What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Michigan. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Michigan than in your own state.

Spousal Liability. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even if your spouse has no ownership interest in the franchise. This guarantee will place both you and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.

Sales Performance Required. You must maintain minimum performance levels. Your inability to maintain these levels may result in the loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Mandatory Minimum Payments. You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Short Operating History. The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Financial Condition. The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURES REQUIRED BY MICHIGAN LAW

The following is applicable to you if you are a Michigan resident or your Franchised Business will be located in Michigan.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee after entering into a franchise agreement from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such a failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - i. The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - ii. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - iii. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- iv. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third-party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisee has any questions regarding this notice, those questions should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Attn.: Franchise, 670 Law Building, Lansing, Michigan 48913, telephone: (517) 373-7117.

Description of the Franchised Business

We offer franchises for the use of our "Boost Home Healthcare" trademarks, trade names, service marks, and logos ("Proprietary Marks") for the operation of Boost Businesses ("Boost Franchise(s)" or "Franchise(s)"). Boost Businesses are operated under our Boost system ("System"). The System utilizes a health care concept composed of a certain number of integral parts, all of which are absolutely necessary

for a successful operation and are fully described in the confidential manuals (“Manuals”). The System may be changed or modified by us throughout your ownership of the Franchise. Boost Businesses provide intermittent care ordered by a doctor and is performed by a Home Health Aide (HHA), Licensed Practical Nurse/Licensed Vocational Nurse (LPN/LVN), Registered Nurse (RN), Physical Therapy (PT), Occupational Therapy (OT), Speech Language Pathologist (ST) and Medical Social Worker (MSW) to patients of all ages with acute and chronic long term complex health conditions within the patient’s residence or within health care facilities. You will operate your Franchised Business from an approved location. You must sign our standard franchise agreement attached to this Franchise Disclosure Document as Exhibit B (“Franchise Agreement”). You may operate one Boost Business for each Franchise Agreement you sign.

Market and Competition

You can expect to compete with other national and local businesses and sole proprietors performing similar services. The market for home health care services in the United States is very large and fully developed and is growing at a steady pace as the number of people over the age of 65, the primary, though not only, customer class, is growing rapidly. Revenues generated from home health care services are not influenced by seasonality throughout the year. Your competitive advantage in the marketplace will be based on your adherence to our standards and guidelines, as well as your entrepreneurial and managerial abilities and focus on customer service in the operation of your Franchise Business.

Laws and Regulations

You are responsible for and must comply with all federal, state and local laws and regulations that apply to your operations, including those pertaining to the health care industry including the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and Title XII of the American Recovery and Reinvestment Act of 2009 (“HITECH ACT”), anti-kickback prohibitions, Stark Law requirements, fee splitting prohibitions, patient brokering limitations, professional and facility licensing, Conditions of Participation, workers’ compensation, state and local minimum wage and overtime compensation requirements, corporate, tax, environmental, sanitation, insurance, no smoking, EEOC, OSHA, non-discrimination, employment, Telephone Consumer Protection Act, Data Privacy and Protection and sexual harassment laws. Boost neither dictates nor controls labor or employment matters for you or your employees.

To comply with HIPAA, you and Boost must execute a Business Associate Agreement, attached as Addendum D – Boost HIPAA Business Associate Agreement, to the Franchise Agreement. Additionally, you must comply with other federal, state and local laws and regulations relating to the access, confidentiality, use and disclosure of medical records, the privacy of insurance information and other privacy protection acts.

If required by your state, you also must obtain and maintain any health care or employment related permits, licenses, accreditations, certifications, certificates of need, or other indications of authority necessary for the operation of your franchise business, including, for example, a home health agency license and/or a nurse staffing license. In addition, federal and state laws, as well as our corporate brand standards, require that you obtain, via our approved providers, third-party health care accreditation as well as Medicare certification through the Center for Medicare and Medicaid Services (CMS). Once you have opened your Franchised Business, you will be required to employ on a full-time basis at least one person who qualifies as the Home Health Administrator, and one person who qualifies as a Director of Patient Care Services – sometimes referred to as the Director of Nursing (DON) or Clinical Manager (the same person, if so qualified, can serve as both the Home Health Administrator and Director of Patient Care Services). Moreover, federal and state laws, as well as our corporate brand standards, may require that you conduct

background checks on all current and prospective employees. Some states have imposed a moratorium on the issuance of home health agency licenses, nurse staffing licenses and other in-home healthcare licenses or permits. ComForCare is defending against the claim on the basis that the plaintiff was not an employee of ComForCare and that it's impossible under both law and fact that its independently owned and operated franchisee was in some way acting as a ComForCare agent. Common Controlled Affiliate Administrative Actions

Applicable to CarePatrol Franchise Systems, LLC

Federal Trade Commission Docket No C-4379

On December 3, 2012, the Federal Trade Commission (“FTC”) issued an administrative complaint against CAREPATROL, Inc. (which is not an existing entity but was incorrectly named), the predecessor franchisor to our Common Controlled Affiliate, CarePatrol Franchise Systems, LLC, alleging issues with certain wording on CarePatrol’s website. The FTC objected to wording that seemed to imply that CarePatrol “monitors or grades the care history and violations of all or a substantial majority, of assisted living facilities in a consumer’s desired location,” that it was incorrect to list every state under a “Click Below to Meet our Consultants” heading, in states in which CarePatrol does not have franchises, as CarePatrol does not have consultants in every state, and that CarePatrol “does not monitor or grade assisted living facilities based on most recent state inspections” in non-franchised areas. There was no intent to mislead, and the wording was for marketing and internet search engine optimization purposes only. The FTC sought to have CarePatrol change the website. In compliance, CarePatrol modified the wording on its website pursuant to FTC instructions. No consumer was involved nor made any complaint. There was no fine or penalty imposed.

Applicable to ComForCare Franchise Systems, LLC

Administrative Proceeding before the Securities Commissioner of Maryland: Case No. 2010-0082

In 2007, the predecessor franchisor (ComForCare Health Care Holdings, Inc.) to our Common Controlled Affiliate, ComForCare Franchise Systems, LLC, filed a franchise renewal application in Maryland that was effectuated December 10, 2007, and subsequently, in 2008, filed an amendment application that was effectuated October 7, 2008. After ComForCare’s Maryland registration expired on December 10, 2008, ComForCare sold three franchises in Maryland. On April 15, 2010, ComForCare and the Maryland Securities Commissioner, reached an agreement to enter a Consent Order pursuant to which ComForCare agreed to cease and desist from offering or selling franchises in violation of Maryland Franchise Law and agreed to offer rescission to the three Maryland franchises. One franchisee elected to rescind.

Applicable to Next Day Access, LLC

Administrative Proceeding before the State of Minnesota Department of Commerce: 70650-BD

On February 11, 2022, the predecessor franchisor to our Common Controlled Affiliate, Next Day Access, LLC, consented to the entry of a Consent Order by the State of Minnesota Department of Commerce based upon the allegation that it sold two unregistered franchises in violation of Minn. Stat. § 80C.02 (2020). Next Day entered into this Consent Order in lieu of a formal hearing on any civil penalty that could be imposed by the Commissioner. In that Consent Order, Next Day agreed to pay a civil penalty of \$1,000 to the State of Minnesota and \$180 in investigative costs. It also agreed to cease and desist from violating any laws, rules or orders related to the responsibilities entrusted to the Commissioner under Minnesota Chapters 45 and 80C.

Other than the foregoing actions, no other actions are required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

ITEM 5

INITIAL FEES

Initial Franchise Fee

The initial franchise fee to purchase a single unit Boost Business is \$60,000. However, during the first quarter of the calendar year, we discounted our initial franchise fee to \$35,000.

Multi-Unit Development

At our discretion, we may offer to qualified candidates the right to purchase more than one single franchise unit. Qualified candidates who are allowed to purchase additional units will be required to sign a separate franchise agreement for each franchise they purchase. Purchasers of two single units will pay an initial franchise fee of \$110,000 (\$60,000 for the first single unit purchase and \$50,000 for the second unit purchased.) Purchasers of three single units will pay an initial franchise fee of \$150,000 (\$60,000 for the first single unit purchase; \$50,000 for the second unit purchased; and \$40,000 for the third unit purchased.) Any additional units purchased thereafter will be an additional \$40,000 each.

Expansion; Discount

Occasionally we may establish various franchise expansion programs, which are generally, but not exclusively, available only to existing franchise owners. These programs are intended to provide incentives for existing franchise owners to expand their existing franchise territories, acquire existing franchise operations from other franchise owners or expand into additional franchise territories. Under these programs, which are established and maintained at our sole discretion, initial franchise fees for additional franchise territories may be reduced, rebated, or provided certain credits, provided that the new existing franchise meets certain sales or other performance criteria. However, any such expansion must be solely through the offering program of the franchisee's original franchise agreement(s).

Deposit

If the funding for the purchase of your Boost franchise comes in part or in full from the SBA 7(a) loan program or from a loan against your retirement benefits (e.g., 401k loan), we, at our sole discretion, may allow you to pay a deposit upon execution of your franchise agreement/s in lieu of the full initial franchise fee. This deposit must be at least \$10,000 with the remaining balance of your initial franchise fee due in full the sooner of your funding from the SBA or 401k loan or 60 days from your Franchise Agreement's Contract Date. This deposit is non-refundable and you will owe the remaining balance of the Initial Franchise Fee whether you successfully obtain an SBA or retirement benefits loan. You are not eligible to participate in this deposit program if you elect (and qualify) to participate in the initial franchise fee financing program described in Item 10 – Financing. We reserve the right to offer, modify, withdraw or reinstate this program in the future without notice to you.

Affiliate Franchisee

At our discretion, we may offer qualified candidates, who are currently existing franchisees, the right to purchase a franchise from one of our affiliated brands (as described in Item 1). Such franchisees must independently qualify to own and operate that brand per its then current standards and requirements. If so awarded, the initial franchise fee will be 50% of that brand's then current fee for the first unit purchased only.

Conversion Single Unit Development

At our discretion, we may offer qualified candidates the right to purchase and convert a currently operating independent home health care business into a Boost franchise ("Conversion Program"). We may, but are not obligated, to reduce (or waive) the initial franchise fee for a converted franchise based on such factors as the length of time you have been in business and revenue being generated. The conversion initial franchise fee is deemed fully earned and nonrefundable upon payment (please see Addendum E to the Franchise Agreement; Conversion Addendum for more information). During the 2023 calendar year, we did not grant any franchises under the Conversion Program.

Acquisition of Existing Home Health Agency

At our discretion, we may offer qualified franchise candidates or existing franchisees the right to purchase and convert a currently operating independent home health care business into a Boost franchise ("Acquisition Program"). If you are a qualified franchise candidate, you will pay the \$60,000 initial franchise fee (or the appropriate initial franchise fee if you are awarded multiple units) as well as a \$5,000 Acquisition Assistance Fee. If you are an existing franchisee, you will only pay us the \$5,000 Acquisition Assistance Fee. The initial franchise fee may be partially refundable but the \$5,000 Acquisition Assistance Fee is not (please see Addendum F to the Franchise Agreement; Boost Acquisition Program Addendum for more information). In addition, the eventual purchase price you will pay for such an independent business will vary but you can expect it to cost, at a minimum, between \$300,000 to \$1,000,000 exclusive of any other purchase related fees such as business broker fees as well as those under the Franchise Agreement. During the 2023 calendar year, we did not have any franchises join us via the Acquisition Program.

Veteran's Discount

To honor those men and women who have served in the United States military, the Veterans Transition Franchise Initiative, known as "VetFran," was developed to help those individuals' transition to civilian life. This initiative is a voluntary effort of International Franchise Association (IFA) member-companies that is designed to encourage franchise ownership by offering financial incentives to honorably discharged veterans. Boost offers a 20% discount off the initial franchise fee for each unit purchased to individuals who qualify under VetFran. This discount does not apply to Conversion Franchises.

First Responder's Discount

Boost offers a 20% discount off the initial franchise fee for each unit purchased to individuals who serve (or have served) their communities and country as first responders. The term "first responder" refers to those individuals who in the early stages of an incident are responsible for the protection and preservation of life, property, evidence, and the environment, including emergency response providers as defined in section 2 of the Homeland Security Act of 2002 (6 U.S.C. § 101), as well as emergency management, public health, clinical care, public works, and other skilled support personnel (such as equipment operators) that provide immediate support services during prevention, response, and recovery operations. This discount does not apply to Conversion Franchises.

Current Franchise Employee Discount

We offer a \$15,000 discount off the initial franchise fee to any current employee of a Boost Franchised Business who wishes to become a Boost franchisee. In order to qualify for this discount, the employee must have worked for an existing Boost Franchised Business for at least 12 months as well as meet our then current new franchisee standards and requirements. Thereafter, if the employee is awarded a Boost Franchised Business, the owner of the Boost that employed him/her will receive a \$15,000 referral fee (upon receipt by us of the full discounted initial franchise fee from the employee.) These prospective franchisees are still required to complete all new franchisee training programs although we may accelerate or modify the training requirements, at our discretion, based on the prospective franchisee's operational experience or business acumen. The prospective franchisee cannot be bound by any existing franchise broker and/or franchise referral programs. In addition, you or your immediate relatives cannot have any ownership or equity in their proposed Franchised Business. The Referral Fee is not available for the state of Washington and for the resales of existing Franchised Businesses. We reserve the right to offer, modify, withdraw or reinstate any referral program in the future without notice to you.

General Information Regarding Initial Fees

If you have signed a deposit agreement or a promissory note in favor of us for a portion of the initial franchise fee, you will pay to us the portion that has not been financed. In addition, you will pay us certain fees related to your Patient Management Software and technology vendors prior to opening your Franchised Business (please see Item 6).

Referral Fee

If you refer an unrelated, third-party prospective franchisee directly to us and the prospective franchisee is granted the right to purchase a Franchised Business, upon receipt of the full initial franchise fee, we will pay you a single \$15,000 referral fee ("Referral Fee"). These referred prospective franchisees cannot be bound by any existing franchise broker and/or franchise referral programs. In addition, you or your immediate relatives cannot have any ownership or equity in their proposed Franchised Business. The Referral Fee is not available for the state of Washington and for the resales of existing Franchised Businesses. We reserve the right to offer, modify, withdraw or reinstate any referral program in the future without notice to you.

\$250/month plus; \$14.00/month/per patient receiving non-medical care	\$18.00/month/per patient receiving medical care; and \$14.00/month/per patient receiving non-medical care

In addition, you can request additional remote or onsite training from our approved vendor. Currently, remote training is \$125 per hour with a two-hour minimum per instance while onsite training is \$2,000 a day with a minimum two-day engagement as well as travel, food and lodging for the consultant/s.

6. The Skilled Care Billing, Collections, & Cash Posting Fee covers the costs associated with both your Medicare and non-Medicare based billed claims while the Coding, OASIS Review & Audit Fee covers the costs associated with confirming your coding and OASIS reviews and audits. Depending on our approved vendor requirements, you should expect to sign a separate agreement for these services and may be subject to an initial implementation fee.
7. This License Fee covers the costs associated with the third-party licenses, software, and technologies that are utilized in the operation of your Franchised Business. Currently, the License Fee includes:
 - a. Three (3) learning management software licenses with each additional license being subject to a charge of \$65 per year, per license;
 - b. An applicant tracking software license;
 - c. Account creation for sales & marketing tools;
 - d. An operations manual license (with updates as applicable); and
 - e. A clinical manual license (with updates as applicable).

This fee assumes you operate your Franchised Business under a single National Provider Identifier number (NPI) therefore, in the event you elect to obtain additional NPI's for your Franchised Business, you may be subject to additional License Fees. We reserve the right to increase this fee up to 3% per year. In addition, we reserve the right to update, change or add additional licenses, software, and technologies for use in the Franchised Business which may result in increased fees.

8. You understand that an essential factor in the growth of your Franchised Business is your local marketing, home care field staff recruiting, and patient acquisition (sales) efforts, which are comprised of several activities including, but not limited to, the purchase of printed marketing materials, the purchase of digital marketing solutions with our approved partner, participating in local networking events, and engaging in traditional marketing tactics every month. Therefore, in addition to required contributions to the National Marketing Fund, you must spend, on a monthly basis, at least 1% of your Net Revenue.
9. You are required to attend the Annual Conference. In the event you are unable to attend the Annual Conference, you must send an employee, who has been approved for attendance by us. If you fail to attend the Annual Conference (or send an approved employee in your stead), you will be charged a \$1,500 absentee fee (“Annual Conference Absentee Fee”), via ACH, 10 days after the missed Annual Conference concludes. We may increase the Annual Conference Fee with 90 days’ written notice prior to the Annual Conference. All Annual Conference attendees are responsible for all of their own travel costs and expenses of lodging, transportation and meals. We reserve the right to conduct the Annual Conference virtually as well as the right not to conduct one.
10. You are required to attend one Regional Meeting. In the event you are unable to attend the Regional Meeting, you may send an employee who has been approved for attendance by us. If you fail to attend the Regional Meeting (or send an approved employee in your stead), you will be charged a \$500 absentee fee (“Regional Meeting Absentee Fee”), via ACH, 10 days after the Regional Meeting(s) conclude. We may increase the Regional Meeting Fee with 90 days’ written notice prior to the first scheduled Regional Meeting. All Regional Meeting attendees are responsible for all of their own travel costs and expenses of lodging, transportation and meals. We reserve the right to conduct the Regional Meetings virtually as well as the right not to hold them.
11. You will pay this Independent Agency Acquisition Assistance Fee if you are approved by us to purchase an independent (non-Boost) home health care agency and/or any other approved health care provider.
12. If a franchise sales broker is used to sell your Franchised Business and/or you use a business broker to purchase an independent home health agency, you must pay that broker a Third-Party Broker Sales Fee. Fees vary by broker. For example, some brokers may charge you a flat fee to sell your Franchised Business or a percentage of your eventual sale price (or a combination of both.) It is your responsibility to understand the terms and conditions, including the fees, any Third-Party Broker may require of you. Additionally, these fees may be assessed for each individual territory sold and must be paid to a licensed escrow agent or to us to then disburse any amounts owed to third-party brokers.
13. If you service patients in another franchisee’s territories without that franchisee’s permission or authorization, you will pay that franchisee up to \$1,500 per patient, per month. In addition, you will be subject to a penalty of up to \$5,000, for each patient specific infraction, payable to us. You are responsible (rather than us) for any payments or penalties owed to another franchisee for such infractions. We have no obligation to investigate or enforce this provision.
14. In the event we assist in resolving an issue between two or more franchisees regarding a violation of the patient and location restriction policy, we may charge the involved parties a patient resolution fee that is the greater of \$500 or \$50/hour. This fee will be invoiced and payable via ACH 10 days from receipt of corresponding invoice. We have no obligation to assist in the investigation of such matters.

15. We may increase the amount of a fixed fee or fixed payment due under the Franchise Agreement or any related agreements. An annual increase to each particular fixed fee or fixed payment may occur only once during any calendar year and may not exceed the corresponding cumulative percentage increase in the Index since the date of the Franchise Agreement or, as the case may be, the date that the last Annual Increase became effective for the particular fixed fee or fixed payment being increased. Annual Increases will be made at the same time during the calendar year. “Annual Increase” means the increase in the amount of a fixed fee or fixed payment due us or an affiliate under a franchise agreement or a related agreement. “Index” means the Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for all Items (1982-1984=100), not seasonally adjusted, as published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the term of the Franchise Agreement, the other governmental index or computation with which it is replaced will be used to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.
16. If you purchase an existing Franchised Business (Resale), you will begin paying this fee immediately upon the execution of that new franchise agreement at the same level and schedule as the seller.

(a) For single unit new Franchised Businesses.

- i. Existing franchisees of affiliated brands will pay a \$30,000 initial fee (see Item 5).
- ii. Conversion Franchised Businesses initial franchise fees will range from \$20,000 to \$60,000 (see Item 5).
- iii. Acquisition Franchised Businesses. If you elect to purchase an independent home health agency, in addition to the \$60,000 initial franchise fee you will also pay us a \$5,000 Acquisition Assistance Fee. In addition, the eventual purchase price you will pay for such an independent business will vary but you can expect it to cost, at a minimum, between \$300,000 to \$1,000,000 exclusive of any other purchase related fees such as business broker fees as well as those under the Franchise Agreement. However, other than the amount you purchase the independent agency, we do not anticipate your other expenses to vary significantly than those stated in the tables above.

(b) The range has been provided because expenses may vary based on local market conditions. Additional funds for working capital needs may be required.

(c) All of the fees paid to us are not refundable. The fees that are paid to vendors, landlords, and other service providers may not be refundable.

Notes to Tables A & B:

1. The Initial Franchise Fee for a single-unit Franchise is \$60,000; a two-pack, multi-unit franchise is \$110,000 (\$60,000 for the first unit and \$50,000 for the second unit); for a three-pack, multi-unit franchise is \$150,000 (\$60,000 for the first unit, \$50,000 for the second unit, and \$40,000 for the third unit.) Qualifying franchisees may be eligible to finance part of this fee either via a Deposit Agreement as identified in Item 5 or through the financing program as identified in Item 10 – Financing.
2. You, your home health administrator, if not you, and your Director of Patient Care Services, if not you, will be required to attend our Phase 2 training at our Designated Location in the event we

decide to discontinue our virtual training program. You will be responsible for all costs to attend this training including hotel expenses, travel expenses, food expenses as well as payroll, if applicable.

3. If you do not own adequate office space, you must lease adequate office space. Typical locations are in office buildings. A typical new Boost office would require 500 to 1,250 square feet of space. Rent is estimated to be \$1,000 to \$2,500 per month (\$12,000 to \$34,000 per year) depending on size, condition and location of leased premises.
4. You may purchase or lease a desk(s), chairs, filing cabinets, paper shredder, and fixtures. You may need to lease a copier/printer/fax machine. You will need to purchase or lease certain items of equipment including telephones and a telephone system. You will need to purchase a computer system which meets the minimum system requirements of the Franchised Business. You will need to purchase an initial supply of the printed materials needed for the operation of the Franchise Business as well as other general office supplies.
5. You will have to provide members of your patient field staff laptops in order to document, monitor and review their individual patient's needs. You need to work with a designated Medical Supply Vendor to order patient supplies, establish a direct shipment of medical supplies to the patient's resident's and/ or ship to the office. You are responsible to ensure there are basic medical supplies in stock for the clinicians and emergencies.
6. This amount is necessary to purchase and/or license your computer software, data storage and access fees. This amount also includes your License Fees and Google Workspace Fees as described in Item 6.
7. This amount includes your utilities, business licenses, incorporation or applicable legal fees.
8. You will need to obtain Medicare certification from the federal government and you will need to obtain the various licenses, permits and certificates required. You will need a bio-hazardous permit to store bio-hazardous materials. You will need accreditation certificate, depending the specific accrediting vendor. Your state of operation may require that you obtain some form of licensure and/or accreditation before being allowed to provide the Approved Services. Initial license fees as well as license renewal fees vary, but traditionally range anywhere from \$25 to \$6,000 per year and are your sole responsibility. Initial accreditation fees (as well as accreditation renewal fees) are approximately \$5,000 and are your sole responsibility. Annual Medicare certification fees range anywhere from \$0.00 to \$600.00. Also, once you begin caring for patients under the Medicare program, you will have to conduct monthly patient satisfaction surveys.
9. This amount represents an initial insurance deposit. Required insurance policies include comprehensive general liability, including automobile liability, third-party fidelity bond coverage, employment practices liability insurance, workers' compensation, network security (cyber) insurance, and any other insurance required by statute or state law. The estimated cost for all insurance **except** workers' compensation (which varies by location) during the first year of operation is \$7,500 - \$14,000. We may reasonably increase the minimum liability protection requirement annually and require, at any time on reasonable prior notice to you, different or additional kinds of insurance to reflect inflation, changes in standards of liability or higher damage awards in public, product or motor vehicle liability litigation or other relevant changes in circumstances.

10. We recommend that you spend at least \$500 per month on your home care field staff recruiting and retention efforts which include, but are not limited to: digital (online) home care field staff recruiting, recruiting through texts, print hiring ads, job fairs, and third-party recruiting vendors.
11. We require that you begin your Franchised Business with at least 6 months working capital funds; however, we recommend that you begin your Franchised Business with at least 12 months of additional working capital funds (\$100,000 to \$320,000, in total and depending on how many franchised units you are awarded). These funds are usually allocated to administrative/marketing/nursing employee payroll/payroll (not owner's salary). These figures are estimates and we cannot guarantee that you will not incur additional expenses starting the business. Moreover, your state of operation may require that you employ full-time a qualified home health administrator as well as a qualified Director of Patient Care Services (assuming you don't qualify as either or both) as early as the submission date of your license application. In addition, you may have to maintain certain bank balances in the bank account associated with your Medicare and Medicaid business. These amounts vary but can range from no balance to upwards of \$80,000. Your costs will depend on how much you follow our prescribed methods and procedures, your management skills, business experience, local economic conditions, the local market for services, the prevailing wage rate, competition, and the sales level reached during the initial period.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Standards and Specifications

To ensure that the highest degree of quality and service is maintained, you must operate the Franchised Business in strict conformity with the methods, standards, and specifications that we list in our proprietary and confidential Manual, which may exist in various parts, locations, and formats, and may include a combination of audio, video, written material, electronic media, website content, and/or software components. You must not: (i) deviate from these methods, standards, and specifications without our prior written consent, or (ii) otherwise operate in any manner which reflects adversely on our Proprietary Marks or the System. Our Manual states our standards, specifications, and guidelines for all goods and services that we require you to obtain in establishing and operating your Franchised Business.

We may, from time to time, notify you of new or modified standards, specifications, and guidelines through periodic amendments, or supplements to the Manual or through written communication (including electronic communication).

You must purchase, install, maintain in sufficient supply, and use, only those items that conform to the standards and specifications described in the Manual or otherwise in writing; you must not use nonconforming items. In addition, you must sell or offer for sale only those products and services that we have expressly approved for sale in the Manual or otherwise in writing, and discontinue selling any products or services that we, at our discretion, determine may adversely affect the System. You must not offer any unapproved products or services.

You must obtain and maintain insurance policies protecting you, us and our affiliates, and our respective shareholders, directors, employees, and agents against any demand or claim regarding personal and bodily injury, death, or property damage, or any loss, liability, or expense whatsoever arising or occurring at or in connection with the operation of your Franchised Business. Such policies must be written by an insurer acceptable to us and conform to our standards and minimum amounts of coverage. All insurance policies you purchase must name us and any affiliate we designate as additional insureds and provide for 30 days'

prior written notice to us of a policy's material modification or cancellation. The cost of your premiums will depend on the insurance carrier's charges, terms of payment, and your insurance and payment histories.

Purchases from Approved Suppliers

You currently required to purchase or lease from us or our affiliates the various software platforms you will utilize in the operation of your Franchised Business (and as describe in Item 6.) Other than that, you are not currently required to purchase or lease from us or our affiliates, any other goods, services, or supplies, for the establishment or operation of the Franchised Business. We also do not negotiate purchase arrangements with any suppliers nor do we have any purchasing or distribution cooperatives. We do not provide any material benefit based on your purchase of any products or services from any suppliers. You must, however, purchase all non-required products, equipment, supplies, and materials for use in your Franchised Business, solely from suppliers: (i) who demonstrate, to our continuing reasonable satisfaction, the ability to meet our reasonable standards and specifications for these items; (ii) who possess adequate quality controls and capacity to supply your needs promptly and reliably; (iii) whose approval would enable the System, at our opinion, to take advantage of marketplace efficiencies; and (iv) who have been approved by us in the Manual or otherwise in writing and not later disapproved. The items you must purchase or lease from approved suppliers include: (i) certain manuals; (ii) recruiting software; (iii) medical forms; (iv) billing and coding services; (v) learning management systems; (vi) electronic medical records; (vii) email and cloud storage; (viii) accounting software; (ix) accreditation; (x) state home/health care association membership; and (xi) any other products or services as we may designate in the Manuals. No franchisor officer owns an interest in any supplier.

Additional Information

We estimate the costs of the items you must purchase from approved suppliers as outlined above when starting the business, will be approximately 14% to 17% of the total estimated initial investment. We estimate the costs of the items you must purchase from approved suppliers, outlined above, will be approximately 25% to 30% of total administrative expenses for the first year of operation.

For the fiscal year ending December 31, 2022, neither we nor our affiliates derived revenue required franchisee purchases or leases.

Approval of New Suppliers

If you would like to use any product or service in establishing or operating your business that we have not approved (for products and services that require supplier approval), you must request approval by providing us with a sample of the item you would like us to approve. We do not charge a fee for this approval. Unless we provide you written approval within 30 days of your request, your request will be deemed unapproved. We may revoke the approval of a supplier if it fails to continue to meet our standards. We will notify you if we revoke our approval of a product, service, or supplier and you must immediately stop purchasing said products or services or utilizing that supplier.

ITEM 10
FINANCING

Financing Program Overview	
Loan Amount	Up to 50% of Initial Franchise Fee (\$30,000)
Interest Rate	10% per annum
Term	60 months
Loan Start Date	Open Date

We have no obligation to provide you any financing, but we may agree to finance up to 50% of the Initial Franchise Fee which is currently \$30,000 (50% x \$60,000) for qualified prospective franchisees under specified terms and conditions. Our decision to finance the Initial Franchise Fee may be based, in part, on your credit-worthiness, the collateral you have available to secure the financing and our then-current financing policies. We also explicitly reserve the right to conduct credit score inquiries as long as the loan exists.

You must make a written representation to us, in a form we specify, confirming the dollar amount of your obligations. The representation must remain true through execution of your Franchise Agreement and we may elect not to approve a transfer, including a transfer to a corporation or other entity wholly owned by you, if you do not either maintain the same investment in your Franchised Business or pay any loans payable to us and our affiliates, if applicable, in full.

Your Loan Start Date will be the earlier of your Open Date or six months from your Contract Date. Interest will begin accruing on your Loan Start Date. We currently charge an interest rate of 10% per annum.

If we agree to finance a portion of the Initial Franchise Fee, you must sign a promissory note when you sign the Franchise Agreement. An example of our promissory note is attached as Addendum H to the Franchise Agreement. You must pay us the down payment when you sign the Franchise Agreement and pay the balance in monthly installments.

You must make note payments to us by ACH. Some banks and other financial institutions may charge a fee for electronic transfers but these electronic transfer fees are often negotiable. Monthly payments will begin no later than six months from your Franchise Agreement's Contract Date, regardless of when you complete training or open your business. The length of the repayment term is 60 months.

We require a security interest in the franchise. You must sign a security agreement, substantially in the form included in the promissory note attached as Addendum I to the Franchise Agreement, on all your assets, including after acquired property and we will file a UCC financing statement with the appropriate governmental authority. We have the right to require additional forms of security.

You may prepay the note at any time without penalty. If you default, we may declare the entire remaining amount due. If you do not pay us the entire balance, and any accrued, unpaid interest, you may be responsible for the court costs and attorneys' fees we incur in collecting the debt from you. We may terminate your Franchise Agreement if you do not pay us.

You must waive your rights to certain notices of a collection action in our promissory note, security agreement and guaranty but there are no waivers of defense in our promissory note, security agreement or guaranty. If you are a legal entity, your shareholders, members, partners and/or owners must personally guarantee the debt and agree to pay the entire debt and all collection costs. We have the right to require a spouse's personal guaranty.

We may sell, assign or discount any promissory note or other obligation arising out of the Franchise Agreement to a third-party. If we sell or assign your promissory note, it will not affect our obligation to provide the services to you that are described in the Franchise Agreement but the third party may be immune under the law to any defenses to payment you may have against us.

We may periodically agree with third-party lenders to make financing available to our qualified franchisees and we may, at our sole discretion, refer you to a third-party lender for financing. We have no control over whether financing will be offered to you by any third-party lender. The lender is not obligated to provide financing to you or to any other franchisee that the lender finds does not meet its credit requirements and loan criteria. If we refer you to a third-party lender for financing, we may agree to take a short-term promissory note (in a form we provide to you) until your financing is arranged. You must use the proceeds from the lender to pay any promissory note to us.

We do not guarantee your obligations to third parties.

We may, in limited circumstances, agree to finance a portion of any expansion fee for qualified franchisees at an 10% interest rate under specified terms and conditions. Our decision to finance an expansion fee may be based, in part, on your credit-worthiness, the collateral you have available to secure the financing and our then-current financing policies.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Boost is not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your business, we will:

1. Designate your Projected Territory (Section 1 and Addendum A of the Franchise Agreement). You may request specific areas, but we have ultimate decision-making authority over the territory granted in the Projected Territory. Your Projected Territory will be agreed upon with you prior to signing the Franchise Agreement.
2. Provide limited input regarding your office location. We do not select your office location, but do provide recommendations as to its size, layout, and key lease terms. Your office must be centrally located within your territory. (Sections 4 and 5 of the Franchise Agreement)
3. Provide you with the requirements you must fulfill before attending the initial training program. (Section 5 of the Franchise Agreement)
4. Provide a Training Program for up to 2 people as described further below (Also, please see Section 5, Franchise Agreement).

Time to Open

You must begin operation of your Franchised Business within the time frame specified below and as described in Section 5 of your Franchise Agreement ("Open Date").

We will deem your Open Date the earlier of:

- The date you obtain your Medicare Certification; or
- 18 months from the Contract Date of your Franchise Agreement.

Certificate of Need Application, State Home Health Care License Application, and Accreditation Application Submission Requirements

You must submit the following health care related applications within the below time frames:

	IF YOUR STATE OF OPERATION ...		
	Does not require that you obtain a CON or home health care license, you must submit your:	Does not require a CON but does require that you obtain a home health care license, you must submit your...	Requires that you obtain both a CON and home health care license, you must submit your...
Certificate of Need Application Within:	N/A	N/A	45 days of your Contract Date
State Home Health Care License Application Within:	N/A	45 days of your Contract Date	45 days from approval of your CON
Accreditation Application Within	45 days of your Contract Date	45 days of your state home health care licensing survey	45 days of your state home health care licensing survey

If you fail to locate, submit the relevant health care related application or open your business by the time frames outlined above, we may grant you an extension, require you to repeat all or part of our training program, accelerate your Open Date (thus necessitating the payment of any fees owed us), or terminate your Franchise Agreement. The factors that affect this timing are obtaining and outfitting a suitable office, proper filing of state forms for a new business, proper financing, completion of Training Program and any federal, state or municipal limitation on issuing accreditations, licenses or certifications.

If you are converting an existing business to a Conversion Franchise your Opening Date is the earlier of (a) 90 days from the Contract Date of your Franchise Agreement and Conversion Addendum; or (b) the date your Boost website is live to the public. We estimate that the typical Opening Date is 30-90 days after signing the Franchise Agreement and Conversion Addendum. You must convert the signage and other identification of the Conversion Franchised Business prior to the Opening Date.

We currently do not require that you purchase or lease from us or our affiliates, any other goods, services or supplies, for the establishment or operation of the Franchised Business and we do not provide equipment, signs supplies or other office materials. However, you may not have access to any discounted pricing we negotiation if you choose not to utilize our designated or approved suppliers.

Obligations After Opening

During the operation of your Franchised Business we:

1. Will provide you access to the Manuals.

2. Will conduct additional training, at our discretion, that you are required to attend. (Section 4, Franchise Agreement)
3. Will conduct numerous telephone conversations to discuss your operational experiences and assist you with any questions you may have.
4. Will spend between 32 and 40 hours (may be noncontiguous) with you either in your Projected Territory or through virtual sessions to review your operational experiences and assist you and train you while answering any questions you may have (Section 4, Franchise Agreement). Any on-site mock survey we provide will count towards this support. If you initially purchase more than one Franchised Business, we are only obligated to spend 32-40 hours at your main office, not each territory office. If you cancel a scheduled visit, this cancellation will count towards 8 of the 32-40 hours. In addition, if you cancel a visit after we have incurred expenses (e.g., booked flights or accommodations) and we are unable to obtain refunds, we will invoice you for these lost costs. If you currently own a Boost Franchise, the purchase of an additional territory does not include the operational office visit referred to above.
5. Will research and develop new marketing procedures, as deemed necessary, and communicate this information to you.

Advertising

The Fund

We have created a national marketing fund (the “Fund”) and require you to pay a monthly National Marketing Fee of the greater of 2% of your Net Revenue or \$250 per month (see Item 6.) The Fund will be administered by us, or our affiliates or designees, at our discretion, and we may use a professional advertising agency or media buyer to assist us. We currently do not have, but may create at a later time, an advertising council comprised of franchisees and Boost management personal. The Fund will be in a separate bank account, commercial account, or savings account. We may use the Fund for marketing, advertising, research, sales promotion, collateral material development, public and consumer relations, recruitment efforts, website development and search engine optimization, the development of marketing-technology for the System, content and social media development, and any other purpose to promote the franchised brand. In addition, the Fund may be applied toward: franchisor specific (not franchisee) internet and/or e-commerce programs, corporate SEO efforts, client and referral lead management, and the reasonable salaries, benefits, and expenses of personnel who create, manage and administer recruiting and branding programs, may include but not limited to, marketing department personnel, external agencies and consultants. We will not use the Fund to defray any of our expenses except for our costs and overhead that we incur in activities related to the administration of the Fund, including costs of personnel for creating, implementing, and managing advertising and marketing programs.

We will not use the Fund contributions for advertising that is principally a solicitation for the sale of franchises, but we reserve the right to include a notation in any advertisement indicating “franchises available” or similar phrasing.

The Fund is not a trust fund, and we do not have any fiduciary duty to you with respect to the Fund’s administration, activities, or expenditures. We will direct all advertising and promotional programs, with sole discretion over the creative concepts, materials, and media used in such programs, and the placement and allocation thereof. You agree and acknowledge that the Fund’s objectives are to maximize general public recognition and acceptance of the Proprietary Marks for the benefit of the System; and that we are not obligated, in administering the Fund, to make expenditures for you that are equivalent or proportionate to your contribution, or to ensure that any particular franchisee or geographic region benefits directly or pro rata from the advertising or promotion conducted under the Fund.

An unaudited statement of the operations of the Fund, as shown on the book of the Fund, will be prepared annually by us. Upon thirty (30) days of a written request by you, we will provide you an unaudited statement of the expenditures from the account. During our last fiscal year, we spent \$16,341. (Please see Sections 3 & 11 of the Franchise Agreement for additional information.)

Local Marketing

You must spend, on a monthly basis, at least 1% percent of your monthly Net Revenue on local marketing activities. We do not require you to join or participate in any local or regional advertising cooperatives. To that end, we have developed advertising and communications materials that you may use in your marketing program. We will also continue to test and develop, through active franchisees, new advertising techniques and tools for you to use in your market (Section 6 & 11 of the Franchise Agreement).

At your own expense, you may develop advertising materials for use in your local market. However, you may not use any unapproved advertising materials until the corporate marketing department has approved them. In order to obtain approval, you must submit true copies of any proposed advertising materials to our marketing department. Thereafter, unless we approve them within 30 days of submission, such submissions will be deemed unapproved and you may not use them.

Computer Systems

You are required, at your expense in the range of \$1,500-\$2,675 along with an annual maintenance/upgrade/support cost to range from \$0-\$500, to purchase or lease, and thereafter maintain and use, only such computer(s), hardware (including, without limitation, laptops), software (including, without limitation, patient management software), firmware, web technologies or applications, required dedicated internet access and power lines, modem(s), printer(s), and other related accessories or peripheral equipment, and methods of operation, as we specify in the Manual or otherwise in writing (collectively the "Computer System"). The Computer System will have the capacity to electronically exchange information, messages, and other data with other computers, by such means (including, but not limited to, the Internet), and using such protocols as we may reasonably prescribe in the Manual or otherwise in writing. You also understand that we will have access to your Computer Systems. You will keep your Computer System in good maintenance and repair and, at your expense, promptly make any and all additions, changes, modifications, substitutions, and/or replacements to your Computer System as we direct. You will pay any and all, annual, monthly or otherwise, software fees, or other fees, as required by our approved suppliers (or us) in order to maintain your Computer System. You acknowledge and agree that we, as well as our suppliers, have the right to increase or decrease the software fees at any time, in their sole discretion, upon written notice to you. You further acknowledge and agree that we reserve the right to change our approved suppliers, including any software suppliers, at any time and at our sole discretion. You may not alter your Computer System, or use alternative software or suppliers of technology, without our prior written approval. If you are in default of any obligations under this Franchise Agreement, we may, in addition to any other remedy under this Franchise Agreement, temporarily inhibit your access to all or part of the Computer System, including patient management software, until you have cured such default completely. Computer systems are vulnerable to varying degrees to computer viruses, bugs, power disruptions, communication line disruptions, Internet access failures, Internet content failures, data related problems and attacks by hackers and other unauthorized intruders ("E-Problems"). We have taken reasonable steps so E-Problems will not materially affect our business. We do not guarantee that information or communication systems we or others supply will not be vulnerable to E-Problems. It is your responsibility to protect yourself from E-Problems. You should also take reasonable steps to verify your suppliers, lenders, landlords, customers, and governmental agencies on which you rely, have reasonable protection from E-Problems. This may include trying to secure your Computer Systems (including firewalls, password protection, and anti-virus systems), and to provide backup systems.

Website and Internet

We have the right, but not the obligation, to establish and maintain a website to promote the Proprietary Marks and/or the System (the “Website”): (i) we will have sole control over all aspects of the Website, and can discontinue operation of the Website at any time without notice to you; (ii) unless you obtain our prior written consent, you are prohibited from establishing or maintaining a separate website or otherwise maintaining another presence on the Internet through any social networking site in connection with the operation of the Franchise Business; (iii) we have the right to modify or supplement our policies regarding social media and Internet use at any time in writing, whether as part of the Manuals, or otherwise.

If you are in default of any obligations under the Franchise Agreement, we may, in addition to our other remedies, temporarily remove reference to your Franchised Business from the Website, until such defaults are cured to our satisfaction. We may, at our option, discontinue, replace, and/or modify the Website at any time and at our sole discretion. Nothing in this Section will limit our right to maintain websites other than the Website, or to maintain other portals.

Unless otherwise authorized by us, you will only use an e-mail address, related to or associated with the operation of your Franchised Business, which is a part of the “www.BoostHomeHealthcare.com” Internet domain name or other domain as authorized by the Manual.

Information Security System Requirements

We expressly reserve the right to implement further policies or guidelines regarding information security including, but not limited to: risk management protocols, email encryption standards, document retention policies, PCI compliance and the use of third-party security advisors and their security systems/products. You understand that either us, or our approved third-party information security system providers, may charge you both initial and ongoing fees for the creation, implementation and maintenance of any information security system we, at our sole discretion, deem necessary.

Accounting System

You will use and maintain, at your expense, a specific system and/or process of accounting (“Accounting System”). The Accounting System may involve, at our discretion, third-party subscription fees, the purchase of software and updates, storing and/or transferring information electronically, and your active and continual participation in entering data and information needed to ensure the accuracy of the Accounting System. We and our selected third-party vendors, at all times, have the right to access the information and data related to the Accounting System. We also, at all times, have the right to modify, change, or replace the Accounting System, at which time you will be required to, at your expense, comply with such modification, change, or replacement.

You can request additional on-site assistance at any time. We will provide it at our option, but the Franchise Agreement does not require us to provide it.

ITEM 12

TERRITORY

The Franchise Agreement designates the Approved Location for the Franchised Business. If no Approved Location exists when you sign the Franchise Agreement, as is typically the case, we will describe the Approved Location in an amendment to the Franchise Agreement after you select and we approve the Approved Location. You may not relocate your office without our express written consent, not to be unreasonably withheld. Any relocation is at your sole expense.

Territory

Each Franchise will receive the right to operate their Franchise in a territory (“Projected Territory”) with a minimum total population of 200,000, containing minimum population of 25,000 people over the age of 65. Your Projected Territory will be defined by reference to specified U.S. Postal Service ZIP codes that will be described in Addendum A of the Franchise Agreement. ZIP codes are a system of postal codes used by the United States Postal Service (“USPS”) and are changed by the USPS from time to time. The map of your Projected Territory will be for illustrative purposes only and will illustrate the ZIP codes as they exist in your Projected Territory on the date that you sign your Franchise Agreement. Changes by the USPS will affect the ZIP code and area that make up your Projected Territory. For example, if the USPS moves certain addresses from a ZIP code in your Projected Territory into a ZIP code in another franchisee’s area or into an unassigned area, those addresses will no longer be part of your Projected Territory. However, we will work with you to minimize the impact of such a change. We determine Protected Territory populations using GbBis mapping application, and population statistics/estimates are updated every 6 months as released by the United States Census Bureau. Statistics for housing units, facilities, et.al., are updated on an annual basis. More information regarding GbBis can be found at www.gbbis.com.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We reserve the right to: (i) offer and sell products and services similar to those provided by you via alternative channels of distribution, including the Internet and other channels of e-commerce; (ii) establish and operate, and license others, the right to establish and operate, businesses using the Proprietary Marks and System at any location outside of your territory; (iii) establish and operate, and grant others the right to establish and operate, businesses that offer similar products to those offered by us under any other mark other than the Proprietary Marks at any location; (iv) acquire, or be acquired by, any company, including a company operating one or

more businesses offering products or services similar to those offered by us, in any location; and (v) use the Proprietary Marks and System, and license others to use the Proprietary Marks and System, to engage in any other activities not expressly prohibited by the Franchise Agreement.

During the term of the Franchise Agreement, and provided you are in compliance with the Franchise Agreement, we will not establish or franchise another, the right to establish a Franchised Business inside the Projected Territory. You may not sell products or services from any location other than at or from within your Projected Territory and may not sell products or services identified by the Boost trademarks through any other channels of distribution, including the Internet (or any other existing or future form of electronic commerce). Except as expressly provided in the Franchise Agreement or Manual, you will concentrate all Franchised Business advertising and solicitation within the Projected Territory.

We are not required to pay you any compensation if we exercise any of these rights.

You are prohibited from soliciting or providing Approved Services to customers outside your Projected Territory, except as authorized. Approved Services may only be provided within another franchise owner's Projected Territory if that franchise owner has granted you permission, in writing, to care or service the specific customer. You may be authorized by us in the Manual or written communication to provide Approved Services outside of your Projected Territory if that area is not included in another franchise owner's Projected Territory. You may enter into cooperative marketing agreements, and sales activities with other franchise owners in your, or their, area.

We have no obligation to investigate or enforce the customer and location restrictions. In the event we assist in resolving an issue between two (2) or more franchisees regarding a violation of the customer and location restrictions, we may charge the involved parties a resolution fee that is the greater of \$500 or \$50 per hour. You agree that, if you violate any provision of the customer and location restrictions, you may be liable to any affected franchisee for such violation.

National Accounts

We, and our affiliates, have the right to enter into agreements with National Accounts, both inside and outside the Projected Territory. A "National Account" is a referral source that offers - on a local, statewide, national or regional basis - the opportunity for Franchisees in the applicable geographic area to provide any Approved Services and/or Approved Products to the referral source's members, affiliates, or, however designated, other persons who have a similar relationship with that referral source. In addition, we may remove you from participating in the National Accounts program if you are in default of your Franchise Agreement or any other agreement with us or you are not qualified to provide the services requested by the National Account(s). While we do not intend to operate a franchise under this or other trademarks, but we may, if you are removed from the National Accounts program, (i) provide the services requested by the National Account(s) inside the Projected Territory, or (ii) contract with a third-party, which may be another Boost franchisee, to provide the services requested by the National Account(s) inside the Projected Territory. We are not required to pay you any consideration or compensation if we or a third-party provide services to a National Account(s) inside your Projected Territory.

Minimum Performance Requirements

To maintain territorial rights and retain your business, Franchisees must attain and maintain, at the minimum the following revenue levels:

FRANCHISE MINIMUM PERFORMANCE REQUIREMENTS	
BY THE END OF YOUR	YOU MUST ACHIEVE AND MAINTAIN, ON A MONTHLY BASIS A SKILLED PATIENT CENSUS OF AT LEAST:
First Year of Operation from Open Date	20 Patients
Second Year of Operation from Open Date	30 Patients
Third Year of Operation from Open Date	50 Patients
Fourth Year of Operation from Open Date	75 Patients
Fifth Year of Operation from Open Date through the Remaining Term	100 Patients

For any renewal term, you must attain and maintain the highest gross minimum sales indicated above for the operation of the Franchised Business by the first month of the renewal term.

The Minimum Performance Requirements for a Resale, Acquired, and Conversion Franchised Business is determined at the time of the transfer, acquisition, or conversion.

If you choose to convert your existing home health business to a Conversion Franchised Business or if you choose to acquire an existing independent home healthcare agency, your Projected Territory may have more or less population than as stated above depending on factors that include the location of your Conversion Franchised Business, our Projected Territory criteria, and your current trade area. Your Projected Territory will be defined in the Franchise Agreement after our completion of a review of your prior business operations.

If you are converting an existing business to a Conversion Franchised Business or if you purchase an independent home health care agency and have patients outside the Projected Territory, you may, as determined by us based on facts and circumstances, be prohibited from continuing to provide services to such patients if such patients are receiving such services in another franchisee's Projected Territory.

Your failure to meet these Minimum Performance Requirements constitutes a material default under your Franchise Agreement, permitting us to terminate your franchise, refuse to enter into a renewal agreement with you, reduce the size of your Projected Territory, or terminate your territorial rights. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

The designated levels of minimum revenue do not imply that you will achieve these amounts or any other amounts within any certain time frame.

ITEM 13

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (i) a franchisor provides the actual records of an existing outlet you are considering buying; or (ii) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 contains historical financial performance data as provided by one franchise owner that owns four locations (please see Note 2), previously a corporate owned entity, PROHealth Home Care Services, LLC, that sold on the 31st of August 2023. In particular, the below table provides the Revenue for the period January 1st, 2023 to December 31st, 2023.

2023 Revenue	
Jan '23 - Dec '23	\$1,739,595

Notes:

1. One franchise with two locations were excluded since they had not been open for 18 months
2. Revenue as reported above is defined as net contractual revenue recognized from home healthcare related activities including both skilled and unskilled services and related supplies. This franchise has been operating since February 17, 2021.
3. A new franchisee's individual financial results may differ from the results stated in this financial performance presentation.
4. Written substantiation for the financial performance representation will be made available to prospective franchisees upon reasonable request.
5. **Some outlets have sold this amount. Your individual results may differ. There is no assurance you will achieve the same results.**
6. The figures above do not reflect all other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of costs and expenses you will incur in operating your franchise business.

7. Based on all of the matters mentioned in this Item 19, we recommend that you make your own independent investigation to determine whether or not the franchise may be profitable to you and worth the risk. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections and federal, state and local income taxes and any other applicable taxes that you may incur in owning and operating a franchised business.

8. Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting David Tarr at Boost Franchise Systems, LLC, 900 Wilshire Drive, Suite 102, Troy, MI 48084-1600, 800-886-4044, dtarr@bestlifebrands.com, the Federal Trade Commission and the appropriate state regulatory agencies.

Independent Auditor's Report

Board of Directors
CFC Holding Company, LLC and Subsidiaries

Opinion

We have audited the consolidated financial statements of CFC Holding Company, LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the related consolidated statements of operations, changes in members' (deficit) equity, and cash flows for the years ended December 31, 2023, 2022 and 2021, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years ended December 31, 2023, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Basis of presentation: The consolidated balance sheets are presented as of December 31, 2023 and 2022. The consolidated statements of operations, changes in members' (deficit) equity, and cash flows are presented for the years ended December 31, 2023, 2022 and 2021. The accompanying consolidated financial statements of CFC Holding Company, LLC include its wholly owned subsidiaries, BLB, ComForCare, CarePatrol, Blue Moon, Boost and PROHealth. All intercompany accounts and transactions have been eliminated in consolidation.

Use of accounting estimates: The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and restricted cash: The Company maintains cash balances that, at times, may exceed federally insured limits. Management believes the Company is not exposed to any significant risk on these cash balances. Cash collected and held within the National Advertising Fund is recorded as restricted cash (see Note 5). In addition, at December 31, 2022, the Company had approximately \$826,000 deposited in a separate bank account and designated as collateral for the letters of credit (see Note 6).

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The following table provides a reconciliation of cash and restricted cash (Note 6) reported within the consolidated balance sheets that sums to the total of the same such amounts shown in the consolidated statements of cash flows:

	2023	2022
Cash	\$ 3,771,114	\$ 5,920,512
Restricted cash	2,064,387	4,029,309
Cash reclassified to discontinued operation	-	49,188
	<u>\$ 5,835,501</u>	<u>\$ 9,999,009</u>

Receivables: The Company adopted Accounting Standards Update (ASU) 2016-13, *Financial Instruments—Credit Losses (Topic 326)*, on January 1, 2023. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instruments which would include accounts receivables. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against account receivable balances based on current and historical information. The adoption of this ASU did not have a material effect on the Company's financial statements.

Royalty receivables represent amounts due from franchisees pursuant to their individual franchise agreements. Royalty receivables are stated at historical value which approximates fair value. The allowance for credit losses on royalty receivables represents the Company's estimate of expected credit losses over the lifetime of the receivables. This estimation process is based on historical experience, current conditions, asset-specific risk characteristics and reasonable and supportable forecasts about future economic and market conditions. Royalty receivables are written off when deemed uncollectible. Recoveries of royalty receivables previously written off are recorded when received. The allowance for credit loss was approximately \$232,000 and \$168,000 for the years ended December 31, 2023 and 2022, respectively. The Company will continue to monitor and evaluate the adequacy of the allowance for credit losses on accounts receivable on a regular basis and make adjustments as necessary in response to changes in economic conditions and credit quality indicators.

Other receivables represent amounts due from franchisees pursuant to their individual franchise for franchise fees, marketing fees, technology fees, national ad fund revenue and other revenue. The allowance for credit losses on other receivables represents the Company's estimate of expected credit losses over the lifetime of the receivables. This estimation process is based on historical experience, current conditions, asset-specific risk characteristics and reasonable and supportable forecasts about future economic and market conditions. Other receivables are written off when deemed uncollectible. Recoveries of other receivables previously written off are recorded when received. The allowance for credit loss was approximately \$103,000 and \$132,000 for the years ended December 31, 2023 and 2022, respectively. The Company will continue to monitor and evaluate the adequacy of the allowance for credit losses on accounts receivable on a regular basis and make adjustments as necessary in response to changes in economic conditions and credit quality indicators. In addition, other receivables includes amounts due from patient service fees. Patient receivables are carried at the transaction price consisting of the original charge for the service provided, less any applicable discounts, explicit price concessions for contractual adjustments and an estimated allowance for implicit price concessions.

Property and equipment: Property and equipment, which primarily consist of furniture and office equipment, are recorded at cost and depreciated over the estimated useful life of the assets using the straight-line method. Useful lives used to depreciate property and equipment range from three to seven years.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Goodwill: Goodwill results from business acquisitions and represents the excess of the purchase price over the fair value of the identifiable net assets acquired.

The Company follows an accounting alternative that allows it to amortize goodwill on a straight-line basis over a period of 10 years. Also pursuant to the accounting alternative, the Company will test its goodwill for impairment at the entity level only upon the occurrence of an event or circumstance that may indicate the fair value of the entity is less than its carrying amount. As of December 31, 2023 and 2022, the Company has determined that there was no occurrence of an event or circumstance that might indicate the fair value of the entity is less than the carrying amount.

Intangible assets: Intangible assets are amortized over their finite useful lives using the straight-line method. Intangible assets include franchise agreements, internally developed software and trade names.

Impairment of long-lived assets: The Company reviews long-lived assets, including property and equipment and certain intangible assets, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of these assets is measured by a comparison of the carrying amount of the asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment charge to be recognized is measured by the amount by which the carrying amount of the asset exceeds the estimated fair value of the asset. There were no impairment charges for the years ended December 31, 2023 and 2022.

Deferred revenue: The Company receives deposits of initial and renewal franchise fees for certain territories and future rights to the ComForCare, CarePatrol, Blue Moon and Boost business models. The Company recognizes revenue when contracts have been signed and each performance obligation has been performed.

Debt issuance costs: Debt issuance costs associated with long-term debt are capitalized as a reduction to the related debt obligation and amortized over the terms of the related debt using the effective-interest method. Amortization expense is included within interest expense in the consolidated statements of operations.

Revenue recognition: The Company recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize revenue when or as performance obligations are satisfied

Nature of revenues: The Company's revenues consist of franchise revenue, which includes franchise royalties, advertising fund contributions, marketing fees, technology fees and initial and renewal franchise fees.

The Company also collects lead placement revenue, through its CarePatrol franchise.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company collects patient service revenue, through its PROHealth subsidiary which is derived from patient service by providing medical services.

A summary of the Company's significant products and services are as follows:

Franchise revenues - Franchise agreements include: (a) the right to use symbolic intellectual property over the term of each franchise agreement, (b) ongoing services, such as management of the advertising fund contributions, marketing services, and providing access to franchise specific technology, and (c) pre-opening services, such as training.

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods and services to the customer. Agreements may include initial and renewal franchise fees (includes the right to use symbolic intellectual property and pre-opening services), royalties (includes the right to use symbolic intellectual property), marketing fees (ongoing services), technology fees (ongoing services), and National Ad Fund fees (ongoing services).

The right to use symbolic intellectual property and ongoing services are highly dependent upon and interrelated with the franchise right granted in the franchise agreement, so they are not considered to be individually distinct and, therefore, are accounted for as a single performance obligation (License of IP). The performance obligation under the franchise agreement is the promise to provide daily access to the symbolic intellectual property over the term of each franchise agreement, which is a series of distinct services that represents a single performance obligation. Although the franchisor's underlying activities associated with the symbolic intellectual property will vary both within a day and day-to-day, the symbolic intellectual property is accessed over time and the franchisee simultaneously receives and consumes the benefit from the franchisor's performance of providing access to the symbolic intellectual property (including ongoing services).

ComForCare royalties are calculated as a percentage of franchise sales that are related entirely to the License of IP performance obligation under the franchise agreement. These royalties are considered variable consideration. Royalty revenue is recognized as franchisee sales occur.

CarePatrol royalties are charged to some franchisees as a percentage of franchise sales and others as standard fixed amounts in which all royalties are related entirely to the License of IP performance obligation under the franchise agreement.

CarePatrol royalties charged as a percentage of franchise sales are considered variable consideration. Royalty revenue is recognized as franchisee sales occur.

CarePatrol royalties charged as standard fixed amounts are considered fixed consideration. Royalty amounts are billed each month for each franchisee. The agreements call for increasing fees throughout the life of the agreement. CarePatrol recognizes revenues for these standard amounts on a straight-line basis over the life of the agreements which results in a contract asset which is presented on the Company's consolidated balance sheets.

Blue Moon royalties are calculated as a percentage of franchise sales that are related entirely to the License of IP performance obligation under the franchise agreement. These royalties are considered variable consideration. Royalty revenue is recognized as franchisee sales occur.

The Company charges marketing fees, technology fees and National Ad Fund fees which are related entirely to the License of IP performance obligation under the franchise agreement. These revenues are recognized as the fees are billed to franchisees.

CFC Holding Company, LLC and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Initial and renewal franchise fees are recognized as revenue in regard to two identified performance obligations within the contract. A portion of the fee is recognized when the Company provides training services, as these services are distinct within the contract. The remaining portion of the fees is recognized as revenue related to the License of IP performance obligation on a straight-line basis over the term of the respective agreement beginning when the franchisee signs an agreement. Stand-alone selling price for each performance obligation was determined using an expected cost plus margin approach for training and an observable selling price for the License of IP.

All franchise revenue is recognized over time as the services are provided to franchisees.

Lead placement revenue—Specific to placement services that CarePatrol provides, the Company collects a lead placement fee from retirement facilities when a senior is placed within that facility. This revenue is recognized at a point in time when placement has occurred.

Patient service revenue—PROHealth's patient service revenues are fee-for-service, the patient is charged a fee based on the services performed. For patients that receive treatment there is consent (written, implied or verbally) to obtain treatment. The Company receives payments directly from private consumers, commercial insurers, Medicare and other third-party payors. Revenue is recognized as performance obligations are satisfied.

Because all of its performance obligations relate to contracts with a duration of less than one year, the Company has elected to apply the optional exemption and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

The Company determines the transaction price based on standard charges for goods and services provided, reduced by explicit price concessions comprised of contractual adjustments provided to third-party payors and discounts provided to uninsured patients in accordance with the Company's policy, and implicit price concessions proved to uninsured patients. The Company determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policies, and historical experience. The Company determines its estimate of implicit price concessions based on its historical collection experience with this class of patients.

All patient service revenue is recognized at a point in time when the services are provided to the patients.

Total revenue recognized at a point in time and over time was as follows for the years ended December 31:

	2023	2022	2021
Revenue recognized at a point in time	\$ 2,594,195	\$ 3,410,580	\$ 3,381,192
Revenue recognized over time	25,838,287	21,557,228	20,229,654
	<u>\$ 28,432,482</u>	<u>\$ 24,967,808</u>	<u>\$ 23,610,846</u>

Costs to obtain a contract - Franchise broker commissions paid to brokers that are incremental to the acquisition of customer contracts are capitalized as deferred franchise broker commissions on the consolidated balance sheets when the period of benefit is determined to be greater than one year. The Company determines the period of benefit for commissions paid for the acquisition of an initial contract by taking into consideration the initial estimated customer life, as well as future expectations about whether the renewal commission will be commensurate with the pattern of revenue recognition.

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Leases: In February 2016, the FASB issued ASC Topic 842, Leases, to increase transparency and comparability among organizations related to their leasing arrangements. The update requires lessees to recognize most leases on their balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Topic 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. Similar to the previous lease guidance, the update retains a distinction between finance leases (similar to capital leases in Topic 840, Leases) and operating leases, with classification affecting the pattern of expense recognition in the income statement. The Company adopted Topic 842 on January 1, 2022, using the optional transition method to the modified retrospective approach, which eliminates the requirement to restate the prior-period financial statements. Under this transition provision, the Company has applied Topic 842 to reporting periods beginning on January 1, 2022, while prior periods continue to be reported and disclosed in accordance with the Company's historical accounting treatment under ASC Topic 840, Leases.

The Company elected the package of practical expedients under the transition guidance within Topic 842, in which the Company does not reassess: (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases, or (3) the initial direct costs for any existing leases. The Company has not elected to adopt the hindsight practical expedient, and therefore will measure the ROU asset and lease liability using the remaining portion of the lease term upon the adoption of Topic 842 on January 1, 2022.

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when: (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company made an accounting policy election available under Topic 842 not to recognize ROU assets and lease liabilities for leases with a term of twelve months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of Topic 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

The Company has made an accounting policy election to account for lease and non-lease components in its contracts as a single lease component for its various asset classes. The non-lease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Adoption of Topic 842 resulted in the recording of additional ROU assets and lease liabilities related to the Company's operating leases of approximately \$620,000 at January 1, 2022. The adoption of the new lease standard did not materially impact consolidated net earnings or consolidated cash flows and did not result in a cumulative-effect adjustment to the opening balance of retained earnings.

The use of amounts received by the NAF is restricted to advertising, product development, public relations, merchandising, and administrative expenses and programs to increase sales and further enhance the public reputation of each brand. The Company consolidates and reports all balances held by the NAF within the consolidated financial statements. Amounts received and not spent by the NAF are reported as restricted cash which amounted to \$2,064,387 and \$3,031,624 as of December 31, 2023 and 2022, respectively. The New Term Loan provides for \$25,000,000 in principal borrowings with the full principal amount being due on January 31, 2025. The New Term Loan was amended on June 30, 2023 changing the monthly interest to Secured Overnight Financing Rate (SOFR) plus Applicable Margin from the previous rate of London Interbank Offered Rate plus Applicable Margin. In connection with the Next Day Access, LLC acquisition, the Company amended its debt agreement on March 20, 2024 to borrow an incremental \$14,000,000 of principal and extend the maturity date of the New Term Loan to December 31, 2027.

The term note agreement also includes certain affirmative and negative covenants restricting certain corporate acts and requires the maintenance of consolidated leverage and fixed charge coverage ratios.

In connection with the New Term Loan and previous term loan agreements, the Company incurred debt issuance costs of approximately \$666,000, which are amortized over the term of the debt facilities. Amortization of debt issuance costs of \$82,909, \$82,909, and \$82,910 has been included in interest expense for the years ended December 31, 2023, 2022 and 2021, respectively.

In addition, certain leases contain termination options, where the rights to terminate are held by either the Company, the lessor or both parties. These options to extend or terminate a lease are included in the lease terms when it is reasonably certain that the Company will exercise that option. The Company's operating leases generally do not contain any material restrictive covenants or residual value guarantees.

Operating lease cost is recognized on a straight-line basis over the lease term. Lease expense is approximately \$114,000 for the years ended December 31, 2023 and 2022, respectively. Note 9. Income Taxes

As a limited liability company, the Company is treated as a partnership for federal and state income tax purposes. As such, the taxable income of the Company is allocated in the tax returns of its members for federal and state tax purposes in accordance with their respective ownership percentage. Accordingly, no provision for federal income taxes is included in the consolidated financial statements. Entity-level, composite state and local income taxes (benefits) are accrued at the applicable rates, if any, and are included in the consolidated statements of operations.

The FASB provides guidance for how uncertain tax provisions should be recognized, measured, disclosed and presented in the consolidated financial statements. The Company identifies its tax positions taken or expected to be taken in the course of preparing its tax returns and determines whether any tax positions are more likely than not of being sustained when challenged or when examined by the applicable tax authority. THE PARTIES AGREE AS FOLLOWS:

1. GRANT

- 1.1. The Recitals above are incorporated by reference into this Agreement.
- 1.2. We grant you the right, and you accept the obligation, to own and operate a Franchised Business and perform the Approved Services by using such portions of the System as we may provide or disclose to you under this grant of license all in accordance with this Agreement within the geographic area described in Addendum A (“Protected Territory”).
- 1.3. Your Franchised Business will be located at the street address indicated in the first paragraph of this Agreement above (“Approved Location”). If a particular site has not been selected and approved at the time this Agreement is signed, after you have an Approved Location, we will unilaterally modify this Agreement as if originally set forth in this Agreement. The Approved Location must be centrally located within your Protected Territory. You must not relocate your Franchised Business without our prior written approval. Any expenses or costs, associated with your relocation, are at your sole expense. You may not use the Approved Location for any

purpose other than the operation of your Franchised Business, unless we, at our sole discretion, approve otherwise, in writing.

1.4. During the term of this Agreement, except as permitted by Section 1.5, we (including our affiliates) will not establish, or franchise any entity to establish, a Franchised Business within your Protected Territory.

1.5. You expressly acknowledge and agree that, except as provided in this Section, the franchise is non-exclusive. We retain the right, for ourselves, and/or through any affiliate, in any manner, and on any terms and conditions we deem advisable, and without granting you any rights therein:

1.5.1. To own, acquire, establish, and/or operate, and license others to establish and operate, Franchised Businesses outside the Protected Territory, regardless of their proximity to the Approved Location or your Protected Territory, or the impact on your existing or potential patients;

1.5.2. To use the Proprietary Marks and the System to market and sell, and grant others the right to market and sell, any products and services, similar to those which you will sell, through any channels of distribution within or outside of the Protected Territory, regardless of their proximity to the Approved Location or your Protected Territory, or the impact on your existing or potential patients. This includes, but is not limited to, other channels of distribution such as television, direct mail, mail order, catalog sales, telemarketing, over the Internet, via email, social media, and other channels of e-commerce;

1.5.3. To use and license others to use other proprietary and non-proprietary marks or methods, which are not the same as, or confusingly similar to the Proprietary Marks, whether in alternative channels of distribution, at any location, including within the Protected Territory, related to the operation of a business which may be the same as, similar to, or different from the business operated at your Franchised Business, or to sell products and services (regardless of similarity to products and services sold in your Franchised Business);

1.5.4. To anywhere purchase, merge, acquire (or be acquired by), affiliate with, or engage in any transaction with other businesses (whether competitive or not) having one or more businesses or locations, wherever located, including, but not limited to, transactions or arrangements involving competing outlets and/or brand conversions (to or from the Boost brand and System);

1.5.5. To implement multi-area marketing programs that allow us, or others, to solicit or sell to patients anywhere. We also reserve the right to issue mandatory policies to coordinate such multi-area marketing programs; and

1.5.6. To engage in any other activity, action, or undertaking that we are not expressly prohibited from taking under this Agreement.

1.6. You have no options or rights of first refusal or similar rights to acquire additional Franchised Businesses.

2. TERM, RENEWAL AND EXPIRED AGREEMENT

2.1. The term of this Agreement begins on the Contract Date and expires ten (10) years after the Contract Date, unless sooner terminated as provided in this Agreement.

2.2. We, at our sole discretion, may provide you with the right to renew Franchised Business(es) for two (2) additional term(s) equal to the then-current initial term(s) granted under the following terms and conditions:

2.2.1. You must give us written notice of your election to renew no fewer than six (6) months, and not more than twelve (12) months, prior to the end of the then-current term;

- 2.2.2. You must not be in default of any provision of this Agreement, or any other agreements between you and us (including any agreements between you and our affiliates), or of any standards set forth in the Manual (as the term is defined in Section 4.1), and you must have complied with all such agreements and the Manual since the Contract Date;
- 2.2.3. You must be current with respect to your obligations to your landlord, vendors, and any others with whom you do business;
- 2.2.4. You must execute the then-current form of franchise agreement, and all other agreements, legal instruments, and documents then customarily used by us in the execution of franchise agreements. The renewal franchise agreement, and any other agreements, legal instruments, and documents, may vary materially from those agreements, legal instruments, and documents currently in use by us, including the payment of higher fees; with the exception you are not obligated to pay our then-current initial franchise fee;
- 2.2.5. We may require you to attend our then-current training program(s);
- 2.2.6. Subject to state law, you and us will execute a General Release Agreement, Waiver and Release of Claims, in a form prescribed by us, of any and all claims which each may have against the other, and their affiliates (except as to amounts then due to us for royalties, advertising contributions, materials, and the like), and their respective shareholders, directors, employees, and agents in their corporate and individual capacities. Unless otherwise prevented by state law, we will consider your failure to sign said release, and to deliver it to us for acceptance, and execution within thirty (30) days after it is delivered to you, to be an election not to acquire a successor franchise; and
- 2.2.7. You will pay us a renewal fee equal to 10% of the then-current initial franchise fee for a 10-year renewal term or 20% of the then-current initial franchise fee for a 15-year renewal term.
- 2.3. If you do not sign a new franchise agreement and initiate and comply with the renewal procedures outlined in this section prior to the expiration of this Agreement, and continue to accept the benefits of this Agreement after the expiration of this Agreement; then, at our option, this Agreement may be treated either as:
- 2.3.1. Expired as of the date of expiration, with you then operating without a Franchised Business, and in so doing, you would be in violation of our rights; or
- 2.3.2. Continued on a month-to-month basis (“Interim Period”), until you or we provide the other party with written notice of such party’s intention to terminate the Interim Period; in which case, the Interim Period will terminate thirty (30) days after receipt of any such notice to terminate the Interim Period. In the latter case, all of your obligations will remain in full force and effect during the Interim Period, as if this Agreement had not expired, and all obligations and restrictions imposed upon you on the expiration of this Agreement, will be deemed to take effect upon the termination of the Interim Period.

4. OUR RESPONSIBILITIES

- 4.1. The Manual. - 4.2. Initial Training.
- 4.2.1. The Managing Owner/s must attend and successfully complete our initial training program before you open your Business. “Managing Owner” means the Owner that you designate, and we approve who is primarily responsible for the daily management and supervision of the Business. “Owner” or “Owners” means any individual who owns a direct or indirect ownership interest in the Entity that is the franchisee under this Agreement. “Owner” includes both passive and active owners.
- 4.2.2. Our initial training is comprised of four phases. Initial training currently occurs at your Approved Location or within your Protected Territory. We reserve the right to require you to attend any phase of the initial training at our Designated Location in our sole discretion, and may conduct all or any portion of initial training via eLearning and Virtual Classes. You must successfully complete Phase One, Phase Two and Phase Three of the training program prior to opening your Franchised Business.
- 4.2.3. Phase One Training begins once you have signed your franchise agreement and is estimated to take two to three weeks to complete. Phase One Training is comprised of self-study/online study wherein you are provided certain Manuals related to the home health care industry and the operations of a home health care agency.
- 4.2.4. Phase Two Training lasts approximately two weeks. You may not attend Phase Two training until you have completed Phase One Training (to our satisfaction, at our sole discretion) and have received written permission from us to attend the Phase Two Training. For the avoidance of any doubt, only members of our training team can determine your readiness to attend Phase Two training and no travel plans of any sort should be made prior to this approval.
- 4.2.5. If you are located in a state that requires home care licensure, you should plan on attending this Phase Two training no earlier than two (2) months prior to your expected licensure date. You are solely responsible for the compensation, travel costs, and expenses of lodging, transportation and meals incurred in connection with attending the training program or any supplemental training programs.

- 4.2.8. Phase Three training lasts approximately two weeks and occurs within your Approved Location or Protected Territory. You are responsible for all expenses incurred in connection with this phase of training.
- 4.2.9. Phase Four Training consists of 32-40 hours of additional training, at our expense, in your Approved Location and/or Protected Territory via a mix of in-person training (if allowed and in our sole discretion), eLearning, and Virtual Classes. If you have purchased multiple single unit franchises, we are only obligated to provide these 32-40 hours of on-site training for all your territories/Protected Territories combined. Any on-site mock survey assistance we provide will count toward this training. This on-site assistance may be reduced if you refuse to accept visits based on the travel schedule made available by our staff. If you cancel a scheduled visit, this cancellation will count towards eight of the 32-40 hours.
- 4.2.10. If you currently own a Franchised Business, and purchase an additional territory/ Protected Territory, we are not obligated to provide you this additional 32-40 hours of on-site support.
- 4.3. If, during any training program, we determine that any proposed manager is not qualified to manage the Franchised Business, we will notify you and you must select and enroll a substitute manager, that is suitable to us, in the training program.
- 4.4. We may periodically require that you (including, if applicable, your key employees) attend additional training programs we offer and designate in the Manual, or otherwise in writing, and at the times and places we designate (“Additional Training”). We neither dictate, nor control labor, or employment matters for you and your employees.
- 4.6. National Accounts Program.
- 4.6.1. A “National Account” is a referral source that offers, on a local, statewide, national, or regional basis, the opportunity for franchisees in the applicable territory, geographic area or Protected Territory to provide any services and/or products to the referral sources, members, affiliates, or, however designated, other persons who have a similar relationship with that referral source (“National Account Patient.”) Any dispute as to whether a particular patient is a National Account will be determined by us and our determination will be final and binding.

- 4.6.2. If you meet the operational and performance standards (as determined by us at our sole discretion), you may elect to participate in our National Accounts Program. Once enrolled, you must service any National Account patient referred to you in accordance with the National Account Agreement and the guidelines set forth in the Manual.
- 4.6.3. We make no guarantees or promises that you will receive any referrals or generate any revenue through your participation in our National Accounts Program.
- 4.6.4. You understand that certain National Accounts may charge an enrollment fee and/or ongoing enrollment fees, and that the payment of such fees is solely your responsibility.
- 4.6.5. If you are in default of any terms of this Agreement, or if you fail to meet the operational and performance standards (as determined by us at our sole discretion); we may remove you from specific National Accounts, or the entire National Accounts Program.
- 4.6.6. If you elect not to enroll in a specific National Account's program or the entire National Accounts Program, or if you fail to provide services to a National Account Patient in conformity with the terms and conditions of the National Account Agreement or the Manual, we have the right to:

 - 4.6.6.3. Contract with a third-party to provide services to the National Account Patient within the Protected Territory on the terms and conditions contained in the National Accounts Agreement.
- 4.6.7. You disclaim any compensation or consideration for work performed by others in the Protected Territory pursuant to this section.
- 4.6.8. You acknowledge and agree that we have the right to delegate to third-party designees, whether these designees are our agents or independent contractors with whom we have contracted: (i) the performance of any portion or all of our obligations under this Agreement; and (ii) any rights that we have under this Agreement.

You will maintain our high standards with respect to services, products, and operations.

5.2. Site Selection.

- 5.2.1. You are responsible for all costs, liability, and expenses for locating, selecting, procuring, obtaining, developing, constructing, and equipping, a site at your Approved Location for the Franchised Business

within the Protected Territory that conforms with our then-current System Standards. You acknowledge our rendering of assistance in selection of a site does not constitute a representation, promise, warranty or guarantee, expressed or implied, by us that the Franchised Business operated at Approved Location site will be profitable or otherwise successful.

5.2.2. If you are located in a state that requires some sort of home care licensure or private duty licensure, you should expect to obtain an office lease prior to attending Phase Three training.

5.2.3. You will use and occupy your office premises solely for the operation of the Franchised Business and, unless we otherwise approve in writing, you will refrain from using or permitting the use of the premises for any other purpose or activity. As used in this paragraph, the term “premises” will include the grounds surrounding the Franchised Business.

5.3.3. If you fail to submit the relevant health care related application or open your business by the time frames outlined above, we may grant you an extension, require you to repeat all or part of our training program, accelerate your Open Date (thus necessitating the payment of any fees owed us), or terminate your Franchise Agreement.

5.3.4. If you are converting an existing business to a Conversion Franchise or if you acquire an existing independent home health care agency, your Opening Date is the earlier of (a) 90 days from the Contract

5.4.1. In the event this Franchise Agreement is the result of a transfer, your initial minimum performance requirements will be determined by calculating the average monthly patient census for the previous six months prior to the sale then using that average, rounded down to the nearest patient census figure stated above, as the starting point for your new yearly obligations. By way of example:

EXAMPLE:

5.4.2. For any renewal term, you must attain and maintain the highest Minimum Performance Requirements indicated above for the operation of the Franchised Business by the first month of the renewal term.

- 5.4.3. The minimum performance requirements for Conversion Franchises as well as independent home healthcare agencies acquired through our acquisition program are determined at the time of acquisition or conversion.
- 5.4.4. Failure to achieve and maintain the Minimum Performance Requirement will automatically result in the forfeiture of the right to the Protected Territory granted to you in this Agreement and provide us the absolute right to grant additional Boost franchises within the Protected Territory, operate Franchised Businesses within the Protected Territory, or unilaterally reduce the geographic scope of your Protected Territory. In addition, your failure to achieve and maintain the Minimum Performance Requirements constitutes a material default of this Agreement and provides us with the immediate right to terminate this Agreement without opportunity to cure.
- 5.4.5. The designated levels of minimum performance do not imply that you will achieve these amounts or any other amounts within any certain time frame.
- 5.5. You will purchase and install, at your expense, and will maintain in sufficient supply and use at all times, only such fixtures, furnishings, equipment, signs, and supplies which conform to our standards and specifications as set forth in the Manual, or otherwise by us, in writing; and will refrain from using non-conforming items. If you are granted your Franchised Business via a resale, you are required to update your fixtures, furnishings, equipment, signs, and supplies, at your own expense, to our then-current brand standards within six (6) months of the Contract Date of this Agreement.
- 5.6. You acknowledge and agree that we have the absolute right to determine the scope of permissible services to be offered by you in your Franchised Business. You will sell, or offer for sale, those products and services we have expressly approved for sale in the Manual, or otherwise in writing, and will discontinue selling any products or services which we, at our sole discretion, determine may adversely affect the System or are no longer appropriately part of the System; and will refrain from offering any unapproved products or services.
- 5.7. You acknowledge and agree that we may periodically, at our sole discretion, revise the Manual to incorporate System changes. You will implement any System changes upon receiving notice from us of such changes and will complete their implementation within such time as we may reasonably specify.
- 5.8. You will purchase all products, equipment, supplies, and materials used or sold by your Franchised Business solely from suppliers (including manufacturers, wholesalers, and distributors) who demonstrate, to our continuing reasonable satisfaction, the ability to meet our reasonable standards and specifications for such items; who possess adequate quality controls and capacity to supply your needs promptly and reliably; whose approval would enable the System, at our sole opinion, to take advantage of marketplace efficiencies; and who have been approved by us in the Manual, or otherwise, in writing, and not thereafter disapproved. If you want to make purchases from a supplier who has not been approved, you will submit a written request to us to approve the proposed supplier with evidence of conformity to our specifications as we may reasonably require. We may revoke approval of any supplier at any time if we determine, at our sole discretion, that the supplier no longer meets our standards. Upon receipt of written notice of such revocation, you will cease purchasing from any disapproved supplier, and cease selling such supplier's disapproved products and/or services.
- 5.9. You will maintain your Franchised Business in a clean, wholesome, orderly condition, and in excellent repair; and, at your expense, and in a timely manner, perform any required maintenance, or repairs, as we may reasonably direct by written notice to you. No alcohol, drugs, or pets (other than animals required for the health of your customers, patients, or employees, or as otherwise required by law, i.e., service dogs) are permitted at your Franchised Business, and the Approved Location will not be used for child care, babysitting, or similar activities.

5.10. We will conduct, when, and as frequently as we deem advisable, inspections of your business premises and evaluations of your Franchised Business' management and operations, to assist you and to maintain the System's standards of quality, appearance, and service. We are not required to provide you any notice prior to conducting such inspections or evaluations. You will cooperate with our representatives in such inspections by rendering such assistance as they may reasonably request; and, upon written notice from us and/or our agents, and without limiting our other rights under this Franchise Agreement, will promptly correct any deficiencies discovered during any such inspection.

In the event you, or an approved employee, do not attend the Annual Conference, you will be charged a One Thousand Five Hundred (\$1,500.00) Dollars absentee fee ("Annual Conference Absentee Fee") via ACH, ten (10) days after the missed Annual Conference concludes. We may increase the Annual Conference fee with ninety (90) days' written notice prior to the Annual Conference. All Annual Conference attendees are responsible for paying their own travel costs and expenses of lodging, transportation, and meals. We reserve the right to conduct the Annual Conference virtually as well as the right not to conduct one.

We reserve the right to conduct the Regional Meetings virtually as well as the right not to hold them.

5.11.3. *Compliance and Attendance.* We reserve the right to not allow you to attend any conference or meeting we conduct throughout the year if you are not in compliance, at our sole discretion, with this Franchise Agreement. You will not be charged an absentee fee if you are so disinvented.

Benchmarking surveys are generally requested of you once a calendar year, but we expressly reserve the right to require the participation in a second survey during a calendar year with thirty (30) days' written notice.

5.13. You must, at all times, faithfully, honestly, and diligently perform your obligations, and continuously exert your best efforts, to promote and enhance the operation of your Franchised Business. The person who is responsible for the day-to-day supervision of your Franchised Business (i.e., the managing partner or shareholder) must assume responsibilities on a full-time basis and must not engage in any other business or other activity, directly or indirectly, that requires any significant management responsibility, time

commitments, or otherwise may conflict with your obligations. This individual, if not you, must also satisfactorily complete our training program, in our sole opinion.

5.14. You will maintain a competent and conscientious, administrative and trained staff, and will take such steps as are necessary to ensure your employees preserve good customer relations; render competent, prompt, courteous, and knowledgeable service; and meet such minimum standards as we may periodically establish in the Manual, or otherwise, in writing. We will not have the power to hire or fire your employees. You alone are responsible for all employment decisions and functions of your Franchised Business, including, without limitation, those related to hiring, firing, training, establishing remuneration, compliance with wage and hour requirements, personnel policies, benefits, record keeping, supervision, and discipline of employees, regardless of whether you have received advice from us on these subjects or not. All employees working for you will be your employees alone, and will not, for any purpose, be deemed our employees, or subject to our control, including with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state, or federal governmental agency. We will have no liability for any action or settlement related to hiring, firing, training, establishing remuneration, compliance with wage and hour requirements, personnel policies, benefits, record keeping, supervision, and discipline of employees, and you agree to indemnify us for any such liabilities we may incur. Because complete and detailed uniformity under many varying conditions may not be possible or practical, you acknowledge we specifically reserve the right and privilege, as we consider best, at our sole discretion, to modify the System for any particular Franchised Business based upon circumstances we consider important to promote any Franchised Business' successful operation. We may choose not to authorize similar variations or accommodations to you or other franchisees.
- 5.25. You acknowledge and authorize us to use your likeness in photographs and other imagery in any and all of our publications, including printed and digital publications and imagery and on websites and/or social media. You agree and irrevocably authorize us to edit, alter, copy, exhibit, publish, or distribute any photographs and other imagery of you for any lawful purpose. You agree and waive any rights to royalties or any other compensation related to our use of any photographs and other imagery of you. You agree to hold harmless, and forever discharge us, from all claims, demands, and causes of action which you may have in connection with this authorization.
- 5.26. Retaining patients for your Franchised Business will require you to have a high level of customer service and adhere strictly to and maintain the System. We may contact any patient, or their authorized representative/s, at any time, for any purpose. Also, if we are contacted by a patient, or their authorized representative/s, who

wishes to lodge a complaint, we reserve the right to address the complaint in order to preserve goodwill and prevent damage to the brand.

6. LICENSING, CERTIFICATION AND ACCREDITATION

6.1. Your state of operation may require that you obtain some form of licensure, certification, and/or accreditation before being allowed to provide the Approved Services. Obtaining these credentials can be a lengthy process, generally ranging from six months to 12 months, or even longer. We require that you employ certain positions at certain times within your Franchised Business as described in Section 5 above. In addition, your state of operation may require that you, or those you employ, have specific educational, professional, and health care experience and that such individuals be employed by you, full-time, prior to submission of your Certificate of Need and/or state home health care license.

6.2. You are solely responsible for researching and understanding your program's requirements as they relate to obtaining the necessary licensing, certification, and/or accreditation to provide the Approved Services. You are responsible for the implementation of any policy and procedure manuals, and related documents and forms, required to comply with any local, state, federal, provincial, and/or licensing body requirements. In addition, you are responsible for completing and submitting any necessary applications for these credentials. We will assist you by reviewing completed applications and make best practice suggestions.

6.3. The legal entity you organize or incorporate for the sake of this Agreement must be the same entity that applies for, obtains, and thereafter is listed as the license holder within your state or any other accrediting or certification body.

6.4. Documentation of these credentials must be submitted to us upon your receipt.

6.5. Governmental Programs Provider Enrollment.

6.5.1. *Medicare.* You are required to become Medicare certified within the timeframe stated in Section 5 above. In order to do so, you will have to become accredited through our approved accrediting company. You are solely responsible for researching and understanding the requirements to become accredited and obtain this certification. In addition, you are responsible for completing and submitting any necessary provider enrollment forms and documents.

6.5.1.1. *Medicare Cost Reporting.* On an ongoing basis, you will need to comply with the Medicare Cost Reporting Requirements to ensure compliance with CMS guidelines.

6.5.2. *Other Government Programs.* You are solely responsible for researching and understanding any other governmental programs (i.e., Medicaid waiver) that you believe may be beneficial to the growth of your Franchised Business and that comply with the terms and conditions of the Approved Services.

6.6. Local Counsel/Advisors/Consultants. We make no assurances that, upon review of various applications, documents, and/or Plans of Corrections, that they will be approved by the relevant licensing body, accrediting body, or governmental agency. You should seek the advice of local counsel/advisors to ensure compliance with all relevant regulations. We reserve the right to require that you seek the guidance of an outside third-party consultant related to licensing, accreditation, provider enrollment, surveys, or other purposes.

- 6.7. Change of Ownership Limitations. Depending on which governmental programs you enroll in as a provider, you may be subject to limitations as to the frequency in which you may transfer, sell, or change the ownership of your Franchised Business. For example, the Center for Medicare and Medicaid Services only permits a change of ownership every three years. Please seek advice of local counsel/advisors to verify.

The policies and procedures for marketing and sales activities outside any Protected Territories are established in the Manual or as communicated to you, in writing, periodically by us. In the event of a discrepancy between any patients and location restrictions in this Agreement, and in the Manuals, the Manuals will take precedence.
- 7.3. You are prohibited from soliciting, or providing services, to patients outside your Protected Territory, except as authorized. Services may only be provided within another Franchised Business' Protected Territory if that Franchise Business has granted you permission, in writing, to care or service any specific patients. You may be authorized by us in the Manual, or written communication, to provide services outside of your Protected Territory, if that area is not included in another Franchised Business' Protected Territory.
- 7.4. You may enter into cooperative marketing agreements, and sales activities with other Franchised Businesses in your, or their, Protected Territories.
- 7.5. You understand that third-party advertising, marketing, and/or recruiting sources (such as, but not limited to, phone book advertising, Penny Savers, direct marketing, facsimile, e-communications, online, internet, social media) do not necessarily recognize territorial designations. However, where possible, you must limit your advertising, marketing, and/or recruiting activities to the ZIP codes in your Protected Territory (e.g., your Google Ad Words or Pay-Per-Click campaign must be delineated by your Protected Territory's ZIP codes). Moreover, you may not list open ZIP codes with third-party advertisers, marketing, and/or recruiting sources.
- 7.6. If you are found, in our sole opinion, to have violated the patient and location restrictions found in this Agreement, or in the Manual, you will pay the affected franchisee \$1,500 per patient, per month. In addition, you will be subject to a penalty of up to Five Thousand (\$5,000.00) Dollars for each patient specific infraction, payable to us. You are responsible (not us) for any payments, or penalties, owed to another franchisee for such infractions. We have no obligation to investigate or enforce this provision
- 7.7. In the event we assist in resolving an issue between two (2) or more franchisees regarding a violation of the patient and location restriction policy, we may charge the involved parties patient resolution fees that are the greater of Five Hundred (\$500.00) Dollars or Fifty (\$50.00) Dollars per hour. These fees will be invoiced and payable via EFT ten (10) days from date of any corresponding invoices. We have no obligation to assist in the investigation of such matters.
- 7.8. You agree that, if you violate any provision of this Section, you may be liable to any affected franchisee for such violation. You, therefore, agree to defend, indemnify, and hold us harmless from all liability, cause of action, loss, cost, legal defense, expense, or any other damage arising out of, or as a result of, any violation of this Section, in law or in equity.

In the event of any bona fide dispute as to your liability for taxes assessed, or other indebtedness, you may contest the validity, or the amount of the tax or indebtedness, under the procedures of the taxing authority or applicable law. However, you will not permit a tax sale or seizure by levy of execution, or similar writ or warrant, or attachment by a creditor, to occur against your Approved Location, or any improvements thereon.

In such circumstances, the use of the substituted proprietary marks will be governed by this Franchise Agreement, and we will not compensate you for such substitution, except, that if we must discontinue use of a Proprietary Mark based upon a court ruling, the Proprietary Mark infringes on another trademark, then we will bear only the costs of modifying your signs and advertising materials to conform to our new proprietary marks.  - 11.4. Local Marketing Spend. In addition to required contributions to the Fund, you must spend, on a monthly basis, at least 1% your Net Revenue on local marketing activities. - 13.9.3. If any examination or audit discloses an understatement of Net Revenue, you must pay to us, within fifteen (15) days after receipt of the examination or audit report, any fees or payments due on the amount of the understatement, interest based on the amount of the understatement (at the rate and on the terms provided in this Agreement), and a Five Thousand (\$5,000.00) Dollars under reporting penalty from the date originally due until the date of payment. Further, if the examination or audit is made necessary by the failure of you to furnish reports, supporting records, financial statements or other documents, or information, as required, or failure to furnish reports, records, financial statements, documents or information, on a timely basis, or if an understatement of Net Revenue for any month is determined by any examination or audit to be greater than two (2%) percent, you must reimburse us for the cost of the audit or examination, including the charges of any independent accountants and travel costs and expenses of lodging, transportation and meals, as well as compensation of our employees. If the aforementioned fees, charges or any other costs are not paid by you within fifteen (15) days of receipt of the examination or audit report, we may withdraw from your bank account any monies owed by ACH. The foregoing remedies are in addition to all other remedies and rights we may have under applicable law.
- 13.9.4. We may, but are not obligated to, conduct mystery shopper programs. In the event we do conduct such a program, the calls made under the program may be monitored and recorded for record keeping, training, and quality assurance purposes.

14. TRANSFER OF INTEREST

- 14.1. We have the right to transfer or assign all or any part of our rights or obligations under this Agreement to any person or legal entity. With respect to any assignment which results in the subsequent performance by the assignee of all of our obligations under this Agreement, the assignee will expressly assume and agree to perform such obligations, and will become solely responsible for all of our obligations under this Agreement from the date of assignment. In addition, and without limitation to the foregoing, you expressly affirm and agree that we may sell our assets, the Proprietary Marks, or the System; may sell our securities in a public offering or in a private placement; may permit and participate in any transfer or distribution of our securities in connection with a spin-off; may merge, acquire other corporations, or be acquired by another corporation; and may undertake a financing, recapitalization, leveraged buy-out, or other economic, or financial reorganization, or restructuring.
- 14.2. You understand and acknowledge your rights and duties are personal, and that we have granted this franchise in reliance on your or your owner(s)' business skills, financial capacity, and personal character. Accordingly, you, any immediate or remote successor to any part of your interest in this Agreement, or any individual or legal entity, which directly or indirectly owns any interest in you, will not, without our prior written consent, sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber: (i) any direct or indirect interest in the rights granted in this Agreement; (ii) any direct or indirect interest, which would effect a change of control now or in the future, or, (iii) all, or substantially all, of the assets of your Franchised Business. Any assignment or transfer, whether purported or actual, by operation of law or otherwise, not having our written

consent, as required by this Section 14.2, will be null and void and will constitute a material breach of this Agreement, for which we may then terminate without an opportunity to cure pursuant to Section 15.2.

- 14.3. We will not unreasonably withhold our consent to a transfer when required under Section 14.2 provided, however, that we will have the right to require any or all of the following as conditions of our consent:
 - 14.3.1. All of your accrued monetary obligations, and all other outstanding obligations to us and our affiliates, and to all of your suppliers and vendors, must be satisfied;
 - 14.3.2. You and we execute a release, in a form prescribed by us, of any and all claims which you may have against us, and our affiliates, and any respective shareholders, directors, employees, and agents in their corporate and individual capacities, in law and/or in equity;
 - 14.3.3. The transferee must attend an in-person evaluation at our Designated Location, or another location we designate;
 - 14.3.4. The transferee will execute our then-current standard form franchise agreement and related documents, including, but not limited to, our then-current form of any owner's agreement or other guaranty, then being offered to new franchisees, which agreement will supersede this Agreement in all respects and the terms of which agreement may differ materially from this Agreement and may be less favorable to the transferee;
 - 14.3.5. The transferee (and, if the transferee is other than an individual, such owners of a beneficial interest in the transferee as we may request) will demonstrate to our satisfaction that the transferee meets our educational, managerial, and business standards; possesses (or, if applicable, its principals' possess) a good moral character, business reputation, and credit rating; has the aptitude and ability to operate the Franchised Business, as may be evidenced by prior related business experience or otherwise; and has adequate financial resources and capital to operate the Franchised Business;
 - 14.3.6. You, or the transferee, at your, or its expense, will, within the time we specify, upgrade, modify, renovate, and/or remodel the Franchised Business premises to conform to the then-current standards and specifications of the System;
 - 14.3.7. The transferee must attend, and successfully complete, our initial training;
 - 14.3.8. You will pay a \$10,000 fee ("Transfer Fee") if the transfer involves 50% or more change in ownership. If the transfer involves less than a 50% change of ownership, the transfer fee will be calculated based upon the percentage of ownership changed. This Transfer Fee is to reimburse us for our reasonable legal, accounting, management, training, and incidental expenses incurred in reviewing and approving the transfer, facilitating the transfer process, and providing such training to the transferee as we deem necessary;
 - 14.3.9. You will pay any third-party sales broker fees, if applicable, incurred due to the sale or transfer of your Franchised Business or the purchase of an independent home health agency;
 - 14.3.10. You will not be in default of any provision of this Agreement, or any other agreement between you and us or our affiliates;
 - 14.3.11. You will, at our request, prepare and furnish to the transferee and/or us such financial reports and other data relating to your Franchised Business, and its operations, as we deem reasonably necessary or appropriate, for the transferee and/or us, to evaluate your Franchised Business and the proposed transfer. You authorize us to confer with a proposed transferee and furnish the proposed transferee with

information concerning your Franchised Business and the terms and conditions of the proposed transfer, and we may do so without any liability;

14.3.12. You will provide us evidence that any governmental entities in which you are enrolled as a provider have consented to said transfer, sale, or change of ownership. Please note that the Center for Medicare and Medicaid Services only permits a change of ownership every three years;

14.3.13. You will not grant a security interest in the assets of your Franchised Business, unless the secured party agrees that if any default occurs by you under any documents related to the security interest, we will have the right and option to be substituted as obligor to the secured party and to cure any default of you, except, any acceleration of indebtedness due to your default, will be void; and

14.3.14. You will provide the transferee the following post-sale support, as requested by the transferee in such matters as: patient introductions, referral source introductions, manage the Franchised Business while the transferee is attending his/her initial franchise training.

14.4. Transfers made, absent the fulfillment of the above-stated conditions, will be null and void, and will constitute a material breach of this Franchise Agreement, for which we may then terminate this Agreement without affording you an opportunity to cure under Section 15.2.

14.5. Upon the death or mental incapacity of one of your owners with a controlling interest in your Franchised Business and this Agreement, the executor or administrator of the estate of such person, or the personal representative of such person, will transfer, within six (6) months after such death or mental incapacity, such interest to a third-party approved by us. Such transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same conditions for transfer as provided in Section 14, as the case may be, including the payment of the Transfer Fee. However, with a transfer by devise or inheritance governed by Section 14, if the heirs or beneficiaries cannot meet the conditions in Section 14, the executor or administrator of the deceased will have a reasonable time to dispose of the deceased's interest in your Franchised Business, which disposition will be subject to all the terms and conditions for transfers contained in this Agreement. If the interest is not disposed of within a reasonable time, we may terminate this Agreement under Section 15.2.7.

14.6. Our consent to a transfer, which is the subject of this Section, will not constitute a waiver of any claims we may have against you, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms hereof by the transferee.

14.7. If, for any reason, this Agreement is not terminated under Section 15, and this Agreement is assumed, or assignment of the same to any person or entity who has made a bona fide offer to accept an assignment of this Agreement is contemplated, under the United States Bankruptcy Code, then notice of such proposed assignment or assumption, setting forth: (i) the name and address of the proposed assignee; and (ii) all of the terms and conditions of the proposed assignment and assumption, will be given to us within twenty (20) days after receipt of such proposed assignee's offer to accept assignment of this Agreement, and, in any event, within ten (10) days prior to the date the application is made to a court of competent jurisdiction for authority and approval to enter into such assignment and assumption. We will have the prior right and option, to be exercised by notice given at any time prior to the effective date of such proposed assignment and assumption, to accept an assignment of this Agreement to us, upon the same terms and conditions and for the same consideration, if any, as in the bona fide offer made by the proposed assignee, less any brokerage commissions, which may be payable by you out of the consideration to be paid by such assignee for the assignment of this Agreement.

15. DEFAULT AND TERMINATION

15.1. You will be deemed in default of this Agreement, and all rights granted herein will automatically terminate without notice to you, if you become insolvent or make a general assignment for the benefit of creditors; or,

if a petition in bankruptcy is filed by you, or such a petition is filed against and not opposed by you; or, if you are adjudicated as bankrupt or insolvent; or, if a bill in equity, or other proceeding to appoint a receiver of you, or other custodian for your business or assets, is filed and consented to by you; or, if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or, if proceedings for a composition with creditors under any state or federal law should be instituted by or against you; or, if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a supersedeas bond is filed); or, if you are dissolved; or, if execution is levied against your business or property; or, if the real or personal property of your Franchised Business will be sold after levy thereupon by any sheriff, marshal, or constable.

 - 15.2.2. If you, at any time, cease to operate, or abandon, your Franchised Business without receiving our prior express written consent, or otherwise forfeit the right to do, or transact business, in the jurisdiction where your Franchised Business is located (e.g., loss of home care license); provided, however, that if through no fault of your own, the premises is damaged or destroyed, then you will have thirty (30) days to request our approval to relocate or reconstruct the premises, which approval will not be unreasonably withheld;
 - 15.2.3. If you, or any officer, director, or partner of you, is convicted of a felony, a crime or offense involving moral turpitude, or engage in conduct that, in our reasonable judgment, is morally offensive to community standards, and is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith, or our interest therein;
 - 15.2.4. If you, or any partner or shareholder in you, purports to transfer any rights or obligations under this Agreement, or any interest in you, or the assets of your Franchised Business, to any third-party without our prior written consent or notice, contrary to the terms of Section 14;
 - 15.2.5. If you fail to comply with the covenants in Section 17 or fail to deliver to us executed covenants required under Section 17.10;

 - 15.2.11. If you do not pay any monies owing to us, our affiliates, or your suppliers, when payment is required;

- 15.2.12. If you, or any principal of you, has made any material misrepresentation in connection with your application to us for the franchise granted under this Agreement;
 - 15.2.13. If you understate any payment to us by two (2%) percent or more, or understate any payment to us in any amount twice in any two (2) year period;
 - 15.2.14. If you fail to obtain or maintain required insurance coverage;
 - 15.2.15. If you fail to obtain or maintain the required staffing;
 - 15.2.16. If you, without receiving our prior express written consent, fail to attend and successfully complete any required training as specified in Sections 5, or fail to attend our Annual and Regional Meetings for franchisees as specified in Section 5.13.;
 - 15.2.17. If you, or any affiliate, commit any act of default under any agreement with us for which such agreement is terminated, except this provision will not apply to a default by you, or any affiliate, under any development agreement;
 - 15.2.18. If your assets, property, or interests are “blocked” under any Anti-Terrorism Law or Anti-Bribery Law, or if you are otherwise in violation of any such law;

Except as provided in Section 15.1 and Section 15.2, you will have thirty (30) days after we provide written notice of default (in the manner specified in Section 21) to remedy the default and to provide us with evidence of such remedy. If any such default is not cured within such time, or such longer period as applicable law may require, we may terminate this Agreement effective immediately upon our notice to you. You will be in default of this Agreement for any failure substantially to comply with any of the requirements imposed by this Agreement, including requirements set forth in the Manual, as they may from time to time be supplemented in writing, or to carry out the terms of this Agreement in good faith. If you are in default of any provisions of this Agreement, in addition to the rights listed in Section 15, we may, at our option, suspend any and all of our obligations under this Agreement until such defaults have been cured or until the Agreement has been terminated.
- 15.4. No endorsement or statement on any form of payment of any sum less than the full sum due to us will be construed as an acknowledgment of payment in full or an accord and satisfaction, and we may accept and cash such check or payment without prejudice to our right to recover the balance due or pursue any other remedy in this Agreement or by law. We may apply any payments made by you against any past due indebtedness of you as we may see fit. We may set off any amounts owed by you to us against any payment due to you under this Agreement and may, at our option, pay your trade creditors out of any sum otherwise due to you.
- 15.5. In the event of any default of this Agreement by you, all of our costs and expenses arising from such default, including reasonable legal fees and reasonable hourly charges of our administrative employees, will be paid to us by you within five (5) days after cure or upon demand by us, if such default is not cured.
- 15.6. If any other franchise agreement or any other agreement between you and us is terminated, termination will be effective on the date that the other agreement is terminated unless we notice you otherwise.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

- 16.2. Upon termination or expiration of this Agreement, all rights granted to you under this Agreement will immediately terminate and:

 - 16.2.2. You will immediately take any action required to cancel, terminate, or turn in, all licenses or vendor contracts you may have with any federal, state or local agency including, but not limited to, those related to health care licensing or governmental programs (e.g., Medicaid waiver);
 - 16.2.3. You will immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures, and techniques associated with the System, the Proprietary Marks, and all other proprietary marks and distinctive forms, slogans, signs, symbols, and devices associated with the System. You also will, at your expense, immediately remove all signs, slogans, symbols, distinctive forms, devices, and trade dress associated with the System, which are located at your Franchised Business. If you fail to remove all signs, slogans, symbols, distinctive forms, devices, and trade dress associated with the System within a reasonable amount of time following termination, and we are forced to remove these items, you will reimburse us for the cost of removal.  - 16.2.5. You acknowledge that all telephone numbers, facsimile numbers, social media websites, Internet addresses, e-mail addresses and other e-communications (collectively "Identifiers") used in the operation of your Franchised Business constitute our assets, and upon termination or expiration of this Agreement, you will take such action within five (5) days to cancel or assign to us or our designee, as determined by us, all of your right, title, and interest in, and to such Identifiers, and will notify the telephone company and all listing agencies, of the termination or expiration of your right to use any Identifiers, and any regular, classified, or other telephone directory listing associated with the Identifiers and to authorize a transfer of the same to, or at our direction. You agree to take all action required to cancel all assumed names or equivalent registrations related to your use of the Proprietary Marks. You acknowledge that we have the sole rights to, and interest in, all Identifiers used by you to promote your Franchised Business and/or associated with the Proprietary Marks. You hereby irrevocably appoint us with full power of substitution, as your true and lawful attorney-in-fact, which appointment is coupled with an interest to execute such directions and authorizations as may be necessary or prudent to accomplish the foregoing. You further appoint us to direct the telephone company, postal service, registrar, internet service provider, listing agency, website operator, or any other third-party to transfer such Identifiers to us or our designee. The telephone company, postal service, registrar, internet service provider, listing agency, website operator, or any other third-party may accept such direction by us pursuant to this Agreement as conclusive evidence of our rights to the Identifiers and our authority to direct their transfer;
 - 16.2.6. You will promptly pay all sums owed to us and our affiliates. In the event of termination for any default by you, such sums will include all damages, costs, and expenses, including reasonable attorney fees, incurred by us as a result of your default, which obligation will give rise to and remain, until paid in full, a lien in favor of us against any and all of your personal property, furnishings, equipment, signs, and fixtures at your Approved Location at the time of default;
 - 16.2.7. will pay us any and all costs, and expenses, including reasonable attorney fees and related costs, incurred by us subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Section; and

You will immediately return to us or, if in electronic format, permanently delete and/or destroy, all Confidential Information and proprietary information you have in your possession, including the Manual and any copies that may have been made by you, within five (5) business days of the termination or expiration of this Agreement. You will provide us proof of such deletion upon written request.

16.3. All of your covenants, obligations, and agreements, which by their terms, or by reasonable implication, are to be performed, in whole or in part, after the termination or expiration of this Franchise Agreement, will survive such termination or expiration.

16.4. You will comply with the covenants contained in Section 17.

17.5. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Franchise Agreement. If all, or any portion of a covenant, in this Section 17 is held

unreasonable or unenforceable by a court or agency having valid jurisdiction in an un-appealed final decision to which we are a party, you expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 17.

- 17.7. You expressly agree that the existence of any claims you may have against us, whether or not arising under this Franchise Agreement, will not constitute a defense to the enforcement by us of the covenants in this Section 17.
- 17.8. You acknowledge that your violation of the terms of this Section 17 would result in irreparable injury to us, for which no adequate remedy at law may be available, and agree to pay all court costs and reasonable attorney fees incurred by us in obtaining any injunctive or other equitable or legal relief with respect to such conduct or action.
- 17.9. 19. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

- 19.1. It is understood and agreed by the parties that this Franchise Agreement does not create a fiduciary relationship between them, that you will be an independent contractor, and, that nothing in this Franchise Agreement is intended to constitute either party, an agent, legal representative, subsidiary, joint venture, partner, employee, employer, joint employer, enterprise, or servant, of the other, for any purpose whatsoever.
- 19.2. You agree to inform each of your employees and contractors that you alone are their employer, and that we are not. You agree to explain to your employees and contractors the respective roles of a franchisor and franchisee and our relationship with you and your employees. You will use your legal name on all documents for use with employees and contractors, including but not limited to, employment applications, time cards, paychecks, and employment and independent contractor agreements, and will not use the Proprietary Marks on these documents.

- 19.3. During the term of this Franchise Agreement, you will hold yourself out to the public as an independent contractor operating the business pursuant to a franchise from us. You agree to take such action as may be necessary to do so, including, as set forth in Section 9.2., exhibiting a notice of that fact in a conspicuous place at your Approved Location. You further agree to state in all your advertisements and promotional materials (including business cards, order forms, and letterhead) that your Franchised Business is independently owned and operated, using language that we may specify from time to time. You will not hold yourself out as our agent, employee, or co-venturer.
- 19.4. You acknowledge and agree that you are not authorized to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name, and that we will in no event assume liability for, or be deemed liable hereunder as a result of, any such action, nor will we be liable by reason of any act or omission of you in your conduct of your Franchise Business or for any claim or judgment arising therefrom against you or us.
- 19.5. You and each of your owners listed on the Guaranty and Assumption of Obligation that you will, at all times during the term and any renewal terms, and after the termination, or expiration of this Franchise Agreement, indemnify, defend, and hold harmless, to the fullest extent permitted by law, franchisor, its affiliates, and their respective shareholders, directors, officers, employees, agents, representatives, independent contractors, servants, successors, and assignees (the "Indemnified Parties") against, and to reimburse any one or more Indemnified Parties for, all claims, obligations, and damages directly or indirectly arising out of your Franchised Business operation, the business you conduct under this Agreement, or your breach of this Franchise Agreement, including, without limitation: (i) those alleged to be found or to have been caused by the Indemnified Party's negligence, unless (and then only to the extent that) the claims, obligations, or damages are determined to be caused solely by our gross negligence or willful misconduct in a final, un-appealable ruling issued by a court or arbitrator with competent jurisdiction; (ii) the infringement, alleged infringement or any other violation by you, your owners or principals of any patent, mark, copyright, or other proprietary right owned or controlled by third parties due to your unauthorized use of all or any portion of the Proprietary Marks and/or System; (iii) your, or your owners', violation, breach, or asserted violation of any federal, state, or local law, regulation, ruling or industry standard; (iv) any breach or conduct resulting in you breach of your obligations under Sections 1.2, 9.2, 9.3, and/or 13.4 of this Agreement (and the playbooks, rules, manuals and guidelines referenced therein) and/or any other act or omission where you, or your owners may have engaged in libel, slander, or any other form of defamation; and (v) your employment or other contractual relationship with your employees, workers, managers, or independent contractors, including, but not limited to, any allegation, claim, finding, or ruling that we are an employer or joint employer of your employees. Your indemnification obligations do not extend to liabilities caused by our acts or omissions amounting to strict liability or fraud.
- 19.6. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, or otherwise), and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced. Each Indemnified Party may defend any claim against it and agree to settlements or take any other remedial, corrective, or other actions, and such actions will affect your obligation to indemnify pursuant to this Section.
- 19.7. This indemnity will continue in full force and effect subsequent to and notwithstanding this Franchise Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third-party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully, a claim for indemnity under this Section. You agree that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover under this Section.

- 19.8. You will also pay all costs and expenses (including reasonable fees of attorneys and other engaged professionals) incurred by us in successfully enforcing, issuing notices of default, or obtaining any remedy arising from the breach of this Franchise Agreement. The existence of any claims, demands, or actions which you may have against us, whether arising from this Franchise Agreement or otherwise, will not constitute a defense to our enforcement of your, or any your owners, representations, warranties, covenants, agreements, or obligations herein.

20. APPROVALS AND WAIVERS

- 20.1. We make no warranties or guarantees upon which you may rely, and assume no liability or obligation to you, by providing any waiver, approval, consent, or suggestion to you in connection with this Franchise Agreement, or by reason of any neglect, delay, or denial of any request related to this Franchise Agreement. No delay, waiver, omission, or forbearance on the part of us, to exercise any right, option, duty, or power arising out of this Franchise Agreement against you, or any other franchisee, or any breach or default by you, or by any other franchisee, of any of the terms, provisions, or covenants of this Franchise Agreement, and no custom or practice by the parties at variance with the terms hereof, will constitute a waiver by us to enforce any such right, option, or power as, against you, or as to a subsequent breach or default by you. Subsequent acceptance by us of any payments due to us under this Franchise Agreement will not be deemed to be a waiver by us of any preceding or succeeding breach by, or obligations of, you of any terms, covenants, or conditions of this Franchise Agreement. This provision may not apply to franchised businesses located in the State of Washington.
- 20.2. You hereby waive, to the fullest extent permitted by law, any right to, or claim for, any punitive, exemplary, incidental, indirect, special, consequential, or other damages (including, without limitation, loss of profits) against us, our affiliates, and the officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees of each of them, in their corporate and individual capacities, arising out of any cause whatsoever (whether that cause is based on contract, negligence, strict liability, other tort or otherwise), and agrees that in the event of a dispute, you are limited to the recovery of any actual damages sustained by it. If any other term of this Franchise Agreement is found or determined to be unconscionable, or unenforceable for any reason, the foregoing provisions of waiver by agreement of punitive, exemplary, incidental, indirect, special, consequential, or other damages (including, without limitation, loss of profits) continues in full force and effect.

- 21.3. Any required payment or report which we do not actually receive during regular business hours on the date due (or postmarked by postal authorities at least two (2) days before the date due) will be deemed delinquent.

22. ENTIRE AGREEMENT

- 22.1. This Franchise Agreement, together with the Manual, any written related agreements, any state addenda attached to the Franchise Disclosure Document, and any attachments hereto, constitute the entire and complete agreement between you and us concerning the subject matter hereof, and supersede any and all prior agreements. However, nothing in this Franchise Agreement or any related agreement is intended to disclaim our representations made in the Franchise Disclosure Document. Except for those permitted by this Franchise Agreement to be made unilaterally by us, including our right to modify the Manual and System, no amendment, change, or variance from this Franchise Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.
- 22.2. Service Line Enhancements. In the event we develop a new service line, product line, or revenue line (together referred to as "Service Line(s)), we may, in our sole discretion, and prior to you being authorized by us to provide said Service Line(s), require that you enter into a new amendment or agreement which may contain new terms and conditions.

23. SEVERABILITY AND CONSTRUCTION

- 23.1. Except as expressly provided to the contrary herein, each portion, section, part, term, and/or provision of this Franchise Agreement will be considered severable, and if, for any reason, any portion, section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such will not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions hereof as may remain otherwise intelligible, and the latter will continue to be given full force and effect and bind the parties hereto, and the invalid portions, sections, parts, terms, and/or provisions will be deemed not to be a part hereof.
- 23.2. You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law, which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part hereof, that may result from striking from any of the provisions hereof, any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such court order.
- 23.3. Any provision or covenant of this Franchise Agreement which expressly or by its nature imposes obligations beyond the expiration or termination of this Franchise Agreement will survive such expiration or termination.
- 23.4. You acknowledge and agree that we have the right to enter into agreements with other franchisees that may contain provisions, conditions, and obligations that differ from those contained in this Franchise Agreement. The existence of different forms of agreements and the fact that existing or future franchisees may have different rights and obligations will not in any manner eliminate, modify, or affect the duties of the parties to this Franchise Agreement to comply with the terms of this Franchise Agreement.

24. DISPUTE RESOLUTION

- 24.1. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan, without reference to this state's conflict of laws principles.

- 24.2. Internal Dispute Resolution. You must first bring any claim or dispute between you and us to our management, after providing notice as set forth in Section 21 of this Agreement, and make every effort to resolve the dispute internally. You must exhaust this internal dispute resolution procedure before you may bring your dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.
- 24.3. Mediation. At our option, all claims or disputes between Franchisee and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 24.2 above, will be submitted first to mediation to take place in Detroit, Michigan at a location of Franchisor's choice, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 24.3 if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information or other confidential information; (ii) any of the restrictive covenants contained in this Agreement; and (iii) any of Franchisee's payment obligations under this Agreement.
- 24.4. Injunctive Relief. Franchisee acknowledges and agrees that irreparable harm could be caused to Franchisor by Franchisee's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, Franchisor shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to: (i) Franchisee's use of the Proprietary Marks and Confidential Information (including any proprietary software used in connection with the Franchised Business); (ii) the in-term covenant not to compete, as well as any other violations of the restrictive covenants set forth in this Agreement; (iii) Franchisee's obligations on termination or expiration of this Agreement; (iv) disputes and controversies based on or arising under the Lanham Act, or otherwise involving the Proprietary Marks, as now or hereafter amended; (v) disputes and controversies involving enforcement of the Franchisor's rights with respect to confidentiality under this Agreement; and (vi) to prohibit any act or omission by Franchisee or its employees that constitutes a violation of applicable law, threatens Franchisor's franchise system or threatens other franchisees of Franchisor. Franchisee's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Franchisee waives all damage claims if the injunction is wrongfully issued. This provision may not apply to franchised businesses located in the State of Washington.
- 24.5. Venue. Subject to Section 24.3 of this Agreement, the parties agree that any actions arising out of or related to this Agreement must be initiated and litigated to conclusion exclusively in the state court of general jurisdiction closest to Detroit, Michigan, or, if appropriate, the United States District Court for the Eastern District of Michigan (unless settled by the parties after such action is initiated). Franchisee acknowledges that this Agreement has been entered into in the State of Michigan, and that Franchisee is to receive valuable and continuing services emanating from Franchisor's headquarters in Detroit, Michigan, including but not limited

to training, assistance, support and the development of the System. In recognition of such services and their origin, Franchisee hereby irrevocably consents to the personal jurisdiction of the state and federal courts of Michigan as set forth in this Section.

- 24.6. Third Party Beneficiaries. Franchisor's officers, directors, shareholders, agents and/or employees are express third party beneficiaries of the provisions of this Agreement, including the dispute resolution provisions set forth in this Section 24, each having authority to specifically enforce the right to mediate/arbitrate claims asserted against such person(s) by Franchisee.
- 24.7. Notice Requirement. As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchisee must notify Franchisor within ninety (90) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.
- 24.8. No Withholding of Payments. Franchisee shall not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Franchisee under this Agreement or any related agreements.
- 24.9. Limitation of Actions. Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one year after the Franchisee becomes aware of facts or circumstances reasonably indicating that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder. This provision may not apply to franchised businesses located in the State of Washington.
- 24.10. Waiver of Punitive Damages. Franchisee hereby waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that Franchisee's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages. Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages, including lost future royalties for the balance of the term of this Agreement if it is terminated due to Franchisee's default, which the parties agree and acknowledge Franchisor may claim under this Agreement.
- 24.11. WAIVER OF JURY TRIAL. THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES.
- 24.12. WAIVER OF CLASS ACTIONS. THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE FRANCHISED BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY

PROCEEDING BETWEEN FRANCHISEE, FRANCHISEE'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

- 24.13. Exclusive. No right or remedy conferred upon or reserved to us or you hereby are intended to be, nor will be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each will be cumulative of every other right or remedy.
- 24.14. Other Agreements. If any other franchise agreement, or any other agreement between us, or any of our affiliates and you, or any of your affiliates, is terminated, termination will be effective on the date that the other agreement is terminated, unless we provide notice to you otherwise.
- 24.15. We and you agree that the provisions of Section 24 will apply during the term of this Franchise Agreement and following the termination, expiration, or non-renewal of this Franchise Agreement.

**CONFIDENTIALITY AGREEMENT AND
ANCILLARY COVENANTS NOT TO COMPETE (“AGREEMENT”)**
*(For shareholders, officers, directors, general partners, members and managers
as well as key employee of Franchisee.)*

In consideration of my being a _____ of _____ (“Franchisee”), and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby acknowledge and agree that:

1. Pursuant to a Franchise Agreement dated _____, _____ (the “Franchise Agreement”), Franchisee has acquired the right and franchise from Boost Franchise Systems (the “Franchisor”) to establish and operate a Boost Home Healthcare franchised business (the “Franchised Business”). (All capitalized terms not defined herein will have the respective meanings set forth in the Franchise Agreement).
2. Franchisor, as the result of the expenditure of time, skill, effort and resources has developed and owns a distinctive format and system (the “System”) relating to the establishment and operation of Franchised Businesses. Franchised Business possesses certain proprietary and confidential information relating to the operation of the System, which includes certain proprietary trade secrets, methods, techniques, formats specifications, systems, procedures, methods of business practices and management, sales and promotional techniques and knowledge of, and experience in, the operation of the Franchised Business (the “Confidential Information”).
3. Any and all information, knowledge, know-how, and techniques which Franchisor specifically designates as confidential shall be deemed to be Confidential Information for purposes of this Agreement.
4. As _____ of the Franchisee, Franchisor and Franchisee will disclose the Confidential Information to me in furnishing to me training programs, Franchisor’s Manuals, and other general assistance during the term of the Franchise Agreement.
5. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term of the Franchise Agreement, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.
6. The Confidential Information is proprietary, involves trade secrets of Franchisor, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by Franchisor as confidential. Unless Franchisor otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my position with the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.
7. Except as otherwise approved in writing by Franchisor, I shall not, while in my position with the Franchisee, either directly or indirectly for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, or have any interest in any other business that: (A) is substantially similar to the business then engaged or being promoted in by Boost Home Healthcare businesses; or (B) provides any sort of home care, home health, private duty nursing, or senior placement services consulting. I understand that “consulting” includes any business wherein I assist individuals or businesses in obtaining health care licensure, accreditation, certification, or registration; or assist individuals or businesses in the operations or marketing activities related to a home care, home health, physical therapy, occupational therapy, private duty nursing, or senior placement agency. (Collectively, a “Competing Business”); or (C) offers or grants licenses or franchises, or establishes joint ventures, for the ownership or operation of a Competing Business.

8. For a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, or upon the expiration, termination, transfer, or assignment of the Franchise Agreement, whichever occurs first, and continuing for two (2) years thereafter, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation:
 - 8.1. Own, maintain, operate, engage in, act as a consultant for, be employed by, perform services for, or have any interest in any Competitive Business within the Protected Territory (as that term is defined in the Franchise Agreement); or within a seventy-five (75) mile radius of any other Boost Home Healthcare Business that is open or otherwise under development as of the date this Agreement expires or is terminated;
 - 8.2. Directly or indirectly, solicit or attempt to solicit any business from any of Franchisor's or Franchisee's customers, customer prospects, patients, patient prospects referral sources, National Accounts or Approved Suppliers/Vendors with whom I had contact for two (2) years after the termination of my relationship with Franchisor or Franchisee.
 - 8.3. Directly or indirectly, solicit or attempt to solicit any of Franchisor's or Franchisee's other employees, or the employees of other System franchisee to discontinue employment.

The prohibitions in this Section 8 do not apply to my interests in or activities performed in connection with a Franchised Business. This restriction does not apply to my ownership of less than five percent (5%) beneficial interest in the outstanding securities of any publicly held corporation.

9. I agree that I will not make any public statement that is materially disparaging of the business of the Franchisor, or to the business reputation of any of the employees, officers, representatives or agents of the Franchisor or any of the franchisees who are known to you to be franchisees of the Franchisor at the time of any such public statement. Your obligations under this section shall not apply to disclosures required by applicable law, regulation, or order of a court or governmental agency.
10. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.
11. I understand and acknowledge that the failure to insist upon strict compliance with any of the terms, covenants or conditions of this Agreement will not be deemed a waiver of such term, covenant or condition, nor will any waiver or relinquishment of any right or remedy hereunder at any one or more times be deemed a waiver or relinquishment of such right or remedy at any other time or times.
12. I understand and acknowledge that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.
13. Franchisor is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause Franchisor and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or Franchisor may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and Franchisor all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and Franchisor, any claim I have against the Franchisee or Franchisor is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

14. I understand and acknowledge that the rights and remedies of Franchisor under this Agreement are fully assignable and transferable and will inure to the benefit of its respective affiliates, successor and assigns. However, the respective obligations of me or the Franchisee may not be assigned by me or Franchisee without the proper written consent of Franchisor.

15. This Agreement shall be construed under the laws of the State of Michigan. The only way this Agreement can be changed is in writing signed by both the Franchisee and me.

SAMPLE BOOST ACQUISITION PROGRAM ADDENDUM

This Boost Acquisition Program Addendum (“Acquisition Addendum”) is effective as of _____ (“Contract Date”) by and between Boost Franchise Systems, LLC (“we,” “us,” “our,” or “Franchisor”) and _____ (“you,” “your,” or “Franchisee”) (together the “Parties”).

RECITALS

A. The parties have entered contemporaneously with this Addendum into a franchise agreement (the “Franchise Agreement”) for the operation of a Boost Franchise.

B. You want to acquire an independent home health agency (the “Independent Business”) to transition into a Boost Franchise under the Boost Acquisition Program.

C. The Parties agree that any term defined in the Franchise Agreements which are not defined in this Acquisition Addendum will be ascribed the meaning given to it in the Franchise Agreements.

The Parties agree:

AGREEMENT

1. Independent Business Selection. We must approve the Independent Business and you may operate your Boost Franchise within the Protected Territory granted to you under the Franchise Agreement. You acknowledge and agree that, if we recommend or give you information regarding an Independent Business, it is not a representation or warranty of any kind, express or implied, of the business's suitability for a home health agency or any other purpose. Our recommendation indicates only that we believe that the Independent Business meets our then acceptable criteria. Applying criteria that have appeared effective with other businesses might not accurately reflect the potential for all businesses, and demographic and other factors included in or excluded from our criteria could change, altering the potential of a business. The uncertainty and instability of these criteria are beyond our control, and we are not responsible if a business we recommend fails to meet your expectations. You acknowledge and agree that your acceptance of the Franchise and selection of the Independent Business are based on your own independent investigation of the suitability of the business for your Boost Franchise. We recommend that you engage professional advisors, including an accountant and legal counsel, in connection with your acquisition of an Independent Business.

2. Acquisition Assistance Fee. Upon the execution of this Acquisition Addendum, you will pay us a non-refundable \$5,000 Acquisition Assistance Fee.

3. Timing; Initial Franchise Fee Refund. In the event the parties are unable to identify a qualified Independent Business within 12 months of the Contract Date, either party may terminate this Agreement with 14 days written notice after the one-year anniversary of the Contract Date. Upon such termination, we will refund 50% of the actual amount of the initial franchise fee paid if no seller has accepted a letter of intent from you for the acquisition of an Independent Business. As a condition to such refund, you must sign a general release, in a form satisfactory to us, of any and all claims against us.

- a. *Six Month Extension.* If neither party terminates this Acquisition Addendum pursuant to the paragraph above, we retain the entire initial franchise fee and you must, within 18 months of the Contract Date, acquire an Independent Business that we approve. This Agreement shall automatically terminate upon the expiration of such 18-month period if

you do not acquire an Independent Business within such period (with no refund being due).

4. Transition to the Boost System. Within 90 days from the date of the acquisition (the “Transition Period”), you agree, at your expense, to do the following:

- a. Begin to rebrand the Independent Business as a Boost Home Healthcare to the then current brand standards and remove any and all references to the existing business name and its trademarks with any such activities completed within one year of the date of the acquisition;
- b. Notify the proper governmental authorities, including, but not limited to, CMS and state licensing departments, that you are operating under the Boost trademarks;
- c. Modify all internet and social media accounts for the Independent Business as directed by us;
- d. Completely transition any existing technology systems and platforms including, but not limited to, the client management software, to our then current vendors.

5. Post Transition. After the Transition Period, you agree to operate your Franchised Business according to our then current Brand Standards. If you do not complete the transition within the Transition Period, at our election we reserve the right to exclude your participation from programs and services we provide to you. Notwithstanding the previous sentence, your failure to transition your Independent Business within the Transition Period is still a breach of the Franchise Agreement based on which we may exercise our termination rights under Section 15 of the Franchise Agreement.

6. Payment of Amounts Due to Us. Upon your acquisition of the Independent Business, you must immediately commence to pay all fees to us as described in the Franchise Agreement (even if you have not completed the transition process).

7. Training. You must complete our initial training program as described in Section 4.2. Our Responsibilities; Initial Training of the Franchise Agreement before the closing date of your acquisition of an Independent Business.

1.3. any real property now or hereafter owned by the Debtor; and

1.4. all proceeds and products of clauses 1.1 - 1.4 of this definition of Collateral in whatever form, including: cash, deposit accounts (whether or not comprised solely of proceeds), certificates of deposit, insurance proceeds (including hazard, flood and credit insurance), negotiable instruments and other instruments for the payment of money, chattel paper, security agreements, documents, eminent domain proceeds, condemnation proceeds and tort claim proceeds.

2. Continuing Agreement; Prohibitions. This Agreement shall continue in effect as long as the Obligations are outstanding or unpaid, and except as specifically permitted in this Agreement, Debtor shall not sell, assign, transfer, pledge or otherwise dispose of or encumber any Collateral to any third party while this Agreement is in effect without the prior written consent of Secured Party. Except as otherwise defined in this Agreement or the Note, all terms in this Agreement shall have the meanings provided by the Michigan Uniform Commercial Code ("UCC") or any successor laws hereafter enacted.

3. Perfection of Security Interest. By execution of this Agreement, Debtor irrevocably authorizes Secured Party to file financing statements (and amendments thereto) with respect to the Collateral in all jurisdictions that Secured Party deems appropriate or necessary. In addition, Debtor shall execute and deliver to Secured Party, concurrently with Debtors' execution of this Agreement and at any time or times thereafter at the request of Secured Party (and pay the cost of filing or recording same in all public offices deemed necessary by Secured Party), all financing statements, assignments, affidavits, reports, notices, letters of authority and all other documents that Secured Party may reasonably request, in form satisfactory to Secured Party, to grant, perfect and maintain perfected Secured Party's security interest in the Collateral. Upon satisfaction in full in cash of the Obligations, at Debtor's request, Secured Party will promptly file a termination statement terminating each financing statement filed with respect to the Collateral that lists Secured Party as the secured party.

4. Warranties. Debtor warrants and agrees that while any of the Obligations remain outstanding: (a) Debtor is the sole owner of the Collateral free and clear of any lien, security interest, encumbrance, claim, option or right of others except for (i) the security interest in favor of Secured Party created pursuant to this Agreement and (ii) such other liens and encumbrances that the Secured Party approves in writing, and no financing statement other than that of Secured Party is on file covering the Collateral or any of it; (b) Debtor's name, jurisdiction of incorporation or organization, or address shall not be changed without 30 days' prior written notice to Secured Party; (c) Debtor's exact legal name and jurisdiction of incorporation or organization are as set forth on Schedule 1; (d) Debtor further warrants that the Collateral or the execution and delivery of this Agreement, the Note, and all other related documents delivered in connection thereto, shall not violate nor constitute a breach of any agreement or restriction of any type whatsoever to which Debtor is a party or is subject; and (e) Debtor warrants that the Collateral will be maintained and preserved and that any loss or damage to the Collateral will be immediately reported to Secured Party in writing.

5. Insurance; Taxes.

5.1. The Debtor shall maintain usual and customary casualty and liability insurance on the Collateral and the policy or policies that evidence such insurance shall contain a lender loss payable clause in favor of the Secured Party and shall name the Secured Party as an additional insured, as its interest may appear. If any Event of Default (as defined below) has occurred and is continuing, all proceeds paid under any insurance policy of the Debtor shall be paid to the Secured Party for application to the Obligations.

5.2. The Debtor will pay promptly, and within the time that they can be paid without interest or penalty, any taxes, assessments and similar imposts and charges that are now or hereafter may become a lien upon any of the Collateral. If the Debtor fails to pay any such taxes, assessments or other imposts or charges in accordance with this Section, the Secured Party shall have the option to do so and the Debtor

agrees to repay forthwith all amounts so expended by the Secured Party together with interest at the highest rate set forth in the Note.

6. Deposit Accounts. Schedule 2 lists all deposit accounts of the Debtor in which proceeds of any government Accounts are deposited (“Government Accounts”) and Schedule 3 lists all other deposit accounts of the Debtor (“Non-Government Accounts”). The Debtor will (a) cause each bank or other financial institution in which it maintains (i) a Non-Government Account to enter into a control agreement with the Secured Party, in form and substance satisfactory to the Secured Party, in order to give the Secured Party control of the deposit account and (ii) a Government Account to enter into a deposit account instruction services agreement, in form and substance satisfactory to the Secured Party, under which such bank or other financial institution agrees to sweep all funds in the Government Account on a daily basis to an account at which the Secured Party has control and (b) upon the Secured Party’s request after the occurrence and during the continuance of an Event of Default, deliver to each such bank or other financial institution a letter, in form and substance reasonably acceptable to the Secured Party, transferring full rights of dominion and control in any Non-Government Account to the Secured Party until such time as no Event of Default exists. Debtor hereby represents and warrants that it will direct any and all customer receivables and proceeds of government Accounts to be paid into and/or deposited into the accounts listed on Schedules 2 and 3 attached to this Agreement. Any request that accounts into which customer receivables or proceeds of any customer payments are deposited be changed from those listed on Schedules 2 and 3 attached to this Agreement must be consented to by Secured Party in writing. The Debtor represents, warrants, and agrees that the Government Accounts will be used solely and exclusively for the collection of proceeds of government Accounts of the Debtor.

7. Special Rights Regarding Accounts. The Secured Party or any of its agents may, at any time and from time to time during the existence and continuance of any Event of Default, verify, directly with each person which owes any Accounts to the Debtor (collectively, the “Obligors”), the Accounts in any reasonable manner. The Secured Party or any of its agents may, at any time from time to time after and during the continuance of an Event of Default, notify the Obligors of the security interest of the Secured Party in the Collateral and/or direct such Obligors that all payments in connection with such obligations and the Collateral be made directly to the Secured Party in the Secured Party’s name. If the Secured Party or any of its agents shall collect such obligations directly from the Obligors, the Secured Party or any of its agents shall have the right to resolve any disputes relating to goods or services directly with the Obligors in such manner and on such terms as the Secured Party or any of its agents shall deem appropriate. The Debtor directs and authorizes any and all of its present and future Obligors to comply with requests for information from the Secured Party, the Secured Party’s designees and agents and/or auditors, relating to any and all business transactions between the Debtor and the Obligors. The Debtor further directs and authorizes all of its Obligors upon receiving a notice or request sent by the Secured Party or the Secured Party’s agents or designees to pay directly to the Secured Party any and all sums of money or proceeds now or hereafter owing by the Obligors to the Debtor, and any such payment shall act as a discharge of any debt of such Obligor to the Debtor in the same manner as if such payment had been made directly to the Debtor. The Debtor agrees to take any and all action as the Secured Party may reasonably request to assist the Secured Party in exercising the rights described in this Section.

8. Sale, Collections, Remedies, Etc.

8.1. Unless a Default occurs or Debtor defaults on any of the Obligations (an “Event of Default”), Secured Party authorizes and permits Debtor to exercise all of its lawful rights relating to the Collateral. If an Event of Default exists and is continuing hereunder, all of Debtor’s lawful rights relating to the Collateral shall immediately revert to Secured Party during the existence of any Event of Default.

8.2. Until the occurrence of an Event of Default and until such time as Secured Party shall notify Debtor, of the revocation of such power and authority, Debtor may, at its own expense, endeavor to collect, as and when due all amounts due with respect to any of the Collateral.

8.3. Upon the occurrence of an Event of Default, Secured Party may exercise any and all of its rights as set forth in this Agreement, the other Loan Documents, and under applicable laws.

8.4. Upon the occurrence and during the continuance of any Event of Default, the Secured Party shall have and may exercise any one or more of the rights and remedies provided to it under this Agreement or any of the other Loan Documents or provided by law, including but not limited to all of the rights and remedies of a secured party under the UCC or other applicable law, and the Debtor hereby agrees to assemble the Collateral and make it available to the Secured Party at a place to be designated by the Secured Party which is reasonably convenient to both parties, authorize the Secured Party to take possession of the Collateral with or without demand and in accordance with applicable law and to sell and dispose of the same at a public or private sale and to apply the proceeds of such sale to the costs and expenses thereof (including reasonable and documented attorneys' fees and disbursements, incurred by the Secured Party) and then to the payment and satisfaction of the Obligations. Any requirement of reasonable notice shall be met if the Secured Party sends such notice to the Debtor, by registered or certified mail, at least 10 days prior to the date of sale, disposition or other event giving rise to a required notice. The Secured Party may be the purchaser at any such sale. The Debtor expressly authorizes such sale or sales of the Collateral in advance of and to the exclusion of any sale or sales of or other realization upon any other collateral securing the Obligations. The Secured Party shall have no obligation to preserve rights against prior parties, and the Secured Party shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Debtor hereby waives as to the Secured Party any right of subrogation or marshaling of such Collateral and any other collateral for the Obligations. To this end, the Debtor hereby expressly agrees that any such collateral or other security of the Debtor or any other party which the Secured Party may hold, or which may come to its possession, may be dealt with in all respects and particulars as though this Agreement were not in existence. The parties hereto further agree that public sale of the Collateral by auction conducted in any county in which any Collateral is located or in which the Secured Party or the Debtor does business after advertisement of the time and place thereof shall, among other manners of public and private sale, be deemed to be a commercially reasonable disposition of the Collateral. The Debtor shall be liable for any deficiency remaining after disposition of the Collateral. The Secured Party may comply with any applicable law requirements in connection with a disposition of the Collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. The Secured Party may specifically disclaim any warranties of title or the like. If the Secured Party sells any of the Collateral upon credit, the Debtor will be credited only with payments actually made by the purchaser, received by the Secured Party and applied to the indebtedness of such purchaser. In the event any such purchaser fails to pay for the Collateral, the Secured Party may resell the collateral and the Debtor shall be credited with the proceeds of sale. The Debtor shall reimburse the Secured Party, on demand, for any costs, expenses, and reasonable attorneys' fees that are incurred by the Secured Party in the protection, maintenance, and liquidation of the Collateral or the enforcement of the Secured Party's rights and remedies under this Agreement or the other Loan Documents.

9. Information. Debtor agrees to supply to Secured Party such information concerning the status of any Collateral as Secured Party, from time to time, may reasonably request. The Debtor shall also take such further action, and deliver such additional information, as the Secured Party may reasonably request from time to time in order to give the Secured Party the full benefit of this Agreement and to give full force and effect to the security interest granted hereunder (including, without limitation, reasonably detailed descriptions of any assets owned by the Debtor).

10. Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be given according to the Franchise Agreement.

11. Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

12. Severability. If any term or provision of this Agreement or any other Loan Document is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not

affect any other term or provision of this Agreement or such other Loan Document or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify the Agreement or the other Loan Document so as to affect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

13. Entire Agreement. This Agreement and the documents to be delivered hereunder constitute the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. The Note, the Franchise Agreement, and any schedules or exhibits to this Agreement are integral parts of this Agreement and are incorporated by reference herein.

14. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. The Debtor may not assign any of its rights, duties, or obligations under this Agreement to any person without the Secured Party's prior written consent. The Secured Party may assign any of its rights or duties under this Agreement without notice to or consent of the Debtor. No assignment shall relieve the assigning party of any of its obligations hereunder.

15. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

16. Amendment and Modification. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto.

17. Waiver. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

18. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Michigan without giving effect to any choice or conflict of law provision or rule. Debtor hereby consents to the exclusive jurisdiction of a Michigan state court located in Oakland County, Michigan or the United States District Court for the Eastern District of Michigan for actions arising out of or related to this Agreement.

19. Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this Agreement or the transactions contemplated hereby.

20. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by e-mail shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

- f. may not request KanTime to use or disclose PHI in any manner that would not be permissible under HIPAA or other Federal or State Law;

- g. is and will remain in compliance with all applicable Federal, State, and Local Laws, including but not limited to fraud and abuse laws, and will not request, require, or influence KanTime to violate any applicable law; and
- h. will indemnify and hold harmless KanTime from and against all claims, demands, liabilities, judgments, or causes of any nature for any relief, elements of recovery, or damages recognized by law (including, without limitation, attorney's fees, defense costs, and equitable relief) for any damage or loss incurred by KanTime arising out of, resulting from, or attributable to any acts or omissions or other conduct Franchisee or its agents or subcontractors in connection with the Agreement, this Business Associate Agreement, or another contract, and/or any violation of law by Franchisee or its agents or subcontractors. This obligation will survive the termination of this Business Associate Agreement.

4. Term and Termination

- a. The term of this Business Associate Agreement will be effective as of the date the Agreement is effective, and will terminate when all of the PHI provided by Franchisee to KanTime, or created or received by KanTime on behalf of Franchisee, is destroyed or returned to Franchisee. However, with respect to any PHI that cannot feasibly be returned or destroyed, the protections of this Business Associate Agreement will be extended to such PHI in accordance with the termination provisions in Section 4(c)(ii).
- b. Notwithstanding anything in this Business Associate Agreement to the contrary, upon Franchisee's knowledge of a material breach or violation of Business Associate Agreement by KanTime, Franchisee will:
 - i. notify KanTime of such perceived breach and provide a reasonable opportunity of not less than 30 calendar days for KanTime to cure the breach or end the violation of this Business Associate Agreement and then, if KanTime does not cure the breach or end the violation of this Business Associate Agreement within thirty (30) days, terminate this Business Associate Agreement; or
 - ii. immediately terminate this Business Associate Agreement if KanTime has breached a material term of this Business Associate Agreement and KanTime agrees a cure is not possible.
- c. Effect of Termination
 - i. Except as provided in Section 4(c)(ii), upon termination of this Business Associate Agreement for any reason, KanTime will, if feasible:
 - 1. return or destroy all PHI received from Franchisee or created or received by KanTime on behalf of Franchisee; and
 - 2. not retain any copies of the PHI
 - ii. If KanTime determines that the return or destruction of any particular PHI is infeasible, KanTime will extend the protections of this Business Associate Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as KanTime maintains such PHI.

5. General Purposes for which Protected Health Information may be Used or Disclosed

- a. KanTime may use or disclose PHI for the purpose of performing KanTime's obligations under the Agreement. Except as otherwise provided in this Business Associate Agreement, KanTime may use or disclose PHI to perform functions, activities, or services for or on behalf of Franchisee if such use or disclosure by KanTime complies with the Privacy Rule and if such use or disclosure of PHI would not violate the requirements of Subpart E of 45 C.F.R. Part 164 if done by Franchisee. KanTime may use or disclose PHI to provide data aggregation services relating to the health care operations of Franchisee. KanTime may use PHI received by KanTime in its capacity as a business associate to Franchisee as necessary for the proper management and administration of KanTime or to

carry out the legal responsibilities of KanTime. KanTime may disclose PHI received by KanTime in its capacity as a business associate to Franchisee for the proper management and administration of KanTime or to carry out the legal responsibilities of KanTime if:

- b. the disclosure is Required By Law; or
- c. KanTime obtains reasonable assurances from any person or entity to whom PHI is disclosed that:
 - i. the PHI will be held confidential and further used and disclosed only as Required By Law or for the purposes for which it was disclosed to the person or entity, and
 - ii. the person or entity will notify KanTime of any instances of which it is aware in which confidentiality of the PHI has been breached.

6. Notice of Privacy Practices

- a. KanTime agrees that it will abide by the limitations of any Notice published by Franchisee of which it has knowledge. Any use or disclosure permitted by this Business Associate Agreement may be amended by changes to Franchisee's Notice if Franchisee specifically informs KanTime of the amendment; provided, however, that the amended Notice will not affect permitted uses and disclosures on which KanTime relied prior to receiving notice of such amended Notice from Franchisee.

7. Withdrawal of Authorization

- a. If the use or disclosure of PHI is based upon an individual's specific authorization for the use of his or her PHI, and the individual revokes such authorization in writing, or the effective date of such authorization has expired, or the authorization is found to be defective in any manner that renders it invalid, then KanTime agrees, if it has notice of such revocation or invalidity, to cease the use and disclosure of any such individual's PHI except to the extent it has relied on such use or disclosure, or where an exception under HIPAA expressly applies.

8. Third Party Rights and Assignment and Delegation of Duties

- a. The terms of this Business Associate Agreement are not intended nor should they be construed to grant any rights to parties other than KanTime and Franchisee. However, this Business Associate Agreement is binding upon and inures to the benefits of the parties hereto and their respective successors and assigns.

9. Applicable Law and Forum

- a. This Business Associate Agreement will be interpreted and construed in accordance with the laws of the state of Texas.

10. Amendments

- a. Any amendment to this Business Associate Agreement will not be binding on either of the parties to this Business Associate Agreement, unless such amendment is in writing and executed by both parties hereto. Notwithstanding anything in this Business Associate Agreement to the contrary, the parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time to comply with the requirements of HIPAA and other applicable federal and state confidentiality, privacy, and security laws.

11. Notices

- a. Any notices required or permitted under this Business Associate Agreement must be in

writing and delivered in person or sent by registered or certified mail, return receipt requested, proper postage prepaid, properly addressed to the address of the addressee set forth above or to such other more recent address of the addressee of which the sending party has received written notice. Notices will be deemed received when delivered in person or when electronic confirmation is received to confirm such receipt.

12. Authority

- a. Each party has full power and authority to enter into and perform this Business Associate Agreement, and the person signing this Business Associate Agreement on behalf of each party has been properly authorized and empowered to enter into this Business Associate Agreement.

13. Requests for PHI

- a. Either party will immediately notify the other party in writing and provide the other party with a copy, of any subpoena or other discovery request or any judicial, governmental, or administrative order requesting or requiring the party to disclose PHI that may be held by or on behalf of the other party pursuant to this Business Associate Agreement, unless prohibited by an applicable law or if requested to refrain from doing so by law enforcement or other governmental authority.

14. Interpretation of this Contract in Relation to Other Contracts between Parties

- a. Should there be any conflict between the language of this Business Associate Agreement and any other contract entered into between the parties, including the Agreement (either previous or subsequent to the date of this Business Associate Agreement), regarding the subject matter of this Business Associate Agreement, the language and provisions of this Business Associate Agreement will control and prevail unless the parties specifically refer in a subsequent written agreement to this Business Associate Agreement by its title and date and specifically state that the provisions of a later written agreement will control over this Business Associate Agreement.

15. De-identified Information

- a. KanTime may de-identify PHI obtained by KanTime under this Business Associate Agreement in compliance with 45 C.F.R. § 164.502(d) and 45 C.F.R. § 164.514(a) and (b). Pursuant to 45 C.F.R. § 164.502(d)(2), de-identified information does not constitute PHI and is not subject to the terms of this Business Associate Agreement.

16. Data Use

- a. KanTime may use and disclose PHI obtained by KanTime under this Business Associate Agreement to create a limited data set without any of the identifiers listed in 45 C.F.R. § 164.514(e) ("Limited Data Set") for research, public health, and health care operations purposes. KanTime may not use or further disclose a Limited Data Set for any other purpose, except as may otherwise be Required By Law. KanTime must use appropriate safeguards to prevent use or disclosure of Limited Data Set other than as provided for herein. KanTime must report to Franchisee any use or disclosure of a Limited Data Set not provided for herein of which KanTime becomes aware. KanTime must ensure that any agents to whom KanTime provides a Limited Data Set agree to the same restrictions and conditions that apply to KanTime with respect to such information. KanTime may disclose a Limited Data Set to any recipient that agrees to the same restrictions and conditions that apply to KanTime with respect to such information. With respect to any

particular Limited Data Set, KanTime will not use the Limited Data Set in such a way as to identify any individual whose data is incorporated in the Limited Data Set or to contact any such individual.

17. Changes in the Law

- a. If (i) there is a change in any law, regulation, or rule that affects this Business Associate Agreement, the activities of either party under this Business Associate Agreement, or the relationship of the parties, or any change in the judicial or administrative interpretation of any such law, regulation, or rule, or any of the provisions of this Business Associate Agreement are found to be in violation of any such law, regulation, or rule; and (ii) either party reasonably believes in good faith that the change, interpretation, or determination will have a substantial adverse effect on that party's business operations, then the party may, upon written notice, require the other party to enter into good faith negotiations to renegotiate the terms of this Business Associate Agreement and to take any necessary action to maintain compliance with such laws, rules, or regulations. If the parties are unable to reach an agreement concerning the modification of this Business Associate Agreement within the earlier of 45 calendar days after the date of notice seeking renegotiation or the effective date of the change, then either party may immediately terminate this Business Associate Agreement effective upon notice to the other party.

18. Ambiguity

- a. Any ambiguity in this Business Associate Agreement will be resolved to permit Franchisee and KanTime to comply with HIPAA.

19. Arbitration

- a. Any controversy or claim arising out of this Business Associate Agreement, or the breach thereof, will be settled by arbitration in accordance with the Rules of Commercial Arbitration of the American Arbitration Association, and judgment upon the award rendered by the arbitration may be entered in any court having jurisdiction thereof. The arbitration agreement set forth herein will not limit a court from granting a temporary restraining order or preliminary injunction in order to preserve the status quo of the parties pending arbitration. Further, the arbitrator(s) will have power to enter such orders by way of interim award, and they will be enforceable in court. The place of such arbitration will be in San Jose, California.

20. Entire Agreement

- a. This Business Associate Agreement, together with all schedules, exhibits, addenda, and amendments hereto, if applicable, that are fully completed and signed by authorized persons on behalf of both Franchisee and KanTime from time to time while this Business Associate Agreement is in effect, constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all previous written or oral understandings, agreements, negotiations, commitments, and any other writing and communication by or between the parties with respect to the subject matter hereof.

21. Severability

- a. The provisions of this Business Associate Agreement will be severable, and if any provision of this Business Associate Agreement is held or declared to be illegal, invalid, or unenforceable, the remainder of this Business Associate Agreement will continue in full force and effect as though such illegal, invalid, or unenforceable provision had not

been contained herein.

22. Regulatory References

- a. A citation in this Business Associate Agreement to the Code of Federal Regulations (C.F.R.) means the cited section as that section may be amended from time to time.

23. Counterparts

- a. This Business Associate Agreement may be signed in counterparts, each one of which is considered an original, but all of which constitute one and the same instrument.

The parties have executed this Business Associate Agreement effective as of the date first above written.

During the term of this Power of Attorney and regardless of whether Franchisee has designated any other person to act as its attorney-in-fact and agent, no person, firm or corporation dealing with Franchisor is required to ascertain the authority of Franchisor, nor to see to the performance of the agency, nor be responsible in any way for the proper application of funds or property paid or delivered to Franchisor. MINNESOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

State Cover Page and Item 17, Additional Disclosures:

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside of Minnesota, requiring waiver of a jury trial or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document shall abrogate or reduce any of your rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

Franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. A court will determine if a bond is required.

Item 13, Additional Disclosures:

The Minnesota Department of Commerce requires that a franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the franchisor's trademark infringes upon the trademark rights of the third party. The franchisor does not indemnify against the consequences of a franchisee's use of a franchisor's trademark except in accordance with the requirements of the franchise agreement, and as the condition to an indemnification, the franchisee must provide notice to the franchisor of any such claim immediately and tender the defense of the claim to the franchisor. If the franchisor accepts tender of defense, the franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Item 17, Additional Disclosures:

Any condition, stipulation or provision, including any choice of law provision, purporting to bind any person who, at the time of acquiring a franchise is a resident of the State of Minnesota or in the case of a partnership or corporation, organized or incorporated under the laws of the State of Minnesota, or purporting to bind a person acquiring any franchise to be operated in the State of Minnesota to waive compliance or which has the effect of waiving compliance with any provision of the Minnesota Franchise Law is void.

We will comply with Minn. Stat. Sec. 80C.14, subds. 3, 4 and 5, which requires, except in certain specified cases, that a franchisee be given 90 days notice of termination (with 60 days to cure), 180 days notice for nonrenewal of the Franchise Agreement, and that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota Rule 2860.4400D prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§80C.01 – 80C.22.

The limitations of claims section must comply with Minn. Stat. Sec. 80C.17, subd. 5.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance of any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

MINNESOTA ADDENDUM TO FRANCHISE AGREEMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

1. Notwithstanding anything to the contrary contained in the Franchise Agreement, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 4 which requires that except for certain specified cases, that franchisee be given 180 days' notice for non-renewal of this Franchise Agreement.

The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.

Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance of any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

IN WITNESS WHEREOF, the undersigned have executed this Addendum as of the date Franchisor signs below.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

IN WITNESS WHEREOF, the undersigned have executed this Addendum as of the date Franchisor signs below.
