How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit K.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit I includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Parker-Anderson Enrichment business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.
2. **Spousal liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both you and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Minimum Performance Requirement.** You must register a minimum number of accounts for the first year and maintain a minimum amount of gross revenue beginning your third year of operations. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

We are Parker-Anderson Enrichment, Inc. We are a corporation. We incorporated in California on March 5, 2013. Our principal address is 16526 Arminta Street, Van Nuys, California 91406. We use the name “Parker-Anderson Enrichment.” We refer to the person who buys the franchise as “you” or “your” in this Disclosure Document. If you are a business entity, “you” or “your” includes each shareholder, member, partner and/or other owner of that entity.

Our agent for service of process in California is: Joshua Parker c/o Parker-Anderson Enrichment, Inc. 16526 Arminta Street, Van Nuys, California 91406. See Exhibit A for our agents in other states.

You will operate a business providing education, recreation and entertainment enrichment programs to children ages 3 to 12 through after school programs, workshops, birthday parties, camps and special events. You will deliver services, presentations and programs at customer sites such as schools, camps, community centers, parties and other venues.

Parker-Anderson Enrichment, Inc. does not operate businesses of the type being franchised. Our affiliate, Parker-Anderson Learning Center, LLC (“PALC”), was organized in California on August 15, 2005 and has the same address as us. PALC is owned by Joshua Parker who also owns us. PALC has operated a business similar to the franchise since it was formed. Our affiliate, Parker-Anderson Childcare & Enrichment (“PACE”), was incorporated in California as a domestic nonprofit on July 10, 2019, and has the same address as us. PACE is solely owned by Joshua Parker. PACE provides high-quality enrichment, academic support and social-emotional youth programs for children of all income levels, PreK-8th grade. Neither of our affiliates have conducted business in any other line of business and have not and do not offer franchises in any line of business. We have no predecessors.

We began offering franchises in April 2014. We have not offered franchises in any other business. We offer licenses for our curriculum solely for educational and noncommercial use at authorized locations, such as schools (“Curriculum License”). Other than offering these franchises and our Curriculum License, we do not have any other business activities.

There is an existing, still developing market for education, recreation and entertainment enrichment programs for children. We believe that parents, elementary and primary schools, pre-schools, recreation facilities, summer camps, youth organizations like scouting, and non-educational institutions for children all have an interest in and are potentially customers for your services.

The business can be seasonal. Our founders have found that interest in our services tends to align with the public school year, and thus to decline during summer and holidays. Market conditions for the operation of your business may fluctuate due to any pandemics or epidemics affecting the geographic area where you operate.

You will compete with other businesses that offer children’s education and entertainment services, including other franchises, and with independently-owned companies that offer similar services; programs offered directly by schools and other potential customers; other forms of children’s entertainment, such as camps, and birthday party entertainers and providers; and with other educational, cultural, recreational and leisure time options available for children, such as schools and programs offered at schools, museums, parks, libraries, cultural organizations, athletic programs and programs offered by community organizations.

Your business’s instructors will interact with children. For this reason, you must have criminal background checks on all instructors in your business, as prescribed by state law. Some jurisdictions may restrict individuals from instructor positions who have been convicted of certain kinds of offenses (narcotics,

lewd conduct, sex or violent felony, as examples) or who have been found in court to be insane. Some school districts require instructors to have immunizations and/or pass tests confirming the absence of infection, such as tuberculosis. Some schools require instructors to complete a course on proper conduct in relation to children.

We are not aware of other laws or regulations specific to operating a children’s entertainment education enrichment business. You should consult your attorney and federal, state and local government agencies to determine all legal requirements you must comply with. In some places, local ordinances may restrict or prohibit a home-based business or office. You must comply with federal, state and local laws that apply to operating any business, such as city business tax registration and zoning for the type of business you’ll operate. You must investigate registration, licensing and other requirements that apply where you are located.

ITEM 3
LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4
BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5
INITIAL FEES

On signing a Franchise Agreement for one territory, you pay us the following initial franchise fee, depending on the minimum number of public and private schools (covering any combination of pre-school through 8th grade) in your territory:

Franchise Type	Territory Minimum Size	Initial Franchise Fee
A Franchise	50 schools	\$25,900

Franchise Type	Territory Minimum Size	Initial Franchise Fee
B Franchise	100 schools	\$35,900

Nothing obligates us to grant you an additional territory and you do not obtain rights pursuant to your Franchise Agreement to purchase or operate in more than one territory.

If you are a veteran of the United States Armed Services with supporting credentials (i.e. Veteran ID Card), we will offer you a discount of 10% off the Initial Franchise Fee, currently \$2,590 for an A Franchise and \$3,590 for a B Franchise.

If we terminate the franchise due to you or your manager not completing our training program, or because you choose to operate from an office outside-the-home but do not present an office acceptable to us, we refund all but \$5,000 of the initial fee. Otherwise, the initial franchise fee is deemed to be fully earned by us when paid and is not refundable.

We will train you and one manager at no additional charge. If you ask and we agree to train additional managerial personnel, you must pay us \$500 per day of training for each additional manager.

We may, at our discretion, finance all or part of the initial Franchise Fee. (See Item 10.)

If we reacquire an existing franchisee's operations and resell it to you, then in addition to the initial franchise fee, we can sell the assets of that franchise at a price we mutually agree on which may be payable in one or more installments. See our Asset Sale and Purchase Agreement, attached to this disclosure document as Exhibit F.

Additional Sums for purchase of assets of an existing Franchisee's Operations (which we reacquired) (Note 13)	\$0 to \$40,000	Cash, check or credit card	Before opening	Us
Additional Funds – 6 Months (Note 14)	\$12,650 to \$20,000	Varies	As needed	Funds in your possession
Total (Note 15)	\$45,506 - \$141,120			

Note 1 –The initial franchise fee is either \$25,900 for an A Franchise or \$35,900 for a B Franchise. We reduce the fee to \$23,310 for an A Franchise and \$32,310 for a B Franchise for U.S. veterans with supporting credentials. See Item 5 for a description of the Initial Franchise Fee and the terms under which it may be refunded.

Note 2 - You will need to purchase various consumable and non-consumable class materials. The amount will vary depending on which of our range of enrichment courses are chosen by the schools, children, and parents whom your services are offered to.

Note 3 - You can operate from a home office without additional rent. In some places, local ordinances may restrict or prohibit a home-based business or office. If you choose a commercial office, we estimate it will be about 300 to 700 square feet with monthly rent about \$2.65 per square foot, totaling about \$795 to \$1,855. The high estimate is for the first 3 month's rent and a security deposit equal to one month's rent for a commercial office of 700 square feet, totaling \$7,420. We expect utilities to be included in rent and no material improvements or signage.

Note 4 - You need a desk, chair, PC computer, printer, fax machine, shredder, file cabinet, internet connection, office supplies such as papers, pens, pencils, stapler, and shelving and storage for enrichment class supplies. The low estimate of \$0 assumes you already have these.

Note 5 - This estimate is for the purchase of office software, including word processing, math spreadsheet, bookkeeping and possibly graphic arts software. The low estimate assumes you already own the needed software.

Note 6 - You need a phone number and separate smartphone for the franchise. The low estimate of \$380 assumes you subscribe for a new phone number. The high estimate of \$1,320 assumes you also purchase a new phone, phone line and service plan.

Note 7 - If you and your manager attend our in-person initial training program in Los Angeles, California, you must pay for travel, lodging, food and miscellaneous costs for both persons, and salary for your manager at or close to minimum wage during training. The estimates assume you do not receive a salary. Your actual costs may be lower if you and your manager live in or near Los Angeles, so you do not need a hotel, air travel or living expenses. If you send additional managerial personnel to training you will have these expenses for the additional managers, and also we charge you \$550 for each additional manager per day of training, so your expenses would then exceed the high estimate. If you and your manager complete our initial training program online, the above travel costs will not apply to you.

Note 8 - The estimates are for charges by a third party company that provides employee screening and background investigations. The low estimate of \$56 assumes you obtain a background check at this price, on only yourself (you will need to obtain a background check even though you know your own background). The high estimate of \$640 assumes your background check company charges more and that you obtain background checks on multiple people.

Note 9 - These estimates are for licenses, permits and the like that may be required by your state and localities, such as a business license, tax permit, and filing and publication of a fictitious business name statement. The particular licenses and permits needed in your locality may differ.

Note 10 - You should have a lawyer and/or accountant advise and help you evaluate this franchise offering. The low estimate assumes your fees for this are minimal. The high estimate assumes you have more extensive consultation with your lawyer and accountant.

Note 11 - The low estimate of \$0 assumes you do not form a corporation or limited liability company because you sign the Franchise Agreement individually, or already have such an entity. The high estimate assumes you incur professional and government fees to form a corporation or limited liability company to be the franchisee.

Note 12 - We require you to buy and maintain general liability coverage including personal injury, bodily injury, property damage, advertising injury, contractual liability, products and completed operations coverage of at least \$1,000,000.00 per occurrence, \$2,000,000.00 aggregate; automobile liability coverage of at least \$1,000,000.00 including personal injury and property damage to others, and personal injury to occupants of the vehicle(s) of you and your personnel; worker's compensation, employer's liability, unemployment and state disability insurance as required by law; data theft and cybersecurity coverage; and Employment Practices Liability Insurance with a co-defendant endorsement in our favor. The policies must name us as additional insured and provide us at least 30 days prior written notice of the insurer's intent to reduce coverage or policy limits, non-renew, cancel or amend the policy. The low estimate assumes you obtain less expensive policies and pay premiums in monthly or quarterly installments and is for three months' premium payments. The high estimate assumes higher priced policies and that you pay the annual premium in a lump sum.

Note 13 – If we reacquire an existing franchisee's operations and resell it to you, then in addition to the initial franchise fee, we can sell the assets of that franchise at a price we mutually agree on which may be payable in one or more installments. The low estimate assumes you do not acquire an existing franchise location previously operated by a franchisee. The high estimate assumes you purchase a previously owned franchised location with assets valued at \$40,000.

Note 14 - We recommend you have at least these amounts of working capital for business expenses in the first six months of operation, such as payroll, automobile lease or loan charges, and in case of other expenses or expenses in the listed categories being higher than anticipated. We do not assure this amount will be enough. We relied on our affiliate's prior experience operating a Parker-Anderson Enrichment business in developing this estimate of additional funds needed.

Note 15 - This total estimates your initial investment and expenses during about the first three months of operation and working capital for the first six months of operation. Generally, none of the expenses in this chart are refundable, except the security deposits may be refundable and some premiums may be refunded when an insurance policy is cancelled before its term ends.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must use and offer for sale, only services and merchandise we authorize and that meets standards and specifications we establish. You cannot use or offer services or merchandise that does not meet all our standards and specifications. You cannot use or teach any program, demonstration, product or related activity not authorized by us.

We'll provide you lists of approved suppliers and of approved products and services. We can revise these lists. You must buy or obtain equipment, products and services according to these lists. Your ability to obtain required purchases and other items for operating your business may be delayed due to any pandemics or epidemics affecting the geographic area in which you operate.

For some or potentially all products or services we can designate our self (franchisor) or an affiliate of us as an approved supplier or the only approved supplier. We or the affiliate could charge you prices that include mark-ups and profit. Our officers are owners of us but do not own an interest in any suppliers other than us. Currently, neither we nor our Affiliate is an approved supplier of any goods to Franchisees.

The items we require you to purchase from approved suppliers or according to our specifications include enrichment program materials and Parker-Anderson branded items provided as mementos for program participants.

We or our affiliate receive revenue from your purchases from us. The revenue equals the prices we charge you, and that you pay to us.

Any items we do not require you to buy according to our approved supplies or approved suppliers list, must still conform to any specifications and quality standards we set. We'll state our specifications and standards in the PAE Manual.

You can use, offer or sell only products that we authorize, and that are obtained from us or suppliers we approve.

If you want to sell or use a product, supply or service we have not approved, or to buy from a supplier we have not approved, you tell us in writing and ask our consent. You provide us their name and address, description of product or service, and other information we request. We can require a proposed supplier to enter into a confidentiality agreement and trademark license, satisfy insurance, indemnity, capitalization and other requirements; provide us specifications; prove they meet our standards and specifications; provide us specimens; agree to sell items bearing our marks or made for our franchisees only to our franchisees; satisfy us as to their pricing; provide us duplicate invoices; pay our costs for evaluating them; agree to periodic audits; and comply with our other requirements and requests. We try to tell you our decision within a reasonable time (estimated to be about one to two weeks) after we get all the above items and information.

We have not established specific criteria for approving potential suppliers, beyond that stated above. Therefore, such criteria is not available to you. We expect to develop criteria over time and include the criteria in the PAE Manual. We do not restrict you from contracting with alternative suppliers who meet criteria we set and who we have approved. However, any such contract by you with a supplier is entered into at your own risk as we could change our criteria, revoke or modify approval or change specifications.

There are not currently any purchasing or distribution cooperatives among franchisees.

In the year ended December 31, 2023, we did not receive any revenue from required franchisee purchases or leases of products or services.

We estimate that your costs for items you must buy from suppliers we designate, will be about 10-20% of your total purchases in starting the business and about 5 -15% of your ongoing purchases in operating the business.

In the future we could negotiate purchase arrangements with suppliers for the benefit of our franchisees, but we do not do so yet. We do not have arrangements with any supplier to make payments to us based on your purchases from the supplier. We do not provide or withhold material benefits to you (such as renewal rights or a right to start additional franchises) based on whether or not you buy through suppliers we designate or approve. But purchases of unapproved products or from unapproved suppliers in violation of the Franchise Agreement will entitle us, among other things, to terminate your Franchise Agreement.

ITEM 10
FINANCING

We can, at our discretion, finance part of the initial franchise fee payable to us. We do not provide other types of financing.

Summary of Financing Offered

Item Financed (Source)	Amount Financed	Down Payment	Term (MOS)	APR%	Monthly Payment	Prepay Penalty	Security Required	Liability on Default	Loss of Legal Right on Default
Initial Franchise Fee(1)	Up to \$35,900(1)	At least \$0 - \$17,950(2)	Up to 5 Years (3)	0-12% (4) Default APR: Interest rate + 10% per annum on delinquent amount. Interest charges will not exceed maximum rate allowed by law.	Varies	You must reimburse us for any charges we incur due to your prepayment (5)	Security Agreement (6)	Individual liability (7)	You waive all rights to presentment or notice of non-payment and to release or discharge based on anything other than payment in full (8)

1. We can finance, at our discretion, up to 100% of the initial franchise fee payable to us. The financed amount depends on which franchise type you purchase, your ability to pay and our ability to provide financing at the time.
2. You will pay the initial franchise fee with a down payment and a promissory note. We don't require an application fee.
3. You must sign a promissory note which requires monthly payments of the financed amount and interest. The repayment term is normally 1 year, but can be as long as 5 years. There is no restriction on you repaying the note sooner.
4. Interest is normally at a fixed rate. Most of the time the interest rate we charge is about 5 to 10%. However, we may negotiate rates as low as 0% and up to approximately 12% (or maximum rate allowed by law).
5. See the sample Promissory Note, Exhibit G. It does not have a penalty for early repayment except that you must reimburse us for any prepayment penalties or other charges we incur due to your early repayment.
6. The Promissory Note is secured by a Security Agreement which lets us foreclose the security. The Promissory Note is governed by California law. You must pay our attorneys' fees if we sue to collect. You must also sign our Security Agreement. It gives us a broad security interest in all your business and your personal (non-business) property wherever located, including equipment, inventory, fixtures, all accounts, cash, proceeds, insurance claims, tax refunds and personal property, whether owned when you sign the Security Agreement or acquired later. You must maintain insurance to protect the secured property against fire and other damage. The Security Agreement appoints us as attorney-in-fact to protect, take and sell the secured property if you don't comply. In addition to securing the Promissory Note, the Security Agreement also secures your obligations under the Franchise Agreement and all other agreements with us.
7. The Promissory Note provides a late payment penalty of 10% of the amount overdue and acceleration of the entire amount due if you are more than 5 days late making a payment. If you don't comply with the Promissory Note, the Security Agreement, or any of the other agreements with us we can accelerate the entire amount remaining due, plus interest and any fees, without notice and we can sell the property secured in the Security Agreement. (Security Agreement Section 5.2). See sample Security Agreement, Exhibit H.
8. You waive all rights to presentment, protest and demand, diligence in collection and notice of protest, presentment, demand, dishonor and nonpayment of the Promissory Note and any release or discharge arising from any extension of time, discharge of any party liable for payment of the Promissory Note, release of any or all security for the Promissory Note or other cause of release or discharge other than actual payment in full of the Promissory Note.

We don't have any intent to sell, assign or discount to a third party all or part of the Promissory Note and Security Agreement; however, we reserve the right to do so.

We don't guarantee your note, leases or other obligations. Neither we nor our affiliates receive compensation for placing financing with any lender.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before you open for business, we will:

1. Identify and state in the Franchise Agreement your territory. (F.A. Secs. 8, 17).
2. Provide our initial training program to you and, if you wish, one manager. (F.A. Sec. 27). You must complete training to our satisfaction. We may waive the initial training requirement if you are or were an existing employee of ours or our affiliate at the time of signing the franchise agreement.
3. Designate start-up equipment you need to obtain. This includes items we deem necessary or appropriate for you to start marketing and conducting parties, programs, classes and related events. (F.A. Sec. 26(c)).
4. Provide you with a printed copy and/or electronic access to our confidential operating manual called the Parker-Anderson Enrichment Manual. (F.A. Sec. 33(a)). The Table of Contents of our Operations Manual is attached as Exhibit J.
5. Identify supplies you need, and approved suppliers and approved supplies. (F.A. Sec. 28(c)). We can be an approved supplier or the sole supplier for any one or more items or services. (F.A. Sec. 42(a)).
6. We anticipate you'll use a home office (F.A. Sec. 26(d)), so we don't assist in locating an office or negotiating a lease. You must make sure to comply with local zoning and other laws. If local laws do not let you operate a business from home, then you must get a separate office. (F.A. Sec. 26(d)). We don't assist in getting permits or hiring employees.
7. If you operate from a separate business office, it must be clean, subject to inspection by us, properly zoned and convenient to your territory, in a facility that presents a satisfactory image in our judgment. We consider the following in evaluating your proposed office location: (i) general location and neighborhood and (ii) physical characteristics of the proposed office building. We'll try to evaluate the office within two weeks after you identify it and provide all the information we ask for. If after good faith efforts by you and us, you do not select an office satisfactory to us, we can terminate the Franchise Agreement and we'll refund all but \$5,000 of the initial franchise fee. (F.A. Sec. 26(d)).

Length of Time Between Signing Franchise Agreement and Opening Business.

We expect you to open your business within the earlier of 180 days after you sign the Franchise Agreement, or 45 days after completing initial training. Factors that may affect this include how soon you wish to start, how soon you and we schedule training, when you obtain equipment and supplies and insurance, and place advertising, and time needed to get business licenses. Delays, including those caused by pandemics, epidemics or other unforeseen events occurring in the geographic area where you operate your business, may delay your ability to open your business. If you buy an existing business from us or our affiliate, you may be able to open sooner than the timeframe above. The Franchise Agreement requires you to do everything needed to start operating, including getting our approval, all within the earlier of 45 days after completing initial training or 180 days after signing the Franchise Agreement.

Continuing Obligations

After you open for business we will:

1. Review proposed advertising you submit for our consent, and tell you if we consent to you using that advertising or not. We'll try to respond to you within two weeks. (F.A. Sec. 36(c)).
2. We may make available advertising materials and literature for your use. If so, we can charge you for these, approximately equal to our costs. (F.A. Sec. 36(n)).
3. After a Marketing Fund is established, make a report available to you annually after your request. (F.A. Sec. 36(j)).
4. Designate suppliers and items of supply you must use. (F.A. Sec. 28).
5. Consider, evaluate and let you know our decision on products, supplies or services you propose after you provide us the information and samples we request. (F.A. Secs. 42(c) - (f)). We expect to let you know our decision within one month.
6. We can choose to be a supplier or the only supplier for some or all products or services (F.A. Sec. 42(a)).
7. If we contract with a corporate account that has a location or locations in your territory that will receive Parker-Anderson services, we'll offer you the opportunity to service the location(s) in your territory, at pricing we negotiate with the account. If you decline or do not timely accept, or do not deliver service to our or the customer's satisfaction, we can deliver or arrange to have the service delivered by one or more other franchisee(s) or through other means. (F.A. Sec. 20).
8. We typically will collect payments from your customers, and after retaining amounts payable to us under the Franchise Agreement, turn over the balance to you. (F.A. Sec. 37(b)).
9. Decide if changes are needed to the Parker-Anderson system. You must make any changes we decide. (F.A. Sec. 35).
10. Inspect your operations when we deem appropriate (F.A. Sec. 41(e)).
11. If we believe operation of your business may be in jeopardy, or if a default or breach occurs, or your death, we can elect to operate the business or have our nominee do so. If we do this, you pay us a daily management fee of \$550 in addition to other fees. (F.A. Sec. 51(j); 52(d)).

Advertising

We do not currently require you to pay any amount for grand opening advertising, but may do so in the future, upon 90 days written notice to you. If we so require, you will propose a grand opening marketing plan to us for your business with a budget of at least \$1,100 and spend an additional \$550 on announcements. After we consent to your plan you must implement it. We can waive this requirement in circumstances we deem warranted.

We do not currently require expenditures on local advertising, but may do so in the future, upon 90 days written notice. If and when we implement a local advertising requirement for your business, you must spend at least 3% of your gross revenues on local advertising and promotion of your business. If you spend less, we can require you to pay the shortfall to the marketing fund. You submit written proof of this to us

each month. You must submit to us for consent any advertising you propose to use. We will tell you if we consent or not. You may not use any advertising we have not consented to, and you must stop or modify any advertising if we say so.

We may make advertising literature and materials available for your use. We charge you our cost.

We are not obligated to conduct any advertising. We do not need to spend any amount of advertising in your area or territory.

We can establish and administer a Marketing Fund, upon 90 days written notice to you. If and when established you will contribute a fixed amount or percent of your gross sales that we set, up to 2%, to the Marketing Fund. We will contribute on a similar basis for Parker-Anderson Enrichment businesses we operate. Our affiliate, PALC told us that on a voluntary basis, they will contribute on the same basis to the Marketing Fund, for businesses they operate. But they are not obligated to contribute and could stop at any time.

We have sole discretion over how the Marketing Fund money is used, including media and geographic scope and other aspects. The Marketing Fund will be used for advertising, marketing, public relations and related purposes we decide. The Marketing Fund could develop and market promotion items and make them available to you for purchase. We could use advertising agencies or develop advertising in-house.

We do not assure that you or any particular franchisee will be the subject of or will benefit directly, or pro rata, or at all from advertising or marketing funded by the Marketing Plan.

The Marketing Fund need not spend all its funds in the year they are received. We can, but are not required to, have the Marketing Fund audited, at its expense. We will have a report of the Marketing Fund's contributions and expenditures prepared annually and made available to you after your written request.

We can use money in the Marketing Fund to pay or reimburse us or affiliates for expenses in operating a marketing or advertising department, and administration of the fund, up to ten percent (10%) of contributions to the fund.

As of December 31, 2023, no Marketing Fund existed. Therefore, no expenditures were made on production, media, placement or any other purpose. Any funds in the Marketing Fund not used in the fiscal year collected, will be rolled to the next year. We won't use the Marketing Fund to recruit franchisees.

There is no council of franchisees that advises us on advertising. We could establish one or more regional advisory councils. If we do, it will be up to us how members of the council would be selected, and you must participate according to the rules of the council for the region that includes your business. Advertising councils will be advisory only unless we designate otherwise. We can change or dissolve any advertising council.

We can establish one or more local, regional or national advertising areas in which your business and at least one other Parker-Anderson franchise are located, as cooperative advertising region(s). When established, you must participate in and contribute funds to the cooperative according to its rules, as determined by a majority of the cooperative's members. Your contributions are additional to required contributions to the Marketing Fund, but you can count them toward the required expenditures for local advertising. As of December 31, 2023, no advertising cooperative existed.

We can require that proposed organizational documents of the cooperative (articles of incorporation, bylaws, operating agreement, or the like) and operating procedures be consented to by us before adoption,

and before any proposed amendment. We can participate in deliberations of the cooperative and veto any decision we object to or considers detrimental. We can require the de-establishment, consolidation and/or reorganization of any one or more areas as cooperative(s). We can require cooperative(s) to prepare and provide us annual or periodic financial statements and other reports at the cooperative's expense.

Computer System

We require you to have or purchase and maintain computer equipment and software according to specifications we provide, and input into the computer all information related to the operation of the business as we designate. We require you to use the computer to record all sales and related activities, by business category (after-school programs, workshops, birthday parties, special events and camps), track revenues and customer information.

You will need a desktop or laptop PC computer with a current, standard operating system, and sufficient memory and data capabilities. We estimate your cost for the computer will be about \$1,000. We can require you to upgrade your computer systems. There are no limits on our right to require this. We do not currently require you to obtain or maintain maintenance, updating, upgrading or support contracts for your computer system. You are required to follow our information technology ("IT") standards and specifications. You are also required to use our approved IT specialist.

We require you to cooperate in providing us independent access to all data and information in the computer system via direct access, either in person or electronically by telephone, Internet or other electronic access or transmission system that we choose. There is no limitation on our right to access the information and data. We will own all the trade secret, intellectual property and other rights in customer and operational data input in and/or generated by the system.

By looking at the page references you can determine the approximate number of pages devoted to each subject. As of December 31, 2023, the total number of pages in the Operating Manual was 66.

We intend to offer training at various times on an as-needed basis. Unless we exempt you from the initial training program, we expect to require you to attend one of the next two scheduled training programs occurring after you sign the Franchise Agreement. Generally, training will be provided online. We also offer training at our office in Los Angeles, California, should you prefer that option.

The instructional materials consist of our Operations Manual, our website and our class curriculums.

Our training program is overseen by Joshua Parker. Joshua Parker has 22 years of experience with Parker-Anderson and developed the website training program.

You must attend and complete training at least 14 days before starting to operate the business. You can also have one manager complete training. We schedule training as needed. If you ask and we agree to let additional managers enroll in training, you pay for each additional person. If you ask and we agree to provide training at your business, additional to the initial training, or if we determine you and/or your manager need additional training, you pay our standard rates. At the effective date of this Disclosure Document the rate is \$275 per person, per each half day and \$550 per person, per each full day. You pay all expenses for you and your manager for training, such as compensation, transportation, meals, lodging and other living expenses. We do not pay any compensation, even for services by a trainee that benefits us or our affiliate or other franchisees. We will not provide the initial training program if you or your affiliate currently owns or operates a Parker-Anderson Enrichment business or if the Franchise Agreement is executed as a renewal Franchise Agreement (F.A. Sec. 27(a)).

We can decide (but we are not required) to do additional and/or refresher training programs, conferences, business meetings and/or conventions. These may require your attendance. These could be at

our headquarters in Los Angeles, California, or elsewhere. If we do such programs, your costs to attend could range from \$275 per person, for a half day or \$550 per person, for a full day, excluding transportation and lodging costs. Our programs can last from one to 3 days and may consist of half days and/or full days. The Franchise Agreement does not require or restrict us in these matters.

Our training program is provided to protect our brand and the Marks and not to control the day-to-day operation of your business.

ITEM 12 **TERRITORY**

The franchise is for a stated limited territory. Except for the limited territorial rights we grant you in the Franchise Agreement, the franchise is non-exclusive.

The territory will be stated in the Franchise Agreement by a description, map, zip codes or other boundaries. A typical territory is a geographic area with a minimum of 50 or 100 public and private elementary schools, depending on which franchise type you purchase. While at the time we enter into the franchise agreement we will confirm the existence of the number of applicable schools, after the franchise agreement is entered into, we do not assure that the stated number of schools will remain the same. Over time, the number of schools in the territory could be smaller or larger (for example, if schools close or additional schools are opened).

While you are in compliance with the Franchise Agreement, we won't establish or operate or license others to establish or operate a Parker-Anderson Enrichment business in the territory designated in your Franchise Agreement, except as follows:

We can own, operate, and authorize others to own and operate businesses in your territory other than a Parker-Anderson Enrichment franchise, even if it uses the Parker-Anderson trademarks. We can grant licenses or franchises to chains of schools or other regional or national accounts, wherein the chain or account would use our program within its own schools, operating facilities or premises anywhere, including inside the territory designated in your Franchise Agreement. We can own, operate and authorize others to own and operate Parker-Anderson franchises and any other business outside your territory. We can sell products and services under the Parker-Anderson trademarks (educational materials, toys and other products) and/or other marks, even if competitive with you, to customers anywhere, including in your territory, but we will only sell to such customers in your territory if we had a pre-existing relationship with such customers. We can develop or be associated with other concepts, whether or not using the Parker-Anderson system and marks, which may involve enrichment or other programs for children. We can grant franchises under other concepts for locations anywhere even in your territory. We can acquire, be acquired, merge, affiliate with or engage in any transactions with others, even if competitive with you and even if in your territory.

We can service corporate or institutional accounts that contract with us, regardless of where located or where services or goods are provided. Corporate accounts may include entities located in multiple geographies, academic institutions, publishers, resorts, vacation programs, theatrical productions, distributors of products through retail, wholesale, internet or other electronics-based distribution organizations and other categories of entities we define. If a corporate account we contract with has locations in your territory, we'll offer you the opportunity to service those locations in your territory, at pricing we negotiate with the account. If you decline or do not timely accept, or do not deliver service to our or the customer's satisfaction, we can deliver or arrange to have the service delivered by one or more other franchisee(s) or through other means.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We do not pay you any compensation for soliciting or accepting orders or doing business in your territory.

You must not solicit business outside the territory. You cannot deliver services at school locations or conduct camps located outside the territory, without first getting our written consent. We are not obligated to consent, but may be willing to consent when the location outside the territory, is an affiliate of a location you already service in the territory. Among our other choices is to require you to cooperate in arrangements for the services be delivered by another of our franchisees, in the territory encompassing the other location.

You can operate from a home office that is in or convenient to the territory, in our judgment. Where you choose to operate from an out-of-home office, or must do so because local laws do not let you operate from home, the office must be clean, subject to inspection by us, properly zoned and convenient to the territory, in a facility that presents, in our discretion, a satisfactory image of our business. We'll try to evaluate proposed locations within two weeks of you providing the information we request. If after good faith efforts by both sides, we cannot agree on a site location, we reserve the right, in our sole discretion, to terminate the Franchise Agreement.

You need our prior written consent to relocate. The Franchise Agreement does not require us to consent. We expect to tell you if we approve within about two weeks. We can withhold consent if the proposed new office location would not be acceptable to us as described in the preceding paragraph, or if you are not in compliance with the Franchise Agreement or other agreement, or if we believe the relocation may adversely affect your business.

You must use best efforts to operate, develop and grow the business.

The Franchise Agreement does not give you any option or right of first refusal for another franchise. The Franchise Agreement does not give us the right to modify your territory rights from those described above.

In your first twelve months of operation, you must sign-up and obtain a minimum of six accounts. If you fail to reach the minimum of six accounts in your first twelve months of operation, we can terminate the Franchise Agreement.

In your third year of operation, you must achieve an amount of gross revenues that will be stated in the Franchise Agreement. In your 4th and each later year, your cumulative average growth rate for the four years ending and inclusive of that year must be at least 5% per year. If you do not meet these requirements, we can take action we deem appropriate. For example, we can notify you of breach and that you must achieve the required minimum in that 12-month period. We can work with you to establish an improvement plan you must implement. We can provide other assistance, including, but not limited to, on-site consultations, meetings at our offices (which you must attend in person, on request), retraining, and any other assistance we deem appropriate, all at your cost. If your cumulative gross revenues are again less than these requirements, we can terminate the Franchise Agreement.

You are not restricted from servicing customers at locations in your territory who come there from outside your territory.

ITEM 13 **TRADEMARKS**

We grant you permission to use certain trademarks, according to our instructions, rules and procedures, in operating and advertising your business.

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. STATE ADDENDA

STATE SPECIFIC DISCLOSURE REQUIREMENTS

The laws of several states require that we provide this Franchise Disclosure Document to you at the following earlier dates:

1. Iowa requires that we give you this disclosure document at the earlier of the first personal meeting or 14 calendar-days before the execution of the franchise or other agreement or the payment of any consideration that relates to the franchise relationship.
2. New York requires that we give you a copy of this Franchise Disclosure Document at the earlier of the first personal meeting or 10 business days before the execution of the franchise or other agreement or the payment of any consideration that relates to the franchise relationship.
3. Michigan requires that we give you this Franchise Disclosure Document at least 10 business days before the execution of any binding franchise or other agreement or the payment of any consideration, whichever occurs first.

For franchises that we sell for locations in CALIFORNIA, ILLINOIS, MICHIGAN, and NEW YORK, applicable state law requires us to disclose additional information. Please refer to the separate state addendum pages in this Exhibit for the additional disclosures that may apply to you.

ADDENDUM TO PARKER-ANDERSON ENRICHMENT, INC.

DISCLOSURE DOCUMENT - REQUIRED BY THE STATE OF CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment law requires a copy of all proposed agreements relating to the sale of the franchise to be delivered together with the disclosure document 14 days prior to the execution of any agreement.

Neither Parker-Anderson Enrichment, Inc., nor any person or franchise broker in item 2 of the franchise disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et. seq., suspending or expelling these persons from membership in this association or exchange.

The Franchise Agreement requires binding arbitration. The arbitration will occur at Los Angeles, California with the costs being borne by the losing party.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et. seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Section 31125 of the franchise investment law requires us to give to you a disclosure document approved by the commissioner of financial protection and innovation before we ask you to consider a material modification of your franchise agreement.

You must sign a general release if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516).

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we may control.

Our website www.parker-anderson.org has not been reviewed or approved by the Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the Department of Financial Protection and Innovation at www.dfpi.ca.gov.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE PARKER-ANDERSON ENRICHMENT, INC.
FRANCHISE AGREEMENT – CALIFORNIA**

For the purposes of Cal. Bus. & Prof. Code Section 20022, Franchisor and Franchisee agree that:

1. The parties will use the declining-balance depreciation method to calculate the value of Franchisee’s assets (inventory, supplies, equipment, fixtures, and furnishings) for the purposes of a purchase by Franchisor under Section 20022. The purchase price by franchisor for these assets will not include the cost of removal and transportation of those assets, which will be Franchisee’s responsibility.
2. For purposes of Section 20022, Franchisee is not able to provide to Franchisor “clear title and possession” to Franchisee’s assets if those assets are subject to liens or encumbrances including: (i) purchase money security interests; (ii) blanket security interests; (iii) rights of first refusal; (iv) liens by Franchisee’s landlord; or (v) tax liens.
3. For the purposes of Section 20022(h), franchisor’s right of offset will include the following amounts owed by Franchisee to Franchisor or Franchisor’s affiliates: (i) royalty fees; (ii) marketing fund fees; (iii) liquidated damages; (iv) transfer fees; and (v) any other type of fee or amounts owed by Franchisee to Franchisor or Franchisor’s affiliates.

For the purposes of Cal. Bus. & Prof. Code Section 20035, Franchisor and Franchisee agree that:

1. **“Fair Market Value of the Franchise Assets”** means the value of Franchisee’s assets, valued according to the declining-balance method of depreciation. The purchase price by Franchisor for the assets will not include the cost of removal and transportation of those assets, which will be Franchisee’s responsibility.
2. **“Fair Market Value of the Franchised Business”** means the **“Fair Market Value of the Franchise Assets”** as defined above, plus goodwill. The parties agree that the value of goodwill is the amount of royalty fees paid by Franchisee to Franchisor within the twelve (12) month period immediately before Franchisor’s termination or failure to renew if Franchisor is in violation of the California Franchise Relations Act.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO THE PARKER-ANDERSON ENRICHMENT, INC.
FRANCHISE DISCLOSURE DOCUMENT - REQUIRED BY THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a Franchise:

- (a) A prohibition on the right of a Franchisee to join an association of Franchisees.
- (b) A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a Franchisee of rights and protections provided in this act. This shall not preclude a Franchisee, after entering into a Franchise agreement from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a Franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the Franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a Franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishing not reasonably required in the conduct of the Franchise business are not subject to compensation. This subsection applies only if: (i) the term of the Franchise is less than 5 years and (ii) the Franchisee is prohibited by the Franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the Franchise or the Franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the Franchise.
- (e) A provision that permits the franchisor to refuse to renew a Franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a Franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the Franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- (iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise agreement existing at the time of the proposed transfer.

- (h) A provision that requires the Franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a Franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “**Assignment of contract by franchisor**”:

16. *Grant:* Franchisor grants Franchisee a non-exclusive license to operate a business providing interactive educational, recreational and entertainment enrichment activities for children, according to the PAE System, and PAE Manual, and to use the PAE Marks (defined in Section 22) and PAE Copyrights (defined in Section 22) in operating the business within the Territory identified in Section 8.

17. *Limited Exclusivity:* The Territory identified in Section 8 includes the approximate number of public and private elementary schools identified in Section 4. While Franchisee is in full compliance with this Agreement and the PAE Manual, Franchisor shall not operate or grant another person or entity the right to operate a PAE business including all or any portion of the geographic area described in Section 8 (the "Territory"). Franchisor does not assure that the stated number of schools will remain the same throughout the term of this Agreement. Over time, the number of schools in the Territory could be smaller or larger (for example, if schools close or additional schools are opened).

18. *Reserved Rights:* Franchisor reserves the rights to: (a) own, operate, and/or authorize others to own and/or operate any kind of business in the Territory, other than a PAE franchise, whether or not using the PAE Marks and PAE Copyrights; (b) grant licenses or franchises to chains of schools or other regional or national accounts, wherein the chain or account would use Franchisor's program within its own schools, operating facilities or premises anywhere, including inside the Territory; (c) own, operate and/or authorize others to own and/or operate PAE franchises and any other kind of business outside the Territory; (d) sell products and services under the PAE Marks and/or other marks, whether or not competitive with Franchisee, to customers anywhere, including within the Territory, but Franchisor will only sell to customers in the Territory if Franchisor had a pre-existing relationship with such customers; (e) develop or be associated with other concepts, whether or not using the PAE System, PAE Marks and/or PAE Copyrights, which may involve enrichment or other programs for children, also including dual branding and/or other franchise systems; (f) grant franchises under other concepts for locations anywhere; and (g) acquire, be acquired by, merge, affiliate with or engage in any transactions with others, whether competitive or not, inside or outside the Territory. This could include, but is not limited to, competing locations and brand conversions to or from Parker-Anderson; and Franchisee shall participate at its expense in any such conversion instructed by Franchisor. Any and all rights in the Territory not expressly granted to Franchisee are reserved to Franchisor.

19. *Franchisor Distribution:* Franchisee acknowledges the term "Parker-Anderson Franchise" does not include non-Parker-Anderson franchises, businesses or other distribution opportunities. A non-Parker Anderson franchise, business concept or distribution opportunity may include, but is not limited to, sales at retail or wholesale of educational materials, toys or other products to the public or otherwise from any retail location, including department stores, school supply stores, toy stores, markets and supermarkets, discount stores, or by direct mail, internet, television, and other media and channels.

20. *Corporate Accounts:* Franchisor and affiliates of Franchisor may service corporate or institutional accounts ("Corporate Accounts") that contracted or may contract with Franchisor or its affiliate(s), regardless of where located or where services or goods are provided. Corporate Accounts may include entities with locations in multiple geographies, academic institutions, publishers, resorts, vacation programs, theatrical productions, distributors of products through retail, wholesale, internet or other electronics-based distribution organizations and other categories of entities that Franchisor defines from time to time. For this Agreement, affiliates of Franchisor means entities under full or partial common ownership or control with Franchisor. Franchisor shall offer Franchisee the opportunity to provide service to locations of Corporate Accounts in the Territory, at pricing Franchisor negotiated with the Corporate Account. If Franchisee declines or does not timely accept, or does not deliver service to Franchisor's or the Corporate Account's satisfaction, then Franchisor can deliver or arrange to have the service delivered by one or more other franchisee(s) or through other means.

21. *Territory-Based Operation:*

a. *Promotion.* Franchisee shall not solicit customers or advertise or promote outside the Territory. But this restriction shall not prohibit Franchisee from advertising or promoting in the Territory in media that also has incidental out-of-territory circulation.

b. *Delivery of Services.* Franchisee shall not deliver services at public or private school locations or conduct camps located outside the Territory, without first obtaining Franchisor's written consent. Franchisor shall not be obligated to consent, but may be willing to consent when the school location outside the Territory, is an affiliate of a location in the Territory already serviced by Franchisee. Among Franchisor's other alternatives shall be to require that Franchisee cooperate in arrangements for the services be delivered by a Parker-Anderson franchisee in the geographic territory encompassing the other location. This provision does not restrict franchisee from delivering services at birthday parties or special events outside the Territory.

22. *Marks; Copyrights:* "PAE Marks" means "Parker-Anderson," the logo on the first page of this Agreement, and other trademarks, service marks, logos and commercial symbols adopted or authorized by Franchisor for use by Franchisee. For this Agreement "PAE Copyrights" means the PAE Manual, as revised from time to time, advertisements, promotion materials, signage, posters, design elements of the PAE Marks, materials used in delivering services, other expressive elements of the PAE System, and other materials Franchisor creates, acquires or obtains licenses for, that are protected by copyright law, that Franchisor authorizes Franchisee to use in operating the business.

23. *Restrictions:* Franchisee shall not: (a) use or permit use of the PAE System, PAE Marks or PAE Copyrights, except in the Territory, according to the terms of this Agreement and the PAE Manual; (b) use or permit use of any trade name, trade mark, service mark or commercial symbol other than the PAE Marks, except as authorized by Franchisor; (c) create, produce, distribute or offer for sale any good, service, program or activity, except those provided, prescribed or authorized by Franchisor; (d) create, produce, distribute or offer for sale any program or activity via tv, video, dvd, cd-rom, internet, or other media or channel; or any Parker-Anderson branded product or merchandise, except as authorized by Franchisor; (e) publish or use a website in operating the business, other than a website provided, supported by or consented to by Franchisor; (f) distribute or offer for sale any product, service or marketing materials to other Parker-Anderson franchisees or others in the same or similar business; or (g) open a location-based facility, retail store, party store, party or event center, pre-school, daycare, or other childcare facility.

24. *Best Efforts:* Franchisee shall continuously use Franchisee's best efforts to operate, develop and grow the Parker-Anderson business and Franchisee's Gross Revenues. Franchisee shall always operate in compliance with this Agreement, the PAE Manual and other written policies provided by Franchisor. Franchisee shall always operate in a first class manner, delivering high quality services with honesty and integrity.

25. *Franchise Fee:* On signing this Agreement, Franchisee shall pay Franchisor the applicable initial fee indicated in Section 9. This fee is deemed to be fully earned when paid and is nonrefundable.

26. *Starting Operation:*

a. *Time to Start Operation:* Franchisee shall start operating the business of the Parker-Anderson Franchise by marketing and soliciting potential customers within the earlier of one hundred eighty (180) days after the date of this Agreement, or forty-five (45) days after completing initial training, and in any event not later than the date stated in Section 6.

Franchisee is solely responsible to comply with applicable laws including zoning that permit or restrict operating from home. Franchisee's home office, or any separate business office used by Franchisee, shall be clean, subject to inspection by Franchisor, properly zoned and reasonably convenient to the Territory in a physical facility that presents a satisfactory image of the business in Franchisor's judgment. Franchisor shall try to evaluate any proposed outside-the-home business office within two (2) weeks after Franchisee identifies the office for Franchisor's consideration and provides all information that Franchisor requests. If after good faith efforts by both sides, Franchisee does not select an office outside-the-home satisfactory to Franchisor, so that Franchisor does not consent to Franchisee's proposed business office, then Franchisor shall have the right to terminate this Agreement. On termination under this Section 26(d) Franchisor shall refund the initial franchise fee received from Franchisee less five thousand dollars (\$5,000), which Franchisor shall retain .

e. *Relocation.* Franchisee shall not relocate the office, whether from Franchisee's home or an out-of-home office, without first obtaining Franchisor's written consent. Franchisor may withhold consent if the proposed new office location would not be acceptable to Franchisor pursuant to Section 26(d); or if Franchisee is not in compliance with this or any agreement, or if Franchisor believes the relocation may adversely affect Franchisee's business. Franchisee acknowledges being aware that this Section 27I could in some circumstances have the effect of hindering Franchisee from relocating a personal residence.

27. *Training:*

a. *Initial Training:* Before Franchisee starts operating the business, Franchisor shall provide an initial training program to Franchisee and if Franchisee wishes to Franchisee's manager. Franchisee, and Franchisee's manager shall diligently attend and complete the initial training to Franchisor's satisfaction at least fourteen (14) days before starting to operate the business. The initial training program shall not be provided if (i) Franchisee or any affiliate of Franchisee owns or operates a Parker-Anderson Enrichment business as of the date of this agreement, or (ii) this Agreement is executed as a renewal franchise agreement.

b. *Completion:* If Franchisor determines a trainee did not attend or successfully complete initial training, Franchisor may elect whether or not to let the individual re-enroll. Franchisor shall have the right to terminate this Agreement if Franchisor comes to believe, based on performance in training or otherwise, and whether Franchisor's belief is correct or incorrect, that a trainee is not suitable to be a Parker-Anderson franchisee, or is not able to complete training in a manner satisfactory to Franchisor. In a termination on this basis, Franchisor shall refund the initial franchise fee received from Franchisee less five thousand dollars (\$5,000), which Franchisor shall retain.

c. *Fees For Additional Training.* If Franchisee requests and Franchisor agrees to provide training or assistance additional to the initial training, or to allow additional managers to enroll in initial training, or if Franchisor determines that Franchisee is in need of or otherwise deems it appropriate to provide this assistance, then Franchisee shall pay Franchisor's then standard daily rate for training or assistance. At the time of signing this Agreement the rate is two hundred seventy-five dollars (\$275) for each half day and five fifty hundred dollars (\$550) per each full day.

d. *Ongoing Training:* Franchisor shall have the right, but no obligation to conduct additional training programs or conferences. Franchisor may make any such program or conference optional, or mandatory.

e. *Conferences:* Franchisee shall attend all conferences that Franchisor designates as mandatory. At least of one management level person shall attend on behalf of Franchisee. Franchisee shall bear all costs of attending including but not limited to transportation, lodging, meals and personal expenses. Franchisor may elect to charge a conference fee up to one hundred sixty-five dollars (\$165) per franchise; and a non-attendance fee up to five hundred fifty dollars (\$550) per franchise. The non-attendance fee does not excuse failure to attend.

f. *Scope:* Franchisor has the right to decide the duration, timing, location(s), subjects to be covered, composition, number, mix of trainees who may participate and all other aspects of trainings and conferences.

g. *Expenses:* Franchisee shall pay all expenses for Franchisee and Franchisee's personnel for training and conferences, including, but not limited to, compensation, transportation, meals, lodging and other living and personal expenses. Franchisor has no obligation to, and shall not, pay compensation even for services performed by a trainee or other attendee for or beneficial to Franchisor or other franchisees.

Franchisor may revise these lists from time to time. Franchisee shall purchase or obtain all designated equipment, products and services in accordance with the Approved Supplies List and Approved Suppliers List.

29. *Initial Term:* The initial term starts on the date of execution of this Agreement and ends at the close of business on the date stated or referred to in Section 6.

g. Upgrade all hardware, software, equipment and materials used by the Parker-Anderson Franchise, to comply with Franchisor's then-current standards.

31. *Month-to-Month Agreement:* If Franchisee does not sign Franchisor's then-current Franchise Agreement prior to the expiration date and Franchisee continues to accept the benefits of this Agreement after it expires, then at Franchisor's option, this Agreement may be treated either as (i) expired as of the expiration date with Franchisee then operating without a license to do so and in violation of Franchisor's rights; or (ii) continued on a month-to-month basis ("Month-to-Month Agreement") until one party provides the other with written notice of such party's intent to terminate the Month-to-Month Agreement, in which case the Month-to-Month Agreement will terminate thirty (30) days after receipt of the notice to terminate the Month-to-Month Agreement, or such longer notice period as is required by applicable law. In the latter case, all of Franchisee's obligations shall remain in full force and effect during the Month-to-Month Agreement as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Month-to-Month Agreement.

32. *Trademarks; Copyrights:*

a. *Use:* Franchisee's right to use the PAE Marks and PAE Copyrights comes solely from this Agreement, is non-exclusive and is limited to conducting the business pursuant to and in compliance with this Agreement, the PAE Manual and all standards, specifications and procedures prescribed by Franchisor from time to time. Any unauthorized use of the PAE Marks or PAE Copyrights by Franchisee constitutes breach of this Agreement and infringement of Franchisor's rights. Franchisee acknowledges that all Franchisee's use of the PAE Marks and PAE Copyrights, and any resulting goodwill, inures to the exclusive benefit of Franchisor and that this Agreement does not confer any goodwill or other interests in the PAE Marks or PAE Copyrights on Franchisee. Franchisee shall not, whether during the term of this Agreement, or after it expires or terminates, contest the validity or ownership of any PAE Marks or PAE Copyrights or assist any other person to do so. The provisions of this Agreement concerning the PAE Marks and PAE Copyrights also apply, as applicable, to additional trademarks, service marks, commercial symbols and copyrights created, adopted by or licensed to Franchisor or authorized by Franchisor for use by Franchisee, after signing this Agreement.

b. *Restrictions:* Franchisee shall not use any of the PAE Marks, or portion of any PAE Marks, as part of a corporate or trade name; with any prefix, suffix or other modifying words, terms, designs or symbols; or in any modified form. Franchisee shall cooperate with Franchisor in such actions. Franchisee irrevocably appoints Franchisor as Franchisee's attorney-in-fact to defend or settle such matters. Franchisee shall not purport to settle or compromise any such claim or suit without Franchisor's prior written consent. Franchisee shall have the right to participate at Franchisee's own expense in the defense or settlement of a claim or suit, provided that Franchisor shall have the right to control the defense and any settlement. Franchisee shall have no right to make any demand or prosecute any claim regarding such use of the PAE Marks or PAE Copyrights or infringement thereof.

d. *Stopping Use:* If and when it becomes advisable at any time or from time to time, in Franchisor's discretion, for Franchisor or Franchisee to modify or stop using any one or more of the PAE Marks and/or PAE Copyrights, and/or adopt one or more additional or substitute trade names, trademarks, service marks or commercial symbols or copyrighted materials, Franchisee shall comply with Franchisor's directions in connection with any such change. Franchisor shall have no liability or obligation with respect to such modification or stopping use of any PAE Marks or PAE Copyrights.

Franchisee acknowledges that its compliance with the PAE Manual is vitally important to Franchisor and the PAE System and is necessary to protect Franchisor's reputation and the goodwill of the PAE Marks and to maintain the uniform quality of operation throughout the PAE System. However, while the PAE Manual is designed to protect Franchisor's reputation and the goodwill of the PAE Marks, it is not designed to control the day-to-day operation of Franchisee's business.

c. *Revisions:* Franchisor may make additions to, deletions from or other revisions of, the PAE Manual. References in this Agreement to the PAE Manual shall be deemed to also refer to the PAE Manual as revised

d. *Operation:* Franchisee shall operate the business in compliance with the contents of the PAE Manual. If Franchisor informs Franchisee that all or part of the PAE Manual or other communications are posted electronically, Franchisee shall be responsible to access the material electronically and to monitor the electronic location of such material to stay informed of changes, additions or deletions in the information provided.

e. *Ownership:* Any copy of the PAE Manual accessed by or loaned to Franchisee remains at all times the property of Franchisor. On expiration or termination of this Agreement, for any reason(s) Franchisee shall return the PAE Manual to Franchisor.

34. *Confidential Information:*

a. *Acknowledgement:* Franchisee acknowledges that the PAE Manual, customer lists and customer data maintained by Franchisee, other confidential information and materials designated by Franchisor, and all Franchisee's knowledge of the operation of the Parker-Anderson franchise, come from information disclosed to Franchisee by Franchisor and are proprietary, confidential trade secrets constituting the property solely of Franchisor. Franchisee shall keep the PAE Manual and Franchisor's other trade secrets and confidential information confidential, during the term of this Agreement and after its expiration or termination. Franchisee shall not permit others to copy or use any part of the PAE Manual or Franchisor's other trade secrets and confidential information. Franchisee shall comply with any additional procedures Franchisor may announce from time to time to protect the trade secrets.

c. *Use Limitations:* Franchisee shall not reveal Franchisor's confidential information or trade secrets, except only to Franchisee's employees who must have access to that information to operate the Parker-Anderson franchise, and only to the extent needed for the performance of this Agreement. Franchisee shall not use any such information in any other business or venture or in any manner not authorized or approved in writing by Franchisor.

d. *Confidentiality Exceptions:* The restrictions in this Agreement on disclosure or use of the confidential information and trade secrets shall not apply to information that was lawfully in Franchisee's possession before disclosure by Franchisor; or which, at the time of disclosure by Franchisor to Franchisee, was lawfully in the public domain.

e. *Agreements by Personnel:* Franchisee shall obtain from all shareholders, unit holders, owners, managers, directors, officers, partners, independent contractors and employees of Franchisee having access to the confidential information and trade secrets of Franchisor, non-disclosure and noncompetition agreements in a form prescribed by Franchisor.

f. *Equitable Relief*: Due to the special and unique nature of Franchisor's confidential information, trade secrets and other proprietary information, the PAE Manual, PAE Marks and PAE Copyrights, Franchisee consents, acknowledges and agrees Franchisor shall be entitled to immediate equitable relief including, but not limited to, restraining orders and injunctive relief, without bond, to safeguard the intellectual property of Franchisor, and that money damages alone would be an insufficient remedy to compensate Franchisor for breach by Franchisee of any provision(s) of Sections 32, 33, this Section 34, and/or Section 51 or 52 of this Agreement. This provision is not intended to be exhaustive as to circumstances in which equitable relief may be appropriate.

g. *Franchisee-Developed Works*: Franchisee shall submit to Franchisor any program, project, experiment, demonstration, artwork, or other material relating or proposed to relate to the PAE System, for Franchisor's review and possible approval (the proposed "Addition"). If approved, the Addition shall automatically become the property solely of Franchisor as if solely Franchisor developed the Addition. The Addition will be deemed to be a work-for-hire made for Franchisor. Franchisor shall have the right to approve the Addition and/or decline approval, in whole or in part, and to elect whether or not to incorporate into the PAE System, any part(s) or all of the Addition, for use by some or all franchisees, all without payment or other consideration to Franchisee beyond the consideration embodied in this Agreement.

35. *Changes*:

a. *Franchisor Right to Change*: Franchisee agrees and acknowledges it is important to the parties and to franchisees that Franchisor have flexibility to anticipate and respond to opportunities, competitive developments, and changing needs and conditions; Franchisor must have the ability to develop and implement changes in the PAE System; and changes may require additional costs and investments by Franchisee, and/or changes in operations and other aspects of the PAE Franchise. Franchisor shall have the right from time to time to modify, add to and/or delete any elements of the PAE System and PAE Manuals, in major and minor ways, whether in response to or anticipation of opportunities, competitive developments changing needs and conditions; or seeking to improve the operation of the business. This could require Franchisee to incur costs and expenses for additional materials, training, equipment or other matters and/or discontinue programs despite their success for Franchisee. Franchisee shall, at Franchisee's expense, implement and comply with all modifications, additions and deletions as and when requested by Franchisor.

b. *No Franchisee Changes*: Franchisee shall operate the business according to the PAE System and shall not deviate from any element of the PAE System, nor purport to modify, add to or delete any aspect of the PAE System without Franchisor's prior written consent.

c. *Quality*: Franchisee acknowledges and agrees that quality and consistency are and may remain important to the PAE System. Franchisee shall not use branded products or marketing material obtained from any source other than Franchisor or Franchisor-approved sources nor use unapproved content without prior written consent from Franchisor.

36. *Advertising*:

a. *Franchisee Initial Advertising*. If requested by Franchisor, Franchisee shall engage in grand opening advertising prior to opening. At least twenty (20) days before starting operations, Franchisee shall propose for Franchisor's approval a grand opening marketing and advertising plan for the period one month before opening through at least the initial thirty (30) days of operation. If Franchisor requires grand opening advertising, Franchisee shall budget and spend at least one thousand one-hundred dollars (\$1,100) on grand opening marketing and advertising and five hundred fifty dollars (\$550) on announcements. Franchisee shall revise or modify the plan as Franchisor requests. Franchisee shall implement the plan that Franchisor approves. Franchisor may exempt Franchisee from all or a portion of the initial advertising requirement at Franchisor's election and sole discretion.

b. *Franchisee Ongoing Advertising.* Franchisor may require Franchisee to engage in local advertising on ninety (90) days written notice. If and when Franchisor implements a local advertising requirement, Franchisee shall spend for advertising the business each month an amount equal to at least three percent (3%) of Franchisee's Gross Revenue of the prior month. Franchisee shall provide a report in the form specified by Franchisor, together with proof of expenditures satisfactory to Franchisor, within ten (10) days after the end of each month. If Franchisee fails to make the required expenditure, then in addition to Franchisor's other rights and remedies, and without waiving the breach, Franchisor can require Franchisee to pay the shortfall from the required expenditure to the Marketing Fund.

c. *Advertising Compliance:* Franchisee shall comply with marketing and advertising standards established from time to time by Franchisor. Franchisee shall submit for Franchisor's consent, any advertising and marketing that Franchisee proposes to use that was not provided by or previously approved for use by Franchisor. Franchisee may use only those marketing or advertising materials consented to by Franchisor in writing prior to use. Franchisee shall not use and shall stop using any materials as to which Franchisor has not consented or withdrawn consent. Franchisor shall try to respond to Franchisee's submission of proposed advertising within two weeks after receipt of the submission.

d. *Marketing Fund:* Franchisor shall have the right to establish and administer a Marketing Fund ("Fund"), upon ninety (90) days written notice. When established, Franchisee shall contribute to the Fund a fixed dollar amount per week or month, or percentage of Gross Revenues per week or month, as Franchisor specifies. Franchisor shall have the right to designate and from time to time modify the fixed amount and/or percentage that Franchisee must contribute, but the required contributions will not exceed two percent (2%) of Franchisee's Gross Revenues in a calendar year. Franchisor can require different bases for contributions by other franchisees. Contributions to the Fund shall be made at the same times and same manner as provided for in Section 36.

e. *Other Contributions:* For Parker-Anderson businesses operated by Franchisor, Franchisor shall contribute to the Fund on a basis similar to the requirements of this Agreement, but Franchisor contributions will not necessarily be at the same rate or time schedule required of Franchisee. Franchisor shall have the right, but is not obligated, to collect and contribute to the Fund any advertising or other rebates from suppliers or others.

f. *Uses of Fund:* If and when established, the Fund shall be used to create and conduct advertising, marketing, public relations and for related purposes that Franchisor deems appropriate. As examples, the Fund could be used to pay for marketing surveys, research, production and purchasing advertising art, commercials, point-of-sale materials, media advertising, outdoor advertising, direct mail, public relations; Internet; preparing and producing video, audio and written materials; buying Internet, TV, radio, social media, magazine, billboard, newspaper and other media advertising; promotional items to be purchased by Franchisee for give-away to others; advertising agencies; market research; testing products or services; supporting advertising and marketing in particular regions; paying or reimbursing Franchisor or affiliates for internal expenses in operating a marketing or advertising department, and administration of the Fund up to but not exceeding ten percent (10%) of the total contributions to the Fund, providing or selling marketing materials to Parker-Anderson businesses; conventions and meetings; co-branding activities, other arrangements where Parker-Anderson services or products are offered with other trademarks or through alternative distribution channels, and paying costs to account for and report on contributions, expenditures and activities of the Fund.

g. *Administration:* Franchisor shall have sole discretion over creative concepts, materials, media and placement of advertising and all other matters funded by the Fund. Franchisor does not assure that Franchisee, or any particular franchisee, will benefit directly, pro rata or at all, from any advertising or other matters funded by the Fund.

h. *Maintenance*: Contributions to the Fund may but need not be maintained in accounts separate from Franchisor's other funds and may be commingled with Franchisor's other funds. The Fund will not be used to defray Franchisor's general operating expenses, except for administrative costs and overhead reasonably allocable to administering the Fund.

i. *Timing*: Franchisor need not expend all Fund contributions in the year or other period when received. Franchisor can accumulate funds to facilitate larger future expenditures, or borrow funds against anticipated future contributions.

j. *Accounting*: A report of contributions and expenditures of the Fund shall be prepared annually and shall be made available to Franchisee on written request. Franchisor shall have the right but no obligation to have the Fund's contributions and expenditures independently audited. Franchisor shall have the right to cause the Fund to pay for preparation of the report and audit.

k. *Termination*: Franchisor shall have the right to terminate the Fund. After electing to terminate, Franchisor shall cause all amounts in the Fund to be expended for the Fund's purposes. Franchisor shall have the right to restart the Fund, or a new Fund, any time after terminating it. Any new or restarted Fund shall be subject to the provisions of Sections 36(d) through this Section 36(k).

l. *Co-Op*. Franchisor shall have the right from time to time, to establish one or more local, regional or national advertising areas in which Franchisee's business and at least one (1) other Parker-Anderson business are located, as cooperative advertising region(s). Franchisee shall participate in and contribute to the cooperative according to rules, decisions and procedures of the cooperative, as determined by a majority of its members. Franchisor shall have the right at any time to require any one or more cooperatives to be formed, reorganized, de-established, dissolved, merged with others, and/or to modify procedures or contents of organizational documents. Franchisor shall have the right to require any cooperative(s) to prepare and provide Franchisor with annual or periodic financial statements and other reports at the cooperative's expense. Franchisee's contributions to the cooperative shall be additional to required contributions to the Fund. Franchisee's contributions to the cooperative may be counted by Franchisee toward the requirements in Section 36(b), so long as the cooperative expends such funds in a manner reasonably satisfactory to Franchisor.

m. *Cooperative Documents*. Franchisor shall have the right to require that proposed organizational documents of the cooperative (such as articles of incorporation and bylaws or the like) and operating procedures be consented to by Franchisor before adoption and conform to specifications and guidelines established by Franchisor. Franchisor shall have the right but no obligation, to participate in deliberations of the cooperative and to veto any decision of the cooperative that Franchisor objects to or considers detrimental to or not in the best interests of the PAE System.

n. *Advertising/Marketing Materials*. Franchisor shall have the right to charge Franchisee for advertising and/or marketing materials/activities at prices approximating Franchisor's development, production, manufacture, printing, distribution, shipping, placement, overhead and other costs.

o. *Advisory Councils*. Franchisor shall have the right to establish, and on Franchisor's request Franchisee shall participate actively in one or more Parker-Anderson Enrichment Regional Franchisee Advisory Councils. The purposes of the Advisory Council(s) shall be designated by Franchisor and may include, without limitation, exchanging ideas, exploring solutions to problems, and/or advising Franchisor on advertising matters. Franchisor shall have the right to designate whether and when to establish any such council(s), area(s) encompassed, number of members or participants, and other aspects. Franchisee shall participate in the advisory council in the manner Franchisor designates and/or according to rules, requirements and procedures the Advisory Council establishes. Franchisee shall be responsible for Franchisee's expenses to participate.

37. *Payments:*

a. *Customer Payments:* Franchisee acknowledge that under the PAE System's initial structure, Franchisee shall not receive payments for sales of goods and services direct from customers; and that all payments will be made directly or indirectly from Franchisee's customers (for example, schools, parents, and/or any other categories) to Franchisor wherein Franchisor will apply and withhold amounts due and payable to Franchisor and remit balances to Franchisee. Franchisee shall not collect any payments from customers without the prior written consent of Franchisor. Franchisor shall have the right to deduct from payments due to Franchisee credit card processing fees imposed on payments received by Franchisor on account of Franchisee's business. Franchisor shall have the right to designate alternative procedures and manner for payment, as provided in Sections 37(e) and 37(f).

b. *Franchisee's Commission:* Franchisor shall return to Franchisee ninety-two percent (92%) of the Gross Revenues paid by customers of Franchisee and collected by Franchisor on account of Franchisee's business less other charges imposed on Franchisee pursuant to this Agreement including, but not limited to, the Technology Fee, Marketing Fund Fee, credit card processing fee, late charges and other charges provided in this Agreement. Franchisor shall pay the amounts due to Franchisee, within 30 days after receiving the payment for the applicable period from customers.

c. *Payments to Franchisee:* Franchisor shall have the right to deduct all amounts owed by Franchisee to Franchisor from payments due to Franchisee, either as lump sum deductions or partial deductions made over time, until such deductions equal the full amounts owed to Franchisor. Franchisee acknowledges that Franchisor's sole responsibility shall be to remit to Franchisee the agreed amounts actually received from customers, less amounts owed to Franchisor. Franchisor shall have no responsibility to pay Franchisee on amounts not received from customers. If Franchisor pays Franchisee before receiving payment from any customer and the customer does not pay Franchisor as required, or if Franchisor makes a refund to a customer, Franchisee shall reimburse Franchisor for the applicable amount. Franchisee shall also reimburse Franchisor any amounts paid to Franchisee in error or any overpayments. At Franchisor's discretion, Franchisor shall have the right to offset any of the above against payments due to Franchisee.

d. *Gross Revenues.* For this Agreement, "Gross Revenues" means the total of all revenues derived from the operation, activities, existence and/or sales of the business including revenues from sales of services or products, whether for cash, or credit or otherwise; proceeds of insurance; and any other fees, commissions, rents, payments or receipts received by Franchisee related to the business. For barter or exchange or similar transactions the value of the goods or services received by Franchisee shall be deemed to be part of Gross Revenues. There is no reduction for costs or expenses of operating the business, collection agency or credit card charges, litigation costs or for income or other taxes. Gross Revenues do not include sales tax, credits or refunds.

e. *Royalty:* Franchisor shall have the right at any time to revise the PAE System so that Franchisee collects revenues from sales, and pays Franchisor royalties on a basis approximately equivalent in amount or rate to amounts or rates that Franchisor receives and retains pursuant to this Agreement. Any such revisions made from time to time shall be deemed to occur pursuant to this Agreement and shall not constitute a modification of the Franchise or of this Agreement.

f. *Electronic or Other Payment Procedure:* Franchisor shall have the right to designate the manner and procedure of payments of any or all fees and amounts due from Franchisee to Franchisor. As examples, and not limitations on the procedures that Franchisor could designate Franchisor could require Franchisee to pay by electronic transfer of funds from an account of Franchisee satisfactory to Franchisor, to Franchisor's designated account, and/or by credit card, check, money order, wire transfer or other method or procedure Franchisor designates. Franchisor shall have the right to modify payment manner and procedures. Franchisee shall comply with such manner and procedures. Franchisee shall bear costs of compliance with the payment manner procedures established by Franchisor.

g. *Late Payment:* Any amount not paid to Franchisor when due shall bear a service charge at the rate of one-and-one-half percent (1½%) per month (equivalent to 18% per year), but not to exceed the highest rate allowed by applicable law, from the date payment was due, until paid. This provision is not consent to any failure to pay on time, and this provision and any acceptance of late payment and/or interest do not waive or excuse the breach.

h. *Application of Payments:* Franchisor shall have the right to apply payments from Franchisee to any due or past due debt of Franchisee, even to favor the interests of Franchisor and despite additional cost, expense or interest to Franchisee, regardless of designation by Franchisee.

38. *Technology Fee:* Franchisee shall pay Franchisor a monthly technology fee in the amount indicated in Section 10, which shall be deducted from amounts payable to Franchisee pursuant to Section 37(c). Franchisor shall aggregate and use this fee and equivalent fees paid by other franchisees, for any one or more of developing, adopting, implementing, testing, maintaining, and servicing computer network record-keeping systems and/or other technology-related tools, for use by Parker-Anderson franchises, allowing on-line access to records, and/or for other business purposes, including but not limited to, IT/email accounts, merchant services accounts, website, and curriculum. There is no assurance as to timing or results of expenditures, achieving any particular level of effectiveness, or that any technology will meet particular objectives, or will benefit Franchisee equivalently to the benefit to other franchisees, or at all. Franchisee shall comply with Franchisor's information technology standards and specifications and use Franchisor's approved IT specialist.

39. *Computer and Other Equipment:* Franchisee shall purchase and maintain equipment and software according to specifications provided by Franchisor from time to time, including a PC computer; and input into computer hardware and software systems all information related to the operation of the business as Franchisor designates from time to time. Franchisee shall provide Franchisor independent access to all data and information stored on Franchisee's computer related to the operations of the business. Each party to this Agreement acknowledges and agrees that changes to technology are dynamic and not predictable within the term of this Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, Franchisee agrees that Franchisor will have the right to establish, in writing, reasonable new standards for the implementation of technology in the PAE System; and Franchisee agrees to comply with those reasonable new standards that Franchisor establishes.

40. *Domain Name:* Franchisee shall use and advertise only the internet domain name specified in Section 11. Franchisee acknowledges and agrees that, regardless of its registration status or designation, the domain name is, and shall remain, the property solely of Franchisor. Franchisor shall have the right to change the domain name Franchisee must use. Franchisee shall assure that all web pages meet Franchisor's specifications and are developed within Franchisor's website. Franchisee shall not use, or authorize use of any other means of referring to Franchisee's business on the Internet, whether by meta tags, frames, links, or other reference devices, without Franchisor's prior written consent. Franchisee shall comply with Franchisor policies and requirements regarding Internet key word purchases, social network pages, videos, and other forms and aspects of advertising, marketing and publication via the Internet, social media and other new technologies now existing or hereafter developed. Franchisee shall not register or acquire a registration for any Internet domain name in any class or category that contains the phrase "Parker-Anderson" or any abbreviation, acronym, variation or word or phrase similar to either or both of these words. If, whether in breach of this provision or otherwise, Franchisee registers or obtains registration of such a domain name, Franchisee shall immediately assign that registration to Franchisor.

41. *Records:*

a. *Maintenance:* Franchisee shall maintain complete, accurate books, records and accounts according to any bookkeeping and accounting system prescribed by Franchisor. Franchisee shall maintain such records and all sales records, customer receipts, customer lists, invoices, payroll records, check stubs, tax records and

returns, cash receipts and disbursement journals, bank statements, general ledgers and all records required by law, for the longer of four (4) years after creation or the length of time required by law. This obligation to maintain records shall continue in effect after expiration or termination of this Agreement. Franchisee shall provide Franchisor records, reports and forms that Franchisor requests from time to time. Franchisee shall create and provide Franchisor other reports, forms and records, containing information that Franchisor requests from time to time.

b. *Accounting:* Franchisee shall record sales by business category (for example, after-school programs, workshops, birthday parties, camps, special events) and related activities on computer hardware and software fully compatible with any accounting system that Franchisor now or in the future employs or prescribes. Franchisee shall obtain a computer system and/or accounting system meeting the specifications and standards prescribed from time to time by Franchisor. All records of sales and revenues shall be recorded on such equipment, using such system. Franchisee shall take all action needed to provide Franchisor full access, electronic or via internet or otherwise in whatever manner(s) Franchisor specifies (in person, via internet or by other media or procedure, or otherwise), to all Franchisee's data, system and information.

c. *Updated Accounting System:* If Franchisor introduces or designates a new accounting program or system, Franchisee shall have ninety (90) days to adopt and fully integrate the new program/system in Franchisee's operation. Franchisor reserves the right to require Franchisee to pay a fee for any accounting program/system provided or designated by Franchisor, which Franchisor can collect in advance on a periodic basis or on other terms prescribed by Franchisor.

d. *Tax Returns:* Within thirty (30) days after Franchisee's year end, Franchisee shall provide Franchisor, in a form approved by Franchisor, a profit and loss statement and balance sheet for the twelve (12) months just ended. Franchisee shall provide Franchisor with copies of each and all federal and state income, sales and other categories of tax returns, extension requests and other tax filings, concurrently with filing these with the taxing authorities.

e. *Access:* Franchisor or its representative shall have the right, without notice and at all time during normal business hours, to observe operations and examine and copy the books, records and tax returns of Franchisee and to access all electronic data of Franchisee. Franchisor shall have the right, at any time, to have an independent audit made of Franchisee's books and records. If an inspection or audit reveals that any payments due to Franchisor were understated in a report to Franchisor, or underpaid, then Franchisee shall immediately pay to Franchisor the amount understated and/or underpaid, plus interest from the date the amount was due until paid. If an inspection discloses an understatement or underpayment of two percent (2%) or more for any month, Franchisee shall also reimburse Franchisor for all costs and expenses connected with the inspection, including, without limitation, accounting and attorneys' fees. These remedies do not waive or excuse the breach and shall be additional to all Franchisor's other remedies.

f. *Authorization to Release Records and Use of Images.* Franchisee hereby authorizes (and agrees to execute any other documents deemed necessary to effect the authorization) (i) all banks, financial institutions, businesses, suppliers, manufacturers, contractors, vendors and other persons or entities with whom Franchisee does business to disclose to Franchisor any financial information in their possession relating to Franchisee or the Parker-Anderson Franchise which Franchisor may request; (ii) Franchisor to disclose to prospective franchisees or other third parties data from Franchisee's reports if Franchisor determines, in Franchisor's sole discretion, that the disclosure is necessary or advisable; (iii) Franchisor to photograph and film Franchisee, its employees, the public and all areas of the Parker-Anderson Franchise, without further authorization from, or compensation to, Franchisee and to use the images for marketing and promotion of the Parker-Anderson Franchise, other Parker-Anderson franchises and the PAE System; and (iv) Franchisor to disclose to third parties, including but not limited to Franchisee's landlord or bank, information about Franchisee relating to Franchisee's obligations or performance under this Agreement if Franchisor determines, in Franchisor's sole discretion, that the disclosure is necessary or advisable.

42. *Supplier:*

a. *Franchisor as Supplier:* For some or potentially all products or services it is possible that sometimes or at all times Franchisor will elect to designate itself or an affiliate of Franchisor or another source as an approved supplier or as the sole approved supplier for one or more particular products or services. Franchisor or the affiliate shall have the right to charge prices to Franchisee for products and services that include mark-ups and profit to Franchisor or the affiliate.

b. *Quality:* All items used in operating the business which are not specifically required to be purchased according to the Approved Supplies List or Approved Suppliers List shall conform to specifications and quality standards that Franchisor establishes from time to time.

c. *Other Supplies and Suppliers:* If Franchisee proposes to use or offer for sale any product or service which is not then approved by Franchisor, or to purchase from a supplier not designated as an approved supplier, Franchisee shall first notify Franchisor in writing and request Franchisor's consent. Franchisee shall provide in writing the proposed supplier's name and address, description of product or service proposed to be purchased, and other information Franchisor requests specifically or in the PAE Manual.

d. *Requirements for Proposed Supplier:* Franchisor may require a proposed supplier to enter into a confidentiality agreement and trademark license agreement satisfactory to Franchisor, satisfy requirements regarding insurance, indemnification and capitalization; provide specifications for products and services; demonstrate the ability to supply equipment, products or services meeting Franchisor's standards and specifications, also including reliability of delivery and quality of equipment, products and services; furnish at no cost to Franchisor, specimens of products and services; sell any product or service bearing the PAE Marks or made for Parker-Anderson franchisees only to authorized franchisees and only pursuant to the trademark license agreement; satisfy Franchisor as to pricing; provide Franchisor duplicate purchase invoices; pay or reimburse Franchisor's estimate of or actual costs and expenses our then-current Supplier Review Fee for evaluation, including but not limited to travel and living costs, costs of third party inspection and testing agencies, and costs of inspection or re-inspection, auditing of facilities, equipment and products; comply with other Franchisor requirements and requests; and subject itself to periodic compliance audits by Franchisor or Franchisor's representatives. Franchisor or its designee shall be permitted to inspect facilities of the proposed supplier and establish delivery terms, service and other requirements.

e. *Notice of Decision:* Franchisor will use reasonable efforts to notify Franchisee of Franchisor's decision within a reasonable time after Franchisor's receipt of all information and items requested by Franchisor. Franchisor shall have the right to reevaluate any products, services or supplier despite prior consent, and to revoke prior consent when Franchisor deems appropriate.

f. *Acknowledgement:* Franchisee acknowledges that cost and service factors may militate against having more than one supplier or multiple or additional suppliers in a market and among the factors Franchisor may consider in evaluating a proposed supplier are the effect of approval on obtaining lower costs and quality and uniformity of services and products offered. Franchisor may determine that any products or services shall be limited to a designated brand or brands determined by Franchisor.

43. *Legal Compliance:*

a. *Compliance:* Franchisee shall obtain and maintain, and assure that Franchisee's personnel have, all licenses, permits, certificates and insurance required by law to operate the Parker-Anderson Franchise. Franchisee shall operate the franchise in compliance with all applicable laws and regulations including, without limitation, those relating to interactions with children, occupational hazards and health, consumer protection, privacy, trade regulation, labor laws, workers' compensation, unemployment insurance, and withholding and payment of taxes. Franchisor shall have the right to adopt and require Franchisee to comply

with codes of conduct and/or ethics either created by Franchisor or by third parties and designated by Franchisor.

b. *Background Checks:* Due to interactions by Franchisee's employees with children, Franchisee shall arrange to conduct criminal record checks, fingerprinting and other background investigation concerning all instructors, in a manner that complies fully with applicable laws. Franchisee shall not employ or continue to employ any instructor or applicant who, under applicable law, is not permitted to be employed in such capacity. Franchisee acknowledges this may require not employing or continuing to employ persons who have been convicted of certain or any: sex offense, narcotic offense, certain other criminal offenses, found to be insane or mentally disordered, or not employable in such a position for other reasons established by applicable law. Nothing in this provision encourages, requires or permits Franchisee to refuse or terminate employment for any unlawful reason.

44. *Supervision:* The Parker-Anderson Franchise shall at all times be under the direct supervision of Franchisee, or if Franchisee is an entity, Franchisee's day-to-day manager. If Franchisee operates more than one (1) Parker-Anderson franchise, then at least one (1) trained and competent employee of Franchisee shall serve as full-time manager to perform the on-premises supervision.

45. *Customer Lists:* Franchisee shall maintain an up-to-date listing of names, addresses, ages and activity data of all customers, including children and their parents or guardians. Franchisor may specify software Franchisee must use for this purpose. Franchisee shall provide this data to Franchisor from time to time as Franchise specifies, and Franchisor shall have the right to access and copy the data when Franchisor elects. Additionally or alternatively, Franchisor shall have the right to require Franchisee to input the data into a computerized or other information storage system or database designated by Franchisor. Franchisee acknowledges and agrees the lists and data shall at all times be deemed to be the property solely and exclusively of Franchisor. Franchisee shall maintain confidentiality of the list and data, and shall not sell, disclose, provide or loan the list or data to any person or entity other than Franchisor. Franchisor may use the information as Franchisor deems fit, but not to Franchisee's detriment while Franchisee is a franchisee of Franchisor.

46. *Franchisee Personnel:*

a. *Employment Decisions:* Franchisee shall be solely responsible for recruiting, hiring, all responsibilities of employment, determining compensation for personnel, terms of employment and working conditions for personnel, when and how to discipline personnel and for decisions whether to retain or terminate each and all personnel of Franchisee. The personnel Franchisee retains to work in Franchisee's business will be Franchisee's agents and employees. They are not Franchisor's agents or employees and Franchisor is not a joint employer of those persons. Franchisee shall take all action necessary to ensure that Franchisee's employees understand and acknowledge that they are not employees of Franchisor, including, without limitation, requiring Franchisee's employees to sign a written acknowledgement that Franchisee is an independently owned and operated franchise and their sole employer in a form specified by Franchisor in the PAE Manuals or otherwise in writing from time to time. Franchisee shall at all times comply with all applicable employment laws.

b. *Meeting Locations:* Franchisee shall conduct any interviews of prospective personnel and meetings with personnel only in public places and not in Franchisee's home office.

c. *Confidentiality of Personnel:* To protect the PAE Marks and System, Franchisee shall require all employees to sign a "Confidentiality and Non-Competition Agreement" in a form specified by Franchisor.

47. *Notice of Legal Actions:* Franchisee shall notify Franchisor in writing within three (3) days of learning of any action, suit or proceeding and/or the issuance of any order, writ, injunction, award or decree of any

court or government agency which may adversely affect the operation or financial condition of the Parker-Anderson Franchise.

48. *Ongoing Performance:*

a. *Minimums:*

i. Franchisee must sign-up and obtain a minimum of six (6) accounts in the first twelve (12) months of operation, calculated from the Agreement Start Date in Section 5. If Franchisee fails to meet the minimum of six (6) accounts in the first twelve (12) months of operation, Franchisor shall have the right to terminate the Franchise Agreement as described in Sections 48(c)(i) and 52(b)(xiv).

ii. Franchisee's Gross Revenues for the one year period between the second (2nd) and third (3rd) anniversary date of opening the Parker-Anderson Franchise (the third year) must exceed the amount stated in Section 12. In the fourth (4th) and each later year, Franchisee's cumulative average growth rate for the four (4) years ending and inclusive of that year must be at least five percent (5%) per year. In case of breach, Franchisor shall have the right, but no obligation, to take action that Franchisor deems appropriate, which may include but is not limited to the actions described in Section 48(b).

b. *Actions:* For breach of Section 48(a)(ii), Franchisor may notify Franchisee of the breach, and that Franchisee must achieve the required minimum Gross Revenue in the then-applicable twelve (12) month period ("Correction Period"). Franchisor may, but is not required to, work with Franchisee to establish an improvement plan which Franchisee must implement, and/or provide other assistance to Franchisee including, but not limited to, on-site consultations, meetings at Franchisor's offices (which Franchisee shall attend in person, on request), retraining at times and places set by Franchisor, and any other assistance Franchisor deems appropriate, all at Franchisee's cost.

c. *Termination:*

i. If Franchisee fails to sign-up and obtain the minimum of six (6) accounts in the first twelve (12) months of operation pursuant to Section 48(a)(i), Franchisor shall have the right to terminate the Franchise Agreement, effective on delivery of written notice of termination to Franchisee.

ii. If, pursuant to Sections Section 48(a)(ii) and 48(b), cumulative Gross Revenues for the Correction Period are again less than the performance obligation, Franchisor shall have the right to terminate this Agreement, effective on delivery of written notice of termination to Franchisee. The existence of any correction process will be deemed not to prevent Franchisor from exercising these or any other rights and/or remedies, including any right to terminate this Agreement for breach.

d. *No Assurance.* Nothing in this Section 48 is a representation that Franchisee can or will achieve such Gross Revenues.

49. *Insurance:*

a. *Requirements:* Franchisee shall obtain and maintain at least the following insurance coverages through carriers acceptable to Franchisor: comprehensive general liability coverage including personal injury, bodily injury, property damage, advertising injury, contractual liability, products and completed operations coverage of at least \$1,000,000.00 per occurrence, \$2,000,000.00 aggregate; automobile liability coverage of at least \$1,000,000.00 including coverage for personal injury and property damage to others, and for personal injury to occupants of the vehicle(s) of Franchisee and Franchisee's personnel, worker's compensation, employer's liability, data theft and cybersecurity coverage, unemployment and state disability insurance as required by law; and employment practices liability insurance with a co-defendant endorsement

in favor of Franchisor. These policies shall also name Franchisor as additional insured. Each policy shall state that Franchisor shall receive at least thirty (30) days prior written notice of any intent by the insurer to reduce coverage or policy limits, nonrenew, cancel or otherwise amend the policy. Franchisor shall have the right from time to time to revise coverages, types of coverage and coverage amounts that Franchisee must obtain and maintain and Franchisee shall comply with all revised requirements.

b. *Proof:* Franchisee shall provide Franchisor with certificates for the insurance described in Section 49(a) before the business starts operating. Franchisee shall deliver to Franchisor a complete copy of each insurance policy within twenty (20) days after delivery of the certificates of insurance, and of each new or renewal policy on receipt of the policy. Franchisor shall have the right at any time(s) to require Franchisee to provide Franchisor full copies of any or all Franchisee's insurance policies and certificates of insurance.

c. *Franchisor Right to Obtain:* If Franchisee fails to purchase, maintain or provide proof of insurance and copies of policies, then Franchisor shall have the right, but no obligation, to obtain any or all of that insurance, or other insurance that Franchisor elects to obtain for this purpose. Franchisee shall, at Franchisor's election, pay all premiums for the insurance or reimburse premium payments made by Franchisor. Franchisor's right under this Section 49(c) and any action taken by Franchisor do not excuse Franchisee's breach.

d. *Disclaimer:* Franchisor shall have no obligation to obtain or maintain insurance for or on behalf of Franchisee. Nothing in this Agreement is an undertaking or representation that any insurance Franchisee is required to obtain and maintain will be sufficient for any purpose.

e. *Claims:* Franchisee shall notify Franchisor in writing of any and all claims or demands against Franchisee, the business or Franchisor within three (3) days after Franchisee receives actual notice of the claim or demand. Franchisee shall respond to all claims within the time required by law. Franchisee shall cooperate with Franchisor or Franchisor's designee in defending Franchisor and Franchisee against any and all claims.

50. *Indemnification:* Franchisee shall indemnify, defend and hold harmless Franchisor, Franchisor's shareholders, members, partners, directors, officers, employees and agents, from and against any and all losses, costs, expenses, damages, liabilities and investigations, resulting from or pertaining to: (a) operation of the Parker-Anderson franchise; (b) operations, services or sales by Franchisee; (c) claims for personal injury, disease or other loss, damage or injury arising from services by Franchisee; (d) claims for injury, death or loss to the person or property of any customer or potential customer; (e) claims from any other aspect of, from or concerning the business; (f) Franchisee's breach of this or any agreement or allegation that, if true would be a breach of any Agreement; (g) infringement, alleged infringement or other violation or alleged violation by Franchisee of any intellectual property or other rights of any third party; (h) violation, breach or asserted violation or breach by Franchisee of any contract, law or regulation; (i) labor or employment law violations and other claims against Franchisor by Franchisee's personnel; or (j) actual or alleged act, error or omission of Franchisee or Franchisee's personnel. This Section 50 survives termination of this Agreement.

51. *Transfer:*

a. *Transfer by Franchisor:* This Agreement is transferable by Franchisor without restriction.

b. *Transfer by Franchisee:* Franchisee acknowledges and agrees the rights and obligations in this Agreement are personal to Franchisee and that Franchisor entered into this Agreement in reliance on individual or collective character, skill, aptitude, attitude, business ability and financial capacity of Franchisee (or, if Franchisee is an entity, on these qualities of Franchisee's ownership). Accordingly, neither this Agreement nor any interest in it, nor in the Parker-Anderson Franchise, nor any or all of the ownership of Franchisee, may be transferred without Franchisor's prior written consent. A purported transfer or

attempted transfer without Franchisor's prior written consent constitutes breach of this Agreement, and will convey no right or interest and will be void.

c. *Conditions for Approval:* Franchisor will not unreasonably withhold approval of a proposed transfer that meets all the following requirements:

- i. Franchisee must be in full compliance with this Agreement and all agreements with Franchisor;
- ii. The transferee and its owners must have business experience, aptitude and financial resources, all satisfactory to Franchisor to operate the Parker-Anderson franchise, be of good moral character and meet all other then-applicable standards for a Parker-Anderson franchisee;
- iii. Franchisee must provide Franchisor at least sixty (60) days prior written notice of the proposed transfer, including all terms and conditions and all other information pertaining to the proposed transfer and must provide any additional information that Franchisor requests;
- iv. The terms and other aspects of transfer cannot, in Franchisor's judgment, be so burdensome as to potentially adversely affect the future operations of the Parker-Anderson Franchise by the transferee;
- v. Franchisor shall have had the opportunity to exercise the right of first refusal provided for in Section 51(d), and elected not to exercise that right;
- vi. The transfer of the Franchise or the Parker-Anderson Franchise business assets (or substantial portion) may be made only together with the transfer of this Agreement;
- vii. The transferee must assume all obligations to Franchisor and affiliates of Franchisor, by Franchisee and any by entity affiliated with and/or related to Franchisee;
- viii. All royalties/commissions, advertising, marketing and technology fees, and all other amounts owed to Franchisor and/or any entity affiliated with Franchisor, by Franchisee (also including any entity affiliated with and/or related to Franchisee), which are then unpaid (also including acceleration of amounts under promissory notes and other unpaid amounts owed to Franchisor or affiliates), and all obligations to third parties arising out of the Parker-Anderson Franchise, must be paid in full;
- ix. The Parker-Anderson Franchise and its operations must be in or brought into full compliance with the specifications and standards then applicable for new and/or renewing Parker-Anderson franchises;
- x. Franchisee must submit all required reports, financial statements and other documents due to Franchisor up to the effective date of the transfer;
- xi. The transferee and its personnel must complete or agree to complete training to Franchisor's satisfaction and pay Franchisor's then applicable charges for training;
- xii. The transferee shall obtain within time limits set by Franchisor, and maintain, all permits and licenses required to operate the Parker-Anderson Franchise;
- xiii. Franchisee (the transferor) shall remain liable for all obligations to Franchisor and its affiliates occurring through and including the effective date of the transfer, and shall execute instruments reasonably required by Franchisor to reaffirm such liability;
- xiv. The transferee must purchase from approved suppliers, such equipment, products and services as Franchisor deems necessary to meet then-current System standards;

xv. The transferee shall execute Franchisor's form of franchise agreement and ancillary documents (also including guarantees) then used by Franchisor to grant Parker-Anderson franchises, which may differ materially from this Agreement, for example by providing for higher or additional fees, and materially different obligations compared to this Agreement, but no new initial franchise fee will be required;

xvi. Franchisee or the transferee must pay Franchisor a non-refundable transfer fee in the amount of eight thousand eight hundred dollars (\$8,800);

xvii. Franchisee and its owners must execute a general release, in a form satisfactory to Franchisor, of any and all claims, liabilities and obligations, of every nature, known or unknown, against Franchisor and any affiliates of Franchisor;

xviii. Franchisee's obligation to pay any amount owed to Franchisor (if for any reason not paid-in-full prior to transfer) and Sections 32(a), 32(d), 33(e), 34, 45, 50, 53(b) - (e) and 54 of this Agreement and any other obligations of Franchisee arising prior to transfer, shall survive any transfer by Franchisee.

d. *Right of First Refusal:* If Franchisee wants to transfer any interest in the Parker-Anderson Franchise or in Franchisee, Franchisee shall, at least sixty (60) days before the proposed transfer, notify Franchisor in writing. The notice shall state the name of the proposed transferee, a description of the offered property, all terms and conditions of the proposed transfer, and be accompanied by a fully executed purchase and sale agreement and all related documents and instruments. The purchase and sale agreement must expressly state that its effectiveness is conditioned on Franchisor waiving its right of first refusal and Franchisor granting written consent to the transaction. The sixty (60) day notice period shall start on receipt by Franchisor of all documents described in this Section 51(d) and any additional documents and information that Franchisor reasonably requests.

e. *Franchisor Exercises Right:* Within the sixty (60) day notice period, Franchisor may elect to purchase the offered property on the terms and conditions in the purchase and sale agreement. If Franchisor exercises this right of first refusal, then: (a) Franchisor shall have the right to substitute cash for any form of payment proposed in the offer; (b) Franchisor shall have the right to limit the scope of the offer and purchase and sale agreement to only the franchise-related assets and adjust the price and terms accordingly; (c) Franchisor's credit-worthiness shall be deemed to be at least as good as the proposed purchaser; (d) Franchisor shall have at least sixty (60) days after notifying Franchisee of its election to exercise the right of first refusal, to prepare for closing; and (e) Franchisor shall be entitled to receive written representations and warranties from Franchisee that Franchisee owns clear title to all assets being sold, transferred or assigned; all tangible assets are in good working condition; there is no breach of this Agreement or any agreement affecting the business; and that there are no liabilities of Franchisee that have not been disclosed to Franchisor in writing.

f. *Franchisor Declines:* If franchisor does not exercise its right of first refusal, Franchisor shall notify franchisee whether the proposed transfer has been approved. Declining to exercise the right of first refusal does not obligate Franchisor to consent to the transfer.

g. *Entity Franchisee:* If Franchisee is an entity; or if Franchisee is an individual who wants to transfer all the rights and obligations under this Agreement and assets of the business to a corporation or LLC to be owned by Franchisee, then the following shall be satisfied at all times with regard to the entity (and these are among the conditions Franchisor may impose, to giving consent to the transfer to an entity):

i. the entity must execute such documents as Franchisor may require, including but not limited to, an assumption by the entity of all Franchisee's obligations under this Agreement;

ii. all owners of the entity owning twenty-five percent (25%) or more of the entity's securities, must personally guarantee and covenant to ensure compliance by the entity of all provisions of this Agreement;

iii. in connection with a proposed transfer to the entity, you and each and all owners of the entity must execute a general release in a form satisfactory to Franchisor, of any and all claims, liabilities and obligations, known or unknown, against Franchisor and persons and entities affiliated with Franchisor;

iv. Franchisee shall provide Franchisor certified copies of the articles of incorporation, bylaws, articles of organization, and/or comparable formation/governing documents of the entity and such documents shall contain provisions noting that transfer of ownership of shares/unites or other securities are restricted and are subject to the restrictions in this Agreement;

v. Franchisee shall not use: "Parker-Anderson" or any other Mark, in whole or in part, or any variation or derivative thereof whether alone or in combination with any other words in the name of the entity.

h. *Death or Incapacity:* If Franchisee is an individual who dies, or becomes permanently incapacitated, then Franchisor shall allow the deceased's surviving spouse, heirs, or estate or the incapacitated person's legal representative, the opportunity to participate in ownership of Franchisee or the Parker-Anderson Franchise during up to one hundred eighty (180) days after the death or incapacity, provided during that time the surviving spouse, heirs or estate or legal representative: (a) maintains all standards of the franchise, performs all obligations of Franchisee and satisfies all then-current qualifications for a purchaser of a franchise or, (b) in accordance with all provisions of this Agreement, sells the person's ownership interest in Franchisee or, if applicable, this Agreement and the business to a person who satisfies Franchisor's then-current standards for new franchisees.

i. *Entity:* If Franchisee is an entity, then the death or incapacitation of a shareholder, member, partner, director, manager or principal officer of Franchisee shall not automatically constitute an assignment or transfer of this Agreement under Section 51, provided that during one hundred eighty (180) days after the death or incapacitation the surviving spouse, heirs or estate or the incapacitated person's legal representative (a) maintains all standards of the franchise, performs all obligations of Franchisee and satisfies all then-current qualifications for a purchaser of a franchise or, (b) in accordance with the all provisions of this Agreement, sells such person's ownership interest in Franchisee or, if applicable, this Agreement and the business to a person who satisfies Franchisor's then-current standards for new franchisees.

j. *Operation:* From the date of death or incapacity until satisfied that a qualified and trained manager has assumed full time operational supervision of the business, Franchisor or its nominee shall have the right, but no obligation, to enter and operate the business. A decision by Franchisor in this regard shall be deemed to be an accommodation to assist Franchisee. Accordingly, Franchisor or the nominee makes no representation regarding ability to operate profitably, and Franchisor or the nominee shall not be responsible for results of such operation. Franchisee shall reimburse all Franchisor's or the nominee's expenses incurred in operating the business pursuant to this Section including but not limited to travel, lodging, meals, and personnel compensation; and shall pay Franchisor or the nominee, in addition to all other amounts provided for in this Agreement, a management fee equal to five hundred fifty dollars (\$550) per day for the period of operation. Franchisor or the nominee shall have the right to cause itself to be paid and reimbursed any or all these amounts from revenues of the business, as well as all other amounts required to be paid under this Agreement.

52. *Termination:*

a. *Termination by Franchisee:* Franchisee is not permitted to terminate this Agreement for breach by Franchisor. If Franchisee claims breach by Franchisor, or other basis for terminating this Agreement or making a claim against Franchisor, Franchisee shall give Franchisor written notice and thirty (30) days to cure the alleged act or omission. If not cured within thirty (30) days of receipt of notice, the dispute resolution provisions in Section 54(s) shall apply.

b. *Termination By Franchisor Without Opportunity to Cure:* This Agreement shall, at Franchisor's option, terminate immediately on delivery of notice of termination to Franchisee, without opportunity to cure, if Franchisee or any of its owners, members, directors, partners, officers or managers:

i. Fails or refuses to pay any amount due to Franchisor or any related entity of Franchisor, whether for royalties/commissions or other fees or charges, and does not correct the failure or refusal within five (5) days after written notice of the failure is delivered to Franchisee; or

Any decision by Franchisor in this regard shall be deemed to be an accommodation to assist Franchisee. Franchisor makes no representation regarding its or the nominee's ability to operate the business profitably, and Franchisor and the nominee shall not be responsible for results of operation. Franchisee shall reimburse all Franchisor's or the nominee's expenses incurred to operate the business pursuant to this Section 52(d), including but not limited to travel, lodging, meals, and personnel compensation; and shall pay Franchisor or the nominee, in addition to all other amounts provided for in this Agreement, a management fee equal to five hundred fifty dollars (\$550) per day for the period of operation by Franchisor or the nominee. Franchisee shall furnish Franchisor with proof of compliance with this obligation within ten (10) days after termination or expiration.

v. Franchisee shall immediately pay all sums owing to Franchisor, including but not limited to, all damages, costs and expenses, including reasonable attorneys' fees and lost royalties/commissions incurred by Franchisor as a result of Franchisee's breach. Expiration or termination of this Agreement does not constitute an election of remedies and does not waive or release Franchisor's claims for lost future royalties/commissions or other amounts.

vi. Franchisee shall pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor after termination or expiration in obtaining injunctive or other relief for enforcement of any provisions of this Agreement.

x. Franchisee shall comply with the covenants contained in Section 53(b) (inclusive of Sections 53(b) - (e)) of this Agreement.

h. *Failure of Franchisee to Act:* Franchisee appoints Franchisor and Franchisor's personnel and/or Franchisor's nominee as attorney-in-fact with authorization to take any action(s) necessary or convenient in Franchisor's judgment, all at Franchisee's risk and expense, which Franchisee is obligated but fails to take pursuant to Section 52(g) and 53(b).

53. *Non-Competition Restrictions:*

a. *During Term of Agreement:* Franchisee acknowledges and agrees that Franchisor could not protect its trade secrets and other confidential information against unauthorized use or disclosure and could not achieve the freest and fullest exchange and development of ideas and information among Parker-Anderson franchise owners if franchise owners held an interest in any Competitive Business during the term of this Agreement. Franchisee acknowledges that Franchisor entered into this Agreement partly in consideration of and reliance on Franchisee's agreement to deal exclusively with Franchisor. Franchisee agrees that during the term of this Agreement Franchisee shall assure that Franchisee and all persons who own directly or indirectly twenty-five percent (25%) or more of the equity or voting interest in Franchisee, and each member of the immediate family of Franchisee and of each such person, shall not:

i. engage in or perform services for a Competitive Business, directly or indirectly, as a director, owner, proprietor, officer, manager, employee, consultant, representative, agent, independent contractor or otherwise, except under a franchise agreement with Franchisor;

ii. have a direct or indirect legal or beneficial ownership interest in a Competitive Business, except under a franchise agreement with Franchisor;

iii. have a direct or indirect legal or beneficial ownership interest in any entity which is granted or is granting franchises or licenses to others to operate a Competitive Business, except under a franchise agreement with Franchisor;

iv. knowingly engage in any activity to solicit away, encourage or induce any customer doing business with a Parker-Anderson business, to instead do business with Franchisee.

b. *Post-Term Restriction:* Franchisee acknowledges and agrees that Franchisor could not protect its trade secrets and other confidential information against unauthorized use or disclosure, could not achieve the freest and fullest exchange and development of ideas and information among Parker-Anderson franchise owners, and would be exposed to unfair forms of competition by Franchisee if Franchisee or franchise owners held an interest in any Competitive Business following the expiration or termination of this Agreement. Franchisee agrees that for a period of one (1) year after expiration or termination of this Agreement, Franchisee shall assure that Franchisee and all persons who own directly or indirectly twenty-five percent (25%) or more of the equity or voting interest in Franchisee, and each member of the immediate family of Franchisee and of each such person, shall not:

i. engage in or perform services for a Competitive Business that has any operations in or touching the Restricted Zone, whether directly or indirectly, as a director, owner, proprietor, officer, manager, employee, consultant, representative, agent, independent contractor or otherwise, except under a franchise agreement with Franchisor;

ii. have a direct or indirect legal or beneficial ownership interest in a Competitive Business that has operations in or touching the Restricted Zone, except under a franchise agreement with Franchisor;

iii. have a direct or indirect legal or beneficial ownership interest in any entity which is granted or is granting franchises or licenses to others to operate a Competitive Business in or touching the Restricted Zone, except under a franchise agreement with Franchisor;

iv. knowingly engage in any activity to solicit away, encourage or induce any customer doing business with a Parker-Anderson business, to instead do business with Franchisee.

c. *Competitive Business:* For this Agreement “Competitive Business” means a business or other venture that develops, engages in or provides interactive education, recreation entertainment enrichment activities for children or grants franchises or licenses to others to operate or be involved in providing interactive education, recreation or entertainment enrichment programs for children.

d. *Restricted Zone:* For this Agreement “Restricted Zone” means the larger of the geographic territory serviced by, or a one (1) mile radius from, the office of a company-owned, affiliate owned, licensed or franchised Parker-Anderson business.

e. *Owning Listed Securities:* This Section 53 shall be deemed not to prohibit Franchisee from owning up to two percent (2%) of the issued and outstanding shares of a class of stock of a publicly traded company.

54. *Additional Terms:*

a. *Independent Contractors:* The parties desire to be and shall be deemed to be independent contractors. The parties shall be deemed not to have any form of fiduciary or special relationship, any principal-agent, legal representative, joint venture, partnership, employer-employee or other relationship, for any purpose. Franchisee shall not represent or imply that it is an agent of Franchisor. Franchisee has no right, power or authority to and shall not purport to make any contract, agreement, warranty or representation on behalf of Franchisor or create any obligation, express or implied, on behalf of Franchisor. Neither this Agreement nor Franchisor’s course of conduct is intended, nor may anything in this Agreement (nor Franchisor’s course of conduct) be construed, to state or imply that Franchisor is the employer of Franchisee’s employees.

b. *Independent Ownership:* Franchisee shall place conspicuous notices on Franchisee’s letterhead, business cards, publicity inserts, brochures, agreements and all other printed documents and communications used by Franchisee, and in any office or location used by Franchisee, that the Parker-Anderson Franchise is independently owned and operated by Franchisee and stating Franchisee’s true name.

c. *Price Adjustments:* Franchisor shall have the right to adjust upward for inflation on an annual basis, any fees or charges set, provided for or described in this Agreement or otherwise as a dollar amount or fixed amount. Any such adjustment shall be based on increases reflected by a reasonable inflation index published by the U.S. Government.

d. *Taxes and Regulations:* Franchisor shall not be liable for any sales, service, use, excise, income, gross receipts, property, payroll or other tax levied against Franchisee or Franchisee’s assets or against Franchisor in connection with the business Franchisee conducts or any payments Franchisee makes pursuant to this Agreement or any agreement (except for Franchisor’s own income taxes and any taxes Franchisor is required by law to collect from Franchisee on purchases from Franchisor). If any amount to be paid or reimbursed

under this Agreement to Franchisor, or any affiliate of Franchisor, becomes subject to a gross receipts tax, value added tax, sales tax, use tax, personal property tax or similar tax imposed on or required to be collected or paid by Franchisor, then Franchisee must pay or reimburse an additional amount to Franchisor or to Franchisor's affiliate, as the case may be, so the amount actually received by Franchisor or the affiliate after such deduction, payment or withholding will equal the full amount due from Franchisee under this Agreement. If laws applicable in the Territory require Franchisee to withhold tax on any payment which Franchisee is obligated to make to Franchisor, Franchisee shall timely pay to the appropriate taxing authorities all withholding and/or other taxes and provide Franchisor with proof of payment five (5) days after payment. Franchisee shall do all such other things and take such other steps as may be reasonably required to enable Franchisor to obtain any tax credit which may be available.

e. *Legal Compliance:* Franchisor shall not be liable or responsible for Franchisee's compliance or failure to comply with any and all laws, rules, and regulations imposed by any government agency. It is Franchisee's obligation to ensure compliance with all laws and regulations.

f. *Severability:* Except as otherwise stated in this Agreement, each provision of this Agreement and any portion is severable. The remainder of this Agreement shall remain in full force and effect. To the extent any provision restricting Franchisee's competitive activities is deemed unenforceable, Franchisor and Franchisee agree that such provision shall be enforced to the fullest extent permissible under applicable law.

g. *Waivers:* Franchisor shall be deemed not to have waived any right to demand exact compliance with any provision of this Agreement. Franchisor's waiver of any particular breach or series of breaches or of any similar terms in any other agreement between the parties or between the parties and any other franchisee, shall not affect Franchisor's rights regarding any later breach by Franchisee or any other franchisee. The rights and remedies in this Agreement are cumulative and neither Franchisor nor Franchisee will be prohibited from exercising any other right or remedy under this Agreement or law or equity.

h. *Force Majeure:* A party shall not be liable for loss or damage and shall be deemed not to be in breach of this Agreement, for a failure to perform that results from required or attempted compliance with an applicable law, rule, order, regulation, requirement or instruction of a federal, state or municipal government or department or agency or act of God. However, the foregoing shall not excuse timely payment of amounts owed. FRANCHISOR SHALL HAVE NO LIABILITY FOR ANY CLAIM, LOSS OR OTHER DAMAGE OR INJURY WHATSOEVER TO FRANCHISEE OR ANY CUSTOMER(S) OR OTHER(S) FOR OR FROM OR ON ACCOUNT OF: BUG, ERROR OR FLAW IN OR INTRODUCED TO ANY COMPUTER PROGRAM, ONE OR MORE INTERRUPTIONS IN, TEMPORARY OR EXTENDED UNAVAILABILITY OF, OR OTHER TECHNICAL DIFFICULTY(S), THAT IN ANY WAY AFFECT OR DISRUPT THE OPERATION OF OR ACCESS TO, OR AFFECT OR DISRUPT ANY PERSON'S OR ENTITY'S RECEIPT OF COMMUNICATION OR OTHER TRANSMISSION TO OR FROM ANY WEBSITE, DATABASE, HOST COMPUTER OR OTHER COMPUTER, SERVER OR INTERNET-BASED SERVICE OR CONNECTION, OR THAT AFFECT OR DISRUPT ANY PART OF THE CHAIN-OF-COMMUNICATION OR ANY PROCESS IN THE CONDUCT OF TRANSACTIONS OVER THE INTERNET, OR THAT AFFECT OR DISRUPT ANY PROCESS IN THE CHAIN OF CREDIT CARD PROCESSING; DISRUPTION OR OTHER PROBLEM ARISING FROM HACKING OR OTHER MALICIOUS ACTIVITY; DOWN-TIME OR OTHER DISRUPTION DUE TO MAINTENANCE OR REPAIR, OR ANY OTHER OCCURRENCE OR EVENT THAT IS FULLY OR PARTLY OUTSIDE OF FRANCHISOR'S CONTROL.

i. *Approvals:* Whenever this Agreement requires Franchisor's prior approval, or consent, Franchisee shall make a timely written request for it. j. *No Assumption of Liability:* Franchisor shall not, by virtue of any approval, consent, advice or services, assume responsibility or liability to Franchisee or any third party.

k. *Damages Limitation:* BOTH PARTIES AGREE THAT IN A DISPUTE, THE PARTY MAKING THE CLAIM SHALL BE LIMITED TO EQUITABLE RELIEF AND RECOVERY OF ACTUAL DAMAGES. BOTH PARTIES WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHTS TO, OR CLAIMS FOR, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER.

l. *Law:* This Agreement takes effect upon its acceptance and execution by Franchisor in California, and shall be interpreted and construed under the laws of California. In the event of any conflict of law, the laws of California shall prevail, without regard to the application of California conflict of law rules. If, however, any provision of this Agreement would not be enforceable under the laws of California, and if the Business is located outside of California and such provision would be enforceable under the laws of the state in which the Business is located, then such provision shall be interpreted and construed under the laws of the state. Nothing in this Section 54(l) is intended by the parties to subject this Agreement to any franchise or similar law, rules, or regulation of any state to which it would not otherwise be subject.

m. *Costs and Attorney Fees:* The party prevailing in any arbitration or court proceeding between the parties shall be entitled to recover its reasonable attorneys' fees and court costs.

n. *Binding Effect:* This Agreement binds and benefits the parties and their respective permitted successors and assigns.

o. *Entire Agreement:* This Agreement, including its introduction any addendums and exhibits, is the parties' entire Agreement. Any oral or written discussions, understandings or agreements are merged into and superseded by this Agreement. However, this Section 54(o) does not disclaim or require Franchisee to waive reliance on any statement in the Franchise Disclosure Document provided to Franchisee. This Agreement may be modified only by written agreement signed by both parties. Franchisor's revisions to the PAE Manual and/or policy announcements and the like are deemed to be made pursuant to this Agreement and do not constitute modifications of this Agreement.

p. *Entity Franchisee:* If Franchisee is a business organization like a corporation, limited liability company or partnership. Franchisee represents, warrants and agrees that: (a) Franchisee is duly organized or incorporated, validly existing and in good standing under the laws of the state of its incorporation or formation; (b) Franchisee has full authority to execute, deliver and perform this Agreement; and (c) Franchisee shall cause each direct and indirect owner of at least twenty-five percent (25%) of the equity and/or voting securities of Franchisee and the spouse/domestic partner of each such person to sign and deliver Franchisor's standard form of personal guaranty.

q. *Construction:* Headings and section numbers in this Agreement are only for convenience and shall not be used to interpret or construe this Agreement. If two or more persons are the franchisee hereunder, whether as partners, joint venturers or otherwise, their promises, obligations, liabilities, representations and warranties shall be joint and severable among them. This Agreement may be signed in multiple copies, each of which shall be deemed to be an original and all, when taken together, shall comprise one and the same instrument. The singular use of a pronoun also includes the plural; the masculine, feminine and neuter usages each include the others.

r. *Time of Essence:* Franchisee shall be obligated to perform all obligations within the time stated in this Agreement; the time for performance of each obligation of Franchisee is part of the essence of this Agreement.

s. *Solving Disputes:* All disputes arising out of or in connection with this Agreement, or in respect of any legal relationship associated with or derived from this Agreement, shall be resolved by final and binding arbitration before a single arbitrator of and according to the then applicable rules of JAMS in Los Angeles, California. At the time of entering into this Agreement the rules can be viewed at: www.jamsadr.com. If JAMS is not in existence at the time then references in this Section to JAMS shall instead refer to the American Arbitration Association. The arbitration shall be conducted in Los Angeles, California. The arbitrator shall be a retired judge who has significant experience in franchising law either as a practitioner or having decided franchise law disputes. Each party shall initially bear its own fees and costs of arbitration. The arbitration shall have authority to award fees and costs to the prevailing party. Judgment on the award of the arbitrator may be entered in any court having jurisdiction.

t. *Provisional/Equitable Relief:* Section 54(s) shall not prevent a party from obtaining temporary restraining orders, temporary or preliminary injunctive relief, writs of attachment and/or other provisional relief in aid of arbitration in any court having jurisdiction.

u. *Survival.* Sections 32(a), 32(d), 32(e), 33(e), 34, 45, 50, 52(e), 52(g), 53(b) - (e), this Section 54 and all other provisions which expressly or by nature survive expiration or termination of this Agreement shall continue in full force and effect after and notwithstanding expiration or termination and until they are satisfied or by their nature expire. Franchisee remains liable for any and all obligations of the business incurred prior to and following the effective date of expiration or termination of this Agreement.

v. *Notices:* Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by certified mail, return receipt requested, or by overnight delivery service (such as FedEx or UPS or the like) to the party's address stated on the first page of this Agreement, or other address of which a party has given notice.

The undersigned waives, releases, acquits and discharges Franchisor and its predecessors, successors, assigns, affiliated entities, stockholders, directors, officers, members, managers, employees, attorneys, accountants, agents and representatives (collectively “Released Parties”) of and from any and all manner of action or actions, cause or causes of action, in law or in equity, suits, debts, liens, contracts, agreements, promises, liabilities, claims, demands, damages, losses or expenses, of any and every nature whatsoever, known or unknown, fixed or contingent, by reason of any matter, cause or thing whatsoever from the beginning of time to the date of this instrument, which the undersigned now has, or may ever have had, against any Released Parties occurring or arising any time before, through and including the Effective Date of this General Release (“Claims”).

If this General Release is required as a condition to granting a franchise agreement, the release shall be deemed to exclude Claims arising from representations in the particular Franchise Disclosure Document related to the grant of the franchise agreement and claims for violations of any applicable federal or state franchise registration and pre-sale disclosure law, to the extent a release is precluded by applicable law.

“A General Release does not extend to claims that creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.”

The undersigned, being aware of this Code section, expressly waive(s) all of his or her or its rights thereunder as well as under any other statutes or common law principles of similar effect of any applicable jurisdiction.

The undersigned acknowledges being aware that if the facts relied on in signing this General Release are discovered later to be other than or different from the facts now believed to be true, or if additional facts are discovered, the undersigned expressly accepts the risk of such possible different or additional facts and agrees this General Release shall remain effective despite any such discoveries. _____, 20__

FOR VALUE RECEIVED, _____ (“Maker”), hereby promises to pay to Parker-Anderson Enrichment, Inc. a California corporation (“Holder”), at 16526 Arminta Street, Van Nuys, California 91406, or at such other place as Holder may from time to time designate in writing, the principal sum of _____ Dollars (\$ _____), with interest on the unpaid principal balance of this Secured Promissory Note (“Note”) from the date of this Note until paid in full at the rate of ___ percent (___%) per annum (“Interest Rate”).

1. Payment. Principal and interest under this Note are payable in ___ equal monthly installments, each in the amount of _____ Dollars (\$ _____). Maker shall make each payment to Holder on the first day of each month following the date of this Note. On _____, the entire unpaid principal balance of this Note, together with accrued interest, shall be due and payable.

2. Prepayment. This Note is prepayable, in whole or in part, at any time by Maker upon thirty (30) days’ written notice to Holder; provided, however, that, concurrently with such prepayment, Maker shall pay Holder any prepayment penalties and other charges that will be incurred by Holder under any loan arrangements with its lenders as a result of any corresponding prepayment by Holder of any such loans.

3. Security. This Note is secured by a Security Agreement dated _____, 20__ (“Security Agreement”) which encumbers certain personal property described therein.

4. Late Charge and Default Rate. Maker recognizes that any default in the payment of any installment of principal or interest due hereunder will result in losses and additional expenses to Holder in servicing the indebtedness evidenced hereby, handling such delinquent payments and meeting its financial obligations, and that the damages caused thereby would be extremely difficult and impractical to ascertain. Therefore, if any installment of principal or interest due hereunder becomes overdue for a period more than five (5) days, a late charge of ten percent (10%) of the delinquent amount may be charged by Holder, at its option, to defray such losses and expenses. If applicable law requires a lesser charge, the maximum rate permitted by law may be charged. Any late charge that accrues during a month shall be payable on the next monthly payment date. Maker agrees that the payment of the late charge set forth in this Paragraph 4 is a reasonable estimate of the damage to Holder in the event of a late payment. The late fee provided in this Paragraph shall be payable in addition to all other remedies of Holder hereunder, at law or in equity.

5. Acceleration. If Maker fails to pay any installment of principal or interest within five (5) days after the same is due, or if any other default occurs under this Note, the Security Agreement or any other Franchise Document (as defined in the Security Agreement), the entire unpaid principal balance, accrued interest and other sums payable hereunder shall, at the option of Holder, become immediately due and payable without demand or notice.

6. Application of Payments; No Setoffs. Each payment hereunder shall be credited first upon interest then accrued and the remainder, if any, upon principal; interest shall cease to accrue upon principal so credited. All sums payable hereunder or under the Security Agreement shall be payable without offset, demand, abatement or counterclaim of any kind or nature whatsoever, all of which are hereby waived by Maker. Principal and interest shall be payable in lawful money of the United States of America.

7. Calculation of Interest Rate. All agreements between Maker and Holder are expressly limited so that in no event whatsoever, whether by reason of advancement of the proceeds hereof, acceleration of the maturity of the unpaid principal balance hereof, or otherwise, shall the amount paid or agreed to be paid to Holder for the use, forbearance or detention of the money to be advanced hereunder exceed the highest lawful rate permissible under applicable usury laws. In the event performance of any obligation of Maker under this Note, the Security Agreement or any other document referred to herein shall require the payment of interest in excess of such highest lawful rate, then such obligation shall, automatically and retroactively to the date of this Note, be deemed reduced to the highest lawful rate permissible under applicable usury laws. If Holder ever receives as interest an amount which would exceed such highest lawful rate, the amount of excessive interest shall not be applied to the payment of interest, but shall, automatically and retroactively to the act of payment, be applied to the reduction of the unpaid principal balance due hereunder, and, if and to the extent such amount of excessive interest exceeds such principal balance, be immediately returned by Holder to Maker without interest. This provision shall control every other provision of all agreements between Maker and Holder.

8. Waiver. Maker and all other parties who may be directly or indirectly liable hereunder waive (a) presentment, protest and demand, diligence in collection and notice of protest, presentment, demand, dishonor and nonpayment of this Note and (b) any release or discharge arising from any extension of time, discharge of any party liable for payment of this Note, release of any or all of the security for this Note, or other cause of release or discharge other than actual payment in full of this Note.

9. No Waiver. Holder shall not be deemed, by any act or omission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by Holder and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as a bar to or waiver of any right or remedy as to any subsequent event. No delay or omission of Holder to exercise any right, whether before or after a default hereunder, shall impair any such right or shall be construed to be a waiver of any right or default, and the acceptance at any time by Holder of any past-due amount shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable.

10. Severability. Any provision of this Note which may be prohibited by law or otherwise held invalid shall be ineffective only to the extent of such prohibition or invalidity and shall not invalidate or otherwise render ineffective the remaining provisions of this Note.

11. Choice of Law. This Note, and the rights and obligations hereunder of each of the parties hereto, shall be governed by and construed in accordance with the laws of the State of California, without reference to principles of conflicts of law.

12. Successors and Assigns. The terms, covenants and conditions contained herein shall be binding upon the heirs and successors of Maker and shall inure to the benefit of the successors and assigns of Holder.

13. Costs and Expenses. If any amount under this Note is not paid when due, Maker promises to pay immediately upon demand all costs and expenses of collection, including without limitation actual attorneys' fees, incurred by Holder to enforce the terms of this Note and/or the Security Agreement.

14. Venue and Jurisdiction. Maker agrees that any suit, action or proceeding arising out of or relating to this Note, or the interpretation, performance or breach of this Note, may be instituted in the United States District Court for the Central District of California or any court of the State of California located in Los Angeles County, and Maker irrevocably submits to the jurisdiction of those courts and waives

any and all objections to jurisdiction or venue that it may have under the laws of the State of California or otherwise in those courts in any such suit, action or proceeding. The provisions of this paragraph shall not be deemed to preclude Holder from filing any suit, action or proceeding in any other appropriate forum.

15. Assignment. Holder may assign this Note and any security for this Note (or any interest therein) without notice to Maker or the consent of Maker. Maker shall have no right or power to assign or delegate any obligations under this Note.

16. Entire Agreement. This Note contains all of the terms and conditions agreed on by Maker and Holder with respect to the subject matter of this Note. This Note supersedes all prior negotiations, discussions, correspondence and agreements between Maker and Holder on its subject. This Note cannot be modified or changed except by written instrument signed by Maker and Holder.

17. Miscellaneous. If this Note is executed by more than one person or entity as Maker, the obligations of each such person or entity shall be joint and several. Each right, power and remedy of Holder provided in this Note, the Security Agreement, any other document securing this Note or at law, in equity or otherwise shall be cumulative and may be pursued singularly, successively or together at the sole discretion of Holder, and the failure to exercise any such right, power or remedy shall in no event be construed as a waiver or a release thereof.

(h) Validity of Security Agreement Contested. This Security Agreement shall cease to be in full force and effect or shall be declared null and void, or the validity or enforceability thereof shall be contested by the Franchisee, or the Franchisee shall deny that it has any or further liability or obligation under this Security Agreement.

5.2 Remedies upon Event of Default.

(a) Acceleration. Upon the occurrence and during the continuance of an Event of Default under Section 5.1(j) or (k), without further act, all Secured Obligations and all amounts owing under this Security Agreement shall automatically accelerate and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, anything herein or in any other Franchise Document to the contrary notwithstanding. Upon the occurrence and during the continuance of an Event of Default under Section 5.1(a), (b), (c), (d), (e), (f), (g), (h) or (i), unless such Event of Default shall have been waived in writing by Franchisor, all Secured Obligations and all amounts owing under this Security Agreement, shall automatically accelerate and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, anything herein or in any other Franchise Document to the contrary notwithstanding.

(b) Other Remedies. In addition to the foregoing and all other rights and remedies that the Franchisor may have under applicable law or in equity, upon the occurrence and during the continuance of an Event of Default, the Franchisor shall have, in any jurisdiction where enforcement hereof is sought, all rights and remedies of a secured party under the California Uniform Commercial Code (the "Code") and, in addition, the following rights and remedies, all of which, except as otherwise specified herein or required by law, may be exercised with or without notice to the Franchisee and without affecting the Secured Obligations of the Franchisee or the enforceability of the security interest created hereby:

(i) to foreclose the liens and security interests created hereunder or under any other agreement relating to any Collateral by any available judicial procedure or without judicial process;

(ii) to secure, protect, insure, inventory, appraise, inspect, repair, preserve, store, prepare, and process, the Collateral and enter upon any premises where any Collateral may be located for any such purpose;

(iv) to sell, assign, lease or otherwise dispose of any Collateral, or any part thereof, either at public or private sale, in lot or in bulk, for cash, on credit or otherwise, with or without representations or warranties and upon such terms as shall be acceptable to the Franchisor;

(v) to enter upon any premises where the same may be located and remove therefrom any and all Collateral, and the Franchisor may, at the cost and expense of the Franchisee, use such of its supplies, equipment, facilities and space at the Franchisee's place of business as may reasonably be necessary or appropriate to properly administer, process, store, repair, control, prepare for sale or disposition and/or sell or dispose of the Collateral or to properly administer and control the handling of collections and realizations thereon, and the Franchisor shall be deemed to have a rent-free tenancy of any premises of the Franchisee for such purposes and for such periods of time as reasonably required by the Franchisor;

(vi) to make such payments and do such acts as the Franchisor may deem necessary to protect its security interest in the Collateral and perform any obligation of the Franchisee under this Security Agreement; and

(vii) to exercise all other rights, powers, privileges, and remedies of an owner of the Collateral, all at the Franchisor's sole option and as the Franchisor in its sole discretion may deem advisable.

(c) Possession of Collateral. Upon the occurrence and during the continuance of an Event of Default, the Franchisor shall have the right, without notice or demand, either in person, by agent or by a receiver to be appointed by a court (and the Franchisee hereby expressly consents upon the occurrence of an Event of Default to the appointment of such a receiver), and without regard to the adequacy of any security for the Secured Obligations, to take possession of the Collateral or any part thereof and to collect and receive the rents, revenues, income and proceeds therefrom. Taking possession of the Collateral shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice. The rights, remedies and powers of any receiver appointed by a court shall be as ordered by such court.

(d) Sale of the Collateral. Any public or private sale or other disposition of the Collateral may be held at any office of the Franchisor where such sale may be commercially reasonable, or at the Franchisee's place of business, or at any other place permitted by applicable law, and without the necessity of the Collateral being within the view of prospective purchasers. The Franchisor may direct the order and manner of sale of the Collateral, or portions thereof, as it in its sole and absolute discretion may determine, and the Franchisee expressly waives any right to direct the order and manner of sale of any Collateral. The Franchisor or any person on the Franchisor's behalf may bid and purchase at any such sale or other disposition.

(e) Notice of Sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Franchisor will send to the Franchisee reasonable written notice of the date, time and place of any public sale thereof or of the time and date on or after which any private sale thereof is to be made. The requirement of sending reasonable notice conclusively shall be met if such notice is given by any of the methods set forth in Section 7.21 at least 5 days before the date of the sale. The Franchisee expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations (other than any publication required by applicable law) except as expressly provided for in this Section 5.2(e).

(f) Nature of Sale. Upon the consummation of any sale of Collateral, the Franchisor shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of the Franchisee or any other person, and the Franchisee hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereinafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, the Franchisor shall not be required to apply any portion of the sale price to the Secured Obligations until such amount actually is received by the Franchisor, and any Collateral so sold may be retained by the Franchisor until the sale price is paid in full by the purchaser or

purchasers thereof. The Franchisor shall not incur any liability in case any such purchaser or purchasers shall fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

(g) Cumulative Remedies. The Franchisor shall have the right to enforce one or more remedies hereunder successively or concurrently, and any such action shall not estop or prevent the Franchisor from pursuing any further remedy that it may have hereunder or by law.

5.3 Application of Proceeds. The net cash proceeds resulting from the collection (including any collection of insurance proceeds), liquidation, sale, lease or other disposition of the Collateral shall be applied, first to the reasonable expenses (including, without limitation, attorneys' fees and disbursements) of retaking, holding, storing, processing, repairing and preparing for sale or lease, selling, leasing, collecting, liquidating and the like, and then to the satisfaction of the other Secured Obligations in such order as shall be determined by the Franchisor in its sole and absolute discretion. The Franchisee shall pay to the Franchisor on demand any deficiency with regard thereto that may remain after any sale, disposition, collection or liquidation of the Collateral. Any surplus held by the Franchisor after payment in full of all Secured Obligations shall be remitted to the Franchisee.

6. THE FRANCHISOR APPOINTED ATTORNEY-IN-FACT

6.1 Appointment. The Franchisee hereby irrevocably nominates and appoints the Franchisor as its attorney-in-fact with full power of substitution, for all or any of the following purposes:

(a) Protection of Collateral. To do all acts and things that the Franchisor may deem necessary or advisable to perfect and continue to perfect the security interest created by this Security Agreement and, upon the occurrence of an Event of Default, to preserve, process, develop, maintain, repair and protect the Collateral.

(b) Acts Under This Security Agreement. Upon the occurrence of an Event of Default, to do any and every act that the Franchisee is obligated to do under this Security Agreement, at the expense of the Franchisee and without any obligation to do so.

(c) Collateral Documentation. To prepare, sign, file and/or record, for the Franchisee, in the name of the Franchisee, any financing statement, continuation statement, application for registration or like paper, and to take any other action deemed by Franchisor necessary or desirable to perfect or maintain perfected its security interest in the Collateral.

(d) Title Transfer. Upon the occurrence of an Event of Default, to sign any certificate of ownership, registration card, application therefor, affidavits or documents necessary to transfer title to any of the Collateral and to receive and acknowledge receipt of all licenses, registration cards and certificates of ownership.

(e) Sign Name of the Franchisee; Other Acts. Upon the occurrence of an Event of Default, to receive, open and dispose of all mail addressed to the Franchisee; to endorse the name of the Franchisee on any notes, acceptances, checks, drafts, money orders or other remittances; to endorse the name of the Franchisee on any invoice, freight or express bill or bill of lading, storage receipt, warehouse receipt or other instrument or document in respect to any account or invoice; to sign the name of the Franchisee to drafts against debtors, assignments or verifications of accounts and notices to account debtors; to station a representative of the Franchisor on the premises of the Franchisee for the purpose of taking any of the actions described in this paragraph, including, but not limited to, taking possession of books and records relating to the accounts referred to herein, and to do all other acts and things necessary or desirable to carry out the intent of this Security Agreement and to preserve and protect the Collateral and the Franchisor's security interest therein; provided,

however, that the Franchisor shall be under no obligation whatsoever to take any of the foregoing actions, and, absent bad faith or actual malice, the Franchisor shall have no liability or responsibility for any act taken or omitted to be taken with respect thereto.

7. MISCELLANEOUS

7.1 Expenses. The Franchisee will upon demand pay to the Franchisor the amount of any and all reasonable advances, charges, costs and expenses, including the fees and expenses of its counsel (including the allocated costs of in-house counsel) and of any experts or agents, that the Franchisor may incur in connection with (a) the creation, perfection and continuation of the Franchisor's security interest in the Collateral and the protection of the Collateral, including, without limitation, the discharging of any prior or subsequent lien or adverse claim against the Collateral or any part thereof, (b) the custody or preservation or sale of, collection from, or other realization upon, any of the Collateral, (c) the exercise or enforcement of any of the rights, powers or remedies of the Franchisor under this Security Agreement, or in equity or by law (including, but not limited to, counsel fees and expenses incurred by the Franchisor in connection with the operation, maintenance or foreclosure of any and all of the Collateral), (d) any workout, restructuring or similar arrangement of the Franchisee, or (e) the failure by the Franchisee to perform or observe any of the provisions of this Security Agreement. Any such amounts payable as provided hereunder or thereunder shall be payable, with interest to the extent provided in Section 7.3, on demand, and shall be additional Secured Obligations secured by the Collateral.

7.2 Indemnity. In addition to the payment of expenses pursuant to Section 7.1, the Franchisee agrees to indemnify, defend, exonerate, pay and hold the Franchisor and the agents of the Franchisor (the "Indemnitees") harmless from and against any and all transfer taxes, documentary taxes, assessments or charges made by any governmental authority by reason of the execution and delivery of this Security Agreement, and any and all liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, and reasonable costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel, including the allocated costs of in-house counsel, to the Franchisor and expert witness fees and disbursements) for such Indemnitees in connection with any investigative, administrative or judicial proceeding, whether or not such Indemnitee shall be designated a party thereto, that may be imposed on, incurred by or asserted against such Indemnitee, in any manner arising out of or in connection with this Security Agreement (the "Indemnified Liabilities"). Notwithstanding the foregoing, "Indemnified Liabilities" shall not include liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements to the extent caused by or resulting from the willful misconduct or negligence of any Indemnitee.

Each Indemnitee will promptly notify the Franchisee of each event of which it has knowledge that may give rise to a claim under this Section 7.2. If any investigative, judicial or administrative proceeding arising from any of the foregoing is brought against any Indemnitee indemnified or intended to be indemnified pursuant to this Section 7.2, the Franchisee, to the extent and in the manner directed by the Indemnitee or intended Indemnitee, will resist and defend such action, suit or proceeding or cause the same to be resisted and defended by counsel designated by the Franchisee (which counsel shall be satisfactory to the Indemnitee or intended Indemnitee). Each Indemnitee will use its best efforts to cooperate in the defense of any such action, writ or proceeding. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Franchisee shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities that is permissible under applicable law.

The obligations of the Franchisee under this Section 7.2 shall survive the termination of this Security Agreement and the discharge of the Franchisee's other obligations under the Franchise Documents.

7.3 Interest. All amounts required to be paid to the Franchisor by the Franchisee pursuant to the provisions of this Security Agreement (including, without limitation, pursuant to Sections 7.1 and 7.2 hereof) shall bear interest from and including the date on which such amounts are due, to and excluding the date of payment thereof, at the rate of 10 percent per annum. All payments of such amounts by the Franchisee shall include any such accrued interest.

7.4 Security Interest Absolute. All rights of the Franchisor hereunder, the security interest, and all obligations of the Franchisee hereunder, shall be absolute and unconditional irrespective of:

(a) Invalidity or Unenforceability. Any lack of validity or enforceability of the Franchise Documents, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing.

(b) Amendments or Waivers. Any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any renewal or extension of all or any of the Secured Obligations or any other amendment or waiver of or any consent to any departure from the Franchise Documents or any other agreement or instrument.

(c) Other Circumstances. Any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Franchisee in respect of the Secured Obligations or in respect of this Security Agreement.

7.5 Assignment. Neither this Security Agreement nor any rights or obligations under this Security Agreement may be assigned by the Franchisee without the prior written consent of the Franchisor.

7.6 Parties in Interest. Nothing in this Security Agreement, expressed or implied, is intended to confer on any person or entity other than the parties any right or remedy under or by reason of this Security Agreement.

7.7 Prompt Action. Time is of the essence with respect to each provision of this Security Agreement.

7.8 Specific Performance. If any party should default in any of its obligations under this Security Agreement, the parties each acknowledge that it would be impracticable to measure the resulting damages and that it may not be possible to adequately compensate the injured party by monetary damages. Accordingly, without prejudice to the right to seek and recover monetary damages, each nondefaulting party shall be entitled to sue in equity for specific performance of this Security Agreement or other injunctive relief, and each party hereby waives any defense that a remedy in damages would be adequate.

7.9 Further Action. Each party agrees to perform any further acts and to execute and deliver any other documents which may be reasonably necessary to effect the provisions of this Security Agreement.

7.10 Survival of Representations and Warranties. All representations and warranties of the parties contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall continue until any and all Secured Obligations have been paid and performed in full.

7.11 Successors and Assigns. Except as otherwise expressly provided in this Security Agreement, this Security Agreement shall be binding on and shall benefit the parties and their respective heirs, executors, administrators, successors and assigns.

7.12 Joint and Several Liability. If Franchisee consists of more than one person or entity, then the obligations and liabilities of each such person or entity to Franchisor shall be joint and several among them.

7.13 Governing Law. This Security Agreement and the legal relations among the parties shall be interpreted, construed and governed by the laws of California, without giving effect to any conflicts of laws.

7.14 Venue and Jurisdiction. The parties agree that any suit, action or proceeding arising out of or relating to this Security Agreement, or the interpretation, performance or breach of this Security Agreement, may be instituted in the United States District Court for the Central District of California or any court of the State of California located in Los Angeles County, and each party irrevocably submits to the jurisdiction of those courts and waives any and all objections to jurisdiction or venue that it may have under the laws of the State of California or otherwise in those courts in any such suit, action or proceeding. The provisions of this Section shall not be deemed to preclude Franchisor from filing any suit, action or proceeding in any other appropriate forum.

7.15 Entire Security Agreement. This Security Agreement contains all of the terms and conditions agreed on by the parties on its subject matter. This Security Agreement supersedes all prior negotiations, discussions, correspondence and agreements between the parties on its subject. This Security Agreement cannot be modified or changed except by written instrument signed by all the parties hereto.

7.16 Headings. Paragraph and section numbers and headings are used in this Security Agreement for convenience only and shall not affect the meaning or construction of any provision of this Security Agreement.

7.17 Gender. All terms used in any one number or gender shall mean and include any other number and gender as the facts, context or sense of this Security Agreement or any provision may require.

7.18 Construction. The provisions of this Security Agreement shall be interpreted and construed according to their fair meaning and not strictly for or against any party.

7.19 Severability. If any provision of this Security Agreement is invalid or unenforceable in a jurisdiction, either in its entirety or by virtue of its scope or application to a circumstance, that provision shall be deemed modified to the extent necessary to be valid or, if such modification is not possible, that provision shall be deemed to be excised from this Security Agreement. This Security Agreement shall be construed and enforced as if that provision were included as modified or were not included, as the case may be. If the invalidity or unenforceability of a provision exists under the laws of only a particular jurisdiction, this paragraph shall operate on that provision only to the extent that the laws of that jurisdiction apply to the provision.

7.20 Counterparts. This Security Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

7.21 Notices. All notices and reports permitted or required to be delivered by a party shall be deemed delivered: (i) when delivered in person; (ii) one business day after transmission by facsimile or other electronic system, or after submission to an overnight carrier such as FedEx or UPS; or (iii) three business days after deposit in the United States Mail by Registered or Certified Mail, return receipt requested, postage prepaid and addressed as follows:

If to Franchisee: _____

or to any other address for Franchisee in Franchisor's books and records. Either party shall have the right to change the address for notice by delivering a notice to the other party in accordance with the provisions of this paragraph.

7.22 Review of Security Agreement. Franchisee acknowledges, represents and warrants that:

(a) Franchisee has read and understands all of this Security Agreement and all of the other related documents, if any, to be executed by Franchisee concurrently or in conjunction with the execution of this Security Agreement; and

(b) Franchisee has had the opportunity to obtain advice and consult with professional advisors, like attorneys and accountants, concerning this Security Agreement, the risks of this Security Agreement and whether or not to enter into this Security Agreement.

7.23 Rights Cumulative. All rights, options, elections, powers and remedies of Franchisor under the provisions of this Security Agreement are cumulative of each other and of every other right, option, election, power or remedy which Franchisor may otherwise have at law, in equity, under the Franchise Agreement and under any other Franchise Documents. The exercise of one or more rights, options, elections, powers or remedies shall not prejudice or impair the concurrent or subsequent exercise of other rights or remedies Franchisor may have upon a default by Franchisee under this Security Agreement.

7.24 Waiver. No delay or omission in the exercise of any right or remedy of Franchisor upon any default by Franchisee shall impair such right or remedy or be construed as a waiver of such default.

Independent Auditor's Report

To the Board and Shareholders'
Parker Anderson Enrichment, Inc.

Opinion

We have audited the accompanying financial statements of Parker Anderson Enrichment, Inc, which comprise the balance sheets as of December 31, 2023, and 2022 the related statements of income, retained earnings, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Parker Anderson Enrichment, Inc. as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Parker Anderson Enrichment, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Parker Anderson Enrichment Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Parker Anderson Enrichment, Inc.
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

1 Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Parker Anderson Enrichment, Inc. (“PAE” or the “Company”), a California S Corporation, was formed on March 5, 2013. The Company was organized to provide franchising opportunities for education programs for students 5-13 years of age. The programs are part of a school and after-school model developed and implemented by the officers of PAE that has had successful results. Primarily, revenue is generated from selling of franchises, licensing of programs, and royalties on gross sales of franchisees. PAE sold its first franchise in January 2015. Through 2022, the Company had franchises in California, Colorado, Georgia, New York, New Jersey, Florida, Maryland, Louisiana, Illinois, North Carolina, and Tennessee. The Company is also registered in Hawaii.

Use of Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclose contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes initial franchise fees upon substantial completion of the services required of the Company as stated in the franchise agreement, which is generally upon opening of the franchise and execution of the franchise agreement. Fees collected in advance are deferred until earned.

Royalty income is based on a percentage of franchisee gross sales and is recognized when earned, which generally occurs as cash is collected by the franchisee.

The Company also licenses its programs to third parties. Licensing income is recorded and amortized over the licensing term.

The Company also collects certain amounts for technology and marketing funds per the franchise agreements.

The Company began to recognize revenues in January 2015.

Reclassifications

Certain prior period amounts were reclassified to conform to current period presentation, none of which changed total assets, members’ equity, or net income.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and interest bearing deposits. The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Fair Value

The carrying amounts reflected in the balance sheet for cash, prepaid expenses, organization costs, accounts payable, and accrued expenses, approximate the respective fair values.

1 Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Parker Anderson Enrichment, Inc. (“PAE” or the “Company”), a California S Corporation, was formed on March 5, 2013. The Company was organized to provide franchising opportunities for education programs for students 5-13 years of age. The programs are part of a school and after-school model developed and implemented by the officers of PAE that has had successful results. Primarily, revenue is generated from selling of franchises, licensing of programs, and royalties on gross sales of franchisees. PAE sold its first franchise in January 2015. Through 2022, the Company had franchises in California, Colorado, Georgia, New York, New Jersey, Florida, Maryland, Louisiana, Illinois, North Carolina, and Tennessee. The Company is also registered in Hawaii.

Use of Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclose contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes initial franchise fees upon substantial completion of the services required of the Company as stated in the franchise agreement, which is generally upon opening of the franchise and execution of the franchise agreement. Fees collected in advance are deferred until earned.

Royalty income is based on a percentage of franchisee gross sales and is recognized when earned, which generally occurs as cash is collected by the franchisee.

The Company also licenses its programs to third parties. Licensing income is recorded and amortized over the licensing term.

The Company also collects certain amounts for technology and marketing funds per the franchise agreements.

The Company began to recognize revenues in January 2015.

Reclassifications

Certain prior period amounts were reclassified to conform to current period presentation, none of which changed total assets, members’ equity, or net income.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and interest bearing deposits. The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Fair Value

The carrying amounts reflected in the balance sheet for cash, prepaid expenses, organization costs, accounts payable, and accrued expenses, approximate the respective fair values.
