## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. The franchise agreement requires that all disagreements be resolved by binding arbitration and not in a court of law. This means that you agree you are not eligible for trial by jury in a court of law and you further waive the right to proceed as a class action. The arbitration will occur in the area in which franchised business conducts its business with the costs being shared equally by franchised business and Coverall.
2. The franchise agreement requires that all claims and actions arising out of or relating to the agreement shall be commenced within two (2) years from the occurrence of such claim or action.
3. If you lose a customer for any reason, Coverall may not be obligated to replace it.
4. Coverall's standard service agreement provides that its customers may issue a thirty (30) day written notice of cancelation if items of non-performance are not corrected within a ten (10) day cure period. You will be notified of any changes to Coverall's standard terms at the time you are offered a customer.
5. Coverall will try to offer you customers in your preferred area, however, you will not receive an exclusive territory or exclusive territory rights. Coverall may offer you customers anywhere within the area in which the Coverall support center through which you have purchased your franchise conducts business. Franchised business may face competition within its territory from other Coverall franchises.
6. If your franchise agreement is terminated for abandonment, then you will owe Coverall the total amount of all outstanding obligations as of the date of abandonment.
7. Once Coverall's obligation to offer you initial business has been fulfilled, Coverall has no obligation to offer you additional business, even if you are willing to pay for additional business.
8. During the term of the franchise agreement, franchised businesses may not provide commercial janitorial services under a different brand name and must pay royalty and support fees to Coverall for all customers, even customers franchised business independently obtains.
9. Coverall performs billing and collection for all services that you provide to your customers, whether you obtain the customer or Coverall sells that customer to you.
10. If the customer accounts you service do not pay, you suffer the loss of non-payment. If Coverall takes action to collect payments, Coverall does so solely at your expense.
11. Franchised business must be a corporation or limited liability company, obtain a federal employer identification number, and obtain a business license, if applicable, prior to signing the franchise agreement.

12. The number and percentage of franchises terminated or which otherwise ceased operations in fiscal year 2022 was 1,047 or 17.7% for Coverall. See item 20 of this disclosure document.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

## MICHIGAN FRANCHISE INVESTMENT LAW:

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
  - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
  - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
  - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and which show a net worth of less than \$100,000.00 shall, at the request of a franchisee arrange for the escrow of initial investment and other funds paid by the franchisee or subfranchisor until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

FRANCHISE DISCLOSURE DOCUMENT**

**ITEM 1 - THE FRANCHISOR, AND ANY PARENT, PREDECESSORS AND AFFILIATES**

To simplify the language in this Franchise Disclosure Document, "we" and "our" means Coverall North America, Inc. ("Coverall"), the franchisor. "You" and "your" means the corporation or the limited liability company that is awarded a Coverall franchise. We only award Coverall franchises to corporations or limited liability companies (as awarded, "Franchised Businesses") and we do not award Coverall franchises to individuals or sole proprietorships. You must keep separate accounting, banking, and financial records for the Franchised Business. Prior to signing the Franchise Agreement, the Franchised Business must obtain a Federal Employer Identification Number a business license, if applicable.

We were incorporated in the State of Delaware on February 26, 1985, and we have no predecessor. CNA Holding Corporation ("Holding"), a Delaware corporation incorporated on February 4, 2005, owns 100% of the stock of Coverall and is our direct parent company.

On July 1, 2021, Wellspring Capital Management LLC ("Wellspring") purchased Holding and its subsidiaries, including Coverall. Wellspring's subsidiaries have never offered franchises for Coverall and, except as described below, have never offered franchises in any other line of business. Caring Brands International ("CBI") is a subsidiary of Wellspring, and therefore an affiliate of Coverall, that offers franchises. The principal business address of CBI is 1551 Sawgrass Corp. Pkwy, Ste.230 Sunrise, FL 33323. CBI owns and operates the following franchise brands:

Except as set forth above, we have not conducted businesses of any kind, nor have we offered a franchise in any other line of business.

### **The Business Opportunity We Offer**

Historically, we have offered three types of franchises in the commercial janitorial cleaning industry: Commercial Cleaning Franchises, Service Franchises (also called "Master Franchises"), and Territory Franchises. We presently offer and award only Commercial Cleaning Franchises and are not offering or awarding new Service or Territory Franchises. This Franchise Disclosure Document is for use in offering and awarding only Commercial Cleaning Franchises. However, this Franchise Disclosure Document includes in this Item 1 and in Item 20 certain information concerning Service Franchises and Territory Franchises, neither of which will be offered or operated in the areas where Commercial Cleaning Franchises are awarded.

Commercial Cleaning Franchises are independent franchised businesses licensed by us to use Coverall® tradenames, trademarks, and the proprietary Coverall Program. Typical commercial janitorial services which Franchised Businesses will likely provide, regardless of the size of the franchise package Franchised Business purchases include, but are not limited to: floor care, trash and waste removal, sanitizing surfaces and equipment, dusting, restroom cleaning, vacuuming, and light maintenance. Special services are one-time or periodic cleaning contracts which include, but are not limited to: day porter services, special event cleanup, blind cleaning, light bulb changing, deep cleaning, upholstery cleaning, machine scrub and rinse, strip and finish, scrub and recoat, windows, carpet extraction, carpet encapsulation and electrostatic disinfection. Competitors include other commercial janitorial and building cleaning services, such as small independent operators, other commercial cleaning franchises, and large commercial cleaning businesses. We distinguish ourselves from our competitors with our Coverall® Program.

Territory Franchises are similar to Commercial Cleaning Franchises, except that we have provided these Franchises with an exclusive territory, and we do not offer them customers to service as part of the purchase of their franchises. As of the date of this Franchise Disclosure Document, we only have one Territory Franchises in McAllen, Texas. We no longer offer new Territory Franchises.

Service Franchises are independent businesses licensed by us to use the Coverall® tradenames, trademarks, System, and business model to offer, sell, and service commercial cleaning franchises under agreements between those Service Franchises and their own franchisees. Service Franchises were sold only in metropolitan or other designated territories and in foreign countries, and Service Franchises are permitted to offer, sell, and service their own franchises only in the territories where the Service Franchises are located. We no longer offer new Service Franchises.

We license all of our Franchised Businesses to use the Coverall® Program to conduct and promote their independent businesses.

As an incentive to contribute to the growth of the Coverall® Program, we offer eligible Franchised Businesses a \$500 referral fee for each prospective Franchised Business they introduce to Coverall. To be eligible to receive the referral fee: (i) the referring Franchised Business must be in good standing with us - - that means, the referring Franchised Business must not be in default of its obligations under the Franchise Agreement; (ii) the referral must be documented in writing (for example, the referring Franchised Business introduces us to the prospective Franchised Business via email); (iii) the prospective Franchised Business executes our then-current Franchise Agreement and pays the associated Initial Franchise Fee within 6 months of the date of the referral; and (iv) the referring Franchised Business is a current Franchised Business at the time the referral fee is payable. Within 60 days following the execution of the Franchise Agreement and our receipt of the Initial Franchise Fee, we will pay a one-time \$500 fee to the referring Franchised Business; provided that all of the foregoing conditions have been satisfied. We may, in our sole discretion, modify or discontinue this referral program at any time.

## **Applicable Regulations**

You must comply with federal, state, and local regulations concerning the delivery of commercial cleaning and related special services by your business. We are not aware of any special laws covering the commercial janitorial business, but every municipal body or state may have local laws governing the right to do business in their locale. Certain services that your franchised business will provide are governed by state and local licensing laws. For example, the state in which you will operate your Coverall franchise may require you to obtain a general contractor's license. You must obtain all such licenses before opening your business and performing such services, and you agree to maintain all such licenses at all times during the term and any renewal term of the Franchise Agreement. You should investigate the application of these laws further.

### **Coverall:**

### **Pending.**

Caribe Billie and Quincy Reeves vs. Coverall North America, Inc. (United States District Court, District of Connecticut, Case No. 3:19-cv-00092-JCH) filed January 17, 2019. Plaintiffs, current franchisees of R & B Services, Inc. d/b/a Coverall of Connecticut & Westchester ("RB"), Coverall's Master Franchisee, filed this putative class action claiming that Coverall violated various sections of the Connecticut Minimum Wage Act. Plaintiffs seek: withheld wages under the Connecticut Minimum Wage Act; penalty damages, attorney's fees, refunding of all franchise fees and additional fees paid by class members, common law punitive damages, interest, costs, and injunctive and declaratory relief, and other, if applicable, relief in law or in equity as may be available. On February 15, 2019, Coverall filed a Motion on Consent for Extension of Time to Answer or Otherwise Respond to the Complaint. On February 19, 2019, an Order was entered Granting Coverall's Motion on Consent for Extension of Time to Answer or Otherwise Respond to the Complaint. On March 20, 2019, Coverall filed a Motion to Dismiss for lack of personal jurisdiction over Coverall, or, in the Alternative, to Compel Arbitration, or in the Alternative, to Dismiss for Plaintiff's failure to state a claim. On March 12, 2020, the Court denied Coverall's motion to dismiss and granted Coverall's motion to compel arbitration. On June 18, 2020 Reeves filed a Demand for Arbitration, Quincy Reeves ("Reeves") vs. Coverall North America, Inc. (American Arbitration Association, Case No. 01-20-0007-2506). Billie also filed a Demand for Arbitration, Caribe Billie ("Billie") vs. Coverall North America, Inc. (American Arbitration Association, Case No. 01-20-0007-2501), and Coverall and Billie arbitrated Billie's claims during 2021. On February 1, 2022, the Billie arbitrator issued an interim decision in favor of Billie and directed the parties to work to resolve damages issues. In March of 2022, the parties stipulated to damages of \$56,164. The arbitrator issued an award in that amount, which Coverall paid in July 2022. Billie then brought a motion with the district court seeking to confirm the already-paid award and make that award public. Coverall opposed the motion, which remains pending. On March 9, 2021, Reeves joined with Veronica Flores, another franchisee of RB (Veronica Flores vs. Coverall North America, Inc., American Arbitration Association, Case No. 01-20-0015-7022 closed for failure to meet filing requirements) to file a Motion to Lift Stay with the Court on the basis that the arbitration provision should be declared void because they could not afford to pursue arbitration. Coverall opposed the motion, but in March 2022, the district court judge issued a ruling partially in plaintiffs' favor, allowing Reeves (but not Flores) to proceed in district court on the basis that she was indigent and unable to arbitrate his claims. Coverall has appealed this decision to the Second Circuit Court of Appeals and on March 14, 2023, the Second Circuit Court of Appeals issued a Summary Order lifting the arbitral stay and remanding the matter to the District Court.

Carlos Rivas vs. Coverall North America, Inc. (American Arbitration Association, Case No. 01-18-0000-6958) filed on February 6, 2018. Plaintiff, a then-current franchisee, filed an Employment Arbitration Rules Demand for Arbitration with the American Arbitration Association, claiming that Coverall violated various sections of the Private Attorney General Act of 2004 (“PAGA”) and the California Labor Code. Plaintiff seeks: i) unreimbursed business expenses in violation of the California Labor Code; ii) unauthorized deductions in violation of the California Labor Code; and iii) damages based on the various California Labor Code violations. Plaintiff also seeks all applicable penalties pursuant to the Private Attorney General Act, including: i) charging cleaning workers for their jobs and failure to reimburse them for all necessary expenditures; ii) failing to provide itemized wage statements in violation of the California Labor Code; iii) taking unauthorized deductions from its workers’ pay in violation of the California Labor Code; iv) failing to pay all wages twice in each calendar month and paying them late in violation of the California Labor Code; and v) failing to maintain payroll records in violation of the California Labor Code. Plaintiff seeks all applicable civil penalties available as well as underpaid wages. On March 5, 2018, the AAA ruled that the Arbitration would proceed under the AAA Commercial Arbitration Rules. On April 20, 2018, the AAA administratively closed this matter, as the filing requirements had not been met.

On June 7, 2018, Plaintiff filed a Complaint under PAGA: Carlos Rivas vs. Coverall North America, Inc. (United States District Court Central District of California Case No. 8:18-cv-01007-JGB-KK). Plaintiff seeks a declaration and finding that Coverall violated the California Labor Code; recovery of all penalties, pre- and post-judgment interest, reasonable attorney’s fees, costs and expenses; injunctive relief in the form of ordering Coverall to comply with the California Labor Code; and any other applicable relief in law or equity as may be available. On August 9, 2018, the Court granted Coverall’s Order to Stay Case Pending Mediation. On January 18, 2019, Coverall filed a Motion to Dismiss Plaintiff’s Complaint and a Motion to Strike Portions of Plaintiff’s Complaint. On February 28, 2019, the District Court: i) granted in part and denied in part Coverall’s Motion to Dismiss; ii) denied Coverall’s Motion to Strike; iii) dismissed Plaintiff’s PAGA Claim insofar as it is based on alleged violations of Cal. Lab. Code §§ 226.8 and 558; and iv) granted Plaintiff leave to amend the complaint. On March 21, 2019, Coverall filed an Answer to Complaint and Counterclaim requesting a declaratory judgment that the Franchise Agreement is null and void should the Plaintiff be deemed an employee rather than an independent contractor. On March 29, 2019, Plaintiff filed a First Amended Complaint again claiming (though PAGA) violations of the California Labor Code, and Coverall filed an Answer on April 12, 2019. On May 17, 2019, Plaintiff filed a Motion to Dismiss Coverall’s Counterclaim, and this motion was denied on July 12, 2019. The parties attended mediation on September 6, 2019, but no agreement was reached. On November 11, 2019, Plaintiff filed a Motion for Summary Judgment. On November 18, 2019, Coverall filed a Motion to Compel Arbitration. On January 21, 2020, the Court denied Coverall’s Motion to Compel Arbitration. On February 7, 2020, Coverall filed a Notice of Appeal to the Ninth Circuit Court of Appeals (United States Court of Appeals for the Ninth Circuit Court, Case No. 20-55140). On February 20, 2020, an Order was entered granting Coverall’s February 18, 2020, Ex Parte Application to Stay Case pending the resolution of the appeal. The Ninth Circuit denied the appeal. Coverall filed a Petition for Re-Hearing En Banc, which the 9<sup>th</sup> Circuit denied. Coverall the petitioned the U.S. Supreme Court for a writ of certiorari regarding whether the plaintiff could be compelled to arbitrate in the context of a PAGA claim. In December 2021, the Supreme Court agreed to hear a companion case, *Viking River Cruises*, regarding the same PAGA arbitration issue, and ultimately issued a decision holding that PAGA representative claims could be arbitrated individually and that a PAGA claim must be dismissed once an individual’s PAGA claim is sent to arbitration. The Supreme Court then granted Coverall’s petition, reversed the 9<sup>th</sup> Circuit, and remanded the matter to the 9<sup>th</sup> Circuit for further proceedings consistent with its opinion in the *Viking River Cruises* case. On September 21, 2022, the 9<sup>th</sup> Circuit remanded the matter to the District Court, which, on November 28, 2022, compelled arbitration of Rivas’ individual claims and dismissed Rivas’ non-individual claims. On December 18, 2022, Rivas appealed that decision to the 9<sup>th</sup> Circuit. That appeal remains pending. Coverall disputes these claims and is vigorously defending this action. On February 10, 2023, Coverall filed a demand for arbitration with the American Arbitration Association seeking to recover cost incurred with enforcing the arbitration provision of Rivas’s Franchise Agreement.

Sergio Gonzalez v. Coverall North America, Inc. (United States District Court, Central District of California, Civil Action No. 5:16-CV-02287-JGB-KK) filed November 2, 2016. Plaintiff, a current franchisee, filed this putative class action claiming Coverall violated various sections of the California Labor Code by: i) misclassifying its franchisees as independent contractors; ii) requiring its cleaning workers to pay for their cleaning work; iii) requiring workers to pay franchise and additional business fees and other charges improperly deducted from their pay;

iv) failing to provide proper itemized wage statements; v) failing to pay wages twice each calendar month; vi) failing to maintain payroll records; and vii) engaging in unfair competition. Plaintiff seeks: certification of the putative class action; a declaration and finding that Coverall violated the California Labor Code; compensatory damages, including all expenses owed, underpaid wages and deductions; liquidated damages; interest, costs and attorney fees; injunctive relief in the form of ordering Coverall to comply with the California Labor Code; and any other applicable relief in law or equity as may be available. Plaintiff also seeks penalties on behalf of the putative class pursuant to the PAGA under the California Labor Code. On April 13, 2017, the Court granted Coverall's Motion to Compel Arbitration, filed on February 3, 2017, and stayed all proceedings pending the decision on arbitrability by the arbitrator. Plaintiff filed a motion with the Court on April 24, 2017 to dismiss the case, so that the Plaintiff could appeal the court's decision. Coverall planned to file an opposition to Plaintiff's motion to dismiss; however, the Court granted the Plaintiff's motion to dismiss on April 27, 2017. On May 2, 2017, Coverall filed a Motion for Reconsideration of the Order Granting Plaintiff's Motion to Dismiss. On May 26, 2017, the Court denied Coverall's Motion for Reconsideration. On June 1, 2017, Plaintiff filed a Notice of Appeal with the United States Court of Appeals for the Ninth Circuit of the District Court's Order of April 13, 2017 granting Coverall's Motion to Compel Arbitration (United States Court of Appeals for the Ninth Circuit Court, Case No. 17-55787). While the appeal was pending, on December 4, 2017, Plaintiff filed a Motion to Reopen Case with the District Court based on the closing of the arbitration by the AAA. On January 12, 2018, Coverall filed an Opposition to Plaintiff's Motion to Reopen Case, and on February 2, 2018, the District Court denied the motion. Subsequently, on December 5, 2018, the Ninth Circuit heard oral argument in the appeal. On February 22, 2019, the Ninth Circuit dismissed Plaintiff's appeal for lack of jurisdiction.

On March 8, 2019, Plaintiff filed a Renewed Motion to Reopen Case with the District Court, which was denied on April 19, 2019. On May 6, 2019 Plaintiff filed a Notice of Appeal of the Order denying the Motion to Reopen Case (United States Court of Appeals for the Ninth Circuit Court, Case No. 19-55511). This Ninth Circuit heard Oral argument on July 7, 2020. On October 21, 2020, the Ninth Circuit remanded the matter to the District Court to reconsider its decision on Plaintiff's Motion to Reopen Case in light of new Ninth Circuit case authority. Both sides completed briefing to the District Court regarding the new authority, and on December 8, 2022, the District Court denied Plaintiff's Renewed Motion to Reopen the Case. On December 18, 2022, Gonzalez appealed that decision to the 9<sup>th</sup> Circuit. That appeal remains pending. Coverall disputes these claims and is vigorously defending this action.

Plaintiffs, current franchisees of Sujol, LLC d/b/a Coverall of Southern NJ ("Sujol"), Coverall's Master Franchisee, filed this putative class action claiming that Sujol and Coverall have violated various sections of the New Jersey Wage Payment Law. Plaintiffs sought certification of the putative class action; declaration and finding that Sujol and Coverall have misclassified Plaintiffs as independent contractors under the New Jersey Wage Payment Law; declaration and finding that Sujol and Coverall violated the New Jersey Wage Payment Law; compensatory damages, including all expenses owed, underpaid wages, and deductions; liquidated damages; interest, costs, and attorney's fees; injunctive relief in the form of an Order directing Sujol and Coverall to comply with New Jersey law; and other, if applicable, relief in law or in equity as may be available. On January 12, 2018, Coverall filed a Notice of Removal, to remove the case from the Superior Court of New Jersey, Law Division, Middlesex County, to federal court, the United States District Court of New Jersey (U.S. District Court, District of New Jersey, Trenton, Case No. 3:18-cv-00532- MAS-TJB), and the case was removed. And, the Silva matter was not stayed as to either Sujol or Coverall. On October 25, 2018, Sujol and Coverall filed a Notice of Appeal to the United States Court of Appeals for the Third Circuit for both matters. On November 27, 2020 Plaintiff filed a Petition for Writ of Certiorari with the Supreme Court of the United States. The petition was denied March 22, 2021. Both cases were ordered to arbitration and both plaintiffs filed motions that arbitration is unconscionable. The Silva arbitrator ruled in that Silva's agreement was enforceable, and Richardson's arbitrator ruled Richardson's agreement was not. This matter settled in May 2022 with a \$22,000 payment to Silva and a \$17,500 payment to Richardson with no admission of liability by Coverall.

Plaintiff seeks: i) a finding that Coverall has breached the terms of the Service Franchise Agreement ("SFA") by requesting that Plaintiff make [*sic*] additional royalty fees that are not due and owing; ii) a finding that Coverall has breached the terms of the SFA by requesting that Plaintiff increase its working capital account; and iii) a finding that Coverall has violated the covenant of good faith and fair dealing implied in the SFA under Florida law. Plaintiff also seeks a declaration that: i) the Minimum Royalty provision of the SFA is interpreted as written and applies to Plaintiff as a whole and not per territory; ii) the Minimum Royalty provision of the SFA has been modified by the conduct of the parties pursuant to Florida law or waived by Coverall; and iii) the Working Capital provision of the SFA has been modified by the conduct of the parties or waived by Coverall. Plaintiff also requests damages in the amount of attorneys' fees, costs, and expenses. On March 23, 2020, Coverall filed a Response to Statement of Claim and Counterclaim against Pacific Commercial Services, LLC. Coverall claims that Plaintiff has: i) failed to make minimum royalty payments under the SFA; and ii) failed to maintain minimum working capital under the SFA. On April 16, 2020, Plaintiff filed a Response to Coverall's Counterclaim. On February 21, 2021 a Continued Temporary Stay of Proceedings was Ordered while the parties discussed settlement. This matter settled in August 2021 for by mutual agreement of the parties, with a waiver by Coverall of certain alleged debt and no admission of liability by Coverall.

Randall Richardson and Janitorial Tech, LLC v. Coverall North America, Inc. (United States District Court for the Northern District of Georgia, Atlanta Division, Case No. 1:17-mi-2405-UNA) filed June 27, 2017. Plaintiff, a current franchisee, filed this putative class action claiming Coverall has violated various sections of the Fair Labor Standards Act, Georgia Industrial Loan Act, Georgia Payday Lending Act, and Georgia Racketeer Influenced and Corrupt Organizations Act. Plaintiff seeks: certification of the putative class action; declaration that the Janitorial Franchise Agreement, arbitration agreement, delegation provision, and class waiver are inapplicable, null and void, and/or unenforceable; to permanently enjoin Coverall from violating the Fair Labor Standards Act and issue an order requiring that Coverall comply with the Fair Labor Standards Act wage, overtime, and reporting requirements; to permanently enjoin Coverall from collecting unlawful interest under the Georgia Industrial Loan Act; to permanently enjoin Coverall from making any future loans of \$3,000.00 or less in violation of the Georgia Industrial Loan Act and Georgia's Payday Lending Act; compensatory damages, including reasonable attorney's fees and costs; and punitive damages sufficient to punish and deter Coverall from its unlawful conduct. On July 20, 2017, Coverall filed a Motion to Dismiss, or, in the Alternative, Stay Litigation Pending Arbitration. On September 5, 2017, Plaintiff filed a Motion for Oral Argument and Sur-Reply In Opposition to Defendant's Motion to Dismiss or, In the Alternative, Stay Litigation Pending Arbitration. After Oral arguments on the motion were heard November 29, 2017, the District Court issued an order staying the case, requiring the parties to mediate, then proceed to arbitration in the event mediation does not resolve the matter. On January 30, 2018, a mediation conference was held, but the parties were unable to resolve the matter. On October 31, 2018 the parties filed a Joint Motion for Settlement Approval with Brief in Support by Janitorial Tech, LLC, Randall Richardson. On November 11, 2018, an Order was entered granting the Motion for Settlement Approval. The material terms of the Settlement were that Coverall: i) paid to Franchisee \$27,325.00, which included the purchase price for the assets of Franchisee's business and customers; and ii) cancelled all remaining balances due Coverall on Franchisee's Promissory Notes.

Cooks v. Coverall North America, Inc. and Coverall of Boston, Inc. (Superior Court, Suffolk County, Massachusetts, Civil Action No. SUCV2013-02373) filed July 1, 2013. Plaintiff, a current franchisee, filed this

purported class action claiming that CBI and Coverall knowingly and willingly i) misclassified its franchisees as independent contractors in violation of the Massachusetts Independent Contractor Law; ii) violated the Wage Act by charging its franchisees for a job, made unlawful deductions, and did not pay its franchisees timely; and iii) failed to pay its franchisees minimum wage and overtime for all work performed in excess of 40 hours a week. The plaintiff sought restitution for all damages due to misclassification as an independent contractor and related wage violations, an injunction against alleged unlawful practices, statutory trebling of all damages; attorney's fees and costs, and other relief the court deems proper. On July 30, 2013, Coverall and CBI removed the case to the United States District Court for the District of Massachusetts. The new case number was 13-cv-11802-WGY. The matter was settled as part of the settlement described below.

Pius Awuah, et al v. Coverall North America, Inc. (U.S. District Court, District of Massachusetts, Civil Action No. 07-10287) filed February 15, 2007; Amended Complaint filed on February 22, 2007; Second Amended Complaint filed on June 5, 2007; Third Amended Complaint filed April 25, 2008; Fourth Amended Complaint filed on July 9, 2010. This action was originally filed by eleven plaintiffs. Four of the original plaintiffs were franchisees of various Coverall Master Franchisees, and not Coverall. Coverall obtained summary judgment on the claims of those four plaintiffs on February 9, 2010. Of the remaining seven franchisees, three had entered into arbitration agreements with Coverall. Their claims were stayed pending arbitration. The remaining plaintiffs claimed that Coverall negligently or intentionally misrepresented that it had sufficient business to satisfy its contractual obligations; that Coverall breached its obligations to plaintiffs; and that plaintiffs were misclassified as independent contractors and are therefore entitled to be compensated, and to receive the same benefits, as employees of Coverall. The damages plaintiffs sought were not specified. On March 23, 2010, the court granted plaintiffs' Motion for Partial Summary Judgment and held that Benecira Cavalcante and Geraldo Correia were misclassified under Massachusetts wage hour law as independent contractors. Trial commenced on May 10, 2010 as to the claims of those named plaintiffs who had not agreed to arbitrate their disputes with Coverall -- Geraldo Correia, Benecira Calvalcante, Jai Prem and Aldivar Brandao. Prior to the commencement of the trial, the court sanctioned plaintiffs for their failure to disclose the damage theory underlying their misclassification claims and struck those claims. One of the plaintiffs, Jai Prem, failed to appear at trial, and the court declared a mistrial as to that plaintiff on May 24, 2010. Upon the close of plaintiffs' case, Coverall moved for a directed verdict as to Geraldo Correia. That motion was granted. At the same time, the court issued a ruling rejecting plaintiffs' claim that Coverall's Janitorial Franchise Agreement was unconscionable. On May 26, 2010, the jury returned a verdict in favor of Coverall as to Benecira Calvalcante and Aldivar Brandao. The claims of the three plaintiffs whose claims were subject to arbitration, plus one additional plaintiff, Manuel DaSilva, were arbitrated with the federal judge in the case acting as the arbitrator in October 2010. On December 15, 2010, the Arbitrator ruled that: plaintiff Richard Barrientos failed to prove his claims and was not entitled to recover anything; plaintiff Denise Pineda proved that she was misclassified as an independent contractor under the laws of the State of New Jersey but failed to prove that she incurred any damages, and was therefore entitled to no recovery; plaintiffs Manuel DaSilva and Pius Awuah failed to prove their claims of fraud and breach of contract, but were entitled to damages on their misclassification claims of \$5,656.30 and \$1,553.40, respectively. Pius Awuah's award was subject to a set-off of

\$671.71, reducing his award to \$881.69. On October 26, 2010, the Court entered an Order certifying four questions to the Massachusetts Supreme Judicial Court regarding what an employer may legitimately deduct from "earned wages" under Massachusetts law. The Massachusetts Supreme Judicial Court issued an opinion on August 31, 2011 concluding that an employer may not deduct certain items from earned wages if the person is deemed to be an employee. On September 23, 2011, the Court certified the following class: All individuals who owned a Coverall Franchise and performed work for Coverall customers in Massachusetts at any time between February 15, 2004, and June 30, 2010, and who had not (i) signed an arbitration agreement, or (ii) had their claims adjudicated. The Court ruled that Plaintiffs were entitled, as damages incurred, to the amounts paid for franchise fees, additional business fees, and insurance, and to amounts withheld as chargebacks. On March 15, 2012, the Court ruled that treble damages would be allowed for a certain time period. On May 10, 2012, the Court entered a partial judgment: (i) giving 109 class members a total of \$2,949,322.49 in damages, in individually varying amounts; (ii) dismissing the claims of 27 class members with prejudice, on the grounds that they signed enforceable releases; (iii) dismissing the claims of 11 other franchisees -- those whose claims had either been arbitrated or adjudicated or rejected at summary judgment because their agreements were with Coverall Service Franchisees -- with prejudice; (iv) awarding Pius Awuah and Manuel DaSilva \$34,119 in attorney's fees and \$3,362.12 in costs; and (v) based on an Offer of Judgment, awarding

Jai Prem judgment in the amount of \$5,000 on all counts of Plaintiff's Third Amended Complaint, inclusive of all damages, attorney's fees, costs and interest. In February 2012, the Court put into the class certain franchise owners who were transferees of franchise owners that had arbitration agreements in their franchise agreements, but whom the Court found did not have specific notice of their obligation to arbitrate. Coverall appealed that decision to the U.S. Court of Appeals for the First Circuit. The First Circuit reversed the Court's decision and remanded the matter to the District Court for further proceedings (including an entry of a stay of proceedings involving those franchisees who have arbitration agreements). In May 2012, Plaintiffs filed a motion seeking to expand the Awuah class to include all franchise owners who had provided services in Massachusetts at any time since February 15, 2004, regardless of whether they had agreed to arbitrate disputes with Coverall. The Court denied that motion in July 2012. In September 2012, following a notice filed by Plaintiffs that claimed that Coverall had violated a court order pertaining to franchise owners who had commenced arbitration proceedings against Coverall, the Court sanctioned Coverall by allowing ten arbitration claimants to join the Awuah class. Coverall appealed that decision to the First Circuit. The First Circuit reversed the District Court's sanctions decision, holding that Coverall had not violated the Court's order, and remanded the matter to the District Court for further proceedings. In January 2013, Plaintiffs filed a motion for reconsideration regarding the enforceability of certain releases. Plaintiffs asserted that, in light of a new opinion from the Massachusetts Supreme Judicial Court, releases that did not specifically reference the Massachusetts Wage Act were not enforceable as to claims arising under that Act. In February 2013, the Court granted the plaintiffs' motion for reconsideration and allowed 27 class members who had signed releases to maintain claims for damages. By agreement of the parties, fourteen persons who had filed for arbitration against Coverall but who had signed releases were also permitted to join the class. On September 16, 2013, the Court entered a Final Amended Judgment in the amount of \$4,803,078.16 (exclusive of attorneys' fees and costs), dismissed the claims of nine Class Members, and awarded the two arbitration claimants whose claims were arbitrated by the Court a total of \$37,481.12 in attorneys' fees and costs. Coverall appealed the Final Amended Judgment, including all of the Court's liability and damages rulings, to the First Circuit, and the appeal was docketed as Case No. 13-2190. Plaintiffs cross-appealed the District Court's (a) May 2010 sanctions ruling, as to plaintiffs Cavalcante and Correia; and (b) ruling that Coverall is not liable to any franchise owner who purchased his franchise from a Coverall master. The First Circuit docketed the cross-appeal as Case No. 13-2274. The parties submitted their briefs and oral arguments were scheduled to be heard on January 7, 2015. On January 6, 2015, based on the parties report of a pending settlement, the U.S. Court of Appeals for the First Circuit granted a joint motion to postpone oral arguments indefinitely, then after a certification from the U.S. District Court that it was willing to undertake the various procedures necessary to certify a class and approve settlement, the First Circuit remanded the case to the District Court. This matter was settled as described below.

Between December 2011 and February 2012, 115 other franchise owners, represented by the same attorneys as those representing the Plaintiffs in Awuah, filed demands for arbitration with the American Arbitration Association ("AAA"). Two additional franchise owners filed similar arbitration demands in December 2013. These owners claimed that Coverall had misclassified them under Massachusetts law as independent contractors. Thirty-six of the claimants (including fifteen franchise owners who were allowed to join the Awuah class, and nineteen who sought unsuccessfully to join the Awuah class) subsequently withdrew their arbitration demands. Fifty-six claimants did not pay their share of AAA filing fees; Coverall withheld payment of its share of the fees for two of the claimants pending settlement discussions. Coverall settled with one of the AAA claimants, Rufino Henriquez, in August 2013 and paid him a total of \$25,000.00. Coverall settled with another of the AAA claimants, Jose Carlos Moraes, in October 2013 by paying him \$10,805.00 and repurchasing his accounts for \$1,695.00. All of the remaining AAA matters were settled as described below.

Awuah, Cooks, AAA Settlement. On April 15, 2015, the parties entered into a settlement agreement to resolve all of the Cooks (above) claims, Awuah (above) plaintiffs' claims, and the AAA (above) claims, as well as potential claims by any other Coverall franchisee operating in Massachusetts. The District Court issued a Final Judgment Order approving the settlement on July 27, 2015, and the settlement became effective on August 29, 2015. The material terms of the settlement were: 1) the Class was revised to include: i. Awuah Class Claimants; ii. Cooks Class Claimants; iii. AAA Claimants; and iv. all Coverall franchisees currently operating in Massachusetts, including those operating through Coverall's master franchisee, R&B Services, Inc.; 2) Coverall paid \$5.5 Million to the Class; 3) all franchise agreements of the Class were terminated; 4) Customers were transitioned to servicing Class members; and 5) Coverall withdrew from Massachusetts.

Mario Danek, et al v. Coverall North America, Inc. (Superior Court of Alameda County, California, Case No. RG13701706) filed November 1, 2013. Plaintiffs were ex-employees of Coverall in California who alleged failure to reimburse certain business expenses in violation of the California Labor Code and of the California Unfair Competition Law (“UCL”) on behalf of themselves and a claimed class of purportedly similarly situated plaintiffs. The claim involved a technical issue in Coverall’s auto expense reimbursement policy, asserting that as to the plaintiffs and the claimed class failed to reimburse all business expenses incurred as a result of the use of their personal motor vehicles in the course of their duties in that Coverall’s auto reimbursement policy was a fixed monthly amount, and did not in the normal course include a mileage factor or other reimbursement if that amount was exceeded. The UCL claim was that this policy was an unlawful, unfair, and/or fraudulent business practice. The plaintiffs sought certification as a class, a finding that Coverall’s business expense policy violated the California Labor Code and the UCL, reimbursement of any unreimbursed expenses and interest on those unreimbursed amounts, civil penalties permitted by the California Labor Code, attorneys’ fees and costs. Coverall modified its auto reimbursement policy to better conform to the California Labor Code.

In January 2015, the parties reached a settlement. The material terms of the Settlement were: Coverall paid i) \$125,000.00 to class counsel for fees expenses; and ii) approximately \$35,000 to potential claimants not yet reimbursed for additional amounts due in addition to the \$225,000 amount previously paid by Coverall based on mileage records submitted by claimants. On April 17, 2015, the settlement became final and the case was dismissed with prejudice to all claims of the Plaintiffs, Mario Danek, Claudia Osorio and Olivero Rodriguez, and without prejudice to all claims of the Putative Class Members.

Sabrina Laguna v. Coverall North America, Inc. (Superior Court of California County of San Diego, Civil Action No. 37-2008-00089347-CU-OE-CTL) filed August 8, 2008. Plaintiff, a then-current franchisee, filed this purported class action variously claiming that Coverall negligently or intentionally misrepresented that it had sufficient business to satisfy its contractual obligations; that Plaintiffs were misclassified as independent contractors and that they were or are employees of Coverall who should be earning minimum wage and other benefits of “employment;” and that Coverall takes advantage of immigrants with limited English language skills. Coverall filed a demurrer on October 3, 2008. The demurrer was sustained as the causes of action for negligent misrepresentation and declaratory relief but overruled as to certain other aspects of the demurrer. The case was removed to the United States District Court for the Southern District of California on September 29, 2009 and given case number 3:09-cv-02131-JM-RBB. Through amended complaints, plaintiffs, Carlos Acevedo and Teresa Salas, and defendants, Allied Capital Corporation, CNA Holding Corporation, and Ted Elliott, were added. A Class Action Settlement Agreement and Release (the “Settlement”) filed on September 12, 2011 and approved by the court on February 23, 2012, after a Fairness Hearing on November 21, 2011. The class certified in February 2012 under the Settlement was defined as: A class of all persons or entities who (1) executed a Janitorial Franchise Agreement with Coverall for a franchise to be located in the State of California, and (2) between August 8, 2004, and entry of the Preliminary Approval Order, performed janitorial or cleaning services in the State of California pursuant to a Janitorial Franchise Agreement entered into between the person(s) or entity and Coverall. The material terms of the Settlement were: (1) Coverall will assign customer Service Agreements to the operating franchisees excluding those Service Agreements that prohibit assignment, cover multiple locations, and National Account Customers; (2) Former franchisees who submit a valid claim will receive \$475; (3) Former franchisees who indicate an interest in purchasing a new franchise on or before November 8, 2011 and who close the transaction within 120 days of Final Approval of the Settlement will receive a \$750 credit toward the purchase price; and 4) New franchisees in California shall have thirty (30) days from signing to rescind or cancel their Franchise Agreement.

There was an appeal of the Court’s order approving the settlement to the 9th Circuit Court of Appeals. That appeal was heard by a 3 judge panel of the 9th Circuit in November 2013, and the panel upheld the settlement. There was then a request by the objector to the 9th Circuit to hear the matter en banc. The objector settled with Coverall for \$15,000, and dismissed his appeal. The 9th Circuit considered on its own whether to re-hear the matter en banc, but as there was no longer any objector, decided to vacate the decision of the panel and remand the case to the district court to effect the settlement without change. The settlement became effective December 15, 2014.

Maria Mora v. Coverall North America, Inc., et al. (Circuit Court County of Washington, Oregon Case No. C140316 CV), filed January 23, 2014. Plaintiff is a franchisee of Cavalier Services, Inc. (“Cavalier”). Cavalier is an independently owned and operated Master Franchisee of Coverall. The named defendants were Coverall, Cavalier and

John Bartholf, President of Cavalier. Plaintiff alleged common law fraud, violations of the Oregon Unlawful Trade Practices Act and Oregon Franchise Act, and breach of contract, and sought declaratory judgments on whether the franchise agreement provisions relating to mediation, arbitration, the initial business guarantee and certain liquidated damages are unconscionable, and she claimed damages in the amount of \$234,686.00. Coverall has no agreement with Mora and had no contact with Mora. On April 10, 2014 a Settlement Agreement was entered into between all the parties by which Cavalier repurchased Plaintiff's Coverall Franchise for \$8,500.00, forgave her obligations to Cavalier for the balance of her promissory note and terminated her Coverall Franchise, effective April 10, 2014. Plaintiff released all parties and the action was dismissed with prejudice on June 14, 2014.

Coverall North America, Inc. v. Verica, LLC, and Vicki Rhea (United States District Court of Nebraska, Case No. 8:11-cv-00255), filed July 25, 2011. Coverall initiated this case against defendants, a former Coverall Service Franchisee in Iowa and Nebraska and its owner, who personally guaranteed the Service Franchise Agreement and related promissory notes, requesting a declaratory judgment that Coverall properly terminated the Service Franchise Agreement for Defendants' failure to pay royalties and promissory note payments and ordering Defendants to comply with the post-termination covenants, including assigning contracts and returning franchise and customer files to Coverall. Coverall also filed claims for damages based on breach of contract, deceptive trade practices, misappropriation of trade secrets, and trademark infringement. In January 2012, Coverall amended its complaint and removed the claims for deceptive trade practices, misappropriation of trade secrets, and trademark infringement. Coverall sought a declaratory judgment that Coverall properly terminated the Service Franchise Agreement and a judgment for damages resulting from Defendants' breach of the Service Franchise Agreement, promissory note, and personal guaranties. Defendants filed an Answer and Counterclaim January 19, 2012 alleging wrongful termination, breach of contract, and conversion (of its receivables from customers) and demanding damages for the alleged wrongful termination and breach of contract, interest on the receivables purportedly converted, and requesting a declaratory judgment for return of its franchise fees that were paid to Coverall. The parties engaged in an unsuccessful mediation in November 2011. The parties re-engaged in mediation in 2013, and entered into a settlement on November 13, 2013 whereby Coverall agreed to pay the defendants the sum of \$120,000, the parties released one another except as to certain post termination obligations under the Service Franchise Agreement, defendant gave a representation to Coverall that it was not engaged in conduct violative of those post termination obligations, including its noncompetition, non-solicitation and nondisclosure agreements, and Coverall agreed that it would refer defendant's former franchisees who make claims for monies due from defendant to defendant's representatives without further comment. The case was dismissed with prejudice on November 15, 2013.

Claudia Villanueva, et al. v. Melton Franchise Systems, Inc., et al. (Sup. Ct. of CA - Santa Barbara, April 4, 2012), Case No. 1385932. Plaintiffs were one former and eight current franchisees. The named defendants were Coverall, Coverall's subsidiary/master franchisee, Melton Franchise Systems, Inc., Melton Franchise Systems, Inc.'s former President, Mark Melton, Melton Franchise Systems, Inc.'s former Regional Director, Jon Ortiz, and unnamed agents or employees of the other defendants. Plaintiffs alleged breach of contract, breach of implied covenant of good faith and fair dealing, unfair business practices, intentional misrepresentation, breach of promise, concealment of material facts and negligent misrepresentation. The plaintiffs were seeking compensatory and punitive damages in an unspecified amount, an injunction against alleged wrongful business practices, an accounting of fees, costs, royalties, premiums and other amount assessed against the plaintiff, attorney's fees and costs, and other relief the court deemed proper. Coverall and MFS initiated mediation with the plaintiffs and resolved the complaints by (1) agreeing to offer additional business to 4 of them without cost to them, varying in amount to each from \$1,000 in monthly revenue accounts to \$3,000 in monthly revenue accounts, (2) permitting 2 to dismiss their complaint and remain as franchisees, (3) paying 1 \$5,000 and giving her a release of our potential counterclaims against her, (4) paying 1 \$5,000 and permitting her to remain a franchise owner, and (5) permitting 1 to terminate her franchise and retain her current customers. The case was dismissed with prejudice on July 10, 2013.

promissory notes of \$5,521.22 upon Claimant's return of the equipment securing such equipment notes. Claimant's Franchised Business was terminated. The case was closed on May 13, 2013.

Maria Rodriguez v. Coverall North America, Inc. United States of America v. Coverall North America, Inc. (Civil Action No. 94 C 1178). On March 18, 1994, a Consent Decree was entered in the United States District Court for the Northern District of Illinois in United States of America v. Coverall North America, Inc. (Civil Action No. 94 C 1178). In voluntarily entering into the Consent Decree, we did not admit any liability for the alleged violations. The U.S., on behalf of the Federal Trade Commission, alleged that we did not make proper disclosures regarding our janitorial franchisees, should have included an earnings' claim disclosure in connection with the offer of customer contracts as part of the franchise package purchased by janitorial franchisees, and, in some circumstances, did not wait the full ten business days between furnishing an Offering Circular and executing a Franchise Agreement. Without admitting liability, we agreed to pay a civil penalty of \$100,000 and to be enjoined from not complying with the FTC's franchise disclosure rule. We include certain information in Item 19 as agreed with the FTC.

Other than these actions, no litigation of Coverall is required to be disclosed in this Item.

#### WHEN WE MUST OFFER YOUR INITIAL BUSINESS

Coverall may or may not have an inventory of customers available to offer your dollar amount of Initial Business on the date you sign your Coverall Franchise Agreement or even on the date that you become eligible to accept customers (i.e., upon completion of your initial obligations). Therefore, Coverall has between 120 and 330 business days from the date you complete your initial obligations to offer you your Initial Business, depending on the particular Franchise Package, as set forth in the following chart:

Franchise Package	Fulfillment Period Business Days
P-3,000	120
P-4,000	150
P-5,000	180
P-7,000	240
P-10,000	330

Your initial obligations are completed (triggering the start of your Initial Business Offering Period outlined above) when: i) you or your designated employee, as approved by Coverall, has successfully completed the Initial Training Program and ii) your background screening has been approved. The completion of your initial obligations is recorded in our FranSys<sup>®</sup> operating system. The Initial Business Offering Period may be suspended if: i) Coverall requires you to attend retraining (see Item 11); or ii) you are in breach of any material provision of the Franchise Agreement or any other agreement with Coverall.

The customers that we offer you to fulfill your Franchise Package may be new customers recently acquired by Coverall; or they may be existing customers that become available for resale. You may be offered an existing customer because a customer requested replacement of the franchised business servicing its facility or a franchised business discontinued servicing a customer. These existing customers may be dissatisfied with their prior service and may be difficult to please. In addition, the results of your background screening may mean that you do not satisfy certain customer requirements and the customer may object to you servicing its facilities.

Once Coverall's obligation to offer you Initial Business has been fulfilled, we have no obligation to offer you Additional Business.

## SPECIAL PROMOTIONS

On occasion, we may offer special promotions or negotiate financing terms for the Franchised Business's benefit which do not affect the amount of the Franchise Fee, which may include, but is not limited to: offering a small equipment item as a promotion, providing an amount of free business which exceeds the package size, or financing a larger portion of the Initial Franchise Fee.

## FULFILLING YOUR INITIAL BUSINESS

If you reject a customer offered as part of your Initial Business, our obligation to offer that amount of Initial Business during the Initial Business Offering Period is satisfied. However, we will continue, after the expiration of the Initial Business Offering Period, to offer you customers to fulfill your Initial Business. You may reject customers offered to you to fulfill your Initial Business. If you do so unreasonably, our obligation to offer you customers to fulfill your Initial Business may be deemed satisfied. If you choose to stop servicing a customer that you have accepted as part of your Initial Business, you will not be entitled to replacement of that customer.

The monthly dollar volume of Initial Business for any specific month may not equal the total Initial Business for a number of reasons, including, but not limited to: you may choose not to accept all of the customers we offer, we may offer you the Initial Business in stages throughout the Initial Business Offering Period, customers may request a change of franchised business or cancel the contract due to poor service, and the customer may move or cancel for other reasons before the end of the Initial Business Offering Period.

Once you accept a customer, Coverall will assign the Service Agreement to you, excluding those Service Agreements that prohibit assignment, cover multiple locations, or apply to National Account Customers, subject to your payment in full of your Franchise Fee. The assignment will be subject to the terms and conditions of your Coverall Franchise Agreement. (See attached Exhibit G, Franchised Business Customer Acceptance Forms). After assignment to you by Coverall, an assigned Service Agreement will be solely between you and the customer.

## THE NON-REFUNDABLE FRANCHISE FEE

Except as otherwise provided herein or if a Franchise application is rejected, the Initial Franchise Fee is non-refundable. A portion of the Initial Franchise Fee, \$5,000, is the price that you pay for the license granted to you to use the Coverall® Marks and System, described in Paragraph 1 of the Coverall Franchise Agreement, Exhibit A.1.

## PARTIAL REFUND FOR COVERALL'S FAILURE TO TIMELY OFFER INITIAL BUSINESS

You may request a refund of a portion of the Initial Franchise Fee if we do not: (i) offer you the full amount of Initial Business within the Initial Business Offering Period, or (ii) offer you within a reasonable time after the expiration of the Initial Business Offering Period an amount of Initial Business equal to that which you reasonably rejected during the Initial Business Offering Period, or (iii) offer to replace within a reasonable time an amount equivalent to the contract value of a customer lost by you through no fault of your own during the Initial Business guarantee Offering Period. The refund is equal to the then current Multiplier published and revised from time to time in the Franchised Business Policies and Procedures Manual times the amount of Initial Business not offered to you. For example, if you purchased a P-5,000 package and we offer you a total of \$4,500 in monthly Gross Dollar Volume within the Initial Business Offering Period, then a refund would be calculated at the then current Multiplier, which is 3.0 as of the date of this Franchise Disclosure Document, times \$500, which totals \$1,500. However, you may choose instead to reduce the size of the Franchise Package that you purchased. If you do, Coverall will refund the difference between the Franchise Fee you paid and the Franchise Fee customarily charged for the smaller Franchise Package. If, at the time of either refund you owe us money, then the amount of the refund will first be applied to any outstanding balance on any promissory note or other obligation you owe us, with any remaining sum paid to you. Such a refund fulfills our obligation to offer or provide any remaining portion of the Initial Business or replacement Initial Business, and as a condition of the refund, you will be required to sign a general release in

favor of Coverall. After accepting this refund, if you decide to grow your business by acquiring customers from Coverall, you will have to purchase those customers. ***The refund will be your sole remedy.***

Coverall shall have no obligation to refund any portion of any payment made under your Franchise Agreement if you are in breach of any material provision of the agreement, or any other agreement between you and Coverall, until all such material breaches are cured.

**<sup>1</sup>Billing and Collection Services.** We have the exclusive right to bill and collect in your business name from the customers that you service. We will invoice them on your behalf for your services and any supplies purchased by them. The customers remit funds to us, then we forward you the balance remaining after deductions for your royalty and support fees, any note payments, the cost of supplies and/or equipment purchased by you from us, and any other authorized deductions (for example insurance premiums or electronic funds transfer fee) (the "Authorized Deductions"). If applicable, Coverall will remit on your behalf any state sales tax collected from your customers to the appropriate state taxing authority. Coverall reserves the right to apply the full amount received from any customer who cancels your services for any reason to reduce any financed or other debt owed by you to Coverall.

Royalty and support fees are based on monthly Gross Dollar Volume for all services, including special services and any one-time building cleaning and maintenance services (e.g., carpet cleaning and hard floor maintenance) which you perform for any customer. The Initial Training Program is included in the Initial Franchise Fee. Royalty and support fees may be discounted by Coverall in our sole discretion.

**National Account Customers.** With the exception of National Account Customers, you are entitled to receive the total amount collected from each customer, less all authorized deductions. National Account Customers are customers that have multiple national or regional locations. Coverall may retain a percentage, or another specified portion, of the total amount collected from the National Account Customer (the "Retention"). Therefore, the amount that you will receive for servicing a National Account Customer location may not be equivalent to a pro-rata share of the total monthly amount that is collected from that National Account Customer, or equivalent to a pro-rata share of the total monthly amount that is collected from that National Account Customer for the location serviced by you. To the extent that there is excess Retention, those funds are kept by Coverall. Royalty and support fees are billed to that National Account Customer. The Retention, however, does not affect the amount of Regular Service Volume offered to you to fulfill either your Initial Package or sold to you as Additional Business. If you accept a National Account Customer as Additional Business, then the Retention is in addition to the Sales and Marketing Fee you pay for Additional Business. If you accept a National Account Customer, the Service Agreement will not be assigned to you.

**<sup>2</sup>Cash Flow Protection Program.** Under our Cash Flow Protection Program, we will advance (loan) to you amounts billed to the customers, whether or not we have collected from the customer. Advances will be made no earlier than the last calendar day of the first month (if the last calendar day of the month falls on a weekend and/or holiday, payment will be made on the next business day) following the month the services were provided. Advances attributable to billings for any one customer shall not exceed an amount equal to billings for sixty (60) days and shall not remain outstanding for a period exceeding ninety (90) days from the date on which the amount of the billing was due from the customer. If advances remain uncollected from the customer at the end of ninety (90) days, Franchised Business shall repay Coverall the total amount of the advance. This section does not apply to National Accounts or non-assigned service agreements.

<sup>3</sup>All fees are imposed by and payable to us.

<sup>4</sup>These fees in this Item 6 are nonrefundable.

**<sup>5</sup>Initial Equipment and Supply Package.** The equipment, chemicals and supplies that you purchase for your Franchised Business must satisfy Coverall's specifications. You will receive the specifications at Initial Training. If you choose, you may purchase your equipment, chemicals and supplies from Coverall, and Coverall may agree to finance such purchases. See Exhibit A to A.1 for Coverall's current pricing of the Initial Equipment and Supply Package as of the date of this Disclosure Document. The items included in Coverall's Initial Equipment and Supply Package and pricing of each package are subject to change, and any changes will be stated in the Coverall Franchised Business Policies and Procedures Manual or written notice from us advising you of the changes.

**<sup>6</sup>Business Protection Program.** Under our Business Protection Program, we may make available to you and you may wish to participate in the Coverall general liability insurance and bonding program, which have been placed through a major insurance company. Your background screening is used to determine your eligibility for either the Janitorial Fidelity Bond or the High-Risk Janitorial Fidelity Bond portion of the Business Protection Program. The Business Protection Program is subject to cancellation.

As described in Items 8 and 11, you must obtain this insurance according to minimum specifications.

Participation in Coverall's Business Protection Plan provides the Franchised Business with general liability insurance and fidelity bond coverage as described in Items 8 and 11. The deductibles and plan limits for Coverall's Business Protection Plan and are as follows:

<b>Business Protection Plan limits<sup>A</sup>:</b>	<b>Deductible</b>
General Liability = \$1,000,000 per occurrence, with \$2,000,000 maximum per policy year.	\$1,000 per occurrence
Non-Conviction Janitorial Fidelity Bond = \$1,000,000 per occurrence, and a \$1,000,000 maximum limit per policy year.	\$5,000 per occurrence
Umbrella = \$8,000,000 per occurrence, with \$8,000,000 total of claims covered during the policy period.	\$10,000 per occurrence

<sup>A</sup>Defense costs and other allocated loss adjustment expenses are in addition to limits.

If you enroll in Coverall's Business Protection Plan and coverage has been determined to apply, Coverall will waive (the "Waiver") certain of its contractual indemnification rights against you except for the applicable deductibles under the Plan (see Paragraph 20 of the Coverall Franchise Agreement Exhibit A.1.). Accordingly, Coverall will not look to you for such contractual indemnification rights, to the extent that coverage applies under the Plan.

Coverall's Business Protection Plan, including Coverall's waiver, ***does not provide*** coverage for the following: 1) Workers' Compensation, 2) Automobile, 3) Medical, 4) Dental, 5) Plan Deductibles, and 6) Items Not Covered or excluded by the Applicable Policy.

**YOU ARE NOT REQUIRED TO PARTICIPATE IN THE COVERALL BUSINESS PROTECTION PLAN. YOU MAY BE ABLE TO OBTAIN THIS COVERAGE AT A LOWER COST ON YOUR OWN. THE FEES PAID TO PARTICIPATE IN THE COVERALL BUSINESS PROTECTION PLAN EXCEED THE COST TO COVERALL FOR THESE PROGRAMS. THESE EXCESS FUNDS ARE RETAINED BY AND INURE SOLELY TO THE BENEFIT OF COVERALL. COVERALL TYPICALLY MAKES A PROFIT ON ITS BUSINESS PROTECTION PROGRAM.**

<sup>7</sup>These amounts apply to the monthly dollar volume being serviced by Franchised Business.

<sup>8</sup>If Franchised Business fails to obtain any or all insurance as specified herein and approved by Coverall, Coverall may (but shall not be required to), in addition to other remedies, purchase such insurance for the benefit of Franchised Business in which event Franchised Business agrees to promptly reimburse Coverall for the cost. In the event it becomes necessary for Franchised Business to reimburse Coverall for the costs of insurance, Franchisee Business authorizes Coverall

to deduct the costs of the insurance, on a monthly basis, or as is otherwise necessary, from amounts billed and collected from Franchised Business's customers.

**9On-The-Job Accident Program.** You may want to participate in our Franchise Owner On-the-Job Accident Insurance Program (the "Coverall Accident Insurance Program"). **This is not worker's compensation insurance and does not provide the scope of benefits available to you under a worker's compensation insurance policy.** The Coverall Accident Insurance Program provides coverage for the Franchised Business Owner and not the Franchised Business's employees. As described in Items 8 and 11, if you do not participate in the Coverall Franchise Owner On- the-Job Accident Insurance Program and are not covered by a workers' compensation policy, you must obtain comparable insurance coverage according to our minimum specifications, which may change from time to time. The rate charged to participate in the Coverall Accident Insurance Program is subject to change. Any changes in the minimum specifications or rates will be stated in the Coverall Franchised Business Policies and Procedures Manual and/or by a written notice from us advising you of the changes. The Coverall Accident Insurance Program is subject to cancellation. The current Coverall Accident Insurance Program plan limits are as follows:

**YOU ARE NOT REQUIRED TO PARTICIPATE IN THE COVERALL ACCIDENT INSURANCE PROGRAM. YOU MAY BE ABLE TO OBTAIN THE REQUIRED COVERAGE AT LOWER COST ON YOUR OWN. THE FEES PAID TO PARTICIPATE IN THE COVERALL ACCIDENT INSURANCE PROGRAM EXCEED THE COST TO COVERALL FOR THE PROGRAM. THESE EXCESS FUNDS ARE RETAINED BY AND INURE SOLELY TO THE BENEFIT OF COVERALL. COVERALL TYPICALLY MAKES A PROFIT ON ITS ACCIDENT INSURANCE PROGRAM.**

<sup>10</sup>If you elect to participate in Coverall's Franchise Owner On-the-Job Accident Insurance Program, then your rate will be 2.4% per month for the first shareholder or member owner, plus \$15.00 per month for each additional shareholder or member owner. These rates may change as provided in Footnote 10 above. (These rates include a 0.2% administration fee charged by Coverall.) Since the premium is a percentage of your monthly Gross Dollar Volume, you may be able to procure this coverage elsewhere for less than the cost of participating in this Program. Coverall makes a profit on its Accident Insurance Program.

<sup>11</sup>**Electronic Fund Transfer Fee.** If you choose to have your monthly Franchise distribution deposited via electronic fund transfer ("EFT") to your business bank account, then you must pay Coverall a fee for this service. The fee is currently \$9.95 per month. Any change in this fee will be stated in the Coverall Franchised Business Policies and Procedures Manual. This service may not be available in your Support Center.

<sup>12</sup>**Operating Advance.** Coverall may in its sole discretion, advance funds to you ("Operating Advance") [in addition to our Cash Flow Protection Plan] against your customer receivables. You are required to repay such advances on the 30th day following the date upon which the advance is made along with the fee.

<sup>13</sup>**Special Services Finder's Fees.** Special Services Finder's Fees are applied to one-time services contracts, for example, window cleaning and strip and refinishing floors, unless you sell the service to the customers yourself and furnish all equipment, supplies and labor, in which case no finder's fee is payable. Royalty and support fees are charged. Special Services Finder's Fees may be discounted by Coverall in our sole discretion.

<sup>14</sup>**Additional Business.** We may occasionally offer you a new customer (including a National Account Customer), an increase in Regular Service Volume for a customer currently serviced by you, or a customer to fulfill your Initial Package or Business Owed the contract value of which exceeds the amount that we are obligated to offer you ("Additional Business"). You may accept or refuse Additional Business. As a condition of acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall. (See attached Exhibit G, Franchised Business Customer Acceptance Forms.)

<sup>15</sup>**Sales and Marketing Fee for Additional Business.** The sales and marketing fee is charged for customers purchased by you from us to grow your business. (You do not have to purchase Additional Business from us.) The sales and marketing fee will be the then-current Multiplier published and revised from time to time in the Franchised Business Policies and Procedures Manual. As a condition of your acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall. (See attached Exhibit G, Franchised Business Customer Acceptance Forms.) The current Multiplier is 3.8 times one month's Gross Dollar Volume for the Additional Business. The multiplier may not exceed 5.0. For example, if we offer and you accept Additional Business in the amount of \$1,500.00 in monthly Gross Dollar Volume, at the current rate of 3.8 times, you will pay a sales and marketing fee of \$5,700.00. The amount of the sales and marketing fee that you will pay will be specified in writing at the time you accept Additional Business.

Once Coverall's obligation to offer you Initial Business has been fulfilled, we have no obligation to offer you Additional Business. If we offer you Additional Business and you accept it, we may finance up to eighty percent (80%) of the sales and marketing fee, at our discretion. The amount that you pay for Additional Business is non-refundable, and if you financed the purchase of Additional Business through Coverall, you remain obligated to continue to pay Coverall. Coverall reserves the right to apply the full amount received from any customer who cancels your services for any reason to reduce any financed or other debt owed by you to Coverall.

If you locate or solicit new business on your own, you will not be charged a sales and marketing fee. However, royalty and support fees will be charged. We do not guarantee new business that you obtain; and billing and collection of all new business obtained by you shall be performed through Coverall, unless otherwise agreed by Coverall in writing.

<sup>16</sup>**Audit Fee.** If Coverall conducts an audit of your Franchised Business records and discovers that you are in violation of the in-term restriction against your involvement in another commercial cleaning or related business, or against diverting customers to another entity, then you must pay Coverall for any reasonable expenses or costs incurred in conducting the audit.

<sup>17</sup>If you knowingly provide Coverall with false information on the Franchise Owner Application, then Coverall, at its sole discretion, will charge a False Documentation/Information Fee in order to recover its administrative and other costs. This fee will not exceed \$200, unless otherwise stated in the Coverall Franchised Business Policies and Procedures Manual.

<sup>18</sup>All fees are uniformly imposed except in those instances where Coverall reserves discretion with regard to the amount of the fee to be imposed, or where the amount of the fee cannot be determined until the occurrence of the event that triggers the imposition of the fee.

<sup>1</sup>You may choose to finance a portion of the Initial Franchise Fee as described in Items 5 and 10.

<sup>2</sup>Most amounts are affected by the size of the Franchise Package you purchase. Generally, the greater the Initial Business purchased, the greater the amount of the initial investment. (See Item 5.)

<sup>3</sup>The Initial Franchise Fee is discussed in detail in Item 5. We offer financing for the Initial Franchise Fee at 6%, 9%, or 12% interest as described in Item 10. The term of the loan is up to 30 months depending upon the franchise package you purchase, described in Item 5 and Item 10. We will provide you with initial training and start-up cleaning customers, all of which are included in the Initial Franchise Fee. (See Exhibit A to A.1 for a detailed list of equipment, chemicals and supplies that you will need to purchase to start your Franchised Business). The commercial cleaning industry is highly competitive; and customers can be lost for any number of reasons, including but not limited to, poor service, the customer chooses a lower priced provider, the customer goes out of business or files for bankruptcy protection, economic circumstances cause the customer to terminate outside vendors. Because of these factors, we are unable to predict with any certainty the point at which you might recover your initial investment in your franchised business.

<sup>4</sup>These fees are nonrefundable. A Coverall Franchised Business must be a corporation or limited liability company, and must keep separate accounting, banking, and financial records for the Franchised Business. Each Franchised Business must obtain a Federal Employer Identification Number, and obtain a business license, if applicable. You will need to open a business checking account in connection with your business.

<sup>5</sup>Includes office supplies, business cards, and identification badges.

<sup>6</sup>You are required to purchase approved apparel at a cost of about \$15-\$30 per person for all persons performing services for the Franchised Business. Although we sell approved apparel, you are not required to purchase apparel from us. However, we must approve the use of any Coverall® Marks appearing on apparel purchased from third parties.

<sup>7</sup>You will need additional funds for expenditures during the start-up phase to the extent that these costs are not covered by your initial Gross Dollar Volume. We define the start-up phase to be four months after you begin servicing your first customer. Depending on your accounts you may need additional equipment such as a floor polisher, the purchase cost of which has been included in the maximum amount. We offer financing for the purchase of equipment from us as described in Item 10. The "additional funds" category reported here is not an assurance that additional working capital will not be needed. Your own managerial ability and other factors beyond our control may result in additional start-up expenditures or time.

<sup>8</sup>The cost of insurance varies depending upon your prior history, terms of payment, and various other factors. The range of prices for comprehensive liability insurance purchased through our Business Protection Program initially is ordinarily \$116 to \$369.96 per month, depending on your Gross Dollar Volume. Your background screening is used to determine your eligibility for either the Fidelity Bond or the High-Risk Fidelity Bond portion of the Business Protection Program. The range of prices for job related accident insurance purchased through Coverall is ordinarily \$72 to \$240 per month, for \$3,000 and \$10,000 Franchise Packages, respectively, for the first shareholder or member owner, plus \$15.00 per month for each additional shareholder or member owner. The rate for Coverall's Accident Program will be 2.4% (including Coverall's 0.2% administration fee) of monthly Gross Dollar Volume for the first shareholder or member owner, plus \$15.00 per month for each additional shareholder or member owner. Coverall's rates for insurance coverages are subject to change per footnote 10 in Item 6. If such change(s) is made, the premium may differ by state(s). The fees collected by Coverall from its Franchised Businesses for participation in the Business Protection Program or the Accident Program may exceed the cost to Coverall for these programs. Fees in excess of cost are retained by Coverall. Coverall typically makes a profit on these programs. These ranges are based on four months of expenses. The estimated ranges above assumes you have no business fulfilled, on the low end and the amount of business set to be fulfilled under the P-10 Franchise Package, on the high end. However, this is not a maximum; if your Franchise exceeds the amount of business set to be fulfilled in the P-10 Franchise Package, your costs will increase accordingly.

<sup>9</sup>We do not require you to purchase or lease any real estate. Most Coverall Franchised Businesses operate from home. In addition, since many Franchised Businesses do not have employees during the start-up phase, payroll costs are not included here.

<sup>10</sup>Your costs will depend on factors such as: how well you follow our Coverall Program; management skill, experience, and business acumen of owners and employees; local economic conditions; the local market for cleaning services; customer retention rate, and competition. We relied on our experience in the commercial cleaning business since 1985 to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

<sup>11</sup>This amount includes the Initial Franchise Fee, a portion of which may be financed.

<sup>12</sup>You are required to have access for your personnel to a personal computer or hand-held device with Internet access and full-web browser capabilities, and the ability to send and receive electronic mail. However, we are not specifying what type of device you use to access the Internet and electronic mail.

<sup>13</sup>If you have employees, you must also obtain workers' compensation insurance for state statutory limits. In addition, if anyone other than a Franchised Business owner provides services to, then you must obtain workers' compensation insurance, regardless of state law. Coverall does not offer a worker's compensation program to offer to its franchise owners at this time. The low end of the range assumes a workers' compensation coverage rate of \$2.59 per \$100 of payroll, at a hourly wage of \$7.25 for one employee working 40 hours per week and the high end of the range assumes a workers' compensation coverage rate of \$17.75 per \$100 of payroll, at an hourly wage of \$16.50 for three employees working 40 hours per week. Some insurance companies require an up-front deposit to purchase worker's compensation insurance.

<sup>14</sup>This cost estimate represents the estimated annual costs to procure commercial automobile insurance for a potential franchisee utilizing their own, single (1) vehicle, the potential driver would have zero serious infractions on their record (DUI, Reckless Driving, Racing, Super Speeder, etcetera) and no more than 2 minor infractions, and the vehicle would be driven no more than 20,000 miles per year. The actual cost will vary greatly and is ultimately determined by the insurance carrier. Not all individuals will be able to procure automobile insurance. Not all encompassing, but some factors that may factor into pricing and availability of insurance are driving record, driver age, geographical location, type of vehicle, miles driven per year, and history with the insurance carrier.

<sup>15</sup>You will need a vehicle in connection with this business. The low estimate is for fuel and routine maintenance only and assumes you have an insured vehicle. The high estimate assumes you do not already have an insured vehicle and need to lease one or make payments on a purchased one (at a monthly lease rate of \$400 per month) and must incur costs for fuel and routine maintenance.

## **ITEM 8 - RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

Quality control is an important part of the Coverall Program. The success of a national franchise system depends upon high standards and uniformity of workmanship. In order to achieve these high standards, proper cleaning agents, supplies, and equipment must be used.

### **SUPPLIES AND EQUIPMENT**

We use our purchasing power to negotiate arrangements with some suppliers for your benefit, which typically represent a savings to you of 5-10% off the manufacturer's retail list price. We may charge a mark-up on these sales. You are not required to purchase any goods, services, supplies, fixtures, equipment, or inventory, for your business from us. The cost of equipment, chemicals, supplies, and apparel purchased in accordance with specifications, through us or another approved supplier, represents (along with the purchase of required insurance) 70%-80% of your non-payroll expenditures in establishing and operating your commercial cleaning franchise. This percentage does not include labor costs or the purchase of Additional Business.

Due to quality control and branding considerations, you must purchase and use in your Franchised Business supplies and equipment according to our specifications as set forth in directives issued from time to time and/or as published and revised from time to time in the Franchised Business Policies and Procedures Manual. We identify approved suppliers and approved equipment, chemicals, and supplies. A current list of approved suppliers is available in Coverall's Franchised

Business Policies and Procedures Manual. We are an approved supplier of cleaning chemicals, janitorial supplies, cleaning equipment, and apparel. Approval qualification criteria include requirements such as the identification of product composition and compliance with OSHA requirements. If you would like to purchase non-approved equipment, chemicals, and supplies, you must submit a "Request for Approval" form, a sample of the proposed product or equipment (if possible), the Material Safety Data Sheet for the chemicals and the manufacturer's specifications. Upon receipt, we will test for performance indications, including: cleaning efficiency, safety, ease of application, durability, and economy, and notify you of our approval or disapproval within 30 days. There is no fee for this service. We will approve an item after this test if it meets approved supplier qualifications and the performance standards of a comparable, approved product. If we or a customer specify the use of specific products or equipment, you are obligated to purchase and use the specified products or equipment from an approved supplier.

On or before the completion of Initial Training, if you do not purchase a starter-kit of equipment, chemicals and supplies from Coverall, you must demonstrate to Coverall that you have purchased the specified equipment, chemicals and supplies necessary to get started in your business. This is a one-time requirement.

We reserve the right to revoke our approval of a supplier, product, or equipment if it is determined that it no longer meets quality standards. Upon written notification of revocation, you must immediately cease using the disapproved supplier or product.

No officers of Coverall have any ownership interest in any suppliers used by Coverall.

In the 2022 fiscal year, our revenues from the sale of all equipment, chemicals, supplies, insurance, and apparel to Franchised Businesses were \$16,576,081 or 18.54% of our total revenues of \$89,407,248. This information is from our internal financial records. We received discounts from vendors of 20 to 50% on our purchases of equipment, chemicals and miscellaneous supplies, which we re-sell to our Franchised Businesses. You may or may not receive the full benefit of these discounts. In addition, in 2022, we received rebates totaling \$134,069 from vendors or 0.15% of our total revenues of \$89,407,248. We retain, at our sole discretion, all rebates. All or some portion of any rebate may, at Coverall's sole discretion, be allocated to charitable endeavors. Neither Coverall nor any of its affiliates receive any rebates on any Service Franchisees' sale of equipment, chemicals, supplies, insurance, and branded apparel to their franchisees.

### COMPUTER EQUIPMENT

Your owners are required to have access to a cell phone and personal computer, or hand-held device, such as a cell phone, with Internet access, the ability to send and receive electronic mail and text messages, and full-web browsing capabilities. You must provide Coverall with a cell phone number and electronic mail address. We are not specifying what type of device you use, as long as you have the ability to send and receive electronic mail, text messages, and full-web browsing capabilities via the Internet.

### INSURANCE SPECIFICATIONS

You are required, at your sole expense, to maintain insurance naming us as an additional insured on the face of each policy. You must obtain commercial general liability insurance covering property damage, loss and personal injury in amounts not less than \$1,000,000 per occurrence, \$2,000,000 in the aggregate, and a \$5,000,000 umbrella policy. Your commercial general liability insurance: i) shall identify the Franchised Business's business name as the named insured on the policy; ii) shall name Coverall as an additional insured on a primary and non-contributory basis and include a waiver of subrogation; iii) may not contain an exclusion for property in your care, custody, and control; iv) we strongly recommend that you obtain an endorsement that provides coverage for bodily injury, property damage, loss and personal injury resulting from building, cleaning and maintenance operation in a limit no less than the CGL required policy limits written on an occurrence basis; and v) umbrella shall follow form.

Participation in Coverall's Business Protection Program provides Franchised Business with: i) the \$1,000,000 per occurrence, \$2,000,000 in the aggregate commercial general liability coverage; ii) an \$8,000,000 umbrella, iii) Franchised Business is named as an additional insured on Coverall's policy; and iv) includes an endorsement that provides coverage for

bodily injury, property damage, loss and personal injury resulting from building, cleaning and maintenance operations at a limit no less than the CGL policy limits, written on an occurrence basis. (See Item 6 for Business Protection Plan limits.)

You must obtain comprehensive automobile liability insurance, including personal injury and property damage insurance, in the minimum amount of \$50,000, the amount required by state law, or the amount required by your customers. Participation in Coverall's Business Protection Program does not provide you with this coverage.

If you have employees, you must also obtain workers' compensation insurance for state statutory limits. In addition, if anyone other than a franchise owner provides services to customers on behalf of your franchised business, you must obtain workers' compensation insurance, regardless of state law. Coverall does not have a worker's compensation program to offer to its franchise owners at this time. If you do not have workers' compensation insurance covering the owners of the franchised business, then you must obtain on-the-job accident insurance for yourself, with minimum coverage as follows: accidental death (\$20,000.00), accidental dismemberment (\$20,000.00), paralysis (\$20,000.00), temporary total disability (\$500.00 per week for 52 weeks), continuous disability (\$500.00 per week for 52 weeks), and accident medical expense (maximum benefit of \$50,000.00 for 52 weeks). The Coverall Accident Insurance Program has higher limits. (See Item 6 for Franchise Owner On-the-Job Accident Insurance Program Plan limits.)

You must also maintain employer's liability insurance in amounts no less than \$100,000 each accident and comply with all state and federal laws to maintain a proper unemployment insurance account.

You must also obtain janitorial bonding in a minimum amount of \$100,000. Participation in Coverall's Business Protection Plan provides janitorial bonding coverage \$1,000,000 per occurrence, and a \$1,000,000 maximum limit per policy year.

You may be able to procure the required insurance coverage elsewhere for less than the cost of participating in Coverall's insurance programs. If you choose to procure insurance on your own, you must provide proof of all required insurance to Coverall within ten (10) days of signing your Coverall Franchise Agreement and upon demand by Coverall at any time during the term of your Franchise. Failure to provide proof of insurance may result in suspension of the Initial Business Offering Period. All of your insurance policies shall name Coverall as an additional insured. If Franchised Business fails to obtain any or all insurance as specified herein and approved by Coverall, Coverall may (but shall not be required to), in addition to other remedies, purchase such insurance for the benefit of Franchised Business in which event Franchised Business agrees to promptly reimburse Coverall for the cost, or if available, automatically enroll you in the applicable Coverall insurance program and deduct the premiums monthly. In the event it becomes necessary for Franchised Business to reimburse Coverall for the costs of insurance, Franchised Business authorizes Coverall to deduct the costs of the insurance, on a monthly basis, or as is otherwise necessary, from amounts to be paid by Coverall to Franchised Business. (See Item 6). We will notify you of any modifications to the policy limits set forth above. Coverall reserves the right to change or modify all required coverages and premium rates. These programs are subject to cancellation, and minimum coverages are subject to increase or decrease from time to time in accordance with changes made to the Coverall Franchised Business Policies and Procedures Manual and/or by Coverall providing you with written notice advising you of change(s).

We do not provide any material benefits to you if you buy from sources we approve.

## BILLING AND COLLECTIONS

All of the commercial cleaning services that you provide must be through Franchised Business with all billing and collection done through Coverall. If you obtain a customer on your own, unless otherwise agreed by Coverall in writing, billing and collection services for that customer shall be performed by Coverall. If applicable, Coverall will pay any state sales tax collected from your customers to the appropriate state taxing authority.

<sup>1</sup>Depending on the Franchise Package you choose, unless there are applicable incentives (see Item 5) the Initial Franchise Fee ranges from \$15,570.00 to \$40,320.00. In order to assist credit-worthy Franchised Businesses in the purchase of the business, we will typically finance between \$9,500.00 and \$18,063.00. The financed amount is currently evidenced by a Promissory Note and is payable over a 1 year to 30 month period depending upon the franchise package and the financing term you choose from the following options:

Franchise Package	Interest Rates & Financing Terms			
	Financing Terms Available			
	12 mo.	18 mo.	24 mo.	30 mo.
P-3,000	6%	9%	12%	12%
P-4,000	6%	9%	12%	12%
P-5,000	6%	9%	12%	12%
P-7,000	6%	9%	12%	12%
P-10,000	6%	9%	12%	12%

We reserve the right to change the terms, interest rate, and amounts financed. (A copy of our Promissory Note appears in this disclosure document as an attachment to Exhibit A.1.) We reserve the right to change the method by which we offer financing to Franchised Businesses so that in lieu of our accepting Franchised Businesses' promissory notes, we may offer Franchised Businesses lines of credit and/or make available financing through third party lenders upon terms and conditions to be determined by the third party lenders. We reserve the right to sell, assign, or discount promissory notes to a third party. If Coverall agrees to temporarily suspend payment on any financed obligation, interest will continue to accrue on the outstanding balance.

<sup>2</sup>The Initial Franchise Fee is uniform except as described in Item 5.

<sup>3</sup>The Equipment Promissory Note must be secured by the equipment, which shall be the collateral for such security interest. The Promissory Note and Equipment Purchase Agreement, if any, as well as all sums due under the Franchise Agreement, must be guaranteed individually by you, members and shareholders. (See Guaranty form.)

<sup>4</sup>If you do not pay on time, we can charge a late penalty. In the case of nonpayment or other default under the Promissory Note, or any financing provided by Coverall, or breach of the Franchise Agreement or any other agreement with us, we can require immediate payment of all amounts due, and/or terminate your Franchise, and we can also collect our attorneys' fees and costs. (See Promissory Note.) Under the Equipment Purchase Agreement, we can require immediate payment of all amounts due and take back the equipment. (Equipment Purchase Agreement, Paragraphs 2 and 10). Your obligation to pay your financed debt to Coverall is not dependent upon your generation of revenue. You must make your monthly payment until the debt is paid in full; failure to do so can result in a declaration of default and imposition of late fees.

<sup>5</sup>There is no waiver of legal rights in any financing contract.

<sup>6</sup>The interest rate on financed equipment purchases is 18% or the highest rate permitted by your state, whichever is less, on the unpaid balance.

<sup>7</sup>Monthly payments are due on the last calendar day of each month, beginning in the first month following the month in which service of the financed customer begins. Under the Franchise Agreement, we deduct payments due us from funds paid by customers for services. However, failure of a customer to pay does not relieve you of your obligation to make monthly payments on your financed debt, and if in any given month your Gross Dollar Volume is zero, you must make your note payment to Coverall. If Coverall agrees to temporarily suspend payment on any financed obligation, interest will continue to accrue on the outstanding balance. See Item 11 for a description of our billing and collection services. With the exception of equipment purchases, we do not presently make available financing for Franchised Businesses with other sources, but we may in the future make financing available to you through a third party lender upon terms and conditions satisfactory to the third party lender.

<sup>8</sup>We usually finance up to 80% of the sales and marketing fee for Additional Business offered to you by Coverall. Additional Business requested by you must be paid for in full prior to Coverall offering you the requested amount of Additional Business, and as a condition of acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall. (See attached Exhibit G, Franchised Business Customer Acceptance Forms.)

## TRAINING

Coverall's current Franchised Business Initial Training Program, based on our proprietary Coverall Core 4® Process, consists of the following (Franchise Agreement, Paragraph 9 and 17):

The Coverall Initial Training Program is mandatory for the Franchised Business owner(s) or any designees approved by us in writing, and for transferees of the Franchise. Your employees, as approved by Coverall, may also attend training, pursuant to your request, however, you remain responsible for their training. The Training Program is conducted at one of our Support Centers or other designated facility and/or onsite at Coverall customer facilities, usually within commuting distance of your residence. Any travel or living expenses you may have should be minimal.

The 40+ hour training program consists of classroom and hands-on instruction on, among other things, cleaning tools and techniques, customer service, and business management basics. It may take up to eight (8) weeks to complete the Initial Training Program.

The Training Program is available in printed or electronic format from your Support Center. To assist you with training your employees, your employees who sign Confidentiality and Non-Disclosure Agreement may be permitted to access the training modules related to cleaning task execution only. Coverall reserves the right to revoke your access to the Training Program at any time for any reason.

During Initial Training, we distribute manuals and other instructional materials. All manuals are available for you to view at your local Support Center before you purchase your Coverall Franchised Business. Prior to viewing any manuals, you will be required to sign a Confidentiality and Non-Disclosure Agreement substantially in the form attached to this Disclosure Document as Exhibit F ("Confidentiality and Non-Disclosure Agreement"). At Coverall's sole discretion, all Coverall manuals and instructional materials may be provided to you in electronic format or printed copy. All Coverall instructional materials shall remain the property of Coverall and must be returned upon expiration, termination, or assignment of your Franchised Business. We may also provide additional home study material from time to time. We identify approved suppliers and approved equipment, chemicals, and supplies during training and consultation.

<sup>3</sup>Initial Training Program is held at one of our Support Centers or other designated facility and/or in our existing customer buildings, usually within commuting distance of no more than 60 miles of your franchised business. You are responsible for any costs and expenses you and your trainees incur in connection with attending the Initial Training Program. We may determine from time to time, in our sole judgment, to suspend in-person training and instead conduct Initial Training virtually.

The Initial Training Program typically begins within 30 days after the Franchise Agreement is signed. Franchise Development Consultants located at the Support Centers conduct the Training Programs. The Initial Training Program is

overseen by our Divisional Directors, Stephen Kloppenburg and Joshua Wagner, who have at least 19 years of experience in the subjects taught and at least 9 years of experience with Coverall. From time to time, we may ask some of our existing franchised businesses to assist in training.

The cost of the Initial Training Program is included in your Initial Franchise Fee. Your attendance at the Initial Training Program is mandatory, and you will be required to complete the training to our satisfaction. You may elect to retake any training class, or have your employees take or retake training. There is no cost for additional training. Retraining may in our sole discretion also be deemed mandatory.

Your participation in non-mandatory additional training and seminars is strongly recommended. In addition, you may request additional instruction by telephone or personal consultation at no additional cost.

### **RETRAINING MAY BE REQUIRED**

The reputation of our brand enables us to procure customers to offer our Franchised Businesses. Therefore, we may require you to attend training again, if in a 60-day period:

- 1) any customer terminates your services due to faulty workmanship, lack of trustworthiness, or any other claimed default under the customer contract; or
- 2) for failure to adhere to Paragraph 17 of the Franchise Agreement (Franchised Business Operations); or
- 3) you breach your Coverall Franchise Agreement or your obligations to provide services under any customer contract.

If we require retraining, our time to offer any remaining Initial Business (see Item 5) will be suspended from the time we request that you be retrained until you complete retraining to our reasonable satisfaction. *We require you to maintain high standards of workmanship to effectively service your customers. Failure to do so negatively impacts the Coverall brand and its franchised businesses.*

### **OUR OBLIGATIONS**

**Except as follows, Coverall is not required to provide you with any assistance.**

Time for Offering Initial Business (Franchise Agreement, Page 1, Paragraph 10, 13, and 14)

We will offer you Initial Business located in the area(s) in which we do business and specifically covering the area(s) in which you operate. Coverall may or may not have an inventory of customers available to offer your dollar amount of Initial Business on the date you sign your Coverall Franchise Agreement or on the date that you complete training. Therefore, Coverall has between 120 and 330 business days from the date you complete your initial obligations to offer you your Initial Business, depending on the particular Franchise Package you purchase. Coverall's obligation to offer you sufficient customers to fill your Franchise Package does not begin until: i) your owner(s) or designated employee(s), as approved by Coverall, has successfully completed the Initial Training Program and ii) your background screening has been approved. The Initial Business Offering Period may be suspended if: i) Coverall requires you to attend retraining; or ii) you are in breach of any material provision of the Coverall Franchise Agreement or any other agreement with Coverall. The Franchised Business must be a corporation or limited liability company, and you must keep separate accounting, banking, and financial records. You must obtain a Federal Employer Identification Number and obtain a business license, if applicable, prior to signing the Franchise Agreement. The completion of your initial obligations is recorded in our FranSys® operating system.

The customers offered to fulfill your Initial Business may be new customers recently acquired by Coverall or existing customers that become available for resale. A customer becomes available for resale because a customer has requested a replacement franchised business or a franchised business has abandoned a customer. Customers requesting a replacement franchised business because of poor service by that franchised business may be difficult to please. In addition,

depending upon the results of your background screening, you may not meet certain customer criteria and customers may want to reject your services.

The Service Agreements for customers that you accept will be assigned to you, excluding those Service Agreements that prohibit assignment, cover multiple locations, or apply to National Account Customers. The assignment is conditional and will be effective only upon payment in full of your Franchise Fee and sales and marketing fees financed by you. The assignment shall be subject to the terms and conditions of your Franchise Agreement. In addition, after assignment, Coverall shall retain the right to offer and sell special services, equipment, chemicals and supplies to your customers. (See attached Exhibit G, Franchised Business Customer Acceptance Forms) Franchised Businesses typically begin servicing their first customer approximately two (2) months after signing the Franchise Agreement. However, this length of time varies according to when you begin your first customer and your personal readiness to begin based on training and preference.

### Customer Guarantees

Commercial cleaning customers can be lost for any number of reasons, including but not limited to, poor service, the customer chooses a lower priced provider, the customer goes out of business or files for bankruptcy protection, economic circumstances cause the customer to terminate outside vendors. You can expect to lose customers, and that is a risk of doing business. Customer attrition is why, excluding customers lost for poor service, we provide limited customer guarantees. (See Item 19 below).

#### 1. The Initial Business Guarantee (Franchise Agreement, Paragraph 14)

We guarantee your Initial Business to help you get established. Initial Business is guaranteed for a one time only replacement for twelve (12) months from the date you first service a customer, but only if the customer is lost through no fault of your own, as determined by us in our sole discretion. If you qualify for the guarantee for Initial Business, then we will offer you customer(s) to replace the monthly Gross Dollar Volume of the lost customer, with one or more customers of equal monthly Gross Dollar Volume. This is a one-time only replacement. Replacement Business is not guaranteed. And, if the replacement customer(s) has a monthly Gross Dollar Volume in excess of that lost by you, you may have to pay us for the excess monthly Gross Dollar Volume.

#### 2. Additional Business Guarantee (Franchise Agreement, Paragraph 15)

If you purchase Additional Business from Coverall, we further support you by guaranteeing that Additional Business for a one time only replacement for six (6) months from the date you first service a customer, but only if the customer is lost through no fault of your own, as determined by us in our sole discretion. If you qualify for the guarantee for Additional Business, then we will offer you customer(s) to replace the monthly Gross Dollar Volume of the lost customer, with one or more customers of equal monthly Gross Dollar Volume. This is your only remedy for lost Additional Business; and this is a one-time only replacement. Replacement Business is not guaranteed. And, if the replacement customer(s) has a monthly Gross Dollar Volume in excess of that lost by you, you may have to pay us for the excess monthly Gross Dollar Volume.

#### 3. Promotional Business (Franchise Agreement, Paragraph 15)

There may be situations where we will offer you additional contract business volume without charging you the current sales and marketing fee ("Promotional Business"). Promotional Business, which you do not pay for, is not guaranteed and will not be replaced regardless of whether the customers are lost through no fault of your own.

### Fulfillment of Our Obligation to Offer Initial Business (Franchise Agreement, Page 1 and Paragraph 13)

If you reject a customer offered as part of your Initial Business, our obligation to offer you that amount of Initial Business within the Initial Business Offering Period will be considered fulfilled. However, we will continue to offer you business within a reasonable time after the expiration of the Initial Business Offering Period; provided, however, that if you unreasonably reject our offer of any Initial Business made within a reasonable time after the Initial Business Offering Period has expired, we will be deemed to have fulfilled our obligation to provide your Initial Business. Examples of unreasonable

rejections of offered Initial Business include but are not limited to the following: (1) too far when the account offered is within a 30-mile radius of your place of business; (2) the customer facility is too dirty; or (3) the customer revenue offered is too small because you want a single customer account to fulfill your entire Franchise Package. Voluntary abandonment by you of a customer accepted to fulfill Initial Business does not give rise to an obligation on Coverall's part to offer you more business; and that abandoned customer will be counted against your Franchise Package. If you choose to stop servicing a customer that you have accepted as part of your Initial Business, you will not be entitled to replacement of that customer.

#### Billing and Collection Services (Franchise Agreement, Paragraph 16)

We provide you with billing and collection services. We will invoice customers in your business name each month for the cost of services and supplies that you provide (Franchise Agreement, Paragraph 16B). If a customer that we bill on your behalf is delinquent in payment, Coverall may, after discussing the customer with you, stop invoicing that customer. If you choose to continue servicing a delinquent customer, you do so at risk of non-payment. If your Franchised Business is servicing a National Account Customer, Coverall may unilaterally determine that services to that National Account Customer must cease and direct you to stop servicing any location or locations of that National Account Customer.

We will collect the monies due for your service from the customers and distribute it to you on a monthly basis, after deduction of the 5% royalty fee, the 10% support fee, any note payments for amounts you financed with us, any sales and marketing fee, any transfer fee, any equipment lease payments, any special service finder's fees, any advances made by us, any authorized insurance charges, and any out-of-pocket costs (including attorneys' fees and court costs) which we incur in enforcing payment by your customers and any other deductions authorized by you (collectively, the "Authorized Deductions"). We are not required to engage attorneys, begin litigation, or do any acts (other than send monthly statements) in order to enforce payment by customers. (Franchise Agreement, Paragraph 16B) If applicable, Coverall will pay any state sales tax collected from your customers to the appropriate state taxing authority. You may choose to enforce payment on delinquent customer(s) which you are servicing, excluding National Account Customers. This includes your right at your expense to file a lawsuit for payment against a delinquent customer. If you collect monies due on a delinquent customer, you will be responsible to us for any unpaid royalties, support fees, note payments, and other payments (if any) due us on the amounts collected. You must keep us timely advised of any legal or other proceedings which you institute, including the outcome of any proceedings. (Franchise Agreement, Paragraph 16B). If you wish for Coverall to file a lawsuit against a delinquent customer, you will have to reassign the Service Agreement to Coverall. If we file a lawsuit for payment against a delinquent customer and we collect, you will be entitled to receive an amount net of our royalty and support fees and the costs of collection, including attorney's fees, costs, and expenses. Once we initiate a collection action (whether in-house collection efforts or a lawsuit) against a delinquent customer, after consulting with you, we may settle and compromise customer debt, which means that we may agree to accept less than the amount owed by the customer. If we agree to accept less than the amount owed by the customer, you will be entitled to receive an amount net of our royalty and support fees and the costs of recovery, including attorney's fees, costs and expenses. These fees may exceed the amount collected, in which event, you will not receive any payment.

#### Cash Flow Protection Program (Franchise Agreement, Paragraph 16)

While we are collecting the monies due from the customers you serviced, we will assist you in the operation of your business by advancing [loaning] to you the amount that we billed to the customer ("Cash Flow Advance"). This is our Cash Flow Protection Guarantee. It is a short-term, interest-free loan to you. Under our Cash Flow Protection Program, we will advance to you amounts that have been billed to customers serviced by you, whether or not we have collected those amounts, for a maximum of 60 days (two months). Cash Flow Advances are made on the last calendar day of the month following the month the services were rendered (if the last day of the month falls on a weekend and/or holiday, payment will be made on the next business day. If at the end of 90 days from the invoice date the customer has not paid, advances will stop for that customer, and you must repay us the amounts billed and advanced. Repayment will ordinarily be over a period of 2 months through statement deductions. For example, if we advance \$100.00 in January (reflected on your January Franchise Statement), and \$80.00 in February (reflected on your February Franchise Statement), and no payments are collected from that customer within 90 days from the invoice date, you will repay \$100.00 in your March Franchise Statement (identified as a Chargeback) and \$80.00 in April Franchise Statement (identified as a Chargeback). (Franchise Agreement, Paragraph

16C.) If you are not generating sufficient Gross Dollar Volume to repay the advance through statement deductions from (i.e., to cover the Chargeback), you must directly repay Coverall.

POST-OPENING ASSISTANCE:

1) We will be available to answer routine questions regarding your business. (Franchise Agreement Paragraph 16.)

2) We will offer any additional training and introduction of new methods and materials through updating manuals, personal consultation, and/or group seminars. (Franchise Agreement, Paragraph 11, 16, and 17.)

3) Under our Business Protection Program, we may make available to you and you may wish to participate in the Coverall general liability insurance and fidelity bonding program, which has been placed through a major insurance company. If you participate, you and Coverall will be named as insured. In addition to the premium, the cost includes a support fee and service charge as determined by Coverall. In consideration of our support fee and service charge, we will waive certain of our indemnification rights against participants in our Business Protection Program, except for the deductibles under the Program. This is an optional program, and is subject to modification and/or cancellation. You may obtain insurance through another source, provided the coverage meets the minimum requirements set forth in your Franchise Agreement. (Franchise Agreement, Paragraphs 17 and 19.)

4) The Coverall Accident Insurance Program makes available on-the-job accident insurance. This is an optional program and is subject to modification and/or cancellation and premium rate modification. (Franchise Agreement, Paragraph 17.) This insurance provides coverage only to your owner(s). Your employees and owners' and employees' family members are not covered by this insurance.

5) We may periodically telephone and/or visit to conduct site surveys of the customers you are servicing to assist you in maintaining and improving the quality of your services and to protect the Coverall brand. (Franchise Agreement, Paragraph 12.)

6) We will assist you with promoting and soliciting additional and new business for you. (Franchise Agreement, Paragraph 15.)

7) We do not have an advertising fund, council, or cooperative, nor do we charge an advertising fee. At our discretion, we may advertise in print, radio, television, or other local, national, and international media. Our print advertising is produced both in-house and by an advertising agency. Although Coverall-produced marketing materials are available for purchase by you, you may use your own advertising materials subject to approval of our Marketing Department before distribution. (Franchise Agreement, Paragraph 17.)

8) We do not require you to purchase or use electronic cash registers or computer systems. However, your owners are required to have access to a cell phone and a personal computer or hand-held device, such as a cell phone, with internet access, the ability to send and receive electronic mail and text messages and with full-web browsing capabilities. We do not specify what type of device you use, as long as you have the ability to send and receive electronic mail, text messages, and full web browsing capabilities via the Internet. (Franchise Agreement, Paragraph 17.)

9) We may assist you with bidding (for example, establishing the contract price) for a potential customer. There will be a one-time fee, as published and revised from time to time in the Franchised Business Policies and Procedures Manual.

## ITEM 12 - TERRITORY

You will not receive an exclusive territory. You may face competition from other franchised businesses, from outlets that we own, or from other channels or distribution or competitive brands that we control.

Coverall is not able to state the exact number of miles to a customer location. In the ordinary course of business, we endeavor to offer you customers no more than a 30-mile radius from your designated location; however, this does not represent an exclusive or protected territory whatsoever. You may offer and render cleaning services to commercial customers only within the area(s) in which your designated Coverall Support Center conducts business. Coverall will award numerous Franchises to third parties other than Franchised Business within the those areas. We have established and will continue to establish other franchises, each licensed to use our service marks that may compete with you.

In addition, by way of example but without limitation, we retain the right, for ourselves and our affiliates alone, on any terms we deem advisable, and without granting you any rights to: establish or operate, and grant others the right to establish or operate, other businesses offering the same or similar products utilizing other trade names, trademarks, and service marks, at any location; use the Coverall® tradenames, trademarks, System, and business model to sell any products or services the same as or similar to those which you will sell, through any alternate channels of distribution at any location, including without limitation, other channels of distribution such as television, mail order, catalog sales, wholesale to unrelated retail outlets, or over the Internet (we exclusively reserve the Internet as a channel of distribution for us, and you may not independently market on the Internet or conduct e-commerce); sell supplies directly to your customers; use and license the use of other proprietary and non-proprietary marks or methods which are not the same as or confusingly similar to the Coverall® tradenames and trademarks at any location, which may be similar to or different from the Coverall franchised business operated by you; to purchase or be purchased by, or merge or combine with, any business, including a business that competes directly with your Coverall franchised business, wherever located; acquire and convert to the System operated by us, any businesses, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned, and wherever located; and to engage in any activities not expressly prohibited by the Franchise Agreement. At your request, we will use our best efforts to arrange for your relocation to another Coverall location, even though we are not required to do so under the Franchise Agreement. You do not receive the right to acquire additional franchises within your area.

## ITEM 13 - TRADEMARKS

We grant you the right to use certain trademarks, service marks, and other commercial symbols in operating your franchise. Coverall®, as presented on the cover page, is the name and service mark of Coverall North America, Inc. As of the date of this disclosure document, there are no agreements in effect which significantly limit our rights to use or license the use of our trademark, service mark, trade name, or other commercial symbols in any manner material to you.

When you use these marks, you must follow our policies, procedures, and guidelines. You cannot use our name or marks as part of a corporate name or with modifying words, designs, or symbols except for those which we license to you. You may not use our registered names for the sale of an unauthorized product or service or in a manner not authorized in writing by us. The Franchise Agreement reserves the right upon written notice to revoke your use of our marks and logos and/or to direct the use of modified, different or substitute marks or logos. We do not agree to protect you against claims of infringement or unfair competition arising out of your use of our trademarks. We are not obligated by the Coverall Franchise Agreement to participate in your defense or to indemnify you in the event that a third party sues you because of your use of our trademarks. However, we may in our sole discretion choose to do so.

**ITEM 14 - PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

**PATENTS AND COPYRIGHTS**

We hold no patents that are material to the Franchised Business.

We have obtained and renewed copyright registrations with the United States Registrar of Copyrights for our commercial cleaning, service, and territory disclosure documents, brochures, maintenance proposals, contracts, and business forms. We claim ownership of our systems, methods of operation, knowledge, know-how, training, procedures, forms, manuals, and computer software which we regard as a valuable and integral part of your franchise. We intend to renew our current copyrights and secure copyright protection for new material as we deem necessary. Coverall may in its sole discretion choose to defend or prosecute an action related to its copyrights. We do not agree to protect you against claims of infringement or unfair competition arising out of your use of our copyrights. We are not obligated by the Coverall Franchise Agreement to participate in your defense or to indemnify you in the event that a third party sues you because of your use of our copyrights. However, we may in our sole discretion choose to do so.

In the event of modifications, changes, or discontinuations, Franchised Business will upon receipt of written notice, and at its sole expense, promptly discontinue use of the discontinued trademarks and/or copyrights and adopt and promptly begin use of the new or modified trademarks and/or copyrights, and promptly implement the modifications and/or changes to the System. Franchised Business expressly and specifically waives any claims, demands, or damages arising from or related to the loss of the Marks and/or the loss of association with or identification with the Mark "Coverall®" arising out of Coverall's exercise of the above reservation. ### CONFIDENTIAL MANUALS

We claim copyrights to our confidential and proprietary manuals and to the content of our training program. We authorize you to access our training program and to use our Operations Training Manual, Sales Manuals, and Coverall Franchised Business Policies and Procedures Manual and other proprietary and confidential printed materials during the term of your Franchise Agreement. In fact, in order to protect the Coverall brand for the benefit of all franchised businesses in the System, you must operate your franchise according to the standards and procedures specified in the manuals. We may periodically revise our training program, manuals and other materials, and you will be required to update your materials as revisions are provided to you to keep them current and to adhere to and operate your franchise in accordance with the revised standards and procedures.

### CONFIDENTIAL INFORMATION

We claim property rights to all information concerning the System, including: operational, promotional, sales, and marketing techniques and methods; policies, procedures, and related materials; training procedures; franchised business and customer lists, pricing and billing services and procedures; and assistance with employee and customer relationships.

You must not divulge, reproduce, or use any of Coverall's confidential, proprietary, and copyrighted information during the Initial or Successor Term of your franchise, except as authorized by the Franchise Agreement. You must promptly tell us if you learn of unauthorized use of our confidential, proprietary, and copyrighted information, and we will respond as we deem appropriate.

If your Franchise Agreement is terminated or expires, you must return to Coverall all confidential, proprietary, and copyrighted information including all forms, materials, books, records, software, and manuals which are in your possession, custody, or control.

We require that you obtain a signed Confidentiality/Non-Solicitation Agreement from each officer, director, member, and/or shareholder within ten (10) days of signing the Franchise Agreement and subsequently from additional officer, directors, members, and shareholders. We also require that you obtain a signed Employee Confidentiality/Non-Solicitation Agreement from all of your employees upon ten (10) days of signing the Franchise Agreement or upon ten (10) days of hire, whichever last occurs. The forms of these Agreements appear in this Franchise Disclosure Document as Exhibits A.3 and A.4.

**ITEM 15 - OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS**

We do not require that your owners personally supervise the Franchised Business, but strongly recommend that they directly participate in its management, supervision, and operation. Your operating manager/supervisor, if any, is not required to have an equity interest in your business but must satisfactorily complete our Coverall Training Program. Our Initial Training Program is available to you without charge.

Our franchised businesses are independent contractors operating Commercial Cleaning Franchises. Your owner(s) and employee(s) are affiliated with you and are not employees of Coverall. Your owner(s) and employee(s) are not entitled to participate in any benefits programs offered by Coverall to those whom Coverall classifies as its employees; and you are not covered by either our workers' compensation insurance or unemployment compensation, unless as otherwise required by law. You must purchase this insurance on your own. Should any state or federal agency or court determine that you or your owner(s) or employee(s) fall within the definition of an employee of Coverall under any state or federal statute, Coverall does not intend to provide any of you retroactively or thereafter with any benefits (including but not limited to, vacation pay, overtime, rest and meal breaks, healthcare benefits, worker's compensation, or unemployment compensation) that it may provide to those whom Coverall classifies as employees, unless obligated by law to do so. Should any state or federal agency or court determine that you or your owner(s) or employee(s) fall within the definition of an employee of Coverall under any state or federal statute, Coverall may, in its sole discretion, terminate or modify your Franchise Agreement.

You are buying a Franchise, and you are an independent Franchised Business. We are not offering you or your owner(s) or your employee(s) a job; and none of you is an employee.

**ITEM 16 - RESTRICTIONS ON WHAT THE FRANCHISED BUSINESS MAY SELL**

The System has been carefully developed over many years to provide high-quality services and products. You must provide only services and products we prescribe or authorize. In keeping with our high-quality standards, you may not provide unauthorized services or products.

We reserve the right to modify the types of services provided to customers and you must abide by those modifications. To ensure quality, we also approve the specifications of your chemicals and equipment as described in Item 8.

In addition to the standard commercial cleaning services, you may also become qualified through Coverall's training to offer and perform Special Services. Special Services include but are not limited to day porter services, special event cleanup, blind cleaning, light bulb changing, deep cleaning, upholstery cleaning, machine scrub and rinse, strip and finish, scrub and recoat, windows, carpet extraction, carpet encapsulation and electrostatic disinfection. Other Special Services may be added. Since customers often prefer to obtain their cleaning services from one source, we strongly recommend that you take part in our specialized training to be equipped to provide these services. You must comply with our reasonable training requirements. If you choose not to offer these Special Services, we may bring in different franchised businesses or other contractors to provide them.

We may also solicit special services from the customers to whom you are providing commercial cleaning services. Special services we obtain for the premises you are servicing will ordinarily be offered to you first. If you do not accept the special services, or you have not completed the specialized training required for the service, or the business is for a facility separate from the premises you are cleaning, we can offer the business to another franchised business or contractor.

To ensure consistent quality throughout the System, you must adhere to the policies, procedures, and use of appropriate forms as set forth in training, the Coverall Franchised Business Policies and Procedures Manual, Operations and Sales Manuals, and other manuals and written directives.

The customers that you service through your Coverall Franchise enter into contracts with Coverall unless you obtain the customer yourself. These contracts will be assigned to you, excluding those Service Agreements that prohibit

assignment, cover multiple locations, or apply to National Account Customers, contingent upon your payment in full of the Initial Franchise Fee or the financed portion of Additional Business that you purchase. You must not solicit or contact existing Coverall customers or prospects, unless we authorize you to do so, as in the case of providing Special Services. Because of the potential of interfering with another franchised business's current customer or a prospect being solicited by Coverall or another franchised business, you may not telemarket. You may bid on a customer yourself, and if you request, we will assist you in preparing written proposals to prospective customers identified by you. You may not solicit outside of the territory encompassed by your Support Center. We reserve the right to contact the customers you are servicing, whether or not those customers were obtained by Coverall or you, through periodic visits and/or telephone contact to conduct surveys for Coverall brand protection.

You may not use the "Coverall®" service mark and confidential, proprietary, and copyrighted information to perform residential or other noncommercial cleaning services. You may not be associated with any other company offering commercial cleaning services during the term of your franchise. All of the commercial cleaning services that you provide must be through your Franchise with all billing and collection done by Coverall, regardless of whether Coverall procured the customer or you did.

**ITEM 18 - PUBLIC FIGURES**

We do not use any public figure to promote our franchises.

**ITEM 19 - FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in the Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

**COVERALL'S FULFILLMENT OF FRANCHISE PACKAGES**

We analyzed our compliance with the Franchise Agreement concerning the amount, timeliness, and refund requirements for Initial Business provided to our Franchised Businesses. We reviewed all franchise sales made during our fiscal year, and determined whether or not as of December 31, 2022 the Initial Business had been offered in compliance with the Franchise Agreement.

During our fiscal year January 1, 2022 to December 31, 2022, Coverall sold 382 franchises. Of those sold, as of the close of the fiscal year: (a) Franchised Businesses either had their packages timely filled or have accepted our performance in 131 cases; or 34%; (b) we and the franchised businesses made a mutually acceptable adjustment to the franchise package, such as by our recalculation of the franchise fee or an extension of time to provide customers, in 8 cases; or 2%; (c) the time for us to provide initial customers under franchise packages had not expired in 243 cases, or 64%; and (d) it is undetermined whether the package has been filled in 0 cases, or 0%. Therefore, we complied with the amount, timeliness, and recalculation requirements for Initial Business provided to our Franchised Businesses in 100% of the cases. Substantiation of the data used in preparing these statistics will be made available upon request.

The following chart discloses a historic financial performance representation of the Initial Package Fulfillment of the existing 382 Franchised Businesses who purchased an Initial Franchise Package from Coverall in fiscal year 2022.

<sup>1</sup>Franchised Businesses have accepted our performance for various reasons, which include requests by the franchised business owners to delay fulfillment of their packages. We accommodate the requests of our franchised business owners, and when a franchised business owner requests deferment of the fulfillment of their package, we accommodate that request. We will fulfill the remainder of such deferred fulfillment package at the direction of the franchised business owner.

Other than the preceding financial performance representation, we do not make any representations about a franchised business's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting the Compliance Director in the Legal Department at the Global Support Center located at 350 SW 12th Avenue, Deerfield Beach, Florida 33442 (561-922-2534); the Federal Trade Commission, and the appropriate state regulatory agencies.

## TERMS OF FRANCHISE AGREEMENT

NOW, THEREFORE, for and in consideration of the mutual rights and obligations contained in this Franchise Agreement (this "Agreement"), Coverall and Franchised Business agree as follows:

### 1. NATURE AND SCOPE OF FRANCHISE.

- A. Coverall awards franchises (each a "Coverall Franchise" or "Franchise") for purposes of conducting commercial cleaning and related special services (as defined herein), and supports such Franchises as set forth in this Agreement.
- B. Upon execution of this Agreement, Franchised Business will be an independent business owner with a Coverall Franchise. During the Term, Franchised Business will be entitled to (1) use the Coverall System for the ongoing development and operation of commercial cleaning and related services, and (2) use certain Coverall trade names, service marks and trademarks, including the trade names "Coverall<sup>®</sup>," "Coverall Health-Based Cleaning System<sup>®</sup>," and/or such other names, designs, and logos as Coverall may from time to time designate (the "Marks"). The Coverall<sup>®</sup> System is operated widely within the United States of America and in certain foreign countries.
- C. Coverall, directly or indirectly through its affiliates, owns the Coverall System and Marks and has the right to authorize their adoption and use.
- D. The rights granted to Franchised Business to operate the Franchise are set forth in this Agreement.
- E. The Franchised Business shall be operated in conformity with the Coverall System and adhere to this Agreement and Coverall's standards, policies, and procedures as they may be issued from time to time.

### 2. FRANCHISE GRANT AND TERM.

- A. Coverall grants Franchised Business, for the stated Term, the right, license, and privilege to adopt and use the Coverall System, to advertise to the public that Franchised Business is a Coverall Franchise, and to adopt and use, but only in connection with the sale of commercial cleaning and related services and the provision of commercial cleaning and related services, the Marks that Coverall shall designate from time to time.
- B. The Term of this Agreement is twenty (20) years and shall begin on the Effective Date.
- C. Upon the expiration of the Term of this Agreement, Franchised Business shall have no further right to operate a Coverall Franchise unless Coverall and Franchised Business execute a written agreement for an additional term ("Successor Term Franchise"). Any Successor Term Franchise shall be upon the terms and conditions as Coverall is then using for Successor Term Franchises, which terms and

conditions may be materially different from the terms and conditions of this Agreement. There is no charge for a Successor Term Franchise. As a condition associated with any Successor Term Franchise agreement, Franchised Business shall execute a general release in favor of Coverall.

3. TERRITORY.

Franchised Business is not granted an exclusive territory. Franchised Business may operate the Coverall Franchise only in the stated geographic area covered by the identified Coverall Support Center where Franchised Business bought the Franchise (the then-current list of Support Centers is described on Exhibit I to the Franchise Disclosure Document) (the "Area"). Coverall will award numerous Franchises to third parties other than Franchised Business within the Area. Without limitation, Coverall and its affiliates alone also have the right to establish or operate, and grant others the right to: establish or operate, other businesses offering the same or similar products utilizing other trade names, trademarks, and service marks, at any location; use the Coverall® Marks, System, and business model to sell any products or services the same as or similar to those which Franchised Business will sell, through any alternate channels of distribution at any location (including without limitation, other channels of distribution such as television, mail order, catalog sales, wholesale to unrelated retail outlets, or over the Internet); sell supplies directly to your customers; use and license the use of other proprietary and non-proprietary marks or methods which are not the same as or confusingly similar to the Coverall® Marks at any location, which may be similar to or different from the Coverall Franchise operated by Franchised Business; purchase or be purchased by, or merge or combine with, any business, including a business that competes directly with Franchised Business's Franchise, wherever located; acquire and convert to the System operated by Coverall, any businesses, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned, and wherever located; and, engage in any activities not expressly prohibited by the Franchise Agreement.

4. FRANCHISE FEE.

The Franchise Fee stated on Page 1 is non-refundable. A portion of the Initial Franchise Fee, \$5,000, is the price that Franchised Business pays for the license to use the Coverall® Marks and System.

5. ROYALTY AND SUPPORT FEES.

Franchised Business is obligated to pay Coverall Royalty and Support Fees based on Franchised Business's monthly Gross Dollar Volume. Gross Dollar Volume includes all service fees billed to all Franchise customers. The Royalty Fee is for the right to use the Coverall System and the Marks; and the Support Fee is for the support that Coverall provides to Franchised Business.

A. Royalty. Franchised Business shall pay Coverall a Royalty Fee in an amount equal to five percent (5%) of Franchised Business's monthly Gross Dollar Volume billed,

and the Royalty shall be payable monthly no later than the last calendar day of the month following the month in which Franchised Business serviced the customers.

- B. Support Fee. Franchised Business shall pay Coverall a Support Fee equal to ten percent (10%) of Franchised Business's monthly Gross Dollar Volume billed, and the Support Fee shall be payable monthly no later than the last calendar day of the month following the month in which Franchised Business serviced the customers.

6. OTHER FEES.

- A. Special Services Finder's Fee. Special service contracts ("Special Services") are one-time or periodic contracts for services such as, but not limited to, day porter services, special event cleanup, blind cleaning, light bulb changing, deep cleaning, upholstery cleaning, machine scrub and rinse, strip and finish, scrub and recoat, windows, carpet extraction, and carpet encapsulation. A fee shall be charged for special service contracts obtained by Coverall which are accepted by and assigned to Franchised Business. However, there shall be no Special Services Finder's Fee charged for special service contracts obtained solely by Franchised Business (but other applicable fees hereunder shall apply).

B. Transfer Fee.

- (i) A Transfer Fee is charged pursuant to Coverall's consent to Franchised Business's assignment to a third party of the Franchise and/or this Agreement, in whole or in part. The Transfer Fee is published and revised from time to time in the Franchised Business Policies and Procedures Manual (the "Policies and Procedures Manual").
- (ii) A Customer Transfer Administrative Fee is charged for transfer of a customer to another Franchised Business and is ten percent (10%) of the Regular Service Volume attributable to each transferred customer, not to exceed Five Hundred Dollars (\$500) per customer transferred.
- (iii) A Business Owed Transfer Administrative Fee is charged for the transfer of Business Owed to another Franchised Business and is ten percent (10%) of the Business Owed transferred. ("Business Owed" is defined in Paragraph 13.)

- C. Bid and Negotiation Fee. If Franchised Business requests assistance from Coverall with bidding (for example, establishing the contract price) for a potential customer, there will be a one-time fee as published and revised from time to time in the Policies and Procedures Manual.

7. PAYMENT OF FEES AND OTHER OBLIGATIONS.

Coverall supports Franchised Business by billing and collecting Franchised Business's Gross Dollar Volume (Franchised Business's customer receivables; see Paragraph 16B). Franchised Business hereby authorizes Coverall to deduct from Franchised Business's

Gross Dollar Volume, or any other amounts collected on Franchised Business's behalf, any and all fees and other amounts of any nature or kind owed by Franchised Business to Coverall, including but not limited to, any financed portion of the Franchise Fee (principal and interest), Royalty Fees, Support Fees, any financed portion of any Sales and Marketing Fees for the purchase of Additional Business (principal and interest), Special Services Finder's Fees, any Retentions for National Account Customers (defined in paragraph 13), any financed portion of equipment purchases (principal and interest), fees charged to participate in any Coverall insurance programs, any other obligations due and owing to Coverall by Franchised Business, and any other fees or charges that Franchised Business may authorize Coverall to deduct ("Authorized Deductions").

8. BUSINESS MULTIPLIERS.

Business Multipliers are used to determine (a) the amount Franchised Business must pay Coverall for Additional Business (as defined in Paragraph 15), or (b) the amount Coverall may pay to Franchised Business to purchase Franchised Business's customers or Business Owed. Business Multipliers are published and revised from time to time in the Policies and Procedures Manual. The Business Multiplier applied to purchases of Additional Business by Franchised Business may be higher if Franchised Business has previously lost customers for cause, all as the Policies and Procedures Manual specifies.

9. TRAINING.

Franchised Business acknowledges the importance of quality and uniformity of business operation among all Franchised Businesses in the Coverall System; and Franchised Business agrees to enroll in Coverall's Initial Training its Franchised Business owners or, with Coverall's consent, Franchised Business's designated employee(s).

- A. Initial Training is a forty (40) plus hour program that consists of classroom and on-site instruction on, among other things, cleaning techniques, customer service, and business management.
- B. Initial Training may take up to eight (8) weeks to complete, or longer, depending upon Franchised Business owner / employee schedules.
- C. Coverall's obligation hereunder to offer Franchised Business sufficient customers to fulfill Franchised Business's Franchise Package does not begin until:
  - (i) Franchised Business owner(s) or Franchised Business's designated employee(s), as approved by Coverall, has / have satisfactorily completed Initial Training;
  - (ii) Franchised Business has complied with the provisions of Paragraph 10 of this Agreement; and
  - (iii) Franchised Business's and Franchised Business's owner(s) background screening has been approved.

10. INCORPORATION, BUSINESS LICENSE AND BUSINESS BANK ACCOUNT.

Franchised Business must be a corporation or limited liability company, and Franchised Business must keep separate accounting, banking, and financial records for the operation of its Coverall Franchise. Prior to signing this Agreement, Franchised Business shall procure a business license, if applicable; obtain a Federal Employer Identification Number ("FEIN"); and open a business bank account in the name of the Franchised Business.

11. MANUALS.

Coverall shall loan Franchised Business the Coverall Operations Manual and Policies and Procedures Manual (the "Manuals"); and grant access to Coverall's on-line training program. The Manuals contain detailed proprietary information about the Coverall System. Franchised Business agrees to promptly adopt and use exclusively the methods, policies, and procedures contained in current versions of the Manuals; the Manuals are revised from time to time. Franchised Business acknowledges that Coverall owns all proprietary rights in and to the Coverall System, and that the information revealed in the Manuals, in their entirety, constitutes confidential trade secrets. Without the prior written consent of Coverall, Franchised Business shall not disclose the content of the Manuals to any person, except employees of Franchised Business for purposes related solely to the operation of the Franchised Business, nor shall Franchised Business reprint or reproduce the manuals in whole or in part for any purpose except in connection with the instruction of Franchised Business's employees in the operation of the Franchised Business. Upon expiration or termination of the Coverall Franchise for any reason, Franchised Business shall return the Manuals to Coverall.

12. COMPLIANCE WITH COVERALL SYSTEM.

Franchised Business agrees that every component of the Coverall System is important to Coverall and the operation of the Franchised Business, including, but not limited to, uniformity of services, appearance, and adherence to Coverall standards and policies. Coverall shall have the right to observe and evaluate from time to time Franchised Business's business operations, including but not limited to, on-site visits and surveying any customer premises serviced by Franchised Business to assure compliance with Coverall standards and policies.

13. THE FRANCHISE PACKAGE.

Franchised Business purchased the Franchise Package described on Page 1. Coverall is obligated to fulfill that Franchise Package by offering Franchised Business commercial cleaning customers at the required Regular Service Volume level ("Initial Business") within the Initial Business Offering Period described on Page 1. Coverall procures commercial cleaning customers and offers those customers to Franchised Business to fulfill the Franchise Package and help Franchised Business launch the Franchised Business. Franchised Business may accept or reject an offered customer. If Franchise Business accepts an offered customer, Coverall will assign the customer agreement to Franchised Business.

Coverall does not have an inventory of customers, so Coverall has a specified number of business days from the date on which Franchised Business satisfies the requirements of Paragraph 9 to offer customers to satisfy Coverall's Franchise Package obligation. The Regular Service Volume that Coverall is obligated to offer Franchised Business is commonly referred to, and referred to herein, as "Business Owed." Business Owed is composed of Initial Business, Additional Business (as defined in Paragraph 15) purchased by Franchised Business, and Replacement Business owed pursuant to certain guarantees.

- A. The Franchised Business Fee reflects the amount of Initial Business owed by Coverall to Franchised Business. The amount of Initial Business is equal to the Franchise Package purchased. Initial Business is a specific dollar amount of Regular Service Volume.
- B. The Franchise Package purchased is not a guarantee that Franchised Business will earn an equivalent amount of Gross Dollar Volume each month; and except for customers lost during the guarantee period through no fault of Franchised Business, neither does it mean that Coverall is obligated at any time to replace lost customers to enable Franchised Business to maintain that level of Gross Dollar Volume.
- C. Coverall is obligated to offer Franchised Business, within the Initial Business Offering Period, one or more commercial cleaning customers to fulfill the Initial Business obligation. The customers offered to Franchised Business may be new customers recently acquired by Coverall; or existing customers that become available for resale. Coverall's obligation to offer customers to Franchised Business does not arise until Franchised Business has satisfied the requirements of Paragraph 9.
- D. If Franchised Business accepts a customer offered to fulfill Initial Business that has Regular Service Volume in excess of that required to fulfill Initial Business, the excess Regular Service Volume is Additional Business and Franchised Business must pay Coverall for the excess as provided in Paragraph 15. As a condition of acceptance and purchase of Additional Business, Franchised Business will be required to sign a general release in favor of Coverall.
- E. The Service Agreements for customers accepted by Franchised Business will be assigned to Franchised Business subject to the terms and conditions of this Agreement and the Assignment and will become assets of the Franchised Business. The Assignment shall be conditional subject to, among other things, payment in full of the financed portion of the Franchise Fee or purchases of Additional Business. Assignment of the Service Agreements shall not prohibit Coverall from selling to Franchised Business's customers Special Services, equipment, chemicals or supplies not covered by the assigned Service Agreements. National Account Customers are Coverall customers that have multiple national or regional locations, and such National Account Customer agreements, along with local multiple location customers, or customers with contracts that prohibit assignment (collectively "National Account Customers"), will not be assigned to Franchised Business. Franchised Business may agree to service National Account Customers,

but because such agreements will not be assigned to Franchised Business, Franchised Business's only interest in such customers will be the right to receive, in return for identified services performed, the amounts specified in Paragraph 16B(ii). With regard to such National Account Customers, Coverall may at any time unilaterally determine that Franchised Business's services must cease and direct Franchised Business to stop servicing any and all National Account Customer location or locations.

- F. If Franchised Business refuses to accept any customer offered by Coverall to fulfill Initial Business, the time for offering the Initial Business is extended; and Coverall shall remain obligated to offer, within a reasonable period of time after the expiration of the Initial Business Offering Period, the amount of Initial Business refused by Franchised Business.
- G. The Initial Business Offering Period may be suspended during any period in which:
  - (i) Coverall reasonably requires Franchised Business to attend retraining; or
  - (ii) Franchised Business is in breach of any material provision of this Agreement or any other agreement between Coverall and Franchised Business.
- H. If the Initial Business Offering Period expires and Coverall has not offered Franchised Business sufficient customers with adequate Regular Service Volume to satisfy the total amount of Initial Business, Franchised Business may request Coverall to:
  - (i) Pay Franchised Business for the amount of the Franchise Package not timely offered times the Business Multiplier applicable to the purchase of Additional Business under this Paragraph 13H as published and revised from time to time in the Policies and Procedures Manual; and
  - (ii) Coverall shall first apply refunds due pursuant to 13H(i) to any obligations owed by Franchised Business to Coverall, and pay the balance, if any, to Franchised Business.

This is the sole remedy available to Franchised Business for Coverall's failure to timely offer Initial Business.

I. Franchised Business must not solicit or contact existing Coverall customers or prospects, unless Coverall authorizes Franchised Business to do so, as in the case of providing Special Services. Because of the potential of interfering with another franchised business's current customer or a prospect being solicited by Coverall or another franchised business, Franchised Business is prohibited from telemarketing.

J. Coverall reserves the right to contact the customers Franchised Business is servicing, whether or not those customers were obtained by Coverall or Franchised Business, through periodic visits and/or telephone contact to conduct surveys for Coverall brand protection.

14. THE COVERALL INITIAL BUSINESS GUARANTEE.

Coverall provides a limited guarantee of the Initial Business accepted by Franchised Business. The purpose of the guarantee is to help Franchised Business through the start-up phase of Franchised Business. The guarantee applies only to customers lost through no fault of Franchised Business; and entitles Franchised Business to a one (1) time replacement of each customer's monthly Gross Dollar Volume accepted by Franchised Business to fulfill Initial Business. The guarantee does not apply to Initial Business customers voluntarily abandoned by Franchised Business or to customers that have terminated Franchised Business for cause.

- A. Initial Business is guaranteed for a one time only replacement for twelve (12) months from the date Franchised Business first services the customer, but only if the customer is lost through no fault of Franchised Business. Coverall will within a reasonable period of time offer Franchised Business one or more customers generating Regular Service Volume at least equal to that lost by Franchised Business to fulfill the guarantee.
- B. If the customer(s) offered to replace the guaranteed lost Initial Business generates Regular Service Volume in excess of that lost and Franchised Business accepts the customer, Franchised Business will have to pay Coverall for the excess Regular Service Volume. The payment to Coverall shall be equivalent to the Business Multiplier times the excess Regular Service Volume.

15. GROWING THE FRANCHISED BUSINESS.

After Franchised Business's Franchise Package is fulfilled by Coverall, Coverall may, but is not obligated to, offer Franchised Business additional Regular Service Volume ("Additional Business"). Franchised Business may grow the Franchised Business by i) obtaining customers for the Franchised Business on its own, ii) purchasing Additional Business from Coverall in the event Coverall has Additional Business available to offer Franchised Business, or iii) purchasing Additional Business from other Coverall franchise owners. As a condition of acceptance and purchase of Additional Business from Coverall, Franchised Business will be required to sign a general release in favor of Coverall. Additional Business, including National Account Customers, may be new customers recently acquired by Coverall, or they may be existing customers that become available for resale.

- A. The fee charged for Additional Business is the Business Multiplier times the Regular Service Volume Franchised Business desires to purchase (the "Sales and Marketing Fee"). In accordance with the current version of the Policy and Procedures Manual, Franchised Business may pay a higher multiple if Franchised Business has previously lost a customer for cause or abandoned a customer. Once Franchised Business has paid in full for the Additional Business, Coverall will have a reasonable period of time from the date of payment in full within which to offer the Additional Business. If Coverall does not offer the Additional Business within

a reasonable period of time, Franchised Business will be entitled to a refund of the Sales and Marketing Fee paid to Coverall.

- B. From time to time, Coverall may initiate an offer of Additional Business to Franchised Business. If Franchised Business accepts the offer, Franchised Business shall pay the Sales and Marketing Fee stated in Paragraph 15A. Coverall may finance up to eighty percent (80%) of the Sales and Marketing Fee.
- C. Additional Business purchased from Coverall is guaranteed for a one time only replacement for six (6) months from the date Franchised Business first services the customer, but only if the customer is lost through no fault of Franchised Business. Coverall will replace the monthly Gross Dollar Volume of the Additional Business within a reasonable period of time. If Coverall does not offer the replacement Additional Business within a reasonable period of time, Franchised Business's sole remedy is a refund of the Sales and Marketing Fee paid to Coverall. Coverall shall first apply any refund due under this Paragraph 15C to any obligations owed by Franchised Business to Coverall, and pay the balance, if any, to Franchised Business. The Additional Business guarantee does not apply to customers obtained by Franchised Business or to promotional Regular Service Volume provided to Franchised Business by Coverall free of charge.

16. BUSINESS AND SUPPORT SERVICES PROVIDED BY COVERALL.

Coverall provides business and support services to Franchised Business for the Support Fee paid to Coverall. Coverall will provide the following services:

- A. Additional Training. Franchised Business is required to complete Initial Training in the Coverall System. Subsequent training is Additional Training, and may include, but shall not be limited to, any training course offered in the Initial Training, or any other training provided by Coverall to Franchised Business and/or Franchised Business's owners or employee(s). Additional Training may also include courses introducing new methods and any certification requirements developed after Initial Training, which Additional Training may be mandatory in Coverall's sole discretion. Franchised Business's Additional Training may be offered online, through webinars, personal consultation and/or through group seminars. Personal consultations may be scheduled at the request of Franchised Business and may be conducted by telephone or in person. There is no charge for Additional Training.
- B. Billing and Collection. Coverall provides billing and collection services for Franchised Business, including billing customers for services and supplies provided by Franchised Business, collecting the amounts due from those customers, and remitting to Franchised Business the amounts collected from those customers on Franchised Business's behalf, less Authorized Deductions. Coverall has the exclusive right to bill and collect in the name of the Franchised Business from customers during the Term of this Agreement.

- (i) At the beginning of each month, Coverall shall invoice and collect payment from Franchised Business's customers according to the customer contract (the "Service Agreement") and for any other services and supplies that may have been provided by Franchised Business. On the last calendar day of the month following the month in which the services and supplies were provided by Franchised Business (if the last calendar day of the month falls on a weekend and/or holiday, payment will be made on the next business day), Coverall will distribute to Franchised Business amounts collected from Franchised Business's customers less the Authorized Deductions. If applicable, Coverall will remit any state sales tax collected from Franchised Business's customers to the appropriate state taxing authority.
- (ii) With the exception of National Account Customers that Franchised Business may service, Franchised Business is entitled to receive the total amount collected from each customer, less all Authorized Deductions. Coverall may retain a percentage, or another separately specified portion, of the total amount collected from the National Account Customer (the "Retention"). Therefore, the amount that Franchised Business will receive for servicing a National Account Customer location may not be equivalent to a pro rata share of the total monthly amount that is collected from the National Account Customer, or equivalent to the amount that is collected from the National Account Customer for the location serviced by Franchised Business. To the extent that there is excess Retention, those funds are kept by Coverall. The Retention, however, does not affect the amount of Regular Service Volume offered to Franchised Business to fulfill either Franchised Business's Initial Package or sold to Franchised Business as Additional Business.
- (iii) If a customer discontinues Franchised Business's services for any reason and the customer is Franchised Business's only customer, Coverall shall have the right to apply the entire amount of any payment subsequently collected by Coverall from that customer to any amount owed by Franchised Business to Coverall. Nothing contained in this Paragraph 16B(iii), however, shall be construed to release Franchised Business from its obligations to Coverall for any amount remaining due after applying the funds received from the discontinued customer.
- (iv) If a customer that Coverall bills on Franchised Business's behalf is delinquent in payment, Coverall may, after consulting with Franchised Business, stop invoicing that customer. If Franchised Business chooses to continue servicing a delinquent customer, Franchised Business does so at the risk of non- payment.
- (v) If Coverall must file a lawsuit against a delinquent customer and Coverall collects from that customer, Franchised Business will be entitled to receive the amount collected net of Coverall's Royalty and Support Fee and the costs of collection, including attorney's fees, costs, and expenses.

- (vi) Coverall may, after consulting with Franchised Business, settle and compromise delinquent customer obligations, which means that Coverall may agree to accept less than the amount owed by the customer. Franchised Business will be entitled to receive the amount collected net of Coverall's Royalty and Support Fees and the costs of recovery, including attorney's fees, costs and expenses.
- (vii) The balance of the funds collected from Franchised Business's delinquent customers pursuant to Paragraphs 16B(v) and (vi) will first be applied to any amount owed by Franchised Business to Coverall, and the balance, if any, will be paid to Franchised Business.
- (viii) Franchised Business agrees to cooperate with Coverall in the collection of delinquent customer receivables, including but not limited to reassignment of the Service Agreement to Coverall as needed for collection purposes.
- (ix) If Franchised Business chooses at its own expense to file a lawsuit to collect from a delinquent customer, Franchised Business must pay Coverall its Royalty and Support Fee on any amount collected.

C. Cash Flow Protection Services. Coverall will advance (loan) to Franchised Business the amounts billed to Franchised Business's customers, whether or not those amounts have been collected. Advances will be made no earlier than the last calendar day of the first month following the month the services and supplies were provided (if the last calendar day of the month falls on a weekend and/or holiday, payment will be made on the next business day). Advances attributable to billings for any one customer shall not exceed an amount equal to billings for sixty (60) days and shall not remain outstanding for a period exceeding ninety (90) days from invoice date. If advances remain uncollected from the customer at the end of ninety (90) days, Franchised Business shall repay Coverall the total amount billed to the customer that was advanced to Franchised Business. Coverall may recover the advance through Franchise Statement Deductions. However, if Franchised Business has insufficient Gross Dollar Volume to cover the advances, then Franchised Business must pay Coverall directly.

## 17. FRANCHISED BUSINESS OPERATIONS.

Franchised Business acknowledges that every component of the Coverall System is important to Coverall, its Franchised Business, and to the operation of the Franchised Business. Franchised Business shall comply with the entire Coverall System, including but not limited to the following:

A. Franchised Business to Attend Training Course. Franchised Business owners and/or employees shall attend and successfully complete Initial Training, and any other Additional Training that Coverall may require from time to time, at Franchised Business's sole cost and expense. Coverall may, in its sole discretion, agree in writing to allow a designee of Franchised Business to attend initial Training

instead of Franchised Business owners. Franchised Business's employees may also attend training.

- B. Retraining of Franchised Business. If at any time any customer being serviced by Franchised Business cancels Franchised Business's services for faulty workmanship, lack of trustworthiness, or any other default under that customer's Service Agreement, Franchised Business may be required to attend retraining.

In the event of retraining, the time within which Coverall must offer any remaining Initial Business or Additional Business will be suspended from the time Franchised Business is requested to attend retraining until Franchised Business completes retraining to Coverall's reasonable satisfaction.

- C. Staffing. Franchised Business is an independently owned and operated franchise of Coverall, and it and its owners and employees are neither an employees nor agents of Coverall. Franchised Business is fully responsible for all employment decisions and functions of the Franchised Business, including without limitation, hiring, firing, training, wage and hour compliance, compliance with federal immigration laws, record keeping, and supervision.

- D. Franchised Business to Use Coverall Approved Equipment, Chemicals and Cleaning Supplies. Franchised Business shall use only Coverall specified equipment, chemicals, and cleaning supplies in Franchised Business's Franchised Business. Specifications may change from time to time, and Franchised Business shall at Franchised Business's sole expense comply with any such changes. Coverall will provide Franchised Business with specifications at Initial Training and the procedures to obtain approval on non- pre-approved equipment, chemicals, and supplies will be published and revised from time to time in the Policies and Procedures Manual.

- E. Identifying Franchised Business's Franchise. Franchised Business shall identify its Franchised Business as an independently owned and operated franchise of Coverall (in the manner Coverall specifies) and cause all persons involved in the operation of the Franchised Business to reflect that independent status with customers and other third parties. Franchised Business shall cause all persons involved in the operation of the Franchised Business to wear approved apparel.

- F. Insurance. Franchised Business shall acquire and maintain in effect the following insurance coverage in the following minimum amounts, or in the amounts that Coverall may require according to the Policies and Procedures Manual, as published and revised from time to time:

- (i) Janitorial bonding in an amount not less than \$100,000;
- (ii) Commercial general liability insurance covering property damage, loss and personal injury in amounts not less than \$1,000,000 per occurrence; \$2,000,000 in the aggregate; and a \$5,000,000 umbrella policy, which

policy: i) shall identify the Franchised Business's business name as the named insured on the policy; ii) shall name Coverall as an additional insured on a primary and non-contributory basis and include a waiver of subrogation; iii) may not contain an exclusion for property in Franchised Business's care, custody, and control; iv) is strongly recommended that you obtain an endorsement that provides coverage for bodily injury, property damage, loss and personal injury resulting from building, cleaning and maintenance operation in a limit no less than the CGL required policy limits written on an occurrence basis; and v) umbrella shall follow form;

- (iii) Comprehensive automobile liability insurance, including personal injury and property damage insurance, in the minimum amount of \$50,000, or the amount required by state law, whichever is higher;
- (iv) Workers' compensation insurance for Franchised Business and its employees for statutory limits (regardless of the requirements of state law, if Franchised Business has employees, utilizes subcontractors or is assisted by family members, Franchised Business shall purchase workers' compensation insurance);
- (v) If Franchised Business does not have workers' compensation covering the owner of the Franchised Business, then Franchised Business must obtain on-the-job accident and disability coverage for the owners of the Franchise having the following minimum coverage: accidental death (\$20,000.00), accidental dismemberment (\$20,000.00), paralysis (\$20,000.00), temporary total disability (\$500.00 per week for 52 weeks), continuous disability (\$500.00 per week for 52 weeks), and accident medical expense (maximum benefit of \$50,000.00 for 52 weeks);
- (vi) Employer's liability insurance in amounts no less than \$100,000.00 each accident for Franchised Business and all of its employees; and
- (vii) Franchised Business shall comply with all state and federal laws to maintain a proper unemployment insurance account.

All insurance policies shall name Coverall as an additional insured. Franchised Business shall provide Coverall with proof of the above insurance coverage prior to Franchised Business starting Franchise operations, and no later than ten (10) days after Franchised Business personnel complete Initial Training. If Franchised Business fails to obtain any or all insurance as specified herein and approved by Coverall, Coverall may (but shall not be required to), in addition to other remedies, purchase such insurance for the benefit of Franchised Business in which event Franchised Business agrees to promptly reimburse Coverall for the cost. In the event it becomes necessary for Franchised Business to reimburse Coverall for the costs of insurance, Franchised Business hereby authorizes Coverall to deduct the costs of the insurance, on a monthly basis, or as is otherwise necessary, from Franchised Business's Gross Dollar Volume.

Franchised Business may choose to participate in Coverall's Business Protection Plan and other insurance programs that offer some of the insurance coverage required by this Paragraph. The cost of participating in Coverall's Business Protection Plan or other insurance programs is typically more expensive than similar insurance coverage available from other sources. Coverall earns a profit on its Business Protection Plan and other insurance programs.

G. Franchised Business to Abide by Policies and Procedures. Franchised Business shall be free to conduct its business as it deems best in providing services to its customers. However, Franchised Business understands and acknowledges that implementation of the Coverall System is essential to the Coverall® brand in order to:

- (i) Develop and maintain quality operating standards;
- (ii) Increase the demand for the services sold by other Franchised businesses and by Coverall on behalf of all Franchised business operating Coverall Franchises; and
- (iii) Protect Coverall's brand, reputation and goodwill.

Franchised Business may not implement any modification to the System without Coverall's prior written consent. Coverall shall have the right to incorporate any modification to the System developed by Franchised Business without compensation to Franchised Business.

H. Franchised Business to Abide by all laws. Franchised Business agrees to abide by all of the terms of this Agreement, the Policies and Procedures Manual and all federal, state and local laws, including but not limited to:

- (i) Franchised Business shall maintain good standing and obtain all applicable business licenses and/or registrations from all local or state agencies having jurisdiction over Franchised Business's Franchised Business, as required. Franchised Business shall furnish Coverall proof that Franchised Business obtained the applicable business licenses and registrations.
- (ii) Franchised Business shall be solely responsible to pay any taxes or other assessments due to any governmental agencies.
- (iii) Franchised Business is solely responsible for the payment of the employer's portion of social security and other taxes required to be withheld for Franchised Business's employees.
- (iv) Franchised Business shall also pay all taxes withheld from employee wages, and premiums for unemployment and worker's compensation insurance, as required by law.

- (v) Franchised Business shall provide Coverall, upon demand, proof of payment of all taxes due and compliance with all laws.
- I. Modification to the System. Franchised Business acknowledges and agrees that due to changes in competitive circumstances, presently unforeseen changes in the needs of the marketplace, changing customer demands, presently unforeseen technological innovations, and for protection of the Marks, the Coverall System must be subject to modification in order to best serve the interests of Coverall, Franchised Business, and the Coverall System. Accordingly, Franchised Business expressly acknowledges and agrees that Coverall may from time to time alter, modify, or change the components of the Coverall System, including, but not limited to, modifying, altering, varying, and adopting new products, services, equipment, techniques, methods, programs, standards, training, sales training, forms, and policies and procedures; adding to, deleting from, or modifying those programs and services which Franchised Business is authorized to offer; and changing, improving, or modifying the Marks. Franchised Business agrees, at Franchised Business's own expense, to adopt on a timely basis (but in no case later than sixty (60) days after notice) any such modifications to the Coverall System set forth in updates or changes to the Policies and Procedures Manual, or in other written communications, as if they were a part of the Coverall System at the time of the execution of this Agreement. Coverall shall notify Franchised Business in writing as to changes in the Policies and Procedures Manual or other changes in the operational structure of the Franchise.
- J. Coverall's Right to Audit. Franchised Business agrees to keep true and accurate business records and books of account which shall be open to examination by Coverall or its duly authorized agent during regular business hours, and Coverall shall have the right to examine same, including other related records. Upon Coverall's request, Franchised Business shall prepare and/or produce to Coverall such records and books, and any other information, including without limitation financial statements and personal and business income tax returns, that will permit Coverall to verify that all fees due Coverall are fully, accurately, and truthfully accounted for, and that Franchised Business is not otherwise in breach of this Agreement. Franchised Business shall be responsible to reimburse Coverall for the cost of the audit if the audit reveals a violation of Paragraph 18A of this Agreement. Coverall's right to reimbursement shall be in addition to any other rights or remedies it has under this Agreement or otherwise.
- K. Computer Equipment. Franchised Business must have access to a cell phone and personal computer, or other hand-held device with Internet access, the ability to send and receive electronic mail and text messages, and full-web browsing capabilities. Franchised Business must provide Coverall with a cell phone number and electronic mail address.
- L. Website. Franchised Business may establish a Franchise-related website only upon obtaining Coverall's prior written consent (which Coverall may withhold or condition for any or no reason). Franchised Business shall adopt the format

specified by Coverall from time to time for Franchise websites; and shall not upload its website to the web until approved by Coverall's Marketing Department. Franchised Business agrees, upon Coverall's request, to link its website to the official Coverall website, and adopt the format then mandated by Coverall's Marketing Department.

- M. Franchised Business Service to Customers. All services provided to the customers of the Franchised Business shall be performed in a good and workmanlike manner, satisfactory to the customers, and in accordance with Coverall standards. High quality services are essential to the reputation and goodwill associated with the Coverall System and Marks.
- N. Voluntary Abandonment of Customer by Franchised Business and Limited Customer Guarantee. If Franchised Business desires to cease servicing a customer, Franchised Business shall give Coverall ten (10) days' written notice before ceasing service. In such event, any remaining guarantee for the Regular Service Volume shall be deemed to have been fulfilled, and Coverall shall have no obligation to replace the Regular Service Volume. Franchised Business shall remain liable to pay any outstanding balance due on any financing related to the customer(s) abandoned by Franchised Business. If, however, Coverall successfully transitions the abandoned customer to another Franchised Business and but for Franchised Business's abandonment, Franchised Business would otherwise qualify for a guarantee, Coverall may, in its sole discretion, replace the Regular Service Volume lost due to Franchised Business's abandonment of the customer applying the applicable Business Multiplier. In such instance, the replacement Regular Service Volume is not guaranteed.

18. RESTRICTIONS.

Franchised Business agrees and covenants as follows:

- A. In-Term Restrictions. During the Term of this Agreement and any Successor Term, Franchised Business shall not, without the prior written consent of Coverall, directly or indirectly, engage in, or acquire any financial interest in (either as an individual, principal, owner, agent, employee, partner, stockholder, or director) any business which performs commercial cleaning, Special Services, or related services, or engages in the franchising of commercial cleaning businesses, or any related business anywhere in the Area. Franchised Business shall not divert any customer of its Franchised Business to another entity, whether or not that entity is directly or indirectly controlled by Franchised Business unless Franchised Business obtains Coverall's prior written consent.
- B. Post-Term Restrictions. In the event this Agreement is assigned, terminated, or expires, for any reason whatsoever, Franchised Business shall not solicit, directly or indirectly, without the prior written consent of Coverall any customer repurchased by Coverall or by another Coverall Franchised Business for a period of eighteen (18) months from the date of repurchase.

Should a customer serviced by Franchised Business prior to termination initiate contact with Franchised Business for the purpose of engaging Franchised Business to provide cleaning or related services to customer, unless Coverall has otherwise agreed in writing, Franchised Business shall decline to provide such services until such time as the term of this non-solicitation covenant has expired.

- C. Lesser Included Covenants Enforceable at Law. If all or any portion of the restrictive covenants set forth in this Section are held unreasonable, void, vague or illegal by any court or agency with competent jurisdiction over the parties and subject matter, the court or agency is hereby empowered to revise and/or construe the covenants to fall within permissible legal limits, and should not by necessity invalidate the entire covenants. Franchised Business expressly agrees to be bound by any lesser covenants subsumed within the terms of this Section as if the resulting covenants were separately stated in and made a part of this Agreement.
- D. Confidentiality. Franchised Business agrees to use and permit the use of the Confidential Information (as defined below) solely in connection with the operation of the Franchise and during the Term. Franchised Business must only divulge such Confidential Information to Franchised Business's operational personnel as is necessary for each to perform his/her functions and then only on a "need to know" basis. Franchised Business agrees to take all necessary precautions to insure that these individuals maintain the Confidential Information in confidence and comply with the confidentiality provisions of this Agreement. Franchise Business shall never (whether during the Term, or any time after the Agreement expires, transfers or terminates) divulge or use any of the Coverall System or Confidential Information for the benefit of Franchised Business, Franchised Business's owners or any third party (including any person, business entity or enterprise of any type or nature), and shall not directly or indirectly aid any such third party to imitate, duplicate or "reverse engineer" any of the Confidential Information. Except as authorized in this Agreement, Franchised Business agrees never to copy, duplicate, record or otherwise reproduce any of the Confidential Information or portion or aspect of the Coverall System, in whole or in part; otherwise share it with any other third party individual or entity; store it in a computer or other electronic format; or, otherwise make it available to any third party by any other means whatsoever. Upon the expiration or termination of this Agreement, Franchised Business agrees to return to us such Confidential Information as Coverall requests (including customer lists and records; all training materials and other instructional content; financial and non-financial books and records; the Manuals; and, computer databases, software and manuals) which is then in Franchised Business's possession or, upon Coverall's request, destroy all or certain such Confidential Information and certify such destruction to Coverall. It is specifically understood that all customer lists or information adduced by Franchise is Coverall's property, not Franchised Business's property, and you shall never contend otherwise.

"Confidential Information" means all information, knowledge, trade secrets or know-how utilized or embraced by the Coverall System or which otherwise concerns Franchised Business's or Coverall's systems of operation, programs,

services, products, customers, practices, materials, books, records, manuals, computer files, databases or software. Confidential Information includes (without limitation): all elements of the Coverall System and all products, services, equipment, technologies, policies, standards, requirements, criteria and procedures that now or in the future are a part of the Coverall System; the Manuals; all specifications, sources of supply, all procedures, systems, techniques and activities employed by Coverall or by Franchised Business in the offer and sale of products and/or services at or from the Franchise; all pricing paradigms established by Coverall or by Franchised Business; all of Coverall's or Franchised Business's sources (or prospective sources) of supply and all information pertaining to same (including wholesale pricing structures, the contents of sourcing agreements and the identity of suppliers); all information pertaining to Coverall advertising, marketing, promotion and merchandising campaigns, activities, materials, specifications and procedures; all customer lists and records generated and/or otherwise maintained by Franchised Business's Franchise; Coverall's training and other instructional programs and materials; all elements of Coverall's recommended staffing, staff training and staff certification policies and procedures; all communications between the parties (including the financial and other reports submit to Coverall under this Agreement); all other systems and methods of operations which Coverall employs now or in the future; and, all other information, knowledge and know-how which either Coverall or its affiliates, now or in the future, designate as confidential.

- E. License and Goodwill Restrictions. Franchised Business shall acquire no right to use, or to license the use of, any name, Mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Franchised Business in accordance with and during the Term of this Agreement. In all instances Franchised Business's use of the Marks must comply with Coverall's directions, limitations, specifications and authorized prescribed uses. Franchised Business will assert and will in the future assert no claim to any goodwill, reputation or ownership of the Marks by virtue of Franchised Business's licensed use of the Marks, or for any other reason.

Franchised Business has no right, title or interest in or to Coverall's goodwill. Goodwill inures solely to the benefit of Coverall. Franchised Business agrees that it will not do or permit any act or thing to be done in derogation of any of Coverall's or Coverall's affiliates rights in connection with the Marks, either during or after the term of this Agreement. Further, Franchised Business agrees: (i) not to apply for or obtain any trademark or service mark registration of any of the Marks or any confusingly similar marks in Franchised Business's own name; (ii) to use the Marks only for the uses and in the manner licensed under this Agreement and as provided in this Agreement; (iii) under no circumstance will Franchised Business incorporate any of the Marks, any portion thereof or any name or mark derivative of or similar to the Marks, in Franchised Business's entity's name; (iv) it may never use the Marks in connection with any other business except for the Franchise; (v) it will not, during or after the term of this Agreement, impair the goodwill associated with the Marks or in any way dispute or impugn the validity of the Marks, Coverall's or

Coverall's affiliates' rights to the Marks, or the rights of other Coverall franchisees or other third parties to whom Coverall may have licensed the Marks.

Franchised Business acknowledges that Coverall's rights in the Marks are not limited to the specific presentation or configuration of any of them, but rather extend to all combinations and displays of the words and/or design elements thereof and extend to all translations of them in any language, and agrees that Coverall's rights in and to the Marks are not limited to such rights as may be conferred by registrations thereof or by applications for registrations but, instead, include extensive common law and other rights in the Marks vested in us as a result of their use by Coverall or Coverall's affiliates and other authorized parties.

If Franchised Business receives notice, is informed or learns of any claim, suit or demand against Franchise Business on account of any alleged infringement, unfair competition, or similar matter relating to the use of the Marks or any of Coverall's copyrights (each, a "claim"), or of unauthorized use of or claims of rights to a service mark identical to or confusingly similar to any Mark Coverall licenses to Franchised Business, Franchise Business must promptly notify Coverall. Coverall reserves the sole right to institute administrative proceedings and/or litigation regarding the Marks. Coverall is not obligated to protect Franchised Businesses' rights to use the Marks, or to protect Franchised Business against claims of infringement or unfair competition regarding such use. Coverall may in its sole discretion choose to defend or prosecute an action related to its Marks but Coverall do not agree to protect Franchised Business against claims of infringement or unfair competition arising out of Franchised Business' use of the Marks. Coverall is not obligated to participate in Franchised Business' defense or to indemnify Franchised Business in the event that a third party sues Franchised Business because of its use of the Marks. However, Coverall may in its sole discretion choose to do so.

Franchised Business must never identify itself as an agent or an employee of Coverall. Franchised Business must conspicuously identify itself and the Franchise it operates in all dealings with customers, contractors, suppliers, public officials and members of the public, and in all advertising, promotion and marketing related to its Franchise, as Coverall's independently owned and operated franchisee.

19. FRANCHISED BUSINESS IS AN INDEPENDENT CONTRACTOR.

Franchised Business is and shall remain at all times a completely independent contractor in business for itself operating a commercial cleaning Franchised, and shall have no right or interest in or authority over Coverall, the Coverall System, or any of Coverall's goodwill, property or business. Franchised Business hereby acknowledges that it has no authority to sign on behalf of Coverall any written agreement.

- A. Neither Franchised Business, nor Franchised Business's owners or employees, are employees of Coverall. Neither Coverall nor Franchised Business is the principal, agent, employer, employee, partner, officer, director, or owner of the other.

Franchised Business shall always hold itself out as an independent contractor in its dealings and communications with the public.

- B. Franchised Business acknowledges and agrees that Franchised Business, its owners and its employees are **not** employees of Coverall; that Franchised Business intended to buy a Franchised business; and that Franchised Business does not intend that it or its owners or employees are to become employees of Coverall. Franchisee hereby further irrevocably affirms, attests and covenants its understanding that Franchised Business's employees are employed exclusively by Franchised Business and in no fashion is any such employee either employed, jointly employed or co-employed by Coverall. Franchised Business further affirms and attests that each of its employees is under the exclusive dominion and control of Franchised Business and never under the direct or indirect control of Coverall in any fashion whatsoever. Franchised Business alone hires each of its employees; sets their schedules; establishes their compensation rates; and, pays all salaries, benefits and employment-related liabilities (workers' compensation insurance premiums/payroll taxes/Social Security contributions/Affordable Care Act contributions/unemployment insurance premiums). Franchised Business alone has the ability to discipline or terminate its employees to the exclusion of Coverall, which has no such authority or ability. Franchised Business also affirms and attests that any recommendations it may receive from Coverall regarding salaries, hourly wages or other compensation for employees are recommendations only, designed to assist it to efficiently operate its Franchise, and that Franchised Business is entirely free to disregard Coverall's recommendations regarding such employee compensation. Moreover, Franchised Business affirms and attests that any training provided by Coverall for Franchised Business's employees is geared to impart to those employees, with ultimate authority, the various procedures, protocols, systems and operations of a Franchise and in no fashion reflects any employment relationship between Coverall and such employees. Finally, should it ever be asserted that Coverall is the employer, joint employer or co-employer of Franchised Business or any of Franchised Business's employees in any private or government investigation, action, proceeding, arbitration or other setting, Franchised Business irrevocably agrees to assist Coverall in defending said allegation, including (if necessary) appearing at any venue requested by Coverall to testify on Coverall's behalf (and, as may be necessary, submitting itself to depositions, other appearances and/or preparing affidavits dismissive of any allegation that Coverall is the employer, joint employer or co-employer of Franchised Business or any of Franchised Business's employees). To the extent Coverall is the only named party in any such investigation, action, proceeding, arbitration or other setting to the exclusion of Franchised Business, then should any such appearance by Franchised Business be required or requested by Coverall will recompense Franchised Business the reasonable costs associated with Franchised Business appearing at any such venue (including travel, lodging, meals and *per diem* salary).

Franchised Business is the owner of a Franchised Business, a business owner in all respects, and its owners and employees are not entitled to participate in any benefits provided by Coverall to those whom Coverall classifies as its employees; and

Franchised Business is not covered by either Coverall's workers' compensation insurance or unemployment compensation. Franchised Business must purchase this insurance on its own for the benefit of employees of its Franchised Business. Should any state or federal agency or court determine that Franchised Business falls within the definition of an employee of Coverall under any state or federal statute, Coverall does not intend to provide Franchised Business retroactively or thereafter with any benefits (including but not limited to, vacation pay, overtime, rest and meal breaks, healthcare benefits, worker's compensation, or unemployment compensation) that it may provide to those whom Coverall classifies as employees, unless obligated by law to do so. Coverall may, in its sole discretion, terminate or modify this Agreement upon any such determination by a state or federal agency or court that Franchised Business is an employee of Coverall.

20. INDEMNIFICATION.

Franchised Business shall be solely responsible for its business operations, including but not limited to, the services and results of services performed by Franchised Business and its employees for Franchised Business's customers, and shall indemnify, defend and hold harmless Coverall and its parent companies, subsidiaries, and affiliates, and the stockholders, owners, directors, officers, agents, and employees of each, and all other Coverall Franchised businesses (collectively, "Coverall Indemnitees") from any and all expenses, fines, suits, proceedings, claims, losses, damages, liabilities or actions of any kind or nature (including, but not limited to, costs and attorneys' fees) or any settlement of the foregoing, which actually or allegedly, directly or indirectly, arises out of, is based upon, is a result of or is related in any way to any element of Franchised Business's establishment and operation of the Franchise, including (without limitation) any personal injury, death or property damage suffered by any customer, visitor, operator, employee or guest of the Franchise; any failure to comply with or violation of any laws, rules and regulations; any claims that Coverall is the employer, joint-employer or co-employer of Franchised Business or Franchised Business's employees; any crimes committed on or near any of the premises, facilities of Franchised Business or vehicles used by Franchised Business; all acts, errors, neglects or omissions engaged in by Franchised Business, the owners, officers, directors, management, employees, agent, servants, contractors, partners, proprietors, affiliates or representatives of Franchised Business (or any third party acting on Franchised Business's behalf or at Franchised Business's direction), whether in connection with the Franchised Business or otherwise, including (without limitation) any property damage, injury or death suffered or caused by any vehicle serving Franchised Business; and, any action by any customer of Franchised Business or any other facility of Franchised Business. Franchised Business further agrees that if any Coverall Indemnitee is made a party to a lawsuit or other legal action in connection with the activities of Franchised Business, then Coverall may tender the defense and/or prosecution of the case to Franchised Business, which shall be responsible for diligently pursuing the case or action at Franchised Business's expense, or Coverall may hire counsel directly to protect its interests and bill Franchised Business for all costs and attorneys' fees incurred, and Franchised Business shall promptly reimburse Coverall costs and expenses incurred, regardless of any actions, activity or defense undertaken by Coverall or the subsequent success or failure of the actions, activity or defense. If Franchised Business participates in

Coverall's Business Protection Plan, Coverall will waive certain of its contractual indemnification rights against Franchised Business, except for the applicable deductibles under the Coverall Business Protection Plan.

Franchised Business agrees to give Coverall written notice of any such action, suit, proceeding, claim, demand, inquiry or investigation that could be the basis for a claim for indemnification by any Coverall Indemnitee within three (3) days of Franchised Business's actual or constructive knowledge of it. At Franchised Business's expense and risk, Coverall may elect to assume (but under no circumstance will Coverall be obligated to undertake) the defense and/or settlement of the action, suit, proceeding, claim, demand, inquiry or investigation. However, Coverall will seek Franchised Business's advice and counsel and keep Franchised Business informed with regard to the defense or contemplated settlements. Coverall's undertaking of defense and/or settlement will in no way diminish Franchised Business's obligation to indemnify Coverall and the other Coverall Indemnitees and to hold Coverall and them harmless.

Coverall will have the right, at any time Coverall considers appropriate, to offer, order, consent or agree to settlements or take any other remedial or corrective actions Coverall considers expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation if, in Coverall's sole judgment, there are reasonable grounds to do so. Under no circumstance will Coverall or the other Indemnitees be required to seek recovery from third parties or otherwise mitigate our or their losses to maintain a claim against Franchised Business. Franchised Business agrees that any failure to pursue recovery from third parties or mitigate loss will in no way reduce the amounts recoverable by Coverall or the other Coverall Indemnitees from Franchised Business. The indemnification obligations of this Section will survive the expiration or sooner termination of this Agreement.

21. ASSIGNMENT.

A. Coverall's Right to Assign the Franchise Agreement. Coverall may, without the consent of Franchised Business, assign or transfer by operation of law or otherwise, this Agreement, or Coverall's rights and duties under this Agreement, to any other entity or third party, whether affiliated with or independent of Coverall. Coverall may also assign, or transfer by operation of law or otherwise, to any other entity or third party, whether affiliated with or independent of Coverall, any promissory note or other negotiable instrument of Franchised Business, which is payable to Coverall, either in conjunction with or independent of this Agreement. Coverall's rights under this Agreement shall inure to the benefit of any assignee or legal successor to Coverall.

B. Franchised Business's Right to Assign the Franchise or Franchise Agreement. Except as stated below, neither Franchised Business nor any owner of Franchised Business may transfer or assign any interest in this Agreement or the Coverall Franchise. Franchised Business may, with the written consent of Coverall obtained after thirty (30) days written notice to Coverall, which consent will not be unreasonably withheld, transfer or assign all or part of its interest in this Agreement or the Coverall Franchise provided that:

- (i) Franchised Business provides Coverall a copy of any written agreements relating to the proposed assignment, and any additional information which Coverall may require in order to determine whether it will grant its consent to the proposed assignment, including but not limited to, background investigations of personnel of the assignee(s);
- (ii) If there is a proposed assignment of 100% of Franchised Business's interest in this Agreement, the assignee is itself a corporation or limited liability company and agrees to be bound by all of the terms and conditions of this Agreement;
- (iii) Franchised Business pays Coverall the then current Transfer Fee as published in the Policies and Procedures Manual;
- (iv) Franchised Business pays to Coverall all amounts due by Franchised Business to Coverall, or any assignee, subject to Coverall's consent, assumes all such obligations owed to Coverall;
- (v) Assignee executes confidentiality and non-solicitation agreements in Coverall's favor with terms and conditions the same as the confidentiality and non-solicitation covenants in this Agreement;
- (vi) The assignee is capable of immediate compliance with all laws, regulations, and ordinances governing the operation of a commercial cleaning business;
- (vii) Franchised Business executes a general release, in a form satisfactory to Coverall, of any and all known or unknown claims against Coverall and its affiliates and their owners, officers, directors, employees, and agents; and
- (viii) Any owner associated with any assignee agrees to be bound by the guaranty provisions of this Agreement and execute Coverall's then standard Guaranty Agreement to personally guaranty the obligations of Franchised Business to Coverall and execute Coverall's then standard Confidentiality Agreement.

If, at the time of an approved assignment of this Agreement by Franchised Business, there is Initial Business or Additional Business to which Franchised Business ("the assignor") is entitled, which Coverall has not yet provided, this Initial or Additional Business shall be provided by Coverall to the assignee within a reasonable period of time after the assignee successfully completes the initial Training program.

If at the time of an assignment of this Agreement, Franchised Business is servicing customers and those customers will be transferred to an assignee, the owners or employees of assignee shall, within forty-five (45) days from the date of the assignment, complete to Coverall's satisfaction Initial Training. Until such personnel of assignee complete the Initial Training to Coverall's satisfaction, the assignor Franchised Business shall remain responsible for assignor Franchised Business's customers, including but not limited to, supervising the assignee and/or assignee's employees' servicing of the customers. If the assignee personnel do not

complete training to Coverall's satisfaction within forty-five (45) days, or assignor Franchised Business does not provide the required supervision, Coverall may at the end of such forty-five (45) day period terminate the assignee Franchise Agreement and Coverall will have no obligation to replace the Regular Service Volume that assignee received from assignor Franchised Business. Assignee's Franchise Agreement may be terminated prior to the expiration of forty-five (45) days if the assignee is in default under the terms of the Franchise Agreement.

Coverall may, in Coverall's sole discretion, withhold written consent of any proposed assignment in the event that Franchised Business is in default under the terms of this or any other agreement with Coverall until default is cured.

- C. Franchised Business's Right to Transfer Customers or Business Owed. Franchised Business must obtain Coverall's written consent before transferring any customer or Business Owed to another Franchised Business, which consent will not be unreasonably withheld. Transfer Fees equal to ten percent (10%) of the Regular Service Volume attributable to each transferred customer, not to exceed \$500 each, and ten percent (10%) of the Business Owed transferred will be assessed.

- (xiii) Franchised Business or any owner, member, shareholder, director or manager (as applicable) of Franchised Business is convicted of a felony, fraud, crime involving moral turpitude, or any other crime or offense which Coverall reasonably believes is related to Franchised Business's operation of the Franchise, or is likely to have an adverse effect on the System, the Marks, the goodwill associated with the Marks or Coverall's interest in the System or Marks.
- (xiv) Franchised Business or any owner or principal of Franchised Business purports to transfer any rights or obligations under this Agreement, any interest in Franchised Business or the Franchise to any third party in violation of the terms of this Agreement.

- (xvi) Franchised Business takes, withholds, misdirects or appropriates for its own use any funds withheld from its employees' wages which should have been set aside for the Franchise's employee taxes, FICA, insurance or benefits; wrongfully take or appropriate for Franchised Business's own use Coverall's property or funds; systemically fail to deal fairly and honestly with Franchised Business's employees, customers or suppliers; or knowingly permits or, having discovered the facts, fails to take any action against or to discharge any agent, servant or employee who has embezzled Coverall's funds or property or that of any customers or others.
- (xvii) Franchised Business makes a willful misrepresentation or does not make a material disclosure required by any governmental authority regarding any matter involving or affecting the operations of the Franchise.
- (xviii) Franchised Business interferes or attempts to interfere with Coverall's contractual relations with other franchisees, customers, employees, advertising agencies or any third parties.
- (xix) Franchised Business operates its Franchise in a fashion that, in Coverall's sole judgment, in any way jeopardizes the life, health or safety of the general public, Franchised Business's customers and/or Franchised Business's employees. If Franchised Business does so, then not only may Coverall terminate this Agreement upon notice, but Franchised Business agrees that Coverall may either beforehand or concurrently direct Franchised Business to immediately cease operations of its Franchise; Franchised Business shall immediately comply with such direction (which may be given orally or in writing); and, Franchised Business shall hold Coverall and the Coverall Indemnitees harmless from and against any claims whatsoever relating to our direction to cease operations of the Franchise.
- (xx) Franchised Business makes any use of Coverall's Confidential Information and/or Marks not specifically authorized by this Agreement or Manuals, or Franchised Business directly or indirectly utilizes or devotes same for the benefit of any individual or entity other than Franchise.
- (xxi) Franchised Business interferes or attempts to interfere with Franchised Business's ability or right to franchise or license others to use and employ the System and/or Marks.

- (xxiii) Franchised Business fails a background check.
- B. Coverall may terminate this Agreement, effective upon delivery of written notice of termination to Franchised Business, if Franchised Business fails to cure any of the following defaults within ten (10) days after delivery of written notice of such default:
- (i) Franchised Business breaches this Agreement, any other agreement between Franchised Business and Coverall, or any Service Agreement; or
  - (ii) Franchised Business abandons the Franchised Business by failing to actively operate the Franchised Business for a period of ninety (90) consecutive days.
- C. Coverall may terminate this Agreement, effective thirty (30) days after delivery of written notice of termination to Franchised Business (unless emergent circumstances make a shorter notice period necessary in Coverall's reasonable business judgment), in the event there is a change in applicable law that, in Coverall's reasonable business judgment, results or threatens to result in Coverall being deemed the employer, joint employer, co-employer or to have an employment (rather than independent contractor) relationship with Franchised Business or its employees. For the avoidance of doubt, if Coverall exercises this right, Coverall shall be entitled to terminate this Agreement without penalty or payment of compensation or damages and without the need to obtain the authorization of any third party of any arbitral, judicial or administrative resolution.
- D. Any continuance of business relations between Franchised Business and Coverall after the termination or expiration of this Agreement will not constitute, and may not be construed as, a reinstatement, renewal, extension or continuation of this Agreement unless Franchised Business and an authorized officer of Coverall agree in writing to any such renewal, extension or continuation.
- E. If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement or the parties to this Agreement limits Coverall's rights to terminate this Agreement or requires longer notice or cure periods than those set forth above, then this Agreement will be considered modified to conform to the minimum notice, cure periods or restrictions upon termination required by such laws and regulations. Coverall will not, however, be precluded from contesting the validity, enforceability or application of the laws or regulations in any action, proceeding, hearing or dispute relating to this Agreement or the termination of this Agreement.

committed a breach of this Agreement and granting Franchised Business an opportunity to cure said breach, will be irrevocably deemed to constitute Franchised Business's unilateral rejection and termination of this Agreement and all related agreements between Franchised Business and Coverall or Coverall's affiliates, notwithstanding that a formal notice of such termination(s) ultimately issues from Coverall, and Franchised Business shall never contend or complain otherwise.

23. PROCEDURES AFTER EXPIRATION, TERMINATION OR ASSIGNMENT.

Upon expiration, termination for any reason, or assignment of this Agreement, all obligations of the parties which survive the expiration or termination of this Agreement shall continue in full force and effect. Franchised Business shall cease to operate a Coverall Franchise and shall do all of the following acts and things, each of which shall survive the termination of this Agreement:

- A. Immediately pay to Coverall all monies due through the date of expiration, termination, or assignment, and cease doing business as a Coverall Franchised Business. Any amounts due Coverall at or after Franchised Business's termination may be offset against any amounts collected by Coverall on Franchised Business's behalf.
- B. Immediately and permanently discontinue the use of the Coverall System and all Coverall Marks, or any other name or designation indicating or tending to indicate that Franchised Business is or ever was an authorized Coverall Franchised Business. Furthermore, Franchised Business shall not promote or advertise the fact that Franchised Business was formerly a Franchised Business or affiliate of Coverall.
- C. Except in the case of an assignment of this Agreement, promptly surrender to Coverall all documents, including but not limited to, the Coverall Manuals, marketing material, letterhead, and business forms bearing the Coverall Marks, or any designation indicating or tending to indicate that Franchised Business is or was an authorized Coverall Franchised Business.
- D. Immediately and permanently discontinue all advertising for the Franchise.
- E. Maintain all books, records, and reports required by Coverall pursuant to Paragraph 17J for a period of not less than three (3) years after the termination and allow Coverall to perform a final audit of Franchised Business's books and records during normal business hours within the three (3) year period.
- F. Immediately and permanently discontinue wearing any apparel indicating or tending to indicate that the Franchise Business is or was an authorized Coverall Franchise, and promptly surrender to Coverall all apparel bearing a Coverall Mark.
- G. If Coverall terminates this Agreement, Franchised Business may with Coverall's consent, which consent shall not be unreasonably withheld, sell its customers and/or

Business Owed to another Coverall Franchised Business; or Coverall may purchase some or all of Franchised Business's customers and/or Business Owed. Customers and Business Owed that Franchised Business has not paid for in full are not eligible for either sale to another Franchised Business or purchase by Coverall; such customers shall revert to Coverall. The amount due to Franchised Business upon Coverall's purchase of Franchised Business's customers and/or Business Owed will first be applied to satisfy any monetary obligations owed by Franchised Business to Coverall; and the balance, if any, may, in Coverall's sole discretion, be paid to Franchised Business in two (2) or more installments. As a condition precedent to Franchised Business's receipt of payment from Coverall, Franchised Business shall assist with the transition of any customers to another Franchised Business; and Franchised Business may be required to execute an asset purchase agreement, which shall contain, among other provisions, a general release in favor of Coverall. Coverall will pay Franchised Business an amount equal to the Multiplier applicable to such purchases as provided in the Policies and Procedures Manual times the Regular Service Volume purchased.

H. Upon expiration of the Term of this Agreement:

- (i) Coverall shall have an option to purchase some or all of Franchised Business's customers and Business Owed, if any, excluding any promotional (free) Business Owed, which option shall be exercisable in Coverall's sole discretion. Customers and Business Owed that Franchised Business has not paid for in full are not eligible for purchase by Coverall; such customers shall revert to Coverall. The option price shall be the Multiple applicable to such purchases as provided in the Policies and Procedures Manual times the Regular Service Volume attributable to those customers. The amount due upon Coverall's purchase of Franchised Business's customers will first be applied to satisfy any monetary obligations owed by Franchised Business to Coverall; and the balance, if any, may, in Coverall's sole discretion, be paid to Franchised Business in two (2) or more installments. As a condition precedent to Franchised Business's receipt of payment from Coverall, Franchised Business shall assist with the transition of any customers to another Franchised Business; and Franchised Business may be required to execute an asset purchase agreement, which shall contain, among other provisions, a general release in favor of Coverall.
- (ii) If Coverall declines to exercise its option and Franchised Business is in good standing, not in default under any provision of this Agreement, and has fully paid its obligations to Coverall:
  - a) Franchised Business may, with the exception of National Account Customers, retain its then- existing fully paid customers, and Coverall will waive those provisions of Paragraph 18B that might be construed to prevent Franchised Business from servicing those

customers. All other provisions of Paragraph 18B shall remain in full force and effect.

- b) Coverall may purchase Franchised Business's fully paid Business Owed, if any, excluding any promotional (free) Business Owed, at the Multiple applicable to such purchases as provided in the Policies and Procedures Manual times the Business Owed as reflected on Coverall's books and records.
- c) The purchase price will first be applied to satisfy any monetary obligations owed by Franchised Business to Coverall; and the balance, if any, will be paid to Franchised Business.
- d) Customers for which Franchised Business has not paid in full will revert to Coverall; and any unpaid Business Owed is not eligible for purchase by Coverall.
- e) Franchised Business shall execute a general release in favor of Coverall.

24. INFORMAL DISPUTE RESOLUTION/MEDIATION.

If a dispute arises between Coverall and Franchised Business and if the dispute is not resolved or settled, Coverall and Franchised Business agree that prior to filing any proceeding, whether in arbitration or (if permissible) in court, they will attempt, in good faith, to settle the dispute by non-binding mediation or as otherwise agreed upon in writing by the parties. The mediation shall take place in the Area in which Franchised Business conducts its business and shall be administered by a neutral mediator agreed upon by the parties. In the event Coverall and Franchised Business are unable to agree upon a mediator within 15 days of the date on which either party requests mediation of a matter, the mediator shall be designated by the American Arbitration Association. The costs of the mediation shall be shared equally by the parties unless otherwise agreed in writing.

25. DISPUTE RESOLUTION/ARBITRATION.

- A. Arbitration. Except as otherwise provided in this Agreement, all controversies, disputes or claims between Coverall, its owners, officers, directors, agents and/or employees in their respective capacities (each, a "Coverall Party") and Franchised Business (Franchised Business's owners, officers, directors, agents and/or employees and/or any guarantors of this Agreement (the "Franchised Party," collectively with the Coverall Party, the "arbitration Parties") arising out of or related to this Agreement or the validity of this Agreement or any provision thereof (including this arbitration agreement, the validity and scope of which is to be determined by an arbitrator, not a court), any related agreement between the Arbitration Parties or the validity thereof, the relationship of the Arbitration Parties hereunder or under any related agreement between the Arbitration Parties, and/or any specification, standard or operating procedure of Coverall, including those set

forth in the Policies and Procedures Manual, which controversies, disputes or claims are not resolved in accordance with Paragraph 25, shall be submitted promptly for binding arbitration. The arbitration shall take place in the Area in which Franchised Business conducts its business. Arbitration shall be subject to the Federal Arbitration Act and not any state arbitration law and, except as otherwise provided in this Agreement or agreed upon by the parties in writing, shall be adjudicated by a neutral appointed JAMS (formally “Judicial Arbitration and Mediation Services”). The arbitration shall take place pursuant to the then current JAMS comprehensive arbitration rules, or as the Arbitration Parties may mutually agree in writing. Pursuant to JAMS Comprehensive Arbitration Rule 34, the Arbitration Parties hereby agree to the JAMS Optional Arbitration Appeal Procedure.

- B. The Arbitration Parties agree that arbitration shall be conducted on an individual and not on a class wide or collective basis, that only Coverall Parties and Franchised Parties may be parties to any arbitration proceeding described in this Paragraph 25B, and that no such arbitration between the Arbitration Parties shall be consolidated with any other proceeding between Coverall and any other Franchised Business or third party. Notwithstanding the foregoing or anything to the contrary in this Agreement, if any court or arbitrator determines that all or any part of this Paragraph 25B is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Paragraph, then the Arbitration Parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding. For clarity, this Paragraph is intended to be a class preclusion clause within the meaning of JAMS Class Action Procedures Rule 1(a).
- C. The parties agree that in connection with any arbitration proceeding, each party must submit or file any compulsory counterclaim (as defined by the Federal Rules of Civil Procedure) within thirty (30) days of the date of the submission or filing of the claim to which it relates or such counterclaim shall be forever barred. A decision by an arbitrator (including any finding of fact and/or conclusion of law) against either Arbitration Party shall be confidential unless otherwise required to be disclosed by law and may not be collaterally used against either of them in existing or subsequent litigation or arbitration involving any third party. The Arbitration Parties also agree to be bound by, and the arbitrator shall be bound to apply, the provisions of any applicable limitation on the period of time in which claims must be brought, including any set forth in this Agreement. Further, the Arbitration Parties agree that discovery may be conducted in accordance with the provisions of the Federal Rules of Civil Procedure; provided, however, that neither Arbitration Party shall be required to make the initial disclosures required under Rule 26(a)(1) of the Federal Rules of Civil Procedure.
- D. The decision of the arbitrator shall be conclusive and binding upon all parties, and judgment upon the award may be entered in any court of competent jurisdiction. The arbitrator shall not have the authority to declare any mark generic or otherwise invalid. The Arbitration Parties waive to the fullest extent permitted by law any right or claim for any punitive, exemplary, incidental, indirect, special,

consequential or other similar damages in any action or proceeding whatsoever between the parties to this Agreement and/or any of their affiliates. The costs of the arbitration shall, subject to the provisions of Paragraph 25G of this Agreement, be shared equally between the Arbitration Parties unless governing law requires otherwise. Either Arbitration Party, in their sole and exclusive discretion, may choose to assume responsibility for the other party's arbitration costs. If one Arbitration Party claims it cannot afford the costs of arbitration, the arbitrator shall determine the maximum costs the party can afford. The arbitrator will apportion costs more than that amount to the opposing party. Any Arbitration Party that, due to such an apportionment, pays more than one half of the total arbitration costs shall, if it prevails in the arbitration, recover the excess costs pursuant to the award. Any Arbitration Party seeking to reapportion costs in this manner must submit to the arbitrator for consideration and to the opposing party for inspection complete and unredacted copies of his or her tax returns for the preceding two years. For the avoidance of doubt, the entirety of this Paragraph 25D is subject to the provisions of Paragraph 25G below, and it shall not be interpreted to require or permit an award of any costs, fees or expenses against any Arbitration Party if such recovery is prohibited under Applicable Law.

- E. Injunction and Specific Performance. Notwithstanding anything in Paragraphs 24 and 25 to the contrary, Coverall and Franchised Business shall be entitled to apply at any time directly to a court of competent jurisdiction for the entry of preliminary and permanent injunctions and orders of specific performance. The prevailing party shall be entitled to collect from the non-prevailing party an amount equal to the costs incurred by the prevailing party in obtaining relief, including, without limitation, attorney's fees, litigation costs and expenses, as well as any damages incurred.
  
- F. Final Award. Notwithstanding any arbitration rule to the contrary, no award shall become final until 45 days after the award issues, or, if a JAMS appeal is filed, 45 days after the appellate decision is issued. If the non-prevailing Arbitration Party pays the full amount of the award to the prevailing Arbitration Party within that 45-day period, the award shall not become final and, notwithstanding any arbitration rule to the contrary (including JAMS Comprehensive Arbitration Rule 25), no judgement of a court may be entered upon the award under 9 U.S.C. §9 or any other statute.
  
- G. Attorneys' Fees. Should either Arbitration Party incur attorney's fees in order to enforce the terms and conditions of this Agreement, including post-term covenants, the prevailing party shall be entitled to reimbursement by the other party of all litigation costs, including attorneys' fees.
  
- H. Survival. The parties agree that the provisions of this Paragraph 25 are intended to benefit and bind certain third party non-signatories and shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

I. WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW COVERALL AND FRANCHISED BUSINESS (AND FRANCHISED BUSINESS'S OWNERS, OFFICERS, DIRECTORS AND/OR ANY GUARANTORS OF THIS AGREEMENT) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM.

26. TIME TO ASSERT CLAIMS.

Franchised Business agrees to give Coverall immediate written notice of any alleged breach or violation of this Agreement after Franchised Business has constructive or actual knowledge of, believe, determine or are of the opinion that there has been an alleged breach of this Agreement by Coverall, including any acts of misfeasance or nonfeasance. Any and all claims and actions arising out of or relating to this Agreement, the relationship of Franchised Business and Coverall, or Franchised Business's operation of its business, brought by any Party hereto against the other, shall be commenced within two (2) years from the occurrence of the facts giving rise to such claim or action, or such claim or action shall be barred. This limitations period shall be enforceable to the fullest extent permitted by law.

27. GOVERNING LAW.

This Agreement shall be interpreted and governed by the laws of the state where Coverall's principal place of business is then-located (the "Coverall State"), without recourse to such Coverall State's (or any other state's) choice of law or conflicts of law principles. If, however, any provision of this Agreement is enforceable under the laws of the Coverall State, and if the Franchise is located outside of the Coverall State and the provision would be enforceable under the laws of the state in which the Franchise is located, then that provision (and only that provision) will be interpreted and construed under the laws of that state. This Section is not intended to invoke, and shall not be deemed to invoke, the application of any franchise, business opportunity, antitrust, unfair competition, fiduciary or any other doctrine of law of the Coverall State which would not otherwise apply by its terms jurisdictionally or otherwise but for the within designation of governing law.

28. ENTIRE AGREEMENT.

This is the full agreement of the parties. Any matter which is not actually written down and included in this document is not a term of this Agreement. To avoid any later misunderstanding about the exact terms of the Agreement, each party affirms, by signing this Agreement, that it has not relied on any comment, promise, or representation not actually included in this Agreement. By signing this Agreement, the parties mutually agree that no evidence shall be admitted in any proceeding as to the existence of any term or promise claimed to be a part of the Agreement unless that term is explicitly stated within the Agreement.

***DO NOT SIGN THIS AGREEMENT IF FRANCHISED BUSINESS IS RELYING UPON ANY REPRESENTATION OR PROMISE NOT STATED IN THIS***

***AGREEMENT. NOTHING IN THE AGREEMENT IS INTENDED TO DISCLAIM THE REPRESENTATIONS COVERALL MADE IN THE FRANCHISE DISCLOSURE DOCUMENT THAT COVERALL FURNISHED TO FRANCHISED BUSINESS.***

29. AMENDMENT.

This Agreement may not be modified, altered, or amended except in writing executed by all of the Parties.

30. WAIVERS AND DELAY.

Waiver or delay by Coverall of its enforcement of any breach of any term, covenant or condition of this Agreement will be construed as a waiver by Coverall of such breach or any preceding or succeeding breach, or any other term, covenant or condition of this Agreement; any one or more defaults shall not operate as a waiver of successive or other defaults and all of Coverall's rights shall continue notwithstanding any such waiver or waivers.

31. FORCE MAJEURE.

Notices sent by mail shall be deemed received on the second day following mailing.

34. SUCCESSORS BOUND.

This Agreement shall bind, and shall inure to the benefit of, the executor, administrator, personal representative, heirs, successors and assigns of each of the Parties.

35. SURVIVAL OF PROVISIONS.

37. GUARANTY.

The shareholders or members of any business entity constituting Franchised Business, and shareholders or members of any corporate entity that may own the shares of the partnership or corporate entity which is Franchised Business, (the shareholders or members are listed in on page 1), do by signing this Agreement, jointly and severally (i) guaranty the performance of all Franchised Business's responsibilities and duties; (ii) guaranty the payment of all sums which may from time to time become due to Coverall under this Agreement; and (iii) agree to be bound by Paragraphs 18, 20, 23, 24 and 25. This provision shall be equally binding upon the current shareholders or members of the business entity which is Franchised Business, and upon any additional shareholders or members who may subsequently obtain an ownership interest in Franchised Business, pursuant to Paragraph 21 of this Agreement. Franchised Business specifically agrees that within thirty (30) days prior to any additional shareholders or members obtaining an ownership interest in Franchised Business that Franchised Business shall notify Coverall in writing of this fact, and such additional shareholders or members shall be approved by Coverall, who approval shall not be unreasonably refused. At that time, Coverall will give Franchised Business its then current Franchised Business confidentiality and guaranty form. These forms are to be executed by the additional shareholders or members concurrently with their obtaining their ownership interest in Franchised Business.

39. COVERALL'S BUSINESS JUDGMENT.

Whenever this Agreement or any related agreement grants, confers or reserves to Coverall the right to take action, refrain from taking action, grant or withhold our consent or grant or withhold Coverall's approval, unless the provision specifically states otherwise, Coverall will have the right to engage in such activity at Coverall's option taking into consideration Coverall's assessment of the long term interests of the Coverall System overall. Franchised Business and Coverall recognize, and any court or judge is affirmatively advised, that if those activities and/or decisions are supported by Coverall's business judgment, neither said court, said judge nor any other person reviewing those activities or decisions will substitute his, her or its judgment for Coverall's judgment. When the terms of this Agreement specifically require that Coverall not unreasonably withhold its approval or consent, if Franchised Business is in default or breach under this Agreement, any withholding of Coverall's approval or consent will be considered reasonable.

6. The failure by Franchised Business to execute, as above, any documents, which Coverall deems necessary to convert Franchised Business's obligation to another form of financing.

7. At any time when, in the sole opinion of Coverall, Franchised Business's financial responsibility becomes impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Franchised Business and Coverall, in the event the services performed by Franchised Business for customers of their Coverall Franchised Business are discontinued in accordance with the provisions of Paragraph 18 of the Coverall Franchise Agreement, Coverall shall have the right to apply the entire amount of any payment received by Coverall from the customer(s) after discontinuation of services to the balance due on this Promissory Note. **GUARANTY TO COVERALL FRANCHISE AGREEMENT**

**FO#** \_\_\_\_\_

In consideration of, and as an inducement to Coverall North America, Inc. ("Coverall"), entering into a Franchise Agreement ("the Agreement") dated \_\_\_\_\_, \_\_\_\_\_, with \_\_\_\_\_ ("Franchised Business"), the undersigned ("the Guarantor(s)") hereby unconditionally guaranty, personally, the obligations of the Franchised Business under the Agreement, as follows:

1. Guarantor(s) jointly, severally, and unconditionally guarantee to Coverall performance of all responsibilities, duties, indebtedness, and obligations of the Franchised Business under the Agreement, including, but not limited to (a) payment of any fees due under the Agreement, including, but not limited to, initial fee, royalties, management fees, assignment fees, interest or late fees, training fees (if any) and fees for products, supplies or services furnished by Coverall to Franchised Business; (b) obligations to hold harmless, defend and indemnify Coverall and related parties; and (c) any and all advances, debts, obligations, notes and liabilities of the Franchised Business incurred in connection with or as a result of the Agreement, previously, now, or hereafter made, incurred, or created, voluntary or involuntary and, however arising.

2. Guarantor(s) authorizes Coverall, (whether or not after revocation or termination of this Guaranty) without notice or demand (except as may be required by law) and without affecting or impairing Guarantor(s)' liability hereunder, from time to time, to (a) renew, compromise, extend, accelerate, or otherwise change the time for performance of, or otherwise change the terms of the obligation or any part thereof; and (b) release or substitute any one or more of the Guarantors, if there is more than one.

3. Any indebtedness of the Franchised Business now or hereafter held by Guarantor(s) is hereby subordinated to the indebtedness of the Franchised Business to Coverall, and all such indebtedness shall, if Coverall so requests, be collected, enforced, and received by Guarantor(s) as trustee(s) for Coverall, and be paid over to Coverall on account of the indebtedness of Franchised Business to Coverall, without affecting or impairing in any manner the liability of Guarantor(s) under the other provisions of this Guaranty.

4. Guarantor(s) waives any right to require Coverall to (a) proceed against the Franchised Business; (b) proceed against or exhaust any security held from the Franchised Business; or (c) pursue any other remedy in Coverall's power whatsoever. Guarantor(s) waives any defense based on or arising out of any defense of the Franchised Business other than payment in full of the indebtedness, including, but not limited to, any defense based on or arising out of the disability of the Franchised Business, the unenforceability of the indebtedness or any part thereof from any cause, or the cessation from any cause of the liability of the Franchised Business, other than payment in full of the indebtedness. Coverall may, at its election, foreclose on any security held by Coverall by one or more judicial sales, whether or not every aspect of any such sale is commercially reasonable, or exercise any other right or remedy Coverall may have against the Franchised Business or any security, without affecting or impairing in any way the liability of Guarantor(s) under this Agreement, except to the extent the indebtedness has been paid. Guarantor(s) waives any defense arising out of such an election by Coverall, even if the election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of Guarantor(s) against the Franchised Business or any security. Until all indebtedness of the

Franchised Business to Coverall is paid in full, even though that indebtedness is in excess of Guarantor's liability under this Agreement, Guarantor(s) shall (a) have no right of subrogation; (b) waive any right to enforce any remedy that Coverall now has or may hereafter have against Franchised Business; and (c) waive any benefit of, and any right to, participation in any security now or hereafter held by the Franchised Business. Guarantor(s) waives all presentments, demands for performance, notices of protest, notices of dishonor, notices of acceptances of this Guaranty, and notices of the existence, creation, or incurring of new or additional indebtedness. Guarantor(s) assumes all responsibility for keeping informed of the Franchised Business's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the indebtedness and the nature, scope, and extent of the risks that Guarantor(s) assumes and incurs hereunder, and agrees that Coverall shall have no duty to advise Guarantor(s) of information known to it regarding those circumstances or risks.

5. Guarantor(s)' obligations hereunder are joint and several, and independent of those of the Franchised Business, and a separate action or actions may be brought and prosecuted against the Guarantor(s) whether action is brought against the Franchised Business and/or Guarantor(s), or whether the Franchised Business and/or the Guarantor(s) be joined in any such action or actions; and the Guarantor(s) waives the benefit of any statute of limitations affecting the Guarantor(s)' liability hereunder, or the enforcement thereof.

6. In addition to the amounts guaranteed under this Agreement, Guarantor(s) jointly and severally agrees to pay reasonable attorneys' fees and all other costs and expenses incurred by Coverall in enforcing this Guaranty in any action or proceeding, arising out of, or relating to, this Guaranty.

7. It is not necessary for Coverall to inquire into the powers of the Franchised Business or the officers, directors, or agents acting or purporting to act on their behalf, and any obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

8. If any provision of this Guaranty contravenes or is held invalid under the laws of any jurisdiction, this Guaranty shall be construed as though it did not contain that provision, and the rights and liabilities of the parties of this Agreement shall be construed and enforced accordingly.

9. In addition to the above provisions, Guarantor(s) agrees to comply with all provisions and covenants in the Agreement related to the protection of the Coverall trade and service marks and the Coverall confidentiality and trade secrets (both in-term and post term). In addition the Guarantor(s) agrees to be bound by all Non-Competition covenants of the Agreement, both in-term and post-term, which covenants shall be as fully binding and enforceable on Guarantor(s) as though they were set forth herein.

IN WITNESS WHEREOF, the undersigned Guarantor(s) has this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ executed this Guaranty in the City of \_\_\_\_\_, State of \_\_\_\_\_.

### Recitals

- A. Employer Franchisee is an independently owned and operated Coverall® commercial cleaning franchised business operating under a license from Coverall North America, Inc. ("Franchisor").
- B. Employer Franchisee has purchased a Franchised Business and has the right to use the Coverall System, a proprietary system for the ongoing development and operation of a commercial cleaning franchised business, and the right to use certain Franchisor trade names, service marks and trademarks, including the trade names "Coverall®," "Coverall Health-Based Cleaning System®," and/or such other names, designs, and logos as Franchisor may from time to time designate (the "Marks").
- C. Signatory Employee is likely to become familiar with the Coverall® System.
- D. Franchisor shall provide the Employer Franchisee with the Coverall System upon Signatory Employee's consent to the restriction set forth in this Agreement.

### Terms

In consideration of Franchisor's disclosure of confidential and proprietary information, the Signatory Employee hereby agrees as follows:

1. Recitals. The foregoing Recitals are fully incorporated in the Terms as if set forth herein.
2. Confidentiality of Information. Signatory Employee acknowledges that Signatory Employee will have access to Coverall Manuals and documents, records and information of a confidential and proprietary nature including, but not limited to, the Coverall System, names and addresses of the Employer Franchisee's customers, the names and duties of key personnel of Employer Franchisee's customers, approved supplier lists, criteria for approval of supplies and equipment, Employer Franchisee's customer contracts, and information regarding the operation of the Coverall System, all of which would not be available to Signatory Employee except for Signatory Employee's relationship with Employer Franchisee. Signatory Employee acknowledges that such information is not generally known to the public, is confidential, is an asset of Franchisor, and to preserve Franchisor's good will must be kept strictly confidential and used only in the conduct of Employer Franchisee's business.

Signatory Employee agrees to not ever divulge or use for the benefit of any other person(s), association, corporation, or limited liability company, any confidential information,

knowledge, or know-how concerning the Coverall System and the Employer Franchisee's Franchised Business. Any and all information, knowledge, know-how, techniques, and information which Franchisor designates as confidential shall be deemed confidential for the purposes of this Agreement.

Signatory Employee shall not at any time copy, duplicate, record or otherwise reproduce any of Franchisor's confidential information, in whole or in part, or otherwise make it available to any third party except as authorized by the Coverall Franchise Agreement (the "CFA") or by Franchisor in writing. Upon the expiration or other termination of Signatory Employee's relationship with Employer Franchisee, Signatory Employee shall return to Franchisor all such confidential information including, but not limited to, all Coverall Manuals and other confidential proprietary documents, which are in Signatory Employee's possession, custody, or control, and shall delete all electronic data files that contain Franchisor's confidential information.

3. In-Term Restrictions. During the Term of the CFA, and any Successor Term, and for so long that during the Term the Signatory Employee is employed by or has an ownership interest in the Employer Franchisee, Signatory Employee shall not, without the prior written consent of Franchisor, directly or indirectly, engage in, or acquire any financial interest in (either as an individual, principal, owner, agent, employee, stockholder, or director) any business which performs commercial cleaning and related services, or engages in the franchising of commercial cleaning businesses, or any related business anywhere in the Area defined in the CFA. Signatory Employee shall not divert any customers of the Employer Franchisee to another entity, whether or not that entity is directly or indirectly controlled by Employer Franchisee unless Franchisee obtains Franchisor's written consent.
4. Post-Term Non-Solicitation of Franchisees, Customers, and Employees. Signatory Employee expressly agrees that Signatory Employee shall not, directly or indirectly, solicit any customer repurchased by Franchisor or another Franchisor franchisee for a period of eighteen (18) months from the date of repurchase.
5. Remedy. Signatory Employee acknowledges that the restrictions set forth in Paragraphs 3 and 4 are reasonable and necessary for Franchisor's protection. Signatory Employee hereby agrees that in the event of a violation by Signatory Employee of any of the provisions contained in this Agreement, Franchisor will be entitled, if it so elects, to institute and prosecute proceedings at law or in equity to obtain injunctive relief and/or damages with respect to such violation; and that the prevailing party shall be entitled to collect from the non-prevailing party its reasonable attorney's fees, costs and expenses associated with such proceedings.
6. Divisibility. The provisions of this Agreement are severable. If any provision of this Agreement shall be held to be invalid or unenforceable in any respect, or in any jurisdiction, such provision shall be carried out and enforced only to the extent to which it shall be valid and enforceable, and any such invalidity or unenforceability shall not affect any other provisions of this Agreement, all of which shall be fully carried out and enforced as if such invalid or unenforceable provision had not been set forth herein.

7. Third-Party Beneficiary. The parties acknowledge and agree that Franchisor is an intended third party beneficiary of this Agreement, and accordingly, Franchisor, as well as Employer Franchisee, shall have the right to enforce the provisions of this Agreement against Signatory Employee. Neither this Nondisclosure and Non-Solicitation Agreement between Employer Franchisee and Signatory Employee, nor this Paragraph 7, which makes Franchisor an intended third-party beneficiary, constitutes control by Franchisor over the Signatory Employee's conditions of employment, or creates an employee or joint employee relationship between Franchisor and Signatory Employee.
  
8. No Waiver. Any failure or delay in exercising any right or remedy hereunder shall not constitute a waiver of such right or remedy and shall not excuse or release Signatory Employee from full performance of Signatory Employee's obligations hereunder. No waiver of any right or remedy shall be effective unless in writing and signed by an authorized representative of Franchisor.

## PROMISSORY NOTE

FOR VALUE RECEIVED, Purchaser, whose signature appears on this Equipment Purchase Agreement (the "Agreement") agrees to pay to the order of Coverall North America, Inc. ("Coverall"), in lawful money of the United States of America, the principal sum stated on Page 1 of this Agreement, with interest from the date of execution, at the rate of eighteen (18%) per annum, or the highest rate permitted by your state, whichever is less, on the unpaid balance of the principal amount until paid in full.

This note may be prepaid without penalty.

It is agreed that each installment, when paid, shall be credited first to interest then due and the remainder to principal. Should the interest not be so paid, it shall, at the sole option of Coverall, become part of the principal and thereafter bear like interest as the principal.

Should Purchaser default in the payment of any installment of principal or interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of Coverall, with interest from the date of the default at the rate of twenty-one percent (21%) per annum until paid on the entire unpaid principal and interest.

Purchaser agrees that the obligation evidenced by this Promissory Note shall, at Coverall's option, upon Coverall first giving Purchaser thirty (30) days written notice, be converted from a Promissory Note to a revolving line of credit granted by Coverall to Purchaser. Under the line of credit, Purchaser will remain obligated to pay to Coverall the monthly amount payable under this Promissory Note; however, if the line of credit issued to Purchaser is, with Purchaser's consent, increased to an amount exceeding the principal balance evidenced by this Promissory Note, Purchaser shall, in addition to the monthly amounts currently payable under the Agreement and this Promissory Note, be required to pay Coverall each month, an amount equal to at least twelve and one half percent (12-1/2 %) of the amount by which Purchaser's gross monthly billings (regular service and special services) for each prior month exceeds the amount of gross monthly billings originally acquired by this note and other notes of Purchaser converted to the line of credit. In the event of a conversion to a line of credit exceeding the gross monthly billings originally acquired by this note and other notes of Purchaser converted to the line of credit, Coverall shall also have the right, upon first giving Purchaser thirty (30) days written notice, to increase or decrease the rate of interest on the line of credit. Interest on the entire line of credit, including amounts which were payable under this note, shall be calculated on the outstanding daily balance of Purchaser's obligation to Coverall. In the event of such conversion, (i) the terms of default; and (ii) Coverall's right to accelerate the obligation in the event of default, shall remain the same. Purchaser will, upon receipt from Coverall of written notice to convert this obligation, execute such instruments and/or documents, as Coverall deems necessary. Failure by Purchaser to do so will be deemed an event of default under this Promissory Note. Details of the Coverall line of credit program, if and when adopted, will appear in the Coverall Policy and Procedure Manual as it may, from time to time be updated and/or modified, or in a written policy directive setting forth these details.

Furthermore, this note and all other obligations, direct or contingent, of Purchaser or any endorser, shall become fully due and payable immediately at the option of Coverall without demand or notice upon the happening of any of the following events:

1. The failure of Purchaser to pay when due any installment of the principal and/or interest.
2. The failure of Purchaser to timely keep or properly perform any of the recitals, covenants, conditions, representations, warranties, obligations or guarantees contained in any agreement between Coverall and Purchaser.
3. The levy of any attachment, execution, or any other process against all or any part of the assets of Purchaser.
4. The failure of Purchaser to pay, withhold, collect or remit any tax or tax deficiency when assessed or due.
5. The suspension of the business of Purchaser, or the making of a general assignment for the benefit of creditors, or the commencement of proceedings for dissolution or liquidation, or the commencement of proceedings under any bankruptcy, insolvency, readjustment of debt or liquidation law or statute of the federal or state governments, or the adjudication as bankrupt or insolvent, or the involuntary appointment of a receiver, or applications for a receiver, or the making of a bulk sale or the giving notice of intention to do so.
6. The failure by Purchaser to execute documents that Coverall deems necessary to convert Purchaser's obligation to another form of financing.
7. At any time when, in the sole opinion of Coverall, Purchaser's financial responsibility becomes impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Purchaser and Coverall, in the event the services performed by Purchaser for customers of their Coverall Franchised Business are discontinued in accordance with the provisions of Paragraph 18 of the Coverall Franchise Agreement, Coverall shall have the right to apply the entire amount of any payment received by Coverall from the customer(s) after discontinuation of services to the balance due on this Promissory Note. The application of such funds shall not be construed to release the Purchaser from any obligation to pay any amounts remaining due to Coverall (principal or interest).

In the event an attorney is employed by Coverall in collection of any amounts due hereunder, Purchaser shall pay to Coverall its reasonable attorneys' fees and costs incurred in such collection.

The obligation evidenced by this note is to be construed in accordance with the laws of the State or District in which the Purchaser conducts its Coverall business.

## TERMS AND CONDITIONS

1. **SALE OF EQUIPMENT.** Purchaser agrees to purchase from Seller, upon the following terms and conditions the equipment described in the Equipment Schedule (the "Equipment"). The purchase price and terms of payments are set forth in the Contract Term and Payment Schedule ("Payment Schedule").

2. **PAYMENT.** In the event Coverall agrees to finance the Equipment purchase, Purchaser shall pay Seller the down payment stated in the Payment Schedule, and the balance shall be payable in accordance with the Payment Schedule and pursuant to the terms of the Promissory Note. Payments shall be deducted monthly from Purchaser's Purchaser Statement unless there are insufficient monies due Purchaser in which event, Purchaser shall pay the difference. Default shall be defined as any payment which is not paid in full within three (3) business days of payment due date. Upon default by Purchaser or termination of Purchaser's Franchise Agreement for any reason, the balance shall be due and payable immediately. Notwithstanding anything in this Paragraph to the contrary, Seller reserves the right to finance the purchase of the Equipment through a Line of Credit provided by Seller or a third party and/or to convert the Promissory Note to the Line of Credit

3. **LIMITATION OF WARRANTY AND REMEDIES.** EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, SELLER MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED AND SHALL NOT, BY VIRTUE OF HAVING SOLD THE EQUIPMENT COVERED BY THIS AGREEMENT, BE DEEMED TO HAVE MADE ANY REPRESENTATION OR WARRANTY AS TO THE MERCHANTABILITY, FITNESS, DESIGN, CONDITION OR QUALITY OF THE EQUIPMENT OR THE MATERIAL OR WORKMANSHIP IN THE EQUIPMENT.

4. **THIRD PARTY CLAIMS.** Seller shall not be liable to Purchaser for, and Purchaser shall indemnify and hold Seller harmless with respect to, any third party liability, claim, loss, damage, or expense of any kind or nature caused directly or indirectly by the inadequacy of any item of the Equipment; the use or performance of any item of the Equipment; any interruption or loss of business or other consequential damage whether or not resulting from any of the foregoing; levying of any state and local taxes, including sales and use and personal property taxes, as well as loss of federal income tax benefits by Seller.

5. **TAXES, ASSESSMENTS AND FEES.** Purchaser agrees to pay all licensing, filing, and registration fees; to keep the Equipment free of all liens and encumbrances; to pay for all personal property taxes assessed against the equipment, to pay all other taxes, assessments, fees, and penalties which may be levied or assessed in respect to the Equipment, its use or any interest, or any lease payments, including but not limited to all federal, state, and local taxes, however designated, levied or assessed, whether upon Purchaser or Seller or the Equipment or upon the sale, ownership, use or operation, excepting any income taxes levied on the Seller.

6. **SECURITY INTEREST.** To secure the prompt and complete payment, performance and observance of all the obligations of Buyer hereunder, including payment of the Promissory Note or other financing described in Paragraph 2 hereof, Purchaser hereby grants, assigns, mortgages, pledges, hypothecates and transfers to Seller, a continuing Lien and Security Interest (the "Security Interest") in the Equipment, which shall be the Collateral for such Security Interest.

7. **UCC FILINGS.** The parties agree that either a photographic or other reproduction of this Agreement or a description of the Equipment may be filed with a Financing Statement, and shall be sufficient along with the Financing Statement, under the Uniform Commercial Code. Seller may file or record the Financing Statement with respect to the Equipment so as to give notice to any interested parties. The cost of any UCC filing shall be paid by Purchaser, and Seller shall be authorized to deduct this amount from Purchaser's Purchaser Statement.

8. **INSURANCE.** Until Purchaser has fully paid for the Equipment, Purchaser shall, at Purchaser's own cost and expense, keep the Equipment insured for the full amount secured by this Agreement against damage or loss resulting from any and all risks to which it might foreseeably be exposed and risks designated by Seller. The Policy of Insurance shall be issued by an insurance company acceptable to Seller and shall provide for the loss payable under it being paid to both Purchaser and Seller as their interests may appear. A duplicate copy of each policy shall be delivered by Purchaser to Seller, who shall be named as an additional insured.

9. **RIGHT OF INSPECTION.** If Purchaser has financed the Equipment with Seller, Seller, either in person or by agent, shall have the right at any and all reasonable times, and at reasonable intervals, to enter the premises where the Equipment is located and inspect the Equipment.

10. **DEFAULT.** Should Purchaser fail to perform any provision of this Agreement, or should Purchaser fail to pay any obligation created by this Agreement as it becomes due, then Purchaser shall be in default of this Agreement. Seller shall have all the rights and remedies afforded by a secured party under the Uniform Commercial Code. Seller may:

- a. Enter on Purchaser's premises to assemble and take possession of the Equipment;
- b. Require Purchaser to make possession of the Equipment available to Seller at a place designated by Seller that is reasonably convenient to both Purchaser and Seller;
- c. Enter Purchaser's premises and dispose of the Equipment in the manner provided by the Uniform Commercial Code; and
- d. Apply the proceeds received from the sale or other disposition of the Equipment on default of Purchaser, in addition to the items specified in Article 9 of the Uniform Commercial Code, to the payment of reasonable attorneys' fees and legal expenses incurred by Seller as a result of Purchaser's default.

11. **ASSIGNMENT BY SELLER.** Seller may assign this Agreement and its rights to a third party. Purchaser acknowledges that the terms and conditions of this Agreement have been fixed in anticipation of the possible assignment of Purchaser's rights under this Agreement to a third party (the "Assignee") which will rely on and be entitled to the benefit of the provisions of this Agreement. Purchaser agrees to recognize in writing (if so requested) any such assignment within five (5) days after receipt of written notice thereof and to thereafter pay all sums due Seller under a Promissory Note or Line of Credit directly to the Assignee. Any assignment shall be

subject to Purchaser's rights to use and possession of the Equipment under this Agreement, provided Purchaser is not in default.

12. **ASSIGNMENT BY PURCHASER.** Purchaser shall not assign this Agreement or sell any item of financed Equipment before payment in full without the prior express written consent of Seller, which consent shall be subject to such terms and conditions as Seller, in its sole discretion, may determine.

13. **GOVERNING LAW.** This Agreement shall be interpreted and governed by the laws of the State or District in which the Purchaser's franchise business is located.

14. **NOTICES.** Any notices required to be given shall be in writing and may be given by personal delivery, telegram, or United States certified or registered mail, return receipt requested, postage prepaid directed to the Seller or the Purchaser at their respective last known addresses. Notice by mail shall be deemed received on the third (3rd) business day following the date the same was deposited in the United States Mail.

15. **SEVERABILITY; CAPTIONS.** All of the paragraphs and subparagraphs of this Agreement are distinct and severable and if any paragraphs or subparagraphs shall be deemed illegal, void, or unenforceable, the validity, legality or enforceability of any other paragraph or subparagraph of this Agreement shall not be affected. Captions of paragraphs and subparagraphs are for purposes of convenience only and do not constitute any part of, or modify, amend or otherwise change the language or intent of the paragraphs and subparagraphs.

16. **WAIVERS.** Waiver of any one or more defaults by the Seller shall not operate as a waiver of successive or other defaults and all of the Seller's rights shall continue notwithstanding any waiver or waivers.

17. **ENTIRE AGREEMENT; MODIFICATION.** The undersigned acknowledge that they, and each of them, have read this Agreement in full. No representations or agreements, whether oral or written, except as set forth in this Agreement have been made or relied upon. The terms and provisions of this Agreement cannot be changed or modified unless in writing signed by the authorized representative of the Purchaser and an authorized representative of the Seller.

18. **SUCCESSORS AND ASSIGNS.** This Agreement shall be binding on and inure to the benefit of Seller and Purchaser and their respective successors and assigns.

19. **PRONOUNS.** All pronouns and any variation thereof as used herein shall be deemed to refer to masculine, feminine, neuter, singular or plural as the identity of the person or persons and the context may require.

20. **TIME OF THE ESSENCE.** Time is hereby expressly declared to be of the essence in this Agreement.

## Independent Auditor's Report

Board of Directors  
Coverall Acquisition, LLC and Subsidiaries

### Opinion

We have audited the consolidated financial statements of Coverall Acquisition, LLC and Subsidiaries (Successor Company), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, the related consolidated statements of income, changes in equity and cash flows for the year ended December 31, 2022 and the period from July 1, 2021 through December 31, 2021 (Successor Period), and the related notes to the consolidated financial statements. We have also audited the consolidated financial statements of CNA Holding Corporation and Subsidiaries (Predecessor Company), which comprise the consolidated statements of income, changes in equity, and cash flows for the period from January 1, 2021 through June 30, 2021 (Predecessor Period), and for the year ended December 31, 2020, and the related notes to the consolidated financial statements. The consolidated financial statements of the Predecessor Company and the Successor Company and the related notes to the consolidated financial statements are collectively referred to herein as the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Coverall Acquisition, LLC and Subsidiaries as of December 31, 2022 and 2021, and the results of their operations and their cash flows for the year ended December 31, 2022 and the Successor Period, and the results of CNA Holding Corporation and Subsidiaries operations and their cash flows for the Predecessor Period and for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Successor Company and Predecessor Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter

As discussed in Note 2 to the financial statements, on June 30, 2021, the Successor Company entered into a Stock Purchase Agreement, which resulted in the purchase of 100% of the equity interests of the Predecessor Company leading to predecessor/successor financial reporting. As a result of these different bases of accounting, these periods are not comparable to one another as they are effectively different accounting entities. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management of both the Successor Company and Predecessor Company are responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, both the Successor and the Predecessor Company's management are required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Successor Company and the Predecessor Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Successor Company and Predecessor Company management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Successor Company and Predecessor Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Note 1. Nature of Business and Significant Accounting Policies

**Nature of business:** Coverall Acquisition, LLC (the Company or Coverall Acquisition) was formed as a limited liability company in the State of Delaware on June 4, 2021. The Company began operations on June 30, 2021, through its acquisition of CNA Acquisition, LLC and its wholly owned subsidiaries (the Sellers or CNA).

The Company and its wholly owned subsidiaries (collectively referred to as the “Company” doing business as “Coverall Health-Based Cleaning Systems”) is a sales and marketing company engaged in the business of selling franchises, equipment, supplies, and procuring commercial cleaning customers. The Company sells three types of franchises: Service (Master), Territory and Janitorial. Masters are licensed to implement the Company’s business model in an exclusive territory: selling, training and supporting Janitorial franchises, and procuring customer accounts. Masters pay the Company royalties on their business revenue. Territory franchises are licensed to use the “Coverall” marks in the operations of a commercial janitorial business in an exclusive territory. Territory franchises are responsible to procure and service their own cleaning customers and pay the Company a royalty on their gross revenue.

Janitorial franchisees are licensed to use the “Coverall” marks and system in the service of commercial cleaning customers. The Company provides the Janitorial franchisee with an initial book of customers to service; training, billing and collection services; and ongoing support in exchange for a franchise fee and ongoing royalty and support fees. The current franchise term is 20 years with a renewal option.

The Company provides financing for its Janitorial franchisees’ initial franchise fee, purchases of additional business and equipment. The Company conducts its business in company-owned support centers throughout the United States of America (U.S.). The Company’s Master, Territory and Janitorial franchises are located in various regions in the U.S. Internationally the Company has Master franchisees operating in Canada and Asia.

The Company procures janitorial service contracts with commercial customers and then assigns the right to service the customers to its Janitorial franchisees.

On January 31, 2022, the Company, acquired all the outstanding equity interest of Warjon, Inc. (Warjon) for total consideration of approximately \$10,798,000 as more fully discussed in Note 2.

A summary of the Company’s significant accounting policies follows:

**Basis of presentation:** As further discussed in Note 2, on June 30, 2021, the Company entered into a Stock Purchase Agreement, which resulted in the purchase of 100% of the equity interests of the Sellers. The consolidated statements present the consolidated results of operations of Coverall Acquisition and its wholly owned subsidiaries (hereinafter referred to collectively as the Company) for the year ended December 31, 2022 and for the period from July 1, 2021 through December 31, 2021 (Successor Period), and the consolidated results of operations of CNA for the period from January 1, 2021 through June 30, 2021 (Predecessor Period) and the year ended December 31, 2020. As a result of these different bases of accounting, these periods are not comparable to one another as they are effectively different accounting entities.

The significant differences to the consolidated statements of income and cash flows include depreciation and amortization of certain tangible and intangible assets recorded at fair value as of June 30, 2021, certain expenses related to the transaction and interest expense from acquisition debt. The significant differences to the consolidated balance sheet include adjustments to certain assets and liabilities, which were adjusted to fair value as of June 30, 2021, and adjustments to debt and equity associated with the post-acquisition capital structure.

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

**Principles of consolidation:** The accompanying consolidated financial statements include the accounts of Coverall Acquisition, LLC and its wholly owned Subsidiaries: CNA Acquisition, LLC, CNA Holding Corporation, Coverall North America, Inc. and Melton Franchise Systems, Inc. All material intercompany accounts and transactions have been eliminated in consolidation. In March 2022, the operations of Melton Franchise Systems, Inc. were merged with Coverall North America, Inc.

**Use of estimates:** The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates reported.

**Revenue recognition:** The Company recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize revenue when or as performance obligations are satisfied

The core principle of the standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In addition, the standard requires disclosure of the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers.

**Royalty and support fees:** The Janitorial franchisee pays the Company royalty fees of 5% and support fees (primarily for customer billing and collection services) of 10%. Royalty and support fees are based on monthly janitorial services billings to the customers of the franchisees. The Master franchisees pay the Company royalty fees of 5.5% of business revenue and a percentage of defined service revenue according to volume achieved. Royalties from Master and Territory franchisees are recognized based on reported or estimated monthly sales activity.

**Franchise fees:** The Company sells franchises and is obligated to provide the Janitorial franchisee with an initial minimum janitorial revenue base (depending upon the size of the package purchased) and training. The current franchise term is 20 years with a renewal option.

The Company recognizes revenue from the sale of franchises and the sale of additional business (janitorial services contracts) after all material obligations relating to the sale have been substantially performed or satisfied by the Company and collectability of the financed portion of sale is reasonably assured. Outstanding performance obligations under the Janitorial franchise agreement are included in deferred revenue.

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company enters into Master franchise agreements, which grant the Master franchisee the right to implement the Company's business model in an exclusive territory. The term of these agreements is 20 years with provision for renewal. Under the terms of the Master franchise agreements, the Company is obligated to train the Master franchisee, provide software and disclosure document templates, marketing, site and equipment selection, staff selection and training. The Company recognizes revenue from the sale of Master franchises when the significant initial obligations are completed and when the Master franchisee has paid or is deemed to have the financial ability to pay the Master franchisee fee.

The Initial Franchise Fee covers the initial business package, introductory training, as well as providing the franchise right, which gives the franchisee the right to use the Company's symbolic intellectual property (IP). Under ASC 606, two or more goods or services (e.g. initial business package, training and the franchise right sold to the franchisee) are distinct from each other, and therefore, separate performance obligations, when they are not in effect inputs to a single combined item that is the output of the contract. The Company has determined that the initial business package and training services provided, are the defined separate performance obligations. The portion of the initial franchise fee attributable to the symbolic intellectual property is de minimis.

Deferred revenues were established for initial training not yet completed. The Company has evaluated the value of training, based on the cost inputs, which include wages, equipment, content, materials, and travel costs, and has determined that they equate to the remainder of total Initial Franchisee fee after considering the value of the customer base sold.

**Other franchise revenues:** Janitorial franchisees, at their discretion, may purchase chemicals, supplies and equipment from the Company. Revenues from goods sold to franchisees by the Company are recognized when goods are shipped. The Company makes available certain insurance programs for its Janitorial franchisees for a fee. Participation in these programs is optional.

**Sales commission:** Incremental costs of obtaining a contract should be capitalized as assets at inception of the contract. The Company capitalized the commission for initial franchise sales and amortized over the average tenure of a Franchisee.

**Cash:** The Company maintains its cash in bank deposit accounts which, at times, may exceed federally-insured limits. The Company has not experienced any losses in such accounts.

**Restricted cash:** Restricted funds represent cash collateral as a guarantee for an outstanding letter of credit required by the State of Illinois and funds reserved for settlements of, or satisfaction of judgments related to, certain litigation as discussed in Note 8.

Cash and restricted cash consists of the following at December 31, 2022 and 2021:

	2022	2021
Cash	\$ 14,466,000	\$ 8,105,000
Restricted cash	426,000	454,000
	<u>\$ 14,892,000</u>	<u>\$ 8,559,000</u>

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

**Franchisees accounts receivable and accounts payable:** The Company, as billing and collection agent for Janitorial Franchisees, records janitorial services billed on behalf of the franchisee as Franchisees' accounts receivable net of management's estimates of uncollectible accounts based on historical experience. Remittances to franchisees, net of amounts due the Company for royalty and support fees, financing payments and other amounts due to the Company, are recorded as accounts payable.

**Notes receivable from franchisees:** U.S. GAAP requires entities to disclose the nature of credit risk inherent in financing receivables, the procedure for analyzing that credit risk and assessing credit risk in arriving at the allowance for credit losses and the changes and reasons for those changes in both the receivables and the allowance for credit losses by portfolio segment and class. The Company only has one class of financing receivables, which are homogeneous, and of similar credit quality.

Notes receivable from franchisees are carried at amounts management believes are collectible. The Company determines the allowance for doubtful accounts based on a combination of historical experience, aging analysis, and information on specific accounts. Interest income on notes receivables from franchisees is recognized using the interest method. The Company's policy is to suspend recognition of interest income on notes receivables when the receivable is 90 days or more past due on a contractual basis. Charges for late fees and insufficient fund fees are recognized as income when collected. Past due status is based on the contractual terms of the promissory note agreements.

**Inventories:** Inventories, consisting primarily of cleaning supplies and equipment, are stated at the lower of cost and net realizable value using the first in first out (FIFO) cost method. Net realizable value is defined as estimated selling price in the ordinary course of business, less disposal and transportation. The Company determines inventory reserves by regularly reviewing and evaluating individual inventory items and their movement history. Inventory is reserved when deemed obsolete or unsellable. As of December 31, 2022 and 2021, the Company determined that there was no reserve needed for slow-moving inventory.

**Equipment and leasehold improvements:** Purchases of equipment and leasehold improvements are stated at cost, net of accumulated depreciation. Major improvements that substantially extend an asset's useful life are capitalized. Repairs, maintenance, and minor improvements are charged to operations as incurred. Leasehold costs and improvements are amortized over the lesser of the estimated useful lives or the remaining lease terms. Equipment and leasehold improvements acquired through business combination transactions were recorded at fair value on the date of the acquisition. Depreciation is charged to expense over the estimated useful lives of the related assets and is computed using the straight-line method, which range from two to five years.

**Concentration of credit risk:** Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash, accounts receivable, and notes receivable. Concentrations of credit risk with respect to accounts receivable and notes receivable are limited due to the Company's large number of franchisees and their dispersion across several geographic areas as well as industries.

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

**Debt issuance costs:** Debt issuance costs in the accompanying consolidated balance sheets represent the cost of obtaining financing arrangements. Debt issuance costs related to the delayed draw term loan, and revolving lines of credit are being amortized using the straight-line method over the term of the related debt agreement. Debt issuance costs related to the term loan are being amortized using the effective interest method over the term of the related debt agreement. The debt issuance costs related to a recognized debt liability are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the debt liability, consistent with debt discounts. As of December 31, 2022 and 2021, debt issuance costs being recorded as a discount on related debt amounted to approximately \$2,036,000 and \$2,604,000, respectively, net of accumulated amortization. Interest expense related to the amortization of debt issuance costs for the year ended December 31, 2022, for the successor and predecessor periods, and for the year ended December 31, 2020, was approximately \$568,000, \$240,000, \$0, and \$355,000, respectively.

**Advertising:** The Company expenses advertising and promotion costs as incurred. Advertising expense totaled approximately \$75,000, \$24,000, \$63,000, and \$330,000 for the year ended December 31, 2022, for the successor and predecessor periods and for the year ended December 31, 2020, respectively. These costs are included within selling, general and administrative expenses in the accompanying consolidated statements of income.

**Share-based compensation:** The Company accounts for share-based compensation pursuant to accounting guidance that requires the measurement and recognition of compensation expense at the fair value of the share-based awards as of the grant date. Compensation expense for share-based awards to key employees and managers are recognized on a straight-line basis over the requisite service period. For the year ended December 31, 2022, for the successor and predecessor periods, and the year ended December 31, 2020, the Company recorded approximately \$167,000, \$77,000, \$0, and \$107,000, respectively, of noncash compensation expenses for units awarded and vested. The Company accounts for forfeitures as they occur. In connection with the June 30, 2021 change in control, the profit interests units awarded under the 2016 Equity Incentive Plan were deemed fully vested and exercised.

**Business combinations:** Identifiable assets acquired and liabilities assumed in a business combination are recorded at fair value at the acquisition date. Management, in consultation with an independent third-party valuation expert, estimated fair values based on assumptions they believe to be reasonable and representative of those from the perspective of a market participant. These estimates are based on historical experience and information obtained from the management of the acquired entities. The Company accounts for revenue contracts acquired in a business combination in accordance with ASC 606. Acquisition-related costs are expensed as operating expenses when incurred and when the related services have been received and are included within selling, general, and administrative expenses on the accompanying consolidated statements of income.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the business combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. During the measurement period, which does not exceed one year, the Company retrospectively adjusts the provisional amounts recognized at the acquisition date or recognizes additional assets or liabilities to reflect new information obtained about facts and circumstances that existed as of the acquisition date and, if known, would have affected the measurement of the amounts recognized as of that date.

**Goodwill:** Goodwill represents the excess of the purchase price over the value assigned to identifiable assets acquired and liabilities assumed in a business combination.

## Coverall Acquisition, LLC and Subsidiaries

### Notes to Consolidated Financial Statements

---

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company is required to assess goodwill for impairment annually, or more frequently, if circumstances indicate impairment may have occurred. The Company performs its impairment assessment annually. The goodwill impairment test is a two-step test to determine whether the carrying value of goodwill exceeds its implied fair value. If it is more likely than not that a goodwill impairment exists, the Company must perform step two of the impairment test. Under step two, an impairment loss is recognized for any excess of carrying value over the implied fair value of that goodwill. The implied fair value of goodwill is determined based on the difference between the fair value of the reporting unit and the identifiable assets and liabilities of the reporting unit. No indicators of impairment were identified during the year ended December 31, 2022, the successor and predecessor periods, and for the year ended December 31, 2020.

**Intangible assets:** Intangible assets consist of the Company's trademark and franchisee relationships, which are amortized on a straight-line basis over their estimated useful lives, which range from eight to 15 years.

**Impairment of long-lived assets:** The Company evaluates the recoverability of its long-lived assets, including amortizable intangible assets, if circumstances indicate impairment may have occurred. This analysis is performed by comparing the respective carrying values of the assets to the current and expected future cash flows, on an undiscounted basis, to be generated from such assets. If such analysis indicates that the carrying value of these assets is not recoverable; the carrying value of such assets is reduced to fair value. No indicators of impairment were identified during the year ended December 31, 2022, the successor and predecessor periods, and for the year ended December 31, 2020.

**Fair value measurements:** The Company has adopted the *Fair Value Measurement* guidance for all assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements. The guidance defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

In determining the appropriate levels, the Company performs a detailed analysis of the assets and liabilities that are subject to the guidance. The guidance provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuations performed maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are defined as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.

**Level 2:** Inputs to the valuation methodology include quoted prices in markets that are not active or quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

**Level 3:** Inputs to the valuation methodology are unobservable, reflecting the entity's own assumptions about assumptions market participants would use in pricing the asset or liability.

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

**Income taxes:** The Company is a single-member limited liability company which is disregarded for federal and state income tax purposes. All income tax liabilities and/or benefits associated with the Company's operations are passed through to the member. However, a wholly owned subsidiary of the Company is a taxable entity and as such accounts for income taxes in accordance with the FASB ASC 740, Income Taxes.

Deferred income taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion of or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. All deferred income tax assets and liabilities are presented as noncurrent for all periods presented in the consolidated financial statements.

When tax returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would ultimately be sustained. As it relates to the Company's accounting for uncertainty in income taxes, the benefit of a tax position is recognized in the consolidated financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions taken are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. The portion of the benefits associated with tax positions that exceeds the amount measured as described above (if any) would be reflected as a liability for unrecognized tax benefits in the accompanying consolidated balance sheets.

In the event the Company were to recognize interest and penalties related to uncertain tax positions, it would be recognized in the consolidated financial statements as income tax expense. The Company did not have any uncertain tax positions that would affect the consolidated results of operations and financial position for year ended December 31, 2022, the successor and predecessor periods, and for the year ended December 31, 2020.

**Loss contingencies:** Certain conditions may exist as of the date the consolidated financial statements are issued. Such conditions may result in a loss to the Company but will only be resolved when one or more future events occur or fail to occur. The Company assesses such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Company or unasserted claims that may result in such proceedings, the Company evaluates, with the assistance of its legal counsel, the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. In the event a loss contingency is subject to certain indemnification agreements, the Company recognizes an asset related to an indemnification recovery only when realization is deemed probable, and only to the extent of the related loss recognized in the consolidated financial statements. All loss contingency accruals and related indemnification assets are included on the accompanying consolidated balance sheets in accrued expenses and prepaid expenses as of December 31, 2022 and 2021. As of December 31, 2022, there are approximately \$28,000 of loss contingencies in accrued expenses and no prepaid assets for indemnified cases. There were no loss contingencies as of December 31, 2021.

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

**Accounting pronouncements adopted:** *Income Taxes* - In December 2019, the FASB issued Accounting Standards Update (ASU) 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes*, which is intended to simplify various aspects related to accounting for income taxes. ASU 2019-12 removes certain exceptions to the general principles in ASC 740 and also clarifies and amends existing guidance to improve consistent application. The Company adopted ASU 2019-12 effective January 1, 2022. The adoption of this standard did not have a material impact on the accompanying consolidated financial statements.

*Leases* - In February 2016, the FASB issued ASC Topic 842, *Leases*, to increase transparency and comparability among organizations related to their leasing arrangements. The update requires lessees to recognize most leases on their balance sheet as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Topic 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. Similar to the previous lease guidance, the update retains a distinction between finance leases (similar to capital leases in Topic 840, *Leases*) and operating leases, with classification affecting the pattern of expense recognition in the statement of income. The Company adopted Topic 842 on January 1, 2022, using the optional transition method to the modified retrospective approach, which eliminates the requirement to restate the prior-period financial statements. Under this transition provision, the Company has applied Topic 842 to reporting periods beginning on January 1, 2022, while prior periods continue to report and are disclosed in accordance with the Company's historical accounting treatment under ASC Topic 840, *Leases*.

The Company elected the "package of practical expedients" under the transition guidance within Topic 842, in which the Company does not reassess: (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases, or (3) the initial direct costs for any existing leases. The Company has not elected to adopt the "hindsight" practical expedient, and therefore will measure the ROU asset and lease liability using the remaining portion of the lease term upon adoption of ASC 842 on January 1, 2022.

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when: (i) explicitly or implicitly identified assets have been deployed in the contract, and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company made an accounting policy election available under Topic 842 not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of Topic 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

#### Note 1. Nature of Business and Significant Accounting Policies (Continued)

Future lease payments may include fixed rent escalation clauses or payments that depend on an index (such as the consumer price index), which is initially measured using the index or rate at lease commencement. Subsequent changes of an index and other periodic market-rate adjustments to base rent are recorded in variable lease expense in the period incurred. Residual value guarantees or payments for terminating the lease are included in the lease payments only when it is probable they will be incurred.

The Company has made an accounting policy election to account for lease and non-lease components in its contracts as a single lease component for its real estate, vehicle and equipment asset classes. The non-lease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Adoption of Topic 842 resulted in the recording of additional ROU assets and lease liabilities related to the Company's operating leases of approximately \$7,025,000, at January 1, 2022. The adoption of the new lease standard did not materially impact net income or cash flows and did not result in a cumulative-effect adjustment to the opening balance of member's equity.

**Accounting pronouncements not yet adopted:** In June 2016, the FASB issued ASU 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which creates a new credit impairment standard for financial assets measured at amortized cost and available-for-sale debt securities. The ASU requires financial assets measured at amortized cost (including loans, trade receivables and held-to-maturity debt securities) to be presented at the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the asset, rather than incurred losses. The ASU requires that credit losses on available-for-sale debt securities be presented as an allowance rather than as a direct write-down. The measurement of credit losses for newly recognized financial assets (other than certain purchased assets) and subsequent changes in the allowance for credit losses are recorded in the consolidated statements of income as the amounts expected to be collected change. The ASU is effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company is currently evaluating the impact of adopting this new guidance on its consolidated financial statements.

In April 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848)*. The FASB issued ASU 2020-04 to provide optional expedients and exceptions for applying U.S. GAAP to contract modifications, hedging relationships and other transactions affected by the anticipated transition away from London Interbank Offered Rate (LIBOR). The new standard is effective for fiscal years beginning after December 31, 2022. The Company is currently evaluating the impact the adoption of this standard will have on the consolidated financial statements.

**Subsequent events:** Management has evaluated subsequent events through March 31, 2023, which is the date the consolidated financial statements were available to be issued.

#### Note 2. Business Combinations (Continued)

The fair values of the intangible assets acquired, consisted of \$5,110,000 in trademark assets, \$80,700,000 in janitorial franchise relationships and \$23,775,000 in master franchise relationships, which were estimated by applying discounted cash flow models. The fair value measurements were based on significant inputs that are not observable (Level 3). Management, in consultation with independent third-party valuation experts, estimates fair values based upon market participant assumptions they believed to be reasonable. These estimates are based on historical experience and information obtained from management. Critical estimates in valuing certain of the intangible assets include future expected cash flows from revenue, assumptions about the period of time the acquired intangible assets will continue to be used by the Company, and discount rates applied to the expected cash flows. The assumptions made by management in determining the fair value included a discount rate based on a weighted-average cost of capital of 19.1%, an estimated average growth rate of 3%, an estimated attrition rate for franchisee relationships of 14% and a royalty rate of 1.0%.

The purchase price of \$163,726,000 exceeded the preliminary fair value of the net assets acquired. #### Note 8. Commitments and Contingencies (Continued)

**Litigation:** In November 2016, a franchisee in California filed a complaint against the Company, both individually and on behalf of all others similarly situated, claiming that he is an employee, not an independent contractor, and that the Company committed certain wage and hour violations against him and others. The complaint attempts to assert claims against the Company for various violations under the state's labor code and unfair competition laws. The plaintiff seeks, among other things, certification of a class, an unspecified amount of compensatory damages, civil penalties, attorney's fees, costs, interest and injunctive relief ordering the Company to comply with the labor code. The court granted the Company's motion to compel arbitration on April 17, 2017. The plaintiff appealed to the federal appeals court, and also filed an arbitration with the American Arbitration Association (AAA) on July 12, 2017. The AAA closed the arbitration in August 2017, when the plaintiff declined to deposit his portion of the AAA fees. In 2019, the appeals court dismissed the appeal for lack of jurisdiction. The plaintiff then petitioned the trial court to re-open the matter, and the court denied the petition. The plaintiff appealed the denial to the 9th Circuit Court of Appeals. The Ninth Circuit remanded the case to the trial court to reconsider its decision in light of a specific case. The matter has been briefed with the trial court and it is considering whether to hold a hearing. This Ninth Circuit heard Oral argument on July 7, 2020. On October 21, 2020, the Ninth Circuit remanded the matter to the District Court to reconsider its decision on plaintiff's motion to reopen the case in light of new Ninth Circuit case authority. Both sides completed briefing to the District Court regarding the new authority, and on December 8, 2022 the District Court denied the plaintiff's renewed motion to reopen the case. On December 18, 2022, Gonzalez appealed that decision to the Ninth Circuit. That appeal remains pending. The Company disputes these claims and is vigorously defending this action.

A franchisee in California filed an arbitration with the AAA on February 6, 2018, claiming that the Company violated various sections of the California Labor Code. The arbitration asserted claims under the California Private Attorney General Act (PAGA) on the franchisee's behalf and on behalf of similarly situated aggrieved Coverall franchisees. The AAA closed the matter when the franchisee did not pay its fees, and the franchisee then filed a claim in federal court. The franchisee seeks: (i) unreimbursed business expenses in violation of the California Labor Code; (ii) unauthorized deductions in violation of the California Labor Code; and (iii) damages based on various alleged California Labor Code violations. The franchisee also seeks all applicable penalties pursuant to PAGA, including those due to the following alleged conduct: (i) charging "cleaning workers" for their jobs and failing to reimburse them for all necessary expenditures; (ii) failing to provide itemized wage statements in violation of the California Labor Code; (iii) taking unauthorized deductions from its workers' pay in violation of the California Labor Code; (iv) failing to pay all wages twice in each calendar month and paying them late in violation of the California Labor Code; and (v) failing to maintain payroll records in violation of the California Labor Code. The Company and the franchisee unsuccessfully attempted to mediate the claim twice. Settlement discussions from the 2nd mediation are continuing. The Company moved to dismiss the action. The court ruled to dismiss part of the claim but gave the claimant the right to revise the complaint and re-file, which he did. Plaintiff filed a motion for summary judgment. On November 18, 2019, the Company filed motion to compel arbitration based on then-recent law issued by the U.S. Supreme Court. On January 21, 2020, the court denied a motion by the Company to move the matter to arbitration. On February 7, 2020, the Company filed a notice of appeal of that denial to the 9th Circuit Court of Appeals. The 9th Circuit ruled that the PAGA matter was not subject to arbitration and remanded to the trial court. The Company filed a petition for Re-Hearing *en Banc*, which the 9th Circuit denied. The Company petitioned the U.S. Supreme Court for a writ of certiorari regarding whether the plaintiff could be compelled to arbitrate in the context of a PAGA claim. On October 19, 2021, the Supreme Court asked the plaintiff's counsel to respond to the Company's petition. In December 2021, the Supreme Court agreed to hear a companion case regarding the same PAGA arbitration issue, and ultimately issued a decision holding that PAGA representative claims could be arbitrated individually and that a PAGA claim must be dismissed once an individual's PAGA claim is sent to arbitration. The Supreme Court then granted Coverall's petition, reversed the 9th Circuit, and remanded the matter to the 9th Circuit for further proceedings. On September 21, 2022, the

9th Circuit remanded the matter to the District Court, which, on November 28, 2022, compelled arbitration of Rivas' individual claims and dismissed Rivas' non-individual claims. On December 18, 2022, Rivas appealed that decision to the 9th Circuit. That appeal remains pending. The Company intends to vigorously defend this action, although management is unable to make an estimate on the amount or range of loss that could result from an unfavorable outcome on this matter.

In January 2019, two franchisees of the Company's Master in Connecticut filed a putative class action in federal court in Connecticut against the Company claiming to be employees and asserting violations of Connecticut employment law. The Master franchise owner owns the exclusive rights for the state of Connecticut to operate a Coverall business, and the Company does not have operations in the state. The Company filed a motion to dismiss or in the alternative to send the matter to arbitration on March 20, 2019. After a hearing on March 6, 2020, the court denied the motion to dismiss and granted the motion to stay and compel arbitration of the claims. The Company arbitrated with one of the claimants, and on February 1, 2022, the arbitrator issued an interim decision in favor of the claimant. The parties stipulated to damages of approximately \$56,000 and await the arbitrator's final ruling. The Company is considering all means at its disposal to reverse the arbitration decision, including filing an appeal with the supervising federal district court. The other claimant argued that he was financially incapable of pursuing arbitration, which claim was rejected by the arbitrator, but in March 2022, the federal district court judge granted his motion to re-open proceedings in court. The Court of Appeals for the Second Circuit issued a summary order in March 2023 vacating the district courts, lifting of the arbitral stay and remanding the matter back to the District Court.

In addition, the Company is also involved in litigation that arises in the ordinary course of business. While the Company intends to defend vigorously these actions, management is unable to make an estimate of the amount or range of loss that could result from an unfavorable outcome of these matters. Management believes that the ultimate outcome should not have a material adverse effect on the Company's consolidated financial statements.

#### Note 9. Related-Party Transactions

On June 30, 2021, the Company entered into a five-year renewable management services agreement with Wellspring Capital Management, an entity related to the Company's member, to render management, consulting and advisory services. The agreement requires the Company to pay a yearly monitoring fee of \$500,000, payable quarterly in installments of \$125,000, plus any other allowable reimbursable expenses. Monitoring fees for the year ended December 31, 2022, and for the successor period were approximately \$500,000, and \$250,000, respectively, are included in selling, general and administrative expenses in the accompanying consolidated statements of income.

On November 2, 2015, the CNA entered into a management agreement with ICV Capital Partners, an entity formerly related to CNA, for management and consulting services. During the predecessor period and the year ended December 31, 2020, the Company incurred \$517,000, and \$985,000, respectively, in management and consulting fees which are included on the accompanying consolidated statements of income in selling, general and administrative expenses. In connection with the 2021 business combination transaction described in Note 2, this agreement was terminated.

#### Note 10. Equity Compensation

On June 30, 2021, WCP Coverall TopCo, LLC, the Company's Parent, adopted an equity incentive plan (the Plan) to provide an incentive to attract, retain and reward eligible employees and consultants and to motivate such persons to contribute to the growth and profitability of the Company. The profits interests units are granted with no exercise price or payment by the employee (grantee) and have no voting rights. At December 31, 2022 and 2021, there were an aggregate 79,302 units available under the plan. The awarded profit interest units vest in separate tranches as follows: one-third of the awarded units will vest over time (Time-Based Units) and two-thirds of the Awarded Units will vest subject to the satisfaction of certain performance conditions (Performance-Based Units).

The fair value of each award is estimated on the date of grant using the Black-Scholes option-pricing model that uses the assumptions noted in the following table. The Company uses historical volatility data of comparable public companies for expected volatility and estimates the expected term of its incentive units based on the historical life of the Company's equity. The expected term represents an estimate of the term the units are expected to remain outstanding. The risk-free rate for periods within the contractual life of the option is based on the U.S. treasury yield curve in effect at the time of grant.

Expected volatility	56.0%
Risk-free rate of return	0.83%
Expected option term (years)	5
Discount for lack of marketability	25%
Dividends	None

**Time-Based Units:** The Time-Based Units generally vest ratably over a five-year period (as defined in Plan) and are subject to the grantee's continuous employment with the Company. Any portion not vested as of the grantee termination date will be immediately forfeited. In the event of a change in control (as defined in the Plan), Time-Based Units awarded under the Plan will be deemed fully vested, subject to the grantee continuous employment through the change in control.

**Performance-Based Units:** Subject to the grantee continuous employment with the Company, the Performance-Based Units vest in two separate tranches:

- 50% of the Performance-Based Units vest upon a change in control, as defined in the agreement, and if the return of the invested capital is equal to at least two times the amount of the invested capital and the investors realize a 15% rate of return on invested capital per annum, as defined in the agreement.
- 50% of the Performance-Based Units vest upon a change in control, as defined in the agreement, and if the return of the invested capital is equal to at least three times the amount of the invested capital and the investors realize a 15% rate of return on invested capital per annum, as defined in the agreement.

A summary of the profits interest units outstanding as of December 31, 2022 and 2021, are presented below:

	Time-Based Units	Performance- Based Units	Weighted Average Grant Date Fair Value	Weighted Average Remaining Contractual Term (Years)
Outstanding at July 1, 2021	-	-	\$ -	-
Issued	21,681	43,362	12.91	
Exercised	-	-	-

The fair value of the profits interest was estimated using the fair value of the Company's Parent utilizing a market approach. The fair value measurements were based on significant inputs that are not observable, and are considered a Level 3 item under the fair value hierarchy. The fair value of the profits interest were determined to be approximately \$249,000 and \$839,000, for all profits interests granted during the year ended December 31, 2022 and the successor period, respectively.

During the year ended December 31, 2022, and the successor period, no profits interest vested and compensation costs related to the Time-Based Units amounting to approximately \$167,000 and \$77,000, respectively, were charged to operations. As of December 31, 2022, unrecognized compensation amounted to approximately \$640,000 and \$108,000 for the Time and Performance-Based Units. The compensation expense related to the Time-Based Units is expected to be recognized over an average remaining period of 4.25 years.

#### 2016 equity incentive plan

In April 2016, the Company's subsidiary, CNA Acquisition LLC, adopted an equity incentive plan (2016 Equity Incentive Plan) to provide an incentive to attract, retain and reward eligible employees. The plan provided for the issuance of profits interests of up to 4,209,722 common units of CNA. The profits interests were granted with no exercise price or payment by the employee (grantee) and had no voting rights. The profits interest units generally vested ratably over a three to five-year period (as defined in the equity incentive plan) and were subject to the employee's continuous employment with the Company. Any portion not vested as of the grantee termination date were immediately forfeited. In connection with the June 30, 2021 change in control, stocks awarded under the 2016 Equity Incentive Plan were deemed fully vested and exercised.

The fair value of the profits interest was estimated using the fair value of the Company utilizing a market approach. The fair value measurements were based on significant inputs that are not observable, and are considered a Level 3 item under the fair value hierarchy. There were no profit interests granted during the year ended December 31, 2020. During the predecessor period and the year ended December 31, 2020, compensation costs of approximately \$0 and \$107,000, respectively, were charged to operations.

#### Agreement

In consideration of Coverall's release of its Confidential Information to Receiving Party for viewing, Receiving Party agrees as follows:

1. Recitals. The foregoing Recitals are fully incorporated in the Terms as if set forth herein.
2. Confidential Information. As used in this Agreement, "Confidential Information" means Coverall's manuals as used in its Health-Based Cleaning System Training Program and other Coverall information, which are not generally known to the public, are confidential, and are assets of Coverall. In order to preserve Coverall's good will, the Confidential Information must be kept strictly confidential.
3. Nondisclosure of Confidential Information. **FOR VALUE RECEIVED**, the Franchise Owner, whose signature appears on this Customer Acceptance Form (the "Acceptance Form") agrees to pay to the order of Coverall, in lawful money of the United States of America, the principal sum stated in ¶ E of this Acceptance Form, with interest from the date established pursuant to ¶ E, at the rate of twelve percent (12%) per annum on the unpaid balance of the principal amount until paid in full.

This note may be prepaid without penalty.

It is agreed that each installment, when paid, shall be credited first to interest then due and the remainder to principal. Should the interest not be so paid, it shall, at the sole option of Coverall, become part of the principal and thereafter bear like interest as the principal.

Should Franchise Owner default in the payment of any installment of principal or interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of Coverall, with interest from the date of the default at the rate of fifteen percent (15%) per annum until paid on the entire unpaid principal and interest.

Furthermore, this note and all other obligations, direct or contingent, of Franchise Owner or any endorser hereof to Coverall, shall become fully due and payable immediately at the option of Coverall without demand or notice upon the happening of any of the following events:

1. The failure of Franchise Owner to pay when due any installment of the principal and/or interest.
2. The failure of Franchise Owner to timely keep or properly perform any of the recitals, covenants, conditions, representations, warranties, obligations or guarantees contained in any agreement between Coverall and Franchise Owner.
3. The levy of any attachment, execution, or any other process against all or any part of the assets of Franchise Owner.
4. The failure of Franchise Owner to pay, withhold, collect or remit any tax or tax deficiency when assessed or due.
5. The suspension of the business of Franchise Owner, or the making of a general assignment for the benefit of creditors, or the commencement of proceedings for dissolution or liquidation, or the commencement of proceedings under any bankruptcy, insolvency, readjustment of debt or liquidation law or statute of the federal or state governments, or the adjudication as bankrupt or insolvent, or the involuntary appointment of a receiver, or applications for a receiver, or the making of a bulk sale or the giving notice of intention to do so.
6. The failure by Franchise Owner to execute documents that Coverall deems necessary to convert Franchise Owner's obligation to another form of financing.
7. At any time when, in the sole opinion of Coverall, Franchise Owner's financial responsibility shall become impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Franchise Owner and Coverall, in the event the services performed by Franchise Owner on any Customer(s) are discontinued in accordance with the provisions of Paragraph 10 of Franchise Owner's Janitorial Franchise Agreement, Coverall shall have the right to apply toward the balance (principle and/or interest) of this Promissory Note, the entire amount of any payment received by Coverall from the Customer(s) at any time after date of the discontinuation of services. Application of payments received from the Customer(s) being serviced by the Franchise Owner shall be in addition to any remaining payment(s) due from the Franchise Owner under this Acceptance Form and Promissory.

In the event an attorney is employed by Coverall in collection of any amounts due hereunder, Franchise Owner shall pay to Coverall its reasonable attorneys' fees and costs incurred in such collection.

The obligation evidenced by this note is to be construed in accordance with the laws of the State or District in which the Franchise Owner conducts its Coverall business.

6. The failure by Franchise Owner to execute documents that Coverall deems necessary to convert Franchise Owner's obligation to another form of financing.

3. California Business and Professions Code 20000 through 20043 provides rights to the franchisee concerning termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

5. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
6. The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
7. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

**AMENDMENT TO COVERALL NORTH AMERICA, INC.  
FRANCHISE AGREEMENT  
REQUIRED BY THE STATE OF CALIFORNIA**

This Amendment is entered into this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, in recognition of the requirements of California law, including the California Franchise Investment Law, CAL. CORPORATIONS CODE Section 31000 et seq. ("CFIL"), and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq. ("CRA"). The undersigned parties to the attached Franchise Agreement (the "Agreement") agree as follows:

1. Sections 20000 through 20043 of the CRA provide rights to you concerning nonrenewal, transfer and termination of the Agreement. The Federal Bankruptcy Code also provides rights to you concerning termination of the Agreement upon certain bankruptcy-related events. To the extent the Agreement contains a provision that is inconsistent with these laws, these laws will control.

2. The Agreement requires you to execute a general release of claims upon renewal or transfer of the Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 2000 through 20043).

3. If the Agreement requires payment of liquidated damages that is inconsistent with California Civil Code Section 1671, the liquidated damage clause may be unenforceable.

4. If the Agreement contains a covenant not to compete which extends beyond the expiration or termination of the Agreement, the covenant may be unenforceable under California law.

5. If the Agreement requires litigation, arbitration, or mediation to be conducted in a forum other than the State of California, that requirement may unenforceable under California law.

6. If the Agreement requires that it be governed by a state's law other than the State of California, that requirement may be unenforceable.

7. Paragraph 28 of the Agreement is amended to add the following: Any disclaimers of representations or promises of the franchisor made outside of the Agreement are void and unenforceable.

8. In Exhibit A.5 of the franchise disclosure document (Equipment Purchase Agreement), Section 17, any disclaimers of representations or promises of the franchisor made outside of the Equipment Purchase Agreement are void and unenforceable.

9. In Exhibit A.5 of the franchise disclosure document (Equipment Purchase Agreement), any statement that the purchaser has read the Equipment Purchase Agreement is void and unenforceable.

10. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

FOR THE STATE OF MARYLAND**

Item 17 of this disclosure document is modified to include the following paragraphs:

Provisions allowing termination on bankruptcy may not be enforceable under federal bankruptcy law (11 U.S.C. § 101 et seq.).

Claims under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

You may sue in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

The franchise agreement and any document signed in connection with the franchise are supplemented with the following language: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. FRANCHISE AGREEMENT  
REQUIRED BY THE STATE OF MARYLAND**

This Amendment is entered into this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, in recognition of the requirements of the of Maryland law, including the Maryland Franchise Registration and Disclosure Law, Md. Code Ann., Bus. Reg. §§ 14-201 – 14-233 (1994) (“Maryland Franchise Law”). The undersigned parties to the attached Franchise Agreement (the "Agreement") agree as follows:

1. Any limit on the period of time in which arbitration claims must be brought shall not act to reduce the 3-year statute of limitations afforded a franchisee for bringing a claim arising under the Maryland Franchise Registration and Disclosure Law.
2. The agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of Maryland Franchise Registration and Disclosure Law. In light of the Federal Arbitration Act, there is some dispute as to whether the forum selection requirement in the Agreement is legally enforceable.
3. Regarding the releases referenced in Paragraphs 2C, 13D, 15, 21B(vii), 23G, 23H(i) and ii(e) of the Agreement, the releases will exclude any and all claims that may arise under the Maryland Franchise Registration and Disclosure Law, if that law applies to Franchisee or its owners.
4. Paragraph 28 of the Agreement is amended to add the following: Any disclaimers of representations or promises of the franchisor made outside of the Agreement are void and unenforceable.
5. In Exhibit A.5 of the franchise disclosure document (Equipment Purchase Agreement), Section 17, any disclaimers of representations or promises of the franchisor made outside of the Equipment Purchase Agreement are void and unenforceable.
6. In Exhibit A.5 of the franchise disclosure document (Equipment Purchase Agreement), any statement that the purchaser has read the Equipment Purchase Agreement is void and unenforceable.
7. The Agreement and any document signed in connection with the franchise are supplemented with the following language: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

REQUIRED BY THE STATE OF MINNESOTA**

This Amendment is entered into this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, in recognition of the requirements of the Minnesota Franchises Act. The undersigned parties to the attached Franchise Agreement (the "Agreement") agree as follows:

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit Franchisor from requiring arbitration to be conducted outside Minnesota.

Nothing in the disclosure document or the Agreement can abrogate or reduce any of Franchisee's rights as provided for in the Minnesota Franchises Act, Minnesota Statutes, Chapter 80C, or Franchisee's rights to any procedure, forum or remedies provided for by the laws of the jurisdiction. The period of limitation for claims under the Minnesota Franchises Act is 3 years after the cause of action accrues.

Regarding the releases referenced in Paragraphs 2C, 13D, 15, 21B(vii), 23G, 23H(i) and ii(e), of the Agreement, the releases will exclude any and all claims that may arise under the Minnesota Franchises Act, if that law applies to Franchisee or its owners.

Regarding Paragraph 2C of the Agreement and renewal, Franchisor will comply with Minn. Stat. Sec. 80c.14, subds, 3, 4 and 5, which require, except in certain specified cases, that Franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of a franchise.

Regarding Paragraph 22 of the Agreement and termination, Franchisor will comply with Minn. Stat. Sec. 80C.14, subds, 3, 4 and 5, which require, except in certain specified cases, that Franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of a franchise.

Regarding Paragraph 25E of the Franchise Agreement and injunctive relief, Franchisor will not be automatically entitled to the entry of injunctive relief against Franchisee, but Franchisor will be entitled to seek injunctive relief.

Paragraph 28 of the Agreement is amended to add the following: Any disclaimers of representations or promises of the franchisor made outside of the Agreement are void and unenforceable.

In Exhibit A.5 of the franchise disclosure document (Equipment Purchase Agreement), Section 17, any disclaimers of representations or promises of the franchisor made outside of the Equipment Purchase Agreement are void and unenforceable.

In Exhibit A.5 of the franchise disclosure document (Equipment Purchase Agreement), any statement that the purchaser has read the Equipment Purchase Agreement is void and unenforceable.

The Agreement and any document signed in connection with the franchise are supplemented with the following language: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto have hereunder set their hands and seals on the day and year written above.

2. The following is to be added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:
