What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement and Multi-Unit Development Agreement require you to resolve disputes with the franchisor by arbitration and/or litigation only in Georgia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Georgia than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Franchise Disclosure Document, “we”, “us”, “Any Test Franchising” means Any Test Franchising, Inc., the franchisor. “You” means the person or entity that buys the franchise (the “Franchisee”). If an entity is the Franchisee, “you” includes the Franchisee’s owners.

The Franchisor, and Parents, Predecessors and Affiliates

Any Test Franchising, Inc. was incorporated under Georgia law on September 20, 2004. We do not do business under any other name. Our principal business address is 303 Perimeter Center North, Suite 575, Atlanta, Georgia, 30346. Our agents for service of process are disclosed in Exhibit D to this Franchise Disclosure Document. We do not operate any Any Lab Test Now businesses, we have never offered franchises in any other line of business, and we are not engaged in any other business activity.

Our affiliate, ALTN Houston, LLC, which is owned by some of our principal officers, operated 7 Any Lab Test Now businesses as of December 31, 2022, which we refer to in this disclosure document as “Affiliate-Operated Businesses”. ALTN Houston, LLC does not offer franchises in any line of business or provide products or services to our franchisees.

We do not have a parent or predecessor. We do not have any affiliates that offer franchises in any line of business or provide products or services to our franchisees.

Description of the Franchise

Single Unit Franchise

We offer and sell two franchise models for Any Lab Test Now businesses: (i) the Stand-Alone Business model, where the Any Lab Test Now business operates from its own brick and mortar location, and (ii) the Micro Market Business model, which typically is for an Any Lab Test Now business located in an area with a territory population of 110,000 or less based on a Metropolitan Statistical Area (“MSA”). A Micro Market Business often may be established within approved businesses that complement the Any Lab Test Now business model.

Any Lab Test Now businesses operate as collection-only facilities and do not operate as a lab for study, diagnosis or treatment of human ailments and injuries, whether physical or mental. These businesses specialize in the collection of blood, urine, DNA or other human specimens for analysis and administer certain types of injections and immunizations for the analysis portion of the business operations. Any Lab Test Now businesses are required to utilize approved services from our required or preferred lab testing partners, which will perform the analysis of the collected test samples for customers. A lab employed courier will pick up test samples on a daily basis or specimens will be shipped. Any Lab Test Now businesses only accept checks, cash and credit cards as payments and may not accept any insurance claims, Medicare or Medicaid payments.

Any Lab Test Now businesses operate under our proprietary business format and system, including our valuable know how, information, trade secrets, methods, operations manual (“Manual”), standards, designs, methods of trademark usage, copyrightable works, products and service sources and specifications, software, confidential electronic and other communications, methods of Internet usage, marketing programs, and research and development connected with the operation and promotion of the business (collectively, the “System” with approved services and products referred to as “Services and Products”)

owned and developed by us. We reserve the right to change or otherwise modify the System and add, modify, or delete any of our Services and Products at any time.

Any Lab Test Now businesses are identified by our proprietary trade names, trademarks, service marks, logos, decor, trade dress, lay out, and commercial symbols, and similar and related words or symbols, now or in the future associated with the System, whether or not they are registered, including, but not limited to, “Any Lab Test Now” (collectively, the “Marks”).

This disclosure document sets forth the terms on which we currently offer franchises for Any Lab Test Now businesses (“Businesses”). If you purchase a franchise, you must operate your Business in accordance with our System and sign our standard franchise agreement (“Franchise Agreement”), which is attached to this disclosure document as Exhibit B. We also offer franchises to existing franchisees who wish to open additional Businesses. Existing franchisees must sign the then-current form of Franchise Agreement and are subject to certain terms that may be different from franchisees opening their first Business as noted in various items of this disclosure document.

Multi-Unit Development Program.

Under the Multi-Unit Development Program, we assign a number of geographic locations (“MUD Areas”) within which you must open and operate a minimum of two Any Lab Test Now businesses within a specified period of time (“MUD Schedule”). The locations for the Any Lab Test Now businesses required to be opened will be mutually agreed upon by you and us and will be based on the size of the various market and other demographic and economic factors. If you elect to participate in and are approved for this program, you will execute a Multi-Unit Development Agreement (the “MUD Agreement”) in the form attached as Exhibit C, which will describe your MUD Areas and the MUD Schedule. You will also pay the MUD Fee that is described in Item 5 when you sign the MUD Agreement.

You will sign the Franchise Agreement attached as Exhibit B for your first Any Lab Test Now business when you sign the MUD Agreement. You must sign our then-current form of Franchise Agreement for each Any Lab Test Now business opened under the terms of the MUD Agreement, which may not be the same as the Franchise Agreement that is attached to this disclosure document and may have materially different terms. In no event will you sign a Franchise Agreement for a Any Lab Test Now business until we have complied with any applicable waiting periods prescribed by law, and in no event will you be a franchisee entitled to operate a Any Lab Test Now business until we sign the Franchise Agreement for that particular business.

The Market and Competition

Any Lab Test Now businesses offer their services to the general public. You may have to compete with other businesses including franchised operations, national chains, and independently owned businesses offering similar services to customers. The market for lab services is developed and highly competitive and is focused on individuals needing testing through a prescription ordered by their physician. You will also face other normal business risks that could have an adverse effect on your Business. These include industry developments, such as pricing policies of competitors, and supply and demand.

Regulations

Your Business will be subject to general business, employment and other laws and regulations. You should consult with your attorney and local, state and federal government agencies before buying an Any Lab Test Now franchise to determine all legal requirements and consider their effects on you and the

cost of compliance. It is your sole responsibility to investigate, satisfy and remain in compliance with all local, state and federal laws, since they vary from place to place and can change over time.

The franchising of businesses that offer quasi-medical products or services is complex and requires the parties to be flexible. In some states these services may be required by law to be licensed. Neither we nor our franchisees are a “covered entity”, as that term is defined by the US Department of Health & Human Services.

There are no specific federal laws relating to the operation of your Business, but there may be laws and regulations in your state or county that may apply to the operation of your Business. In some states, you do not need to be a physician to own or operate an Any Lab Test Now business. In other states, you may need a management agreement with a licensed physician who can act as the ordering physician for various services (e.g. blood testing). In addition, your Business may not be able to legally perform certain actions or services (i.e., those of a phlebotomist) unless the Business has a specific order from a licensed physician or a license or certification to do so from an appropriate governmental agency.

In addition to laws and regulations that apply to businesses generally, the operation of Any Lab Test Now businesses may be subject to federal, state, occupational safety and health regulations (OSHA), Equal Employment Opportunity and Americans with Disabilities Act rules and regulations. Some jurisdictions may choose to regulate vigorously these and other laws that may adversely affect your ability to obtain the proper permits needed in order to open an Any Lab Test Now business. For example, California and a few other states require you to be certified in order to perform the functions of a phlebotomist. A permit or license may be required in your state before you can perform the actions and services of a phlebotomist. Some states may require a minimum training of one year or longer as a phlebotomist. We also feel that future rules and regulations may well be promulgated. Prior to signing the Franchise Agreement, you should verify that you will be able to obtain all necessary permits and licenses in order to operate the Business in your state or county. You must verify with your state the specific rules and regulations for this requirement.

OSHA safety requirements must be strictly adhered to in the handling and disposal of all blood, urine or other human specimens.

ITEM 3 LITIGATION

Completed Actions

Any Test Franchising, Inc. v. Susan Workman-Rooster Enterprises, LLC, No. 2010-CV-183024, filed in the Sup. Ct. Fulton Co. GA. On September 13, 2010, we filed a suit seeking injunctive relief against a former franchisee who, according to us, attempted to operate a franchise after failing to pay a required fee to us and who invalidly transferred the franchise to a third party. The franchisee filed a counterclaim for damages claiming that we wrongfully terminated the Franchise Agreement and made false representations of the franchisee's likely financial performance. After the injunctive relief portion of that action became moot, the matter was transferred to arbitration before the AAA in Atlanta, Georgia on October 15, 2010 under AAA Case No. 30 114 00630 10. Arbitration was held in September 2012. At the conclusion of arbitration, the franchisee was awarded \$219,673, plus contractual fees and costs as set forth in the subject Franchise Agreement. According to the award, we wrongfully terminated the subject Franchise Agreement. The franchisee's remaining claims were denied.

Jason Baumann, individually, ALTN Miami One, LLC, a Florida limited liability company, Alper Behar, individually, Orlando Fernandez, individually, and Clinitest, LLC, a Florida limited liability company, Plaintiffs, vs. Any Test Franchising, Inc., Defendant, Case No. 2011-18661-CA-01, Circuit Court of Miami-Dade County, Florida. A complaint was filed against us on June 17, 2011, by two of our franchisees, ALTN Miami One, LLC and Clinitest, LLC and the individual owners of those franchisees. The suit alleged that we made misrepresentations concerning the earning potential of our franchises, that our franchise agreement requires our franchisees to violate the federal Health Insurance Portability and Accountability Act ("HIPAA") and, due to a recent change in Georgia law, that the restrictive covenant in our franchise agreement regarding a covenant not to compete by a terminated franchisee is no longer valid. The lawsuit sought an injunction to enjoin us from enforcing the covenant not to compete against former franchisees. Our response stated that we did not make misrepresentations concerning the earning potential of our franchisees and that our franchise agreement is not in violation of HIPAA. The complaint did not seek any monetary damages.

On July 11, 2011, we filed a Notice of Removal of the case to the United States District Court for the Southern District of Florida, Miami Division under case No: 1:11-CV-22471 ("Court Action"). On July 13, 2011, we filed a Motion to Dismiss the matter. On August 13, 2011, the original plaintiffs responded to our Motion to Dismiss by filing an Amended Complaint, which added several of our other current and former franchisees as additional plaintiffs (as identified below). The Amended Complaint also added

several of our officers, owners and employees. The Amended Complaint added new counts against us, including deceptive trade practices, fraud, negligence, rescission and wrongful termination. The Amended Complaint sought unspecified monetary damages. We, as well as the additional individual defendants, responded that the addition of the added plaintiffs and defendants was strictly for venue-shopping. We, and the additional individual defendants, denied all allegations of liability. On September 14, 2011, we, and the additional individual defendants, filed a Motion to Dismiss the matter and a Motion to Change Venue. Our Motion to Change Venue was granted on December 9, 2011 and the case was transferred to the Northern District of Georgia as case number 1:11-CV-04315. We, and the individual defendants, filed a motion to Compel Arbitration in the Northern District of Georgia. On April 6, 2012, the Court Granted Our Motion to Compel Arbitration.

Following the Court's Order, we filed seven individual arbitration actions with the American Arbitration Association against the named parties in the Court Action, and they each filed virtually identical counterclaims against us. All of the matters have been concluded. Six of the arbitrations settled and/or were dismissed. The arbitration concerning one franchise with Jason Baumann and his entity, ALTN Miami One, LLC, was mutually dismissed by the parties without the exchange of any compensation. The arbitration concerning the franchise with Evan Ford and his entity, Health Choice Labs, LLC, was mutually dismissed by the parties without the exchange of any compensation. The arbitration concerning the franchise owned by Orlando Fernandez and his entity, Clinitest, LLC, was mutually dismissed by the parties. In connection with this dismissal, we purchased the assets of Clinitest, LLC for \$16,500. The arbitration concerning the franchise owned by Lucy Moore was mutually dismissed by the parties for the sum of \$16,500 paid by the franchisee. The arbitration concerning the franchise owned by Bob Deese and his entity, Searching for the Breeze, Inc., was mutually dismissed by the parties for the sum of \$16,500 paid by us to the franchisee.

One franchisee, Alper Behar, had his arbitration dismissed for administrative reasons. He then filed another action against us in Circuit Court of Miami-Dade County, Florida, case no. 13-08733-CA-42. On April 29, 2013, we filed a Notice of Removal of the case to the United States District Court for the Southern District of Florida, Miami Division under case No: 1:13-CV-21631. On July 13, 2011, We then filed a Motion to Dismiss the matter and a Motion to Change Venue. Our Motion was granted on June 24, 2013. The Florida case was closed, and the case was transferred to the Northern District of Georgia as case number 1:13-CV-02119. We then filed a motion to Compel Arbitration in the Northern District of Georgia. On September 25, 2013, the Court Granted Our Motion to Compel Arbitration and dismissed the Georgia case. There is no other pending action as to this franchisee.

The final franchisee, D&D Drive Time, LLC, as well as its principal, Daniel Mulder, pursued their claims against us, and certain employees, through a final arbitration hearing, which took place in May 2013. At the conclusion of the arbitration, We were awarded \$192,634 against D&D Drive Time, LLC and Daniel Mulder, personally, for unpaid royalties, as well as attorney's fees and costs incurred in defending the action. On October 13, 2013, we filed our Application to Confirm Arbitration Award in the Superior Court of Fulton County, Georgia as case number 2013-cv-237832. An Order Confirming Arbitration Award was entered on January 27, 2014. On May 22, 2014 we filed an arbitration claim against David Kowlake, as guarantor for D&D Drive Time. On September 16, 2014 that claim was settled, and the arbitration was dismissed.

Government Actions

In October 2012, the Division of Securities and Retail Franchising ("Division") for the Commonwealth of Virginia began an investigation into our compliance with the provisions of the Virginia Retail Franchising Act ("Act"). We supplied all of the requested information. In response, the Commonwealth alleged that we and Joe Neely, our former CEO, violated the Act. We denied these

allegations and offered a settlement to the Commonwealth. As part of the settlement offer, we denied the various allegation of the Division, but agreed to pay to the Commonwealth \$30,000 in penalties, plus \$5,000 for the costs of the investigation. We also offered to provide notice of the settlement to franchisees in the Commonwealth and agreed not to violate the Act in the future. The Division recommended that the State Corporation Commission accept our offer of settlement. On October 29, 2013, a Settlement Order was entered in accordance with these terms. This case has been closed.

Other than the above actions, no litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Single Unit Franchise

The Initial Franchise Fee is \$40,000 for a Stand-Alone Business and \$20,000 for a Micro Market Business. The Initial Franchise Fee is due when you sign the Franchise Agreement. As of the date of this Franchise Disclosure Document, we offer a reduced Initial Franchise Fee for existing franchisees opening an additional Business as follows: Stand-Alone Businesses -(i) \$30,000 for units 2 and 3, (ii) \$25,000 for units 4-6, and \$20,000 for units 7 and beyond; and Micro Market Businesses -(i) \$15,000 for units 2 and 3, (ii) \$12,400 for units 4-6, and (iii) \$10,000 for units 7 and beyond. The Initial Franchise Fee is fully earned upon payment, and there are no refunds under any circumstances.

During our fiscal year ended December 31, 2022, the range of actual Initial Franchise Fees paid was \$10,000 to \$40,000. The factors that influenced our decision to adjust the Initial Franchise Fee included the number of locations to be opened by the franchisee, if it's an additional location for a franchisee, the length of time the franchisee had been associated with any affiliate of ours, and the size of the Protected Territory (as defined in Item 12). We reserve the right to take these and other factors into consideration when offering adjustments to the Initial Franchise Fee in the future.

As a member of the International Franchise Association ("IFA"), we participate in the IFA's VetFran Program. If you are a United States honorably discharged veteran, we will reduce the Initial Franchise Fee by 10%.

You pay us no other fees or payments for services or goods before your business opens.

MUD Agreement

If you desire to be a part of our Multi-Unit Development program, when you sign your MUD Agreement, you will pay a MUD Fee as described below and you will sign a Franchise Agreement to open your first Any Lab Test Now business. Under the MUD Agreement, you will also agree to open at least one additional Any Lab Test Now business under the MUD Schedule.

The MUD Fee is calculated as the sum of: (i) the full Initial Franchise Fee (\$40,000 for a Stand-Alone Business or \$20,000 for a Micro Market Business) for the first Any Lab Test Now business; and (ii) 50% of the Initial Franchise Fee (\$15,000 for a Stand-Alone Business and \$7,500 for a Micro Market Business) for each additional Any Lab Test Now business that you agree to develop under the MUD

Agreement. You will pay the remaining 50% due of the Initial Franchise Fee (\$15,000 for a Stand-Alone Business and \$7,500 for a Micro Market Business) for each additional Any Lab Test Now business when you sign the Franchise Agreement for that additional Any Lab Test Now business. NOTES

- (1) Initial Franchise Fee. Your Initial Franchise Fee will be due upon signing the Franchise Agreement and is fully earned upon payment. As noted in Item 5, we reduce the Initial Franchise Fee for qualifying existing franchisees opening an additional Business. We will not refund the Initial Franchise Fee or any other fees under any circumstances.
- (2) Rent or Real Estate and Improvements. If you do not own adequate space for an approved site, you must lease the space for your Business. Generally, this will include first and last months' rent, plus a security deposit. Typical locations for Businesses are retail strip centers, shopping centers with large anchor stores or on streets with heavy traffic traveling to malls and office buildings. The typical size of a Business is 550 to 1,500 square feet. The terms and conditions of all agreements relating to the purchase, lease, and alteration of the property will be negotiated by all involved parties; however, we require you to include certain lease provisions. The costs will vary widely and may be significantly higher than projected in this table depending on such factors as property location, population density, economic climate, prevailing interest rates and other financing costs, conditions of the property and extent of alterations required for the property. You should investigate all of these costs in the area where you wish to establish a Business.

If you operate a Micro Market Business, in limited circumstances, we may permit you to locate your unit inside an existing, approved business that complements the Any Lab Test Now brand.
- (3) Office Furniture, Fixtures & Equipment. This includes a fax machine, copier, calculator, office chair, trash can, file cabinet, microwave, safe, cash box, time clock, two refrigerators, paper shredder, two storage carts, etc.
- (4) Décor Items. Decorations may include the designated "look" and "feel" of Any Lab Test Now businesses including desk, dividers, branded artwork and promotional signage, clock, etc.
- (5) Medical Supplies. You will need to purchase latex gloves, instant urine screen devices for drugs of abuse, influenza vaccinations and butterfly needles, and other disposable items.
- (6) Lab Equipment. Equipment includes one or more phlebotomist's chairs.

- (7) Signage. Signage will vary from location to location based upon local ordinances and standards set by your landlord and the type of unit you operate. The costs include, but are not limited to, exterior signs. All signs must be pre-approved by us prior to your purchasing them for the lab.
- (8) Legal & Accounting Fees. These fees will be paid by you in order to hire an attorney and an accountant to assist with the formation of your legal entity, to review this disclosure document and to review your proposed lease agreement.
- (9) Miscellaneous Opening Costs. Includes other deposits, utility costs, telephone, Internet, and communications costs and incorporation fees.
- (10) Opening Inventory. You must purchase an initial inventory of office supplies; which include: paper, pens, pencils, stapler, scissors, tape, post-it notes, rubber bands, paper supplies, cleaning supplies, brooms, dustpan, mop and bucket, wastebaskets and miscellaneous items.
- (11) Grand Opening Marketing Expenditure. You must spend at least \$3,000 on advertising and marketing in your Protected Territory prior to and during the first three months of operation of your Business in conjunction with a grand opening marketing campaign. Any amounts spent on pay-per-click promotions during the first three months of operation will not be counted toward the minimum Grand Opening Marketing Expenditure.
- (12) Mandatory Financial Commitment. You are required to spend a minimum amount per month on marketing, promotion and advertising the Business beginning with your first month of operation. If you operate a Single Unit, you are required to spend a minimum of \$2,000 per month and if you operate a Micro Market Business, you are required to spend a minimum of \$750 per month. This will be used to create ongoing sales opportunities. You are also required to participate in Pay-Per-Click internet advertising, which counts towards the total of the Mandatory Financial Commitment on advertising, promotion and marketing. At the present time, Single Units must spend a minimum of \$1,500 per month on Pay-Per-Click advertising, and Micro Market Businesses must spend at least \$650 per month on Pay-Per-Click. You will be required to use our Authorized PPC Vendor, as well as our approved marketing location vendor, YEXT, at an approximate cost of \$300 per year per subscription.
- (13) Computer Equipment, Software, and Telephone System. While we do not require any specific vendors for computer, Internet connectivity, and communications equipment, we require that you meet certain minimum standards established periodically in the Manual. You will be required to purchase a PC or Mac as specified in the Manual for use in the operation of your Business. This will include a monitor, keyboard, mouse and printer. You will be required to purchase software as described in the Manual. If you plan to participate in serving clients who use FormFox, or eScreen an iPad with specifications for e-signature and a bar code scanner will be required. This estimate also includes a two-line phone system as well as two telephones with voicemail.
- (14) Additional Funds. This estimates your initial start-up expenses for an initial three-month period, including payroll costs, payments to physicians to perform certain services for which a licensed doctor must perform, other miscellaneous costs and does not include any revenue generated by the operation of your Business. These figures are estimates and we cannot guarantee that you will not have additional expenses starting your Business. Your expenses will depend on factors such as: how much you follow our methods and procedures, your management skill, experience and business acumen, local economic conditions (e.g., the local market for our products or services), the prevailing wage rate, competition and the sales level reached during the initial period.
- (15) Totals. We relied on more than 30 years of experience by ATPC and our 15 years of experience in the laboratory services business to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not provide financing arrangements for you. If you obtain financing from others to pay for some of the

expenditures necessary to establish and operate your Business, the cost of financing will depend on your creditworthiness, collateral, lending policies, financial condition of the lender, regulatory environment, and other factors.

This total does not include the cost to open and operate the additional Any Lab Test Now businesses purchased under the MUD Agreement. **ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

General

We require that you establish and operate your Business in compliance with your Franchise Agreement. You must strictly follow our product and service specifications detailed in the Manual we provide to you or other written materials from us, which we may modify from time to time, and which may be in print or electronic format. We require you to use an electronic version of the Manual and will require

you to access the document using the Internet or an intranet created and supported by us. Our standards and specifications have been prescribed in order to maintain a uniform standard of high quality, value, customer recognition, advertising support and availability to be furnished to the public in connection with our Marks. In operating the Business, all products and supplies must conform to our standards and specifications which have been established through years of experience. In the future, we may modify our product and service specifications.

The following two sentences may be applicable in your particular state: “The corporate practice of medicine doctrines restrict layperson-franchisees from dictating the medical equipment and supplies related to clinical testing to be used in the operation of this franchised business. These sorts of decisions must be made by a licensed medical professional.”

Required Purchases

You must purchase specified products, procure all equipment, inventory, signage, fixtures, furniture and décor items required for the operation of your Business from us or our approved suppliers. We will provide you a list of approved vendors or suppliers for these items. Not all products and services are available in all locations. Currently, we are not an approved or designated vendor or supplier of these required purchases, although we or an affiliate reserve the right to do so in the future, in which case you will pay the then current price in effect for goods or services purchased from us or an affiliate.

As of the date of this disclosure document, your required purchases include:

(1) you may use only marketing and promotional materials that meet our standards. You also must use our approved advertising agency as well as our approved location listings management service, YEXT;

(2) you are required to utilize the services from our required or preferred lab testing partners to ensure the quality and efficacy of the lab testing services and to get volume discounted pricing for all Businesses. Currently we use qualified national or regional laboratories to perform the analysis of blood, urine, saliva, and buccal swab samples for tests for your customers. Unapproved laboratories or injectables suppliers are not permitted without our prior approval as reflected in Approval of Suppliers, below;

(3) you are required to purchase your outdoor store sign from our approved vendor as part of our agreement to get volume discounted pricing for all Businesses. We will consider your use of another sign vendor if you find a more competitive price while still matching the quality of the product and service;

(4) you are required to use our approved vendor for all background checks as part of our agreement to get volume discounted pricing for all Businesses; and

(5) you are required to purchase our technology platforms for your Business, including computer hardware and software. As of the date of this disclosure document, you are required to purchase a computer system to facilitate day-to-day lab operations. The basic requirements of this system include e-mail access, accounting (which includes point of sale capability), cloud-based customer results portal, record and file keeping capabilities as well as word processing for letters and other documents. You also are required to use our CareEvolve results portal, DaySmart, Zeewise, WooCommerce and Quickbooks Online. We may in the future establish different sales reporting systems and CRM systems as we consider appropriate for the accurate and expeditious reporting of Gross Revenue and other financial information. In such event, you must fully cooperate with us in implementing any such system at each Business and at your expense equip your Business with such sales recording devices as we may require.

We operate a call center and you have the option of utilizing the call center to answer calls directed to your Business.

We reserve the right to receive revenue or other material consideration from any third-party suppliers as a result of purchases by you or any other franchisee. For the year ending December 31, 2022, we received revenue of \$283,878 as a result of franchisees' purchases of goods and/or services, which is 3.4% of our total revenue of \$8,374,454, as noted in our audited financial statements included as an exhibit to this disclosure document.

We estimate that the cost of purchases from designated or approved vendor or suppliers represents approximately 20% to 25% of your total initial purchases in connection with the establishment of your business, and 20% to 30% of your ongoing expenses.

There are no approved suppliers in which any of our officers owns an interest.

You must purchase the above products and services, supplies and equipment under specifications and standards that we periodically establish either in the Franchise Agreement, Manual or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or service.

Approval of Suppliers

If you would like to purchase these items from another supplier, you may request our "Supplier Approval Criteria and Request Form." Based on the information and samples you supply to us, we will test the items supplied and review the proposed supplier's business reputation, delivery performance, credit rating and other information at no cost to you. This approval criterion is available to you upon request. We expect to complete our review and advise you of our decision within 30 days after you submit the required information. The specifications and standards for these required purchases are in the Manual. We reserve the right to review our approval of any items or suppliers. You acknowledge and agree that we may revoke our approval of any item, service or supplier at any time and in our sole discretion by notifying you and/or the supplier. Nothing requires us to approve any particular supplier, good or service.

We do not currently have any purchasing or distribution cooperatives as of the date of this disclosure document. We may negotiate purchase arrangements with other suppliers and distributors for the benefit of our franchisees in the future and we may receive rebates or volume discounts from our purchase of products that we resell to you. We do not provide or withhold material benefits to you (such as renewal rights of the right to open additional Businesses) based on whether or not you purchase through the sources we designate or approve, however, purchases of unapproved products from unapproved suppliers in violation of the Franchise Agreement will entitle us, among other things, to terminate the Franchise Agreement.

Insurance

You must maintain insurance policies in types and amounts as specified by us periodically in the Manual, including, but not limited to the following:

- A. Workers' Compensation and Employer's Liability- Statutory Workers' Compensation and Employer's Liability of \$1,000,000/\$1,000,000/\$1,000,000;

Coverage must insure you, and name us as an additional insured against all claims, suits, obligations, liabilities, and damage, including attorneys' fees, based upon or arising out of actual or alleged personal injuries or property damage relating to the use or condition of the Business. The policy must also stipulate that we shall receive a statutory notice of cancellation;

C. Medical Professional liability coverage - Occurrence based - insuring you, your medical professional and us with coverage limits of \$1,000,000 per claim and \$3,000,000 aggregate. You must complete our form of site description and deliver any traffic, competition, and demographic and similar site information related to the proposed site that we reasonably request. Our assistance in no way constitutes a representation or warranty including without limitation with respect to the site selection or property. The Franchise Agreement cannot be terminated for failure to agree on site selection and we will not unreasonably withhold approval, however if you do not open your Micro Market Business within 180 days or your Stand-Alone Business within 270 days after signing your Franchise

Agreement, then we may terminate the Franchise Agreement and retain all monies received unless otherwise agreed in writing (See Section 10.01 and 10.04 of the Franchise Agreement).

3. Provide a general outline on what you should consider in looking to lease or purchase a location for your Business. It is not our practice to own locations and lease them back to franchisees. Our assistance is not a representation on your behalf and in no way constitutes a representation or warranty including without limitation with respect to the lease or purchase. (See Section 10.01 of the Franchise Agreement).

4. Provide you with our standard sample floor layouts and architectural plans. We will approve or disapprove your plans for the design of your Business. Construction or remodeling, if needed, should begin as soon as possible after signing the Franchise Agreement, but, in any case, will not begin later than 120 days after signing the Franchise Agreement. Upon request, we will assist in the development and planning of any construction or remodeling with respect to sign specification and Business layout and design. You must pay for construction or remodeling and all other costs associated with compliance and permits. Our approval means that the site and plans meet minimum specifications and is not a warranty for their appropriateness. (See Section 10.03 of the Franchise Agreement).

5. It is estimated that the length of time between the signing of the Franchise Agreement and the opening of your Business will usually be about six to nine months for a Stand-Alone Business and four to six months for a Micro Market Business, depending upon the location. Factors affecting this length of time include financing arrangements, property lease terms, construction or conversion requirements, and scheduling and completion of the training program. Failure to open your Micro Market Business within 180 days or Stand-Alone Business within 270 days after signing the Franchise Agreement may result in termination of the Franchise Agreement and we will retain all monies received. (See Section 10.04 of the Franchise Agreement).

During the operation of the franchised business, Any Test Franchising, Inc. will:

1. Research new products, services and methods of doing business and provide you with information concerning developments of this research. (See Section 8.04 of the Franchise Agreement).

2. Offer you a reasonable amount of continuing advisory services by telephone during normal business hours. We may also provide to you visits by our field representative, but any additional on-site consultation or advisory services you request may incur a fee. (See Sections 8.03 of the Franchise Agreement).

3. We will include information about your Business on our web site. (See Section 9.04 of the Franchise Agreement).

4. We may implement a centralized purchasing system for you and negotiate prices and terms with suppliers. We may receive rebates from the suppliers for these purchases. (See Section 12.06 of the Franchise Agreement).

5. We may hold periodic regional or national conferences to discuss on-going changes in the industry, operational techniques, product and service developments, personnel training, bookkeeping, accounting, advertising programs and new service procedures. You are required to attend these conferences. You are required to pay a registration fee and all expenses relating to your travel, food and lodging for you and your employees. These conferences will be held at our corporate headquarters or at another location chosen by us. We estimate the cost of the registration fee to be no more than \$250 per person and the cost of the travel and living expenses to attend the conferences to be between \$1,000 and

\$1,800. We may provide other conferences from time to time, and you may be required to pay a conference fee for these additional conferences based upon the direct costs to us of retaining speakers and other direct expenses associated with the conference, but we estimate this cost to be no more than \$250 per person. You must pay all of the travel and living expenses for you and any other employees who attend. (See Section 8.02 of the Franchise Agreement).

7. Provide marketing and sales strategies, plans, creative files, message and other promotional materials and services to you. Materials provided may include brochures, web banners, posters, direct mail pieces, sales and marketing presentations, flyers and other forms of sales and marketing materials. You will receive the electronic files at no charge and have the option to print materials using our recommended printer or a local printer of your choice. We may use both outside advertising and marketing agencies and internal staff to create advertising. Online Pay-per-Click marketing activities will be conducted and facilitated through our required Pay-per-Click vendors, which may utilize information derived from campaigns for your location for the benefit of other stores across our franchisee network. (See Section 9 of the Franchise Agreement).

Part of but still separate from training, you will complete an implementation plan, which should take you between 15 and 25 hours and includes a review of our Getting Started Guide and related manuals. You will do some of this work on the implementation plan before and during initial training.

Your owner and your first full-time Medical Assistant (or phlebotomist) must attend the initial training, which lasts approximately one week. We do not charge an additional fee for this training or service. You will also be required to pay the travel and living expenses for your owner, your Medical Assistant (or phlebotomist), Manager, and any additional employee(s). We estimate the cost your travel and living expenses to be approximately \$1,250 to \$2,000 per person. All initial training, except any on-site training, will be held at our corporate training center in Atlanta, Georgia, or at another designated location. We will conduct training a minimum of three times per year. You must complete this initial training to our satisfaction or repeat this training, at no additional fee to us. You will, however, be responsible to pay any travel and living expenses for your owner and any Manager or employees who are required to repeat the training. (See Section 8.01 of the Franchise Agreement).

Upon request, trainers may be scheduled for onsite training at your Business location. The fee for this Additional Assistance/Onsite Training is currently \$500 per day, two days minimum. We will charge you this fee only if you require additional assistance at your location. Fees for additional assistance can be increased or decreased by us at any time in our discretion. You are also responsible for any travel and living expenses for any trainer that visits your location. (See Section 8.03 of the Franchise Agreement). As part of your implementation plan, we also will do one or two onsite visits at your Business location prior to or closely after you open your Business.

We also may offer additional or refresher-training courses from time to time. Some of these courses may be mandatory, and some may be optional. These courses may be conducted at our corporate training center in Atlanta, Georgia or at any other locations selected by us or may be deployed on-line via a training portal. We reserve the right to impose reasonable charges for training classes and materials in connection with such training courses. We estimate the cost of these additional or refresher-training courses to be between \$99 and \$250 plus the cost of all travel and living expenses for you and employees who attend. We estimate the travel and living expenses to be between \$1,250 and \$2,000. We will notify you of any additional charges before you or your employees enroll in a course. (See Section 8.02 of the Franchise Agreement). Any training that we may provide to any of your employees will be limited to training or guiding the employees regarding the delivery of approved services to customers in a manner that reflects the customer service standards of the System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You are solely responsible for ensuring that your employees receive adequate training.

All classes are scheduled by advance written notice to you. Our class cancellation policies will be included in the written notice of class schedules.

Advertising Programs

Local

Mandatory Financial Commitment

Each month, you must spend on marketing, promotion and advertising (the “Mandatory Financial Commitment”) at least \$2,000 per month if the Business is a Stand-Alone Business or at least \$750 per month if the Business is a Micro Market Business (See Franchise Agreement Section 9.02(a)).

You are also required to participate in Pay-Per-Click internet advertising, which counts towards the Mandatory Financial Commitment. At the present time, Single Units must spend a minimum of \$1,500 per month on Pay-Per-Click advertising, and Micro Market Businesses must spend at least \$650 per month on Pay-Per-Click. All Pay-Per-Click online advertising campaigns are to be facilitated through our required Pay-Per-Click marketing partners and directed inside your Protected Territory. Additionally, we recommend that you implement additional sales and marketing campaigns such as direct sales, direct mail, print advertising, e-mail marketing, text marketing, social media or other digital advertising, or other local marketing tactics to promote your Business. Implementation of the Pay-Per-Click marketing program will be a direct transaction between you (the franchisee) and our required Pay-Per-Click marketing partners (See Franchise Agreement Section 9.02(b)).

Grand Opening Marketing Expenditure

You must spend at least \$3,000 on advertising and marketing in your Protected Territory prior to and during the first three months of operation of the Business in connection with a grand opening marketing campaign. Your grand opening marketing campaign is subject to our approval. Any amounts spent on the Mandatory Financial Commitment or pay-per-click promotions during the first three months of operation will not be counted toward the minimum Grand Opening Marketing Expenditure (See Franchise Agreement Section 9.03).

We have the exclusive right to control all internet-based marketing and other activity. You cannot independently implement a Pay-Per-Click online advertising campaign without prior approval and you are required to conduct Pay-Per-Click marketing campaigns in conjunction with our required Pay-Per-Click

marketing partners. Subject to our prior written approval, you may be allowed to create a blog or other web-based marketing tactic, but any such blog or tactic must be location-specific, must only mention your Business's location/name/territory and must include language, in acceptable size and font stating: "For a complete listing of all locations, please visit www.anylabtestnow.com". All blog content must be pre-submitted to a member of our Marketing Department for review and approval. Any such approval shall be at our sole discretion. You must follow our blogging and social media policy as outlined in the Manual. We will maintain Any Lab Test Now Web pages for your location which will include information regarding your Business. Content changes to your Web page will be made by us at your request. (See Franchise Agreement Section 9.05).

National Marketing Fund

We have established a National Marketing Fund in which you must participate. Currently, you must contribute to the National Marketing Fund in an amount up to 1% of the Gross Revenue of your Business at the same time and manner as the Royalty Fee. We may increase this to 3% of Gross Revenue. We will hold the National Marketing Fund contributions in a separate bank account which will be administered by our marketing and accounting staff, however we reserve the right to use an outside advertising agency in our discretion. All Affiliate-Operated Any Lab Test Now businesses will be required to contribute to the National Marketing Fund on the same basis as comparable franchisees. The Any Lab Test Businesses operated by Any Test, P.C., as described in Item 20, were in existence prior to the launch of our franchise program and are not required to pay fees to us. These businesses currently voluntarily contribute to our National Marketing Fund.

We will use the National Marketing Fund for local, regional, or national advertising or marketing, development, and maintenance of any Internet or e-commerce programs, related expenses, and any media or agency costs. Advertising may be in the form of print, social media, Pay-Per-Click, or any other media we deem appropriate in our sole discretion. We will not derive income from the National Marketing Fund, but we may reimburse our administrative and overhead expenses incurred in administering the National Marketing Fund (including the compensation of our employees working with the National Marketing Fund and for related accounting, bookkeeping, reporting, legal and other expenses. We may also use the funds to offset or partially rebate local franchisee media and printing expenses.

Advertising expenditures from the National Marketing Fund may or may not be proportionate to your contributions or provide direct benefit to you or any other particular franchisee. We are not required to spend any minimum or maximum amount in your area or Protected Territory. We will spend the National Marketing Fund in our discretion, and we have no fiduciary duty to you regarding the National Marketing Fund. We may accumulate these funds, and the balance may be carried over to subsequent years. If the National Marketing Fund operates at a deficit or requires additional funds at any time, we reserve the right to loan such funds to the National Marketing Fund on any terms we determine. An unaudited annual financial statement of the National Marketing Fund will be prepared within 120 days of the close of our fiscal year and will be available to any franchisee upon request. (See Franchise Agreement Section 9.07)

Since we implemented the National Marketing Fund in December 2022, we do not have any expenditures to report from our last fiscal year ending December 31, 2022:

We will not use the National Marketing Fund to advertise the sale franchises. Any funds not spent in the fiscal year in which they accrue will be carried over to the next year.

Advertising Cooperatives / Multi-Area Marketing

You may be required to participate in Advertising Cooperatives and/or Multi-Area Marketing within a specified area. There are no Advertising Cooperatives currently in effect; however, we reserve the right to implement a Cooperative in an area which may include your Business in the future, and, once implemented, you will be required to participate in an amount not to exceed 3% of your monthly Gross Revenue. Any contributions made to the Advertising Cooperative / Multi Area Marketing fee will be in addition to any contributions due to the National Marketing Fund. You will have the first right to provide services which are mandatory elements of the System to any customers within your Protected Territory (if applicable). We may require you to pay a referral fee and/or participate in a revenue sharing arrangement for any customers generated by multi-area marketing. We also reserve the right to issue mandatory policies to coordinate such multi-area marketing programs. Company owned outlets would have no control on any fees imposed by franchisee cooperatives. (See Franchise Agreement Section 9.06).

Franchise Advisory Council

We have formed a council of franchisees (“Franchisee Advisory Council”) to provide us input. Members of the Franchisee Advisory Council will be selected by us from existing franchisees. We will give due consideration to all input from the Franchisee Advisory Council, but we retain the ultimate decision-making authority and responsibility for all of these matters. If we submit a matter for approval by the Franchisee Advisory Council, and that matter is approved by a majority vote of the Franchisee Advisory Council, that approval will be fully binding on you. (See Franchise Agreement Section 9.08).

Computer Systems, Software, and Internet Access

We do not currently require you to purchase any particular brand of computer hardware to establish or operate the Business, but we do specify the standards for computer and communication equipment and Internet access. You are required to purchase a computer system to facilitate day-to-day operations, which include e-mail access, cloud-based customer results portal, record and file keeping capabilities as well as word processing for letters and other documents. The minimum requirement to run the software is a Windows 11 System based PC with 16 GB of RAM and 500 GB Hard Drive. The estimated cost of the computer and related software is between \$1,050 and \$2,600. We reserve the right to specify computer hardware or software and to specify other computer-related standards in the future.

You are also required to purchase business software for accounting and bookkeeping, as well as equipment and/or software for point of sale and merchant services the cost of which is included in the above estimate. We will use the software to collect daily business reports, cash summaries and a dynamic customer database. The software will be hosted at a facility designated by us. Subject to patient privacy laws, such as those protected under laws such as HIPAA, we will have independent, unrestricted, access to this information for analysis, monthly revenue reports and system metrics. We have the contractual right to poll the necessary data from your database. (See Section 12.13 of the Franchise Agreement).

You may be required to upgrade your hardware and/or software in order to utilize the computerized system as technological advances require. We are not responsible for any maintenance, repairs, updates and upgrades to your computerized system. You will be responsible for any maintenance, repairs, updates and upgrades as well as the associated costs. You will be responsible for the cost of such upgrades. You will not be required to upgrade your hardware or software more often than once a year. We estimate the cost of the required upgrade will not exceed \$1,500-\$2,000 per upgrade. (See Section 12.13 of the Franchise Agreement).

You are solely responsible for protecting yourself from viruses, computer hackers, and other communications and computer-related problems, and you may not sue us for any harm caused by such computer-related problems. You must also take reasonable steps to verify that any person or entity upon whom you rely is reasonably protected. This may include establishing firewalls, access code protection, anti-virus systems, multi factor authentication and use of backup systems. (See Section 12.14 of the Franchise Agreement).

ITEM 12 TERRITORY

Stand-Alone and Micro Market Businesses

We will geographic area around your Business (“Protected Territory”) as described below. Since we do reserve some rights (see our reservation of rights below), you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. The population in the Protected Territory will be no less than 110,001 for Single Units and less than 110,000 for Micro Markets, based on the latest US Census/MSA information. Your Protected Territory may be delineated by boundary streets, highways, counties, or zip codes. Your Business will operate from one location approved by us and must receive our permission before relocating. We will grant approval to relocate if you are in compliance with the Franchise Agreement and MUD Agreement (if applicable), you have paid all money owed to us, and the proposed location meets our site selection criteria as specified in the Manual. You may not solicit customers outside the Protected Territory.

Provided you are in compliance with the Franchise Agreement, we will not operate an Any Lab Test Now permanent “brick and mortar” business within your Protected Territory, but we have the right to do so anywhere outside your Protected Territory. We also have the right to operate or franchise businesses in your Protected Territory that offer and sell the same or similar services to Any Lab Test Now businesses, as long as those businesses do not use the Marks, as further noted below and in the Franchise Agreement. Once established, the boundaries of your Protected Territory will not be adjusted without our prior written consent regardless of whether the population of your Protected Territory increases or decreases over time. You maintain rights to your Protected Territory even though the population increases.

You are required to pay a Royalty Fee in the amount of 8% of monthly Gross Revenue, with a minimum Royalty Fee of \$500 per month to encourage development of business in your Protected Territory. If you fail to pay the Royalty Fee, we have the right to reduce the size of your Protected Territory and terminate your Franchise Agreement. There are no other circumstances that permit us to modify your Protected Territory.

Although we have not done so, we may sell products under our Marks within and outside your Territory through any method of distribution other than a dedicated Any Lab Test Now business, including, sales through such channels of distribution on the Internet, catalog sales, telemarketing, or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Protected Territory except as described in the following paragraph and you will receive no compensation for our sales through alternative distribution channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or sell through any other alternative distribution channel, and we receive orders for any System products or services calling for service or performance in your Protected Territory, then we will offer the order to you at the price we establish. If you choose not to fulfill the order or are unable to do so, then we,

or a third party we designate (including another franchisee) may fulfill the order, and you will be entitled to no compensation in connection with this.

We can use alternative channels of distribution to make sales within your Protected Territory of products or services under trademarks different from the Marks you will use under the Franchise Agreement, but we have not yet made any sales of this type.

You do not receive the right to acquire additional franchises within your area under your Franchise Agreement. Each Franchise Agreement is a separate and distinct transaction between you and us.

We reserve the right, among others to:

1. Own, franchise, or operate Any Lab Test Now businesses at any location outside of the Protected Territory, regardless of the proximity to your Business;
2. Operate or license others to operate similar businesses or any other businesses and services under trademarks or service marks other than the Marks at any location, both inside or outside of the Protected Territory;
3. Operate or license others to operate businesses that are not similar to a Any Lab Test Now business under the Marks at any location, both inside or outside of the Protected Territory;
4. Develop, merchandise, sell and license others to sell products and services bearing the Marks including the products and services offered at Any Lab Test Now businesses through alternative channels of distribution both inside or outside of the Protected Territory (other than at your Business premises) including, but not limited to, television, mail order, catalog sales, wholesale sale to unrelated businesses, or over the Internet. We exclusively reserve the Internet as a channel of distribution for us, and you may not independently market on the Internet or conduct e-commerce or Pay-Per-Click advertising, other than as approved by us;
5. Conduct marketing activities, including implement multi-area marketing programs which may allow us or others to solicit or sell to customers in any location, including within the Protected Territory. We also reserve the right to issue mandatory policies to coordinate such multi-area marketing programs including, but not limited to, the price in which our Any Lab Test Now businesses will be paid for providing services to a national account.
6. Purchase, be purchased, merge, acquire, be acquired or affiliate with a competitor or any other business regardless of the location of the competitor or business, and to operate, franchise or license these businesses as Any Lab Test Now businesses under the System or Marks or under other proprietary marks, regardless of the location of these businesses, whether such businesses are within or outside your Protected Territory.

You will not receive any compensation if we exercise these reserved rights.

MUD Agreement

If you sign a MUD Agreement, we give you the right to develop and open a specific number of Any Lab Test Now businesses in your MUD Areas as designated in your MUD Agreement. Your MUD Areas will be determined by you and us before you sign the MUD Agreement based on various market and economic factors like market demographics and the penetration of Any Lab Test Now businesses and similar businesses in the market, the availability of appropriate sites and growth trends in the market.

Typically, each of your MUD Areas will be in a broad area such as a quadrant of a city. You may not establish Any Lab Test Now businesses anywhere outside the MUD Areas. You must operate each Any Lab Test Now business that you establish under your MUD Agreement under a separate Franchise Agreement with us.

Since we do reserve some rights (see our reservation of rights below), you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, if you comply with your obligations under your MUD Agreement, we will not establish, nor license anyone other than you to establish any Any Lab Test Now businesses in the MUD Areas during the term of your MUD Agreement. If you do not meet your development obligations within the MUD Schedule provided in your MUD Agreement, or if you otherwise fail to comply with the terms of the MUD Agreement or any Franchise Agreements, or any other agreement between you and us, your rights to develop Any Lab Test Now businesses in your MUD Areas may be terminated.

Except as described above, we reserve all other rights with respect to the System, Marks and development of Any Lab Test Now businesses, including the right to:

1. own, operate or license others to own or operate Any Lab Test Now business immediately adjacent to or anywhere outside of your MUD Areas;
2. operate or license others to operate similar businesses or any other businesses and services under trademarks or service marks other than the Marks at any location, both inside or outside of your MUD Areas;
3. operate or license others to operate businesses that are not similar to a Any Lab Test Now business under the Marks at any location, both inside or outside of your MUD Areas;
4. develop, merchandise, sell and license others to sell products and services bearing the Marks including the products and services offered at Any Lab Test Now businesses through alternative channels of distribution both inside or outside of your MUD Areas, including, but not limited to, television, mail order, catalog sales, wholesale sale to unrelated businesses, or over the Internet;
5. conduct marketing activities, including implementing multi-area marketing programs which may allow us or others to solicit or sell to customers in any location, including within the MUD Areas; and
6. purchase, be purchased, merge, acquire, be acquired or affiliate with a competitor or any other business regardless of the location of the competitor or business, and to operate, franchise or license these businesses as Any Lab Test Now businesses under the System or Marks or under other proprietary marks, regardless of the location of these businesses, whether such businesses are within or outside your MUD Areas.

You will not receive any compensation if we exercise these reserved rights.

You have no options, rights of first refusal or similar rights to acquire additional franchises except as provide in the MUD Agreement.

We have not granted, or presently intend to grant other multi-unit development rights for franchises selling or leasing similar products or services under a different trade name or trademark, but we have the right to do so.

**ITEM 13
TRADEMARKS**

We grant you the right to operate a business under our Marks, including the names “Any Lab Test Now.” You may also use our other current or future Marks as we may designate to operate your Business. You must indicate, as required in the Franchise Agreement and specified in the Manual, that you are an independent operator of the Business and shall use the appropriate trademark and copyright marks as indicated by us.

The following trademarks have been registered with the United States Patent and Trademark Office (“USPTO”):

ANY LAB TEST NOW [Stylized/Design]	November 12, 2019	5907637	Principal

You must follow our rules when you use any of the Marks as outlined in the Internet, Social Media and Brand Standards section of the Manual. If you purchase a URL that includes our Marks (or any similarity), the URL will become our property and you must pass ownership to us upon written notice. Purchasing that type of URL or the failure to pass ownership to us within 15 days are each a default under the Franchise Agreement. You may not use any of the Marks in connection with the sale of an unauthorized product or service or in a manner not authorized by us in writing. Guidelines regarding proper trademark use and notices are set forth in the Manual and will be updated from time to time in our discretion. Your obligations under this paragraph shall survive the termination of the Franchise Agreement.

There are presently no effective determinations of the USPTO, any trademark trial and appeal board, any state trademark administrator or any court, any pending interference, opposition, or cancellation proceeding involving any of the above-referenced Marks. There are no currently effective agreements that significantly limit our rights to use or license the use of the Marks in a manner material to the franchise. There are no infringing uses or superior previous rights known to us that can materially affect your use of the Marks where your Business is to be located. There is no pending material federal or state court litigation regarding our use or ownership rights in any Mark. All required affidavits have been filed.

We have the right to control any administrative proceedings or litigation involving our Marks licensed by us to you. You must notify us within three days of when you learn about an infringement of or challenge to your use of our Marks. We will take the action necessary, in our sole and absolute discretion, to protect the unauthorized use of our Marks, which may include payment of reasonable costs associated with the action.

The Franchise Agreement does not require us to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a Mark licensed by us to you, or if the proceeding is resolved unfavorably to you.

You must modify or discontinue the use of a Mark if we modify or discontinue use. If this happens, you are responsible for all of the associated expense (for example, changing signs). You must not directly or indirectly contest our right to our Marks, trade secrets or business techniques that are part of our business.

We do not know of any infringing uses that could materially affect your use of our Marks. You should understand that there could be other businesses using trademarks, trade names, or other commercial symbols similar to our Marks with superior rights to our rights. Before starting your Business, you should research this possibility, using telephone directories, trade directories, Internet directories, or otherwise in order to avoid the possibility of having to change your Business name.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We hold no patents and have no pending patent applications. We have registered no copyright with the United States Copyright Office. However, we claim copyrights on certain forms, advertisements, promotional materials and other written materials. We also claim copyrights and other proprietary rights in the Manual.

Also, there are no currently effective determinations of the USPTO, the United States Copyright Office or any court pertaining to or affecting any of our copyrights discussed above. As of the date of this disclosure document, we are unaware of any infringing uses of or superior previous rights to any of our copyrights which could materially affect your use of them in any state.

Your and our obligations to protect your rights to use our copyrights are the same as the obligations for Marks described in Item 13 of this disclosure document.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

One of your owners or a manager of your Business (“Manager”) who has completed our training program, must directly supervise and participate in the actual day-to-day operation the Business. Neither you nor your Manager may have an interest or business relationship with any existing, or yet to be established, business competitor(s).

If you are an entity, we do not require that your Manager own an equity interest in such entity. However, your Manager and each of your officers, directors, partners, shareholders or members, as applicable, must execute our standard Confidentiality and Covenant Not To Compete Agreement, a copy of which is attached to the Franchise Agreement as Attachment V. Other than the above, we make no other recommendations and have no other requirements regarding employment or other written agreements between you and your employees.

PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchisee and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Sections 1 and 2 below show the average unaudited Gross Revenue of Any Lab Test Now businesses that meet the following criteria: (i) are Stand-Alone Businesses, (ii) were operating during the

period from January 1, 2022 to December 31, 2022 (the “2022 Reporting Period”), and (iii) have been open for at least one full calendar year as of December 31, 2022. This is a historic financial performance representation about our existing Any Lab Test Now businesses that meet the stated criteria.

Section 1: Franchised Stand Alone Businesses

The following Section 1 presents unaudited information about the average and median Gross Revenue of the 176 franchised Stand-Alone Businesses that were open and continuously operating during the 2022 Reporting Period. We have not included in this Item 19 the results for any Micro Market Businesses. If you purchase a franchise for a Micro Market Business, you are likely to have different results.

As of December 31, 2022, there were 207 franchised Stand-Alone and Micro Market businesses in operation. There were 176 franchised Stand-alone Businesses that were open for the full 2022 Reporting Period. This financial performance representation excludes the performance of 20 franchised Stand-Alone businesses that were opened in the 2022 Reporting Period but were not open for the full 2022 Reporting Period, 2 franchised Stand-Alone businesses that were open for more than a year but closed during the 2022 Reporting Period, and 11 Micro Market Businesses.

The franchised Stand-Alone Businesses are represented and divided into quartiles based on Gross Revenue. The quartiles were derived by taking the Stand-Alone Businesses dividing them into four evenly-sized groups, with the Stand-Alone Businesses achieving the highest Gross Revenue being in the Top 25% quartile, the next highest being in the 26-50% quartile, and so forth. All amounts are shown in U.S. dollars.

Percent Quartile	Average Gross Revenue	Median Gross Revenue	High Gross Revenue	Low Gross Revenue	Number of Businesses in Quartile	# and % of Franchised Businesses that exceeded Average
25%	\$797,435	\$746,156	\$1,454,484	\$600,923	44	17/39%
26-50%	\$498,251	\$491,455	\$589,386	\$425,184	44	21/44%
51-75%	\$361,025	\$368,074	\$415,982	\$305,367	44	24/55%
76-100%	\$205,649	\$212,604	\$297,692	\$38,665	44	24/55%

Section 2: Affiliate-Operated Stand-Alone Businesses

The following Section 2 presents unaudited information about the average and median Gross Revenue of the 7 Affiliate-Operated Stand-Alone Businesses that were open and continuously operating for the 2022 Reporting Period. This financial performance representation excludes the performance of one Affiliate-Operated Stand-Alone Business that closed during the 2022 Reporting Period. We obtained this Gross Revenue information for the Affiliate-Operated Stand-Alone Businesses from unaudited reports submitted to us consistent with our reporting requirements. Neither we nor our independent certified public accountants have audited or verified any of the Gross Revenue information reported to us.

Average Gross Revenue	Median Gross Revenue	Highest Gross Revenue	Lowest Gross Revenue	Number of Affiliate Locations	Number and Percentage That Exceeded Average
\$501,789	\$495,260	\$562,438	\$450,863	7	3/43

NOTES

(1) As used in this Item 19, the term “Gross Revenue” means the total of all receipts derived from services performed or products sold by the Business, wherever located and directly or indirectly related to the Business, whether the receipts are evidenced by cash, credit, checks, gift certificates, coupons, services, property, or other means of exchange. We obtained this Gross Revenue information from unaudited franchisee reports submitted to us consistent with our reporting requirements. Neither we nor our independent certified public accountants have audited or verified any of the Gross Revenue information reported to us. Franchisees are not required to use generally accepted accounting principles when reporting these figures.

(2) Some franchises have earned these amounts. Your individual results may differ. There is no assurance that you will sell as much.

(3) Written substantiation for the financial performance representation will be made available to you upon reasonable request.

Except as disclosed in this Item 19, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Clarissa Bradstock at 303 Perimeter Center North, Suite 575, Atlanta, GA 30346 and (800) 384-4567, the Federal Trade Commission, and the appropriate state regulatory agencies.

NOTES

A list of names of all current franchisees and their addresses and telephone numbers as of December 31, 2022 are listed in Exhibit G to this disclosure document. The name and last known home address and telephone number of every franchisee who has had a franchise terminated, cancelled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under the franchise agreement during the most recently completed fiscal year or who has not communicated with us within 10 weeks of the date of this disclosure document are also listed in Exhibit G to this disclosure document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

The Any Lab Test Now business models described in this disclosure document were developed similar to the original business developed by Any Test, P.C., (“ATPC”), which is a Georgia Corporation incorporated on July 7, 1992 that is owned by one of our minority shareholders. ATPC currently owns and operates 10 Any Lab Test Now businesses in Georgia that specialize in the collection of blood, urine or other human specimens for analysis. ATPC is not an affiliate of ours and its Any Lab Test Now businesses do not operate under Franchise Agreements with us; however, we include the Any Lab Test Now businesses operated by ATPC as franchised businesses in this disclosure document and Exhibit G.

During the last three fiscal years some current or former franchisees signed confidentiality clauses. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

There are no trademark-specific franchisee organizations associated with the franchise that have asked to be included in this disclosure document.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above, present fairly, in all material respects, the financial position of Any Test Franchising, Inc. as of December 31, 2022, 2021 and 2020 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Franchisee is responsible for any financial losses Franchisee or Franchisor incurs or remedial actions that Franchisee or Franchisor must take as a result of breach of security or unauthorized access to Customer Information in Franchisee’s control or possession.

Franchisee may be required to license software from Franchisor, its affiliate, or a third party and Franchisee also may be required to sign software license agreements and pay an additional software licensing or user fee(s) in connection with Franchisee’s use of the software. All right, title and interest in and to the software will remain with the licensor of the software. Franchisee will be liable for all damages (under this Agreement, any other software license agreement Franchisee executes and under applicable law) and problems caused by Franchisee’s use of any software on the Computer System. Franchisee acknowledges and agrees that Franchisor will have full and complete access to the information and data entered into and produced by the Computer System and Franchisor can use the same in any way Franchisor deems appropriate. Franchisee must have Internet access with a form of high speed connection as Franchisor may require and Franchisee must maintain a dedicated email account for the Business, separate from any personal or other email account. Franchisee must purchase any upgrades, enhancements and/or replacements to the Computer System and/or related hardware and software as Franchisor may from time to time require. It is Franchisee’s responsibility to make sure that Franchisee is in compliance with all laws that are applicable to the Computer System or other technology used in the operation of the Business, including all data protection and security laws as well as payment card industry (PCI) compliance.

12.14 Computer Problems, Viruses, and Attacks. Franchisee acknowledges and understands that computer systems are vulnerable to computer viruses, bugs, power disruptions, communication line disruptions, Internet access failures, Internet content failures, date-related problems, and attacks by hackers and other unauthorized intruders. Franchisor does not guarantee that information or communication systems supplied by Franchisor or its suppliers will not be vulnerable to these problems. Franchisee acknowledges and agrees that Franchisee is solely responsible for protecting itself from these problems. Franchisee must also take reasonable steps to verify that Franchisee’s suppliers, lenders, landlords, customers, and governmental agencies on which Franchisee relies, are reasonably protected. This may include taking reasonable steps to secure Franchisee’s systems, including, but not limited to, firewalls, access code protection, anti-virus systems, and use of backup systems.

13. DEFAULT, TERMINATION AND EXPIRATION

13.01 Termination by Franchisor.

(a) Subject to 30-Day Cure Period. If Franchisee breaches this Agreement in any manner not described in subsection (b) and fails to cure such breach to Franchisor’s satisfaction within 30 days after Franchisor gives notice to Franchisee of such breach, then Franchisor may terminate this Agreement.

(b) Without Cure Period. Franchisor may terminate this Agreement by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

(i) Franchisee misrepresented or omitted material facts which induced Franchisor to enter into this Agreement;

(ii) Franchisee fails to complete the required initial training or open for business by the deadline provided in this Agreement;

(iii) A permanent or temporary receiver or trustee for the Franchise or all or substantially all of Franchisee's property is appointed by any court, or any such appointment is consented to or not opposed through legal action by Franchisee, or Franchisee makes a general assignment for the benefit of Franchisee's creditors or Franchisee makes a written statement to the effect that Franchisee is unable to pay its debts as they become due, or a levy or execution is made on the license, or an attachment or lien remains on the Franchise for 30 days unless the attachment or lien is being duly contested in good faith by Franchisee and Franchisor is advised in writing, or a petition in bankruptcy is filed by Franchisee or a petition is filed against or consented to by Franchisee and the petition is not dismissed within 45 days, or Franchisee is adjudicated as bankrupt;

(iv) Franchisee loses possession or the right of possession to the premises of the Business, for any reason;

(v) Franchisee violates Section 7.01 (confidentiality), Section 12.01 (compliance with laws), Section 14.02 (transfer), or Section 15.01(non-compete), or commits any other violation of this Agreement which by its nature cannot be cured;

(vi) Franchisee is a business entity and any action is taken which purports to merge, consolidate, dissolve or liquidate the entity without Franchisor's prior written consent.

(vii) Franchisee voluntarily abandons or ceases operation of the Business for more than five consecutive days; or

(viii) Franchisee or any owner of greater than 5% of the Franchisee entity is charged or convicted or has been charged or convicted of a felony, a crime involving moral turpitude, or any crime or offense that is reasonably likely, in the sole opinion of Franchisor, to materially and unfavorably affect the Any Lab Test Now System, Marks, goodwill or reputation.

13.02 Effect of Termination or Expiration. Upon any termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to Franchisor's access to Franchisee's Business Records stated in paragraph 11.04, as well as provisions relating to non-competition, confidentiality, and indemnity, will remain in effect, and Franchisee must immediately:

(a) cease doing business under any of the Marks and refrain from, directly or indirectly, at any time or in any manner identifying itself or any business as a current, past or authorized Any Lab Test Now franchisee;

(b) pay all amounts owed to Franchisor based on the operation of the Franchise through the effective date of termination;

(c) return to Franchisor all copies of the Manual, Confidential Information and any and all other materials provided by Franchisor to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items;

(d) notify the telephone, Internet, email, electronic network, directory, and listing entities of the termination or expiration of the Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Franchisor or any new franchisee as may be directed by Franchisor, and Franchisee hereby irrevocably appoints Franchisor, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or prudent to accomplish the foregoing;

(e) allow Franchisor or representatives access to the Business and the computer systems to verify and secure Franchisee's compliance with the obligations under this Agreement.

13.03 Management of Business After Termination. If Franchisor terminates this Agreement, then Franchisor has the right, but not the obligation, to take over the operations of the Business with sole control, for as long as appropriate to prevent interruption of the Business and loss of goodwill until the Business is purchased by Franchisor or its designee (or until Franchisor, in its sole discretion, determines not to purchase the Business). Such takeover will not waive any other rights or remedies Franchisor may have. Franchisee will cooperate with and not interfere with Franchisor's taking over the Business in any way; however, if Franchisee does not cooperate, Franchisee will be liable to Franchisor for all costs it or its agent or representative incurs in taking over control of the Business.

13.04 Failure to Cease or Remove Identification. If, within 15 days after termination or expiration of this Agreement, Franchisee fails to remove all displays of the Marks from the Business, Franchisor may enter the Business to effect removal. In this event, Franchisor will not be charged with trespass nor be accountable or required to pay for any displays or materials.

13.05 Other Claims. Termination of this Agreement will not affect, modify or discharge any claims, rights, causes of action or remedies (including claims for Franchisor's lost future income), which Franchisor may have against Franchisee, whether such claims or rights arise before or after termination.

13.06 Franchisor's Right To Cure. If Franchisee breaches or defaults under any provision of this Agreement, Franchisor may (but has no obligation to) take any action to cure the default on behalf of Franchisee, without any liability to Franchisee. Franchisee shall reimburse Franchisor for its costs and expenses (including the allocation of any internal costs), as well as reasonable attorneys' fees, for such action.

13.07 Right to Discontinue Supplying Items upon Default. If Franchisee defaults under this Agreement, Franchisor will have the right to (A) require that Franchisee pay cash on delivery or by certified funds for products or services supplied by Franchisor, or (B) stop selling and/or providing any products and services until Franchisee cures all defaults. No such action by Franchisor shall be a breach or constructive termination of this Agreement, change in competitive circumstances or similarly characterized, and Franchisee shall not be relieved of any obligations under this Agreement because of any such action. Such right of Franchisor is in addition to, and not in lieu of, any other right or remedy available to Franchisor at law or under this Agreement.

13.08 Purchase Option. Upon expiration or termination of this Agreement, Franchisor has the right (but not the obligation) to purchase any or all of the furnishings, equipment, signs, fixtures, supplies, materials, Business Records, and other assets related to the operation of the Business, at Franchisee's cost or fair market value, whichever is less, and/or to require Franchisee to assign its lease or sublease to Franchisor. To exercise this option, Franchisor must notify Franchisee thereof within 45 days after expiration or termination of this Agreement. If the parties cannot agree on fair market value within a reasonable time, the fair market value will be determined by an independent appraiser reasonably acceptable

to both parties. The parties shall equally share the cost of the appraisal. Franchisor's purchase shall be of assets only and shall not include any liabilities arising before the date of acquisition. If Franchisor elects to exercise its option, Franchisor may set off from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; (c) amounts paid by Franchisor to cure defaults under Franchisee's lease or sublease; and (d) any reasonable attorneys' fees incurred in connection with the foregoing. Franchisor may assign this option to any other party, without Franchisee's consent.

14. TRANSFER.

14.01 Transfer by Franchisor. Franchisor has the right to assign or encumber this Agreement or consummate any other Transfer.

14.02 Transfer by Franchisee. Franchisees shall not assign this Agreement or consummate any other Transfer except in accordance with Section 14.03, Section 14.04, or Section 14.05 and any attempt to do so shall be void and a breach of this Agreement.

14.03 Transfer by Franchisee Subject to Franchisor's Approval. Franchisee may consummate a Transfer if Franchisor consents in writing, which consent shall not be unreasonably withheld, and if the following conditions are met:

- (a) Franchisee is under no default in the performance or observance of any of its obligations under this Agreement or any other agreement with Franchisor at the time Franchisee requests permission to assign this Agreement or at the time of the assignment;
- (b) Franchisee has settled all outstanding accounts with Franchisor;
- (c) Franchisee, and each owner of Franchisee, has executed a general release of Franchisor and its affiliates, owners, employees, and agents, in the form required by Franchisor;
- (d) Franchisor receives a transfer fee (the "Transfer Fee") in the amount of (i) \$5,000, unless the transferee is an existing Any Lab Test Now franchisee, in which case the Transfer Fee will be \$2,500.00; or the transferee is an entity in which Franchisee's owners are the majority owners, or if Franchisee transfers the Business to an adult child, parent, sibling, or spouse of an owner of Franchisee, in which case the Transfer fee will be \$0, plus (ii) any commission or other amount owed to a broker or other representative that is involved in a franchise sale as part of the Transfer;
- (e) the owners of the proposed transferee entity each execute a personal guarantee, jointly and severally, guaranteeing the performance of the proposed transferee's obligations;
- (f) the proposed transferee is not a competitor of Any Lab Test Now; and
- (g) the proposed transferee demonstrates to Franchisor's satisfaction that it, in all respects, meets Franchisor's standards applicable to new franchisees regarding experience, personal and financial reputation and stability, willingness and ability to devote his or her full time and best efforts to the operation of the franchised Business, and any other conditions as Franchisor may reasonably apply in evaluating new franchisees. Franchisor must be provided all information about the proposed transferee as it may reasonably require.

14.04 Transfer to an Entity. Franchisee may Transfer this Agreement to an entity in which Franchisee owns all of the equity, provided: (a) Franchisee remains on the Agreement as a party and the entity is added as a co-party; (b) Franchisee, or Franchisee's operational partner or Manager approved by Franchisor, continues to devote full time and best efforts to manage the daily operations of the Business; (c) the entity's activities are confined exclusively to operating the franchised Business; and (d) the entity assumes joint and several liability with Franchisee.

14.05 Death of Franchisee. Upon the death of an individual Franchisee, the rights granted by this Agreement may pass (without payment of any Transfer Fee) to the next of kin or legatees, provided that Franchisee's legal representatives will within 120 days of Franchisee's death apply in writing to Franchisor for the right to transfer to the next of kin or legatee Franchisee's rights under this Agreement. Franchisor will not unreasonably withhold permission so long as the proposed transferees meet each of the then-current requirements of franchisees and execute a personal guarantee, jointly and severally, guaranteeing the performance of their obligations.

14.06 Right of First Refusal. Franchisee grants Franchisor the right to purchase the Business on the same terms and conditions specified in a bona fide written offer from a qualified third party. Within seven days after receipt of the bona fide offer acceptable to Franchisee to transfer all or part of the Business, Franchisee must forward a signed copy of the written offer to Franchisor. Franchisor will then have access to all Franchisee's Business Records in order to evaluate the offer and may purchase the Business upon the same terms and conditions, by giving notice to Franchisee within 30 days, with 60 additional days to close the transaction.

14.07 Election of Right / Set Offs. If Franchisor elects to exercise any option to purchase under this Agreement, Franchisor will have the right to set off against any payment all amounts due from Franchisee under this Agreement and the cost of the appraisal, if any.

14.08 Rights after Refusal. If Franchisor does not exercise its right to purchase within the required time frame, Franchisee may transfer the Business to the third party, but not at a lower price or on more favorable terms than disclosed to Franchisor in writing. Such transfer remains subject to Franchisor's prior written approval and other conditions specified in this Agreement. If Franchisee does not transfer the franchised Business to the transferee on the same terms offered to Franchisor, then Franchisee must again extend the right of first refusal to Franchisor in the manner described above, before another desired transfer.

15. COVENANTS

15.01 Covenants Not to Compete.

(a) During the term of this Agreement and for two years after termination, transfer, or expiration of this Agreement for any reason, Franchisee (including all persons who directly or indirectly hold any ownership interest in Franchisee) agrees to not for itself, individually, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a "Competitive Business." "Competitive Business" as used in this Agreement means any business (other than an Any Lab Test Now business operated under a franchise agreement with Franchisor) providing direct to consumer laboratory services via a retail storefront, online or through any multi-area marketing channels used by Franchisor, or selling laboratory services or setting up referral partners for toxicology, clinical or DNA testing. This covenant not to compete applies: (i) during the term of this Agreement: anywhere in the United States; (ii) for a two year period following after the expiration or earlier termination of this Agreement: (a) within Franchisee's Protected Territory; (b) within 25 miles from the boundary of

Franchisee's Protected Territory; and (c) within a 25 mile radius from the premises of any Any Lab Test Now business then in operation.

(b) For purposes of the covenant not to compete, Franchisee includes, collectively and individually, all owners, guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in Franchisee and any immediate family members of same including spouses and children. Franchisor may require Franchisee to obtain from its manager and other individuals identified in the preceding sentence a signed non-compete agreement in a form satisfactory to Franchisor that contains the non-compete provisions of this Section 15.01.

(c) This covenant not to compete is given in part in consideration for training and access to Franchisor's Trade Secrets, and which, if used in a competitive business without paying royalties and other payments, would give Franchisee an unfair advantage over Franchisor and Franchisor's franchisees. This covenant not to compete is strictly limited in time and territorial effect, and Franchisee agrees that the terms of this covenant to compete are clear and reasonable as of the date this Agreement is signed. The unenforceability of all or part of this covenant not to compete in any jurisdiction will not affect the enforceability of this covenant not to compete in other jurisdictions, or the enforceability of the remainder of this Agreement.

(d) The covenants contained herein shall be presumed to be enforceable, and any reading causing unenforceability shall yield to a construction permitting enforcement. If any single covenant or clause shall be found unenforceable, it shall be severed and the remaining covenants and clauses enforced in accordance with the tenor of this Section and this Agreement. In the event the Arbitrator(s), or any court of competent jurisdiction, should determine not to enforce a covenant as written due to overbreadth, or for anyone reason, the parties specifically agree that said covenant shall be modified and enforced to the extent reasonable, whether said modifications are in time, territory, or scope of prohibited activities.

(e) Franchisees agree that the length of time in subpart (a) will be tolled for any period during which Franchisee is in breach of the covenants or any other period during which Franchisor seeks to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

15.02 Stock Ownership. Nothing in this Section will prevent Franchisee or any other person or entity from owning not more than a total of five percent (5%) of the stock of any company which is subject to the reporting requirements of Sections 11 or Subsection 14(d) of the Securities and Exchange Act of 1934.

16. DISPUTE RESOLUTION

16.01 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided to the contrary in this Agreement, any controversy or claim between Franchisor and Franchisee, whether or not arising out of or relating to this Agreement or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

(b) Venue. The place of arbitration shall be in Fulton County, Georgia.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy under this Agreement, seek from any court having jurisdiction any relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal (or pending the arbitral tribunal's determination of the merits of the controversy), which includes without limitation any action for temporary, preliminary or permanent injunctive relief, specific performance, writ of attachment, or other equitable relief necessary to enjoin any harm or threat of harm to such party's tangible or intangible property, including trademarks, service marks and other intellectual property, brought at any time, including prior to or during the pendency of any arbitration proceedings initiated hereunder.

(d) Confidentiality. All evidence, testimony, records, documents, findings, decision, judgments and awards pertaining to any arbitration hearing between Franchisor and Franchisee will be confidential in all respects. Franchisor and Franchisee will not disclose the decision or award of the arbitrator(s) and will not disclose any evidence, testimony, records, documents, findings, orders or other matters from the arbitration hearing to any person or entity except as required by law or as required for compliance with laws and regulations applicable to the future sales of franchises.

(e) Performance During Arbitration of Disputes. Franchisor and Franchisee will comply with all of the terms and conditions of this Agreement and will fully perform their respective obligations under this Agreement during the entire time of the arbitration process.

(f) Limit on Damages. The arbitrators will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute. Each party waives any right to punitive or other damages not measured by the prevailing party's actual damages to the maximum extent permitted by law. The maximum aggregate liability of Franchisor and its affiliates, and their respective owners, officers, and employees, to Franchisee in any arbitration(s) or other legal actions related to this Agreement or the business relationship between the parties shall not exceed the amounts paid by Franchisee to Franchisor in connection with this Agreement.

16.02 Waiver of Class Actions. The parties agree that any claims will be arbitrated or otherwise resolved on an individual basis and waive any right to act on a class-wide basis.

16.03 Time Limitation. Except for payments owed by one party to the other, and unless prohibited by applicable law, any arbitration or other legal action brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of two years from the earlier of (i) date of discovery of the conduct or event and (ii) the date such conduct or event should have been discovered, that forms the basis of the arbitration or other legal action.

16.04 Venue Other Than Arbitration. If any legal proceeding is not required to be submitted to arbitration under this Agreement, each of the parties irrevocably and unconditionally (a) agrees that any such legal proceeding must be brought in the District Court of the United States, in the district where the principal place of business of the Franchisor is then located or, if this court lacks jurisdiction, the courts of record of the state and county where the principal place of business of the Franchisor is then located; (b) consents to the jurisdiction of each such court in any legal proceeding; and (c) waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17. RELATIONSHIP OF THE PARTIES

17.01 Independent Contractor. Franchisee is an independent contractor and is not an agent, partner, joint venturer, employee, or beneficiary of Franchisor, nor is Franchisor a fiduciary of Franchisee. Neither party will be bound or obligated by the other, except as set forth in this Agreement. Franchisee may not act as an agent in Franchisor's name or on behalf of Franchisor for any purpose whatsoever.

17.02 Operations and Identification. Franchisee must conspicuously identify itself in all dealings with the public as "independently owned and operated" separate from Franchisor. Franchisee's employees are employees of the Franchisee alone and are not, for any purpose, considered employees under the control of Franchisor. Franchisor and Franchisee must file separate tax, regulatory, and payroll reports for each party's own operations, and must indemnify the other for any liability arising from the other's reports.

18. MISCELLANEOUS

18.01 Non-disparagement. Franchisee agrees not to make any statements, written or verbal, or cause or encourage others to make any statements, written or verbal, that defame, disparage or in any way criticize the personal or business reputation, practices, or conduct of Franchisor, its employees, directors, and officers. Franchisee acknowledges and agrees that this prohibition extends to statements, written or verbal, made to anyone, including but not limited to, the news media, investors, potential investors, any board of directors or advisory board or directors, industry analysts, competitors, strategic partners, vendors, employees (past and present), clients, and any third parties on the Internet. Franchisee understands and agrees that this paragraph is a material provision of this Agreement and that any breach of this paragraph shall be a material breach of this Agreement, and that Franchisor would be irreparably harmed by violation of this provision. Franchisee understands and agrees that this non-disparagement provision shall survive termination or expiration of this Agreement.

18.02 Entire Agreement. This Agreement, together with all written related agreements, exhibits and attachments, constitutes the entire understanding of the parties and supersedes all prior negotiations, commitments, and representations. Nothing in the Agreement or in any related agreement is intended to disclaim the representations made by Franchisor in the franchise disclosure document.

18.03 Modification. No modifications of the terms of this Agreement shall be valid unless made in writing and executed by both Franchisor and Franchisee. However, the Manual may be periodically modified by Franchisor and shall be fully enforceable against Franchisee.

18.04 Waiver. Franchisor's waiver of any particular right by Franchisee will not affect or impair Franchisor's rights as to any subsequent exercise of that right of the same or a different kind; nor will any delay, forbearance or omission by Franchisor to execute any rights affect or impair Franchisor's rights as to any future exercise of those rights.

18.05 Severability. If any part of this Agreement, for any reason, is declared invalid by an arbitrator or court, the declaration will not affect the validity of any remaining portion. The remaining portion will remain in force and effect as if this Agreement were executed with the invalid portion eliminated or curtailed. All partially valid and enforceable provisions shall be enforced to the extent that they are valid and enforceable.

18.06 Conflict with Local Law. If any provision of this Agreement is inconsistent with a valid applicable law, the provision will be deemed amended to conform to the minimum standards required. The parties may execute an Addendum setting forth certain of these amendments applicable in certain

jurisdictions, which will apply only so long as and to the extent that then applicable laws referred to in the addendum remain validly in effect.

18.07 Section Headings. Titles of articles and sections are used for convenience of reference only and are not part of the text, nor are they to be construed as limiting or affecting the construction of the provisions.

18.08 Legal Costs. If either party institutes a legal proceeding, including court proceeding and prevails entirely or in part in any action at law or in equity against the other party based entirely or in part on the terms of this Agreement, the prevailing party shall be entitled to recover from the losing party, in addition to any judgment, reasonable attorneys' fees, court costs and all of the prevailing party's expenses in connection with any action at law.

18.09 Obligations. Franchisor has no liability for Franchisee's obligations to any third party whatsoever.

18.10 Continuation of Agreement. The provisions of this Agreement, which by their terms or by reasonable implication require performance by Franchisee after assignment, expiration or termination, remain enforceable notwithstanding the assignment, expiration or termination of this Agreement, including those pertaining to non-competition, intellectual property protection, confidentiality and indemnity.

18.11 Notices. Unless otherwise specified in this Agreement, no notice, demand, request or other communication to the parties shall be binding upon the parties or effective hereunder unless the notice is in writing, refers specifically to this Agreement and is delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in Attachment I; and (B) if to Franchisor, addressed to 303 Perimeter Center North, Suite 575, Atlanta, Georgia 30346 (Facsimile: 866-489-1745) with a copy to Rich Simeone, Esq., 520 East Cooper Avenue, Suite 206, Aspen, Colorado 81611. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Such communications shall be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) transmitted by facsimile to the given number with confirmation of receipt; (3) mailed in the United States mail, with postage prepaid, by certified mail with return receipt requested; or (4) sent via overnight courier. Notwithstanding the foregoing, Franchisor may amend the Manual, give binding notice of changes to the System, and deliver notices of default by electronic mail to the address set forth in Attachment I.

18.12 Joint and Several Liability. If two or more persons or entities or any combination sign this Agreement as "Franchisee", each will have joint and several liability.

18.13 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.14 Set Off. Franchisee may not set off any amounts owed to Franchisor under this Agreement nor may Franchisee withhold any amounts owed to Franchisor due to any alleged non-performance by Franchisor under this Agreement. Franchisee waives any right to set off.

18.15 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia.

18.16 Franchisor's Rights. Whenever this Agreement provides that Franchisor has a certain right, that right is absolute and the parties intend that Franchisor's exercise of that right will not be subject to any limitation or review. Franchisor has the right to operate, administrate, develop, and change the System in

any manner that is not specifically precluded by the provisions of this Agreement. Whenever Franchisor reserves discretion in a particular area or where Franchisor agrees to exercise its rights reasonably or in good faith, Franchisor will satisfy its obligations whenever Franchisor exercises “Reasonable Business Judgment” (as defined below) in making its decision or exercising its rights. Franchisor’s decisions or actions will be deemed to be the result of “Reasonable Business Judgment,” even if other reasonable or even arguably preferable alternatives are available, if Franchisor’s decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes Franchisor’s financial or other individual interest. Examples of items that will promote or benefit the System include, without limitation, enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System.

18.17 Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed an original and all of which together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by electronic transmission (including an electronic signature platform or PDF) shall be as effective as delivery of a manually executed counterpart of this Agreement.

GUARANTY

IN CONSIDERATION of and to induce the consent by Any Test Franchising, Inc., a Georgia corporation (“Franchisor”) to enter into the Franchise Agreement with _____ (“Franchisee”), and for other good and valuable consideration, each of the undersigned agrees as follows:

1.01. Payment Of Obligations. The undersigned jointly, severally, and unconditionally guarantee to Franchisor the punctual payment and satisfaction of each and every claim, demand, default, liability, indebtedness, right or cause of action of every nature whatsoever, including expenses, damages and fees, now or hereafter existing, due or to become due, or held by Franchisor, its subsidiaries and affiliates, together with any interest as it may accrue, and all costs, expenses and attorney fees paid or incurred by Franchisor or its subsidiary or affiliate in collecting or attempting to collect the obligations of the Franchisee or in enforcing or attempting to enforce this Guaranty. The undersigned jointly, severally and unconditionally guarantee the timely performance of each term, covenant, and obligation set forth in the Any Lab Test Now Franchise Agreement described above and any other agreement. This is a continuing Guaranty which shall apply to the Franchise Agreement and any other agreement between Franchisee and Franchisor, and any subsequent renewals, extensions, amendments or modifications thereof, without further notice to or acceptance by the undersigned.

2.01. Waivers. The undersigned waive notice of acceptance of this Guaranty and of the incurrance by Franchisee of any liability to which it applies or may apply, and waive presentment and demand for payment thereof, protest, notice of protest and notice of dishonor or non-payment thereof, collection thereof including any notice of default in payment thereof or other notice to, or demand of payment therefore on, any party. The undersigned further waive any right to have security applied before enforcing this Guaranty, any right to require suit against the Franchisee or any other party before enforcing this Guaranty, and any right to subrogation to Franchisor’s rights against the Franchisee until the Franchisee’s liabilities and obligations to Franchisor are paid and satisfied in full.

3.01. Rights Of Company. Franchisor may, at its option, at any time, without the consent of or notice to the undersigned, without incurring responsibility to the undersigned and without impairing or releasing the obligations of the undersigned, upon or without any terms or conditions and in whole or in part:

a. change the manner, place or terms of payment or change or extend the time of payment of, renew, or alter any obligation, liability or right of the Franchisee under the Franchise Agreement hereby guaranteed, or any liabilities incurred directly or indirectly hereunder, and the guaranty herein made shall apply to the obligations and liabilities of the Franchisee, so changed, extended, renewed or altered;

b. exercise or refrain from exercising any rights against Franchisee or others, or otherwise act or refrain from acting;

c. settle or compromise any liabilities hereby guaranteed or hereby incurred, and may subordinate the payment of all or any part of such liabilities to the payment of any liabilities which may be due to Franchisor or others; and

d. apply any sums paid to any liability or liabilities of Franchisee to Franchisor regardless of what liability or liabilities of Franchisee remain unpaid. Franchisor may, at its option, without the consent

of or notice to the undersigned, apply to the payment of the liability created by this guaranty, at any time after such liability becomes payable, any moneys, property, or other assets belonging to the undersigned in the possession, care, custody and control of Franchisor.

4.01. Irrevocable. This agreement shall not affect in any manner the right of Franchisor to terminate the Franchise Agreement pursuant to the terms thereof, and this Guaranty shall survive the termination, expiration, or cancellation of the Franchise Agreement. Franchisor may at its option, elect to take no action pursuant to this Guaranty or the Franchise Agreement without waiving any rights under either. The undersigned do further agree that it will not be necessary for Franchisor, in order to enforce the terms of this agreement against them, to first institute suit or exhaust its remedies against the Franchisee or any others. This Guaranty shall operate as a continuing Guaranty and shall be non-revocable, except with the express written consent of Franchisor;

4.02. Joint And Several Liability. The undersigned, if more than one, shall be jointly and severally liable hereunder and the term “undersigned” shall mean the undersigned or any one or more of them. Anyone signing this Guaranty shall be bound thereto at any time. Any married person who signs this Guaranty hereby expressly agrees that recourse may be had against his/her community and separate property for all obligations under this Guaranty.

Now Therefore, in consideration of the mutual covenant and obligations contained herein, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

CONFIDENTIALITY AGREEMENT

1. Franchisor and/or Franchisee may disclose to Franchisee Affiliate some or all of the Trade Secrets relating to the System. All information and materials, including, without limitation, manuals, drawings, marketing techniques, specifications, techniques and compilations of data that Franchisor provides to Franchisee and/or Franchisee Affiliate shall be deemed confidential Trade Secrets for the purposes of this Agreement.

The restrictions of this Section will not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent five percent or less of the number of shares of that class of securities issued and outstanding. Franchisee Affiliate, Franchisee, and its officers, directors, shareholders, managers, members and partners expressly acknowledge that they possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive them of their personal goodwill or ability to earn a living.

MISCELLANEOUS

1. Franchisee shall make all commercially reasonable efforts to ensure that Franchisee Affiliate acts as required by this Agreement.
2. Franchisee and Franchisee Affiliate agree that in the event of a breach of this Agreement, Franchisor would be irreparably injured and be without an adequate remedy at law. Therefore, in

the event of such a breach, or threatened or attempted breach of any of the provisions hereof, Franchisor shall be entitled to enforce the provisions of this Agreement and shall be entitled, in addition to any other remedies that are made available to it at law or in equity, including the right to terminate the Franchise Agreement, to a temporary and/or permanent injunction and/or a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security. Franchisee and Franchisee Affiliate agree that Franchisee's and/or Franchisee Affiliate's sole remedy in the event of the entry of such injunctive relief shall be dissolution of such injunctive relief, if warranted, upon hearing duly had; provided, however, that all claims for damages by reason of the wrongful issuance of any such injunction are hereby expressly waived by Franchisee and by Franchisee Affiliate.

3. Franchisee Affiliate agrees to pay all expenses (including court costs and reasonable attorneys' fees) incurred by Franchisor and Franchisee in enforcing this Agreement.
4. Any failure by Franchisor to object to or take action with respect to any breach of this Agreement by Franchisee Affiliate shall not operate or be construed as a waiver of or consent to that breach or any subsequent breach by Franchisee Affiliate.
5. THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF GEORGIA. FRANCHISEE AFFILIATE HEREBY IRREVOCABLY SUBMITS HIMSELF TO THE JURISDICTION OF THE STATE COURTS OF FULTON COUNTY, GEORGIA OR THE U. S. DISTRICT COURT FOR THE DISTRICT OF GEORGIA. FRANCHISEE AFFILIATE FURTHER AGREES THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE IN FULTON COUNTY, GEORGIA; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION THAT INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR OR FRANCHISEE MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE THAT HAS JURISDICTION.
6. The parties acknowledge and agree that each of the covenants contained herein are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a part, Franchisee Affiliate expressly agrees to be bound by any lesser covenant embraced within the terms of such covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made a part of this Agreement. If any provision of this Agreement shall be held, declared or pronounced void, voidable, invalid, unenforceable or inoperative for any reason, by any court of competent jurisdiction, government authority or otherwise, such holding, declaration or pronouncement shall not affect adversely any other provisions of this Agreement which shall otherwise remain in full force and effect.

7. This Agreement contains the entire agreement of the parties regarding the subject matter hereof. This Agreement may be modified only by a duly authorized writing executed by all parties.
8. The rights and remedies of Franchisor under this Agreement are fully assignable and transferable and shall inure to the benefit of its respective affiliates, successor and assigns. The respective obligations of Franchisee and Franchisee Affiliate hereunder may not be assigned by Franchisee or Franchisee Affiliate without the prior written consent of Franchisor.
9. The waiver by Franchisor of any breach of any provision of this Agreement by Franchisee or Franchisee Affiliate shall not operate or be construed as a waiver of any subsequent breach thereof.
10. In any action at law or in equity to enforce any of the provisions or rights under this Agreement, the unsuccessful party in such litigation, as determined by the court in a final judgment or decree, shall pay the successful party or parties all costs, expenses and reasonable attorneys' fees incurred therein by such party or parties (including without limitation such costs, expenses and fees on any appeals), and if such successful party shall recover judgment in any such action or proceeding, such costs, expenses and attorneys' fees shall be included as part of such judgment.

MULTI-UNIT DEVELOPMENT AGREEMENT

THIS MULTI-UNIT DEVELOPMENT AGREEMENT (“Agreement”) is made and entered into as of the Effective Date, which is identified on the signature page of this Agreement, by and between by and between Any Test Franchising, Inc., a Georgia Corporation, with its principal office at 303 Perimeter Center North, Suite 575, Atlanta, GA 30346 (“Franchisor”) and _____, a _____ [residence of individual or state of organization and type of entity] with its principal office at _____ (“Franchisee”).

RECITALS:

Franchisor is engaged in the business of franchising Any Lab Test Now businesses under the Marks and Systems as more fully described in the Any Lab Test Now Franchise Agreement, the current form of which is signed contemporaneously with this MUD Agreement and which may be amended from time to time (“Franchise Agreement”); and

Franchisee is aware of the benefit derived from being identified with and franchised by Franchisor in order to use the Marks and System as more fully described in the Franchise Agreement; and

Franchisee has simultaneously executed a Franchise Agreement pertaining to the first Any Lab Test Now business, which Franchisee agrees to open or have opened within the time specified in the Franchise Agreement; and

Franchisee desires to obtain multi-unit development rights to establish and operate additional Any Lab Test Now businesses (“Subsequent Units”) within specific geographical areas and according to a specific time schedule; and

NOW, THEREFORE, in consideration of the premises, the covenants contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is hereby mutually agreed as follows:

I. TERRITORIAL EXCLUSIVITY

A. MUD Areas.

(1) According to the terms and conditions in this Agreement, Franchisor grants to Franchisee and Franchisee accepts the right, during the term of this Agreement, to establish and operate franchise units of Any Lab Test Now businesses (each referred to as a “Unit” and collectively referred to as the “Units”), in the geographic areas described in Attachment A (“MUD Areas”). So long as Franchisee is not in default under this Agreement or any other agreement with Franchisor or Franchisor’s Affiliates, neither Franchisor nor its Affiliates will operate or grant a franchise or license to any other person or entity to operate an Any Lab Test Now business within any MUD Area.

(2) Until the termination or expiration of the term, or the Transfer (as defined below) of this Agreement, Franchisee retains its right of exclusivity as long as it is in compliance with the MUD Schedule (as defined below). If Franchisee fails to meet any of its obligations under this Agreement or if Franchisee breaches any other Agreement executed by Franchisee pursuant to this Agreement, Franchisor may terminate the term of this Agreement along with Franchisee’s right to develop, open and operate new Units, but the termination of the term of this Agreement will not terminate any rights granted under the Franchise Agreements then in effect between Franchisee and Franchisor in which Franchisee is in compliance. After the expiration or termination of the term of this Agreement, Franchisor may own, operate,

franchise or license others to operate additional Any Lab Test Now businesses anywhere, without restriction, except for within any Protected Territories under Franchisee's Franchise Agreement(s) which remain in effect.

B. The Rights Franchisor Retains. Except as limited by Section I.A. above, Franchisor and its Affiliates retain all rights with respect to the System, Any Lab Test Now businesses, the Marks, the sale of similar or dissimilar products and services and any other activities Franchisor deems appropriate whenever and wherever Franchisor desires, including the right to:

(1) own or operate, or license others to own or operate Any Lab Test Now businesses anywhere immediately adjacent to or anywhere outside of Franchisee's MUD Areas;

(2) operate or license others to operate similar businesses or any other businesses and services under trademarks or service marks other than the Marks at any location, both inside or outside of Franchisee's MUD Areas;

(3) operate or license others to operate businesses under the Marks that are not similar to Any Lab Test Now businesses at any location, both inside or outside of Franchisee's MUD Areas;

(4) develop, merchandise, sell and license others to sell products and services bearing the Marks including the products and services offered at Any Lab Test Now businesses through alternative channels of distribution both inside or outside of Franchisee's MUD Areas, including, but not limited to, television, mail order, catalog sales, wholesale sale to unrelated businesses, or over the Internet;

(5) conduct marketing activities, including implementing multi-area marketing programs which may allow Franchisor or others to solicit or sell to customers in any location, including within the MUD Areas; and

(6) purchase, be purchased, merge, acquire, be acquired or affiliate with a competitor or any other business regardless of the location of the competitor or business, and to operate, franchise or license these businesses as Any Lab Test Now businesses under the Any Lab Test Now System or Marks or under other proprietary marks, regardless of the location of these businesses, whether such businesses are within or outside Franchisee's MUD Areas.

(7) Franchisor is not required to pay Franchisee if Franchisor exercises any of the rights specified in this Section I.(B).

II. DEVELOPMENT OBLIGATIONS

A. MUD Schedule. Franchisee will construct, equip, open and operate the number of Units within each of the time periods described in the schedule included in Attachment A attached to this Agreement ("MUD Schedule"). Except as modified in Section V below, Franchisee must execute a then-current form of the Franchise Agreement that Franchisor uses in the state in which the applicable Unit will be located within the time periods described in the MUD Schedule. Further, Franchisee must open each Unit within the time period described in the Franchise Agreement applicable to that Unit and in the MUD Schedule.

B. Force Majeure / Time of Essence. It is of material importance to Franchisor that Franchisee timely perform all obligations under this Agreement and the Franchise Agreement for each Unit. Should Franchisee be unable to meet the MUD Schedule solely as the result force majeure, which includes strikes, material shortages, fires, floods, earthquakes, and other acts of nature, or by force of law (including

Franchisor's inability to deliver a Franchise Disclosure Document), and which Franchisee could not have avoided by the exercise of due diligence, the MUD Schedule will be extended by the amount of time during which such force majeure existed.

III. TERM

The term of this Agreement will start on the date this Agreement is signed by both parties and Franchisee has paid Franchisor the MUD Fee. Unless terminated earlier according to the terms of this Agreement, the term of this Agreement and all multi-unit development rights granted in this Agreement will expire at the earlier of the date Franchisee signs the Franchise Agreement for the last Unit listed in the MUD Schedule or the date shown on the MUD Schedule for the last Franchise Agreement scheduled to be executed. There is no right to renew this Agreement.

IV. MUD FEE

In exchange for the rights granted under this Agreement, Franchisee will pay to Franchisor the MUD Fee listed on and in accordance with the MUD Schedule for payment shown in Attachment A for each of the proposed Units when Franchisee and Franchisor sign this Agreement. The portion of the MUD Fee attributable to each individual Unit will be credited against the Initial Franchise Fee due for each Unit under the Franchise Agreement applicable to such Unit. Franchisee recognizes that Franchisor has incurred administrative and other expenses in relation to this Agreement, and that development opportunities have been lost or curtailed as a result of the exclusivity granted in this Agreement. For this reason, no part of the MUD Fee is refundable, even if Franchisee fails to proceed with the development of Units under this Agreement.

V. FRANCHISE AGREEMENT

A. Signing the Franchise Agreement. Franchisee will sign a Franchise Agreement for its first Unit and pay the applicable Initial Franchise Fee under that Franchise Agreement at the same time Franchisee signs this MUD Agreement and pays the MUD Fee. Within the times specified in the MUD Schedule, Franchisee must execute a separate Franchise Agreement for each subsequent Unit and pay the balance of the appropriate Initial Franchise Fee shown on Attachment A. The Royalty Fee, and all other fees Franchisee owes under the Franchise Agreement that Franchisee signs for each Unit will be the same as in Franchisor's standard form Franchise Agreement being offered as of the date of this Agreement in the state in which Franchisee's MUD Areas are located. In no event will Franchisee be required to sign a Franchise Agreement until such time as Franchisor has complied with any applicable waiting periods according to law.

B. Complying with the Franchise Agreement. After Franchisee signs a Franchise Agreement, it shall fully comply with all of the terms contained in the Franchise Agreement including paying all of the fees required by that Franchise Agreement in a timely manner. FRANCHISEE WILL NOT OBTAIN ANY RIGHTS AS A FRANCHISEE FOR ANY PARTICULAR LOCATION UNTIL A FRANCHISE AGREEMENT IS SIGNED BY FRANCHISOR AND FRANCHISEE AND FRANCHISEE HAS PAID FRANCHISOR THE BALANCE OF THE INITIAL FRANCHISE FEE, IF ANY. Franchisee must submit all proposals for sites to Franchisor for Franchisor's consent. Franchisor has the right; in its absolute discretion, to withhold its consent to any site Franchisee proposes. Franchisor's consent to the site is no assurance of success.

C. Franchisor's Discretion. Franchisee acknowledges that all Units must be developed and operated according to Franchisor's standards. Franchisee agrees and recognizes that Franchisor may refuse to grant a Franchise Agreement for a subsequent Unit if Franchisor believes, in its reasonable judgment,

that Franchisee does not have sufficient financial resources and other ability (including, but not limited to, experience, character, skill, aptitude, attitude, and business acumen sufficient to operate multiple Units) to properly develop and operate the proposed subsequent Unit. Franchisor may take into account, among other things, Franchisee's past performance and financial success of Franchisee's existing Unit. In order to assist Franchisor in making such a determination, Franchisee must provide Franchisor, upon Franchisor's request, the financial and other information regarding Franchisee's existing Unit(s) and the proposed subsequent Unit. Franchisor's approval, however, is not deemed to be a warranty of Franchisee's financial or other ability to develop and operate the proposed subsequent Unit(s).

D. Marks. Franchisee acknowledges that Franchisor is not granting Franchisee any right to use the Marks under this Agreement. Any rights Franchisee receives regarding the use of the Marks arises from the Franchise Agreement Franchisee signed or will sign and Franchisee may only use the Marks pursuant to the terms of that Franchise Agreement.

VI. ASSIGNABILITY

A. By Franchisee. Franchisor has granted these development rights in reliance upon its perception of the individual and collective character, skill, attitude, and business and marketing abilities of Franchisee, and/or Franchisee's owners. Therefore, there can be no transfer of any interest in this Agreement or in the transfer of a controlling interest of an entity Franchisee ("Transfer"), without Franchisor's prior written consent. Any consent by Franchisor will not operate as a consent to any future such Transfer, and no future such Transfer will be valid without Franchisor's prior written consent to that specific Transfer. Any attempted Transfer in violation of this paragraph is voidable at Franchisor's option. Franchisor will not unreasonably withhold its consent to such a Transfer, provided that the following conditions are satisfied:

(1) Franchisee has substantially performed the obligations and duties under this Agreement and any other agreements between Franchisee and Franchisor;

(2) Franchisee must pay Franchisor all amounts Franchisee owes to Franchisor and Franchisor's Affiliates under this Agreement and all other agreements between Franchisee and Franchisor;

(3) Franchisee pays a non-refundable transfer fee to Franchisor in the amount of \$5,000 for each unopened Store;

(4) Franchisee and, if Franchisee is an entity, all of its officers, directors, shareholders, members and managers (as well as guarantors under this Agreement) will execute a general release (in the form approved by Franchisor) of any and all claims which Franchisee has or may have against Franchisor and Franchisor's Affiliates and Franchisor's respective officers, directors, employees and agents arising out of the franchise relationship, to the extent permitted by applicable law;

(5) The proposed transferee meets Franchisor's established standards (including experience, character, skill, aptitude, business ability and financial capability), is of good moral character, has a good credit rating and sufficient financial resources to operate the business;

(6) The proposed transferee and/or the transferee's managers will successfully complete and pass the training course then in effect for Franchisor's franchisees, or otherwise demonstrate to Franchisor's satisfaction, sufficient ability to operate and manage the Units and perform the obligations of this Agreement;

(7) The proposed transferee assumes all of Franchisee's obligations and liabilities (however, such assumption will not relieve Franchisee of any such obligations and liabilities); and

(8) The purchase price or terms of the sale are, in Franchisor's judgment, economically feasible to the proposed transferee (however, Franchisor's approval is no assurance that the sale is on economically reasonable terms).

B. By Franchisor. This Agreement is fully assignable, in whole or in part, by Franchisor, without Franchisee's consent. Upon Franchisor's assignment, Franchisor is relieved of all liability under this Agreement and all rights and obligations will accrue to Franchisor's successor or assignee.

C. No Subfranchising. Franchisee will not offer, sell, or negotiate the sale of Any Lab Test Now businesses to any third party, either in Franchisee's name or on Franchisor's behalf or otherwise subfranchise, share, divide or partition this Agreement, and nothing in this Agreement will be construed as granting Franchisee the right to do so.

VII. DEFAULT AND TERMINATION

A. Default by Franchisee. Upon written notice to Franchisee, Franchisor may terminate this Agreement for cause, but without providing Franchisee an opportunity to cure, in the event of any material breach of this Agreement by Franchisee. "Material Breach", as used in this Section VII, will include, among other things, the following:

(1) Any attempt by Franchisee to sell, assign or Transfer in violation of the terms of this Agreement;

(2) Franchisee's failure to execute a Franchise Agreement and/or open any Location for any of the Units on the date set forth within the Unit Schedule set forth in Attachment A;

(3) Franchisee's bankruptcy, insolvency or general assignment for the benefit of creditors;

(4) Any material breach by Franchisee or Franchisee's Affiliate of any Franchise Agreement or other agreement between Franchisee or Franchisee's Affiliates and Franchisor or Franchisor's Affiliates which is not cured within the applicable cure period in that agreement; or

(5) Franchisee or Franchisee's officers, directors or controlling owners commit or are convicted of a felony or crime of moral turpitude or fraud which Franchisor believes may adversely affect the System or goodwill associated with the Marks.

B. Rights on Termination, Expiration or Assignment. Upon expiration, assignment or termination, for any reason, of the term of this Agreement, all of Franchisee's rights regarding the MUD Areas will cease and any remaining rights Franchisee may have to open any subsequent Unit will cease. Franchisor will be entitled to establish, or to license others to establish Any Lab Test Now businesses using the Marks and System in the MUD Areas, subject to the provisions in any existing Franchise Agreements that Franchisee or Franchisee's Affiliates have with Franchisor relating to the Protected Territory defined in those Franchise Agreements. Franchisee or Franchisee's Affiliates will continue to operate their Units according to the signed Franchise Agreements between Franchisee or Franchisee's Affiliates and Franchisor, if such Franchise Agreements have not been terminated. A default and termination under this Agreement does not, in and of itself, constitute a default and termination under any Franchise Agreement between Franchisee and Franchisor.

VIII. DISPUTE RESOLUTION

A. Arbitration.

(1) Disputes Subject to Arbitration. Except as expressly provided to the contrary in this Agreement, any controversy or claim between Franchisor and Franchisee, whether or not arising out of or relating to this Agreement or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

(2) Venue. The place of arbitration shall be in Fulton County, Georgia.

(3) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy under this Agreement, seek from any court having jurisdiction any relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal (or pending the arbitral tribunal's determination of the merits of the controversy), which includes without limitation any action for temporary, preliminary or permanent injunctive relief, specific performance, writ of attachment, or other equitable relief necessary to enjoin any harm or threat of harm to such party's tangible or intangible property, including trademarks, service marks and other intellectual property, brought at any time, including prior to or during the pendency of any arbitration proceedings initiated hereunder.

(4) Confidentiality. All evidence, testimony, records, documents, findings, decision, judgments and awards pertaining to any arbitration hearing between Franchisor and Franchisee will be confidential in all respects. Franchisor and Franchisee will not disclose the decision or award of the arbitrator(s) and will not disclose any evidence, testimony, records, documents, findings, orders or other matters from the arbitration hearing to any person or entity except as required by law or as required for compliance with laws and regulations applicable to the future sales of franchises.

(5) Performance During Arbitration of Disputes. Franchisor and Franchisee will comply with all of the terms and conditions of this Agreement and will fully perform their respective obligations under this Agreement during the entire time of the arbitration process.

(6) Limit on Damages. The arbitrators will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute. Each party waives any right to punitive or other damages not measured by the prevailing party's actual damages to the maximum extent permitted by law. The maximum aggregate liability of Franchisor and its affiliates, and their respective owners, officers, and employees, to Franchisee in any arbitration(s) or other legal actions related to this Agreement or the business relationship between the parties shall not exceed the amounts paid by Franchisee to Franchisor in connection with this Agreement.

B. Waiver of Class Actions. The parties agree that any claims will be arbitrated or otherwise resolved on an individual basis and waive any right to act on a class-wide basis.

C. Time Limitation. Except for payments owed by one party to the other, and unless prohibited by applicable law, any arbitration or other legal action brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of two years from the earlier of (i) date of discovery of the conduct or event and (ii) the date such conduct or event should have been discovered, that forms the basis of the arbitration or other legal action.

D. Venue Other Than Arbitration. If any legal proceeding is not required to be submitted to arbitration under this Agreement, each of the parties irrevocably and unconditionally (a) agrees that any such legal proceeding must be brought in the District Court of the United States, in the district where the principal place of business of the Franchisor is then located or, if this court lacks jurisdiction, the courts of record of the state and county where the principal place of business of the Franchisor is then located; (b) consents to the jurisdiction of each such court in any legal proceeding; and (c) waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

IX. INDEPENDENT CONTRACTOR / INDEMNIFICATION

A. Independent Contractor. Franchisor and Franchisee are independent contractors, and no partnership, fiduciary, joint venture, or employment relationship exists between Franchisor and Franchisee. Franchisee will conspicuously identify itself in all dealings with the public as an independently owned business. Neither Franchisor nor Franchisee will make any agreements or representations in the name of or on behalf of the other party that their relationship is other than franchisor and franchisee.

B. Indemnification.

(1) Under no circumstances will Franchisor be liable for any act, omission, debt, or other obligation of Franchisee. To the fullest extent permitted by law, Franchisee (for itself and its employees, agents, subcontractors, successors and assigns) agrees, at Franchisee's sole cost and expense, to indemnify, defend and hold harmless, and to reimburse on demand Franchisor, and all entities related to Franchisor and Franchisor's respective directors, officers, members, employees agents, managers, partners, attorneys, licensees, affiliates successors and assigns ("Indemnified Parties") for and against any and all damages, losses, liabilities, bodily injury, property damage, obligations, penalties, fines, claims, litigation, demands, defenses, judgments, suit, proceedings, administrative orders, consent agreements, costs, disbursements or expenses of any kind or any nature whatsoever, including without limitation, reasonable attorneys' and expert fees and disbursements arising out of or related to or in any way arising out of the acts or omissions of Franchisee or Franchisee's employees, agents, officers, directors, parents, subsidiaries, affiliates, successors and assigns ("Indemnitors") arising out of or related to (i) any act or omission, negligent or otherwise, of the Indemnitors or anyone directly or indirectly employed by them or anyone whose acts they may be liable relative to the business contemplated by this Agreement; (ii) any breach by the Indemnitors or any term or provision of this Agreement; and (iii) the cost, including, but not limited to reasonable attorney's fees, of enforcing this indemnification provision. The obligations of Indemnitors are joint and several.

(2) This indemnification will not be construed to indemnify an Indemnified Party to the extent such indemnification is prohibited by law, including, an indemnification of any Indemnified Party from its own negligence, if prohibited by law. To the extent indemnification of any party hereunder would be prohibited by law, this provision will not apply to such party, but will continue to be effective as to all other parties with respect to whom indemnification is not prohibited by applicable law.

X. MISCELLANEOUS

A. Non-disparagement. Franchisee agrees not to make any statements, written or verbal, or cause or encourage others to make any statements, written or verbal, that defame, disparage or in any way criticize the personal or business reputation, practices, or conduct of Franchisor, its employees, directors, and officers. Franchisee acknowledges and agrees that this prohibition extends to statements, written or verbal, made to anyone, including but not limited to, the news media, investors, potential investors, any board of directors or advisory board or directors, industry analysts, competitors, strategic partners, vendors, employees (past and present), clients, and any third parties on the Internet. Franchisee understands and

agrees that this paragraph is a material provision of this Agreement and that any breach of this paragraph shall be a material breach of this Agreement, and that Franchisor would be irreparably harmed by violation of this provision. Franchisee understands and agrees that this non-disparagement provision shall survive termination or expiration of this Agreement.

B. Entire Agreement. This Agreement, together with all written related agreements, exhibits and attachments, constitutes the entire understanding of the parties and supersedes all prior negotiations, commitments, and representations. Nothing in the Agreement or in any related agreement is intended to disclaim the representations made by Franchisor in the franchise disclosure document.

C. Modification. No modifications of the terms of this Agreement shall be valid unless made in writing and executed by both Franchisor and Franchisee.

D. Waiver. Franchisor's waiver of any particular right by Franchisee will not affect or impair Franchisor's rights as to any subsequent exercise of that right of the same or a different kind; nor will any delay, forbearance or omission by Franchisor to execute any rights affect or impair Franchisor's rights as to any future exercise of those rights.

E. Severability. If any part of this Agreement, for any reason, is declared invalid by an arbitrator or court, the declaration will not affect the validity of any remaining portion. The remaining portion will remain in force and effect as if this Agreement were executed with the invalid portion eliminated or curtailed. All partially valid and enforceable provisions shall be enforced to the extent that they are valid and enforceable.

F. Conflict with Local Law. If any provision of this Agreement is inconsistent with a valid applicable law, the provision will be deemed amended to conform to the minimum standards required. The parties may execute an Addendum setting forth certain of these amendments applicable in certain jurisdictions, which will apply only so long as and to the extent that then applicable laws referred to in the addendum remain validly in effect.

G. Section Headings. Titles of articles and sections are used for convenience of reference only and are not part of the text, nor are they to be construed as limiting or affecting the construction of the provisions.

H. Legal Costs. If either party institutes a legal proceeding, including court proceeding and prevails entirely or in part in any action at law or in equity against the other party based entirely or in part on the terms of this Agreement, the prevailing party shall be entitled to recover from the losing party, in addition to any judgment, reasonable attorneys' fees, court costs and all of the prevailing party's expenses in connection with any action at law.

I. Obligations. Franchisor has no liability for Franchisee's obligations to any third party whatsoever.

J. Continuation of Agreement. The provisions of this Agreement, which by their terms or by reasonable implication require performance by Franchisee after assignment, expiration or termination, remain enforceable notwithstanding the assignment, expiration or termination of this Agreement, including those pertaining to non-competition, intellectual property protection, confidentiality and indemnity.

K. Notices. Unless otherwise specified in this Agreement, no notice, demand, request or other communication to the parties shall be binding upon the parties or effective hereunder unless the notice is in writing, refers specifically to this Agreement and is delivered as set forth in this Section to: (A) if to

Franchisee, addressed to Franchisee at the notice address set forth in Attachment I; and (B) if to Franchisor, addressed to 303 Perimeter Center North, Suite 575, Atlanta, Georgia 30346 (Facsimile: 866-489-1745) with a copy to Rich Simeone, Esq., 520 East Cooper Avenue, Suite 206, Aspen, Colorado 81611. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Such communications shall be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) transmitted by facsimile to the given number with confirmation of receipt; (3) mailed in the United States mail, with postage prepaid, by certified mail with return receipt requested; or (4) sent via overnight courier.

L. Joint and Several Liability. If two or more persons or entities or any combination sign this Agreement as “Franchisee”, each will have joint and several liability.

M. Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

N. Set Off. Franchisee may not set off any amounts owed to Franchisor under this Agreement nor may Franchisee withhold any amounts owed to Franchisor due to any alleged non-performance by Franchisor under this Agreement. Franchisee waives any right to set off.

O. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia.

P. Franchisor’s Rights. Whenever this Agreement provides that Franchisor has a certain right, that right is absolute and the parties intend that Franchisor’s exercise of that right will not be subject to any limitation or review. Franchisor has the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement. Whenever Franchisor reserves discretion in a particular area or where Franchisor agrees to exercise its rights reasonably or in good faith, Franchisor will satisfy its obligations whenever Franchisor exercises “Reasonable Business Judgment” (as defined below) in making its decision or exercising its rights. Franchisor’s decisions or actions will be deemed to be the result of “Reasonable Business Judgment,” even if other reasonable or even arguably preferable alternatives are available, if Franchisor’s decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes Franchisor’s financial or other individual interest. Examples of items that will promote or benefit the System include, without limitation, enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System.

Q. Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed an original and all of which together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by electronic transmission (including an electronic signature platform or PDF) shall be as effective as delivery of a manually executed counterpart of this Agreement.

Illinois law shall apply to and govern the Franchise Agreement and MUD Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place out of Illinois.

Franchisees' rights upon termination and non-renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

Item 22, Additional Disclosure. The following statement is added to Item 22:

This provision supersedes any other term of any document executed in connection with the franchise.

Each provision of these Additional Disclosures shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Illinois Franchise Disclosure Act are met independently without reference to these Additional Disclosures.

ADDITIONAL FDD DISCLOSURES REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The provision of this Additional Disclosure shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Rhode Island Franchise Investment Law are met independently without reference to this Additional Disclosure. The Additional Disclosure shall have no force or effect if such jurisdictional requirements are not met.

Fee Deferral, Item 5. The following is added to Item 5:

ADDITIONAL DISCLOSURES REQUIRED BY THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

To resolve an investigation by the Washington Attorney General and without admitting any liability, the franchisor has entered into an Assurance of Discontinuance ("AOD") with the State of Washington, where the franchisor affirmed that it already removed from its form franchise agreement a provision which

restricted a franchisee from soliciting and/or hiring the employees of other franchisees, which the Attorney General alleges violated Washington state and federal antitrust and unfair practices laws. The franchisor has agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to not include any such provisions in future franchise agreements, to request that its Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify its franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against the franchisor.

We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

**ADDENDUM TO THE ANY LAB TEST NOW FRANCHISE AGREEMENT
REQUIRED FOR WASHINGTON FRANCHISEES**

This Addendum to the Any Lab Test Now Franchise Agreement dated _____ (“Franchise Agreement”) between Any Test Franchising, Inc., a Georgia corporation, (“Franchisor”) and _____ a _____ (“Franchisee”), is effective as of the date beneath Franchisor’s signature (“Effective Date”).

1. The provisions of this Addendum form an integral part of, and are incorporated into the Franchise Agreement. This Addendum is being executed because: **(A)** the offer or sale of a franchise to Franchisee was made in the State of Washington; **(B)** Franchisee is a resident of the State of Washington; and/or **(C)** the franchised Any Lab Test Now business will be located or operated in the State of Washington.
2. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
3. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
4. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
5. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.
7. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
8. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any

employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

9. To resolve an investigation by the Washington Attorney General and without admitting any liability, the franchisor has entered into an Assurance of Discontinuance (“AOD”) with the State of Washington, where the franchisor affirmed that it already removed from its form franchise agreement a provision which restricted a franchisee from soliciting and/or hiring the employees of other franchisees, which the Attorney General alleges violated Washington state and federal antitrust and unfair practices laws. The franchisor has agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to not include any such provisions in future franchise agreements, to request that its Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify its franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against the franchisor.

10. We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

11. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

12. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

13. This Addendum may be executed in multiple counterparts, each of which when executed and delivered shall be deemed an original and all of which together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Addendum by electronic transmission (including PDF) shall be as effective as delivery of a manually executed counterpart of this Addendum.

GENERAL RELEASE

GENERAL RELEASE

*(To be used at time of Transfer of Franchise or for other Designated Purposes)
(Should not be signed at time of award of Initial Franchise)*

FOR AND IN CONSIDERATION of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by all parties, the parties agree and covenant as follows:

1. _____ (the “Franchisee”) and its guarantors, shareholders, officers, and directors, and any other person signatory hereto, does hereby release and forever discharge Any Test Franchising, Inc., its affiliates and successors, and their respective agents, assigns, officers, directors, shareholders, employees, and representatives (collectively, the “Released Parties”), from any and all liabilities, claims, demands, damages, actions, causes of action, or suits of any kind or nature whatsoever, both known and unknown. This full, final and absolute release (the “Release”) shall apply to all agreements or contracts heretofore existing or entered into by and between the Franchisee and the Released Parties.
2. It is understood and agreed that the settlement evidenced by this Release is a compromise of all claims herein specified, whether past, present or future, that such claims are doubtful and disputed, and that execution of this Release is not to be construed as an admission of liability on the part of any party. Rather, liability is expressly denied.
3. The consideration expressly mentioned herein is the only consideration paid or to be paid by said parties hereby released. No representations as to damages or liability have been made. The parties acknowledge that no other party, or agent, or attorney of any other party, has made any promise, or representation or warranty to induce this Release, not herein expressly set forth, and no such promises, representations or warranties are relied upon as a consideration for this Release, or otherwise, but any and all of the parties’ respective claims, of whatever nature are hereby fully and forever released, compromised and settled. Full and complete compromise, settlement, and accord and satisfaction are hereby acknowledged, and it is expressly agreed by the undersigned parties never to sue any of the other parties hereby released on any alleged promise, representation or warranty for this Release not herein expressly set forth.
4. This Agreement contains the entire agreement and understanding between the parties as to the matters specified herein and supersedes and replaces all prior negotiations or proposed agreements on this subject matter, whether written or oral. The terms contained herein may not be modified or amended except in writing signed by the parties. The terms of this Release are contractual and not a mere recital. Since the purpose of this Release is to end this matter forever, should it develop that there are any errors, mistakes or any omissions in this instrument, whether legal or factual and whether mutual or unilateral, which would cause the release of the parties herein released to be defective or less than complete, then the undersigned will sign any and all documents and do any and all things necessary to effectuate a full, final and absolute release of said party.
5. The undersigned further state that they have carefully read the foregoing instrument; that they know the contents thereof; that they understand and agree to each and every term and condition contained herein; that they signed the same as their own free act and deed; and that they have not assigned any rights released hereunder to any person or organization, private or governmental.

6. The terms of this Release arose from negotiations and discussions between the parties. Accordingly, no claimed ambiguity in this Release shall be construed against any party claimed to have drafted or proposed the language in question.

7. This Release shall be governed by and construed pursuant to the laws of the State of Georgia.
