What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by litigation only in Alabama. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to litigate with the franchisor in Alabama than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLIES ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed franchisee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The franchisor is Chester's International, LLC ("we," "us," or "our"). "You" means the person to whom we grant a franchise. We are an Alabama limited liability company formed in October 2002 under the name Chester's Supply Company, LLC (we changed to "National Flour Mills and Supply Company, LLC" in April 2004 and changed again to our current name in November 2009). Our current principal business address is 1531 3rd Avenue North, Suite 110, Birmingham, Alabama 35203. We operate under our corporate name, the CHESTER'S® trademark, and the other trademarks described in Item 13 (the "Marks") and no other name.

We grant franchises for quick-service Restaurants operating primarily under the CHESTER'S name that sell chicken and sides ("Restaurants"). We began offering CHESTER'S Restaurant franchises in January 2008. However, our former affiliate, also named Chester's International, LLC (the "First Chester's"), whose principal business address was 3500 Colonnade Parkway, Suite 325, Birmingham, Alabama 35243, offered CHESTER'S Restaurant franchises from approximately March 1, 2004, through December 2007. The CHESTER'S Restaurant franchises offered in this disclosure document are primarily for Restaurants to be located within and operated as part of other existing retail businesses, such as convenience stores (our "Restaurant-in-Store" concept), although we occasionally offer franchises for CHESTER'S Restaurants to be located at food court, strip mall, or other non-traditional locations (such as sports arenas or stadiums). Certain information appearing in this disclosure document, for example, outlet information in Item 20, covers all CHESTER'S Restaurants, regardless of their locations, because they operate under the same brand and sell the same products. We distinguish between these types of locations when necessary.

Before the First Chester's began offering CHESTER'S Restaurant franchises on approximately March 1, 2004, our former affiliate, Giles Enterprises, Inc. ("Giles"), whose address was 2750 Gunter Park Drive West, Montgomery, Alabama 36121, licensed existing retail operators to operate quick-service chicken and sides restaurants similar to the Restaurant opportunity offered in our disclosure document in a program called the "CHESTER FRIED® Total Program" (the "Chester Fried Licensed Restaurants"). Giles began licensing operators to operate Chester Fried Licensed Restaurants in 1974; as of December 31, 2023, there were approximately 20 Operators of Chester Fried Licensed Restaurants remaining in the United States. Operators of Chester Fried Licensed Restaurants generally did not receive all the benefits of a CHESTER'S Restaurant franchise and also were not subject to all the same restrictions and obligations. For example, Chester Fried Licensed Restaurants did not pay a franchise or any other initial fee. Also, most Chester Fried Licensed Restaurants continue to operate under the "CHESTER FRIED®" name. We are now the licensor of those Chester Fried Licensed Restaurants. Operators of Chester Fried Licensed Restaurants have the right to convert their units to franchised Restaurants if they satisfy our standards for a CHESTER'S Restaurant franchisee. If they want to convert, they will sign our Agreement. There is no conversion agreement or similar document they must sign. In addition, in certain parts of the United States, we may continue allowing certain experienced food-service operators, and chain accounts who already operate one or more Chester Fried Licensed

Restaurants, to develop and operate additional Chester Fried Licensed Restaurants. We generally anticipate doing so only when the experienced food-service operator or chain account prefers (for its own business reasons) not to acquire a CHESTER'S Restaurant franchise. With this exception, we focus on offering and granting CHESTER'S Restaurant franchises and CHESTER'S Licensed Restaurants (as described below). Chester Fried Licensed Restaurants will continue to operate for many years and might compete with you if they are located in the same geographic area where your Restaurant is located. We do not currently operate and have not operated any Chester Fried Licensed Restaurants or CHESTER'S Restaurants.

In addition to the Restaurant franchises offered in this disclosure document, in 2022 we began offering certain qualified individuals or entities the right to sign a license agreement to use the Marks, including the Primary Mark, solely to prepare and sell Chester's proprietary menu items within or from their existing foodservice or restaurant operations, including supermarkets ("CHESTER'S Licensed Restaurants", and together with the Chester Fried Licensed Restaurants, the "Licensed Restaurants"). Unlike the CHESTER'S Restaurant franchises offered by this disclosure document, which involve formal training on our business system, your purchase of equipment, signage, fixtures, and product inventory, your use of specific marketing materials and technology, and your build-out of the Restaurant at your existing business location following a certain layout or design (among other things), a CHESTER'S Licensed Restaurant does not involve any of those elements or features. (It also is not required to pay any of the fees disclosed in Item 6.) An experienced foodservice or restaurant operator would sign a license agreement (and become a CHESTER'S Licensed Restaurant) when it does not want any of the items described above and does not want to become a CHESTER'S Restaurant franchisee but, instead, simply wants to use the "CHESTER'S" name (and limited product-specific branding elements) to identify the products it will prepare and sell as menu items at its existing location using its existing equipment.

In other words, if an experienced foodservice or restaurant operator wants to use the "CHESTER'S" name only to identify certain chicken-related products it prepares and sells within its existing operations, we must ensure that the operator uses our name properly and that the products it sells under the "CHESTER'S" name are prepared safely in compliance with all state and local laws and our ingredient standards (using our specific breading, batter, and other items). We must ensure that the operator does not mis-brand the products it chooses to sell under our name. Except for this limited control over how our trademark is used on prepared chicken products, the operator is free to conduct its existing business operations however it sees fit, and we exercise no controls over those operations and provide no significant assistance to the operator.

CHESTER'S Licensed Restaurants technically might compete with you if they are located close to your Restaurant. However, we do not anticipate that any such competition would be substantial (if it were to exist at all) because CHESTER'S Restaurant franchises are more fully-developed, branded units located and operating within existing business enterprises that implement various marketing initiatives to promote their products, while CHESTER'S Licensed Restaurants involve only prepared products sold as "impulse-buy" items to customers shopping at the location. In addition, we do not expect to grant CHESTER'S Licensed Restaurants to a licensee operating too closely to a CHESTER'S restaurant franchise.

We do not currently operate and have not operated any Chester Fried Licensed Restaurants, CHESTER'S Licensed Restaurants, or CHESTER'S Restaurants.

Lastly, from November 2013 to March 2015 we offered (through a separate franchise disclosure document) franchises for Area Director marketing businesses. An Area Director acts as our sales representative within a defined geographic area and solicits and identifies prospective CHESTER'S Restaurant franchisees; assists in locating and securing sites for, and then constructing and developing, Restaurants; and provides additional support before and after the Restaurants open. Area Directors, now referred to by Chester's as Area Developers, operate under our Chester's Franchise Area Developer Operations Agreement. The Area Developer is not a party to, and has no rights or obligations under, your Agreement. However, if your proposed Restaurant is located in an area where one of our Area Developers operates, that Area Developer will perform certain services on our behalf relating to you and your Restaurant. Despite the functions they perform, Area Developers have no management responsibility relating to the sale of franchises or the operation of our franchise system. While we no longer offer franchises for Area Developer marketing businesses, there were 2 Area Developer marketing businesses in operation as of December 31, 2023. Except for the CHESTER'S CHICKEN ON THE FLY Restaurant franchise discussed below, we have not offered franchises in any other line of business.

We or our affiliates also conduct certain additional non-Chester's business as described in Item 12.

We have no business activities other than those described above and in Item 12. If we have an agent in your state for service of process, we disclose that agent in Exhibit A.

Our Predecessors and Affiliates

We currently have no parent companies or affiliates disclosable in this Item. As noted earlier, our predecessor for the CHESTER'S franchise program was the First Chester's. We acquired all existing CHESTER'S Agreements, the Marks, and related assets and obligations from the First Chester's by operation of law effective as of December 31, 2007, as a result of our merger with the First Chester's and another affiliate. We were the surviving entity in the merger. The First Chester's offered CHESTER'S Restaurant franchises from approximately March 1, 2004 through December 2007. There were 44 CHESTER'S Restaurant franchises in operation as of December 31, 2007. The First Chester's never offered franchises in any other line of business.

Franchise Rights Offered

We grant you the right to establish and operate a franchised CHESTER'S Restaurant at a specific location in a specific market according to our system (the "System"), which we have the right to improve and develop over time. Your Restaurant will be located within the existing retail premises where you already operate a business like a convenience store or at a food court, strip mall, or other non-traditional location (such as a sports arena or stadium). Restaurants offer a special selection of menu items like bone-in chicken, chicken filet, chicken filet sandwiches, chicken tenders, and an assortment of side orders. From 2008 to 2014, we also offered franchises for CHESTER'S CHICKEN ON THE FLY Restaurants, a small, self-service "grab 'n go" concept

that operated from a modular kiosk-type unit within a retail business's existing space and whose operations are not as expansive as those of a typical CHESTER'S Restaurant. There were no CHESTER'S CHICKEN ON THE FLY Restaurants in operation as of December 31, 2023.

The restaurant business, particularly the quick-service restaurant business, is highly competitive and often affected by changes in taste, eating habits, and local and national economic conditions. The principal bases of competition are quality and price of food products offered, but name identification, site selection, speed of service, advertising, and attractiveness of facilities also are important. Your competition will include other quick-service restaurants close to your Restaurant, including franchised and non-franchised national and regional restaurant chains, and secondary competition, including coffee shops, budget restaurants, grocery stores offering prepared foods, and convenience stores serving hot food. Your competition also may include Licensed Restaurants and other CHESTER'S Restaurants located in your geographic area. Competition for management and other operating personnel is intense within the industry. Sales generally are seasonally affected and might be lower during winter months or in certain areas (for example, vacation areas).

Industry-Specific Regulations

There are no regulations that apply specifically to the industry in which CHESTER'S Restaurants operate. However, you must comply with laws that apply generally to all businesses. Each franchised Restaurant will be subject to local health inspection authorities that govern food handling, temperatures, and other health considerations; federal, state, and local building and zoning codes; and immigration, tax, unemployment, workers compensation, discrimination, and disability laws. You should investigate all these laws.

ITEM 5 **INITIAL FEES**

You must pay us a \$3,500 training fee in a lump sum when you sign the Agreement. The training fee is not refundable under any circumstances. During the 2023 fiscal year, the training fees we received from franchisees ranged from \$0 to \$3,500.

Besides paying the training fee, you must buy various equipment, signage, fixtures, and product inventory before you open your Restaurant. The cost of all items available from us will depend on the Restaurant's anticipated venue and the items already in place. The expected range is \$12,000 to \$50,000 for a Restaurant to be located in a convenience store or similar retail business. You must have the core equipment to bread, fry, and merchandise CHESTER'S menu items. You may buy this equipment from us or use existing equipment we approve. You may buy certain proprietary food products and preparation supplies from unaffiliated suppliers. However, as described in Item 8, we have the right to require you to buy some or all of these items from designated exclusive sources, including us. None of the amounts you pay to us for any special order equipment is returnable and refundable, unless approved in advance by us. Special order equipment includes electric and/or gas powered cooking or food holding equipment, any custom signage, and other custom marketing materials. All other amounts paid to us for various equipment, signage, fixtures, and product inventory are refundable to you.

If you cancel your order for various equipment, signage, fixtures, and product inventory within 3 weeks from the estimated shipping date, or after some or all of the products are received by Chester's, then we may charge you a product cancellation fee equal to 10% of the total amount that is canceled. If you return any equipment, signage, fixtures, or product inventory to us any time, then we may charge you a restocking fee equal to 20% of the total amount that is returned, plus any freight cost we incur on your behalf. If we determine that you have failed to participate in the required pre-opening activities as required under your franchise agreement, then in addition to any remedy available to us under the franchise agreement, we may charge you a one-time storage fee equal to 10% of the total amount of the stored item(s) for storing any equipment, signage, fixtures, or product inventory that you ordered, but that we have not yet delivered to your Restaurant.

Before you open your Restaurant, we will conduct a restaurant-readiness review assessment at no additional charge to you. However, if we determine that your Restaurant does not pass the assessment and we must reassess the Restaurant multiple times, we have the right to charge you our costs and expenses. We currently estimate this cost to be approximately \$500 per assessment. This payment is not refundable.

Financing for Equipment, Signage, Fixtures, and Product Inventory

We may finance up to \$20,000 of the purchase price for certain equipment, signage, fixtures, and product inventory you will need for your Restaurant at our discretion. We currently only offer this financing in certain states in which we have contractual relationships with our vendors for these items, namely Georgia, Michigan and Texas. We may modify the list of states in which we offer this financing at any time. You will sign a Financing Amendment to the Agreement and a

Promissory Note in the form attached as Exhibit G to the FDD. You must make at least a 10% down payment to your vendor to be eligible. The Promissory Note calls for monthly payment of principal over a period of 24 months, at an interest rate of 0% annually, until such time as the balance is paid in full, but interest will accrue at 10% annually as to any payment default under the Promissory Note. You and at least one person who owns an interest in you will sign the Financing Amendment to the Franchise Agreement and be responsible for the balance while still owing, but we do not require any additional security as part of the financing. See Item 10.

Total (excluding real estate lease and purchase costs)	\$27,500 - \$296,500			

* Except for security deposits, no payment above is refundable.

* Because the initial brand standard training program occurs at your Restaurant, we do not anticipate that your trainees will incur any travel, lodging, or living expenses while attending the initial brand standard training program. Also, before you open your Restaurant, we will conduct a restaurant-readiness review assessment at no additional charge to you. However, if we determine that your Restaurant has not passed the assessment and we undertake the assessment multiple times, we have the right to charge you for the costs and expenses we incur to conduct an assessment. Currently, we estimate this cost to be approximately \$500 per assessment.

¹ The figures in the chart estimate your insurance costs during the first 3 months of operation. You might need to pay the entire annual premium in advance. Costs might vary among underwriters and be based on how long you have been in business, your financial condition, your prior risks, and Restaurant location.

² All Restaurant-in-Store franchises will be located within your existing space, so you should have no significant additional rent/lease obligations unless you pay percentage rent. For a CHESTER’S Restaurant at a food court, a strip mall, or other non-traditional locations (such as a sports arena or stadium), we assume that you will lease the building or space for the Restaurant. However, if you currently own the building in which the Restaurant will be located, you should incur no rental costs. While we anticipate that the average in-line/food court Restaurant size will be 1,200 square feet, your Restaurant’s size will depend on the location you choose. If you lease space from a third-party landlord, your monthly rent will depend on the location, the demand for the location among prospective lessees, general rental rates in that geographic area, whether the landlord adds tenant build-out allowances into the rent, and similar factors. You might have to pay base rent and percentage rent based on Restaurant gross sales. If utilities, taxes, and insurance are included in rent, then the rent also might increase. You also should expect to pay a security deposit equal to 1 or 2 months’ rent.

³ If you operate a Restaurant-in-Store in a convenience store, this figure assumes the Restaurant will have 500 square feet. If you operate a CHESTER’S Restaurant at a food court or strip-mall location, this figure assumes the Restaurant will have 1,200 square feet. The costs to build out an existing facility for your Restaurant depends on whether an existing food or deli-type facility is being converted, whether a drive-thru window is being added, the Restaurant’s square footage and dimensions, whether seating is added, kitchen size, adequate hood systems and HVAC (heating, ventilation, and air conditioning), and other factors.

⁴ If you operate under the CHESTER'S Mark, you must buy or lease certain equipment, including kitchen and serving-line equipment, a decor package, refrigeration and installation, point-of-sale materials, a safe, menu-boards, miscellaneous small wares, and signage. The Restaurant's equipment package depends on the presence of existing food-service or deli-type facilities, square footage and anticipated volumes, the menu format, and whether a drive-thru window is being added.

⁵ As of this disclosure document's issuance date, you have the right to purchase the fryers, breading and batter table, hot cases, landing table, and oil-removal caddy you need to operate the Restaurant from us or an unaffiliated third-party food-service equipment supplier. However, we have the right to require you to buy these items from specified exclusive sources (including us or our affiliates) at the prices the source decides to charge.

⁶ We provide a list of approved suppliers from whom you can purchase furnishings, fixtures, signage, and equipment.

⁷ We estimate that the range given will cover initial product inventory and cleaning, office, and general supplies to open the Restaurant.

⁸ You currently must purchase required breading, marinades, and paper products. We are the primary supplier of these products, which are manufactured specially for the CHESTER'S System, and sell these proprietary items to unaffiliated suppliers who then resell them to our franchisees. We license certain suppliers to prepare breading and marinades using our proprietary formulas. As of this disclosure document's issuance date, you have the right to purchase these items from us or from an unaffiliated third-party supplier. However, we have the right to require you to buy these items from specified exclusive sources (including us or our affiliates) at the prices the source decides to charge.

⁹ This estimates the funds needed to cover your initial expenses for the first 3 months of operation (other than the items identified separately in the table). It includes payroll costs but not any draw or salary for you. You might need additional working capital during the first 3 months you operate your Restaurant and for a longer time period after that. This 3-month period is not intended, and should not be interpreted, to identify a point at which your Restaurant will break even. We have relied on our principals' many collective years of experience in the food-service equipment and supply industry, and outside consultants, to compile this Additional Funds estimate. You should review all figures in this Item 7 carefully with a business advisor before you decide to acquire the franchise. Except as provided in Item 10 below, neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of third-party financing depend on the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt-service obligation.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Real Estate. You need not purchase or lease any real estate from us or our affiliates.

Restaurant Build-Out. You must develop the Restaurant in compliance with our System and ensure that all plans and specifications comply with our requirements, applicable laws, and lease requirements. We will give you required and recommended specifications and layouts for a CHESTER'S Restaurant. You must give us, and we have the right to review and approve, all plans and specifications before you begin constructing the Restaurant.

You must buy all food items, ingredients, equipment, furnishings, supplies, materials, and other items used or offered for sale at the Restaurant only from suppliers (including manufacturers, distributors, and other sources) that satisfy our then-current standards and specifications; possess adequate quality controls and capacity to supply your needs promptly and reliably; and have received our approval. With respect to our and our affiliates' trade-secret or proprietary food products and other branded items, we have the right to limit suppliers to us, our affiliates, and/or other specified exclusive sources, in which case you must acquire those trade secret or proprietary food products and other branded items during the franchise term only from us, our affiliates, and/or the other specified exclusive sources at the prices we and they decide to charge. We have the right to restrict your sources of trade secret and proprietary food products and other branded items in order to protect trade secrets, assure quality, assure a reliable supply of products that meet our standards, achieve better purchase and delivery terms, control use of the Marks by third parties, and monitor the manufacture, packaging, processing, and sale of these items.

We license the Marks to certain unaffiliated suppliers to make and brand the proprietary seasonings and specially-formulated pre-prepared mixes (which includes breading, batter dip, and marinades), sauces, branded fresh and frozen poultry products, frozen potato wedges and paper products (which includes packaging, napkins, cups, and other products used in the operation of the Restaurant) (collectively, the "Proprietary Goods"). The suppliers then sell the Proprietary Goods to our designated distributors, and you must purchase the Proprietary Goods from one or more of our designated distributors, of which we are one.

We encourage you to purchase new equipment and fixtures for the Restaurant. We currently are the designated supplier for the core equipment package (fryers, breading and batter table, hot display case, landing table, and oil-removal caddy) approved for use in the Restaurant. In limited circumstances, however, we may allow you to purchase the core equipment package from another designated supplier. We are also an approved (but not the only) supplier for other equipment and fixtures, which are also available through designated suppliers. While we encourage you to purchase new equipment and fixtures, you can purchase used equipment (which need not be purchased from an approved supplier) if it has been in service for less than 2 years and otherwise meets our quality standards. Besides the items described above, we also currently are an approved (but not the only) supplier of marketing materials. Except for us, in which our officers naturally own an interest, one of our officers owns a non-controlling interest in Wynn's Grain and Spice, LLC, which currently manufactures various consumables and sells those items to us for resale to our franchisees (indirectly through unaffiliated third-party distributors and grocery wholesalers).

The cost of food items, ingredients, equipment, furnishings, supplies, materials, and other items may vary among Restaurants. These cost variations are due to your Restaurant's proximity

to the supplier's distribution center, the number of deliveries scheduled to your area each week, actual transportation costs, and other factors.

Because we currently require you to purchase products only from designated or approved suppliers already established for the CHESTER'S System, or only in compliance with our brand standards and specifications, we will not consider your request to buy from a then-unapproved supplier any product you will use at or sell from the Restaurant. Therefore, we currently have no process in place for granting and revoking approval of alternative suppliers and do not issue any criteria for consideration. We have no intention or obligation to approve alternative or additional suppliers for any products.

You must permit us or our agent at any reasonable time to remove samples of food or non-food items from your Restaurant without payment to determine whether the samples meet our then-current standards and specifications.

Formulae for proprietary seasonings and specially-formulated pre-prepared mixes are not available to you, other franchisees, or non-designated suppliers. Standards and specifications for other food and paper products are not uniformly issued to franchisees but are available for specific products upon a franchisee's written request. We determine the standards and specifications for those food and paper products, sometimes in consultation with suppliers, to assure our desired quality of ingredients, size, flavor, and appearance and our desired quantities for each product. We issue and modify standards and specifications through consumer research and internal product testing.

We have the right to revoke our approval of particular products or suppliers when we determine that those products or suppliers no longer meet our standards. If we notify you that we have revoked approval of a product or supplier, you must stop selling any disapproved products and stop purchasing from any disapproved supplier. We and our affiliates have the right to receive payments from suppliers on account of their actual or prospective dealings with you and other franchisees and to use all amounts received without restriction for any purposes we deem appropriate (unless we and our affiliates agree otherwise with the suppliers). Certain suppliers to our franchisees (who sell directly to franchisees or indirectly through distributors in the supply chain) have agreed to pay us license fees on franchisee purchases of shortening products, blended proprietary items, paper goods, and signs and promotional items. These fees range from 0.5% to 30% of their gross sales depending on the particular item.

During 2023, we received a total of \$44,962,498 from direct franchisee purchases of certain equipment and proprietary food products and from purchases by unaffiliated suppliers and grocery wholesalers to whom we sold certain equipment and proprietary food products for resale to our franchisees. That is 87.59% of our total revenue of \$51,333,253. These figures are from our audited financial statements. Our affiliates did not receive any revenue from direct franchisee purchases and leases during 2023. We estimate that the cost of your purchases from designated or approved suppliers will be approximately 70% to 95% of the total cost to establish, and approximately 20% to 30% of the total annual cost to operate, your Restaurant.

We do not provide material benefits to you (for example, renewal or granting additional franchises) for purchasing particular products or services or using particular suppliers. We negotiate purchase agreements, including price terms, with suppliers for some items described in this Item 8 (shortening, breeding supplies, frozen poultry, potato wedges, paper goods, packaging, and equipment). In doing so, we seek to promote the overall interests of our franchise system and our interests as the franchisor and not the interests of any particular franchisee. There are no purchasing or distribution cooperatives in our system.

If, at any time, we modify our standards for the Restaurant (to include remodeling or modernization measures) relating to signage, equipment (which may include the CHESTER’S POS system), inventory, fixtures, accessory features, furnishings, design, layout, or maintenance (the “Modifications”), you must comply with and complete the Modifications within the timeframe we specify.

Insurance. You must have the types and amounts of insurance coverage appropriate in your market for the Restaurant’s business activities, which must include at least \$1 million per occurrence and \$2 million in the annual aggregate of comprehensive general liability coverage. The comprehensive general liability policy must name Chester’s International, LLC as an additional insured and provide for a waiver of subrogation in favor of CHESTER’S. Your insurance will be primary and any insurance carried by CHESTER’S will be excess and non-contributory.

ITEM 10 **FINANCING**

We do not guarantee your note, lease or obligation. We do not currently place financing with anyone and do not receive any payment for the placement of financing. We do not have any past or present practice or intention to sell, assign or discount to any third party, in whole or in part, any financing arrangements. We reserve the right to offer financing or assist franchisees in obtaining financing in the future.

We may finance up to \$20,000 of the purchase price for certain equipment, signage, fixtures, and product inventory you will need for your Restaurant at our sole discretion. We currently only offer this financing in certain states. See Item 5. You will sign a Financing Amendment to the Agreement and a Promissory Note in the form attached as Exhibit G to the FDD. You will sign a Financing Amendment to the Agreement and a Promissory Note in the form attached as Exhibit G to the FDD. You must make at least a 10% down payment to your vendor to be eligible. The Promissory Note calls for monthly payment of principal over a period of 24 months, at an interest rate of 0% annually, until such time as the balance is paid in full, but interest will accrue at 10% annually as to any payment default under the Promissory Note. You and at least one person who owns an interest in you will sign the Financing Amendment to the Franchise Agreement and be responsible for the balance while still owing, but we do not require any additional security as part of the financing and do not take any security interest in your assets as part of the deferral of payment or your entry into the Financing Amendment to the Agreement and Promissory Note.

In the Financing Amendment to the Agreement and Promissory Note, you and an owner we require to guaranty payment under the Promissory Note must waive any defenses or other legal rights related to the balance of the financing debt while still owing, and you and such owner are also barred from asserting any defenses. If you fail to timely pay the balance of the debt plus the agreed amount of interest in the Promissory Note (if any), we may issue a curable default notice under the Agreement and the Financing Amendment to the Agreement and we may have the right to terminate the Agreement if you fail to timely cure the default after notice and the stated cure period (which will be no less than 10 days). If we terminate the Agreement based on a failure to timely pay the balance of the amount due under the Promissory Note, the entire principal amount and interest (if any) due under the Promissory Note will be accelerated and become due immediately, your Agreement and other agreements with us will be subject to cross default and you and such owner will owe us our attorneys' fees and costs related to the termination and any attempts to enforce our rights under any of your agreements with us. We will not sell, assign, or discount to a third party all or part of your financing arrangement with us. We are the direct lender if we defer your payment of the initial franchise fee such that, other your repayment of the principal plus interest to us, neither we nor any affiliate receives any consideration for arranging this financing.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your Restaurant, we (and/or one of our Area Developers) will:

1. Give you information about the Restaurant's layout requirements and signs. [Agreement — Section 6]
2. Review and approve your plans and specifications for the Restaurant and conduct a restaurant-readiness review assessment. [Agreement — Section 6]
3. Provide an initial brand standard training program (described below) to instruct you and your employees about required procedures and techniques to operate the Restaurant. [Agreement — Sections 4 and 7]
4. Give you access to one copy of our confidential manuals (the "Manuals"). [Agreement — Section 13] The Manuals for a CHESTER'S Restaurant have 140 pages. The table of contents is in Exhibit C.
5. Give you advice regarding operating the Restaurant and new developments, techniques, and improvements in areas of restaurant management, food preparation, sales promotion, and service. [Agreement — Section 4]

6. Sell you equipment, signage, and various food items. (We deliver these items, or cause them to be delivered, but are not required to install anything.) [Agreement — Sections 5, 6, and 9]

Continuing Obligations

During your operation of the Restaurant, we (and/or one of our Area Developers) will:

1. Provide periodic brand standard training programs we deem appropriate. [Agreement — Sections 4 and 7]

2. Give you advice regarding operating the Restaurant and new developments, techniques, and improvements in areas of restaurant management, food preparation, sales promotion, and service. [Agreement — Sections 4 and 8]

3. Prepare point-of-purchase materials for you. [Agreement — Section 5]

4. Periodically inspect the Restaurant. [Agreement — Section 11]

5. Let you use our Marks. [Agreement — Section 12]

6. Let you use our confidential information. [Agreement — Section 13]

7. Sell you equipment, signage, and various food items. [Agreement — Sections 6 and 9]

8. Recommend retail prices for the products you prepare and sell at your Restaurant (we generally do not control your resale prices).

Site Selection

We first must approve your site before signing the Agreement, even if you already have a site picked out for the Restaurant. When you approach us, we will give you our site-selection criteria for a Restaurant. Factors we consider in evaluating Restaurant sites include (1) a site's visibility from adjacent traffic arteries, (2) ease of entry from and exit to adjacent streets, (3) the size, density, and income levels of population in the surrounding area, (4) the rental market in the area, (5) types of nearby businesses, (6) projected cost of leasehold improvements, and (7) proximity to another franchised Restaurant or to a Licensed Restaurant. We must accept all sites before you have the right to sign any lease, sublease, or other document for the site. We will evaluate the information you give us about a site. Our review process might or might not involve a physical site inspection. We will not take an unreasonable amount of time to review your proposed site. However, we need not respond within any particular time. We will either accept or reject your proposed site. We will not unreasonably withhold our acceptance of a site but can reject one we consider inappropriate. Although we have the right to accept or reject a Restaurant's location, we will not select or designate a Restaurant site for you. Therefore, you must actively conduct the site-selection process. You have sole risk for your location's business and financial

suitability. As noted above, we will not sign the Agreement if you have not yet located the Restaurant's site.

We anticipate that it takes approximately 2 to 4 months after the Agreement is signed and you pay the training fee before the Restaurant is ready to open. Factors affecting this timeframe include construction and remodeling schedules; local ordinance and/or building code compliance; schedules for installing equipment and signs; completing brand standard training programs; delivering and stocking inventory; and other events beyond your control. You must open the Restaurant for business within 180 days after signing the Agreement.

Computer Hardware and Software

You currently have no obligation to buy or use any new electronic cash registers or computer system for the Restaurant and may use your current systems. However, you must send us monthly reports regarding the Restaurant's sales, labor costs, and profits in the format we specify. [Agreement — Section 15]

We have the right to require you to obtain (but currently only recommend that you obtain) and use the computer hardware and software, point-of-sale system, printers, tablets, smartphones, and other computer-related accessories and peripheral equipment we periodically specify (the "POS System"). The POS System must permit 24-hours-per-day, 7-days-per-week electronic communications between the Restaurant and us. (Agreement — Sections 5, 8, 10, and 15)

The POS System may include all or some of the following: point-of-sale terminals, networking switches, kitchen printers and displays, cash drawers, hand-held terminals, credit card terminals, self-order kiosks, and receipt printers. We estimate the POS System's cost to range from \$2,000 to \$6,000 depending on your Restaurant's needs.

The third parties whose computer-related products you buy have no contractual right or obligation to provide ongoing maintenance, repairs, upgrades, or updates unless you obtain a service contract or a warranty that covers the product. We currently do not provide computer-related products and therefore have no such obligations. We estimate the cost of ongoing maintenance, repairs, upgrades, and updates for the POS System to be approximately \$250 to \$325 per month (which is covered by the POS Technology Fee). We have the right to increase the POS Technology Fee upon 90 days' prior written notice, although the monthly fee will not exceed \$350. The POS System generates and maintains sales, menu mix, and other financial information. You must upgrade the POS System, and/or obtain service and support, as we require or when necessary because of technological developments, including complying with PCI Data Security Standards. There are no contractual limitations on the frequency and cost of this obligation. We will have independent, unlimited access to the information the system generates, although not to employee- or employment-related information for your Restaurant's employees.

Training

Before the Restaurant opens, your manager and the employees we designate must attend and complete our initial brand standard training program to our satisfaction. [Agreement —

Sections 4 and 7] The initial brand standard training program will occur at the Restaurant, so we do not anticipate any travel, lodging, and living expenses for your trainees. You and your employees must pay all expenses incurred in attending brand standard training programs that are not at the Restaurant. We have the right to provide additional brand standard training programs we deem appropriate. With our prior written approval, your training managers may train new and additional Restaurant employees.

The initial brand standard training program will last up to 4 days and includes classroom instruction and/or on-the-job training. We conduct training on an as-needed basis at your Restaurant. Training should be scheduled so that your trainees successfully complete the initial brand standard training program and graduate about 1 week before the Restaurant opens.

Other than the initial brand standard training program discussed above, we generally do not require additional training or refresher courses unless we deem it necessary if your Restaurant fails an inspection, in which case we may charge you \$500 a day for such additional training. If we provide other additional training or refresher training courses upon your request, we reserve the right to charge you an additional training charge based on the nature of such additional training, and you are responsible for expenses incurred in attending additional training or refresher training that is not conducted at the Restaurant.

David Wulf has been with us as Regional Director-East Region since June 2013 and coordinates all of our initial brand standards training programs in that region. Oliver Vereschagin has been with us as Regional Director-West Region since May 2017 and coordinates all of our initial brand standards training programs in that region. Messrs. Wulf and Vereschagin together have over 20 years of experience in the restaurant industry as General Manager, Certified Training Manager, and Area Supervisor with several quick-service restaurant concepts.

Direct supervision of classroom and in-restaurant training is provided by staff and Area Developers with previous CHESTER’S Restaurant management and training experience. Each staff person will train in the particular area(s) in which he or she has experience. Instructional materials include a set of Restaurant Training Guides, handouts, and charts. The subjects currently taught in our brand standard training program are as follows:

You will agree in your Agreement that we are not joint employers of your employees and other personnel. We do not and will not share or codetermine any of your employees' essential terms and conditions of employment. More specifically, in no case do we have any authority to determine or set your employees': (1) wages, benefits, and other compensation; (2) hours of work and scheduling; (3) the assignment of duties to be performed; (4) the supervision of the performance of duties; (5) work rules and directions governing the manner, means, and methods of the performance of duties and the grounds for discipline; (6) the tenure of employment, including hiring and discharge; and/or (7) working conditions related to the safety and health of employees. You alone have sole authority to determine any or all your employees' essential terms and conditions of employment.

Advertising

We do not require franchisees to contribute to or participate in an advertising or marketing fund. You must pay us a quarterly marketing support fee. This is for combination of physical marketing materials that we will prepare and periodically send to you, as well as digital marketing campaigns designed to build brand awareness and drive traffic to your location. We charge \$200 per quarter and have the right to increase the quarterly fee upon 90 days' prior written notice to you (although the quarterly fee will not exceed \$325). We also have the right to charge you up to \$200 for materials we prepare for each special product offering or promotion.

You also must advertise your Restaurant at your own expense on a reasonable number of DOT signs on nearby interstates. However, if no DOT signs are available for advertising activities, you need not conduct this advertising until they become available. We and you periodically will discuss and reasonably determine the availability of DOT signs for advertising. We need not spend any amount on advertising in your market area. In all cases, we have the right to review and approve (or disapprove) all advertising and promotional materials you propose to use. You have no right to use any advertising or promotional materials we have not approved or have disapproved. While there is no contractual timeframe within which we must respond, we expect to respond to

you within 30 days. You cannot without our prior written approval develop, maintain, or authorize any website that mentions the Marks. [Agreement — Sections 8 and 12]

There currently are no advertising cooperatives or franchisee advertising councils in our System. If we choose to form them (although our Agreement does not address this issue), we likewise would have the power at any time to change, dissolve, or merge them.

ITEM 12 **TERRITORY**

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You also do not have any type of non-exclusive territory. We and our affiliates have the right at all times during the franchise term to engage in any and all activities we deem appropriate, at any time or place and through any distribution channels we choose (such as the Internet, catalog sales, telemarketing, or other direct marketing sales). We need not pay you any compensation if we solicit or accept orders from any customers, regardless of their location.

If you operate a Restaurant-in-Store franchise, you will operate your Restaurant within your existing business premises. If you will operate a food court/strip mall franchise or other non-traditional franchise (such as at a sports arena or stadium), you will operate your Restaurant from a site you lease in a food court, strip mall, sports arena, or stadium. We have the right to terminate the Agreement if you fail to open the Restaurant within 6 months after the Agreement's effective date. You have the right to operate only from the accepted location and have no right to relocate within your existing business premises or elsewhere without our prior written permission. Whether we will permit relocation depends on the specific circumstances and what we consider to be in your Restaurant's and our system's best interests. We do not expect relocation to occur often because the Restaurant typically is located in your existing business premises. You are not restricted from advertising away from your location if all sales are made at the location. You have the right, with our prior written approval, to solicit sales and orders from your franchised location for delivery to a remote location (including catering). You have no right to use other channels of distribution to make sales away from your location.

Except as described below, neither we nor any affiliate has established, or presently intends to establish, other franchised or company-operated restaurants or another distribution channel (such as the Internet, catalog sales, telemarketing, or other direct marketing sales) selling or leasing similar products or services under a different trade name or trademark (although we have the right to do so, as noted above).

As described in Item 1 above, the First Chester's and Giles licensed retail operators operate restaurants or sell chicken products under the CHESTER FRIED Total Program. We are now the licensor of those Chester Fried Licensed Restaurants. Those retail operators may continue using the CHESTER FRIED trademark if they satisfy certain standards and procedures. In certain parts of the United States, we may continue allowing certain experienced food-service operators, and chain accounts who already operate one or more Chester Fried Licensed Restaurants, to develop and operate additional Chester Fried Licensed Restaurants. We generally anticipate doing so only

when the experienced food-service operator or chain account prefers (for its own business reasons) not to acquire a CHESTER'S Restaurant franchise.

As further described in Item 1 above, the CHESTER'S Licensed Restaurants use the Marks, including the Primary Mark, to offer and sell our proprietary products so long as they satisfy certain standards and procedures. We are the licensor to the CHESTER'S Licensed Restaurants. We currently offer qualified individuals or entities the right to operate CHESTER'S Licensed Restaurants from existing foodservice or restaurant operations. We anticipate entering into license agreements for CHESTER'S Licensed Restaurants with experienced foodservice operators or chain account holders to operate within supermarkets or similar locations.

We do not anticipate any material conflicts (in terms of customers and franchisor support) between the CHESTER'S Restaurant franchises offered in this disclosure document and CHESTER FRIED Licensed Restaurants or CHESTER'S Licensed Restaurants because the Licensed Restaurants operating at these various locations generally focus on different customer groups. Nevertheless, we will use reasonable efforts to resolve any conflicts that do arise because it is in our best interests to do so.

Besides our franchising activities described in Item 1 and above, we currently sell to our franchisees—either directly or indirectly through unaffiliated third-party distributors and grocery wholesalers who then resell to franchisees—various consumable products (manufactured for us by a third party), including the blended products (breeding, batter dip, and marinades) used to prepare chicken sold under the Marks. We also sell packaging and other paper materials used by franchisees and sell them to unaffiliated third-party distributors and grocery wholesalers for resale to franchisees.

We may also sell to non-Chester's food-service operators (directly or through unaffiliated distributors) chicken cooking equipment that is similar to the equipment you will buy from us or unaffiliated distributors and then use in operating your Restaurant.

An affiliate of ours, BirdShack, LLC ("BirdShack"), sells chicken-related food products (under the BirdShack name) to non-Chester's food-service operators (directly or through unaffiliated distributors). These operators have no right to use any Mark you have the right to use under your Agreement. They will sell chicken products as a menu item under their own trade names and brands as part of their existing retail foodservice businesses, or under the BirdShack name. These operators sell their chicken products from their own physical premises, although they might engage in some off-premises advertising that competes with your advertising. We do not anticipate any material conflicts between CHESTER'S Restaurant franchises and these other food-service operators in terms of customers and support, although we will use reasonable efforts to resolve any conflicts that do arise. BirdShack's principal place of business currently is the same as ours (1531 3rd Avenue North, Suite 110, Birmingham, Alabama 35203).

Besides what we describe above, we sell and may continue to sell equipment to franchisees and have begun selling clothing and merchandise on the Internet, and BirdShack sells and may continue to sell consumable products (breeding, etc.), to food or equipment distributors (as

applicable) or directly to restaurant operators that compete with you, although these other operators will not use any trademarks owned by us or our affiliates (other than BirdShack).

You have no options, rights of first refusal, or similar rights to acquire additional franchises. Continuation of your franchise does not depend on your achieving a certain sales volume, market penetration, or other contingency.

ITEM 13
TRADEMARKS

You have the right to use certain trademarks, service marks and trade dress (individually, a “Mark” and collectively, the “Marks”) in operating the Restaurant. The principal Mark for CHESTER’S Restaurant franchises is CHESTER’S (the “Principal Mark”). The Principal Mark has been in use since 2004, and was registered on the United States Patent and Trademark Office’s (USPTO) Principal Register on November 6, 2007 (Registration Number 3,206,105). We acquired the Principal Mark as part of the merger described in Item 1. The Principal Mark generally covers batter, marinade, breading, and mixes (in International Class 30); restaurant services, food preparation services and take-out food services (in International Class 43); and paper products such as napkins, carry-out boxes, bags, and posters(in International Class 16). We have filed all required affidavits of use for the Principal Mark. We also have renewed the Registration of the Principal Mark (in 2017).

Other related Marks that we own include the following:

Mark	Registration Number	Registration Date	Register	Renewed
CHESTER FRIED (And Design) 	1,884,056	03/14/1995	Principal	Yes
CHESTER’S (And Design) 	3,011,320	11/01/2005	Principal	Yes
CHESTER’S (And Design)	3,050,595	01/24/2006	Principal	Yes

Mark	Registration Number	Registration Date	Register	Renewed
				
CHESTER'S (And Design) 	6901638	11/15/2022	Principal	Not Applicable
CHESTER'S CHICKEN ON THE RUN (And Design) 	6828173	08/23/2022	Principal	Not Applicable
HESTER'S CHICKEN ON THE RUN (And Design) 	6828172	08/23/2022	Principal	Not Applicable
CHESTER'S (And Design) 	7258625	01/02/2024	Principal	Not Applicable

All of these Marks are registered on the USPTO's Principal Register. All required affidavits of use have been filed, and all Registrations of these Marks have been renewed.

You must follow our rules when you use the Marks, including giving proper notices of trademark and service-mark registration and obtaining fictitious or assumed-name registrations required by law. You have no right to use any Mark in your corporate or legal business name; with modifying words, terms, designs, or symbols (except for those we license to you); in selling any unauthorized products or services; or as part of any unauthorized domain name, homepage, electronic address, or otherwise in connection with a website.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving the principal Marks. We do not actually know of either superior prior rights or infringing uses that could materially affect your use of the Marks in any state. No agreement limits our right to use or license the Marks.

The Agreement does not require us to protect your right to use the Marks listed above or to protect you against claims of infringement or unfair competition from your use of the Marks. You have no contractual obligation to notify us of any apparent infringement or challenge to your use of any Mark or of any person's claim of any rights in any Mark. In all these cases, we have the right to take the action we deem appropriate (including no action). Because we own the Marks, we would expect to control exclusively any litigation, USPTO proceeding, or other administrative proceeding arising from any infringement, challenge, or claim. We have no obligation to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a Mark we license to you or if the proceeding is resolved unfavorably toward you. You must cooperate with us in defending or settling litigation. Our Agreement does not address our right to change the Marks during the franchise term.

ITEM 14 **PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

No patents or patent applications are material to the franchise. We claim copyrights in our Manuals (which contain our trade secrets), Website, menus and menu-boards, construction plans and specifications, advertising materials, specifications, training handbooks, and other items used in operating CHESTER'S Restaurants. We have not registered these copyrights with the United States Copyright Office but need not do so at this time to protect them. You have the right to use these items only as we specify while operating your Restaurant (and must stop using them if we so direct you). We also have developed certain trade dress for the CHESTER'S System in which we claim proprietary rights, including color schemes, patterns, designs, and décor. You might use some aspects of this trade dress at your Restaurant.

There currently are no effective adverse determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses of our copyrights that could materially affect your use of the copyrighted materials in any state.

We need not protect or defend copyrights, although we intend to do so if in the system's best interests. We have the right to control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright.

Our Manuals and other materials contain our confidential information (some of which constitutes trade secrets under applicable law). You have no right to use our confidential information in an unauthorized manner. You must take reasonable steps to prevent its improper

disclosure to others and use non-disclosure agreements with those having access. You must keep the Manuals at the Restaurant and make sure they are current. If there is a dispute over the Manuals' contents, our master copies control.

You must not, either during or after the franchise term, communicate, divulge, or use for anyone else's benefit any confidential information, knowledge, or know-how concerning the method of operating the Restaurant that is communicated to you; techniques; recipes; formulas; processes; designs; financial information; and other information of which you become aware while operating the Restaurant. We will disclose proprietary recipes and preparation methods necessary for you to operate the Restaurant but need not disclose the contents of proprietary seasonings, ingredients, and mixes purchased from designated or approved suppliers.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE
ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your principal owners need not participate in the Restaurant's day-to-day operations, and we do not necessarily recommend that you do so. However, if they do not do so, you must employ a manager to participate in the Restaurant's day-to-day operations. Your manager must devote the necessary time and efforts to supervise and conduct the Restaurant's operation. Your manager and other Restaurant employees must attend and complete our initial brand standard training program to our satisfaction. All who do so will be considered certified in our brand standard training program. Your manager and other on-site employees need not have an equity interest in the Restaurant or you but must agree in writing to preserve confidential information to which they have access. We do not require franchisee owners to sign a guarantee of performance.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all menu items and products, and perform all services, we periodically require for CHESTER'S Restaurants operated at your type of location. You have no right to offer or sell any menu items or products, or perform any services, we have not authorized. We have the right periodically to change required and/or authorized menu items and services and equipment specifications (including required use of our designated POS system). There are no limits on our right to do so. Once a menu item, product, or service has become unauthorized, your Restaurant no longer may offer or sell it. You must operate the Restaurant in compliance with all applicable federal, state, and local laws, ordinances, and regulations. You are not limited in the customers with whom the Restaurant does business from its premises.

ITEM 18
PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Franchise Services, 1531 3rd Avenue North, Suite 110, Birmingham, Alabama 35203, (800) 646-9403, the Federal Trade Commission, and the appropriate state regulatory agencies.

CHESTER'S RESTAURANT AGREEMENT

AGREEMENT FOR CHESTER'S IN-STORE OR NON-TRADITIONAL RESTAURANT

This Agreement (the "**Agreement**") is made and entered into as of _____, 20__ ("**Effective Date**") between Chester's International, LLC, an Alabama limited liability company whose principal business address is 1531 3rd Avenue North, Suite 110, Birmingham, Alabama 35203 ("**we**," "**us**," or "**our**"), and _____ ("**you**" or "**your**") for a CHESTER'S® Restaurant to be operated at _____ (the "**Location**").

1. **Chester's System.** We have developed and own a distinctive system (the "**Chester's System**") for establishing and operating quick-service restaurants and "grab-n-go" concepts, including distinctive design, color schemes and layout; a special selection of menu items; procedures and techniques for food preparation, packaging, and presentation; methods of inventory and operation; and distinctive advertising and promotional programs; all of which we may change and further develop from time to time. We identify the Chester's System by certain trademarks and logos, including CHESTER'S® ("**Marks**"). You desire to operate a restaurant under the Chester's System and to obtain a license from us for that purpose.

2. **License Grant.** We hereby grant you the right and license, and you undertake the obligation, to operate a CHESTER'S restaurant at the Location (the "**Restaurant**") for the term specified below in association with the Marks and in compliance with the Chester's System. This license is non-exclusive. You have no territorial protection. We and our affiliates reserve the right at all times during this Agreement's term to engage in any and all activities that we deem appropriate, at any time or place, without any restrictions.

3. **Term.** This Agreement's term is five (5) years from the Effective Date. You agree to operate the Restaurant for the full five (5) year term. We and you may renew or extend the license at the end of the five (5) year term only upon mutual written consent, which neither party is required to give. We will not consent to any renewal or extension (if we otherwise are inclined to grant a renewal or extension) unless you (a) correct any deficiencies in your operation of the Restaurant that we identify and (b) upgrade, remodel and redecorate the Restaurant's premises as we specify to conform to the current image of a Chester's Restaurant and the Chester's System.

4. **Our Advice and Assistance.** We will provide an initial brand standard training program at the Location to instruct you and your employees on proper Restaurant procedures and techniques. We may provide additional training programs we deem appropriate. We will advise you as we deem appropriate regarding the Restaurant's operation and new developments, techniques, and improvements in areas of Restaurant management, food preparation, sales promotion, and service.

5. **Fees.**

(a) **Training Fee.** You must pay us a \$3,500 training fee when you sign this Agreement. The training fee is not refundable under any circumstances, as it is earned upon receipt. Payment is due by credit card or automated clearing house ("**ACH**") transfer (and you must sign our payment authorization form attached to this Agreement as Exhibit A).

(b) **Marketing Support Fee.** You must pay us a \$200 fee four (4) times per year on the dates we designate for a combination of physical marketing materials that we will prepare and periodically send to you, as well as digital marketing campaigns designed to build brand awareness and drive traffic to the Location. Payment is due by credit card or ACH transfer. If we decide to implement special offerings or promotions for CHESTER'S Restaurants during the course of the year (e.g., "limited-time-offerings"), we also may send you supplemental marketing materials and other items relating to those special offerings, for each of which we currently may require you to pay us up to \$200 per special offering or promotion. We may increase the quarterly Marketing Materials Fee upon 90 days' prior written notice to you, although that quarterly fee will not exceed \$325 per quarter.

(c) **POS Technology Fee.** If you choose to purchase for the Restaurant the POS System hardware that we recommend (but currently do not require), we estimate that you will have to pay us \$250 to \$325 per month as a POS Technology Fee. Payment is due by credit card or ACH transfer. You also must pay us a POS Technology Fee if during this Agreement's term we require you to obtain the Chester's POS System for the Restaurant as part of its required operating equipment. We may increase this POS Technology Fee upon 90 days' prior written notice to you, although the monthly fee will not exceed \$350.

6. **Restaurant Development and Restaurant Readiness Review.** You are responsible for developing the Restaurant in compliance with the Chester's System and ensuring that all plans and specifications comply with our requirements, applicable laws, and lease requirements. You must provide, and we have the right to review and approve, all plans and specifications before you begin developing the Restaurant. You must buy or lease all required fixtures, furniture, equipment, and signs for the Restaurant and an opening inventory of required and authorized products, materials, and supplies. You may not open the Restaurant for business without our prior written approval, which approval is subject to your Restaurant's satisfactory completion of our restaurant readiness review assessment. If we determine in our sole judgment that we must undertake more than one restaurant readiness review for your Restaurant, then we may, at our option, charge you for the costs and expenses that we incur in conducting such restaurant readiness review. Our rights and remedies under the immediately-preceding sentence are in addition to, and do not limit, our other rights and remedies under this Agreement and applicable law. You also may not open the Restaurant for business until all construction requirements are satisfied. However, you must open the Restaurant for business within one hundred eighty (180) days after the Effective Date. You acknowledge that no approvals, consents, waivers, conditions, or the like by us or our agents or brokers (whether under this Section or otherwise) warrant the success of the Restaurant or the appropriateness or suitability of the particular items or matters so approved.

7. **Training.** Once we determine in our sole judgment that the Restaurant has satisfactorily completed our restaurant readiness review process, then certain of your employees (the number and level of which we may specify) must satisfactorily complete our initial brand standard training program at the Location before the Restaurant may begin operations. With our prior written approval, your trained managers may train new and additional Restaurant employees. We may charge you for additional or special guidance, assistance, or training you need or request. We have the right to charge you \$500 per day for any additional training we deem necessary if and after the Restaurant fails an inspection. Payment is due by credit card or ACH transfer once we notify you of the failed inspection.

8. **Operational Standards.** You must operate the Restaurant in compliance with our prescribed standards of quality, cleanliness, appearance, and service; maintain in sufficient supply, and use at all times, only the ingredients, products, materials, supplies, and paper goods that conform to our standards and specifications; offer for sale only the menu items, products, and services that we have expressly approved in writing; discontinue selling any menu items, products, or services that we disapprove in writing; use only those methods of food handling, preparation, and packaging that we specify; and comply with all federal, state, and local laws, rules, and regulations. We have the right from time-to-time to change required product offerings and equipment specifications (including required use of the Chester's POS System), which will take effect upon delivery of notice to you. Should you fail to maintain and be compliant with our operational standards, subject to applicable law, we may instruct our suppliers and/or distributors to temporarily discontinue your product orders and deliveries to the Location until you make a good faith effort, in our sole discretion, to become compliant with our operational standards.

9. **Sourcing.** You must purchase all food items, ingredients, equipment, furnishings, supplies, materials, and other items used or offered for sale at the Restaurant only from suppliers (including manufacturers, distributors, and other sources) that satisfy our then-current standards and specifications; possess adequate quality controls and capacity to supply your needs promptly and reliably; and have received our approval. With respect to our and our affiliates' trade secret or proprietary food products and other branded items, we have the right to limit suppliers to us, our affiliates and/or other specified exclusive sources, in which case you must acquire those trade secret or proprietary food products and other branded items during this Agreement's term only from us, our affiliates and/or the other specified exclusive sources at the prices we or they decide to charge. We and our affiliates have the right to receive payments from suppliers on account of their actual or prospective dealings with you and other licensees and to use all amounts we receive without restriction for any purposes we deem appropriate (unless we and our affiliates agree otherwise with the suppliers).

10. **Branded Items.** All advertising and promotional materials, signs, decorations, paper goods (including disposable food containers, napkins, and menus), forms, stationery, and other items used in connection with the Restaurant's operation must bear the Marks in the form, color, location, and manner we specify. If, at any time, we modify our standards for the Restaurant (to include remodeling or modernization measures) related or pertaining to signage, equipment (which may include the Chester's POS System), inventory, fixtures, accessory features, furnishings, design, layout, or maintenance (the "**Modifications**"), you agree to comply with and complete the Modifications within the timeframe we specify.

11. **Inspections.** We and our agents or other designated third-party representatives acting on our behalf have the right to enter the Location at any time during regular business hours (which you must provide to your Chester's Representative at the time of opening) to conduct inspections. You agree to cooperate with our representatives during those inspections. We have the right to conduct additional in-Restaurant visits if the Restaurant fails any inspection surveys, the Restaurant is temporarily closed, or you interfere with the inspection process. We have the right to charge you \$300 for each required revisit. Payment is due by credit card or ACH transfer upon delivery of notice to you. Upon the third failed in-Restaurant inspection survey, we reserve the right to terminate this Agreement, at which time your post-term obligations will commence as stated in Section 20 of this Agreement.

12. **Use of Marks.** You may use only the Marks we designate and may use them only in the manner we authorize. You must obtain our prior written approval of all your proposed uses of the Marks. Your right to use the Marks ends automatically when this Agreement expires or is earlier terminated. We own all of the Marks and the goodwill associated with them and have the sole right to protect and defend them as we deem appropriate. You may never contest the validity or our ownership of the Marks.

13. **Manuals and Maintaining Confidentiality.** You will operate the Restaurant in compliance with our confidential manuals (the "**Manuals**"), which contain system standards, specifications, operating procedures, and rules, all of which we may modify periodically for business purposes. The Manuals and the information they contain are proprietary and confidential, and you must use reasonable efforts to maintain their confidentiality. You may not during or after this Agreement's term communicate, divulge, or use for anyone else's benefit any confidential information, knowledge, or know-how concerning the Chester's System. We and you agree that any materials, guidance, or assistance that we provide with respect to employment-related policies or procedures, whether in the Manuals or otherwise, are solely for your optional use. Those materials do not form part of the mandatory operational standards. You will determine to what extent, if any, these materials, guidance, or assistance should apply to your employees. You acknowledge that we do not dictate or control labor or employment matters for licensees and their employees. You are solely responsible for determining the terms and conditions of employment for all of your employees, for all decisions concerning the hiring, firing and discipline of your employees, and for all other aspects of your Restaurant's labor relations and employment practices. We and you are not joint employers of your employees and other personnel. We do not and will not share or codetermine any of your employees' essential terms and conditions of employment. More specifically, in no case do we have any authority to determine or set your employees': (1) wages, benefits, and other compensation; (2) hours of work and scheduling; (3) the assignment of duties to be performed; (4) the supervision of the performance of duties; (5) work rules and directions governing the manner, means, and methods of the performance of duties and the grounds for discipline; (6) the tenure of employment, including hiring and discharge; and/or (7) working conditions related to the safety and health of employees. You alone have sole authority to determine any or all your employees' essential terms and conditions of employment.

14. **Competitive Business.** In this Agreement, the term "**Competitive Business**" means any (a) business preparing and selling to customers breaded chicken products or the other types of products (e.g., "sides" such as potato wedges) that we require the Restaurant to prepare and sell as of the Effective Date, including, but not limited to, such businesses as Charley Biggs, Champs Chicken, Krispy Krunchy Chicken, Cooper's Express, Broaster Chicken, and Chicken King, (b) business that includes a "Restaurant-in-Store" unit where the Restaurant-in-Store unit derives more than twenty-percent (20%) of its revenue from selling chicken, or (c) business granting franchises or licenses to others to operate the types of businesses described in clauses (a) or (b), other than a CHESTER'S Restaurant operated under an agreement with us. During this Agreement's term, you agree that neither you nor your owners will have any direct or indirect, controlling or non-controlling interest as an owner in, or perform services as a director, officer, manager, employee, consultant, representative, or agent for, a Competitive Business at the Location or within a five (5)-mile radius from the Location.

For each violation of this restriction on the operation of a Competitive Business, you acknowledge that we will suffer substantial Brand Damages. "**Brand Damages**" means, among other things, lost market penetration and goodwill, loss of CHESTER'S Restaurant representation in the Location's market area, customer confusion, lost opportunity costs, and expenses that we will incur in developing or finding another operator to develop another CHESTER'S Restaurant in the Location's market area. We and you acknowledge that Brand Damages are difficult to estimate accurately, and proof of Brand Damages would be burdensome and costly, although such damages are real and meaningful to us. Therefore, for each violation of the restriction on the operation of a Competitive Business, you must pay us in a lump sum, on or before the date we specify, liquidated damages equal to Five-Thousand Dollars (\$5,000). Payment is due by credit card or ACH transfer. You agree that these liquidated damages represent the best estimate of our Brand Damages arising from each violation of the restriction on the operation of a Competitive Business. Your payment of the liquidated damages to us will not be considered a penalty but, rather, a reasonable estimate of fair compensation to us for the Brand Damages we will incur. You acknowledge that your payment of liquidated damages is full compensation to us only for the Brand Damages and is in addition to, and not in lieu of, your obligations to pay other amounts due to us under this Agreement and to comply strictly with all other contractual obligations.

15. **Reporting.** You must send us monthly reports regarding the Restaurant's sales, labor costs, and profits in the format we specify (other than employee-related information). If you purchase the Restaurant POS System hardware that we recommend (but do not currently require), or if during this Agreement's term we require you to obtain the Chester's POS System for the Restaurant as part of its required operating equipment, you also must pay us the POS Technology Fee we specify in Section 5(c) and provide us with independent, unlimited access to the information the System generates (although not to employee- or employment-related information for your Restaurant's employees).

16. **Advertising.** You must advertise the Restaurant, at your own expense, on a reasonable number of DOT signs on nearby interstates. However, if no such DOT signs are available for such advertising activities as of this Agreement's Effective Date, you need not conduct this type of advertising until the DOT signs become available. We and you periodically will discuss and reasonably determine the availability of DOT signs for advertising. Regardless of where you operate your Restaurant, we may review and approve (or disapprove) all advertising and promotional materials you propose to use that we have not prepared for CHESTER'S Restaurants and sent you (and for which we charge you the fees specified in Section 5(b) above). You may not use any advertising or promotional materials that we have not approved or have disapproved. You may not develop, maintain, or authorize any website that mentions the Marks. You may not misrepresent Chester's products in any advertising, including that Chester's products are Halal or Kosher.

17. **Insurance.** You must obtain and maintain the types and amounts of insurance coverage appropriate in your market for the Restaurant's business activities, which must include at least \$1 million per occurrence and \$2 million in the annual aggregate of comprehensive general liability coverage. Your comprehensive general liability policy must name Chester's International, LLC as an additional insured and provide for a waiver of subrogation in favor of us. Your insurance will be primary and any insurance carried by us will be excess and non-contributory.
18. **Assignment.** We may change our ownership or form and/or assign this Agreement to a third party without restriction. If we assign this Agreement, we will have no liability for events or performance arising after the effective date of the assignment. You may not transfer this Agreement without our prior written consent, which we may grant or withhold as we deem best. If your controlling ownership interest or actual management control is transferred, or if you sell substantially all of your assets, that will be considered a transfer of this Agreement for purposes of our approval rights. If such a transfer occurs without our approval, we may terminate this Agreement, effective immediately upon delivery of notice.
19. **Termination.** In addition to our termination rights in Section 18, we may terminate this Agreement, effective immediately upon delivery of notice to you, if you fail to comply with any provision of this Agreement or any other agreement or promissory note with us or our affiliates and you do not correct that failure within twenty (20) days after our delivery of notice of default. If your default is by nature non-curable, we may terminate this Agreement without giving you any opportunity to cure. You have no contractual right to terminate this Agreement. The parties shall not be liable for any delay in or impairment of performance resulting in whole or in part from an event beyond the parties' reasonable control, including: natural disasters, fire, flood, severe weather, pandemic, disease epidemic, crop failure or lack of ingredients; embargoes, trade restrictions, or other acts of government; explosions, riots, wars, or acts of terrorism; strikes, lockouts, or labor disruptions; and shortages of transportation equipment, fuel, or labor (each, a "FME"). Notwithstanding anything to the contrary herein, if you are unable fulfill your obligations in this Agreement herein due to an FME, we agree to engage in good faith discussions to come to a mutually acceptable resolution; provided that if the parties are unable to mutually agree on a resolution within 45 days of entering into such discussions, we may terminate the Agreement effective immediately. In no case may an FME last more than 180 days.
20. **Post-Term Obligations.** When this Agreement expires or is terminated, you must immediately stop operating the Restaurant under the Chester's System and Marks; not thereafter represent to the public or hold yourself out as a present or former licensee of ours; immediately and permanently stop using any confidential methods, procedures, and techniques associated with the Chester's System and Marks; follow our instructions to de-identify the Restaurant from the Chester's System within the timeframe we specify; promptly pay all monies due to us and our affiliates; immediately deliver to us (at no cost to us) all Manuals, brochures, invoices, and other materials bearing the Marks. You will have 14 business days to show that you have completed all payment and Restaurant-specific physical de-branding obligations (the other obligations are immediate and continuing). If you fail to comply with the payment and Restaurant-specific physical de-branding obligations within 14 business days, you must pay us a \$1,500 fee. Payment is due by credit card or ACH transfer. If you fail to comply with your debranding obligations within the aforementioned timeframe, you agree to permit our third-party agent access to your premises to remove Chester's Marks from the Location. All of our and your (and your owners) obligations under this Agreement which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until these obligations are satisfied in full or by their nature expire.
21. **Paying Taxes.** You must promptly pay when due all taxes incurred in operating the Restaurant. You agree to notify us in writing within 10 days after the commencement of any action, suit, or proceeding that may adversely affect the Restaurant's operation or financial condition or the Marks.

27. **Governing Law.** Except to the extent governed by United States federal law, this Agreement, the license, and all claims arising from or relating to the relationship between you and us shall be governed, interpreted, and construed under the laws of the State of Alabama, without reference to principles of conflicts of law. INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Chester's International, LLC

Opinion

We have audited the accompanying financial statements of Chester's International, LLC (an Alabama limited liability company), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and members' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chester's International, LLC as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chester's International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chester's International, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chester's International, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chester's International, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. NATURE OF OPERATIONS

Description of Business

Chester's International, LLC (the Company) is an Alabama limited liability company formed to distribute food products and supplies. The Company also franchises quick-serve chicken and sides restaurants under the "Chester's" concept.

Franchise Operations

The Company executes store-level franchise agreements, which set out the terms of the arrangement with the franchisees for units operated by third parties. The Company's franchise agreements typically require the franchisee to pay an initial, non-refundable fee upon an individual store opening. Subject to Company approval, a franchisee may generally renew the franchise agreement upon its expiration. There were 1,002 franchises in operation at December 31, 2023 (1,081 at December 31, 2022). There were no franchisor-owned outlets in operation at December 31, 2023 and 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statement Presentation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash

The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Accounts Receivable

Accounts receivable primarily consist of trade receivables from customers and are stated at the amount the Company expects to collect, net of allowance. The Company extends credit based on an evaluation of the customer's financial condition. Exposure to loss on receivables is principally dependent on each customer's financial condition. Management determines the allowance for doubtful accounts based on historical losses and current economic conditions. Management analyzes delinquent receivables on a continuing basis and, once any receivables are determined to be uncollectible, they are written off through a charge against the allowance. As of December 31, 2023 and 2022, the Company has recorded an allowance for credit losses of \$46,653 and \$37,635, respectively.

Inventories

Inventories, which consist of goods held for resale, are stated at the lower of first-in, first-out (FIFO) cost or net realizable value. Inventories consist of equipment, ingredients and supplies available for sale to customers. At December 31, 2023 and 2022, the Company had an inventory reserve of \$50,140, respectively.

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Property and Equipment

Property and equipment are stated at cost. Additions and improvements to property and equipment are capitalized at cost, while maintenance and repairs are charged to operations when incurred. Depreciation is computed under the straight-line method over the following estimated useful lives:

<u>Item</u>	<u>Estimated Useful Life</u>
Furniture and equipment	5 – 7 years
Vehicles	5 years

Leasehold improvements are generally amortized on a straight-line basis over the lesser of the lease term or the estimated useful life of the asset.

Leases

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification 9ASC) Topic 842, Leases, at lease commencement, the Company initially measures the lease liability at the present value of payments expected to be made during the lease term. The right-of-use lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs.

Key estimates and judgments related to leases include how the Company determines: (1) the discount rate used to discount the expected lease payments to present value, (2) lease term, and (3) lease payments. The Company uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the Company generally uses the risk free interest rate as the discount rate for leases. The lease term includes the noncancellable period of the lease, as well as expected renewal terms. In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options are only included in the lease term if the lease is reasonably certain to be extended.

The Company monitors changes in circumstances that would require a remeasurement of its leases and will remeasure right-of-use lease assets and liabilities if certain changes occur that are expected to significantly affect the amount of any lease liability.

Goodwill

The Company has adopted the accounting alternative that permits nonpublic entities to elect to amortize goodwill on a straight-line basis over ten years. Goodwill is assigned to specific reporting units and is reviewed for possible impairment annually or more frequently if events or circumstances indicated that a reporting unit's carrying amount is greater than its fair value. An impairment loss is recognized to the extent the carrying amount of goodwill exceeds its estimated fair value. There were no impairment charges recorded in years 2023 or 2022.

Unearned Franchise Fees

Unearned franchise fees consists of initial franchise fees as a result of an individual franchise location sale to third parties and is recognized upon opening of the franchise.

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Revenue Recognition

The Company generates revenue primarily from the distribution and sale of food and related products to its customers. The Company recognizes revenue when the performance obligation is satisfied, which primarily occurs at a point when goods or services have been delivered. The timing of satisfaction of the performance obligation is not subject to significant judgment. Revenue is measured as the amount of consideration the Company expects to be entitled to receive in exchange for those goods or services.

Sales tax collected from customers is not included in revenue, but rather recorded as a liability due to the respective taxing authorities.

On January 28, 2021, the FASB issued Accounting Standards Update (ASU) 2021-02, *Franchisors—revenue from Contracts with Customers*, which allows a nonpublic company franchisor to use a practical expedient when identifying performance obligations in its contracts with customers. The practical expedient allows the private company franchisor to treat certain preopening services that are provided to the franchisees as distinct from the franchise license. The preopening services are as follows: (a) training of the franchisee's personnel or the franchisee and preparation (b) advise on operations, new developments, techniques and improvements in restaurant management, food preparation, sales promotion and service. The Company has applied the practical expedient retrospectively to all periods presented.

Franchise agreements typically require an upfront franchise fee paid upon opening of a store. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective. The Company has determined that the services provided in exchange for upfront franchise fees, which primarily relate to pre-opening support, are distinct from the ongoing services provided to franchisees. Additionally, under ASU 2021-02, upfront franchise fees are recognized upon opening of the franchise. Franchise fees for the years ended December 31, 2023 and 2022 was \$286,274 and \$254,500, respectively, and is included in sales in the accompanying statements of income and members' equity.

The following table includes the impact on the Company's statements of income and members' equity for the retrospective adoption of ASU 2021-02 during the year ended December 31, 2022:

	<u>As Previously Reported</u>	<u>Increase (Decrease)</u>	<u>As Restated</u>
Sales	\$ 46,083,674	\$ 19,944	\$ 46,103,618

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The following table includes the impact on the Company's balance sheet as of December 31, 2022, for the retrospective adoption of ASU 2021-02:

	<u>As Previously Reported</u>	<u>Increase (Decrease)</u>	<u>As Restated</u>
Unearned franchise fees	\$ 469,150	\$ (244,250)	\$ 224,900

Members' equity at December 31, 2021	2,012,709	224,306	2,237,015

Shipping and Handling Costs

Shipping and handling costs include costs associated with the selection and delivery of products to customers and are included in selling and administrative expenses in the statements of income.

Advertising Costs

Advertising costs are charged to operations when incurred. Advertising expense for the years ended December 31, 2023 and 2022 was \$165,180 and \$278,273, respectively.

Income Taxes

The Company is a limited liability company for federal income tax purposes and has elected under Section 701 of the Internal Revenue Code (IRC) to have its income or loss taxed directly to the members. Accordingly, no income tax provision is required.

The Company assesses its uncertain tax positions for the likelihood that they would be overturned upon Internal Revenue Service (IRS) examination or upon examination by state taxing authorities. The Company has assessed its uncertain tax positions and determined that it does not have any positions at December 31, 2023 and 2022, that it would be unable to substantiate. The Company has filed tax returns through 2022.

Recently Adopted Accounting Guidance

In June 2016, the FASB issued guidance ASC 326, *Current Expected Credit Loss Standard* (CECL), which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in FASB ASC 326 were trade accounts receivable. The Company adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements.

Subsequent Events

For the year ended December 31, 2023, the Company has evaluated subsequent events for potential recognition and disclosure through April 4, 2024, the date at which the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Chester's International, LLC

Opinion

We have audited the accompanying financial statements of Chester's International, LLC (an Alabama limited liability company), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income, members' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chester's International, LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chester's International, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chester's International, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chester's International, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chester's International, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. NATURE OF OPERATIONS

Description of Business

Chester's International, LLC (the Company) is an Alabama limited liability company formed to distribute food products and supplies. The Company also franchises quick-serve chicken and sides restaurants under the "Chester's" concept.

Franchise Operations

The Company executes store-level franchise agreements, which set out the terms of the arrangement with the franchisees for units operated by third parties. The Company's franchise agreements typically require the franchisee to pay an initial, non-refundable fee upon an individual store opening. Subject to Company approval, a franchisee may generally renew the franchise agreement upon its expiration. There were 1,081 franchises in operation at December 31, 2022 (1,071 at December 31, 2021). There were no franchisor-owned outlets in operation at December 31, 2022 and 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statement Presentation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash

The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Accounts Receivable

Accounts receivable primarily consist of trade receivables from customers and are stated at the amount the Company expects to collect, net of allowance. The Company extends credit based on an evaluation of the customer's financial condition. Exposure to loss on receivables is principally dependent on each customer's financial condition. Management determines the allowance for doubtful accounts based on historical losses and current economic conditions. Management analyzes delinquent receivables on a continuing basis and, once any receivables are determined to be uncollectible, they are written off through a charge against the allowance. As of December 31, 2022 and 2021, the Company has recorded an allowance for doubtful accounts of \$37,635 and \$33,500, respectively.

Inventories

Inventories, which consist of goods held for resale, are stated at the lower of first-in, first-out (FIFO) cost or net realizable value. Inventories consist of equipment, ingredients and supplies available for sale to customers. At December 31, 2022 and 2021, the Company had an inventory reserve of \$50,140 and \$110,546, respectively.

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Property and Equipment

Property and equipment are stated at cost. Additions and improvements to property and equipment are capitalized at cost, while maintenance and repairs are charged to operations when incurred. Depreciation is computed under the straight-line method over the following estimated useful lives:

<u>Item</u>	<u>Estimated Useful Life</u>
Furniture and equipment	5 – 7 years
Vehicles	5 years

Leasehold improvements are generally amortized on a straight-line basis over the lesser of the lease term or the estimated useful life of the asset.

Leases

Effective January 1, 2022, the Company adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 842, *Leases* ("Topic 842"). Under Topic 842, a lessee is required to recognize a lease liability and a right-to-use lease asset on the balance sheets. Upon adoption of the new guidance, the Company recognized right-to-use lease assets and lease liabilities of \$1,695,152. There was no cumulative effect adjustment to the Company's retained earnings as a result of the adoption of this standard.

In connection with the adoption of Topic 842, the Company elected to apply the following practical expedients:

- not to reassess whether a contract includes an embedded lease at adoption;
- not to reassess the previously determined classification of a lease as operating or capital;
- election of an accounting policy to exclude lease accounting requirements for leases that have terms of less than 12 months; and
- the use of hindsight in determining the lease term and in assessing impairment of right-of-use assets.

In accordance with Topic 842, at lease commencement, the Company initially measures the lease liability at the present value of payments expected to be made during the lease term. The right-to-use lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs.

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Key estimates and judgments related to leases include how the Company determines: (1) the discount rate used to discount the expected lease payments to present value, (2) lease term, and (3) lease payments. The Company uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the Company generally uses the risk free interest rate as the discount rate for leases. The lease term includes the noncancellable period of the lease, as well as expected renewal terms. In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options are only included in the lease term if the lease is reasonably certain to be extended.

The Company monitors changes in circumstances that would require a remeasurement of its leases and will remeasure right-to-use lease assets and liabilities if certain changes occur that are expected to significantly affect the amount of any lease liability.

Goodwill

The Company has adopted the accounting alternative that permits nonpublic entities to elect to amortize goodwill on a straight-line basis over ten years. Goodwill is assigned to specific reporting units and is reviewed for possible impairment annually or more frequently if events or circumstances indicated that a reporting unit's carrying amount is greater than its fair value. An impairment loss is recognized to the extent the carrying amount of goodwill exceeds its estimated fair value. There were no impairment charges recorded in years 2022 or 2021.

Deferred Revenue

Deferred revenue primarily consists of initial franchise fees as a result of an individual franchise location sale to third parties and is recognized over the period of the franchise agreement.

The following table includes estimated revenue expected to be recognized in the future related to the performance obligations that are unsatisfied (or partially unsatisfied) as of December 31, 2022:

2023	\$	242,400
2024		118,430
2025		76,610
2026		31,710
		<u>469,150</u>
	\$	<u>469,150</u>

CHESTER'S INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Revenue Recognition

The Company generates revenue primarily from the distribution and sale of food and related products to its customers. The Company recognizes revenue when the performance obligation is satisfied, which primarily occurs at a point when goods or services have been delivered. The timing of satisfaction of the performance obligation is not subject to significant judgment. Revenue is measured as the amount of consideration the Company expects to be entitled to receive in exchange for those goods or services.

Franchise agreements typically require an upfront franchise fee paid upon opening of a store. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective. The Company has determined that the services provided in exchange for upfront franchise fees, which primarily relate to pre-opening support, are highly interrelated with the franchise right and are not individually distinct from the ongoing services provided to franchisees. As a result, upfront franchise fees are recognized as revenue over the term of each respective franchise agreement. Revenues for these upfront franchise fees are recognized on a straight-line basis, which is consistent with the franchisee's right to use and benefit from the intellectual property which is generally five years.

Sales tax collected from customers is not included in revenue, but rather recorded as a liability due to the respective taxing authorities.

Shipping and Handling Costs

Shipping and handling costs include costs associated with the selection and delivery of products to customers and are included in selling and administrative expenses in the statements of income.

Advertising Costs

Advertising costs are charged to operations when incurred. Advertising expense for the years ended December 31, 2022 and 2021 was \$278,273 and \$158,194, respectively.

Income Taxes

The Company is a limited liability company for federal income tax purposes and has elected under Section 701 of the Internal Revenue Code (IRC) to have its income or loss taxed directly to the members. Accordingly, no income tax provision is required.

The Company assesses its uncertain tax positions for the likelihood that they would be overturned upon Internal Revenue Service (IRS) examination or upon examination by state taxing authorities. The Company has assessed its uncertain tax positions and determined that it does not have any positions at December 31, 2022 and 2021, that it would be unable to substantiate. The Company has filed tax returns through 2021.

Subsequent Events

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. **ADDENDUM TO
CHESTER'S INTERNATIONAL, LLC
MULTI-STATE FRANCHISE DISCLOSURE DOCUMENT**

CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

2. SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF THE DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR AGREEMENT.

3. Our website has not been reviewed or approved by the California Department of Financial Protection & Innovation. Any complaints concerning the content of the website may be directed to the California Department of Financial Protection & Innovation at www.dfpi.ca.gov.

4. The following language is added to the “Special Risks to Consider About *This Franchise*” page:

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

5. Item 3 of the Franchise Disclosure Document is amended to provide that neither the franchisor, nor any person in Item 2 of the Franchise Disclosure Document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

6. The following paragraphs are added at the end of the chart in Item 17 of the Franchise Disclosure Document:

California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning transfer, termination or nonrenewal of a franchise. If the Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Agreement requires application of the laws of the State of Alabama. This provision might not be enforceable under California law.

7. There are no bankruptcy or release provisions in our franchise documents.

ILLINOIS

1. The following statements are added to the end of Item 17:

Except for federal law, Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon termination and non-renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

MARYLAND

1. The "Summary" section of Item 17(w) in the Franchise Disclosure Document, captioned "Choice of law," is amended to read as follows:

Except for federal law and claims arising under the Maryland Franchise Registration and Disclosure Law, Alabama law applies.

2 The following language is added to the end of the chart in Item 17:

You must bring any claims arising under the Maryland Franchise Registration and Disclosure Law within 3 years after the grant of the franchise.

MINNESOTA

1. The following paragraphs are added at the end of the chart in Item 17 of the Franchise Disclosure Document:

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Agreement.

Minn. Stat. § 80C.21 and Minn. Rule Part 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota or requiring you to consent to liquidated damages. In addition, nothing in the Franchise Disclosure Document or Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes 1984, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by laws of the jurisdiction.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND NEW YORK STATE DEPARTMENT OF LAW, BUREAU OF INVESTOR PROTECTION AND SECURITIES, 28 LIBERTY STREET, 21ST FLOOR, NEW YORK, NEW YORK 10005. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national

securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of Item 4:

4. The following is added to the end of Item 5:

We will use the start-up fee to assist us in performing our pre-opening obligations and for general operating funds.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

**WASHINGTON ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT, THE
FRANCHISE AGREEMENT, FRANCHISE REPRESENTATIONS, AND RELATED
AGREEMENTS**

This Rider is made and entered into as of the _____ day of _____, 20____ (the “Effective Date”) (regardless of the dates of the parties’ signatures) by and between **CHESTER’S INTERNATIONAL, LLC**, an Alabama limited liability company (“we,” “us, or our), and _____ (“Licensee,” “you,” or “your”).

1. **BACKGROUND.** We and you are parties to that certain Agreement dated _____ 20____ that has been signed concurrently with the signing of this Rider (the “Agreement”). This Rider is annexed to and forms part of the Agreement. This Rider is being signed because (a) the offer or sale of the franchise for the Restaurant that you will operate under the Agreement was made in the State of Washington, (b) you are a resident of Washington, and/or (c) the Restaurant will be located or operated in Washington.

2. **ADDITION OF PARAGRAPHS.** The following paragraphs are added to the end of the Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this Rider.

3. **Guaranty.** Owner hereby jointly and severally and unconditionally and irrevocably guarantees to Chester's (a) the punctual payment when due, whether by lapse of time, by acceleration of maturity, or otherwise, and at all times thereafter, of all principal, interest (including interest accruing after the commencement of any bankruptcy or insolvency proceeding by or against Licensee, whether or not allowed in such proceeding), fees, costs, expenses, indemnification indebtedness, and other sums of money now or hereafter due and owing pursuant to (i) the terms of the Note and (ii) all renewals, extensions, refinancings,

modifications, supplements or amendments of such indebtedness or any part thereof. The guaranty of Owner as set forth in this Section is a continuing guaranty of payment and performance not a guaranty of collection.

PROMISSORY NOTE

\$ _____, 202_

FOR VALUE RECEIVED, we, the undersigned (individually, a “Maker” and collectively, the “Makers”), jointly and severally, promise to pay to the order of Chester’s International, LLC, an Alabama limited liability company whose principal business address is 1531 3rd Avenue North, Suite 110,, Birmingham, Alabama 35203 (“Payee”), the principal sum of _____ and 00/100 Dollars (\$ _____ .00).

This Promissory Note (“Note”) shall be for a term beginning on the date written above and ending on [Final Payment Date]. The Note shall bear interest at the rate of zero percent (0.0%) per annum on the unpaid principal balance from time to time outstanding until paid in full. Interest on the unpaid principal balance (if any) shall be accrued and paid monthly with a final payment in full on the date of the last payment due under the Note, subject only to the provisions hereinafter stated as to default and acceleration.

Makers shall begin principal and interest payments on or before _____ and shall continue such principal and interest payments through [Final Payment Date] on or before the dates and in the amounts set forth on the chart attached to this Note as Appendix A, with all accrued interest also due on or before [Final Payment Date].

When reconciling payments of principal and interest for purposes of determining interest and the amount of the principal and interest payment due on or before [Final Payment Date], payments shall be credited first to the payment of accrued interest, and the balance of any payment in excess of such interest shall be applied and credited to the principal balance then outstanding.

This Note is payable by electronic funds transfer to an account designated by Payee. If no account is designated, Makers shall make all payments due under this Note in the same manner in which they pay Payee other amounts due under the Chester’s Agreements with Payee.

This Note shall become immediately due and payable without notice or demand upon the occurrence at any time of any of the following events of default (individually, an “Event of Default” and collectively, “Events of Default”):

- (1) Default in the payment when due of any principal or interest under this Note;
- (2) The occurrence of any event of default under any Chester’s Agreement or other agreement between any of the Makers and Payee;
- (3) The liquidation, termination of existence, dissolution, insolvency, or business failure of any Maker, or the appointment of a receiver or custodian for any Maker or any part of its property;
- (4) The institution by or against any Maker of this Note of any proceedings under any Bankruptcy Code or any other federal or state bankruptcy, reorganization, receivership, insolvency, or other similar law affecting the rights of creditors generally or the making by any Maker of this Note of a composition or an assignment or trust mortgage for the benefit of creditors; or
- (5) The sale, assignment or transfer by any Maker of any interest to the Chester’s Agreements or related Licensed businesses, which is not in accordance with the terms of those agreements.

Every amount overdue under this Note shall bear interest from and after the date on which such amount first became overdue at an annual rate of ten percent (10%). Such interest on overdue amounts under this Note shall be payable on demand and shall accrue and be compounded monthly until the obligation of the Maker with

respect to the payment of such interest has been discharged (whether before or after judgment).

In no event shall any interest charged, collected, or reserved under this Note exceed the maximum rate then permitted by applicable law and if any such payment is paid by the Makers, then such excess sum shall be credited by Payee as a payment of principal.

All payments by the Makers under this Note shall be made without set-off or counterclaim and be free and clear and without any deduction or withholding for any taxes or fees of any nature whatever, unless the obligation to make such deduction or withholding is imposed by law. The Makers shall jointly and severally pay and save Payee harmless from all liabilities with respect to or resulting from any delay or omission to make any such deduction or withholding required by law.

The Makers agree to pay on demand all costs of collection, including reasonable attorneys' fees, incurred by Payee in enforcing the obligations of the Makers under this Note, whether suit is brought or not.

No delay or omission on the part of Payee in exercising any right under this Note or the Forbearance Agreement shall operate as a waiver of such right or of any other right of Payee, nor shall any delay, omission, or waiver on any one occasion be deemed a bar to or waiver of the same or any other right on any future occasion. The Makers each waive presentment, demand, protest, and notices of every kind and assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange or release of collateral, and to the addition or release of any other party or person primarily or secondarily liable.

This Note may be prepaid in whole or in part at any time or from time to time in the sole discretion of Payee. Any such prepayment shall be without premium or penalty.

None of the terms or provisions of this Note may be excluded, modified, or amended except by a written instrument duly executed on behalf of Payee expressly referring to this Note and setting forth the provision so excluded, modified, or amended.

During the term of this Note, and upon ten (10) days written request by Payee, Makers agree to give Payee adequate assurances as to Makers' ability to comply with the terms of this Note. Such assurances shall include, but not be limited to, Makers' then current financial statement, which Payee may require be certified by a Certified Public Accountant. Maker agrees that Payee may disclose such financial statements, or any other financial information pertaining to Maker which Payee may possess, to any potential buyer, assignee or holder in due course of this Note.

The Makers acknowledge that an Event of Default under the terms of this Note shall constitute a default under the terms of the Chester's Agreements between Makers and Payee. Should Makers fail to cure said default within ten (10) days of receipt of written notice, Payee shall have the right to terminate said Chester's Agreements and all post-termination obligations of said agreements shall apply.

The enforceability of the terms of this Note and the legality of the interest rate specified herein shall be interpreted in accordance with and governed by the laws of the State of Alabama. In the event of litigation involving this Note, Makers agree that this Note shall be construed in accordance with Alabama law. Makers acknowledge and agree that the federal and state courts located in Alabama shall be the venue and exclusive proper forum in which to adjudicate any case or controversy arising, either directly or indirectly, under or in connection with the Note and Makers further agree that, in the event of litigation arising out of or in connection with this Note in these courts Makers will not contest or challenge the jurisdiction or venue of these courts.
