# WHAT YOU NEED TO KNOW ABOUT FRANCHISING GENERALLY

<u>Continuing responsibility to pay fees</u>. You may have to pay royalties and other fees even if you are losing money.

**Business model can change**. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

<u>Supplier restrictions</u>. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions**. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

<u>**Competition from franchisor**</u>. Even if the Franchise Agreement grants you a territory, the franchisor may have the right to compete with you in your Territory.

**<u>Renewal</u>**. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

## Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your Franchise Agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

# Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

- 1. <u>Out-of-State Dispute Resolution</u>. The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Virginia. Out-of-State mediation, arbitration, or litigation may force you to accept a less favorable settlement to disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Virginia than in your own state.
- 2. <u>Mandatory Minimum Payments</u>. You must make minimum royalty or advertising fund payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise business and loss of your investment.
- 3. <u>Short Operating History</u>. The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
- 4. <u>Financial Condition</u>. The franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted, Check the "State Specific Addenda" to see whether your state requires other risks to be highlighted.

#### **Industry-Specific Laws and Regulations**

The offer of a franchise is primarily governed by Federal Trade Commission regulation and corresponding state laws. These laws generally require that a prospective franchise receive a Franchise Disclosure Document at least fourteen (14) calendar days before signing of a binding agreement or making any payment.

In addition, certain states have laws governing the sale of franchises and the relationship between franchisors and franchisees. In general, as to state franchise sales laws, we must engage in truthful advertising and avoid making false claims or financial performance representations except as stated in the Franchise Disclosure Document.

Typically, state relationship laws mandate fair dealing between a franchisor and franchisee, require that a franchisee not be terminated or otherwise lose rights as a franchisee absent good cause, and require that reasonable standards be applied in determining whether to approve the sale or transfer of an existing franchise to a new franchise owner.

At the current time there are no known Federal laws or regulations specific to pet grooming and pet care industries. We recommend that you consult with your attorney regarding the application of any State or local laws or regulations regarding pet grooming and pet care industries, including, without limitation, State licensing requirements.

You should investigate the application of these laws further.

#### **Concluded Actions:**

JTH Tax LLC d/b/a Liberty Tax Service v. John T. Hewitt, Loyalty LLC, ATAX LLC, ATAX Franchise, Inc. and Yneva Marte (Case No.2:21-cv-00076-RBS-LRL) filed February 4, 2021 in the United States District Court for the Eastern District of Virginia. Plaintiff filed the action alleging that ATAX franchisees maintained signage that is confusingly similar to trade dress and logos of the plaintiff. The Plaintiff also alleges that Mr. Hewitt tortiously interfered with certain contractual relations by discussing with existing and former franchisees of the Plaintiff opportunities at ATAX. The complaint alleges that Mr. Hewitt breached his employment agreement by sharing and using trade secrets, confidential and proprietary information for his own benefit or the benefit of a third party by convincing existing and prospective franchisees of the Plaintiff to leave and instead open ATAX franchises. Lastly, the complaint alleges that Mr. Hewitt engaged in a conspiracy to unfairly compete against and damage Liberty Tax by convincing customers and prospective customers to pick ATAX over Liberty Tax. Plaintiffs sought \$20 million in actual damages, treble damages, costs, and legal fees along with injunctive relief. The Defendants have denied the allegations. The matter was settled on December 31, 2021. Under the Settlement Agreement, Defendants agreed to pay the Plaintiff \$545,000 over 6 years, and to refrain from: (1) unfairly competing with Liberty Tax by tortiously interfering with its franchise agreements; (2) diverting or attempting to interfere with or divert any leases from Liberty; (3) palming off any of ATAX's products or services as those of Liberty; (4) any action or statement that could reasonably cause likelihood of confusion that any ATAX location is associated with Liberty; (5) possessing, misappropriating, using or disclosing Liberty's confidential information; and (6) accessing any of Liberty's computer systems or databases. ATAX agreed to permanently close three specific ATAX locations and use their best efforts to assign leases for those locations to Liberty. The Court retained jurisdiction to enforce the final consent order.

<u>Rose Mauro, individually and on behalf of all others similarly situated v, Liberty Tax, Inc. Edward</u> <u>L. Brunot. John T. Hewitt, and Kathleen Donovan</u>, (Case No. 18 CV 245) filed on January 12, 2018 in the United States District Court for the Eastern District of New York. Plaintiff filed a securities class action asserting violations of Section 10(b) of the Exchange Act and Rule 10b-5 against all defendants and a second count for violations of Section 20(a) of the Exchange Act against the individual defendants. According to the complaint, throughout the class period, Liberty Tax, Inc. allegedly issued materially false and misleading statements and/or failed to disclose that: (1) Hewitt created an inappropriate tone at the top; (2) the inappropriate tone at the top led to ineffective entity level controls over the organization; and (3) as a result, defendants' statements about the operations and prospects were materially false and misleading and/or lacked a reasonable basis at all relevant times. This case was consolidated with the *Patrick Beland* matter listed below and then further information on this case is reported below under the caption *In Re: Liberty Tax, Inc., Securities Litigation* Case No. 27 CV 07327 (E.D.N.Y.).

<u>Patrick Beland, individually and on behalf of all others, similarly, situated v. Liberty Tax., Inc.,</u> <u>Edward L. Brunot, John T. Hewitt, and Kathleen E, Donovan</u>, (Case No. 17 CV 7327) filed on December 15, 2017 in the United States District Court for the Eastern District of New York. Plaintiff filed a securities class action asserting violations of Section 10(b) of the Exchange Act and Rule 10b-5 against all defendants and a second count for violations of Section 20(a) of the Exchange Act against the individual defendants. According to the complaint, throughout the class period, Liberty Tax, Inc. allegedly issued materially false and misleading statements and/or failed to disclose that: (1) Hewitt created an inappropriate tone at the top; (2) the inappropriate tone at the top led to ineffective entity level controls over the organization; and (3) as a result, defendants' statements about the business, operations and prospects were materially false and misleading and/or lacked a reasonable basis at all relevant times.

The two above referenced shareholder actions were consolidated under the caption *In Re: Liberty Tax, Inc., Securities Litigation*, (Case No. 27 CV 07327) (E.D.N.Y.). On June 12, 2018, the Lead Plaintiff, IBEW Local 98 Pension Fund, filed its Consolidated Class Action Amended Complaint, which removed Ed Brunot as a defendant and added additional securities claim based on Section 14(a) of the Exchange Act and Rules 14-a3 and 14a-9. The Consolidated Amended Class Action Complaint, among other things, asserted that LT Inc.'s SEC filings over a multi-year period failed to disclose the alleged misconduct of the individual defendants and that disclosure of the alleged misconduct caused LT Inc.'s stock price to drop and, thereby harm the purported class of shareholders. The Class Period is alleged to be October 1, 2013 through February 23, 2018. The defendants filed a joint motion to dismiss the Consolidated Amended Class Action Complaint on September 17, 2018. The Lead Plaintiff served their opposition on November 1, 2018 and the defendants filed their reply brief on November 27, 2018. A mediation took place on November 12, 2018 but did not result in a resolution. On January 16, 2020, the case was dismissed for failure to state a claim. The Plaintiff filed a Notice of Appeal on February 19, 2020. The dismissal was affirmed on appeal.

<u>Kenneth Martin et al. v JTH Tax, Inc. d/b/a Liberty Tax Service, John Hewitt and Danny Hewitt,</u> (Case No. 9:10-3016-CWH) filed on November 22, 2010 in the U.S. District Court for the District of South Carolina. The plaintiffs, former clients of two Liberty Tax franchised offices, filed suit claiming that, pursuant to a plan or scheme, JTH fraudulently increased their tax refunds when preparing their income tax returns. The plaintiffs brought the case as a class action seeking to represent all Liberty Tax customers that were charged additional fees for the filing of schedules or forms which accompanied a federal income tax return, but the Court denied class action status in February 2013. The plaintiffs also brought a RICO claim against John and Danny Hewitt individually, a breach of contract claim against us, a breach of fiduciary duty claim against us, and an unjust enrichment claim against all defendants. The plaintiffs sought at least \$5,000,000 in actual damages, treble damages under the RICO claim, punitive damages against us, restitution against all defendants, reasonable attorney's fees, accountants' fees, experts' fees, costs, and an incentive payment to the class representatives.

In January 2011, JTH filed an answer denying these claims and filed third-party claims against Annie Fuller, a former Liberty Tax franchisee, claiming that she had committed defamation by providing false information to the plaintiffs' attorneys and possibly others about JTH, breached her franchise agreement and a purchase and sale agreement, and that she owed indemnity. JTH also asked for declaratory judgment finding that, as a result of Fuller's breaches, it had no further duty to pay sums to her from a purchase and sale agreement and should be refunded monies already paid. On May 31, 2011, Fuller filed a counterclaim against JTH alleging that JTH breached a purchase and sale agreement, breached the purchase and sale agreement with a fraudulent intent, violated the Virginia Retail Franchising Act, and breached her franchise agreement. Fuller sued for unspecified damages, costs, and attorney's fees. JTH denied the allegations. The Court granted summary judgment for Danny Hewitt on all claims and for John Hewitt on unjust enrichment. In June 2013, the plaintiffs and Liberty settled all remaining matters in controversy with Liberty agreeing to pay the plaintiffs \$300,000. The plaintiffs signed releases and, on June 28, 2013, all claims were dismissed with prejudice. In May 2013, both Fuller and Liberty dismissed their claims without prejudice.

<u>K&A Publicidad, Inc. v. JTH Tax, Inc., d/b/a Liberty Tax Service, Liberty Tax, Inc. d/b/a Siempre</u> <u>Tax and John Hewitt</u>, (Case No. CL17-4169), filed on September 5, 2017 in the Virginia Beach Circuit Court. Plaintiff is a company owned and controlled by Kirke Franz Szawronski. Plaintiff alleges that it entered into a contract with Liberty to provide promotional and strategic relationship services to help grow the SiempreTax brand. Plaintiff alleged that defendants breached the contract for failure to pay for services and seeks damages. This matter, along with the <u>Kirke Franz</u> <u>Szawronski</u> matter described below, settled on January 26, 2019, with Liberty agreeing to pay plaintiff \$50,000 to settle both matters, in exchange for a release.

<u>Kirke Franz Szawronski v. JTH Tax, Inc., d/b/a Liberty Tax Service, Liberty Tax, Inc., d/b/a</u> <u>Siempre Tax and John Hewitt</u>, (Case No. CL17-4170), filed on September 5, 2017 in the Virginia Beach Circuit Court. Plaintiff was a former employee and filed a lawsuit claiming breach of employment agreement with Plaintiff by failing to pay 6-months' severance. Plaintiff also asserted a claim for defamation. This matter, along with the <u>KK&A Publicidad, Inc.</u> matter described above, settled on January 26, 2019, with Liberty agreeing to pay plaintiff \$50,000 to settle both matters, in exchange for a release.

Asbestos Workers' Philadelphia Pension Fund, derivatively on behalf of Liberty Tax, Inc., v. John <u>Hewitt. Defendant, and Liberty Tax, Inc., Nominal Defendant</u>, (Case No. 2017-0883), filed on December 12, 2017 in the Court of Chancery of the State of Delaware. Plaintiff alleged that Liberty's former CEO, John T. Hewitt ("Hewitt"), breached his fiduciary duties as an officer based upon certain allegations of misconduct on his part. The Plaintiff also alleged breach of fiduciary duty against Hewitt in his capacity as a director of LT Inc. The Complaint sought compensatory damages and attorney's fees. On December 27, 2017, this action was consolidated with the <u>Erie</u> <u>County</u> matter described just below and then continued under the caption <u>In Re: Liberty Tax, Inc.</u> <u>Stockholder Litigation</u>.

*Erie County Employees Retirement. System, on behalf of Liberty Tax, Inc. v. John T. Hewitt. Defendant, and Liberty Tax, Inc. Nominal Defendant*, Case No. 2017-0914, was filed the Court of Chancery of the State of Delaware on December 22, 2017. Plaintiff also alleged that Hewitt breached his fiduciary duties as an officer based upon certain allegations of misconduct on his part. The Plaintiff also alleged breach of fiduciary duty against Hewitt in his capacity as a director of LT Inc. The Complaint sought to enjoin Hewitt from managing LT's business operations and seeks compensatory damages and attorney's fees. On December 27, 2017, this action was consolidated with another action into In Re: Liberty Tax, Inc. Stockholder Litigation *(see below).* 

On December 27, 2017, the two above referenced shareholder matters were consolidated with the caption <u>In Re: Liberty Tax, Inc. Stockholder Litigation</u>, (Case No. 2017-0883). The Complaint asserted claims for breach of fiduciary duty and breach of fiduciary duty by violation of the nominating committee charter. A mediation took place on November 12, 2018 but did not result in a resolution. On March 15, 2019, the parties entered into a stipulation of settlement of which the material terms of the settlement are as follows: (i) Liberty Tax agreed to implement an anti-harassment policy; (ii) Liberty Tax will conduct yearly code of conduct training; (iii) Liberty Tax will terminate for cause any employee who violates the anti-harassment policy that has been substantiated as such; (iv) Liberty Tax will revise its audit committee charter to reflect that SEC filings must be pre-approved by the Audit Committee; (v) Liberty Tax will take reasonable steps to be listed on NASDAQ or NYSE; (vi) Hewitt agrees not to solicit company employees; and (vii) No party admits any liability. On June 28, 2019, the Court of Chancery approved a Derivative and Class Action Settlement. All issues have been resolved and the Delaware derivative actions were dismissed with prejudice in 2019 without any finding of liability on the part of the Defendants.

<u>RSL Senior Partners, LLC, derivatively and on behalf of Liberty Tax, Inc. v Brunot et al</u>, (Case No. 2:18-cv-00127-HCM-DEM), filed on March 7, 2018, in the United States District Court for the Eastern District of Virginia. This purported shareholder derivative action was filed on behalf of LT Inc. seeking to address the alleged wrongs of LT Inc.'s directors and officers. The Complaint claimed that certain conduct created an inappropriate tone at the top, resulting in the loss of key executives, employees, directors and otherwise harmed LT Inc. The Complaint asserted claims under Section 14(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), Section 10(b) and Rule 10b-5 and Section 20(a) of the Exchange Act, breach of fiduciary duty, unjust enrichment, abuse of control, gross mismanagement, and waste of corporate assets. The Complaint sought the following relief: (a) declaring that the Plaintiff may maintain this action on behalf of LT Inc., and that the Plaintiff is an adequate representative of LT Inc.; (b) declaring that the Individual Defendants have breached and/or aided and abetted the breach of their fiduciary duties to LT Inc.; (c) determining and awarding to LT Inc. the damages sustained by it as a result of the violations set forth above from each of the Individual Defendants, jointly and severally, together with pre-judgment and post-judgment interest thereon; (d) directing LT Inc. and the Individual Defendants to take all necessary actions to reform and improve its corporate

governance and internal procedures to comply with applicable laws and to protect LT Inc. and its shareholders from a repeat of the damaging events (e) awarding LT Inc. restitution from Individual Defendants; and (f) awarding the Plaintiff the costs and disbursements of the action, including reasonable attorneys' and experts' fees, costs, and expenses. The parties to this action have agreed that all claims have been settled and agreed to dismiss the action within five business days of the <u>In Re: Liberty Tax, Inc. Stockholder Litigation</u> action in Delaware Chancery Court becoming final. On September 11, 2019, the Court conducted a hearing for approval of the settlement and for attorney's fees. On September 12, 2019, the Court found the shareholder notice to be adequate and in compliance with the requirements of rule 23.1(c). The Court approved the settlement ordered in the *In Re: Liberty Tax, Inc. Stockholder Litigation* which incorporated the Plaintiff's claims in this action and approved the \$295,0000 in attorneys' fees, including the case contribution award of \$2,000 to Plaintiff. This matter was dismissed with prejudice.

<u>Bablu Shahabuddin v. JTH Tax, Inc., Siempre Tax, and John Hewitt</u>, (Case No. 2:18-cv-00016-MDS-DEM) filed on January 11, 2018 in the United States District Court for the Eastern District of Virginia. The plaintiff filed suit which, as amended, claimed that JTH Tax and Siempre Tax failed to pay to him certain monies owed under various Purchase and Sale Agreements, that a constructive trust should be imposed on certain monies received by Liberty Tax and Siempre for the subsequent sale of those territories, that the defendants committed fraud in the inducement, and that Hewitt orally guaranteed the Purchase and Sale obligations. Shahabuddin sued for \$600,000 in compensatory damages, \$350,000 in punitive damages, plus pre-judgment and post-judgment interest. The parties reached a settlement of all claims whereby JTH Tax paid \$775,000 and a portion of certain upcoming Net Revenue at offices previously owned by the plaintiff to him. The case was dismissed on November 14, 2018.

# **Governmental Actions Against John T. Hewitt:**

In the Matter of a Consent Order between The Commissioner of Financial Protection and Innovation and John T. Hewitt, before the Commissioner of Financial Protection and Innovation for the State of California. The Commissioner is the head of the Department of Financial Protection and Innovation (Department) and is responsible for administering and enforcing the Franchise Investment Law (FIL) (Corp. Code, § 31000 et seq.), The Commissioner has determined pursuant to her authority under the FIL that John T. Hewitt is "subject to" the Final entered in the matter of <u>United States of America v. Franchise Group Intermediate L 1, LLC d/b/a Liberty Tax Service</u> (Case No. 2:19-cv-00653-RAJ-DEM) filed on or around December 3, 2019 in the United States District Court for the Eastern 25 District of Virginia (the Final Order). John T. Hewitt agreed that he is required to disclose the Final Order in Item 3 of any Franchise Disclosure Document filed by any present or future Franchisor where John T. Hewitt is a director, trustee, general partner, principal officer, or maintains management responsibility relating to the sale or operation of the respective Franchisor, along with disclosure of this governmental action.

#### **Governmental Actions against Unrelated Entities:**

United States of America v. Franchise Group Intermediate L 1, LLC d/b/a Liberty Tax Service, (Case No. 2:19-cv-00653-RAJ-DEM) filed on or around December 3, 2019 in the United States District Court for the Eastern District of Virginia. The Department of Justice (DOJ) filed a complaint asserting that Liberty Tax failed to maintain adequate controls over the tax returns prepared by its franchisees and failed to take steps to prevent the filing of potentially false or fraudulent returns prepared by its franchises despite notice of fraud at some of its franchisee stores. The primary focus of the DOJ's investigation that preceded the complaint related to the alleged operational wrongdoing of 12 franchisees. Also on December 3, 2019, the DOJ and Liberty Tax filed a joint motion asking the court to approve a proposed settlement order setting forth certain enhancements to the Liberty Tax service compliance program and requiring Liberty Tax to retain an independent monitor to oversee the implementation of the required enhancements to the compliance program; and work with Liberty Tax to make further enhancements to improve the compliance program. As part of the proposed order, Liberty Tax agreed not to rehire John T. Hewitt, under whose supervision the alleged conduct at issue occurred. Liberty Tax further agreed not to grant John T. Hewitt any options or other rights to acquire equity in Liberty Tax or to nominate him to the company's board of directors. On December 20, 2019, the court granted the joint motion and the motion to seal, which fully resolved the legal proceedings initiated by the DOJ. Although he is referenced in the court's order, John T. Hewitt was not a named party to this case.

Other than these actions, no litigation is required to be disclosed in this Item.

# ITEM 12. TERRITORY

The Territory will be for a specific geographic region that we define by zip codes, natural, or political boundaries as set forth on Schedule 1 to the Franchise Agreement. A territory will normally include a population of approximately 150,000 residents, as determined by the U.S. Census Bureau or mapping software that we feel is reliable. You may operate one or more Vehicles in the Territory.

We do not grant you options, rights of first refusal, or similar rights to acquire additional franchises.

You will receive an exclusive territory, meaning a geographic area within which we promise not to establish either company-owned or franchised outlets selling the same or similar goods or services under the same or similar trademarks or service Marks. You may only operate your outlet (the Vehicle) within this Territory.

Continuation of your territorial rights does not depend on achieving a certain sales volume, market penetration, or other contingency, and we may not alter your franchise Territory, even if there is a population increase in your Territory.

We or an affiliate reserve the right to use other channels of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to solicit or accept orders within your Territory using our principal trademarks; however, we would normally direct inquiries for services from within your Territory to your outlet.

We or an affiliate also reserves the right to use other channels of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing sales to make sales within your Territory of products or services under trademarks different from the ones that you will use under the Franchise Agreement.

We are not obligated to pay compensation to you for soliciting or accepting orders from inside your Territory.

You and other franchisees may not accept orders from consumers outside of your territory, nor may you use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales outside your territory.

We also reserve the right to implement cross-territorial protocols and other guidelines applicable to such situations as group advertising buys by multiple franchisees which may extend into multiple territories, solicitation of orders of individuals who may reside in one territory, yet work in another, and other cross-territorial situations. You agree to abide by any such cross-territorial protocols.

Neither we nor an affiliate operates, franchises, or has plans to operate or franchise a business under a different trademark which such business sells or will sell goods or services similar to those you will offer, but we reserve the right to do so. We may approve relocation of the Franchised Business if we feel that conditions have changed such that a relocation represents a sound business decision.

# ITEM 13. TRADEMARKS

The Franchise Agreement licenses to you the right to use the following principal trademarks ("Marks") registered with the U.S. Patent and Trademark Office ("USPTO"):

Description of Mark	Registration Number	Principal or Supplemental Register of the USPTO	Registration Date
Zoomin Groomin <sup>®</sup> (Word Mark)	3,163,391	Principal	October 24, 2006

You must use the Marks in strict compliance with the rules we prescribe and only in connection with the conduct of the Franchised Business. We prohibit you from using the Marks in connection with the sale of any unauthorized service, or in any manner not expressly authorized in writing by us.

We purchased the right to use the name and Marks from the predecessor, ZG Enterprises LLC on or about December 31, 2020. The owner and registrant executed a Trademark Assignment which was accepted by the United States Patent and Trademark office for registration and use by Zoomin Groomin USA LLC.

All required affidavits and renewals have been filed. The first renewal occurred on December 27, 2016. There are currently no effective determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or any court; or any pending infringement, opposition, or cancellation proceeding in which we unsuccessfully sought to prevent registration of a trademark in order to protect a trademark licensed by the franchisor. There are no pending material federal or state court litigation regarding our use or ownership rights in a trademark.

There are no currently effective agreements that significantly limit our rights to use or license the use of our trademarks listed in this section.

If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Marks, you must promptly notify us. We are not required to take affirmative action when notified of these uses or claims. We have the sole right to control any administrative proceedings or litigation involving a trademark licensed by us to you. The Franchise Agreement does not require us to participate in your defense or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a trademark licensed by us to you or if the proceeding is resolved unfavorably to you.

If we discontinue or modify our Marks, you must adopt and use any new Marks as required by us. Any expenses you incur because of adopting and using these Marks are your responsibility.

We do not know of any superior prior rights or infringing uses that could materially affect your use of our Marks anywhere.

You must use the Marks in strict compliance with the rules we prescribe and only in connection with the conduct of the Franchised Business. We prohibit you from using the Marks in connection with the sale of any unauthorized service, or in any manner not expressly authorized in writing by us.

#### ITEM 18. PUBLIC FIGURES

We do not use any public figures to promote our System.

[Remainder of page intentionally left blank]

#### ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

#### Basis

Zoomin Groomin® is a mobile dog grooming business. Each Zoomin Groomin® Vehicle ("Vehicle") is an Outlet. One or more Vehicles can be operated in a single territory or in multiple territories. There were 16 Zoomin Groomin® Vehicles in operation as of December 31, 2022, all of which franchisees owned. We excluded 12 of them from these financial performance representations because they first opened for business after January 1, 2022, and did not operate for the entirety of the measurement period from January 1, 2022 through December 31, 2022. 31, 2022.

The following table provides financial performance representations on an annual basis, which are actual historical records of the remaining 4 Vehicles, which were in operation during the measurement period from January 1, 2022 through December 31, 2022. These sales figures ("Gross Sales") were reported to us by each of our Zoomin Groomin® franchisees as gross revenues with refunds being the only item deducted.

Average

#### Assumptions

Our study measured Zoomin Groomin® franchisee's performance of four Vehicles in operation. Three of the four Zoomin Groomin® Vehicles were owned by a franchisee of our predecessor which was acquired by us on December 8, 2020. The market where your Zoomin Groomin® Vehicle is operated may not be similar to our existing franchisees. Further, the predecessor franchisee has been in business for more than five years and is established in their territories. Accordingly, the results achieved by these franchisees may not be typical for a new or established business in your area.

No certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form. Written substantiation of this financial performance representation will be made available to you upon reasonable request.

# Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Other than the preceding financial performance representation, Zoomin Groomin® does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet; however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Sandra Stow at 780 Lynnhaven Parkway, Suite 240, Virginia Beach, VA 23452, the Federal Trade Commission, and the appropriate state regulatory agencies.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. "Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise."

D. Item 5 of the FDD and Section 2.1 of the FA are modified with the addition of the following language:

"Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement. "

E. The FA and Franchisee Questionnaire is amended to provide,

"All representations requiring prospective franchisees to assent to a release, estoppel, or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law."

F. The provision in the franchise agreement which provides for termination upon bankruptcy of the franchisee may not be enforceable under the federal bankruptcy law (11 U.S.C. Section 1010 et seq.).

This Addendum must be executed simultaneously with the Franchise Agreement by signing the State-Specific Addendum Acknowledgment.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

#### **RHODE ISLAND**

As to franchises governed by the Rhode Island Franchise Investment Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control. Item 17.m. of the Disclosure Document is revised to provide:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act prohibits a franchisee to be restricted in choice of jurisdiction or venue. To the extent any such restriction is purported to be required by us, it is void with respect to all franchisees governed under the laws of Rhode Island.

Item 17.w. of the Disclosure Document is revised to provide: *Rhode Island law applies.* 

#### VIRGINIA

As to franchises governed by the Virginia Retail Franchising Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document is amended as follows:

Additional Disclosure: The following statements are added to Item 17.h.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Item 5 of the Disclosure Document is modified to also provide: "The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement."

#### WASHINGTON

The State of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator, or as determined by the arbitrator at the time of arbitration. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver or rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisors reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

#### WISCONSIN

The State of Wisconsin has a statute, the Wisconsin Franchise Investment Law, Wis. Stat. § 553.01, et. seq., and Wis. Adm. Code Chapter DFI-Sec. 31.01, et seq., which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In the event of a conflict of laws, the provisions of the Wisconsin Franchise Investment Law, Wis. Stat. § 553.01, et. seq., and Wis. Adm. Code Chapter DFI-Sec. 31.01, et seq., shall prevail.

1. The Franchise Disclosure Document and Franchise Agreement require a Franchisee to sue in a State other than Wisconsin, and are hereby amended to expressly permit a Franchisee to file a civil lawsuit in Wisconsin for claims arising under the Wisconsin Franchise Investment Law.

FDD:	Item 17
FA:	Section 9

2. Item 17 of the Franchise Disclosure Document and Section 8 of the Franchise Agreement permit Franchisor to terminate, cancel, not renew or make a substantial change in competitive circumstances in the Franchise Agreement, without cause under certain circumstances. These provisions are prohibited by the Wisconsin Fair Dealership Law, § 135.04. Accordingly, Item 17 of the Franchise Disclosure Document and Section 8 of the Franchise Agreement are hereby amended to prevent the termination, cancellation, non-renewal or substantial change in competitive circumstances of the Franchise Agreement without good cause.

FDD:	Item 17
FA:	Section 8

3. Item 17 of the Franchise Disclosure Document and Section 8 of the Franchise Agreement permit the Franchisor to terminate the Franchise Agreement without providing the Franchisee ninety (90) days prior notice of the proposed termination or sixty (60) days to cure the deficiency. These provisions are prohibited by the Wisconsin Fair Dealership Law, § 135.04. Accordingly, Item 17 of the Franchise Disclosure Document and Section 8 of the Franchise Agreement are hereby amended to require that prior to the termination of the Franchise Agreement Franchisor must provide Franchisee ninety (90) days written notice of a proposed termination, which states all the reasons for the termination, cancellation, non-renewal or substantive change in circumstances, and the Franchisee shall be given sixty (60) days from the date of delivery or posting of such notice to rectify any claimed deficiency. If the deficiency is rectified within the sixty (60) days the notice shall be void. The notice provisions shall not apply if the reason for termination, cancellation or non-renewal is insolvency, the occurrence of an assignment for the benefit of creditors or bankruptcy. If the reason for termination, cancellation or non-renewal or substantial change in competitive circumstances is nonpayment of sums due under the Franchise Agreement, Franchisee shall still be entitled to (90) days written notice, as

referenced above, however, Franchisee shall only have ten (10) days in which to remedy such default from the date of delivery or post of such notice.

FDD: Item 17 FA: Section 8

#### SINGLE UNIT

This contract ("Agreement") is between Zoomin Groomin USA LLC ("Zoomin Groomin®", "we", "us", or "our") and the entity and all Signators identified on the signature page, in your personal capacity, (collectively "Franchisee", "you", or "your").

#### RECITALS

Zoomin Groomin® has developed a system ("Franchise System") to deliver pet grooming services (collectively the "Services"). The Franchise System utilizes prescribed marketing techniques and operating procedures to deliver outstanding service to pet owners ("Clients").

We seek to identify and recruit candidates with the ability to deliver outstanding Client service in a defined Territory who are willing to own at least one Franchised Business.

Franchisee seeks to use the Franchise System and the Services to profitably deliver an outstanding Client experience.

For mutual promises expressed in this Agreement, along with other valuable consideration, the receipt of which is acknowledged, Zoomin Groomin® and Franchisee (collectively "the Parties") will be bound as follows:

#### 1. Scope 1.1.

#### Franchise Relationship

#### A. Grant of Franchise

Zoomin Groomin® grants to you the right to operate a company ("Franchise Business") using our System and our Marks in your Territory.

#### B. Independent Contractors.

Your relationship with us is that of an independent contractor. This Agreement does not create a partnership, joint venture, or any other entity between the Parties. Neither Party has a fiduciary duty or other special duty respect to the other party. You are not a third-party beneficiary to any contract between us and any other franchisee.

#### C. Your Employees

As a separate Franchise Business, you have sole and exclusive control over your employees. Neither you nor your employees and agents may make a claim as employees or agents of us for any purpose including participation in an employee benefit plan, stock option program, or workers compensation law.

#### D. No Unauthorized Commitments.

Similarly, you will not make any promises, guarantees or warrantees to any third party that would create a binding obligation for us without our prior written consent.

#### 1.2. Term and Renewal

#### A. Term.

This Agreement will commence upon its Effective Date and will last for a term of ten (10) years (the "Term").

#### B. Renewal and Subsequent Renewals.

Upon the completion of the Term, or a renewal term as the case may be, if you are in compliance with this Agreement and meet other conditions for renewal, you may enter into a new contract, on the then current form of the Franchise Agreement. We will neither change your Territory nor Royalty rate in your renewals. The current form will not contain any changes of a material nature without your consent. If you wish to renew this Agreement, you must:

- i notify us in writing at least 90 days before the expiration of this Agreement;
- ii execute a general release of all claims you may have against us (See Schedule 6-Release)

#### 1.3. Territory

You will receive a geographic area within which we promise not to establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service Marks. A geographic area will normally include a population of **150,000** residents, as determined by the U.S. Census Bureau, or other mapping data that we feel is reliable. You may operate one or more mobile pet grooming outlets (each a 'Vehicle") in your Territory. Schedule 1 defines your "Territory" by zip codes, political, or geographic boundaries.

#### 1.4. Operation

## A. Start

You must commence operations within your Territory within thirty (30) days of receipt of your initial Vehicle. If you do not, more time will be given, but you will remain subject to minimum requirements and minimum Royalty Fees.

## B. Repair

If, for whatever reason, you are unable to operate your Vehicle(s) or it otherwise becomes unavailable for more than ten business days, then you will repair or replace it as soon as practical. If it remains out of service for more than thirty (30) days, then we can terminate without any refund to you.

## 1.5. Additional Outlets and Territories

We may grant to you approval to open additional outlets within your Territory if circumstances permit such as the population increases. We may grant you additional franchise territories if we feel you have the time, energy, capital, and management structure to be able to successfully open and operate more outlets. You do not have rights of first refusal or similar rights to acquire additional territories.

# 1.6. Minimum Requirements

Continuation of your Territorial rights does not depend on achieving a certain sales volume, growth or marketshare percentage; however, you will be subject to minimum monthly royalty payments for the entirety of this Agreement as defined in Minimum Requirements listed in Schedule 2. A year will include each fiscal year (including any partial year) ending on December 31.

## 1.7. Dual Distribution

#### A. Client Choice

A Client will always retain the right to choose the service provider that the Client believes in their sole and exclusive discretion best meets their respective needs.

### Independent Auditor's Report

#### To the Members of Zoomin Groomin USA LLC

### **Opinion**

We have audited the accompanying financial statements of Zoomin Groomin USA LLC, which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of operations, members' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Zoomin Groomin USA LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in accordance with the generally accepted accounting principles in the United States of America.

#### **Basis for Opinion**

The audit was conducted in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. The auditor is required to be independent of Zoomin Groomin USA LLC and meet other ethical responsibilities in accordance with the relevant ethical requirements relating to the audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting principles in the Unites States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zoomin Groomin USA LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

# DASH Business Solutions, LLC

## Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zoomin Groomin USA LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zoomin Groomin USA LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters the auditor identified during the audit.

Notes to the Financial Statements December 31, 2022 and 2021

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization and Nature of Business

Zoomin Groomin USA LLC (the "Company") was formed on December 20, 2020 as a Virginia limited liability company for the purpose of offering franchise opportunities and support for entrepreneurs who want to own a franchise location of Zoomin Groomin, a mobile pet grooming company.

#### Basis of Accounting

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year.

#### Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued the FASB Accounting Standards Codification ("ASC") that became the single official source of authoritative U.S. generally accepted accounting principles ("GAAP"), other than guidance issued by the Securities and Exchange Commission (SEC), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online search system.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. Also included with cash equivalents are deposits in-transit from banks for payments related to third-party credit card and debit card transactions. As of December 31, 2022 and 2021, the Company had cash and cash equivalents of \$4,894 and \$15,743, respectively.

#### Inventory

Inventory is valued at cost when purchased and is accounted for using the specific identification method of valuation. The inventory consists of vehicles and trailers held for future resale to franchises. The Company will recognize future income from the sales as ordinary other income on the date the title is transferred. The inventory was valued at \$84,180 and \$212,647, respectively, at the years ended December 31, 2022 and 2021.

Notes to the Financial Statements December 31, 2022 and 2021

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of executed franchise agreements for franchise sales, royalty fees, and other revenues. These receivables are carried at original invoice amount less an estimate made for doubtful receivables, based on a review of outstanding amounts. As of December 31, 2022 and 2021, the Company had accounts receivables of \$161,766 and \$231,488, respectively, and all accounts are deemed collectible. The current and long term portions are presented together on the balance sheet.

#### Other Assets

The Company has other assets consisting of three intangible assets including contracts valued at \$30,000, goodwill valued at \$30,000, and trademarks valued at \$30,000 at the year ended December 31, 2022 and 2021. The equal allocation for each asset was made by current management and is believed to be an accurate representation of the intangible assets acquired when the Company was purchased. Intangible assets are amortized over a fifteen-year period. The annual amortization is \$2,000 per asset per year recording at year end beginning with the year ending December 31, 2021. Amortization expense and accumulated amortization at December 31, 2022 are \$6,000 and \$12,000, respectively. Amortization expense and accumulated amortization at December 31, 2021 are \$6,000 and \$6,000, respectively. The contracts, goodwill, and trademarks are presented at net value on the balance sheet as Intangible Assets.

The Company has notes receivable from franchises based on financing provided by the Company for the year ended December 31, 2022 of \$255,386. The terms of the note include a fixed interest rate of twelve percent (12%) annually. Total interest income for the year ended December 31, 2022 is \$23,128. There were no notes receivable or interest income for the year ended December 31, 2021.

#### Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, long term notes receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities.

#### Concentration of Risk

The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

#### Subsequent Events

Management has reviewed and evaluated subsequent events through March 23, 2023, the date on which the financial statements were issued.

#### Notes to the Financial Statements December 31, 2022 and 2021

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Revenue Recognition

The Financial Accounting Standards Board ("FASB") issued codification Topic 606, Revenue from Contracts with Customers (ASC 606). Under ASC 606, the franchisor must determine if the pre-opening activities contain any distinct goods or services, known as performance obligations, and then allocate the initial franchise fees to those performance obligations using the stand-alone selling price of the goods or services. The Company has instituted ASC 606 using the full retrospective approach. The franchise fee revenue is recognized equally over a ten-year period, amortized monthly based on the contract signing date.

The Company's revenues consist of fees from franchises such as initial franchise fees, royalties, and other fees. The franchise fees are initially deferred revenue and recognized monthly. If the contract is signed before the fifteenth day of the month, half of the monthly accrual amount is recognized. If the contract is signed on or after the fifteenth day of the month, the entire month of the accrual is recognized. The royalty revenue and other fees are recognized when earned and are based on a percentage of gross sales of each individual franchise according to the franchise contract and invoiced monthly. The Company is obligated to provide the franchise ewith specific performances, including name and trademark use, as outlined in the franchise disclosure document. The initial franchise fee is not refundable, is typically collected upon contract signing, and future allocations of the initial franchise fees have no risk of impairment. When a franchise terminates the contract, the remainder of the initial franchise fee may be recognized in the year of termination.

#### Income Taxes

The entity is structured as a limited liability company under the laws of the State of Virginia, being taxed as a partnership. A partnership for federal and state income tax purposes includes the income or loss of the Company in the income tax returns of the members. Therefore, there is no provision for federal and state income taxes. The Company follows the guidance under Accounting Standards Codification ("ASC") Topic 740, Accounting for Uncertainty in Income Taxes. ASC Topic 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company's financial statements. The Company intends to file IRS Form 8832 electing to be taxable as a corporation. The effects of this change are speculative and have not been addressed.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2022, the 2021 and 2020 tax years were subject to examination based on the date of formation.

Notes to the Financial Statements December 31, 2022 and 2021

#### NOTE 2 - RECLASSIFICATIONS

Certain reclassifications and combinations have been made to allow for conformity and clarity. The updates have not changed the financial statement values and were done as part of the audit process.

#### NOTE 3 - RELATED PARTY TRANSACTIONS

During the year ended December 31, 2022, the Company began allocating overhead services provided by affiliates based on the percentage of time spent on the Company by affiliates through the use of shared labor, utilities, office space, and other overhead costs. The allocation was deemed reasonable by management and the services are allocated by the same allocation method amongst multiple franchisor affiliates. During the year ended December 31, 2022, the amount allocated for corporate overhead and marketing and sales overhead was \$118,779 and \$205,038, respectively. During the year ended December 31, 2021, the Company has not incurred any operating expenses with related parties.

#### NOTE 4 - COMMITMENTS AND CONTINGENCIES

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is "probable" and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is "probable" but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is "reasonably possible," disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are "remote" are neither accounted for nor disclosed. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

#### NOTE 5 - LOANS FROM AFFILIATES

The Company has multiple loans from affiliates that are expected to be repaid during the subsequent year. The amounts represent operating expenses paid during the year ending December 31, 2022 and 2021 on behalf of the Company. There are no written terms of repayment and no interest charged. Any amounts outstanding after the subsequent twelve months will be included in a formal note with an imputed interest rate.

#### NOTE 6 - DEFERRED REVENUE

As stated in Note 1, under ASC 606, Management has determined that revenue from the initial franchise fee should be recognized equally over a fifteen-year period monthly beginning when the contract is signed. At December 31, 2022, the amounts in deferred revenue consist of the current portion of \$39,540 that will be recognized during the subsequent calendar year, and the long-term portion of \$1,240,410 that will be recognized as previously stated. At December 31, 2021, the amounts in deferred revenue consist of the current portion of \$7,008 and the long-term portion of \$222,550.

#### Notes to the Financial Statements December 31, 2022 and 2021

#### NOTE 7 - FRANCHISE AGREEMENT

The terms of the Company's franchise agreement will be as follows:

- A. The Company will grant the right to use the Company name, trademark and system in the franchisees franchise development business.
- B. The franchisee is obligated to pay a non-refundable initial franchise fee.
- C. The franchisee is obligated to pay a monthly royalty fee and other fees as outlined in the agreement.
- D. All other terms of the Franchise Disclosure Document.
