What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in its then-current home state (currently New Jersey). Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in its then-current home state (currently New Jersey) than in your own state.

2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

3. **Mandatory Minimum Payments**. You must make mandatory minimum royalty or advertising fund contributions regardless of your sales levels. Your inability to make these payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor’s then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than $100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The franchisor is Vitamin Shoppe Franchising, LLC ("we," "us," or "our"). "You" means the entity to which we grant a franchise and, if applicable, development rights. Owners of a ten percent (10%) or more ownership interest in you must sign our "Guaranty and Assumption of Obligations." This means all of our Franchise Agreement's provisions (Exhibit B) also will apply to those owners.

We are a Delaware limited liability company formed on November 12, 2020. Our principal business address is 300 Harmon Meadow Blvd., Secaucus, New Jersey 07094. We conduct business primarily under our limited liability company name, "The Vitamin Shoppe®" trademark, and no other name. We have no predecessors.

Parents, Predecessors

Our direct parent company currently is Vitamin Shoppe Industries, LLC ("VS Industries"), which shares our principal business address. VS Industries has never offered franchises in any line of business. VS Industries owns and operates all of the company-owned Stores. Our affiliate, Vitamin Shoppe Procurement Services, LLC, a Delaware limited liability company, which shares our business address, owns The Vitamin Shoppe trademarks and other intellectual property ("Marks"), defined herein and licenses them to us. <u>The Franchise Offered</u>

We grant franchises to develop and operate a retail specialty business identified by the Marks (defined below) which offer and sell nutritional products and services, which include, vitamins, minerals, herbs, specialty supplements, sports nutrition and other health and wellness products and services, in stores. We call these stores "The Vitamin Shoppe Stores." In this disclosure document, we refer to your The Vitamin Shoppe Store as the "Store." The Stores operate under trademarks, service marks, and other commercial symbols we periodically designate, including "The Vitamin Shoppe®" (the "Marks"), and the mandatory and suggested specifications, standards, operating procedures, and rules we periodically specify for Stores ("Brand Standards"). Your Store must offer the services and products we specify.

We also may grant multi-unit development rights to qualified franchisees, which then may develop a specific number of Stores within a defined territory according to a pre-determined development schedule. Those franchisees may open and operate their Stores directly or through one or more "Controlled Affiliates," meaning entities that are directly or indirectly controlled by franchisee. We use a form of Development Agreement which is attached as Exhibit C.

Franchisees signing our Development Agreement must sign our then-current form of Franchise Agreement for each additional Store they develop under the Development Agreement. That form may differ substantially and materially from the first Franchise Agreement they sign for their first Store to be developed (our current version of Franchise Agreement is disclosed in this disclosure document).

We have offered franchises and development rights for Stores since March 2021. We have no other business activities and have not offered franchises in other lines of business. We have never operated a Store (although one of our affiliates has owned and operated Stores since 1977).

Your Store will offer services and products to the general public throughout the year. The market for Stores is developing. You will face competition from other stores, selling nutritional products and services. Other Stores located outside your area of protection, but which market and advertise in your market, also might compete with your Store. In connection with the operation of a Store, you must comply with the requirements of the Federal Food Drug and Cosmetics Act, as amended by the Dietary Supplements Health and Education Act of 1994, as well as all laws applying generally to all businesses. You should investigate these laws and regulations when evaluating your franchise acquisition.

Item 3
LITIGATION

Disclosures Regarding FRG's Other Programs

Pending Matter

MMS Group, LLC v. Buddy's Franchising and Licensing LLC, Case No. 01-22-0004-9922, American Arbitration Association. On or about November 29, 2022, a former franchisee, MMS Group, LLC, and its owners filed a demand for arbitration, alleging that Buddy's breached the franchisee's franchise agreement, breached the covenant of good faith and fair dealing, and violated Florida's Deceptive and Unfair Trade Practices Act by failing to renew the franchise agreement and by failing to provide them with a first right of refusal, and alleging unfair methods of competition. On or about December 29, 2022, Buddy's filed its answer to the arbitration demand and filed counterclaims against the former franchisee, alleging that it breached the franchise agreement by violating the in-term and post-term covenants not to compete and selling unapproved inventory, violated the Lanham Act by falsely coding inventory to influence customer purchasing decisions, and violated the Defend Trade Secrets Act. On April 4, 2023, the arbitrator denied Buddy's letter request for leave to file for injunctive relief. Each party has filed a motion to dismiss, which is pending before the arbitration tribunal. Buddy's intends to defend this matter vigorously.

Concluded Matter

In the Matter of Buddy's Newco, LLC, FTC Matter No: 191 0074. On May 11, 2020, the Federal Trade Commission (the "FTC") issued its Final Decision and Order in connection with its civil investigation of Buddy's parent company, Buddy's Newco, LLC, Aaron's, Inc. and Rent-A-Center, Inc. Buddy's Newco, LLC agreed to settle, without an admission that the antitrust laws were violated, FTC allegations that the three rent-to-own operators negotiated and executed reciprocal purchase agreements. Under the terms of the Order (to which Buddy's is also subject), the three rent-to-own operators are prohibited from entering into any reciprocal purchase agreement or inviting others to do so and from enforcing any non-compete clauses still in effect from the past reciprocal purchase agreements. The operators were also required to implement antitrust compliance programs and notify the FTC in the event of certain changes in corporate governance. In addition, the companies are prohibited from having any of their representatives serve as a board member or officer of a competitor and from allowing any competitor's representative to serve on their boards.

Other than these actions, no litigation is required to be disclosed in this Item.

Item 4
BANKRUPTCY

Laura Coffey, our Executive Vice President, Chief Financial Officer, was Executive Vice President E-Commerce and Business Development for Pier 1 Imports, Inc. until April 2020. It is not refundable under any circumstances. The Franchise Agreement will not be effective, and you will have no franchise rights, until we receive the initial franchise fee. If you enter into a Development Agreement, the initial franchise fee for the second and each subsequent Franchise Agreement that you sign will be Twenty-Five Thousand Dollars ($25,000).

We offer a 20% discount on the Initial Franchise Fee to honorably discharged veterans of U.S. Armed Forces who otherwise meet our program requirements. This discount is only applicable for the first The Vitamin Shoppe business granted to you and may not be combined with any other Initial Franchise Fee discount.

We offer a 10% discount on the initial franchise fee to current and former first responders. This discount is applicable to individuals who are (or were) employed in good standing for at least five (5) consecutive years as a firefighter, paramedic or law enforcement officer. This discount is only applicable for the first The Vitamin Shoppe business granted to you and may not be combined with any other initial franchise fee discount.

You also must pay us the sum of Ten Thousand Dollars ($10,000) for a market introduction program for the Store. This amount is paid to us for advertising support for the grand opening of the Store which could include flyers, direct mail, digital marketing, and other forms of media. We will spend that money on your behalf in the Store's market in compliance with the planned market introduction program. If for any reason we do not spend the full Ten Thousand Dollars ($10,000) you paid us, we will refund the unused portion to you within one-hundred-twenty (120) days after the Store opens.

Before opening for business, you must purchase your initial inventory of Approved Products and Services from us. We estimate that the cost of the initial inventory will range from Two Hundred and Four Thousand Dollars ($204,000) to Two Hundred and Twenty-Six Thousand Dollars ($226,000) per Store. Opening inventory purchases are not refundable under any circumstances.

You must also purchase the furniture, trade fixtures and other equipment necessary for the operation of the Store (including fixtures to display merchandise, materials to build display fixtures, check-out counters and IT/POS/LP equipment) from us or a third party designated by us. We estimate that the cost of the furniture, fixtures and equipment will range from One Hundred and Seventy-Two Thousand Dollars ($172,000) to One Hundred and Ninety-Two Thousand Dollars ($192,000) and is not refundable under any circumstances.

In addition to the fees paid and expenses incurred as described in this Item 5, you are also required to pay us a Store setup fee, which is currently Ten Thousand Dollars ($10,000), in full, prior to the opening of your Store in consideration for our on-site advisory role in connection with setting up, remodeling or relocating the Store premises.

Development Agreement

You must pay to us a non-refundable lump sum development fee (the "**Development Fee**") upon signing the Development Agreement in an amount equal to: 100% of the initial franchise fee for the first Store to be developed under the Development Agreement, which is Thirty-Nine Thousand Nine Hundred Dollars ($39,900), plus Twenty-Five Thousand Dollars ($25,000), which is 100% of the initial franchise fee for the second, plus Twenty-Five Thousand Dollars ($25,000) for each subsequent Store you agree to develop under the Development Agreement. No initial franchise fee must be paid when you sign the Franchise Agreement for each additional location. You must agree to develop a minimum of two Stores under the Development Agreement. This fee is fully earned by us when paid and is not refundable.

2. We reserve the right to increase the amount of any fixed fee, fixed payment, or fixed amount (i.e., not stated as a percentage) under the Franchise Agreement based on any increase in costs related to providing such services. We also reserve the right—if any fixed fee, payment, or amount due from you under the Franchise Agreement encompasses any third-party charges we collect from you on a pass-through basis (*i.e.*, for ultimate payment to the third party)—to increase the fixed fee, payment, to reflect increases in the third party's charges to us.

3. The Marketing Cooperative contribution is paid to us for deposit in a Brand Fund. The Marketing Cooperative contribution is payable for each Store you own. If a Marketing Cooperative is established, each Store within a designated local advertising area (including any company-owned Stores) will be a member of the applicable Marketing Cooperative and each Store will have one vote on all matters requiring a vote.

4. "Net Revenue" means all revenue received or otherwise derived from operating your Business, whether from cash, check, credit or debit card, gift card or gift certificate, loyalty, or other credit transactions, Apple Pay, PayPal, Venmo or any other form of payment, and regardless of collection or when you actually provide the products or services in exchange for the revenue. Net Revenue does include any bona fide returns and credits that are actually provided to customers. If you receive any proceeds from any business interruption insurance applicable to loss of revenue at your Store, that will be added to Total Revenue at an amount equal to the imputed net revenue that the insurer used to calculate those proceeds. If you fail to report the Store's Net Revenue when required, we may debit your account for 125% of the Royalty, Technology Fee, and Brand Fund contribution we debited for the previous payment period. If the amount we debit is less than the amount you actually owe us (once we determine the Store's actual Net Revenue), we will debit your account for the balance due on the day we specify. If the amount we debit is greater than the amount you actually owe us (once we determine the Store's actual Net Revenue), we will credit the excess, without interest, against the amount we may debit for the following payment period.

Notes:

* Except where otherwise noted, we do not offer direct or indirect financing to franchisees for any items. Except where otherwise noted, all amounts that you pay to us or our affiliates are nonrefundable. Third party suppliers will decide if payments to them are refundable.

(1) Initial Franchise Fee. The Initial Franchise Fee is $39,900. If you sign a Development Agreement, the Initial Franchise Fee for the second and each subsequent Store that you open under the Development Agreement will be $25,000.

(2) Improvements. The costs of construction and leasehold improvements depend upon the size and condition of the premises, whether the landlord will pay for some or all of the build-out, the nature and extent of leasehold improvements required, the local cost of contract work and the location of the Store.

(3) Furniture, Fixtures and Equipment. We will provide you with a list of the furniture, trade fixtures and other equipment necessary for the operation of the Store. This category includes fixtures to display merchandise, materials to build display fixtures, check-out counters and IT/POS/LP equipment. The initial investment required will depend on financing terms available and other factors.

(4) Interior and Exterior Signage. This category includes The Vitamin Shoppe signage for the interior and exterior of the building (1 to 4 signs, depending on building size) and any pylon signs as allowed by landlord, as well as interior signage required in the Operations Manual.

(5) Lease. You typically will rent the premises for the Store. We are unable to estimate with any precision the costs of leasing or purchasing real estate because of the wide variation from region to region and between urban and rural areas. A new lease will vary in rental amounts, lease terms, amount of space, tenant improvements, security deposit and advance rental required, and the cost of purchasing real estate is extremely site dependent. Location is a major factor in the amount of rent needed, as are the age and quality of the building, the proximity to residential areas and other commercial areas of interest, local demographics, real estate related taxes in the jurisdiction, brokerage commissions, the length of the lease, and other factors. Your location will typically be 3,000 to 3,500 square feet. The Stores are usually located in strip-type centers or free-standing buildings.

(6) Security Deposits. Landlords may require a security deposit. The amount of a security deposit varies, but it could be equal to one to three month's rent.

(7) Initial Inventory and Supplies. Your initial inventory and supplies must be purchased from us or any approved suppliers. Initial inventory consists of various Approved Products and Services used in the operation of the Store as well as other merchandise or products offered for sale by the Store, as well as supplies. The initial inventory expenditure will vary according to square footage of your location and current market prices for supplies. The Approved Products and Services must be purchased from us or our affiliates and the supplies must be purchased from approved suppliers.

(8) Grand Opening Advertising. This amount is paid to us for advertising support for the grand opening of the Store which could include flyers, direct mail, digital marketing, billboards and other forms of media.

(9) Training. You must make arrangements and pay the expenses for at least two people, including you and your Store Manager and any additional people we may require, to attend our initial training program, including transportation, lodging, meals and wages. The amount expended will depend, in part, on the distance you must travel and the type of accommodations you choose.

(10) Miscellaneous Opening Costs. This category includes security deposits for utilities, permits and cash fund for the register, among other things.

(11) Additional Funds. This amount of working capital is projected as sufficient to cover initial operating expenses, including payroll, payroll taxes, employee benefits, utility costs, insurance, supplies, credit card interchange fees, local marketing, for a period of three months. This amount is based on our estimate of average costs and market conditions prevailing as of the date of this Disclosure Document. Your costs will depend on factors such as how closely you follow our recommended methods and procedures; your management skill, experience and

business acumen; local economic conditions; the local market for our product; the prevailing wage rate; competition; and the sales level reached during the initial period.

(12) Total. This total is an estimate of your initial investment and is based on our estimate of average costs and market conditions prevailing as of the date of this Disclosure Document and our affiliates' over 40 years of experience. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

(DEVELOPMENT OF MULTIPLE STORES UNDER DEVELOPMENT AGREEMENT)				
TYPE OF EXPENDITURE	**AMOUNT**	**METHOD OF PAYMENT**	**WHEN DUE**	**TO WHOM PAYMENT IS TO BE MADE**
Development Fee (Note 1)	$64,900 (for a minimum of two Stores)	Lump Sum	Upon Signing of Development Agreement	Us
TOTAL (for development rights for 2 Stores and current costs associated with development of first Store) (Note 2)	$553,900 to $1,001,900 See Table above for current range of development costs for each Store			

Notes:

* Except as noted in Item 10, we do not offer direct or indirect financing to developers for any items. Except where otherwise noted, all amounts that you pay to us or our affiliates are nonrefundable.

(1) Development Fee. Upon signing the Development Agreement, you must pay us the Development Fee. The Development Fee varies, and it will be an amount based on the number of Stores you commit to developing. The Development Fee is calculated to be 100% of the initial franchise fee ($39,900) for the first Store to be developed under the Development Agreement and 100% of the initial franchise fee for each additional Store to be developed under the Development Agreement. The initial franchise fee for the second and each subsequent Store is Twenty-Five Thousand Dollars ($25,000).

(2) Total Initial Investment. For each Store that you develop pursuant to a Development Agreement, you will execute a Franchise Agreement and incur the initial investment expenses for the development of a single Store as detailed in the first table in this Item 7. No initial franchise fee is owed upon execution of the Franchise Agreement since the initial fee was paid in full upon execution of the Development Agreement.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate the Store according to our Brand Standards. Brand Standards may regulate, among other things, types, models, and brands of required furniture, fixtures, signs, and equipment (including components of and required software licenses for the Computer System) for the Store (collectively, “Operating Assets”); required, authorized, and unauthorized services and products for the Store; and designated and approved suppliers of items and services. You must buy or lease all Operating Assets and other products and services for the Store only according to our Brand Standards and, if we require, only from suppliers we designate or approve (which may include or be limited to us, our affiliates, and/or other restricted sources) at the prices the suppliers choose to charge. You must obtain from us or our affiliate the computer hardware and software, point-of-sale system, and other computer-related accessories and peripheral equipment we periodically specify, which consists of a minimum of a register, one pin pad, two Mobile POS iPad, one tablet, one Admin PC, one laser printer, one tag printer, and network equipment and cabling (the “Computer System”) and to use the Computer System in the operation of the Store.

In order to help you manage inventory shrinkage and overages in your Store, we also require you to conduct a physical inventory of the merchandise in your Store at least once a year using an outside inventory service designated by us and copies of the reports provided by the outside inventory service must be provided to us. All merchandise must be accounted for and counted during the physical inventory. The costs associated with this annual physical inventory count typically range between $600-$700. Designated service providers may be found in the Operations Manual and may be updated by us from time to time.

No officer of ours owns any interest in any unaffiliated supplier to the franchise system. We restrict your sources of items and services in many cases to protect trade secrets and other intellectual property, help assure quality and a reliable supply of products meeting our standards, achieve better purchase and delivery terms, control third-party use of the Marks, and monitor the manufacture, packaging, processing, sale, and delivery of these items.

At least thirty (30) days before using them, you must send us all Marketing Materials we have not prepared or already approved and all approved Marketing Materials that you propose to change in any way. If we do not approve those materials within thirty (30) days after receiving them, they will be deemed disapproved for use. You may not use any Marketing Materials we have not approved or have disapproved.

The Store will be developed at your expense. We will give you construction guidelines and mandatory specifications and layouts for a Store (“Plans”), including requirements or recommendations (as applicable) for dimensions, design, interior layout, improvements, color scheme, décor, finishes, signage, Operating Assets and planograms for product placement. All other decisions regarding the Store’s development are subject to our review and prior written approval. You must ensure that the Store’s construction and remodeling plans comply with the Americans with Disabilities Act (“ADA”), zoning regulations, environmental laws and regulations, other applicable ordinances, building codes and permit requirements, and lease requirements and restrictions. You are required to use one of our approved architects for your

Store-specific blueprints and plans based on the Plans ("Adapted Plans") and then to construct the Store. You may not hire an architect that we have not approved or designated.

We must pre-approve the Adapted Plans before the Store's build-out begins and all revised or "as built" plans and specifications prepared during construction and development. Our review is limited to reviewing your compliance with our Plans. Our review is not intended or designed to assess your compliance with applicable laws or lease requirements, which is your responsibility.

You must at your expense construct, install all trade dress (that is, brand-identifying features and visual image of the Store) and Operating Assets in, and otherwise develop the Store according to our standards, specifications, and directions. The Store must contain all Operating Assets, and only those Operating Assets, we specify or pre-approve. You agree to place or display at the Store (interior and exterior), according to our guidelines, only the signs, emblems, lettering, logos, and materials we approve.

We periodically may modify Brand Standards, which may accommodate regional or local variations, and those modifications may obligate you to invest additional capital in the Store and/or incur higher operating costs. You must implement any changes in mandatory Brand Standards within the time period we request. However, except for:

(i) changes in the computer system;

(ii) changes in signage and logo (i.e., Store exterior and interior graphics);

(iii) certain changes in connection with a transfer;

(iv) changes required by the Store's lease or applicable law; and

(v) general Store upkeep, repair, and maintenance obligations,

for all of which the timing and amounts are not limited during the franchise term, we will not require you to make any capital modifications during the last 2 years of the franchise term, unless the proposed capital modifications during those last 2 years (the amounts for which are not limited) are in connection with Store upgrades, remodeling, refurbishing, and similar activities for your acquisition of a successor franchise.

This means that, besides the rights we reserve above in clauses (i) through (v), we may require you substantially to alter the Store's appearance, layout, and/or design, and/or replace a material portion of the Operating Assets, in order to meet our then-current requirements and then-current Brand Standards for new Stores. This could obligate you to make extensive structural changes to, and significantly remodel and renovate, the Store and/or to spend substantial amounts for new Operating Assets. You must spend any sums required in order to comply with this obligation and our requirements (even if such expenditures cannot be amortized over the remaining franchise term). Within 60 days after receiving written notice from us, you must prepare plans according to the standards and specifications we prescribe, using one of our approved architects, and then submit those plans to us for written approval.

We also periodically may require you to participate in certain test programs for new services, products, and/or Operating Assets. We have not yet started any test programs but will advise you in advance of any required procedures.

You must maintain insurance coverage for the Store at your own expense in the amounts, and covering the risks, we periodically specify. Your insurance carriers must be licensed to do business in the Store's state and be rated A- or higher by A.M. Best and Company, Inc. (or satisfy our other criteria). We periodically may increase the required coverage amounts and/or require different or additional insurance coverage at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or relevant changes in circumstances. Insurance policies must name us and our designated affiliates as additional insureds and give us thirty (30) days' prior written notice of material modification, cancellation, non-renewal, or non-payment. You must send us a valid insurance certificate or duplicate insurance policy showing required coverage and payment of premiums.

You currently must have the following minimum insurance coverage: (a) workers' compensation with employers liability limits meeting statutory requirements in your state of operation (minimum of Five Hundred Thousand Dollars ($500,000)); (b) Employment Practices Liability (EPLI) with a limit of at least One Million Dollars ($1,000,000) for each bodily injury by accident or disease; (c) General Liability with limits of at least One Million Dollars ($1,000,000) each occurrence, One Million Dollars ($1,000,000) personal and advertising injury, Two Million Dollars ($2,000,000) products and completed operation aggregate, and a Two Million Dollars ($2,000,000) general aggregate; (d) Automobile with at least One Million Dollars ($1,000,000) per occurrence for bodily injury and property damage, combined single limit for hired/non-owned auto; (e) Umbrella covering the general liability, auto, and employers liability with limits of at least Five Million Dollars ($5,000,000) per occurrence/aggregate; (f) full replacement value property coverage covering all risk real and personal property and stock and inventory; and (g) Cyber Liability insurance with a limit of One Million Dollars ($1,000,000) per occurrence.

You must participate in, and comply with the requirements of, our gift card and other customer loyalty programs.

Except as described above, there are no goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating the Store that you currently must buy or lease from us (or our affiliates) or designated or approved suppliers. Except for the Computer System described above, neither we nor our affiliates are the only approved suppliers of any products and services that you must buy or lease. In the future, we may designate other products and services that you must buy only from us, our affiliates, or designated or approved suppliers. To maintain the quality of Store services and products and our franchise network's reputation, all Operating Assets and other services and products your Store uses or sells (besides those described above that you currently may obtain only from us, our affiliates, and/or approved and designated suppliers) must meet our minimum standards and specifications, which we issue and modify based on our, our affiliates', and our franchisees' experience in operating Stores. Standards and specifications may impose minimum requirements for production, performance, safety, reputation, prices, quality, design, and appearance. Our Operations Manual, other technical manuals, and written and on-line

communications will identify our standards and specifications for you. When appropriate and authorized, you may provide those standards and specifications to suppliers if they agree to maintain confidentiality.

If you want to purchase or lease any Operating Assets or other products or services from a supplier or distributor we have not then approved (if we require you to buy or lease the product or service only from an approved supplier or distributor), you must establish to our reasonable satisfaction that the product or service is of equivalent quality and functionality to the product or service it replaces and the supplier or distributor is, among other things, reputable, financially responsible, and adequately insured for product liability claims. You must pay upon request any actual expenses we incur to determine whether or not the products, services, suppliers, or distributors meet our requirements and specifications. We will decide within a reasonable time (60 days) and may condition supplier approval on product quality and safety, prices, consistency, warranty, reliability, financial capability, customer relations, frequency of delivery, the benefits of concentrating purchases with limited suppliers, standards of service (including prompt attention to complaints), and other criteria. If we do not notify you within 60 days that a proposed supplier has been approved, it will be considered disapproved.

We may inspect the proposed supplier's facilities and require the proposed supplier to send samples directly to us or to a third-party testing service. We may re-inspect a supplier's facilities and products and revoke our approval of any supplier, product, or service no longer meeting our criteria by notifying you and/or the supplier. We do not make our supplier-approval criteria available to franchisees. Despite these procedures, we may limit the number of approved suppliers, designate sources you must use, and refuse your requests for any reason, including because we already have designated an exclusive source (which might be us or our affiliate) for a particular item or service or believe that doing so is in Store network's best interest. If we approve any supplier or distributor you recommend, we may authorize other Stores to buy or lease any Operating Assets or other products or services from that supplier or distributor without compensating you.

We and/or our affiliates may derive revenue based on your purchases and leases, including from charging you (at prices exceeding our and their costs) for services and products that we or our affiliates sell you and from promotional allowances, volume discounts, and other amounts paid to us and our affiliates by suppliers we designate, approve, or recommend for some or all Store franchisees. We and our affiliates may use all amounts received from suppliers, whether or not based on your and other franchisees' prospective or actual dealings with them, without restriction for any purposes we and our affiliates deem appropriate.

Collectively, your purchases and leases from us or our affiliates, from designated or approved suppliers, or according to our standards and specifications represent about 100% of your overall purchases and leases to establish and then to operate the Store. During our 2022 fiscal year, we received revenues of $1,297,595 from franchisees' direct purchases or leases from us or 94% of our total revenues of $1,375,542.

There currently are no purchasing or distribution cooperatives. We and our affiliates currently negotiate purchase arrangements with suppliers (including price terms) for promotional items, office supplies, and products and services. In doing so, we and our affiliates seek to

promote the overall interests of the franchise system and affiliate-owned operations and our interests as the franchisor (and not for the benefit of a particular franchisee). We and our affiliates might not obtain the best pricing or most advantageous terms on behalf of Stores. We and our affiliates also cannot control the performance of suppliers and distributors to Stores. We are not responsible or liable if a supplier's or distributor's products or services fail to conform to or perform in compliance with Brand Standards or our contractual terms with the supplier or distributor.

We do not provide material benefits to a franchisee (for example, renewal or granting additional franchises) for purchasing particular products or services or using particular suppliers.

The Development Agreement does not require you to buy or lease from us (or our affiliates), our designees, or approved suppliers, or according to our specifications, any goods, services, supplies, fixtures, equipment, real estate or comparable items. These obligations are set forth in the Franchise Agreement you sign for each Store you develop under the Development Agreement. However, you must give us information and materials we request regarding each site at which you propose to operate a Store so we can assess and accept that site.

Item 10
FINANCING

We do not offer direct or indirect financing. We will not guarantee your note, lease or other obligations.

As of the date of this disclosure document, the Small Business Administration ("SBA") has not permitted The Vitamin Shoppe to be listed on the Franchise Directory because The

Vitamin Shoppe sells ingestible forms of cannabidiol ("CBD") products. In the event the SBA does permit The Vitamin Shoppe to be listed in the future, any franchisee who takes SBA funding will not be permitted to sell ingestible forms of CBD products that are marketed as dietary supplements for so long as the franchisee remains in debt to the SBA.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance

Before you begin operating the Store, we will:

1. We or our designee will use reasonable efforts to review and accept or reject each site you propose within thirty (30) days after receiving all requested information and materials and visiting the proposed site. If the site is not accepted in writing within such thirty (30) days, the site will be deemed rejected. We will not unreasonably withhold our acceptance of a site if, in our and our affiliates' experience and based on the factors outlined above, the proposed site is not inconsistent with sites that we and our affiliates regard as favorable or that otherwise have been successful sites for Stores in the past. However, we have the absolute right to reject any site not meeting our criteria or to require you to acknowledge in writing that a site you prefer is accepted but not recommended due to its incompatibility with certain factors bearing on a site's suitability as a location for a Store. After we accept (and you secure) a proposed site, we will identify that site as the Store's address in Exhibit A of the Franchise Agreement. We do not own locations for lease to franchisees.

If an acceptable Store site is not found and secured within 180 days after the Franchise Agreement's effective date (or a different date specified in a Development Agreement), but subject to any extensions we may grant, then we may terminate the Franchise Agreement upon written notice to you. There is no refund of any initial franchise fee or development fee. (Franchise Agreement—Sections 5.B and 5.C; Development Agreement—Sections 3 and 6)

2. Accept or reject the Store's proposed lease or sublease. You must send us the proposed lease or sublease for our written acceptance at least thirty (30) days before you intend to sign it. The lease or sublease must either (i) include the lease rider attached as Exhibit D to the Franchise Agreement or (ii) include within its body the lease rider's terms and conditions. You may not sign any lease or sublease we have not accepted in writing. If we do not accept the lease or sublease in writing within thirty (30) days after receiving it, the lease or sublease is deemed rejected. An acceptable Store site must be found and secured within the Site Selection Area within 180 days after the Franchise Agreement's effective date, subject to any extensions we may grant. Otherwise, we may terminate the Franchise Agreement. There is no refund of any initial franchise fee or development fee. (Franchise Agreement—Sections 5.B and 5.C)

3. Give you template Plans and planograms for product placement. Our Plans might not reflect the requirements of any federal, state, or local laws, codes, ordinances, or regulations,

including those arising under the ADA, or any lease requirements or restrictions. You are solely responsible for complying with all laws and must inform us of any changes to the Store's specifications that you believe are necessary to ensure such compliance.

You must make sure that your Adapted Plans for the Store comply with all laws and lease requirements and restrictions. We must pre-approve in writing the Adapted Plans before the Store's build-out begins and all revised or "as built" plans prepared during the Store's construction and development. The Store must be developed in compliance with the Adapted Plans. During the Store's build-out, we will physically inspect the Store or have you send us pictures and images (including recordings) of the Store's interior and exterior so we can review your development of the Store in compliance with our Brand Standards. (Franchise Agreement—Section 5.C)

4. Provide initial orientation and training to you and your Store Manager. We describe this training later in this Item. (Franchise Agreement – Section 7.A)

5. Identify the Operating Assets, inventory, supplies, and other products and services you must use to develop and operate the Store, the minimum standards and specifications you must satisfy, and the designated and approved suppliers from which you must or may buy or lease items and services (which may include or be limited to us and/or our affiliates). (Franchise Agreement – Sections 5.D, 8.C, and 8.D) We and our affiliates currently are not involved in delivering or installing fixtures, equipment, or signs, although we will provide direction for you to comply with our Brand Standards.

6. Send an "opening team" to the Store for at least one week to help train your supervisory employees on our philosophy and Brand Standards and prepare the Store for opening. (Franchise Agreement – Section 7.C)

7. Give you access to our pre-opening manual, operations manual and other technical manuals (collectively, the "Operations Manual"). The Operations Manual may consist of and is defined to include audio, video, computer software, other electronic and digital media, and/or written and other tangible materials. The Operations Manual contains Brand Standards and information on your other obligations under the Franchise Agreement. We may modify the Operations Manual periodically to reflect changes in Brand Standards, but those modifications will not alter your fundamental rights or status under the Franchise Agreement. If there is a dispute over the Operations Manual's contents, our master copy controls. The Operations Manual currently contains the equivalent of approximately 64 total pages; its current table of contents is included in Exhibit D. (Franchise Agreement – Section 7.F)

8. Designate a specific number of Stores that you (and your Controlled Affiliates) must develop and open at accepted locations within your development Territory and the development deadlines (if we grant you development rights). (Development Agreement – Sections 3, 4, and 6) We will accept your Stores' proposed locations only if they meet our then-current standards for Store sites.

Ongoing Assistance

During your Store's operation, we will:

1. Advise you or make recommendations regarding the Store's operation with respect to standards, specifications, operating procedures, and methods that Stores use; purchasing required or recommended Operating Assets and other products, services, supplies, and materials; supervisory employee training methods and procedures (although you are solely responsible for the employment terms and conditions of all Store employees); and accounting, advertising, and marketing. We may guide you through our Operations Manual, in bulletins or other written materials, by electronic media, by telephone, and/or at our office or the Store. (Franchise Agreement – Section 8.C)

2. Give you, at your request and expense (and our option), additional or special guidance, assistance, and training. We have no obligation to continue providing any specific ongoing training, conventions, advice, or assistance. (Franchise Agreement – Section 7.D)

3. Continue to give you access to our Operations Manual. (Franchise Agreement – Section 7.F)

4. Issue and modify Brand Standards. Changes in Brand Standards may require you to invest additional capital in the Store and incur higher operating costs. You must comply with those obligations within the timeframe we specify. Our Franchise Agreement describes certain time limitations on when we may require you to implement capital modifications and certain related cost caps. Brand Standards may regulate (to the extent the law allows) maximum, minimum, or other pricing requirements for services and products the Store sells, including requirements for promotions, special offers, and discounts in which some or all Stores must participate and price advertising policies. (Franchise Agreement – Sections 8.A and 8.C)

5. Let you use our Marks. (Franchise Agreement – Section 9)

6. Let you use our confidential information, some of which constitutes trade secrets under applicable law (the "Confidential Information") (Franchise Agreement – Section 10). Maintain a Brand Fund for advertising, marketing, research and development, public relations, social-media management, and customer-relationship management programs and materials we deem appropriate to enhance, promote, and protect the Store brand and franchise system. We describe the Brand Fund and other advertising activities below. (Franchise Agreement – Section 14.B)

7. Periodically inspect and monitor the Store's operation. (Franchise Agreement – Section 16.A)

8. Periodically offer refresher training courses. (Franchise Agreement – Section 7.D)

9. Review advertising and promotional materials you want to use. (Franchise Agreement – Sections 14.C and D)

Advertising and Marketing Programs

Brand Fund

We have established the Brand Fund to which you must contribute the amounts we periodically specify. You agree to contribute to the Brand Fund the amounts we periodically specify, which shall be the greater of $1,000 per month or 2% of Net Revenue. We may increase the amount of the Brand Fund contribution up to a maximum of 3% of Net Revenue, provided that such contribution shall not exceed $40,000 in any fiscal year. Your Brand Fund contribution shall be due and payable at the same time and in the same manner as the Royalty or in such other manner we periodically specify. Our company-owned Stores are not required to make contributions to the Brand Fund. However, company-owned Stores do expend amounts on advertising each year which are directed toward the company-owned Stores and digital channels.

We will direct all programs the Brand Fund finances, with sole control over all creative and business aspects of the Fund's activities. The Brand Fund may pay for preparing, producing, and placing video, audio, and written materials, digital marketing, and Social Media; developing, maintaining, and administering one or more System Websites; administering national, regional, and multi-regional marketing and advertising programs, including purchasing trade journal, direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; implementing and supporting franchisees' local market introduction programs; establishing regional and national promotions and partnerships and hiring spokespersons to promote Store brand; and supporting public relations, market research, and other advertising, promotion, marketing, and brand-related activities. The Brand Fund may advertise locally, regionally, and/or nationally in printed materials, on radio or television, and/or on the Internet, as we think best. We and/or an outside regional or national advertising agency will produce all advertising and marketing. The Brand Fund periodically may give you sample Marketing Materials at no cost. We may sell you multiple copies of Marketing Materials at our direct production costs, plus any related shipping, handling, and storage charges.

We will account for the Brand Fund separately from our other funds (although we need not keep Brand Fund contributions in a separate bank account) and will not use the Brand Fund for any of our general operating expenses or store marketing kits. However, the Brand Fund may reimburse us and our affiliates for the reasonable salaries and benefits of personnel who manage and administer, or otherwise provide assistance or services to, the Brand Fund; the Brand Fund's administrative costs; travel-related expenses of personnel while they are on Brand Fund business; meeting costs; overhead relating to Brand Fund business; and other expenses we and our affiliates incur administering or directing the Brand Fund and its programs, including conducting market research, preparing Marketing Materials, collecting and accounting for Brand Fund contributions, paying taxes due on Brand Fund contributions we receive; and any other costs or expenses we incur operating or as a consequence of the Fund. We will not use the Brand Fund specifically to develop materials and programs to solicit franchisees. However, media, materials, and programs prepared using Brand Fund contributions may describe our franchise program, reference the availability of franchises and related information, and process franchise leads.

The Brand Fund is not a trust, and we do not owe you fiduciary obligations because we maintain, direct, or administer the Brand Fund or for any other reason. The Brand Fund may

spend in any fiscal year more or less than the total Brand Fund contributions during that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We may use new Brand Fund contributions to pay Brand Fund deficits incurred during previous years. We will use all interest earned on Brand Fund contributions to pay costs before using the Brand Fund's other assets. Upon written request from a franchisee, we will prepare an annual unaudited statement of Brand Fund collections and expenses during the previous fiscal year and provide the statement to those franchisees who submitted a written request. Any such request cannot be made earlier than sixty (60) days after the end of our fiscal year. If so requested, we will try to provide the statement to requestors within sixty (60) days after we receive the request. We may (but need not) have the Brand Fund audited annually, at the Brand Fund's expense, by a certified public accountant we designate. We may incorporate the Brand Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified here.

The Brand Fund's principal purposes are to maximize recognition of the Marks, increase patronage of Stores, and enhance, promote, and protect Store brand and franchise system. Although we will try to use the Brand Fund in the aggregate to develop and implement Marketing Materials and programs benefiting all Stores, we need not ensure that Brand Fund expenditures in or affecting any geographic area are proportionate or equivalent to Brand Fund contributions by Stores operating in that geographic area or that any Store benefits directly or in proportion to its Brand Fund contribution from the development of Marketing Materials or the implementation of programs. (In other words, the Brand Fund need not spend any specific amount in your market area.) We have the right, but no obligation, to use collection agents and institute legal proceedings at the Brand Fund's expense to collect unpaid Brand Fund contributions. We also may forgive, waive, settle, and compromise all claims by or against the Brand Fund. We assume no other direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Brand Fund.

We may at any time defer or reduce the Brand Fund contributions of any Store franchisee and, upon thirty (30) days' prior written notice to you, reduce or suspend Brand Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Brand Fund. If we terminate the Brand Fund, we will either (i) spend the remaining Fund balance on permitted programs and expenditures or (ii) distribute all unspent funds to our then-existing franchisees, and to us and our affiliates, in proportion to their and our respective Brand Fund contributions during the preceding 12 months. (Franchise Agreement – Section 14.B)

During our 2022 fiscal year, the Brand Fund spent 14% of its total expenditures on administration, costs and expenses, 42% on media production and placement, 43% on website and other electronic advertising costs and expenses.

Local Marketing

You agree to use your best efforts to promote and advertise your Store and participate in any local marketing and promotional programs we establish from time to time. In addition to your Brand Fund contribution, we recommend that you spend at least one and one-half percent (1.5%) of your Net Revenue on approved local marketing and promotion (the "Local Marketing

Spending Recommendation”). If you undertake local marketing, you must submit your marketing materials to us for approval (including print, electronic or other forms of media). (Franchise Agreement – Section 14.D)

Approval of Advertising

All Marketing Materials must be legal and not misleading and conform to our policies. To protect the goodwill accumulated in “The Vitamin Shoppe” name and other Marks, at least thirty (30) days before using them, you must send us samples or proofs of all Marketing Materials that we did not prepare or already approve or that we prepared or approved but you want to change in any way. If we do not approve those Marketing Materials in writing within thirty (30) days after we receive them, they are deemed disapproved for use. You may not use any Marketing Materials we have not approved or have disapproved. We may upon thirty (30) days’ prior written notice require you to stop using any previously- approved Marketing Materials. (Franchise Agreement – Section 14.C)

Advertising Councils

There currently are no franchisee advertising councils advising us on advertising and marketing policies and programs. However, we may form, change, dissolve, or merge any franchisee advertising council.

Advertising Cooperatives

There currently are no advertising cooperatives. However, we may designate a geographic area for an advertising cooperative (a “Cooperative”). The Cooperative’s members in any area are the owners of all Stores located and operating in that area (including us and our affiliates, if applicable). Each Cooperative will be organized and governed in a form and manner, and begin operating on a date, we determine. There need not be any formal agreements or bylaws to administer the Cooperative. We may change, dissolve, and merge Cooperatives. Each Cooperative’s purpose is, with our approval, to administer advertising programs and develop Marketing Materials for the area the Cooperative covers. You automatically will become a member of any existing or new Cooperative formed in your market area and must participate in the Cooperative as we require. Each Store (which includes any company-owned Stores) within a designated local advertising area will be a member of the applicable Cooperative and each Store will have one vote on all matters requiring a vote. The total amount you must pay or spend for your contribution to the Brand Fund, your local marketing expenditures and/or Cooperatives will not exceed 3% of the Net Revenue of the Store. The Stores that we and our affiliates own in the Cooperative’s area will contribute at the same rate. All Cooperative dues will count toward the Local Marketing Spending Requirement but not toward the market introduction program or Brand Fund contributions. The Cooperative will prepare annual, unaudited financial statements you may review. (Franchise Agreement – Section 14.E)

System Website and Electronic Advertising

We or our designees may establish a website or series of websites (with or without restricted access) for the Store network: (1) to advertise, market, identify, and promote Stores, the services and products they offer, and/or The Vitamin Shoppe franchise opportunity; (2) to

help us operate The Vitamin Shoppe network; and/or (3) for any other purposes we deem appropriate for the Stores (collectively, the "System Website"). The System Website need not give you a separate interior webpage or "micro-site" referencing your Store. We will own all intellectual property and other rights in the System Website and all information it contains. We will control, and may use the Brand Fund's assets to develop, maintain, operate, update, and market, the System Website.

All Marketing Materials you develop for the Store must comply with Brand Standards and contain notices of the System Website's URL as we specify. You may not develop, maintain, or authorize any digital marketing or social media mentioning or describing the Store or displaying any Marks without our prior written approval and, if applicable, without complying with our Brand Standards for such digital marketing and social media. Except for the System Website and approved digital marketing and social media, you may not conduct commerce or directly or indirectly offer or sell any products or services using any digital marketing, social media, or website. We have the right to maintain websites other than the System Website and to offer and sell services and products under the Marks from the System Website, another website, or otherwise over the Internet without payment or other obligation to you. (Franchise Agreement – Section 14.F)

Computer System

You must obtain from us or our affiliate the Computer System and to use the Computer System in the operation of the Store. (Franchise Agreement – Section 8.E) There are no contractual limitations on our right to access the information on the Computer System (unrelated to your labor relations and employment practices).

The Computer System currently includes a minimum of one register, one pin pad, two Mobile POS iPads, one tablet, one Admin PC, one laser printer, one tag printer, and network equipment and cabling. The cost of the Computer System will range between $16,000 and $17,000.

You must pay us a Technology Fee, which is currently $850 per month, but this fee could increase as our costs increase. The Technology Fee covers the costs of required software, network connectivity, infrastructure support, intranet access, IT management fees and other IT expenses. You must upgrade the Computer System, and/or obtain service and support, as we require or when necessary, because of technological developments, including complying with PCI Data Security Standards. There are no contractual limitations on the frequency and cost of this obligation. We need not reimburse your costs. You may not use any unapproved computer software. The Computer System generates and stores various types of data, including revenues, transactions, Consumer Data, product information, and other types of data as specified in the Operations Manual. We have independent, unlimited access to the information the system generates (and to the content of any Store email accounts we provide you), although not to employee- or employment-related information for your Store's employees.

Opening

You must open the Store for business within six (6) months after the date you sign its lease (except as otherwise provided in a Development Agreement), subject to any extensions we may grant. (You have no right to any extensions if you signed the Franchise Agreement under a Development Agreement.) Your opening timetable depends on the Store's condition and upgrading and remodeling requirements; the construction schedule; obtaining licenses; the delivery schedule for Operating Assets and supplies; attending and completing training; and complying with local laws and regulations.

We are not obligated to extend the opening date. You must (i) make your written request for an extension no less than 90 days prior to the required opening date and (ii) have paid the entire Initial Franchise Fee. Only then will you be eligible for an extension which consists of monthly withdrawals by us from your account for the extension period (in accordance with Section 6.D. of the Franchise Agreement) per the following schedule: $1,500 per month for each of the first 6 months of any extension and $2,500 per month for months 7-12 of any extension. The monthly extension fees due under the Franchise Agreement will be drafted from the account specified in such withdrawal authorization form until your Store opens. The monthly extension fees paid will not be refunded under any circumstances and will not be credited against any fee payable to us. Notwithstanding the foregoing, if we grant you any extension and we subsequently determine, in our sole reasonable discretion, that you are not using your best efforts to open and commence operations of your Store within a reasonable period of time following the date of our grant of an extension, we may terminate the extension grant to you. The termination of any extension grant by us shall be deemed a default under Section 19.A(ii) of the Franchise Agreement.

You may not open the Store for business until: (1) we inspect and approve in writing the Store as having been developed in compliance with our specifications and standards; (2) your Store Manager and Assistant Manager complete to our satisfaction the initial orientation and training programs; (3) the Store has sufficiently trained employees to manage and operate the Store on a day-to-day basis in compliance with our Brand Standards; (4) you have satisfied all state and federal permitting, licensing, and other legal requirements and sent us copies of any materials we request; (5) you have paid all amounts owed to, and are not in default under any agreement with, us, our affiliates, and principal suppliers; and (6) you have met all other opening requirements specified in our Operations Manual. (Franchise Agreement—Sections 5.C and 5.D)

Training

Initial Orientation and Training Programs

Your Store Manager and Assistant Store Manager must complete to our satisfaction our initial training program ("Initial Training") on operating a Store at a company-owned Store that we designate (or another location we designate), and/or through video and other electronic means, prior to the Store opening. We may charge our then-current training fee for each additional person you desire to send to Initial Training. Initial Training will last for the time we specify and focuses on our philosophy, Brand Standards, and the material aspects of operating a Store, excluding aspects relating to labor relations and employment practices.

You must pay your employees' wages, benefits, and travel, hotel, and food expenses while they attend training. We will give you information about the number of hours your employees are actively involved in classroom and in-Store training, and you are responsible for evaluating any other information you believe you need to ensure your employees are accurately paid during training. You also are responsible for maintaining workers' compensation insurance over your employees during training and must send us proof of that insurance at the outset of the training program.

The following chart describes our current initial training program, which we may modify for the particular trainees:

TRAINING PROGRAM

Column 1	Column 2 Hours of Training		Column 3
Subject	Classroom	On-the-job	Location
Welcome to TVS: Foundational Knowledge & Introduction to our Private Brands	6 hours		Location with internet access (i.e. home) or company-owned store
Store Operations: Opening/Closing, Brand Standards, Customer Engagement, Inventory Management, Loss Prevention, Store Systems, Talent Acquisition, MOD Certification	3 hours	80 hours	Company-owned Store
Customer Engagement & Product Knowledge: TVS Programs/Service Offerings, Customer Engagement Model/Selling, Category Product Education	10 hours		Company-owned Store
TOTAL	19 hours	80 hours	

Lori Wagner, currently Vice President of People Experience, will supervise franchisee training. Ms. Wagner has been with The Vitamin Shoppe system for over nine years and has twenty-one years in the learning and development space generally. The rest of our training team and managers, who have worked at The Vitamin Shoppe for various lengths of time, also lead all hands-on and instructor-led training; all of them have adequate training and appropriate knowledge to facilitate training in the areas they will teach based on their involvement with our system and work at the Stores.

We will send an "opening team" to the Store for at least one (1) week (typically starting before and continuing after opening) to provide on-site support for merchandising and set-up and prepare the Store for opening and to assist during the first week of operations. We will pay our opening team's wages and travel, hotel, and living expenses. If you request, and we agree to provide, additional or special guidance, assistance, or training during this opening phase (excluding training relating to labor relations and employment practices), you must pay our

personnel's daily charges (including wages) and travel, hotel, and living expenses. We may delay the Store's opening until all required training has been satisfactorily completed.

Retraining

If you or your Store Manager fails to complete initial training to our satisfaction, or we determine after an inspection that retraining is necessary because the Store is not operating according to Brand Standards, you or they may attend a retraining session for which we may charge our then-current training fee. You must pay all employee compensation and expenses during retraining. We may terminate the Franchise Agreement if the Store does not commence operation by the opening deadline with a fully-trained staff.

Training for Store Employees

You must properly train all Store employees to perform the tasks for their respective positions. We may develop and make available training tools and recommendations for you to use in training the Store's employees to comply with Brand Standards. We may update these training materials to reflect changes in our training methods and procedures and changes in Brand Standards.

Ongoing and Supplemental Training

We may require your Store's managers to attend and complete satisfactorily various training courses and programs that we or third parties periodically offer during the franchise term at the times and locations we designate. You must pay their compensation and expenses during training. We may charge our then-current fee for continuing and advanced training. If you request training courses or programs to be provided locally, then subject to our training personnel's availability, you must pay our then-current training fee and our training personnel's travel, hotel, and living expenses.

Besides attending and/or participating in various training courses and programs, at least 1 of your representatives (an Owner or Store Manager) must at our request attend an annual meeting of all Store franchisees at a location we designate. You must pay all costs to attend. You must pay any meeting fee we charge even if your representative does not attend (whether or not we excuse that non-attendance).

Item 12
TERRITORY

Franchise Agreement

You will operate the Store at a specific location that we first must accept. If the Store's address is unknown when the Franchise Agreement is signed, an acceptable site must be found and secured within six (6) months afterward. In that case, we will identify in the Franchise Agreement an exclusive Site Selection Area in which a suitable site must be found. We may terminate the Franchise Agreement if we do not accept, and you do not secure, the Store's site within six (6) months (subject to any permitted extensions). You may operate the Store only at that site and may not relocate without our prior written consent, which we may grant or deny as

we deem best. Whether or not we will allow relocation depends on circumstances at the time and what is in the Store's and our system's best interests. Factors include, for example, the new site's market area, its proximity to other Stores in our system, whether you are in compliance with your Franchise Agreement, and how long it will take you to open at the new site.

Conditions for relocation approval are (1) the new site and its lease are acceptable to us, (2) you pay us a reasonable relocation fee (as set forth in the Operations Manual), (3) you reimburse any costs we incur during the relocation process, (4) you confirm that your original Franchise Agreement remains in effect and governs the Store's operation at the new site with no change in the franchise term or, at our option, sign our then-current form of franchise agreement to govern the Store's operation at the new site for a new franchise term, (5) you sign a general release, in a form satisfactory to us, of any and all claims against us and our owners, affiliates, officers, directors, employees, and agents, (6) you continue operating the Store at its original site until we authorize its closure, and (7) you de-brand and de-identify the Store's former premises within the timeframe we specify and at your own expense so it no longer is associated in any manner (in our opinion) with our system and the Marks.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will receive an Area of Protection around your Store, but you will not receive an exclusive territory. We will identify and describe the Area of Protection in the Franchise Agreement before you sign it unless the Store's site has not yet been found and secured. In that case, we will define the Area of Protection after the site has been found and secured within the Site Selection Area. We expect the Area of Protection to encompass approximately 25,000 households, as determined by GbBIS.com or similar demographic reporting service. We may modify the Area of Protection during the franchise term only if the Store relocates. During the franchise term, we and our affiliates will not own or operate, or allow another franchisee or licensee to own or operate, another Store having its physical location within the Area of Protection. Continuation of your franchise does not depend on your achieving a certain sales volume, market penetration, or other contingency.

Other than excluding another Store from having its physical location within the Area of Protection, we and our affiliates retain all rights with respect Stores, the Marks, the sale of similar or dissimilar services and products, including but not limited to the sale of private label products under such names but not limited to, THE VITAMIN SHOPPE, VTHRIVE, PLNT, BODYTECH, TRUEYOU, FITFACTOR WEIGHT MANAGEMENT SYSTEM, TRUE ATHLETE, PROBIOCARE and YOUR ESSENTIALS ("Private Label Products"), and any other activities we and they deem appropriate, whenever and wherever we and they desire, whether inside or outside the Area of Protection. Those rights include the following:

(1) to own and operate, and to allow other franchisees and licensees to own and operate, Stores at any locations outside the Area of Protection (including at the boundary of the Area of Protection) and on any terms and conditions we and they deem appropriate;

(2) to offer and sell, and to allow others to offer and sell, inside and outside the Area of Protection, and on any terms and conditions we and they deem appropriate, services and products that are identical or similar to and/or competitive with those offered and sold by Stores, including all Private Label Products, whether identified by the Marks or other trademarks or service marks, through any distribution channels (including the Internet, all omni channels and store within a store concepts and pop-up shops) but not through Stores that have their physical locations inside the Area of Protection;

(3) to establish and operate, and to allow others to establish and operate, anywhere (including inside or outside the Area of Protection) businesses offering similar services and products under trademarks and service marks other than the Marks;

(4) to acquire the assets or ownership interests of one or more businesses offering and selling services and products similar to those offered and sold at Stores (even if such a business operates, franchises, or licenses "Competitive Businesses"), and operate, franchise, license, or create similar arrangements for those businesses once acquired, wherever those businesses (or the franchisees or licensees of those businesses) are located or operating, including within the Area of Protection;

(5) to be acquired (through acquisition of assets, ownership interests, or otherwise, regardless of the transaction form) by a business offering and selling services and products similar to those offered and sold at Stores, or by another business, even if such a business operates, franchises, or licenses Competitive Businesses inside or outside the Area of Protection; and

(6) to engage in all other activities the Franchise Agreement does not expressly prohibit.

We and our affiliates need not compensate you if we engage in these activities.

Unless you acquire development rights (described below), you have no options, rights of first refusal, or similar rights to acquire additional franchises. Although we have the right to do so (as described above), we and our affiliates have not established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark.

Your right to operate a Store is limited to services provided and products sold at the Store's physical location; it does not include the right to distribute services and products over the Internet or to engage in other supply or distribution channels unless permitted by us. We and our Affiliates currently offer and sell products and services identified by the Marks and other trademarks through alternate channels of distribution to customers throughout the world, including customers located in the Area of Protection. These channels include, but are not limited to, sales through the Internet and other web-based channels and may include various pick-up and delivery options and/or fulfillment from your Store. In such event, we may, but are under no obligation, to share any revenue with you and we reserve the right to modify any revenue sharing arrangement at any time. Your sale of products at any location outside of your Store's physical location without our prior written consent will be a material breach of the

Franchise Agreement and could subject you to a damages claim by us for, among other things, your unauthorized use of our Marks.

You may not develop, maintain, or authorize any digital marketing or social media mentioning or describing the Store or displaying any Marks without our prior written approval and, if applicable, without complying with our Brand Standards. Except for our System Website and approved digital marketing and social media, you may not conduct commerce or directly or indirectly offer or sell any products or services using any digital marketing, social media, or website.

As described in Item 1, VS Industries, which shares our principal business address, currently operates 29 retail businesses in the States of Washington, Oregon and Idaho under the name "Super Supplements". The products sold at Super Supplements businesses consist generally of vitamins and supplements which are similar to certain products sold at Stores and certain Private Label Products are sold at Super Supplements businesses. These businesses are all owned by VS Industries. VS Industries has no present intention to franchise these businesses. In addition, VS Industries has no present intention to open a "Super Supplements" location within the Area of Protection of any franchisee. Therefore, we have no plan for resolving conflicts between our franchisees and these locations.

Development Agreement

You may (if you qualify) develop and operate a number of Stores within a specific territory (the "Territory"). We and you will identify the Territory in the Development Agreement before signing it. The Territory typically is defined by cities, counties, or other political subdivisions. We base the Territory's size primarily on the number of Stores you agree to develop, demographics, the number of distinct trade areas, and site availability. We will determine the number of Stores you must develop, and the deadlines for signing their Franchise Agreements and leases and then opening them, to keep your development rights. We and you then will complete the schedule in the Development Agreement before signing it. You may not develop or operate Stores outside the Territory. While the Development Agreement is in effect, we (and our affiliates) will not establish and operate or grant others the right to establish and operate Stores having their physical locations within the Territory. This means that while the Development Agreement is in effect, you have exclusive rights in the Territory to physical locations operating under the Marks. This is the only restriction on our (and our affiliates') activities within the Territory during the development term. Other than the development rights granted under the Development Agreement, you have no options, rights of first refusal, or similar rights to acquire additional franchises.

We may terminate the Development Agreement if you do not satisfy your development obligations. Otherwise, continuation of your territorial exclusivity does not depend on your achieving a certain sales volume, market penetration, or other contingency. We will accept proposed locations for your additional Stores only if they meet our then-current standards for Store sites.

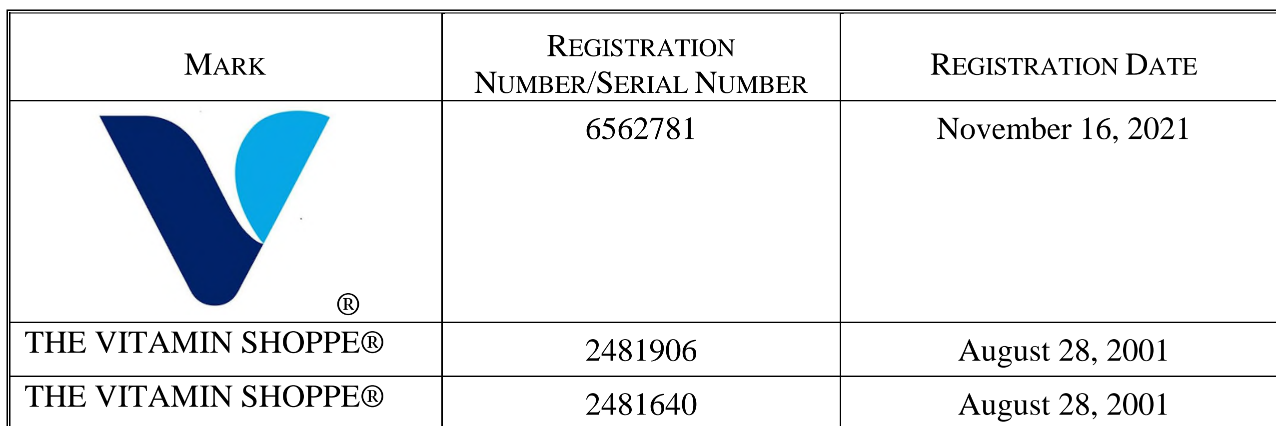
Despite the development schedule, we may delay your development and/or opening of additional Stores within the Territory if we believe, when you apply for another Store, or after

you (or your Controlled Affiliate) have developed and constructed but not yet opened a particular Store, that you (or your Controlled Affiliate) are not yet operationally, managerially, or otherwise prepared (no matter the reason) to develop, open, and/or operate the additional Store in full compliance with our standards and specifications. We may delay additional development and/or a Store's opening for the time period we deem best if the delay will not in our reasonable opinion cause you to breach your development obligations under the development schedule (unless we are willing to extend the schedule to account for the delay).

We may not alter your Territory during the Development Agreement term. Although we have the right to do so, we and our affiliates have not established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark.

Item 13
TRADEMARKS

You may use certain Marks in operating your Store. Vitamin Shoppe Procurement Services, LLC owns the following principal Marks on the Principal Register of the United States Patent and Trademark Office (the "USPTO):



MARK	REGISTRATION NUMBER/SERIAL NUMBER	REGISTRATION DATE
®	6562781	November 16, 2021
THE VITAMIN SHOPPE®	2481906	August 28, 2001
THE VITAMIN SHOPPE®	2481640	August 28, 2001

Vitamin Shoppe Procurement Services, LLC has filed, or will file when due, all required affidavits for its registered Marks. While no Marks are due for renewal, Vitamin Shoppe Procurement Services, LLC intends to renew them if they remain important to the Store brand. Vitamin Shoppe Procurement Services, LLC licenses us to use these Marks and related intellectual property, and to authorize franchisees to use them in operating Stores, under a Trademark Agreement effective January 29, 2021 (the "License Agreement"). The License Agreement's initial term is twenty (20) years which may be extended by mutual agreement of the parties. Either we or Vitamin Shoppe Procurement Services, LLC may terminate the License Agreement upon written notice to the other as a result of default under any provision of the License Agreement. When the License Agreement terminates or expires, we must stop using and sublicensing the Marks and related intellectual property. However, any Store franchisee that has been authorized to use the Marks in its franchise may continue using the Marks until that franchisee's franchise agreement, and any permitted successor franchise agreement, expire or are terminated, but only if the franchisee continues to comply with its obligations in the franchise

agreement and any permitted successor franchise agreement during their remaining terms. No other agreement limits our right to use or sublicense any Mark (whether we own them or Vitamin Shoppe Procurement Services, LLC licenses them for use in operating the Stores).

Except as noted below, there are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving the principal Marks. We do not actually know of either superior prior rights or infringing uses that could materially affect your use of the Marks in any state.

You must follow our rules and other Brand Standards when using the Marks, including giving proper notices of trademark and service mark registration and obtaining required fictitious or assumed-name registrations. You may not use any Mark as part of your corporate or legal business name; with modifying words, terms, designs, or symbols (other than logos we license to you); in selling any unauthorized products or services; or in connection with any digital marketing or in any user name, screen name, or profile associated with any Social Media sites without our consent or, if applicable, without complying with our Brand Standards.

If we believe at any time that it is advisable for us and/or you to modify, discontinue using, and/or replace any Mark, and/or to use one or more additional or substitute trademarks or service marks, you must comply with our directions within a reasonable time after receiving notice. We need not reimburse your expenses to comply with those directions (such as your costs to change signs or replace supplies for the Store), any loss of revenue due to any modified or discontinued Mark, or your expenses to promote a modified or substitute trademark or service mark.

You must notify us immediately of any actual or apparent infringement or challenge to your use of any Mark, any person's claim of any rights in any Mark (or any identical or confusingly similar trademark), or unfair competition relating to any Mark. You may not communicate with any person other than us and Vitamin Shoppe Procurement Services, LLC, our respective attorneys, and your attorneys regarding any infringement, challenge, or claim. We and Vitamin Shoppe Procurement Services, LLC may take the action we or it deems appropriate (including no action) and control exclusively any litigation, USPTO proceeding, or other administrative proceeding or enforcement action arising from any infringement, challenge, or claim or otherwise concerning any Mark. You must sign any documents and take any other reasonable actions that we and our, and Vitamin Shoppe Procurement Services, LLC's, attorneys deem necessary or advisable to protect and maintain our and Vitamin Shoppe Procurement Services, LLC's interests in any litigation, USPTO or other proceeding, or enforcement action or otherwise to protect and maintain our and Vitamin Shoppe Procurement Services, LLC's interests in the Marks.

We will reimburse your damages and expenses incurred in any trademark infringement proceeding disputing your authorized use of any Mark, provided your use has been consistent with the Franchise Agreement, the Operations Manual, and Brand Standards communicated to you and you have timely notified us of, and complied with our directions in responding to, the proceeding. At our option, we and/or our affiliates may defend and control the defense of any proceeding arising from or relating to your use of any Mark.

The Development Agreement does not grant you the right to use the Marks. These rights arise only under signed Franchise Agreements with us.

Item 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents or patent applications are material to the franchise. We and our affiliates claim copyrights in the Operations Manual (containing our trade secrets and Confidential Information), Store blueprints and other design features, signage, Marketing Materials, software, our System Website, and similar items used in operating Stores. We and our affiliates have not registered these copyrights with the United States Copyright Office but currently need not do so to protect them. You may use copyrighted items only as we specify while operating your Store (and must stop using them at our direction). Our right to use many of the copyrighted materials described above and much of the Confidential Information described below arises from the same License Agreement described earlier.

There currently are no effective adverse material determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. Except for our agreement with Vitamin Shoppe Procurement Services, LLC, no agreement limits our right to use or allow others to use copyrighted materials.

We do not actually know of any infringing uses of our or Vitamin Shoppe Procurement Services, LLC's copyrights that could materially affect your using them in any state. We and Vitamin Shoppe Procurement Services, LLC need not protect or defend copyrights, although we intend to do so if in the system's best interests. We and Vitamin Shoppe Procurement Services, LLC may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We and Vitamin Shoppe Procurement Services, LLC need not participate in your defense of and/or indemnify you for damages or expenses incurred in a copyright proceeding.

Our Operations Manual and other materials contain our and our affiliates' Confidential Information (some of which are trade secrets under applicable law). Confidential Information includes our proprietary Store curriculum; layouts, designs, and other Plans for Stores; methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, and knowledge and experience used in developing and operating Stores; marketing research and promotional, marketing, and advertising programs for Stores; strategic plans, including expansion strategies and targeted demographics; knowledge of specifications for and suppliers of, and methods of ordering, certain Operating Assets, services, products, materials, and supplies that Stores use and sell; knowledge of operating results and financial performance of Stores other than your Store; customer solicitation, communication, and retention programs, along with data and information used or generated in connection with those programs; and information generated by, or used or developed in, operating your Store, including Consumer Data, and any other information contained in the Computer System or that visitors (including you) provide to the System Website.

You must comply with all laws governing the use, protection, and disclosure of Consumer Data. If there is a data security incident at the Store, you must notify us immediately, specify the extent to which Consumer Data was compromised or disclosed, and comply and

cooperate with our instructions for addressing the data security incident in order to protect Consumer Data and The Vitamin Shoppe brand (including giving us or our designee access to your Computer System, whether remotely or at the Store).

You may not use Confidential Information in an unauthorized manner. You must take reasonable steps to prevent its improper disclosure to others and use non-disclosure agreements with those having access to Confidential Information. We may pre-approve your non-disclosure agreements solely to ensure that you adequately protect Confidential Information and the competitiveness of Stores. Under no circumstances will we control the forms or terms of employment agreements you use with Store employees or otherwise be responsible for your labor relations or employment practices.

You must promptly disclose to us all ideas, concepts, techniques, or materials relating to the Store ("Innovations"), whether or not protectable intellectual property and whether created by or for you or your owners, employees, or contractors. Innovations belong to and are works made-for-hire for us. If any Innovation does not qualify as a "work made-for-hire" for us, you assign ownership of and all related rights to that Innovation to us and must sign (and cause your owners, employees, and contractors to sign) whatever assignment or other documents we periodically request to evidence our ownership and to help us obtain intellectual property rights in the Innovation. You may not use any Innovation in operating the Store without our prior written approval.

The Development Agreement does not grant you rights to use any intellectual property. These rights arise only undersigned Franchise Agreements with us.

Item 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATIONOF THE FRANCHISE BUSINESS

Brand Standards may require adequate staffing levels for the Store to operate in compliance with Brand Standards and address appearance of Store personnel and courteous service to customers. However, you have sole responsibility and authority for your labor relations and employment practices, including, among other things, employee selection, promotion, termination, hours worked, rates of pay, benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. Store employees are under your control at the Store. You must communicate clearly with Store employees in your employment agreements, human resources manuals, written and electronic correspondence, paychecks, and other materials that you (and only you) are their employer and that we, as the franchisor of Stores, and our affiliates are not their employer and do not engage in any employer-type activities (including those described above) for which only franchisees are responsible. You must obtain an acknowledgment (in the form we specify or approve) from all Store employees that you (and not we or our affiliates) are their employer.

You must designate one of your employees to act as the Store Manager. You and the Store Manager and Assistant Store Manager must complete the Initial Training to our satisfaction. The Store Manager is responsible for managing your business. The Store Manager

will communicate with us directly regarding Store-related matters and must have sufficient authority to make decisions for the Store.

All Store Managers and your officers and directors must sign confidentiality agreements we pre-approve. Our right to pre-approve your forms is solely to protect Confidential Information and the competitiveness of Stores. Under no circumstances will we control the forms or terms of employment agreements you use with Store employees or otherwise be responsible for your labor relations or employment practices.

If you propose to change the Store Manager, you must seek a new individual (the "Replacement Store Manager") for that role and appoint the Replacement Store Manager within thirty (30) days after the former Store Manager's last day. The Replacement Store Manager must attend our initial orientation session within thirty (30) days after he/she is selected by you and you will be responsible for their compensation and travel related expenses during the orientation session.

Each person or entity having a ten percent (10%) or more direct or indirect ownership interest in you generally must personally guarantee all of your obligations under the Franchise Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations, including the covenant not to compete. Your spouse is not required to personally guarantee your obligations, unless they have an ownership interest in your franchise. This "Guaranty and Assumption of Obligations" is Exhibit B of the Franchise Agreement. We may waive the guarantee requirement for certain private equity owners of Stores. In that case, however, we still may require individuals owning a certain percentage of the franchisee entity or actively involved in the Store's management to commit to comply with certain non-monetary contractual obligations, including confidentiality and non-disclosure.

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

The Store must offer for sale all services and products that we periodically specify. The Store may not offer, sell, or otherwise distribute at the Store's premises or another location any services or products that we have not authorized. There are no limits on our right to modify the services and products that your Store must or may offer and sell. Brand Standards may regulate (to the extent the law allows) maximum, minimum, or other pricing requirements for services and products the Store sells, including requirements for national, regional, and local promotions, special offers, and discounts in which some or all the Stores must participate and price advertising policies. There are no limits on the customers to whom your Store may sell goods and services at its premises.

Item 18
PUBLIC FIGURES

We do not use any public figure to promote our franchise.

Item 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Financial Performance Representation ("**FPR**") presents information about the financial performance during the fiscal year ended December 31, 2022 ("**Fiscal Year 2022**") for company-owned Stores that (i) were open for all 12 months of Fiscal Year 2022 and (ii) had over 3,000 square feet of leased space (which is the recommended minimum amount of space necessary to offer a complete inventory of Approved Products and the recommended minimum space requirement for new franchised Stores) (the "**Covered Stores**"). The Covered Stores for which information is included in this Item 19 are substantially similar to franchised Stores in appearance, size, and in the products and services offered. No franchised Stores were open for all 12 months of Fiscal Year 2022.

This FPR includes certain historical information on revenue and expenses for Covered Stores. In each Table, we ranked the Covered Stores based on their annual Contribution (as defined after the Tables) and separated them into categories based on ranges of Contribution. The data is calculated for each category and does not represent a single Store across all categories. They are the highest and lowest values for all Stores included in that category. Thus, the lowest and highest numbers may represent annualized results for different Stores.

Table 1 provides a summary of average Total Revenue, COGS, Gross Profit, Expenses, and Contribution and each line item as a percentage of Total Revenue. Table 2 provides more detailed information related to each of the line items summarized in Table 1. Please see the notes that follow the Tables for descriptions of each category. In the Tables, we have imputed the payment of the Royalty Fee, Marketing Fee, and Technology Fee that franchised Stores will incur, though these expenses were not actually incurred by our company-owned Stores.

As of December 31, 2022, there were 673 company-owned Stores in operation, 530 of which are included in the Covered Stores in this FPR. The Covered Stores do not include one Store that was not open for the entire Fiscal Year 2022 and 142 Stores that had less than 3,000 square feet. The Covered Stores also do not include eight Stores that permanently closed during Fiscal Year 2022, all of which had been opened for at least 12 months prior to closing.

Table Notes:

The following notes (i) generally define each line-item category shown in the Tables, and (ii) highlight other factors you should be aware of. You should review the attached Tables only in conjunction with the following notes, which are an integral part of the numerical information.

Note 1: Net Revenue means all revenue received or otherwise derived from operating your Business, whether from cash, check, credit or debit card, gift card or gift certificate, loyalty, or other credit transactions, Apple Pay, PayPal, Venmo or any other form of payment, and regardless of collection or when you actually provide the products or services in exchange for the revenue. Net Revenue does include any bona fide returns and credits that are actually provided to customers. If a franchisee receives any proceeds from any business interruption insurance applicable to loss of revenue at the Store, that will be added to Total Revenue at an amount equal to the imputed net revenue that the insurer used to calculate those proceeds. Net Revenue does not include (a) any sales or other taxes that you collect from customers and pay directly to the appropriate taxing authority; (b) any sales credited from us for online sales commissions from direct-to-consumer orders, web auto delivery program orders, or store replenishment auto delivery program orders; or (c) Buy Online Ship from Store (BOSS) sales as this purchase method is not applicable to franchise stores.

Note 2: Commission means the amount we will pay franchisees as a monthly credit for online transactions such as direct to consumer orders or auto delivery program replenishment orders that occur in their Store or in their Area of Protection. These are not paid to company-owned Stores, but we have added them to reflect what Commissions would look like if the Stores had been franchisee-operated. Commission calculations in these tables reflect the following current revenue sharing arrangement: 1) a 15% commission for all Auto-Delivery replenishment sales where the Auto-Delivery subscription originated in Franchisee's Store in addition to 2) a 5% commission on Auto-Delivery replenishment sales where the subscription originated online and the customer's billing address was assigned to Franchisee's Area of Protection and 3) a 5% commission on VitaminShoppe.com sales where the customer's billing address was assigned to Franchisee's Area of Protection. Calculations reflect an average Store. Commissions rates can be adjusted from time to time or discontinued at any time in our sole discretion.

Note 3: Total Revenue is calculated as Net Revenue plus the Commission.

Note 4: Total Cost of Goods Sold (Total COGS) is the sum of all expenses associated with inventory including the cost associated with receiving, handling and shipping of the product to the Franchisee's store and loyalty expense. This value is the sum of all these costs less any credits given for promotional funding provided by vendors for promotions they agree to support ("SCANS"), and returned, damaged or defective merchandise returned for return merchandise authorization ("RMA").

Note 5: Gross Profit is calculated as Total Revenue less the Total COGS.

Note 6: Royalty is an imputed figure equal to 5% of Net Revenue. Although the company-owned Stores do not pay a Royalty, we are including a Royalty of 5% of your Net Revenue for the accounting period because that is an expense you will incur. As Commissions

are excluded from the definition of Net Revenue, Commissions paid to the Franchisees are not included in the calculation of the Royalty payments.

Note 7: Payroll Expense is the sum of all store personnel cost, including: salaries and hourly pay for both full-time and part-time employees, employee bonuses, employee and employer Contributions for F.I.C.A. taxes, federal unemployment taxes, state unemployment taxes, worker's compensation insurance, group health insurance (if any), and payroll processing fees.

Note 8: Occupancy Expense is the sum of all business occupancy cost including: rental space cost, common area maintenance (C.A.M), cartage, property taxes, real estate insurance, professional fees related to lease negotiations, electric, water and gas utilities.

Note 9: Marketing Expense is calculated for each Store as the greater of (i) the actual marketing expenses incurred by such business (such as expenses for online advertising, social media costs, billboards, radio ads, newspapers ads, and inserts) or (ii) an imputed figure equal to the Brand Fund fee that you will pay us, which is equal to the greater of 2% of Net Revenue or $1,000 per month ($12,000 per year) up to a maximum of $40,000 per year. Company-owned Stores do not pay the Brand Fund fee, but we have imputed the Brand Fund fee for those Stores with actual marketing expenditures that were lower than the Brand Fund fee that you will be required to pay. We recommend that you spend at least 1.5% of your Net Revenue on local marketing, in addition to the Brand Fund fee.

Note 10: Operating Expense is the sum of all general and administrative expenditures related to the day-to-day operations of a Store not referenced in other expense categories, including: bank service charges, insurance expense, store supplies, signage, repairs and maintenance, third party credit card fees, accounting/professional fees, and all other miscellaneous cost. This category does not include interest, income taxes, depreciation or amortization expenses.

Note 11: Technology Fee is an imputed figure equal to $850 per month. Company-owned Stores do not pay a Technology Fee, but we have included a Technology Fee line item, since it is a fee that you will incur.

Note 12: Total Expenses is the sum of Royalty Fee, Payroll Expense, Occupancy Expense, Marketing Expenses, Operating Expenses, and Technology Fee. This category does not reflect sales taxes, interest, income taxes, depreciation or amortization expenses.

Note 13: Contribution is Gross Profit less Total Expenses. This FPR does not reflect interest, income taxes, depreciation or amortization.

Notes to Item 19:

1. Some Stores have sold or earned these amounts. Your individual results may differ. There is no assurance that you will sell or earn as much.

2. Written substantiation for the financial performance representations in this Item 19 will be made available to you upon reasonable request.

3. We strongly suggest that you consult your own financial advisor or personal accountant and conduct an independent investigation on any financial projections, costs and expenses, and federal, state, local income taxes or any other applicable taxes that you may incur in operating a Store.

Other than the preceding financial performance representation, Vitamin Shoppe Franchising, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Carlos Lopez, General Counsel for Vitamin Shoppe at 300 Harmon Meadow Blvd., Secaucus, New Jersey 07094; Carlos.Lopez@vitaminshoppe.com or (201) 552-6095; the Federal Trade Commission; and/or the appropriate state regulatory agencies.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the shareholders and the Board of Directors of Franchise Group, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Franchise Group, Inc. and subsidiaries (the "Company") as of December 31, 2022 and December 25, 2021 and the related consolidated statements of operations, comprehensive income (loss), stockholders' equity, and cash flows, for each of the three fiscal years in the period ended December 31, 2022, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and December 25, 2021 and the results of its operations and its cash flows for each of the three fiscal years in the period ended December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission and our report dated February 28, 2023, expressed an adverse opinion on the Company's internal control over financial reporting because of a material weakness.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current-period audit of the financial statements that was communicated or required to be communicated to the audit committee and that (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Goodwill – American Freight Reporting Unit – Refer to Notes 1 and 7 to the financial statements

Critical Audit Matter Description

The Company performed a quantitative impairment evaluation of the goodwill for the American Freight reporting unit by comparing the estimated fair value of the reporting unit to its carrying value. The Company determined the fair value of the American Freight reporting unit using an income approach and a market approach. The determination of the fair value requires management to make significant estimates and assumptions related to projected cash flows, discount rates and growth rates. Changes in these assumptions could have a significant impact on either the fair value, the amount of any goodwill impairment charge, or both. The goodwill balance was $737.4 million as of December 31, 2022, of which $300.8 million was related to the American Freight reporting unit. The carrying value of the American Freight reporting unit exceeded its fair value as of the measurement date which resulted in a $70.0 million goodwill impairment.

Given the significant judgments made by management to estimate the fair value of the American Freight reporting unit, performing audit procedures to evaluate the reasonableness of management's estimates and assumptions related to projected cash flows, discount rates and growth rates of the American Freight reporting unit required a high degree of auditor judgment and an increased extent of effort, including the need to involve our fair value specialists.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the projected cash flows and growth rates ("forecasts"), and the selection of a discount rate for the American Freight reporting unit included the following, among others:

- We tested the effectiveness of controls over management's goodwill impairment evaluation, including those over the determination of the fair value of American Freight, such as controls related to management's forecasts and selection of the discount rate.

- We evaluated management's ability to accurately forecast by comparing actual results to management's historical forecasts.

- We evaluated the reasonableness of management's forecasts by comparing the forecasts to (1) historical results, (2) internal communications to management and the Board of Directors and (3) forecasted information included in industry reports.

- With the assistance of our fair value specialists, we evaluated the reasonableness of the (1) valuation methodology, (2) discount rate, and (3) market multiples by:

    - Testing the source information underlying the determination of the discount rate and market multiples and the mathematical accuracy of the calculations.

    - Developing a range of independent estimates and comparing those to the discount rate and market multiples selected by management.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the shareholders and the Board of Directors of Franchise Group, Inc.

Opinion on Internal Control over Financial Reporting

We have audited the internal control over financial reporting of Franchise Group, Inc. and subsidiaries (the "Company") as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). In our opinion, because of the effect of the material weakness identified below on the achievement of the objectives of the control criteria, the Company has not maintained effective internal control over financial reporting as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by COSO.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated financial statements as of and for the fiscal year ended December 31, 2022, of the Company and our report dated February 28, 2023, expressed an unqualified opinion on those financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the Management's Report on Internal Control Over Financial Reporting (not presented herein). Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Material Weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

The Company identified a material weakness in its controls over financial reporting involving the preparation of its Statement of Cash Flows. As a result of this deficiency, there was a misclassification of cash flows associated with interest payments on the Company’s secured borrowing resulting in an overstatement of cash flows provided by operating activities and an overstatement of cash flows used in financing activities for the three and six months ended March 26, 2022 and June 25, 2022, respectively, within its Statement of Cash Flows.

This material weakness was considered in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements as of and for the fiscal year ended December 31, 2022, of the Company, and this report does not affect our report on such financial statements.

(1) Organization and Significant Accounting Policies

*Description of Business***.** Franchise Group, Inc. (the "Company") is an owner and operator of franchised and franchisable businesses that continually looks to grow its portfolio of brands while utilizing its operating and capital allocation philosophies to generate strong cash flows. The Company has a diversified and growing portfolio of highly recognized brands.

Acquisitions. For a complete description of the Company's acquisitions, refer to "Note 2 - Acquisitions". On March 10, 2021, the Company completed its acquisition of Pet Supplies Plus for an aggregate purchase price of $451.3 million. On September 27, 2021, the Company completed its acquisition of Sylvan Learning ("Sylvan") for an aggregate purchase price of $82.9 million. On November 22, 2021, the Company completed its acquisition of Badcock Home Furniture & more ("Badcock") for an aggregate purchase price of $548.8 million.

The assets acquired and the liabilities assumed in the acquisitions above are recorded at fair value in accordance with Accounting Standards Codification ("ASC") 805, "Business Combinations." Acquisition-related costs are expensed as incurred. The purchase price is allocated to the various tangible and intangible assets acquired and liabilities assumed, based on their estimated fair values. In the case where there is an excess of aggregate net fair value of assets acquired and liabilities assumed over the fair value of consideration transferred, the purchase price will be recorded as a bargain purchase gain. Determining the fair value of certain assets and liabilities is subjective in nature and often involves the use of significant estimates and assumptions, which are inherently uncertain. Many of the estimates and assumptions used to determine fair values, such as those used for intangible assets are made based on forecasted information and discount rates. In addition, the judgments made in determining the estimated fair value assigned to each class of assets acquired and liabilities assumed, as well as asset lives, can materially impact the Company's results of operations.

During the measurement period, which is not to exceed one year from the acquisitions, the Company may record adjustments to the acquired assets and liabilities assumed or the preliminary purchase price, with a corresponding offset to goodwill or bargain purchase gain, to reflect new information obtained about facts and circumstances that existed as of the acquisition dates. Upon the conclusion of the measurement period, any subsequent adjustments are recorded to earnings.

Divestitures. On July 2, 2021, the Company completed the sale of its Liberty Tax business to NextPoint Acquisition Corp. ("NextPoint"), as described in "Note 3 - Divestitures".

Segment Information. The Company currently operates in six reportable segments: Vitamin Shoppe, Pet Supplies Plus, Badcock, American Freight, Buddy's and Sylvan.

The Vitamin Shoppe segment is an omnichannel specialty retailer and wellness lifestyle company with the mission of providing customers with the most trusted products, guidance and services to help them become their best selves, however they define it. Vitamin Shoppe offers one of the largest varieties of products among vitamin, mineral and supplement retailers. The broad product offering enables Vitamin Shoppe to provide customers with a depth of selection of products that may not be readily available at other specialty retailers or mass merchants, such as discount stores, supermarkets, drug stores and wholesale clubs. Vitamin Shoppe continues to focus on improving the customer experience through the roll-out of initiatives including increasing customer engagement and personalization, enhancing the omnichannel experience (including in stores, online and on mobile devices), growing private brands and improving the effectiveness of pricing and promotions.

The Pet Supplies Plus segment is a leading omnichannel retail chain and franchisor of pet supplies and services. Pet Supplies Plus has a diversified revenue model comprised of Company-owned store revenue, franchise royalties and revenue generated by the wholesale distribution of products to its franchisees. Pet Supplies Plus offers a curated selection of premium brands, proprietary private labels and specialty products with retail price parity with online players. Additionally, Pet Supplies Plus offers grooming, pet wash and other services in most of its locations. On February 22, 2022, Pet Supplies Plus completed its acquisition of Wag N' Wash, an emerging grooming, pet-wash and natural pet food franchise. Wag N' Wash is primarily focused on dogs, has a store footprint that is substantially smaller than a Pet Supplies Plus location and is operated by the Pet Supplies Plus management.

The Badcock segment is a retailer of furniture, appliances, bedding, electronics, home office equipment, accessories and seasonal items in a showroom format. Additionally, Badcock offers multiple and flexible payment solutions and credit

options through third parties and its consumer financing services. The Company is in the process of moving the financing business fully to a third-party provider.

The American Freight segment is a retail chain offering in-store and online access to furniture, mattresses, new and out-of-box home appliances and home accessories at discount prices. American Freight buys direct from manufacturers and sells direct in warehouse-style stores. By cutting out the middleman and keeping its overhead costs low, American Freight can offer quality products at low prices. The American Freight segment provides customers with multiple payment options including third-party financing providing access to high-quality products and brand name appliances that may otherwise remain aspirational to some of its customers. American Freight also serves as a liquidation channel for major appliance vendors. American Freight operates specialty distribution centers that test every out-of-box appliance before it is offered for sale to customers. Customers typically are covered by the original manufacturer's warranty and are offered the opportunity to purchase a full suite of extended-service plans and services.

The Buddy's segment is a specialty retailer of high quality, name brand consumer electronic, residential furniture, appliances and household accessories through rent-to-own agreements. The rental transaction allows customers the opportunity to benefit from the use of high-quality products under flexible rental purchase agreements without long-term obligations.

The Sylvan segment is an established and growing franchisor of supplemental education for Pre-K-12 students and families. Sylvan addresses the full range of student needs with a broad variety of academic curriculums delivered in an omnichannel format. The Sylvan platform provides franchisees with the ability to provide a range of supplemental educational services, including on premises, virtually, at a satellite location, and in the home.

Principles of Consolidation. The audited consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the U.S. ("GAAP"). The Company consolidates any entities in which it has a controlling interest, the usual condition of which is ownership of a majority voting interest. Prior to April 1, 2020, the Company reported a non-controlling interest representing the economic interest in Franchise Group New Holdco, LLC ("New Holdco") held by the former equity holders of Buddy's (the "Buddy's Members"). As of April 1, 2020, the Company redeemed all outstanding New Holdco units for shares of common stock of the Company and now has a 100% interest in New Holdco. Refer to "Note 11 - Stockholders' Equity" for more information on the non-controlling interest.

The Company does not possess any ownership interests in franchisee entities; however, the Company may provide financial support to franchisee entities. Because the Company's franchise arrangements provide franchisee entities the power to direct the activities that most significantly impact their economic performance, the Company does not consider itself the primary beneficiary of any such entity that meets the definition of a variable interest entity ("VIE"). The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it. Based on the results of management's analysis of potential VIEs, the Company has not consolidated any franchisee entities. The Company's maximum exposure to loss resulting from involvement with potential VIEs is attributable to accounts and notes receivables and future lease payments due from franchisees. When the Company does not have a controlling interest in an entity but has the ability to exert significant influence over the entity, the Company applies the equity method of accounting. All intercompany balances and transactions have been eliminated in consolidation.

Fiscal Year End. For the years ended December 25, 2021 and December 26, 2020, our fiscal year ended on the Saturday in December closest to December 31st. On February 22, 2022, our Board of Directors ("Board") approved a change in our fiscal year-end from the last Saturday in December closest to December 31st to the Saturday in December or January, whichever is closest to December 31st. Fiscal year 2022 ended on December 31, 2022 and included 53 weeks, with the 53rd week falling in the fourth fiscal quarter, and fiscal years 2021 and 2020 included 52 weeks.

Use of Estimates. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation. Revenues have been classified into product, service and other and rental revenues as further discussed in "Note 8 - Revenue." Costs of sales for product includes the cost of merchandise, transportation and warehousing costs. Service and other costs of sales include the direct costs of warranties. Rental cost of sales represents the amortization of inventory costs over the leased term. Other operating expenses, including employee costs, depreciation and amortization, and advertising expenses have been classified in selling, general and administrative expenses. For the years ended December 31, 2022, December 25, 2021 and December 26, 2020, total advertising expense was $98.1 million, $74.1 million, and $52.8 million, respectively. The Company also includes occupancy costs in selling, general and administrative expenses.

*Cash and Cash Equivalents***.** The Company considers all highly liquid instruments with maturities of three months or less at the time of purchase, as well as credit card receivables for sales to customers in its Company-owned stores that generally settle within two to five business days, to be cash equivalents. The Company maintains cash and cash equivalent balances with financial institutions that exceed federally-insured limits. The Company has not experienced any losses related to these balances, and the Company believes credit risk to be minimal.

Securitization of Receivables. Sales of beneficial interests in customer revolving lines of credit are recorded as cash and an equivalent amount is recorded as "Debt secured by accounts receivable, net" on the Company's Consolidated Balance Sheets. The accounts receivable, which have been securitized, are recorded as "Securitized accounts receivable" on the Consolidated Balance Sheets. The net securitized accounts receivable on the balance sheet include the current and non-current portions, net of allowance for bad debt and an unamortized purchase discount recorded in purchase accounting related to the Badcock Acquisition.

*Inventories***.** Inventory for the Vitamin Shoppe segment is recorded at the lower of cost or market value using the weighted-average cost method. Inventory includes costs directly incurred in bringing the product to its existing condition and location. In addition, the cost of inventory is reduced by purchase discounts and other allowances received from vendors. A markdown reserve is estimated based on a variety of factors, including, but not limited to, the amount of inventory on hand and its remaining shelf life, current and expected market conditions and product expiration dates. In addition, the Company has established a reserve for estimated inventory shrinkage based on the actual, historical shrinkage of its most recent physical inventories adjusted, if necessary, for current economic conditions and business trends. Physical inventories and cycle counts are taken on a regular basis. These adjustments are estimates, which could vary significantly from actual results if future economic conditions, customer demand or competition differ from management expectations.

Inventory for the Pet Supplies Plus segment is recorded at the lower of cost, determined on the average cost method or net realizable value for store inventories. Pet Supplies Plus includes freight and labor costs on products purchased from its distribution center in cost of products sold. Wholesale inventories are valued at the lower of cost (including freight), determined on the average cost method or net realizable value. Volume-based vendor allowances, rebates, and credits that relate to the Company's store merchandising activities are applied to product cost and recognized in cost of goods sold as the related product is sold.

Inventory for the Badcock segment is comprised of finished goods and is valued at the lower of cost or market value, with cost determined by the first-in, first-out method. Inventory includes the purchase price of the inventory plus costs of freight for moving merchandise from vendors to distribution centers as well as from distribution centers to stores. An obsolescence reserve is estimated based on the amount of inventory on hand, its age, and its condition. Estimates are compared to the actual results of the physical inventory counts as they are taken and adjust the shrink estimates accordingly.

Inventory for American Freight is comprised of finished goods and is valued at the lower of cost or market, with cost determined by the first-in, first-out method. The Company writes down inventory, the impact of which is reflected in cost of sales in the consolidated statements of operations, if the cost of specific inventory items on hand exceeds the amount the Company expects to be realized from the ultimate sale or disposal of the inventory. These estimates are based on management's judgment regarding future demand and market conditions and analysis of historical experience. Inventory includes the purchase price of the inventory plus costs of freight for moving merchandise from vendors to distribution centers as well as from distribution centers to stores. A provision for estimated shrinkage is maintained based on the actual historical results of physical inventories. Estimates are compared to the actual results of the physical inventory counts as they are taken and adjust the shrink estimates accordingly.

Inventory for the Buddy's segment is recorded at cost, including shipping and handling fees. Upon purchase, merchandise is not initially depreciated until it is leased or three months after the purchase date. Non-leased merchandise is depreciated on a straight-line basis over a period of 24 months. Leased merchandise is depreciated over the lease term of the rental agreement and recorded in rental cost of revenue. On a weekly basis, all damaged, lost, stolen, or unsalable merchandise identified is written off. Maintenance and repairs of lease merchandise are charged to operations as incurred.

Receivables and Allowance for Doubtful Accounts. Notes and accounts receivable are due from the Company's franchisees and are collateralized by the underlying franchise. The debtors' ability to repay the receivables is dependent upon both the performance of the franchisee's industry as a whole and the individual franchise. The adequacy of the allowance for doubtful accounts is assessed on a quarterly basis and adjusted as deemed necessary. Management believes the recorded allowance is adequate based upon its consideration of the estimated value of the franchises, which collateralize the receivables. Any adverse change in the individual franchisees' areas could affect the Company's estimate of the allowance.

Goodwill and Non-amortizing Intangible Assets. Goodwill and non-amortizing intangible assets, including the segments' tradenames, are not amortized, but rather tested for impairment at least annually. In addition, goodwill and non-amortizing intangible assets will be tested on an interim basis if an event or circumstance indicates that it is more likely than not that an impairment loss has been incurred. The Company performs a qualitative and/or quantitative assessment to determine whether it is more likely than not that each reporting unit's fair value is less than its carrying value, including goodwill. If the Company determines that it is more likely than not that the fair value of the reporting unit is less than its carrying value, the Company then estimates the fair value. The Company uses either a market multiple method or a discounted cash flow method to estimate the fair value of its reporting units and recognizes goodwill impairment for any excess of the carrying amount of a reporting unit's goodwill over its estimated fair value. The Company evaluates the segments' tradenames for impairment by comparing the fair value, based on an income approach using the relief-from-royalty method, to the carrying value. If the carrying value of the asset exceeds its estimated fair value, an impairment loss is recognized in an amount equal to that excess. The Company's reporting units are determined in accordance with the provisions of ASC 350, "Intangibles – Goodwill and Other." The Company performs its annual impairment testing of goodwill and non-amortizing intangible assets on the last day of the first month of the Company's third quarter. Refer to "Note 7 – Goodwill and Intangible Assets" for additional information on these balances.

Intangible Assets and Asset Impairment. Components of intangible assets consist of customer contracts, franchise and dealer agreements, and proprietary content. Amortization of intangible assets is calculated using the straight-line method over the estimated useful lives of the assets. Amortization of intangible assets is generally two to ten years. Purchased intangible assets subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. Recognition and measurement of a potential impairment is performed for these assets at the lowest level where cash flows are individually identifiable. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized in the amount by which the carrying amount of the asset exceeds the fair value of the asset. Fair value is determined through various valuation techniques, including discounted cash flow models, quoted market values, and third-party independent appraisals, as considered necessary.

Property, Plant, and Equipment. Property, plant, and equipment are stated at cost less accumulated depreciation and amortization. Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets, generally seven years for land and land improvements, twenty to thirty years for buildings, and seven, fifteen, or thirty-nine years for building improvements. Leasehold improvements are amortized over the lesser of the lease term or the estimated useful lives of the assets. Furniture, fixtures, and equipment are amortized five to ten years, which includes machinery (amortized for seven years) and computer equipment (amortized three to five years). Certain allowable costs of software acquired, developed, or obtained for internal use are capitalized and typically amortized over the estimated useful life of the software. Software also includes the Company's Sylvan segment's educational materials, which is amortized over two to five years.

Insurance Programs. The Company maintains its own insurance arrangements with third-party insurance companies for exposures incurred for a number of risks including worker's compensation and general liability claims. The liability represents an estimate of the discounted cost of claims incurred and is recorded in other current and long-term liabilities. The Company may use restricted cash as collateral for these programs which is recorded in "Other non-current assets."

Employee Compensation and Benefits. The Company records the cost of its employee compensation and benefits as compensation expense in selling, general and administrative expenses within its Consolidated Statements of Operations. For the years ended December 31, 2022, December 25, 2021 and December 26, 2020, total employee compensation and expense was $606.7 million, $494.9 million, and $376.5 million, respectively. Accrued compensation and benefits is recorded within accounts payable and accrued expenses within the Consolidated Balance Sheets and totaled $38.7 million and $63.4 million as of December 31, 2022 and December 25, 2021.

Stock-Based Compensation. The Company records the cost of its employee stock-based compensation as compensation expense in its consolidated statements of operations. Compensation costs related to stock options are based on the grant-date fair value of awards using the Black-Scholes-Merton option pricing model and considering forfeitures. Compensation costs related to restricted stock units are based on the grant-date fair value and are amortized on a straight-line basis over the vesting period. The Company recognizes compensation costs for an award that has a graded vesting schedule on a straight-line basis over the requisite service period for the entire award. Compensation costs related to market-based restricted stock units are based on the grant-date fair value of the awards using a Monte Carlo simulation valuation model to calculate grant date fair value. Compensation expense is recognized over the requisite service period using the proportionate amount of the award's fair value that has been earned through service to date.

Revenue Recognition. The following is a description of the principal activities from which the Company generates its revenues. For more detailed information regarding reportable segments, refer to “Note 8 - Revenue.”

- Product revenues: These include sales of merchandise at the stores and online. Revenue is measured based on the amount of fixed consideration that the Company expects to receive, reduced by estimates for variable consideration such as returns. Revenue also excludes any amounts collected from customers and remitted or payable to governmental authorities. In arrangements where the Company has multiple performance obligations, the transaction price is allocated to each performance obligation using the relative stand-alone selling price. The Company satisfies its performance obligations at the point of sale for retail store transactions and upon delivery for online transactions. The Company recognizes revenue for retail store and online transactions when it transfers control of the goods to the customer. Merchandise sales also include payments received for the exercise of the early purchase option offered through rental-purchase agreements or merchandise sold through point of sale transactions. Revenue for merchandise sales associated with rental purchase agreements is recognized when payment is received, and ownership of the merchandise passes to the customer.

- Service and other revenues: These may include the following:
    - Royalties and advertising fees;
    - Financing revenue;
    - Warranty and damage revenue;
    - Interest income;
    - Services and extended-service plans; and
    - Other miscellaneous income.

  Commissions earned on services and financing revenue are presented net of related costs because the Company is acting as an agent in arranging the services for the customer and does not control the services being rendered. Financing revenue includes revenue received from third party financing companies. The Company recognizes revenue on the commissions on extended-service plans when it transfers control of the related goods to the customer. The Company recognizes franchise fee revenue for the sales of individual territories on a straight-line basis over the initial contract term and renewal periods when the obligations of the Company to prepare the franchisee for operation are substantially complete, not to exceed the estimated amount of cash to be received. Royalties and advertising fees are recognized as franchisees generate sales.

- Rental revenue: The Company provides merchandise, consisting of consumer electronics, computers, residential furniture, appliances, and household accessories to its customers pursuant to rental-purchase agreements which provide for weekly, semi-monthly or monthly non-refundable rental payments. The average rental term is twelve to eighteen months and the Company maintains ownership of the lease merchandise until all payment obligations are satisfied under sales and lease ownership agreements. Customers have the option to purchase the leased goods at any point in the lease term. Customers can terminate the agreement at the end of any rental term without penalty. Therefore, rental transactions are accounted for as operating leases and rental revenue is recognized over the rental term. Cash received prior to the beginning of the lease term is recorded as deferred revenue. Revenue related to various reinstatement or late fees are recognized when paid by the customer. The Company offers additional product plans along with rental agreements that provide customers with liability protection against significant damage or loss of a product, and club membership benefits, including various discount programs, product services and replacement benefits in the event merchandise is damaged or lost. Customers renew product plans in conjunction with their rental term renewals and can cancel the plans at any time. Revenue for product plans is recognized over the term of the plan.

Leases. The Company’s lease portfolio primarily consists of leases for its retail store locations, office space and distribution centers, as well as in the operation of certain of our dealer-owned stores. The Company also leases tractors and trucks used in its Badcock segment, local delivery trucks used in its American Freight segment, and leases certain office equipment under finance leases. The finance lease right of use assets are included in property, plant, and equipment (“PP&E”) and the finance lease liabilities are included in current and non-current installments of long-term obligations. The Company determines if an arrangement is a lease at inception by evaluating whether the arrangement conveys the right to use an identified asset and whether the Company obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. Operating leases with an initial term of 12 months or less are not recorded on the Consolidated Balance Sheets, and the Company recognizes rent expense for these leases on a straight-line basis over the lease term. For leases with an

initial term in excess of 12 months, lease right-of-use assets and lease liabilities are recognized based on the present value of the future lease payments over the committed lease term at the lease commencement date. The Company's leases do not provide an implicit rate; therefore, the Company uses its incremental borrowing rate and the information available at the lease commencement date in determining the present value of future lease payments. The incremental borrowing rate is the rate of interest that the Company would have to pay to borrow, on a collateralized basis over a similar term, an amount equal to the lease payments in a similar economic environment. Most leases include one or more options to renew and the exercise of renewal options is at the Company's sole discretion. The Company does not include renewal options in its determination of the lease term unless the renewals are deemed to be reasonably certain at lease commencement. The Company uses the long-lived assets impairment guidance in ASC 360-10, "Property, Plant, and Equipment - Overall," to determine whether a right-of-use asset is impaired, and if so, the amount of the impairment loss to recognize.

The Company subleases some of its real estate leases. The lessor and sublease portfolio primarily consists of stores within our Badcock segment that have been leased to dealers. For leases where the Company is a lessor, rent income and related operating lease expense for lease payments is recognized on a straight-line basis over the lease term.

For operating leases, lease costs are recorded within selling, general, and administrative expenses ("SG&A") within the consolidated statements of operations as follows: (1) rental expense related to leases for Company-owned stores, and (2) rental expense for leased properties that are subsequently subleased to dealers, offset by rental income from sublease agreements with dealers. For finance leases where the Company is the lessee, lease cost includes the amortization of the right-of-use ("ROU") asset, which is amortized on a straight-line basis and recorded to "SG&A" and interest expense on the finance lease liabilities is recorded to "Interest expense, net." Finance lease ROU assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases. The Company's subleases and leases for which the Company is a lessor are all classified as operating leases, for which the Company accounts for the lease and non-lease components as one lease component, as discussed above.

The Company has lease agreements with lease and non-lease components, which the Company elects to combine as one lease component for all classes of underlying assets. Non-lease components include variable costs based on actual costs incurred by the lessor related to the payment of real estate taxes, common area maintenance, and insurance. These variable payments are expensed as incurred as variable lease costs.

Fair Value of Financial Instruments. As required, financial assets and liabilities are classified in the fair value hierarchy in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. The carrying value of Cash and cash equivalents, restricted cash, accounts receivable and accounts payable as reported in the accompanying Consolidated Balance Sheets approximate fair value due to their short-term maturities. The carrying amount of Long-term debt approximates fair value because the interest rate paid has a variable component. The fair value for the Company's Investment in equity securities for which it does not have the ability to exercise significant influence is based on quoted prices in active markets.

Deferred Income Taxes. Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities, which are recorded within "Other non-current assets" and "Other non-current liabilities" within the Consolidated Balance Sheets, are recognized for the future tax consequences attributable to the differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. In accordance with accounting standards, the Company assesses the likelihood that its deferred tax assets will be realized. Deferred tax assets are reduced by a valuation allowance when, after considering all available positive and negative evidence, it is determined that it is more likely than not that some portion, or all, of the deferred tax asset will not be realized. The Company will analyze its position in subsequent reporting periods, considering all available positive and negative evidence, in determining the expected realization of its deferred tax assets. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The Company has elected to classify interest charged on a tax settlement in interest expense, and accrued penalties, if any, in selling, general, and administrative expenses.

The determination of the Company's provision for income taxes requires significant judgment, the use of estimates, and the interpretation and application of complex tax laws. Significant judgment is required in assessing the timing and amounts of deductible and taxable items. The Company records unrecognized tax benefit liabilities for known or anticipated tax issues based on an analysis of whether, and the extent to which, additional taxes will be due.

Repurchases of Common Stock. The Company repurchases shares of its common stock through open market or private transactions. During the year ended December 31, 2022, all purchases of common stock under the Company's stock repurchase program were made at prices that exceeded the par value of the repurchased common stock, and the portions of the purchase prices that exceeded par value were charged to additional paid-in capital to the extent that an excess was present. Once additional paid-in capital is fully depleted, remaining excess of cost over par value is charged to retained earnings. Refer to "Note 11 - Stockholders' Equity" for additional information regarding share repurchases.

Reclassifications. Certain prior year amounts have been reclassified to conform to the current year presentation.

Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, "*Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments"*, which changes how companies will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The standard replaces the "incurred loss" approach with an "expected loss" model for instruments measured at amortized cost (which generally will result in the earlier recognition of allowances for losses) and requires companies to record allowances for available-for-sale debt securities, rather than reduce the carrying amount. In addition, companies will have to disclose significantly more information, including information used to track credit quality by year of origination, for most financing receivables. The ASU should be applied as a cumulative-effect adjustment to retained earnings as of the beginning of the first reporting period in which the standard is effective. The ASU is effective for the Company for the 2023 fiscal year. The Company is in the process of adopting this standard and anticipates recording a cumulative effective adjustment between $11.0 million and $16.0 million to retained earnings as of January 1, 2023 on its Consolidated Financial Statements Results for reporting periods beginning after January 1, 2023 will be presented under the new guidance issued in ASU 2016-13. Prior period amounts will not be adjusted and will continue to be reported under the previous accounting standards.

In January 2017, the FASB issued ASU No. 2017-04, "*Intangibles - Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment.*" This standard eliminates Step 2 from the goodwill impairment test. Instead, an entity should compare the fair value of a reporting unit with its carrying amount and recognize an impairment charge for the amount by which the carrying amount exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to the reporting unit. The Company early adopted the ASU in the year ended December 31, 2022. Refer to "Note 7 – Goodwill and Intangible Assets" for the calculation of the Company's impairment test after the adoption of ASU 2017-04.

The London Interbank Offered Rate ("LIBOR") is scheduled to be discontinued on June 30, 2023. In an effort to address the various challenges created by such discontinuance, the FASB issued an amendment to existing guidance, ASU No. 2020-04, "*Reference Rate Reform*." The amended guidance is designed to provide relief from the accounting analysis and impacts that may otherwise be required for modifications to agreements (e.g., loans, debt securities, derivatives, borrowings) necessitated by the reference rate reform. It also provides optional expedients to enable companies to continue to apply hedge accounting to certain hedging relationships impacted by the reference rate reform. As further described in "Note 10 – Long-Term Obligations", the Company entered into an amendment to a debt agreement which changed the reference rate from LIBOR to Secured Overnight Financing Rate ("SOFR"). The adoption of ASU 2020-04 did not result in a material impact to the Company's financial results or disclosures.

On February 22, 2022, the Company's Pet Supplies Plus segment completed its acquisition of Wag N' Wash. During the year ended December 31, 2022, the preliminary estimates of the fair value of identifiable assets acquired and liabilities assumed were finalized, which resulted in a $3.5 million increase to the bargain purchase gain for a cumulative bargain purchase gain of $135.6 million. The adjustment is classified as “Bargain purchase gain” on the Consolidated Statements of Operations. The Company believes the seller in the Badcock Acquisition was willing to accept a bargain purchase price in return for the Company’s ability to act more quickly, partially due to the Company’s access to capital to complete the transaction, and with greater certainty than any other prospective acquirer. Additionally, the Company believes the seller was motivated to complete the transaction as part of an overall repositioning of its business. Upon completion of this reassessment, the Company concluded that recording a bargain purchase gain with respect to the Badcock Acquisition was appropriate and required under GAAP. The tax impact related to the bargain purchase gain was non-taxable and impacted the Company’s effective tax rate for the period.

As tranches of customer credit receivables are securitized, proceeds received are recorded as “Cash” and an equivalent amount is recorded as “Debt secured by accounts receivable, net” on the Consolidated Balance Sheets, which includes the face amount of current and non-current receivables, net of the unamortized discount. The securitizations do not qualify as a sale under ASC 860 - “Transfers and Servicing,” even though the underlying receivables are deemed to be legally sold. The accounts receivable, which have been securitized, are recorded as “Current securitized accounts receivable, net” and “Non-current securitized accounts receivable, net” on the Company’s Consolidated Balance Sheets. The accounts include the current and non-current portions, net of allowance for bad debt and an unamortized purchase discount recorded in purchase accounting related to the Badcock Acquisition.

The Company records the income earned on the customer revolving lines of credit as interest income in “Service and other revenues” with a corresponding amount recorded in “Interest expense, net” on the Consolidated Statements of Operations as a result of the securitization. Amortization of the secured debt discount is also recorded in “Interest expense, net” on the Consolidated Statements of Operations. In connection with the securitization of the receivables, Badcock has entered into a receivables servicing agreement with lenders pursuant to which Badcock will provide certain customary servicing and account management services. During the year ended December 31, 2022, Badcock earned $10.2 million pursuant to this agreement, recorded in “Service and other revenues” on the Consolidated Statements of Operations.

The debt secured by accounts receivable is non-recourse to the Company. Lenders must rely on payments received from the Company’s customers to service the secured debt, unless the Company has breached its representations or warranties in the loan agreements. The lenders assume the credit risk of the customer and their only recourse, upon default by the customer, is against the customer.

Badcock may periodically repay portions of the debt secured by accounts receivable early. The non-current portion of secured debt matures within two years of the Company's Consolidated Balance Sheet date.

The components of securitized accounts receivable and debt secured by accounts receivables at December 31, 2022 and December 25, 2021 were as follows:

When securitized receivables are delinquent for approximately one year, the estimated uncollectible amount from the customer is written off and the corresponding securitized accounts receivable is reduced. Due to their non-recourse nature, the Company will record a gain on extinguishment for any debt secured by uncollectible accounts receivable in the future when the debt meets the extinguishment requirements in accordance with ASC 470, "Debt". (7) Goodwill and Intangible Assets

The Company performs impairment tests for goodwill as of the end of July of each fiscal year and between annual impairment tests if an event occurs or circumstances change that would more likely than not reduce the fair values of the Company's reporting units below their carrying values. As part of the annual impairment test as of July 2022, the Company updated its long-term forecasts based on the operating results in 2022 and the current macro-economic environment. This resulted in the American Freight reporting unit fair value being lower than the carrying value resulting in a $70.0 million non-cash pre-tax goodwill impairment charge, which was recorded in "Goodwill impairment" in the accompanying consolidated statements of operations. No other reporting units had accumulated goodwill impairment losses recorded.

The estimated fair value of each of our reporting units was calculated using a weighted-average of values determined from an income approach and a market approach. The income approach involves estimating the fair value of each reporting unit by discounting its estimated future cash flows using a discount rate that would be consistent with a market participant's assumption. The market approach bases the fair value measurement on information obtained from observed stock prices of public companies and recent merger and acquisition transaction data of comparable entities. In order to estimate the fair value of goodwill, management must make certain estimates and assumptions that affect the total fair value of the reporting unit including, among other things, an assessment of market conditions, projected cash flows, discount rates and growth rates. Management's estimates of projected cash flows related to the reporting unit include, but are not limited to, future earnings of the reporting unit, assumptions about the use or disposition of assets included in the reporting unit, estimated remaining lives of those assets, and future expenditures necessary to maintain the assets' existing service potential. The assumptions in the fair value measurement reflect the current market environment, industry-specific factors and company-specific factors.

Changes in the carrying amount of goodwill for the years ended December 31, 2022 and December 25, 2021 were as follows:

On March 10, 2021 (the “PSP Closing Date”), the Company entered into a First Lien Credit Agreement (the “First Lien Credit Agreement”) with various lenders (the “First Lien Lenders”) that provides for a $1,000.0 million senior secured term loan (the “First Lien Term Loan”).

The Company’s obligations under the First Lien Credit Agreement are guaranteed by the Company and each of the Company’s other direct and indirect subsidiaries (other than certain excluded subsidiaries) pursuant to a First Lien Guarantee Agreement (the “First Lien Guarantee Agreement”) and are required to be guaranteed by each of the Company’s direct and indirect subsidiaries (other than certain excluded subsidiaries) that may be formed or acquired after the PSP Closing Date. The obligations of the Company under the First Lien Credit Agreement are secured on a first priority basis by substantially all of the assets and are secured on a second priority basis by credit card receivables, accounts receivable, deposit accounts, securities accounts, commodity accounts, inventory and goods (other than equipment) of the Company, and in each case are required to be secured by such assets of the Company (other than certain excluded subsidiaries) that may be formed or acquired after the PSP Closing Date.

The proceeds of the First Lien Term Loan, together with the proceeds of the Second Lien Term Loan (as defined below) and certain cash on hand of the Company, were used to consummate the Pet Supplies Plus Acquisition and to pay fees and expenses for certain related transactions, including the entry into the ABL Agreement (as defined below). A portion of the First Lien Term Loan and Second Lien Term Loan were also used to repay existing lenders.

The First Lien Term Loan will mature on March 10, 2026 and bears interest at a variable rate with a LIBOR floor of 0.75%. Interest is payable on either the last day of the interest period or the last business day of the calendar quarter. The Company is required to repay the First Lien Term Loan in equal quarterly installments of $2.5 million on the last day of each calendar quarter, commencing on June 30, 2021 subject to certain early payment requirements based on certain events. On July 2, 2021, the Company repaid $182.1 million of principal of the First Lien Term Loan using cash proceeds from the sale of the Liberty Tax business. The payment also satisfied the requirements for the quarterly principal payments so no additional principal payments are due until the First Lien Term Loan maturity date. The early repayment resulted in additional interest expense of $6.1 million for the write-off of deferred financing costs. On February 2, 2023, the Company entered into the Third Amendment to the First Lien Credit Agreement, which amends the First Lien Credit Agreement dated as of March 10, 2021 to provide for an incremental term loan facility in the principal amount of $300.0 million.

The First Lien Credit Agreement, the First Lien Term Loan and the First Lien Guarantee Agreement collectively include customary affirmative, negative, and financial covenants binding on the Company, including delivery of financial statements and other reports. The negative covenants limit the ability of the Company to, among other things, incur debt, incur liens, make investments, sell assets, pay dividends and enter into transactions with affiliates. The financial covenants set forth in the First

Lien Credit Agreement include a maximum total leverage ratio (net of certain cash) and a minimum fixed charge coverage ratio to be tested at the end of each fiscal quarter commencing with the first full fiscal quarter ending after the PSP Closing Date. In addition, the First Lien Credit Agreement includes customary events of default, the occurrence of which may require the Company to pay an additional 2.00% interest on the First Lien Term Loan and/or may result in, among other consequences, acceleration of the payment obligations with respect to the First Lien Term Loan, calling on the guarantees, or exercise of remedies with respect to the collateral.

Second Lien Credit Agreement and Second Lien Term Loan

On the PSP Closing Date, the Company entered into a Second Lien Credit Agreement (the "Second Lien Credit Agreement") with various lenders (the "Second Lien Lenders", and together with the First Lien Lenders, the "Term Loan Lenders") which provides for a $300.0 million senior secured term loan (the "Second Lien Term Loan", and together with the First Lien Term Loan, the "Term Loans"), made by the Second Lien Lenders to the Company.

The Company's obligations under the Second Lien Credit Agreement are guaranteed by the loan parties pursuant to a Second Lien Guarantee Agreement (the "Second Lien Guarantee Agreement") and are required to be guaranteed by each of the Company's direct and indirect subsidiaries (other than certain excluded subsidiaries) that may be formed or acquired after the Closing Date. The obligations of the Company under the Second Lien Credit Agreement are secured on a second priority basis by the Term Priority Collateral and are secured on a third priority basis by the ABL Priority Collateral (the "ABLE Priority Collateral") pursuant to a Second Lien Collateral Agreement (the "Second Lien Collateral Agreement") and are required to be secured by such assets of each of the Company's direct and indirect subsidiaries (other than certain excluded subsidiaries) that may be formed or acquired after the PSP Closing Date.

The Second Lien Term Loan will mature on September 10, 2026 and bears interest at a variable rate with a 1.00% LIBOR floor. Interest is payable on either the last day of the interest period or the last business day of the calendar quarter.

The Second Lien Term Loan is not subject to scheduled amortization. Solely to the extent the First Lien Term Loan and related obligations have been repaid in full, the Company is required to prepay the Second Lien Term Loan with 50% of consolidated excess cash flow on an annual basis, subject to certain exceptions and to leverage-based step-downs to 25% and 0%, and with 100% of the net cash proceeds of certain other customary events, including certain asset sales (but excluding sales of ABL Priority Collateral), including customary reinvestment rights and leverage-based step-downs to 50% and 0%, in each case, subject to certain exceptions.

Third Amended and Restated Loan and Security Agreement (ABL)

On June 3, 2022, the Company entered into the Second Amendment (the "Second ABL Amendment") to the Third Amended and Restated Loan and Security Agreement (as amended, the "FRG ABL Revolver Agreement"). The Second ABL Amendment amended the FRG ABL Revolver Agreement to, among other things, increase the commitments under the revolving credit facility (the "ABL Revolver") to $250.0 million, change the reference rate from LIBOR to SOFR, amend certain negative covenants regarding investments for a time period specified in the Second ABL Agreement, and limits the maximum principal amount of loans outstanding under the FRG ABL Revolver Agreement to $200.0 million for a time period specified in the Second ABL Agreement.

On August 22, 2022, the Company entered into the Third Amendment (the "Third ABL Amendment") to the FRG ABL Revolver Agreement. The Third ABL Amendment amends the FRG ABL Revolver Agreement to, among other things, increase the commitments under the ABL Revolver to $400.0 million, amend the terms of the borrowing base and provide for the inclusion of certain types of inventory to the borrowing base, and make certain other changes to reflect the increase in the revolving credit facility commitments and the addition of Badcock as a borrower to the parties under the ABL Loan Revolver.

The ABL Revolver matures on March 10, 2026, and borrowings under the ABL Revolver will bear interest at an interest rate per annum equal to the Term SOFR Rate plus 0.10%, with a 0.00% floor. Interest is payable on either the last day of the interest period or the last business day of the calendar quarter.

The Company is subject to an agreement which requires the Company to repay the excess amount of borrowings under the ABL Revolver if: (i) the aggregate outstanding principal amount of all borrowings by the Company under the ABL Revolver at any time exceeds the aggregate borrowing cap specified therein, or (ii) the aggregate outstanding principal amount of all borrowings of certain of the Company's subsidiaries exceeds their borrowing caps.

The FRG ABL Revolver Agreement and the Third Amended and Restated Pledge Agreement, dated as of March 10, 2021, among the Company, the other pledgors from time to time party thereto and JPMorgan Chase Bank, N.A., include customary affirmative and negative covenants that are binding on the Company, including the delivery of financial statements, borrowing base certificates and other reports. Certain of the negative covenants included therein limit the ability of the Company, among other things, to incur debt and liens, make investments, sell assets, pay dividends and enter into transactions with affiliates. In addition, the FRG ABL Revolver Agreement includes customary events of default, the occurrence of which may require the Company to pay an additional 2.0% interest on the borrowings under the ABL Revolver.

Compliance with Debt Covenants

The Company's revolving credit and long-term debt agreements impose restrictive covenants on it, including requirements to meet certain ratios. As of December 31, 2022, the Company was in compliance with all financial covenants under these agreements and, based on a continuation of current operating results, the Company expects to continue to be in compliance for the next twelve months.

Aggregate maturities of long-term debt at December 31, 2022 were as follows:

(In thousands)	Estimate for fiscal year
2023	$ 7,327
2024	4,605
2025	297,939
2026	1,071,210
2027	1,255
Thereafter	—
Total	$ 1,382,336

During the year ended December 31, 2022, the Badcock First and Second Lien Term Loans were fully repaid using cash proceeds from the sales of certain parcels of land on which Badcock operates its distribution centers and corporate headquarters as discussed in "Note 3 - Divestitures" and from the securitization of its existing consumer credit receivables portfolio as discussed in "Note 5 - Securitized Accounts Receivable."

(11) Stockholders' Equity

Stockholders' Equity Activity

On January 11, 2021, the Company entered into an Underwriting Agreement with B. Riley Securities, Inc., as representative of the underwriters named therein (the "Underwriters"), to issue and sell an aggregate of 2,976,191 shares of the Company's 7.50% Series A Cumulative Perpetual Preferred Stock, par value $0.01 per share and liquidation preference of $25.00 per share (the "Series A Preferred Stock"), in a public offering at a price to the public of $25.20 per share. The Company also granted the Underwriters an option (the "Option") to purchase up to 446,428 additional shares of Series A Preferred Stock during the 30 days following the date of the Underwriting Agreement. On January 14, 2021, the Underwriters partially exercised the Option for 314,934 shares. The offering closed on January 14, 2021, and the net proceeds to the Company were approximately $79.5 million, after deducting underwriting discounts, an advisory fee and offering expenses totaling approximately $3.2 million.

Non-controlling interest

The Company is the sole managing member of New Holdco and, as a result, consolidates the financial results of New Holdco. Prior to April 1, 2020, the Company reported a non-controlling interest representing the economic interest in New Holdco held by the Buddy's Members. Changes in the Company's ownership interest in New Holdco while it retained a controlling interest in New Holdco were accounted for as equity transactions. On March 26, 2020, the Company redeemed 3,937,726 New Holdco units and 787,545 shares of preferred stock for common stock. On April 1, 2020, the Company redeemed the remaining 5,495,606 New Holdco units and 1,099,121 shares of preferred stock for common stock and the Company became the sole owner of New Holdco.

The exchange of New Holdco units for common stock resulted in an increase in the tax basis of the net assets of New Holdco and a liability to be recognized pursuant to the Tax Receivable Agreement ("TRA"). The difference of $10.0 million in the adjustment of the deferred tax balances and the tax receivable agreement liability was recorded as an adjustment to additional paid-in-capital. Refer to "Note 13 – Income Taxes" for further discussion of the TRA.

Share Repurchases

On May 18, 2022, the Company's Board approved a stock repurchase program under which the Company may repurchase up to $500.0 million of its outstanding shares of common stock over the next three years. The repurchase program authorizes shares to be repurchased from time to time in open market or private transactions, through block trades, and pursuant to any trading plan that may be adopted in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. The actual timing, number and value of shares, if any, repurchased under the program will be determined by management in its discretion and will depend on a number of factors, including, among others, the availability of stock, general market and business conditions, the trading price of the Company's common stock and applicable legal requirements. This plan supersedes the Company's previous stock repurchase programs. During the year ended December 31, 2022, the Company repurchased 5,920,744 shares of its common stock through open market and repurchase agreement transactions totaling an aggregate of $172.5 million. No stock repurchases were made during the year ended December 25, 2021.

Net Income (Loss) per Share

Diluted net income (loss) per share is computed using the weighted-average number of common stock and, if dilutive, the potential common stock outstanding during the period. Potential common stock consists of the incremental common stock issuable upon the exercise of stock options and vesting of restricted stock units. The dilutive effect of outstanding stock options and restricted stock units is reflected in diluted earnings per share by application of the treasury stock method.

The computation of basic and diluted net income per share for the years ended December 31, 2022, December 25, 2021, and December 26, 2020 is as follows:

(12) Stock Compensation Plan

2019 Omnibus Incentive Plan

In December 2019, the Company's stockholders approved the Company's 2019 Omnibus Incentive Plan (the "2019 Plan"). The 2019 Plan provides for a variety of awards, including stock options, stock appreciation rights, performance units, performance shares, shares of the Company's common stock, par value $0.01 per share, restricted stock, restricted stock units, incentive awards, dividend equivalent units and other stock-based awards. Awards under the 2019 Plan may be granted to the Company's eligible employees, directors, or consultants or advisors. The 2019 Plan provides that an aggregate maximum of 5,000,000 shares of common stock are reserved for issuance under the 2019 Plan, subject to adjustment for certain corporate events. At December 31, 2022 and December 25, 2021, 2,439,194 and 3,004,259 shares of common stock remained available for grant, respectively.

Restricted Stock Units

The Company has awarded service-based restricted stock units ("RSUs") to its non-employee directors, officers and certain employees. The Company recognizes expense based on the estimated fair value of the RSUs granted over the vesting period on a straight-line basis. The fair value of RSUs is determined using the Company's closing stock price on the date of the grant. At December 31, 2022, unrecognized compensation cost related to RSUs was $5.1 million. These costs are expected to be recognized through fiscal 2023.

The following table summarizes the status of service-based RSU activity during the years ended December 31, 2022, December 25, 2021, and December 26, 2020:

	Number of RSUs	Weighted-Average Fair Value at Grant Date

Performance Restricted Stock Units

The Company has awarded performance restricted stock units (“PRSUs”) to its officers and certain employees. The Company recognizes expense based on the estimated fair value of the PRSUs granted over the vesting period on a straight-line basis. The fair value of PRSUs is determined using the Company’s closing stock price on the date of the grant. As the achievement of outstanding awards issued in fiscal years 2021 and 2022 was not probable at December 31, 2022, there were no unrecognized compensation costs related to these PRSUs.

The following table summarizes the status of PRSU activity during the years ended December 31, 2022, December 25, 2021, and December 26, 2020:

	Number of PRSUs	Weighted-Average Fair Value at Grant Date

Market-Based Restricted Stock Units

The Company has awarded market-based restricted stock units ("MPRSUs") to its officers and certain employees. The Company recognizes expense based on the estimated fair value of the MPRSUs granted over the vesting period on a straight-line basis. The fair value of MPRSUs is determined using a Monte Carlo simulation valuation model to calculate grant date fair value. Compensation expense is recognized over the requisite service period using the proportionate amount of the award's fair value that has been earned through service to date. At December 31, 2022, unrecognized compensation cost related to MPRSUs was $9.8 million. These costs are expected to be recognized through fiscal 2024.

The following table summarizes the status of MPRSU activity during the years ended December 31, 2022 and December 25, 2021:

	Number of MPRSUs	Weighted-Average Fair Value at Grant Date

Stock Options

The Company has awarded stock options to its non-employee directors and officers. Since fiscal 2020, no stock options have been granted and all outstanding stock options were fully vested with no remaining unrecognized compensation cost. All outstanding stock options will expire in fiscal years 2023 and 2024.

The following table summarizes information about stock options outstanding and exercisable at December 31, 2022.

Stock Compensation Expense

The Company recorded $15.1 million, $13.4 million, and $8.9 million of expense related to stock awards from continuing operations for the years ended December 31, 2022, December 25, 2021, and December 26, 2020, respectively.

Long-Term Incentive Plans

The Company has long-term incentive plans at various operating companies which are recorded as liabilities. Upon vesting, the awards granted under these plans may be settled in cash or shares of the Company's stock at the Company's discretion. The total aggregate liability for these plans as of December 31, 2022 is $8.3 million, recorded in "Accounts payable and accrued expenses" on the Consolidated Balance Sheets. During the year ended December 31, 2022, total expense recognized related to these plans was $8.0 million.

(13) Income Taxes

Tax Receivable Agreement

The Company previously had a non-controlling interest as a result of its acquisition of Buddy's on July 10, 2019. On April 1, 2020, the Company redeemed all of the non-controlling interest units. On July 10, 2019, the Company entered into a tax receivable agreement (the "TRA") with the then-existing non-controlling interest holders, which comprised the Buddy's Members that provides for the payment by the Company to the non-controlling interest holders of 40% of the cash savings, if any, in federal, state and local taxes that the Company realizes or is deemed to realize as a result of any increases in tax basis of the assets of New Holdco resulting from future redemptions or exchanges of New Holdco units.

During the year ended December 26, 2020, the Company acquired an aggregate of 9,433,332 New Holdco units, which resulted in an increase in the tax basis of its investment in New Holdco subject to the provisions of the TRA. Prior to December 31, 2022, the Company recognized a total liability in the amount of $17.3 million for the payments due to the redeeming members under the Tax Receivable Agreement ("TRA Payments"), representing 40% of the cash savings it expects to realize from the tax basis increases related to the redemption of New Holdco units. TRA Payments will be made when such TRA related deductions actually reduce the Company's income tax liability. Payments of $1.9 million were made to the Buddy's Members pursuant to the TRA during the year ended December 31, 2022, which reduced the total liability to $15.4 million.

Pursuant to the Company's election under Section 754 of the Internal Revenue Code (the "Code"), the Company has obtained an increase in its share of the tax basis in the net assets of New Holdco when the New Holdco units were redeemed or exchanged by the non-controlling interest holders and other qualifying transactions. The Company has treated the redemptions and exchanges of New Holdco units by the non-controlling interest holders as direct purchases of New Holdco units for U.S. federal income tax purposes. This increase in tax basis will reduce the amounts that it would otherwise pay in the future to various tax authorities. They may also decrease gains (or increase losses) on future dispositions of certain capital assets to the extent tax basis is allocated to those capital assets.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act

The Coronavirus Aid, Relief, and Economic Security, or CARES Act (the "Act") was enacted on March 27, 2020. The Act retroactively changed the eligibility of certain assets for expense treatment in the year placed in service, back to 2018, and permitted any net operating loss for the tax years 2018, 2019 and 2020 to be carried back for 5 years. The Company recorded a total income tax benefit of $52.3 million during the year ended December 26, 2020 associated with the income tax components contained in the Act. As of December 31, 2022, the Company has completed its analysis of the tax effects of the Act but continues to monitor developments by federal and state rule making authorities regarding implementation of the Act. The Company will adjust, if needed, as new laws or guidance becomes available.

Global intangible low-taxed income (GILTI)

The Tax Cuts and Jobs Act subjects a U.S. shareholder to tax on GILTI earned by certain foreign subsidiaries. The FASB Staff Q&A, Topic 740, No. 5, Accounting for Global Intangible Low-Taxed Income, states that an entity can make an accounting policy election to either recognize deferred taxes for temporary basis differences expected to reverse as GILTI in future years or provide for the tax expense related to GILTI in the year the tax is incurred as a period expense only. The Company elected to account for GILTI in the year the tax is incurred as a period cost.

Goodwill, intangible assets, and assets held for sale (U.S.)	(48,142)	(33,786)
Right-of-use assets (ASC 842)	(230,501)	(181,227)
Prepaid expenses	(7,010)	(4,968)
Total deferred tax liabilities	(316,818)	(298,876)
Net deferred tax asset (liability)	$ 38,527	$ (33,258)

In assessing the realizability of the gross deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income and tax planning strategies in making this assessment. The Company decreased its valuation allowance by $6.8 million.

As of December 31, 2022, the Company has gross U.S. federal net operating losses of $39.9 million, state net operating losses of $42.8 million, a portion of which will begin to expire in 2024. A portion of the Company’s net operating loss carry forwards is subjected to an annual limitation under Section 382, which may restrict the Company’s ability to use them to offset its taxable income in future periods.

The Company adopted the accounting and disclosure requirements for uncertain tax positions, which require a two-step approach to evaluate tax positions. This approach involves recognizing any tax positions that are more likely than not to occur and then measuring those positions to determine the amounts to be recognized in the financial statements. The Company decreased reserves for uncertain tax positions by $1.5 million due to statute expiration and $0.4 million due to audit protection as of December 31, 2022. The Company increased reserves for an additional year of interest on prior tax positions. It is reasonably possible that $1.1 million of uncertain tax positions may be recognized in the coming year as a result of a lapse of the statute of limitations.

A reconciliation of the beginning and ending balance of the gross liability for uncertain tax positions for the fiscal years ended December 31, 2022 and December 25, 2021, is as follows:

(In thousands)	12/31/2022	12/25/2021
Liability for uncertain tax positions, beginning of year	$ 4,957	$ 357
Decreases related to prior year positions	(1,938)	(219)
Increases related to prior year positions	170	4,819
Liability for uncertain tax positions, end of year	$ 3,189	$ 4,957

As of December 31, 2022, the Company's earliest open tax year for U.S. federal income tax purposes was its fiscal year ended December 28, 2019.

(14) Related Party Transactions

The Company considers directors and their affiliated companies, as well as named executive officers and members of their immediate families, to be related parties.

Messrs. Kahn and Laurence

Brian Kahn and Vintage Capital Management, LLC and its affiliates ("Vintage"), in aggregate, held approximately 40.2% of the aggregate voting power of the Company through their ownership of common stock as of December 31, 2022. Mr. Kahn and Andrew Laurence are principals of Vintage. Mr. Kahn is a member of the Board, President and Chief Executive Officer of the Company. Mr. Laurence is an Executive Vice President of the Company and served as a member of the Company's Board until May 2021.

Buddy's Franchises. Mr. Kahn's brother-in-law owns eight Buddy's franchises. All transactions between the Company's Buddy's segment and Mr. Kahn's brother-in-law are conducted on a basis consistent with other franchisees.

Tax Receivable Agreement

In connection with the Company's acquisition of Buddy's, the Company entered into a TRA with the Buddy's Members that provides for the payment to the Buddy's Members of 40% of the amount of any tax benefits that the Company actually realizes as a result of increases in the tax basis of the net assets of New Holdco resulting from any redemptions or exchanges of New Holdco units. Amounts due under the TRA to the Buddy's Members as of December 31, 2022, were $15.4 million which is recorded in "Other non-current liabilities" in the accompanying Consolidated Balance Sheets. Payments made to Buddy's Members pursuant to the Tax Receivable Agreement totaled $1.9 million during the year ended December 31, 2022, of which entities under the control of Vintage and Mr. Kahn received $1.7 million.

(15) Commitments and Contingencies

In the ordinary course of operations, the Company may become a party to legal proceedings. Based upon information currently available, management believes that such legal proceedings, individually or in the aggregate, will not have a material adverse effect on the Company's business, financial condition, cash flows, or results of operations.

The Company is party to claims and lawsuits that are considered to be ordinary, routine litigation incidental to the business, including claims and lawsuits concerning the fees charged to customers for various products and services, relationships with franchisees, intellectual property disputes, employment matters, and contract disputes. Although the Company cannot provide assurance that it will ultimately prevail in each instance, it believes the amount, if any, it will be required to pay in the discharge of liabilities or settlements in these claims will not have a material adverse impact on its consolidated results of operations, financial position, or cash flows.

Guarantees

The Company remains secondarily liable under various real estate leases that were assigned to franchisees who acquired Pet Supplies Plus or Vitamin Shoppe stores from the Company. In the event of the failure of an acquirer to pay lease payments, the Company could be obligated to pay the remaining lease payments which extend through 2033 and aggregated $30.2 million as of December 31, 2022. In certain cases, the Company could attempt to recover from the franchisees' personal assets should the Company be required to pay remaining lease obligations.

The Company also remains secondarily liable under loan agreements entered into by certain franchisees who acquired American Freight or Buddy's stores from the Company. In the event of the failure of these franchisees to make the loan payments, the Company could be obligated to pay the default amounts. No amounts were outstanding under these agreements, and, therefore, the Company has no potential guarantee liability as of December 31, 2022.

If the Company is required to make payments under these guarantees, the Company could seek to recover those amounts from the franchisees or in some cases their affiliates. The Company believes that payment under these guarantees is remote as of December 31, 2022.

(16) Segments

The Company's operations are conducted in six reporting business segments: Vitamin Shoppe, Pet Supplies Plus, Badcock, American Freight, Buddy's and Sylvan. If you elect to purchase and convert the Non-System Store, you must consummate such purchase and execute our then-current franchise agreement and pay our then-current initial franchise fee (or, at our option, execute an amendment to this Agreement and pay our then-current initial franchise fee) within 30 days from the date of your notice to us of your election to purchase and convert. If we or our affiliate purchased the Non-System Store during the 180 days prior to our delivery of the Conversion Notice to you, the purchase price to be paid by you shall be the cash equivalent of the consideration paid by us or our affiliate for the Non-System Store (or, if we or our affiliate purchased the Non-System Store in a transaction which was for more than one Non-System Store, the cash equivalent of our or our affiliate's proportionate per store cost, as determined by us or our affiliate in our or its sole discretion). In addition to the purchase price payable under this Section 4.F, you shall reimburse us or our affiliate for the costs and expenses incurred by us or our affiliate in connection with the acquisition of the Non-System Store (prorated if the Non-System Store was acquired as part of a multiple store purchase). You acknowledge that the value of the Non-System Store may diminish during the 180-day period after our or our affiliate's acquisition of the Non-System Store. If we or our affiliate did not purchase the Non-System Store during the 180 days prior to delivery of the Conversion Notice, the purchase price, which shall be paid in cash, will be the fair market value of the Non-System Store. If the parties cannot agree on fair market value within a reasonable time, such fair market value shall be determined by two independent appraisers, one of whom shall be chosen by us or our affiliate and the other of whom shall be chosen by you. If such appraisers cannot agree on such fair market value, they shall jointly choose a third independent appraiser whose decision shall be final and binding. Each party shall bear the cost for its chosen appraiser, and the cost for a third appraiser, if any, shall be shared equally between you and us or our affiliate. If you do not elect to purchase and convert the Non-System Store, we may convert and operate, or license a third party to convert and operate, the Non-System Store as a Store operating under the Marks, without incurring any liability to you.

G. Guaranty

The Guarantors must fully guarantee all your financial and other obligations to us under this Agreement or otherwise arising from our franchise relationship with you, and agree personally to comply with this Agreement's terms, by executing the form of Guaranty attached as Exhibit B. "**Guarantors**" means each individual or Entity having a ten percent (10%) or more ownership interest (direct or indirect) in you. Each owner's name and his, her, or its percentage ownership interest (direct or indirect) in you are set forth in Exhibit C. Subject to our rights and your obligations in Section 17, you must notify us of any change in the information in Exhibit C within ten (10) days after the change occurs.

H. Your Form and Structure

Your organizational documents, operating agreement, or partnership agreement, as applicable, will, at our request, recite that this Agreement restricts the issuance and transfer of any direct or indirect ownership interests in you, and all certificates and other documents representing ownership interests in you will, at our request, bear a legend (the wording of which we may prescribe) referring to this Agreement's restrictions;

iii. Your organizational documents, operating agreement, or partnership agreement, as applicable, will, at our request, contain a provision requiring any dissenting or non-voting interest-holders to execute all documents necessary to effectuate any action that is properly authorized under the organizational documents, operating agreement, or partnership agreement, as applicable;

iv. Exhibit C to this Agreement completely and accurately describes all of your owners and their interests (direct or indirect) in you as of the Effective Date; and

v. You may not use any Mark (in whole or in part) in, or as part of, your legal business name or email address or use any name that is the same as or similar to, or an acronym or abbreviation of, The Vitamin Shoppe name (although you may register the "assumed name" or "doing business as" name "The Vitamin Shoppe" in the jurisdictions where you are formed and qualify to do business).

I. Store Manager

Prior to the commencement of operations at your Vitamin Shoppe Store, you must designate an individual to serve as your Store Manager (the "**Store Manager**"). At all times thereafter during the Term, there must be a Store Manager meeting the following qualifications and any other standards we set forth from time to time in the Operations Manual or otherwise communicate to you:

i. The Store Manager must complete the Initial Training to our satisfaction.

ii. The Store Manager is responsible for managing your business. The Store Manager must have sufficient decision-making authority to make decisions that are essential to the Store's effective and efficient operation. The Store Manager must communicate directly with us regarding any Store-related matters (excluding matters relating to labor relations and employment practices).

iii. If you want or need to change the individual designated as the Store Manager, you must seek a new individual (the "**Replacement Store Manager**" for that role in order to protect our brand. You must appoint the Replacement Store Manager within thirty (30) days after the former individual no longer occupies that position. The Replacement Store Manager must attend and successfully complete our initial orientation session on the Franchise System within thirty (30) days of being selected by you. You are responsible for the Replacement Store Manager's compensation and travel-related expenses during the orientation session. As used in this Agreement, "**Travel related expenses**" means travel-related expenses of our or your personnel, as applicable. In the case of our personnel, travel related expenses includes coach or economy airfare, local transportation (including airport transfers), accommodations in a facility subject to our approval, meals, and a daily allowance upon which we and you agree for reasonable miscellaneous expenses.

5. <u>Site Selection, Lease, and Developing the Store</u>

A. Site Selection and Acceptance

You must locate, evaluate, and select the Store's site. You must submit all information we request when you propose a site. We have the absolute right to reject any proposed site. We will use reasonable efforts to review and accept or reject each site you propose within thirty (30) days after we receive all requested information and materials and have visited the proposed site. If we do not accept the site in writing within such thirty (30) days, the site will be deemed rejected.

Our recommendation or acceptance of a site indicates only that we believe the site is not inconsistent with sites that we regard as favorable or that otherwise have been successful sites for the Stores in the past. Applying criteria appearing effective with other sites might not accurately reflect the potential of all sites, and demographic or other factors included in or excluded from

our criteria could change, altering a site's potential. The uncertainty and instability of these criteria are beyond our control, and we are not responsible if the particular site fails to meet your expectations. Upon accepting a proposed site that you have secured, we will list the accepted site's location as the Store's address in Exhibit A.

You may not relocate the Store to a new site without our prior written consent, which we may grant or deny as we deem best. We may condition relocation approval on (1) the new site and its lease being acceptable to us, (2) your paying us a reasonable relocation fee (as set forth in the Operations Manual), (3) your reimbursing any costs we incur during the relocation process, (4) your signing our then-current form of franchise agreement to govern the Store's operation at the new site for the remainder of the existing franchise term, (5) your signing a general release, in a form satisfactory to us, of any and all claims against us and our owners, affiliates, officers, directors, employees, and agents, (6) your continuing to operate the Store at its original site until we authorize its closure, and (7) your taking, within the timeframe we specify and at your own expense, all action we require to de-brand and de-identify the Store's former premises so it no longer is associated in any manner (in our opinion) with the Franchise System and the Marks.

B. Lease Negotiation and Acceptance

You must send us the proposed lease or sublease (and any renewals and amendments of the lease or sublease) (collectively, the "**Lease**") that will govern your occupancy and lawful possession of the Store's site for our written acceptance, which we will not unreasonably withhold, at least thirty (30) days before you intend to sign it. The Lease must either (i) include the Lease Rider attached to this Agreement as Exhibit D or (ii) provide within its body the terms and conditions found in the Lease Rider. You may not sign any Lease we have not accepted in writing. If we do not accept the proposed Lease within thirty (30) days after we receive a complete copy, the Lease will be deemed rejected. You acknowledge that our written acceptance of the Lease is not a guarantee or warranty, express or implied, of the Store's success or profitability or of the suitability of the Lease for your business purposes. Such acceptance indicates only that we believe the site and the Lease terms adequately protect our interests and/or the interests of other franchisees in The Vitamin Shoppe system, to the extent those interests are implicated in the Lease.

After your Lease is executed, you must send us prior notice of any revisions to its terms that you or your landlord might propose, and we have the right to negotiate, and/or accept or reject, those proposed revisions before they become effective.

C. Development of Store

You must within six (6) months after the date you sign the Lease (except as otherwise provided in any Development Rights Rider to which we and you (or your affiliate) are parties) (the "**Opening Deadline**"), but subject to the potential extensions described below in this Section: (i) secure all financing, and obtain all permits and licenses, required to construct and operate the Store, (ii) construct all required improvements to the site and decorate the Store in compliance with our approved plans and specifications, (iii) purchase or lease and install all required Operating Assets (defined below), (iv) purchase an opening inventory of required, authorized, and approved products and supplies, (v) complete all required training, and (vi) open

your Store for business in accordance with all requirements of this Agreement. If we determine, in our sole discretion, that you in good faith have used, and are continuing to use, your best efforts to open and commence operations of your Store, then upon your written request, and execution of the withdrawal authorization form required by us, we may permit you to extend, for up to 12 months, the date by which you must open and commence operating your Store. We are not obligated to extend the opening date. You must (i) make your written request for an extension no less than ninety (90) days prior to the required opening date and (ii) have paid the entire Initial Franchise Fee. Only then will you be eligible for an extension which consists of monthly withdrawals by us from your account for the extension period (in accordance with Section 6.D. per the following schedule: One Thousand Five Hundred Dollars ($1,500) per month for each of the first 6 months of any extension and Two Thousand Five Hundred Dollars ($2,500) per month for months 7-12 of any extension. The monthly extension fees due under this Section shall be drafted from the account specified in such withdrawal authorization form until your Store opens. The monthly extension fees paid under this Section shall not be refunded under any circumstances and shall not be credited against any fee payable to us. Notwithstanding the foregoing, if we grant you any extension under this Section and we subsequently determine, in our sole reasonable discretion, that you are not using your best efforts to open and commence operations of your Store within a reasonable period of time following the date of our grant of an extension, we may terminate the extension grant to you. The termination of any extension grant by us shall be deemed a default under Section 19.B(ii) of this Agreement.

You must develop the Store at your expense. We will give you construction guidelines and mandatory specifications and layouts for a Store (collectively, "**Plans**"), including requirements or recommendations (as applicable) for dimensions, design, interior layout, décor, signage, Operating Assets and planograms for product placement. All other decisions regarding the Store's development and layout, design, color scheme, finishes, improvements, décor, and Operating Assets are subject to our review and prior written approval. Our Plans might not reflect the requirements of any federal, state, or local laws, codes, ordinances, or regulations (collectively, "**Laws**"), including those arising under the Americans with Disabilities Act, or any Lease requirements or restrictions. You are solely responsible for complying with all Laws and must inform us of any changes to the Store's specifications that you believe are necessary to ensure such compliance.

You must adapt the Plans for the Store (the "**Adapted Plans**") and make sure they comply with all Laws and Lease requirements and restrictions. You must hire (and contract directly with) an architect we designate or approve to prepare the Adapted Plans and pay all related architect fees. The amount of such fees depends on the project's scope and nature. You must send us the Adapted Plans for our written approval before beginning the Store's build-out and all revised or "as built" plans and specifications prepared during the Store's construction and development. You may not begin the Store's build-out until we approve the Adapted Plans in writing. Our review of the Adapted Plans is limited to reviewing your compliance with our Plans. Our review is not intended or designed to assess your compliance with Laws or Lease requirements and restrictions; compliance in those areas is your responsibility. You must develop the Store in accordance with the Adapted Plans we have approved in writing. We own the Plans and all Adapted Plans. During the Store's build-out, we will physically inspect the Store or require you to send us pictures and images (including recordings) of the Store's interior and

exterior so we can review your development of the Store in accordance with our Brand Standards.

You agree at your expense to construct, install all trade dress and Operating Assets in, and otherwise develop the Store according to our standards, specifications, and directions. The Store must contain all Operating Assets, and only those Operating Assets, we specify or pre-approve. You agree to place or display at the Store (interior and exterior), according to our guidelines, only the signs, emblems, lettering, logos, and display materials we approve from time to time.

You agree to purchase or lease from time to time only approved brands, types, and models of Operating Assets according to our standards and specifications and, if we specify, only from one or more suppliers we designate or approve (which may include or be limited to us and/or certain of our affiliates). "**Operating Assets**" means all required furniture, fixtures, signs, and equipment (including components of and required Technology for the Computer System we periodically require for the Store and the business you operate under this Agreement.

D. Opening

You must open the Store for business on or before the Opening Deadline, provided, however, you may not do so until:

i. we or our designee inspects and approves in writing the Store as having been developed in accordance with our specifications and standards. You must give us at least thirty (30) days' prior written notice of the Store's planned opening date and also notify us in writing when the Store is ready for inspection or review. If we or our designee does not inspect or review the Store within thirty (30) days after you deliver notice that the Store is ready for inspection or review, or if we or our designee does not comment in writing within seven (7) business days after the inspection or review, then the Store is deemed approved to open. Inspection and approval are limited to ensuring your compliance with our standards and specifications; approval is not a representation that the Store in fact complies with our standards and specifications or a waiver of our right to enforce any provision of this Agreement. Inspection and approval likewise are not intended or designed to assess compliance with Laws; compliance with Laws is your responsibility. We will not unreasonably withhold our approval of the Store;

ii. your Store Manager has completed to our satisfaction the initial training programs described in Section 7.A;

iii. the Store has sufficient employees, trained by you, to manage and operate the Store on a day-to-day basis in compliance with Brand Standards;

iv. you have satisfied all state and federal permitting, licensing, and other legal requirements for the Store's lawful operation and, upon our request,

have sent us copies of all permits, licenses, and insurance policies required by this Agreement;

v. all amounts due to us, our Affiliates, and principal suppliers have been paid;

vi. you are not in default under any agreement with us, our Affiliates, or principal suppliers; and

vii. you have met all other opening requirements we have established in our Operations Manual (defined in Section 7.F).

6. <u>Fees</u>

A. Initial Franchise Fee

You must pay us an initial franchise fee (the "**Initial Franchise Fee**") set forth in Exhibit A, which is payable upon signing of this Agreement. The Initial Franchise Fee is not refundable under any circumstances.

B. Royalty

Subject to the Royalty described below, you agree to pay us, on or before the fifteenth (15th) day of each calendar month (the "**Payment Day**"), a royalty ("**Royalty**") equal to five percent (5%) of the Store's Net Revenue during the preceding fiscal month. In this Agreement, "Net Revenue" means all revenue received or otherwise derived from operating your Business, whether from cash, check, credit or debit card, gift card or gift certificate, loyalty, or other credit transactions, Apple Pay, PayPal, Venmo or any other form of payment, and regardless of collection or when you actually provide the products or services in exchange for the revenue. Net Revenue does include any bona fide returns and credits that are actually provided to customers. If you receive any proceeds from any business interruption insurance applicable to loss of revenue at your Store, that will be added to Total Revenue at an amount equal to the imputed net revenue that the insurer used to calculate those proceeds. Net Revenue does not include (a) any sales or other taxes that you collect from customers and pay directly to the appropriate taxing authority; or (b) any sales credited from us for online sales commissions from direct to consumer orders, web auto delivery program orders, or store replenishment auto delivery program orders.

All transactions must be entered into the Computer System at the full, standard retail price for purposes of calculating Net Revenue. In addition, Net Revenue is reduced by (i) the value of promotional or marketing discounts offered to the public (with our prior approval), and (ii) the amount of any credits the Store provides in accordance with the terms and conditions set forth in the Operations Manual. Each charge or sale upon credit will be treated as a sale for the full price on the day the charge or sale is made, irrespective of when you receive payment (whether full or partial, or at all) on that sale. Revenue from gift cards we approve for offer and sale at Stores is included in Net Revenue when the gift card is used to pay for services and products. Your Store may not issue or redeem any gift certificates, coupons, or gift, loyalty, or

similar cards unless we first approve in writing their form and content and your proposed issuing and honoring/redemption procedures. We may grant or withhold our approval as we deem best.

C. Technology Fee

You agree to pay us, on or before the Payment Day, a Technology Fee ("**Technology Fee**") which is currently equal to Eight Hundred Fifty Dollars ($850) per fiscal month but we can increase this fee if our costs increase. The Technology Fee covers the costs of required software, network connectivity, infrastructure support, intranet access, software fees, IT management fees, mobile device management and other IT expenses. The Technology Fee is due and payable at the same time and in the same manner as the Royalty or in such other manner we periodically specify.

D. Set Up Fee

You agree to pay us, in full, prior to the opening of your Store, a Store setup fee, which is currently Ten Thousand Dollars ($10,000), in consideration for our on-site advisory role in connection with setting up, remodeling or relocating the Store premises as further described in Section 7.C. below.

E. Payment Method and Timing

You agree to sign and send us the documents we periodically require, or enable the electronic mechanism, authorizing us to debit your business checking or other account automatically for the Royalty, Technology Fee, Set Up Fee, Brand Fund contribution, and other amounts due under this Agreement and any related agreement between us (or our affiliates) and you. We will debit your account on or before the Payment Day for the Royalty, Technology Fee, Brand Fund contribution, and other amounts due. Funds must be available in the account before the Payment Day for withdrawal by electronic transfer. We may require you to obtain, at your expense, overdraft protection for your bank account in an amount we specify. You must reimburse any "insufficient funds" charges and related expenses we incur due to your failure to maintain sufficient funds in your bank account.

If you fail to report the Store's Net Revenue when required, we may debit your account for one hundred twenty-five percent (125%) of the Royalty, Technology Fee, and Brand Fund contribution we debited for the previous payment period. If the amount we debit from your account is less than the amount you actually owe us for the payment period (once we determine the Store's actual Net Revenue), we will debit your account for the balance due on the day we specify. If the amount we debit from your account is greater than the amount you actually owe us for the payment period (once we determine the Store's actual Net Revenue), we will credit the excess, without interest, against the amount we may debit from your account for the following payment period.

We have the right, at our sole option upon notice to you, to change from time to time the timing and terms for payment of Royalties, Technology Fees, Brand Fund contributions, and other amounts due to us under this Agreement. You may not subordinate to any other obligation your obligation to pay us Royalties, Technology Fees, Brand Fund contributions, or any other amount due under this Agreement.

F. Administrative Fee and Interest on Late Payments

In addition to our other remedies, including, without limitation, the right to terminate this Agreement under Section 19, if you fail to pay (or make available for withdrawal from your account) any amounts you owe us or our affiliates relating to this Agreement or the Store, those amounts will bear interest, accruing as of their original due dates, at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the Law allows, whichever is less. In addition, you must pay us a Two-Hundred-Fifty Dollar ($250) administrative fee for each payment not made to us or our affiliate when due (or for each dishonored payment) to cover the increased costs and expenses incurred due to your failure to pay the amounts when due.

G. Application of Payments and Right of Set-Off

Notwithstanding any designation you make, we may apply any of your payments (whether made by debit or otherwise) to any of your past due indebtedness to us or our affiliates relating to this Agreement or the Store. We may set off any amounts you or your owners owe us or our affiliates against any amounts that we or our affiliates owe you or your owners, whether in connection with this Agreement or otherwise.

7. Training, Guidance, and Assistance

A. Initial Orientation and Training

Your Store Manager must complete to our satisfaction our initial training program ("**Initial Training**") on operating a Store at a company-owned Store that we designate (or another location we designate), and/or through video and other electronic means, prior to the Store opening. We may charge our then-current training fee for each additional person you desire to send to Initial Training. Initial Training will last for the time we specify and focuses on our philosophy, Brand Standards, and the material aspects of operating a Store, excluding aspects relating to labor relations and employment practices.

You are responsible for paying your employees' wages, benefits, and travel related expenses while they attend training. We will give you information about the number of hours your employees are actively involved in classroom and in-Store training, and you are responsible for evaluating any other information you believe you need to ensure your employees are accurately paid during training. You also are responsible for maintaining workers' compensation insurance over your employees during training and must send us proof of that insurance at the outset of the training program.

B. Retraining

If you or your Store Manager fails to complete Initial Training to our satisfaction, or we determine after an inspection that retraining is necessary because the Store is not operating according to Brand Standards, you or they may attend a retraining session for which we may charge our then-current training fee. You are responsible for all employee compensation and travel-related expenses during retraining. We may terminate this Agreement if the Store does not commence operation by the Opening Deadline with a fully-trained staff. The Initial Franchise Fee is not refundable under any circumstances.

You may request additional or repeat training for you or your Store Manager at the end of Initial Training if you or they do not feel sufficiently trained to operate the Store. We and you will jointly determine the duration of any additional training, which is subject to our personnel's availability. You must pay our then-current training fee for additional or repeat training.

C. Opening Set-Up and Support

We will send an "opening team" (consisting of one or more people) to the Store in connection with its opening to the public for business for at least one (1) week (typically starting before and continuing after actual opening), as we deem best under the circumstances, to provide on-site support for merchandising and set-up and prepare the Store for opening and to assist during the first week of operations. We will pay our opening team's wages and travel related expenses. However, if you request, and we agree to provide, additional or special guidance, assistance, or training during this opening phase (excluding training relating to labor relations and employment practices), you must pay our personnel's daily charges (including wages) and travel related expenses. We may delay the Store's opening until all required training has been satisfactorily completed.

D. Ongoing and Supplemental Training/Meetings, Conferences and Conventions

We may require your Store Manager to attend and complete satisfactorily various training courses and programs offered periodically during the Term by us or third parties at the times and locations we designate. You are responsible for their compensation and travel-related expenses during their attendance. We may charge our then-current fee for continuing and advanced training. If you request any training courses and programs to be provided locally, then subject to our training personnel's availability, you must pay our then-current training fee and our training personnel's travel-related expenses.

Besides attending and/or participating in various training courses and programs, at least one of the representatives we designate (an Owner or Store Manager) shall be required to attend no more than four (4) meetings, conferences or conventions for Store franchisees per year at locations we designate. You must pay all travel-related expenses to attend. You must pay any meeting fee we charge even if your representative does not attend (whether or not we excuse that non-attendance).

E. Training for Store Employees

You must properly train all Store employees to perform the tasks required of their positions. We may develop and make available training tools and recommendations for you to use in training the Store's employees to comply with Brand Standards. We may update these training materials periodically to reflect changes in our training methods and procedures and changes in Brand Standards.

We may periodically and without prior notice review the Store's performance to determine if the Store meets our Brand Standards. If we determine that the Store is not operating according to Brand Standards, we may, in addition to our other rights under this Agreement, recommend that you retrain one or more Store employees.

F. General Guidance and the Operations Manual

We periodically will advise you or make recommendations regarding the Store's operation with respect to:

i. standards, specifications, operating procedures, and methods that Stores use;

ii. purchasing required or recommended Operating Assets and other products, services, supplies, and materials;

iii. supervisory employee training methods and procedures (although you are solely responsible for the employment terms and conditions of all Store employees); and

iv. accounting, advertising, and marketing.

We may guide you through our pre-opening manual, operations manual and other technical manuals ("**Operations Manual**"), in bulletins or other written materials, by electronic media, by telephone consultation, and/or at our office or the Store. If you request and we agree to provide, or we determine that you need, additional or special guidance, assistance, or training, you agree to pay our then-applicable charges, including reasonable training fees and our personnel's daily charges and travel related expenses. Any specific ongoing training, conventions, advice, or assistance we provide does not obligate us to continue providing that training, convention, advice, or assistance, all of which we may discontinue and modify at any time.

We will give you access to our Operations Manual, which will be made available to you through the Intranet (defined in Section 8.F below) or another restricted website to which you will have password access. Any passwords or digital identifications necessary to access the Operations Manual are considered part of Confidential Information. The Operations Manual may consist of and is defined to include audio, video, computer software, other electronic and digital media, and/or written and other tangible materials. The Operations Manual contains mandatory and suggested specifications, standards, operating procedures, and rules we periodically issue for developing and operating a Store ("**Brand Standards**") and information on your other obligations under this Agreement. We may modify the Operations Manual periodically to reflect changes in Brand Standards, but those modifications will not alter your fundamental rights or status under this Agreement. You agree to keep current your copy of the Operations Manual (if delivered in hardcopy) and timely communicate all updates to your employees. You must, as applicable, monitor the website periodically for updates to the Operations Manual or Brand Standards. You agree to keep all parts of the Operations Manual secure and restrict access to any passwords for accessing the Operations Manual. If there is a dispute over its contents, our master copy of the Operations Manual controls. You agree that the Operations Manual's contents are confidential and not to disclose any part of the Operations Manual to any person other than Store employees and others needing access in order to perform their duties, but only if they agree to maintain its confidentiality by signing a form of confidentiality agreement. We have the right to pre-approve the form used (an acceptable sample of which is attached as Exhibit E). You may

not at any time copy, duplicate, record, or otherwise reproduce any part of the Operations Manual, except for certain forms specified in the Operations Manual.

While we have the right to pre-approve the form of confidentiality agreement you use with Store employees and others having access to our Confidential Information in order to protect that Confidential Information, under no circumstances will we control the forms or terms of employment agreements you use with Store employees or otherwise be responsible for your labor relations. In addition, Brand Standards do not include any personnel policies or procedures, or any Store security-related policies or procedures, that we (at our option) may make available to you in the Operations Manual or otherwise for your optional use. You will determine to what extent, if any, these policies and procedures might apply to your Store's operation. You and we agree that we do not dictate or control labor or employment matters for franchisees and Store employees, and we are not responsible for the safety and physical security of Store employees, guests, and visitors.

G. Delegation

We have the right from time to time to delegate the performance of any portion or all of our obligations under this Agreement to third-party designees, whether they are our affiliates, agents, or independent contractors with which we contract to perform such obligations.

8. Store Operation and Brand Standards

A. Condition and Appearance of Store

You may not use, or allow another to use, any part of the Store for any purpose other than operating the Store in compliance with this Agreement. You must place or display at the Store (interior and exterior), according to our guidelines, only those signs, emblems, designs, artwork, lettering, logos, and display and advertising materials we periodically specify. You agree to maintain the condition and appearance of the Store, the site, and the Operating Assets in accordance with Brand Standards. Without limiting that obligation, you must take the following actions during the Term at your own expense: (i) thorough cleaning, repainting, and redecorating of the Store's interior and exterior at intervals we periodically specify and at our direction; (ii) interior and exterior repair of the Store and the site as needed; and (iii) repair or replacement, at our direction, of damaged, worn-out, unsafe, non-functioning, or obsolete Operating Assets at intervals we periodically specify (or, if we do not specify an interval for replacing an Operating Asset, as that Operating Asset needs to be replaced in order to provide services required to be offered by the Stores in compliance with Brand Standards).

In addition to your obligations described above in clauses (i) through (iii), we periodically may modify Brand Standards, which may accommodate regional or local variations, and those modifications may obligate you to invest additional capital in the Store and/or incur higher operating costs. You agree to implement any changes in mandatory Brand Standards within the time period we request as if they were part of this Agreement on the Effective Date. However, except for:

(a) changes in the Computer System;

(b) changes in signage and logo (i.e., Store exterior and interior graphics);

(c) changes provided in Sections 17.C.ii.(f) and (h) in connection with a transfer;

(d) changes required by the Lease or applicable Law; and

(e) your obligations in clauses (i) through (iii) in the first paragraph of this Section 8.A,

for all of which the timing and amounts are not limited during the Term, we will not obligate you to make any capital modifications during the last two (2) years of the Term, unless the proposed capital modifications during those last two (2) years (the amounts for which are not limited) are in connection with Store upgrades, remodeling, refurbishing, and similar activities for your acquisition of a successor franchise (as provided in Section 18.iii).

This means that, besides the rights we reserve above in clauses (a) through (e), we may require you substantially to alter the Store's appearance, layout, and/or design, and/or replace a material portion of the Operating Assets, in order to meet our then-current requirements and then-current Brand Standards for new Stores. You acknowledge that this could obligate you to make extensive structural changes to, and significantly remodel and renovate, the Store, and/or to spend substantial amounts for new Operating Assets. You agree to spend any sums required in order to comply with this obligation and our requirements (even if such expenditures cannot be amortized over the remaining Term). Within sixty (60) days after receiving written notice from us, you must prepare plans according to the standards and specifications we prescribe, using architects and contractors we designate or approve, and you must submit those plans to us for written approval. You agree to complete all work according to the plans we approve within the time period we reasonably specify and in accordance with this Agreement.

We also may from time to time require you to participate in certain test programs for new services, products, and/or Operating Assets. This could obligate you to spend money for new Operating Assets and to incur other operating costs associated with the Store. We need not reimburse you for those items. You agree to maintain and timely send us any records and reports we require related to the test programs. We may discontinue any test programs before their scheduled completion dates and choose not to implement any changes to the Franchise System.

B. Compliance with Applicable Laws and Good Business Practices

You must secure and maintain all licenses, permits, and certificates required for the Store's operation and operate the Store in full compliance with all Laws, including government regulations relating to employment, workers' compensation and unemployment insurance, and withholding and payment of federal and state income taxes, social security taxes, and sales and service taxes. Any advertising and promotion must be completely factual and conform to the highest standards of ethical advertising. The Store must in all dealings with its customers, suppliers, us, and the public adhere to the highest standards of honesty, integrity, fair dealing, and ethical conduct. You may not engage in any business or advertising practice that could injure our business and the goodwill associated with the Marks, the Franchise System, and Stores. You will be liable to the applicable legal authorities for your failure to do so (and to us if we are brought into the matter because of your failure). You must notify us in writing immediately if (i) any legal charge is asserted against you or the Store (even if there is no formal proceeding), (ii) any action, suit, or proceeding is commenced against you or the Store, (iii) you receive any

report, citation, or notice regarding the Store's failure to comply with any licensing, health, cleanliness, or safety Law or standard, or (iv) any bankruptcy or insolvency proceeding or an assignment for the benefit of creditors is commenced by or against you, your owners, or the Store.

C. Compliance with Brand Standards

You agree to comply with all Brand Standards, as we may periodically modify them, as if they were part of this Agreement. You may not offer, sell, or provide at or from the Store any services or products not authorized in the Operations Manual. You must offer, sell, and provide all services and products, including all Private Label Products, we prescribe from time to time. Brand Standards may direct any aspect of the Store's operation and maintenance, including any one or more of the following:

i. required and/or authorized services and products; unauthorized and prohibited services and products; and inventory requirements. We always have the right to approve or disapprove in advance all items and services to be used or sold by the Store. We may withdraw our approval of previously authorized products and services;

ii. sales, marketing, advertising, and promotional programs and the materials and media used in those programs, including participating in and complying with the requirements of any special advertising, marketing, and promotional programs we periodically specify;

iii. adequate staffing levels for the Store to operate the Store in compliance with Brand Standards, appearance of Store personnel, and courteous service to customers. However, you have sole responsibility and authority for your labor relations and employment practices, including, among other things, employee selection, promotion, termination, hours worked, rates of pay, benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. Store employees are exclusively under your control at the Store. You must communicate clearly with Store employees in your employment agreements, human resources manuals, written and electronic correspondence, paychecks, and other materials that you (and only you) are their employer and that we, as the franchisor of Stores, and our affiliates are not their employer and do not engage in any employer-type activities (including those described above) for which only franchisees are responsible. You must obtain an acknowledgment (in the form we specify or approve) from all Store employees that you (and not we or our affiliates) are their employer;

iv. standards, procedures, and requirements for responding to customer complaints, including reimbursing us promptly if we resolve a customer complaint because you fail to do so as or when required;

v. maximum, minimum, or other pricing requirements for services and products the Store sells, including requirements for national, regional, and local promotions, special offers, and discounts in which some or all Stores must participate, and price advertising policies, in each case to the maximum extent the law allows;

vi. standards and recommendations for training your Store's supervisory personnel to follow Brand Standards;

vii. use and display of the Marks at the Store and on products and supplies;

viii. quality-assurance, safety-audit, guest-satisfaction, and "mystery-shop" programs, including your using and paying directly our designated third-party service providers;

ix. minimum days and hours of operation;

x. accepting credit and debit cards and other payment systems;

xi. issuing and honoring/redeeming gift certificates, coupons, and gift, loyalty cards and administering customer loyalty and similar programs. You must participate in, and comply with the requirements of, our gift card and other customer loyalty programs. You agree that we may draft from your bank account all monies paid to you for gift cards and hold those monies until the gift cards are redeemed at a Store. However, we may keep any prepaid amounts that are not used by customers to the extent allowed by Law;

xii. standards and procedures for using blogs, common social networks like Facebook and Instagram, professional networks like LinkedIn, live-blogging tools like Twitter, virtual worlds, file, audio, and video-sharing sites, and other similar social-networking media or tools (collectively, "**Social Media**") that in any way reference the Marks or involve the Store (except to the extent our standards or procedures are prohibited under Law); and

xiii. any other aspects of operating and maintaining the Store that we determine are useful to preserve or enhance the efficient operation, image, or goodwill of the Marks and the Stores.

Brand Standards will not include any employment-related policies or procedures or dictate or regulate the employment terms and conditions for the Store's employees. Any information we provide (in the Operations Manual or otherwise) concerning employment-related policies or procedures or relating to employment terms and conditions for Store employees, is only a recommendation, and not a requirement, for your optional use.

As described in Section 8.A above, we have the right periodically to modify and supplement Brand Standards, which may require you to invest additional capital in the Store and incur higher operating costs. Those Brand Standards will constitute legally binding obligations

on you when we communicate them. Although we retain the right to establish and modify periodically the Brand Standards you have agreed to follow, you retain complete responsibility and authority for the Store's management and operation and for implementing and maintaining Brand Standards at the Store.

You acknowledge the importance of operating the Store in full compliance with this Agreement and Brand Standards. You further acknowledge that your deviation from any contractual requirement, including any Brand Standard, is a violation of this Agreement and will trigger incalculable administrative and management costs for us to address the violation (separate and apart from any damages your violation might cause to the Franchise System, our business opportunities, or the goodwill associated with the Marks). Therefore, you agree to compensate us for our incalculable administrative and management costs by paying us Two-Hundred-Fifty Dollars ($250) for each deviation from a contractual requirement, including any Brand Standard, cited by us (**the "Non-Compliance Fee"**). (The Non-Compliance Fee does not apply to payment defaults for which we may charge late fees and interest under Section 6.D above.) We and you deem the Non-Compliance Fee to be a reasonable estimate of our administrative and management costs and not a penalty. We may debit your bank account for Non-Compliance Fees or set off monies otherwise due and payable to you to cover the payment of Non-Compliance Fees. We must receive the Non-Compliance Fee within five (5) days after we notify you that we are charging it due to your violation. We need not give you a cure opportunity before charging the Non-Compliance Fee. Charging the Non-Compliance Fee does not prevent us from seeking to recover damages to the Franchise System, our business opportunities, or the goodwill associated with the Marks due to your violation, seeking injunctive relief to restrain any subsequent or continuing violation, and/or formally defaulting you and terminating this Agreement under Section 19.B.

D. Approved Services, Products, and Suppliers

We may periodically designate and approve standards, specifications, brands, models, manufacturers, suppliers, and/or distributors for the Operating Assets and other services and products we periodically authorize for use or sale by Stores. You may not offer, sell, or otherwise distribute at the Store's premises or another location any services or products that we have not authorized. You must purchase or lease all Operating Assets and other services and products you use or sell at the Store only according to our Brand Standards and, if we require, only from suppliers or distributors we designate or approve (which may include or be limited to us, certain of our affiliates, and/or other restricted sources). We and/or our affiliates may derive revenue based on your purchases and leases, including, without limitation, from charging you (at prices exceeding our and their costs) for services and products we or our affiliates sell you and from promotional allowances, volume discounts, and other amounts paid to us and our affiliates by suppliers that we designate, approve, or recommend for some or all Store franchisees. We and our affiliates may use all amounts received from suppliers, whether or not based on your and other franchisees' prospective or actual dealings with them, without restriction for any purposes we and our affiliates deem appropriate.

If you want to purchase or lease any Operating Assets or other products or services from a supplier or distributor we have not then approved (if we require you to buy or lease the product or service only from an approved supplier or distributor), then you must establish to our

reasonable satisfaction that the product or service is of equivalent quality and functionality to the product or service it replaces and the supplier or distributor is, among other things, reputable, financially responsible, and adequately insured for product liability claims. You must pay upon request any actual expenses we incur to determine whether or not the products, services, suppliers, or distributors meet our requirements and specifications. If we do not notify you within 60 days that a proposed supplier has been approved, it will be considered disapproved. We may condition our written approval of a supplier or distributor on requirements relating to product quality and safety, prices, consistency, warranty, reliability, financial capability, customer relations, frequency of delivery, concentration of purchases, standards of service (including prompt attention to complaints), and other criteria. We have the right to inspect the proposed supplier's or distributor's facilities and to require the proposed supplier or distributor to deliver product samples or items, at our option, either directly to us or to any third party we designate for testing. If we approve a supplier or distributor you recommend, you agree that we may allow other Stores to purchase or lease the Operating Assets or other products or services from those suppliers or distributors without limitation and without compensation to you. Despite the foregoing, we may limit the number of approved suppliers and distributors with which you may deal, designate sources you must use, and refuse any of your requests for any reason, including, without limitation, because we have already designated an exclusive source (which might be us or one of our affiliates) for a particular item or service or believe that doing so is in the Store network's best interests. We make no guaranty, warranty, or promise that we will obtain the best pricing or most advantageous terms on behalf of Stores. We also do not guaranty the performance of suppliers and distributors to Stores. We are not responsible or liable if the products or services provided by a supplier or distributor fail to conform to or perform in compliance with Brand Standards or our contractual terms with the supplier or distributor.

We have the right (without liability) to consult with your suppliers about the status of your account with them and to advise your suppliers and others with whom you, we, our affiliates, and other franchisees deal that you are in default under any agreement with us or our affiliates (but only if we or our affiliate has notified you of such default).

E. Computer System

You agree to obtain from us or our Affiliate the computer hardware and software, point-of-sale system, and other computer-related accessories and peripheral equipment we periodically specify, which consists of, at a minimum of a two registers, two pin pads, one mini PC, two tablets, one Admin PC, scanners; one for each register and Mobile POS device, and at least one for zero scans (shelf talker), one laser printer, one tag printer, and network equipment and cabling (the "**Computer System**") and to use the Computer System in the operation of the Store. You must maintain the Computer System's continuous operation. We will have unlimited access to all information maintained on the Computer System (excluding matters relating to labor relations and employment practices) and to the content of any The Vitamin Shoppe e-mail accounts we provide you.

We may periodically modify the Computer System's specifications and components. Our modification of Computer System specifications, and/or other technological developments or events, may require you to purchase, lease, or license new or modified computer hardware, software, peripherals, and other components and to obtain service and support for the Computer

System. Although we cannot estimate the future costs of the Computer System or required service or support, you must incur the costs to obtain the computer hardware, software, peripherals, and other components comprising the Computer System (and additions and modifications) and required service or support. Within ninety (90) days after we deliver notice to you, you must obtain the Computer System components we designate and ensure that your Computer System, as modified, is functioning properly.

We and our affiliates may condition any license of required or recommended proprietary software to you, and/or your use of technology developed or maintained by or for us (including the Intranet), on your signing a Technology agreement or similar document, or otherwise agreeing to the terms (for example, by acknowledging your consent to and accepting the terms of a click-through license agreement), that we and our affiliates periodically prescribe to regulate your use of, and our (or our affiliates') and your respective rights and responsibilities with respect to, the software or technology. We and our affiliates may charge you upfront and ongoing fees for any other required or recommended proprietary software or technology we or our affiliates license to you and for other Computer System maintenance and support services provided during the Term.

F. Intranet

We may, at our option, establish and maintain an Intranet. We will issue Brand Standards for the Intranet's use. Those Brand Standards will address, among other things, (1) restrictions on using abusive, slanderous, or otherwise offensive language in electronic communications, (2) restrictions on communications among franchisees endorsing or encouraging breach of any franchisee's franchise agreement, (3) confidential treatment of materials we transmit via the Intranet, (4) password protocols and other data security precautions, (5) grounds and procedures for our suspending or revoking a franchisee's access to the Intranet, (6) a privacy policy governing our access to and use of electronic communications that franchisees post on the Intranet, and (7) our right to remove any posts we consider to be inconsistent with our Brand Standards for the Intranet's use. We expect to adopt and adhere to a reasonable privacy policy. However, as the Intranet's administrator, we have the right to access and view any communication posted on the Intranet. We will own all intellectual property and other rights in the Intranet and all information it contains, including its domain name or URL, the log of "hits" by visitors, any personal or business data visitors supply, and all information relating to the Store's customers, whether that information is contained on your Computer System or our (or our designee's) computer system (collectively, the "**Data**").

After we notify you that the Intranet has become functional, you must establish and continually maintain electronic connection with the Intranet allowing us to send messages to and receive messages from you. Your obligation to maintain connection with the Intranet applies during the entire Term (unless we dismantle the Intranet or suspend your access). You must pay our then-current monthly or other fee to participate in the Intranet or as we otherwise require to maintain and operate the Intranet (if, or to the extent, the Brand Fund does not pay for those costs). If you fail to pay when due any required amount, we may (in addition to our other rights under this Agreement) temporarily suspend your access to any chat room, bulletin board, list-serve, or similar feature the Intranet includes until you fully cure the breach.

9. Marks

A. Ownership and Goodwill of Marks

Your right to use the Marks is derived only from this Agreement and is limited to your operating the Store according to this Agreement and all mandatory Brand Standards we prescribe during the Term. Your unauthorized use of the Marks is a breach of this Agreement and infringes our (and our licensor's) rights in the Marks. Any use of the Marks relating to the Store, and any goodwill that use establishes, are for our (and our licensor's) exclusive benefit. We (and our licensor) may take the action necessary to enforce all trademark use obligations under this Agreement. This Agreement does not confer any goodwill or other interests in the Marks upon you, other than the right to operate the Store according to this Agreement. All provisions in this Agreement relating to the Marks apply to any additional and substitute trademarks and service marks we periodically authorize you to use. You may not at any time during or after the Term contest or assist any other person to contest the validity, or our (or our licensor's) ownership, of the Marks.

B. Limitations on Use of Marks

You agree to use the Marks as the Store's sole identification, subject to the notices of independent ownership we periodically designate. You may not use any Mark (i) as part of any corporate or legal business name, (ii) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos we license to you), (iii) in selling any unauthorized services or products, (iv) as part of any domain name, homepage, electronic address, metatag, or otherwise in connection with any website or other online presence without our consent, (v) in any user name, screen name, or profile in connection with any Social Media sites, except in compliance with our guidelines set forth in the Operations Manual or otherwise communicated to you, or (vi) in any other manner we have not expressly authorized in writing. You may not use any Mark to advertise the transfer, sale, or other disposition of the Store or an ownership interest in you without our prior written consent, which we will not unreasonably withhold. You must give the notices of trademark and service mark registrations we periodically specify and obtain any fictitious or assumed name registrations that applicable Law requires. You may not pledge, hypothecate, or grant a security interest in any property that bears or displays the Marks (unless the Marks are readily removable from such property) and must advise your proposed lenders of this restriction. Any unauthorized use of the Marks shall not only constitute a material breach of this Agreement entitling us to terminate this Agreement, but we will also have the right to avail ourselves of all remedies available to us including, without limitation, seeking monetary damages against you.

To the extent you use any Mark in employment-related materials, you must include a clear disclaimer that you (and only you) are the employer of Store employees and that we, as the franchisor of Stores, and our affiliates are not their employer and do not engage in any employer-type activities for which only franchisees are responsible, such as employee selection, promotion, termination, hours worked, rates of pay, other benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. You also must obtain an acknowledgment (in the form we specify or approve) from all Store employees that you (and not we or our affiliates) are their employer.

C. Notification of Infringements and Claims

You agree to notify us immediately of any actual or apparent infringement or challenge to your use of any Mark, any person's claim of any rights in any Mark (or any identical or confusingly similar trademark), or unfair competition relating to any Mark. You may not communicate with any person other than us and our licensor, our respective attorneys, and your attorneys regarding any infringement, challenge, or claim. We and our licensor may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You must sign any documents and take any other reasonable actions we and our, and our licensor's, attorneys deem necessary or advisable to protect and maintain our (and our licensor's) interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our (and our licensor's) interests in the Marks.

D. Discontinuance of Use of Marks

If we believe at any time that it is advisable for us and/or you to modify, discontinue using, and/or replace any Mark, and/or to use one or more additional or substitute trademarks or service marks, you agree to comply with our directions within a reasonable time after receiving notice. We need not reimburse your expenses to comply with those directions (such as your costs to change signs or to replace supplies for the Store), any loss of revenue due to any modified or discontinued Mark, or your expenses to promote a modified or substitute trademark or service mark.

E. Indemnification for Use of Marks

We agree to reimburse your damages and expenses incurred in any trademark infringement proceeding disputing your authorized use of any Mark under this Agreement, provided your use has been consistent with this Agreement, the Operations Manual, and Brand Standards communicated to you and you have timely notified us of, and complied with our directions in responding to, the proceeding. At our option, we may defend and control the defense of any proceeding arising from or relating to your use of any Mark under this Agreement.

10. Confidential Information

We and our affiliates possess (and will continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law, relating to developing and operating Stores (the "**Confidential Information**"), which includes, but is not limited to:

i. information in the Operations Manual and our Brand Standards;

ii. layouts, designs, planograms and other Plans for the Stores;

iii. methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, and knowledge and experience used in developing and operating the Stores;

iv. marketing research and promotional, marketing, and advertising programs for the Stores;

v. strategic plans, including expansion strategies and targeted demographics;

vi. knowledge of specifications for and suppliers of, and methods of ordering, certain Operating Assets, services, products, including Private Label Products, materials, and supplies that Stores use and sell;

vii. knowledge of the operating results and financial performance of Stores other than the Store;

viii. customer solicitation, communication, and retention programs, along with Data used or generated in connection with those programs;

ix. all Data and other information generated by, or used or developed in, operating the Store, including Consumer Data, and any other information contained from time to time in the Computer System or that visitors (including you) provide to the System Website; and

x. any other information we reasonably designate as confidential or proprietary.

You will not acquire any interest in any Confidential Information, other than the right to use certain Confidential Information as we specify in operating the Store during the Term according to Brand Standards and this Agreement's other terms and conditions. You acknowledge that using any Confidential Information in another business would constitute an unfair method of competition with us and our affiliates, suppliers, and franchisees. You acknowledge and agree that Confidential Information is proprietary, includes our trade secrets, and is disclosed to you only on the condition that you, your owners, and your employees agree, and you and they do agree:

i. not to use any Confidential Information in another business or capacity and at all times to keep Confidential Information absolutely confidential, both during and after the Term (afterward for as long as the information is not generally known in the industry);

ii. not to make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form;

iii. to adopt and implement all reasonable procedures we periodically specify to prevent unauthorized use or disclosure of Confidential Information, including disclosing it only to Store personnel and others needing to know the Confidential Information in order to operate the Store and using confidentiality and non-disclosure agreements with those having access to Confidential Information. (We

have the right to pre-approve the forms of agreements you use solely to ensure that you adequately protect Confidential Information and the competitiveness of the Stores. Under no circumstances will we control the forms or terms of employment agreements you use with Store employees or otherwise be responsible for your labor relations or employment practices); and

iv. not to sell, trade, or otherwise profit in any way from the Confidential Information (including by selling or assigning any Consumer Data or related information or Data), except during the Term using methods we have approved.

"Confidential Information" does not include information, knowledge, or know-how that lawfully is or becomes generally known in the industry or that you knew from previous business experience before we gave you access to it (directly or indirectly) or before you began training or operating the Store. If we include any matter in Confidential Information, anyone claiming it is not Confidential Information must prove that the exclusion in this paragraph applies.

11. Consumer Data

You must comply with our reasonable instructions regarding the organizational, physical, administrative, and technical measures and security procedures to safeguard the confidentiality and security of the names, addresses, telephone numbers, e-mail addresses, dates of birth, demographic or related information, buying habits, preferences, credit-card information, and other personally-identifiable information of customers ("**Consumer Data**") and, in any event, employ reasonable means to safeguard the confidentiality and security of Consumer Data. You must comply with all Laws governing the use, protection, and disclosure of Consumer Data. If there is a Data Security Incident at the Store, you must notify us immediately after becoming aware of the actual or suspected occurrence, specify the extent to which Consumer Data was compromised or disclosed, and comply and cooperate with our instructions for addressing the Data Security Incident in order to protect Consumer Data and The Vitamin Shoppe brand (including giving us or our designee access to your Computer System, whether remotely or at the Store). We (and our designated affiliates) have the right, but no obligation, to take any action or pursue any proceeding or litigation with respect to the Data Security Incident, control the direction and handling of such action, proceeding, or litigation, and control any remediation efforts. If we determine that any Data Security Incident results from your failure to comply with this Agreement or any requirements for protecting the Computer System and Consumer Data, you must indemnify us under Section 21.E. "**Data Security Incident**" means any act that initiates either internally or from outside the Store's computers, point-of-sale terminals, and other technology or networked environment and violates the Law or explicit or implied security policies, including attempts (either failed or successful) to gain unauthorized access (or to exceed authorized access) to the Franchise System, Stores, or their Data or to view, copy, or use Consumer Data or Confidential Information without authorization or in excess of authorization; unwanted disruption or denial or service; unauthorized use of a system for processing or storage of Data; and changes to system hardware, firmware, or software characteristics without our knowledge, instruction, or consent.

12. Innovations

All ideas, concepts, techniques, or materials relating to the Store, whether or not protectable intellectual property and whether created by or for you or your owners, employees, or contractors ("**Innovations**"), must be promptly disclosed to us and will be deemed to be our sole and exclusive property and works made-for-hire for us. To the extent any Innovation does not qualify as a "work made-for-hire" for us, by this paragraph you assign ownership of and all related rights to that Innovation to us and agree to sign (and to cause your owners, employees, and contractors to sign) whatever assignment or other documents we periodically request to evidence our ownership and to help us obtain intellectual property rights in the Innovation. You may not use any Innovation in operating the Store or otherwise without our prior written approval.

13. Exclusive Relationship

You acknowledge that we granted you the rights under this Agreement in consideration of and reliance upon your and your owners' agreement to deal exclusively with us with respect to the services and products that the Stores offer and sell. You therefore agree that, during the Term, neither you, your owners, nor any members of your or their Immediate Families (defined below) will:

i. have any direct or indirect, controlling or non-controlling interest as an owner—whether of record, beneficial, or otherwise—in a Competitive Business (defined below), wherever located or operating, provided that this restriction will not prohibit ownership of shares of a class of securities publicly-traded on a United States stock exchange and representing less than five percent (5%) of the number of shares of that class of securities issued and outstanding;

ii. perform services as a director, officer, manager, employee, consultant, representative, or agent for a Competitive Business, wherever located or operating;

iii. directly or indirectly loan any money or other thing of value, or guarantee any other person's loan, to any Competitive Business or any owner, director, officer, manager, or employee of any Competitive Business, wherever located or operating; or

iv. divert or attempt to divert any actual or potential business or customer of the Store to a Competitive Business.

The term "**Competitive Business**," as used in this Agreement, means any (a) business that provides vitamins, sports nutrition, supplements and other health and wellness products or services to customers as their primary business, or (b) business granting franchises or licenses to others to operate the type of business described in clause (a), other than the Store operated under a franchise agreement with us. The term "**Immediate Family**" includes the named individual, his or her spouse, and all children of the named individual or his or her spouse. You agree to obtain similar covenants from your senior personnel whom we specify, including officers and directors, by having them sign the form of agreement we specify or pre-approve. We may pre-

approve the forms of agreements you use solely to ensure that you adequately protect Confidential Information and the competitiveness of Stores. Under no circumstances will we control the forms or terms of employment agreements you use with Store employees or otherwise be responsible for your labor relations or employment practices.

14. Advertising and Marketing

A. Market Introduction Program

You must participate in a market introduction program for the Store. We expect this program to continue for approximately sixty (60) days after the Store opens (although we may specify a different timeframe). We will consult with you about the type of market introduction program that we believe is most suitable for your Store's market and will create and implement the program for you. The market introduction program will be implemented according to Brand Standards and our other requirements. You must pay us Ten Thousand Dollars ($10,000) for the market introduction program. We will spend that money on your behalf in the Store's market in compliance with the planned market introduction program. If for any reason we do not spend the full Ten Thousand Dollars ($10,000) you paid us, we will refund the unused portion to you within one-hundred-twenty (120) days after the Store opens.

B. Brand Fund

We may establish a fund ("**Brand Fund**" or "**Fund**") for advertising, marketing, research and development, public relations, social media management, and customer relationship management programs and materials, the purpose of which is to enhance, promote, and protect The Vitamin Shoppe brand and Franchise System. You agree to contribute to the Brand Fund the amounts we periodically specify, which shall be the greater of One Thousand Dollars ($1,000) per fiscal month or 2% of Net Revenue. We may increase the amount of the Brand Fund contribution up to a maximum of 3% of Net Revenue, provided that such contribution shall not exceed Forty Thousand Dollars ($40,000) in any fiscal year. Your Brand Fund contribution shall be due and payable at the same time and in the same manner as the Royalty or in such other manner we periodically specify.

We will direct all programs the Brand Fund finances, with sole control over all creative and business aspects of the Fund's activities. The Brand Fund may pay for preparing, producing, and placing video, audio, and written materials, digital and electronic media, and Social Media; developing, maintaining, and administering one or more System Websites; administering national, regional, and multi-regional marketing and advertising programs, including, without limitation, purchasing direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; establishing regional and national promotions and partnerships and hiring spokespersons to promote The Vitamin Shoppe brand; establishing toll-free call centers and on-line systems and other vehicles for centralized customer interaction; and supporting public relations, market research and development, and other advertising, promotion, marketing, and brand-related activities. The Brand Fund periodically may give you sample advertising, marketing, and promotional formats and materials (collectively, "**Marketing Materials**") at no cost. We may sell you multiple copies of Marketing

Materials at our direct cost of producing them, plus any related shipping, handling, and storage charges.

We will account for the Brand Fund separately from our other funds (although we need not keep Brand Fund contributions in a separate bank account) and not use the Brand Fund for any of our general operating expenses or for in store marketing kits. However, the Brand Fund may reimburse us and our affiliates for the reasonable salaries and benefits of personnel who manage and administer, or otherwise provide assistance or services to, the Brand Fund; the Brand Fund's administrative costs; travel related expenses of our personnel while they are on Brand Fund business; meeting costs; overhead relating to Brand Fund business; and other expenses we and our affiliates incur administering or directing the Brand Fund and its programs, including conducting market research, preparing Marketing Materials, collecting and accounting for Brand Fund contributions, paying taxes due on Brand Fund contributions we receive, and any other costs or expenses we incur operating or as a consequence of the Fund. The Brand Fund is not a trust, and we do not owe you fiduciary obligations because we maintain, direct, or administer the Brand Fund or for any other reason. The Brand Fund may spend in any fiscal year more or less than the total Brand Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We may use new Brand Fund contributions to pay Brand Fund deficits incurred during previous years. We will use all interest earned on Brand Fund contributions to pay costs before using the Brand Fund's other assets. We will prepare an annual, unaudited statement of Brand Fund collections and expenses and post the statement on the Intranet within sixty (60) days after our fiscal year end or otherwise give you a copy of the statement upon reasonable request. We may (but need not) have the Brand Fund audited annually, at the Brand Fund's expense, by a certified public accountant we designate. We may incorporate the Brand Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified in this Section 14.B.

The Brand Fund's principal purposes are to maximize recognition of the Marks, increase patronage of the Stores, and enhance, promote, and protect The Vitamin Shoppe brand and Franchise System. Although we will try to use the Brand Fund in the aggregate to develop and implement Marketing Materials and programs benefiting all Stores, we need not ensure that Brand Fund expenditures in or affecting any geographic area are proportionate or equivalent to Brand Fund contributions by Stores operating in that geographic area or that any Store benefits directly or in proportion to its Brand Fund contribution from the development of Marketing Materials or the implementation of programs. The Brand Fund will not be used principally to develop materials and programs to solicit franchisees. However, media, materials, and programs (including the System Website) prepared using Brand Fund contributions may describe our franchise program, reference the availability of franchises and related information, and process franchise leads. We have the right, but no obligation, to use collection agents and institute legal proceedings at the Brand Fund's expense to collect unpaid Brand Fund contributions. We also may forgive, waive, settle, and compromise all claims by or against the Brand Fund. Except as expressly provided in this Section 14.B, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Brand Fund.

We may at any time defer or reduce the Brand Fund contributions of any Store franchisee and, upon thirty (30) days' prior written notice to you, reduce or suspend Brand Fund

contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Brand Fund. If we terminate the Brand Fund, we will either (i) spend the remaining Fund balance on permitted programs and expenditures or (ii) distribute all unspent funds to our then-existing franchisees, and to us and our affiliates, in proportion to their and our respective Brand Fund contributions during the preceding twelve (12) month period.

C. Approval of Marketing and Other External Communications

All advertising, promotion, marketing, and public relations activities you conduct and Marketing Materials you prepare must be legal and not misleading and conform to the policies set forth in the Operations Manual or that we otherwise prescribe from time to time. To protect the goodwill that we and certain of our affiliates have accumulated in the "The Vitamin Shoppe" name and other Marks, at least thirty (30) days before you intend to use them, you must send us samples or proofs of (a) all Marketing Materials we have not prepared or already approved, and (b) all Marketing Materials we have prepared or already approved which you propose to change in any way. However, you need not send us any Marketing Materials in which you have simply completed the missing Store-specific or pricing information based on templates we sent you. If we do not approve your Marketing Materials in writing within thirty (30) days after we actually receive them, they will be deemed disapproved for use. We will not unreasonably withhold our approval. You may not use any Marketing Materials we have not approved or have disapproved. We reserve the right upon thirty (30) days' prior written notice to require you to discontinue using any previously approved

Marketing Materials.

D. Local Marketing

You agree to use your best efforts to promote and advertise your Store and participate in any local marketing and promotional programs we establish from time to time. In addition to your Brand Fund contribution, we recommend that you spend at least one and one-half percent (1.5%) of your Net Revenue on approved local marketing and promotion. Any marketing and promotional material you utilize for local marketing must be reviewed and approved by us as otherwise described in this Agreement.

E. Advertising Cooperatives

We may designate a geographic area for an advertising cooperative (a "**Cooperative**"). The Cooperative's members in any area are the owners of all Stores located and operating in that area (including us and our affiliates, if applicable). Each Cooperative will be organized and governed in a form and manner, and begin operating on a date, we determine. We may change, dissolve, and merge Cooperatives. Each Cooperative's purpose is, with our approval, to administer advertising programs and develop Marketing Materials for the area the Cooperative covers. If, as of the Effective Date, we have established a Cooperative for the geographic area in which the Store is located, or if we establish a Cooperative in that area during the Term, you automatically will become a member of the Cooperative and then must participate as its governing documents require. All of the Cooperative dues you contribute will be consider part of

your local marketing activity, but will not affect your market introduction program obligations under Section 14.A.

F. System Website

We or our designees may establish a website or series of websites for The Vitamin Shoppe network: (1) to advertise, market, identify, and promote Stores, the services and products they offer, and/or The Vitamin Shoppe franchise opportunity; (2) to function as the Intranet; and/or (3) for any other purposes we deem appropriate for Stores (collectively, the "**System Website**"). The System Website need not provide you with a separate interior webpage or "micro-site" referencing your Store. You must give us the information and materials we request for you to participate in the System Website. In doing so, you represent that they are accurate and not misleading and do not infringe another party's rights. We will own all intellectual property and other rights in the System Website and all information it contains (including, without limitation, any Data).

We will control, and may use Brand Fund contributions to develop, maintain, operate, update, and market, the System Website. We have final approval rights over all information on the System Website. We may implement and periodically modify Brand Standards for the System Website.

We will allow you to participate in the System Website only while you are in substantial compliance with this Agreement and all Brand Standards (including those for the System Website). If you are in material default of any obligation under this Agreement or Brand Standards, we may, in addition to our other remedies, temporarily suspend your participation in the System Website until you fully cure the default. We will permanently terminate your access to and participation in the System Website upon this Agreement's expiration or termination.

All Marketing Materials you develop for the Store must contain notices of the System Website's URL in the manner we periodically designate. You may not develop, maintain, or authorize any other website, online presence, or electronic medium mentioning or describing the Store or displaying any Marks without our prior written approval. Except for the System Website or as otherwise approved specified in the Operations Manual, you may not conduct commerce or directly or indirectly offer or sell any products or services using any website, another electronic means or medium, or otherwise over the Internet.

Nothing in this Section limits our right to maintain websites other than the System Website or to offer and sell services and products under the Marks from the System Website, another website, or otherwise over the Internet without payment or any other obligation to you.

15. Records, Reports, and Financial Statements

In order to assure consistency and reliability with respect to the various forms of financial reporting you must make to us, you must establish and maintain at your own expense a bookkeeping, accounting, and recordkeeping system conforming to the requirements and formats (including, at our option, the accounting methods and chart of accounts) we prescribe from time to time. We also may require the Store to use a designated accounting system (whether or not proprietary to us or our affiliates). The records and information contained in any bookkeeping,

accounting, and recordkeeping system we require will not include any records or information relating to the Store's employees, as you control exclusively your labor relations and employment practices. You must use a Computer System to maintain certain revenue data and other information (including Consumer Data) and give us access to that data and other information (but excluding employee records, as you control exclusively your labor relations and employment practices) in the manner we specify. We may, as often as we deem appropriate (including on a daily, continuous basis), independently access the Computer System and retrieve all information regarding the Store's operation (other than Store employee records, as you control exclusively your labor relations and employment practices). You must give us:

i. within twenty-five (25) days after the end of each fiscal month, the Store's operating statements and financial statements covering the previous monthly period;

ii. within thirty (30) days after the end of each fiscal quarter, the Store's operating statements and financial statements (including a balance sheet and cash flow and profit and loss statements) as of the end of that fiscal quarter;

iii. within ninety (90) days after the end of each of your fiscal years, annual profit and loss and cash flow statements, a balance sheet for the Store as of the end of the previous fiscal year, and a narrative written description of your year-end operating results; and

iv. within fifteen (15) days after our request, exact copies of federal and state income, sales tax, and other tax returns and any other forms, records, books, reports, and other information we periodically require relating to you or the Store (other than Store employee records, as you control exclusively your labor relations and employment practices).

We may periodically specify the form and content of the reports and financial statements described above. You must verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data from such reports and statements (and to identify the Store as the source of such reports and statements) for any business purpose we determine in our sole judgment, including the right to identify the Store and disclose its individual financial results in both a financial performance representation appearing in Item 19 of our franchise disclosure document and a supplemental financial performance representation.

You agree to preserve and maintain all records, in the manner we periodically specify, in a secure location at the Store or at another location we have approved in writing for at least five (5) years after the end of the fiscal year to which such records relate or for any longer time the Law requires. If we reasonably determine that any report or financial statement you send us is willfully or recklessly, and materially, inaccurate, we may require you to prepare audited financial statements annually during the Term until we determine that your reports and statements accurately reflect the Store's business and operations.

16. Inspections and Audits

A. Inspections

To determine whether you and the Store are complying with this Agreement, all Brand Standards, and safety standards, we and our designated representatives and vendors (including "mystery" shoppers) have the right before you open the Store for business and afterward from time to time during your regular business hours, and without prior notice to you, to inspect and evaluate the Store, observe and record operations (including through electronic monitoring), remove samples of products and supplies, interview and interact with the Store's supervisory employees and customers, inspect all books and records relating to the Store, and access all electronic records on your Computer System to the extent necessary to ensure compliance with this Agreement and all Brand Standards (in all cases excluding records relating to labor relations and employment practices, as you control exclusively labor relations and employment practices for Store employees). You must cooperate with us and our representatives and vendors in those activities. We will give you a written summary of the evaluation. Without limiting our other rights and remedies under this Agreement, you must promptly correct at your own expense all deficiencies (i.e., failures to comply with Brand Standards) noted by our evaluators within the time period we specify after you receive notice of those deficiencies. We then may conduct one or more follow-up evaluations to confirm that you have corrected the deficiencies and otherwise are complying with this Agreement and all Brand Standards. You must pay the actual costs of the first follow-up audit, including our personnel's daily charges (including wages) and travel related expenses. We may charge you an inspection fee for the second and each follow-up evaluation we make and for each inspection you specifically request. If you fail to correct a deficiency at the Store or in its operation after these inspections, we may (short of taking over the Store's management) take the required action for you, in which case you must immediately reimburse all of our costs.

In order to help you manage inventory shrinkage and overages in your Store, we also require you to conduct a physical inventory of the merchandise in your Store at least once a year using an outside inventory service designated by us and copies of the reports provided by the outside inventory service must be provided to us. All merchandise must be accounted for and counted during the physical inventory.

Because we do not have the right to inspect your employment records, you agree to confirm for us periodically (in the manner specified in Brand Standards) that the Store's employees have all certifications required by Law.

B. Our Right to Audit

We and our designated representatives may at any time during your business hours, and without prior notice to you, examine the Store's business, bookkeeping, and accounting records, sales and income tax records and returns, and other records (other than records we have no authority to control and/or remedy, such as your employment records, as you control exclusively your labor relations and employment practices). You must fully cooperate with our representatives and independent accountants conducting any inspection or audit. If any inspection or audit discloses an understatement of the Store's Net Revenue, you must pay us,

within ten (10) days after receiving the inspection or audit report, the amounts due on the understatement plus our administrative fee and interest from the date originally due until the date of payment. If any inspection or audit discloses an overstatement of the Store's Net Revenue, we will credit you (without interest) for the overpayment. Further, if an inspection or audit is necessary due to your failure to furnish reports, supporting records, or other information as required or on a timely basis, or if our examination reveals an understatement exceeding two percent (2%) of the amount you actually reported to us for the period examined, you must reimburse our costs for the examination, including, without limitation, legal fees, independent accountants' fees, and compensation and travel related expenses for our employees. These remedies are in addition to our other remedies and rights under this Agreement and applicable Law.

17. Transfer

A. Transfer by Us

We may change our ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After we assign this Agreement to a third party that expressly assumes this Agreement's obligations, we no longer will have any performance or other obligations under this Agreement. That assignment will constitute a release and novation with respect to this Agreement, and the new owner-assignee will be liable to you as if it had been an original party to this Agreement. Specifically, and without limiting the foregoing, you agree that we may sell our assets (including this Agreement), the Marks, or the Franchise System to a third party; offer our ownership interests privately or publicly; merge, acquire other business entities, or be acquired by another business entity; and/or undertake a refinancing, recapitalization, leveraged buyout, securitization, or other economic or financial restructuring.

B. Transfer by You and Definition of Transfer

You acknowledge that the rights and duties this Agreement creates are personal to you and your owners, and we have granted you the rights under this Agreement in reliance upon our perceptions of your and your owners' character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, neither: (i) this Agreement or any interest in this Agreement; (ii) the Store or any right to receive all or a portion of the profits, losses, or capital appreciation relating to the Store; (iii) all or substantially all of the Operating Assets; (iv) any ownership interest in you; nor (v) a controlling ownership interest in an Entity with an ownership interest in you, may be transferred without our prior written approval. A transfer of the Store's ownership, possession, or control, or all or substantially all of the Operating Assets, may be made only with the concurrent transfer (to the same proposed transferee) of the franchise rights (with the transferee signing our then-current form of franchise agreement and related documents). Any transfer without our prior written approval is a breach of this Agreement and has no effect, meaning you and your owners will continue to be obligated to us for all your obligations under this Agreement.

In this Agreement, the term "**transfer**" includes a voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition, including the following events:

i. transfer of record or beneficial ownership of stock or any other ownership interest or the right to receive (directly or indirectly) all or a portion of the profits, losses, or any capital appreciation relating to the Store;

ii. a merger, consolidation, or exchange of ownership interests, issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests;

iii. any sale or exchange of voting interests or securities convertible to voting interests, or any management or other agreement granting the right (directly or indirectly) to exercise or control the exercise of any owner's voting rights or to control your (or an Entity with an ownership interest in you) or the Store's operations or affairs;

iv. transfer in a divorce, insolvency, or Entity dissolution proceeding or otherwise by operation of law;

v. transfer by will, declaration of or transfer in trust, or under the laws of intestate succession; or

vi. pledge of this Agreement (to someone other than us) or of an ownership interest in you or your owners as security or collateral, foreclosure upon or attachment or seizure of the Store, or your transfer, surrender, or loss of the Store's possession, control, or management. You may grant a security interest (including a purchase money security interest) in the Store's assets (not including this Agreement or the franchise rights) to a lender that finances your acquisition, development, and/or operation of the Store without having to obtain our prior written approval as long as you give us ten (10) days' prior written notice. Notwithstanding the above, you may not pledge, hypothecate, or grant a security interest in any property that bears or displays the Marks (unless the Marks are readily removable from such property) and must advise your proposed lenders of this restriction.

C. Conditions for Approval of Transfer

If you and your owners are in full compliance with this Agreement, then, subject to this Section 17.C's other provisions, we will approve a transfer meeting all of this Section's requirements.

i. We will approve the transfer of a non-controlling ownership interest in you if the proposed transferee and its owners are of good moral character, have no ownership interest in and do not perform services for (and have no affiliates with an ownership interest in or performing services for) a Competitive Business, otherwise meet our then-applicable standards for non-controlling owners of Store franchisees, sign our then-current form of Guaranty and Assumption of Obligations. You will not be required to pay a transfer fee upon a non-controlling ownership transfer. The term "**controlling ownership interest**" is defined in Section 21.M.

ii. If the proposed transfer involves the franchise rights granted by this Agreement or a controlling ownership interest in you or in an Entity owning a controlling ownership interest in you, or is one of a series of transfers (regardless of the timeframe over which those transfers take place) in the aggregate transferring the franchise rights granted by this Agreement or a controlling ownership interest in you or in an Entity owning a controlling ownership interest in you, then all of the following conditions must be met before or concurrently with the proposed transfer's effective date (provided, however, there may be no such transfer until after the Store has opened for business):

a. (i) the transferee and its direct and indirect owners have the necessary business experience, aptitude, and financial resources to operate the Store, (ii) the transferee otherwise is qualified under our then-existing standards for the approval of new franchisees or of existing franchisees interested in acquiring additional franchises (including the transferee and its affiliates are in substantial operational compliance, at the time of the application, under all other franchise agreements for Stores to which they then are parties with us), and (iii) the transferee and its owners are not restricted by another agreement (whether or not with us) from purchasing the Store or the ownership interest in you or the Entity that owns a controlling ownership interest in you;

b. you have paid all required Royalties, Technology Fees, Brand Fund contributions, and other amounts owed to us and our affiliates relating to this Agreement and the Store, have submitted all required reports and statements, and are not in breach of any provision of this Agreement or another agreement with us or our affiliates relating to the Store;

c. neither the transferee nor any of its direct or indirect owners or affiliates operates, has an ownership interest in, or performs services for a Competitive Business;

d. the transferee's management personnel, if different from your management personnel, satisfactorily complete our then-current Initial Training;

e. the transferee has the right to occupy the Store's site for the expected franchise term;

f. the transferee and each of its owners (if the transfer is of the franchise rights granted by this Agreement), or you and your Owners (if the transfer is of a controlling ownership interest in you or in an Entity owning a controlling ownership interest in you), sign our then-current form of franchise agreement and related

documents (including a Guaranty and Assumption of Obligations), any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, for new ten (10) year term, which will include our then-current fees, including the Royalty, Technology Fee, and Brand Fund contributions, and we may change the definition of the Area of Protection and the payment of the then-current initial franchise fee;

g. you or the transferee pays us a transfer fee equal to two thousand dollars ($2,000.00);

h. the transferee agrees to repair and/or replace Operating Assets and upgrade the Store in accordance with our then-current requirements and specifications for new Stores within the timeframe we specify following the transfer's effective date;

i. you (and your transferring owners) sign a general release, in a form satisfactory to us, of any and all claims against us and our affiliates and our and their respective owners, officers, directors, employees, representatives, agents, successors, and assigns;

j. we have determined that the purchase price, payment terms, and required financing will not adversely affect the transferee's operation of the Store;

k. if you or your owners finance any part of the purchase price, you and they agree that the transferee's obligations under promissory notes, agreements, or security interests reserved in the Operating Assets or ownership interests in you are subordinate to the transferee's (and its owners') obligation to pay Royalties, Technology Fees, Brand Fund contributions, and other amounts due to us and our affiliates and otherwise to comply with this Agreement;

l. you and your transferring owners (and members of their Immediate Families) agree, for two (2) years beginning on the transfer's effective date, not to engage in any activity proscribed in Section 20.E below; and

m. you and your transferring owners will not directly or indirectly at any time afterward or in any manner (except with other Stores you or they own or operate): (i) identify yourself or themselves in any business as a current or former Store or as one of our franchisees; (ii) use any Mark, any colorable imitation of a Mark, any trademark, service mark, or commercial symbol that is confusingly similar to any Mark, or other indicia of Store for any purpose; or (iii) utilize for any purpose any trade dress, trade name, trademark,

service mark, or other commercial symbol suggesting or indicating a connection or association with us.

If the proposed transfer is to or among your owners, your or their Immediate Family members, or an Entity you control, then the transfer fee in clause (g) will be waived. You acknowledge that we have legitimate reasons to evaluate the qualifications of potential transferees and to analyze and critique the terms of their purchase contracts with you, and our contact with potential transferees to protect our business interests will not constitute improper or unlawful conduct. You expressly authorize us to investigate any potential transferee's qualifications, to analyze and critique the proposed purchase terms, to communicate candidly and truthfully with the transferee regarding your operation of the Store, and to withhold consent for the reasons specified above. You waive any claim that the action we take in good faith to protect our business interests in connection with a proposed transfer constitutes tortious interference with contractual or business relationships. Similarly, we may review all information regarding the Store you give the proposed transferee, correct any information we believe is inaccurate, and give the proposed transferee copies of any reports you have given us or we have made regarding the Store.

Notwithstanding anything to the contrary in this Section 17, we need not consider a proposed transfer of a controlling or non-controlling ownership interest in you, or a proposed transfer of this Agreement, until you (or an owner) and the proposed transferee first send us a copy of the bona fide offer to purchase or otherwise acquire the particular interest from you (or the owner). For an offer to be considered "bona fide," we may require it to include a copy of all proposed agreements between you (or your owner) and the proposed transferee related to the sale, assignment, or transfer.

D. Transfer to a Wholly-Owned or Affiliated Entity

Notwithstanding Section 17.C above, if you are in full compliance with this Agreement, you may transfer this Agreement, together with the Operating Assets and all other assets associated with the Store, to an Entity that will conduct no business other than the Store and, if applicable, other Stores of which you or your then-existing owners own and control one hundred percent (100%) of the equity and voting power of all issued and outstanding ownership interests, provided that all Store assets are owned, and the Store is operated, only by that single Entity. The Entity must expressly assume all of your obligations under this Agreement, but you will remain personally liable under this Agreement as if the transfer to the Entity did not occur. Transfers of ownership interests in that Entity are subject to the restrictions in Section 18.C.

E. Death or Disability

i. Transfer Upon Death or Disability

Upon the death or disability of one of your owners, that owner's executor, administrator, conservator, guardian, or other personal representative (the "**Representative**") must transfer the owner's ownership interest in you (or an owner) to a third party. That transfer (including transfer by bequest or inheritance) must occur, subject to our rights under this Section 17.E, within a reasonable time, not to exceed six (6) months from the date of death or disability, and is subject

to all terms and conditions in this Section 18. A failure to transfer such interest within this time period is a breach of this Agreement.

ii. Operation upon Death or Disability

If, upon the death or disability of any of your owners, the Store's day-to-day operations are not being managed by a trained manager, then you or the Representative (as applicable) must within a reasonable time, not to exceed fifteen (15) days from the date of death or disability, hire a new manager to operate the Store. The manager must at your expense satisfactorily complete the training we designate within the time period we specify. We have the right to assume the Store's management, as described in Section 19.C, for the time we deem necessary if the Store is not in our opinion being managed properly upon the death or disability of one of your owners.

F. Effect of Consent to Transfer

Our consent to any transfer is not a representation of the fairness of any contract terms between you (or your owner) and the transferee, a guarantee of the Store's or transferee's prospects of success, or a waiver of any claims we have against you (or your owners) or of our right to demand full compliance with this Agreement.

G. Our Right of First Refusal

If you, any of your owners, or the owner of a controlling ownership interest in an Entity with an ownership interest in you at any time determines to sell or transfer for consideration the franchise rights granted by this Agreement and the Store (or all or substantially all of its Operating Assets), a controlling ownership interest in you, or a controlling ownership interest in an Entity with a controlling ownership interest in you (except to or among your current owners or in a transfer under Section 17.D, which are not subject to this Section 17.G), you agree to obtain from a responsible and fully-disclosed buyer, and send us, a true and complete copy of a bona fide, executed written offer (which, as noted in Section 17.C above, we may require to include a copy of all proposed agreements related to the sale or transfer). The offer must include details of the proposed sale's payment terms and the financing sources and terms of the proposed purchase price and provide for an earnest money deposit of at least five percent (5%) of the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be a fixed-dollar amount, without any contingent payments of purchase price (such as earn-out payments), and the proposed transaction must relate exclusively to the rights granted by this Agreement and the Store (or all or substantially all of its Operating Assets), a controlling ownership interest in you, or a controlling ownership interest in an Entity with a controlling ownership interest in you. It may not relate to any other interests or assets. We may require you (or your owners) to send us copies of any materials or information you send to the proposed buyer or transferee regarding the possible transaction.

We may, by written notice delivered to you within thirty (30) days after we receive both an exact copy of the offer and all other information we request, elect to purchase the interest offered for the price and on the terms and conditions contained in the offer, provided that: (i) we may substitute cash for any form of payment proposed in the offer; (ii) our credit will be deemed equal to the credit of any proposed buyer; (iii) the closing will be not less than sixty (60) days

after we notify you of our election to purchase or, if later, the closing date proposed in the offer; (iv) you and your owners must sign the general release described in Section 17.C.ii(i) above; and (v) we must receive, and you and your owners agree to make, all customary representations, warranties, and indemnities given by the seller of the assets of a business or of ownership interests in an Entity, as applicable, including representations and warranties regarding ownership and condition of, and title to, assets and (if applicable) ownership interests; your and your owners' authorization to sell, as applicable, any ownership interests or assets without violating any Law, contract, or requirement of notice or consent; liens and encumbrances on ownership interests and assets; validity of contracts and liabilities, contingent or otherwise, relating to the assets or ownership interests being purchased; and indemnities for all actions, events, and conditions that existed or occurred in connection with the Store before the closing of our purchase. If the offer is to purchase all of your ownership interests, we may elect instead to purchase all of the Store's assets (and not any of your ownership interests) on the condition that the amount we pay you for such assets equals the full value of the transaction as proposed in the offer (i.e., the value of all assets to be sold and of all liabilities to be assumed).

Once you or your owners submit the offer and related information to us triggering the start of the thirty (30) day decision period referenced above, the offer is irrevocable for that thirty (30) day period. This means we have the full thirty (30) days to decide whether to exercise the right of first refusal and may choose to do so even if you or your owners change your, his, her, or its mind during that period and prefer after all not to sell the particular interest that is the subject of the offer. You and your owners may not withdraw or revoke the offer for any reason during the thirty (30) days, and we may exercise the right to purchase the particular interest in accordance with this Section's terms.

If we exercise our right of first refusal and close the transaction, you and your transferring owners agree that, for two (2) years beginning on the closing date, you and they (and members of your or their Immediate Families) will be bound by the non-competition covenants contained in Section 19.E.

If we do not exercise our right of first refusal, you or your owners may complete the sale to the proposed buyer on the original offer's terms, but only if we approve the transfer as provided in this Section 17. If you or your owners do not complete the sale to the proposed buyer within sixty (60) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change in the sale's terms (which you agree to tell us promptly), we will have an additional right of first refusal during the thirty (30) days following either expiration of the sixty (60) day period or our receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our option.

We have the unrestricted right to assign this right of first refusal to a third party (including an affiliate), which then will have the rights described in this Section 17.G. We waive our right of first refusal for sales or transfers to Immediate Family members meeting the criteria in Section 16.C.

18. Expiration of Agreement and Right to Successor Franchise

When this Agreement expires (unless it is terminated sooner), you will have the right to acquire a successor franchise to continue operating the Store as a Store for one ten (10) year term under our then-current form of franchise agreement, but only if you have:

i. requested in writing a business review at least six (6) months, but not more than nine (9) months, before the end of the Term;

ii. substantially complied with all of your obligations under this Agreement and all other agreements with us or our affiliates related to the Store, and operated the Store in substantial compliance with Brand Standards, during the Term, as noted in the business review we conduct; and

iii. remodeled and upgraded the Store and otherwise brought the Store into full compliance with then-applicable specifications and standards for new Stores (regardless of cost) before this Agreement expires.

To acquire a successor franchise, you and your owners must: (i) sign our then-current form of franchise agreement (and related documents), which may contain terms and conditions differing materially from any and all of those in this Agreement, including higher Royalties, Technology Fees, and Brand Fund contributions and modification of the Area of Protection, and will be modified to reflect that it is for a successor franchise; (ii) pay us a successor franchise fee equal to fifty percent (50%) of the then-current initial franchise fee; and (iii) sign a general release in the form we specify as to any and all claims against us, our affiliates, and our and their respective owners, officers, directors, employees, agents, representatives, successors, and assigns. If you fail to sign and return the documents referenced above, together with the successor franchise fee, within thirty (30) days after we deliver them to you, that will be deemed your irrevocable election not to acquire a successor franchise. If you (and your owners) are not, both on the date you give us written notice of your election to acquire a successor franchise (at or after the business review) and on the date on which this Agreement expires, in substantial compliance with this Agreement and all other agreements with us or our affiliates related to the Store, you acknowledge that we need not grant you a successor franchise, whether or not we had, or chose to exercise, the right to terminate this Agreement during its Term under Section 18. We may condition our grant of a successor franchise on your completing certain requirements on or before designated deadlines following commencement of the successor franchise term.

19. Termination of Agreement

A. Termination

We may, at our option, terminate this Agreement, effective immediately upon delivery of written notice of termination to you, upon the occurrence of any one of the following events:

i. you (or any of your direct or indirect owners) have made or make any material misrepresentation or omission in connection with your application for and acquisition of the franchise or your operation of the

Store, including, without limitation, by intentionally or through your gross negligence understating the Store's Net Revenue for any period;

ii. you fail (a) to obtain our written acceptance of the site, to secure the accepted site under a Lease we accept, or otherwise to meet any development obligation identified in Section 5 on or before the required deadline, or (b) to develop, open, and begin operating the Store in compliance with this Agreement and Brand Standards (including with a fully-trained staff) on or before the Opening Deadline (unless extended with our approval);

iii. you (a) abandon the Store, meaning you have deserted, walked away from, or closed the Store under circumstances leading us to conclude that you have no intent to return to the Store, regardless of how many days have passed since the apparent abandonment, or (b) fail actively and continuously to operate the Store (a failure to operate the Store for over three (3) consecutive days will be deemed a default under this clause (b), except where closure is due to fire, riot, flood, terrorist acts, or natural disaster and you notify us within three (3) days after the particular occurrence to obtain our written approval to remain closed for an agreed-upon amount of time as is necessary under the circumstances before we will require you to re-open);

iv. you, any of your owners, or the owner of a controlling ownership interest in an Entity with an ownership interest in you makes a purported transfer in violation of Section 17;

v. you (or any of your direct or indirect owners) are or have been convicted by a trial court of, or plead or have pleaded guilty or no contest to, a felony;

vi. you (or any of your direct or indirect owners) engage in any dishonest, unethical, immoral, or similar conduct as a result of which your (or the owner's) association with the Store (or the owner's association with you) could, in our reasonable opinion, have a material adverse effect on the goodwill associated with the Marks;

vii. a lender forecloses on its lien on a substantial and material portion of the Store's assets;

viii. an entry of judgment against you involving aggregate liability of Twenty-Five Thousand Dollars ($25,000) or more in excess of your insurance coverage, and the judgment remains unpaid for ten (10) days or more following its entry;

ix. you (or any of your direct or indirect owners) misappropriate any Confidential Information or violate any provisions of Section 12,

including, but not limited to, by holding interests in or performing services for a Competitive Business;

x. you violate any material Law relating to the Store's development, operation, or marketing and do not (a) correct the noncompliance or violation within fifteen (15) days after delivery of written notice of the noncompliance or violation or (b) completely correct the noncompliance or violation within the time period prescribed by Law, unless you are in good faith contesting your liability for the violation through appropriate proceedings or provide reasonable evidence of your continued efforts to correct the violation within a reasonable time period;

xi. you fail to report the Store's Net Revenue or to pay us or any of our affiliates any amounts when due and do not correct the failure within five (5) days after delivery of written notice;

xii. you underreport the Store's Net Revenue by two percent (2%) or more on three (3) separate occasions within any twenty-four (24) consecutive-month period or by five percent (5%) or more during any reporting period;

xiii. you fail to maintain the insurance this Agreement requires or to send us satisfactory evidence of such insurance within the required time, or significantly modify your insurance coverage without our written approval, and do not correct the failure within five (5) days after delivery of written notice;

xiv. you fail to pay when due any federal or state income, service, sales, employment, or other taxes due on the Store's operation, unless you are in good faith contesting your liability for such taxes through appropriate proceedings;

xv. you (or any of your direct or indirect owners) (a) fail on three (3) or more separate occasions within any twelve (12) consecutive-month period to comply with this Agreement, whether or not we notify you of the failures, and, if we do notify you of the failures, whether or not you correct the failures after our delivery of notice to you (which includes failures identified and reported to you during any inspection we conduct under Section 15.A), or (b) fail on two (2) or more separate occasions within any six (6) consecutive-month period to comply with the same obligation under this Agreement, whether or not we notify you of the failures, and, if we do notify you of the failures, whether or not you correct the failures after our delivery of notice to you (which includes failures identified and reported to you during any inspection we conduct under Section 15.A);

xvi. you fail to pay amounts you owe to our designated, approved, or recommended suppliers within thirty (30) days following the due date

(unless you are contesting the amount in good faith), or you default (and fail to cure within the allocated time) under any note, lease, or agreement we deem material relating to the Store's operation or ownership, and do not correct the failure within five (5) days after delivery of written notice;

xvii. you make an assignment for the benefit of creditors or admit in writing your insolvency or inability to pay your debts generally as they become due; you consent to the appointment of a receiver, trustee, or liquidator of all or a substantial part of your property; the Store is attached, seized, or levied upon, unless the attachment, seizure, or levy is vacated within sixty (60) days; or any order appointing a receiver, trustee, or liquidator of you or the Store is not vacated within sixty (60) days following its entry;

xviii. your or any of your owners' assets, property, or interests are blocked under any Law relating to terrorist activities, or you or any of your owners otherwise violate any such Law;

xix. you lose the right to occupy the Store's premises due to your Lease default (even if you have not yet vacated the Store's premises);

xx. you lose the right to occupy the Store's premises (but not due to your Lease default), or the Store is damaged to such an extent that you cannot operate the Store at its existing location over a thirty (30) day period, and you fail both to relocate the Store to a substitute site we accept and to begin operating the Store at that substitute site within one hundred eighty (180) days from the first date on which you could not operate the Store at its existing location;

xxi. you fail to comply with any other obligation under this Agreement or any other agreement between us (or any of our affiliates) and you relating to the Store, including, without limitation, any Brand Standard, and do not correct the failure to our satisfaction within thirty (30) days after we deliver written notice;

xxii. any other franchise agreement or area development agreement between by you (or any of your owners) or any Affiliate and us or any of our Affiliates is terminated; or

xxiii. you cause or contribute to a Data Security Incident or fail to comply with any requirements to protect Consumer Data.

B. Assumption of Store's Management

(i) If you abandon or fail actively to operate the Store for any period, (ii) under the circumstances described in Sections 17.E and 19.D, and (iii) after termination or expiration of this Agreement while we are deciding whether to exercise our right to purchase the Store's assets under Section 19.F, we or our designee has the right (but not the obligation) to enter the site and assume the Store's management for any time period we deem appropriate. Our manager will

exercise control over the working conditions of the Store's employees only to the extent such control is related to our legitimate interest in protecting, and is necessary at that time to protect, the quality of our services, products, or brand. If we assume the Store's management, all revenue from the Store's operation during our management period will (except as provided below) be kept in a separate account, and all Store expenses will be charged to that account. In addition to all other fees and payments owed under this Agreement on account of the Store's operation, we may charge you a reasonable management fee, not to exceed ten percent (10%) of the Store's Net Revenue, plus any out-of-pocket expenses incurred in connection with the Store's management. We or our designee will have a duty to use only reasonable efforts and, if we or our designee is not grossly negligent and does not commit an act of willful misconduct, will not be liable to you or your owners for any debts, losses, lost or reduced profits, or obligations the Store incurs, or to any of your creditors for any supplies, products, or other assets or services the Store purchases, while we or our designee manages it. We may require you to sign our then-current form of management agreement, which will govern the terms of our management of the Store.

If we or our designee assumes the Store's management due to your abandonment or failure actively to operate the Store, or after termination or expiration of this Agreement while we are deciding whether to exercise our right to purchase the Store's Operating Assets under Section 19.F, we or our designee may retain all, and need not pay you or otherwise account to you for any, Net Revenue generated while we or our designee manages the Store.

C. Other Remedies upon Default

Upon your failure to remedy any noncompliance with any provision of this Agreement or any Brand Standard, or another default specified in any written notice issued to you under Section 19.B, within the time period (if any) we specify in our notice, we have the right, until the failure has been corrected to our satisfaction, to take any one or more of the following actions:

i. suspend your right to participate in one or more advertising, marketing, or promotional programs that we or the Brand Fund provides;

ii. suspend or terminate your participation in any temporary or permanent fee reductions to which we might have agreed (whether as a policy, in an amendment to this Agreement, or otherwise);

iii. refuse to provide any operational support this Agreement requires; and/or

iv. assume the Store's management, as described in Section 19.C, for the time we deem necessary in order to correct the default, for all of which costs you must reimburse us (in addition to the amounts you must pay us under Section 19.C).

Exercising any of these rights will not constitute an actual or constructive termination of this Agreement or be our sole and exclusive remedy for your default. If we exercise any remedies in this Section 19.D rather than terminate this Agreement, we may at any time after the applicable cure period under the written notice has lapsed (if any) terminate this Agreement without giving you any additional corrective or cure period. During any suspension period, you must continue paying all fees and other amounts due under, and otherwise comply with, this Agreement and all

related agreements. Our election to suspend your rights as provided above is not our waiver of any breach of this Agreement. If we rescind any suspension of your rights, you are not entitled to any compensation (including, without limitation, repayment, reimbursement, refunds, or offsets) for any fees, charges, expenses, or losses you might have incurred due to our exercise of any suspension right provided above.

20. Rights and Obligations upon Termination or Expiration of This Agreement

A. Payment of Amounts Owed

You agree to pay us within fifteen (15) days after this Agreement expires or is terminated, or on any later date we determine the amounts due to us, the Royalties, Technology Fees, Brand Fund contributions, late fees and interest, and other amounts owed to us (and our affiliates) that are then unpaid.

B. De-Identification

Upon termination or expiration of this Agreement, you must de-identify the Store in compliance with this Section 20.B and as we reasonably require. De-identification includes, but is not limited to, taking the following actions:

i. beginning on the De-identification Date (defined below), you and your owners may not directly or indirectly at any time afterward or in any manner: (a) identify yourself or themselves in any business as a current or former Store or as one of our current or former franchisees; (b) use any Mark, any colorable imitation of a Mark, any trademark, service mark, or commercial symbol that is confusingly similar to any Mark, any copyrighted items, or other indicia of the Store for any purpose; or (c) use for any purpose any trade dress, trade name, trademark, service mark, or other commercial symbol suggesting or indicating a connection or association with us.

ii. within fifteen (15) days after the De-identification Date, you must take the action required to cancel all fictitious or assumed name or equivalent registrations relating to your use of any Mark;

iii. if we do not exercise the option under Section 20.F below, you must, at your own cost and without any payment from us for such items, at our option, deliver to us, make available to us for pick-up, or destroy, in any case within twenty (20) days after the De-identification Date, all signs, Marketing Materials, forms, and other materials containing any Mark. If you fail to do so voluntarily when we require, we and our representatives may enter the Store at our convenience and remove these items without liability to you, the landlord, or any other third party for trespass or any other claim. You must reimburse our costs of doing so;

iv. if we do not exercise the option under Section 19.F below, you must, at your own cost and without any payment from us for such items, at our

option, deliver to us, make available to us for pick-up, or destroy, in any case within thirty (30) days after the De-identification Date, all materials that are proprietary to the Store brand. If you fail to do so voluntarily when we require, we and our representatives may enter the Store at our convenience and remove these items without liability to you, the landlord, or any other third party for trespass or any other claim. You must reimburse our costs of doing so;

v. if we do not exercise the option under Section 20.F below, you must at your own expense, within twenty (20) days after the De-identification Date, make the alterations we specify to distinguish the Store clearly from its former appearance and from other Stores in order to prevent public confusion. If you fail to do so voluntarily when we require, we and our representatives may enter the Store at our convenience and take this action without liability to you, your landlord, or any other third party for trespass or any other claim. We need not compensate you or the landlord for any alterations. You must reimburse our costs of de-identifying the Store;

vi. you must, within fifteen (15) days after the De-identification Date, notify the telephone company and all telephone directory publishers (both web-based and print) of the termination or expiration of your right to use any telephone, facsimile, or other numbers and telephone directory listings associated with any Mark; authorize, and not interfere with, the transfer of those numbers and directory listings to us or at our direction; and/or instruct the telephone company to forward all calls made to your numbers to numbers we specify. If you fail to do so, we may take whatever action and sign whatever documents we deem appropriate on your behalf to effect these events; and

vii. you must immediately cease using or operating any website or other online presence or electronic media, including social networking websites, related to the Store or the Marks, take all action required to disable such websites or social networking website accounts, and cancel all rights in and to any accounts for such websites (unless we request you to assign them to us).

The "**De-identification Date**" means: (i) if we exercise the option under Section 19.F, the closing date of our (or our designee's) purchase of the Store's assets; or (ii) if we do not exercise the option under Section 19.F, the date upon which that option expires or we notify you of our decision not to exercise, or to withdraw our previous exercise, of that option, whichever occurs first.

C. Confidential Information

Upon termination or expiration of this Agreement, you and your owners must immediately cease using any of our Confidential Information in any business or otherwise and return to us all copies of the Operations Manual and any other confidential materials to which we

gave you access. You may not sell, trade, or otherwise profit in any way from any Consumer Data or other Confidential Information at any time after expiration or termination of this Agreement.

D. Notification to Customers

Upon termination or expiration of this Agreement, we have the right to contact (at our expense) previous, current, and prospective customers to inform them that Store no longer will operate at the Store's location or, if we intend to exercise the option under Section 20.F, that the Store will operate under new management. We also have the right to inform them of other nearby Stores. Exercising these rights will not constitute interference with your contractual or business relationship with those customers.

E. Covenant Not to Compete

Upon our termination of this Agreement in compliance with its terms, your termination of this Agreement without cause, or expiration of this Agreement (without the grant of a successor franchise), you and your owners agree that neither you, they, nor any member of your or their Immediate Families will:

i. have any direct or indirect, controlling or non-controlling interest as an owner—whether of record, beneficial, or otherwise—in any Competitive Business located or operating:

a. at the Store's site; or

b. within ten (10) miles of the Store's site; or

c. within ten (10) miles of another Store in operation or under construction on the later of the effective date of termination or expiration or the date on which the restricted person begins to comply with this Section 19.E,

provided that this restriction does not prohibit ownership of shares of a class of securities publicly-traded on a United States stock exchange and representing less than five percent (5%) of the number of shares of that class of securities issued and outstanding; or

ii. perform services as a director, officer, manager, employee, consultant, representative, or agent for a Competitive Business located or operating:

a. at the Store's site; or

b. within ten (10) miles of the Store's site; or

c. within ten (10) miles of another Store in operation or under construction on the later of the effective date of termination or

expiration or the date on which the restricted person begins to comply with this Section 19.E.

You, each owner, and your and their Immediate Families will each be bound by these competitive restrictions for two (2) years beginning on the effective date of this Agreement's termination or expiration. However, if a restricted person does not begin to comply with these competitive restrictions immediately, the two (2) year restrictive period for that non-compliant person will not start to run until the date on which that person begins to comply with the competitive restrictions (whether or not due to the entry of a court order enforcing this provision). The running of the two (2) year restrictive period for a restricted person will be suspended whenever that restricted person breaches this Section and will resume when that person resumes compliance. These restrictions also apply after transfers and other events, as provided in Section 17 above. You (and your owners) expressly acknowledge that you (and they) possess skills and abilities of a general nature and have other opportunities for exploiting those skills. Consequently, our enforcing the covenants made in this Section 20.E will not deprive you (and them) of personal goodwill or the ability to earn a living.

F. Option to Purchase Operating Assets

i. Exercise of Option

Upon our termination of this Agreement in compliance with its terms, your termination of this Agreement without cause, or expiration of this Agreement (without the grant of a successor franchise), we have the option, exercisable by giving you written notice before or within thirty (30) days after the effective date of termination or expiration, to purchase the Operating Assets and other assets associated with the Store's operation that we designate. We have the unrestricted right to assign this purchase option to a third party (including an affiliate), which then will have the rights and obligations described in this Section 20.F. (All references in this Section 20.F. to "we" or "us" include our assignee if we have exercised our right to assign this purchase option to a third party.) We are entitled to all customary representations, warranties, and indemnities in our asset purchase, including representations and warranties regarding ownership and condition of, and title to, assets; liens and encumbrances on assets; validity of contracts and liabilities affecting the assets, contingent or otherwise; and indemnities for all actions, events, and conditions that existed or occurred in connection with the Store before the closing of our purchase.

If you or one of your affiliates owns the site at which the Store is located, we (or our assignee) may elect to lease that site from you or the affiliate for an initial five (5) or ten (10) year term (at our option), with one (1) renewal term of five (5) or ten (10) years (again at our option), on commercially reasonable terms. If you lease the Store's site from an unaffiliated lessor, you agree (at our option) to assign the Lease to us or to enter into a sublease for the remainder of the Lease term on the same terms (including renewal options) as the Lease.

ii. Purchase Price

If we elect to purchase all or substantially all of the Operating Assets and other assets associated with the Store's operation, the purchase price for those assets will be their fair market

value, although fair market value will not include any value for (a) the franchise or any rights granted by this Agreement, (b) goodwill attributable to our Marks, brand image, and other intellectual property, or (c) participation in the network of Stores. In all cases, we may exclude from the assets purchased any Operating Assets or other items not reasonably necessary (in function or quality) to the Store's operation or that we have not approved as meeting Brand Standards; the purchase price will reflect those exclusions. We and you must work together in good faith to agree upon the assets' fair market value within fifteen (15) days after we deliver our notice exercising our right to purchase. If we and you cannot agree on fair market value within this fifteen (15) day period, fair market value will be determined by the following appraisal process.

Fair market value will be determined by one (1) independent accredited appraiser upon whom we and you agree who, in conducting the appraisal, will be bound by the criteria specified above. We and you agree to select the appraiser within fifteen (15) days after we deliver our purchase notice (if we and you do not agree on fair market value before then). If we and you cannot agree on a mutually-acceptable appraiser within the fifteen (15) days, we will send you a list of three (3) independent appraisers, and you must within seven (7) days select one (1) of them to be the designated appraiser to determine the purchase price. Otherwise, we have the right to select the appraiser. We and you will share equally the appraiser's fees and expenses. Within thirty (30) days after delivery of notice invoking the appraisal mechanism, we and you each must send the appraiser our and your respective calculations of the purchase price, with such detail and supporting documents as the appraiser requests and according to the criteria specified above. Within fifteen (15) days after receiving both calculations, the appraiser must decide whether our proposed purchase price or your proposed purchase price most accurately reflects the assets' fair market value. The appraiser has no authority to compromise between the two (2) proposed purchase prices; it is authorized only to choose one or the other. The appraiser's choice will be the purchase price and is final.

iii. Closing

We will pay the purchase price at the closing, which will take place not later than thirty (30) days after the purchase price is determined. However, we may decide after the purchase price is determined not to complete the purchase and will have no liability to you for choosing not to do so. We may set off against the purchase price, and reduce the purchase price by, any and all amounts you owe us (or our affiliates). At the closing, you agree to deliver instruments transferring to us: (a) good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to us), with all sales and transfer taxes paid by you; (b) all of the Store's licenses and permits that may be assigned; and (c) possessory rights to the Store's site.

If you cannot deliver clear title to all purchased assets, or if there are other unresolved issues, the sale will be closed through an escrow. You and your owners further agree to sign general releases, in a form satisfactory to us, of any and all claims against us and our affiliates and our and their respective owners, officers, directors, employees, agents, representatives, successors, and assigns. If we exercise our rights under this Section 20.F, then for two (2) years beginning on the closing date, you and your owners (and members of your and their Immediate Families) will be bound by the non-competition covenants contained in Section 20.E.

G. Continuing Obligations

All of our and your (and your owners') obligations expressly surviving expiration or termination of this Agreement will continue in full force and effect after and notwithstanding its expiration or termination and until they are satisfied in full.

21. Relationship of the Parties; Indemnification

A. Independent Contractors

This Agreement does not create a fiduciary relationship between you and us (or any affiliate of ours). You have no authority, express or implied, to act as an agent for us or our affiliates for any purpose. You are, and will remain, an independent contractor responsible for all obligations and liabilities of, and for all losses or damages to, the Store and its assets, including any personal property, equipment, fixtures, or real property, and for all claims or demands based on damage to or destruction of property or based on injury, illness, or death of any person, directly or indirectly, resulting from the Store's operation. Further, we and you are not and do not intend to be partners, joint venturers, associates, or employees of the other in any way, and we (and our affiliates) will not be construed to be jointly liable for any of your acts or omissions under any circumstances. We (and our affiliates) are not the employer or joint employer of the Store's employees. Your Store Manager and assistant managers are solely responsible for managing and operating the Store and supervising the Store's employees. You agree to identify yourself conspicuously in all dealings with customers, suppliers, public officials, Store personnel, and others as the Store's owner, operator, and manager under a franchise we have granted and to place notices of independent ownership at the Store and on the forms, business cards, stationery, advertising, e-mails, and other materials we require from time to time.

We (and our affiliates) will not exercise direct or indirect control over the working conditions of Store personnel, except to the extent such indirect control is related to our legitimate interest in protecting the quality of our services, products, or brand. We (and our affiliates) do not share or codetermine the employment terms and conditions of the Store's employees and do not affect matters relating to the employment relationship between you and the Store's employees, such as employee selection, promotion, termination, hours worked, rates of pay, other benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. To that end, you must notify Store personnel that you are their employer and that we, as the franchisor of Stores, and our affiliates are not their employer and do not engage in any employer-type activities for which only franchisees are responsible, such as employee selection, promotion, termination, hours worked, rates of pay, other benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. You also must obtain an acknowledgment (in the form we specify or approve) from all Store employees that you (and not we or our affiliates) are their employer.

B. No Liability for Acts of Other Party

We and you may not make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other or represent that our relationship with you is other than franchisor and franchisee. We will not be obligated for any

damages to any person or property directly or indirectly arising from the Store's operation or the business you conduct under this Agreement.

C. Taxes

We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property, employment, or other taxes, whether levied upon you or the Store, due to the business you conduct (except for our own income taxes). You must pay those taxes and reimburse us for any taxes we must pay to any taxing authority on account of either your Store's operation or payments you make to us (except for our own income taxes).

D. Insurance

During the Term, you must maintain in force at your sole expense insurance coverage for the Store in the amounts, and covering the risks, we periodically specify in the Operations Manual. We may require some or all of your insurance policies to provide for waiver of subrogation in favor of us and certain of our affiliates. Your insurance carriers must be licensed to do business in the state in which the Store is located and be rated A or higher by A.M. Best and Company, Inc. (or such similar criteria we periodically specify). Insurance policies must be in effect before you begin constructing the Store. We may periodically increase the amounts of coverage required under those insurance policies and/or require different or additional insurance coverage at any time to reflect inflation, identification of new risks, changes in Law or standards of liability, higher damage awards, or relevant changes in circumstances. Insurance policies must name us and any affiliates we periodically designate as additional insureds and provide for thirty (30) days' prior written notice to us of any policy's material modification, cancellation, or non-renewal or any non-payment. You must periodically, including before the Store opens, send us a valid certificate of insurance or duplicate insurance policy evidencing the coverage specified above and the payment of premiums. We may require you to use our designated insurance broker to facilitate your compliance with these insurance requirements. We have the right to obtain insurance coverage for the Store at your expense if you fail to do so, in which case you must reimburse our costs. We also have the right to defend claims in our sole discretion.

E. Indemnification

To the fullest extent permitted by Law, you must indemnify and hold harmless us, our affiliates, and our and their respective owners, directors, officers, employees, agents, successors, and assignees (the "**Indemnified Parties**") against, and reimburse any one or more of the Indemnified Parties for, all Losses (defined below) incurred as a result of:

(1) a claim threatened or asserted;

(2) an inquiry made formally or informally; or

(3) a legal action, investigation, or other proceeding brought

by a third party and directly or indirectly arising out of:

(i) the Store's construction, design, or operation;

(ii) the business you conduct under this Agreement;

(iii) your noncompliance or alleged noncompliance with any Law, including any allegation that we or another Indemnified Party is a joint employer or otherwise responsible for your acts or omissions relating to the Store's employees;

(iv) a Data Security Incident; or

(v) your breach of this Agreement.

You also agree to defend the Indemnified Parties (unless an Indemnified Party chooses to defend at your expense as provided in the following paragraph) against any and all such claims, inquiries, actions, investigations, and proceedings, including those alleging the Indemnified Party's negligence, gross negligence, willful misconduct, and willful wrongful omissions. However, you have no obligation to indemnify or hold harmless an Indemnified Party for any Losses to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's negligence, willful misconduct, or willful wrongful omissions, so long as the claim to which those Losses relate is not asserted on the basis of theories of vicarious liability (including agency, apparent agency, or joint employment) or our failure to compel you to comply with this Agreement.

For purposes of this indemnification and hold harmless obligation, "**Losses**" include all obligations, liabilities, damages (actual, consequential, or otherwise), and reasonable defense costs that any Indemnified Party incurs. Defense costs include, without limitation, accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, whether or not litigation, arbitration, or alternative dispute resolution actually is commenced. Each Indemnified Party, with its own counsel and at your expense, may defend and otherwise respond to and address any claim threatened or asserted or inquiry made, or action, investigation, or proceeding brought (instead of having you defend it with your counsel, as provided in the preceding paragraph), and, in cooperation with you, agree to settlements or take any other remedial, corrective, or other actions, for all of which defense and response costs and other Losses you are solely responsible (except as provided in the last sentence of the preceding paragraph).

Your obligations under this Section will continue in full force and effect after and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against you under this Section. A failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this Section.

22. Enforcement

A. Severability

Except as expressly provided to the contrary in this Agreement, each section, paragraph, term, and provision of this Agreement is severable. If, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future Law in a final, unappealable ruling issued by any court, arbitrator, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant restricting competitive activity is deemed unenforceable due to its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, you and we agree that the covenant will be reformed to the extent necessary to be reasonable and enforceable, and then enforced to the fullest extent permissible, under the Laws and public policies applied in the jurisdiction whose Laws determine the covenant's validity. If any applicable and binding Law requires more notice than this Agreement requires of the termination of this Agreement or of our refusal to grant a successor franchise, or if under any applicable and binding Law any provision of this Agreement or any Brand Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the Law will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Brand Standard to the extent required to be valid and enforceable or delete the unlawful provision entirely. You agree to be bound by any promise or covenant imposing the maximum duty the Law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

B. Waiver of Obligations and Force Majeure

We and you may in writing unilaterally waive or reduce any contractual obligation or restriction upon the other, effective upon delivery of written notice to the other or another effective date stated in the waiver notice. However, no interpretation, change, termination, or waiver of any provision of this Agreement will bind us unless in writing, signed by one of our officers, and specifically identified as an amendment to this Agreement. No modification, waiver, termination, discharge, or cancellation of this Agreement affects the right of any party to this Agreement to enforce any claim or right under this Agreement, whether or not liquidated, which occurred before the date of such modification, waiver, termination, discharge, or cancellation. Any waiver granted is without prejudice to any other rights we or you have, is subject to continuing review, and may be revoked at any time and for any reason effective upon delivery of ten (10) days' prior written notice.

We and you will not waive or impair any right, power, or option this Agreement reserves (including our right to demand your strict compliance with every term, condition, and covenant or to declare any breach to be a default and to terminate this Agreement before the Term expires) because of any custom or practice varying from this Agreement's terms; our or your failure, refusal, or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement, including your compliance with any Brand Standard; our waiver of or failure to exercise any right, power, or option, whether of the same, similar, or different nature, with other Stores; the existence of franchise agreements for other Stores

containing provisions differing from those contained in this Agreement; or our acceptance of any payments from you after any breach of this Agreement. No special or restrictive legend or endorsement on any payment or similar item given to us will be a waiver, compromise, settlement, or accord and satisfaction. We may remove any legend or endorsement, which will have no effect.

Neither we nor you will be liable for loss or damage or be in breach of this Agreement if our or your failure to perform obligations results from: (i) acts of God; (ii) fires, strikes, embargoes, war, terrorist acts or similar events, or riot; (iii) compliance with the orders, requests, or regulations of any federal, state, or municipal government; or (iv) any other similar event or cause. Any delay resulting from these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable. However, these causes will not excuse payment of amounts owed at the time of the occurrence or payment of Royalties, Technology Fees, Brand Fund contributions, and other amounts due afterward. Under no circumstances do any financing delays, difficulties, or shortages excuse your failure to perform or delay in performing your obligations under this Agreement.

C. Costs and Attorneys' Fees

If we incur costs and expenses (internal or external) to enforce our rights or your obligations under this Agreement because you have failed to pay when due amounts owed to us, to submit when due any reports, information, or supporting records, or otherwise to comply with this Agreement, you agree to reimburse all costs and expenses we incur, including, without limitation, reasonable accounting, attorneys', arbitrators', and related fees. Your obligation to reimburse us arises whether or not we begin a formal legal proceeding against you to enforce this Agreement. If we do begin a formal legal proceeding against you, the reimbursement obligation applies to all costs and expenses we incur preparing for, commencing, and prosecuting the legal proceeding and until the proceeding has completely ended (including appeals and settlements).

D. You May Not Withhold Payments

You may not withhold payment of any amounts owed to us or our affiliates due to our alleged nonperformance of our obligations under this Agreement or for any other reason. You specifically waive any right you have at Law or in equity to offset any monies you owe us or our affiliates or to fail or refuse to perform any of your obligations under this Agreement.

E. Rights of Parties Are Cumulative

Our and your rights under this Agreement are cumulative, and our or your exercise or enforcement of any right or remedy under this Agreement will not preclude our or your exercise or enforcement of any other right or remedy that we or you are entitled by Law to enforce.

F. Arbitration

All controversies, disputes, or claims between us (and our affiliates and our and their respective owners, officers, directors, agents, and employees, as applicable) and you (and your affiliates and your and their respective owners, officers, and directors, as applicable) arising out of or related to:

i. this Agreement or any other agreement between you (or your owner) and us (or our affiliate) relating to the Store or any provision of any such agreements;

ii. our relationship with you;

iii. the validity of this Agreement or any other agreement between you (or your owner) and us (or our affiliate) relating to the Store, or any provision of any such agreements, and the validity and scope of the arbitration obligation under this Section; or

iv. any Brand Standard,

must be submitted for arbitration to the American Arbitration Association. Except as otherwise provided in this Agreement, such arbitration proceedings will be heard by one (1) arbitrator in accordance with the then-existing Commercial Arbitration Rules of the American Arbitration Association. All proceedings, including the hearing, will be conducted at a suitable location that is within ten (10) miles of where we have our principal business address when the arbitration demand is filed. The arbitrator will have no authority to select a different hearing locale other than as described in the prior sentence. All matters within the scope of the Federal Arbitration Act (9 U.S.C. Sections 1 *et seq.*) will be governed by it and not by any state arbitration law.

The arbitrator has the right to award any relief he or she deems proper in the circumstances, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs (in accordance with 21.C above), provided that: (i) the arbitrator has no authority to declare any Mark generic or otherwise invalid; and (ii) subject to the exceptions in Section 22.I, we and you waive to the fullest extent the Law permits any right to or claim for any punitive, exemplary, treble and other forms of multiple damages against the other. The arbitrator's award and decision will be conclusive and bind all parties covered by this Section, and judgment upon the award may be entered in a court specified or permitted in Section 22.H below.

We and you will be bound by any limitation under this Agreement or applicable Law, whichever expires first, on the timeframe in which claims must be brought. We and you further agree that, in connection with any arbitration proceeding, each must submit or file any claim constituting a compulsory counterclaim (as defined by the then-current Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim not submitted or filed in the proceeding will be barred. The arbitrator may not consider any settlement discussions or offers either you or we made. We reserve the right, but have no obligation, to advance your share of the costs of any arbitration proceeding in order for the arbitration proceeding to take place and by doing so do not waive or relinquish our right to seek recovery of those costs in accordance with Section 22.C above.

We and you agree that arbitration will be conducted on an individual basis and not in a class, consolidated, or representative action, that only we (and our affiliates and our and their respective owners, officers, directors, agents, and employees, as applicable) and you (and your affiliates and your and their respective owners, officers, and directors, as applicable) may be the

parties to any arbitration proceeding described in this Section, and that no such arbitration proceeding may be consolidated or joined with another arbitration proceeding involving us and/or any other person. Despite the foregoing or anything to the contrary in this Section or Section 22.A, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 22.F, then we and you agree that this arbitration clause will not apply to that dispute, and such dispute will be resolved in a judicial proceeding in accordance with this Section 22 (excluding this Section 22.F).

This Section's provisions are intended to benefit and bind certain third-party non-signatories and will continue in full force and effect after and notwithstanding expiration or termination of this Agreement.

Despite your and our agreement to arbitrate, each has the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction, provided, however, each must contemporaneously submit its dispute for arbitration on the merits as provided in this Section.

G. Governing Law

Except to the extent governed by the Federal Arbitration Act, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 *et seq.*), or other federal Law, all controversies, disputes, or claims arising from or relating to:

i. this Agreement or any other agreement between you (or your owners) and us (or our affiliates);

ii. our relationship with you;

iii. the validity of this Agreement or any other agreement between you (or your owners) and us (or our affiliate); or

iv. any Brand Standard,

will be governed by the Laws of the State of Delaware, without regard to its conflict of Laws rules.

H. Consent to Jurisdiction

Subject to the arbitration obligations in Section 22.F, you and your owners agree that all judicial actions brought by us against you or your owners, or by you or your owners against us, our affiliates, or our or their respective owners, officers, directors, agents, or employees, relating to this Agreement or the Store must be brought exclusively in the state or federal court of general jurisdiction located closest to where we, as franchisor, have our principal business address when the action is commenced. You and each of your owners irrevocably submit to the jurisdiction of such courts and waive any objection you or they might have to either jurisdiction or venue. Despite the foregoing, we may bring an action seeking a temporary restraining order or

temporary or preliminary injunctive relief, or to enforce an arbitration award, in any federal or state court in the state in which you reside or the Store is located.

I. Waiver of Punitive and Exemplary Damages

EXCEPT FOR YOUR INDEMNIFICATION OBLIGATIONS UNDER SECTION 20.E AND CLAIMS BASED ON YOUR UNAUTHORIZED USE OF THE MARKS OR UNAUTHORIZED USE OR DISCLOSURE OF ANY CONFIDENTIAL INFORMATION, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT THE LAW PERMITS ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE, AND OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IF THERE IS A DISPUTE BETWEEN US AND YOU (AND/OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES HE, SHE, OR IT SUSTAINS.

J. Waiver of Jury Trial

SUBJECT TO THE ARBITRATION OBLIGATIONS IN SECTION 21.F, WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS). WE AND YOU (AND YOUR OWNERS) ACKNOWLEDGE THAT WE AND YOU (AND THEY) MAKE THIS WAIVER KNOWINGLY, VOLUNTARILY, WITHOUT DURESS, AND ONLY AFTER CONSIDERING THIS WAIVER'S RAMIFICATIONS.

K. Binding Effect

This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns, and successors-in-interest. Subject to our right to modify the Operations Manual and Brand Standards, this Agreement may not be modified except by a written agreement signed by both you and us that is specifically identified as an amendment to this Agreement.

L. Limitations of Claims

EXCEPT FOR CLAIMS ARISING FROM YOUR NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS YOU OWE US AND EXCEPT FOR OUR (AND CERTAIN OF OUR RELATED PARTIES') RIGHT TO SEEK INDEMNIFICATION FROM YOU FOR THIRD-PARTY CLAIMS AS PROVIDED IN THIS AGREEMENT, ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP BETWEEN US AND YOU WILL BE BARRED UNLESS AN ARBITRATION OR JUDICIAL PROCEEDING, AS PERMITTED, IS COMMENCED IN THE APPROPRIATE FORUM WITHIN TWO (2) YEARS FROM THE DATE ON WHICH THE VIOLATION, ACT, OR CONDUCT GIVING RISE TO THE CLAIM OCCURS, REGARDLESS OF WHEN THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIM.

M. Construction

The preambles and exhibits are part of this Agreement, which, together with any riders or addenda signed at the same time as this Agreement and together with the Operations Manual and Brand Standards, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between us and you relating to this Agreement's subject matter. There are no other oral or written representations, warranties, understandings, or agreements between us and you relating to this Agreement's subject matter. Notwithstanding the foregoing, nothing in this Agreement disclaims or requires you to waive reliance on any representation we made in the most recent franchise disclosure document (including its exhibits and amendments) we delivered to you or your representative. Any policies we adopt and implement from time to time to guide our decision-making are subject to change, are not a part of this Agreement, and do not bind us. Except as provided in Sections 20.E and 22.F, nothing in this Agreement is intended or deemed to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

Headings of sections and paragraphs in this Agreement are for convenience only and do not define, limit, or construe the contents of those sections or paragraphs.

References in this Agreement to "we," "us," and "our," with respect to all of our rights and all your obligations to us under this Agreement, include any of our affiliates with whom you deal. "**Affiliate**" means any person or entity directly or indirectly owned or controlled by, under common control with, or owning or controlling you or us. "**Control**" means the power to direct or cause the direction of management and policies. If two or more persons are at any time the owners of your rights under this Agreement and/or the Store, whether as partners or joint venturers, their representations, warranties, obligations, and liabilities to us will be joint and several. "**Owner**" means any person holding a direct or indirect ownership interest (whether of record, beneficial, or otherwise) or voting rights in you (or your owner or a transferee of this Agreement and the Store or any interest in you), including any person who has a direct or indirect interest in you (or your owner or a transferee), this Agreement, or the Store or any other direct or indirect legal or equitable interest, or the power to vest in himself or herself any legal or equitable interest, in their revenue, profits, rights, or assets. References to a "**controlling ownership interest**" in you or one of your owners (if an Entity) mean the percent of voting shares or other voting rights resulting from dividing one hundred percent (100%) of the ownership interests by the number of owners. In the case of a proposed transfer of an ownership interest in you or one of your owners, whether a "controlling ownership interest" is involved must be determined both immediately before and immediately after the proposed transfer to see if a "controlling ownership interest" will be transferred (because of the number of owners before the proposed transfer) or will be deemed to have been transferred (because of the number of owners after the proposed transfer). "**Person**" means any natural person, corporation, limited liability company, general or limited partnership, unincorporated association, cooperative, or other legal or functional entity. Unless otherwise specified, all references to a number of days mean calendar days and not business days.

The term "**Store**" includes all assets of the Store you operate under this Agreement, including its revenue and income. "**Include**," "**including**," and words of similar import will be

interpreted to mean "including, but not limited to," and the terms following such words will be interpreted as examples, and not an exhaustive list, of the appropriate subject matter.

This Agreement will become valid and enforceable only upon its full execution by you and us, although we and you need not be signatories to the same original, facsimile, or electronically-transmitted counterpart of this Agreement. A faxed copy of an originally-signed signature page, a scanned copy of an originally-signed signature page that is sent as a .pdf by email, or a signature page bearing an electronically/digitally captured signature and transmitted electronically will be deemed an original.

N. The Exercise of Our Business Judgment

Because complete and detailed uniformity under many varying conditions might not be possible or practical, you acknowledge that we specifically reserve the right and privilege, as we deem best according to our business judgment, to vary Brand Standards or other aspects of the Franchise System for any franchisee. You have no right to require us to grant you a similar variation or accommodation.

We have the right to develop, operate, and change the Franchise System in any manner this Agreement does not specifically prohibit. Whenever this Agreement reserves our right to take or withhold an action, or to grant or decline to grant you the right to take or omit an action, we may, except as this Agreement specifically provides, make our decision or exercise our rights based on information then available to us and our judgment of what is best for us, Store franchisees generally, or the Franchise System when we make our decision, whether or not we could have made other reasonable or even arguably preferable alternative decisions and whether or not our decision promotes our financial or other individual interest.

23. Compliance with Anti-Terrorism Laws

You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your owners otherwise are not in violation of, any Anti-Terrorism Law. "**Anti-Terrorism Laws**" mean Executive Order 13224 issued by the President of the United States and all other present and future Laws, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you or your owners, or any blocking of your or your owners' assets under the Anti-Terrorism Laws, constitutes good cause for immediate termination of this Agreement, as provided in Section 18 above.

24. Notices and Payments

All acceptances, approvals, requests, notices, and reports required or permitted under this Agreement will not be effective unless in writing and delivered to the party entitled to receive them in accordance with this Section 23. All such acceptances, approvals, requests, notices, and reports will be deemed delivered at the time delivered by hand; or one (1) business day after deposit with a nationally-recognized commercial courier service for next business day delivery; or three (3) business days after placement in the United States Mail by Priority Mail or

Registered or Certified Mail, Return Receipt Requested, postage prepaid; and must be addressed to the party to be notified at its most current principal business address of which the notifying party has been notified and/or, with respect to any approvals and notices we send you or your owners, at the Store's address. Payments and certain information and reports you must send us under this Agreement will be deemed delivered on any of the applicable dates described above or, if earlier, when we actually receive them electronically (all payments, information, and reports must be received on or before their due dates in the form and manner specified in this Agreement). As of the Effective Date of this Agreement, notices should be addressed to the following addresses unless and until a different address has been designated by written notice to the other party:

25. Electronic Mail

You acknowledge and agree that exchanging information with us by e-mail is efficient and desirable for day-to-day communications and that we and you may utilize e-mail for such communications. You authorize e-mail transmission to you during the Term by us and our employees, vendors, and affiliates ("**Official Senders**"). You further agree that: (i) Official Senders are authorized to send e-mails to your Store Manager and other supervisory employees whom you occasionally authorize to communicate with us; (ii) you will cause your Store Manager, officers, directors, and supervisory employees to consent to Official Senders' transmission of e-mails to them; (iii) you will require such persons not to opt out of or otherwise ask to no longer receive e-mails from Official Senders while such persons work for or are associated with you; and (iv) you will not opt out of or otherwise ask to no longer receive e-mails from Official Senders during the Term. The consent given in this Section 25 will not apply to the

provision of formal notices by either party under this Agreement under Section 24 using e-mail unless the parties otherwise agree in a written document manually signed by both parties.

26. No Waiver or Disclaimer of Reliance in Certain States

No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only if your Retail Business is to be operated in, or you are a resident of, California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and/or Wisconsin:

> No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (1) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (2) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the Store.

FRANCHISE AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____________, 20__, by ________________________________.

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the "**Agreement**") on this date by **Vitamin Shoppe Franchising, LLC, a** Delaware limited liability company ("**Franchisor**"), each of the undersigned personally and unconditionally (a) guarantees to Franchisor and its successors and assigns, for the term of the Agreement (including, without limitation, any extensions of its term) and afterward as provided in the Agreement, that ______________________________ ("**Franchisee**") will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement (including, without limitation, any amendments or modifications of the Agreement) and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (including, without limitation, any amendments or modifications of the Agreement), including (i) monetary obligations, (ii) obligations to take or refrain from taking specific actions and to engage or refrain from engaging in specific activities, including, but not limited to, the non-competition, confidentiality, and transfer requirements, and (iii) the enforcement and other provisions in Sections 22, 23, and 24 of the Agreement, including the arbitration provision.

Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Franchisee or another person; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence Franchisor may from time to time grant to Franchisee or to another person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, any release of other guarantors), none of which will in any way modify or amend this Guaranty, which will continue and be irrevocable during the term of the Agreement (including, without limitation, any extensions of its term) and afterward for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners and for so long as Franchisor has any cause of action against Franchisee or any of its owners; (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement and despite the transfer of any interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers; and (6) any Franchisee indebtedness to the undersigned, for whatever reason, whether currently existing or hereafter arising, will at all times be inferior and subordinate to any indebtedness owed by Franchisee to Franchisor or its affiliates.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation which the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned will be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Franchisor; (ii) acceptance and notice of acceptance by Franchisor of his or her undertakings under this Guaranty, notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he or she may be entitled; and (iii) all rights to assert or plead any statute of limitations or other limitations period as to or relating to this Guaranty. The undersigned expressly acknowledges that the obligations under this Guaranty survive expiration or termination of the Agreement.

If Franchisor seeks to enforce this Guaranty in an arbitration, judicial, or other proceeding and prevails in that proceeding, Franchisor is entitled to recover its reasonable costs and expenses (including, but not limited to, attorneys' fees, arbitrators' fees, expert witness fees, costs of investigation and proof of facts, court costs, other arbitration or litigation expenses, and travel and living expenses) incurred in connection with the proceeding. If Franchisor is required to engage legal counsel in connection with the undersigned's failure to comply with this Guaranty, the undersigned must reimburse Franchisor for any of the above-listed costs and expenses Franchisor incurs, even if Franchisor does not commence a judicial or arbitration proceeding.

Subject to the arbitration obligations set forth in the Agreement and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be brought exclusively in the state or federal court of general jurisdiction in the state, and in (or closest to) the city, where Franchisor has its principal business address when the action is commenced, and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. Nonetheless, each of the undersigned agrees that Franchisor may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he or she is domiciled. FRANCHISOR AND THE UNDERSIGNED IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ANY OF THEM. EACH ACKNOWLEDGES THAT THEY MAKE THIS WAIVER KNOWINGLY, VOLUNTARILY, WITHOUT DURESS, AND ONLY AFTER CONSIDERATION OF THIS WAIVER'S RAMIFICATIONS.

EXHIBIT D
TO THE VITAMIN SHOPPE
FRANCHISE AGREEMENT

LEASE RIDER

LEASE PROVISIONS FOR VITAMIN SHOPPE FRANCHISES

The following provisions must be inserted into the lease for the Store you will operate under the "VITAMIN SHOPPE®" brand (the "**Lease**"). You may add this language via a rider or addendum to your Lease as long as the rider or addendum is signed by both the tenant and the landlord. Please send us a copy of the signed Lease and any riders or addenda.

REQUIRED LANGUAGE:

A. During the Term of the franchise agreement (the "**Franchise Agreement**") between Tenant and Vitamin Shoppe Franchising, LLC ("**Franchisor**"), Tenant will use the premises only to operate a The Vitamin Shoppe retail business (the "**Store**").

B. Landlord agrees that Franchisor or a Franchisee of The Vitamin Shoppe Franchise System selected by Franchisor, shall have the right to receive an assignment of this Lease upon transfer, termination or expiration of the Franchise Agreement between Franchisor and Tenant, d/b/a The Vitamin Shoppe Store. Upon such transfer, termination or expiration of said Franchise Agreement, Landlord shall promptly execute an acknowledgement of and consent to the assignment of the Lease.

C. Landlord will send to Franchisor copies of all default notices, and all notices of Landlord's intent to terminate the Lease (or any rights of Tenant under the Lease) or evict Tenant from the leased premises, simultaneously with sending such notices to Tenant. Such notice shall be delivered to Franchisor in writing by overnight delivery by FedEx or other nationally-recognized overnight courier. Landlord and Tenant hereby acknowledge and agree that Franchisor has the right, but is under no obligation, to cure any deficiency under the Lease, if Tenant should fail to do so, within (i) fifteen (15) days after Franchisor's receipt of such notice as to monetary defaults or (ii) thirty (30) days after Franchisor's receipt of such notice as to non-monetary defaults. Such copies must be sent to:

Vitamin Shoppe Franchising, LLC
300 Harmon Meadow Blvd.,
Secaucus, New Jersey 07094
Attn: General Counsel

D. **Consent to Collateral Assignment to Franchisor; Disclaimer**. Landlord acknowledges that Tenant intends to operate the Store in the Premises, and that Tenant's rights to operate the Store and to use the trade and service marks set forth on Exhibit "A" to this Rider are solely pursuant to a franchise agreement dated __________, 20__ (the

"Franchise Agreement") between Tenant and Vitamin Shoppe Franchising, LLC (the "Franchisor"). Tenant's operations at the Premises are independently owned and operated. Landlord acknowledges that Tenant alone is responsible for all obligations under the Lease unless and until Franchisor or another franchisee expressly, and in writing, assumes such obligations and takes actual possession of the Premises. Notwithstanding any provisions of this Lease to the contrary, Landlord hereby consents, without payment of a fee and without the need for further Landlord consent, to (i) the collateral assignment of Tenant's interest in this Lease to Franchisor to secure Tenant's obligations to Franchisor under the Franchise Agreement, and/or (ii) Franchisor's (or any entity owned or controlled by, or under common control or ownership with, Franchisor) succeeding to Tenant's interest in the Lease by mutual agreement of Franchisor and Tenant, or as a result of Franchisor's exercise of rights or remedies under such collateral assignment or as a result of Franchisor's termination of, or exercise of rights or remedies granted in or under, any other agreement between Franchisor and Tenant, and/or (iii) Tenant's, Franchisor's and/or any other franchisee of Franchisor's assignment of the Lease to another franchisee of Franchisor with whom Franchisor has executed its then-standard franchise agreement. Landlord, Tenant and Franchisor agree and acknowledge that simultaneously with such assignment pursuant to the immediately preceding sentence, Franchisor shall be released from all liability under the Lease or otherwise accruing after the date of such assignment (in the event Franchisor is acting as the assignor under such assignment), but neither Tenant nor any other franchisee shall be afforded such release in the event Tenant/such franchisee is the assignor unless otherwise agreed by Landlord. Landlord further agrees that all unexercised renewal or extension rights and other rights stated to be personal to Tenant shall not be terminated in the event of any assignment referenced herein, but shall inure to the benefit of the applicable assignee.

E. Franchisor or its affiliates may enter the premises to make any modifications or alterations necessary to protect the Franchise System and the Marks or to cure any default under the Franchise Agreement or Lease at any time and without prior notice to Landlord.

F. Notwithstanding anything contained in the Lease to the contrary or in conflict, it will be a condition of the Lease being subordinated to any mortgage, deed of trust, deed to secure debt, or similar encumbrance on the Premises that the holder of such encumbrance agree not to disturb Tenant's rights under this Lease or Tenant's possession of the Premises, so long as Tenant is not in default of its obligations hereunder beyond an applicable grace or cure period provided herein (as may be extended from time to time pursuant to Section C above).

G. Landlord acknowledges that the value of The Vitamin Shoppe® brand is derived from the ability to provide uniform products and services and the uniform appearance of its brand, signs, store concept and leasehold improvements. As a result, Landlord shall, without charge, permit Tenant to comply with standard changes and updates by Franchisor to its brand, signs, store concept and leasehold improvements; provided that such changes and updates are not in violation of the

terms of the Lease. In the event that Landlord approval for such changes and updates is required under the Lease, such approval shall not be unreasonably withheld.

H. Franchisor shall have the right, but not the obligation, to enter the Premises to take any action necessary, without damage to the Premises, to protect the Franchisor brand and its trademarks within thirty (30) days after Franchisor receives a notice of termination or expiration of the Lease from Landlord, including, but not limited to, the right to remove, alter or repaint any signage or proprietary items identifying Franchisor. Any material alterations, design or color changes shall require prior Landlord approval, which approval shall not be unreasonably withheld.

I. Franchisor is an intended third-party beneficiary under the provisions set forth above with independent rights to enforce them, and neither Landlord nor Tenant may alter or limit any of those provisions without Franchisor's prior written approval.

J. Landlord agrees to provide Franchisor with a copy of the fully-executed Lease within ten (10) days of its full execution by Landlord and Tenant to the address shown in paragraph C above.

This Addendum amends the Lease between the parties described hereinabove; and except as provided herein, all other terms of said Lease shall remain unchanged.

EXHIBIT E
TO THE VITAMIN SHOPPE
FRANCHISE AGREEMENT

SAMPLE FORM OF CONFIDENTIALITY AGREEMENT

In consideration of my employment or contract with and/or interest in ________________ (the "**Franchisee**") and the salary, honorariums, wages, and/or fees paid to me, I acknowledge that **Vitamin Shoppe Franchising, LLC** having its principal place of business at 300 Harmon Meadow Blvd., Secaucus, New Jersey 07094 ("**Franchisor**"), has imposed the following conditions on the Franchisee, any owner of the Franchisee, and the Franchisee's officers, directors, and senior personnel. As a condition of performing services for or having an interest in Franchisee, I agree to accept the following conditions without limitation:

1. Without obtaining Franchisor's prior written consent (which consent Franchisor may withhold in its sole discretion), I will (i) not disclose, publish, or divulge to any other person, firm, or corporation, through any means, any of Franchisor's Confidential Information either during or after my employment by or association with Franchisee, (ii) not use the Confidential Information for any purposes other than as related to my employment or association with Franchisee, and (iii) not make copies or translations of any documents, data, or compilations containing any or all of the Confidential Information, commingle any portion of the documents, data, or compilations, or otherwise use the documents, data, or compilations containing Confidential Information for my own purpose or benefit. I also agree to surrender any material containing any of Franchisor's Confidential Information upon request or upon termination of my employment or association with Franchisee. I understand that the Operations Manual is provided by Franchisor to Franchisee for a limited purpose, remains Franchisor's property, and may not be reproduced, in whole or in part, without Franchisor's prior written consent.

For purposes of this Agreement, "**Confidential Information**" means certain information, processes, methods, techniques, procedures, and knowledge, including know-how (which includes information that is secret and substantial), manuals, and trade secrets (whether or not judicially recognized as a trade secret), developed or to be developed by Franchisor relating directly or indirectly to the development or operation of the Store. With respect to the definition of know-how, "**secret**" means that the know-how as a body or in its precise configuration is not generally known or easily accessible, and "**substantial**" means information that is important and useful to Franchisee in developing and operating Franchisee's Store. Without limiting the foregoing, Confidential Information includes, but is not limited to:

i. information in the Operations Manual and Brand Standards;

i. layouts, designs, and other plans, planograms and specifications for the Stores;

ii. methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, and knowledge and experience used in developing and operating the Stores;

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (this **"Agreement"**) is made and entered into as of the date set forth on Appendix A of this Agreement (the **"Effective Date"**) (Appendix A and all appendices and schedules attached to this Agreement are hereby incorporated by this reference) between Vitamin Shoppe Franchising, LLC, a Delaware limited liability company having its principal place of business at 300 Harmon Meadow Blvd., Secaucus, New Jersey 07094 (**"Franchisor"**), and the person or entity identified on Appendix A as the franchisee (**"Franchisee"**) with its principal place of business as set forth on Appendix A. In this Agreement, **"we," "us,"** and **"our"** refers to Franchisor. **"You"** and **"your"** refers to Franchisee.

RECITALS

A. We and you have entered into a certain Franchise Agreement dated the same date as this Agreement (the **"Initial Franchise Agreement"**), in which we have granted you the right to establish and operate one The Vitamin Shoppe Store (a **"Store"**).

B. We desire to grant to you the exclusive right to establish and operate a specified number of Stores within a specified geographical area in accordance with a development schedule.

C. You desire to establish and operate additional Stores upon the terms and conditions contained in our then-current standard franchise agreements (a "Franchise Agreement).

NOW, THEREFORE, for and in consideration of the foregoing premises and the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Grant of Development Rights and Development Area.

Subject to the terms and conditions of this Agreement, we grant to you the right, and you undertake the obligation, to establish and operate in the area designated on Appendix A to this Agreement (the **"Development Area"**) the number of Stores specified in the development schedule in Appendix A (the **"Schedule"**). This Agreement does not grant you any right to use the Marks (as defined in your Initial Franchise Agreement) or the Franchise System (as defined in your Initial Franchise Agreement). Rights to use the Marks and the Franchise System are granted only by the Franchise Agreements.

2. Fees.

Upon execution of this Agreement, you must pay us a development fee, which shall be specified on Appendix A (the "**Development Fee**"), based on the initial franchise fee you must pay for each Store that you agree to develop (the **"Franchise Fee,"** which is specified on Appendix A). The Development Fee shall be equal to 100% of the Franchise Fee due for each Store that you agree to develop under this Agreement. The Development Fee is fully earned by us when we and you sign this Agreement and is non-refundable, even if you do not comply with the Schedule and do not open or enter into Franchise Agreements for additional Stores.

3. Development Schedule.

3.1 Deadlines. You must enter into Franchise Agreements and open and operate Stores in accordance with the deadlines set forth in the Schedule. By each **"Fee Deadline"** specified in the Schedule, you must have fully paid the Franchise Fee (as defined in this Agreement rather than the then-current Franchise Agreement) and delivered a signed copy of our then-current standard form of Franchise Agreement for the number of Stores specified on the Schedule. By each **"Opening Deadline"** specified in the Schedule, you must have the specified number of Stores open and operating. You must locate the Stores only at sites that we have accepted in accordance with the terms of the applicable Franchise Agreement.

3.2 Damaged Stores. If a Store is destroyed or damaged by any cause beyond your control such that it may no longer continue to be open for the operation of business, you must immediately give us notice of such destruction or damage (**"Destruction Event"**). You must diligently work to repair and restore the Store to our approved plans and specifications as soon as possible at the same location or at a substitute site accepted by us within the Development Area. If a Store is closed due to a Destruction Event, the Store will continue to be deemed a "Store in operation" for the purpose of this Agreement for up to 180 days after the Destruction Event occurs. If a Store (i) is closed in a manner other than those described in this Section 3.2 or as otherwise agreed by us in writing or (ii) fails to reopen within 180 days after a Destruction Event, then we may exercise our rights under Section 6.2 (Our Remedies).

3.3 Extension of Development Schedule. You may request an extension of any Opening Deadline upon written notice to us, provided the written notice, setting for the additional time requested and the reasons for the extension are delivered to us no less than 90 days before any Opening Deadline **("Extension Request**"). We have the right, in sole discretion, to grant or deny any Extension Request. If we grant the Extension Request, you shall be required to immediately pay us an extension fee equal to the number of months (up to 12 months) for which the Extension Request is granted multiplied by One Thousand Five Hundred Dollars ($1,500) for each of the first 6 months of the Extension Request and Two Thousand Five Hundred Dollars ($2,500) for the 7th through 12th month, if applicable ("**Extension Fee**"). No Opening Deadline may be extended beyond 12 months. In addition, if we determine you are not using your best efforts to meet the new Opening Deadline, we can terminate our grant of the Extension Request at any time upon written notice to you and you will not be entitled to a refund of any portion of the Extension Fee. Accordingly, your failure to meet the Opening Deadline shall constitute an Event of Default under Section 6.1(b).

4. Development Area.

4.1 Development Area. Except as provided in this Section 4, while this Agreement is in effect, provided that (i) you sign the minimum number of Franchise Agreements and pay the related Franchise Fees in accordance with the Schedule and you have open and operating in the Development Area at any given time at least as many Stores as are required pursuant to the Schedule and (ii) you and your affiliates are in full compliance with this Agreement and any other agreements between you and your affiliates and us and our affiliates, we will not operate, or license any person other than you to operate, a Store under the Marks (as defined in your Initial Franchise Agreement) and the Franchise System (as defined in your Initial Franchise Agreement) within the Development Area. Your rights in the previous sentence related to the Development Area will not apply to Stores (and their related territories) currently operating, approved for development or under development in the Development Area on the Effective Date.

4.2 No Other Restriction On Us. Except as expressly provided in Section 4.1 or any other agreement between the parties, we and our affiliates retain the right, in our sole discretion, to conduct any business activities, under any name, in any geographic area, and at any location, regardless of the proximity to or effect on your Stores. For example, we and our affiliates have the right:

(a) to own and operate, and to allow other franchisees and licensees to own and operate, the Stores at any locations outside the Development Area (including at the boundary of the Development Area) and on any terms and conditions we and they deem appropriate);

(b) to offer and sell, and to allow others to offer and sell, inside and outside the Development Area, and on any terms and conditions we and they deem appropriate, services and products that are identical or similar to and/or competitive with those offered and sold by the Stores, including all Private Label Products, whether identified by the Marks or other trademarks or service marks, through any distribution channels (including the Internet, all omni channels and store within a store concepts and pop-up shops) but not through the Stores that have their physical locations inside the Development Area;

(c) to establish and operate, and to allow others to establish and operate, anywhere (including inside or outside the Development Area) businesses offering similar services and products under trademarks and service marks other than the Marks;

(d) to acquire the assets or ownership interests of one or more businesses offering and selling services and products similar to those offered and sold at the Stores (even if such a business operates, franchises, or licenses Competitive Businesses (defined below)), and operate, franchise, license, or create similar arrangements for those businesses once acquired, wherever those businesses (or the franchisees or licensees of those businesses) are located or operating, including within the Development Area;

(e) to be acquired (whether through acquisition of assets, ownership interests, or otherwise, regardless of the transaction form) by a business offering and selling services and products similar to those offered and sold at the Stores, or by another business, even if such a business operates, franchises, or licenses Competitive Businesses inside or outside the Development Area; and

(f) to engage in all other activities this Agreement does not expressly prohibit.

"**Competitive Business**" means any (a) business that provides vitamins, sports nutrition, supplements and other health and wellness products to customers as their primary business, or (b) business granting franchises or licenses to others to operate the type of business described in clause (a), other than the Store operated under a franchise agreement with us.

4.3 Conversion Stores. If we acquire any store operating under different trademarks that sells or leases the same, similar or different products and services as those offered and sold by Stores (each a "**Non-System Store**") within the Development Area and we desire to convert such Non-System Store to a Store operating under the Marks, we shall deliver to you a written notice of such intent to convert (each, a "**Conversion Notice**"). We will not offer you,

and you will have no rights to, the option under this Section 4.3 if the Non-System Store is in the Development Area but in the territory of another Store that is not owned by you. Provided that you are in compliance with all of the provisions of this Agreement and no default, or event which with the giving of notice or passage of time or both, would become a default, exists under this Agreement or any other agreement between you and us, you shall have the option, exercisable within 30 days after receipt of such Conversion Notice, to purchase the Non-System Store and convert it to a Store operating under the Marks by notifying us in writing. If you elect to purchase and convert the Non-System Store, you must consummate such purchase and execute our then-current franchise agreement and pay our then-current initial franchise fee (or, at our option, execute an amendment to this Agreement and pay our then-current initial franchise fee) within 30 days from the date of your notice to us of your election to purchase and convert.

(a) If we purchased the Non-System Store during the 180 days prior to our delivery of the Conversion Notice to you, the purchase price to be paid by you shall be the cash equivalent of the consideration paid by us for the Non-System Store (or, if we purchased the Non-System Store in a transaction which was for more than one Non-System Store, the cash equivalent of our proportionate per-store cost, as determined by us in our sole discretion). In addition to the purchase price payable under this Section 4.3, you shall reimburse us for the costs and expenses we incurred in connection with our acquisition of the Non-System Store (pro-rated if the Non-System Store was acquired as part of a multiple store purchase by us). You acknowledge that the value of the Non-System Store may diminish during the 180 day period after our acquisition of the Non-System Store.

(b) If we did not purchase the Non-System Store during the 180 days prior to our delivery of the Conversion Notice, the purchase price, which shall be paid in cash, will be the fair market value of the Non-System Store. If we and you cannot agree on fair market value within a reasonable time, such fair market value shall be determined by two independent appraisers, one of whom shall be chosen by us and the other of whom shall be chosen by you. If such appraisers cannot agree on such fair market value, they shall jointly choose a third independent appraiser, whose decision shall be final and binding. Each party shall bear the cost for its chosen appraiser, and the cost for a third appraiser, if any, shall be shared equally between you and us. If you do not elect to purchase and convert the Non-System Store, we may convert the Non-System Store to a Store operating under the Marks without incurring any liability to you.

5. Term.

This Agreement begins on the Effective Date and expires at midnight on the last Opening Deadline date listed on the Schedule (the "**Term**"), unless this Agreement is terminated sooner as provided in other sections of this Agreement.

6. Termination.

6.1 Events of Default. Any one or more of the following constitutes an **"Event of Default"** under this Agreement:

(a) You fail to pay any Franchise Fee or execute any Franchise Agreement by any Fee Deadline specified in the Schedule;

(b) You fail to have open and operating the minimum number of Stores specified in the Schedule by any Opening Deadline specified in the Schedule;

(c) An event occurs which gives us the right under any Franchise Agreement to terminate such Franchise Agreement (regardless of whether we exercise such right); or

(d) You breach or otherwise fail to comply fully with any other provision contained in this Agreement, including Section 8 (Franchisee's Covenant Not to Compete).

6.2 **Our Remedies**. If any Event of Default occurs under Section 6.1, we may, at our sole election, (i) declare this Agreement and any and all other rights granted to you under this Agreement to be immediately terminated and of no further force or effect, (ii) extend any deadlines for a single Store or multiple Stores for any period that we determine and charge you an extension fee that we specify for such extension, or (iii) reduce the size of the Development Area to a lesser area that we determine. Upon termination of this Agreement for any other reason whatsoever, we will retain the Development Fee and you will not be relieved of any of your obligations, debts, or liabilities hereunder, including without limitation any debts, obligations, or liabilities which have accrued prior to such termination. Your failure to open and thereafter operate Stores in accordance with the Schedule will not, in itself, constitute cause for us to terminate any previously executed Franchise Agreement.

7. **Assignment**.

This Agreement and the rights granted to you under this Agreement are personal to you and neither this Agreement, nor any of the rights granted to you hereunder nor any controlling equity interest in you may be voluntarily or involuntarily, directly or indirectly, by operation of law or otherwise, assigned or otherwise transferred, given away, or encumbered by you without our prior written approval, which we may grant or withhold for any or no reason. If you are a corporation, limited liability company, partnership, or other entity, all of your owners of a legal and/or beneficial interest in such entity (the **"Owners"**) are listed on Appendix A of this Agreement. If you or your Owners intend to transfer any interest in you or this Agreement, we shall have a right of first refusal in accordance with the procedure set forth in Section 13(j) (Right of First Refusal) of the Initial Franchise Agreement. We may assign this Agreement or any ownership interests in us without restriction.

8. **Franchisee's Covenant Not to Compete**.

8.1 **In-Term Covenants**. You acknowledge that you will receive valuable, specialized training and confidential information regarding the manufacturing, operational, sales, promotional, and marketing methods of the Store concept. During the Term, you, your Owners, and your Owners' spouses will not, without our prior written consent, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any other person or entity:

(a) own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business other than one authorized by any other agreement between us and you;

(b) perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the Franchise System; or

(c) directly or indirectly, appropriate, use or duplicate the Franchise System or any portion thereof, in any business in which you may have any interest of any kind (whether directly or indirectly) or in which you are otherwise employed, except Stores.

8.2 **Post-Term Covenants**. For one year after the expiration or termination of this Agreement or an approved transfer to a new franchisee (or the date on which all persons restricted by this Section 8.2 begin to comply with this Section), you and your Owners may not, without our prior written consent, directly or indirectly (e.g., through a spouse or other family member) own, manage, engage in, be employed in a managerial position by, advise, make loans to, or have any other interest in any Competitive Business that is (or is intended to be) located within the Development Area, a 10-mile radius of the Development Area, or a 25-mile radius of any other Store that is operating or under construction at the time of such expiration, termination, or transfer. With respect to the Owners, the time period in this Section 12.2 will run from the expiration, termination, or transfer of this Agreement or from the termination of the Owner's relationship with you, whichever occurs first.

8.3 **Publicly Traded Corporations**. Ownership of less than 5% of the outstanding voting stock of any class of stock of a publicly traded corporation will not, by itself, violate this Section 8.

8.4 **Covenants of Others**. The Owners personally bind themselves to this Section 8 by signing the Guarantee that is attached as Appendix B to this Agreement.

8.5 **Enforcement of Covenants**. You acknowledge and agree that (i) the time, territory and scope of the covenants provided in this Section 8 are reasonable and necessary for the protection of our legitimate business interests; (ii) you have received sufficient and valid consideration in exchange for those covenants; (iii) enforcement of the same would not impose undue hardship; and (iv) the period of protection provided by these covenants will not be reduced by any period of time during which you are in violation of the provisions of those covenants or any period of time required for enforcement of those covenants. To the extent that this Section 8 is judicially determined to be unenforceable by virtue of its scope or in terms of area or length of time, but may be made enforceable by reductions of any or all thereof, the same will be enforced to the fullest extent permissible. You agree that the existence of any claim you may have against us, whether or not arising from this Agreement, will not constitute a defense to our enforcement of the covenants contained in this Section 8. You acknowledge that any breach or threatened breach of this Section 8 will cause us irreparable injury for which no adequate remedy at law is available, and you consent to the issuance of an injunction prohibiting any conduct violating the terms of this Section 8. Such injunctive relief will be in addition to any other remedies that we may have.

9. Incorporation of Other Terms.

Section 10 (Confidential Information), Section 21 (Relationship of the Parties; Indemnification), and Section 22 (Enforcement) of the Initial Franchise Agreement are incorporated by reference in this Agreement and will govern all aspects of our relationship and the construction of this Agreement as if fully restated within the text of this Agreement.

10. Miscellaneous.

Capitalized terms used and not otherwise defined in this Agreement shall have the meanings set forth in the Initial Franchise Agreement. This Agreement, together with the Initial Franchise Agreement, supersedes all prior agreements and understandings, whether oral and written, among the parties relating to its subject matter, and there are no oral or other written understandings, representations, or agreements among the parties relating to the subject matter of this Agreement. This Agreement may be signed in multiple counterparts, but all such counterparts together shall be considered one and the same instrument. The parties may provide additional terms by including the terms on Appendix A. To the extent that any provisions of Appendix A are in direct conflict with the provisions of this Agreement, the provisions of Appendix A shall control. The provisions of this Agreement may be amended or modified only by written agreement signed by the party to be bound.

No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only if your Retail Business is to be operated in, or you are a resident of, California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and/or Wisconsin:

> No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (1) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (2) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the Retail Business.

APPENDIX B
TO THE
DEVELOPMENT AGREEMENT

PAYMENT AND PERFORMANCE GUARANTEE

In order to induce Vitamin Shoppe Franchising, LLC (**"Franchisor"**) to enter into a Development Agreement (the **"Development Agreement"**) by and between Franchisor and the Franchisee named in the Development Agreement dated ____________to which this Payment and Performance Guarantee (the **"Guarantee"**) is attached (**"Franchisee"**), the undersigned (collectively referred to as the **"Guarantors"** and individually referred to as a **"Guarantor"**) hereby covenant and agree as follows:

1. Guarantee of Payment and Performance. The Guarantors jointly and severally unconditionally guarantee to Franchisor and its affiliates the payment and performance when due, whether by acceleration or otherwise, of all obligations, indebtedness, and liabilities of Franchisee to Franchisor, direct or indirect, absolute or contingent, of every kind and nature, whether now existing or incurred from time to time hereafter, whether incurred pursuant to the Development Agreement or otherwise, together with any extension, renewal, or modification thereof in whole or in part (the **"Guaranteed Liabilities"**). The Guarantors agree that if any of the Guaranteed Liabilities are not so paid or performed by Franchisee when due, the Guarantors will immediately do so. The Guarantors further agree to pay all expenses (including reasonable attorneys' fees) paid or incurred in endeavoring to enforce this Guarantee or the payment of any Guaranteed Liabilities. The Guarantors represent and agree that they have each reviewed a copy of the Development Agreement and have had the opportunity to consult with counsel to understand the meaning and import of the Development Agreement and this Guarantee.

2. Waivers by Guarantors. The Guarantors waive presentment, demand, notice of dishonor, protest, and all other notices whatsoever, including without limitation notices of acceptance hereof, of the existence or creation of any Guaranteed Liabilities, of the amounts and terms thereof, of all defaults, disputes, or controversies between Franchisor and Franchisee and of the settlement, compromise, or adjustment thereof. This Guarantee is primary and not secondary and will be enforceable without Franchisor having to proceed first against Franchisee or against any or all of the Guarantors or against any other security for the Guaranteed Liabilities. This Guarantee will be effective regardless of the insolvency of Franchisee by operation of law, any reorganization, merger, or consolidation of Franchisee, or any change in the ownership of Franchisee.

3. Term: No Waiver. This Guarantee will be irrevocable, absolute, and unconditional and will remain in full force and effect as to each of the Guarantors until such time as all Guaranteed Liabilities of Franchisee to Franchisor and its affiliates have been paid and satisfied in full. No delay or failure on the part of Franchisor in the exercise of any right or remedy will operate as a waiver thereof, and no single or partial exercise by Franchisor of any right or remedy will preclude other further exercise of such right or any other right or remedy.

4. Other Covenants. Each of the Guarantors agrees to comply with the provisions of Section 8 of the Development Agreement as though each such Guarantor were the "Franchisee" named in the Development Agreement and agrees that he or she will take any and all actions as may be necessary or appropriate to cause Franchisee to comply with the Development Agreement and will not take any action that would cause Franchisee to be in breach of the Development Agreement.

5. Dispute Resolution. Section 16 (Dispute Resolution and Governing Law) of the Initial Franchise Agreement (as defined in the Development Agreement) is hereby incorporated herein by reference and will be applicable to any disputes between Franchisor and any of the Guarantors, as though Guarantor were the "Franchisee" referred to in the Development Agreement.

6. Miscellaneous. This Agreement will be binding upon the Guarantors and their respective heirs, executors, successors, and assigns, and will inure to the benefit of Franchisor and its successors and assigns.

3. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under the California law.

4. You must sign a general release if you transfer your franchise. This provision may be unenforceable under California law. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

5. The Franchise Agreement requires binding arbitration. The arbitration will occur where our principal business address is located (currently Secaucus, New Jersey) with the costs being borne equally by you and us. You are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

6. The Franchise Agreement requires application of the laws of Delaware. This provision may not be enforceable under California law.

7. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

Vitamin Shoppe Franchising, LLC
Addendum to Development Agreement
(Maryland)

The following Addendum modifies and supersedes Vitamin Shoppe Franchising, LLC Development Agreement (the "**Agreement**") with respect to The Vitamin Shoppe franchises offered or sold to either a resident of the State of Maryland or a non-resident who will be operating a The Vitamin Shoppe franchise in the State of Maryland pursuant to the Maryland Franchise Registration and Disclosure Law, Md. Code Bus. Reg. §§ 14-201 through 14-233, as follows:

1. Pursuant to COMAR 02.02.08 16L, the general release required as a condition of sale will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

2. You may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

3. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of the franchise.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. This Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

6. Each provision of this Addendum will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law are met independently without reference to this Addendum.

7. To the extent this Addendum is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Addendum shall govern.
