What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, which requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve most disputes with the franchisor by arbitration only in Collin County, Texas. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Texas than in your own state.
2. You and any person who owns more than five percent (5.00%) of a franchisee entity must sign a guaranty making each person jointly and independently liable for the franchisee's financial and performance obligations to the franchisor. The guaranty may place your personal assets at risk if your franchise fails. Your spouse and the spouse of any person who owns more than five percent (5.00%) of a franchisee entity must sign a joinder to this personal guaranty. This joinder may place your spouse's jointly held property and marital assets at risk if your franchise fails.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
4. There may be other risks concerning this franchise.

NOTICE REQUIRED
BY
STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the Franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00 the Franchisee may request the Franchisor to arrange for the escrow of initial investment and other funds paid by the Franchisee until the obligations, if any, of the Franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the Franchisor, a surety bond may be provided in place of escrow.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, Williams Building, 1st Floor, 525 W. Ottawa Street, Lansing, MI 48909, (517) 373-1110.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, ITS PREDECESSORS AND AFFILIATES

In this Disclosure Document, the words “we,” “our,” “us” and “European Wax Center” each refer to EWC Franchisor LLC, the franchisor. “You” and “your” refer to the person who buys the franchise, also called the franchisee. A person in this Disclosure Document means an individual or a legally recognized entity, such as a corporation, limited liability company or other business entity. Certain provisions of the franchise agreement apply to your owners and are noted in this Disclosure Document.

The Franchisor

We are a Delaware limited liability company formed on February 10, 2022. Our principal business address is Granite Park V, 5830 Granite Parkway, Suite 300, Plano, Texas 75024. We officially relocated our headquarters from Hallandale Beach, Florida in December 2019/January 2020. We operate under our company name and the trademarks described in Item 13. As described below, through our affiliated predecessors as franchisor, we have offered European Wax Center franchises since 2006. We have not offered franchises in any other line of business, have never operated a European Wax Center location, and have no other business activities. Exhibit I lists the names of all European Wax Center franchises in operation as of April 10, 2023, as well as the addresses and telephone numbers of such European Wax Centers franchises.

Parents and Predecessors of Franchisor

We are a direct, wholly owned subsidiary of EWC Master Issuer LLC, which, in turn, is a direct wholly owned subsidiary of EWC Holding Guarantor LLC. We, EWC Master Issuer LLC, and EWC Holding Guarantor LLC, were each organized as part of the secured financing transaction described below (the “Securitization Transaction”) and are wholly owned subsidiaries of EW Holdco, LLC, which, in turn, is an indirect, wholly owned subsidiary of EWC Ventures, LLC (our Manager), which is a direct subsidiary of European Wax Center, Inc., our ultimate parent company. EW Holdco, LLC is also an indirect parent company of our affiliate and immediate predecessor as franchisor, EWC Franchise, LLC (“EWC Franchise”). EWC Franchise was the franchisor of the European Wax Center franchise system from March 2013 until the closing of the Securitization Transaction in April 2022. EWC Franchise Group, Inc. (“EWC Franchise Group”), EWC Franchise’s predecessor as franchisor, began offering European Wax Center franchises in 2006. As part of a corporate restructuring in March 2013, EWC Franchise merged with EWC Franchise Group, assuming all of EWC Franchise Group’s assets, liabilities, and other rights and obligations as the franchisor of the European Wax Center franchise system. As described below, we assumed all of EWC Franchise’s assets, liabilities, and other rights and obligations as the franchisor of the European Wax Center franchise system in connection with the Securitization Transaction. All of these EWC entities share our principal business address.

EWC Franchise Group also offered a second franchise program in this line of business for area representatives to solicit prospective European Wax Center franchisees and provide pre-opening and ongoing support to franchisees in a territory we mutually select. EWC Franchise Group offered area representative franchises beginning in 2008. In 2019, we began formally repurchasing area representatives’ regions and stopped offering new area representative agreements. Following the merger between EWC Franchise Group and EWC Franchise in March 2013, EWC Franchise continued offering these franchises using a separate Disclosure Document. We are not offering an area representative franchise in this Disclosure Document. From 2019 to 2022, we engaged in early buyouts of our former area representatives. We now support these regions directly.

Except as described above, we do not offer franchises in any other line of business.

We operate the Internet site waxcenter.com, which sells European Wax Center and third-party products via the Internet. We established a pop-up e-commerce site in April 2020, which we transitioned to a permanent online store on August 13, 2020.

Securitization Transaction

As noted above, we, EWC Master Issuer LLC, and EWC Holding Guarantor LLC were organized as part of the Securitization Transaction. In connection with the Securitization Transaction, all existing U.S. franchise, and

related agreements for European Wax Center locations in the U.S. were transferred to us, and we became the franchisor for all existing and future franchise and related agreements. Ownership and control of all U.S. trademark registrations and certain other intellectual property relating the operation of European Wax Center locations in the U.S. also were transferred to us.

As of the closing of the Securitization Transaction, EWC Franchise (our immediate predecessor as franchisor) assigned all existing franchise and related agreements to us, and we assumed all responsibilities and obligations of the franchisor under such agreements. As part of the Securitization Transaction, we and our indirect parent entity, EWC Ventures, LLC, entered into a management agreement, whereby EWC Ventures, LLC agreed to provide all required support and services to European Wax Center franchisees under the franchise agreements. Our affiliates, as well as our manager (EWC Ventures, LLC), may from time to time perform services or provide support to the franchise system on our behalf, but, as the franchisor, we are ultimately responsible and accountable to you for ensuring that all services we promise to perform under your Franchise Agreement or other agreement signed with us are performed in compliance with the applicable agreement, regardless of who actually performs these services on our behalf.

The Franchise Being Offered

You will operate a retail business that provides high-end facial and body waxing, related hair removal and skin care services, as well as other related products and services. We refer to this business in this Disclosure Document as the franchise or the franchised center (“Franchised Center”).

A European Wax Center franchise entitles you to operate one European Wax Center business at an approved location. Each Franchise Agreement gives you the right to own and operate a single European Wax Center at a specific location. You must sign our current form of Franchise Agreement at the time for each European Wax Center you open. If you are renewing your franchise because its term is about to expire, you also will sign a Renewal Process Agreement (Exhibit K) which generally modifies certain provisions in our standard Franchise Agreement. The version of Renewal Process Agreement you will sign depends on your particular circumstances. Typically, a prospective franchisee sends us a personal profile and application setting forth personal, financial, business, and other information on the prospective franchisee and its owners. You must operate your European Wax Center under the business system and operating procedures developed for the European Wax Center system, as described in our Operations Manual. Franchisees must use our proprietary products and buy them from the European Wax Center system’s designated suppliers.

You must pay a one-time fee, which is called the Franchise Fee, for us to grant you a franchise. You must operate the Franchised Center in the designated area that we agree on in our franchise agreement. A copy of the form franchise agreement is included in this Disclosure Document as Exhibit C. You will need about 1,200 to 1,600 square feet of retail space to establish and operate your franchised center.

Your Franchised Center will do business under the trade name, EUROPEAN WAX CENTER® and will use our other related service marks, trademarks or logos (our “Marks”). You will also operate the Franchised Center based on our standards, methods, procedures and specifications, called our “System.” You will find our franchise System described through a number of manuals, user guides, e-learning materials and other informational documents that we may make available to you from time to time. These manuals and other informational documents and materials are generally made available to you through our protected intranet and through other periodic communications and are collectively referred to in this Disclosure Document and the franchise agreement as our “Confidential Operations Manual.” We provide you temporary access to our protected intranet and our Confidential Operations Manual only while you remain a franchisee of our System. You will not have any rights to our information after the expiration or termination of your franchise rights. We may modify our Confidential Operations Manual and our System, subject to the terms of your franchise agreement, from time to time through the course of your franchise relationship. Our franchise System includes the look and feel of the Franchised Center, the items and services you offer, the manner for displaying items, as well as the techniques and processes to help conduct and promote the business. Our franchise System is designed to provide a consistent guest experience at European Wax Center even though each franchise is independently owned and operated. By agreeing to operate the Franchised Center, you agree to abide by and uphold the franchise System we use to operate our franchise-wide System and your Franchised Center, as it may be updated from time to time.

Development Agreement

If you are approved to develop three or more new franchised European Wax Centers, you will be offered and must sign our current form of Multi-Unit Development Agreement (“Development Agreement”). A copy of the form of Development Agreement is included in this Disclosure Document as Exhibit D. The Development Agreement authorizes you to develop three (3) or more Franchised Centers at approved locations within the designated area that we agree on in our Development Agreement. Under the Development Agreement, you will be required to develop and open each Franchised Center in accordance with a development schedule which will set forth specific time frames to open each Franchised Center. You must sign our then-current form of Franchise Agreement for each Franchised Center that you commit to develop under the Multi-Unit Development Agreement, which may contain terms that are substantially different from those within our current form of Franchise Agreement included in this Disclosure Document.

You must pay a Development Fee for us to grant you the development rights equal to the amount of the full Franchise Fee for the first Franchised Center to be developed under the Development Agreement, plus a fifty percent (50.00%) on the Franchise Fee for each of the second through tenth Franchised Centers that you commit to develop under the Development Agreement (as applicable). The Development Fee is deemed to have been earned by us upon execution of the Development Agreement, and you shall not be entitled to a refund of the Development Fee (or any portion thereof) under any circumstances, as described in Item 5.

Each corporate center affiliate operates a European Wax Center of the type described in this Disclosure Document.

You do not receive an ownership interest in us or our affiliates should we at our sole discretion elect to grant you a franchise.

None of our affiliated entities have conducted business in any other line of business or offered franchises in any other line of business.

General Description of the Market and Competition

Your European Wax Center franchise competes in the beauty and salon industry. The market is developed and very competitive. Your Franchised Center will compete for the discretionary income of consumers. You may have to compete with other businesses offering services and products similar to those that we offer, including other European Wax Center locations in your area, other franchise concepts, national chains, health clubs, spas, beauty salons, beauty parlors, beauty supply stores, e-commerce (Internet) businesses, secondary online markets (*e.g.*, Amazon, eBay) and other independently owned companies.

You may be subjected to intermittent periods of business inactivity depending on where you choose to locate your Franchised Center. Increasing labor costs due to rising minimum wage thresholds and requirements to provide employee benefits is also providing additional risk to our industry. European Wax Center locations provide intimate services to guests, therefore there are risks related to claims of sexual harassment and other inappropriate conduct by your associates. You will face other business risks that may adversely affect your franchise, including employee turnover, pricing and compensation policies of competitors, changes to laws or regulations, new technologies and hair removal concepts and restrictions and limitations on services and supply sources. You may also face lawsuits from the operations of the Franchised Center. The lawsuits you face may include premise liability, discrimination and wrongful termination, wage and hour disputes and negligence or other personal injury claims related to performance of the services as well as others. These risks are speculative and we cannot predict when and if they occur. You should speak with an attorney or other legal advisor to discuss potential risks in operating this type of business.

In our Franchise Agreement, we reserve the right to sell products whether or not authorized for use in franchised European Wax Centers and using the Marks or similar brands, through any channel of distribution, including through the Internet, mobile applications, and catalogue sales. We own and operate the Internet site waxcenter.com. This Internet site will enable customers to purchase products that may be currently available in franchised European Wax Centers.

Regulations Specific to the Industry

Most states have laws and regulations requiring licensed aestheticians to perform waxing services. Some states have laws and regulations that restrict the types of services and treatments aestheticians can offer. Some states may also have laws related to the minimum age for customers (we refer to as guests) receiving these types of services, including intimate services. You must also comply with all applicable federal, state, and local occupational safety and health administration and safety regulations, as well as those related to workplace practices in general. As a retail business, you must understand consumer protection laws. Advertising and marketing are also heavily regulated and require compliance with laws and other rules at federal, state and even local levels, including those set by the Federal Trade Commission.

In addition, our System currently offers guests with the ability to purchase pre-paid packages or other forms of memberships. Some states have laws regulating the sale of pre-paid packages and/or membership plans and the offering of financing arrangements used in purchasing these plans, which may require registration and acquisition of a permit to engage in such activity, and may require you to provide certain retail installment contractual terms to the customers on the sale of these packages using payment plans. These laws are designed to protect the public from being taken advantage of with respect to financing fees and terms, but some laws apply even if no such financing terms are applicable.

We offer gift cards and wax passes, where you will collect funds for items that may or may not be redeemed at a later date. Some states require health clubs that sell memberships to get bonded in order to receive a license to operate a health club facility. We are unaware of any states that require bonding for an operation of a European Wax Center due to the sale of pre-paid packages, however you should speak with your legal advisors to confirm whether you need to be bonded to operate. Bonding is designed to protect consumers who pre-sell their services and may go out of business. We may require that you obtain similar surety bonds or other assurances to secure liabilities under our wax passes if you were to go out of business. You should also understand the laws and regulations regarding abandonment of property which may be triggered if these items are not timely redeemed (typically referred to as escheatment laws).

Your European Wax Center operations may be impacted by applicable laws, rules, and regulations of federal, state, and local government authorities. You must investigate and comply with all applicable laws and regulations. You must ensure that only licensed professionals perform waxing services or other services for which a license is required. You are advised to examine and familiarize yourself with all applicable laws before you enter into a relationship with us. You should also consult your legal advisors about what laws with which you will need to comply in connection with operation of the Franchised Center. We are not attorneys and neither we nor our attorneys offer legal advice about the laws with which you must comply in connection with the operation of your Franchised Center.

ITEM 3. LITIGATION

Pending Actions:

DOC Development, LLC v. EWC Franchise, LLC, American Arbitration Association, Miami Division, Case 01-18-0001-3161, Filed March 29, 2018.

Plaintiff, a former European Wax Center area representative, filed a demand for arbitration following our termination of its area representative agreement alleging (i) breach of contract, (ii) breach of the covenant of good faith and fair dealing, (iii) breach of a side agreement, (iv) unjust enrichment, (v) promissory estoppel/equitable estoppel (vi) wrongful termination, (vii) tortious interference and (viii) conversion related to the termination of its area representative agreement. Plaintiff alleged that European Wax Center breached its covenant of good faith and fair dealing by terminating its area representative agreement without a bona-fide basis, based on false accusations and without substantiated written notice of deficiency and opportunity to cure. In an arbitration decision dated October 16, 2019, the arbitrator found that European Wax Center was the prevailing party on all issues of liability and is entitled to remuneration of certain legal fees and other costs. Plaintiff filed a motion to vacate this award. We filed a petition to confirm the award, and the United States District Court for the Southern District of Florida (the "Court") confirmed this award on July 17, 2020. Plaintiff's motion to vacate the award was denied and our additional motion for attorneys' fees related to these motions was also granted on the same date. On January 13, 2021, The Court entered a final judgment and order awarding to us our fees and costs associated with the post-arbitration motions. On February

3, 2021, we commenced a civil action in the Court against George Y. Lohmann and DOC Marketing, LLC, to recover the arbitration award and related costs and fees pursuant to a guaranty signed by them in support of all financial obligations of DOC Development, LLC. We have also domesticated in the State of Texas the judgments from the Court referenced above and have commenced collection actions against DOC Development, LLC. We are currently in the discovery phase of our collection actions against DOC Development, LLC.

Prior Actions:

DOC Development, LLC v. EWC Franchise Group, Inc., Case No. 1:18-cv-21092-XXXX (United States District Court Southern District of Florida Miami Division, Filed March 22, 2018).

Prior to its demand for arbitration, Plaintiff filed a complaint seeking an injunction from terminating its area representative agreement. Plaintiff alleged breach of contract and the covenant of good faith and fair dealing in seeking injunctive relief. Plaintiff alleged that European Wax Center breached its covenant of good faith and fair dealing by terminating its area representative agreement without a bona-fide basis, based on false accusations and without substantiated written notice of deficiency and opportunity to cure. The court ruled in our favor and denied the injunction.

Margaret Budde, Lead Plaintiff, and Daniel Ream, Individually and On Behalf of All Others Similarly Situated, v. Global Power Equipment Group, Inc., Raymond K. Guba, Luis Manuel Ramirez, and David L. Willis, Civil Action No.: 3:15-CV-1679-M (United States District Court For The Northern District Of Texas, Dallas Division, Filed May 13, 2015).

Plaintiffs filed a complaint for violations of the Federal Securities Laws against Global Power Equipment Group, Inc., Luis Manuel Ramirez (former CEO), Randy K. Guba (former CFO), and David L. Willis (CFO through November 2013) as named Defendants. The complaint alleged Global Power Equipment Group, Inc. and its former officers filed inaccurate financial statements with the intention to mislead investors. The Court granted Defendants' Motion to Dismiss specifically dismissing claims against David L. Willis but preserving appeal rights with respect to Global Power Equipment Group Inc., Luis Manuel Ramirez and Randy K. Guba. However, on January 15, 2018, the Plaintiffs filed a Third Amended Complaint pursuant to which Plaintiff expressed intentions to preserve allegations against David L. Willis for appeal. In January 2019, the Plaintiff expressed intentions to forego any such appeal with respect to allegations against David L. Willis. We were not a party in the lawsuit.

Prince Development, LLC d/b/a Prince Reigns v. European Wax Center, Inc. and Joshua Coba, Case No. 12-23961 (Broward County, Florida, 17th Judicial Circuit, Filed August 23, 2012).

Prince Development LLC d/b/a Prince Reigns, a former vendor for European Wax Center, Inc. n/k/a DJNG, Inc. from 2002 to 2009, filed suit against European Wax Center, Inc. n/k/a DJNG, Inc., and Joshua Coba, in August 2012, claiming that European Wax Center, Inc. n/k/a DJNG, Inc. reversed engineered Prince Reigns' hair serum and sold an "identical" product, which Prince Reigns alleged constituted misappropriation of trade secrets, breach of contract, and deceptive and unfair trade practices. As to Prince Reigns' claims against Joshua Coba individually, Prince Reigns alleged that Joshua Coba represented that European Wax Center, Inc. n/k/a DJNG, Inc. would maintain the confidentiality of Prince Reigns' information when he entered into a confidentiality arrangement with Prince Reigns on behalf of European Wax Center, Inc. n/k/a DJNG, Inc. After several motions to dismiss, Prince Reigns abandoned its claims for injunction and tortious interference. In May 2016, the parties settled all remaining claims and the court issued its Order of Dismissal Based On Settlement, on June 1, 2016. The settlement agreement included mutual releases and a settlement payment in the amount of \$179,000 from European Wax Center, Inc. n/k/a DJNG, Inc.

EWC Holdings, Inc. v. Princeton Ventures II, LLC, Brazos/EWC, LLC, Case No. 12519 (Court of Chancery of the State of Delaware, Filed June 28, 2016). EWC Holdings, Inc., the majority interest holder of our parent entity, EWC Ventures, LLC, filed this action against private equity investors of EWC Ventures, LLC and certain of their affiliates because of a dispute regarding the provisions governing distributions and the conversion terms for preferred units under the limited liability company operating agreement of EWC Ventures, LLC. We were not a party in the lawsuit. The litigation was settled in December 2017. The settlement agreement included mutual releases and the full redemption of Princeton Ventures II, LLC and Brazos/EWC, LLC for the amount of \$140,000,000, which occurred in January 2018.

Worley Wax, LLC and Kelly Worley v. EWC Franchise, LLC, AAA Reference No. 01-21-0004-2691 (American Arbitration Association, Filed June 11, 2021). On June 11, 2021, Worley Wax, LLC and Kelly Worley (collectively, “Worley”) filed a Demand for Arbitration against EWC Franchise, LLC. The Demand for Arbitration alleged that EWC Franchise, LLC improperly terminated the franchise agreement for Worley’s European Wax Center franchise location in Saint Petersburg, Florida due to an incident that had occurred involving Worley and a guest. After learning of Worley’s involvement in a competitive waxing business (Pride Wax) that subsequently began operating from the same location at which Worley’s European Wax Center franchise was previously operated, EWC Franchise, LLC filed a Complaint against Renew Waxing Center, LLC d/b/a Pride Wax and its owner, Thandar Hlaing, in the Circuit Court for Pinellas County, Florida (Case No. 21-005630-CI), alleging that Renew Waxing Center, LLC d/b/a Pride Wax and Thandar Hlaing knowingly induced Worley into violating the terms of certain agreements that Worley had previously entered into with EWC Franchise, LLC prohibiting Worley from having ownership or involvement in businesses that compete with the European Wax Center brand. On December 6, 2021, Worley and EWC Franchise, LLC participated in a non-binding mediation, during which the parties ultimately agreed to the terms of a settlement. On December 23, 2021, EWC Franchise, LLC and Worley entered into settlement agreement, pursuant to which EWC Franchise, LLC agreed to pay \$400,000 to Worley, in exchange for Worley dismissing the arbitration proceeding with prejudice. The settlement agreement also contained a mutual release of claims and stipulated EWC Franchise, LLC’s agreement not to enforce the non-competition restrictions against Worley and to dismiss with prejudice the lawsuit against Renew Waxing Center, LLC d/b/a Pride Wax and Thandar Hlaing in the Circuit Court of Pinellas County, Florida.

Governmental Actions:

In Re Franchise No Poaching Provisions Investigation by the Office of the Attorney General, State of Washington; Issued September 10, 2018.

The Office of Attorney General for the State of Washington issued a civil investigative demand for interrogatories and production of documents relating to provisions of the Washington Franchise Investment Protection Act, RCW 19.86.020 and .030, and 15 U.S.C. § 1 and the practice of incorporating employee anti-poaching (non-solicitation) provisions into European Wax Center franchise agreements in the State of Washington. On September 9, 2019, the King County Superior Court approved our Assurance of Discontinuance and closed the investigation.

As noted above, to resolve the investigation by the Washington Attorney General and without admitting any liability, we entered into an Assurance of Discontinuance with the State of Washington, where we agreed to remove from our form franchise agreement a provision which restricts a franchisee from soliciting and/or hiring the employees of our other franchisees and/or our employees, which the Attorney General alleged violates Washington state and federal antitrust and unfair practices laws. We agreed as a part of the Assurance of Discontinuance to not enforce any such provision in any existing franchise agreement, to request that our Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify our franchisees about the entry of the Assurance of Discontinuance. Additionally, the State of Washington did not assess any fines or other monetary penalties against us.

Commonwealth of Virginia, ex rel. State Corporation Commission v. EWC Franchise, LLC f/k/a EWC Franchise Group, Inc., Case No. SEC-2013-00006. The State Corporation Commission’s Division of Securities and Retail Franchising (“Division”) alleged that EWC Franchise Group, Inc., our predecessor, in 2012 failed to make an amendment filing, failed to inform the Division of insolvency and failed to provide a franchisee with an amended Franchise Disclosure Document as required.

In April 2013, we, without admitting or denying the allegations, agreed to pay the amount of \$10,000 in penalties, pay \$3,000 to defray the costs of investigation and not to violate the Virginia Retail Franchising Act in the future, and the Division ordered the case to be dismissed and the papers placed in the file for ended causes.

ITEM 4. BANKRUPTCY

No bankruptcy information is required to be disclosed in this ITEM.

[The remainder of this page is intentionally left blank.]

ITEM 5. INITIAL FEES

Development Fee – Development Agreement

If you enter into a Multi-Unit Development Agreement with us for the development of three or more Franchised Centers, you will be required to pay us a Development Fee ranging from \$72,000 - \$207,000. The Development Fee is an amount equal to: (i) the full Franchise Fee for the first Franchised Center to be developed under the Development Agreement, plus; (ii) a fifty percent (50.00%) deposit on the Franchise Fee for each of the second through tenth Franchised Centers that you commit to develop under the Multi-Unit Development Agreement. You must pay the Development Fee to us in a lump sum by wire transfer when you sign the Development Agreement. The Development Fee is deemed to have been earned by us upon execution of the Multi-Unit Development Agreement, and you shall not be entitled to a refund of the Development Fee (or any portion thereof) under any circumstances. The Development Fee constitutes a deposit on all or a portion of the Franchise Fees you must pay to us for each of the first through tenth Franchised Centers that you are required to develop and open under the Multi-Unit Development Agreement. The Development Fee is calculated as follows:

	Development Fee	Amount of Franchise Fee due upon signing of Franchise Agreement
Development Agreement (1st Franchised Center)	\$45,000 (\$36,000 for existing franchisees)	\$0
Development Agreement (2nd – 10th Franchised Centers)	\$18,000 per Center	Balance of then-current Franchise Fee due under Franchise Agreement for each Franchised Center after application of \$18,000 deposit
Development Agreement (11th and Each Subsequent Franchised Center)	\$0	Full then-current Franchise Fee due under Franchise Agreement

You will be required to sign a separate Franchise Agreement for each Franchised Center that you commit to develop under a Multi-Unit Development Agreement. For your first Franchised Center, we will apply the first \$45,000 or \$36,000 of the Development Fee, as applicable, towards the full Franchise Fee that is due under that franchise agreement. For each subsequent Franchised Center that you commit to develop under the Multi-Unit Development Agreement, up to the tenth Center, we will apply \$18,000 of the Development Fee towards the Franchise Fee that is due under each respective franchise agreement, and you will be required to pay the remaining balance of the Franchise Fee for each of the second through tenth Franchised Centers to be developed under the Multi-Unit Development Agreement concurrently with the execution of each respective franchise agreement for such Franchised Centers. If you commit to develop eleven (11) or more Franchised Centers under a Multi-Unit Development Agreement, for the eleventh and each additional development commitment, you will be required to pay the full then-current Franchise Fee concurrently with the execution of each respective franchise agreement for such Franchised Centers.

The number of Franchised Centers you will be required to develop and open will be determined before you sign the Development Agreement. European Wax Centers owned and operated by our affiliates as corporate center locations do not pay a Development Fee for the rights to develop locations. In addition, we may provide certain existing franchisees with discounted or waived Development Fees, based on our experience with the franchisees, compliance with existing franchise agreements, operational performance at existing franchised centers, growth plans, financial condition, and other factors that we may deem appropriate. Development Fees are otherwise calculated uniformly for all franchisees, but each Development Fee will vary based on the number of Franchised Centers that you commit to develop. If you purchase development rights from another franchisee under an existing Multi-Unit Development Agreement, you do not pay a Development Fee. Instead, we receive a Transfer Fee (which is not refundable), calculated as twenty percent (20.00%) of the then-current Franchise Fee that would otherwise be payable by the transferee if purchasing a new franchise at such time, for each Franchised Center remaining to be developed

under the Multi-Unit Development Agreement, minus the applicable deposit on the Franchise Fee that the transferee previously paid for each such Franchised Center as part of the Development Fee.

Franchise Fee – Franchise Agreement

The standard Franchise Fee for new a franchisee is \$45,000, and the standard Franchise Fee for an existing franchisee is \$36,000. Franchise Fees are paid in a lump sum to us by wire transfer when you sign the Franchise Agreement. In determining whether a group qualifies as an existing franchisee for the purposes of the reduced Franchise Fee of \$36,000, we generally look to see whether the majority of ownership will be held by individuals or entities with existing ownership in other European Wax Center franchises. You must pay the full Franchise Fee concurrently with the execution of the Franchise Agreement for the Franchised Center.

European Wax Centers owned and operated by our affiliates as corporate center locations do not pay Franchise Fees for the rights to operate their locations. In determining whether to grant existing franchisees additional franchises, we consider many factors, including the performance of the franchisee's existing franchise locations, its compliance with contractual obligations and operational System standards under its existing franchise agreements with us, geographic proximity to other franchisees and to its existing franchise locations, its ability to develop and operate additional franchise locations from both an organizational and human capital perspective, its liquidity and financial ability to develop and operate additional franchise locations, as well as other factors and considerations that we may deem appropriate when assessing requests for additional franchises.

We will refund fifty percent (50.00%) of the Franchise Fee that you paid if we elect to terminate the Franchise Agreement due to your failure to perform certain pre-opening obligations under the Franchise Agreement. However, if you fail to timely open with three (3) years of signing, we have the right to terminate the Franchise Agreement and retain the entire amount of the Franchise Fee. We are not obligated to terminate your Franchise Agreement under any circumstances.

The nonrefundable portion of the Franchise Fee is compensation to us for our efforts in offering and selling a franchise to you, for our franchise sales and marketing activities to promote the sale of a franchise to qualified franchisees, our participation in the franchise sale, our legal compliance with franchise laws and regulations, site selection assistance and guidelines, the development and hosting of initial training programs, and our participation in terminating the franchise.

Additional Incentives

We reserve the right to reduce or waive Franchise Fees for, and to offer other special development incentives (including incentive payments) to, one or more franchisees on a case-by-case basis under certain circumstances. These circumstances may include providing economic incentives for large, sophisticated operators to open multiple new franchised centers in a development territory on an expedited basis, for existing franchisees to open additional franchised centers, or for existing franchisees to take over operating underperforming franchised centers or to reopen closed franchised centers.

Start-up Package Fee

Before you open, you must purchase our start-up package which includes an opening inventory of European Wax Center products and supplies. The standard fee for the new start-up package fee for European Wax Center products and supplies can range from \$18,000 to \$21,000, plus taxes and delivery charges. The exact cost will vary depending on the location of your center, which will impact delivery costs and taxes. Building more waxing rooms will likely accelerate the need to re-order components of your start-up package, as you will deplete your start-up package faster with a larger center. Most European Wax Center franchisees build between 5 and 7 waxing rooms. You may not build or operate less than 5 or more than 7 waxing rooms without our approval. The start-up package includes most of the European Wax Center products necessary for the establishment and operation of the Franchised Center prior to opening the Franchised Center and commencing operations. This "Start-up Package" fee is included in the Your Estimated Initial Investment chart in ITEM 7 below.

We will refund the Start-up Package Fee you paid if we terminate the franchise before you start operating the Franchised Center if the items are unopened, unused or remain in a saleable condition. You will be responsible for shipping costs to return these items to us.

IT Platform Set-up Fee

In ITEM 11 below, we detail our new POS system which utilizes cloud software licensed from Zenoti, and which we refer to as “Violet.” Franchisees may be required to pay a set-up fee of \$350.00 at or around the time of opening. This set-up fee is refunded if the Franchised Center does not open. The set-up fee is standard for all new center openings. In the event that you receive approval to relocate the Franchised Center, you may be required to pay an additional fee to Zenoti in connection with the migration of data from the old POS systems to the new POS systems.

Facebook Boost	Ranges typically from \$100 - \$600 per month	Each month that it applies	We provided franchisees with an option to boost their child Facebook pages, which expands the number of Facebook members that see posts. Pricing is determined by Facebook, based on the scope of services selected by the franchisee; \$100 to boost a Facebook page for 7 days and \$600 to boost a Facebook page for 30 days. Prices may further vary based on the selections that franchisees make with respect to how and where their Facebook page is being promoted.

Imagery Auto-Shipment Program	Actual cost of Posters and Other Imagery Items, plus shipping and taxes. Ranges typically from \$300 - \$500 per month.	Monthly after each Order	We have implemented an auto-shipment program, where we arrange automatic shipments of lobby and wax suite posters, as well as other imagery items. Typically, orders will be placed on a monthly basis. Imagery amounts vary based upon the services and frequency selected by the franchisee and the number of wax suites in a given center (Section 3.5 Franchise Agreement).
Other Auto-Shipment Programs	<p>Actual costs of auto-shipped products, plus shipping and taxes. Ranges typically from \$300 - \$1,500 per month.</p> <p>We may assess an administrative fee with certain auto-shipment programs, likely not to exceed 3.00-5.00% to cover our costs.</p>	Would likely be Upon Delivery	Auto-shipment programs tend to help maintain brand consistency and integrity, and we have found that many franchisees appreciate the shift in responsibility to monitor certain aspects of operations (Section 3.5 Franchise Agreement).
Renewal Fee	\$5,000	On renewal	We initiated a renewal fee in 2016. Therefore, franchisees that acquired their license before this initiation are not subject to a renewal fee (Section 4 Franchise Agreement).

The fees you pay to us or our affiliate in ITEM 6 are typically non-refundable, and are uniformly imposed on all franchisees; however, we do not assess a royalty fee on European Wax Center corporate center locations. Fees you pay to third parties in ITEM 6 are generally non-refundable. You incur these fees based on the requirements of our Franchise Agreement, the Development Agreement and franchise System. We typically do not collect fees for third parties, and you should ask third party vendors about their refund policy before you use their services or products. However, we have initiated certain programs where we will collect fees from our franchisees and pay fees directly to the supplier (*see* above – *e.g.*, SEO, SEM, Auto-Shipment Programs). In these relationships, we may mark-up fees

we collect to cover administrative costs in administering the program or for other business purposes. We may require you to pay all fees due to us through an electronic depository transfer account. Some fees you pay in this ITEM 6 are recurring and some are occasional; they will impact your overall cost of operating the Franchised Center. Currently, no other fees or payments are to be paid to us or our affiliates.

With the exception of late fees, electronic depository transfer account fees, administrative fees, transfer fees/transfer processing fees and indemnification as described above, there are no recurring or isolated fees or payment required under the Multi-Unit Development Agreement in addition to the Development Fee. You must, however, pay other required recurring and isolated fees under our then-current Franchise Agreement for the Franchised Centers you open in your development territory. Except as noted above, these fees are non-refundable and not collected on behalf of any third party.

Stated fees may increase over time to account for inflation, increased costs and other factors typically accounted for in standard markets.

NOTES

^A “Gross sales” generally means all revenue from the Franchised Center. Gross sales does not include: (a) refunds, credits, and other monetary allowances issued by franchisee in good faith; (b) sales and equivalent taxes collected by franchisees; (c) rebates received by franchisees from manufacturers or suppliers; (d) proceeds franchisees receive from the re-sale of pre-packaged products or branded goods franchisees purchase directly from us or our affiliates, including branded European Wax Center Products; and (e) proceeds franchisees receive for us. Franchisees that do not timely complete the requirements to renew their franchise may be provided an additional period to address required conditions for renewal. During this “cure period,” these franchisees may pay additional royalties (currently set at 150% of the standard royalty rate during the first 90 days of the cure period, and 200% of the standard royalty rate during the second 90 days of the cure period). Our Royalty Fee is otherwise uniformly imposed on our franchisees, except we may waive all or a portion of royalties for franchisees from time to time based on circumstances we determine in our discretion warrant a waiver, and we may provide contests or other incentives for our franchise network which provide temporary reduced royalty amounts, and we may, in our discretion, offer reduced royalty fees to developers of multiple franchise locations.

^B In 2016, we combined our one percent (1.00%) marketing fund contribution and our two percent (2.00%) local advertising obligation, creating a three percent (3.00%) marketing obligation that you pay to us, based on your gross sales. In September 2012, we established a cooperative advertising program for the United States. The cooperative advertising program was designed to pool local advertising funds from designated regions in an effort to create more effective local advertising campaigns. We had the right to collect and designate all or a portion of the local advertising for a cooperative advertising program, and therefore we have been collecting the full two percent (2.00%) local advertising for this cooperative advertising program. Certain franchisees that came aboard prior to our consolidation will continue to account for their local advertising obligation separately as part of our cooperative advertising program. Additional information about all advertising programs is included in ITEM 11. (Section 11). Franchisees that do not timely complete the requirements to renew their franchise may be provided an additional period to address required conditions for renewal. During this “cure period,” these franchisees these franchisees may pay increased marketing contributions (currently set at 150% of the standard marketing contribution during the first 90 days of the cure period, and 200% of the standard marketing contribution during the second 90 days of the cure period).

^C We do not have enough information to estimate audit costs. We assume costs vary depending on factors, including prevailing auditor’s rates in your area, the business activity being audited and how well you keep your books and records. You pay our actual costs only. You should be able to investigate these costs by contacting auditors in your area.

^D You owe a late fee should you fail to pay us on a date on which payment/underpayment was due.

^E Costs vary depending on the availability of product samples for testing, shipping costs or travel costs to review the product, the type of product under review, whether the product or supplier has been rated and other similar factors. You pay our actual costs only.

^F Costs vary depending on factors, including nature of the complaint, expertise needed, and the time involved. You pay our actual costs only.

^G You must attend our ongoing training programs. We currently intend to hold national conferences on an approximately 18-month basis for the entire franchise system, subject to public health restrictions and guidance on large gatherings. Each franchisee or member of its staff attending the conference must pay the admission price, which is currently up to \$950 per person, and provides access to all conference activities, which include meals and other social functions, as well as third party costs incurred to provide certain conference activities. In addition, each person is entitled to bring guests at their own expense. Guests are provided access to only social functions and must pay a separate fee per person. The fees for the conference activities may change from time to time.

We do not charge to provide you with standard initial training for your first center if all your persons are trained simultaneously; the cost is covered in the lump sum you pay to us for the Franchise Fee. You are responsible for all costs associated with attending training at the location we specify, including our national conference. These costs include transportation, meals, and lodging. Your total cost will vary based on who you choose to attend, how far they have to travel, and the type of accommodations you choose. We reserve the right to charge you a training fee if we provide training to your persons at different times or training becomes excessive. We may also charge training fees for special training programs. These costs are typically non-refundable. We also reserve the right to charge you to recover any non-refundable travel, lodging or other costs or fees in the event you alter training dates or scheduling without sufficient notice.

^H We may assess reasonable fees and other costs, including management fees, in connection with these initiative programs, which may be optional or required as we may determine. The actual fees will likely depend on aspects of the program, including our costs associated with the program, any fees or other amounts assessed by a third-party vendor, the number of participating franchisees, and the amount of administration or other support we provide as part of the program. Our goal is to pass-along actual costs proportionately to participating franchisees, but we may assess incremental administrative amounts to compensate us for our time and efforts or for other business purposes.

^I Our clearing house activities depend on the nature of the redemption. For example, if a location sells a gift card, which is then redeemed at another location, the amount of the redemption is debited from the location that sold the gift card, and then credited to the location that redeemed the gift card. When a wax pass is redeemed, the amount that we prescribed for each service would be debited from the selling location and credited to the redeeming location. With rewards points, the amounts “cleared” would be based on the number of points redeemed with each point being currently equal to \$1.00. If we sell or issue any gift cards, wax passes, or rewards points, we bear the amount on redemption at any franchise location. Additional details about these operations are provided in our Confidential Operations Manual (including through periodic bulletins). You bear the liabilities for redemption on gift cards, wax passes, and rewards points that you sell or issue.

We reserve the right to offer special incentive, amnesty or other programs at any time which may decrease, waive, or provide for deferral of, any of the fees listed in this Item. Programs may be conditioned upon you executing or being a party to a currently existing Franchise Agreement and may only be available for specific Franchised Centers or in specified markets that we determine at our sole discretion. We may alter or discontinue these programs at any time at our sole discretion without notice to you. If you have executed a Franchise Agreement before the dates specified for the programs, acquired a European Wax Center location from an existing franchisee via a transfer, or are renewing an existing Franchise Agreement, you are not eligible to receive the incentive, amnesty or other program unless otherwise indicated by us in writing.

NOTES

A. Franchise Fee. The Franchise Fee for existing franchisees is \$36,000. The Franchise Fee and its refund policy are described in greater detail in ITEM 5. We do not finance any Franchise Fees. We may increase the Franchise Fee in the future.

B. Start-up Package. Before you begin operating, you must purchase from us the Start-up Package of retail products to offer for sale in your Franchised Center. The cost of the package is approximately \$18,000 - \$21,000. Most of your initial inventory will consist of body waxing supplies, retail products, applicators, gloves, and other supplies and products and interior signage and design elements. The Start-up Package is currently standard for all new franchisees. Larger centers will deplete their Start-up Package faster than smaller centers. Building more waxing rooms will, therefore, likely increase the “Additional Funds” (see Note R below) required for re-ordering product. Most European Wax Center franchisees build between five (5) and seven (7) waxing rooms. You may not operate less than five (5) or more than seven (7) waxing rooms without our approval. This fee excludes taxes and delivery charges, which will vary depending on where your center is located. We will refund the Start-up Package Fee you paid if we terminate the franchise before you start operating the Franchised Center if the items are unopened, unused or remain in a saleable condition. You will be responsible for shipping costs to return these items to us. Otherwise, the Start-up Package is not refundable. The Start-up Package fee and its refund policy are described in greater detail in ITEM 5.

C. Start-up Marketing Package. Your start-up marketing materials, currently referred to as the “New Center Launch Kit” includes posters, shelf talkers, and other European Wax Center marketing collateral for your business. The quantities of these items may vary based on your franchise location.

D. Real Estate. You must lease or provide a suitable facility for the operations of the Franchised Center. Currently all of our franchisees lease their locations. You must secure a facility with 1,200 to 1,600 square feet of space. You may choose a larger facility, but it will increase your operating costs. Without our permission, you may not build less than five (5) or more than seven (7) separate waxing rooms. Our estimate in this category is based on you leasing the facility of approximately 1,400 square feet. Your cost to lease is difficult to quantify because there are factors that will impact what you pay. These factors include the facility’s location, its square footage, cost-per-square foot, renovation costs and any required maintenance fees. Specifically, high rent districts may carry significant increased rental costs. For example, Manhattan’s rental costs have been in excess of \$20,000 per month, plus pro-rata allocations, more than double the amounts we typically account for. Our low estimate assumes only that you pay the

first month's rent without a security deposit. If you are required to pre-pay additional rent or security deposits, your investment may be higher. We include three (3) additional months of rental costs in the category, "Additional Funds," (see Note R below). Your landlord may refund your security deposit, but most will not refund rental payments. You should ask your leasing agent or landlord about their refund policy before you sign a lease agreement. We do not require you to purchase or build a facility to house the franchise. Your cost may increase over our projections should you choose to purchase or build. You should consider construction delays and their unpredictable cost before electing to build or purchase. You should seek professional advice in securing a location.

E. Utility Deposits. You may be required to pay deposits with your local utility companies if you are a new customer. Your utilities may include electric, telephone, gas, and water. You may or may not receive a refund of your deposit. You should ask your local utility companies about the circumstances under which they refund deposits.

F. Leasehold Improvements. You will likely incur costs to renovate or remodel the space you lease. Your costs will vary depending on many factors, including the size, condition and location of the facility, local wage rates, and the cost of materials. The estimates assume that your landlord will provide a partial build-out allowance. The amounts you pay for leasehold improvements are typically non-refundable. Before hiring a contract to renovate or remodel the Franchised Center, you should ask about their refund policies. We may require you to upgrade, remodel, and refurbish the Franchised Center during the Initial Term of the Franchise Agreement, or as a condition to granting you a successor franchise for the Franchised Center. The cost will depend on the condition of the Franchised Center at the time when you are required to complete such upgrades, remodeling, or refurbishments, as well as the scope of work required, which may be based on our then-current standards and design specifications for new Franchised Centers.

G. Architectural and Engineering Fees. You will likely incur architectural and engineering fees to develop plans for your space. Your costs will vary depending on many factors, including the location and structure of the building, as well as the size and layout of the site, as well as other local fees. These amounts are typically non-refundable. You should ask the architectural and engineering firms you hire about their refund policy before you engage these firms.

H. Furniture, Fixtures & Equipment. You must purchase (or lease) reception area furniture, storage shelves, retail display shelving units, hot wax heaters, padded tables and equipment necessary for providing the various services offered by European Wax Centers and other required equipment such as a surveillance system, computer system and phone system (the computer, telephone and music systems are included below in Note I). This range includes taxes and delivery charges, which will vary depending on where your center is located. Although some of these items may be leased, the range shown represents an estimated purchase price. We do not know if the amounts you pay for furniture, fixtures or other equipment are refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing or leasing.

I. POS System (Violet); Other Computer, Telephone, and Security Surveillance Systems; and Installation. We launched a new POS System (Violet) in 2020 that utilizes cloud-based software from Zenoti and includes PCI credit card terminals and other required componentry. This cost includes the expenses associated with the new system and additional computer workstations in order to access reports, training, and other System materials, as well as a separate telephone system, and installation charges for each of these components. You may arrange for third parties to provide leasing or financing terms for our new POS System for our franchise network on terms provided by the third-party. If you do, your upfront cost may be lower than the estimate provided, however leasing or financing may increase your overall investment. Our Computer Systems are described in greater detail in ITEM 11. The amounts you pay for these systems are typically non-refundable, or if refundable, you may be subject to a "re-stocking" fee. You should inquire about the return and refund policy of at or before the time of purchasing.

J. Insurance. Our franchise agreement allows us to update insurance requirements at any time to reflect inflation, changes in standards of liability, future damage awards, or other relevant changes in circumstances. See Exhibit L to this Disclosure Document for our current minimum insurance requirements as of the Issuance Date.

All required insurance policies must be written by an insurance company licensed in the state where the Franchised Center is located, must have an A- rating or better classification as indicated by the A.M. Best's Key Rating Guide and must be primary and non-contributory in all respects.

THESE INSURANCE COVERAGE REQUIREMENTS ARE ONLY MINIMUM REQUIREMENTS. WE MAKE NO REPRESENTATION, IMPLIED OR EXPRESS, THAT THESE INSURANCE REQUIREMENTS ARE ADEQUATE TO PROTECT YOU AND YOUR BUSINESS AND SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE OR INJURY RESULTING FROM THE INADEQUACY OR LACK OF ANY INSURANCE COVERAGE. YOU MUST CARRY INSURANCE AND COVERAGE REQUIRED BY APPLICABLE LAW (E.G., WORKERS' COMPENSATION). IN ADDITION TO OUR MINIMUM INSURANCE REQUIREMENTS, LANDLORDS TYPICALLY HAVE MINIMUM INSURANCE REQUIREMENTS, SO YOU SHOULD REFER TO YOUR LEASE AGREEMENTS AS WELL. WE STRONGLY ADVISE FRANCHISEES TO SPEAK WITH AN INSURANCE PROFESSIONAL REGARDING INSURANCE NEEDS AS WE ARE NOT EXPERTS IN INSURANCE.

Factors that may affect your cost of insurance include the number of franchises that you own, the size and location of the Franchised Center, value of the leasehold improvements, number of employees, and other factors determined by your insurance carrier. Our experience for example is that EPLI coverage in California, and particularly wage and hour coverage, is more expensive than most other jurisdictions in the United States. The amounts you pay for insurance are typically not refundable. You should inquire about the cancellation and refund policy of the insurance carrier or agent at or before the time of purchase.

K. Additional Equipment and Supplies. In addition to your start-up package, you will need an inventory of gloves, cotton, table paper, miscellaneous hot wax application tools, oils, and lotions, plus office supplies. The cost of these items may vary based on local market conditions, manufacturers' discounts, and specials at the time of purchase and other factors. We do not know if these amounts are refundable. Factors determining whether other inventory items are refundable typically include the condition of the items at time of return, level of use and length of time of possession. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing.

L. Training Expenses. We do not charge to provide you with standard initial training for your first Franchise location, the cost is covered under the Franchise Fee that you pay to us in ITEM 5 above. For additional locations, we may charge accordingly; 50.00% trainer travel expense, materials expenses, plus 50.00% of the trainers average compensation per day for your second location launch training and 100.00% trainer travel expenses, materials expenses, plus 10.00% of the trainers average compensation per day for your third center location launch, as well as any additional location launches. You are responsible for the costs associated with attending training at the location we specify in ITEM 11 below. These costs include transportation, meals, and lodging. Your total cost will vary based on who you choose to have attend, how far they must travel, and the type of accommodations you choose. These costs are typically non-refundable, but you should ask about refund policies before you patronize any vendor.

M. Signage. This range includes the cost of all signage used in the Franchised Center. The signage requirements and costs will vary based upon the size and location of the Franchised Center, local zoning requirements and local wage rates for installation. The amounts you pay for signage are typically non-refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchase. We are in the process of modifying our in-center signage, which is evolving from physical posters placed on walls, and replaced as needed, to the installation of a flat screen monitor on center walls to allow for the updating of signage electronically. This update will obviate the need to regularly purchase new posters but will require the up-front investment in a monitor for the center wall. Our work related to sourcing and estimating costs for this change is in-process and the fee estimate set forth here may not reflect the costs for any hardware, software, or related support. Fees may be subject to change by vendors over time.

N. Grand Opening Advertising. You must spend at least \$12,000 on grand opening advertising over the period spanning the three months prior to the commencement of operations at the Franchised Center and the first three months after the commencement of operations at the Franchised Center. You may choose to spend more money and some European Wax Center franchisees spend up to \$25,000. Factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the Franchised Center, time of year and customer demographics in the surrounding area. The amounts you spend for grand opening advertising are typically non-refundable. You should inquire about the return and refund policy of the suppliers at, or before, the time of purchasing advertising. We may require you to substantiate your expenditures on grand opening advertising.

O. Licenses & Permits. State and local government agencies typically charge fees for occupancy permits, operating licenses and sales tax licenses. Your actual costs may vary based on the requirements of state and local government agencies. These fees are typically non-refundable. You should inquire about the cancellation and refund policy of the agencies at or before the time of payment.

P. Legal & Accounting. You will need to retain an attorney, an accountant, and other consultants to help you to establish your Franchised Center. We strongly encourage every franchisee to use counsel to help negotiate their lease. Your cost will depend on the location of the Franchised Center as well as the prevailing rates of local attorneys, accountants, and consultants. Your costs for these services are typically non-refundable. You should inquire about the refund policy of the attorney, accountant, or consultant at or before the time of hiring.

Q. Additional Funds. We encourage franchisees to maintain at least a 3-month cash reserve to cover the operations of the Franchised Center. We do have franchisees that look to maintain cash reserves for 6-12 months when they open. Your cash reserves should be based on the total monthly cost of operating the Franchised Center. You should consider rent, salaries, utilities, taxes, delivery charges and other related operating costs to arrive at your reserve. Your costs will be affected by factors in the local market where your Franchised Center is located, which we cannot predict. For example, the wages and rental rates in the area where your Franchised Center is located will affect the size of your cash reserve. Brand recognition in your area and levels of competition may also impact the size of your cash reserve. Therefore, you may need to have more or less amounts in your cash reserve. You may need to have additional working capital to cover for low sales or high operating costs. You should speak with a financial or business advisor to get a more accurate estimate of the amount you should have in reserve. The operating costs on which you may use the cash reserve are typically non-refundable, but you should ask about refund policies before you patronize any vendor.

R. Total. We rely on our and our affiliates' industry experience to compile this chart. The amounts in the chart are not exact; they are estimates only and we cannot guarantee that you will not incur additional costs and expenses in starting and operating the Franchised Center. You should review these estimates with an accountant or other business advisors before you decide to buy a franchise.

Neither we nor our affiliates will finance any part of your initial investment. Amounts reflected in the table do not reflect sales and use taxes or delivery charges.

A. Development Fee. The Development Fee is an amount equal to: (i) the full Franchise Fee for the first Franchised Center to be developed under the Development Agreement (\$45,000 for new franchisees and \$36,000

for existing franchisees), plus: (ii) an \$18,000 deposit on the Franchise Fee for each of the second through tenth Franchised Centers that you commit to develop under the Development Agreement, as applicable. The low range for the Development Fee in the above chart is based on the assumption that you enter into a Development Agreement as an existing franchisee and commit to develop and open three (3) Franchised Centers. The high range is based on the assumption that you enter into a Development Agreement as a new franchisee and commit to develop and open ten (10) or more Franchised Centers. The Development Fee and its application to Franchise Fees are described in greater detail in ITEM 5. The Development Fee is payable when you sign the Development Agreement and is non-refundable. You will be required to sign a separate Franchise Agreement for each Franchised Center that you commit to develop under a Development Agreement. We do not finance any Development Fees. We may increase the Development Fee or otherwise alter the manner in which the Development Fee is calculated in the future.

B. Start-up Package. Before you begin operating, you must purchase from us the Start-up Package of retail products to offer for sale in your Franchised Center. The cost of the package is approximately \$18,000 - \$21,000. Most of your initial inventory will consist of body waxing supplies, retail products, applicators, gloves, and other supplies and products and interior signage and design elements. The Start-up Package is currently standard for all new franchisees. Larger centers will deplete their Start-up Package faster than smaller centers. Building more waxing rooms will, therefore, likely increase the “Additional Funds” (*see* Note R below) required for re-ordering product. Most European Wax Center franchisees build between five (5) and seven (7) waxing rooms. You may not operate less than five (5) or more than seven (7) waxing rooms without our approval. This fee excludes taxes and delivery charges, which will vary depending on where your center is located. We will refund the Start-up Package Fee you paid if we terminate the franchise before you start operating the Franchised Center if the items are unopened, unused or remain in a saleable condition. You will be responsible for shipping costs to return these items to us. Otherwise, the Start-up Package is not refundable. The Start-up Package fee and its refund policy are described in greater detail in ITEM 5.

C. Start-up Marketing Package. Your start-up marketing materials, currently referred to as the “New Center Launch Kit,” includes posters, shelf talkers, and other European Wax Center marketing collateral for your business. The quantities of these items may vary based on your franchise location.

D. Real Estate. You must lease or provide a suitable facility for the operations of the Franchised Center. Currently all of our franchisees lease their locations. You must secure a facility with 1,200 to 1,600 square feet of space. You may choose a larger facility, but it will increase your operating costs. Without our permission, you may not build less than five (5) or more than seven (7) separate waxing rooms. Our estimate in this category is based on you leasing the facility of approximately 1,400 square feet. Your cost to lease is difficult to quantify because there are factors that will impact what you pay. These factors include the facility’s location, its square footage, cost-per-square foot, renovation costs and any required maintenance fees. Specifically, high rent districts may carry significant increased rental costs. For example, Manhattan’s rental costs have been in excess of \$20,000 per month, plus pro-rata allocations, more than double the amounts we typically account for. Our low estimate assumes only that you pay the first month’s rent without a security deposit. If you are required to pre-pay additional rent or security deposits, your investment may be higher. We include three (3) additional months of rental costs in the category, “Additional Funds,” (*see* Note R below). Your landlord may refund your security deposit, but most will not refund rental payments. You should ask your leasing agent or landlord about their refund policy before you sign a lease agreement. We do not require you to purchase or build a facility to house the franchise. Your cost may increase over our projections should you choose to purchase or build. You should consider construction delays and their unpredictable cost before electing to build or purchase. You should seek professional advice in securing a location.

E. Utility Deposits. You may be required to pay deposits with your local utility companies if you are a new customer. Your utilities may include electric, telephone, gas, and water. You may or may not receive a refund of your deposit. You should ask your local utility companies about the circumstances under which they refund deposits.

F. Leasehold Improvements. You will likely incur costs to renovate or remodel the space you lease. Your costs will vary depending on many factors, including the size, condition and location of the facility, local wage rates, and the cost of materials. The estimates assume that your landlord will provide a partial build-out allowance. The amounts you pay for leasehold improvements are typically non-refundable. Before hiring a contract to renovate or remodel the Franchised Center, you should ask about their refund policies. We may require you to upgrade, remodel, and refurbish the Franchised Center during the Initial Term of the Franchise Agreement, or as a condition to

granting you a successor franchise for the Franchised Center. The cost will depend on the condition of the Franchised Center at the time when you are required to complete such upgrades, remodeling, or refurbishments, as well as the scope of work required, which may be based on our then-current standards and design specifications for new Franchised Centers.

G. Architectural and Engineering Fees. You will likely incur architectural and engineering fees to develop plans for your space. Your costs will vary depending on many factors, including the location and structure of the building, as well as the size and layout of the site, as well as other local fees. These amounts are typically non-refundable. You should ask the architectural and engineering firms you hire about their refund policy before you engage these firms.

H. Furniture, Fixtures & Equipment. You must purchase (or lease) reception area furniture, storage shelves, retail display shelving units, hot wax heaters, padded tables and equipment necessary for providing the various services offered by European Wax Centers and other required equipment such as a surveillance system, computer system and phone system (the computer, telephone and music systems are included below in Note I). This range includes taxes and delivery charges, which will vary depending on where your center is located. Although some of these items may be leased, the range shown represents an estimated purchase price. We do not know if the amounts you pay for furniture, fixtures or other equipment are refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing or leasing.

I. POS System (Violet); Other Computer, Telephone, and Security Surveillance Systems; and Installation. We launched a new POS System (Violet) in 2020 that utilizes cloud-based software from Zenoti and includes PCI credit card terminals and other required componentry. This cost includes the expenses associated with the new system and additional computer workstations in order to access reports, training, and other System materials, as well as a separate telephone system, and installation charges for each of these components. You may arrange for third parties to provide leasing or financing terms for our new POS System for our franchise network on terms provided by the third-party. If you do, your upfront cost may be lower than the estimate provided, however leasing or financing may increase your overall investment. Our Computer Systems are described in greater detail in ITEM 11. The amounts you pay for these systems are typically non-refundable, or if refundable, you may be subject to a “re-stocking” fee. You should inquire about the return and refund policy of at or before the time of purchasing.

J. Insurance. Our franchise agreement allows us to update insurance requirements at any time to reflect inflation, changes in standards of liability, future damage awards, or other relevant changes in circumstances. See Exhibit L to this Disclosure Document for our current minimum insurance requirements as of the Issuance Date.

All required insurance policies must be written by an insurance company licensed in the state where the Franchised Center is located, must have an A- rating or better classification as indicated by the A.M. Best’s Key Rating Guide and must be primary and non-contributory in all respects.

THESE INSURANCE COVERAGE REQUIREMENTS ARE ONLY MINIMUM REQUIREMENTS. WE MAKE NO REPRESENTATION, IMPLIED OR EXPRESS, THAT THESE INSURANCE REQUIREMENTS ARE ADEQUATE TO PROTECT YOU AND YOUR BUSINESS AND SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE OR INJURY RESULTING FROM THE INADEQUACY OR LACK OF ANY INSURANCE COVERAGE. YOU MUST CARRY INSURANCE AND COVERAGE REQUIRED BY APPLICABLE LAW (E.G., WORKERS’ COMPENSATION). IN ADDITION TO OUR MINIMUM INSURANCE REQUIREMENTS, LANDLORDS TYPICALLY HAVE MINIMUM INSURANCE REQUIREMENTS, SO YOU SHOULD REFER TO YOUR LEASE AGREEMENTS AS WELL. WE STRONGLY ADVISE FRANCHISEES TO SPEAK WITH AN INSURANCE PROFESSIONAL REGARDING INSURANCE NEEDS AS WE ARE NOT EXPERTS IN INSURANCE.

Factors that may affect your cost of insurance include the number of franchises that you own, the size and location of the Franchised Center, value of the leasehold improvements, number of employees, and other factors determined by your insurance carrier. Our experience for example is that EPLI coverage in California, and particularly wage and hour coverage, is more expensive than most other jurisdictions in the United States. The amounts you pay for insurance are typically not refundable. You should inquire about the cancellation and refund policy of the insurance carrier or agent at or before the time of purchase.

K. Additional Equipment and Supplies. In addition to your start-up package, you will need an inventory of gloves, cotton, table paper, miscellaneous hot wax application tools, oils, and lotions, plus office supplies. The cost of these items may vary based on local market conditions, manufacturers' discounts, and specials at the time of purchase and other factors. We do not know if these amounts are refundable. Factors determining whether other inventory items are refundable typically include the condition of the items at time of return, level of use and length of time of possession. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing.

L. Training Expenses. We do not charge to provide you with standard initial training for your first Franchise location, the cost is covered under the Franchise Fee that you pay to us in ITEM 5 above. For additional locations, we may charge accordingly; 50.00% trainer travel expense, materials expenses, plus 50.00% of the trainers average compensation per day for your second location launch training and 100.00% trainer travel expenses, materials expenses, plus 10.00% of the trainers average compensation per day for your third center location launch, as well as any additional location launches. You are responsible for the costs associated with attending training at the location we specify in ITEM 11 below. These costs include transportation, meals, and lodging. Your total cost will vary based on who you choose to have attend, how far they must travel, and the type of accommodations you choose. These costs are typically non-refundable, but you should ask about refund policies before you patronize any vendor.

M. Signage. This range includes the cost of all signage used in the Franchised Center. The signage requirements and costs will vary based upon the size and location of the Franchised Center, local zoning requirements and local wage rates for installation. The amounts you pay for signage are typically non-refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchase. We are in the process of modifying our in-center signage, which is evolving from physical posters placed on walls, and replaced as needed, to the installation of a flat screen monitor on center walls to allow for the updating of signage electronically. This update will obviate the need to regularly purchase new posters but will require the up-front investment in a monitor for the center wall. Our work related to sourcing and estimating costs for this change is in-process and the fee estimate set forth here may not reflect the costs for any hardware, software, or related support. Fees may be subject to change by vendors over time.

N. Grand Opening Advertising. You must spend at least \$12,000 on grand opening advertising over the period spanning the three months prior to the commencement of operations at the Franchised Center and the first three months after the commencement of operations at the Franchised Center. You may choose to spend more money and some European Wax Center franchisees spend up to \$25,000. Factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the Franchised Center, time of year and customer demographics in the surrounding area. The amounts you spend for grand opening advertising are typically non-refundable. You should inquire about the return and refund policy of the suppliers at, or before, the time of purchasing advertising. We may require you to substantiate your expenditures on grand opening advertising.

O. Licenses & Permits. State and local government agencies typically charge fees for occupancy permits, operating licenses, and sales tax licenses. Your actual costs may vary based on the requirements of state and local government agencies. These fees are typically non-refundable. You should inquire about the cancellation and refund policy of the agencies at or before the time of payment.

P. Legal & Accounting. You will need to retain an attorney, an accountant, and other consultants to help you to establish your Franchised Center. We strongly encourage every franchisee to use counsel to help negotiate their lease. Your cost will depend on the location of the Franchised Center as well as the prevailing rates of local attorneys, accountants, and consultants. Your costs for these services are typically non-refundable. You should inquire about the refund policy of the attorney, accountant, or consultant at or before the time of hiring.

Q. Additional Funds. We encourage franchisees to maintain at least a 3-month cash reserve to cover the operations of the Franchised Center. We do have franchisees that look to maintain cash reserves for 6-12 months when they open. Your cash reserves should be based on the total monthly cost of operating the Franchised Center. You should consider rent, salaries, utilities, taxes, delivery charges and other related operating costs to arrive at your reserve. Your costs will be affected by factors in the local market where your Franchised Center is located, which we cannot predict. For example, the wages and rental rates in the area where your Franchised Center is located will affect the size of your cash reserve. Brand recognition in your area and levels of competition may also impact the size of

your cash reserve. Therefore, you may need to have more or less amounts in your cash reserve. You may need to have additional working capital to cover for low sales or high operating costs. You should speak with a financial or business advisor to get a more accurate estimate of the amount you should have in reserve. The operating costs on which you may use the cash reserve are typically non-refundable, but you should ask about refund policies before you patronize any vendor.

R. Total. We rely on our and our affiliates' industry experience to compile this chart. The amounts in the chart are not exact; they are estimates only and we cannot guarantee that you will not incur additional costs and expenses in starting and operating the Franchised Center. You should review these estimates with an accountant or other business advisors before you decide to buy a franchise.

Neither we nor our affiliates will finance any part of your initial investment. Amounts reflected in the table do not reflect sales and use taxes or delivery charges.

Your initial investment for the first Franchised Center is stated in the table above in this ITEM 7. You will incur the estimated initial investment costs for each Franchised Center you are obligated to open in the development territory. Your costs to open the second and each additional Franchised Center may be affected by factors, including inflation, local labor costs, materials costs, and other factors not within our control.

We reserve the right to reduce or waive Franchise Fees for, and to offer other special development incentives (including incentive payments) to, one or more franchisees on a case-by-case basis under certain circumstances. These circumstances may include providing economic incentives for large, sophisticated operators to open multiple new franchised centers in a development territory on an expedited basis, for existing franchisees to open additional franchised centers, or for existing franchisees to take over operating franchised centers or to reopen closed franchised centers. The amount of any fee reductions/waivers or development incentives depends on what we think is best for the European Wax Center franchise system in the particular situation.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

(a) Goods and Services You Must Purchase or Lease to Operate the Franchised Center

To preserve brand integrity and consistency, our franchise System and specifications require that you purchase and/or lease certain prescribed goods and services to operate the Franchised Center. We disclose these items in ITEM 7 above and in our Confidential Operations Manual (including through periodic bulletins). You are required to purchase the Start-up Package and Start-up Marketing Package to be used with your opening. In addition, you will need to acquire additional supplies and inventory, retail space, furniture and fixtures, office equipment and supplies, signage, grand opening advertising, a point-of-sale computer systems and a maintenance package, insurance (*See* Exhibit L), and legal and accounting services.

Currently, all European Wax Center products and other branded items that you purchase from us for your initial inventory, including our wax and skin care products, will be included in your Start-up Package. You will be required to purchase additional inventory items from approved suppliers, including us and our affiliates, in order to open and operate your Franchised Center.

We may require you to purchase or lease additional goods and services as we may over time decide using our business judgment, again keeping in mind our goal for brand consistency and integrity. We have the right to make adjustments to the products and services we require you to purchase and/or lease. Because you will be operating under our brand name using our Marks, we will prohibit you from offering or selling any products that compete with any of our own products. We may also set the price for the products and services you sell, if the laws of your state allow us to do so.

(b) Suppliers

Our affiliate, EWC Distributor LLC is the only current approved supplier for our wax and each of our branded products, including our body washes, ingrown hair serum, lotions, powders, cleansers and other before and after wax skin care products that you may use in our location and resell to your customers.

We also reserve the sole right to market our brand over the Internet and through social media. Accordingly, we are the current exclusive provider of search engine optimization services and search engine marketing services through an agreement we have negotiated with third party vendors. Without our consent, you will not be able to obtain these services from any other provider.

You must purchase a POS System and other hardware and software to maintain access to our network platforms. We or our approved suppliers are the exclusive provider of our POS System and the hardware and software that support our network platforms.

You must purchase the following additional items from approved suppliers, including us and our affiliates: gloves, face masks (disposable and plexi) and other personal protective equipment, cotton rounds, table paper, hand sanitizer, wax pots, other items for use in providing hot wax hair removal and facial services and signage. In addition, we will designate an approved supplier for certain marketing and promotional materials for your Franchised Center.

We have implemented a program through which we carry certain IT Network/Cyber Security Insurance covering us and franchisees. The annual fee for our procurement of this coverage on behalf of franchisees is currently \$100/year. Fees are subject to change. We reserve the right cancel this program and coverage at any time.

We may designate other items or services that must be purchased or leased from approved suppliers. We provide a list of our approved suppliers in the Confidential Operations Manual (including through periodic bulletins).

Any other products or services you need and that we do not require to be purchased or leased from approved suppliers to operate the Franchised Center may be purchased or leased from any supplier you choose. The supplier you choose must meet the criteria we disclose in this ITEM 8 and as we may specify over time in our Confidential Operations Manual (including through periodic bulletins).

(c) Specifications for Our Products and Services

We communicate the specifications and standards for products and services in the Confidential Operations Manual (including through periodic bulletins). These specifications may include standards for appearance, quality, price, performance and functionality. These specifications and standards are based on our and our affiliates' experience in operating a European Wax Center of the type we are franchising and through research and testing in European Wax Centers.

We communicate our standards and specifications to you when we evaluate your proposed location for the Franchised Center, during your development of an approved location for the Franchised Center, during training, before you conduct your grand opening advertising, during on-site opening assistance, during periodic visits to your Franchised Center and through the Confidential Operations Manual (including through periodic bulletins). We have created a development worksheet to assist you through this process. We will periodically issue new standards and specifications (if any) through written notices (including through periodic bulletins).

(d) Using Alternative Suppliers or Goods/Services

You may not use any products or services in the Franchised Center that we have not approved (for goods and services that must meet our standards, specifications or that require supplier approval). If you would like to use any goods or services in establishing and operating the Franchised Center that we have not approved, you must first send us sufficient information, specifications and samples for us to determine whether the goods or services comply with our standards and specifications or the supplier meets our approved supplier criteria. You must pay our expenses to evaluate goods, services or suppliers. We will decide within a reasonable time (usually 30 days) after receiving the required information whether you may purchase or lease the goods or services or from the supplier. Our criteria for approving or revoking approval of suppliers includes: the supplier's ability to provide sufficient quantity of goods; quality of goods or services at competitive prices; production, brand and delivery capability; and dependability and general reputation.

Periodically, we may review our approval of any goods, services or suppliers. We will notify you if we revoke our approval of goods, services or suppliers, and you must immediately stop purchasing disapproved goods or services, or must immediately stop purchasing from a disapproved supplier. Additionally, we may negotiate pricing

arrangements, including volume discounts on behalf of our franchisees with our suppliers. Volume discounts may not be available to franchisees located in outlying markets that a particular supplier does not serve in significant volume.

(e) Percentage of Your Costs Going Toward Required Purchases

We continue to update our required specifications for establishing a Franchised Center and with construction, advertising, and other costs that must align with our specifications. We estimate that approximately 35% - 46% of your total cost in establishing the Franchised Center will go toward purchasing products or services we require or products or services that must meet our specifications. We estimate that approximately 23% to 36% of your expenditures on an ongoing basis will be for goods and services that must be purchased from us, our affiliate (EWC Distributor LLC), or through an approved supplier.

(f) Payments We Receive From Suppliers

Our affiliate, EWC Distributor LLC is the only current approved supplier for our wax and each of our branded products, including our brow and body products and other before and after wax skin care products that you may use in your location and resell to your customers. In addition, we provide our suppliers and other third parties with opportunities to purchase sponsorships at our national conference. Amounts we receive from sponsors is not related to any purchases made by our franchise network. We do not receive, directly or indirectly, any payments or discounts from your purchases or leases of products and services from any other unaffiliated suppliers we designate. In the future, we may receive payments from other designated suppliers to the extent permitted by law.

(g) Ownership Interest in Suppliers

EWC Distributor LLC is an affiliate of ours as we are both indirect wholly owned subsidiaries of EW Holdco, LLC. Neither we, nor our affiliates, officers, managers or our ownership groups own any other interest in any other supplier from whom we require you to purchase goods or services. In the future, we or our officers may acquire or receive an ownership interest in other suppliers we designate to supply your franchise.

(h) Material Benefits From Use of Suppliers/Products/Services

We may take action, including terminating your franchise, if you purchase unapproved products, fail to sell all European Wax Center products, or make purchases from unapproved suppliers.

(i) Distribution/Purchasing Cooperatives

We have no purchasing or distribution cooperatives serving our franchise System. We may elect to do so in the future.

We do not offer direct or indirect financing. We do not guarantee your lease or other obligations.

Franchisees of the European Wax Center® franchise System are eligible for expedited and streamlined Small Business Administration (SBA) loan processing through the SBA’s Franchise Registry Program, www.franchiseregistry.com.

ITEM 11. FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

As noted in Item 1, we have entered into a management agreement with EWC Ventures, LLC to provide support and services to franchisees. However, we remain responsible for all of the support and services required under the Franchise Agreement.

Development Agreement

A. Before you sign the Development Agreement, we will determine the Development Territory, the number of Franchised Centers you must develop and the development schedule. (See the Schedules to the Development Agreement). You may not establish a Franchised Center anywhere outside of your Development Territory. If you fail to meet your obligations under the Development Agreement, we have the right to terminate the Development Agreement.

B. Before you execute a Franchise Agreement pursuant to the Development Agreement, we will provide you with our criteria for site selection and approve the site you have selected for the location of the Franchised Center. (See Section 5.2 of the Development Agreement). Criteria that we use to approve your site, include demographics, ingress and egress, competition from and proximity to other businesses, size, appearance, traffic count and other physical and commercial characteristics. We will determine or approve the location of each European Wax Center and any protected territories for those Centers in accordance with our then-current standards for sites and territories.

In addition to granting you the right to establish a specific number of Franchised Centers under the terms of the Development Agreement, and providing you with our site selection criteria as noted above, unless otherwise stated, we will provide you with the assistance described below for each Franchised Center you must open.

Franchise Agreement

We have affiliates, including our Manager (EWC Ventures, LLC), that may provide some or all of the services specified to be provided by us as required by your Franchise Agreement. We may change the services our affiliates provide to you, provided, however, that the Franchise Agreement will be entered into between you and us, and, therefore, we are ultimately responsible for ensuring that you receive the support services described therein.

A. Before you open your Franchised Center, we will:

1. provide you with our criteria for site selection and approve the site you have selected for the location of the Franchised Center. (Sections 2.3 and 5.1) Criteria that we use to approve your site, include demographics, ingress and egress, competition from and proximity to other businesses, size, appearance, traffic count and other physical and commercial characteristics.

2. designate your protected area (protected territory). (Sections 2.5, 2.6 and 2.7, Exhibit 6)

3. review and approve your lease (or purchase agreement) for the approved location solely for purposes related to the rider that we require franchisees to incorporate into their leases to protect our interests as franchisor. (Section 5.3) We do not typically obtain locations and lease or sublease those locations to franchisees, franchisees obtain rights to locations directly with the lessor or other owner of the property.

4. provide you with standard specifications for remodeling and equipping the approved location along with a list of required supplies, equipment, and improvements that you must purchase and install for the operation of the Franchised Center. (Section 5.4) We have created a development worksheet that assists you through this process. We do not assist in conforming the premises to local ordinances and building codes or obtaining any required permits. We also do not assist in construction, remodeling or decorating the center. You will work with a contractor, an architect and other professionals regarding construction, remodeling, and/or decorating your location premises. We do however provide franchisees with system specifications for the development of the center and lists of approved contractors and other professionals that have worked with other franchisees in the System. We will also provide you with a list of approved vendors for signage and required equipment and fixtures. We do not provide any storefront signage. You will receive from us promotional signage as part of your start-up marketing materials package.

5. supply or otherwise make available to you with a start-up package containing an initial inventory of European Wax Center products necessary to establish and operate the Franchised Center and certain start-up marketing materials for the opening of your Franchised Center. (Section 5.4.6)

6. provide you with an initial training program; provided that we reserve the right to require multi-unit operators of European Wax Centers to provide their own initial training program. This training is described in detail later in this ITEM 11. (Section 8)

7. provide to you on-site assistance and guidance to assist you with the opening of the Franchised Center. (Section 8)

8. provide to you, on loan, one (1) copy of the European Wax Center Confidential Operations Guide or grant you temporary access to an electronic copy of the Confidential Operations Guide. Currently, our complete Confidential Operations Guide is available on our intranet and consists of information, standards, procedures, resources, and tools for the operation of your Franchised Center. You will receive access to the current Confidential Operations Guide following execution of the Franchise Agreement. We may update or otherwise make changes our Confidential Operations Guide from time to time, and we will make new versions of the Confidential Operations Guide available to you through the intranet. Our current Center Operations Guide has approximately 128 pages, for which the table of contents can be found in Exhibit E. (Section 9.1)

B. After the opening of the Franchised Center, we will:

1. periodically, advise you and offer you general guidance by telephone, e-mail, newsletters, and other methods. Our guidance is based on our and our affiliate's knowledge and experience. We offer you advice and guidance on a variety of business matters, including operational methods, authorized products or services and marketing and sales strategies. (Section 14.1)

2. at our discretion, periodically visit the Franchised Center to advise, assist, complete center evaluations, and guide you in various aspects of the operation and management of the Franchised Center. We may prepare written reports suggesting changes or improvements in the operations of the Franchised Center and detail any deficiencies that become evident as a result of a visit. If we prepare a report, we will provide you with a copy. (Section 14.2)

3. make available to you, operations assistance, and ongoing training as we deem necessary. (Section 8)

Your location is independently owned and operated, which means you will employ a team of associates who will be your employees, not ours. While we do provide certain training, recommendations, and resources from time to time as part of our franchise System, the individuals who work in your Franchised Center are your employees, not ours, and you will have sole control over and responsibility for all employment-related matters at your independently owned and operated business, including hiring, training, scheduling, compensation, and disciplinary decisions.

4. approve forms of advertising materials you will use for local advertising, grand opening advertising, and cooperative advertising. (Section 11)

5. provide you with the right to purchase an ongoing supply of European Wax Center products and European Wax Center marketing materials. (Section 11 and 13.2)

6. provide you with modifications to the Confidential Operations Manual or make such modifications available to you electronically as they are made available to franchisees. Modifications and updates include e-mail network notifications and postings of material on our internal intranet. (Section 9.2)

C. Advertising and Promotion

Grand Opening Advertising.

As a franchisee, you must spend at least \$12,000 on grand opening advertising over the period spanning the three (3) months prior to commencing operations at the Franchised Center and the first three (3) months after commencing operations at the Franchised Center, including on print and news media, direct mail advertising, or other solicitation and promotional efforts. We will provide you with guidance for conducting grand opening advertising, and we will review and approve the materials you use in your grand opening advertising. We may require you to substantiate your expenditures on grand opening advertising. (Section 11.1).

Local Advertising/Cooperative Advertising/Marketing Programs, Promotions, and Initiatives.

In addition to your grand opening advertising obligations, each franchisee was historically required to spend at least two percent (2.00%) of your gross sales on local advertising, promotions, and public relations in their local area.

In 2012, we created a co-op contribution in which all locations in the United States were required to participate, to pool local advertising funds in an effort to create more effective advertising campaigns that help our franchisees at a local level. The co-op is administered by our affiliate, EWC Co-Op Fund. Each franchisee was required to contribute their entire two percent (2.00%) local advertising obligation to this local co-op which we administered.

In 2016, we combined our local advertising obligation with and our national marketing fund to provide a three percent (3.00%) marketing fund obligation. Information about the marketing fund is included below. Some franchisees who purchased their franchises prior to this change may still be paying the separate one percent (1.00%) marketing fund contribution and the two percent (2.00%) contribution for local advertising (currently to our co-op).

The co-op is governed by our franchise agreement as well as EWC Co-Op Fund's articles of organization and operating agreement, which generally requires that all contributions must be used for advertising and marketing programs designed to benefit European Wax Centers and their respective products and services within the applicable regions. Additional information regarding the co-op is made available to franchisees through the use of our intranet as well as network notifications that we send to our franchise network. Our goal is to be transparent with this program, and, therefore, franchisees are entitled to ask for copies of governing documents and applicable information at their discretion. Information on the intranet is available for franchisees to review. We do not separately audit this advertising co-op. As is the case with the Marketing Fund, the co-op is audited as part of a consolidated audit of our

parent's, consolidated financial statements, each year, typically within 120 days of the end of the fiscal year. The consolidated financial statements include our financials as well as the financials of the Marketing Fund, the co-op and our distribution company, EWC Distributor LLC.

You will purchase European Wax Center marketing materials from us or an approved supplier for use in your local advertising. You will pay for your ads and promotions directly, but we will provide you with general marketing guidelines and we will review and approve your advertisements.

Our franchise agreement also gives us the right to create other cooperative advertising and to establish, coordinate, and implement marketing programs, promotions, and initiatives from time to time. These cooperative advertising and marketing programs, promotions, and initiatives may require you to incur costs and expenses in addition to those for Ongoing Advertising and Grand Opening Advertising, and such cooperative advertising and marketing programs, promotions, and initiatives may vary in duration (including adoption on a permanent basis), apply on a local, regional, national basis, or involve clusters or groups of franchised centers utilizing services on a shared basis. We may, however, establish an advertising council for franchisees in each region to self-administer these programs. If we establish a cooperative advertising program or programs with or without an advertising council, there are no limits on our right to change, dissolve or merge such program(s) and/or council(s) at any time (Sections 11.4 and 11.5).

National Marketing Fund.

In addition to your grand opening obligations and other advertising obligations, franchisees must now contribute three percent (3.00%) of their gross sales to a System-wide Marketing Fund that we created. In 2016, we combined our local advertising obligation with our national marketing fund to provide this new three percent (3.00%) marketing fund obligation. Some franchisees who purchased their franchises prior to this change may still be paying the separate one percent (1.00%) marketing fund contribution and the two percent (2.00%) contribution for local advertising.

The marketing fund is administered by our affiliate, EWC MFund, LLC ("MFund"). We may adjust the amount of your required contribution to the marketing fund, but it will not exceed three percent (3.00%) of your gross sales during your initial term. (Section 11.3).

All franchisees and all corporate center locations contribute to the marketing fund. However, some legacy franchisees' contributions may only be one percent (1.00%) of gross sales. We along with MFund retain complete control with respect to the marketing fund, including the creative concepts and the materials and media to be used, and the placement and allocation of advertisements. MFund may use print, television, radio, Internet, or other media for advertisements and promotions. We do not guarantee that any particular franchisee will benefit directly or in proportion to their contribution from the placement of advertising by the Marketing Fund.

Marketing fund contributions may be used to meet any cost of, or reimburse us for our cost of, producing, maintaining, administering, and directing consumer advertising (including the cost of preparing and conducting television, radio, Internet, magazine, direct mail, and newspaper, billboard, social media, and digital advertising, other forms of out-of-home advertising and direct mail campaigns and other public relations activities; developing and/or hosting an Internet web page of similar activities; employing advertising agencies; providing promotional brochures; conducting market research and testing or piloting programs, products and services (including sampling); and providing other marketing materials to franchisees). All marketing fund amounts are maintained in a separate account from our operational funds and we will not use them for any of our general operating expenses, except for the fund's reasonable administrative costs and overhead related to the administration of the marketing fund. We will not use any contributions for the direct solicitation of franchise sales.

We provide information about our marketing programs at our national conference as well as at other European Wax Center franchise summits and expos and through periodic bulletins. We expect that all contributions will be used in the fiscal year they are made. MFund will use any interest or other earnings of the marketing fund before using current contributions. We intend for the marketing fund to be perpetual, but we have the right to terminate it if necessary. We will not terminate the marketing fund until all contributions and earnings have been used for advertising and promotional purposes or have been returned to our franchisees on a pro rata basis.

During the fiscal year ending December 31, 2022 the most recent completed fiscal year of our marketing and advertising funds, our marketing and advertising funds spent approximately 85% of their expenditures on general marketing with the remaining 15% allocated to general and administrative expenses. We have an in-house production team, so amounts allocated to general and administrative expenses help pay for production expenses for the marketing and advertising funds. In 2022, approximately 74% of the general marketing was directed towards guest acquisition and awareness. That portion was spread essentially over print, video, social, SEO/SEM, digital and content. We have a number of agency partners, and therefore our retainers with these partners account for a portion of our general marketing or more specifically approximately 26% of the overall general marketing. Other aspects of our general marketing include public relations, analytics, and development of branded merchandise and collateral. None of these funds are used to solicit franchisees.

The marketing fund has an accounting prepared each year, which is available upon request by our franchisees. We do not currently have the fund separately audited. The marketing fund however is audited as part of the audit of our and ultimate parent's, consolidated financial statements, each year, typically within 120 days of the end of the year. The consolidated financial statements include our financials as well as the financials of the marketing fund, the current co-op described above and our distribution company, EWC Distributor LLC.

Internet/Social Media.

Under the Franchise Agreement, you are restricted from establishing a presence on, or marketing using, the Internet, including through social media or any mobile applications, in connection with the Franchised Center without our prior written consent. We have established and maintain an Internet Web site at the uniform resource locator www.waxcenter.com that provides information about the franchise System and about European Wax Centers. We may (but we are not required to) include at the European Wax Center Web site an interior page (sometimes referred to as child pages) containing information about your Franchised Center. If we include such information on the European Wax Center Web site, we have the right to require you to prepare all or a portion of the page, at your expense, using a template that we provide. All such information shall be subject to our approval prior to posting. We retain the sole right to market on the Internet, including the use of Web sites, domain names, mobile applications, social media pages, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, auction sites, e-commerce, and co-branding arrangements. You may be requested to provide content for our Internet marketing, and you must follow our intranet and Internet usage rules, policies, and requirements. We retain the sole right to use the Marks on the Internet, including on Web sites, mobile applications, social media pages, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding, and other arrangements. We retain the sole right to approve any linking to, or other use of, the European Wax Center Web site and European Wax Center social media pages by franchisees. (Section 11.5)

We currently provide franchisees with search engine optimization and search engine marketing services through our vendors for a negotiated fee.

D. Computer/Telephone/Music/Point-of Sale Systems

You must purchase and use the POS system and other computer hardware and software programs and equipment that we designate. (Section 12.5). Each system is described below, and a complete detail of the hardware and software is available in our Confidential Operations Manual. All franchisees must have a high-speed Internet connection at their center.

Point of Sale System.

We implemented our new POS System (Violet) in all centers in 2020. Violet is one of the components of our new IT Platform that will use cloud-based technology to process and store information.

PCs with up-to-date Windows and Microsoft Office software will be leveraged for the initial deployment of the Violet system. Each franchisee must obtain a license from the software vendor Zenoti which will provide access to all functionality of our IT Platform and will provide franchisees with upgrades and updates.

Computer System.

Franchisees will be required to purchase certain desktop and/or laptop computers, as well as tablet devices (e.g., Apple iPads and/or Microsoft Surface Pros), to conduct business at the Franchised Center. These computer systems allow the personnel of franchisees to access separately our IT Platform (including those aspects pertaining to training, the franchisee community, and center-level performance metrics). Franchisees will be required to purchase and utilize all computer systems, hardware, and software that we specify from time to time. Currently, franchisees must utilize Windows 10 or 11 and the most update-to-date IOS version on all computer systems. Franchisees are not permitted use any previous versions of Windows or outdated IOS versions on any of the required computer systems. All computer systems must have a license to utilize Microsoft Office and must be kept in good repair, with access to a high-speed Internet connection to provide the required computer systems access to our IT Platform without interruption or interference.

Contactless Check-in System.

In 2020, we implemented a new contactless check-in system that allows customers to digitally check-in for reservations and wait in their car for appointments instead of in the European Wax Center. Center personnel may manage and view digital check-ins through an online queue. Guests are then alerted of reservation start via SMS text message to come inside the Center for service and escort to the applicable wax suite. A virtual waiting room is already built into the mobile app that franchisees will use in the operation of the Center. The fee for the mobile app is included in the Zenoti POS fees described below.

Telephone and Music System.

Each franchisee must have a telephone system using VOIP (Voice Over IP) with minimum of three (3) telephone lines. Some franchisees use a Lan Line, which typically increases costs. Franchisees must also purchase a music and messaging player and shelf.

Each franchisee must have a music and speaker system for guest rooms and telephones (on-hold music).

Miscellaneous.

Franchisees will continue to be required to purchase a network setup consisting of any EWC approved equipment, router, firewalls, network switch, volume controls, network equipment rack and amp. In exchange for the Technology & Security Fee (see Item 6) we provide system-wide security monitoring through a managed service provider to use our commercially reasonable efforts to protect centers from viruses, computer hackers, and other communications and computer-related problems not associated with security issues, including, but not limited to email accounts, virus protection software and other services, products, componentry, or enhancements. Technology requirements are further described in our Confidential Operations Manual and other period bulletins.

Costs.

POS System: The projected costs of all required hardware and software for the POS System ranges from \$22,000 - \$31,000, including costs for optional or required maintenance, installation, updating, upgrading or support contracts. These estimated costs are included in the category of “POS System (Violet); Other Computer, Telephone, and Security Surveillance Systems; and Installation” in Your Estimated Initial Investment chart in ITEM 7.

The following additional fees will apply on an ongoing basis in connection with the use of the IT Platform at your Franchised Center:

FEE TYPE	AMOUNT	DESCRIPTION	VENDOR
Technology & Security	\$310 per month	Security and Technology support and licenses	EWC Franchisor LLC
POS (Violet)	\$360 per month	Zenoti base fee, ezConnect (Zenoti Connect), and Zenoti Go (Mobile App)	Zenoti

Note: Fees may be subject to increase by vendors or EWC Franchisor LLC over time.

We have the right to independently access all information you collect or compile at any time without first notifying you and you may not install hardware or software designed to restrict our access. This information includes your sales information, staffing information for use with our reservation system and all other information relating to your Franchised Center that is tracked by your computer system.

You must maintain high speed internet access and must have Windows 10 (or any alternative operating system that Franchisor requires Franchisees to utilize in the future) and the latest IOS version installed on all required computer systems. You are not permitted use any previous versions of Windows or outdated IOS versions on any of the required computer systems. Our current recommendation for internet speeds for a center is a min of 20+ mbps for downloads and 10+ mbps for uploads. Low speeds may significantly impact POS operations.

Franchisees will continue to be required to update or upgrade computer hardware and software, whenever we believe it is necessary. We may introduce new requirements or modify our specifications and requirements for computer and point-of-sale systems. There are no limits on our rights to do so, except as disclosed in ITEM 16. We may charge you a reasonable fee if we or our affiliates develop or pay a third-party to develop and maintain proprietary software that we license to you. You will be required to sign certain software license and service agreements, and to pay all associated fees, for any software that we may develop, that we may pay a third party to develop, or that we may otherwise require you to procure from third parties directly.

E. Methods Used to Select the Location of the Franchised Center

If you have a potential site for the Franchised Center, you may propose the location for our consideration. We may consent to the site after we have evaluated it. If you do not have a proposed site, we will designate a geographic area in which you must locate the Franchised Center and we will furnish you with our general site selection criteria. Not all geographic areas may be available for development.

You are solely responsible for obtaining a site that meets our standards and criteria and that is acceptable to us. (Sections 2.3 and 5)

The general site selection and evaluation criteria which we consider in approving your site includes the condition of the premises, demographics and population density of the surrounding area, proximity to other European Wax Centers, proximity to competitive businesses, lease requirements, traffic, visibility, ease of access, available parking, and overall suitability.

We will provide you with written notice of our approval or disapproval of any proposed site within a reasonable time (usually 30 days) after receiving all requested information. If you and we cannot agree on a suitable site for the Franchised Center within 120 days after you sign the Franchise Agreement, we have the right to terminate the Franchise Agreement. You may not relocate the Franchised Center without our consent. (Section 5)

The Multi-Unit Development Agreement requires you to complete your development obligations by the required opening date for each Franchised Center that we insert on the Development Agreement before you sign it. You must sign a separate Franchise Agreement, a lease for the specified European Wax Center in the Franchise Agreement and open your European Wax Center on or before the required opening dates specified in your Multi-Unit Development Agreement. If you cannot find an acceptable site, the portion of the Development Fee for that Franchised Center is non-refundable.

Other regions may provide set trade areas for site selection or utilize other protocols, policies, or procedures throughout the site selection process. You should ask us about the protocols, policies, or procedures for designating sites for your region.

F. Typical Length of Time Before Operation

The average length to open a location has increased to 12-16 months with more saturation in targeted markets. You should be able to open within 6-7 months of signing (assuming you are able to secure a location within 120 days of signing your franchise agreement). In addition to being able to locate a site that meets our approval for the European Wax Center brands, factors that may affect your development include ability to secure permits, zoning and local ordinances, weather conditions and delays in installation of equipment and fixtures. (Section 5). If you sign multiple

Franchise Agreements at or around the same time, we may consider extending the development deadlines for your additional locations to ease the burden of opening multiple locations at the same time. These extended development schedules have also increased the average amount of time to open a center for our network and may be based on the opening of your previous Franchised Center or other criteria we believe is reasonable.

G. Training Program

We provide you an initial Brand Immersion and Core Training program that covers material aspects of the operation of the Franchised Center; provided that, we reserve the right to require multi-unit operators of European Wax Centers to provide their own initial training program. This initial training is in addition to the on-site opening assistance we provide to you. The topics covered are listed in the chart below.

Franchise training is currently provided in three parts. Part 1, Brand Immersion, is made available shortly after you sign your franchise agreement and is provided in-person at our headquarters in Plano, Texas or virtually via video conference. Generally, training for new franchisees is offered quarterly.

Part 2, Core Training is typically provided after your site has been approved. Part 2 is now available in an on-demand, eLearning setting, during which franchisees will complete self-led eLearning sessions when they reach certain milestones during the development process. The sessions include six topics, all of which must be completed prior to obtaining location launch approval.

Part 3, On-Going Training, is typically provided when needed and on an *ad hoc* basis. This may be in form of webinars, additional eLearning courses and other resources or job aids.

We may designate alternate locations from time to time.

Your Franchised Center must be under the day-to-day supervision of a center manager who has satisfactorily completed our training program. You must therefore designate a manager for the Franchised Center and your center manager must attend and successfully complete the Brand Immersion and Core Training program for managers at our satisfaction before you begin operating. The current management program is a 90-day program. The training schedule consists of a series of on-demand, self-led eLearning training sessions with on-the-job practical applications. Your center manager must complete the Brand Immersion and Core Training program (0-30 days) no later than 7 days prior to commencing operations. If you replace your center manager, the replacement center manager must complete this initial training program within 30 days of assuming the duties of the center manager.

After completion of Franchisee training and Manager training, and when your center is ready to launch, we then provide launch training at your franchise location generally over a 6-day period.

We expect that your attendees of our training programs will advance through the training programs at different rates depending on a variety of factors, including background and experience. The time frames provided in the chart are an estimate of the time it will take to complete training.

We may permit other persons within your organization to attend training. We do not charge for the standard initial training provided all trainees are trained simultaneously for your first location launch, but you are responsible for all costs associated with all those you have attend the training. We reserve the right to charge you an additional training fee for additional training programs or, if at your request, we provide training to your trainees at different times. You must pay for all travel costs and living expenses for yourself and any of your attendees. These costs are estimated in ITEM 7. Your costs will increase should you elect to have additional people attend the training.

Certain training may also be conducted by our affiliates or designees in your protected territory.

We may provide a substitute or additional trainers to provide training to you. There are no limits on our right to assign a substitute trainer to provide training.

Periodically, we may require that previously trained and experienced franchisees, their managers, and/or employees attend refresher-training programs to be conducted at a location we designate. Attendance at these training programs will be at your sole expense (Section 8.6).

In addition, we currently intend to conduct a national conference on an approximately 18-month basis, subject to public health restrictions on large gatherings, which you and your center managers are required to attend at your own costs and expense. The requirement to attend the national conference is in addition to the ongoing training sessions discussed above. During the national conference, we provide franchisees and their managers with refresher-training programs, among other activities. The frequency of future conferences may vary but will occur no more frequently than annually.

We try to limit any additional refresher-training programs to webcasts, teleconferences, video conferences and other means that do not require travel or attendance in person. These periodic webcasts, teleconferences and video conferences may be conducted on a local, regional or national level and we may require you to attend these meetings.

We may modify training components or requirements in our discretion based on changes to the market conditions or other circumstances applicable to the operation of your location. We may also adapt any training

program or create special training programs based on the needs of a particular franchisee or its personnel. In addition to our training program, we may provide other educational opportunities and extra-curricular programs to you and your staff, which may be voluntary or required and may carry separate fees.

Our current fees for additional training and educational opportunities are described in ITEM 6. You are responsible for all travel costs, room and board and employees' salaries incurred in connection with training.

ITEM 12. TERRITORY

Development Agreement

If you enter into a Multi-Unit Development Agreement with us, we will grant you a right to develop Franchised Centers in a mutually agreed upon geographic area (the "Development Territory"). The Development Territory will be described in a schedule attached to the Development Agreement. The size of a Development Territory may range from a portion or all of a city, county, metropolitan area, or marketing area based on a variety of factors, including population, density, traffic, median population age, proximity to competitors, proximity to other franchisees and natural, physical, or political boundaries. Generally, there is no minimum or maximum size for a Development Territory because the size of the Development Territory varies based on these factors.

Your Development Territory will be protected in that we will not establish any new European Wax Centers franchises within your Development Territory. However, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We reserve the right to acquire, or be acquired by, one or more existing businesses or chains that may sell competitive or identical goods or services (whether through company locations, licenses or franchises). If we acquire an existing competitive business, the acquired business's locations may be converted into European Wax Centers operating under Marks regardless of their location, including within your Development Territory. If this were to happen, we will give the first chance to buy the location before we look to sell on the open market. Alternatively, we may allow the existing businesses to operate under different trademarks, including within your Development Territory. Similarly, if we are acquired by a competitive business, the acquiring business's locations may be located and operate within your Development Territory, regardless of whether they operate under the Marks or under different trademarks.

Each Franchised Center you are obligated to develop under your Development Agreement is to be located at a location within your Development Territory that has been approved by us. You will sign a Franchise Agreement for each Franchised Center. When you sign the Franchise Agreement, we will grant you a protected territory as further described below under the heading "Franchise Agreement." We will determine or approve the location of each European Wax Center and any protected territories for those Centers in accordance with our then-current standards for sites and territories.

The continuation of the Development Agreement protected territory is dependent your compliance with the terms of the Development Agreement, including the Development Schedule. If you default on the terms of the Development Agreement, we may, in addition to our other available remedies, terminate the Development Agreement; modify, reduce and/or accelerate the Development Schedule; or terminate, modify and/or reduce the Development Territory, without your consent.

Franchise Agreement

You will operate your European Wax Center franchise from a single location that we approve. In reviewing proposed sites, we consider a number of factors, including the condition of the premises, demographics and population density of the surrounding area, proximity to other European Wax Centers and other competitive businesses, presence of anchor locations, lease requirements, strength of the shipping center, visibility, ease of access, traffic count, size, appearance, available parking, and overall suitability. You must receive our permission before relocating. If you can no longer use the location due to circumstances beyond your control or fault, including destruction of the premises,

you may be allowed to relocate, however, we will consider similar criteria for any proposed new location for your franchise.

Your ability to locate a site may also be impacted by other factors including the number of other franchisees looking for a site for their Franchised Center within your region and other physical and commercial characteristics of the region. Because protected territories are not determined until a franchisee has located an approved site, there will likely be other franchisees within your region looking for a site at the same time as you.

Once you secure a site approved by us, we will grant you a right to a protected territory (called a “protected territory”). The protected territory will be described and depicted in a map attached to the Franchise Agreement if your site is known at the time of signing. If your site is not known at the time of signing, your protected territory will be attached to the Franchise Agreement at the time your site is determined. We determine the boundaries of the area based on a variety of factors, including population, density, daily influx of core customers (for work, tourism or other reasons), traffic, median population age, proximity to competitors, proximity to other franchisees and natural, physical or political boundaries. Generally, there is no minimum or maximum size for a protected territory because the size of the protected territory varies based on these factors, and we do not guarantee a protected territory of any specific size or shape.

The protected territory is not dependent upon achievement of a specific sales volume, market penetration, or any other contingency. Provided that you materially comply with the terms and conditions of the franchise agreement, we will not reduce the radius of the protected territory that is granted to your Franchised Center during the initial term of the franchise agreement.

Your territory will be protected in that, we will not establish any new European Wax Centers franchises within your protected territory. However, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We reserve the right to acquire, or be acquired by, one or more existing businesses or chains that may sell competitive or identical goods or services (whether through company locations, licenses or franchises). If we acquire an existing competitive business, the acquired business’s locations may be converted into European Wax Centers operating under the Marks regardless of their location, including within your protected territory. If this were to happen, we will give the first chance to buy the location before we look to sell on the open market. Alternatively, we may allow the existing businesses to operate under different trademarks, including within your protected territory. Similarly, if we are acquired by a competitive business, the acquiring business’s locations may be located and operate within your territory, regardless of whether they operate under the Marks or under different trademarks.

From time to time, we may grant franchise groups who acquire multiple franchise licenses intended for a specific area, area protection rights to allow them to develop their multiple licenses within the defined area. For example, we provided a franchise group in Lower Manhattan protected development rights based on the number of locations they open and operate. We base these determinations on a number of factors, including the size of the prescribed area, the number of licenses being developed and other factors we deem important, and also reserve the right to extend these rights based on similar factors.

From time to time, we may grant multi-unit developers a right of first offer in connection with proposed transactions involving the sale of one or more franchise locations within the developer’s existing development territory. In the event that a developer now or later possesses a right of first offer for proposed transactions within the area where your Franchised Center is located, we will provide notice of the developer’s right of first offer following your submission of a transfer request and our receipt of bona fide, signed letter of intent.

We have established and maintain a permanent online store at waxcenter.com through which we offer and sell products directly to customers. Our e-commerce activities may compete with your Franchised Center. We currently have a network revenue share program in place through which we share ten percent (10.00%) of eCommerce order revenue with applicable franchisees based on the guest center of loyalty. To be eligible for the e-commerce order revenue share, the ordering guest must have had at least one visit to the franchisee’s Center in the twelve (12) months preceding the order. If a guest has visited multiple Centers, then the franchisee’s Center with the greatest guest spend receives the e-commerce order revenue share. For guests who place e-commerce orders without a Center visit within the twelve months preceding the order, no franchisee credit will be applied. We reserve the right to modify, cancel or discontinue this program at any time in our sole discretion.

We also reserve the right to establish alternate channels of distribution for the sale of European Wax Center products, including additional Internet sales, telemarketing, or other direct marketing sales. These activities may compete with your Franchised Center. There is no requirement that we compensate you for any sales made in your area through an alternate channel of distribution. You may not use any alternate channels of distribution for your franchise, including Internet sales, telemarketing, mobile units, or other direct marketing sales, without our approval.

We also reserve the exclusive right to advertise the franchise System on the Internet, including through social media and through mobile applications.

If you choose to sell the Franchised Center, you must first provide notice in the manner set forth within the Franchise Agreement so that we may decide whether we want to exercise our right of first refusal to purchase the Franchised Center from you. You do not receive the right to acquire additional franchises in your protected territory. You must meet our qualifications for new franchisees to qualify for consideration for an additional franchise location.

There are no geographic restrictions on soliciting customers or advertising for customers outside of your protected territory, except that you may not advertise on the Internet, including through the use of social media, without our consent and, unless you are advertising cooperatively with another franchisee, you may not advertise in any media primarily circulated within another franchisee's protected territory. However, we do reserve the right to approve all promotional activity and we do evaluate how your target audience may impact other locations within your area. You are not restricted from selling any products or services to customers based on where they work or live. If we request, you must combine advertising with other franchises that are located in the market targeted by the advertising.

Our franchise System includes a clearing house process that we control where amounts received for gift cards, rewards points and wax passes are applied to the location where the gift card, rewards points or wax passes are redeemed as opposed to where they may have been purchased. For example, a prescribed amount of each gift card purchased at Location A but redeemed at Location B will be credited to Location B through the clearing house process.

ITEM 13. TRADEMARKS

You receive the right to operate your center under the name "EUROPEAN WAX CENTER[®]" which is the primary Mark used to identify our franchise System. You may also use any other current or future Mark to operate your Franchised Center that we designate in writing, including the logo on the front of this Disclosure Document and the trademarks listed below. By "Marks" we mean the trade names, trademarks, service marks and logos used to identify European Wax Centers and our products and services. As part of the Securitization Transaction, our affiliate, EWC P&T, LLC, assigned to us all ownership interests in and rights to the registered Marks. EWC P&T, LLC still holds ownership interests in certain pending U.S. trademark applications, which will be assigned to us once if and when the pending trademark applications are granted registration by the United States Patent and Trademark Office.

As of the date of this Disclosure Document, subject to recordation of assignments in connection with the Securitization Transaction and exceptions for pending applications noted below, we have a registration on the Principal Register of the U.S. Patent and Trademark Office ("USPTO") for the following principal Marks:

There are currently no effective material determinations of the USPTO, trademark trial and appeal board, the trademark administrator of this state or any state or any court; pending infringement, opposition or cancellation; or pending material litigation involving any our principal Marks.

On March 26, 2019, Bryan Boigris filed an action titled Brian Boigris v. EWC P&T, LLC, a Florida limited liability, Case 1:19-cv-21148-XXXX (filed United States District Court, Southern District Of Florida – March 26, 2019), seeking an appeal and trial de novo pursuant to 15 U.S.C. §1071(b) as to the final decision of the Trademark Trial and Appeal Board of the USPTO that sustained our opposition to Plaintiff’s application to register three trademarks, “Reveal Me”, “Smooth Me” and “Renew Me”. Plaintiff also seeks declaratory relief concerning these marks, as well as declaratory relief concerning the superiority of Plaintiff’s Marks in relation to our filed trademarks. We and our affiliates vehemently disagree that the Plaintiff has any basis to make any claims with respect to these marks and plan to diligently defend our rights. On February 28, 2020, the court issued an order granting a summary judgment in favor of EWC. Following briefing by the parties, on March 12, 2020, the district court issued an order awarding statutory damages to us. On April 20, 2020, the district court entered judgment in favor of EWC and against the Plaintiff. Plaintiff filed a notice of appeal on May 20, 2020 in the United States Court of Appeals for the Eleventh Circuit. On October 7, 2020, we filed a motion for damages and double costs pursuant to Federal Rule of Appellate Procedure 38 for a frivolous appeal. We have simultaneously sought discovery in aid of execution at the district court level. On January 31, 2022, Plaintiff filed a Chapter 7 bankruptcy case in the United State Bankruptcy Court for the Southern District of Florida (Case No. 21-21027-LMI), which is currently pending.

To our knowledge, there are no other infringing uses and there are no prior superior uses actually known to us that could materially affect the use of principal Marks in any state in which a European Wax Center may be located.

Other than the above, there are no agreements currently in effect, which significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

All required affidavits and renewals have been filed.

You do not receive any rights to the Marks other than the nonexclusive right to use them in the operation of your Franchised Center. You must follow our rules when you use the Marks. You must use the Marks as the sole trade identification of the Franchised Center. You cannot use a name or Mark as part of a corporate name (except that we do allow franchisees to use "EWC" in their corporate name) or with modifying words, designs or symbols except for those which we license to you. You may not use any Mark in connection with the sale of any unauthorized products or services or in any other manner that we do not authorize in writing. You must obtain a fictitious or assumed name registration if required by your state or local law. Any unauthorized use of the Marks by you is a breach of the Franchise Agreement and an infringement of our rights in the Marks. You must not contest the validity or ownership of the Marks, including any Marks that we license to you after you sign the Franchise Agreement. You must not assist any other person in contesting the validity or ownership of the Marks.

You must immediately notify us of any apparent infringement of, or challenge to your use of, any Mark, or any claim by any person of any rights in any Marks, and you may not communicate with any person other than us and our counsel regarding any infringements, challenges or claims unless you are legally required to do so, however, you may communicate with your own counsel at your own expense. We will take the action we think appropriate in these situations; we have exclusive control over any settlement or proceeding concerning any Mark. You must take any actions that, in the opinion of our counsel, may be advisable to protect and maintain our interests in any proceeding or to otherwise protect and maintain our interests in the Marks.

While we are not required to defend you against a third-party claim against your use of our Marks, we will reimburse you for all of your expenses reasonably incurred in any legal proceeding disputing your authorized use of any Mark, but only if you notify us of the proceeding in a timely manner and you have complied with our directions with regard to the proceeding. We have the right to control the defense and settlement of any proceeding. We will not reimburse you for your expenses and legal fees for separate, independent legal counsel and for expenses in removing signage or discontinuing your use of any Mark. We will not reimburse you for disputes where we challenge your use of a Mark.

If we require, you must modify or discontinue the use of any Mark and to use other trademarks or service marks we designate. We do not have to reimburse you for modifying or discontinuing the use of a Mark or for substituting another trademark or service mark for a discontinued Mark. If we adopt and use new or modified Marks, you may have to add or replace equipment, signs and fixtures, and you may have to make other modifications as we designate as necessary to adapt your franchise center for the new or modified Marks. We do not reimburse you for any loss of goodwill associated with a modified or discontinued Mark.

You must notify us if you apply for your own trademark or service mark registrations. You must not register or seek to register as a trademark or service mark, either with the USPTO or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any of our Marks.

You may not establish, create or operate an Internet site or Web site using any domain name containing the words European Wax Center or any variation of European Wax Center without our prior written consent.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We claim copyrights in the Confidential Operations Manual, marketing materials, training materials, and other copyrightable items that are part of the franchise System. While we claim copyrights in these and similar items, we have not registered these copyrights with the United States Register of Copyrights. You may use these items only as we specify while operating your Franchised Center and you must stop using them if we direct you to do so. However, we and our Affiliates have registered our website located at <http://waxcenter.com> with the U.S. Copyright Office.

To our knowledge, there are currently no effective determinations of the U.S. Copyright Office or any court regarding the copyrighted materials. Our right to use or license copyrighted items is not materially limited by any agreement or known infringing use.

We have developed trade secrets and other confidential information, including our proprietary wax, methods of business management, sales and promotion techniques, and know-how, knowledge of, and experience in, operating a European Wax Center. We will provide our trade secrets and other confidential information to you during training,

in the Confidential Operations Manual and as a result of the assistance we furnish you during the term. You may only use the trade secrets and other confidential information for the purpose of operating your Franchised Center. You may only divulge trade secrets and other confidential information to employees who must have access to it in order to operate the Franchised Center. You are responsible for enforcing the confidentiality provisions as to your employees.

Those that receive access to trade secrets or other confidential information, including shareholders, officers, directors, partners, members may be required to sign nondisclosure and/or non-competition agreements in a form prepared by and acceptable to us.

At this time, there are no patents that are material to the franchise System. We do not own rights in or to any patents that are material to the franchise business. You do not receive the right to use any patents from us.

As of December 31, 2022, we projected the opening of approximately ninety-five (95) franchise European Wax Centers and zero (0) Company Owned outlets during fiscal year 2023.* Franchisees, from time to time, sign multiple franchise agreements at the same time and therefore, we may allow them to stagger the openings of their European Wax Centers. Therefore, some franchisees may not open a location within one year of the signing of their franchise agreement.

*** We converted from an accounting calendar year to a version of the 4-5-4 merchandising calendar year promulgated by the National Retail Federation, effective initially for the period beginning January 1, 2016.**

Exhibit G contains a list of the name, city and state, and the current business telephone number (or, if unknown, the last known home telephone numbers) of every franchisee who had an outlet terminated, canceled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under the franchise agreement during our most recently completed fiscal year or who have not communicated with us within ten (10) weeks of the issuance date of this Franchise Disclosure Document, if any. Exhibit G also includes a list of every franchisee who transferred their Franchised Center (or controlling ownership of their Franchised Center) to an unaffiliated third-party during our most recently completed fiscal year, including franchisees who might remain in the System with other Franchised Centers.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise System.

Franchisee Associations.

Franchisor does not sponsor any trademark specific franchisee association and no independent franchisee associations have requested disclosure in this Disclosure Document.

Confidentiality Provisions.

During the last three fiscal years, we have signed confidentiality clauses with certain current or former franchisees. Each confidentiality agreement was entered into as part of a settlement of a dispute between us and the current or former franchisee. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with the European Wax Center franchise system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

Once established, Franchisee shall not close the Electronic Depository Transfer Account without Franchisor’s prior written consent. In the event Franchisee desires to change its Electronic Depository Transfer Account, it shall provide

Franchisor at least thirty (30) days' prior written notice by completing an updated draft authorization with the updated account information. Franchisor reserves the right to assess a reasonable fee upon each such change request.

Any alleged non-performance or breach of Franchisor's or Franchisor's Affiliates' obligations under this Agreement or any related agreements does not establish a right at law or in equity for Franchisee to withhold payment due to Franchisor for the Royalty Fees, Marketing Fund Contributions, European Wax Center Technology Fees, amounts due for purchases by Franchisee from Franchisor, or by Franchisee from any of Franchisor's Affiliates, or any other amounts due to Franchisor or Franchisor's Affiliates. Franchisee hereby waives any and all existing and future claims and offsets against any such amounts due hereunder, which amounts must be paid when due. Franchisor and its Affiliates are entitled to apply or cause to be applied against amounts due to either of them, any amounts that may from time to time be held by Franchisor or its Affiliates on Franchisee's behalf or owed to Franchisee by Franchisor or its Affiliates.

3.8 Franchisor to Act as a Clearing House for Gift Cards and Membership Plans.

Franchisor may act as a clearing house, pursuant to which it may collect amounts received by European Wax Center locations for gift cards, Approved Package and Membership Programs, rewards points and through other similar promotional programs, and remit all or a portion of these amounts to the European Wax Center locations where these gift cards, Approved Package and Membership Programs, rewards points and other items are redeemed by a guest. If Franchisor operates any such clearing house established by Franchisor or its Affiliates, then Franchisee shall fully cooperate with any electronic method of monetary collection of funds utilized by Franchisor with respect to the clearing house. Terms, conditions, and procedures related to the operation of the clearing house may be further detailed in the Confidential Operations Manual or as otherwise prescribed by Franchisor in writing.

In the event Franchisee sells a European Wax Center gift card, Approved Package and Membership Program or any similar promotional item that is subject to clearing house operations, the amount of the sale will be included in the Franchisee's Gross Sales at the time of the sale (and therefore subject to Royalty Fees, Marketing Fund Contributions and any other amounts that are based on Gross Sales). Subject to the terms and conditions of this Agreement and Franchisor's clearing house terms, conditions and procedures, any available balance of the gift card, Approved Package and Membership Program or the like is deemed for all purposes that of Franchisee, subject however to the offsetting outstanding liabilities associated with such guest's rights to redeem such item. For the avoidance of doubt, unless otherwise provided by any such clearing house terms, conditions and procedures or otherwise required by applicable law, Franchisee is not required to segregate these amounts from other accounts or assets Franchisee may have, and Franchisee may use these amounts for any legal purpose whatsoever. Upon any redemption of a European Wax Center gift card, Approved Package and Membership Program or any similar promotional item that is subject to clearing house operations, Franchisor will "clear" the funds redeemed by debiting this amount from the Electronic Depository Transfer Account of the franchisee that sold the European Wax Center gift card, Approved Package and Membership Program or such other promotional item that is subject to clearing house operations, and then credit that same amount to the franchisee that redeemed the same. Gross Sales and related Royalty Fees, Marketing Fund Contributions and any other amounts that are based on Gross Sales shall be adjusted, as applicable, to account for such redemption in accordance with Franchisor's clearing house terms, conditions, and procedures. In the event the European Wax Center gift card, Approved Package and Membership Program or other promotional item that is subject to clearing house operations is redeemed or refunded at the original location where it was sold, no funds will be cleared, and no activity will appear on any franchisee's clearing house statement as a result of such redemption. In the event Franchisor or its Affiliates issue a European Wax Center gift card, Approved Package and Membership Program or any similar promotional item that is subject to clearing house operations or otherwise distribute a European Wax Center gift card, Approved Package and Membership Program or any similar promotional item that is subject to clearing house operations through other channels of distribution, including, through Franchisor's website, Franchisor will be responsible for clearing the funds to the redeeming franchisee without any corresponding debit due to the fact that Franchisor originally issued the item.

For the avoidance of doubt, until such time as an outstanding European Wax Center gift card, Approved Package and Membership Program or other similar promotional item that is subject to clearing house operations is redeemed, the issuer (whether that is a franchise location or Franchisor) that sold or issued such item that is subject to the clearing house shall remain fully liable for the outstanding balance (or the pro-rata portion of the cash equivalent with respect to rewards points) that remains unredeemed, regardless of the fact that such liabilities remain contingent

on redemption. For purposes of this Agreement, these liabilities shall be deemed liabilities to Franchisor until such amounts are deemed earned on redemption, or are otherwise cleared through the clearing house procedures upon redemption at a different location; provided, that if pursuant to applicable law Franchisee is required to pay such amounts as a result of abandonment (*e.g.*, escheatment laws), Franchisee shall comply with such requirements and any such amounts actually paid shall offset Franchisee's ongoing liabilities associated with such abandoned property. From time to time, Franchisor may provide Approved Package and Membership Programs that provide an unlimited amount of services within the prescribed membership period (*e.g.*, an Unlimited Wax Pass), and therefore, each issuing location bears the liability for the total number of possible services under each such unlimited Approved Package and Membership Program in accordance with Franchisor's clearing house policies and procedures, which may equal an amount greater than the face value of the unlimited Approved Package and Membership Program.

Franchisee acknowledges and agrees that certain laws exist that require payors to report and remit amounts that are deemed abandoned or unclaimed under applicable escheatment laws, as well as the exercise of certain efforts to locate the payee of such abandoned and unclaimed amounts. Without limiting Franchisee's responsibility to comply with each such applicable law, in the event Franchisor is required to make any filing or pay any amount related to such abandoned and unclaimed property sold at the Franchised Center under applicable escheatment or similar laws, Franchisor may, in addition to any other rights and remedies Franchisor may have, including Franchisor's rights to indemnification under this Agreement, to the fullest extent permitted by applicable law, clear the funds from Franchisee's Electronic Depository Transfer Account to account for any such amounts Franchisor is required to pay on account of funds Franchisee collected on the sale.

3.9 Late Fees.

All Royalty Fees, Marketing Fund Contributions, amounts due for purchases by Franchisee from Franchisor or Franchisor's Affiliates and other amounts that are not received by Franchisor within five (5) days after the due date shall bear interest at the rate of one and one-half percent (1.50%) per month (or the highest rate allowed by law of the state where Franchisee is located, whichever is lower) from the date payment is due to the date payment is received by Franchisor. Franchisee shall pay Franchisor for all costs incurred by Franchisor in the collection of any unpaid and past due Royalty Fees, Marketing Fund Contributions or any other amounts due Franchisor or Franchisor's Affiliates, including reasonable legal and professional fees.

3.10 Administrative Charges.

Franchisee understands and acknowledges the importance of operating the Franchised Center and using the Marks in strict conformity with the System and all requirements, specifications, standards, operating procedures, and rules set forth in this Agreement, the Confidential Operations Manual or other communications supplied to Franchisee by Franchisor. Franchisee acknowledges that in the event Franchisee fails to comply with any such compliance requirement, Franchisor will likely incur administrative expenses in reviewing and assessing such non-compliance, issuing non-compliance notifications, and performing other functions as a result of such non-compliance, which such amounts are not readily ascertainable, and which have not been elsewhere reserved for in this Agreement. Accordingly, in the event Franchisee fails to comply with System or any applicable requirements, specifications, standards, operating procedures or rules, Franchisor reserves the right to assess an administrative fee for each such documented failure in accordance with Franchisor's policies and procedures. In order to assess any such administrative fee, Franchisor will provide written notice of non-compliance (e-mail acceptable) to Franchisee, along with reasonably sufficient detail of such act(s) of non-compliance. Franchisee acknowledges that the administrative fees assessed pursuant to this Section are fair and reasonable and not a penalty, and shall not limit any other rights to remedies in law or in equity Franchisor may have pursuant to this Agreement or otherwise in connection with such acts of non-compliance (including Franchisor's self-help rights provided in Section 16.6), but such administrative fees shall be limited to \$500 per occurrence; provided, that such limitation may be increased up to an additional \$500 for each additional occurrence that occurs within a 12-month period to account for Franchisor's and its Affiliates' ongoing oversight and review of Franchisee's overall compliance with the System and all requirements, specifications, standards, operating procedures and rules set forth in this Agreement, the Confidential Operations Manual or other communications supplied to Franchisee by Franchisor. Notwithstanding the foregoing, Franchisor agrees to waive imposition of the above-described administrative charge provided Franchisee has not been issued any such notices of non-compliance within the immediately preceding twelve (12) month period. The limitations set forth in this Section 3.10 may be increased consistent with increases to the Consumer Price Index since the Effective Date. For the

avoidance of doubt, in no event shall Franchisor or its Affiliates have any obligation to Franchisee or any other franchisee to enforce its rights under this Section against any franchisee.

3.11 Application of Payments by Franchisor.

Notwithstanding any designation by Franchisee, Franchisor has the right to apply any payments by Franchisee to any past due indebtedness of Franchisee and accrued interest thereon for Royalty Fees, Marketing Fund Contributions, European Wax Center Technology Fees, purchases, or any other amount owed to Franchisor or any Franchisor Affiliate.

4. INITIAL TERM AND SUCCESSOR FRANCHISE AGREEMENT

4.1 Initial Term.

The term of this Franchise Agreement (the “**Term**”) shall commence on the Effective Date, and unless sooner terminated pursuant to this Agreement, shall expire on the ten-year anniversary of the Commencement Date (the “**Expiration Date**”). The “**Commencement Date**” shall be the date that is the earliest of: (a) the date that Franchisee initially opens for business to the public in the Franchised Center (based on Franchisor’s records, which shall control); or (b) the one (1) year anniversary of the Effective Date. Subject to Franchisee’s rights to a Successor Franchise in accordance with Section 4.2 of this Agreement, the Term shall expire without prior notice on the Expiration Date. At the request of Franchisor, Franchisee will execute the Commencement Date Agreement attached hereto as Exhibit 7. In the event of a dispute as to the Commencement Date, Franchisor’s determination shall be final and binding.

[NOTE: IF THE FRANCHISE AGREEMENT IS EXECUTED AS PART OF AN ASSIGNMENT OF AN EXISTING FRANCHISE AGREEMENT, THE TERM WILL REFLECT THE TERM OF THE EXISTING FRANCHISE AGREEMENT.]

[NOTE: IF THE FRANCHISE AGREEMENT IS A SUCCESSOR FRANCHISE AGREEMENT EXECUTED AS PART OF A RENEWAL, THE TERM WILL REFLECT 10-YEARS FROM THE EXPIRATION OF THE TERM OF THE INITIAL FRANCHISE AGREEMENT.]

The Term shall be renewable pursuant to the terms of this Agreement for one (1) ten-year renewal period (a “Successor Franchise”) as provided in Section 4.2.

[NOTE: IF THE FRANCHISE AGREEMENT IS A SUCCESSOR FRANCHISE AGREEMENT EXECUTED AS PART OF A RENEWAL AND THERE IS NO REMAINING SUCCESSOR TERM, SECTION 4.2 WILL BE INTENTIONALLY DELETED UNLESS THE RENEWING FRANCHISEE PURCHASES AN ADDITIONAL 10-YEAR SUCCESSOR TERM. THE FEE FOR AN ADDITIONAL 10-YEAR SUCCESSOR TERM IS 50.00% OF THE THEN-CURRENT FRANCHISE FEE FOR THE REGION.]

4.2 Successor Franchise Agreement.

Subject to the conditions below, if this Agreement is at such time in full force and effect, Franchisee has the right to obtain one (1) Successor Franchise at the expiration of the Term by entering into a new franchise agreement with Franchisor. Franchisee’s right to obtain a Successor Franchise is limited to one (1) additional successive term of ten (10) years. To qualify for a Successor Franchise, each of the following conditions shall have been fulfilled and remain true as of the last day of the Term:

4.2.1 Franchisee shall have submitted to Franchisor written notice of its intent to operate a Successor Franchise not less than twelve (12) months nor more than twenty-four (24) months prior to the end of the Term, along with the payment of a renewal fee in the amount of \$5,000.00 in immediately available funds, by wire transfer to an account designated by Franchisor; provided, that in the event Franchisee does not receive the Successor Franchise for any reason, Franchisor shall promptly refund the full \$5,000 renewal fee (without interest) to Franchisee;

4.2.2 Franchisee complied with all material terms of this Agreement during the Term (Franchisee will be deemed to have “complied” with a material term if Franchisee timely cures any breach of such term within the time periods required by this Agreement);

4.2.3 Franchisee has access to and, for the duration of the Successor Franchise’s term, the right to remain in possession of the Approved Location, or a suitable substitute location in the Protected Territory reasonably approved by Franchisor, which is in full compliance with Franchisor’s then-current specifications and standards, it being understood that if Franchisee does not have rights to the Approved Location or any suitable substitute location at the time of renewal for the duration of the Successor Franchise’s term, Franchisor may still agree to allow Franchisee to renew for a Successor Franchise, but that in the event Franchisee’s rights to the Approved Location expire or are terminated, Franchisee will be required to comply with Franchisor’s then-current terms and conditions (which are currently set forth in Section 5 of this Agreement) in connection with locating and obtaining rights to a location within the Protected Territory for the operation of the Franchised Center and in such an event, Franchisee shall not continue to operate the Franchised Center until such time as Franchisee obtains and develops a replacement location pursuant to the terms of Section 5;

4.2.4 Franchisee, at its expense, made such capital expenditures as were necessary to maintain uniformity with any Franchisor-required System modifications such that the Franchised Center reflects Franchisor’s then-current standards and specifications;

4.2.5 Franchisee satisfied all monetary obligations owed by Franchisee to Franchisor (or any Franchisor Affiliate);

4.2.6 Franchisee is not currently in default of any provision of this Agreement or any other agreement between Franchisee and Franchisor or Franchisor’s Affiliates and has not been given written notice of default, whether relating to the same or different defaults, more than twice during the Term, regardless of whether such defaults were cured;

4.2.7 Franchisee executed Franchisor’s then-current form of franchise agreement and related agreements as offered to new franchisees (including similar unlimited guarantees to those signed in connection with this Agreement), or at Franchisor’s election, executed renewal documents of this Agreement in the form provided to renewing franchisees generally, in each case with appropriate modifications to reflect the grant of a Successor Franchise under this Agreement, it being understood that the terms of such renewal (including those within any then-current form franchise agreement) shall supersede this Agreement and control in all respects for purposes of such Successor Franchise, and the terms of which may differ materially from the terms of this Agreement, including by requiring, among other things, a different Royalty Fee and Ongoing Advertising obligation. Notwithstanding the foregoing, under any such successor franchise agreement: (a) Franchisee shall not be required to pay any Franchise Fee (other than the Renewal Fee); (b) there shall be no further right to another successor term; and (c) Franchisor may, but without an obligation to do so, redefine the Protected Territory for the Successor Franchise to account for changes in population density, demographics, consumer behavior and other factors Franchisor deems reasonably appropriate, taking into account, if applicable, Franchisor’s then-current methodology for awarding protected territories for new locations in the region where the Franchised Center is located;

4.2.8 Franchisee complied with Franchisor’s then-current qualifications for a new franchisee and has agreed to comply with any training requirements; and

4.2.9 Franchisee has executed a general release, in a form the same as or similar to the General Release attached as Exhibit 1, of any and all claims against Franchisor, any Affiliate and against their officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and individual capacities), except to the extent prohibited by the laws of the state where the Franchisee or the Franchised Center is located.

5. LOCATION FOR FRANCHISED CENTER; LEASE; DEVELOPMENT; OPENING

5.1 Selection of Site.

5.1.1 If an Approved Location for the Franchised Center has not been determined as of the Effective Date, Franchisee shall promptly and diligently after the Effective Date select a site for the Franchised Center and shall notify Franchisor of such selection, in accordance with Franchisor's then-current policies and procedures for site selection. Franchisor shall evaluate the site and notify Franchisee of its approval or disapproval of the site within a reasonable time (usually thirty [30] days) of receiving notice of the site from Franchisee. If Franchisor approves of such selection, the site will be designated as the Approved Location for purposes of Section 2.2. If Franchisor does not approve of such selection, Franchisee shall continue to select a new site until Franchisor approves of such selection. Franchisor or its designees shall provide Franchisee with general guidelines, standards, and policies to assist Franchisee in selecting a site suitable for the Approved Location. Franchisor has the right to approve or disapprove a proposed location based on such factors as it deems appropriate, including the condition of the premises, demographics and population density of the surrounding area, proximity to other European Wax Centers, proximity to competitive businesses, lease requirements, visibility, ease of access, available parking, and overall suitability. Franchisee shall not locate the Franchised Center on a selected site without the prior written approval of Franchisor. In no event shall Franchisor or any of its employees, agents, or representatives have any liability to Franchisee for rejecting a proposed location. All costs associated with Franchisee's site selection process, including applicable brokers' fees, shall be borne exclusively by Franchisee.

5.1.2 Franchisor or its designees, at Franchisor's option, may also present sites to Franchisee for consideration. Franchisee agrees that Franchisor does not guarantee that the terms, including rent, will represent the most favorable terms available in that market. If Franchisor presents Franchisee with a site that meets Franchisor's criteria, as determined in Franchisor's sole discretion, and Franchisee refuses to secure the site for any reason, Franchisor may present the site to another franchisee, and Franchisee would then have to find another suitable site for the Franchised Center. If Franchisee rejects a site for any reason, including because Franchisee does not agree with the proposed lease provisions, Franchisor may permit another franchisee to enter into a lease for such site, whether on the terms rejected by Franchisee or on other terms, or to search for a site in Franchisee's Designated Area. Franchisee will then have to search for another suitable site, which may be in that area or outside of that area.

5.1.3 Franchisee should not, without Franchisor's prior written consent, enter into any contract to purchase or lease the premises Franchisee intends to use as the Franchised Center, as by doing so, Franchisee may incur costs or commitments on a lease or purchase agreement for premises which Franchisor will not allow to be developed as the Franchised Center.

5.1.4 Franchisor does not represent that it, any Affiliate or any of its owners or employees have special expertise in selecting sites. Neither Franchisor's assistance nor approval is intended to indicate or indicates that the Franchised Center will be profitable or successful at the Approved Location. Franchisee is solely responsible for finding and selecting an acceptable site for the Franchised Center. Franchisee acknowledges that Franchisor's lease negotiations, if any, and approval of locations are for Franchisor's sole benefit and are not intended to imply or guarantee the success or profitability of the Franchised Center, and Franchisee agrees that it is not relying on Franchisor's lease negotiations or site approval for such purposes. **Franchisee acknowledges that it has been advised to obtain the advice of its own professional advisors before Franchisee signs a lease or purchase agreement. Franchisor's review of a lease or purchase agreement, or any advice or recommendation offered by Franchisor, shall not constitute an expression of Franchisor's opinion regarding the terms of such lease or purchase agreement. Franchisee acknowledges and agrees that Franchisee shall solely rely on its review and that of its advisors of any such lease or purchase agreement.**

5.2 Failure to Select Site.

Should Franchisee fail to select a site for the Franchised Center, which meets with Franchisor's approval within one hundred twenty (120) days after the Effective Date, Franchisor has the right (but not the obligation) to terminate this Agreement. If the Term is terminated pursuant to this Section 5.2, Franchisor shall return to Franchisee fifty percent (50.00%) of the Franchise Fee paid by Franchisee upon Franchisor's receipt of a general release, the same as or similar to the General Release attached as Exhibit 1, releasing any and all claims against Franchisor, any Affiliates and their officers, directors, shareholders, managers, members, partners, owners, employees and agents (whether acting in an agency capacity or in their individual capacities); provided, however, that if a general release is prohibited by applicable law, Franchisee shall give the maximum release allowed by law.

5.3 Lease of Approved Location.

5.3.1 After the designation of the Approved Location by us (and if the site is to be leased or purchased), Franchisee shall legally secure the Approved Location with a lease agreement or a binding agreement to purchase, the terms of which must have been previously presented to and approved by Franchisor. Franchisor shall not unreasonably withhold its approval. Franchisor shall be entitled to require that nothing therein contained is contradictory to, or likely to interfere with, Franchisor's rights or Franchisee's duties under this Agreement. Franchisee acknowledges that it has been advised to obtain the advice of its own professional advisors before Franchisee signs a lease agreement or otherwise acquires any rights to any property for operations. Franchisor's review of a lease agreement or purchase agreement, or any advice or recommendation offered by Franchisor, shall not constitute an expression of Franchisor's opinion regarding the terms of such lease agreement or purchase agreement. Franchisee acknowledges and agrees that Franchisee shall solely rely on its review and that of its advisors of any such lease agreement or purchase agreement.

5.3.2 Franchisee shall take all actions necessary to maintain the lease agreement, if any, of the Approved Location during the Term. Any default for which the lease agreement may be terminated shall also be deemed a default under this Agreement and the time to cure the same shall expire when the lease agreement is terminated. Franchisor has the right to require that the lease agreement for the Approved Location be assigned by Franchisee to Franchisor upon termination or expiration of the Franchise and Franchisee shall take all such steps necessary or reasonably requested by Franchisor to assign such rights to the Approved Location to Franchisor, as Franchisor may elect from time to time. Franchisor's approval of a lease agreement shall be conditioned upon inclusion of terms in the lease agreement acceptable to Franchisor and, at Franchisor's option, the lease agreement shall contain such provisions as Franchisor may reasonably require; provided that Franchisor may waive any such provisions in providing its approval in its sole reasonable discretion.

5.3.3 Notwithstanding any terms in the lease agreement to the contrary, Franchisee agrees that:

5.3.3.1 Franchisee shall not amend or otherwise modify the lease agreement in any manner that would affect any of Franchisor's rights under the lease agreement, including those rights set forth in the lease agreement related to the terms required by Section 5.3.2 above, without Franchisor's prior, written consent;

5.3.3.2 in the event that Franchisee does not timely cure any default or breach under its lease agreement within the applicable notice and cure periods under the lease agreement, then Franchisor shall have the right, but not the obligation, subject to the terms and conditions set forth in the lease agreement, to cure such default or breach, on behalf of Franchisee, and (a) to the extent permitted by the lease agreement, allow Franchisee to remain in possession of the leased premises, or (b) at Franchisor's option, take an assignment of the lease agreement from Franchisee (to the extent permitted by law), pursuant to the terms of the lease agreement and if Franchisor exercises its option to take any such assignment under the lease agreement, Franchisor shall notify Franchisee of such intention and Franchisee shall promptly assign its leasehold interest in the lease agreement to Franchisor pursuant to and subject to the terms of the lease agreement;

5.3.3.3 upon termination or expiration of the franchise rights granted by Franchisor to Franchisee, Franchisor has the right, at Franchisor's election, to receive an assignment of Franchisee's leasehold interest in the lease agreement and in the event Franchisor desires to exercise this option in its sole and absolute discretion, Franchisor shall notify Franchisee of such intention and Franchisee shall promptly assign its leasehold interest in the lease agreement to Franchisor pursuant to and subject to the terms of the lease agreement;

5.3.3.4 in the event Franchisor takes an assignment of the lease agreement pursuant to the terms of the lease agreement and in accordance with Franchisor's rights described above in this Section 5.3.3, Franchisee shall be solely responsible for all obligations, debts and payments under the lease agreement arising or accruing under the lease agreement prior to the effective date of the assignment or otherwise while Franchisee is in possession of the leased premises (the "**Franchisee Obligations**"), and shall indemnify and hold harmless Franchisor for any losses, damages, liabilities, costs, and expenses (including reasonable legal and professional fees) incurred by Franchisor arising out of or otherwise related to the Franchisee Obligations, including without limitation, any losses, damages, liabilities, costs, or expenses incurred by Franchisor to cure a default or breach on behalf of Franchisee pursuant to Section 5.3.3.2 above;

5.3.3.5 Franchisee shall immediately provide Franchisor with a copy of all lease agreement amendments and assignments, and a copy of all letters and notices that the lessor sends to Franchisee relating to the lease agreement or the leased premises;

5.3.3.6 upon expiration and non-renewal or immediately prior to termination of the lease agreement or this Agreement, Franchisee shall: (a) at its own cost and expense, take all steps that are necessary (and not prohibited under the lease agreement) to de-brand and deidentify the leased premises as a European Wax Center, including the removal of all interior and exterior signs, fixtures, improvements, décor, and other property containing any Marks or that are otherwise proprietary to the European Wax Center franchise system; and (b) provide Franchisor with access to the leased premises so that it may: (x) take an inventory of the proprietary property remaining in the leased premises; (y) back up electronic data; and (z) make any alterations to the leased premises that Franchisor deems necessary to distinguish the leased premises clearly from its former appearance as a European Wax Center; provided, Franchisor shall only exercise this right in the event that Franchisee fails to satisfy its obligation under this Agreement to complete such alterations itself;

5.3.3.7 Franchisee shall promptly, and in any event at least sixty (60) days prior to the expiration of the applicable notice period provided in its lease agreement to exercise a renewal option, notify Franchisor of its intent to renew or extend, or not renew or extend, its lease agreement, as the case may be (it being understood that nothing in this Section shall waive Franchisee's obligation under this Agreement to continuously operate the Franchised Center pursuant to the terms herein); and

5.3.3.8 solely with respect to Franchisor's rights explicitly granted to Franchisor under the lease agreement, Franchisee agrees to take such actions as reasonably requested by Franchisor, at Franchisor's expense, to enforce Franchisor's rights granted to Franchisor in the lease agreement, as necessary, as if Franchisor was a party to the lease agreement, with or without the consent or joinder of the lessor, provided that Franchisor shall not bear any costs in connection with Franchisee's assignment to Franchisor of the lease agreement nor should the foregoing relieve Franchisee from its Franchisee Obligations.

The rights in this Section 5.3.3 shall survive the expiration or earlier termination of this Agreement indefinitely.

5.4 Development of Approved Location.

Unless Franchisor otherwise consents in writing in its sole discretion, Franchisee may not develop or operate more than seven (7) separate rooms for providing hair removal services in its Franchised Center. Franchisor shall make available to Franchisee, at no charge to Franchisee, specifications for the development of a European Wax Center, including specifications for the exterior and interior design and layout, fixtures, equipment, décor, and signs. Franchisee shall diligently cause the Approved Location to be developed, equipped, and improved at Franchisee's sole cost and expense, in accordance with such plans and specifications within two hundred forty (240) days after the Effective Date. In connection with the development of the Approved Location, Franchisee shall:

5.4.1 employ a competent licensed architect, engineer or general contractor to prepare, for Franchisor's approval, preliminary specifications (the "**Plans**") for improvement of the Approved Location adapted from the specifications furnished by Franchisor and in compliance with applicable law and Franchisee will not deviate from any such Plans following approval by Franchisor without Franchisor's written approval; provided if, due to unique circumstances disclosed to Franchisor prior to the date the specifications are submitted to Franchisor, it is necessary to deviate from Franchisor's standard specifications for the development of a European Wax Center, all deviations, including those that are necessary to adapt the standard specifications to the Approved Location, must be clearly designated in a separate document and submitted to Franchisor along with the Plans;

5.4.2 obtain all zoning classifications and clearances that may be required by state and local laws, ordinances, or regulations, and submit to Franchisor, for Franchisor's approval, final plans for construction based upon the preliminary specifications;

5.4.3 obtain all building, utility, sign, health, and business permits and licenses, and any other permits and licenses required for the build-out and operation of the Franchised Center and certify in writing and provide evidence to Franchisor that all such permits and certifications have been obtained;

5.4.4 obtain all insurance required under Franchisee's lease agreement prior to commencing development;

5.4.5 employ a qualified, licensed general contractor approved by Franchisor to complete construction of all required improvements to the Approved Location;

5.4.6 purchase the Start-up Package of European Wax Center Products and Start-up Marketing Package of European Wax Center Marketing Materials necessary for the establishment and operation of the Franchised Center; the exact size and composition of the Start-up Package and corresponding Start-up Package Fee, as well as the Start-up Marketing Package and corresponding Start-up Marketing Package Fee may vary depending on the capacity, condition, location and layout of the Approved Location and other like factors;

5.4.7 purchase any other supplies or inventory and purchase and install any other equipment, signs, furniture, and fixtures, including any surveillance camera system equipment, European Wax Center Technology containing as applicable, computer system equipment, point-of-sale system equipment and telephone and music system equipment and other network components, meeting Franchisor's specifications, which are necessary for the operation of the Franchised Center;

5.4.8 establish high-speed Internet access in accordance with Franchisor's then current specifications and requirements; and

5.4.9 open an Electronic Depository Transfer Account and notify Franchisor of the pertinent account information by completing Franchisor's standard draft authorization form as required in Section 3.7, or such other forms as Franchisor may require to facilitate electronic fund transfers to/from such Electronic Depository Transfer Account.

Prior to retaining any architect or design firm, engineer or general contractor, Franchisee will provide to Franchisor the name, address, and relevant work experience on similar projects for any architect or design firm, engineer, or general contractor that Franchisee wishes to retain. Franchisor may request that Franchisee hire a different architect or design firm or engineer or general contractor based on prior experiences of Franchisor, its Affiliates, and other franchisees with such person or entity, such person's or entity's general business reputation, and such person's or entity's relevant work experience on similar projects. Franchisor's response or non-response to Franchisee's use of any such person will not be deemed an endorsement or recommendation by Franchisor of any such person. Franchisee acknowledges and agrees that Franchisor is not liable for the unsatisfactory performance of any person retained by Franchisee.

If Franchisee elects or is required by this Agreement or its lease agreement to perform construction work or renovations or refurbishment of the Franchised Center affecting the design, character, or appearance of the Franchised Center, Franchisee will obtain the prior approval of Franchisor that any such construction work or significant renovations or refurbishment complies with the specifications for the development of a European Wax Center.

Franchisor or its designees will promptly review the Plans for compliance with Franchisor's standard specifications. If Franchisor determines that the Plans do not comply with such specifications, Franchisor will provide recommended changes to Franchisee that Franchisee will incorporate into the Plans and resubmit to Franchisor for its review. Each party will act diligently and in good faith in the preparation, submission, review, and revision of the Plans. Franchisee will not begin the construction, renovation or refurbishment until Franchisor notifies Franchisee that the Plans comply with Franchisor's standard specifications, and has secured all insurance required under Franchisee's lease agreement and this Agreement, as applicable. Once finalized, the Plans will not be changed, including changes required by governmental authorities, without the prior written consent of Franchisor.

Franchisee agrees that Franchisee, and not Franchisor, its Affiliates, or their designees, is responsible for: (i) ensuring that any design, construction documents, specifications, and any construction, renovation, or refurbishment complies with any applicable law, including any requirements relating to disabled persons; (ii) any errors or omissions; (iii) the technical sufficiency, adequacy or safety of the plans, structures, any of their component parts, or any other physical condition or feature pertaining to the improvements; and (iv) discrepancies (of any nature) in any drawings or specifications. Franchisee further acknowledges and agrees that: (a) Franchisor's review of the Plans is limited solely to determining whether the Plans comply with Franchisor's standard specifications; and (b) Franchisor will have no liability or obligation with respect to renovation, upgrading or furnishing of the Franchised Center. Except for Franchisee's own uses related to its construction or operation of the Franchised Center, Franchisee will not reproduce, use, or permit the use of any of the design concepts, drawings, or specifications.

5.5 Failure to Develop Approved Location.

Should Franchisee fail to develop the Approved Location for the Franchised Center within two hundred forty (240) days after the Effective Date, Franchisor has the right (but not the obligation) to terminate this Agreement. If this Agreement is terminated pursuant to this Section 5.5, Franchisor shall return to Franchisee fifty percent (50.00%) of the Franchise Fee paid by Franchisee upon Franchisor's receipt of a general release, the same as or similar to the General Release attached as Exhibit 1, releasing any and all claims against Franchisor, any Affiliate and their officers, directors, shareholders, managers, members, partners, owners, employees and agents (whether acting in an agency capacity or in their individual capacities); provided, however, that if a general release is prohibited by applicable law, Franchisee shall give the maximum release allowed by law.

Franchisee acknowledges that Franchisor or its designees will conduct an on-site or remote inspection of the Franchised Center within thirty (30) days following Franchisor's receipt of a certificate of completion from Franchisee or its contractor (the "**Initial Inspection**"). Within five (5) business days following the Initial Inspection, Franchisor will provide written notice to Franchisee that either: (i) the Franchised Center conforms with the applicable Plans, at which point Franchisor shall, subject to satisfaction of all other applicable pre-opening obligations under this Agreement, approve the Franchised Center; or (ii) the Franchised Center does not conform with such Plans, in which case Franchisor shall also provide to Franchisee a written description of such nonconformities (the "**Nonconformance Notice**").

In the event Franchisor provides Franchisee a Nonconformance Notice (whether as a result of the Initial Inspection or any Subsequent Inspection (as defined below)), Franchisee, at its expense, shall correct such nonconformities within a reasonable amount of time and then notify Franchisor in writing when such nonconformities have been corrected at which point Franchisor or its designees shall conduct a subsequent on-site or remote inspection of the Franchised Center within ten (10) business days following Franchisor's receipt of such notice from Franchisee (each such subsequent inspection shall be referred to as a "**Subsequent Inspection**"). Within five (5) business days following any such Subsequent Inspection, Franchisor will provide written notice to Franchisee that either: (i) the Franchised Center now conforms with the applicable Plans, at which point Franchisor shall approve the Franchised Center; or (ii) the Franchised Center does not conform with such Plans, in which case Franchisor shall also provide to Franchisee another Nonconformance Notice, and in such event, Franchisee, at its expense, shall again correct such nonconformities within a reasonable amount of time and then notify Franchisor in writing when such nonconformities have been corrected at which point Franchisor or designees shall conduct a Subsequent Inspection within ten (10) business days following Franchisor's receipt of such notice from Franchisee. The provisions of this paragraph shall continue to apply until Franchisor provides approval of the Franchised Center as described above.

The parties agree that Franchisor shall be entitled to require the payment of Franchisor's then-standard inspection fee for each Subsequent Inspection performed by Franchisor or its designees, which such amount is intended to reimburse Franchisor for its costs and expenses in performing such Subsequent Inspection. For purposes of this Section 5.5, Franchisor's approval of the Franchised Center only indicates that the Franchised Center complies with the Plans for the Franchised Center, as approved by Franchisor, and the parties agree that Franchisor's approval or disapproval will not impose any liability or obligation on Franchisor.

5.6 Opening of the Franchised Center.

5.6.1 Before opening the Franchised Center and commencing business, Franchisee shall:

5.6.1.1 be in good standing in Franchisee's jurisdiction of formation and where the Franchised Center is located, if different, and validly existing for the purpose of owning and operating the Franchised Center, duly authorized to conduct such business;

5.6.1.2 fulfill all of the obligations of Franchisee pursuant to the other provisions of this Section 5;

5.6.1.3 furnish Franchisor with copies of all insurance policies required by this Agreement, or by the lease agreement, or such other evidence of insurance coverage and payment of premiums as Franchisor may request;

5.6.1.4 complete initial training to the satisfaction of Franchisor, and ensure that the Center Manager has completed initial training to the satisfaction of Franchisor;

5.6.1.5 hire the personnel necessary or required for the operation of the Franchised Center;

5.6.1.6 obtain all necessary permits and licenses;

5.6.1.7 obtain Franchisor's permission and approval of an opening date; Franchisor shall not unreasonably withhold consent to open. Permission to open shall be based on Franchisor's determination that Franchisee has complied with all material pre-opening obligations under this Agreement, is ready to open and satisfactorily prepared to operate; and

5.6.1.8 pay in full all amounts due to Franchisor and each Franchisor Affiliate.

5.6.2 Franchisee shall comply with these conditions and be prepared to open and continuously operate the Franchised Center within one (1) year after the Effective Date, subject to any extensions provided by Franchisor pursuant to Section 5.5.

5.6.3 Franchisee shall not suffer any mechanics', laborers' or materialmen's liens to be filed against the Franchised Center or the Approved Location or any interest in either of them by reason of any work, labor, services or materials performed at or furnished to, or claimed to have been performed at or furnished to, the Franchised Center or the Approved Location, by, or at the direction or sufferance of, Franchisee or anyone holding the Franchised Center or the Approved Location through or under the Franchisee; if any liens shall at any time be filed or claimed, Franchisee shall have the right to contest them in good faith and with reasonable diligence, provided Franchisee has bonded over the lien claim or has taken other measures reasonably satisfactory to Franchisor to assure payment and to prevent any sale, foreclosure or forfeiture of the Franchised Center or the Approved Location by reason of non-payment. On final determination of the lien or claim for lien, Franchisee shall immediately pay any judgment, with all costs and charges, and shall have the lien released of record and any judgment satisfied. If Franchisee shall fail to contest the liens with due diligence or shall fail to cause the liens to be discharged within thirty (30) days after being notified of their filing and in any case, before any sale, foreclosure or forfeiture then, in addition to any other right or remedy of Franchisor, Franchisor or its Affiliates may discharge the liens by paying the amount claimed to be due or by bonding or other proceeding deemed appropriate by Franchisor, and the amount paid by Franchisor or Franchisor's Affiliates and all costs and expenses, including reasonable attorneys' fees, expenses and court costs, incurred by Franchisor or Franchisor's Affiliates in procuring the discharge of the liens or judgment, shall be due and payable by Franchisee to Franchisor or its applicable Affiliates within ten (10) days after demand by Franchisor. Under no circumstances shall an interest of Franchisor in the Franchised Center or the Approved Location be subject to any mechanic's, laborer's or materialman's lien or any other lien or charge on account of or arising from any contract or obligations of Franchisee and all such parties must look exclusively to Franchisee to obtain payment for same. Franchisee shall deliver written notice of the foregoing provisions to all persons performing work on or in the Franchised Center or the Approved Location. Additionally, if requested by Franchisor, Franchisee shall promptly execute and deliver to Franchisor a notice of non-responsibility, in a form provided by Franchisor.

5.7 Failure to Open.

Notwithstanding any provision in this Agreement to the contrary, Franchisee shall commence operations at the Approved Location for the Franchised Center in accordance with the terms and conditions of this Agreement no later than one (1) year after the Effective Date. If this Agreement is terminated pursuant to this Section 5.7, Franchisor shall return to Franchisee fifty percent (50.00%) of the Franchise Fee paid by Franchisee, provided that Franchisee signs and returns to Franchisor a general release, the same as or similar to the General Release attached as Exhibit 1, releasing any and all claims against Franchisor, any Affiliate and their officers, directors, shareholders, managers, members, partners, owners, employees and agents (whether acting in an agency capacity or in their individual capacities); provided, however, that if a general release is prohibited by applicable law, Franchisee shall give the maximum release allowed by law. Any Franchise Fee retained by Franchisor in connection with any termination under this Section 5 shall be specifically understood and agreed by the parties to be in consideration of the services provided, time expended, work performed, and other efforts of Franchisor up to the date of Franchisee's failure to timely commence operations of the Franchised Center and shall not be construed as nor considered to be a penalty.

5.8 Use of Approved Location.

Franchisee shall not use the Approved Location for any purpose other than for the operation of a European Wax Center in full compliance with this Agreement and the Confidential Operations Manual, unless approved in writing by Franchisor.

5.9 Relocation of the Franchised Center.

Franchisee shall not relocate the Franchised Center without the prior written consent of Franchisor. Franchisor will approve or disapprove a relocation request based on such factors as Franchisor deems appropriate, including the basis for the relocation request, the condition of the premises, demographics and population density of the surrounding area, proximity to the European Wax Centers located in the Protected Territory, lease agreement requirements, visibility, ease of access, available parking, and overall suitability. Any such relocation shall be at Franchisee's sole expense and shall proceed in accordance with the requirements set forth in Sections 5.1 through 5.7, to the extent applicable, and to the extent necessary, shall be documented in an amendment to this Agreement by the parties, including, amending the address the Approved Location for the Franchised Center and as applicable, the designated Protected Territory. Franchisor has the right to charge Franchisee for any costs incurred by Franchisor in providing assistance to Franchisee, including legal and professional fees. Notwithstanding the foregoing, Franchisor has no obligation to provide relocation assistance. Further, Franchisee may be required to pay certain fees to vendors in order to transfer services and/or accounts in connection with the relocation of the Franchised Center. If Franchisor and Franchisee do not agree upon a substitute site within ninety (90) days after the lease agreement expires or is terminated or the Approved Location is rendered unusable, Franchisor may terminate this Agreement at any time thereafter upon written notice to Franchisee. Except in instances where the lease agreement was terminated as a result of Franchisee's breach of the lease agreement, any such termination shall be treated for all purposes as if the Term expired. The foregoing shall not limit Franchisor's rights in the event of a termination of Franchisee's lease agreement by its lessor due to a Franchisee default or breach. Notwithstanding any provision in this Agreement to the contrary, Franchisor may condition Franchisor's approval of any such relocation on Franchisor and Franchisee agreeing on a Protected Territory for such new location (which may be the same Protected Territory as the current Approved Location), which may consider such factors as Franchisor deems appropriate, including, nearby locations and Protected Territories and current demographics. Franchisor may further condition such approval on the entry by Franchisee into Franchisor's then-current form of franchise agreement and related agreements as offered to new franchisees, the terms of which may differ from the terms of this Agreement.

6. FRANCHISOR'S MARKS

6.1 Franchisor's Ownership of Marks.

Franchisee's right to use the Marks is derived solely from this Agreement, is nonexclusive and is limited to the conduct of the business of the Franchised Center by Franchisee pursuant to, and in compliance with, this Agreement and all applicable standards, specifications and operating procedures prescribed from time to time by Franchisor. Any unauthorized use of the Marks by Franchisee is a breach of this Agreement and an infringement of the rights of Franchisor in and to the Marks. Franchisee's use of the Marks, and any goodwill created thereby, shall inure to the benefit of Franchisor. Franchisee shall not at any time acquire an ownership interest in the Marks by

virtue of any use it may make of the Marks. This Agreement does not confer any goodwill, title, or interest in the Marks to Franchisee. Franchisee shall not, at any time during the Term or after its termination or expiration, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of any of the Marks.

6.2 Limitations on Franchisee's Use of the Marks.

Franchisee shall not use any Mark or portion of any Mark as part of any business entity name without Franchisor's written consent which may be withheld by Franchisor in its sole discretion. Franchisee shall not use any Mark in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized in writing by Franchisor. Franchisee shall give such notices of trademark and service mark registrations as Franchisor specifies, in a manner and in a format specified by Franchisor, and obtain such fictitious, assumed name or other business registrations as may be required under applicable law to do business as a Franchised Center. Franchisee shall not register or seek to register as a trademark or service mark, either with the United States Patent and Trademark Office or any state or foreign country, any of the Marks or a trademark or service mark that includes, consists of or is confusingly similar to any Mark. Franchisee shall include on its letterhead, forms (including all employment forms, policies, and applications), cards and other such identification, and shall display at the Approved Location, a prominent notice stating that the Franchised Center is a licensed "**Independently Owned and Operated Franchise**" of Franchisee, and any such notice shall also include the legal name of Franchisee. Franchisee shall not claim any rights in or to any Mark, or modification or variation thereof.

6.3 Notification of Infringements of the Marks; Claims Against the Marks.

Franchisee shall immediately notify Franchisor of any infringement of the Marks, or challenge to its use of any of the Marks or claim by any person of any rights in any of the Marks. Franchisee shall not communicate with any person other than Franchisor and, through Franchisee's counsel, Franchisor's counsel in connection with any such infringement, challenge, or claim; provided, however, Franchisee may communicate with Franchisee's counsel at Franchisee's expense. Franchisor has the right to take any action in connection with any such infringement, challenge or claim and has the right to exclusively control any litigation or other proceeding arising out of any infringement, challenge, or claim or otherwise relating to any of the Marks but Franchisor shall not be required to take such action. Franchisee shall execute any and all instruments and documents, render such assistance, and do such acts and things as Franchisor may, in the opinion of Franchisor's counsel, be necessary or advisable to protect and maintain Franchisor's interests in any such litigation or other proceeding or to otherwise protect and maintain Franchisor's interest in the Marks.

6.4 Franchisor's Indemnification for Franchisee's Use of Marks.

Franchisor shall reimburse Franchisee for all expenses reasonably incurred by Franchisee in any trademark or similar third-party proceeding disputing Franchisee's authorized use of any Mark; provided, that Franchisee has timely notified Franchisor of such proceeding and has complied with this Agreement and Franchisor's directions in responding to such proceeding. At Franchisor's option, Franchisor or its designees may defend and control the defense of any proceeding arising directly from Franchisee's use of any Mark. This indemnification shall not include the expense to Franchisee of removing signage or discontinuance of the use of the Marks. This indemnification shall not apply to litigation between Franchisor and Franchisee where Franchisee's use of the Marks is disputed or challenged by Franchisor. This indemnification shall not apply to any separate legal or professional fees or costs incurred by Franchisee in seeking independent counsel separate from the counsel representing Franchisor and Franchisee in the event of litigation disputing Franchisor and Franchisee's use of the Marks.

6.5 Franchisee's Discontinuance of Use of the Marks.

If it becomes necessary for Franchisee to modify or discontinue use of any of the Marks, or use one (1) or more additional or substitute trade names, trademarks, service marks or other commercial symbols, Franchisee shall, at its sole cost and expense, comply with Franchisor's directions within ten (10) business days after notice to Franchisee by Franchisor and subject to the terms set forth in Section 10.2. Franchisor shall not be required to reimburse Franchisee for its expenses in modifying or discontinuing the use of a Mark or any loss of goodwill associated with any modified or discontinued Mark or for any expenditures made by Franchisee to promote a modified

or substitute Mark, it being understood and agreed that all goodwill associated with any Marks inures to the benefit of Franchisor.

6.6 Franchisor's Right to Inspect Franchisee's Use of the Marks.

To preserve the validity and integrity of the Marks and any copyrighted materials licensed under this Agreement, and to ensure that Franchisee is properly employing the Marks in the operation of the Franchised Center, Franchisor and its designees have the right to conduct real time surveillance of the Franchised Center and the right to enter and inspect the Franchised Center and the Approved Location at all reasonable times and, additionally, have the right to observe the manner in which Franchisee renders services and conducts activities and operations, and to inspect facilities, equipment, products, supplies, reports, forms and documents and related data to ensure that Franchisee is operating the Franchised Center in accordance with the quality control provisions and performance standards established by Franchisor and this Agreement. Franchisor and its designees shall have the right, at any reasonable time, to remove sufficient quantities of products, supplies or other inventory items offered for retail sale, or used in rendering services, to test whether such products or items meet Franchisor's then-current standards. Franchisor or its designee has the right to observe Franchisee and its employees during the operation of the Franchised Center and to interview and survey (whether in person or by mail) customers and employees and to photograph and videotape the premises.

6.7 Franchisor's Sole Right to Domain Name.

Franchisee shall not establish, create, or operate an Internet site or Web site using a domain name or uniform resource locator, or any other mobile or other applications, containing the Marks or the words "European Wax Center" or any variation thereof. Franchisee shall not advertise on the Internet (including through the use of social media or mobile or other applications) using the "European Wax Center" name and any other Mark without Franchisor's prior written approval, including the means and manner and content of any such advertisement. Franchisor is the sole owner of all right, title and interest in and to the domain "waxcenter.com" and any other domain names containing any Marks. Franchisee shall enforce this Section as to its officers, directors, executives, managers, employees, agents, and representatives and shall be liable to Franchisor for any unauthorized use of the Marks by any of them.

6.8 Contributions and Donations.

In order to protect the Marks, Franchisee must obtain written consent from Franchisor before making any contributions or donations of items, services, or funds to any individual or entity, or provide any type of other benefit to any charitable, religious, political, social, civic, or other type of organization (or to any individual on behalf of any organization). Franchisor may withhold any such consent in its sole and absolute discretion.

7. TRADE SECRETS AND OTHER CONFIDENTIAL INFORMATION

7.1 Requirement of Confidentiality.

7.1.1 Franchisee acknowledges that Franchisor will disclose or otherwise make available Trade Secrets and other Confidential Information to Franchisee during the Term, including through the training program, through the Confidential Operations Manual, through access to Franchisor's secured intranet, through training guides and materials, through European Wax Center Technology and as a result of guidance furnished to Franchisee during the Term. Franchisee shall not acquire any interest in the Trade Secrets or other Confidential Information, other than the right to utilize it in the development and operation of the Franchised Center and in performing its duties during the Term.

7.1.2 Franchisee acknowledges that the use or duplication of the Trade Secrets or other Confidential Information in any other business venture would constitute an unfair method of competition. Franchisee acknowledges that the Trade Secrets and other Confidential Information are proprietary and are disclosed to Franchisee solely on the condition that Franchisee (and all holders of a legal or beneficial interest in Franchisee and all officers, directors, executives, managers and members of the professional staff of Franchisee): (a) shall not use the Trade Secrets or other Confidential Information in any other business or capacity; (b) shall maintain the absolute

confidentiality of the Trade Secrets and other Confidential Information during and after the Term and shall not, without first having obtained Franchisor's prior written consent to such disclosure, disclose the Confidential Information to any third parties, except to Franchisee's officers, directors, executives, managers, employees, agents and representatives who are on a strict need-to-know basis with respect to such Confidential Information in connection with the operation of the Franchised Center, and who are bound by duties of confidentiality no less stringent than those set forth in this Agreement; (c) shall not make any unauthorized copies of any portion of the Trade Secrets or other Confidential Information disclosed in written or other tangible form; and (d) shall adopt and implement all reasonable procedures prescribed, from time to time, by Franchisor to prevent unauthorized use or disclosure of the Trade Secrets and other Confidential Information.

7.1.3 Notwithstanding any term or condition in this Agreement to the contrary, Franchisee may disclose Confidential Information under certain limited circumstances as follows: (i) as may be required by law or court process; provided, that Franchisee provides Franchisor reasonable prior notice to allow Franchisor sufficient time to obtain a protective order to prevent disclosure of such Confidential Information, or take other appropriate action; (ii) in confidence to a federal, state, or local government official, either directly or indirectly, or to Franchisee's legal counsel solely for the limited purpose of reporting or investigating a suspected violation of law; (iii) in confidence as part of a complaint or other legal document filed in a lawsuit or other proceeding; provided, that such filing is made under protective seal; and (iv) if Franchisee files a lawsuit for retaliation by Franchisor for reporting a suspected violation of law, Franchisee may disclose, in confidence, relevant Trade Secret information to Franchisee's legal counsel representing Franchisee in such lawsuit, and use such Trade Secret information in the court proceedings; provided, that (x) Franchisee either directly or through its legal counsel, files any document containing any such Trade Secret under protective seal; and (y) Franchisee does not disclose the Trade Secret information, except pursuant to court order or with Franchisor's prior written consent, which such consent may be withheld in Franchisor's sole discretion. This Agreement is not intended in any way to restrict or impede Franchisee from exercising protected rights to the extent such rights cannot be waived by this Agreement. Franchisor reserves the right to pursue all remedies available under federal, state, or local law for any disclosure of Confidential Information (including Trade Secret information) by Franchisee which does not comply with this Section 7.

7.1.4 Franchisee shall enforce this Section as to its officers, directors, executives, managers, employees, agents, and representatives and shall be liable to Franchisor for any unauthorized disclosure or use of Trade Secrets or other Confidential Information by any of them.

7.1.5 This Section shall survive the expiration or termination of this Agreement indefinitely.

7.2 Franchisor Owns All Additional Developments.

Without limiting Franchisee's obligations set forth in Sections 12.5.5 and 13.17 of this Agreement with respect to data protection, all ideas, concepts, techniques, feedback or materials concerning the Franchised Center and the System, including all data related to guests (customers), whether or not protectable intellectual property and whether created by or for Franchisee or its owners or employees, must be promptly disclosed to Franchisor and will be deemed the sole and exclusive property of Franchisor and works made-for-hire for Franchisor, and no compensation will be due to Franchisee or its owners or employees, therefore, and Franchisee hereby assigns to Franchisor all right, title and interest in any intellectual property so developed. Franchisor may incorporate such items into the System. To the extent any item does not qualify as a "work made-for-hire" for Franchisor, Franchisee hereby assigns ownership of that item, and all related rights to that item, to Franchisor and shall sign, or cause the assignment of, any assignment or other document as Franchisor requests to assist Franchisor in obtaining or preserving intellectual property rights in the item. Franchisee also waives any author's or moral rights in and to such items, and shall ensure its employees do the same. Franchisor may from time to time disclose to Franchisee concepts and developments of other franchisees that are made part of the System. As Franchisor may reasonably request, Franchisee shall take all actions to assist Franchisor's efforts to obtain or maintain intellectual property rights in any item or process related to the System, whether developed by Franchisee or not.

7.3 No Competition with Franchisor.

Franchisee acknowledges that Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and

information among European Wax Center franchisees if owners of European Wax Centers and members of their immediate families and households were permitted to hold an interest in or perform services for any Competitive Business. Therefore, during the Term, and for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of expiration or termination, neither Franchisee nor any holder of a legal or beneficial interest in Franchisee, nor any officer, director, executive, manager or member of the professional staff of Franchisee, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any person, partnership, corporation, limited liability company or other business entity, shall:

7.3.1 Divert or attempt to divert any business or customer of the Franchised Center to any Competitive Business, by direct or indirect inducement or otherwise;

7.3.2 Do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

7.3.3 Carry on, be engaged in, or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere in the United States; or

7.3.4 Solicit or otherwise attempt to induce or influence any employee, customer or other business associate of Franchisee, Franchisor or any other European Wax Center franchisee to compete against, or terminate or modify his, her or its employment or business relationship with, Franchisee, Franchisor or any other European Wax Center franchisee; provided, however, that the foregoing shall not restrict Franchisee or any holder of a legal or beneficial interest in Franchisee, nor any officer, director, executive, manager or member of the professional staff of Franchisee from hiring any employee or other business associate of Franchisor or any other European Wax Center franchisee who responds to general public solicitations made in the ordinary course of business.

Following the expiration or termination of this Agreement (unless renewed as set forth in Section 4.2 above), the geographic scope of the restriction set forth in this Section 7.3 shall be limited to the Protected Territory and within fifty (50) miles of any other company-owned location, or Franchised Center existing at the time of such expiration or termination.

In addition, Franchisee agrees and covenants that Franchisee will not, at any time, either directly or indirectly, and shall cause Franchisee's affiliates, officers, directors, executives, managers, members of the professional staff of Franchisee and other employees, agents, and representatives not to, make, publish, or communicate to any person or entity, or in any public forum (including through social media), any defamatory or disparaging remarks, comments, or statements concerning Franchisor, its Affiliates, or any franchisees and/or any of their respective employees, agents, and representatives, or the System or its Marks.

7.4 Designated Individuals Shall Enter Into Nondisclosure and Non-Competition Agreements.

In addition to the restrictive covenants set forth in Section 7.3 above, Franchisor has the right to require that Franchisee obtain from any holder of a legal or beneficial interest in Franchisee, and any officer, director, executive, manager or member of the professional staff of Franchisee, an executed nondisclosure and non-competition agreement, in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached as Exhibit 2, upon execution of this Agreement or prior to each such person's affiliation with Franchisee or at any time thereafter. In addition, Franchisor has the right to require that Franchisee obtain from any other personnel an executed confidentiality; non-interference and proprietary rights or similar agreement(s) protecting Franchisor's Confidential Information, Trade Secrets, and goodwill, in a form prepared by and acceptable to Franchisor, upon execution of this Agreement or prior to each such person's affiliation with Franchisee or at any time thereafter. Franchisee shall provide Franchisor with copies of all non-competition, nondisclosure, and similar agreements signed pursuant to this Section. Franchisor shall be a third-party beneficiary with the right to enforce covenants contained in such agreements.

Without limiting Franchisee's obligations and restrictions under Section 18 and Section 19 of this Agreement, Franchisee shall promptly notify Franchisor of all holders of a legal or beneficial interest in Franchisee and any officer, director, executive or manager of Franchisee and any additions or deletions to any of the foregoing.

7.5 Franchisee Acknowledges Reasonableness of Restrictions.

Franchisee acknowledges that the restrictive covenants contained in this Section and Section 17.2 are essential elements of this Agreement and that without their inclusion, Franchisor would not have entered into this Agreement. Franchisee acknowledges that each of the terms set forth in this Agreement, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisor, Trade Secrets and other Confidential Information, the System and the Marks and Franchisee waives any right to challenge these restrictions as being overly broad, unreasonable, or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Franchisee shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of Franchisor and Franchisee that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought. Franchisor may, at its discretion and at any time, reduce the scope, restricted activities and/or duration of any of the restrictive covenants effective immediately upon notice to Franchisee.

7.6 Breaches of Confidentiality, Non-Solicitation, Non-Disparagement, and Non-Competition.

Franchisee acknowledges that an actual or threatened violation of the covenants contained in Section 7 of this Agreement will cause Franchisor immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisor shall be entitled, as a matter of right, to seek an injunction from any court of competent jurisdiction restraining any further violation by Franchisee of Section 7 of this Agreement without any requirement to show any actual damage, irreparable harm or establish a balance of convenience, or to post any bond or other security. Such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisor may have at law or in equity.

8. TRAINING AND ASSISTANCE PROVIDED BY FRANCHISOR

8.1 Franchisor Shall Provide Initial Training.

8.1.1 Franchisor shall make an initial training program available to Franchisee, if Franchisee is an individual, or to the equity holders of Franchisee, if Franchisee is a business entity; provided that, Franchisor reserves the right to require multi-unit operators of Franchised Centers to provide their own initial training program. Prior to the opening of the Franchised Center, Franchisee, or as applicable, its equity holders, must attend and successfully complete, to Franchisor's satisfaction, this initial training program pertaining to operation of the Franchised Center. Franchisor or its representatives shall conduct the initial training program at its headquarters or at another designated location determined by Franchisor. Franchisor shall not charge tuition or similar fees for initial training, however, all expenses incurred by Franchisee and its owners, personnel, and other representatives in attending such program including travel costs, room and board expenses and personnel salaries, shall be the sole responsibility of Franchisee.

8.1.2 Franchisor, in its discretion, may make an initial training program available to Franchisee's Center Manager. Any such Center Manager training may be attended by other personnel and representatives of Franchisee approved by Franchisor. Prior to the opening of the Franchised Center, the Center Manager must attend and successfully complete, to Franchisor's satisfaction, any required Center Manager training program pertaining to operation of the Franchised Center. Franchisor or its designees shall conduct the Center Manager training program at its headquarters or at another designated location determined by Franchisor. Franchisor shall not charge tuition or similar fees for any such Center Manager training, however, all expenses incurred by any such Center Manager or other personnel or representatives of Franchisee in attending such program including travel costs, room and board expenses and personnel salaries, shall be the sole responsibility of Franchisee.

8.2 Personnel; Independently Owned and Operated Business.

8.2.1 Franchisee will be required to adequately staff the Franchised Center to operate the Franchised Center, which will likely include, in addition to the Center Manager, at a minimum, aestheticians (referred to as wax specialists) and guest services personnel. Franchisee shall be solely responsible for all hiring, firing, evaluation and disciplinary decisions relating to Franchisee's personnel, as well as the terms (including compensation) of each such employee's employment or engagement, maintaining supervision over such personnel and complying with all federal, state, or local laws applicable to such employment, including complying with all employment, tax (including withholding taxes) and wage related laws with respect to such personnel. Franchisee's personnel will remain, as between Franchisee on the one hand and Franchisor on the other, employees of Franchisee, and shall not be deemed to be employees of Franchisor for any purpose, and Franchisor hereby expressly disclaims any employment or agency relationship between Franchisor on the one hand, and Franchisee and its personnel on the other.

8.2.2 Franchisee shall include its legal name in all employment related documents (*e.g.*, employment policies, employee manuals, applications, disciplinary documents, identification cards) and shall identify itself in all interactions with the public as an independently owned and operated licensed franchised location.

8.2.3 Franchisee must comply with Franchisor's minimum operating standards and procedures included in the Confidential Operations Manual or otherwise in writing from time to time with respect to staffing of the Franchised Center. Franchisee acknowledges and agrees that these compliance obligations are imposed by Franchisor to protect the Marks and the goodwill associated therewith, and that notwithstanding Franchisee's obligations to comply with such minimum operating standards and procedures, neither Franchisor, nor its Affiliates nor their respective employees or representatives assume any responsibility or liability for the hiring or engaging of any personnel or service providing contractors of Franchisee or satisfaction of any pre-employment or pre-engagement conditions, which Franchisee understands is its sole responsibility.

8.2.4 Except as otherwise specifically provided in this Section 8. Franchisee shall be responsible for training its personnel subject to the terms of this Section 8. Notwithstanding the foregoing, Franchisor may make available training materials and programs for certain personnel of Franchisee, which Franchisor may require in its discretion to be completed by such persons prior to the provision of any services by such persons to guests of the Franchised Center.

8.3 Franchisee's Failure to Complete Initial Training Program.

8.3.1 If Franchisor determines that Franchisee, its principals and/or its Center Manager fails to complete the applicable training program described in Section 8.1 to Franchisor's reasonable satisfaction within a reasonable time of signing the Franchise Agreement, Franchisor has the right (but not the obligation) to terminate this Agreement. For the avoidance of doubt, a reasonable time, as described in the previous sentence, shall mean no later than thirty (30) days prior to the projected date for Franchisee to commence operations of the Approved Location for the Franchised Center. If the Term is terminated pursuant to this Section 8.3, Franchisor shall return to Franchisee fifty percent (50.00%) of the Franchise Fee paid by Franchisee upon Franchisor's receipt of a general release in a form the same as or similar to the General Release attached as Exhibit 1 and acceptable to Franchisor; provided, however, that if a general release is prohibited by applicable law, Franchisee shall give the maximum release allowed by law.

8.3.2 Notwithstanding the provisions of Section 8.3.1, if Franchisee is a business entity and the Center Manager fails to timely complete the training program to Franchisor's reasonable satisfaction, Franchisee may be permitted to select a substitute Center Manager and such substitute Center Manager must promptly complete the initial training to Franchisor's reasonable satisfaction. Franchisee may be required to pay Franchisor's then-current rates for additional training for providing the substitute manager with an initial training program.

8.4 Franchisor Shall Provide Opening Assistance.

In conjunction with the beginning of operation of the Franchised Center, Franchisor shall make available to Franchisee, at Franchisor's expense, one (1) or more of Franchisor's representatives to provide general assistance and guidance in connection with the opening of the Franchised Center for a total of approximately eight (8) days before and/or after the grand opening of the Franchised Center. If Franchisee requests additional or special assistance with respect to the opening or continued operation of the Franchised Center, and should Franchisor deem it necessary or

appropriate to comply with such request, Franchisee shall pay Franchisor's then-current standard rates, plus expenses, for such additional assistance.

8.5 New Center Manager Must Complete Brand Immersion and Core Training Program.

After beginning operations, including because of an acquisition of the Franchised Center, should Franchisee name a new Center Manager, Franchisee must notify Franchisor of the identity of any new Center Manager and the new Center Manager must complete the Brand Immersion and Core Training program to Franchisor's satisfaction within thirty (30) days of the new Center Manager assuming the duties of the Center Manager. The new Center Manager may attend the Brand Immersion and Core Training program without charge; provided, that Franchisor has the right to require Franchisee to pay the costs of training if Franchisor determines that manager changes by Franchisee are excessive or caused by poor hiring practices. Franchisee shall be responsible for all travel costs, room and board and personnel salaries incurred in connection with the new Center Manager's attendance at such training.

8.6 Franchisee and its Center Manager Shall Attend Ongoing Training.

8.6.1 From time to time, Franchisor may provide, and, if it does, has the right to require that Franchisee, its principals, its Center Manager and/or other applicable personnel attend, ongoing or refresher training programs or seminars, including webinars and teleconferences conducted by Franchisor and its representatives or third parties engaged by Franchisor, during the Term. Ongoing and refresher training programs or seminars may be subject to additional fees. Franchisee shall be responsible for all travel costs, room and board and personnel salaries incurred in connection with Franchisee's, its principals, its Center Manager's and/or other applicable personnel's attendance at any such ongoing training session.

8.6.2 In addition to any other ongoing training that may be provided by Franchisor pursuant to this Agreement or otherwise in connection with the System, as well as in addition to any other requirements that Franchisee or its principals, its Center Manager(s) and/or other applicable personnel attend at any such ongoing training session, Franchisor, in its discretion, may periodically conduct a national conference from time to time, but no more frequently than annually. Franchisee, its principals, its Center Manager and/or other personnel may be required to attend such conferences or conventions at its own cost and expense, as reasonably determined by Franchisor. For the avoidance of doubt, Franchisee shall be responsible for all admission fees for conference activities as well as all travel costs, room and board and personnel salaries incurred in connection with its attendance and the attendance by its personnel at any such conference or training session.

8.6.3 Franchisor may, as it deems advisable, coordinate periodic teleconferences or video conferences of franchisees and/or its personnel on a local, regional, or national level and may require that Franchisee, its representatives and/or its personnel, as applicable, attend these meetings. Franchisee and its principals shall attend any such meeting required by Franchisor for franchisees unless Franchisee receives Franchisor's permission to not attend any such meeting.

8.7 Franchisor Reserves the Rights to Modify Training Programs.

Franchisor may add or otherwise modify or reduce training components or requirements in its discretion based on changes to the market conditions or other circumstances applicable to the operation of a Franchised Center during the Term. Franchisor may also adapt any training program or create special training programs based on the needs of a particular franchisee or its personnel.

9. FRANCHISOR'S CONFIDENTIAL OPERATIONS MANUAL

9.1 Franchisor Shall Loan Franchisee the Confidential Operations Manual.

During the Term, Franchisor shall provide Franchisee with access to the Confidential Operations Manual (which if tangible, shall be considered a loan to Franchisee for the Term and if electronic, such access shall be deemed temporary for the duration of the Term). Franchisee shall conduct operations at the Franchised Center in strict accordance with the provisions set forth in the Confidential Operations Manual. The Confidential Operations Manual

may consist of one (1) or more separate manuals, user guides and other materials as designated by Franchisor and may be in written or electronic form. Franchisor owns the copyrights in the Confidential Operations Manual; Franchisee shall not copy or duplicate the Confidential Operations Manual in whole or in part; provided, that Franchisee may print out portions on an as needed basis of the electronic version of the Confidential Operations Manual strictly for Franchisee's own use in operating the Franchised Center and for no other purpose. The Confidential Operations Manual shall, at all times, remain the sole property of Franchisor and shall immediately be returned to Franchisor, along with all user names, passwords and access codes to access the Confidential Operations Manual electronically, upon expiration or termination of this Agreement or destroyed, at the direction of Franchisor, and any portions of the Confidential Operations Manual printed from the electronic version by Franchisee shall be promptly destroyed, as certified by Franchisee. If Franchisee's Confidential Operations Manual is lost or destroyed, Franchisor may supply a replacement Confidential Operations Manual to Franchisee or otherwise make available to Franchisee an electronic version of the Confidential Operations Manual, and Franchisee shall pay Franchisor's costs and expenses related to such replacement.

9.2 Franchisor May Modify the Confidential Operations Manual.

9.2.1 Franchisor has the right to add to, delete from, update, revise to or otherwise modify the Confidential Operations Manual, from time to time, to reflect changes in the specifications, standards, operating procedures, and rules prescribed by Franchisor. Franchisor may make such modifications without prior notice to Franchisee. Franchisee shall immediately, upon notice (e-mail acceptable) from Franchisor, adopt any such changes and shall ensure that its copy of the Confidential Operations Manual is up to date at all times. Franchisee is obligated to comply with all specifications, standards, operating procedures, and rules set forth in the then-current current version of the Confidential Operations Manual.

9.2.2 At Franchisor's option, Franchisor may post some or all of the Confidential Operations Manual on a restricted Website, intranet, or extranet to which Franchisee will have access. For purposes of this Agreement, "**Website**" means an interactive electronic document contained in a network of computers linked by communications software, including the Internet and World Wide Web home pages. If Franchisor does so, Franchisee agrees to monitor and access the Website, intranet, or extranet for any updates to the Confidential Operations Manual. Any password, user name or access code or other digital identification necessary to access the Confidential Operations Manual on a Website, intranet, or extranet will be deemed to be Franchisor's proprietary information, subject to Section 7 above.

9.2.3 If a dispute as to the contents of the Confidential Operations Manual arises, the terms of the most recent form of the Confidential Operations Manual available on Franchisor's intranet, shall be controlling.

9.3 Franchisee Must Maintain the Confidentiality of the Confidential Operations Manual.

The Confidential Operations Manual contains Franchisor's Trade Secrets and other Confidential Information and shall be kept confidential by Franchisee both during the Term and after the expiration and non-renewal or termination of this Agreement. If in paper form or stored on computer-readable media, Franchisee shall at all times ensure that its copy is available at the Approved Location in a current and up-to-date manner, and is adequately secured (by passcode, lock, or other similar measures) at the Approved Location. If in electronic form, Franchisee shall maintain the Confidential Operations Manual in a password-protected file. Franchisee shall only grant authorized personnel access subject to confidentiality obligations access to the Confidential Operations Manual. Franchisee shall not disclose, duplicate, or otherwise use any portion of the Confidential Operations Manual in an unauthorized manner.

10. FRANCHISE SYSTEM

10.1 Franchisee Shall Comply with Franchisor's Requirements, Specifications, Standards, Operating Procedures, and Rules.

Franchisee understands and acknowledges the importance of Franchisor's high and uniform standards of quality, operations, and service, and of the necessity to operate the Franchised Center in strict conformity with the System. Franchisee shall strictly comply, and shall cause the Franchised Center to strictly comply, with all

requirements, specifications, standards, operating procedures, and rules set forth in this Agreement, the Confidential Operations Manual, and other communications from Franchisor to Franchisee.

10.2 Franchisor May Modify the System.

Franchisor has the right, in its sole reasonable discretion, to change or modify the System from time to time, including the adoption and implementation of new or modified product and service offerings, Marks and copyrighted materials, computer hardware, software, and equipment, inventory, supplies, and sales and marketing techniques, as well as décor and other specifications in connection with the look and feel of the Franchised Center. Franchisee shall accept and use any such changes in, or additions to, the System as if they were a part of this Agreement as of the date Franchisee receives notice of such change or addition. Franchisee shall make such expenditures as such changes, additions, or modifications in the System may reasonably require. Any required expenditure for changes or upgrades to the System shall be in addition to any ongoing expenditures for repairs and maintenance pursuant to Section 13.6. Notwithstanding anything herein to the contrary, Franchisee shall be required to make any and all improvements or modifications whenever required by law, regulation, agency decision, or court order.

10.3 Franchisor May Vary Standards, Materials, and Specifications for any Franchisee.

Franchisee acknowledges that because complete and detailed uniformity under many varying conditions may not be possible or practical, Franchisor has the right to vary standards, materials, and specifications for any franchisee based upon that particular franchisee's qualifications, the peculiarities of the particular site, specific circumstances, the demographics of the trade area, business potential, existing business practices, or any other consideration that Franchisor deems to be of importance to the successful operation of a European Wax Center at a particular location. Franchisor shall not be required to disclose or grant to Franchisee a like or similar variance under this Agreement. Franchisee will have no recourse against Franchisor because of any variation from standard specifications and practices granted to any other franchisee and will not be entitled to require Franchisor to grant Franchisee a like or similar variation.

11. ADVERTISING AND PROMOTIONAL ACTIVITIES

11.1 Advertising and Promotional Activities Require Franchisor Approval.

All advertising and other promotional efforts and programs that are in any way related to the Franchised Center and that include or otherwise identify any of the Marks, are in all events subject to the prior approval of Franchisor. Advertising and promotional efforts and programs include, but are in no way limited to, Local Advertising, national advertising, press releases or other public statements, media and other promotional or public relations events, sponsorships, endorsements, and online activities (to the extent permissible in this Agreement). Franchisee acknowledges that if it enters into any contract or binding arrangement to use any unapproved advertising or otherwise engages in any unauthorized advertising or promotional efforts, it is doing so at its own risk and therefore, in addition to any rights and remedies in law or in equity that Franchisor may have pursuant to this Agreement, including the right to assess an administrative charge pursuant to Section 3.10, Franchisee may be obligated to pay for advertising or promotional materials or programs which Franchisor will not allow to be used for the Franchised Center or the System.

Franchisee shall submit to Franchisor, for its prior approval, all advertising and other promotional programs related to the Franchised Center that include or otherwise identify any of the Marks, including advertising and promotional materials planned to be used by Franchisee (*e.g.*, ad copy, coupons, flyers and scripts), information about target trade areas and media that will be used for such advertising or promotions, as well as other information that may be reasonably requested by Franchisor from time to time. Franchisor shall use reasonable efforts to provide notice of approval or disapproval within twenty (20) days from the date all requested material is received by Franchisor. If Franchisor does not approve submitted materials within twenty (20) days, such materials shall be deemed to have not received the required approval. Franchisee shall not engage in any such advertising or promotional efforts or programs or use any marketing or promotional material prior to receiving express approval by Franchisor.

11.2 Grand Opening Advertising.

In addition to any other advertising or other promotional obligations required by this Agreement, over the period spanning the three months prior to the commencement of operations at the Franchised Center and the first three months after commencement of operations at the Franchised Center, Franchisee shall spend a minimum of \$12,000 on local advertising and promotion of the initial opening (“**Grand Opening Advertising**”). Franchisor may require Franchisee to purchase European Wax Center Marketing Materials from Franchisor, its applicable Affiliates or a third party designated by Franchisor for use in Franchisee’s Grand Opening Advertising. These materials may be furnished to Franchisee as a part of the Start-up Marketing Package or may be in addition to the Start-up Marketing Package. For the avoidance of doubt, amounts paid for the Start-up Marketing Package shall not reduce Franchisee’s Grand Opening Advertising obligation, but any other amounts paid for European Wax Center Marketing Materials from Franchisor or its Affiliates, or any third-party designated by Franchisor shall be considered amounts spent for purposes of Franchisee’s Grand Opening Advertising obligation. Prior to their use, all materials to be used in Grand Opening Advertising must be approved by Franchisor through the process set forth in Section 11.1. Grand Opening Advertising expenditures shall be in addition to any Ongoing Advertising obligations, including applicable Marketing Fund Contributions. Upon request, Franchisee shall furnish to Franchisor copies of all invoices, receipts, statements, materials, and any other information or documentation that Franchisor requests in order to substantiate Franchisee’s compliance with the Grand Opening Advertising obligations set forth herein.

11.3 Marketing Fund and Other Local Advertising Efforts.

In addition to any other advertising or other promotional obligations required by this Agreement, Franchisee must spend a minimum of three percent (3.00%) of Gross Sales on advertising and promotion of the Franchised Center and the European Wax Center brand (“**Ongoing Advertising**”). Franchisor has established (and currently administers through its designated Affiliate, EWC MFund, LLC as well as possibly other Affiliates from time to time) a System-wide marketing, advertising, and promotional fund to assist with local, regional, and national advertising (“**Marketing Fund**”). Franchisor may designate, from time to time, that all or a portion of Franchisee’s Ongoing Advertising obligation shall be contributed to the Marketing Fund (collectively, the “**Marketing Fund Contributions**”). Marketing Fund Contributions shall be made at the time and in the manner provided for Royalty Fees in Section 3.4 (or at such other times specified by Franchisor from time to time). Franchisor shall notify Franchisee at least thirty (30) days before implementing or changing Marketing Fund Contribution requirements. As of the date of this Agreement, the required Marketing Fund Contributions are equal to the full Ongoing Advertising obligation of three percent (3.00%) of Gross Sales. The Marketing Fund, for purposes of any Marketing Fund Contributions made by Franchisee, shall be maintained and administered by Franchisor or its designee as follows:

11.3.1 The Marketing Fund shall oversee all local, regional, national or if applicable, international marketing programs, with sole control over the creative concepts, materials and media used in such programs, and the placement and allocation thereof. Marketing Fund activities are intended to promote both general public recognition and acceptance of the Marks and use of the System, as well as European Wax Center recognition at a local, regional, national, and if applicable, international level; provided, that, Franchisor, its Affiliates, and their designees are not obligated to make expenditures for the Franchised Center on a basis equivalent or proportionate to the Marketing Fund charges or to ensure that any particular franchise location benefits directly or proportionately from Marketing Fund activities or expenditures, and Franchisor does not warrant that any particular franchisee, franchise location or any group of franchisees or locations will benefit directly or pro rata from expenditures by the Marketing Fund. Programs(s) may be designed for local franchisees, for regional or national or even international recognition, or apply System-wide. Franchisor does not warrant the success or effectiveness of any particular marketing program. While Franchisor does not warrant that any particular franchisee or franchise location will benefit directly or pro rata from expenditures by the Marketing Fund, Franchisor will, and will cause its Affiliates, to operate the Marketing Fund in good faith and in a non-discriminatory manner.

11.3.2 Franchisee’s Marketing Fund Contributions may be used to meet the reasonable costs of, or reimburse Franchisor or its Affiliates for, its reasonable costs of operating the Marketing Fund, including reasonable costs of producing, maintaining, administering and directing consumer advertising (including the cost of preparing and conducting television, radio, Internet, magazine, newspaper, billboard, social media and digital advertising, other forms of out-of-home advertising and direct mail advertising campaigns and other public relations activities; sampling of products; testing or piloting programs, products and services and developing and/or hosting an Internet web page or site and similar activities; employing advertising agencies to assist therein; and providing promotional brochures and other marketing materials to franchisees or other third-persons). Marketing Fund Contributions may be used to

pay: (i) all reasonable costs associated with developing, preparing, producing, directing, administering, researching, conducting, and disseminating Marketing Fund activities, as well as the reasonable administrative costs and overhead incurred by Franchisor, or any of its Affiliates, with respect to the foregoing (including the reasonable cost of salaries and overhead for Franchisor's and its Affiliates' personnel involved in Marketing Fund activities); and (ii) the cost of overseeing marketing and promotional activities as well as collecting and accounting for the Marketing Fund. Franchisor or its Affiliates may (but will not be obligated to) (i) loan money to be used for Marketing Fund activities and Franchisor reserves the right to charge interest at then-current market rates with respect to such loans, and (ii) use Marketing Fund contributions to repay any such loan plus interest. All Marketing Fund Contributions will be maintained in a separate account from the monies of Franchisor and shall not be used to defray any of Franchisor's general operating expenses, except for such reasonable costs and expenses, if any, that Franchisor or its Affiliates may incur in activities reasonably related to the operation or other administration of the Marketing Fund.

11.3.3 Franchisor shall endeavor to spend all Marketing Fund Contributions on marketing programs and promotions during Franchisor's fiscal year within which such contributions are made. If excess amounts remain in any Marketing Fund at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of such excess amounts, including any interest or other earnings of the Marketing Fund, and next out of prior year contributions and then out of current contributions.

11.3.4 Although Franchisor intends the Marketing Fund to be of perpetual duration, Franchisor reserves the right to, at any time: (i) modify or reconstitute the local, regional, national, or international scope of the Marketing Fund activities; and (ii) terminate the Marketing Fund activities and establish methods of funding Marketing Fund activities other than payment to the Marketing Fund. The Marketing Fund shall not be terminated, however, until all Marketing Fund Contributions have been expended for advertising and promotional purposes or returned to Franchisee and other franchisees on a pro rata basis based on their Marketing Fund Contributions made during the preceding twelve (12) month period.

11.3.5 Each European Wax Center operated by Franchisor, or an Affiliate of Franchisor, in the United States shall make Marketing Fund Contributions at the same rate as franchisees.

11.3.6 An accounting of the operation of the Marketing Fund shall be prepared annually and shall be available to Franchisee upon request. Such request must be made no earlier than ninety (90) days and no later than one hundred eighty (180) days after the end of such fiscal year. Franchisor retains the right to have the Marketing Fund reviewed, audited, and reported on, at the expense of the Marketing Fund, by an independent certified public accountant selected by Franchisor.

11.3.7 Franchisee acknowledges that the Marketing Fund is not a trust and Franchisor assumes no fiduciary duty with regard to administering, use, or expenditure of the Marketing Fund.

11.3.8 Franchisor and its representatives have the right, but no obligation, to use collection agents and institute legal proceedings to collect Marketing Fund contributions at the Marketing Fund's expense. Franchisor and its representatives also may forgive, waive, settle, and compromise all claims by or against the Marketing Fund. Franchisor and its representatives may at any time defer or reduce contributions of a franchisee and, upon thirty (30) days prior written notice to Franchisee, reduce or suspend Marketing Fund Contributions and operations for one (1) or more periods of any length and terminate (and, if terminated, reinstate) the Marketing Fund.

11.3.9 If the Marketing Fund is terminated, all unspent monies will be distributed to the contributors on a pro rata basis in proportion to their respective Marketing Fund contributions during the preceding twelve (12) month period.

Subject to compliance with the terms of this Agreement, Franchisee is strongly encouraged to continuously promote the Franchised Center through other local advertising and promotional efforts within the locality surrounding the Franchised Center ("**Local Advertising**"), in addition to the advertising and promotional efforts conducted by the Marketing Fund; provided, that, Franchisee shall only be obligated under this Agreement to spend its Ongoing Advertising obligation on a monthly basis. All Local Advertising and other advertising and other promotional efforts and programs not related to the Marketing Fund, or any other programs conducted by Franchisor or its Affiliates, shall be made directly by Franchisee, at Franchisee's sole cost and expense, and shall be conducted in accordance with

Franchisor's requirements and specifications and in all events subject to the approval of Franchisor. Notwithstanding any provision herein to the contrary, Franchisee shall periodically be required to purchase European Wax Center Marketing Materials from Franchisor, its Affiliates or from Approved Suppliers for use with the Franchised Center, and any such amounts shall be in addition to Franchisee's Ongoing Advertising obligations under this Agreement. Franchisor may provide general guidelines for conducting Local Advertising from time to time. Upon Franchisor's request, and no more than on a quarterly basis, Franchisee shall furnish to Franchisor an accurate accounting of the expenditures on Local Advertising for the preceding calendar quarter.

11.4 Cooperative Advertising.

Franchisor has the right, but not the obligation, directly or through a designee, to create one or more Cooperative Advertising programs for the benefit of European Wax Centers located within a particular region. Franchisor has the right to collect and designate all or a portion of the Ongoing Advertising to payments or contributions for the funding of any such Cooperative Advertising program. Franchisor has the right to determine the composition of all geographic territories and market areas for the implementation of each Cooperative Advertising program and to require that Franchisee participate in such Cooperative Advertising programs when established within Franchisee's region. If a Cooperative Advertising program is implemented in a particular region, Franchisor has the right to establish an advertising council to self-administer the Cooperative Advertising program. Franchisee shall participate in the council in accordance with the council's rules and procedures and Franchisee shall abide by the council's decisions. Should Franchisor establish a Cooperative Advertising program or programs with or without an advertising council, Franchisor has the right, but not the obligation, to change, dissolve or merge such program(s) and/or council(s) at any time.

11.5 Participation in Marketing Programs, Promotions, and Initiatives.

Franchisee agrees to participate fully in all marketing programs, promotions, and initiatives that Franchisor and its Affiliates may establish, coordinate, or implement from time to time. Franchisee acknowledges that such marketing programs, promotions, and initiatives may require Franchisee to incur costs and expenses in addition to those for Ongoing Advertising and Grand Opening Advertising, and that such marketing programs, promotions, and initiatives may vary in duration (including adoption on a permanent basis), apply on a local, regional, national basis, or involve clusters or groups of franchised centers utilizing services on a shared basis.

11.6 Internet Advertising; Social Media and Mobile Applications.

Franchisee may not establish a presence on, or market using, the Internet, including on any social media site such as Facebook, Twitter, Instagram, Snapchat, YouTube, or TikTok, in connection with the Franchised Center or use of the Marks without Franchisor's prior written consent. Franchisee shall not establish, create, or operate an Internet site or Web site or social media page or any mobile or other applications using a domain name or uniform resource locator containing, or otherwise advertise on the Internet, including on any social media page using, the Marks or the words "European Wax Center," "EWC" or any variation thereof. Franchisor has established and maintains an Internet Web site at the uniform resource locator www.waxcenter.com, as well as one or more mobile applications, which provide information about the System and the services that Franchisor and its franchisees provide. Franchisor may (but is not required to) include at the European Wax Center Web site and through any of its mobile applications, an interior page containing information about the Franchised Center, or include information about the Franchised Center within other pages or applications of its Internet Web site or mobile applications, including through its online reservation system. If Franchisor includes such information on the European Wax Center Web site or mobile applications, Franchisor has the right to require Franchisee to prepare all or a portion of the page, at Franchisee's expense, using a template that Franchisor provides. All such information shall be subject to Franchisor's approval prior to posting. Franchisor retains the sole right to market on the Internet, including the use of Web sites, domain names, uniform resource locators, keywords, linking, mobile applications, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, auction sites, e-commerce, and co-branding arrangements. Franchisee may be requested to provide content for Franchisor's Internet and mobile marketing and shall be required to follow Franchisor's intranet, mobile and Internet usage rules, policies, and requirements. Franchisor retains the sole right to use the Marks on the Internet, including on Web sites, mobile applications, social media sites, including Facebook, Twitter, Snapchat, and YouTube, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding, and other arrangements. Franchisor retains the sole right to

approve any linking to, or other use of, the European Wax Center Web site, social media pages or connected with any of its mobile applications. Franchisee shall enforce this Section as to its officers, directors, executives, managers, employees, agents, and representatives and shall be liable to Franchisor for any unauthorized use of such Marks by any of them.

12. ACCOUNTING, RECORDS, AND REPORTING OBLIGATIONS

12.1 Franchisee Shall Maintain Full, Complete and Accurate Books, Records and Accounts.

During the Term, Franchisee shall maintain full, complete, and accurate books, records, and accounts in accordance with generally accepted accounting principles or other reasonable standards required by Franchisor. Franchisor acknowledges that such books, records, and accounts may not be maintained at the Franchised Center, however Franchisee shall make such books, records, and accounts available to Franchisor for auditing purposes at a location reasonably acceptable to Franchisor. Franchisee shall retain during the Term, and for seven (7) years thereafter (unless otherwise required by applicable law), all books and records related to the Franchised Center including enrollment records, gift card and Approved Package and Membership Programs sales and redemptions (including escheatment law compliance), purchase orders, invoices, payroll records, sales tax records, state and federal tax returns, bank statements, cancelled checks, deposit receipts, cash receipts and disbursement journals, general ledgers, and any other financial records designated by Franchisor or required by law.

12.2 Franchisee Shall Submit Gross Sales Reports.

Franchisee shall maintain an accurate record of Gross Sales and its sales of European Wax Center Products and shall deliver to Franchisor a signed and/or verified statement of Gross Sales (“**Gross Sales Report**”) for the week ending each Saturday in a form that Franchisor approves or provides in the Confidential Operations Manual. The Gross Sales Report for the preceding week must be provided to Franchisor on a weekly basis (or at such other times as Franchisor may designate from time to time) as provided in Section 3.4.

12.3 Franchisee Shall Submit Financial Statements to Franchisor.

Upon Franchisor’s request, Franchisee shall supply to Franchisor, in a form and manner approved or otherwise designated by Franchisor, financial statements, which shall be prepared in accordance with GAAP applied on a consistent basis, and such other periodic reports in the manner and at the time specified in the Confidential Operations Manual or otherwise in writing by Franchisor or its representatives.

12.4 Franchisee Shall Submit Other Reports.

Franchisee shall submit to Franchisor copies of all state sales tax returns that are required to be filed with the appropriate governmental agency and such other records as Franchisor or its representatives may reasonably request from time to time or as specified in the Confidential Operations Manual or otherwise in writing by Franchisor or its representatives. Franchisor shall have the right to release financial and operational information relating to the Franchised Center to Franchisor’s lenders or prospective lenders or purchasers, or to such other Persons as Franchisor reasonably determines, including to other franchisees and their employees, agents and representatives or the franchise network as a whole; provided, however, notwithstanding the foregoing, Franchisor agrees that information containing Franchisee’s costs or expenses or overall profit and loss provided by Franchisee will only be disclosed to other third parties with Franchisee’s prior written consent; provided, further however, that Franchisor may, without such Franchisee consent, disclose such information to third parties in a manner which does not identify, directly or indirectly, Franchisee or the Franchised Center, such as by de-identifying Franchisee and the Franchised Center or otherwise incorporating and aggregating such information with information from other franchisees into summaries, calculations, reports or other information. For the avoidance of doubt, subject to the foregoing, any financial or operational information disclosed by Franchisee or its representatives to Franchisor or otherwise gathered by Franchisor through other sources related to Franchisee’s costs or expenses, results of operations or overall profit and loss in connection with the operation of the Franchised Center may be used by Franchisor and its employees, agents and representatives for any such legitimate business purpose, including for purposes of benchmarking. Franchisee shall certify as true and correct all reports to be submitted pursuant to this Agreement.

12.5 Technology, Computer Systems, Network Components, and Point of Sale Systems.

12.5.1 Franchisee shall purchase, install, and use a point-of-sale system and other applicable technology consisting of hardware and software in accordance with Franchisor's specifications and shall upgrade such systems in accordance with Franchisor's then-current requirements upon request. Franchisee shall also comply with all backup requirements specified by Franchisor in the Confidential Operations Manual or otherwise in writing, from time to time. Franchisee acknowledges that Franchisor may modify such specifications at any time, which may require Franchisee to incur additional costs and expenses, including costs incurred to acquire new or modified hardware or software and/or communication/technology capabilities and to obtain service and support for such hardware, software, or communication/technology capabilities. As part of Franchisee's obligations to acquire and maintain such required hardware and software, Franchisor may require Franchisee to obtain licenses to use certain proprietary software developed by Franchisor, its Affiliates, or third parties. Franchisee may be required to pay certain licensing and subscription fees to Franchisor, its Affiliates, or third parties in order to obtain the software licenses that Franchisee is required to utilize in connection with the operation of the Franchised Center.

12.5.2 Franchisor shall, from time to time, determine which features of the point-of-sale system and other applicable technology shall be accessible to Franchisee, as more particularly set forth in the Confidential Operations Manual or otherwise in writing from Franchisor to Franchisee.

12.5.3 Franchisor has the absolute right to: (i) access at any time and without any advance notice, Franchisee's technology and point-of-sale data and systems and all related information by means of direct access, either in person or by telephone, modem or Internet (as determined by Franchisor); and/or (ii) view, program or modify any part of any network systems or technology or Franchisee's point-of-sale local server or any centralized point-of-sale system as needed to maintain Franchisee's point-of-sale system. Franchisor may restrict Franchisee's access to the point-of-sale system or network at any time in its sole and absolute business discretion. Franchisor's access is intended in part to permit Franchisor to verify Franchisee's compliance with its obligations under this Agreement, and to allow Franchisor to retrieve any and all information concerning the operation of the Franchised Center, including all information related to sales and information about guests; provided Franchisor shall comply with all applicable laws related to its use and access of any personal information about guests, and to maintain such technology and as applicable, Franchisee's point-of-sale server and any centralized point-of-sale system server. Franchisor reserves the right, without notice, to modify any programming as necessary that is inconsistent with the programming specifications and guidelines for Approved Package and Membership Programs, client rewards, client loyalty and other programs as outlined in the Confidential Operations Manual. Franchisee shall take all necessary steps to ensure that Franchisor has such access on an ongoing basis and Franchisee shall not install any software or make any hardware modifications that may hamper or interfere with the operation of any required hardware or software in accordance with Franchisor's specifications.

12.5.4 Franchisee shall maintain high-speed Internet access for the Approved Location in accordance with Franchisor's then-current specifications and requirements.

12.5.5 Franchisee shall have sole responsibility for maintaining its computer hardware and software, including the security of all information secured on any of its computer hardware and software, and all access codes, passwords and user names used to access such hardware and software and the System in general, with at least industry standard and Franchisor required virus protection software, and shall be responsible for any and all consequences that may arise if any such computer hardware or software is not properly operated, maintained, protected and/or upgraded or any consequences as a result of Franchisee's hardware and software interfacing with Franchisor's, Franchisor's Affiliates', or any third party's computer system.

12.5.6 If Franchisor believes that the security and/or the integrity of the network has been compromised, Franchisor may, without notice, temporarily terminate Franchisee's access to the network for the period of time reasonably necessary to repair such integrity and/or security breach.

12.5.7 Except in the event of an emergency, including any time in which Franchisor in its sole discretion believes that the security and/or the integrity of the network has been or may reasonably be compromised, in exercising its rights under this Section, Franchisor will use good faith efforts not to disrupt the normal operations of the Franchised Center, and in no event will Franchisor be liable to Franchisee for any damages or other liability as

a result of Franchisor terminating such access, except to the extent Franchisor acted grossly negligent or was willful in any misconduct.

12.5.8 Franchisee shall solely incur such costs in connection with obtaining and updating all computer hardware and software as required by Franchisor in connection with Franchisee's operation of the Franchised Center.

12.5.9 In order to maintain the integrity and security of the entire Franchise network, and any centralized point-of-sale system server, all network components (routers, modems, etc.) will be managed and secured exclusively by Franchisor only. Franchisee will not have access to any network components. However, except in the event of an emergency, including any time in which Franchisor reasonably believes that the security and/or the integrity of the network has been or may reasonably be compromised, Franchisor will not prohibit Franchisee's access to the Franchised Center, the network or Franchisee's applicable interfaces by such control.

12.5.10 In the event that Franchisor believes that the security and/or the integrity of the network has been compromised, Franchisor may, without notice, temporarily terminate Franchisee's access to the network for the period of time reasonably necessary to repair such integrity and/or security breach. In no event will Franchisor's actions unreasonably disrupt the normal operation of the Franchised Center or will Franchisor be liable to Franchisee for any damages or other liability as a result of Franchisor terminating such access, except to the extent Franchisor acted grossly negligent or maliciously. Franchisee understands that terminated access to the network may terminate Franchisee's access to all centralized data used in connection with any package, membership, gift certificate or gift card, and any other offsite redemption/transfer point-of-sale operations.

12.5.11 Notwithstanding any provision herein to the contrary, for the avoidance of doubt, as between Franchisee on the one hand and Franchisor and Franchisor's Affiliates on the other, Franchisee shall be fully responsible for ensuring that displays on any such point-of-sale system or receipts generated by any such point-of-sale system, comply with all state, local or other laws and regulations applicable to Franchisee's operations, including those related to consumer protection. Franchisor will use good faith, commercially reasonable efforts to assist with the implementation of any changes requested by Franchisee and that are required to comply with any such applicable law or regulation. Any such requests shall be submitted to Franchisor in writing before any such changes are implemented, unless applicable law provides otherwise.

12.5.12 Without limiting any other term of this Agreement, Franchisor shall not be liable nor responsible for any delays or disruption in any centralized point-of-sale system server or other network component or the maintenance services it provides due to strikes, lockouts, casualties, acts of God, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of Franchisor.

12.6 Surveillance Camera System.

If Franchisee elects or is otherwise required to purchase and install a surveillance camera system consisting of cameras and other equipment in accordance with Franchisor's specifications, Franchisee shall comply with all applicable laws related to any such surveillance camera system, including any requirement to post signs informing the public that such surveillance is in place.

12.7 Telephone and Music System.

Franchisee shall purchase and install a phone and music system in accordance with Franchisor's specifications and shall upgrade such system in accordance with Franchisor's requirements.

12.8 Franchisor May Inspect Franchisee.

Franchisor or its designee has the right, during normal business hours, to examine, copy and audit the books, records, and tax returns of Franchisee. If the audit or any other inspection should reveal that any payments to Franchisor or its Affiliates have been underpaid, then Franchisee shall immediately pay to Franchisor or its applicable Affiliates the amount of the underpayment plus interest from the date such amount was due until paid at the rate of

one and one-half percent (1.50%) per month (or the highest rate allowed by the law of the state where Franchisee is located, whichever is lower) pursuant to Section 3.9 of this Agreement. If the audit or any other inspection discloses an underpayment of three percent (3.00%) or more of the amount due for any period covered by the audit, Franchisee shall, in addition to any other payments required above, reimburse Franchisor for any and all costs and expenses connected with the inspection (including travel expenses and reasonable legal and professional fees). The foregoing remedies shall be in addition to any other remedies Franchisor may have.

12.9 Franchisor May Inspect Franchisee's Records.

At Franchisor's request, Franchisee shall authorize and direct any third parties, including accounting professionals, to release to Franchisor all accounting and financial records arising from or relating to the operation of the Franchised Center including records evidencing Gross Sales, profits, losses, income, tax liabilities, gift card and Approved Package and Membership Programs sales and redemptions, escheatment law compliance, tax payments, revenues, expenses, and any correspondence, notes, memoranda, audits, business records, or internal accounts within said third parties' possession, custody or control, and to continue to release such records to Franchisor on a monthly or other basis requested by Franchisor for the length of the unexpired Term or until such time as Franchisor withdraws its request. Franchisee shall execute all documents necessary to facilitate the release of records referenced in this Agreement to Franchisor.

13. FRANCHISEE SHALL COMPLY WITH FRANCHISOR'S STANDARDS OF OPERATION

13.1 Franchisee Shall Only Sell Franchisor's Authorized Products and Services; Purchases from Approved Suppliers.

13.1.1 Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality products and services to its customers in a consistent manner. Accordingly, Franchisee shall provide or offer for sale through, or use in its operation of, the Franchised Center only those European Wax Center Products and other products, supplies, signs, equipment, inventory, and other items and services that Franchisor from time to time approves (and that are not thereafter disapproved) and that comply with Franchisor's specifications and quality standards. If required by Franchisor, any such items or services shall be purchased only from "**Approved Suppliers**" that Franchisor designates or approves (which might include, or be limited to, Franchisor or an Affiliate). Franchisee shall not offer for sale, sell, or provide through the Franchised Center or from the Approved Location any products or services that Franchisor has not approved, nor may Franchisee offer, sell, provide, or otherwise distribute any such products or services through any other channels of distribution other than the Franchised Center.

13.1.2 Unless otherwise not permitted under applicable law, Franchisee shall offer all European Wax Center Products and European Wax Center Services designated by Franchisor. Franchisee shall implement any additions and changes to the products and services offered by the Franchised Center that Franchisor requires. For the avoidance of doubt, nothing in this Agreement shall require Franchisee to offer any European Wax Center Service, or refrain from offering any similar service, if by doing so, Franchisee would violate any applicable law, rule or regulation promulgated by any governmental authority, including any law, rule or regulation related to anti-discrimination applicable to the jurisdiction where the Franchised Center is located.

13.1.3 Without limiting the foregoing, Franchisee may not offer or sell any products or promotional packages that compete with any promotions disseminated by Franchisor.

13.1.4 Subject to applicable laws, Franchisor may prescribe prices that Franchisee may charge customers for products and services offered by the Franchised Center. From time to time and subject to applicable law, Franchisor may permit Franchisee or other franchisees to assess surcharges. While the parties agree that uniform pricing does affect the reputation and goodwill of the System, Franchisor does review requests for deviations from any such permitted standard pricing from time to time. When determining whether to permit any deviation in any such standard pricing model, Franchisor will consider factors such as the location of the Franchised Center, the reasons for your request, variations in cost structures related to the Approved Location, applicable law and other factors Franchisor considers important. Any requests to deviate from any such recommended pricing models shall be submitted to Franchisor in writing before any such changes are implemented, unless applicable law provides

otherwise. To the fullest extent permitted by applicable law, Franchisor's failure to affirmatively approve the request shall be deemed a disapproval of any such request.

13.1.5 From time to time, Franchisor may implement a variety of payment plan programs for the benefit of guests and, to the fullest extent permitted by applicable law, may require franchisees to provide such payment plan programs at the Franchised Center. Franchisee acknowledges that certain payment plans may be considered retail installment contracts or otherwise be subject to consumer protection or other similar laws, and therefore Franchisee, and not Franchisor, is responsible for conforming any such payment plan to comply with each applicable law, rule, and regulation in the jurisdiction where the Franchised Center is located. In the event Franchisor provides any form agreements or other materials associated with such payment plans, such agreements or materials shall be deemed for all purposes provided without any representation, warranty, or guarantee of compliance in any jurisdiction, and the use of any such form or material by Franchisee is at its OWN RISK. Franchisee is advised to consult with its legal advisors in connection with the offering of any such payment plans or programs, and with respect to any agreements or other materials that may be associated therewith.

13.1.6 Subject to applicable laws, Franchisor may prescribe uniform refund policies for European Wax Center Products and pre-paid packages and other items that may be sold at the Franchised Center.

13.2 European Wax Center Products.

13.2.1 Franchisor and its Affiliates developed or acquired and may continue to develop or acquire, European Wax Center Services and a cohesive line of products, including proprietary facial and body wax, ingrown hair serums, lotions, exfoliates, and other related personal care items Franchisor designated for use and resale in European Wax Centers by Franchisor (collectively referred to throughout this Agreement as "**European Wax Center Products**"). In order to maintain the consistency, quality and uniformity of the System, Franchisor or its Affiliates shall make the European Wax Center Products available to Franchisee in reasonable quantities in accordance with the procedures and policies for ordering, handling, stocking, and shipping that Franchisor may determine from time to time, provided that Franchisee is in compliance with this Agreement and all other agreements with Franchisor and any Affiliate.

13.2.2 Franchisee acknowledges and agrees that the European Wax Center Products developed or acquired by Franchisor and its Affiliates are inextricably interrelated with the Marks. Subject to the terms and conditions of this Agreement, to the fullest extent required by Franchisor and permitted by applicable law, Franchisee agrees to order and purchase all of its requirements of European Wax Center Products exclusively from Franchisor, an Affiliate, or a supplier designated by Franchisor. Franchisee agrees to, at all times, maintain an inventory of European Wax Center Products as necessary to operate the Franchised Center at full capacity, in accordance with Franchisor's standard specifications and requirements.

13.2.3 The following additional terms and conditions shall apply to any orders of any European Wax Center Products from Franchisor or any Franchisor Affiliate:

13.2.3.1 Franchisor will provide access to an order management system for the placement of orders for all European Wax Center Products that are distributed by Franchisor or any Franchisor Affiliate. Applicable pricing, delivery options, and other applicable terms will be provided through the order management system or otherwise made available to Franchisee in writing.

13.2.3.2 Subject to the terms of this Agreement, orders will be filled subject to applicable availability.

13.2.3.3 Franchisor or its Affiliates or their representatives will use good faith efforts to promptly notify Franchisee in writing (e-mail acceptable) of any failure or anticipated failure to provide any such ordered European Wax Center Products in accordance with any order, including any details of the status of any backorders.

13.2.3.4 Subject to availability, orders will be delivered to the Franchised Center, or such other locations designated on an order. Unless otherwise communicated at the time of the order, Franchisor or its Affiliates will coordinate and schedule the availability of carriers to deliver ordered European Wax Center Products in accordance with any prescribed shipping preferences. Delivery fees and times may vary.

13.2.3.5 All ordered European Wax Center Products will be distributed at the listed price, absent manifest error, and are subject to applicable shipping and handling charges, as well as sales and use and other applicable excise taxes. Franchisor or its Affiliates may charge all amounts for such ordered European Wax Center Products to the Electronic Depository Transfer Account. Franchisee shall ensure there are adequate funds in the Electronic Depository Transfer Account to cover all applicable amounts for each such order. Invoices will be issued with each order, and all invoices are due upon receipt; provided, that, in the event that: (i) Franchisee fails to timely pay for any such order or has insufficient funds in the Electronic Depository Transfer Account to cover all applicable amounts for any such order; or (ii) Franchisor concludes reasonably and in good faith that Franchisee's creditworthiness has materially deteriorated, then, in addition to applicable late fees, interest, insufficient funds fees, and other administrative fees contemplated by this Agreement, Franchisor or Franchisor's Affiliates may, without liability: (A) with written notice (e-mail acceptable) to Franchisee, modify Franchisee's payment terms for outstanding and future purchases, including requiring Franchisee to pay cash in advance or cash on delivery; (B) reject any order received from Franchisee; (C) cancel any previously accepted order from Franchisee; (D) delay or stop shipment of any order from Franchisee; or (E) accelerate any amounts owing by Franchisee to Franchisor or Franchisor's Affiliates. In the event Franchisor exercises any rights set forth in subsections (A) through (E) in the immediately foregoing sentence, Franchisor or its Affiliates may assess reasonable processing and administrative fees for each order placed by Franchisee. Franchisee acknowledges that changes to Franchisee's payment terms and the processes for ordering products will require Franchisor or its Affiliates to incur additional time, effort, and expense, and, therefore, Franchisee agrees that any such processing and administrative fees assessed pursuant to this Section are fair and reasonable and do not constitute a penalty, and shall not limit any other rights or remedies at law or in equity that Franchisor or Franchisor's Affiliates may have pursuant to this Agreement or otherwise (including Franchisor's self-help rights provided in Section 16.6). For the avoidance of doubt, no actions taken by Franchisor or Franchisor's Affiliates under this Section (nor any failure to act) will constitute a waiver by Franchisor or Franchisor's Affiliates of any of its or their rights under this Agreement or otherwise. From time to time, in their reasonable discretion, Franchisor or Franchisor's Affiliates may provide one or more franchisees with more favorable terms on certain orders, which such more favorable terms will govern such certain orders.

13.2.3.6 Franchisee will have a reasonable period of time to inspect all ordered European Wax Center Products received, and to notify Franchisor or its applicable Affiliates in writing, consistent with Franchisor's standard policies and procedures, of Franchisee's rejection of the European Wax Center Products due to damage in transit, nonconforming orders, or other issues with the delivery. Franchisor or its applicable Affiliates will use commercially reasonable, good faith efforts to accommodate issues with orders, but the failure to promptly notify Franchisor or its Affiliates of any such issues may prejudice Franchisor's or its Affiliates' ability to rectify a nonconforming order. Therefore, Franchisee should inspect all orders immediately upon delivery. Upon prompt receipt of any notice of rejection from Franchisee, Franchisor or its applicable Affiliates will replace, subject to availability, such defective product at no additional cost to Franchisee, or, in Franchisor's or its Affiliates' discretion, promptly credit Franchisee for any such defective product(s). As a condition to receiving any such refund or replacement product, Franchisor and its Affiliates may require that Franchisee return such defective products, and if Franchisor or its Affiliates so require, Franchisee shall return such products as a condition to receiving any such credit or replacement product following any reasonable instructions provided by Franchisor or its Affiliates. Orders that are not rejected will be deemed to have been accepted.

13.2.3.7 If Franchisor or its Affiliates issue any recall notices for any products, Franchisor or its Affiliates will promptly replace such products, subject to availability, or provide a credit for any products that were recalled as part of any recall notice. Franchisor and its Affiliates will bear all costs and expenses involved with the return of any recalled products. Franchisee agrees to use good faith efforts to assist in any recall campaigns.

13.2.3.8 Title and all risk of loss with respect to all ordered European Wax Center Products shall pass to Franchisee on delivery to the location designated in the order.

13.2.3.9 Notwithstanding any provision herein to the contrary, for the avoidance of doubt, as between Franchisee, on the one hand, and Franchisor and its Affiliates, on the other hand, Franchisee bears sole responsibility for ensuring that the labeling on European Wax Center Products comply with all applicable state and local laws, regulations, and ordinances that may apply to the sale of European Wax Center Products within the jurisdiction where the Franchised Center is located, including those arising under state consumer protection laws. Upon Franchisee's written request, Franchisor will use good faith, commercially reasonable efforts to assist with the facilitation and implementation of any changes to the labeling of European Wax Center Products that may be required by applicable law, regulation, or ordinance.

13.2.3.10 WITHOUT LIMITING ANY OTHER LIMITATIONS OF LIABILITY SET FORTH IN THIS AGREEMENT, EXCEPT DUE TO FRANCHISOR'S OR ANY OF FRANCHISOR AFFILIATES' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, IN NO EVENT SHALL FRANCHISOR OR ITS AFFILIATES, OR THEIR RESPECTIVE REPRESENTATIVES, BE LIABLE FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR ENHANCED DAMAGES, LOST PROFITS OR REVENUES, OR DIMINUTION IN VALUE, ARISING OUT OF OR IN ANY WAY RELATED TO ORDERS FOR EUROPEAN WAX CENTER PRODUCTS, INCLUDING DELAYS IN DELIVERY, AND REGARDLESS OF: (A) WHETHER SUCH DAMAGES WERE FORESEEABLE; (B) WHETHER FRANCHISEE WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; AND (C) ANY LEGAL OR EQUITABLE THEORY THAT MAY OTHERWISE PROVIDE FRANCHISEE WITH A BASIS TO SEEK THE RECOVERY OF SUCH DAMAGES FROM FRANCHISOR OR ITS AFFILIATES.

13.2.3.11 FRANCHISOR MAKES NO EXPRESS WARRANTIES AND EXPRESSLY EXCLUDES AND DISCLAIMS ALL IMPLIED WARRANTIES WITH RESPECT TO ALL EUROPEAN WAX CENTER PRODUCTS, NON EUROPEAN WAX CENTER PRODUCTS, AND OTHER PRODUCTS, SUPPLIES, SERVICES, AND EQUIPMENT FRANCHISOR OFFERS, SELLS OR REQUIRES FOR FRANCHISEE'S FRANCHISED CENTER, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. FRANCHISEE'S EXCLUSIVE REMEDY AND FRANCHISOR'S EXCLUSIVE LIABILITY FOR ALL CLAIMS AS TO ANY EUROPEAN WAX CENTER PRODUCTS, NON EUROPEAN WAX CENTER PRODUCTS, AND OTHER PRODUCTS, SUPPLIES, SERVICES AND EQUIPMENT IS LIMITED TO THE PURCHASE PRICE THEREFOR, PLUS SHIPPING COSTS, IF ANY, FRANCHISEE PAID; OR, AT FRANCHISOR'S OPTION, THE REPLACEMENT COST THEREOF.

13.3 Franchisee Shall Only Purchase from Suppliers Approved by Franchisor.

13.3.1 Franchisor shall provide Franchisee, in the Confidential Operations Manual or otherwise in writing, with a list of specifications and, if required, a list of Approved Suppliers for some or all of the supplies, signs, equipment and other approved or specified items and services, and Franchisor may, from time to time, issue revisions to such list. If Franchisor or an Affiliate is an Approved Supplier, Franchisee shall execute a standard form purchase, lease, license or supply agreement or purchase order for the items to be supplied by Franchisor or its Affiliate.

13.3.2 If Franchisee desires to utilize any services or products that Franchisor has not approved (for services and products that require supplier approval), Franchisee shall first send Franchisor sufficient information, specifications and/or samples for Franchisor to determine whether the service or product complies with its standards and specifications, or whether the supplier meets its Approved Supplier criteria. Franchisee shall bear all reasonable expenses incurred by Franchisor in connection with determining whether it shall approve an item, service, or supplier. Franchisor will decide within a reasonable time (usually thirty [30] days) after receiving the required information whether Franchisee may purchase or lease such items or services or from such supplier. Approval of a supplier may be conditioned on reasonable requirements related to the frequency of delivery, standards of service, brand compatibility, consistency, reliability, and general reputation.

13.3.3 Nothing in this Section 13.3 shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, standards, and specifications that Franchisor, in its discretion, deems confidential.

13.3.4 Notwithstanding anything contrary in this Agreement, Franchisor has the right to review, from time to time, its approval of any items or suppliers. Franchisor may revoke its approval of any item, service, or supplier at any time, and in its sole discretion, by notifying Franchisee and/or the supplier. Franchisee shall, at its own expense, promptly cease using, selling, or providing any items or services disapproved by Franchisor and shall promptly cease purchasing from suppliers disapproved by Franchisor.

13.3.5 Franchisor has the right to designate (or pilot) certain products and services, not otherwise authorized for general use as part of the System, to be offered locally or regionally based upon such reasonable factors as Franchisor determines including Franchisee qualifications, test marketing and regional or local differences. Franchisor has the right, in its sole discretion from time to time, to give its consent to one (1) or more franchisees to provide certain products or services not authorized for general use as part of the System, and to consent to one (1) or more franchisees to provide certain products or services at non-standard pricing based on market conditions and other factors that Franchisor deems relevant in its discretion. Such consent will be based upon the factors set forth in Section 10.3 and shall not create any rights in Franchisee to provide the same products or services, or offer the same variation in pricing.

13.3.6 Franchisee acknowledges that Franchisor (or its Affiliates, as the case may be) may realize revenue, profit, or mark-up on the supply of any products or services sold to Franchisee by Franchisor (or its Affiliates) and Franchisor (or its Affiliates) shall be entitled, to the fullest extent permitted by law, to retain such revenue, profit, or mark-up for its own account without accounting to or sharing same with the Franchisee. Additionally, Franchisee acknowledges and agrees that Franchisor (or its Affiliates) may receive, and shall be entitled to retain for its sole use and benefit, to the fullest extent permitted by law, discounts, volume rebates, allowances, incentives or other similar advantages, benefits or amounts from suppliers, including Approved Suppliers, directly or indirectly, by reason of such supplier furnishing products or services to Franchisee that Franchisee is required to purchase in connection with the Franchised Center. Franchisor (or its Affiliates) may keep all such discounts, volume rebates, allowances, incentives or other similar advantages, benefits or amounts for its own account and benefit, without sharing them with Franchisee or advising Franchisee of the existence, amount, or nature of same.

Preferred and/or approved suppliers, vendors and service providers are listed based on a number of factors that Franchisor deems relevant, including previous experience with the System; Franchisor's or its Affiliates' or other franchisees' previous experiences; recommendations Franchisor has received from other third parties; reputation in the industry; willingness to provide preferred pricing for franchisees and other factors Franchisor considers relevant in its discretion. However, by listing any third-party supplier, vendor, or service provider as a preferred and/or approved provider or otherwise recommending any third party, or any advice or recommendations Franchisor may offer with respect to any such party, is not, and in no shall be deemed, a representation or guarantee by Franchisor, its Affiliates, or any of their respective employees and representatives as to the services being performed by these third parties. Franchisee is recommended to consult with legal advisors and other professional advisors when engaging any third party to provide services or other products and supplies for Franchisee and the Franchised Center and to review any agreements required to be executed by Franchisee in connection with the provision of such services, products and/or supplies.

13.4 Franchisee Shall Sell All Approved Package and Membership Programs.

13.4.1 Franchisee shall institute, honor, and sell all Approved Package and Membership Programs, and on the terms associated with such Approved Package and Membership Programs, as specified in the Confidential Operations Manual from time to time, or otherwise provided or made available to Franchisee in writing. At such times as required by Franchisor, as specified in the Confidential Operations Manual or otherwise in writing by Franchisor, Franchisee shall deliver to Franchisor a signed and verified statement confirming Franchisee's compliance with all Approved Package and Membership Programs.

13.4.2 All customer and prospective customer and member information is confidential, is the property of Franchisor, and shall be used in strict adherence to Franchisor's policies and procedures as stated in the Confidential Operations Manual. Franchisee shall grant access and extend certain privileges to any customer who presents a valid prepaid service pass or membership card, no matter where such prepaid service pass or membership card was issued or purchased. Subject to the terms and conditions of any applicable clearing house, Franchisee shall

accept as payment any valid prepaid service pass or such other indication of prepayment or credit, no matter where such credit was issued or such prepayment was made.

13.4.3 Should Franchisee desire to institute an unapproved package or membership program that does not compete with an Approved Package or Membership Program, Franchisee shall obtain Franchisor's prior written consent, which may be withheld by Franchisor in its sole reasonable discretion. At Franchisor's option, any package or membership program proposed by Franchisee may be adopted for use throughout the System by Franchisor as an Approved Package and Membership Program. Should Franchisor, at its option, determine not to approve the proposed package or membership program for use throughout the System, Franchisor shall consent, (unless Franchisor has a reasonable basis to withhold such consent), to Franchisee instituting such package or membership program in the operation of the Franchised Center.

13.4.4 All suggestions, comments or other feedback provided by Franchisee to Franchisor, including any proposed package or membership program shall be owned by Franchisor and Franchisor shall be free to use, disclose, reproduce, license or otherwise distribute, and exploit all suggestions, comments or other feedback provided by Franchisee to Franchisor as it sees fit, entirely without any compensation to Franchisee and without obligation or restriction of any kind on account of intellectual property rights or otherwise.

13.4.5 Franchisor shall reimburse Franchisee for services redeemed as part of an Approved Package or Membership Program purchased at another location in accordance with its standard practices, which may include through the clearing house described in Section 3.8 above, or otherwise set forth in the Confidential Operations Manual or other writings provided by Franchisor.

13.5 Approved Customer Rewards and Loyalty Programs.

Franchisor and its Affiliates may develop customer rewards, loyalty programs and other promotional programs and policies for customers of European Wax Centers ("**Approved Customer Rewards and Loyalty Programs**").

Subject to the terms and conditions of any applicable clearing house, Franchisee shall institute all Approved Customer Rewards and Loyalty Programs and other promotional programs and policies implemented by Franchisor, from time to time, as specified in the Confidential Operations Manual or otherwise by Franchisor in writing. Franchisee acknowledges and agrees that, in all phases of such promotional programs, the decision of Franchisor shall be final and binding.

13.6 Appearance and Condition of the Franchised Center.

13.6.1 Franchisee shall maintain the Franchised Center and the Approved Location in "like new" condition at all times, and shall promptly repair, remediate, and/or replace all furnishings, equipment, fixtures, and signage that become damaged, inoperable, worn, or that otherwise fail to adhere to any of the standards or specifications that Franchisor may promulgate for the appearance of European Wax Center franchise locations. Franchisee shall bear sole responsibility for all costs and expenses associated with its obligation to perform repairs and maintenance at the Franchised Center on an ongoing basis, and such costs and expenses shall be in addition to those that Franchisee may be required to incur in connection with any modifications to the System, as described in Section 10.2.

13.6.2 Franchisee shall post all signage, posters, business cards, catalogs, and other promotional materials, at locations and in the manner specified by Franchisor in the Confidential Operations Manual or otherwise in writing from time to time. Franchisee shall also comply with all standards and specifications set forth in the Confidential Operations Manual or otherwise provided by Franchisor in writing, from time to time, regarding the print quality and other specifications for all signage, posters, business cards, catalogs, and other promotional materials.

13.6.3 All signage, posters, business cards, catalogs, and other promotional materials in the Franchised Center must contain Franchisee's then-current pricing.

13.6.4 Franchisor may require Franchisee to purchase any or all of the required signage, posters, business cards, catalogs, and other promotional materials from Franchisor, its Affiliate, or an Approved Supplier.

13.6.5 Franchisee shall, at its sole cost and expense, promptly take all steps and make all alterations that are necessary to operate the Franchised Center in strict compliance with all laws, regulations, and ordinances to which Franchisee and the Franchised Center are subject, including those related to health and safety, occupancy, and public accommodations (*e.g.*, requirements under the Americans With Disabilities Act (“**ADA**”) and similar state and local laws and ordinances).

13.7 Management of the Franchised Center.

The Franchised Center shall, at all times, be under the direct supervision of a Center Manager. The Center Manager shall devote his or her full-time efforts exclusively to the management of the day-to-day operation of the Franchised Center. “**Full-time**” means the expenditure of at least thirty-five (35) hours per week, excluding vacation, sick leave, and similar absences. Franchisee shall keep Franchisor informed, in writing, at all times of the identity of its Center Manager. Franchisee must not engage in any business or other activities that will conflict with its obligations under this Agreement. 16.6 Failure of Performance by Franchisee.

In the event Franchisee engages in, or fails to refrain from, activities, behavior or conduct likely to adversely affect the reputation of Franchisor, Franchisee, the Marks, the Franchised Center, or the goodwill associated therewith, and does not cure such default within one (1) business day after written or oral notice from Franchisor to Franchisee, as reasonably practical under all of the circumstances underlying the default (or does not within said period commence and diligently proceed to cure such default, provided that in cases of emergency, no such advanced notice shall be required), Franchisor, without waiver of or prejudice to any other right or remedy it may have (and without limiting the terms of Section 3.10 of this Agreement), shall have the right (but not the obligation), at any time thereafter, to cure such default for the account of Franchisee, and Franchisee shall reimburse Franchisor for any reasonable amount paid and any other reasonable expense or contractual liability so incurred, by Franchisor or its Affiliates, including up to ten percent (10.00%) of such amounts paid to compensate Franchisor for its reasonable overhead costs in curing such default, including, any damages, fines, reasonable attorneys' fees, and disbursements in instituting, prosecuting or defending any action or proceeding, which shall be payable on demand. For the avoidance of doubt, Franchisor's rights under this Section 16.6 all apply notwithstanding any longer notice and cure periods provided in Section 16.2 above, or under applicable law with respect to termination of a franchise. In the event Franchisor imposes any

administrative fee pursuant to Section 3.10 in connection with such default, any amounts to be paid by Franchisee under this Section 16.6 shall be reduced on a dollar-for-dollar basis by any administrative fee assessed by Franchisor pursuant to Section 3.10 of this Agreement. For the avoidance of doubt, in no event shall Franchisor or its Affiliates have any obligation to Franchisee or any other franchisee to enforce its rights under this Section against any franchisee, or any liability to any franchisee, including Franchisee, for any failure for any reason to do so.

17. RIGHTS AND DUTIES UPON EXPIRATION OR TERMINATION

17.1 Actions to be Taken by Franchisee Upon Termination or Expiration.

Except as otherwise provided in this Agreement, upon termination or expiration of this Agreement, this Agreement and all rights granted under this Agreement to Franchisee shall terminate and Franchisee shall:

17.1.1 immediately cease to operate the Franchised Center and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor; provided, however, that Franchisee's owner(s) is/are permitted to identify themselves as former owners of Franchisee on his or her resume and other job and financing application materials;

17.1.2 immediately cease to use any European Wax Center Technology, the Trade Secrets and other Confidential Information, the System and the Marks including all signs, slogans, symbols, logos, advertising materials, stationery, forms, and any other items that display or are associated with the Marks or similar to the Marks;

17.1.3 upon demand by Franchisor, immediately assign (or, if an assignment is prohibited, sublease for the full remaining term, and on the same terms and conditions as Franchisee's lease agreement) its interest in the lease agreement then in effect for the Approved Location to Franchisor and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement, and Franchisor has the right to pay rent and other expenses directly to the party to whom such payment is ultimately due;

17.1.4 take such action as may be necessary to cancel or assign to Franchisor, at Franchisor's option, any assumed name or equivalent registration filed with state, city or county authorities that contains the name "EUROPEAN WAX CENTER®" or any other Marks, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement;

17.1.5 pay all sums owing to Franchisor and each of its Affiliates within five (5) days after the effective date of termination or expiration of the Franchise, or any later date that the unpaid amounts due to Franchisor or its Affiliates are determined. For the avoidance of doubt, such amounts shall include any liabilities associated with unredeemed European Wax Center gift cards, loyalty points, Approved Package and Membership Programs, and all other promotional items that remain subject to Franchisor's clearing house procedures, which are described in greater detail in Section 3.8 of this Agreement. In addition, in the event of termination of this Agreement for any default by Franchisee, such sums shall include, but not be limited to, all damages, costs, and expenses, including reasonable attorneys' fees with respect to litigation, arbitration, appellate, or bankruptcy proceedings, unpaid Royalty Fees, amounts owed for the purchase of products, loss of future Royalty Fee payments incurred by Franchisor as a result of any early termination of this Agreement, and all other amounts that are due or will become due to Franchisor or any of its Affiliates;

17.1.6 within thirty (30) days following the termination or expiration of this Agreement, at your own cost and expense, complete all closing steps and make all alterations that we specify to distinguish the Premises of the Franchised Center clearly from its former appearance and from other European Wax Centers in order to prevent public confusion and to protect the Marks and the European Wax Center® brand. These closing steps and alterations include, but are not limited to: (a) painting the windows with black washable paint; (b) removing all exterior signage; (c) removing all interior signage and displays; (d) removing all trade fixtures; (e) removing all remaining inventory; (f) removing light fixtures; (g) painting the walls, ceiling, and doors; and (h) removing all other items and materials containing the Marks or that otherwise are proprietary to the European Wax Center® brand. In the event that

Franchisee fails to complete promptly all of the closing steps or to make all of the specified alterations to the Premises and Franchisor exercises its right to complete some or all of the closing steps or alterations on Franchisee's behalf, Franchisee and its Guarantors shall be liable for all costs and expenses that Franchisor and its Affiliates incur in order to complete such closing items and/or alterations;

17.1.7 pay to Franchisor all costs and expenses, including reasonable attorneys' fees, incurred by Franchisor subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement;

17.1.8 immediately (and in no event later than two (2) days after expiration or termination of this Agreement), return to Franchisor or destroy (as certified by Franchisee), at Franchisor's direction, the Confidential Operations Manual (and any printed versions of any electronic copy of the Confidential Operations Manual), Trade Secrets and all other Confidential Information including passwords, access codes, user names to access the Confidential Operations Manual or other System information electronically, all other manuals, training materials, relevant data bases, guest lists, records, files, instructions, brochures, agreements, disclosure statements and any and all other forms or materials provided by Franchisor to Franchisee or used by Franchisee relating to the operation of the Franchised Center (all of which are acknowledged by Franchisee to be Franchisor's property);

17.1.9 cease from using, and assign to Franchisor, all telephone and facsimile listings and numbers, Internet addresses, e-mail addresses domains and social media accounts for the Franchised Center (it being understood by Franchisee that this Section 17.1.8 is not intended as an approval of Franchisee's to use any Internet addresses, e-mail addresses domains or social media accounts and in no way is it intended to contradict those Sections of this Agreement that prohibit such practice, but rather provide for Franchisor's rights in the event Franchisee has used any such Internet addresses, e-mail addresses domains or social media accounts for the Franchised Center), and notify the telephone company and all listing agencies and other applicable third parties of the termination or expiration of Franchisee's right to use any telephone numbers or facsimile numbers, web pages and social media accounts associated with the Marks in any manner and shall authorize transfer of same to or at the direction of Franchisor. Franchisee acknowledges that all telephone numbers and facsimile numbers, Internet addresses, e-mail addresses and domains and social media pages used in the operation of the Franchised Center constitute assets of Franchisor and Franchisee will promptly execute all documents, including authorization forms, prescribed by Franchisor to transfer and assign any such assets to Franchisor upon termination or expiration of this Agreement and/or upon Franchisor exercising its purchase rights under Section 17.3; and

17.1.10 comply with all other applicable provisions of this Agreement which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

17.2 Franchisee Shall Not Unfairly Compete with Franchisor.

17.2.1 Franchisee shall not use or display any Mark or any confusingly similar trademark, in any manner whatsoever, in connection with any other business or purpose or the promotion thereof. Franchisee shall not utilize any designation of origin, description or representation that falsely suggests or represents an association or connection with Franchisor. This Section is not intended as an approval of Franchisee's right to operate any other businesses and in no way is it intended to contradict those Sections of this Agreement that prohibit such practice.

17.2.2 If Franchisor elects not to receive an assignment or sublease of the Approved Location, Franchisee shall make such modifications or alterations to the Approved Location (including assigning telephone and facsimile numbers to Franchisor) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association between Franchisor or the System and any business subsequently operated by Franchisee or others at the Approved Location. Franchisee shall make such specific additional changes to the Approved Location as Franchisor may reasonably request for that purpose including removal of all physical and structural features or trade dress identifying or distinctive to the System. If Franchisee fails or refuses to comply with the requirements of this Section, Franchisor has the right to enter upon the Approved Location for the purpose of making or causing to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee shall pay upon demand in accordance with Section 16.6.

17.3 Franchisor's Option to Purchase Certain Business Assets.

Franchisor has the right (but not the obligation), exercisable by written notice to Franchisee within thirty (30) days after termination or expiration of this Agreement, to purchase any or all assets of the Franchised Center including leasehold improvements, equipment, supplies and other inventory. Subject to applicable law, the purchase price shall be equal to the assets' fair market value as agreed to by Franchisor and Franchisee; provided, that if no such agreement can be made within five (5) days of Franchisor's written notice to Franchisee, the purchase price shall be determined by an independent appraiser that is acceptable to both Franchisor and Franchisee. If Franchisor and Franchisee cannot agree on an independent appraiser, then the procedures set forth in Section 23.7 should be used to choose the independent appraiser. If Franchisor elects to exercise this option to purchase, Franchisor may set off all amounts due from Franchisee to Franchisor or Franchisor's Affiliates under this Agreement or otherwise in connection with the Franchised Center, if any, against the purchase price. Franchisor will not assume any liabilities or obligations of Franchisee in connection with such acquisition, and Franchisee shall indemnify Franchisor and its Affiliates from any claims made against Franchisor or its Affiliates arising out of any such acquisition.

The closing of any such acquisition shall occur within thirty (30) days after Franchisor exercises its option by providing written notice to Franchisee, or such later date as may be necessary to comply with any applicable bulk sales or similar law. At the closing, Franchisor and Franchisee shall each execute and deliver all documents necessary to vest title in such assets in Franchisor, free and clear of all liens and encumbrances, except those reserved under any assumed contracts assumed by Franchisor. Franchisor may assign this right to a Franchisor Affiliate or other purchaser designated by Franchisor.

This Agreement shall constitute a security agreement under the Uniform Commercial Code of the jurisdiction in which the Franchised Center is located, and Franchisor is authorized to file financing statements to perfect its security interest in accordance with applicable laws.

By signing this Agreement, Franchisee appoints Franchisor as its lawful attorney-in-fact with respect to the matters contemplated by Section 17.1, Section 17.2, and this Section 17.3, including the right to assign the lease agreement for the Approved Location to Franchisor or any such substitute purchaser, if desired.

17.4 Survival of Certain Provisions of this Agreement Following Termination or Expiration of this Agreement.

All obligations of Franchisor and Franchisee that expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding their expiration or termination and until satisfied or by their nature expire.

18. TRANSFERABILITY OF INTERESTS IN THIS AGREEMENT

18.1 Transfer by Franchisor.

This Agreement and all rights and duties under this Agreement are fully transferable in whole or in part by Franchisor and such rights will inure to the benefit of any person or entity to whom transferred; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall assume the obligations of Franchisor under this Agreement and Franchisor shall thereafter have no liability for the performance of any obligations contained in this Agreement subject to applicable state law. Specifically and without limitation to the foregoing, Franchisee expressly agrees and acknowledges that Franchisor may sell its assets, Marks or the System outright to a third party; may make a public offering of Franchisor as securities; may engage in a private placement of some of all of its securities; may merge with or acquire other corporations or entities, or be acquired by another corporation or entity; may undertake a refinancing, recapitalization, leveraged buyout or other economic restructuring; and with regard to any or all active sales, assignments and dispositions, Franchisee expressly and specifically waives any claims, demands or damages arising from or related to the loss of any Marks (or any variation thereof) and/or the loss of association with or identification of EWC Franchisor LLC as Franchisor.

FRANCHISEE EXPRESSLY ACKNOWLEDGES AND AGREES THAT PURSUANT TO SECTION 2.9 OF THIS AGREEMENT, FRANCHISOR MAY, AT ITS SOLE OPTION, DELEGATE ALL OR ANY PART OF THE PERFORMANCE OR ENFORCEMENT OF ANY PORTION OR ALL OF ITS OBLIGATIONS OR RIGHTS UNDER THIS AGREEMENT TO THIRD PARTY DESIGNEES, WHETHER THESE DESIGNEES ARE AFFILIATES OR THIRD PARTIES WITH WHOM FRANCHISOR HAS CONTRACTED TO PERFORM THESE OBLIGATIONS OR TO ENFORCE ITS RIGHTS. THESE THIRD-PARTY DESIGNEES MAY PROVIDE SERVICES SPECIFIED TO BE PROVIDED BY FRANCHISOR PURSUANT TO THIS AGREEMENT. SUCH SERVICES MAY INCLUDE INITIAL TRAINING, OPERATIONS ASSISTANCE, SOLICITATION OF PROSPECTIVE FRANCHISEES, ONGOING SUPPORT, OR PERIODIC QUALITY ASSURANCE VISITS WITH EXISTING FRANCHISEES IN A GIVEN TERRITORY. NO SUCH DESIGNEE HAS ANY RIGHT OR AUTHORITY TO BIND FRANCHISOR TO ANY AGREEMENT. FRANCHISOR RESERVES THE RIGHT TO CHANGE DESIGNEES, AS WELL AS THE SUPPORT SERVICES THAT SUCH DESIGNEES PROVIDE TO FRANCHISEE, AT ANY TIME. HOWEVER, FRANCHISOR SHALL ULTIMATELY BE RESPONSIBLE FOR ENSURING THE SUPPORT SERVICES ARE PROVIDED TO FRANCHISEE.

Nothing contained in this Agreement will require Franchisor or its Affiliates to continue to offer franchises, whether in the event that Franchisor exercises its rights to assign or otherwise transfer its rights in this Agreement or otherwise.

18.2 Transfer by Franchisee.

The rights and obligations granted and assumed pursuant to this Agreement are personal to Franchisee (and each of its owners), and Franchisor has entered into this Agreement in reliance on the representations given by Franchisee to secure the Franchise, including the personal and/or collective skills and financial ability of Franchisee and its owners. Accordingly, neither Franchisee nor any holder of a legal or beneficial interest in Franchisee may sell, assign, convey, give away, pledge, mortgage, sublicense, or otherwise transfer, whether by operation of law or otherwise, any interest in this Agreement, the Franchise granted by this Agreement, the Approved Location used in connection with the operation of the Franchised Center, its assets, or any part or all of the ownership interest in Franchisee, or fractionalize any rights of Franchisee, without the prior written approval of Franchisor, which prior written approval shall not be withheld unreasonably. For the avoidance of doubt, it is expressly understood that any transfer of interests in a holding company or other business or legal entity, including any approved trust that holds an interest in Franchisee, shall be deemed a transfer for purposes of this Agreement. Any purported transfer not approved by Franchisor or otherwise expressly allowed under the terms of this Agreement, shall be null and void and shall constitute a material breach of this Agreement. The restrictions on transferability described in this Section 18.2 and Section 18.3 shall also apply to any purported involuntary transfers by operation of law, death, or incapacity, divorce or separation proceedings, and transfers through a shell. If Franchisee is in compliance with the terms of this Agreement, Franchisor shall not withhold unreasonably its approval of a proposed transfer if all of the following mandatory conditions are met (provided, however, that Franchisor may still withhold its approval on any reasonable basis, notwithstanding the satisfaction of all mandatory conditions set forth below):

Franchisor's consent to a transfer of any interest in this Agreement, or of any ownership interest in the Franchised Center, shall not constitute a waiver of any claims Franchisor may have against Franchisee or the transferee, nor shall it be deemed a waiver of Franchisor's right to demand compliance with the terms of this Agreement.

18.3 Restrictions on Transfer by Franchisee to a Controlled Entity.

If Franchisee wishes to transfer this Agreement or any interest in this Agreement to a corporation, limited liability company or other legal entity that is entirely owned by Franchisee or its current owners ("**Controlled Entity**"), which Controlled Entity was formed for the financial planning, tax, or other convenience of Franchisee, or if Franchisee is an entity and its owners desire to transfer any existing equity to other current owners of Franchisee, Franchisor's consent to any such transfer shall be conditioned upon the satisfaction of the following requirements, as applicable, in this Section 18.3, as opposed to any requirement in Section 18.2 to the contrary, subject to applicable state law:

18.4 Transfer Requests.

Franchisor shall be under no obligation to consider a request for Franchisor's consent to a transfer until Franchisee shall have submitted in writing to Franchisor a request for Franchisor's consent to such transfer, together with each of the applicable documents and materials required under Section 18.2 or Section 18.3, as applicable, along with financial statements of the proposed transferee, a history of the proposed transferee's business experience and such other information requested by Franchisor to verify that the conditions and requirements set forth in Sections 18.2 and 18.3, as the case may be, have been satisfied, and Franchisee shall have paid to Franchisor One Thousand Dollars (\$1,000.00) (the "**Transfer Processing Fee**") to reimburse Franchisor for its time and expense in considering such request. Franchisor will respond within thirty (30) days of Franchisor's receipt of any transfer request from Franchisee that includes the Transfer Processing Fee and any additional information requested by Franchisor in connection with such transfer. Within such thirty (30) days of Franchisor's receipt of all applicable documents, materials, and other items required under Section 18.2 or Section 18.3, as the case may be, and this Section 18.4, Franchisor will notify Franchisee of its election to do one of the following: (i) provide its consent to the proposed transfer, subject to such conditions as Franchisor may impose in providing such consent; (ii) decline to provide its consent to the proposed transfer; or (iii) as applicable, exercise its right of First Refusal, as set forth in Section 19. 18.5 Franchisor's Disclosure to Transferee.

Franchisor may, in connection with a proposed transfer, make available for inspection by any intended transferee of Franchisee all or any part of Franchisor's records relating to this Agreement, the Franchised Center, or the history of the relationship between Franchisor and Franchisee. 18.7.1 Upon the death or Incapacity of Franchisee (if Franchisee is an individual) or any holder of a majority of the legal or beneficial interest in Franchisee (if Franchisee is an entity), the appropriate representative of such person (whether administrator, personal representative, or trustee) shall, within a reasonable time not to exceed ninety (90) days following the date of such event (which such 90-day period may be renewed from time to time by Franchisor as necessary in increments of ninety (90) days for an aggregate period of time of up to two hundred seventy (270) days), transfer such individual's interest in the Franchised Center or in Franchisee to a third party approved by Franchisor. Such transfers, including transfers by will or inheritance, shall be subject to the conditions for assignments and transfers contained in this Agreement, unless prohibited by the laws of the state wherein Franchisee was located or resided, with such choice of law provision being applicable only for this Section 18.7. During such ninety (90) day period, as it may be extended, the Franchised Center must remain at all times under the primary management of a Center Manager who otherwise meets Franchisor's qualifications and has completed, to Franchisor's satisfaction, a training program in substance similar to the initial training described in Section 8.

18.7.2 Following such a death or Incapacity of such person as described in this Section 18.7, if necessary in Franchisor's discretion, Franchisor shall have the right, but not the obligation, to assume (either directly or through a Franchisor Affiliate) operation of the Franchised Center until the earlier of: (a) the deceased or incapacitated owner's interest is transferred to a third party approved by Franchisor; or (b) ninety (90) days, which

such 90-day period may be extended from time to time as necessary in increments of ninety (90) days for an aggregate period of time of up to an additional two hundred seventy (270) days. Franchisor will periodically discuss the status with the Franchisee or, as applicable, its heirs if Franchisee is an individual. Franchisor and any such Franchisor Affiliate shall be given access to the Franchised Center, and not be held liable for trespass or any related tort. In the event Franchisor exercises its right to operate the Franchised Center during any such period under this Section 18.7.2, the terms and conditions set forth in Section 16.5 shall apply in the same manner to Franchisor's or any such Franchisor Affiliate's operation of the Franchised Center as if fully set forth in this Section. Franchisor may charge its then-current management fee, and Franchisor and any such Franchisor Affiliate shall be entitled to reimbursement of any expenses Franchisor or any such Franchisor Affiliate incurs that are not paid out of the operating cash flow of the Franchised Center.

18.8 No Release of Transferor.

No sale, assignment, transfer, conveyance, encumbrance, or gift of any interest in Franchisee or this Agreement will relieve the transferor of the obligations of such transferor contained in this Agreement or in any Unlimited Guaranty and Assumption of Obligations executed by such person, as the case may be, unless expressly authorized by Franchisor in writing. Each Unlimited Guaranty and Assumption of Obligations executed in connection with this Agreement shall remain in full force and effect before and after any such sale, assignment, transfer, conveyance, encumbrance, or gift of any interest in Franchisee or this Agreement.

18.9 Proposed Assignment as a Result of Franchisee's Bankruptcy.

18.9.1 Franchisee again acknowledges that the rights and obligations granted and assumed pursuant to this Agreement are personal to Franchisee (and each of its owners), and Franchisor has entered into this Agreement in reliance on the representations given by Franchisee to secure the Franchise, Franchisee's, and its owners,' as applicable, personal and/or collective skills and Franchisee's financial ability. Franchisee further acknowledges and agrees that because of the personal nature of the rights and duties associated with the Franchise, this Agreement is not freely assignable by its nature and therefore it would not be appropriate to assign the rights and obligations to any assignee other than in accordance with this Section 18.9 (and each other applicable provision of this Section 18). In the event that Franchisee shall become a debtor under Chapter 7 of the United States Bankruptcy Code, 11 USC Section 101, et seq., (the "**Bankruptcy Code**"), and the trustee or Franchisee shall elect to assume this Agreement for the purpose of assigning the same or otherwise, such election and assignment may only be made if all of the terms and conditions of this Agreement are satisfied. No election by the trustee or Franchisee to assume this Agreement, whether under Chapter 7, 11 or 13 of the Bankruptcy Code, shall be effective unless each of the following conditions, and as applicable, any other conditions required in this Section 18, which Franchisor and Franchisee each acknowledge is commercially reasonable in the context of such proceeding, has been satisfied, and Franchisor has so acknowledged in writing:

18.9.1.1 the trustee or Franchisee has cured, or has provided Franchisor adequate assurance (as provided below) that: (i) within ten (10) days from the date of such assumption, the trustee will cure all monetary defaults under this Agreement; and (ii) within thirty (30) days from the date of such assumption, the trustee will cure all non-monetary defaults under this Agreement;

18.9.1.2 the Franchised Center remains at all times under the primary management of a Center Manager who otherwise meets Franchisor's qualifications and has completed, to Franchisor's satisfaction, a training program in substance similar to the initial training described in Section 8;

18.9.1.3 the trustee or Franchisee has and will continue to have sufficient unencumbered assets after the payment of all secured obligations and administrative expenses to assure Franchisor that the trustee or Franchisee will have sufficient funds to fulfill the obligations of Franchisee under this Agreement, and to keep the Franchised Center open and operating stocked with merchandise and properly staffed with sufficient employees to conduct a fully-operational Franchised Center, and that the assumption or assignment will not disrupt business operations at the Franchised Center; and

18.9.1.4 that assumption or assignment of this Agreement will not breach any term or condition of, or constitute a default under, any term or condition of any contract, agreement, arrangement, or other

commitment to which the trustee or Franchisee is a party or by which the trustee or Franchisee is bound (**including any agreement not to compete**), or constitute an event which, with notice, lapse of time or both, would result in such a breach or event of default nor to the trustee's or Franchisee's knowledge, result in the violation by the trustee or Franchisee of any applicable statute, rule, regulation, ordinance, code, judgment, order, injunction or decree.

18.9.2 If a trustee or Franchisee, pursuant to this Agreement, proposes to assign this Agreement or any right in the Franchise pursuant to the provisions of the Bankruptcy Code, to any person or entity who shall have made a bona fide offer to accept an assignment of this Agreement on terms acceptable to the trustee or Franchisee, then, notice of the proposed assignment setting forth: (i) the name and address of such person; and (ii) all of the terms and conditions of such offer shall be given to the Franchisor by the Franchisee no later than twenty (20) days after receipt of such offer by the trustee or Franchisee, but in any event no later than ten (10) days prior to the date that the trustee Franchisee shall make application to a court of competent jurisdiction for authority and approval to enter into such assignment and assumption.

18.9.3 If the trustee or Franchisee, pursuant to this Agreement, proposes to assign this Agreement or any right in the Franchise pursuant to the provisions of the Bankruptcy Code, to any person or entity who shall have made a bona fide offer to accept an assignment of this Agreement on terms acceptable to the trustee or Franchisee, Franchisor shall thereupon have the prior right and option, to be exercised by notice to the trustee or Franchisee given at any time prior to the effective date of such proposed assignment, to accept an assignment of this Agreement upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such person.

Any person or entity to which the trustee's or Franchisee's interest in this Agreement is assigned pursuant to the provisions of the Bankruptcy Code shall be deemed without further act or deed to have assumed all of the obligations arising under this Agreement on or after the date of such assignment. As part of providing adequate assurance to Franchisor, any such assignee shall, upon demand, execute and deliver to Franchisor an instrument confirming such assumption.

18.9.4 The following factors may be considered by Franchisor in order to determine whether or not the proposed assignee has furnished Franchisor with adequate assurances of its ability to perform the obligations of this Agreement:

18.9.4.1 the assignee's satisfaction of the factors set forth in Section 18.2.5;

18.9.4.2 that assumption or assignment of this Agreement is subject to all the provisions hereof, including provisions such as location, use, and the restrictive covenants set forth in Section 7, and will not breach any term or condition of, or constitute a default under, any term or condition of any contract, agreement, arrangement, or other commitment to which the assignee or any holder of a legal or beneficial interest in assignee is a party or by which assignee or such holder of a legal or beneficial interest in assignee is bound (**including any agreement not to compete**), or constitute an event which, with notice, lapse of time, or both, would result in such a breach or event of default, nor to assignee's knowledge, result in the violation by assignee or any such holder of a legal or beneficial interest in assignee of any applicable statute, rule, regulation, ordinance, code, judgment, order, injunction, or decree; and

18.9.4.3 demonstration that the assumption or assignment will not disrupt business operations at the Franchised Center.

In the event Franchisor rejects the proposed assignee, to the extent permitted by applicable law, the rights and obligations of the parties hereto shall continue to be governed by the terms of this Agreement, and Franchisee shall have all the rights of a franchisee under applicable law.

19. FRANCHISOR'S RIGHT OF FIRST REFUSAL

19.1 Submission of Offer.

If Franchisee or any of its owners proposes to sell or transfer, except as allowed in Section 18.3 above, any ownership interest in the Franchise, Franchisee, or in the Franchised Center (including assets it owns outside the normal course of its business), Franchisee shall give Franchisor the first right to accept or refuse the offer to purchase. The offer must be a bona fide invitation to purchase and must be signed and submitted in writing to Franchisor. The offer shall have all pertinent documents attached, including any contract or due diligence materials. The offer applies to the assets and interests contemplated in this Section and do not include assets or interests unrelated to the Franchised Center.

19.2 Sale or Transfer to Family Members.

Section 19.1 of this Agreement shall be inapplicable in its entirety if the sale or transfer under Section 19.1 is to an immediate family member or with respect to ownership interests in Franchisee, to any other current owner of Franchisee; provided, that the requirements under Section 18.2 and Section 18.3, as applicable, of this Agreement remain in effect and nothing in this Section 19.2 is a waiver to their application.

19.3 Franchisor's Right to Purchase.

Franchisor shall have thirty (30) days (following the receipt of the offer to purchase) to accept all material terms of Franchisee's offer to purchase. If Franchisor elects to accept the offer, it shall deliver written confirmation to Franchisee. Franchisor has the right to substitute cash for the fair market value of any form of payment proposed in such offer. Franchisor's credit shall be deemed at least equal to the credit of any competing buyer. After providing notice to Franchisee of Franchisor's intent to exercise this right of first refusal, Franchisor shall have up to sixty (60) days to close the purchase on the same terms set out in the invitation to purchase. Franchisor shall be entitled to receive from Franchisee all customary representations and warranties given by Franchisee as the seller of the assets or such ownership interest or, at Franchisor's election, such representations and warranties contained in the proposal.

19.4 Non-Exercise of Right of First Refusal.

If Franchisor elects not to exercise its right of first refusal within thirty (30) days from the date of delivery of all such documents, Franchisee or any of its owners may accept the offer or proposal, subject to Franchisor's prior written approval and satisfaction of all conditions and requirements set forth in Section 18.2 and 18.3, as applicable. Should the sale fail to close within one hundred twenty (120) days after the offer is delivered to Franchisor, or if there is a material change to the terms, Franchisor's right of first refusal shall renew and be implemented in accordance with this Section.

20. BENEFICIAL OWNERS OF FRANCHISEE

Franchisee represents, and Franchisor enters into this Agreement in reliance upon such representation, that the individuals identified in the Franchise Certificate are the only holders of legal and/or beneficial interests in Franchisee and/or the Franchised Center. Franchisee further represents to Franchisor that the individuals identified in the Franchise Certificate as officers, directors, and/or managers of Franchisee, as the case may be, constitute all of the duly elected and qualified officers, directors, and/or managers of Franchisee, as the case may be.

21. RELATIONSHIP OF FRANCHISE AND FRANCHISEE; INDEMNIFICATION

21.1 Description of Relationship of Franchisor and Franchisee.

21.1.1 This Agreement is purely a contractual relationship between Franchisor and Franchisee, and does not appoint or make Franchisee an agent, legal representative, joint venturer, partner, employee, servant, or independent contractor of Franchisor for any purpose whatsoever. This Agreement does not establish a fiduciary or employment relationship between Franchisor and Franchisee.

21.1.2 Franchisee may not represent or imply to third parties that Franchisee is an agent or employee of Franchisor, and Franchisee is in no way authorized to make any contract, agreement, warranty, or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. During

the Term, and any extension or renewal of this Agreement, Franchisee shall hold itself out to the public only as a franchisee and an owner of the independently owned and operated Franchised Center. Franchisee shall take such affirmative action as may be necessary to do so including exhibiting a notice of that fact in a conspicuous place on the Approved Location and on all forms, stationery or other written materials, the content of which Franchisor has the right to specify.

21.1.3 Under no circumstances shall Franchisor be liable for any act, omission, contract, debt, or any other obligation of Franchisee, including those incurred by Franchisor while operating the Franchised Center on behalf of Franchisee pursuant to the terms set forth in Section 16.5 and/or 18.7 of this Agreement, respectively. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the operation of the Franchised Center, including those arising from the services and products offered by and sold at the Franchised Center. Any third-party contractors and vendors retained by Franchisee to convert or construct the premises are independent contractors of Franchisee alone.

21.2 Franchisor May Act in its Own Interest.

Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Franchisee to obtain Franchisor's written consent or permits Franchisee to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Franchisee or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

21.3 Indemnification by Franchisee.

Franchisee shall hold harmless, defend and indemnify Franchisor, its Affiliates, all holders of a legal or beneficial interest in Franchisor and its Affiliates, and all of its and their officers, directors, executives, managers, members, partners, owners, employees, agents, and their respective successors and assigns (collectively "**Franchisor Indemnitees**") from and against all losses, damages, fines, costs, expenses and liability (including attorneys' fees, legal and professional fees, and all other costs of litigation) incurred by Franchisor Indemnitees in connection with any action, suit, demand, claim, investigation, or proceeding, or any settlement thereof, arising from or in any way related to Franchisee's: (a) ownership or operation of the Franchised Center; (b) provision of services or sale of products at the Franchised Center; (b) violation, breach, or asserted violation or breach of any federal, state, or local law, regulation, or rule; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Franchisee (or an affiliate of Franchisee) and Franchisor (or an Affiliate); (d) defamation of Franchisor or the System; (e) acts, errors, or omissions committed or incurred in connection with the Franchised Center, including any negligent or intentional acts; or (f) infringement, violation, or alleged infringement or violation, of any Mark, patent, or copyright, or any misuse of the Confidential Information. The obligations of this Section 21.3 shall expressly survive the expiration or termination of this Agreement.

21.4 Franchisor's Right to Retain Counsel.

Franchisee shall give Franchisor immediate notice of any such action, suit, demand, claim, investigation, or proceeding that may give rise to a claim for indemnification by a Franchisor Indemnitee. Franchisor has the right to retain counsel of its own choosing in connection with any such action, suit, demand, claim, investigation, or proceeding. Upon receipt of any such action, demand, claim, investigation, or proceeding, Franchisor has the right, without prior notice to Franchisee, to take any remedial or corrective action that it deems appropriate or expedient to protect persons, property, Franchisor's reputation, or the goodwill associated with the System. Franchisee shall cooperate with Franchisor in its handling of any such action, suit, demand, claim, investigation, or proceeding. If Franchisor's exercise of its rights under this Section causes any of Franchisee's insurers to refuse to pay a third-party claim, all causes of action and legal remedies Franchisee might have against such insurer shall automatically be assigned to Franchisor without the need for any further action on either party's part. Under no circumstances shall Franchisor be required or obligated to seek coverage from third parties or otherwise mitigate losses in order to maintain a claim against Franchisee. The failure to pursue such remedy or mitigate such loss shall in no way reduce the amounts recoverable by Franchisor from Franchisee.

22. GENERAL CONDITIONS AND PROVISIONS

to the e-mail address provided in this Section 22.3; provided a copy of such e-mail is also provided to the e-mail address for the Franchisee Designated Representative then on file, if different, with Franchisor (such initial e-mail address to be provided in the Franchise Certificate provided by Franchisee with this Agreement, which may be updated from time to time pursuant to the terms of this Section 22.3).

22.4 Unlimited Guaranty and Assumption of Obligations.

All holders of a legal or beneficial interest in Franchisee of five percent (5.00%) or greater shall be required to execute, as of the date of this Agreement, the Unlimited Guaranty and Assumption of Obligations attached as Exhibit 3, through which such holders agree to assume and discharge all of Franchisee's obligations under this Agreement and to be personally liable under this Agreement for all of the same. Each such holder of a legal or beneficial interest in Franchisee shall be required to obtain a joinder to such Unlimited Guaranty and Assumption of Obligations by their spouse, if any, to bind such spouse's interest in jointly held property, if any, held by the equity holder. If any applicable holder of a legal or beneficial interest in Franchisee delivers an Unlimited Guaranty and Assumption of Obligations to Franchisor without the signature of his or her spouse, then Franchisee hereby represents to Franchisor that such holder has no spouse.

22.5 Approvals.

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor for such approval, and except as otherwise provided in this Agreement, any approval or consent granted shall be effective only if in writing. Franchisor assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent, or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request for approval.

22.6 Entire Agreement.

This Agreement, its exhibits and the documents referred to in this Agreement shall be construed together and constitute the entire, full, and complete agreement between Franchisor and Franchisee concerning the subject matter of this Agreement and shall supersede all prior agreements. In the event this Agreement is executed by Franchisor and Franchisee as part of a transfer of an existing franchise agreement or as a Successor Franchise Agreement to Franchisee's initial European Wax Center franchise agreement, any other transfer or renewal documents or other agreements, as the case may be, executed by Franchisor or Franchisee that set forth terms applicable to such transfer or renewal shall survive and shall be construed together with, and incorporated into by reference, this Agreement, as applicable. No other representation, oral or otherwise (other than those within Franchisor's European Wax Center Disclosure Document), has induced Franchisee to execute this Agreement, and there are no representations (other than those within Franchisor's European Wax Center Disclosure Document), inducements, promises or agreements, oral or otherwise, between the parties not embodied in this Agreement, that are of any force or effect with respect to the matters set forth in or contemplated by this Agreement or otherwise. Nothing in this Agreement is intended to disclaim the representations Franchisor made in Franchisor's European Wax Center Disclosure Document that was furnished to Franchisee, if Franchisor was required by law to provide to Franchisee Franchisor's European Wax Center Disclosure Document. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing by both parties.

22.7 Severability and Modification.

Each paragraph, part, term, and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision in this Agreement is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms, and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind Franchisor and Franchisee; and such unenforceable, unreasonable or invalid paragraphs, parts, terms, or provisions shall be deemed not part of this Agreement; provided, however, if Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

22.8 Headings are for Convenience Only.

All captions in this Agreement are intended solely for the convenience of Franchisor and Franchisee, and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

22.9 Force Majeure.

Whenever a period of time is provided in this Agreement for either party to perform any act, except for Franchisee's payment of monies to Franchisor or any Franchisor Affiliate, neither party shall be liable nor responsible for any delays if it is prevented or delayed in such performance as a result of conditions beyond the reasonable control and without the fault or negligence of such party (force majeure), such as strikes, lockouts, casualties, acts of God, epidemics, war, terrorism, or governmental regulation or control, and the time period for the performance of such act shall be extended for the amount of time of the delay. A party wishing to take advantage of the relief provided in this Section must, as soon as, practicable notify the other party in writing of the existence of the force majeure condition and the estimated time of its duration. This clause shall not result in an extension of the Term.

22.10 Timing is of the Essence.

Except as set forth in Section 22.9, failure to perform any act within the time required or permitted by this Agreement shall be a breach of this Agreement.

22.11 Withholding Payments.

22.11.1 Franchisee shall not, for any reason, withhold payment of any Royalty Fees or other amounts due to Franchisor or to any of its Affiliates. Franchisee shall not withhold or offset any amounts, damages, or other monies allegedly due to Franchisee against any amounts due to Franchisor or any of its Affiliates. The right to set off is hereby expressly waived by Franchisee. No endorsement or statement on any payment for less than the full amount due to Franchisor or any of its Affiliates will be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Franchisor and any of its Affiliates has the right to accept and cash any such payment without prejudice to Franchisor's or any of its Affiliates' right to recover the full amount due, or pursue any other remedy provided in this Agreement or by law.

22.11.2 Franchisor and its Affiliates have the right to apply any payments made by Franchisee against any of Franchisee's past due indebtedness as Franchisor or its Affiliates deem appropriate. Franchisor and its Affiliates may set off, against amounts owed to Franchisee, amounts due under this Agreement by Franchisee to Franchisor or its applicable Affiliates.

22.12 Further Assurances.

Franchisor and Franchisee will each execute and deliver, or cause the execution and delivery of, such further instruments, contracts, forms, or other documents, and will perform such further acts, as may be necessary or desirable to perform or complete any term, covenant or obligation contained in this Agreement.

22.13 Third-Party Beneficiaries.

Except with respect to Franchisor's applicable Affiliates who shall have rights to enforce this Agreement directly, as well as any applicable Franchisor Indemnitee who also shall have the right to enforce Franchisee's indemnification obligations herein directly, anything to the contrary notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any other person or legal entity other than Franchisor or Franchisee, and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement.

22.14 Multi-State Addenda.

Attached as Exhibit 5 to this Agreement (the “**Multi-State Addenda**”) and incorporated herein by reference, as applicable, are additional terms and conditions applicable to franchisees and their principals based in certain states within the United States of America. Each provision of the Multi-State Addenda shall be effective only to the extent that the jurisdictional requirements of the applicable state law are applicable to the provisions of this Agreement are met independent of the Multi-State Addenda. To the extent the Multi-State Addenda shall be deemed to be inconsistent with any terms or conditions of this Agreement (including its exhibits or attachments thereto [other than the applicable Multi-State Addenda]), the terms of the Multi-State Addenda shall control.

22.15 This Agreement May be Signed in One or More Counterparts.

This Agreement may be executed in one (1) or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one (1) and the same instrument. Delivery of an executed signature page by facsimile, e-mail in portable document format (.pdf) or by any other electronic means intended to preserve the original pictorial appearance of a document will have the same effect as delivery of an executed original of this Agreement.

22.16 Blacklining.

The parties agree that this Agreement may be executed with revision markings (so-called “blacklining”) appearing in the execution copy (*i.e.*, deleted text is overstricken and newly-inserted text is underscored or in boldface); such “blacklining” shall not be accorded any significance or taken into account in any way; this Agreement shall be construed for all purposes as if all overstricken text were deleted and never included in this Agreement and all bold or underscored text were not bold or underlined.

23. DISPUTE RESOLUTION

23.1 Choice of Law.

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Texas (without reference to its conflict of laws principles), excluding any law regulating the sale of franchises or governing the relationship between a franchisor and franchisee, unless the jurisdictional requirements of such laws are met independently without reference to this Section. The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, FRANCHISEE AGREES THAT FRANCHISEE MAY BRING CLAIMS AGAINST FRANCHISOR AND ITS AFFILIATES ONLY ON AN INDIVIDUAL BASIS AND NOT AS PART OF ANY PURPORTED CLASS OR REPRESENTATIVE ACTION OR PROCEEDING. UNLESS FRANCHISOR AGREES OTHERWISE, AN ARBITRATOR MAY NOT CONSOLIDATE OR JOIN MORE THAN ONE FRANCHISEE’S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. AN ARBITRATOR MAY AWARD RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF), AS APPLICABLE, ONLY IN FAVOR OF THE FRANCHISEE PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF NECESSITATED BY THAT FRANCHISEE PARTY’S INDIVIDUAL CLAIM(S). ANY RELIEF AWARDED WILL NOT AFFECT OTHER FRANCHISEES.

23.2 Consent to Jurisdiction.

Any action brought by either Franchisor or Franchisee, except those claims required by this Agreement or by law, to be submitted to arbitration, shall be brought in the appropriate state or federal court located in or serving Collin County, Texas, or at Franchisor’s principal place of business, if different. Franchisor and Franchisee each waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. Franchisor and Franchisee each hereby submit to service of process by registered mail, return receipt requested or by any other manner provided

by law. Claims for injunctive relief or other equitable relief may be brought by Franchisor where Franchisee is located. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of either Franchisor or Franchisee to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.

23.3 Cumulative Rights and Remedies.

No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained in this Agreement shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

23.4 Limitations of Claims.

To the extent permitted by law, any claim concerning the Franchised Center or this Agreement or any related agreement will be barred unless an action for a claim is commenced within two (2) years from the date on which Franchisee knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

23.5 Limitation of Damages.

FRANCHISEE WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST FRANCHISOR OR ANY FRANCHISOR AFFILIATE AND AGREES THAT IF THERE IS A DISPUTE WITH FRANCHISOR OR ANY FRANCHISOR AFFILIATE, FRANCHISEE WILL BE LIMITED TO THE RECOVERY OF ACTUAL DIRECT DAMAGES SUSTAINED BY IT, INCLUDING REASONABLE LEGAL AND PROFESSIONAL FEES, SUBJECT TO THE LIMITATIONS HEREIN. EXCEPT FOR THE PARTIES' INDEMNIFICATION OBLIGATIONS AND THE CONFIDENTIALITY AND NON-COMPETITION OBLIGATIONS PURSUANT TO THIS AGREEMENT OR WITH RESPECT TO WILLFUL MISCONDUCT OR GROSS NEGLIGENCE, OR AS OTHERWISE SET FORTH IN THIS AGREEMENT (*e.g.*, SECTION 17.1.5), IN NO EVENT SHALL EITHER PARTY OR THEIR APPLICABLE AFFILIATES BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL OR CONTINGENT DAMAGES WHATSOEVER, INCLUDING DAMAGES FOR LOSS OF REVENUE, PROFITS, LOSS OF BUSINESS OPPORTUNITY OR BUSINESS INTERRUPTION, FOR INJURIES TO PERSONS (INCLUDING DEATH) OR PROPERTY, WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH A LOSS, OR WHETHER THE CLAIM IS FOR BREACH OF CONTRACT, TORT, BREACH OF WARRANTY, NEGLIGENCE OR OTHERWISE. THE ESSENTIAL PURPOSE OF THIS SECTION IS TO LIMIT THE POTENTIAL LIABILITY OF EACH PARTY ARISING OUT OF THE TERMS AND CONDITIONS OF THIS AGREEMENT. IN ANY CLAIM OR ACTION BROUGHT BY FRANCHISEE AGAINST FRANCHISOR CONCERNING THIS AGREEMENT, FRANCHISEE'S TOTAL RECOVERABLE DAMAGES AND FRANCHISOR'S TOTAL LIABILITY SHALL NOT EXCEED AND SHALL BE LIMITED TO REFUND OF FRANCHISEE'S FRANCHISE FEE AND ROYALTY FEE PAYMENTS.

23.6 Waiver of Jury Trial.

FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

23.7 Arbitration.

This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained in this Agreement. Except for controversies or claims relating to the ownership of any of Franchisor's Marks or the unauthorized use or disclosure of Franchisor's Trade Secrets or other Confidential Information, covenants against competition and other claims for injunctive relief, all disputes arising out of or relating to this Agreement or to any other agreements between Franchisor and Franchisee, or with regard to interpretation, formation or breach of this or any other agreement between Franchisor

and Franchisee, shall be settled by binding arbitration conducted in Collin County, Texas, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings shall be held by a single arbitrator agreed upon by Franchisor and Franchisee or otherwise appointed by the Circuit Court for the State of Texas and located in Collin County, Texas. The decision of the arbitrator shall be final and binding upon Franchisor and Franchisee. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction.

23.8 Remedies in the Event of Breach of This Agreement.

Franchisee and Franchisor agree if any legal proceedings are brought for the enforcement of this Agreement, in addition to any other relief to which the successful or prevailing party may be entitled, the successful or prevailing party will be entitled to recover all of its legal and professional fees, investigative fees, administrative fees billed by such party's attorneys and other professionals, court costs and all expenses, including all fees, taxes, costs and expenses incident to arbitration, appellate, and post-judgment proceedings, incurred by the successful or prevailing party in that action or proceeding.

24. ACKNOWLEDGMENTS IN CERTAIN STATES

The acknowledgements set forth in Sections 24.1 through 24.4 shall apply to all franchisees and franchised centers, except for those that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin.

24.1 Receipt of this Agreement and the Franchise Disclosure Document.

Franchisee represents and acknowledges that it has received, read, and understands this Agreement and Franchisor's Franchise Disclosure Document; and that Franchisor has accorded Franchisee ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement. Franchisee represents and acknowledges that it has received, at least fourteen (14) calendar days prior to the date on which this Agreement was executed, the Disclosure Document required by the Trade Regulation Rule of the Federal Trade Commission entitled Disclosure Requirements and Prohibitions Concerning Franchising and Business Opportunity Ventures.

24.2 Consultation by Franchisee.

Franchisee represents that it has been urged to consult with its own advisors with respect to the legal, financial, and other aspects of this Agreement, the business franchised hereby and the prospects for that business. Franchisee represents that it has either consulted with such advisors or has deliberately declined to do so.

24.3 True and Accurate Information.

Franchisee represents that all information set forth in any and all applications, financial statements and submissions to Franchisor is true, complete, and accurate in all material respects, and Franchisee acknowledges that Franchisor is relying upon the truthfulness, completeness, and accuracy of such information.

24.4 Risk.

Franchisee represents that it has conducted an independent investigation of the business contemplated by this Agreement and acknowledges that, like any other business, an investment in a European Wax Center involves business risks and that the success of the venture is dependent, among other factors, upon the business abilities and efforts of Franchisee. Franchisor makes no representations or warranties, express or implied, in this Agreement or otherwise, as to the potential success of the business venture contemplated hereby.

24.5 Franchisee's Representations and Warranties.

Franchisee represents and warrants to Franchisor that:

24.5.1 Franchisee is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation, and Franchisee possesses the organizational power to validly own its properties and conduct its business;

24.5.2 Franchisee has the power to execute, deliver, and carry out the terms and conditions of this Agreement, and this Agreement has been duly authorized, executed and delivered by Franchisee and constitutes the valid, legal and binding agreement and obligation of Franchisee in accordance with the terms of this Agreement, except as may be limited by applicable bankruptcy, insolvency, reorganization and other laws and equitable principles affecting creditors' rights generally from time to time in effect; and

24.5.3 Franchisee's execution of this Agreement and its performance of its obligations under this Agreement will not result in: (i) the breach of any term or condition of, or constitute a default under, any term or condition of any contract, agreement, arrangement, or other commitment to which Franchisee or any holder of a legal or beneficial interest in Franchisee is a party or by which Franchisee or such holder of a legal or beneficial interest in Franchisee is bound (**including any agreement not to compete**), or constitute an event which, with notice, lapse of time or both, would result in such a breach or event of default; nor (ii) to Franchisee's knowledge, result in the violation by Franchisee or any such holder of a legal or beneficial interest in Franchisee of any applicable statute, rule, regulation, ordinance, code, judgment, order, injunction, or decree.

24.6 No Waiver or Disclaimer of Reliance in Certain States.

The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgment signed or agreed by Franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement; or (ii) disclaiming reliance on any statement made by Franchisor, any franchise seller, or any other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

24.7 Notice of Potential Franchisor and Affiliate Profit.

Franchisee acknowledges that Franchisor and Franchisor's Affiliates will make available to Franchisee goods, products, and/or services for use in the Franchise on terms that Franchisor and its Affiliates will make a profit. Franchisee acknowledges that Franchisor and Franchisor's Affiliates are entitled to said profits and/or consideration.

24.8 Anti-Terrorism and Money Laundering Representation.

Franchisee certifies that: (i) neither it nor its officers, members, managers, directors, equity holders, or controlling owners is acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order, the United States Department of Justice, or the United States Treasury Department as a terrorist, "Specially Designated National or Blocked Person," or other banned or blocked person, entity, nation, or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; (ii) neither it nor its officers, members, managers, directors, equity holders or controlling owners is engaged in this transaction, directly or indirectly on behalf of, or instigating or facilitating this transaction, directly or indirectly on behalf of, any such person, group, entity or nation; and (iii) neither it nor its officers, members, managers, directors, equity holders or controlling owners is in violation of Presidential Executive Order 13224, the USA Patriot Act, the Bank Secrecy Act, the Money Laundering Control Act or any regulations promulgated pursuant thereto. Should Franchisee or any of its officers, members, managers, directors, equity holders or controlling owners, during the Term, be designated Specially Designated National or Blocked Person, Franchisor may, at its sole option, terminate this Agreement.

24.9 Agreement Only Effective Upon Execution by Franchisor.

Franchisor has furnished this Agreement and its related agreements and documents to Franchisee for the purposes of examination and, if applicable, execution, and does not constitute an reservation or offer to acquire or purchase a Franchise, and shall not be binding on Franchisor in any manner, nor provide or covey any franchise rights associated with a Franchise, it being understood that this Agreement shall become effective and binding only upon execution and delivery of this Agreement by Franchisee and by Franchisor. No act or omission of any Person shall alter, change, or modify any of the provisions of this Section 24.9.

24.10 Minimum Deliverables by Franchisee Upon Execution of this Agreement.

Franchisee shall deliver to Franchisor, or cause to be delivered to Franchisor, each of the following:

- (i) this Agreement, signed by each authorized representative of Franchisee;

- (v) a Franchise Certificate, in substantially the same form attached to this Agreement as Exhibit 4 (a “Franchise Certificate”), signed by each authorized representative of Franchisee, certifying, as applicable, Franchisee’s organizational documents, good standing, ownership, and management information, as of the Effective Date.

The foregoing shall not in any way limit Franchisor’s rights to request any additional documents that may be required pursuant to this Agreement, from time to time.

IN WITNESS WHEREOF, the parties to this Agreement, intending to be legally bound hereby have duly executed this Agreement.

NONDISCLOSURE AND NON-COMPETITION AGREEMENT

This Nondisclosure and Non-Competition Agreement (this “**Agreement**”) is entered into and effective as of the ____ day of _____, 20____, by and between _____ (“**Franchisee**”) (d/b/a a European Wax Center), and _____ (“**Individual**”).

RECITALS:

A. Franchisee is a party to that certain Franchise Agreement dated _____, 20__ (as amended, supplemented, renewed, restated, or otherwise replaced from time to time, “**Franchise Agreement**”) by and between Franchisee and EWC Franchisor LLC (“**Franchisor**”).

B. Franchisee desires Individual to have access to and review certain Trade Secrets and other Confidential Information, which are defined and more particularly described below.

C. Franchisee is required by the Franchise Agreement to have Individual execute this Agreement prior to providing Individual access to said confidential materials.

D. Individual understands the necessity of not disclosing any such information to any other party or using such information to compete against Franchisor, Franchisee or any other franchisee of Franchisor in any Competitive Business (as defined below).

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, and intending to be legally bound hereby, Franchisee and Individual hereby mutually agree as follows:

1. Trade Secrets and Confidential Information.

(a) Individual understands that Franchisor and Franchisee each possess and will possess Trade Secrets and other Confidential Information that are important to the operation of a European Wax Center.

(b) For the purposes of this Agreement,

“**Competitive Business**” means any business that, directly or indirectly, in the United States of America or any foreign country (i) offers waxing, body hair removal, facial hair removal, threading, brow services or related services or products, (ii) manufactures, sells, licenses or otherwise distributes by way of retail or wholesale products which accompany or are related to beauty services, including wax, in-grown hair serums/lotions, exfoliates, body washes, lotions, polishes, brow products or eye creams, or (iii) that otherwise competes with Franchisor, its Affiliates or the European Wax Center System (including through franchising) in general, as such businesses have been conducted, are proposed to be conducted or are being conducted, in each case, during the Term. “**Competitive Business**” excludes (a) any other business operated by Individual under a Franchise Agreement or Multi-Unit Development Agreement with Franchisor, or (b) any business operated by a publicly-held entity in which Individual owns less than a five percent (5.00%) legal or beneficial interest; provided, that Individual does not, directly or indirectly, individually or collectively with any other Person, possess the power to direct or cause the direction of the management and policies of such publicly-held entity.

“**Confidential Information**” means technical and non-technical information used in or related to the System that is not commonly known by or available to the public, including, without limitation, the Trade Secrets and information contained in Franchisor’s Confidential Operations Manual and training guides and materials. In addition, any other information identified as confidential when delivered or made available by Franchisor or Franchisee shall be deemed Confidential Information. For the avoidance of doubt, guest (customer) information shall be deemed Confidential Information;

“Marks” means the trademark “EUROPEAN WAX CENTER®,” and such other trade names, trademarks, service marks, trade dress, designs, graphics, logos, emblems, insignia, fascia, slogans, drawings and other commercial symbols as Franchisor may designate to be used in connection with the European Wax Center franchise System;

“Person” means a human being, a legal or business entity devised or constructed by for the purpose of carrying out business activities under the name of such devised or constructed entity, which shall not be limited to sole proprietorships, corporations, partnerships, limited liability companies, or other entities; and in the case of entities, a Person shall include, any other entity with a majority or controlling interest in another entity, as well as the individual officers, directors, and other Persons controlling the activities of such entity;

“System” means the uniform standards, methods, procedures and specifications, revisions or modifications Franchisor advances for the operation of European Wax Centers; and

“Trade Secret” is information in any form (including, but not limited to, materials and techniques, technical or non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans, passwords, lists of actual or potential customers or suppliers) related to or used in European Wax Centers or otherwise in the System, that is not commonly known by or available to the public and that information: (a) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other Persons who can obtain economic value from its disclosure or use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(c) Confidential Information shall not include, however, any information that: (i) is now or subsequently becomes generally available to the public through no fault of Individual or Franchisee or Franchisee’s affiliates, employees, agents, officers, directors, shareholders, managers, members or other representatives; (ii) Franchisee or Individual can demonstrate was rightfully in its possession, without obligation of nondisclosure, prior to disclosure pursuant to this Agreement; (iii) is independently developed without the use of any Confidential Information; or (iv) is rightfully obtained from a third party who has the right, without obligation of nondisclosure, to transfer or disclose such information.

(d) Any information expressly designated by Franchisor or Franchisee as “Trade Secrets” or “Confidential Information” shall be deemed such for all purposes of this Agreement, but the absence of designation shall not relieve Individual of his or her obligations under this Agreement in respect of information otherwise constituting Trade Secrets or Confidential Information. Individual understands that Franchisor’s and/or Franchisee’s provision of access to the Trade Secrets and other Confidential Information creates a relationship of confidence and trust between Individual, Franchisor, and Franchisee with respect to the Trade Secrets and other Confidential Information.

2. Confidentiality/Non-Disclosure.

(a) Individual shall not communicate or divulge to (or use for the benefit of) any other Person, with the sole exception of Franchisee or other employees, agents or representatives of Franchisee who are on a strict need-to-know basis with respect to such Confidential Information in connection with the operation of Franchisee’s European Wax Center franchise, and who are bound by duties of confidentiality no less stringent than those set forth in this Agreement, now or at any time in the future, any Trade Secrets or other Confidential Information. At all times from the date of this Agreement, Individual must take all steps reasonably necessary and/or requested by Franchisee or Franchisor to ensure that the Confidential Information and the Trade Secrets are kept confidential pursuant to the terms of this Agreement. Individual must comply with all applicable policies, procedures and practices that Franchisor and/or Franchisee have established and may establish from time to time regarding the Confidential Information and the Trade Secrets.

(b) Individual may not in any manner or at any time, either directly or indirectly use any part of the Confidential Information or the Trade Secrets except in connection with the operation of Franchisee’s European Wax Center franchise, and in no case in any manner detrimental to Franchisee, Franchisor, or their respective affiliates.

(c) Individual's obligations under Section 2(a) of this Agreement shall continue in effect after termination of Individual's relationship with Franchisee, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary, and Franchisee and Franchisor are each entitled to communicate Individual's obligations under this Agreement to any future customer or employer to the extent deemed necessary by Franchisor and/or Franchisee for protection of its rights under this Agreement and regardless of whether Individual or any of its affiliates or assigns becomes an investor, partner, joint venturer, broker, distributor or the like in the European Wax Center franchise System.

(d) Upon termination of Individual's relationship with Franchisee, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary, or at any other time when requested by Franchisor, Franchisee and/or their respective affiliates, Individual shall immediately deliver to Franchisee (or Franchisor and/or its affiliates, as appropriate and as directed), all Confidential Information and other property in Individual's possession, or under Individual's care and control, belonging to Franchisee and/or Franchisor and/or their respective affiliates. The provisions of this Section 2(d) shall survive any such termination of Individual's relationship with Franchisee.

(e) Notwithstanding any term or condition in this Agreement to the contrary, Individual may disclose Confidential Information under certain limited circumstances as follows: (i) as may be required by law or court process; provided, that Individual provides Franchisee and Franchisor reasonable prior notice to allow Franchisee and/or Franchisor sufficient time to obtain a protective order to prevent disclosure of such Confidential Information, or take other appropriate action; (ii) in confidence to a federal, state, or local government official, either directly or indirectly, or to Individual's legal counsel solely for the limited purpose of reporting or investigating a suspected violation of law; (iii) in confidence as part of a complaint or other legal document filed in a lawsuit or other proceeding; provided, that such filing is made under protective seal; and (iv) if Individual files a lawsuit for retaliation by Franchisee or Franchisor for reporting a suspected violation of law, Individual may disclose, in confidence, relevant Trade Secret information to Individual's legal counsel representing Individual in such lawsuit, and use such Trade Secret information in the court proceedings; provided, that (x) Individual either directly or through its legal counsel, files any document containing any such Trade Secret under protective seal; and (y) Individual does not disclose the Trade Secret information, except pursuant to court order or with Franchisee's or Franchisor's prior written consent, which such consent may be withheld in Franchisee's and Franchisor's sole discretion. This Agreement is not intended in any way to restrict or impede Individual from exercising protected rights to the extent such rights cannot be waived by this Agreement. Franchisee and Franchisor each reserve the right to pursue all remedies available under federal, state, or local law for any disclosure of Confidential Information (including Trade Secret information) by Individual which does not comply with this Section 2.

3. Non-Competition.

(a) Individual acknowledges that Franchisee and Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among European Wax Center franchisees if Individual and members of Individual's immediate family and household were permitted to hold an interest in or perform services for any Competitive Business. Therefore, during the term of the Franchise Agreement, neither Individual nor any member of Individual's immediate family and household), may, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any Person:

(i) divert or attempt to divert any business or customer of a European Wax Center to any Competitive Business, by direct or indirect inducement or otherwise;

(ii) do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

(iii) carry on, be engaged in, or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere in the United States; or

(iv) solicit or otherwise attempt to induce or influence any employee, customer or other business associate of Franchisor or any other European Wax Center, or any franchisee of the System, to compete

against, or terminate or modify his, her or its employment or business relationship with Franchisor, any such franchisee, or any other European Wax Center location; provided, however, that, the foregoing shall not restrict Individual from hiring any employee or other business associate of Franchisor or any other European Wax Center franchisee who responds to general public solicitations made in the ordinary course of business to work for Franchisee.

In addition to the in-term non-competition restrictive covenants set forth above in this Section 3(a), for a period of two (2) years after the expiration or termination of the Franchise Agreement, regardless of the cause of expiration or termination, neither Individual nor any member of Individual's immediate family and household), may, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any Person:

(i) divert or attempt to divert any business or customer of a European Wax Center to any Competitive Business, by direct or indirect inducement or otherwise;

(ii) do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

(iii) carry on, be engaged in, or take part in, render services to, or own or share in the earnings of any Competitive Business within fifty (50) miles of any other European Wax Center operating under the System and the Marks at the time of such expiration or termination; or

(iv) solicit or otherwise attempt to induce or influence any employee, customer, or other business associate of Franchisor, as well as those of other franchisees within the System and those of the European Wax Center brand, to compete against, or terminate or modify his, her, or its employment or business relationship with, Franchisor, other franchisees within the System, or the European Wax Center brand, as applicable.

Any assignment or other transfer of the Franchise Agreement, or of Individual's complete interest in, or affiliation with, Franchisee (in each and every capacity, including as owner, employee, consultant or otherwise), shall be deemed, for purposes of Individual's obligations under this Section only, as the expiration or termination of the Franchise Agreement.

(b) If Individual operates any other business, Individual shall not use or display any of the Marks, or any confusingly similar trademark, in any manner whatsoever in connection with such other business and/or the promotion thereof. Individual shall not utilize in such other business any designation of origin, description or representation that falsely suggests or represents an association or connection with Franchisor. This Section 3(b) is not intended as an approval of Individual's right to operate other businesses and in no way is it intended to contradict those Sections of this Agreement or the Franchise Agreement that prohibit such practice.

4. Reasonableness of Restrictions.

Individual acknowledges that each of the terms set forth in this Agreement, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisee, Franchisor, and the Trade Secrets and other Confidential Information, the System and the Marks, and Individual waives any right to challenge these restrictions as being overly broad, unreasonable, or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Individual shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. Franchisee may, upon the direction from Franchisor at any time, reduce the scope, restricted activities and/or duration of any of the restrictive covenants effective immediately upon notice to Individual. It is the desire and intent of both Franchisee and Individual that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought.

5. Non-Disparagement.

Individual agrees and covenants that Individual will not, at any time, either directly or indirectly, and shall cause Individual's affiliates and members of its family not to, make, publish or communicate to any person

or entity or in any public forum (including through social media) any defamatory or disparaging remarks, comments or statements concerning Franchisor, its Affiliates, any franchisees, or any of their respective employees, agents, or representatives, or the System or its Marks, other than as part of the judicial, arbitration, or other dispute resolution process in connection with any litigation, mediation, arbitration, administrative, or other judicial proceeding arising under any claim brought in connection with this Agreement or the Franchise Agreement, or other than when compelled to testify under oath by subpoena, regulation, or court order.

6. Relief for Breaches of Confidentiality, Non-Solicitation, Non-Disparagement and Non-Competition.

Individual further acknowledges that an actual or threatened violation of the covenants contained in this Agreement will cause Franchisee and Franchisor immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisee and Franchisor shall be entitled, as a matter of right, to seek an injunction from any court of competent jurisdiction restraining any further violation by Individual of this Agreement without any requirement to show any actual damage, irreparable harm or establish a balance of convenience or to post any bond or other security. Such right to seek an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisee and Franchisor may have at law or in equity.

7. Miscellaneous.

(a) If any legal proceedings are brought for the enforcement of this Agreement, in addition to any other relief to which the successful or prevailing party may be entitled, the successful or prevailing party shall be entitled to recover all of its legal and professional fees, investigative fees, administrative fees billed by such party's attorneys and other professionals, court costs and all expenses, including, without limitation, all fees, taxes, costs and expenses incident to arbitration, appellate, and post-judgment proceedings incurred by the successful or prevailing party in that action or proceeding.

(b) This Agreement shall be effective as of the date this Agreement is executed, and shall be binding upon the successors and assigns of Individual and shall inure to the benefit of Franchisee, its subsidiaries, successors, and assigns.

(c) The failure of either party to insist in any one (1) or more instances upon performance of any terms and conditions of this Agreement shall not be construed a waiver of future performance of any such term, covenant or condition of this Agreement and the obligations of either party with respect thereto shall continue in full force and effect.

(d) The headings in this Agreement are included solely for convenience and shall not affect, or be used in connection with, the interpretation of this Agreement.

(e) In the event that any part of this Agreement shall be held to be unenforceable or invalid, the remaining parts of this Agreement shall nevertheless continue to be valid and enforceable as though the invalid portions were not a part of this Agreement.

(f) The existence of any claim or cause of action Individual might have against Franchisee or Franchisor will not constitute a defense to the enforcement by Franchisee or Franchisor of this Agreement.

(g) Except as otherwise expressly provided in this Agreement, no remedy conferred upon Franchisee or Franchisor pursuant to this Agreement is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given pursuant to this Agreement or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy pursuant to this Agreement shall preclude any other or further exercise thereof.

(h) Individual and Franchisee each acknowledge that Individual's compliance with the terms of this Agreement is also critical to Franchisor. Accordingly, Individual and Franchisee each agree and acknowledge

that even though Franchisor is not a party to this Agreement and does not have any obligations under this Agreement, Franchisor shall be a third-party beneficiary of Individual's agreements and covenants under this Agreement and Franchisor shall be entitled to all rights and remedies conferred upon Franchisee and Franchisor under this Agreement. Accordingly, Individual and Franchisee each agree that Franchisor may enforce such rights and promises in its own right (without being required to obtain consent from Franchisee or add Franchisee as a party to any proceedings for such enforcement).

(i) This Agreement may be executed in one (1) or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one (1) and the same instrument. Delivery of an executed signature page by facsimile, e-mail in portable document format (.pdf) or by any other electronic means intended to preserve the original pictorial appearance of a document will have the same effect as delivery of an executed original of this Agreement.

(j) This Agreement shall be governed by, and construed and enforced in accordance with, the internal laws of Texas, without regard to principles of conflicts of laws. Franchisee and Individual each hereby irrevocably consent and submit to the non-exclusive jurisdiction of the Courts of Collin County, Texas, and waives any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement, in each case whether arising in contract, tort, equity or otherwise, and agrees that any dispute arising out of this Agreement shall be heard only in the courts described above.

(k) Individual may not assign or delegate his or her duties or obligations under this Agreement.

(l) This Agreement constitutes the entire agreement between Individual on the one hand, and Franchisee and/or Franchisor on the other, with respect to the subject matter of this Agreement. This Agreement supersedes any prior agreements, negotiations and discussions between Individual, Franchisee and/or Franchisor with respect to the subject matter of this Agreement. This Agreement cannot be altered or amended except by an agreement in writing signed by Individual, Franchisee and Franchisor.

INDIVIDUAL CERTIFIES THAT HE OR SHE HAS READ THIS AGREEMENT CAREFULLY, AND UNDERSTANDS AND ACCEPTS THE OBLIGATIONS THAT IT IMPOSES WITHOUT RESERVATION. NO PROMISES OR REPRESENTATIONS HAVE BEEN MADE TO INDIVIDUAL TO INDUCE THE SIGNING OF THIS AGREEMENT.

IN WITNESS WHEREOF, Franchisee has caused this Agreement to be executed by its duly authorized representative, and Individual has executed this Agreement, all being done as of the day and year first above written.

EXHIBIT 5 TO THE FRANCHISE AGREEMENT

MULTI-STATE ADDENDA

NO WAIVER OF DISCLAIMER OF RELIANCE IN CERTAIN STATES

The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

FOR THE STATE OF CALIFORNIA

1. New Section 17.5 is inserted into the Franchise Agreement and states as follows:

If termination is the result of Franchisee's default, Franchisee will pay to Franchisor a lump sum payment (as liquidated damages for causing the premature termination of the Term and not as a penalty) equal to the total of all Royalty Fee payments for: (a) the twenty-four (24) calendar months of operation of Franchisee preceding Franchisee's default; (b) the period of time Franchisee has been in operation preceding the notice, if less than twenty-four (24) calendar months, projected on a twenty-four (24) calendar month basis; or (c) any shorter period as equals the unexpired term at the time of termination. The parties acknowledge that a precise calculation of the full extent of the damages that Franchisor will incur on termination of the Term as a result of Franchisee's default is difficult and the parties desire certainty in this matter and acknowledge that the lump sum payment provided under this Section is reasonable in light of the damages for premature termination that Franchisor will incur. This payment is not exclusive of any other remedies that Franchisor may have, including attorneys' fees and costs.

2. In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§31000-3516 and the California Franchise Relations Act, Cal. Bus. And Prof. Code §§20000-20043, the Franchise Agreement for EWC Franchisor LLC is amended as follows:

The California Franchise Relations Act provides rights to Franchisee concerning termination or non-renewal of the Franchise Agreement that may supersede provisions in the Franchise Agreement, specifically Sections 4.2 and 16.2.

Section 16.2.1.12, which terminates the Franchise Agreement upon the bankruptcy of the Franchisee, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

Section 7.3 contains a covenant not to compete that extends beyond the expiration or termination of the Agreement; this covenant may not be enforceable under California Law.

The Franchise Agreement requires litigation to be conducted in a court located outside of the State of California. This provision might not be enforceable for any cause of action arising under California law.

The Franchise Agreement requires application of the laws of a state other than California. This provision might not be enforceable under California law.

Section 23.7 requires binding arbitration. The arbitration will occur at the forum indicated in Section 23.7 with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside of the State of California.

Paragraph 1 of this Addendum contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

FOR THE STATE OF HAWAII

In recognition of the requirements of the Hawaii Franchise Investment Law, Hawaii Revised Statutes, Title 26, Chapter 482E et seq., the Franchise Agreement for EWC Franchisor LLC is amended as follows:

The Hawaii Franchise Investment Law provides rights to Franchisee concerning non-renewal, termination and transfer of the Franchise Agreement. If the Agreement, and more specifically Sections 4.2, 16.2 and 18, contains a provision that is inconsistent with the Hawaii Franchise Investment Law, the Hawaii Franchise Investment Law shall control.

Sections 4.2.9, 18.2.3, 18.2.6 and 18.3.1.3 require Franchisee to sign a general release as a condition of renewal or transfer of the franchise and Sections 5.2, 5.5, 5.7 and 8.3 require Franchisee to sign a general release as a condition to receiving a refund of a portion of the Franchise Fee following a termination of the franchise; such release shall exclude claims arising under the Hawaii Franchise Investment Law.

Section 16.2.1.12, which terminates the Franchise Agreement upon the bankruptcy of the Franchisee, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

FOR THE STATE OF ILLINOIS

In recognition of the requirements of the Illinois Franchise Disclosure Act, 815 ILCS 705, the Franchise Agreement for EWC Franchisor LLC is amended as follows:

Sections 4.2.9, 5.2, 5.5, 5.7, 8.3, 18.2.3, 18.2.6 and 18.3.1.3 are amended to add:

No general release shall be required as a condition of renewal or transfer or as a condition to receiving a refund of a portion of the Franchise Fee following a termination of the Franchise that is intended to require Franchisee to waive compliance with the Illinois Franchise Disclosure Act, 815 ILCS 705.

Sections 16, 17 and 23 are amended to add:

The conditions under which the Franchise Agreement can be terminated and Franchisee's rights upon termination or non-renewal, as well as the application by which Franchisee must bring any claims, may be governed by the Illinois Franchise Disclosure Act, 815 ILCS 705/19 and 705/20.

Sections 23.1 and 23.2 are amended to add:

The Franchise Agreement shall be governed by Illinois Law. Jurisdiction and venue for court litigations shall be in Illinois. Any provision in the Franchise Agreement that designates jurisdiction or venue in a forum outside the State is void; provided, that a Franchise Agreement may provide for arbitration in a forum outside of Illinois.

Section 23.4 is amended to add:

No action for liability under the Illinois Franchise Disclosure Act shall be maintained unless brought before the expiration of three (3) years after the act or transaction constituting the violation upon which it is based, the expiration of one (1) year after Franchisee becomes aware of facts or circumstances reasonably indicating that he may have a claim for relief in respect to conduct governed by the Act, or ninety (90) days after delivery to Franchisee of a written notice disclosing the violation, whichever shall first expire.

Section 23.6 is deleted in its entirety.

Any condition, stipulation, or provision purporting to bind any person acquiring any Franchise to waive compliance with any provision of this Act or any other law of this State is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

FOR THE STATE OF INDIANA

In recognition of the requirements of the Indiana Deceptive Franchise Practices Law, IC 23-2-2.7 and the Indiana Franchise Disclosure Law, IC 23-2-2-2.5, the Franchise Agreement for EWC Franchisor LLC is amended as follows:

Sections 4.2.9, 5.2, 5.5, 5.7, 8.3, 18.2.3, 18.2.6 and 18.3.1.3 do not provide for a prospective general release of claims against Franchisor that may be subject to the Indiana Deceptive Franchise Practices Law or the Indiana Franchise Disclosure Law.

Section 16 is amended to prohibit unlawful unilateral termination of a franchise unless there is a material violation of the Franchise Agreement and termination is not in bad faith.

FOR THE STATE OF WASHINGTON

In recognition of the requirements of the Washington Franchise Investment Protection Act, Washington Rev. Code §§19.100.010 – 19.100.940, the Franchise Agreement for EWC Franchisor LLC is amended as follows:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

The second paragraph of Section 7.3.4 of the Franchise Agreement is hereby deleted and replaced in its entirety with the following:

Following the expiration or termination of this Agreement (unless renewed as set forth in Section 4.2 above), the geographic scope of the restriction set forth in this Section 7.3 shall be limited to the Protected Territory and within twenty-five (25) miles of any other company-owned location, or Franchised Center existing at the time of such expiration or termination.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

Section 21.2 of the Franchise Agreement is hereby deleted in its entirety.

Section 21.3 of the Franchise Agreement is hereby amended by the addition of the following:

Franchisee's indemnification obligation does not extend to liabilities caused by Franchisor's acts or omissions amounting to gross negligence, willful misconduct, strict liability or fraud.

Each Franchised Center developed hereunder shall be located in the area described in Schedule 1 to this Agreement (the “**Development**

Territory”). The development schedule (“**Development Schedule**”) setting forth mandatory dates for the Developer to acquire control of property, and open Franchised Centers, is set forth in Schedule 2 to this Agreement.

Each Franchised Center for which a Development Right is granted hereunder shall be established and operated pursuant to a Franchise Agreement to be entered into between Franchisor and Developer in accordance with Section 5.3 hereof. The location of each specific Franchised Center developed under this Agreement shall be subject to Franchisor’s prior written approval. During the Term, provided Developer is not in default of this Agreement and neither Developer nor any Developer Operating Entity is in default of any Franchise Agreement executed pursuant to this Agreement, Franchisor shall not license, franchise, establish, own, or operate any European Wax Centers within the Development Territory. This grant to the Development Territory is subject to Franchisor’s reservation of rights set forth in Section 2.2 below.

2.2 Franchisor’s Retained Rights.

Except as expressly set forth in Section 2.1, Franchisor and its Affiliates retain all of their respective rights with respect to and all control of the System and Marks. Without limitation of the foregoing, Franchisor and its Affiliates retain the following rights:

2.2.1 to continue to own and operate, and allow others to continue to own and operate, European Wax Centers existing inside of the Development Territory as of the date of this Agreement, as identified in Schedule 1;

2.2.2 to own, acquire, establish, license, franchise or operate, and license or franchise to any Person the right to establish, license, franchise or operate, European Wax Centers or other businesses using the Marks, or other proprietary trademarks, tradenames, commercial symbols or other intellectual property, and the System, outside the Development Territory (which businesses may solicit customers inside the Development Territory, including through the Internet);

2.2.3 to own, acquire, establish, license, franchise or operate, and license or franchise to any Person the right to establish, license, franchise or operate, businesses using other proprietary trademarks, tradenames, commercial symbols or other intellectual property, at any location within or outside the Development Territory; provided, that if such businesses are to be located within the Development Territory, such businesses are not substantially similar to or related to the business carried out at European Wax Centers;

2.2.4 to engage in promotional programs and joint marketing programs with partner companies, including promotions and sales through the Internet or any other forms of electronic media (including social technology, mobile applications, social media, and social networking platforms), including the use of mobile promotional units (*e.g.*, buses, vans) that may travel into the Development Territory;

2.2.5 to advertise the System on the Internet, and to create, operate, and maintain and modify, or discontinue the use of one or more websites or mobile applications, including e-commerce websites that may offer European Wax Center Products, gift cards or Approved Package and Membership Programs;

business(es) within such thirty (30) day period, Franchisor may sell such business(es) to a third party on terms not materially more favorable to such third party than those terms offered to Developer, it being understood that at all times prior to or after any such sale to Developer or a third party, subject to the terms of this Section 2.2.6, Franchisor or its Affiliates may operate such franchises, licenses or other businesses without liability to Developer;

2.2.7 to be acquired (regardless of the form of transaction) by any business, even if the other business operates, franchises and/or licenses Competitive Businesses within the Development Territory;

2.2.8 to sell or distribute, at retail or wholesale, directly or indirectly, or license other Persons to sell or distribute, at retail or wholesale, any products whether or not authorized for use in European Wax Centers, using the Marks or other trademarks, service marks and commercial symbols through any channel of distribution, including through the Internet, mobile applications and catalogue sales, or through permanent or temporary kiosks, displays, carts and stands, trade shows, or through mobile units and pursuant to terms Franchisor or Franchisor's Affiliates deem appropriate, within or outside the Development Territory, it being understood that Franchisor and Franchisor's Affiliates retain all rights with respect to distribution of products (including European Wax Center Products) and Franchisor and its Affiliates shall not be required to provide any commissions or other payments or compensation on the sale of any products within or outside the Development Territory, including European Wax Center Products and other bath and body and skin care products, gift certificates and gift cards, and prepaid services or packages; provided, that no European Wax Center private-labeled products shall be distributed to any Competitive Business within any shopping center or mall where any Franchised Center is located. For the avoidance of doubt, for purposes of this Section 2.2.8, the term "Competitive Business" shall not include any full-service salons or any other business which do not primarily engage in the business of providing facial or body hair-removal services; and

2.2.9 to engage in any activities not expressly forbidden by this Agreement.

2.3 No Additional Rights; Restrictions on Developer.

This Agreement is not a franchise agreement or sub-franchise agreement. This Agreement does not grant any right to use or license the use of the Marks or the System. Without limiting the generality of the foregoing, Developer acknowledges that Developer is not permitted to use other channels of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales of products or services within or outside of the Development Territory. Developer further acknowledges that it may not maintain a website without Franchisor's prior written consent. Franchisor shall have the right to condition its approval on the terms that Franchisor determines are necessary, including requiring that Developer's domain name and home page belong to Franchisor and be licensed to Developer for use during the Term.

2.4 Developer Designated Representative.

Upon the execution of this Agreement, Developer will designate and retain a natural person to serve as the designated representative of Developer (the "**Developer Designated Representative**"). As between Franchisor and Developer, the Developer Designated Representative shall have the full authority to act on behalf of Developer in all matters related to the performance of this Agreement. Franchisor may rely on any and all directions, elections, information, and other communication from the Developer Designated Representative as being made on behalf of Developer, even if Developer receives information from any other owner or Person who claims to have an ownership interest in Developer, or any other Person whatsoever, which may be contrary to or different from the information provided by Developer Designated Representative. Franchisor has no duty or obligation to inquire into or resolve any conflicting information provided by the Developer Designated Representative and any other Person on behalf of Developer. If Developer is an individual, Developer shall perform all obligations of the Developer Designated Representative. The Developer Designated Representative shall, during the entire period he or she serves as such, meet the following qualifications:

2.4.1 unless otherwise consented to by Franchisor in writing, the Developer Designated Representative shall maintain a direct or indirect ownership interest in Developer equal to at least twenty-five percent (25.00%) of the ownership interests in Developer; and

2.4.2 the Developer Designated Representative shall devote his or her best efforts to the supervision and conduct of the Franchised Center.

If during the Term, (a) the Developer Designated Representative is not able to continue to serve in the capacity of Developer Designated Representative; (b) the Developer Designated Representative no longer qualifies to act as such in accordance with this Section 2.4; or (c) Developer desires to replace the Developer Designated Representative with another Person who is qualified to act as such in accordance with this Section 2.4, Developer shall promptly notify Franchisor and, within thirty (30) days after the Developer Designated Representative ceases to serve or be so qualified, provide evidence satisfactory to Franchisor that shows the owners of more than fifty percent (50.00%) of the ownership interests in Developer designated a duly qualified replacement Developer Designated Representative who is qualified to act as such in accordance with this Section 2.4. Any failure to comply with the requirements of this Section 2.4 shall be deemed a material breach of this Agreement.

3. FEES

3.1 Development Fee.

Upon the execution of this Agreement, and in consideration of the Development Territory and Development Rights granted herein, Developer shall pay to Franchisor a fee of _____ DOLLARS (\$_____) (the "**Development Fee**"), in immediately available funds, by wire transfer to an account designated by Franchisor. The Development Fee is equal to: (a) one hundred percent (100.00%) of the Franchise Fee for the first Franchised Center to be developed under this Agreement, plus; (b) a fifty percent (50.00%) deposit on the Franchise Fee for each of the second through tenth Franchised Centers (as applicable) that are to be developed under this Agreement. The Development Fee shall be deemed fully earned upon execution of this Agreement for administrative and other expenses incurred by Franchisor and for the development opportunities lost or deferred as a result of the rights granted to Developer in this Agreement. Under no circumstances will all or any portion of the Development Fee be refunded to Developer for any reason.

3.2 Application of Development Fee.

The Franchise Fee for the first Franchised Center has been paid in full as part of the Development Fee. For each of the second through tenth Franchised Centers to be developed hereunder, as applicable, provided that Developer is in compliance with its obligations under this Agreement, Franchisor agrees to apply a pro rata portion of the remainder of the Development Fee toward the Franchise Fee for each such Franchised Center. The balance of the Franchise Fee for each of the second through tenth Franchised Centers to be developed under this Agreement, as applicable, shall be payable to Franchisor in a lump sum concurrently with the execution of the Franchise Agreement for each such Franchised Center. For any additional Franchised Centers to be developed hereunder, in addition to the tenth, the full then-current Franchise Fee shall be payable to Franchisor in a lump sum concurrently with the execution of the Franchise Agreement for each such Franchised Center.

3.3 Effect of Franchisor Assignment Upon Development Fee.

In the event of an assignment or transfer by Franchisor of its interest in this Agreement pursuant to Section 10.1 hereof, Franchisor shall transfer the unapplied balance of the Development Fee to the transferee, which shall subsequently be applied by Franchisor in the manner described in Section 3.2. As part of any such transfer, Developer and its Owners shall be required to release Franchisor from all liability relating to the transfer of the unapplied portion of the Development Fee to the transferee, and forfeit all rights that Developer or its Owners may have to any unapplied balance of the Development Fee. Developer shall have no right to assign or encumber in any way, its interest in the deposit held by Franchisor or its transferee.

3.4 Taxes.

Developer shall pay to Franchisor, and as applicable, Franchisor's Affiliates, an amount equal to all sales taxes, excise taxes, withholding taxes, use taxes and similar taxes imposed on the fees or other amounts payable by Developer to Franchisor or Franchisor's Affiliates under this Agreement and on services or goods furnished to Developer by Franchisor or Franchisor's Affiliates at the same time as Developer remits such fees to Franchisor or, as applicable, Franchisor's Affiliates, whether such services or goods are furnished by sale, lease or otherwise. In no event shall Developer be obligated to pay any net income or franchise taxes, capital stock, inheritance, estate, or any other taxes imposed upon or measured by Franchisor's or its Affiliates' net income or profits.

3.5 Electronic Transfer of Fees Payable to Franchisor.

Developer shall pay all Development Fees, other amounts due for purchases by Developer from Franchisor, or by Developer from any of Franchisor's Affiliates, and other amounts due to Franchisor or Franchisor's Affiliates through an Electronic Depository Transfer Account. Developer shall open and notify Franchisor of the account details of an Electronic Depository Transfer Account within one hundred eighty (180) days after the Effective Date (but in no event later than the opening of the initial Franchised Center or in the event of a transfer permitted by Article 10, no later than the date of the transfer). Developer shall sign Franchisor's standard draft authorization to authorize and direct Developer's Electronic Depository Transfer Account to transfer such funds electronically directly to Franchisor's or its applicable Affiliates' account. Developer shall provide Franchisor with continuous access to such account for the purpose of receiving any payments due to Franchisor and Franchisor's Affiliates. Developer must maintain a balance in this Electronic Depository Transfer Account sufficient to allow Franchisor and its Affiliates to collect the amounts owed when due. In the event the Electronic Depository Transfer Account should not have sufficient funds at the time of any applicable payment from such account, in addition to other fees set forth in this Agreement for failure to pay such amounts, for each occurrence of delinquent funds, Developer shall pay Franchisor's then current reasonable fee for delinquent funds. Developer is responsible for any other penalties, fines or other similar expenses associated with the transfer of funds described in this Section. Once established, Developer shall not close the Electronic Depository Transfer Account without Franchisor's prior written consent. In the event Developer desires to change its Electronic Depository Transfer Account, it shall provide Franchisor at least thirty (30) days prior written notice by completing an updated draft authorization with the updated account information. Franchisor reserves the right to assess a reasonable fee upon each such change request.

Any alleged non-performance or breach of Franchisor's or Franchisor's Affiliates' obligations under this Agreement or any related agreements does not establish a right at law or in equity for Developer to withhold payment due to Franchisor for the Development Fees, amounts due for purchases by Developer from Franchisor, or by Developer from any of Franchisor's Affiliates, or any other amounts due to Franchisor or Franchisor's Affiliates. Developer hereby waives any and all existing and future claims and offsets against any such amounts due hereunder, which amounts must be paid when due. Franchisor and its Affiliates are entitled to apply or cause to be applied against amounts due to either of them, any amounts that may from time to time be held by Franchisor or its Affiliates on Developer's behalf or owed to Developer by Franchisor or its Affiliates.

3.6 Late Fees.

All Development Fees, amounts due for purchases by Developer from Franchisor or Franchisor's Affiliates and other amounts that are not received by Franchisor within five (5) days after the due date shall bear interest at the rate of one and one-half percent (1.50%) per month (or the highest rate allowed by law of the state where Developer is located, whichever is lower) from the date payment is due to the date payment is received by Franchisor. Developer shall pay Franchisor for all costs incurred by Franchisor in the collection of any unpaid and past due Development Fees or any other amounts due Franchisor or Franchisor's Affiliates, including reasonable legal and professional fees.

3.7 Administrative Charges.

Developer understands and acknowledges the importance of developing and opening the Franchised Centers in accordance with this Agreement and the Development Schedule. Developer acknowledges that in the event Developer fails to comply with any such requirement, Franchisor will likely incur administrative expenses in reviewing and assessing such non-compliance, issuing non-compliance notifications, and performing other functions as a result of such non-compliance, which such amounts are not readily ascertainable, and which have not been elsewhere reserved for in this Agreement. Accordingly, in the event Developer fails to comply with the requirements for developing and opening Franchised Centers under this Agreement and the Development Schedule, Franchisor reserves the right to assess an administrative fee for each such documented failure in accordance with Franchisor's policies and procedures. In order to assess any such administrative fee, Franchisor will provide written notice of non-compliance (e-mail acceptable) to Developer, along with reasonably sufficient detail of such act(s) of non-compliance. Developer acknowledges that the administrative fees assessed pursuant to this Section are fair and reasonable and not a penalty, and shall not limit any other rights to remedies in law or in equity Franchisor may have pursuant to this Agreement or otherwise in connection with such acts of non-compliance, but such administrative fees shall be limited to \$500 per occurrence; provided, that such limitation may be increased up to an additional \$500 for each additional occurrence that occurs within a 12-month period to account for Franchisor's and its Affiliates' ongoing oversight and

review of Developer's overall compliance with the Development Schedule and all Franchised Center development and opening requirements set forth in this Agreement. Notwithstanding the foregoing, Franchisor agrees to waive imposition of the above-described administrative charge provided Developer has not been issued any such notices of non-compliance within the immediately preceding twelve (12) month period. The limitations set forth in this Section 3.7 may be increased consistent with increases to the Consumer Price Index since the Effective Date. For the avoidance of doubt, in no event shall Franchisor or its Affiliates have any obligation to Developer or any other franchisee to enforce its rights under this Section against any franchisee.

3.8 Application of Payments by Franchisor.

Notwithstanding any designation by Developer, Franchisor has the right to apply any payments by Developer to any past due indebtedness of Developer and accrued interest thereon for Development Fees, purchases or any other amount owed to Franchisor or any Franchisor Affiliate.

4. TERM AND RENEWAL RIGHTS

4.1 Term.

The term of this Agreement (the "**Term**") shall commence on the Effective Date and, unless sooner terminated pursuant to this Agreement, shall expire upon the earlier of: (i) the opening of the last European Wax Center to be developed hereunder; or (ii) the Required Opening Date for the last European Wax Center to be developed hereunder, as set forth in the Development Schedule (the "**Expiration Date**"). Upon the expiration of the Term, this Agreement, and all rights, including development rights, granted hereunder will automatically terminate, and Developer shall have no right to renew or extend the Term.

4.2 Additional Development following Expiration.

This Agreement and the development rights granted in it expire on the Expiration Date. If Developer wishes to renew exclusive development rights for the same Development Territory, Developer must advise Franchisor in writing within six months prior to the Expiration Date. Franchisor will then reassess the potential of the Development Territory for further development. If Franchisor in its sole and absolute discretion concludes that there is potential for additional European Wax Center(s) to be developed and opened within the Development Territory over and above the European Wax Centers to be developed under this Agreement, and additional European Wax Center(s) developed or under development, if any, then Franchisor will offer Developer, if Developer qualifies, the first opportunity to enter into a new Multi-Unit Development Agreement, on Franchisor's then-current form, for the same Development Territory set forth in this Agreement.

4.2.1 In order to qualify to be offered the first opportunity to enter into a new Multi-Unit Development Agreement for the same geographic area, Developer, and any entities and individuals operating European Wax Center(s) developed by Developer, must: (1) be in compliance with all agreements with Franchisor and its Affiliates; (2) meet Franchisor's then-current criteria to develop additional European Wax Center(s); (3) meet Franchisor's then-current organizational and financial requirements to develop additional European Wax Center(s); and (4) have timely, and without extension, opened all European Wax Center(s) required to be developed under this Agreement.

4.2.2 The terms, conditions, and fees of each such agreement, if offered, may differ substantially from this Agreement and the agreements may contain higher fees and terms less favorable to Developer.

4.2.3 If Developer meets Franchisor's qualifications and accepts such offer, Developer shall execute Franchisor's then-current form of multi-unit development agreement and related agreements for European Wax Center(s) developed under the new multi-unit development agreement.

4.2.4 Developer shall further execute a general release, in a form the same as or similar to the General Release attached as Exhibit 1, of any and all claims against Franchisor, any Affiliate, and against their officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and

individual capacities); provided, however, that if a general release is prohibited, Developer shall give the maximum release allowed by law.

4.3 After Expiration of Term.

At any time after the expiration or termination of the Term for any reason: (a) Franchisor shall have the right to own or operate, or license others to own or operate, European Wax Centers within the Development Territory; provided, however, that in no event shall Franchisor cause such European Wax Center(s) to be constructed or operated within the Protected Territory defined in any Franchise Agreement executed pursuant hereto; and (b) Developer shall have no further right under this Agreement to construct or operate European Wax Centers, or enter into Franchise Agreements with respect thereto; provided, however, that the expiration or termination of Developer's rights under this Agreement shall not affect any Franchise Agreement entered into prior to the expiration of such rights.

5. DEVELOPMENT AND OPENING REQUIREMENTS

5.1 Development Obligations.

Developer agrees that it shall strictly comply with the Development Schedule, including opening each European Wax Center by the applicable "Required Opening Date." It is specifically agreed that **TIME IS OF THE ESSENCE** in performing these obligations. Developer acknowledges that this Agreement may require Developer to pursue and develop multiple projects at the same time, and that time is of the essence with respect to Developer's developing and opening of European Wax Centers.

5.1.1 Notwithstanding any provision in this Agreement to the contrary, Developer understands and agrees that, as a condition to the granting of a franchise to operate any European Wax Center that Developer is required to develop under this Agreement, Developer must apply for, meet and maintain Franchisor's then-current operational, financial, credit, legal and other criteria for developing and operating a new European Wax Center.

5.1.2 Prior to securing a site for each European Wax Center Developer is required to open under this Agreement, Developer shall furnish to Franchisor all financial data Franchisor requests to establish to Franchisor's satisfaction that Developer has the financial ability to develop, open and operate each such European Wax Center, including balance sheets, profit and loss statements, and statements of cash flow for the periods designated by Franchisor.

5.1.3 If Developer or any Developer Operating Entity is in default under the terms of any then-existing Franchise Agreement, Franchisor shall have no obligation to approve the development and opening of any subsequent European Wax Center(s) pursuant to this Agreement until Developer and each such Developer Operating Entity is in full compliance under its existing Franchise Agreement(s).

5.2 Site Approval.

5.2.1 Developer shall submit each proposed location for each European Wax Center to be developed hereunder in writing in advance to Franchisor for approval of the location, in accordance with Franchisor's then-current policies and procedures for site selection. Franchisor shall evaluate the site and notify Developer of its approval or disapproval of the site within a reasonable time (usually thirty [30] days) of receiving notice of the site from Developer. If Franchisor approves of such selection, the site will be designated as the Approved Location for that European Wax Center for purposes of the Franchise Agreement. If Franchisor does not approve of such selection, Developer shall continue to select a new site until Franchisor approves of such selection.

5.2.2 Franchisor or its designees shall provide Developer with general guidelines, standards, and policies to assist Developer in selecting sites suitable for Approved Locations. Franchisor has the right to approve or disapprove a proposed location based on such factors as it deems appropriate, including the condition of the premises, demographics and population density of the surrounding area, proximity to other European Wax Centers, proximity to competitive businesses, lease requirements, visibility, ease of access, available parking, and overall suitability. Developer shall not locate a Franchised Center on a selected site without the prior written approval of

Franchisor. In no event shall Franchisor or any of its employees, agents, or representatives have any liability to Developer for rejecting a proposed location. All costs associated with Developer's site selection process, including applicable brokers' fees, shall be borne exclusively by Developer.

5.2.3 Developer should not, without Franchisor's prior written consent, enter into any contract to purchase or lease the premises Developer intends to use as a Franchised Center, as by doing so, Developer may incur costs or commitments on a lease or purchase agreement for premises which Franchisor will not allow to be developed as the Franchised Center.

5.2.4 Franchisor does not represent that it, any Affiliate or any of its owners or employees have special expertise in selecting sites. Neither Franchisor's assistance nor approval is intended to indicate or indicates that a Franchised Center will be profitable or successful at an Approved Location. Developer is solely responsible for finding and selecting acceptable sites for the Franchised Centers. Developer acknowledges that Franchisor's lease negotiations, if any, and approval of locations are for Franchisor's sole benefit and are not intended to imply or guarantee the success or profitability of any Franchised Center, and Developer agrees that it is not relying on Franchisor's lease negotiations or site approval for such purposes. Developer agrees that Franchisor does not guarantee that the terms, including rent, will represent the most favorable terms available in that market. **Developer acknowledges that it has been advised to obtain the advice of its own professional advisors before Developer signs a lease or purchase agreement. Franchisor's review of a lease or purchase agreement, or any advice or recommendation offered by Franchisor, shall not constitute an expression of Franchisor's opinion regarding the terms of such lease or purchase agreement. Developer acknowledges and agrees that Developer shall solely rely on its review and that of its advisors of any such lease or purchase agreement.**

5.3 Franchise Agreement and Ancillary Agreements.

For each approved European Wax Center location, Developer shall sign Franchisor's then-current form of Franchise Agreement and such other standard, customary agreements, including a personal guaranty, as required under the Franchise Agreement (the "Franchise Documents"). Developer acknowledges and agrees that the then-current forms of Franchise Documents may contain different terms as compared to the current form of Franchise Agreement, provided, however, so long as Developer is not in default under this Agreement, the Franchise Fee and royalty fee shall be the same as those set forth within the Franchise Disclosure Document delivered to Developer in connection with this Agreement. Developer shall sign and deliver to Franchisor the Franchise Agreement and ancillary agreements for each Franchised Center to be developed under this Agreement, and pay to Franchisor the balance of the Franchise Fee due to Franchisor under each such agreement, or the full amount of such Franchise Fee if there are more than ten (10) Franchised Centers to be developed hereunder, concurrently with the execution of the Franchise Agreement for each such Franchised Center.

5.4 Legal Entities.

Developer shall have the right to form corporations, limited liability companies, or partnerships (each a "**Developer Operating Entity**") to enter into the Franchise Documents with respect to operating each European Wax Center opened under this Agreement, provided that Developer is the sole owner of any Developer Operating Entity or, if Developer is an entity, the ownership structure of any Developer Operating Entity is identical to the ownership structure of Developer.

5.5 Continuous Operation.

Developer shall at all times continuously maintain in operation, pursuant to each Franchise Agreement, at least the number of European Wax Centers required to be operational at such time as set forth in the Development Schedule.

5.6 Franchisor May Modify the System.

Developer acknowledges and agrees that Franchisor has the right, in its sole reasonable discretion, to change or modify the System from time to time, including the adoption and implementation of new or modified product and service offerings, Marks, copyrighted materials, computer hardware, software, equipment, inventory, supplies and sales and marketing techniques, as well as décor and other specifications in connection with the look and feel of the Franchised Centers. The Marks and the System as referred to herein shall refer to the System and the Marks as

changed or modified by Franchisor from time to time as provided in this Section 5.6 and under the Franchise Agreements. Developer shall accept and use any such changes in, or additions to, the System, and make such expenditures as such changes, additions or modifications in the System may reasonably require, in accordance with the Franchise Agreements.

5.7 Franchisor May Vary Standards, Materials, or Specifications for any Franchisee.

Developer acknowledges that because complete and detailed uniformity under many varying conditions may not be possible or practical, Franchisor has the right to vary standards, materials, and specifications for any franchisee based upon that particular franchisee's qualifications, the peculiarities of the particular site, specific circumstances, the demographics of the trade area, business potential, existing business practices, or any other consideration that Franchisor deems to be of importance to the successful operation of a European Wax Center at a particular location. Franchisor shall not be required to disclose or grant to Developer or any Developer Operating Entity a like or similar variance under this Agreement or any Franchise Agreement. Developer will have no recourse against Franchisor because of any variation from standard specifications and practices granted to any other franchisee and will not be entitled to require Franchisor to grant Developer or any Developer Operating Entity a like or similar variation.

6. FRANCHISOR'S MARKS

This Agreement does not grant Developer any right to use the Marks in any manner or in connection with the development or operation of any European Wax Center. The right to use the Marks in connection with the development, operation, advertising, or promotion of a European Wax Center may only be granted by the terms of a Franchise Agreement.

Developer shall not use any Mark as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms designs, or symbols, or in any modifying words, terms designs or symbols, or in any modified form, nor may Developer use any Mark in connection with any business or activity other than the business conducted by Developer pursuant to a Franchise Agreement or in any other manner not explicitly authorized in writing by Franchisor.

7. TRADE SECRETS AND OTHER CONFIDENTIAL INFORMATION

7.1 Requirement of Confidentiality.

7.1.1 Developer acknowledges that Franchisor will disclose or otherwise make available Trade Secrets and other Confidential Information to Developer during the Term, including under the Franchise Agreements and as a result of guidance furnished to Developer during the Term. Developer shall not acquire any interest in the Trade Secrets or other Confidential Information, other than the right to utilize it in performing its duties under this Agreement during the Term.

7.1.2 Developer acknowledges that the use or duplication of the Trade Secrets or other Confidential Information in any other business venture would constitute an unfair method of competition. Developer acknowledges that the Trade Secrets and other Confidential Information are proprietary and are disclosed to Developer solely on the condition that Developer (and all holders of a legal or beneficial interest in Developer and all officers, directors, executives, managers and members of the professional staff of Developer): (a) shall not use the Trade Secrets or other Confidential Information in any other business or capacity; (b) shall maintain the absolute confidentiality of the Trade Secrets and other Confidential Information during and after the Term and shall not, without first having obtained Franchisor's prior written consent to such disclosure, disclose the Confidential Information to any third parties, except to Developer's officers, directors, executives, managers, employees, agents and representatives who are on a strict need-to-know basis with respect to such Confidential Information in connection with the performance of Developer's duties under this Agreement, and who are bound by duties of confidentiality no less stringent than those set forth in this Agreement; (c) shall not make any unauthorized copies of any portion of the Trade Secrets or other Confidential Information disclosed in written or other tangible form; and (d) shall adopt and implement all reasonable procedures prescribed, from time to time, by Franchisor to prevent unauthorized use or disclosure of the Trade Secrets and other Confidential Information.

7.1.3 Notwithstanding any term or condition in this Agreement to the contrary, Developer may disclose Confidential Information under certain limited circumstances as follows: (i) as may be required by law or court process; provided, that Developer provides Franchisor reasonable prior notice to allow Franchisor sufficient time to obtain a protective order to prevent disclosure of such Confidential Information, or take other appropriate action; (ii) in confidence to a federal, state, or local government official, either directly or indirectly, or to Developer's legal counsel solely for the limited purpose of reporting or investigating a suspected violation of law; (iii) in confidence as part of a complaint or other legal document filed in a lawsuit or other proceeding; provided, that such filing is made under protective seal; and (iv) if Developer files a lawsuit for retaliation by Franchisor for reporting a suspected violation of law, Developer may disclose, in confidence, relevant Trade Secret information to Developer's legal counsel representing Developer in such lawsuit, and use such Trade Secret information in the court proceedings; provided, that (x) Developer either directly or through its legal counsel, files any document containing any such Trade Secret under protective seal; and (y) Developer does not disclose the Trade Secret information, except pursuant to court order or with Franchisor's prior written consent, which such consent may be withheld in Franchisor's sole discretion. This Agreement is not intended in any way to restrict or impede Developer from exercising protected rights to the extent such rights cannot be waived by this Agreement. Franchisor reserves the right to pursue all remedies available under federal, state, or local law for any disclosure of Confidential Information (including Trade Secret information) by Developer which does not comply with this Section 7.

7.1.4 Developer shall enforce this Section as to its officers, directors, executives, managers, employees, agents, and representatives and shall be liable to Franchisor for any unauthorized disclosure or use of Trade Secrets or other Confidential Information by any of them.

7.1.5 This Section shall survive the expiration or termination of this Agreement indefinitely.

7.2 No Competition with Franchisor.

Developer acknowledges that Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among European Wax Center developers and franchisees if owners of developers and European Wax Centers and members of their immediate families and households were permitted to hold an interest in or perform services for any Competitive Business. Therefore, during the Term, and for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of expiration or termination, neither Developer nor any holder of a legal or beneficial interest in Developer, nor any officer, director, executive, manager or member of the professional staff of Developer, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any person, partnership, corporation, limited liability company or other business entity, shall:

7.2.1 Divert or attempt to divert any business or customer of any Franchised Center developed under this Agreement to any Competitive Business, by direct or indirect inducement or otherwise;

7.2.2 Do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

7.2.3 Carry on, be engaged in, or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere in the United States; or

7.2.4 Solicit or otherwise attempt to induce or influence any employee, customer or other business associate of Developer, Franchisor or any other European Wax Center developer or franchisee to compete against, or terminate or modify his, her or its employment or business relationship with, Developer, Franchisor or any other European Wax Center developer or franchisee; provided, however, that the foregoing shall not restrict Developer or any holder of a legal or beneficial interest in Developer, nor any officer, director, executive, manager or member of the professional staff of Developer from hiring any employee or other business associate of Franchisor or any other European Wax Center developer or franchisee who responds to general public solicitations made in the ordinary course of business.

Following the expiration or termination of this Agreement, the geographic scope of the restriction set forth in this Section 7.2 shall be limited to the Development Territory and within fifty (50) miles of any other company-owned location, or Franchised Center existing at the time of such expiration or termination.

In addition, Developer agrees and covenants that Developer will not, at any time, either directly or indirectly, and shall cause Developer's affiliates, officers, directors, executives, managers, members of the professional staff of Developer and other employees, agents and representatives not to, make, publish or communicate to any person or entity or in any public forum (including through social media) any defamatory or disparaging remarks, comments or statements concerning Franchisor, its Affiliates, any European Wax Center developers or franchisees, and/or any of their respective employees, agents, or representatives, or the System or its Marks.

7.3 Designated Individuals Shall Enter Into Nondisclosure and Non-Competition Agreements.

In addition to the restrictive covenants set forth in Section 7.2 above, Franchisor has the right to require that Developer obtain from any holder of a legal or beneficial interest in Developer, and any officer, director, executive, manager or member of the professional staff of Developer, an executed nondisclosure and non-competition agreement, in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached as Exhibit 2, upon execution of this Agreement or prior to each such person's affiliation with Developer or at any time thereafter. In addition, Franchisor has the right to require that Developer obtain from any other personnel an executed confidentiality; non-interference and proprietary rights or similar agreement(s) protecting Franchisor's Confidential Information, Trade Secrets, and goodwill, in a form prepared by and acceptable to Franchisor, upon execution of this Agreement or prior to each such person's affiliation with Developer or at any time thereafter. Developer shall provide Franchisor with copies of all non-competition, nondisclosure, and similar agreements signed pursuant to this Section. Franchisor shall be a third-party beneficiary with the right to enforce covenants contained in such agreements.

Without limiting Developer's obligations and restrictions under Section 10 and Section 11 of this Agreement, Developer shall promptly notify Franchisor of all holders of a legal or beneficial interest in Developer and any officer, director, executive or manager of Developer and any additions or deletions to any of the foregoing.

7.4 Developer Acknowledges Reasonableness of Restrictions.

Developer acknowledges that the restrictive covenants contained in this Section 7 are essential elements of this Agreement and that without their inclusion, Franchisor would not have entered into this Agreement. Developer acknowledges that each of the terms set forth in this Agreement, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisor, Trade Secrets and other Confidential Information, the System, and the Marks and Developer waives any right to challenge these restrictions as being overly broad, unreasonable, or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Developer shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of Franchisor and Developer that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought. Franchisor may, at its discretion and at any time, reduce the scope, restricted activities and/or duration of any of the restrictive covenants effective immediately upon notice to Developer.

7.5 Breaches of Confidentiality, Non-Solicitation, Non-Disparagement, and Non-Competition.

Developer acknowledges that an actual or threatened violation of the covenants contained in Section 7 of this Agreement will cause Franchisor immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisor shall be entitled, as a matter of right, to seek an injunction from any court of competent jurisdiction restraining any further violation by Developer of Section 7 of this Agreement without any requirement to show any actual damage, irreparable harm or establish a balance of convenience, or to post any bond or other security. Such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisor may have at law or in equity.

8. DEFAULT AND TERMINATION

8.1 Termination of Term by Developer.

Subject to applicable law, without Franchisor's written consent, Developer may not terminate this Agreement prior to the expiration of the Term. Notwithstanding the foregoing, if: (i) Developer is not currently in material breach of this Agreement or any other agreement between Franchisor and Developer; (ii) Franchisor materially breaches this

Agreement; (iii) Developer delivers written notice to Franchisor describing in detail the nature of the alleged breach; and (iv) Franchisor fails to cure the alleged breaches within forty-five (45) days after Franchisor's receipt of written notice from Developer, then Developer shall have the right to terminate this Agreement by delivering a second written notice to Franchisor setting forth its election to terminate this Agreement due to Franchisor's failure to cure its material breach within the prescribed cure period. Such termination shall be deemed effective thirty (30) days after Franchisor's receipt of the second written notice from Developer.

8.2 Termination of Term by Franchisor.

8.2.1 Subject to applicable law, Franchisor will have good cause and the right to terminate this Agreement, effective immediately upon notice and without providing any opportunity to cure by Developer, if Developer, or Developer's equity holders, officers, directors, managers, employees, agents, or other representatives, as applicable:

8.2.1.1 made any material misrepresentation or omission in its application for the Franchise or otherwise to Franchisor in the course of entering into this Agreement, which may be learned by Franchisor at any time, even after commencement of operations at any Franchised Center;

10.9 Proposed Assignment as a Result of Developer's Bankruptcy.

10.9.1 Developer again acknowledges that the rights and obligations granted and assumed pursuant to this Agreement are personal to Developer (and each of its owners), and Franchisor has entered into this Agreement in reliance on the representations given by Developer to secure the Development Rights, and the personal and/or collective skills and financial ability of Developer and its owners. Developer further acknowledges and agrees that because of the personal nature of the rights and duties associated with the Development Rights, this Agreement is not freely assignable by its nature and therefore it would not be appropriate to assign the rights and obligations to any assignee other than in accordance with this Section 10.9 (and each other applicable provision of this Section 10). In the event that Developer shall become a debtor under Chapter 7 of the United States Bankruptcy Code, 11 USC Section 101, et seq., (the "**Bankruptcy Code**"), and the trustee or Developer shall elect to assume this Agreement for the purpose of assigning the same or otherwise, such election and assignment may only be made if all of the terms and conditions of this Agreement are satisfied. No election by the trustee or Developer to assume this Agreement, whether under Chapter 7, 11 or 13 of the Bankruptcy Code, shall be effective unless each of the following conditions, and as applicable, any other conditions required in this Section 10, which Franchisor and Developer each acknowledge is commercially reasonable in the context of such proceeding, has been satisfied, and Franchisor has so acknowledged in writing:

10.9.1.1 the trustee or Developer has cured, or has provided Franchisor adequate assurance (as provided below) that: (i) within ten (10) days from the date of such assumption, the trustee will cure all monetary defaults under this Agreement; and (ii) within thirty (30) days from the date of such assumption, the trustee will cure all non-monetary defaults under this Agreement;

10.9.1.2 the trustee or Developer has and will continue to have sufficient unencumbered assets after the payment of all secured obligations and administrative expenses to assure Franchisor that the trustee or Developer will have sufficient funds to fulfill the obligations of Developer under this Agreement; and

10.9.1.3 that assumption or assignment of this Agreement will not breach any term or condition of, or constitute a default under, any term or condition of any contract, agreement, arrangement, or other commitment to which the trustee or Developer is a party or by which the trustee or Developer is bound (**including any agreement not to compete**), or constitute an event which, with notice, lapse of time or both, would result in such a breach or event of default nor to the trustee's or Developer's knowledge, result in the violation by the trustee or Developer of any applicable statute, rule, regulation, ordinance, code, judgment, order, injunction or decree.

10.9.2 If a trustee or Developer, pursuant to this Agreement, proposes to assign this Agreement or any right in the Development Rights pursuant to the provisions of the Bankruptcy Code, to any person or entity who shall have made a bona fide offer to accept an assignment of this Agreement on terms acceptable to the trustee or Developer, then, notice of the proposed assignment setting forth (i) the name and address of such person; and (ii) all of the terms and conditions of such offer shall be given to the Franchisor by the Developer no later than twenty (20) days after receipt of such offer by the trustee or Developer, but in any event no later than ten (10) days prior to the date that the trustee or Developer shall make application to a court of competent jurisdiction for authority and approval to enter into such assignment and assumption.

10.9.3 If the trustee or Developer, pursuant to this Agreement, proposes to assign this Agreement or any right in the Development Rights pursuant to the provisions of the Bankruptcy Code, to any person or entity who shall have made a bona fide offer to accept an assignment of this Agreement on terms acceptable to the trustee or Developer, Franchisor shall thereupon have the prior right and option, to be exercised by notice to the trustee or Developer given at any time prior to the effective date of such proposed assignment, to accept an assignment of this Agreement upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such person.

Any person or entity to which the trustee's or Developer's interest in this Agreement is assigned pursuant to the provisions of the Bankruptcy Code shall be deemed without further act or deed to have assumed all of the obligations arising under this Agreement on or after the date of such assignment. As part of providing adequate assurance to Franchisor, any such assignee shall, upon demand, execute and deliver to Franchisor an instrument confirming such assumption.

10.9.4 The following factors may be considered by Franchisor in order to determine whether or not the proposed assignee has furnished Franchisor with adequate assurances of its ability to perform the obligations of this Agreement:

10.9.4.1 the assignee's satisfaction of the factors set forth in Section 10.2.5; and

10.9.4.2 that assumption or assignment of this Agreement is subject to all the provisions hereof, including provisions such as location, use, and the restrictive covenants set forth in Section 7.2, and will not breach any term or condition of, or constitute a default under, any term or condition of any contract, agreement, arrangement, or other commitment to which the assignee or any holder of a legal or beneficial interest in assignee is a party or by which assignee or such holder of a legal or beneficial interest in assignee is bound (**including any agreement not to compete**), or constitute an event which, with notice, lapse of time or both, would result in such a breach or event of default nor to assignee's knowledge, result in the violation by assignee or any such holder of a legal or beneficial interest in assignee of any applicable statute, rule, regulation, ordinance, code, judgment, order, injunction, or decree.

In the event Franchisor rejects the proposed assignee, to the extent permitted by applicable law, the rights and obligations of the parties hereto shall continue to be governed by the terms of this Agreement, and Developer shall have all of its rights as a developer hereunder under applicable law.

11. RIGHT OF FIRST REFUSAL

11.1 Submission of Offer.

If Developer or any of its owners proposes to sell or transfer, except as allowed in Section 10.3 above, any ownership interest in the Development Rights or Developer (including assets it owns outside the normal course of its business), Developer shall give Franchisor the first right to accept or refuse the offer to purchase. The offer must be a bona fide invitation to purchase and must be signed and submitted in writing to Franchisor. The offer shall have all pertinent documents attached, including any contract or due diligence materials. The offer applies to the assets and interests contemplated in this Section and does not include assets or interests unrelated to the conduct of Developer's business under this Agreement and its exercise of the Development Rights.

11.2 Sale or Transfer to Family Members.

Section 11.1 of this Agreement shall be inapplicable in its entirety if the sale or transfer under Section 11.1 is to an immediate family member or with respect to ownership interests in Developer, to any other current owner of Developer; provided, that the requirements under Section 10.2 and Section 10.3, as applicable, of this Agreement remain in effect and nothing in this Section 11.2 is a waiver to their application.

11.3 Franchisor's Right to Purchase.

Franchisor shall have thirty (30) days (following the receipt of the offer to purchase) to accept all material terms of Developer's offer to purchase. If Franchisor elects to accept the offer, it shall deliver written confirmation to Developer. Franchisor has the right to substitute cash for the fair market value of any form of payment proposed in such offer. Franchisor's credit shall be deemed at least equal to the credit of any competing buyer. After providing notice to Developer of Franchisor's intent to exercise this right of first refusal, Franchisor shall have up to sixty (60) days to close the purchase on the same terms set out in the invitation to purchase. Franchisor shall be entitled to receive from Developer all customary representations and warranties given by Developer as the seller of the assets or such ownership interest or, at Franchisor's election, such representations and warranties contained in the proposal.

11.4 Non-Exercise of Right of First Refusal.

If Franchisor elects not to exercise its right of first refusal within thirty (30) days from the date of delivery of all such documents, Developer or any of its owners may accept the offer or proposal, subject to Franchisor's prior written approval and satisfaction of all conditions and requirements set forth in Sections 10.2 and 10.3, as applicable. Should the sale fail to close within one hundred twenty (120) days after the offer is delivered to Franchisor, or if there

is a material change to the terms, Franchisor's right of first refusal shall renew and be implemented in accordance with this Section.

12. BENEFICIAL OWNERS OF DEVELOPER

Developer represents, and Franchisor enters into this Agreement in reliance upon such representation, that the individuals identified in the Franchise Certificate are the only holders of legal and/or beneficial interests in Developer. Developer further represents to Franchisor that the individuals identified in the Franchise Certificate as officers, directors, and/or managers of Developer, as the case may be, constitute all of the duly elected and qualified officers, directors, and/or managers of Developer, as the case may be.

13. RELATIONSHIP OF FRANCHISOR AND DEVELOPER AND INDEMNIFICATION

13.1 Description of Relationship of Franchisor and Developer.

13.1.1 This Agreement is purely a contractual relationship between Franchisor and Developer and does not appoint or make Developer an agent, legal representative, joint venturer, partner, employee, servant, or independent contractor of Franchisor for any purpose whatsoever. This Agreement does not establish a fiduciary or employment relationship between Franchisor and Developer.

13.1.2 Developer may not represent or imply to third parties that Developer is an agent or employee of Franchisor, and Developer is in no way authorized to make any contract, agreement, warranty, or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. During the Term, and any extension or renewal of this Agreement, Developer shall hold itself out to the public only as an independent contractor hereunder, and under any Franchise Agreement, as a franchisee and an owner of the independently owned and operated Franchised Center. Developer shall take such affirmative action as may be necessary to do so including exhibiting a notice of that fact in a conspicuous place on the Approved Locations and on all forms, stationery or other written materials, the content of which Franchisor has the right to specify.

13.1.3 Under no circumstances shall Franchisor be liable for any act, omission, contract, debt, or any other obligation of Developer. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the development, owning or operation of any Franchised Center. Any third-party contractors and vendors retained by Developer to convert or construct the premises are independent contractors of Developer alone.

13.2 Franchisor May Act in its Own Interest.

Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Developer to obtain Franchisor's written consent or permits Developer to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Developer or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

13.3 Indemnification by Developer.

Developer shall hold harmless, defend, and indemnify Franchisor, all of its Affiliates, and all holders of a legal or beneficial interest in Franchisor, and each of its and their officers, directors, executives, managers, members, partners, owners, employees, agents, and their respective successors and assigns (collectively "**Franchisor Indemnitees**") from and against all losses, damages, fines, costs, expenses, or liability (including reasonable legal and professional fees and all other costs of litigation) incurred by Franchisor Indemnitees in connection with any action, suit, demand, claim, investigation, or proceeding, or any settlement thereof, arising from or related to Developer's: development, opening, ownership, or operation of any Franchised Center; (b) violation, breach, or asserted violation or breach, of any federal, state, or local law, regulation, or ordinance; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Developer and Franchisor (or an Affiliate); (d) defamation of Franchisor or the System; (e) acts, errors or, omissions committed in connection with the development, opening, or operation of any Franchised Center, including any negligent or intentional acts; or (f) infringement, violation, or alleged infringement or violation, of any Mark, patent, or copyright or any misuse of the

or to such other address or e-mail address as any party may designate to the other by notice complying with the terms of this Section (provided that updates to a party's notice physical address or e-mail address may be provided strictly by e-mail (without any need for non-electronic delivery) to the e-mail address set forth above, as may be updated from time to time pursuant to the terms of this Section 14.3). Each such notice will be deemed delivered: (A) on the date delivered if by personal delivery; (B) on the date of email delivery; (C) on the date upon which the return receipt is signed or delivery is refused or the notice is designated by the postal authorities as not deliverable, as the case may be, if mailed; or (D) upon the date scheduled for delivery after such notice is sent by a nationally recognized overnight express courier. Franchisor and Developer each waives personal or any other service other than as provided for in this section.

Notwithstanding anything to the contrary contained within this Section 14.3, any notices Franchisor is required or authorized to deliver to Developer in order to advise Developer of alleged violations of Developer's covenants or other agreements contained in this Agreement (but for the avoidance of doubt, a form of non-electronic delivery shall accompany any termination notices provided under this Agreement) shall be deemed to have been duly given or served upon Developer by Franchisor if provided by e-mail (without any need for non-electronic delivery) to the e-mail address provided in this Section 14.3; provided a copy of such e-mail is also provided to the e-mail address for the Developer Designated Representative then on file, if different, with Franchisor (such initial e-mail address to be provided in the Franchise Certificate provided by Developer with this Agreement, which may be updated from time to time pursuant to the terms of this Section 14.3).

14.4 Unlimited Guaranty and Assumption of Obligations.

All holders of a legal or beneficial interest in Developer of five percent (5.00%) or greater shall be required to execute, as of the date of this Agreement, the Unlimited Guaranty and Assumption of Obligations attached as Exhibit 3, through which such holders agree to assume and discharge all of Developer's obligations under this Agreement and to be personally liable under this Agreement for all of the same. Each such holder of a legal or beneficial interest in Developer shall be required to obtain a joinder to such Unlimited Guaranty and Assumption of Obligations by their spouse, if any, to bind such spouse's interest in jointly held property, if any, held by the equity holder. If any applicable holder of a legal or beneficial interest in Developer delivers an Unlimited Guaranty and Assumption of Obligations to Franchisor without the signature of his or her spouse, then Developer hereby represents to Franchisor that such holder has no spouse.

14.5 Approvals.

Whenever this Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor for such approval, and except as otherwise provided in this Agreement, any approval or consent granted shall be effective only if in writing. Franchisor assumes no liability or obligation to Developer or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent, or services to Developer in connection with this Agreement, or by reason of any neglect, delay, or denial of any request for approval.

14.6 Entire Agreement.

This Agreement, its exhibits and the documents referred to in this Agreement shall be construed together and constitute the entire, full, and complete agreement between Franchisor and Developer concerning the subject matter of this Agreement and shall supersede all prior agreements with respect thereto. In the event this Agreement is executed by Franchisor and Developer as part of a transfer of an existing multi-unit development agreement or as a successor Multi-Unit Development Agreement to Developer's initial European Wax Center Multi-Unit Development Agreement, any other transfer or renewal documents or other agreements, as the case may be, executed by Franchisor or Developer that set forth terms applicable to such transfer or renewal shall survive and shall be construed together

with, and incorporated into by reference, this Agreement, as applicable. No other representation, oral or otherwise (other than those within Franchisor's European Wax Center Disclosure Document), has induced Developer to execute this Agreement, and there are no representations (other than those within Franchisor's European Wax Center Disclosure Document), inducements, promises or agreements, oral or otherwise, between the parties not embodied in this Agreement, that are of any force or effect with respect to the matters set forth in or contemplated by this Agreement or otherwise. Nothing in this Agreement is intended to disclaim the representations Franchisor made in Franchisor's European Wax Center Disclosure Document that was furnished to Developer, if Franchisor was required by law to provide to Developer Franchisor's European Wax Center Disclosure Document. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing by both parties.

14.7 Severability and Modification.

Each paragraph, part, term, and provision of this Agreement shall be considered severable. If any paragraph, part, term, or provision in this Agreement is ruled to be unenforceable, unreasonable, or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms, and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind Franchisor and Developer; and such unenforceable, unreasonable, or invalid paragraphs, parts, terms, or provisions shall be deemed not part of this Agreement; provided, however, if Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

14.8 Headings are for Convenience Only.

All captions in this Agreement are intended solely for the convenience of Franchisor and Developer, and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

14.9 Force Majeure.

Whenever a period of time is provided in this Agreement for either party to perform any act, except for Developer's payment of monies to Franchisor or any Franchisor Affiliate, neither party shall be liable nor responsible for any delays if it is prevented or delayed in such performance as a result of conditions beyond the reasonable control of and without the fault or negligence of such party (*force majeure*), such as strikes, lockouts, casualties, acts of God, epidemics, war, terrorism, or governmental regulation or control, and the time period for the performance of such act shall be extended for the amount of time of the delay. A party wishing to take advantage of the relief provided in this Section must, as soon as practicable, notify the other party in writing of the existence of the *force majeure* condition and the estimated time of its duration. This clause shall not result in an extension of the Term.

14.10 Timing is of the Essence.

Except as set forth in Section 14.9, failure to perform any act within the time required or permitted by this Agreement shall be a breach of this Agreement.

14.11 Withholding Payments.

14.11.1 Developer shall not, for any reason, withhold payment of any Development Fees or other amounts due to Franchisor or to any of its Affiliates. Developer shall not withhold or offset any amounts, damages, or other monies allegedly due to Developer against any amounts due to Franchisor or any of its Affiliates. The right to set off is hereby expressly waived by Developer. No endorsement or statement on any payment for less than the full amount due to Franchisor or any of its Affiliates will be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Franchisor and any of its Affiliates has the right to accept and cash any such payment without prejudice to Franchisor's or any of its Affiliates' right to recover the full amount due, or pursue any other remedy provided in this Agreement or by law.

14.11.2 Franchisor and its Affiliates have the right to apply any payments made by Developer against any of Developer's past due indebtedness as Franchisor or its Affiliates deem appropriate. Franchisor and its Affiliates may set off, against amounts owed to Developer, amounts due under this Agreement by Developer to Franchisor or its applicable Affiliates.

14.12 Further Assurances.

Franchisor and Developer will each execute and deliver, or cause the execution and delivery of, such further instruments, contracts, forms, or other documents, and will perform such further acts, as may be necessary or desirable to perform or complete any term, covenant, or obligation contained in this Agreement.

14.13 Third-Party Beneficiaries.

Except with respect to Franchisor's applicable Affiliates who shall have rights to enforce this Agreement directly, as well as any applicable Franchisor Indemnitee who also shall have the right to enforce Developer's indemnification obligations herein directly, anything to the contrary notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any other person or legal entity other than Franchisor or Developer, and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement.

14.14 Multi-State Addenda.

Attached as Exhibit 5 to this Agreement (the "**Multi-State Addenda**") and incorporated herein by reference, as applicable, are additional terms and conditions applicable to franchisees and their principals based in certain states within the United States of America. Each provision of the Multi-State Addenda shall be effective only to the extent that the jurisdictional requirements of the applicable state law are applicable to the provisions of this Agreement are met independent of the Multi-State Addenda. To the extent the Multi-State Addenda shall be deemed to be inconsistent with any terms or conditions of this Agreement (including its exhibits or attachments thereto [other than the applicable Multi-State Addenda]), the terms of the Multi-State Addenda shall control.

14.15 This Agreement May be Signed in One or More Counterparts.

This Agreement may be executed in one (1) or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one (1) and the same instrument. Delivery of an executed signature page by facsimile, e-mail in portable document format (.pdf) or by any other electronic means intended to preserve the original pictorial appearance of a document will have the same effect as delivery of an executed original of this Agreement.

14.16 Blacklining.

The parties agree that this Agreement may be executed with revision markings (so-called "blacklining") appearing in the execution copy (*i.e.*, deleted text is overstricken and newly-inserted text is underscored or in boldface); such "blacklining" shall not be accorded any significance or taken into account in any way; this Agreement shall be construed for all purposes as if all overstricken text were deleted and never included in this Agreement and all bold or underscored text were not bold or underlined.

15. DISPUTE RESOLUTION

15.1 Choice of Law.

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Texas (without reference to its conflict of laws principles), excluding any law regulating the sale of franchises or governing the relationship between a franchisor and franchisee, unless the jurisdictional requirements of such laws are met independently without reference to this Section. The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, DEVELOPER AGREES THAT DEVELOPER MAY BRING CLAIMS AGAINST FRANCHISOR AND ITS AFFILIATES ONLY ON AN

INDIVIDUAL BASIS AND NOT AS PART OF ANY PURPORTED CLASS OR REPRESENTATIVE ACTION OR PROCEEDING. UNLESS FRANCHISOR AGREES OTHERWISE, AN ARBITRATOR MAY NOT CONSOLIDATE OR JOIN MORE THAN ONE DEVELOPER'S OR FRANCHISEE'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. AN ARBITRATOR MAY AWARD RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF), AS APPLICABLE, ONLY IN FAVOR OF THE DEVELOPER PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF NECESSITATED BY THAT DEVELOPER PARTY'S INDIVIDUAL CLAIM(S). ANY RELIEF AWARDED WILL NOT AFFECT OTHER DEVELOPERS OR FRANCHISEES.

15.2 Consent to Jurisdiction.

Any action brought by either Franchisor or Developer, except those claims required by this Agreement or by law, to be submitted to arbitration, shall be brought in the appropriate state or federal court located in or serving Collin County, Texas, or at Franchisor's principal place of business, if different. Franchisor and Developer each waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. Franchisor and Developer each hereby submit to service of process by registered mail, return receipt requested or by any other manner provided by law. Claims for injunctive relief or other equitable relief may be brought by Franchisor where Developer is located. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of either Franchisor or Developer to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.

15.3 Cumulative Rights and Remedies.

No right or remedy conferred upon or reserved to Franchisor or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained in this Agreement shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

15.4 Limitations of Claims.

To the extent permitted by law, any claim concerning any Franchised Center or this Agreement or any related agreement will be barred unless an action for a claim is commenced within two (2) years from the date on which Developer knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

15.5 Limitation of Damages.

DEVELOPER WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST FRANCHISOR OR ANY FRANCHISOR AFFILIATE AND AGREES THAT IF THERE IS A DISPUTE WITH FRANCHISOR OR ANY FRANCHISOR AFFILIATE, DEVELOPER WILL BE LIMITED TO THE RECOVERY OF ACTUAL DIRECT DAMAGES SUSTAINED BY IT INCLUDING REASONABLE LEGAL AND PROFESSIONAL FEES, SUBJECT TO THE LIMITATIONS HEREIN. EXCEPT FOR THE PARTIES' INDEMNIFICATION OBLIGATIONS AND THE CONFIDENTIALITY AND NON-COMPETITION OBLIGATIONS PURSUANT TO THIS AGREEMENT OR WITH RESPECT TO WILLFUL MISCONDUCT OR GROSS NEGLIGENCE, OR AS OTHERWISE SET FORTH IN THIS AGREEMENT (*e.g.*, SECTION 9.1.4), IN NO EVENT SHALL EITHER PARTY OR THEIR APPLICABLE AFFILIATES BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL OR CONTINGENT DAMAGES WHATSOEVER, INCLUDING DAMAGES FOR LOSS OF REVENUE, PROFITS, LOSS OF BUSINESS OPPORTUNITY OR BUSINESS INTERRUPTION, FOR INJURIES TO PERSONS (INCLUDING DEATH) OR PROPERTY, WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH A LOSS, OR WHETHER THE CLAIM IS FOR BREACH OF CONTRACT, TORT, BREACH OF WARRANTY, NEGLIGENCE OR OTHERWISE. THE ESSENTIAL PURPOSE OF THIS SECTION IS TO LIMIT THE POTENTIAL LIABILITY OF EACH PARTY ARISING OUT OF THE TERMS AND CONDITIONS OF THIS AGREEMENT. IN ANY CLAIM OR ACTION BROUGHT BY DEVELOPER AGAINST FRANCHISOR CONCERNING THIS AGREEMENT, DEVELOPER'S TOTAL RECOVERABLE DAMAGES AND FRANCHISOR'S TOTAL LIABILITY SHALL NOT EXCEED AND SHALL BE LIMITED TO REFUND OF DEVELOPER'S DEVELOPMENT FEE.

15.6 Waiver of Jury Trial.

DEVELOPER AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

15.7 Arbitration.

This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained in this Agreement. Except for controversies or claims relating to the ownership of any of Franchisor's Marks or the unauthorized use or disclosure of Franchisor's Trade Secrets or other Confidential Information, covenants against competition and other claims for injunctive relief, all disputes arising out of or relating to this Agreement or to any other agreements between Franchisor and Developer, or with regard to interpretation, formation or breach of this or any other agreement between Franchisor and Developer, shall be settled by binding arbitration conducted in Collin County, Texas, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings shall be held by a single arbitrator agreed upon by Franchisor and Developer or otherwise appointed by the Circuit Court for the State of Texas and located in Collin County, Texas. The decision of the arbitrator shall be final and binding upon Franchisor and Developer. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction.

15.8 Remedies in the Event of Breach of This Agreement.

Developer and Franchisor agree if any legal proceedings are brought for the enforcement of this Agreement, in addition to any other relief to which the successful or prevailing party may be entitled, the successful or prevailing party will be entitled to recover all of its legal and professional fees, investigative fees, administrative fees billed by such party's attorneys and other professionals, court costs and all expenses, including all fees, taxes, costs and expenses incident to arbitration, appellate, and post-judgment proceedings, incurred by the successful or prevailing party in that action or proceeding.

16. ACKNOWLEDGMENTS IN CERTAIN STATES

The acknowledgements set forth in Sections 16.1 through 16.4 shall apply to all developers and franchised centers, except for those that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin.

16.1 Receipt of this Agreement and the Franchise Disclosure Document.

Developer represents and acknowledges that it has received, read, and understands this Agreement and Franchisor's Franchise Disclosure Document; and that Franchisor has accorded Developer ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement. Developer represents and acknowledges that it has received, at least fourteen (14) calendar days prior to the date on which this Agreement was executed, the Disclosure Document required by the Trade Regulation Rule of the Federal Trade Commission entitled Disclosure Requirements and Prohibitions Concerning Franchising and Business Opportunity Ventures.

16.2 Consultation by Developer.

Developer represents that it has been urged to consult with its own advisors with respect to the legal, financial, and other aspects of this Agreement, the business franchised hereby and the prospects for that business. 16.3 True and Accurate Information.

Developer represents that all information set forth in any and all applications, financial statements and submissions to Franchisor is true, complete, and accurate in all material respects, and Developer acknowledges that Franchisor is relying upon the truthfulness, completeness, and accuracy of such information.

16.4 Risk.

Developer represents that it has conducted an independent investigation of the business contemplated by this Agreement and acknowledges that, like any other business, an investment in a European Wax Center involves business risks and that the success of the venture is dependent, among other factors, upon the business abilities and efforts of Developer. Franchisor makes no representations or warranties, express or implied, in this Agreement or otherwise, as to the potential success of the business venture contemplated hereby.

16.5 No Waiver or Disclaimer of Reliance in Certain States.

The following provision applies only to developers and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgment signed or agreed by Developer in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement; or (ii) disclaiming reliance on any statement made by Franchisor, any franchise seller, or any other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

16.6 Developer's Representations and Warranties.

Developer represents and warrants to Franchisor that:

16.6.1 Developer is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation, and Developer possesses the organizational power to validly own its properties and conduct its business;

16.6.2 Developer has the power to execute, deliver, and carry out the terms and conditions of this Agreement, and this Agreement has been duly authorized, executed and delivered by Developer and constitutes the valid, legal and binding agreement and obligation of Developer in accordance with the terms of this Agreement, except as may be limited by applicable bankruptcy, insolvency, reorganization and other laws and equitable principles affecting creditors' rights generally from time to time in effect; and

16.6.3 Developer's execution of this Agreement and its performance of its obligations under this Agreement will not result in (i) the breach of any term or condition of, or constitute a default under, any term or condition of any contract, agreement, arrangement, or other commitment to which Developer or any holder of a legal or beneficial interest in Developer is a party or by which Developer or such holder of a legal or beneficial interest in Developer is bound (**including any agreement not to compete**), or constitute an event which, with notice, lapse of time or both, would result in such a breach or event of default nor (ii) to Developer's knowledge, result in the violation by Developer or any such holder of a legal or beneficial interest in Developer of any applicable statute, rule, regulation, ordinance, code, judgment, order, injunction or decree.

16.7 Notice of Potential Franchisor and Affiliate Profit.

Developer acknowledges that Franchisor and Franchisor's Affiliates will make available to Developer goods, products, and/or services for use in the Franchise on terms that Franchisor and its Affiliates will make a profit. Developer acknowledges that Franchisor and Franchisor's Affiliates are entitled to said profits and/or consideration.

16.8 Anti-Terrorism and Money Laundering Representation.

Developer certifies that: (i) neither it nor its officers, members, managers, directors, equity holders or controlling owners is acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order, the United States Department of Justice, or the United States Treasury Department as a terrorist, “Specially Designated National or Blocked Person,” or other banned or blocked person, entity, nation, or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; (ii) neither it nor its officers, members, managers, directors, equity holders or controlling owners is engaged in this transaction, directly or indirectly on behalf of, or instigating or facilitating this transaction, directly or indirectly on behalf of, any such person, group, entity or nation; and (iii) neither it nor its officers, members, managers, directors, equity holders or controlling owners is in violation of Presidential Executive Order 13224, the USA Patriot Act, the Bank Secrecy Act, the Money Laundering Control Act or any regulations promulgated pursuant thereto. Should Developer or any of its officers, members, managers, directors, equity holders or controlling owners, during the Term, be designated Specially Designated National or Blocked Person, Franchisor may, at its sole option, terminate this Agreement.

16.9 Franchisor Must Sign Multi-Unit Development Agreement to be Effective.

Franchisor has furnished this Agreement and its related agreements and documents to Developer for the purposes examination and, if applicable, execution, and does not constitute a reservation or offer to acquire or purchase a Franchise or the Development Rights, and shall not be binding Franchisor in any manner, nor provide or convey any franchise rights or Development Rights associated with a Franchise or Development Territory, it being understood that this Agreement shall become effective and binding only upon execution and delivery of this Agreement by Developer and by Franchisor. No act or omission of any other Person shall alter, change, or modify any of the provisions of this Section 16.9.

16.10 Developer Minimum Deliverables Upon Signing this Multi-Unit Development Agreement.

Developer shall deliver to Franchisor, or cause to be delivered to Franchisor, each of the following:

16.10.1 this Agreement, signed by each authorized representative of Developer;

16.10.2 the Development Fee, as described in Section 3.1;

16.10.3 a Nondisclosure and Non-Competition Agreement, in substantially the same form attached to this Agreement as Exhibit 2, for each equity holder of Developer at the time of the Effective Date, signed by an authorized representative of Developer on the one hand, and such equity holder on the other;

16.10.4 an Unlimited Guaranty and Assumption of Obligations, in substantially the same form attached to this Agreement as Exhibit 3, signed by each holder of a legal or beneficial interest in Developer of five percent (5.00%) or greater, along with the joinder from each such holder’s spouse, if any, to bind such spouse’s interest in jointly held property, if any, held by the equity holder; and

16.10.5 a Franchise Certificate, in substantially the same form attached to this Agreement as Exhibit 4 (a “**Franchise Certificate**”), signed by each authorized representative of Developer, certifying, as applicable, Developer’s organizational documents, good standing, ownership, and management information, as of the Effective Date.

The foregoing shall not in any way limit Franchisor’s rights to request any additional documents that may be required pursuant to this Agreement, from time to time.

This Nondisclosure and Non-Competition Agreement (this “**Agreement**”) is entered into and effective as of the ____ day of _____, 20____, by and between _____ (“**Developer**”) (d/b/a European Wax Center), and _____ (“**Individual**”).

RECITALS:

A. Developer is a party to that certain Multi-Unit Development Agreement dated _____, 20__ (as amended, supplemented, renewed, restated, or otherwise replaced from time to time, “**Development Agreement**”) by and between Developer and EWC Franchisor LLC (“**Franchisor**”).

B. Developer desires Individual to have access to and review certain Trade Secrets and other Confidential Information, which are defined and more particularly described below.

C. Developer is required by the Development Agreement to have Individual execute this Agreement prior to providing Individual access to said confidential materials.

D. Individual understands the necessity of not disclosing any such information to any other party or using such information to compete against Franchisor, Developer or any other developer or franchisee of Franchisor in any Competitive Business (as defined below).

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, and intending to be legally bound hereby, Developer and Individual hereby mutually agree as follows:

1. Trade Secrets and Confidential Information.

(a) Individual understands that Franchisor and Developer each possess and will possess Trade Secrets and other Confidential Information that are important to the development and operation of a European Wax Center.

(b) For the purposes of this Agreement,

“**Competitive Business**” means any business that, directly or indirectly, in the United States of America or any foreign country (i) offers waxing, body hair removal, facial hair removal, threading, brow services or related services or products, (ii) manufactures, sells, licenses or otherwise distributes by way of retail or wholesale products which accompany or are related to beauty services, including wax, in-grown hair serums/lotions, exfoliates, body washes, lotions, polishes, brow products or eye creams, or (iii) that otherwise competes with Franchisor, its Affiliates or the European Wax Center System (including through franchising) in general, as such businesses have been conducted, are proposed to be conducted or are being conducted, in each case, during the Term. “**Competitive Business**” excludes (a) any other business operated by Individual under a Franchise Agreement or a Multi-Unit Development Agreement with Franchisor, or (b) any business operated by a publicly-held entity in which Individual owns less than a five percent (5.00%) legal or beneficial interest; provided, that Individual does not, directly or indirectly, individually or collectively with any other Person, possess the power to direct or cause the direction of the management and policies of such publicly-held entity.

“**Confidential Information**” means technical and non-technical information used in or related to the System that is not commonly known by or available to the public, including, without limitation, the Trade Secrets and information contained in Franchisor’s Confidential Operations Manual and training guides and materials. In addition, any other information identified as confidential when delivered or made available by Franchisor or Developer shall be deemed Confidential Information. For the avoidance of doubt, guest (customer) information shall be deemed Confidential Information;

“Marks” means the trademark “EUROPEAN WAX CENTER®,” and such other trade names, trademarks, service marks, trade dress, designs, graphics, logos, emblems, insignia, fascia, slogans, drawings and other commercial symbols as Franchisor may designate to be used in connection with the European Wax Center franchise System;

“Person” means a human being, a legal or business entity devised or constructed by for the purpose of carrying out business activities under the name of such devised or constructed entity, which shall not be limited to sole proprietorships, corporations, partnerships, limited liability companies, or other entities; and in the case of entities, a Person shall include, any other entity with a majority or controlling interest in another entity, as well as the individual officers, directors, and other Persons controlling the activities of such entity;

“System” means the uniform standards, methods, procedures and specifications, revisions or modifications Franchisor advances for the operation of European Wax Centers; and

“Trade Secret” is information in any form (including, but not limited to, materials and techniques, technical or non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans, passwords, lists of actual or potential customers or suppliers) related to or used in European Wax Centers or otherwise in the System, that is not commonly known by or available to the public and that information: (a) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other Persons who can obtain economic value from its disclosure or use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(c) Confidential Information shall not include, however, any information that: (i) is now or subsequently becomes generally available to the public through no fault of Individual or Developer or Developer’s affiliates, employees, agents, officers, directors, shareholders, managers, members or other representatives; (ii) Developer or Individual can demonstrate was rightfully in its possession, without obligation of nondisclosure, prior to disclosure pursuant to this Agreement; (iii) is independently developed without the use of any Confidential Information; or (iv) is rightfully obtained from a third party who has the right, without obligation of nondisclosure, to transfer or disclose such information.

(d) Any information expressly designated by Franchisor or Developer as “Trade Secrets” or “Confidential Information” shall be deemed such for all purposes of this Agreement, but the absence of designation shall not relieve Individual of his or her obligations under this Agreement in respect of information otherwise constituting Trade Secrets or Confidential Information. Individual understands Franchisor’s and/or Developer’s provision of access to the Trade Secrets and other Confidential Information creates a relationship of confidence and trust between Individual, Franchisor and Developer with respect to the Trade Secrets and other Confidential Information.

2. Confidentiality/Non-Disclosure.

(a) Individual shall not communicate or divulge to (or use for the benefit of) any other Person, with the sole exception of Developer or other employees, agents or representatives of Developer who are on a strict need-to-know basis with respect to such Confidential Information in connection with the development and operation of Developer’s European Wax Center franchises, and who are bound by duties of confidentiality no less stringent than those set forth in this Agreement, now or at any time in the future, any Trade Secrets or other Confidential Information. At all times from the date of this Agreement, Individual must take all steps reasonably necessary and/or requested by Developer or Franchisor to ensure that the Confidential Information and the Trade Secrets are kept confidential pursuant to the terms of this Agreement. Individual must comply with all applicable policies, procedures and practices that Franchisor and/or Developer have established and may establish from time to time regarding the Confidential Information and the Trade Secrets.

(b) Individual may not in any manner or at any time, either directly or indirectly use any part of the Confidential Information or the Trade Secrets except in connection with the development and operation of Developer’s European Wax Center franchises, and in no case in any manner detrimental to Developer, Franchisor, or their respective affiliates.

(c) Individual's obligations under Section 2(a) of this Agreement shall continue in effect after termination of Individual's relationship with Developer, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary, and Developer and Franchisor are each entitled to communicate Individual's obligations under this Agreement to any future customer or employer to the extent deemed necessary by Franchisor and/or Developer for protection of its rights under this Agreement and regardless of whether Individual or any of its affiliates or assigns becomes an investor, partner, joint venturer, broker, distributor or the like in the European Wax Center franchise System.

(d) Upon termination of Individual's relationship with Developer, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary, or at any other time when requested by Franchisor, Developer and/or their respective affiliates, Individual shall immediately deliver to Developer (or Franchisor and/or its affiliates, as appropriate and as directed), all Confidential Information and other property in Individual's possession, or under Individual's care and control, belonging to Developer and/or Franchisor and/or their respective affiliates. The provisions of this Section 2(d) shall survive any such termination of Individual's relationship with Developer.

(e) Notwithstanding any term or condition in this Agreement to the contrary, Individual may disclose Confidential Information under certain limited circumstances as follows: (i) as may be required by law or court process; provided, that Individual provides Developer and Franchisor reasonable prior notice to allow Developer and/or Franchisor sufficient time to obtain a protective order to prevent disclosure of such Confidential Information, or take other appropriate action; (ii) in confidence to a federal, state, or local government official, either directly or indirectly, or to Individual's legal counsel solely for the limited purpose of reporting or investigating a suspected violation of law; (iii) in confidence as part of a complaint or other legal document filed in a lawsuit or other proceeding; provided, that such filing is made under protective seal; and (iv) if Individual files a lawsuit for retaliation by Developer or Franchisor for reporting a suspected violation of law, Individual may disclose, in confidence, relevant Trade Secret information to Individual's legal counsel representing Individual in such lawsuit, and use such Trade Secret information in the court proceedings; provided, that (x) Individual either directly or through its legal counsel, files any document containing any such Trade Secret under protective seal; and (y) Individual does not disclose the Trade Secret information, except pursuant to court order or with Developer's or Franchisor's prior written consent, which such consent may be withheld in Developer's and Franchisor's sole discretion. This Agreement is not intended in any way to restrict or impede Individual from exercising protected rights to the extent such rights cannot be waived by this Agreement. Developer and Franchisor each reserve the right to pursue all remedies available under federal, state, or local law for any disclosure of Confidential Information (including Trade Secret information) by Individual which does not comply with this Section 2.

3. Non-Competition.

(a) Individual acknowledges that Developer and Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among European Wax Center franchisees and developers if Individual and members of Individual's immediate family and household were permitted to hold an interest in or perform services for any Competitive Business. Therefore, during the term of the Development Agreement, neither Individual nor any member of Individual's immediate family and household, may, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any Person:

(i) divert or attempt to divert any business or customer of a European Wax Center to any Competitive Business, by direct or indirect inducement or otherwise;

(ii) do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

(iii) carry on, be engaged in, or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere in the United States; or

(iv) solicit or otherwise attempt to induce or influence any employee, customer or other business associate of Franchisor or any European Wax Center, or other any franchisee or developer of the

System, to compete against, or terminate or modify his, her or its employment or business relationship with, Franchisor, any such franchisee or developer or any other European Wax Center; provided, however, that, the foregoing shall not restrict Individual from hiring any employee or other business associate of Franchisor or any other European Wax Center franchisee or developer to work for Developer in connection with the System that responds to general public solicitations made in the ordinary course of business.

In addition to the in-term non-competition restrictive covenants set forth above in this Section 3(a), for a period of two (2) years after the expiration or termination of the Development Agreement, regardless of the cause of expiration or termination, neither Individual nor any member of Individual's immediate family and household), may, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any Person:

(i) divert or attempt to divert any business or customer of a European Wax Center to any Competitive Business, by direct or indirect inducement or otherwise;

(ii) do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

(iii) carry on, be engaged in, or take part in, render services to, or own or share in the earnings of any Competitive Business within fifty (50) miles of any other European Wax Center operating under the System and the Marks at the time of such expiration or termination; or

(iv) solicit or otherwise attempt to induce or influence any employee, customer, or other business associate of Franchisor, any European Wax Center, or any other franchisee or developer of the System, to compete against, or terminate or modify his, her, or its employment or business relationship with Franchisor, any such franchisee or developer, or any other European Wax Center location.

Any assignment or other transfer of the Franchise Agreement, or of Individual's complete interest in, or affiliation with, Developer (in each and every capacity, including as owner, employee, consultant or otherwise), shall be deemed, for purposes of Individual's obligations under this Section only, as the expiration or termination of the Development Agreement.

(b) If Individual operates any other business, Individual shall not use or display any of the Marks, or any confusingly similar trademark, in any manner whatsoever in connection with such other business and/or the promotion thereof. Individual shall not utilize in such other business any designation of origin, description or representation that falsely suggests or represents an association or connection with Franchisor. This Section 3(b) is not intended as an approval of Individual's right to operate other businesses and in no way is it intended to contradict those Sections of this Agreement or the Franchise Agreement that prohibit such practice.

4. Reasonableness of Restrictions.

Individual acknowledges that each of the terms set forth in this Agreement, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Developer, Franchisor, and the Trade Secrets and other Confidential Information, the System and the Marks, and Individual waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Individual shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. Developer may, upon the direction from Franchisor at any time, reduce the scope, restricted activities and/or duration of any of the restrictive covenants effective immediately upon notice to Individual. It is the desire and intent of both Developer and Individual that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought.

5. Non-Disparagement.

Individual agrees and covenants that Individual will not, at any time, either directly or indirectly, and shall cause Individual's affiliates and members of its family not to, make, publish or communicate to any person or entity or in any public forum (including through social media) any defamatory or disparaging remarks, comments, or statements concerning Franchisor, its Affiliates, other franchisees or developers, or any of their respective employees, agents, or representatives, or the System or its Marks, other than as part of the judicial, arbitration, or other dispute resolution process in connection with any litigation, mediation, arbitration, administrative, or other judicial proceeding arising under any claim brought in connection with this Agreement or the Development Agreement, or other than when compelled to testify under oath by subpoena, regulation, or court order.

6. Relief for Breaches of Confidentiality, Non-Solicitation, Non-Disparagement and Non-Competition.

Individual further acknowledges that an actual or threatened violation of the covenants contained in this Agreement will cause Developer and Franchisor immediate and irreparable harm, damage, and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Developer and Franchisor shall be entitled, as a matter of right, to seek an injunction from any court of competent jurisdiction restraining any further violation by Individual of this Agreement without any requirement to show any actual damage, irreparable harm, or establish a balance of convenience or to post any bond or other security. Such right to seek an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Developer and Franchisor may have at law or in equity.

7. Miscellaneous.

(a) If any legal proceedings are brought for the enforcement of this Agreement, in addition to any other relief to which the successful or prevailing party may be entitled, the successful or prevailing party shall be entitled to recover all of its legal and professional fees, investigative fees, and administrative fees billed by such party's attorneys and other professionals, as well as their court costs and all expenses, including, without limitation, all fees, taxes, costs and expenses incident to arbitration, appellate, and post-judgment proceedings incurred by the successful or prevailing party in that action or proceeding.

(b) This Agreement shall be effective as of the date this Agreement is executed, and shall be binding upon the successors and assigns of Individual and shall inure to the benefit of Developer, its subsidiaries, successors, and assigns.

(c) The failure of either party to insist in any one (1) or more instances upon performance of any terms and conditions of this Agreement shall not be construed a waiver of future performance of any such term, covenant or condition of this Agreement and the obligations of either party with respect thereto shall continue in full force and effect.

(d) The headings in this Agreement are included solely for convenience and shall not affect, or be used in connection with, the interpretation of this Agreement.

(e) In the event that any part of this Agreement shall be held to be unenforceable or invalid, the remaining parts of this Agreement shall nevertheless continue to be valid and enforceable as though the invalid portions were not a part of this Agreement.

(f) The existence of any claim or cause of action Individual might have against Developer or Franchisor will not constitute a defense to the enforcement by Developer or Franchisor of this Agreement.

(g) Except as otherwise expressly provided in this Agreement, no remedy conferred upon Developer or Franchisor pursuant to this Agreement is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given pursuant to this Agreement

or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy pursuant to this Agreement shall preclude any other or further exercise thereof.

(h) Individual and Developer each acknowledge that Individual's compliance with the terms of this Agreement is also critical to Franchisor. Accordingly, Individual and Developer each agree and acknowledge that even though Franchisor is not a party to this Agreement and does not have any obligations under this Agreement, Franchisor shall be a third-party beneficiary of Individual's agreements and covenants under this Agreement and Franchisor shall be entitled to all rights and remedies conferred upon Developer and Franchisor under this Agreement. Accordingly, Individual and Developer each agree that Franchisor may enforce such rights and promises in its own right (without being required to obtain consent from Developer or add Developer as a party to any proceedings for such enforcement).

(i) This Agreement may be executed in one (1) or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one (1) and the same instrument. Delivery of an executed signature page by facsimile, e-mail in portable document format (.pdf) or by any other electronic means intended to preserve the original pictorial appearance of a document will have the same effect as delivery of an executed original of this Agreement.

(j) This Agreement shall be governed by, and construed and enforced in accordance with, the internal laws of Texas, without regard to principles of conflicts of laws. Developer and Individual each hereby irrevocably consent and submit to the non-exclusive jurisdiction of the Courts of Collin County, Texas, and waives any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement, in each case whether arising in contract, tort, equity or otherwise, and agrees that any dispute arising out of this Agreement shall be heard only in the courts described above.

(k) Individual may not assign or delegate his or her duties or obligations under this Agreement.

(l) This Agreement constitutes the entire agreement between Individual on the one hand, and Developer and/or Franchisor on the other, with respect to the subject matter of this Agreement. This Agreement supersedes any prior agreements, negotiations and discussions between Individual, Developer and/or Franchisor with respect to the subject matter of this Agreement. This Agreement cannot be altered or amended except by an agreement in writing signed by Individual, Developer and Franchisor.

INDIVIDUAL CERTIFIES THAT HE OR SHE HAS READ THIS AGREEMENT CAREFULLY, AND UNDERSTANDS AND ACCEPTS THE OBLIGATIONS THAT IT IMPOSES WITHOUT RESERVATION. NO PROMISES OR REPRESENTATIONS HAVE BEEN MADE TO INDIVIDUAL TO INDUCE THE SIGNING OF THIS AGREEMENT.

NO WAIVER OF DISCLAIMER OF RELIANCE IN CERTAIN STATES

The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

FOR THE STATE OF CALIFORNIA

In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§31000-3516 and the California Franchise Relations Act, Cal. Bus. And Prof. Code §§20000-20043, the Multi-Unit Development Agreement for EWC Franchisor LLC (the "Development Agreement") is amended as follows:

The California Franchise Relations Act provides rights to Developer concerning termination or non-renewal of the Development Agreement that may supersede provisions in the Development Agreement, specifically Sections 4.2 and 8.2.

Section 8.2.1.8, which terminates the Development Agreement upon the bankruptcy of the Developer, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

Section 7.2 contains a covenant not to compete that extends beyond the expiration or termination of the Agreement; this covenant may not be enforceable under California Law.

The Development Agreement requires litigation to be conducted in a court located outside of the State of California. This provision might not be enforceable for any cause of action arising under California law.

The Development Agreement requires application of the laws of a state other than California. This provision might not be enforceable under California law.

Section 15.7 requires binding arbitration. The arbitration will occur at the forum indicated in Section 15.7 with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Development Agreement restricting venue to a forum outside of the State of California.

FOR THE STATE OF HAWAII

In recognition of the requirements of the Hawaii Franchise Investment Law, Hawaii Revised Statutes, Title 26, Chapter 482E et seq., the Multi-Unit Development Agreement for EWC Franchisor LLC (the "Development Agreement") is amended as follows:

The Hawaii Franchise Investment Law provides rights to Developer concerning non-renewal, termination and transfer of the Development Agreement. If the Agreement, and more specifically Sections 4.2, 8.2 and 10, contains a provision that is inconsistent with the Hawaii Franchise Investment Law, the Hawaii Franchise Investment Law shall control.

Sections 4.2.4, 10.2.3, 10.2.6 and 10.3.1.3 require Developer to sign a general release as a condition of renewal or transfer of the franchise; such release shall exclude claims arising under the Hawaii Franchise Investment Law.

Section 8.2.1.8, which terminates the Development Agreement upon the bankruptcy of the Developer, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

FOR THE STATE OF ILLINOIS

In recognition of the requirements of the Illinois Franchise Disclosure Act, 815 ILCS 705, the Multi-Unit Development Agreement for EWC Franchisor LLC (the "Development Agreement") is amended as follows:

Sections 4.2.4, 10.2.3, 10.2.6 and 10.3.1.3 are amended to add:

No general release shall be required as a condition of renewal or transfer that is intended to require Developer to waive compliance with the Illinois Franchise Disclosure Act, 815 ILCS 705.

Sections 8, 9 and 15 are amended to add:

The conditions under which the Development Agreement can be terminated and Developer's rights upon termination or non-renewal, as well as the application by which Developer must bring any claims, may be governed by the Illinois Franchise Disclosure Act, 815 ILCS 705/19 and 705/20.

Sections 15.1 and 15.2 are amended to add:

The Development Agreement shall be governed by Illinois Law. Jurisdiction and venue for court litigations shall be in Illinois. Any provision in the Development Agreement that designates jurisdiction or venue in a forum outside the State is void; provided, that a Development Agreement may provide for arbitration in a forum outside of Illinois.

Section 15.4 is amended to add:

No action for liability under the Illinois Franchise Disclosure Act shall be maintained unless brought before the expiration of three (3) years after the act or transaction constituting the violation upon which it is based, the expiration of one (1) year after Developer becomes aware of facts or circumstances reasonably indicating that he may have a claim for relief in respect to conduct governed by the Act, or ninety (90) days after delivery to Developer of a written notice disclosing the violation, whichever shall first expire.

Section 15.6 is deleted in its entirety.

Any condition, stipulation, or provision purporting to bind any person acquiring any Franchise to waive compliance with any provision of this Act or any other law of this State is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding a potential or actual lawsuit filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

FOR THE STATE OF INDIANA

In recognition of the requirements of the Indiana Deceptive Franchise Practices Law, IC 23-2-2.7 and the Indiana Franchise Disclosure Law, IC 23-2-2-2.5, the Multi-Unit Development Agreement for EWC Franchisor LLC (the "Development Agreement") is amended as follows:

Sections 4.2.4, 10.2.3, 10.2.6 and 10.3.1.3 do not provide for a prospective general release of claims against Franchisor that may be subject to the Indiana Deceptive Franchise Practices Law or the Indiana Franchise Disclosure Law.

Section 7.2 is amended subject to Indiana Code 23-2-2.7-1(9) to provide that post-term non-competitor covenants shall have a geographical limitation of the territory granted to Developer.

Section 13.3 is amended to provide that Developer shall not be required to indemnify Franchisor for any liability imposed upon Franchisor as a result of Developer's reliance upon or use of procedures or products that were required by Franchisor, if such procedures or products were utilized by Developer in the manner required by Franchisor.

Section 15.1 is amended to provide that in the event of a conflict of law, the Indiana Franchise Disclosure Law, IC 23-2-2.5, and the Indiana Deceptive Franchise Practices Law will prevail.

Section 8.2.1.8, which terminates the Development Agreement upon the bankruptcy of the Developer, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

Section 15.1 requires that the franchise be governed by the laws of the State of Texas; however, in the event of a conflict of laws to the extent required by the Maryland Franchise Registration and Disclosure Law, the laws of the State of Maryland shall prevail.

Sections 15.2 and 15.7 require litigation or arbitration to be conducted in the State of Texas; the requirement shall not limit any rights Developer may have under the Maryland Franchise Registration and Disclosure Law to bring suit in the State of Maryland.

Any Section of the Development Agreement or any questionnaire requiring Developer to assent to any release, estoppel or waiver of liability as a condition of purchasing the Franchise are not intended to, nor shall they act as a, release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

Section 15.4 is amended to the extent that any claims arising under the Maryland Franchise Registration and Disclosure Law may be brought within three (3) years after the grant of the franchise.

Any portion of the Development Agreement which requires prospective franchisees to disclaim the occurrence and/or acknowledge the non-occurrence of acts would constitute a violation of the Maryland Franchise Registration and Disclosure Law. In recognition of the Minnesota Franchise Law, Minn. Stat., Chapter 80C, Sections 80C.01 through 80C.22, and the Rules and Regulations promulgated pursuant thereto by the Minnesota Commission of Securities, Minnesota Rule 2860.4400, et. seq., the parties to the attached Multi-Unit Development Agreement (the “Development Agreement”) agree as follows:

Sections 4, 8 and 10 are amended to add that with respect to franchises governed by Minnesota Law, Franchisor shall comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which requires, (except in certain specified cases) (1) that Developer be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice of non-renewal of the Agreement; and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

Sections 4.2.4, 10.2.3, 10.2.6 and 10.3.1.3 do not provide for a prospective general release of any claims against Franchisor which may be subject to the Minnesota Franchise Law. Minn. Rule 2860.4400D prohibits a franchisor from requiring a franchisee to assent to a general release.

Section 6 is amended to add that as required by Minnesota Franchise Act, Franchisor shall reimburse Developer for any costs incurred by Developer in the defense of Developer’s right to use the Marks, so long as Developer was using the Marks in the manner authorized by Franchisor, and so long as Franchisor is timely notified of the claim and is given the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim. Franchisor will reasonably protect Developer’s rights to use the Marks.

Section 14.2 is amended to provide that Franchisor is entitled only to seek an injunction or other equitable relief. Section 14.2 is further amended to add that a court will determine if a bond is required.

Section 15.4 of the Development Agreement shall be amended to provide that no action may be commenced pursuant to the Development Agreement more than three (3) years after the cause of action accrues in accordance with Minnesota Statutes, Section 80C.17, Subd. 5.

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit Franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring Developer to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document or Development Agreement can abrogate or reduce (1) any of Developer’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) Developer’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

FOR THE STATE OF NORTH DAKOTA

The North Dakota Securities Commission requires that certain provisions contained in the Agreement be amended to be consistent with North Dakota Law, including the North Dakota Franchise Investment Law, North Dakota Century Code Addendum, Chapter 51-19, Sections 51-19-01 et seq. Such provisions in the Agreement are hereby amended as follows:

Under Sections 4.2.4, 10.2.3, 10.2.6 and 10.3.1.3, the execution of a general release upon renewal or transfer shall be inapplicable to franchises operating under the North Dakota Franchise Investment Law to the extent that such a release excludes claims arising under the North Dakota Franchise Investment Law.

Section 7 is amended to add that the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorneys’ fees.

Sections 9.1.4 and 9.1.5 are amended to state:

Section 15.2 is amended to add that any action may be brought in the appropriate state or federal court in North Dakota.

Section 15.4 is amended to state that the statute of limitations under North Dakota Law shall apply.

Sections 15.5 and 15.6 are deleted in their entireties.

FOR THE STATE OF RHODE ISLAND

In recognition of the requirements of The Rhode Island Franchise Investment Act §19-28.1-14, the Multi-Unit Development Agreement for EWC Franchisor LLC (the “Development Agreement”) is amended as follows:

Sections 4.2.4, 10.2.3, 10.2.6 and 10.3.1.3 require Developer to sign a general release as a condition of renewal or transfer; such release shall exclude claims arising under The Rhode Island Franchise Investment Act.

Sections 15.1, 15.2 and 15.7 are amended to state that restricting jurisdiction or venue to a forum outside the state of Rhode Island or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under The Rhode Island Franchise Investment Act.

FOR THE COMMONWEALTH OF VIRGINIA

Section 8.2.1.8 of the Multi-Unit Development Agreement (the “Development Agreement”) which terminates the Development Agreement upon the bankruptcy of the Developer may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

Section 8.2.1.12 of the Development Agreement will not be applicable to the Development Agreement signed by the Virginia franchisee entering into the attached agreement.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Development Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Development Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

FOR THE STATE OF WASHINGTON

In recognition of the requirements of the Washington Franchise Investment Protection Act, Washington Rev. Code §§19.100.010 – 19.100.940, the Multi-Unit Development Agreement for EWC Franchisor LLC (the “Development Agreement”) is amended as follows:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Development Agreement in your relationship with the Franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Development Agreement in your relationship with the Franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Development Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the Franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Development Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

The second paragraph of Section 7.2.4 of the Development Agreement is hereby deleted and replaced in its entirety with the following:

Following the expiration or termination of this Agreement, the geographic scope of the restriction set forth in this Section 7.2 shall be limited to the Development Territory and within twenty-five (25) miles of any other company-owned location, or Franchised Center existing at the time of such expiration or termination.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Development Agreement or elsewhere are void and unenforceable in Washington.

Section 13.2 of the Development Agreement is hereby deleted in its entirety.

Section 13.3 of the Development Agreement is hereby amended by the addition of the following:

Developer’s indemnification obligation does not extend to liabilities caused by Franchisor’s acts or omissions amounting to gross negligence, willful misconduct, strict liability or fraud.

EUROPEAN WAX CENTER, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Amounts in thousands, except share/unit and per share/unit amounts)

1. Nature of business and organization

European Wax Center, Inc. was formed as a Delaware corporation on April 1, 2021. European Wax Center, Inc. and subsidiaries (“the Company”) was formed for the purpose of completing a public offering and related transactions in order to carry on the business of EWC Ventures, LLC (“EWC Ventures”) and its subsidiaries. Through its subsidiaries, the Company is engaged in selling franchises of European Wax Center, distributing facial and body waxing products to franchisees which are used to perform waxing services and providing branded facial and body waxing products directly to consumers at various locations throughout the United States.

The Company operates on a fiscal calendar which, in a given year, consists of a 52 or 53 week period ending on the Saturday closest to December 31st. The fiscal year ended December 31, 2022 (“fiscal year 2022”) consisted of 53 weeks and the fiscal years ended December 25, 2021 (“fiscal year 2021”) and December 26, 2020 (“fiscal year 2020”) consisted of 52 weeks.

Reorganization Transactions

On August 4, 2021, we completed an internal reorganization which is referred to as the (“Reorganization Transactions”). The Reorganization Transactions are more fully described in our prospectus dated August 4, 2021 (referred to herein as the “Prospectus”), filed with the Securities and Exchange Commission (the “SEC”) on August 6, 2021 pursuant to Rule 424(b)(4) of the Securities Act of 1933, as amended. The following actions were taken as a result of the Reorganization Transactions:

- EWC Ventures made a distribution of \$6,512 to its members for the purpose of funding their tax obligations for periods prior to closing of our initial public offering of the Company's Class A common stock (the "IPO"). \$5,823 of the distribution was paid in cash and \$689 was made through settlement of receivables due from related parties.
- The Company was appointed as the sole managing member of EWC Ventures.
- EWC Ventures' limited liability company agreement was amended and restated to provide that, among other things, all of the its outstanding equity interests consisting of its Class A Units, Class B Unit, Class C Units and Class D Units were reclassified into EWC Ventures non-voting common units (“EWC Ventures Units”).
- The Company’s certificate of incorporation was amended and restated under which the Company is authorized to issue up to 600,000,000 shares of Class A common stock, par value \$0.00001 per share (“Class A common stock”), 60,000,000 shares of Class B common stock, par value \$0.00001 per share (“Class B common stock”) and 100,000,000 shares of preferred stock, par value \$0.00001 per share. The Class A common stock and Class B common stock each provide holders with one vote on all matters submitted to a vote of stockholders. The holders of Class B common stock do not have any of the economic rights provided to holders of Class A common stock.
- The Company consummated the mergers of subsidiaries with and into affiliates of General Atlantic (the “Blocker Companies”) and the surviving entities then merged with and into us.
- As a result of the mergers, the Company acquired existing equity interests in the Company from the owners of the Blocker Companies in exchange for 21,540,982 shares of the Company's Class A common stock and the rights to receive payments under a tax receivable agreement (the “TRA”), which is described below.
- The continuing members of EWC Ventures (the “EWC Ventures Post-IPO Members”) subscribed for and purchased 36,740,956 shares of our Class B common stock at a purchase price of \$0.00001 per share. The amount of Class B common stock purchased was equal to the number of EWC Ventures Units held by the EWC Ventures Post-IPO Members. Subject to certain restrictions EWC Ventures Post-IPO Members have the right to exchange their EWC Ventures Units, together with a corresponding number of shares of our Class B common stock for, at our option, (i) shares of the Company's Class A common stock on a one-for-one basis (the “Share Exchange”) or (ii) cash (based on the market price of the Company's Class A common stock) (the “Cash Exchange”).
- We entered into the TRA with the EWC Ventures' pre-IPO members. See "Summary of Significant Accounting Policies" below and Note 19 -Income Taxes for more information on the TRA.

Initial Public Offering and Debt Refinancing

On August 4, 2021, the Company's registration statement on Form S-1 was declared effective by the SEC related to the IPO of its Class A common stock. In connection with the closing of the IPO on August 9, 2021, the following actions were taken:

- The Company issued and sold 9,829,204 shares of its Class A common stock at a price of \$17.00 per share for net proceeds of \$155,400 after deducting underwriting discounts and commissions and prior to paying any offering expenses. In addition,

- certain of the Company's stockholders (the "selling stockholders") sold an additional 2,360,796 shares of the Company's Class A common stock. The Company received no proceeds from the sale of shares by the selling stockholders. The shares sold by the Company and the selling stockholders were inclusive of 1,590,000 shares of the Company's Class A common stock sold pursuant to the underwriters' option to purchase additional shares of the Company's Class A common stock.
- We entered into a new credit agreement consisting of a \$180,000 term loan ("2026 Term Loan") and a \$40,000 revolving credit facility ("2026 Revolving Credit Facility") (together, the "2026 Credit Agreement"). See Note 9- Long-Term Debt for more information.
 - The Company used the proceeds from its IPO to:
 - Contribute \$104,935 to EWC Ventures in exchange for 6,637,258 EWC Venture Units. EWC Ventures used these funds, together with proceeds from the 2026 Term Loan and cash on hand to:
 - Purchase 1,176,468 EWC Ventures Units and corresponding shares of Class B common stock for \$20,000 from certain EWC Ventures Post-IPO Members and employees in satisfaction of the Class C deferred payment obligations (as described in the Prospectus)
 - Repay all \$268,732 of the outstanding term and revolving loans under our previous credit facility

 - Purchase 3,191,946 EWC Ventures Units and corresponding shares of Class B common stock for \$50,465 from certain EWC Ventures Post-IPO Members

Immediately following the Reorganization Transactions and the closing of the IPO, EWC Ventures is the predecessor of the Company for financial reporting purposes. We are a holding company, and our sole material asset is our equity interest in the EWC Ventures. As the sole managing member of EWC Ventures, the Company operates and controls all of the businesses and affairs of EWC Ventures and has a substantial financial interest in EWC Ventures. As such, we consolidate EWC Ventures on our consolidated financial statements and record a noncontrolling interest on our Consolidated Balance Sheets and Consolidated Statements of Operations and Consolidated Statements of Comprehensive Income (Loss) to reflect the entitlement of the EWC Ventures Post-IPO Members to a portion of EWC Ventures' net income (loss). The Reorganization Transactions were accounted for as a reorganization of entities under common control and the Company recognized the assets and liabilities received in the reorganization at their historical carrying amounts as reflected in the historical consolidated financial statements of EWC Ventures.

2. Summary of significant accounting policies

(a) Basis of presentation and consolidation

The accompanying consolidated financial statements have been presented in conformity with accounting principles generally accepted in the United States ("GAAP") and pursuant to the rules and regulations of the SEC and includes the operations of the Company and EWC Ventures and its wholly owned subsidiaries. EWC Ventures is considered a variable interest entity. The Company is the primary beneficiary of EWC Ventures. As a result, the Company consolidates EWC Ventures.

EWC Ventures has been determined to be the predecessor for accounting purposes and, accordingly, the consolidated financial statements for periods prior to the Reorganization Transactions have been adjusted to combine the previously separate entities for presentation purposes. Amounts for the period from December 29, 2019 (the beginning of fiscal year 2020) through August 4, 2021 presented in the consolidated financial statements and notes to consolidated financial statements herein represent the historical operations of EWC Ventures. The amounts as of December 31, 2022 and December 25, 2021 and periods from August 4, 2021 reflect the consolidated operations of the Company.

(b) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results. Significant areas where estimates and judgments are relied upon by management in the preparation of the financial statements include revenue recognition, inventory reserves, the expected life of franchise agreements, the useful life of reacquired rights, valuation of equity-based compensation awards, and the evaluation of the recoverability of goodwill and long-lived assets, including indefinite-lived intangible assets. Actual results could differ from those estimates.

(c) Concentrations

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash in financial institutions (in excess of federally insured limits) and accounts receivable. Concentrations of credit risk with respect to accounts receivable is limited due to the Company's large number of franchisees and their dispersion across several geographic areas.

The Company enters into franchise agreements with unrelated third parties to build and operate centers using the European Wax Center brand within defined geographical areas. The Company believes that franchising is an effective and efficient means to expand the European Wax Center brand. The franchisee is required to operate its centers in compliance with its franchise agreement that includes adherence to operating and quality control procedures established by the Company.

The Company has not provided material loans, leases or guarantees to any franchisee or any of the franchisee's employees or vendors. However, the Company may, from time to time, without obligation, provide relief for franchisees under the franchise agreement or acquire the assets of franchisees at fair value as determined under the franchise agreement if the franchise agreement terminates, subject to applicable law. The Company has minimal financial exposure for the collection of the royalty payments as royalties are generally collected weekly in arrears for the prior week's sales.

(d) Segment information

The Company operates and manages its business as one reportable and operating segment. The Company's chief operating decision maker ("CODM") is the Chief Executive Officer. The CODM reviews financial information presented on a consolidated basis for purposes of allocating resources and evaluating financial performance.

(e) Revenue recognition

Revenues are recognized in accordance with Accounting Standards Codification ("ASC") Topic 606, "Revenue From Contracts with Customers." The Company's revenues are comprised of product sales, royalty fees, marketing fees, and other revenues which includes technology fees, franchise fees, and service revenues from corporate-owned European Wax Center locations.

Product sales

Product sales primarily include the sale of wax, wholesale products consumed in the application of wax services and retail merchandise to franchisees, as well as retail merchandise sold in corporate-owned centers. Revenue on product sales is recognized upon transfer of control. Generally, customers take control when the risk of loss, title and insurable risks have transferred to the customer.

Royalty fees

Royalty fees are earned based on a percentage of the franchisees' gross sales, net of retail product sales. The royalty fee is 6.0% of the franchisees' gross sales for such period and payment is remitted to the Company on a weekly basis. Franchise agreement royalties represent sales-based royalties that are related entirely to our performance obligation under the applicable franchise agreement and are recognized in the period the franchisees' sales occur.

Marketing fees

Marketing fees are primarily earned based on a percentage of the franchisees' gross sales, net of retail product sales. The marketing fee is 3.0% of the franchisees' gross sales for such period and payment is remitted to the Company on a monthly basis and recognized in the period the franchisees' sales occur. Additionally, the Company charges a fixed monthly fee to franchisees for search engine optimization and search engine marketing services which is remitted on a monthly basis and recognized in the period when services are provided.

Other revenue

Other revenue primarily consists of service revenue and franchise fees, as well as technology fees, annual brand conference revenues, and training.

Service revenue from the Company's corporate owned centers is recognized at the time services are provided. Amounts collected in advance of the period in which service is rendered are recorded as deferred service revenue on the Consolidated Balance Sheets.

Franchise fees consist of initial franchise fees due at contract inception. The Company's primary performance obligations under the franchise license are granting the use of the European Wax Center trademarks, system, training, preopening assistance, and center operating assistance in exchange for franchise fees. The rights to use the Company's intellectual property, and all other services the Company provides under the franchise agreement are highly interrelated, not distinct within the contract, and therefore accounted for under ASC 606 as a single performance obligation, which is satisfied by granting certain rights to use our intellectual property over the term of each franchise agreement.

Initial franchise fees are payable by the franchisee upon signing a new franchise agreement and are recognized as revenue on a straight-line basis commencing at contract inception through the end of the initial franchise license term. Franchise agreements generally have terms of 10 years beginning on the date the center is opened and the initial franchise fees are amortized over a period approximating the term of the agreement. These agreements also convey one extension term up to 10 years, depending on contract terms if certain conditions are met. Amounts collected in advance for franchise fees are recorded as deferred revenues on the Consolidated Balance Sheets.

Technology fees, annual brand conference revenues, and training are recognized as the related services are delivered and are not material to the overall business.

(f) Cost of revenue

Cost of revenue primarily consists of the direct costs associated with wholesale product and retail merchandise sold to franchisees, retail merchandise sold in corporate-owned centers, distribution and outbound freight costs, direct labor and materials for services provided in corporate-owned centers, and inventory obsolescence charges.

(g) Selling, general and administrative

Selling, general and administrative expenses consist of costs associated with administrative and franchisee support functions related to our existing business as well as growth and development activities. These costs primarily consist of wages, benefits and other compensation-related costs, occupancy, third-party warehousing costs, information technology, legal, accounting and other professional fees. Selling, general and administrative expenses, excluding equity-based compensation, are expensed when incurred, refer to (h) below for discussion of equity-based compensation.

(h) Equity-based Compensation

The Company recognizes compensation expense for equity awards to employees based on the estimated fair value of the equity instrument at the time of grant. For time-based awards, such expense is recognized over the requisite service period of the equity award, which is normally the vesting period. Compensation expense for performance-based awards with a market condition is recognized on a straight-line basis over the estimated service period of the award, regardless of whether the market condition is satisfied. The Company accounts for forfeitures as they occur by reversing compensation cost for unvested awards when the award is forfeited. See Note 16—Equity Based Compensation for further information.

(i) Advertising expenses

The Company expenses advertising costs as incurred. Advertising expenses include print, digital and social media advertising costs. The Company expenses the costs related to its advertising in the period the related promotional event occurs.

(j) Income Taxes

The Company accounts for income taxes in accordance with ASC 740, “Accounting for Income Taxes” (“ASC 740”), which requires the recognition of tax benefits or expenses on temporary differences between the financial reporting and tax bases of its assets and liabilities by applying the enacted tax rates in effect for the year in which the differences are expected to reverse. Such net tax effects on temporary differences are reflected on the Company’s Consolidated Balance Sheets as deferred tax assets and liabilities. Deferred tax assets are reduced by a valuation allowance when the Company believes that it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

ASC 740 prescribes a two-step approach for the recognition and measurement of tax benefits associated with the positions taken or expected to be taken in a tax return that affect amounts reported in the financial statements. The Company has reviewed and will continue to review the conclusions reached regarding uncertain tax positions, which may be subject to review and adjustment at a later date based on ongoing analyses of tax laws, regulations and interpretations thereof. To the extent that the Company’s assessment of the conclusions reached regarding uncertain tax positions changes as a result of the evaluation of new information, such change in estimate will be recorded in the period in which such determination is made. The Company reports income tax-related interest and penalties relating to uncertain tax positions, if applicable, as a component of income tax expense.

(k) Tax Receivable Agreement

We entered into the TRA with the EWC Ventures' pre-IPO members that provides for the payment by the Company to the EWC Ventures pre-IPO members of 85% of the benefits, if any, that the Company realizes, or is deemed to realize (calculated using certain assumptions), as a result of (i) increases in the our allocable share of certain existing tax basis of the tangible and intangible assets of the Company and adjustments to the tax basis of the tangible and intangible assets of the Company, in each case as a result of (a) the purchases of EWC Ventures Units (along with the corresponding shares of our Class B common stock) from certain of the EWC Ventures Post-IPO Members using a portion of the net proceeds from the initial public and secondary offerings or in any future offering or (b) Share Exchanges and Cash Exchanges by the EWC Ventures pre-IPO members (or their transferees or other assignees) in connection with or after the initial public offering, (ii) our utilization of certain tax attributes of the Blocker Companies (including the Blocker Companies' allocable share of certain existing tax basis of EWC Ventures' assets) and (iii) certain other tax benefits

related to entering into the TRA, including tax benefits attributable to payments under the TRA. We record liabilities for amounts payable under the TRA in the period in which the payment is deemed to be probable. Further, payments under the TRA are only expected to be made in periods following the filing of a tax return in which we are able to utilize tax benefits described above to reduce our cash taxes paid to a taxing authority.

(l) Noncontrolling Interests

The noncontrolling interests represent the economic interests of EWC Ventures held by members other than the Company. Income or loss is attributed to the noncontrolling interests based on their contractual distribution rights, and the relative percentages of EWC Ventures Units held by the Company and the other holders of EWC Ventures Units during the period.

(m) Net Income (Loss) Per Share

Basic net income (loss) per share is calculated by dividing the net income (loss) attributable to Class A common stockholders by the number of weighted-average shares of Class A common stock outstanding. Shares of our Class B common stock do not share in the earnings or losses of the Company and are therefore not participating securities. As such, separate presentation of basic and diluted net income (loss) per share of Class B common stock under the two-class method has not been presented.

Diluted net income (loss) per share of Class A common stock is computed by dividing net income (loss) attributable to Class A common shareholders by the weighted-average number of shares of Class A common stock outstanding adjusted to give effect to potentially dilutive securities using the more dilutive of either the treasury stock method or the if-converted method. Shares of our Class B common stock are considered potentially dilutive shares of Class A common stock as they are convertible into shares of Class A common stock when exchanged with a corresponding number of EWC Ventures Units. Diluted net income (loss) per share considers the impact of potentially dilutive securities except in periods in which there is a loss because the inclusion of the potential common shares would have an anti-dilutive effect.

(n) Cash and cash equivalents

Cash and cash equivalents are comprised of cash on hand, demand deposits with financial institutions, and short-term highly liquid investments with original maturities of 90 days or less. The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts.

(o) Restricted Cash

In accordance with the Company's securitized financing facility, which is described in Note 9—Long-term debt, certain cash accounts have been established in the name of Citibank, N.A. (the "Trustee"). The Company holds restricted cash that primarily represents cash collections held by the Trustee, which includes interest, principal, and commitment fee reserves. Restricted cash has been combined with cash and cash equivalents when reconciling the beginning and end of period balances in the Consolidated Statements of Cash Flows.

(p) Accounts receivable

Accounts receivable are recorded at net realizable value, consisting of the carrying amount less an allowance for doubtful accounts, as needed. The Company evaluates its accounts receivable on an ongoing basis and may establish an allowance for doubtful accounts based on a combination of historical experience, aging analysis and information related to specific accounts. Account balances are written off against the allowance after all means of collection have been exhausted and it is determined that further collection efforts will be unsuccessful. Recoveries of receivables previously written off are recorded as income when received. Historically, the Company has not had a significant amount of write-offs.

(q) Inventory

Inventory is substantially comprised of wax, wholesale products consumed in the application of wax services and European Wax Center branded products including in-grown hair serums, exfoliates, body washes, lotions, and creams. Inventory is recorded at the lower of cost or net realizable value using the FIFO method. Net realizable value is the estimated selling prices in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation. The Company determines inventory reserves by regularly reviewing and evaluating individual inventory items and their movement history. Inventory is reserved when deemed obsolete or unsellable. The cost of inventories also includes freight-in and U.S. Customs fees for the purchase of inventory.

(r) Property and equipment, net

Property and equipment is recorded at cost and depreciated using the straight-line method over the estimated remaining useful life of the related asset, which generally ranges from one to ten years, as shown in the table below.

Estimated useful lives for Property and equipment are as follows:

Computer and other equipment	3-5 years
Computer software	4-7 years
Furniture and fixtures	3-7 years
Leasehold improvements	Lesser of the estimated useful life or the remaining lease term.

Additions to property and equipment include betterments and purchases. When long-lived assets are sold or otherwise disposed of, the asset account and related accumulated depreciation are relieved, and any gain or loss is included in operating income. Repairs and maintenance expenses are charged to operations when incurred.

The Company invests in software solutions from third party software vendors. Typically, these software solutions may require significant configuration and/or may require customization to integrate into the Company's infrastructure. The Company includes these software purchases and direct consultant configuration fees within property and equipment, net on the Consolidated Balance Sheets. These purchases are segregated and not amortized until the software solution or significant components are ready for their intended use. Capitalized software costs are amortized on a straight-line basis over the asset's estimated useful life. Expenses related to software solutions that do not qualify for capitalization are expensed as incurred. Recurring licensing or maintenance fees are expensed as incurred.

(s) Impairment or disposal of long-lived assets

The Company reviews long-lived assets, including property and equipment and amortizable intangible assets, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset or asset group to be tested for impairment, then assets are required to be grouped and evaluated at the lowest level for which there are identifiable cash flows that are largely independent of the cash flows of other groups of assets. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset or asset group to the undiscounted future net cash flows expected to be generated by the asset or asset group. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell.

(t) Leases

The Company leases various corporate-owned centers and office space to support ongoing business operations. We account for leases in accordance with ASC Topic 842, "Leases." In accordance with ASC 842, we recognize the following for all leases, with the exception of short-term leases, on our Consolidated Balance Sheets at the commencement date: (1) a lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and (2) a right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term.

We determine if an arrangement is a lease at the inception of the arrangement. A contract is or contains a lease if it conveys the right to control the use of identified property, plant or equipment for a period of time in exchange for consideration. Lease liabilities are recognized based on the present value of lease payments over the lease term at the arrangement's commencement date. Right-of-use assets are recognized based on the amount of the measurement of the lease liability adjusted for any lease payments made to the lessor at or before the commencement date, minus any lease incentives received and any initial direct costs incurred. Renewal options are included in the calculation of our right-of-use assets and lease liabilities at commencement when it is determined that they are reasonably certain of exercise based on an analysis of the relevant facts and circumstances. As the implicit rate of our lease agreements is usually not readily determinable, we generally use our incremental borrowing rate in determining the present value of lease payments. We determine our incremental borrowing rate based on information available to us at the lease commencement date. Information we consider in the determination of our incremental borrowing rate includes factors such as our credit ratings, credit spreads, the term of the lease agreement and the impact of collateral. Certain of our lease arrangements contain lease and non-lease components. We have elected to account for non-lease components related to real estate leases as a part of the related lease components. As such, all fixed payments included in a real estate lease agreement are included in the measurement of the lease liabilities and the corresponding right-of-use assets and variable payments are presented and disclosed as variable lease cost. For all other leases we account lease and non-lease components separately. Leases with an initial term of 12 months or less are not recognized on our balance sheet. We recognize the expense for these leases on a straight-line basis over the lease term. Rent expense arising from our operating leases is included within selling, general and administrative expense in the Consolidated Statements of Operations.

(u) Goodwill and indefinite-lived intangible assets

The Company's indefinite-lived intangible assets consist of goodwill and trade names, which are not subject to amortization. The Company reviews the recoverability of goodwill and its trade names on an annual basis (October 1st of the fiscal year) and whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. Impairment indicators that may necessitate impairment testing between the Company's annual impairment tests include, but are not limited to, underperformance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the overall business, and significant negative industry or economic trends.

Goodwill is recognized for the excess of the fair value of an acquired entity over the amounts assigned to identifiable assets acquired and liabilities assumed in a business combination and is not subject to amortization. Goodwill is tested for impairment at a reporting unit level. For all periods presented, the Company concluded that we have one reporting unit, which is also our sole operating segment. The Company first performs a qualitative assessment of goodwill, a Step 0 analysis, to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying amount. When necessary, a quantitative impairment test of goodwill is performed, comparing the fair value of the reporting unit to the carrying value. If the reporting unit's carrying value exceeds its fair value, an impairment loss equal to the difference between the carrying value of the reporting unit and its fair value is recorded against goodwill. No impairment was recorded against goodwill for the fiscal years 2022, 2021 or 2020.

Indefinite-lived intangible assets, including the Company's trade names, are tested for impairment at the unit of account. The Company first performs a qualitative assessment to determine whether it is more likely than not that the fair value of the asset is less than its carrying amount. When necessary, a quantitative impairment test is performed by making a determination of the fair value of the intangible asset. If the fair value of the intangible asset is less than its carrying value, an impairment loss is recognized in an amount equal to the difference. If an indefinite-lived intangible is subsequently determined to have a finite useful life, the asset is first tested for impairment as described above and then amortized prospectively over its estimated remaining useful life in the same manner as other intangible assets that are subject to amortization. No impairment was recorded against the Company's trade names for the fiscal years 2022, 2021 or 2020.

It is possible that changes in circumstances or changes in management's judgments, assumptions and estimates could result in an impairment charge of a portion or all of its goodwill or other intangible assets.

(v) Fair value measurements

ASC 820, *Fair Value Measurements and Disclosures*, establishes a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels are defined as follows:

- (Level 1) Quoted prices in active markets for identical assets or liabilities.
- (Level 2) Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.
- (Level 3) Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes valuation techniques that involve significant unobservable inputs.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(w) Financial instruments

The carrying values of cash and cash equivalents, restricted cash, accounts receivable and accounts payable approximate fair value because of the short-term nature of these instruments. Our outstanding Class A-2 Notes, as defined in Note 9—Long-term debt, had an approximate fair value of \$356,648 as of December 31, 2022.

(x) Derivative instruments and hedging activities

The Company has, in the past, used interest rate caps to manage its exposure to variable interest rates. The Company's policy is to not use any financial instruments for trading or other speculative purposes.

Derivatives are recorded at fair value. If a derivative is designated as a cash flow hedge, the changes in fair value are recognized as a component of accumulated other comprehensive income (loss) until the underlying hedge item is recognized in earnings. Fair values of derivative contracts are classified as current or long-term, depending on the maturity date of the derivative contract, and are presented in Other current liabilities and Other long-term liabilities, as applicable, on the Consolidated Balance Sheets. The cash flows from derivatives treated as hedges are classified on the Consolidated Statements of Cash Flows in the same category as the item being hedged.

The Company has elected to use the income approach to value the derivatives, using observable Level 2 market expectations at measurement dates and standard valuation techniques to convert future amounts to a single present discounted amount reflecting current market expectations about those future amounts. Level 2 inputs for derivative valuations are limited to inputs other than those quoted prices that are observable for the asset or liability (specifically LIBOR swap rates and credit risk at commonly quoted intervals). Mid-market pricing is used as a practical expedient. Derivatives are discounted to present value at the measurement date at overnight index swap rates.

(y) Deferred financing costs

Deferred financing costs represent the cost of obtaining financing arrangements and are amortized over the term of the related debt agreement using the straight-line method for revolving debt arrangements and the effective interest method for term debt arrangements. Deferred financing costs related to revolving debt arrangements are recorded as a component of other non-current assets on the Consolidated Balance Sheets. Deferred financing costs related to term debt arrangement are reflected as a direct reduction of the related debt liability on the Consolidated Balance Sheets. Amortization of deferred financing costs are included in interest expense on the Consolidated Statements of Operations.

(z) Accumulated other comprehensive income (loss)

Accumulated other comprehensive income (loss) is defined as the change in equity of a business enterprise during a period from transactions and other events and circumstances from non-owner sources. Accumulated other comprehensive income (loss) was entirely comprised of the cumulative change in the fair value of our cash flow hedge. In connection with the termination of our interest rate cap, the entire remaining balance of accumulated other comprehensive income (loss) was reclassified to earnings in fiscal year 2022. See Note 10— Derivative Instruments and Hedging for more information. There were no reclassifications of other comprehensive income (loss) to earnings during fiscal years 2021 and 2020.

(aa) Class A Founders' Units and Class D Units subject to possible redemption

Prior to the Reorganization Transactions described in Note 1, the Company previously classified the Class A Founders' Units and Class D Units as temporary equity in the mezzanine section of the Consolidated Balance Sheets due to the contingently redeemable nature of the Class A Founders' Units and Class D Units. The Company believed that the related contingent events and the redemption of the Class A Founders' Units is probable, and therefore the Class A Founders' Units were measured at fair value. The Company's accounting policy was to record the shares at the current redemption value (i.e. fair value) versus accreting over time to the redemption value. The Class A Founders' Units and Class D Units are no longer outstanding as they were converted to EWC Ventures Units concurrent with the Reorganization Transactions.

(bb) Implications of being an Emerging Growth Company

The Company is an emerging growth company as defined in the Jumpstart Our Business Startups Act of 2012 ("JOBS Act") and may take advantage of reduced reporting requirements that are otherwise applicable to public companies. Section 107 of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies are required to comply with those standards. The Company has elected to use the extended transition period for complying with new or revised accounting standards. We also intend to take advantage of some of the reduced regulatory and reporting requirements of emerging growth companies pursuant to the JOBS Act so long as we qualify as an emerging growth company, including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation, and exemptions from the requirements of holding non-binding advisory votes on executive compensation and golden parachute payments.

(cc) Recently adopted accounting pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases* and established ASC Topic 842, *Leases* ("ASC 842"), which supersedes ASC Topic 840, *Leases*. ASC 842 requires a lessee to recognize a lease right-of-use ("ROU") asset and a corresponding lease liability on its balance sheet along with additional qualitative and quantitative disclosures.

We adopted this guidance on December 26, 2021 (the beginning of fiscal year 2022) by applying the provisions of this guidance on a modified retrospective basis as of the effective date. As such, comparative periods have not been restated and the disclosures required under the new standard have not been provided for periods prior to December 26, 2021. However, we have provided the applicable disclosures required under ASC 840 for the prior year comparative period. We elected the package of practical expedients whereby we were not required to: i) reassess whether any expired or existing contracts are or contain leases, ii) reassess the lease classification of existing leases and iii) reassess initial direct costs for any existing leases. We did not elect the hindsight practical expedient or the practical expedient related to land easements. We have assessed and updated our business processes, systems and controls to ensure compliance with the recognition and disclosure requirements of the new standard.

Adoption of the new standard resulted in the recording of right-of-use assets and lease liabilities of \$6,799 and \$7,630, respectively, as of December 26, 2021 to recognize operating leases which were not recognized on our Consolidated Balance Sheets under previous

guidance. The adoption of this guidance did not have a material impact on our Consolidated Statements of Operations or on our Consolidated Statements of Cash Flows as our leases retained their classifications as determined under previous guidance.

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform: Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. The amendments in this update, as well as subsequently issued amendments, provide temporary, optional guidance to ease the burden in accounting for reference rate reform. The amendments provide optional expedients and exceptions for applying GAAP to transactions affected by reference rate reform if certain criteria are met. The amendments primarily include relief related to contract modifications and hedging relationships. The relief provided by this ASU does not apply to contract modifications made and hedging relationships entered into or evaluated after December 31, 2024. However, hedging relationships that apply certain optional expedients prior to December 31, 2024, will be retained through the end of the hedging relationship, including for periods after December 31, 2024. We do not expect that this guidance will have any impact on our financial statements.

(dd) Recently issued accounting pronouncements not yet adopted

In June 2017, the FASB issued ASU 2016-13, *Financial Instruments (Topic 326)—Measurement of Credit Losses on Financial Instruments*, which requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. The standard replaces the existing incurred loss impairment model with an expected loss methodology, which will result in more timely recognition of credit losses. ASU 2016-13, and related amendments, are effective for fiscal years beginning after December 15, 2022. We adopted this guidance on January 1, 2023 (the beginning of fiscal year 2023). The adoption of this guidance did not have a significant impact on our financial statements.

3. Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

We use valuation techniques that are consistent with the market approach, the income approach and/or the cost approach. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets and liabilities. The income approach uses valuation techniques to convert future amounts, such as cash flows or earnings, to their present value on a discounted basis. The cost approach is based on the amount that currently would be required to replace the service capacity of an asset (replacement costs). Valuation techniques should be consistently applied. Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources, or unobservable, meaning those that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. These two types of inputs create a three-tier fair value hierarchy that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. Refer to Fair Value discussion within the Significant Accounting Policies section of Note 2 for the three levels of the valuation hierarchy.

The Company previously used an interest rate cap to manage its interest rate exposure. However, the Company terminated its interest rate cap in March 2022. These interest rate caps were recorded at fair value. Changes in fair value of our interest rate caps were previously recognized as a component of accumulated other comprehensive income (loss) on the Consolidated Balance Sheets. However, upon termination of the interest rate cap the balance of our accumulated other comprehensive income (loss) was reclassified to the Consolidated Statement of Operations as a component of interest expense. Refer to Note 10—Derivative instruments and hedging activity for additional discussion.

Fair value measurements are summarized below:

	Fair Market Value	Quoted prices in active markets for identical assets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Interest rate cap				
December 31, 2022	\$ —	\$ —	\$ —	\$ —
December 25, 2021	\$ (242)	\$ —	\$ (242)	\$ —

4. Prepaid expenses and other current assets

Prepaid expenses and other current assets consisted of the following:

	December 31, 2022	December 25, 2021
Prepaid inventory	\$ —	\$ 334
Prepaid insurance	1,966	2,308
Prepaid rent	192	—
Prepaid technology	1,656	1,134

Prepaid commissions	410	425
Prepaid other & other current assets	506	1,103
Total	<u>\$ 5,574</u>	<u>\$ 5,927</u>

The prepaid other & other current assets amounts are primarily composed of prepaid maintenance contracts and sales taxes.

5. Inventory

Inventory is comprised of finished goods. The allowance for obsolete inventory included in inventory on the Consolidated Balance Sheets was \$187 and \$5,055 as of December 31, 2022 and December 25, 2021, respectively.

A summary of changes in the inventory obsolescence reserve for fiscal years 2022 and 2021 is as follows:

	December 31, 2022	December 25, 2021
Balance, beginning of year	\$ 5,055	\$ 6,599
Charged to costs and expenses	(66)	317

2021 Debt Transactions

On August 9, 2021, EW Intermediate Holdco, LLC, a Delaware limited liability company (“Holdings”), EW Holdco, LLC, a Delaware limited liability company, as borrower (each indirect subsidiaries of the Company), entered into the 2026 Credit Agreement. The 2026 Credit Agreement was comprised of the 2026 Revolving Credit Facility and the 2026 Term Loan.

The proceeds from the 2026 Term Loan were used together with proceeds from our initial public offering to fully repay and terminate the previous secured term loan (the “Previous Term Loan”) and the previous secured revolving credit facility (the “Previous Revolving Credit Facility”). In connection with the repayment and termination of the Previous Term Loan and Previous Revolving Credit Facility we incurred a loss on debt extinguishment of \$6,313, which was recorded as a component of interest expense for the year ended December 31, 2021 in the accompanying Consolidated Statements of Operations. Of this loss, \$2,446 was attributable to the payment of the prepayment premium and related fees on the Previous Term Loan and \$3,867 was due to the write-off of unamortized deferred financing costs. We incurred \$1,924 in various lender and third-party fees in conjunction with this transaction. As discussed further below, in April 2022 the 2026 Term Loan was repaid and the 2026 Credit Agreement was terminated.

2022 Debt Transactions

On April 6, 2022 (the “Closing Date”), EWC Master Issuer LLC, a limited-purpose, bankruptcy remote, indirect subsidiary of the Company (the “Master Issuer”), completed a securitization transaction pursuant to which it issued \$400,000 in aggregate principal amount of Series 2022-1 5.50% Fixed Rate Senior Secured Notes, Class A-2 (the “Class A-2 Notes”). We received \$384,328 in proceeds from the issuance of the Class A-2 Notes after deducting the original issue discount of \$15,672 and prior to paying any expenses related to the issuance.

In connection with the issuance of the Class A-2 Notes, the Master Issuer also entered into (i) a revolving financing facility that allows for the issuance of up to \$40,000 in Variable Funding Notes (“Variable Funding Notes”), and certain letters of credit and (2) an advance funding facility with Bank of America, N.A. (“BoFA”), whereby BoFA and any other advance funding provider thereunder would, in certain specified circumstances, make certain debt service advances and collateral protection advances (not to exceed \$5,000 in the aggregate). The Variable Funding Notes were undrawn at closing and as of December 31, 2022.

The net proceeds from the issuance of the Class A-2 Notes were used to repay the 2026 Term Loan, fund certain reserve amounts under the securitized financing facility, pay the transaction costs associated with the securitized financing facility, and fund a one-time special dividend to stockholders (See Note 13— Stockholder's equity).

We incurred a loss on debt extinguishment of \$1,957 related to the repayment of the 2026 Term Loan which was recorded as a component of interest expense for the year ended December 31, 2022 in the accompanying Consolidated Statement of Operations. Of this loss, \$1,880 was attributable to the write-off of unamortized debt discount and debt issuance costs and the remaining \$77 was attributable to the payment of fees associated with the repayment of the 2026 Term Loan. In connection with the issuance of the Class A-2 Notes and the Variable Funding Notes we incurred \$12,419 in lender and third-party fees. Of these fees, \$10,858 and the original issue discount described above related to the Class A-2 Notes and have been recorded as a reduction of long-term debt on the accompanying Consolidated Balance Sheet. The remaining \$1,561 of fees along with \$148 of unamortized deferred financing costs related to the Variable Funding Notes have been recorded as other non-current assets on the accompanying Consolidated Balance Sheet. The debt discount and deferred financing costs attributed to Class A-2 Notes will be amortized to interest expense through March of 2027 (the "Anticipated Repayment Date") using the effective interest method. The deferred financing costs attributed to the Variable Funding Notes will be amortized to interest expense on a straight-line basis through the Anticipated Repayment Date.

The Class A-2 Notes and the Variable Funding Notes are referred to collectively as the "Notes." The Notes were issued in a securitization transaction pursuant to which substantially all of the Company's revenue-generating assets in the United States are held by the Master Issuer and certain other limited-purpose, bankruptcy remote, wholly-owned direct and indirect subsidiaries of EWC Holding Guarantor (including the Master Issuer) (collectively, the "Securitization Entities") that have pledged substantially all of their assets to secure the Notes and, with respect to the Securitization Entities other than the Master Issuer, act as guarantors of the Notes.

While the Class A-2 Notes are outstanding, payments of principal and interest are required to be made on the Class A-2 Notes on a quarterly basis. The quarterly payments of principal on the Class A-2 Notes may be suspended in the event that the leverage ratio for the Company and its subsidiaries, including the securitization entities, is, in each case, less than or equal to 5.00x.

The legal final maturity date of the Class A-2 Notes is in March of 2052, but it is anticipated that, unless earlier prepaid to the extent permitted under the Base Indenture, dated April 6, 2022 (the "Indenture"), the Class A-2 Notes will be repaid on the Anticipated Repayment Date. If the Master Issuer has not repaid or refinanced the Class A-2 Notes prior to their Anticipated Repayment Date, additional interest will accrue on the Class A-2 Notes equal to the greater of (A) 5.00% per annum and (B) a per annum interest rate equal to the excess, if any, by which the sum of (i) the yield to maturity (adjusted to a quarterly bond equivalent basis) on such anticipated repayment date of the United States Treasury Security having a term closest to ten (10) years plus (ii) 5.00%, plus (iii) 3.87%, exceeds the original interest rate. The Class A-2 Notes rank pari passu with the Variable Funding Notes.

Interest on the Variable Funding Notes will be payable at per annum rates based on term SOFR (plus a credit adjustment spread) or the lenders' commercial paper funding rate plus 212.5 basis points. There is a commitment fee on the unused portion of the Variable Funding Notes facility, equal to 50 basis points per annum. It is anticipated that the principal and interest on the Variable Funding Notes will be repaid in full on or prior to March 2025, subject to two additional one-year extensions at the option of the Company. Following the anticipated date of repayment (and any extensions thereof), additional interest will accrue on the Variable Funding Notes equal to 5.00% per annum.

The Notes are secured by a security interest in substantially all of the assets of the Securitization Entities. The assets of the Securitization Entities include substantially all of the Company's revenue-generating assets in the United States, which principally consist of franchise-related agreements, certain supply, distribution and logistics services agreements, intellectual property and license agreements for the use of intellectual property.

The Notes are subject to a series of financial and non-financial covenants and restrictions customary for transactions of this type, including (i) that the Master Issuer maintains specified reserve accounts to be used to make required payments in respect of the Notes, (ii) provisions relating to optional and mandatory prepayments and the related payment of specified amounts, including specified make-whole payments in the case of the Class A-2 Notes under certain circumstances, (iii) certain indemnification payments in the event, among other things, the transfers of the assets pledged as collateral for the Notes are in stated ways defective or ineffective and (iv) covenants relating to recordkeeping, access to information and similar matters. The Notes are also subject to customary rapid amortization events provided for in the Indenture, including events tied to failure to maintain a stated debt service coverage ratio, the sum of system-wide sales being below certain levels on certain measurement dates, certain manager termination events (including in certain cases a change of control of EWC Ventures), an event of default and the failure to repay or refinance the Notes on the applicable anticipated repayment date. The Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal or other amounts due on or with respect to the Notes, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties, failure of security interests to be effective and certain judgments.

10. Derivative instruments and hedging activities

In December 2018, the Company entered into an interest rate cap derivative instrument which was designated as a cash flow hedge. In December 2018, the Company entered into an interest rate cap derivative instrument which was designated as a cash flow hedge. The Company's objective was to mitigate the impact of interest expense fluctuations on the Company's profitability resulting from interest rate changes by capping the LIBOR component of the interest rate at 4.5% on \$175,000 of principal outstanding under its long-term debt arrangement, as the interest rate cap provided for payments from the counterparty when LIBOR rises above 4.5%. The interest rate cap was terminated in March 2022.

Changes in the fair value of the interest rate cap were recognized in other comprehensive loss and was reclassified out of accumulated other comprehensive income (loss) and into interest expense upon termination of the interest rate cap. Cash flows related to derivatives qualifying as hedges are included in the same section of the Consolidated Statements of Cash Flows as the underlying assets and liabilities being hedged. Refer to Note 3—Fair value measurements for information on the fair value of the Company's interest rate cap derivative instrument.

Our cash flow hedge position related to the interest rate cap derivative instrument is as follows:

	Balance Sheet Classification	December 31, 2022	December 25, 2021
Derivatives designated as hedging instruments:			
Interest rate cap, current portion	Other current liabilities	\$ —	\$ (182)
Interest rate cap, non-current portion	Other long-term liabilities	—	(60)
Total derivative liabilities designated as hedging instruments		\$ —	\$ (242)

The table below presents the net unrealized gain (loss) recognized in other comprehensive income (loss) ("OCI") resulting from fair value adjustments of hedging instruments:

	Net Unrealized Gain Recognized in OCI		
	Year Ended December 31, 2022	Year Ended December 25, 2021	Year Ended December 26, 2020
Derivatives designated as hedging instruments:			
Interest rate cap	\$ —	\$ 286	\$ 208
Total	\$ —	\$ 286	\$ 208

As a result of the termination of the interest rate cap, we recognized a gain of approximately \$138 as a component of interest expense on the Consolidated Statement of Operations for the year ended December 31, 2022. Of this gain, \$196 related to fair value adjustments which was partially offset by \$58 related to cash paid to terminate the interest rate cap.

11. Leases

The Company leases various corporate-owned centers and office space to support ongoing business operations under non-cancellable lease agreements with terms expiring through 2032. These lease agreements typically have a lease term ranging from one to 10 years. Many of our leases contain renewal options which are exercisable at our discretion. These renewal options allow us to extend certain leases for an additional five to 10 years. Most lease arrangements contain tenant improvement allowances, rent holidays and/or rent escalation clauses. In addition to base rent, certain leases require the Company to pay a portion of real estate taxes, utilities, building operating expenses, insurance and other charges in addition to rent. Certain of our leases are subject to variable lease payments that are determined on a basis other than an index or a rate. As such, they are excluded from the calculation of lease liabilities and right-of-use assets and are expensed as incurred. We currently have two sublease agreements in which we sublease real estate no longer used by the

Company to other entities with terms expiring through 2023. Neither of these sublease agreements provides for any renewal options and expire on the same dates as their respective head leases. Our lease agreements do not contain any material residual value guarantees or material restrictive covenants. We have no related party leases.

12. Commitments and contingencies

Purchase Commitments

As of December 31, 2022, the Company had purchase commitments of approximately \$16,221, primarily related to inventory and advertising, of which the Company expects to pay \$13,111 during fiscal year 2023.

Litigation

The Company is exposed to various asserted and unasserted potential claims encountered in the normal course of business. Although the outcomes of potential legal proceedings are inherently difficult to predict, the Company does not expect the resolution of these occasional legal proceedings to have a material effect on its financial position, results of operations, or cash flow.

13. Stockholder's equity

Under the Company's amended and restated certificate of incorporation the Company is authorized to issue up to 600,000,000 shares of Class A common stock, par value \$0.00001 per share ("Class A common stock"), 60,000,000 shares of Class B common stock, par value \$0.00001 per share ("Class B common stock") and 100,000,000 shares of preferred stock, par value \$0.00001 per share. The Class A common stock and Class B common stock each provide holders with one vote on all matters submitted to a vote of stockholders. The holders of Class B common stock do not have any of the economic rights provided to holders of Class A common stock.

Subject to certain restrictions EWC Ventures Post-IPO Members have the right to exchange their EWC Ventures Units, together with a corresponding number of shares of our Class B common stock for, at our option, (i) shares of the Company's Class A common stock on a one-for-one basis (the "Share Exchange") or (ii) cash (based on the market price of the Company's Class A common stock) (the "Cash Exchange").

Secondary Public Offerings

On November 15, 2021, we completed a secondary public offering of 2,701,601 shares of our Class A common stock to the public at a price of \$26.25 per share for net proceeds of \$67,900 after deducting underwriting discounts and commissions and prior to paying any offering expenses. In addition, certain of the Company's stockholders (the "selling stockholders") sold an additional 3,297,922 shares of the Company's Class A common stock. The Company received no proceeds from the sale of shares by the selling stockholders. The shares sold by the Company and the selling stockholders were inclusive of 782,546 shares of the Company's Class A common stock sold pursuant to the underwriters' option to purchase additional shares of the Company's Class A common stock. The proceeds from the offering were used to purchase to 2,701,601 EWC Ventures Units and corresponding shares of Class B common stock for \$67,900 from certain EWC Ventures Post-IPO Members. In connection with this offering we incurred offering expenses of \$1,300.

On May 24, 2022, we completed a secondary public offering of 5,175,000 shares of our Class A common stock at a price of \$21.50 per share. All of the shares sold in the offering were sold by certain of the Company's stockholders. As such, we did not receive any proceeds from this offering. The shares sold in the offering consisted of 2,771,772 existing shares of Class A common stock and 2,403,228 newly issued Class A shares issued in connection with the exercise of exchange rights in which 2,403,228 EWC Ventures Units and corresponding number of shares of Class B common stock were exchanged for the newly issued shares of Class A common stock.

Share Exchange Transactions

During the year ended December 25, 2021 certain EWC Ventures Post-IPO Members exercised their exchange rights and exchanged 2,850,000 EWC Ventures Units and the corresponding shares of Class B common stock for 2,850,000 newly issued shares of Class A common stock.

During the year ended December 31, 2022 certain EWC Ventures Post-IPO Members exercised their exchange rights and exchanged 8,220,250 EWC Ventures Units and the corresponding shares of Class B common stock for 8,220,250 newly issued shares of Class A common stock. These exchange transactions, together with the share exchanges completed in connection with the secondary public offerings described above, increased the Company's ownership interest in EWC Ventures.

Special Cash Dividend

On April 11, 2022, the Board of Directors of the Company declared a special cash dividend of \$122,227, or \$3.30 per share, of Class A common stock which was paid during the year ended December 31, 2022 to its Class A common stock holders. The Company also paid dividend equivalents of \$83,020, or \$3.30 per unit, to holders of EWC Ventures Units during the year ended December 31, 2022. These payments were funded through existing cash and proceeds from the Company's securitization transaction (See Note 9 for more information). In addition, as of December 31, 2022 we had \$3,757 of dividend equivalents accrued for future payment to holders of unvested EWC Ventures Units to be paid upon the vesting of the related awards. Of this amount, \$1,777 and \$1,980 were recorded in accounts payable and accrued liabilities and other long-term liabilities, respectively, on the accompanying Consolidated Balance Sheets.

Share Repurchases

On November 2, 2022, the Company's Board of Directors approved a stock repurchase program (the "Repurchase Program"), which authorized the Company to repurchase, from time to time, as market conditions warrant, up to \$40,000 of its shares of Class A common stock. The share repurchase program does not obligate the Company to repurchase any particular amount of Class A common stock, and it could be modified, suspended or discontinued at any time. The timing and amount of repurchases will be determined by the Company's management at its discretion based on a variety of factors such as the market price of its Class A common stock, corporate and legal requirements, general market and economic conditions, and compliance with the terms of agreements governing the Company's outstanding indebtedness. Purchases of the Company's Class A common stock may be made in open market transactions effected through a broker-dealer at prevailing market prices, in block trades, in privately negotiated transactions or by other means in accordance with federal securities laws. The Company may elect to implement a 10b5-1 repurchase program, which would permit shares to be repurchased when the Company might otherwise be precluded from doing so under insider trading laws. During the year ended December 31, 2022, the Company repurchased 715,640 shares of Class A common stock at an average price of \$14.09 per share for \$10,080.

14. Noncontrolling interest

In connection with the Reorganization Transactions, we became the sole managing member of EWC Ventures and, as a result of this control, and because we have a substantial financial interest in EWC Ventures, we consolidate the financial results of EWC Ventures. We report noncontrolling interests representing the economic interests in EWC Ventures held by the EWC Ventures Post-IPO Members. Income or loss is attributed to the noncontrolling interests based on their contractual distribution rights, and the relative percentages of EWC Ventures Units by us and the other holders of EWC Ventures Units during the period.

The EWC Ventures LLC Agreement permits the members of EWC Ventures to exchange EWC Ventures Units, together with related shares of our Class B common stock, for shares of our Class A common stock on a one-for-one basis or, at the election of the Company, for cash at the current fair value on the date of the exchange. Changes in the Company's ownership interest in EWC Ventures while retaining control of EWC Ventures will be accounted for as equity transactions. As such, future redemptions or direct exchanges of EWC Ventures Units by the other members will result in a change in ownership and reduce the amount recorded as noncontrolling interest and increase additional paid-in capital. Additionally, certain members of EWC Ventures hold unvested EWC Ventures Units that are subject to service, performance, and/or market conditions (See Note 16—*Equity Based Compensation*). The vesting of EWC Ventures units will result in a change in ownership and increase the amount recorded as noncontrolling interest and decrease additional paid-in capital.

The following table summarizes the ownership of EWC Ventures as of December 31, 2022:

	December 31, 2022	
	Units Owned	Ownership Percentage
European Wax Center, Inc.	44,561,685	72.1%

The following table presents the effect of changes in the Company's ownership interest in EWC Ventures on the Company's equity for the periods indicated:

15. Revenue from contracts with customers

Costs to obtain a contract

Costs to obtain a contract include commissions paid to area representatives associated with the sale of franchises within the area representative's respective region. As of December 31, 2022 and December 25, 2021, \$410 and \$425 of commissions paid in connection with the sale of franchise licenses are capitalized within prepaid expenses and other current assets (short-term portion) and \$1,811 and \$2,221 are capitalized within other non-current assets (long-term portion), respectively. The commissions are amortized to expense over the expected life of the related franchise agreement. \$425, \$437 and \$429 of commissions was amortized to selling, general and administrative expenses during the years ended December 31, 2022, December 25, 2021 and December 26, 2020, respectively.

Contract liabilities

Contract liabilities consist of deferred revenue resulting from franchise fees, which are generally recognized on a straight-line basis over the term of the underlying franchise agreement. Also included are service revenues from corporate-owned centers, including customer prepayments in connection with the Wax Pass program. Contract liabilities are classified as deferred revenue on the Consolidated Balance Sheets.

Deferred franchise fees are reduced as fees are recognized in revenue over the term of the franchise license for the respective center. Deferred service revenues are recognized over time as the services are performed.

The following table reflects the change in contract liabilities for the periods indicated:

16. Equity Based Compensation

2021 Omnibus Incentive Plan

In August 2021, our board of directors adopted the 2021 Omnibus Incentive Plan (the “2021 Incentive Plan”) which became effective upon consummation of our IPO and provides for the grant of equity-based awards to employees, consultants, and non-employee directors. The 2021 Incentive Plan provides for an aggregate of 6,374,273 shares of Class A common stock that are reserved for issuance in respect of awards granted under the 2021 Incentive Plan. In addition, the number of shares reserved for issuance under the 2021 Incentive Plan will automatically increase each fiscal year beginning with fiscal year 2022 and ending with fiscal year 2031 by the lesser of (a) 1% of the total number of shares outstanding on the last day of the immediately preceding fiscal year on a fully diluted basis assuming that all shares available for issuance under the 2021 Incentive Plan are issued and outstanding or (b) such number of shares determined by our board of directors. As of December 31, 2022 there were 6,249,708 shares available for issuance under the 2021 Incentive Plan.

Class A Common Stock Options

During the year ended December 31, 2022, no stock options were granted under the 2021 Incentive Plan. During the year ended December 25, 2021, we granted 322,997 stock options with an exercise price of \$17.00 per share to certain employees under the 2021 Incentive Plan. The stock options granted will cliff vest on the third anniversary of the date of grant, subject in all cases to continued employment on the applicable vesting date. The weighted average grant date fair value of the stock options was \$7.48. The total grant date fair value of the stock options will be recognized as equity-based compensation expense over the vesting period.

A summary of activity related to the options is as follows:

	Number of Options	Weighted Average Exercise Price	Weighted Average Remaining Contractual Term	Aggregate Intrinsic Value (in thousands)
Outstanding at December 25, 2021	301,464	\$ 17.00		
Granted	—	—		
Exercised	—	—		
Expired	—	—		
Forfeited	(88,286)	17.00		
Outstanding at December 31, 2022	213,178	\$ 17.00	8.6	\$ —
Exercisable at December 31, 2022	—	—	—	—

During the years ended December 31, 2022 and December 25, 2021, we recognized \$440 and \$305 of equity-based compensation expense related to the options in selling, general, and administrative expense, respectively. As the options were granted in connection with the IPO, there was no expense recorded in fiscal years 2020. As of December 31, 2022, there was \$841 of total unrecognized compensation expense related to outstanding stock options expected to be recognized over a weighted average period of 1.6 years.

The Company estimates the fair value of the options using the Black-Scholes option pricing model. The following table presents the assumptions used in the Black-Scholes model to determine the fair value of the stock options for the year ended December 25, 2021. Black-Scholes assumptions have not been disclosed for any other periods presented as there were no stock options granted in those periods.

	For the Year Ended December 25, 2021
Expected dividend yield	0.0%
Expected volatility	43.8%
Risk-free rate	0.9%
Expected term (in years)	6.5

A description of each of the inputs to the Black-Scholes model is as follows:

- Expected dividend yield - An increase in the expected dividend yield would decrease compensation expense.
- Expected volatility - This is a measure of the amount by which the price of the equity instrument has fluctuated or is expected to fluctuate. The expected volatility was based on the historical volatility of a group of guideline companies. An increase in expected volatility would increase compensation expense.

- Risk-free interest rate - This is the U.S. Treasury rate as of the measurement date having a term approximating the expected life of the award. An increase in the risk-free interest rate would increase compensation expense.
- Expected term - The period of time over which the awards are expected to remain outstanding. The Company estimates the expected term as the mid-point between actual or expected vesting date and the contractual term. An increase in the expected term would increase compensation expense.

Restricted Stock Units

During the years ended December 31, 2022 and December 25, 2021, we granted 69,266 and 494,388 restricted stock units (“RSUs”), respectively, to certain directors and employees under the 2021 Incentive Plan. The awards generally vest in three equal installments of 33.33% on each of the first three anniversaries of the date of grant, subject in all cases to continued employment on the applicable vesting date. The total grant date fair value of the restricted stock units will be recognized as equity-based compensation expense over the vesting period. The grant date fair value of the restricted stock units is determined based on the fair value of the underlying Class A common stock on the date of grant.

A summary of activity related to the RSUs is as follows:

	Number of RSUs	Weighted Average Grant Date Fair Value
Outstanding at December 25, 2021	455,971	\$ 17.41
Granted	69,266	21.42
Vested	(157,349)	17.33
Forfeited	(82,429)	18.30
Outstanding at December 31, 2022	285,459	\$ 18.24

During the years ended December 31, 2022 and December 25, 2021, we recognized \$2,839 and \$1,219 of equity-based compensation expense related to the RSUs in selling, general, and administrative expense. As the RSUs were granted in connection with and subsequent to the IPO, there was no expense recorded in fiscal years 2020. As of December 31, 2022, there was \$4,053 of total unrecognized compensation expense related to outstanding RSUs expected to be recognized over a weighted average period of 1.6 years. The fair value of RSUs vested during the years ended December 31, 2022 and December 25, 2021 were \$3,117 and \$307, respectively.

Management Holdco Incentive Plan

On December 12, 2018, EWC Ventures LLC and Management Holdco adopted the Amended and Restated EWC Management Holdco, LLC Equity Incentive Plan (the “LLC Incentive Plan”), under which Management Holdco granted units of Management Holdco (“Incentive Units”) to employees, directors, and consultants of EWC Ventures LLC and its subsidiaries. In connection with the Reorganization Transactions, modifications to certain pre-reorganization equity-based awards outstanding under the LLC Incentive Plan were made, primarily with respect to certain vesting conditions, which resulted in the Company recording additional equity-based compensation expense of \$8,489 during the year ended December 25, 2021. The terms of awards outstanding under the LLC Incentive plan are described below. There will be no further grants made under the LLC Incentive Plan.

Time-based Units

Prior to the consummation of the Reorganization Transactions, EWC Ventures LLC granted time-based Incentive Units under the LLC Incentive Plan. The time-based Incentive Units generally vest over 5 years, and the Company expenses time-based Incentive Units based on the grant date fair value of the award on a straight-line basis over the associated service period of the award. In connection with the Reorganization Transactions, the time-based Incentive Units were recapitalized into a new number of EWC Ventures Units (which we refer to as the “Time-based Units” both before and after the Reorganization Transactions), equal to the same aggregate fair value as the award immediately prior to the Reorganization Transactions, and subject to the original vesting schedules. No incremental expense was recognized as there was no change to the fair value of the awards as a result of the Reorganization Transactions. Accordingly, we continue to recognize the original grant date fair value of the Time-based Units over the remaining service period. The Company estimated the fair value of the Time-based Units as of the grant date based on a determination of the total fair value of the Company’s equity as of the valuation date which was then run through a hypothetical liquidation model.

We determined that the activity for the period prior to the Reorganization Transactions would not be meaningful to the users of these consolidated financial statements due to the significant nature of the Reorganization Transactions on the capital structure.

The following table sets forth the activity related to the Time-Based Units for the year ended December 31, 2022:

	Number of Time-Based Units	Weighted Average Grant Date Fair Value
Outstanding at December 25, 2021	777,761	\$ 2.62
Granted	—	—
Vested	(371,119)	2.58
Forfeited	(97,312)	3.09
Outstanding at December 31, 2022	309,330	\$ 2.53

During the years ended December 31, 2022, December 25, 2021 and December 26, 2020 we recognized \$2,277, \$1,122 and \$2,052, respectively, of equity-based compensation expense related to Time-based Units in selling, general, and administrative expense. Of the equity-based expense related to Time-based Units recognized during the year ended December 31, 2022, approximately \$1,248 related to the acceleration of vesting on 75,000 Time-based Units in accordance with the separation agreement between the Company and our previous chief financial officer. As of December 31, 2022, there was \$940 of total unrecognized compensation expense related to unvested time-based Incentive Units expected to be recognized over a weighted average period of 1.2 years. The fair value of Time-based Units that vested during the year ended December 31, 2022 was \$7,240. The fair value of Time-based Units that vested during the period of August 4, 2021 to December 25, 2021 was \$6,016.

2.0x Units and 2.5x Units

Prior to the consummation of the Reorganization Transactions, EWC Ventures LLC granted Incentive Units with performance-based vesting criteria that vest in one or more tranches contingent upon the achievement of certain targets, including a tranche which vested upon the achievement of 2.0x multiple on invested capital (“MOIC”) and a tranche which vested upon achievement of a 2.5x MOIC. Equity-based compensation expense was not previously recognized for these awards, based on the projected probability of achievement of the respective target(s). In connection with the Reorganization Transactions, these awards were recapitalized into a new number of EWC Ventures Units (which we refer to as the “2.0x Units” and “2.5x Units” both before and after the Reorganization Transactions). The vesting conditions were modified to include a time-based vesting condition such that the units will vest as if the units were time-based units on the initial date of grant; provided that, such units shall still fully vest upon achievement of the original performance targets, as applicable. As a result of the modification, the Company recorded equity-based compensation expense of \$5,645 during the year ended December 25, 2021, which is the modification date fair value of the awards which became immediately vested. The remainder of the modification date fair value of the 2.0x Units and 2.5x Units is recognized straight line over the remaining service period. The modification date fair value was determined based on the fair value of the underlying EWC Ventures Units on the modification date, which was determined based on the initial public offering price per share of the Company’s Class A common stock.

We determined that the activity for the period prior to the Reorganization Transactions would not be meaningful to the users of these consolidated financial statements due to the significant nature of the Reorganization Transactions on the capital structure.

The following table sets forth the activity related to the 2.0x and 2.5x Units for the year ended December 31, 2022:

	Number of 2.0x and 2.5x Units	Weighted Average Grant Date Fair Value
Outstanding at December 25, 2021	275,031	\$ 17.00
Granted	—	—
Vested	(72,461)	17.00
Forfeited	(129,991)	17.00
Outstanding at December 31, 2022	72,579	\$ 17.00

During the years ended December 31, 2022 and December 25, 2021, we recognized \$1,123 and \$7,240 of equity-based compensation expense related to the 2.0x Units and 2.5x Units included in selling, general and administrative expense. As of December 31, 2022, there was \$1,169 of total unrecognized compensation expense related to unvested 2.0x Units and unvested 2.5x Units expected to be recognized over a weighted average period of 1.6 years. The fair value of 2.0x Units and 2.5x Units that vested during the year ended December 31, 2022 was \$1,603. The fair value of 2.0x Units and 2.5x Units that vested during the period of August 4, 2021 to December 25, 2021 was \$1,194.

3.0x Units

Prior to the consummation of the Reorganization Transactions, EWC Ventures LLC granted Incentive Units with performance and market-based vesting criteria that would have vested upon achievement of 3.0x MOIC. In connection with the Reorganization Transactions, these awards were recapitalized into a new number of EWC Ventures Units (which we refer to as the “3.0x Units” both

before and after the Reorganization Transactions). These awards were modified such that the awards will also be eligible to vest upon the occurrence of either (i) the achievement of a 2.0x MOIC at such time as General Atlantic's investment in the Company is no less than 35% of the fully diluted units of the Company or (ii) the first of December 31, 2022, March 31, 2023, June 30, 2023, September 30, 2023 or December 31, 2023 on which a specific volume weighted average trading price of our Class A common stock is achieved. Equity-based compensation expense was not previously recognized for these awards, based on the projected probability of achievement of the target.

The modified vesting conditions described above represent market conditions. Compensation expense for performance-based awards with a market condition is recognized on a straight-line basis over the estimated service period of the award, regardless of whether the market condition is satisfied. Accordingly, following the Reorganization Transactions, expense will be recognized prospectively based on the modification date fair value of the modified award. The Company used a Geometric Brownian Motion simulation formula to determine the fair value and the derived service periods of these 3.0x Units as of the modification date.

We determined that the activity for the period prior to the Reorganization Transactions would not be meaningful to the users of these consolidated financial statements due to the significant nature of the Reorganization Transactions on the capital structure.

The following table sets forth the activity related to the 3.0x Units for the year ended December 31, 2022:

	Number of 3.0x Units	Weighted Average Grant Date Fair Value
Outstanding at December 25, 2021	610,979	\$ 7.75
Granted	—	—
Vested	—	—
Forfeited	(77,272)	7.70
Outstanding at December 31, 2022	533,707	\$ 7.76

During the years ended December 31, 2022 and December 25, 2021 we recognized \$2,354 and \$1,249 of equity-based compensation expense related to the 3.0x Units in selling, general, and administrative expense. As of December 31, 2022, total unrecognized equity-based compensation related to the 3.0x Units was \$608, which is expected to be recognized over a weighted-average period of approximately 0.3 years.

17. Employee retirement plan

The Company offers its employees the opportunity to participate in a defined contribution retirement plan, where eligible employees may contribute a percentage of their annual compensation subject to limitations set by the Internal Revenue Code. For the years ended December 31, 2022, December 25, 2021 and December 26, 2020, the employer match expense recognized under this plan was \$418, \$349 and \$301, respectively, of which, \$391, \$330 and \$291, respectively, is included in selling, general and administrative expenses and \$27, \$19 and \$10, respectively, is included in cost of revenue on the Consolidated Statements of Operations.

18. Related party transactions

The Company paid fees to certain members for consulting services provided to the Company. Related party consulting fees of \$117 and \$200 for the years ended December 25, 2021 and December 26, 2020, respectively, are included in selling, general, and

administrative expenses in the Consolidated Statements of Operations. The term of the consulting services agreement ended in August 2021. During the year ended December 31, 2022 there were no consulting fees paid to related parties.

19. Income Taxes

EWC Ventures is a limited liability company that is treated as a partnership for U.S. federal income tax purposes and for most applicable state and local income tax purposes. As a partnership, EWC Ventures is not subject to U.S. federal and certain state and local income taxes. Any taxable income or loss generated by EWC Ventures is passed through to and included in the taxable income or loss of its members on a pro rata basis, subject to applicable tax regulations. Because EWC Ventures is our financial reporting predecessor and not subject to entity level income tax, no current or deferred income taxes were recorded in fiscal year 2020 and the period prior to August 4, 2021.

We were appointed the sole managing member of EWC Ventures in connection with the Reorganization Transactions on August 4, 2021. Following the Reorganization Transactions the Company is now subject to U.S. federal income taxes, in addition to state and local income taxes, with respect to its allocable share of any taxable income or loss of EWC Ventures. The remaining share of EWC Ventures income or loss remains non-taxable to the Company and is not reflected in current or deferred income taxes.

The components of income tax expense for the years ended December 31, 2022 and December 25, 2021 were as follows:

Valuation Allowance

As of December 31, 2022, we concluded that the positive evidence regarding our ability to realize our deferred tax assets outweighed the negative evidence, and the Company released the valuation allowance against its net deferred tax assets. The Company now has a three-year history of cumulative pre-tax income, adjusted for permanent differences, which we believe represents significant positive evidence in evaluating whether our deferred tax assets are realizable. Given this cumulative income and our accurate forecast history since the IPO we believe we can rely on projections of future taxable income exclusive of reversing taxable temporary differences to support the realization of our deferred tax assets.

The change in our valuation allowance against our deferred tax assets for the years ended December 31, 2022 and December 25, 2021 was as follows:

	For the Years Ended	
	December 31, 2022	December 25, 2021

Net Operating Loss Carryforwards

As of December 31, 2022, the Company has \$66,546 of gross federal net operating loss carryforwards and \$29,765 of gross state net operating loss carryforwards. The federal and certain state net operating losses have an indefinite carryforward period and are subject to an annual limitation of 80% of current year taxable income. The remaining net operating losses expire at various dates through 2038.

Uncertain Tax Positions

As of December 31, 2022 the Company does not have any unrecognized tax benefits. The Company is subject to audit examinations at the federal and state levels by the tax authorities for all tax years since formation of the Company.

Tax Receivable Agreement

As of December 31, 2022, future payments under the TRA are expected to be \$172,160. Payments made under the TRA represent payments that otherwise would have been made to taxing authorities in the absence of attributes obtained by us as a result of exchanges by our pre-IPO members. Such amounts will be paid only when a cash tax savings is realized as a result of attributes subject to the TRA. That is, payments under the TRA are only expected to be made in periods following the filing of a tax return in which we are able to utilize certain tax benefits to reduce our cash taxes paid to a taxing authority. The impact of any changes in the projected obligations under the TRA as a result of changes in the geographic mix of the Company's earnings, changes in tax

legislation and tax rates or other factors that may impact the Company's tax savings will be reflected in other expense on the Consolidated Statement of Operations in the period in which the change occurs. As discussed above, the valuation allowance against the Company's deferred tax assets was released. As such, the full amount of the TRA liability has been recognized on our Consolidated Balance Sheets as of December 31, 2022. We recognized charges of \$56,228 and \$195 in other expense on our Consolidated Statement of Operations related to remeasurements of the TRA during the years ended December 31, 2022 and December 25, 2021, respectively. During the year ended December 31, 2022 we paid \$912 to our pre-IPO members in accordance with the TRA.

20. Net income (loss) per share

Basic net income (loss) per share of Class A common stock is computed by dividing net income (loss) attributable to Class A common shareholders for the periods subsequent to the Reorganization Transactions by the weighted average number of shares of Class A common stock outstanding for the same period. Shares issued during the period and shares reacquired during the period are weighted for the portion of the period in which the shares were outstanding. Diluted net income (loss) per share of Class A common stock is computed by dividing net income (loss) attributable to Class A common shareholders by the weighted-average number of shares of Class A common stock outstanding adjusted to give effect to potentially dilutive securities.

Prior to the Reorganization Transactions, the EWC Ventures capital structure included Class A, Class B, Class C, and Class D Units. We determined that the presentation of net income (loss) per unit for the period prior to the Reorganization Transactions would not be meaningful to the users of these consolidated financial statements due to the significant nature of the Reorganization Transactions on the capital structure. Therefore, net income (loss) per unit information has not been presented for periods prior to the Reorganization Transactions.

The following table sets forth the computation of basic net income (loss) per share of Class A common stock for the year ended December 31, 2022 and the period from August 4, 2021 to December 25, 2021, which represents the period subsequent to the Reorganization Transactions:

	<u>Year Ended December 31, 2022</u>	<u>Period of August 4- December 25, 2021</u>
<i>(in thousands, except for share and per share amounts)</i>		
Net income (loss)	\$ 13,613	\$ (6,360)
Less: net income (loss) attributable to noncontrolling interests	6,050	(2,857)
Net income (loss) applicable to Class A common shareholders	\$ 7,563	\$ (3,503)

Class A Common Stock	40,010,456	32,234,507
Basic net income (loss) per share applicable to shareholders:		
Class A Common Stock	\$ 0.19	\$ (0.11)

The following table sets forth the computation of diluted net income (loss) per share of Class A common stock for the year ended December 31, 2022 and the period from August 4, 2021 to December 25, 2021, which represents the period subsequent to the Reorganization Transactions:

	<u>Year Ended December 31, 2022</u>	<u>Period of August 4- December 25, 2021</u>
<i>(in thousands, except for share and per share amounts)</i>		
Net income (loss)	\$ 13,613	\$ (6,360)
Less: net income (loss) attributable to noncontrolling interests	6,037	(2,857)
Net income (loss) applicable to Class A common shareholders	\$ 7,576	\$ (3,503)
Diluted weighted average outstanding shares		
Basic weighted average outstanding shares - Class A Common Stock	40,010,456	32,234,507
Effect of dilutive securities:		
RSUs	124,607	—
Options	15,988	—
Diluted weighted average outstanding shares - Class A Common Stock	40,151,051	32,234,507
Diluted net income (loss) per share applicable to common shareholders:		
Class A Common Stock	\$ 0.19	\$ (0.11)

Shares of Class B common stock do not share in the earnings or losses attributable to the Company and are therefore not participating securities. As such, separate presentation of basic and diluted net loss per share of Class B common stock under the two-class method has not been presented. Shares of Class B common stock are, however, considered potentially dilutive shares of Class A common stock because shares of Class B common stock, together with the related EWC Ventures Units, are exchangeable into shares of Class

A common stock on a one-for-one basis. 18,175,652 and 26,700,477 shares of Class B common stock outstanding as of December 31, 2022 and December 25, 2021, respectively, were determined to be anti-dilutive, and have therefore been excluded from the computation of diluted net income (loss) per share of Class A common stock.

In addition, for the year ended December 31, 2021, 301,464 stock options and 455,971 restricted stock units were excluded from the computation of diluted net income (loss) per share of Class A common stock, because the effect would have been anti-dilutive as we recorded a net loss for the period.

EUROPEAN WAX CENTER, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Amounts in thousands, except share/unit and per share/unit amounts)
(Unaudited)

1. Nature of business and organization

European Wax Center, Inc. was formed as a Delaware corporation on April 1, 2021. European Wax Center, Inc. and subsidiaries (“the Company”) was formed for the purpose of completing a public offering and related transactions in order to carry on the business of EWC Ventures, LLC (“EWC Ventures”) and its subsidiaries. Through its subsidiaries, the Company is engaged in selling franchises of European Wax Center, distributing unique facial and body waxing products to franchisees which are used to perform waxing services and providing branded facial and body waxing products directly to consumers at various locations throughout the United States.

The Company operates on a fiscal calendar which, in a given year, consists of a 52 or 53 week period ending on the Saturday closest to December 31st. The quarters ended April 1, 2023 and March 26, 2022 both consisted of 13 weeks.

2. Summary of significant accounting policies

(a) Basis of presentation and consolidation

The accompanying unaudited condensed consolidated financial statements have been presented in conformity with accounting principles generally accepted in the United States (“GAAP”) for interim financial information and pursuant to the rules and regulations of the SEC and includes the operations of the Company and EWC Ventures and its wholly owned subsidiaries. EWC Ventures is considered a variable interest entity. The Company is the primary beneficiary of EWC Ventures. As a result, the Company consolidates EWC Ventures.

The condensed consolidated balance sheet as of December 31, 2022 is derived from the audited consolidated financial statements of the Company but does not include all disclosures required by GAAP. These unaudited condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and the related notes thereto for the year ended December 31, 2022 included in our annual report on Form 10-K.

In the opinion of management, the accompanying unaudited condensed consolidated financial statements include all normal recurring adjustments necessary for a fair statement of the Company’s financial position, results of operations, and cash flows for the periods presented. All intercompany accounts and transactions have been eliminated in consolidation.

Accounting policies used in the preparation of these unaudited condensed consolidated financial statements are consistent with the accounting policies described in the audited consolidated financial statements and the related notes thereto for the year ended December 31, 2022 included in our annual report on Form 10-K, except as described below relating to our adoption of Accounting Standards Codification (“ASC”) Topic 326, *Measurement of Credit Losses on Financial Instruments*.

(b) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management’s knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results. Significant areas where estimates and judgments are relied upon by management in the preparation of the financial statements include revenue recognition, inventory reserves, the expected life of franchise agreements, the useful life of reacquired rights, valuation of equity-based compensation awards, and the evaluation of the recoverability of goodwill and long-lived assets, including indefinite-lived intangible assets. Actual results could differ from those estimates.

(c) Implications of being an Emerging Growth Company

The Company is an emerging growth company as defined in the Jumpstart Our Business Startups Act of 2012 (“JOBS Act”) and may take advantage of reduced reporting requirements that are otherwise applicable to public companies. Section 107 of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies are required to comply with those standards. The Company has elected to use the extended transition period for complying with new or revised accounting standards. We also intend to take advantage of some of the reduced regulatory and reporting requirements of emerging growth companies pursuant to the JOBS Act so long as we qualify as an emerging growth company, including, but not

limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation, and exemptions from the requirements of holding non-binding advisory votes on executive compensation and golden parachute payments.

(d) Comprehensive income (loss)

Comprehensive income (loss) is defined as the change in equity (net assets) of a business entity during a period from transactions and other events and circumstances from nonowner sources. Comprehensive income (loss) is equal to net income (loss) for all periods presented.

(e) Recently adopted accounting pronouncements

In June 2017, the FASB issued ASU 2016-13, *Financial Instruments (Topic 326)—Measurement of Credit Losses on Financial Instruments*, which requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. The standard replaced the previous incurred loss impairment model with an expected loss methodology, which results in more timely recognition of credit losses. We adopted this guidance on January 1, 2023 (the beginning of fiscal year 2023). The adoption of this guidance did not have a significant impact on our financial statements.

Total long-term debt, net	<u>\$ 371,166</u>	<u>\$ 370,935</u>

On April 6, 2022 (the “Closing Date”), EWC Master Issuer LLC, a limited-purpose, bankruptcy remote, indirect subsidiary of the Company (the “Master Issuer”), completed a securitization transaction pursuant to which it issued \$400,000 in aggregate principal amount of Series 2022-1 5.50% Fixed Rate Senior Secured Notes, Class A-2 (the “Class A-2 Notes”).

In connection with the issuance of the Class A-2 Notes, the Master Issuer also entered into (i) a revolving financing facility that allows for the issuance of up to \$40,000 in Variable Funding Notes (“Variable Funding Notes”), and certain letters of credit and (2) an advance funding facility with Bank of America, N.A. (“BoFA”), whereby BoFA and any other advance funding provider thereunder would, in certain specified circumstances, make certain debt service advances and collateral protection advances (not to exceed \$5,000 in the aggregate). The Variable Funding Notes were undrawn at closing and as of April 1, 2023.

The Class A-2 Notes and the Variable Funding Notes are referred to collectively as the “Notes.” The Notes were issued in a securitization transaction pursuant to which substantially all of the Company’s revenue-generating assets in the United States are held by the Master Issuer and certain other limited-purpose, bankruptcy remote, wholly-owned direct and indirect subsidiaries of EWC Holding Guarantor (including the Master Issuer) (collectively, the “Securitization Entities”) that have pledged substantially all of their assets to secure the Notes and, with respect to the Securitization Entities other than the Master Issuer, act as guarantors of the Notes.

While the Class A-2 Notes are outstanding, payments of principal and interest are required to be made on the Class A-2 Notes on a quarterly basis. The quarterly payments of principal on the Class A-2 Notes may be suspended in the event that the leverage ratio for the Company and its subsidiaries, including the securitization entities, is, in each case, less than or equal to 5.00x.

The legal final maturity date of the Class A-2 Notes is in March of 2052, but it is anticipated that, unless earlier prepaid to the extent permitted under the Base Indenture, dated April 6, 2022 (the “Indenture”), the Class A-2 Notes will be repaid in March of 2027 (the “Anticipated Repayment Date”). If the Master Issuer has not repaid or refinanced the Class A-2 Notes prior to their Anticipated Repayment Date, additional interest will accrue on the Class A-2 Notes equal to the greater of (A) 5.00% per annum and (B) a per annum interest rate equal to the excess, if any, by which the sum of (i) the yield to maturity (adjusted to a quarterly bond equivalent basis) on such anticipated repayment date of the United States Treasury Security having a term closest to ten (10) years plus (ii) 5.00%, plus (iii) 3.87%, exceeds the original interest rate. The Class A-2 Notes rank pari passu with the Variable Funding Notes.

Interest on the Variable Funding Notes will be payable at per annum rates based on term SOFR (plus a credit adjustment spread) or the lenders’ commercial paper funding rate plus 212.5 basis points. There is a commitment fee on the unused portion of the Variable Funding Notes facility, equal to 50 basis points per annum. It is anticipated that the principal and interest on the Variable Funding Notes will be repaid in full on or prior to March 2025, subject to two additional one-year extensions at the option of the Company. Following the anticipated date of repayment (and any extensions thereof), additional interest will accrue on the Variable Funding Notes equal to 5.00% per annum.

The Notes are secured by a security interest in substantially all of the assets of the Securitization Entities. The assets of the Securitization Entities include substantially all of the Company’s revenue-generating assets in the United States, which principally consist of franchise-related agreements, certain supply, distribution and logistics services agreements, intellectual property and license agreements for the use of intellectual property.

The Notes are subject to a series of financial and non-financial covenants and restrictions customary for transactions of this type, including (i) that the Master Issuer maintains specified reserve accounts to be used to make required payments in respect of the Notes, (ii) provisions relating to optional and mandatory prepayments and the related payment of specified amounts, including specified make-whole payments in the case of the Class A-2 Notes under certain circumstances, (iii) certain indemnification payments in the event, among other things, the transfers of the assets pledged as collateral for the Notes are in stated ways defective or ineffective and (iv) covenants relating to recordkeeping, access to information and similar matters. The Notes are also subject to customary rapid

amortization events provided for in the Indenture, including events tied to failure to maintain a stated debt service coverage ratio, the sum of system-wide sales being below certain levels on certain measurement dates, certain manager termination events (including in certain cases a change of control of EWC Ventures), an event of default and the failure to repay or refinance the Notes on the applicable anticipated repayment date. The Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal or other amounts due on or with respect to the Notes, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties, failure of security interests to be effective and certain judgments.

The carrying values of cash and cash equivalents, accounts receivable and accounts payable approximate fair value because of the short-term nature of these instruments. Our outstanding Class A-2 Notes had an approximate fair value of \$365,359 as of April 1, 2023.

6. Equity Based Compensation

Restricted Stock Units

During the 13 weeks ended April 1, 2023, we granted 270,055 restricted stock units (“RSUs”) to certain employees under the 2021 Omnibus Incentive Plan (the “2021 Incentive Plan”) that will vest in three equal installments of 33.33% on each of the first three anniversaries of the date of grant, subject in all cases to continued employment on the applicable vesting date. The total grant date fair value of the RSUs will be recognized as equity-based compensation expense over the vesting period. The weighted average grant date fair value of the RSUs granted during the 13 weeks ended April 1, 2023 was \$16.27 and was equal to the closing price of the underlying Class A common stock on the date of grant.

Class A Common Stock Options

During the 13 weeks ended April 1, 2023 we granted 267,640 options with a weighted average exercise price of \$19.60 per share to certain employees under the 2021 Incentive Plan. The stock options granted have a ten-year contractual term and will cliff vest on the third anniversary of the date of grant, subject in all cases to continued employment on the applicable vesting date. The weighted average grant date fair value of the stock options was \$9.81. The total grant date fair value of the stock options will be recognized as equity-based compensation expense over the vesting period. The Company previously used the Black Scholes model to estimate the fair value of stock option grants. However, as these options were granted with exercise prices 20% higher than the closing price, it was determined that the options contained an implicit market condition. As such, the Company estimated the fair value of the options using a binomial lattice model. The following table presents the weighted average assumptions used in the lattice model to determine the fair value of the stock options granted during the 13 weeks ended April 1, 2023:

Expected dividend yield	0.0%
Expected volatility	62.3%
Risk-free rate	3.6%
Suboptimal exercise factor	2.5x

A description of each of the inputs to the lattice model is as follows:

- Expected dividend yield - The expected dividend yield is based on our history of not paying regular dividends in the past and our current intention to not pay regular dividends in the foreseeable future. An increase in the expected dividend yield would decrease compensation expense.
- Expected volatility - This is a measure of the amount by which the price of the equity instrument has fluctuated or is expected to fluctuate. The expected volatility was based on the historical volatility of the Company as well as that of a group of guideline companies. An increase in expected volatility would increase compensation expense.
- Risk-free interest rate - This is the U.S. Treasury rate as of the measurement date having a term approximating the contractual term of the award. An increase in the risk-free interest rate would increase compensation expense.
- Suboptimal exercise factor - The multiple of the exercise price at which an option exercise would be expected to occur. An increase in the suboptimal exercise factor would increase compensation expense.

Modification of 3.0x Units

During the 13 weeks ended April 1, 2023 we modified the vesting conditions of 533,707 incentive units (the “3.0x Units”) granted under the Management Holdco, LLC Equity Incentive Plan to nine employees. Under their original terms, the 3.0x Units would have vested under the following conditions: (i) the achievement of a 3.0x multiple on invested capital (“MOIC”), (ii) the achievement of a 2.0x MOIC at such time as General Atlantic’s investment in the Company is no less than 35% of the fully diluted units of the Company or

(iii) the first of December 31, 2022, March 31, 2023, June 30, 2023, September 30, 2023 or December 31, 2023 on which a specific volume weighted average trading price ("VWAP") of our Class A common stock is achieved.

Our board of directors modified the award to adjust the specified VWAP target described above. The Company's VWAP exceeded the modified target as of March 31, 2023. As such, all of the 3.0x Units vested on that date. During the 13 weeks ended April 1, 2023 we recognized \$5,931 in equity-based compensation expense. Of this amount, \$3,888 was incremental equity-based compensation expense related to the modification of the 3.0x Units. The incremental expense recognized in connection with the modification of the 3.0x Units was calculated as the difference between the fair value of the modified award and the fair value of the original award on the modification date. The fair value of the modified award was equal to the closing price of the underlying Class A common stock on the modification date. The Company used a Monte Carlo simulation to determine the fair value of the original award on the modification date. The following table presents the weighted average assumptions used in the simulation to determine the fair value of the original award on the modification date:

Expected dividend yield	0.0%
Expected volatility	50.0%
Risk-free rate	4.7%

A description of each of the inputs to the simulation model is as follows:

- Expected dividend yield - The expected dividend yield is based on our history of not paying regular dividends in the past and our current intention to not pay regular dividends in the foreseeable future. An increase in the expected dividend yield would decrease compensation expense.
- Expected volatility - This is a measure of the amount by which the price of the equity instrument has fluctuated or is expected to fluctuate. The expected volatility was based on the historical volatility of the Company. An increase in expected volatility would increase compensation expense.
- Risk-free interest rate - This is the U.S. Treasury rate as of the measurement date having a term approximating the measurement period of the award. An increase in the risk-free interest rate would increase compensation expense.

7. Commitments and contingencies

Litigation

The Company is exposed to various asserted and unasserted potential claims encountered in the normal course of business. Although the outcomes of potential legal proceedings are inherently difficult to predict, the Company does not expect the resolution of these occasional legal proceedings to have a material effect on its financial position, results of operations, or cash flow.

8. Revenue from contracts with customers

Contract liabilities consist of deferred revenue resulting from franchise fees, which are generally recognized on a straight-line basis over the term of the underlying franchise agreement. Also included are service revenues from corporate-owned centers, including customer prepayments in connection with the Wax Pass program. Contract liabilities are classified as deferred revenue on the condensed consolidated balance sheets.

Deferred franchise fees are reduced as fees are recognized in revenue over the term of the franchise license for the respective center. Deferred service revenues are recognized over time as the services are performed. The following table reflects the change in contract liabilities for the periods indicated:

	<u>Contract liabilities</u>
Balance at December 31, 2022	\$ 10,985
Revenue recognized that was included in the contract liability at the beginning of the year	(950)
Increase, excluding amounts recognized as revenue during the period	880
Balance at April 1, 2023	\$ 10,915

The weighted average remaining amortization period for deferred revenue is 3.6 years.

The following table illustrates estimated revenues expected to be recognized in the future related to performance obligations that are unsatisfied (or partially unsatisfied) as of April 1, 2023. The Company has elected to exclude short term contracts, sales-based royalties and any other variable consideration recognized on an “as invoiced” basis.

Contract liabilities to be recognized in:	Amount
2023 (from April 2, 2023)	\$ 3,703
2024	1,234
2025	1,164
2026	1,054
2027	991
Thereafter	2,769
Total	\$ 10,915

The summary set forth below represents the balances in deferred revenue as of April 1, 2023 and December 31, 2022:

	April 1, 2023	December 31, 2022
Franchise fees	\$ 8,182	\$ 8,167
Service revenue	2,733	2,818
Total deferred revenue	10,915	10,985
Long-term portion of deferred revenue	6,898	6,901
Current portion of deferred revenue	\$ 4,017	\$ 4,084

9. Income Taxes

The Company is subject to U.S. federal income taxes, in addition to state and local income taxes, with respect to its allocable share of any taxable income or loss of EWC Ventures. The remaining share of EWC Ventures income or loss is non-taxable to the Company and is not reflected in current or deferred income taxes.

EWC Ventures is a limited liability company that is treated as a partnership for U.S. federal income tax purposes and for most applicable state and local income tax purposes. As a partnership, EWC Ventures is not subject to U.S. federal and certain state and local income taxes. Any taxable income or loss generated by EWC Ventures is passed through to and included in the taxable income or loss of its members on a pro rata basis, subject to applicable tax regulations.

We recorded \$509 of income tax benefit and \$27 in income tax expense for the 13 weeks ended April 1, 2023 and March 26, 2022, respectively. The effective tax rate was 32.6% and 0.7% for the 13 weeks ended April 1, 2023 and March 26, 2022, respectively. The effective tax rate for the 13 weeks ended April 1, 2023 differs from the U.S. federal statutory rate primarily due to non-taxable income attributable to noncontrolling interest, state taxes and the tax effects of stock compensation. The effective tax rate for the 13 weeks ended March 26, 2022 differs from the U.S. federal statutory rate primarily as a result of the full valuation allowance against its net federal and state deferred taxes during that period. The valuation allowance was fully released as of December 31, 2022.

Tax Receivable Agreement

As of April 1, 2023, future payments under the Tax Receivable Agreement (“TRA”) are expected to be \$207,644. Payments made under the TRA represent payments that otherwise would have been made to taxing authorities in the absence of attributes obtained by us as a result of exchanges by our pre-IPO members. Such amounts will be paid only when a cash tax savings is realized as a result of attributes subject to the TRA. That is, payments under the TRA are only expected to be made in periods following the filing of a tax return in which we are able to utilize certain tax benefits to reduce our cash taxes paid to a taxing authority. The impact of any changes in the projected obligations under the TRA as a result of changes in the geographic mix of the Company’s earnings, changes in tax legislation and tax rates or other factors that may impact the Company’s tax savings will be reflected in other expense on the condensed consolidated statement of operations in the period in which the change occurs.

10. Noncontrolling interest

We are the sole managing member of EWC Ventures and, as a result of this control, and because we have a substantial financial interest in EWC Ventures, we consolidate the financial results of EWC Ventures. We report noncontrolling interests representing the economic interests in EWC Ventures held by the other members of EWC Ventures. Income or loss is attributed to the noncontrolling interests

based on their contractual distribution rights, and the relative percentages of EWC Ventures non-voting common units ("EWC Ventures Units") by us and the other holders of EWC Ventures Units during the period.

The EWC Ventures LLC Agreement permits the members of EWC Ventures to exchange EWC Ventures Units, together with related shares of our Class B common stock, for shares of our Class A common stock on a one-for-one basis or, at the election of the Company, for cash at the current fair value on the date of the exchange. Changes in the Company's ownership interest in EWC Ventures while retaining control of EWC Ventures will be accounted for as equity transactions. As such, future redemptions or direct exchanges of EWC Ventures Units by the other members will result in a change in ownership and reduce the amount recorded as noncontrolling interest and increase additional paid-in capital. Additionally, certain members of EWC Ventures hold unvested EWC Ventures Units that are subject to service, performance, and/or market conditions. The vesting of EWC Ventures Units will result in a change in ownership and increase the amount recorded as noncontrolling interest and decrease additional paid-in capital.

The following table summarizes the ownership of EWC Ventures as of April 1, 2023:

	April 1, 2023	
	Units Owned	Ownership Percentage
European Wax Center, Inc.	49,717,874	79.7%
Noncontrolling interest	12,700,376	20.3%
Total	62,418,250	100.0%

The following table presents the effect of changes in the Company's ownership interest in EWC Ventures on the Company's equity for the 13 weeks ended April 1, 2023 and March 26, 2022:

	13 Weeks Ended April 1, 2023	13 Weeks Ended March 26, 2022
Net income (loss) attributable to European Wax Center, Inc.	\$ (508)	\$ 1,885
Transfers from noncontrolling interests:		
Increase (decrease) in additional-paid-in-capital as a result of equity allocations to the noncontrolling interest	12,657	(1,149)
Net increase in equity of European Wax Center, Inc. due to equity interest transactions with noncontrolling interests	<u>\$ 12,149</u>	<u>\$ 736</u>

11. Net income (loss) per share

Basic net income (loss) per share of Class A common stock is computed by dividing net income (loss) attributable to Class A common shareholders for the period by the weighted average number of shares of Class A common stock outstanding for the same period. Shares issued during the period and shares reacquired during the period are weighted for the portion of the period in which the shares were outstanding. Diluted net income (loss) per share of Class A common stock is computed by dividing net income (loss) attributable to Class A common shareholders by the weighted-average number of shares of Class A common stock outstanding adjusted to give effect to potentially dilutive securities using the more dilutive of either the treasury stock method or the if-converted method.

The following table sets forth the computation of basic net income (loss) per share of Class A common stock for the 13 weeks ended April 1, 2023 and March 26, 2022:

	13 Weeks Ended April 1, 2023	13 Weeks Ended March 26, 2022
<i>(in thousands, except for share and per share amounts)</i>		
Net income (loss)	\$ (1,053)	\$ 4,026
Less: net income (loss) attributable to noncontrolling interests	(322)	1,940
Net income (loss) applicable to Class A common shareholders	\$ (731)	\$ 2,086
Basic weighted average outstanding shares		
Class A Common Stock	47,988,681	36,953,534
Basic net income (loss) per share applicable to common shareholders:		
Class A Common Stock	\$ (0.02)	\$ 0.06

The following table sets forth the computation of diluted net income (loss) per share of Class A common stock for the 13 weeks ended April 1, 2023 and March 26, 2022:

(in thousands, except for share and per share amounts)	13 Weeks Ended April 1, 2023	13 Weeks Ended March 26, 2022
Net income (loss)	\$ (1,053)	\$ 4,026
Less: net income (loss) attributable to noncontrolling interests	—	2,040
Net income (loss) applicable to Class A common shareholders	\$ (1,053)	\$ 1,986
Diluted weighted average outstanding shares		
Basic weighted average outstanding shares - Class A Common Stock	47,988,681	36,953,534
Effect of dilutive securities:		
Class B Common Stock	14,629,907	—
RSUs	65,136	186,039
Options	—	28,944
Diluted weighted average outstanding shares - Class A Common Stock	62,683,724	37,168,517
Diluted net income (loss) per share applicable to common shareholders:		
Class A Common Stock	\$ (0.02)	\$ 0.05

Shares of Class B common stock do not share in the earnings or losses attributable to the Company and are therefore not participating securities. As such, separate presentation of basic and diluted net income (loss) per share of Class B common stock under the two-class method has not been presented. Shares of Class B common stock are, however, considered potentially dilutive shares of Class A common stock because shares of Class B common stock, together with the related EWC Ventures Units, are exchangeable into shares of Class A common stock on a one-for-one basis. There were 26,433,636 shares of Class B common stock outstanding as of March 26, 2022 which were determined to be antidilutive and have therefore been excluded from the computation of diluted net income per share of Class A common stock for the 13 weeks ended March 26, 2022. In addition, 480,818 options and 270,055 RSUs were excluded from the computation of diluted net loss per share of Class A common stock for the 13 weeks ended April 1, 2023 as they were determined to be antidilutive.

12. Stockholders' equity

Share Exchange Transactions

During the 13 weeks ended April 1, 2023 certain members of EWC Ventures after our initial public offering (the "EWC Ventures Post-IPO Members") exercised their exchange rights and exchanged 5,129,351 EWC Ventures Units and the corresponding shares of Class B common stock for 5,129,351 newly issued shares of Class A common stock. These exchange transactions increased the Company's ownership interest in EWC Ventures.

EWC FRANCHISOR LLC

MULTI-STATE ADDENDA

**ADDENDUM TO THE
EWC FRANCHISOR LLC
FRANCHISE DISCLOSURE DOCUMENT**

The following are additional disclosures for the Franchise Disclosure Document of EWC Franchisor LLC as required by various state franchise laws. Each provision of these additional disclosures will only apply to you if the applicable state franchise registration and disclosure law applies to you.

NO WAIVER OF DISCLAIMER OF RELIANCE IN CERTAIN STATES

The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

FOR THE STATE OF CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

Neither the franchisor, any person or franchise broker in ITEM 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in the association or exchange.

3. ITEM 17 of the Disclosure Document is amended to add the following:

California Business and Professions Code sections 20000 through 20043 establish the rights of the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement contains a liquidated damages clause. Under California Civil Code section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires binding arbitration. The arbitration will occur at Collin County, Texas with the costs being borne by the non-prevailing party.

FOR THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

EUROPEAN WAX CENTER

AGREEMENT REGARDING FRANCHISEE LEASE

This Agreement Regarding Franchisee Lease (this "Agreement") is entered into on this ____ day of _____, 20____, by and between _____ ("Tenant") and _____ ("Landlord").

Recitals

A. EWC Franchisor LLC ("Franchisor") and its predecessor and affiliates developed a system which relates to the establishment and operation of a retail business that provides hair removal services through the use of hot wax (a "European Wax Center"), which is identified by the service mark "EUROPEAN WAX CENTER®" and other trade names, trademarks, service marks, trade dress, designs, graphics, logos, emblems, insignia, fascia, slogans, copyrights, drawings, and commercial symbols that Franchisor may designate to be used in connection with European Wax Centers (collectively, the "Marks").

B. Tenant plans to operate a European Wax Center as a franchisee of Franchisor (the "Franchised Center").

C. Tenant and Landlord have entered into a lease agreement (the "Lease") to document the lease of those certain premises located in the [SHOPPING CENTER] in [CITY, STATE] (the "Premises") to Tenant for the operation of the Franchised Center. Capitalized terms used in this Agreement and not otherwise defined shall have the meaning set forth in the Lease.

D. Pursuant to a franchise agreement between Tenant and Franchisor (the "Franchise Agreement"), Tenant must include certain terms in the Lease acceptable to Franchisor.

E. The purpose of this Agreement is to memorialize the agreement of Landlord and Tenant to the following in consideration of Franchisor agreeing to approve the leasing arrangement for the Franchised Center to the extent required by the Franchise Agreement. Franchisor's approval of the leasing arrangement only indicates that the proposed Lease meets Franchisor's minimum criteria.

NOW, THEREFORE, for good and valuable consideration the receipt of which is by this Agreement acknowledged, Tenant and Landlord agree as follows (the "Additional Provisions"):

1. The terms of this Agreement shall control notwithstanding any provision in the Lease to the contrary, and shall only apply while the Premises (or any replacement premises provided by the Lease) are being operated as part of the European Wax Center franchise system, either by Tenant, or by any permitted assignee or successor; provided, however that any provision of this Agreement which by its nature is intended to survive the expiration or termination of this Lease or such operation shall survive such expiration or earlier termination. Notwithstanding anything to the contrary in the Lease, the following provisions shall apply in connection with the Premises and the Lease:

- a. Tenant shall have the right to use the Premises for the operation of a prototypical "European Wax Center" offering (i) primarily, facial and body waxing services and the retail sale of private labeled retail products, and (ii) incidentally thereto, the offering of other services, products and other items that are consistently sold and offered from other "European Wax Center" stores, as the same may evolve from time to time. Tenant shall operate under the trade name European Wax Center; provided, that Tenant may change such trade name without Landlord's consent in the event that Franchisor changes the trade name for franchisee operations for the European Wax Center franchise system. References in the Lease or this Agreement to "European Wax Center" shall be deemed to include any such alternate trade name.
- b. Upon termination or expiration of the franchise rights granted by Franchisor to Tenant, Franchisor has the right, at Franchisor's election, to receive an assignment of Tenant's leasehold interest. Tenant shall be solely responsible for all obligations, debts, liabilities, and payments under the Lease arising and/or accruing under the Lease prior to the effective date of the assignment.

- c. Landlord shall provide Franchisor, at the same time that Landlord provides Tenant, with a copy of all lease amendments, extensions and assignments, and a copy of all notices of default or termination that Landlord sends to Tenant relating to the Lease or the Premises. All notices to be provided to Franchisor under this Agreement shall be provided in the manner provided for in the Lease and addressed as follows, or such other address provided by Franchisor to Landlord in writing in compliance with the notice provisions set forth in the Lease:

EWC Franchisor LLC
Attn: Franchisee Leasing
Granite Park V
5830 Granite Parkway, Suite 300
Plano, Texas 75024
legal@waxcenter.com

- d. Prior to Landlord's exercise of any rights and remedies under the Lease to terminate the Lease or otherwise recapture the Premises, (i) Landlord shall have provided Franchisor with a written notice identifying the applicable default or breach by Tenant under the Lease (which such notice may have been provided pursuant to Section 1(c) of this Agreement), and (ii) to the extent Tenant did not timely cure any such default or breach under the Lease within the applicable notice and cure periods therefor, then Franchisor shall have the right (but not the obligation) to either (A) cure the default or breach on behalf of Tenant (such that Tenant shall remain in possession of the Premises), or (B) cure the default or breach by Tenant and (or in the event of a bankruptcy of Tenant or assignment for the benefit of creditors, to the extent permitted by law) take an assignment of the Lease from Tenant in accordance with the terms hereof and the terms of the Lease (such that Franchisor itself shall continue in possession of the Premises, as "Tenant" under the Lease, and shall be liable for rent and all other charges due under the Lease) or (C) cure the default or breach by Tenant (or in the event of a bankruptcy of Tenant or assignment for the benefit of creditors, to the extent permitted by law) and take possession of the Premises for up to one hundred and twenty (120) days in order to identify a new franchisee (other than Franchisor) to take an assignment of the Lease and possession of the Premises (it being understood that if Franchisor elects to take possession of the Premises pursuant to this subsection (C), Franchisor shall abide by the terms and provisions of the Lease during its period of possession, which shall include the continuing obligation to pay rent during this period). Franchisor's right to cure any such default or breach shall be limited to the cure period provided to Tenant in the Lease plus the longer of: (i) fifteen (15) business days after the expiration of any such applicable notice and cure period granted to Tenant for such default or breach, or (ii) fifteen (15) business days from Franchisor's receipt of such applicable notice of default or breach from Landlord.
- e. Landlord agrees that any assignment of the Lease and Tenant's leasehold interests in the Lease by Tenant to Franchisor or to a bona fide franchisee of Franchisor shall not require Landlord consent and shall not require any payment of any assignment fee or similar charge or result in any increase in rent or other fees as a result of such assignment and/or assumption. In the event Franchisor assumes Tenant's leasehold interest in the Lease pursuant to the terms of this Agreement and subsequently assigns the Lease and its leasehold interest to a franchisee approved by Landlord, such approval not to be unreasonably withheld, conditioned or delayed, Franchisor shall not be responsible for any obligations, debts, liabilities or payments arising and/or accruing under the Lease after the effective date of such assignment.
- f. Upon prior notice to Landlord, Franchisor may enter the Premises to make any modifications or alterations necessary, in Franchisor's sole discretion, to protect its European Wax Center franchise system and related Marks, without being guilty of trespass, or any other tort or crime.
- g. Upon expiration and non-renewal or termination of the Lease or the Franchise Agreement (and without creating a hold-over or similar tenancy of sufferance on the part of Tenant), Franchisor shall have the right, upon notice to Landlord, to enter the Premises to take an inventory of the proprietary property remaining in the Premises, back up electronic data and otherwise de-identify the Premises as a European Wax Center, including the right to remove any interior and exterior signs, fixtures, improvements, equipment, décor or other property containing Franchisor's Marks or which are proprietary to the European Wax Center franchise system. Franchisor shall exercise such rights so as to cause Landlord and any of Landlord's tenants the least possible inconvenience or interference to its/their business, and, as between the Landlord and Franchisor, any damage to the Premises caused by such entry into the Premises and/or such removal, shall be repaired

at the sole cost and expense of Franchisor. Landlord agrees that Franchisor's rights to any such signs, fixtures or other property shall be superior to any rights Landlord may have to such property (by lien or otherwise) set forth in the Lease or otherwise.

- h. Landlord shall not lease property to any competitive business similar to a European Wax Center (including business commonly known as salon suites) in the building, mall, or center, as applicable, in which the Premises reside. Landlord shall also not lease, rent, occupy or permit to be occupied or used, any spaces in the shopping center adjacent to, or sufficiently close enough to the Premises, to tenants whose use shall create any type of noise, odor or vibration which would penetrate into the Premises sufficient to disrupt the quiet enjoyment for the European Wax Center clientele.
- i. Tenant is permitted to display on the Premises, European Wax Center trademarks, displays and signage in accordance with the specifications required by Franchisor and used in connection with the European Wax Center franchise system, subject only to the provisions of applicable law. Without limiting the generality of the foregoing, Tenant shall have the right to install European Wax Center's customary storefront sign (one sign on each façade of the Premises), provided Tenant complies with the lawful requirements of governmental authorities. Landlord acknowledges that the capital letters of the sign must be a height of at least 24 inches. Additionally, if there is a monument or pylon sign on which one or more occupants of the Shopping Center have identification panel(s), then Tenant shall be entitled to install its double-sided full-length identification panel on such sign at no additional cost to Tenant. Tenant shall also be permitted to the fullest extent permitted by applicable law, to furnish and install, at Tenant's sole cost and expense, temporary window clings on the interior portion of storefront windows and posters within the lobby area of the Premises, both of which are visible outside of the Premises, provided (a) the images on such clings and posters are consistent with those installed in other "European Wax Center" locations, and (b) such window clings are professionally prepared.
- j. Tenant has the right to make leasehold improvements unique to a European Wax Center based on architectural drawings and has the flexibility for remodeling or changing merchandising programs during the term of the Lease, all subject to Landlord's reasonable improvement, remodeling, and merchandising restrictions.
- k. For the avoidance of doubt, no radius restriction set forth in the Lease shall apply to Franchisor or any other franchisee of the European Wax Center franchise system unrelated to Tenant. Any references to any affiliate of Tenant shall not, in and of itself, include any other franchisee of the European Wax Center franchise system.
- l. Upon Franchisor's reasonable request, Landlord shall provide Franchisor all sales and other information Landlord may have obtained or received relating to the operation of the Premises, and Tenant expressly consents to Landlord's provision of such information.
- m. Landlord and Tenant shall not amend or otherwise modify the Lease or this Agreement in any manner that would affect any of the provisions of this Agreement without Franchisor's prior, written consent.

2. Franchisor makes no representations or warranties regarding the Additional Provisions or in connection with this Agreement. Franchisor's approval of Tenant's Lease only indicates that the proposed Lease meets Franchisor's minimum criteria, and the parties agree that Franchisor's approval or disapproval of the Lease will not impose any liability or obligation on Franchisor. Tenant must have a competent real estate attorney review the Lease, at Tenant's expense.

3. Tenant and Landlord acknowledge and agree that Franchisor shall be a third-party beneficiary of this Agreement and the Lease so that Franchisor may enforce the rights granted to Franchisor directly against Tenant or Landlord, with or without the consent or joinder of Tenant or Landlord. Notwithstanding anything contained in this Agreement, unless Franchisor takes an assignment of the Lease in writing or otherwise exercises its rights set forth in this Agreement or in the Lease in accordance with the terms and provisions herein, Franchisor shall have no liability under the Lease or this Agreement. Franchisor shall not by reason of this Agreement be deemed to be a party to the Lease and in no event shall Franchisor be deemed a guarantor of Tenant's obligations, or a joint venturer with Tenant, under the Lease. The provisions of this Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of Franchisor's European Wax Center franchise rights. Franchisor may exercise any rights to take assignment of the Lease pursuant to this

Effect of Renewal; Franchisor Consent:

By signing below, Franchisee hereby irrevocably exercises its right to obtain the Successor Franchise at the expiration of the Term for one (1) additional successive term of ten (10) years, which for purposes of the Franchise, will expire on _____. Pursuant to and as required by the terms of the Franchise Agreement, subject to delivery and receipt of each of the Required Deliverables and the timely satisfaction of each other condition precedent set forth below, Franchisor consents to the renewal referenced herein, and waives any notice rights in connection with foregoing. For the avoidance of doubt, and without limiting anything in this Renewal, no Franchisee shall receive or be entitled to

obtain the Successor Franchise unless and until such Franchisee delivers, and Franchisor receives, each of the Required Deliverables, and the Franchisee satisfies each other condition precedent set forth below, to Franchisor's satisfaction.

Conditions Precedent to Renewal:

Franchisee's right to obtain a Successor Franchise Agreement for a second ten- (10) year term shall be effective upon satisfaction of the following conditions precedent – in each case, in forms and substance that are satisfactory to Franchisor – no later than thirty (30) days prior to the expiration of the Extended Initial Term of the Franchise Agreement (or such later date as Franchisor may agree in its sole discretion):

- A. Receipt by Franchisor of signed counterparts of this Renewal and each of the other Required Deliverables set forth herein;
- B. Franchisee has complied, and continues to comply, with all material terms of the Franchise Agreement during its Initial Term; provided, that without limiting the generality of the foregoing, Franchisee shall timely cure each of the items to Franchisor's reasonable satisfaction set forth on Exhibit A, which is hereby incorporated into this Renewal by this reference (Franchisee will be deemed to have "complied" with a material term if Franchisee timely cures any breach of such term within the time periods required by the Franchise Agreement);
- C. Franchisee has access to and, for the duration of the Term of the Successor Franchise Agreement, the right to remain in possession of the Approved Location, or a suitable substitute location in the Protected Territory approved by Franchisor;
- D. Franchisee, at its sole expense, has made such capital expenditures to complete each of the improvements set forth on Exhibit B, which is hereby incorporated into this Renewal by this reference, in accordance with the terms and conditions set forth herein and within the Franchise Agreement, as applicable (the "Improvements"), which reflect those improvements required by Franchisor to maintain uniformity to reflect Franchisor's current standards and specifications for the Franchised Center;
- E. Franchisee completes each of the training requirements set forth below under "Training"; and
- F. Franchisee has satisfied and continues to satisfy all monetary obligations to Franchisor and its Affiliates (as applicable).

Successor Franchise Agreement:

As a condition to Franchisee's right to obtain the Successor Franchise, Franchisee (and Franchisor) will enter into and execute Franchisor's current form European Wax Center Franchise Agreement (referred to herein as the Successor Franchise Agreement) for a second ten- (10) year term, effective as of _____ (i.e., the day following the expiration date of the Initial Term of the Franchise Agreement), which shall supersede and replace the Franchise Agreement for all purposes; provided, however, that the execution, delivery and effectiveness of the Successor Franchise Agreement shall not extinguish or terminate the rights and obligations of the parties under the Franchise Agreement with respect to the periods prior to the execution of the Successor Franchise Agreement or operate as a waiver of any right, power or remedy of Franchisor under the Franchise Agreement. Each of the undersigned acknowledges that the Successor Franchise Agreement will be executed for the operation of an existing European Wax Center franchise location, and therefore, those provisions of the Successor Franchise Agreement that by their very nature apply to new franchisees and new franchise locations shall initially be disregarded; provided, that nothing in this Renewal shall limit any such provision in the event facts and circumstances may change in the future which would impact the applicability of such provisions, including, by way of example and not limitation, the relocation of the Franchised Center. By way of example, but without limiting the foregoing, provisions related to initial site location, development, pre-opening conditions and other similar contingencies that by their very nature apply to new franchisees and new franchise locations shall initially be disregarded.

Notwithstanding anything to the contrary in the Successor Franchise Agreement, subject to applicable law, Franchisee will not have any rights under the Successor Franchise Agreement to obtain a second successor franchise following the expiration of the Term of the Successor Franchise Agreement, unless Franchisee exercises its right to obtain the option to renew the Successor Franchise Agreement for a second ten- (10) year Successor Term by paying to Franchisor the Additional Successor Term Fee. The right to obtain an Additional Successor Term for the Franchised Center is set forth within Section 4.2 of the Successor Franchise Agreement. In the event that Franchisee is eligible to obtain an Additional Successor Term following the expiration of the Successor Term of the Successor Franchise Agreement, nothing within this Renewal shall be deemed to limit Franchisor's right to redefine the Protected Territory for the Franchised Center in

connection with the renewal of the Successor Franchise Agreement for an Additional Successor Term in order to account for changes in population density, demographics, consumer behavior and other factors Franchisor deems reasonably appropriate, taking into account, if applicable, Franchisor's then-current methodology for awarding protected territories for new locations in the region where the Franchised Center is located. For the avoidance of doubt, Franchisee will be required to pay Franchisor's then-current renewal fee in connection with its option to obtain an Additional Successor Term following the expiration of the Successor Term of the Successor Franchise Agreement.

Performance of Improvements:

Franchisor shall make available to Franchisee, at no charge to Franchisee, specifications for each applicable Improvement, including, as applicable, specifications for the exterior and interior design and layout, fixtures, equipment, décor and signs. Franchisee shall diligently complete the Improvements in accordance with the terms and conditions of the Franchise Agreement, including specifically and without limitation of other applicable sections, Section 5.4, which includes employing a competent licensed architect, engineer and/or general contractor to prepare, for Franchisor's approval, preliminary specifications (the "Plans") for such Improvements and to complete construction of such Improvements in accordance with the Plans. Subject to applicable law, such Plans shall be adapted from the specifications furnished by Franchisor, and Franchisee will not deviate from any such Plans following approval by Franchisor without Franchisor's written approval; provided if, due to unique circumstances disclosed to Franchisor prior to the date the specifications are submitted to Franchisor, it is necessary to deviate from Franchisor's standard specifications for the development of a European Wax Center, all deviations, including those that are necessary to adapt the standard specifications to the Substitute Approved Location, must be clearly designated in a separate document and submitted to Franchisor along with the Plans. Without limiting the generality of the foregoing, Franchisee shall obtain all permits and licenses required for the build-out of the Improvements and certify in writing and provide evidence to Franchisor that all such permits and certifications have been obtained, and obtain all insurance required under Franchisee's lease agreement prior to commencing development.

Prior to retaining any architect or design firm, engineer or general contractor, Franchisee will provide to Franchisor the name, address, and relevant work experience on similar projects for any architect or design firm, engineer or general contractor that Franchisee wishes to retain. Franchisor may request that Franchisee hire a different architect or design firm or engineer or general contractor based on prior experiences of Franchisor, its Affiliates or other franchisees' with such person or entity, such person's or entity's general business reputation, and such person's or entity's relevant work experience on similar projects. Franchisor's response or non-response to Franchisee's use of any such person or entity will not be deemed an endorsement or recommendation by Franchisor of any such person or entity. Franchisee acknowledges and agrees that Franchisor is not liable for the unsatisfactory performance of any person or entity retained by Franchisee.

If Franchisee elects or is required by the Franchise Agreement, as applicable, or its lease to perform construction work or renovations or refurbishment of the Franchised Center affecting the design, character, or appearance of the Franchised Center, Franchisee will obtain the prior approval of Franchisor that any such construction work or significant renovations or refurbishment complies with the specifications for the development of a European Wax Center.

Franchisor or its designees will promptly review the Plans for compliance with Franchisor's standard specifications. If Franchisor determines that the Plans do not comply with such specifications, Franchisor will provide recommended changes to Franchisee that Franchisee shall incorporate into the Plans and then resubmit to Franchisor for its review. Each party will act diligently and in good faith in the preparation, submission, review and revision of the Plans. Franchisee will not begin the construction, renovation or refurbishment of the Improvements, as applicable, until Franchisor notifies Franchisee that the Plans comply with Franchisor's standard specifications, and has secured all insurance required under Franchisee's lease agreement and the Franchise Agreement, as applicable. Once finalized, the Plans will not be changed, including changes required by governmental authorities, without the prior written consent of Franchisor.

Franchisee agrees that Franchisee, and not Franchisor or its Affiliates or their designees (including any Area Representative), is responsible for: (A) ensuring that any design, construction documents, specifications, and any construction, renovation, or refurbishment complies with any applicable law, including any requirements relating to disabled persons; (B) any errors or omissions; (C) the technical sufficiency, adequacy or safety of the plans, structures, any of their component parts, or any other physical condition or feature pertaining to the improvements; and (D) discrepancies (of any nature) in any drawings or specifications. Franchisee further acknowledges and agrees that: (i) Franchisor's review of the Plans is limited solely to determine whether the Plans comply with Franchisor's standard specifications; and (ii) Franchisor will have no liability or obligation with respect to renovation, upgrading or furnishing

of the Franchised Center. Except for Franchisee's own uses related to its construction or operation of the Franchised Center, Franchisee will not reproduce, use or permit the use of any of the design concepts, drawings or specifications.

Miscellaneous Terms:

Training. Notwithstanding any provision in this Renewal or the Successor Franchise Agreement to the contrary, in the event Franchisee employs a new center manager, Franchisee must notify Franchisor of the identity of the new center manager and the new center manager must complete the initial training program to Franchisor's satisfaction as soon as reasonably practical.

In addition, the parties acknowledge that the Franchisee Principal(s) have attended and completed Franchisor's initial franchisee training program for franchisees. Notwithstanding the foregoing, the Franchisee Principal(s) may complete Franchisor's Franchisee Virtual Training Program, which provides virtual training sessions for franchisees on various topics including center operations, franchisee fees and reports, as well as the Strut as One Program. In addition, the Franchisee Principals may attend Franchisor's Strut to Success Training, which is designed for center managers, and is a 4-week virtual program with applications designed to be executed in center. Each Franchisee Principal may also attend in-person Franchisee Training, which is provided for franchisees generally during the first week of every month at Franchisor's corporate offices in Plano, Texas. There are no fees for attending any of these training programs; however, franchisees are responsible for their own costs and expenses, including travel, room and board, as well as ensuring Internet connectivity for the virtual training programs.

Franchisees are further encouraged to consult with the regional support team to learn of other local training opportunities in the area. Franchisor makes available ongoing and/or refresher training support from time to time for the benefit of the franchise network.

Failure to Timely Deliver Required Deliverables and Satisfy Conditions Precedent. Notwithstanding any provision in this Renewal or the Franchise Agreement to the contrary, if Franchisee fails to timely deliver the Required Deliverables and timely satisfy each of the other conditions precedent set forth above, to Franchisor's satisfaction, the Franchise Agreement will expire upon the expiration of the Initial Term and Franchisee shall have no further rights with respect to the Franchised Center at its Approved Location. Franchisee acknowledges and agrees that time is of the essence with respect to the delivery of all of the Required Deliverables and completion of each of the other conditions precedent set forth above.

Notwithstanding the foregoing, Franchisor may, in its sole discretion, grant Franchisee by written notice (e-mail acceptable) an additional Cure Period (as defined below) to deliver the Required Deliverables and to complete each of the other conditions precedent set forth above. The "Cure Period" shall begin on the expiration date of the Extended Initial Term of the Franchise Agreement and continue until the earlier of: (i) the 180th day after the expiration date of the Extended Initial Term of the Franchise Agreement (without regard to the Cure Period); (ii) the date on which Franchisee ceases operation of the Franchised Center at its Approved Location; or (iii) the date Franchisee ceases exercising diligent efforts to deliver each Required Deliverable and to complete each of the other conditions precedent set forth above, as reasonably determined by Franchisor. During the Cure Period, and subject to the terms and conditions set forth in this Renewal (including, without limitation, the next immediate paragraph of this Renewal), Franchisee may continue operating the Franchised Center using the System and the Marks pursuant to the terms and conditions set forth in the Franchise Agreement, which shall survive for the purpose of governing such operation during the Cure Period; provided, however, that, for the avoidance of doubt, the terms and conditions set forth in Section 17 of the Franchise Agreement shall be suspended during the Cure Period.

As consideration for Franchisor's willingness to grant the Cure Period to Franchisee and to accommodate Franchisee's request to continue operating the Franchised Center using the System and the Marks during the Cure Period, Franchisee shall pay the following applicable increased royalty fees and ongoing advertising obligations (including any applicable marketing fund contribution) during the pendency of the Cure Period: (A) for the period commencing on the 1st day of the Cure Period and continuing through the 90th day of the Cure Period, 150% of the amounts otherwise required by the Franchise Agreement for the periods immediately preceding the Cure Period; and (B) commencing on the 91st day of the Cure Period and continuing through the 180th day of the Cure Period, 200% of the amounts otherwise required by the Franchise Agreement for the periods immediately preceding the Cure Period.

Upon the expiration of the Cure Period, all rights granted under the Franchise Agreement and/or this Renewal to Franchisee shall terminate, and Franchisee shall comply with each of the obligations set forth in Section 17 of the Franchise Agreement, unless, prior to the expiration of the Cure Period, Franchisee timely delivers each of the Required Deliverables and completes each of the other conditions precedent set forth above. If Franchisee timely delivers each of

the Required Deliverables and completes each of the other conditions precedent set forth above: (I) the Franchise Agreement shall be extended as if all such Required Deliverables were delivered and all such other conditions precedent were timely completed prior to the expiration of the Franchise Agreement's Initial Term (without regard to the Cure Period); and (II) the Successor Franchise Agreement shall supersede and replace the Franchise Agreement for the duration of the Term (as defined in the Successor Franchise Agreement); provided, however, that the execution, delivery and effectiveness of the Successor Franchise Agreement shall not extinguish or terminate the rights and obligations of the parties under the Franchise Agreement with respect to the periods prior to the Renewal Date or operate as a waiver of any right, power or remedy of Franchisor under the Franchise Agreement.

For the avoidance of any doubt, any applicable increased royalty fees or ongoing advertising obligations (including any applicable marketing fund contribution) paid or payable by Franchisee to Franchisor during the Cure Period shall survive notwithstanding the application and replacement by the Successor Franchise Agreement, and therefore no such amounts shall be refundable or returnable under any circumstances. The foregoing limited rights shall in no way prevent Franchisor from exercising its rights and remedies set forth in the Franchise Agreement or otherwise upon the expiration of the Cure Period, or in the event Franchisee breaches any term or conditions set forth in the Franchise Agreement.

Legal Notices:

The terms of this Renewal: (A) shall be limited to the transactions described above, and shall not extend to any other or further transactions, assignments, transfers or changes of ownership of Franchisee or the Franchise Agreement; (B) shall not be deemed or construed as a waiver of Franchisor's or its Affiliates' other legal rights or remedies it or they may have in connection with the Franchise Agreement or otherwise; (C) shall not in any way be construed or deemed a waiver of any breaches under the Franchise Agreement by Franchisee, or its successors or permitted assigns; and (D) shall not modify or amend the terms or conditions set forth in the Franchise Agreement or the Successor Franchise Agreement, as applicable, all of which shall remain in full force and effect for the remainder of the Term, without modification as a result of the transfer described above, except as otherwise set forth herein.

Franchisor's execution of this Renewal is provided in anticipation of the receipt of each of the Required Deliverables and completion of the other conditions precedent described above, and that in the event each such Required Deliverable or condition precedent is not executed and received by Franchisor or otherwise completed by Franchisee to Franchisor's satisfaction (as applicable), subject to the Cure Period set forth above, Franchisee's right to obtain a Successor Franchise Agreement for the Franchised Center shall be deemed ***null and void***. Except to the extent that this Renewal or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law and subject to any law regulating the sale of franchises or governing the relationship between a franchisor and franchisee, this Renewal shall be governed by and construed in accordance with the laws of the State of Texas (without reference to its conflict of laws principles). This Renewal may not be amended, supplemented, waived or changed orally, but only by a writing signed by each undersigned party. Each party agrees to execute and deliver all further documents or instruments reasonably requested by any other party hereto in order to effect the intent of this Renewal, including, without limitation, Franchisor's consent to the renewal of the Franchise Agreement. The terms and conditions of this Renewal will survive the execution and delivery of this Renewal and/or any Successor Franchise Agreement and/or any expiration or earlier termination of the Franchise Agreement.

BY SIGNING BELOW, FRANCHISEE AND EACH FRANCHISEE PRINCIPAL ACKNOWLEDGES THAT NO REPRESENTATIONS, PROMISES, INDUCEMENTS, GUARANTEES, WARRANTIES OR ESTIMATES OF ANY KIND REGARDING FINANCING, PROFITS, SALES, COSTS OR EXPENSES OF GENERALLY OR OF ANY BUSINESS WERE MADE BY OR ON BEHALF OF FRANCHISOR WHICH HAVE LED FRANCHISEE OR ANY FRANCHISEE PRINCIPAL TO OBTAIN A SUCCESSOR FRANCHISE LICENSE. FRANCHISEE AND EACH FRANCHISEE PRINCIPAL EACH UNDERSTAND THAT WHETHER FRANCHISEE SUCCEEDS IN FRANCHISEE'S BUSINESS IS DEPENDENT UPON FRANCHISEE'S EFFORTS, BUSINESS JUDGMENTS, THE PERFORMANCE OF FRANCHISEE'S EMPLOYEES, MARKET CONDITIONS AND VARIABLE FACTORS BEYOND FRANCHISOR'S CONTROL OR INFLUENCE. FRANCHISEE AND EACH FRANCHISEE PRINCIPAL EACH UNDERSTAND THAT SOME FRANCHISEES ARE MORE OR LESS SUCCESSFUL THAN OTHER FRANCHISEES, AND THAT FRANCHISOR MADE NO REPRESENTATION THAT FRANCHISEE WILL DO AS WELL AS ANY OTHER FRANCHISEE. FRANCHISEE AND EACH FRANCHISEE PRINCIPAL FURTHER REPRESENTS THAT HE, SHE OR IT, AS APPLICABLE, IS SOPHISTICATED AND EXPERIENCED IN FINANCIAL, BUSINESS AND INVESTMENT MATTERS, INCLUDING THE OPERATION OF A EUROPEAN WAX CENTER FRANCHISE, AND, AS A RESULT, EACH OF FRANCHISEE AND EACH FRANCHISEE

PRINCIPAL IS IN A POSITION TO EVALUATE THE MERITS AND RISKS ASSOCIATED WITH THE ACQUISITION OF A SUCCESSOR EUROPEAN WAX CENTER FRANCHISE, THE RESTRICTIONS ON TRANSFERABILITY AND THE TAX CONSEQUENCES AND RISKS OF SUCH INVESTMENT.

This Renewal may be executed in multiple counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Confirmation of execution by electronic transmission of a facsimile or .pdf signature page shall be binding.
