How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Exhibit C.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit B includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only VISITING ANGELS Business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a VISITING ANGELS franchisee?	Exhibits C lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Pennsylvania. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Pennsylvania than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty and other payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ADDITIONAL DISCLOSURES FOR THE STATE OF MICHIGAN.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than five years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENFORCEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are un-audited, and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1: The Franchisor, Predecessors and Affiliates

To simplify the language in this Franchise Disclosure Document, "we" "us", or "our" means the Franchisor, LIVING ASSISTANCE SERVICES, INC. (LAS), trading as "VISITING ANGELS, Living Assistance Services, or VISITING ANGELS. In some instances, "you" or "your" means you as the person, partnership or corporation (and its owners) who is looking into the possibility of buying our franchise and may make application to us to buy a franchise. In most other instances in this document, "you" or "your" means you as the person, partnership or corporation who has become an actual franchisee after having purchased our franchise. The license which we may provide to you to own and operate a business of the type described in this franchise disclosure document is called the "Franchise". The business which you would own under the Franchise which we may provide to you is called the "Franchised Business".

We are LIVING ASSISTANCE SERVICES, INC. (LAS). We are a corporation of the State of Delaware. We were incorporated September 25, 1998. We do business under the name "VISITING ANGELS, Living Assistance Services" or "VISITING ANGELS". We do not do business under any other name. Our principal place of business is: 937 Haverford Road, Suite 200, Bryn Mawr, PA 19010. We have no parents who at any time owned the major portion of our corporation or its assets. We have no predecessors who at any time owned the major portion of our corporation or its assets. We have no persons or companies affiliated with us (affiliates) who offer franchises in any line of business or who provide products or services to our franchisees. The name and address of an agent for service of process is the same as our corporate address for all Pennsylvania residents. The address of an agent who may receive service of process for our company may differ from our corporate address depending upon your state of residence (see Item 23 of this document).

We (the Franchisor corporation) do not operate a business similar to the type being offered to you. However, one of our founding directors currently owns and operates a business of the type being offered to you (non-medical, private duty, private pay agency services). Other Directors of our corporation have owned or operated similar businesses beginning in 1980, 1990, 1995, 1998, and 2000. One director has operated a franchise consulting business since 1987. Five directors are registered nurses. Four have owned or operated private duty home care agencies.

We developed our franchise program prior to the date we incorporated. We have not offered franchises in any other business of any type. We do not engage in any other type of business. One of our directors/stockholders currently owns and operates a business similar to the type offered to you; however, this business is not owned by our corporation. We began offering franchises in non-registration states in September of 1998.

You will operate a franchised non-medical ("private duty") home care giving business for homebound adult clients under the name VISITING ANGELS, Living Assistance Services. We require that you rent or purchase a commercial location. You may lease a shared executive office service. Your Franchised Business must be located in an actual street business address (PO Boxes and UPS store or "shipping store" locations not accepted by us) to be centrally located in your Protected Territory. If your business office address has not been inserted into this Agreement upon signing of this Agreement, you may not establish your Franchised Business location without our written approval. Once established, you may not relocate the Franchised Business address without our written approval.

We will grant you a Protected Territory (see Item 12) which will be established based upon mutual agreement between you and us and the boundaries of which will be inserted into the Franchise Agreement. Your Franchised Business must be located within the Protected Territory assigned to you. You will need no employees to conduct business, except for the caregiver staff which will vary based on the number of clients to whom you are providing services at any specific time.

The market for our service is well established and continuing to grow. You will sell your products and services to clients who hear about your Franchised Business as result of direct marketing by you to sources of referrals in your region who we will make known to you in your initial training class. You will sell your services to adult clients and/or their families. In most states, the business does not vary as to seasons. The laws which apply to our business, which you will need to become aware of, are laws concerning legal definitions of personal care or “hands on” care in each region, workers' compensation, and possible licensing and/or certifications required by your state to provide specific services, payroll and minimum wage and overtime pay requirements (Wage and Hour), etc. Your competitors will include certain home health agencies and other home care giving or companion care businesses.

All VISITING ANGELS, Living Assistance Services franchises are assigned by invitation from our company. We reserve the right to be selective in assigning franchises. If we present this document to you for your review, this does not mean that we are offering you a franchise at this time or at any time in the future. When you sign the Franchise Agreement, we do not approve it until we provide you with a copy signed by us. If we do not sign the Franchise Agreement, this will mean that we have not approved it and we will return your check which you gave us for the Initial Franchise Fee within five business days from the date that we received it from you along with the original Franchise Agreement which you signed. We do not accept individuals as franchisees simply because an application was submitted to us. The nature of our business is such that only those individuals who have a true concern and caring interest in elderly people and in their well being have the potential to be successful. Individuals who are simply "bottom line" oriented and who are interested in this opportunity for no other reason than the amount of money which potentially may be earned are virtually guaranteed to be unsuccessful. We are also concerned to see to it that a variety of factors in your present life situation are consistent with the factors we know to be necessary to start and grow a successful business in the home care giving industry. We make our decision to invite you to become a "Visiting Angels" franchisee based on these factors. We do require you to attend a Visiting Angels Open House prior to being assigned the franchise. A primary interest of ours will be to determine that you have the financial resources to support yourself and your family for a minimum of one year as the new Franchised Business is in its developing stages. Most of the home caregiver agencies that we are familiar with required 2-4 years to reach maturity.

Note for California Residents only:

Pursuant to the Home Care Services Consumer Protection Act of 2013 (the “Act”), you must conform to the Licensure and Certificate requirements of the Home Care Services Bureau (“HCSB”) effective January 1, 2016. The Act will apply to California agencies that provide home care services to consumers. Home care services as related to this Act include nonmedical services and assistance provided by a registered home care aide to a client who, perhaps because of advanced age or physical or mental disability, cannot perform these services. These services

enable the client to remain in his or her residence and include, but are not limited to, assistance with the following: bathing, dressing, shopping, eating, exercising and personal hygiene and grooming. Item 3: Litigation

The franchisor is/was party to the following material civil actions in the 10-year period immediately before the disclosure document issuance date:

Living Assistance Services, Inc. vs. Brenda J. Myers and Caregivers of Ohio, LLC, in E.D. Pa. Civil Action No. 2:21-cv-03121, filed on July 14, 2021, by Franchisor against a former franchisee for breach of contract, misappropriation of trade secrets and unfair competition. Franchisee's franchise agreement was terminated for cause, due to failure to pay fees owed to Franchisor. Franchisor instituted the above referenced claim after franchisee refused to cease operating its business in accordance with the termination notice. On March 14, 2022, Franchisor filed a motion for entry of default due to Caregivers of Ohio, LLC's failure to obtain counsel within the required time. On April 15, 2022, the court granted the request for entry of default. Court-ordered mediation is currently scheduled.

Alabama In-Home Assistance, LLC, et al. vs. Living Assistance Services, Inc., in E.D. Pa. Civil Action No. 2:21-cv-04935-JDW, filed on November 9, 2021, seeking preliminary injunction related to indemnification obligations arising out of a lawsuit filed against Alabama In-Home Assistance, LLC and Living Assistance Services, Inc. The matter settled on March 11, 2022, whereby Defendants agreed to pay Visiting Angels the sum of \$400,000 and the parties agreed to a mutual release. On March 16, 2022, the case was dismissed with prejudice.

Living Assistance Services, Inc. vs Andrew Francis Block, in E.D. Pa. Civil Action 2:23-cv-01103 filed on March 21, 2023, by Franchisor against a former franchisee for breach of contract, trademark and trade dress infringement, and unfair competition. Franchisee's franchise agreement was terminated for cause, due to failure to pay fees owed to Franchisor and for complaints received by customers about Mr. Block. Franchisor instituted the above referenced claim after franchisee refused to cease operating its business in accordance with the termination notice. This case is still pending.

Other than this action, no litigation is required to be disclosed in this item.

Item 4: Bankruptcy

Provisions on Minimum Coop Advertising Fees for Additional Protected Territory:

In the event that you purchase or acquire additional Protected Territory (in addition to the standard size territory) as part of the Franchise Agreement in the future, you would be required to pay additional Cooperative Advertising Fees including Minimum Monthly Fees. In the event that you purchase or acquire additional Protected Territory as a part of the Franchise Agreement in the amount of 25% or more of the standard size Protected Territory assigned to Visiting Angels Franchises (standard size 200,000 population), or if the population of your Protected Territory increases in size in the amount of 25% or greater than the standard size Protected Territory

(200,000 population) based on growth in population, the Minimum Cooperative Advertising Fees which you pay will increase proportionately (as part of the Franchise Agreement) with the size of the additional Protected Territory (above the baseline of 200,000 population or 325,000 population, if the population of your Protected Territory is greater than 325,000, pursuant to paragraph 8.1 of the Franchise Agreement), both in the amount of the initial Cooperative Advertising Fee payment and with respect to all increases that are scheduled in the Term of the Franchise Agreement.

Electronic Payment of Service Fees:

We will withdraw funds from your bank account each month on a date we determine via Electronic Funds Transfer (EFT) or Automatic Clearing House (ACH) for the payment of Monthly Gross Service Fees, Cooperative Advertising Fees and any interest that may have accrued, if applicable. You will execute any and all documents required by your bank and our bank to allow for the transfer of funds. Failure by you to execute any required documents, closing or moving bank accounts without sixty (60) days' notice to us or failing to maintain sufficient funds to complete transactions will place your franchise in default of this Agreement. Fund transfers will coincide or be preceded by the submission of the appropriate monthly Service Fee (Gross Service Fee & Co-op Ad Fee) calculation form/worksheet or via electronic calculation through direct interface of a Fee collection platform with your accounting software, determined by us. You will allow this access to your software and interface of our system and Franchisee's accounting software. Failure to allow electronic interface and access to us constitutes an "Event of Default" and may, at our discretion, place your franchise in default.

Advertising Cooperative (Regional) Established by Franchisees:

At this time, there are Regional Advertising Cooperatives established by franchisees to which you must make contributions in the event that you wish to advertise in media that circulates beyond your protected territory. In the event that most of our franchisees in our total Franchise System or a majority of franchisees in a region elect to establish an advertising cooperative approved by us, you must pay the assessed contribution.

Renewal Fee:

There is a fee of \$10,000 which you pay us in order to renew the Franchise after the term of the Franchise expires.

Transfer/Retraining Fee:

There is a Minimum Transfer Fee payable to us in advance of the transfer/resale of the Franchise to a 3rd party. The Minimum Transfer Fee to be paid by you to us will be \$9,500 if you sell your business for up to \$100,000 (and/or if the franchise is repurchased from you by us at any price approved by you). The Minimum Transfer Fee to be paid by you to us will be \$12,500 if you sell your business for more than \$100,000 and up to \$250,000. The Minimum Transfer Fee to be paid by you to us will be \$15,000 if you sell your business for more than \$250,000 and up to \$500,000 (and/or if the franchise is repurchased from you by us at any price approved by you). The Minimum Transfer Fee to be paid by you to us will be \$19,950 if you sell your business for an amount greater than \$500,000 and less than \$800,000. The Minimum Transfer Fee to be paid by you to us will be

\$25,000 or 2.5% of the purchase price of your business (whichever is greater) in the event that you sell your business for \$800,000 or more.

If less than 100% of the stock and/or ownership of the business entity that owns the Franchised Business is sold/transferred, the Transfer Fee to be paid to us will be proportionate to the percentage of the stock and/or ownership of the business entity that is transferred. For example, if 50% of the stock is transferred, **50% of the amount of the Transfer Fee set forth herein would be payable by you to us at the time of the stock transfer.**

Upon your request, we will assist you to negotiate the sale with your buyer.

Responsibility to Pay Costs of Lawsuits, Judgments or Other Expenses:

You must pay any costs which we may incur such as attorney's fees, costs of a judgment(s) and costs of a lawsuit which is filed against you and/or us as a result of your activities, if we are held responsible for your debts or unpaid taxes. You must also pay any costs which we may incur and hold us harmless for and from all fines, suits, proceedings, claims, or demands which arise as a result of your operation of your Franchised Business (except for claims arising out of infringement by the Marks or by copyright material supplied by Franchisor of preexisting intellectual property rights of third parties). If either party institutes legal action to enforce the terms of the Franchise Agreement, the prevailing party shall be entitled to recover its reasonable expenses, including attorney's fees and costs from the other, and other expenses reasonably and necessarily incurred.

Additional Training Fees:

We will train a total of 2 persons from your Franchise (including yourself) in our initial training class. If you need to have additional persons attend initial training or to receive additional training after the initial training, you must pay additional training fees to us for each additional person to be trained (this amount may increase in the future upon notice from us). The additional training fee must be paid in advance of receiving the additional training.

No Fee Increases:

None of the fees listed here may increase during the term of the Franchise.

No Additional Fees:

None of the following categories of potential costs involve any fees to be paid to us: advertising or group advertising, additional assistance and accounting or payroll services; any costs which you may incur in these categories will be paid to third parties whom you select.

- Payments may or may not be non-refundable, according to the policies of the vendors that you select. All payments made to us are non-refundable. We do not provide financing for any of the above.

Note: All amounts other than Initial Franchise Fee are approximate and represent best estimates of beginning expenditures. The estimates will vary depending upon location of the business, payroll costs custom and usage in the area and other factors over which we have no control. These are our best estimates at the time of preparation of this document. We caution you to investigate independently the expenses not paid directly to us and which may be incurred.

Note: You should also have adequate funds available to pay for living expenses in addition to adequate operating capital. The amount necessary shall vary according to your personal needs, mode and source of living.

Note: Items 6 and 7. This estimates your initial start-up expenses during the first six months of operation of the Franchised Business. These expenses include payroll costs and working capital. The above examples do not include any funds that would be necessary for your personal living expenses during the startup phase of the business. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting the business. Your costs will depend on factors such as: the state in which you will be operating, how closely you follow our methods and procedures; your management skill; experience and business acumen; local economic conditions; the local market for our product or service; the prevailing wage rate; competition; and the level of sales reached during the start-up phase of the business.

The amounts inserted for “additional funds” are based on spending approximately \$1,000.00 per month on advertising for the first 3 months in business and to have sufficient funds for payroll to pay caregivers to work on up to 10 full-time cases (40 hours per week at \$12.50 to \$15.00 per

hour) for 2 weeks prior to being paid revenues from clients. Living Assistance Services, Inc. relied on 25 years of franchise start-up experience to estimate and formulate the additional funds.

Note: You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

Note: We do not directly or indirectly offer financing to franchisees for any items.

Operations Software:

You must purchase from a commercial vendor the software (QuickBooks Online) which we use in our franchise system or software which will perform similar functions. You will purchase Operations Software which is specialized for use in the home care business.

Computer Hardware:

You must purchase a computer hardware system compatible with the software system.

Insurance:

You must purchase and maintain Comprehensive General or Professional liability (liability coverage for events which may occur in the clients residences), including public liability, personal injury insurance in a minimum amount of one million dollars (\$1,000,000.00) with an annual aggregate limit of liability of two million dollars (\$2,000,000.00). You also agree that you will name Living Assistance Services, Inc. as an additional insured on all insurance policies that you purchase and that you will provide Living Assistance Services, Inc., at the address identified in the Franchise Agreement, with Certificate of Insurance confirming that this obligation has been met. You must also obtain employer's liability, workers' compensation and such other insurance as may be required by statute or rule of the State or locality in which the Franchised Business is located and operated. A typical initial deposit for workers' compensation insurance for the first year in business is \$9,500.00. You agree to provide us with copies of all notices of cancellation, changes, amendments to coverage and other modifications, immediately as soon as you receive such notices. You must carry insurance as may be required by the lease of your location. You will also be required to obtain and maintain a fidelity bond (or crime/theft insurance) for your franchised agency.

Many liability insurance policies offered by insurance companies for our industry and for hospices, nursing agencies and similar businesses (including those policies that will be referred to you and other franchisees by us) exclude coverage for events such as "willful abuse", "sexual abuse", and/or "molestation" (other client injury and liability claims are covered) and may not pay claims and/or pay for a defense for your business in case of such events. You are required to purchase liability coverage for potential events of abuse (abuse rider to your insurance policy) in the amount specified in the Brand Standards & Training Manual.

An agent and underwriter that represents one of the insurance programs that we refer to franchisees (professional liability) represents that abuse and molestation is covered in their policy, if the following screenings are conducted on each caregiver:

1. Social security number validation and search
2. Home telephone verification
3. Residency information
4. Present employment and three previous employers' verification
5. Education and professional licensing verification
6. Driver's license information (MVR)
7. County, state (if possible) and federal criminal search
8. Drug screening
9. Public records information
10. Credit search

It may be prudent for you to compare business liability policies offered by casualty insurance agents in your home state in addition to those referred to you by us.

If you fail to obtain and maintain insurance coverage which meet or exceed our standards, you will have breached the Franchise Agreement which may terminate your Franchise. Any termination shall be at our sole discretion. You must provide us with copies of all notices of cancellations, changes, amendments to coverage and other modifications immediately upon your receipt of notices.

We provide names of insurance companies that sell liability and/or workers' compensation insurance for your Franchised Business. The policies provided by these companies may exclude coverage for willful physical abuse and/or sexual molestation of clients/customers unless an "abuse rider" is purchased.

No Other Costs:

There are no other purchases necessary for you to begin operations.

Books and Accounts:

You must establish and maintain books, accounts, records, order receipts, etc., which we require and to keep and maintain accurate records of purchases, gross sales in a manner designated by us. To promote the standardization and uniformity of all of our franchised units, you must open your books, accounts, records, etc., for inspection and audit by us at all reasonable times.

a) Electronic Payment of Service Fees: You will agree that we will withdraw funds from your bank account each month on a date we determine via Electronic Funds Transfer (EFT) or Automatic Clearing House (ACH) for the payment of Monthly Gross Service Fees, Cooperative Advertising Fees and any interest that may have accrued, if applicable. You will agree to execute any and all documents required by your bank and our bank to allow for the transfer of funds. Failure by you to execute any required documents, closing or moving bank accounts without sixty (60) days' notice to us or failing to maintain sufficient funds to complete transactions will place your franchise in default of this Agreement. You agree that fund transfers will coincide or be preceded by the submission of the appropriate monthly Service Fee (Gross Service Fee & Co-op Ad Fee) calculation form/worksheet or via electronic calculation through direct interface of a Fee collection platform with your accounting software, determined by us. You agree to allow this

access to your software and interface of our system and your accounting software. Failure to allow electronic interface and access to us constitutes an “Event of Default” and may, at our discretion, place your franchise in default.

Telephone Service:

You must provide adequate telephone service for use in the Franchised Business. No other business shall be conducted utilizing the telephone number assigned to or used in your Franchised Business. Telephone Answering & Service: We recommend that your business telephone is answered by a live person (employee staff member) during working hours (8:00AM to 9:00PM; 7 days per week) and to respond by telephone to all inquiries for client services within one hour after the initial contact by a potential or current client. We also recommend that you provide “on call” staff to respond to all calls/messages after the hours set forth in this paragraph.

Employee Applicant Screening:

You are required to conduct a criminal background screening of each caregiver employment applicant prior to assigning them to provide services for any of your clients, in accordance with our policies indicated in the Operations Training Manual.

Payment of Debts:

You must pay all current obligations and liabilities to suppliers, lessors and creditors on a timely basis. You must agree to make prompt payment of all federal, state and local taxes, including individual and corporate taxes, sales and use taxes, franchise taxes, gross receipts taxes, employee withholding taxes, FICA taxes, personal property and real estate taxes, and unemployment disability contributions associated with the Franchised Business. You must pay all obligations to employees including wages, overtime pay and minimum wage (if applicable). We will accept no liability for these taxes.

The Franchise Agreement prohibits you from withholding any payments whatsoever which may be due to us as long as we have performed our obligations under the Franchise Agreement.

Covenant of Non-disclosure:

In the course of your association with us, you will obtain knowledge of valuable information, trade secrets, marketing methods, business affairs, and methods of doing business which we have developed. The Franchise Agreement will require all information which we transfer to you to be considered strictly confidential and that you will not, directly or indirectly, both during the term of the Franchise Agreement and after the termination, expiration, assignment or transfer of your rights under the Franchise Agreement for any reason, make available to any person, firm, corporation or association confidential information as addressed in this paragraph without our specific written consent. This covenant of non-disclosure extends only to that information and those methods of doing business which are not previously known by independent third parties in particular to the following categories of information: marketing and methods of providing the franchised services.

Local Advertising Budget:

You are required to advertise your business in your local market/protected territory/metro area. A typical budget to advertise in the early months of the business is at least \$1,000 per month in the first year of business.

Paid Digital Media Purchases (Pay Per Click, SEO and Internet Ads):

You will agree to purchase paid digital media (Internet Media) [i.e. “Pay Per Click” (PPC) advertising or other paid digital media] from a Franchisor approved internet consulting company and/or internet advertising from sources such as Facebook, Google, YouTube (collectively, “Internet Media”) to promote your website that is a subsite of visitingangels.com within your Protected Territory in a minimum monthly budget (Monthly Internet Budget) as follows (to be paid to Google, Facebook and/or other Internet Media): \$600 per month for a Protected Territory of 200,000 population and \$150 per month for each additional 50,000 population. As an alternative, you may spend all or part of the Monthly Internet Budget each month on search engine optimization services (SEO) for your website that is a subsite of visitingangels.com, to be paid to a Franchisor approved consulting company (SEO Provider) that offers SEO services. At this time, the Monthly Internet Budget is not required to exceed \$1,200 per month, regardless of the total population of your Protected Territory.

You may select a Franchisor approved vendor/consulting company that will administrate the selection of “keywords” (including geographic areas) and purchase the advertising from Internet Media on your behalf (the vendor may charge a fee in addition to the Monthly Internet Budget set forth above). The Internet Media ads must be limited to the zip codes of your Protected Territory, to the extent that this is possible. We may direct you to reasonably increase the amount of this Monthly Internet Budget at some time in the future, as costs associated with PPC, SEO and/or internet advertising may increase. Adjustments in requirements may be found in our Brand Standards & Training Manual as updated from time to time. You may purchase other internet advertising at your option. The website that you advertise should be controlled by us and assigned to you (i.e. your website as a domain of www.visitingangels.com). If you advertise on the websites of commercial entities owned/controlled by others and the advertising penetrates beyond the borders of your Protected Territory, we have the authority to require you to advertise cooperatively with other franchises located within your Metro Area as defined in the Franchise Agreement.

The fulfillment of the Monthly Internet Budget described in this Paragraph will satisfy the directives set forth in Paragraph 9.5a of the Franchise Agreement, if the Monthly Internet Budget for Internet Media purchases is \$1,200/month or more.

Pursuit to Paragraph 9.8c of the Franchise Agreement, we may conduct periodic reviews of the Monthly Internet Budget of our franchisees.

Purchases of Internet Media advertising must begin within 60 days after the opening of the Franchised Business. You are required to submit an annual report to us of your internet advertising and/or SEO expenditures.

Compliance with State and Federal Laws:

It is your responsibility to comply with State and Federal laws concerning our business (to include the possibility that your State may require you to be licensed to offer services described in our training). There are currently 31 states and the District of Columbia that require non-medical home care agencies to be licensed. In addition, the number is growing (similar legislation is pending in a number of states). If there is no license requirement in your state at present, you should assume that there will be soon. You should ask the appropriate department in your state what the licensing requirements are. In some instances, licenses may include requirements that may be difficult to fulfill. For example, the State of Virginia requires your business to include an “administrator” who must have at least one year of administrative experience in health care services or be a healthcare professional. The following is a list of States which have licenses which you may be required to obtain: CA, CO, CT, DE, FL, GA, HI, IL, IN, KA, KY, LA, MD, ME, MN, NC, NH, NJ, NV, NY, OH, OK, OR, PA, RI, SC, TN, TX, UT, VA, WA and Washington, D.C. You must follow State and Federal law regarding employment practices, payroll (including overtime pay for caregivers and office staff) and tax issues; and we may not be held responsible in the event of any failure by you to observe such laws.

Management Requirements:

You will agree to devote your best efforts in directing the day-to-day operations and development of the Franchised Business. At least one owner/stockholder of your franchise/corporation (**owning at least 25% of the stock in the corporation and receiving compensation at least equal to any/all owners who work in the Franchise less than full-time**) must attend our initial training class (within 6 months after the date of the Franchise Agreement) and be available to manage the franchised business on a full-time basis **during the first 4 years of operations** (or 2 owner/stockholders will be available who will combine their schedules to the equivalent of one, full time manager). After the initial four years, if you elect to delegate the day-to-day operation of your Franchised Business to a manager (in the event that you will not be present at the franchised business location at least 3 full days per week), it will be at our discretion whether to approve the delegation of your business operations to a manager (you will need our approval in advance and in writing). In addition, the manager must successfully complete our training program, the cost of which must be paid by you (at our option we may waive the requirement that the manager attends training based on previous experience).

Performance Standard for Initial Term “Start Up” Franchises:

To maintain the grant of Franchise in the Franchise Agreement, you must attain and maintain minimum monthly Gross Revenues from the operation of your Franchised Business (the "Performance Standard"). You must attain and maintain the Performance Standard from the date you commence operating your Franchised Business pursuant to your initial Franchise Agreement. You must attain and maintain a minimum of \$30,000 in monthly Gross Revenues by the end of the third year of operation of your Franchised Business (or three years from the date you obtain your license to commence operating your Franchised Business in your State). You must attain and maintain a minimum of \$50,000 in monthly Gross Revenues by the end of the fifth year of operation of your Franchised Business (or five years from the date you obtain your license to commence operating your Franchised Business in your State) and you must attain and maintain

\$70,000 in monthly Gross Revenues by the end of the seventh year (or seven years from the date you obtain your license to commence operating your Franchised Business in your State) and each year thereafter for the term of the initial Franchise Agreement. The Performance Standard may be increased by us, in our discretion, in any renewal Franchise Agreement.

As long as the minimum Gross Revenues are maintained and you are in compliance with the provisions of your Franchise Agreement, you may keep the Franchise. If you do not maintain this minimum level of Gross Revenues or do not comply with the other provisions of your Franchise Agreement, we may, at our option terminate your Franchise.

Performance Standard for Franchises in initial Renewal Term:

[If you are purchasing an existing Visiting Angels franchise that is in its second franchise term (renewal), the Performance Standard will correspond to that which is set forth in our current Renewal Franchise Agreement.]

Post Renewal Performance Standard:

To maintain the grant of Franchise in the Franchise Agreement, you must attain and maintain minimum monthly Gross Revenues from the operation of your Franchised Business (the "Performance Standard"). You must attain and maintain the Performance Standard as follows: You must attain and maintain a minimum of \$35,000 in monthly Gross Revenues by the end of the first year (twelve months) after the date of the (Renewal) Franchise Agreement. You must attain and maintain a minimum of \$50,000 in monthly Gross Revenues by the end of the third year after the date of the (Renewal) Franchise Agreement. You must attain and maintain a minimum of \$70,000 in monthly Gross Revenues by the end of the fifth year after the date of the (Renewal) Franchise Agreement and you must attain and maintain \$90,000 in monthly Gross Revenues by the end of the seventh year after the date of the (Renewal) Franchise Agreement and each year thereafter for the term of the Renewal Franchise Agreement. The Performance Standard may be increased by us, in our discretion, in any renewal Franchise Agreement.

Client & Employee Satisfaction Management Survey Systems:

You are required to implement a client and employee satisfaction management survey system, by purchasing such services from a third party provider that specializes in such systems (an example is "Home Care Pulse"). The cost to purchase the services described in this paragraph will be paid entirely by you. You agree to disclose the survey results to us upon our request. You agree to comply with any updates and/or revisions to this requirement that we may make in the Operations Manual.

Best Practices Consultants Visits (Regional Operations Directors):

You are required to provide access to our Best Practices Consultants to visit your Franchised location to review your operations systems at least once per year (at our discretion), upon reasonable notice to you.

Your Independent Status:

No agency, employment or partnership is created between us and any franchisee.

Item 10: Financing

We are not obligated to directly or indirectly provide financing to you. We may assist you in obtaining financing upon your request. Assistance is limited to documenting any information or materials which you will need to provide to a potential lender for the purpose of obtaining financing. We receive no monetary consideration for providing assistance. If you indicate on the Franchise Application that the full amount of the investment is not readily available to you, it is your sole responsibility to secure any financing necessary from third-party lending sources in order to satisfy capital requirements of opening a franchised "VISITING ANGELS, Living Assistance Services" home care business.

Item 11: Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, Living Assistance Service/Visiting Angels is not required to provide you with any assistance.

In return for payment of the Initial Franchise Fee, and the monthly Service Fee, and so long as you have not defaulted on the Franchise Agreement, we will provide, at times and in methods and manners which we determine in our discretion, the following services to you before you open the Franchised Business:

PRE-OPENING ASSISTANCE:

Before opening the Franchised Business, we will provide the following services:

Consultation:

The initial services which we provide to you following the signing of the Franchise Agreement include consultation (Paragraph 4.2c, of the Franchise Agreement, titled "Obligations of Franchisor, Consultation") with you (by telephone and electronic mail) on the location for your Franchised "VISITING ANGELS, Living Assistance Services" Unit; selecting telephone services; computer and software selection; ordering initial orders of printed materials, etc. We do not assist you in reviewing leases for an office location or in locating a site for the office. We do not lease real estate to franchisees.

Office Location and Protected Territory Boundaries:

We will help you choose the boundaries of your Protected Territory by mutual agreement between you and us (Paragraph 3, of the Franchise Agreement, titled "Territory"). We will state in the Franchise Agreement the Franchised location from which you will operate. You must select your own location for the Franchised Business. We must approve or disapprove the territory and the

Franchised Business address upon signing of the Franchise Agreement by both parties. If your business office address has not been inserted into the Franchise Agreement upon signing of the Franchise Agreement, you may not establish your Franchised Business location without our written approval. The Franchise Agreement states that your office/business address must be centrally located in your Protected Territory. At such time as you select an office location, you must submit it to us for our approval, we will respond to you with our written decision within 72 hours. If we do not agree with you on a site, we will ask you to select another one. It will be your responsibility to conform the premises to local ordinances and local building codes and to obtain any required permits, zoning, etc. You will decorate/remodel the premises at your own expense, if needed.

Once established, you may not relocate the Franchised Business address without our written approval. You will be permitted to establish just one franchised office location within your protected territory unless we grant written approval for you to do otherwise. Your site/location must be located within your Protected Territory. After the signing of the Franchise Agreement, if you wish to move your business location, you must notify us of your intent to relocate and we must approve your proposed move in writing before you may relocate. The standards which we use to select sites/territories are in Item 12 of this document.

Office Equipment, Signs, Fixtures, and Supplies:

You will be responsible to purchase these items at your own expense. We will provide graphic designs for sign layouts at no extra cost.

Staff:

You will hire and train your office staff in accordance with the instructions that we provide in our Brand Standards & Training Manual and our initial training class.

Use of our Marks:

We allow you to use our Marks and our copyrighted materials for the duration of the Franchise Agreement (Paragraph 4.1, of the Franchise Agreement titled "Obligations of Franchisor, Use of Our Marks" and Paragraph 1, of the Franchise Agreement titled "Recitals"). You are permitted to use the Marks (trademarks, trade names, service marks, commercial symbols designs) and patents associated with Franchised units and indicated in our Operations and/or other manuals which are our absolute property. All improvements to the Marks and patents associated with franchise units will also become our absolute property. We may license other trademarks, trade names, service marks, logotypes, designs, patents, copyrights, and/or other commercial property or symbols for your use; we must describe those items in writing along with the extent to which you may use them.

Brand Standards & Training Manual:

We will make available on loan to you our confidential Brand Standards & Training Manual which may be downloaded from our website, and provide instruction in its trade and operating procedures (Paragraph 4.2, of the Franchise Agreement, titled "Obligations of Franchisor, Brand Standards & Training Manual"). The Brand Standards & Training Manual will address aspects of operations

and marketing. This will occur during the training process. The Brand Standards & Training Manual will always remain our absolute property and you must return it to us if we terminate your Franchise.

Brand Standards: You agree to use your best efforts to adhere to our best practices and brand standards as specified in the most recent and updated version of the Brand Standards & Training Manual (Visiting Angels Brand Standards and Training Manual). You will agree to follow all reasonable policies and directives issued by us during the term of the Franchise Agreement when those directives are for the purpose of promoting or protecting the Visiting Angels brand (Paragraph 9.4, Franchise Agreement). You will agree to use your best efforts to conform to the common image and identity associated with our Marks as specified by the Manual. You also will agree to use your best efforts to train and instruct your employees in accordance with the best practices and brand standards, as specified in the Manual and shall continue such training and instruction as long as each employee is employed.

Marketing Assistance:

We will provide you with pre-opening marketing assistance including assistance in developing presentations for referral sources (Paragraph 4.4, Paragraphs 4.5 d through g, of the Franchise Agreement, titled "Obligations of Franchisor, Pre-Opening Advertising"). We will help you to select media sources for any advertising you wish to conduct to solicit to clients and/or recruit care giving staff. We will provide graphic designs, layouts and written copy for advertisements and brochures which you may use (you must pay for production costs such as camera-ready ad slicks and typesetting of information specific to your Franchised Business and/or specific ads for your Franchised Business address).

Time Needed To Open:

The lapse of time between the signing of the Franchise Agreement and commencement of your Franchised Business is typically from 30 to 180 days, depending on whether your agreement is signed prior to attending our training class or on the first day of your initial training class. Other factors pertaining to opening your business are: time necessary to establish the office location, establish a business telephone, set up your corporation, print brochures, business cards, etc. The

most significant factor is the time necessary to obtain the required license in your state (if available); typical time frames to obtain licenses are 90 to 180 days.

Time Requirements to Open:

Obtaining zoning permits, licenses, variances, etc. for your Franchised Business will be your responsibility should permits not be in place for your business location. In any event, you are required to open your Franchised Business no later than 120 days after the completion of your initial training class. If your Franchised Business has not been opened within 120 days, we may, at our sole discretion, elect to terminate your Franchise Agreement. In such an instance in which your Franchise is terminated, we will not refund any portion of your Initial Franchise Fee.

If your Franchised Business does not open within 120 days after the completion of your initial training class, you may inform us in writing as to the reason that your Franchised Business has not opened. You must provide this written explanation before the 120th day. We may extend the time period during which you must open your Franchised Business to an additional term which will be determined at our sole discretion.

4. Staff Visits to the Regions from our Visiting Angels' Directors

The above schedule is subject to change at our discretion.

You are required to attend one of the abovementioned live meetings and training events per year. The cost of travel, meals and lodging will be at your expense.

Marketing Assistance:

We will provide you with ongoing marketing assistance including assistance in developing presentations for referral sources (Paragraph 4.5d, 4.5e of the Franchise Agreement, titled “Obligations of Franchisor, Ongoing Advertising and Marketing Assistance, Graphic Designs For Brochures, Advertisements”). We will help you to select media sources for any advertising you wish to conduct to solicit to clients and/or recruit care giving staff. We will provide graphic designs, layouts and written copy for advertisements and brochures which you may use (you must pay for production costs such as camera ready ad slicks and typesetting of information specific to your Franchised Business and/or specific ads for your Franchised Business address). If you request additional promotional materials to be developed solely for your individual franchised agency, we will fulfill those requests, at our option, based on our discretion as to the extent to which the item(s) may benefit our entire franchise system (we will reserve the right to charge you costs associated with production of individualized promotional materials for your franchise).

National Cooperative Advertising Program:

We will administrate a Cooperative Advertising Program (Paragraph, 4.5g of the Franchise Agreement, titled “Obligations of Franchisor, National & Regional Cooperative Advertising Program”) on behalf of our franchise system. The Cooperative Advertising Fee shall be used to make purchases of the following on your behalf and other franchisees within our Franchise System: national and/or regional advertising, internet advertising & promotions, content development, organization and optimization services for our website (www.visitingangels.com) and franchisee websites, public relations and promotional programs, graphic designs, etc. Other associated costs are also paid from these proceeds for salaries/fees for individuals engaged in content development and optimization services for our website (www.visitingangels.com) and franchisee websites, developing promotional materials for advertising and marketing of home care services from our corporate headquarters, and/or engaged in marketing to national entities from our corporate headquarters (for home care services only), and/or engaged in administrating a national toll-free number primarily for home care services inquiries (potential clients) and employment inquiries. We make no guarantees and do not insure that you will benefit directly or indirectly from your Cooperative Advertising Fee contribution or that all advertising that is purchased from the Cooperative Advertising Fund will penetrate your Franchised Protected Territory.

The minimum amount paid by franchisees is \$425 per month. However, the required amount varies by territory population, business revenue and number of months you have been in business. Please see Cooperative Advertising Fee in Item 6 to estimate your monthly Cooperative Advertising Fee schedule based on your territory population, revenue and months in business. The Cooperative Advertising Program is national and regional in scope. The purpose of the Cooperative Advertising Program is to generate home care client leads for our franchisees. Franchisees contribute to the cooperative advertising fund at varying rates depending upon the date that franchisees entered our franchise system prior to the inception of the Cooperative Advertising Program. For the current franchise cooperative advertising fees, please see Section 8.1 of the Franchise Agreement and Item 6 Table (c). The inquiries (potential clients) which are received by us from individuals seeking home care services will be distributed to the franchised

office which is nearest to the location of each potential client. Our in-house advertising department will make decisions regarding placement of the advertisements.

All monthly contributions to the Cooperative Advertising Program are made by our franchisees. At this time, no contributions are made by company owned units or vendors.

We make no guarantees and do not insure that you will benefit directly or indirectly from your Cooperative Advertising Fee contribution or that advertising that is purchased from the Cooperative Advertising Fund will penetrate your Franchised Protected Territory. The membership of the national advertising cooperative is defined as follows: Members will be those franchisees who have a cooperative advertising fee requirement in their Franchise Agreement (currently, all franchisees. There are no Franchisor owned outlets that contribute to the Cooperative Advertising Fund. The amount of the monthly contribution to the fund paid by franchisees is disclosed in Item 6 of this Disclosure Document).

The Cooperative Advertising Fees, which are required by the Franchise Agreements, are maintained as a fund solely for this purpose, which is administered by LAS, Inc. The accounting for the Fund is part of our audited financial statements each year. The remaining balance is included on our Balance Sheet and rolls over to be spent the following year. An annual statement of activity, fees collected and expenditures made, will be made available to the franchisees by March 15th following the fiscal year. In the 2022 fiscal year, the statement shows collections of \$15,032,676 in fees, and that \$15,385,679 was spent on direct advertising efforts. There are no management fees paid from the funds to Visiting Angels, or any affiliates.

93.18%. The percentage spent on administration including salaries was: 6.82%. The percentage spent on trade show exhibitions was: 0.0%. The percentage spent on trade show exhibitions was: 0.0%.

You may use your own advertising materials in advertising in your local area after they have been approved by us subsequent to providing them to us for our review.

Regional Cooperative Advertising:

We may also administrate a Regional Cooperative Advertising Program in your market which will be optional for you to participate in (contribute to costs of advertising). If you opt not to participate in a Regional Cooperative Advertising Program, you would not receive any client leads from such a program but you will continue to receive leads from the National Cooperative Advertising Program. We may negotiate contracts for home care services with regional or national Managed Care Organizations, insurance companies or similar entities. It may be necessary for your Franchised Business to fulfill certain criteria necessitated by such contracts in order to receive referrals generated from these sources.

Regional/Local Cooperative, Franchisee Administrated Advertising Cooperative; Advertising Council; Franchisee Advisory Council:

There are existing regional or local advertising co-operatives which are administered by us. There are also regional cooperatives established by franchisees. There is no advertising council composed of franchisees. There is, however, a Franchisee Advisory Council which is elected by

franchisees and provides consultation to the Franchisor on issues such as Cooperative National Advertising. The Franchisee Advisory Council serves in an advisory capacity only and does not have decision making power. The Franchisor has the power to form, change or dissolve the advertising council.

The membership of the Regional or Local Advertising Cooperative would be defined as follows: members would be those franchisees who elect to participate in such a program. A Regional or Local Advertising Cooperative would not operate from any written governing documents established by us, if administrated by franchisees. A Regional or Local Advertising Cooperative would operate from written governing documents established by us, if administrated by us. Franchisees must participate in Regional or Local Advertising Cooperatives in the event that they wish to advertise in publications that circulate across two or more Protected Territories of two or more franchises. There are no set amounts that must be contributed to regional cooperative funds. These amounts would be established by agreement among the franchisees and such funds are administrated by franchisees or by the Franchisor. There are no written governing documents concerning regional cooperative groups. Regional cooperatives are not required to prepare any financial statements for review by franchisees. The Franchisor may not dissolve a regional cooperative. We do assign team leaders for such groups. There are no other advertising funds that franchisees are required to participate in.

Internet Services:

We will maintain a website which will promote the home care services of our franchise system on the World Wide Web and provide information regarding same to potential clients (Paragraph, 4.5f of the Franchise Agreement, titled "Obligations of Franchisor, Internet Services"). The cost of continuing development of our website(s) is paid by the Co-op Advertising Fund. You will be authorized to print our website address (www.visitingangels.com) on your business cards, stationary, and advertisements, etc.

Computer Hardware & Software:

We require you to have a computer available to use in the Franchised Business. If you do not already own a computer, we will provide consultation to you on a recommended system for you to purchase (Paragraph 4.2c, of the Franchise Agreement, titled "Obligations of Franchisor, Consultation"). You will purchase the system(s) from a commercial vendor of your choice. You may select the brand of your choice for the computer and for each component of the computer. An estimated cost for your computer hardware system is \$2,000. Estimated costs for upgrades would be \$0 to \$500 per year.

We provide specifications for software which you will be required to purchase (Paragraph 9.14 of the Franchise Agreement, titled "Computer Hardware and Software") before opening the Franchised Business. You will need the following computer software: Microsoft Office (Word, Excel, and PowerPoint) and financial software (QuickBooks Online). You will also need software designed for you to use in conjunction with invoicing and payroll operations functions of the Franchised Business. We recommend that you purchase an operations software system developed for home care service businesses. The approximate cost for the software systems may be \$2,500 to \$10,000 (or may be paid on a monthly or annual basis). We do not directly sell any software to

you. You may purchase computer software from commercial vendors of your choice. You will agree to authorize your business operations software provider to grant us access to data contained in your business operations software system including the authorization to use a third party to connect your business operations software system to our computer systems for the purpose of data collection.

There is no contractual obligation in our Franchise Agreement for you to upgrade your computer system except to the extent that you will maintain a system that will enable you to conduct the typical business operations. We have no obligation to support your computer hardware or software.

You will need an e-mail address that we can use to send information to you. We will provide you with an email address upon the opening of your Franchised Business. At your request and for our then-current monthly Email Fee, we will provide email accounts for your employees with the domain “@visitingangels.com”. The Email Fee is intended to cover a portion of our costs to provide and administer properly branded email accounts. The amount of the Email Fee depends on the type of email account that you choose. We reserve the right to increase this fee at any time as our costs change.

We reserve the right to implement and require you to pay our then-current Technology Fee, which is intended to cover a portion of our costs to provide and administer scheduling software, our intranet and other technology used by the Visiting Angels franchisees.

Additional Training & Seminars:

We may, at our sole discretion, offer additional training/education, conferences, seminars and “Business Builder” events refresher courses (Paragraph 4.5a, of the Franchise Agreement, titled "Obligations of Franchisor, Additional Training/Education"). Additional training/education sessions may be mandatory for you to attend as described below (i.e. the annual National Conference). For the first 4 years of the term of the Franchise, you must attend our annual National Conference. After the first 4 years, it is required that you attend at least one major meeting per year (annual National Conference or “Business Builder”). In some instances, it is expected that the cost of additional training and/or regional meetings shall be covered by the continuing Gross Service Fee which you pay us on an ongoing basis. In other instances, there may be fees which will be necessary for you to pay to attend additional conferences, seminars or training. The cost of any housing or transportation shall be your sole responsibility when attending any training program. We do not represent that you will attain any income or sales whatsoever as a result of the additional training/education which we provide.

It is required that at least one individual/principal, per franchise, who is named as “Franchisee” on the franchise agreement must attend our annual National Conference each year for the first 4 years of your franchised business. A multi-unit franchisee may only represent one franchise per event. For any additional franchise locations, another principal named as “Franchisee” or the primary operating manager must attend the annual conference to represent the additional franchised business. There is a fee which must be paid to us in advance for admittance to the National Conference which is currently \$895 per person (and may be increased in the future). If your initial training class is in June, you may wait until the following year to attend your first National Conference. However, the subsequent 4 National Conferences must be attended by you. If, after

the first 4 years of the operation of the Franchise Business, you delegate the operations of the Franchised Business to a manager, the manager must attend the following 4 National Conferences. The costs of travel, hotel accommodations and meals associated with attending any National Conference will be paid by you.

You agree to pay to us the price of admission to the National Conference for one individual/principal from your franchise prior to the date of the National Conference, each of the first four years after the date of this Agreement (the price may increase from one year to the next).

Continuing Research and Development:

We will continue to conduct research into improved ways to operate and market the Franchised Business and will share these ideas with you (Paragraph 4.5c, of the Franchise Agreement, titled "Obligations of Franchisor"). We may introduce new services for you to market in your Franchised Business. We may also withdraw from offering certain services at any time at our sole discretion.

Printing and Supplies:

We will make available printed brochures, letterhead, envelopes, business cards, promotional materials and supplies for you to have duplicated by printing vendors in your region at your option (Paragraph 4.5e, of the Franchise Agreement titled "Obligations of Franchisor, Graphic Designs For Brochures").

Disclaimer:

The Franchise Agreement contains a disclaimer which states that we will not be liable to you or any of your clients/customers with respect to the use of the services you provide/sell in connection with the Marks, or the sale, if any, by you of any products, goods, or items bearing the Marks including the performance characteristics, fitness or suitability of any of them for any purpose. We will not accept any liability for incidental or consequential damages or losses of any sort arising from the signing of the Franchise Agreement, the furnishing of any services to you, the sale of any services by you to your clients.

Item 12: Territory

Protected Territory:

You will receive a Protected Territory in which to operate your "VISITING ANGELS, Living Assistance Services" Franchised Business. The Initial Franchise Fee will be \$51,950 in all regions in which a radius of 30 miles with the Franchised Address at the center comprises a population of 100,000 or less (and in which the Protected Territory cannot exceed 100,000 in population within 30 miles). In all regions in which the Protected Territory will be greater than 100,000 and less than 200,000 in population, the Initial Franchise Fee will be \$64,950. For franchises of 325,000 in population the Initial Franchise Fee will be \$89,950.

You will not receive an exclusive territory. You may face competition from other franchisees, in limited circumstances under which a neighboring Visiting Angels franchise may accept clients in

your Protected Territory. For example, in Metro Areas, the client may use the services of any VA franchised office that they select. However, you will not face competition from other VA franchisees with respect to marketing to referral sources in your Protected Territory, you will not face competition from outlets that we own (we do not own any), and you will not face competition from other channels of distribution or competitive brands that we control (we do not control any).

Territorial Boundaries:

We will determine how many franchises will be available in a given area and designate the number for a given area and where, in general, they should be located. We will then give you the opportunity to select the protected territory you desire from among the available protected territories which we must accept or reject. We will describe the specific geographic boundaries of your Protected Territory in the Franchise Agreement (by zip codes). Since the demographic characteristics of areas within which VISITING ANGELS, Living Assistance Services Franchised Businesses are located differ, the protected territory granted to each franchisee can differ. Some Franchised Businesses, such as those within densely populated areas, will have a smaller protected territory while others in more remote locations will have relatively large protected territories. Your Protected Territory will be assigned by mutual agreement between you and us. Selection of territories will be based on demographics, population density, area income statistics, area marketing statistics and competition. We will analyze these variables so as to determine your Protected Territory. There are no circumstances under which we may alter the boundaries of your Protected Territory after we have signed your Franchise Agreement except by mutual agreement between you and us.

Additional Protected Territory Prior to Signing Franchise Agreement:

If the population of your proposed Protected Territory is at least 200,000 residents (some sparsely populated or rural territories may be smaller than 200,000), you may request a larger Protected Territory before we sign your Franchise Agreement. Additional protected territory can be purchased for a fee which will be calculated based on the price of the current Franchise Offering at the time of purchase. You are responsible to determine the population in the Protected Territory to your own satisfaction. We do not certify the accuracy of any demographic data which we provide for you and you may not hold us responsible for same.

Additional Purchases of Protected Territory or Purchases of Additional Franchises for Established Franchises:

We offer no “rights of refusal” to franchisees to purchase additional areas that border the Protected Territory, neither are we obligated to sell any additional territory or additional franchises to existing franchisees. We have sold additional territory to many franchisees; however, we evaluate each request on an individual basis. It is our policy not to sell a complete additional franchise to any franchisee that has not achieved gross revenues of at least \$1 Million in their existing franchise in the previous 12 months.

Our Control Over Protected Territories:

We will not establish a business location for our own benefit within your Protected Territory. We will not license other franchisees to use our Marks who would locate their Franchised Businesses

within your Protected Territory, nor will we open a competitive business to be located within your Protected Territory under the same Marks or any other marks during the term of your franchise. In the future, we may offer a separate franchise offering under a different trade name that will specialize in and provide training for institutional staffing to hospitals and other healthcare institutions in your protected territory. However, we will offer this franchise to you prior to making it available to any other parties. We reserve the right to establish company owned outlets and to establish franchises in other geographic areas (not in your protected territory) under any marks. We will not sell any services for our Franchisor corporation within your Protected Territory using our principal trademarks or different trademarks. Continuation of your area of territorial protection does not depend upon achievement of any specific sales volume, gross revenue or market penetration.

Franchise Business Office Assignment:

The Franchise is assigned in the Franchise Agreement for an office location that will be approved by us either upon signing the Franchise Agreement or after it has been signed (in instances in which the locations of the business address for the franchise is not yet known upon signing of the Franchise Agreement).

Franchise Business Office Site Selection:

You will select your commercial business location within your Protected Territory. Your brochures, business cards, media advertisements and/or other printed materials may not list, publish, and/or bear any business address(es) or telephone number(s) which are located outside of your Protected Territory. If your business office address has not been inserted into the Franchise Agreement upon signing of the Franchise Agreement, you may not establish your Franchised Business location without our written approval. Our approval or disapproval is only with respect to the actual office location and its proximity to other Visiting Angels' Franchised Business locations (not based on any other characteristics of the location). We do not unreasonably withhold our approval regarding requests for relocation of the Franchised Business. When you submit a proposed business address for your franchised agency, we will approve or disapprove the site and notify you within 72 hours by using e-mail or telephone. If we cannot agree with you on any individual site, you must select another. Once established, you may not relocate the business address without our written approval in advance. In most regions (except some that are unusually densely populated), your Franchised Business location must be located at least 7 to 10 miles away from the nearest Visiting Angels franchised office. Our policy is that no more than one franchised office location is permitted for each 400,000 population in a protected territory. We make exceptions in some instances based on unusually large geographic distances within a single protected territory.

Solicitation of Customers Within Your Protected Territory:

While your VISITING ANGELS, Living Assistance Services Franchised Business must operate from the assigned office location, you may solicit and advertise to all potential customers within the Protected Territory.

Solicitation of Customers Outside Your Protected Territory:

You may accept all client referrals from your Metro Area (defined below) or from bordering counties for franchises not in a Metro Area, which may come from sources which were not directly solicited by you. However, you may not meet with potential clients at locations within any of the referral sources outside of your Protected Territory that are restricted in Paragraphs 3.3, 3.3A, 3.3B, 3.3C, 3.4, or 3.4A of the Franchise Agreement, or service clients at the premises of these locations (such meetings and service may take place at the homes of clients).

Metro Area is defined as follows:

To qualify as a “Metro Area”, the county in which your Franchised Business address is located must have a population of at least 400,000 or the same county must contain a city with population greater than 250,000 or a city of this size must exist in a county which borders the county of your business address. The Metro Area will comprise at least the entire county in which your business is located and (in some instances) include all counties within the same state (neighboring counties) which border the county of 400,000 population (in the event that this is the county in which your business is located) or which border the county which contains the city of 250,000 population or greater (in such instances you may advertise and accept clients in all neighboring counties).

If the county in which your franchise is located contains one million population or greater, your Metro Area will consist solely of your county and will not exceed the boundaries of your county. In most instances, a Metro Area must contain no more than one city with 250,000 or greater population. If your Metro Area is defined in the Franchise Agreement as a single county of less than 1 million in population, you may accept all clients who seek your services both within your Metro Area, your protected Territory and in all counties which border your Protected Territory (limited to those bordering counties that contain less than 1 million population).

In some markets, the Metro Area may be defined by us at our discretion differently than described above and the boundaries of the Metro area will be disclosed to you in advance and defined in the Franchise Agreement. In the event that your business location is unusually distant from a Metro Area (although located in a neighboring county), we may determine that your business address is too distant from a Metro Area and may define your business location to be not a part of the Metro Area in advance of signing a Franchise Agreement with you.

Solicitations To Referral Sources in Medically Related Fields:

You will not be permitted to solicit to potential sources of client referrals that are employed and/or in business in the medical field/community outside of your Protected Territory including but not limited to hospitals, hospices, geriatric care centers, physicians, nursing agencies, adult day medical centers, clinics, nursing homes, rehabilitation centers, emergency ambulance services, durable medical equipment dealers, pharmacies, assisted living facilities, etc. (medical referral sources will be defined as those business and/or non-profit entities that provide medical services to clients/patients).

Solicitations to Hospitals In “Intermediate” Sized Metro Areas (3.75 Million population or less):

In Metro areas of 3.75 million population or less, all Visiting Angels’ franchises which are located in the Metro area may request to discharge planning/case management departments of hospitals located in cities of 300,000 population or greater within the Metro Area that their Visiting Angels’ franchised office locations and contact information be listed on client referral lists distributed by such hospitals. In some metro areas, the previous sentence will not be applicable to hospitals located in zip codes in the protected territories of our franchisees that were established prior to the date of the Franchise Agreement. This is due to understanding with previous franchisees that may have been different those contained in this offering. In hospitals that are not located within your Protected Territory, you will not be permitted to place brochures in display holders or otherwise place promotional materials on display within the public view, nor will you solicit to doctors who have offices within the hospital (outside of your Protected Territory) or rehabilitation centers within hospitals located outside your Protected Territory (you may communicate with these entities if they contact you without any direct solicitation from you), nor will you make presentations to groups larger than 2 persons during any single visit/meeting, nor will you distribute more than one brochure and/or business card to each person who you speak with or to whom you mail information. In hospitals (located in cities of 300K population or greater) that are not located within your Protected Territory, mailings by you will be limited to recipients in discharge planning departments (not more frequently than one mailing annually).

Solicitations to Non-Medical Referral Sources In Metro Areas:

If you are in a metro area, you may solicit to all non-medical referral sources in the Metro area except as follows: you must refrain from soliciting to potential sources of client referrals outside of your Protected Territory that are established as and/or employed and/or in business such as churches, senior centers (with no medical component), assisted living facilities (with no medical unit), attorneys, bankers and/or geriatric care managers. In addition, you may not solicit to non-medical senior (retirement) residential communities and retail stores located outside of your Protected Territory. In some Metro Areas, this paragraph may not be applicable to some franchisees who were established in your Metro Area prior to the date of your Franchise Agreement. You may solicit to all membership organizations which include members located throughout your Metro Area such as the MS Society, American Cancer Society, etc.

Advertising Restrictions:

- 1) Advertising in Non Metro Areas:** If your Franchised Business is not located within a Metro Area, you may not solicit business beyond the borders of the Protected Territory except as follows: You may purchase advertising in print media which is based and/or distributed within your Protected Territory and penetrates beyond the borders of your Protected Territory as long as the majority of the circulation of any such media is within the boundaries of your Protected Territory. You may accept all clients and/or caregivers/employees which are generated by this advertising (subject to the restrictions in this paragraph). If your Franchised Business is not located in a Metro Area, you will not purchase advertising which originates outside of your Protected Territory except as specified in this Item. You will not drive a vehicle with Visiting Angels signs on it or

bearing our Marks except within the boundaries of your Protected Territory and any area not assigned to another Visiting Angels franchise (regardless of whether your franchise is located in a Metro Area or not).

- 2) **Advertising in Metro Areas:** If your Franchised Business is in a Metro Area, you will not be permitted to solicit customers/clients outside of the Metro Area in which your franchise is located. You will not be permitted to solicit to residential clients by direct mail or email outside of your Protected Territory. You may purchase advertising independently and/or in cooperation with other franchisees in your Metro Area (for both clients and caregivers/employees) in print media which is distributed within your Protected Territory and penetrates beyond the borders of your Protected Territory (to include print media based outside of your metro area in the event that it circulates to your Protected Territory) with the following restrictions: our permission will be necessary for you to advertise in print media that includes newspapers with less than 250,000 circulation which are principally circulated in towns located outside of your Protected Territory. In addition, you will not be permitted to advertise in print media published by non-medical senior (retirement) residential communities located outside of your Protected Territory without our permission. We may, at our discretion, withhold permission or require you to advertise cooperatively with other franchisees in the Metro Area with respect to such publications. You will not drive a vehicle with Visiting Angels' signs on it or bearing our Marks except within the boundaries of your Protected Territory and any area not assigned to another Visiting Angels' franchise (regardless of whether your franchise is located in a Metro Area or not).
- 3) **Broadcast Media in Metro Areas:** You may purchase broadcast advertising (radio and/or television) in your Metro Area in broadcast media which is significantly distributed within your Protected Territory and penetrates beyond the borders of your Protected Territory cooperatively with other franchisees in the Metro Area or, with our permission, on an independent basis.
- 4) **Exceptions in Certain Markets/Metro Areas on Solicitation & Advertising Restrictions:** There are a limited number of markets in which franchises were assigned in the first two to four years of our franchise program in which the Franchise Agreements contained provisions which may differ from the understandings described in this Item 13. In such instances, adjustments may be necessary in your Franchise Agreement to clarify possible limitations with respect to solicitations to specific potential referral entities within specific zip codes in these markets. These conditions are applicable in the following markets; however, they may not be limited to these markets: New Mexico; Austin, TX; Charlotte, NC; Milwaukee, WI; San Jose, CA.

Other Unrelated Businesses Owned by Franchisees:

If you own or acquire another business that is not relevant to any part of this Agreement (Unrestricted Business), you may not sell Visiting Angels home care services to any of your clients/customers of the Unrestricted Business that reside outside of your Protected Territory described here.

Item 13: Trademarks

Use of Our Marks:

You may use all of our Principal Trademarks (trade names, service marks, logotypes, commercial symbols, and designs) used in connection with the operation of our franchisees in their franchised units (collectively known as "Marks"). We may own other marks which are not used in the Franchised Business which you may not use.

The applications filed were based on our previous and current use of the Marks in interstate commerce. We have filed or intend to file all required affidavits and renewals for the Marks listed above. The Marks have not been registered with the State of Pennsylvania.

There are no currently effective material determinations of the United States Patent & Trademark Office, the Trademark Trial and Appeal Board, or any state trademark administrator or court concerning our Marks; and no pending infringement, opposition, or cancellation proceedings. There have been no decided infringements, cancellation or opposition proceedings in which we unsuccessfully fought to prevent registration of a trademark in order to protect our Marks.

There is no pending material Federal or state court litigation regarding our use or ownership of the Marks. There are no currently effective agreements that limit our rights to use or license the use of our Marks. We know of no known prior use or superior prior rights to the use of our Principal Trademarks, nor do we know of any infringing uses of our Marks.

Action Against Infringement:

A federal or state trademark or service mark registration does not necessarily protect the use of the concerned mark against a prior user in a given relevant market area. Therefore, before entering into the Franchise Agreement, you should make every effort to ascertain that there are no existing uses of our Marks or other marks confusingly similar to them within the market area where you wish to do business.

If you find any similar names or marks, you should immediately notify us of them. Any action to be taken in that event is strictly within our discretion. We need not litigate against any party which infringes on our rights to use our Marks. We are not required to pay for your defense if a third party sues you in your region and claims that it holds superior rights to the use of any of the Marks in the region. If we elect to take legal or administrative action in any matter, you must join us as a party to the action, or allow the action to be brought solely in your name, but only as we direct.

Under no circumstances will we be liable to you for any lost profits, start-up or other expenses, or consequential damages which you may suffer as a result of any limitation or diminishment in the rights which we granted to you to use the Marks. If you should lose a lawsuit with a party claiming superior rights over use of the Marks, we are not responsible to pay for any of your costs associated with your damages including losses which you may have incurred in the process.

Function of Marks and Restrictions:

We own and use our rights to the Marks in conducting our business and designating the origin or sponsorship of our services. We reserve the right to update this list by adding or subtracting Marks at any time. The Marks are associated with the services to indicate the source and origin. The rights associated with the Marks are intended to prevent others from using a confusingly similar mark but not to prevent others from making the same goods or providing the same services or from selling them under a non-confusing mark.

We seek to protect the integrity of our Marks and preserve our rights to label our business and services with the Marks so as to avoid consumer confusion and to distinguish our services from those of our competitors. For this reason, we place certain restrictions on your use of the Marks.

These restrictions are necessary to insure that our Marks are not diluted or subject to disrepute in the course of your use of the Marks and that our rights in and ownership of the Marks are preserved. In order to maintain the quality reputation and the rights in the Marks, all goods and services and promotional materials relating to the services which contain the Marks must receive our approval in the manner provided in the Franchise Agreement. We will grant or withhold our approval at our sole discretion.

Your use of any of the Marks shall display in every instance the appropriate trademark notice. The notice shall be as follows: (i) Registered U.S. Patent & Trademark Office; (ii) ®; (iii) Servicemark of LIVING ASSISTANCE SERVICES, INC.; (iv) TM; or (v) other similar language as we may approve.

You must clearly identify the Franchised Business as being operated as an independent Franchised Business on the basis of a license which we have provided for you. Identification must be clearly indicated on your business checks, stationary, purchase orders, business cards, receipts, telephone and directory listings, advertising, signs, displays identifying the business promotional materials and all other documents which bear the Marks which we own. You must pay the cost of displaying information. You must not use any language or display the Marks in a way as to create the impression that the Marks belong to you. You will waive all claims to any rights in the advertising or display of the Marks beyond the limited permission to use the Marks granted in the Franchise Agreement. The rights granted in the Franchise Agreement will be limited to your right to use the Marks to identify and advertise your Franchised Business including the use of our Marks on invoices, order forms, stationery, telephone and directory listings, advertising, signs, and products which we supply.

You must not attempt to register with any state or other government agency the trademark or servicemark "LIVING ASSISTANCE SERVICES, Visiting Angels" OR "LIVING ASSISTANCE SERVICES", OR "Visiting Angels" or other trademarks, servicemarks, or logos which we develop for your use in the Franchised Business.

You may not incorporate your business using the name "VISITING ANGELS, Living Assistance Services" or "Visiting Angels", or "LIVING ASSISTANCE SERVICES" or other trademarks, servicemarks, or logos which we develop for your use in the Franchised Business. You must receive our approval prior to selecting a trade name/dba/ta, name, and/or filing same in your county and/or State. We may permit you to file a given trade name and/or restrict your right to advertise using this name.

Use of Our Marks on the Internet:

We will design a website for you at no extra cost and post it on the internet. You agree not to use our Marks or any derivation of them in any domain name registered or used on the internet except as follows: In order to use "Visiting Angels" or any of our Marks in the URL/ domain name of your website, your website must be designed/developed by us and hosted through our website (www.visitingangels.com). The URL to a website bearing our Marks (and approved by us) shall be of the form: [www.visitingangels.com/yourcity]. In such instances (described in the previous sentence), the URL of the website is owned by us. If you desire changes to the website, you agree that you will bear all development costs, fees and maintenance costs for your website. We do

update your website on an ongoing basis using funds from the Cooperative Advertising Fund. All uses of our trademarks and copyrights or any derivation thereof by you on the internet and associated technologies must be approved by us in advance and in writing prior to any implementation, activation or agreement for service. This includes, but is not limited to, purchase of domain names (URL), email addresses or weblogs. All designs and text must be approved by us in writing before they can be posted to your website. You agree to follow our directives regarding filings/submissions of your website listings to internet search engines.

Use of Marks on Franchised Business Location:

At your approved office location, you must display signs which are clearly visible to the general public indicating that the business is independently owned and operated as a Franchised Business. We will have the right to remove any unapproved signs from the Franchised Business premises or remove any unapproved advertising without incurring any costs for those items and without being deemed guilty for trespass or any other tort. You must conform to the common image and identity created by the services and associated with our Marks as portrayed by the Brand Standards & Training Manual.

Changes in Use of Marks:

You must make changes in your use of the Marks as we may reasonably require prohibiting an infringement or demeaning of the goodwill, uniformity, quality and business standing associated with the Marks. You must also make changes in your use of the Marks as may become necessary resulting from any legal claims made by third parties. You may not make any changes or amendments whatever to the Marks unless we direct you to do so. If your use of our Marks is successfully challenged by a third party in your region, we may require you to modify or discontinue your use of our Marks. In these instances, you must comply with directives within 45 days after having received written notice from us. If we, at any time, believe it is advisable to modify or discontinue the use of any mark or name which we license to you, you must comply with the changes.

Item 14: Patents, Copyrights and Proprietary Information

At this time, we do not own any patents which are associated with the Franchise. We do assert copyrights to our Brand Standards & Training Manual and all written materials which we provide to you.

Copyrights We Assert & Those We May Obtain:

We intend to copyright our manual(s) and all other written or copyrightable materials which contain trade secrets. You must consider all of our manuals and written materials (including advertisements and promotional materials) which we provide to you to be copyrighted works whether or not these works have been registered with any government agency. These copyrighted works are used in our business in the following way: to promote our services and to maintain standards of service, as well as, service procedures. We intend to defend any copyright we obtain/own against infringements; however, we will reserve the right to determine, if and when, we will take legal action against any infringing party or in response to any claims of infringement

against you or us. If we determine that you must modify or discontinue use of the subject matter covered by the copyright, you must comply with our directive. There are no current determinations of the Copyright Office (Library of Congress) and/or courts on our copyrights. You must inform us if you become aware of infringing uses of our copyrights. We need not pay any costs for your damages which you may incur in a proceeding involving a copyright whether initiated by you, us or any third party. We consider our manual(s) and all written materials to be secret in nature and we prohibit you from disclosure of information about our products, operating procedures and all other information including service procedures, promotional methods which they contain, except as necessary to operate the Franchised Business. Item 11 describes limitations on the use of the Brand Standards & Training Manual by you and your employees. You must also tell us promptly when you learn about unauthorized use of our trade secrets and proprietary information. You must also agree not to contest our interest in our copyrighted materials and other trade secrets. We intend to renew the patents after expiration.

The Franchise Agreement does not provide you with any remedy or rights in the event that we require you to modify or discontinue using any of our copyrighted materials.

Use of Copyright Works:

You must not make any unlicensed use of the copyright works and shall, at no time, do or suffer to be done any act or thing which will in any way impair our rights to the copyright works. It will be further understood that you shall not acquire, and shall not claim any title to the copyright works by virtue of any license granted in the Franchise Agreement or through your use of the copyright works. We intend to renew the copyright(s)/patent(s) after expiration.

Your use of any copyright works shall display in every instance the appropriate copyrighted notice. The following notice shall appear at least once on each piece of promotion or packaged materials for the articles and on any articles used in artwork or designs used with the trademarks: © [Year of First Publication] LIVING ASSISTANCE SERVICES, INC.

Item 15: Obligation to Participate in the Actual Operation of the Franchise Business

You must attend and successfully complete our initial training program. If you are a partnership or a corporation, at least one of the general partners or corporate shareholders, as appropriate, must attend and successfully complete the training program in your behalf. This person must serve as the principal person for us to contact in connection with the Franchised Unit and must be empowered to oversee compliance with the Franchise Agreement on your behalf. At least one owner/stockholder of your franchise/corporation (owning at least 25% of the stock in the corporation) must be available to manage the Franchised Business on a full-time basis during the first 4 years of operations (or 2 owner/stockholders will be available who will combine their schedules to the equivalent of one, full time manager). After the initial four years, if you elect to delegate the day-to-day operation of your Franchised Business to a manager (in the event that you will not be present at the Franchised Business location at least 3 days per week), the manager must successfully complete our training program, the cost of which must be paid by you (we will consider making exceptions to this policy based on the amount of experience that the manager has

in working with your franchise). A manager of the Franchise will be required to sign a covenant not to compete and to maintain trade secrets of the Franchisor.

1. The manager cannot have any business interest with any of our business competitors. It is your responsibility to train all of your managers, supervisors, and employees in order to assure that the Franchised Business is operated in accordance with our requirements.
2. If you are an individual, you must directly supervise the Franchised Business on your premises. If you are a corporation, the direct on-site supervision must be done by a person who owns stock in the corporate entity.

Item 16: Restrictions On What The Franchisee May Sell

We have the right to specify, or otherwise approve, all services which are sold and/or used in franchised units.

You may not offer services which we have not specifically approved in advance. You must offer all services that we designate as required for all franchisees. We have the right to add additional authorized services that you must offer or to modify existing services which you will be authorized to offer. There is no limit on our right to do so unless this presents a hardship for you which you can reasonably demonstrate. You must follow our standard operations formats as communicated in the written specifications within the Brand Standards & Training Manual and other directives issued in writing as well as all reasonable verbal directives and requests communicated by us during the term of the Franchise Agreement. You must agree to the above in the Franchise Agreement.

If we decide to expand or modify the services offered for sale within the Franchise System, we will provide written notice to you. You must then expand or modify the services offered for sale within 180 days after written notification from us.

If you own or acquire another business that is that is not relevant to any part of this Agreement (Unrestricted Business), you may not sell Visiting Angels home care services to any of your clients/customers of the Unrestricted Business that reside outside of your Protected Territory described here.

Who You May Sell To:

You may offer your goods and services to any individual/client who requests them, subject to the limitations described in Items 8, 9 and 12.

Pricing:

Prices to be charged to your customers for services are strictly up to you. If we consult with you on costs and prices, or if we or our agents and/or representatives suggest prices to you, you are under no obligation to adhere to suggestions. If we conduct advertising in which prices for items/services are indicated or suggested, these prices are not binding on you.

Item 18: Public Figures

We do not use any public figure to promote our franchise. The Franchise Agreement does not restrict your right or our rights to utilize the name of a public figure in promoting our business.

Item 19: Financial Performance Representations

Representations Regarding Earnings Capability:

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if; (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The Revenue vs Longevity Chart below is based on the actual, annual revenues reported by 543 franchisees that operated in calendar year 2022. There were 536 franchisees operating as of the end of 2022, 8 that opened during 2022, and 13 that closed during 2022. This chart includes all franchisees that opened or closing during 2022, even if they operated during only a part of the calendar year, but this chart also excludes franchisees that did not yet attend training as of October 2022. Yearly Revenues means all sums (paid/collected receipts), property, or other value which you receive whether in cash or in kind without deductions of any type, resulting directly or indirectly from services rendered to clients in the normal operation of your Franchised Business. Gross Revenues includes all revenues received by the Franchised Business to be paid to caregivers as wages and total compensation and includes compensation paid directly to caregivers by clients. Gross Revenues does not include sales taxes or discounts.

The annual revenue rows in the chart represent in increasing dollar ranges, the gross revenues received, in calendar year 2022 only, by the franchisee for providing non-medical home care services to clients. These revenue reports are required by the Franchise Agreement for the calculation of royalties owed by the franchisee to us. The annual royalty revenue amounts are grouped into dollar ranges for the purpose of the chart. The months represent the number of months since the franchisee had attended our training class. This chart represents a factual, historical financial performance representation of our franchise system.

Some franchisees have sold this amount. Your individual results may differ. There is no assurance that you will sell as much. Written substantiation for the Revenue vs Longevity Chart will be made available to the prospective franchisee upon reasonable request.

FRANCHISE AGREEMENT

Agreement (the "Agreement") made this day of 2023, by and between LIVING ASSISTANCE SERVICES, INC. under the laws of the State of Pennsylvania located at 937 Haverford Road, Suite. 200, Bryn Mawr, PA 19010, (called Franchisor, or "We", "we", "us" or "our") and

whose principal address is:

(called Franchisee, or "You", "you," or "your") (together the "Parties") agree as follows:

RECITALS

A. We own the servicemarks, "VISITING ANGELS and VISITING ANGELS Living Assistance Services, and Senior Homecare By Angels and LIVING ASSISTANCE SERVICES Visiting Angels" (the Marks). We are the Franchisor and operator of non-medical private duty home caregiving businesses for homebound elderly and convalescing clients (and non-medical caregiver staffing for institutions) under the names, "VISITING ANGELS and VISITING ANGELS Living Assistance Services, and LIVING ASSISTANCE SERVICES Visiting Angels". We have developed valuable formats, formulas, procedures, information, knowledge and practices used in the operation of those franchised home caregiving businesses in which you will receive comprehensive training. You acknowledge that you do not possess knowledge of our software, formats, formulas, procedures, business methods, and information or knowledge pertaining to our business.

B. You intend to join our Franchise System and you desire access to our formats, formulas, procedures, business methods, business forms, business policies and knowledge pertaining to the operation of our franchised home caregiving businesses. In addition, you desire access to information pertaining to new developments and techniques in our business.

C. You are granted the right to use the VISITING ANGELS, Living Assistance Services name and the Marks (as defined in the next Paragraph) and designs which are associated with LIVING ASSISTANCE SERVICES, INC. in accordance with the terms and conditions which are in this Agreement. We are developing a network of Franchised Businesses bearing the VISITING ANGELS, Living Assistance Services name and which

are operated in accordance with our requirements and format in order to create and maintain a unique image and appeal to the public. In this regard, we must maintain control over the format, service procedures, marketing practices and procedures, advertising and promotion of your VISITING ANGELS Living Assistance Services Franchised Business.

D. All trademarks, trade names, service marks, logotypes and other commercial symbols (collectively known as "Marks") as well as processes, trade secrets, trade practices, copyrights, patents, manuals, forms, formats, advertising and promotional material and practices, operating practices and procedures, training materials, goodwill, and all other items, tangible or intangible, used presently or in the future in connection with the Franchise and with VISITING ANGELS Living Assistance Services franchised units are referred to in this Franchise Agreement as "the assets" and shall remain our property.

The preceding recitals are incorporated into this Agreement and the parties (you and us) agree as follows:

1. GRANT OF FRANCHISE

Upon payment of the "Initial Franchise Fee" described in Appendix A, attached to and made part of this Agreement, as well as the other Fees described in this Agreement, we grant you a license (Franchise) and the right, subject to the terms and conditions of this Agreement, to use the assets in connection with the operation of your own VISITING ANGELS Living Assistance Services Franchised home caregiving business (the Franchised Business).

The Franchise is assigned to the individuals and/or business entity named above. In the event that the franchise is not assigned to a business entity upon execution of this agreement by both parties, the Franchise may be assigned to a business entity (at a later point in time) that is wholly owned by the individuals named above (and no others) without our approval and without the requirement to pay any transfer Fee to us. In the event that the Franchise is to be transferred to a business entity, the majority of which is owned by individuals other than those named above, the provisions of Paragraphs 11.1-11.5 of this Agreement will apply.

2. TERM AND RENEWAL

This term of the Franchise is for a period of ten (10) years (Term). It expires [insert date], 2033. The commencement date of this term shall be the date that we sign this Agreement. If, upon expiration of the term, during the term you have substantially complied with all of the material provisions of the Franchise Agreement, are operating your Franchise Business in substantial compliance with our Brand Standards & Training Manual, are not in default of the Franchise Agreement and have fulfilled the Performance Standard in the Franchise Agreement, we, at our sole discretion, will provide you with a right to renew the Franchise for an additional 10-year term (the "Renewal Term"). Renewal must be signed in writing and signed no later than the date of expiration of the Franchise. Renewal shall be accomplished by signing a Renewal Franchise Agreement

which will be in use in our Franchise System at that time, and which will contain new terms and conditions which differ from this Agreement. We agree to provide the Renewal Franchise Agreement for you to review at least 45 days in advance of the expiration of the Franchise (based on the above conditions). At the time of renewal, you will not be required to pay any additional "Initial Franchise Fee". You agree, however, to pay us a Renewal Fee in the amount of **\$10,000.00** in order to renew your Franchise. If, upon the date of expiration of the Franchise, you have not signed the Renewal Franchise Agreement, and paid the Renewal Fee to us, the Franchise shall automatically terminate upon expiration of the term without the need for any further writing between the parties.

Based on the above conditions, you will have the right to continue to renew the Franchise for additional periods of 10 years by signing the then existing Franchise Agreement.

3. **TERRITORY**

3.1 *Territorial/Marketing Area Description:* You are awarded the right to locate your Franchised Business in one business location (address) from within the following Protected Territory (the "Protected Territory") and no other; your specific VISITING ANGELS Living Assistance Services Franchised Business Location must be located within the Protected Territory which is described as follows:

The geographic areas presently serviced by the United States Postal Service in the following towns/zip codes in the State of (approximate populations in parentheses): There are no other zip codes in the Protected Territory.

The Franchised Location (address) is the following: _____

You agree that your brochures, business cards, media advertisements and/or other printed materials may not list, publish, and/or bear any business address(es) or telephone number(s) which is/are located (and/or originate) outside of your Protected Territory. You agree to submit all proposed business telephone numbers to us in advance for us to approve or disapprove prior to connecting the numbers or publishing them in any media.

a) *Insertion of Franchised Address:* The address of your Franchised VISITING ANGELS Living Assistance Services Location shall be inserted above after you sign a lease for or establish the Franchised Location. You agree that the Franchised Business will be located in an actual street commercial business address (PO Boxes and UPS store or shipping store, or home office locations are not accepted by us) to be centrally located in your Protected Territory. If your business office address has not been inserted into this Agreement upon signing of this Agreement, you may not establish your Franchised Business location without our written approval. Once established, you may not relocate the Franchised Business address without our written approval.

3.2 Protected Territory: You are granted a Protected Territory. Within the Protected Territory, we agree that we will not open or grant someone else the right to open a franchised VISITING ANGELS Living Assistance Services business (to be located within your Protected Territory) during any term of your Franchise, provided that this Agreement has not been previously terminated either by expiration of its term, or uncured breach on your part of this Agreement. The Protected Territory will be determined based on mutual agreement between you and us. We will not locate a company owned unit or grant a Franchise to sell non-medical home care services under a different trade name to be located within your Protected Territory during the term of your franchise agreement. Since the markets in which franchised VISITING ANGELS Living Assistance Services businesses are established may differ, you understand that the size of the Protected Territory which is granted to you may differ from that of other franchisees within our Franchise System. As such, some franchises, such as those within densely populated areas, and the like, will have a smaller Protected Territory while others in more remote locations will have relatively large Protected Territory.

3.3 Solicitation Restrictions: You may advertise to and sell your services to all potential clients within your Protected Territory and your Metro Area (subject to restrictions described in Paragraphs 3.3, 3.3 A, 3.3 B, 3.3 C, 3.4, 3.4 A). You may not provide services to clients within the premises of locations within any of the referral sources/facilities (hospitals, nursing homes, rehabilitation centers, assisted living facilities) outside of your Protected Territory that are restricted in Paragraphs 3.3 A & 3.3 C (unless you have received written permission from us).

Metro Areas are defined as follows: To qualify as a Metro Area, the county in which your Franchised Business address is initially located must have a population of at least 400,000 residents or must contain a city with population greater than 250,000 or a city of this size must exist in a county which borders the county of your business address. The Metro Area will be designated in this Agreement and will comprise at least the entire county in which your business is located. In some instances the Metro Area will include all counties within the same state (neighboring counties) which border the county of 400,000 population (in the event that this is the county in which your business is located) or which border the county which contains the city of 250,000 population or greater. If the Protected Territory assigned to your franchise is located entirely in a county which contains one million population or greater upon signing this Agreement, or if your Franchised Business location is within a county of one million population or greater, your Metro Area will consist solely of the county of one million population and will not exceed the boundaries of this county. If your Metro Area is defined in this Agreement as a single county of less than one million population, you may accept all clients who seek your services both within your Metro Area, your Protected Territory and in all counties which border your Protected Territory (limited to those bordering counties that contain less than one million population).

In the event that your business address is unusually distant from a Metro Area (although located in a neighboring county), before you sign this agreement, we may determine that your business address is too distant from a Metro Area and we may define your business

location to be not a part of the Metro Area (this would be stipulated in this Agreement). In some markets the Metro Area may be defined by us at our discretion differently than described above and the boundaries of the Metro area will be disclosed to you in advance and defined in this Agreement.

A. You agree to refrain from soliciting to potential sources of client referrals that are employed and/or in business in the medical field/community outside of your Protected Territory (whether your franchise is in a Metro Area or not) including but not limited to hospitals, hospices, geriatric care centers, physicians, nursing agencies, adult day medical centers, clinics, nursing homes, rehabilitation centers, emergency ambulance services, durable medical equipment dealers, pharmacies, assisted living facilities (ALFs), etc. (medical referral sources will be defined as those business and/or non-profit entities that provide medical services to clients/patients). You may attend business networking meetings only at locations within your Protected Territory and at such meetings you may solicit only to businesses/referral sources that have business addresses located within your Protected Territory except as follows (this sentence is also applicable to Paragraph 3.3 C below): With our permission, you may solicit to all organizations which include members located in your Protected Territory (if possible, such solicitations should be limited to the members that are located in your Protected Territory). You may exhibit at senior fairs, health fairs and other exhibitions located only within your Protected Territory (except in instances where we provide permission for you to exhibit elsewhere). You may also accept all client referrals from your Metro Area (or from bordering counties for franchises not in a Metro Area) which may come from sources which were not directly solicited by you. You agree not to sign any written (provider) contracts with any medical or non-medical referral sources (described in this Paragraph or in Paragraph 3.3 C) that are not located within the zip codes listed in your Protected Territory. In some instances, we may direct you to notify a medical or non-medical referral source that is located outside of your Protected Territory to remove your name from their provider referral list; you agree to comply with such a directive, if received by you.

B. Solicitations to Hospitals In Intermediate Sized Metro Areas (3.75 million population or less):

In Metro Areas of 3.75 million population or less (population size at the time of the signing of this agreement), all Visiting Angels franchises which are located in the Metro Area may request to discharge planning/case management departments of hospitals located in cities of 300,000 population or greater within the Metro Area that their Visiting Angels franchised office locations and contact information be listed on client referral lists distributed by such hospitals. In some Metro Areas, the previous sentence will not be applicable to hospitals located in zip codes in the Protected Territories of our franchisees which were established in your Metro Area prior to the date of this agreement. Notwithstanding the previous sentence, in hospitals (located in cities of 300,000 population or greater) that are not located within your Protected Territory, you will not be permitted to place brochures in display holders or otherwise place promotional materials on display within the public view, nor will you solicit to doctors who have offices within the hospital (outside of your Protected Territory) or rehabilitation centers within hospitals

located outside your Protected Territory (you may communicate with these entities if they contact you without any direct solicitation from you), nor will you make presentations to groups larger than 2 persons during any single visit/meeting, nor will you distribute more than one brochure and/or business card to each person who you speak with or to whom you mail information. In hospitals (located in cities of 300,000 population or greater) that are not located within your Protected Territory, mailings by you and/or telephone calls will be limited to recipients in discharge planning departments (not more frequently than is needed to accomplish the inclusion of the name of your Franchise on the hospital's referral list); meetings with such parties (in-person) will be limited to once annually.

C. Solicitations to Non-Medical Referral Sources in Metro Areas:

If you are in a Metro Area you may solicit to non-medical referral sources in the Metro Area except as follows: you agree to refrain from soliciting to potential sources of client referrals outside of your Protected Territory that are established as and/or employed and/or in business as corporations, retail stores, churches, attorneys, bankers and/or geriatric care managers. In addition, you may not solicit to non-medical senior (retirement) residential communities located outside of your Protected Territory (restrictions on solicitations to non-medical referral sources may not be limited to those listed in this Paragraph). You acknowledge that in some Metro Areas, the previous sentences may not be applicable to some franchisees which were established in your Metro Area prior to the date of this Agreement.

3.4 Advertising & Marketing Restrictions: If your Franchised Business is not located within a Metro Area, you may accept all clients who seek your services both within your Protected Territory and in all counties which border your Protected Territory with the following restrictions: You may not meet with potential clients at locations within any of the referral sources outside of your Protected Territory that are restricted in Paragraphs 3.3 A, 3.3 C, or provide services to clients within the premises of these locations (such meetings and service may take place at the homes of clients) nor will you conduct meetings for any business purpose at locations within any of the referral sources outside of your Protected Territory that are restricted in Paragraphs 3.3 A, 3.3 C (without our permission in advance). If your Franchised Business is not located within a Metro Area, you may not solicit business beyond the borders of the Protected Territory except as follows: You may purchase advertising in print media which is based and/or distributed within your Protected Territory and penetrates beyond the borders of your Protected Territory as long as the majority of the circulation of any such media is within the boundaries of your Protected Territory (subject to our permission which will not be unreasonably withheld). You may accept all clients and/or caregivers/employees which are generated by this advertising (subject to the restrictions in this Paragraph). If your Franchised Business is not located in a Metro Area, you agree not to purchase advertising which originates outside of your Protected Territory except as specified in this Paragraph. You agree not to drive a vehicle with Visiting Angels signs on it or bearing our Marks except within the boundaries of your Protected Territory and any area not assigned to another Visiting Angels franchise except as provided for in the Brand Standards & Training Manual.

A. If your Franchised Business is in a Metro Area, you agree not to solicit customers/clients outside of the Metro Area and/or the Protected Territory in which your franchise is located. You agree not to solicit to residential clients by direct mail or email outside of your Protected Territory. We have the right to require all franchisees in a Metro Area to invite other franchises in the Metro Area to advertise cooperatively in media within a Metro Area and you agree to comply with such directives. This will be applicable only to media that penetrates outside the boundaries of your Protected Territory (and/or in more than one franchised Protected Territory) in the event that you wish to advertise in such media. You may purchase advertising independently and/or in cooperation with other franchisees in your Metro Area (for both clients and caregivers/employees) in print media which is distributed within your Protected Territory and penetrates beyond the borders of your Protected Territory (to include print media based outside of your Metro Area in the event that it circulates to your Protected Territory) with the following restrictions: our written permission will be necessary for you to advertise in print media that includes newspapers/newsletters with less than 250,000 circulation that are that are located in and/or principally circulated in towns located outside of your Protected Territory. We may at our discretion withhold permission or require you to advertise cooperatively with other franchisees in the Metro Area with respect to such publications. You may purchase broadcast advertising (radio and/or television) in your Metro Area in broadcast media which is significantly distributed within your Protected Territory and penetrates beyond the borders of your Protected Territory cooperatively with other franchisees in the Metro Area or, with our permission, on an independent basis. In addition, you may not advertise in print media published by non-medical senior (retirement) residential communities located outside of your Protected Territory without our permission. You acknowledge that in some Metro Areas, the previous four sentences may not be applicable to some franchisees that were established in your Metro Area prior to the date of this Agreement.

B. Pay Per Click and Internet Ads:

You may purchase "Pay Per Click" (PPC) and internet advertising (through internet consulting companies and internet media) that penetrate your Protected Territory. Internet ads must be limited to the zip codes of your Protected Territory, to the extent that this is possible.

The websites that you advertise should be controlled by us and assigned to you (i.e. your website as a domain of www.visitingangels.com). If you advertise on the websites of commercial entities owned/controlled by others and the advertising penetrates beyond the borders of your Protected Territory, we have the authority to require you to advertise cooperatively with other franchises located within your Metro Area as defined in the Franchise Agreement.

You agree to submit all advertising copy for our review in advance of its placement and that you will not utilize any advertisements that have not been approved by us.

3.5 Additional Protected Territory: If the population of your proposed Protected Territory is at least 200,000 residents, you may request a larger Protected Territory

before we sign your Franchise Agreement. If we approve your request, you will pay us an additional Initial Franchise Fee at the time you sign the Franchise Agreement (the Fee will be calculated based on the price of the current Franchise Offering at the time you make the purchase). The Franchise Agreement provides no guarantee for you to purchase additional Territory subsequent to execution of this Agreement, nor any guarantee of any specific purchase price for any potential additional territory that may be purchased. You are responsible to determine the population in the Protected Territory to your own satisfaction. We do not certify the accuracy of any demographic data which we provide for you and you may not hold us responsible for same.

3.6 Opening Requirements: You agree to open your Franchised Business no later than 120 days following the completion of your initial training class. In the event your Franchised Business is not opened before 120 days after the completion of your initial training class, we may, at our sole discretion, elect to terminate your Franchise. In the event that we elect to exercise this option, we will not refund any portion of your Initial Franchise Fee.

4. OBLIGATIONS OF FRANCHISOR

In return for payment of the Initial Franchise Fee and Gross Service Fee(s), and so long as you have not failed to cure any default on any of the terms and conditions of this Agreement, we will provide, at times and in methods and manners as we in our own discretion reasonably determine, the following services to you and your Franchised Business:

4.1 Use of Our Marks: Use of our Marks and copyrighted materials are granted to you for the duration of this Agreement. The Marks (trademarks, trade names, service marks, commercial symbols, designs) associated with franchised units are licensed to you and are our absolute property under this Agreement. All improvements to the Marks and patents associated with franchised units will also become our absolute property. Other trademarks, trade names, service marks, logotypes, designs, patents, copyrights, and/or other commercial property or symbols may be registered by us in our name and licensed to you based on the terms of this Agreement from time to time, but only those items and only to the extent which we may specify to you in the future.

4.2 Brand Standards & Training Manual: We will make available on loan to you our Visiting Angels Brand Standards & Training Manual ("Brand Standards & Training Manual") which may be downloaded from our website, which includes our trade and operating procedures (which you agree to maintain confidential and secret). The Brand Standards & Training Manual will always remain our property and must be returned to us in the event that the Franchise is terminated. The Brand Standards & Training Manual will address those subjects described in Item 11 of the Franchise Disclosure Document, titled "Brand Standards & Training Manual".

a) *Sample Letters, Contracts, Forms, Ads:* We will provide access to the following items on our website which may be downloaded onto your computer and used in your Franchised Business: Sample contracts with caregivers, and clients; sample

applications, questionnaires, employment forms, home care service control forms, invoices, client and caregiver spreadsheet rosters; sample letters to clients, caregivers, referral sources, collections; sample advertisements, artwork, brochure text, brochure layouts, press releases, radio and TV commercials; caregiver and staff employee policy and procedure manual.

b) *Vendors*: We will provide a list of vendors which you may utilize at your option for purchases of the following products/services: Criminal background screenings, operations software, caregiver training manuals and videos, liability insurance, caregiver services, bonding services, payroll services, printing, graphic design services, employment testing services, internet advertising and consulting companies.

c) *Consultation*: The initial services which we provide to you following the signing of the Franchise Agreement include consultation with you on telephone services; computer and software selection; ordering initial orders of printed materials etc.

4.3 *Training at Our Location*: We will provide our initial training class, and/or virtual training using virtual visual platforms, for a total of two individuals associated with your Franchise at no extra charge prior to the scheduled opening of your Franchised Business at a time which we will specify. However, despite this training, any such individuals are not considered our employees. If you are a partnership or a corporation, at least one (1) of the trainees must be your general partner or principal shareholder, as appropriate. The required training lasts approximately 5 days and shall consist of training in those subjects described in Item 11 of the Franchise Disclosure Document, titled "Initial Training". All trainees that you designate must attend the training course at the same time. You agree to pay for your own travel, living, and all other costs, expenses, and salaries, as well as those of your employees. If you have previously purchased another Visiting Angels franchise and have previously attended our training class, you will not be required to do so again. If the previous sentence is applicable and you decide not to attend our current training class, all of this Agreement will remain in force. The training may be offered remotely using a virtual video platform such as "Go To Meeting". In this instance, it will not be necessary for you to travel to our location to attend the training.

If you desire to have additional persons attend initial training or to receive additional training after the initial training, these individuals must be approved by us and you must pay additional training Fees to us for each additional person to be trained which is currently \$3,500.00 (this amount may increase in the future upon written notice from us). The additional training Fee must be paid in advance of receiving the additional training.

4.4 *Pre-opening Advertising*: We will help you to select media purchases for advertising for your initial recruitment of caregiver staff and potential clients. We will provide graphic designs, layouts and written copy for advertisements and brochures which you may use at no extra cost to you (you must pay production costs to third party vendors for items such as camera ready ad slicks and typesetting of specific ads for your Franchised Business address).

4.5 *Ongoing Assistance*: The services which we are required to provide for you following the opening of your Franchised Business include the following services:

a) *Additional Training/Education*: We may, as we determine, offer additional training/education, conferences, seminars and refresher courses. Additional training/education sessions may be mandatory for you to attend (i.e. the annual National Conference; see 9.17). For the first 4 years of the term of the Franchise, you must attend our annual National Conference. After the first 4 years, it is required that you attend at least one major meeting per year (annual National Conference or "Business Builder"). In some instances, the cost of additional training and/or regional meetings shall be covered by the continuing Gross Service Fee which you pay us on an ongoing basis. In other instances, there may be Fees which will be necessary for you to pay to attend additional conferences, seminars or training (there is a charge to attend the annual National Conference). The cost of any housing or transportation shall be your sole responsibility when attending any training and/or continuing training/education program.

a) *Electronic Payment of Service Fees*: Franchisee agrees that the Franchisor will withdraw funds from Franchisee's bank account each month on a date we determine via Electronic Funds Transfer (EFT) or Automatic Clearing House (ACH) for the payment of Monthly Gross Service Fees, Cooperative Advertising Fees and any interest that may have accrued, if applicable. Franchisee agrees to execute any and all documents required by Franchisee's bank and Franchisor's bank to allow for the transfer of funds. Failure by Franchisee to execute any required documents, closing or moving bank accounts without sixty (60) days' notice to Franchisor or failing to maintain sufficient

funds to complete transactions will place your franchise in default of this Agreement. Franchisee agrees that fund transfers will coincide or be preceded by the submission of the appropriate monthly Service Fee (Gross Service Fee & Cooperative Advertising Fee) calculation form/worksheet or via electronic calculation through direct interface of a Fee collection platform with your accounting software, determined by us. Franchisee agrees to allow this access to your software and interface of our system and Franchisee's accounting software. You also agree that you will name Living Assistance Services, Inc. as an additional insured on all insurance policies that you purchase and that you will provide to Living Assistance Services, Inc. at the address identified in this Agreement, with Certificate of Insurance confirming that this obligation has been met. You must also obtain worker's compensation and such other insurance as may be required by statute or rule of the State or locality in which the Franchised Business is located and operated. You agree to provide us with copies of all notices of cancellation, changes, amendments to coverage and other modifications, immediately as soon as you receive such notices. You acknowledge that many liability insurance policies offered by insurance companies (including those insurance policies referred to you by us) for our industry and for hospices, nursing agencies and similar businesses exclude coverage for events such as abuse, sexual abuse, and/or molestation and may not pay claims and/or pay for a defense for your business in case of such events (other client injury and liability claims are covered), or may require you to fulfill various background screening requirements in order to cover liability events (such as abuse etc.) listed in this sentence. You are required to purchase coverage for potential events of abuse ("abuse rider"). You also agree to obtain and maintain a fidelity bond (or crime/theft insurance) for your franchised agency.

(or assigned Franchisor owned corporation) and (b) by the appropriate Mark registration symbol of an "R" within a circle or by other wording of similar effect, all satisfactory to us and previously approved in writing by us. Identification of your Franchised Business as being operated by you as an independent Franchised Business shall be clearly indicated on your business checks, stationary, purchase

orders, business cards, receipts, telephone and directory listings, advertising, signs, displays identifying the business promotional materials and all other documents which bear our Marks. You must pay for all costs associated with such identification.

f) *Changes in Marks:* You will be required to make such changes in your use of our Marks as we may reasonably require to prohibit an infringement or demeaning of the goodwill, uniformity, quality and business standing associated with the Marks. You will not be permitted to make any changes to the Marks unless we direct you to do so.

g) *Copyright Protection:* You agree not to make any unlicensed use of our copyright works and shall at no time do or suffer to be done any act or thing which will in any way impair our rights to the copyright works. It will be further understood that you shall not acquire, and shall not claim any title to the copyright works by virtue of any license granted in the Franchise Agreement or through your use of the copyright works. h) *Discovery of Infringements:* In the event that you discover any third party use of the Marks or a claim of infringement resulting from or challenge to your use of any of the Marks or other properties licensed to you by this Franchise Agreement, you agree to immediately notify us of the facts concerning such claim or challenge. You also agree that we have sole discretion as to what action to take, if any, regarding such matters. If we elect to take legal or administrative action in any such matter, you promise to join as a party to such action, or to allow the action to be brought solely in your name, but only as and if we direct you to do so. You agree to actively assist and participate in any such litigation, including testifying when we request you to do so and supplying materials and other information which may be requested to assist in the action. You should make every effort to ascertain that there are no existing uses of VISITING ANGELS Living Assistance Services Marks or other marks confusingly similar to them within the market area where you wish to do business. We need not litigate against any party which infringes on our rights to use our Marks. You agree that we are not required to pay for your defense if a third party sues you in your region and claims that it holds superior rights to the use of any of the Marks in the region.

i) *No Liability for Losses:* In no event shall we be liable to you for any losses, start-up or other such expenses, or consequential damages suffered by you as a result of any limitation or diminishment in the rights to use the Marks which we granted to you under this Agreement (or for any other reason).

You agree that at least one individual/principal, per franchise, who is named as "Franchisee" on the Franchise Agreement must attend our annual National Conference

each year for the first 4 years of your Franchised Business. A multi-unit franchisee may only represent one franchise per event. For any additional franchise locations, another principal named as "Franchisee" or the primary operating manager must attend the annual conference to represent the additional franchised business.

There is a Fee which must be paid to us in advance for admittance to the National Conference (which is currently \$895.00 per person and may be increased in the future). If your initial training class is in June, you may wait until the following year to attend your first National Conference. However, the subsequent 4 National Conferences must be attended by you. If, after the first 4 years of the operation of the Franchise Business, you delegate the operations of the Franchised Business to a manager, the manager must attend the following 4 National Conferences. The costs of travel, hotel accommodations and meals associated with attending any National Conference will be paid by you. You agree to pay to us the price of admission to the National Conference for one individual/principal from your franchise prior to the date of the National Conference, each of the first four (4) years after the date of this Agreement (the price may increase from one year to the next).

The Performance Standard may be increased by us, at our discretion, in any Renewal Franchise Agreement.

As long as the minimum Gross Revenues are maintained and you are in compliance with the provisions of your Franchise Agreement, you may keep the Franchise. If you do not maintain this minimum level of Gross Revenues or do not comply with the other provisions of your Franchise Agreement, we may, at our option terminate your Franchise.

9.19 *Client & Employee Satisfaction Survey Systems:* You agree to implement a client and employee satisfaction management survey system, by purchasing such services from a third party provider that specializes in such systems (an example is "Home Care Pulse"). You acknowledge and understand that determining the history of compliance of the franchise you are purchasing with State licensure, wage and hour requirements, and fulfillment of Franchisor policy requirements are your sole responsibility. We recommend that you utilize a knowledgeable consultant for this purpose such as an accountant, attorney or a broker.

You agree to hold us harmless with respect to any potential damages, claims and/or lost profits you may incur concerning the Franchise Agreement.

10.1 *Disclaimer:* We shall not be liable to you or any other person with respect to the operation of the Franchised Business, including but not limited to use of your services or vehicles used or employed in connection with the Marks, or the sale, if any, by you of any services, or items bearing the Marks including the performance characteristics, fitness or suitability of any of them for any purpose. Notwithstanding any other provision in this Agreement, we disclaim any liability for incidental or consequential damages or losses of any sort arising from the execution of this Agreement, the furnishing of any services to you, the distribution or sale of items to you, or as a consequence of your failure to provide services to your clients under the Marks, whether or not arising from defects, malfunctions or failure to conform to specifications. 11. CHANGE OF OWNERSHIP

You may, with our prior written approval, sell the Franchised Business and/or transfer stock of the corporation of your Franchised Business in the amount of 1% or more of the total amount of stock issued, and/or sell/transfer significant assets of your Franchised Business such as clients in accordance with the following terms and conditions:

11.1 *Transfer of the Franchise:* We have the right of approval or disapproval of the transfer or sale of your Franchised Business to any potential purchaser as described in the previous Paragraph (and/or the transfer or sale of any amount of ownership of stock in the corporate entity to which this Agreement may be assigned, and/or the sale/transfer by you of significant assets of your Franchised Business such as clients), with respect to the qualifications of such potential purchaser and with regard to the ability of the purchaser or assignee to operate the Franchised Business. You must first pay us all monies which you owe us before we will approve any sale of the Franchised Business. For the purchaser to receive our approval, the purchaser must be financially qualified to purchase and operate the Franchised Business as specified in Item 7 of the Franchise Disclosure Document ("Initial Investment"). The purchaser must first complete and submit to us a business plan to be approved by us as well as other requirements detailed in our Resale/Transfer Policy. The purchaser must sign our Franchise Agreement (one that corresponds to our franchise offering at the time of the sale) prior to being approved or disapproved by us to purchase your franchise (this must take place prior to a settlement with you).

We will not unreasonably withhold or delay our approval of the purchaser; it will, however be subject to the purchaser of your Franchised Business (and/or majority ownership of stock in the corporate entity to which this Agreement may be assigned) successfully completing our training program and you and/or the purchaser making a payment of a Minimum Transfer Fee to us in advance. The Minimum Transfer Fee to be paid by you to us will be \$9,500 if you sell your business for up to \$100,000.00 (and/or if the franchise is repurchased from you by us at any price approved by you). The Minimum Transfer Fee to be paid by you to us will be \$12,500 if you sell your business for more than \$100,000 and up to \$250,000. The Minimum Transfer Fee to be paid by you to us will be \$15,000 if you sell your business for more than \$250,000 and up to \$500,000 (and/or if the franchise is repurchased from you by us at any price approved by you). The Minimum Transfer Fee to be paid by you to us will be \$19,950 if you sell your business for an amount greater than \$500,000 and less than \$800,000. The Minimum Transfer Fee to be paid by you to us will be \$25,000 or 2.5% of the purchase price of your business (whichever is greater) in the event that you sell your business for \$800,000 or more.

In addition to the above fees, the purchaser will agree to pay to us an Initial Franchise Fee in the amount of \$15,950.00 (Standard Franchise); (or higher based upon the population of additional Protected Territory the purchaser may purchase as part of this Agreement) which is payable at the time that he/she signs their Franchise Agreement (the amount varies based on the size of the Protected Territory assigned to the Franchise). In all regions in which the Protected Territory will be greater than or equal to

100,000 population and up to 325,000 population the Initial Franchise Fee will be \$15,950.00 (Standard Franchise) and proportionately higher up to 500,000 population. In all regions in which the Protected Territory will be 500,000 population the Initial Franchise Fee will be \$22,950.00 and proportionately higher in instances in which the population of the Protected Territory exceeds 500,000. The Initial Franchise Fees described in this Paragraph will not be applicable to any purchases of additional territory approved by us subsequent to the date of signing of the Franchise Agreement. The Initial Franchise Fee upon transfer may be increased by us in the future. The Initial Franchise Fee which is paid is nonrefundable, subject to paragraph 6 of this Agreement.

If less than 100% of the stock and/or ownership/assets of the business entity that owns the Franchised Business is sold/transferred, the Transfer Fee to be paid to us will be proportionate to the percentage of the stock and/or ownership of the business entity that is transferred. For example, if 50% of the stock is transferred, 50% of the amount of the Transfer Fee would be payable by you to us at the time of the stock transfer.

Upon your request, we will assist you to negotiate the sale with your buyer. Prior to the sale you must not be in default of the Franchise Agreement or must otherwise cure all defaults and the purchaser must sign whatever franchise agreement which is being circulated by us to prospective franchisees at the time that you sell the Franchised Business. We will provide you with our decision regarding the transfer of the Franchise after you have provided us with such legal documentation as our legal counsel may reasonably deem necessary to properly and legally document the transfer. Selling your Franchise does not release you from performance of Restrictive Covenants After the Franchise is Sold (Paragraph 11.3) and Non-disclosure (Paragraph 12.7 a, 12.7 b) and Post Term Obligations (Paragraphs 13.1 a, b, 13.2) in this Agreement. In the event that you sell/transfer your franchise and/or sell/transfer significant assets of your Franchised Business (such as clients) without our advance written approval of the sale and buyer, we will be entitled to receive monetary damages from you. In the event of an unauthorized transfer of Franchisee's Franchised Business(es) to a third party, individuals who sign this Agreement on behalf of Franchisee(s) or as Franchisees will be personally responsible (will be "Guarantors") for payment of the following payments to be paid to Franchisor and shall pay to Franchisor fifteen percent (15%) of the purchase price paid to Franchisee(s) and Guarantors by the third party purchaser. Franchisee(s) and Guarantors, jointly and severally, also agree to pay Franchisor liquidated damages in the amount of the total amount of Service Fees collected in the five (5) years prior to the breach. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty, and Franchisee(s) shall pay them to Franchisor without limiting the Franchisor's right to terminate this agreement for default as provided elsewhere in the Franchise Agreement. Franchisees and Guarantors agree that they will be personally responsible to pay the damages described in this Paragraph in the event they are applied. The provisions of this Paragraph shall be applicable to all Visiting Angels franchises owned by the Franchisee(s).

In the event that you offer your franchise for sale/transfer: If the Protected Territory that comprises the zip codes listed in this Agreement (3.1) exceeds 400,000 population, it

may, at our option, be required by us to be sold/transferred separately as two or more separate Franchised Businesses to one or more separate individuals/entities.

11.2 Right of First Refusal: You agree to provide us with a right of first refusal to purchase your Franchised Business in the event that you desire to sell it. The right of first refusal is effective at any time that you receive an offer from a bona fide third party to purchase the Franchised Business. At that time you must communicate the offer to us in a writing which provides specific details regarding the offer. We then have 30 days from the date upon which we receive written notice of the offer within which to purchase the Franchised Business on the same terms as offered by the third party. We must notify you in writing within said 10 days of our intent to purchase. If you do not receive such a notification from us within 10 days, you may then sell to the bona fide third party. If the terms of any offer to purchase your Franchised Business should change materially in any way, this will be regarded as a new offer from the bona fide third party, which must then be communicated to us so that we will have the opportunity to match the offer. In the event that the franchise has been financed in full or in part by the SBA, LAS Inc. (nor any Third Party Assignee of LAS Inc.) will not exercise the option for any partial sale of the franchisee's business. LAS Inc. (nor any Third Party Assignee of LAS Inc.) may not become a partial owner of any SBA financed Visiting Angels franchises.

11.3 Restrictive Covenants After the Franchise is Sold: After you sell the Franchised Business you agree not to engage in any home caregiving business (and/or caregiver staffing for custodial and/or healthcare institutions) either directly or indirectly, as an owner, partner, consultant, director, or in any other capacity for a period of two (2) years from the date of that you sell your Franchised Business within a distance of twenty miles from your Protected Territory. During this period, you may accept employment in any capacity you choose with any non-medical private duty or medical home healthcare agency/provider that is not owned in any part by you nor any of your relatives and was organized at least 6 months prior to the expiration or termination of your franchise.

During the 2 year non-compete period, you will be liable for damages in the event that you violate this covenant not to compete in the amount of 15% of the Gross sales generated by any such endeavor in which you may be engaged. If you own more than one Franchise in our System and you retain ownership of one or more Franchised Businesses, you will be permitted to continue operation of the Franchise(s) that you continue to own and the Franchise Agreement will remain in force regarding the Franchise(s) that you have retained.

11.4 Assignment To Heirs: If you should die during the term of the Franchise or become incapacitated, the Franchise may be assigned to your heirs or other assignee(s) without first offering it to us so long as the heirs or assignee successfully completes our initial training program, is approved by us, pays us a training Fee of in the amount of \$3,500, and signs our then current franchise agreement. An assignee who is not an heir would have to be approved by us (which approval shall not be unreasonably withheld) and sign the then current franchise agreement.

11.5 *Assignment To Business Entities:* This Agreement may be assigned by you to a controlled business entity (after providing notice to us) that is wholly owned by any of the individuals named as franchisees (or members/stockholders) in this agreement (and no others) provided that you sign a personal guarantee of performance of the non-compete provisions in of this Agreement.

11.6 *Legend:* All shares of capital stock of your corporation must bear a legend which informs a potential assignee of those restrictions regarding assignment of the Franchise Agreement which would be material to the sale of the Franchised Business.

11.7 *Our Right to Assign Franchisor Corporation:* We reserve the right to sell or assign, in whole or in part, our interests and/or obligations to you under this Agreement. We may, at our sole discretion, sell our interest in our Franchisor corporation to any third party.

12. **EVENTS OF DEFAULT, CANCELLATION OR TERMINATION**

We may terminate your Franchise in the event you are in default of any of the provisions of this Agreement and, with the exceptions which shall justify immediate termination, in the event the default is not remedied within 30 days following receipt of written notice, served by electronic mail or U.S. Postal Service. You agree that the following defaults (however not limited to the following) shall at our discretion, justify termination if not corrected within 30 days of your receipt of written notice by us.:

(6) If you make an unauthorized assignment or transfer of the Franchise, or a majority of the stock in your Franchised Business entity or a significant portion of the assets of the franchise (such as clients) or encumber the Franchise;

(7) If you fail to pay monthly Service Fees for 3 consecutive months, or are in arrears for 3 or more non-consecutive months (and/or fail to submit required reports of Gross Revenues or other required reports including home care lead summaries, for 3 or more non-consecutive months);

(8) If you move/relocate the Franchised Business location without our advance approval or establish the Franchised Business in a location that is outside of your Protected Territory;

(9) If you are convicted of a felony or are declared mentally incompetent under a judicial verdict or by civil or criminal Court proceeding;

(10) If you make an assignment for the benefit of creditors or an admission of an inability to pay your obligations, as they relate to the Franchise, as they become due;

(11) If you have more than one franchise and any one of the corresponding franchises is terminated by us for any reason;

(12) If the Franchised Business or you declare personal bankruptcy, voluntary or involuntary, or shall become insolvent, and/or have a receiver appointed for any portion of your property;

(18) If we receive five (5) or more complaints from your actual or potential clients that you have failed to respond to their requests for information/service within a twenty-four (24) hour period or if we determine that the previous has been the case;

(19) If we can reasonably determine that you are no longer competent to operate your Franchised Business and you have not assigned the management of the Franchise Business to an individual who is approved in advance by us.

12.5 You May not Withhold Payments: You agree that you will not withhold any payments whatsoever which are required to be paid to us according to this Agreement.

12.6 Your Right to Terminate Your Franchise: You may terminate the Franchise with our written consent upon written notice to us, subject to the termination conditions described and the restrictive covenants in this Agreement (Non-compete, Non-Disclosure, Obligations upon termination, paragraphs 12.7 13, 13.1 & 13.2).

12.7 Intellectual Property:

a) *Non-Disclosure:* In the course of your association with us, you will obtain knowledge of valuable information, training manuals, vendor lists, lists of franchisees, trade secrets, marketing methods, marketing and promotional materials, graphic designs and layouts, business affairs, and methods of doing business. All information which we provide to you shall be considered strictly confidential and you agree that you will not, directly or indirectly, both during the term of this Agreement and after the termination, expiration, assignment or transfer of your rights under this Agreement for any reason, make available to any person, firm, corporation or association such confidential information as described in this Paragraph without our specific written consent.

i) We reserve the right to require all of your employees and attendees of training to sign an agreement which prohibits the unauthorized disclosure of confidential information.

ii) You agree that our list of franchisees will not be utilized by you for any purpose that is not authorized in advance by us. You agree that you will not mail, fax and/or e-mail any information to our franchisees without receiving written permission from us in advance (this sentence will not be applicable to e-mails sent to individuals or groups of five (5) individuals or less which do not contain information that is similar in content to that which you may send to other Visiting Angels Franchisees. It will also not be applicable to you if you are elected/assigned to a position as director to a franchisee council and/or team leader and must send such notices to fulfill requirements of this position).

b) *Copyright Protection:* We own valuable copyright rights and other rights in all written materials and other materials described in Paragraph 12.7 which we provide to you during the term of the Franchise ("Materials") used in connection with the operations, marketing and promotion and of our business services; we desire to protect the integrity of our copyrights and to preserve our rights in these works. To protect our copyright and other rights in these works, we will assert from time to time various restrictions on your use of the Materials. These are necessary to insure that the rights to our copyrights are preserved.

i) In order to maintain the quality reputation and the rights in the Materials, all advertising and promotional material relating to our business and its services which contain any written material provided by us must receive our approval in the manner provided in this Agreement. Approval may be granted or withheld at our sole discretion.

ii) You agree not to make any unlicensed use of the Materials and agree that you shall at no time do anything which will in any way impair our rights in the copyright works. You understand that you shall not acquire, and shall not claim any title to the copyright works by virtue of any license granted in this Agreement or through your use of the Materials.

iii) Your use of any Materials shall display in every instance the appropriate copyright notice as we provide to you. The following notice shall appear at least once on each item of artwork or designs used with the Marks on promotional or packaged materials: "Copyright, LIVING ASSISTANCE SERVICES, INC." (Year of First Publication). If you fail to comply with these provisions for copyright protection we will have grounds to immediately terminate your Franchise.

13. OBLIGATIONS OF THE FRANCHISEE UPON TERMINATION

In the event of termination or non-renewal of the Franchise, you agree that you shall immediately upon the effective date of termination or non-renewal comply with the following:

a) *Proprietary and Confidential Information:* You shall discontinue the use of any and all of our proprietary and confidential information including but not limited to operations methods, designs, service regimens, formulas, employee screening, marketing techniques, etc., in connection with the operation of your Franchised Business. You must return to us all manuals, advertising materials and printed material pertaining to the Franchised Business.

b) *Discontinue Use of the Marks:* You must immediately discontinue the use of any and all of the Marks or any other trademarks, servicemarks or tradenames which we may use, or any variations of our names or names which are confusingly similar to our names. This shall include the immediate cessation of use of all telephone numbers, advertising materials, signs and other materials which bear the Marks. All telephone numbers used by you (for the Visiting Angels franchise business) shall be assigned to us upon termination/expiration of the franchise. You agree to contact your telephone company immediately upon termination/expiration of the franchise to arrange the telephone number assignment to us. In the event that we direct you not to assign the Visiting Angels telephone number to us, you agree to disconnect it and direct the telephone company to refer all callers to our toll-free number or to the number that we direct you to refer your number to.

c) *Termination of Association:* You must cease from representing to the public and trade contacts that you are a member of our Franchise System.

13.1 Post Term Obligations:

a) *Diversion of Business:* Upon termination, transfer, or expiration of the Franchise, you must not attempt to divert business or customers to any establishment in competition with our franchisees.

b) *Injunctive Relief:* You acknowledge that damage caused to us and our franchisees for failure to comply with the provisions of Paragraph 13 and 13.1 are irreparable. You agree that we shall be entitled to seek injunctive relief in addition to any other relief that may be available to us.

13.2 Restrictive Covenants After Your Franchise is Terminated or Expires: After your Franchise is terminated or its term has expired, you may not continue to engage in any home caregiving business for homebound elderly and convalescing clients (and/or caregiver staffing for custodial and/or healthcare institutions) either directly or indirectly, as an owner, partner, consultant, director, or in any other capacity for a period of two (2) years from the date of termination within a distance of twenty miles from any part of your Protected Territory. During this period, you may accept employment in any capacity you choose with any non-medical or medical home healthcare agency/provider that is not owned in any part by you nor any of your relatives and was organized at least six (6) months prior to the expiration or termination of your franchise (except for any franchised home care company). In the event that you violate this restrictive covenant, you will be required to furnish the reports and other materials required by this Agreement with respect to all Gross Revenues collected for a period of two (2) years after transfer, termination, or expiration of your rights under this Agreement. You will be liable for damages in the event that you violate this covenant not to compete in the amount of 15% of the Gross sales generated by any such endeavor in which you may be engaged. Franchisee(s) and Guarantors acknowledge and agree that due to the expanding size of Franchisee's Franchised Business(es), in the event of a breach of the Franchise Agreement, the Franchisor will incur substantial economic damages and losses of types and in amounts which are impossible to compute and ascertain with certainty. Therefore, in the event of any breach of the Franchise Agreement, resulting in termination of the Franchise, and in the event that the Franchisee(s) fails to adhere to Paragraphs 13, 13.1 & 13.2 and instead, continues to engage in a home care business, Franchisee(s) and Guarantors, jointly and severally, also agree to pay Franchisor liquidated damages in the amount of the total amount of Service Fees collected in the five (5) years prior to the breach. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty, and Franchisee(s) shall pay them to Franchisor without limiting the Franchisor's right to terminate this Agreement for default as provided elsewhere in the Franchise Agreement. Franchisee(s) and Guarantors agree that they will be personally responsible to pay the damages described in this Paragraph in the event they are applied. The provisions of this Paragraph shall be applicable to all Visiting Angels franchises owned by the Franchisee(s).

Upon the expiration or termination of this Agreement, or expiration/termination of any extension or renewal thereof, you agree to file Notice of Abandonment of the use of said trade name with any appropriate governmental agency. If you are located in a State in which any of our restrictive covenants cannot be enforced, in the event that the franchise is terminated by you or us and/or expires, you agree that you will not continue to use our Marks and/or establish a similar business using our Marks, marks that are confusingly similar to ours or any marks that use the words "visiting" and/or "angel" or "angels" (or a derivative of angels) in them.

14. RELATIONSHIP OF THE PARTIES

The Parties to this Agreement are strictly Franchisor and Franchisee. You are not a partner, agent, servant, fiduciary, representative or employee or joint venture partner with us. You do not have, nor shall you hold yourself out as having any right, power or

authority to create any contract or obligation, either expressed or implied, on behalf of us, in our name, or which is binding upon us. Any act or omission by either party shall not obligate the other. You agree to protect, indemnify and save us as harmless against any and all claims, including but not limited to claims for punitive damages, costs and liabilities of any kind in connection with your Franchised Business. You shall, upon our request, post notice that you are a franchisee of LIVING ASSISTANCE SERVICES, INC.

15. **COVENANT NOT TO COMPETE**

You acknowledge that as a participant in our Franchise System, you will receive confidential information and materials, trade secrets, and the unique methods, procedures and techniques which we have developed. Therefore to protect us and all of our franchisees, you agree: that while you are a VISITING ANGELS Living Assistance Services Franchisee, you shall not engage in any home caregiving business to include non-medical home care and home health services for adult clients (and/or caregiver staffing for custodial and/or healthcare institutions) other than the one in this Agreement within the continental United States and Canada. Engaging shall include, but not be limited to, activities whether direct or indirect, as an employee, individual proprietor, partner, stockholder, director, officer, principal, broker, agent, employee, consultant or lender. This section shall not be construed as prohibiting ownership, for investment purposes only, of securities of a competitive corporation which are publicly held and traded. If you are found to be engaging in a competitive business as described in this Paragraph while a Franchisee, you agree to pay to us, damages equal to 15% of the Gross Revenues generated by the endeavor. Payment of damages shall not preclude us from filing any other claims we believe are appropriate, to include injunctive relief without the posting of any bonds in the event of a violation of this provision, or any provision in this Agreement. Failure on your part to comply with the terms of this Agreement could cause irreparable damage to our Franchise System. It is our intent to have the non-compete provisions of this Agreement enforced to the fullest extent permissible under the law of each jurisdiction where such enforcement is sought. Notwithstanding any provision of the Franchise Agreement, during the term of the Agreement, you may not accept employment in any capacity with any non-medical or medical home healthcare agency/provider. You agree that you do not own a business that provides services similar to those that will be provided to customers through the Franchise (except for an additional Visiting Angels Franchise) and will not divert any home care leads that you receive to any competitive agency (except to other Visiting Angels franchises).

If you own or acquire another business that is not relevant to any part of this Agreement (Unrestricted Business), you may not sell Visiting Angels home care services to any of your clients/customers of the Unrestricted Business that reside outside of your Protected Territory.

15.1 *Competitive Activities by Others:* All non-compete covenants will apply to any business entity which is established as a competitive non-medical private duty home care services business entity or home health care business entity in which it is demonstrated that you are participating or cooperating as co-owner, shareholder, agent or employee, in violation of our restrictive covenants.

16. **WAIVER**

A waiver of any violation of this Agreement shall not impair your rights or ours with respect to any further violations; and no delay or omission on our part or yours to exercise any right arising from any violation of this Agreement shall impair the rights of the parties as to any future violations.

17. **NOTICE**

All notices under this Agreement shall be in writing and delivered by United States Postal Service (or private shipping carrier such as Federal Express) and email transmission, addressed to the party's last known address (and email address) or to the registered agent for service of process in the Franchisor's home state.

18. **SEVERABILITY**

If any portion of this Agreement is held to be invalid or unenforceable, the remaining portion shall remain in full force and effect as if it has been signed with the invalid portion omitted.

19. **JURISDICTION, VENUE AND CONTROLLING LAW**

Except as otherwise stipulated in this Agreement, or unless contrary to the fundamental public policies of applicable law of your State, this Agreement shall be governed by and enforced in accordance with the laws of the State of Pennsylvania except for Illinois franchisees whose franchise agreements will be governed by and enforced by the laws of the State of Illinois. Both parties consent to jurisdiction and venue as follows: Federal Court in the State of Pennsylvania (District where Franchisor is located), (or State of Illinois for Illinois franchisees), counties of Philadelphia (Federal District Court) and/or Delaware County (State District Court) and any legal proceedings arising out of this Agreement shall be brought only in such Court (Jurisdiction and venue will be the State of Maryland for Maryland residents for claims arising under the Maryland Franchise Registration and Disclosure Law).

20. **PERSONAL PERFORMANCE GUARANTEE**

If the franchisee is a corporation (and/or business entity) no individual/stockholder will be personally responsible for performance of any provisions in this Agreement (to include Service Fees) except for the non-compete covenants. Each natural person who signs this Agreement as "Franchisee", or has rights to your Franchise and Franchised Business whether as an individual, partner or shareholder, promises that all persons with an ownership interest (which includes, but is not limited to, any person receiving or with a right to receive part or all of the dividends and/or profits of your Franchised Business) in your Franchised Business have signed this Agreement even if each such person has not actually signed this Agreement, and that this Agreement represents a personal guarantee of performance with respect to all restrictive covenants within this Agreement (9.11; 11.3; 12.6; 13; 13.1; 13.2; 15; 15.1).

The Franchise is not transferable without compliance with the terms specified in this Agreement, and individually, jointly and severally you agree to and accept the following duties and obligations:

1. To Guarantee all obligations of the Franchisee (known as "you" or "your") under this Agreement, and to be bound individually by the provisions hereof (Notwithstanding any other provisions of this Agreement, the personal liability of the Franchisee or any guarantor hereunder is limited to the restrictive covenants written in this Agreement);

2. That all remedies available against you shall be available and enforceable against each and every person having an equity ownership in your Franchise.

21. **ENTIRE AGREEMENT**

This Franchise Agreement contains the entire Agreement between the Parties with respect to the matters covered by this Agreement. There are no representations either oral or written, except those contained in this Agreement. This written Agreement includes all representations between the parties. Any modifications to this Agreement must be written and signed by both parties. Nothing in this Agreement is intended to disclaim the representations made in the Franchise Disclosure Document which has been delivered to the Franchisee.

a) *Independent Investigations:* Each person included as a Franchisee acknowledges that he/she has conducted an independent investigation of the Franchised Business contemplated by this Agreement and recognizes that it involves business risks which make the success of the venture largely dependent upon your business abilities and efforts. You acknowledge that you have been given the opportunity to clarify any provision of this Agreement that you may not have initially understood and that we have advised you to have this Agreement reviewed by an attorney.

b) *No Guarantees of Earnings:* You understand that neither we nor any of our representatives and/or agents with whom you have met or with whom you have spoken or corresponded have made any guarantees with respect to the expected success of your Franchised Business, and have not and are not in any way representing or promising any specific amounts of earnings or profits in association with your Franchised Business. You acknowledge that we have not told you that we have any responsibility to secure clients for you or assist in securing clients or business for you and you agree that we cannot be held responsible in the event that you fail to secure clients/business in your own interest.

c) *No Personal Liability:* You agree that fulfillment of any and all of our obligations written in this Agreement or based on any oral communications which may be ruled to be binding in a Court of Law shall be the sole responsibility of LIVING ASSISTANCE SERVICES, INC. and no agent, representative, nor any individual associated with LIVING ASSISTANCE SERVICES, INC. shall be held responsible. This is an important part of this Agreement. You agree that nothing that you believe you have been told by us

or our representatives shall be binding unless it is written in this Agreement. This is an important part of this Agreement. Do not sign this Agreement if there is any question concerning its contents or any representations made.

22. ACKNOWLEDGEMENT OF RECEIPT

You acknowledge that this Agreement and our Franchise Disclosure Document (dated April ____, 2023) including our audited financial statement and current list of franchisees have been in your possession for at least 14 (fourteen) calendar days before you signed this Agreement and that any changes to this Agreement were in writing in this Agreement for your review for at least seven (7) calendar days before you signed this Agreement.

APPENDIX B

ADDENDUM TO AGREEMENT REGARDING COMPLIANCE WITH THE LAWS OF THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims

under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

Independent Auditor's Report

To the Stockholders
Living Assistance Services, Inc.
Bryn Mawr, Pennsylvania

Opinion

I have audited the accompanying financial statements of Living Assistance Services, Inc., which comprise the balance sheets as of December 31, 2022, 2021 and 2020, and the related statements of operations and retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Living Assistance Services, Inc. as of December 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Living Assistance Services, Inc. and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Living Assistance Services, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Independent Auditor's Report -- Continued

Auditor's Responsibility for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Living Assistance Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Living Assistance Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Note A--Nature of Operations and Significant Accounting Policies

Nature of Operations

Living Assistance Services, Inc. (Company) was incorporated in Delaware on September 25, 1998. The Company is primarily engaged in promoting franchises in the living assistance industry throughout the United States.

Significant Accounting Policies

Use of Estimates. Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual results could differ from these estimates.

Receivables. The Company's franchise and royalties receivables are reported at net realizable value. Management concluded that, based on its review of its receivable balances, valuation allowances are needed. Management writes off balances that remain after exhausting all reasonable collection efforts and concludes that additional collection efforts are not justified.

Revenue Recognition. Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligation in the contract; determining the transaction price; allocating the transaction price to the performance obligation; and recognizing revenue when (or as) the Company satisfies a performance obligation. Royalties are recognized as revenue when actually earned and deemed collectible from franchisees. Advertising fees are recognized as revenue pursuant to franchise agreements.

Franchise Fees. The Company sells franchises that grant the right to use the Company's intellectual property in developing franchisees in designated areas. The franchise agreement requires the franchisee to pay initial nonrefundable franchise fees prior to opening its respective franchised location and continuing fees, or royalty income on a monthly basis based upon a percentage of franchisee gross sales. The franchisee agreements are typically ten (10) years. A franchisee may elect to renew the term of the franchise agreement and, if approved, will typically pay a renewal fee upon the execution of the renewal term.

Generally, the franchise license granted for each individual franchisee within a defined territory represents a single performance obligation. Therefore, initial franchise fees for each are allocated to each franchisee. The Company's franchise sales are distinct from the ongoing franchise license and relate to the activities of a new franchisee and are recognized in the period that services are rendered to the franchisee. The Company incurs significant pre-opening costs relating to the selling, training and other common start-up expenses that exceed the initial franchise fee, therefore recognizing the initial franchisee fee in the year a franchisee is trained. This is consistent in the comparative periods presented.

Royalties. Continuing service income is recognized over the term of the respective franchise agreement as royalties earned for each monthly period derived from the appropriate percentage of monthly franchisee sales. This is consistent in the comparative periods presented.

December 31, 2022

Note A--Summary of Significant Accounting Policies--Continued

Co-Op Advertising Fees. The Company's franchise agreements require the franchisee to pay continuing advertising fees. Continuing advertising fees are also recognized over the term of the respective franchise agreement on a monthly basis using the appropriate percentage of monthly sales. The Company's advertising fund for December 31, 2022 and December 31, 2020 was over-spent, advertising costs incurred were more than revenue recorded. The Company's advertising fund for December 31, 2021 was under-spent, advertising costs incurred were less than revenue recorded. The Company contributed to the fund in the amount of the excess. Therefore, co-op advertising fees received in advance in the Company's financial statements remained unchanged at year end. This is consistent in the comparative periods presented.

Adoption of New Accounting Standard. In May 2014, the Financial Accounting Standards Board (FASB) issued new guidance for revenue recognition related to contracts with customers (ASC 606). Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers and all subsequent amendments to the ASU, replaced most existing revenue recognition guidance in United States GAAP. The ASU also required expanded disclosures relating to the nature, amount, and uncertainty of revenue and cash flows arising from contracts with customers. The Company adopted ASC 606 using the modified retrospective method applied to all contracts not completed as of January 1, 2019. Results for reporting periods beginning after January 1, 2019 are presented under ASC 606 while prior period amounts continue to be reported in accordance with legacy GAAP. The adoption of ASC 606 did not result in a change to the accounting for the Company's franchise fees, royalties or Co-op advertising fees, and no cumulative effect adjustment was recorded.

In January 2021, FASB issued ASU No. 2021-02, offering a practical expedient for pre-opening services that franchisors that are not public business entities can use when applying ASC 606. The Company adopted the practical expedient to account for certain pre-opening services provided to franchisees as distinct from franchise licenses.

Property and Equipment. Property and equipment is stated at cost less accumulated depreciation and amortization. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of the remaining term of the lease or the useful life of the improvement utilizing the straight-line method. Repairs and maintenance are charged to expense as incurred.

Advertising Expenses. Advertising expenses includes advertising expenses incurred by the Company primarily through advertising funds. The Company expenses advertising and promotional costs when incurred.

Income Taxes. The stockholders have elected S corporation status effective January 1, 2009. Earnings and losses after that date will be included in the personal income tax returns of the stockholders and taxed depending on their personal tax strategies. Accordingly, the Company will not incur additional income tax obligations, and future financial statements will not include a provision for income taxes. The Company will not elect out of its federal S corporation election for state income tax purposes. The Company had no uncertain tax positions, or interest and penalties, that qualify for either recognition or disclosure in the financial statements. The Company is no longer subject to U.S. federal, state and local income tax examinations by tax authorities for years before 2019.

Note D--Common Stock Arrangements

The Company's stock purchase agreements provided opportunities of acquiring its nonvoting common stock. Two arrangements offered one (1) percent of the total number of shares issued, or fifteen (15) shares, at the end of its first year. If renewed for an additional one year term, an additional one (1) percent of the total number of shares, or fifteen (15) shares, was issued at the end of its second year. All nonvoting common stock, sixty (60) shares, was issued pursuant to these agreements. The remaining shares are held by the Company's principal stockholder.

State Disclosures

Required State Disclosures For California:

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the franchise disclosure document.

The franchisor, any person or franchise broker in Item 2 of the FDD is (or not) subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

OUR WEBSITE, <https://www.visitingangels.com/>, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.gov.

- a. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.
- b. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.).
- c. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

- d. The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
- e. The Franchise Agreement requires application of the laws of Pennsylvania. This provision may not be enforceable under California law.
- f. California Corporations Code, Section 31125 requires us to give you a disclosure document, approved by the Department of Corporations before a solicitation of a proposed material modification of an existing franchise.
- g. You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000. Through 31516). Business and Professions Code Section 20010 Voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).
- h. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Required State Disclosures for Connecticut:

The State of Connecticut does not approve, recommend, endorse or sponsor any business opportunity. The information contained in this disclosure has not been verified by the state. If you have any questions about this investment, see an attorney before you sign a contract or agreement.

Required State Disclosures for Illinois:

Illinois law governs the Franchise Agreement.

(815 ILCS 705/4) (from Ch. 121 1/2, par. 1704)

Sec. 4. Jurisdiction and venue. Any provision in a franchise agreement that designates jurisdiction or venue in a forum outside of this State is void, provided that a franchise agreement may provide for arbitration in a forum outside of this State.

(Source: P.A. 88-256.)

(815 ILCS 705/41) (from Ch. 121 1/2, par. 1741)

Sec. 41. Waivers void. Any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act or any other law of this State is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

**AMENDMENT TO THE LIVING ASSISTANCE SERVICES, INC.
FRANCHISE AGREEMENT
FOR THE STATE OF ILLINOIS**

The Franchise Agreement between _____ (“Franchisee” or “you”) and Living Assistance Services, Inc., d/b/a Visiting Angels (“Franchisor”), dated _____ (the “Franchise Agreement”) shall be amended by the addition of the following language, which should be considered an integral part of the Franchise Agreement (the “Amendment”).

Illinois Law Modification

The Illinois Franchise Disclosure Act requires that certain provisions contained in franchise documents, including the Franchise Agreement, be amended to be consistent with Illinois law. Therefore, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, the modification set forth below shall be controlling:

1. The provisions of the Illinois Franchise Disclosure Act of 1987 (the “Act”) shall supersede any provisions of the Franchise Agreement which are in conflict with the Act.
2. Section 41 of the Illinois Disclosure Act states that “any condition, stipulation, or provision purporting to bind any person acquiring any franchisee to waive compliance with any provision of this Act or any other law of Illinois is void.” Nothing in the Franchise Agreement waives any rights Franchisee may have under Section 41 of the Illinois Disclosure Act of 1987.
3. The Franchise Agreement, Development Agreement and related documents by and between us and you will be governed by the laws of the State of Illinois and not the laws of the Commonwealth of Pennsylvania.
4. While the Franchise Agreement designates jurisdiction or venue in the Commonwealth of Pennsylvania, you may bring a lawsuit in Illinois for claims arising under the Illinois Franchise Disclosure Act or any other cause of action which is otherwise enforceable in the State of Illinois. Therefore, any provisions in the Franchise Agreement that designate jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.
5. The conditions pursuant to which your franchise can be terminated and any rights upon non-renewal may be subject to applicable provisions of the laws of the State of Illinois. Franchisees’ rights upon Termination and Non-renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

Required Disclosures For Rhode Island:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that "A provision in a Franchise Agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

Required State Disclosures for Virginia:

VIRGINIA (Code 13.1-557-574-13.1-564), provides rights to the franchisee which may supersede the Franchise Agreement. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

Required State Disclosure for the State of Washington:

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.
