This disclosure document is for the right to own and operate an Area Representative Business in which you will be responsible for promoting, establishing and supporting Unit Franchises that will own and operate businesses specializing in operating and/or managing IV rejuvenation centers (“Centers”) that provide customized nutrient IV hydration therapy and cryotherapy to the general public at a specific location under the word mark “Prime IV Hydration & Wellness®” and such other trademarks we authorize (“Marks”). The term “Area Representative” or “Area Representatives” mean a person or entity that operates one or several Area Representative Businesses. Each Unit Franchise will report to and receive support directly and indirectly from you and/or our corporate headquarters. Unit Franchises are offered under a separate disclosure document (“FDD for Unit Franchises”).

The total investment necessary to begin operations of your Area Representative Business will range from \$191,584 to \$619,284. This includes \$182,000 to \$567,750 that must be paid to the franchisor or an affiliate. Each Area Representative Business must open at least one Unit Franchise. The total investment necessary to begin operation of a Unit Franchise is \$153,902 to \$345,402.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

1. **Out-of-State Dispute Resolution.** The Area Representative Agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Short Operating History.** The franchisor is at an early stage of development and has limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
5. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that mediation and litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of mediation or litigation, to conduct mediation or litigation at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualification or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of

such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Prime I.V. Hydration & Wellness, Inc., a Wyoming corporation, is offering prospective Franchisees the opportunity to own and operate a Prime IV Hydration & Wellness® Area Representative Business in accordance with the terms described in this Disclosure Document. To simplify the language in this Disclosure Document, the terms, “We,” “Us,” or “the Company” mean the Prime I.V. Hydration & Wellness, Inc., the franchisor (but not the Company’s officers, directors, agents or employees). “You” means the person or entity who buys an Area Representative Business from us. The term “Area Representative” or “Area Representatives” mean the person or entity that owns and operates one or several Area Representative Businesses. The term “Unit Franchise” or “Unit Franchises” means one or several Prime IV Hydration & Wellness® single unit franchises. The owner(s) and operator(s) of a Unit Franchise(s) is referred to as a “Unit Franchisee(s)” or simply as a “Franchisee(s)”. If you are a corporation, partnership, limited liability company, or other entity, your principal shareholders, partners or members will be referred to as “Owners”. Unless otherwise indicated, the term “Franchised Business” means an Area Representative Business.

The Franchisor, and any Parents, Predecessor and Affiliates

We are a Wyoming corporation, created on August 28, 2019 under the name “Revivology Franchising, Inc.” On February 19, 2020, we changed our corporate name to “Prime I.V. Hydration & Wellness, Inc.” We have never offered franchises in any other line of business, and have never engaged in any other business activities. We have no parents or predecessors. We intend to do business under the name “Prime IV Hydration & Wellness®” and such other trademarks we authorize (“Marks”).

Our principal business and mailing address is 1434 Kelly Johnson Blvd., Colorado Springs, CO 80920. Our telephone number is (719) 375-1413. Our agent for service of process is disclosed in **Exhibit A**.

Our affiliate, Unified Health Solutions LLC DBA Prime IV Hydration & Wellness®, located at 9475 Briar Village Point, Colorado Springs, CO 80920, operates a business substantially similar to a Prime IV Hydration & Wellness® Unit Franchise. Unified Health Solutions LLC DBA Prime IV Hydration & Wellness® is owned by our CEO. We have no affiliates that offer franchises in any lines of business or that offer goods or services to our franchisees.

Our affiliate, Prime Digital Marketing, located at 1434 Kelly Johnson Blvd, Colorado Springs CO 80920, is our required vendor for digital marketing for Prime IV Unit Franchises. Prime Digital Marketing is owned by our CEO, and does not offer franchises in any lines of business.

Our Business

We currently offer and sell two types of businesses: 1) Area Representative Businesses, referred to as a “Area Representative” or “Area Representatives”; and 2) Unit Franchises. We began offering both types of franchises in January 2020. This Disclosure Document is for Area Representative Businesses only, and does not contain information about the costs of opening or operating a Unit Franchise. Unit Franchises are offered under a separate Disclosure Document for Unit Franchises (“FDD for Unit Franchises”). We do not currently operate any Unit Franchises or Area Representative Businesses.

Area Representative Businesses

We offer qualified applicants the opportunity to sign an area representative agreement (referred to as a “Area Representative Agreement” or “ARA”), a copy of which is attached as **Exhibit B** to this Disclosure Document, the

right to solicit potential purchasers for our Unit Franchises in a defined geographic development area (“Development Area”).

As Area Representative, under the ARA you will (i) solicit, recruit, screen and interview prospective Franchisees for us (“Sales Services”) and (ii) provide operational, training and field support to each Franchisee in your Development Area both before and after they open their Unit Franchise (“Support Services”). You will share in a portion of some of the initial franchise and royalty fees paid to us by the Franchisees in your Development Area in exchange for performing your duties under the ARA.

Your right to promote Unit Franchises in your Development Area is non-exclusive. Therefore, we may recruit prospective Franchisees and sell Unit Franchises in your Development Area, however, you will still earn a portion of the initial franchise fee for franchises that we sell in your Development Area as long as you comply with the requirements of your ARA. We will turn over to you all of the sales leads that we receive from prospects looking to acquire a Unit Franchise in your Development Area so that you can pre-qualify the candidate. You must attend the training for your required Unit Franchise before you will receive any Royalty Fees on any Unit Franchises within your Development Area. For existing Unit Franchises in your Development Area, you will not receive any Royalty Fees until your required Unit Franchise is open for business. Your ARA will set forth the minimum number of Unit Franchises you must sell (“Minimum Development Obligation”) within a certain period of time (“Development Schedule”). Your Development Area, Minimum Development Obligation and Development Schedule will be established before you sign your ARA.

While we rely on you to solicit, screen and interview Franchisee candidates and to present us with those applicants whom you pre-qualify using our criteria, we make the final decision on whether we will sell a franchise to the candidates you present. If we approve the candidate, we and the candidate will sign a Franchise Agreement. You will not be a party to the Franchise Agreements. However, you will provide a variety of Site Services and Support Services to the Franchisees in your Development Area. We will prepare and pay the costs associated with the franchise disclosure documents (“FDD”) used in soliciting franchisees within your Development Area, however, you will assist us in getting any information we need to prepare and update the FDD.

If you are a business entity, the ARA requires you to designate the individuals who will be responsible for your Area Representative Business. The Owner(s) of the Area Representative Business, or others you designate to operate the Area Representative Business, must meet our qualifications and must be approved by us. Your current and future Owners and their spouses must sign an Owner’s Guaranty and Assumption of Obligations (“Guaranty”) (see Exhibit 4 to the ARA) guaranteeing your performance and binding themselves individually to certain provisions of the ARA, including the covenants against competition and disclosure of confidential information, restrictions on transfer and dispute resolution procedures.

We may periodically make changes to the systems and standards for your Area Representative Business. All Area Representatives must be developed and operated in accordance with our specifications, standards, policies and procedures, which will be communicated to you via our confidential Manual for Area Representative Businesses (“Manual for ARs”) or other written communications and directions from us. A copy of the table of contents of our Manual for ARs is attached as **Exhibit C** to this Disclosure Document. Each Area Representative is required to open one (1) Unit Franchise within one-hundred (180) days of signing your ARA. The initial franchise fee for the required Unit Franchise is included as part of the Development Fee.

Market and Competition for Area Representative Businesses

Area Representative Businesses compete with other franchisors, area representatives, sales brokers and others offering various types of franchise concepts and/or other business opportunities. Prior business management experience is generally very important for new Area Representatives, and prior business ownership experience is highly desirable.

Laws and Regulations for Area Representative Businesses

Many states and local jurisdictions have enacted laws, rules, regulations and ordinances that may apply to the operation of your Area Representative Business. In all cases, you must also comply with laws that apply generally to all businesses. You should investigate these laws and consult with a legal advisor about whether these and/or other requirements apply to your franchise. In addition to laws and regulations that apply to businesses generally, your Area Representative Business may be subject to federal, state and local occupational safety and health regulations, Equal Employment Opportunity and Americans with Disabilities Act rules and regulations. As an Area Representative, you must comply with all applicable federal and state franchise laws. You must comply with the disclosure requirements mandated by the FTC Franchise Disclosure Rule. Further, in the states of California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin, we are required to register the FDD (or in some cases submit a notice filing) before the offer or sale of any franchise in that particular state. Area Representatives may not solicit prospects in a franchise registration state unless the franchisor's unit offering is effectively registered. The states of New York and Washington will also require you to register as a franchise broker. It is your responsibility to investigate and comply with all applicable laws.

We strongly encourage our Area Representatives to consult with independent legal counsel concerning the laws of the state(s) in which your potential Development Area(s) will be located so that you are aware of the requirements that will apply to the Unit Franchises within your Development Area. We are not obligated to provide assistance in determining which specific state laws apply to Area Representative Businesses or Unit Franchises in your Development Area.

Unit Franchises

We offer Unit Franchises to persons or legal entities that meet our qualifications, and are willing to undertake the investment and effort to own and operate Franchised Businesses that will own, operate and/or manage Prime IV Hydration & Wellness® IV centers ("Center(s)") that provide customized nutrient IV hydration therapy and cryotherapy to the general public. You may purchase your franchise as a new, start-up Center (a "New Center or Franchise"), or if the area of interest would not support a single Unit Franchise you may begin utilizing the Prime IV Hydration & Wellness® franchise system at an existing medical or healthcare center (referred to as an "Add-On Center or Franchise"). If you are an unlicensed person, you may own and operate a Center only if it is permissible under applicable law, otherwise, you may only manage a Center for a licensed person or entity that is authorized to own and operate a Center. You must consult independent legal counsel in your state to ensure the legality of your ownership or management.

Professional Corporation/Management Company Structure

Except where unlicensed ownership and operation of a Center is allowed by applicable law, each Center must be owned and operated by one or more licensed medical or healthcare professionals that will provide medical and healthcare services in the state in which the Center is located. In those states that require a Professional Corporation ("P.C.") (or similar entity, such as a professional limited liability company structure) to own and/or operate a Center, you as a potential franchisee will, in those circumstances, supply management and general business services to the P.C. who will in turn, own and operate the Center. We expect that these licensed medical or healthcare professionals will form a P.C., and will operate the P.C. with or as permitted under local and state laws.

You must enter into a Franchise Agreement with us (a copy of the Franchise Agreement is included as an exhibit to the FDD for Unit Franchises) for every Unit Franchise you own and operate. You must sign a Franchise Agreement for your required Unit Franchise at the same time you sign your Area Representative Agreement with us. You must operate your Unit Franchise at a site we approve. You will operate your Unit Franchise in complete accordance with the standards and procedures designated by the Company (the "System"), and according to our operations manual for Unit Franchises ("Manual"), as it may be changed from time to time.

If you are a not a licensed medical or healthcare professional, in addition to signing the Franchise Agreement with us, before you begin operating the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a P.C. A copy of our form of Management Agreement is available in our Manual. Under a Management Agreement, an unlicensed Unit Franchisee will provide a P.C. with management, administrative services and general business and operational support consistent with the System and generally supports the P.C.’s Center and its delivery of medical or healthcare services and related products to clients at a Center; consistent and in compliance with all applicable laws and regulations. Subject to changes that may be required by laws of the state where you will operate your Unit Franchise, you must use our applicable standard form of Management Agreement. While we provide you a generic form of Management Agreement, you are responsible for ensuring that it complies with the laws and regulations of your state. If needed, you may negotiate the monetary terms and certain other discretionary business terms of your relationship as a management company for the P.C. who owns and operates the Center and who delivers medical or healthcare services for your Unit Franchise. You must obtain our written approval of the final Management Agreement prior to signing it with a P.C. Prior to entering into any agreement with a P.C., you must also submit information about the P.C. and its licensed professionals, and their credentials, for our approval. You must maintain a current, conforming and compliant Management Agreement with a valid and approved P.C. who is in regulatory good standing at all times during the operation of the Franchised Business.

The P.C. is responsible to employ and control medical or healthcare professionals and staff of the Center who provide actual medical or healthcare services to be delivered at the Center where you operate your Franchised Business. An unlicensed Franchisee may NOT provide nor direct the administering of any actual medical or healthcare services, nor supervise, direct, control or suggest to the P.C. or its licensed medical or healthcare professionals the manner in which the P.C. provides or administers actual medical or healthcare services to its clients (except as described below under “Waiver of Management Agreement.”). Due to various federal and state laws regarding the practice of medicine, and the ownership and operation of Centers and health care businesses that provide medical or healthcare services, it is critical that any unlicensed Franchisees do not engage in practices that are, or may appear to be, the practice of medicine. The P.C. is responsible for, and must offer all medical or healthcare services in accordance with all applicable laws and regulations, and a conforming Management Agreement and the System.

You must also ensure that your relationship with the P.C. for which you manage the Center complies with all laws and regulations. The P.C. who owns the Center must comply with all laws and regulations and secure and maintain in force all required licenses, permits and certificates relating to the operation of a Center. Franchisees may assist the P.C. in its effort to comply with such laws and regulations, but must do so under the direction of the P.C. Each state has medical, nursing, physician assistant, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as medical professionals or healthcare providers in the state where the Center is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such laws or regulations, these laws and regulations are likely to vary from state to state, and these may change from time to time.

Ownership and Operations of Centers By Licensed Medical or Healthcare Professionals

Depending on the laws of your state, if you are a licensed medical or healthcare professional and/or have your own P.C., you may not be required to execute a Management Agreement in order to operate a Unit Franchise. However, you must agree that you will ensure that will you operate your Center in compliance with all applicable federal and state requirements and will only offer those products and services that are permitted under your medical or healthcare license. You may purchase and operate your Franchise as a new, start-up (a “Start-up Unit Franchise”), or may convert an existing medical or healthcare practice (a “Conversion Unit Franchise”).

Ownership and Operation of Centers By Unlicensed Persons Without a P.C.

In certain states, it may be permissible under the existing laws that may be applicable to medical or healthcare professionals and/or practices, such as Centers, for an unlicensed person to both own and operate a Center and a Unit Franchise, including hiring medical or healthcare professionals and personnel and to provide medical or healthcare services to clients at the Center. If you determine that the laws that would apply to a Center in your state would permit you to do so, you may request that we waive some of the requirements of the Franchise Agreement related to separating the operation of the medical or healthcare aspects of the Center from the management aspects. In particular, you (i) may not need to enter into a Management Agreement with a P.C. that, as a separate entity, would otherwise operate the Center and provide all medical or healthcare services, and (ii) you would not be restricted from hiring and supervising medical or healthcare professionals. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to do a waiver, you must enter into an Amendment to Waive Management Agreement (“Waiver Agreement”) (attached to the FDD for Unit Franchises). Under the Waiver Agreement, you agree that, instead of entering into the Management Agreement with a separate P.C., you will (a) operate the Center, including performing all responsibilities and obligations of the “P.C.” under the Management Agreement, and (b) manage the Center as required in the Franchise Agreement and by performing all the responsibilities and obligations of the “Company” under the Management Agreement in conformity and compliant with all applicable laws and regulations.

You are responsible for operating in full compliance with all laws that apply to a Unit Franchise and Center, and you must make your own determination as to your legal compliance obligations. Additionally, the laws applicable to your Center may change, and if there are any medical or healthcare regulations or other laws that would render your operation of the Center through a single entity (or otherwise) in violation of any medical or healthcare regulation or law, you must immediately advise us of such change and of your proposed corrective action to comply with medical or healthcare regulations and law, including (if applicable) entering into a Management Agreement with a P.C.. Similarly, if we discover any such laws, upon providing you notice of such laws, you agree to make such changes as are necessary to comply with medical regulations, including (if applicable) entering into a Management Agreement with a P.C.

Regardless of whether you are licensed or an unlicensed person or entity, if we grant you the right to operate a Franchised Business, neither we nor you are engaging in the practice of medicine, nursing, chiropractic or any other profession that requires specialized training or certification, and you, as Franchisee, must not engage in the practice of medicine, nursing, chiropractic or any other profession that requires specialized training or certification, unless you are properly licensed to do so. The Franchise Agreement and Management Agreement will not interfere with, affect or limit the independent exercise of medical judgment by the P.C. and its professional medical or healthcare staff. It will be your responsibility for researching all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing a Franchise Agreement with us, or a Management Agreement with a P.C., or any other agreements, to determine your legal obligations and evaluate the possible effects on your costs and operations.

Under our Franchise Agreement, the Company gives you the right to establish and operate a Unit Franchise at a site approved by the Company. The Franchise Agreement gives you the right to operate a Unit Franchise under the trademark “Prime IV Hydration & Wellness®”, and other marks designated by the Company from time to time (all referred to as the “Marks”). Under the Agreement, unless prohibited by law, you must offer all products and services that we may specify and may not offer any products or services we have not authorized.

It is anticipated that most Centers associated with Franchised Businesses will be located where traditional medical practices are located. However, in the future we may offer the right to operate a Franchised Business in a “Non-Traditional Site.” For purposes of this Disclosure Document, a “Non-Traditional Site” means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area (i.e., stadiums and airports”).

Market and Competition.

The market for Unit Franchises is well established and highly competitive and includes all individuals who desire medical or healthcare services. If you open a Franchise Business, the competition for the Center associated with your Franchised Business will include other businesses or professionals offering similar products and services to individuals. These competitors may include other medical or healthcare clinics and other medical facilities and franchises. Your Franchised Business may also face competition from businesses or professionals who operate multi-disciplinary medical and/or health practices, which offer medical and health services to their clients.

Laws and Regulations.

You are responsible for operating in full compliance with all laws that apply to your Franchised Business and any Centers that you own, operate and/or manage. The medical industry is heavily regulated. These laws may include federal, state and local regulations relating to: the practice of medicine, nursing, or other professional services, and the operation and licensing of medical or healthcare professionals or facilities; the relationship of providers and suppliers of health care services, including anti-kickback laws (including the Federal Medicare Anti-Kickback Statute and similar state laws); restrictions or prohibition on fee splitting; physician self-referral restrictions (including the federal “Stark Law” and similar state laws); payment systems for medical benefits available to individuals through insurance and government resources (including Medicare and Medicaid); privacy of client records, including the Health Insurance Portability and Accountability Act of 1996(HIPAA); use of medical devices; and advertising of medical services. While not all of these laws and regulations will be applicable to all Centers, depending on location and services provided, it is important to be aware of and compliant with the regulatory framework. You should ensure that all employees that will work with clients in your Franchised Business undergo a background check. Each Center is considered a “covered entity” for purposes of HIPAA. Centers will not be required to enroll in state or federal reimbursement programs, such as Medicare or Medicaid, and therefore may not accept Medicare patients.

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to Centers. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files and displayed as may be required. You must comply with all state and local laws and regulations regarding the management of any Center.

You must also ensure that your relationship with any P.C., for any Centers which you manage, complies with all laws and regulations, and that the P.C. complies with all laws and regulations and secures and maintains in force all required licenses, permits and certificates relating to the operation of a Center. Each state has medical, nursing, physician assistant, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as medical or healthcare providers in the state where the Center is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such a law or regulation, these laws and regulations are likely to vary from state to state, and these may change from time to time.

It is your obligation to consult with a local attorney to determine whether you will be required to work with a P.C. in order to operate a Franchised Business. You understand that it is your responsibility to operate your Unit Franchise in compliance with the laws and regulations of your state. This may mean that you may have to alter the structure of your franchise and begin working with a P.C., if the state you operate in does not allow, or decides to no longer allow, an unlicensed person from owning and/or operating a Center.

Some states may permit an unlicensed person from owning and operating a Center, but require you to first obtain a license or permit. You understand that it is your responsibility to obtain all necessary licenses or permits to operate your Unit Franchise.

In addition, you must operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, government regulations relating to occupational hazards, health, HIPAA, EEOC, OSHA, discrimination, employment, sexual harassment, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You agree to execute all documents, including documents with us, our agents, affiliates, etc., or others, to ensure compliance with any applicable laws, whether such laws are applicable now or in the future. You should consult with your attorney concerning those and other local laws and ordinances that may affect the operation of your Franchised Business.

ITEM 3
LITIGATION

Washington Department of Financial Institutions, Securities Division Action. Case No. S-23-3663-23- CO01 (December 2023).

We entered into a Development Agreement and two Franchise Agreements with two Washington franchisees and collected Development Fees and Initial Franchise Fees when we were required by the state of Washington to defer payment of these fees until the Centers were operational. After we self-reported this violation, the Washington Department of Financial Institutions, Securities Division concluded that we violated the Washington Franchise Investment Law by accepting the payment of the initial fees. On December 11, 2023, we signed a Consent Order and agreed to pay \$2,000 to the state to cover the costs of the investigation and agreed to cease and desist from violating the terms of our franchise registration permit with the state. We returned the initial fees and offered rescission to the one Washington franchisee that had not yet opened its Center and the franchisee elected not to rescind their Franchise Agreement.

Other than the action listed above, no other litigation is required to be disclosed in this Item.

ITEM 4
BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5
INITIAL FEES

You must pay us an initial Area Representative development fee (“the Development Fee”) upon signing your ARA. The fee will vary depending on a number of factors, including the size of the Development Area, but we expect these fees to range from \$182,000 to \$567,750. The Development Fee is not refundable under any circumstances. The Development Fee is calculated using a combination of algorithms derived from the following: Price per population of the territory, total population, income per capita, growth rates of the designated area, a Designated Market Area advertising analysis, income growth in the area, and real estate costs and availability.

The Development Fee must be paid by wire transfer, cash or certified funds when you sign the ARA. The Development Fee is uniform for all Area Representative Businesses we offer through this Disclosure Document. However, we reserve the right to modify the Development Fee in the future to reflect the changing costs of doing business and changes in the value of an Area Representative Business. We may also discount the Development Fee: (i) if an Area Representative purchases multiple Development Areas, depending on the number of Development Areas purchased and their geographic locations; (ii) if we are unable to locate an Area Representative in a particular region we consider desirable; or (iii) based on other subjective factors we deem important to the System.

Explanatory Notes:

We discuss the initial Area Representative development fee in detail in Item 5 of this Disclosure Document. We and our affiliates do not offer any financing for this fee. This fee is non-refundable.

1. You must pay to have a demographic analysis done to map the potential areas for Unit Franchisees. We estimate the cost of the demographic analysis to be between \$0 and \$3,000. This must be purchased from an approved supplier.
2. You may operate your Area Representative Business from any location you choose. If you operate out of your home, the cost of real property, rent and security deposits will be \$0. However, if you decide to operate your sales office from a leased premise, you will be required to pay rent and possibly, the cost of constructing, equipping and furnishing the sales office. Since the size and nature of each Area Representative's sales office space will vary, an estimate is difficult. The estimate shown is for an office consisting of a reception area, one secretarial station, one conference room and two offices. The amount of your rent will vary according to the area, the type of office location (office building, strip center, or free-standing building), and various other factors. If you decide to operate out of a lease premises, you may also be required to pay a security deposit. In addition, in certain lease transactions, if you are an entity, the landlord may require your owners to personally guarantee the lease. Whether this fee is refundable depends on your agreement with your landlord. If you operate your Area Representative Business out of your home, the cost for construction, equipment or fixtures will be \$0.
3. You must obtain and maintain, at your own expense, insurance coverage for the vehicle(s) and any buildings you use or operate in connection with your franchise. Insurance costs depend on a variety of factors. Annual premiums are typically paid to the insurer immediately, with refunds being issued if you cancel the insurance, however, you may be able to pay insurance premiums on a monthly basis. The chart assumes payments on an annual basis. The cost of your premiums will depend on the insurance carrier's charges, terms of payment, and your insurance and payment history. Our insurance requirements are contained in our Manual for ARs.
4. If you decide to operate from a leased premises, you may be required to pay deposits for utilities. The amount of these deposits will vary depending on the practices of the utility companies and whether any impact or hook-up fees are required.
5. If you decide not to utilize your own vehicle we estimate it will cost you approximately \$400 per month to cover the cost of your vehicle, tax, title, and licensing.
6. You may wish to retain the services of an attorney and other consultants to assist you in forming your business entity and in purchasing and establishing your Franchised Business. The cost of these services will vary depending on the different services providers.

7. You will incur expenses related to our initial Area Representative training program. We provide a training program, a training location, instructors, and instructional materials. You will need to arrange for transportation, food, and lodging for your designated attendees. The costs you incur will depend on the distance you must travel and the type of accommodations you choose.
8. If the laws within your Development Area require you to be registered prior to undertaking your franchise development activities as required by the ARA, there will be certain costs associated with this registration, including registrations fees. Registration fees vary from state to state.
9. We estimate that you will spend between \$1,700 and \$5,000 each month to advertise the sale of Unit Franchises in your Development Area. The precise amount will be determined by the population of your Development Area after consultation with, and consent by, us. Advertising expenditures must be documented to us upon our request. This includes the cost of sales and marketing materials. However, you must spend no less than \$500 per month, or \$6,000 per year per Development Area (we may increase the required amount by up to 25% per year).
10. You will need a computer, printer and access to the internet. We estimate the cost of internet service/DSL (high-speed) internet access to be less than \$100 per month. If you do not already have such equipment, we estimate that the cost of obtaining a computer and printer will be no more than \$1,500, however, this cost may vary greatly depending on what type of computer and printer you purchase.
11. You will need capital to support your on-going expenses like payroll and utilities to the extent that these costs are not covered by sales revenue. We estimate that the amount shown will be sufficient to cover ongoing expenses for the start-up phase of the Franchised Business, which is three months. Our estimate is based on the cost of other similarly situated business owners engaged in the sale of unit franchises for a franchisor.
12. We encourage you to make a diligent investigation of the Area Representative franchise opportunity, and consult appropriate business advisors, like attorneys or accounts who are qualified to assist you in carefully evaluating these figures, before you make any decision to purchase an Area Representative franchise from us.
13. Except as expressly mentioned above, none of the fees above are refundable.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Suppliers

You must purchase specified products and services relating to or for the operation of your Area Representative Business solely from suppliers (including distributors, manufacturers, and other sources) who have been approved in writing by us. You are not allowed to purchase any of these products or services from an unapproved or alternate supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. However, we do not have any specific written criteria for supplier selection and do not intend at this time to prepare one. Therefore, we will not furnish our criteria for supplier approval to you. We maintain written lists of required products (by brand name and/or by standards and specifications) and lists of approved suppliers for those items. All such products and approved vendors for our required products and services will be listed in the Manual for ARs, which must always be followed, even as modified and updated by us. Currently, we do not require our Area Representatives to purchase any products, supplies or equipment from us.

We, or our designated vendor, will be the required vendor for massage chairs, Kuwa reeds, reception signs, and the franchise management software that we require our Franchisees to use as part of their Unit Franchises. None

of our officers own an interest in any required third-party vendors. Currently, neither we nor any of our affiliates are an approved supplier of any products or services, but this may change in the future.

Specifications and Standards

You must purchase certain products, supplies and equipment under specifications and standards that we periodically establish either in the ARA, Manual for ARs, or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or services. The estimated cost of purchasing required products and services to meet our specifications will represent less than 1% of your total purchases in establishing your Area Representative Business and less than 1% of your total purchases during the operation of your Area Representative Business.

Our Involvement with Suppliers

In 2022, we received \$0 in revenues from Area Representative required purchases from vendors/suppliers.

We may receive revenue or other consideration from any other suppliers for goods and services that we require or advise you to purchase. In the event we enter agreements with any such suppliers, we anticipate that any revenue or other consideration received will include certain promotional allowances, rebates, volume discounts, and other payments, that may range from zero to ten percent (0-10%) of the amount of the goods or services you purchase from the supplier. We expect that at least some of these arrangements will generally allow us to obtain discounts from standard pricing, and that it may facilitate our ability to pass along a portion of the savings to you.

Effects of Compliance and Noncompliance

You must comply with our requirements to purchase or lease real estate, goods, and services according to our specifications and/or from approved suppliers to be eligible to renew your franchise. Failure to comply with these requirements will render you ineligible for renewal, and may be a default allowing us to terminate your franchise.

Material Benefits, Negotiated Prices and Cooperatives.

We do not provide any other benefits to you because of your use of designated or approved services and products, or suppliers. We may choose to negotiate purchase agreements for certain equipment or supplies. You may purchase such equipment or supplies from such designated suppliers or from any approved supplier on such terms as you negotiate. The Manual for ARs contains details relating to such purchases. Currently, we do not require you to purchase any particular equipment or supplies to operate an Area Representative Business. There currently are no purchasing and distribution cooperatives.

Insurance Specifications

Before you begin operating your Area Representative Business, you must obtain General Commercial Liability and Errors and Omissions insurance each with a minimum of \$1,000,000 in coverage, naming us as an additional insured. We may increase these limits or have new types of coverage added at any time after giving you notice. You must maintain this insurance coverage, as required by your ARA, from a responsible carrier. Our current insurance requirements are summarized in the Manual for ARs.

Advertising Specifications

You must obtain our approval before you use any advertising and promotional materials, signs, forms and stationary prior to their proposed use. We may require you to purchase certain advertising and promotional materials, brochures, fliers, forms, business cards and letterhead from approved vendors only. Further, you must not engage in

any advertising of your Area Representative Business unless we have previously approved the medium, content and method.

Records and Reports

All of your bookkeeping and accounting records, financial statements, and all reports you submit to us must conform to the requirements set forth in Sections 6.10 and 6.11 of the ARA, as well as those contained in our Manual for ARs. You must submit weekly activity reports pertaining to the activity in your development area which will contain the following information: 1) number of contacts made (through all marketing methods), 2) number of appointments, 3) number of presentations, and 4) number of sales by the Monday after the week ending on the previous Friday evening. Your reporting obligations may be changed upon thirty (30) days written notice, and will be set forth in our Manual for ARs or other written directives.

Computer-Related Equipment and Software

As an Area Representative, you will not be required to purchase any particular software to operate your Area Representative franchise. You will also need a computer, printer and access to the internet. We estimate that the monthly telecommunications system and internet cost to operate your Area Representative franchise will be no more than \$100 per month. You will also be required to pay \$329/month to utilize our own proprietary software for Area Representative franchises. We reserve the right to increase this amount to up to \$499/month in the future upon thirty (30) days’ prior notice.

Disclosure Document for Unit Franchises

You must ensure that a copy of our FDD for Unit Franchises is disclosed (or re-disclosed, when there are updates or supplements) to each potential Franchisee.

Prepare and/or register any disclosure documents or other documentation that must be prepared, amended, or registered for you to fulfill your responsibilities to solicit, recruit, and screen prospective Franchisees (ARA – Section 5.4). Federal and state franchise or business opportunity laws govern the sale and offering of Unit Franchises, and may require the preparation, amendment, registration, or registration of all required documentation and disclosures relating to the Unit Franchises offered in your Development Area (the “Documentation”) before you can solicit prospective Franchisees. While we will prepare and register all Documentation necessary for you to begin soliciting prospective Franchisees, you must provide us with any documentation or information we may need to prepare or register the Documentation, and will be responsible for all costs applicable to you. You must review and become fully familiar with all Documentation related to franchises sold in your Development Area. Before soliciting a prospective Franchisee, you must take reasonable steps to confirm that the information contained in the Documentation or other materials related to the offer or sale of Unit Franchises is true, correct, and not misleading, or in violation of applicable state law related to registration of the Documentation.

4. Review and approve or disapprove your advertising, marketing, and promotional and/or website materials (ARA – Sections 6.8 and 6.9). See the remainder of this Item 11 for additional information about our advertising-related requirements and approval process.

Post-Opening Obligations:

After your Area Representative franchise opens for business, we or our designee will:

1. As we deem appropriate, provide you with additional or refresher training programs (ARA – Section 5.1). You will be required to participate in periodic webinars and sales calls scheduled by us for Area Representative Businesses. We may require you to attend up to two (2) additional or refresher training courses each year at our corporate offices, or another location we designate. You may also be required to attend a national business meeting or convention of up to three (3) days each year. We will determine the location, frequency, and instructors of these training programs. We may charge reasonable fees for any courses, conventions, webinars, sales calls, and programs. You must also pay for all travel, lodging, meal, and personal expenses related to your attendance and the attendance of your personnel.

2. Continue lending to you a copy of our Manual for ARs (ARA – Sections 5.2).

3. Provide you with general guidance through bulletins or other written materials (ARA – Sections 5.2 and 5.3).

4. If we agree to do so, provide you with additional or special guidance, training, or assistance that you request (ARA – Section 5.1). If we provide this training, you must pay all of our then-applicable charges, including all per-diem fees and travel, lodging, meal, and living expenses of our personnel.

5. As necessary, amend, maintain, or renew any Documentation and/or registrations necessary for you to continue to solicit prospective Franchisees (ARA – Section 5.4).

6. Approve or disapprove prospective Franchisees (the “Prospective Franchisees”) recommended by you, and their proposed site locations (ARA – Section 5.5). You must advertise for, solicit, recruit, and screen Prospective Franchisees to purchase Unit Franchises in your Development Area. You must investigate each Prospective Franchisee and its proposed Unit Franchise site to determine if they meet our standards and policies. After ensuring that a Prospective Franchisee meets our standards, you may recommend to us the approval of the Prospective Franchisee. You must provide us with all information that we may request to evaluate your recommendation. We may approve or reject a Prospective Franchisee for any reason. If we disapprove any Prospective Franchisee, we will notify you in writing of our reasons for the disapproval. If we approve the Prospective Franchisee, you must provide the Prospective Franchisee with a copy of our then-current Franchise Agreement for the Prospective Franchisee to sign.

7. Review and approve or disapprove your advertising, marketing, and promotional and/or website materials (ARA – Sections 6.8 and 6.9). See the remainder of this Item 11 for additional information about our advertising-related requirements and approval process.

8. Pay you the amount due under the ARA. Under the ARA, you will receive fifty percent (50%) of the initial franchise fee for each Unit Franchise that is sold, minus any referral fees, internal sales commissions, or broker sales commissions, 50% of any transfer or renewal fees, three percent (3%) of the royalty fees (ARA – Sections 8.1 – 8.4). Note: You must attend the training for your required Unit Franchise before you will receive any Royalty Fees on any Unit Franchises within your Development Area. For existing Unit Franchises in your Development Area, you will not receive any Royalty Fees until your required Unit Franchise is open for business.

9. Allow you to continue using our Marks and confidential information in operating your Area Representative franchise (ARA – Sections 9 and 10).

10. Indemnify you against damages and expenses you incur in a trademark infringement proceeding disputing your authorized use of any Mark in compliance with the ARA (ARA – Section 9.5).

11. If we establish a local or regional advertising cooperative that covers all or any part of your Development Area, approve or disapprove any advertising, marketing, or promotional materials created by the cooperative (ARA – Section 6/7). Though there currently are no local or regional cooperatives, we may create a cooperative to support the advertising and marketing needs of their respective members.

As an Area Representative, you must sell Unit Franchises only at the price we set, and may not change any of the fees we set for Unit Franchisees in your Development Area.

Site Selection

We will not approve or disapprove the site where you operate your Area Representative franchise, and do not have any standards applicable to the site where you will operate.

Advertising and Marketing

Advertising by You

You may develop, at your cost, advertising and promotional materials for your use, but may not use them until after we have approved them in writing. You must submit to us for our approval samples of all advertising and promotional materials not prepared or previously approved by us that you wish to use. We will not unreasonably withhold our approval. If you do not receive our written disapproval within 15 days from the date we receive the materials, the materials will be deemed to have been approved. Any materials submitted to us for approval will become our intellectual property. (ARA – Section 10).

We do not currently have any Area Representative advertising cooperatives but we reserve the right to create them in the future. If one is created, you will be required to join and participate in an Advertising Cooperative (“Co-op”), which is an association of Area Representatives who are located within a Designated Market Area (“DMA”). A DMA is a geographic area around a city in which the radio and television stations based in that city account for a greater proportion of the listening/viewing public than those based in the neighboring cities. One function of the Co-op is to establish a local advertising pool, of which the funds must be used for advertising only and for the mutual benefit of each Co-op member. We have the right to specify the manner in which any Co-ops are organized and governed, and require any and all Co-ops to be legal entities of the state where they are located. Co-ops must operate according to written bylaws which have been approved by us. Co-ops must provide us a copy of their organizational documents and bylaws prior to commencing any marketing or other activities. Currently, there are no Co-ops, however, if established, each Area Representative must contribute to a Co-op according to the Co-op’s rules and regulations, and bylaws, as determined by its members. The fees payable to Co-op members are determined by a vote of the Co-op members. We do not determine or set the amount of any Co-op fees. Amounts contributed to Co-ops may be considered as spent toward your Minimum Advertising Requirement under this Agreement, if appropriately documented and spent according to our defined criteria for advertising. The monthly cooperative fee will not exceed the minimum Recruitment Advertising and Marketing Expenditures fee of \$500.

We estimate that you will spend between \$1,700 and \$5,000 each month to advertise the sale of Unit Franchises in your Development Area. The precise amount will be determined by the population of your Development Area after consultation with, and consent by, us. Advertising expenditures must be documented to us upon our request. This includes the cost of sales and marketing materials. You must spend no less than \$500 per month, or \$6,000 per year per Development Area (we may increase the required amount by up to 25% per year). This requirement is waived if you are meeting or exceeding your production requirement in Exhibit 2. You must also spend a minimum of \$299 per month on social media advertising through a vendor or supplier we designate or approve. We reserve the right to increase this fee up to \$399 per month in the future upon thirty (30) days written

notice. The amount you spend on social media advertising will not count towards your minimum advertising requirement of \$500 per month.

Advertising by Us

We currently do not have an advertising fund ("Ad Fund") for our Area Representative Businesses, and do not intend to create one at this time. We do not have any advertising councils at this time, but reserve the right to create them in the future and to establish the rules as to how members are selected, voting rights of the members, etc. In the event any advertising councils are created, we will have the right change or dissolve the councils in our sole discretion.

Computer System

We do not require Area Representatives to purchase any specific computer system or POS system, but we do require Area Representatives to maintain a computer and printer that enables the Area Representative to communicate with us and franchisees, and to submit any reports that we require. You will need access to the internet. We estimate the cost of purchasing a computer system and related software will range from \$0 to \$1,500. We estimate that the monthly telecommunications system and internet cost to operate your Area Representative franchise will be no more than \$100 per month. We have no contractual obligations to maintain, repair, update or upgrade your Computer System. We do not require you to update or upgrade your Computer System, we just require that you maintain a Computer System that enables you to communicate with us and the franchisees in your Development Area during the term of your Area Representative Agreement. We will not have independent access to the Computer System that you maintain as an Area Representative. You will also be required to pay \$329/month to utilize our proprietary software for Area Representative franchises. We reserve the right to increase this amount to up to \$499/month in the future upon thirty (30) days' prior notice.

Confidential Operations Manual

After you sign the ARA, we will grant you online access to our Manuals (in electronic format only), which we may amend from time to time upon written notice to you. A copy of the table of contents of the Manual for ARs is attached as **Exhibit C** to this Disclosure Document. The Manual for ARs contains approximately 113 pages. We consider the contents of our Manuals to be proprietary, and you must treat them as confidential.

All such trainers will have at least two (2) years' experience in the subject area that they will be teaching.

Website

You may not operate a website separate from our website. We shall have the right, but not the obligation, to designate one or more web page(s) to describe Area Representative. Such web pages(s) will most likely be located on our Website.

Computer System

As an Area Representative, you will not be required to purchase any particular software to operate your Area Representative franchise; however, your Unit Franchise must adhere to the same requirements established for Unit Franchises. You will also need a computer, printer and access to the internet. We estimate the cost of purchasing a computer system and related software will range from \$0 to \$1,500. In addition to purchasing the hardware associated with the computer system, we estimate that the monthly telecommunications system and internet cost to operate your Area Representative franchise will be no more than \$100 per month. You will also be required to pay \$329/month to utilize our proprietary software for Area Representative franchises. We reserve the right to increase this amount to up to \$499/month in the future upon thirty (30) days' prior notice.

Periodic Review Inspections

You must operate your Area Representative franchise in accordance with the ARA and the Manual for ARs. We reserve the right to conduct periodic reviews or inspections of your Area Representative Business operations to ensure that you are in compliance with your ARA, Manual for ARs, and our other written directives and standards. We may terminate your ARA if you do not operate your business in compliance with the ARA or the Manual for ARs.

ITEM 12

TERRITORY

Your ARA grants you Development Area, that generally will be defined by county boundaries, or fixed geographical boundaries such as rivers, streets or highways. There is no specific minimum or maximum size of geographic area that we will grant you as your Development Area. In determining the size of the Development Area, we will consider many factors including, but not limited to, the demographics within that geographic area, your capacity and ability to recruit and provide services within that geographic area, and the number of Unit Franchises we believe can operate within the geographic area. We identify the Development Area, Development Schedule, and Development Fee before you sign the ARA. We will not approve or disapprove the location where you operate your Area Representative Business.

You must develop and operate a minimum of one (1) Unit Franchise and recruit Franchisees to develop and operate Unit Franchises within your Development Area according to a Development Schedule. You must remain in compliance with all signed franchise agreements for Unit Franchises you own to retain your protected Development Area rights. If you do not comply with the Development Schedule, or if any of your Unit Franchises are terminated for any reason, we will have the right to terminate your ARA. However, if we terminate your ARA, we will not terminate any of your Unit Franchises unless we have cause.

You have no options, rights of first refusal, or similar rights to acquire additional geographic area to increase your territory size under the ARA.

If you are in compliance with your ARA, then we and our affiliates will not operate, establish, grant, or operate in your Development Area another Area Representative Business that offers Unit Franchises, or any Unit Franchises not required to be developed under your ARA.

You may solicit prospective Franchisees residing outside your Development Area but interested in opening a Unit Franchise within your exclusive Development Area without having to pay any special compensation to us or any other Area Representative. You may use the internet and other channels of distribution to solicit Franchisees inside or outside of your Development Area. Likewise, Area Representative outlets owned by us, our affiliates (if applicable), or other Area Representatives may solicit prospective Franchisees residing in your Development Area but interested in opening a Unit Franchise in another Development Area without having to pay you any special compensation. Neither you nor any other Area Representative may solicit prospective Franchisees for a Unit Franchise located outside of their Development Area. We will forward to you any leads or referrals that we receive for prospective Franchisees interested in purchasing a Unit Franchise in your Development Area, and you will be entitled to the compensation referred to in Item 11 only if these prospective Franchisees purchase a Unit Franchise in your Development Area. For any prospective franchisee who signs a Franchise Agreement that was not procured via Area Representative's sales efforts, a 20% referral fee will be deducted prior to calculating Area Representative commission.

You may relocate the sales office where you operate your Area Representative Business without our approval if it is within your Development Area, or if it is not within your Development Area, as long as it does not interfere with the rights of another Area Representative.

You will not receive an exclusive territory. You may face competition from other Area Representative from outlets that we own or from other channels of distribution or competitive brands that we control. This is true only with respect to our reserved rights below.

Our Reserved Rights

(a) we expressly reserve (for us and any of our designees, which may include Area Representatives) the exclusive, unrestricted right to produce, sell, distribute and market at or through locations or channels that we

establish through Chain and Institutional Relationships (defined below), whether inside or outside of your Development Area. "Chain and Institutional Relationships" are business relationships with chain-branded, institutional, or comparable large-scale business partners through which we directly contract, may directly contract or have previously contracted, to establish on-premises locations at specialized properties or across multiple locations or geographic markets, such as at or within hotels, gyms, airports, stadiums, other sports or entertainment venues, and theme parks;

(b) we expressly reserve the right to grant Unit Franchises and/or Area Representative Business rights to others as follows: (i) in our sole and absolute discretion with regard to the Marks, outside of your Development Area, (ii) in our sole and absolute discretion with regard to products or services unrelated to the Marks, outside of your Development Area;

(c) if we, through a merger or any other form of acquisition acquire the ownership rights to or the rights, as franchisor or licensor, to collect franchise fees or licensing fees from any business(es) that are located within your Development Area, and so long as such business(es) would not become converted to operate under the Marks; then such acquired business(es) shall not be deemed to violate the protected rights granted to you under the ARA, and you shall not be entitled to receive any revenue, royalty or other rights associated with such acquired business(es). However, if we convert such business(es) to operate under the Marks, then, for so long as such business(es) operate under the Marks, you must provide support services to such business(es) and you will receive from us 3% of the royalties that we actually collect on the Gross Revenues from such converted business(es). Any such converted business(es) shall count toward your Minimum Development Obligation; and (d) the right to be acquired, directly or indirectly, in whole or in part, by a business and/or person providing products or services similar or dissimilar to those provided by or at Unit Franchises.

ITEM 13

In addition, you may use them only in the manner authorized and permitted by us and you may not directly or indirectly contest our ownership of or rights in the Marks.

We have registered the following Marks with the U.S. Patent and Trademark Office ("USPTO") on the Principal Register. At the appropriate times, we intend to renew the registrations and to file all appropriate affidavits.

There are no agreements currently in effect that significantly limit our right to use or license the use of the Marks in a manner material to the franchise. The logo is part of our Marks. With respect to the Marks, there are

currently no effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, or any pending infringement, opposition, or cancellation proceeding.

We will indemnify against or reimburse for expenses you incur in defending claims of infringement or unfair competition arising out of your use of the Marks. You are required to notify us immediately when you become aware of the use, or claim of right to, a Proprietary Mark identical or confusingly similar to our Marks. If litigation involving the Marks is instituted or threatened against you, you must notify us promptly and cooperate fully with us in defending or settling the litigation. We, at our option, may defend and control the defense of any proceeding relating to any Marks.

We have no actual knowledge of either superior prior rights or infringing uses that could materially affect an Area Representative's or Franchisee's use of the Marks in any state. There is no pending material federal or state court litigation regarding the Company's use or ownership rights in any trademark.

If it becomes advisable at any time in our sole judgment for us to modify or discontinue the use of any Mark, or use one or more additional or substitute trade or service marks, including the Marks used in our business name, then you agree, at your sole expense, to comply with our directions to modify or otherwise discontinue the use of the Mark, or use one or more additional or substitute trade or service marks, within a reasonable time after our notice to you

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents Rights

We own no rights in or to any patents that are material to the franchise.

Copyrights

We claim a copyright and treat the information in the Manuals as confidential trade secrets, but you are permitted to use the material as part of your Area Representative Business. The Company does not own rights to, or licenses in, any copyright that is material to the franchise system.

Confidential Operations Manuals

Under the ARA, you must operate the Area Representative Business in accordance with the standards, methods, policies, and procedures specified in the Manual for ARs. You will be loaned a copy of the Manual for ARs and Manual for Unit Franchises for the term of the ARA, when you have completed the initial training program to our satisfaction. You must operate your Area Representative franchise strictly in accordance with the Manual for ARs, as it may be revised by us from time to time. You must at all times, treat the Manuals and the information in them, as well as any other materials created for or approved by use for the operation of your Area Representative Business, as confidential, as required by the ARA. You must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record or otherwise make them available to any unauthorized person. The Manuals will remain our sole property and must be returned in the event that you cease to be an Area Representative franchise owner.

We may from time to time revise the contents of the Manual for ARs and Manual for Unit Franchises, and you must comply with each new or changed provision in the Manual for ARs. You must ensure that our Manuals are kept current at all times. In the event of any dispute as to the contents of the Manual for ARs, the terms of the master copies maintained by us at our corporate office will be controlling.

Confidential Information

The Area Representative Agreement requires you to maintain all Confidential Information of ours as confidential both during and after the term of the Agreement. “Confidential Information” includes all information, data, techniques, formulas, and know-how designated or treated by us as confidential and includes the Manuals. You may not at any time disclose, copy or use any Confidential Information except as specifically authorized by us.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

Each of the individuals who hold an ownership interest in the Area Representative Business (“Owner(s)”) must personally participate in the direct operation of the Area Representative Business. If as an Owner you do not personally participate in the direct operation of your Area Representative Business on a full-time basis, then you are obligated to have a fully trained Manager operate the franchise. While we do not require that your Manager have an equity interest in the franchise, we believe that only a person with an equity interest can adequately ensure that our standards of quality and competence are maintained. The ARA requires that the Owner(s) of the Area Representative Business be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Area Representative Business. While in most cases an Owner(s) will seek additional assistance for the labor-intensive portions of the business, we have built our reputation on Owner(s) participation and believe it is crucial for continued success.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by us. All subsequent Managers must be trained fully according to our standards by either the Area Representative or us. However, we may charge a fee for this additional training.

Each Owner(s), and his or her spouse, must personally guarantee all of the obligations of the Area Representative Business under the ARA. (See Exhibit 4 to the ARA - Owner’s Guaranty and Assumption of Obligations)

At our request, you must obtain and deliver executed covenants of confidentiality and non-competition from any Owner(s), any persons who have or may have access to training and other confidential information under the System. The covenants must be in a form satisfactory to us, and must provide that we are a third-party beneficiary of, and have the independent right to enforce the covenants.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must operate the Area Representative Business in strict conformity with all prescribed methods, procedures, policies, standards, and specifications of the System, as set forth in the Manual for ARs and in other writings by us from time to time. You must use your Area Representative franchise sales office only for the operation of the Area Representative Business and may not operate any other business at or from such office without our express prior written consent.

We require you to offer and sell only those goods and services that we have approved. We maintain a written list of approved goods and services in its Manual for ARs, which we may change from time to time.

You must offer all goods and services that we designate as required for all franchises. In addition, we may require you to comply with other requirements (such as state or local licenses, training, marketing, insurance) before we will allow you to offer certain optional services.

We reserve the right to designate additional required or optional services in the future and to withdraw any of our previous approvals. In that case, you must comply with the new requirements. There are no express limitations on our right to designate additional or operational services; however, such services will be reasonably related to our franchise system or model.

We do not currently have any restrictions or conditions that limit access to customers to whom the Franchisee may sell goods or services.

AREA REPRESENTATIVE AGREEMENT

THIS AREA REPRESENTATIVE AGREEMENT (the “Agreement”) is made and entered into this _____ day of _____, 201_____, (the “Effective Date”), by and between **Prime I.V. Hydration & Wellness, Inc.**, a Wyoming corporation (“Company”, “we”, “us” or “our”), and _____ corporation/limited company/partnership (Circle One) (“Area Representative”), with reference to the following facts:

- A. We and our affiliates have designed and developed valuable and proprietary formats and systems for the development and operation of businesses operating single unit franchises (“Unit Franchise(s)” or “Franchise(s)”). Unit Franchises will operate and/or manage centers as Prime IV Hydration & Wellness® (as allowed by applicable law) that provide customized nutrient IV hydration therapy and cryotherapy to the general public through licensed professionals (referred to as “Center(s)”).
- B. We have developed and use, promote and license certain trademarks, service marks and other commercial symbols in operating our Unit Franchises, including “Prime IV Hydration & Wellness®”, and we may create, use and license other trademarks, service marks and commercial symbols for use in operating our franchises (collectively, the “Marks”).
- C. We offer prospects persons or entities the right to own and operate a Unit Franchise offering customized nutrient IV hydration therapy and cryotherapy to the general public using our business formats, methods, systems, procedures, signs, designs and layouts, standards, specifications and Marks, all of which we may improve, further develop and otherwise modify from time to time (collectively, the “System”).
- D. We seek an Area Representative who will open and operate a Unit Franchise, and solicit and assist the owners of Unit Franchises (referred to as a “Franchisee(s)”) in opening and operating numerous Unit Franchises within a specified geographic area described in Exhibit 1 (the “Development Area”) in accordance with a defined schedule (“Development Schedule”).
- E. Area Representative desires to establish a business (an “Area Representative Business”) under which it will solicit, qualify, train and assist Franchisees to build and operate Unit Franchises within the Development Area, and we desire to grant to Area Representative the right to operate the Area Representative Business in accordance with the terms and upon the conditions contained in this Agreement.

WHEREFORE, IT IS AGREED

1. GRANT OF RIGHTS.

Subject to the terms of this Agreement, we hereby grant to Area Representative, and Area Representative hereby accepts, the rights during the Term to solicit, screen, qualify for final approval by us, train and assist Franchisees to open and operate, Unit Franchises in the Development Area.

2. AREA REPRESENTATIVE’S DEVELOPMENT OBLIGATION.

2.1 Minimum Development Obligation and Development Schedule.

Area Representative shall solicit, screen, qualify, train and assist Franchisees to construct, equip, open and operate, within the Development Area, the total number of Unit Franchises set forth in Exhibit 2 (the “Minimum

Development Obligation”), in the manner and within each of the time periods specified therein (the “Development Schedule”). You must do so in accordance with the following:

(a) You shall market the Unit Franchises within the Development Area in accordance with all applicable laws (including without limitation all franchise laws pursuant to any Federal Trade Commission regulation and any registration states’ laws). You may not use any advertising material which has not been either provided by us or approved by us in writing prior to its publication. Neither you nor any of your employees or representatives shall solicit prospective Franchisees until we have registered our current Franchise Disclosure Document (“FDD”) in applicable jurisdictions and have provided you with the requisite documents or at any time when we notify you that its registration is not then in effect or its documents are not then in compliance with applicable laws. If your activities pursuant to this Agreement require the preparation, amendment, registration, or filing of information or any disclosure or other documents, all requisite franchise disclosure documents, ancillary documents, and registration applications shall be prepared and filed by us or our designee, and registration secured, before you may solicit prospective Franchisees. At your cost, you shall: (1) promptly provide all information we reasonably require to prepare all requisite disclosure documents and ancillary documents for the offering of franchises throughout your Development Area; and (2) execute all documents we require for the purpose of registering us and you to offer franchises throughout the Development Area. You agree to review all information pertaining to you which has been prepared for you to comply with legal requirements for selling franchises in the Development Area and verify its accuracy if we so request. You acknowledge that we and our affiliates and designees shall not be liable to you for any errors, omissions, or delays which occur in the preparation of such materials. You shall be responsible for advertising, recruiting, screening, and interviewing prospective Franchisees within the Development Area. You shall provide prospective Franchisees with written information regarding a Unit Franchise approved by us or communicate information regarding Unit Franchises via the telephone, face-to-face meetings, or visits with other Unit Franchises within the Development Area. You shall submit each qualified prospective Franchisee to us for approval. You further agree that all prospective Franchisees submitted to us by you shall be individuals who are of good character, have adequate financial resources, and meet our criteria for Franchisees.

(b) Throughout the Term, you shall use your commercially reasonable efforts to develop the Development Area.

(c) Subject to the possible suspension of the Minimum Development Obligation as set forth in Section 2.1(g)(iii) of this Agreement, you shall be responsible for satisfying the Minimum Development Obligation in connection with the Development Schedule that is set forth in Exhibit 2.

For purposes of this Agreement, “Minimum Development Obligation” shall mean: your requirements to achieve that number of Sales by the deadlines set forth in the Development Schedule (Exhibit 2) both with regard to (1) the minimum number of completed Sales that must be achieved each year of this Agreement, by the annual anniversary dates measured from the Effective Date of this Agreement; and (2) the cumulative minimum number of Unit Franchises that must be opened and operating within your Development Area by the annual anniversary dates measured from the Effective Date of this Agreement. “Cumulative” means the net sum of (a) Franchisees in your Development Area that became Sales in a previous year, (b) plus the Sales in your Development Area that took place in the applicable current year, (c) minus the number of Franchisees in your Development Area that were closed (due to non renewal of Franchise Agreement, abandonment, etc.) in the applicable current year. The number of Sales and deadlines shall be negotiated in good faith and mutually agreed upon by the parties.

For purposes of this Agreement, “Sale” or Sales” means: that moment when: (1) the Initial Franchise Fee has been collected, (2) a copy of the Franchise Agreement has been executed; and (3) we receive confirmation that the franchisee has successfully completed all of its training obligations (if such training is required). Only newly constructed Unit Franchises qualify as a completed Sale.

(d) For each proposed Franchisee, you shall submit to us a report which shall include a completed written application by such proposed Franchisee together with such additional information and comments, as specified by us and on forms provided by us.

(e) We may approve or disapprove each Franchisee candidate proposed by you, which such approval shall not be unreasonably withheld. Our good faith disapproval of any such candidate shall not excuse you from failing to meet the Minimum Development Obligation.

(f) If you are not in compliance with the Minimum Development Obligation, it is understood and agreed that we retain the right (either directly or through our designees) but not the obligation, throughout the Term, to market, negotiate and sell franchises for Franchisees within the Development Area.

(g) Relief from sales responsibilities:

(i) We may from time to time, as mutually agreed upon by the parties, relieve you from the duty to sell Unit Franchises in the Development Area. 6.10 Accounting, Bookkeeping and Records. Area Representative shall maintain at its business premises in the Development Area all original invoices, receipts, checks, contracts, licenses, acknowledgement of receipt

forms, and bookkeeping and business records we require from time to time. Area Representative shall furnish to us, within one hundred twenty (120) days after the end of Area Representative's fiscal year, a balance sheet and profit and loss statement (audited by a CPA, if requested by us) for Area Representative's Business for such year (or a monthly or quarterly statement if required by us, in which case such statements also shall reflect year-to-date information). In addition, upon our request, within ten (10) days after such returns are filed, exact copies of federal and state income, sales and any other tax returns and such other forms, records, books and other information as we periodically require regarding Area Representative's Business, shall be furnished to us. Area Representative shall maintain all records and reports of the business conducted pursuant to this Agreement for at least two (2) years after the date of termination or expiration of this Agreement.

6.11 Reports and Annual Business Plan.

(a) Reports. Area Representative shall, as often as required by us, deliver to us a written report of its Area Representative Business activities in such form and detail as we may from time to time specify, including information about efforts to solicit prospective Franchisees, the status of pending transactions and the status of Unit Franchises. Such reports must include the following information: 1) number of contacts made (through all marketing methods), 2) number of appointments, 3) number of presentations, and 4) number of sales by the Monday after the week ending on the previous Friday evening. Your reporting obligations may be changed upon thirty (30) days written notice, and will be set forth in our Manual for ARs or other written directives.

(b) Annual Business Plan. On or before the one-hundred and twentieth (120th) day following each calendar year (or fiscal year, if you are on a non-calendar fiscal year) during the Term, you shall submit an annual business plan in the form designated by us. If you have a business plan on file with us, an update of such business plan, in the form designated by us will satisfy this requirement

6.12 Computer Systems. You are not required to purchase any particular computer system, operating software or hardware to operate your Area Representative Business, however, you will be required to use a computer and printer and have access to a broadband Internet connection in order to operate your Area Representative Business. However, the Company has the right to require you use certain required software for your franchise operations (the "Company Software"), which you will be required to install onto the Computer System and use in the operation of your Area Representative Business. You are required to pay all monthly fees associated with such software, to the Company, or its designated vendors, as applicable. You must pay our technology fee on a monthly basis. We may increase this fee ~~to~~ up to \$499/month in the future upon thirty (30) days' prior notice. You understand that this fee will be automatically debited from your bank account on a monthly basis, or deducted from any amounts we owe you. We reserve the right to use any technology fees we collect to cover costs related to technical maintenance and/or development of our proprietary software, our website and social media pages, your microsite/web and social media pages, file storage, and all information technology associated costs. In addition, we may, at any time and from time to time, contract with one or more software providers, business service providers, or other third parties (individually, a "Service Provider") to develop, license, or otherwise provide to or for the use and benefit of you and other Company franchises certain software, software applications, and software maintenance and support services related to the Computer System that you must or may use in accordance with our instructions with respect to your Computer System. You understand that you must pay all technology and computer fees associated with your Unit Franchise. The Company has the right to require you use certain required software for your franchise operations (the "Company Software"), which you will be required to install onto the Computer System and use in the operation of your Area Representative Business. You are required to pay all monthly fees associated with such software, to the Company, or its designated vendors, as applicable.

6.13 Management of Business. You must personally participate in the direct operation of your Area Representative Business. If you do not personally participate in the direct operation of your Area Representative Business on a full-time basis, then you are obligated to have a fully trained Manager operate the franchise. We believe that only a person with an equity interest can adequately ensure that our standards of quality and competence are

maintained. We require that you be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Area Representative Business.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by the Company. All subsequent Managers must be trained fully according to our standards by either the franchise owner or the Company. However, the Company may charge a fee for this additional training.

7. DEVELOPMENT FEE.

Area Representative shall pay to us a non-refundable "Development Fee" of _____ Dollars (\$ _____), payable upon execution of this Agreement by wire transfer or other mutually agreed upon payment method. Unless we agree otherwise, one (1) Unit Franchise is included as part of your Development Fee. You are not obligated to pay us a Franchise Fee for this Unit Franchise.

8. PAYMENTS TO AREA REPRESENTATIVE.

8.1 Initial Fee Commission and Conditions of Payment. During the term of this Agreement, Area Representative shall be paid a commission, as set forth in this Section, paid from the initial franchise fees paid by Franchisees and/or Area Representative for the purchase of Unit Franchises to be located within the Development Area (the "Initial Fee Commission"), subject to fulfillment of the following conditions: (a) the Franchisee (or Area Representative) executes a Franchise Agreement with us and an initial franchise fee has been paid to and actually received by us (we shall not be deemed to have received any fees paid into escrow, if applicable, until such fees actually have been remitted to us); and (b) Area Representative has complied with all of its other obligations under this Agreement with respect to such sale and has verified the same to us in writing in a form prescribed by us. The Initial Fee Commission shall be fifty percent (50%) of the initial franchise fee for each Unit Franchise that is sold pursuant to this Agreement minus any referral fees or broker sales commissions, if any, and will be payable to Area Representative within twenty (20) days after the conditions of this Section 8.1 have been fulfilled. In addition, Area Representative shall be entitled to a commission of 50% of any transfer and/or renewal fees Company collects from Unit Franchises within the Development Area. For any prospective franchisee who signs a Franchise Agreement that was not procured via Area Representative's sales efforts, you understand that a 20% referral fee may be deducted prior to calculating your Initial Fee Commission.

If we and you mutually agree for us to relieve you of your franchise sales responsibilities and if we (or our designees) undertake said responsibility in originating and closing the sales lead which results in a sale of a Unit Franchise located in the Development Area, then we shall pay to you a commission equal to twenty-five percent (25%) of the initial franchise fee we actually collect after payment of any referral fees or sales commissions. If we decide to offer initial Franchisees a limited time promotional discount of the initial franchise fee, then you hereby agree to your share of any such reduced fee shall also be reduced proportionately.

8.2 Commissions on Royalty Fees. We shall pay to Area Representative, on the 10th day of the month 3% of the royalty fees (which excludes advertising and marketing fees) actually received by us from each Unit Franchisee located in the Development Area during the applicable period pursuant to their Franchise Agreement ("Royalty Fees"). You must attend the training for your required Unit Franchise before you will receive any Royalty Fees on any Unit Franchises within your Development Area. For existing Unit Franchises in your Development Area, you will not receive any Royalty Fees until your required Unit Franchise is open for business. Notwithstanding the foregoing, if Area Representative has failed to conduct the periodic inspections described in Section 5.9 and failed to perform in any material respect, with respect to one (1) or more Franchisees located in the Development Area, the other services described in Section 5 to be provided to Franchisees located in the Development Area during any applicable month, then Area Representative shall not be entitled to receive commissions on Royalty Fees with respect to such Franchisees for the period during which reports or services were not provided.

8.3 Other Products. From time to time we may introduce other Products and Services for sale by Unit Franchises. We may require you to attend additional training in connection with newly introduced Products and Services.

8.4 Commissions After Termination. All payments under this Section 8 shall immediately and permanently cease after the expiration or termination of this Agreement, although Area Representative shall receive all amounts which have accrued to Area Representative as of the effective date of expiration or termination.

8.5 Application of Payments. Our payments to Area Representative shall be based on amounts actually collected from Franchisees, not on payments accrued, due or owing. In the event of termination of a Franchise Agreement for a Unit Franchise within the Development Area, we shall apply any payments received from a Franchisee to pay past due indebtedness of that Franchisee for Royalty Fees, advertising contributions, purchases from us or our affiliates, interest or any other indebtedness on that Franchisee to us or our affiliates. To the extent that such payments are applied to a Franchisee's overdue Royalty Fee payments, Area Representative shall be entitled to its pro rata share of such payments, less its pro rata share of the costs of collection paid to third parties.

8.6 Setoffs. Area Representative shall not be allowed to set off amounts owed to use for fees or other amounts due under this Agreement against any monies owed to Area Representative by us, which right to set off is hereby expressly waived by Area Representative. We shall be allowed to set off against amounts owed to Area Representative for commissions, Royalty Fees or other amounts due under this Agreement any monies owed to us by Area Representative.

9. MARKS.

9.1 Ownership and Goodwill of Marks. Area Representative's right to use the Marks is derived only from this Agreement and is limited to Area Representative's operation of its Area Representative Business. Area Representative's unauthorized use of the Marks is a breach of this Agreement and infringes our rights in the Marks. Area Representative acknowledges and agrees that Area Representative's use of the Marks and any goodwill established by that use are for our exclusive benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon Area Representative (other than the right to operate an Area Representative Business under this Agreement). All provisions of this Agreement relating to the Marks apply to any additional and substitute trademarks and service marks we authorize Area Representative to use.

9.2 Limitations on Area Representative's Use of Marks. Area Representative may not use any Mark: (1) as part of any corporate or legal business name; (2) with any prefix, suffix or other modifying words, terms, designs, symbols other than logos we have licensed to Area Representative; (3) in selling any unauthorized services or products; (4) as part of any domain name, electronic address or search engine, without our consent; or (5) in any other manner we have not expressly authorized in writing. Area Representative may not use any Mark in advertising the transfer, sale or other disposition of Area Representative's business under this Agreement or an ownership interest in Area Representative (if a corporation, partnership, limited liability company or another business entity holds the franchise at any time during this Agreement's term) without our prior written consent.

9.3 Notification of Infringements and Claims. Area Representative agrees to notify us immediately of any apparent infringement of or challenge to Area Representative's use of any Mark, or of any person's claim of any rights in any Mark, and not to communicate with any person other than us and our attorneys and Area Representative's attorneys regarding any infringement, challenge or claim. We may take action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising from any infringement, challenge or claim or otherwise concerning any Mark. Area Representative agrees to sign any documents and take any actions that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks.

9.4 Discontinuance of Use of Marks. If we believe at any time that it is advisable for us and/or Area Representative to modify or discontinue using any Mark and/or use one or more additional or substitute trademarks

or service marks, Area Representative agrees to comply with our directions within a reasonable time after receiving noticed. We need not reimburse Area Representative for Area Representative's expenses in complying with these directions, for any loss of revenue due to any modified or discontinued Mark, or for Area Representative's expenses of promoting a modified or substitute trademark or service mark.

9.5 Indemnification for Use of Marks. We agree to indemnify and reimburse Area Representative against and for all damages for which Area Representative is held liable in any trademark infringement proceeding arising out of Area Representative's authorized use of any Mark pursuant to and in compliance with this Agreement, and for all costs Area Representative reasonably incurs in the defense of any such claim in which Area Representative is named as a party, so long as Area Representative has timely notified us of the claim, and have otherwise complied with this Agreement. At our option, we may defend and control the defense of any proceeding relating to any Mark.

10. CONFIDENTIAL INFORMATION.

We possess (and may continue to develop and acquire) certain confidential information relating to the development and operation of Unit Franchises and Area Representative Businesses (the "Confidential Information"), which includes (without limitation):

- (1) site selection criteria;
- (2) methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge and experience used in developing and operating Unit Franchises and Area Representative Businesses;
- (3) marketing research and promotional marketing and advertising programs for Unit Franchises and Area Representative Businesses;
- (4) knowledge of specifications relating to suppliers, or methods use to order services or products that Unit Franchises and Area Representative Businesses use;
- (5) knowledge of the operating results and financial performance of Unit Franchises and Area Representative Businesses;
- (6) customer communication and retention programs, along with data used or generated in connection with those programs; graphic designs and related intellectual property;
- (7) information generated by or used or developed in the operation of Unit Franchises and Area Representative Businesses, including customer names, addresses, telephone numbers and related information; and
- (8) any other information designated confidential or proprietary by us.

Area Representative acknowledges and agrees that by entering into this Agreement, Area Representative will not acquire any interest in Confidential Information, other than the right to use certain Confidential Information in accordance with this Agreement, and that Area Representative's use of any Confidential Information in any other business would constitute an unfair method of competition with us and our franchisees. Area Representative further acknowledges and agrees that the Confidential Information is proprietary, includes our trade secrets, and is disclosed to Area Representative only on the condition that Area Representative agrees, and it does agree, that Area Representative:

- (1) will not use any Confidential Information in any other business or capacity;
- (2) will keep the Confidential Information absolutely confidential during and after this Agreement's term;

- (3) will not make unauthorized copies of any Confidential Information disclosure via electronic medium or in written or other tangible form;
- (4) will adopt and implement all reasonable procedures that we periodically prescribe to prevent unauthorized use or disclosure of Confidential Information, including, without limitation: (i) restricting its disclosure to Area Representative's personnel and Franchisees needing to know such Confidential Information in order to develop and operate the Unit Franchises; and (ii) requiring those having access to Confidential Information to sign confidentiality and non-disclosure agreements. We have the right to regulate the form of agreement that Area Representative uses and to be a third party beneficiary of that agreement with independent enforcement rights; and
- (5) will not sell, trade or otherwise profit in any way from the Confidential Information, except using methods approved by us.

All ideas, concepts, techniques or materials relating to a Unit Franchise or Area Representative Business, whether or not protectable intellectual property and whether created by or for Area Representative or its employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property and works made-for-hire for us. To the extent any item does not qualify as a "work made-for-hire" for us, by this paragraph, Area Representative assigns ownership of that item, and all related rights to that item, to us and agrees to sign whatever assignment or other documents we request to evidence our ownership or to help us obtain intellectual property rights in the item.

"Confidential Information" does not include information, knowledge or know-how which is or becomes generally known in business consulting industry or which Area Representative knew from previous business experience before we provided it to Area Representative (directly or indirectly) or before Area Representative attended our initial training program. If we include any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that the exclusion in this paragraph is fulfilled.

11. ASSIGNABILITY.

11.1 Assignability by Company.

(a) We shall have the right, but not the obligation, to cause a subsidiary or affiliate of ours to perform any or all of our obligations and exercise any or all of our rights under this Agreement and under any Franchise Agreement, and to require Area Representative to perform any or all of its obligations hereunder, in favor or such subsidiary or affiliate, by delivery of written notice thereof to Area Representative.

(b) We shall have the right to assign this Agreement, or any of our rights and privileges under this Agreement to any other person, firm or corporation, other than a subsidiary or affiliate of ours, without Area Representative's prior consent, and we shall not be liable for any obligations accruing under this Agreement after the effective date of such assignment; provided the assignee shall expressly assume and agree to perform our obligations under this Agreement and is reasonably capable of performing them.

11.2 Assignments by Area Representative.

(a) We have entered into this Agreement in reliance upon and in consideration of the singular personal skills, character, aptitude, business ability, financial capacity and qualifications of Area Representative and the trust and confidence reposed in Area Representative or, in the case of a business entity Area Representative, its owners (individually, an "Owner"). Therefore, neither Area Representative's interest in this Agreement nor any of its rights or privileges hereunder shall be assigned or transferred, voluntarily or involuntarily, in whole or in part, by operation of law or otherwise, in any manner, without our prior written approval.

(b) Any assignment or transfer without our approval is a breach of this Agreement and has no effect. In this Agreement, the term “transfer” includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events:

(1) transfer of record or beneficial ownership of capital stock in Area Representative (if Area Representative is a corporation), a partnership or membership interest (if Area Representative is a partnership or limited liability company), or any other ownership interest or right to receive all or a portion of Area Representative’s profits or losses;

(2) a merger, consolidation or exchange of shares or other ownership interests, or issuance of additional ownership interest or securities representing or potentially representing shares or other ownership interests, or a redemption of shares or other ownership interests;

(3) any sale or exchange of voting interests or securities convertible to voting interests, or any agreement granting the right to exercise or control the exercise of the voting rights of any owner or to control Area Representative’s operations or affairs;

(4) transfer of an interest in Area Representative, this Agreement, or Area Representative Business or its assets (or any right to receive all or a portion of Area Representative’s or the Regional Development Business’ profits or losses or any capital appreciation relating to the Regional Development Business) in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law;

(5) if Area Representative or an Owner (if Area Representative is a business entity) dies, transfer of an interest in Area Representative, this Agreement, or the Regional Development Business or its assets (or any right to receive all or a portion of Area Representative’s or the Regional Development Business’ profits or losses or any capital appreciation relating to the Regional Development business) by will, declaration or transfer in trust, or under the law of intestate succession; or

(6) pledge of this Agreement (to someone other than us) or of an ownership interest in Area Representative (if Area Representative is a business entity) as security, foreclosure upon the development area franchises, or Area Representative’s transfer, surrender or loss of the area development franchise possession, control or management.

11.3 Conditions for Approval of Assignment or Transfer. We may impose any reasonable condition(s) to the granting of our consent to such assignments. Without limiting the generality of the foregoing, the imposition by us of any or all of the following conditions to our consent to any such assignment shall be deemed to be reasonable:

(a) that the assignee (or the principal officers, shareholders, directors or general partners of the assignee in the case of a business entity assignee) demonstrates that it has the skill, qualifications and economic resources necessary, in our judgment, reasonably exercised, to own and operate the Area Representative Business;

(b) that Area Representative has paid all amounts owed to us;

(c) that the assignee shall expressly assume in writing for our benefit all of the obligations of Area Representative under this Agreement and any other agreements proposed to be assigned to such assignee;

(d) that neither the assignee nor its owners or affiliates operates, has an ownership interest in or performs services for a Competitive Business (defined in Section 12.2);

(e) that the assignee shall have completed (or agreed to complete) our training program;

(f) that the assignee signs our then current form of Area Representative Agreement, the provisions of which may differ materially from any and all of those contained in this Agreement, and the term of which shall be the remaining term of this Agreement;

(g) that as of the date of any such assignment, the assignor shall have strictly complied with all of its obligations to us, whether under this Agreement or any other agreement, arrangement or understanding with us;

(h) that the assignee is not then in default of any of the obligation to us under any agreement between such assignee and us;

(i) that the assignor shall pay to us a transfer fee of Ten Thousand Dollars (\$10,000) per transfer, except for transfers pursuant to Section 11.4 below;

(j) that the assignor and the assignor's spouse (if any) shall sign a general release, in a form satisfactory to us, of any and all claims against us and our affiliates and our and their respective shareholders, officers, directors, employees, representatives, agents, successors and assigns; and

(k) that assignor will not directly or indirectly at any time or in any manner identify himself, herself or itself or any business as a current or former Franchise or as one of our Franchisees or Area Representatives, use any Mark, any colorable imitation of a Mark, or other indicia of a Unit Franchise or Area Representative Business in any manner or for any purpose, or utilize for any purpose any trade name, trademark, service mark or other commercial symbol that suggests or indicates a connection or association with us.

Area Representative shall not in any event have the right to pledge, encumber, charge, hypothecate or otherwise give any third party a security interest in this Agreement in any manner whatsoever without our express prior written permission, which permission may be withheld for any reason whatsoever in our sole subjective judgment.

11.4 Assignment to Entity Principally Controlled by You. The Area Representative franchise business and its assets and liabilities may be assigned to a newly-formed corporation or other legal entity that conducts no business other than the operation of the franchise and in which you and any of your principals own and control in the aggregate not less than ninety percent (90%) of the equity and voting power of all outstanding capital stock or ownership interest, provided as follows:

(a) that the proposed transferee complies with the provisions of this Agreement; and

(b) that you are empowered to act for said corporation or other legal entity; and

(c) that you shall submit to us documentation that we may reasonably request to effectuate the transfer, including the approving and acknowledging execution of this Agreement; and

(d) that you shall submit to us a true and complete list of the shareholders, members or partners, showing number of shares or interests owned, and a list of the officers and directors if a corporation or managers if a limited liability company, or managing partners if a partnership. We shall be promptly notified of any changes in said lists; and

(e) that all certificates of shares or interests issued by transferee at any time shall be endorsed thereon the appropriate legend to conform with state law, referring to this Agreement by date and name of parties hereto and stating "Transfer to This Certificate is Limited by the Terms and Conditions of a Regional Development Agreement dated _____;" and

(f) that a copy of this Agreement shall be given to every shareholder, member or partner; and

(g) that a copy of the organizational documents and any corporate resolutions and a Certificate of Good Standing will be furnished to us at our reasonable request, and prompt notification in writing of any amendments thereto will be provided to us; and

(h) that the number of shares or interests issued or outstanding in the transferee will not be increased or decreased without prior written notice to us, which notice will in its terms guarantee compliance with this Agreement. In addition, new shareholders, members of partners must be approved by use and agree to be bound by this entire Agreement. Shareholders, members or partners may make a separate agreement among them providing for purchase by the survivors of the shares of any shareholders or interests of any members or partners upon death, or other agreements affecting ownership or voting rights, so long as voting control and a majority representation of the board of directors or members or partners remains with those individuals who initially applied for and were approved as Franchisees under this Agreement. Shareholders, members or partners must notify us in writing of any such agreement which affects control of the transferee.

11.5 Death or Disability.

(a) Upon the death or disability of Area Representative or an Owner, the executor, administrator, conservator, guardian or other personal representative must assign, sell, or transfer Area Representative's interest in this Agreement, the Area Representative Business and its assets, or the Owner's ownership interest in Area Representative, to a third party approved by us. That transfer (including, without limitation, transfer by bequest or inheritance) must occur, subject to our rights, within a reasonable time, not to exceed nine (9) months from the date of death or disability, and is subject to all of the terms and conditions in this Section 11. A failure to transfer such interest within this time period is a breach of this Agreement. The term "disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent Area Representative from supervising the Development Area management and operation for ninety (90) or more consecutive days.

(b) If, upon the death or disability of Area Representative or an Owner, a trained manager who we approve is not managing the day-to-day operations, then the executor, administrator, conservator, guardian or other personal representative must, within a reasonable time not to exceed thirty (30) days from the date of death or disability, appoint a manager that we must approve to operate the Area Representative Business. The manager must, at Area Representative's or the Owner's estate's expense, satisfactorily complete the training we designate with the specified time period.

11.6 Company's Right of First Refusal. If Area Representative at any time determines to sell or transfer an interest in this Agreement or the Area Representative Business, or if Owner determines to sell or transfer a controlling ownership interest in Area Representative, then Area Representative or the Owner, as applicable (the "Seller") must obtain from a responsible and fully disclosed buyer, and send us a true and complete copy of a bona fide, executed written offer relating exclusively to an interest in Area Representative or this Agreement and the Area Representative Business. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be in a fixed dollar amount and without any contingent payments of purchase price (such as earn-out payments).

We may, by delivering written notice to the Seller within sixty (60) days after we receive both an exact copy of the offer and all other information requested, elect to purchase the interest for the price and on the terms and conditions contained in the offer, provided that: 1) we may substitute cash for any form or payment proposed in the offer; 2) our credit will be deemed equal to the credit of any proposed buyer; 3) the closing will be not less than sixty (60) days after notifying the Seller of our election to purchase or, if later, the closing date proposed in the offer; and 4) we must receive, and the Seller agrees to make, all customary representations and warranties, given by the seller of the assets of a business or ownership interests in a legal entity, as applicable, including, without limitation, representations and warranties regarding ownership and condition of, and title to, assets and (if applicable) ownership interests and validity of contracts and the liabilities, contingent or otherwise, relating to the assets or ownership interests being purchased. If we exercise our right of first refusal, the Seller agrees that, for two (2) years beginning on the closing date, the Seller and members of its immediate family will be bound by the non-competition covenant contained in Section 12.2 below.

If we do not exercise our right of first refusal, the Seller may complete the sale to the proposed buyer on the original offer's terms, subject to our approval of the transfer as provided above. If the Seller does not complete the sale to the proposed buyer within sixty (60) days after we notify the Seller that we do not intend to exercise our right of first refusal, or if there is a material change in the terms of the sale (which the Seller must let us know promptly), we will have an additional right of first refusal during the sixty (60) day period following either the expiration of the sixty (60) day period or receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our option.

11.7 Ownership Structure. Area Representative represents and warrants that all persons holding direct or indirect, legal or beneficial ownership interests in Area Representative (collectively, the "Owners") are listed in Exhibit 3 and that its ownership structure is as set forth on Exhibit 3. In addition, if you use a Manager to assist you in operating your Area Representative Business, the Manager must also be listed in Exhibit 3. In consideration of, and as an inducement to, the execution of this Agreement, each Owner of the Area Representative and their respective spouses shall personally and unconditionally sign our form Guaranty and Acceptance of Obligations (Exhibit 4), guarantying to us and our successors and assigns that the Area Representative will punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement; and agreeing to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement. Area Representative shall not change its ownership structure without complying with all of the terms and conditions of this Section 11. Within ten (10) days of any change in Area Representative's ownership structure or management structure, Area Representative shall submit a revised Exhibit 3 to us showing the new ownership and/or management structure, and any new Owners shall sign our form Owner's Guaranty and assumption of Obligations (Exhibit 4).

12. NON-COMPETITION.

12.1 In Term. During the term of this Agreement, neither Area Representative, any of the Principals, nor any member of Area Representative's or a Principal's immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, controlling shareholder, employee, consultant, representative or agent, or in any other capacity, in a Competitive Business (defined below), whether located within or outside the Development Area, unless we shall first consent thereto in writing.

12.2 Post-Term. For a eighteen (18) month period following the assignment, expiration or termination of this Agreement, for any reason, neither Area Representative, any Owner, nor any member of Area Representative's or an Owner's immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Competitive Business located or operating: (a) within the Development Area; (b) within the development area of any of our other Area Representatives, (c) within twenty-five (25) miles of any Unit Franchise or Area Representative franchise or in operation or development on the date of assignment, expiration or termination; or (d) within any unsold development areas. The term "Competitive Business" means any business which derives more than Fifty-Thousand Dollars (\$50,000) of revenue per year from the performance of providing support services to hydration therapy, cryotherapy, or other related services to the general public, or any business which grants franchises or licenses to others to operate such a business, other than a Unit Franchise operated under a franchise agreement with us.

13. TERMINATION.

13.1 Termination by You.

You may terminate this Agreement due to a material default by us our obligations hereunder, which default is not cured by us within sixty (60) days after our receipt of prompt written notice by you to us detailing the alleged default with specificity. Failure to give such notice promptly and within thirty (30) days of having actual or constructive knowledge of the alleged default shall constitute a waiver by you of any such alleged default. If you terminate this Agreement pursuant to this Section 10.1, you shall comply with all of this Agreement's post termination covenants, terms and conditions. So long as we have performed our obligations as stated within this Agreement, you hereby

agree and irrevocably waive any rights you may possess under this Agreement or any applicable law to terminate or rescind this Agreement.

13.2 Termination by Company.

(a) With Notice and Opportunity to Cure.

(i) Except for any default under Section 13.2(a)(ii), Section 13.2(b) or by applicable law, you shall have thirty (30) days after our written notice of default with which to remedy any default under this Agreement, and to provide evidence of such remedy to us. If any such default is not cured within that time period, or such longer time period as applicable law may require or as we may specify in the notice of default, this Agreement and all rights granted by it shall thereupon automatically terminate without further notice or opportunity to cure.

(ii) If you do not strictly comply with the Minimum Development Obligation at any time during the term of this Agreement (except during such time when we shall have relieved you of your sales responsibilities in accordance with Section 2.1(g)), then it shall be your sole responsibility to incorporate within your annual business plan (required under Section 6.11(b)) an action plan for curing your default of the Minimum Development Obligation. Your failure to fully cure a default of the Minimum Development Obligation within six (6) months of such default shall cause an immediate termination of this Agreement, without any further opportunity to cure.

(b) Without Opportunity to Cure.

Subject to any controlling applicable laws to the contrary, you shall be deemed to be in material default and we may, at our option, terminate this Agreement and all rights granted hereunder, without affording you any opportunity to cure the default, effective immediately upon delivery or attempted delivery to you of notice by us of the occurrence of any of the following events:

(i) You fail to open your required Unit Franchise within 180 days after signing this Agreement, unless you receive our prior written approval to extend the deadline for opening.

(ii) You are adjudicated bankrupt or judicially determined to be insolvent (subject to any contrary provisions of any applicable state or federal laws), or fail to meet your financial obligations as they become due, or make a disposition for the benefit of your creditors.

13.5 General Provisions. Notwithstanding anything to the contrary contained in this Section 13, in the event any valid applicable law of a competent Governmental Authority having jurisdiction over this Agreement and the parties hereto shall limit our rights of termination hereunder or shall require longer notice or cure periods than those set forth above, this Agreement shall be deemed amended to conform to the minimum notice or cure periods or restrictions upon termination required by such laws and regulations. The parties shall not, however, be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, hearing or dispute relating to this Agreement or the termination thereof. Our rights as stated in this Section 13 shall be without prejudice to any other rights or remedies provided by law or under this Agreement which include, but are not limited to, injunctive relief, damages or specific performance. Our failure to terminate this Agreement upon the occurrence of one or more of the above events shall not constitute a waiver or otherwise affect our right to terminate this Agreement because of these or any other occurrence of one or more of the events set forth above.

14. MEDIATION AND LITIGATION.

14.1 Mediation. We and you acknowledge that during the term of this Agreement certain disputes may arise that we and you are unable to resolve, but that may be resolvable through mediation. To facilitate such resolution, you and we agree to submit any claim, controversy or dispute between us or any of our affiliates (and our and their respective owners, officers, directors, agents, representatives and/or employees) and you (and your owners, agents, representatives and/or employees) arising out of or related to (a) this Agreement or any other agreement between us and you, (b) our relationship with you, or (c) the validity of this Agreement or any other agreement between us and you, to mediation before bringing such claim, controversy or dispute in a court or before any other tribunal.

(i) The mediation shall be conducted by a mediator agreed upon by you and us and, failing such agreement within not more than fifteen 15 days after either party has notified the other of its desire to seek mediation, by the American Arbitration Association or any successor organization (“AAA”) in accordance with its rules governing mediation. Mediation shall be held at the offices of the AAA nearest to our principal place of business or in Colorado Springs, Colorado, at our option. The costs and expenses of mediation, including the compensation and expenses of the mediator (but excluding attorneys’ fees incurred by either party), shall be borne by the parties equally.

(ii) If the parties are unable to resolve the claim, controversy or dispute within ninety (90) days after the mediator has been chosen, then, unless such time period is extended by written agreement of the parties, either party may bring a legal proceeding pursuant to Section 14.2 below, and you agree that statements made by either you or us in any such mediation proceeding will not be admissible for any purpose in any subsequent legal proceeding.

(iii) Notwithstanding the foregoing provisions of this Section 14.1, your and our agreement to mediate shall not apply to controversies, disputes or claims related to or based on the marks or the confidential information. Moreover, regardless of your and our agreement to mediate, you and we each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief.

14.2 Litigation. With respect to any controversies, disputes or claims which are not finally resolved through mediation as provided in Section 14.1 above, the parties irrevocably submit themselves to the jurisdiction of the state courts of El Paso County, Colorado and the U.S. District Court for the District of Colorado and hereby waive all questions of personal jurisdiction for the purpose of carrying out this provision. You and we agree that service of process may be made upon them in any proceeding relating to or arising out of this agreement or the relationship created by this agreement by any means allowed by Colorado or federal law. You and we further agree that venue for any proceeding relating to or arising out of this agreement shall be El Paso County, Colorado.

15. GENERAL CONDITIONS AND PROVISIONS.

15.1 Relationship of Area Representative to Company. It is expressly agreed that the parties intend by this Agreement to establish between us and Area Representative the relationship of franchisor and franchisee. Except as expressly provided herein, it is further agreed that Area Representative has no authority to create or assume in our name or on our behalf, any obligation, express or implied, or to act or purport to act as agent or representative on our behalf for any purpose whatsoever. In no event shall either party be deemed to be fiduciaries of the other. Neither we nor Area Representative is the employer, employee, agent, partner or co-venturer of or with the other, each being independent contractors. Area Representative agrees that it will not hold himself out as the agent, employee, partner or co-venturer of ours, or as having any of the aforesaid authority. All Employees hired by or working for Area Representative shall be the employees of Area Representative and shall not, for any purpose, be deemed employees of us or subject to our control.

15.2 Indemnification. To the fullest extent permitted by law, Area Representative agrees to indemnify, defend and hold harmless us, our affiliates, and our and their respective shareholders, directors, officers, employees, agents, representatives, successors and assigns (the “Indemnified Parties”) from and against, and to reimburse any one or more of the Indemnified Parties for any and all claims, obligations and damages directly or indirectly arising out of: (1) the Area Representative Business conducted by Area Representative pursuant to this Agreement, (2) Area

Representative's breach of this Agreement, or (3) Area Representative's non-compliance or alleged non-compliance with any law, ordinance, rule or regulation. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, punitive or otherwise) and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness' fees, costs of investigation and proof of facts, court costs, travel and living expenses and other expenses of litigation, arbitration or alternative dispute resolution, regardless of whether litigation or alternative dispute resolution is commenced. Each Indemnified Party may defend and control the defense of any claim against it which is subject to this indemnification at Area Representative's expense, and Area Representative may not settle any claim or take any other remedial, corrective or other actions relating to any claim without our consent. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from an insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against Area Representative. Area Representative agrees that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from Area Representative.

15.3 Waiver and Delay. Except as otherwise expressly provided to the contrary, no waiver by us of any breach or series of breaches or defaults in performance by the Area Representative, and no failure, refusal or neglect of or by us to exercise any right, power or option given to us under this Agreement or under any other agreement between us and Area Representative, whether entered into before, after or contemporaneously with the execution of this Agreement (and whether or not related to this Agreement) or to insist upon strict compliance with or performance of the Area Representative's obligations under this Agreement or any other agreement between us and Area Representative, whether entered into before, after or contemporaneously with the execution of this Agreement (and whether or not related to this Agreement), shall constitute a novation, or a waiver of the provisions of this Agreement with respect to any subsequent breach thereof or a waiver of our right at any time thereafter to require exact and strict compliance with the provisions thereof.

15.4 Survival of Covenants. The covenants contained in this Agreement which, by their terms, require performance by the parties after the expiration or termination of this Agreement or ancillary agreements, shall be enforceable notwithstanding said expiration or other termination of this Agreement for any reason whatsoever.

15.5 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the legal representatives, successors and assigns of us and Area Representative.

15.6 Joint and Several Liability. If either party consists of more than one person or entity, or a combination thereof, the obligations and liabilities of each such person or entity to the other under this Agreement are joint and several.

15.7 Governing Law. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.), this Agreement and the Area Representative franchise will be governed by the internal laws of the State of Colorado (without reference to its choice of law and conflict of law rules), except that the provisions of Colorado law relating to the offer and sale of business opportunities or franchises or governing the relationship of a franchisor and its franchisees will not apply unless their jurisdictional requirements are met independently without reference to this Paragraph. You agree that we may institute any action against you arising out of or relating to this Agreement (which is not required to be mediated hereunder or as to which mediation is waived) in any state or federal court of general jurisdiction in El Paso County, Colorado, and you irrevocably submit to the jurisdiction of such courts and waive any objection you may have to either the jurisdiction or venue of such court.

15.8 Consent to Jurisdiction. Subject to Section 14 and the provisions below, Area Representative and its owners agree that all actions arising under this Agreement or otherwise as a result of the relationship between Area Representative and us must be commenced in the State of Colorado, and in the state or federal court of general jurisdiction closest to where our principal business address then is located, and Area Representative (and its Owners) irrevocably submits to the jurisdiction of those courts and waives any objection Area Representative (or its owners) might have with either the jurisdiction of or venue in those courts. Nonetheless, Area Representative and any of its

Owners agree that we may enforce this Agreement and any arbitration orders and awards in the courts of the state or states in which Area Representative or its Owners are domiciled.

15.9 Waiver of Punitive Damages and Jury Trial. Except for Area Representative's obligation to indemnify us under Section 15.2 above and except where authorized by federal statute, we and Area Representative and its Owners waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that, in the event of a dispute between us and Area Representative, the party making a claim will be limited to equitable relief and to recovery of any actual damages it sustains. We and Area Representative irrevocably waive trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.

15.10 Limitation of Claims. Any and all claims arising out of or relating to this Agreement or our relationship with Area Representative, except for claims for indemnification under Section 15.2 above, will be barred unless a judicial proceeding is commenced within one (1) year from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claims.

15.11 Entire Agreement. This Agreement and the Exhibits incorporated in the Agreement contain all of the terms and conditions agreed upon by the parties to this Agreement with reference to the subject matter of this Agreement. No other agreements, and all prior agreements, understandings and representations are merged in this Agreement and superseded by this Agreement. Each party represents to the other that there are no contemporaneous agreements or understandings between the parties relating to the subject matter of this Agreement that are not contained in this Agreement. This Agreement cannot be modified or changed except by written instrument signed by all of the parties to this Agreement, provided that we may modify or amend the Manuals at any time without notice to, or approval of, Area Representative or any other person. Notwithstanding the foregoing, nothing in any agreement is intended to disclaim the express representations made in the Franchise Disclosure Document, its exhibits and amendments.

15.12 Title for Convenience. Article and Section titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants or conditions of this Agreement.

15.13 Gender. All terms used in any one number or gender shall extend to mean and include any other number and gender as the facts, context or sense of this Agreement or any section or paragraph hereof may require.

15.14 Severability. Except as expressly provided to the contrary in this Agreement, each Section, paragraph, term and provision of this Agreement is severable, and if, for any reason, any part thereof, to be invalid or contrary to or in conflict with any applicable present or future law and regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction, that ruling will not impair the operation, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and Area Representative agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of our refusal to enter into a successor agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement is invalid or unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provisions to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. Area Representative agrees to be bound by any promise or covenant imposing the maximum duty the law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

15.15 Fees and Expenses. Should any party to this Agreement commence any action or proceeding for the purpose of enforcing, or preventing the breach of, any provision of this Agreement, whether by arbitration, judicial

or quasi-judicial action or otherwise, or for damages for any alleged breach of any provision of this Agreement, or for a declaration of such party's rights or obligations under this Agreement, then the prevailing party shall be reimbursed by the losing party for all costs and expenses incurred in connection therewith, including, but not limited to, reasonable attorneys' fees for the services rendered to such prevailing party.

15.16 Notices. Except as otherwise expressly provided herein, all written notices and reports permitted or required to be delivered by the parties pursuant to this Agreement shall be deemed so delivered at the time delivered by hand, one (1) business day after transmission by mail, via registered or certified mail, return receipt requested; or one (1) business day after placement with Federal Express, or other reputable air courier service, requesting delivery on the most expedited basis available, postage prepaid and addressed as follows:

15.17 Time of Essence. Time shall be of the essence for all purposes of this Agreement.

15.18 Lien and Security Interest. To secure your performance under this Agreement and indebtedness for all sums due us or our affiliates, we shall have a lien upon, and you hereby grant us a security interest in, the following collateral and any and all additions, accessions, and substitutions to or for it and the proceeds from all of the same: (a) all inventory now owned or after-acquired by you and the Area Representative Business, including but not limited to all inventory and supplies transferred to or acquired by you in connection with this Agreement; (b) all accounts of you and/or the Area Representative Business now existing or subsequently arising, together with all interest in you and/or the Area Representative Business, now existing or subsequently arising, together with all chattel paper, documents, and instruments relating to such accounts; (c) all contract rights of you and/or the Area Representative Business, now existing or subsequently arising; and (d) all general intangibles of you and/or the Area Representative Business, now owned or existing, or after-acquired or subsequently arising. You agree to execute such financing statements, instruments, and other documents, in a form satisfactory to us, that we deem necessary so that we may establish and maintain a valid security interest in and to these assets.

16. SUBMISSION OF AGREEMENT.

This Agreement shall not be binding upon us unless and until it shall have been submitted to and signed by our Chief Executive, and the date of said signing as set forth on the first page of this Agreement shall be the effective date of this Agreement.

17. ACKNOWLEDGMENTS.

To induce us to sign this Agreement and grant Area Representative the rights hereunder, Area Representative acknowledges:

(a) That Area Representative has independently investigated the Area Representative Business franchise opportunity and recognizes that, like any other business, the nature of the Area Representative Business may, and probably will, evolve and change over time.

(b) That an investment in an Area Representative Business involves business risks.

(c) That Area Representative's business abilities and efforts are vital Area Representative's success.

(e) That Area Representative has not received or relied upon, and we expressly disclaim making any representation, warranty or guaranty, express or implied, as to the revenues, profits or success of an Area Representative Business.

(f) That any information Area Representative has acquired from Franchisees or other area representatives regarding their sales, profits or cash flows is not information obtained from us, and we make no representation about that information's accuracy.

(g) That Area Representative has no knowledge of any representations made about the Area Representative franchise opportunity by us, our subsidiaries or affiliates or any of their respective officers, directors, shareholders or agents that are contrary to the statements made in our Franchise Disclosure Document or to the terms and conditions of this Agreement.

(h) That in all of their dealing with Area Representative, our officers, directors, employees and agents act only in a representative, and not in an individual capacity and that business dealings between Area Representative and them as a result of this Agreement are only between Area Representative and us.

(i) That Area Representative has represented to us, to induce us to enter into this Agreement, that all statements Area Representative has made and all materials Area Representative has given to us in acquiring the franchise are accurate and complete and that Area Representative has made no misrepresentations or material omissions in obtaining the franchise.

(j) That Area Representative has read this Agreement and our Franchise Disclosure Document and understands and accepts that the terms and covenants in this Agreement are reasonably necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each Area Representative Business and Unit Franchise, and to protect and preserve the goodwill of the Marks.

IN WITNESS WHEREOF, the parties to this Agreement have caused this Agreement to be executed as of the first date set forth above.

STATE-SPECIFIC ADDENDA

TO AREA REPRESENTATIVE AGREEMENT

CALIFORNIA ADDENDUM TO AREA REPRESENTATIVE AGREEMENT

1. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the Area Representative Agreement contains a provision that is inconsistent with the law, the law will control.

2. The Area Representative Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

3. The Area Representative Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

4. The Area Representative Agreement requires arbitration. The arbitration will occur in El Paso County, State of Colorado.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of an Area Representative Agreement restricting venue to a forum outside the State of California.

5. The Agreement requires the application of laws of Colorado. This requirement may be unenforceable under California law.

6. You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this California Addendum to the Area Representative Agreement on the same date as the Area Representative Agreement was executed.

MARYLAND ADDENDUM TO AREA REPRESENTATIVE AGREEMENT

The Area Representative Agreement is amended as follows:

- 1. Notwithstanding anything to the contrary set forth in the Agreement, the following provisions will supersede and apply to all residents in the State of Maryland and franchises offered operated and sold in the State of Maryland. The Area Representative Agreement is amended as follows:
- 2. All representations requiring prospective Area Representatives to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.
- 3. The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
- 4. The provision in the Area Representative Agreement which provides for termination upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.).
- 5. Any provision in the Agreement which operates to waive your right to file a lawsuit alleging a cause of action arising under the Maryland Franchise Law in any court of competent jurisdiction in the State of Maryland is void if that the provision violates this law. Claims arising under the Maryland Franchise Law may be brought in any court of competent jurisdiction in Maryland, within 3 years after the grant of the franchise.
- 6. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.
- 7. Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

NORTH DAKOTA ADDENDUM TO AREA REPRESENTATIVE AGREEMENT

1. The Area Representative Agreement contains a provision requiring a general release as a condition of renewal or transfer of the franchise. Such release is subject to and will exclude claims arising under the North Dakota Franchise Investment Law.
2. The Area Representative Agreement will be amended to state that arbitration involving a franchise purchased in North Dakota must be held in a location mutually agreed on prior to the arbitration, or if the parties cannot agree on a location, at a location to be determined by the arbitrator.
3. The Area Representative Agreement is amended to add that covenants not to compete on termination or expiration of an Area Representative Agreement are generally not enforceable in the State of North Dakota except in limited circumstances provided by North Dakota law.
4. The Area Representative Agreement is amended to add that any claim or right arising under the North Dakota Franchise Investment Law may be brought in the appropriate state or federal court in North Dakota, subject to the arbitration provision of the Agreement.
5. The Area Representative Agreement is amended to state that, in the event of a conflict of law, to the extent required by the North Dakota Franchise Investment Law, North Dakota law will prevail.
6. The Area Representative Agreement requires the franchisee to waive a trial by jury, as well as exemplary and punitive damages. These requirements are not enforceable in North Dakota pursuant to Section 51-19-09 of the North Dakota Franchise Investment Law, and are therefore not part of the Area Representative Agreement.
7. The Area Representative Agreement requirement that the franchise consent to a limitation of claims period of one year is not consistent with North Dakota law. The limitation of claims period under the Area Representative Agreement shall therefore be governed by North Dakota law.
8. The Area Representative Agreement stipulates that the franchisee shall pay all costs and expenses incurred by the franchisor in enforcing the Area Representative Agreement. The Commissioner has determined that to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The provision shall be changed to read that the prevailing party in any enforcement action is entitled to recover all costs and expenses, including attorneys' fees.
9. Each provision of this Addendum will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the North Dakota Franchise Investment Law, N.D. Cent. Code §§ 51-19-01 through 51-19-17, are met independently without reference to this Addendum.
10. The Area Representative Agreement and Disclosure Document require you to consent to termination or liquidated damages. The Commission has determined this to be unfair, unjust, and inequitable with the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Any such provision is hereby deleted in its entirety.
11. The North Dakota Securities Department requires that we defer collection of the Development Fee due under the Area Representative Agreement until the we have completed our initial obligations under the Area Representative Agreement or other documents and you commence doing business.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this North Dakota Addendum to the Area Representative Agreement on the same day as the Area Representative Agreement was executed.

2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Auditor's Responsibility

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in account with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or override of internal control. Misstatements are considered material if, individually or in the aggregate, that could reasonably be expected to influence that economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prime IV Hydration and Wellness, Inc. internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimated made by management as well as evaluated the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prime IV Hydration and Wellness, Inc.'s ability to continue as a going concern by a reasonable period of time.

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND DECEMBER 31, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Prime IV Hydration and Wellness, Inc. (the Company) is a Wyoming Corporation. The business commenced on August 19, 2019. It was formed for the purpose of selling customized nutrient IV hydration therapy and cryotherapy support services. On January 1, 2020, the Company was rebranded and began selling franchise agreements throughout the United States.

As of December 31, 2022, the Company has sold 21 regional representatives and 150 franchised units in the United States.

The financial statements of the Company have been prepared using generally accepted accounting principles.

Basis of Presentation

The Company has an accounting year end of December 31.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

Cash and cash equivalents include all short-term highly liquid investments with original maturities of 3 months or less. The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. Those funds that exceed the FDIC insurance limits would be considered a concentration of credit risk. The carrying amount of cash and deposits with financial institutions is \$735,032 and the bank balance is \$746,310, \$250,000 of which is covered by FDIC insurance.

Accounts Receivable

Accounts receivable are recorded at the amount charged to our customers, primarily our franchisees and regional developers. Accounts receivable are carried at original invoice amounts. Management reviews closely the outstanding balances to ensure collectability. It is their determination that all receivables recorded as of December 31, 2022 are collectible. Therefore, there is no allowance for uncollectible accounts recorded on the balance sheet.

Inventory

Inventories are valued at cost, using a first-in first-out (FIFO) method and consist of medical supplies and health supplements. The cost of such inventories is recorded as expenses when they are consumed rather than when purchased.

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND DECEMBER 31, 2021

NOTE 1 - SUMMARY (CONTINUED)

Property and Equipment

Property and equipment are recorded at cost. Expenditures for major additions and improvements are capitalized and minor replacements, maintenance, and repairs are charged to expenses as incurred. When property and equipment are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the results of operations for the respective year. Depreciation is provided over the estimated useful lives of the related assets using the straight-line method for financial statement purposes. Currently the Company has one category of property and equipment, which is equipment. The estimated useful life for equipment is 3-5 years.

Revenue Recognition

The Company's revenue comes from primarily initial regional developer fees and initial franchise fees. The Company receives payment and pays commission as each contract is sold. The Financial Accounting Standards Board (FASB) has issued a new standard ASC Topic 606. The original implementation date was for years beginning after December 15, 2018. However, in May of 2020 the FASB voted to delay the implementation date to years beginning after December 15, 2019. The new standard establishes a five-step model whereby revenues from original development and franchise sales to be recorded as performance obligations are completed. Commission expense would be recorded in the period the Company recognizes revenue from the franchise sale. Revenue would be recognized over the length of each contract. Contracts are typically 10 years.

The Company has adopted the practical expedients that allows certain initial franchise fee preopening revenues to be recognized initially and not over the life of the contract. The Company elects to use ASU 2021-02 which will treat certain preopening items as a single performance obligation. During 2022 the Company finalized 97 franchise agreements in the amount of \$5,125,355. Of that amount \$1,025,071 met the criteria of the ASU 2021-02 standard and will be recognized in the current year. The remaining \$4,100,284 will be recognized over the life of the contract.

The Company is in its third year of selling franchises, therefore, there are no final contracts that were in place prior to the implementation of ASC 606.

Income Taxes

As noted before, the Company is a Wyoming Corporation. During 2021 the company elected retroactively to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal and state corporate income taxes on its taxable income. Instead, the Company's stockholder is liable for individual Federal and state income taxes based on the Company's taxable income. This change constitutes a change in accounting method and the prior year financial statements have been restated to reflect this change (See note 7).

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND DECEMBER 31, 2021

NOTE 1 - SUMMARY (CONTINUED)

The Company commenced on August 19, 2019, therefore the only years that is currently open for IRS examination will be 2019, 2020, and 2021 tax year.

Changes in accounting policy

The Company adopted FASB ASC 842. Under this standard lessees are required to recognize assets and liabilities on the balance sheet for most leases and provide additional disclosures. The Company adopted FASB ASC 842, with a date of initial application of January 1, 2022.

The Company did restate the 2021 comparative financial statements. The restatement resulted in a right of use asset and a lease liability of \$191,359. The cumulative effect on retained earnings for 2022 is the amount of \$21,324.

The Company has elected to not record right of use assets and lease liabilities for short term leases with a lease term of 12 months or less, but greater than 1 month.

The Company accounts for leases in accordance with FASB ASC 842. The Company is a lessee in several noncancellable operating leases for office space. The Company determines if an arrangement is a lease, or contains a lease, at inception of a contract and when terms of an existing contract are changed. The Company determines if an arrangement conveys the right to use an identified asset and whether the Company obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. The Company recognizes a lease liability and ROU asset at the commencement date of the lease.

Beginning January 1, 2021, operating lease ROU assets and related current and long-term portions of operating lease liabilities have been presented in the balance sheet.

Lease liabilities. A lease liability is measured based on the present value of its future lease payments. Variable payments are included in the future lease payments when those variable payments depend on an index or rate and are measured using the index or rate at the commencement date. Lease payments, including variable payments made based on an index rate, are remeasured when any of the following occur: (1) the lease is modified (and the modification is not accounted for as a separate contract), (2) certain contingencies related to variable lease payments are resolved, or (3) there is a reassessment of any of the following: the lease term, purchase options, or amounts that are probable of being owed under a residual value guarantee. The discount rate is the rate implicit in the lease if it is readily determinable; otherwise, the Company uses its incremental borrowing rate.

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2022, AND 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The implicit rates of the Company’s leases are not readily determinable; accordingly, the Company uses its incremental borrowing rate based on the information available at the commencement date for each lease. The Company’s incremental borrowing rate for a lease is the rate of interest it would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms and in a similar economic environment and geographic location. The Company determines its incremental borrowing rates by starting with the interest rates on recent borrowings and other observable market rates and adjusting those rates to reflect differences in the amount of collateral and the payment terms of the leases.

ROU assets. A ROU asset is measured at the commencement date at the amount of the initially measured liability plus any lease payments made to the lessor before or after commencement date, minus any lease incentives received, plus any initial direct costs. Unless impaired, the ROU asset is subsequently measured throughout the lease term at the amount of the lease liability (that is the present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued lease payments, less the unamortized balance of lease incentives received. Lease cost for lease payments is recognized on a straight-line basis over the lease term. Finance lease ROU assets are amortized on a straight-line basis over the shorter of the lease term or the remaining useful life of the asset.

Accounting policy election for short-term leases. The Company has elected for all underlying classes of assets, to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less, but greater than 1 month at lease commencement, and do not include an option to purchase the underlying asset that the Company is reasonably certain to exercise. The Company recognizes lease cost associated with its short-term leases on a straight-line basis over the lease term.

Advertising

Advertising costs are expensed as incurred.

NOTE 2 – PROPERTY AND EQUIPMENT

Property and equipment as of December 31, 2022 consists of the following:

	2022
Equipment	\$ 5,545
Leasehold Improvements	55,697
Vehicles	70,055

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND DECEMBER 31, 2021

NOTE 3 – PREPAID COMMISSIONS

The Company issued 97 franchise and regional development locations during 2022. Those commissions will be expensed as the associated franchise fee revenue is recognized. The balance of prepaid commissions is as follows:

<u>Balance</u> 1/1/2022	<u>Additions</u>	<u>Expensed</u>	<u>Balance</u> 12/31/2022
\$ 1,099,250	\$ 1,595,156	\$ 447,147	\$ 2,247,259

NOTE 4 – DEFERRED REVENUE

The Company issued 97 franchise and regional development locations agreements during 2022. The revenues from those agreements will be recognized over the life of the contract (See Note 1). The balance of deferred revenues is as follows:

<u>Balance</u> 1/1/2022	<u>Additions</u>	<u>Revenue</u> <u>Recognized</u>	<u>Balance</u> 12/31/2022
\$3,489,758	\$ 5,125,355	\$1,428,509	\$ 7,186,604

NOTE 5 – SHORT TERM NOTE PAYABLE

During 2021 the Company acquired a Payroll Protection program loan in relation to the COVID 19 pandemic that has affected the world economy. The loan was in the amount of \$38,800 and was used to pay payroll and related costs during the pandemic caused shutdown of the economy. This loan states that if the Company meets the certain requirements the note will be forgiven. The Company has met those requirements. This loan will be forgiven during 2023 and will be reclassified as income in that year.

NOTE 6 – SUBSEQUENT EVENTS

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition on disclosure through May 5, 2022, the date the financial statements were available to be issued.

During 2021, the world economy continued to be significantly affected by a global pandemic called COVID-19. The Company has received federal government relief to aid in short term needs. However, the economic and financial impact is currently unknown.

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND DECEMBER 31, 2021

NOTE 7 – LEASES

The Company entered into an operating lease agreement for its Corporate location in 2022. The lease is for office space, the lease has an initial term of 5 years. The Company is not reasonably certain to exercise these renewal options, therefore the optional periods are not included in determining the lease term, and associated payments under these renewal options are excluded from lease payments used to determine the lease liabilities. The lease created a right of use asset and a lease liability. At December 31, 2022 the balances for the right of use asset and lease liability was \$131,784 and \$145,288, respectively. The Company determined the incremental borrowing rate to be 3.00%. The remaining lease term is 48 months.

Year	Operating leases
2023	\$ 44,736
2024	46,302
2025	47,923
2026	16,156
Total lease payments	<u>155,117</u>
	-
less present value adjustment	<u>(9,829)</u>
Present value of lease liability	<u><u>145,288</u></u>

NOTE 8 – 2021 RESTATEMENT

The Company implemented FASB ASC 842, a new leasing standard which is a change in accounting policy. The implementation of this standard required that the 2021 financial statements be restated to reflect the right of use asset and lease liability at December 31, 2021. The net effect of this change was a \$ 21,324 adjustment to retained earnings.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders
of Prime IV Hydration and Wellness, Inc.

Opinion

We have audited the financial statements of Prime IV Hydration and Wellness, Inc. (a Wyoming corporation), which comprise the balance sheet as of December 31, 2021, and the related statements of income, stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Prime IV Hydration and Wellness, Inc. as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of Prime IV Hydration and Wellness, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events. Considered in the aggregate, that raises substantial doubt about Prime IV Hydration and Wellness, Inc.'s ability to continue as a going concern for the year ended December 31, 2021.

Other Matter

During 2021 the Company retroactively elected retroactively to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal and state corporate income taxes on its taxable income. Instead, the Company's stockholder is liable for individual Federal and state income taxes based on the Company's taxable income. This change constitutes a change in accounting method. This change was retroactively applied to the 2020 financial statements. Therefore, the 2020 statements have been restated to reflect this change.

Auditor's Responsibility

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or override of internal control. Misstatements are considered material if, individually or in the aggregate, that could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prime IV Hydration and Wellness, Inc. internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prime IV Hydration and Wellness, Inc.'s ability to continue as a going concern by a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Prime IV Hydration and Wellness, Inc. (the Company) is a Wyoming Corporation. The business commenced on August 19, 2019. It was formed for the purpose of selling customized nutrient IV hydration therapy and cryotherapy support services. On January 1, 2020, the Company was rebranded and began selling franchise agreements throughout the United States.

As of December 31, 2021, the Company has sold 15 regional representatives and 56 franchised units in the United States.

The financial statements of the Company have been prepared using generally accepted accounting principles.

Basis of Presentation

The Company has an accounting year end of December 31.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

Cash and cash equivalents include all short-term highly liquid investments with original maturities of 3 months or less. The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. Those funds that exceed the FDIC insurance limits would be considered a concentration of credit risk. The carrying amount of cash and deposits with financial institutions is \$311,604 and the bank balance is \$306,527, \$250,000 of which is covered by FDIC insurance.

Accounts Receivable

Accounts receivable are recorded at the amount charged to our customers, primarily our franchisees and regional developers. Accounts receivable are carried at original invoice amounts. Management reviews closely the outstanding balances to ensure collectability. It is their determination that all receivables recorded as of December 31, 2020 are collectible. Therefore, there is no allowance for uncollectible accounts recorded on the balance sheet.

Inventory

Inventories are valued at cost, using a first-in first-out (FIFO) method and consist of medical supplies and health supplements. The cost of such inventories is recorded as expenses when they are consumed rather than when purchased.

PRIME IV HYDRATION AND WELLNESS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020

NOTE 1 - SUMMARY (CONTINUED)

Property and Equipment

Property and equipment are recorded at cost. Expenditures for major additions and improvements are capitalized and minor replacements, maintenance, and repairs are charged to expenses as incurred. When property and equipment are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the results of operations for the respective year. Depreciation is provided over the estimated useful lives of the related assets using the straight-line method for financial statement purposes. Currently the Company has one category of property and equipment, which is equipment. The estimated useful life for equipment is 3-5 years.

Revenue Recognition

The Company's revenue comes from primarily initial regional developer fees and initial franchise fees. The Company receives payment and pays commission as each contract is sold. The Financial Accounting Standards Board (FASB) has issued a new standard ASC Topic 606. The original implementation date was for years beginning after December 15, 2018. However, in May of 2020 the FASB voted to delay the implementation date to years beginning after December 15, 2019. The new standard establishes a five-step model whereby revenues from original development and franchise sales to be recorded as performance obligations are completed. Commission expense would be recorded in the period the Company recognizes revenue from the franchise sale. Revenue would be recognized over the length of each contract. Contracts are typically 10 years.

The Company has adopted the practical expedients that allows certain initial franchise fee preopening revenues to be recognized initially and not over the life of the contract. The Company elects to use ASU 2021-02 which will treat certain preopening items as a single performance obligation. During 2021 the Company finalized 33 franchise agreements in the amount of \$2,755,680. Of that amount \$559,975 met the criteria of the ASU 2021-02 standard and will be recognized in the current year. The remaining \$2,195,705 will be recognized over the life of the contract.

The Company is in its second year of selling franchises, therefore, there are no final contracts that were in place prior to the implementation of ASC 606.

Income Taxes

As noted before, the Company is a Wyoming Corporation. During 2021 the company elected retroactively to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal and state corporate income taxes on its taxable income. Instead, the Company's stockholder is liable for individual Federal and state income taxes based on the Company's taxable income. This change constitutes a change in accounting method and the prior year financial statements have been restated to reflect this change (See note 7).

Advertising costs are expensed as incurred.

NOTE 2 – PROPERTY AND EQUIPMENT

Property and equipment as of December 31, 2021 consists of the following:

		2,021

Balance 1/1/2021	Additions	Expensed	Balance 12/31/2021
\$ 484,116	\$ 836,155	\$ 221,021	\$ 1,099,250

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2022, AND 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The implicit rates of the Company's leases are not readily determinable; accordingly, the Company uses its incremental borrowing rate based on the information available at the commencement date for each lease. The Company's incremental borrowing rate for a lease is the rate of interest it would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms and in a similar economic environment and geographic location. The Company determines its incremental borrowing rates by starting with the interest rates on recent borrowings and other observable market rates and adjusting those rates to reflect differences in the amount of collateral and the payment terms of the leases.

ROU assets. A ROU asset is measured at the commencement date at the amount of the initially measured liability plus any lease payments made to the lessor before or after commencement date, minus any lease incentives received, plus any initial direct costs. Unless impaired, the ROU asset is subsequently measured throughout the lease term at the amount of the lease liability (that is the present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued lease payments, less the unamortized balance of lease incentives received). Lease cost for lease payments is recognized on a straight-line basis over the lease term. Finance lease ROU assets are amortized on a straight-line basis over the shorter of the lease term or the remaining useful life of the asset.

Accounting policy election for short-term leases. The Company has elected for all underlying classes of assets, to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less, but greater than 1 month at lease commencement, and do not include an option to purchase the underlying asset that the Company is reasonably certain to exercise. The Company recognizes lease cost associated with its short-term leases on a straight-line basis over the lease term.

Advertising

Advertising costs are expensed as incurred.

NOTE 2 – PROPERTY AND EQUIPMENT

Property and equipment as of December 31, 2022 consists of the following:

	2022
Equipment	\$ 5,545
Leasehold Improvements	55,697
Vehicles	70,055
Less: accumulated depreciation	(8,334)
Property and equipment (net)	<u>\$ 122,963</u>

The company recognized depreciation expense for 2022 and 2021, in the amount of \$1,459 and \$1,459 respectively.

STATE-SPECIFIC DISCLOSURES

REQUIRED BY THE STATE OF CALIFORNIA

CALIFORNIA CORPORATIONS CODE SECTION 31125 REQUIRES THAT THE FRANCHISOR GIVE THE FRANCHISEE A DISCLOSURE DOCUMENT APPROVED BY THE DEPARTMENT OF CORPORATIONS PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither we nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

Item 5 of the Disclosure Document is modified to include the following paragraph:

We apply the initial Area Representative fee to our general operating revenues, which we use, among other purposes, to cover the costs of marketing to prospective Area Representative franchisees, training new Area Representative franchisees and assisting new Area Representative franchisees in opening their businesses.

The California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination and non-renewal of a franchise. If the Area Representative Agreement contains a provision that is inconsistent with the law, the law will control. We may not terminate your Area Representative franchise except for good cause, and we must give you a notice of default and a reasonable opportunity to cure the defects (except for certain defects specified in the statute, for which no opportunity to cure is required by law). The statute also requires that we give you notice of any intention not to renew your Area Representative franchise at least 180 days before expiration of the Area Representative Agreement.

You must sign a general release if you renew or transfer your Area Representative franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The Area Representative Agreement contains a covenant not to compete which extends beyond the termination of your Area Representative franchise. This provision may not be enforceable under California law.

THE AREA REPRESENTATIVE AGREEMENT REQUIRES APPLICATION OF THE LAW OF COLORADO. THIS PROVISION MAY NOT BE ENFORCEABLE UNDER CALIFORNIA LAW. To the extent permitted by law, you and we waive any right to or claim for any punitive or exemplary damages against each other and agree that in the event of a dispute between us, each will be limited to the recovery of actual damages only (except in limited circumstances). Each party further waives trial by jury and, to the extent permitted by law, all claims arising out of or relating to the Area Representative Agreement must be brought within one year from the date on which you or we knew or should have known of the facts giving rise to such claims (except for claims relating to nonpayment or underpayment of amounts you owe us).

The Area Representative Agreement requires binding arbitration. The arbitration will occur at the office of the American Arbitration Office closest to our principal executive offices. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

Item 3 of this disclosure document is supplemented by the addition of the following paragraphs at the end of the chart:

Illinois Attorney General's Office Action. Case No. 23-AVC-F005 (November 15, 2023).

We entered into three Franchise Agreements with Illinois franchisees and collected Initial Franchise Fees when we were required by the state of Illinois to defer payment of the Initial Franchise Fees until the Centers were operational. After we self-reported this violation, the Illinois Attorney General's Office investigated the matter and concluded that we violated the Illinois Franchise Disclosure Act by accepting the payment of the Initial Franchise Fees. We entered into an Assurance of Voluntary Compliance with the state and agreed to pay \$2,000 to the state and refrain from collecting Initial Franchise Fees until the financial assurance condition of our state registration is lifted or until we choose another compliant method of financial assurance. We offered rescission to the three Illinois franchisees and none of the franchisees elected to rescind their Franchise Agreements.

Item 17 of this disclosure document is supplemented by the addition of the following paragraphs at the end of the chart:

Illinois law governs the agreements between the parties to this franchise.

Section 4 of the Illinois Franchise Disclosure Act provides that any provisions in a franchise agreement that designates jurisdiction or venue outside the state of Illinois is void. However, a franchise agreement may provide for arbitration outside of Illinois.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Your rights upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

REQUIRED BY THE STATE OF INDIANA

The Area Representative Agreement contains a covenant not to compete that extends beyond the termination of your Area Representative franchise. This provision may not be enforceable under Indiana law.

Indiana law makes unilateral termination of your Area Representative franchise unlawful unless there is a material violation of the Area Representative Agreement and the termination is not done in bad faith.

If Indiana law requires the Area Representative Agreement and all related documents to be governed by Indiana law, then nothing in the Area Representative Agreement or related documents referring to Colorado law will abrogate or reduce any of your rights as provided for under Indiana law.

Indiana law prohibits a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Law.

Although the Area Representative Agreement requires arbitration to be held at the office of the American Arbitration Association closest to our principal executive offices, arbitration held pursuant to the Area Representative Agreement must take place in Indiana if you so request. If you choose Indiana, we have the right to select the location in Indiana.

REQUIRED BY THE STATE OF MARYLAND

The Franchise Disclosure Document is amended as follows:

All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

A franchisee located within the state of Maryland shall not be required to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise which would act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

Lawsuits by either you or us may take place in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Item 17 of the FDD is amended as follows:

The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Any provision in the franchise agreement which provides for termination upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.). Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

Item 5 of the FDD is amended as follows:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

REQUIRED BY THE STATE OF MINNESOTA

We will protect your right to use the Marks and/or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks.

Minn. Rule 2860.4400D prohibits us from requiring you to assent to a general release. Any release you sign as a condition of renewal or transfer will not apply to any claims you may have under the Minnesota Franchise Law.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C. 14, subs., 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of the Area Representative Agreement.

Minn. Stat. § 80C.17, Subd. 5, states that no civil action pertaining to a violation of a franchise rule or statute can be commenced more than three years after the cause of action accrues

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Disclosure Document or the Area Representative Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Minn. Rule Part 2860.4400J prohibits us from requiring you to waive your rights to a jury trial or waive your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.

REQUIRED BY STATE OF NEW JERSEY

The following is added to the end of Item 5:

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

The following is added to the end of the "Summary" sections of Item 17(c), titled "**Requirements for franchisee to renew or extend**," and Item 17(m), entitled "**Conditions for franchisor approval of transfer**":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of the General Business Law Sections 687.4 and 687.5 be satisfied.

REQUIRED BY THE STATE OF NORTH DAKOTA

The Area Representative Agreement contains a covenant not to compete which extends beyond the termination of your Area Representative franchise. This provision may not be enforceable under North Dakota law.

Although the Area Representative Agreement provides that the place of arbitration will be located at the office of the American Arbitration Association closest to our principal executive offices, we agree that the place of arbitration will be a location that is in close proximity to the site of your Area Representative Business.

The Area Representative Agreement requires that you consent to the jurisdiction of a court in close proximity to our principal executive offices. This provision may not be enforceable under North Dakota law because North Dakota law precludes you from consenting to jurisdiction of any court outside of North Dakota.

Although the Area Representative Agreement provides that it will be governed by and construed in accordance with the laws of the State of Colorado, we agree that the laws of the State of North Dakota will govern the construction and interpretation of the Area Representative Agreement.

A contractual requirement that you sign a general release may be unenforceable under the laws of North Dakota.

Although the Area Representative Agreement requires the franchisee to consent to a waiver of trial by jury, the Commissioner has determined that a requirement requiring the waiver of a trial by jury to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Area Representative Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages, the Commissioner had determined these types of provisions to be unfair, unjust and inequitable

within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Area Representative Agreement requires the franchisee to consent to a limitation of claims period within one year, the Commissioner had determined this to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The limitation of claims period is therefore governed by North Dakota law.

To the extent any provision of the Area Representative Agreement requires you to consent to a waiver of exemplary or punitive damages, the provision will be deemed null and void.

Although the Area Representative Agreement stipulates that the franchisee shall pay all costs and expenses incurred by the franchisor in enforcing the Area Representative Agreement. The Commissioner has determined that to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The provision shall be changed to read that the prevailing party in any enforcement action is entitled to recover all costs and expenses, including attorneys' fees.

Although the Area Representative Agreement and Disclosure Document require you to consent to termination or liquidated damages. The Commission has determined this to be unfair, unjust, and inequitable with the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Any such provision is hereby deleted in its entirety.

The North Dakota Securities Department requires that we defer collection of the Development Fee due under the Area Representative Agreement until the we have completed our initial obligations under the Area Representative Agreement or other documents and you commence doing business.

REQUIRED BY THE STATE OF RHODE ISLAND

Even though our Area Representative Agreement says the laws of Colorado apply, § 19-28.1-14 of the Rhode Island Franchise Investment Act provides that "A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

REQUIRED BY THE STATE OF WASHINGTON

The state of Washington has a statute, RCW 19.100.180 which may supersede the Area Representative Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Area Representative Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the mediator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
