What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation or litigation only in North Carolina. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in North Carolina than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you also may experience delays in opening your own outlet.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be high.

**THE FOLLOWING DISCLOSURES APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a Franchisee to join an association of franchisees.
- (b) A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a Franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation.

This subsection applies only if:

- (i) the term of the franchise is less than 5 years; and
 - (ii) the Franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the Franchisee does not receive at least 6 months' advance notice of Franchisor's intent not to renew the franchise.
- (e) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
 - (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
 - (g) A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.

- (ii) The fact that the proposed transferee is a competitor of the Franchisor or Subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires the Franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

IF YOU HAVE ANY QUESTIONS ABOUT THIS NOTICE, DIRECT THEM TO THE DEPARTMENT OF THE ATTORNEY GENERAL OF THE STATE OF MICHIGAN, 670 LAW BUILDING, 525 WEST OTTAWA, LANSING, MICHIGAN 48913, (517) 373-7117.

To simplify the language in this Disclosure Document, “we,” “us,” “our” or “Franchisor” means Kline Franchising, Inc. We will refer to the person or entity who buys the Franchise as “you,” “your,” or “Franchisee,” throughout this Disclosure Document. If you are a corporation or limited liability company, partnership or other entity, certain provisions of the Franchise Agreement also apply to your shareholders, members, partners or owners and will be noted. Any such entity may be referred to as an “Entity” and those who own the Entity may be referred to as “Owners.”

The Franchisor

We are a North Carolina corporation incorporated on October 9, 2014. Our principal business address is 17036 Kenton Dr., Suite 100, Cornelius, North Carolina 28031. Our agents for service of process are disclosed in Exhibit C

We have never conducted the same type of business as our franchisees. However, our principals have operated Burn Boot Camp® outlets through various affiliated entities since the concept was launched in April 2012.

Since February 15, 2015, we have offered franchises for the operation of a fitness boot camp facility known as “Burn Boot Camp®” specializing in the focused fitness programs that are complemented by nutritional and goal setting assistance, as well as the Burn App (defined below) to help Members manage their personal fitness journey. The programs are individually and family centric and open to everyone that finds them beneficial to their personal fitness and nutritional goals, weight loss, muscle strength, and improved confidence (the “Business”, “Franchise” or “Franchised Business”). We have never offered franchises in any other line of business. We do not engage in any business other than the offer of Burn Boot Camp® franchises.

Parents, Predecessors and Affiliates

We do not have any parent companies or predecessors. We do not have any affiliates that offer, or have ever offered, franchises in this or any other line of business or any other affiliates to disclose in this Item 1.

We currently have 3 affiliates that offer goods or services to our franchisees. Those affiliates are Burn Retail, LLC (“Burn Retail”) Burn Media Company, LLC (“Burn Media”), and Burn on Demand, LLC (“Burn On Demand”), which are all North Carolina limited liability companies. Burn Retail, Burn Media and Burn On Demand all share the same principal business address as us. Burn Retail was formed on February 13, 2017, Burn Media was formed on November 1, 2017 and Burn On Demand was formed on September 27, 2023. Burn Retail, Burn Media and Burn On Demand have never operated a Burn Boot Camp® outlet. Burn Retail is the exclusive designated supplier for branded apparel, nutritional supplements and various accessories. Burn On Demand is accessible only through the Burn App, which is a virtual product providing Members with multiple ways to maximize their Burn Boot Camp® fitness journey (“Burn App”). We may at any time require that you use a different supplier for any of these products or services in our sole and absolute discretion.

We have an additional affiliate, Devan Kline Fitness, LLC (“DKF”), that owns the Marks (as defined below) and has entered into a trademark license agreement with us licensing us the right to use, and sub-license the use of, the Marks in connection with the System (as defined below). Additionally, we offer Businesses the right to add-on as a pilot program, either upon execution of the Franchise Agreement or after execution, an AFTERBURN smoothie bar (in accordance with the System). If you request, and we grant you the right, to operate an AFTERBURN smoothie bar at the Facility, you must execute our then-current Pilot Program Addendum.

Each Business operates from a training facility that must be approved by us. Training facilities are typically located in shopping malls, strip centers or free-standing structures. The training facility that we approve for your Burn Boot Camp® business is referred to as your “Facility.” Each Business must designate 1 trainer (“Head/Lead Trainer”) that is responsible for overseeing the training portion of the Business that has successfully completed those portions of the franchisee education program for trainers (as further outlined in Item 11). You may act as the Head/Lead Trainer only if you receive our prior written consent. Additionally, you must have a person to personally oversee the operations of the Business (“Operations Manager”). You may act as the Operations Manager. The Operations Manager must have completed those portions of the franchisee education program for operations managers.

Each Business will specialize in focused fitness programs that are complemented by nutritional and goal setting assistance, as well as an interactive app to help Members manage their personal fitness journey. The programs are individually and family centric and open to everyone that finds them beneficial to their personal fitness and nutritional goals, weight loss, muscle strength, and improved confidence.

Each Burn Boot Camp® Business is characterized by a uniform business format that offers different membership options, our fitness programs and workout routines; specific methods and techniques when executing our workout routines; nutrition programs, exercise equipment, products and operational procedures; quality and uniformity of all services and products offered; relationships with suppliers, purchasing strategies, sales techniques and methods; our build-out specifications with unique décor, color scheme and signage; a regional Franchise website housed within our national website; guidelines for hiring, training and retaining employees, advertising, sales and promotional programs; cost controls, management, administrative and record keeping procedures; the Burn Boot Camp® confidential operations manual (“Operations Manual”) and other manuals and materials which are made available either in hard copy or electronically; all of which may be changed, improved and further developed by us periodically (referred to as the “System”). We identify the System by means of certain trade names, service marks, trademarks, logos, emblems, trade dress and other indicia of origin, including but not limited to the mark “Burn Boot Camp®” and such other trade names, service marks, trademarks and trade dress we may designate for use in connection with the System (collectively, the “Marks”).

A copy of our single unit Franchise Agreement is attached as Exhibit A to this Disclosure Document.

Multi-Unit Program

In addition to our single unit offering, we offer to qualified applicants the right to enter into an Area Development Agreement (“ADA”) to develop either 2 Businesses (each, a “2-Pack”) or 3 Businesses (each, a “3-Pack”) within a specifically described geographic territory (“Development Area”). If you wish to enter into an ADA, we must approve of your qualifications to do so. In making this decision, we will consider a variety of factors, including your financial resources, experience in the fitness industry, business experience, as well as your marketing and sales plans.

If we grant you area development rights, you must sign our current form of ADA, a copy of which is attached as Exhibit B to this Disclosure Document. For each Business that you develop under the ADA, you must sign our then-current form of the Franchise Agreement that we offer to new franchisees, which may differ from the current Franchise Agreement attached to this Disclosure Document. You will sign the Franchise Agreement for your 1st Business at the same time you sign the ADA. Business #1	300 days (i.e., 10 months) after signing ADA	300 days (i.e., 10 months) after signing ADA
Business #2	600 days (i.e., 20 months) after signing ADA	600 days (i.e., 20 months) after signing ADA
Business #3	Not Applicable	900 days (i.e., 30 months) after signing ADA

Market and Competition

The Business will face competition from national, regional and local fitness centers and/or health clubs operated by national chains, local chains and independent operators, independent personal trainers and to some extent athletic and recreational programs, not for profit organizations and other fitness-related businesses offering similar services to those offered by a Burn Boot Camp[®] business. Generally, there is no seasonality to this business. The fitness industry is highly competitive throughout the United States as the market is continuously changing and evolving. Your competitive advantage in the marketplace will be based on your adherence to our System standards and guidelines, as well as your entrepreneurial and managerial abilities, sales aptitude and focus on customer service.

Laws and Regulations

In addition to laws and regulations that apply to businesses generally, there are consumer protection laws that exist in several states that regulate the offering and selling of memberships for fitness facilities. Some states prescribe the term of memberships that can be sold, the escrowing of membership fees before the fitness facility opens for business, terms of membership agreements and terminology that can be used in selling memberships. Certain states have regulations relating to health club membership agreements and fitness centers and require that you purchase and maintain a bond in order to operate a fitness facility that offers and sells memberships. Certain states require that you purchase and maintain a bond in order to operate a fitness facility that offers and sells memberships. In addition, some states have sales tax laws on all fitness related services and defibrillator laws that require a fitness facility to have a defibrillator and staff members that are qualified to operate one at all times. Certain states regulate the inclusivity of the customer base to which your Business

can offer the camps. Certain states require postings concerning steroids and other drug use and limit supplements that a fitness facility can sell. You may have to comply with various state laws concerning labeling of ingredients in any supplements you sell. In addition, there may be local codes, ordinances, statutes or laws which license or regulate fitness facilities such as the one being offered in this Disclosure Document and such regulations could affect the operations of your Business. In addition to complying with all laws, we require that any individual who plans on instructing any camps, be certified by a personal training program accredited by the National Commission for Certifying Agencies (“NCCA”) in addition to being CPR and First Aid certified and maintaining such certification.

Your Business will also be subject to federal, state and local laws and regulations regarding the operation of businesses generally that are not specific to fitness facilities, including labor laws, zoning laws, OSHA laws and regulations, the Fair Labor Standards Act, workers’ compensation laws, business licensing laws, tax regulations, the Americans with Disabilities Act, the Telephone Consumer Protection Act of 1991 (“TCPA”), the Telemarketing Sales Rule and “Do Not Call” list legislation and Controlling the Assault of Non-Solicited Pornography and Marketing Act of 2003 (“CAN-SPAM”). You are solely responsible for compliance with these laws and regulations.

You must, and it is your sole responsibility to, investigate all applicable federal, state, and local laws and regulations, and your cost to comply with such laws and regulations, with an attorney and/or financial advisor before purchasing a franchise for a Burn Boot Camp[®] Business from us. Applicable laws and regulations are subject to change.

Franchise Partners are encouraged to refer candidates to join the Burn Boot Camp[®] system. For every referral that leads to the signing of a new Franchise Agreement, the referring Franchise Partner will receive \$25,000 for one Business, \$30,000 for two Businesses and \$40,000 for 3 or more Businesses sold to the referred party. The reward will not be paid unless the referred party executes a Franchise Agreement. This program is available for all Franchise Partners that are listed on your Franchise Agreement. The cash reward is limited to one reward per new Franchise Agreement signed. The reward is not available for referrals associated with re-sale (transfer) candidates, leads currently in our system, or existing Franchise Partners purchasing an additional Business. This referral program may be altered, modified or terminated at any time.

Initial Inventory Package

Prior to opening, you must purchase from our affiliate, Burn Retail, an initial supply of branded apparel, nutritional supplements and various accessories (the "Initial Inventory Package"). The Initial Inventory Package includes a minimum of \$1,700 in apparel and accessories (including \$200 for employee uniforms) and a minimum of \$2,760 in nutritional supplements. The total package price is estimated range from \$4,460 to \$7,488 depending on the size of your Facility and the number of trainers you hire. We reserve the right to change the specific items included within the Initial Inventory Package at any time (which may result in a change to the price). The purchase price for the Initial Inventory Package is nonrefundable and uniformly imposed.

Marketing Services

You have the option, but not the obligation, to contract with our affiliate, Burn Media, for purposes of conducting local marketing and advertising on your behalf. If you choose to contract with Burn Media for your pre-opening marketing, we estimate the total cost will range from \$3,000 to \$6,000. The price for these marketing services is nonrefundable and uniformly imposed.

Technology Fees

You must begin to pay us a technology fee immediately after signing the Franchise Agreement. In exchange for the technology fee, we provide you with access to various software, technology and related services. The "technology fee" includes all amounts that you must pay us or our affiliates relating to the Technology Systems. Please see more detail in

¹ Reduced Initial Franchise Fees were associated with unique circumstances specific to confidential Area Developer Agreements.

Item 11 under the Section entitled “Computer System”). As of the issuance date of this Disclosure Document, the amount of the technology fee is: (i) \$100 per month for the month in which you sign the Franchise Agreement through the month in which you sign your lease or purchase contract for your Facility; and (ii) \$860 per month for each subsequent month (subject to periodic adjustment as further discussed in Note 5 to Item 6). Most franchisees require 2 to 5 months to sign their lease or purchase contract and an additional 2 to 5 months to open, which results in pre-opening technology fees ranging from \$1,920 to \$4,800. The technology fees are uniformly imposed and nonrefundable.

Development Fee (Area Developers)

If you sign an ADA, you will commit to open either a 2-Pack or a 3-Pack. You must pay us a development fee (the “Development Fee”) calculated as the sum of the aggregate Initial Franchise Fees for all Businesses you commit to develop under the Development Schedule. The following table lists the applicable Initial Franchise Fees and total Development Fee under our area development program:

Units Developed	Initial Franchise Fee	
	2-Pack	3-Pack
Business #1	\$60,000	\$60,000
Business #2	\$45,000	\$40,000
Business #3	Not Applicable	\$30,000
Total Development Fee	\$105,000	\$130,000

Except if you are qualified to participate in the B.Y.E. pilot program, you must pay us the entire Development Fee at the time you sign the ADA. We will not charge an additional fee when you sign a Franchise Agreement for each Business developed under the ADA. The Development Fee is uniformly imposed and nonrefundable.

Notes:

Note 1: Except as otherwise described in this Item, all of the fees listed in the table above are nonrefundable, uniformly imposed, and payable to us or our affiliates. Our affiliates that operate the affiliate-owned Burn Boot Camp® businesses did not sign franchise agreements with us and are not subject to the various fees imposed on franchisees, however, they do contribute to the System Brand Fund as further discussed in Item 11 of this Disclosure Document. The voting power of all outlets, including franchisor-owned outlets, on any fees imposed by franchisee cooperatives are one per unit. Franchisor-owned outlets do not have controlling power.

Note 2: “Gross Revenue” means the gross amount, in money or other forms of consideration, that you earn or receive from any source-related to, or in connection with, the operation of your Business, whether on or off your premises, including, without limitation, any Gross Revenue derived from Virtual Members that purchase a membership through the Burn App (as defined in Item 1). This includes all membership-related fees (such as initiation fees, termination fees, enrollment fees, processing fees, paid-in-full dues, renewal fees; monthly, semi-annual or yearly dues and all revenues generated and derived during any presale of memberships). Gross Revenue also includes the fair market value for any service or product you receive in barter or exchange for your services or products and all insurance proceeds that you receive for the loss of the Business due to a casualty to or similar event at the Business. We exclude only gratuities paid by Members to employees of the Business, service fees for credit card transactions, sales tax receipts that you must by

law collect or pay and any Member refunds of previous payments you actually make, and certain charitable donations specifically authorized in the Operations Manual. With respect to the Gross Revenue paid to us by Virtual Members, we will remit to you a certain portion of the Gross Revenue paid by those Members that provide a primary address that is located in your Territory. Specifically, for those Virtual Members, we will remit to you the Virtual Members' Gross Revenue paid to us (which deducts certain fees paid to Google and Apple), less Royalty Fees and System Brand Fees owed on the Gross Revenues and any other amounts that are past due and owing to us.

Royalty Fee payments will be due by the day we specify during each Report Period for the immediately preceding Report Period. "Report Periods" will consist of calendar months, weeks, or such other period as we may designate from time to time. Royalty Fee payments shall be payable by direct deposit from your account to us and all Royalty Fee charges are imposed by us only. See Direct Deposit Agreement attached as Schedule 1 of the Franchise Agreement. We reserve the right to change the time and manner of payment upon written notice to you.

Note 3: You will pay us a System Brand Fund contribution equal to 2% of Gross Revenues. We may increase this fee upon 90 days' notice to you. However, your total contribution will not exceed 3% of Gross Revenue in any calendar year. We will deposit this fee into our System Brand Fund for ongoing technology, new equipment and product development, and such national and regional advertising, marketing and/or public relations programs as we, in our sole discretion, may deem appropriate to promote the Marks and System. You pay the System Brand Fee at the same time and under the same terms as the Royalty Fee described above.

In addition to your System Brand Fund contributions, you must spend the minimum amount of money we require (your "Local Advertising Expenditure") on approved local advertising and marketing. The amount of the Local Advertising Expenditure is as follows: (i) \$15,000 between the time you sign the Franchise Agreement and 2 weeks prior to your projected opening date; (ii) \$15,000 between the time beginning 2 weeks prior to your projected opening date and expiring 90 days after opening; and (iii) \$2,500 each month for the remainder of the term of your Franchise Agreement. We may require that you utilize our preferred public relations vendor for all or part of your local advertising and marketing conducted prior to opening through 90 days after opening. If your actual expenditure on approved local advertising and marketing is less than the applicable Local Advertising Expenditure amount, we may require that you pay us the difference (due within 14 days of invoicing), which we will deposit into the System Brand Fund (any such deposited amount will not be credited towards your required System Brand Fund contributions). You have the option, but not the obligation, to contract with our affiliate, Burn Media, to provide local advertising and marketing services on your behalf.

Note 4: We, our affiliates and/or our approved suppliers will complete all retail designs, create local advertising assets, update and/or promote your website, and provide other design services. Any requests for changes or updates to the content of your website and/or any type of website promotion you wish to do must be approved by us in writing and performed by us, our affiliates and/or our approved suppliers. We will respond to you within 30 days of our receipt of your request for all website changes. We may charge a fee of up to \$200 per design as necessary to update and/or promote your website or provide other graphic design services. However, our current design fee is \$100 per design. We will provide you with at least 90 days' notice of any change to our graphic design fee. Currently, we do not charge for minor updates such as such as changes to phone number, physical gym address, location email, or location URLs.

Note 5: It is our intention to launch the Burn Boot Camp® Meals program in October 2024. We will be the only authorized supplier for meals and meal delivery services. The program is intended to introduce whole food, ready-to-eat meals that complement your Member's fitness journey. All meals will be freshly made each week using unprocessed whole foods and are free from artificial preservatives and additives. The meals are vacuum sealed with a 14-day shelf life when refrigerated (up to 6 months if frozen). The meals will be purchased exclusively through the Burn App or shop.burnbootcamp.com.

Note 6: Interest begin to accrue from the due date of payment and will only be owed in connection with amounts that are owed and past due that exceed \$5,000. You must also pay any damages, expenses, collection costs and reasonable

attorneys' fees that we incur based upon your failure to make timely payments to us. However, any interest we charge may not exceed the maximum interest allowed by applicable law.

Note 7: You must protect, defend, indemnify, and hold us harmless against any claims, lawsuits or losses arising out of your operation of the Franchised Business. If you default under the Franchise Agreement and we engage an attorney for collection or enforcement, you must reimburse us for all damages, legal fees, and costs that we incur.

Total ¹⁶	\$249,375	\$573,679			

Notes:

Note 1: Unless otherwise stated in this Item, all payments to us are non-refundable. For any amounts paid to third parties, the availability and conditions under which you may obtain refunds will depend on the terms offered by those third-party suppliers. We do not offer direct or indirect financing.

Note 2: This includes the costs for a computer, iPads, software, credit card processing equipment, printer, scanner, wireless router, networking equipment, copier, sound system, microphone system, security cameras, and a telephone. Prices subject to change, including due to price changes from product manufacturers.

Note 3: You must pay us a monthly technology fee commencing immediately after signing the Franchise Agreement. The technology fee is \$100 per month for the month in which you sign the Franchise Agreement through the month in which you sign your lease or purchase contract for your Facility. The technology fee increases to \$860 per month for each subsequent month. The amount of the technology fee may change from time to time as further discussed in Item 6. We estimate that a typical franchisee will need 2 to 5 months to sign their lease or purchase contract and an additional 2 to 5 months to open, which results in pre-opening technology fees ranging from \$1,920 to \$4,800. This estimate includes the total estimated technology fees paid prior to opening (\$1,920 to \$4,800) and during the 3-month period after opening (\$2,580).

Note 4: This is an estimate for the items you will need for all exercise and safety equipment, furnishing and fixtures. You must purchase various new pieces of exercise equipment for the operation of the Franchised Business as specified in the Operations Manual, including dumb bells, kettle bells, smash balls, agility equipment, different types of exercise balls, an automated external defibrillator (“AED”) and other types of approved exercise and safety equipment depending on the size of your facility. The furnishings and fixtures necessary to operate your Business include a desk, chairs, tables, filing systems, shelving, body fat analyzer, retail center, interior signage, storage racks, cabinets, dehumidifiers, pull up systems, cubical storage lockers and seating options for the operation of your Business. The low end of the estimate given is based on opening a 3,500-sq. foot fitness facility and the high end of the estimate is based on opening a 7,000-sq. foot fitness

facility. Actual exercise equipment, furniture and fixture costs may vary due to square footage. If applicable, you must also pay state and local sales tax on purchases of exercise equipment, furnishings and fixtures. Sales tax typically ranges from 3% to 10% of the purchase price and is not included in these estimates. The cost of all exercise equipment, furnishing and fixtures will depend on financing terms available, the condition of the exercise equipment, furnishing and fixtures and other factors.

Note 5: A typical Burn Boot Camp® Business is in a shopping center, mall or a free-standing building with approximately 3,500-7,000 square feet of space (it may be less than 3,500 square feet in a densely populated urban market as we define that from time to time in our sole discretion). We estimate that the monthly rent for a typical franchised location will range from \$5,500 to \$15,000 per month. This estimate includes a security deposit equal to 1 month's rent plus 3 months of post-opening rent. Real estate costs depend on location, size, visibility, economic conditions, accessibility and competitive market conditions. These sums do not include the costs to purchase real property, as we do not expect you to buy real property. You may be able to reduce this expense if you are able to occupy a space in an existing location that compliments another business. The space must be enclosed and separate from other businesses with its own locking door. Lease payments for periods of time that you occupy your premises may not be refundable. However, some landlords refund security deposits at the end of the lease if the tenant has fulfilled all of its obligations and the property is returned in good condition.

Note 6: You may or may not need to obtain use permits or zoning variances that will allow the premises to be used as a Burn Boot Camp® business. If you are required to do so, the total cost involved, including fees paid to local governmental authorities, attorneys and other consultants, will vary based on geographical and other factors.

Note 7: We suggest you find a space needing minimal leasehold improvements or fixtures. In most cases, you will need to alter the interior of your Facility before you open for operation and you will need to install a floating floor system with rubber flooring materials according to our specifications. Leasehold improvement costs will vary widely and may be significantly higher than what is projected in the table above depending on factors such as property location, the condition of the property and the extent of alterations required for the property (such as sound proofing). You may be able to negotiate with your landlord to obtain a tenant improvement allowance whereby your landlord will give you a sum of money upon or following execution of your lease for you to use for leasehold improvements, and the amount of any allowance will typically be added into your rent payments and amortized over the initial term of your lease. The high estimate in the table reflects the potential need to add drinking fountains, bathrooms (you may choose to add a single shower in each bathroom but it is not required), lighting, fire sprinklers, fire alarms and an HVAC system that entails mechanical, electrical and plumbing costs. You should investigate all these costs in the area in which you wish to establish a Burn Boot Camp® Business.

Note 8: You must purchase the Initial Inventory Package that we designate from our affiliate, Burn Retail, or other approved suppliers as we determine. Our current Initial Inventory Package includes your initial supply of branded apparel (including uniforms for your Head/Lead Trainer and other trainers), nutritional supplements and various accessories. The low estimate assumes you purchase the minimum required amount (\$1,700 for apparel and accessories and \$2,760 for nutritional supplements), while the high estimate assumes you choose to purchase more than our required minimums.

Note 9: This estimates your cost to purchase your initial operating supplies, including hand sanitizers, hampers, dry erase boards, trash cans, scale and measuring tape, storage containers, child watch toys, miscellaneous forms, cleaning supplies and general office supplies.

Note 10: You are required to spend a minimum of \$30,000 on local marketing between the time you sign the Franchise Agreement and 90 days after opening. You have the option, but not the obligation, to contract with our affiliate, Burn Media, to provide some of these marketing services. If you choose to contract with Burn Media, we expect you would spend between \$3,000 and \$6,000 with Burn Media for marketing services during this period of time.

Note 11: As further outlined in the Operations Manual, you must employ 1 Head/Lead Trainer, 1 full-time “Burn Ambassador”, and enough support trainers and staff to provide the Approved Services, including, without limitation, childwatch services. You may act as the Head/Lead Trainer provided that you receive our prior written consent. You must also hire an Operations Manager if you do not manage operations yourself. We may, in our sole discretion, waive the requirement for you to provide childwatch services at your Franchised Business if we determine, in our sole discretion, that childwatch services are not likely to be expected by customers at your location.

Note 12: This estimated range represents 3 months of pre-paid insurance premiums with the minimum coverage amounts that we require and does not take into account workers’ compensation insurance which may vary greatly by state, payroll and classification.

Note 13: The Initial Franchise Fee covers initial franchisee education for up to 3 individuals, but you are responsible for all salaries, benefits, and travel, living, and other expenses incurred by you and your employees while attending the program. The amount of these expenses varies depending on the distance you must travel, the types of accommodations you select, the number of your employees attending the program, and their wages.

Note 14: Business licenses differ from state to state but typically are used to track and monitor businesses for tax purposes and are required for businesses to operate lawfully in the state. Some states have sales tax laws on all fitness related services and defibrillator laws that require a fitness facility to have a defibrillator and staff members that are qualified to operate one at all times. You may need to obtain a re-sale certificate issued by your state for wholesale goods that you purchase and then re-sell. Certain states require postings concerning steroids and other drug use and limit supplements that a fitness facility can sell. You may have to comply with various state laws concerning labeling of ingredients in any supplements that you choose to sell. In addition, there may be local codes, ordinances, statutes or laws which license or regulate fitness facilities. We also require that any individual who plans on instructing any camps, be certified by a personal training program accredited by the National Commission for Certifying Agencies (“NCCA”) in addition to being CPR and First Aid certified and maintaining such certification. The low-end estimate is for states with lower fees and less regulatory requirements and the high-end estimate is for states with higher fees and more regulatory requirements.

Note 15: The estimated range includes minimum working capital for the startup of your Business and miscellaneous startup costs such as: the purchase of additional exercise equipment, products and supplies; workman’s compensation insurance payments (if applicable); tax deposits; prepaid expenses; additional permits; legal fees; accounting fees and other miscellaneous costs. This estimate does not include the costs you are estimated to incur during the 3-month period after opening for rent, staffing, marketing, insurance or technology fees (all of these expenses are separately listed in the table). We relied on our experience and that of our affiliates and franchisees to arrive at these estimates.

Note 16: We relied on our experience and that of our principals, affiliates and franchisees to arrive at these estimates as well as our and our affiliates’ additional independent research. We survey our franchisees on an annual basis to gather additional data. However, these amounts are only estimates and your costs may be higher. You should review the figures carefully with a business advisor and identify your individual expenses along with cash flow projections before making any decision to buy the Franchise.

The estimate of initial investment funds is based on an owner-operated business. The estimated initial investment does not include salaries or benefits for your owners. As your Business grows, you may choose to hire additional employees to carry out support service tasks.

The estimated initial investment also does not include Royalty Fees and System Brand Fees you must pay. You must begin paying these fees as soon as your Business begins generating any revenues (including from pre-opening sales of memberships and other goods and services). You should account for these fees when developing your projections of overall operations costs beginning with your first month of operation. Franchisees may choose to invest additional funds into their business during the first 3 months of operation, and sometimes longer.

We do not offer direct or indirect financing. We do not guarantee your lease, note, or obligation. The availability and terms of third-party financing will depend on factors such as the availability of financing generally, your creditworthiness, collateral you may have, and the lending policies of financial institutions. The estimate does not include any finance charges, interest, or debt service obligation, or your living expenses. You should have sufficient capital or other means to pay for your living expenses for at least 6 months.

We currently have a pilot program for existing franchisees to encourage and support expansion and multi-unit growth. The “Build Your Empire” pilot program rewards qualifying franchisees by offering financial incentives when they expand their business by signing a new franchise agreement for an additional location.

Please note that this table does not include the initial investment costs associated with the add-on pilot program for an AFTERBURN smoothie bar. If you elect to add-on this pilot program, your costs will differ from those outlined in this table.

Development Fee ²	\$105,000	\$130,000	Lump Sum	At time you sign ADA	Us
Total Initial Investment for First Outlet (less Initial Franchise Fee) ³	\$189,375	\$513,679	As described in first table under Item 7	Before opening	As described in first table under Item 7
Total Initial Investment	\$294,375	\$643,679			

Notes:

Note 1: All fees and payments are non-refundable, unless otherwise stated or permitted by the payee.

Note 2: The Development Fee is calculated as the sum of all aggregate Initial Franchise Fees for all Businesses you commit to develop under the ADA. The Development Fee is \$105,000 for a 2-Pack and \$130,000 for a 3-Pack. You do not pay a separate Initial Franchise Fee for any Business developed under an ADA. The low estimate assumes you purchase a 2-Pack while the high estimate assumes you purchase a 3-Pack.

Note 3: This figure represents the total estimated initial investment to develop the first Business to be developed under the ADA (from the table in Item 7(A) above), less the Initial Franchise Fee (which is included in the Development Fee). It does not include the cost to open the second and third Business.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Source Restricted Purchases and Leases - Generally

We require that you purchase or lease certain “source restricted” goods and services for the development and ongoing operation of your Business. By “source restricted,” we mean that the good or service must meet our specifications and/or must be purchased from an approved or designated supplier (in some cases, an exclusive designated supplier, which may be us or an affiliate).

You must purchase certain goods and services that meet our specifications. We base our specifications for all exercise equipment, products, supplies, and supplier approvals on our discretionary determination of quality, demand, price, value, durability, reliability, accuracy of product claims, safety, warranty, prompt attention to complaints, frequency of delivery, appearance and contributions or other benefits to us and/or any marketing fund. Our specifications often involve confidential and proprietary information regarding the specifications for exercise equipment and content or formulation of a product. We will only share these details with suppliers that agree to sign a confidentiality agreement with us. We develop these specifications either through our research and development staff or with a particular manufacturer.

Our specifications and list of approved and designated suppliers are contained in the Operations Manual. One of our primary methods of communication with franchisees is through announcements or newsletters we may periodically publish and an intranet system provided to franchisees on our website. You are responsible for knowing all of the information contained in the announcements and/or newsletters and the intranet system and complying with any standards and specifications provided within them. We may establish and change our standards and specifications and our list of approved and designated suppliers through our announcements or newsletters and intranet system as well as by written notices and emails described above. We may also notify you of these changes through updates to the Operations Manual.

Suppliers

You must purchase or lease certain goods and services only from us, our affiliates, or third-party suppliers that we designate or approve, including your exercise equipment, computer, iPads, sound and microphone system, software, furniture, fixtures, floating floor systems, signage, uniforms and an inventory of products and supplies for the operation of your Facility. We may offer or designate others to offer certain exercise equipment, products, supplies or services and we or our affiliates may become approved suppliers, or the only approved suppliers, for such items. If we develop proprietary exercise equipment or software in the future, you must purchase such exercise equipment and/or software from us, our affiliates or other suppliers that we designate or approve.

We (or our affiliate) are currently the only approved supplier for your webpage and email accounts, software, certain subscription services and related technology and services covered by the technology fee (we license the software and technology from third-party suppliers and sublicense them to you). Our current practice is to remit 100% of the technology fees we receive to various third-party suppliers but we do retain the right to reimburse ourselves for out-of-pocket costs and costs associated with development of further technological developments, including, without limitation, personnel costs in connection with those technological developments. Our affiliate, Burn On Demand, has developed the Burn App (defined in Item 1), which you must use in connection with the operation of your Business. The technology fee will cover the costs associated with your use of the Burn App. This application grants Members the capability to book camps and childwatch, sign membership agreements and liability waivers, keep track of camp attendance, and access the Burn Boot Camp® online store as well as unlimited access to a library of online workouts, Burn Boot Camp® live workouts and recovery videos for Burn On Demand Members. The Burn App also provides a vehicle to deliver omni channel products and services to your Members, prospective members, and non-members and focuses on improving customer experience and engagement and allow Members to purchase a virtual-only membership. Members can download the Burn App through the Google Play Store or Apple App Store. Burn on Demand can be purchased through the Burn App or directly from Burn Boot Camp® franchised locations.

Our affiliate, Burn Retail, is currently the only approved supplier for all branded apparel (including employee uniforms), nutritional supplements and various accessories to be purchased by you for the operation of your Business, including all items included within the Initial Inventory Package. Burn Retail is also currently the only approved supplier for certain exercise equipment purchased after opening, including equipment needed to replace worn out or damaged equipment and new or additional equipment that you choose to add to your facility. Currently, you must purchase all advertising, promotional and marketing materials and miscellaneous forms and updates from our approved supplier. Our affiliate, Burn Media, is an approved supplier, but not the only approved supplier, for marketing services. Our affiliate Burn On Demand is currently the only approved supplier of the Burn App. Our Visionary/Co-Founder, Devan Kline, owns an interest in Burn Retail, Burn Media and Burn On Demand. Our CEO/Co-Founder, Morgan Kline, owns an interest in Burn Retail. There are no other approved or designated suppliers in which any of our officers owns an interest.

If you want to purchase or lease a new source restricted item, or purchase or lease an existing source restricted item from a non-approved supplier, you must send us a written request for approval and submit any additional information that we request. We may require you to submit to us sufficient specifications, photographs, drawings or other information and samples to determine whether the items meet our specifications and require third party testing, in which case you will pay the actual cost of the tests. We may require that the proposed supplier provide certain information, sign a nondisclosure agreement, and agree to guarantee our level of quality and produce sufficient samples to allow us to test the sample at your expense. We will notify you of our approval or disapproval within 30 days after we receive your request for approval plus all additional information and samples that we require. We may, at our option, re-inspect the facilities and products of any approved supplier and revoke our approval if the product and/or supplier fails to meet any of our then-current criteria. We will notify you by email, updates to the Operations Manual or any other written form of communication of our approval, disapproval, or revocation of any prior approval, of any equipment, product, or supplier.

Current Source-Restricted Purchases

As described below in more detail, we currently require that you purchase or lease the following source restricted goods and services: site selection services; the lease for your Facility; the design and buildout of your Facility; fixtures and furnishings; exercise equipment and supplies; technology systems; signage; uniforms; inventory; operating supplies; marketing materials and services; call center services; merchant processing services; insurance policies; Burn Boot Camp meals, and maintenance and remodeling of your Facility. We estimate that 55% to 65% of the total purchases and leases that will be required to establish your Business and 30% to 35% of your ongoing purchases and leases will consist of source restricted goods or services.

Site Selection Services

You must use a real estate search consultant or broker that we have preapproved to assist you in your real estate search.

Lease for Your Facility

If you will lease your Facility, you must obtain a letter of intent and submit it to us for approval before you sign it. You must also submit the proposed lease to us for approval before you sign it. Our approval of the lease does not constitute our opinion that the lease is sufficient to meet all of your obligations under your Franchise Agreement, and we do not perform a legal review of the lease on your behalf. We have the option to require that the lease be collaterally assigned to us by a collateral assignment agreement in a form and substance reasonably acceptable to us in order to secure performance of your liabilities and obligations to us through which your landlord grants us the unconditional right to assume and/or assign your rights and obligations under the lease in the event that you breach your lease and/or your Franchise Agreement is terminated or expires. You must ensure that the lease permits sounds and vibrations consistent with the activities described in this Disclosure Document and in our Operations Manual that will take place in your Facility.

Design and Buildout of your Facility

We will provide you with floor plans and mandatory specifications for the construction of a Burn Boot Camp[®] Business, including the exterior and interior design. You may need to hire an architect to create a complete set of drawings based on your building size and local permitting requirements. It is your responsibility to confirm that your Business satisfies all state and local zoning ordinances, regulations, fire, health and building codes. Your construction plans must comply with our standards and specifications and you must submit them to us prior to construction commencement for approval. We will notify you of our approval or disapproval within 30 days after we receive your request for approval plus all additional information and samples that we require. We will not modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications for the Business developed by you once those final set of drawings, architectural plans, floor plans, schematics and/or specifications have been approved by us and given to you. You must purchase and install the rubber flooring and floating flooring system that we designate. You must purchase the flooring exclusively from suppliers that we designate. We may require you to use approved suppliers for all leasehold improvements. Once constructed, you must furnish and equip your Facility in compliance with the requirements in the Operations Manual. You may not install or permit to be installed on the Facility premises any fixtures, furnishings, exercise equipment, décor items, signs, games, vending machines or other items without our written consent or that do not comply with our specifications.

Furniture and Fixtures

All of your furniture and fixtures (e.g., body fat analyzers, tables, pull up systems, dehumidifiers, lockers, shelving units, racking systems, etc.) must comply with our standards and specifications. You must purchase these items only from suppliers that we designate or approve.

Exercise Equipment and Supplies

All of your exercise equipment and supplies (e.g., dumbbells, kettlebells, pull up systems, med balls, agility equipment, jump ropes, heavy bags, resistance cords and bands, etc.) must meet our standards and specifications. You may only utilize the exercise equipment and supplies that we designate from time to time. You are strictly prohibited from using or selling any other exercise equipment or supplies. We will provide you with a written list of approved exercise equipment and supplies during our initial franchisee education program. You may not use, offer or sell any exercise equipment, accessory or supply that has not been authorized by us. You must purchase all of your exercise equipment exclusively from approved or designated suppliers. Burn Retail is currently the exclusive supplier for certain exercise equipment purchased after opening.

Technology Systems

You must acquire and utilize all information and communication technology systems that we specify from time to time (the “Technology Systems”). Our required Technology Systems may include computer systems, point-of-sale system, webcam systems, telecommunications systems, security systems, music systems, sound systems, and similar systems, together with the associated hardware, software (including cloud-based software) and related equipment, software applications, mobile apps and third-party services relating to the establishment, use, maintenance, monitoring, security or improvement of these systems. Certain components of the Technology Systems must be purchased or licensed from third-party suppliers. You are required to provide your Members with the Burn App. This application grants Members the capability to book camps and childwatch, sign membership agreements and liability waivers, keep track of camp attendance, and access the Burn Boot Camp[®] online store as well as unlimited access to a library of online workouts, Burn Boot Camp[®] live workouts and recovery videos, for On Demand Members. The Burn App also provides a vehicle to deliver omni channel products and services to your Members, prospective members, and non-members and focuses on improving customer experience and engagement and allow Members to purchase a virtual-only membership. Members can download the Burn App through the Google Play Store or Apple App Store. Burn on Demand can be purchased through the Burn App or directly from Burn Boot Camp[®] franchised locations. You must comply with all of the policies and procedures associated with the Burn App, as outlined in the Operations Manual or otherwise. The technology fee will

cover the costs associated with your use of the Burn App. We and/or our affiliate may develop proprietary software, technology or other components of the Technology Systems that will become part of our System. If this occurs, you agree to pay us (or our affiliate) commercially reasonable licensing, support and maintenance fees. We also reserve the right to enter into master agreements with third-party suppliers relating to any components of the Technology Systems and charge you for all amounts we must pay to these suppliers based upon your use of the software, technology, equipment, or services provided by these suppliers.

We are currently the exclusive supplier for certain software and technology you must utilize (we license the software and technology from third parties and sublicense it to you). You must also comply with the Payment Card Industry Data Security Standard (PCI-DSS) as outlined by the Payment Card Industry Security Standards Council (or such similar or successor standards organization that we may designate).

Signage

All your exterior and interior signage must meet our standards and specifications and must be purchased exclusively from suppliers that we designate or approve.

Uniforms

Your trainers must wear the uniforms that we specify. You must purchase your uniforms exclusively from suppliers that we designate or approve. Burn Retail is currently the exclusive supplier for uniforms.

Inventory

You must maintain a minimum inventory of products (including branded apparel, accessories and nutritional supplements) and exercise equipment to offer for sale in your Business (currently we do not authorize you to sell exercise equipment but reserve the right to do so in the future). All of your inventory must meet our standards and specifications. You may not offer or use any inventory items that we have not approved. You must purchase all inventory items exclusively from suppliers that we designate or approve. Burn Retail is currently the exclusive supplier for certain inventory items.

Operating Supplies

You must purchase certain operating supplies that meet our standards and specifications, such as hand sanitizers, hampers, dry erase boards, trash cans, scale and measuring tape, storage containers, child watch toys, miscellaneous forms, cleaning supplies, general office supplies, etc. You may purchase most of these items from any supplier of your choosing, but certain operating supplies may only be purchased from suppliers that we designate or approve.

Marketing Materials and Services

All marketing and promotion of your Franchise by you in any medium must be conducted in a professional and dignified manner and must conform to our specified standards and requirements. You must submit samples of all advertising or promotional plans and materials that you desire to use to us for approval if such has not been prepared or previously approved by us. You may not use any marketing or promotional materials that we have disapproved. This includes any promotion over the Internet to promote events at your Facility. You must submit a request to us for any type of Internet promotion you wish to do in addition to any edits, changes or updates to your website. Internet promotions, edits, changes or updates to your website must be done by us, our affiliates or approved suppliers with our consent. Upon approval of your request, you may be responsible for any website maintenance cost. Our response to your request for such marketing and promotional materials, Internet promotions and edits, changes and/or updates to your website will be made within 30 days after we receive it. We will notify you by email or any other written form of communication of our approval or disapproval. You may conduct advertising without our written permission in social media as long as you comply with our social media policy. You must adhere to the social media policies that we establish from time to time and must require

your employees to do so as well. Use of social media, including any pictures that may be posted on, using or through one or more social media sites, must be in compliance with our Operations Manual and System standards, including our take-down policies. You must participate in and cooperate with all promotional programs that we establish (including any gift certificate or gift card program) and follow our requirements and guidelines. We may require that you purchase and use specific software, operational forms, contracts, checklists and promotional items in connection with these programs. You must purchase certain marketing materials and promotional items only from suppliers that we designate or approve. Burn Media is currently an approved supplier (but not the only approved supplier) for certain marketing materials and services.

Call Center Services

We may require that you participate in any call center program that we designate from time to time. We may require that you utilize the specific call center provider that we specify.

Merchant Processing Services

You must obtain merchant processing services from a supplier that we designate or approve.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS & TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations: We or our designee will provide you with the following assistance prior to opening:

1. We will define the territory within which you must operate the Business. (Franchise Agreement, Section III).
2. Provide you with written specifications for all computers, iPads, software, exercise equipment, furnishings, fixtures and signage necessary for the operation of your Business, and a written list of all approved suppliers to purchase all exercise equipment, products, supplies and services from that you are authorized to use, offer and sell in your Business. Burn Retail will deliver to your Facility all of the items included within the Initial Inventory Package that you must purchase. Neither we nor our affiliates deliver or install any other items that you are required to purchase before opening. (Franchise Agreement Sections XVII.H and XVII.I).
3. Make available to you in electronic form during the term of the Franchise Agreement our confidential Operations Manual, which may include other manuals or other written materials for the operation of a Burn Boot Camp[®] business, containing mandatory and suggested specifications, standards and operating procedures required by us and information relative to your other obligations under the Franchise Agreement. We reserve the right to provide the Operations Manual to you solely electronically and not via hard copy. We have the right to add to, and otherwise modify, any manual, including the Operations Manual, to reflect changes in authorized exercise equipment, products and services, as well as changes in specifications, standards and operating procedures of a Burn Boot Camp[®] Business. You must keep the Operations Manual, confidential and current, and may not copy any part of the Operations Manual. The Operations Manual currently contains 144 pages and the table of contents of the Operations Manual as of our last fiscal year end is included with this Disclosure Document as Exhibit F. (Franchise Agreement, Section XVII.G).
4. Approve you to execute the Lease for your Business. You must submit the Lease to us for our acceptance at least ten days before you sign the agreement. You must send us a signed copy of the Lease within five days of both parties signing the Lease. Our acceptance of the Lease does not constitute our opinion that the Lease is sufficient to meet all your obligations under your Franchise Agreement. We do not offer legal services to you and you should consult your independent legal counsel for a legal review of the lease (Franchise Agreement, Sections IX.R and XVII.C).
5. We will provide the initial franchisee education program described below (Franchise Agreement Section XVII.A).

Site Selection Assistance and Opening. We will provide you with the following site selection and opening assistance:

1. We will review and accept or reject locations selected by you for your Business. If you and we have not already agreed upon a site for your Business operations that meets our requirements, we may provide you with assistance in locating a Business site. You must select the site of your Business within the designated site selection area provided in the Franchise Agreement. We must accept the site if we feel in our total

discretion that it meets or exceeds our standards. The factors that we consider in acceptance of the site include but are not limited to cost, competition, population density, demographics, traffic patterns, convenience, adequate parking, safety, zoning ordinances, neighborhood and physical characteristics of the premises such as size, configuration and layout. A typical Burn Boot Camp[®] business has approximately 3,500 to 7,000 square feet of space. We evaluate each proposed site and accept or reject, each one on a case-by-case basis and will notify you by email or any other form of written communication of our acceptance or rejection of any proposed site within 30 days after we receive your request. If we do not respond within 30 days, then the proposed site will be deemed rejected. The space for a Burn Boot Camp[®] Business must be enclosed and separate from other businesses with its own locking door (Franchise Agreement, Sections IX.R and XVII.C).

2. You have 180 days after the execution of your Franchise Agreement to enter into a lease, at your expense, for commercial real estate that is properly zoned for the use of your Business, and 300 days after the execution of your Franchise Agreement to open the Business for operation (or earlier as provided in an ADA, if applicable). Time is of the essence. Failure to acquire a lease and/or open your Business within the timeframes mentioned above, will constitute a default under the Franchise Agreement, for which we may terminate the Franchise Agreement. (Franchise Agreement, Section VI.A).
3. We will provide you with floor plan examples and mandatory specifications for the construction of a Burn Boot Camp[®] business which includes the exterior and interior design. You may need to hire an architect to create a complete set of drawings based on your building size and local permitting requirements. You will be required to confirm that your Business satisfies all state and local zoning ordinances, regulations, fire, health and building codes. Your construction plans must comply with our standards and specifications and you must submit them to us prior to construction commencement for approval. We will notify you of our approval or disapproval within 30 days after we receive your request for approval plus all additional information and samples that we require. We will not modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications for the Business developed once those final set of drawings, architectural plans, floor plans, schematics and/or specifications have been approved by us and given to you. It is your responsibility to comply with all laws, ordinances, regulations, zoning and building codes for your Business. You must select and employ licensed contractors reasonably acceptable by us for the complete build out and/or any leasehold improvements (Franchise Agreement, Sections XVII.D and IX.S).
4. We will provide Franchisee with a list of all approved exercise equipment, Products, supplies and services that Franchisee is authorized to use, offer or sell in the operation of its Business; and a written list of all approved suppliers to purchase such items from during the initial franchisee education program. Franchisee will be required to submit in writing alternate exercise equipment, Products, supplies, services, or suppliers to us for approval. (Franchise Agreement, Sections XVII.I and IX.H).
5. We estimate that a typical franchisee will open the Business approximately 10 months after signing the Franchise Agreement. Factors that may affect this length of time include obtaining a location that is accepted by us for your Business, condition of the premises of the Business, permits and licenses from your state (if applicable), time of year you open the Business for operation, build-out, completion of your pre-market entry study to determine any customization of services and products to be offered through your Business, satisfactory completion of our initial franchisee education program by you (or your Operations Manager, Head/Lead Trainer, members or shareholders), and various supply chain issues and availability of exercise equipment, products and supplies.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

Obligations During Operation. We will provide you with the following assistance after your Business has opened.

1. Provide additional on-site supervision and assistance as we deem necessary and in our discretion. Additional visits are for the purpose of advising you with respect to membership sales, executing our fitness programs and workout routines, exercise equipment operation and maintenance, products, services, customer service, operational and sales matters related to your Business. You will be responsible for the transportation, room and board and miscellaneous expenses incurred by our personnel during the visits, which will take place per the terms of the Franchise Agreement, or at your request, and at times and dates selected by us (Franchise Agreement, Section XVII.A).
2. Provide to you and your personnel, continuing education meetings at locations designated by us, which we expect to be our headquarters and pay us our then current fee plus our expenses, which can vary from area to area. We reserve the right to increase the per day fee in a reasonable amount based on reasonable criteria (Franchise Agreement, Section XVII.A).
3. Conduct quarterly meetings or an annual convention at such place as shall be designated by us, at our current fees which can change based on Franchisor's cost (Franchise Agreement, Section XVII.A).
4. Provide you with: updated written lists for services, products and exercise equipment you are authorized to sell and/or offer; and updated written lists of exercise equipment, products, supplies and services (as described in Item 8) that you must use in the operation of your Business. We will also provide you with updated and current lists of approved suppliers for exercise equipment, products, supplies and services you can purchase from for the operation of your Business. Our affiliate, Burn Retail, will provide you with an ongoing supply of certain inventory items you must purchase, including branded apparel, nutritional supplements, and various accessories. (Franchise Agreement, Sections IX.G, IX.H, IX.I, XVII.H and XVII.I).
5. Review and approve or disapprove any piece of exercise equipment, product, supply, service and/or supplier you wish to use, sell, or offer in the operation of your Business. We will inform you of such approval or disapproval in writing or by email. We may require third party testing of such items and you are responsible for paying the costs of such tests as described in Item 8 (Franchise Agreement, Section IX.H).
6. Review and approve advertising and promotional materials in addition to any promotions, edits, changes, or updates to your website that you submit to us, by notifying you in writing or by email of such approval or disapproval. Any plans or materials submitted by Franchisee to us, which have not been approved or disapproved in writing, within such 30 day period shall be deemed not approved (Franchise Agreement, Sections IX.I, IX.K and XVII.J).
7. Provide continuing education to any new Operations Manager or Head/Lead Trainer of your Business as discussed below under the Section entitled "Franchisee Education (Training)". We may require that you (or if you are an Entity, an Owner) and any Operations Manager(s), or Head/Lead Trainer(s) to complete supplemental and refresher education programs during the term of the Franchise Agreement (Franchise Agreement, Section XVII.A).
8. You shall have the right to offer and sell services and products at any prices you may determine, except that we reserve the right to establish minimum and maximum prices for any given service or product nationwide to the extent allowed by federal and state laws. To clarify, we have the right, in our sole discretion, to establish minimum and maximum prices for any service or product (including exercise equipment if we authorize you to sell exercise equipment in the future) so long as such decisions are made with the honest belief that the measure we are adopting will help everyone in the System meet competition

and succeed in the marketplace. You are prohibited from heavily discounting services and products offered for sale and must adhere to our minimum and maximum pricing guidelines, except as otherwise provided by applicable federal or state laws. You must participate in and comply with all sales and promotional programs and/or product promotions promulgated by us periodically, except as otherwise provided by applicable federal or state laws.

9. As permitted under applicable law, provide you with minimum and maximum pricing guidelines and sales and promotional programs and/or product promotion (Franchise Agreement, Section IX.G.11).

Area Development Program

If you sign an ADA, you will receive a designated geographic area for each Burn Boot Camp Business you agree to develop. We will approve or disapprove a site for your business locations according to the then-current standards, within the timelines applicable in each Franchise Agreement. In addition to granting you the right to establish a specific number of Businesses under your ADA, we will also provide you with the assistance described in this Item 11 for each Business you must open under your ADA.

System Brand Fund

We have created, maintain and administer a system brand fund (referred to as the “System Brand Fund”) to support ongoing technology and new equipment or product development to be made available to franchisees, and such national advertising as we, in our sole discretion, may deem appropriate to promote the Burn Boot Camp® name to benefit all franchised businesses. We will direct all such programs and will have sole discretion over the creative concepts, materials and endorsements and media used in such programs, and the placement or allocation of such programs. The source of the advertising will come from our in-office advertising department or from a national or local advertising agency. We reserve the right to determine in our sole discretion the composition of all geographic territories and market areas for the implementation and development of such programs. The advertising programs may be national, regional, or local at our sole discretion. We are not obligated to spend a specific dollar amount on advertising in your territory (Franchise Agreement, Section VII.B).

You will pay us 2% of monthly Gross Revenue for System Brand Fund contribution as designated in the Franchise Agreement. We may raise, discontinue, or reduce the contribution, but your total contribution will not exceed 3% of your Gross Revenue in any calendar year for the term of your Agreement. Contributions are due by the day we specify during each Report Period for the immediately preceding Report Period.

The contributions will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the System Brand Fund and its programs, including conducting evaluation of new exercise equipment, products, services and technologies; product and/or exercise equipment development, market research, preparing advertising, promotion and marketing materials, and collecting and accounting for contributions to the System Brand Fund. Usage of the System Brand Fund may include ongoing development of the national website and development of new exercise equipment, products, and services to be made available to franchisees. The media in which advertisements may be disseminated include print ads, signs, billboards, radio, television, or Internet and may be conducted on a regional or national basis. We may spend on behalf of the System Brand Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Burn Boot Camp® Franchises in that year, and the System Brand Fund may borrow from us or others to cover deficits or invest any surplus for future use. While we do not anticipate that any part of System Brand Fund contributions will be used for advertising which is principally a solicitation for franchisees, we reserve the right to use the Fund for public relations or recognition of the Burn Boot Camp® brand, for the creation and maintenance of a website, a portion of which can be used to explain the franchise offering and solicit potential franchisees, and to include a notation in any advertisement indicating “Franchises Available” or similar language.

We are under no obligation to ensure that expenditures by the System Brand Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Fund by franchises operating in such geographic area or that you or your Business will benefit directly or in proportion to your contribution to the System Brand Fund. Neither the Fund nor we shall be liable to you with respect to the maintenance, direction, or administration of the System Brand Fund, including without limitation, with respect to contributions, expenditures, investments, or borrowings. All Burn Boot Camp® businesses owned by us or our affiliates must contribute to the System Brand Fund in the same proportion as all franchisees.

We administer the System Brand Fund, which is not audited. If contributions paid into the System Brand Fund are not spent in the fiscal year in which they accrue, we can use the remaining amounts for the same purposes in future years. We will prepare an annual un-audited statement of monies collected and costs incurred by the System Brand Fund within 120 days after the end of our fiscal year and furnish it to you upon written request. We reserve the right not to spend all of the funds in the System Brand Fund in any one year and such funds may be accrued into the next year.

In the fiscal year ended December 31, 2023, the System Brand Fund contributions were expended as follows: Media Placement 67%; Production 8%; and Administration 25%.

Advertising Cooperatives

We do not now, but may in the future, require you to join, participate in and pay into, one or more franchisee marketing councils (regional advertising cooperative) for your region, determined by the penetration area of local advertising media used (for example, the area of a regional 'newspaper's circulation). Because, we have not yet formed any franchisee marketing councils, we do not know how the area or the membership of any franchisee marketing council (regional advertising cooperative) will be determined. Because we have not formed any franchisee marketing councils (regional advertising cooperative), we have not determined whether any of our company-owned businesses will be contributing to any advertising spent by any franchisee marketing council. If we choose to establish a franchisee marketing council (regional advertising cooperative), we will be responsible for administering it. If we do create any franchisee marketing councils (regional advertising cooperative), they must operate in accordance with bylaws (or an operating agreement if it is a limited liability company). If we do create any franchisee marketing councils, the franchisee marketing council will prepare annual financial statements that you can review, but which will be unaudited. We will have the right to form, dissolve, and merge any specific franchisee marketing council. Even though we have not yet formed any franchisee marketing councils (regional advertising cooperative), we may require that all franchisees within close proximity to a consumer show, convention or exhibition where services and products are being offered or sold to participate in the cost and benefit of the show. We reserve the right to issue binding policies to coordinate marketing councils and/or advertising cooperative programs. We must approve in advance and will direct and coordinate all franchisee Internet advertising. All such programs and policies are our proprietary trade secrets.

Grand Opening Marketing and Local Advertising

You must spend \$15,000 in local marketing between the signing of your Franchise Agreement and 2 weeks before opening, and then you must spend another \$15,000 from 2 weeks before opening until 90 days after opening. Thereafter, you must spend on approved forms of local advertising the minimum amount of \$2,500 per month ("Local Advertising Expenditure"), but we recommend at least \$2,000 per month. You have the option, but not the obligation, to contract with our affiliate, Burn Media, to provide these marketing services. You must give us a quarterly report of your Local Advertising Expenditures within 15 days following the end of each calendar quarter. You cannot include expenditures for any of the following to satisfy your Local Advertising Expenditure requirement: (i) incentive programs for your employees or agents; (ii) non-media promotional costs; (iii) charitable, political, or other contributions or donations; (iv) fixtures or equipment in your Facility; (v) business directory listings (online, digital, or otherwise); or (vi) grand opening expenses. If we direct you in writing, you must pay the Local Advertising Expenditure to us, and we will administer the Local Advertising Expenditures on local promotional campaigns and marketing for your Business. You will not use any independent advertising or sales promotion programs in any media (including electronic) without our prior review and

written approval. We will approve or disapprove in writing the materials you submit to us within 30 days and, if we do not respond within such period, all such materials will be deemed automatically disapproved. You will make reasonable efforts to participate in and cooperate with all advertising programs selected by us or by any approved group of franchisees, except that you may not need to follow or maintain any sales price or suggested promotional pricing. You are responsible for any expenses of this independent advertising.

Franchise Advisory Council

We have established an elected Advisory Council. Selected Franchisee(s) must actively participate in the Advisory Council as we designate and participate in all Advisory Council meetings approved by us. We reserve the right to prepare and amend the governing documents for the Advisory Council from time to time. We will determine the topic areas to be considered by the Advisory Council. The purpose of the Advisory Council includes, among other things, exchanging ideas and problem-solving methods, advising us on expenditures for System-wide advertising, and coordinating franchisee efforts. Amounts and expenditures may vary from time to time due to variations in Advisory Council participation and costs, as determined by the Advisory Council, and as we approve. The Advisory Council acts in an advisory capacity only. We have the right to form, change, or dissolve any Advisory Council at any time in our sole discretion.

Computer System

Required Components

You must purchase and use all Technology Systems (as defined in Note 5 in Item 6) that we designate from time to time. One component of our Technology Systems is your “computer system,” which consists of the following items: computer; iPads; credit card processing equipment; printer; scanner; wireless router; networking equipment; copier; sound system; microphone system; music subscription support; a telephone; and the various business management software covered by the technology fee. We may change the components of the Technology Systems from time to time, including your computer system. Additionally, we recommend that you use an accounting software to assist in the management of the Business, which must allow you to prepare and submit financial statements consistent with our required financial statements (as outlined in the Operations Manual). Lastly, you must obtain a music subscription service (including licensing) to stream music in the Facility. The costs for the accounting software and music subscription service are not included in the Technology Fee. Your use of the Burn App is included in your Technology Fee.

As part of the Technology Fee, we will provide you with the email addresses for use with your Business. You must exclusively use the email address or addresses that we provide for all communications with us, members, suppliers, and other persons relating to your Business. You may not use any email address that we provide to you for any purpose unrelated to your Business. We will own the email addresses and the account but will allow you to use them during the term of your franchise.

How Computer System Is Used

Your computer system will be used for a variety of purposes. The technology fee paid to us covers the licensing fees associated with the suite of software and subscription services you must license through us (we license these items from third parties and sublicense them to you). We and/or our affiliate may develop proprietary software, technology or other components of the Technology Systems that will become part of our System. If this occurs you agree to pay us (or our affiliate) commercially reasonable licensing, support and maintenance fees. We also reserve the right to enter into master agreements with third-party suppliers relating to any components of the Technology Systems and then charge you for all amounts that we must pay to these suppliers based upon your use of the software, technology, equipment, or services provided by the suppliers. The “technology fee” includes all amounts that you must pay us or our affiliates relating to the Technology Systems, including amounts paid for proprietary items and amounts that we collect from you and remit to third-party suppliers based on your use of their systems, software, technology or services. The amount of the technology fee may change based upon changes to the

Technology Systems or the prices charged by third-party suppliers with whom we enter into master agreements. The technology fee does not include any amounts that you directly pay to third party suppliers for any component of the Technology Systems.

The table below identifies the ongoing fees and costs you must pay for the Technology Systems:

Maintenance, Support, Updates and Upgrades

In exchange for the ongoing fees described in the preceding section, the licensors of the various software will provide all required maintenance, support, updates, and upgrades. There are no optional or required maintenance, updating, upgrading or support contracts relating to your computer system. Except as otherwise disclosed above: (i) neither we nor any other party has any obligation to provide ongoing maintenance, repairs, upgrades or updates to your computer system; and (ii) we are not aware of any optional or required maintenance, updating, upgrading or support contracts relating to your computer system.

Collection and Sharing of Data

Your computer system will collect the following data: email communications (including sender/recipient data, delivery/email open data, email click data, email subscriber name/email and opt in-/out status); operational data relating to your Business; template and signed documents from you and your members/suppliers; member information (including name, date of birth, gender, contact information, payment information, purchase history and visit history); consumer reviews; local business listings data; website metrics (including site visitor geo location); and music play history. We will have independent unlimited access to all data that you enter into your cloud-based software applications (including your franchise management software, member management and point-of-sale software, CRM software, etc.) and there are no contractual limits imposed on our access. We will not have independent access to any other data that you enter into your computer system and store locally on your hard drive. You are solely responsible for managing and maintaining your computer system and the information stored locally on the computer system.

Computer System Maintenance and Changes

You must maintain the computer system in good working order at your cost. During the term of your franchise, you may be required to upgrade or update your computer hardware and/or software to conform to our then-current specifications. You must replace all computer systems and iPads at your expense: (i) as such items become obsolete or inoperable; or (ii)

if, in our sole discretion, replacement is necessary because of new functionality, change in software, change in methods of service or because of health or safety considerations. You have 90 days after you receive written notice from us to either remove or replace such computer systems and iPads. Your failure to remove, replace and/or maintain your computer systems and iPads as described above may result in termination.

Website and Internet Presence

We may establish electronic Local Listings and Citations for your business on your behalf, and provide access to make adjustments, as necessary, to customize elements of those web listings. Unless we approve otherwise in writing, you may not establish a separate Website and will only have one website, as we designate and approve, within our website. The term “Website” includes: Internet and World Wide Web home pages, as well as other electronic sites (such as social networking sites like Facebook, TikTok, Twitter, LinkedIn, Pinterest, Yelp, blogs and other applications). You must comply with our requirements regarding selling, advertising, discussing, or disseminating any information, or otherwise having a presence on a Website, regarding the Business. If we approve a separate Website for you (which we are not obligated to do), we will provide you with guidelines for establishing and maintaining such Websites and each of the following provisions will apply: (i) you may neither establish nor use any Website without our prior written approval; (ii) before establishing any Website, you must submit to us, for our prior written approval, a sample of the proposed Website, including its domain name, format, visible content (including, without limitation, proposed screen shots), and non-visible content (including meta-tags), in the form and manner we may require and all such work (except for social networking sites) must be performed by us, our affiliates or approved suppliers (as described in Item 8); (iii) you must not use or modify a Website (except for social networking sites) without our prior written approval; (iv) you must comply with the standards and specifications for Websites that we may periodically prescribe in the Operations Manual or otherwise in writing; (v) if we require, you must establish hyperlinks to our website and other Websites; and (vi) you must not engage in any link building activities unless approved by us.

You agree to use the facilities of any such computer network, intranet system or extranet system in strict compliance with the standards, protocols, and restrictions that we include in the Operations Manual, including those related to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory or defamatory statements.

Franchisee Education (Training)

We will provide the initial education program at our headquarters or another location of our choice. Certain of this training is mandatory and certain of the training is optional, as further outlined below.

With respect to mandatory training, we will provide this initial education program without charge for you and up to 2 additional individuals (for a total of 3 people), being the Owners, Head/Lead Trainer, Operations Manager or key personnel as designated by you, no earlier than the date you sign your lease.

If you are a new franchisee and are taking over an existing Burn Boot Camp[®] location, the education program must be completed no later than 90 days after the effective date of the consent to transfer document that you sign. In addition, you must complete general, non-proprietary franchisee education prior to the transfer and can be completed prior to the completion of the transfer (provided, that all attendees execute a non-disclosure agreement). Part of this franchisee education may be conducted online (Burn Learning) but BurnU must be completed in person. If you are an existing

franchisee taking over an existing Burn Boot Camp® location, the franchisee education program must be completed within no later than 90 days after the effective date of the consent to transfer document that you sign.

You will be responsible for travel, accommodation, food, and other costs for all your attendees at all training programs outlined below (and as otherwise required under the franchise agreement), and you must attend and satisfactorily complete the program within the timeframe mentioned above. If, during the franchisee education program we determine, in our sole discretion, that you (or your Operations Manager, managing partner, member or shareholders) are not qualified to manage a Burn Boot Camp® Business, you can appoint someone else to attend and satisfactorily complete the education program at your expense and if the other attendee does not satisfactorily complete the program to our satisfaction, then we may terminate your Franchise Agreement.

If your Head/Lead Trainer fails to timely complete the initial education program to our satisfaction, you have the right to appoint another Head/Lead Trainer to attend the trainer education program by us at your expense, and if the other Head/Lead Trainer does not satisfactorily complete the trainer education program to our satisfaction, then we may terminate your Franchise Agreement. If you or your affiliate has owned and operated a Burn Boot Camp® Business previously and you purchase another existing Burn Boot Camp® Business, then we will not be obligated to provide all of the aforementioned education to you at no cost, however, we will provide you with 1 complimentary Burn U registration. You must pay for any additional Burn U registrations you may need as outlined below.

FRANCHISEE EDUCATION PROGRAMS - FRANCHISEES AND OPERATIONS MANAGERS

You and your Operations Manager must complete Fundamental Burn U to our satisfaction prior to opening. The entire Burn U program is described below (Fundamental and Advanced). If you wish to send anyone to Advanced Burn U after attending Fundamental Burn U, subject to availability and capacity, we may accommodate the request and you must pay us a fee \$900 per attendee. If you attend Advanced Burn U to satisfy your renewal training obligations, you do not have to pay a fee for the first 3 people you send.

Any person designated by you replacing a previously trained Owner, Operations Manager or Head/Lead Trainer must attend and satisfactorily complete, within 30 to 90 days of first employment, the applicable education program at your cost.

Our instructional materials and methods for the franchisee education program include demonstrations, presentations, various speakers, our proprietary marketing plan, on the job education for some of the subjects, and the operations manual. The actual hours of classroom and on-the-job education may vary. For example, it may take less time to cover a subject in a smaller class than in a larger class.

The Operations Manual will detail all aspects of franchise operations presented in the franchisee education program and serve as an ongoing reference. Updates to the Operations Manual will be made available to you through various means including online. The education sessions will be taught or supervised by Nicole Odom, Senior Director of Field Support who has 3 years of experience with us and Luke Smith, Senior Fitness Specialist who has 3 years of experience with us and 9 years of experience in the fitness industry. Additionally, other members of our team will provide various education sessions, however, each person will have at least 1 year of experience with us and 1 year of experience in the industry of the topics covered by that person's education session. Occasionally, different guest speakers may make an appearance at the education program to provide information about various pieces of exercise equipment, products and services used and offered by us. For example, some speakers may be our franchisees, suppliers, or industry experts.

We may require you, your Owners or Head/Lead Trainers to receive or attend and complete to our satisfaction additional or advanced education from time to time (including upon a default of the franchise agreement). You may be required to pay a fee for such education as we reasonably determine. While the Initial Franchise Fee includes the cost of our initial education program, the Initial Franchise Fee only covers the program for up to 3 individuals, must occur prior to opening, and is non-transferable to other locations or to other franchisees. We may charge you an additional education session fee for Burn U equal \$1,500 per attendee, plus our expenses. Any advanced Burn U training is an additional \$900 per attendee, plus our expenses. Alternatively, you can request that we send two team members to your Facility for a fee of \$1,500 for the two-day training. You must also pay for travel, food, and accommodations and all other related expenses. We may, in

our sole discretion, hold refresher and ongoing education courses. We may require you and your management personnel to attend education at the location we designate. Additionally, we may require your attendance at regional continuing educational programs, which is generally a in-person education session including hands on fitness product coaching accompanied with a half-day interactive, classroom style education session on the Burn Operating System including Member Experience and Sales Strategies with multiple subject matter experts from Burn Boot Camp HQ. You must pay \$125 per attendee at the regional continuing educational programs.

<p>Burn University (required as summarized above but optional for additional attendees)</p>	<p>\$1,500 per individual (\$300 per day)</p>

However, we reserve the right to require that you attend any of these education programs in our discretion. All expenses, including you and your personnel’s transportation, meal, and lodging expenses to attend such education session, will be your sole responsibility. We may also provide education programs for employees and managers to complete over our intranet system at your expense.

ITEM 12: TERRITORY

Franchise Agreement

The Franchise Agreement grants you the right to operate a single Burn Boot Camp® Business at a specific location that you select and we accept, in our sole discretion. You will be given a specific geographic area (the “Site Selection Area”) within which you must locate a site for your Business. The Site Selection Area is used only for selection of a site for the Business, grants no territorial rights or protection, and, after we grant you a Territory as described below, the Site Selection Area is void and no longer applicable.

We will grant you a protected territory (“Territory”). Each territory will be defined by a protected radius that is determined as follows:

- If there are fewer than 50,000 people within a 3-mile radius from your Business location, then your Territory shall include the geographic area within a 3-mile radius from your Business location.
- If there are more than 50,000 people within a 3-mile radius from your Business location, then your Territory shall include the geographic area within the radius from your Business location that results in a population of 50,000 within your territory.

The population data is based on census data utilized by our territory mapping software. We have no obligation to modify your Territory based on changes to population that take place after our initial determination of your Territory. We will determine the Territory and insert a description of the Territory in a data sheet annexed to the Franchise Agreement.

Your Territory may be altered during the initial term, but only by: (i) mutual consent in writing; (ii) at the time of transfer or renewal as a condition to transfer or renewal; or (iii) for any default of this Agreement which triggers our ability to terminate the Franchise Agreement. We must have consented to the location for your Burn Boot Camp® Business within your Territory in writing before you open for business. Relocation of your Facility or establishment of additional Facilities within your Territory requires our written consent. We base our consent on traffic patterns in your new location, population, and a review of your lease agreement.

So long as you are in compliance with the terms and conditions of your Franchise Agreement, we will not establish, nor license any other person the right to establish, another Burn Boot Camp® Business at any location within the Territory granted to you after your location is chosen. However, you will not receive an exclusive territory because your Territory will not be exclusive in terms of marketing or clientele and because of certain rights that we reserve, as further discussed below.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

The Territory described above will affect where you and other franchisees may solicit business, sell services (such as membership options), products and exercise equipment (if we authorize you to sell exercise equipment in the future) and service members. You can sell services and products to anyone from anywhere so long as your sales do not result from any direct solicitation activities by you and the services you provide and products you sell are being performed and shipped from your Facility or at off-site events as described below. We, other franchisees, licensees and company-owned businesses reserve the same right to service members and sell services (such as membership options) and products to anyone from anywhere without compensation to you. You are prohibited from soliciting and marketing by any means outside of your respective Territory and you must not specifically engage in target marketing (“Target Marketing”) within the Territory of another Burn Boot Camp® business (franchise and/or a company/affiliate owned business). Target Marketing means a concerted effort by a franchisee to solicit and obtain members through any type of advertisement or marketing, directed at all or a portion of another franchisee’s territory. You may not conduct business at any other site or sites other than the accepted Franchise site or sites as permitted by your Franchise Agreement. You may not relocate your Facility without our prior written consent. You can conduct business at off-site events (for example at fitness expos, health fairs, promotional events, charity events, etc.) to sell services (such as membership options) and products and/or provide services so long as such events are within your Territory. You may conduct business at off-site events in other geographical areas where there is not a Burn Boot Camp® business only after providing notice to us and after obtaining our written approval, however you cannot perform Target Marketing outside your Territory, as described below. We shall approve or deny your request in writing or by email, which approval is in our sole discretion, within three business days of receipt of your written request to conduct business at off-site events in other geographical areas (outside your Territory) that has not been sold to one or more franchisee(s) or licensee(s). If we do not timely respond then your request will be deemed denied. If we approve your request to conduct business at off-site events in another geographical area, you must be prepared to immediately lose any accounts you have established when that area is purchased and immediately refrain from conducting business at such off-site events. You may sell and ship products to people located outside your Territory so long as your sales do not result from any Target Marketing activities by you.

If you are asked to conduct business at off-site events in geographical areas in which there is another franchise, licensee or company-owned business, you must immediately refer that request to the Burn Boot Camp® business in that geographical area or directly to us. Whether the other Burn Boot Camp® business is a franchise, licensee or company-owned location, you must not conduct business at off-site events in that geographical area. If the other franchisee, licensee or company-owned business gives you permission to conduct business at such off-site events, then you must immediately inform us in writing and you can then proceed to conduct business at such off-site event.

We may allow you and other franchisees, licensees or company-owned businesses to sell services (including memberships), products and/or exercise equipment through an alternative channel of distribution (such as on the Internet or Websites). If you are granted permission to sell memberships, products and/or exercise equipment through an alternative channel of distribution, per our written approval, you may sell memberships, products, and/or exercise equipment to anyone from anywhere without compensation to the other franchisee, licensee or company-owned business. We, other franchisees, licensees and company-owned businesses reserve the same right to sell memberships, products and/or exercise equipment (including shipping such items) through an alternative channel of distribution to anyone from anywhere without compensation to you.

National Accounts

We have the exclusive right to negotiate and enter into agreements or approve forms of agreements to sell services (such as membership options) and products and offer services to any business or organization which owns, manages, controls or otherwise has responsibility for locations in more than one area whose presence is not confined within any one particular franchisee's territory regardless of the contract amount of products to be provided or services to be performed (a "National Account"). After we sign a contract with a National Account, we may, at our option, provide you the option to provide services (such as membership options) and/or products or perform services to businesses under the National Account contract. If we choose, or if you choose not to provide such services or products to the National Account, we may direct the National Account to seek such services and products from another franchisee or company-owned location even if the National Account is located within your Territory without compensation to you.

Reserved Rights

Your rights in the Territory are exactly (and only) as expressly set forth in the Franchise Agreement. Except as expressly provided in the Franchise Agreement, you have no right to exclude, control or impose conditions on the location, operation, or otherwise of present or future Burn Boot Camp[®] (or any other brand) units or distribution channels of any type, franchised or company-owned, regardless of their location or proximity to the Business and whether or not they provide Services or Products within the Territory. You do not have any rights with respect to other and/or related businesses, services, and/or products, in which we or any related persons or entities may be involved, now or in the future. Any rights not expressly granted to you under the Franchise Agreement are reserved to us. Such rights reserved to us include, but are not limited to the right to:

1. Establish, and license others to establish, Burn Boot Camp businesses at any location outside the Territory, notwithstanding their proximity to the Territory or the location of the Business or their actual or threatened impact on your sales;
2. Own and operate health and fitness businesses under different marks at any location(s) inside or outside of the Territory, or license to others the right to own and operate health and fitness businesses under different marks at any location(s) inside or outside of the Territory;
3. Sell and distribute, directly or indirectly, or license others to sell and distribute, directly or indirectly, any products, services or merchandise, from any location or to any purchaser, through any channel or method of distribution (including, but not limited, to sales made by or through mail order and/or on the Internet), so long as such sales are not conducted from a Burn Boot Camp business operated from a location inside the Territory (we currently sell "at-home" equipment package to consumers through our website);
4. In the event we or our affiliates acquire another chain or system, or we or our affiliates are acquired by another chain or system, that operates and/or franchises stores or retail outlets that are the same or similar to Burn Boot Camp[®] Businesses in that they have a substantially similar concept and/or offer for sale similar products or services, we or our affiliates may establish, acquire or operate, or license others to

establish and operate, stores and retail outlets under other systems or other marks, which stores or retail outlets may offer or sell products or services that are the same as, or similar to, the products and services offered from a Burn Boot Camp[®] Business, and which stores or retail outlets may be located within or outside your Territory, despite these stores' proximity to your Business or their actual or threatened impact on sales at Franchisee's Business; and

5. Engage in any other activities not expressly prohibited by your Franchise Agreement.

Although we reserve the above-referenced rights, neither we nor any affiliate of ours currently operates, franchises, or has plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those that you will offer at your Burn Boot Camp[®] Business.

We are not responsible for paying any compensation to you concerning the sale of products, exercise equipment, supplies or services by us over the Internet, World Wide Web, smartphone apps or other similar venues, by alternative means of distribution, advertising cooperative programs, outlets, businesses that are or are not substantially similar to the Franchised Business or any business that does not use the Marks. For clarity, your Franchise Agreement grants you no rights to offer and provide services, sell or distribute products or exercise equipment, through any alternative channels of distribution (other than our approved list of channels of distribution) without our permission or share in any of the proceeds from our activities through alternative channels of distribution.

Area Development Agreement

Under an ADA, you will develop, open and operate either 2 Burn Boot Camp[®] Businesses (a "2-Pack") or 3 Burn Boot Camp[®] Businesses (a "3-Pack") within a defined Development Area (the specific number of Businesses you must develop will be listed in the ADA before you sign it). We determine the Development Area using the same criteria that we use in deciding the Territory for a Business. However, the Development Area must be able to support the number of Businesses you intend to establish in that area. As a result, the Development Area generally consists of a portion of a city, county or designated market area. Your Development Area will be described in the ADA before you sign it.

We and our affiliates have the right to continue to own and operate, and allow others to own and operate, Burn Boot Camp[®] businesses existing inside your Development Area as of the date you sign the ADA, if applicable. However, as long as you are in compliance with the ADA and all Franchise Agreements, we will not develop or operate, or permit anyone else to develop or operate, any new Burn Boot Camp[®] Business in your Development Area during the term of the ADA.

If you sign an ADA, you will receive a designated geographic area for each Burn Boot Camp Business you agree to develop. We will approve or disapprove a site for your business locations according to the then-current standards, within the timelines applicable in each Franchise Agreement. In addition to granting you the right to establish a specific number of Businesses under your ADA, we will also provide you with the assistance described in this Item 11 for each Business you must open under your ADA.

You have no right of first refusal or similar rights to acquire additional franchises or establish additional Businesses that are not in your Development Area. If you wish to obtain an additional location, it must be included in your Development Schedule and you will be required to enter into a separate Franchise Agreement for such location.

Upon expiration or termination of the ADA, we will be entitled to develop and operate or to franchise to others the right to develop and operate, Burn Boot Camp[®] Businesses in the Development Area, except within any Territory under any Franchise Agreement between us and you that has not expired or been terminated.

	Ser. No. 97/437,925	Pending	Principal

We do not have a federal registration for the 7 marks referenced in the table immediately preceding this paragraph, Serial Numbers 97/437,925; 97/384,961; 97/599,101; 97/599,091; 97,059,316; 97/059,315; and 97/501,802. Therefore, those trademarks do not have many legal benefits and rights as our federally-registered trademarks. If our right to use these trademarks is challenged, you may have to change to alternative trademarks, which may increase your expenses.

We obtained our right to use and license others the use of the Marks and the System under a license agreement with DKF. The Agreement may be terminated if we fail to follow the quality standards of DKF. In addition, DKF. has the right to substitute alternative trademarks for license at any time. Therefore, you may have to change the trademarks that you use in operating your franchise business at your expense. The intellectual property license agreement will remain in effect for as long as we offer franchises, unless we are in default of the trademark license agreement.

There are no presently effective determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor any pending infringement, opposition or cancellation proceeding or material litigation involving the Marks. There are no effective agreements that limit our right to sublicense you the trademarks, other than a sublicense to use the trademarks from DKF.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Marks, or claim by any person of any rights in any Mark or any similar trade name, trademark or service mark of which you become aware. We have the sole discretion to take such action as we deem appropriate and the right to exclusively control any litigation, USPTO proceeding or other administrative proceeding.

We are not obligated by the Franchise Agreement to protect any rights granted to you to use the Marks or participate in your defense, protect you against claims of infringement or unfair competition with respect to them. The Franchise Agreement does not require that we participate in your defense or indemnify you for expenses or damages if you are a party to a judicial or administrative proceeding involving one of the Marks or if the proceeding gets resolved unfavorably to you. Although we are not contractually obligated to protect the Marks or your right to use them, as a matter of corporate policy, we intend to defend the Marks vigorously.

You may not, without our written consent, in our sole discretion, commence or prosecute, or seek leave to intervene in, any litigation or other proceeding, including any arbitration proceeding, in which you purport to enforce any right or recover any element of damage arising from the use or infringement of any of the Marks or unfair competition.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any Mark, and/or use one or more additional or substitute trademarks or service marks, you must comply with our directions with respect to a reasonable time after notice by us. You, in connection with the use of a new or modified Mark, may be required, at your own expense, to remove existing signs from your Facility, and to purchase and install new signs. We have no liability to you for such modification or discontinuance.

We do not know of any infringing uses that could materially affect your use of our Marks in any state; however, a federal trademark registration does not necessarily protect the use of the concerned mark against a prior user in a given relevant market area. We do not know of any superior prior rights that may limit your use of the Marks. Before entering into the Franchise Agreement, you should make every effort to ascertain that there are no existing uses of the Marks or confusingly similar marks being used in the market area where you wish to do business. You should immediately notify us of any confusingly similar marks you discover.

All your usage of the Marks granted under the Franchise Agreement is nonexclusive, and we retain the right, among others: (a) to use the Marks in connection with selling services and products; (b) to grant other licenses for the Marks, in addition to those licenses already granted to existing franchisees and licensees; (c) to develop and establish other systems using the same or similar Marks, or any other proprietary marks, and to grant licenses or franchises in those systems without providing any rights to you as described in Item 12.

All your usage of the Marks and any goodwill you establish are to our exclusive benefit and you retain no right or rights in the Marks on the termination or expiration of your Franchise Agreement. You may not use the marks as a part of any corporate or trade name, nor may you use any trade name, trademark, service mark, emblem or logo other than the Marks, as we may designate periodically. You must prominently display the Marks on such items and in the manner we designate. You must obtain such fictitious or assumed name registrations as we require or under applicable law. You must identify yourself as the owner of your Franchise by placing your name on the Business and on all checks, invoices, receipts, contracts and other documents that bear any of the Marks, and on all printed materials your name must be followed by the phrase "A franchise of Kline Franchising, Inc." or such other phrase as we occasionally direct.

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any registered patents or copyrights or have any pending patent applications which are material to the Franchise; however, we claim copyright and common law trade secret protection for several aspects of our System, methods, techniques and operational procedures; the Operations Manual; our fitness programs and workout routines, exercise equipment, products and supplies; exercise equipment and product specifications, systems, design, décor, signage, manuals and all related materials including advertisement and promotional materials although such materials may not have been registered with the United States Copyright Office. These materials are considered proprietary and confidential and are considered our property and may be used by you only as provided in your Franchise Agreement. We reserve the right to register any of our copyrighted materials at any time we deem appropriate. We also reserve the right to renew any and all such copyright registrations at our discretion.

There currently are no effective determinations of the United States Copyright Office or any court regarding any of the copyrighted materials.

There are no effective agreements that limit our right to sublicense to you the copyrights and trade secrets, other than a sublicense to use the copyright and trade secrets from DKF. The Agreement may be terminated if we fail to follow the quality standards of DKF. In addition, DKF has the right to substitute alternative copyrights and/or trade secrets for license at any time. Therefore, you may have to change the copyrights and trade secrets that you use in operating your franchise business at your expense. The intellectual property license agreement will remain in effect for as long as we offer franchises, unless we are in default of the intellectual property license agreement.

There are no infringing uses actually known to us, which could materially affect your use of the copyrighted materials in any state. We are not required by any agreement to protect or defend any patent, trade secret, copyright or to participate in your defense, or indemnify you.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of our copyrighted materials or trade secrets, or claim by any person of any rights in any copyright or trade secret which you become aware. We have the sole discretion to take such action, as we deem appropriate and the right to exclusively control any litigation, United States Copyright Office proceeding or other administrative proceeding. We may require you to discontinue use or modify any materials that may in our opinion infringe on the copyright, trade secret, or patent rights of any other person or business.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any copyrighted materials or trade secrets, and/or use one or more additional or substitute copyrighted materials or trade secrets, you must comply with our directions with respect to a reasonable time after notice by us. We have no liability to you concerning substitution or modification of copyrighted materials or trade secrets.

We possess certain confidential information that includes our different membership options, fitness programs and workout routines; specific methods and techniques when executing our workout routines; nutrition programs, exercise equipment, products and operational procedures; relationships with suppliers, purchasing strategies, sales techniques and methods; our build out and design specifications with unique décor, color scheme and signage; guidelines for hiring, training and

retaining employees, advertising, sales and promotional programs; cost and pricing strategies, procedures for safety and quality control, our website, software, forms, contracts, record keeping and reporting procedures, promotional, advertising and marketing materials; systems and knowledge of, and experience in, the operation and franchising of a Burn Boot Camp® business (the “Confidential Information”). We will disclose Confidential Information to you during our initial franchisee education program, seminars, workshops, continuing education programs, sessions and conventions sponsored by us, in the Operations Manual, and in guidance furnished to you during the term of your Franchise Agreement.

If you or your partners, members, managers, directors, shareholders, employees, agents or independent contractors develop any new piece of equipment, service, product, program, concept, technique, formula, process or improvement in the operation or promotion of your Business, you are required to promptly notify us with all necessary related information, without compensation. However as a matter of corporate policy, we may create an incentive program to reward you, your partners, members, managers, directors, shareholders, employees, agents or independent contractors for any new piece of equipment, service, product, program, concept, technique, formula, process or improvement that we implement throughout the System. You and if you are an Entity, then one of your Owners acknowledge that any such equipment, service, product, concept, process, technique or improvement will become our property and we may use or disclose such information to other franchisees as we deem appropriate.

The Franchise Agreement provides that you will not acquire any interest in the Confidential Information other than the right to utilize it in the development and operation of your Business during the term of your Franchise Agreement, and that the use or duplication of the Confidential Information in any other business would constitute unfair competition. You also agree that the Confidential Information is proprietary to us and is disclosed to you solely on the condition that you: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of your Franchise Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written or electronic form; and (4) will adopt and implement all reasonable procedures required by us to prevent unauthorized use or disclosure of the Confidential Information, including without limitation, restrictions on disclosures to employees and independent contractors of your Franchise and any other business(es) owned by you and if you are an Entity, any of your Owners, and the use of nondisclosure and non-competition clauses in employment agreements with your employees, independent contractors and Owners.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The Franchise Agreement provides that a Burn Boot Camp® Franchise must at all times be under the direct, day-to-day, full time supervision of the Operations Manager who is approved by us. You may serve as the Operations Manager but the Operations Manager does not need to have an ownership interest in the franchisee entity. This person must have successfully completed the Burn Boot Camp® franchisee education program for franchisees/operations managers outlined in Item 11. The Operations Manager must use his or her best efforts in, and devote his or her time to, the operation of a Burn Boot Camp® Business.

In addition to the Operations Manager, you must designate the Head/Lead Trainer to oversee the training regimen at the Burn Boot Camp® Business. The Head/Lead Trainer may, but need not, be you (or one of your Owners if you are an Entity). The Head/Lead Trainer must meet all of our standards and criteria for such positions as set forth in the Operations Manual. The Head/Lead Trainer does not need to have any ownership interest in the franchisee entity. This individual and their replacements must also satisfy the applicable trainer education sessions, as outlined in the Franchise Agreement (Franchise Agreement Section IX.F).

Each of your employees, independent contractors, service providers, agents, principals and affiliates must sign a confidentiality agreement containing substantially the same protections as provided in the form agreement contained in the Operations Manual (although you are responsible for ensuring its adequacy and enforceability under local law). . It is

your responsibility to ensure enforcement of this document. You will provide us with copies of the executed agreements upon request.

If you are an Entity, every Owner must personally guarantee your obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, agree to be bound by the confidentiality provisions and non-competition provisions of the Franchise Agreement and agree to certain restrictions on their ownership interests. The required Guaranty of Obligations is attached as Schedule 4 of the Franchise Agreement. In addition, we require the spouse of each shareholder, partner, or member to execute a personal guaranty.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You are required to offer only approved services and sell only approved products as specified by us that includes but is not limited to: group fitness sessions using our fitness programs and high intensity workout routines, membership options, goal setting materials, nutrition coaching and meal planning programs, limited supplements for sale in addition to other fitness-related apparel, products, equipment and merchandise as expressly authorized by us in writing or in the Operations Manual, or developed by us as a result of your pre-market entry study to meet the needs of your unique market, and any updates to be incorporated in the Operations Manual periodically. You must offer and sell the services, products and exercise equipment that we have expressly approved in writing and must only purchase said exercise equipment from our affiliate, Burn Retail. We reserve the right to change, modify or discontinue such services and products (and exercise equipment) you are authorized to offer at any time upon 90 days' written notice to you and you may be required to participate in any promotion and/or discount membership options we offer which may change from time to time. To clarify, you must: offer only the services (such as membership options, fitness programs and workout routines) we specify; offer for use and sale only the products and exercise equipment we specify; comply with our standards pertaining to the execution of all services (such as fitness programs and workout routines); and use and maintain the exercise equipment as described in the Operations Manual or other written instructions.

The following additional services and products may be customized and offered by you in our discretion and only with our consent: sports performance coaching, childwatch services, beverages for sale, juice bar and smoothies, pre-packaged meals, healthy snacks for sale and other fitness-related programs, services and products approved by us. You must use the Burn App as part of the service offering. This includes through a proprietary application for use by your members. Advertisement of these services may only take place within your Territory. We may recommend a standard price for these services and we require that you use the Burn App for virtual services. Members can download the Burn App through the Google Play Store or Apple App Store. Burn on Demand can be purchased through the Burn App or directly from Burn Boot Camp® franchised locations.

You must offer and sell all services and products we specify and perform services and sell products either from your Facility or at off-site events within your defined Territory; and you acknowledge that we allow you and other franchisees, licensees or company-owned businesses to sell services (such as memberships) and products to anyone from anywhere so long as such sales do result in Target Marketing. You may offer additional services and products that are unique to your area in an effort to blend in with your community; however, you must obtain our written approval before such services and products are offered and the time to approve or deny your request is 30 days. You must discontinue selling and offering any service, product or exercise equipment (if we authorize you to sell exercise equipment in the future) that we may disapprove in writing at any time, whether a service or product or piece of exercise equipment is being submitted for approval or currently in use. We can and expect to change the types of services, products and exercise equipment (if applicable) we authorize. There are no limits on our right to do so. We will inform you by email or by any other form of written communication of such changes and/or modifications. You may not offer for sale any services (such as membership options) or products and/or provide any services that has not specifically approved by us in writing. You may not independently act as an exclusive distributor for any third-party supplier or secure any exclusive rights to sell any product or exercise equipment for any manufacturer or supplier inside or outside your Territory without our written consent.

You shall have the right to offer and sell services and products at any prices you may determine, except that we reserve the right to establish minimum and maximum prices for any given service or product nationwide to the extent allowed by federal and state laws. To clarify, we have the right, in our sole discretion, to establish minimum and maximum prices for any service or product (including exercise equipment if we authorize you to sell exercise equipment in the future) so long as such decisions are made with the honest belief that the measure we are adopting will help everyone in the System meet competition and succeed in the marketplace. You are prohibited from heavily discounting services and products offered for sale and must adhere to our minimum and maximum pricing guidelines, except as otherwise provided by applicable federal or state laws. You must participate in and comply with all sales and promotional programs and/or product promotions promulgated by us periodically, except as otherwise provided by applicable federal or state laws.

In addition, you acknowledge that we may, in our discretion, allow you and other franchisees, licensees or company-owned businesses to sell services (such as membership options), products and/or exercise equipment through an alternative channel of distribution (such as on the Internet or Websites) provided you adhere to our standards. You acknowledge that this may create competition and you will not receive any compensation from such sales made by other franchisees, licensees or company-owned businesses. If we authorize you to sell services, products and/or exercise equipment through alternative channels of distribution, all services, products and/or exercise equipment sold must be from your Facility. Unless otherwise approved by us in writing, you are not authorized to sell any services, products and/or exercise equipment on the Internet, World Wide Web or in any other media, whether known or hereinafter invented.

You must participate in any gift certificate, gift card or loyalty program we establish. You may not create or issue your own gift certificates or gift cards or institute a loyalty program unless approved by us in writing.

You must maintain proper permits and licenses to operate a Burn Boot Camp[®] Business and provide services and products in your area. You must not engage in any trade, practice or other activity that is harmful to our goodwill or reflects unfavorably on our reputation, that constitutes deceptive or unfair competition, or that is in violation of any applicable law.

You may directly advertise and market to sell and offer services and products to anyone located within your Territory. Except as noted above, we place no restrictions upon your ability to offer and sell services and products to anyone from anywhere provided you perform services and ship products from your Facility or at off-sites events in accordance with your Franchise Agreement and our standards.

Notes to FPR Table:

- For purposes of this FPR, “Gross Revenues” means the gross amount, in money or other forms of consideration, earned or received from any source-related to, or in connection with, the operation of the Business, whether on or off the Business premises. This includes all membership-related fees (such as initiation fees, termination fees, enrollment fees, processing fees, paid-in-full dues, renewal fees; monthly, semi-annual or yearly dues and all revenues generated and derived during any presale of memberships). Gross Revenue also includes the fair market value for any service or product received in barter or exchange for the services or products offered by the Business and all insurance proceeds that the Business receives for the loss of the business due to a casualty to or similar event at the Business. Gross Revenues excludes only gratuities paid by Members to employees of the Business, service fees for credit card transactions, sales tax receipts that the Business must by law collect or pay and any Member refunds of previous payments actually made, and certain charitable donations specifically authorized in the Manuals.
- For purposes of this FPR “Net Operating Income” means Gross Revenues minus all operating expenses on the property from the revenue generated.

3. In making the above FPR, we have relied upon Gross Revenues figures generated by the point-of-sale and computer systems utilized by our franchisees. Neither we nor any independent certified public accountant has independently audited or verified the information.
4. The Gross Revenues figures are based on the historical results from the Burn Boot Camp[®] outlets described above.

Some outlets have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

Written substantiation of the data used in preparing this information will be made available upon reasonable request.

You should utilize the services of an accountant or other financial professional to help you if you want to prepare budgets or projections. You should consult other sources for financial information, including your financial advisers and our franchisees in order to compare sales experience and to obtain additional information necessary for you to develop estimates of the sales, costs, expenses, earnings and profits of Burn Boot Camp[®] outlets.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Amber Burke, 17036 Kenton Dr., Suite 100, Cornelius, North Carolina 28031, 1-833-289-2876, the Federal Trade Commission, and the appropriate state regulatory agencies.

NOW, THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

I. RELATIONSHIP OF THE PARTIES

This Agreement does not create a fiduciary relationship between Franchisor or Franchisee. Franchisee is an independent contractor responsible for full control over the internal management and daily operation of its Business, and neither party to this Agreement is the agent, principal, partner, employee, employer or joint venture partner of the other party. Franchisee may not act or represent itself, directly or by implication, as Franchisor's or its affiliates' agent, partner, employee or joint venture partner, and Franchisee may not incur any obligation on Franchisor's behalf or in Franchisor's name. All stationery, business cards and contractual agreements entered into by Franchisee must contain Franchisee's corporate or fictitious name and a conspicuously displayed notice in the place Franchisor designates, that Franchisee operates its Business as an independently owned and operated Burn Boot Camp[®] Business and that Franchisee independently owns and operates the Business as a System franchisee. Nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on Franchisor's or its affiliates' behalf, or to incur any debt or other obligation in Franchisor's or its affiliates' name; and Franchisor will in no event assume liability for, or be deemed liable hereunder as a result of any such action; nor will Franchisor be liable by reason of any of Franchisee's acts or omissions in operating the Business or for any claim or judgment arising therefrom against Franchisee or Franchisor. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractors.

II. FRANCHISE GRANT

Franchisor hereby grants to Franchisee, upon the terms and conditions herein contained and subject to this Agreement, a non-exclusive license to establish and operate one Burn Boot Camp[®] Business under the System and Marks, and the right to use the System and Marks to operate the Business. Franchisor has the right to supplement, improve or otherwise modify the System from time to time in its discretion, and Franchisee must comply with all changes, which may include, without limitation, the offer and sale of new or different products and services. Nothing in this Agreement gives Franchisee any other right, title or interest in any of the Marks or the System, which remain the sole and exclusive property of Franchisor. The foregoing grant to Franchisee does not include: (i) any right to offer any product or service via e-commerce without prior approval by Franchisor; (ii) any right to establish an independent website or to establish a URL incorporating the Marks or any variation thereof; (iii) any right to distribute, market, or implement Franchisor's products and services in any channel of distribution not specifically identified in this Agreement; or (iv) any right to sell products or services at wholesale prices from the Franchised Business. This Agreement includes no right of Franchisee to sub-franchise. Franchisee shall not, under any circumstances, engage in any wholesale trade or sale of System Products, exercise equipment and/or Software for resale and/or independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights for any System Product, exercise equipment and/or Software or non-System products, exercise equipment or software without our written consent.

III. TERRITORY

A. Except as otherwise provided for in this Agreement, as long as Franchisee is in compliance with the terms and conditions hereof, Franchisor will not establish, nor license any other person the right to establish, another Burn Boot Camp® Business at any location within the Territory granted to you after a location is chosen for your Facility and described in the Data Sheet annexed hereto, which is hereby incorporated into the Franchise Agreement (the “Territory”). Your Territory will not be exclusive in terms of marketing rights or clientele, as further described below. The Territory is determined once a location is chosen and approved by us, and will not be altered even if there is a population increase or decrease during the term of this Agreement. The Territory is not dependent upon achievement of certain revenues, number of Members Franchisee retains, memberships sold, market penetration or any other contingency.

B. Franchisee must operate the Business only at the location Franchisor approves of in writing, which will be identified in the Data Sheet attached to this Franchise Agreement (the “Accepted Location”). The Accepted Location must be used solely to operate a Business, and not for any other purpose. Franchisee may not conduct business at any other location or locations other than the Accepted Location identified above; however, Franchisee may conduct business at off-site events (for example at fitness expos, health fairs, promotional events, charity events, etc.) to sell Services and/or Products as long as such events are within Franchisee’s Territory. If the Accepted Location is not known as of the date this Agreement is signed, then Franchisee must find an approved site located within the Site Selection Area described in the Data Sheet attached to this Franchise Agreement.

C. Franchisee must operate its Facility within the Territory. Franchisee is not restricted as to the geographic area into which Franchisee may sell Services and Products (including exercise equipment if Franchisor authorizes Franchisee to sell exercise equipment in the future) and can sell to anyone from anywhere, so long as the Services Franchisee performs and Products Franchisee sells are being performed and shipped from the Facility within the Territory at the Accepted Location or conducted at off-site events as described below. Franchisee may not perform any Target Marketing into the territory of another System franchisee, licensee or company-owned business. The term “Target Marketing” means a concerted effort by Franchisee to solicit and obtain Members by any type of advertising or marketing directed at all or a portion of another franchisee’s or licensee’s territory, company-owned business or any unassigned area. Franchisor shall use commercially reasonable efforts to deal with any franchisee that violates this policy. Franchisee is prohibited from selling Services and/or Products (including exercise equipment if Franchisor authorizes Franchisee to sell exercise equipment) through any alternative channels of distribution (such as Websites as defined below) without our prior written approval. Approval may be revoked in Franchisor’s sole discretion.

D. If Franchisee is asked by a third party to conduct business at off-site events (such as fitness expos, health fairs, promotional events, charity events, etc.) in geographical areas within the territory of another System franchisee, licensee or company-owned business, Franchisee must immediately refer that request to the Burn Boot Camp® business whose territory encompasses that geographical area or directly to Franchisor. Franchisee must not conduct business at off-site events in the territory of another System franchisee, licensee or company-owned business. If the other franchisee, licensee or company-owned business gives Franchisee permission to conduct business at such off-site events, then Franchisee must immediately inform Franchisor in writing and Franchisee can then proceed to conduct business at such off-site event. If there is not a Burn Boot Camp® business in that geographical area, then Franchisee must submit a request to conduct business at off-site events to Franchisor, and upon Franchisor’s written approval, Franchisee can proceed. However, Franchisee must immediately cease conducting business at such events if the geographical area is purchased or assigned to another System franchisee or licensee. Franchisor shall approve or deny Franchisee’s request to conduct business at off-site events in other geographical areas not owned by other franchisees, licensees, Franchisor or its affiliates, which approval is in Franchisor’s sole discretion, within three (3) days of Franchisee’s written request. If we do not timely respond then your request will be deemed denied.

E. If, during the term of this Agreement, Franchisee is unable to promptly and properly provide Services to Members due to excessive work or for any other cause, Franchisee must refer that Member to another System franchisee, licensee, company-owned business or to Franchisor. If Franchisee fails to: (i) refrain from Target Marketing; or (ii) refer off-site events or Members as described herein, Franchisor will have the right to terminate this Agreement as described in Section XX.B.21 of this Agreement (upon the second occurrence). For any default of this Agreement which triggers Franchisor's ability to terminate, as an alternative to termination, Franchisor will have the right, in its sole discretion, to modify or completely eliminate any rights Franchisee may have with respect to the Territory, effective ten (10) days after delivery of written notice to Franchisee as provided in Section XX.E.

F. We may, from time to time, establish certain programs for the benefit of franchisees and the System whereby Burn Boot Camp® franchisees will be permitted to provide Services and/or Products in accordance with the specifications described in any particular program established by us. Currently in effect is our National Account program. The National Account program is defined as follows:

1. The term "National Account" means a special class of Members which may include but are not limited to large businesses, national organizations or non-profit organizations with outlets located in multiple territories and government agencies who on their own behalf or through agents, franchisees or other third parties owns, manages, controls or otherwise has responsibility for products, buildings or common-services in more than one location whose presence is not confined within any one particular franchisee's Territory regardless of the aggregate contract amount of Services and/or Products the Franchisee performs or provides. Any dispute as to whether a particular account is a National Account shall be determined by Franchisor in its sole and absolute discretion, and Franchisor's determination shall be final and binding;
2. Franchisor shall have the exclusive right, unless otherwise specified in writing, on behalf of itself, Franchisee and/or any other franchisees utilizing the Marks, to negotiate and enter into agreements or approve forms of agreement to offer Services and Products to National Account customers, including any affiliate, company owned or franchised locations within the Territory;
3. Following the execution of a contract with or the acceptance of a bid by a National Account which contemplates the provision of Services or Products to one or more National Account locations within the Territory, Franchisor will, if Franchisee is qualified and not in default under any terms of this Agreement and any addendum, provide Franchisee the option to perform Services and/or offer Products pursuant to the terms and conditions of the National Account contract or on such terms and conditions as we in our sole discretion determine;
4. If Franchisee elects not to provide Services and/or Products to a National Account in conformity with the terms and conditions of the National Account bid or contract, or fails to make an election within the time specified by Franchisor, of being offered the opportunity by Franchisor, then Franchisor shall have the right, exercisable in its sole discretion and without compensation to you, to:
 - (a) Provide directly or through any other affiliate or franchisee utilizing our Marks, Services and/or Products to a National Account location(s) within the Territory on the terms and conditions contained in the National Account bid or contract; and/or
 - (b) Contract with another party to provide Services and/or Products to a National Account location(s) within the Territory on the terms and conditions contained in the National

Account bid or contract between Franchisor and the National Account Member, utilizing Franchisor's Marks or any trademarks, service marks or trade names.

5. Neither the direct provision by Franchisor (or a franchisee, affiliate or agent of Franchisor) of Services or Products to National Account customers as authorized in (i) above, nor if Franchisor contracts with another party to provide Services or Products as authorized in (ii) above, shall constitute a violation of Section III of this Agreement relating to the Franchisee's Territory, even if such Services and/or Products are performed or offered from a location within the Territory. Franchisee disclaims any compensation for Services performed or Products provided by others in the Territory pursuant to this section.

G. Franchisee's rights in the Territory are exactly (and only) as expressly set forth in this Section III. Except as expressly provided in this Agreement, Franchisee has no right to exclude, control or impose conditions on the location, operation, or otherwise of present or future Burn Boot Camp® (or any other brand) units or distribution channels of any type, franchised or company-owned, regardless of their location or proximity to the Business and whether or not they provide Services or Products within the Territory. Franchisee does not have any rights with respect to other and/or related businesses, services, and/or products, in which Franchisor or any Franchisor-related persons or entities may be involved, now or in the future. Any rights not expressly granted to the Franchisee are reserved to the Franchisor. Such rights reserved to the Franchisor include but are not limited to the following:

1. Establish, and license others to establish, Burn Boot Camp businesses at any location outside the Territory, notwithstanding their proximity to the Territory or Franchisee's Location (defined below) or their actual or threatened impact on sales at Franchisee's Burn Boot Camp business;
2. Own and operate health and fitness businesses under different marks at any location(s) inside or outside of the Territory, or license to others the right to own and operate health and fitness businesses under different marks at any location(s) inside or outside of the Territory;
3. Sell and distribute, directly or indirectly, or license others to sell and distribute, directly or indirectly, any products, services or merchandise, from any location or to any purchaser, through any channel or method of distribution (including, but not limited to, sales made by or through mail order and/or on the Internet), so long as such sales are not conducted from a Burn Boot Camp business operated from a location inside the Territory;
4. In the event Franchisor or its affiliates acquire another chain or system, or Franchisor or its affiliates are acquired by another chain or system, that operates and/or franchises stores or retail outlets that are the same or similar to Burn Boot Camp® businesses in that they have a substantially similar concept and/or offer for sale similar products or services, Franchisor or its affiliates may establish, acquire or operate, or license others to establish and operate, stores and retail outlets under other systems or other marks, which stores or retail outlets may offer or sell products or services that are the same as, or similar to, the products and services offered from a Burn Boot Camp® business, and which stores or retail outlets may be located within or outside the Territory, despite these stores' proximity to Franchisee's Business or their actual or threatened impact on sales at Franchisee's Business; and
5. Engage in any other activities not expressly prohibited by this Agreement.

Franchisee's Territory may be altered during the initial term, but only by: (i) mutual consent in writing from both Franchisee and Franchisor; (ii) at the time of transfer or renewal as a condition to transfer or renewal; or (iii) for any default of this Agreement which triggers Franchisor's ability to terminate as described above.

IV. TERM AND RENEWAL OF AGREEMENT

A. Term

The franchise herein granted for a Burn Boot Camp® Business shall be for a term of five (5) years from the date of execution and acceptance (the “Effective Date”) of this Agreement by us and subject to earlier termination as herein provided.

B. Renewal

Franchisee shall have the option to renew this Agreement for up to two (2) additional terms of five (5) years each, provided Franchisor is still offering franchises at that time, and further subject to the following conditions, all of which must be met prior to renewal:

1. Franchisee shall give the Franchisor written notice of its election to renew not more than eighteen (18) months and not less than twelve (12) months prior to the end of the then current term;
2. Franchisee has demonstrated to Franchisor’s satisfaction that Franchisee has the right to operate the Business at the Accepted Location for the duration of the renewal term; or, if Franchisee is unable to operate the Business at the Accepted Location, Franchisee has secured a substitute location meeting Franchisor’s then-current standards and specifications;
3. Franchisee must not be in default under any provision of the Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisor and Franchisee, and Franchisee shall have complied with all the terms and conditions of all such agreements during the terms thereof;
4. Franchisee’s right to renew is contingent on satisfactory performance of and full compliance with this Agreement. Franchisor may refuse to renew the Franchise if: (a) Franchisee has failed to use its best efforts to operate the Franchised Business to Franchisor’s satisfaction; (b) the Franchise is terminable by law or under this Agreement; (c) Franchisee fails to give timely written notice of its exercise of its renewal option; (d) Franchisor is withdrawing from franchising in the geographic market Franchisee serves; (e) Franchisee fails to satisfy Franchisor’s then-current standards for new franchisees or (f) Franchisee is in default of this Agreement;
5. Franchisee shall have satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates, and shall have timely met these obligations throughout the previous term;
6. Franchisee shall execute Franchisor’s then-current form of Franchise Agreement, which agreement shall supersede this Agreement in all respects, and the terms of which may differ materially from the terms of this Agreement, and renewal may be for the same designated area as outlined in Section III, or Territory, above;
7. Franchisee pays Franchisor a renewal fee equal to \$10,000;
8. Franchisee shall comply with Franchisor’s then-current qualification and franchisee education requirements;

9. Franchisee must execute a general release, in a form prescribed by Franchisor releasing any and all claims against Franchisor and its affiliates, and their respective owners, officers, directors, managers, agents and employees, if such release is not in conflict with any local, state or federal laws; and
10. Franchisee has upgraded, remodeled and/or refurbished the Facility (both inside and outside) in order to meet our then-current standards. All signage, graphics, exercise equipment, furnishings, fixtures, computers, iPads, software and any other products that are necessary to operate the Business as determined by us, in our sole discretion, must be updated to meet our then-current requirements. All remodeling, modernization, redecoration, or replacements will be completed at Franchisee's expense in accordance with our specific standards and specifications.

V. **FRANCHISEE'S INITIAL INVESTMENT**

Franchisee's initial investment will vary depending upon the size of the Facility, the location of the Facility, build-out expenses, the time of year Franchise opens for business, the amount of exercise equipment, products and supplies Franchisee purchases, number of trainers and administrative staff Franchisee hires, implementation of a marketing plan, Franchisee's management skills, economic conditions, competition in the surrounding area and other factors. Franchisee hereby certifies that he or she has reviewed the estimated initial investment and start-up costs as detailed in the Franchise Disclosure Document, and has sufficient cash resources available to meet said expenses. These start-up costs include the initial franchise fee.

VI. **FRANCHISEE'S INITIAL FRANCHISE FEE**

A. **Time Limit for Starting Business**

Time is of the essence. Franchisee shall maintain the Facility in accordance with the provisions and requirements of Section IX of this Agreement, and must secure a lease that has been approved by Franchisor (as described in this Section IX.R) within one hundred eighty (180) days of the execution of this Franchise Agreement and open the Business for operation (the "Opening") three hundred (300) days of the date of execution of this Franchise Agreement (or earlier as provided in an Area Development Agreement, if applicable) which includes having obtained our approval prior to opening. The Opening requires that Franchisee has qualified for and has obtained all necessary licenses and permits needed to perform Services and offer Products. Franchisor may grant Franchisee, at its sole discretion, a period no longer than ninety (90) days past the allotted time within which to secure a lease and/or open the Business. Prior to opening, Franchisee shall complete, to our satisfaction, all the build-out and preparations of the Business, in accordance with specifications set forth in the Operations Manual, and as required by local governmental agencies, including installation of all furnishings and fixtures, the acquisition of exercise equipment, computers, iPads, software, sound system, Products, supplies and inventory, completion of Franchisor's initial education program, and provision to Franchisor of all required local information, artwork and photos for the completion of the Franchisee's website. Upon Franchisee's failure to (i) agree on a Territory and/or timely satisfy the Opening requirement within three hundred (300) days from the Effective Date (or earlier as provided in an Area Development Agreement, if applicable); or (ii) acquire a lease within one hundred eighty (180) days of the execution of this Franchise Agreement then Franchisor may, at its sole discretion, terminate this Agreement.

B. **Initial Franchise Fee**

In consideration of the franchise granted to you, you must pay us a lump sum initial franchise fee of \$60,000, in full, when you sign this Agreement. The initial fee is deemed fully earned and non-refundable in consideration of

administrative and other expenses we incur in granting you the franchise, and for our lost or deferred opportunity to franchise to others.

VII. OTHER FEES

A. Royalty Fees

1. In addition to the Initial Franchise Fee described in Section VI above, the following recurring payments are required to be made by the Franchisee. The Franchisee pays to Franchisor a “Royalty Fee” of six percent (6%) of total Gross Revenues for each Report Period and is to be received as we specify in writing. “Report Periods” shall be calendar months, weeks or such other period as we may designate from time to time. Royalty Fee payments will be due by the day we specify during each Report Period for the immediately preceding Report Period. For purposes of clarity, Royalty Fees and System Brand Fees are calculated and payable with respect to all Gross Revenues generated by the Business, including all Gross Revenues generated prior to opening.
2. As used in this Agreement, “Gross Revenue” shall include all revenue accrued from the performance of Services and sales of all Products in, at, upon, about, through or from the Business, whether for cash or credit and regardless of collection in the case of credit, and income of every kind and nature related to the Business. This includes all membership-related programs and/or fees (such as initiation fees, termination fees, enrollment fees, processing fees, paid-in-full fees, renewal fees, monthly dues, annual membership fees and all revenues generated and derived during any presale membership programs). Gross Revenue also includes fair market value for any service or product Franchisee receives in barter or exchange for its services and products in addition to all insurance proceeds and/or condemnation awards for loss of sales, profits or business. However, Gross Revenue shall not include: (i) service fees for credit card transactions; (ii) revenues from any sales taxes or other add on taxes collected from Members by Franchisee for transmittal to the appropriate taxing authority; (iii) gratuities paid by Members to Franchisee’s employees; (iv) and the amount of cash refunds the Franchisee in good faith provides to its Members; or (v) certain charitable donations specifically authorized in the Operations Manual. The sale and delivery of all Products and performance of Services away from the facility (such as off-site events) is included in computing Gross Revenue. With respect to the Gross Revenue paid to Franchisor by members purchasing virtual-only memberships, Franchisor will remit to Franchisee a certain portion of the Gross Revenue paid by those members that provide a primary address that is located in Franchisee’s Territory (“Virtual Members”). Specifically, for those Virtual Members, Franchisor will remit to Franchisee the Virtual Members’ Gross Revenue paid to Franchisor (which deducts certain fees paid to Google and Apple), less Royalty Fees and System Brand Fees owed on the Gross Revenues and any other amounts that are past due and owing to Franchisor.
3. Any payment or report not actually received by us on or before the specified date shall be deemed overdue. If any payment is overdue, in addition to the right to exercise all rights and remedies available to us under this Agreement, Franchisee shall pay us a fee of twenty-five dollars (\$25) in addition to the overdue amount, plus interest on such amount from the date it was due until paid at the rate of one and a half percent (1.5%) per month or the maximum rate allowed by the laws of the state in which Franchisee’s Business is located or any successor or substitute law (referred to as the “Default Rate”), until paid in full. If you write us a check that is returned, cancelled or dishonored, or if we debit your bank account and your account has insufficient funds or is inaccessible, you must pay us an insufficient funds fee of one hundred dollars (\$100) for each occurrence.

B. System Brand Fee and Local Advertising

1. Franchisee will pay a System Brand Fee equal to two percent (2%) of Gross Revenues per Report Period to be paid in the same manner as the Royalty Fee. The System Brand Fee can be increased by us and such increase will not exceed three percent (3%) of Franchisee's Gross Revenues in any calendar year. If we increase the System Brand Fee, Franchisee will be given ninety (90) days' notice prior to such increase.
2. System Brand Fee payments are to be received by the Franchisor at the same time, for the same Report Periods and at the same frequency as Royalty Fee payments. This fee will be deposited into our System Brand Fund (the "Fund") for ongoing technology, new equipment and product development, and such national and regional advertising, marketing and/or public relations programs as we, in our sole discretion, may deem appropriate to promote the Marks and System. The Fund may also be used for: local franchisee group advertising or marketing; local, regional, national or international advertising or marketing; administration of advertising and marketing (including salaries, accounting, collection, legal and other costs), related expenses and any media or agency costs. We will direct all such programs, and will have sole discretion over the creative concepts, materials, endorsements and media used in such programs, and the placement or allocation of such programs. We reserve the right to determine, in our sole discretion, the composition of all geographic territories and market areas for the implementation and development of such programs. Burn Boot Camp[®] businesses owned or operated by us will contribute to the Fund on same basis as franchisees once the businesses are established.
3. We are not obligated to spend more on advertising and marketing than the amount of the Fund. Any unspent balance in the Fund at the end of the year may be carried over to later years and used for the purposes described in this Agreement. Neither we nor any of our shareholders has any fiduciary duty to the Franchisee regarding any System Brand Account. Franchisee acknowledges that not all System franchisees will benefit directly or on a pro rata basis from such expenditures. While we do not anticipate that any part of Fund contributions will be used for advertising which is principally a solicitation for franchisees, we reserve the right to use the Fund for public relations or recognition of the Burn Boot Camp brand, for the creation and maintenance of a web site, a portion of which can be used to explain the franchise offering and solicit potential franchisees, and to include a notation in any advertisement indicating "Franchises Available." The Fund is not required to be independently audited. If contributions paid into the Fund are not spent in the fiscal year in which they accrue, we can use the remaining amounts for the same purposes in future years. We will prepare an annual un-audited statement of monies collected and costs incurred by the Fund within 120 days after the end of our fiscal year and furnish it to Franchisee upon written request.
4. Franchisee must participate in Franchisor's Grand Opening Marketing program and, at Franchisor's option, utilize the services of Franchisor's preferred public relations vendor for all or part of the program. Franchisee must spend ten thousand dollars (\$10,000) in local marketing between the execution of this Agreement and two (2) weeks before opening, and then another ten thousand dollars (\$10,000) from two (2) weeks before opening until ninety (90) days after opening.
5. In addition to the System Brand Fund contributions and the Grand Opening Marketing program set forth in above, beginning on Franchisee's fourth (4th) month of operations and for the remainder of the Term, Franchisee shall spend a minimum of \$1,500 a month on local advertisement and promotion as described in Section IX.K of this Agreement.

6. Franchisee's failure to pay required advertising contributions of any kind is a material breach of this Agreement, subjecting Franchisee to all remedies at law and as set forth in this Agreement.

C. Electronic Funds Transfer

We reserve the right to require Franchisee to remit fees and other amounts due to us hereunder via electronic funds transfer or other similar means utilizing our approved computer system or otherwise. If we notify Franchisee to use such payment method, Franchisee agrees to comply with procedures specified by us and/or perform such acts and deliver and execute such documents, including the attached "Authorization Agreement for Prearranged Payments" attached as Schedule 1, for direct debits from Franchisee's business bank operating account, as may be necessary to assist in or accomplish payment by such method. Under this procedure, Franchisee shall authorize us to initiate debit entries and/or credit correction entries to a designated checking or savings account for payments of fees and other amounts payable to us and any interest and related processing fees due. Franchisee shall make funds available to us for withdrawal by electronic transfer no later than the due date for these payments. If Franchisee has not timely reported the Business's Gross Revenue to us for any reporting period, then we shall be authorized, at our option, to debit Franchisee's account in an amount equal to: (a) the fees transferred from Franchisee's account for the last reporting period for which a report of the Business's Gross Revenue was provided to us as required hereunder; or (b) the amount due based on information retrieved from our approved computer system and/or software.

D. Technology Fees

Franchisee will be required to use our specific management software and online applications for the operation of the Business and must use our approved vendors for the software and applications. The software and applications are specific to the fitness industry and manage Member activity and incorporate contact management, scheduling, payroll and reporting functionality. The current fee for the usage and ongoing support of this software is: (i) \$100 per month commencing with the month in which Franchisee executes the Franchise Agreement through the month in which Franchisee signs the lease or purchase contract for the facility; and (ii) \$860 per month for the remainder of the term of the Franchise Agreement (subject to any periodic adjustments to the technology fee contemplated by this Agreement). This technology fee must be paid to Franchisor and is subject to change. In addition to the technology fee that must be paid to Franchisor, Franchisee shall be responsible for payment of all initial and ongoing licensing, support, updating and other fees to the licensors of any third-party software or technology not covered by the technology fee. The use of the software may require Franchisee to sign a license agreement. It is Franchisee's responsibility to install, maintain and upgrade any hardware necessary to operate the software at its own expense. We, at our sole discretion, may change such software requirements (including approved vendors) at any time and will provide Franchisee with ninety (90) days' written notice to implement such changes. Franchisee acknowledges that Franchisee must comply with such changes in software requirements at its own expense. If Franchisee fails to comply with our software requirements within the timeframe stated above, such failure may be deemed a material breach of this Agreement. We reserve the right to change the manner of payment or the amount of the fee described in this Section, or to impose additional fees, as changes are made to the System's hardware, software and other computer requirements or as required by the third-party service provider(s) or by any regulatory agency.

E. Graphic Design Fee

Franchisor, its affiliates and/or approved vendors will perform all retail designs, create local advertising assets, update and/or promote Franchisee's website, and provide other design services for Franchisee. Franchisee will pay Franchisor, its affiliates or approved vendors its then current rate, not to exceed \$200 per hour (the current hourly rate is \$125 per hour as of the Effective Date of this Agreement). Any requests for changes, edits or updates to Franchisee's

website or any type of promotion over the Internet must be approved by Franchisor in writing and the work is to be performed by either Franchisor, its affiliates or approved vendors. Franchisor shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request by email or any other form of written communication. Franchisor may change such website maintenance and promotion requirements, at its sole discretion, and Franchisee shall have ninety (90) days after receipt of Franchisor's written notice within which to adhere to the new website maintenance and promotion requirements at Franchisee's expense, without any liability to the Franchisor. If Franchisee fails to comply with Franchisor's new website maintenance and promotion requirements within the timeframe mentioned above, such failure may be deemed a material breach of this Agreement.

F. Product, Vendor and Exercise Equipment Testing Fee

Franchisee will pay a fee for our approval of any product, vendor and/or supplier or exercise equipment (to the extent not then on our list of approved exercise equipment, products, vendors and suppliers), that Franchisee wishes to use or sell in the operation of the Business which may also require third party testing. The fee is fifty dollars (\$50) for a single product, vendor and/or supplier that Franchisee wishes to use, sell and/or substitute in the Business. The fee is one-hundred fifty dollars (\$150) or the actual cost incurred by us for any piece of exercise equipment that Franchisee wishes to use or sell (if we authorize Franchisee to sell exercise equipment in the future) in the Business. We may waive these fees if the products, vendors, suppliers or exercise equipment that the Franchisee selects meet our requirements and make it on Franchisor's approved list of exercise equipment, products, vendors or suppliers for all franchise locations.

Franchisee must obtain our written approval for the use of such exercise equipment, products, vendors and/or suppliers in the Business (Section IX.H of this Agreement). Franchisor will have thirty (30) days following the receipt of Franchisee's written request to approve or disapprove proposed exercise equipment, products, vendors and/or suppliers. Such approval or disapproval shall be made by e-mail or any other form of written communication. Franchisee also acknowledges that the cost for third party testing is Franchisee's responsibility.

G. Non-Compliance Fee

If we determine that you have violated any of your obligations under this Agreement, including any failure to comply with any standards set forth in the Operations Manual (defined below), we may send you a notice of violation and assess you up to \$1,000 (the "Non-Compliance Fee"), which must be paid within 10 days from your receipt of our notice. The Non-Compliance Fee applies for each notice of violation that we send to you, even if the violation is of the same provision of this Agreement for which you previously received a notice of violation from us. We reserve all other rights and remedies available to us.

Additional products Franchisee desires to use or offer for sale in its Business must be authorized in writing by Franchisor (as described in Section IX.H). Except for off-site events within its Territory, Franchisee is not permitted to offer or sell Services and/or Products from any other location, over the Internet, in any other media or alternative channels of distribution, whether known or hereinafter invented. If Franchisee fails to refrain from selling Services and/or Products on the Internet or on websites without Franchisor's written approval; and/or if Franchisor grants permission to Franchisee to sell Services and/or Products on the Internet or Websites (which Franchisor is not obligated to do) and Franchisee does not adhere to our standards as outlined in the Operations Manual for such sales, it will be considered to be in breach of this Agreement and Franchisor, in its sole discretion, may terminate this Agreement as described in Section XX.C.
5. Franchisee agrees to comply with our membership option transfer policy that Franchisor has established as outlined in the Operations Manual and such policy may change from time to time. Franchisee is encouraged to accept the referral of any Member from another franchisee, licensee, company-owned business or us who desires to receive Services from Franchisee. If Franchisee chooses not to accept the referral, then Franchisor may provide Products and/or Services directly or through another franchisee or third party without compensation to Franchisee. Franchisee can provide Services and Products to anyone who comes from anywhere, as described in Section III of this Agreement.
6. Franchisee must accept credit and debit cards and other payment systems or methods and may choose to use check verification services as specified by Franchisor, and which Franchisor may change from time to time. Franchisee shall also offer for sale, and will honor for Members, any incentive, coupon, or loyalty programs, which Franchisor may institute from time to time, and Franchisee shall do so in compliance with Franchisor's standards and procedures for such programs to the extent permitted by the laws of Franchisee's state. If Franchisee does not provide Members with satisfactory service and or fails to resolve complaints at the time complaint is registered or if Franchisee violates our operating standards or this Agreement, we may, in addition to our other remedies, complete the services and bill the Franchisee or client for its services. Franchisee shall reimburse us for any expense incurred. In addition, there may be other System oriented programs designed to promote to the public the quality care and service provided by a Burn Boot Camp[®] business that we may wish to implement on a system-wide basis and advertise and market. Franchisee shall be required to participate in the then-current specials or promotions as may be developed by and as may be modified periodically by us, in our sole discretion.

Franchisee is responsible for all membership fees and any related costs. Franchisor reserves the right to require Franchisee to join and participate in other professional organizations as Franchisor deems appropriate in its sole discretion. Franchisee's full and complete participation in such programs and associations are required. Except as otherwise provided herein, compliance and participation shall be at Franchisee's expense.
11. Franchisee shall have the right to offer and sell Services and Products at any prices Franchisee may determine, except that we reserve the right to establish minimum and maximum prices for any given Service or Product nationwide to the extent allowed by federal and state laws. To clarify, Franchisee agrees we have the right, in our sole discretion, to establish minimum and maximum prices for any Service or Product (including exercise equipment if we authorize Franchisee to sell exercise equipment in the future) so long as such decisions are made with the honest belief that the measure we are adopting will help everyone in the System meet competition and succeed in the marketplace. Franchisee is prohibited from heavily discounting Services and Products offered for sale and must adhere to our minimum and maximum pricing guidelines, except as otherwise provided by applicable federal or state laws. If Franchisee elects to offer or sell any Service and/or Product at any price recommended by Franchisor, Franchisee acknowledges that Franchisor has made no guarantee, statement, or warranty that offering such Services and/or Products at the recommended price will enhance Franchisee's sales, revenues, margins, or profits. Franchisee shall participate in and comply with all sales and promotional programs and/or product promotions promulgated by us periodically, except as otherwise provided by applicable federal or state laws.
12. You must participate in any gift certificate, gift card or loyalty program we establish. You may not create or issue your own gift certificates or gift cards or institute a loyalty program unless approved by us in writing.

The space for a Burn Boot Camp® Business must be enclosed and separate from other businesses with its own locking door. You must ensure that the lease permits sounds and vibrations consistent with the activities described herein and in our Operations Manual that will take place in your Facility. You must submit the lease for your approved site ("Lease") for review and approval prior to execution, and you also must submit any letter of intent or term sheet with respect to a potential lease to us for approval before you execute it. We may condition our approval of any proposed Lease on, among other things, the Lease containing a use clause that is satisfactory to us, and on you and your landlord's execution of a Collateral Assignment of Lease attached as Schedule 5 to this Agreement which grants us the unconditional right, but not the obligation, to assume and/or assign the Lease upon (a) your default under the lease, or (b) the termination, transfer or expiration of this Agreement. You may not sign a lease (or a contract to purchase the premises, if applicable) for the Business until you have obtained our written approval. The term of your Lease together with renewal options, if any, must be not less than the initial term of this Agreement plus two (2) five (5) year renewal terms. If the initial term of your Lease is shorter than the initial term of this Agreement, you will renew the term for the duration of the Lease so that it coincides with the term of this Agreement. On the execution of any lease for the Business, you will deliver to us a copy of the executed lease and an option to assume the lease executed by the lessor in favor of us in a form acceptable to us. All improvements to the Facility must be approved by us. Franchisee must deliver a copy of the signed Lease or sublease to us within five (5) business days after it is signed. Our approval of the Lease does not constitute our opinion that the Lease is sufficient to meet all of your obligations under this Agreement. We do not offer legal services to Franchisee and Franchisee is encouraged to consult with independent legal counsel for a legal review of the Lease, as well as a licensed commercial real estate broker for a review of the economic terms of the Lease. **FRANCHISEE ACKNOWLEDGES THAT OUR ACCEPTANCE OF A PROSPECTIVE SITE AND THE RENDERING OF ASSISTANCE IN THE SELECTION OF A SITE DOES NOT CONSTITUTE A REPRESENTATION, PROMISE, WARRANTY, OR GUARANTEE BY US THAT A BURN BOOT CAMP® FRANCHISE OPERATED AT THAT SITE WILL BE PROFITABLE OR OTHERWISE SUCCESSFUL.**

S. Development and Construction of the Facility

Franchisee must select and employ licensed contractors reasonably acceptable by us for the complete build out and/or any leasehold improvements. Franchisee is solely responsible for the selection and work of any contractor selected and/or employed by Franchisee, even if referred by us, and for the preparation of architectural and working drawings necessary to complete construction and/or build out at the Approved Location. Franchisee will be provided with mandatory requirements and specifications (interior and exterior) for the build out of the Business which includes specifications for Facility layout, exercise equipment specifications, storage, furnishings, fixtures, sound system, décor and signage. Franchisee's construction plans must comply with our standards and specifications and Franchisee must submit them to us prior to construction commencement for approval. We will notify Franchisee of our approval or disapproval within thirty (30) days after we receive Franchisee's request for approval plus all additional information and samples that we require. We may, at our option, re-inspect Franchisee's facility for compliance with our specifications and revoke our approval if the construction fails to meet any of our then-current criteria. Such drawings, plans and specifications are subject to alteration as may be necessary in our sole discretion and Franchisee must be in full and strict compliance with plans and specifications approved by us, however, we will not modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications for the Facility developed pursuant to this Agreement once those final set of drawings, architectural plans, floor plans, schematics and/or specifications have been approved by us and given to Franchisee. Franchisee is responsible for the cost and installation of all build out specifications. We reserve the right to receive rebates, commissions or other forms of consideration from designated or approved suppliers involved in the construction or fixturing of the Facility and to use such rebates, commissions or other consideration in any way we deem appropriate in our sole discretion, without obligation to share or remit any portion of such rebates, commissions or other consideration to Franchisee.

We expect that a Burn Boot Camp[®] Business location would need construction improvements. Costs may vary widely depending on such factors as property location, size of the property, and the condition of the property, the extent of alterations required for the property. Franchisee shall be responsible for obtaining all zoning classifications, health and sanitation clearances, permits and certifications which may be required by state or local laws, ordinances, or regulations or which may be necessary or advisable owing to any restrictive covenants relating to Franchisee's location. After having obtained such approvals and clearances, Franchisee shall submit to us, for our approval, final plans for construction based upon the preliminary plans and specifications. Once approved by us, such final plans shall not thereafter be changed or modified without our prior written permission. Any such change made without our prior written permission shall constitute a material default under this Agreement and we may withhold our authorization to open the Business until the unauthorized change is rectified (or reversed) to our reasonable satisfaction.

Franchisee shall comply with all federal, state and local laws, codes and regulations, including without limitation, the applicable provisions of the ADA regarding the construction, design and operation of the Business. If Franchisee receives any complaint, claim or other notice alleging a failure to comply with the ADA or other law or regulation related to health or safety, Franchisee agrees that it shall provide Franchisor with a copy of such notice within five (5) days after receipt thereof.

Franchisee shall construct, furnish and open the Business according to the requirements contained herein, and Franchisee shall open the Business for operation no later than three hundred (300) days from the Effective Date (or earlier as provided in an Area Development Agreement, if applicable). Time is of the essence. Prior to opening for business, Franchisee shall provide us with evidence of lien-free completion of all work (including, without limitation, any and all mechanic liens) and to comply with all pre-opening requirements set forth in this Agreement (including, without limitation, those with respect to the grand opening advertising program), the Operations Manual, and/or elsewhere in writing by Franchisor.

Franchisee shall not open the Business until we have determined that all construction has been substantially completed, and that such construction conforms to our standards including, but not limited to materials, quality of work, exercise equipment, furnishings, fixtures, signage, décor and paint and we have given Franchisee written approval to open, which approval shall not be unreasonably withheld. Our approval to open the Business does not constitute a waiver of Franchisor's right to require Franchisee to conform the Facility to our standards.

T. Franchisee Education Programs

No later than the earlier to expire of sixty (60) days immediately prior to the date Franchisee starts accepting memberships or anticipates opening the Business for operation, Franchisee, its Owners if it is an entity, or the Operations Manager must complete, to our satisfaction, those portions of the initial franchisee education program for franchisees and Operations Managers and the Head/Lead Trainer must complete, to our satisfaction, those portions of the initial franchisee education program for trainers. If you are a new franchisee to the System and are taking over an existing Business, the initial franchisee education program must be completed before the transfer is completed. In addition, you must complete general, non-proprietary initial education prior to the transfer to allow you to hit the ground running. This initial education may be conducted online. If you are an existing franchisee taking over an existing Business, the initial franchisee education program must be completed within ninety (90) days after the effective date of the consent to transfer document that you signed in connection with the transfer of the Business. Additionally, if you are taking over an existing business, we will provide the initial franchisee education program free of charge for one attendee. If Franchisee wishes to send more than three (3) people to the initial franchisee education program, subject to space, Franchisee may send more but must pay our then-current fee per additional attendee (which is currently \$1,500 per attendee). Additionally, Franchisee will be responsible for travel, accommodation, food, and other costs for all its attendees. At our option, key personnel subsequently employed by Franchisee shall also complete the initial franchisee education program. We may, at our discretion, make available additional franchisee education programs, certifications and seminars, as well as refresher courses available to the Franchisee and/or Franchisee's designated individual(s) from time to time. We may, at any time, discontinue the provision of the management education and decline to certify Franchisee and/or Franchisee's Operations Manager who fail to demonstrate an understanding of the management education acceptable to us. If Franchisee or Franchisee's Operations Manager's management education is discontinued by us, Franchisee shall have thirty (30) days to present an alternative acceptable candidate to us for management education. If Franchisee's new candidate does not adequately complete the management education, then we shall have the option of terminating this Agreement. We shall provide instructors and training materials for all required education programs, and Franchisee, its Owners, Head/Lead Trainer, Operations Manager and/or any of its employees who attend the initial franchisee education program shall be responsible for all other expenses incurred in connection with any franchisee education programs, including, without limitation, the cost of transportation, lodging, meals, and wages.

U. Ongoing Education and Support

Franchisee will have access to our personnel for questions, ongoing education and support by phone and e-mail during regular business hours (Eastern Time Zone), subject to availability and response times. Franchisor will continue to consult with and advise Franchisee free of charge, to answer any questions from Franchisee (Section XVII.A of this Agreement); provide the Manual, specifications, supplier, exercise equipment, Product, marketing and operational updates as they become available; review advertising, exercise equipment, Product and/or supplier approval requests; and administer the Fund.

X. OBLIGATIONS OF FRANCHISEE RELATING TO INSURANCE

A. Before Franchisee opens its Business, Franchisee must purchase insurance coverage from a responsible carrier with a performance rating of A or higher as rated in the most recent edition of Best Insurance Reports (or comparable criteria as we may specify), and Franchisee must maintain such insurance throughout the duration of the initial term of the Franchise Agreement and any renewal terms. We may change our insurance requirements on reasonable notice to you. Under our current requirements, Franchisee must procure and maintain general comprehensive liability insurance with a minimum policy limit of \$1,000,000 per occurrence and \$2,000,000 aggregate (this policy should include general tort, premises damage, personal and advertising injury should be at least \$1,000,000); \$1,000,000 in Abuse and Molestation Liability, in addition to professional liability insurance that covers you for damages that you create or damages incurred from your training that may include bodily injury or other damages and product liability insurance with a minimum policy limit of \$1,000,000, and property and casualty insurance with a minimum policy limit of \$1,000,000 or an amount specified by us. Each insurance policy that we require under this Agreement must contain a provision that the policy cannot be canceled without thirty (30) days' written notice to us. All policies of insurance maintained by Franchisee shall contain a separate endorsement naming us, and if required, our affiliates as additional insured. Franchisee must also procure and maintain property coverage for the full cost of replacement for the up-fit or betterment to the business premises and all other property in which we may have an interest with no coinsurance clause; special risk with fire, windstorm and theft is required, as well as "All Risks" or "Special Form" insurance (coverage for the full cost of replacement of the Facility and other property) in addition to business interruption insurance in amounts specified by us, and automobile liability insurance to fully insure loss of earnings for a period of one-hundred and eighty (180) days or longer as may specify and statutory workers' compensation insurance with limits of greater than \$100,000 or the minimum limits required by law. Franchisee shall also acquire tenant's liability insurance (if applicable), any other insurance required by the state or locality in which the Business is located and operated, in such amounts as required by statute, and other insurance coverage, as we or the landlord may reasonably require.

B. For any construction, renovation, refurbishment or remodeling of the site, Franchisee must require that the general contractor maintain, with an approved insurer, commercial general liability insurance (with comprehensive automobile liability coverage for both owned and non-owned vehicles, builders risk, product liability and independent contractor's coverage) with limits of no less than \$1,000,000 per claim, naming Franchisee and us as additional insureds, as their interests may appear, together with workers' compensation and employer's liability insurance as required by law and as required by the lease. It is Franchisee's responsibility to obtain certificates of insurance from the contractor prior to the initiation of any construction.

C. To the extent available, Franchisor may require Franchisee to acquire automobile liability insurance (with coverage of owned and hired vehicles with minimum coverage in amounts not less than \$100,000 combined single limit (for bodily and property damage) or what is in accordance with Franchisee's state guidelines), employer's liability insurance, employment practices liability insurance, employee dishonesty insurance, crime insurance as well as other disability benefits type insurance as may be required by the statute or rule of each state, with policy limits of \$1,000,000 or in the amount we specify.

D. All insurance policies will name Franchisee as certificate holder and us and our affiliates as an additional named insured with waiver of subrogation by Franchisee for the benefit of us. Franchisee shall furnish us with certified copies of each of the insurance policies described in this Section on either the earlier of the opening of the Business for operation or sixty (60) days following the date this Agreement is executed.

E. We may establish minimum standards for coverage to be met by underwriters for insurance and we have the right to audit Franchisee's insurance policies at any reasonable time without notice. Before opening for operation,

Franchisee will obtain any other liability insurance required by law, provide us with certificates of insurance within ten (10) days of issuance, and maintain all required insurance during the term of this Agreement. Franchisee shall also furnish us with certificates and endorsements evidencing insurance coverage within ten (10) days after each of the following events: (i) at all policy renewal periods, no less often than annually; and (ii) at all instances of any change to, addition to or replacement of any insurance. Lapses, alterations, or cancellations require immediate notice to us and may be deemed a material breach of this Agreement as set forth in Section XX.B. If Franchisee fails to obtain the required insurance and to keep the same in full force and effect, we may, but shall not be obligated to, pay the premiums or acquire insurance, and bill Franchisee. Franchisee shall reimburse us for the full cost of such insurance, along with a reasonable service charge to compensate us for the time and effort expended to secure such insurance. We may change these insurance requirements on reasonable notice to Franchisee.

F. Franchisee's insurance will cover all claims for injury, damage and death or otherwise, arising directly or indirectly out of the Franchised Business. Franchisee shall notify us immediately in writing of the occurrence of any material event that does or could give rise to an insurable claim by Franchisee or the Franchised Business, and no later than the date on which Franchisee notifies its insurance carrier. We reserve the right to change or modify (including increasing) the required minimum coverage limits. We make no representation or warranty to Franchisee that the amount of insurance to be carried by Franchisee under the terms of this Agreement is adequate to fully protect Franchisee's interest. If Franchisee believes that the amount of any such insurance is insufficient, Franchisee is encouraged to obtain, at its sole cost and expense, such additional insurance as it may deem desirable or adequate. Franchisee agrees to seek the advice of its insurance advisor regarding the appropriate types of coverage and coverage limits Franchisee may need to sufficiently protect its Business. Franchisee acknowledges that we shall not, by the fact of approving, disapproving, waiving, accepting, or obtaining any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of such insurance, the solvency of any insurance companies or the payment or defense of any lawsuit in connection with such insurance coverage, and Franchisee hereby expressly assumes full responsibility therefore and all liability, if any, with respect thereto. Franchisee agrees to seek the advice of its insurance advisor regarding the appropriate types of coverage and coverage limits Franchisee may need to sufficiently protect its Business.

G. Franchisee's compliance with insurance requirements shall not relieve Franchisee of its liability under the indemnity provisions of this agreement, Section XV. Obligations to maintain insurance coverage will not be affected by reason of any separate insurance maintained by us, nor will the maintenance of such insurance relieve Franchisee of any obligations under this Agreement.

H. In the event the Facility shall be damaged or destroyed by fire or other casualty, or be required to be repaired, Franchisee shall commence the required repair of the Facility within thirty (30) days from the date of such casualty or notice of such governmental requirement (or such lesser period as shall be designated by such governmental requirement), and shall complete all required repairs as soon as possible thereafter, in continuity, but in no event later than ninety (90) days from the date of such casualty or requirement of such governmental notice. The minimum acceptable appearance for the restored Facility will be that which existed just prior to the casualty; however, every effort should be made to have the restored Facility include the then-current image, design and specifications of a Burn Boot Camp® business.

As between us and the Franchisee, the Franchisee shall bear the entire risk of any damage, loss, theft or destruction to the Facility from any cause whatsoever or requisition of the Facility by any governmental entity or the taking of title to the Facility by eminent domain or otherwise (collectively, "Loss"). The Franchisee shall advise us in writing within ten (10) days of any such Loss. No such Loss shall relieve the Franchisee of the obligation to pay Royalty Fees and all other amounts owed hereunder. In the event of any such Loss, we, at our option, may: (a) if the Loss has not materially impaired the Facility (in our reasonable Business Judgment), require that the Franchisee, upon our demand, place the Facility in

good condition and repair reasonably satisfactory to us as mentioned above; or (b) if the Loss has materially impaired the Facility and it is substantially destroyed (in our sole judgment), we may require the Franchisee to repair the existing Facility or find an alternative location within the Territory within ninety (90) days. Franchisor may extend this period an additional thirty (30) days at its discretion and failure of Franchisee to comply may result in termination of this Agreement, in which event Franchisee may be relieved of all obligations under this Agreement, and in such case, Franchisee must return to us the System all materials and comply with the post termination obligations of this Agreement, and Franchisor has the first right of refusal to purchase all Assets (as described in Section XXI.B).

XI. OBLIGATIONS OF FRANCHISEE RELATING TO ACCOUNTING AND RECORDS

A. Record keeping, Accounting and Records

Franchisee acknowledges that the maintenance of accurate financial records and the preparation of financial statements on a timely basis is essential to the efficient operation of the Business. If Franchisee is not qualified to maintain accurate financial records, in our reasonable determination, the Franchisee agrees to hire a qualified bookkeeper who will maintain the financial records of the Franchisee and who will attend to the Business's needs not less than twice each month for that purpose. If applicable, Franchisee shall use the accounting software that Franchisor directs it to use.

Franchisee shall maintain during the term of this Agreement, and shall preserve for a minimum of five (5) years, full, complete accurate records of sales, payroll, accounts payable and accounts receivable in accordance with the standard accounting system described by Franchisor in the Operations Manual or otherwise specified in writing. Franchisee will keep its books and records related to the Business separate from any other business owned by Franchisee or its principals. Any such separate business will be conducted by a separate entity. Franchisee will provide Franchisor with all hard copy and electronic reports that Franchisor requires, in a format that Franchisor requires. Such required reports currently include monthly profit and loss statements. On or before the fifth (5th) day of each month or daily if Franchisor requires, Franchisee will deliver or provide electronic access to business records (we will have independent access to all information that Franchisee stores in any computer, iPad or software), including an itemized report of Franchisee's Gross Revenue for the prior period in a form Franchisor prescribes, which will include payment for the fees due for such period or month, and may include, to the extent that we require:

1. Franchisee's payroll records, certification or records of Gross Revenue, vendor summary reports, department summary reports and report of account receivables for the month, week, day or period reported;
2. Copies of any invoices and Member contracts with updated location information in any format we specify;
3. Copies of all invoices for purchases of exercise equipment, products and supplies;
4. Copies of all merchant account printouts received from the Franchisee's merchant account banking provider (i.e. records of credit and debit card transactions);
5. Copies of all bank deposits, and bank deposit records made by the Franchisee; and
6. A complete list of all Members, their email addresses, physical addresses and telephone numbers, who: (i) are prospective Members; (ii) have canceled or terminated membership; (iii) filed a complaint internally or with third parties (such as the Better Business Bureau); or (iv) sought refunds for Services and/or Products larger than \$100 during the preceding month, by the fifth (5th) day of each month.

Franchisee acknowledges and agrees that we, at all times during the term of this Agreement and after termination, expiration or cancellation of this Agreement, have the right to access (electronically or otherwise) all Business Records of the Business. We may use, transfer, copy or analyze such Business Records as we determine in our sole discretion to be in the best interest of the System. For purposes of this Agreement, "Business Records" means all records, documents, insurance policies, databases and the like (whether in print, electronic or other form), including all names, addresses, phone numbers, email addresses, Member records, contracts, purchase agreements, vendor and/or supplier records and all other records contained in databases created and maintained by Franchisee pertaining to the operation of a Burn Boot Camp® business, including but not limited to Members, employees, vendors and other professionals related to the Business.

Franchisee will adopt a fiscal year as approved by us and prepare all financial reports in accordance with U.S. Generally Accepted Accounting Principles ("GAAP"), consistently applied. Franchisee must periodically deliver to us accounting, tax and other information or copies of documents, as we request.

B. Franchisor's Right to Audit

Franchisor or its agents may enter the Franchisee's location to examine or audit Franchisee's business at any reasonable time without notice. Franchisor may examine, inspect or audit Franchisee's database and Business Records, which records will include, but will not be limited to: payroll records, ledgers, purchase agreements, sales reports, timecards, check stubs, bank deposits, bank statements, merchant account printouts, receipts, sales tax records and returns, insurance policies and other documents. Franchisor will bear the cost of the audit, provided, however, if Franchisee fails to report as required or understates Gross Revenue by two percent (2%) or more for any reported time period, Franchisee will pay the audit costs plus interest at eighteen percent (18%) per annum (1.5% per month) for all understated Gross Revenues, or the maximum rate allowed by the laws of the state in which Franchisee's business is located as specified in the Operations Manual. Franchisee will pay Franchisor within ten (10) days after Franchisee's receipt of the audit report. The foregoing remedies shall be in addition to any other remedies we may have pursuant to this Agreement and as provided at law and in equity.

In addition to the cost of the audit described above, Franchisee shall reimburse us for any and all costs and expenses relating to the inspection (including, without limitation, travel, lodging and wage expenses and reasonable accounting and legal costs), and, at our discretion, submit audited financial statements prepared, at Franchisee's expense, by an independent certified public accountant satisfactory to us. If an inspection discloses an understatement in any payment to us of two percent (2%) or more, twice within any two (2) year period, such act or omission shall constitute grounds for immediate termination of this Agreement, as set forth in Section XX.B.30. The foregoing remedies shall be in addition to any other remedies we may have pursuant to this Agreement and as provided at law and in equity.

C. Method of Payment

All payments Franchisee makes to Franchisor will be by any method Franchisor specifies, including cash, check, certified check, money order, credit card, automatic pre-authorized payment plan, Internet, or electronic funds transfer (as described in Section VII.C of this Agreement). All payments to Franchisor and dollar amounts stated in this Agreement are in United States dollars unless otherwise expressed. Notwithstanding any other provision in this Agreement to the contrary, in the event the United States currency is redeemed, renominated or another currency is issued in its place, the new currency will be required. If a conversion of royalties or other payments from another currency is made, the conversion shall be made as of the date the payment is due, or the date the payment is actually made, whichever is more beneficial to Franchisor. Franchisee is responsible for any fees associated with payment methods other than cash, check or electronic transfer.

D. Submission of Financial Statements

Franchisee will provide us with a copy of Franchisee's (a) year-end annual financial statements including a profit and loss statement and a balance sheet and containing complete notes and disclosures; and (b) monthly financial statements including a profit and loss statement and a balance sheet. Such statements will be prepared in accordance with GAAP, by an independent accountant, and will be delivered to us within ninety (90) days after Franchisee's fiscal year end for annual financial statements and ten (10) days after the end of each calendar month.

E. Disclosure of Financial Statements

Franchisee hereby grants us permission to release to Franchisee's lenders or prospective lenders and to Franchisor's purchasers or prospective resell purchasers, any financial and operational information relating to Franchisee and/or the Business; however, we have no obligation to do so. Should we acquire Franchisee's business for resale, we may show such buyer Franchisee's financial statements and related information.

Franchisee also authorizes us to make reasonable inquiries of Franchisee's bank, suppliers, landlord, and creditors concerning the Business, and hereby directs such persons and companies to provide to us such information and copies of documents pertaining to the Business as we may request.

XII. SPECIFIC OBLIGATIONS OF FRANCHISEE RELATING TO USES OF NAMES AND MARKS

A. Names and Marks are Owned by Franchisor

Franchisor warrants, with respect to the proprietary Names and Marks, that:

1. Pursuant to a License Agreement between Franchisor and Devan Kline Fitness, LLC, the Franchisor has been granted the exclusive right to use the Names and Marks to establish Burn Boot Camp[®] franchises in the United States.
2. We will take such steps as we deem reasonably necessary to preserve and protect the ownership and validity of such Names and Marks; and
3. Franchisee acknowledges that there may be third party pre-existing users or applicants/registrants of trademarks, trade names, or business names similar to the Marks. We shall investigate such use, applications, or registrations, if any, and we shall, in our sole discretion, decide on the appropriate action to be taken. Any unsuccessful challenge made by us shall not constitute a ground for the termination of this Agreement. In the event Franchisor determines in its sole judgment that challenging any such third party's use of the Marks will not likely be successful, or would not be economically feasible to achieve, or if Franchisee shall be required to cease using the Marks (or any of them) by court order, or as a result of any settlement of any such trademark claim by a prior registrant or any pre-existing user, or any other such trademark claim, or if we shall deem it necessary or appropriate to change the name of the System in order to mitigate any potential exposure or damages arising under any trademark claim, Franchisee shall, at Franchisee's sole cost and expense, promptly change the name of its Franchise, and thereafter utilize an alternative name established by us. We shall not otherwise be liable for any losses or any consequential damages, incidental damage, exemplary damages, special damages, including lost future profits, resulting from or arising out of any trademark service mark,

and/or unfair competition claim(s). We shall have no obligation to reimburse the Franchisee for any costs, causes of action, damages, demands, expenses, fines, liabilities, or penalties, arising out of such a trademark, service mark, logo or trade name change.

4. Franchisor will use and permit Franchisee and other franchisees and licensees to use the Marks in compliance with the System and standards attendant thereto and contained in the Operations Manual, as well as the Franchisor's policy statements, which underlie the goodwill associated with and symbolized by the Names and Marks.

B. Franchisee is Licensed to Use Names and Marks

With respect to Franchisee's use of the Names and Marks pursuant to this Agreement, Franchisee agrees that:

1. Franchisee shall use only the Names and Marks as are approved in writing by us for Franchisee's use, and shall use them only in the manner authorized and permitted by us and that in any use whatsoever of the Names and Marks are identified as being registered to or owned by us;
2. Franchisee shall use the Names and Marks only in connection with the operation of the Business and in advertising for the Business conducted at or from the website for the Business and Accepted Location;
3. Franchisee shall use and display, as we may require in the operation of the Business, a notice in the form approved by us indicating that Franchisee is a "Franchise" of Kline Franchising, Inc. and that the Names and Marks are used by Franchisee under such Franchise. Franchisee must indicate to third parties that it is "independently owned and operated" and that we own the Marks and Franchisee uses them under a license;
4. Unless otherwise authorized or required by Franchisor, Franchisee shall operate and advertise the Business under the Name and Mark "Burn Boot Camp®";
5. Franchisee's right to use the Names and Marks is limited to such usages as are authorized under this Agreement, and any unauthorized use shall constitute an infringement of our rights and a material breach of this Agreement;
6. Franchisee must obtain our approval for any use of any item of printed material of any kind bearing any of the Names or Marks, unless we supplied the item. We shall approve or deny Franchisee's request, which approval is at our sole discretion, within thirty (30) days of receipt of Franchisee's written request. If we fail to respond to Franchisee's request within said thirty (30) day period, Franchisee's request shall be deemed denied. Franchisee shall use such notices of trademark registrations and copyrights as we specify;
7. Franchisee shall not use the Names and Marks to incur any obligations or indebtedness on behalf of Franchisor;
8. Franchisee shall not use the Names and Marks or any part of thereof as part of its corporate or other legal name;

9. Except as otherwise permitted in this Agreement, Franchisee shall not use the Names and Marks or any part thereof in any form on the Internet, including but not limited to, addresses, domain names, URLs, Websites, links, metatags, locators and search techniques;
10. Franchisee shall comply with our instructions in filing and maintaining the requisite trade name or fictitious name registration, and shall execute any documents deemed necessary by us or our counsel to obtain protection for the Names and Marks or to maintain their continued validity and enforceability;
11. In the event any litigation involving the Names and Marks is instituted or threatened against Franchisee, Franchisee shall promptly notify us and shall cooperate fully with us in defending such litigation. Franchisee agrees to execute any and all instruments and documents, render such assistance, and do such acts or things as may, in our sole opinion, reasonably be necessary or advisable to protect and maintain the interests of us or any other interested party in the Names and Marks. Other than what is stated in this Agreement, we are not obligated to protect Franchisee's right to use the Marks or protect Franchisee against claims of infringement or unfair competition with respect to them and may direct Franchisee not to use the Marks or to change the trademarks at Franchisee's expense. We will control any and all such litigation, and mediation involving our trademarks. Franchisee has no authority to institute any litigation, or institute any request for mediation regarding our trademarks, nor does the Franchisee have any authority to enter into any settlement negotiations; and
12. Franchisee further agrees to follow all of our quality standards that are inherent in the Names and Marks. Such quality standards are contained in the Operations Manual, as well as various memos or policy statements issued by us, and may be changed from time to time at the Franchisor's sole discretion.

C. Franchisee Will Not Challenge Franchisor's Rights in Its Use of Names and Marks

Franchisee expressly understands and acknowledges that:

1. As between the parties hereto, we are the owner of all right, title, and interest in and to the Names and Marks and the goodwill associated with and symbolized by them;
2. The Names and Marks are valid and serve to identify the System and those who are franchised under the System;
3. Franchisee shall not directly or indirectly contest the validity or the ownership of the Names and Marks;
4. Franchisee's use of the Names and Marks pursuant to this Agreement does not give Franchisee any ownership interest or other interest in or to the Names and Marks, except the non-exclusive franchise granted herein;
5. Any goodwill arising from Franchisee's use of the Names and Marks in its Business under the System shall inure solely and exclusively to Franchisor's benefit, and upon expiration or termination of this Agreement and the franchise herein granted, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the System or the Names and Marks;

6. We reserve the right to substitute different Names and Marks for use in identifying the System, the Business and other franchised businesses operating there under;
7. Franchisee hereby agrees to comply, at Franchisee's expense, with any directions from us to discontinue, modify, substitute or add Names and Marks. We cannot and do not make any guaranty that a modification, discontinuance or otherwise will not be required for any reason. In such event, we have no liability to Franchisee. Franchisee agrees to make no claim in connection with any modification, discontinuance or other action, and/or with any dispute regarding the Names and Marks. There is always a possibility that there might be one or more businesses using a name and/or marks similar to us with superior rights;
8. Franchisee hereby agrees not to register or attempt to register Names and Marks in Franchisee's name or that of any other firm, person or corporation; and
9. The right and license of the Names and Marks granted to Franchisee is nonexclusive, and thus we have and retain the rights, among others:
 - a. to use the Names and Marks in connection with offering and selling Services and Products (including exercise equipment if we choose to do so in the future);
 - b. to use the Names and Marks to market on the Internet, including all use of Websites, domain names, URLs, linking, advertising and co-branding arrangements. Franchisee may not establish a presence on the Internet except as we may specify and only with our prior written consent. XVI. MISCELLANEOUS COVENANTS OF FRANCHISEE

A. Covenants are Independent

The parties agree that each covenant herein shall be construed to be independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Agreement is held to be unenforceable or unreasonable by a court or agency having competent jurisdiction in any final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resultant covenant were separately stated in and made a part of this Agreement.

B. Franchisee's Principals

The term "Principals" shall include, collectively and individually, Franchisee's spouse, if Franchisee is an entity, all managing partners, general partners, members, managers, shareholders, officers, directors and other operational personnel whom we designate as a Principal, and the spouse of each such person, and all holders of an ownership interest in any entity directly or indirectly controlling Franchisee, and the spouse of such person, and any other person or entity controlling, controlled by or under common control with Franchisee and the owners of said entity (if applicable) and spouses of each said person. The initial Franchisee's Principals shall be listed on Schedule 6 of this Agreement.

C. Franchisee Will Not Compete Against Franchisor

You acknowledge that as a participant in Franchisor's System, you and your employees and Principals will receive proprietary and confidential information and materials, trade secrets, and access to the unique methods, procedures and techniques for operating a Business that Franchisor has developed. Therefore, to protect Franchisor, the System, and other System franchisees, you agree to the following covenants:

1. During the term of this Agreement, neither you nor your Owners, Principals, Head/Lead Trainer nor any member of your immediate family or the immediate family of your Owners, Principals and Head/Lead Trainer who work at the Business may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:
 - (i) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any other business or entity which operates or licenses others to operate a business that offers fitness, wellness, health, weight loss, body conditioning, or any other business offering products and services offered or authorized for sale by System franchisees (a "Competing Business"); provided, however, that this Section does not apply to your operation of any other Business under Franchisor's System; or

- (ii) Solicit the Business’s Members or customers or contact any of our suppliers or vendors for any competitive business purpose.
- 2. For a period of two (2) years after the expiration, nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither you nor your Owners, Principals, Head/Lead Trainer, nor any member of your immediate family or the immediate family of your Owners, Principals and Head/Lead Trainer who work at the Business may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:
 - (i) Enter into any business competing in whole or in part with us by granting franchises or licenses for businesses which offer fitness, wellness, health, weight loss, body conditioning, or any other business offering products and services offered or authorized for sale by System franchisees at the time this Agreement is terminated or otherwise expires and is not renewed;
 - (ii) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any Competing Business: (i) at the Accepted Location premises; (ii) within the Territory; or (iii) within a ten (10) mile radius of (a) the Territory being granted hereunder or (b) any other Territory licensed by us as of the date of expiration or termination of this Agreement; or
 - (iii) Solicit the Business’s Members or customers or contact any of our suppliers or vendors for any competitive business purpose.

The unenforceability of all or part of this covenant not to compete in any jurisdiction will not affect the enforceability of this covenant not to compete in other jurisdictions, or the enforceability of the remainder of this Agreement. This covenant not to compete is given in part in specific consideration for access to trade secrets provided as a part of our franchisee education programs or ongoing support programs. In any jurisdiction in which the covenant contained in this Section XVI or any part of it is deemed not enforceable in whole or in part, Franchisee hereby grants us an option to purchase Franchisee’s Business on expiration or termination of this Agreement. We may exercise this option by giving thirty (30) days’ written notice to Franchisee (Sections XXI.B). Upon termination or expiration, Franchisee will deliver to us a list of these Assets (as described in Section XXI.B) and their cost as well as receipts evidencing their cost. Franchisee must relinquish possession on receipt of payment, but no later than ninety (90) days after expiration or termination. Franchisee’s other post termination obligations under this Agreement and by law remain in effect on termination or expiration of this Agreement. This Section XVI.C hereof shall not apply to ownership by Franchisee or any of its Owners of less than a five percent (5%) beneficial interest in the outstanding equity securities of any Publicly-Held Corporation. As used in this Agreement the term “Publicly-Held Corporation” shall be deemed to refer to a corporation which has securities that has been registered under the Federal Securities Exchange Act of 1934.

D. Intent and Enforcement

It is the parties’ intent that the provisions of this Section XVI be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein will not render any other part unenforceable. In the event of the actual or threatened breach of this Section XVI by you, any of your Principals, or any member of the immediate family of you or your Principals, we will be entitled to an injunction restraining such person(s) from any such actual or threatened breach. You acknowledge that the covenants contained herein are necessary to protect the goodwill of the Business, other Burn

Boot Camp franchisees, and the System. You further acknowledge that covenants contained in Section XVI.C are necessary to protect our procedures and know-how transmitted during the term of this Agreement. You agree that in the event of the actual or threatened breach of Section XVI.C, our harm will be irreparable and that we have no adequate remedy at law to prevent such harm. You acknowledge and agree on your behalf and on behalf of the persons who are liable under Section XVI.C that each has previously worked or been gainfully employed in other careers and that the provisions of Section XVI.C in no way prevent any such person from earning a living. You further acknowledge and agree that the time limitation of Section XVI.C will be tolled during any default under the Section.

E. Covenants Are Enforceable Independent of Claims

Franchisee expressly agrees that the existence of any claim it may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants of this Section XVI. Franchisee further agrees that we shall be entitled to set off any amounts owed by us to Franchisee against any loss or damage to us resulting from Franchisee's breach of this Section XVI.

F. No Right of Set-Off

We will provide this initial franchisee education (five (5) day program at corporate headquarters) without charge for Franchisee and up to two (2) additional individuals (for a total of three (3) people), being the Owners, Head/Lead Trainer, and Operations Manager, as designated by Franchisee no earlier than the date that Franchisee signs the lease for the premises. However, if Franchisee wishes to send more than three (3) people to the initial franchisee education program, subject to space, Franchisee may send more but must pay our then-current fee per additional attendee. Additionally, Franchisee will be responsible for travel, accommodation, food, and other costs for all its attendees, and Franchisee must attend and satisfactorily complete such initial franchisee education program within the timeframe mentioned above. If, during the initial franchisee education program we determine, in our sole discretion, that you (or your managing partner, member or shareholders) are not qualified to manage a Burn Boot Camp® Business, you can appoint someone else to be trained at your expense. If Franchisee, its Owners, its Operations Manager or Head/Lead Trainer fails to timely complete the initial franchisee education program to our satisfaction, Franchisee has the right to appoint another Head/Lead Trainer or Operations Manager, as applicable, to attend initial franchisee education program at Franchisee's expense, and if the other Head/Lead Trainer or Operations Manager, as applicable, does not satisfactorily complete the franchisee education to our satisfaction, then we may terminate this Agreement as described in Section XX.C. Any Owner, Operations Manager, and/or Head/Lead Trainer designated by Franchisee replacing a previously trained Owner, Operations Manager, and/or Head/Lead Trainer must be trained by us within thirty (30) to ninety (90) days of first employment, at Franchisee's cost

as provided below. If you or your affiliate has owned and operated a Burn Boot Camp® Business previously and you purchase another existing Burn Boot Camp® location, then we will not be obligated to provide all of the aforementioned franchisee education to you at no cost.

2. Franchisee may be required to pay a fee for such education as we reasonably determine. Franchisee must also pay for travel, food, and accommodations and all other related expenses. We may, in our sole discretion, hold refresher and ongoing franchisee education courses. We may require you and your management personnel to attend franchisee education courses at the location we designate. All expenses, including you and your personnel's transportation, meal, and lodging expenses to attend such franchisee education courses, will be your sole responsibility. We may also provide franchisee education courses for employees and managers to complete over our intranet system at your expense.

We reserve the right, in our sole discretion, to add, modify, change or discontinue any Service or Product from time to time as outlined herein. Franchisee will be responsible for all costs associated with the administration of such changes.
4. We will provide regularly scheduled conference calls and additional guidance in the operation of the Business in an effort to provide assistance to resolve operational challenges Franchisee may encounter outside the scope of the Operations Manual (subject to availability). This guidance can be furnished in whatever manner we consider appropriate in our business judgment, including electronically via an intranet system, free of charge, to answer questions from Franchisee and its staff (during regular business hours in the Eastern Time Zone). Guidance may also be furnished in writing, telephonically, through franchisee education programs and/or on-site consultations, and web-based computer franchisee education, among other methods. Onsite consultations are subject to additional franchisee education fees as mentioned above.
5. We may, from time to time, provide to Franchisee, at Franchisee's expense, such advertising and promotional plans and materials for local advertising and may direct the discontinuance of such plans and materials, from time to time. All other advertising and promotional materials that Franchisee proposes to use must be reviewed and approved by us, pursuant to Section IX.K of this Agreement.
6. We may provide Franchisee with announcements, memos, bulletins, brochures, manuals and reports, if any, as may from time to time be published by or on our behalf regarding our plans, policies, developments and activities. In addition, we may provide such communication concerning Services, Products, industry developments and improvements to the management of the Business that we determine are relevant to the operation of the Business and communication with other franchisees by means of an intranet system. We may also establish a franchisee-elected peer group whose main purpose will be to mentor, support and

regularly communicate with franchisees. We have the power to dissolve, merge, or change such peer advisory groups.

7. We shall provide guidance for establishing a standardized accounting, bookkeeping and cost management control system. We will provide Franchisee with all update and upgrade requirements for computers and related software programs in response to changes in the Operations Manual or changes in its policies that are communicated to Franchisee in writing. The cost for such updates and/or upgrades is Franchisee's sole responsibility.
8. We will provide a telephone helpline, free of charge, to answer any questions from Franchisee or its staff (during regular business hours, Eastern Time Zone). Franchisee will also be able to send us questions and suggestions using Internet email or intranet system as described above. We will consult with Franchisee at no additional charge regarding policies, sales, marketing and operational issues.
9. We may establish and conduct an annual conference for all Business owners and operators, and may require Franchisee to attend this conference for no more than five (5) days each year. We reserve the right to charge Franchisee our then-current registration fee in connection with any conference conducted pursuant to this Section, and Franchisee will be solely responsible for all expenses incurred in attending such conferences.

B. Website and Social Media Policy

We will provide to Franchisee a Burn Boot Camp® website which is a URL housed within the corporate website that may include interactive functionality and portals online for additional franchisee education, advertising, operational and support materials. Franchisee may customize parts of the website with our approval; however, the look must remain consistent as specified in the Operations Manual or otherwise in writing. Franchisee agrees and acknowledges that maintenance and any changes, edits or updates to the website and/or any promotions over the Internet must be performed by us, our affiliates and/or approved vendors. Upon approval of Franchisee request, which must be submitted in writing, Franchisee is responsible for the cost of such changes. Franchisee may neither establish nor use any Website without our prior written approval and if such approval is granted Franchisee must comply with our requirements regarding discussing, advertising or disseminating any information on a Website. Such approval may be revoked at any time by us in our sole and absolute discretion. We shall own all copyright and other intellectual property rights to the website, as well as the contents of the corporate website or any other Website upon expiration or termination of this Agreement as described in Section XXI.A, and this agreement constitutes a "work for hire." In the event that an arbitral panel or a court of competent jurisdiction holds that the customizations or contents are not works for hire, then the Franchisee agrees to assign all copyright and other intellectual property rights to the customizations to the Franchisor. The term "all copyright and other intellectual property rights" shall include ownership rights in all media, whether now known or hereinafter invented, by all means, methods, and processes, whether now known or hereinafter invented, including interactive rights and rights to derivate works.

You may conduct advertising without our written permission in Social Media as long as you comply with our social media policy. You must adhere to the social media policies that we establish from time to time, and must require your employees to do so as well. Use of social media, including any pictures that may be posted on, using or through one or more social media sites, must be in compliance with our Operations Manual and System standards, including our take-down policies.

C. Site Selection

We will review and grant or withhold our approval of locations selected by you for your Business, in the manner required by Section IX.R of this Agreement. You must use a real estate search consultant or broker that we have approved in advance to assist you in your real estate search.

D. Facility Layout and Design

Franchisor will provide Franchisee with guidelines of the layout and design of its Facility; however, Franchisee may need to hire its own architect to create a complete set of drawings based on the facility size and local permitting requirements. Franchisee's construction plans must comply with our standards and specifications and Franchisee must submit them to us prior to construction commencement for approval. We will notify Franchisee of our approval or disapproval within thirty (30) days after we receive Franchisee's request for approval plus all additional information and samples that we require. We may, at our option, re-inspect Franchisee's facility for compliance with our specifications and revoke our approval if the construction fails to meet any of our then-current criteria. Such drawings, plans and specifications are subject to alteration as may be necessary in our sole discretion and Franchisee must be in full and strict compliance with plans and specifications approved by us. Our approval of Franchisee's final set of drawings is not a representation or warranty that such drawings or plans will meet local permitting requirements or that such drawings or plans will not have to be revised or done over again in order to get final approval by local authorities. Approval is intended only to indicate that the Facility layout meets our minimum criteria. Franchisee agrees that our approval or disapproval of Franchisee's final set of drawings do not impose any liability on us. The costs of leasehold improvements, furniture, fixtures, exercise equipment, signage and décor for finishing out the Facility are the sole responsibility of the Franchisee. The Franchisee is also responsible for all lease negotiations.

We will make available, at no charge to Franchisee, and will advise Franchisee with regards to floor plans and mandatory specifications for the construction of a Burn Boot Camp[®] business, which includes the exterior and interior design. Franchisee acknowledges that Franchisee is responsible for all costs associated with architectural floor plans and all setup required for the Facility. Franchisee acknowledges that such specifications shall not contain the requirements of any federal, state or local law, code or regulation (including, without limitation, those concerning the Americans with Disabilities Act (the "ADA") or similar rules governing public accommodations or commercial facilities for persons with disabilities). Franchisee must adhere to all local zoning ordinances, regulations, fire, health and building codes, compliance with all of which shall be Franchisee's responsibility and at Franchisee's expense. Franchisee shall adapt, at Franchisee's expense, the standard specifications to the Facility location, subject to Franchisor's approval, as provided in Section IX.S of this Agreement, which will not be unreasonably withheld, provided that such plans and specifications conform to our general criteria.

Franchisee understands and acknowledges that we have the right to modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications as we deem appropriate, periodically; however, we will not modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications for the Facility developed pursuant to this Agreement once those final set of drawings, architectural plans, floor plans, schematics and/or specifications have been approved by us and given to Franchisee.

E. Hiring Employees

You will have sole authority and control over the day-to-day operations of your Business and your employees and/or independent contractors. You agree to be solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws, including without limitation, those related to hiring, firing, training, wage and hour

requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time. At no time will you or your employees be deemed to be our or our affiliates' employees. Failure of Franchisee to adhere to the requirement of criminal background checks for all prospective employees may be considered a breach of this Agreement and Franchisor may terminate, in its sole discretion, the Agreement, except where the Franchisee has reasonable cause to deviate from Franchisor's standards, as described in Section XX.C of this Agreement.

F. No Warranties Other Than in Writing

With respect to exercise equipment, Products, supplies and/or services (as described in Section IX.H) provided by us or our affiliates and/or any person/company referred/approved by us or our affiliates, other than specific written warranties expressly provided in connection with such items, such items are provided without any warranties, express or implied, the warranties of merchantability and suitability for a particular purpose being expressly disclaimed. In addition, we make no warranties regarding any open source code contained in any software that we may provide to the Franchisee. We do not warrant that any such software shall be free of bugs, viruses, worms, or Trojan horses.

We are not liable for any guarantee or warranty that Franchisee or any Owners, Head/Lead Trainers or employees make to a Member or third party. Franchisee will fully comply with any customer service or Member loyalty programs. Franchisee will not misrepresent or omit or fail to state any warranty or guarantee to Members.

G. Operations Manual

We will make available to you in electronic form our proprietary and confidential Operations Manual and any other manual we may now or hereafter designate for use in operating a Business (collectively, the "Operations Manual"). We reserve the right to provide the Operations Manual to you solely electronically and not via hard copy. You must operate the Business in strict compliance with the Operations Manual, as it may be reasonably changed from time to time. The Operations Manual must remain confidential and our exclusive property. You agree that you will not disclose, duplicate or make any unauthorized use of any portion of the Operations Manual. The provisions of the Operations Manual constitute provisions of this Agreement as if fully set forth herein. You must ensure that your copy of the Operations Manual is current and up to date, and keep a copy of the Operations Manual on the Business's premises at all times. If there is a dispute relating to the contents of the Operations Manual, the master copy, which we maintain at our corporate headquarters, will control. We reserve the right to disclose updates to the Operations Manual via electronic means, including over our website or any intranet or extranet system established in connection with the System.

H. Selecting Vendors

We shall provide Franchisee with a written list of approved vendors and suppliers that may include or be limited to us or our affiliates for exercise equipment, Products, supplies and services (as described in Section IX.H) necessary for the operation of the Business. We will provide Franchisee with a list of all approved exercise equipment, Products, supplies and Services that Franchisee is authorized to use, offer or sell in the operation of its Business, and a written list of all approved vendors and suppliers to purchase such items from during the initial franchisee education program. Franchisee understands that such lists will be updated and may change periodically at our discretion and Franchisee agrees to implement such updates at Franchisee's expense as described in Section IX.H of this Agreement. Franchisee will be required to submit in writing alternate exercise equipment, Products, supplies, services, vendors or suppliers to us for approval as described in Section IX.H of this Agreement. Franchisee acknowledges that we may receive royalties and/or other payments from some or all of the approved vendors.

I. Availability of Exercise Equipment, Products and Supplies

We require that the Franchisee purchase exercise equipment, Products, supplies and Services from us, our affiliates or approved vendors and/or suppliers. We will provide Franchisee with a list of written specifications for such items along with a list of our approved vendors, and Franchisee is responsible for acquiring all such items as they are necessary for the operation of the Business. All items that are provided by us will be competitively priced, taking into account equivalent quality and other reasonable considerations.

We reserve the right to establish lower suggested retail prices on certain Services and Products from time to time based on competition prevalent within the fitness industry (as further described in Section Xvii.K). We shall publish inventory and Minimum Representation requirements in the Operations Manual and such requirements may be amended from time to time by us in our sole discretion.

We reserve the right to implement a centralized purchasing system for franchisees, to negotiate prices and terms with vendors and suppliers; and to receive rebates or other financial incentives from such purchases by franchisees. We may utilize such rebated funds in any manner it chooses in our sole discretion. We reserve the right to require franchisees to purchase all exercise equipment, Products, supplies and services through our proprietary business to business intranet portal.

J. Advertising and Promotion

We shall develop and provide creative materials that could be used for local and regional advertising and make such advertising and promotional materials available for publication or distribution in the Franchisee's market area at Franchisee's own expense. We will provide specific guidelines for advertising, marketing and promotions initiated by individual franchisees and shall reserve the right to disapprove any advertising, marketing and promotions, which, in our opinion, is not in accordance with these guidelines. However, no such approval shall be unreasonably withheld or denied. Immediately upon notification to do so, Franchisee shall discontinue any advertising that would, in our opinion, be detrimental to any franchisee or any part of the System, our trademarks, or the Franchise.

K. Suggested Rates & Pricing for Services and Products

We will provide Franchisee with guidance and suggested pricing for Services (including a written list of membership options) and Products offered by its franchisees. Franchisee shall have the right to offer Services and Products at any rate and price Franchisee may determine and we reserve the right to establish minimum and maximum pricing for any given Service or Product nationwide to the extent allowed by federal and state laws as explained in Sections IX.G of this Agreement. Suggested pricing for Services and Products may vary from region to region to the extent necessary to reflect differences in costs and other factors applicable to such regions. If Franchisee elects to offer any Service or Product at any price recommended by us, Franchisee acknowledges that we have made no guarantee or warranty that offering such Services or Products at the recommended prices will enhance Franchisee's sales or profits.

We will provide Franchisee with recommended procedures when accepting returns from Members for Products, in addition to sample set forms including policies, contracts, waivers, agreements, advertising, promotional and marketing materials, as well as various operational forms for use in the Business during the initial franchisee education program. We do not warrant the completeness, legality or enforceability of any agreements or forms. Franchisee must retain its own counsel to review and revise such agreements and forms to comply with applicable federal and state laws. At our discretion, any and all forms used by Franchisee shall be subject to our review and approval and our decision of such approval will be provided within thirty (30) days after such forms are received by us.

We will continue to research and develop new Services (including fitness programs, workout routines and membership options) and Products as we deem appropriate in our sole discretion. We may conduct market research and testing to determine consumer trends and salability of new Services and Products. If Franchisor chooses Franchisee, Franchisee will participate in a market research program to test marketing new Services and Products in the Business and provide us with timely reports and other relevant information regarding that market research. If Franchisee participates in any test marketing, Franchisee agrees to purchase, at Franchisee's expense, a reasonable quantity of products or services being tested and to effectively promote and make a good faith effort to offer and/or sell them.

Franchisee shall participate in and comply with all membership options, sales and promotional programs and/or product promotions established by us.

L. Assistance

After Franchisee signs this Agreement, we may review and comment on any business plan and pro-forma financial projections Franchisee prepares. We do not represent that we have any special expertise in reviewing or developing business plans, or that any business plan developed by us will result in any profits, revenues, incomes, margins, or sales. Our review and commentary of business plan or financial pro-forma is not a representation or warranty that the Franchisee's business will be profitable, that the Franchisee will earn any revenues, or that Franchisee's sales will attain any pre-determined sales levels. Our review and commentary is intended only to provide information sharing to Franchisee, and Franchisee agrees that such review and commentary does not impose any liability on us. Franchisee specifically acknowledges that we have not reviewed or commented on any business plan or pro-forma prior to the Effective Date of this Agreement.

XVIII. VARYING STANDARDS

Because complete and detailed uniformity under many varying conditions may not be possible or practical, we specifically reserve the right and privilege, at our sole and absolute discretion and as we may deem in the best interests of all concerned in any specific instance, to vary standards for any franchisee based upon the peculiarities of a particular business or circumstance, business potential, demographics, density of population or trade area, existing business practices or any other condition which we deem to be of importance to the successful operation of such Business. Franchisee shall not have any right to object to a variation from standard specifications and practices granted to any other franchisee and shall not be entitled to require us to grant to Franchisee a like or similar variation, unless the laws of the Franchisee's state expressly require us to grant such a similar variation. Franchisee acknowledges that some present franchisees of Franchisor may operate under different forms of franchise agreements and, consequently, that Franchisor's obligations and rights with respect to its various franchisees may differ materially in certain circumstances.

In addition, if the transferee was already in our lead database at the time of first contact between Franchisee and the transferee, we may require Franchisee to pay the amount of any broker fees that we are responsible for paying to third parties (which does not include our employees).
6. Transferee must pay for and successfully complete our franchisee education programs then required of new franchisees and pay our then current franchisee education fees and any other expenses we incur prior to the effective date of the transfer;

15. We will have the right to disclose to any prospective transferee such revenue reports and other financial information concerning the Business as you have supplied to us hereunder; and
16. In addition to all other grounds for rejection, we have the right to reject any proposed purchase of the assets of the Franchised Business or any type of ownership interest in the Franchisee or Franchised Business on the grounds that the proposed transferee has, in the sole opinion of the Franchisor taken on too much debt, or the purchase price and the terms of the proposed transfer would be so burdensome to the prospective transferee as to impair or materially threaten its future operation of the Business and performance under its franchise agreement.

Upon the termination or expiration of this Agreement, we or any party we designate will also have the option, but not the obligation, to purchase any personal property used in connection with operation of your Business by providing you with written notice of our election within ten (10) calendar days after such termination or expiration and paying you the book value for such personal property within sixty (60) calendar days of such notice. For purposes of this paragraph,

“book value” means the amount you actually paid for the personal property less depreciation (calculated by using the straight-line depreciation method on a five (5) year depreciation schedule, irrespective of the depreciation method or schedule you use for accounting purposes). Notwithstanding the foregoing, to the extent that we exercise our right to purchase any personal property that is subject to a lease or finance agreement, the purchase price will be net of the remaining amounts due under the lease agreement or financing arrangement, including prepayment penalties. We will be entitled to offset the purchase price by amounts you owe to us and any payments necessary to acquire clear title to property or for any other debt. If we exercise our option to purchase, pending the closing of such purchase, we have the right to appoint a manager to maintain the operation of the Business, or we may require you to close the Business during such period without removing any assets. You are required to maintain in force all insurance policies required under this Agreement until the date of such closing. We have the unrestricted right to assign this option to purchase the Business. We will be entitled to all customary warranties and representations in connection with our purchase of your property, including, without limitation, representations and warranties as to ownership and condition of and title to the property; liens and encumbrances on the property; validity of contracts and agreements; and liabilities affecting the property, contingent or otherwise. We may exclude from the personal property purchased under this Section cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the Business’s operation or that we have not approved as meeting standards for the Business.

C. Damages, Costs, and Expenses.

In the event of termination for any default by you, you will promptly pay us for all damages, costs and expenses, including reasonable attorneys’ fees, incurred by us as a result of the default, which obligation will give rise to and remain, until paid in full, a lien in favor of us against any and all of your personal property, furnishings, equipment, signs, fixtures and inventory related to the operation of the Business.

D. Savings Clause.

To the extent that it is determined by any court or any other tribunal having jurisdiction over the subject matter of this Agreement that any provision of this Agreement provides for notice less than that required by applicable law, or provides for termination, cancellation or non-renewal other than in accordance with applicable law, such provision, to the extent that it is determined by such court or other tribunal to be not in accordance with applicable law, will be deemed to be modified to the extent that such court or other tribunal determines to be necessary to bring such provision into accordance with applicable law.

E. Liquidated Damages.

If we terminate this Agreement as a result of your default or this Agreement is otherwise terminated prior to the expiration date besides by mutual agreement, you shall pay to us an amount equal to the lesser of 24 or the number of months remaining in the term multiplied by the average monthly Royalty Fees and System Brand Fees accrued during the 12-month period before the month of termination (or, if your Business has been open less than 12 months, during the period during which the Business has been open) (the “Liquidated Damages”) on or before thirty (30) days following the termination thereof. The parties intend that the Liquidated Damages constitute compensation, and not a penalty. The parties acknowledge and agree that the harm caused by early termination of this Agreement would be impossible or very difficult to accurately estimate as of the Effective Date, and that the Liquidated Damages are a reasonable estimate of the anticipated or actual harm that might arise from early termination of this Agreement. Your payment of the Liquidated Damages is not your sole liability with respect to early termination of this Agreement.

XXII. PROVISIONS RELATING TO ENFORCEMENT

A. Franchisee May Not Withhold Payments Due Franchisor

Franchisee agrees that Franchisee will not withhold payments of any Royalty Fees, System Brand Fees or any other amounts of money owed to Franchisor for any reason, on grounds of alleged nonperformance by Franchisor of any obligation. The Franchisee has no right of offset, or set off to any amounts due and owing to the Franchisor.

B. Severability

Each section, part, term or provision of this Agreement is severable, and if, for any reason, any section, part, term or provision of this Agreement is deemed to be invalid and contrary to, or in conflict with, any existing or future law, decision, ruling or regulation of a court or agency having valid jurisdiction, that will not impair the operation or affect the remaining portions, sections, parts, terms or provisions of this Agreement, and the latter will continue to be given full force and effect and bind you and us, and the invalid sections, parts, terms or provisions will not be a part of this Agreement.

C. Internal Dispute Resolution.

You must first bring any claim or dispute between you and us to our President and Chief Executive Officer, after providing notice as set forth in Section XXII.K below. You must exhaust this internal dispute resolution procedure before you may bring your dispute before a third party. This agreement to first attempt resolution of disputes internally will survive termination or expiration of this Agreement.

D. Mediation

At our option, all claims and disputes between you and us arising out of this Agreement, or any other agreement by and between you and us or our affiliates, or any of the parties' respective rights and obligations arising from such agreements, which are not first resolved through the internal dispute resolution procedure set forth in Section XXII.C. above, must be submitted first to mediation, in Mecklenburg County, North Carolina, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against us or our affiliates with respect to any such claim or dispute, you must submit a notice to us, which specifies, in detail, the precise nature and grounds of such claim or dispute. We will have a period of thirty (30) days following receipt of such notice within which to notify you whether we or our affiliates elects to exercise our option to submit such claim or dispute to mediation. You may not commence any action against us or our affiliates with respect to any such claim or dispute in any court unless we fail to exercise our option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of our written declaration. Our rights to mediation, as set forth herein, may be specifically enforced by us. Each party will bear its own cost of mediation and you and us will share mediation costs equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties agree that there will be no class action mediation. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section XXII.D if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating):

- (1) Any federally protected intellectual property rights in the Proprietary Marks, the System, Proprietary Materials, Proprietary Software, or in any Confidential Information;
- (2) Any claims pertaining to or arising out of any warranty issue;

- (3) Any of the restrictive covenants contained in this Agreement; or
- (4) Any claims to collect past due amounts owed to us or our affiliates.

E. Selection of Venue.

Nothing contained in this Agreement will prevent us from applying to and obtaining from any court having jurisdiction a writ of attachment, a temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect our interests. The parties expressly agree to the jurisdiction and venue of any court of general jurisdiction in or near Mecklenburg County, North Carolina and the exclusive jurisdiction and venue of the United States District Court for the Western District of North Carolina. You acknowledge that this Agreement has been entered into in the State of North Carolina, and that you are to receive valuable and continuing services emanating from our headquarters in North Carolina, including but not limited to franchisee education, assistance, support and the development of the System. In recognition of such services and their origin, you hereby irrevocably consent to the personal jurisdiction of the state and federal courts of North Carolina set forth above. The parties agree that all proceedings will be conducted on an individual, not a class-wide basis, and that any proceeding between you, your Owners or your Principals, on the one hand, and we or our affiliates or employees, on the other hand, may not be consolidated with any other proceeding between us and any other person or entity.

F. Rights of Parties are Cumulative

The rights of Franchisor and Franchisee are cumulative, and the exercise or enforcement by Franchisor or Franchisee of any right or remedy shall not preclude the exercise or enforcement by Franchisor or Franchisee of any other right or remedy hereunder which Franchisor or Franchisee is entitled by law to enforce by the provisions of this Agreement or of the Operations Manual. Nothing in this Agreement bars Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damage, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

G. Injunctive Relief

Nothing in this Agreement will prevent us from seeking to obtain injunctive relief, without posting a bond, against threatened conduct that will cause us loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions. If injunctive relief is granted, your only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, you expressly waive all claims for damages you incurred as a result of the wrongful issuance.

H. Choice of Law

This Agreement will be governed by and construed in accordance with the laws of the State of North Carolina (without reference to its conflict of laws principles).

I. Attorneys' Fees

If you are in breach or default of any monetary or non-monetary material obligation under this Agreement or any related agreement between you and us or our affiliates, and we engage an attorney to enforce our rights (whether or not

formal judicial proceedings are initiated), you must pay all reasonable attorneys' fees, court costs and litigation expenses we incur. If you institute any legal action to interpret or enforce the terms of this Agreement, and your claims in such an action are denied or the action is dismissed, we are entitled to recover our reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

J. Third Party Beneficiaries

Our officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the mediation provision set forth in this Section, each having authority to specifically enforce the right to mediate/arbitrate claims asserted against such person(s) by you.

K. Prior Notice of Claims

As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, you must notify us within thirty (30) days after you are aware or reasonably should be aware of the violation or breach, and failure to timely give such notice will preclude any claim for damages.

L. Limitation of Action

You further agree that no cause of action arising out of or under this Agreement may be maintained by you against us unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one (1) year after you become aware of facts or circumstances reasonably indicating that you may have a claim against us hereunder, whichever occurs sooner, and that any action not brought within this period will be barred as a claim, counterclaim, defense, or set-off. You hereby waive the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by us, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

M. Waiver of Punitive Damages

You hereby waive, to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against us arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that, in the event of a dispute, your recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions will continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

N. Jury Trial Waiver

THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER WILL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE

OF EITHER PARTY, AND/OR YOUR PURCHASE FROM US OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES.

O. Binding Effect

This Agreement is binding upon the parties hereto and their respective permitted assigns and successors in interest. Nothing in this Agreement is intended to confer any rights or benefits on anybody other than the parties to this Agreement and their permitted successors and assigns.

P. Entire Agreement/Integration/No other Agreements/Manual(s) May Change

This Agreement and the exhibits to this Agreement constitute the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the parties. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to you. No amendment to this Agreement shall be binding on either party unless mutually agreed to by the parties in writing. The Operations Manual may be amended at any time by Franchisor, and Franchisee shall adapt its methods or procedures to comply with the requirements thereof.

Q. Force Majeure

Except for monetary obligations or as otherwise specifically provided in this Franchise Agreement, if either party to this Agreement shall be delayed or hindered in or prevented from the performance of any act required under this Agreement by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, or other causes beyond the reasonable control of the party required to perform such work or act under the terms of this Agreement through no fault of such party, then performance of such act shall be excused for the period of the delay, but in no event to exceed ninety (90) days from the stated time periods as set forth in this Franchise Agreement.

R. No Personal Liability.

You agree that fulfillment of any and all of our obligations written in this Agreement or based on any oral communications which may be ruled to be binding in a Court of Law shall be our sole responsibility and none of our agents, representatives, nor any individuals associated with us shall be personally liable to you for any reason. This is an important part of this Agreement. You acknowledge that nothing you believe you have been told by us or our representatives will be binding unless it is written in this Agreement. This is an important part of this Agreement. Do not sign this Agreement if there is any question concerning its contents or any representations made.

XXIII. NOTICES

Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by registered mail, email or by other means which affords the sender evidence of delivery, or of rejected delivery, to the respective parties at the addresses shown on the signature page of this Agreement, unless and until a different address has been designated by written notice to the other party. Any notice by a means which affords the sender evidence of delivery, or rejected delivery, shall be deemed to have been given at the date and time of receipt or rejected delivery.

XXIV. COUNTERPARTS

This Agreement and any amendments or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of which counterparts together shall constitute but one and the same instrument. This Agreement shall become effective upon the execution of a counterpart hereof by both of the parties hereto.

XXV. TIME IS OF THE ESSENCE

Time is of the essence. The parties to this Agreement hereby agree that time is of the essence with respect to each of their respective duties and obligations under this Agreement.

XXVI. APPROVALS AND WAIVERS

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefore, and such approval or consent shall be obtained in writing.

Franchisor makes no warranties or guarantees, and assumes no liability or obligation to Franchisee, by providing any waiver, approval, consent, or suggestion to Franchisee or in connection with any consent, or by reason of any neglect, delay, or denial of any request thereof.

No failure of Franchisor to exercise any power reserved to it by this Agreement or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with any of the terms herein. Waiver by Franchisor of any particular default or breach by Franchisee shall not affect or impair Franchisor's rights with respect to any later default or breach of the same, similar or different nature, nor shall any delay, forbearance, or omission, breach or default by Franchisor to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof, affect or impair Franchisor's right to exercise the same, nor shall such constitute a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

XXVII. AUTHORITY

Franchisee or, if Franchisee is a corporation, limited liability company or partnership, the individuals executing this Agreement on behalf of such corporation, limited liability company or partnership, warrant to Franchisor, both individually and in their capacities as Owners, partners, members, shareholders, directors and officers, that all of them as the case may be, have read and approved this Agreement, including the restrictions which this Agreement places upon their right to transfer their respective interests in such entity as set forth in Section XIX.

(USE FOR CORPORATE, PARTNERSHIP OR OTHER ENTITY FRANCHISEE)

The undersigned persons (individually and collectively, “Guarantor”) hereby represent to Kline Franchising, Inc. (“Franchisor”) that you are all of the Principals (as that term is defined in the Franchise Agreement) of _____ (“Franchisee”).

1. Guarantor, individually and on behalf of his or her martial community, agrees to personally and unconditionally guarantee the performance of Franchisee under the Franchise Agreement and to perform all obligations under this Agreement on default by Franchisee. The undersigned further agree to pay any judgment or award against Franchisee obtained by Franchisor. Guarantors are also bound by covenants of the Agreement that by their nature or terms survive the expiration or termination of the Agreement, including but not limited to non-competition, indemnity and non-disclosure provisions.
2. During the term of this Agreement, Guarantor will receive information which Franchisor considers a trade secret and confidential information (“Confidential Information”). Guarantor will not disclose or use at any time, whether during the terms of this Agreement or thereafter, any Confidential Information, without limitation, confidential matters, trade secrets, information regarding specific methods and techniques when executing Franchisor’s workout routines; fitness programs, membership options, membership lists, nutrition programs, exercise equipment, products and operational procedures; relationships with vendors and suppliers, purchasing strategies, sales techniques and methods; Franchisor’s build out and design specifications with unique décor, color scheme and signage; advertising, sales and promotional programs; promotional advertising and marketing materials; cost and pricing strategies, procedures for safety and quality control, our website, software, applications for mobile devices, forms, contracts, record keeping and reporting procedures, proprietary information conceived, originated, discovered, or developed by Franchisee or by any employee or independent contractor of Franchisee which is not generally known in the trade or industry about Franchisor’s Services or Products, including information relating to discoveries, ideas, production, purchasing, accounting, engineering, website development and design, marketing, merchandising or selling of Services and Products.
3. During the term of the Franchise Agreement, neither Guarantor nor your nor any member of Guarantor’s immediate family may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:
 - (a) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any other business or entity which operates or licenses others to operate a business that offers fitness, wellness, health, weight loss, body conditioning, or any other business offering products and services offered or authorized for sale by System franchisees (a “Competing Business”); provided, however, that this Section does not apply to your operation of any other Business under Franchisor’s System; or
 - (b) Solicit the Business’s Members or customers or contact any of our suppliers or vendors for any competitive business purpose.

4. For a period of two (2) years after the expiration, nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Guarantor nor any member of Guarantor's immediate family or may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:
 - (a) Enter into any business competing in whole or in part with us by granting franchises or licenses for businesses which offers fitness, wellness, health, weight loss, body conditioning, or any other business offering products and services offered or authorized for sale by System franchisees at the time this Agreement is terminated or otherwise expires and is not renewed;
 - (b) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any Competing Business: (i) at the Accepted Location premises; (ii) within the Territory; or (iii) within a ten (10) mile radius of (a) the Territory being granted hereunder or (b) any other Territory licensed by us as of the date of expiration or termination of this Agreement;
 - (c) Solicit the Business's Members or customers or contact any of our suppliers or vendors for any competitive business purpose.
5. It is the parties' intent that the non-competition provisions of Sections 3 and 4 be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein will not render any other part unenforceable. In the event of the actual or threatened breach of this Sections 3 or 4 by Guarantor or any members of Guarantor's immediate family, Franchisor will be entitled to an injunction restraining such person from any such actual or threatened breach. Guarantors agree that in the event of the actual or threatened breach of Sections 3 and 4, Franchisor's harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. Each Guarantor acknowledges and agrees that each has previously worked or been gainfully employed in other careers and that the provisions of Sections 3 and 4 in no way prevent Guarantor from earning a living. Guarantor further acknowledges and agrees that the time limitation of Sections 3 and 4 will be tolled during any default under this Guaranty.
6. Each Guarantor has consulted legal counsel of his/her own choosing as to his/her responsibilities and liabilities under this Guaranty.
7. Each Guarantor waives:
 - (a) Notice of demand for payment of any indebtedness or nonperformance of any obligations guaranteed;
 - (b) Protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations guaranteed;
 - (c) Any right he or she may have to require that an action be brought against Franchisee or any other person as a condition of liability;

8. Each Guarantor consents and agrees that:

- (a) Liability under this Guaranty is joint and several with any other guarantor and the Franchisee;
- (b) Each will render any payment or performance required under this Guaranty on demand, if Franchisee fails or refuses punctually to do so;
- (c) Each will individually comply with the provisions and all subsections of the Agreements and associated documents;
- (d) Liability is not contingent or conditioned on Franchisor's pursuit of any remedies against Franchisee or any other persons; and
- (e) Liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person;
- (f) Liability is not affected by any extension of time, acceptance or part performance, release of claims, or other compromise that Franchisor may grant Franchisee or other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this Guaranty, which shall be continuing and irrevocable during the term of the Agreement.
- (g) Each waives acceptance and notice of acceptance by Franchisor; waives notice of demand, and waives protest and notice of default, except as may be required by the Franchise Agreement.

9. Each Guarantor further hereby consents and agrees that:

- (a) Guarantor's liability under this undertaking shall be direct, immediate, and independent of the liability of Franchisee, other guarantors, and the other owners of the Franchisee;
- (b) This undertaking will continue unchanged by the occurrence of any bankruptcy with respect to Franchisee or any assignee or successor of Franchisee or by an abandonment of the Agreement by a trustee of Franchisee. Neither the Guarantor's obligations to make payment or render performance in accordance with the terms of this undertaking nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by impairment, modification, change, release or limitation of the liability of the Franchisee or its estate in bankruptcy or any remedy for enforcement resulting from the operation of any present or future provision of the U.S. Bankruptcy Act or other statute, or from the decision of any court or agency
- (c) Franchisor may proceed against Guarantor and Franchisee jointly and severally, or Franchisor may, at its option, proceed against Guarantor, without having commenced any action, or having obtained any judgment against Franchisee. Guarantor hereby waives the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed; and;

(d) Guarantor agrees to pay all reasonable attorneys' fees and costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this undertaking or any negotiations relative to the obligations hereby guaranteed or in the enforcing this undertaking against Guarantor.

Guarantor acknowledges and agrees to be personally bound by all of the dispute resolution provisions obligations under Section XXV of the Agreement.

IN WITNESS THEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

CONDITIONAL COLLATERAL ASSIGNMENT OF LEASE

FOR VALUE RECEIVED, the undersigned (“Assignor”) hereby assigns and transfers to Kline Franchising, Inc. (“Assignee”), all of Assignor’s right, title and interest as tenant in, to and under the lease, attached hereto as Exhibit 1 (the “Lease”) respecting premises commonly known as _____ (“Business Site”) by and between Assignor and _____ (“Lessor”). This Assignment is for collateral purposes only and except as specified herein, Assignee has no liability or obligation of any kind whatsoever arising from or in connection with this Assignment or the Lease unless Assignee takes possession of the premises demised by the Lease pursuant to the terms hereof and assumes the obligations of Assignor thereunder.

Assignor represents and warrants to Assignee that it has full power and authority to so assign the Lease and its interest therein and that Assignor has not previously assigned or transferred, and is not obligated to assign or transfer, any of its interest in the Lease or the Business Site demised thereby. Upon a default by Assignor under the Lease or under the franchise agreement for a Business between Assignee and Assignor (the “Franchise Agreement”), or in the event of a default by Assignor under any document or instrument securing the Franchise Agreement, or upon expiration or termination of the Franchise Agreement or this Agreement, Assignee has the right and is hereby empowered to take possession of the Business Site, expel Assignor therefrom, and, in such event, Assignor will have no further right, title or interest in the Lease. Assignor hereby authorizes the Lessor to disclose to Assignee, upon its request, sales and other information furnished to the Lessor by Assignor.

Assignor agrees that it will not suffer or permit any surrender, termination, amendment or modification of the Lease without the prior written consent of Assignee. Throughout the term of the Franchise Agreement and any renewals thereto, Assignor agrees that it must elect and exercise all options to extend the term of or renew the Lease not less than 30 days prior to the last day that the option must be exercised, unless Assignee otherwise agrees in writing.

If Assignee does not otherwise agree in writing, and upon failure of Assignor to so elect to extend or renew the Lease as aforesaid, Assignor hereby appoints Assignee as its true and lawful attorney-in-fact to exercise such extension or renewal options in the name, place and stead of Assignor for the purpose of effecting such extension or renewal.

e. If Franchisor or its designee assumes the Lease, the term of the Lease will be automatically modified to be a month-to-month Lease terminable at any time by Franchisor with or without cause.

b. to, in its discretion, without notice and with or without process of law, enter upon and take and maintain possession of all or any part of the Business Site, together with all furniture, fixtures, inventory, books, records, papers and accounts of the Franchisee;

c. to exclude the Franchisee, its agents or employees from the Business Site;

d. as attorney-in-fact for the Franchisee, or in its own name, and under the powers herein granted, to hold, operate, manage and control the Business and conduct the Business, if any, thereof, either personally or by its agents, with full power to use such measures, legally rectifiable, as in its discretion may be deemed proper or necessary to cure such

default, including actions of forcible entry or detainer and actions in distress of rent, hereby granting full power and authority to the Franchisor to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter;

e. to cancel or terminate any unauthorized agreements or subleases entered into by the Franchisee, for any cause or ground which would entitle the Franchisor to cancel the same;

f. to disaffirm any unauthorized agreement, sublease or subordinated lien, to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Business Site or the Business Site that may seem judicious, in the sole discretion of the Franchisor; and

g. to insure and reinsure the same for all risks incidental to the Franchisor's possession, operation and management thereof; and/or

h. notwithstanding any provision of the Franchise Agreement to the contrary, to declare all of the Franchisee's rights but not obligations under the Franchise Agreement to be immediately terminated as of the date of the Franchisee's default under the Lease.

KLINE FRANCHISING, INC.

CONFIDENTIALITY AND NON-COMPETE AGREEMENT
(for execution by limited principals)

In consideration of my involvement or association with _____ (the “Franchisee”), and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby acknowledge and agree that Franchisee has acquired the right and franchise from Kline Franchising, Inc. (the “Company”) to establish and operate a Burn Boot Camp franchised Business (the “Business”) and the right to use in the operation of the Business the Company’s trade names, trademarks and service marks (the “Proprietary Marks”) and the Company’s unique and distinctive format and system relating to the establishment and operation of the Business (the “System”), as they may be changed, improved and further developed from time to time in the Company’s sole discretion, only at the following authorized and approved location: _____ (the “Business Premises”).

1. The Company possesses certain proprietary and confidential information relating to the operation of the System, which includes trade secrets, advertising strategies, fitness programs and workouts routines; strategies for increasing memberships, exercise equipment operation, safety procedures, usage of software and applications for mobile devices, cost and pricing strategies, inventory management and tracking of products and supplies (the “Confidential Information”).

2. Any and all information, knowledge, know-how, and techniques which the Company specifically designates as confidential will be deemed to be Confidential Information for purposes of this Agreement.

3. In consideration of my involvement or association with Franchisee, the Company and/or Franchisee will disclose the Confidential Information to me in furnishing to me the franchisee education program and subsequent ongoing franchisee education, the Company’s Operations Manual for system franchisees (the “Manual”) and other general assistance during the term of this Agreement.

4. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Business during the term hereof, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

5. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I will hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will not disclose and/or use the Confidential Information except in connection with the operation of the Business, and will not to disclose any such information even after I cease to be in that position.

6. During the term of the Franchise Agreement, I will not, while in my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company:

(a) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any other business or entity which operates or licenses others to operate a business that offers fitness, wellness, health, weight loss, body conditioning, or any other business offering

products and services offered or authorized for sale by System franchisees (a “Competing Business”); provided, however, that this Section does not apply to your operation of any other Business under Company’s System; or

(b) Solicit the Business’s Members or customers or contact any of our suppliers or vendors for any competitive business purpose.

7. Except as otherwise approved in writing by the Company, I will not, for a period of two (2) years after my position with the Franchisee terminates, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company:

(a) Enter into any business competing in whole or in part with us by granting franchises or licenses for businesses which offers fitness, wellness, health, weight loss, body conditioning, or any other business offering products and services offered or authorized for sale by System franchisees at the time this Agreement is terminated or otherwise expires and is not renewed;

(b) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in any Competing Business: (i) at the Business Premises; (ii) within the Franchisee’s Territory; or (iii) within a ten (10) mile radius of (a) the Franchisee’s Territory or (b) any other Territory licensed by Company as of the date my position with the Franchisee terminates; or

(c) Solicit the Business’s Members or customers or contact any of our suppliers or vendors for any competitive business purpose.

8. I agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company will have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

11. This Agreement will be construed under the laws of the State of North Carolina (without reference to its conflict of laws principals). The only way this Agreement can be changed is in writing signed by both the Franchisee and me.

EXHIBIT B
AREA DEVELOPMENT AGREEMENT

AREA DEVELOPMENT AGREEMENT

This Area Development Agreement (“Agreement”) entered into on _____ (the “Effective Date”), between: (i) Kline Franchising, Inc., a North Carolina corporation with an address at 17036 Kenton Dr., Suite 100, Cornelius, North Carolina 28031 (“Franchisor”, “we”, “us” or “our”); and (ii) _____, a _____, with a principal business address at _____ (“Developer”, “you” or “your”).

BACKGROUND

A. Franchisor has developed a uniform system for the establishment and operation of a fitness facility that offers its members (“Members”) group fitness sessions using fitness programs and high intensity workout routines, membership options, nutrition coaching and meal planning programs (collectively referred to as “Services”) in addition to limited supplements and fitness-related apparel, products and merchandise for sale (collectively referred to as the “Products”) at any Burn Boot Camp® franchised location (hereinafter referred to as the “Franchised Business”).

B. Franchisor identifies its system by means of certain trade names, service marks, trademarks, logos, emblems, trade dress and other indicia of origin, including but not limited to the marks “Burn Boot Camp®” and such other trade names, service marks, trademarks and trade dress as are now designated (or may be designated hereafter by Franchisor in writing) for use in connection with our System (referred to as the “Marks”).

C. Franchisor has entered into an exclusive license (“License Agreement”) with Devan Kline Fitness, LLC for the right to use and sublicense to its franchisees the Names, Marks and other property in connection with the operation of a Burn Boot Camp® business and has developed expertise (including confidential information) and a unique, distinctive and comprehensive system (“System”) for the establishment and operation of Businesses.

D. Developer desires to enter into an agreement with Franchisor to obtain the rights to operate three (3) or more Franchised Businesses using the System.

E. Franchisor grants qualified third parties the right to develop either two (2) Franchised Businesses (a “2-Pack”) or three (3) Franchised Businesses (a “3-Pack”) within a defined geographical area (the “Development Area”) in accordance with a mandatory development schedule that must be strictly adhered to, with each Franchised Business within the Development Area being opened and operated utilizing the Marks and System pursuant to the terms and conditions set forth in Franchisor’s then-current form of franchise agreement (each, a “Franchise Agreement”).

F. Developer recognizes the benefits from receiving the right to operate a Franchised Business and desires to: (i) become a multi-unit Franchised Business operator subject to the terms of this Agreement; and (ii) receive the benefits provided by Franchisor under this Agreement.

G. Developer has applied for the right to open and operate a certain number of Franchised Businesses within the Development Area as set forth in this Agreement, and Franchisor has approved such application in reliance on Developer’s representations made therein.

H. Developer hereby acknowledges that adherence to the terms of this Agreement, including Franchisor’s operations manual and other System standards and specifications, are essential to the operation of all Franchised Businesses and Franchisor’s System as a whole.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

AGREEMENT

1. **Development Area.** Subject to the terms and conditions set forth herein, Franchisor grants Developer the right, and Developer undertakes the obligation, to develop and establish either two (2) Franchised Businesses or three (3) Franchised Businesses, as set forth in the data sheet attached hereto as Exhibit “A” (the “Data Sheet”), within the geographic area described in the Data Sheet (the “Development Area”). Each Franchised Business must be located within the Development Area at a specific site approved by Franchisor in accordance with the applicable Franchise Agreement. Franchisor and its affiliates have the right to continue to own and operate, and allow others to own and operate, Burn Boot Camp® businesses existing inside your Development Area as of the date you sign this Agreement. However, during the term of this Agreement and except as provided herein, Franchisor will not open or operate, or license any third party the right to open or operate, any new Franchised Business within the Development Area.

2. **Development Fee.** Upon the execution of this Agreement, Developer shall pay Franchisor a development fee (the “Development Fee”) equal to: (a) \$105,000 if Developer purchase a 2-Pack; or (b) \$130,000 if Developer purchase a 3-Pack. Notwithstanding the terms of Developer’s individual Franchise Agreements, Developer shall not be required to pay any additional “initial franchise fee” for Franchised Businesses opened pursuant to this Agreement. The Development Fee is deemed fully earned and nonrefundable upon payment to cover administrative and other expenses incurred by Franchisor and for the development opportunity lost or deferred as a result of the rights granted to Developer under this Agreement.

3. **Initial Franchise Agreement.** Contemporaneous with the execution of this Agreement, Developer must enter into Franchisor’s current form of Franchise Agreement for the first Franchised Business that Developer is required to open within the Development Area. In the event Developer is a business entity of any kind, then Developer’s principals/owners must each execute the form of personal guaranty attached to the foregoing Franchise Agreement, as well as any additional Franchise Agreements described in Section 4 of this Agreement.

4. **Additional Franchise Agreements.** Developer agrees and acknowledges that it must: (i) enter into Franchisor’s then-current form of Franchise Agreement for each additional Franchised Business that Developer is required to open under this Agreement; and (ii) enter into such Franchise Agreements at such times as are required for Developer to timely meet, and strictly adhere to, its development obligations under the Development Schedule. The Franchise Agreement for each additional Franchised Business must be signed at least eight (8) months before the scheduled opening date for the applicable Franchised Business.

5. **Development Obligations.** Developer shall open each Franchised Business no later than the prescribed opening deadline set forth in the development schedule that is included on the Data Sheet (the “Development Schedule”) and must continuously operate each such Franchised Business for the duration of the term of the applicable Franchise Agreement. For the avoidance of doubt, Developer must open each Franchised Business no later than the opening deadline designated in the applicable Franchise Agreement, even if the opening deadline in such Franchise Agreement is earlier than the corresponding opening deadline designated for such Franchised Business in the Development Schedule. The parties agree and acknowledge that time is of the essence with respect to the foregoing development obligations, and that Developer’s failure to comply with the Development Schedule, or Developer’s closure of any Franchised Business prior to the expiration of the term of the applicable Franchise Agreement, is grounds for immediate termination of this Agreement (and any future development rights granted hereunder).

6. **Term and Termination.**

6.1 This Agreement will commence as of the date it is fully-executed and, unless earlier terminated by Franchisor, will end on the last day of the calendar month that the final Franchised Business is required to be opened and operating under the Development Schedule. Upon expiration or termination of this Agreement for any reason, Developer will not have any rights within the Development Area other than the territorial rights granted in connection with any Franchised Businesses that Developer has opened and commenced operating as of the date this Agreement is terminated or expires (pursuant to the respective Franchise Agreement(s) that Developer entered into for such Franchised Business(es)).

6.2 Franchisor will have the right, at its option, to terminate this Agreement and all rights granted to Developer hereunder, without affording Developer any opportunity to cure such default, effective upon written notice to Developer, upon the occurrence of any of the following events: (i) if Developer ceases to actively engage in development activities in the Development Area or otherwise abandons its development business for three (3) consecutive months, or any shorter period that indicates an intent by Developer to discontinue development of the Franchised Businesses within the Development Area; (ii) if Developer becomes insolvent or is adjudicated bankrupt, or if any action is taken by Developer, or by others against the Developer, under any insolvency, bankruptcy or reorganization act, or if Developer makes an assignment for the benefit of creditors or a receiver is appointed by the Developer; (iii) if Developer fails to meet its development obligations under the Development Schedule with respect to any Franchised Business and fails to cure such default within 30 days of receiving notice thereof; and (iv) if any Franchise Agreement that is entered into in order to fulfill Developer's development obligations under this Agreement is terminated or subject to termination by Franchisor, pursuant to the terms of that Franchise Agreement.

7. **Reservation of Rights.** Except as provided in Section 1 of this Agreement, the parties agree and acknowledge that the rights granted in this Agreement are non-exclusive and that Franchisor and its affiliates reserve all other rights not expressly granted to Developer herein.

8. **Sale or Assignment.** Developer's rights under this Agreement are personal and Developer may not sell, transfer, or assign any right granted herein, including but not limited to a transfer, sale or assignment of any shares, stock, membership or other ownership interest in Developer, without Franchisor's prior written consent, which may be withheld in its sole discretion. Notwithstanding the foregoing, if Developer is an individual or a partnership, Developer has the right to assign its rights under this Agreement to a corporation or limited liability company that is wholly owned by Developer pursuant to the same terms and conditions as provided in Developer's initial Franchise Agreement. Franchisor has the right to assign this Agreement in whole or in part in its sole discretion.

9. **Acknowledgment.** Developer acknowledges that this Agreement is not a Franchise Agreement and does not confer upon Developer any rights to use the Franchisor's Proprietary Marks or System.

10. **Notices.** All notices, requests and reports to be given under this Agreement are to be in writing, and delivered by either hand, overnight mail via recognized courier such as UPS or FedEx, or certified mail, return receipt requested, prepaid, to the addresses set forth above (which may be changed by written notice).

11. **Choice of Law.** This Agreement will be governed by the laws of the State of North Carolina (without reference to its conflict of laws principles).

12. **Internal Dispute Resolution.** Developer must first bring any claim or dispute between Developer and Franchisor to Franchisor's CEO or such other individual who Franchisor may designate, by providing Franchisor with notice of and a reasonable opportunity to cure and alleged breach hereunder. Developer must exhaust this internal dispute

resolution procedure before bringing a dispute before a third party. This agreement to first attempt resolution of disputes internally will survive termination or expiration of this Agreement.

13. **Mediation.** At Franchisor's option, all claims or disputes between Franchisor and Developer or its affiliates arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisor and Developer or its affiliates, or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 12 above, must be submitted first to non-binding mediation, in Mecklenburg County, North Carolina, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Developer must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Developer as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Developer may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. This agreement to mediate will survive any termination or expiration of this Agreement. The parties agree that there will be no class action mediation.

14. **Injunctive Relief.** Nothing contained in this Agreement herein will prevent Franchisor from applying to or obtaining from any court having jurisdiction, without bond, a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect Franchisor's interests prior to the commencement of any mediation proceeding or pending the trial or handing down of a decision or award pursuant to any proceeding conducted hereunder.

15. **Jurisdiction and Venue.** With respect to any proceeding not subject to mediation, the parties expressly agree to the exclusive jurisdiction and venue of any state court of general jurisdiction in or near Mecklenburg County, North Carolina and the exclusive jurisdiction and venue of the United States District Court for the Western District of North Carolina. Developer acknowledges that this Agreement has been entered into in the State of North Carolina, and that Developer is to receive valuable and continuing services emanating from Franchisor's headquarters in Cornelius, North Carolina. In recognition of such services and their origin, Developer hereby irrevocably consents to the personal jurisdiction of the state and federal courts of North Carolina set forth above.

16. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, agents and/or employees are express third party beneficiaries of this Agreement and the dispute resolution procedures contained herein, each having authority to specifically enforce the right to mediate claims asserted against such person(s) by Developer.

17. **JURY TRIAL AND CLASS ACTION WAIVER.** WITH RESPECT TO ANY PROCEEDING NOT SUBJECT TO MEDIATION, THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER WILL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR DEVELOPER'S PURCHASE FROM FRANCHISOR OF THE DEVELOPMENT RIGHTS DESCRIBED HEREIN. THE PARTIES FURTHER AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN DEVELOPER, DEVELOPER'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

18. **Waiver of Punitive Damages.** Developer waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) which Developer may have against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, Developer's recovery will be limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions will continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

19. **Attorneys' Fees.** If Developer is in breach of any monetary or non-monetary material obligation under this Agreement or any related agreement between Developer and Franchisor and/or its affiliates, and Franchisor engages an attorney to enforce its rights (whether or not formal judicial proceedings are initiated), Developer must pay all of Franchisor's reasonable attorneys' fees, court costs and litigation expenses that Franchisor incurs. If Developer institutes any legal action to interpret or enforce the terms of this Agreement, and Developer's claim in such action is denied or the action is dismissed, Franchisor is entitled to recover its reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

20. **Nonwaiver.** Franchisor's failure to insist upon strict compliance with any provision of this Agreement will not be a waiver of Franchisor's right to do so, any law, custom, usage or rule to the contrary notwithstanding. Delay or omission by Franchisor respecting any breach or default will not affect Franchisor's rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Agreement will be cumulative. Franchisor's election to exercise any remedy available by law or contract will not be deemed a waiver or preclude exercise of any other remedy.

21. **Severability.** The parties agree that if any provisions of this Agreement may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision will have the meaning that renders it valid and enforceable. The provisions of this Agreement are severable, and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions will be enforced to the extent that they are valid and enforceable. If any material provision of this Agreement will be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Franchisor reserves the right to terminate this Agreement.

22. **Construction of Language.** The language of this Agreement will be construed according to its fair meaning, and not strictly for or against either party. All words in this Agreement refer to whatever number or gender the context requires. If more than one party or person is referred to as Developer, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

23. **Successors.** References to "Franchisor" or "Developer" include the respective parties' successors, assigns or transferees, subject to the limitations of Section 8 of this Agreement.

24. **Additional Documentation.** Developer must from time to time, subsequent to the date first set forth above, at Franchisor's request and without further consideration, execute and deliver such other documentation or agreements and take such other action as Franchisor may reasonably require in order to effectuate the transactions contemplated in this Agreement. In the event that Developer fails to comply with the provisions of this Section, Developer hereby appoints Franchisor as Developer's attorney-in-fact to execute any and all documents on Developer's behalf, as reasonably necessary to effectuate the transactions contemplated herein.

25. **No Right to Offset.** Developer may not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of the alleged nonperformance of Franchisor or any of its affiliates or as an offset against any

amount Franchisor or any of its affiliates may owe or allegedly owe Developer under this Agreement or any related agreements.

26. **State Law Applies.** If any provision of this Agreement, including but not limited to its provisions for transfer, renewal, termination, notice of termination, or cure rights, is inconsistent with any valid law or regulation of the state in which Developer's initial Franchised Business is located, then the valid law or regulation of such state will supersede any provision of this Agreement that is less favorable to Developer.

27. **Entire Agreement.** This Agreement contains the entire agreement between the parties concerning Developer's development rights within the Development Area; no promises, inducements or representations (other than those in the Franchise Disclosure Document) not contained in this Agreement have been made, nor will any be of any force or effect, or binding on the parties. Modifications of this Agreement must be in writing and signed by both parties. Franchisor reserves the right to change Franchisor's policies, procedures, standards, specifications or manuals at Franchisor's discretion. In the event of a conflict between this Agreement and any Franchise Agreement(s), the terms, conditions and intent of this Agreement will control. Nothing in this Agreement or in any related agreement, however, is intended to disclaim any of the representations Franchisor made in the Franchise Disclosure Document that Franchisor furnished to Developer.

IN WITNESS WHEREOF, AND INTENDING TO BE LEGALLY BOUND HEREBY, THE PARTIES HERETO HAVE CAUSED THIS AGREEMENT TO BE EXECUTED EFFECTIVE THE DATE FIRST SET FORTH ABOVE.

Neither we nor any person or broker identified in Item 2 of the Franchise Disclosure Document is subject to any current effective order of any national securities association or national securities exchange as defined in the Securities Exchange Act of 1934, U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

2. Item 5 is amended to reflect that:

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The California Corporations Code, Section 31125, requires that we give you a disclosure document, approved by the Department of Corporations, before we solicit a proposed material modification of an existing franchise.

If the Franchisee is required in the Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release shall exclude claims arising under the Franchise Act, and such acknowledgments shall be void with respect to claims under the Franchise Act.

d. If the Agreement requires that it be governed by the law of a State other than the State of Minnesota or arbitration or mediation, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.

e. Any provision that requires the Franchisee to consent to a claims period that differs from the applicable statute of limitations period under Minn. Stat. 80C.1, Subd. 5, may not be enforceable under Minnesota law.

2. Minn. Stat. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. 3. NSF checks and related interest and attorneys' fees are governed by Minnesota Statute § 604.113, which puts a cap of \$30 on initial service charges and requires notice and opportunity to cure prior to assessing interest and attorneys' fees.

4. The Agreement and/or Franchise Disclosure Document is hereby amended to delete all references to Liquidated Damages (as defined) in violation of Minnesota law; provided, that no such deletion shall excuse Franchisee from liability for actual or other damages and the formula for Liquidated Damages in the Agreement and/or Franchise Disclosure Document shall be admissible as evidence of actual damages.

5. To the extent required by Minnesota Law, the Agreement and/or Franchise Disclosure Document is amended to delete all references to a waiver of jury trial.

6. All sections of the Agreement and/or Franchise Disclosure Document referencing Franchisor's right to obtain injunctive relief are hereby amended to refer to Franchisor's right to seek to obtain such relief.

7. Each provision of this State Addendum shall be effective only to the extent that the jurisdictional requirements of Minnesota Law applicable to the provision are met independent of this State Addendum. This State Addendum shall have no force or effect if such jurisdictional requirements are not met.

8. Minnesota Rules 2860.4400(G) prohibits a franchisor from imposing on a franchisee by contract or rule, whether written or oral, any standard of conduct that is unreasonable.

9. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with this franchise.

FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON**

(i) In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A general release of claims, release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act, RCW 19.100, or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Franchisor has posted a surety bond with the State of Washington equal to the Initial Franchise Fee multiplied by the number of units that Franchisor projects to open this fiscal year in Washington. This financial assurance requirement was imposed by the State of Washington due to Franchisor's financial condition.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Item 17, row 1 of the Franchise Disclosure Document is hereby amended to add that consent will not be unreasonably withheld.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO
KLINE FRANCHISING, INC.
FRANCHISE AGREEMENT
FOR THE STATE OF WISCONSIN**

The Franchise Agreement between KLINE FRANCHISING, INC., a North Carolina corporation (“Franchisor”) and _____ (“Franchisee”) dated _____ (the “Agreement”) shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement (the “State Addendum”):

WISCONSIN LAW MODIFICATIONS

1. In lieu of anything that may be contained in the body of the Franchise Agreement to the contrary, the Agreement is hereby amended to add the following provision:

For all franchises sold in the State of Wisconsin, the Company will provide Franchisee at least 90 days’ prior written notice of termination, cancellation, nonrenewal or substantial change in competitive circumstances. The notice will state all the reasons for termination, cancellation, nonrenewal or substantial change in competitive circumstances and will provide that Franchisee have 60 days in which to rectify any claimed deficiency. If the deficiency is rectified within 60 days, the notice will be void. These notice requirements shall not apply if the reason for termination, cancellation or nonrenewal is insolvency, the occurrence of an assignment for the benefit of creditors or bankruptcy. If the reason for termination, cancellation, nonrenewal or substantial change in competitive circumstances is nonpayment of sums due under the franchise, Franchisee will be entitled to written notice of such default, and will have not less than 10 days in which to remedy such default from the date of delivery or posting of such notice.

2. Ch. 135, Stats., the Wisconsin Fair Dealership Law, supersedes any provisions of this Agreement or a related document between the Company and Franchisee inconsistent with the Law.

3. Each provision of this State Addendum shall be effective only to the extent that the jurisdictional requirements of Wisconsin law, with respect to each such provision are met independent of this State Addendum. This State Addendum shall have no force or effect if such jurisdictional requirements are not met.

IN WITNESS WHEREOF, the Franchisee on behalf of itself and its owners, acknowledges that it has read and understands the contents of this State Addendum, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this State Addendum and be bound thereby. The parties have duly executed and delivered this State Addendum to the Agreement on the date first set forth above.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate the conditions or events, considered in the aggregate, that raise substantial doubt about Kline Franchising, Inc.'s ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kline Franchising, Inc's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kline Franchising, Inc's ability to continue as a going concern for a reasonable period of time.

We are required to communicate to those charged with governance regarding, among other matters, the planned scope and timing of the audit findings, and certain internal control matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2023, the Company adopted FASB ASC 326, Financial Instruments - Credit Losses. Our conclusion is not modified with respect to this matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of General and Administrative Expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. KLINE FRANCHISING, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023, 2022, and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Business Activities – Kline Franchising, Inc., “The Company”, was formed for the purpose of selling and operating franchises under the brand name Burn Boot Camp. The Company authorizes franchisees and third-party licensees to use business formats, systems, methods, procedures, designs, layouts, specifications, trade names, and trademarks in the United States.

The Company doesn’t operate any Burn Boot Camp locations.

As of December 31, 2023, there were 335 open and operating franchise locations and nine (9) locations owned by stockholders of the Company, along with 64 additional franchise locations in various stages of development.

As of December 31, 2022, there were 316 open and operating franchise locations and nine (9) locations owned by stockholders of the Company, along with 68 additional franchise locations in various stages of development.

As of December 31, 2021, there were 293 open and operating franchise locations and six (6) locations owned by stockholders of the Company, along with 144 additional franchise locations in various stages of development.

The economic climate throughout the United States will have an impact on the nature, timing, and amount of future revenues and cash flows.

Revenue Recognition:

The Company recognizes revenue from the sale of franchise agreements. This initial franchise fee is due at signing and is earned based on the recognition of specific performance obligations. The Company also generates revenue from royalties, system advertising fees, technology fees, and commissions. From time to the time, the Company can charge various other fees as outlined in the Franchise Disclosure Document.

Franchise fees – The Company recognizes franchise fees as two (2) performance obligations - pre-opening services and a franchise license. The Company has elected to account for pre-opening services as distinct from the franchise license. The pre-opening service performance obligation is recognized at a point in time, when the location commences operations, as that is the time those services are completed. The Company has made an accounting policy election to account for pre-opening services as a single performance obligation. The franchise license is earned over time, using the straight-line method, as performance obligations are satisfied due to the continuous transfer of control to the franchisee.

The term of each franchise agreement is five (5) years commencing on the date of the execution and acceptance of the franchise agreement. The franchisee shall have the option to renew its

franchise agreement for up to two (2) additional terms of five (5) years each, provided the Company is still offering franchises at that time and the franchisee meets the conditions defined in the franchise agreement.

Technology fees – The franchise agreements contain technology fees. These fees are based on the agreed upon fee in the franchise agreement and are recorded as revenue and recognized as these services are delivered because the monthly payment relates specifically to the access of the technology services provided by the franchisor.

Commissions – The Company has an agreement with a related party, along with agreements with third-party vendors, who provide products to franchisees. The Company earns a commission based upon the amount of purchases by its franchisees. These fees are recognized as those sales occur.

Other fees and income – Other fees and income include various fees the Company can charge per its Franchise Disclosure Document.

System advertising fee – The Company administers advertising funds (“System Advertising Fund Fees”) collected from franchisees and manage the franchise advertising and marketing program on behalf of the franchisees. These fees are calculated based upon franchisee gross revenue and collected at the same time as the royalty fee. The funds are being maintained in a separate bank account.

Variable consideration: royalties and system advertising fund fees – The franchise agreements contain variable considerations in the form of royalties and system advertising fund fees. These fees are based on franchise monthly sales. The Company recognizes revenue as the franchisee delivers the services to its customers because the variable payment relates specifically to the performance obligation of using the license.

Deferred contract costs – The Company incurs costs such as commissions when selling franchises. These costs are recognized on the balance sheets upon paying them and are recognized as general and administrative expenses over the life of the franchise agreement. The deferred contract costs as of December 31, 2023, 2022, and 2021 were \$637,562, \$576,313, and \$579,765, respectively.

Deferred contract costs: franchise revenue – This deferred revenue consists of the remaining initial franchise fees to be amortized over the life of the franchise agreement, as well as the remaining pre-opening service fees that will be recognized at a point in time once the locations are open and operating. Contract liabilities are a result of the collection of the initial franchise fee at the time of the signing of the franchise agreement and will fluctuate each year based on the number of franchise agreements signed and locations that are opened. Deferred franchise revenue as of December 31, 2023, 2022, and 2021 \$3,885,316, \$3,372,041, and \$4,039,189, respectively.

Cash and Cash Equivalents – The Company considers all highly liquid instruments with a maturity of three months or less from the date of purchase to be cash equivalents.

Accounts Receivable and Credit Risks – Accounts receivable are unsecured customer obligations due under normal trade terms requiring payment within 30 to 90 days from the invoice date and amounts are considered delinquent based on contractual terms. The Company performs on-going credit evaluations of its customers and generally does not require collateral on accounts receivable. Senior management reviews accounts receivable at the time the invoice is generated to determine

if any receivable amounts will have an expected loss. Any receivable considered to have a loss is included in the allowance for credit losses at that time. After all attempts to collect a receivable have failed, the receivable is written off against the allowance. Receivables unpaid after the agreed upon terms are considered delinquent. The Company does not charge interest on delinquent receivables. For the year ended December 31, 2023, 2022, and 2021, an allowance for credit losses was not considered necessary.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment – Property and equipment is recorded on the basis of cost and is depreciated using the straight-line method over estimated useful lives of the assets. Expenditures for repairs and maintenance costs are charged to expense as incurred. Upon asset disposition, the costs and related accumulated depreciation amounts are relieved, and any resulting gain or loss is reflected in operations during the period of disposition.

The estimated useful lives are as follows:

	<u>Years</u>
Furniture and fixtures	3-5
Leasehold improvements	Shorter of useful live or lease term
Software	3
Studio equipment	3-7

Software costs – Software costs are included as part of property and equipment, net and represent the cost to develop the Company’s website. Only those costs incurred during the development stage were capitalized in accordance with the Financial Accounting Standards Board (“FASB”) Accounts Standards Codification (“ASC”) 350-50, *Website Development Costs*. Costs are amortized on the straight-line basis over three (3) years. Amortization expenses were \$2,083, \$9,540, and \$10,568 for the years ended December 31, 2023, 2022, and 2021, respectively.

The amortization expense is \$2,083 for the year ending December 31, 2023, at which time the software costs were fully amortized.

Accumulated amortization as of December 31, 2023, 2022, and 2021 was \$36,171, \$34,087, and \$24,637 respectively.

Internally Developed Software – The Company’s internally developed software capitalization policy provides for the capitalization of external direct costs of materials and services associated with developing or obtaining applications (“App”) to be sold via a subscription to third parties. In addition, the Company also capitalizes certain payroll and payroll related costs for contract employees who are directly associated with the App. These software costs are amortized on the straight-line basis over a three-year period.

Income Taxes – The Company, with the consent of the stockholders, have elected under the Internal Revenue Code to be an S corporation. In lieu of corporation income taxes, the stockholders of an S corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements, with the exception of the elective pass-through entity tax for the years ended December 31, 2023 and 2022. This tax is calculated using individual income tax rates for states the Company has revenue in which is allowed to be recorded as income tax expense and paid by the Company. For the years ended December 31, 2023 and 2022, the Company elected this tax and has calculated an income tax provision which is included in these financial statements.

The Company does not believe that there are any material uncertain tax positions and accordingly, it will not recognize any liability for unrecognized tax benefits. For the years ended December 31, 2023, 2022, or 2021, there were no interest or penalties recorded or included in the Company's financial statements. The Company, which files income tax returns in the U. S. federal jurisdiction and various states, is no longer subject to U.S. federal and state income tax examination by tax authorities for years before 2018.

Advertising Expenses – Costs associated with advertising are charged to expense as incurred. Advertising expenses for the years ended December 31, 2023, 2022, and 2021 were \$2,793,033, \$2,797,153, and \$2,003,324, respectively.

Payroll Protection Program Loan – In 2020, the Company recognized proceeds received from the Payroll Protection Program (“PPP”) as an operational note payable until the Company determined that they were reasonably certain they met the criteria for loan forgiveness. Once the date of forgiveness had been determined, which was in July 2021, the Company recognized the dollar amount forgiven as other income in the accompanying statements of operations.

Leasing Activities – The Company leases certain office spaces. The Company assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. The Company is accounting for operating leases through the recognition of an operating right-of-use (ROU) asset and an operating lease liability on the balance sheet, provided the leases meet the definition of an operating lease. As of December 31, 2023, 2022, and 2021, the company’s office space leases did not meet the definition of an operating lease. The Company has elected to separate non lease components from lease components when determining the ROU asset and operating lease liability. Leases with an initial term of 12 months or less are not recorded on the balance sheet. Lease expense is recognized for these leases on a straight-line basis over the lease term.

2. RECENTLY ADOPTED ACCOUNTING GUIDANCE:

Allowance for Credit Losses - In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren’t measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity’s exposure to credit risk and the measurement of credit losses. Financial assets held by the company that are subject to the guidance in FASB ASC 326 were trade accounts receivable.

The Company adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in enhanced disclosures only.

3. ACCOUNTS RECEIVABLE:

Accounts receivable consist of the following at December 31:

	<u>2023</u>	<u>2022</u>	<u>2021</u>
Franchise royalties, brand fees, and technology fees	\$1,370,958	\$1,084,910	\$822,222

4. NOTES RECEIVABLE – AFFILIATES:

In April 2021, the Company converted \$589,819 due from an affiliate under common ownership with the Company into a note receivable. The note was payable in 32 consecutive monthly installments of principal and interest in the amount of \$11,131, payable on the 30th day of each month, beginning on May 31, 2021 and ending on December 30, 2023. The note was payable in 32 consecutive monthly installments of principal and interest in the amount of \$5,632, payable on the 30th day of each month, beginning on May 31, 2021 and ending on December 30, 2023. A balloon payment of \$148,555 was also due on December 30, 2023. Interest was accrued on the unpaid balance of the principal from April 30, 2021 until the maturity of this note at a rate of 5.0% per annum. The note receivable was repaid in full in 2023.

There were no outstanding balances on these notes at December 31, 2023. As of December 31, 2022, and 2021, the outstanding balances on these notes totaled \$616,430, and \$782,236, respectively. Interest income amounted to \$17,323, \$35,346, and \$29,609 for the years ended December 31, 2023, 2022, and 2021, respectively.

5. PROPERTY AND EQUIPMENT:

6. INTERNALLY DEVELOPED SOFTWARE:

Certain capitalizable costs associated with the internal development of software consist of internal payroll costs associated with such projects. Costs associated with preliminary project activities, training, maintenance, and all other post-implementation activities are expensed as incurred. The Company also expenses internal costs related to minor upgrades and enhancements, as it is impractical to separate these costs from normal maintenance activities. As of December 31, 2023 and 2022, the Company had capitalized approximately \$1,198,075 and \$272,223 of total costs, respectively.
