# What You Need To Know About Franchising Generally

<u>Continuing responsibility to pay fees</u>. You may have to pay royalties and other fees even if you are losing money.

<u>Business model can change</u>. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

<u>Supplier restrictions</u>. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

<u>Operating restrictions</u>. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

<u>Competition from franchisor</u>. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal**. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

# **Some States Require Registration**

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit 1.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

# **Special Risks to Consider About This Franchise**

Certain states require that the following risk(s) be highlighted:

- 1. <u>Out-of-State Dispute Resolution</u>. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
- **Sales Performance Required**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise and loss of your investment.
- **Supplier Control**. You must purchase all or nearly all of the inventory or supplies that are necessary to operate the business from the franchisor, its affiliates, or

- suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
- **4.** <u>Financial Condition</u>. The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

# NOTICE REQUIRED BY STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from

exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48909, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

We grant franchises to qualified persons for the right to own and operate a PIRTEK service and supply center business (the "Business" or "Service and Supply Center"). We also are in the business of the administration of our franchise system, which includes sourcing, purchasing and distributing Inventory Products (as defined in Item 8), which in turn you are required to purchase solely from us as described in Item 8. We started granting PIRTEK service and supply center franchises in June 1997. We have not previously offered franchises in any other line of business. As of December 31, 2023, there were 141 franchised PIRTEK businesses (Tier 1 Business and Tier 2 Business, as defined below).

As the franchisor of the PIRTEK System in the United States, the franchise granted to you is the right to own and operate a PIRTEK Business according to the terms of the standard PIRTEK Franchise Agreement (the "Franchise Agreement"). A copy of the Franchise Agreement is included in this Disclosure Document as <u>Exhibit 3</u>.

If you are approved to develop multiple new PIRTEK Businesses you will be offered and must sign a Development Agreement ("Development Agreement"), Exhibit 2 to this Disclosure Document, which authorizes you to develop two or more Service and Supply Centers within the specified geographic area identified in the Development Agreement. Under the Development Agreement, you will be required to develop and open each PIRTEK Business in accordance with a "Development Schedule," which will set forth specific time frames to open each location, and for each PIRTEK Business, you will be required to sign the applicable form of the then-current form of Franchise Agreement (which form of franchise agreement is different from the current franchise agreement included within this Franchise Disclosure Document).

During the operation of your Business, you will use our distinctive products and services, standards and specifications, sales and business techniques and image (the "System"), as well as the trademarks associated with the System (the "Marks") as further described in Item 13. Your Business will consist of the sale, custom assembly and installation of industrial and hydraulic hoses, fixed tube assemblies, fittings and related components and other distinctive products and services. You will operate your Business from a Service & Supply Center and mobile sales and service units ("MSSU's") (collectively referred to sometimes as the "Center") within a particular geographic territory (the "Territory"). Most franchisees will develop their Business as a "Tier 1 Business", which means that you will develop and operate your Service & Supply Center in the initial months of the Business with 2 MSSU's, and continue to add additional MSSU's as your Business grows. In certain instances, we may authorize a franchisee to operate a "Tier 2 Business", which means that you will initially operate two MSSUs and without a Service & Supply Center, with the requirement that you add an additional MSSU and open a Service & Supply Center within specified timeframes set forth in Appendix A to the Franchise Agreement. As set forth in Appendix

<u>A</u> to the Franchise Agreement, if you operate a Tier 2 Business, then in addition to paying the Initial Franchise Fee over time you must (i) add 1 additional MSSU and 1 MSS technician, for a total of 3 MSSUs, within 15 months from the date of the Franchise Agreement is signed, and (ii) open a Service & Supply Center and add a Technical Sales Rep with primary responsibilities for selling and promoting the PIRTEK Business in the Territory, within 39 months from the date of the Franchise Agreement is signed. The Franchise Agreement for a Tier 1 Business and a Tier 2 Business is the same, except as set forth in Appendix A to the Franchise Agreement. The disclosures in this Disclosure Document apply to both a Tier 1 Business and Tier 2 Business, except where we include separate disclosures for each of the Tiers.

You will sell the PIRTEK products and services from your Business to a vast array of mobile and stationary (fixed) plant and equipment users within the following markets, depending on the location of your Business: earthwork and construction; industrial manufacturing; food production; materials handling; air, sea and land transport; agriculture; mineral exploration and mining; and government and utilities businesses and others.

You will compete with other businesses within the "bulk" or Original Equipment Manufacturing ("OEM") hose and fitting market. This market is very competitive and includes national and international brand product suppliers like Aeroquip, Parker Hannifan and Gates Rubber Co. Other competitors may be generally associated with rubber tire production and include Goodyear, Dunlop, Yokohama and Bridgestone.

There are no laws or regulations specific to the operation of a business featuring the sale, assembly and installation of the PIRTEK products, although there may be specific regulations applicable in some industries in which your customers operate. For example, in the food industry, stainless steel piping must be used in food processing. In addition, your Business will be subject to federal, state and local laws regarding the storage, use and disposal of hazardous materials. There also will be other local, state and federal laws applicable to your Business that apply to businesses generally, and we urge you to make further inquiries about these laws. It is your sole responsibility to obtain and keep in force all necessary licenses and permits required by public authorities.

#### LITIGATION

# **Pending Litigation:**

PIRTEK USA, LLC v. James Lager and JBL Hose Service, LLC, Arbitration Before Designated Arbitrator David J. Kaufmann (Conducted By Consent Pursuant To The Commercial Arbitration Rules of the American Arbitration Association (no assigned case number)) (Filed June 28, 2021); In re James Bradley Lager and JBL Hose Service, LLC d/b/a Texas Hose Pro, No. 22-03042 (United States Bankruptcy Court for the Northern District of Texas): In September of 2020, PIRTEK, a former franchisee and its owner (collectively the "Former Franchisee") entered an agreement which required that the Former Franchisee refrain from disparaging PIRTEK and from discussing the existence or terms of the agreement (the "2020 Agreement"). After the Former Franchisee breached the 2020 Agreement, PIRTEK initiated an arbitration in June of 2021 against the Former Franchisee pursuant to the arbitration provision in the agreement. At the time of the final arbitration hearing, the former franchisee and shortly thereafter its owner, filed for bankruptcy. As a result, on April 25, 2022, PIRTEK filed an adversary proceeding against the Former Franchisee. In response, the Former Franchisee asserted a variety of counterclaims, including one claiming that PIRTEK violated the Florida Deceptive and Unfair Trade Practices Act ("FDUTPA") by somehow manipulating the former franchisee's Google Business account so

that a nearby PIRTEK franchisee's address appeared under the former franchisee's new business name. In response, PIRTEK denied the allegations and filed a motion for summary judgment on the grounds that there was no evidence to support the FDUTPA claim. The Former Franchisee's response to the motion for summary judgment did not include an opposition to the argument that PIRTEK was entitled to summary judgment on the FDUTPA claim. On October 26, 2023, the bankruptcy court entered a Final Judgment and Stipulated Permanent Injunction in favor of Pirtek. The Final Judgment and Stipulated Permanent Injunction (a) permanently enjoins Former Franchisee from engaging in any disparaging communication or statements regarding Pirtek and its affiliates, (b) permanently enjoins Former Franchisee from revealing, discussing, publishing or in any way communicating in any way the terms of or the existence of the Second Settlement, (c) orders Former Franchisee to delete and remove all communications from the internet, social media or similar platform that violates the terms of the non-disparagement clause of the 2020 Agreement, (d) orders Former Franchisee to delete and remove all communications from the internet, social media or similar platform that mentions the 2020 Agreement, and (d) requires Former Franchisee to pay damages totaling \$500,000.

# **INITIAL FEES**

#### Initial Franchise Fees

You must pay to us an Initial Franchise Fee of \$55,000 in full when you sign the Franchise Agreement.

#### Development Fees

We may, at our discretion, grant Development Agreements. The terms of the Development Agreement are subject to negotiation. You will be required to sign the Development Agreement to develop and open one or more PIRTEK Businesses and other financial and operational commitments, as agreed upon by the parties. When you sign the Development Agreement, you must prepay all of the Initial Franchise Fees you would pay for the first Service and Supply Center you commit to develop under the Development Agreement and fifty percent (50%) of the Initial Franchise Fees for all additional Service and Supply Centers you commit to open under the Development Agreement. The fees paid under the Development Agreement will be credited

toward the initial franchise fees payable by you as you develop Service and Supply Centers under the Development Agreement.

You must pay to us Development Fee as calculated below:

	Development Fee Due Initially	Balance Due Upon Signing Subsequent Franchise
		Agreement(s)
1 <sup>st</sup> Service and Supply Center	\$55,000	\$0
2 <sup>nd</sup> and subsequent Service and	\$27,500 per Center	\$27,500 per Center
Supply Centers	<del>-</del>	_

You must sign a separate Franchise Agreement for each Center on or before the dates set forth in the Development Agreement. The number of you PIRTEK Businesses you will be required to develop and open will be determined before you sign the Development Agreement. The Development Fee is calculated uniformly, and the amount of the actual fee will vary based on the number of Service and Supply Centers you are required to develop.

# Initial Technology Start-Up Fee

You also must pay to us, for both a Tier 1 Business and Tier 2 Business, an Initial Technology Start-up Fee of \$8,000 to \$10,000 to cover the initial costs of the various technology licenses used to operate the Business and related start-up services. You must pay the Initial Technology Start-up Fee before you commence business operations.

## Opening Set-up Fee

We may require you to pay an Opening Set-up Fee in an amount between \$0- and \$14,000. You must pay the Opening Set-up Fee on or before the first day of the initial training program. In connection with the Opening Set-up Fee, we will spend approximately 10 to 15 business days at your Center prior to opening to generally get you ready to open your Center for business. This amount is not payable by a Tier 2 Business until conversion to a Tier 1 Business or if you are an existing franchisee acquiring an additional Center.

#### Other Items

You must purchase from us the opening product inventory and certain items of the equipment, uniforms and other similar items with the PIRTEK trademark ("Other Items") for your Tier 1 Business and Tier 2 Business. The fee for the Other Items ranges from \$85,600-\$234,400 for a Tier 1 Business, and \$51,600-\$128,800 for a Tier 2 Business.

#### Total Payments to Us or Our Affiliates

The combined total for the Item 5 amounts for Tier 1 Business (Initial Franchise Fee, Opening Set-up Fee, Initial Technology Start-up Fee, and Other Items) is \$148,600 to \$304,400.

The combined total for the Item 5 amounts for Tier 2 Business (Initial Franchise Fee, Opening Set-up Fee, Initial Technology Start-up Fee, and Other Items) is \$109,600 to \$144,500.

During our 2023 fiscal year, we collected amounts ranging from \$76,083 to \$191,834 (for a Tier 1 Business) and \$22,812 to \$60,095 (for a Tier 2 Business) for the Other Items described in this paragraph.

# **Incentive Programs**

We participate in the Veterans Transition Franchise Initiative (commonly referred to as "Vet Fran"), which seeks to provide an opportunity for veterans who want to be in business. If you are an honorably discharged veteran of the U.S. Armed Forces, you may be eligible to receive a \$15,000 discount off the Initial Franchise Fee amount due at the time you sign the Franchise Agreement.

Additionally, you may be eligible to receive a \$5,000 discount off of the Initial Franchise Fee due at the time you sign the Franchise Agreement if you sign the Franchise Agreement on Discovery Day. "Discovery Day" is a day that potential franchise owners meet in person at PRITEK's corporate headquarters in Rockledge, FL with PIRTEK leadership and staff to learn more about PIRTEK and the PIRTEK Business.

Except as described above, all amounts in this Item 5 are nonrefundable and payable in a lump sum.

#### Notes:

- (1) Except where otherwise noted, all fees are payable to us and are not refundable.
- (2) "Gross Sales" means the total revenues and receipts from the sale of all products or services, whether the orders for products or services originated from or were accepted at or from the Business or at any other place. "Gross Sales" are net of any applicable sales tax and any sales credits.
- (3) We will determine annually the exact percentage of Gross Sales for the monthly Marketing Fee. The Marketing Fee for our 2024 fiscal year (January 2024 through December 2024) is 1.5%. See Item 11 for more information on marketing.
- (4) In addition to the Marketing Fees paid to us, you must spend at least an amount equal to ½ of your marketing Fees on approved local marketing. Your local advertising expenses may be paid directly to third parties, although we may require you to provide us by January 31 each year with an accounting of the monies that you have spent for the preceding year on approved local marketing, as further described in Item 11.
- (5) All rates owed to us by you will bear interest computed using a fluctuating interest rate equal to the interest rate per annum publicly announced by the Wall Street Journal as the

- "prime" rate (currently the prime rate is the base rate on corporate loans posted by at least 75% of the nation's 30 largest banks) as effective on the last day of the prior month plus 2% per annum, or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual thereof.
- (6) The transfer fee of the greater of \$15,000 or 5% of the sale price, and the renewal fee of \$2,500 are subject to increase each year based on the annual change in the Consumer Price Index as reported by the U.S. Department of Labor. If you are selling more than one Center, the transfer fee is the greater of \$15,000 or 5% of the sale price for each Center/franchise.
- **(7)** You must maintain in force general comprehensive liability insurance in a minimum amount and with the type of coverage we designate from time to time and depending on market conditions (currently, this is at least \$3,000,000 combined single limit per occurrence). We estimate that the average annual premium for this insurance coverage will be approximately \$2,000 - \$10,000 or more. Additionally, you must purchase and maintain in full force and effect business interruption insurance for actual losses sustained. You also must maintain in force insurance covering operation or maintenance of any building, equipment, MSSU motor vehicles that you own or lease in connection with your Business and any other insurance required by local, state or federal law. Insurance premiums for building, equipment and motor vehicles and other insurance required by law can vary dramatically depending on the type of building, equipment or vehicle and the state in which your Business is located, but the premiums should range from \$4,000 - \$30,000 or more. We may reasonably increase the minimum liability protection requirement annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public or product liability litigation or other relevant changes in circumstances. Premiums are payable in amounts and at times as required by your insurers. You must submit all insurance coverage for our approval at least 14 days before you obtain possession of the Business premises. All insurance policies must name us as an additional insured and must provide that we will receive 30 days' prior written notice of amendment, termination, expiration or cancellation of any policy. You must submit to us each year a copy of the certificate or other evidence of the issuance, renewal or extension of each insurance policy. If you fail to maintain the required insurance, we may obtain it on your behalf and you must reimburse us for costs incurred and premiums paid.
- (8) Before you or we can initiate arbitration or litigation in connection with a dispute under the Franchise Agreement, you will meet on an individual basis, with a member of our executive team, within two weeks of a request for such meeting. You are responsible for your own costs and expenses with respect to the meeting. If a party refuses to participate in the meeting, the refusing party must pay \$5,000 to the other.
- (9) If you conduct business in the territory or promotional zone of another PIRTEK franchisee or the territory of a corporate or affiliate center without written authorization and in violation of our then-current territory infringement policy, we reserve the right to charge you a territory infringement fee per our then current territory infringement policy, which currently is part of our Manual. Infringement is also a default under your Franchise

- Agreement. We reserve the right to change our territory infringement policy, as well as any fees assessed, from time to time.
- (10) You must sign a draft authorization for your business bank account. A current copy of the draft authorization is included as Appendix F to the Franchise Agreement. The draft authorization permits us to draw from your account all amounts due and payable to us.
- (11) We require that you install and use a tracking system in each of your vans, using a third party vendor as we designate. At the time of this Disclosure Document the vendor has not been established, and the fees will be established by such vendor, which we approximate will be up to \$100 per month, per van.

# Notes:

- (1) <u>General</u>. This table includes the estimated initial investments for a Tier 1 Business and Tier 2 Business. The estimated minimum requirements will vary depending on factors like your financial condition and the arrangements and business decisions you make. Except where otherwise noted, all fees that you pay to us are nonrefundable. Third-party lessors and suppliers will decide if payments to them are refundable.
- (2) <u>Initial Franchise Fee</u>. The Initial Franchise Fee for Tier 1 Businesses and Tier 2 Businesses is \$55,000, and is payable in a lump sum to us when you sign the Franchise Agreement.

If you sign a Development Agreement, you must prepay the Initial Franchise Fees you would pay for the first Service and Supply Center you commit to develop and fifty percent (50%) of the Initial Franchise Fee for each additional Service and Supply Center you commit to develop under the Development Agreement upon signing the Development Agreement, which amounts will be credited toward the Initial Franchise Fees payable by you as you develop Service and Supply Centers under the Development Agreement. You will be required to sign a separate Franchise Agreement for each Service and Supply Center. The Initial Franchise Fees, Development Fees, and their refund policies are described in Item 5.

- Opening Set-Up Fee. The low estimate assumes you operate a Tier 2 Business and will not pay the Opening Set-Up Fee. The high estimate assumes you operate a Tier 1 Business and will pay the Opening Set-Up Fee, which ranges from \$5,000 to \$14,000. The Opening Set-Up Fee is not refundable.
- (4) <u>Initial Technology Start-Up Fee & Computer System</u>. The Initial Technology Start-Up Fee is not refundable. The cost of the Computer System varies based on factors unique to your business (such as strength of internet connection and others) that may necessitate special hardware or other unique components to achieve a network connection.
- (5) <u>Training</u>. You must pay the expenses for your attendees to attend our initial training program, including transportation, lodging, meals and wages. We describe our training program in Item 11. These costs will depend, in part, on the distance you must travel, the number of attendees you have, and the type of accommodations you choose.
- (6) <u>Leasehold Improvements</u>. The low estimate assumes you operate a Tier 2 Business and will not incur costs related to leasehold improvements.

The high estimate assumes you operate a Tier 1 Business and will incur costs related to leasehold improvements which range from \$5,000 to \$37,000. The PIRTEK Center premises for a Tier 1 Business will ordinarily be leased rather than owned. We estimate that the average center will have approximately 2,000 - 4,000 square feet or more. Your initial investment for leasehold improvements will vary depending upon local labor costs and whether the building is a completed structure immediately adaptable to installation of necessary fixtures and equipment or a location where construction is in progress. These variables affect how different obligations will be distributed between landlords and tenants under different lease agreements and the costs of acquisition and construction. We must approve all leasehold improvements prior to construction. Although the cost of leasehold improvements will vary depending upon the above-described factors, we estimate that the average cost of leasehold improvements will range between \$5,000 and \$37,000.

(7) <u>Signs and Shop Equipment</u>. The low estimate assumes you operate a Tier 2 Business and will not incur costs related to signs and shop equipment.

The high estimate assumes you operate a Tier 1 Business and will incur costs related to signs and shop equipment, which range from \$71,551 to \$80,000 (excluding sales tax).

Your investment in signs and equipment is highly variable for your PIRTEK Center. The investment depends to a great extent on the size and location of your proposed center, local labor costs, current prices charged by equipment suppliers, discretionary expenditures, inflation, financing costs and similar factors beyond our or your control. In order to ensure uniform quality of products and services throughout the PIRTEK system, you must purchase or lease signs and equipment that we have approved.

The parties will determine the precise amount of any initial or periodic equipment payments at the time of the transaction. The payments ordinarily are not refundable. Investment obligations beyond the initial cash outlay requirements will be necessary and you may finance at your discretion. Market forces will determine loan repayment totals and interest on borrowings will be determined by market forces at the time of any financing transaction.

- Mobile Sales & Service Units (MSSUs). We require that you operate a minimum of 2 MSSUs for a Tier 2 Business but recommend 3 MSSUs when you open your Tier 1 Business. The low estimate assumes you lease 2 MSSUs, and the high estimate assumes you lease 3 MSSUs. You must purchase or lease the MSSUs from approved third-party suppliers and outfit them with approved MSSU equipment purchased from us (except in the limited instances when you pay cash for the MSSUs rather than lease the MSSUs from approved third-party suppliers). If you lease the vehicles, you typically pay a down deposit of up to 10% for two fully-outfitted vans.
- (9) Prepaid Rent and Security Deposit. You usually will be required to pay one-month base rent as a security deposit to the landlord. The low estimate assumes you operate a Tier 2 Business and are renting a storage facility. The high estimate assumes you operate a Tier 1 Business and are renting a store front. We estimate that for a PIRTEK center having 2,500 square feet the rental obligations will be approximately \$8.00 \$16.00 or more per square foot base rent per year, although in certain parts of the country the security deposit and lease rates may be more. Leases also usually impose an obligation toward maintenance costs, insurance charges, real estate taxes and special assessments, utility charges, water and sewer charges, security charges, and other similar charges.
- (10) <u>Insurance Premiums</u>. See Item 6 for additional information on insurance.
- (11) <u>Utility Deposits and Business Licenses</u>. This amount includes utility deposits and business licenses. Deposits are generally refundable, but license fees are not.
- (12) <u>Attorneys' Fees</u>. This amount is an estimate for attorneys' fees in connection only with your purchase of the franchise.
- (13) Additional Funds 5 Months. This amount estimates your initial pre-opening and start-up expenses not otherwise mentioned in the Table, including advertising, employee wages, taxes, and telephone hook-up. The amounts are estimates based on our estimate of average costs and market conditions prevailing as of the date of this Disclosure Document and our 25 years of experience in the Business. We cannot guarantee that you will not have additional expenses starting your Business. Your costs will depend on factors such as how

much you follow our systems and procedures, your management skills and experience, your business skills, local economic conditions, the local market for the PIRTEK Business, the prevailing wage rate, competition, additional expenses you choose to put into the business, and the sales level reached during the initial period.

(14) <u>Total</u>. This total is an estimate of your initial investment for a Tier 1 Business or a Tier 2 Business, and is based upon our estimate of average costs and market conditions prevailing as of the date of this Disclosure Document and our 25 years of experience. You should review this amount carefully with a business advisor before making any decision to purchase the franchise. You must bear any deviation or escalation in costs from the estimates in this Item 7 or estimates that we give during any phase of the development process.

If you convert your Tier 2 Business into a Tier 1 Business during the terms of the Franchise Agreement, you will incur additional investment costs. Some of those costs could be higher than the costs included above.

Estimated Initial Investment for Area Development Agreement. If you sign an Area Development Agreement, your initial investment for your first Pirtek® Business is the same as disclosed in the Item 7 chart. You also will pay a one-time Development Fee as described in Item 5. This is the only additional initial investment under the Area Development Agreement. Your initial investment for your second and subsequent Pirtek® Business likely will be higher than the estimates listed in the chart for your Pirtek® Business due to inflation and other economic factors that may vary over time.

#### Item8

#### RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To help assure a uniform image and uniform quality of products and services in all PIRTEK businesses, you must maintain and comply with our quality standards. Although you are not required to purchase or lease real estate from us, you must improve and equip the building from which you operate your Business in accordance with our then current approved design specifications and standards. In addition to meeting our design specifications and standards, it is your responsibility to ensure that your building plans comply with the Americans with Disabilities Act and all other federal, state and local laws. You also must use equipment (which includes MSSUs and hardware and software for the Technology, a computerized record-keeping system), signage, fixtures, furnishings, products, supplies and marketing and sales promotion materials that meet our specifications and standards.

The Franchise Agreement requires you to sell or use only those products and services that we have approved in writing. The purpose of this requirement is to ensure that all franchisees adhere to the uniformity requirements and quality standards associated with PIRTEK businesses. We are the only approved supplier of inventory products for resale to customers ("Inventory Products"). You must purchase designated Inventory Products from us, except in the limited instances to satisfy a customer's immediate demands as described in the Manual. The Inventory Products include hydraulic, industrial and specialty hoses, hose fittings, adapters and accessories.

We have the right to add to, supplement, or modify the Inventory Products that you are required to purchase. In addition, we are the only approved supplier for the equipment necessary to outfit the MSSUs and all non-inventory items that contain the PIRTEK Marks. As of the date of this Disclosure Document, those items that contain the PIRTEK Marks include uniforms, printed forms like customer invoices and stationery, and promotional items like caps and pins, although this list may change during the term of the license granted in your Franchise Agreement. We also are the only approved supplier for some of the equipment necessary for the Technology, including the proprietary and other software, modem, printer and printer accessories.

Upon request, we will periodically provide you with a list of approved suppliers for fixtures, equipment and other non-inventory items. We may modify the standards and specifications for these items from time to time. Except for designated Inventory Products, proprietary software and certain hardware components and other items that contain the PIRTEK Marks, you may make written request for approval of a specific item of an additional qualified vendor or supplier. We may grant our approval of the item if doing so will not create an inordinate number of vendors/suppliers (usually not more than 2) of the item. In addition, each vendor/supplier of a product must meet the following requirements: its item must comply with the applicable specifications and/or standards; the vendor/supplier and its facilities must be accessible to periodic PIRTEK evaluation. We may charge the cost of evaluating a proposed new vendor/supplier and/or its item to you or the vendor/supplier. We do not make these specifications and/or standards generally available to franchisees or vendors/suppliers.

You must initiate the formal approval process to have a specific non-inventory item of an additional vendor/supplier approved (other than those items that contain the PIRTEK Marks). As part of this approval process, we may request the vendor/supplier to sign a confidentiality agreement and submit to us a sample of its specific item. We or a suitable testing facility or laboratory designated by us then will conduct tests and evaluations of the sample to determine whether the product conforms with the specifications and/or standards. We will notify the vendor/supplier of our evaluation results by mail usually within 180-270 days after our receipt of the sample. The vendor/supplier also may be required to sign an applicable supplier agreement. We may revoke our appointment if the vendor/supplier is in violation of any of the terms of the applicable supplier agreement or if we determine in our good faith but exclusive judgment that the vendor/supplier is not meeting the standards and specifications that we have established for that item or service.

In addition to purchasing approved products, you must install and use our designated Technology. The Technology contains required hardware and software components. You must acquire the proprietary software and certain parts of the hardware components from us. Our current Technology is CloudSuite Industrial (SyteLine), which is an Enterprise Resource Planning (ERP) software package that all PIRTEK Centers will utilize to run their business operations. SyteLine is created and sold by Infor, which is a multi-national enterprise software company headquartered in New York, NY. You also must purchase and maintain insurance in the amounts and types of coverage designated in the following paragraph or that we designate periodically, and any other insurance required by law or any agreement related to the franchise business. You may use only marketing and promotional materials that we have approved.

You must maintain in force general comprehensive liability insurance in a minimum amount and with the type of coverage we designate from time to time and depending on market conditions (currently, this is at least \$3,000,000 combined single limit per occurrence). Additionally, you must purchase and maintain in full force and effect business interruption insurance for actual losses sustained. You also must maintain in force insurance covering operation or maintenance of any building, equipment, MSSU motor vehicles that you own or lease in connection with your Business and any other insurance required by local, state or federal law. We may reasonably increase the minimum liability protection requirement annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public or product liability litigation or other relevant changes in circumstances. You must submit all insurance coverage for our approval at least 14 days before you obtain possession of the Business premises. All insurance policies must name us as an additional insured and must provide that we will receive 30 days' prior written notice of amendment, termination, expiration or cancellation of any policy. You must submit to us each year a copy of the certificate or other evidence of the issuance, renewal or extension of each insurance policy. If you fail to maintain the required insurance, we may obtain it on your behalf and you must reimburse us for costs incurred and premiums paid.

You may use only marketing and promotional materials that we have approved.

During the 2023 fiscal year, we derived revenue of \$ 34,199,840 from the sale of Inventory Products, Technology Fees and other items described in this Item 8, or 84% of our total revenues of \$40,787,599 as noted in our 2023 audited financial statements included as an Exhibit to the Disclosure Document. We derive revenue from the sale of Inventory Products and other non-inventory items to you by charging more than our wholesale purchase price from the manufacturers. You will pay the then-current price in effect at the time for the Inventory Products and other non-inventory items. In many instances, the cost of the Inventory Products and other non-inventory items to you may be higher than the cost of other hoses or other similar products on the market. We reserve the right to receive rebates and similar payments from approved suppliers based on franchisee purchases. During the 2023 fiscal year, the revenue we derived for rebates was \$ 1,852 or .005% of our total revenues of \$ 40,787,599 , although none of these rebates were related to Inventory Products that you must purchase from us. In addition, during the 2023 fiscal year, our affiliate, Pirtek USA OEM, LLC, derived total revenue of \$ 61,307 from the sale of products directly to franchisees based on the affiliates' unaudited financial records.

From time to time, we or another vendor or supplier may be the only approved supplier for non-Inventory Product items because of the lack of requests for approval of alternative vendors or supplies. For those non-Inventory Product items, we or an affiliate may provide certain administrative, technical, inspection, advisory and other services and data to certain suppliers in return for a fee as a result of transactions with franchisees, and this fee may range from 0% to 20% of the suppliers' sales to franchisees. We may be able to occasionally negotiate with third-party suppliers so that the suppliers may offer their products or services to franchisees at favorable or discount prices.

We estimate that your purchase of equipment, products, supplies and marketing materials from us or that meet our specifications and standards will represent approximately 65% to 75% or

more of the cost to establish the franchise business, and 15% to 25% or more of the cost to operate the franchise business on an ongoing basis.

Other than the franchisor and our affiliates, no officer of the franchisor has an ownership interest in any approved supplier to franchisees, although one individual with management or policy-making authority for the franchisor has a minority ownership interest in one of the manufacturers that supplies products to the franchisor (this manufacturer is not a supplier from whom franchisees purchase products, as those products are purchased directly from us).

There currently are no purchasing or distribution cooperatives. We may negotiate purchase arrangements with suppliers (including price terms), for the benefit of the franchise system. When your franchise is up for renewal, or you apply for an additional franchise, among the factors we consider are your compliance with your Franchise Agreement and support of our programs and policies, which would include compliance with the requirements described in this Item 8. Other than those instances, we do not provide material benefits to you based upon your purchase of particular products or services or use of particular suppliers.

# Item11

# FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, PIRTEK is not required to provide you with any assistance.

Development Agreement

Before you sign the Development Agreement, we will determine the Development Area, the number of Service and Supply Centers you must develop and the development schedule. (See Schedules to Development Agreement). You may not establish a Service and Supply Center anywhere outside of your Development Area. If you fail to meet your obligations under the Development Agreement, we have the right to terminate your Development Agreement.

Before beginning construction of each Service and Supply Center, under the terms of the Development Agreement, we will loan to you, or make available through digital means, one copy of our confidential Manual for the Business, containing mandatory and suggested specifications, standards and operating procedures for the Business (Section 3.3.1 of the Development Agreement).

In addition to granting you the right to establish a specific number of Service and Supply Centers under your Development Agreement, and providing or loaning you with the Manual for the Business for the Center, unless otherwise stated, we will provide you with the assistance described below for each Center you must open.

# Franchise Agreement

<u>Pre-opening Assistance</u>. Before you operate your Business in a Territory, we will

- (1) Grant to you a license to operate your Business in a Territory (Section 2 of the Franchise Agreement).
- (2) Provide training as described below in this Item 11 (Section 7B of the Franchise Agreement).
- (3) Loan to you, or make available through digital means, one copy of our confidential Manual for the Business, containing mandatory and suggested specifications, standards and operating procedures for the Business (Section 6C of the Franchise Agreement).

Ongoing Assistance. During the operation of your Business, we will

- (1) Furnish you from time to time with updated and revised material for our confidential Manual (Section 6C of Franchise Agreement).
- (2) Evaluate your Business, which may include reviewing your overall performance and financial results and accompanying you on sales or service calls (Section 6D of the Franchise Agreement).
- (3) Establish and conduct various marketing and sales promotion programs (Sections 9A-B of Franchise Agreement).
- (5) In addition, we may, from time to time, make suggestions to you with regard to your pricing policies. We also reserve the right to establish minimum and maximum prices you may charge in the operation of the Business to the extent permitted by applicable law. In addition, we have the right to negotiate Strategic Account

arrangements, including pricing which will bind all Businesses providing services to such Strategic Accounts. (Section 6.N of the Franchise Agreement).

Marketing Programs. You must pay Marketing Fees to us in an amount equal to 1½ % to 3% of Gross Sales for marketing and promotion programs to promote the PIRTEK System and products. All franchisees in a designated marketing area ("DMA") must contribute Marketing Fees at the same rate, and we or our affiliates will contribute Marketing Fees at the same rate for company or affiliate-owned centers in a particular DMA. We will notify you annually of the exact percentage of Gross Sales for the monthly Marketing Fee, except for any year in which it will remain unchanged. We may formulate, develop, and conduct marketing and promotion programs in a form and media we determine to be appropriate. Media used for marketing programs includes written publications and promotional pieces, and also may include television and radio in the future. We reserve the right to use the Marketing Fees to reimburse us for all costs that we incur related to the marketing and promotion programs, including the proportionate compensation of employees who devote time and render service in the conduct, formulation, development, production and administration of the marketing and promotion programs.

In addition to the Marketing Fees paid to us, you must spend at least an amount equal to ½ of your Marketing Fee on approved local marketing. You must submit all local marketing materials to us for our approval prior to use. Your general conduct on any web site or other on-line communication and specifically your use of the PIRTEK Marks or any advertising on a web site (including any domain names) or other communications is subject to our approval. We will not unreasonably withhold approval of any marketing materials that you propose to use, if your materials are factually accurate and current, conform to the highest standards of ethical marketing, and are in good condition and accurately depict the PIRTEK Marks. On or before January 31 of each year, we may require you to submit to us an accounting of the monies you have spent for the preceding year, together with copies/proof of all marketing. As of the date of this Disclosure Document, there are no advertising cooperatives.

We have no obligations to spend any amount on marketing in the area or Territory where you are located. For Marketing Fees not spent in any fiscal year, the excess will be carried over for future use. The Marketing Fees are not held in a trust or escrow account. You have no property rights of any kind with respect to the Marketing Fees, and we do not have any fiduciary obligations to you or other franchisees regarding the Marketing Fees. In addition, from time to time, we may loan money to assist in funding certain marketing programs, which money will be repaid out of the Marketing Fees with interest to us. During our 2023 fiscal year, use of the Marketing Fees was as follows:

Sponsorships	39%
Marketing Fund Rebate Program	17%
Media	21%
Agency	12%
Corporate Marketing Support	2%

Software/Tools	3%
Charity	1%
Trade Shows	4%
Promotions	1%
Total	100 %

Upon request, we will provide you with an unaudited financial report showing receipts and disbursements of the Marketing Fees. The Marketing Fees will not be used for advertising principally directed at the sale of franchises.

Technology Fee. You must install and use our designated computer system ("Computer System"), which currently costs approximately \$3,000 to \$5,000 in addition to the Initial Technology Start-up Fee noted below. This system may be modified from time to time in response to business, operations and marketing conditions (Section 6.J of Franchise Agreement). In connection with the Computer System/Technology (as defined below), you must sign a Computer Software License Agreement, a copy of which is included as Appendix E to the Franchise Agreement. As of December 31, 2023, the Computer System includes the following components:

- (1) The PC compatible hardware component, printer and its accessories.
- (2) The printer requirements include one PCL5 or PCL6 laser printer (network capable).
- (3) The required proprietary and other software for the Computer System ("Technology"), which consists of the proprietary SyteLine software system, which is an enterprise class software package designed for use in distribution companies. Syteline is built and deployed on Microsoft.NET technology platform and comprises "Windows Server" as the base operating system, SSQL Server as the underlying database, and a Microsoft.NET framework of core native Microsoft technologies to deliver the application.

You will have remote access to the Computer System/Technology by a PC that is linked to our own computer server located in Florida. You will have access to your own database, which is stored on our Franchise Service Center computer server. You will be able to access all of your own business information, update existing information, produce reports, and view our Franchise Service Center's product inventory. We will have independent access to all of this information for your center with no contractual limitation on our right to the information.

The Computer System/Technology is utilized by all PIRTEK Centers. SyteLine is created and sold by Infor, which is a multi-national enterprise software company headquartered at 641 Avenue of the Americas New York, NY 10011 tel.no. +1 646 336 1700.

You must pay an Initial Technology Start-up Fee of \$8,000 to \$10,000 and a monthly Technology Fee between \$660-\$2,850. The annual cost of maintenance and support for the

Computer System/Technology will be shared on a pro-rated basis by you and all other end-users in the PIRTEK system. We will provide the maintenance and support. In addition, you are contractually obligated to pay the vendor for any upgrades or updates with no contractual limitation on the frequency or cost of the obligation, including upgrades that may link a mobile based computer on your MSSUs with the Computer System/Technology. Currently, we estimate the total annual maintenance upgrade and support obligations to cost approximately \$7,920 - \$34,200

Site Selection. If you have not secured a location approved by us before you sign your Development Agreement or Franchise Agreement, as applicable, you must do so and construct and open the Service and Supply Center for business within 120-days from the date you sign the Development Agreement and Franchise Agreement. You must construct the location in accordance with our standards and the requirements in the Development Agreement and the Franchise Agreement. If you fail to open the Service and Supply Center within 120-days from the date you sign the Development Agreement, we reserve the right have the right to terminate or modify the Development Agreement including the Development Area. Such failure to comply with the Development Agreement may also result in a termination of your Franchise Agreement.

We do not select the site for your PIRTEK Service Center, although we must consent to the site. The general site selection criteria you should consider includes traffic patterns, ease of ingress and egress, size and cost of property, off-road area for loading and unloading, customer parking, demographic surveys, types of businesses in the general vicinity and other similar factors. You are solely responsible for locating a site that meets our standards and criteria and that is acceptable to us. We generally will respond within 30 days of your request for approval of a proposed site. If we do not approve the site you propose, we will permit you to examine alternative search areas for your site. The Franchise Agreement does not have any provision that addresses termination if you do not select a site within a prescribed time period, although your failure to open the Business within 120 days after signing the Franchise Agreement constitutes a default for which may terminate the agreement after 30 days if you fail open the Business. Our identification of, consent to, or acceptance of a site for a PIRTEK Business does not constitute a guarantee, recommendation, assurance or endorsement as to the success of the site of your Business.

From time to time you may be required to modernize, refurbish and replace buildings equipment, signage, display areas, furnishings and grounds in order to conform to our standards. The maximum amount that you will be required to spend on any such modernization, refurbishing and/or replacement will be a cumulative amount equal to \$5,000 per year for each year that you have operated your Business, with the \$5,000 amount adjusted annually in accordance with any annual change in the National Consumer Price Index.

<u>Development Time</u>. You must open your Business within 120 days of signing your Franchise Agreement. Factors affecting this length of time usually include arranging financing, successfully completing training and other possible factors.

You should not expend funds or make any other commitment in connection with the franchise and should not resign from existing employment, relocate or take any similar action until our approval of the franchise, which we will specifically communicate to you in writing.

Training. You must attend and complete to our satisfaction the initial training program before you begin operating your Business. Training is available to you, your designated manager (if someone other than you), your operations manager, a technical sales representative ("TSR"- for Tier 1 Business only), at least two MSS technicians and the administration person for your Business. We conduct our training program at the Franchise Support Center in Rockledge, Florida, or other locations designated by us, including a host PIRTEK center for "on the job" work experience as described in the table below. The training will generally be for 2 weeks at Headquarters for owners and designated managers and 1 week at Headquarters for all other positions and is scheduled to begin approximately 1-2 weeks before you open your Business, followed by 2 weeks of on-site support where training will be completed. The training program includes two phases: (i) instruction regarding the general management of the Business; and (ii) instruction regarding Operations and Technical aspects of the Business.

Any training provided by us to any of your employees will be limited to training or guidance regarding the delivery of approved products and services to clients in a manner that reflects the customer service standards of the System. The employees will only attend the training that is in alignment with their position. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You are solely responsible for ensuring that your employees receive adequate training.

### Item12

#### **TERRITORY**

The disclosures in this Item 12 apply to both the Tier 1 Business and Tier 2 Business franchises, unless stated otherwise.

# Development Agreement

If we grant you the right to develop, open and operate multiple Service and Supply Centers under a Development Agreement, when you sign the Development Agreement, we will grant you the exclusive right to develop Centers in a mutually agreed upon geographic area (the "Development Area"). The size of the Development Area may range from a portion or all of a city, county, metropolitan area, or marketing area, depending on a number of factors, including but not limited to demographics and your financial and management resources. The Development Area will be described in the Development Agreement by specific geographic boundaries, such as latitude and longitude, specified counties, or a description of municipal boundaries. We, and/or our affiliates, will have the right to operate or franchise to other parties the right to operate and provide hose assembly orders for customers within the Development Area with requests that Developer would otherwise not have the capacity to handle due to resources, supply, pricing and/or potential margin, technical ability, or engineering skill as well as for national, regional or other accounts, referred to as Strategic Accounts, which Franchisor determines will benefit the PIRTEK System. Franchisor shall retain similar rights within the Territory defined in any Franchise Agreement signed under the Development Agreement.

Each Service and Supply Center you are obligated to develop and open under your Development Agreement is to be located at a location within your Development Area that has been approved by us. You will sign a Franchise Agreement for each Center on the date in the Development Schedule to the Development Agreement. When you sign the Franchise Agreement, we will grant you a Territory. Please refer to the disclosures below under the heading "Franchise Agreement."

The continuation of the area exclusivity of the Development Agreement is dependent upon your compliance with the terms of that agreement, the Development Schedule in particular, and

the terms of each Franchise Agreement you sign under the Development Agreement. If you default on the terms of the Development Agreement or your Franchise Agreements, we may, in addition to our other available remedies, terminate the Development Agreement, modify, reduce, and/or accelerate the Development Schedule, or terminate, modify, and/or reduce the Development Area, without your consent.

Only a Development Agreement grants the right to acquire additional franchises within a defined area. Under your Franchise Agreement, you do not receive an option, right of first refusal, or other right to acquire additional franchises.

# Franchise Agreement

You are granted the right to operate your Business within a designated Territory, subject to certain limitations described below. As a result, you will not receive an exclusive territory. You may face competition from other franchisees, from other outlets we or our affiliates may operate, or from other channels of distribution or competitive brands that we or our affiliates control, operate or franchise. We do, however provide you with Territory protections as described below and in the Franchise Agreement.

The method used to describe territorial boundaries of franchises generally will be one or a combination of the following: county lines, highways, streets, zip codes or waterways. There is no minimum size territory that the franchisee will receive.

# <u>Territory Performance Standards</u>

In exchange for granting you the rights within your Territory, we expect and require you to meet minimum performance standards in your Territory as follows ("Territory Performance Standards"). For the 2024 calendar year, the Territory Performance Standards for Tier 1 Business and Tier 2 Business franchisees will include each of the following components: (i) a minimum number of MSSU's that you will be required to operate in the Territory, as we reasonably deem necessary in accordance with Section 5.F of the Franchise Agreement after meeting with you at a location we designate to discuss the overall performance of your Business (you and we agree that we can adjust the minimum number of MSSU's during the term of the Agreement, although for new franchisees and new Centers, we require that you operate a minimum of 2 MSSUs when you open your Business); and (ii) an annual sales growth of 3% - 3½% for your Business on a year to year basis, although that sales growth requirement will not be used as a Territory Performance Standard for any year that 80% of our then-current Tier 1 Business in operation more than 12 months and for the full 12 month period do not achieve the annual sales growth requirement. We will designate the specific percentage between 3% and 3½% each year, with the percentage to remain unchanged from the prior year, unless we notify franchisees in writing prior to December 31.

1. For 2024, the annual sales growth percentage is 3% and the minimum number of MSSU's will be the same number the franchisee operated in 2023 (for new Centers the number of required MSSU's is two).

If you do not meet the Territory Performance Standards, you will be subject to the Correction Process outlined below. If you are a multi-territory operator with multiple franchise

agreements, the Territory Performance Standards will apply separately for each or your territories and franchise agreements.

### **Correction Process**

If you do not meet part (i) of the Territory Performance Standard due to your failure to operate the minimum number of MSSU's, we will provide you with a 30 day period to take the necessary steps to meet the MSSU's requirement. Failure to take those steps within the 30 day period will be a default and may result in a notice of default under the Franchise Agreement.

If you do not meet part (ii) of the Territory Performance Standard (the annual sales growth requirement), subject to the 80% exception noted above, we may implement the following correction process.

<u>First</u>, we will notify you of your failure to meet the annual sales growth Territory Performance Standard, and we will actively work with you to (a) identify the reasons for such substandard performance, and (b) suggest ways for you to meet the annual sales growth Territory Performance Standard.

Next, if you fail to meet part (ii) of the Territory Performance Standard (the annual sales growth requirement) for a third consecutive 12 month period, you have the opportunity to advise us of your wish to sell the Business to a third party despite the default, but if no sale meeting the requirements of the Franchise Agreement takes place within 180 days, we have the right to terminate the Franchise Agreement immediately on sending written notice of termination from us to you. In connection with such termination, you will sign a general release and comply with all post termination obligations under this Agreement. Upon receipt of such a general release, we will sign a release of any and all claims of ours against you and/or any affiliate/ owner of yours relating to or arising out of the Franchise Agreement (and no other agreement or franchise) which exist as of the date of the release and are known by us; except that any such claims will be preserved by us if we disclose them to you in writing.

# **Territory**

You do not have the right to sell products or services through any other channel or method of distribution (including the Internet or any other existing or future form of electronic commerce) or to any person or entity for resale or further distribution. All such rights, whether related to products and services offered under the System and Marks or otherwise, are reserved to us, as we do not have to pay to you any compensation for soliciting or accepting orders inside your Territory. You also do not have the right to subfranchise, sublicense, assign or transfer your rights under the Franchise Agreement, except for an assignment or transfer as specifically provided in the Franchise Agreement.

During the term of your Franchise Agreement, we will not establish either a company owned or franchised PIRTEK Service Center within your Territory or modify your Territory without your written permission, provided that you are in complete compliance with the terms and conditions of your Franchise Agreement. We or an affiliate do, however, reserve the right to (i) put some limitations on Strategic Accounts that we may develop for the PIRTEK system; (ii) provide hose assembly orders for customers with requests that franchisees would otherwise not

have the capacity to handle due to resources, supply, pricing and/or potential margin, technical ability, or engineering skill, while also being a production support arm when franchisees secure a large job (currently, those services provided by OEM as described in Item 1); and (iii) develop and operate and to license others to develop and operate the PIRTEK business at any location outside your Territory. Strategic Accounts are national, regional or other accounts we believe will benefit the system as further described in the Franchise Agreement or the Manuals, and Strategic Accounts may involve marketing in your Territory. If you agree to participate in servicing a Strategic Account, you must do so on the terms we specify, which terms may include, but may not be limited to, the provision of certain insurance, equipment, products and services, and the offer of services at prices not to exceed the maximum prices specified. Your failure to properly service a Strategic Account in your Territory may result in us authorizing another franchisee or us to service that Strategic Account.

We will not market the PIRTEK business within your Territory, except in the case where the marketing is part of the marketing programs described in Item 11, is contained in a general publication (or media) with general distribution (or broadcast) within and outside the Territory, or marketing related to OEM's activities (or any other affiliate) as described in the prior paragraph and Item 1. As further addressed in our current territory infringement policy, it is a violation of another PIRTEK franchisee's franchise agreement if that franchisee makes sales or service calls in your Territory without your permission or our permission as part of any Strategic Account business if you are unwilling or unable to satisfactorily service the Strategic Account, although (i) a franchisee's marketing in its territory may reach your Territory if contained in a general publication (or media) like a regional newspaper with general distribution (or broadcast) within his territory/promotional zone and your Territory or (ii) a franchisee or its team in limited instances may make a sales call in your Territory if the service call will be done outside your Territory. The terms and conditions applicable to Strategic Accounts will be listed in the Manual or other written communications.

We are not required to pay you if we exercise any of the rights specified above in the foregoing paragraphs inside your Territory (including for soliciting or accepting orders in your Territory).

We retain all rights that are not expressly granted to you under the Franchise Agreement. We may, without compensation to any franchisee, and without granting you any rights, establish and/or license others to establish franchised or company-owned or affiliate-owned businesses at any location outside your Territory regardless of the proximity of such businesses to your Territory, unless you sign a Development Agreement. If you sign a Development Agreement, you will be granted the territorial rights described above. We may also merge with, acquire or become associated with any businesses of any kind (including those in competition with PIRTEK businesses) under other systems or other marks. Such businesses may convert to or operate under the Marks and may sell products and services that are the same as the products and services offered from your business and may be located anywhere inside or outside of your Territory. We also have the right to sell for ourselves or license others to sell through franchised businesses or any other method of distribution (including the internet), both inside and outside your Territory, products and services the same as the products and services offered under the System, and which are offered and distributed under marks different than the Marks.

We generally will not grant to you any options, rights of first refusal or similar rights to acquire additional franchises within any particular territory unless you sign a Development Agreement. If you sign a Development Agreement, you will be granted the territorial rights described above.

We may permit you to relocate the site of the Business to a different facility in the Territory if it becomes necessary for you to do so on account of condemnation, sale or otherwise, including cancellation of your lease. Although you do not have a right to do so, we may permit you to establish another PIRTEK Business, if you meet our then-current Expansion Criteria. We have the absolute right to determine whether an existing franchisee meets our Expansion Criteria, which we may modify from time to time. As of the date of this Disclosure Document, the criteria we consider are, among other factors: a franchisee's compliance with the System, operational success, leadership ability and team development, and financial stability and ability to expand.

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Princeton Equity Group, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current affiliates that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the affiliates are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

#### Item13

#### **TRADEMARKS**

The Franchise Agreement licenses you to use the PIRTEK trademark and service mark, as well as other trademarks, service marks, trade names, trade dress and commercial symbols (collectively, the "Marks"). The following principal Marks have been filed on the Principal Register of the U.S. Patent and Trademark Office (the "PTO"):

Principal Trademarks	U.S. Reg. No.	<b>Registration Date</b>
PIRTEK	2,201,394	November 3, 1998
PIRTEK (with design)	2,192,554	September 29, 1998

Principal Trademarks	U.S. Reg. No.	<b>Registration Date</b>
Cog (design only)	2,201,392	November 3, 1998

Under that certain Trademark and IP Assignment Agreement dated October 26, 2023 ("Trademark Assignment Agreement") between Pirtek Fluid System Pty. Ltd., an Australian company incorporated in New South Wales ("PFS") and us, PFS assigned to us, and we assumed, among other things, all right title and interest in and to the Marks and other trademarks and related trademark registrations in the United States, Mexico, and Canada (the "Transaction"). All of the Marks were originally registered and owned by PFS, however, subsequent to the closing of the Transaction, the registrations will be modified to reflect us as the owners of the Marks and related registrations. All required renewal and affidavit filings have been made if necessary.

There are no currently effective determinations of the Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, or any pending infringement, opposition or cancellation proceeding, or any pending material litigation, involving the Marks. We know of no superior prior rights or infringing uses that could materially affect your use of the Marks in the United States.

Appendix C to your Franchise Agreement identifies the Marks that you are licensed to use. Appendix C includes the PIRTEK service marks identified above and other Marks. We have the right to change Appendix C from time to time. You may use the Marks only according to the Franchise Agreement and the Manual. You may not use, or permit the use of, any trademarks, trade names or service marks in operating the PIRTEK Business except the Marks or except as we otherwise direct in writing. You may use the Marks only with those products and services that we specify and only in the form and manner we specify in writing. You must comply with all trademark, trade name and service mark notice marking requirements. You may use the Marks only in association with products and services we approve and that meet our standards or requirements for quality, mode and condition of storage, production, preparation and sale, and portion and packaging. Your use of the Marks and any related goodwill is to our exclusive benefit, and you retain no rights in or to the Marks. You retain no rights to use the Marks upon termination of the Franchise Agreement. You are not permitted to make any changes or substitutions of any kind in or to the use of the Marks unless we direct in writing.

We are not required to protect you against infringement or unfair competition claims arising out of your use of the Marks, or to participate in your defense or indemnify you. We reserve the right to control any litigation related to the Marks and will have the sole right to decide to pursue or settle any infringement actions related to the Marks. You must notify us promptly of any infringement or unauthorized use of the Marks of which you become aware and to cooperate with any action that we undertake. If we determine that a trademark infringement action requires changes or substitutions to the Marks, you must make such changes or substitutions at your own expense.

As part of the assignment under the Trademark Assignment Agreement, PFS agreed that it has no license to use the Marks in all or any part of the United States, Canada and Mexico and we agreed that we have no right to use or license use of the Marks outside the United States, Canada and Mexico.

We have acknowledged under the Trademark Assignment Agreement that while we own the Marks in Mexico, the trademark registrations in Mexico remain pending and are yet to be substantially examined by Instituto Mexicano de la Propiedad Industrial.

# PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no registered patents, copyrights or pending patent applications that are material to the franchise, although we do claim copyright ownership and protection for our PIRTEK Franchise Agreement, Manual and for various sales promotional and other materials published from time to time.

There are no currently effective determinations of the Copyright Office (Library of Congress), United States Patent and Trademark Office, Board of Patent Appeals and Interferences, or any court, or any pending infringement, opposition or cancellation proceeding or any pending material litigation involving any patents or copyrights. There are currently no agreements in effect that significantly limit our rights to use or license the use of any patents or copyrights in any manner material to the franchise. There are no infringing uses actually known to us that could materially affect your use of the patents or copyrights.

We are not obligated to protect you against infringement or unfair competition claims arising out of your use of any patents or copyrights, or to participate in your defense or indemnify you. We reserve the right to control any litigation related to any patents and copyrights and we have the sole right to decide to pursue or settle any infringement actions related to the patents or copyrights. You must notify us promptly of any infringement or unauthorized use of the Marks of which you become aware. You may not contest our interests in patents or copyrights.

You must keep confidential during and after the term of the Franchise Agreement all proprietary information, including the Manual. Upon termination of the Franchise Agreement, you must return to us all proprietary information, including but not limited to the Manual, and all other copyright material. You must notify us immediately if you learn about an unauthorized use of proprietary information. We are not obligated to take action, and we have the sole right to decide the appropriate response to any unauthorized use of proprietary information. You must comply with all changes to the Manual at your cost. In the future, the changes may include making the Manual available on the Internet or other on-line or computer data transfer communications.

### Item15

# OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you are an individual, you must directly supervise and manage your Business. If you are a corporation, partnership or other business entity, or if more than individual owns the franchise, you must designate in writing to us one individual who owns at least 25% of the franchisee (the "Controlling Owner"). The Controlling Owner must actively direct your affairs relating to the PIRTEK Business and is responsible for overseeing the general management of the day-to-day

operations of the PIRTEK Business. The Controlling Owner will be deemed to have authority to sign on your behalf on all contracts and commercial accounts. You also must designate an individual who personally invests his or her full time and attention and devotes his or her best efforts to the on-premises general management of the day-to-day operations of the PIRTEK Business (the "Designated Manager"), completes our full training program to our satisfaction prior to beginning the duties of the Designated Manager, and does not participate in the active operation or management of any business other than the PIRTEK Business. Any individual owner, Controlling Owner and Designated Manager must complete our training program as noted in Item 11. A Controlling Owner may serve in the role of Designated Manager. If a different individual than the Controlling Owner, the Designated Manager need not have an ownership interest in the franchisee entity; however, he or she may be required to sign a written agreement maintaining confidentiality of proprietary information.

Each individual who directly or indirectly owns a 10% or greater interest in a Franchisee must sign the personal undertaking and guarantee attached to the Franchise Agreement. These Owners agree to discharge all obligations of the franchisee under the Franchise Agreement and are bound by all its terms and conditions, including maintaining confidentiality of proprietary information and abiding by the noncompete covenants described in Item 17.

# <u>Item16</u>

### RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to offer and sell only those products and services that we have approved (see Items 8 and 9). You must offer all products and services that we require. There are no limits on our right to make modifications to the approved products and services from time to time as set forth in the Manual or otherwise in writing. Any failure to comply with these standards may result in termination of your Franchise Agreement (see Item 17).

You may not use your place of Business, or any MSSU used in connection with your Business, for any other purpose than the operation of your Business.

You may use only marketing and promotional materials that we have approved.

You generally are not limited in the customers to whom you may sell products and services in the Territory; however, we reserve the right to put some limitations on Strategic Accounts that we may develop for the PIRTEK System (see Item 12). In addition, there are certain limitations to marketing and selling products and services outside your Territory.

### A. Reports on Gross Sales for the Period January 1, 2023 to December 31, 2023

The sales figures listed below include average and median Gross Sales derived from historical operating results of the franchised businesses indicated for the time periods covered. We obtained these sales figures from information provided to us by our franchisees for the period from January 1, 2023 through December 31, 2023 (the "Full 2023 Reporting Period").

On December 31, 2023, there were 141 U.S. PIRTEK Franchised Centers open and 116 were in continuous operation during the entire calendar year. The information provided in Tables 1 and 2 does not include data from 25 franchised businesses that opened during the year 2023 and therefore were not in operation for the Full 2023 Reporting Period. No U.S. franchises opened and closed during the 12 month period of the Full 2023 Reporting Period.

Neither we nor our independent certified public accountants have audited or verified any of the sales figures reported to us. Franchisees are not required to use generally accepted accounting principles when reporting these figures.

The following tables refer to "Gross Sales." "Gross Sales" includes cash and credit sales as well as any goods or services received by the franchisee in exchange for goods and services sold at the PIRTEK Center. "Gross Sales" does not include sales or use taxes.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with Pirtek USA, LLC. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

The PIRTEK Franchise Advisory Council ("FAC") includes elected franchisee members and appointed franchisee members and meets periodically with corporate representatives to discuss various franchise issues. We will utilize our PIRTEK Franchise Advisory Council ("FAC") to serve in an advisory capacity only. We have the power to form, change or dissolve the FAC. We both created and sponsor the FAC, and contact information for the FAC is the same as our contact information. ### 2. Risk Factors.

**Spousal Liability**: Your spouse will be liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

# 3. <u>Item 3</u>.

Item 3 is amended to provide that neither us nor any other person identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

### 4. Items 6 and 17.

### 11. <u>Item 19</u>.

The financial performance figures do not reflect the costs of sales, operating expenses, or other costs or expenses that may be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees listed in the Disclosure Document may be one source of this information.

### 12. Other.

### Other Regulations.

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE OFFERING CIRCULAR, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

The following information applies to franchises and franchises subject to the Illinois Franchise Disclosure Act of 1987. Item numbers correspond to those in the main body.

#### 1. Item 5.

With respect to the Initial Franchise Fee, we shall defer the payment of the initial franchise fee and other initial payments owed to us, or our affiliate, by you until such time as all initial obligations owed to you under the Franchise Agreement or other agreements have been fulfilled by us and you have commenced doing business pursuant to the Franchise Agreement. The Illinois Attorney General has imposed this deferral requirement upon the payment of the Initial Franchise Fee, pursuant to Section 200.508 of the Illinois Franchise Disclosure Act.

See Item 8 for more information on Inventory Products.

#### 3. Item 17.

For Illinois franchisees, Illinois law governs the Franchise Agreement. The conditions under which the franchise can be terminated and rights upon nonrenewal may be affected by Illinois law. Any provision in a Franchise Agreement that designates jurisdiction or venue in a forum outside of Illinois is void. Currently, an Illinois franchisee could not have a territory that encompasses part of Illinois and another state. Accordingly, Illinois law would apply for any Territory located in Illinois.

# ADDENDUM TO PIRTEK® DISCLOSURE DOCUMENT FOR THE STATE OF MARYLAND

The following information applies to franchises and franchises subject to Maryland statutes and regulations. Item numbers correspond to those in the main body:

#### 1. Item 8.

Item 8 is supplemented by the following disclosure:

"We are the sole supplier of the following products and services necessary for the operation of your Business: (a) Shop Set-Up Services; (b) Technology (including proprietary and other software, modem, printer/printer accessories) and Computer Connection Services; (c) Signs and Equipment that contain the PIRTEK marks (including uniforms, branded equipment necessary to outfit the MSSUs, printed forms and stationary, promotional items such as caps), and (d) opening and ongoing Inventory requirements (including hydraulic, industrial and specialist hoses; hose fittings, adapters, and accessories). You will pay the then-current price in effect at the time for all products and services you purchase from us and our affiliates. In some cases (and as noted in Item 8), the cost of Inventory and the other products and services referenced above may be higher than the prevailing market price of similar products and services on the market. In other cases, such as with respect to our PIRTEK-branded equipment and materials, we are unable to determine the prevailing market rate as no third-party currently is authorized to distribute our branded equipment and materials.

If we are no longer able to provide you with the above-listed products and services, we will endeavor to provide such products and services through one or more alternate suppliers at comparable cost."

#### 2. Item 17.

Pursuant to COMAR 02.02.08.16L, the general release that may be required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability incurred under the Maryland Franchise Registration and Disclosure Law.

#### 3. Item 17.

The Franchise Agreement and the Development Agreement provide for termination if you are insolvent under any applicable state or federal law. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Section 101 et seq.).

## 4. Item 17.

Any claims under the Maryland Franchise Registration and Disclosure Law may be brought in the state of Maryland.

# 5. <u>Item 17</u>.

The franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

#### 6. Item 17.

Any claims arising under Maryland Franchise Registration and Disclosure Law must be brough within 3 years after the grant of the franchise.

# ADDENDUM TO PIRTEK® DISCLOSURE DOCUMENT FOR THE STATE OF MINNESOTA

The following applies to franchises and franchisees subject to Minnesota statutes and regulations. Item numbers correspond to those in the main body.

#### 1. Item 13.

We will undertake the defense of any claim of infringement by third parties involving the PIRTEK Trademark. You must cooperate with the defense in any reasonable manner prescribed by us with any direct costs of such cooperation to be borne by us.

# 2. <u>Item 17</u>.

Nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Any claims arising under the Minnesota Statutes, Chapter 80C (including Minn. Stat. § 80C.21 and Minn. Rule 2860.4400J) may be brought in the state of Minnesota.

Minnesota law provides you with certain termination and nonrenewal rights. As of the date of this Disclosure Document, Minn. Stat. Sec. 80C.14, Subd. 3, 4 and 5 require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of the Franchise Agreement.

Minn. Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860.4400(J). Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statute 80C.17 Subdivision 5.

NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

- 3. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.
- 4. Each provision of this addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Minnesota Franchise Law or the rules

and regulations promulgated thereunder by the Minnesota Commissioner of Commerce are met independently without reference to this addendum to the disclosure document.

#### PIRTEK USA LLC DEVELOPMENT AGREEMENT

This Development Agreement (the "Agreement") is made and entered into on the Effective Date identified on the Area Development Agreement Data Sheet attached to this Agreement as <a href="Exhibit A">Exhibit A</a> by and between **PIRTEK USA LLC** ("Franchisor"), and \_\_\_\_\_\_ ("Developer").

#### WITNESSETH:

WHEREAS, Franchisor is in the business of granting licenses for the right to open and operate hose service centers under the mark PIRTEK®, which service centers currently include a service center facility ("PIRTEK Hose Service Center" or "PIRTEK Service Center" or "Center"), which includes PIRTEK vans or mobile sales and service units that service customers ("MSSUs" or "MSS Units");

WHEREAS, Franchisor identifies the System by means of certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including but not limited to the PIRTEK service mark, which has been registered with the United States Patent and Trademark Office, the other trademarks, service marks, and trade names as are now designated and may hereafter be designated by Franchisor in writing for use in connection with the System (the "Proprietary Marks" or "Marks");

WHEREAS, PIRTEK Hose Service Center and MSSUs are to be developed, constructed, opened and operated in accordance with Franchisor's designated standards and procedures, including the sale, custom assembly and installation of industrial and hydraulic hoses, fixed tube assemblies, fittings and related components, and includes proprietary rights in certain valuable marks, logos, business names, trade names, using distinctive products and services under the Marks and utilizing the specific image including names, marks, uniform product ranges, specified designs and color schemes for the business premises, signs, layouts, fixtures and fittings and uniforms, all of which may be changed, improved, further developed, and/or otherwise modified at any time in the future in Franchisor's sole discretion (the "System");

WHEREAS, Developer desires to, and has applied for the right to, develop PIRTEK Hose Service Centers within the Development Area (as defined in this Agreement), and Franchisor has approved Developer's application in reliance upon all of the representations made herein and therein;

WHEREAS, Franchisor wishes to grant to Developer the right, and Developer wishes to accept the obligation, to develop PIRTEK Hose Service Centers within the Development Area, subject to the terms and conditions set forth in this Agreement;

WHEREAS, Developer acknowledges that Developer has conducted an independent investigation of the business contemplated by this Agreement and recognizes that it involves business risks which make the success of the venture largely dependent upon the business abilities of Developer.

NOW, THEREFORE, Franchisor and Developer, intending to be legally bound, agree as follows:

#### 1. DEVELOPMENT RIGHTS

- 1.1. Grant of Development Rights. Franchisor hereby grants to Developer, and Developer undertakes and accepts, the exclusive right and obligation to develop Centers within the "Development Area" identified in the Area Development Agreement Data Sheet attached to this Agreement as Exhibit A. The term of this grant is the duration of this Agreement, which expires on the date set forth in Exhibit A, unless terminated earlier by agreement or operation of law.
- 1.1.1. The required number of Centers to be developed under this Agreement and the development schedule ("Development Schedule") setting forth mandatory dates for the Developer to acquire control of property, and open Centers, are set forth in Exhibit B.
- 1.1.2. Except as allowed by Section 1.2 below, Franchisor shall not operate, or license others to operate, Center(s) within the Development Area. The location of each specific Center developed under this Agreement shall be subject to Franchisor's prior written approval.
- 1.2. **Retained Rights.** Franchisor and/or its affiliates, parents and/or subsidiaries (each a "Related Entity") or another franchisee shall have the right to operate and provide hose assembly orders for customers within the Development Area with requests that Developer would otherwise not have the capacity to handle due to resources, supply, pricing and/or potential margin, technical ability, or engineering skill as well as for national, regional or other accounts Franchisor determines will benefit the PIRTEK System, which are referred to as Strategic Accounts. Additionally, Franchisor and its Related Entities retain the following rights:
- 1.2.1. to continue to own and operate, and allow others to continue to own and operate, Centers existing inside of the Development Area as of the date of this Agreement, as identified in Exhibit A;
- 1.2.2. to establish, own and operate, or grant to others the right to establish, own and operate, Centers at any location outside of the Development Area;
- 1.2.3. to establish, own and operate, and license others to establish, own and operate, businesses under other systems using other proprietary marks, both within and outside the Development Area;
- 1.2.4. to purchase or otherwise acquire the assets or controlling ownership of one or more businesses identical or similar to Centers (and/or acquire franchise, license and/or similar agreements for such businesses), some or all of which may be located anywhere, including within the Development Area. If Franchisor purchases or acquires franchises or licenses, Franchisor may, in its sole discretion, act as franchisor or licensor with respect to such franchisees or licensees wherever located, pursuant to the individual franchise or license agreement(s) between Franchisor and such franchisee(s) or licensee(s);
- 1.2.5. to acquire (regardless of the form of transaction), merge with, become associated with, or otherwise affiliate with, and thereafter own and operate, and/or franchise or license to others the right to own and operate, any business, including any businesses of any kind

(including those in competition with PIRTEK businesses) under other systems and/or marks, which businesses may convert to or operate under the Marks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your business, and notwithstanding such business's actual or threatened impact on sales at any Center within the Development Area. If Franchisor acquires a competitive business or a competitive franchise in the Development Area, Franchisor has the right to operate or license a third party to operate such competitive business; *provided that*, such business will not be licensed to use the Marks within the Development Area;

- 1.2.6. to advertise, market and promote the System within the Development Area and to sell, solicit and direct advertising or promotional materials to customers or prospective customers located in the Development Area;
- 1.2.7. to offer, sell, distribute or otherwise provide, directly or indirectly, or license to others the right to sell or distribute, directly or indirectly, within and outside the Development Area, any products or services, including those products or merchandise bearing the Marks, from any location other than a Center, including but not limited to, sales made at or through retail or wholesale stores, temporary locations, trailers, catalogs, mail order or electronic means (for example, the Internet);
- 1.2.8. to sell and distribute for ourselves and/or license others to sell and distribute through franchised businesses or any other method of distribution, both inside and outside your Development Area products and services the same as or different from the products and services offered under the System, and which are offered and distributed under marks different than the Marks; and
  - 1.2.9. to engage in any activities not expressly forbidden by this Agreement.
- 1.3. No Additional Rights; Restrictions on Developer. This Agreement is not a franchise agreement or sub-franchise agreement. This Agreement does not grant any right to use or license the use of the Marks or the System. Without limiting the generality of the foregoing, Developer acknowledges that Developer is not permitted to use other channels of distribution such as the Internet, catalog sales, telemarketing or other direct marketing, to make sales of products or services within or outside of the Development Area. Developer further acknowledges that it may not separately register any domain name or operate any web site containing any of the Trademarks without our written approval. Franchisor shall have the right to condition its approval on the terms that Franchisor determines are necessary, including, without limitation, requiring that Developer's domain name and home page belong to Franchisor and be licensed to Developer for use during the Term.

### 2. <u>DEVELOPMENT FEE AND FRANCHISE FEES</u>

2.1. <u>Development Fee</u>. Upon the execution of this Agreement, and in consideration of the Development Area granted herein, Developer shall pay to Franchisor a development fee in the amount set forth in <u>Exhibit A</u> (the "Development Fee"). The Development Fee shall be fully earned by Franchisor upon execution of this Agreement for administrative and other expenses incurred by Franchisor and for the development opportunities lost or deferred as a result of the

rights granted to Developer in this Agreement. Under no circumstances will all or any portion of the Development Fee be refunded to Developer for any reason.

- 2.2. <u>Application of Development Fee</u>. Developer shall enter into Franchisor's thencurrent form of franchise agreement ("Franchise Agreement") for each Center developed under this Agreement. If Developer is in compliance with its obligations under this Agreement, upon Developer's execution of each Franchise Agreement, Franchisor agrees to apply a portion of the Development Fee in the amounts indicated on <u>Exhibit A</u> toward the Initial Franchise Fee payable by the franchisee under the Franchise Agreement for each of the Centers opened during the Term of this Agreement. In no event shall Developer be entitled to a credit greater than the amount of the Development Fee.
- 2.3. <u>Effect of Franchisor Assignment Upon Development Fee</u>. In the event of an assignment or transfer by Franchisor of its interest in this Agreement pursuant to Section 6.1 hereof, Franchisor shall transfer the balance of the Development Fee which it holds to the transferee and, upon such transfer and assumption of the obligation by the transferee to apply the Development Fee in accordance with Section 2.2, Franchisor shall be released from all liability relating to such deposit or rights arising because of such deposit. Developer shall have no right to assign or encumber in any way, its interest in the deposit held by Franchisor or its transferee.

#### 3. DEVELOPMENT AND OPENING REQUIREMENTS

- 3.1. <u>Development Obligations</u>. Developer agrees that it shall strictly comply with the Development Schedule, including securing the real estate for each Center through binding lease or purchase by the applicable "Required Control Date" for each Center and opening each Center by the applicable "Required Opening Date." It is specifically agreed that **TIME IS OF THE ESSENCE** in performing these obligations. Developer acknowledges that this Agreement may require Developer to pursue and develop multiple projects at the same time, and that time is of the essence with respect to Developer's developing and opening of Centers.
- 3.1.1. Notwithstanding any provision in this Agreement to the contrary, Developer understands and agrees that, as a condition to the granting of a franchise to operate any Center that Developer is required to develop under this Agreement, Developer must apply for, meet and maintain Franchisor's then-current operational, financial, credit, legal and other criteria for developing and operating a new Center.
- 3.1.2. Prior to securing a site for each Center Developer is required to open under this Agreement, Developer shall furnish to Franchisor all financial data Franchisor requests to establish to Franchisor's satisfaction that Developer has the financial ability to develop, open and operate each such Center, including, without limitation, balance sheets, profit and loss statements, and statements of cash flow for the periods designated by Franchisor.
- 3.1.3. If Developer is in default under the terms of any then-existing Franchise Agreement, Franchisor shall have no obligation to approve the development and opening of any subsequent Center(s) pursuant to this Agreement until Developer is in full compliance under its existing Franchise Agreement(s).

- 3.2. <u>Site Approval.</u> For each Center to be developed under this Agreement, Developer shall, at its sole cost and expense, be responsible for identifying potential locations within the Development Area, acquiring control of property at the location by purchase or binding lease for a period not less than the term for the respective Franchise Agreement (or such other period as Franchisor may approve), and for constructing and equipping each Center in strict accordance with Franchisor's then-current standards, procedures, plans and specifications.
- 3.2.1. Developer shall submit each proposed location for each Center in writing in advance to Franchisor for approval of the location. Notwithstanding that requirement to submit a location for approval by Franchisor, Developer acknowledges that the location, selection, procurement and development of each site for each Center Developer is required to open and operate under this Agreement are Developer's responsibilities. Developer further acknowledges that Franchisor's approval of a site and/or rendering of assistance in the selection of any site, does not constitute a representation, promise, warranty or guarantee, express or implied, by Franchisor, its officers, employees, directors or agents, as to the potential sales volume, profits, or success of the Center to be developed, opened and operated by Developer at such location.
- 3.2.2. Before Developer commits to, or signs a lease, Developer shall provide Franchisor with a copy of the lease, along with such other information as Franchisor reasonably requests to evaluate the proposal, including, without limitation, the cost of acquisition, development and construction. Developer shall provide Franchisor with a copy of the proposed lease for the Premises before signing any lease. Developer shall not enter into a lease agreement for any Center location without first obtaining Franchisor's written approval of the proposed site and the terms of the lease. Developer shall provide Franchisor with a copy of Developer's fully executed lease agreement for each Center location immediately after signing. Franchisor is not required and has no obligation to negotiate the terms of Developer's lease for any Center location. Franchisor requires the inclusion of the Addendum to Lease, which is attached as Appendix D to the Franchise Agreement.

## 3.3. Construction of Center.

- 3.3.1. For each Center to be developed under this Agreement, Developer must construct and equip the Center in accordance with our current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, furnishings, location, accessory features and design and layout of the building premises. Franchisor will loan to Developer, or make available through digital means, one copy of Franchisor's confidential Operations Manual for the Business, containing mandatory and suggested specifications, standards and operating procedures for the Business. You may not commence construction of the Center nor lease a location for the development of the Center until you have received our written consent to your building plans.
- 3.3.2. If Franchisor determines that any Center is not being built, or was not built, in full accordance with the final plans, in addition to any other rights available to Franchisor under this Agreement or applicable law, Franchisor shall have the right to require Developer to cause to be made all alterations or modifications of any such Center that Franchisor deems necessary. Franchisor may consult with Developer, to the extent Franchisor deems necessary, on the

construction and equipping of the Center, but it will be and remain Developer's sole responsibility to diligently design, construct, equip and otherwise ready and open each Center.

- 3.3.3. Developer shall be responsible, at Developer's expense, for obtaining all zoning classifications, permits, clearances, certificates of occupancy, and center clearances, which may be required by governmental authorities for each Center.
- 3.3.4. Developer shall obtain and maintain in force, during the entire period of such construction, such insurance policies and for such amounts as Franchisor may designate in its sole discretion.
- 3.3.5. Developer shall use licensed general contractors, designers and architects in performing any and all construction work at each Center, including in connection with any remodeling or renovations. Franchisor expressly disclaims any warranty of the quality or merchantability of any goods or services provided by architects, contractors, or any other persons or entities to which Franchisor may refer to Developer. Franchisor is not responsible for delays in the construction, equipping or decoration of any Center or for any loss resulting from any Center design or construction. Developer acknowledges that Franchisor has no control over the landlord or developer and numerous construction and/or related problems that could occur and delay the opening of a Center.
- 3.3.6. Franchisor shall have access to each Center being developed under this Agreement at all times during the Term, including while work is in progress, and may require alterations or modifications of the construction of any Center that Franchisor deems necessary.
- 3.3.7. Developer shall complete construction of each Center (including all exterior and interior carpentry, electrical, painting, and finishing work, and installation of all furniture, fixtures, equipment, and signs), at Developer's expense, and open each Center no later than the Required Opening Date applicable to the Center specified in Development Schedule.
- 3.3.8. Developer shall promptly notify Franchisor of the date of completion of the construction of each Center and, within 14 days thereafter, Franchisor shall have the right conduct a final inspection of the Center. Developer shall not open any Center for business without the express written authorization of Franchisor, and Franchisor's authorization to open may be conditioned upon Developer's strict compliance with the specifications of the approved final plans and with the standards of the System.
- 3.3.9. Developer shall install in and about each Center only such equipment, including equipment, fixtures, furnishings, interior and exterior signage, and other personal property which strictly conforms to the appearance, standards, specifications and procedures of Franchisor, as may be revised from time to time in Franchisor's sole discretion. Such equipment is sometimes referred to herein collectively as "Equipment and Furnishings." Developer shall purchase and install all Equipment and Furnishings only from those suppliers Franchisor designates or approves in its sole discretion. Franchisor shall have the right to obtain and retain any and all rebates and incentives offered by such vendors and suppliers. Franchisor reserves the right to be one of, or the sole, supplier of any Equipment and Furnishings and may derive revenue, benefits, or other material consideration from such purchases. Franchisor shall have the right to

inspect and approve all Equipment and Furnishings and their installation to ensure Developer's compliance with Franchisor's standards and specifications.

- 3.4. <u>Completion of Initial Training.</u> For each Center developed under this Agreement, Developer, your Controlling Owner, your Designated Manager (if any), your TSR (technical sale representative), at least 2 MSS Technicians and your administration person must, at your expense for room, board and travel, must attend and successfully complete, to Franchisor's satisfaction, Franchisor's initial training program (the "Initial Training"). The Initial Training must be successfully completed prior to commencement of business at each Center. The Initial Training will take place at a location and for a period as Franchisor's designates. There is no separate fee payable to Franchisor for this Initial Training.
- 3.5. Franchise Agreement and Ancillary Agreements. For each Center, Developer shall sign Franchisor's then-current form of Franchise Agreement and such other standard, customary agreements, including personal guarantee agreements from each Owner who directly or indirectly owns a 10% or greater interest in the Franchisee (the "Franchise Documents"). Developer acknowledges and agrees that the then-current forms of Franchise Documents may contain different terms as compared to the current form of Franchise Agreement, provided, however, so long as Developer is not in default under this Agreement, the Royalty Fee and Advertising Fee shall be as set forth in the Franchise Disclosure Document delivered to Developer in connection with this Agreement. Developer shall sign and deliver to Franchisor the Franchise Documents for each Center, and pay to Franchisor the balance of the initial franchise fee due to Franchisor under each such agreement, at the time of signing the Franchise Documents. The Initial Technology Start-up Fee and the Opening Set-up Fee shall be paid by Developer at the time of opening.
- 3.6. <u>Legal Entities.</u> Developer shall have the right to form corporations, limited liability companies, or partnerships (each a "Developer Operating Entity") to enter into the Franchise Documents with respect to operating each Center opened under this Agreement, provided that Developer is the sole owner of any Developer Operating Entity or, if Developer is an entity, the ownership structure any Developer Operating Entity is identical to the ownership structure of Developer.
- 3.7. <u>Continuous Operation</u>. Developer shall at all times continuously maintain in operation, pursuant to each Franchise Agreement, at least the number of Centers required to be operational at such time as set forth in the Development Schedule.
- 3.8. <u>Varied Standards</u>. Because complete uniformity under many varying conditions may not be possible or practical, Franchisor reserves the right and privilege, at its sole discretion, to vary standards for any System developer or franchisee based upon the peculiarities of a particular site or circumstance, density of population, business potential, existing business practices, or any other condition which Franchisor reasonably deems to be essential to the successful operation of a Center. Developer shall have no complaint on account of any variation from the reasonable standard specifications and practices granted to any other developer or franchisee and shall not be entitled to require Franchisor to grant to Developer a like or similar variation hereunder.

#### 4. TERM

- 4.1. <u>Term.</u> The term of this Agreement shall begin on the Effective Date and shall expire on the Expiration Date as set forth in <u>Exhibit A</u> (hereinafter the "Term"), unless otherwise terminated pursuant to the provisions of this Agreement. Upon the expiration of the Term, this Agreement and all rights, including development rights, granted hereunder will automatically terminate, and Developer shall have no right to renew or extend the Term.
- 4.2. After Expiration of Term. At any time after the expiration or termination of the Term for any reason: (a) Franchisor shall have the right to own or operate, or license others to own or operate, Centers within the Development Area; provided, however, that in no event shall Franchisor cause such Center(s) (except as reserved in the Franchise Agreement) to be constructed or operated within the Protected Territory defined in any Franchise Agreement executed pursuant hereto; and (b) Developer shall have no further right under this Agreement to construct or operate Centers, or enter into Franchise Agreements with respect thereto; provided, however, that the expiration or termination of Developer's rights under this Agreement shall not affect any Franchise Agreement entered into prior to the expiration of such rights.

- 5.1. <u>Limited License Under this Agreement</u>. Notwithstanding any provision to the contrary herein, this Agreement grants to Developer only a limited license to use the Marks solely for the specific purpose of performing Developer's obligations to develop and equip a Center under this Agreement. Specifically, without limitation, this Agreement does not grant Developer any right to use the Marks in any other manner or in connection with the operation of a Center. The right to use the Marks in connection with the operation, advertising or promotion of a Center may only be granted by the terms of a Franchise Agreement.
- 5.1.1. Developer shall not use any Mark as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms designs, or symbols, or in any modifying words, terms designs or symbols, or in any modified form, nor may Developer use any Mark in connection with any business or activity other than the business conducted by Developer pursuant to a Franchise Agreements or in any other manner not explicitly authorized in writing by Franchisor.

- (ii) the methods, techniques, formats, drawings, specifications, procedures, information, systems and knowledge and experience in the design and operation of a Center and the purchase, preparation and sale of authorized and approved products and services in connection with the operation of Centers;
- (iii) information, systems, experience and business intelligence with respect to the consumer, business or financial success, attributes or performance of any product, marketing, promotion, strategy, equipment or consumer proposition;
- (iv) proposed or future products, product rollouts and promotions (except advertising of future promotions as specifically authorized by Franchisor);
- (v) information related to System suppliers and distributors; and
- (vi) sales data, cost of goods, labor costs, profit margins, and other financial information in any way relating to Centers, whether operated by Developer or Franchisor.
- 5.2.2. Personal Guarantee. Franchisor may disclose, and/or Developer may learn by virtue of Developer's activities hereunder, Confidential Information, including, without limitation, through Franchisor's furnishing of specifications and guidance in the development, opening and operation of a Center, the training program, the Manual(s) and other instructional manuals, sales promotion aids, accounting procedures, marketing reports, informational and product bulletins, vendors price sheets and inventory systems and other guidance furnished to Developer during the Term. The disclosure and/or receipt of Confidential Information, regardless of whether such information is disclosed to Developer under a confidentiality notice may be expressly conditioned upon Developer and each Controlling Owner, and any person or entity that is an owner of an equity interest of 10% or greater in Developer, executing a Personal Guarantee agreeing to the foregoing restrictions on Confidential Information.
- 5.2.3. No Interest. Developer agrees that it will not acquire any legal or equitable interest in the Confidential Information, other than the right to use it in the development and operation of Center(s) during the Term and that the use or duplication of the Confidential Information in any other hose business would constitute an unfair method of competition. Developer acknowledges and agrees that the Confidential Information is proprietary to Franchisor and it is a trade secret of Franchisor and is disclosed to Developer solely for use by Developer in the development and operation of the Center during the Term and on the condition that Developer does hereby agree that it:
  - (i) will not use the Confidential Information in any other business or capacity;
  - (ii) will not disclose and will maintain the confidentiality of the Confidential Information at all times during and after the Term;
  - (iii) will not, under any circumstances, disclose any Confidential Information to any media outlet or post such Confidential Information on any websites, social media sites, or any other formats available to the public;

- (iv) will not make unauthorized copies of any portion of the Confidential Information disclosed;
- (v) shall be solely responsible for ensuring that each of Developer's managers, employees, agents, Controlling Owners and Owners having access to Confidential Information comply with this Section 5.2 and do not communicate, divulge or use the Confidential Information in violation thereof;
- will adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent the unauthorized use or disclosure of Confidential Information, including, without limitation, (a) restricting access to and disclosure of Confidential Information to only those managerial employees of Developer whose responsibilities in the operation of the Center require access to such Confidential Information; (b) restricting access to Confidential Information to prevent theft, unauthorized duplication and discovery of such Confidential Information; (c) requiring all managers and employees with access to Confidential Information to execute a Confidentiality and Restrictive Covenant Agreement as Franchisor may require from time to time, including in substantially the same form as the Confidentiality and Restrictive Covenant Agreement attached as an Exhibit to the standard form of Franchise Agreement offered by Franchisor, agreeing to maintain the confidentiality during the course of their employment and thereafter of all Confidential Information. Copies of all executed confidentiality agreements must be kept by Developer for a minimum of five years after any employee leaves their employment or affiliation with Developer and must be provided to Franchisor upon request.
- 5.3. <u>Covenant Not to Compete.</u> Developer specifically acknowledges that, pursuant to this Agreement, Developer will be privy to Confidential Information, including, without limitation, information regarding site selection, development and construction of Centers. Developer therefore agrees to the following noncompetition covenants and agrees that the following noncompetition covenants are reasonable and necessary to protect the System's legitimate business interests, including its Confidential Information and customer goodwill:
- 5.3.1. Unless otherwise specified, the term "Developer" as used in this Section 5.3 means and includes, collectively and individually, (a) if you are an entity, the entity, all guarantors and all shareholders, members, partners, as the case may be, and other holders of any ownership interest in the entity (collectively, "Owners"), as well as any spouse, children, parents and siblings of any guarantor and Owner, or (b) if you are an individual, the individual and the individual's spouse, children, parents and siblings. Franchisor may require you to obtain from your guarantors and Owners, and/or from your spouse, children, parents and siblings or any spouse, children, parents, and siblings of any Owner or guarantor, as applicable, a signed non-compete agreement in a form satisfactory to Franchisor that contains the non-compete provisions of this Section 5.3.
- 5.3.2. Developer promises that during the term of this Agreement, Developer will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with, any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business (as defined below).

- 5.3.3. Developer promises that Developer will not, for a period of two years after the expiration or termination of this Agreement, regardless of the cause of termination, or within two years of the sale or transfer of the Agreement or any interest in Developer, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, advertise, promote in any media including social media platforms, or consult with or have any interest in a Competitive Business (as defined below) that is located:
  - a. In the Development Area;
  - b. Within a 25-mile radius of the outer boundary of the territory of any Center; or
  - c. Inside the territory of another PIRTEK Business, whether franchised or owned by us or our affiliates.

For purposes of this Agreement, a "Competitive Business" is any business that offers or sells any product or service or component thereof that (i) composes a part of our System, (ii) is the same as or similar to any product or service then- offered by our franchisees or us or our affiliates, or (iii) otherwise competes directly or indirectly with our System.

- 5.3.4. Developer agrees that the length of time in paragraph 5.3.3 above will be tolled for any period during which Developer is in breach of the non-compete covenants or any other period during which we seek to enforce this Agreement.
- 5.3.5. In addition, Developer agrees that during the term of this Agreement and for one year thereafter, Developer will not, without Franchisor's prior written consent, directly or indirectly, for Developer or on behalf of any other person, divert, or attempt to divert, any business or customer of the Business or any other PIRTEK Business away from the System.
- 5.3.6. The parties agree that each of the foregoing covenants in this Section 5.3 will be construed as independent of any other covenant or provision of this Agreement. To the extent anyone successfully contests the validity or enforceability of any part of this Section 5.3 in its present form predicated upon the area of coverage, this provision will not be deemed invalid or unenforceable, but will instead be deemed modified, so as to be valid and enforceable, to provide coverage for the maximum scope that any court of competent jurisdiction or arbitrator will deem reasonable and necessary to protect our legitimate interests.
- 5.3.7. Developer acknowledges that any violation of the terms of Section 5.3 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Developer accordingly consents to the issuance of an injunction prohibiting any conduct by Developer in violation of any of the terms of Section 5.3, inclusive of all subparts.
  - 5.3.8. Developer acknowledges and agrees that:
  - (i) the length and term of the geographical restrictions contained in Section 5.3 are fair and reasonable and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor;

- (ii) Developer's full, uninhibited and faithful observance of each of the covenants contained in Section 5.3, inclusive of all subparts, will not cause any undue hardship, financial or otherwise, and that the enforcement of each of the covenants in will not impair Developer's ability to obtain employment commensurate with Developer's abilities and on terms fully acceptable to Developer or otherwise to obtain income required for the comfortable support of Developer, Developer's family and the satisfaction of Developer's creditors;
- (iii) Developer's special knowledge of Confidential Information and/ or the business of a System franchisee (and anyone acquiring knowledge through Developer) would cause Franchisor and other System franchisees serious injury and loss if Developer (or anyone acquiring knowledge through Developer) were to use this knowledge to the benefit of a competitor or were to compete with Franchisor or any System franchisees.
- 5.4. <u>Restrictions on Public Statements.</u> Developer (including its Owners or employees) shall not, without the Franchisor's express written consent in all instances which may be withheld by Franchisor in its sole discretion, post, contribute, or author any content on any website or social media or communicate with any media outlet or organization in a manner that:
- 5.4.1. makes any statement which disparages, ridicules or is derogatory of the System, the brand or Marks, the Franchisor, its affiliates, or any of their owners, officers, employees, agents, consultants, attorneys or representatives, or any franchisee, or the owners, officers, employees, agents, consultants, attorneys or representatives of any franchisee;
  - 5.4.2. pertains in any way to health or safety conditions at a Center; or
- 5.4.3. pertains to any litigation pending or threatened against a System franchisee or the Franchisor, Franchisor's affiliates, subsidiaries or parents, or any of their owners, officers, employees, agents, consultants, attorneys or representatives.

#### 6. TRANSFERABILITY OF INTEREST

6.1. **By Franchisor.** This Agreement and all rights hereunder may be assigned and transferred by Franchisor and, if so, shall be binding upon and inure to the benefit of Franchisor's successors and assigns; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall assume the obligations of Franchisor hereunder and Franchisor shall have no liability for the performance of any obligations contained in this Agreement after the effective date of such transfer or assignment.

#### 6.2. **By Developer**

6.2.1. The rights granted to Developer under this Agreement are personal to Developer and are granted in reliance upon the personal qualifications of Developer. Developer has represented, and hereby represents, that it is entering into this Development Agreement with

the intention of complying with its terms and conditions and not for the purpose of resale of the rights granted hereunder.

- 6.2.2. Developer, without Franchisor's prior written consent, which may be granted or withheld in Franchisor's sole and absolute discretion, by operation of law or otherwise, shall not, voluntarily or involuntarily, directly or indirectly, sell, assign, transfer, convey, give away or encumber any part of its interest in this Agreement, its interest in the rights granted hereby or its interest in any entity that owns any interest in such rights, and shall not offer, permit or suffer the same to be sold, assigned, transferred, conveyed, given away or encumbered in any way. Without limiting the generality of the foregoing, Developer shall not, without the prior written consent of Franchisor, fractionalize any of the rights granted pursuant to this Agreement. Developer further acknowledges and agrees that:
  - (i) any purported sale, assignment, transfer, conveyance, gift or encumbrance of any of Developer's rights herein not having Franchisor's express consent shall be null and void and shall constitute a material default of this Agreement.
  - (ii) the restrictions on transfer imposed herein are reasonable and necessary to protect Franchisor, the Marks and quality, as well as Franchisor's reputation and image and are for the protection of Franchisor and the System.
  - (iii) any assignment or transfer permitted by Franchisor shall not take effect until Franchisor issues its written consent thereto, following its receipt and review of all relevant transfer documents and financial data of transferee as reasonably requested by Franchisor.
- 6.2.3. Franchisor may impose any conditions Franchisor deems appropriate in connection with consenting to any proposed transfer by Developer. Such conditions may include, without limitation, any or all of the following:
  - (i) Developer has complied with the requirements of Section 6.4;
  - (ii) all obligations owed to Franchisor by Developer are fully paid and satisfied;
  - (iii) Developer (and any transferring owners, if Developer is a business entity) has executed a general release, in a form required by Franchisor, of any and all claims against Franchisor, including its equity owners, officers, managers, directors and employees, in their corporate and individual capacities including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement or to the transfer of Developer's interest herein or to the transfer of Developer's ownership of all or any part of the development rights; provided, however, that if a general release is prohibited by applicable law, Developer shall give the maximum release allowed by law;
  - (iv) the prospective transferee has satisfied Franchisor that it meets Franchisor's management, business and financial standards, and otherwise possesses the

character and capabilities, including business reputation and credit rating, as Franchisor may require in Franchisor's sole and absolute discretion to demonstrate its ability to carry out the obligations contained herein and in the Franchise Documents;

- (v) the transferee has executed a general release, in a form required by Franchisor, of any and all claims against Franchisor and its equity owners, officers, managers, directors and employees, in their corporate and individual capacities, with respect to any representations regarding the franchise or the business conducted pursuant thereto or any other matter that may have been made to the transferee by Developer;
- (vi) Developer has provided Franchisor with a complete copy of all contracts and agreements and related documentation between Developer and the prospective transferee relating to the intended sale or transfer;
- (vii) Developer, or the transferee, has paid to Franchisor a transfer fee equal to the greater of: (a) 50% of the balance of the initial franchise fee due for each of the Centers that are required to be opened under the Development Schedule that are not yet open; or (b) the amount of the purchase price in excess of the Development Fee;
- (viii) the transferee, and all holders of a legal or beneficial interest in the transferee, have agreed to be personally bound jointly and severally by all provisions of this Agreement;
- (ix) the transferee has obtained all necessary consents and approvals by third parties and all applicable federal, state and local laws, rules, ordinances and requirements applicable to the transfer have been complied with or satisfied; and
- (x) Developer has, and if Developer is an entity, all of the holders of a legal and beneficial interest in Developer have, executed and delivered to Franchisor a non-competition agreement in a form designated by Franchisor.
- 6.3. Transfer by Death or Incapacity. Upon the death or Incapacity (as determined by a court of competent jurisdiction) of Developer or any holder of a legal or beneficial interest in Developer, if Developer is an entity, the appropriate representative of such person (whether administrator, personal representative or trustee) will, within a reasonable time not exceeding one hundred eighty (180) days following such event, transfer such individual's interest herein or transfer such individual's ownership of all or any part of the rights granted under this Agreement to a third party approved by Franchisor. Such transfers, including transfers by will or inheritance, shall be subject to the conditions for assignments and transfers contained in this Agreement.
- 6.4. <u>Franchisor's Right of First Refusal</u>. If Developer or its owners shall at any time, propose to sell, assign, transfer, convey, give away or encumber the development rights under this Agreement or any of their respective ownership interests in Developer ("Sale Assets"), Developer or its owners, as applicable, shall obtain a *bona fide*, executed written offer for the Sale Assets

from a responsible and fully disclosed purchaser and shall submit an exact copy of such offer to Franchisor.

- 6.4.1. Franchisor shall then have a period of thirty (30) days from the date of delivery to Franchisor of such offer, the right, exercisable by written notice from Franchisor to Developer ("Exercise Notice"), to acquire the Sale Assets for the price and on the terms and conditions contained in such offer; provided, however, that Franchisor may substitute cash for any alternative form of payment proposed in such offer and Franchisor shall have not less than sixty (60) days from the date of delivery of the Exercise Notice to complete the acquisition of the Sale Assets. Franchisor's credit shall be deemed at least equal to the credit of any proposed purchaser.
- 6.4.2. If Franchisor does not exercise this right of first refusal by delivering to Developer an Exercise Notice, Developer shall comply with all provisions of this Agreement governing the proposed transfer, including those set forth in Section 6.2. Without limiting the generality of the foregoing, Developer shall obtain Franchisor's prior written consent and comply with any and all conditions imposed by Franchisor in connection with the proposed transfer.
- 6.4.3. If Developer obtains Franchisor's prior written consent, and such sale, assignment, transfer, conveyance, gift or encumbrance of the Sale Assets is not completed within one hundred and twenty (120) days after delivery of such offer to Franchisor, or if adjustments to the purchase price for the Sale Assets is reduced by five percent (5%) or more from the price set forth in the initial offer, Franchisor shall have a new and independent right of first refusal to acquire the Sale Assets as provided herein. If Franchisor exercises a right of first refusal based upon a reduced price, Franchisor shall reimburse the party making the initial offer for its reasonable due diligence and transaction expenses incurred through the date of the exercise by Franchisor.

## 7. **DEFAULT AND TERMINATION**

- 7.1. Termination Without Opportunity to Cure. If Developer commits any act of default under this Agreement, and Developer fails to cure the default after any required notice and within the applicable cure period, then this Agreement shall terminate automatically without any requirement of further notice by Franchisor or to Developer. The cure period applicable to any act of default is set forth below; if a cure period for an act of default is not specifically set forth, it shall be 30 days. No cure period is allowed for certain acts of default described below. If any applicable law requires a longer notice period or a longer cure period than is provided in this Agreement, then the period required by law shall be substituted for time period provided below.
- 7.2. <u>Material Acts of Default</u>. The following acts are each a material act of default under this Agreement and shall be good cause for termination:
- 7.2.1. Developer makes or attempts to make an unauthorized sale, assignment, transfer, conveyance, gift or encumbrance of any part of its interest in this Agreement, the rights granted hereunder, or an ownership interest in Developer;
- 7.2.2. Developer has made any material misrepresentation or omission in its application for the rights conferred by this Agreement;

- 7.2.3. Developer is convicted of or pleads no contest to a felony or other crime or offense that may adversely affect the goodwill associated with the Marks;
- 7.2.4. Developer makes any unauthorized use of the Marks or unauthorized use or disclosure of the Confidential Information;
- 7.2.5. Developer fails to cure a default following the expiration of any applicable notice and cure periods under any Franchise Agreement entered into by and between Developer and Franchisor, or between Franchisor and any Developer Operating Entity;
- 7.2.6. Developer fails to meet or satisfy any timing requirement or deadline contained in the Development Schedule;
- 7.2.7. Developer fails to comply with any other provision of this Agreement and does not correct within 30 days after written notice from Franchisor; or
- 7.2.8. If Developer, or any person or entity controlling, controlled by or under common control with Developer, files a voluntary petition in bankruptcy or any pleading seeking any reorganization, liquidation, dissolution or composition or other settlement with creditors under any law, or admitting or failing to contest the material allegations of any such pleading filed against Developer or such person, or is adjudicated bankrupt or insolvent or a receiver is appointed for a substantial part of the assets of Developer or any person controlling Developer, or a final judgment against Developer or such person or entity remains unsatisfied or remains of record for 30 days or longer (unless an appeal is timely taken and an appeal bond is filed), or if execution is levied against any rights of Developer hereunder or any substantial part of the assets of Developer or any person controlling Developer or a tax levy is made, or suit to foreclose any lien or mortgage on the premises or assets of any Center in the Development Area is instituted against Developer or any person controlling Developer and not dismissed within 30 business days, or if a substantial part of the real or personal property of any of Developer's Centers in the Development Area is sold after levy of judgment thereupon by any sheriff, marshal or constable, or the claims of creditors of Developer are abated or subject to a moratorium under any law.
- 7.3. <u>Additional Rights and Remedies</u>. If any default by Developer remains uncured beyond the expiration of all applicable notice and cure periods, Franchisor may, at its option, elect any one or more of the following remedies:
- 7.3.1. Franchisor may modify, reduce and/or accelerate the Development Schedule;
  - 7.3.2. Franchisor may terminate, modify and/or reduce the Development Area; or
- 7.3.3. Franchisor may elect any other right or remedy available to Franchisor under this Agreement, at law or in equity.

## 8. RIGHTS AND DUTIES ON TERMINATION OR EXPIRATION

8.1 <u>Loss of Development Rights</u>. Upon expiration or termination of this Agreement, this Agreement and all rights granted to Developer hereunder shall automatically terminate and:

- 8.1.1 Developer shall have no additional rights to establish or operate any Center for which a Franchise Agreement has not been executed by Franchisor and Developer or a Developer Operating Entity;
- 8.1.2 Developer shall immediately cease any further attempts to select or develop sites on which to construct Centers; and
- 8.1.3 Developer shall not identify itself as a current or former franchisee or developer of the System, except pursuant to rights which may be granted under any Franchise Agreement which is then in effect and remains in effect.
- 8.1. No default under this Agreement shall constitute a default under any Franchise Agreement between the parties, except to the extent that any default under this Agreement constitutes a default under any Franchise Agreement in accordance with the terms of the Franchise Agreement. Notwithstanding the above, the terms and conditions of each Franchise Agreement must be complied with by the Developer or the Developer Operating Entity thereunder and shall control in determining whether any default exists under such Franchise Agreement.
- 8.2. <u>Amounts Owed to Franchisor</u>. Developer shall immediately pay to Franchisor upon termination or expiration of this Agreement any amounts owed by Developer to Franchisor that are then unpaid, plus any interest due.
- 8.3. <u>Confidential Information</u>. Upon termination, transfer or expiration of this Agreement, Developer and all of its employees, agents or other representatives shall immediately cease to use and maintain the absolute confidentiality of any and all Confidential Information and shall not use such Confidential Information, including, without limitation, in connection with any other business or venture.
- 8.4. <u>Continuing Obligations</u>. All obligations of Franchisor and Developer under this Agreement that expressly or by their nature survive the expiration, transfer or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding the expiration, transfer or termination of this Agreement and until they are satisfied in full or by their nature expire.

# 9. OWNERS OF DEVELOPER

Developer represents, and Franchisor enters into this Agreement in reliance upon such representation, that the individuals identified in Section 2 of <u>Exhibit A</u> constitute all of the holders of a legal or beneficial interest (in the stated proportions) of Developer (each an "Owner").

## 10. <u>Independent Contractor and Indemnification</u>

10.1. **Relationship.** This Agreement is purely a contractual relationship between the parties and does not appoint or make Developer an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is deemed understood between the parties hereto that Developer shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor or to create any obligations, express or implied, on behalf of Franchisor.

- 10.1.1. The parties agree that this Agreement does not create a fiduciary relationship between Franchisor and Developer.
- 10.1.2. Under no circumstances shall Franchisor or Developer be liable for any act, omission, debt or any other obligation of the other. Without limiting the generality of the foregoing, Developer may not represent or imply to third parties that Developer is an agent of Franchisor.
- 10.1.3. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the development of any Center pursuant to this Agreement.
- 10.1.4. Any third party contractors and vendors retained by Developer, including, without limitation, for architectural services, remodeling and/or construction are independent contractors of Developer alone.
- 10.2. **Indemnification.** Developer shall hold harmless and indemnify Franchisor, its affiliates, parents, subsidiaries, all holders of a legal or beneficial interest in Franchisor, its affiliates, parents, subsidiaries and all of Franchisor's and its affiliates', parents' and subsidiaries' officers, directors, executives, managers, employees, agents, successors and assigns (collectively "Franchisor Indemnitees") from and against all losses, damages, fines, costs, expenses or liability (including attorneys' fees and all other costs of litigation) incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, that arise from, are based upon or are related to Developer's (a) construction, development, opening, ownership or operation of any Center; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Developer and Franchisor (or any of its Affiliates); (d) defamation of Franchisor or the System; (e) acts, errors or omissions by Developer or any of its officers, directors, employees or agents, committed or incurred in connection with the construction, development and/or operation of Centers, including any negligent or intentional acts; or (f) infringement, violation or alleged infringement or violation of any Mark, patent or copyright or any misuse of the Confidential Information.

## 11. DISPUTE RESOLUTION; INJUNCTIVE RELIEF

11.1. <u>Dispute Resolution</u>. Except as qualified below in Section 11.2, any dispute involving Franchisor and Developer, Developer's Owners or Personal Guarantors (including the partners, officers, members, directors, heirs, beneficiaries or other similar parties claiming an interest through any of these entities) arising under, out of, or in any way connected with or related to this Agreement or the relationship between the parties must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be arbitrated in accordance with the rules and procedures and under the auspices of the American Arbitration Association. The arbitration must take place in Orlando, Florida, or at such other place as may be mutually agreeable to the parties. Any arbitration must be resolved on an individual basis and not joined as part of a class action or the claims of other parties. The arbitrators must follow the law and not disregard the terms of this Agreement. The arbitrators appointed must have at least 5 years' experience in franchising or in franchise law. The decision of the arbitrators will be final and binding on all parties to the dispute; however, the arbitrators may not under any circumstances: (i) stay the effectiveness of any pending termination of this Agreement; (ii) assess punitive or exemplary

damages; or (iii) make any award that extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance set by Franchisor. Judgment upon the award may be entered in any court having jurisdiction thereof.

- 11.1.1. Except as qualified below in Section 11.2, before Developer or Franchisor can initiate arbitration or litigation in connection with a dispute arising under this Agreement, the parties agree to meet in person for at least two hours at Franchisor's home office in an attempt to resolve the dispute. The meeting will be on an individual basis between Developer and at least one member of Franchisor's executive team and must take place within two weeks of a party's request for the meeting, and each party must pay its own costs and expenses with respect to the meeting. If a party refuses to participate in this meeting, the refusing party must pay \$5,000 to the other party.
- 11.2. <u>Injunctive Relief.</u> Notwithstanding Section 11.1 above, Developer recognizes that Developer's Business is one of a number of businesses identified by the Marks, and hence the failure on Developer's part to comply with the terms of this Agreement could cause irreparable damage to us and/or to some or all of our other franchisees. Therefore, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement by Developer, Franchisor will forthwith be entitled to an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made by the arbitrators. Similarly, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement by Developer, Franchisor will forthwith be entitled to an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made by the arbitrators.
- 11.2.1. The foregoing equitable remedies are in addition to, and not in lieu of, all other remedies or rights that the parties might otherwise have by virtue of any breach of this Agreement by the other party. Finally, Franchisor reserves the right to commence a civil action against Developer or take other appropriate action for the following reasons: to collect sums of money due to us; to compel your compliance with trademark standards and requirements to protect the goodwill of the Marks; or to compel you to compile and submit required reports to us.
- 11.3. <u>Attorneys' Fees</u>. The prevailing party in any legal proceeding before a court, arbitrators or other tribunal to enforce the terms and provisions of this Agreement is entitled to recover its reasonable attorneys' fees and costs from the non-prevailing party. This Section 11.3 will survive termination or expiration of this Agreement.
- 11.4. **Enforcement**. During the term of this Agreement, if Developer does not give Franchisor written notice of the alleged breach within one year from the date that Developer has knowledge of circumstances reasonably indicating that you may have a claim for our breach of this Agreement, then the alleged breach is deemed to be waived by Developer in all respects and Developer will be barred from commencing any legal or other action against us for the alleged breach. Furthermore, upon expiration or termination of this Agreement, Developer may not assert any claim or cause of action against Franchisor relating to this Agreement, the relationship between

the parties or the performance of obligations hereunder unless commenced within one year following the effective date of expiration or termination of this Agreement. Notwithstanding the preceding two sentences, where the one-year limitation of time is prohibited or invalid by or under any applicable law, then and in that event no suit or action may be commenced or maintained unless commenced within the applicable statute of limitations.

# 12. GENERAL CONDITIONS AND PROVISIONS

- 12.1. <u>Superiority of Franchise Agreement</u>. Developer acknowledges that any and all Franchise Agreements executed in connection with an individual Center within the Development Area are independent of this Development Agreement. The continued existence of any such Franchise Agreement shall not depend on the continuing existence of this Agreement. If any conflict shall arise in connection with this Agreement and any such Franchise Agreement, the latter shall have precedence and superiority over the former.
- 12.2. **No Waiver.** No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Developer shall not be binding unless in writing and executed by Franchisor and shall not affect nor impair Franchisor's right with respect to any subsequent default of the same or of a different nature; nor shall any delay, waiver, forbearance or omission of Franchisor to exercise any power or rights arising out of any breach or default by Developer of any of the terms, provisions or covenants hereof affect or impair Franchisor's rights, nor shall such constitute a waiver by Franchisor of any right hereunder or of the right to declare any subsequent breach of default. Subsequent acceptance by Franchisor of any payment(s) due shall not be deemed to be a waiver by Franchisor of any preceding breach by Developer of any terms, covenants or conditions of this Agreement. Acceptance by Franchisor of payments due hereunder from any person or entity other than Developer shall be deemed to be acceptance from such person or entity as an agent of Developer and not as recognition of such person or entity as an assignee of or successor to Developer.
- 12.3. <u>Notices</u>. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be signed by the party serving the same and either delivered personally or by a reputable overnight service or deposited in the United States mail, service or postage prepaid, and if such notice is a notice of default or of termination, by registered or certified mail, and addressed as follows:
  - 1. If intended for Franchisor, addressed to the CEO, Pirtek USA LLC, 300 Gus Hipp Boulevard, Rockledge, Florida 32955;
    - 2. If intended for Developer or its Controlling Owner, addressed to or,

in either case, to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if mailed or delivered as provided in this Section.

- 12.4. **Personal Guarantee.** All Owners who directly or indirectly own a 10% or greater interest in the Developer shall be required to execute the Personal Guarantee attached as <u>Exhibit</u> <u>C</u>, through which such Owners agree to assume and discharge all of Developer's obligations under this Agreement and to be personally liable hereunder for all of the same.
- 12.5. <u>Approvals.</u> Whenever this Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor for such approval and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Franchisor makes no warranties or guarantees upon which Developer may rely, and assumes no liability or obligation to Developer or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Developer in connection with this Agreement, or by reason of any neglect, delay or denial of any request for approval.
- 12.6. Entire Agreement. This Agreement, including all Exhibits hereto, constitute the entire, full, and complete agreement and understanding between the parties concerning the subject matter hereof. Both parties acknowledge and agree that there are no oral or written representations, promises, assurances, warranties, covenants, "side deals", rights of first refusal, options or understandings other than those expressly contained in this Agreement. This Agreement supersedes all prior agreements, and no other representations, promises, warranties, assurances, covenants, "side deals", rights of first refusal, options or understandings having induced Developer to execute this Agreement. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document Franchisor furnished to Developer. This Agreement may not be amended or supplemented by a course of conduct.

#### 12.7. Severability and Modification.

- 12.7.1. Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable, unreasonable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.
- 12.7.2. Notwithstanding the above, each of the covenants contained in Sections 5 and 8 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any such covenant is held to be unenforceable, unreasonable or invalid, then it shall be amended to provide for limitations on disclosure of Confidential Information or on competition to the maximum extent permitted by law.

- 12.8. <u>Construction</u>. All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.
- 12.9. <u>Force Majeure.</u> Whenever a period of time is provided in this Agreement for either party to perform any act, except pay monies to Franchisor, neither party shall be liable nor responsible for any delays due to strikes, lockouts, casualties, acts of God, war, terrorist acts, or governmental regulation, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the term of this Agreement.
- 12.10. **Timing. TIME IS OF THE ESSENCE.** Failure to perform any act within the time required or permitted by this Agreement shall be a material breach.
- 12.11. <u>Authority</u>. Any modification, consent, approval, authorization or waiver granted hereunder required to be effective by signature will be valid only if in writing executed by you or, if on behalf of us, in writing executed by our President.
- 12.12. **References**. If Developer is two or more individuals, the individuals are jointly and severally liable, and references to Developer in this Agreement includes all such individuals.
- 12.13. <u>Interpretation of Rights and Obligations</u>. The following provisions will apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:
- 12.13.1. Applicable Law. This Agreement is governed by and interpreted in accordance with the laws of the state of Florida. While the laws of Florida shall apply, Florida conflicts of law rules shall not be used to apply the laws of a state other than the state of Florida. Developer or any Controlling Owner acknowledge and agree that any Florida franchise or business opportunity law shall not apply. Developer expressly waives any rights or protections Developer has or may have under any statute or law of any other state to the fullest extent permitted by law. This Agreement may be deemed to be amended from time to time as may be necessary to bring any of its provisions into conformity with valid applicable laws or regulations. Subject to Section 11.1, any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties must be brought in the Federal District Court for the Middle District of Florida, or if such court lacks jurisdiction, the Eighteenth Judicial Circuit (or its successor) in and for Brevard County, Florida. Both parties hereto irrevocably admit themselves to, and consent to, the exclusive jurisdiction of said courts. The provisions of this Section will survive the termination of this Agreement.
- 12.13.2. Our Reasonable Business Judgment. Whenever Franchisor reserves or is deemed to have reserved discretion in a particular area or where Franchisor agrees or is deemed to be required to exercise its rights reasonably or in good faith, Franchisor will satisfy its obligations whenever Franchisor exercises Reasonable Business Judgment in making its decision or exercising its rights. A decision or action by Franchisor will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if Franchisor's decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a

financial or other individual interest of Franchisor. Examples of items that will promote or benefit the System include enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System.

- 12.14. <u>JURY WAIVER</u>. DEVELOPER AND FRANCHISOR HEREBY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN CONNECTION WITH THE ENFORCEMENT OR INTERPRETATION BY JUDICIAL PROCESS OF ANY PROVISION OF THIS AGREEMENT, AND IN CONNECTION WITH ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION OR SIMILAR CAUSES OF ACTION OR ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES FOR BREACH OF THIS AGREEMENT.
- 12.15. WAIVER OF PUNITIVE DAMAGES. DEVELOPER AND FRANCHISOR (AND OUR RESPECTIVE OWNERS AND GUARANTORS, IF APPLICABLE) AGREE TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN US, EACH WILL BE LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED BY IT.

#### 13. ACKNOWLEDGMENTS

- 13.1. Independent Investigation. Developer acknowledges that Developer has conducted an independent investigation of the development opportunity, and recognizes that the business venture contemplated by this Agreement involves business risks. Developer's success in this business is not guaranteed, is speculative and depends, to an important extent, upon Developer's ability as an independent businessperson. Franchisor does not represent or warrant that any Center will achieve a certain level of sales or be profitable, notwithstanding Franchisor's approval of any Center location. Franchisor expressly disclaims the making of, and Developer acknowledges that Developer has not received or relied on, any warranty or guarantee, express or implied, as to the potential volume, profits, earnings or success of the business venture contemplated by this Agreement. By signing this Agreement, Developer acknowledges that Developer has entered into it after making an independent investigation of the System. Developer has no knowledge of any representations by Franchisor, or its officers, directors, shareholders, employees, or agents about the business contemplated by this Agreement, that are contrary to the terms of this Agreement or the documents incorporated in this Agreement. As an inducement to Franchisor's entry into this Agreement, Developer promises that Developer has made no misrepresentations in obtaining this Agreement.
- 13.2. <u>FDD Acknowledgment</u>. Developer acknowledges that Developer received, read and understood this Agreement, and all attachments, including a copy of Franchisor's Franchise Disclosure Document ("FDD"); Developer received the FDD, including Franchisor's standard development agreement, franchise agreement and all related agreements, at least 14 calendar days prior to the date on which this Agreement was signed or making any payments to Franchisor. Developer received a substantially complete version of this Agreement and all attachments at least seven calendar days before signing this Agreement.

- 13.3. <u>Different Forms of Agreement</u>. Developer is aware of the fact that some of Franchisor's current and future franchisees may operate under different forms of agreement and under variations of the System and, consequently, that Franchisor's obligations and rights with respect to Franchisor's various franchisees may differ materially in certain circumstances. Developer understands that variations of the System and forms of development and franchise agreements will not benefit Developer or modify in any way Developer's obligations under this Agreement.
- 13.4. <u>Consultation with Business Advisor</u>. Developer acknowledges that Developer has read and understood this Agreement, the attachments hereto and all agreements relating thereto, if any, and that Franchisor has accorded Developer ample time and opportunity to consult with advisors of Developer's own choosing about the potential benefits and risks of entering into this Agreement.
- 13.5. <u>No Reliance</u>. Developer acknowledges that Developer is relying solely on Franchisor and not on any affiliated entity or parent company related to Franchisor with regard to Franchisor's financial and other obligations under this Agreement, and no employee or other person speaking on behalf of, or otherwise representing Franchisor has made any statement or promise to the effect that any affiliated entities or parent companies guarantee Franchisor's performance or financially back Franchisor.
- 13.6. Anti-Terrorist Activities and Representations. Developer certifies and warrants that neither Developer, nor any of Developer's owners, principals, employees or associates (including all shareholders, members or partners (as applicable)), are (i) a person or entity designated by the U.S. Government on the list of the Specially Designated Nationals and Blocked Persons (the "SDN List"), as maintained by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") at http://www.ustreas.gov/offices/enforcement/ofac/sdn, with which a U.S. person or entity cannot deal with or otherwise engage in business transactions; (ii) a person or entity who is otherwise the target of U.S. economic sanctions and trade embargoes enforced and administered by OFAC, such that a U.S. person or entity cannot deal or otherwise engage in business transactions with Developer or Developer's shareholders, members or partners; (iii) either wholly or partly owned or partly controlled by any person or entity on the SDN List, including, without limitation by virtue of such person being a director or owning voting shares or interests in an entity on the SDN List; (iv) a person or entity acting, directly or indirectly, for or on behalf of any person or entity on the SDN List; or (v) a person or entity acting, directly or indirectly, for or on behalf of a foreign government that is the target of the OFAC sanctions regulations such that the entry into this Agreement would be prohibited under U.S. law.
- 13.6.1. Developer shall comply with, and assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with, the Anti-Terrorism Laws (as defined below). Developer shall not hire nor have any dealings with any person listed on the SDN List, as it may be modified from time to time. Developer is solely responsible for ascertaining what actions must be taken by Developer to comply with all Anti-Terrorism Laws. Developer specifically acknowledges and agrees that Developer's indemnification obligations under this Agreement pertain to Developer's obligations under this Section 13.6. Any misrepresentation by Developer under this Section 13.6, or any violation of any Anti-Terrorism Laws by Developer, Developer's owners, principals or employees, shall constitute grounds for immediate termination of this

Agreement and any other agreement Developer has entered into with Franchisor or its affiliates. As used herein, "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT ACT, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any Governmental Authority (including, without limitation, The United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

13.7. <u>No Violation of Other Agreements</u>. Developer represents that its execution of this Development Agreement will not violate any other agreement or commitment to which Developer or any holder of a legal or beneficial interest in Developer is a party.

**IN WITNESS WHEREOF**, the parties have duly executed and delivered this Agreement on the day and year first above written.

- 3. The undersigned acknowledges and agrees that Franchisor has entered into the Development Agreement with Developer solely on the condition that each owner of Developer be personally obligated and jointly and severally liable with Developer (and with each other owner of Developer) for the performance of each and every obligation of Developer (and its owners) under the Development Agreement, any amendments to the Development Agreement, any extensions or renewals under the agreement and under each and every agreement ancillary to the Development Agreement, including any franchise agreement that has been or hereafter may be entered by Developer and Franchisor (all aforementioned agreements are collectively referred to as the "PIRTEK Agreements"). The arbitration must take place in Orlando, Florida, or at such other place as may be mutually agreeable to the parties. Any arbitration must be resolved on an individual basis and not joined as part of a class action or the claims of other parties. The arbitrators must follow the law and not disregard the terms of this Agreement. The arbitrators appointed must have at least 5 years' experience in franchising or in franchise law. Judgment upon the award may be entered in any court having jurisdiction thereof.

# RIDER TO THE PIRTEK USA LLC DEVELOPMENT AGREEMENT FOR USE IN MARYLAND

<b>This Rider</b> (the " <b>Rider</b> ") is made and entered into as of the Eff	fective Date as s	stated in	the
Development Agreement (defined below), by and between Pirtek USA	A LLC, a Delaw	are lim	itec
liability company with its principal business address at 300 Gus Hi	pp Boulevard,	Rockled	lge.
Florida 32955 ("we," "us" or "PIRTEK"), and	, a		
, whose principal business address is	("y	ou"	O
"Developer").			

- 1. <u>Background</u>. We and you are parties to that certain Development Agreement (the "Agreement") that has been signed at the same time as the signing of this Rider. This Rider is part of the Development Agreement. This Rider is being executed because the Area to be developed by Developer pursuant to the Agreement will be operated in the State of Maryland and/or because Developer is a resident of the State of Maryland.
- 2. In recognition of the requirements of the Maryland Franchise Registration and Disclosure Law (the "Maryland Franchise Law"), we and you agree as follows:
  - 1. Developer may sue in Maryland for claims arising under the Maryland Franchise Law. Any claims arising under the Maryland Franchise Law must be brought within 3 years after the grant of the franchise.
  - 2. Pursuant to COMAR 02.02.08.16L, the general release that may be required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Law.
  - 3. The franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.
  - 4. The Development Agreement provides for termination if you are insolvent under any applicable state or federal law. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Section 101 et seq.).
  - 5. Each provision of this Rider shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Maryland Franchise Law are met independently without reference to this Rider.
  - 6. Section 13.1, Section 13.4, and Section 13.5 of the Agreement are hereby deleted.

**IN WITNESS WHEREOF**, the parties have executed and delivered this Rider effective on the Agreement Date.

  - 1. Article 7 of the Agreement, under the heading "Default and Termination," shall be supplemented by the following new Section 7.4, which shall be considered an integral part of this Agreement:
    - 7.4 Minnesota Law: Minnesota law provides certain termination, non-renewal, and transfer rights. In sum, Minn. Stat. § 80C.14 (subd. 3, 4, and 5) currently require, except in certain specified cases, that a Developer be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice of non-renewal of the Agreement, and that consent to transfer not be unreasonably withheld by us. Finally, any general release executed pursuant to the Agreement shall exclude such claims that have arisen under the Minnesota Franchise Act and the Rules and Regulations promulgated thereunder.

PIRTEK does not indemnify Developer against the consequences of Developer's use of PIRTEK's trademarks except in accordance with the requirements of the Agreement, and, as a condition to indemnification, Developer must provide notice to PIRTEK of any such claim and tender the defense of the claim to PIRTEK within ten (10) days after the claim is asserted. If PIRTEK accepts the tender of defense, PIRTEK has the right to

manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

You also do not have the right to subfranchise, sublicense, assign or transfer your rights under this Agreement, except for a permitted assignment or transfer as specifically provided for in this Agreement. During the term of this Agreement and provided that you are in compliance with the terms and conditions of this Agreement, including the Territory Performance Standards (as described below), we will not (i) modify the Territory without your written consent, or (ii) establish either a company-owned or franchised PIRTEK Hose Service Center within the

Territory, although we or another franchisee may from time to time service particular customers in the Territory in the event you are unable or unwilling for whatever reason to meet the service needs of those customers, including any Strategic Account customers as set forth in the Franchise Agreement or Manual.

B. Territory Performance Standards. The "Territory Performance Standards" will include each of the following components: (i) a minimum number of MSSU's that you will be required to operate in the Territory, as we reasonably deem necessary in accordance with Section 5.F of this Agreement after meeting with you at a location we designate to discuss the overall performance of your Business (you and we agree that we can adjust the minimum number of MSSU's during the term of the Agreement); and (ii) an annual sales growth of 3%-3½% for your Business on a year-to-year basis, although that sales growth requirement will not be used as a Territory Performance Standard for any year that 80% of our then-current Tier 1 centers in operation more than 12 months and for the full 12 month period do not achieve the annual sales growth requirement. We will designate the specific percentage between 3% and 3½% each year, with the percentage to remain unchanged from the prior year unless we notify franchisees in writing prior to December 31 of the then-current calendar year. For 2024, the annual sales growth percentage is 3%. We will measure the annual sales growth based on your Gross Sales for each twelve (12) month calendar period (January 1-December 31).

If you do not meet the Territory Performance Standards, you will be subject to the Correction Process outlined below (and the takeaway option, sale of your Business option or termination as described below, if so elected by us). If you are a multi-Territory operator with multiple franchise agreements, the Territory Performance Standards will apply separately for each of your territories and franchise agreements.

C. <u>Correction Process</u>. If you do not meet part (i) of the Territory Performance Standard due to your failure to operate the minimum number of MSSU's in accordance with Section 5.F., we will provide you with a thirty (30) day period to take the necessary steps to meet the minimum number of MSSU's requirement. Failure to take those steps within the thirty (30) day period will be a default and may result in a notice of default under this Agreement.

If you do not meet part (ii) of the Territory Performance Standard (the annual sales growth requirement), subject to the 80% exception noted above, we may implement the following correction process.

First, we will notify you of your failure to meet the annual sales growth Territory Performance Standard, and we will actively work with you to (a) identify the reasons for such substandard performance, and (b) suggest ways for you to meet the annual sales growth Territory Performance Standard.

Subsequently, if you fail to meet part (ii) of the Territory Performance Standard (the annual sales growth requirement) for a third consecutive twelve (12) month period, you have the opportunity to advise us of your desire to sell the Business to a third party despite the default, but if no sale meeting the requirements of the Franchise Agreement takes place within one hundred eighty (180) days, we have the right to terminate the Franchise Agreement immediately on sending written notice of termination to you. In connection with such termination, you will sign a

general release and comply with all post termination obligations under this Agreement. Upon receipt of such a general release, we will sign a release of any and all claims of ours against you and/or any affiliate/ owner of yours relating to or arising out of the Franchise Agreement (and no other agreement or franchise) which exist as of the date of the release and are known by us; except that any such claims will be preserved by us if we disclose them to you in writing.

We reserve the right to make reasonable revisions to elements of the Territory Performance Standards through changes to the Manual or otherwise, upon six months written advance notice to you.

- D. <u>General Reservation of Rights</u>. We retain all rights that are not expressly granted to you under this Agreement. Further, we and our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to you or any franchisee, and without granting you any rights therein:
  - (i) establish and/or license others to establish franchised or company-owned or affiliate-owned businesses at any location outside your Territory regardless of the proximity of such businesses to your Territory;
  - (ii) merge with, acquire or become associated with ("Merger/Acquisition Activity") any businesses of any kind (including those in competition with PIRTEK businesses) under other systems and/or marks, which businesses may convert to or operate under the Marks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your business, and which may be located anywhere inside or outside of your Territory;
  - (iii) sell and distribute for ourselves and/or license others to sell and distribute through franchised businesses or any other method of distribution, both inside and outside your Territory products and services the same as or different from the products and services offered under the System, and which are offered and distributed under marks different than the Marks; and
  - (iv) provide hose assembly orders for Customers with requests that franchisees would otherwise not have the capacity to handle due to resources, supply, pricing and/or potential margin, technical ability, or engineering skill, while also being a production support arm when franchisees secure a large job.

# TRADEMARK STANDARDS AND REQUIREMENTS

- 3. You hereby acknowledge and agree that the Marks are our property and that your right to use the Marks is specifically conditioned upon the following terms and conditions.
- A. <u>Mark Ownership</u>. We are the owner of the Marks in the United States including all right, title and interest in and to the Marks. Your use of the Marks inures to our benefit. You disclaim all rights, title and interest in or to the Marks and any goodwill associated with the Marks. You must not, during or after the term of this Agreement, engage in any conduct directly or indirectly that would infringe upon, harm or contest our rights in any of the Marks or the

goodwill associated with the Marks, including any use of the Marks in a derogatory, negative or other inappropriate manner in any media, including but not limited to print or electronic media.

- B. Mark Use. You may not use, or permit the use of, any trademarks, trade names or service marks in connection with your Business, except those set forth in Appendix C or except as otherwise directed in writing by us. You may use the Marks only in connection with products and services as may be specified by us and only in the form and manner prescribed by us in writing. You must comply with all trademark, trade name and service mark notice marking requirements and other brand usage guidelines that we may provide from time to time. You may use the Marks only in association with products and services approved by us and that meet our standards or requirements with respect to quality and production, sales techniques, installation procedures, service standards and method of operation. The use of any additional words with any of the Marks must have our prior written consent, which we maintain the right to withhold such consent for any or no reason. You must implement and abide by our requirements and recommendations directed to enhancing substantial System uniformity in the matters described in this Section.
- C. <u>Business Identification</u>. You may not use the word PIRTEK or any of the other Marks as part of your name for your legal entity. You must use the PIRTEK name as a fictitious name for the trade name of the Business as designated by us in <u>Appendix A</u> and no other mark or words. You must hold yourself out to the public as an independent contractor operating the Business pursuant to a license from us. In addition, you may be required to post a sign in the Center identifying you as a PIRTEK franchisee in a format reasonably acceptable to us. You must clearly indicate on your business checks, stationery, purchase orders, receipts, and other written materials that you are the independent owner of the Business and a PIRTEK franchisee. You may use the Marks on various materials, such as business cards, stationery, purchase orders and checks, provided you (i) accurately depict the Marks on the materials, (ii) include a statement on the materials indicating that your Business is independently owned and operated by you, and (iii) do not use the Marks in connection with any other trademarks, trade names or service marks unless specifically approved by us in writing prior to such use.
- D. <u>Litigation</u>. In the event any person or entity improperly uses or infringes the Marks, we will control all litigation and will be the sole judge as to whether suit is instituted, prosecuted or settled, the terms of settlement, and whether any other action is taken. You must promptly notify us of any such use or infringement of which you are aware. You must promptly inform us of any claim arising out of your use of any Mark and must cooperate with any action we take in respect thereof. We have no obligation to defend or indemnify you if the claim, suit or demand against you arises out of or relates to your use of the Marks.
- E. <u>Changes</u>. You may not make any changes or substitutions whatsoever in or to the use of the Marks unless directed by us in writing. We reserve the right to change the Marks at any time. Upon receiving written notice from us, you must, at your expense, immediately make such changes and use such substitutions to the Marks as we may require.

#### TERM OF FRANCHISE; FRANCHISEE'S RIGHT TO RENEW

- 4. The term of the license granted in this Agreement is for a period of ten (10) years from the effective date of this Agreement as determined under Section 16.R. below. You have the right to renew your license for two (2) additional ten (10)-year terms, provided that, as to each renewal, the following conditions have been met:
- A. You must give written notice to us not less than three (3) but no more than six (6) months prior to the end of the initial ten (10)-year term of your intent to renew the license. You must execute our then-current form of franchise agreement and all other agreements, legal instruments and documents then customarily used by us in the renewal of franchises (the form of franchise agreement will be modified to reflect that the agreement is for a renewal term and, if applicable, will provide for the second ten (10)-year renewal term upon satisfaction of the renewal conditions).

These agreements, legal instruments and documents may vary materially from those agreements, legal instruments and documents currently in use by us, although the Territory will remain as defined in this Agreement. There will not be another initial franchise fee charged for renewal of the license; however, you must pay us a renewal fee in the amount of \$2,500, adjusted annually in accordance with any annual change in the National Consumer Price Index, as that change is described in Section 16.M. below. Your failure or refusal to execute the agreements, instruments and documents within thirty (30) days after their delivery to you will be deemed an election by you not to renew the license.

- B. During the term of this Agreement, you have complied with all of the terms and conditions of this Agreement and have complied with our operating and quality standards and requirements.
- C. All monetary obligations owed by you to us, our affiliates or your suppliers or creditors, whether pursuant to this Agreement or otherwise, have been satisfied prior to renewal, and have been paid in a timely manner throughout the term of this Agreement.
- D. You are able to maintain possession of the premises or obtain possession of mutually agreeable alternative premises for your Business for the duration of the renewal term and have agreed, in writing, to make such capital expenditures necessary to refurbish, replace and modernize your Business so that it will conform to our then-current standards for PIRTEK Service Centers.
- E. You, your Controlling Owner and your Personal Guarantors sign a general release of claims in a form we prescribe.

#### PREMISES STANDARDS AND MAINTENANCE

5. You acknowledge and agree that we may promulgate, from time to time, quality and other standards regarding the business operations of PIRTEK Service Centers so as to protect, among other items, the distinction, goodwill and uniformity symbolized by the Marks and the System. Accordingly, you agree to maintain and comply with our mandatory standards and agree to the following terms and conditions.

A. <u>Service Center Facility</u>. The Service Center must be constructed and equipped in accordance with our current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, furnishings, location, accessory features and design and layout of the building premises. You will be furnished with lists of approved equipment, inventory, signage, fixtures and furnishings. You may not commence construction of the Center nor lease a location for the development of the Service Center until you have received our written consent to your building plans.

In the event you enter into a direct lease with the landlord for the Service Center premises, we must approve such lease prior to its execution. You acknowledge, however, that you have been advised to have any lease and/or sublease reviewed by your own legal counsel. Your lease must contain the Addendum to Lease attached as <u>Appendix D</u>. You must provide us a copy of the lease and Addendum to Lease at least 5 days prior to their execution. You must provide us with a signed copy of the lease and Addendum to Lease upon their execution.

We make no guarantees concerning the success of the Service Center located on any site consented to by us. You are solely responsible for selecting the site for the Service Center and obtaining all necessary permits, licenses and architectural seals, and in all other respects complying with applicable legal requirements relating to the building, signs, equipment and premises, including but not limited to the Americans With Disabilities Act. You may not use the Service Center premises or Franchised Location for any purpose other than the operation of your PIRTEK Hose Service Center.

- B. <u>Future Alteration</u>. Any replacement, reconstruction, addition or modification in building, interior or exterior decor or image, equipment, fixtures, furnishings or signage of the Service Center to be made after our consent is granted for initial plans, whether at the request of you or us, must be made in accordance with specifications that have received our prior written consent. You may not commence such replacement, reconstruction, addition or modification until you have received our written consent to your revised plans.
- C. <u>Maintenance</u>. The building, equipment, signage, fixtures, display areas and furnishings employed in the operation of your Service Center must be maintained in accordance with requirements established periodically by us and reasonable schedules prepared by us based upon periodic evaluations of the premises by our representatives. In addition, you must conduct routine maintenance in accordance with general schedules furnished by us. Within a period of twenty (20) days after the receipt of any particular report prepared following such an evaluation, you must undertake the items of maintenance designated therein, including but not limited to the repair of defective items and/or the replacement of irreparable or obsolete items. If twenty (20) days is not a reasonable period of time to complete the designated items, then you must begin to take such steps as directed by us within ten (10) days and complete the items within forty-five (45) days from the receipt of a particular report.
- D. <u>Relocation</u>. Should it become necessary, on account of condemnation, sale or other cause, including cancellation of your lease, to relocate the Service Center, we will grant you authority to do so, within thirty (30) days of our receipt of your written request to relocate, at a site acceptable to us that is within the Territory, is reasonably suited for a Service Center, does not infringe on the rights of any other PIRTEK franchisee, and is reasonably distant from other

PIRTEK hose service centers; provided that (i) you resume your Business at a temporary premises that meets our standards within 48 hours from the closing of the Service Center; and (ii) the new Service Center is open and operating within one hundred twenty (120) days after your discontinuing operation of the Service Center at the Franchised Location, all in accordance with our current standards at that time. Further, if you request our assistance in connection with any such relocation, you submit to us a Center Relocation Assistance Fee equal to \$2,000 at the time you submit to us your request for relocation assistance.

- Modernization or Replacement. From time to time as we require, you must undertake such items of modernization, refurbishing and replacement of building, equipment, signage, fixtures, display areas, furnishings and grounds as may be necessary to permit the same to conform to our standards then prescribed for similarly situated new PIRTEK Hose Service Centers. The maximum amount that you will be required to spend on any such modernization, refurbishing and or replacement will be a cumulative amount equal to \$5,000 per year for each year that you have operated your Business under this Agreement, with the \$5,000 amount adjusted annually in accordance with any annual change in the National Consumer Price Index, as that change is described in Section 16.M. For example, in year 5 of this Agreement, you may be required to spend \$25,000 (plus any Consumer Price Index increase) on modernizing the premises. In year 6 of this Agreement after you have modernized your premises, the cumulative amount is reduced back to \$5,000 with the \$5,000 per year increase thereafter. You acknowledge and agree that the requirements of this Section 5.E. are both reasonable and necessary to ensure continued public acceptance and patronage of PIRTEK Service Centers and to avoid deterioration or obsolescence in connection with the operation of your Business. Each and every transfer of any interest in this Agreement or business conducted hereunder governed by Section 14 is expressly conditioned upon your compliance with the foregoing requirement. This \$5,000 per year limitation does not apply to the modernization requirement as a condition of franchise renewal under Section 4.
- MSS Units. You, at your cost, must operate within the Territory the number of MSS Units as we reasonably deem necessary from time to time. You must acquire and have operating a MSSU within two (2) months of being notified by us in writing of the requirement to operate the MSSU. The MSS Units must be operated by your MSS Technicians, who must be employees fully trained in the operation of MSS Units. You, at your cost, must purchase or lease motor vehicles as specified by us from a dealer who sells vehicles that meet our specifications and standards. You promptly must fit out, paint and equip (including the installation and use of a tracking system we designate) the motor vehicles as a PIRTEK MSSU, and thereafter maintain and properly register and insure the MSS Units, all in accordance with our standards and specifications as we may prescribe from time to time. Each MSSU must be retired from service and a new replacement motor vehicle purchased or leased by you at least once every 5 years. We, at our option, may permit you to operate such MSSU for an additional one-year period, provided the MSSU is repainted and refurbished to our standards. The MSS Units may only be used by you to assist in conducting your Business within the Territory, unless we otherwise approve in writing. Upon disposal of a MSSU, you must ensure that all Marks and other references to the PIRTEK Marks or Business have been removed or obliterated from the MSSU, and if you fail to do so, we may enter upon the Business premises or elsewhere to do so at your cost.

### OPERATIONS STANDARDS AND REQUIREMENTS

- 6. You acknowledge and agree that we have established and may revise, from time to time, quality standards regarding the operations of PIRTEK Hose Service Center businesses so as to protect the distinction, goodwill and uniformity symbolized by the Marks and the System. Accordingly, you agree to maintain and comply with our standards and requirements for the System and agree to the following terms and conditions.
- A. <u>Products and Services</u>. You may sell only those products and services in connection with the Marks and Business that we have approved in writing (sometimes referred to in this Agreement as "approved products and services"). The approved products and services may be identified in the Manual, inventory lists or otherwise in writing, and we have the right to add to, supplement or modify the approved products and services. These products and services meet standards and specifications prescribed by us, which we may modify from time to time.
- Purchases from Us and Other Vendors and Suppliers. You must purchase all В. designated hoses, fixed tube assemblies, fittings, adapters, components and other products for resale to customers (the "Inventory Products") from us only, except for limited instances when you must satisfy a customer's immediate demand for products, as described in the Manual. Under no circumstances, however, can a PIRTEK hose tag be placed on a non-PIRTEK hose. In addition, you must purchase fixtures, equipment, and other supplies ("Non-Inventory Items"), which we determine meet our standards and specifications of quality required to protect the valuable goodwill and uniformity symbolized by and associated with the Marks and Business. You will pay the then- current price in effect at the time for the Inventory Products and other Non-Inventory Items you purchase from us. You must purchase Non-Inventory Items from us or other vendors or suppliers that sell the Non-Inventory Items meeting our standards and specifications, although we are the only available supplier for equipment necessary to outfit the MSSUs and Non-Inventory Items containing the Marks. With respect to certain Inventory Products, we may require you to hold specified levels of inventory at the Franchised Location. We will endeavor to use our best efforts to have available for your purchase from us a full line of Inventory Products. We have the right to apportion Inventory Products and any other items due to shortages. ALTHOUGH APPROVED BY US, WE MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO PRODUCTS, SERVICES, EQUIPMENT, SUPPLIES, FIXTURES OR OTHER APPROVED ITEMS. WE, HOWEVER, WILL PASS THROUGH ANY APPLICABLE MANUFACTURER WARRANTIES ON PRODUCTS AND EQUIPMENT THAT YOU PURCHASE FROM US, SUBJECT TO ALL WARRANTY TERMS AND CONDITIONS IMPOSED BY THE MANUFACTURER.
- C. Operations Manual. To help protect our reputation and goodwill and to maintain uniform operating standards under the Marks and Business, you must conduct your Business in accordance with the required standards and procedures contained in our Operations Manual and any other manuals created by us for, or approved for, use in the operation of your Business (collectively the "Manual"). Any required standards exist to protect our interest in the System and the Marks and not for the purpose of establishing any control, or the duty to take control, over those matters that are reserved to you.

You will receive one copy of the Manual during the training program, which we will loan to you during the term of this Agreement. The Manual will be available in on- line format only and at all times is our sole property. You must at all times treat the Manual, and the information contained therein, as proprietary and confidential and a trade secret of a Pirtek franchise, and you must use all reasonable efforts to maintain such information as proprietary, confidential and a trade secret. We may from time to time revise the contents of the Manual and you expressly agree to comply with each new or changed requirement. You must at all times ensure that your copy of the Manual is kept current and up to date, and in the event of any dispute as to the contents of said Manual, the terms of the master copy of the Manual that we maintain is controlling. You acknowledge and agree that in the future the Manual and other system communications may only be available on the internet or other on-line or computer communications, as described in Section 6.K. Upon expiration or termination, whether by us or by you, you must return or destroy the Manual in its entirety or pay a fine of \$10,000.

D. Operating Procedures. The Manual contains requirements, recommendations, and suggestions for the operation of a PIRTEK Hose Service Center Business. You must adopt and use the required or mandatory standards, procedures, techniques and systems described in the Manual. We may revise the Manual and the standards, procedures, techniques, and systems set forth therein periodically to meet changing conditions of operation in the best interest of all businesses operating under the Marks. You must conform to all quality and customer service standards prescribed by us in writing.

Any required standards exist to protect our interests in the System and the Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to you. The required standards generally will be set forth in the Manual as defined in Section 6.C. or other written materials. The Manual also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. You may follow the recommendations or guidelines or some other suitable alternative, provided you meet and comply with the required standards. In other instances, no suitable alternative may exist. In order to protect our interests in the System and Marks, we reserve the right to determine if you are meeting a required or mandatory standard and whether an alternative is suitable to any recommendations or guidelines.

If requested by us, you must provide us with Customer lists for the Business in the form prescribed by us as well as copies of Customer invoices for the Business. We have the right to contact the Customers to ascertain your quality of customer service and the level of customer satisfaction. As those customers are PIRTEK customers, you may not use the Customer lists for the Business for any purpose whatsoever other than the normal conduct of your Business.

E. <u>Confidential Information</u>. You may not, during the term of this Agreement or thereafter, communicate, divulge or use for the benefit of any other person or entity any Confidential Information, except to such employees who must have access to it in order to operate your Business. For purposes of this Agreement, "Confidential Information" means proprietary information contained in the Manual or otherwise communicated to you in writing, verbally or through the internet or other on-line or computer communications, and any other knowledge or know-how concerning the methods of operation of your Business. Any and all

Confidential Information, including, without limitation, processes, materials, methods, procedures, suggested pricing, specifications, techniques and other data, may not be used for any purpose other than conducting the Business in the Territory. We may require that you obtain nondisclosure and confidentiality agreements in a form satisfactory to us from any persons owning a minority interest in you, your Designated Manager and other key employees. If you want these agreements to include noncompete covenants, you can do so for your benefit, although it is your responsibility to ensure that any such agreement you use complies with applicable state law. Copies of the executed agreements must be provided to us upon request.

- F. <u>Evaluations</u>. We or our authorized representatives have the right to enter your Business premises at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain if the provisions of this Agreement are being observed by you, to inspect and evaluate your premises used for your Business, to observe and accompany you on service calls and to test, inspect and evaluate your products and services. Your failure to receive a satisfactory rating on any evaluation is considered a default under Section 11.A. Any evaluation is for the purpose of protecting our interest in the Marks and in no way may be construed as the assumption of any duty to control day- to-day operation and maintenance of the Business.
- G. <u>Adaptations</u>. Complete and detailed uniformity under many varying conditions may not always be possible or practical, and we reserve the absolute right to vary the standards for any franchisee based upon the customs or circumstances of a particular territory, density of population, existing business practices or any condition that we deem to be of importance to the operation of your Business. You are not entitled to require us to grant to you or any other franchisee a like or other variation hereunder on account of any variation from standards, specifications and practices granted to any other franchisee. You acknowledge and agree that any requirement, standard or specification prescribed by us under this Agreement is subject to our periodic modification or rescission as may be necessary in our reasonable judgment to adapt our System to changing conditions and competitive circumstances.
- H. Period of Operation. Subject to any contrary requirements of local law, your Service Center must be opened to the public and operated at least nine (9) hours each regular business day of the year plus three (3) hours each Saturday (except for authorized holidays as set forth in the Manual). In addition, you must have 24-hour on-call service each day of the year. We must authorize, in writing, any variance from these provisions. You acknowledge and agree that if the Service Center is closed for a period of seven (7) consecutive days or more without our prior written consent, such closure constitutes your voluntary abandonment of your Business and we have the right, in addition to other remedies provided for herein, to terminate this Agreement and the franchise operated hereunder. Acts of God, war, strikes, riots and other causes set forth in Section 16.L preventing you temporarily from complying with the foregoing will suspend compliance therewith for the duration of such interference.
- I. <u>Compliance with Law.</u> You must maintain at all times your Business premises and conduct your Business operations in compliance with all applicable laws, regulations, codes and ordinances, including, but not limited to, environmental laws regarding the storage and disposal of hazardous waste and other hazardous substances or materials. You acknowledge that you are an independent business and solely responsible for control and management of your

Business, including, but not limited to, such matters as hiring and discharging your employees; and you acknowledge that we have no power, responsibility or liability in respect to such hiring, discharging or related matters. You must promptly notify us of any claim or litigation in which you are involved that arises from the operation of your Business or Service Center.

- Computer System. You must install and use in your Hose Service Center and Business the computer network system (the "Computer System," which also includes the required Technology that is included as part of the Computer System) that we have developed or selected for your Business, including all future updates, supplements and modifications. The Computer System may include a tracking system that we may require you install and use in your MSSUs. You must use the Computer System/Technology in the format and manner that we prescribe. The computer software package developed for use in your Business may include a proprietary software program developed for PFS and us by a third party. You must lease the proprietary software from us, which software will remain our confidential property. In addition, you and we will enter into our standard form of Computer Software License Agreement, a copy of which is attached as Appendix E. We reserve the right to assign our rights, title and interest in the proprietary software or the Computer Software License Agreement to a third party that we designate. In such event, you may be required to enter into a separate computer software license agreement specified by the third-party supplier of the proprietary software. The computer hardware component of the Computer System must conform to specifications we develop and must be configured in a package unit as we designate. If we are requested to configure your computer hardware component to conform to the designated computer software component of the Computer System, we may provide such assistance for additional agreed upon charge. You acknowledge and agree that we have full and complete access to information and data produced by the Computer System and Technology. You will be required to use and pay for all future updates, supplements and modifications to the Technology. It is your responsibility to make sure that you are in compliance with all laws that are applicable to the Computer System and Technology or other technology used in the operation of your Business, including all data protection or security laws as well as PCI compliance.
- Participation in Internet Website or Other On-line Communications. You must K. have internet access and an e-mail address. In addition, we may require you, at your expense, to participate in a PIRTEK website on the internet or other on-line communications, including any intranet system we may develop in the future. You may not separately register any domain name or operate any website containing any of the Marks or our intellectual property without our written approval. We determine the content and use of a PIRTEK web site and have the right to establish the rules under which franchisees may or must participate in the website or separately use the internet or other on-line communications, including the use of social media platforms such as Facebook and Twitter. You and your employees must comply with all of our social media policies as prescribed from time to time. We retain all rights relating to the PIRTEK website and may alter or terminate the web site. Your general conduct on the website or other on-line communications and specifically your use of the Marks or any advertising on the website or other on-line communications (including the domain name and any other Marks we may develop as a result of participation in the web site or other on-line communications) is subject to the provisions of this Agreement. You shall not use or download any software on your computer unless it has been authorized by us in writing. In the event that you use or download any unauthorized software, you shall be liable for all damages and problems caused by the

unauthorized software in addition to the other remedies provided under this Agreement. You acknowledge that certain information obtained through your participation in the PIRTEK website may be considered Confidential Information, including access codes and identification codes. Your right to participate in the PIRTEK website or any intranet system we may develop or otherwise use the Marks or System on the internet or other on-line communications terminates when this Agreement expires or terminates.

- L. <u>Strategic Accounts</u>. We reserve the right to establish and administer a Strategic Accounts program. You acknowledge and agree that we may from time to time establish policies or procedures in the Manual or otherwise in writing that apply to Strategic Accounts, as we designate. You agree to follow the policies and procedures for Strategic Accounts. For these purposes, Strategic Accounts are those customers who do business with two or more PIRTEK Service Center franchisees. If such a program is established, you must participate in it and comply with all Strategic Accounts standards and procedures set forth in the Manual and/or as we may otherwise communicate to you, as well as the specific terms of our arrangement with each applicable Strategic Account, which terms may include, without limitation, the provision of certain insurance and other products and services, special pricing, or payment terms.
- M. <u>Creative Works.</u> All ideas, business ventures, concepts, inventions, techniques, or materials concerning a PIRTEK Business, whether or not protectable intellectual property and whether created by or for you or one of your Owners, employees, or contractors ("Innovations") must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and "works made-for-hire" for us. To the extent any item does not qualify as a "work made-for-hire" for us, by this paragraph you assign ownership of and all related rights to that Innovation to us and agree to sign (and to cause your Owners, employees, and contractors to sign) whatever assignment or other documents we periodically request to evidence our ownership and to help us obtain intellectual property rights in the Innovation. You may not use any Innovation in operating your PIRTEK Business or otherwise without our prior written approval.
- N. <u>Customer Service; Service Warranties.</u> You must honor our warranty policies for services you provide to customers, as described in the Manual. You are solely responsible for the quality and results of the services and products you sell and provide to customers. You must render and must cause each of your employees to render prompt, competent and courteous service to customers and you shall offer and honor such service warranties as we direct.

You must respond to any dissatisfied customers within twenty-four (24) hours after the complaint is received or as otherwise set forth in the Manual. If you are unable to equitably resolve the customer's complaint within three (3) days after the initial contact, you must contact us for assistance in handling the complaint. In no event shall our assistance be construed to make us liable to you or to a customer in connection with such complaint. You are solely responsible for satisfactorily and timely resolving all warranty claims, customer disputes, and online customer reviews. Should you fail to do so, you must reimburse the cost of any such services to us or any third party that we authorize to perform the services or you must reimburse us for any refund or other payment we may make to a customer (as applicable). We may at any time contact customers concerning the quality of services you provide, the level of customer satisfaction, or other aspects of the Business that we deem relevant.

- O. <u>Pricing Policies</u>. We may, from time to time, make suggestions to you with regard to your pricing policies. We also reserve the right to establish minimum and/or maximum prices you may charge in the operation of the Business to the extent permitted by applicable law. In addition, we have the right to negotiate Strategic Account arrangements, including pricing which will bind all Businesses providing services to such Strategic Accounts.
- P. <u>Crisis Situations</u>. In the interest of protecting the PIRTEK brand, Marks and the System, we have the sole and absolute right to determine a response, including what steps will be taken and what communications will be made, in instances of a Crisis, and Franchisee agrees to comply with and implement our directions in response to a Crisis. "Crisis" means an event or development that negatively impacts the PIRTEK brand in such a way that we determine may cause substantial harm or injury to the Marks, the System itself or its reputation or image.
- Customer Information. We own all Customer Information and may use the Customer Information as we deem appropriate (subject to applicable law), including sharing it with our affiliates for cross-marketing or other purposes. You may only use Customer Information for the purpose of operating the Business to the extent permitted under this Agreement, including the Manual, during the term hereof and subject to such restrictions as we may from time to time impose and in compliance with all data privacy, security and other applicable laws. Without limiting the foregoing, you agree to comply with applicable law in connection with your collection, storage and your use and our use of such Customer Information, including, if required under applicable law, obtaining consents from Customers to our and our affiliates' use of the Customer Information. You must comply with all laws and regulations relating to data protection, privacy and security, including data breach response requirements ("Privacy Laws"), as well as data privacy and security policies, procedures and other requirements we may periodically establish. You must notify us immediately of any suspected data breach at or in connection with the Business. You must fully cooperate with us and our counsel in determining the most effective way to meet our standards and policies pertaining to Privacy Laws within the bounds of applicable law. You are responsible for any financial losses you incur or remedial actions that you must take as a result of breach of security or unauthorized access to Customer Information in your control or possession.

If any federal or state Privacy Law, including the California Consumer Privacy Act ("CCPA"), or as revised and when in effect, the California Consumer Privacy Rights Act ("CPRA"), Cal. Civ. Code § 1798.100, et seq., applies to the operation of the Business, whenever and to the extent you operate as a "Service Provider" under the CCPA, a "Contractor" under the CPRA, a data processor, or in a similar capacity under any federal or state Privacy Law, you represent and warrant that:

- (i) Except for the purpose of operating the Business in accordance with this Agreement, including the Manual, you will not retain, use, combine or disclose any Customer Information;
- (ii) You will not sell, make available or otherwise disclose any Customer Information to any third party for valuable consideration or for the purpose of performing cross-context behavioral advertising;

- (iii) You will not retain, use, or disclose Customer Information outside of the direct business relationship between you and us;
- (iv) You will delete any Customer Information upon our request unless you can prove that such request is subject to an exception under applicable law; and
- (v) If you receive a Customer Information data request (e.g., a request to delete Customer Information) directly from a consumer (e.g., a California resident under the CCPA or CPRA, or a resident of another jurisdiction under other applicable Privacy Law), you shall inform us of that request within one business day and cooperate with us to ensure that the consumer receives an appropriate and timely acknowledgement and response. As an example, currently under the CCPA, an acknowledgement is typically required within ten (10) business days and a final response is required within forty-five (45) calendar days.

You certify that you understand the restrictions in subparagraphs (i) - (v) above of this Section 6.Q. and will comply with them. You also acknowledge and agree that we may modify these restrictions from time to time by written notice to you, by issuing updates to our standards and policies pertaining to Privacy Laws, including by adding other similar restrictions that may be required under other state or federal Privacy Laws, and you agree to comply with the same. You also agree to execute any addendum to this Agreement that we may determine is required to conform this Agreement to new or existing Privacy Laws.

To the extent that you engage a third party to collect, use, sell, store, disclose, analyze, delete, modify, or to otherwise perform any processing of Customer Information for the purpose of operating the Business (a "Subprocessor"), you will notify us of such engagement, which shall be governed by a written contract that includes the same restrictions as in subparagraphs (1) - (5) of this Section 6 and imposes reasonable confidentiality obligations on the Subprocessor.

#### SUPERVISION AND TRAINING STANDARDS

- 7. The following provisions and conditions control with respect to personnel, training and supervision.
- A. <u>Supervision of the Business</u>. Your Business must at all times be under the direct, on-premises supervision of the Controlling Owner or the Designated Manager.
- B. <u>Training</u>. Prior to commencement of your Business, you, your Controlling Owner, your Designated Manager (if any), your TSR (technical sale representative), at least two (2) MSS Technicians and your administration person must, at your expense for room, board and travel, attend and successfully complete our training program. The training program will take place at a location and for a period as we designate. There is no separate fee payable to us for this initial training, as the training is included in the Initial Franchise Fee described in Section 8.A. You understand that this Agreement will not become effective unless these individuals successfully complete the training program to our satisfaction.

In the event that you are given notice of default as set forth in Section 11.A. and the default relates, in whole or in part, to your failure to meet any operational standards, we may

require as a condition of curing said default that you, your Controlling Owner, your Designated Manager, MSS Technicians or TSR attend and successfully complete our training program at a place that we designate and at your expense. Under no circumstances may you (i) permit management of the Service Center's operations on a regular basis by a Designated Manager who has not successfully completed our training program; or (ii) permit the operation of an MSSU by an MSST who you have not properly trained in accordance with our standards. You also must at all times have a TSR who will fulfill the TSR roles as set forth in the Manual.

Any Designated Manager or MSST must participate in and satisfactorily complete such additional training programs as we may reasonably designate from time to time, which may include on-site training at another PIRTEK hose service center prior to the commencement of your Business. Attendance at any additional training program is at your expense for room, board and travel.

Any training provided by us to any of your employees will be limited to training or guidance regarding the delivery of approved services to customers in a manner that reflects the customer standards of the System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You are solely responsible for ensuring that your employees receive adequate training.

- C. <u>Staffing</u>. You must at all times maintain a sufficient number of trained employees to properly and efficiently service your customers. You must hire and supervise efficient, competent, and courteous persons as your employees for the operation of your Business with no liability therefor on us. No employee of yours is deemed to be an employee of ours for any purpose whatsoever, and nothing in any aspect of the System or the Marks in any way shifts any employee or employment related responsibility from you to us.
- D. <u>Attendance at Meetings</u>. You and your Designated Manager, at your expense, must attend all meetings that we sponsor for PIRTEK franchisees to set forth new methods and programs for operation, training, management, sales or advertising. These meetings include national conferences for all franchisees and may also include regional seminars. If you are unable to attend any such meeting, you should so notify us prior to the meeting and attempt to cause a substitute person from your Business acceptable to us to attend and represent you at such meeting.

#### FEES, REPORTING AND AUDIT RIGHTS

- 8. You must pay the fees described below and comply with the following provisions.
- A. <u>Initial Franchise Fee; Opening Set-up Fee; Initial Technology Start-up Fee</u>. You must pay to us an Initial Franchise Fee of \$55,000, which must be paid in full as of or prior to the execution of this Agreement. In addition, you must pay to us an Opening Set- up Fee in an amount equal to \$5,000 to \$14,000 (as we determine), which is due on or before your first day of attendance at the initial training program (although this fee is not charged for an existing franchisee acquiring an additional franchise), and an Initial Technology Fee in an amount equal to \$8,000 to \$10,000 (as we determine), which is payable prior to the date you commence

business operations. See <u>Appendix A</u> for the payment deadlines for the Initial Franchise Fee, the Opening Set-up Fee and the Initial Technology Start-up Fee with respect to a Tier 2 Business.

- B. <u>Continuing License Fee</u>. In addition to the Initial Franchise Fee and in consideration of the rights licensed hereunder, you must pay monthly to us as a Continuing License Fee an amount equal to 4% of Gross Sales during the term of this Agreement.
- C. <u>Computations and Remittances</u>. All amounts due and owing hereunder, except the Initial Franchise Fee, must be computed at the end of each month's operation and remittance for the same must be made to us on or before the tenth (10<sup>th</sup>) day of the following month for which the amounts are due. The computation of said amounts must be certified by you in the manner and form specified by us, and you must supply to us such supporting or supplementary materials as we may reasonably require verifying the accuracy of such remittances.

You must sign a draft authorization, attached as <u>Appendix F</u>, to authorize and direct your bank or financial institution to transfer electronically directly to our account or our affiliates' and to charge to your account all amounts due to us or our affiliates. You must maintain a balance in your account sufficient to allow us and our affiliates to collect the amounts owed when due. If we initiate a draft for monies owed to us or our affiliates and your account has insufficient funds to cover such draft, you will be charged a penalty owed to us in the amount of 1% of the total amount attempted to draft or \$300, whichever is greater. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this Section.

You waive any and all existing and future claims and offsets against any amounts due hereunder, which amounts must be paid when due. We are entitled to apply or cause to be applied against amounts due to us any amounts that may from time to time be held by us on your behalf or owed to you by us.

D. <u>Reports and Financial Management</u>. You agree to employ sound financial management and planning practices in connection with your Business. You must keep such books and records as we may periodically require, all of which must accurately reflect the operations and conditions of your Business.

Within 3 calendar days after the end of each month, you must submit to us reports with respect to the preceding calendar month in the form and content as we may prescribe periodically. The reports must include a fully completed Monthly Management Report including Gross Sales of the Business for sales made during the previous month and other information as we require from time to time.

By November 1<sup>st</sup> of every year during the term of this Agreement, you must submit to us copies of your federal tax returns relating specifically to your PIRTEK franchise, and/or a consolidated return that includes your Business. In addition, if requested by us at reasonable periodic intervals in order to monitor the financial or operational condition of your Business, you must submit monthly sales summaries, profit plans, year to date balance sheets, statements of profits and loss, budgets and tax returns (at other time periods as requested outside of the November 1<sup>st</sup> date).

Finally, if requested by us to verify your Gross Sales, you must submit to us all the books and records as we may require under our audit policies published from time to time.

You must maintain at all times your books and records for your Business at your Business premises. In addition, you must maintain all financial information on the Technology described in Section 6.J. and provide the information to us according to reporting formats, methodologies and time schedules established by us from time to time. You are required to allow us electronic and manual access to any and all records and information relating to your Business.

E. Audits. We or our authorized representatives have the right at all times during the business day to enter your Business premises and to evaluate, copy and audit your books and records. We also have the right to remotely access and evaluate, copy and audit your electronic records located on the Computer System and evaluate remotely or on the Business premises your compliance with your obligations regarding Customer Information. If an audit is made necessary by your failure to furnish reports, financial statements, tax returns or schedules as required under this Agreement, or in the event that any evaluation or audit of the Business reveals an understatement of your Gross Sales, Continuing License Fee or other material financial information related to your Business of 4% or more from data reported to us, in addition to any other rights we may have (including collection of amounts owed with respect to any understatement), you must reimburse us for all audit costs including, without limitation, professional fees, travel, and room and board expenses directly related thereto. Furthermore, we may conduct such further periodic audits and evaluations of your books and records, at your sole expense, as we reasonably deem necessary for up to two years thereafter. You acknowledge and agree that if a subsequent audit or evaluation conducted within the two year period reveals any such understatement or variance of 4% or more, in addition to any other remedies provided for in this Agreement, at law or in equity, we have the right to terminate this Agreement in accordance with Section 11.B. of this Agreement.

### MARKETING FEES AND CONTROLS

- 9. You agree to actively promote your Business, to abide by all of our marketing and advertising requirements and to comply with the following provisions.
- A. Marketing Programs and Payment to Us of Administration Expenses. We reserve the right periodically to establish, organize and prescribe sales promotion programs. You must pay monthly to us as a Marketing Fee during the term of this Agreement an amount equal to 1-1/2% to 3% of Gross Sales. You acknowledge and agree that we may establish the percentage of Gross Sales level annually at any level from 1-1/2% up to 3%, although you will not be required to pay a higher Marketing Fee than other franchisees in your designated marketing area ("DMA"), as specified by us. We will notify you annually regarding the exact percentage of Gross Sales for your Marketing Fee, except for any year in which there is no change from the previous year.

Upon request, we will annually advise you of the unaudited receipts and expenditures of the Marketing Fees. You acknowledge and agree that (i) we have the absolute and exclusive right to determine expenditures of funds collected and as to the selection of the promotional materials, items and programs for which said expenditures are made, (ii) we have no fiduciary obligation to PIRTEK franchisees with respect to the marketing programs or expenditures of funds; and (iii) we may compensate ourselves for the expense of administering and promoting such marketing programs. Reasonable disbursements from the Marketing Fees may be made for the payment of expenses incurred in connection with the general promotion of the Marks and System including the cost of formulating, developing and implementing advertising and promotional programs, and the reasonable costs of administering these programs, including accounting expenses and the actual cost of salaries and fringe benefits paid to our employees or designees engaged in administration of the programs.

We have the absolute and exclusive right to determine the methods of advertising, media employed and contents, terms and conditions of the marketing programs. In addition, you acknowledge that from time to time we may loan money to the marketing programs to fund specific promotions or other similar reasons and we may be repaid out of the Marketing Fees, at our option, with interest computed at the "base" or "prime" interest rate as publicly announced by the Wall Street Journal and as further defined in Section 10.A.

B. <u>Local Marketing</u>. In addition to the Marketing Fee contributions, in order to promote local marketing for PIRTEK Hose Service Centers, you must fully participate in local sales and promotional activities, including the introduction of new products and other marketing programs. These marketing programs, from time to time, may include local point of sale promotional materials prepared by us. You must purchase and use any local marketing materials prepared by us. You are required to spend a monthly amount between 0.375% - 0.75% of Gross Sales for such local marketing materials and programs. The monthly amount will be an amount that is equal to 25% of your Marketing Fee for that month. Any such local marketing must be factual, dignified and meet the highest standards of ethical marketing, and cannot be injurious to our Marks or their goodwill.

Unless the local materials are prepared by us, you must submit all such proposed advertising or marketing materials to us for approval before using the materials.

#### FRANCHISEE'S OTHER OBLIGATIONS

- 10. You agree to comply with the following terms and conditions.
- A. Payment of Debts. You agree to pay promptly when due (i) all payments, obligations, assessments, and taxes due and payable to us, vendors, suppliers, lessors, or creditors in connection with your Business or its premises, products or services used in connection with your Business; (ii) all liens and encumbrances of every kind and character created or placed upon or against any of said property; and (iii) all accounts and other indebtedness of every kind incurred by you in the conduct of your Business. In the event you should default in making any such payment, we will be authorized, but not required, to pay the same on your behalf and you covenant promptly to reimburse us on demand for any such payment.

Any and all amounts owing to us by you, whether the same arise under the provisions of this Section 10.A. or otherwise, will bear interest computed using a fluctuating interest rate equal to the interest rate per annum publicly announced by the Wall Street Journal as the "prime" rate

(currently the prime rate is the base rate on corporate loans posted by at least 75% of the nation's thirty (30) largest banks) as effective on the last day of the prior month plus 2% per annum, or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual thereof.

We expressly reserve the right to withhold or delay the shipment of products and services to you if you are in arrears with respect to any amount owed to us.

You may not withhold payment of any amounts owed to us or our affiliates due to our alleged nonperformance of our obligations under this Agreement or for any other reason. You specifically waive any right you have at law or in equity to offset any monies you owe us or our affiliates or to fail or refuse to perform any of your obligations under this Agreement.

Liability, Indemnification and Insurance. You waive all claims against us for damages to property, death or injuries to persons arising out of the management or operation of your Business and Center. From and after the effective date, you, your Owners, and Designated Managers, jointly and severally, shall indemnify us and our affiliates and their respective officers, directors, stockholders, members, managers, partners, employees, agents, attorneys, contractors, legal predecessors, legal successors, and assigns of each of the forgoing entities/individuals (in their corporate and individual capacities) (collectively, all such individuals and entities are referred to herein as the "Our Indemnitees") and hold Our Indemnitees harmless to the fullest extent permitted by applicable laws, from any and all Losses and Expenses incurred in connection with any litigation or other form of adjudicatory procedure, claim, demand, investigation, or formal or informal inquiry (regardless of whether it is reduced to judgment) or any settlement thereof which arises directly or indirectly from, or as a result of, a claim of a third party in connection with the selection, development, ownership, operation or closing of the Center, including your failure to perform any covenant or agreement under this Agreement or any activities of yours on or after the effective date, or any claims by any of your employees arising out of or relating to his or her employment with you (collectively, "Event"), and regardless of whether it resulted from any strict or vicarious liability imposed by law on Our Indemnitees; provided, however, that this indemnity will not apply to any liability arising from a breach of this Agreement by any of Our Indemnitees or the gross negligence or willful acts of any of Our Indemnitees (except to the extent that joint liability is involved, in which event the indemnification provided herein will extend to any finding of comparative or contributory negligence attributable to you). Promptly after the receipt by any of Our Indemnitees of notice of the commencement of any action against Our Indemnitee by a third party (such action, a "Third-Party Claim"), Our Indemnitee will, if a claim with respect thereto is to be made for indemnification pursuant to this Section 10.B. give a claim notice to you with respect to such Third-Party Claim. No delay or failure on the part of Our Indemnitee in so notifying you will limit any liability or obligation for indemnification pursuant to this Section 10.B., except to the extent of any material prejudice to you with respect to such claim caused by or arising out of such delay or failure. We will have the right to assume control of the defense of such Third-Party Claim, and you and your principals will be responsible for the costs incurred in connection with the defense of such Third-Party Claim. You and your Owners will furnish us with such information as it may have with respect to such Third-Party Claim (including copies of any summons, complaint or other pleading which may have been served on such party and any written claim, demand, invoice, billing or other document evidencing or asserting the same) and

will otherwise cooperate with and assist us in the defense of such Third-Party Claim. The fees and expenses of counsel incurred by us will be considered Losses and Expenses for purposes of this Agreement. We may as we deem necessary and appropriate take such actions to take remedial or corrective action with respect thereof as may be, in our reasonable discretion, necessary for the protection of Our Indemnitees or the collective Centers within our System. We will not agree to any settlement of, or the entry of any judgment arising from, any Third-Party Claim without the prior written consent of you and your principals, which will not be unreasonably withheld, conditioned or delayed. Any settlement or compromise of any Third-Party Claim must include a written release from liability of such claim for all Our Indemnitees. For purposes of this Section 10.B., "Losses and Expenses" means losses, liabilities, claims, penalties, damages (compensatory, exemplary, and punitive), fines, payments, attorneys' fees, experts' fees, court costs, costs associated with investigating and defending against claims, settlement amounts, judgments, assessments, compromises, compensation for damages to our reputation and goodwill, and all other costs associated with any of the foregoing losses and expenses. Section 10.B. will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. An indemnified person hereunder need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against you under this Section 10.B.

It is the intention of the parties to this Agreement that we shall not be deemed a joint employer with you for any reason; however, if we incur any cost, liability, loss or damage as a result of any actions or omissions of you or your employees, including any that relate to any party making a finding of any joint employer status, you will fully indemnify us for any such cost, liability, loss and damage.

You further agree to purchase and maintain in full force and effect, solely at your expense, liability insurance in an aggregate amount designated periodically by us, insuring both parties hereto and any other person designated by us by name from liability for any and all such damage or injury. As of the effective date of this Agreement, the liability insurance must be not less than \$3,000,000 combined single limit per occurrence. You must purchase and maintain in full force and effect business interruption insurance for actual losses sustained. In addition, you agree to purchase and maintain in full force and effect, at your expense, insurance in amounts designated periodically by us covering operation or maintenance of any building, equipment or MSSU vehicles owned or leased by you in connection with your Business and any other insurance specified in writing by us from time to time or required by local, state or federal law. You further agree to deliver to us periodically or at our request proper certificates evidencing the existence of all such insurance coverage and your compliance with the provisions of this Section. All coverage must name us as an additional insured thereunder and provide that we will be given thirty (30) days' prior written notice of material change in or termination or cancellation of the policy. You must promptly and in accordance with the terms of the policies report all claims or events which may give rise to claims against you or us to both the appropriate insurer and us. All insurance coverage must be submitted to us and fully effective at least 14 days prior to the earlier of your possession of the Business premises or the commencement of your Business.

If you at any time fail or refuse to maintain any insurance coverage required by us, or to furnish satisfactory evidence thereof, we will be entitled to obtain such insurance coverage on behalf of you and you must promptly execute any applications or other forms or instruments

required to obtain such insurance, and you agree to pay us, on demand, any and all costs incurred and premiums that may have been paid by us in connection therewith.

- C. <u>Noncompetition Covenants</u>. You agree that you will receive valuable training and Confidential Information that you otherwise would not have received or had access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants and agree that the following noncompetition covenants are reasonable and necessary to protect the System's legitimate business interests, including its Confidential Information and customer goodwill:
  - (i) Unless otherwise specified, the term "you" as used in this Section 10.C means and includes, collectively and individually, (a) if you are an entity, the entity, all guarantors and all shareholders, members, partners, as the case may be, and other holders of any ownership interest in the entity (collectively, "Owners"), as well as any spouse, children, parents and siblings of any guarantor and Owner, or (b) if you are an individual, the individual and the individual's spouse, children, parents and siblings. We may require you to obtain from your guarantors and Owners, and/or from your spouse, children, parents and siblings or any spouse, children, parents, and siblings of any Owner or guarantor, as applicable, a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this Section 10.C.
  - (ii) You promise that during the term of this Agreement, and during any interim period (if applicable), you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with, any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business (as defined below).
  - (iii) You promise that you will not, for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of termination, or within two (2) years of the sale or transfer of the Business as set forth in Section 14 or any interest in you, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, advertise, promote in any media including social media platforms, or consult with or have any interest in a Competitive Business (as defined below) that is located:
    - (1) In the Territory;
    - (2) Within a 25-mile radius of the outer boundary of the Territory; or
    - (3) Inside the territory of another PIRTEK Business, whether franchised or owned by us or our affiliates.
  - (iv) For purposes of this Agreement, a "Competitive Business" is any business that offers or sells any product or service or component thereof that (i) composes a part of our System, (ii) is the same as or similar to any product or service then- offered by our franchisees or us or our affiliates, or (iii) otherwise competes directly or indirectly with our System.

- (1) You agree that the length of time in paragraph 3 above will be tolled for any period during which you are in breach of the non-compete covenants or any other period during which we seek to enforce this Agreement.
- (2) In addition, you agree that during the term of this Agreement and for one (1) year thereafter, you will not, without our prior written consent, directly or indirectly, for yourself or on behalf of any other person, divert, or attempt to divert, any business or customer of the Business or any other PIRTEK Business away from the System or us or any Pirtek franchisees.
- (3) The parties agree that each of the foregoing covenants in this Section 10.C will be construed as independent of any other covenant or provision of this Agreement. To the extent anyone successfully contests the validity or enforceability of any part of this Section 10.C in its present form predicated upon the area of coverage, this provision will not be deemed invalid or unenforceable, but will instead be deemed modified, so as to be valid and enforceable, to provide coverage for the maximum scope that any court of competent jurisdiction or arbitrator will deem reasonable and necessary to protect our legitimate interests.

# **DEFAULT AND TERMINATION**

- 11. The following provisions apply with respect to default and termination:
- Defaults. You will be in default if we determine that you or any Personal A. Guarantor has breached any of the terms of this Agreement or any other agreement between you and us or our affiliates, which without limiting the generality of the foregoing, includes (i) voluntary abandonment of your Business, (ii) making any false report to us, (iii) failure to submit any required report, (iv) failure to pay when due any amounts required to be paid to us or any of our affiliates whether pursuant to this Agreement or otherwise or to any third party (including vendors and suppliers) as required by this Agreement, (v) conviction of you or any Personal Guarantor of (or pleading no contest to) any felony or an offense that brings or tends to bring any of the Marks into disrepute or impairs or tends to impair the goodwill of any of the Marks, (vi) failure to abide by our standards and requirements in connection with the operation of your Business, (vii) your failure to meet your minimum annual performance target, (viii) filing of any tax liens or voluntary or involuntary bankruptcy by or against you or any Personal Guarantor, (ix) your insolvency or any Personal Guarantor's insolvency, (x) making an assignment or entering into any similar arrangement for the disposition of assets for the benefit of creditors, (xi) any unauthorized assignment or transfer of your Business, this Agreement or your ownership, (xii) failure to meet any requirements or specifications we establish with respect to service quality, customer service, sales procedures, or use of approved products and services, or (xiii) territory infringement.
- B. <u>Termination by Us.</u> We have the right to terminate this Agreement in accordance with the following provisions:
  - (i) <u>Termination After Opportunity to Cure</u>. Except as otherwise provided in this Section 11.B: (i) you will have thirty (30) days from the date of a written notice of

default to cure any default under this Agreement; (ii) your failure to cure a default within the thirty (30)-day period will provide us with good cause to terminate this Agreement; (iii) the termination will be accomplished by mailing or delivering to you written notice of termination that will identify the grounds for the termination; and (iv) the termination will be effective thirty (30) days after the date of the written notice of termination.

- Immediate Termination With No Opportunity to Cure. In the event any of the following defaults occurs, you will have no right or opportunity to cure the default and this Agreement will terminate effective immediately on our issuance of written notice of termination: voluntary abandonment of your Business; you willfully and materially falsify any report, statement or other written data furnished to us; conviction of you or any Personal Guarantor of (or pleading no contest to) any felony or offense that brings or tends to bring any of the Marks into disrepute or impairs or tends to impair the goodwill of any of the Marks; you or any of your Owners' assets, property, or interests are blocked under any law relating to terrorist activities, Anti-Terrorism Laws, Anti-Corruption Laws, Anti-Money Laundering Laws or Restricted Persons and Activities Laws, or you or any of your Owners otherwise violate any such laws as noted in Section 16.O; your repeated failure to meet the territory performance standards as noted in Section 2; any unauthorized use of Confidential Information, your insolvency or any Personal Guarantor's insolvency; your failure to comply with the noncompete provisions of Section 10.C; making an assignment or entering into any similar arrangement for the disposition of assets for the benefit of creditors; any unauthorized assignment or transfer of your Business, this Agreement or your ownership; any default that results from a subsequent audit of your Business conducted within two years of a previous audit and both audits reveal an understatement of 4% or more in financial information provided to us; or any default by you that is the third default within any twelve (12) month consecutive period. Furthermore, we may declare this Agreement null and void if you make any material misrepresentation on the franchise application or otherwise relating to the acquisition of the franchise.
- (iii) <u>Immediate Termination After 24 Hours to Cure</u>. In the event that a default under this Agreement occurs that materially impairs the goodwill associated with any of the Marks (i) you will have twenty-four (24) hours after we provide written notice of the default to cure the default; and (ii) the termination will be effective immediately upon our issuance of written notice of termination.
- (iv) <u>Effect of Other Laws</u>. The provisions of any valid, applicable law or regulation prescribing permissible grounds, cure rights or minimum periods of notice for termination of this franchise will supersede any provision of this Agreement that is less favorable to you than such law or regulation.
- C. <u>Termination by You</u>. You may terminate this Agreement if we materially breach any of our obligations under this Agreement and fail to correct that breach within thirty (30) days after you deliver written notice to us of the breach, which notice must specify with particularity the nature of the alleged material breach and the steps you request that we take to cure the alleged material breach; provided, however, if we cannot reasonably correct the breach within those thirty (30) days but give you, within the thirty (30) days, evidence of our effort to correct

the breach within a reasonable time period, then the cure period will run through the end of that reasonable time period. Your termination of this Agreement other than according to this Section 11.B, will be deemed a termination without cause and your breach of this Agreement.

D. Security Interest. As security for the prompt and full performance and payment of all of your indebtedness, obligations and liabilities to us, of any kind or description, whether under this Agreement or otherwise, whether direct or indirect, joint or several, absolute or contingent, due or to become due, voluntary or involuntary, now existing or hereafter arising, you hereby grant to us a security interest in all of your rights, titles and interests in the following, whether you now own or hereafter acquire, and all proceeds and products thereof, and all books and records relating thereto (collectively, the "Collateral"): all inventory, equipment, fixtures, instruments, documents, accounts, chattel paper, money, deposit accounts, letters of credit, letterof-credit rights, investment property, supporting obligations, other contracts rights and rights to the payment of money, and all general intangibles. Upon your default under this Agreement, we may exercise any rights and remedies available to us under law, including but not limited to the Article 9 of the Uniform Commercial Code. You hereby authorize us to file or record any document necessary to perfect our security interest granted hereunder, including but not limited to any financing statements describing the Collateral as "all assets now owned or hereafter acquired by the Debtor", or words of similar effect.

# **POST-TERM OBLIGATIONS**

# 12. Upon the expiration or termination of this Agreement:

Reversion of Rights; Discontinuation of Mark Use. All of your rights to the use of A. the Marks and all other rights and licenses granted herein and the right and license to conduct Business under the Marks in the Territory will revert to us without further act or deed of any party. All of your right, title and interest in, to and under this Agreement will become our property. You must immediately (i) cease all use and display of the Marks and of any material copyrighted by us (including, without limitation, the Manual and other Confidential Information), (ii) take such action as may be required to cancel all assumed name, d/b/a designations or equivalent registrations relating to the use of any trade name or Marks, (iii) notify the telephone company and listing agencies of the termination or expiration of your right to use all telephone numbers of your Business and all classified and other directory listings of your Business and assign to us the telephone numbers used in the operation of your Business in accordance with the Assignment of Telephone Numbers (in accordance with the form attached hereto as Appendix G, which you must sign at the time you sign this Agreement). You also must cease your participation in any PIRTEK website, discontinue your use of the Marks on the internet or other on-line communications and assign to us your domain name and e-mail address used in the operation of your Business in accordance with the Assignment of Domain Name and E-Mail Address (in accordance with the form attached hereto as Appendix H, which you must sign at the time you sign this Agreement). Furthermore, you must not use any of the Marks in a derogatory, negative, or other inappropriate manner in any media, including but not limited to print or electronic media.

You must immediately comply with the post-term noncompetition obligations under Section 10.C. and pay all sums due to us, our affiliates or designees or to whom payment by you,

us or any of our affiliates has guaranteed. You must immediately return to us all copies of the Manual and any other materials containing Confidential Information, return to us and stop using all Customer lists for the Business (you agree that the Customers are PIRTEK customers and you will not contact those Customers), and otherwise comply with the confidentiality and nondisclosure provisions of Section 6.E. Failure to return the Manual to us will result in a fine in the amount of \$10,000. You must promptly and in any event within thirty (30) days, at your expense, remove or obliterate all signage, displays or other materials in your possession that bear any of the Marks or names or material confusingly similar to the Marks and so alter the appearance of the Business premises (including MSSUs) as to differentiate your Business unmistakably from duly licensed businesses identified by the Marks. Additionally, upon termination or expiration of this Agreement, we have the right to contact (at our expense) previous, current, and prospective Customers to inform them that your Service Center is no longer operating as a Pirtek franchised location or, if we intend to exercise the option under Section 12.B., that the Service Center will operate under new management. We also have the right to inform them of other nearby Pirtek franchised or company-owned locations. Exercising these rights will not constitute interference with your contractual or business relationship with those Customers.

Notwithstanding the foregoing, in the event of expiration or termination of this Agreement, you will remain liable for your indemnification obligations specified in Section 10.B. or under common law and other obligations pursuant to any applicable lease for your Business premises or pursuant to this Agreement or otherwise, which by their very nature are intended to survive the expiration or termination of this Agreement.

B. Purchase Rights. We have the unqualified right, at our option, to purchase any or all Inventory Products in your possession or owned by you at the time of expiration or termination. If we exercise our unqualified right to purchase your Inventory Products, we will pay you the actual amount that you paid for such Inventory Products, less a 15% restocking fee, and less the cost of shipping. Additionally, we have the unqualified right to purchase, at our option, any equipment, fixtures, signage, furnishings, products or supplies of whatever kind that we choose and that is owned by you and used by you in your Business, or to obtain an assignment of your lease for your Business premises (if applicable). The value of any equipment, fixtures, signage, furnishings, products or supplies (other than Inventory Products) that we choose to purchase will be determined using an 8 year depreciation schedule. We may exercise our purchase rights at any time within thirty (30) days from the date of termination.

Your attempt to sell the Business or any assets of the Business for which we have a purchase option in violation of this Section 12.B. will cause irreparable damage to us and will entitle us to an injunction as set forth in Section 13.B. Further, you agree that part of the injunctive relief will be declaring the unauthorized sale null and void, so our purchase option is restored. Our interest hereunder in said property will constitute a lien thereon and may not be impaired or terminated by your sale or other transfer of any such equipment, fixtures, signage, furnishings, products, supplies or other items to a third party. Upon our exercise of our purchase rights and tender of payment for any such Inventory Products, equipment, fixtures, signage, furnishings, supplies or other items, you agree to sell and deliver the same to us, free and clear of all encumbrances, and to execute and deliver to us a bill of sale therefor and such other documents as may be necessary to effectuate the transfer. We also may elect to use part of the

purchase proceeds to pay off any lender who has a superior security interest to free the purchased assets from those encumbrances.

### **DISPUTE RESOLUTION**

### 13. You and we agree as follows:

Arbitration. All controversies, disputes, or claims between us (and our affiliates and our and their respective owners, officers, directors, agents, and employees, as applicable) and you (and your affiliates and your and their respective owners, officers, and directors, as applicable) arising out of or related to: (i) this Agreement or any other agreement between you (or your owner) and us (or our affiliate) relating to the Pirtek Business or any provision of any such agreements; (ii) our relationship with you; (iii) the validity of this Agreement or any other agreement between you (or your owner) and us (or our affiliate) relating to the Pirtek Business, or any provision of any such agreements, and the validity and scope of the arbitration obligation under this Section; or any standard associated with the Pirtek Business, must be submitted for arbitration to the American Arbitration Association. Except as otherwise provided in this Agreement, such arbitration proceedings will be heard by one (1) arbitrator in accordance with the then-existing Commercial Arbitration Rules of the American Arbitration Association. All proceedings, including the hearing, will be conducted at a suitable location that is within ten (10) miles of where we have our (or, in the case of a transfer by us, the then-current franchisor has its) principal business address when the arbitration demand is filed. The arbitrator will have no authority to select a different hearing locale other than as described in the prior sentence. All matters within the scope of the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.) will be governed by it and not by any state arbitration law. The arbitrator has the right to award any relief he or she deems proper in the circumstances, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs (in accordance with 13.C. below), provided that: (i) the arbitrator has no authority to declare any Mark generic or otherwise invalid; and (ii) subject to the exceptions in Section 16.K., we and you waive to the fullest extent the law permits any right to or claim for any punitive, exemplary, treble, and other forms of multiple damages against the other as per Section 16.J. The arbitrator's award and decision will be conclusive and bind all parties covered by this Section, and judgment upon the award may be entered in a court specified or permitted in Section 22.H below. We and you will be bound by any limitation under this Agreement or applicable Law, whichever expires first, on the timeframe in which claims must be brought. We and you further agree that, in connection with any arbitration proceeding, each must submit or file any claim constituting a compulsory counterclaim (as defined by the then-current Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim not submitted or filed in the proceeding will be barred. The arbitrator may not consider any settlement discussions or offers either you or we made. We reserve the right, but have no obligation, to advance your share of the costs of any arbitration proceeding in order for the arbitration proceeding to take place and by doing so do not waive or relinquish our right to seek recovery of those costs in accordance with Section 22.C above.

We and you agree that arbitration will be conducted on an individual basis and not in a class, consolidated, or representative action, that only we (and our affiliates and our and their respective owners, officers, directors, agents, and employees, as applicable) and you (and your

affiliates and your and their respective owners, officers, and directors, as applicable) may be the parties to any arbitration proceeding described in this Section, and that no such arbitration proceeding may be consolidated or joined with another arbitration proceeding involving us and/or any other person. Despite the foregoing or anything to the contrary in this Section 13, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 13.A, then we and you agree that this arbitration clause will not apply to that dispute, and such dispute will be resolved in a judicial proceeding in accordance with this Section 13.

This Section's provisions are intended to benefit and bind certain third-party non-signatories and will continue in full force and effect after and notwithstanding expiration or termination of this Agreement.

Despite your and our agreement to arbitrate, each has the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction, provided, however, each must contemporaneously submit its dispute for arbitration on the merits as provided in this Section.

Except as qualified below in Section 13.B, before you or we can initiate arbitration or litigation in connection with a dispute arising under this Agreement, the parties agree to meet in person for at least two hours at our home office in an attempt to resolve the dispute. The meeting will be on an individual basis between you and at least one member of our executive team and must take place within two weeks of a party's request for the meeting, and each party must pay its own costs and expenses with respect to the meeting. If a party refuses to participate in this meeting, the refusing party must pay \$5,000 to the other party.

The foregoing equitable remedies are in addition to, and not in lieu of, all other remedies or rights that the parties might otherwise have by virtue of any breach of this Agreement by the other party. Finally, we reserve the right to commence a civil action against you or take other appropriate action for the following reasons: to collect sums of money due to us; to compel your compliance with trademark standards and requirements to protect the goodwill of the Marks; to compel you to compile and submit required reports to us; or to permit evaluations or audits authorized by this Agreement.

- B. <u>Injunctive Relief.</u> Notwithstanding Section 13.A above, each has the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction, provided, however, each must contemporaneously submit its dispute for arbitration on the merits as provided in this Section.
- C. <u>Attorneys' Fees</u>. The prevailing party in any legal proceeding before a court, arbitrators or other tribunal to enforce the terms and provisions of this Agreement is entitled to recover its reasonable attorneys' fees and costs from the non-prevailing party. This Section 13.C will survive termination or expiration of this Agreement.
- D. <u>Enforcement</u>. During the term of this Agreement, if you do not give us written notice of the alleged breach within one year from the date that you have knowledge of circumstances reasonably indicating that you may have a claim for our breach of this Agreement,

then the alleged breach is deemed to be waived by you in all respects and you will be barred from commencing any legal or other action against us for the alleged breach. Furthermore, upon expiration or termination of this Agreement, you may not assert any claim or cause of action against us relating to this Agreement, the relationship between the parties or the Business conducted hereunder unless commenced within one year following the effective date of expiration or termination of this Agreement. Notwithstanding the preceding two sentences, where the one year limitation of time is prohibited or invalid by or under any applicable law, then and in that event no suit or action may be commenced or maintained unless commenced within the applicable statute of limitations.

#### ASSIGNMENT BY FRANCHISEE

- 14. You agree that the following provisions govern any transfer or proposed transfer:
- A. <u>Transfers</u>. This Agreement is entered into by us with specific reliance upon your financial qualifications and the personal experience, skills and managerial and financial qualifications of you and the Controlling Owner as being essential to the satisfactory operation of the Business licensed hereunder. Consequently, neither you nor your Controlling Owner's interest in this Agreement or in your Business conducted hereunder, nor Controlling Owner's interest in you, may be transferred or assigned to or assumed by any other person or entity (the "assignee"), in whole or in part, unless you or Controlling Owner has first tendered to us the right of first refusal in accordance with Section 14.E, and if we do not exercise such right, unless you obtain our prior written consent and satisfy the transfer conditions described in Section 14.C.

Any sale (including installment sale), lease, pledge, management agreement, contract for deed, option agreement, gift or otherwise or any arrangement pursuant to which you turn over all or part of the daily operation of your Business licensed hereunder to a person or entity who shares in the losses and/or profits of your Business in a manner other than as an employee is considered a transfer for purposes of this Agreement. Specifically, but without limiting the generality of the foregoing, the following events constitute a transfer and you must comply with the right of first refusal, consent, transfer fee, and other transfer conditions in this Section 14:

- (i) Any change or series of changes in the percentage of the franchisee entity owned, directly or indirectly, by any Controlling Owner that results in any addition or deletion of any person or entity who qualifies as a Controlling Owner or who owns directly or indirectly more than a 25% ownership interest in the franchisee entity;
- (ii) Any change in the general partner of a franchisee that is a general, limited or other partnership entity; or
- (iii) For purposes of this Section 14.A, a pledge or seizure of any ownership interests in you or in any Controlling Owner.

In the event of your or Controlling Owner's insolvency or the filing of any petition by or against you or Controlling Owner under any provisions of any bankruptcy or insolvency law, if legal representative, successor, receiver or trustee desires to succeed to your or Controlling Owner's interest in this Agreement or the business conducted hereunder, such person first must so notify us, tender the right of first refusal provided for in Section 14.E, and if we do not

exercise such right, apply for and obtain our consent to the transfer and satisfy the transfer conditions described in Section 14.C. In addition, you, Controlling Owner or the assignee must pay our attorneys' fees and costs in any bankruptcy or insolvency proceeding pertaining to you or Controlling Owner.

- В. Consent to Transfer. Our consent to transfer hereunder will not be unreasonably withheld, provided that the proposed assignee is, in our reasonable judgment, qualified to provide active supervision over the operation of the Business operated hereunder, the proposed assignee possesses sufficient net worth and sources of capital to meet our standards for the Business operated hereunder, and the conditions defined in Section 14.C are satisfied. Application for our consent to a transfer and tender of the right of first refusal provided for in Section 14.E must be made by submission of our form of application for consent to transfer, which will be accompanied by the documents (including a copy of the proposed purchase or other transfer agreement) or other information required therein. The application will indicate whether you or Controlling Owner proposes to retain a security interest in the property to be transferred. No such security interest may be retained or created, however, without our prior written consent and except upon conditions acceptable to us. Any agreement used in connection with a transfer is subject to the prior written approval of us, which approval will not be withheld unreasonably. You and Controlling Owner immediately must notify us of any proposed transfer hereunder and must submit promptly to us the application for consent to transfer. Any attempted transfer by you or Controlling Owner without our prior written consent or otherwise not in compliance with the terms of this Agreement is void and provides us with the right to elect either to terminate this Agreement or to collect from you a transfer fee equal to two times the transfer fee provided for in this Agreement.
- C. <u>Conditions of Transfer</u>. Whether the transfer be to an individual, a corporation, a partnership or to any other entity, the following provisions apply:
  - (i) We may condition our consent to any proposed transfer upon the following:
    - (1) all of your obligations in connection with your Business have been assumed by assignee;
    - (2) all of your ascertained or liquidated debts in connection with your Business, including all amounts owed to us or any of our affiliates or your suppliers have been paid in full;
    - (3) you are not in default under any provision of this Agreement;
    - (4) the assignee meets our then-current reasonable qualifications for new franchisees and executes our then current Franchise Agreement for a full term as provided therein;
    - (5) the assignee completes all training required of new franchisees and pays all then-current training fees;

- (6) you or assignee has paid the greater of \$15,000 or 5% of the sale price, as adjusted annually in accordance with the increase in the National Consumer Price Index as described in Section 16.N, as a transfer fee to reimburse us for our legal and accounting fees, credit and investigation charges and expenses incurred as a consequence of such assignment;
- (7) you and all Personal Guarantors, officers, directors, and shareholders must execute a general release in favor of us and agree to comply with the covenant not to compete set forth in Section 12.C of this Agreement;
- (8) in the case of an installment sale, if you or any Controlling Owner proposes to retain a security interest or other financial interest in the Franchise Agreement or the business operated thereunder (with our consent), you or such Controlling Owner must agree to guarantee the performance of the Franchise Agreement until the final close of the installment sale or the termination of such interest, as the case may be;
- (9) you refurbish, replace and modernize your Business so that it will conform to our then-current standards for PIRTEK Hose Service Centers, as designated by us; and
- (10) any other conditions that we may reasonably require from time to time as part of our transfer policies.
- (ii) Notwithstanding the conditions stated in Section 14.C(i) above, an individual Franchisee may assign the franchise to a corporation or other similar entity in which you own all of the issued and outstanding capital stock, provided that:
  - (1) you or a manager approved by us actively manages the Business and continues to devote the individual's best efforts and full and exclusive time to the day to day operation and development of the Business;
  - (2) the corporation or other similar entity is newly organized and its activities are confined exclusively to acting as you under this Agreement;
  - (3) the corporation or other similar entity executes a document in such form as we approve in which it agrees to become a party to and be bound by all the provisions of this Agreement;
  - (4) you remain personally liable in all respects under this Agreement and you execute on a form we approve a personal guaranty and agreement not to sell, assign, pledge, mortgage or otherwise transfer or encumber the stock; and
  - (5) all certificates representing shares or ownership interests in the corporation or other similar entity bear a legend that they are subject to the terms of this Agreement.

- (iii) We may require you to prepare and furnish to assignee and/or us such financial reports and other data relating to your Business and its operations as we, in our sole and exclusive judgment, may deem necessary or appropriate for assignee and/or us to evaluate your Business and the proposed transfer. You agree that we have the right to confer with proposed assignees and furnish them with information concerning your Business and proposed transfer without being held liable to you, except for intentional misstatements made to any such assignee. Any such information furnished by us to proposed assignees is for the sole purpose of permitting the assignees to evaluate the Business and proposed transfer and must not be construed in any manner or form whatsoever as earnings claims or claims of success or failure.
- Death, Disability or Incapacity. If you (or Controlling Owner) die or become disabled or incapacitated and the decedent's or disabled or incapacitated person's heir or successor-in-interest wishes to continue as a franchisee hereunder, such person or entity must apply for our consent thereto under Section 14.B, and satisfy the transfer conditions described in Section 14.C, as in any other case of a proposed transfer. If the assignee of the decedent or disabled or incapacitated person is the spouse or child of such person, no transfer fee is payable to us. In the event that you (or Controlling Owner) die or become permanently incapacitated, and the rights hereunder are not assigned (with our approval) pursuant to Sections 14.A-C and 14.E, then unless and until we terminate this Agreement pursuant to Section 13.B hereof, we have the right, but not the obligation, to enter onto your Business premises and to operate and manage your Business until the franchise is terminated or assigned to a party acceptable to us in accordance herewith oryou have appointed a manager who is approved and trained by us; provided, however, no such operation and management by us continues for more than 180 days without the written consent of either you or the representative of the estate. In the event that we operate your Business, we will account for all net income for such operation less our reasonable expenses incurred in, and a reasonable management fee for, our operation of your Business and it is agreed that you must bear all losses incurred.
- E. <u>Right of First Refusal</u>. If you or Controlling Owner proposes to transfer or assign this Agreement or your interest herein (including Controlling Owner's interest in an entity Franchisee) or in the Business conducted hereunder, in whole or in part, to any third party, including, without limitation, any transfer contemplated by Sections 14.A and 14.D, you or Controlling Owner first must offer to sell to us said interest as provided herein. In the event of a bona fide offer from such third party, you or Controlling Owner must obtain from the third-party offeror and deliver to us a statement in writing, signed by the offeror and by you, of the terms of the offer.

In the event of (i) a transfer or assignment of stock or similar ownership interests of you or Controlling Owner's interest in you or (ii) you or Controlling Owner's insolvency or the filing of any petition by or against you or Controlling Owner under any provisions of any bankruptcy or insolvency law, the offer will be for you and Controlling Owner's interest in this Agreement, and the building equipment, inventory, fixtures, and leasehold interest used in the operation of the Center. An amount and terms of purchase must be established by a qualified appraiser selected by the parties. If the parties cannot agree upon the selection of such an appraiser, the American Arbitration Association will appoint one upon petition of either party to appoint an

appraiser to establish such price in accordance with the rules and procedures of the Association. We must receive a statement in writing incorporating the appraiser's report.

We have sixty (60) days from our receipt of the statement setting forth the third-party offer or the appraiser's report to accept the offer by delivering written notice of acceptance to you or Controlling Owner. The acceptance will be on the same price and terms set forth in the statement delivered to us; provided, however, we have the right to substitute equivalent cash for any noncash consideration included in the offer. If we fail to accept the offer within the sixty (60) day period, you or Controlling Owner are free for six months from the date the offer was submitted to us to effect the disposition described in the statement delivered to us; provided such transfer is not at a lower price or more favorable terms than have been offered to us and is otherwise in accordance with this Section 14. If the disposition is not closed within the six-month period with the proposed assignee, then you or Controlling Owner must reoffer to sell to us prior to the sale to a third party. You or Controlling Owner may effect no other sale or assignment of you, this Agreement or the business conducted hereunder without first offering the same to us in accordance with this Section 14.E.

#### ASSIGNMENT BY FRANCHISOR

15. We reserve the right to sell or assign, in whole or in part, our interest in this Agreement. Any such sale or assignment will inure to the benefit of any assignee or other legal successor.

#### **GENERAL PROVISIONS**

- 16. The parties agree to the following provisions.
- A. <u>Severability</u>. Should one or more clauses of this Agreement be held to be void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses must be deemed to be separable in such jurisdiction and the remainder of this Agreement must be deemed to be valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding hereunder may, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.
- B. <u>Waiver/Integration</u>. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights with respect to that or any other or subsequent breach. Subject to our rights to modify Appendices or System standards and requirements and as otherwise provided herein, this Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us. You acknowledge and agree that you have not received any warranty or guarantee, express or implied, as to the potential volume, profits or success of your Business. This Agreement, together with any addenda and appendices, constitutes the sole agreement between the parties with respect to the

entire subject matter of this Agreement and embodies all prior agreements and negotiations with respect to the business authorized hereunder. Nothing in the Agreement or in any related agreement is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to you.

- C. <u>Notices</u>. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be in writing and signed by the party serving the same and either delivered personally or by a reputable overnight service or deposited in the United States mail, service or postage prepaid, and if such notice is a notice of default or of termination, by registered or certified mail, and addressed as follows:
  - (i) If intended for us, addressed to the CEO, Pirtek USA LLC, 300 Gus Hipp Boulevard, Rockledge, Florida 32955;

(ii)	If	intended	for	you	or	Controlling	Owner,	addressed	to
							; or,		

in either case, to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if mailed or delivered as provided in this Section, provided, however, payments and certain information and reports you must send us under this Agreement will be deemed delivered on any of the applicable dates described above or, if earlier, when we actually receive them electronically (all payments, information, and reports must be received on or before their due dates in the form and manner specified in this Agreement).

- D. <u>Authority</u>. Any modification, consent, approval, authorization or waiver granted hereunder required to be effective by signature will be valid only if in writing executed by you or, if on behalf of us, in writing executed by our authorized representative.
- E. <u>References</u>. If Franchisee is two or more individuals, the individuals are jointly and severally liable, and references to Franchisee in this Agreement includes all such individuals. Headings and captions contained herein are for convenience of reference and must not be taken into account in construing or interpreting this Agreement.
- F. <u>Controlling Owner; Personal Guarantors</u>. The Controlling Owner must be identified on the Ownership and Management Addendum at the end of this Agreement and must sign the attached undertaking and guarantee as a Personal Guarantor. In addition, any person or entity that is an owner of an equity interest of ten percent (10%) or greater of Franchisee, or at any time becomes an owner of any equity interest ten percent (10%) or greater of Franchisee, is a Personal Guarantor and must execute the form of undertaking and guarantee attached to this Agreement, as a condition of becoming a minority owner.
- G. <u>Relationship of Parties</u>. You are an independent contractor with control and direction of your Business and operations, subject to the conditions and obligations established by this Agreement. No agency, employment, or partnership is created by this Agreement. Your Business is separate and apart from any that we may operate. Neither party to this Agreement may make any representations tending to create apparent agency, employment, or partnership.

- H. <u>Successors/Assigns</u>. Subject to the terms of Sections 14 and 15, this Agreement is binding upon and inures to the benefit of the administrators, executors, heirs, successors and assigns of the parties.
- I. <u>Interpretation of Rights and Obligations</u>. The following provisions will apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:
  - Applicable Law. Except to the extent governed by the United States Trademark Act of 1946, as amended (Lanham Act, 15 U.S.C. Section 1051 et seq.), this Agreement is governed by and interpreted in accordance with the laws of the state of Florida. While the laws of Florida shall apply, Florida conflicts of law rules shall not be used to apply the laws of a state other than the state of Florida. Franchisee and Controlling Owner acknowledge and agree that any Florida franchise or business opportunity law shall not apply, unless Franchisee or Controlling Owner is a Florida resident or their PIRTEK Center is located in Florida. You expressly waive any rights or protections you have or may have under any statute or law of any other state to the fullest extent permitted by law. This Agreement may be deemed to be amended from time to time as may be necessary to bring any of its provisions into conformity with valid applicable laws or regulations. You are aware of the business purposes and needs underlying the language of this Section, and with a complete understanding thereof, agree to be bound in the manner set forth. Subject to the arbitration obligations in Section 13, you and your Owners agree that all judicial actions brought by us against you or your Owners, or by you or your Owners against us, our affiliates, or our or their respective owners, officers, directors, agents, or employees, relating to this Agreement or the Business must be brought exclusively in the state or federal court of general jurisdiction located closest to where we have our (or, in the case of a transfer by us, the then-current franchisor has its) principal business address when the action is commenced. You and each of your Owners irrevocably submit to the jurisdiction of such courts and waive any objection you or they might have to either jurisdiction or venue. Despite the foregoing, we may bring an action seeking a temporary restraining order or temporary or preliminary injunctive relief, or to enforce an arbitration award, in any federal or state court in the state in which you reside or the School is located.
  - (ii) <u>Our Rights</u>. Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.
  - (iii) Our Business Judgment. Because complete and detailed uniformity under many varying conditions might not be possible or practical, we specifically reserve the right and privilege, as we deem best according to our business judgment, to vary brand standards or other aspects of the System for any franchisee. You have no right to require us to grant you a similar variation or accommodation. We have the right to develop, operate, and change the System in any manner this Agreement does not specifically prohibit. Whenever this Agreement reserves our right to take or withhold an action, or to

grant or decline to grant you the right to take or omit an action, we may, except as this Agreement specifically provides, make our decision or exercise our rights based on information then available to us and our judgment of what is best for us, Pirtek franchisees generally, or the System when we make our decision, whether or not we could have made other reasonable or even arguably preferable alternative decisions and whether or not our decision promotes our financial or other individual interest. By way of example, but not limitation, examples of items that will promote or benefit the System include enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System.

- J. JURY WAIVER. SUBJECT TO THE ARBITRATION OBLIGATIONS IN SECTION 13, YOU (AND YOUR OWNERS) AND WE HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS). WE AND YOU (AND YOUR OWNERS) ACKNOWLEDGE THAT WE AND YOU (AND THEY) MAKE THIS WAIVER KNOWINGLY, VOLUNTARILY, WITHOUT DURESS, AND ONLY AFTER CONSIDERING THIS WAIVER'S RAMIFICATIONS. # ADDENDUM TO PIRTEK® FRANCHISE AGREEMENT FOR THE STATE OF ILLINOIS

This Addendum pertains to franchises sold in the State of Illinois and is for the purpose of complying with Illinois statutes and regulations. Notwithstanding anything that may be contained in the body of the Franchise Agreement to the contrary, the Agreement is amended as follows:

- 1. Section 2 of the Agreement is hereby amended to include the following language:
  - You are solely responsible for locating a site for the Franchised Location that meets our standards and criteria and that is acceptable to us. We generally will respond within 30 days of your request for approval of a proposed site. If we do not approve the site you propose, we will permit you to examine alternative search areas for your site. Although this Agreement does not terminate if you do not select a site with a prescribed time period, you may not commence construction on the Service Center until we approve the site.
- 2. Section 8.A of the Franchise Agreement is amended to include the following statement:
  - With respect to the Initial Franchise Fee, we shall defer the payment of the initial franchise fee and other initial payments owed to us, or our affiliate, by you until such time as all initial obligations owed to you under the Franchise Agreement or other agreements have been fulfilled by us and you have commenced doing business pursuant to the Franchise Agreement. The Illinois Attorney General has imposed this deferral requirement upon the payment of the Initial Franchise Fee, pursuant to Section 200.508 of the Illinois Franchise Disclosure Act.
- 3. The fourth and fifth sentences of Section 16.B of the Agreement are hereby deleted in their entirety.
- 4. Section 16.B of the Agreement is hereby amended to include the following:
  - Nothing in this Section 16.B, however, may be construed to mean that you may not rely on representations in the PIRTEK® Disclosure Document that we provided to you in connection with the offer and purchase of your PIRTEK® Business, although those representations do not become part of the Franchise Agreement.
- 5. Subparagraph 16.I.1 of the Agreement is hereby deleted in its entirety and the following substituted in lieu thereof:
  - Except to the extent governed by the United States Trademark Act of 1946, as amended (Lanham Act, 15 U.S.C. The provisions of this subparagraph shall survive the termination of this Agreement. Franchisee is aware of the business purposes and needs underlying the language of this subparagraph, and with the complete

understanding thereof, agrees to be bound in a manner set forth. Subject to subparagraph 13.A, any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties must be brought in the Illinois federal or state court for the Territory in which you are located.

- 7. Currently, an Illinois franchisee could not have a territory that includes parts of Illinois and another state. Illinois law, therefore, would apply for any Territory located in Illinois.
- 8. The Acknowledgment Addendum is unenforceable under Illinois law because it may have the effect of forcing a franchisee to waive or release certain rights that you as a franchisee have under the Illinois Franchise Disclosure Act, 815 IL § 705.
- 10. In all other respects, the Franchise Agreement will be construed and enforced according to its terms.

- 3. Nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. - 6. Minn. Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- 7. The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860.4400(J). Also, a court will determine if a bond is required.

- 8. The Limitations of Claims section must comply with Minnesota Statute 80C.17 Subdivision 5.
- 9. NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

This provision supersedes any other term of any document executed with the franchise.

Each provision of this addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Minnesota Franchise Law or the rules and regulations promulgated thereunder by the Minnesota Commissioner of Commerce are met independently without reference to this addendum to the disclosure document.

# ADDENDUM TO PIRTEK® FRANCHISE AGREEMENT FOR THE STATE OF WASHINGTON

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

Section 8.A of the Franchise Agreement is modified as follows: Pursuant to a requirement by the Securities Division, the collection of all initial fees and payments will be deferred until the franchisor has fulfilled its initial pre-opening obligations and the franchisee is open for business.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

The following paragraphs are added to the end of the Agreement:

In recognition of the requirements of the Washington Franchise Investment Protection Act (the "Act") and the rules and regulations promulgated thereunder, the Franchise Agreement shall be modified as follows:

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable by a franchisor against an employee of the franchisee unless the employee's earnings from the party seeking enforcement, when annualized, exceed one hundred thousand dollars per year (an amount that will be adjusted annually for inflation). Pursuant to RCW 49.62.030, a noncompetition covenant is void and unenforceable by a franchisor against an

independent contractor of the franchisee unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed two hundred fifty thousand dollars per year (an amount that will be adjusted annually for inflation). As a result, the franchisor will not require franchisee to have its employees and independent contractors sign any agreement that contains noncompetition covenants that would violate RCW49.62.020 by binding an employee of franchisee making less than one hundred thousand dollars per year (an amount that will be adjusted annually for inflation) or an independent contractor of franchisee making less than two hundred fifty thousand dollars per year on an annual basis (an amount that will be adjusted annually for inflation).

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting the franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or a franchisee or (ii) soliciting or hiring any employee of the franchisor. As a result, the franchisor will not require the franchisee to sign any non-solicitation agreement that would violate RCW 49.62.060 by restricting, restraining or prohibiting the franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or a franchisee or (ii) soliciting or hiring any employee of the franchisor.

### Independent Auditor's Report

To Management Pirtek USA, LLC and Subsidiaries

## Opinion

We have audited the consolidated financial statements of Pirtek USA, LLC and its subsidiaries (the "Company"), which comprises the consolidated balance sheet as of December 31, 2023, and the related consolidated statements of income, changes in members' equity (deficit), and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Other Matter

The consolidated financial statements of Pirtek USA, LLC and subsidiaries for the years ended December 31, 2022 and 2021 were audited by another auditor who expressed an unmodified opinion on those statements on March 21, 2023.

### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Note 1 - Nature of business

Pirtek USA, LLC ("Pirtek USA") is the master franchisee for the United States of America ("USA") of Pirtek Fluid Systems PTY Ltd. (an Australian company). During November 2021, Pirtek USA and Pirtek Fluid Systems PTY Ltd amended and replaced the Master Franchise Agreement ("MFA") with a Trademark License Agreement ("TLA") granting the right to license and use the trademarks and system standards of the Pirtek business. All franchise agreements and existing franchises are now subject to the terms and conditions of the TLA. The term of the TLA is twenty (20) years. Pirtek USA is organized as a limited liability company, and as such, no member is liable for the debts, liabilities, or obligations of Pirtek USA beyond their capital contributions and particular guarantees in place. Pirtek USA grants franchises, provides marketing, training, and central parts inventory warehousing to its franchisees.

On October 15, 2020, Pirtek USA organized Hydraulic Hose of Virginia Beach, LLC ("Virginia Beach"). Virginia Beach is a limited liability company organized under the laws of the State of Virginia and is a wholly-owned subsidiary of Pirtek USA. On November 6, 2020, Virginia Beach acquired one (1) location, Pirtek Norfolk ("Norfolk"), now known as Pirtek Virginia Beach ("Virginia Beach"). See Business Acquisitions Note. Norfolk was previously a wholly-owned subsidiary of Pirtek USA from July 2017 to May 2018. Norfolk was sold in May 2018 by Pirtek USA. Virginia Beach offers hydraulic/industrial hose installation and replacement services at its retail location in Virginia Beach, Virginia and via service/delivery vehicles. On December 1, 2022, Pirtek USA sold Virginia Beach and during 2023 the legal entity was dissolved.

On January 8, 2020, Pirtek USA organized WABU, LLC ("WABU"). WABU is a limited liability company organized under the laws of the State of Florida and is a wholly-owned subsidiary of Pirtek USA. On January 21, 2020, WABU acquired six (6) Pirtek locations, d/b/a Pirtek Ft. Myers ("Ft. Myers"), Pirtek Lakeland ("Lakeland"), Pirtek Ocala ("Ocala"), Pirtek Pensacola ("Pensacola"), Pirtek Sarasota ("Sarasota") and Pirtek Tallahassee ("Tallahassee"). See Business Acquisitions Note. The six (6) Pirtek locations offer hydraulic/industrial hose installation and replacement services at retail locations in the State of Florida and via service/delivery vehicles and three (3) at retail locations in the State of Florida. On December 1, 2021, Pirtek USA sold off four (4) of the six (6) locations. The locations sold were Sarasota, Lakeland, Ocala, and Fort Myers. On February 8, 2022, Pirtek USA sold off the remaining two (2) locations: Pensacola and Tallahassee.

Pirtek Fluid Systems Canada, LTD. ("Pirtek Canada") is a British Columbia company and a wholly-owned subsidiary of Pirtek USA. Pirtek Canada intends to operate as a franchisor in the Canadian market offering franchising services like Pirtek USA. The subsidiary began operations on July 1, 2020. In 2020, Pirtek Canada's operations were de minimis. In 2021, Pirtek USA consolidated this entity with the financial statements. The first revenues derived from franchisee operations began in 2023.

Pirtek Las Vegas, LLC (a Nevada limited liability company), d/b/a Pirtek Las Vegas ("Las Vegas"), is a potential company store location that ultimately would be sold to a potential franchisee and wholly-owned subsidiary of Pirtek USA. The subsidiary was established in May of 2021. Las Vegas intended to offer hydraulic/industrial hose installation and replacement services in its Las Vegas, Nevada territory. Las Vegas' operations were de minimis. In 2021, Pirtek USA consolidated this entity with the financial statements. In 2023, it was determined that this entity would not operate, and the legal entity was dissolved.

During October 2023, there was a transaction that resulted in a change in control of the ownership of Pirtek USA. The parent of Pirtek USA did not elect push down accounting to recognize the transaction at the Pirtek USA level.

# **New accounting pronouncements**

Measurement of credit losses on financial instruments

The Company has adopted ASU No. 2016-13, *Financial Instruments - Credit Losses* ("Topic 326") on January 1, 2023. Under Topic 326, an entity recognizes as an allowance its estimate of expected credit losses on certain financial instruments, including accounts and notes receivable, which will result in more timely recognition of such losses. Impairment is based on expected, rather than probable, credit losses. The method applied by the Company is the historical collection method, in which expected credit losses are determined on the basis of historical collections. The adoption of Topic 326 did not have a material impact on the Company's financial position as of January 1, 2023. The Company's provision for expected credit losses is presented net of its accounts and notes receivable on the accompanying consolidated balance sheets.

#### Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## Revenue recognition

The Company recognizes revenue in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 606, Revenue from Contracts with Customers ("Topic 606").

Topic 606 prescribes a five (5) step model that focuses on transfer of control and entitlement to payment when determining the amount of revenue to be recognized. Under Topic 606, an entity is required to perform the following five (5) steps: (1) identify the contract(s) with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when (or as) the Company satisfies a performance obligation.

Pirtek USA recognizes revenues on product sales as products are shipped to the franchisees. The wholly-owned subsidiaries recognize revenues on product sales as products are sold or installed and on services as services are completed.

Pirtek USA recognizes revenues on initial individual franchise and training fees of \$20,000 - \$50,000 when all of the following criteria are met: (1) the parties to the contract have approved the contract and are committed to perform their respective obligations, (2) the Company is able to identify each party's rights regarding the goods or services to be transferred, (3) the Company is able to identify the payment terms for the goods or services to be transferred, (4) the contract has commercial

# Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

substance and (5) it is probable that the Company will collect substantially all of the consideration to which they are entitled in exchange for the goods or services transferred to the franchisee. Services included in the initial fee include training, site selection, marketing, and other consulting services. Upon the opening of the location, initial individual franchise fees are recognized as revenue, ranging from \$10,000 - \$20,000. The remainder of the initial individual franchise fees are recognized over the life of the franchise agreement which is typically ten (10) years.

Pirtek USA recognizes revenues on licensing fees monthly as they are billed to the franchisees. Licensing fees equal 4% of a franchisee's monthly gross sales.

Pirtek USA recognizes revenue on Technology Fees monthly as they are billed to the franchisees. Technology Fees are for software services, mobile technology, cyber security, other communication lines, and technology services. Technology fees are comprised of two separate billings. A software fee is charged at a minimum of \$255 per month per license for a minimum number of licenses. A mobile software fee is charged at a minimum of \$75 per month per mobile unit for a minimum number of mobile units. Franchisees at their discretion can increase the number of licenses above the minimums for an additional charge.

#### **Deferred revenue**

Deferred revenue consists of funds received for initial franchisee fees which are amortized as revenue over the life of the franchise agreement which is typically ten (10) years. Management records the current portion of deferred revenue in the current liabilities section of the consolidating balance sheets and classifies the remaining portion as long term. The Company offers various initial franchise fee arrangements. Generally, the initial franchise fee is \$50,000, of which \$10,000 - \$20,000 is recognized upon opening of the location, and the remaining balance is amortized over the life of the franchise agreement. The balance of deferred revenue at December 31, 2023, 2022 and 2021, respectively was \$1,913,199, \$1,674,398 and \$1,046,979. The balance of deferred revenue as of January 1, 2021, was \$775,025.

#### Cash and cash equivalents

For purposes of the consolidated statements of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity date of three (3) months or less to be cash equivalents. The Company does not hold any cash equivalents. At times throughout the year, the Company's cash balances may exceed Federal Deposit Insurance Corporation ("FDIC") limits. The Company had cash deposits more than the FDIC limits totaling \$3,760,052, \$1,924,906 and \$3,076,741 as of December 31, 2023, 2022 and 2021, respectively. The Company has not experienced any losses in such accounts.

#### Accounts and notes receivable

Accounts receivable evolve in the normal course of business. Pirtek USA considers receivables outstanding for more than sixty (60) days delinquent. All the wholly owned subsidiaries determine the delinquency of receivables on a case-by-case basis. Notes receivable range in interest from 0% to 9%. The finance charge is 9.5% - 10.5% (prime rate plus 2% during 2023). The Company provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Company's estimates are based on historical collection experience and a review of the current status of trade accounts receivable. For larger accounts, the allowance for losses is determined primarily based on management's best estimate of probable losses, including specific allowances for known troubled accounts. The balance of net accounts receivable as of January 1, 2021, was \$4,767,221.

# Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

The Company utilizes a loss rate approach in determining its lifetime expected credit losses on its loans to customers. This method is used for calculating an estimate of losses based primarily on the Company's historical loss experience. In determining its loss rates, the Company evaluates information related to its historical losses, adjusted for current conditions and for the period of time that can be reasonably forecasted. For the period of time beyond which the Company can reasonably forecast, the Company applies immediate reversion based on the facts and circumstances as of the reporting date.

Qualitative and quantitative adjustments related to current conditions and the reasonable and supportable forecast period consider all of the following: the borrower's creditworthiness, changes in lending policy and procedures, effect of other external forces such as competition, legal and regulatory requirements on the level of estimated credit losses in the existing portfolio, and the current and forecasted direction of the economic and business environment. Such forecasted information includes GDP growth, unemployment rates and interest rates amongst others. The balance of notes receivable as of January 1, 2021, was \$3,140,656.

## Inventory

Inventory is stated at the lower of cost or net realizable value using the average cost method. Inventory consists of hydraulic hoses, metal hose fittings, shop and van equipment, office, and marketing supplies. A valuation allowance is provided for obsolete and slow-moving inventory to write down the cost to net realizable value, if necessary. The valuation allowance is calculated as a percentage of the inventory considered slow-moving based on the Company's historical sales data.

### Property, plant and equipment

Property, plant and equipment are stated at cost. Expenditures for maintenance and repairs are charged against operations in the period incurred. For financial reporting purposes, depreciation and amortization of property, plant and equipment are provided using the straight-line method over the estimated useful lives of the assets as follows:

Computer software and hardware	3 - 5 years
Office furniture and equipment	5 - 7 years
Van and warehouse equipment	7 - 10 years
Vehicles	5 years
Leasehold improvements	2 - 15 years

### Intangible assets

The MFA was contributed to the Company by its member and former members as part of their initial capital contribution. Goodwill was recorded related to the purchase of assets by Pirtek USA, Inc. in February 1998. In May 1999, the Company paid \$156,000 for certain exclusive territory rights. The MFA, TLA, goodwill and territory rights, because of their indefinite lives, are all included with goodwill in regards to testing for impairment. If considered impaired, goodwill and intangible assets are written down to fair value and a corresponding impairment loss is recognized. Effective December 1, 2014, the Company has elected to apply the accounting alternative allowed under update 2014-02 to the FASB ASC 350, Intangibles - Goodwill and Other, and has begun amortizing the remaining goodwill related to the February 1998 purchase of assets using the straight-line method over ten (10) years.

# Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

#### Income taxes

Pirtek USA is organized as a taxable corporation under the Internal Revenue Code ("IRC"). Accordingly, these consolidated financial statements include a provision for federal and state income taxes

The Company accounts for income taxes in accordance with FASB ASC 740 "Accounting for Income Taxes." Federal and state income taxes are calculated and recorded on the current period's activity in accordance with the tax laws and regulations that are in effect.

In addition, Accounting for Income Taxes requires recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the consolidated financial statements or tax return. Under this method, deferred tax assets and liabilities are determined based on the differences between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect for the years in which the differences are expected to reverse.

The Company has adopted FASB ASC 740-10-05, "Accounting for Uncertainty in Income Taxes" ("ASC"). The ASC clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. The ASC prescribes a recognition threshold and measurement attitude for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The ASC provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition.

At December 31, 2023, 2022 and 2021, the Company had no material unrecognized tax benefits and no adjustments to liabilities or operations were required. The Company recognizes interest and penalties related to uncertain tax positions in income tax expense. As of December 31, 2023, 2022 and 2021 the Company has not recorded any provisions for accrued interest and penalties related to uncertain tax positions.

#### Advertising costs

Advertising costs are generally charged to operations in the period incurred and totaled \$362,110, \$333,505, and \$346,265 for the years ended December 31, 2023, 2022 and 2021, respectively.

## Right-of-use assets

The Company's leases consist of noncancelable operating leases that relate to real estate agreements.

On January 1, 2022 (the "transition date"), the Company adopted Accounting Standards Update ("ASU") No. 2016-02, Leases ("Topic 842"), and elected to adopt the transition relief provisions from ASU 2018-11 to use this date as the date of initial application. Consequently, financial information has not been updated and the disclosures required under Topic 842 have not been provided for dates and periods before January 1, 2022. The Company's reporting for 2021 presented in the consolidated financial statements includes the disclosures required under ASC Topic 840.

Topic 842 establishes a right-of-use ("ROU") model that requires the Company to record a ROU asset and a lease liability on the statements of financial position for all leases with terms longer than twelve months. Leases are classified as either finance or operating, with classification affecting the pattern of expense recognition in the statements of activities and changes in net assets. Minimum rental payments under operating leases are recognized as a single lease expense on a straight-line basis over the term of the lease, while finance leases are recognized as interest and amortization expense.

# Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

## **Paycheck Protection Program**

The Company records Paycheck Protection Program ("PPP") loan proceeds in accordance with FASB ASC 470, *Debt*. Debt is extinguished when either the debtor pays the creditor or the debtor is legally released from being the primary obligor, either judicially or by the creditor. During 2021, the PPP loan was fully forgiven by the Small Business Administration (SBA) and included within other income in the accompanying consolidated statements of income.

#### Reclassifications

Certain accounts in the prior-year consolidated financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year consolidated financial statements.

## **Date of Management's review**

The Company evaluates events and transactions occurring subsequent to the date of the consolidated financial statements for matters requiring recognition or disclosure in the consolidated financial statements. The accompanying consolidated financial statements consider events through March 20, 2024, the date at which the consolidated financial statements were available to be issued.

Given the relative homogeneity of the borrowers (in terms of credit risk) and loans (in terms of type, amount, and underwriting standards) in the program, the Company manages this loan program on a collective basis. However, the Company concludes that the loss estimates for loans with credit deterioration is based on borrower-specific facts and circumstances because the repayment of those loans depends on facts and circumstances unique to each borrower. Therefore, the Company estimates expected credit losses on an individual basis for loans that no longer exhibit similar risk characteristics because of credit deterioration.

To estimate expected credit losses for individual loans without similar risk characteristics, the Company uses a lost rate method for each loan. Frequently, the Company has insight into the

# Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

likelihood of a credit loss as a result of information provided by the borrower and recent discussions with the borrower given the elevated credit risk for these loans.

To estimate expected credit losses for the remainder of the loans that continue to exhibit similar risk characteristics, the Company considers historical loss information (updated for current conditions and reasonable and supportable forecasts that affect the expected collectability of the amortized cost basis of the pool) using a loss-rate approach.

# Note 4 - Intangibles

Effective December 2014, the Company adopted ASU 2014-02 to the FASB ASC 350, which allows an entity to take goodwill relating to each business combination or reorganization event resulting in fresh start reporting (amortizable unit of goodwill) and amortize it on a straight-line basis over ten (10) years, or less than ten (10) years if the Company demonstrates that another useful life is more appropriate. Goodwill of the Company (or a reporting unit) shall be tested for impairment if an event occurs, or circumstances change that indicates the fair value of the Company (or the reporting entity) may be below its carrying amount. The Company has taken the remaining goodwill associated with the purchase of the assets of Pirtek USA, Inc. in February 1998, and began to amortize it over a ten (10) year period effective December 1, 2014. The original costs of goodwill, the master franchise agreement and the exclusive territory rights were \$975,834, \$450,000, and \$156,000, respectively. Amortization of goodwill, the master franchise agreement, and the exclusive territory rights of \$242,911, \$114,895, and \$30,913, respectively, were expensed through November 30, 2002.

In January 2020, the Company acquired six (6) Pirtek centers which resulted in recording goodwill totaling \$780,774 and franchise agreements, reacquired, totaling \$300,000. Management records franchise agreements reacquired at fair value. An impairment loss is recognized for the amount that the carrying amount exceeds its fair value.

Management did not identify an impairment to goodwill and intangible assets during the years ended December 31, 2023, 2022 and 2021.

The gross carrying amount and accumulated amortization of intangible assets subject to amortization was as follows:

### **Note 7 - Transfers of interest**

In accordance with the Company's limited liability company agreement, the membership interests of the Company shall be assignable in whole or in part. Unless otherwise approved by the members holding a majority interest, which consent may be granted or withheld in the sole discretion of such members, the assignee of a members' interest shall have no right to participate in the management of the business and affairs of the Company. An assignment of a membership interest shall entitle the assignee to share in such profits and losses, to receive such distribution or distributions, and to receive such allocation of income, gain, loss, deduction, or credit or similar item to which the assignor was entitled, to the extent assigned.

## Note 8 - Related party transactions

In December 2020, the Company entered a note receivable with a related party through common ownership in the amount of \$150,000. The note is non-interest bearing and does not require scheduled payments. Note was fully paid off during 2022.

### Note 9 - Commitments and contingencies

#### Leases

The Company occupies office facilities under a noncancellable lease. As of January 1, 2023, the Company amended this lease to include warehouse space. This amended lease is classified as an operating lease with a 20-year term. This lease contains multi-year renewal options, and renewals are not certain at this stage. Payments under this lease arrangement are all fixed. All contracts that implicitly or explicitly involve property, plant and equipment are evaluated to determine whether they are or contain a lease.

At lease commencement, the Company recognizes a lease liability, which is measured at the present value of future minimum lease payments, and a corresponding right-of-use asset equal to the lease liability, adjusted for any prepaid lease costs, initial direct costs, and lease incentives. To the extent a lease arrangement includes both lease and non-lease components, The Company has elected the practical expedient to not separate lease and non-lease components for its leases. The Company remeasures lease liabilities and related right-of-use assets whenever there is a change to the lease term and/or there is a change in the amount of future lease payments.

#### Pirtek USA, LLC and Subsidiaries

## Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

As the rate implicit in the lease is generally not readily determinable, the Company has elected to use the practical expedient available to private companies and uses a risk-free rate as the discount rate. For accounting purposes, the Company's leases commence on the earlier of (i) the date upon which the Company obtains control of the underlying asset and (ii) the contractual effective date of a lease. Lease commencement for most of the Company's leases coincides with the contractual effective date. The Company's leases generally have minimum base terms with renewal options or fixed terms with early termination options. Such renewal and early termination options are exercisable at the option of the Company and, when exercised, usually provide for rental payments during the extension period at then current market rates or at pre-determined rental amounts.

Unless the Company determines that it is reasonably certain that the term of a lease will be extended, such as through the exercise of a renewal option or nonexercise of an early termination option, the term of a lease begins at lease commencement and spans the duration of the minimum noncancellable contractual term. When the exercise of a renewal option or nonexercise of early termination option is reasonably certain, the lease term is measured as ending at the end of the renewal period or on the date an early termination may be exercised.

The Company includes variable rental payments based on a rate or an index such as the Consumer Price Index ("CPI") in its measurement of lease payments based on the rate or index in effect at lease commencement. Other types of variable lease payments are expensed as incurred. Rental payments on the lease typically provide for fixed minimum payments that increase over the lease term at predetermined amounts.

Rent expense for the Company's operating leases involving real estate amounted to \$2,789,429 and \$1,428,643 for the years ending December 31, 2023 and 2022, respectively, and is included in selling, general and administrative expenses in the Company's consolidated statements of income.

As of December 31, 2023 and 2022, the weighted average lease term remaining was, respectively, 19 years and 9.75 years, and the weighted average incremental borrowing rate of the Company's operating leases was 4.06% and 4.22%. Supplemental cash flow information related to the Company's operating leases for the years ended December 31, 2023 and 2022 includes, respectively, cash paid for amounts included in the measurement of lease liabilities of \$2,091,619 and \$1,428,643.

Future annual maturity analysis of the Company's lease liabilities is as follows:

Ор	erating Lease

#### Notes to Consolidated Financial Statements December 31, 2023, 2022 and 2021

#### Employee benefit plan

The Company sponsors a 401(k) plan for all qualifying employees. All employees meeting certain age and service requirements are eligible to participate in the plan. Eligible employees are allowed to defer up to 25% of their salaries as contributions, subject to IRC maximum limitations. The Company may also make matching contributions at its discretion. Company contributions to the plan totaled \$56,571, \$39,040, and \$36,207 for the years ended December 31, 2023, 2022 and 2021, respectively.

#### Litigation

From time to time, the Company may become subject to threatened and/or asserted claims arising in the ordinary course of business. Management provides provisions for these items to the extent that the losses are deemed both probable and reasonably estimable. There have been provisions of approximately \$243,000, \$213,000, and \$113,000 recorded for the years ended December 31, 2023, 2022 and 2021, respectively.

#### Note 10 - Income taxes

Components of income tax benefit for the years ended December 31 are as follows:

	2023	2022		2021	
Current tax expense Federal tax States tax	\$ 2,929,903 475,828	\$	2,930,487 481,565	\$	1,898,411 228,741
Total current tax expense Deferred tax expense (benefit)	3,405,731 (128,700)		3,412,052 (126,812)		2,127,152 (242,870)
Total income tax expense	\$ 3,277,031	\$	3,285,240	\$	1,884,282

Significant components of the Company's net deferred income taxes are as follows:

	 2023	2022		2021	
Deferred income tax asset	\$ 469,073	\$	60,396	\$	259,707
Deferred income tax liability	 (682,449)		(392,223)		(651,930)
Deferred tax liability, net	\$ (213,376)	\$	(331,827)	\$	(392,223)

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The major temporary differences that give rise to the deferred tax assets and liabilities are as follows: inventory capitalization, gains on asset disposals, deferred revenue, depreciation, and amortization of goodwill.

In assessing the ability to realize the deferred tax assets, management considers whether it is more likely than not that some portion or all the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the period in which these temporary differences become deductible. ASC 740 requires a valuation allowance to reduce the deferred tax assets reported if, based on the weight of the evidence, it is more likely than not that some portion or all the deferred tax assets will not be realized. On December 31, 2023, 2021 and 2021, no valuation allowance was required.
