What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirements, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Colorado. Out-of-state mediation and/or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Colorado than in your own states.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language of this Disclosure Document, “LIME,” “LFS,” “Franchisor,” “we,” “us,” or “our” refers to us, LIME Franchise Systems, LLC, as the franchisor.

“Franchisee,” “you,” or “your” refers to the franchisee who enters into a franchise agreement and, if applicable, multi-territory addendum with us.

The franchisee may be a person, corporation, partnership, or limited liability company. If the franchisee is a corporation, partnership, limited liability company, or other entity, “you” and “your” includes the principals of the corporation, partnership, limited liability company, or other entity.

Franchisor

We are a Colorado limited liability company formed on August 30, 2017 with a business address at 4950 S Yosemite St F2 #121 Greenwood Village, CO 80111. We do business under our corporate name and our then-current Proprietary Marks, the latter of which includes our current primary mark LIME PAINTING.

We commenced the offer and sale of franchises for the Businesses in February 2018.

As of the Issuance Date, we are not the designated or approved supplier for any products or services that you are required to purchase in connection with your Franchised Business other than: (i) the training we provide to you prior to opening in connection with a Franchised Business within one (1) or more Designated Territories, subject to your payment of our initial training fee disclosed more fully in Item 5 (the “Initial Training Fee”); and (ii) any Required Software and technology we determine to provide to you with Technology Fee described more fully in Items 5 and 6 of this Disclosure Document.

We do reserve the right and may provide certain inventory and other products/services to our System franchisees as described more fully in Item 8.

We do not currently own or operate any Businesses directly, but we reserve the right to do so. We have never offered franchises in any other line of business.

Except as provided in this Item and this Disclosure Document below, we do not and have not engaged in any business activities or any other line of business. Our agents for service of process are listed in Exhibit A.

Franchise Being Offered

Franchised Business and Franchisee Services

We grant franchises for the right to independently own and operate a franchised Business(es) (each, a “Franchised Business”) that: (i) market and advertise the Approved Services to prospective Clients that own or manage high-end residential properties within the territory we award you under the Franchise Agreement as described more fully below in this Disclosure Document (your “Designated Territory”); (ii) enter into a form of services agreement that we approve with such Clients (each, a “Services Contract”) for the provision of the Approved Services in connection with their Client Property within the Designated Territory; (iii) engage and work with third-party Subcontractors that have the appropriate licensing, permits and credentials to provide the Approved Services at issue at the Client Property and managing such Client

project(s) (each, a “Client Project”) to completion; and (iv) offer and provide any other services to prospective and existing Client(s) that we authorize (collectively, the “Franchisee Services”).

Approved Services (to be Provided by Third-Party Contractors Engaged for a Client Project)

As of the Issuance Date, there are various Approved Services that can be offered and provided as part of a Client Project, including: (i) high-quality substrate restoration; (ii) preparation and application of high-end quality paints, stains and other coatings designed to support a large range and variety of substrates and related products (collectively, the “Coating Products”); and (iii) other services such as gutter removal and cleaning and exterior power-washing that are ancillary or related to the application of the paint or other Coating Products at issue. We may condition your right to offer certain Approved Services on your ability to demonstrate you have engaged the appropriate Subcontractor(s) and/or obtained all required consents/permitting to provide the same at a given Client Property.

Our standard franchise offering assumes that you will not actually provide the painting, substrate and other Approved Services in the field of home improvement at Client Properties and will instead engage or otherwise employ (if and as required by applicable law where the Franchised Business is located) third-party Subcontractors or licensed personnel to provide such services, utilizing the System methods, practices, criteria and Required Software that we designate for use in connection with your Business.

Required Software and Client Data

You must also use the Required Software to record, monitor and report each prospective and existing Client, along with (a) their contact information and details of their Client Project (or contemplated project), (b) the estimate(s) and amounts billed and collected in connection with each Client Project, (c) the Subcontractors you engaged in connection with that project, (d) the progress of each such project and your provision of the Franchisee Services, including without limitations, any and all milestones agreed to with the Client, (e) a copy of the Services Contract(s) associated with that Client and each Client Project, and (e) any other information that we designate in the Required Software, the Manuals or otherwise in writing (collectively, the “Client Data”).

You must ensure that all Client Data, including all sales calls, visits and other pre-engagement activity with prospective Client(s), is promptly entered and records into the Required Software, and your failure to comply with the day-to-day obligation constitutes a material default of your reporting and operational obligations under the Franchise Agreement and may be grounds for termination of your franchise if you do not timely cure your failure to actively submit and report such Client Data to us (by updating your Required Software with all appropriate information within the cure period you are afforded in your Franchise Agreement).

You must also ensure that the Business complies with any and all applicable data privacy and related laws with respect to the Client Data, which may not be used by you or your personnel for any purpose other than the operations of your Franchised Business.

Premises and Mobile Unit(s); Client Properties

Your Franchised Business must be operated from a home office or other location that we approve in writing (your “Premises”), which our standard franchise offering assumes will be (a) located within your Designated Territory, and (b) a home office or other space you already own or have the right to use as the premises of your Franchised Business. Your Premises must be located within the Designated Territory we award to you, unless we agree otherwise in a separate writing.

If you do not have an Premises at the time you enter into a franchise agreement with us, then we will typically designate a site selection area on your data sheet of your agreement (the “Data Sheet”) wherein you must secure a site we approve for your Franchised Business and to serve as your Premises (the “Site Selection Area”). You will not be permitted to operate your Franchised Business at any location other than your Premises, which will be identified on your data sheet once determined.

You will also acquire and utilize a vehicle that (a) meets our then-current System standards and specifications, and (b) is branded with the vehicle wrap and/or decals and/or other signage we designate that incorporates our current Proprietary Marks (each, a “Mobile Unit”). Our standard franchise offering assumes that you have at least one (1) Mobile Unit dedicated for use within a Franchised Business operating in a Designated Territory and up to two (2) Additional Territories – and we reserve the right to require you to acquire an additional Mobile Unit in connection with your Franchised Business if you are operating a single Franchised Business in more than three (3) total Designated Territories.

Our standard franchise offering further expects and requires that your Mobile Unit will be a leased truck that is white and has a bed length of six (6) feet or more that must (a) be wrapped or otherwise branded with our then-current Proprietary Marks and trade dress, and (b) otherwise meet our then-current System standards.

You may only offer and provide the Franchisee Services, as well as the Approved Services provided via Subcontractors of the Business, in connection with Client Properties located within your Designated Territory that meet our then-current System standards and specifications. Such Client Properties typically include duplexes, triplexes, row homes, townhomes, condominiums, stand-alone homes, vacation homes, family-owned rental homes, and similar abodes that meet the minimum-value and other characteristics that we designate from time to time. We may require that you purchase any item or service you are required to use in connection with your Franchised Business (each, a “Required Item”) from a supplier/provider that we designate or approve (each, an “Approved Supplier”), which may be us or our affiliate.

We may also authorize you to provide the Franchisee Services in connection with Client Projects that involve the provision of painting, substrate and/or other Approved Services to commercial businesses and properties (each, a “Designated Commercial Facility”). As of the Issuance Date, a Designated Commercial Facility is eligible for the Approved Services, provided: (i) such Facility is not more than three (3) stories high; (ii) located within your Designated Territory or neighboring territory not awarded to committed to another System franchisee; and (iii) the provision of Approved Services at that Facility does not require the Franchised Business to acquire any tools, equipment or insurance beyond that which is required for the provision of the Franchisee Services and overall Approved Services in connection with Designated Residence. As of the Issuance Date, examples of a potential Designated Commercial Facility include, but are not necessarily limited to all businesses, organizations, or institutional facilities, and multi-unit dwellings, such as apartments, dormitories, hotels, motels, inns, or other short-term lodging facilities. We may modify the criteria for an eligible Designated Commercial Facility via the Manuals or otherwise in writing.

Form of Franchise Agreement and Designated Territory

Our current form of franchise agreement (the “Franchise Agreement”) is attached to this Disclosure Document as Exhibit B, and you must enter into our then-current form of franchise agreement for each Franchised Business we grant you the right to operate.

Once you have secured and/or otherwise determined your Premises on the Data Sheet of your Franchise Agreement, we will also award you a Designated Territory wherein you will enjoy certain territorial rights as disclosed more fully in Item 12 of your Disclosure Document.

Multi-Territory Operations pursuant to Multi-Territory Addendum

Our standard franchise offering expects and assumes that you will enter into our current form of Multi-Territory Addendum, attached as Exhibit C, to memorialize your right to operate the Franchised Business within one (1) or more Additional Territories at the same time you enter into your Franchise Agreement governing that Franchised Business.

As of the Issue Date, we expect and intend that: (i) the Multi-Territory Addendum will only apply to territories that are contiguous to a Designated Territory that has been mutually agreed upon and designated in your Franchise Agreement with awarded under your Franchise Agreement; and (ii) you will be awarded the right to operate between one (1) and two (2) Additional Territories under your addendum with us.

If you wish to operate in geographical areas that are in different markets and/or otherwise not contiguous/adjacent to the Designated Territory as described above, then you will be required you enter into a separate form of franchise agreement with us for the right to operate a distinct and additional Franchised Business in that market/region – and pay the appropriate Initial Franchise Fee and any Additional Territory Fee in connection with that separate operations and agreement. In certain situations, we may award a System franchisee the right to operate in more than two (2) Additional Territories that are contiguous to the Designated Territory under the Franchise Agreement for a given Franchised Business, but this is not part of our standard franchise offering.

Predecessor(s), Parent(s) and Affiliates

Our parent company is LIME Holdings, LLC (“Holdings”), is a Colorado limited liability company formed on August 30, 2017, with the same principal address as us. Holdings has not (a) been involved with the offer or sale of franchise in any line of business, (b) directly owned or operated any business that is substantially similar to the Franchised Business being offering in this Disclosure Document, or (c) conducted any other material business activities that must be disclosed in this Item.

Our affiliate, LIME IP, LLC (the “TM Owner”), is a Colorado limited liability company with the same address as us that was formed on August 30, 2017, that owns our Proprietary Marks that we have a license to use, and sublicense our System franchisees the right to use, as disclosed more fully in Item 13.

Our affiliate, LIME Painting, LLC (“LP”), was also formed under the laws of Colorado on November 1, 2013 and has the same principal place of business as us. LP has owned and operated one (1) or more Business(es) that are substantially similar to the Franchised Business since January 1, 2014 (each, an “Affiliate-Owned Business”).

A third affiliate, LIME Light Outreach, Inc. (“LLO”), is a Colorado non-profit organization organized on November 11, 2015, with the same business address as us. To date, LLO has been associated with our customer loyalty program (the “Loyalty Membership Program”) but System franchisees are not currently required to purchase or acquire any item from this affiliate other than payment of an annual fee as consideration for managing the Loyalty Membership Program with respect to the Clients of your Franchised Business.

Except as provided above, none of the affiliates listed in this Item above have (a) offered or sold franchises or licenses in any line of business, (b) operated a Business that is substantially similar to the Franchised Business, or (c) been involved in any other material business activities that require disclosure in this Item.

General Description of the Market and Competition

You will target your services to owners and managers of homes and apartments. You may have to compete with other businesses including franchised operations, national chains, and independently owned companies offering similar products or services to customers. You may also encounter competition from other franchises.

Regulations Specific to the Industry

Most states and local jurisdictions have enacted laws, rules, regulations and ordinances that may apply to the operation of your business, including those that: (a) establish general standards, specifications and requirements for the construction, design and maintenance of the business premises; (b) regulate matters affecting the health, safety and welfare of your customers, such as restrictions on smoking and availability of and requirements for public accommodations, including restrooms; (c) set standards pertaining to employee health and safety; (d) regulate matters affecting requirements for accommodations for disabled persons; (e) set standards and requirements for fire safety and general emergency preparedness; and (f) set standards and regulations regarding the licenses and permits necessary to provide installation services as a contractor.

You must investigate and comply with all of these applicable laws and regulations, as we have not investigated any laws or regulations to determine whether they are applicable to the operation of your Franchised Business. You alone are responsible for complying with all applicable laws and regulations, despite any advice or information that we may give you.

In particular, you are solely responsible for determining what, if any, licenses/permits/approvals you or the Franchised Business will need in order to (a) offer, sell and provide the Franchisee Services you must provide in connection with your Business, and (b) engage Subcontractors to provide the Approved Services and corresponding paint and other home improvement products to Clients consistent with the needs of each Client Project (collectively, the “Project Materials”), within your Designated Territory. You or the parties you engage to provide the Approved Services will have such required licenses/permits/approvals prior to commencing operation of your Franchised Business, and our franchise offering expects and assumes that any personnel you hire or otherwise engage to provide certain services will have the appropriate training and licenses associated with the provision of such services. We are not authorized to provide you with any legal or other advice regarding these matters.

In addition to your independent responsibility to assure full compliance with all applicable laws, the laws where you operate your Business may require that you and/or certain of your Subcontractors demonstrate completion of a Lead Renovator (RRP) Initial Certification course through an EPA approved trainer or applicable EPA authorized state program. You must demonstrate successful completion of this course by providing a Renovation, Repair and Painting (RRP) Certification and registration designating that you are a Lead-Safe Certified Firm. In certain states, including California, we understand that current regulations and laws may require that the Franchisee entity is owned or managed by an individual that has appropriate licensing to manage and provide the Approved Services in connection with the Franchised Business.

The United States enacted the “Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001” (the “USA Patriot Act”). We are required to comply with the USA Patriot Act. To help us comply with the USA Patriot Act, we ask you in the Franchise

Agreement to confirm for us that neither you, nor your directors, officers, shareholders, partners, members, employees, or agents are suspected terrorists or persons associated with suspected terrorists or are under investigation by the U.S. government for criminal activity. You may review the Patriot Act and related regulations at <http://www.ustreas.gov/offices/enforcement/ofac/programs>.

You must consult with your own attorney to ensure that the laws of the state where your Franchised Business is located permits you to provide each of the Approved Products and Services from your Premises. It is your sole responsibility to investigate any regulations in your area, including those related to the establishment and operation of a Business generally.

Please be advised that you must investigate and comply with all of these applicable laws and regulations. You alone are responsible for complying with all applicable laws and regulations, despite any advice or information that we may give you. We have not researched any of these laws to determine their applicability to your Franchised Business.

In addition to the Initial Franchise Fee, the following amounts are due at the time you execute your Franchise Agreement or otherwise prior to the opening of your Franchised Business, unless we agree otherwise in writing:

Fee or Payment	Amount
The fee we charge in connection with the provision of the on-site assistance and training our training personnel provides at your Franchised Business prior to and/or around the time of the contemplated soft opening of your Franchised Business (the “Initial On-Site Training Fee”).	\$7,000
Initial Technology Package (as further described in Item 7)	\$10,000
Initial Marketing Spend (as further described in Item 7), which we reserve the right to collect and expend on one (1) or more Approved Suppliers commencing 1-2 months prior to your contemplated opening and ending around the time you commence operations of your Franchised Business	\$0 to \$10,000

Each of the amounts above will be deemed fully earned and non-refundable upon payment.

Multi-Multi-Territory Addendum: Additional Territory Fee(s)

If you are awarded the right to operate a given Franchised Business within multiple territories, you will be required to pay us an Additional Territory Fee that will vary based on how many Additional Territories we award you the right to operate that business. As of the Issue Date, our standard franchise offering expects and assumes that we will award you the right to operate your Franchised Business in up to two (2)

Additional Territories that are contiguous to the Designated Territory you are awarded under your Franchise Agreement, and (b) not comprised of any geographical area that has been awarded territorial rights in connection with a System Business.

Your Additional Territory Fee will be calculated as follows: (i) \$40,000 for the first Additional Territory you are awarded; and (ii) \$35,000 for the second Additional Territory you are awarded under your Multi-Territory Addendum.

If we determine to award you any further Additional Territory rights in connection with a given Franchised Business – which we do not expect to do as part of our typical franchise offering – then you will be required to pay an Additional Territory Fee amounting to \$30,000 for the third (3rd) and each subsequent Additional Territory you are awarded. The Additional Territory Fee will be deemed fully earned and non-refundable upon payment, and we expect to impose this fee moving forward with regards to new multi-Territory franchise operators.

As disclosed in Item 1, the Multi-Territory Addendum will only apply to territories that are contiguous to your Designated Territory that will be agreed-upon and designated in your Franchise Agreement prior to executing the same. If you wish to operate in geographical areas that are in different markets and/or otherwise not contiguous/adjacent to the Designated Territory, our standard franchise offering expects and assume that you enter into a separate form of franchise agreement with us for the right to operate a different Franchised Business in that non-contiguous market/region.

Other Relevant Disclosures

Except as provided above in this Item, we expect and intend to impose the fees above uniformly on our new System franchisees.

1. **Definition of Gross Sales.** “Gross Sales” means the total revenue generated by your Franchised Business, including all revenue generated from the sale and provision of any and all gift cards and other Approved Services and Approved Services at or through your Franchised Business (via Subcontractor work or the Franchisee Services), and all proceeds from any business interruption insurance related to the non-operation of your Franchised Business in all authorized Designated Territory(ies), whether such revenues are evidenced by cash, check, credit, charge, account, barter or exchange. “Gross Sales” does not include (a) tips received by Subcontractors and that is not payable or otherwise remitted to Franchisee or the Franchised Business, (b) any sales tax and equivalent taxes that are collected by Franchisee for or on behalf of any governmental taxing authority and paid thereto, (c) the value of any allowance issued or granted to any client of the Franchised Business that is credited in good faith by Franchisee in full or partial satisfaction of the price of the Approved Products or Approved Services. The definition of “Gross Sales” may also exclude amounts charged to a customer that purchases a gift card, other electronic stored value card or gift certificate from the Premises, if and as consistent with our then-current System policies, standards and specifications regarding such cards or certificates (as we may update and modify as it determines appropriate via the Manuals or otherwise in writing).

2. **Royalty Fee and Other Fees.** Your Royalty Fee, as well as any other fees payable to us or our affiliates under the Franchise Agreement, may be collected by us via EFT from the bank account you are required to designate solely for use in connection with your Franchised Business (your “EFT Account”). You must provide us with the details of your EFT Account prior to opening and execute all documents necessary to authorize us to make withdrawals from this account throughout the term of your Franchise Agreement, including our then-current EFT Withdrawal Authorization form that is attached as an Exhibit to our current form of Franchise Agreement. You must provide us with advance written notice of any change to the information related to your EFT Account.

Your Minimum Royalty will be as set forth in the Chart above, regardless of whether you are operating your Franchised Business in one (1) to three (3) Designated Territories, with any Additional Territory awarded pursuant to our Multi-Territory Addendum.

3. **Collection Interval.** We reserve the right to change the interval at which we collect your Royalty Fee, Fund Contribution and other recurring fees payable to us or our affiliates under the Franchise Agreement upon written notice to you. For example, we may collect these recurring fees on a monthly rather than weekly basis. Regardless, you are required to provide us with a weekly Gross Sales report detailing your Gross Sales from the preceding Business Week, along with your calculated Royalty Fee, Fund Contribution (if appropriate) and other information that we reasonably require (the “Gross Sales Report”) on Monday of each week. We may also require you to use a Computer System and/or related software that provide us with automatic access to such Gross Sales Reports.

Explanatory Notes to Charts 7(A) Above:

Generally. Unless negotiated with a third-party, non-affiliated supplier, all payments disclosed in this Item are generally non-refundable. Please note that the estimates above are, in part, based on (a) our experience establishing, operating and franchising Businesses in Colorado, the experience of our System franchisees in establishing and launching Franchised Business operations since we commenced franchising, (c) estimates we have received from our Approved Suppliers and certain other third-party suppliers, and (d) the experience of certain of our business advisors in working with franchise brands that have a business with a similar footprint and/or business concept as the Franchised Business offered in this Disclosure Document. Our standard franchise offering assumes that a System franchisee will timely open and commence operations of the Franchised Business within the time period set forth in Item 11 of the FDD.

1. **Initial Franchise Fee.** The Initial Franchise Fee is payable upon execution of the Franchise Agreement, and this fee is deemed fully earned and is not refundable upon payment.
2. **Costs and Expenses Associated with Corporate Training.** This is our estimated range of costs to cover the travel and living expenses, including airfare, lodging and meals, which you will incur when you and your employees attend the portion of our Initial Training Program that takes place at our corporate headquarters in Greenwood Village, Colorado or other designated training facility we designate (the “Corporate Training”). We expect that the Corporate Training will typically last between four (4) and five (5) days in duration.

The cost you incur will vary depending upon factors such as distance traveled, mode of transportation, travel preferences (such as air travel or ground transportation), nature of accommodations, per diem expenses actually incurred, and the number of persons who attend training. This estimate does not include any wages or salary for you or your trainees during training.

The low end of this estimate assumes that you will be attending the Corporate Training and that you will not need to purchase a flight to attend, while the high end assumes that a total of two (2) individuals will attend the Corporate Training and will be required to purchase a flight to/from that training in order to attend. This cost does not include salaries or wages owed to employees of your Business, which are covered under the “Additional Funds” estimated range.

As described more fully in Item 11, you will also be required to ensure that you, your Designated Manager and/or other initial personnel: (i) complete certain remote initial training (provided via webinar) before you are permitted to attend Corporate Training; and (ii) actively attend, participate in and complete certain on-site training and assistance that our training representative(s) will typically provide to you and your initial personnel over two (2), separate on-site visits to your home office and/or Designated Territory (and pay us the Initial On-Site Training Fee described in Item 5).

3. **Start-Up Package.** This estimate is designed to cover the initial package of supplies and uniforms that you will need to acquire from our Approved Supplier in order to initially establish and commence operations of your Franchised Business, and which you must acquire and have on-site at the Premises prior to launching operations.
4. **Mobile Unit and Vehicle Wrap Package.** This estimated range is designed to cover the costs you will incur in connection with acquiring a package comprised of certain equipment necessary to equip your home office and Mobile Unit for initial operations.
5. **Initial Technology Package (Including Pre-Opening Technology Fees).** This estimate includes the cost of acquiring (a) the necessary hardware and other primary components of the computer

6. **Technology Fee(s) – 3 months following opening of Business.** This estimate is designed to cover the Technology Fees you will be required to pay to our Approved Supplier (currently us) for certain technology services that we have currently designated for use in connection with the System and a Franchised Business. You will not be required to pay us a Technology Fee prior to your opening, provided you timely open within the 90-day period required in your Franchise Agreement.
7. **Initial Marketing Spend.** This range is the estimated amounts that you will typically pay to us in connection with (a) the initial marketing plan you develop and implement to promote the opening and initial launch of your Business, and (b) other amounts you will incur in connection with certain pre-opening sales activities designed to generate clientele and/or the Initial On-Site Training that we provide to you and your Initial Training Team via the Initial On-Site Training session(s). You may be required to expend all or some portion of these funds on marketing materials and/or services that we specify or require you to engage an Approved Supplier to provide such materials or services.
8. **Digital Marketing Requirement.** This estimate accounts for the amounts you must pay as your Digital Marketing Requirement, which commences in the month the Franchised Business timely launches and commences operations under the Franchise Agreement.
9. **Licenses and Certifications.** You are required to obtain all business licenses, permits, certificates or approvals before you start business. Local, municipal, county, and state regulations vary on what licenses and permits are required by you to operate. As discussed in Item 1, you are solely responsible for researching all laws applicable to where your Franchised Business is operated to determine whether or not you must obtain such a bond under such laws.
10. **Insurance - Initial Premiums.** This is an estimate of insurance premiums over the initial ramp-up period of operations detailed above. Your costs will vary depending on your market, the amount of coverage you select, your insurance carrier, and other factors.
11. **Professional Fees.** We respectfully suggest that you consult with an attorney, accountant and/or other business advisors regarding the purchase and operation of the Franchised Business. This item includes an estimate of the cost to incorporate as an entity and an initial consultation with an accountant.
12. **Additional Funds – 3 to 6 Months.** You will need additional capital to support on-going expenses during the initial three (3) to six (6) months after you open your Franchised Business. The estimate may include items such as payroll, royalty, local advertising and additional advertising/marketing activities, expected call center fees, repairs and maintenance, bank charges, miscellaneous supplies and equipment, state tax, and other miscellaneous items. This range does not include any draw or salary for you. These figures are estimates and we cannot guarantee that you will not have additional expenses in the first three months you are operating your Franchised Business. The actual expenses you incur during the start-up period will depend on factors such as how much you follow our methods and procedures, your management skills, your experience and business acumen, location of your franchise, local economic conditions and market for your product, prevailing wage rate, competition, and sales level reached during this initial period. In calculating this estimate, we relied on (a) the experience of our affiliate-owned Businesses that are operated in a substantially

similar manner to a Franchised Business while utilizing the Proprietary Marks and System within territories in Denver, Colorado, (b) the experience of our System franchisees based on the information they report to us, and (c) estimates we received from our Approved Suppliers and other third-party suppliers.

13. **Total Estimated Initial Investment.** The figures in this table are estimates. We do not offer direct or indirect financing to you for any items. The availability of financing through third-party lenders, if any, will depend on factors such as the lending policies of such financial institutions, the collateral you may have, your creditworthiness, and the general availability of financing. Unless otherwise noted above, all of the expenditures listed in the Item 7 Chart above are non- refundable.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate all aspects of your Franchised Business in strict conformance with the methods, standards and specifications of our System. Our methods, standards, and specifications will be communicated to you in writing through our confidential Manuals and other proprietary guidelines and writings that we prepare for your use in connection with the Franchised Business and System. We may periodically change our System standards and specifications from time to time, as we deem appropriate or necessary in our sole discretion, which we will notify you of in writing, and you will be solely responsible for costs associated with complying with any modifications to the System.

Approved Products and Approved Services

You may only market, offer, sell and provide the Approved Services and Approved Products to the prospective and existing Clients of your Franchised Business.

You may only directly provide the Franchisee Services in connection with your Franchised Business that are primarily designed to generate Clients and manage Client Projects.

We will provide you with a list of our then-current Approved Services and Approved Products, along with their standards and specifications, as part of the Manuals or otherwise in writing prior to the opening of your Franchised Business. We may update or modify this list in writing at any time.

If you wish to offer any product or service to prospective or existing Client(s) that are not part of our then-current Approved Services or Approved Products, or use any item in connection with your Franchised Business that does not meet our System standards and specifications, then you must obtain our prior written approval as described more fully in this Item.

Approved Suppliers

We have the right to require you to purchase any items or services necessary to operate your Franchised Business from a supplier that we approve or designate (each, an “Approved Supplier”), which may include us or our Affiliate. We will provide you with a list of our Approved Suppliers in writing as part of the Manuals or otherwise in writing, and we may update or modify this list as we deem appropriate.

Currently, we have Approved Suppliers for the following items: (i) starter/opening kit of initial supplies, inventory and other required items; (ii) uniforms and other branded merchandise; (iii) the initial equipment package that you must purchase and utilize to establish your Franchised Business and/or build out your home office or other approved Premises; (iv) certain components of the Computer System, as well as the software and other technology provided as part of the Technology Fee and/or certain third-party software we require (collectively, the “Required Software”); (v) call center services; (vi) certain Project Materials if such materials are appropriate for a Client Project and/or provision of Approved Services; and/or (vii) ongoing digital marketing and/or comparable marketing/technology in the future, including the services that must be acquired from our Approved Suppliers via payment of the then-current Digital Marketing Requirement and/or Local Advertising Requirement.

As of the Issuance Date, we are the Approved Supplier for: (i) Required Software access and other technology services/access that you receive in connection with the current Technology Fee; (ii) the on-site training we provide on-site at your Franchised Business that is covered by the On-Site Training Fee; (iii) Digital Marketing services; and (iv) Initial Marketing Spend. We are also currently an Approved Supplier for analyzing and preparing proposals for Client Projects, which is an optional service that we make available to our System franchisees at our then-current hourly rate (currently, \$50 per hour invoiced).

If and when we establish a System Call Center, we will have a designated Approved Supplier (which could be us or our affiliate) to provide these Call Center services. In the future, we reserve the right to designate us or any affiliate/parent of ours as the Approved Supplier for any additional or other item or service that you are required to purchase and/or utilize in connection with your Franchised Business. This includes any proprietary products we develop or have developed for use in your Franchised Business, including private-label products that bear our Proprietary Marks.

If you wish to purchase a product or service that we require you to purchase from an Approved Supplier from an alternate source, then you must obtain our prior written approval as outlined more fully in this Item. We may provide our standards and specifications for our Approved Products and Services directly to our Approved Suppliers, and may provide these standards and specifications to an alternative supplier you propose if: (i) we approve the supplier in writing as outlined more fully in this Item; and (ii) the alternative supplier agrees to sign our prescribed form of non-disclosure agreement with respect to any confidential information we disclose.

As of the Issuance Date, none of our officers own an interest in any Approved Supplier (other than us and our affiliate supplier(s) noted above) from which you must directly purchase or lease in connection with

your Franchised Business.

Required Purchases and Right to Derive Revenue

The products or services we require you to purchase or lease from an Approved Supplier, or purchase or lease in accordance with our standards and specifications, are referred to collectively as your “Required Purchases.” We estimate that your Required Purchases will account for approximately 75% to 90% of your total costs incurred in establishing your Franchised Business, and approximately 40% to 75% of your ongoing costs to operate the Franchised Business after the initial start-up phase. Please be advised that these percentages do not include your lease payments you make in connection with your Premises.

We reserve the right to derive revenue from any of the purchases (items or services) that our System franchisees are required to make in connection with the Franchised Business.

As of our fiscal year ending December 31, 2022, we derived \$120,421 in revenue from our System franchisees’ required purchases (including Technology Fee payments, other direct purchases and third-party supplier rebates), or 6.2% of the \$1,950,111 in total revenue we generated in our past fiscal year.

Non-Approved Product/Service and Alternate Supplier Approval

We may, but are not obligated to, grant your request to: (i) offer any products or services in connection with your Franchised Business that are not Approved Products and Services; or (ii) purchase any item or service we require you to purchase from an Approved Supplier from an alternative supplier.

If you wish to undertake either of these actions, you must request and obtain our approval in writing before: (i) using or offering the non-approved product or service in connection with your Franchised Business; or (ii) purchasing from a non-approved supplier. You must pay our then-current supplier or non-approved product evaluation fee when submitting your request. We do not currently charge any evaluation fee but reserve the right to do so in the future (in an amount not to exceed \$500 per request). We may ask you to submit samples or information so that we can make an informed decision whether the goods, equipment, supplies or supplier meet our specifications and quality standards. In evaluating a supplier that you propose to us, we consider not only the quality of the particular product at issue, but also the supplier’s production and delivery capability, overall business reputation and financial condition. We may provide any alternate supplier you propose with a copy of our then-current specifications for any product(s) you wish the supplier to supply, provided the supplier enters into a confidentiality and non-disclosure agreement in the form we specify. We may also inspect a proposed supplier’s facilities and test its products and request that you reimburse our actual costs associated with the testing/inspection.

We will notify you in writing within 120 days after we receive all necessary information and/or complete our inspection or testing to advise you if we approve or disapprove the proposed item and/or supplier. The criteria we use in approving or rejecting new suppliers is proprietary, but we may (but are not required to) make it available to you upon request. Each supplier that we approve of must comply with our usual and customary requirements regarding insurance, indemnification and non-disclosure. If we approve any supplier, we will not guarantee your performance of any supply contract with that supplier under any circumstances. We may re-inspect and/or revoke our approval of a supplier or item at any time and for any reason to protect the best interests and goodwill of our System and Proprietary Marks. The revocation of a previously-approved product or alternative supplier is effective immediately when you receive written notice from us of revocation and, following receipt of our notice, you may not place any new orders for the revoked product, or with the revoked supplier.

Gift Card Policies

In the event we establish a gift card program online or make such gift cards available for purchase to Clients, then you will be required to (a) acquire and make sure cards available, and (b) honor such gift cards that prospective and existing Clientele present as consideration for a given Client Project, in accordance with our then-current System standards and specifications as set forth in our Manuals or otherwise in writing. As of the Issuance Date, we do not yet utilize gift cards or authorize the offer/sale of such cards as part of our offering – but we reserve the right to do so in the future.

Customer Service Policies and Warranty Programs

You are required to follow all customer service policies as we identify and modify them from time to time in our Manuals or otherwise in writing. Our then-current System policies regarding refunds and/or the provision of “make up” services may be set forth and/or modified upon written notice.

You must issue the warranties to your customers for all products and services sold or delivered by the Franchised Business that we prescribe in the Manuals or otherwise in writing (the “Warranty”). You must comply with the policies relating to Warranties that we designate from time to time. You must refrain from issuing or offering any Warranty of which we have not approved.

Under our current System and Warranty program(s), we may require you to issue to customers and perform under an extended (either in duration or scope) Warranty (the “Extended Warranty”). You must comply with the policies and procedures relating to the Extended Warranty that we may specify in the Manuals or otherwise in writing, which may include the requirement that you offer the Extended Warranty only in connection with a loyalty program or other promotion. We may require that you deliver products or services in connection with your performance under an Extended Warranty (“Extended Warranty Work”) on the terms and conditions that we prescribe, including pricing. Your remuneration for Extended Warranty Work may be limited to an allocation of the revenue from customers’ Extended Warranty purchases that we designate. You must not charge customers for Extended Warranty Work without our prior written consent. We may require that you offer the Extended Warranty to customers only in connection with the Loyalty Membership Program.

You must promptly, fully, and courteously perform under all Warranties, including all Extended Warranty Work, to our reasonable satisfaction. We have the right, but not the obligation, to respond to and settle or otherwise resolve any warranty claims, to manage all disputes and to control all arbitration and litigation (including any settlement or other resolution) relating to Warranty claims as we deem appropriate. However, you must reimburse us for all fees, costs, and expenses that we incur in connection with such warranty claims, disputes, arbitration, and litigation within 30 days of your receipt of our invoice.

Purchasing Cooperatives and Right to Receive Compensation

We may, when appropriate, negotiate purchase arrangements, including price terms, with designated and Approved Suppliers on behalf of the System. We may establish strategic alliances or preferred vendor programs with suppliers that are willing to supply some products, equipment, or services to some or all of the Businesses in our System. If we do establish those types of alliances or programs, we may: (i) limit the number of approved suppliers with whom you may deal; (ii) designate sources that you must use for some or all products, equipment and services; and (iii) refuse to approve proposals from franchisees to add new suppliers if we believe that approval would not be in the best interests of the System.

We and/or our parent and/or affiliate(s) may receive payments or other compensation from Approved Suppliers or any other suppliers on account of these suppliers' dealings with us, you, or other Franchised Businesses in the System, such as rebates, commissions or other forms of compensation. We may use any amounts that we receive from suppliers for any purpose that we deem appropriate. We and/or our parent, Affiliate or other affiliate(s) may negotiate supply contracts with our suppliers under which we are able to purchase products, equipment, supplies, services and other items at a price that will benefit us and our franchisees.

We currently have purchasing-related agreements, but no formal cooperative(s), with certain of our Approved Supplier(s), but we reserve the right to create such purchasing cooperatives in the future.

Franchisee Compliance

When determining whether to grant new or additional franchises, we consider many factors, including your compliance with the requirements described in this Item 8. You do not receive any further benefit as a result of your compliance with these requirements.

Advertising

All advertising and promotional materials and other items we designate must bear the Proprietary Marks in the form, color, location and manner we prescribe. In addition, all your advertising and promotion in any medium must be conducted in a dignified manner and must conform to the standards and requirements we prescribe in the Manuals or otherwise. You must obtain our approval before you use any advertising and promotional materials or plans in connection with your Franchised Business if we have not prepared or approved them during the 12 months prior to the date of your proposed use.

Premises and Lease

You must obtain our approval of the Premises for your Franchised Business before you acquire the site. You must also obtain our approval of any contract of sale or lease for the Premises before you execute the contract or lease, and we may condition our approval of any such lease on you and your landlord's execution of our prescribed form of Collateral Assignment of Lease (attached as Exhibit C to our current form of Franchise Agreement). You must also ensure that you comply with all of our System standards and specifications related to the build-out, remodeling and/or construction of your Franchised Business at the Premises.

If we grant you the right to open and operate your Franchised Business in multiple Designated Territories, then you will only be required to operate from a single approved Premises for that Franchised Business.

Insurance

You must obtain and maintain the insurance coverages and policies that we prescribe in the Franchise Agreement and/or our Manuals. Each insurance policy must be issued by an issuer we approve, who must have an A.M. Best Rating of not less than A-VII. We may require that these policies name us as an additional insured and contain a waiver of subrogation in our favor. The policies must provide us with written statutory cancellation notice and non-renewal. We may periodically increase required coverage limits or require additional or different coverage to reflect inflation, identification of new risks, changes in the law or standards of liability, higher damage awards and other relevant changes in circumstances. You must deliver to us (and in the future maintain on file with us) valid and current certificates of insurance showing that all required insurance is in full force and effect, or any other evidence of coverage that we may require from time to time. As of the Issuance Date of this Disclosure Document, the current minimum

coverages and limits associated with our System are:

- (A) Worker’s Compensation coverage of \$500,000 per occurrence;
- (B) General Liability coverage of \$1,000,000 per occurrence and \$2,000,000 General Aggregate;
- (C) Umbrella Liability Insurance including \$2,000,000 per occurrence;
- (D) Commercial Auto Liability insurance of \$500,000; and
- (E) Any additional insurance required by the owner of any Third-Party Premises.

Computer Hardware and Software

You must purchase any and all computer hardware, software and peripherals in accordance with our System standards and specifications. We may require you to purchase any of these items from one of our Approved Suppliers. We may require you to purchase any of these items from one of our Approved Suppliers, and we currently have an Approved Supplier in connection with the software you must use at your Franchised Business (and maintenance/support associated with this software). You will only need a single Computer System for the right to operate a Franchised Business, whether in one (1) or up to three (3) total Designated Territories.

4. You will be required to pay our then-current Training Fee for any additional training provided in connection with re-attendance or replacement management or other personnel. Our current fee for this training is \$1,000 per day plus any additional fees and expenses incurred providing the same.

B. Site Selection

Our standard franchise offering assumes that you will operate your Franchised Business, at least an initial matter, from your home office or other dedicated space that you already possess.

Unless we agree otherwise in writing, we will designate and approve your home office as the Premises of your Franchised Business in the Data Sheet attached to your Franchise Agreement at the same time you sign that agreement, provided you have provided the proper assurances and any corresponding evidence we reasonably request to demonstrate that your home office or similar space within your possession is of sufficient size and can be dedicated to the Franchised Business operations.

If you are operating multiple Franchised Businesses or otherwise wish to operate from a third-party space that you lease, you must (a) obtain our prior written approval, and (b) ensure that your proposed third-party space is consistent with any site selection guidelines to the extent they have been reduced to writing and provided to you at the time you submit your request to operate from a third-party space.

We may evaluate any third-party space you propose and will typically consider the following: accessibility via various modes of transportation, typical foot traffic and vehicle traffic in the area, proximity to home improvement stores, delivery and parking accommodations, area security, and other factors. We may also condition our approval of an proposed Location on the landlord for such space agreeing to (a) afford us a collateral assignment of lease and certain other rights in connection with the leased space that are set forth in the form of lease addendum attached to your Franchise Agreement as Exhibit C. (Franchise Agreement, Sections 2(B) and 5(E));

You must assume all costs, liabilities, expenses and responsibility for: (i) locating, obtaining and developing the Premises your Franchised Business; and (ii) equipping and, if you determine appropriate in connection with a third-party space, constructing, remodeling and/or building out the Premises for use as a Franchised Business, all in accordance with our System standards and specifications. We may provide you with our current written site selection guidelines, to the extent such guidelines are in place, and any other site selection counseling and assistance we believe is advisable. Our guidelines for site selection may require that you conduct, at your expense, an evaluation of the demographics of the market area for the location. We may then use these factors in determining the suitability of your proposed site for the Premises of your Franchised Business. We may require you to use our Approved Supplier for site-selection assistance. (Franchise Agreement, Section 5(F)).

In deciding whether to approve a site, we may also consider, among other things: (i) demographic characteristics, traffic patterns, allowed design and building, parking, visibility, allowed signage, and the predominant character of the neighborhood surrounding the proposed site; (ii) competition from other businesses selling similar services and/or products within the area, along with the proximity of the Premises to these businesses and the nature of all other businesses in proximity to the proposed site; (iii) zoning restrictions, soil and environmental issues, and other commercial characteristics; and (iv) the size, appearance, and other physical characteristics of the proposed site.

We will use reasonable efforts to approve or reject any proposed third-party space you propose within 30 days of the date you provide us with all requested materials. If we determine that an on-site evaluation is necessary, then you must: (i) submit to us in the form we specify a description of the site prior to our representative conducting its on-site evaluation, including evidence that the site satisfies our site selection guidelines and any other information and materials that we may reasonably require, including a letter of intent or other evidence that confirms your favorable prospects for obtaining the site; and (ii) reimburse us for the expenses incurred in connection with such an evaluation. If we do not provide our specific approval of a proposed location within this 30-day period, the proposed location will be deemed rejected.

Given our standard franchise offering assumes you will be operating from a home office, we expect and assume that you will have the Premises of your Franchised Business and be able to designate the same in your Data Sheet when you Franchise Agreement is signed. Unless we agree otherwise in writing, we expect that your Premises will be located within the Designated Territory you are awarded under your Franchise Agreement.

C. Time to Open

Except as provided in this Item, you must open and commence operations of your Franchised Business within 120 days from the date you execute your Franchise Agreement for that Franchised Business, regardless of whether you are authorized to operate within one (1) or more Additional Territories. (Franchise Agreement, Section 6(C)).

We estimate that it will take between 45 and 120 days to open your Franchised Business from the time you execute your Franchise Agreement. Your total timeframe may be shorter or longer depending on the time

necessary to (a) attend and complete all training, (b) develop, plan and commence executing (with our approval) your initial marketing plan (via your expenditures from the Initial Marketing Spend discussed below in this Item), (c) equipping your Premises and any Mobile Units that must be acquired and utilized, and (d) acquire all inventory and marketing materials necessary for your initial period of operations.

If you do not open or operate your Franchised Business within this 120-day period, then we may terminate your Franchise Agreement (unless we agree to extend your opening deadline in a writing signed by both parties) (Franchise Agreement, Section 6(D)).

While you have the option to attend any Additional Training we offer, subject to the availability of our classes, we may require that you and your Designated Manager attend up to five (5) days of Additional Training each year at our headquarters in Colorado or other location we designate. You will be required to pay our then-current Additional Training Fee for any Additional Training you and your employees request to attend and any Remedial Training that we require. You will also be solely responsible for all expenses incurred in attending Additional Training (currently \$500/day per trainer) (Franchise Agreement, Section 5(A));

2. We may provide you with continuing consultation and advice, as we deem necessary in our sole discretion, regarding the management and operation of the Franchised Business. We may provide this assistance by telephone, facsimile, intranet communication, ZOOM®, SKYPE®, via SMS other communication channel, as we deem advisable and subject to the availability of our personnel. Certain of this advice and consultation may be provided based on certain reports, guest satisfaction surveys and other brand quality measurements we impose in connection with the operation of your Franchised Business, and such advice/consultation will be subject to your timely provision of any reports we require you to submit. (Franchise Agreement, Section 5(G-H));

3. We may also provide you with additional on-site assistance and/or training, subject to the availability of our field representatives and, upon our request, payment of our then-current Training Fee in connection with any: (i) additional training or on-site assistance that you request; (ii) Remedial Training you or your personnel are required to attend; and/or (iii) training that we provide to any replacement personnel, including any Corporate Training that such personnel must receive prior to undertaking any corresponding duties or responsibilities at your Business. (Franchise Agreement, Section 5(H));

5. We will approve or disapprove your requests to: (i) purchase and/or offer non-approved products or services in connection with the Franchised Business; and (ii) make Required Purchases from suppliers other than our then-current Approved Suppliers. (Franchise Agreement, Section 6(K));

6. We may schedule and hold a franchise conference, as we deem advisable in our sole discretion, to discuss the current state of the System, improvements to the System, hold discussion forums for System franchisees and recognize certain franchisees. In the event we schedule a conference, we may

require you to attend for up to five (5) days each year, and it may be combined with our affiliate's annual System conference for Business owners. You will responsible for the costs and expenses you incur in connection with any franchise conference and you will be required to pay our then-current attendance/registration fee, which we currently estimate to be between \$1,000 and \$2,000 (Franchise Agreement, Section 5(Q));

7. We will display the contact information of your Franchised Business on the website that we or our designee maintains to advertise and promote the brand, our Proprietary Marks and other Business locations, provided you are in compliance with the terms of your Franchise Agreement. Please see below in this Item 11 under the heading "Advertising and Marketing" for further information.

8. Once established, we will administer and maintain the Fund as we determine appropriate. (Franchise Agreement, Section 9(F));

9. We may, as we deem appropriate in our discretion, establish and maintain a website or other online portal of any kind that will be accessible by our franchisees, which may be used for purposes of (a) providing updates, supplements and supplemental information that will constitute part of one (1) or more Manual, (b) providing webinars and other training, including portions of our Initial Training Program, (c) providing advertising templates or other marketing/promotional materials, as well as information related thereto, and (d) otherwise communicate with our franchisees regarding the brand, System and/or specific operational/promotional aspects of a Franchised Business (collectively, the "System Site"). (Franchise Agreement, Section 5(E));

10. We may conduct, as we deem advisable in our sole discretion, inspections of the Premises and audits of the Franchised Business and your operations generally to ensure compliance with our System standards and specifications. We may also prepare written reports outlining any recommended or required changes or improvements in the operations of a System franchise, as we deem appropriate in our sole discretion, and detail any deficiencies that become evident as a result of any inspection or audit. (Franchise Agreement, Section 5(L));

11. We may supplement, revise or otherwise modify the Manuals and/or a System Site as we deem necessary or prudent in our sole discretion, which may, among other things, provide new operations concepts and ideas. We may provide you with these updates through various mediums, including mail, e-mail and our System-wide intranet. (Franchise Agreement, Section 5(D-E)); and

12. We may: (i) research new services, products and equipment and methods of doing business and provide you with information we have developed as a result of this research, as we deem appropriate in our sole discretion; and (ii) create and develop additional products and services to be offered or provided as Approved Services and/or Approved Products (including Project Materials) that can be made available and offered to prospective and existing Client(s), including proprietary products and services that may be sold under the trademarks we designate. (Franchise Agreement, Section 5(K)).

E. Advertising

All advertising and promotion that you use in connection with your Franchised Business must be approved by us and conform to the standards and requirements that we specify. We may make available to you from time to time, at your expense, certain promotional materials, including coupons, merchandising materials, point-of-purchase materials, special promotions, and similar advertising and promotional materials. You must also participate in certain promotions and advertising programs that we establish as an integral part of our System, provided these activities do not contravene regulations and laws of appropriate governmental authorities. (Franchise Agreement, Section 9(B)).

If you wish to use any advertising or promotional materials other than those that we have previously approved or designated within the preceding 12 months, then you must submit the materials you wish to use to us for our prior written approval at least 30 days prior to publication. We will use commercially reasonable efforts to notify you of our approval or disapproval of your proposed materials within 15 days of the date we receive the materials from you. If you do not receive our written approval during that time period, however, the proposed materials are deemed disapproved and you may not use such materials. Once approved, you may use the proposed materials for a period of 90 days, unless we: (i) prescribe a different time period for use; or (ii) require you to discontinue using the previously approved materials in writing. We may require you to discontinue the use of any advertising or marketing material, including materials we previously approved, at any time. (Franchise Agreement, Section 9(B)). Except as otherwise provided in this Item, we are not required to spend any amount on advertising in your Designated Territory.

Initial Marketing Spend. In addition to the Local Advertising Requirement, you will be required to expend a minimum of \$10,000 in connection with the initial marketing and other necessary activities for you and the personnel of your Franchised Business to be ready to open your Business and/or generate Client(s) or prospective Client(s) for potential conversion into Client Project prior to and around the time you initially launch and commence operating your Franchised Business (with our approval). We expect you will expend these amounts within the period that typically commences around 30-60 days prior to the contemplated opening of your Franchised Business and typically ending around 15-30 days following your initial launch with our approval. You will typically pay this amount to us, but we may require that you expend any portion of these funds on products and services that you must purchase from our Approved Suppliers.

Local Advertising Requirement. We require that a System franchisee spend at least \$500 per month on local advertising and promotions (the “Local Advertising Requirement”). (Franchise Agreement, Section 9(D)). You may be required to expend all or any portion of your Local Advertising Requirement on materials, products and services that are provided by our one (1) or more of our Approved Suppliers (which may be us or our affiliate in the future).

Digital Marketing Requirement. As of the Issuance Date, we require that you pay us a Digital Marketing Requirement amounting to \$1,500 per month as consideration for certain digital marketing management and placement services that are provided on an ongoing basis in connection with your Franchised Business, System and brand generally. In the future, we reserve the right to require that the Digital Marketing Requirement funds be paid, in whole or in part, to any Approved Supplier we designate. (Franchise Agreement, Section 9(E)).

Brand Development Fund. As of the Issuance Date, we are not actively administering a brand development Fund that is designed to market, advertise, promote and/or otherwise develop the System, Franchised Business model, Approved Services, Franchisee Services, Project Materials and/or other Approved Products and/or our brand generally. We previously established a Fund that of our initial System franchisees contributed to in an amount equal to one percent (1%) of their respective Gross Sales – as of the Issuance Date, however, we are no longer collecting such Fund Contributions and are instead allowing these existing System franchisees to re-allocate these funds to digital marketing services that these System franchisees were not originally required to expend as part of a Digital Marketing Requirement or “DMR” that is set forth in our current form of Franchise Agreement.

In the event we establish a Fund, we may require that you: (i) make a Fund Contribution amounting to up to 3% of the Gross Sales of your Franchised Business to that Fund; and (ii) remit such contributions to us at the same time and manner as your Royalty. (Franchise Agreement, Section 9(F)).

If established, we will administer and use the Fund to meet certain costs related to maintaining, administering, directing, conducting and preparing advertising, marketing, public relations, and/or promotional programs and materials, and any other activities that we believe will enhance the image of the System. We will designate all programs that the Fund finances, with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation. The Fund may also be used to cover the costs and fees associated with: preparing and producing video, audio, and written materials and electronic media; developing franchisee remote training tools and/or other technology tools designated to further develop the brand and/or our then-current System; website maintenance and development, internet advertising, administering regional and multi-regional marketing and advertising programs, including purchasing trade journal, direct mail, website, radio and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities. The Fund may be used for advertising materials/campaigns in printed materials or on radio or television for local, regional or national circulation, internet regional or national advertising, as we deem appropriate in our discretion. We and/or a regional or national advertising agency may be used to produce all advertising and marketing.

We will account for the Fund contributions separately from our other funds and not use the Fund for any of our general operating expenses, except to compensate us for the reasonable salaries, administrative costs, travel expenses and overhead we incur in administering the Fund and its programs, including conducting market research, preparing advertising, promotion, and marketing materials, and collecting and accounting for Fund contributions. The Fund is not our asset or a trust, and we do not owe you fiduciary obligations because of our maintaining, directing or administering the Fund or any other reason. The Fund may spend in any fiscal year more or less than the total Fund contributions in that year, borrow from us or others (paying reasonable interest, determined from time to time by us, which provides us with a return commensurate with the prevailing interest rate charged by persons in the business of lending money under similar circumstances) to cover deficits, or invest any surplus for future use. We will use interest earned on Fund contributions to pay costs before spending the Fund's other assets. We will not use Fund contributions for advertising that principally is a solicitation for the sale of franchises, except that we may use/display the phrase "Franchises Available" on any and all advertising/marketing that is covered by the Fund. We may incorporate the Fund or operate it through a separate entity if we deem appropriate.

Our Affiliate-owned Businesses may, but will not be required to, contribute to the Fund in the same manner that each Franchised Business is required to contribute.

We are not required to spend any of your Fund Contributions in the Designated Territory you are granted under your Franchise Agreement, and we will provide you with an accounting of the Fund within 120 days after our fiscal year end (upon your written request). We are not required to have the Fund audited, but we may do so and use the Fund Contributions to pay for such an audit. If we do not spend all Fund Contributions in a given year, we may rollover any excess contributions into the Fund for use during the following year. We will have the right to modify or discontinue the Fund, as we deem appropriate in our sole discretion.). (Franchise Agreement, Section 9(F)).

Advertising Council. Currently, we have not established an advertising council (the "Advertising Council"), but we reserve the right to do so in the future. If we establish an Advertising Council, it will serve in an advisory capacity to us with respect to certain advertising expenditures, including providing advice/guidance on how to administer the Fund (if established in the future). At our discretion, the Advertising Council may be comprised of our management representatives, employees, you and/or other franchisees in the System. We will have the right to modify or dissolve an Advertising Council (if created) at any time. (Franchise Agreement, Section 9(G)).

Regional Advertising Cooperatives (“Cooperatives”). We reserve the right to establish regional advertising cooperatives that are comprised of a geographical market area that contain two or more Businesses (whether a Franchised Business or Affiliate-owned) (each a “Cooperative”). If we assign your Franchised Business to a Cooperative we establish, you must work with the other Business owners in your Cooperative and us to develop and implement regional advertising campaigns designed to benefit all the Businesses within the geographical boundaries of the Cooperative. If you are designated as a member of a Cooperative, you may be required to contribute to the Cooperative in an amount not to exceed the then-current Local Advertising Requirement. All amounts paid to a Cooperative will be credited toward your Local Advertising Requirement. We have not established any Cooperatives as of the Issuance Date of this Disclosure Document. We reserve the right to establish the governing rules, terms, and operating procedures of any Cooperative and make them available for Franchisee’s review. (Franchise Agreement, Section 9(I)). If there is an affiliate-owned Business that is located within the Cooperative’s geographical boundaries, then that Business will be permitted to vote on Cooperative matters and, in the event they are involved in the Cooperative vote, such Business(es) will make the same Cooperative contributions made by the other System Businesses in that Cooperative – otherwise, these Businesses will have the option, but not the obligation, to contribute.

Online Directories. As another means of advertising, you must ensure that the Franchised Business is listed in appropriate Internet-based telephone directories that we designate. You must ensure that your Franchised Business has a dedicated telephone line that is not used for any other purpose.

Remodeling. If you determine to relocate to, and/or otherwise operate from, a third-party space as your Premises after you have been operating your Franchised Business for 12 months or more and we approve your relocation proposal, then we may require you to make such additions, alterations, repairs, and replacements at the (non-home office) Premises and to the fixtures, furnishings, signs and inventory therein to comply with our then-current System trade dress, standards and specifications.

F. Computer System

We have the right to specify or require that you use certain brands, types, makes, and/or models of computer hardware and software in connection with the Franchised Business, which currently includes: (i) a computer or laptop that is capable of running all Required Software, including without limitation, the software associated with POS, CRM, Client Data and Client Project recording/reporting/tracking/management, and other functions; (ii) a printer/scanner/copier (all in one); and (iii) one (1) tablet for mobile use for each Approved Vehicle used in connection with the Business (collectively, the “Computer System”). You must also use all Required Software we designate that is not provided as part of your Technology Fee at a given time, and we expect to typically have Approved Suppliers for any software that involves any Client Information or other Confidential Information that is owned by us or part of the System. (Franchise Agreement, Sections 4(C) and 10(C)).

We reserve the right to approve all of the foregoing hardware before it is used in connection with your Franchised Business, and none of the foregoing hardware may be used for any other purpose other than operating your Franchised Business. You will also need to maintain Internet access via DSL or cable broadband connection. (Franchise Agreement, Sections 4(C) and 10(C)).

We estimate the costs to purchase our current Initial Technology Package to be around \$10,000, which includes (a) the costs of the computer hardware and peripherals above, (b) your Technology Fees that are payable to us prior to the commencement of your Franchised Business (as described more fully in Item 5 of this Disclosure Document), (c) any other initial setup or installation fees associated with the Required Software we designate for use by a new System franchisee, and (d) the initial integration of your Computer System and Required Software with our System and franchise network. Once you have commenced

operations, you must pay us our then-current Technology Fee (currently, \$900/month).

You must keep your Computer System in good maintenance and repair and install such additions, changes, modifications, substitutions, and/or replacements to the Computer System or Required Software as we direct from time to time in writing. We estimate that you will spend approximately \$500 to \$1,500 annually on maintenance and support contracts for your Computer System, which includes any upgrades to the Computer System. Neither we nor our affiliates are involved in the provision of ongoing maintenance, repairs, upgrades, or updates to the Computer System as of the Issuance Date, but we each reserve the right to be an Approved Supplier for such services in the future. The Computer System range does not include the investment associated with the security or sound system you must purchase and utilize in connection your Business operations.

You must have the components necessary to ensure that the entire Premises of the Franchised Business has access to the Internet via Wi-Fi connection. We may require that: (i) you comply with our standards and specifications for Internet access and speed; and (ii) the Computer System, including all Required Software, be programmed to automatically transmit data and reports about the operation of the Franchised Business to us. We will also have the right to, at any time without notice, electronically and independently connect with your Computer System to monitor or retrieve data stored on the Computer System (or for any other purpose we deem necessary). There are no contractual limitations on our right to access the information and data on any component of your Computer System. We may also require you to use a Computer System and/or related software that is administered through us and provides us with automatic access to all data and reports that might be created by such Computer System and/or software, including any security camera footage. (Franchise Agreement, Section 6(R)).

You are also required to participate in any System-wide area computer network, including any System Site that you are provided access to as our System franchisee, that we implement, and may be required to use such networks or System Site to, among other things: (i) submit your reports due under the Franchise Agreement to us online; (ii) view and print portions of the Manuals; (iii) download approved local advertising materials; (iv) communicate with us and other System franchisees; and (v) complete certain components of any ongoing training we designate. (Franchise Agreement, Section 4(C)).

Except as approved in advance in writing by us, you must not establish or maintain a separate website, splash page, profile or other presence on the Internet, or otherwise advertise on the Internet or any other public computer network in connection with the Franchised Business, including any profile on Facebook, Instagram, LinkedIn, Instagram, Pinterest, Twitter, YouTube or any other social media and/or networking site. Any such Internet website or presence is considered “advertising” and must be approved by us prior to use, as described in this Item. If we do permit you to establish one or more of the above presences on the Internet, you must: (i) establish and operate your World Wide Web or Internet site in accordance with System standards and any other policies we designate in the Manuals or otherwise in writing from time to time; and (ii) utilize any templates that we provide to you to create and/or modify such site(s).

ITEM 12

TERRITORY

Franchise Agreement

Premises and Relocation

Our standard franchise offering assumes and expects that you will directly manage and operate your Franchised Business and provide the Franchise Services from your home office, which we will designate as your approved Premises at the same time you enter into your Franchise Agreement with us.

Should you determine to (a) move your home office, or (b) propose a relocation of your Premises from a home office to a third-party space (once you have been actively operating for a period of at least 12 months), then (a) you must send us prior written notice of your proposed relocation, and (b) afford us a period of 30 days to review your proposal and accept/reject the same. We will not unreasonably withhold the kind of relocation request set forth herein, provided the proposed relocation is within your Designated Territory and the location (and, if appropriate, lessor) have satisfied our then-current criteria for an approved Premises.

If you are awarded the right to operate your Franchised Business in one (1) or more Additional Territories pursuant to a Multi-Unit Addendum with us, then: (i) we expect that the approved Premises for your Franchised Business will be sufficient to serve as the “shared” Premises for operations in all Designated Territories where that Franchised Business is authorized to operate; and (ii) if you determine to acquire a second Premises in connection with that Franchised Business operations, we will review and approve such Premises proposal consistent with our then-current System criteria and/or guidelines that we will also provide to you.

You will not be permitted to relocate your Franchised Business without our prior written approval, which may be withheld in our discretion. You will be assessed a relocation fee of \$1,000 at the time you submit the proposed location for your relocated Business. Generally, we do not approve requests to relocate your Business after a site selection has been made and you have opened for business unless (a) it is due to extreme or unusual events beyond your control, and (b) you are not in default of your Franchise Agreement. If we approve your relocation request, we retain the right to approve your new site location in the same manner and under the same terms that are applied to your first site selection.

Designated Territory

Your Designated Territory will typically be comprised of a radius or other area surrounding your approved Premises, which will be designated by us in the Data Sheet to your Franchise Agreement prior to the time you enter into that agreement with us.

We will determine and designate your Designated Territory as we deem appropriate in our discretion. The size of your Designated Territory will likely vary from the territory granted to other franchisees based on the location and demographics surrounding your Business. The boundaries of your Designated Territory may be described in terms of zip codes, streets, landmarks (both natural and man-made) or county lines, or otherwise delineated on a map.

If we determine, in our discretion, to base your Designated Territory on (a) population, (b) number of residential buildings and/or other potential Client(s), and/or (c) any other demographic-related “count” within a given region, then the sources we use to determine the population within your Designated Territory will be supplied by (i) the territory mapping software we determine to license or otherwise use, or (ii) publicly available population information (such as data published by the U.S. Census Bureau or other governmental agencies and commercial sources).

Additional Territory Rights Under Multi-Territory Addendum

We will award any Additional Territory rights under the Multi-Unit Addendum, and we expect to determine and award such Additional Territory(ies) consistent with the disclosures above – and will detail each such Additional Territory in your Multi-Territory Addendum prior to executing the same.

We will not open and operate a Franchised Business, or license any third party the right to own and operate a Franchised Business, utilizing the Proprietary Marks and System within (a) the Designated Territory awarded under your Franchise Agreement for so long as your Franchise Agreement is not expired, terminated or subject to termination, and (b) each Additional Territory for so long as the Franchise Agreement and governing Multi-Territory Addendum have not expired, been terminated or is subject to termination.

The other disclosures above with regards to the Designated Territory also apply to any Additional Territory you are awarded under a Multi-Territory Addendum with us.

Subject to the other disclosures in this Item, your territorial rights within your Designated Territory (and any Additional Territory) will end upon the termination or expiration of your Franchise Agreement.. If your Franchise Agreement is subject to termination, we will have the option to terminate your territorial rights within the Designated Territory and/or any Additional Territory upon written notice (in lieu of terminating your Franchise Agreement and franchise outright).

Except as provided in this Item, we do not have any right to modify your Designated Territory once it has been awarded except by way of written agreement signed by both you and us.

Minimum Performance Levels in Connection with Designated Territory and Additional Territories

Regardless of whether you are operating in a single Designated Territory or Additional Territory(ies), your Franchise Agreement required that a Franchised Business generate certain minimum levels of Gross Sales in such Territory(ies) once your Franchised Business has been open and operating for a period of one (1) year in accordance with the following schedule(s):

Month of Operations following Opening of Franchised Business When MPL Becomes Applicable	Minimum Performance Level (“MPL”)
Month 18 (applicable to all Franchised Businesses)	\$500,000 in each 12-month period of operations following the Trigger Month (each, an “MPL Operational Period”)
Month 30 (for those operating in two (2) Territories or more)	\$700,000 in each MPL Operational Period if your Franchised Business is authorized to operate in two (2) total Designated Territories
Month 42 (for those operating in 3 or more Territories)	\$900,000 in each MPL Operational Period if your Franchised Business is authorized to operate in three (3) total Designated Territories

In the event a System franchisee does not meet the applicable MPL for an applicable MPL Operational Period, then we may terminate Franchisee’s rights (or territorial rights) within any Designated Territory (including any Additional Territory) wherein the Franchised Business did not generate at least \$200,000 in Gross Sales over that one (1) year measurement period (each, a “Deficient Territory”) – based on the Client Project locations and Client information that System franchisees are required to submit to us as part of the reporting obligations under the Franchise Agreement.

Upon receipt of written notice that we are terminating your rights within a Deficient Territory, you will no longer have any operational or, if applicable, territorial rights within that Deficient Territory.

Limitations on Rights Under Agreements

Your rights under the Franchise Agreement and Multi-Territory Addendum do not include: (i) any right to offer any Lime Painting product or service via e-commerce; (ii) any right to establish an independent website or to establish a URL incorporating the Proprietary Marks or any variation thereof; (iii) any right to sell Approved Products via wholesale; (iv) any right to otherwise distribute, market, or implement our products and services in any channel of distribution not specifically identified in this Agreement; (v) the right to sub-license the franchise (or franchise development) rights you are awarded in any manner; or (vi) the right to sell and or all of your territorial rights independent of your entire Franchised Business to another person or franchisee without our written permission.

Reserved Accounts

Notwithstanding the above, under contracts with companies that have locations in more than one territory (each, a “Reserved Account”), we have the right to offer, sell, and perform the Approved Services at Client Properties under such Reserved Accounts to Client Properties located both within and outside of the Designated Territory. Before we perform the Approved Services in accordance with a Reserved Account at a Client Property within your Designated Territory, we will first offer you the opportunity to provide that product or service if the following criteria have been satisfied: (a) you are qualified, able, and willing to provide such product or service on the terms and conditions prescribed by us or the Reserved Account; and (b) you are not in default under the Franchise Agreement, including any MPL and/or Multi-Territory Addendum obligations (if applicable), or any other agreement with us or our affiliates.

You must respond to such offer in the manner that we prescribe within the time period that we designate. If you are ineligible, unable, decline, or fail to perform the Approved Services in accordance with a Reserved Account within the period of time that we designate and on the terms and conditions required by

us or the Reserved Account, we or our designee (which may be another Business that we authorize) may provide the Approved Services) to the Reserved Account within your Designated Territory.

Other Reserved Rights

We and our parent/affiliate also reserve the exclusive right to conduct the following activities under the Franchise Agreement and/or Multi-Territory Addendum (as appropriate): (i) establish and operate, and license any third party the right to establish and operate, other Businesses and Franchised Businesses using the Marks and System at any location outside of your Designated Territory(ies) and, if applicable, Additional Territory(ies); (ii) market, offer and sell products and services that are similar to the products and services offered by the Franchised Business under a different trademark or trademarks at any location, within or outside the Designated Territory(ies) and, if applicable, any Additional Territory; (iii) use the Marks and System, as well as other such marks we designate, to distribute any Approved Products and/or Services in any alternative channel of distribution, within or outside the Designated Territory and any Additional Territory (including the Internet, mail order, catalog sales, toll-free numbers, wholesale stores, etc.), as further described below; (iv) to (a) acquire, merge with, be acquired by, or otherwise affiliate with, any other company, and (b) have us or any successor/acquiring entity own and operate, and franchise or license others to own and operate, any business of any kind, including, without limitation, any business that offers products or services the same as or similar to the Approved Products and Services (but under different marks), within or outside your Designated Territory and, if applicable, any Additional Territory; (v) market, offer and provide the Approved Services directly to personnel in their respective residence, office or other location of choice and not from a Business location, anywhere inside or outside of the Designated Territory and, if applicable, any Additional Territory; (vi) own and operate Businesses in “Non-Traditional Locations” including, but not limited to, airports, malls, any captive venue that requires a ticket or other membership to access, military bases, academic institutions, hospitals, commercial and/or corporate parks, high-rise and/or other larger, multi-unit buildings, home improvement retailers (i.e., Home Depot® and Lowe’s®) and any other captive venue, both within or outside your Designated Territory(ies) and, if applicable, any Additional Territory; and (vii) use the Marks and System, and license others to use the Marks and System, to engage in any other activities not expressly prohibited in your Franchise Agreement and, if applicable, any Multi-Territory Addendum.

Neither the Franchise Agreement nor Multi-Territory Addendum grants you any right to engage in any of the activities outlined in the preceding paragraph, or to share in any of the proceeds received by us, our parent/affiliates or any third party from these activities, unless we otherwise agree in writing. Further, we have no obligation to provide you any compensation for soliciting or accepting orders (via alternate channels of distribution) within any territory you are awarded.

Additional Disclosures

Neither the Franchise Agreement nor the Multi-Territory provides you with any right or option to open and operate additional Franchised Businesses.

Each Franchised Business you are granted the right to open and operate must be governed by its own specific form of Franchise Agreement.

We have not established other franchises or company-owned outlets or another distribution channel offering or selling similar products or services under a different trademark. Neither we nor our affiliates have established, nor do we presently intend to establish, other franchised or company-owned businesses that are similar to the Franchised Business and that provide the Approved Services and/or Approved Products under a different trade name or trademark, but we and our affiliate(s) reserve the right to do so in the future without your consent.

We are licensed to use, as well as sublicense our System franchisees the right to use, the Proprietary Marks pursuant to a form of trademark license agreement we have with the TM Owner dated November 27, 2017. We have a perpetual, royalty-free license to use such Proprietary Marks under this agreement, which has a perpetual term unless and until terminated by either party. In the event the agreement terminates, the parties have agreed to work in good faith together to ensure that System franchisees continue to have the right to use the then-current Proprietary Marks we designate in connection with their respective franchised Businesses. PATENTS, COPYRIGHTS AND OTHER PROPRIETARY INFORMATION

You do not receive the right to use any item covered by a patent or copyright, but you can use the proprietary information in the Manual. The Manuals are described in Item 11. Item 11 also describes the limitations on the use of the Manual by you and your employees.

We have no registered copyrights, nor are there any pending patent applications that are material to the franchise. However, we claim copyrights on certain forms, advertisements, promotional materials, software source code and other Confidential Information as defined below.

To our knowledge, there currently are no effective determinations of the U.S. Copyright Office or any court regarding any of the copyrighted materials. There are no agreements in effect which significantly limit our

right to use or license the copyrighted materials. Finally, there are no infringing uses actually known to us that could materially affect your use of the copyrighted materials in any state. No agreement requires us to protect or defend any copyrights or you in connection with any copyrights.

We may revise our System and any of our copyrighted materials in our discretion and may require that you cease using any outdated copyrighted material. You will be responsible for printing any revised or new advertising, marketing or other business materials.

In general, our proprietary information includes “Confidential Information” as defined in our current Franchise Agreement, some of which is contained in our Manual, and includes, among other things, all information (current and future) relating to the operation of the Business or the System, including, among other things, all: (i) manuals, training, techniques, processes, policies, procedures, systems, data and know how regarding the development, marketing, operation and franchising of the Business; (ii) designs, specifications and information about products and services and (iii) all information regarding members and suppliers, including any statistical and/or financial information and all lists. We disclose to you Confidential Information needed for the operation of a Business, and you may learn additional information during the term of your franchise. We have all rights to the Confidential Information and your only interest in the Confidential Information is the right to use it under your Franchise Agreement.

Both during and after the term of your Franchise Agreement, you must use the Confidential Information only for the operation of your Business under a Franchise Agreement with us; maintain the confidentiality of the Confidential Information; not make or distribute, or permit to be made or distributed, any unauthorized copies of any portion of the Confidential Information; and (iii) follow all prescribed procedures for prevention of unauthorized use or disclosure of the Confidential Information.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

While we recommend that you personally participate and manage the day-to-day operations of your Franchised Business, you may hire a Designated Manager to manage daily operations with our approval. Both you and your Designated Manager will be required to complete the Initial Training Program to our satisfaction (prior to undertaking any management responsibilities).

We will not unreasonably withhold our approval of any Designated Manager you propose, provided the Designated Manager has completed our Initial Training Program and otherwise demonstrated that he/she a good handle on our System standards and specifications for daily operations of a Business. If the franchisee is a business entity, we do not require the Designated Manager to own an interest in the entity, but the Designated Manager must sign our prescribed form of Confidentiality and Non-Competition Agreement.

Your Franchised Business must, at all times, be managed and staffed with at least one (1) individual who

has successfully completed our entire Initial Training Program, including Initial On-Site Training materials (including any remote content).

In the event that you operate more than one Franchised Business, we may require that you have a properly trained Designated Manager to manage the operations of each Business (and corresponding Designated Territory) you have developed. You must keep us informed at all times of the identity of any personnel acting as Designated Manager and obtain our approval before substituting a new Designated Manager at any of your locations.

It is important to note that we are not your employer and that you will have the right to control all decisions related to recruiting, hiring or firing any personnel, including personnel or subcontractors that must be independently licensed to perform certain of the Approved Services in connection with a given Client Project. Please note that nothing in this Disclosure Document or any agreement you enter into with us will create any type of employer or joint employer relationship between (a) you and/or your personnel, and (b) us.

If you are an individual, then your spouse will also be required to sign the Franchise Agreement or, in the alternative, the form of Personal Guaranty attached to the Franchise Agreement as an Exhibit (the “Guaranty”). If you are a business entity (limited liability company, corporation, partnership, etc.), then (a) each of your shareholders/members/partners (the “Owners”), as applicable, must sign the Guaranty, and (b) at our option, the spouses of each such Owner must sign the Guaranty.

All Approved Products, including inventory used in connection with the Approved Services, that are sold or offered for sale at the Business must meet our then-current standards and specifications, as established in the Manuals or otherwise in writing. See Item 8.

Our standard franchise offering expects and assumes that any Subcontractors or other personnel you engage or hire will have the appropriate state and/or other licensing, insurance, and certifications to provide the Approved Services for which they have been engaged or hired.

The Franchise Agreement does not limit our right to make changes in the types of authorized products, merchandise, and services. We have the right to specify the prices for the products and services you offer and sell, and to establish minimum and maximum prices for such products and services. You must strictly adhere to the lawful prices we establish, subject to applicable law. We retain the right to modify the prices from time-to-time in our reasonable discretion. You must comply with all of our policies regarding advertising and promotion, including the use and acceptance of coupons, gift cards or incentive programs. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

- Part II of this Item discloses the Gross Sales generated, as well as the reported Disclosed Operating Costs and adjusted recurring fees under its franchise agreement (the "Adjusted Estimated Fees") incurred, by the Affiliate Location over each 12-month measurement period noted above;
- Part III of this Item discloses the Gross Sales generated by each of the 12 Franchised Businesses that were open for all or nearly all of the 2022 calendar year (each, a "Disclosed Franchise Location") – which operate in a total of 26 Designated Territories – over each 12-month measurement period that Disclosed Franchise Location was open and operating; and
- Part III of this Item also disclosed the Gross Sales generated by the three (3) Franchised Businesses that were open as of January 1, 2022, but that (a) determined to not actively promote and operate the Franchised Business throughout the 2022 calendar year, and (b) have entered into a form of addendum with us that is designed to facility the franchise owner's transfer of said Franchised Business.
- Part IV of this Item discloses certain information regarding the Client Projects completed and invoiced in connection with the operations of each of the Disclosed Franchised Locations over the 2022 calendar year.

The data and information provided in this Item below are based on the historical and actual performance of (a) the Affiliate Businesses, and (b) the Disclosed Franchised Locations, over the one (1) or more Measurement Period(s) (calendar years) detailed above. We have not independently audited or otherwise verified these amounts.

Parts III and IV of this Item 19 excludes the historical performance of: (i) four (4) Franchised Businesses that were transferred at some point in 2022 and were not fully operational for the entire Measurement Period due to the transition (including location transfers to/from our affiliate); (ii) one (1) Franchised Business that was closed for a substantive portion of the 2022 calendar year due to personal reasons; and (iii) the System franchisees that did not launch Franchised Business operations at some point after January 2022 because they were not open for all (or nearly all) of the 2022 calendar year.

Written substantiation for the financial performance representation will be made available upon reasonable request.

Explanatory Notes to Chart in Part II Above:

With respect to Part II above, the reference to “Disclosed Business Operations” means the combined operations of the Affiliate Location that operates in two (2) contiguous Designated Territories from a single Premises (our affiliate’s home office).

1. *Gross Sales*. The term “Gross Sales” means all revenue generated by the Disclosed Business Operations over a given Measurement Period. The term “Gross Sales” does not include (a) tips paid directly to subcontractors or other personnel that is not remitted to an Affiliate Business comprising the Disclosed Business Operations, or (b) sales tax that is collected directly from customers and paid to the appropriate taxing authority.
2. *Total COGS*. In Part III, the term “Total COGS” means the total amount that the Disclosed Business Operations incurred in connection with (a) materials and related supplies necessary to perform the

Approved Services, and (b) compensation paid in connection with the engagement of subcontractors to facilitate and perform the Approved Services associated with a given Client Project.

3. *Insurance.* In Part II, the term “Insurance” means the total amount that the Disclosed Business Operations expended on insurance premiums for the insurance policies and coverages that are substantially similar to that which a System franchisee is required to acquire and maintain over the term of our current form of Franchise Agreement. The term “Insurance” does not include any premiums or amounts expended by the Disclosed Business Operations on insurance that a System franchisee is not required to acquire and maintain under our current form of Franchise Agreement and Manuals.
4. *Auto and Truck.* The term “Auto and Truck” means the total amount the Disclosed Business Operations expended in connection with their combined operations of the Mobile Unit(s) used in connection with sales consultations and/or provision of Approved Services over each Measurement Period.
5. *Other Operating Expenses.* The term “Other Operating Expenses” means the other material expenses that were incurred in connection with the Affiliate Location operating in two (2) Designated Territories over each applicable Measurement Period, including: (i) telephone and Internet usage or contract fees; and (ii) bank and credit card processing fees. It does not include any other costs or expenses, including: (i) tax liability in connection with Disclosed Business Operations over the applicable Measurement Period for that Business, other than business taxes (subject to the reminder that “Gross Sales” does not include any sales taxes); (ii) amortization and/or depreciation; or (iii) expenditures that were covered by the Disclosed Business operations that are related to (a) Franchisor, or (b) the development of the franchise System, that a System franchisee will not incur under the current form of Franchise Agreement.

In particular, please be careful to note that the disclosed range for Other Applicable Operating Expenses in the Charts above does not include:

- a. amounts expended by the Affiliate Location on local advertising or marketing over each Measurement Period because (a) those amounts are required to be estimated and accounted for under the headings “Estimated DMR” and “Estimated LAR” in the Chart(s) above and in Explanatory Note Nos. 6(b)-(c) below, and (b) these Estimated Fees are equal to or larger than the actual amounts reported by the Affiliate Location as marketing and/or advertising expenditures with respect to each Measurement Period; and
 - b. amounts expended on technology/software or related services that System franchisees will have access to because (a) the costs of such technology/software and related services is covered by the Estimated Technology Fee(s) accounted for in Parts II and III above and Explanatory Note No. 6(d) below, and (b) these Estimated Technology Fee(s) are equal to or larger than the actual amounts reported by the Affiliate Location as technology-related expenses associated with licensing and/or other use of such technology with respect to each Measurement Period.
6. *Estimated Fees.* The Estimated Fees set forth in Part II above are not based on historical performance, but are instead estimated based on the Royalties and other fees would have been incurred in connection with the operations of the Affiliate Location over the corresponding Measurement Periods above if such operations were subject to, and governed by, one (1) or more of our current form(s) of Franchise Agreement.

- a. *Estimated Royalty.* The term “Estimated Royalty” means the Royalty Fee that each Affiliate Business would have had to pay us over the Measurement Period if that Business were owned by a System franchisee and governed by our current form of Franchise Agreement. We calculated the Estimated Royalty for each Measurement Period by multiplying the combined Gross Sales generated by the Affiliate Business operating in approximately two (2) total Designated Territories over that Measurement Period by 0.07 to account for the Royalty Fee of 7% set forth and required under our current form of Franchise Agreement. It is important to note that the “Estimated DMR” figures provided for the Affiliate Location are only an estimate, and that the Affiliate Location did not actually pay us this amount because these Businesses are not subject to a form of franchise agreement with us.
- b. *Estimated DMR.* The term “Estimated DMR” means the Digital Marketing Requirement (or DMR) that the Affiliate Location must expend over the Measurement Period if that Business was owned by a franchisee and governed by our current form of Franchise Agreement. We calculated the Estimated DMR payable in connection with each Measurement Period by (i) taking the required DMR under the current Franchise Agreement (\$1,500/month), and (ii) multiplying that monthly amount by 12 to get the amount expended by the Affiliate Business over the Measurement Period (namely, \$18,000). It is important to note that the “Estimated DMR” figures provided for the Affiliate Business are only an estimate, and that the Affiliate Business did not actually pay us this amount because these Businesses are not subject to a form of franchise agreement with us. Please recall that, as of the Issue Date, we require that your DMR be paid to our Approved Supplier for digital marketing services and content.
- c. *Estimated LAR.* The term “Estimated LAR” means the Local Marketing Requirement (or LMR) that the Affiliate Business must expend over the Measurement Period if that Business was owned by a franchisee and governed by our current form of Franchise Agreement. We calculated the Estimated LMR payable in connection with each Measurement Period by: (i) taking the required LMR under the current Franchise Agreement (\$500/month), and (ii) multiplying that monthly amount by 12 to get the amount expended by the Affiliate Business over the Measurement Period (namely, \$6,000). It is important to note that the “Estimated LMR” figures provided for the Affiliate Business are only an estimate, and that the Affiliate Location did not actually pay us this amount because it is not subject to a form of franchise agreement with us.
- d. *Estimated Technology Fees.* The term “Estimated Technology Fees” means the Technology Fees that would be due to us in connection with the operation of an Affiliate Location that operates in approximately two (2) Designated Territories from a single approved Premises (or hub), as if such Affiliate Location was owned by the same franchisee and governed by our current form of Franchise Agreement. We calculated the Estimated Technology Fee(s) payable in connection with each Measurement Period by (i) taking the current Technology Fee that must be paid under the current Franchise Agreement (\$900/month), and (ii) multiplying that monthly amount by 12 to get the amount expended on such Technology Fees over each Measurement Period (namely, \$10,800). With respect to Part III, it is important to note that the “Estimated Technology Fee” figures provided for the combined operation of the Affiliate Location is only an estimate given the Affiliate Businesses did not actually pay us this amount because these Businesses are not subject to a form of franchise agreement with us.

7. *Gross Sales Less Total COGS, Total Operating Expenses and Total Estimated (Or Adjusted) Fees.* The term “Gross Sales Less Total COGS, Total Operating Expenses and Total Estimated Fees” is calculated by taking the Gross Sales generated by that Business over a given Measurement Period and subtracting the other specific Materials and Other COGs, Subcontractor Expense, Disclosed Operating Costs and the appropriate Estimated incurred by the Affiliate Business over that same Measurement Period. It does not account for any other operating costs or expenses not specifically identified in the Explanatory Notes above to these Charts.
- 8.

1. We encourage you to consult with your own accounting, business, and legal advisors to assist you in preparing your budgets and projections as well as federal, state and local income taxes and any other applicable taxes that you may incur in operating a Franchised Business and to assess the likely or potential financial performance of your franchise. We also encourage you to contact existing franchisees to discuss their experiences with the system and their franchise business. 3. As a new System franchisee, you may not have the same level of recognition in other regions of the United States where our Proprietary Marks and concept may not be as well-known or new to the prospective client base.
4. Please note that this Item 19 does not disclose the initial costs you will incur in connection with constructing, building out and otherwise developing your Franchised Business prior to opening because the figures disclosed focus on the historical performance of each Existing Business once it has opened.
5. Other than the preceding financial performance representation, we do not make any financial performance representations. Franchisor also does not authorize our employees or representatives to make any such representations orally or in writing. If you are purchasing an existing Business, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our President, Nick Lopez, at 4950 S Yosemite St F2 #121 Greenwood Village, CO 80111, the Federal Trade Commission, and the appropriate state regulatory agencies.

**LIME FRANCHISE SYSTEMS, LLC
FRANCHISE AGREEMENT**

THIS FRANCHISE AGREEMENT (the “Agreement”) is made and entered into on this ___ day of _____, 202__ (“Effective Date,”) by and between: (i) LIME Franchise Systems, LLC, a Colorado limited liability company, with its principal business address at 4950 S Yosemite Street, F2 #121, Greenwood Village, Colorado 80111 (the “Franchisor”); and (ii) _____, a (resident of) (corporation organized in) (limited liability company organized in) _____ with a business address at _____ (the “Franchisee”).

BACKGROUND

A. Franchisor and its affiliate/principals, as a result of the expenditure of time, skill, effort, and money, have developed and own a unique system (the “System”) related to the development, opening, and ongoing operation of a business that offers and provides various types of painting-related products and services that Franchisor authorizes now or in the future (collectively, the “Approved Products” and “Approved Services”, as applicable), including proprietary products and the corresponding services to existing residential homes (each, a “Client”). For purposes of this Agreement, each such business will be referred to herein as a “System Business.”

B. Franchisor’s System is comprised of various proprietary and, in some cases, distinguishing elements, including without limitation: proprietary methodology and procedures for the establishment and operation of a System Business; standards and specifications for the supplies, inventory and methodology associated with storing, preparing, offering and providing each type of Approved Product and Approved Service; advertising; marketing; standards and specifications for equipment; customize designed chemicals, equipment, and other services; basic standards typically used as the premises for a System Business; standards and specifications for the furniture, fixtures and equipment, including computer hardware and system, that must be used in connection with an Franchised Business; established relationships with approved or designated suppliers for certain products and services that must be utilized in connection with an Franchised Business, including certain proprietary and/or branded items; proprietary training programs, courses and training materials; Franchisor’s confidential and proprietary operations manual and, at Franchisor’s option, other instructional manuals that have been reduced to writing (collectively, the “Manuals”); and standards and specifications for advertising, bookkeeping, sales and other aspects of operating an Franchised Business. The parties agree and acknowledge that Franchisor may change, improve, further develop, or otherwise modify the System from time to time as it deems appropriate in its discretion. Franchisee hereby acknowledges and agrees that: (i) while the System and Franchisor’s related materials contain information that, in isolated form, could be construed as being in the public domain, they also contain significant proprietary and confidential information that makes the System unique as a whole; and (ii) the combined methods, information, procedures, and theories that make up the total System or are contained in the relevant manuals that are proprietary and confidential.

C. The System and Franchised Businesses are certain trade names, trademarks, service marks and trade dress, including its current primary marks LIME PAINTING® and LIME®, all of which Franchisor may modify, update, supplement or substitute in the future (collectively, the “Proprietary Marks”). The parties agree and acknowledge that Franchisor has established substantial goodwill and business value in its Proprietary Marks, expertise, and System.

D. Franchisor is in the business of granting qualified individuals and entities a franchise for the right to independently own and operate a single Franchised Business utilizing the Proprietary Marks and System at a location that Franchisor approves in writing.

E. Franchisee recognizes the benefits derived from being identified with Franchisor, appreciates and acknowledges the distinctive and valuable significance to the public of the System and the Proprietary Marks, and understands and acknowledges the importance of Franchisor's high and uniform standards of quality, appearance, and service to the value of the System.

F. Franchisee desires to acquire a non-exclusive franchise for the right to operate a single Franchised Business, and has submitted an application to obtain such a franchise from Franchisor.

G. Franchisor is willing to grant Franchisee the right to operate a Franchised Business based on the representations contained in the franchise application and subject to the terms and conditions set forth in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. PREAMBLES, ACKNOWLEDGEMENTS AND REPRESENTATIONS OF FRANCHISEE

- A. The business venture contemplated by this Agreement involves business risks.
- B. Franchisee acknowledges that Franchisee's success in connection with the franchise granted hereunder will be largely dependent upon Franchisee's ability as an independent businessperson.
- C. Franchisee understands and agrees that the home services industries are highly competitive with constantly changing market conditions (some of which may be seasonal in nature depending on where the Designated Territory is located), including, but not limited to, the risks associated with local, state and federal regulatory agencies.
- D. Franchisee has consulted with Franchisee's own advisors with respect to the legal, financial, and other aspects of this Agreement, the business franchised hereby, and the prospects for such business. Franchisee either has consulted with such advisors or has deliberately declined to do so.
- E. Franchisee has had the opportunity and adequate time to independently investigate, analyze, and construe both the franchise being offered hereunder and the terms and provisions of this Agreement utilizing the services of legal counsel, accountants, and other advisors (if Franchisee so elects).
- F. Any and all applications, financial statements, and representations submitted to Franchisor by Franchisee, whether oral or in writing, were complete and accurate when submitted and are complete and accurate as of the date of execution of this Agreement unless the same has been otherwise amended in writing. Franchisee states that he/she is not presently involved in any business activity that could be considered competitive in nature, unless heretofore disclosed to Franchisor in writing.
- G. Franchisee agrees not to contest, directly or indirectly, Franchisor's ownership, title, right, or interest in its names or Proprietary Marks, trade secrets, methods, procedures, know-

how, or advertising techniques which are part of Franchisor's business, or contest Franchisor's sole right to register, use, or license others to use such names or Proprietary Marks, trade secrets, methods, procedures, or techniques.

- H. Franchisee represents and warrants that Franchisee is not a party to or subject to any order or decree of any court or government agency which would limit or interfere in any way with the performance by Franchisee of the obligations under this Agreement and that Franchisee is not a party, and has not within the last ten (10) years been a party, to any litigation, bankruptcy, or legal proceedings other than those heretofore disclosed to Franchisor in writing.
- I. Franchisee agrees and acknowledges that it is solely responsible for ensuring that: (i) it acquires and maintains all business licenses, permits and approvals, including those related to the provision of any Approved Services, that are necessary to operate the Franchised Business within the Designated Territory (defined below); and (ii) the Franchised Business is otherwise operated in full compliance with all federal, state and local laws and regulations where the Franchisee is located at all times during the term of this Agreement. Franchisee specifically agrees and acknowledges that it will determine whether or not any type of contractor license or similar license/certification is needed to conduct the Franchised Business and, if such a license is required, Franchisee will obtain such license/certification prior to operating the Franchised Business in any manner. Franchisor shall have no liability in the event the development or operation of the Franchised Business violates any law, ordinance or regulation.
- J. Franchisee agrees and acknowledges that: (i) Franchisor may enter into franchise agreements with other franchisees that may contain provisions, conditions, and obligations that differ from those contained in this Agreement, including without limitation, franchise agreements for the operation of an Franchised Business; and (ii) the existence of different forms of agreement and the fact that Franchisor and other franchisees may have different rights and obligations does not affect the parties' duty to comply with the terms of this Agreement.
- K. The parties agree and acknowledge that all provisions and information set forth in the "Background" portion of this Agreement above, including all definitions and representations set forth therein, are hereby incorporated by reference as if fully set forth herein,.
- L. Franchisee agrees and acknowledges as follows:
 - 1. Franchisee will have sole authority and control over the day-to-day operations of the Franchised Business and Franchisee's employees and/or independent contractors. Franchisee agrees to be solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the Franchised Business, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time. At no time will Franchisee or Franchisee's employees be deemed to be employees of Franchisor or Franchisor's affiliates.
 - 2. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed to state

or imply that Franchisor is the employer of Franchisee's employees and/or independent contractor, nor vice versa.

2. GRANT OF FRANCHISE

- A. **Grant of Franchise.** Franchisor hereby grants Franchisee, subject to the terms, conditions, and obligations of this Agreement, a non-exclusive right and license to use the Proprietary Marks and receive the other benefits of the System in connection with the establishment and operation of a single Franchised Business (the "Franchised Business").
- B. **Approved Premises; Site Selection Area Mobile Unit(s).** Unless Franchisor approves otherwise in writing, Franchisee will be required to operate the Franchised Business at an approved location set forth on the Data Sheet attached to this Agreement (the "Premises") within the Designated Territory that meets Franchisor's current site-selection criteria for the premises of a Franchised Business (the "Premises"). Franchisee may not relocate the Franchised Business to any location other than the Premises without Franchisor's prior written consent, which Franchisor will not unreasonably withhold, provided: (i) Franchisee secures an alternate location for the Franchised Business within the Designated Territory (as defined below); (ii) pays Franchisor its then-current Relocation Fee (the "Relocation Fee"); and (iii) Franchisee reimburses Franchisor for the reasonable costs and expenses that Franchisor incurs in connection with evaluating and approving the proposed relocation. If the parties have not agreed on a Premises as of the date this Agreement is executed, Franchisor will designate a general marketing area (the "Site Selection Area") on the data sheet attached to this Agreement as Exhibit A (the "Data Sheet") wherein Franchisee must locate and secure the Premises as detailed more fully in Section 6(A) of this Agreement. Franchisee acknowledges and agrees that: (i) it does not have any territorial rights within the Site Selection Area; (ii) Franchisor may permit other new franchisees to search for the location of their Franchised Business within the same Site Selection Area that is assigned to Franchisee under this Agreement if Franchisor determines in its discretion that the Site Selection Area is large enough to contain additional franchises; and (iii) potential locations for each Franchised Business, and resulting Designated Territories (as defined below), within the Site Selection Area will be reviewed and rejected/granted on a first-to-propose basis. Franchisee will also acquire and utilize a vehicle that (a) meets Franchisor's then-current System standards and specifications, and (b) is branded with the vehicle wrap and/or decals and/or other signage Franchisor designate that incorporates the current Proprietary Marks (each, a "Mobile Unit").
- C. **Designated Territory.**
1. Franchisee shall only have the right to operate the Franchised Business and offer/provide the Approved Services in connection with homes that are located within the designated territory set forth in Section 3 of the Data Sheet (the "Designated Territory").
 2. The parties agree and acknowledge that in the event Franchisee and Franchisor enter into the prescribed form of addendum to this Agreement (the "Multi-Territory Addendum") whereby Franchisee will be awarded the right to operate in up to two (2) additional territory(ies) (each an "Additional Territory"), then: (i) said Additional Territory(ies) will be considered a separate and distinct "Designated Territory" hereunder for all purposes; (ii) Franchisee will be required to comply with all provisions in this Agreement when operating in such Additional Territory(ies); and

(iii) any breach of the foregoing provision or any term of the Multi-Territory Addendum will also constitute a material default under this Agreement.

3. For so long as Franchisee is in compliance with this Agreement, Franchisor will not establish or operate, or license a third party the right to establish or operate, any other Business that utilizes the System and Proprietary Marks from a premises within the Designated Territory.

D. **Rights Not Granted.** Franchisee acknowledges and agrees that this Agreement does not grant Franchisee any right or option to open any additional Franchised Businesses nor does this Agreement provide Franchisee with any right to sub-license or sub-franchise any of the rights granted hereunder. Franchisee may not use the Proprietary Marks or System for any purpose other than promoting and operating the Franchised Business at the Premises and within the Designated Territory. Franchisor will have sole discretion as to whether it decides to grant Franchisee the right to open any additional Franchised Businesses, each of which will be governed by a separate form of Franchisor's then-current franchise agreement.

E. **Reservation of Rights.** Notwithstanding anything contained in this Agreement, Franchisor and its affiliates hereby reserve the exclusive right to: (i) own and operate franchised businesses at any location(s) outside of the Designated Territory under the Proprietary Marks, or to license others the right to own and operate System Businesses at any location(s) outside of the Designated Territory under the Proprietary Marks and System; (ii) the right to own and operate businesses under different marks at any location(s) inside or outside of the Designated Territory, or license to others the right to own and operate such businesses, under different marks at any location(s) inside or outside of the Designated Territory (such businesses will not primarily provide painting products and services); (iii) use the Proprietary Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including the sale of any branded painting products in wholesale and retail stores, via the Internet, and through mail order catalog, without regard to location; (iv) offer, sell, and perform the Approved Services to Reserved Accounts (defined in Section 2(F)); and (v) market, offer and provide the Approved Services directly to personnel in their respective residence, office or other location of choice and not from a Business location, anywhere inside or outside of the Designated Territory; (vi) own and operate Businesses in "Non-Traditional Locations" including, but not limited to, airports, malls, any captive venue that requires a ticket or other membership to access, military bases, academic institutions, hospitals, commercial and/or corporate parks, high-rise and/or other larger, multi-unit buildings, home improvement retailers (i.e., Home Depot® and Lowes®) and any other captive venue, both within or outside Franchisee's Designated Territory; and (vii) use the Proprietary Marks and System, and license others to use the Marks and System to engage in any other activities not expressly prohibited in this Agreement.

F. **Reserved Accounts.** Franchisor reserves the right to offer, sell, and perform the Approved Services for customers who have locations in more than one territory (each, a "Reserved Account"), at client properties under located both within and outside of the Designated Territory. Before Franchisor performs the Approved Services in accordance with a Reserved Account at a Client Property within Franchisee's Designated Territory, Franchisor will offer Franchisee the opportunity to provide that product or service if the following criteria have been satisfied: (a) Franchisee is qualified, able, and willing to provide such product or service on the terms and conditions prescribed by Franchisor or

the Reserved Account; and (b) Franchisee is not in default under this Agreement, Development Agreement (if applicable), or any other agreement with Franchisor or its affiliates. Franchisee must respond to such offer in the manner that Franchisor prescribes within the time period that Franchisor designates. If Franchisee is ineligible, unable, decline, or fail to perform the Approved Services in accordance with a Reserved Account within the period of time that Franchisor designates and on the terms and conditions required by Franchisor or the Reserved Account, Franchisor or its designee (which may be another business that Franchisor authorizes) may provide the Approved Services) to the Reserved Account within Franchisee's Designated Territory.

- G. **Modification of System.** Franchisor reserves the right to supplement, revise or otherwise modify the System or any aspect/component thereof, and Franchisee agrees to promptly accept and comply with any such addition, subtraction, revision, modification or change and make such reasonable expenditures as may be necessary to comply with any change that Franchisor makes to the System. Any change or modification that Franchisor makes to the System will not materially alter Franchisee's fundamental rights under this Agreement. Moreover, Franchisor will provide Franchisee with a reasonable amount of time to comply with any change or modification to the System once Franchisee has been notified of such change/modification in writing (via the Manuals or otherwise).

3. **TERM AND RENEWAL**

- A. **Term.** Unless previously terminated pursuant to this Agreement, the term of this Agreement shall be for a period of ten (10) years ("Initial Term") commencing as of the Effective Date.
- B. **Renewal.** Franchisee may submit a request to renew this Agreement for up to two (2) additional, consecutive term of ten (10) years, and must provide the request to renew no less than six (6) months and no more than twelve (12) months prior to the end of the then-current term. Failure to provide such notice to Franchisor will be deemed an indication that Franchisee does not wish to renew the franchise relationship. Franchisor shall not unreasonably withhold its approval of such requests for renewal, provided Franchisee complies with the following conditions:
1. Franchisee must not have: (i) any uncured material defaults under this Agreement (including any monetary defaults) or any other agreement between Franchisee and Franchisor or the landlord of the Premises, either at time of Franchisee's renewal request or at the time of renewal; and (ii) received more than three (3) separate, written notices of material default from Franchisor with respect to this Agreement in the 12-month period preceding the renewal request date or renewal date.
 2. Franchisee must execute Franchisor's then-current form of franchise agreement, which may contain materially different terms and conditions from those contained in this Agreement, within thirty (30) days of the date Franchisee is provided with Franchisor's then-current form of franchise agreement.
 3. Franchisee pays Franchisor a renewal fee amounting to Ten Thousand Dollars (\$10,000) prior to Franchisor entering into the renewal form of franchise agreement described in Section 3(B)(2) above. Franchisee will not be required to pay an additional Initial Franchisee Fee (as defined in Section 4) upon renewal.

4. At Franchisor's option, Franchisee and/or the Designated Manager (as defined in this Agreement and as applicable) attends a prescribed training refresher course at least thirty (30) days before the expiration of the then-current term of this Agreement. Franchisee will be responsible for all expenses incurred in connection with attending this refresher training.
5. Franchisee executes a general release under seal, in a form satisfactory to Franchisor, of any and all claims it may have against Franchisor and its officers, directors, shareholders, and employees in their corporate and individual capacities, including without limitation, all claims arising under any federal, state, or local law, rule, or ordinance.
6. Franchisee must have participated in and supported the training procedures, purchasing, marketing, advertising, promotional, and other operational and training programs recommended or provided by Franchisor to the satisfaction of Franchisor.
7. Franchisee agrees, at its sole cost and expense, to re-image, renovate, refurbish, and modernize the Mobile Units (defined herein) and Franchised Business within the time frame required by Franchisor, including the design, equipment, signs, interior and exterior, displays, inventory assortment and depth, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies, and other products and materials, as necessary to meet Franchisor's then-current System standards, specifications, and design criteria for a newly opened Franchised Business.

4. **FEES AND PAYMENTS**

- A. **Fees.** In consideration of the rights and license granted herein, Franchisee agrees and acknowledges that it must pay the following amounts to Franchisor or, as noted below, Franchisor's designated supplier:
 1. *Initial Franchise Fee.* Upon execution of this Agreement, Franchisee must pay Franchisor an initial franchise fee amounting to Sixty Thousand Dollars (\$60,000) (the "Initial Franchise Fee"), which fee shall be deemed fully earned and non-refundable under any circumstances upon payment.
 2. *Initial Training Fee.* Franchisee must pay Franchisor an initial training fee of Seven Thousand Dollars (\$7,000) (the "Initial Training Fee") prior to or around the time Franchisee initially launches its Franchised Business. The Initial Training Fee is deemed fully earned and non-refundable upon signing this Agreement.
 3. *Initial Technology Package.* Franchisee must pay Franchisor an initial technology package fee of Ten Thousand Dollars (\$10,000) (the "Initial Technology Package") prior to or around the time Franchisee initially launches its Franchised Business.
 4. *Initial Marketing Spend.* Upon execution of this Agreement, Franchisee must expend a minimum of \$10,000 (the "Initial Marketing Spend") that will be used on certain digital and other marketing efforts associated with the System.

Currently, Franchisee must pay Franchisor this amount. Franchisor reserves the right to require that Franchisee expend any portion of the Initial Marketing Spend to engage an Approved Supplier to provide marketing materials or services.

5. *Digital Marketing Requirement.* Franchisee must pay the current fee, which is currently \$1,500 per month (or \$375 per week) to Franchisor or Franchisor's Approved Supplier as consideration for (a) digital marketing management and placement services that Franchisor as Franchisor determines appropriate and in accordance with Franchisor's then-current System practices, standards and specifications (the "Digital Marketing Requirement"). The Digital Marketing Requirement will commence when Franchisee acquires a Certificate of Occupancy in connection with the Premises of the Franchised Business, unless Franchisor agrees otherwise in writing.
6. *Technology Fee.* Franchisee must pay Franchisor or its Approved Supplier a technology fee in connection with technology products or services Franchisor determines to (a) associate or utilize in connection with the System, and (b) use the Technology Fee to cover all or certain portion of the corresponding costs (the "Technology Fee").
7. *Start-Up Package and Other Inventory Purchases.*
 - a. Franchisee must pay the then-current start-up package fee for the initial package of business supplies such as uniforms, marketing brochures, letterhead and business cards to use in the operation of its Franchised Business.
 - b. Franchisee will be required to purchase ongoing inventory, including certain proprietary and/or branded paint and other products necessary to provide the Approved Services (collectively, the "Proprietary Products"), as in the amounts initially required by Franchisor and otherwise as needed to meet client demand for the Approved Services.
8. *Definition of Gross Sales.* In addition to the fees above, Franchisee will be required to pay Franchisor certain ongoing fees that may be based on gross sales. As used in this Agreement, "Gross Sales" include all: (a) revenue from the sale of all products and performance of services from the Franchised Business, whether for cash, credit or barter, and regardless of collection in the case of credit, and income of every kind and nature related to the Franchised Business; and (b) any rebates or other consideration that Franchisee receives from third-party vendors/suppliers. "Gross Sales" from customers will not include monies that are collected and submitted by Franchisee for the transmittal to the appropriate taxing authority. In computing the Gross Sales, the Franchisee shall be permitted to deduct the amount of cash refunds to, and coupons used by customers at or prior to the time the customer has paid the full balance owed to Franchisee, provided such amounts have been included in sales. In the event Franchisee participates in any discount program, including but not limited to Groupon (which Franchisor must approve in writing), Gross Sales will include the full retail value of the goods or services rendered to the customer before any discounts or commission.

 4. At Franchisor's option, Franchisee must ensure that: (i) the Franchised Business has a dedicated phone line for use in connection with the Franchised Business only; and (ii) the Franchised Business is listed in the appropriate Internet-based directories and Chamber(s) of Commerce that Franchisor designates. Franchisee shall obtain at least three (3) telephone numbers solely dedicated to the Franchised Business, which Franchisee shall assign to Franchisor, at Franchisor's option, upon termination, expiration, or transfer of this Agreement. Franchisee must list and advertise the telephone number(s) for the Franchised Business in the "White pages" telephone director and the classified or "yellow pages" telephone directory distributed in its trade area and under such categories as Franchisor may specify from time to time. Franchisee must place the classified directory advertisement and listings together with other System Businesses operating within the distribution area of the directory. If a joint listing is obtained, all System Businesses listed together shall pay a pro rata share of the cost of all advertisements and listings.
 5. Furthermore, Franchisee shall obtain listings and/or advertise with Franchisor and other franchisees of the System on electronic yellow pages directory and other online directors as Franchisor may designate, including Google Local, Google Business, Angie's List or similar online directory. In the event Franchisee does not comply with Franchisor's requests regarding such online listings or advertisement, Franchisor reserves the right to place, modify, or remove such listings and advertisements on behalf of Franchisee. For any listings or advertisements that Franchisor posts on behalf of Franchisee due to Franchisee's non-compliance under this Section, Franchisee shall promptly pay, upon demand by Franchisor, its pro rata share of the costs of such listings or advertisements. Upon termination, transfer, or expiration of this Agreement, Franchisee agrees to take any and all steps necessary to assist Franchisor in removing or assigning control of all listing under this Section to Franchisor.
 6. Franchisee may not advertise and promote the Franchised Business outside of the Designated Territory, unless (a) the geographic area wherein Franchisee wishes to advertise is contiguous to the Designated Territory and that area has not been granted in connection with any other Franchised Business, or (b) Franchisor otherwise provides its prior written consent in writing. Nothing in this Section shall prevent or otherwise affect Franchisee's right to continue servicing and corresponding with any Existing Account that Franchisee has assumed in accordance with the terms of this Agreement.
- E. **Digital Marketing Requirement:** Franchisee must pay the then-current digital marketing fee (the "Digital Marketing Fee) the Approved Supplier that Franchisor designates for digital marketing-related services, which may be Franchisor or its affiliates, as described more fully in Section 4(A) of this Agreement.
- F. **Brand Development Fund.** Franchisor may established a brand development Fund (the "Fund") designed to promote the System, Proprietary Marks and the brand generally. Franchisee is required to contribute the then-current fund contribution to the Fund as the

“Fund Contribution.” All payments by Franchisee to the Brand Development Fund are non-refundable upon payment, and Franchisor will account separately for all sums paid to the Fund. The Fund will be maintained and administered by Franchisor or Franchisor’s designee as follows:

1. Franchisor will use the fund and all contributions to it and any earnings on it, for preparing, directing, conducting, placing, and administering advertising, marketing, public relations, and/or promotional programs and materials, and any other activities, that Franchisor believes would enhance the image of the System, Proprietary Marks, and Approved Products or Services.
2. Franchisor is not obligated to spend monies from Fund in any particular Franchisee’s market in proportion to the payments to the Fund made by the Franchisee in that market. Franchisor does not represent that it will spend any particular amount of advertising funds locally, regionally, or nationally.
3. The Fund may be used to meet any and all costs of: maintaining, administering, directing, and preparing advertising, including any and all digital marketing/advertising content, as well as employing training, technology and/or other developmental tools designed to enhance the System or that is otherwise associated with training tools designed to assist Restaurant owners. This includes, among other things, direct mail advertising, marketing surveys and other public relations activities, developing and maintaining the Franchisor’s Website, employing advertising and public relations agencies, purchasing promotional items, providing other marketing materials and services to the Restaurants operating under the System, and any other activities that Franchisor determines appropriate to develop the brand and/or System. These costs may include the proportionate salary share of Franchisor’s employees that devote time and render services for advertising and promotion or the administration of the Fund, including administrative costs, salaries, and overhead expenses related to administering the Fund and its programs. No part of the Fund shall be used by Franchisor to defray any of its general operating expenses, other than those Franchisor allocates to the advertising described in this Section or other activities reasonably related to the administration or direction of the Fund.
4. Franchisor may spend all Fund contributions during Franchisor’s fiscal year within which such contributions are made; however, Franchisor has no obligation or duty to do so. If excess amounts remain in any Fund at the end of such fiscal year, these excess amounts will roll over into the Fund for the following fiscal year.
5. Franchisor has the right to suspend or terminate the Fund at any time.
6. An unaudited accounting of the operation of the Fund shall be prepared annually and shall be available to Franchisee upon written request after the unaudited accounting is prepared at least 120 days after Franchisor’s fiscal year end at issue. Franchisor retains the right to have the Fund reviewed or audited and/or reported on, at the expense of the Fund, by an independent certified public accountant selected by Franchisor, but Franchisor is under no obligation to do so.

7. Franchisee agrees and acknowledges that the Fund is not a trust and the Franchisor has no fiduciary duty to Franchisee in administering the Fund.
- G. **Advertising Council.** Franchisor may establish, if and when it deems appropriate in its sole discretion, a council to provide advice and guidance regarding the administration of the Fund and various other advertising/marketing matters (an “Advertising Council”). If Franchisor establishes an Advertising Council, it may serve in only an advisory capacity and may consist of franchisees, personnel from Franchisor’s affiliate-owned Franchised Businesses, or other management/employees that Franchisor designates. If an Advertising Council is established, the membership of such Advertising Council, along with the policies and procedures by which it operates, will be determined by Franchisor. The recommendations of the Advertising Council shall not be binding on Franchisor.
- H. **Website.** Franchisor may establish an interior page on its corporate website to display the Premises and contact information associated with the Franchised Business for so long as (i) the Franchised Business is open and actively operating, and (ii) this Agreement is not subject to termination. If Franchisor creates and includes any information about Franchisee on a website, then Franchisor may require Franchisee to prepare all or a portion of the page, at Franchisee’s expense, using a template that Franchisor provides. Franchisee may not establish any separate website or other Internet presence in connection with the Franchised Business, System or Proprietary Marks without Franchisor’s prior written consent. If approved to establish a separate website, Franchisee shall comply with Franchisor’s policies, standards and specifications with respect to the creation, maintenance and content of any such website. Franchisee specifically acknowledges and agrees that any website owned or maintained by or for the benefit of Franchisee shall be deemed “advertising” under this Agreement, and will be subject to (among other things) Franchisor’s approval as described in this Section 9. Franchisee may not promote or otherwise list its Franchised Business, or the Proprietary Marks or System, on any social media or networking site, including without limitation, Facebook, LinkedIn, Instagram, Pinterest, Twitter or YouTube, without Franchisor’s prior written consent. Franchisor shall have the right to modify the provisions of this Section relating to Franchisee’s use of separate websites and social media, as Franchisor determines necessary or appropriate. Franchisee must follow Franchisor’s social media policies and directives as set forth in the Manuals, including the Policy and Procedures Manual and/or Marketing Manual.
- I. **Cooperatives.** Franchisor may establish regional advertising cooperatives that are comprised of multiple Franchised Business owners located within a geographical region that Franchisor designates (each, a “Cooperative”). If Franchisor establishes a Cooperative and designates Franchisee as a member thereof, Franchisee may be required to contribute to the Cooperative in a weekly specified amount. All amounts paid to a Cooperative will be credited towards Franchisee’s Local Advertising Requirement, and Franchisor may require that Franchisee expend up to two and half percent (2.5%) of the Gross Sales of the Franchised Business in connection with a Cooperative. Franchisor may specify the governing rules, terms and operating procedures of any Cooperative.

10. **ACCOUNTING AND RECORDS**

- A. **Maintenance of Records.** Franchisee must, in a manner satisfactory to Franchisor and in accordance with generally accepted accounting principles, maintain original, full, and complete register tapes, computer files, back-up files, other records, accounts, books, data, licenses, contracts, and product vendor invoices which shall accurately reflect all

particulars relating to the Franchised Business, as well as other statistical and financial information and records Franchisor may require. All of this information must be kept for the duration of this Agreement and for a period of at least three (3) years thereafter. Upon Franchisor's request, Franchisee must furnish Franchisor with copies of any or all product or equipment supply invoices reflecting purchases by or on behalf of the Franchised Business. In addition, Franchisee shall compile and provide to Franchisor any statistical or financial information regarding the operation of the Franchised Business, the products and services sold by it, or data of a similar nature, including without limitation, any financial data that Franchisor believes that it needs to compile or disclose in connection with the sale of franchises or that Franchisor may elect to disclose in connection with the sale of franchises. All data provided to the Franchisor under this Section 10 shall belong to Franchisor and may be used and published by Franchisor in connection with the System (including in Franchisor's disclosure documents). If Franchisee fails to input all prospects, clients, sales appointments and visits, jobs, sales, etc. in to their Required Software, then Franchisee will be charged a fee of \$200 per infraction.

- B. **Examination and Audit of Records.** Franchisor and its designated agents shall have the right to examine and audit Franchisee's records, accounts, books, computer files and data, including the any proprietary software used in connection with the System, at all reasonable times to ensure that Franchisee is complying with the terms of this Agreement. If such audit discloses that Franchisee has underreported the Gross Sales of the Franchised Business (or any amount due to Franchisor) by two percent (2%) or more in any given reporting period (weekly, monthly or otherwise), then Franchisee must: (i) reimburse Franchisor any costs/expenses incurred in connection with conducting the inspection and audit; and (ii) immediately pay any amount due and owing Franchisor as a result of Franchisee's underreporting, along with any accrued interest on said amounts.
- C. **Computer System for Records.** Franchisee shall record all transactions of the Franchised Business on a Computer System designated or approved by Franchisor, which must contain software that allows Franchisee to record accumulated sales without turning back, resetting or erasing such sales. Franchisor will, at all times and without notice to Franchisee, have the right to independently and remotely access and view Franchisee's Computer System as described in Section 4(C) of this Agreement.
- D. **Computer System Files and Passwords.** Franchisee shall not install or load any computer software on the hard disks of the Computer System used in connection with the Franchised Business without Franchisor's prior written consent. All computer and file passwords associated with the Computer System must be supplied as a list to Franchisor by Franchisee, along with any modifications or changes to that list. The passwords to access the Computer System located at the Premises or used by the Franchised Business, as well as all computer files and records related to the Franchised Business, are the exclusive property of Franchisor and Franchisee must provide Franchisor with these files and information upon the termination or expiration of this Agreement. Consistent with the other provisions of this Agreement, Franchisee agrees and acknowledges that Franchisor may have automatic access to Franchisee's specific passwords/keys/logins through the Computer System components and related software that Franchisor requires Franchisee to use in connection with the Franchised Business.
- E. **Current Contracts, Listings and Projects.** At any time and upon request of Franchisor, Franchisee shall provide Franchisor with a copy or summary listing, at Franchisor's

discretion, of all current contracts, listings, agreements, and projects related to Clients and/or properties that Franchisee is involved in or working with.

- F. **Tax Returns.** Upon Franchisor's request, Franchisee shall furnish the Franchisor with a copy of each of its reports, returns of sales, use and gross receipt taxes, and complete copies of any state or federal income tax returns covering the operation of the Franchised Business, all of which Franchisee shall certify as true and correct.
- G. **Right to Require Audit if Franchisee Underreports.** In the event a prior audit or inspection conducted by Franchisor (or its designee) has revealed that Franchisee has underreporting the Gross Sales of the Franchised Business by two percent (2%) or more for any reporting period as described in Section 10(B), then Franchisor may require Franchisee to provide, at the Franchisee's expense, audited financial statements that comply with GAAP and GAAS for Franchisee's fiscal year within 120 days of Franchisee's fiscal year end.
- H. **Change to Ownership of Franchisee.** In addition to the foregoing statements, Franchisee must provide Franchisor with written reports regarding any authorized change to: (i) the listing of all owners and other holders of any type of interest (legal or beneficial) in Franchisee or the Franchised Business; and (ii) Franchisee's partners, officers, directors, as well as any of the Designated Manager(s) that manage the day-to-day operations of the Franchised Business. Franchisee will notify Franchisor in writing within ten (10) days after any such change, unless Franchisor is required to first notify Franchisor and obtain its approval prior to making any such change.

11. **INSURANCE**

- A. **Required Insurance.** Franchisee shall, at its own expense and no later than the earlier of (a) the date on which Franchisee uses any of the Proprietary Marks, or (b) the date Franchisee begins building out the Premises, procure and maintain in full force and effect throughout the term of this Agreement the types of insurance enumerated in the Manuals or otherwise in writing (whether the Franchised Business is open or not). This insurance shall be in such amounts Franchisor or the lessor of the Premises designates from time to time, with Franchisor having the right to designate such insurance coverage updates in the Manuals at any time upon written notice

Franchisee must buy insurance only from carriers rated A-VIII or better by A.M. Best and Company, Inc. (or similar criteria as Franchisor periodically specifies), unless Franchisor designates specific carriers from which Franchisee must purchase coverage (in which case Franchisee may only purchase from the designated carrier(s)). Franchisor may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, changing economic conditions, or other relevant changes in circumstances. All insurance policies Franchisee purchases must name Franchisor and any affiliate Franchisor designate as additional insureds, and provide for thirty (30) days' prior written notice to Franchisor of a policy's material modification or cancellation. The cost of Franchisee's premiums will depend on the insurance carrier's charges, terms of payment, and Franchisee's insurance and payment histories. Franchisee shall make timely delivery of certificates of all required insurance to Franchisor, each of which shall contain a statement by the insurer that the policy will not be cancelled or materially altered without at least thirty (30) days' prior written notice to

Franchisor. The procurement and maintenance of such insurance shall not relieve Franchisee of any liability to Franchisor under any indemnity requirement of this Agreement.

- B. **Failure to Procure and Maintain Insurance.** If Franchisee fails for any reason to procure and maintain the required insurance coverage, Franchisor has the right and authority (without having any obligation to do so) to immediately procure such insurance coverage, in which case Franchisee must: (i) reimburse Franchisor for the costs incurred to obtain the required insurance (including any premium amounts paid); and (ii) pay Franchisor its then-current administrative fee, as may be reasonably charged by Franchisor as consideration for securing the required insurance on Franchisee's behalf.

12. **INDEPENDENT CONTRACTOR AND INDEMNIFICATION**

- A. **No Fiduciary Relationship.** In all dealings with third parties, including without limitation, employees, suppliers, and customers, Franchisee shall disclose in an appropriate manner acceptable to Franchisor that it is an independent entity licensed by Franchisor. Nothing in this Agreement is intended by the parties hereto either to create a fiduciary relationship between them or to constitute the Franchisee an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of Franchisor for any purpose whatsoever.
- B. **Independent Contractor Relationship.** It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation or to create any obligation on behalf of Franchisor. Upon Franchisor's request, Franchisee must display a sign in its Franchised Business displaying the following phrase (or something similar): "This Franchised Business is independently owned and operated pursuant to a license agreement."
- C. **Indemnification.**
1. Franchisee, as a material part of the consideration to be rendered to Franchisor, agrees to indemnify, defend and hold Franchisor, as well as Franchisor's directors, officers, principals/owners, managers, shareholders, affiliates (including any affiliate supplier), subsidiaries, employees, servants, agents, successors and assignees (collectively, the "Indemnitees"), harmless from and against any and all losses, damage, claims, demands, liabilities and causes of actions of every kind or character and nature, as well as costs and expenses incident thereto (including reasonable attorneys' fees and court costs), that are brought against any of the Indemnitees (collectively, the "Claims") that arise out of or are otherwise related to Franchisee's (a) breach or attempted breach of, or misrepresentation under, this Agreement, and/or (b) ownership, construction, development, management, or operation of the Franchised Business in any manner. Notwithstanding the foregoing, at Franchisor's option, Franchisor may choose to engage counsel and defend against any such Claim and may require immediate reimbursement from the Franchisee of all expenses and fees incurred in connection with such defense. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.
 2. Franchisee will be solely responsible for storing and preparing the Proprietary Products for use in connection with providing the Approved Services once those products are delivered to Franchisee. Franchisor will not be responsible or liable

in connection with any claims involving how the Proprietary Products are prepared and/or used by Franchisee once they are delivered to Franchisee. Franchisee must indemnify and hold Franchisor (and/or its designated supplier) harmless in connection with any third-party claims or damages arising out of or related to claims involving how the Proprietary Products are prepared and/or used by Franchisee once they are delivered to Franchisee.

13. **TRANSFER AND ASSIGNMENT**

- A. **No Transfer by Franchisee Without Franchisor's Approval.** Franchisee's rights under this Agreement are personal, and Franchisee shall not sell, transfer, assign or encumber Franchisee's interest in this Agreement or the Franchised Business (or undertake any of the actions identified in Section 13(C) of this Agreement) without Franchisor's prior written consent. Any sale, transfer, assignment or encumbrance made without Franchisor's prior written consent shall be voidable at Franchisor's option and shall subject this Agreement to termination as specified herein.
- B. **Death or Disability.**
1. In the event of Franchisee's death, disability or incapacitation (or the death, disability or incapacitation of Franchisee's principals/owners/guarantors), Franchisee's legal representative, or Franchisee's partner's or guarantor's respective legal representative, as applicable, will have the right to continue the operation of the Franchised Business as "Franchisee" under this Agreement if: (i) within ninety (90) days from the date of death, disability or incapacity (the "90 Day Period"), such person has obtained Franchisor's prior written approval and has executed Franchisor's then-current franchise agreement for the unexpired term of the franchise, or has furnished a personal guaranty of any partnership, corporate or limited liability company Franchisee's obligations to Franchisor and Franchisor's affiliates; and (ii) such person successfully completes Franchisor's training program (which Franchisor will provide at Franchisor's then-current tuition rate). Such assignment by operation of law will not be deemed in violation of this Agreement, provided such heirs or legatees accept the conditions imposed by the Franchise Agreement and are acceptable to Franchisor.
 2. Franchisor is under no obligation to operate the Franchised Business, or incur any obligation on behalf of any incapacitated franchisee, during or after the 90 Day Period. If necessary, Franchisee (or Franchisee's legal representative, as applicable) shall appoint a previously approved acting interim manager to operate the Franchised Business during the 90 Day Period. In the event of Franchisee's death, disability, absence or otherwise, Franchisor may (but is not required to) operate the Franchised Business on Franchisee's behalf and at Franchisee's expense for such period of time (and under such terms and conditions) as Franchisor determines, including paying out the assets and/or revenues of the Franchised Business to cover any or all past, current and/or future obligations of the Franchised Business (including any amounts owed to Franchisor and/or any affiliate) in such priorities as Franchisor determines in Franchisor's sole discretion. Franchisor may pay itself a reasonable amount to reimburse Franchisor for Franchisor's management services and other costs. Franchisor may obtain approval of a court or arbitrator for any such arrangements, the attorney's fees and other costs incurred in connection with obtaining such approval to be charged

against the assets and/or revenues of the Franchised Business. Franchisee (and/or Franchisee's estate) will indemnify Franchisor against any costs and/or liabilities incurred by it in connection with, or related in any way to, the operation (or otherwise) of the Franchised Business.

3. Franchisor will not collect any transfer fee if there is a transfer under this Section 13(B) to an immediate family member of the Franchisee that Franchisor approves pursuant to Section 13(E).

- C. **Ownership.** In addition to those acts described in Section 13(A), a transfer or assignment requiring Franchisor's prior written consent shall be deemed to occur: (i) if Franchisee is a corporation, upon any assignment, sale, pledge or transfer of any fractional portion of Franchisee's ownership shares/stock or any increase in the number of outstanding shares/stock of Franchisee's ownership/membership units that results in a change of ownership; (ii) if Franchisee is a partnership, upon the assignment, sale, pledge or transfer of any fractional partnership ownership interest; or (iii) if Franchisee is a limited liability company, upon the assignment, sale, pledge or transfer of any interest in the limited liability company. Any new partner, shareholder, or member or manager owning having an ownership interest in the surviving entity after the proposed transfer will be required to personally guarantee Franchisee's obligations under this Agreement. A transfer pursuant to (i) and (iii) above shall not be subject to Franchisor's right of first refusal as set forth in Section 13(D) so long as there is no change in control (ownership or otherwise) with respect to Franchisee.
- D. **Right of First Refusal.** If (a) Franchisee proposes to transfer any of its interest in this Agreement or the Franchised Business or any interest in its lease for the Premises, or (b) Franchisee's owners propose to transfer any interest in Franchisee if Franchisee is an entity (other than a corporation or limited liability company as set forth in Section 13(C) hereof or in the event of Franchisee's death/disability as set forth in Section 13(B)), then Franchisee shall first offer to sell such interest to Franchisor on the same terms and conditions as offered by such third party. Franchisee shall obtain from the third party and provide Franchisor a statement in writing, signed by the third party and Franchisee, of the terms of the offer ("Letter of Intent"). If Franchisor elects not to accept the offer within a thirty (30) day period, Franchisee shall have a period not to exceed sixty (60) days to complete the transfer described in the Letter of Intent subject to the conditions for approval set forth in Section 13(E) of this Agreement. Franchisee shall effect no other sale or transfer as contemplated under the Letter of Intent without first complying with this Section. Any material change in the terms of the offer will be deemed a new proposal subject to Franchisor's right of first refusal. So long as Franchisee has obtained Franchisor's prior written consent, which shall not be unreasonably withheld, a transfer to an existing partner or shareholder, or a transfer as a result of the death, disability or incapacitation of a shareholder or partner, in accordance with the provisions set forth below, is not subject to Franchisor's first right of refusal.
- E. **Conditions for Approval.** Franchisor may condition Franchisor's approval of any proposed sale or transfer of the Franchised Business or of Franchisee's interest in this Agreement or any other acts of transfer described in Section 13(C) upon satisfaction of the following occurrences:

1. All of Franchisee's accrued monetary obligations to Franchisor, Franchisor's affiliates, and Franchisor's designated/approved suppliers and vendors, are satisfied;
2. Franchisee must cure all existing defaults under this Agreement, or any other agreement between Franchisee and Franchisor, Franchisor's affiliates, Franchisor's designated/approved suppliers and vendors, within the period permitted for cure and have substantially complied with such agreements during their respective terms;
3. Franchisee and Franchisee's principals (if Franchisee is a partnership, corporation or limited liability company), and the transferee (if it has had any previous relationship with Franchisor or Franchisor's affiliates), must execute a general release under seal, in a form satisfactory to Franchisor, of any and all claims against Franchisor and Franchisor's affiliates and officers, directors, shareholders and employees, in their corporate and individual capacities;
4. Franchisee or transferee shall provide Franchisor a copy of the executed purchase agreement relating to the proposed transfer with all supporting documents and schedules, including transferee's assumption of an agreement to faithfully perform all of Franchisee's obligations under this Agreement;
5. The transferee shall demonstrate to Franchisor's satisfaction that he or she meets Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement; however, transferee shall not be in the same business as Franchisor either as licensor, franchisor, independent operator or licensee of any other business or chain which is similar in nature or in competition with Franchisor, except that the transferee may be an existing franchisee of ours;
6. The transferee shall execute Franchisor's then-current franchise agreement (which may contain materially different terms than this Agreement) for the remaining balance of Franchisee's term under this Agreement, with transferee's term commencing on the date the transferee executes the then-current franchise agreement;
7. Franchisee or transferee shall pay Franchisor a transfer fee equal to Ten Thousand Dollars (\$10,000) per territory, except in the case of (i) a transfer to a corporation formed for the convenience of ownership, or (ii) for approved intra-family transfers or for a transfer which arises upon death or mental incompetency.
8. The transferee shall satisfactorily complete Franchisor's Initial Training Program within the time frame Franchisor sets forth without paying an additional tuition fee, but the transferee will be responsible for all costs and expenses associated with attending the Initial Training Program;
9. Franchisee (and Franchisee's principals/guarantors if Franchisee is a partnership, corporation or limited liability company) must comply with the post-termination provisions of this Agreement;

10. The transferee must demonstrate that it has obtained or maintained, within the time limits set by Franchisor, all permits and licenses required for the continued operation of the Franchised Business;
11. To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer;
12. The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises;

Franchisor will not unreasonably withhold its consent to a proposed transfer or assignment requested by Franchisee, provided the foregoing conditions are met. Franchisor's approval of a transfer shall not operate as a release of any liability of the transferring party nor shall such approval constitute a waiver of any claims Franchisor may have against the transferring party. Furthermore, Franchisor agrees that Franchisee will not be required to pay any transfer fee in the event: (i) Franchisee wishes to transfer its rights under the Franchise Agreement to a newly-established legal business entity that is wholly owned by Franchisee and established solely for purposes of operating the Franchised Business under the Franchise Agreement; or (ii) Franchisee is required to encumber certain assets of the Franchised Business (or subordinate Franchisor's security interest thereto) in order to receive SBA or other traditional bank financing, provided Franchisor otherwise approves of the transfer.

- F. **Transfer from an Individual Franchisee to Business Entity.** If Franchisee is an individual and desires to assign its rights under this Agreement to a corporation or limited liability company, and if all of the following conditions are met, Franchisor will consent to the transfer without assessing the transfer fee or training tuition fees set forth in Section 13(E)(7)-(8), and such assignment will not be subject to Franchisor's right of first refusal in Section 13(D): (i) the corporation or limited liability company is newly organized and its activities are confined to operating the Franchised Business; (ii) the entity at issue is wholly owned by Franchisee (and no other party); (iii) the corporation or limited liability company agrees in writing to assume all of Franchisee's obligations hereunder; and (iv) all stockholders of the corporation, or members and managers of the limited liability company, as applicable, personally guarantee prompt payment and performance by the corporation or limited liability company of all its obligations to Franchisor and Franchisor's affiliates, under this Agreement and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and execute the Personal Guaranty attached to this Agreement as Exhibit B.
- G. **Franchisor's Right to Transfer.** Franchisor has the right to sell, transfer, assign and/or encumber all or any part of Franchisor's assets and Franchisor's interest in, and rights and obligations under, this Agreement in Franchisor's sole discretion.

14. **COVENANTS**

Franchisee acknowledges that, as a participant in Franchisor's System, Franchisee will receive proprietary and confidential information and materials, trade secrets, and the unique methods, procedures and techniques that Franchisor has developed. As such, Franchisee agrees to the covenants in this Section to protect Franchisor, the System, Proprietary Marks and Franchisor's other franchisees.

A. **During the Term of this Agreement.** During the term of this Agreement, neither Franchisee, its principals, owners, guarantors or Designated Manager(s), nor any immediate family of Franchisee, its principals, owners, guarantors or Designated Manager(s), may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

1. Own, maintain, engage in, be employed or serve as an officer, director, or principal of, lend money or extend credit to, lease/sublease space to, or have any interest in or involvement with, any other business that: (i) offers, provides or sells products or services in connection with (a) painting, substrate and/or other ancillary services in the field of home maintenance and improvement services, and (b) any kind of the Approved Products or the Approved Services that are offered or provided by the Franchised Business and/or other Businesses (each, a “Competing Business”); or (ii) offers or grants licenses or franchises, or establishes joint ventures, for the ownership or operation of a Competing Business. For purposes of this Agreement, a Competing Business does not include: (y) any business operated by Franchisee under a Franchise Agreement with Franchisor; or (z) any business operated by a publicly-traded entity in which Franchisee owns less than two percent (2%) legal or beneficial interest;
2. Subject to and as permitted by applicable law, employ or seek to employ any person who is at that time employed by Franchisor, Franchisor’s affiliates or any other System franchisee, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment thereat; or
3. Divert, or attempt to divert, any prospective customer to a Competing Business in any manner.

B. **After the Term of this Agreement.**

1. For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, its principals, owners and guarantors, nor any member of the immediate family of Franchisee, its principals, owners or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation, be involved with any business that competes in whole or in part with Franchisor by offering or granting licenses or franchises, or establishing joint ventures, for the ownership or operation of a Competing Business. The geographic scope of the covenant contained in this Section is any location where Franchisor can demonstrate it has offered or sold franchises as of the date this Agreement is terminated or expires.
2. For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, its principals, owners and guarantors, nor any member of the immediate family of Franchisee, its principals, owners or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

- C. **Intent and Enforcement.** It is the parties' intent that the provisions of this Section 14 be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of this Section 14 by Franchisee, any of Franchisee's principals, or any member of the immediate family of Franchisee or Franchisee's principals, Franchisor shall be entitled to an injunction restraining such person from any such actual or threatened breach. Franchisee agrees that in the event of the actual or threatened breach of this Section 14, Franchisor's harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. - D. **Confidentiality and Restrictive Covenant Agreement.** Franchisee must ensure that all management personnel of the Franchised Business, as well as any officers and directors of Franchisee, execute Franchisor's then-current form of Confidentiality and Restrictive Covenant Agreement (which will be in substantially the same form as the document attached to the Franchise Disclosure Document). Franchisee must furnish Franchisor a copy of each executed agreement.
- E. **No Defense.** Franchisee hereby agrees that the existence of any claim Franchisee may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants contained in this Section 14.

Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) that Franchisor incurs in connection with the enforcement of this Section 14.

15. **DEFAULT AND TERMINATION**

Franchisor may terminate this Agreement as described in this Section, and Franchisee agrees and acknowledges that the defaults, or failure to cure such defaults within the appropriate time period prescribed below (if any), shall constitute "good cause" and "reasonable cause" for termination under any state franchise laws or regulations that might apply to the operation of the Franchised Business.

If Franchisor elects this option, Franchisor will deliver written notice to Franchisee. Franchisor will have the right to inspect equipment at any time during this thirty (30) day period. If Franchisor elects to purchase equipment as part of the asset purchase, Franchisor will be entitled to, and Franchisee must provide, all customary warranties and representations as to compliance with law, the maintenance, function, and condition of the equipment and Franchisee's good title to the equipment (including, but not limited to, that Franchisee owns the equipment free and clear of any liens and encumbrances).
- I. **Disconnection of Telephone Number on Termination/Renewal.** Franchisee acknowledges that there will be substantial confusion among the public if, after the termination or expiration and non-renewal of this Agreement, Franchisee continues to use advertisements and/or the telephone number listed in the telephone directory under the name "LIME PAINTING" or any name similar to it. Thus, effective upon the termination or expiration and non-renewal of this Agreement, Franchisee agrees to direct the telephone company servicing Franchisee, per Franchisor's request, to disconnect the telephone number used in connection with the Franchised Business or transfer such number to Franchisor or to any person or location of Franchisor's choosing. If Franchisee fails to take these steps, Franchisee shall be deemed to have hereby irrevocably appointed Franchisor as Franchisee's attorney-in-fact for purposes of directing and accomplishing such transfer.

Franchisee understands and agrees that, notwithstanding any billing arrangements with any telephone company or yellow pages directory company, Franchisor will be deemed for purposes hereof to be the subscriber of such telephone numbers, with full authority to instruct the applicable telephone or yellow pages directory company as to the use and disposition of telephone listings and numbers. Unless a different period is specified in this Agreement, Franchisor shall respond with its approval or disapproval within fifteen (15) days of receipt of such request. If Franchisor has not specifically approved a request within such fifteen (15) day period, such failure to respond shall be deemed as a disapproval of any such request.
- B. **No Waiver.** No failure of Franchisor to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Franchisor's right to demand exact compliance with any of the terms herein. No waiver or approval by Franchisor of any particular breach or default by Franchisee; no delay, forbearance, or omission by Franchisor to act or give notice of default or to exercise any power or right arising by reason of such default hereunder; and no acceptance by Franchisor of any payments due hereunder shall be considered a waiver or approval by Franchisor of any preceding or subsequent breach or default by Franchisee of any term, covenant, or condition of this Agreement.
- C. **Terms of Other Franchise Agreements.** No warranty or representation is made by the Franchisor that all franchise agreements heretofore or hereafter issued by Franchisor in connection with a Franchised Business do or will contain terms substantially similar to those contained in this Agreement. Further, Franchisee recognizes and agrees that Franchisor may, in its reasonable business judgment due to local business conditions or otherwise, waive or modify comparable provisions of other franchise agreements heretofore or hereafter granted to other System franchise owners in a non-uniform manner.
- D. **Modification of System and Manuals.** Except as provided in Section 22 and Franchisor's right to unilaterally modify the System and Manuals, no amendment, change, or variance from this Agreement shall be binding upon either Franchisor or Franchisee unless set forth in writing and signed by both parties.

19. **ENFORCEMENT**

- A. **Injunctive Relief.** The Franchisor or its designee shall be entitled to obtain without bond, declarations, temporary and permanent injunctions, and orders of specific performance in order to enforce the provisions of this Agreement relating to Franchisee's use of the Proprietary Marks, the obligations of Franchisee upon termination or expiration of this Agreement, and assignment of the franchise and ownership interests in Franchisee or in order to prohibit any act or omission by Franchisee or its employees which constitutes a violation of any applicable law or regulation, which is dishonest or misleading to prospective or current customers of businesses operated under the System, which constitutes a danger to other franchise owners, employees, customers, or the public or which may impair the goodwill associated with the Proprietary Marks.
- B. **No Withholding of Payments.** Franchisee agrees and acknowledges that it may not withhold payments or amounts of any kind due to Franchisor on the premise of alleged nonperformance by Franchisor of any of its obligations hereunder.
- C. **Costs and Attorneys' Fees.** If Franchisee is in breach or default of any monetary or non-monetary obligation under this Agreement or any related agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and Franchisor engages an attorney to enforce Franchisor's rights (whether or not formal judicial proceedings are initiated), Franchisee must reimburse Franchisor for all costs/expenses incurred in connection with enforcing its rights under this Agreement including all reasonable attorneys' fees, court costs and litigation expenses. If Franchisee institutes any legal action to interpret or enforce the terms of this Agreement, and Franchisee's claim in such action is denied or the action is dismissed, Franchisor is entitled to recover Franchisor's reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

21. GOVERNING LAW AND DISPUTE RESOLUTION

- A. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado, without reference to this state's conflict of laws principles.
- B. **Internal Dispute Resolution.** Franchisee must first bring any claim or dispute between Franchisee and Franchisor to Franchisor's management, after providing notice as set forth in Section 21(G) of this Agreement, and make every effort to resolve the dispute internally. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.
- C. **Mediation.** At Franchisor's option, all claims or disputes between Franchisee and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 21(B) above, will be submitted first to mediation to take place in Arapahoe County, Colorado, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 21(C) if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information or other confidential information; (ii) any of the restrictive covenants

contained in this Agreement; and (iii) any of Franchisee's payment obligations under this Agreement.

- D. **Injunctive Relief.** Franchisee acknowledges and agrees that irreparable harm could be caused to Franchisor by Franchisee's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, Franchisor shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to: (i) Franchisee's use of the Proprietary Marks and Confidential Information (including any proprietary software used in connection with the Franchised Business); (ii) the in-term covenant not to compete, as well as any other violations of the restrictive covenants set forth in this Agreement; (iii) Franchisee's obligations on termination or expiration of this Agreement; (iv) disputes and controversies based on or arising under the Lanham Act, or otherwise involving the Proprietary Marks, as now or hereafter amended; (v) disputes and controversies involving enforcement of the Franchisor's rights with respect to confidentiality under this Agreement; and (vi) to prohibit any act or omission by Franchisee or its employees that constitutes a violation of applicable law, threatens Franchisor's franchise system or threatens other franchisees of Franchisor. Franchisee's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Franchisee waives all damage claims if the injunction is wrongfully issued.
- E. **Venue.** Subject to Sections 21(C) and 21(D) above, the parties agree that any actions arising out of or related to this Agreement must be initiated and litigated to conclusion exclusively in the state court of general jurisdiction in Arapahoe County, Colorado or, if appropriate, the United States District Court for the District of Colorado. Franchisee acknowledges that this Agreement has been entered into in the State of Colorado, and that Franchisee is to receive valuable and continuing services emanating from Franchisor's presence in Colorado, including but not limited to training, assistance, support and the development of the System. In recognition of such services and their origin, Franchisee hereby irrevocably consents to the personal jurisdiction of the state and federal courts of Colorado as set forth in this Section.
- F. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, owners, members, managers, agents and/or employees are express third party beneficiaries of the provisions of this Agreement, including the dispute resolution provisions set forth in this Section 21, each having authority to specifically enforce the right to mediate/arbitrate claims asserted against such person(s) by Franchisee.
- G. **Notice Requirement.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchisee must notify Franchisor within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.
- H. **No Withholding of Payments.** Franchisee shall not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Franchisee under this Agreement or any related agreements.
- I. **Limitation of Actions.** Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought

before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one year after the Franchisee becomes aware of facts or circumstances reasonably indicating that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

- J. **Waiver of Punitive Damages.** Franchisee hereby waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that Franchisee's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages. Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages, including lost future royalties for the balance of the term of this Agreement if it is terminated due to Franchisee's default, which the parties agree and acknowledge Franchisor may claim under this Agreement.
- K. **WAIVER OF JURY TRIAL.** THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES.
- L. **WAIVER OF CLASS ACTIONS.** THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE FRANCHISED BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN FRANCHISEE, FRANCHISEE'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

22. **SEVERABILITY AND CONSTRUCTION**

- A. Should any provision of this Agreement for any reason be held invalid, illegal, or unenforceable by a court of competent jurisdiction, such provision shall be deemed restricted in application to the extent required to render it valid, and the remainder of this Agreement shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement

without inclusion of such provision. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this paragraph shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision. Each party agrees to execute and deliver to the other any further documents which may be reasonably required to make fully the provisions hereof. Franchisee understands and acknowledges that Franchisor shall have the right in its sole discretion on a temporary or permanent basis, to reduce the scope of any covenant or provision of this Agreement binding upon Franchisee without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it will comply forthwith with any covenant as so modified, which shall be fully enforceable.

- B. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but such counterparts together shall constitute the same instrument.
- C. The table of contents, headings, and captions contained herein are for the purposes of convenience and reference only and are not to be construed as a part of this Agreement. All terms and words used herein shall be construed to include the number and gender as the context of this Agreement may require. You acknowledge and agree that each of you has previously worked or been gainfully employed in other careers and that the provisions of this Article III in no way prevents you from earning a living. You further acknowledge and agree that the time limitation of this Article III shall be tolled during any default under this Guaranty.

ARTICLE IV DISPUTE RESOLUTION

1. **Acknowledgment.** You acknowledge that this Guaranty is not a franchise agreement and does not confer upon you any rights to use the Franchisor's proprietary marks or its system.

2. **Governing Law.** This Guaranty shall be deemed to have been made in and governed by the laws of the State of Colorado.

3. **Internal Dispute Resolution.** You must first bring any claim or dispute arising out of or relating to the Franchise Agreement or this Personal Guaranty to Franchisor's Chief Executive Officer and/or President. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, you must submit a notice to Franchisor that specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify you as to whether Franchisor or its affiliates elect to exercise our option to submit such claim or dispute to mediation. You may not commence any arbitration proceeding or other action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor may specifically enforce our mediation rights under this Section. Each party shall bear its own cost of mediation, except that you and Franchisor shall share the mediator's fees and costs equally. This agreement to mediate at Franchisor's option shall survive any termination or expiration of the Franchise Agreement and this Guaranty.

4.1. *Excepted Claims.* The parties agree that mediation shall not be required with respect to any claim or dispute involving: (i) any of your payment obligations that are past due; (ii) the actual or threatened disclosure or misuse of Franchisor's Confidential Information; (iii) the actual or threatened violation of Franchisor's rights in, or misuse of, the Proprietary Marks, System or other trade secrets; (iv) any of the restrictive covenants contained in the Franchise Agreement or this Guaranty; or (v) any claims arising out of or related to fraud or misrepresentation by you, or your insolvency (collectively, the "Excepted Claims").

5. **Jurisdiction and Venue.** Subject to Sections 3 and 4 above, the parties agree that any action at law or in equity instituted against either party to this Agreement must be commenced and litigated to

conclusion (unless settled) only in any court of competent jurisdiction located in Arapahoe County, Colorado or, if appropriate, the United States District Court for the District of Colorado. The undersigned hereby irrevocably consent to the jurisdiction of these courts.

6. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of this Agreement and the mediation and other dispute resolution provisions contained herein, each having authority to specifically enforce the right to mediate and litigate claims asserted against such person(s) by you.

7. **Right to Injunctive Relief.** Nothing contained in this Guaranty will prevent Franchisor from applying to or obtaining from any court having jurisdiction a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect Franchisor's interest prior to the filing of any mediation or arbitration proceeding, or pending the trial or handing down of a decision or award pursuant to any mediation or arbitration proceeding conducted hereunder. If injunctive relief is granted, your only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, you expressly waive all claims for damages you incurred as a result of the wrongful issuance.

8. **JURY TRIAL AND CLASS ACTION WAIVER. THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES. THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE FRANCHISED BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN FRANCHISEE, FRANCHISEE'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES/AGENTS/REPRESENTATIVES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.**

9. **Limitation of Action.** You further agree that no cause of action arising out of or under this Guaranty may be maintained by you unless brought before the expiration of one year after the act, transaction or occurrence upon which such action is based or the expiration of one year after you become aware of facts or circumstances reasonably indicating that you may have a claim against us, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense or set-off.

10. **Punitive Damages.** You hereby waive to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) which you may have against us, arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that your recovery shall be limited to actual damages. If any other term of this Guaranty is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

11. **Costs and Attorneys' Fees.** Whether or not formal legal proceedings are initiated, in the event Franchisor incurs any legal fees or other costs associated with enforcing the terms of this Guaranty or the Franchise Agreement against you, then Franchisor will be entitled to recover from you all costs and

expenses, including reasonable attorneys' fees, incurred in enforcing the terms of this Guaranty or the Franchise Agreement.

12. **Nonwaiver.** Franchisor's failure to insist upon strict compliance with any provision of this Guaranty shall not be a waiver of our right to do so, any law, custom, usage or rule to the contrary notwithstanding. Delay or omission by us respecting any breach or default shall not affect Franchisor's rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty shall be cumulative. Your election to exercise any remedy available by law or contract shall not be deemed a waiver or preclude exercise of any other remedy.

13. **No Personal Liability.** You agree that fulfillment of any and all of Franchisor's obligations written in the Franchise Agreement or this Guaranty, or based on any oral communications which may be ruled to be binding in a court of law, shall be Franchisor's sole responsibility and none of our owners, officers, agents, representatives, nor any individuals associated with Franchisor shall be personally liable to you for any reason. This is an important part of this Guaranty. You agree that nothing that you believe you have been told by us or our representatives shall be binding unless it is written in the Franchise Agreement or this Guaranty. Do not sign this Agreement if there is any question concerning its contents or any representations made.

14. **Severability.** The parties agree that if any provisions of this Guaranty may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision shall have the meaning, which renders it valid and enforceable. The language of all provisions of this Guaranty shall be construed according to fair meaning and not strictly construed against either party. The provisions of this Guaranty are severable, and this Guaranty shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions shall be enforced to the extent that they are valid and enforceable. If any material provision of this Guaranty shall be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Franchisor reserves the right to terminate this Guaranty.

15. **Construction of Language.** Any term defined in the Franchise Agreement which is not defined in this Guaranty will be ascribed the meaning given to it in the Franchise Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

16. **Successors.** References to "Franchisor" or "the undersigned," or "you" include the respective parties' heirs, successors, assigns or transferees.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Guaranty on the date stated on the first page hereof.

7. **Power of Attorney:** Franchisee does hereby appoint irrevocably Franchisor as its true and lawful attorney-in-fact in its name and stead and hereby authorizes it, upon any default under the Lease or under the Franchise Agreement, with or without taking possession of the Site, to rent, lease, manage and operate the Site to any person, firm or corporation upon such terms and conditions in its discretion as it may determine, and with the same rights and powers and immunities, exoneration of liability and rights of recourse and indemnity as the Franchisor would have upon taking possession of the Site pursuant to the provisions set forth in the Lease. The power of attorney conferred upon the Franchisor pursuant to this Assignment is a power coupled with an interest and cannot be revoked, modified or altered without the written consent of the Franchisor.

8. **Election of Remedies:** It is understood and agreed that the provisions set forth in this Assignment are deemed a special remedy given to the Franchisor and are not deemed to exclude any of the remedies granted in the Franchise Agreement or any other agreement between the Franchisor and the Franchisee, but are deemed an additional remedy and shall be cumulative with the remedies therein and elsewhere granted to the Franchisor, all of which remedies are enforceable concurrently or successively. No exercise by the Franchisor or any of the rights hereunder will cure, waiver or affect any default hereunder or default under the Franchise Agreement. No inaction or partial exercise of rights by the Franchisor will be construed as a waiver of any of its rights and remedies and no waiver by the Franchisor of any such rights and remedies shall be construed as a waiver by the Franchisor of any future rights and remedies. Franchisor is not required to exercise any of its rights set forth in Section 6 hereof, but shall have the irrevocable right to do so.

CONFIDENTIALITY AND RESTRICTIVE COVENANT AGREEMENT

(for Designated Managers and other management personnel, as well as any officers, directors, or owners of the Franchisee that did not sign the full Personal Guaranty)

In consideration of my being a [INSERT TITLE/ROLE WITH FRANCHISEE] of _____ (the “Franchisee”), and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I (the undersigned) hereby acknowledge and agree that Franchisee has acquired the right from LIME FRANCHISE SYSTEMS, LLC (the “Company” or “Franchisor”) to: (i) establish and operate a franchised business (the “Franchised Business”); and (ii) use in the operation of the Franchised Business the Company’s trade names, trademarks and service marks (collectively, the “Proprietary Marks”) and the Company’s unique and distinctive format and system relating to the establishment and operation of Franchised Business businesses (the “System”), as they may be changed, improved and further developed from time to time in the Company’s sole discretion, only at the following authorized and approved location: _____ (the “Premises”).

1. The Company possesses certain proprietary and confidential information relating to the operation of the Franchised Business and System generally, including without limitation: Company’s proprietary and confidential Manuals and other manuals providing guidelines, standards and specifications related to the establishment and operation of the Franchised Business (collectively, the “Manuals”); Franchisor’s proprietary training materials and programs, as well as proprietary marketing methods and other instructional materials, trade secrets; information related to any other proprietary methodology or aspects of the System or the establishment and continued operation of the Franchised Business; financial information; any and all customer lists, contracts and other customer information obtained through the operation of the Franchised Business and other Franchised Businesses; any information related to any type of proprietary software that may be developed and/or used in the operation of with the Franchised Business; and any techniques, methods and know-how related to the operation of Franchised Business or otherwise used in connection with the System, which includes certain trade secrets, copyrighted materials, methods and other techniques and know-how (collectively, the “Confidential Information”).

2. Any other information, knowledge, know-how, and techniques which the Company specifically designates as confidential will also be deemed to be Confidential Information for purposes of this Agreement.

3. As [INSERT TITLE WITH RESPECT TO FRANCHISEE] of the Franchisee, the Company and Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, the Manuals, and other general assistance during the term of this Agreement.

4. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term hereof, and the use or duplication of the Confidential Information, in whole or in part, for any use outside the System would constitute an unfair method of competition.

5. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as [INSERT TITLE] of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such

information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.

6. I will surrender any material containing some or all of the Confidential Information to the Company, upon request, or upon conclusion of the use for which the information or material may have been furnished.

7. Except as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company, own, maintain, engage in, be employed by, or have any interest in any other business that: (i) is a painting service business that is similar to the Franchised Business and/or that features, offers and/or sells products and services similar to the those offered and sold by the Franchised Business and/or other LIME franchises (a “Competing Business”); or (iii) grants or has granted franchises or licenses, or establishes or has established joint ventures, for one or more Competing Businesses. I also agree that I will not undertake any action to divert business from the Franchised Business to any Competing Business, or solicit any of the former customers or employees of Franchisee for any competitive business purpose.

7.1 *Post-Term Restrictive Covenant for Designated Manager of Franchised Business or Manager/Officers/Directors of Franchisee.* In the event I am a manager of the Franchised Business, or an officer/director/manager/partner of Franchisee that has not already executed a Personal Guaranty agreeing to be bound by the terms of the Franchise Agreement, then I further agree that I will not be involved in a Competing Business of any kind for a period of two years after the expiration or termination of my employment with Franchisee for any reason: (i) at or within a 25 mile radius of the Premises; or (ii) within a 25-mile radius of any other Franchised Business that exists at the time my employment with Franchisee ceases through the date of my involvement with the Competing Business. I also agree that I will not be involved in the franchising or licensing of any Competing Business at any location, or undertake any action to divert business from the Franchised Business to any Competing Business or solicit any of the former customers or employees of Franchisee for any competitive business purpose, during this two (2) year period following the termination or expiration of my employment with the Franchisee.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security. I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this

Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

11. I shall not at any time, directly or indirectly, do any act that would or would likely be injurious or prejudicial to the goodwill associated with the Confidential Information and the System.

12. Franchisee shall make all commercially reasonable efforts to ensure that I act as required by this Agreement.

13. Any failure by Franchisor to object to or take action with respect to any breach of this Agreement by me shall not operate or be construed as a waiver of or consent to that breach or any subsequent breach by me.

14. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF **[INSERT STATE WHERE FRANCHISEE IS LOCATED]** AND MYSELF HEREBY IRREVOCABLY SUBMITS HIMSELF TO THE JURISDICTION OF THE STATE COURT CLOSEST TO THE PREMISES OF THE FRANCHISED BUSINESS OR, IF APPROPRIATE, THE FEDERAL COURT CLOSED TO SUCH PREMISES. I HEREBY WAIVE ALL QUESTIONS OF PERSONAL JURISDICTION OR VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION. I HEREBY AGREE THAT SERVICE OF PROCESS MAY BE MADE UPON ME IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT BY ANY MEANS ALLOWED BY **[INSERT STATE]** OR FEDERAL LAW. I FURTHER AGREE THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE ONE OF THE COURTS DESCRIBED ABOVE IN THIS SECTION; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE WHICH HAS JURISDICTION.

15. The parties acknowledge and agree that each of the covenants contained in this Agreement are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a part, I expressly agree to be bound by any lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made a part of this Agreement.

MULTI-TERRITORY ADDENDUM

MULTI-TERRITORY ADDENDUM TO FRANCHISE AGREEMENT

THIS MULTI-TERRITORY ADDENDUM TO FRANCHISE AGREEMENT (the “Addendum”) is made and entered into on _____ (the “Effective Date”) by and between: (i) Lime Franchise Systems, LLC, a Colorado limited liability company with a business address at 4950 S. Yosemite Street, F2 #171, Greenwood Village, Colorado 80111 (“Franchisor”); and (ii) _____, a _____ with its principal place of business at _____ (the “Franchisee”).

BACKGROUND

A. Contemporaneous with the execution of this Addendum, Franchisee and Franchisor entered into a franchise agreement (the “Franchise Agreement”) pursuant to which Franchisee obtained the right and undertook the obligation to operate a franchised business (the “Franchised Business”) using Franchisor’s proprietary marks (the “Proprietary Marks”) within a defined geographical area as set forth more fully therein (“Designated Territory”).

B. Franchisee has requested the right to acquire one (1) or multiple geographical areas described in Schedule 1 to this Addendum (each, an “Additional Territory”) wherein Franchisee will have the right and obligation to actively operate the Franchised Business and solicit prospective clientele.

C. Consistent with Franchisor’s current franchise disclosure document (“FDD”), Franchisor is willing to award an Additional Territory or multiple Additional Territories to Franchisee.

C. Franchisor and Franchisee now wish to memorialize the foregoing, as well as the fact that (a) the Additional Territory will be deemed a “Designated Territory,” as that term is defined and referenced throughout the Franchise Agreement, and (b) all terms of the Franchise Agreement applicable to such a “Designated Territory” shall apply to the Franchisee’s ownership and operation of the Franchised Business within each Additional Territory granted hereunder, subject to the terms and conditions set forth in this Addendum.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

AGREEMENT

1. Background; Definitions; Acknowledgement.

a. The parties agree and acknowledge that the Background portion of this Addendum, including all definitions, agreements, acknowledgements, representations and other provisions set forth therein, is hereby incorporated by reference as if set forth in this Section.

b. For purposes of this Addendum, if a capitalized term in this Addendum is not specifically defined herein, that term will be given the same definition that the term is afforded in the Franchise Agreement, as applicable.

c. The parties agree and acknowledge that the term of this Addendum will expire at the same time as the Franchise Agreement.

2. **Additional Territory Fee(s).** Upon execution of this Addendum, Franchisee shall pay Franchisor a fee in addition to the Initial Franchise Fee set forth in the Franchise Agreement totaling \$ _____ (the “Additional Territory Fee(s)”) as consideration for Franchisor granting Franchisee the

right to operate the Franchised Business within the Additional Territory(ies). The Additional Territory Fee will be due and payable in a lump sum immediately upon execution of this Addendum. The parties agree and acknowledge that the fee described in this Section is deemed fully-earned upon payment, and is not refundable under any circumstances.

3. **Right to Operate within Additional Territory(ies).** Subject to Franchisee's payment of the Additional Territory Fee, Franchisee will have the right to operate the Franchised Business within the Additional Territories set forth and/or demarcated in Schedule 1 to this Addendum. Except as provided in this Addendum and/or Franchisor's then-current Manuals, Franchisee will have the right and obligation to commence operations of the Franchised Business within the Additional Territory(ies) detailed in Schedule 1: (i) immediately upon execution of this Addendum if the Franchised Business has already commenced operations; or (ii) if the Franchised Business has not yet commenced operations as of the date this Addendum is signed, immediately upon Franchisee's (a) completion of all pre-opening obligations under the Franchise Agreement, and (b) the subsequent launch of the Franchised Business in accordance with the terms of said agreement.

4. **Initial Training Program Obligations.** The parties agree and acknowledge that: (i) Franchisee is only required to attend and complete Franchisor's Initial Training Program described more fully in the Franchise Agreement once in connection with the Franchised Business governed by this Addendum; and (ii) Franchisor is not obligated to provide such Initial Training Program to Franchisee once Franchisee or its operating principal has completed such initial training. In the event Franchisee determines to utilize a Designated Manager in connection with the operation of the Franchised Business in any Designated Territory, including any Additional Territory awarded hereunder, then Franchisee must ensure that said Designated Manager completes all required initial training prior to that individual undertaking any management responsibilities in connection with the operation of the Franchised Business. All other provisions regarding Franchisee's training obligations in the Franchise Agreement are hereby ratified and confirmed and shall apply to the Additional Territory(ies).

5. **Minimum Performance Levels.** The Additional Territory rights awarded under this Addendum will modify the MPLs that the Franchised Business must generate based (a) how long the Franchised Business has been open, and (b) the number of Additional Territories granted in connection with the Franchised Business, as more specifically defined in Section 6(Z) of the Franchise Agreement, with the parties agreeing and acknowledging that Franchisor will have all rights and remedies associated with any breach with such MPLs.

6. **Reporting Obligations.** Franchisee agrees and acknowledges that its operation of the Franchised Business within the Additional Territory(ies) granted hereunder will require Franchisee to report its Gross Sales and other Client Project information in a manner that allows Franchisor to determine which Territory such Gross Sales and Client Project were generated/located, utilizing Franchisor's prescribed reporting forms and Required Software.

7. **Transfer Fee.** Franchisor and Franchisee agree and acknowledge that if Franchisee wishes to sell or otherwise transfer its right to operate in the Designated Territory or an Additional Territory that Franchisee will be required to pay the transfer fee of Ten Thousand Dollars (\$10,000) (the "Transfer Fee") in connection with each Designated Territory or Additional Territory it wishes to sell or transfer to a third party approved by Franchisor and according to the terms and conditions of the Franchise Agreement.

8. **Renewal Fee.** Franchisor and Franchisee agree and acknowledge that if Franchisee wishes to renew its right to operate in the Designated Territory or an Additional Territory that Franchisee will be required to pay the renewal fee of Ten Thousand Dollars (\$10,000) (the "Renewal Fee") in connection with each Designated Territory or Additional Territory it wishes to renew in accordance with the terms of the Franchise Agreement.

9. **Default / Termination with Regards to a Specific Territory.** In the event the terms and conditions of the Franchise Agreement or this Addendum are violated or breached via Franchisee's operations of the Franchised Business within a given Additional Territory but not in other Territories and, Franchisor will have the option and right to terminate Franchisee's rights hereunder with respect to such Designated Territory(ies) that is, or subsequently becomes, grounds for termination under these agreements in lieu of terminating the Franchise Agreement and this Addendum in its entirety.

10. **Transfer.** Franchisor has the right to sell, transfer, assign and/or encumber all or any part of Franchisor's assets and Franchisor's interest in, and rights and obligations under, this Addendum in Franchisor's sole discretion. Franchisee may not transfer its rights under this Addendum without complying with all transfer terms and conditions set forth in the Franchise Agreement generally. The parties further agree and acknowledge that Franchisor may disapprove of any rights awarded under this Addendum to any party that is not also acquiring the Franchised Business and rights under the Franchise Agreement.

11. **Terms of Franchise Agreement Applicable to Operations in Additional Territory(ies).** The parties agree and acknowledge that, except as specifically provided in this Addendum, each and every obligation, representation and/or covenant on the part of Franchisee under the Franchise Agreement will apply to the operation of the Franchised Business in the Additional Territory(ies) as if such territory(ies) were each designated as an additional "Designated Territory" in the Data Sheet to that Franchise Agreement.

12. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado, without reference to this state's conflict of laws principles.

13. **Venue; Forum; Jurisdiction; Dispute Resolution.** Franchisor and Franchisee agree and acknowledge that the venue, forum, jurisdiction, dispute resolution and all other enforcement-related provisions of the Franchise Agreement shall also apply to this Addendum.

14. **Ratification of Franchise Agreement.** Except as amended by this Addendum, any and all other terms and conditions set forth in the Franchise Agreement is hereby ratified and confirmed as if fully restated herein.

15. **Entire Agreement.** The Franchise Agreement and this Addendum constitute the entire, full, and complete agreement between the parties concerning the subject matter set forth herein and supersede any and all prior agreements. In the event of a conflict between the terms of the Franchise Agreement and the terms of this Addendum, the terms of this Addendum shall control.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed and delivered this Addendum the date and year first written above.

INDEPENDENT AUDITORS' REPORT

To the Member
Lime Franchise Systems, LLC
Greenwood Village, Colorado

Opinion

We have audited the accompanying financial statements of Lime Franchise Systems, LLC (a Colorado Limited Liability Company), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income and member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lime Franchise Systems, LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lime Franchise Systems, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lime Franchise Systems, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lime Franchise Systems, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lime Franchise Systems, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Sincerely,

DRDA, PLLC

Lime Franchise Systems, LLC
Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Lime Franchise Systems, LLC (a limited liability company) was incorporated under the laws of the State of Colorado on August 31, 2017 for the purpose of selling and operating franchises under the brand name LIME Painting. The Company offers franchises for the right to own and operate businesses that offer and provide project management services in connection with painting services and solutions, as well as substrate and/or other ancillary services in the field of home maintenance and improvement, with a focus on high-end residential properties. The Company authorizes franchisees and third-party licensees to use the Company's proprietary marks and systems. As of December 31, 2022, there were eighteen open and operating franchise locations and thirty-five additional franchise locations in various stages of development.

Basis of Presentation

The Company's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Revenue Recognition

The Company generates revenue from the sale of franchise licenses. The initial franchise fee is due at signing and is earned based on the recognition of specific performance obligations. The Company also generates revenue from royalty, brand development, training, marketing, and technology fees. From time to time, the Company can charge other fees as outlined in the Franchise Disclosure Document. See Note 3, "Revenue from Contracts with Customers" for further information regarding disclosures.

Concentration of Credit Risk - Cash

The Company maintains cash balances at a financial institution which, at various times during the year, may exceed the threshold for insurance provided by the Federal Deposit Insurance Corporation ("FDIC"). Accounts at the institution are insured by the FDIC up to \$250,000. At December 31, 2022 and 2021, there were uninsured cash balances of \$120,265 and \$393,474, respectively.

Accounts Receivable

Accounts receivable are reported at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the period in which those differences are determined, with an offsetting entry to a valuation allowance for doubtful accounts. Balances that are still outstanding after management has used reasonable collection efforts are written-off through a charge to the allowance for doubtful accounts and a credit to accounts receivable. There is no allowance for doubtful accounts recorded as of December 31, 2022 and 2021, as management deems all balances collectible.

Lime Franchise Systems, LLC
Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Equipment and Depreciation

Equipment is stated at cost less accumulated depreciation. Maintenance and repairs are expensed as incurred. Depreciation is provided by using the double-declining balance method over the estimated useful life of the asset. The useful life of the equipment for purposes of computing depreciation is five years.

Income Taxes

The Company is a disregarded entity for U.S. Federal income tax purposes, and all of its income and expenses are reported on Lime Holding's LLC's tax return. Accordingly, no provision for income tax is reported in the Company's financial statements. U.S. GAAP requires management to evaluate tax positions taken and recognize a tax liability if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by a government authority. Management has analyzed the tax positions taken by the Company and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Company is subject to state tax in California, Idaho, Illinois, Kentucky, New Jersey, North Carolina, and Texas. For the year ended December 31, 2021, the state tax expense was for \$800 for California, \$20 for Idaho, \$52 for Illinois, \$175 for Kentucky, \$375 for New Jersey, \$200 for North Carolina, and \$743 Texas. For the year ended December 31, 2022, the state tax expense was for \$800 for California, \$20 for Idaho, \$0 for Illinois, \$175 for Kentucky, \$456 for Massachusetts, \$375 for New Jersey, \$200 for North Carolina, \$25 for South Carolina and \$1,098 Texas.

Brand Development Fund

The Company collects funds from franchisees to manage the brand level advertising, marketing, and development programs. The fee is based on a percentage of the franchisees' gross sales, payable monthly. As of December 31, 2022 and 2021 total was \$42,171 and \$29,340, respectively.

Advertising and Marketing Costs

Advertising and marketing costs are charged to operations in the year incurred. Advertising and marketing expense for the years ended December 31, 2022 and 2021 was \$222,380 and \$232,773, respectively.

NOTE 2 - REVENUE FROM CONTRACTS WITH CUSTOMERS

The Company follows FASB Accounting Standards Codification ("ASC") Topic 606, Revenue from Contracts with Customers and Subtopic 952-606, Franchisors - Revenue from Contracts with Customers.

Franchise Fees

The Company recognizes franchise fees as two (2) individual performance obligations. The amount allocated to training is earned at a point in time when the services are performed. The amount allocated to the franchise license is earned over time as performance obligations are satisfied due to the continuous transfer of control to the franchisee. For the year ended December 31, 2022, revenue earned at a point in time was \$84,500 and revenue earned over time was \$179,004. For the year ended December 31, 2021, revenue earned at a point in time was \$153,000 and revenue earned over time was \$132,386

Lime Franchise Systems, LLC
Notes to Financial Statements
December 31, 2022 and 2021

NOTE 2 - REVENUE FROM CONTRACTS WITH CUSTOMERS (continued)

Variable Considerations

Franchise agreements contain variable considerations in the form of royalty and brand development fees. These fees are based on a percentage of franchisee monthly sales and are recorded as revenue and recognized as these services are performed because the variable payment relates specifically to the performance obligation of using the license.

The Company also charges training, technology, and marketing fees. These fees are recorded as revenue and recognized as the services are performed as the fees relate specifically to the performance obligation of providing the service.

The Company charges service fees to participating franchisees of the Company. These fees are recorded as revenue and recognized as the services are performed as the fees relate specifically to the performance obligation of providing the service.

Contract Assets and Liabilities

Contract assets consist of commissions expense paid to facilitate the franchise sale and are amortized over the life of the franchise agreement. Expenses recognized during the years ended December 31, 2022 and 2021 that were included in the contract asset balance at the beginning of the years was \$349,453 and \$168,670, respectively. At years ended December 31, 2022 and 2021, the contract assets were \$2,059,190 and \$1,545,143, respectively.

Contract liabilities consist of the remaining initial franchise fees to be amortized over the life of the franchise agreement. Contract liabilities are a result of the collection of the initial franchise fee at the time of the signing of the franchise agreement and will fluctuate each year based on the number of franchise agreements signed. Revenue recognized during the years ended December 31, 2022 and 2021 that was included in the contract liability balance at the beginning of the years was \$260,198 and \$132,386, respectively. At years ended December 31, 2022 and 2021, the contract liabilities were \$2,734,977 and \$1,927,679, respectively.

NOTE 3 - EQUIPMENT, NET

Equipment, net as of December 31, consisted of the following:

	<u>2022</u>	<u>2021</u>

Less accumulated depreciation	<u>(1,313)</u>	<u>(1,313)</u>
Ending balance	<u>\$ 296</u>	<u>\$ 1,368</u>

Depreciation expense for the years ended December 31, 2022 and 2021 was \$1,072 and \$1,073, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Lime Franchise Systems, LLC (the “Company”) was incorporated under the laws of the State of Colorado on August 31, 2017 for the purpose of selling and operating franchises under the brand name LIME Painting. The Company offers franchises for the right to own and operate businesses that offer and provide project management services in connection with painting services and solutions, as well as substrate and/or other ancillary services in the field of home maintenance and improvement, with a focus on high-end residential properties. The Company authorizes franchisees and third-party licensees to use the Company’s proprietary marks and systems.

As of December 31, 2021, there were eighteen (18) open and operating franchise locations and thirty-five (35) additional franchise locations in various stages of development.

Basis of Presentation

The Company’s financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Revenue Recognition

The Company generates revenue from the sale of franchise licenses under various agreements. The initial franchise fee is due at signing and is earned based on the recognition of specific performance obligations. The Company also generates revenue from royalty, brand development, training, marketing, and technology fees. From time to time, the Company can charge various other fees as outlined in the Franchise Disclosure Document. See Note 3, “Revenue from Contracts with Customers” for further information regarding implementation and disclosures.

Concentration of Credit Risk - Cash

The Company maintains cash balances at a financial institution which, at various times during the year, may exceed the threshold for insurance provided by the Federal Deposit Insurance Corporation (“FDIC”). Accounts at the institution are insured by the FDIC up to \$250,000. At December 31, 2021 and 2020, there were uninsured cash balances of \$393,474 and \$37,837, respectively.

Accounts Receivable

Accounts receivable are reported at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the period in which those differences are determined, with an offsetting entry to a valuation allowance for doubtful accounts. Balances that are still outstanding after management has used reasonable collection efforts are written-off through a charge to the allowance for doubtful accounts and a credit to accounts receivable. There is no allowance for doubtful accounts recorded as of December 31, 2021 and 2020, as management deems all balances collectible.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Equipment and Depreciation

Equipment is stated at cost less accumulated depreciation. Maintenance and repairs will be expensed as incurred. Depreciation is provided by using the double-declining balance method over the estimated useful life of the asset. The useful life of the equipment for purposes of computing depreciation is five years.

Income Taxes

The Company is a disregarded entity for U.S. Federal and State income tax purposes, and all of its income and expenses are reported on Lime Holding's LLC's tax returns. Accordingly, no provision for income taxes is made in the Company's financial statements.

U.S. GAAP requires management to evaluate tax positions taken and recognize a tax liability if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by a government authority. Management has analyzed the tax positions taken by the Company and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Company recognizes accrued interest and penalties associated with uncertain tax positions, if any, as part of operating expenses. There were no income tax related interest and penalties recorded for the years ended December 31, 2021 and 2020.

The Company is subject to state tax in California, Idaho, Illinois, Kentucky, New Jersey, North Carolina, and Texas. For the year ended December 31, 2021, the state tax expense was for \$800 for California, \$20 for Idaho, \$52 for Illinois, \$175 for Kentucky, \$375 for New Jersey, \$200 for North Carolina, and \$743 Texas. For the year ended December 31, 2020, the total state income tax was minimal.

Brand Development Fund

The Company collects funds from franchisees to manage the brand level advertising, marketing, and development programs. The fee is based on a percentage of the franchisees' gross sales, payable monthly.

Limited Liability Company

Since the Company is a limited liability company, no member, manager, agent, or employee of the Company shall be personally liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort, or otherwise, or for the acts or omissions of any other member, director, manager, agent, or employee of the Company, unless the individual has signed a specific personal guarantee. The duration of the Company is perpetual.

As a limited liability company, the member's liability is limited to amounts reflected in its respective member equity account.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of Long-Lived Assets

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Long-lived assets consist primarily of property, plant, and equipment and intangible assets. Recoverability of assets is measured by a comparison of the carrying amount of an asset group to future net cash flows expected to be generated by the asset group. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less cost to sell. For the year ended December 31, 2021 and 2020, the Company did not recognize any impairment of long-lived assets.

Advertising and Marketing Costs

Advertising and marketing costs are charged to operations in the year incurred. Advertising and marketing expense for the years ended December 31, 2021 and 2020 was \$232,773 and \$56,526, respectively.

Recent Accounting Pronouncements

In June 2016, the FASB issued ASU No. 2016-13, Financial Instruments (Topic 326), Credit Losses: Measurement of Credit Losses on Financial Instruments, which provides guidance regarding the measurement of credit losses on financial instruments. The new guidance replaces the incurred loss impairment methodology in the current guidance with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to determine credit loss estimates. The ASU is effective for the Company for fiscal years beginning after December 15, 2022, with early adoption permitted. The Company is currently evaluating the impact of this ASU on its financial statements.

NOTE 2 - REVENUE FROM CONTRACTS WITH CUSTOMERS

The Company follows FASB Accounting Standards Codification (“ASC”) Topic 606, Revenue from Contracts with Customers and Subtopic 952-606, Franchisors - Revenue from Contracts with Customers.

Franchise Fees

The Company recognizes franchise fees as two (2) individual performance obligations. The amount allocated to training is earned at a point in time when the services are performed. The amount allocated to the franchise license is earned over time as performance obligations are satisfied due to the continuous transfer of control to the franchisee. For the year ended December 31, 2021, revenue earned at a point in time was \$153,000 and revenue earned over time was \$211,783. For the year ended December 31, 2020, revenue earned at a point in time was \$40,000 and revenue earned over time was \$20,695.

December 31, 2021 and 2020

NOTE 2 - REVENUE FROM CONTRACTS WITH CUSTOMERS (continued)

Variable Considerations

Franchise agreements contain variable considerations in the form of royalty and brand development fees. These fees are based on a percentage of franchisee monthly sales and are recorded as revenue and recognized as these services are performed because the variable payment relates specifically to the performance obligation of using the license.

The Company also charges training, technology, and marketing fees. These fees are recorded as revenue and recognized as the services are performed as the fees relate specifically to the performance obligation of providing the service.

The Company charges service fees to participating franchisees of the Company. These fees are recorded as revenue and recognized as the services are performed as the fees relate specifically to the performance obligation of providing the service.

Contract Assets and Liabilities

Contract assets consist of commissions expense paid to facilitate the franchise sale and are amortized over the life of the franchise agreement. Expenses recognized during the years ended December 31, 2021 and 2020 that were included in the contract asset balance at the beginning of the years was \$168,670 and \$12,633, respectively. At years ended December 31, 2021 and 2020, the contract assets were \$1,376,473 and \$385,734, respectively.

Contract liabilities consist of the remaining initial franchise fees to be amortized over the life of the franchise agreement. Contract liabilities are a result of the collection of the initial franchise fee at the time of the signing of the franchise agreement and will fluctuate each year based on the number of franchise agreements signed. Revenue recognized during the years ended December 31, 2021 and 2020 that was included in the contract liability balance at the beginning of the years was \$211,783 and \$20,695, respectively. At years ended December 31, 2021 and 2020, the contract liabilities were \$1,715,896 and \$508,369, respectively.

(D) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE AT THE TIME OF EXPIRATION OF THE FRANCHISEE'S INVENTORY, SUPPLIES, MATERIALS, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, MATERIALS, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISE BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF (i) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(E) A PROVISION THAT PERMITS THE FRANCHISOR TO REFUSE TO RENEW A FRANCHISE ON TERMS GENERALLY AVAILABLE TO OTHER FRANCHISEES OF THE SAME CLASS OR TYPE UNDER SIMILAR CIRCUMSTANCES. THIS SECTION DOES NOT REQUIRE A RENEWAL PROVISION.

(F) A PROVISION REQUIRING THAT ARBITRATION OR LITIGATION BE CONDUCTED OUTSIDE THIS STATE. THIS SHALL NOT PRECLUDE THE FRANCHISEE FROM ENTERING INTO AN AGREEMENT, AT THE TIME OF ARBITRATION, TO CONDUCT ARBITRATION AT A LOCATION OUTSIDE THIS STATE.

(G) A PROVISION WHICH PERMITS A FRANCHISOR TO REFUSE TO PERMIT A TRANSFER OF OWNERSHIP OF A FRANCHISE, EXCEPT FOR GOOD CAUSE. THIS SUBDIVISION DOES NOT PREVENT A FRANCHISOR FROM EXERCISING A RIGHT OF FIRST REFUSAL TO PURCHASE THE FRANCHISE. GOOD CAUSE SHALL INCLUDE, BUT IS NOT LIMITED TO:

(i) THE FAILURE OF THE PROPOSED TRANSFEREE TO MEET THE FRANCHISOR'S THEN CURRENT REASONABLE QUALIFICATION OR STANDARDS.

(ii) THE FACT THAT THE PROPOSED TRANSFEREE IS A COMPETITOR OF THE FRANCHISOR OR SUBFRANCHISOR.

(iii) THE UNWILLINGNESS OF THE PROPOSED TRANSFEREE TO AGREE IN WRITING TO COMPLY WITH ALL LAWFUL OBLIGATIONS.

(iv) THE FAILURE OF THE FRANCHISEE OR PROPOSED TRANSFEREE TO PAY ANY SUMS OWING TO THE FRANCHISOR OR TO CURE ANY DEFAULT IN THE FRANCHISE AGREEMENT EXISTING AT THE TIME OF THE PROPOSED TRANSFER.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

ANY QUESTIONS REGARDING THIS NOTICE SHOULD BE DIRECTED TO THE DEPARTMENT OF THE ATTORNEY GENERAL'S OFFICE, CONSUMER PROTECTION DIVISION, ATTN. FRANCHISE SECTION, 670 LAW BUILDING, 525 W. OTTAWA STREET, LANSING, MICHIGAN 48913, 517-373-7117.

ADDENDUM REQUIRED BY THE STATE OF MINNESOTA

Under the Item 6 of this Disclosure Document, the amount of the Dishonored Check Charge is hereby deleted and replaced with “\$30” pursuant to Minnesota Statute 604.113.

This indemnification is contingent upon you using the marks or logotypes in accordance with the provisions of the Franchise Agreement.

We will comply with Minnesota Statute Section 80C.14 subdivisions 3, 4 and 5 which require, except in certain specific cases, that you be given ninety (90) days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the Franchise Agreement and/or Multi-Territory Addendum.

Minn. Stat. Sec. 80C.21 and Minnesota Rule Part 2860.4400J, prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of your rights provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

Minn. Rule Part 2869.4400(d) prohibits us from requiring that you assent to a general release as set forth in Item 17 of this Disclosure Document.

ADDENDUM REQUIRED BY THE STATE OF NORTH DAKOTA

For franchises and franchisee/developers subject to the North Dakota Franchise Investment Law, the following information replaces, supplements and/or otherwise amends, as the case may be, the corresponding disclosures in the main body of the text of the LIME Franchise Systems, LLC Franchise Disclosure Document:

1. Item 17 is amended by the addition of the following language to the original language that appears therein;
 - a) Any provision requiring a franchisee to sign a general release upon renewal of the franchise agreement has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
 - b) Covenants not to compete upon termination or expiration of a franchise agreement or development agreement are generally unenforceable in North Dakota, except in certain instances as provided by law.
 - c) Any provision in the Franchise Agreement requiring a franchisee to agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee's business has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Therefore, with respect to North Dakota franchisees, the site of arbitration or mediation must be agreeable to both parties.
 - d) Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota.
 - e) Any provision in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
 - f) Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law.

ADDENDUM REQUIRED BY THE STATE OF RHODE ISLAND

Even though our Franchise Agreement and Multi-Territory Addendum provide that the laws of Colorado apply, the Rhode Island Franchise Investment Law may supersede these agreements because the Rhode Island Franchise Investment Law provides that “a provision in a franchise agreement restricting jurisdiction or venue to a forum outside Rhode Island or requiring the application of laws of another state is void with respect to a claim otherwise enforceable under the Act.”

ADDENDUM REQUIRED BY THE COMMONWEALTH OF VIRGINIA

With respect to disclosures in Item 6 of the Disclosure Document regarding franchisee securing funds by selling securities in the franchise, be advised that any securities offered or sold by an Investor Franchisee as part of its franchise with LIME Franchise Systems, LLC must be either registered or exempt from registration under Section 13.1-514 of the Virginia Securities Act.

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for LIME Franchise Systems, LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure: The following statements are added to Item 17h:

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement or development agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

STATE SPECIFIC ADDENDA
TO THE FRANCHISE AGREEMENT AND DEVELOPMENT AGREEMENT

ADDENDUM REQUIRED BY THE STATE OF CALIFORNIA

You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The Franchise Agreement and Multi-Territory Addendum contain a covenant not to compete which extends beyond the termination of the franchise. These provisions may not be enforceable under California law.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement and Multi-Territory Addendum require non-binding mediation. The mediation will occur at Franchisor’s headquarters (currently in Denver, Colorado). Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Mediation Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The foregoing indemnification is conditioned upon the following: Franchisee must (i) provide written notice to Franchisor of any claims subject to indemnification hereunder within twenty (20) days of Franchisee’s receipt of any written information pertaining to such claims, (ii) tender the defense of the claims to Franchisor if Franchisor so desires, and (iii) permit Franchisor to have sole control of the defense and settlement of any such claim.

Section 15 of the Franchise Agreement is hereby modified to add the following subsection after the last subsection therein:

Minnesota Law. The conditions under which this Agreement can be terminated or not renewed may be affected by Minnesota law which provides Franchisee with certain termination and non-renewal rights. Sec. 80C.21 and Minnesota Rule Part 2860.4400J, prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of your rights provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

Section 21(I) of the Franchise Agreement is hereby modified by replacing all references of “one year” time limit to “three (3) years” time limit to institute claims.

Nothing in the Franchise Agreement or Multi-Territory Addendum is intended to abrogate or reduce any rights of the Franchisee as provided in for Minnesota Statutes, Chapter 80C.

ADDENDUM REQUIRED BY THE STATE OF NEW YORK

Notwithstanding any provision of the Franchise Agreement, all rights enjoyed by Franchisee and any causes of action arising in its favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force, it being the intent of this proviso that the non-waiver provisions of the General Business Law of the State of New York Sections 687.4 and 687.5 be satisfied.

Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota.

3. Section 21(C) of the Franchise Agreement is hereby amended by the addition of the following language:

Covenants requiring arbitration or mediation at a location that is remote from the site of the franchisee's business may not be enforceable in North Dakota, therefore, with respect to North Dakota franchisees, the site of arbitration must be agreeable to both parties.

4. Section 21(E) of the Franchise Agreement is hereby amended by the addition of the following language:

Apart from civil liability set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota Residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law.

6. Section 21(A) of the Franchise Agreement is hereby amended by the addition of the following language:

Any provisions in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Investment Law.

Provisions requiring the franchisee to consent to a waiver of exemplary and punitive damages are not enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law.

10. Section 21(I) of the Franchise Agreement is hereby amended by the addition of the following language to the original language that appears therein:

Provisions requiring the franchisee to consent to a limitation of claims within one year are not enforceable under Section 51-19-09 of the North Dakota Franchise Investment Law.

ADDENDUM REQUIRED BY THE STATE OF RHODE ISLAND

Notwithstanding Section 21(E) of the Franchise Agreement, Section 19-28.1-14 of the Rhode Island Franchise Investment Act (the “Act”) provides that a provision in these agreements restricting jurisdiction or venue to a forum outside Rhode Island or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under the Act.

ADDENDUM REQUIRED BY THE STATE OF WISCONSIN

Section 15 of the Franchise Agreement is hereby modified to add the following subsection after the last subsection therein:

Wisconsin Law. The conditions under which this Agreement can be terminated or not renewed may be affected by Wisconsin law, Chapter 135, Wisc. Stats., the Wisconsin Fair Dealership Law.

Section 21(A) of the Franchise Agreement is hereby modified by adding the following language after the last sentence thereof:

“The Wisconsin Fair Dealership Law supersedes any provision of this Agreement which is inconsistent with that law.”

ADDENDUM REQUIRED BY THE STATE OF WASHINGTON

ALL FRANCHISE AGREEMENTS AND AREA DEVELOPMENT AGREEMENTS EXECUTED IN AND OPERATIVE WITHIN THE STATE OF WASHINGTON ARE HEREBY AMENDED AS FOLLOWS:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's annual earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Based upon the franchisor's financial condition, the Washington Department of Financial Institutions has required a financial assurance. Therefore, we secured a surety bond in the amount of \$100,000. A copy of the bond is on file with the Washington Department of Financial Institutions.

The following risk factor is hereby added to the "Special Risks to Consider About This Franchise Page":

Use of Franchise Brokers. The Franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the

information provided by a franchise broker about a franchise. Do you own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

The undersigned does hereby acknowledge receipt of this addendum.
