or the Agreement or any related agreement or instrument, or any law, regulation, decree or order of any jurisdiction or any other event affecting any term of the Obligations; b) Any change in the time, place or manner of payment or performance of, or in any other term of the Obligations, or any rescission, waiver, release, assignment, amendment or other modification of the Agreement; c) Any default, failure or delay, willful or otherwise, in the performance of the Obligations; d) The failure of any other guarantor or third party to execute or deliver this Guaranty or any other guaranty or agreement, or the release or reduction of liability of Guarantor or any other guarantor or surety with respect to the Obligations; e) The failure of Franchisor to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Agreement or otherwise; f) The existence of any claim, set off, counterclaim, recoupment or other rights that Guarantor or Franchisee may have against Franchisor other than a defense of payment or performance); and g) Any other circumstance including, without limitation, any statute of limitations), act, omission or manner of administering the Agreement or any existence of or reliance on any representation by Franchisor that might vary the risk of Guarantor or otherwise operate as a defense available to, or a legal or equitable discharge of, Guarantor.

Guarantor further acknowledges and agrees as follows: a) Guarantor unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all presently existing and future Obligations, until the complete, irrevocable and infeasible payment and

satisfaction in full of the Obligations; b) This Guaranty is a guaranty of payment and performance and not of collection. Franchisor shall not be obligated to enforce or exhaust its remedies against Franchisee or under the Agreement before proceeding to enforce this Guaranty; c) This Guaranty is a direct guaranty and independent of the obligations of Franchisee under the Agreement. Franchisor may resort to Guarantor for payment and performance of the Obligations whether or not Franchisor shall have resorted to any collateral therefor or shall have proceeded against Franchisee or any other guarantors with respect to the Obligations. Franchisor may, at Franchisor's option, proceed against Guarantor and Franchisee, jointly and severally, or against Guarantor only without having obtained a judgment against Franchisee; d) Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of non performance, default, acceleration, protest or dishonor and any other notice with respect to any of the Obligations and this Guaranty and any requirement that Franchisor protect, secure, perfect or insure any lien or any property subject thereto;

Guarantor waives and shall not exercise any rights that it may acquire by way of subrogation, contribution, reimbursement or indemnification for payments made under this Guaranty until all Obligations shall have been indefeasibly paid and discharged in full.

This Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided, however, that Guarantor may not, without the prior written consent of Franchisor, assign any of its rights, powers or obligations hereunder. Franchisor may assign this Guaranty and its rights hereunder without the consent of Guarantor. Any attempted assignment in violation of this section shall be null and void.

Upon demand but not less than ten (10) days after any default of Franchisee under Paragraphs 15.A, or 15.B of the Franchise Agreement, or fifteen (15) days after a default by Franchisee which is not cured under Paragraph 15.C of the Franchise Agreement, Guarantor shall immediately make payment of any liabilities previously incurred by Franchisee. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, or release any indebtedness or obligation of Franchisee, or settle, adjust, or compromise any claims against Franchisee.

This Guaranty shall remain in effect with respect to each Food Retail Unit referenced in the Franchise Agreement including those added after the date of the Franchise Agreement and this Guaranty, and the undersigned further agree that any amendment or addendum to the Agreement shall not invalidate or lessen the effect of the Guaranty.

If Franchisor is required to enforce this Guaranty in a judicial or arbitration proceeding, and prevails in such proceeding, Franchisor shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse Franchisor for any of the above-listed costs and expenses Franchisor incurs.

Subject to the arbitration obligations and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be commenced in the state or federal court of competent jurisdiction located closest to Franchisor's then current principal business address (currently, Charlotte, North Carolina), and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. Nonetheless, each of the undersigned agrees that Franchisor may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he or she is domiciled.

EACH PARTY HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY OR ANY OF THE OBLIGATIONS HEREUNDER.

If any provision of this Guaranty is to any extent determined by final decision of a court of competent jurisdiction to be unenforceable, the remainder of this Guaranty shall not be affected thereby, and each provision of this Guaranty shall be valid and enforceable to the fullest extent permitted by law.

This Guaranty constitutes the sole and entire agreement of Guarantor and Franchisor with respect to the subject matter hereof and supersedes all previous agreements or understandings, oral or written, with respect to such subject matter. No amendment or waiver of any provision of this Guaranty shall be valid and binding unless it is in writing and signed, in the case of an amendment, by both parties, or in the case of a waiver, by the party against which the waiver is to be effective. Section headings are for convenience of reference only and shall not define, modify, expand or limit any of the terms of this Guaranty. Delivery of this Guaranty electronically shall be effective as delivery of a manually executed original of this Guaranty.

Upon death of an individual guarantor, the estate of such guarantor will be bound by this Guaranty but only for defaults and obligations hereunder existing at the time of death, and the obligations of the other guarantors will continue in full force and effect.

Upon delivery of the Equipment to Lessee, Lessee shall bear the entire risk of loss, theft, destruction of, or damage to the Equipment or any portion thereof from any cause whatsoever (“Loss” or “Damage”), whether or not covered by insurance, and whether or not such Equipment is in use by you at the time of the Loss event. Lessee shall provide the Equipment with a suitable secure space and power for its proper operation. Lessee shall provide all necessary infrastructure, including without limitation, power outlets, grounding and anti-static environments required for the safe and efficient operation of the Equipment in accordance with the specifications provided by Lessor and/or the manufacturers of the Equipment. Lessee shall not move the Equipment, attach any devices, change its method of telecommunication, or install any software without Lessor’s prior written consent. 8.2 **Loss or Damage; Maintenance.** Lessee will maintain the Equipment in good repair, condition, and working order. Lessee will cause all necessary repairs to the Equipment to be made promptly by qualified parties. Lessee will cause each item of Equipment for which a service contract is generally available to be covered by such a contract that provides coverages typical as to property of the type involved and is issued by a competent servicing entity. Lessee bears the entire risk of Loss or Damage to item of Equipment in whole or in part from any reason whatsoever (“**Casualty Loss**”) from and after the date such Equipment is delivered to Lessee. 9.2 At the expiration of the Term, Lessee shall surrender the Equipment to Lessor by delivering the Equipment to Lessor or Lessor's agent in good condition and working order, ordinary wear and tear excepted. If Lessee fails to return the Equipment in good condition and working order on or before the date required by Lessor, Lessee will be obligated to pay Lessor the Hissho Label System Non-Return Fee (as defined in the Franchise Agreement) in addition to any other available contractual, legal, or equitable remedies available to Lessor.

10. **Condition of Equipment; Obligation to Maintain Equipment.** Lessee or Lessee's agent has inspected or will inspect upon delivery, the Equipment and acknowledges that the Equipment is in good and acceptable condition. Lessee will, at Lessee's sole expense, keep and maintain the Equipment clean and in good working order and repair during the Term. 11. **Warranties; Disclaimers; Limitation on Damages.**

11.1 **Pass Through Warranty.** LESSOR AGREES TO PASS THROUGH TO LESSEE ANY WARRANTIES GIVEN BY THIRD PARTY MANUFACTURERS IN CONNECTION WITH THE EQUIPMENT TO THE EXTENT PERMITTED BY THE TERMS AND CONDITIONS OF SUCH WARRANTIES. 11.2 **Disclaimer of Warranties.** EXCEPT FOR THE EQUIPMENT WARRANTY REFERRED TO IN SECTION 11.1 LESSOR DISCLAIMS ALL WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

EXCEPT AS PROVIDED HEREIN. EXCEPT AS PROVIDED IN SECTION 11.1, THE EQUIPMENT IS PROVIDED WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

11.4 **Incidental and Consequential Damages.** LESSOR SHALL NOT BE LIABLE TO LESSEE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OR FOR THE LOSS OF PROFIT OR REVENUE EVEN IF LESSOR SHALL HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS

OR DAMAGE, EXCEPT AS A RESULT OF GROSSLY NEGLIGENT ACTS OR OMISSIONS OF LESSOR OR ANY OF ITS DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS.

12. **Encumbrances, Taxes and Other Laws.** Lessee shall keep the Equipment free and clear of any liens or other encumbrances and shall not permit any act where Lessor's title or rights may be negatively affected. Lessee shall be responsible for complying with and conforming to all laws and regulations relating to the possession, use, or maintenance of the Equipment. Furthermore, Lessee shall promptly pay all taxes, fees, licenses and governmental charges, together with any penalties or interest thereon, relating to the possession, use or maintenance of the Equipment.

13. **Default; Remedies.**

13.1 **Events of Default.** If (a) Lessee shall default in the payment of any fees or in making any other payment hereunder when due, or (b) Lessee shall default in the payment when due of any fee to Lessor, Franchisor, or Transact Technologies Inc., or (c) Lessee shall default in the performance of any other covenant herein and such default shall continue for five (5) days after written notice to Lessee, or (d) Lessee becomes insolvent or makes an assignment for the benefit of creditors, or (e) Lessee applies for or consents to the appointment of a receiver, trustee, or liquidator of Lessee or of all or a substantial part of the assets of Lessee under the Bankruptcy Act, or any amendment thereto or under any other insolvency law or law providing for the relief of debtors, then, if and to the extent permitted by law; or (f) Lessee is in the default of the Franchise Agreement (each an "Event of Default"), Lessor shall have the right to exercise any and all remedies available to it pursuant to this Agreement including but not limited to the Remedies set forth in Section 13.2.

13.2 **Remedies.** Upon an Event of Default, Lessor and/or its assignees shall have the right to exercise any one or more of the following remedies: (i) to declare all amounts payable under this Agreement for the Term hereunder immediately due and payable as to any or all items of the Equipment, without notice or demand to Lessee; (ii) to sue for and recover all amounts then accrued or thereafter accruing and payable, with respect to the Equipment; (iii) to take possession or to authorize its assignee to take possession of any or all items of the Equipment without demand, notice, or legal process, wherever they may be located. Lessee hereby waives any and all damages occasioned by such taking of possession. Any taking of possession of any Equipment shall not constitute a termination of this Agreement unless Lessor expressly so notifies Lessee in writing; (iv) to terminate this Agreement as to any or all items of Equipment; and (v) to pursue any other remedy at law or in equity. All remedies are cumulative and may be exercised concurrently or separately.

14. **Miscellaneous.**

14.1 **Severability.** If any part or parts of this Agreement shall be held unenforceable for any reason, the remainder of this Agreement shall continue in full force and effect. If any provision of this Agreement is deemed invalid or unenforceable by any court of competent jurisdiction, and if limiting such provision would make the provision valid, then such provision shall be deemed to be construed as so limited.

14.2 **Assignment.** Neither this Agreement nor Lessee's rights hereunder are assignable except with Lessor's prior, written consent. Licensor may assign its rights and obligations under this Agreement upon written notice to Lessee.

14.3 **Binding Effect.** The covenants and conditions contained in the Agreement shall apply to and bind the Parties and the heirs, legal representatives, successors and permitted assigns of the Parties.

14.4 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware. Any dispute arising out of this Agreement shall be exclusively heard and resolved in the state or federal courts located in Mecklenburg County, North Carolina.

14.5 **Notice.** Any notice required or otherwise given pursuant to this Agreement shall be in writing and delivered by electronic mail to Lessor at franchiseinfo@hisshosushi.com and to Lessee at the email address provided below. Either Party may change the notice e-mail address from time to time by providing notice as set forth above.

14.6 **Modifications.** This Agreement may be modified in writing and must be signed by both Lessor and Lessee.

14.7 **Cumulative Rights.** The Parties' rights under this Agreement are cumulative and shall not be construed as exclusive of each other unless otherwise required by law.

14.8 **Waiver.** The failure of either Party to enforce any provisions of this Agreement shall not be deemed a waiver or limitation of that Party's right to subsequently enforce and compel strict compliance with every provision of this Agreement. The acceptance of rent by Lessor does not waive Lessor's right to enforce any provisions of this Agreement.

14.9 **Indemnification.** Lessee shall indemnify, defend, and hold harmless Lessor, TransAct Technologies Inc. and their respective affiliates, directors, officers, employees, consultants, financial advisors, counsel, accountants, agents and representatives (collectively, "Indemnitees") against any and all losses, injury, death, damages, liabilities, claims, deficiencies, judgments, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys' fees and the cost of enforcing any right to indemnification under this Agreement ("Damages") incurred by one or more Indemnitees relating to any claim of a third party (including franchisees and end users of the Equipment) arising out of or relating to: (a) the possession, maintenance, use, condition, repair, return, disposition, use, transfer, sub-license, lease or sub-lease of any Equipment; (b) any inaccuracy in or breach of any of the representations of Lessee contained in this Agreement; and/or (c) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by Lessee pursuant to the Terms of Service and/or this Agreement.

14.10 **Force Majeure.** Neither Party shall be liable or responsible to the other Party, or be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by any: acts of God, flood, fire, pandemic, epidemic, outbreak of communicable disease, quarantine, earthquake or explosion; war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, governmental action or order, or other civil unrest; embargoes or blockades in effect on or after the date of this Agreement; national or regional emergency; strikes, labor stoppages or slowdowns, or other industrial disturbances (each of the foregoing, a "Force Majeure Event"), in each case, provided that (a) such event is outside the reasonable control of the affected Party; (b) to the extent practical in light of the Force Majeure Event, the impacted Party provides prompt notice to the other, stating the period of time the occurrence is expected to continue; and (c) the impacted Party uses diligent efforts to end the failure or delay and minimize the effects of such Force Majeure Event. Notwithstanding the preceding sentences, a Force Majeure Event shall not modify, limit, or alter Lessor's obligations to pay fees due to Lessor under this Agreement or the Franchise Agreement.

14.11 **Security Interests.** Lessee authorizes Lessor and/or Lessor's lenders to file, from time to time, any UCC financing statement or financing statement amendment against Lessee with respect to the Equipment. Lessee will sign and deliver to Lessor any documents that Lessor reasonably requests in connection with the filing of such financing statements.

14.12 **Expenses.** Lessee will pay Lessor all costs and expenses, including repossession and attorneys' fees and court costs, incurred by Lessor in enforcing this Agreement, or costs and expenses incurred by Lessor in connection with obligations to any lenders associated with the Equipment in realizing upon or protecting any

Equipment and in enforcing and collecting any obligations or any guaranty thereof, including, without limitation, if Lessor or any lender retains counsel for advice, suit, insolvency proceedings or any of the above purposes, the reasonable counsel's fees and expenses incurred by Lessor and/or lender. This obligation includes the payment of such costs and expenses whether Lessor or a lender starts a lawsuit or other proceeding or not, and if Lessor or lender starts a lawsuit or other proceeding, whether or not such lawsuit or proceeding is dismissed.

The franchised business Company authorizes Franchisee to operate under the Franchise Agreement is known as the “*Food Retail Unit*,” which Food Retail Unit is one among all food retail units that Company owns, operates, or franchises under the “Hissho Sushi” or “Öumi Sushi” or “Sushi With Gusto” name. I agree that, unless otherwise specified, all capitalized terms in this Agreement have those meanings ascribed to them in the Franchise Agreement.

I agree that during the term of my employment by, ownership participation in, association with or service to Franchisee, or at any time thereafter, I will not communicate, divulge or use for the benefit of any other person, persons, partnership, proprietorship, association, corporation or entity, Company’s proprietary and confidential information relating to the development and operation of Hissho Sushi, Öumi Sushi and/or Sushi With Gusto Food Retail Units, including but not limited to the following concerning Hissho Sushi, Öumi Sushi and Sushi With Gusto Food Retail Units: the “Franchise Manual” and its contents; technical and non technical data or information related to recipes, ingredients, formulas, methods or processes; preparation techniques; operations; finances; actual or potential customers; marketing plans; prices and pricing policies; and, samples, concepts, materials, proprietary information and technologies which are the property of Company, its business partners, customers and clients, or any affiliate of either (collectively, all information referenced above is known as the “*Confidential Information*”).

Furthermore, any and all information, knowledge, know-how, techniques and information which the entities mentioned above (or their officers, directors or managers) designate as confidential is considered, and hereby acknowledged by me, to be Confidential Information for the purposes of this Agreement, except information which I can demonstrate came to my attention before disclosure or which had become or becomes a part of the public domain through publication or communication by others (unless the publication or communication violates a similar confidentiality agreement), but in no event through any act of mine.

I specifically understand that, without limitation, all the above items, concepts, and/or examples contained in the preceding paragraph constitute Confidential Information of Company, and I will not divert any business to competitors of Franchisee and/or Company. I will at no time copy, duplicate, record or otherwise reproduce any of the Confidential Information or material containing it, in whole or in part, store them in a computer retrieval or database, nor otherwise make them available to any unauthorized person.

Upon the expiration or other termination for any reason of my employment, association, service or ownership participation, I agree to return immediately to Company or Franchisee, as the case may be, all Confidential Information, and any material(s) containing a subset thereof, in my possession that was utilized, or to which I had access, during my employment, association, service or ownership participation.

I acknowledge that violation of the covenant contained in this Agreement would result in immediate and irreparable injury to Company and Franchisee, for which no adequate remedy at law will be available. Accordingly, I hereby consent to the entry of an injunction procured by Company or Franchisee (or both), in any appropriate jurisdiction and venue (notwithstanding other references to resolution of actions exclusively in Company’s home prohibiting any conduct by me in violation of the restrictions on the use of Confidential Information under this Agreement). I expressly agree that any claims I may have against Company will not constitute a defense to Company’s enforcement of the covenant not to use Confidential Information under this Agreement. I further agree to pay all costs and expenses (including reasonable attorneys’ and experts’ fees) incurred by Company in connection with the enforcement of the covenant not to use Confidential Information set forth in this Agreement.

If all, or any portion of, this covenant not to use Confidential Information is held unreasonable, void, vague or illegal by any court or agency having valid jurisdiction in an unappealed final decision to which Franchisee and/or Company is a party, the court or agency will be empowered to revise and/or construe the covenant to fall within permissible legal limits, and should not invalidate the entire covenant. I expressly agree to be bound by any lesser covenant subsumed within the terms of this Agreement as if the resulting covenant were separately stated in and made a part of this Agreement.

I agree that this Agreement and all relations and disputes between myself on the one hand, and Franchisee or Company on the other hand, whether sounding in contract, tort, or otherwise, are to be exclusively construed in accordance with and/or governed by (as applicable) the law of the state of North Carolina without recourse to North Carolina (or any other) choice of law or conflicts of law principles. If, however, any provision of this Agreement would not be enforceable under the laws of the state of North Carolina, and if the Food Retail Unit is located outside of the state of North Carolina and the provision would be enforceable under the laws of the state in which Food Retail Unit is located, then the provision (and only that provision) will be interpreted and construed under the laws of that state. Nothing in this Agreement is intended to invoke the application of any franchise, business opportunity, antitrust, “implied covenant”, unfair competition, fiduciary or any other doctrine of law of the state of North Carolina or any other state, which would not otherwise apply.

I further agree that any litigation arising out of or related to this Agreement, any breach of this Agreement, and any and all relations and/or disputes between myself on the one hand, and Franchisee or Company on the other hand, whether sounding in contract, tort, or otherwise, will be instituted exclusively in the U.S. District Court sitting nearest to Company’s corporate headquarters (currently, Charlotte, North Carolina). I agree that any dispute as to the aforementioned venue will be submitted to and resolved exclusively by such aforementioned court. Nonetheless, I agree that Franchisee or Company may enforce this Agreement and any awards in the courts of the state or states in which I am domiciled or the Food Retail Unit is located.

I IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ME, FRANCHISEE OR COMPANY. NONDISCLOSURE AND NON-COMPETITION AGREEMENT

THIS NONDISCLOSURE AND NON-COMPETITION AGREEMENT (this “*Agreement*”) is made as of the ____ day of _____, 20____, and is executed by _____ [enter name of equity owner] (“*Individual*,” “*me*,” or “*I*”) for the benefit of **HISSHO INTERNATIONAL, LLC**, a Delaware limited liability company (“*Company*”), and for _____, a corporation/limited liability company established in the State of _____, with its principal place of business located at _____ (“*Franchisee*”).

Franchisee is a franchisee of Company pursuant to a franchise agreement entered into by those parties concerning a franchised business operating, or to be operated, under the brand name “Hissho Sushi” or “Öumi Sushi” or “Sushi With Gusto” and more particularly described as follows: _____ [enter FRU store name, Store #, and Store Address], and more particularly described on Attachment “A” of the Franchise Agreement dated _____ [enter date of Franchise Agreement], and any subparts, additions, or amendments shown as Addenda to Attachment “A” which may include additional Food Retail Units (the “*Franchise Agreement*”). The franchised business Company authorizes Franchisee to operate under the Franchise Agreement is known as the “*Food Retail Unit*,” which Food Retail Unit is one among all food retail units that Company owns, operates, or franchises under the “Hissho Sushi” or “Öumi Sushi” or “Sushi With Gusto” name. I agree that, unless otherwise specified, all capitalized terms in this Agreement have those meanings ascribed to them in the Franchise Agreement.

I agree that during the term of my employment by, ownership participation in, association with or service to Franchisee, or at any time thereafter, I will not communicate, divulge or use for the benefit of any other person, persons, partnership, proprietorship, association, corporation or entity, Company’s proprietary and confidential information relating to the development and operation of Hissho Sushi, Öumi Sushi and/or Sushi With Gusto Food Retail Units, including but not limited to the following concerning Hissho Sushi, Öumi Sushi and Sushi With Gusto Food Retail Units: the “Franchise Manual” and its contents; technical and non technical data or information related to recipes, ingredients, formulas, methods or processes; preparation techniques; operations; finances; actual or potential customers; marketing plans; prices and pricing policies; and, samples, concepts, materials, proprietary information and technologies which are the property of Company, its business partners, customers and clients, or any affiliate of either (collectively, all information referenced above is known as the “*Confidential Information*”).

Furthermore, any and all information, knowledge, know-how, techniques and information which the entities mentioned above (or their officers, directors or managers) designate as confidential is considered, and hereby acknowledged by me, to be Confidential Information for the purposes of this Agreement, except information which I can demonstrate came to my attention before disclosure or which had become or becomes a part of the public domain through publication or communication by others (unless the publication or communication violates a similar confidentiality agreement), but in no event through any act of mine.

I specifically understand that, without limitation, all the above items, concepts, and/or examples contained in the preceding paragraph constitute Confidential Information of Company, and I will not divert any business to competitors of Franchisee and/or Company. I will at no time copy, duplicate, record or otherwise reproduce any of the Confidential Information or material containing it, in whole or in part, store them in a computer retrieval or database, nor otherwise make them available to any unauthorized person.

I further agree that, during the term of my employment/service/association or ownership participation, I will not, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company:

- (i) Divert or attempt to divert any business or customer of the Food Retail Unit to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Company's Proprietary Marks and the System;
- (ii) Own, maintain, advise, help, invest in, make loans to, be employed by, be the landlord of, engage in, or have any interest in a Competitive Business (defined below), wherever located or operating; or,
- (iii) Offer any items which are menu items or items produced in any Food Retail Unit, wherever located.

I understand and hereby explicitly acknowledge that engaging in any such prohibited conduct would or could be injurious to, or (in Company's sole judgment) have an adverse effect upon, Company's protectable interests in the Confidential Information, the "Hissho Sushi," "Ōumi Sushi" and/or "Sushi With Gusto" trademarks or related Proprietary Marks, or the goodwill and/or reputation of "Hissho Sushi," "Ōumi Sushi" and/or "Sushi With Gusto" Food Retail Units generally.

For purposes of this Agreement, a "**Competitive Business**" means (i) any sushi bar, shop, restaurant or retail counter that features sushi or (ii) any business granting franchises or licenses to others to operate the type of business specified in the preceding subparagraph (i) (other than a "Hissho Sushi," "Ōumi Sushi" or "Sushi With Gusto" Food Retail Unit operated under a franchise agreement with Company). Despite the foregoing definition of a Competitive Business, nothing under this Agreement or the Franchise Agreement will prevent Individual from owning for investment purposes less than five percent (5%) of a Competitive Business whose stock or other forms of ownership are registered under the Securities Exchange Act of 1934.

Upon the expiration or other termination for any reason of my employment, association, service or ownership participation, I agree:

- (i) to return immediately to Company or Franchisee, as the case may be, all Confidential Information, and any material(s) containing a subset thereof, in my possession that was utilized, or to which I had access, during my employment, association, service or ownership participation;
- (ii) for a continuous uninterrupted period of one (1) year commencing upon the expiration or other termination of my employment, association, service or ownership participation, regardless of the cause of termination, except as otherwise approved in writing by Franchisor, to refrain from, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company, owning, maintaining, advising, helping, investing in, making loans to, being employed by, being the landlord of, engaging in, or having any interest in a Competitive Business, and offering any items which are menu items or items produced in any Food Retail Unit, at, or within twenty (20) miles of, Franchisee's Food Retail Unit, or at any location within twenty (20) miles of any other Food Retail Unit.

I acknowledge and understand that the provisions of this Agreement, including my representations, covenants, and warranties (as applicable) given hereunder, are necessary and integral to this Agreement and to Company's and Franchisee's interests under the Franchise Agreement, and are intended to:

- (i) preclude not only direct competition, but also all forms of indirect competition, such as

consultation for Competitive Businesses, service as an independent contractor for Competitive Businesses, or any assistance or transmission of information of any kind which would be of any material assistance to a competitor;

- (ii) identify for me, toward the goal of preserving through this Agreement, Company's protectable legal interests in the System, customers of "Hissho Sushi," "Ōumi Sushi" and/or "Sushi With Gusto" Food Retail Units, the Confidential Information, and the goodwill associated with the Proprietary Marks.

I also expressly acknowledge my possession of skills and abilities of a general nature, and the opportunity for exploiting such skills in other ways than the operation or involvement in the activities of a "Hissho Sushi," "Ōumi Sushi" and/or "Sushi With Gusto" Food Retail Unit or a Competitive Business, so that enforcement of my covenants made in this Agreement will not deprive me of my personal goodwill or ability to earn a living after the effective date of expiration or termination of my relationship with Franchisee, the Food Retail Unit, or "Hissho Sushi," "Ōumi Sushi" and/or "Sushi With Gusto" Food Retail Units generally. If I fail or refuse to abide by any of my foregoing obligations or promises made under this Agreement, and Company or Franchisee obtains enforcement in a judicial or arbitration proceeding, then my obligations and responsibilities specified under the breached covenant will be tolled during the period(s) of time that the covenant is breached and/or Company or Franchisee seeks to enforce it, and will continue for one (1) year starting from the effective date of the order enforcing the covenant.

I acknowledge that violation of the covenants contained in this Agreement would result in immediate and irreparable injury to Company and Franchisee, for which no adequate remedy at law will be available. Accordingly, I hereby consent to the entry of an injunction procured by Company or Franchisee (or both), in any appropriate jurisdiction and venue (notwithstanding other references to resolution of actions exclusively in Company's home prohibiting any conduct by me in violation of the terms of those covenants not to compete and/or restrictions on the use of Confidential Information under this Agreement). I expressly agree that it may conclusively be presumed in any legal action that any violation of the terms of these covenants not to compete was accomplished by and through my unlawful utilization of Company's Confidential Information. Further, I expressly agree that any claims I may have against Company will not constitute a defense to Company's enforcement of the covenants under this Agreement. I further agree to pay all costs and expenses (including reasonable attorneys' and experts' fees) incurred by Company in connection with the enforcement of the covenants set forth in this Agreement.

If all, or any portion of, these covenants not to use Confidential Information and not to compete is held unreasonable, void, vague or illegal by any court or agency having valid jurisdiction in an unappealed final decision to which Franchisee and/or Company is a party, the court or agency will be empowered to revise and/or construe the covenant to fall within permissible legal limits, and should not invalidate the entire covenant. I expressly agree to be bound by any lesser covenant subsumed within the terms of this Agreement as if the resulting covenant were separately stated in and made a part of this Agreement.

I agree that this Agreement and all relations and disputes between myself on the one hand, and Franchisee or Company on the other hand, whether sounding in contract, tort, or otherwise, are to be exclusively construed in accordance with and/or governed by (as applicable) the law of the state of North Carolina without recourse to North Carolina (or any other) choice of law or conflicts of law principles. If, however, any provision of this Agreement would not be enforceable under the laws of the state of North Carolina, and if the Food Retail Unit is located outside of the state of North Carolina and the provision would be enforceable under the laws of the state in which Food Retail Unit is located, then the provision (and only that provision) will be interpreted and construed under the laws of that state. Nothing in this Agreement is intended to invoke the application of any franchise, business opportunity, antitrust, "implied covenant", unfair competition, fiduciary or any other doctrine of law of the state of North Carolina or any other state, which would not otherwise apply.

I further agree that any litigation arising out of or related to this Agreement, any breach of this Agreement, and any and all relations and/or disputes between myself on the one hand, and Franchisee or Company on the other hand, whether sounding in contract, tort, or otherwise, will be instituted exclusively in the U.S. District Court sitting nearest to Company's corporate headquarters (currently, Charlotte, North Carolina). I agree that any dispute as to the aforementioned venue will be submitted to and resolved exclusively by such aforementioned court. Nonetheless, I agree that Franchisee or Company may enforce this Agreement and any awards in the courts of the state or states in which I am domiciled or the Food Retail Unit is located.

I IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ME, FRANCHISEE OR COMPANY. I hereby waive and covenant never to assert or claim that said venue is for any reason improper, inconvenient, prejudicial or otherwise inappropriate (including, without limitation, any claim under the judicial doctrine of forum non conveniens).

RECITALS

A. Company provides training in Company's confidential methods, techniques and procedures in preparation of [_____], a corporation/limited liability company established in the State of [_____], with its principal place of business located at [_____] (the "Franchisee") acquiring a franchise (the "Franchise"), pursuant to which Franchisee will prepare Company's sushi products and operate one (1) or more Food Retail Unit locations in supermarkets and restaurants (a "Food Retail Unit").

B. Trainee is an equity owner in, or has been appointed the Operating Principal of, the Franchisee.

C. Successful completion of the Hissho Sushi Culinary Training Program ("Culinary Training Program"), and further approval by the Company, are pre-conditions to the purchase of a Franchise by Franchisee.

Therefore, for good and valuable consideration, the adequacy is hereby acknowledged by the parties, the Company and Trainee agree as follows:

1. CULINARY TRAINING PROGRAM.

A. The Company shall provide to Trainee the Culinary Training Program that will expose Trainee to the Company's trade secrets and confidential methods, techniques and procedures to prepare sushi and sushi related products and to operate one or more Food Retail Units. The Culinary Training Program shall take place at Company's headquarters or such other locations that Company designates at its sole discretion. The Culinary Training Program may include classroom, hands-on and on-the-job training and cover various aspects of the operation of a Food Retail Unit. Topics to be covered may include, but are not limited to cleanliness, recipes, food preparation, customer service, quality standards, marketing, use of labor, financial controls, bookkeeping, ServSafe, maintenance, pH testing, log keeping, and other matters.

B. At all times during the Culinary Training Program, Trainee shall be a student or trainee, and at no time is the Trainee an employee of the Company or of any company or person affiliated with the Company, and at no time is Trainee a franchisee or licensee of the Company.

C. The Company may discontinue Trainee's participation in the Culinary Training Program at any time in the Company's discretion, without refund, if in the Company's discretion Trainee is unable to successfully complete the program or if Trainee does not maintain the Company's operating standards during the Culinary Training Program.

D. Trainee hereby undertakes and agrees that while Trainee participates in the Culinary Training Program, to respect and comply with all applicable laws, rules and regulations governing such activities, to comply with directions and/or instructions given, including without limitation the content of any safety checklist.

2. FEE FOR CULINARY TRAINING PROGRAM.

Upon signing this Agreement, Trainee shall pay Company a fee for the Culinary Training Program in the sum of \$ _____. Whether or not any Trainee and other required trainees complete the Culinary Training

Program, and whether or not the Company grants a Franchise to Franchisee, all fees paid are non-refundable and fully earned by the Company upon payment.

3. TRAINING DOES NOT REQUIRE COMPANY TO GRANT A FRANCHISE.

The parties acknowledge that Franchisee has expressed an interest in acquiring a Franchise from the Company, and that Company will not offer Franchisee a Franchise unless, among other things, the Trainee satisfactorily completes the Culinary Training Program as determined in the Company's sole satisfaction and discretion. Completion of the Culinary Training Program does not provide assurance that the Company will consider granting a Franchise; and neither the execution of this Agreement nor the completion of the Culinary Training Program shall create any obligation of Company to grant a Franchise to Franchisee or to grant Trainee the right to operate any Food Retail Unit.

4. BEST EFFORTS.

The parties acknowledge that Company desires to provide the Culinary Training Program only to individuals who are interested and willing to devote their best efforts to learning the information to be provided. Trainee shall exert Trainee's best efforts to learn the information, procedures and techniques to be imparted in the Culinary Training Program.

**ADDENDUM TO HISSHO INTERNATIONAL, LLC FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF CALIFORNIA**

This Addendum to the Franchise Disclosure Document is set forth below in order to amend and revise the Franchise Disclosure Document as follows:

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT 14 DAYS PRIOR TO EXECUTION OF AGREEMENT.

2. The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

3. The Special Risks to Consider About This Franchise page of the Disclosure Document is amended to add the following:

Financial Condition: Franchisor is undercapitalized (see Item 21) and may not be able to meet pre-opening obligations to all franchisees.

4. ITEM 3 of the Disclosure Document is amended to add the following:

Neither the Franchisor nor any person or franchise broker identified in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

5. ITEM 5 of the Disclosure Document is amended as follows:

The California Department of Financial Protection and Innovation has determined that we, the franchisor, have not demonstrated that we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition which requires that we defer collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business.

6. ITEMS 6 AND 10 of the Disclosure Document are amended as follows:

The highest interest rate allowed in California is 10% annually.

7. ITEM 17 of the Disclosure Document is amended to add the following:

- The California Business and Professions Code Sections 20000 through 20043 provide rights to Franchisee concerning termination or non-renewal of a franchise, and also limit the Franchisor's ability to restrict the transfer of franchise rights. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

- The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law 11 U.S.C.A. Sec. 101 et seq.

- The Franchise Agreement contains a covenant not to compete which extends beyond the term of the agreement. This provision might not be enforceable under California law.

- The Franchise Agreement requires litigation to be conducted in a court located outside of the State of California. This provision might not be enforceable for any cause of action arising under California law.

- The Franchise Agreement may require you to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 might void a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 – 31516). Business and Professions Code Section 20010 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

- Both the governing law and choice of law for franchisees operating outlets located in California, will be the California Franchise Investment Law and the California Franchise Relations Act regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the franchise agreement or amendment to or any agreement to the contrary is superseded by this condition.

- Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, the franchisor must provide you with that disclosure document with an explanation that the changes are voluntary.

- Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws such as Business and Professions Code 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

- The following URL address is for the Franchisor's website:
<http://www.hisshosushi.com>.

- Any complaints concerning the content of this website may be directed to the Department of Financial Protection and Innovation and its website address to www.dfpi.ca.gov.

- Any provision of a franchise agreement, franchise disclosure document, acknowledgment, questionnaire, or other writing, including any exhibit thereto, disclaiming or denying any of the following shall be deemed contrary to public policy and shall be void and unenforceable: (a) Representations made by the franchisor or its personnel or agents to a prospective franchisee; (b) Reliance by a franchisee on any representations made by the franchisor or its personnel or agents; (c) Reliance by a franchisee on the franchise disclosure document, including any exhibit thereto; (d) Violations of any provision of this division.

- Franchisees must sign a personal guaranty, making you and your spouse individually liable for your financial obligations under the agreement if you are married. The guaranty will place your and your spouse's marital and personal assets at risk, perhaps including your house, if your franchise fails.

- We do not have a federal registration for some of our principal marks. Therefore, such principal trademarks do not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change an alternative trademark, which may increase your expenses.

- You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

- No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or any other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

This provision supersedes any other term of any document executed in connection with the franchise.
- California Business and Professional Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
- The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law 11 U.S.C.A. Sec. 101 et seq.

**ADDENDUM TO HISSHO INTERNATIONAL, LLC FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF MARYLAND**

This Addendum to the Franchise Disclosure Document is set forth below in order to amend and revise the Franchise Disclosure Document as follows:

ITEM 5 of the Disclosure Document is amended to add the following:

- All initial fees and payments shall be deferred until such time as the Franchisor completes its initial obligations under the Franchise Agreement.

ITEM 17 of the Disclosure Document is amended to add the following:

- Under the Maryland Franchise Registrations and Disclosure Law, Md. Code Ann. Bus. Reg. §14 201 et seq., the general release that shall be required as a condition of renewal, termination and/or transfer shall not apply to any liability incurred under the Maryland Franchise Registration and Disclosure Law.
- Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

- In the event of a conflict of laws to the extent required by the Maryland Franchise Registration and Disclosure Law, Maryland law shall prevail.
- The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law 11 U.S.C. Section 101, *et seq.*

No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or any other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO HISSHO INTERNATIONAL, LLC (“HISSHO INTERNATIONAL”)
FRANCHISE AGREEMENT REQUIRED BY THE STATE OF MARYLAND**

This Addendum to the Hissho International, LLC Franchise Agreement is executed between Franchisor and Franchisee, as set forth below, in order to amend and revise Hissho International, LLC Franchise Agreement in the following respects:

1. In recognition of the requirements of the Maryland Franchise Registration and Disclosure law, the Franchise Agreement is amended as follows:

- No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or any other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
- The Agreement requires Franchisee to sign a general release as a condition of renewal or transfer of the franchise; such release shall not apply to any liability arising under the Maryland Franchise and Registration and Disclosure Law.
- No representation, warranty, acknowledgement, or disclaimer contained in the Franchise Agreement is intended to or will act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.
- No limitation of claims provision in the Franchise Agreement shall act to reduce the three 3-year state of limitations afforded Franchisee for bringing a claim arising under the Maryland Franchise Registration and Disclosure Law.
- This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.
- Franchisee’s disclaimers of reliance in Section 27 are not intended to be, nor shall be, construed as a waiver or estoppel of Franchisee’s rights under the Maryland Franchise Registration and Disclosure Law.

2. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law applicable to the provisions are met independent of this Addendum. To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or exhibits thereto, the terms of this Addendum shall govern.

3. The Franchise Agreement is amended to include the following sentence at the end of Section 4:

1. The cover page of the Minnesota Franchise Disclosure Document and Item 17, “RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION”, Section “Franchise Agreement,” Paragraphs v and w, shall be amended by the addition of the following language:

Minnesota Statutes §80C.21 and Minnesota Rule 2860.4400J prohibits us from requiring litigation to be conducted outside Minnesota, requiring waiver of jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce 1 any of your rights as provided for in Minnesota Statutes, Chapter 80C or 2 your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

2. Item 17, “RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION”, Section “Franchise Agreement,” Paragraphs c, g, h, i and l, shall be amended by the addition of the following language:

Minnesota law provides you with certain termination and non-renewal rights. Minnesota Statutes, Section 80C.14, Subdivision. 3, 4 and 5, which requires, except in certain cases, (1) that you be given 90 days’ notice of termination with 60 days to cure and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

3. Item 13 “TRADEMARKS”, shall be amended by the addition of the following language:

We will protect your right to use the Proprietary Marks, trade names, logotypes or other commercial symbols. We will indemnify you from any loss, costs or expenses resulting from any claim, suit or demand by third parties that your use of the Proprietary Marks of Hissho International, LLC infringes trademark rights of the third party. You must provide notice to us of any such claim and tender the defense of the claim to us immediately after the claim is asserted. If we accept the tender of defense, we have the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim and to determine whether to appeal a final determination of the claim.

Minnesota considers it unfair not to protect the franchisee’s rights to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd.1g.

4. Item 17, “RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION”, Section “Franchise Agreement,” Paragraph c, shall be amended by the addition of the following language:

Any reference to Franchisee’s consent to liquidated damages or waiver of jury trial in the Agreement shall be deleted in its entirety.

Minnesota Statutes §80C.17, Subdivision 5 provides that we must comply with this section in regard to

Limitation of Claims.

6. No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or any other person acting on behalf of the franchisor.
