What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in the state of Nebraska. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Nebraska than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit B for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN NEBRASKA. OUT-OF-STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE WITH US IN NEBRASKA THAN IN YOUR OWN STATE.
2. THE FRANCHISE AGREEMENT STATES THAT NEBRASKA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.
3. IF YOU FAIL TO COMPLY WITH THE OPERATING MANUAL OR MEET THE REQUIRED MINIMUM SALES VOLUME, WE RETAIN THE RIGHT TO MODIFY THE SIZE OF YOUR TERRITORY OR TERMINATE YOUR FRANCHISE (SEE ITEM 12).
4. THE FRANCHISE AGREEMENT STATES THAT WE WILL COLLECT ALL GROSS RECEIPTS AND AUTOMATICALLY DEDUCT ALL APPLICABLE FEES. YOUR PORTION OF THE GROSS RECEIPTS WILL BE PAID OUT TO YOU ON THE 15TH DAY OF THE FOLLOWING MONTH. THIS CAN IMPACT YOUR CASH FLOW.
5. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS,
PREDECESSORS, AND AFFILIATES

This franchise is being offered by National Hunting Lease Network, L.L.C., which will be referred to in this disclosure document as “NHLN.” NHLN does business under the names National Hunting Lease Network and Hunting Lease Network®. NHLN is a Nebraska limited liability company that was formed on October 1, 2004. NHLN’s principal business address is 11516 Nicholas Street, Suite 100, Omaha, Nebraska 68154-8016.

The sole member of NHLN is Farmers National Company, a Nebraska corporation that was incorporated on November 22, 1929 (“Farmers National”). Farmers National is a wholly-owned subsidiary of FNC, Inc., a Nebraska corporation that was incorporated on May 30, 2000 (“FNC”). Farmers National and FNC may each be referred to in this disclosure document as a “parent” or an “affiliate” of NHLN. Since NHLN acquired the major portion of its assets from Farmers National upon its formation, Farmers National may also be referred to in this disclosure document as the “predecessor” to NHLN. The principal business address of both Farmers National and FNC is 11516 Nicholas Street, Suite 100, P.O. Box 542016, Omaha, Nebraska 68154-8016.

Neither Farmers National nor FNC offer franchises in any line of business. Both Farmers National and FNC may provide products and services to NHLN’s franchisees. NHLN does not have any other affiliates that offer franchises in any line of business or provide products or services to NHLN’s franchisees.

NHLN’s agents for service of process are listed in Exhibit C of this disclosure document.

NHLN franchises the right to market, negotiate, and manage license agreements between landowners, hunters, and anglers for hunting and/or fishing rights within a particular geographic area using proprietary systems and techniques. These license agreements are commonly referred to in the industry as hunting leases or fishing leases and will be collectively referred to in this disclosure document as “Hunting Leases.”

NHLN has offered franchises for this type of business since its formation in 2004, and has never offered franchises for any other type of business. Farmers National has previously operated this type of business as a single company-owned business operated by its employees, but has not previously offered franchises for this business or any other type of business. NHLN does not currently engage in any business activities other than the sale and maintenance of franchises in the Hunting Lease Network® and the marketing and management of license agreements between landowners, hunters, and anglers for hunting and/or fishing rights on land managed by NHLN or Farmers National.

Farmers National, the predecessor to NHLN, is a national farm management company that manages farms and ranches. Farmers National also offers a complete range of agricultural services including real estate sales, appraisals, habitat/conservation services, insurance, oil & gas management, and commodity marketing. Farmers National has operated a business of the type

being offered to you in this disclosure document since 1994, and developed the Hunting Lease Network® in 2002. NHLN was assigned all rights to the Hunting Lease Network® as of October 1, 2004, and has continuously operated a business of the type being offered to you in this disclosure document for all non-franchised territories since that time.

The general market for your franchise is made up primarily of entrepreneurs, hunters, outdoor enthusiasts, small business owners, and real estate professionals. The peak season for this business is during the various hunting and fishing seasons (typically between April and December). Your competitors may include local and regional real estate brokers and hunting lease managers.

You must comply with all rules and regulations governing the marketing, negotiation, and management of Hunting Leases in your state and all rules and regulations governing businesses generally, including the payment of any taxes levied as a result of operating your franchise. You must also comply with all applicable hunting, fishing, or similar wildlife protection laws and regulations, whether federal, state, or local. Failure to comply with these laws, or failure to report a violation to NHLN, may result in termination of your franchise. Some states require a real estate broker's license, or other similar license, for the marketing, negotiation, and management of Hunting Leases. NHLN makes no representations as to whether or not your operation of a Hunting Lease Network® franchise will constitute the sale or leasing of real estate in your particular state. It is your responsibility to check with your state's real estate commission or other applicable licensing agency to determine whether or not your state requires a license. To the extent you have or obtain a real estate license, your license must list NHLN, its predecessor, FNC, or its affiliates, as the real estate broker.

The franchisee fee will be used to cover NHLN's costs in reviewing and approving your franchise application, training you and your employees, assisting you in the development and operation of your franchise, and developing and maintaining the franchise system.

Before signing the Franchise Agreement, but no earlier than 14 calendar-days after you receive this disclosure document, NHLN may, in its sole discretion, offer you the option to deposit \$7,500.00 of the initial franchise fee to reserve a particular franchise territory. NHLN will apply the deposit toward payment of the initial franchise fee when you sign your Franchise Agreement. If you choose not to make a deposit, or if this option is not offered to you, your franchise territory will not be assigned until you sign your Franchise Agreement.

FOOTNOTES TO "OTHER FEES" CHART:

Note 1: “Gross Sales” means all sales, billings, and receipts, including cash sales and sales on account, monies billed or received for landowner fees, website listing fees, hunting lease liability insurance premiums and processing fees, and any other goods or services whether performed by you or subcontracted, and monies billed or received, or the monetary value of billings or receipts, in connection with trade or barter agreements. (Franchise Agreement ¶ 1.3).

Note 2: “Royalty Sales” means Gross Sales less hunting lease liability insurance premiums, hunting lease liability insurance processing fees, and any amounts billed or received as damage deposits. (Franchise Agreement ¶ 1.5).

Note 3: All Gross Sales (See definition in Note 1) will be submitted directly to NHLN for processing. NHLN will automatically deduct your royalty fee and your hunting lease insurance premiums and processing fees from your Gross Sales. NHLN will then pay the remaining amount to you on a monthly basis via electronic funds transfer or check. (Franchise Agreement ¶¶ 3.2, 9.11, and 10.6).

Note 4: NHLN will procure a master umbrella liability insurance policy from a third-party insurance company for each Hunting Lease in your territory issued to non-commercial hunters and anglers. The premiums for this coverage are determined by the third-party insurance company and collected by NHLN for payment to the third-party insurance company. Separate from the insurance premiums, NHLN charges a processing fee for coordinating and maintaining the master umbrella policy for each Hunting Lease in your territory. The current insurance premium for a Hunting Lease includes a processing fee of \$150 and a \$0.1123 per acre fee. The amount of insurance premium and processing fee are subject to change at any time. (Franchise Agreement ¶ 10.7).

Note 5: Your initial franchise fee includes an initial training session for two people at NHLN’s office in Omaha, Nebraska. NHLN charges a fee of \$500 for each additional person attending the initial training session. (Franchise Agreement ¶ 5.1).

Note 6: Upon your request, NHLN will provide additional training at your office for a fee of \$500/day plus the cost of travel, lodging, and meals for NHLN’s representative(s). (Franchise Agreement ¶ 5.3).

Note 7: It is recommended, although not required, that you purchase and distribute marketing and promotional materials for use in your franchise (e.g., booklets, flyers, and handouts). Your initial franchise fee covers the cost of an initial inventory of marketing and promotional materials. Additional materials may be purchased only from NHLN at NHLN’s cost plus 10%, or from NHLN’s approved supplier. The cost and the amount of additional marketing and promotional materials needed will vary according to your anticipated Gross Sales, the number of

landowners in your territory, demand for hunting and fishing on the land in your territory, and your individual marketing plan. NHLN estimates a typical franchisee will spend between \$2,000 and \$5,000 per year on marketing and promotional materials. See Item 8 in this disclosure document for additional information on expenses associated with marketing and promotional materials. (Franchise Agreement ¶ 9.5).

Note 8: A transfer fee must be paid by either you or your transferee before any sale or transfer of your franchise. This payment is in lieu of an initial franchise fee paid by your transferee. There is no transfer fee due if you transfer the franchise to a corporation or other entity which you control. (Franchise Agreement ¶ 14.3).

Note 9: NHLN and its representatives have the right to examine, copy, and audit your books, records, and tax returns to verify the accuracy of the Gross Sales reported by you to NHLN. If the audit shows a discrepancy of 2% or more from the Gross Sales previously reported by you to NHLN, you will be responsible for all costs of the audit, including travel expenses and legal and accounting fees. NHLN estimates these costs would range from \$2,500 to \$5,000. (Franchise Agreement ¶¶ 12.2 and 12.3).

Note 10: If you fail to pay when due any royalty fee or other fee you must pay, interest will accrue on the unpaid amount from the date the payment was due at the rate of 18% per annum, or if less, the highest interest rate permitted by law. Interest shall likewise accrue from the original date due for any discrepancy revealed during an audit of your books, records, or tax returns by NHLN or its representatives. (Franchise Agreement ¶ 3.3).

Note 11: You must pay a renewal fee to renew your franchise upon its expiration. This fee is due upon your signing of the then-current Franchise Agreement. (Franchise Agreement ¶ 4.3).

Note 12: You must indemnify and hold NHLN and its directors, officers, employees, and agents harmless from all costs, expenses, damages, liabilities or claims, including reasonable fees and expenses of counsel, arising as a result of your conduct or the operation or ownership of your franchise. (Franchise Agreement ¶ 13.2).

We do not offer financing for any part of your initial investment, either directly or indirectly. We also do not provide you with assistance in obtaining financing.

FOOTNOTES TO "INITIAL INVESTMENT" CHART:

Note 1: You must pay an initial franchise fee of \$15,000. See Item 5 of this disclosure document. (Franchise Agreement ¶ 3.1).

Note 2: NHLN may require a personal interview with you before accepting your franchise application. This interview may be held at the proposed franchise location, at NHLN's headquarters in Omaha, Nebraska, or at another location agreed upon by you and NHLN. You will be responsible for all travel, lodging, food, and other living expenses during your interview. This expense will vary based on the distance traveled, mode of travel, and food, entertainment, and lodging utilized during the interview. These expenses will be paid to airlines, restaurants, hotels, and other vendors as incurred.

Note 3: You (if you are an individual) or one of your principals (if you are an entity) must complete a mandatory training session to NHLN's satisfaction before opening your business. If you will not personally supervise your franchise on its premises, but hire a full-time manager to perform this supervision, your manager must also complete the mandatory training session to NHLN's satisfaction. Your training expense will vary based upon the number of people trained, distance traveled, mode of travel, time in training, food and entertainment expenditures, and salaries or other compensation paid by you to your employees during training. Your initial franchise fee covers the initial training fee for two people. However, you are still responsible for all travel, lodging, food, and other living expenses incurred during training. These expenses will be paid to airlines, hotels, restaurants, and other vendors as incurred. If you wish to have more than two people attend the initial training, you must also pay \$500 per additional person to NHLN before the training session. (Franchise Agreement ¶ 5.1).

Note 4: An office operated out of your personal residence may be acceptable, provided the location is approved in advance by NHLN. If you do not already own or lease adequate space, you must lease a location from which to operate your franchise. Unless otherwise approved in writing by NHLN, your office must be located within your territory. NHLN estimates you will need 400-600 square feet of space in a residence, office park, strip shopping center, stand-alone office building, or other similar location. Rent for your office is estimated to cost \$4,800-\$12,000 annually. Costs of commercial property and improvements will vary based on location, square footage, age and condition of the property, terms of the lease agreement, construction and material costs, and other factors. (Franchise Agreement ¶ 6.1).

Note 5: To operate your franchise, you will need a facsimile machine, computer system, software, printer, color scanner, digital camera, telephone with voicemail or answering machine, office furniture and fixtures, office forms including letterhead and business cards, and other basic office supplies. (Franchise Agreement ¶ 9.4).

Note 6: You have the option, but are not required, to purchase external signage for your business. The estimated cost range of \$0-\$500 provides for minimal external signage of the

facility from which your business will operate. Signage costs vary greatly and may exceed the projected amounts based on size of sign, style, material used, local contractor fees, landlord requirements, and local fees and permits. This estimate is considered to be reasonable for the type, material, and size of signage recommended for your franchise. (Franchise Agreement ¶ 9.8).

Note 7: Before opening your business, you must have comprehensive general liability insurance, automobile liability insurance, worker's compensation insurance, and any other insurance required by state law. You may choose, but are not required, to purchase your comprehensive general liability coverage through NHLN or NHLN's affiliate, Farmers National, if available. All other coverage must be purchased directly from an insurance provider approved by NHLN. (Franchise Agreement ¶ 9.6).

Note 8: Your landlord and utility companies may require that you provide a deposit before occupying the premises and before installing telephone, gas, electricity, or other utility services. You may also be required to pay fees for business licenses, incorporation fees, and legal fees.

Note 9: NHLN recommends, but does not require, that you purchase marketing and promotional materials and advertising for use in developing and growing your franchise. All marketing and promotional materials and advertising must be purchased from a supplier approved by NHLN. Your expense for marketing and promotional materials will vary based upon the amount of materials and advertising purchased, market location, local media cost, type of media used, your anticipated Gross Sales, number of landowners in your territory, demand for hunting and fishing on the land in your territory, and your individual marketing plan. (Franchise Agreement ¶¶ 9.5 and 9.7).

Note 10: This amount is an estimate of your initial start-up expenses and includes payroll costs. These figures are estimates and NHLN cannot guarantee that you will not have additional expenses in starting the business. Your costs will vary depending on factors such as: your adherence to NHLN's methods and procedures; your management skill, experience, and business acumen; local economic conditions; the local market for Hunting Leases; the prevailing wage rate; competition; amounts expended on advertising; amounts expended on marketing and promotional materials; and, the sales level reached during the initial period.

Note 11: NHLN has relied on its experience with its franchisees and on the experience of its predecessor and its managers in the Hunting Lease business to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To ensure quality and uniform service, you must operate your franchise under approved guidelines and procedures, and purchase supplies from approved suppliers in accordance with specifications and standards set forth by NHLN.

During the term of your franchise, NHLN will provide you with an Operating Manual containing mandatory and suggested specifications, standards, operating procedures, processes, rules, and techniques for the establishment and operation of your franchise. NHLN may modify the Operating Manual periodically, and will provide you with a written copy of all modifications. No modification to the Operating Manual will alter your fundamental status, rights, or obligations under the Franchise Agreement. Failure to follow the mandatory specifications and standards set forth in the Operating Manual, as amended, constitutes a material breach of the Franchise Agreement.

You may offer and/or sell only products and services which NHLN has authorized you to offer and/or sell. You may not, without our prior written approval, offer and/or sell any other products or services. You may purchase only approved brands, types, and models of equipment, signage, and supplies which meet NHLN's specifications, and only from suppliers approved by NHLN in its sole discretion.

NHLN recommends, but does not require, that you purchase marketing and promotional materials for use in developing and growing your franchise (e.g., booklets, flyers, handouts and signage). The amount of materials you purchase is solely your decision. Roberts Advertising Co., located in Omaha, Nebraska, FastSigns, located in Omaha, Nebraska and Voss Signs LLC located in Manlius, New York are currently the only approved suppliers of these materials. None of NHLN's officers own any interest in Roberts Advertising Co., FastSigns or Voss Signs LLC. For the fiscal year ending September 30, 2022, NHLN's revenue from the sale of these items was less than 1% of NHLN's total revenues. The cost of these materials in relation to your overall cost in operating your franchise will vary based on the amount of materials you purchase and your Gross Sales, number of landowners in your territory, demand for hunting and fishing on the land in your territory, and your individual marketing plan. In addition, for completed leases you are required to purchase from an NHLN approved supplier three signs to be posted on the property identifying it as "Leased" and a vehicle hang tag for each lessee. The current cost for such items per leased property is \$10 (including regular mail postage), with additional charges if overnight delivery is requested. These amounts are subject to change at any time based on market rates.

You must purchase supplies, including brochures, business cards, stationery, displays, company forms, and other products imprinted with the Hunting Lease Network® trademark, color scheme, and logo as required by NHLN, or as set forth in the Operating Manual. Roberts Advertising Co., located in Omaha, Nebraska, is the only approved supplier of these materials and NHLN does not anticipate approving another supplier at this time. None of NHLN's officers own any interest in Roberts Advertising Co. For the fiscal year ending September 30, 2022, NHLN's revenue from the sale of these items was less than 1% of NHLN's total revenues. NHLN estimates the cost of these materials will represent 2% of your overall cost in operating your franchise.

If you choose to advertise your franchise, you must purchase advertising through a supplier approved by NHLN. NHLN and its affiliates do not sell advertising and do not receive any revenue from your purchase of advertising. None of NHLN's officers own any interest in any approved supplier of advertising. The cost of advertising in relation to your overall cost in

operating your franchise will vary based on the type and amount of advertising you purchase, market location, local media cost, type of media used, market rates, and your individual advertising strategy.

You must purchase computer hardware, software, peripheral items, and equipment as specified by NHLN for the operation of your franchise, including the modification, upgrade or replacement of these items as required by NHLN or set forth in the Operating Manual throughout the term of the Franchise Agreement. NHLN will issue performance specifications for your computer equipment, but you may purchase the equipment from any supplier you choose. NHLN and its affiliates do not sell computer equipment and do not receive any revenue from your purchase of such equipment. NHLN estimates the cost of these items will represent 4% of your overall cost in operating your franchise.

You must maintain comprehensive general liability insurance for your franchise, with minimum policy limits of \$1,000,000.00 per occurrence. NHLN, Farmers National, and FNC, Inc., must each be listed as an additional insured on your liability policy. Failure to obtain the required insurance coverage constitutes a material breach of the Franchise Agreement, provided, however, if at any time no such coverage is reasonably available to insure this type of risk, NHLN will waive this requirement until such time as the required coverage becomes reasonably available. Whether or not such coverage is reasonably available shall be determined in the sole discretion of NHLN. You must also carry employer's liability, worker's compensation, and other insurance as required by the laws of the state in which you operate your franchise. Your insurance must be obtained through an insurer that is approved by NHLN. NHLN's predecessor and affiliate, Farmers National, is not currently, but may in the future become, an approved supplier of comprehensive general liability coverage. Other insurance suppliers will be approved by NHLN provided the insurer maintains a rating of "A" or better by A.M. Best Company, Inc., or meets such other rating or criteria established by NHLN. NHLN estimates the cost of liability insurance will represent 3% of your overall cost in operating your franchise.

If you propose to offer and/or sell any product or service not yet authorized by NHLN, or if you propose to purchase any product or service from a supplier not yet approved by NHLN, you must submit to NHLN a written application for approval of the proposed product, service, or supplier. The application shall include the name, address, and telephone number of each proposed supplier, a description of each product or service you wish to purchase, and the purchase price of each product or service. NHLN will notify you within a reasonable time after receiving your application (not to exceed 60 days) whether the application is approved or denied.

Upon NHLN's request, you must permit NHLN or its representatives to inspect and test any proposed product or service to ensure compliance with NHLN's specifications and standards. NHLN may charge you for the actual cost of this testing, which NHLN estimates will range from \$500 to \$3,000 per product or service. NHLN shall further have the right to inspect any proposed supplier's facilities before approval of the supplier, and periodically after approval, to verify the supplier's adherence to NHLN's specifications and standards.

Before approving a proposed supplier, NHLN considers the following general criteria for the proposed supplier: ability to make the product to NHLN's specifications and standards; past

performance; production and delivery capabilities; financial records and financial condition; credit rating; integrity; and business reputation. No further criteria is available to franchisees or potential suppliers.

NHLN may at any time revoke approval for any product, service, or supplier that fails, in NHLN’s sole discretion, to adhere to NHLN’s specifications and standards. NHLN will notify you in writing of any revocation.

NHLN does not negotiate purchase arrangements with any suppliers for your benefit. Other than the specifications and standards set forth in the Operating Manual, NHLN does not issue its specifications and standards to franchisees. NHLN does not issue its specifications and standards to proposed or approved suppliers. You will not receive any material benefits (such as renewal rights or the right to purchase additional franchises) based on your use of designated or approved suppliers. There are no purchasing or distribution cooperatives for the franchise.

NHLN estimates the total amount of these required purchases will represent approximately 23% of your total purchases of goods and services in the establishment and operation of your franchise.

**ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING,
COMPUTER SYSTEMS, AND TRAINING**

Except as listed below, NHLN is not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your franchised business, NHLN will:

1. Designate your exclusive territory. (Franchise Agreement ¶ 2.2).
2. Provide advice and input regarding the location of your office. You will select your own office location within your territory, but the location must be approved by NHLN before you lease or purchase the property (or before you begin operating your franchise if you intend to operate from property you already own or lease). NHLN will have 30 days to approve or disapprove of any proposed location. Approval will be based upon the following general criteria: access, appearance, square footage, general vicinity, and general demographic characteristics. If NHLN does not approve a proposed location, you must keep looking for an appropriate site until a site is found and approved by NHLN. If you are unable to locate a site acceptable to NHLN within 6 months after signing the Franchise Agreement, NHLN will refund \$11,250 of your initial franchise fee and the Franchise Agreement will terminate. The remaining \$3,750 of the initial franchisee fee will be kept by NHLN as liquidated damages to offset its costs and expenses incurred in the failed franchise process. NHLN does not negotiate the purchase or lease of your office location, nor does NHLN generally own the site to be purchased or leased by you. NHLN will not review your construction, remodeling, or decorating plans. (Franchise Agreement ¶ 6.2, 4.8).
3. Provide you with a list of duties that should be performed before your initial training, and also a list of instructions for completing these items. (Franchise Agreement ¶ 10.1).
4. Provide specifications for all required equipment, fixtures, and supplies. (Franchise Agreement ¶ 9.4).

5. Furnish you with a supply of initial franchise items as set forth in Exhibit G, or other similar items as determined by NHLN. You will receive these materials during your initial training and/or they will be shipped to your office address immediately after your initial training. See Item 8 for details on your required purchases of materials and supplies. (Franchise Agreement ¶ 9.4).

6. Provide training for up to two people in Omaha, Nebraska. NHLN will provide training for additional people for a fee of \$500 per person. See below for details on NHLN's training program. (Franchise Agreement ¶ 5.1).

Time for Franchise Opening

NHLN estimates you will be able to open your franchise for business within 90 days after signing the Franchise Agreement. NHLN does not guarantee your franchise will be operating within that time as this time varies depending upon your ability to complete your initial training, find a suitable office, obtain a lease, arrange financing, secure any necessary permits, and also depending upon delays in receipt or installation of furniture, equipment, fixtures, and signs. You must begin operation of your franchise within 30 days after (i) completion of the NHLN initial training program, and (ii) satisfaction of any applicable real estate licensing requirements for the state where your franchise is located.

Post-Opening Obligations

During the operation of your franchised business, NHLN will:

1. Provide and maintain one or more Internet websites for marketing and developing the Hunting Lease Network®. NHLN's website(s) will provide a listing of all franchisees by territory so interested landowners, hunters, and anglers may contact you directly. NHLN will give you limited administrative access to the website(s) for marketing and managing your business operations. NHLN will also forward to you any inquiries made to NHLN through its website(s) concerning Hunting Leases for any property located in your territory. (Franchise Agreement ¶ 10.3).

2. Provide continuing education to assist with developing and marketing your franchise. This may in the future include training or assistance through an internal computer network or intranet site. (Franchise Agreement ¶ 10.4).

3. Provide telephone support during NHLN's regular business hours. (Franchise Agreement ¶ 10.5).

4. Offer advice and guidance, based upon good business practice and experience, as to standard fees and pricing, financing, advertising, or other areas. You are not obligated to accept any of this advice or guidance and you have the sole right to determine the prices to be charged by your franchise, provided that NHLN's advance written approval will be required if your proposed pricing is outside of NHLN's suggested pricing parameters (Franchise Agreement ¶ 10.8).

5. Upon your request, provide you and your employees with additional training by a representative of NHLN at your office. NHLN will charge you a fee of \$500.00 per day of training plus the expenses incurred by NHLN's representative. (Franchise Agreement ¶ 5.3).

6. Make periodic visits to your franchise location, as appropriate in NHLN's discretion, for consultation, assistance, and guidance in all aspects of the operation and management of your franchise. After any of these visits, NHLN will provide you with a written report setting forth any suggested changes or improvements in the operation or management of your franchise, and detailing any defaults in your operations or management that are found during the visit. NHLN may also, at its discretion, offer additional guidance following a visit in the form of written materials, telephone consultations, or personal consultations. (Franchise Agreement ¶ 10.2).

7. Provide advice and guidance to assist you with brokering Hunting Leases using NHLN's marketing and negotiating systems. (Franchise Agreement ¶ 10.8).

8. Provide you with accounting services for all Hunting Leases, including receipt and accounting of Hunting Lease payments, damage deposits, earnest deposits, premiums and processing fees for hunting liability insurance, and calculation and payment of all fees to NHLN, landowners, and/or you. (Franchise Agreement ¶ 10.6).

9. Maintain a master umbrella liability insurance policy for coverage of non-commercial hunters and anglers entering into Hunting Leases for property located in your franchise territory. All non-commercial hunters and anglers must pay a fee for this coverage, which may include a processing fee to be paid to NHLN, and this coverage is mandatory. All commercial hunters and anglers (e.g., outfitters and guides) are excluded from this master umbrella policy and must provide their own liability insurance coverage. (Franchise Agreement ¶ 10.7).

10. Establish and maintain a written Operating Manual containing mandatory and recommended policies, procedures, standards, and specifications for the operation of your franchise. Failure to follow NHLN's mandatory policies, procedures, standards, and specifications constitutes a breach of your Franchise Agreement. NHLN will loan to you, during the term of your Franchise Agreement, a copy of the Operating Manual. The Operating Manual is confidential and will remain the property of NHLN. NHLN has the right to change, modify, or update the Operating Manual periodically and will provide you with a written copy of all these changes, modifications, or updates for inclusion in your copy of the Operating Manual. No modification of the Operating Manual will alter your fundamental status and rights under the Franchise Agreement. The master copy of the Operating Manual maintained by NHLN at its principal office will control in any dispute concerning the contents of the Operating Manual. The Table of Contents of the Operating Manual is currently as follows:

11. Test and develop new processes, procedures, and services to enhance customer service, and provide you with updates on these new developments. (Franchise Agreement ¶ 7.6).

12. Invite you to attend and participate in regional and/or national meetings with NHLN representatives and other Hunting Lease Network® franchisees to develop relationships among franchisees and increase your understanding of the Hunting Lease Network® business. You will not be required to attend these programs, but if you choose to do so, NHLN estimates your cost of attendance will range from \$500 to \$800 per person attending. NHLN estimates these meetings will be held on an annual basis and last between one and three days each. The location and subject matter of the programs will vary from year to year, and will be determined by NHLN. (Franchise Agreement ¶ 5.2).

13. Periodically provide additional training programs, annual meetings, or seminars that you must attend. These programs will address mutual concerns or common problems experienced by NHLN franchisees and improvements in procedures, services, and techniques for use in your franchise. These programs will be held at locations to be determined by NHLN, and you will be responsible for all costs of attendance, including costs for travel, lodging, meals, and other living expenses. Attendance will not be required at more than one of these programs in any calendar year and these programs will not exceed three days in duration in any calendar year. (Franchise Agreement ¶ 5.2).

14. Actively pursue expansion of the number of Hunting Lease Network® franchises nationwide to increase awareness of the business name and identity. (Franchise Agreement ¶ 10.9).

15. Provide you with camera-ready or electronic artwork for use in your advertising. (Franchise Agreement ¶ 9.7).

16. Make available for purchase through NHLN's approved supplier, Roberts Advertising Co., in Omaha, Nebraska, a continuing supply of marketing materials and forms designated for use in connection with your franchise. These materials and forms will be sold to you at NHLN's cost plus 10%. (Franchise Agreement ¶ 9.5).

NHLN may deny all or any portion of the above services to you if at any time you are in breach of the Franchise Agreement. (Franchise Agreement ¶ 9.1).

Advertising Program

NHLN has no obligation to provide advertising for you or spend any amount on advertising in your territory. NHLN may, in its sole discretion, conduct local, regional, and/or national advertising or public relations activities utilizing radio, print, direct mail, and/or television advertising. NHLN will direct all of these programs and have sole discretion over (1) the amounts allocated to or expended for these programs; (2) the creative concepts, content, materials, endorsements, and type of media used in connection with these programs; (3) the source of the advertising or public relation efforts; and (4) the geographic and/or market areas for the development, placement, and implementation of these programs. You will not receive any accounting of funds spent by NHLN on advertising.

NHLN has developed advertising and promotional materials which you may use in your marketing program. NHLN may periodically provide you with free samples of advertising and promotional materials it has developed. Additional copies of these advertising and promotional materials are available for purchase from NHLN at NHLN's cost plus 10% or from NHLN's approved supplier, Roberts Advertising Co. (Franchise Agreement ¶ 9.5 and 9.7).

You must obtain NHLN's approval before using any of your own advertising and/or promotional materials. NHLN will review all advertising and promotional materials to be used by you including newspaper, radio, or television advertising, direct mail, specialty and novelty items, signs, and other promotional materials. NHLN will have 30 days after your submission of any proposed advertising or promotional materials to grant or deny approval for your use of the materials. NHLN does not maintain an advertising council composed of franchisees for advice on advertising policies. (Franchise Agreement ¶ 9.5 and 9.7).

Although you are encouraged to participate in any local or regional advertising cooperatives and to contribute to any other advertising fund which may be established, currently you are not required to do so. If you choose to participate in any local or regional advertising cooperative or if participation in any local or regional advertising cooperative is required at a later date (i) your annual required contribution to any such local or regional advertising cooperative will not exceed five percent (5%) of your annual Royalty Sales, and (ii) if all of the advertising funds are not spent in the fiscal year in which they accrued, NHLN has the sole discretion to direct how the remaining funds are to be spent. You will not receive any periodic accounting of how advertising funds are spent. NHLN, in its sole discretion, may spend up to 100% of all advertising funds principally to solicit new franchise sales.

NHLN retains the sole right to advertise the Hunting Lease Network® on the Internet, including social networking pages or sites, and to create, operate, maintain, modify, or discontinue the use of Internet websites or social networking pages or sites using NHLN’s principal trademarks (as described in Item 13, below). You shall not, without NHLN’s prior written approval: (i) create, operate, or maintain any Internet website or social networking page or site using the principal trademarks (as described in Item 13, below); (ii) link or frame our Internet website; (iii) advertise or offer to sell any of NHLN’s products or services or conduct any franchise business via the World Wide Web (WWW); or (iv) create or register any Internet domain names in connection with your franchise. (Franchise Agreement ¶ 7.4).

Computer Systems

You must have or obtain either a laptop computer or a desktop computer for use in your franchise. Your computer must have a printer, color scanner, and networking compatibility, including Internet access. You must also have or obtain various software packages for use in your NHLN franchise, including general office software and accounting software. All computer equipment and software must meet NHLN’s specifications and requirements. NHLN does not sell or lease this equipment or software. NHLN estimates your cost for the equipment will range from \$2,000 to \$4,000.

Your computer system will be used to track and manage your business revenues and expenditures, maintain client and marketing lists, prepare marketing and promotional materials, and access NHLN’s website for marketing and managing your business operations.

NHLN will not require you to upgrade your hardware or software components during the term of your Franchise Agreement. However, you may need to upgrade your hardware and/or software to take full advantage of NHLN’s latest website enhancements. NHLN and its affiliates have no obligation to upgrade your hardware and software, assist you with purchasing your hardware and software, or provide technical support for the use of your hardware and software. NHLN will, however, train you to use NHLN’s Internet and/or intranet sites, as applicable, and provide you with limited administrative access to such sites.

NHLN will have independent access to information concerning your customers and Gross Sales because all Gross Sales will be transmitted directly to NHLN. There are no contractual limitations on NHLN’s right to access this data. NHLN will not have independent access to any other data collected or maintained by you.

NHLN will provide training for up to two people at NHLN's offices in Omaha, Nebraska (a training fee of \$500 per person applies for each additional person). If you will not personally supervise your franchise on its premises, but hire a full-time manager to perform this supervision, your manager must also complete the mandatory training session to NHLN's satisfaction. Training must be completed to NHLN's satisfaction within six months from the time you sign the Franchise Agreement. You are responsible for the costs of attendance at training, including your costs for travel, lodging, food, and other living expenses. NHLN does not maintain a formal training staff. Training will be conducted under the supervision of the individuals identified in Item 2 of this disclosure document—Troy A. Langan and Charlie Leece. The initial training program lasts 1 day and is offered as-needed throughout the year. (Franchise Agreement ¶¶ 4.5 and 5.1).

NHLN will periodically provide additional training programs, annual meetings, or seminars that you must attend. These programs will address mutual concerns or common problems experienced by NHLN franchisees and improvements in procedures, services, and techniques for use in your franchise. These programs will be held at locations to be determined by NHLN, and you will be responsible for all costs of attendance, including costs for travel, lodging, meals, and other living expenses. Attendance will not be required at more than one of these programs in any calendar year and these programs will not exceed three days in duration in any calendar year. (Franchise Agreement ¶ 5.2).

ITEM 12 TERRITORY

You will be granted the right, franchise, and privilege to operate your franchise within an exclusive territory defined by the boundaries of a particular state or multiple-county area in which you will do business. Your exclusive territory will be set forth in Exhibit A to the Franchise Agreement. NHLN will not, while the Franchise Agreement is in effect and you are not in default under the Franchise Agreement or the Operating Manual, operate or grant any other franchises to operate any other similar or competitive business within your territory; except that (i) upon the request of a landowner or lessee due to complaints regarding a franchisee, the applicable Professional Services Agreement and/or the applicable Hunting/Fishing Lease which is the subject of such complaint may be permanently transferred to Franchisor upon prior written notice to franchisee, and thereafter all applicable fees relating any such agreement being payable to Franchisor, and (ii) Franchisor may enter into advertising-marketing agreements with third-party entities who wish to advertise their properties for lease on NHLN's website, provided that Franchisor will not be directly involved in leasing such properties. You may not relocate your franchise without NHLN's prior written approval.

Other franchisees may market Hunting Leases for property in their territory to hunters and anglers in your territory, and you may market Hunting Leases for property in your territory to hunters and anglers in any other territory, provided this marketing complies with NHLN's written standards and specifications. These standards and specifications are determined in NHLN's sole discretion and may be changed by NHLN at any time. You are not permitted to

market, negotiate, or manage Hunting Leases for property located outside of your territory, unless the property is part of a contiguous tract of land of which 50% or more of the total tract is located in your territory and the entire tract is owned by the same landowner(s).

The Franchise Agreement prohibits NHLN and its affiliates from establishing other franchises, company-owned outlets, or other channels of distribution within your territory for the same or similar products and services as those authorized to be offered by you under the Franchise Agreement, whether bearing trademarks similar or dissimilar to those licensed to you under the Franchise Agreement.

Continuation of your exclusive territory is dependent upon your compliance with all mandatory provisions of the Operating Manual and the achievement of a minimum sales volume. You must achieve annual Royalty Sales (as defined in Item 6 of this disclosure document) of at least \$50,000.00, or have at least 25 active properties listed on NHLN's website, within one (1) year following the opening of your franchise. You must achieve annual Royalty Sales (as defined in Item 6 of this disclosure document) of at least \$125,000.00, or have at least 50 active properties listed on NHLN's website, within 3 years following the opening of your franchise. You must achieve annual Royalty Sales (as defined in Item 6 of this disclosure document) of at least \$200,000.00, or have at least 100 active properties listed on NHLN's website, within 5 years following the opening of your franchise, and maintain annual Royalty Sales (as defined in Item 6 of this disclosure document) of at least \$200,000.00, or have at least 100 active properties listed on NHLN's website, for each subsequent fiscal year between the 5th and 10th years following the opening of your franchise. You must achieve annual Royalty Sales (as defined in Item 6 of this disclosure document) of at least \$250,000.00, or have at least 250 active properties listed on NHLN's website, within 10 years following the opening of your franchise, and maintain annual Royalty Sales (as defined in Item 6 of this disclosure document) of at least \$250,000.00, or have at least 250 active properties listed on NHLN's website, for each subsequent fiscal year. NHLN retains the right in its sole discretion to (i) modify the size of your territory; (ii) enfranchise other franchised businesses within any portion of your territory; (iii) establish and operate its own company-owned outlets within your territory for the same or similar products and services as those authorized to be offered by you under your Franchise Agreement; (iv) increase the Royalty Fee to ten percent (10%) of all Royalty Sales; or (v) terminate your franchise if you fail to comply with any mandatory provision contained in either the Franchise Agreement or the Operating Manual, or if you fail to meet the required minimum Royalty Sales volume or minimum number of active listed properties. NHLN will not modify your territory for any other reason.

You may purchase additional franchise territories with NHLN's approval. You have no right of first refusal or other automatic rights to acquire any additional territories, contiguous or otherwise.

ITEM 13 TRADEMARKS

NHLN will grant you the non-exclusive right to use the Hunting Lease Network® logo, which bears the name Hunting Lease Network®, as a principal trademark in the operation of your

franchise. This logo was registered on the Principal Register of the United States Patent and Trademark Office (“USPTO”) on March 6, 2012, and bears registration number 4107128. This trademark registration was obtained by NHLN’s predecessor and affiliate, Farmers National, and Farmers National has granted NHLN the right to use and license the use of the amended logo to its franchisees. All required USPTO affidavits related to this mark have been filed.

NHLN will also grant you the non-exclusive right to use the name Hunting Lease Network® by itself as a principal trademark. This name was registered on the Principal Register of the United States Patent and Trademark Office (“USPTO”) on May 31, 2011, and bears registration number 3968181. This trademark registration was obtained by NHLN’s predecessor and affiliate, Farmers National, and Farmers National has granted NHLN the right to use and license the use of this trademark to its franchisees. NHLN is not aware of any currently effective material determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any state, or any court concerning its principal trademarks, nor is NHLN aware of any pending interference, opposition, or cancellation proceeding, or any pending material litigation involving the principal trademarks in any federal or state court.

There are no agreements currently in effect that significantly limit the rights of NHLN to use or license the use of the principal trademarks, or any other proprietary marks that are material to the franchise being offered to you in this disclosure document. NHLN warrants that it has full rights to license the principal trademarks.

NHLN is not required to protect your right to use the principal trademarks, nor is NHLN required to defend or indemnify you against any administrative or judicial proceeding involving the principal trademarks, including any claim of infringement or unfair competition arising out of your use of the principal trademarks.

NHLN will have sole discretion as to whether or not to take action and the type of action to take in response to these uses or claims. NHLN has the exclusive right to control any action regarding a third party's use of the principal trademarks or confusingly similar trademarks. You must sign all instruments and documents, render assistance, and perform all other acts that are, in the opinion of NHLN’s counsel, necessary to protect NHLN’s proprietary interests. NHLN is not required to indemnify you for, or defend you against any legal action or claim arising from your use of the principal trademarks.

NHLN has the right to change or modify any of the principal trademarks, including the adoption and use of new or modified products, equipment, services, techniques, trademarks, logos, or copyrighted materials. You must accept, use, and display any of these modifications as if they were part of the Franchise Agreement at the time of signing. You must modify or discontinue the use of any of the principal trademarks, within a reasonable time, once notified by NHLN that the trademark has been modified or its use discontinued.

There are no infringing uses or superior prior rights actually known to NHLN that could materially affect your use of the principal trademarks in this state or any other state.

You are prohibited from using the principal trademarks, in advertising, promotions, or otherwise, without the appropriate U.S. registration symbol (®) or the designations TM or SM for unregistered marks. In addition, where appropriate, the copyright notice (©) must be used in the format designated by NHLN, including the year of publication and Franchisor's name (e.g., ©2005 National Hunting Lease Network, L.L.C.).

To protect the validity and integrity of the principal trademarks and to ensure that you are using them properly in the operation of your franchise, NHLN or its agents will have the right to enter and inspect your office at all reasonable times and to observe the means by which you render services and conduct operations. In addition, NHLN may confer with your employees and customers and evaluate various services, products, materials, and supplies to ensure that these services, products, materials, and supplies are satisfactory and meet NHLN's requirements and standards.

In addition to the principal trademarks, NHLN's predecessor and affiliate, Farmers National, is the lawful owner of the following Internet domain name which incorporates the principal trademark:

huntingleasenetwork.com

Farmers National has granted NHLN the right to create, operate, maintain, modify, or discontinue the use of Internet websites using these domains. NHLN retains the sole right to advertise the Hunting Lease Network® on the Internet and to create, operate, maintain, modify, or discontinue the use of Internet websites using the principal trademarks. You shall not, without our prior written approval: (i) create, operate, or maintain any Internet website using the principal trademarks; (ii) link or frame our Internet website; (iii) advertise or offer to sell any products or services or conduct any business via the World Wide Web (WWW); or (iv) create or register any Internet domain names in connection with your franchise.

You may not register as an Internet domain name any of the principal trademarks, or any other trademark now or in the future owned by NHLN, or any abbreviation, acronym or variation of these trademarks, or any other name that could be deemed confusingly similar. This prohibition includes, but is in no way limited to, the registration of generic and country code top level domain names available at the present time or in the future.

You and your employees are prohibited from disclosing, duplicating, or using the Confidential Information, directly or indirectly, for any purpose other than the development and operation of your franchise. Upon termination or expiration of the Franchise Agreement, you and your employees must return all materials containing Confidential Information to NHLN, and may not make any further use of the Confidential Information for any purpose.

You must adopt all procedures prescribed by NHLN for the prevention of the unauthorized use or disclosure of the Confidential Information, and all of your employees having access to the Confidential Information must sign a confidentiality agreement in a form acceptable to NHLN.

NHLN has no obligation to defend you with respect to any legal action or claim concerning use of the Confidential Information.

Such insurance shall list Franchisor, and any Affiliate specified by Franchisor, as additional insureds. Franchisee shall also procure and maintain throughout the term of this Agreement, from an insurance company approved in writing by Franchisor, employer's liability, worker's compensation, and any other insurance as required by applicable law. Any insurance policy required by the terms of this Paragraph 9.6 shall provide that such policy shall not be cancelled or modified without at least thirty (30) days prior written notice to Franchisor. Within ninety (90) days after the Effective Date, but in no event later than the opening of the Franchised Business, Franchisee shall provide to Franchisor one or more certificates of insurance, or other proof deemed acceptable by Franchisor, showing compliance with the terms of this Paragraph 9.6. Failure to comply with any of the terms of this Paragraph 9.6 shall constitute a material breach of this Agreement. Provided, however, if at any time no comprehensive general liability insurance policy is reasonably available to Franchisee to insure

this type of risk, Franchisor will waive the above requirement only as to comprehensive general liability insurance until such time as the required coverage becomes reasonably available. Whether or not such coverage is reasonably available shall be determined in the sole discretion of NHLN.

9.7 Advertising. Franchisee may purchase advertising as Franchisee deems in the best interests of the Franchised Business, provided that the form and content of such advertising has been approved by Franchisor and the advertising is purchased from a supplier authorized by Franchisor. Upon submission by Franchisee to Franchisor of any such proposed advertising, Franchisor shall have thirty (30) days to grant or deny permission for Franchisee to use such advertising. Franchisor's failure to respond within thirty (30) days shall be deemed a denial of permission. Franchisor shall also maintain and make available to Franchisee a supply of approved camera-ready or electronic artwork for use in Franchisee's advertising. For purposes of this Agreement, the term "advertising" shall include, without limitation, any newspaper, radio, or television advertisement, any flyer, sign, mailing, or other written promotional piece, any specialty or novelty promotional item, and any other live or recorded promotional piece.

9.8 Approved Products and Suppliers. Franchisee shall only offer and/or sell such products and services as authorized in writing by Franchisor. Franchisee shall not purchase any equipment, signage, software, supplies, or other materials for use in the Franchised Business from any supplier not previously approved in writing by Franchisor. Provided, however, Franchisee may obtain computer hardware and software from any supplier of Franchisee's choice so long as the hardware and software meets NHLN's written specifications and requirements. If Franchisee proposes to purchase, offer, or sell any product or service not yet authorized by Franchisor, or if Franchisee proposes to purchase any product or service from a supplier not yet approved by Franchisor, Franchisee must submit to Franchisor a written application for approval of the proposed product, service, or supplier. Such application shall include the name, address, and telephone number of each proposed supplier, a description of each product or service Franchisee wishes to purchase, and the purchase price of each product or service. Franchisor may require a sample of the product or service for inspection and/or may require an inspection of the proposed supplier's facilities. Franchisor will notify Franchisee within sixty (60) days whether the application is approved or denied. Franchisor's failure to respond within sixty (60) days shall be deemed a denial of the proposal. Franchisor may at any time revoke approval for any product, service, or supplier that fails, in Franchisor's sole discretion, to adhere to Franchisor's specifications and standards. Franchisor will notify you in writing of any such revocation.

9.9 Direct Supervision. Franchisee (if an individual), or a Principal of Franchisee (if an entity), shall directly supervise the operation of the Franchised Business at the Franchised Facility, or employ a full-time manager for such purpose. Any such full-time manager must (i) have completed the Initial Training Program to Franchisor's satisfaction; (ii) agree to attend all mandatory training sessions as described in Paragraph 5.2, above; and (iii) be approved in writing by Franchisor. Franchisee, or Franchisee's approved manager, shall, at all times, faithfully, honestly and diligently perform its obligations to supervise the Franchised Business.

9.10 Non-competition During Term. During the term of this Agreement, Franchisee, Franchisee's Principal, and Franchisee's manager, if applicable, shall not directly or indirectly

own any interest in, operate, or perform any services for any business, or engage in any other activities that will compete with or cause any conflict with the development and/or operation of the Franchised Business unless previously approved in writing by NHLN, specifically including (i) the ownership or operation of any website that markets, negotiates, or manages Hunting Leases; (ii) the ownership or operation of a guide or outfitter service or any other fishing, hunting, or outdoors-related business, as determined in NHLN's sole discretion; and (iii) acting as a sales agent, associate broker, designated broker, or in any other manner holding a real estate license for, with, or through any real estate broker other than NHLN, its predecessor, or its affiliates. Franchisee acknowledges that any violation of this Paragraph 9.10 shall constitute a material breach of this Agreement. Franchisee further acknowledges that the provisions of this Paragraph 9.10 are agreed to by Franchisee for itself and for its employees, officers, directors, partners, shareholders, and agents. Franchisee acknowledges that it shall be deemed to be in breach of this Agreement if any provision of this Paragraph 9.10 is violated by any of Franchisee's employees, officers, directors, partners, shareholders, or agents.

9.11 Operation in Conformity with Law. Franchisee shall operate the Franchised Business in conformity with all applicable laws, ordinances, and regulations, specifically including, but not limited to, all hunting, fishing, and similar wildlife protection laws and regulations ("Game Law"), and shall obtain and maintain all licenses, permits, and certificates, including a real estate broker's license or similar real estate license, as required by applicable law. To the extent Franchisee has or obtains a real estate license, Franchisee must list NHLN, its predecessor, FNC, or its affiliates, as the only real estate broker. Violation of any Game Law by Franchisee (or Franchisee's Principal or manager, if applicable), shall be a material breach of this Agreement and may, at Franchisor's sole discretion, result in termination of this Agreement. Franchisee shall be solely responsible for all taxes due as a result of the operation of the Franchised Business, including any taxes levied upon Franchisor due to Franchisor's receipt and accounting of Gross Sales for Franchisee. Provided, however, Franchisee shall not be responsible for any taxes levied upon Franchisor as a result of Franchisor's receipts of the Royalty Fee.

9.12 Submission of Gross Sales. Franchisee shall (i) direct all customers, clients, or other third-parties who have any responsibility for payment of Gross Sales to submit all such Gross Sales directly to Franchisor, or (ii) collect all Gross Sales and transmit such Gross Sales, within two (2) business days, to Franchisor.

9.13 Submission of Customer and Prospect Information. Franchisee shall maintain a spreadsheet containing the name, mailing address, phone number, and e-mail address (if available) of each prospective customer, whether a landowner, hunter, angler, or otherwise, contacted by Franchisee during the previous month. No later than the end of the first week of each month, Franchisee shall electronically submit to Franchisor the spreadsheet containing such contact information for the previous month.

9.14 Separate Checking Account. Franchisee shall maintain a separate checking account solely for the Franchised Business. Such checking account shall not be used for any purposes other than the Franchised Business, and Franchisee shall not use any other checking account for the Franchised Business. Franchisee shall maintain accurate records for such checking account during the term of the Franchise Agreement and for five (5) years thereafter.

9.15 Disclosure of Game Violations. Franchisee acknowledges it has disclosed to Franchisor all incidents occurring prior to the term of this Agreement in which Franchisee (or Franchisee's Principal or manager, if applicable) has violated a Game Law (as defined in Paragraph 9.11, above). In the event Franchisee (or Franchisee's Principal or manager, if applicable) is cited for, charged with, or convicted of, any violation of a Game Law during the term of this Agreement, Franchisee shall immediately disclose the violation to Franchisor. Any such disclosure shall include a written explanation of the alleged conduct and the sentence, fine, or other penalty imposed upon Franchisee (or Franchisee's Principal or manager, if applicable). Franchisee's failure to disclose any violation of a Game Law by Franchisee (or Franchisee's Principal or manager, if applicable), whether such violation occurred prior to or during the term of this Agreement, shall constitute a material breach of this Agreement and may, at Franchisor's sole discretion, result in termination of this Agreement.

10. FRANCHISOR'S OBLIGATIONS

10.1 List of Pre-Opening Duties. Within thirty (30) days following the Effective Date, Franchisor shall provide Franchisee with a written list of duties that are recommended and/or required for Franchisee to perform prior to the Initial Training Program, along with instructions for completing each required duty.

10.2 On-Site Review. Franchisor may choose, in its sole discretion, to make on-site reviews of the Franchised Facility from time to time. No later than sixty (60) days following any such review, Franchisor shall provide Franchisee with a written report setting forth (i) any suggested changes or improvements in the operation of the Franchise Business; and (ii) any item Franchisor deems to be a breach or default under the terms of this Agreement.

10.3 Website Development. Franchisor shall provide and maintain during the term of this Agreement one (1) or more Internet websites for marketing and developing the System (the "Websites"). The Websites shall provide a listing of all franchisees by territory. Franchisee shall have limited administrative access to the Websites, as determined in Franchisor's sole discretion, for marketing and managing the Franchised Business. Franchisor shall forward to Franchisee any inquiries made to Franchisor through the Websites concerning Hunting Leases for any property located in the Territory.

10.4 Computer Network. Franchisor shall provide a computer network and/or intranet site to provide Franchisee with continuing education and to assist Franchisee with the development and operation of the Franchised Business. The structure and content of such network and/or intranet site shall be determined in the sole discretion of Franchisor, and may be modified by Franchisor at any time.

10.5 Telephone Support. Franchisor shall, during Franchisor's regular business hours, have a representative reasonably available via telephone to provide support to Franchisee as needed. Franchisor shall not charge any additional fee for such telephone support, provided however, Franchisee shall be responsible for any costs and expenses incurred by it in using such telephone support. Such telephonic support shall not include technical support for Franchisee's computer system.

10.6 Accounting Services. During the term of this Agreement, Franchisor shall provide bookkeeping and/or accounting services, as determined to be necessary in Franchisor's sole discretion, for payments related to Hunting Leases in your Territory. Such services shall include, receipt and accounting of Hunting Lease payments, damage deposits, earnest deposits, premiums and processing fees for hunting liability insurance, and calculation and payment of all fees to Franchisee and owners of property located in the Territory, as applicable. All Gross Sales shall be transmitted to Franchisor as set forth in Paragraph 9.12, above. Upon Franchisor's receipt of such Gross Sales, Franchisor shall deduct the Royalty Fee and apply the appropriate portion of the Gross Sales to insurance premiums, processing fees, Hunting Lease payments, etc., as applicable. Franchisor shall then transmit any portion of Gross Sales designated as Franchisee's fee to Franchisee via electronic funds transfer or check, as selected by Franchisee.

10.7 Master Liability Insurance. Franchisor shall procure a master umbrella liability insurance policy from a third-party insurance company for coverage of all non-commercial hunters and anglers entering into Hunting Leases for property located in the Territory. The premiums for such insurance coverage shall be determined by the insurance company providing such coverage and may change at any time. Franchisor shall deduct the applicable insurance premiums from Franchisee's Gross Sales and submit the premiums to the insurance company. Franchisor shall also deduct a processing fee, payable to Franchisor, from Franchisee's Gross Sales for coordinating and maintaining the master umbrella policy for each Hunting Lease in the Territory. Franchisor shall determine the amount of the processing fee in its sole discretion and may modify the amount of such fee at any time.

10.8 Operations Assistance. Franchisor may from time to time offer advice and/or guidance to Franchisee to assist with brokering Hunting Leases using Franchisor's marketing and negotiating systems, and may also from time to time offer advice and/or guidance relative to standard fees and pricing, financing, advertising, or other areas that in Franchisor's judgment constitute good business practice. Franchisee shall not be obligated to accept any such advice and/or guidance and shall have the sole right to determine the prices charged by Franchisee in the Franchised Business, provided that Franchisor's advance written approval will be required if your proposed pricing is outside of Franchisor's suggested pricing parameters.

10.9 Expansion of Franchise. Franchisor shall at all times use its best efforts to increase the number of Hunting Lease Network® franchisees throughout the United States for the purpose of increasing awareness of the business name and identity.

10.10 Advertising. Franchisor may, but is not required to, conduct local, regional, and/or national advertising or public relations activities utilizing radio, print, direct mail, and/or television advertising. If Franchisor chooses to conduct such advertising or public relations activities, Franchisor shall direct such programs and have sole discretion over (1) the amounts allocated to or expended for these programs; (2) the creative concepts, content, materials, endorsements, and type of media used in connection with these programs; (3) the source of the advertising or public relation efforts; and (4) the geographic and/or market areas for the development, placement, and implementation of these programs. Franchisor shall not be required to provide Franchisee with an accounting of funds spent by Franchisor on advertising.

Franchisor may, but is not required to, establish local or regional advertising cooperatives in which Franchisee may, but is not currently required to, participate. If you choose to participate in any local or regional advertising cooperative or if participation in any local or regional advertising cooperative is required at a later date (i) your annual required contribution to any such local or regional advertising cooperative will not exceed five percent (5%) of your annual Royalty Sales, and (ii) if all of the advertising funds are not spent in the fiscal year in which they accrued, Franchisor has the sole discretion to direct how the remaining funds are to be spent. Franchisor shall have the option of spending all such funds principally to solicit new franchise sales. Franchisor shall not be required to provide Franchisee with an accounting of funds spent by such cooperatives on advertising.

11. OPERATING MANUAL

11.1 Use of Manual. Franchisor shall loan to Franchisee one (1) copy of the Operating Manual which shall at all times remain the sole and exclusive property of Franchisor. Franchisee shall develop and operate the Franchised Business according to the instructions, standards, and specifications set forth as mandatory in the Operating Manual. Franchisor, in its sole discretion, may modify the Operating Manual from time to time by providing Franchisee with written notice of any such modification. Franchisee shall comply with all modifications to the Operating Manual designated as mandatory, provided however, no such modification shall alter Franchisee's fundamental status, rights, or obligations under this Agreement. Failure to comply with any mandatory provision of the Operating Manual constitutes a material breach of this Agreement.

11.2 Disputes. Franchisee shall keep the copy of the Operating Manual in its possession current and up to date by immediately placing all written modifications to the Operating Manual in the appropriate location within the Operating Manual. In the event of any dispute as to the contents of the Operating Manual, the contents of the master copy of the Operating Manual maintained by Franchisor at its principal place of business shall control.

12. BOOKS AND RECORDS

12.1 Maintenance of Books and Records. Franchisee shall keep and maintain during the term of this Agreement and for five (5) years thereafter, full, complete, and accurate books, records, and accounts related to the Franchised Business in accordance with the Policies, including, but in no way limited to, licenses, contracts, invoices, purchase orders, payroll records, customer lists, check stubs, sales tax records and returns, journals, and general ledgers.

12.2 Audit of Books and Records. Upon five (5) days written notice to Franchisee, Franchisor or Franchisor's designated agent shall have the right to examine, copy, and/or audit Franchisee's books, records, and tax returns. In the event any such examination and/or audit reveals that Franchisee has previously reported to Franchisor less than the actual amount of Gross Sales for any period, Franchisee shall be in default under this Agreement for failure to pay an amount due to Franchisor. In accordance with Paragraph 4.5, above, Franchisee shall have thirty (30) days in which to cure such default, including the payment of interest as set forth in Paragraph 3.3, above, or Franchisor may terminate this Agreement and/or exercise any other remedies available to Franchisor under this Agreement or otherwise.

12.3 Cost of Audit. Franchisor shall bear the costs of any examination and/or audit pursuant to Paragraph 12.2, above, including travel expenses and legal and accounting fees. Provided, however, Franchisee shall bear all such costs in the event (i) such examination and/or audit reveals a discrepancy between the Gross Sales as reported by Franchisee to Franchisor and the actual Gross Sales for such period, and (ii) the discrepancy is equal to or greater than two percent (2%) of the Gross Sales as reported by Franchisee to Franchisor for such period. Any costs of such examination and/or audit to be paid by Franchisee shall be due and payable no later than thirty (30) days following completion of the examination and/or audit.

13. SUPERVISION AND INDEMNIFICATION

13.1 Supervision. Nothing in this Agreement shall be construed directly or indirectly to (i) require Franchisor to supervise or monitor Franchisee, including without limitation, ensuring that Franchisee complies with all applicable laws, rules and regulations, or (ii) to make Franchisor and/or an Affiliate responsible or liable for any action or inaction of Franchisee, including without limitation, the failure of Franchisee to comply with all applicable laws, rules and regulations.

13.2 Indemnification. Franchisee shall indemnify and hold harmless Franchisor and any Affiliate, and their directors, officers, employees and agents (each an “Indemnified Party”) from and against any and all costs, expenses, damages, liabilities, or claims, including reasonable fees and expenses of counsel, which any Indemnified Party may sustain or incur or which may be asserted against any Indemnified Party as a result of Franchisee’s operation of the Franchised Business. This provision specifically includes, but is in no way limited to, claims by any local, state, or federal governmental entity for the payment of any taxes or assessments as a result of Franchisee’s operation of the Franchised Business. Franchisee acknowledges that the indemnification provision contained in this Paragraph 13.2 is a continuing obligation of Franchisee and Franchisee’s successors and assigns, notwithstanding the termination of this Agreement.

14. SALE, ASSIGNMENT, AND TRANSFER

14.1 Assignment by Franchisor. Franchisor may assign its rights and obligations under this Agreement to any third party at any time. Franchisor is not obligated to provide Franchisee with prior notice of such assignment.

14.2 Assignment by Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to the Franchisee, and that Franchisor has granted this license in reliance on many factors, including, but in no way limited to, Franchisee’s character, business skill, aptitude, and financial capacity. Franchisee shall not sell, assign, transfer, give away, convey, pledge, mortgage, or otherwise encumber any interest in this Agreement (collectively, a “Transfer”) without the prior written consent of Franchisor.

14.3 Conditions for Transfer. Franchisor’s consent to any proposed Transfer by Franchisee shall be a subjective determination in the discretion of Franchisor, and such determination may be conditioned upon, but not limited to, satisfaction of the following factors:

- (a) Payment by Franchisee, or the proposed transferee, to Franchisor of a transfer fee in the amount of seven thousand five hundred dollars (\$7,500.00);
- (b) The proposed transferee meets Franchisor's standards of qualification then applicable to new franchisees, including reputation, business experience, and financial qualifications;
- (c) All obligations due Franchisor and/or an Affiliate from Franchisee have been fully satisfied;
- (d) The proposed transferee arranges to attend Franchisor's Initial Training Program within six (6) months following the Transfer; and
- (e) The proposed transferee agrees to execute Franchisor's then-current Franchise Agreement.

14.4 Franchisor's Right of First Refusal. In the event Franchisee proposes to Transfer its rights under this Agreement, or any portion of its rights, to a third party, Franchisee shall obtain a bona fide written offer from the prospective transferee and shall provide such offer to Franchisor. Franchisor shall have the first right and option to purchase such rights on the terms and conditions set forth in the proposed transferee's offer. Franchisor shall have thirty (30) days from the date of receiving such notice to exercise its option. Franchisor's failure to exercise its option to purchase under this Paragraph 14.4 shall in no way constitute consent to the proposed Transfer.

14.5 Transfer to Immediate Family. The transfer fee of seven thousand five hundred dollars (\$7,500.00) set forth in Paragraph 14.3, above and the provisions of Paragraph 14.4, above shall not apply in the event of a Transfer to a member of Franchisee's immediate family. For purposes of this Agreement, immediate family shall only include Franchisee's spouse, siblings, parents, and adult children.

14.6 Transfer to Controlled Entity. The provisions of Paragraphs 14.3 and 14.4, above shall not apply in the event of any transfer by Franchisee to an entity in which Franchisee maintains a majority of the voting authority.

15. OBLIGATIONS UPON TERMINATION

15.1 Upon termination or expiration of this Agreement, all of Franchisee's rights under this Agreement shall terminate, and Franchisee shall immediately:

- (a) Pay to Franchisor all sums remaining due and owing;
- (b) Cease using the Confidential Information and/or the Marks;
- (c) Cease operation of the Franchised Business;
- (d) Cease using any methods, procedures, or techniques associated with the System or in which Franchisor has a proprietary right, title, or interest;

- (e) Remove all signage and other items characteristic of the System from the Franchised Facility;
- (f) Refrain from holding itself out to the public as a present or former franchisee or referencing any past association with Franchisor;
- (g) Return to Franchisor any Confidential Information, including, but in no way limited to, the Operating Manual, any other manuals, proprietary software, customer lists, landowner lists, records, files, instructions, brochures, agreements, and other materials provided by Franchisor to Franchisee concerning the operation of the Franchised Business;
- (h) Cancel or transfer to Franchisor any and all registrations, telephone listings and domain name registrations using the Marks or similar marks or designations;
- (i) Destroy or return to Franchisor all signs, stationery, letterhead, forms, and other printed materials containing any of the Marks or any similar marks or designations;
- (j) Return to Franchisor any materials not set forth in subparagraphs (g) or (i) of this Paragraph 15.1, above, in Franchisee's possession related to the operation of the Franchised Business;
- (k) Comply with all covenants and provisions of this Agreement which survive termination or expiration of the Agreement.

16. MISCELLANEOUS

16.1 Entire Agreement: Modifications; Waivers. This Agreement constitutes the entire Agreement between the parties pertaining to the subject matter contained in it and supersedes all prior and contemporaneous agreements, representations, and understandings of the parties. No supplement, modification, or amendment of this Agreement shall be binding unless executed in writing by the Parties. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

16.2 Parties in Interest. Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any person or entity other than the Franchisee, the Franchisor, an Affiliate, or their successors and assigns, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third person or entity to any Party to this Agreement, nor shall any provision give any third person or entity any right of subrogation or action over or against any Party to this Agreement.

16.3 Binding on Successors. This Agreement shall be binding on, and shall inure to the benefit of, the Parties to this Agreement and their respective heirs, legal representatives, successors, and assigns.

16.4 Litigation Costs; Attorneys' Fees. If any legal action or any arbitration or other legal proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default, or misrepresentation in connection with any of the provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees from the opposing party or parties and other costs incurred in that action or proceeding in addition to any other relief to which it or they may be entitled.

16.5 Arbitration. In the event there is any controversy or claim arising out of, or relating to this Agreement or any alleged breach of this Agreement, the Parties shall each appoint a designated representative who shall then meet in person to attempt to resolve the dispute. The Parties' designated representatives shall use their best efforts to resolve any such dispute. In the event the Parties' designated representatives are not able to so resolve the dispute, then they shall submit said dispute to arbitration. All arbitration under this Agreement shall be conducted in the State of Nebraska, in accordance with the laws of the State of Nebraska and the rules and procedures of the American Arbitration Association, to the extent said rules and procedures are not inconsistent with the provisions in this Agreement. Upon the initiation of any such arbitration proceeding, each Party shall select one experienced arbitrator as its representative. Then said representative arbitrators shall jointly select a final arbitrator (the "Final Arbitrator") who will be responsible for resolving the actual dispute. The award rendered by the Final Arbitrator shall be binding on the Parties and shall be specifically enforceable under the prevailing arbitration law in the State of Nebraska. **THIS CONTRACT CONTAINS AN ARBITRATION PROVISION WHICH MAY BE ENFORCED BY THE PARTIES.**

16.6 Notices. All notices, requests, demands, claims, and/or other communications required or permitted by this Agreement shall be in writing, and shall be deemed duly given upon hand delivery or five (5) business days after being sent via registered or certified mail to the following addresses, or at such other address as a Party may from time to time designate by written notice to the other:

If to Franchisor: National Hunting Lease Network, L.L.C.
11516 Nicholas Street, Suite 100
P.O. Box 542016
Omaha, Nebraska 68154-8016

If to Franchisee: _____

Any notice, request, demand, claim, or other communication required or permitted by this Agreement sent by any means other than those set forth above shall be deemed to have been duly given only upon actual receipt by the intended recipient.

16.7 Severability. If any provision of this Agreement is, for any reason, invalid or unenforceable, the remaining provisions of this Agreement will nevertheless be valid and enforceable and will remain in full force and effect. Any provision of this Agreement that is held invalid or unenforceable by a court of competent jurisdiction will be deemed modified to the

extent necessary to make it valid and enforceable and will remain in full force and effect as so modified.

16.8 Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Nebraska without reference to the choice of law doctrine, except to the extent that such laws shall be preempted by the laws of the United States of America.

16.9 Jurisdiction and Venue. The Parties acknowledge and agree that all disputes arising out of this Agreement shall be subject to the exclusive jurisdiction and venue of the Nebraska state courts of Douglas County (or, in the case of exclusive federal jurisdiction, the United States District Court for the District of Nebraska) and each of the Parties consents to the personal and exclusive jurisdiction and venue of these courts.

16.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same agreement.

16.11 Form of Agreement. The table of contents, headings, and captions contained in this Agreement are included for convenience only and shall not affect the construction or interpretation of this Agreement.

16.12 Further Documents. The parties to this Agreement warrant that they will and do hereby agree to sign any and all further documents or instruments necessary to implement the terms of this Agreement, and will act fairly and reasonably to complete the terms of the Agreement.

16.13 Gender and Number. Wherever the context in this Agreement so requires, the masculine gender shall include the feminine and neuter and vice versa, and the singular shall include the plural and vice versa.

16.14 Independent Contractor. Franchisee is an independent contractor under this Agreement, not an employee, partner, servant, or joint venturer of the Franchisor for any purpose. As such, Franchisee is in no way authorized to make any contract, agreement, warranty, representation, or other obligation, express or implied, on behalf of Franchisor. Franchisee shall prominently display in the Franchised Facility, a statement clearly indicating the Franchised Business is operated by a franchise of Franchisor and not as an agent of Franchisor. Franchisee shall take no action to cause the public to reasonably believe that it, rather than the Franchisor, is the proprietor of the System and/or the Marks. For the foregoing reasons, the Franchisor reserves the right to review Franchisee's advice, presentation methods, presentation strategies, and manner of displaying, using, and/or promoting the System and/or the Marks.

IN WITNESS WHEREOF, this Agreement has been executed as of the day and year first above written.

THIS CONTRACT CONTAINS AN ARBITRATION PROVISION WHICH MAY BE ENFORCED BY THE PARTIES.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
FNC, Inc.
Omaha, Nebraska

Opinion

We have audited the consolidated financial statements of FNC, Inc. and subsidiaries (the "Company"), which comprise the consolidated balance sheets as of September 30, 2022 and 2021, and the related consolidated statements of income, stockholders' equity, and cash flows for each of the three years in the period ended September 30, 2022 and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2022 and 2021, and the results of its operations and its cash flows for each of the three years in the period ended September 30, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS OF SEPTEMBER 30, 2022 AND 2021, AND FOR THE THREE YEARS IN THE PERIOD ENDED SEPTEMBER 30, 2022

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations—Farmers National Company offers farm and ranch management services for absentee landowners including farm and ranch sales, commodity trading, insurance, financial reporting, conservation and recreational services, and mineral management. Farmers National Company is a wholly owned subsidiary of FNC, Inc. FNC Ag Stock, LLC is a wholly owned subsidiary of Farmers National Company and operates as an alternative trading service for the secondary trading of securities issued by cooperatives and limited partnerships in the agricultural and energy sectors. Collectively, these entities make up FNC, Inc. and subsidiaries (or “the Company”).

Miracle Hills V Limited Partnership is a joint venture between Farmers National Company and Miracle Tower, Inc. which owns and operates an office building in which Farmers National Company’s corporate headquarters reside. Farmers National Company’s 50% investment in the joint venture was purchased in 2006. FNC-Serecon, Inc. is a joint venture between Farmers National Company and Serecon, Inc. which formed a Canadian Master Holding Corporation to perform real estate brokerage and farm and ranch management services in Canada. Each investor owns 50% in the joint venture.

Basis of Consolidation—The consolidated financial statements include the accounts of FNC, Inc. and all majority-owned subsidiaries. The investments in 50% or less owned entities are included in the consolidated financial statements on the basis of the equity method of accounting. All significant intercompany accounts and transactions have been eliminated.

Use of Estimates—In preparing the accompanying consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents—The Company considers all instruments with an original maturity of three months or less when purchased to be cash equivalents.

Cash—Restricted—Restricted funds are deposited into separate escrow accounts to comply with real estate laws of various states. These funds and related interest earned, if applicable, are held on behalf of clients in connection with the management or sale of their agricultural properties and accordingly a related property management payable is also recorded.

Investments—Investments consist principally of trading securities, including fixed income, equity, and balanced mutual funds. Such are reported at fair value, with realized and unrealized gains and losses included in other income (expense).

Property Management Receivable—These funds are advanced to the clients in connection with the management or sale of their agricultural properties. Delinquent receivables are written off with management approval using the direct write-off method. No allowance for doubtful accounts is maintained by the Company as all amounts are considered fully collectible. Property management receivable write offs have been immaterial for the years ended September 30, 2022, 2021 and 2020. As of September 30, 2022, 2021, 2020 and October 1, 2019, property management receivable was \$6,815,548, \$5,560,081, \$4,589,287 and \$4,872,259, respectively.

Property Management Contracts—Contracts represent agreements with agricultural landowners to manage their properties. Contracts are amortized on a straight-line basis over a fifteen-year period. The Company estimates that amortization expense will be approximately for the years ended September 30,:

2023	\$ 263,734
2024	239,484
2025	239,484
2026	237,317
2027	197,499
Thereafter	<u>308,420</u>
	<u>\$1,485,938</u>

The amortization period is based on the Company’s historical experience related to the term of such contracts. Recoverability of these assets is evaluated periodically based upon management’s estimate of future operating income of the contracts acquired. For the years ended September 30, 2022, 2021, and 2020, the Company had amortization expense of \$275,919, \$282,908, and \$280,463, respectively.

Property and Equipment—Property and equipment are carried at cost. Depreciation is computed using the straight-line method based on the estimated service lives of depreciable property, as follows:

Buildings and leasehold improvements	20
Furniture and fixtures	10
Computer software and equipment	3
Electronic equipment	3
Vehicles	3

For the years ended September 30, 2022, 2021, and 2020, the Company had depreciation expense of \$1,473,337, \$1,055,949, and \$1,042,264, respectively.

Management Fees Receivable—The majority of the Company’s management agreements for farm & ranch management and oil & gas management provide for a fee based on a percentage of the owner-client’s share of gross or adjusted gross property income. The management fees receivable consists of amounts due the Company from the owner-client in accordance with specific contract arrangements. No allowance for doubtful accounts is maintained by the Company as all amounts are considered fully collectible. Management fees receivable write offs have been immaterial for the years ended

September 30, 2022, 2021 and 2020. As of September 30, 2022, 2021, 2020 and October 1, 2019, management fees receivable was \$2,932,051, \$1,511,874, \$1,280,550 and \$1,679,637, respectively.

Commissions Receivable—The Company facilitates real estate sales, writes insurance policies and performs appraisal and consultation services for its clients. The commissions receivable consists of amounts due to the company for these services based on agreements. No allowance for doubtful accounts is maintained by the Company as all amounts are considered fully collectible. Commissions receivable write offs have been immaterial for the years ended September 30, 2022, 2021 and 2020. As of September 30, 2020 and October 1, 2019, commissions receivable was \$5,842,516, \$6,973,016, \$2,058,905 and \$2,897,774, respectively.

Revenue Recognition—On October 1, 2020 the Company adopted Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers*, see footnote 2 for the Company's revenue accounting policy under the new guidance. The single performance obligation for these contracts relates to crop sales, oil and gas leases and cash rent among others. The determination of the transaction price is outlined in the contract in all cases. No allocation of the transaction price is necessary because each contract has one performance obligation. As a result, the Company recognizes revenue when the performance obligation is met. In previous years the Company recognized revenue when persuasive evidence of an arrangement existed, delivery of service occurred, the sales price was fixed or determinable and collectability was reasonably assured. Payments received in advance of services being rendered were recorded as deferred revenue and recognized over the service period. The Company generates revenue from farm and ranch management services for absentee landowners including farm and ranch sales, commodity trading, insurance, financial reporting, conservation and recreational services, and mineral management. There was no material impact upon adoption of this standard.

Income Taxes—The Company is operating as an S Corporation and, consequently, earnings pass through to the members and are taxed at the member level. Accordingly, no federal income tax provision has been calculated. State tax payments for the years ended September 30, 2022, 2021, and 2020 totaled \$29,966, \$21,374, and \$29,834, respectively, and are included in operating expenses.

Impairment of Long-Lived Assets—The Company reviews property and equipment for impairment when events or changes in circumstances indicate the carrying amount of the assets may not be recoverable. Property management contracts are evaluated for potential impairment when business circumstances related to the underlying contracts change. Impairment of long-lived assets occurs when the fair value of the assets is less than its carrying amount. If impaired, an asset is written down to its fair value. There was no impairment for the years ended September 30, 2022, 2021 and 2020.

Concentration—The Company maintains its cash balances at various financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At various times throughout the year, the cash balances exceed the \$250,000 limit.

Risks and Uncertainties—As the effects of the COVID-19 pandemic developed during the fiscal year ended September 30, 2020, the Company experienced various impacts on its operations due to an overall economic slowdown. The Company cannot predict the ongoing impacts to its business given the variability of responses from local governments, business, and individuals. As of the date of this report, the Company has taken appropriate measures to minimize the impacts of the COVID-19 pandemic.

New Accounting Pronouncement—In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, which creates FASB ASC Topic 842, “Leases” and supersedes Topic 840 “Leases.” This guidance increases transparency and comparability among entities by recording lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. A lessee should recognize in the balance sheet a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term.

The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee have not significantly changed from previous guidance. In June 2020, the FASB issued ASU No. 2020-05, which defers the effective date of FASB ASC Topic 842 for nonpublic entities that have not yet issued, or made available for issuance, their financial statements as of June 3, 2020. Entities may elect to adopt the lease standard for annual reporting periods beginning after December 15, 2021, and interim reporting periods within annual reporting periods beginning after December 15, 2022. Early adoption continues to be permitted. The Company is evaluating the impact of this guidance on its financial statements.

2. REVENUE FROM CONTRACTS WITH CUSTOMERS

Management fees—The Company provides land management services to its clients. These services include accounting services, lease negotiations, ownership verification and other services. Management fees revenue and related expenses are set forth in annual executed management agreements. The revenue and related expenses which are based on a fixed fee schedule and a base management fee are recorded on the transaction date of services rendered for its clients or when client income funds are received. Client income funds include crop sales, oil and gas leases, and cash rent. The Company’s primary revenue source is point in time as the performance obligation is satisfied at the transaction date when client funds are received or services are rendered by the Company and the fee is calculated under the terms of the management agreements as the pricing is identified and known.

Real estate commissions—The Company facilitates real estate sales on behalf of its clients. Commission revenue and related expenses are recorded when an executed sales agreement is received. The performance obligation is satisfied on the date of the executed sale agreement because that is when the terms of the real estate sale are identified and the pricing is agreed upon.

Insurance commissions—The Company writes insurance policies for its clients and therefore receives commissions from the insurance carriers. The Company receives commissions from the carriers on a monthly basis based on the policies written. The commissions are recognized monthly. The performance obligation is satisfied at the point in time of insurance coverage issuance because that is when the carrier is aware of its obligation to provide a commission payment and the premium is known.

Appraisal fees—The Company performs appraisal valuation services for its clients. Appraisal fees and related expenses are recorded once services are rendered and the appraisal report is provided. The performance obligation is satisfied on the date all services are rendered and the appraisal report provided because that is when the price is determinable which includes time the Company spent providing the services and any other incidental expenses.

Consultation fees—The Company performs consultation services to its clients that are not included in management agreements. Consultation fees and related expenses are recorded once services are rendered and reporting complete. The performance obligation is satisfied on the date all services are rendered and reporting completed because that is when the price is determinable which includes time the Company spent providing the services and any other incidental expenses.

FNC Ag Stock fees—The Company facilitates the execution of buy and sell transactions on behalf of its customers. Commission revenues and related commission expenses are recorded on a trade-date basis as transactions are approved by the board of directors of the Company issuing the units. The performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon, and the risks and rewards of ownership have been transferred to/from the customer.

Revenue from Contracts with Customers

	2022	2021
Management fees	\$ 49,287,579	\$36,009,102
Real estate commissions	20,148,367	21,547,740
Insurance commissions	2,825,279	2,561,831
Appraisal fees	2,090,169	2,064,442
Consultation fees	497,177	652,417

Other revenue	<u>434,376</u>	<u>82,131</u>
Total operating revenue	<u>\$ 75,605,860</u>	<u>\$63,148,471</u>

Contract Liabilities—The timing of revenue recognition related to some management fees results in contract liabilities. The annual payment is received on the anniversary of the trading service contract. The payment represents services for one year after the payment is made. Revenue for these payments is recognized on a monthly basis with the balance of the contract considered a contract liability. As of September 30, 2022, 2021 and 2020 and October 1, 2019, contract liabilities (deferred revenue) were \$35,833, \$27,955, \$34,213 and \$34,553, respectively.

3. FNC, INC. SAVINGS AND INVESTMENT PLAN

The Company has a savings and investment plan meeting the requirements of Section 401(a) of the Internal Revenue Code. The Plan is a defined contribution plan through which eligible employees are permitted to make contributions on a salary reduction basis that are tax deferred under 401(k) of the Internal Revenue Code. The Plan also permits the Company, at its discretion, to make contributions to the Plan for the benefit of eligible employees. Additionally, the Company has the authority to make matching contributions to the Plan.

On October 1, 2000, the Plan was amended to combine the profit sharing and 401(k) features and add an Employee Stock Ownership Plan (“ESOP”) feature to the Plan to allow participants to invest in the Company. The participants are allowed to participate annually at the Company’s discretion in the FNC Stock Exchange Program which allows for the participant to buy or sell their shares of FNC stock. The shares of retired, deceased,

and terminated participants' stock are included in this program thereby reducing the Company's obligation to repurchase the stock and promote employee ownership in accordance with the Savings and Investment Plan provisions. As of September 30, 2022 and 2021, the ESOP trust held 1,071,514 shares and 1,213,495 shares of the Company's common stock, respectively.

7. INVESTMENTS IN JOINT VENTURES

Farmers National Company and Miracle Tower, Inc. are partners in a joint venture that owns and operates an office building in which Farmers National Company's corporate headquarters reside. The joint venture is doing business as Miracle Hills V Limited Partnership. Farmers National Company is a limited partner in this agreement. Farmers National Company's 50% investment in the joint venture was purchased in 2006. Lease payments to Miracle Hills V Limited Partnership for the years ended September 30, 2022, 2021, and 2020, totaled \$419,779, \$419,114, and \$421,061, respectively.

FNC-Serecon, Inc. is a joint venture between Farmers National Company and Serecon, Inc. which formed a Canadian Master Holding Corporation to perform real estate brokerage and farm and ranch management services in Canada.

8. FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Fair value measurements assume the asset or liability is exchanged in an orderly manner; the exchange is in the principal market for that asset or liability (or in the most advantageous market when no principal market exists); and the market participants are independent, knowledgeable, able and willing to transact an exchange. The Company has no financial liabilities carried at fair value as of September 30, 2022 and 2021.

Fair values for substantially all of the Company's financial instruments were measured using market and income approaches. Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. Accordingly, the estimates presented herein are not necessarily indicative of the amounts that could be realized in an actual current market exchange. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value.

The Company's financial assets carried at fair value have been classified, for disclosure purposes, based on a hierarchy. The hierarchy consists of three levels, ranging from the category the FASB deems to be most reliable to a category where fair value is measured using significant unobservable inputs because of the lack of observable market prices for the instruments, or Levels 1 through 3, respectively. A further description of the inputs used in the valuation of assets under the three levels is as follows:

Level 1—Inputs represent unadjusted quoted prices for identical assets exchanged in active markets. Substantially all of the Company's equity investments in unaffiliated

entities are traded on an exchange in active markets and fair value is based on the closing price as of the balance sheet date.

Level 2—Inputs include directly or indirectly observable inputs other than Level 1 inputs such as quoted prices for similar assets exchanged in active or inactive markets; quoted prices for identical assets exchanged in inactive markets; other inputs that are considered in fair value determinations of the assets, such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3—Inputs include unobservable inputs used in the measurement of assets. Management is required to use its own assumptions regarding unobservable inputs because there is little, if any, market activity in the assets or related observable inputs that can be corroborated at the measurement date.

Financial assets measured at fair value in the consolidated financial statements as of September 30, 2022 and 2021, are summarized in the following table by the type of inputs applicable to the fair value measurements. There were no transfers between Level 1, Level 2, or Level 3 during 2022 and 2021.

4. Applicant shall not disclose any of the Disclosed Information to any person or entity not a party to this Agreement without Franchisor's prior written approval.

5. Applicant shall return to Franchisor the originals and all copies or recordings of any Disclosed Information, within ten (10) days after the earlier of (i) Applicant's decision whether or not to enter into the Franchise Transaction, (ii) Franchisor's denial of Applicant's application to enter into the Franchise Transaction, or (iii) ninety (90) days after the date of this Agreement.

6. Applicant and Franchisor agree that Franchisor would be immediately and irreparably harmed by any breach of this Agreement, and monetary damages alone would not be a sufficient remedy for such breach. Franchisor shall be entitled to specific performance and injunctive relief as remedies for any such breach. Such remedies shall not be deemed exclusive remedies for breach of this Agreement, but shall be in addition to any other remedies permitted by law, including the award of damages and reasonable attorneys' fees.

7. In the event Applicant becomes legally compelled to disclose any of the Disclosed Information, Applicant shall provide Franchisor with prompt notice of such required disclosure, the basis of the requirement, the identity of each person to whom such information is to be disclosed, and the date by which such requirement is to be satisfied, so that Franchisor may seek a protective order or other appropriate remedy. In the event such protective order or remedy is not obtained by Franchisor, Applicant shall only disclose such portions of the Disclosed Information as is necessary to satisfy Applicant's legal obligation.

8. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

9. If any provision of this Agreement is, for any reason, invalid or unenforceable, the remaining provisions of this Agreement will nevertheless be valid and enforceable and will remain in full force and effect. Any provision of this Agreement that is held invalid or unenforceable by a court of competent jurisdiction will be deemed modified to the extent necessary to make it valid and enforceable and as so modified will remain in full force and effect.

10. Franchisor and Applicant acknowledge and agree that all disputes arising out of this Agreement shall be subject to the exclusive jurisdiction and venue of the Nebraska state courts of Douglas County (or, in the case of exclusive federal jurisdiction, the United States

District Court for the District of Nebraska) and both Franchisor and Applicant consent to the personal and exclusive jurisdiction and venue of these courts.

11. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Nebraska.

IN WITNESS WHEREOF, this Agreement has been executed as of the day and year first above written.

RECITALS

WHEREAS:

A. Franchisor has developed and owns the rights to a proprietary business system (the "System") for marketing, negotiating, and managing license agreements between landowners, hunters, and anglers for hunting and/or fishing rights within a particular geographic area (collectively, "Hunting Leases");

C. Franchisor has entered into a Franchise Agreement with Franchisee for the right and license to use the System and the Marks for marketing, negotiating, and managing Hunting Leases (the "Franchised Business");

D. To assist Franchisor and Franchisee with the operation of the Franchised Business, Agent desires to receive certain information concerning the System and the Franchised Business, and Franchisor and Franchisee desire to limit access to, and maintain the confidentiality of, such information. •

AGREEMENT

NOW, THEREFORE, in consideration of the disclosure by Franchisor and/or Franchisee of information concerning the System and the Franchised Business, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. This Agreement shall apply to all non-public information, whether written or oral, disclosed by Franchisor and/or Franchisee to Agent concerning the System and/or the Franchised Business, including, but in no way limited to, information concerning customers or clients, landowner information, business plans, financial information, costs, prices, concepts, ideas, techniques, processes, procedures, methods, research, data, contracts, and other written materials used in connection with the offer, sale, and operation of the Franchised Business, any information contained within Franchisor's Franchise Disclosure Document and its associated exhibits and attachments, any information contained within Franchisor's confidential Operating Manual, and any information contained within Franchisor's standard Franchise Agreement and its associated exhibits and attachments (collectively, the "Disclosed Information").

2. Agent shall not use any of the Disclosed Information for any purpose other than the marketing, development, and operation of the Franchised Business, nor shall Agent divulge any Confidential Information, directly or indirectly, to any person or entity without Franchisee's prior written approval.

3. Agent shall not make any copies or recordings of any Disclosed Information without Franchisee's prior written approval.

4. Agent shall not directly or indirectly disclose any of the Disclosed Information to any person or entity not a party to this Agreement without Franchisee's prior written approval.

5. Agent shall return the originals and all copies or recordings of any Disclosed Information to Franchisee and cease the use of all Disclosed Information within ten (10) days after written demand by either Franchisor or Franchisee.

6. Agent agrees that Franchisor and Franchisee would be immediately and irreparably harmed by any breach of this Agreement, and monetary damages alone would not be a sufficient remedy for such breach. Franchisor and Franchisee shall be entitled to specific performance and injunctive relief as remedies for any such breach. Such remedies shall not be deemed exclusive remedies for breach of this Agreement, but shall be in addition to any other remedies permitted by law, including the award of damages and reasonable attorneys' fees.

7. In the event Agent becomes legally compelled to disclose any of the Disclosed Information, Agent shall provide both Franchisor and Franchisee with prompt notice of such required disclosure, the basis of the requirement, the identity of each person to whom such information is to be disclosed, and the date by which such requirement is to be satisfied, so that Franchisor and/or Franchisee may seek a protective order or other appropriate remedy. In the event such protective order or remedy is not obtained by Franchisor and/or Franchisee, Agent shall only disclose such portions of the Disclosed Information as is necessary to satisfy Agent's legal obligation.

8. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.

9. Nothing in this Agreement shall be construed to make Agent an employee, partner, servant, or joint venturer of Franchisor for any purpose. Agent is in no way authorized to make any contract, agreement, warranty, representation, or other obligation, express or implied, on behalf of Franchisor.

10. If any provision of this Agreement is, for any reason, invalid or unenforceable, the remaining provisions of this Agreement will nevertheless be valid and enforceable and will remain in full force and effect. Any provision of this Agreement that is held invalid or unenforceable by a court of competent jurisdiction will be deemed modified to the extent

necessary to make it valid and enforceable and as so modified will remain in full force and effect.

11. The parties acknowledge and agree that all disputes arising out of this Agreement shall be subject to the exclusive jurisdiction and venue of the Nebraska state courts of Douglas County (or, in the case of exclusive federal jurisdiction, the United States District Court for the District of Nebraska) and the parties consent to the personal and exclusive jurisdiction and venue of these courts.

12. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Nebraska.

EXHIBIT L

ADDENDUM FOR MICHIGAN FRANCHISEES

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

1. A prohibition on the right of a franchisee to join an association of franchisees;
2. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims;
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure;
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise;
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision;
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state;
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to: (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards, (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor, (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations, (iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer;

8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
9. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Questions regarding this notice should be directed to: Consumer Protection Division, Franchise Section, P.O. Box 30213, Lansing MI 48909, Phone: (517) 373-7117.
