What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

- 1. Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
- 2. Mandatory Minimum Payments.** You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
- 3. Inventory Control.** You must make inventory and supply purchases of at least 2% of your gross receipts each year, even if you do not need that much. Your inability to make these purchases or to maintain inventory levels at all times may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

ITEM 1
THE FRANCHISOR, AND ANY PARENT, PREDECESSORS, AND AFFILIATES

The Franchisor

PuroSystems, LLC (“we”, “us” or “our”) was initially incorporated in the state of Florida on October 3, 1990, under the name Purofirst International, Inc. Our name was changed to PuroSystems, Inc. on December 31, 2002, and we converted to PuroSystems, LLC in September of 2015 (that conversion simply involved converting our existing franchisor entity from a corporation to a limited liability company). We maintain our principal place of business at 6001 Hiatus Road, Suite 13, Tamarac, Florida 33321. We conduct our business under our corporate name only. We do not maintain a sales office at any location other than our principal place of business. We do, however, lease training facilities in California and Michigan. Since September 2015, our parent company is Puro Enterprise Holdings, LLC, a Michigan limited liability company formed in September 2015 with its principal business address of 550 West Merrill Street, Suite 100, Birmingham, Michigan 48009.

We have offered franchises since 1991 for the establishment of businesses that operate restoration and construction services and other related services and products for fire, water and other forms of property casualty damage. In 1999 we added certain non-casualty related cleaning and purification services to the franchise offering. From 1991 to 2001 we offered these franchises under the trademark PUROFIRST®. We no longer offer franchises under the PUROFIRST mark. In 2001, we began to offer an alternate type of franchise, under the trademark PUROCLEAN® (the “Franchise Business”), to supply drying, repair, cleaning, mitigation, remediation and related services. We do not own or operate businesses of the types being franchised. We no longer offer franchises in any other line of business. As of the date of this Disclosure Document, we do not provide training or equipment for certain purification services, but we may do so in the future.

Our agents for service of process are listed in Exhibit B.

Our Predecessors and Affiliates

Before our incorporation in 1990, Purofirst, Inc., a Florida corporation incorporated on June 1, 1986, sold consulting services and products to dealers under the service mark “PUROFIRST”, of which seven such dealer relationships currently remain. On December 31, 2008, Purofirst, Inc. was dissolved and transferred all of its assets to us. We provide the remaining PUROFIRST dealers with the right to use the PUROFIRST mark.

We do not have any predecessors. Founded in 1972, our affiliate Signal USA, LLC d/b/a Signal Restoration Services provides emergency and environmental property restoration services across all 50 States through its network of eight offices in Michigan, California, Texas, Tennessee, Missouri, Florida, and New York. Signal Restoration Services maintains its principal place of business at 2490 Industrial Row Drive, Troy, Michigan 48084. Signal Restoration Services does operate company businesses through these offices that offer services to customers that are similar to PUROCLEAN franchisees but do not do so under the PUROCLEAN Marks. Signal Restoration Services does not and has not offered franchises in this business or any other line of business. Signal Restoration Services may, in the future, offer certain services, such as training assistance, to PUROCLEAN franchisees.

The Franchise Offered

If you receive our approval, you (individuals, partnerships, corporations, and the owners of partnerships and corporations will be referred to as “Franchisee,” “you,” or “your”) will have the right to sign a franchise agreement (the “Franchise Agreement,” a copy of which is included as Exhibit E to this Disclosure Document) for the establishment and operation of a PUROCLEAN business. A PUROCLEAN business provides drying, cleaning, painting, repair, mitigation, remediation, construction and replacement services and subcontract services to insurance companies, businesses and residential clients and others who have been subject to fire, flood, vandalism, trauma, mold and/or other casualties, as well as, purification, cleaning and odor removal services and products, all according to our established system whether or not casualty related. As a PUROCLEAN franchisee, you will provide all of the above services as well as restoration, remediation, mitigation, construction, purification and other related services and products to businesses and residential clients whether or not insurance covers them. You may work out of your home (where permitted) or a new or existing place of business (the “Office”). Your Office must be located in your Protected Office Location (“POL”). You will use most equipment, other than office equipment, from your vehicle, which we recommend you purchase in connection with the operation of the Franchise Business. The Franchise Agreement grants you the right to use the trademarks, trade name, service mark, and commercial symbols associated with your Franchise Business as we now designate and as we may designate in the future (the “Proprietary Marks”) for use in the operation of the Franchise Business.

New franchisees (excluding Conversion Franchisees and franchisees that entered the system by purchasing an existing PUROCLEAN business) may take advantage of our Clean Start Program during their first year of operation. Under the terms of the Clean Start Program, a qualifying franchisee may notify us of their desire to terminate the Franchise Agreement and we will assume the franchisee’s obligations under the franchisee’s vehicle lease agreement (if the vehicle is leased from our designated supplier) and initial Supplies Package lease (if the initial Supplies Package is leased from our designated supplier), provided franchisee satisfies the requirements of the Clean Start Program as detailed in Schedule 2 to the Franchise Agreement.

Before executing a Franchise Agreement, you may choose to sign a Development Plan Agreement (“Reservation Agreement,” a copy of which is included as Exhibit Q to this Disclosure Document) to reserve a geographic area within which you will locate your Office. No other franchisee will be granted the right to establish or operate a PUROCLEAN business from an office location within the geographic area that you have reserved for the time period noted in the Reservation Agreement. If you do not sign a Franchise Agreement within the time period or otherwise meet the terms and conditions of the Reservation Agreement, the Reservation Agreement expires.

As described in this Disclosure Document, we offer discounts on the Initial Franchise Fee and other fees (such as the Royalty Fee) to existing PUROCLEAN franchisees that wish to open one or more additional Franchise Businesses with us and who meet our qualifying multi-unit ownership criteria, including operational requirements and performance standards (“Multi-Unit Ownership Program”). If you are an existing PUROCLEAN franchisee who qualifies for the Multi-Unit Ownership Program, these discounted fees will apply to your purchase of franchise rights for an additional PUROCLEAN Franchise Business in accordance with our Multi-Unit Ownership Program Amendment (a copy of which is included as Exhibit P to this Disclosure Document). This

Amendment will be signed at the time you sign a Franchise Agreement for the additional Franchise Business.

Conversion Franchisees

In addition to our standard franchise offering, we offer a conversion program for established mitigation and reconstruction businesses that wish to join the PUROCLEAN franchise system and that meet our financial and experience criteria (“Conversion Franchisees”). Through the conversion program, qualified existing mitigation and/or reconstruction businesses (“Existing Businesses”) can convert to a PUROCLEAN Franchised Business once all the conversion program conditions have been met and after successfully completing our initial training program. In consideration of the PUROCLEAN franchise, we offer Conversion Franchisees discounted franchise fees and royalty rates based on the Existing Business’ established mitigation and/or reconstruction business gross volume. Conversion Franchisees also may continue operating any other portion of their Existing Business. A copy of the Conversion Addendum is attached as Schedule 1 to the Franchise Agreement

Market and Seasonality

The market for the services and products you offer is developed or is developing. You will compete with other similar restoration services including other PUROCLEAN franchisees, PUROFIRST franchisees, building and HVAC contractors, carpet cleaners, carpenters, building and remediation contractors and cleaning services.

Industry-Specific Regulations

Where required by law, you must be a licensed building, remediation or HVAC contractor or be qualified by a licensed contractor. In some states you may also be required to have specialty licenses to perform certain aspects of the services that you will offer. For example, you may need to obtain a mold remediation, demolition, drywall removal, bactericide, biocide, or other similar license. If you do not have or are not qualified to have one or more of these licenses, you may be prohibited from performing these segments of the Franchise Business. You should investigate the existence of these laws in your state.

ITEM 3
LITIGATION

Prior Actions

PuroSystems, LLC v. David DePaoli, Case Number: 01-19-0002-3841, American Arbitration Association (Filed August 1, 2019). We brought this action against our former franchisee, David DePaoli, to recover \$70,000 in damages based on DePaoli’s failure to pay royalties and other fees when due. In December of 2019, DePaoli filed a counterclaim alleging misrepresentation, breach of contract, and wrongful interference with contract. The counterclaim seeks rescission of DePaoli’s franchise agreement and damages in an amount to be determined. We denied all allegations in the counterclaim. The parties entered into a settlement agreement covering all claims on June 3, 2022, under which DePaoli agreed to pay us the total sum of \$32,702.50.

PuroSystems, Inc. v. William and Bonnie Savage, Southeast Case Management Center, Case No. 01-15-0003-5189. Filed May 13, 2015. We brought this action against our former franchisees, William and Bonnie Savage (“the Savages”), to recover over \$800,000 in damages based upon the Savages’ failure to pay royalties and other fees when due, and their abandonment of their franchise before the expiration of the term called for in their franchise agreement. The Savages filed a counterclaim in June 2015 alleging breach of contract, fraud in the inducement, fraudulent omission, and breach of the implied covenant of good faith and fair dealing based upon alleged failures to provide sufficient training, support in accordance with industry standards, and trade secrets. The counterclaim sought rescission of the Savages’ franchise agreement and damages in

an amount to be determined. The parties entered into a settlement agreement covering all claims on September 3, 2015, under which the Savages agreed to pay us the total sum of \$180,000.

PuroSystems, Inc. v. John Burke, American Arbitration Association, Southeast Case Management Center, Case No. 01-14-0000-3162. Filed May 2, 2014. We brought this action against our former franchisee, John Burke (“Burke”), to recover over \$1,500,000 in damages based upon Burke’s failure to pay royalties and other fees when due, and his abandonment of his franchise before the expiration of the term called for in his franchise agreement. Burke filed a counterclaim in December 2014 alleging breach of contract, fraud in the inducement, fraudulent omission, and breach of the implied covenant of good faith and fair dealing based upon alleged failures to provide sufficient training, support in accordance with industry standards, and trade secrets. The counterclaim sought rescission of Burke’s franchise agreement and damages in an amount to be determined. The parties entered into a settlement agreement covering all claims on July 28, 2015 under which Burke agreed to pay us the total sum of \$500,000.

Anthony Paterra v. Vulcan Site Services, d/b/a Signal Restoration Services, Frank Torre and Mark Davis, Case No. 2015-146661-CK, In the Sixth Judicial Circuit for the County of Oakland, Michigan. Filed April 20, 2015. Paterra alleged breach of contract, violations of MCL 600.2961, and fraud in the inducement against Vulcan Site Services, d/b/a Signal Restoration Services, Mark Davis and Frank Torre. Paterra claims he was induced to leave his previous employer by the defendants with the offer of a compensation and commission plan and the defendants failed to pay the commission plan as agreed. Paterra sought damages in excess of \$600,000. The defendants filed a Motion for Summary Disposition arguing, among other things, that Paterra’s claims were not supported by the evidence and must fail as a matter of law. While the motion was pending, the parties resolved the claims pursuant to court-ordered case evaluation, with the defendant Signal Restoration Services agreeing to pay Paterra \$75,000.

INITIAL FEES

Single Unit Franchise Agreement

Initial Franchise Fee. Upon signing the Franchise Agreement, you must pay to us an Initial Franchise Fee in the amount of \$59,000. The Initial Franchise Fee is fully earned upon receipt and non-refundable in consideration of administrative and other expenses we incur in entering into the Franchise Agreement, and for our lost or deferred opportunity to enter into the Franchise Agreement with others.

We participate in the International Franchise Association's VetFran Program and offer qualified individuals honorably discharged from any branch of the U.S. Military and who request it at the time of signing a Franchise Agreement a 25% discount off the Initial Franchise Fee. We also give certain credits for training to existing franchisees that purchase more than one franchise and who would not require initial training.

If you sign a Development Plan Agreement (Reservation Agreement), you pay us \$25,000 when you sign that agreement. The \$25,000 will be credited against the Initial Franchise Fee with the balance of \$34,000 due to us when you sign the Franchise Agreement. The \$25,000 is non-refundable even if you do not sign a Franchise Agreement within the term of the Reservation Agreement.

If you currently own a PUROCLEAN franchise and you are granted an option to purchase an additional franchise for a Franchise Business, the Initial Franchise Fee for the additional franchise will be reduced to \$25,000, which is non-refundable and payable at the time you sign the Franchise Agreement and the Multi-Unit Ownership Amendment.

During our fiscal year ended December 31, 2023, we collected Initial Franchise Fees that ranged from \$25,000 to \$59,000.

Conversion Franchise Agreement

We offer Conversion Franchisees a discounted Initial Franchise Fee, based on the gross receipts their Existing Business earned from providing mitigation and/or reconstruction services within the 12-month period before the franchisee applied for a PUROCLEAN franchise. Conversion Franchisees are entitled to a 5% discount per \$200,000 in gross receipts earned by their Existing Business from providing mitigation and reconstruction services, up to a maximum 50% discount off the Initial Franchise Fee (\$29,500).

Notes:

1. All fees are imposed and collected by and are payable to us or our affiliates, except as noted in this Item 6. All fees are non-refundable. Except as noted below, all fees are uniformly imposed. On occasion, we may consider reducing the royalty fee or other fees on a temporary basis to fit a particular concern or circumstance, taking into account a variety of factors relevant for the situation. Conversion Franchisees generally will pay the same Item 6 fees as new franchisees, except for the Royalty Fee as described below in Note 2.

2. On or before the 8th day of each month during the term of the Franchise Agreement, you will submit to us a royalty report (in the form we prescribe) and pay us a royalty fee (the “Royalty Fee”) as calculated below based upon your Gross Receipts during the preceding month.

Mitigation Services Royalty Fee:

Mitigation Services means and includes all work not included in Reconstruction Services including all drying, remediation, mitigation, cleaning, carpet cleaning, duct cleaning work, textiles, dry cleaning by in plant dry cleaning companies and related services on property casualty losses and related forms of property damage. Your Royalty Fee for Mitigation Services will be calculated as follows:

<u>On Cumulative Gross Receipts for the Current Calendar Year</u>	<u>You Pay</u>
For your first \$0 to \$249,999.99 of Mitigation Services Gross Receipts	10%
For your next \$250,000 to \$499,999.99 of Mitigation Services Gross Receipts	9%
For your next \$500,000 to \$749,999.99 of Mitigation Services Gross Receipts	8%
For your next \$750,000 to \$999,999.99 of Mitigation Services Gross Receipts	7%
For your next \$1,000,000 to \$1,249,999.99 of Mitigation Services Gross Receipts	6%
For your next \$1,250,000 to \$1,499,999.99 of Mitigation Services Gross Receipts	5%
For your next \$1,500,000 to \$1,749,999.99 of Mitigation Services Gross Receipts	4%
For any remaining Mitigation Services Gross Receipts of \$1,750,000 and over	3%

Multi-Unit Program:

Beginning January 1, 2025, the total Mitigation Services Gross Receipts for all Franchise Businesses owned by Franchisee as part of the Multi-Unit Program with a signed Multi-Unit Program Amendment will be aggregated and charged a Royalty Fee according to the scale below based upon the Franchisee’s cumulative Gross Receipts each calendar year. Franchisee must be a majority owner of each Franchise Business participating in the aggregate royalty scale below.

<u>On Cumulative Gross Receipts for Each Calendar Year</u>	<u>You Pay</u>
For your first \$0 to \$399,999.99 of Mitigation Services Gross Receipts	10%
For your next \$400,000 to \$799,999.99 of Mitigation Services Gross Receipts	9%
For your next \$800,000 to \$1,199,999.99 of Mitigation Services Gross Receipts	8%
For your next \$1,200,000 to \$1,599,999.99 of Mitigation Services Gross Receipts	7%
For your next \$1,600,000 to \$1,999,999.99 of Mitigation Services Gross Receipts	6%

For your next \$2,000,000 to \$2,399,999.99 of Mitigation Services Gross Receipts	5%

For any remaining Mitigation Services Gross Receipts of \$2,800,000 and over	3%

Franchisee’s Royalty Fee Rate for Mitigation Services will reset to 10% on January 1st of each new calendar year, and Franchisee will restart the process of earning royalty rate reductions based on its cumulative aggregate Gross Receipts. We can terminate the modified Royalty Fee Rate for the Multi-Unit Program for your failure to comply with the operational requirements, performance standards and other conditions of the Multi-Program Amendment.

Reconstruction Services Royalty Fee:

Your Royalty Fee for Reconstruction Services will be 3% of your Reconstruction Services Gross Receipts without any deduction for subcontractor-performed work. We have temporarily reduced (until December 31, 2024) the individual franchisee Royalty Fee for Reconstruction Services to 2% of your Reconstruction Services Gross Receipts. Reconstruction Services means and includes all reconstruction work to repair damages from fire, flood, or other catastrophic events of loss which includes electrical, dry-wall, painting, plumbing, roofing, carpentry, cabinetry, a floor covering replacement or installation work. Reconstruction Services do not include remodeling or construction work unrelated to a casualty loss, demolition work, rental of dumpsters, electrical power generators, or other rental services.

If an audit shows that there has been an underreporting of Reconstruction Services Gross Receipts and/or Gross Receipts from Reconstruction Services cannot be validated, all Gross Receipts from Reconstruction Services will be subject to the Royalty Fee calculation for Mitigation Services.

If your combined Royalty Fee for Mitigation Services and Reconstruction Services for the preceding month is less than the Minimum Royalty Fee noted below, we will have the right to withdraw from your bank account an amount equal to the greater of the Minimum Royalty Fee as outlined in the table below and the actual Royalty Fee you paid.

<u>Period of Term</u>	<u>You Pay (per month)</u>
1 st year	\$400
2 nd year	\$1,000
3 rd year	\$1,500
4 th year	\$2,500
5 th year	\$2,500
6 th – 20 th year	Prior year plus CPI

For each year over the initial five years or for each year after the last year that there was a set Minimum Royalty, the Minimum Royalty Fee will be determined by the prior year’s Minimum Royalty Fee, plus an amount equal to the percentage change in the Consumer Price Index, all Urban Consumers (1982-84 = 100), published by the U.S. Department of Labor, Bureau of Labor Statistics (“CPI”) for the period from January 1 through December 31 of the year immediately prior to the upcoming year or renewal year of the Franchise Agreement.

At any time during any calendar year, if the Royalty Fees and Minimum Royalty Fees paid by Franchisee are equal to or greater than the total Minimum Royalty Fees payable for that calendar year, then no further Minimum Royalty Fee would be due for the balance of that calendar year. Once a Royalty Fee or Minimum Royalty Fee is paid, it is neither refundable nor creditable to any future or past fees owed. So long as the Franchise Business is opened within 60 days of signing this Agreement and there is no default of this Agreement during the first year, Minimum Royalty Fees for the first three months of this Agreement are waived (there is no waiver if this Agreement is signed as a renewal or transfer). Royalty Fees are not waived and must be paid in a timely manner.

Conversion Franchisees:

Conversion Franchisees must pay a Royalty Fee on Gross Receipts generated by the Franchised Business and on any non-mitigation and/or non-reconstruction services performed by the Existing Business as a result of a lead from the Franchised Business. Conversion Franchisees will not pay a Royalty Fee on any other gross receipts generated by the Existing Business when a construction business becomes a Conversion Franchisee the construction work that is not related to a fire, flood or other disaster remains separate from the Franchised Business – examples are adding a deck to a house, remodeling a dated kitchen, and basically anything cosmetic. If, however, the construction work came from a lead that we provide to the Conversion Franchisee, the Royalty Fee for Reconstruction Services would apply.

If the Conversion Franchisee maintains at least \$500,000 in yearly Gross Receipts for the mitigation and/or reconstruction services it provides and is otherwise compliant with the terms of the Franchise Agreement and Conversion Addendum, we will provide Conversion Franchisees with the following Royalty Fee Discounts during the following months of operation:

Months of Operation	Mitigation Services Royalty Fee Discount	Reconstruction Services Royalty Fee Discount
First 12 Months	50% on Franchisee’s Gross Receipts, up to the Baseline Gross Receipts (defined below); no royalty discount on additional sums earned	<ul style="list-style-type: none"> 100% on Franchisee’s Gross Receipts
Months 13 to 24	40% Gross Receipts, up to the Baseline Gross Receipts; no royalty discount on additional sums earned	<ul style="list-style-type: none"> 90% on Franchisee’s Gross Receipts
Months 25 to 36	30% Gross Receipts, up to the Baseline Gross Receipts; no royalty discount on additional sums earned	<ul style="list-style-type: none"> 80% on Franchisee’s Gross Receipts
Months 37 to 48	No discount on Gross Receipts	<ul style="list-style-type: none"> 70% on Franchisee’s Gross Receipts

“Prior Gross Receipts” equals the Gross Receipts earned by the Existing Business from providing mitigation and reconstruction services, respectively during the 12-month period immediately preceding the execution of the Franchise Agreement and Conversion Addendum. In order to remain eligible for the Royalty Fees Discount, Conversion Franchisees must maintain a revenue volume equal to the Prior Gross Receipts. We will conduct an annual review of each Conversion Franchisee’s Gross Receipts from providing mitigation and reconstruction services within 45 days after the receipt of full records and reports to determine whether each Conversion Franchisee remains eligible for the Royalty Fees Discount and will advise the Conversion Franchisee if we will continue to extend the discount. Conversion Franchisees must provide full records and reports as outlined in the Franchise Agreement and proprietary Manual in order to be eligible for discounts within 15 days after the close of each calendar year.

The Royalty Fee Discount will not apply to Conversion Franchisees who otherwise provide construction and remodeling services through their Existing Businesses.

3. We may charge each individual a fee for attending any optional or additional training seminars. If the seminar is held away from our Florida training center (“PuroClean Academy”), the fee will be determined by dividing the expenses (including salaries) we incur to travel to and stay at the site of the seminar by the number of seminar attendees. If, however, specific sales and marketing training is included in the seminar training, our training expenses may be paid out of the Marketing Fees or may be paid by you.

4. You are required, at your expense, to employ a competent accounting firm to produce annual financial statements and submit such financial statements to us by February 15th of the following year.

5. You are required to pay to us (or any subsidiary, affiliate, or designee) promptly and when due the amount of all sales taxes, use taxes, personal property taxes, filing fees or document stamps and similar taxes imposed upon, required to be collected, or paid by us on the account of services or goods furnished by us to you through sale, lease, loan or otherwise or on account of collection by us of the Initial Franchise Fee, Minimum Royalty Fee or any other payments to us under the Franchise Agreement.

6. You must spend at least 2% of your monthly Gross Receipts on approved and documented local advertising and promotional activities which include but are not limited to direct-mail, list acquisition, trade advertising, continuing education courses for agents spent for the direct benefit of your franchise. Expenditures for wages and referral fees will not count toward your local advertising requirements.

In addition, you must maintain (at your sole expense) a competitive advertising program that meets our requirements and specifications as outlined more fully in the proprietary Manuals.

We may designate a local or regional advertising cooperative and require you to contribute to and participate in the advertising cooperative. Each franchise business, including any company- or affiliate-owned businesses, will be a member of the advertising cooperative. Each franchise or company-owned business will have one vote per business.

7. You must pay a Marketing Fee of 2% of Gross Receipts. Marketing Fees will be collected by means of ACH and are due at the same time as the Royalty Fee. Certain franchisees whose franchises have been in existence since at least 2004 do not pay the Marketing Fee. The Marketing Fee cap for 2024 is \$22,000 (the Marketing Cap applies separately to each Franchise Business under the Multi-Unit Program).

8. We have the right but not the obligation to hold an Annual International Convention (“Convention”). If we do hold a Convention, you must attend and pay us a registration fee. The registration fee for our last Convention was \$695 (\$595 for early registration), but we have the right to change the registration fee. The registration fee does not include your costs to attend the Convention such as transportation, lodging and meals. Additional optional training fees may apply. Registration and training fees may be collected by means of ACH 30 days prior to the Convention. We estimate that the total charge will range from \$595 to \$1,000.

9. You must purchase, at a minimum, an equivalent of 2% of your Gross Receipts per year of designated products from our designated supplier.

10. You will be required to complete the IICRC Applied Microbial Remediation Technician course within 90 days of completion of our PuroClean Academy initial training program. We offer this course from time to time at our location in Broward County, Florida at a cost of \$595.00. If may complete this course with another provider if you choose. Third parties offer the course for approximately \$1,000.

11. We provide IICRC-approved instruction during the initial training class for Water Restoration Technician (WRT) and Applied Structural Drying (ASD) certification. Following the initial training class, all franchisees must complete the IICRC exams to receive their IICRC certifications. The cost for the IICRC certification exam is currently \$80 per exam. The exam fee for the IICRC Applied Microbial Remediation Technician course is \$150, but this course is not included in the initial training class.

12. Qualified franchisees that choose to participate in the optional Certified Priority Response (“CPR”) Vendor Programs must pay us an administration fee of \$79 per job lead for certain administrative operations performed by our staff. The CPR administration fees may be adjusted from time-to-time. In addition, participating franchisees must pay for the cost of obtaining and maintaining the minimum insurance requirements, as well as the cost of additional background checks, training, and equipment required under the CPR Participation Guidelines and Program Agreement.

The actual amount due at inception of a financing arrangement will depend on your credit history and rating. Depending on the type of financing you choose, you may owe additional amounts at the end of the financing term.

The initial package does not include certain equipment and products necessary for you to perform certain services that are not yet offered by the Franchise Business, but may be in the future. You will be given a reasonable time to purchase or lease equipment needed for any such future services.

3. The amount in the above chart represents an estimate of the monthly insurance premium payments for a period of three months which is the initial phase for the Franchise Business. Average annual expenses range from \$6,000 to \$7,500. You may be required to pay the

entire annual premium initially or a portion as a down payment. These figures do not include Workers' Compensation Insurance. You must obtain Workers' Compensation insurance to cover your employees in amount required by applicable state law.

4. Supplies you will need include office furniture, calendar, stationery, and other general office supplies. The amount of office supplies identified in the chart represents an estimate of the monthly expenses for the initial phase of 3 months.
5. You will be required to pay telephone and utility deposits. The amount of the deposits will depend on the practices of the utility companies and the lessor. The amount in the above chart represents an estimated range of the monthly payments for the initial phase of 3 months for an office or rental facility.
6. Phone equipment must be purchased from our required supplier, currently Clarity Communication Advisors, Inc. The estimate in the table above includes the cost of required equipment, initial activation fees and 3 months of monthly service fees.

Current charges are averaging \$100-\$250 per employee which initially includes one technician and owner.
9. You will incur expenses associated with our PuroClean Academy initial training program. The estimate in the table above includes the costs associated with the IICRC WRT and ASD certification and testing during our initial training program. The estimate also includes EPA Lead Renovation, Repair and Painting (RRP) certification, IICRC AMRT training, and subrogation training. You must obtain both individual and firm RRP certification prior to the initial training program. Subrogation training must be completed prior to the initial training program. IICRC AMRT training must be completed within 90 days of completion of the initial training program. We offer IICRC AMRT training from time to time at a cost of \$595, plus a \$150 exam fee. For the IICRC training we offer, we provide instructors and instructional materials, but you will need to arrange and pay for transportation, lodging, and food for yourself and any employees, and for any wages for the employees. The total cost will depend on the distance you must travel to the training location, the type of accommodations you choose, and the number of people who attend training.
10. You must hold four continuing education courses during the first year after you begin operating your Franchise Business. We recommend that you hold one continuing education course every 3 months during the first 12 months that you operate your Franchise Business.

6. To the extent Existing Businesses do not have telephone and utilities services providers, Conversion Franchisees will be required to pay telephone and utility deposits. The amount of the deposits will depend on the practices of the utility companies and the lessor. The amount in the above chart represents an estimated range of the monthly payments for the initial phase of 3 months for an office or rental facility.

7. Conversion Franchisees can use their Existing Business's telephone numbers in connection with the operation of the Franchised Business, provided the numbers are assigned to us within 15 days after signing a Franchise Agreement. If Conversion Franchisees wish to create a new telephone number solely in connection with their Franchised Businesses, then they must purchase their phone equipment from our required supplier, currently Clarity Communication Advisors, Inc. The low estimate in the table above assumes the Conversion Franchisee uses their existing telephone equipment and number and the high estimate includes the cost of required equipment, the initial activation fees, and 3 months of monthly service fees to be paid to Clarity.
8. All technical employees and sales staff engaged in the operation of the Franchised Business must wear the standard PUROCLEAN uniforms, and generally average \$100-\$250 per employee which initially includes one technician and owner.
9. Conversion franchisees will incur expenses associated with our PuroClean Academy initial training program. The estimate in the table above includes the costs associated with the IICRC WRT and ASD certification and testing during our initial training program. The estimate also includes IICRC AMRT training and subrogation training that must be completed within 90 days of completion of the initial training program. We offer IICRC AMRT training from time to time at a cost of \$595, plus a \$150 exam fee. For the IICRC training we offer, we provide instructors and instructional materials, but you will need to arrange and pay for transportation, lodging, and food for yourself and any employees, and for any wages for the employees. The total cost will depend on the distance you must travel to the training location, the type of accommodations you choose, and the number of people who attend training.
10. Conversion Franchisees must hold four continuing education courses during their first year of operations. We recommend holding one continuing education course every 3 months during the first 12 months of operation.
11. Conversion Franchisees must obtain any licenses necessary to provide the products and services authorized under the Franchise Agreement.
12. Conversion Franchisees must purchase and utilize the DASH Software provided by Next Gear Solutions, Inc., our current designated supplier. The initial setup fee is \$1,500. The monthly user license fee is approximately \$500. This fee may increase from time to time. We may require you to use an alternative operating system in the future. We reserve the right to change our designated programs and designated suppliers from time to time.
13. You will be required to purchase and utilize the Insurance Industry Claims Estimating Software provided by Xactware Solutions, Inc., our current designated supplier. In order to use the Insurance Industry Claims Estimating Software you also must sign an XactAnalysis License Agreement (attached as Exhibit L) and Xactware Solutions, Inc. License Agreement (attached as Exhibit M) with Xactware Solutions, Inc. The cost of this software is approximately \$125 per month for each user license you obtain. The estimate in the table above represents the cost to license this software for the initial period of 3 months. We may establish a master license arrangement for the Industry Claims Estimating Software from our designated supplier, currently Xactware Solutions, Inc. We

reserve the right to change our designated programs and designated suppliers from time to time.

14. Conversion Franchisees may be required to pay security deposits ranging from \$1,000 to \$3,000 for required vehicles, depending on their credit scores.
15. Conversion Franchisees will need capital to support ongoing expenses, such as payroll and utilities, to the extent that these costs are not covered by sales revenue. New businesses often generate a negative cash flow. We estimate that the amount stated will be sufficient to cover ongoing expenses for the initial phase of operating the Franchise Business, which we calculate to be 3 months. This is only an estimate. We relied on our decades in the business to compile the amounts included in the chart. However, all figures are estimates. We have not calculated sales tax or any other type of tax or fee that may be levied in connection with the purchase of this franchise or any of the items listed above.

ITEM 8 **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

You must obtain your initial Equipment and Supplies Package of restoration, remediation, mitigation and purification equipment and products (i.e. drying, remediation and cleaning equipment and chemical products) and the Computer System before you begin operating your Franchise Business. Aramsco/Interlink Supply is the only approved supplier of the items included in the Equipment and Supplies Package and we are the only approved supplier of the Computer System. As described below, you also must purchase replacement or additional products and equipment from Aramsco/Interlink Supply. As of the date of this Disclosure Document, Aramsco/Interlink Supply is the only approved source for restoration products and equipment, and we do not have any obligation to you to appoint additional sources.

The required purchases in this Item 8 contributed \$869,768.93 or 2.6% of our \$33,011,017 total revenue in the last fiscal year, as noted in our 2023 audited financial statements included as Exhibit C. This revenue came in the form of rebates and direct sales.

During the first 18 months following the effective date of the Franchise Agreement, and for each full calendar year after the 18 months, you must purchase an equivalent of 2% of your Gross Receipts in consumable branded products from Aramsco/Interlink Supply. We may conduct a review of your purchase history to ensure your compliance with the minimum purchase requirements. All products, equipment and supplies used and offered for sale by you in the Franchise Business must meet our then-current standards and specifications, including but not limited to branding requirements (including our color and label requirements) as established in the proprietary Manuals or otherwise in writing.

As noted in the previous paragraph, you must purchase all products and equipment solely from suppliers who demonstrate to our continuing satisfaction, the ability to meet our standards and specifications, who possess adequate quality control and capacity to supply your needs promptly and reliably, and who have been approved by us in the proprietary Manuals or otherwise in writing. For example, you must use the DASH Software and enter into a License Agreement for the DASH Software, a copy of which is attached as Exhibit K. You must also enter into an XactAnalysis License Agreement (attached as Exhibit M) and Xactware Solutions, Inc. License

Agreement (attached as Exhibit N) with Xactware Solutions, Inc., our designated supplier for the Insurance Industry Claims Estimating Software.

Additionally, we will obtain, in our name, a telephone number(s) for use in the operation of your Franchised Business. The telephone number will include a local area code and prefix reflective of your approved office location. You will not be permitted to use non-local prefixes in your Franchised Business' telephone number, including, but not limited to, 800, 844, 855, 866, 877 or 888. The telephone number(s) will belong to us, but you will be permitted to use it during the term of the Franchise Agreement. You will pay our designated supplier (currently, Clarity Communication Advisors, Inc.) for your monthly telephone fees. You must sign Clarity's Telephone Number Release Agreement (attached as Exhibit I). We reserve the right to change our designated supplier or add additional approved suppliers at any time. Future additional approved suppliers may include, but are not limited to, Voicicity LLC.

You also must obtain your vehicle from one of our designated vehicle suppliers. We reserve the right to change our designated vehicle supplier or identify additional designated vehicle suppliers at any time. We reserve the right to change our designated suppliers and designated products and requirements from time to time, and you will be responsible for complying with these changes at your expense.

We also may identify certain products you must use without reference to a particular manufacturer. For example, at this time we require that you use Low Grain Refrigerant Dehumidifiers and no other type. We reserve the right to change these requirements and you will be responsible, at your expense to make the changes.

As of the issuance date of this Disclosure Document, no officer has an ownership interest in any approved suppliers.

Except for the Equipment and Supplies Package and the PUROCLEAN branded equipment you must purchase from us or our designated affiliate or supplier on an ongoing basis, there are no other products and equipment needed to operate your Franchise Business that you must purchase or license from us or our affiliate as of the date of this Disclosure Document. We reserve the right to designate a primary or single source of supply for other required items, and we or an affiliate may be that single source. Except for items where we have designated a single source, if you wish to purchase products, supplies, materials or equipment from other suppliers, you must submit to us a written request to approve the proposed supplier, together with the evidence of conformity with our specifications as we may require. For example, certain equipment and uniforms must be of a specific model and color. We will have the right to require you to permit our representatives to inspect the supplier's facilities, and that you deliver samples from the supplier for evaluation and testing either to us or to an independent testing facility that we designate. We may charge you an amount not to exceed the reasonable cost of the evaluation and testing. We must, within 30 days after our receipt of the completed request and completion of the evaluation and testing (if required), notify you in writing of our approval or disapproval of the proposed supplier. We will not unreasonably withhold approval. You must not sell or offer for sale any products nor use any equipment of the proposed supplier until you receive our written approval of the proposed supplier. We may revoke our approval of particular products, equipment, or suppliers when we determine that such products, equipment, or suppliers no longer meet our standards. We review a number of criteria in determining whether a particular supplier meets our standards including, among others:

(1) whether the product, supply or material meets our standards and/or specifications; (2) the supplier's facilities must be adequate to meet the needs of our franchisees; (3) the supplier's facilities must be accessible to our periodic evaluation; (4) the supplier must possess adequate quality controls; and (5) each supplier must require each manufacturer of equipment or supplies to name us as an additional named insured on a liability insurance policy in the amount of two million dollars (\$2,000,000.00) or more at no cost to us. Upon receipt of written notice of our revocation of approval, you must cease to use or sell any disapproved products and cease to purchase from any disapproved supplier.

You must conduct all advertising and promotional activities either through our designated advertising agents or according to our requirements, as noted in the proprietary Manuals or otherwise in writing or on our Intranet Support site. You must not use any advertising or promotional materials until you have received written approval from us. You must submit samples of all advertising and promotional plans and materials to us, for our prior approval if the plans and materials have not been prepared or previously approved by us. If you have not received written notice of disapproval within 15 days after our receipt of the materials, we will be deemed to have approved them. Any advertising or marketing materials you create or produce in connection with the operation of your Franchised Business can be used only by you. You must spend 2% of your annual Gross Receipts on local advertising and pay to us a 2% Marketing Fee.

You must procure and maintain during the term of the Franchise Agreement, the types and amounts of insurance covering the operation of the Franchise Business and the Office from insurance carriers reasonably acceptable to us. The cost of insurance purchased in accordance with our specifications will represent approximately 1% of your total purchases in connection with the establishment of your business, and 2% of your total purchases in the operation of your business. These percentages do not include workers' compensation insurance, which will vary with the payroll amount and category of employees. Workers' compensation insurance may be as high as 10% of payroll. You must obtain workers' compensation insurance in an amount required by applicable state law.

Of your total purchases and leases that must conform to our specifications, we estimate that 80% will be purchased from us, our affiliates, our designated suppliers or suppliers with products that meet our specifications in connection with the establishment of your Franchise Business. Of your total purchases and leases that must conform to our specifications, we estimate that approximately 10% to 20% will be purchased from us, our affiliates, our designated suppliers or suppliers with products that meet our specifications in the ongoing operation of your Franchised Business.

We may negotiate purchase and lease arrangements with suppliers for the benefit of the System, but not on behalf of individual franchisees. Currently, we have arrangements with a number of suppliers, including suppliers of paint and painting products, flooring, carpet, stationery, insurance, software, ASP, vehicle financing and leases and uniforms. We also have arrangements with a background screening company. Specifically, we currently receive rebates ranging from 2.5% to 20%, based upon our franchisees' purchases and leases of products and equipment, marketing materials, printing needs, promotional products, business gifts and apparel/uniforms. We also receive a rebate from ADP, Inc. ("ADP") based on payments you make to ADP for payroll and tax processing and filing services (collectively "Payroll Services"). Specifically, we receive an 8% to 17% rebate based on number of clients sold in a calendar year. All rebates are paid into

our general revenue fund. We reserve the right to be compensated by a supplier for creating or maintaining a relationship or arrangement with approved or recommended suppliers.

You will pay the then-current price in effect for any approved supplies or products we identify. In some instances, the cost for the approved supplies or products may be higher than the cost of other similar supplies and products on the market.

There currently are no purchasing or distribution cooperatives. We may negotiate purchase arrangements with suppliers (including price terms), for the benefit of the franchise system. We consider a variety of factors when determining whether to renew or grant additional franchises. Among the factors we consider is compliance with the requirements described above.

Conversion Franchisee Purchasing Requirements

To the extent Conversion Franchisees do not already own or lease equipment meeting our standards and specifications, they must purchase or lease the equipment before opening their Franchised Business, as noted above. We will conduct an audit of each Conversion Franchisee’s existing equipment and will provide a list of additional equipment and supplies to be purchased within 30 days after they sign a Franchise Agreement. Such equipment and supplies must be obtained from our designated supplier, Aramsco/Interlink Supply

Conversion Franchisees may continue to use equipment which is not branded with our logos but otherwise meets our standards and specifications, until the earlier of (a) 5 years after the original manufactured date; or (b) 3 years from the effective date of the Franchise Agreement.

In terms of rebranding each vehicle, 50% of all vehicles must be rebranded within 30 days of completing initial training, and the remainder must be rebranded within 12 months of executing this Agreement.

FINANCING

We do not offer any direct financing assistance. We offer indirect financing to our franchisees through AGS Fleet and Bush Business Enterprises. Your ability to obtain a lease

through either of these designated vehicle suppliers will depend on a number of factors including current market conditions, your credit history and your personal financial condition. We do not guarantee your notes, leases or other obligations and we are unable to estimate whether you will be able to obtain a lease through either supplier or any other third party for any or all of your investment. It is not our practice or intent to sell, assign or discount to a third party all or part of any financing arrangement.

Vehicle Financing

You must lease or purchase your vehicle from one of our designated vehicle suppliers. Our current designated vehicle suppliers are AGS Fleet and Bush Business Enterprises (collectively referred to below as our “Vehicle Lease Suppliers”), but we reserve the right to change our designated vehicle supplier or identify additional designated vehicle suppliers. If you lease your vehicle from one of our designated vehicle suppliers, your actual payment terms will vary depending on the terms offered by our designated vehicle suppliers at the time you sign your Franchise Agreement, your credit history, and other factors.

Sample copies of the Vehicle Lease Suppliers’ Lease Agreements are attached to this Disclosure Document as Exhibit N. The terms and conditions of the attached sample agreements may change. Below is a summary of the lease/financing terms offered by each:

Item Financed	Source of Financing	Down Payment	Amount Financed	Term	APR %	Monthly Payment	Pre-payment Penalty	Security Required	Liability Upon Default	Loss of Legal Right on Default
Vehicle	See Note (1)	As low as \$0	Up to 100%	See Note (2)	Varies based on individual profile (3)	See Note (4)	See Note (5)	See Note (6)	See Note (7)	No (8)

(1) We reserve the right to change our designated supplier or identify additional designated suppliers at any time.

(2) The term of the lease offered must be for a minimum of 12 months. The most commonly requested term is 60 months (or five years).

(3) The rates will vary (6-12% APR) based upon current market conditions, your individual credit history, your personal financing condition, and other factors the lender may deem appropriate.

(4) The total number of monthly payments will depend on the term of your lease or loan. Payments will be due monthly, and the installment payments will consist of a fixed payment each month. On average, monthly payments under a Vehicle Lease Agreement range from \$450 to \$1,100 per month.

(5) The remaining base rental figure (the balance owed) under your Vehicle Lease Agreement can be satisfied at any time after the 24th month (may vary) without penalty.

(7) If any lease payment is not paid within the cure period after it is due, you will pay a late fee. If you default under the Vehicle Lease Agreement, the lender may demand immediate payment of the total outstanding balance due and owing under the Vehicle Lease Agreement, plus all costs for collection including attorney's fees. The lender will also have the right to retake possession of the vehicle, with all equipment, instruments and accessories and subsequently lease or sell the vehicle to a third party.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING,
COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance:

Pre-Opening Obligations

Before you open the Franchise Business, we must provide the following assistance and services to you:

1. Training at our location. (Franchise Agreement, § 4.2). We will provide Conversion Franchisees and/or their designated managers with initial training at the next available training session after they sign a Franchise Agreement. Any additional persons required to attend training under Section 7.1 of the Franchise Agreement may attend a subsequent initial training class during the first six months of opening the Franchised Business. (Conversion Addendum, § 12).

2. One copy of the proprietary Manuals (which may be supplied to you on computer disk, on our website or through print or other electronic media), on loan for the term of the Franchise Agreement, as more fully described below (Franchise Agreement, § 4.3).

3. Use of our trade and operating procedures and methods (which must be maintained in strict confidentiality) (Franchise Agreement, § 4.4).

4. Provide you with standards and specifications for the furniture, fixtures, equipment, vehicles, and inventory necessary to operate a Franchised Business. (Franchise Agreement, §§ 7.5, 7.6). We will conduct an inventory of each Conversion Franchisee's Existing Business's furniture, fixtures, equipment, vehicles, and inventory and provide each Conversion Franchisee with a detailed list of additional purchases each Conversion Franchisee will need to make to conform the Existing Business to our current standards. (Conversion Addendum § 11).

We are not obligated by the Franchise Agreement or any other agreement to provide any other supervision, assistance or services before the opening of the Franchise Business.

Site Selection

You must operate the Franchise Business only from a location within the POL as described in the Franchise Agreement. You must select an Office only within the POL, which we must approve in advance. We will approve or disapprove the proposed site within 14 days of receiving

notification from you as to the site. If the site selection cannot be agreed upon, there are no other consequences other than the Franchise Business cannot be operational. We do not provide you with assistance in selecting a location for the Office. You must not relocate the Office without our prior written approval. (Franchise Agreement, § 3.4).

Before you can schedule and attend field training (as described in more detail below), an approved site for your Office must be acquired and secured. We may, but are not required to, permit you to schedule your field training prior to securing a site for your Office if a signed letter of intent to lease or purchase your Office Site is provided in advance of scheduling the field training.

Conversion Franchisees must operate their Franchised Businesses from their Existing Business's location. (Conversion Addendum, § 14).

Opening the Franchise Business

The length between the signing of the Franchise Agreement and the opening of the Franchise Business ranges from 30 to 120 days. Factors that affect this time period are the timely payment of fees, purchase of equipment and completion of training. Conversion Franchisees must complete their pre-opening obligations and open the Franchised Business within 60 days of signing the Franchise Agreement.

Continuing Obligations

During the operation of the Franchise Business, we must provide the following assistance and services to you:

1. Use of the Proprietary Marks and copyrighted materials during the term of the Franchise Agreement (Franchise Agreement, § 4.1);
2. Ongoing support and technical information by telephone, internet, intranet, ASP or other technology that may be available in the future (Franchise Agreement, § 4.5);
3. Marketing consulting (Franchise Agreement, § 4.6); and
4. Advertising consulting (Franchise Agreement, § 4.6).

We are not obligated by the Franchise Agreement or any other agreement to provide any other supervision, assistance or services after the opening of the Franchise Business.

Marketing

We collect a "Marketing Fee" from you in an amount equal to 2% of your Gross Receipts. The Marketing Fees will be paid in the same manner and at the same time as the Royalty Fee. We intend to use the Marketing Fees to build brand awareness and to provide marketing, advertising and promotional materials and services to benefit the System as well as conduct marketing, advertising or promotional campaigns for the System. We have temporarily capped (until December 31, 2024) the individual franchisee and company-owned Marketing Fee contribution at a maximum of \$22,000 annually. Our company-owned PuroClean businesses pay the Marketing

Fee at the same rate as the franchisees. All franchisees do not pay the Marketing Fee. While not required, we also may contribute to Marketing Fees from time to time. We will administer the Marketing Fees and will, at your written request, provide you with an annual unaudited statement of the receipts and disbursements of the Marketing Fees. We are not required to spend any particular amount on marketing, advertising, or promotion in the area where your Franchise Business is located. We may conduct up to one week of marketing training within the first 30 days of opening your Franchise Business without any cost to you. We have the right to receive an administrative fee to cover related sales promotion, marketing and administrative expenses. We will have no fiduciary duty to you with respect to the collection or expenditure of Marketing Fees, and the Marketing Fees will not be held in a trust or escrow account. If all of the Marketing Fees are not spent in the fiscal year in which they accrue, the remaining amounts will be retained for use in the following years.

During our fiscal year ending December 31, 2023, the Marketing Fees were spent in the following approximate amounts: 4% travel and trade shows, 51% national account development, 25% marketing programs and public relations, 19% internet marketing and 1% general and administrative. We or our affiliate may be reimbursed for administrative costs and overhead incurred in administering the Marketing Fees. We will not use the Marketing Fees to advertise principally for franchise sales, but we do reserve the right to add internet links, subset ads and other types of add-on advertising that would be used for selling franchises.

There is a franchisee advisory council known as the Network Leadership Council (“NLC”) that will also act as the Marketing Fees advisory council. Currently, the NLC is comprised of 8 franchisees that are elected for a two-year term. We may appoint additional franchisees to serve on the NLC from time to time. As the PUROCLEAN system grows, however, we may form a different franchisee advisory council or marketing committee that will, in part, provide advice on advertising and promotional activities to us. We likely will retain the power to form, change or dissolve any franchisee advisory council established in the future.

As of the date of this Disclosure Document, we do not fund any advertising or marketing program for the products or the services offered by you. Although we are not contractually required to do so, we may make marketing material available to you.

Although we do not presently require, in the future we may require you to participate in a local or regional advertising cooperative. The primary purpose of any cooperative will be to help establish a larger overall presence in a particular market. The Franchise Agreement does not provide and we do not currently have a plan for determining: 1) how the area or membership of the cooperative is defined; 2) who is responsible for administration of the cooperative; 3) whether the cooperative must operate from written governing documents; or 4) whether cooperatives must prepare annual or periodic financial statements. The Franchise Agreement does give us the power to require that cooperatives be formed, changed or merged.

You may use your own advertising materials so long as you obtain prior written approval of the proposed advertising materials from us. You must submit samples of all advertising and promotional materials to us for our prior approval of such plans and materials have not been prepared or previously approved by us. If written notice of disapproval is not received by you from us within 15 days of our receipt of such materials, we shall be deemed to have approved them. These materials must be directed to our Marketing Department. Any advertising or

marketing materials you create or produce in connection with the operation of your Franchised Business can be used only by you. Our Field Support Specialists will determine the best approach for marketing support for Conversion Franchisees immediately after they have attended initial training. (Conversion Addendum, § 6).

We are not obligated to continue or add to any specific existing programs or other types of services nor are we obligated for future development of programs.

Computer Systems

New franchisees will receive a computer system that we develop or select for the Franchise Business (the “Computer System”). The Computer System is not included in the Initial Franchise Fee is the Initial Franchise Fee discounted as part of a transfer or the Multi-Unit or Conversion Programs (in which case the Computer System must be purchased separately). The Computer System includes a laptop computer and all hardware, software, and office automation capabilities described below and the data used to record and analyze sales, inventory, product usage and tax information. As of the date of this Disclosure Document, there is no cost to new franchisees for the Computer System. The Computer System you receive will include all hardware, software and office automation capabilities that we currently require. As of the date of this Disclosure Document, the Computer System includes the items below:

- Apple iPad
- One IBM ThinkPad or an equivalent laptop that we select, including a docking station and wireless mouse
- Microsoft® Windows 10 Professional operating system (or a higher version of Microsoft Operating System);
- An anti-virus program that meets our specifications, which may include Microsoft Windows Defender, Malwarebytes®, Norton® or McAfee®;
- One-year Microsoft® Office Home & Business Edition (or a higher version of Microsoft Office) from Microsoft Corporation subscription;
- One-year Adobe Acrobat Standard subscription;
- QuickBooks® Desktop Pro by Intuit®. We have developed a PuroClean customized chart of accounts to be used in conjunction with QuickBooks® Pro, which cannot be altered unless we authorize in writing;
- Badger web-based routing software. The first six months license fee is included. After the first six months, at Franchisee’s option and expense, there is a renewal license fee of approximately \$500 per year;
- Xactimate® from Xactware® software for the Insurance Industry Claims Estimating Software (monthly subscription payable to Xactware directly);

- DASH™ System (monthly subscription payable to Next Gear Solutions, Inc. directly); and
- Access to PuroFAB and PuroDrive (web-based software).

You are required to use our proprietary web-based financial analysis and benchmarking royalty reporting program, PuroFAB. We will provide you with access to PuroFAB. There is no cost to you to access PuroFAB.

In addition to PuroFAB, you also must use the DASH restoration business and job management software or other operating system we designate. The cost to license DASH is currently \$500 per month per office. This fee may increase from time to time. You will be required to sign a user license agreement with Next Gear Solutions, Inc. in connection with your use of DASH. We may access messages, information and data stored on or transmitted through DASH.

In order to access the Insurance Industry Claims Estimating Software, you must enter into an Xactware Solutions, Inc. License Agreement with Xactware Solutions, Inc. You may be required to license additional proprietary software from us, an affiliate or a third party, and you also may be required to pay a software licensing or use fee in connection with your use of the proprietary software. All right, title and interest in the software will remain with the licensor of the software.

You may not substitute a comparable software package for these functions. Additional software may be required in order to qualify to participate in National Accounts Programs and receive National Call Center job referrals.

We anticipate that certain companies and individuals will begin to conduct business over the Internet or Intranet. In order for you to participate in this business you will be required to pay a transaction fee to the service provider. We have used our best efforts to insure that we have a ‘favorite’ pricing arrangement on our current transaction fee structure (as outlined below) with XACTWARE INFORMATION SYSTEMS, INC. for our franchisees that wish to participate in the program. There are other minor fees that may be charged including cancellation, toll free phone charges, etc. At this time we do not anticipate those charges to be over \$10 per transaction. We have no exclusive agreement and XACTWARE INFORMATION SYSTEMS, INC. has the right to market their products to the general public (Franchise Agreement, §7.13).

Fee Structure XactNet

Estimate Value	Charge

You must store all data and information that we designate and report data and information in the manner we specify, including through our intranet or other online communications. We will

have the right to independently access the information, application and data stored on your Computer System at any time. You also must have your Franchise Business connected to the internet using a connection method we approve, currently DSL, Broadband or Cable modem. You may use any local ISP of your choice as long as the access path complies with the DASH Software specifications. Mobile Broadband Internet access generally costs between \$75 and \$100 per month.

We have the right to determine the content and use of any website or other online or electronic media associated with the Proprietary Marks. You may not separately register or use any domain name or any portion of a domain name or other Web site or URL name associated with the Proprietary Marks, or participate in any website or other electronic media (including social media) that markets goods and services similar to those offered through your Franchise Business unless it is approved in writing by Franchisor. Your general conduct on the Internet or other electronic media, including your use of the Proprietary Marks or any advertising is subject to the terms and conditions of the Franchise Agreement or any other rules, requirements or policies that we may identify from time to time.

We may own, maintain, and control all software, hardware, websites, telephone numbers, e-mail addresses, facsimile numbers and other forms of internal and external communication you use in connection with your Franchise Business.

Neither we, nor any affiliate or third party is obligated to provide ongoing maintenance, repairs, upgrades or updates to the Computer System. We currently do not require that you purchase a maintenance, repair, upgrade or update service contract for the Computer System, but we reserve the right to do so in the future. The current annual cost of a service contract is \$200 to \$500.

We do not provide support or warranties for hardware or third party software; any support or warranties are provided solely by the manufacturer.

We reserve the right to designate changes or enhancements to the Computer System used in your Franchise Business including changes or enhancements to computer hardware, software and other equipment. You will have 60 days to install and commence using the changed or enhanced Computer System. You must acquire the right to use hardware, software, peripheral equipment and accessories, and arrange for installation, maintenance and support services of the initial, changed or enhanced Computer System all at your cost.

We will advise you in writing of any required upgrades to your computer software and give you a reasonable time period in which to comply.

Proprietary Manuals

In order to protect our reputation and goodwill and to maintain high standards of operation under the System, you must operate the Franchise Business in accordance with the standards,

You must treat the proprietary Manuals, and the other written materials created for or approved for use in the operation of the Franchise Business, and the information contained in them, as confidential, and must use all reasonable efforts to maintain such information as secret and confidential. The proprietary Manuals will remain our sole property and must be kept in a secure place in the Office. We may, from time to time, revise the contents of the proprietary Manuals, and you must comply with each new or changed standard (Franchise Agreement, §16 & §9). The Table of Contents from our proprietary Manuals is attached as Exhibit D. The proprietary Manuals contain a total of 523 pages.

It is not unusual for certain segments of the training to vary somewhat from what is shown above. Business requirements and other factors may result in changes to the schedule. We will attempt to give you advanced notice when this occurs.

We may conduct some of the initial training identified above through computer-based training or at other locations we designate.

Training materials will include the proprietary Manuals and use of equipment and supplies. We reserve the right to alter the training program to accommodate special circumstances.

The PuroClean Academy NFT will be led by Darren Hudema and conducted by other members of our training staff and IICRC instructors who have experience in various aspects of the restoration industry, building industry, support industry and/or have various degrees related to business and administration. In addition, some of our vendors and suppliers may present during the PuroClean Academy initial training program. The PuroClean Academy NFT program is mandatory and must be completed by you if you are an individual, and, at our option, each of your principals owning 25% or more of the Franchise Business (if you are a corporation or partnership), and your manager (if you or a principal will not manage the Franchise Business). Training must be completed to our satisfaction before the opening of the Franchise Business.

For all required PuroClean Academy NFT courses, including the required IICRC Certifications, we will provide, at no charge to you, instructors, online training and training materials for up to two attendees. Additional attendees may be charged a fee. The fee for additional attendees is currently \$699 but may change from time to time. You, however, are responsible for all costs associated with completing the IICRC exams to receive your IICRC certifications. The cost for the IICRC certification exam is currently \$80 per exam and \$150 for AMRT. PuroClean requires that someone maintains their IICRC certification and maintain the IICRC’s guidelines for IICRC CEC’s which may require training outside of the PuroClean Academy initial training at a cost to you. You or your employees will be responsible for all other expenses incurred by them in connection with any such courses, seminars, and programs including all travel related costs and wages.

We may require, any manager subsequently employed by you to complete our NFT program, to our satisfaction. You and your manager and other employees also must attend such

additional courses, seminars, and other training programs as we may reasonably require from time to time which also includes maintaining IICRC credentials. We may offer optional training programs, courses, mentoring and seminars to you and we may charge you a reasonable fee for the additional training programs. For all optional training programs, courses, and seminars, you or your employees will also be responsible for the expenses described above. (Franchise Agreement, § 7.2)

After successfully completing NFT, we may require you to participate in a five-day mentoring program before your initial field training. However, we are not obligated to offer a mentoring program. The mentoring program may include, among other things, time spent with an experienced PuroClean franchisee on production, administration, sales and/or marketing. We will assign you the closest available mentor to your Protected Office Location. You will be responsible for all travel, lodging and related expenses you incur while participating in the mentoring program. We estimate you will spend approximately \$2,500 on such expenses. Regardless of the costs you actually incur, you will receive a \$2,500 royalty credit on your account with us upon your successful completion of the mentoring program. The mentoring program will not be available or required for existing PuroClean franchisees who purchase an additional franchise.

We may also provide field training for up to two days. Field training typically occurs after your completion of the mentoring program. Our Initial Field Trainers or our Regional Directors may provide the initial field training. Field training may be conducted virtually. You may not schedule or attend field training until you have completed NFT and an approved site for your Office is acquired and secured. If you request a change in the agreed-upon field training schedule, you will be responsible for any associated costs and expenses as a result of the requested change in schedule, including any travel related penalties or change fees.

You will be required to complete the IICRC Applied Microbial Remediation Technician course within 90 days of completion of our PuroClean Academy initial training program. We offer this course from time to time at our location in Broward County, Florida at a cost of \$695.00. You may complete this course with another provider if you choose. Third parties offer the course for approximately \$1,000-1300.

We provide IICRC-approved instruction during NFT for Water Restoration Technician (WRT) and the Applied Structural Drying (ASD). All franchisees must complete and pass the IICRC exams to receive their IICRC certifications. The cost for the IICRC WRT and ASD certification exam's is currently \$80 per exam per designation and is payable to the IICRC by check or credit card. The exam fee for the IICRC Applied Microbial Remediation Technician course is \$150, which is not included during the initial NFT.

We have the right but not the obligation to hold an Annual International Convention ("Convention"). If we do hold a Convention, you must attend and pay us a registration fee. The registration fee for our last Convention was \$695 (\$595 for early registration), but we have the right to change the registration fee. The registration fee does not include your costs to attend the Convention such as transportation, lodging and meals. Additional optional training fees may apply as well. Registration and training fees may be collected by means of ACH 30 days prior to the Convention. We estimate that the total charge will range from \$595 to \$1,000.

Warranty

We do not offer or authorize you to offer any type of warranty under our name.

ITEM 12 **TERRITORY**

You will be assigned a Protected Office Location (“POL”) where you must establish and operate an Office for your Franchise Business from a single location within your POL. PuroClean offers an “open territory” system, and except as described in this Item 12, there are no restrictions or limitations as to the customers you or any other PuroClean franchisee may market or service. Further, there are no limitations on the customers we or our affiliates may market or service. Although you will receive a POL, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control or that are otherwise affiliated with us. You may market and service customers located inside and outside of your POL.

The POL is a specific agreed upon area identified in your Franchise Agreement containing a population generally of up to 100,000. We must approve in advance the location of your Office. You may not relocate the Office without our prior written approval, which we will not unreasonably withhold provided the proposed relocation site is within your POL and otherwise meets our then-current site and layout criteria and all lease agreements and assignment of lease agreements have been approved and signed by all parties. During the term of the Franchise Agreement we will not establish or operate, or license any other party the right to establish or operate, a PuroClean business from an office or business address located inside your POL. Except as otherwise provided in this Item 12, other PuroClean franchisees or company-owned businesses may market and service customers located inside and outside of your POL.

We reserve the right to create and implement regional or national strategic alliance accounts. For example, we may create a strategic alliance account consisting of regional or national insurance program managers and/or administrators and real estate and property managers (“Account Participants”). Through a strategic alliance account, we will serve as the central contact within the PuroClean System for Account Participants to refer business. We have the absolute right to assign any business received through the strategic alliance account program to a third party. The third party may or may not be a PuroClean franchisee, but is qualified to participate in the strategic alliance account program and who is able to perform the services requested within the timeframe and in accordance with the specific circumstances and requirements identified by the Account Participant.

Our right to assign business received through the strategic alliance account to any third party who is qualified to participate in the strategic alliance account program is absolute and will not be restricted by any growth strategy we may implement. Additionally, we have the right to designate anyone as an Account Participant and assign the business received from the Account Participant to any PuroClean franchisee or third party.

If you are assigned business that is referred through the strategic alliance account program, the terms, conditions and procedures under which you provide services may differ from your standard terms, conditions and procedures. We will identify the terms, conditions, and procedures

for providing services to a customer referred through a strategic alliance account program in the proprietary Manual or other system communications. These terms, conditions and procedures will govern any services you provide to a customer referred to you through a strategic alliance account program.

We retain all rights that are not expressly granted to you under the Franchise Agreement. For example, we may establish and operate a franchised or company-owned PuroClean business whose office or business address is located outside your POL. This right will correspond with our then-current market growth strategies. Additionally, we may establish and operate, and/or license others to establish and operate, within and outside of your POL, any business providing services under marks other than the PuroClean Proprietary Marks in the areas of casualty contracting, casualty restoration, remediation, mitigation, construction, purification, drying, cleaning, painting, repair, and replacement services and/or subcontract services to insurance companies, business and residential clients and others who have been subject to fire, flood, vandalism, trauma, mold and/or other casualties, as well as, purification, cleaning and odor removal services whether or not casualty related, which business or businesses may solicit and provide services to any customer located inside and outside your POL. In addition, our affiliate Signal Restoration Services may establish and operate, and/or license others to establish and operate, its business within and outside of your POL in the areas of emergency and environmental property restoration services. We also may offer, sell or distribute, within and outside your POL, any products associated with the PuroClean System (now or in the future) or identified by the PuroClean Proprietary Marks, or any other marks, through any distribution channels or methods. This includes, without limitation, to other cleaning or restoration service businesses, stores or locations, or any business or store of any kind, or by mail order, catalogue, or the Internet (or any other existing or future form of electronic commerce). For example, we may distribute products through retail stores and locations. Finally, we may merge with, acquire or become associated with any businesses or stores of any kind under other systems and/or other marks, which businesses and stores may convert to or operate under the PuroClean Proprietary Marks and offer or sell products and services that are the same as, similar to, or different than the products and services offered at or from your Franchise Business. Such businesses may be located anywhere within or outside your POL. We are not required to pay you any compensation if we exercise any of the rights specified above inside your territory (POL).

Although we have the right to do so (as described above), we have not operated or franchised, and have no plans to operate or franchise, other businesses selling similar products or services under different proprietary marks.

Upon request and as part of our current Multi-Unit Program, we will consider granting you an additional Franchise Business based on your compliance with your existing Franchise Agreement and other qualifications and conditions. Those conditions include (a) the franchisee's current Franchise Business must continue to generate a minimum of \$1,000,000 in annual Mitigation Services Gross Receipts; (b) each subsequent Franchise Business established by the franchisee must remain in compliance with the terms of its Franchise Agreement, and reach the following annual levels of Mitigation Services Gross Receipts in its first five years of operation: (i) Year one: \$200,000, (ii) Year two: \$300,000, (iii) Year three: \$500,000, and Year five: \$1,000,000. After five years of operation, a Franchise Business must maintain \$1,000,000 in annual Mitigation Services Gross Receipts. If any Franchise Business fails to achieve \$1,000,000 annual Mitigation Services Gross Receipts, it will have a one-year probationary period to return to the required revenue level. In order to expand beyond three Franchise Businesses, each of

franchisee’s existing Franchise Businesses must be generating a minimum of \$1,000,000 in annual Mitigation Services Gross Receipts before additional franchises will be approved.

Continuation of your franchise does not depend on you achieving a certain sales volume, market penetration, or other contingency.

Except as otherwise provided in this Item 12, we do not restrict you from soliciting or accepting orders from outside your territory (POL), but you do not have the right to use other channels of distribution, such as the Internet to make sales inside or outside your territory (POL).

In addition to your POL, you may be assigned a “Halo” territory containing a population generally of up to 150,000. Your Office cannot be located within the Halo territory. As long as you remain in good standing under the Franchise Agreement and the Halo program is in effect, PuroSystems will not establish or operate, nor license any other person the right to establish or operate, a PuroClean business using the PuroClean proprietary marks from an office or business address located within the Halo zip codes, which are non-exclusive. We retain all of our rights applicable to POL’s for Halo territories. Your Halo territory will be terminated with no right to reinstatement if you are in default (with or without notice) of your Franchise Agreement. PuroSystems will review the Halo program at the end of each calendar year, and may modify or discontinue the program, including any and all Halo territories, at that time.

ITEM 13
TRADEMARKS

The Franchise Agreement grants you the right to operate your Franchise Business under the name PUROCLEAN and under any other proprietary marks currently used or that we may use in the future in the operation of the Franchise Business (collectively, the “Proprietary Marks”). We also claim common law trademark rights for all of the Proprietary Marks. We have filed or intend to file all required affidavits and renewals for the Proprietary Marks listed below:

You also retain no rights in the Proprietary Marks upon expiration or termination of your Franchise Agreement. You are not permitted to make any changes or substitutions of any kind in or to the use of the Proprietary Marks unless we direct in writing. We may change the System presently identified by the Proprietary Marks including the adoption of new Marks, new products, new equipment or new techniques and you must adopt the changes in the System, as if they were part of the Franchise Agreement at the time of its execution. We are not obligated to protect you against infringement or unfair competition claims arising out of your use of the Proprietary Marks, or to participate in your defense or indemnify you. We reserve the right to control any litigation or proceeding related to the Proprietary Marks and we have the sole right to decide to pursue or settle any infringement action related to the Proprietary Marks. You must notify us promptly of any infringement or unauthorized use of the Proprietary Marks of which you become aware. If we determine that a trademark infringement action requires changes or substitutions to the Proprietary Marks, you must make the changes or substitutions at your own expense.

There are no infringing uses actually known to us that could materially affect your use of the Proprietary Marks in this state or any other state.

ITEM 14
PATENT, COPYRIGHTS, AND PROPRIETARY INFORMATION

We claim common law copyright and trade secret protection for several aspects of the franchise System including our Operations proprietary Manual, advertising, and business materials.

There are currently no effective determinations of the United States Patent and Trademark Office, the United States Copyright Office, or a court regarding our pending patent or materials in which we claim a common law copyright interest. We are not obligated to protect you against infringement or unfair competition claims arising out of your use of the payment valuation system/service or other intellectual property, or to participate in your defense or indemnify you. We reserve the right to control any litigation related to our intellectual property, and we have the sole right to decide to pursue or settle any infringement action related to our intellectual property. You must notify us promptly of any infringement or unauthorized use of the intellectual property of which you become aware. If we determine that a trademark infringement action requires changes or substitutions to the intellectual property, you must make the changes or substitutions at your own expense.

Confidential Operations Proprietary Manuals

You must operate the Franchise Business in accordance with the standards, methods, policies, and procedures specified in the proprietary Manuals, one copy of which we will provide to you on loan for the term of the Franchise Agreement. The proprietary Manuals may be supplied to you through a secured area of our website, on CD, or through other electronic or print media.

You must treat the proprietary Manuals, training materials, and the information contained in them, as confidential, and must use all reasonable efforts to maintain this information as secret and confidential. The proprietary Manuals will remain our sole property and must be kept in a secure place. You may not divulge any password for access to our web site or CD to an unauthorized person.

We may from time to time revise the contents of the proprietary Manuals, and you must comply with each new or changed standard.

Ownership of Innovations

All ideas, concepts, procedures, techniques, processes or marketing materials concerning the PUROCLEAN Franchise Business or containing the Proprietary Marks, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System or works made-for-hire for us. To the extent any item does not qualify as a “work made-for-hire” for us, you will assign ownership of that item, and all related rights to that item, to us and must take whatever action (including signing an assignment agreement or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item.

If you are a legal

entity, each shareholder (if you are a corporation) or general and limited partner (if you are a partnership) must sign a written agreement with us personally guaranteeing the performance of all obligations under the Franchise Agreement. If you have purchased an additional franchise from us, you may employ a fully trained manager for the management and operation of the second Franchise Business. ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing

Background

This Item 19 contains certain historical data submitted to us by our franchisees for the period January 1, 2023 to December 31, 2023 (the “2023 Measurement Period”). This does not include the 65 Franchisees who opened during 2023 and were not open the full 2023 Measurement Period or the 17 franchisees that closed in 2023 (with one of those opening and closing during the 2023 Measurement Period). Of the 334 Franchisees opened during the 2023 Measurement Period, 334 Franchisees reported their sales data for every month of the 2023 Measurement Period and are included as part of a sub-set in this Item 19 (the “Reporting Franchisees”). Included in this Item 19 is information regarding the Average and Median Annual Gross Sales for the Reporting Franchisees, based on the number of years of operation.

The information contained in this Item 19 includes data was submitted to us by our franchisees through the royalty reporting tool PuroFAB Financial Analysis & Benchmarking. We have not audited this information, nor independently verified this information.

The franchisees included in this Item 19 operate businesses substantially similar to the business being offered in this Disclosure Document.

INDEPENDENT AUDITOR'S REPORT

To the Member
PuroSystems, LLC and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of PuroSystems, LLC and Subsidiary ("the Company"), which comprise the consolidated balance sheets as of December 31, 2023, 2022, and 2021, and the related consolidated statements of income, member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023, 2022, and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

PUROSYSTEMS, LLC AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2023, 2022, and 2021

NOTE 1 – COMPANY OPERATIONS

PuroSystems, LLC, is a franchisor headquartered in Florida, offering franchises for sale. Franchises offered are for the establishment of businesses that operate restoration and mitigation services for fire, water, and other forms of property casualty damage and certain casualty and non-casualty related cleaning services. Franchise agreements currently in effect provide for initial terms of 10 or 20 years and contain renewal provisions for one or more additional terms of 5 or 20 years. The Company's franchisees are located throughout the United States. Puro Aviation, LLC, owns and leases an aircraft to PuroSystems, LLC.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these consolidated financial statements. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in preparation of the consolidated financial statements.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of PuroSystems, LLC and beginning in the year ended December 31, 2022, its wholly owned subsidiary, Puro Aviation, LLC (collectively, "the Company"). All significant intercompany accounts and transactions have been eliminated.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

The Company, from time to time during the period covered by these consolidated financial statements, may have bank balances in excess of its insured limits. Management has deemed this as a normal business risk.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with original maturities of three months or less to be cash equivalents.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recently Adopted Accounting Pronouncement

In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changes how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in the standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing the entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in FASB ASC 326 were trade accounts receivable and notes receivable. This standard was adopted effective January 1, 2023. The impact of the adoption was not considered material to the consolidated financial statements and primarily resulted in new/enhanced disclosures only.

Accounts Receivable/Allowance for Credit Losses

The Company carries its accounts receivable at invoiced amounts less an allowance for credit losses. All amounts deemed to be uncollectible are charged against the allowance for credit losses in the period that determination is made. The allowance for credit losses is established based upon historical collection rates and adjusted for reasonable expectations of future collection performance, net of estimated recoveries. The Company periodically assesses its methodologies for estimating credit losses in consideration of actual experience, trends, and changes in the overall economic environment. At December 31, 2023, 2022, and 2021, the allowance for credit losses on accounts receivable amounted to \$553,103, \$366,455, and \$792,281, respectively.

Note Receivable/Allowance for Credit Losses

The Company carries its notes receivable at the outstanding balance due less an allowance for credit losses. All amounts deemed to be uncollectible are charged against the allowance for credit losses in the period that determination is made. The allowance for credit losses is established based upon historical collection rates and adjusted for reasonable expectations of future collection performance, net of estimated recoveries. The Company periodically assesses its methodologies for estimating credit losses in consideration of actual experience, trends, and changes in the overall economic environment. At December 31, 2023, 2022, and 2021, the allowance for credit losses on notes receivable amounted to \$287,553, \$239,980, and \$474,050, respectively.

Property and Equipment

Management capitalizes expenditures for property and equipment. Expenditures for maintenance and repairs are charged to operating expense. Property and equipment are carried at cost. Adjustments to the asset and the related accumulated depreciation and amortization accounts are made for property and equipment retirements and disposals, with the resulting gain or loss included in the consolidated statements of income.

PUROSYSTEMS, LLC AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2023, 2022, and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Depreciation and Amortization

For financial reporting purposes, depreciation and amortization of property and equipment is computed using the straight-line method over the estimated useful lives of the assets at acquisition. Leasehold improvements are amortized over the shorter of the expected asset life or the lease term. The expected useful lives for property and equipment range from 3 to 20 years.

Revenue Recognition

The Company generates revenue through the sale of franchises. The Company accounts for a contract when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance, and collectability of consideration is probable. The Company recognizes revenue at the amount to which it expects to be entitled when control of the good or service is transferred to the customer. Control is generally transferred when the Company has a present right to payment and title and the significant risks and rewards of ownership of goods or services are transferred to its customers. At each contract inception, the Company determines, when control of a good or service transfers to a customer over time or at a point in time.

The franchise contracts require an initial fee that is due and payable when a contract is signed. The Company accounts for certain pre-opening services provided to a franchisee as distinct from the franchise license. As a result, the Company has identified one performance obligation related to its pre-opening services. The Company's pre-opening services typically involve site selection, new franchise training, initial field training and equipment. The Company is required to provide, and the franchisee is required to take, training in the various aspects of the restoration industry and the Company's procedures and methods before the franchisee commences operations. The Company recognizes revenue from initial franchise fees at a point in time after this pre-opening training has been completed.

After the commencement of operations, the franchisee is required to pay the Company a monthly royalty fee ranging from 2% to 10% of gross receipts, as defined in each franchise agreement. The Company is required to provide use of its proprietary marks, copyrighted materials, on-going support, and technical assistance. The Company determined that these services represent a set of integrated or highly integrated services and are therefore accounted for as a single performance obligation of providing the franchise license. The Company recognizes royalty fees over time when earned based on monthly gross receipts as reported by franchisees.

Revenue Recognition (Continued)

The following table presents the Company’s revenues disaggregated by point in time and over time recognition:

	Years ended December 31,

Point in time recognition	\$ 5,662,977	\$ 4,087,167	\$ 3,252,815

Total revenue	<u>\$ 33,011,017</u>	<u>\$ 26,047,523</u>	<u>\$ 22,394,114</u>

Contract Assets and Liabilities

Contract assets consist of incremental costs the Company incurs to obtain its contracts. The Company has identified costs incurred related to commissions and broker referral fees as specific costs that were incurred to obtain a contract and are expected to be recovered over the duration of the customer contract. The Company amortizes these capitalized costs over a period of 20 years, which is commensurate with the typical contractual terms and the expected average customer life for each franchisee. The unamortized balance of these incremental costs is recorded as a contract asset on the consolidated balance sheets.

Contract liabilities consist of deferred revenue, which represent the non-refundable upfront payments received whereby the Company has not yet provided its pre-opening services.

Income Taxes

The Company has elected to be treated as a partnership under the Internal Revenue Code. Under these provisions, the Company generally does not pay Federal corporate income taxes on its taxable income. Instead, the member is liable for individual Federal income taxes on their respective share of the Company’s taxable income. Accordingly, no provision for Federal corporate income taxes has been reflected in the consolidated financial statements. The member may receive distributions for income taxes.

Advertising

Advertising costs are expensed as incurred. Advertising expense for years ended December 31, 2023, 2022, and 2021 amounted to \$1,086,512, \$1,041,688, and \$978,078, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases

The Company determines if an arrangement is a lease at inception by determining whether the agreement conveys the right to control the use of the identified asset for a period of time, whether the Company has the right to obtain substantially all of the economic benefits from use of the identified asset, and the right to direct the use of the asset. Lease liabilities are recognized at the commencement date based upon the present value of the remaining future minimum lease payments over the lease term using the rate implicit in the lease or the risk-free rate. The risk free rate is defined as the daily treasury par yield curve rate for a period of time that approximates the lease term. The Company's lease terms include options to renew or terminate the lease when it is reasonably certain that it will exercise the option.

The lease right-of-use assets are initially measured at the carrying amount of the lease liability and adjusted for any prepaid or accrued lease payments, remaining balance of lease incentives received, unamortized initial direct costs, or impairment charges relating to the right-of-use-asset. Certain leases contain escalation clauses, which are factored into the right-of-use asset where appropriate. Lease expense for minimum lease payments are recognized on straight-line basis over the lease term.

Variable lease expense includes payments based upon usage of the leased assets, including common area maintenance, and are expensed as incurred. The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Reclassifications

Certain reclassifications have been made to the prior year consolidated financial statements to conform to the current year presentation.

Subsequent Events

The Company has performed a review of events subsequent to the consolidated balance sheet date through March 28, 2024, the date the consolidated financial statements were available to be issued and has determined that there are no material subsequent events that have occurred during this period.

4.4 Trade and operating procedures and methods as set forth in the proprietary Manuals (which shall be maintained as confidential and secret by Franchisee);

4.5 Ongoing support and technical information by telephone, internet, intranet, application service provider (ASP) or other technology that may be available in the future; and

4.6 Marketing and advertising consulting by telephone, internet, intranet, ASP or other technology that may be available in the future.

Franchisee acknowledges and agrees that Franchisor has the right to modify, add to or rescind any requirement, standard or specification that Franchisor prescribes under this Agreement to adapt the System to changing conditions, competitive circumstances, business strategies, business practices and technological innovations and other changes as Franchisor deems appropriate. Franchisee must comply with these modifications at its expense. Any obligation or action initiated by Franchisor in the future and not specifically provided for in this Section shall not be an obligation of the Franchisor and may be discontinued or modified at any time in the sole judgment of Franchisor.

5. FEES

5.1 Initial Franchise Fee. In consideration of the franchise granted herein, Franchisee shall pay to Franchisor upon the execution of this Agreement \$59,000. All payments to Franchisor are fully earned and non-refundable under any circumstances.

5.2 On or before the 8th day of each month during the term of the Franchise Agreement, you will submit to us a royalty report (in the form we prescribe) and pay us a royalty fee (the "Royalty Fee") as calculated below based upon your Gross Receipts during the preceding month.

Mitigation Services Royalty Fee:

Franchisee's Royalty Fee for Mitigation Services (defined below) will be as follows:

Mitigation Services means and includes all work not included in Reconstruction Services including all drying, remediation, mitigation, cleaning, duct cleaning work, textiles dry cleaning by in plant dry cleaning companies, and related services on property casualty losses and related forms of property damage. Franchisee's Royalty Fee for Mitigation Services will be as follows:

<u>On Cumulative Gross Receipts for the Current Calendar Year</u>	<u>You Pay</u>
For your first \$0 to \$249,999.99 of Mitigation Services Gross Receipts	10%
For your next \$250,000 to \$499,999.99 of Mitigation Services Gross Receipts	9%
For your next \$500,000 to \$749,999.99 of Mitigation Services Gross Receipts	8%
For your next \$750,000 to \$999,999.99 of Mitigation Services Gross Receipts	7%
For your next \$1,000,000 to \$1,249,999.99 of Mitigation Services Gross Receipts	6%
For your next \$1,250,000 to \$1,499,999.99 of Mitigation Services Gross Receipts	5%
For your next \$1,500,000 to \$1,749,999.99 of Mitigation Services Gross Receipts	4%
For any remaining Mitigation Services Gross Receipts of \$1,750,000 and over	3%

Franchisee’s Royalty Fee Rate for Mitigation Services will reset to 10% on January 1st of each new calendar year, and Franchisee will restart the process of earning royalty rate reductions based on his or her cumulative gross receipts.

Reconstruction Services Royalty Fee:

Your Royalty Fee for Reconstruction Services will be 3% of your monthly Reconstruction Services Gross Receipts without any deduction for subcontractor performed work. Reconstruction Services means and includes all reconstruction work to repair damages from fire, flood, or other catastrophic events of loss which includes electrical, dry-wall, painting, plumbing, roofing, carpentry, cabinetry, a floor covering replacement or installation work. Reconstruction Services do not include remodeling or construction work, unrelated to a casualty loss, demolition work, rental of dumpsters, electrical power generators, or other rental services.

If an audit shows that there has been an underreporting of Reconstruction Services Gross Receipts and/or Gross Receipts from Reconstruction Services cannot be validated, all Gross Receipts from Reconstruction Services will be subject to the Royalty Fee calculation for Mitigation Services.

5.3 If Franchisee’s combined Royalty Fee for Mitigation Services and Reconstruction Services for the preceding month is less than the Minimum Royalty Fee noted below, Franchisor will have the right to withdraw from Franchisee’s bank account an amount equal to the greater of the Minimum Royalty Fee as outlined in the table below and the Royalty Fee due by Franchisee.

<u>Period of Term</u>	<u>You Pay (per month)</u>
1 st year	\$400
2 nd year	\$1,000
3 rd year	\$1,500
4 th year	\$2,500
5 th year	\$2,500

Period of Term	You Pay (per month)
6 th -20 th year	Prior year plus CPI

For each year over the initial five years or for each year after the last year that there was a set Minimum Royalty, the Minimum Royalty Fee will be determined by the prior year’s Minimum Royalty Fee, plus an amount equal to the percentage change in the Consumer Price Index, all Urban Consumers (1982-84 = 100), published by the U.S. Department of Labor, Bureau of Labor Statistics (“CPI”) for the period from January 1 through December 31 of the year immediately prior to the upcoming year or renewal year of the Franchise Agreement.

At any time during any calendar year, if the Royalty Fees and Minimum Royalty Fees paid by Franchisee are equal to or greater than the total Minimum Royalty Fees payable for that calendar year, then no further Minimum Royalty Fee would be due for the balance of that calendar year. Once a Royalty Fee or Minimum Royalty Fee is paid, it is neither refundable nor creditable to any future or past fees owed. So long as the Franchise Business is opened within 60 days of signing this Agreement and there is no default of this Agreement during the first year, Minimum Royalty Fees for the first three months of this Agreement are waived (there is no waiver if this agreement is signed as a renewal or transfer).

If this Agreement is transferred or if this Agreement is entered into as a result of a transfer or renewal, the Minimum Royalty Fee shall be determined by using the date of the original Franchise Agreement as the beginning date to calculate the Minimum Royalty Fee to be paid in accordance with this Agreement.

5.4 Franchisee’s obligation to pay a Royalty Fee shall commence on the earlier of the first week that the Franchise Business opens or ninety (90) days after the Agreement is executed. The Royalty Fee shall be calculated based upon a Royalty Report prepared each month by Franchisee reflecting the Franchise Business’s Gross Receipts (as defined in Section 5.5 below) during the preceding month, and submitted along with the Royalty Fee to Franchisor by e-mail or other electronic means designated by Franchisor on or before the 8th day of each month. Franchisee authorizes Franchisor to make automatic direct electronic withdrawals, at least monthly, of the Royalty Fee from the Franchisee’s bank account. Franchisee shall deposit proceeds of the Franchise Business only in a bank account approved in advance by Franchisor. Franchisee shall sign all documents and perform any other acts reasonably requested by Franchisor to enable Franchisor to make automatic direct electronic withdrawals from Franchisee’s bank account. In the event that Franchisor does not receive a Royalty Report by the 8th day of any month, Franchisor shall have the right to withdraw from Franchisee’s bank account an amount equal to the previous month’s Royalty Fee withdrawal plus an additional ten percent (10%), pending the receipt of such month’s Royalty Report, at which time Franchisor shall be authorized to make an additional withdrawal for any remaining Royalty Fee amounts due, provided however, that any Royalty Fee overpayment shall be credited toward Franchisee’s next monthly Royalty Fee payment.

5.5 Except to the extent prohibited by law, Franchisee shall pay any fees or penalties imposed by any financial institution, plus an additional Twenty-Five Dollars (\$25) administrative fee which results from (a) the inability to transfer funds from Franchisee’s bank account to

Franchisor or (b) each attempt of the Franchisor to verify available funds in the approved bank account. This payment shall be deemed an additional Royalty Fee due pursuant to this Agreement and the Franchise Agreement. In the event that any such fee shall have been collected in violation of law, the amount collected shall be promptly refunded to Franchisee. If any payment is overdue, Franchisee shall pay Franchisor immediately upon demand, the greater of ten dollars (\$10) per day or five percent (5%) per day of the amount due in addition to the actual amount due (the “Past Due Royalty Fee”). However any interest rate charged on a Past Due Royalty Fee will not exceed the lower of 18% per annum simple interest or the maximum permitted by applicable law. The Past Due Royalty Fees shall be calculated on each individual monthly fee due independent from other overdue amounts collected by the Franchisor from the Franchisee, and will first be applied to the Past Due Royalty Fees, then to interest, then to the past due Royalty Fees and then to other fees. Failure to pay the Past Due Royalty Fee within thirty (30) days may have a substantial impact on Franchisee’s credit reporting history. Franchisor has the right to report overdue payments of Past Due Royalty Fees to a national credit bureau. In addition, Franchisee agrees to pay any expense incurred by Franchisor, including arbitration or court costs and attorney’s fees, in the collection of any Past Due Royalty Fees. Notwithstanding the foregoing, if Franchisee has a balance due Franchisor or its affiliates hereunder, Franchisor may also offset any customer payment due to Franchisee in Franchisor’s possession, and apply the amount offset to Franchisee’s account balance.

5.6 As used in this Agreement, Gross Receipts means all revenue and income of every kind relating to the operation of the Franchise Business (including but not limited to deposits and prepayments) and income derived from the direct and indirect use of Franchisor’s Proprietary Marks. If Franchisee sells any products, services or supplies, Franchisee must include all revenue and income or revenue from the sale in its Gross Receipts. If Franchisee refers work that would be covered under this Agreement to another party, Franchisee shall be obligated to include an amount equal to the total amount paid to the referred party as Gross Receipts. Gross Receipts shall not include any sales taxes or other taxes collected by Franchisee for transmittal to the appropriate taxing authority.

5.7 Franchisee must attend each Annual International Convention (“Convention”) held by Franchisor. The Convention registration fee and any additional fees may be collected by means of ACH 30 days prior to the Convention. The registration fee will be determined by the Franchisor and will vary from year to year. Franchisee is required to pay the registration fee and three nights of hotel accommodations even if the Franchisee fails to attend the Convention.

5.8 All fees, including interest and late fees, paid to Franchisor or its affiliates, are non-refundable. If any payment to Franchisor’s affiliate is overdue, Franchisee will pay Franchisor’s affiliate, immediately upon demand, the greater of ten dollars (\$10) per day or 5% per day of the amount due in addition to the actual amount due. However, any interest rate charged on a past due amount will not exceed the lower of 18% per annum simple interest or the maximum permitted by applicable law.

6. MARKETING

6.1 Franchisee shall conduct at its sole expense an active local advertising media campaign and spend at least 2% of its annual Gross Receipts on local advertising which has been

approved in advance by Franchisor or its agent. Franchisee agrees to conduct all marketing and promotional activities in accordance with the requirements of Franchisor, as set forth in the proprietary Manuals or otherwise in writing. Franchisee shall not use any marketing or promotional materials unless and until Franchisee has received written approval from Franchisor. Franchisee shall submit samples of all marketing and promotional plans and materials to Franchisor, for Franchisor's prior approval if such plans and materials have not been prepared or previously approved by Franchisor. If written notice of disapproval is not received by Franchisee from Franchisor within fifteen (15) days of Franchisor's receipt of such materials, Franchisor shall be deemed to have approved them. Any advertising, marketing or promotional materials created or produced by Franchisee for the Franchise Business may only be used by Franchisee, and only after the materials have been approved by Franchisor.

6.2 Franchisee must maintain a competitive local advertising program that meets Franchisor's requirements and specifications as outlined more fully in the proprietary Manuals.

6.3 In addition to the other advertising requirements in this Agreement, Franchisee shall pay a Marketing Fee to Franchisor in the amount of 2% of Gross Receipts. The Marketing Fee shall be paid at the same time and in the same manner as the Royalty Fee as set forth in Section 5.2 of this Agreement. All Marketing Fees will be owned and managed by Franchisor. On behalf of any Franchisor-owned PUROCLEAN businesses, Franchisor will pay the same Marketing Fee as the Franchise Businesses in the same local marketing area. Franchisor also may contribute Marketing Fees from time to time. The Marketing Fees will not be held in a trust or escrow account, and Franchisor has no fiduciary obligation to franchisees with respect to the Marketing Fees; provided, however, Franchisor will make a good faith effort to expend such fees in a manner that Franchisor determines is in the general best interests of the System. Franchisor has the right to determine the expenditures of the amounts collected and the methods of marketing, advertising, media employed and contents, terms and conditions of marketing campaigns and promotional programs including the option for individual marketing training in Franchisee's POL. Because of the methods used, Franchisor is not required to spend a prorated amount on each business or in each advertising market. Franchisor has the right to make disbursements from the Marketing Fees for expenses incurred in connection with the cost of formulating, developing and implementing marketing, advertising and promotional campaigns. The disbursements may include payments to Franchisor for the expense of administering the Marketing Fees, including accounting expenses and salaries and benefits paid to our employees engaged in the marketing functions. If requested, Franchisor will provide Franchisee an annual un-audited statement of the financial condition of the Marketing Fees. Franchisor shall not be obligated for any reason to pay the Marketing Fee owed by any franchisee nor is Franchisor obligated to collect Marketing Fees.

7. FRANCHISEE'S OBLIGATIONS

No obligation, agreement, option, license, acknowledgment, or permission (individually or collectively) contained in this section or any other section of this Agreement shall be construed to establish an agency relationship between the parties of this Agreement.

Franchisee agrees to operate the Franchise Business in accordance with the following standard terms and conditions:

7.1 Prior to the opening of the Franchise Business, Franchisee, including all key owners/principals or managers as Franchisor may require, shall attend and complete Franchisor's initial training program for franchisees and managers. In connection with this initial training program, Franchisor will provide IICRC-approved instructions for Water Restoration Technician and Applied Structural Drying. Following the initial training, Franchisee and Franchisee's manager (if in attendance) must complete the IICRC exams to receive their IICRC certifications. Franchisee is responsible for paying all costs associated with taking these exams. At Franchisor's option, any manager subsequently employed by Franchisee shall also complete Franchisor's training program, to Franchisor's satisfaction. Franchisee and Franchisee's manager and other employees shall also attend such additional courses, seminars, and other training programs as Franchisor may reasonably require from time to time.

7.2 All training courses, seminars, and programs (collectively, "training") shall be at such times and places as may be designated by Franchisor. For all initial training required of Franchisee, Franchisor will provide instruction and one set of training materials to Franchisee at no charge. Franchisor may charge the then current training fee for employees of Franchisee who attend, or are required to attend, such additional required training. From time to time, optional training may be offered to Franchisees and/or Franchisees' employees for a fee to be determined by Franchisor in its sole judgment. For all required and optional training, Franchisee or its employees shall be responsible for any and all expenses incurred by them including, without limitation, the costs of transportation, lodging, meals, and wages.

7.3 Franchisee and its principals shall keep the Franchise Business open and in normal operation, and shall directly supervise the Franchise Business exclusively for no less than 40 hours each week, and shall operate the Franchise Business in strict conformity with such methods, standards, and specifications as Franchisor may from time to time prescribe in the proprietary Manuals or otherwise in writing. If Franchisee is the owner of more than one Franchise Business, Franchisee may employ a full time manager to manage other Franchise Businesses. Franchisee shall not deviate from such standards, specifications, and procedures without Franchisor's prior written consent.

7.4 Franchisee agrees to offer and sell only those services, items and products specified by Franchisor and in the manner and method specified by Franchisor in the proprietary Manuals or otherwise in writing. In the event that Franchisor wishes to expand or modify the products or services offered for sale within the System, upon written notice from Franchisor, Franchisee agrees to expand or modify the products or services offered for sale and agrees to acquire the equipment necessary for such change or modification within ninety (90) days after written notification by Franchisor.

7.5 Franchisee agrees to operate the Franchise Business in accordance with standards established by Franchisor, including but not limited to, hours of operation, signs, equipment, replaceable supplies and in compliance with all applicable Federal, State and local laws, ordinances and regulations. To promote uniformity throughout the system, Franchisee agrees to use only those displays, signs, equipment and products and services approved in advance and in writing by Franchisor. Any required standards exist to protect Franchisor's interests in the System and the Proprietary Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Franchisee.

7.6 All products, equipment and supplies used and offered for sale by Franchisee in the Franchise Business shall meet Franchisor's then-current standards and specifications, as established in the proprietary Manuals or otherwise in writing. For purposes of standardization and uniformity and to enhance the recognition of the Proprietary Marks, all equipment purchased by Franchisee shall comply with Franchisor's then-current requirements for colorization and logo placement. Franchisee shall use only the standard branded trade vehicle approved in advance by Franchisor. Such vehicle shall not display any unauthorized signage, have dents or other blemishes or be older than 48 months. Franchisee shall purchase all products and equipment solely from Franchisor, Franchisor's affiliate, or from suppliers approved by Franchisor, and Franchisee acknowledges that for certain products and equipment, Franchisor may designate a single approved supplier, and Franchisor or an affiliate may be that single approved supplier. Except for those products or equipment where Franchisor has designated a single source of supply, if Franchisee wants to purchase products, supplies, materials or equipment from other suppliers, Franchisee must submit to Franchisor a written request to approve the proposed supplier, together with the evidence of conformity with Franchisor's specifications as Franchisor may require. Franchisee shall at all times stock and maintain all types of approved products in quantities sufficient to meet reasonably anticipated customer demand. During the first 18 months following the date of this Agreement, and for each full calendar year thereafter, Franchisee agrees to purchase an equivalent of 2% of Franchisee's Gross Receipts of consumable branded products (including gloves, chemical suits, and cleaning solutions) from any designated supplier authorized by Franchisor. Franchisor reserves the right to conduct a review of Franchisee's purchase history to ensure compliance with this provision. In addition, Franchisor, its affiliate or a designated third party supplier will be the only approved supplier of the initial Equipment and Supplies Package, as well as many of the other equipment, products and supplies used in the Franchise Business. Franchisor or its affiliate will derive revenue from the Franchisee's purchase of these items. Franchisee will pay the then-current price in effect for any approved products identified by Franchisor in the proprietary Manuals or otherwise in writing. In some instances, the cost for the approved products may be higher than the cost of other similar products on the market.

7.7 Franchisee shall maintain a competent, conscientious, trained staff, including a fully trained manager (who may be Franchisee). Franchisee shall take such steps as are necessary to ensure that its employees present a neat and clean appearance in conformance with Franchisor's reasonable standards and render competent, efficient service to clients of the Franchise Business. Regardless of the management and employment standards recommended by Franchisor, Franchisor shall have no control in the day-to-day performance, activities, hiring, or termination (regardless of the reason) for any employee of the Franchise Business. No employee of the Franchisee will be deemed to be an employee of the Franchisor for any purpose whatsoever, and nothing in any aspect of the System or the Proprietary Marks in any way shifts any employee or employment related responsibility from Franchisee to Franchisor.

7.8 Franchisee shall prepare and preserve for at least five (5) years from the dates of their preparation books, accounts, records, and order receipts and as required by Franchisor in the form and manner designated by Franchisor in the proprietary Manuals or otherwise in writing. To promote the standardization and uniformity of all franchise operations and such good business procedures, Franchisee agrees that such books, accounts, and records shall be available for inspection and audit by Franchisor or its representatives at all reasonable times. In the event

Franchisor conducts an audit of Franchisee's operations, and finds that Franchisee has failed, for whatever reason(s), to properly report its sales to Franchisor, Franchisee will pay any deficiency within ten (10) days of the completion of the audit. Interest will be charged on underreported sales from the date such sales should have been reported at the lower of 18% per annum simple interest or the maximum permitted by applicable law. If such audit reveals the Franchisee has understated Gross Receipts by 5% or more in any one month, Franchisee shall pay the cost of the audit. Franchisee also shall transmit to Franchisor certified, signed copies of all income and sales tax returns or amended tax returns filed by Franchisee(s), any direct or in direct affiliate of Franchisee and Director(s), Beneficiaries, or shareholder(s) of Franchisee. Transmittal to Franchisor shall be done contemporaneously with the filing with the appropriate taxing authority. Franchisee further agrees to maintain a monthly balance sheet and income and expense statement and provide Franchisor with a copy of its monthly balance sheet and income and expense statement on the 15th day of the following month.

7.9 Franchisee further agrees that, in order to maintain the high quality and uniform standards associated with the Franchise Business and to protect its goodwill and reputation, Franchisee shall permit Franchisor during business hours to inspect the Office, confer with Franchisee and Franchisee's employees and customers, check inventories, methods, books, records, computer data, price lists and to perform any other inspection including copying of documents and computer data deemed by Franchisor to be necessary to protect the standards of quality and uniformity of the Franchise Business and Franchisee's performance under this Agreement. Franchisee shall transmit or allow to be transmitted data contained in the computers or computer used by the Franchisee to the Franchisor either directly or indirectly through a third party authorized by the Franchisor. Franchisee shall, at its sole expense, provide and maintain the information and data transfer capability designated by the Franchisor. Franchisee shall make sure that the Franchise Business is in compliance with all laws that are applicable to the technology used in the operation of the Franchise Business, including all data protection or security laws as well as payment card industry ("PCI") compliance. No inspection, check, or conference permitted under this Agreement shall be construed to establish an agency relationship between the parties of this Agreement. Any evaluation, check or inspection conducted by Franchisor is not intended to exercise, and does not constitute, control over Franchisee's day-to-day operation of the Franchise Business or to assume any responsibility for Franchisee's obligations under this Agreement

7.10 Franchisee shall procure and maintain during the term of this Agreement insurance covering the operation of the Franchise Business and the Office, with insurance carriers reasonably acceptable to Franchisor in the following minimum amounts:

i. ISO Commercial General Liability coverage of \$1,000,000 per occurrence with a \$2,000,000 aggregate limit. Coverage must include premises and operations liability with no exclusion for subcontracted work or restrictions of coverage for any operation customary to the Franchised Business;

ii. Contractor Pollution Liability coverage with minimum limits of \$1,000,000 per pollution event and \$1,000,000 in aggregate coverage. Said policy must include coverage for mold, bacteria, and all other substances encountered in the normal course of the Franchise Business; and

iii. Auto Liability coverage of \$1,000,000 combined single limit of liability per occurrence. Said policy must include coverage for “Any Auto” or “All Owned, Hired and Non-Owned” vehicles.

Franchisor may increase the insurance coverage requirements, including coverage types and amounts, through the proprietary Manuals, and Franchisee agrees to comply with any changes. Franchisee shall carry such insurance as may be required by the lease for the Office or by any lender or equipment lessor of Franchisee. Franchisee shall add Franchisor, its affiliates, officers, directors, and employees to all insurance policies as additional named insured, the cost of which shall be paid by Franchisee. Additionally, Franchisee must obtain workers’ compensation insurance to cover its employees in an amount required by applicable state law.

7.11 Franchisee shall procure, maintain and exclusively use, at Franchisee’s sole expense, estimating, accounting, Internet, Intranet, and other business and industry software of a type and from a source then currently designated by Franchisor. Such software includes, but is not limited to, the DASH restoration business and job management software or such other operating system designated by Franchisor in connection with operating the Franchise Business. The type and/or source may change from time to time and the software may be customized for the System. Franchisee acknowledges that it may be required to pay a fee and enter into an agreement with Franchisor, its affiliates, or a third-party supplier in connection with the licensing of any software or use of the Internet or Intranet. Franchisor may implement mandatory review of customer estimates and invoices in the future through the Xactware software or such other Insurance Industry Claims Estimating Software designated by Franchisor.

7.12 Franchisee further agrees to use, at Franchisee’s expense, telephone numbers, e-mail addresses, facsimile numbers and other forms of internal and external communication that may be owned and controlled by Franchisor or a third party and that may be administered by a third party designated by Franchisor. The telephone number will include a local area code and prefix reflective of Franchisee’s approved Protected Office Location. Franchisor reserves the right to change the designated suppliers from time to time, and Franchisee is responsible for complying with these changes at its expense. No other form of communication may be used by Franchisee without the written approval of Franchisor.

7.13 Franchisee shall procure, maintain and use, at the Franchisee’s sole expense, uniforms from the uniform service then currently designated by Franchisor. The uniform service may change from time to time.

7.14 Franchisee shall pay to Franchisor (or any subsidiary, affiliate, or designee) promptly and when due the amount of all sales taxes, use taxes, personal property taxes, and similar taxes imposed upon, required to be collected, or paid by Franchisor or an affiliate on the account of services or goods furnished by Franchisor or affiliate to Franchisee through sale, lease, or otherwise or on account of collection by Franchisor or an affiliate of the Initial Franchise Fee, Equipment and Supplies Package Fee, Royalty Fee, Marketing Fee, and any additional on-going supplies or other payments to the Franchisor pursuant to this Agreement.

7.15 Franchisee acknowledges the importance of interaction among franchisees in a learning environment for the development of the Franchise Business. Therefore, Franchisee is

obligated to attend all working sessions of each Convention held after the first twelve months that the Franchise Business is opened. As noted above, Franchisee must pay a registration fee to Franchisor for the Convention. Franchisee also is responsible for all costs incurred in attending the Convention including travel, lodging and meal costs. Franchisor has the right to determine the dates, location, registration fee and format of all Conventions. Franchisor also has the right to discontinue or change the frequency of the Conventions.

7.16 Franchisee agrees that all ideas, concepts, procedures, techniques, processes, or materials (including all sales, advertising and marketing materials) concerning the Franchise Business or containing the Proprietary Marks, whether or not protectable intellectual property and whether created by or for Franchisee or its owners or employees must be promptly disclosed to Franchisor and will be deemed to be Franchisor's sole and exclusive property, part of the System and work made-for-hire for Franchisor. To the extent any item does not qualify as a "work made-for-hire" for Franchisor, Franchisee agrees to assign ownership of that item, and all related rights to that item, to Franchisor and must take whatever action (including signing an assignment agreement or other documents) Franchisor requests to show its ownership or to help Franchisor obtain intellectual property rights in the item.

7.17 During and after the term of this Agreement, Franchisee acknowledges and agrees that Franchisor will own all client, customer or prospective client or customer information, including all contact information. Franchisee may use any PUROCLEAN client, customer or prospective client or customer information in connection with the operation of Franchisee's Franchise Business, and Franchisor may use any PUROCLEAN client, customer or prospective client or customer information in any way or manner that Franchisor believes is in the best interests of the System.

7.18 During and after the term of this Agreement, Franchisee grants Franchisor and its affiliates, successors, assigns and legal representatives all right, title and interest to and permission to use photograph(s) of Franchisee for Franchisor's internal or external purposes. Permission herein granted as absolute and final shall not be subject to further inspection or approval by Franchisee. Franchisor shall own all rights in the photograph(s) which shall accrue to the benefit of Franchisor and its and its affiliates, successors, assigns and legal representatives. With full knowledge of the above, Franchisee hereby releases and shall hold harmless Franchisor and its affiliates, successors, assigns and legal representatives from all claims or damages including but not limited to resulting from or associated with the use of the photograph(s).

8. PROPRIETARY MARKS

8.1 Franchisor represents that it has the right to use and license others to use the Proprietary Marks.

8.2 With respect to Franchisee's use of the Proprietary Marks, Franchisee agrees that:

8.2.1 Franchisee shall use only the Proprietary Marks designated in writing by Franchisor, and shall use them only in the manner authorized and permitted by Franchisor;

8.2.2 Unless otherwise authorized by Franchisor, Franchisee shall operate and advertise the Franchise Business only under the assumed name “PUROCLEAN” and shall use all Proprietary Marks without prefix or suffix. The name of the Franchise Business shall be assigned by Franchisor. Franchisee shall not use the Proprietary Marks as part of its corporate or other legal name. Franchisor has the right to determine the content and use of any website or other online or electronic media associated with the Proprietary Marks. Franchisee may not separately register or use any domain name or any portion of a domain name or other Web site or URL name associated with the Proprietary Marks, or participate in any website or other electronic media (including social media) that markets goods or services similar to those offered through Franchisee’s Franchised Business unless it is approved in writing by Franchisor. Franchisee shall file all assumed name or equivalent registrations as required by state and local laws, Internet laws, and shall send copies of such registrations to Franchisor.

8.2.3 Franchisee shall identify itself as the owner of the Franchise Business (in the manner required by Franchisor) in conjunction with any use of the Proprietary Marks, including, but not limited to, on invoices, order forms, receipts, and business stationery, as well as at such conspicuous locations as Franchisor may designate in writing at the Office and on any vehicles used in the operation of the Franchise Business. Franchisee must hold itself out to the public as an independent contractor operating the Franchise Business pursuant to a license from Franchisor. Franchisee shall notify each potential customer prior to the customer authorizing the commencement of work that the Franchisee is not an agent (real or apparent) of the Franchisor and such notification shall be in writing.

8.3 Franchisee expressly understands and acknowledges that except as specified in Section 3.2 above, the license of the Proprietary Marks granted hereunder to Franchisee is nonexclusive, and Franchisor thus has and retains the rights, among others to: (i) establish and operate a franchised or company-owned business whose office or business address is located outside Franchisee’s POL; (ii) offer, sell or distribute, within and outside Franchisee’s POL, any products associated with the System (now or in the future) or identified by the Proprietary Marks through any distribution channels or methods, including, without limitation, to other cleaning or restoration service businesses, stores or locations, or any business or store of any kind, or by mail order, catalogue, or the Internet (or any other existing or future form of electronic commerce); (iii) merge with, acquire or become associated with any businesses or stores of any kind under other systems and/or other marks, which businesses and stores may offer or sell products and services that are the same as, similar to, or different than the products and services offered at or from Franchisee’s Franchise Business, and which may be located anywhere within or outside Franchisee’s POL; and (iv) change the System presently identified by the Proprietary Marks including adoption of new Marks, new products, new equipment or new techniques, all of which Franchisee must adopt.

8.4 Franchisee may not make any changes or substitutions whatsoever in or to the use of the Marks unless directed by Franchisor in writing. Franchisor reserves the right to change the Marks at any time. Upon receiving written notice from Franchisor, Franchisee must, at its expense, immediately make such changes and use such substitutions to the Marks as Franchisor may require.

9. CONFIDENTIAL OPERATIONS MANUALS

9.1 In order to protect the reputation and goodwill of Franchisor and to maintain high standards of operation under the System(s), Franchisee shall operate the Franchise Business in accordance with the standards, methods, policies, and procedures specified in the proprietary Manuals, one copy of which Franchisee shall receive on loan from Franchisor for the term of this Agreement. Proprietary Manuals may be supplied to Franchisee through a secured area of Franchisor's website, on CD, or through any other electronic or print media.

9.2 Franchisee shall treat the proprietary Manuals, any other manuals created for or approved for use in the operation of the Franchise Business, and the information contained therein, as confidential, and shall use all reasonable efforts to maintain such information as secret and confidential. Franchisee shall not copy, duplicate, record, or otherwise reproduce (including electronically) the foregoing materials, in whole or in part, or otherwise make them available to any unauthorized person. The proprietary Manuals shall remain the sole property of Franchisor and shall be kept in a secure place in the Office. Franchisee shall not divulge any password to Franchisor's website or CD.

9.3 Franchisor may from time to time revise the contents of the proprietary Manuals, and Franchisee expressly agrees to comply with each new or changed standard.

9.4 Any required standards exist to protect Franchisor's interest in the System and the Marks and not for the purpose of establishing any control, or the duty to take control, over those matters that are reserved to Franchisee. The required standards generally will be set forth in the Manuals or other written materials. The Manuals also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. Franchisee may follow the recommendations or guidelines or some other suitable alternative, provided Franchisee meets and complies with the required standards. In other instances, no suitable alternative may exist. In order to protect Franchisor's interests in the System and Proprietary Marks, Franchisor reserves the right to determine if Franchisee is meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

10. INDEMNITY

10.1 Franchisee shall indemnify, defend and hold Franchisor, and Franchisor's officers, directors, employees, agents, successors, and assigns harmless from all fines, expenses, claims, demands, judgments, taxes or other liability or costs of any kind (including reasonable attorneys' fees) arising directly or indirectly from, or in connection with Franchisee's operation, transfer or purchase of the Franchise Business. Indemnity includes, but not limited to, any joint employer or other employment related matters or any other claims based on the negligence, duty, actions or inaction of any of the above parties and covers bodily injury, death and property damage. Franchisor shall have the right to select and control its counsel in any action. The requirement of Franchisee to defend Franchisor and Franchisor's officers, directors, employees, agents, successors, and assigns is independent from Franchisee's obligation to indemnify Franchisor, its affiliates, and their officers, directors, employees, agents, successors, and assigns. The obligation to defend includes, but not limited to, any claims based on the negligence, duty, actions or inaction

of any of the above parties and covers bodily injury, death and property damage. Notwithstanding the foregoing, as between Franchisee and Franchisor, Franchisee is solely responsible for the safety and well-being of its employees and the customers of the Franchise Business.

10.2 The provisions of this Section shall survive transfer, termination or expiration of this Agreement.

11. CHANGE OF OWNERSHIP

11.1 Franchisor shall have the right to transfer or assign this Agreement and all or any part of its rights or obligations herein to any person or legal entity, and any designated assignee of Franchisor shall become solely responsible for all obligations of Franchisor under this Agreement from the date of assignment.

11.2 Franchisor entered into this Agreement with specific reliance upon Franchisee's financial qualifications, experience, skills and managerial qualifications as being essential to the satisfactory operation of the Franchise Business. Consequently, neither Franchisee's interest in this Agreement or the Franchise Business, nor any immediate or remote successor to any part of Franchisee's interest in this Agreement, nor any individual, partnership, corporation, or other legal entity which directly or indirectly owns any interest in Franchisee or in the Franchise Business may sell, assign, transfer, convey, pledge, encumber, merge, or give away any direct or indirect interest in this Agreement (a "transfer"), in Franchisee, or in all or any of the assets of the Franchise Business unless Franchisee has first tendered to Franchisor the right of first refusal to acquire this Agreement in accordance with Section 11.5 and, if Franchisor does not exercise such right, unless Franchisor's prior written consent is obtained. Any purported assignment or transfer not having the written consent of Franchisor required by this Section 11.2 shall be null and void and shall constitute a material breach of this Agreement, for which Franchisor may immediately terminate the Franchise Agreement without opportunity to cure pursuant to Section 12.2 of this Agreement.

11.3 Franchisee shall notify Franchisor in writing of any proposed transfer of any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Franchise Business and the identity of the proposed transferee at least thirty (30) days before such transfer is proposed to take place to obtain Franchisor's consent to the transfer. Franchisor shall not unreasonably withhold its consent to any transfer, but if a transfer, alone or together with other previous, simultaneous, or proposed transfers, would have the effect of changing control or ownership of Franchisee, this Agreement, or all or substantially all of the assets of the Franchise Business, Franchisor may require any or all of the following as conditions of its approval:

11.3.1 Transferee agrees to successfully complete the training program required of all new franchisees and pays to Franchisor a transfer fee equal to the greater of \$25,000 or the then-current transfer fee;

11.3.2 Franchisee pays to Franchisor all moneys due and cures any existing defaults under this Agreement; and

11.3.3 Transferee signs a then-current Franchise Agreement, the term of which shall be the term of then current Franchise Agreement; provided, however, that the transferee shall not be required to pay an initial franchise fee.

11.3.4 In addition to paying the transfer fee, if Franchisee transfers any rights or obligations of the Franchise Agreement or any or all of the assets of Franchise Business to a person or entity that has been referred to Franchisor by a third party (for example, a broker) as a prospective franchisee, Franchisee will pay a referral or broker fee to the referring party prior to the transfer. The amount of the referral or broker fee will equal the amount of any referral or broker fee incurred by Franchisor relating to the proposed transferee. In addition, if the proposed transferee has been registered by Franchisor as a prospective franchisee, Franchisee shall pay to Franchisor the greater of the then current Franchise Development Resale Fee or ten percent (10%) of the total sale amount.

Prior to the execution of any agreement between Franchisee and the proposed transferee, Franchisee shall first obtain, in writing from Franchisor, a declaration stating whether the prospective transferee has been registered with the Franchisor or referred to Franchisor by a referring entity and, if so, the amount of the Franchise Development Resale Fee and broker fees required to be paid. Franchisee's failure to obtain such written declaration from Franchisor constitutes a material breach of this Agreement and such transfer will not be approved. If the prospective transferee has been so registered, Franchisee shall have the option of not selling or transferring to the prospective transferee. The provisions of this paragraph will be applicable regardless of whether an agreement or relationship between the referring party and Franchisor exists that requires Franchisor to pay the referral fee and Franchise Development Resale Fee.

11.3.5 Franchisee must sign a general release of all claims arising out of or relating to the Franchise Agreement, the Franchise Business or the parties' relationship, in a form designated by Franchisor, releasing Franchisor and its affiliates.

11.4 If Franchisee is an individual and desires, during the term hereof, to transfer this Agreement to a corporation for the convenience of ownership and has given Franchisor written notification 30 days in advance, Franchisor will not unreasonably withhold its consent to the transfer of this Agreement and Franchisee's interest herein, provided that Franchisee and such corporation satisfy Franchisor's reasonable requirements, including but not limited to the following:

11.4.1 Franchisee shall at all times be the record and/or beneficial owner of such corporation.

11.4.2 No other person or entity shall own or have any right to acquire any capital stock or securities of such corporation without Franchisor's prior written consent.

11.4.3 Franchisee shall remain personally liable to Franchisor for all obligations under this Agreement (including but not limited to the covenants contained in Section 14 hereof).

11.4.4 Each shareholder (if Franchisee is a corporation) or general and limited partner (if Franchisee is a partnership) guarantees the performance of all such obligations in writing in a form satisfactory to Franchisor and pay a reasonable administration fee to the Franchisor.

11.4.5 Franchisee shall obtain and furnish to Franchisor executed covenants similar in substance to those set forth in this Section 11.4.5 (including covenants applicable upon the termination of a person's relationship with Franchisee) and the provisions of Section 13 of this Agreement from any or all of the following persons: (a) all officers, directors, and holders of a beneficial interest of five percent (5%) or more of the securities of a Franchisee, and of any corporation directly or indirectly controlling, controlled by, or under common control with Franchisee, if Franchisee is a corporation; and (b) the general partners and any limited partners (including any corporation, and the officers, directors, and holders of a beneficial interest of five percent (5%) or more of the securities of any corporation which controls, directly or indirectly, any general or limited partner), if Franchisee is a partnership. Every covenant required by this Section 11.4.5 shall be in a form approved by Franchisor, including, without limitation, specific identification of Franchisor as a third-party beneficiary of such covenants with the independent right to enforce them.

11.5 If any party holding any direct or indirect interest in this Agreement, in Franchisee, or in all or substantially all of the assets of the Franchise Business desires to transfer or assign this Agreement or their interest herein or in Franchisee or the business to any third party, such party must first notify Franchisor in writing, by certified mail, return receipt requested, and shall provide such information and documentation relating to the offer as Franchisor may require. Franchisor shall have the right and option, exercisable within 30 days after receipt of Franchisee's notification, to match transferee's offer, or pay the equivalent in cash. Franchisor may then purchase the interest upon the same terms and conditions offered by the proposed assignee. Failure by Franchisor to exercise this right within 30 days following receipt of the written offer shall thereafter permit Franchisee to proceed with the sale to the proposed transferee provided that all other requirements identified in this Agreement are performed. Any change in the terms between the proposed transferee and Franchisee shall be considered a new offer which must be submitted to Franchisor subject to the procedures set forth herein.

11.6 Upon the death or mental incapacity of Franchisee or any person with an interest in Franchisee (if Franchisee is a corporation or partnership), or in all or substantially all of the assets of the Franchise Business, the executor, administrator, or personal representative of such person shall transfer such interest to a third party approved by Franchisor within six (6) months after such death or mental incapacity. Such transfers, including, without limitation, transfers by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer. In the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section 11 or do not wish to accept such transfer, the executor, administrator, or personal representative of the decedent shall transfer the decedent's interest to another party approved by Franchisor within a reasonable time, which disposition shall be subject to all the terms and conditions for transfers contained in this Agreement. If the interest is not disposed of within a reasonable time, Franchisor may terminate this Agreement, pursuant to Section 12.2.6 hereof.

12. DEFAULT AND TERMINATION

12.1 Except as provided in Section 12.2 below, this Agreement shall terminate at the option of the Franchisor without further notice to Franchisee, if Franchisee is in default of any of the provisions hereof, including, but not limited to, the failure by Franchisee to pay any fees owed to Franchisor, and such default is not remedied within 30 days following receipt of written notice from Franchisor, served by certified mail, return receipt requested or other form where proof of delivery is available.

12.2 The following shall, in Franchisor's judgment and option, justify immediate termination without affording Franchisee the opportunity to cure and without notification:

12.2.1 If Franchisee is convicted of or pleads no contest to, a felony, a crime involving moral turpitude, bribery, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith, or Franchisor's interest therein;

12.2.2 If Franchisee declares bankruptcy, voluntary or involuntary, or becomes insolvent, has a receiver appointed for any portion of its property, or makes a general assignment for the benefit of its creditors;

12.2.3 If Franchisee voluntarily abandons the Franchise Business;

12.2.4 If Franchisee attempts to make a transfer in violation of Section 11 hereof;

12.2.5 If Franchisee commits the same default within any twelve (12) month period during the term of this Agreement, whether or not cured after notice;

12.2.6 If Franchisee commits three (3) defaults within any twenty-four (24) month period during the term of this Agreement, whether or not cured after notice;

12.2.7 If Franchisee fails to procure and maintain insurance as described in Section 7.10;

12.2.8 If Franchisee violates this Agreement by offering services to a potential customer without first notifying that customer that Franchisee is not an agent of Franchisor; or

12.2.9 If Franchisee commits a fraud or misrepresentation which, for purposes of this Section, includes all statutory definitions of fraud, the underreporting of monthly Gross Receipts by 2% or more for each of any three months in any 12-month period, and the misuse of Franchisor's Proprietary Marks in any local, online or other telephone directory advertisement.

12.3 So long as Franchisee is in default of (with or without notice) any provision of this Agreement, Franchisor shall not be obligated under Section 4 hereof or be obligated to any Franchisor program or initiative designed for the betterment of the Franchisee or System. Upon Franchisee curing a default, Franchisor shall not be retroactively obligated.

12.4 If this Agreement is terminated due to Franchisee's default or is otherwise prematurely terminated by Franchisee, Franchisee agrees that Franchisor will incur certain damages and costs that are not readily ascertainable. Therefore, in such event, Franchisee shall pay to Franchisor, as liquidated damages and not as a penalty, a lump sum equal to the greater of i) \$100,000 or ii) the amount of Royalty and Marketing Fees accruing under the Franchise Agreement during the 12 full calendar months of the operation of the Franchise Business preceding the termination (or such lesser period as has elapsed since the Effective Date), multiplied by the lesser of five or the number of years remaining under the Initial Term of this Agreement, which may be a fraction if termination occurs during the last year of the initial term. The sum of Royalty and Marketing Fees will be determined based on an audit under Section 13.4 of this Agreement. The parties mutually acknowledge that the lump sum payment provided under this section is reasonable in light of the uncertainty as of the Effective Date about the precise damages Franchisor will sustain in such an event. Such payment of liquidated damages shall be in addition to any amounts due pursuant to any other provision of this Agreement or any other Agreement with Franchisor or its affiliates. The payment of liquidated damages hereunder shall not affect Franchisor's right to obtain appropriate equitable relief and remedies, nor shall it affect Franchisor's right to pursue any other remedies.

13. OBLIGATIONS OF FRANCHISEE UPON TERMINATION, TRANSFER, AND NONRENEWAL

In the event of termination, transfer or non-renewal of this Agreement, all rights granted hereunder to Franchisee shall terminate and Franchisee shall immediately:

13.1 Cease to use, in any manner whatsoever, any and all of Franchisor's confidential information including, Franchisor's methods, designs, and marketing techniques associated with the Proprietary Marks "PUROCLEAN", "Paramedics of Property Damage" and all other Proprietary Marks and distinctive forms, slogans, signs, symbols, and devised associated with the Franchise Business.

13.2 Prior to the disposal (by sale or otherwise) or continued use of any item displaying any Proprietary Mark, Franchisee shall remove all reference to the Proprietary Marks so that they are not recognizable.

13.3 Cease to operate the Franchise Business, and not thereafter, represent to the public or hold itself out as a present or former franchisee of Franchisor.

13.4 Submit to, and at no cost to Franchisor, a full audit prepared by a Certified Public Accountant within thirty (30) days of the effective date of non-renewal or termination, detailing all monies due Franchisor pursuant to any requirement under this Agreement, or any requirement under any other agreement between Franchisee and Franchisor and make payment to Franchisor in full. Additionally, Franchisee must reimburse Franchisor for any and all payments Franchisor is required to make to a third party as a result of any breach by Franchisee of an agreement Franchisee enters into with a third party, including all costs and expenses incurred by Franchisor in connection therewith.

13.5 Franchisee hereby assigns to Franchisor all right, title and interest in any e-mail address, website, identification, method of communications, telephone numbers and business listings used by Franchisee in connection with its conduct of the Franchise Business, and agrees that any such right, title or interest may be assumed by Franchisor, at Franchisor's option, upon termination or expiration of this Agreement. Franchisee agrees to execute a Collateral Assignment of Telephone Numbers and Listings in a form prescribed by Franchisor. Franchisee also hereby appoints Franchisor as its attorney in fact with full power and authority to execute on Franchisee's behalf any documents that are necessary to effectuate such an assignment.

13.6 Return to Franchisor the proprietary Manuals and all other records, correspondence, and instructions, videotapes, and software containing confidential information relating to the operation of the Franchise Business, including all PUROCLEAN client, customer and prospective client and customer contact information, all of which are acknowledged to be the property of Franchisor.

13.7 Comply with the covenants contained in Section 14 of this Agreement.

13.8 In the event of a transfer of this Agreement, transferor shall remain obligated under the provisions of 13.1 through and including 13.8 of this Section.

14. COVENANT NOT TO COMPETE

14.1 Franchisee acknowledges and agrees that Franchisor would be unable to protect its confidential information and would be unable to encourage the free exchange of ideas and information among franchisees and Franchisor if Franchisee were permitted to engage in a competitive business. In order to protect Franchisor and all franchisees of the Franchisor, Franchisee covenants that:

14.1.1 During the term of this Agreement, Franchisee, and all owners, guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you (including any immediate family member (by blood or marriage)) shall not, directly or indirectly within or outside the Protected Office Location, for itself, or through, on behalf of, or in conjunction with any person or legal entity, engage in any restoration and contracting business or drying and cleaning businesses (other than pursuant to this Agreement); and

14.1.2 For a period of two (2) years after the termination, transfer or expiration of this Agreement, Franchisee, and all owners, guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you (including any immediate family member (by blood or marriage)) shall not directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity, engage in any restoration, mitigation, remediation or contracting business or drying and cleaning businesses that is located within any of the following:

14.1.2.1 within the Protected Office Location;

14.1.2.2 within a fifty (50) mile radius of the Office; or

14.1.2.3 within the Protected Territory or Protected Office Location of any franchisee of Franchisor, including, without limitation, the Protected Office Location or Territory of any PUROFIRST or PUROCLEAN franchisee.

14.1.3 In addition, for a period of two (2) years after the termination, transfer or expiration of this Agreement, Franchisee, and all owners, guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you (including any immediate family member (by blood or marriage)) shall not directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity, solicit referrals or business, or accept business or referrals from any insurance company, insurance agency, third-party referral service or other entity that had previously referred business to or conducted business with Franchisee while Franchisee used or was authorized to use the Proprietary Marks.

14.1.4 Franchisee agrees that the length of time in subparts 14.1.2 and 14.1.3 will be tolled for any period during which you are in breach of the covenants or any other period during which Franchisor seeks to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

14.1.5 Franchisee further acknowledges and agrees that it will immediately and without protest pay all attorneys' fees and related expenses that Franchisor may incur in pursuing injunctive relief in order to enforce the terms of Section 14.

15. RELATIONSHIP OF THE PARTIES

Franchisee is an independent contractor, and nothing contained in this Agreement shall be construed to establish that either party is an agent (real or apparent), legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose. Franchisee understands and agrees that fulfillment of any and all obligations of Franchisor based on any and all oral and written understandings adjudged to be binding shall be the sole responsibility of Franchisor and no affiliate, agent, representative nor any individual associated with Franchisor shall be held responsible.

16. WAIVER/INTEGRATION

No waiver by Franchisor of any breach by Franchisee, nor any default or failure by Franchisor to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce Franchisor's rights with respect to that or any other or subsequent breach. Subject to Franchisor's rights to modify Appendices and/or standards and as otherwise provided herein, this Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by Franchisee and Franchisor. This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

17. ARBITRATION AND MEDIATION

17.1 Except as qualified by Section 17.5, prior to the initiation of any litigation or arbitration by either party pursuant to Section 17.2, the parties must make a good faith effort to resolve any controversies between them by non-binding mediation at a location within or near the Protected Office Location, either through a mutually acceptable mediator or through an established mediation service selected by Franchisor. Prior to mediation each party involved in mediation shall sign the standard confidentiality agreement designated by the Mediator or Franchisor. No litigation or arbitration proceeding may be commenced until the earlier of 30 days from written notice by one party to the other of a request to initiate mediation, or the mutual agreement by both parties that mediation has been unsuccessful in resolving the existing controversy. Mediation will be deemed unsuccessful if the notified party fails to respond to the requesting party within 30 days of notification. The parties will share equally all fees and expenses of the mediator. No provision contained in this paragraph (17.1) shall prevent the immediate filing in adjudication for injunctive or restraining orders as provided in 17.5.

In lieu of mediation, Franchisor may, under certain limited circumstances, require Franchisee to submit its dispute to a tribunal of franchisees selected by the National Leadership Council (the "Tribunal"). Franchisee will have 30 days after receiving notice of the dispute in front of the Tribunal to respond to the allegations and appear before the Tribunal. If franchisee refuses to participate in the review by the Tribunal, the Tribunal will have the right to review the claim without the franchisee's participation and issue a decision based upon the facts presented in the dispute.

17.2 Except as qualified in 17.1 and 17.5, the parties hereby agree that any and all disputes and claims arising out of (either directly or indirectly) or related to the Franchise Business, this Agreement or related agreement(s), including breach thereof and including any alleged violation of law, must be submitted to binding arbitration under the authority of the Federal Arbitration Act and under the auspices of either The Center for Public Resources (CPR) or the American Arbitration Association (AAA), at the option of Franchisor except for any injunctive or restraining relief as described in 17.5 which may be adjudicated in a court of competent jurisdiction in the County of Broward, State of Florida. Any arbitration must be on an individual basis and the parties and the arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any other claim or any other proceeding involving third parties. In the event a court determines that this limitation on joinder of or class action certification of claims is unenforceable, then this entire commitment to arbitrate will become null and void and the parties must submit all claims to the jurisdiction of the courts. The dispute must be heard by a panel of three (3) independent arbitrators in accordance with the Commercial Arbitration Rules of the AAA or Rules For Non-administrative Arbitration of CPR. If, however, the Respondent fails to answer the claim on a timely basis, fails to pay the required fees and expenses, or fails to make a counter-claim, the Claimant may opt to reduce the number of arbitrators to one, to be selected by the chosen arbitration association. Each arbitrator must have 10 years of franchise experience. The arbitrators must follow the law and not disregard the terms of this Agreement. The arbitrators may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that Franchisor sets. Franchisee and Franchisor will

share equally all fees and expenses of the arbitrators and CPR or AAA. No part of the arbitration proceeding may be disclosed to any other person except when required by law or by court order. Arbitration must take place in the County of Broward, State of Florida.

17.3 The decision of the Arbitrators may be filed as a judgment in any court of competent jurisdiction and will be binding in any other jurisdiction.

17.4 Any arbitration or litigation proceeding, or any claim in arbitration or litigation (including any defense and any claim of setoff or recoupment), must be brought or asserted before the expiration of the earlier of (1) the time period for bringing an action under any applicable state or federal statute of limitation; (2) one year after the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; or (3) two years after the first act or omission giving rise to an alleged claim. Claims of the franchisor attributable to the underreporting of gross sales and claims of the parties for indemnification and defense and claims for payments of financial obligations specified in this Agreement shall be subject only to the applicable state or federal statute of limitation. Arbitrability of any claim will be decided by the arbitrator.

17.5 Notwithstanding Sections 17.1 – 17.4 above, Franchisee recognizes that its Franchise Business is one of a number of businesses identified by the Marks and similarly situated and selling to the public similar products and services, and hence the failure on the part of a single franchisee to comply with the terms of its agreement could cause irreparable damage to Franchisor and/or to some or all of Franchisor's other franchisees. Therefore, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement by Franchisee, Franchisor will forthwith be entitled to an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made by the arbitrators. Similarly, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement by Franchisor, Franchisee will forthwith be entitled to an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made by the arbitrators. An action seeking the equitable remedies outlined above may be brought in state or federal court located in the County of Broward, State of Florida. The foregoing equitable remedies are in addition to, and not in lieu of, all other remedies or rights that the parties might otherwise have by virtue of any breach of this Agreement by the other party.

18. NOTICE

All notices required under this Agreement shall be in writing and delivered by registered mail, certified mail, return receipt requested or a legitimate recognized national overnight delivery service, addressed to the party's last known address. Notice shall be deemed to have been given and received at the date and time of receipt or attempted delivery.

19. SEVERABILITY

If any portion of this Agreement is held to be invalid or unenforceable, the remaining portion shall remain in full force and effect and such invalid portions shall be deemed not to be a part of this Agreement.

20. JURISDICTION, VENUE AND CONTROLLING LAW; INTERPRETATION OF RIGHTS

20.1 This Agreement shall be governed by and enforced in accordance with the laws of the State of Florida, except only Florida franchise or business opportunity law shall not apply unless Franchisee is a resident of Florida or the Protected Office Location is in Florida. Franchisee and Franchisor consent to the jurisdiction and venue of any court of general jurisdiction, County of Broward, State of Florida and, except as provided in Section 17 above, any legal proceedings arising out of this Agreement shall be brought only in such court.

20.2 Whenever this Agreement provides that Franchisor has a certain right, that right is absolute and the parties intend that Franchisor's exercise of that right will not be subject to any limitation or review. Franchisor has the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

20.3 Whenever Franchisor reserves or is deemed to have reserved discretion in a particular area or where Franchisor agrees or is deemed to be required to exercise Franchisor's rights reasonably or in good faith, Franchisor will satisfy its obligations whenever Franchisor exercises Reasonable Business Judgment in making our decision or exercising its rights. A decision or action by Franchisor will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if Franchisor's decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of Franchisor. Examples of items that will promote or benefit the System include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System.

21. ENTIRE AGREEMENT

21.1 This Agreement, the attachments hereto, and the documents referred to herein constitute the entire Agreement of the parties. There are no representations either oral or written, except those contained in the Disclosure Document and this Agreement. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

21.2 Franchisee acknowledges that if all or any part of the fees required by this Agreement was financed, that the finance company was freely chosen by Franchisee and Franchisee takes sole responsibility for rates, terms and conditions.

21.3 Nothing in this Agreement or any related agreement, however, is intended to disclaim the representations made by Franchisor in the Disclosure Document that Franchisor furnished to Franchisee.

PERSONAL GUARANTEE AND AGREEMENT TO BE BOUND
PERSONALLY BY THE TERMS AND CONDITIONS
OF THE FRANCHISE AGREEMENT

In consideration of the execution of the Franchise Agreement by us, and for other good and valuable consideration, the undersigned, for themselves, their heirs, successors, and assigns, do jointly, individually and severally hereby become surety and guarantor for the payment of all amounts and the performance of the covenants, terms and conditions in the Franchise Agreement, to be paid, kept and performed by the franchisee, including without limitation the arbitration and other dispute resolution provisions of the Agreement.

Further, the undersigned, individually and jointly, hereby agree to be personally bound by each and every condition and term contained in the Franchise Agreement, including but not limited to the non-compete provisions in Section 14 and the dispute resolution process outlined in Section 17, and agree that this Personal Guarantee will be construed as though the undersigned and each of them executed a Franchise Agreement containing the identical terms and conditions of this Franchise Agreement.

The undersigned waives: (1) notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; (2) protest and notice of default to any party respecting the indebtedness or nonperformance of any obligations hereby guaranteed; and (3) any right he/she may have to require that an action be brought against the franchisee or any other person as a condition of liability.

SCHEDULE 2 TO THE FRANCHISE AGREEMENT

CONVERSION ADDENDUM

This Addendum (the “Addendum”) to PuroSystems, LLC’s Franchise Agreement is made and entered into _____ by and between PuroSystems, LLC, a Florida limited liability company with its principal business address at 6001 Hiatus Road, Suite 13, Tamarac, FL 33321 (“Franchisor”) and _____, with an address at _____ (“Franchisee”).

BACKGROUND

A. With the execution of this Addendum, the parties entered into a Franchise Agreement (the “Franchise Agreement”) pursuant to which Franchisee was granted the right and undertook the obligation to open and operate a PUROCLEAN® business which provides mitigation and reconstruction services (the “Franchised Business”).

B. Franchisee presently operates an existing business located at [INSERT ADDRESS OF FORMER BUSINESS] (the “Existing Business Location”) under the name [INSERT NAME OF FRANCHISED BUSINESS] which provides reconstruction or mitigation services, and has earned \$ _____ in gross revenue during the 12 month period immediately preceding Franchisee’s application to purchase a Franchised Business from Franchisor (the “Existing Business”).

C. Franchisee seeks to convert the Existing Business into a Franchised Business.

D. Franchisor is willing to grant Franchisee to operate a Franchised Business through the Existing Business, subject to the terms and conditions contained in this Addendum, in reliance on Franchisee’s representations in its application materials.

AGREEMENT

NOW THEREFORE, in consideration of the mutual agreements, covenants and promises contained in this Addendum and for mutual consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **Existing Business Operating History.** Franchisee hereby acknowledges and agrees that Franchisee’s Existing Business has been engaged in mitigation and/or reconstruction services (as defined below) which generated \$ _____ in gross receipts in the 12 month period immediately preceding Franchisee’s application for a Franchised Business. In connection with the signing of this Addendum, Franchisee provided Franchisor with a list of all clients Franchisee is servicing in connection with its Existing Business (the “Existing Client List”).

- a. For purposes of this Addendum, mitigation services are defined as all drying, remediation, mitigation, cleaning, duct cleaning work, textiles dry cleaning by in plant dry cleaning companies, and related services on property casualty losses and related forms of property damage.
- b. For purposes of this Addendum, reconstruction services are defined as work done only to repair damages from fire, flood, or other catastrophic events of loss which includes

electrical, dry-wall, painting, plumbing, roofing, carpentry, cabinetry, a floor covering replacement or installation work. Reconstruction Services do not include remodeling or construction work, demolition work, rental of dumpsters, electrical power generators, or other rental services as this is part of the mitigation services classification.

- c. Any mitigation and/or reconstruction work performed by, or for leads received by, Franchisee’s Existing Business will be subject to the Royalty Fees outlined in the Franchise Agreement and this Addendum and are considered Gross Receipts of the Franchised Business. Any non-mitigation and/or non-reconstruction services performed by the Existing Business will not be subject to Royalty Fees except for any work performed as a result of a lead from the Franchised Business.

2. **Reduced Initial Franchise Fee.** Franchisor agrees to reduce the initial franchise by 5% for each \$200,000 in Prior Gross Receipts (as defined in Section 3 below) earned by Franchisee from providing mitigation and reconstruction services, up to a 50% discount or \$25,000 off of the initial franchise fee set forth in Section 5.1 of the Franchise Agreement.

3. **Royalty Discount.** The parties acknowledge and agree that the Royalty Fee set forth in Section 5.2 of the Franchise Agreement will apply to Gross Receipts generated by the Franchised Business and to any non-mitigation and/or non-reconstruction services performed by the Existing Business as a result of a lead from the Franchised Business. Franchisee is not required to pay a Royalty Fee on Gross Receipts generated by the Existing Business (when a construction business becomes a Conversion Franchisee the construction work that is not related to a fire, flood or other disaster remains separate from the Franchised Business – examples are adding a deck to a house, remodeling a dated kitchen, and basically anything cosmetic). If, however, the construction work came from a lead that Franchisor provides to Franchisee, the Royalty Fee for Reconstruction Services applies.

If Franchisee maintains at least \$500,000 in yearly Gross Receipts for the mitigation and/or reconstruction services in provides and is otherwise compliant with the terms of the Franchise Agreement and this Addendum, Franchisor will provide Franchisee with the following Royalty Fee Discounts during the following months of operation:

No royalty discount is available on additional sums earned above the Prior Gross Receipts.

- a. Prior Gross Receipts. “Prior Gross Receipts” equals the gross receipts earned by the Existing Business from providing Mitigation and Reconstruction services, respectively during the 12 month period immediately preceding execution of this Addendum.

Conversion Franchisees must provide full records and reports pursuant to the Franchise Agreement and proprietary Manual in order to be eligible for discounts within 15 days after the close of each calendar year. Franchisee’s failure to provide full records and reports pursuant to the Franchise Agreement and proprietary Manual will result in immediate suspension of all Royalty discounts.

- b. **Existing Fleet of Vehicles.** The parties acknowledge and agree that Franchisor requires all existing vehicles to be manufactured within 48 months of the Effective Date of the Franchise Agreement in order to maintain consistency of branding and service throughout the System. To the extent Franchisee's existing Vehicles do not comply with Franchisor's standards and specifications, Franchisee will be required to purchase/lease at least one new vehicle and rebranded at Franchisee's expense. 50% of all vehicles must be rebranded within 30 days of completing initial training, and the remainder must be rebranded within 12 months of executing this Agreement.
- c. **Computer System.** Franchisee may continue to use its current computer system, provided the system meets Franchisor's computer software and hardware standards and specifications. SCHEDULE 3 TO THE FRANCHISE AGREEMENT

CLEAN START PROGRAM

Franchisees new to the PUROCLEAN franchise system, excluding Conversion Franchisees and franchisees that entered the system by purchasing an existing PUROCLEAN business, may take advantage of our Clean Start Program. Under the Clean Start Program, qualifying franchisees may notify us of their desire to terminate the Franchise Agreement and cease operating their PUROCLEAN Franchised Business and we will assume the Franchisee's remaining obligations under its vehicle lease agreement and Equipment and Supplies Package lease agreement, provided Franchisee satisfies the requirements of the Clean Start Program as outlined below.

On or within 30 days after the first anniversary of the date Franchisee started operating its Franchised Business, Franchisee must provide us with written notice of its intent to terminate the Franchise Agreement under the Clean Start Program (the "Notice to Terminate"). If Franchisee qualifies for the Clean Start Program, upon the termination of the Franchise Agreement we will assume Franchisee's remaining obligations under its vehicle lease agreement and Equipment and Supplies Package lease agreement. Franchisee acknowledges and agrees that our assumption of these leases is limited to Franchisee's remaining lease obligations and does not entitle Franchisee to receive any refund or reimbursement for fees already paid under the terms of the lease agreements or the Franchise Agreement, or any other investment made by Franchisee in connection with operating the PUROCLEAN Franchised Business.

We will notify Franchisee within 5 days of receiving the Notice to Terminate whether Franchisee qualifies for the Clean Start Program. To qualify for the Clean Start Program, franchisee must satisfy each of the following requirements:

- Franchisee must lease its vehicle for use in operating its PUROCLEAN Franchised Business from one of our designated suppliers and be current on all payments to such supplier.
- Franchisee must turn over to us or our designee, possession and ownership of the vehicle and Equipment and Supplies Package. The returned Equipment and Supplies Package must include all items we require. In order to qualify for the Clean Start Program, all items included in the Equipment and Supplies Package must be returned to us in the original packaging or, if not in the original packaging, Franchisee will be responsible for all re-packaging costs and expenses.
- Franchisee will be responsible for any shipping fees incurred by us in connection with our assumption of the vehicle and/or items contained in the Equipment and Supplies Package.
- Franchisee must be in compliance with the terms of the Franchise Agreement at all times prior to and after Franchisee provides us with its Notice to Terminate.
- Franchisee's first year revenue (which includes the day Franchisee begins operating the business through the date we receive the Notice to Terminate) must be less than \$150,000.

- Franchisee must hold a total of four continuing education courses prior to issuing the Notice to Terminate, holding one continuing education course every 3 months.
- Franchisee must sign a mutual termination and release agreement in the form we require. Under the terms of the mutual termination and release agreement Franchisee will agree, among other things, to comply with the post-termination obligations outlined in the Franchise Agreement including, but not limited to, the post-term covenant not to compete.

ADDENDUM TO FRANCHISE AGREEMENT

THIS ADDENDUM (“Addendum”) is made and entered into on _____, 20____, by and between _____ (“Franchisor”), located at _____, and _____ (“Franchisee”), located at _____.

Franchisor and Franchisee entered into a Franchise Agreement on _____, 20____, (such Agreement, together with any amendments, the “Franchise Agreement”). Franchisee is applying for a loan (“Loan”) from a lender in which funding is provided with the assistance of the U. S. Small Business Administration (“SBA”). SBA requires the execution of this Addendum as a condition for obtaining the SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties agree that notwithstanding any other terms in the _____ Franchise Agreement or any other document _____ requires _____ to sign:

CHANGE OF OWNERSHIP

- If Franchisee is proposing to transfer a partial interest in Franchisee and Franchisor has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee. If the Franchisor’s consent is required for any transfer (full or partial), Franchisor will not unreasonably withhold such consent. In the event of an approved transfer of the franchise interest or any portion thereof, the transferor will not be liable for the actions of the transferee franchisee.

FORCED SALE OF ASSETS

- If Franchisor has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee owns the real estate where the franchise location is operating, Franchisee will not be required to sell the real estate upon default or termination, but Franchisee may be required to lease the real estate for the remainder of the franchise term (excluding additional renewals) for fair market value.

COVENANTS

- If the Franchisee owns the real estate where the _____ location is operating, Franchisor has not and will not during the term of the Franchise Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the Franchisee’s real estate, they must be removed in order for the

Franchisee to obtain SBA-assisted financing.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee’s employees. For temporary personnel franchises, the temporary employees will be employed by the Franchisee and not the Franchisor.

As to the referenced Franchise Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the Franchisee.

Except as amended by this Addendum, the Franchise Agreement remains in full force and effect according to its terms.

Franchisor and Franchisee acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729 – 3733.

ADDENDUM TO PUROSYSTEMS, LLC DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

To resolve an investigation by the Washington Attorney General and without admitting any liability, the franchisor has entered into an Assurance of Discontinuance ("AOD") with the State of Washington, where the franchisor affirmed that it already removed from its form franchise agreement a provision which restricted a franchisee from soliciting and/or hiring the employees of other franchisees, which the Attorney General alleges violated Washington state and federal antitrust and unfair practices laws. The franchisor has agreed, as part of the AOD, to not enforce

any such provisions in any existing franchise agreement, to not include any such provisions in future franchise agreements, to request that its Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify its franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against the franchisor.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

3. Notwithstanding anything contained in Section 17 of the Franchise Agreement, the prevailing party in any legal proceeding before a court or arbitrator to enforce the terms and provisions of the Franchise Agreement will be entitled to recover its reasonable attorneys’ fees and costs.

4. The North Dakota Securities Commissioner has determined that requiring franchisees to consent to liquidated or termination damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Any provision of Franchise Agreement that may require Franchisee to consent to liquidated or termination damages, is hereby deleted.

5. The covenant not to compete such as that mentioned in Section 14.1.2 of the Franchise Agreement may be subject to Section 9-08-06 of the North Dakota Century Code and unenforceable in the State of North Dakota if contrary to Section 9-08-06.

6. The North Dakota Securities Commissioner has held that requiring franchisees to consent to the jurisdiction of courts outside of North Dakota is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The second sentence of Section 20.1 is therefore deleted in its entirety, and the following substituted in lieu thereof:

Subject to Section 17, any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties must be brought in the Federal District Court for the District of Florida or in Broward County District Court, Florida or the federal or state court of the protected Office Location in which you are located. Both parties hereto irrevocably

admit themselves to, and consent to, the exclusive jurisdiction of said courts.

7. Pursuant to Section 51-19-09 of the North Dakota Franchise Investment Law, a franchisee may not be required to sign a general release as a condition of renewal under Section 2.2.4 of the Franchise Agreement.

8. Section 17.2 of the Franchise Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Franchise Agreement.

9. Pursuant to the North Dakota Franchise Investment Law, the first sentence of Section 20.1 of the foregoing Agreement is deleted in its entirety and has no further force and effect, and the following is substituted in lieu thereof:

Except to the extent governed by the United States Trademark Act of 1946, as amended (Lanham Act, 15 U.S.C. Section 1051 et seq.), this Agreement and the relationship between the parties is governed by and interpreted in accordance with the North Dakota Franchise Investment Law.

10. Except as amended herein, the Franchise Agreement will be construed and enforced in accordance with its terms.

Each of the undersigned hereby acknowledges having read and understood this Addendum and consents to be bound by all of its terms.

ADDENDUM TO
PUROSYSTEMS, LLC
FRANCHISE AGREEMENT FOR THE
STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

To resolve an investigation by the Washington Attorney General and without admitting any liability, the franchisor has entered into an Assurance of Discontinuance ("AOD") with the State

of Washington, where the franchisor affirmed that it already removed from its form franchise agreement a provision which restricted a franchisee from soliciting and/or hiring the employees of other franchisees, which the Attorney General alleges violated Washington state and federal antitrust and unfair practices laws. The franchisor has agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to not include any such provisions in future franchise agreements, to request that its Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify its franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against the franchisor.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

FRANCHISE AGREEMENT FOR THE
STATE OF WISCONSIN

This Addendum pertains to franchises sold in the State of Wisconsin and is for the purpose of complying with Wisconsin statutes and regulations. Notwithstanding anything that may be contained in the body of the Franchise Agreement to the contrary, the Agreement is amended as follows:

1. Notwithstanding anything that may be contained in the body of the Franchise Agreement to the contrary, Section 12 of the Agreement is extended as follows:

For all franchises sold in the State of Wisconsin, Franchisor will provide Franchisee at least 90 days' prior written notice of termination, cancellation, or substantial change in competitive circumstances. The notice will state all the reasons for termination, cancellation, or substantial change in competitive circumstances and will provide that Franchisee have 60 days in which to rectify any claimed deficiency. If the deficiency is rectified within 60 days, the notice will be void. If the reason for termination, cancellation, or substantial change in competitive circumstances is nonpayment of sums due under the franchise, Franchisee will be entitled to written notice of such default, and will have not less than 10 days in which to remedy such default from the date of delivery or posting of such notice.

2. Ch. 135, Stats., the Wisconsin Fair Dealership Law, supersedes any provisions of this Agreement or a related document between Franchisor and Franchisee inconsistent with the Law.

3. In all other respects, the Franchise Agreement will be construed and enforced according to its terms.

Each of the undersigned hereby acknowledges having read and understood this Addendum and consents to be bound by all of its terms.

CLARITY AND CUSTOMER AGREE THAT IF CLARITY SHOULD BE FOUND LIABLE FOR LOSS OR DAMAGE DUE FROM FAILURE OF CLARITY TO PERFORM ANY OF THE OBLIGATIONS HEREIN, CLARITY'S LIABILITY FOR DAMAGES SHALL BE LIMITED TO ONE MONTH OF CUSTOMER'S MONTHLY RECURRING SERVICE CHARGES AS LIQUIDATED DAMAGES AND NOT AS A PENALTY, AND THIS LIABILITY SHALL BE EXCLUSIVE. THE PROVISIONS OF THIS SECTION SHALL APPLY IF LOSSES OR DAMAGES, IRRESPECTIVE OF CAUSE OR ORIGIN, RESULT DIRECTLY OR INDIRECTLY TO PERSONS OR PROPERTY, FROM PERFORMANCE OR NON-PERFORMANCE OF THE OBLIGATIONS IMPOSED BY THIS CONTRACT, OR FROM NEGLIGENCE, ACTIVE OR OTHERWISE, OF CLARITY, ITS AGENTS, ASSIGNS OR EMPLOYEES.

CUSTOMER HEREBY AGREES TO WAIVE ALL LAWS THAT MAY LIMIT THE EFFECTIVENESS OF THE FOREGOING RELEASES. NOTWITHSTANDING THE FOREGOING, CUSTOMER SHALL NOT BE LIABLE FOR CLAIMS, EXPENSES OR DAMAGES ARISING FROM THE INTENTIONAL OR GROSSLY NEGLIGENT ACTS OF CLARITY OR ITS EMPLOYEES, AGENTS, CONTRACTORS OR REPRESENTATIVES. 911 STATEMENT

1. ACKNOWLEDGEMENT. CUSTOMER ACKNOWLEDGES THAT CLARITY'S EQUIPMENT AND SERVICES DO NOT SUPPORT 911 EMERGENCY DIALING OR OTHER EMERGENCY FUNCTIONS IN THE SAME WAY THAT TRADITIONAL WIRELINE 911 SERVICES WORK. THE DIFFERENCES ARE DETAILED BELOW, AND CUSTOMER AGREES TO NOTIFY ANY POTENTIAL USER OF THE SERVICES, WHO MAY PLACE CALLS USING CUSTOMER'S SERVICES, OF THE 911 LIMITATIONS DESCRIBED HEREIN.

2. ALTERNATIVE MEANS. CLARITY ADVISES CUSTOMER TO MAINTAIN AN ALTERNATIVE MEANS OF ACCESSING TRADITIONAL 911 SERVICES.

3. ELECTRICAL POWER. CUSTOMER ACKNOWLEDGES THAT THE SERVICES WILL NOT FUNCTION IN THE ABSENCE OF ELECTRICAL POWER.

4. INTERNET ACCESS. INTERNET ACCESS. CUSTOMER ACKNOWLEDGES THAT THE SERVICES WILL NOT FUNCTION IF THERE IS AN INTERRUPTION OF END USER'S BROADBAND OR HIGH-SPEED INTERNET ACCESS SERVICE.

5. NON-VOICE SYSTEMS. CUSTOMER ACKNOWLEDGES THAT THE SERVICES ARE NOT SET UP TO FUNCTION WITH OUTDIALING SYSTEMS INCLUDING HOME SECURITY SYSTEMS, MEDICAL MONITORING EQUIPMENT, TTY EQUIPMENT, AND ENTERTAINMENT OR SATELLITE TELEVISION SYSTEMS. END USER HAS NO CLAIM AGAINST 8X8 FOR INTERRUPTION OR DISRUPTION OF SUCH SYSTEMS BY THE SERVICES.

6. REGISTRATION. CUSTOMER'S WHO SUBSCRIBE TO CLARITY SERVICE WILL BE REQUIRED TO REGISTER THE PHYSICAL LOCATION OF THEIR EQUIPMENT WITH CLARITY BY CALLING CUSTOMER SERVICE, AND AGREE TO UPDATE THE LOCATION WHENEVER THE PHYSICAL LOCATION OF SERVICE CHANGES. CUSTOMER ACKNOWLEDGES THAT CLARITY'S ONLY MECHANISM FOR ROUTING 911 CALLS TO THE CORRECT EMERGENCY CENTER (PSAP) IS THE PHYSICAL LOCATION CURRENTLY REGISTERED FOR THE ACCOUNT. CUSTOMER ACKNOWLEDGES AND UNDERSTANDS THAT ANY ENHANCED LOCATION INFORMATION PASSED TO AN EMERGENCY OPERATOR BY CLARITY WILL BE BASED UPON THE PHYSICAL LOCATION PROVIDED TO CLARITY BY CUSTOMER. IN THE EVENT THAT THE PHYSICAL LOCATION HAS NOT BEEN UPDATED OR IS NOT COMPLETE, CLARITY MAY ATTEMPT TO ROUTE A 911 CALL BASED UPON THE BILL-TO OR SHIP-TO ADDRESSES ASSOCIATED WITH THE CUSTOMER'S ACCOUNT OR INITIAL ORDER.

7. CUSTOMER ALSO ACKNOWLEDGES THAT CLARITY E911 SERVICE HAS CERTAIN CHARACTERISTICS THAT DISTINGUISH IT FROM TRADITIONAL, LEGACY, CIRCUIT-SWITCHED 911 SERVICE. THESE CHARACTERISTICS MAY MAKE CLARITY E911 SERVICES UNSUITABLE FOR SOME CUSTOMERS. BECAUSE CUSTOMER CIRCUMSTANCES VARY WIDELY, CUSTOMERS SHOULD CAREFULLY EVALUATE THEIR OWN CIRCUMSTANCES WHEN DECIDING WHETHER TO RELY SOLELY UPON CLARITY E911 SERVICE. CUSTOMER ACKNOWLEDGES THAT IT IS CUSTOMER'S RESPONSIBILITY TO DETERMINE THE TECHNOLOGY OR COMBINATION OF TECHNOLOGIES BEST SUITED TO MEET END CUSTOMER'S EMERGENCY CALLING NEEDS, AND TO MAKE THE NECESSARY PROVISIONS FOR ACCESS TO EMERGENCY CALLING SERVICES (SUCH AS MAINTAINING A CONVENTIONAL LANDLINE PHONE OR WIRELESS PHONE AS A BACKUP MEANS OF COMPLETING EMERGENCY CALLS). THE FOLLOWING CHARACTERISTICS DISTINGUISH CLARITY'S E911 SERVICE FROM TRADITIONAL, LEGACY, CIRCUIT-SWITCHED 911 SERVICE:

I. CLARITY'S E911 SERVICE WILL NOT FUNCTION IF CUSTOMER'S PHONE FAILS OR IS NOT CONFIGURED CORRECTLY OR IF CUSTOMER'S SERVICE IS NOT FUNCTIONING FOR ANY REASON, INCLUDING, BUT NOT LIMITED TO, ELECTRICAL POWER OUTAGE, BROADBAND SERVICE OUTAGE, OR SUSPENSION OR DISCONNECTION OF SERVICE BECAUSE OF BILLING OR OTHER ISSUES. IF THERE IS A POWER OUTAGE, CUSTOMER MAY BE REQUIRED TO RESET OR RECONFIGURE THE EQUIPMENT BEFORE BEING ABLE TO USE THE SERVICE, INCLUDING FOR E911 PURPOSES.

II. THE LOCAL EMERGENCY SERVICE OPERATOR RECEIVING CLARITY E911 EMERGENCY SERVICE CALLS MAY NOT HAVE A SYSTEM CONFIGURED FOR E911 SERVICES OR BE ABLE TO CAPTURE AND/OR RETAIN AUTOMATIC NUMBER OR LOCATION INFORMATION. THIS MEANS THAT THE OPERATOR MAY NOT KNOW THE PHONE NUMBER OR PHYSICAL LOCATION OF THE PERSON WHO IS MAKING THE 8X8 E911 CALL. DUE TO TECHNICAL FACTORS IN NETWORK DESIGN, AND IN THE EVENT OF NETWORK CONGESTION ON THE CLARITY NETWORK, THERE IS A POSSIBILITY THAT A CLARITY 911 CALL WILL PRODUCE A BUSY SIGNAL OR WILL EXPERIENCE UNEXPECTED ANSWERING WAIT TIMES AND/OR TAKE LONGER TO ANSWER THAN 911 CALLS PLACED VIA TRADITIONAL, LEGACY, CIRCUIT-SWITCHED TELEPHONE NETWORKS.

III. IF CUSTOMER DOES NOT CORRECTLY IDENTIFY THE ACTUAL LOCATION WHERE THE CLARITY EQUIPMENT WILL BE LOCATED AT THE TIME OF ACTIVATION OF THE SERVICE, CLARITY E911 COMMUNICATIONS MAY NOT BE DIRECTED TO THE CORRECT LOCAL EMERGENCY OPERATOR (PSAP).

8. CUSTOMER ACKNOWLEDGES AND UNDERSTANDS THAT CLARITY WILL NOT BE LIABLE FOR ANY SERVICE OUTAGE AND/OR INABILITY TO DIAL 911 OR ANY OTHER EMERGENCY TELEPHONE NUMBER USING CLARITY SERVICE OR TO ACCESS AN EMERGENCY SERVICE OPERATOR DUE TO THE 911 DIALING CHARACTERISTICS AND LIMITATIONS SET FORTH IN THIS AGREEMENT. CUSTOMER AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS CLARITY, ITS OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES AND AGENTS AND ANY OTHER SERVICE PROVIDER WHO FURNISHES SERVICES TO CUSTOMER IN CONNECTION WITH THE SERVICES, FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF, CUSTOMER OR ANY THIRD PARTY OR USER OF THE SERVICE RELATING TO THE FAILURE OR OUTAGE OF THE SERVICE, INCLUDING THOSE RELATED TO 911 DIALING.

Xactware makes no implied or express representation or warranty with respect to the accuracy of information contained in these linked sites or the pricing information.

Xactware does not warrant that the operation of the Licensed Product or any of its parts will meet your particular application requirements, or that operation of the Licensed Product or any of its parts will be uninterrupted or error free. You assume full responsibility for determining suitability of the Licensed Product and its parts you use.

Xactware does not warrant the accuracy of Price Data. Price Data is intended to be a representation of historical information to be used as a baseline or place to begin creation of an estimate. You are responsible to ensure the estimate includes pricing consistent with components including but not limited to actual materials, equipment, and labor pricing. You acknowledge and understand that Price Data provided as part of the Licensed Product is intended to target the most representative price of the various price points collected relevant to the specific line item in question. Having this single representative price per line item,

computed from all valid price points researched in the market, means that some market price data are higher and some market price data are lower than that which is reported. You agree not to prohibit or preclude deviations from the Price Data where contractor requirements, market conditions, demand or any other factor warrants the use of a different line item price in the specific situation. The pricing information shall be compatible with the current version of the Licensed Product. This pricing information is provided for informational purposes only. It is your responsibility to ensure the estimates you write include pricing consistent with components including but not limited to actual materials, equipment, and labor pricing.

Xactware is the owner of all rights and title to the Licensed Product, data, documentation, training, and/or services and has the right to grant to you the License granted under this Agreement without violating any intellectual property rights of any third party.

If properly installed and operated by you in conformity with Xactware's instructions, including but not limited to periodic updates, Xactware warrants that the Licensed Product shall materially perform substantially as described in the applicable documentation and in conformity the system requirements described in this Agreement. Xactware further warrants that the Licensed Product shall function properly in conformity with the description and documentation as set forth herein and as updated with future releases and upgrades to the Licensed Product. Additional statements such as those made in advertising or presentations, whether oral or written, do not constitute warranties by Xactware and should not be relied upon as such.

In the event any product licensed hereunder fails to comply with the warranty as described herein, Xactware shall exert commercially reasonable efforts to correct such product so that the product licensed hereunder performs as warranted. In no event shall Xactware's total liability exceed the lesser of the fees paid for use of the Licensed Product during the twelve (12) month period of the license preceding the event for which liability is being claimed or \$1,000,000.

THE LICENSED PRODUCT IS LICENSED FOR USE "AS IS" AND SAID WARRANTIES AND LIMITATIONS SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE REMEDIES AND ARE IN LIEU OF ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER TYPE OF WARRANTY, WHETHER EXPRESS OR IMPLIED.

8. INDEMNIFICATION.

Xactware shall give you notice of any such claim and provide at Xactware's own expense such commercially reasonable assistance as you may require,

In the event you shall assert any claim against Xactware, the total of all such claims shall be limited to the lesser of the amounts paid by you to Xactware under the terms of this Agreement during the twelve (12) month period preceding the claim or \$1,000,000. IN NO EVENT SHALL XACTWARE BE LIABLE FOR LOSS OF PROFIT, GOODWILL, OR ANY OTHER GENERAL, SPECIAL, CONSEQUENTIAL, INDIRECT, CIRCUMSTANTIAL OR INCIDENTAL DAMAGES SUFFERED OR CLAIMED BY YOU OR ANY OTHER PERSON, FIRM, OR ENTITY AS A RESULT OF YOUR USE OF THE LICENSED PRODUCT, DOCUMENTATION, DATA, SERVICES OR OTHER ITEMS PROVIDED HEREUNDER, IRRESPECTIVE OF WHETHER SUCH LOSS OF PROFIT, GOODWILL, OR OTHER DAMAGES OF ANY NATURE WAS KNOWN OR COULD HAVE BEEN REASONABLY FORESEEN BY XACTWARE.

10. LIMITED USE OF PROPRIETARY, CONFIDENTIAL, AND TRADE SECRET INFORMATION.

The Licensed Product, data and all documentation provided hereunder and all copies thereof are Xactware's proprietary information and the rights and title thereto remain with Xactware. You may not use the Licensed Product for any other use or purpose other than those provided herein. Price Data or any other information marked or designated in written form as confidential are to be treated as trade secrets and confidential information. This Agreement shall not be construed to grant to you any patents, copyrights, trademarks, licenses or similar rights to proprietary information or confidential information disclosed hereunder.

Your undertakings and obligations under this Agreement shall not apply to any confidential information which:

- Is in the receiving party's lawful possession prior to the submission thereof by the other party; or
- Is independently developed by the receiving party prior to disclosure by the disclosing party.

The confidentiality provisions of this Agreement are necessary for the protection of the business and goodwill of Xactware. You agree that any breach of these confidentiality provisions or of this Agreement will cause the Xactware substantial and irreparable harm, and, therefore, in the event of such breach, in addition to any other legal remedies that may be available, Xactware shall have the right to seek injunctive relief and any other equitable

remedies to prevent or restrain any breach of this Agreement.

The obligations of confidentiality, non-disclosure, and limited use shall survive the termination of this Agreement.

In the event compulsory action is directed to you by a third party to obtain disclosure of Xactware proprietary information, you shall immediately notify Xactware and furnish information concerning the nature of the proceedings, the forum, matter number(s), and identification of the parties, counsel, and tribunal involved. You agree to grant to Xactware a perpetual unlimited license to use and have access to the Work Product.

4. TERM.

The term of this Agreement shall be for twelve (12) months. This term will automatically renew at each anniversary date unless you provide written verified notification of intent to terminate this Agreement at least ninety (90) days prior to the anniversary date, or upon execution of a replacement Licensed Product License Agreement. This Agreement may be terminated by Xactware without cause by giving you at least thirty (30) days written notice of its intent to terminate, except in the event of a breach by you of this Agreement, in which case this Agreement may be terminated by Xactware immediately upon written notice, with no rights of cure. In the event of termination, you shall promptly, but in no event more than ten (10) days following such written request, deliver, return or destroy all or any portion of the Licensed Product, Price Data, or any other procedures, proprietary information, documentation, files, and or any other property or data provided by Xactware under this Agreement.

5. THE AUTOMATED ASSIGNMENT PROCESS.

For purposes of this Section, additional definitions listed in Exhibit A shall apply.

- A. An Assignor creates an Assignment on XactAnalysis, and an Assignee is designated.
- B. XactAnalysis notifies Assignee that an Assignment is ready for routing to their Field Unit.
- C. Assignee connects Field Unit to XactAnalysis and Downloads the Assignment. The Assignee then has the ability to either accept or reject the Assignment using the field software. The Assignment may also be deemed rejected if it is not Downloaded to the Assignee's computer within the lesser of (i) the time frame specified in Assignee's agreement with Assignor, or (ii) within three (3) work days from the time of the first notification attempt.
- D. The Assignee responds to an Accepted Assignment by fulfilling all responsibilities made to the Assignor in an Agreement pre-dating the receipt of the Assignment. Such responsibilities usually include the preparation of an estimate in a prompt, professional and technically competent manner within the parameters prescribed by the Agreement with the Assignor.
- E. Assignee connects its computer to XactAnalysis and Uploads the required information (e.g., estimate). XactAnalysis stores, analyzes and prepares the Uploaded information to which Assignor or Assignee has rights of ownership as defined below for presentation to Assignor, Assignee and any other recipient (e.g., homeowner) designated by either Assignor or Assignee.
- F. Both Assignee and Assignor may view Tracker Information at any time during the process to monitor the progress of the Assignment.
- G. Xactware bills you for XactAnalysis usage on a monthly basis. Billings vary according to the feature-set chosen to facilitate the agreement between Assignor and Assignee. - C. You will pay interest to Xactware in the amount of one and one-half percent (1 ½%) per month on amounts on all invoices not paid when due. You will also provide a written list of any charges you dispute within ten (10) days of billing. Any charges not disputed within said period shall be deemed to have been accepted and payable.
- D. You hereby acknowledge and agree that your failure to make any payment to Xactware within fifteen (15) days after it is due shall constitute a default. Once your account is in default, Xactware, in addition to all other remedies available at law or equity, shall have the right to disable your access rights to any Xactware product and/or service. This includes the right to terminate your sending and receiving access and general access to XactAnalysis and to remove your publicly listed information. So long as the account remains in default, Xactware shall have the right to exercise any or all of these options, at its sole discretion, without prior notice.
- E. You agree to cooperate with Xactware in the establishment of a program that shall allow you to utilize a method of electronic funds transfer as the means for payment to Xactware of the charges you have incurred.
- F. Payments are to be made according to your Xactware invoice or, if paying online, payment is due immediately by valid credit card.
- G. The twelve (12) month license period commences when the Licensed Product is ordered.

8. YOUR REPRESENTATIONS AND WARRANTIES.

You represent that you either own or have legal authority to control the property that is the subject of the information posted on the Licensed Product. You acknowledge that those parties to whom you grant access may rely upon the information posted by you. You represent and warrant that to the best of your information and belief, the information posted by you is accurate. Unsupported opinions and estimates should be so identified. You further represent and warrant that the information obtained by you through your use of the Licensed Product

will be treated as opinion and shall not be relied upon by you without independent verification, except at your own risk.

Xactware cannot and does not represent or assume the accuracy of, or in any way endorse the content provided by its members or any other entity. You warrant and represent, therefore, that your use of Licensed Product information is only as a source of opinion. You agree not to rely thereon without independent verification, except at your own risk. You agree that as between you and Xactware, you are in the best position to assess your loss potential for any damage or injury incurred by you which arises out of your use of the Licensed Product, and you therefore contract and agree to accept the burden of insuring against such loss, including, but not limited to, losses caused by breach of express or implied warranty, product or service defect, negligence, and the acts or omissions of Xactware. You waive any right of subrogation as to Xactware against any such insurable loss. You agree to indemnify and hold Xactware harmless from liability arising out of your use of the Licensed Product website, www.xactware.com, or data obtained therefrom which arise out of any such insurable loss. You accept responsibility for all statements made, acts, or omissions that occur as part of the use of this website when such use is made possible through the use of your ID and password. You agree to indemnify Xactware from claims arising out of your use or from disclosure of your ID or password.

Contingent upon payment of the associated XactAnalysis license fees, you may also list or certify your company's credentials and update your contact information at www.xactanalysis.com. You shall be responsible to review and update the accuracy of the information contained therein on at least a semi-annual basis. Your contact information, including phone, beeper, fax, and modem numbers, along with address information and company name shall be kept current at all times and on an ongoing basis. The completion and submission of your company information authorizes Xactware to publish the information listed. You accept full and sole responsibility for the accuracy of its content. You agree to hold Xactware harmless from any action arising from information published in your public profile. By subscribing, you consent to said publication and the disclosure of such information to the public indefinitely.

9. XACTWARE'S LIMITED WARRANTIES.

The Licensed Product represents an integration point for content obtained from a vast array of sources. You assume the risk of human, mechanical or other error by Xactware, its members, licensees or other contributors that may cause delays, errors, or omissions. You acknowledge and agree that the Licensed Product may provide links to sites and information (including but not limited to pricing information) provided by others. Xactware makes no implied or express representation or warranty with respect to the accuracy of information contained in these linked sites or the pricing information.

Xactware does not warrant that the operation of the Licensed Product or any of its parts will meet your particular application requirements, or that operation of the Licensed Product or any of its parts will be uninterrupted or error free. You assume full responsibility for determining suitability of the Licensed Product and its parts for your use.

Xactware does not warrant the accuracy of pricing information in the Price Data. Price Data are intended to be a representation of historical information to be used as a baseline or place to begin creation of an estimate. You are responsible to ensure the estimate includes pricing consistent with components including but not limited to actual materials, equipment, and labor pricing. You acknowledge and understand that Price Data provided as part of the Licensed Product are intended to target the most representative price of the various price points collected relevant to the specific line item in question. Having this single

representative price per line item, computed from all valid price points researched in the market, means that some market price data are higher and some market price data are lower than that which are reported. You agree not to prohibit or preclude deviations from the Price Data where contractor requirements, market conditions, demand or any other factor warrants the use of a different line item price in the specific situation.

Xactware does not warrant the accuracy of the SketchCam tool. SketchCam is intended to capture the rough shape of a room and create renderings in Sketch, but should not be relied upon as a definitive measurement device. Accuracy of SketchCam is dependent on device sensors and human input which are inherently inaccurate. You are responsible to ensure the measurements used to create a Sketch of a room are accurate.

Xactware is the owner of all rights and title to the rights licensed to you hereunder, and has the right to grant to you the License granted under this Agreement without violating any intellectual property rights of any third party.

Xactware warrants that the Licensed Product, if properly installed and operated by you in conformity with Xactware's instructions, including but not limited to periodic updates, shall materially perform substantially as described in the applicable documentation and in conformity with the system requirements identified by Xactware for the proper operation of the Licensed Product. Xactware further warrants that the Licensed Product shall function properly in conformity with the description and documentation as set forth herein and as updated with future releases and upgrades to the Licensed Product. Additional statements, such as those made in advertising or presentations, whether oral or written, do not constitute warranties by Xactware and should not be relied upon as such.

In the event any product licensed hereunder fails to comply with the warranty as described herein, Xactware shall exert commercially reasonable efforts to correct such product so that the product licensed hereunder performs as warranted. In no event shall Xactware's liability exceed the fees paid for use of the Licensed Product.

THE LICENSED PRODUCT IS LICENSED FOR USE "AS IS" AND SAID WARRANTIES AND LIMITATIONS SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE REMEDIES AND ARE IN LIEU OF ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER TYPE OF WARRANTY, WHETHER EXPRESS OR IMPLIED.

10. LIMITATION OF LICENSEE'S REMEDIES.

In the event you shall assert any claim against Xactware, the total of all such claims shall be limited to the lesser of the amounts paid by you under the terms of this Agreement or \$1,000,000. IN NO EVENT SHALL XACTWARE BE LIABLE FOR LOSS OF PROFIT, GOODWILL, OR ANY OTHER GENERAL, SPECIAL, CONSEQUENTIAL, INDIRECT, CIRCUMSTANTIAL OR INCIDENTAL DAMAGES SUFFERED OR CLAIMED BY YOU OR ANY OTHER PERSON, FIRM, OR ENTITY AS A RESULT OF YOUR USE OF THE LICENSED PRODUCT, DOCUMENTATION, DATA, SERVICES, OR OTHER ITEMS PROVIDED HEREUNDER, IRRESPECTIVE OF WHETHER SUCH LOSS OF PROFIT, GOODWILL, OR OTHER DAMAGES OF ANY NATURE WAS KNOWN OR COULD HAVE BEEN REASONABLY FORESEEN BY XACTWARE.

11. LIMITED USE OF PROPRIETARY, CONFIDENTIAL, AND TRADE SECRET INFORMATION.

The Licensed Product, Price Data, Xactware Materials, and any other data or information provided hereunder and all copies thereof are Xactware's proprietary information, and the title thereto remains with Xactware. You may not use the Licensed Product, Price Data, or Xactware Materials for any other use or purpose other than those provided herein. Price Data

or any other information marked or designated in written form as confidential are to be treated as trade secrets and confidential information. You agree to take reasonable action by instruction, agreement, and otherwise with your employees, representatives, and agents to inform them of the trade secret and confidential nature of such information and obtain their compliance with this obligation. You agree to protect the confidentiality of the Licensed Product, Price Data, and other Xactware proprietary data, information, services and business trade secrets using the same degree of care, but not less than a reasonable degree of care, as you use to protect and preserve your own confidential information.

Except for the specific limited rights of use specifically granted in this Agreement, this Agreement shall not be construed to grant you any ownership, license, or other proprietary rights in or to any Xactware patents, copyrights, trademarks, confidential information, or other similar proprietary information.

Your undertakings and obligations under this Agreement shall not apply to any confidential information (excluding Xactware's online and offline software programs and associated documentation which shall remain Confidential Information) which:

- Is generally disclosed to third parties by the disclosing party without restriction on such third parties; or
- Is approved for release by prior written authorization of the disclosing party; or
- Is required to be disclosed by a governmental agency or by a proper order of a court of competent jurisdiction; provided, however, that the receiving party will use its best efforts to minimize such disclosure and will consult with and assist the disclosing party in obtaining a protective order prior to such disclosure; or
- Is in the receiving party's lawful possession prior to the submission thereof by the other party; or
- Is independently developed by the receiving party prior to disclosure by the disclosing party.

The confidentiality provisions of this Agreement are necessary for the protection of the business and goodwill of Xactware. You agree that any breach of these confidentiality provisions or of this Agreement will cause Xactware substantial and irreparable harm, and, therefore, in the event of such breach, in addition to any other legal remedies that may be available, Xactware shall have the right to seek injunctive relief and any other equitable remedies to prevent or restrain any breach of this Agreement.

The obligations of confidentiality, non-disclosure, and limited use shall survive the termination of this Agreement.

In the event compulsory action is directed to you by a third party to obtain disclosure of any Xactware owned information, you shall immediately notify Xactware, in writing directed to Xactware Legal Department, and furnish information concerning the nature of the proceedings, the forum, matter number(s), and identification of the parties, counsel, and tribunal involved. Unless otherwise directed by Xactware, you will seek reasonable judicial or tribunal protection from disclosure.

As such, you therefore acknowledge and agree that in the event of your breach of this Agreement, Xactware shall be entitled to equitable relief, and you consent to the entry of both a preliminary and permanent injunction enjoining you from further violation of this Agreement, solely upon a showing by Xactware that such breach by you has occurred.

Should Xactware seek equitable relief for a breach of this Agreement, including but not limited to injunctive relief, you agree that you shall not request that Xactware post a bond or other security in relation to such proceedings, or request that Xactware prove any actual damages. SAMPLE THIRD PARTY LEASE AGREEMENTS

Master Vehicle Lease Agreement (Open End)

This Master Vehicle Lease Agreement (Open End), referred to as the "Master Lease", is entered into between Selig Leasing Co., Inc. ("Lessor") and the undersigned ("Lessee") as of the date indicated in the signature provision listed below. If more than one Lessee executes this Master Lease, each will be jointly and severally liable under this Master Lease.

- 1. LEASE.** Lessor agrees to lease to Lessee certain motor vehicles pursuant to the terms of this Master Lease. Motor vehicles which will be eligible for lease are previously untitled or previously titled automobiles and trucks (collectively referred to as "Leased Vehicles"). The minimum lease term for any Vehicle lease ("Vehicle Lease") hereunder shall not be less than twelve (12) months. The terms and conditions of each Vehicle Lease will be evidenced by a vehicle endorsement in the form attached hereto as Exhibit A or such other form as acceptable to Lessor ("Vehicle Endorsement"). Each Vehicle Endorsement received by Lessee subsequent to the date hereof shall be deemed accepted by Lessee unless written objection is sent to Lessor on or before ten (10) business days after Lessee's receipt of the Vehicle Endorsement. The terms and conditions of this Master Lease apply to each Vehicle Lease, commencing as of the Vehicle Delivery Date of such Vehicle Lease.
- 2. AGREEMENT TERM.** This Master Lease shall commence as of the date indicated in the signature provision listed below, and shall continue until terminated by either party upon thirty (30) days written notice to the other. This Master Lease shall remain in effect with respect to each Leased Vehicle then leased and each Vehicle Endorsement until all terms and conditions of this Master Lease and each Vehicle Lease have been satisfied.
- 3. PAYMENTS.**

 - (a) Monthly Rentals.** Lessee agrees to pay Monthly Rentals for each Leased Vehicle in accordance with the payment and amortization schedule set forth in the applicable Vehicle Endorsement. However, at no time will the Monthly Rentals for each Leased Vehicle be less than \$25.00 per month.
 - (b) Due Dates.** All charges are due and payable on the first of each month. Late payments will be charged in the amount of 5% of the payment past due more than 15 days. If any payment method used is dishonored, a \$25 returned payment fee will be imposed. Lessee agrees to carefully review each invoice for any numerical error. Lessee will advise Lessor promptly of any such error and in such event, Lessor's sole liability and Lessee's exclusive remedy shall be adjustments in Lessee's account. All charges are based upon Lessor's standard operating routines, existing business policy and computer systems capabilities.
- 4. VEHICLE USE.** Lessee agrees that it will lease each Leased Vehicle primarily for business purposes. Lessee agrees to operate and garage the Leased Vehicle in the United States in accordance with all applicable federal, state and local laws governing the use, operation, maintenance of and alteration of motor vehicles. Lessee shall have exclusive possession, control and use of a Leased Vehicle during the term of the Vehicle Lease except that, Lessor may obtain possession of the Leased Vehicle following the termination of the Vehicle Lease, for maintenance or repairs, for any required government inspections, or because of violation of this Master Lease. Lessee agrees not to abandon the Leased Vehicle or subject the Leased Vehicle to forfeiture or seizure by governmental entities. Lessee may not remove the Leased Vehicle from the United States without the Lessor's prior written permission. Lessee agrees that it will not use the Leased Vehicle to transport persons for hire (except with the Lessor's prior written permission) or transport hazardous materials. Lessee agrees that the Leased Vehicle will not be driven by an unauthorized or unlicensed driver; or in any manner which would invalidate the insurance coverage thereon.
- 5. INSURANCE/LIABILITY CLAIM INDEMNIFICATION.** Lessee shall furnish Lessor with policies or certificates of public liability and property damage insurance, in companies acceptable to Lessor, insuring Lessor against liability for: (a) bodily injury to or death of any one person in an amount not less than \$100,000; (b) bodily injury or death in any one accident or occurrence in an amount not less than \$300,000; (c) injury to or destruction of property in an amount not less than \$50,000. Lessor shall be named as additional insured and loss payee on each such insurance policy. Lessee's agreement to indemnify Lessor extends to any and all claims for bodily injury, death, or damage to property in excess of the limits of public liability and property damage insurance furnished pursuant to this Paragraph 5, and said agreement shall not be considered nullified by virtue of Lessor's acquisition or retention of additional public liability and/or property damage insurance in compliance with applicable state laws and regulations. Lessee shall further furnish Lessor with policies or certificates of insurance, in companies acceptable to Lessor, insuring the Leased Vehicle against collision or upset subject to a deductible amount of not more than \$1,000.00 and comprehensive fire and theft insurance subject to a deductible amount of not more than \$1,000.00. Lessor shall be named as additional insured and loss payee on each such insurance policy. Lessee will give at least thirty (30) days advance notice of any cancellation, reduction or material change in coverage.
- 6. RISK OF LOSS.** Lessee agrees to bear all risk of damage, loss, theft or destruction of each Leased Vehicle from any cause. Lessee shall promptly notify Lessor of any loss, theft or accident involving the Leased Vehicle or damage thereto and of any claim, suit or demand arising out of the ownership, maintenance or use of the Leased Vehicle. In the event of partial damage to the Leased Vehicle, Lessee shall accomplish and pay for repairs in accordance with the provisions of this Master Lease. In the event of loss, theft or destruction of the Leased Vehicle beyond repair, there shall be no abatement of rental, unless the applicable Vehicle Lease is terminated in accordance with its provisions.
- 7. MAINTENANCE, REPAIRS AND OPERATING EXPENSES.** Lessee, at his own expense, shall keep and maintain each Leased Vehicle and each part thereof in good working order and condition and shall make all necessary repairs and replacements thereto. Lessee's maintenance and repair obligations shall include having the Leased Vehicle serviced and repaired whenever such services and repairs are required, but not less frequently than recommended in the owner's manual of the Leased Vehicle. All such servicing, repairs, replacements, and operating expenses shall be paid for by the Lessee at his own expense. Title to all replacements shall vest in the Lessor.
- 8. TERMINATION OF VEHICLE LEASES.** Each Vehicle Lease shall have a minimum twelve (12) month term, an initial term as shown on the appropriate Vehicle Endorsement, and successive automatic

monthly renewal terms. Each Vehicle Lease may be terminated after the twelfth month by either party upon thirty (30) days written notice of termination, the return of the Leased Vehicle to Lessor and the payment by Lessee of all amounts for which Lessee is responsible hereunder. Upon the termination of a Vehicle Lease and the return of the Leased Vehicle to Lessor, Lessor shall sell the Leased Vehicle in a commercially reasonable manner as determined by Lessor. Such sale of Leased Vehicle by Lessor may be at wholesale and nothing herein shall obligate Lessor to sell or attempt to sell a Leased Vehicle at retail.

If the net amount received from the sale of a Leased Vehicle exceeds the Current Residual Value or Residual Value at End of Initial Term as applicable, as stated in Section 1 on the applicable Vehicle Endorsement, Lessor shall pay excess to Lessee. If the net amount received from the sale of a Leased Vehicle is less than the Current Residual Value or Residual Value at End of Initial Term, as applicable, the total amount of such deficiency shall be paid promptly by the Lessee to Lessor upon demand. The "net amount" received from the sale of a Leased Vehicle as used in the Vehicle Lease is the sale price of the Leased Vehicle less all direct and sales expenses of Lessor incurred in selling, preparing and holding such Leased Vehicle for sale and less all debts incurred by Lessee which, if not paid, might constitute a lien on a Leased Vehicle or a liability to the Lessor.

- 9. EARLY TERMINATION.** Each Vehicle Lease is intended to have a minimum twelve (12) months term. However, should unforeseen developments arise, Lessee upon Lessor's permission may terminate a Vehicle Lease before the first 12 months provided Lessee is not in default with respect to any of the terms, conditions and covenants herein. In that event, Lessee shall be obligated to pay all payments remaining for the initial twelve months, in addition to other amounts noted herein. Acceptance of early lease termination by Lessor shall not relieve Lessee on any obligations herein except and until the return of a Leased Vehicle to Lessor and payment by Lessee of all amounts for which Lessee is responsible hereunder.

Upon return of a Leased Vehicle to Lessor, Lessor shall sell the Leased Vehicle as described in Paragraph 8 above. If the net amount received is less than the Current Residual Value at the end of Month 12 per the Vehicle Endorsement, the total amount of such deficiency shall be paid promptly.

- 10. WARRANTIES. With respect to all Leased Vehicles, the Lessor is not a party to, nor co-warrantor under any manufacturer's warranty and Lessor hereby expressly disclaims all warranties on Lessor's own behalf with respect to Leased Vehicles including any implied warranties of merchantability or fitness for a particular purpose.**

11. DEFAULT.

(a) The occurrence of one or more of the following events shall constitute default of this Master Lease by Lessee:

1. Nonperformance. Lessee fails to pay when due any of the obligations, or to perform, or to rectify breach of any warranty or other undertaking by Lessee in this Master Lease or any Vehicle Lease or in any evidence of or document relating to the obligations;
2. Inability to Perform. Lessee or a surety for any of the obligations dies, ceases to exist, becomes insolvent or becomes the subject of bankruptcy or insolvency proceedings;
3. Misrepresentation. Any warranty or representation made to induce Lessor to enter into this Master Lease or any Vehicle Lease with Lessee is false in any material respect when made;
4. Other Obligations. Lessee fails to pay when due any of its obligations, or to perform, or to rectify breach of any warranty or other undertaking by the Lessee in any other contract executed between Lessee and Lessor; or

5. Insecurity. Any other event which causes Lessor, in good faith, to deem itself insecure.

(b) Upon the occurrence of default, this Master Lease shall terminate the option of the Lessee and without any notice or demand. Upon default, Lessor shall be entitled to any and all remedies allowed by law including, but not limited to the immediate right to possession of any Leased Vehicle and the right to take possession of any Leased Vehicle together with all attachments, equipment, accessories, or other personal property therein or attached thereto, wherever such Leased Vehicles may be found (including the premises of Lessee), using all reasonable means to do so and without liability to anyone for damages thereof.

(c) Upon repossession, Lessor shall dispose of each Leased Vehicle in the same manner as provided in Paragraph 8 above. Lessee shall reimburse Lessor for any and all expenses incurred by Lessor in protecting or enforcing its rights under this Master Lease, including without limitation, reasonable attorneys' fees and legal expenses and all expenses of taking possession, holding, preparing for disposition of a Leased Vehicle. Such expenses shall be deducted from the proceeds from disposition of a Leased Vehicle as elected by Lessor for purposes of determining the amount of any deficiency owed by the Lessee. Nothing herein shall affect the right of Lessor to recover from Lessee any and all damages which Lessor shall have sustained by the reason of the breach of Lessee of any of the covenants, terms or conditions of this Master Lease. The remedies herein provided for the Lessor upon default of Lessee shall not be deemed to be exclusive, but shall be cumulative and in addition to all other remedies existing in law, equity or bankruptcy.

12. OPTION TO PURCHASE. The Lessee may exercise an option to purchase the Leased Vehicle after the first 12 months of the applicable Vehicle Lease by providing 30 days written notice to the Lessor. Lessee may exercise such option by paying Lessor the applicable Current Residual Value as shown on the Vehicle Endorsements. In addition to this amount, Lessee agrees to pay Lessor any sales tax, registration and title fees and any and all other necessary expenses incurred by Lessor in transferring title of the Leased Vehicle to Lessee. Lessee agrees to pay the Lessor a \$150 purchase fee. Upon full payment and fulfillment of all obligations herein by Lessee, Lessor shall execute and complete all necessary requirements to transfer title of the Leased Vehicle to Lessee.

13. TAXES. Lessee shall pay and bear all sales, use, excise, personal property, ad valorem or other taxes and government assessments, fees and charges payable or for which Lessor is made responsible for payment during the term hereof with respect to each Leased Vehicle or the ownership, possession, rental, transportation or delivery thereof except the Lessor shall pay and bear all net income taxes on or measured by rentals payable hereunder.

14. TITLE AND GOVERNMENT INSPECTIONS. Each Leased Vehicle will be titled in the name of Lessor and registered in accordance with the direction of Lessor. Lessor shall accomplish and Lessee shall pay for the titling, registration and for all inspections required by any government authority during the term of this Master Lease.

15. INDEMNITY. Lessee shall indemnify and hold harmless Lessor from and against any damage, loss, theft or destruction of each Leased Vehicle and of the cargo or contents thereof, during the term of any Vehicle Lease, and from and against any and all losses, damages, injuries (including bodily injuries and death), claims, demands, costs, and expense (including legal expenses) of every kind and nature, arising out of or connected with the use, condition or operation of a Leased Vehicle during such term in violation of any law or regulation. The obligations of Lessee under this paragraph shall survive the termination of this Master Lease.

16. VEHICLE RETURN AND DAMAGE RESPONSIBILITY. Upon expiration of the term of each Vehicle Lease, Lessee shall return the

Leased Vehicle to Lessor's place of business or such other place as may be mutually agreed upon. Lessee assumes the entire risk of loss or damage to each Leased Vehicle from any cause whatsoever and the obligation of Lessee to pay the rentals herein provided shall not in any manner be affected and shall remain in full force and effect regardless of any damage, loss or destruction of such Leased Vehicle. Lessor shall in no way be liable for and Lessee shall hold Lessor harmless against any damage, loss, theft or destruction of any Leased Vehicle during the term of the Vehicle Lease.

17. LIMIT OF LESSOR'S LIABILITY AND DISCLAIMER OF CONSEQUENTIAL DAMAGES. Lessor shall not be liable for any failure to perform any provision hereof resulting from fire or other casualty, riot, terrorist act, strike or other labor difficulty, governmental regulation or restriction of any cause beyond Lessor's control. In no event shall Lessor be liable for any loss or profits or other consequential damages or any inconvenience resulting from any theft, damage to, loss of, defect in or failure of a Leased Vehicle or the time consumed in recovering, repairing, adjusting, servicing or replacing the same, and there shall be no abatement or apportionment of amounts due hereunder during such time.

18. REIMBURSEMENT. If either party shall fail, for any reason, to perform any provision of this Master Lease to be performed by such party, the other may, at its option, and upon performing the same shall be reimbursed upon demand for all sums paid or incurred therefore.

19. SECURITY DEPOSIT. Any security deposit paid by Lessee to Lessor pursuant hereto shall be retained by Lessor during the term of the Vehicle Lease as additional security for all of Lessee's obligations thereunder and such amount shall be returned by Lessor to Lessee upon termination of such Vehicle Lease except to the extent that all or a portion thereof is applied by Lessor to any obligation of Lessee hereunder, including, but not limited to, damages incurred by Lessor upon early termination of the Vehicle Lease or default.

20. OWNERSHIP. It is expressly agreed that Lessee by virtue of this agreement acquires no ownership, title, property, right, interest, or any option therefore in any Leased Vehicle except as herein provided.

TRAC CERTIFICATION. Lessee certifies that more than 50% of the use of any Leased Vehicle will be used for trade or business purposes. Lessee acknowledges that they have been advised that Lessee will not be treated as the owner of the Leased Vehicle for Federal income tax purposes.

Lessee has been advised that Lessee will not be treated as the owner of any Leased Vehicle for Federal income tax purposes.

21. GENERAL.

(a) Entire Agreement; Severability. This Master Lease along with each Vehicle Endorsement constitutes the entire agreement between the parties and may not be changed except by an instrument in writing signed by both Lessor and the Lessee. In the event any provision hereof shall be determined to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability shall not affect the other or remaining provisions hereof.

(b) Governing Law. This Master Lease shall be governed by the laws of the State of Wisconsin.

(c) Waiver. No forbearance or failure to exercise any rights or privileges under this Master Lease or waiver of any breach of any of its terms shall be construed as a waiver of any such terms, rights or privileges, but the same shall continue and remain in full force and effect the same as if no such forbearance or waiver had occurred.

(d) Assignment. Neither this Master Lease nor any interest herein may be assigned by Lessee. This Master Lease or its interest or any rent due or to become due may, however, be assigned by Lessor without consent of Lessee, but subject to the rights of Lessee hereunder. In the event this Master Lease is assigned by the Lessor, Lessee will not assert against any subsequent holder as assignee of this Master Lease any claim or defense which Lessee may have against the Lessor.

(e) Notice. Any notice given by one party to other under this Master Lease shall be given in writing at the address of the other party set out herein, or at such other address as may have been furnished in writing for such purpose.

VEHICLE LEASE AGREEMENT

This **Vehicle Lease Agreement** ("Agreement") is effective as of the Effective Date listed below, and is by and between on the one hand, **Holman Fleet Leasing, LLC t/a Holman Small Business Solutions** ("Holman") a Delaware limited liability company, and its affiliate, **Marketplace LT** ("Marketplace LT"), a Delaware business trust, each with a place of business at 4001 Leadenhall Road, Mount Laurel, NJ 08054 (collectively, Lessor") and on the other hand, **the legal entity listed below** ("Lessee").

1. Holman provides fleet financing and related solutions to businesses ("Clients"), through a web portal ("Holman Fleet Marketplace"). Marketplace LT is a Delaware business trust formed to hold title to vehicles leased to Clients.
2. Via Holman Fleet Marketplace, a Client may select vehicles, including work trucks and vans, with specific upfit packages, such as ladders and shelving. Each Client selection is detailed on a Holman Funding Quote generated by Holman Fleet Marketplace. No Holman Funding Quote is binding unless and until signed by the Client and by Holman. A sample Holman Funding Quote is attached as **Exhibit A**, and can be viewed on Holman Fleet Marketplace at: (insert link).
3. Each Holman Funding Quote when signed by a Client and Holman is under and subject to this Agreement. (A Holman Funding Quote when fully signed is referred to herein as a "Quote.")
4. The parties by their duly authorized representatives have signed this Agreement and the initial Quote as of the Effective Date. The terms and conditions set forth below the parties' signature block are incorporated into this Agreement by this reference.

TERMS AND CONDITIONS

The following terms and conditions are incorporated by reference into the Agreement between Holman and the legal entity listed above and signing the Agreement (defined as "Lessee"). Any capitalized term used but not defined in these terms and conditions is as defined above or in the Quote. Lessee and Lessor agree as follows:

1. Lease of Vehicles.

1.1. From time to time, Lessor may lease to Lessee new or used vehicles of such make, model, and equipment as Lessee may request, as specified on the initial Quote (and each subsequent Quote) signed by Lessee and Holman. Each vehicle leased hereunder (each, a "Leased Vehicle") shall be identified on an individual Motor Vehicle Lease Agreement ("MVLA") provided to Lessee. The Lessor, whether Holman or Marketplace LT, shall be identified on the applicable MVLA. (Holman and Marketplace LT are individually and collectively referred to as "Lessor", as the context requires). All Leased Vehicles shall be owned by, and titled and registered in the name of Lessor. If Marketplace LT is

named as Lessor, then Holman shall act as servicer in performing all Lessor obligations under this Agreement. Each MVLA incorporates this Agreement (including these terms and conditions) and is and shall be an agreement of lease only. Lessee has no right or option to purchase a Leased Vehicle at the end of the Depreciation Period (defined in Section 3.1), except with Lessor's prior approval. The sales tax on any such purchase shall be based upon the then fair market value of the Leased Vehicle, as determined by Lessor. Notwithstanding that the parties to this Agreement intend to create a true lease and not a security agreement, if any court determines that this Agreement or any MVLA is intended as security, then Lessee hereby grants to Lessor a security interest in all of Lessee's right, title and interest in and to each Leased Vehicle leased under an MVLA hereunder and in all proceeds, products and substitutes or replacements thereof.

1.2. Each MVLA is non-cancellable by Lessee during the Initial Lease Term (defined in Section 3.1). Lessee's obligation to pay all amounts due under each MVLA and all other obligations hereunder are absolute and unconditional and are not subject to any abatement, set-off, defense or counterclaim for any reason whatsoever. Notwithstanding the foregoing, if Lessor approves early termination of an MVLA, then in exchange for such approval, Lessee shall pay Lessor a fee equal to the remaining balance of all Monthly Funding Payments (less depreciation) plus all Other Amounts payable through the end of the Initial Lease Term under such MVLA, not to exceed the maximum amount permitted by law.

1.3 Lessee, jointly and severally with the person signing this Agreement, represents that (a) Lessee is a business entity and not a consumer, (b) the person signing this Agreement is duly authorized to do so and to bind the corporation or limited liability company or other legal entity that is Lessee, (c) Lessee intends that the Leased Vehicles to which Section 7701(h) of the Internal Revenue Code of 1986, as amended, applies, shall be used more than 50% in the trade or business of Lessee, and (d) Lessee understands that Lessee shall not be treated as owner of the Leased Vehicles for Federal income tax purposes. By signing this Agreement, Lessee, jointly and severally with the person signing this Agreement, certifies under penalty of perjury that the foregoing representations are true and correct.

2. Ordering, Delivery, and Acceptance of Vehicles.

2.1 Lessee shall place orders for Leased Vehicles by selecting vehicles through Holman Fleet Marketplace, with each Leased Vehicle specified in the Quote signed by Lessee and Lessor. Lessor shall deliver each Leased Vehicle to Lessee's address specified in the Quote, or such other location as directed by Lessor.

2.2 At signing of the Quote, Lessee shall pay to Holman a non-refundable down payment in the amount specified on the Quote (the "Down Payment"). The Down Payment shall be applied to the Acquisition Value of the Leased Vehicle.

2.3 At or after signing of the Quote, Holman shall provide notice of availability to Lessee (the "Vehicle Available Notice"). Such Notice shall include the estimated date of delivery and delivery location. Holman may periodically update such Notice, such as where upfit work requested by Lessee is completed. Upon completion of all work for a vehicle, Holman shall provide a final Vehicle Available Notice ("Final Vehicle Available Notice") to Lessee. Holman may provide the Vehicle Available Notices (including updates) and Final Vehicle Available Notices to Lessee by posting such Notice in Holman Fleet Marketplace, or by communicating such Notice to Lessee via Lessee's email address of record in Holman Fleet Marketplace, or otherwise.

2.4 On issuance of the Final Vehicle Available Notice, Holman shall arrange for and complete delivery of the Leased Vehicle to the delivery location designated in such Notice. Holman may designate a delivery representative to deliver the Leased Vehicle. Risk of loss to the Leased Vehicle automatically transfers to Lessee at time of delivery to Lessee or Lessee's representative ("Delivery Date"), and Lessee shall be deemed to have irrevocably accepted the Leased Vehicle, on the Delivery Date. If at time of delivery of a Leased Vehicle, Lessee determines such Leased Vehicle does not materially conform to the Quote or such Leased Vehicle is materially damaged, then Lessee shall not accept possession.

2.5 Lessee shall accept delivery of each Leased Vehicle promptly on issuance of the Final Vehicle Available Notice, and in any event, not later than 30 days from the date of such Final Vehicle Available Notice ("Road Ready Date"). If Lessee has not taken delivery of a Leased Vehicle by the applicable Road Ready Date, then: (a) Lessor may commence billing Lessee as of the Road Ready Date, (b) Lessor may charge Lessee a reasonable daily storage fee from the Road Ready Date until the date Lessee accepts and takes possession of such Leased Vehicle, (c) Lessee shall bear all risk of loss or damage to such Leased Vehicle, and (d) such Leased Vehicle shall be subject to Lessee's indemnity obligations set forth in this Agreement.

2.6 Except as set forth on a Quote signed by Lessee and Lessor, any written statements appearing in the Holman Fleet Marketplace are provided for Lessee's reference and administrative convenience only, and are not binding on Holman. In case of any conflict between this Agreement and any terms stated in the Holman Fleet Marketplace, this Agreement (including all MVLAs) governs.

3. Vehicle Lease Term.

3.1. Each Leased Vehicle shall be depreciated for the term stated on the applicable Quote ("Depreciation Period"). The term of each MVLA shall commence on the Delivery Date (or Road Ready Date, if applicable), and shall be for a minimum of 367 days (the "Initial Lease Term"). For the avoidance of doubt, the term of the applicable MVLA shall commence (a) on the Delivery Date, if the Delivery Date occurs on the first of the month, or (b) on the first day of the month following the Delivery Date, if the Delivery Date occurs on a day other than the first of the month. Thereafter, the term of the applicable MVLA shall automatically renew on a month-to-month basis until the end of the Depreciation Period, unless Lessee gives Lessor at least 30 days' prior notice of Lessee's intent not to renew prior to the end of the Initial Lease Term. At the end of the Depreciation Period, if Lessor and Lessee agree, the term of such MVLA may continue on a month-to-month basis at a monthly payment agreed upon in advance by Lessor and Lessee. If the term of an MVLA is month-to-month, either Lessor or Lessee may terminate such MVLA on at least 30 days' prior notice to the other, with termination effective only upon surrender of the Lease Vehicle to Lessor.

3.2 At or after the Delivery Date, Lessor shall deliver to Lessee (or make available via the Holman Fleet Marketplace), an MVLA, indicating the Leased Vehicle's information, such as (a) the year, make, model, VIN, and Delivery Date, (b) the monthly funding payment for such Leased Vehicle ("Monthly Funding Payment"), and (c) such other information as Lessor may determine. Acceptance of the Leased Vehicle on the Delivery Date is acceptance of the MVLA terms and Lessee shall be bound by such MVLA, subject only to review and audit of such MVLA for plain error.

3.3 This Agreement governs the lease of each Leased Vehicle under each MVLA, and is incorporated into each MVLA by this reference.

3.4 Each MVLA is and shall be a separate, independent lease agreement relating solely to the Leased Vehicle named therein. Each MVLA is and shall therefore be separate and distinct from each other MVLA and any other agreement between Lessee and Holman, Marketplace LT or any affiliate of either.

4. Additional Services.

4.1 Lessor shall provide a Maintenance Management Program and a Fuel Management Program, as specified as Additional Services in the Quote. Amounts billed under this Section are "Monthly Service Fees" as referenced in the Quote for the applicable Leased Vehicle. In addition, via Holman Fleet Marketplace, Lessee may enroll vehicles other than Leased Vehicles in the Maintenance Management Program and the Fuel Management Program, and amounts billed for participation in such Programs shall be as detailed in Holman Fleet Marketplace. Lessee shall pay such amounts when billed, in accordance with this Agreement, including Section 5. Enrollment in both Programs is required.

4.2 Under the Maintenance Management Program, Lessor shall provide administrative services to Lessee, including making available an open network of maintenance and repair service providers ("Service Providers") for use by Lessee at Lessee's option. Lessor's administrative services consist of receiving estimates for maintenance and repairs from such Service Providers, paying amounts invoiced by such Service Providers, and then at the end of each month, rebilling Lessee for the amounts invoiced during such month, plus the Additional Services Fee specified in the Quote for the applicable Leased Vehicle (or for a non-Leased Vehicle, the amount detailed in Holman Fleet Marketplace for such vehicle), plus an administrative fee equal to 6% of the amounts invoiced. No administrative fee is added where the Service Provider is a National Account Vendor as listed in Holman Fleet Marketplace. Where Lessor is required to pay a Service Provider via a single use credit card, such as because such Service Provider has not provided adequate information for Lessor to pay via Automated Clearinghouse (or "ACH"), then Lessor shall charge an additional administrative handling fee equal to \$25.

4.3 Under the Fuel Management Program, Lessor provides administrative services to Lessee, consisting of issuance of third party fuel cards to enable Lessee employees to purchase fuel, provision of fuel reporting for Lessee's business management purposes, paying amounts invoiced by fuel card providers and fuel companies, and then at the end of each month, rebilling Lessee for the amounts invoiced during such month.

5. Payment.

5.1 At signing of the Quote, Lessee shall pay the Down Payment specified on such Quote to Lessor via ACH or other method approved by Lessor.

5.2 Lessee shall pay Lessor for each Leased Vehicle: (a) the Monthly Funding Payment specified on the applicable Quote, (b) Monthly Service Fees described in the applicable Quote and above in Section 4, and (c) all applicable taxes (including sales and property tax), tariffs, fees, expenses, and other charges payable hereunder as invoiced by Lessor ("Other Amounts") (the Monthly Funding Payments, Monthly Service Fees, and Other Amounts, are collectively referred to as the "Payments").

5.3 Lessor shall invoice Lessee electronically by the 1st of each month, commencing on the 1st day of the calendar month after the Delivery Date. Lessee shall pay Lessor's invoices in full on or before the 20th day of each month. Lessee shall make all Payments via ACH or other method approved by Lessor. Any payments not made when due shall bear interest from the due date until paid at the rate of 1.5% or the maximum amount permitted by applicable law, whichever is less, per month or fraction thereof. With respect to payments of amounts due hereunder, time is of the essence.

5.4 Where the Delivery Date for a Leased Vehicle occurs during a month, then Lessor shall include an amount equal to the Total Monthly Payment as set forth on the Quote for such Leased Vehicle, pro-rated based on the actual number of days in such month, from the Delivery Date to the end of such month.

5.5 Lessor's initial invoice for a Leased Vehicle shall include (a) the Total Monthly Payment as set forth on the Quote for such Leased Vehicle, (b) if finalized, Lessor's Road Ready Charges, namely Initial Tag, Title and Licensing, Courtesy Delivery Fee, and Non-Capitalized Upfit Amount (if any), and (c) Monthly Service Fees, and (d) Other Amounts.

5.6 If Lessor's Road Ready Charges are not finalized by time of Lessor's initial invoice, Lessor shall include such Charges in Lessor's next monthly invoice. Similarly, if Monthly Service Fees are not finalized by time of Lessor's initial or subsequent monthly invoice, whether due to third party billing or reporting delays or otherwise, then those amounts may appear on Lessor's subsequent monthly invoices.

5.7 Where a Leased Vehicle is surrendered during a month, the Total Monthly Payment due for such month shall be pro-rated, based on the actual number of days in such month, from the 1st of such month to the date of surrender.

6. Capitalized Value. The Capitalized Value is as specified on the Quote for the applicable Leased Vehicle, and is the sum of: (a) the Acquisition Value, less (b) the Down Payment (if any), plus (c) Upfit Amount (if any, as specified as capitalized on the applicable Quote), plus (d) sales tax, with the sales tax amount finalized based on the State where the Leased Vehicle is domiciled.

7. Licensing and Registration. Lessor shall provide vehicle titling, and initial licensing, plating and registration for the Leased Vehicles. Thereafter, Lessee is responsible for compliance with vehicle inspection, registration and other requirements under applicable laws and regulations ("Laws"), and for paying all associated fees, charges, and other amounts in connection therewith.

8. Assignment of Rentals. For purposes of funding, Lessor may collaterally assign all rights, title, and interest of Lessor in and to each MVLA and all monies due and to become due to Lessor under this Agreement to a financing institution (an "Assignee"). Where advised by Lessor or such Assignee, all Payments due and to become due hereunder shall be made to such Assignee; such Assignee's right to receive Payments is not subject to any defense by Lessee. No such assignment relieves Lessor or Lessee of their respective obligations hereunder.

9. Vehicle Replacement or Surrender without Replacement.

9.1 At any time after the Initial Lease Term, concurrently with Lessor's placement of an order under Section 2, Lessee may notify Lessor in writing of Lessee's intent to replace a Leased Vehicle, such notice to specifically identify the Leased Vehicle to be replaced. Upon delivery of the replacement Leased Vehicle, Lessee shall surrender the Leased Vehicle being replaced to Lessor.

9.2 At any time after the Initial Lease Term, Lessee may surrender a Leased Vehicle without replacement and terminate the applicable MVLA, on at least 30 days' written notice to Lessor. Lessee's notice shall state when and where such Leased Vehicle shall be surrendered to Lessor.

9.3 Where Lessee surrenders a Leased Vehicle to Lessor, such surrender shall be at a time and location agreed upon by the parties, and at time of surrender the MVLA as to such Leased Vehicle shall terminate. Where Lessor in its discretion consents to sale of such Leased Vehicle, then the MVLA shall terminate on the date Lessor receives signed sale documentation and all sales proceeds.

10. Disposition Upon Sale of Vehicles.

10.1 Lessor shall sell every Leased Vehicle after termination of the applicable MVLA. Upon sale of such Leased Vehicle, Lessor shall deduct from the sale proceeds any charges for remarketing of the vehicle (including transportation, marketing, vehicle de-identification, reconditioning), a lease termination fee, and auction or other third party fees. The sales proceeds for such vehicle, less such deductions, are the "Net Resale Proceeds".

10.2 Lessor shall credit to Lessee a rental adjustment equal to the amount by which the Net Resale Proceeds exceeds the Depreciated Value. If the Net Resale Proceeds are less than the Depreciated Value, Lessee shall pay to Lessor a

rental adjustment equal to the amount of such deficiency, but only to the extent that such deficiency exceeds an amount equal to 20% of the Capitalized Value at the beginning of the Initial Lease Term (such 20% is the "Guaranteed Net Resale Proceeds"). If the term of an MVLA extends beyond the Initial Lease Term, and Net Resale Proceeds are less than the Depreciated Value, then Lessee shall pay to Lessor a rental adjustment equal to the amount of such deficiency, but only to the extent such deficiency exceeds an amount equal to 20% of the Depreciated Value (such 20% is also the "Guaranteed Net Resale Proceeds"). Lessor may offset sums owed to Lessee against any sums owed to Lessor.

11. Depreciated Value. The "Depreciated Value" means the Capitalized Value of each Leased Vehicle, less the Total Depreciation Reserve paid by Lessee for such Leased Vehicle. The "Total Depreciation Reserve" means the amount of depreciation included in the Monthly Funding Payment for the number of months a Leased Vehicle was in billed service and paid by Lessee. Such Monthly Funding Payment is calculated on an amortized level-pay basis, such that as the interest component decreases, the principal shall increase while at all times the Monthly Funding Payment remain constant. Where a Leased Vehicle is delivered during a month, or surrendered during a month, and the Monthly Funding Payment for such month is pro-rated, the pro-rated amount is not applied to Depreciated Value.

12. Use of Vehicles.

12.1 Lessee has the right to possess, control, and use the Leased Vehicles during the term of applicable MVLA, so long as no Event of Default has occurred and is continuing. Lessee shall use the Leased Vehicles in Lessee's trade or business, in accordance with applicable manufacturer requirements, and in compliance with Laws, including Laws related to the use, condition, operation, and possession of any Leased Vehicle, including operator licensing requirements. Lessee represents that the Leased Vehicles shall not be used for consumer or household purposes. Title to each Leased Vehicle shall remain in Lessor, but Lessor shall have no control or supervision of the operation of any Leased Vehicle. Nothing herein authorizes Lessee or any other person to operate or otherwise use a Leased Vehicle contrary to Law or to incur any liability or obligation on behalf of Lessor. Lessor may charge Lessee a reasonable processing fee for any violation, summons, citation or other governmental charge against any Leased Vehicle hereunder, and may pay and bill Lessee for such charges not timely paid by Lessee. Lessor reserves the right to charge Lessee a reasonable processing fee for any new titles which must be obtained due to driver state changes.

12.2 All items of equipment installed on a Leased Vehicle as specified in the applicable MVLA shall not be removed without Lessor's prior written consent and shall be deemed part of the Vehicle. Upon request, Lessee shall, at its expense, affix and maintain on such equipment a plate, satisfactory to Lessor, indicating Lessor's ownership.

12.3 Lessee shall not make any modification to any Leased Vehicle hereunder that would negate the manufacturer's warranty or diminish the value of such Leased Vehicle. Lessee shall not cause or permit any lien, claim, security interest, or other encumbrance on any Leased Vehicle hereunder, including any equipment installed thereon. Lessee shall, at Lessee's own expense, to take such action as may be necessary (a) to remove any such lien, claim, security interest or encumbrance, and (b) to prevent any third party from acquiring any other interest in any Leased Vehicle, including by reason of any equipment installed thereon. Lessee shall not sublease any Leased Vehicle hereunder without the Lessor's prior written consent.

13. Lessee Responsible for Maintenance. Lessor is not responsible for the maintenance and upkeep of any Leased Vehicle after the Delivery Date (or Road Ready Date, as the case may be). Lessee at its expense, shall maintain, service, and keep in good repair each Leased Vehicle until surrender to Lessor in accordance with this Agreement. For any equipment installed on Leased Vehicle or otherwise leased to Lessee, on Lessor's request, Lessee shall permit Lessor access to such equipment at all reasonable times for the purpose of inspection and examination. Lessee shall make no material alterations in such equipment without Lessor's prior written consent.

14. Damage, Loss, or Theft of Leased Vehicles. Lessee is responsible for all repairs to a Leased Vehicle hereunder and in such instance, Lessor shall assign to Lessee all rights Lessor may have to be reimbursed for such repairs pursuant to Lessee's insurance coverage. If a Leased Vehicle hereunder is damaged or destroyed, to such extent that Lessee finds such Leased Vehicle undesirable to continue its use, Lessee may terminate the applicable MVLA under Section 9, and Lessor shall dispose of the applicable Lease Vehicle and process the sale of such Leased Vehicle under Section 10, except that Lessor shall not be required to apply the Guaranteed Net Resale Proceeds under Section 10. If a Leased Vehicle hereunder is lost, seized, or stolen, Lessee shall terminate the applicable MVLA under Section 9 herein and, upon payment of the Depreciated Value, Lessor shall forward to Lessee documentation necessary to transfer ownership of such Leased Vehicle when requested by Lessee.

16. Insurance.

16.1 Lessee, at its expense, shall obtain and maintain for the benefit of Lessor, (a) automobile liability insurance against liability for bodily injury and property damage, in a minimum single limit of at least \$1,000,000, covering all owned, non-owned, and hired autos (including coverages required by Law such as uninsured/underinsured motorist and no

fault), and (b) comprehensive (including loss caused by wind, hail, flood, earthquake, and wildfire) and collision insurance insuring the full value of vehicles against physical damage. Lessee shall cause Holman and Marketplace LT to be included as an additional insured and loss payee under such policies and coverages. All such coverages shall be primary and non-contributory, irrespective of any other insurance or self-insurance programs carried by Lessor or any affiliate. Prior to the Delivery Date for any Leased Vehicle, subsequently at each insurance renewal, and upon request from Holman, Lessee shall furnish Holman with an ACORD insurance certificate evidencing all required coverages. Insurance certificates shall identify any applicable self-insured retentions or deductibles, which shall be Lessee's sole responsibility. Such certificates shall provide that Holman shall receive at least 30 days' prior written notice of any cancellation or non-renewal. Limits may be satisfied through a combination of primary and excess/umbrella policies. All such insurance shall be procured from insurance companies having an A.M. Best rating and financial size category of at least an "A-, VII" or better, or otherwise reasonably satisfactory to Lessor. Lessee shall bear all risk of loss or damage to each Leased Vehicle and the contents thereof.

16.2 If Lessee shall fail to provide such required insurance, Lessor, at its sole option may: (a) provide same and upon demand shall be reimbursed by Lessee for the amount invoiced by the applicable carrier, plus 10% of such amount to defray administrative expense; or (b) terminate the MVLA's related to any and all Leased Vehicles, effective immediately on notice to Lessee. Lessee agrees that the insurance required under this Section does not limit Lessee's liability to Lessor hereunder, including Lessee's duty to defend, indemnify and hold harmless Lessor and all other indemnities hereunder. If Lessee maintains higher limits than the minimums shown above, Lessor shall be entitled to coverage for such higher limits maintained by Lessee. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to Lessee.

17. Indemnification. Lessee shall defend, indemnify, and hold harmless Holman and Marketplace LT, their respective affiliates, and directors, officers, agents and contractors, from and against all claims, suits, damages, judgments, losses, or other liabilities (including costs and reasonable attorney's fees) ("Claims and Losses") arising out of or related to delay in delivery of Leased Vehicle, or the use, condition, or operation of any Leased Vehicle prior to surrender to Lessor in accordance herewith, including any Claims and Losses arising out of or related to any Leased Vehicle inspection, maintenance, repair or service. Lessee shall take upon itself the defense and settlement of all Claims and Losses (including any suit or legal or administrative proceedings), and the payment of all judgments entered, whether or not Lessor is a party thereto. Lessor shall give Lessee prompt written notice of any Claim or Loss for which defense and indemnity is requested under this Section. This Section includes Claims and Losses, howsoever arising, whether by reason of negligence, breach of warranty, defect in manufacture or maintenance, or otherwise and even though strict liability be claimed.

18. Statement of Odometer Warranty and Indemnification. Federal and applicable State Laws require that Lessee disclose the mileage of each Leased Vehicle when returned to Lessor in connection with the transfer of ownership of such Leased Vehicle. Such Laws provide that failure to make disclosure (or the making of a false statement) may result in fines and/or imprisonment. Lessee represents to Lessor that the mileage indicated on the odometer of any Leased Vehicle returned to Lessor is the true and actual reading, that no tampering with such odometer nor any replacement not in compliance with applicable Law, has taken place and that Lessee is in compliance with applicable Law. Lessee shall defend, indemnify and hold harmless Lessor from any and all Claims and Losses arising from or related to Lessee's breach of this Section, including the payment of any fines or penalties and satisfaction and discharge of any judgments against Lessor or affecting a Leased Vehicle. Lessor shall give Lessee prompt written notice of any Claim or Loss for which defense and indemnity is requested under this Section.

19. Warranties. As to each Leased Vehicle, Lessor warrants that (a) the Leased Vehicle, at the Delivery Date (or Road Ready Date, as the case may be) is free of all encumbrances (other than the interest of an Assignee pursuant to Section 7) and (b) Lessor (i) is the sole and absolute owner of the Leased Vehicle, (ii) has the right to lease the Leased Vehicle to Lessee, (iii) shall not cause the Leased Vehicle to become subject to any lien or encumbrance, (iv) shall not sell, assign, lease or otherwise dispose of the Leased Vehicle except as provided for in Section 7 and 10 hereof (or after an Event of Default (defined in Section 20)), and (v) shall do nothing to disturb Lessee's full right of possession and enjoyment of the Leased Vehicle and the exercise of all Lessee's rights with respect thereto as provided by this Agreement. **As to any Leased Vehicle (whether new or used when initially leased) and as to any services provided hereunder, Lessor hereby disclaims all warranties, either expressed or implied, including any implied warranties of merchantability or fitness for a particular purpose, and Lessor neither assumes nor authorizes any other person to assume for Lessor any liability in connection with the use, condition, operation and possession of Leased Vehicle.** Lessee leases the Leased Vehicles "as is", and Lessee acknowledges Lessee has selected the Leased Vehicles on the basis of Lessee's own judgment and expressly disclaims any reliance upon any statements or representations made by Lessor. No Service Provider or other contractor of Lessor is an agent of Lessor or is authorized to bind Lessor or modify or waive any term of this Agreement or any MVLA. **No representation as to the Leased Vehicles or any other matter by any Service Provider or other contractor of Lessor shall in any way affect**

Lessee's duty to perform its obligations hereunder or under any MVLA. Neither party to this Agreement shall be entitled to recover from the other party any consequential damages (including damages for loss of use or lost profits) or incidental, special, punitive or exemplary damages.

20. Default; Remedies.

20.1 Any of the following events or conditions shall constitute an "Event of Default" hereunder: (a) Lessee or any guarantor of Lessee's obligations hereunder ("Guarantor") defaults in the payment when due of any amounts payable to Holman and/or Marketplace LT, whether under this Agreement, any MVLA or any other agreement between Holman and/or Marketplace LT (collectively, "Other Agreements") or in the performance of any term of this Agreement, any MVLA, or any Other Agreements, and such default continues for a period of 10 days after written notice from Lessor of such default, (b) a petition or proceeding is filed by or against Lessee or any Guarantor under any bankruptcy or insolvency law and such action is not dismissed within 60 days after the filing, (c) Lessee or any Guarantor ceases doing business as a going concern, (d) Lessee or any Guarantor makes an assignment for the benefit of creditors, (e) a receiver, trustee, conservator, or liquidator is appointed for Lessor or any Guarantor or any of their respective properties, (f) Lessee or any Guarantor suffers any material adverse change in its financial condition, as determined by Lessor in its discretion, or (g) any statement, representation or warranty made by Lessee or any Guarantor to Lessor is incorrect in any material respect.

20.2 Upon the occurrence of any Event of Default, Lessor shall have the right to, but shall not be obligated to, exercise any one or all of the following remedies (which are and shall be cumulative), simultaneously or serially, and in any order: (a) accelerate the due date, and demand payment of all amounts due to Lessor hereunder and any remaining unpaid charges for the balance of the applicable terms of the MVLA's or Other Agreements, (b) with or without notice, demand, or legal process, take possession of any or all Leased Vehicles hereunder and (i) retain such Leased Vehicles and all payments and other amounts paid under this Agreement and all MVLA's or (ii) sell any of the Leased Vehicles hereunder at public or private sale without notice to Lessee at such price and upon such terms as Lessor deems commercially reasonable and, after applying such resale proceeds to the amounts due Lessor hereunder, recover the remaining balance from the Lessee, (c) terminate this Agreement or any MVLA's hereunder, or (d) pursue any other remedy permitted at law or in equity. In addition, Lessee shall reimburse Lessor for all of Lessor's out-of-pocket costs and expenses incurred in exercising any of its rights or remedies under this Agreement or any MVLA, or in enforcing any of the terms of this Agreement or any MVLA, including reasonable fees and expenses of attorneys and collection agencies, whether or not suit is brought. Upon any Event of Default, Holman and Marketplace LT shall have all remedies available to either of them at law or in equity, including the right to offset any sums owing or to be owing to Lessee by either of them against any sums owing or to be owing to either of them, whether under an MVLA or otherwise. No remedy pursued under this Section shall be deemed an act of termination of the Agreements.

21. Financial Statements; Ownership. Unless publicly available, Lessee shall provide Lessor annually a copy of Lessee's complete year-end financial statements promptly upon expiration of Lessee's fiscal year and any such other financial information as may be requested by Lessor. Lessor retains the right to limit vehicle orders and Leased Vehicle deliveries based upon Lessor's credit evaluation of Lessee. Lessee shall notify Lessor, in writing, of any change in name, address, ownership or control of Lessee within 30 days after such change.

22. Books and Records. Lessor's books and records with respect to the matters set forth herein shall be binding on Lessee, absent manifest error.

23. Publicity. Neither party shall use, or permit the use of, the name or logo of the other party in any press release or other public disclosure, including any website or social media, without the prior written consent of the other party, except as required by applicable Law.

24. Data. All data collected by Lessor in the course of providing the services under this Agreement is the property of Lessee. Lessor shall have a non-exclusive license to use such data to enable Lessor to perform its obligations under this Agreement. Without limiting the generality of the foregoing, Lessor and its affiliates shall have the right to use Lessee's data for benchmarking purposes, for the purpose of improving the services Lessor provides, so long as such data is aggregated with data of other Lessor clients and not attributable to Lessee. Lessee acknowledges that the Leased Vehicles, including any navigation system, telematics, and attached devices may retain content or other data that Lessee (including its employee drivers and other operators of the vehicles) may input and store for purposes of operation of the Leased Vehicles ("Vehicle Retained Data"). Neither Lessor nor any affiliate has any obligation to erase or overwrite such Vehicle Retained Data upon any surrender or other disposition of a Leased Vehicle. Lessee is responsible for Lessee's compliance with all applicable Laws pertaining to data privacy, security and retention with respect to such Vehicle Retained Data.

25. Confidentiality.

25.1 All non-public information supplied by a party (the "Disclosing Party") to the other party (the "Receiving Party") under this Agreement, including all systems and system specifications, policies, procedures, practices, business and operating methods, client, customer, driver and vehicle information, sourcing techniques and supplier data, maintenance and repair information, all financial and statistical data and analyses associated with the foregoing, and all software associated with the foregoing, whether disclosed orally or in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential," or "proprietary," is and shall be and remain confidential information of the Disclosing Party and shall be owned solely by the Disclosing Party ("Confidential Information").

25.2 Confidential Information shall cease to be protected as confidential if such information: (a) is or becomes generally available to the public other than as a result of the Receiving Party's breach of this Section or breach by a third party of a similar confidentiality obligation; (b) is or becomes available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information; (c) was in the Receiving Party's possession prior to the Disclosing Party's disclosure hereunder; or (d) was or is independently developed by Receiving Party without using any Confidential Information.

25.3 During the Initial Lease Term and all renewal terms, the Receiving Party shall protect and safeguard the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party would protect its own most sensitive information, but in no event with less than a reasonable degree of care consistent with industry standards. The Receiving Party shall not use the Disclosing Party's Confidential Information, nor permit such Information to be accessed or used, for any purpose other than to fulfill the terms of this Agreement. The Receiving Party shall not disclose any of the Disclosing Party's Confidential Information to any person or entity, except to the Receiving Party's employees who have a strict need to know such Information in order to assist the Receiving Party to comply with this Agreement.

25.4 If the Receiving Party is required by applicable Law or legal process to disclose any of the Disclosing Party's Confidential Information, then unless prohibited by Law, the Receiving Party shall notify the Disclosing Party of such requirement as far in advance as practicable, to afford the Disclosing Party the opportunity to seek, at the Disclosing Party's expense, a protective order or other remedy. If requested, the Receiving Party shall cooperate with the Disclosing Party in that effort.

25.5 On any termination of this Agreement, the Receiving Party shall either return or destroy all of the Disclosing Party's Confidential Information and should the Receiving Party opt to destroy, then upon destruction of such Information, Receiving Party shall provide the Disclosing Party with an affidavit signed by the Receiving Party's Chief Financial Officer that such Information has in fact been destroyed. Notwithstanding the foregoing, the Receiving Party shall be entitled to (a) retain copies of the Disclosing Party's Confidential Information preserved or recorded in any computerized data storage device or component (including any hard drive or database) or saved automatically to standard back-up or archival systems, and (b) retain copies of Confidential Information to the extent required by Law; provided that any such Confidential Information shall continue to be subject to this Agreement.

25.6 This Section is necessary to protect Confidential Information, and its confidential and proprietary nature. Each party agrees that its breach of this Section may cause the other party substantial and irreparable harm, for which damages may not be an adequate remedy and, therefore, in case of any such breach or threatened breach, in addition to other available remedies, the Disclosing Party shall have the right to seek specific performance and other injunctive and equitable relief without the requirement of posting a bond or other security.

26. Assignment. This Agreement binds the parties and their respective successors and permitted assigns. In addition to the rights set forth in Section 7 above, Lessor may, in its discretion, assign any or all of its rights, interests, and obligations hereunder to an affiliate of Lessor, without Lessee's consent. Lessee may not assign or sublease this Agreement without the prior written consent of Holman and Marketplace LT, and any assignment without such consent is void from the beginning.

27. Termination. This Agreement shall remain in effect until terminated by either party upon 30 days written notice to the other party. The termination of this Agreement shall not affect any Leased Vehicle and all such Leased Vehicles shall remain subject to the terms hereof until the termination or expiration of the applicable MVLA, and Lessor and Lessee shall retain their respective rights and obligations hereunder as to such Leased Vehicles.

28. Miscellaneous. This Agreement is the entire agreement and understanding the parties as to its subject matter, and supersedes all prior or contemporaneous agreements and understanding. Except as expressly set forth in this Agreement, all warranties, representations, terms, conditions, and undertakings, express or implied, whether by statute, common law, custom, trade usage, course of performance, course of dealing or otherwise (including as to quality, performance or fitness or suitability for purpose) in respect of vehicles (including Leased Vehicles) or any other goods

or services provided by Holman or Marketplace LT, are excluded to the fullest extent permitted by Law. A party's failure or delay in enforcing an obligation, or exercising a right or remedy is not a waiver of that obligation, right or remedy. A party's waiver of a term hereof or a breach of such term, is not a waiver of such term or any other term, or any breach of such term or other term hereof. If any term of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term of this Agreement or invalidate or render unenforceable such term in any other jurisdiction. Upon a determination that any term is invalid, illegal, or unenforceable, the court may modify this Agreement to effect the original intent of the parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible. The respective obligations of Lessor and Lessee under this Agreement that by their nature would continue beyond termination or expiration, including Lessee's obligation to pay amounts due Lessor, to indemnify, to provide insurance and to maintain confidentiality, shall survive any termination or expiration of this Agreement. There are no third party beneficiaries under this Agreement, except for affiliates of Lessor. The word "including" means "including but not limited to."

29. Governing Law; Venue; Waiver of Jury Trial. This Agreement is governed by New Jersey law without regard to conflicts or choice of laws rules. The UN Convention on the International Sale of Goods is expressly excluded. Any litigation under this Agreement shall be commenced and maintained in US District Court, District of New Jersey, sitting in Camden, New Jersey or if jurisdiction is lacking, in New Jersey state court, Burlington County, New Jersey. The parties waive any objection to such jurisdiction and venue. **Each party hereby irrevocably waives all right to a trial by jury in any action or proceeding arising out of this Agreement or any of the transactions contemplated hereby.**

2. TERM OF LEASE AND VEHICLE LEASE TERM

- (a) The term of this Lease shall commence on the date hereof, and continue until the expiration of the Lease Term for each of the Vehicles set forth in Section 1, unless earlier terminated pursuant and subject to the terms and conditions of this Lease.
 - (b) Provided that LESSEE is not then in default, LESSEE may, with LESSOR'S prior written approval, extend the lease term for any Vehicle(s) on a month-to-month basis at the monthly rental charge for such Vehicle specified in Section 1 (but subject to an appropriate adjustment in the Estimated FMV set forth in Section 1) by giving LESSOR written notice of such election at least thirty (30) days in advance of the expiration of the lease term(s) for such Vehicle(s), including vehicle identification number(s) and location(s) of the subject Vehicle(s). Upon receipt of such notice, LESSOR shall have the right to conduct an inspection of said Vehicle(s) at a time and place designated by LESSOR and LESSEE shall make the Vehicle(s) available for such inspection.
- 3. LESSEE'S OPERATION OF VEHICLE(S)** So long as LESSEE is not in default under this Lease, LESSEE shall be entitled to the possession and use of the Vehicle(s) in the United States in accordance with the terms and conditions of this Lease. LESSEE shall comply with all federal, state and local statutes, ordinances, laws and regulations that may be applicable to the leasing, possession, use operation or maintenance of the Vehicle(s).
- (a) LESSEE agrees to maintain the Vehicle(s) in safe and good mechanical condition and running order at all times during the term of this Lease, reasonable wear and tear excepted, and to complete all prerequisites and maintenance procedures required and recommended in any manufacturer's warranty and manufacturer's service recommendations for such Vehicle. In no event shall the Vehicles be used to transport any hazardous substances, munitions or explosive devices. LESSEE shall not permit any Vehicle to be operated by an unlicensed driver or any other driver not legally authorized to operate the Vehicle or in any other manner that would adversely affect the insurance coverage maintained on such Vehicle.
 - (b) Lessee represents, warrants and agrees that: (a) the Vehicle(s) will be used 100% for business and commercial purposes and not for personal, family or household purposes; (b) the Vehicle(s) will be maintained in good operating condition, repair and appearance, and will be used and operated with care, only by qualified personnel in the regular course of Lessee's business and in conformity with all applicable governmental laws and regulations; (c) the Vehicle(s) will remain personal property and not become part of any real property; (d) Lessor may inspect the Vehicle(s) at all reasonable times and from time to time; (e) and the Vehicle(s) will not be used outside of the Continental United States. Notwithstanding the prohibition from removing the Vehicle(s) from the United States, in the event that Lessee contemplates any exporting of the Vehicle(s) (including any technology supplied as part of the Vehicle(s)), Lessee shall follow all procedures as required by the U.S. Export Administration Regulations and any related export control laws and regulations promulgated and administered by the government of any country having jurisdiction over the parties hereto or the transactions contemplated herein.
- 4. LESSOR'S DISCLAIMERS**
- (a) DURING THE LEASE TERM, LESSOR HEREBY ASSIGNS TO LESSEE ALL MANUFACTURER'S WARRANTIES APPLICABLE TO EACH VEHICLE, IF ANY. THERE ARE NO WARRANTIES OR OTHER RIGHTS PROVIDED BY LESSOR OR MANUFACTURER OTHER THAN SUCH MANUFACTURER'S WARRANTIES ASSIGNED TO LESSEE, WHICH SHALL BE ENFORCEABLE SOLELY AGAINST

MANUFACTURER AND NOT LESSOR. LESSEE SHALL LOOK TO THE MANUFACTURER AND ITS AGENTS FOR ANY AND ALL CLAIMS RELATED TO THE VEHICLES.

(b) LESSOR LEASES THE VEHICLE(S) "AS-IS, WHERE-IS", WITH ALL FAULTS AND THAT AS BETWEEN LESSOR AND LESSEE, ALL RISKS ARE TO BE BORNE BY LESSEE. **LESSOR MAKES NO REPRESENTATIONS OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, SUITABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF ANY VEHICLE.**

5. **COSTS, EXPENSES, FEES AND CHARGES** LESSEE covenants that it will pay, in addition to the rental, all costs, expenses, fees, charges, assessments and taxes (other than federal income taxes and income taxes imposed by any state or local government in the United States to which LESSOR would otherwise be subject absent its lease of Vehicle(s) under this Lease) incurred in connection with the titling, registration, delivery, purchase, sale, rental, installation, lease, use, possession, operation or maintenance of the Vehicle(s) during the term of this Lease and shall file any and all forms required in connection therewith. LESSEE agrees to pay all fines, tickets and other charges imposed on any Vehicle or its driver, including without limitation, any other initial direct costs incurred including, but not limited to storage charges, towing charges, parking charges and fines or any other public or private charges levied or assessed against the Vehicle. If LESSOR pays any bills, fines, fees or other charges which are the responsibility of LESSEE on LESSEE'S behalf, LESSEE shall reimburse LESSOR all such amounts paid, upon demand, plus \$100.00 for expenses incurred by LESSOR.
6. **REGISTRATION, PLATES, LICENSES** LESSEE shall, at its own expense, obtain in the name of LESSOR, all titles, registration certificates, license plates, permits, inspections and other certificates, permits or licenses required to be obtained except for the initial title registration certificate and license plates that LESSOR shall obtain at LESSEE'S expense. LESSEE shall promptly forward copies of all such titles, registration certificates, permits, inspections and other certifications and licenses to LESSOR. LESSEE shall notify LESSOR at least fourteen (14) days before registering any Vehicle in a State other than the State of original registration. In addition, LESSEE shall prepare and furnish to LESSOR any and all documents, returns or forms legally required in connection with the leasing, possession, use or operation of the Vehicles in the locations where the Vehicle(s) will be leased, used or operated.
7. **RENTAL CHARGES**
 - (a) Commencing on the Delivery Date, LESSEE shall pay LESSOR, and LESSOR shall accept as payment from LESSEE as rental for the Vehicles, the Monthly Rental charges set forth in Section 1 of this Lease ("rental"), which rental shall be irrevocable, independent, absolute and unconditional, and LESSEE shall not be entitled to any abatement or reduction of, or set-off against, such amounts for any reason whatsoever. All rental payments shall be in United States legal tender and in immediately available funds, paid at LESSOR'S address noted above, or to such other place as LESSOR may designate by written notice to LESSEE. Rental shall continue to accrue and be payable with respect to any Vehicle that is lost, stolen, damaged, out-of-service or malfunctioning until all amounts due LESSOR hereunder in respect of such Vehicle are paid in full.
 - (b) With respect to each Vehicle, all monthly rental payments shall be due and payable with respect to each calendar month during the lease term for that Vehicle, in advance, on the Delivery Date and on or before the same date each such month thereafter (the "Due Date"), **WHICH TIME SHALL BE OF THE ESSENCE.** In the event any monthly rental is not paid in full within ten (10) days after the Due Date, LESSEE shall pay a late fee of five percent (5%) of any past due monthly rental payment commencing on the Due Date and ending on the date of receipt of payment in full by LESSOR with such late fee not to be less than \$25.00. The said late payment fee is in addition to and not in limitation of any other rights and remedies of LESSOR.
 - (c) In addition to the rental charges, LESSEE shall deposit with LESSOR, upon LESSOR'S demand, a Security Deposit for each Vehicle in the amount specified in Section 1 of this Lease on or before the Delivery Date. LESSOR may use the Security Deposit amount to pay amounts owed under this Lease. Any unused Security Deposit will be returned to Lessee upon the termination of this Lease, without interest, increase or profits.
 - (d) All billing and other statements rendered by LESSOR shall be presumed correct and accurate and constitute a liquidated and undisputed amount due LESSOR from LESSEE unless, within ten (10) days after receipt thereof, LESSEE shall deliver written objection thereto specifying any errors in the statement. In the event of any confirmed errors, LESSOR'S sole liability and LESSEE'S exclusive remedy shall be to make appropriate adjustments to LESSEE'S account.

AUTO DEBIT AUTHORIZATION (ACH): Automatic electronic payments are: **MANDATORY.**

If MANDATORY appears, you will be in default of your contracts if you cancel automatic payment. This authorization shall be deemed to be a continuing requirement, and authorization may not be revoked until all obligations of Lessee under this Agreement have been satisfied in full or otherwise terminated.

If MANDATORY appears above, the DIRECT PAYMENT SIGN-UP FORM (ACH) and section 1 of the BILLING SET-UP INFORMATION FORM must be completely filled out and signed where applicable.

If OPTIONAL appears above, the BILLING SET-UP INFORMATION FORM must be completely filled out.

8. **TERMINAL RENTAL ADJUSTMENT** The Parties anticipate that the fair market value of each Vehicle upon the expiration of the original lease term for such Vehicle shall be set forth in the Vehicle Information table in Section 1 of this Lease (the "Estimated FMV"). The Parties further anticipate that each Vehicle will be sold upon the expiration of the original lease term relating thereto at the actual fair market value (the "Actual FMV"). In the event that the Estimated FMV exceeds the Actual FMV (less all selling costs), the amount of the excess shall promptly upon demand be paid by LESSEE to LESSOR. In the event that the Actual FMV (less all selling costs), exceeds the Estimated FMV, the amount of the excess shall promptly upon demand be paid by LESSOR to LESSEE. Any such payment by either LESSEE or LESSOR with respect to a Vehicle shall be deemed to be a "Terminal Rental Adjustment", as such term is defined in Section 7701(h) of the Internal Revenue Code of 1986, as amended (the "Code").
9. **PURCHASE OPTION** At the expiration of the lease term as set forth in Section 1, if LESSEE has paid in full all rental and other amounts owing under this Lease, and is not then in default under this Lease, LESSEE shall have the option to purchase the Vehicle upon giving written notice not less than 90 days prior to expiration of the original term hereof. The purchase price shall be the fair market value as indicated on Page 1, Section 9 or, which shall be determined on the basis of, and shall be equal in amount to, the value which would be obtained in an arm's length transaction between an informed and willing buyer-user (other than a LESSEE currently in possession and a used Vehicle dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal of the Vehicle from their location of current use shall not be a deduction from such value.
10. **SURRENDER AND DISPOSITION OF VEHICLES** Subject to all of the provisions of Section 8 above and unless purchase option set forth in Section 9 is exercised, the following provisions governing the surrender and disposition of vehicle shall apply:
 - (a) At the expiration of the lease term with respect to a Vehicle or the termination of this Lease, whichever is earlier, LESSEE shall, at its own expense, surrender the Vehicle(s) at such place as specified by LESSOR. Such surrender shall include all license plates, registration certificates, documents of title, odometer certifications and other documentation necessary to affect a sale and transfer of ownership of the Vehicle.

- (b) LESSOR shall use reasonable efforts to sell such Vehicles within a reasonable time after the date of surrender of possession unless otherwise mutually agreed. LESSOR shall, and LESSEE may, solicit from prospective purchasers in the wholesale vehicle market cash bids for such Vehicle(s) on an AS IS, WHERE IS BASIS, WITHOUT RECOURSE OR WARRANTY. Such Vehicle(s) shall be sold for cash payable, in full, upon delivery. Without limiting the generality of the foregoing, LESSOR shall have the right to sell such Vehicle(s) to any dealer or broker or at any wholesale automobile auction, including companies affiliated with LESSOR.
- (c) All Vehicle(s) surrendered for sale shall continue to be subject to the terms and conditions of this Lease until completion of the sale. For purposes of Section 8 of this Lease, the costs and expenses of sale shall be deducted from the proceeds realized from the sale of a Vehicle, and the balance remaining shall be the Actual FMV of such Vehicle.

11. RISK OF LOSS, INSURANCE AND DAMAGE

- (a) Commencing on the Delivery Date of each Vehicle, LESSEE agrees to assume and bear the entire risk of any partial or complete loss with respect to any Vehicle(s) from any and every cause whatsoever, including but not limited to theft, loss, damage, destruction or governmental taking, whether or not such loss is covered by insurance or caused by any fault or neglect of LESSEE. All physical damage insurance proceeds shall be payable directly to LESSOR.
- (b) LESSEE will purchase and maintain in force during the term of this Lease insurance policies written on an "occurrence" basis in at least the amounts listed below, covering the Vehicle(s) between the Delivery Date to LESSEE and final disposition by LESSOR. All insurance maintained by LESSEE shall be primary without any right of contribution from insurance which may be maintained by LESSOR or third parties. The insurance shall be written by an insurance company or companies acceptable to LESSOR and must be rated B+ or better by A.M. Best throughout the term of this Lease insuring LESSEE against any loss, damage, claims, suits, actions or liability and, by endorsement, naming LESSOR as an additional insured and loss payee. Such policies shall provide that proceeds thereof shall be payable to LESSOR and/or LESSEE as their interests may appear, that the insurance company or companies shall give to LESSOR at least thirty (30) days' prior written notice of proposed cancellation, non-renewal, modification, or alteration of the insurance and require that LESSOR'S interests continue to be insured regardless of any breach or violation by LESSEE or others of any warranties, declarations or conditions contained in such insurance policy. Prior to the date that any Vehicle is placed in service by LESSEE, LESSEE shall furnish LESSOR with a certificate of insurance or other evidence thereof acceptable to LESSOR. If LESSEE fails to keep the Vehicle(s) properly insured, then, in addition to the other remedies available hereunder, LESSOR has the right, but not the obligation, to obtain such insurance for the term of this Lease at LESSEE'S expense and if so obtained, LESSOR will add to LESSEE'S monthly installment due hereunder and LESSEE will pay to LESSOR LESSOR'S costs of obtaining such insurance and any customary fees or charges of LESSOR'S or LESSOR'S designees associated with such insurance. LESSEE also agrees to pay an administrative fee equal to 10% of LESSEE'S monthly installment due for each 30-day period during the period the Vehicle(s) is uninsured or remains improperly insured. Any assessed administrative fee(s) will appear on LESSEE'S monthly billing statement. LESSEE understands that this fee will not be utilized to obtain insurance on LESSEE'S behalf and any insurance LESSOR purchases as permitted hereby will benefit LESSOR and not LESSEE and may be more expensive than insurance LESSEE could purchase by compliance with the terms hereof. Nothing in this Lease nor LESSOR'S actions hereunder, including without limitation LESSOR'S assessment of administrative fees or other amounts permitted hereby, shall mean that LESSOR is selling insurance or providing insurance coverage. The fees and other amounts payable hereunder do not necessarily reflect actual costs or exposures and may result in additional profit to LESSOR. LESSEE may, upon not less than thirty (30) days express written notice to LESSOR and delivery to LESSOR of satisfactory insurance certificates or other satisfactory evidence of insurance complying with the terms of this Lease, terminate any insurance or related charges pursuant to this Section. LESSEE'S obligations under this Section shall survive termination or expiration of this Lease. **NO INSURANCE IS BEING PROVIDED BY LESSOR.**

Lessee's insurance information:

Additional Instructions for supplying verification of insurance coverage are provided on the MINIMUM CUSTOMER INSURANCE REQUIREMENTS form and Lessee must provide an insurance ACORD meeting those requirements.

The above insurance shall carry a maximum deductible, as applicable from above, and shall include the following in amounts not less than the applicable minimum legal requirement: (1) uninsured/underinsured motorist coverage and (2) no-fault coverage. LESSEE shall be solely responsible for and shall pay any deductible(s) and any losses not covered by insurance payments. LESSEE shall, in addition, provide contractual liability insurance covering LESSEE'S indemnification responsibilities under this Lease.

- (c) LESSEE, in the event of any default hereunder, hereby appoints LESSOR as LESSEE'S attorney-in-fact to receive payment of and endorse all checks and other documents and to take any other actions necessary to pursue insurance claims and recover payments if LESSEE fails to do so. Any expense of LESSOR in adjusting or collecting insurance shall be borne or promptly reimbursed by LESSEE.
- (d) LESSEE shall notify LESSOR immediately of any physical damage to or accident involving any Vehicle that is required to be reported under applicable federal, state and local statutes, ordinances, laws and regulations, or under the terms and conditions of insurance policies maintained with respect to that Vehicle. **Except as expressly provided herein, the total or partial destruction of any Vehicle or the total or partial loss of use or possession thereof to LESSEE shall not release or relieve LESSEE from the obligation to pay rental payments and other amounts due under this Lease.**
- (e) In no event shall LESSOR be responsible for any premiums, warranties or representations to any insurer or any agent thereof. If for any reason LESSEE shall fail to maintain insurance in force in accordance with this section, LESSOR may, at its sole option, and in addition to any other remedies then available to LESSOR on account of such breach: (1) obtain such insurance on behalf of LESSEE and, upon demand, shall be promptly reimbursed by LESSEE for the actual cost thereof together with 10% of such cost to defray administrative expense; or (2) terminate this Lease of any or all Vehicle(s) leased hereunder, effective immediately, by giving written notice of termination to LESSEE.
- (f) If any Vehicle shall be damaged beyond repair or destroyed, LESSEE shall pay to LESSOR an amount equal to: (1) the sum of (A) all amounts then due on the Vehicle under this Lease; (B) all rental payments due on the Vehicle under this Lease for the remainder of the lease term of the Vehicle (had the Vehicle not been destroyed) discounted to present value at a rate equal to the discount rate stated in Section 15 (c) of this Lease; (C) the estimated FMV (as hereinafter defined) of the Vehicle at the end of its lease term (had it not been destroyed); and (D) any official fees and taxes imposed in connection with the termination of the lease of the Vehicle; MINUS (2) the sum of: (A) any salvage sale net proceeds received by

LESSOR for the Vehicle; and (B) any insurance net proceeds received by LESSOR for the Vehicle. Upon such payment in full, the lease term of the Vehicle shall end.

12. INDEMNIFICATION BY LESSEE: LESSEE AGREES THAT LESSOR SHALL NOT BE LIABLE TO LESSEE FOR, AND LESSEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS LESSOR AND ITS OFFICERS, DIRECTORS, AGENTS, SERVANTS, EMPLOYEES, AND ANY PARENT, SUBSIDIARY OR AFFILIATE OF LESSOR (THE "INDEMNIFIED PARTIES") FROM AND AGAINST ANY AND ALL LIABILITY, CLAIMS, ACTIONS, CAUSES OF ACTIONS, SUITS, PROCEEDINGS, LOSSES, COSTS, EXPENSES, FINES, PENALTIES, DAMAGES (INCLUDING REASONABLE ATTORNEYS' FEES) AND JUDGMENTS OR AWARDS OF ANY KIND OR NATURE WHATSOEVER, DIRECTLY OR INDIRECTLY ARISING FROM, CAUSED BY OR RELATING TO:

- i.) LESSEE'S BREACH OF OR FAILURE TO PROMPTLY AND FULLY PERFORM ANY OF ITS OBLIGATIONS UNDER THIS LEASE;
- ii.) INJURY (INCLUDING DEATH) TO PERSONS OR DAMAGE TO PROPERTY RESULTING FROM OR BASED UPON ACTUAL OR ALLEGED SELECTION, POSSESSION, USE, OPERATION, STORAGE, DELIVERY, TRANSPORTATION, LEASING, SALE, ACQUISITION OR MAINTENANCE OF THE VEHICLE(S), OR THEIR LOCATION OR CONDITION, OR THE INADEQUACY THEREOF, OR ANY REPAIRS, SERVICINGS OR ADJUSTMENTS THERETO, ON AND AFTER THE DELIVERY DATE THEREOF TO LESSEE UNTIL THE SURRENDER THEREOF BY LESSEE TO LESSOR OR ITS AUTHORIZED AGENT, REGARDLESS OF WHETHER A CLAIM COVERED BY THIS SECTION 12(A) IS ASSERTED AFTER SUCH SURRENDER; **PROVIDED, HOWEVER,** THAT IF LESSOR SELLS ANY VEHICLE TO LESSEE OR ANY OFFICER, AGENT, SERVANT, EMPLOYEE, PARENT, SUBSIDIARY OR AFFILIATE OF LESSEE, LESSEE'S INDEMNIFICATION OBLIGATIONS SHALL CONTINUE THEREAFTER WITH RESPECT TO SUCH VEHICLE(S);
- iii.) INADEQUACY OF THE VEHICLE(S) FOR ANY PURPOSE, OR ANY DEFICIENCY OR DEFECT THEREIN, OR IN THE USE OR MAINTENANCE THEREOF, OR ANY REPAIRS, SERVICING OR ADJUSTMENT THERETO, OR ANY DELAY IN PROVIDING OR FAILURE TO PROVIDE THEREOF, OR ANY INTERRUPTION OR LOSS OF SERVICE OR USE THEREOF, OR ANY LOSS OF BUSINESS; OR
- iv.) THE THEFT OR DESTRUCTION OF ANY VEHICLE.

In any instance where such claims in any way affect LESSOR'S interests under this Lease, LESSEE shall not consummate any settlement without LESSOR'S prior written consent.

13. LESSOR-LESSEE RELATIONSHIP

- (a) LESSEE acknowledges that LESSOR is the owner of all Vehicle(s) leased hereunder, for all purposes, including but not limited to federal, and to the extent applicable, state and local income tax purposes, and LESSEE shall not take any inconsistent position on any income tax return of LESSEE
- (b) Except as may be specifically provided in an executed power of attorney, neither LESSEE nor any employee of LESSEE shall have any authority to act on behalf of LESSOR or be deemed to be the partner, agent, servant or employee of LESSOR. Nothing herein contained shall give or convey to LESSEE any right, title or interest in and to any Vehicle leased hereunder except as lessee of such Vehicle.
- (c) In the event this Lease or any part hereof is deemed to be a lease intended as security, LESSEE grants LESSOR a security interest in each Vehicle as Collateral security for all of LESSEE'S indebtedness and obligations owing under this Lease, as well collateral security for as all other present and future indebtedness and obligations of LESSEE to LESSOR of every kind and nature, and authorizes LESSOR to file any and all UCC financing statements deemed necessary or appropriate by LESSOR. In addition to all rights hereunder, LESSOR shall have all rights afforded to secured creditors under applicable state and federal law including but not limited to those afforded secured creditors under Article 9 of the Uniform Commercial Code.

14. RIGHT OF INSPECTION AND FINANCIAL STATEMENTS LESSOR shall have the right to inspect any Vehicle and the records of LESSEE pertaining to the Vehicle(s) or its maintenance at any reasonable time upon reasonable notice. During the term of this Lease, LESSEE shall provide LESSOR with LESSEE'S annual audited financial statements and such other annual and quarterly financial statements and other financial information as is reasonably requested by LESSOR. LESSEE shall notify LESSOR, in writing, of any change in name, ownership or control of LESSEE within fifteen (15) days of such change.

15. DEFAULT BY LESSEE; LESSOR'S REMEDIES

- (a) The following shall constitute events of default by LESSEE under this Lease: (1) LESSEE fails to pay in full, when due, any installment of rental, additional rental or other amounts required to be paid under this Lease or any other debt obligations owed by LESSEE to LESSOR and LESSOR'S affiliates; (2) after ten (10) days' written notice, LESSEE fails to perform or cure the non-performance of any of its other covenants or conditions under this Lease, (3) LESSEE or any guarantor of LESSEE makes an assignment for the benefit of creditors, or suffers a receiver or trustee to be appointed, or files or suffers to be filed any petition under any bankruptcy or insolvency law of any jurisdiction; (4) LESSEE or any guarantor commits or omits any act that LESSOR reasonably determines impairs LESSEE'S or any guarantor's prospects of making payments or performing any of the other covenants required by LESSEE hereunder; (5) LESSEE or any guarantor is in default under any other agreement or obligation it may have with LESSOR or any parent, subsidiary or affiliate of LESSOR; (6) LESSEE or any guarantor ceases doing business as a going concern or suffers a material adverse change in operating or financial condition that impairs LESSEE'S or any guarantor's ability to perform its obligations hereunder or impairs LESSOR'S title to or rights in the Vehicle(s); (7) LESSEE or any guarantor makes any representation or warranty in this Lease, or in any document delivered to LESSOR in connection herewith or in connection with any other obligation of LESSEE to LESSOR that proves to be false or misleading in any material respect; (8) LESSEE assigns, sublets, liens, encumbers or transfers any interest in any Vehicle or any interest in this Lease to any party, or attempts to do so, without LESSOR'S prior consent; or (9) LESSEE fails to obtain or maintain insurance as required by Section 11 of this Lease; (10) ACH is deemed Mandatory as indicated by the signed Direct Payment Form – Lease and LESSEE at any time during the term of this Agreement fails to provide valid Depository Institution Information and Authorization permitting LESSOR to debit a LESSEE'S bank account for all payments due.
- (b) Upon the occurrence of any of the events of default set forth in subsection (a) of this Section, LESSOR shall have all of the rights and remedies provided by this Lease and which may be available at law or in equity, all of such rights and remedies being cumulative. Notwithstanding that this Lease is a lease and title to the Vehicle(s) is at all times in LESSOR'S name, LESSOR, at its option, shall have all of the rights and remedies of a secured party under the Uniform Commercial Code. In addition, LESSOR, at its option, may:
 - (1) Terminate this Lease with respect to any or all of the Vehicle(s), in which event any or all such Vehicle(s) shall immediately be delivered, at LESSEE'S expense, to a location or locations specified by LESSOR, or (B) repossess any or all Vehicle(s) hereunder, with or without process of law, or require LESSEE to surrender such Vehicle(s) to LESSOR at a location or locations specified by LESSOR, without terminating this Lease; and
 - (2) In addition to the foregoing, upon the occurrence of any of the events of default set forth above, LESSEE shall pay LESSOR damages equal to the sum of aggregate unpaid rental and other payments (including collection costs and attorneys' fees) due under this Lease for the remainder of the term of the lease of each Vehicle (discounted to present value as provided in subsection (c) of this section) and the

appraised value of the Vehicle as of the end of the term of the lease of the Vehicle (as determined by an appraiser selected by LESSOR) with the aggregate of these sums, (less the sum of the net sales proceeds (after expenses incurred by LESSOR) of the sale of the Vehicle) being subject to a default interest rate of 18% per annum.

- (c) The Parties specify that the discount rate applicable with respect to each lease of a Vehicle under this Lease shall be equal to the one-year U.S. Treasury Bill rate set forth under the caption "U.S. Government Securities/Treasury Bills/Auction Average (Investment)" in the weekly statistical release designated as H.15(519), or any successor publication, most recently published by the Board of Governors of the Federal Reserve System prior to the Delivery Date of such Vehicle.
 - (d) In the event LESSEE fails to comply with any provision of this Lease, LESSOR shall have the right, but not the obligation, to effect such compliance, in whole or in part, and all costs, charges, fees and expenses (including reasonable attorneys' fees) of LESSOR incurred in effecting such compliance shall be immediately due and payable by LESSEE. LESSOR'S effecting such compliance shall not in any way be deemed to constitute an election of remedies or a waiver of any by LESSOR in the event of default.
 - (e) If upon the termination of this Lease LESSEE fails or refuses to return any and all Vehicle(s) to LESSOR, upon demand of LESSOR, said failure or refusal shall be deemed to constitute a conversion and treated as a theft of the Vehicle(s), and LESSOR shall have the right to notify and request the appropriate law enforcement authorities to recover the same as stolen vehicles.
 - (f) **IN THE EVENT A BANKRUPTCY OR INSOLVENCY PROCEEDING IS FILED BY OR AGAINST LESSEE, LESSEE IRREVOCABLY CONSENTS TO THE LIFTING AND TERMINATING OF THE AUTOMATIC STAY OF THE BANKRUPTCY CODE, 11 U.S.C. 362, SO AS TO ENABLE LESSOR TO EXERCISE ITS RIGHTS AND REMEDIES AS SET FORTH IN THIS SECTION AND IN THIS LEASE GENERALLY. LESSEE AGREES THAT IT SHALL NOT OPPOSE OR DELAY OR ENCOURAGE OR ASSIST ANYONE ELSE TO OPPOSE OR DELAY ANY MOTION FILED BY LESSOR FOR RELIEF FROM THE AUTOMATIC STAY.**
16. **LIMITATION OF LESSOR'S LIABILITY** LESSOR ASSUMES NO LIABILITY OR RESPONSIBILITY FOR ANY ACTS OR OMISSIONS, OR FOR ANY PROPERTY OF LESSEE, OR ITS AGENTS, SERVANTS OR EMPLOYEES. LESSEE AGREES THAT LESSEE'S SOLE AND EXCLUSIVE REMEDY FOR ANY MATTER OR CAUSE OF ACTION ARISING OUT OF OR RELATED DIRECTLY OR INDIRECTLY TO ANY BREACH BY LESSOR OF THIS LEASE OR ANY OTHER AGREEMENT BETWEEN LESSEE AND LESSOR SHALL BE A CAUSE OF ACTION FOR CONTRACT DAMAGES LIMITED TO ACTUAL AND DIRECT OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY LESSEE. LESSOR SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, EXEMPLARY, PUNITIVE, INCIDENTAL OR INDIRECT DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF ACTUAL OR ANTICIPATED PROFIT OR GOODWILL. LESSEE FURTHER AGREES THAT ANY ACTION AGAINST LESSOR FOR DEFAULT UNDER THIS LEASE OR OTHERWISE MUST BE COMMENCED WITHIN ONE (1) YEAR AFTER THE CAUSE OF ACTION SHALL HAVE ACCRUED.
17. **ASSIGNMENTS** This Lease and any Guarantees and all rights of LESSOR hereunder shall be assignable by LESSOR without LESSEE'S consent. An Assignment of this Lease by LESSOR constitutes an assignment of any Guarantees hereof unless specifically indicated otherwise by LESSOR. LESSEE shall not assign, sublet, lien, encumber or transfer any interest in any of the Vehicle(s) or any interest in or obligations under this Lease to any party without the prior written consent of LESSOR. Any such assignment by LESSEE shall be void and shall not relieve or release LESSEE of its obligations and liabilities hereunder.
18. **ENTIRE AGREEMENT; MODIFICATIONS** This Lease and any Guaranty delivered herewith contain the entire and final understanding and agreement of the Parties and merge all prior written or oral representations, understandings and agreements herein with respect to the subject matter hereof. Any modifications, changes or amendments, may be made only in writing executed by LESSEE and LESSOR. Failure or forbearance of either Party to enforce any right or remedy granted herein shall not be deemed a waiver of such right or remedy.
19. **EXECUTION, GOVERNING LAW, JURISDICTION AND VENUE** THIS LEASE SHALL NOT BECOME EFFECTIVE UNTIL EXECUTED BY AN AUTHORIZED REPRESENTATIVE OF LESSOR. THE LAWS OF THE STATE OF CONNECTICUT SHALL GOVERN ALL QUESTIONS, DISPUTES OR CLAIMS, WHETHER BASED IN TORT, STRICT LIABILITY, CONTRACT OR EQUITY, ARISING OUT OF OR RELATING DIRECTLY OR INDIRECTLY TO THIS LEASE, THE PERFORMANCE OR BREACH HEREOF, OR TO THE INTERPRETATION, VALIDITY, ENFORCEMENT OR EFFECT OF THIS LEASE, WITHOUT REGARD TO CHOICE OF LAW PRINCIPLES THEREOF. THE PARTIES AGREE THAT ALL ACTIONS OR PROCEEDINGS ARISING IN CONNECTION WITH THIS LEASE SHALL BE TRIED AND LITIGATED ONLY IN THE STATE AND FEDERAL COURTS LOCATED IN THE STATE OF CONNECTICUT, OR, AT THE SOLE OPTION OF LESSOR, IN ANY OTHER COURT IN WHICH LESSOR SHALL INITIATE LEGAL OR EQUITABLE PROCEEDINGS AND WHICH HAS SUBJECT MATTER JURISDICTION OVER THE MATTER IN CONTROVERSY. LESSEE WAIVES ANY RIGHT IT MAY HAVE TO ASSERT LACK OF PERSONAL JURISDICTION, THE DOCTRINE OF FORUM NON CONVENIENS OR TO OBJECT TO VENUE (OR TO SEEK TO TRANSFER VENUE) TO THE EXTENT ANY ACTION OR PROCEEDING IS BROUGHT IN ACCORDANCE WITH THIS SECTION.
20. **SEVERABILITY** If any portion of this Lease shall be found to be illegal, invalid or contrary to public policy, the same may be modified or stricken by a court of competent jurisdiction to the extent necessary to allow the court to enforce such provision in a manner that is as consistent with the original intent of the provision as possible. The striking and modification by the court of any provision shall not have the effect of invalidating this Lease as a whole.
21. **WAIVER OF JURY TRIAL. THE LESSOR AND THE LESSEE HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY OR AGAINST EACH OTHER ON, OR IN RESPECT OF, ANY MATTER ARISING OUT OF, RELATING TO OR PERTAINING TO THE LEASE OR THE INTERPRETATION, BREACH, ENFORCEMENT OR SUBJECT MATTER HEREOF, THE RELATIONSHIP BETWEEN THE LESSEE AND THE LESSOR AND/OR ANY CLAIM OF INJURY OR DAMAGE FROM ANY OTHER RELATIONSHIP BETWEEN THE PARTIES HERETO.**

THIS LEASE AGREEMENT ("Lease") is hereby entered into as of the Contract Date above by and between **BUSH TRUCK LEASING, INC.** ("Lessor") and **LESSEE** referenced above.

1. GRANT OF LEASE. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Equipment described herein, together with all replacements, repairs and additions thereto (individually and collectively, the "Vehicles") on the terms and conditions set forth in this Lease. Lessee agrees that Lessee leases the Vehicles "as-is" and confirms that, as of the date of delivery of each Vehicle, such Vehicle is of the design and manufacture selected by Lessee, and as of such date, Lessee has unconditionally accepted such Vehicles in all respects. Lessee further confirms that it has selected the Vehicles on the basis of its own judgment, and expressly disclaims reliance upon any statements, representations, or warranties made by Lessor, and Lessee acknowledges that Lessor is not the manufacturer of the Vehicles. Lessee certifies that the Vehicles identified herein will be used for commercial purposes.

2. INITIAL TERM. The term of this Lease for each Vehicle shall commence on the Contract Date and shall continue for that number of months from the first (1st) day of the month following the Contract Date (unless the Contract Date is the first (1st) day of the month, in which case the Contract Date shall be the date on which the term of this Lease commences) ("Commencement Date") each as set forth in the Summary of Lease Terms (such period as extended or sooner terminated by Lessor as provided herein, the "Term").

3. RENT. The rental payment amount for each Vehicle hereunder (the "Basic Rent") is set forth in the Summary of Lease Terms. Basic Rent on each Vehicle shall begin to accrue on the Contract Date and shall be due and payable in U.S. dollars in immediately available funds by Lessee in advance or arrears for the periods (each a "Rental Period") and for the total number of payments as set forth in the Summary of Lease Terms, in each case, on the first day of each such Rental Period. If the Contract Date does not fall on the first day of the month, the rental for that period of time from the Contract Date until the Commencement Date shall be an amount equal to the daily rental (Basic Rent divided by 7 days for One Week, 14 days for One Biweekly and 30 days for One Month Rental Periods, as applicable), multiplied by the number of days from (and including) the Contract Date to (but not including) the Commencement Date and shall be due and payable on the Commencement Date. Lessee shall pay all amounts other than Basic Rent Lessee is obligated to pay hereunder (the "Supplemental Rent" and together with Basic Rent, the "Rent") when due or if no date is specified herein, on demand. If any Rent payment is not made within five (5) days after its due date, Lessee shall pay a late charge equal to the lesser of 10% of the late rental payment amount, and the maximum amount permitted by law. LESSEE'S PAYMENT OF RENT AND LESSEE'S PERFORMANCE OF ALL OTHER OBLIGATIONS ARE ABSOLUTE AND UNCONDITIONAL AND WITHOUT SET OFF, COUNTERCLAIM, OR ANY DEFENSE WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, ANY RIGHT OR CLAIM THAT LESSEE MAY NOW OR HEREAFTER HAVE AGAINST LESSOR, ANY OF LESSOR'S AFFILIATES, ANY ASSIGNEE OF LESSOR, OR THE MANUFACTURER OF THE VEHICLES FOR ANY REASON WHATSOEVER, SPECIFICALLY INCLUDING, WITHOUT LIMITATION, ANY CLAIMS THAT LESSEE MAY HAVE AGAINST LESSOR, ANY OF LESSOR'S AFFILIATES, OR ANY ASSIGNEE OF LESSOR WITH RESPECT TO THE SERVICE AND MAINTENANCE AGREEMENT REFERENCED IN SECTION 7 HEREOF.

4. OPTION UPON EXPIRATION OF INITIAL TERM OF LEASE. Upon expiration of the Initial Term, Lessee shall comply with the provisions of Clause A or B below, in either case, as specified in the Summary of Lease Terms.

- A. Terminal Rental Adjustment Clause ("TRAC").** Lessee agrees that there shall be an adjustment of the Rent to be paid Lessor under the Lease for the Vehicles. It is presently anticipated that the fair market value of the Equipment (the "Estimated Fair Market Value") will equal the TRAC Residual set forth in the Summary of Lease Terms. Upon expiration of the Initial Term, Lessor will attempt to sell the Equipment. In the event that the Net Proceeds (as defined below) are less than the Estimated Fair Market Value, Lessee shall pay to Lessor the full amount of such shortfall. If the Equipment has not been sold on the last day of the Initial Term, then the Net Proceeds shall be deemed to be zero and Lessee shall immediately pay to Lessor the TRAC Residual. If the Lessor thereafter shall sell the Equipment, the Net Proceeds shall be paid by Lessor to Lessee. Any such payment by either Lessee or Lessor shall be deemed to be a Terminal Rental Adjustment with respect to the Vehicles. As used herein, "Net Proceeds" shall mean the proceeds received by Lessor, after deducting (i) all costs and expenses incurred in connection with the recovery, repair, storage, and sale of the Vehicles, including any and all attorneys' fees and legal expenses, (ii) all late charges and all interest accrued at the Default Rate (as hereinafter defined), and (iii) all rent payments and other obligations of Lessee due and unpaid under the Lease as of the date of the sale or disposition. As to each Vehicle, if the Net Proceeds received by Lessor from the sale or other disposition of such Equipment after expiration of the Initial Term are less than the TRAC Residual amount for such Equipment as set forth in the Summary of Lease Terms, then Lessee shall immediately pay to Lessor the amount of such deficiency as additional Rent hereunder. If the Net Proceeds are in excess of the TRAC Residual amount, then 100% of such excess shall be returned to Lessee as a reduction in the Rent for such Equipment, provided, however, that Lessor shall be entitled to retain all or any portion of such amount to satisfy any of Lessee's obligations under the Lease.

Lessee hereby certifies, under penalty of perjury, that:

- (i) Lessee intends that more than 50% of the use of the Equipment subject to this TRAC is to be used in a trade or business of the Lessee,
- (ii) Lessee has been advised by tax counsel or other tax advisor, and
- (iii) Lessee understands and agrees that Lessee will not be treated as the owner of the Equipment identified above for federal income tax purposes.

- B. \$1.00 Buyout.** Lessee hereby unconditionally agrees to purchase all, but not less than all, of the Equipment for \$1.00 upon expiration of the Initial Term. Lessee and Lessor agree that Lessee is owner of the Equipment and shall file and pay all license, registration fees, and documentary, sale and use taxes, and personal property taxes and all other taxes, fees and charges relating to the ownership, leasing, rental, sale, purchase, possession or use of the Equipment.

With respect to any option upon expiration of the Initial Term set forth herein, if written notice of Lessee's intention to exercise such elected option is not received on a timely basis, then such failure shall constitute an Event of Default, and to the extent that the Lessee fails to return to Lessor the Equipment in accordance with Section 7 hereof, Lessee agrees to pay a daily rental fee equal to 150% of the daily Rent for each day that the Equipment is retained by Lessee; provided, however, such payments shall not extend Lessee's right to have and use the Equipment beyond the Initial Term as provided herein. Upon exercise of the option elected by Lessee and payment in full by Lessee of any related purchase amounts and all Rent, Lessor will execute and deliver to Lessee the title to the Vehicles, and any other documentation necessary to transfer title to Lessee. THIS SALE WILL BE WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND BY LESSOR, WHETHER EXPRESS OR IMPLIED IN FACT OR LAW and, Lessee will accept the Vehicles "AS IS" and "WHERE IS".

If this Lease is deemed at any time to be a lease intended as security: (i) Lessee hereby grants Lessor a security interest in the Vehicles to secure its obligations under this Lease and all other indebtedness at any time owing Lessee to Lessor; (ii) Lessee agrees that, if at any time an Event of Default exists, in addition to all of the other rights and remedies available to Lessor hereunder, Lessor shall have all of the rights and remedies of a secured party under the Uniform Commercial Code ("UCC"); and (iii) this Lease shall be construed in a manner so that interest, the applicable interest rate or other charge shall not exceed, in any event, the maximum amount of time price differential, rate, interest or amount allowed by applicable law, and any excess payment will be applied to the payments due under this Lease as a prepayment of principal, and any remaining excess will be refunded to Lessee.

5. TAX INDEMNIFICATION. Except to the extent Section 4B is applicable, it is understood and agreed that Lessor is owner of the Equipment and that Lessor shall be entitled to such tax benefits that are available as owner of the Equipment through depreciation of the total capitalized cost of the Equipment thereof for federal income tax purposes. In the event that Lessor suffers any loss, disallowance, unavailability, or recapture of such depreciation for any reason whatsoever, then, after written notice thereof by Lessor to Lessee, Lessee shall pay to Lessor an additional incremental amount payable on each date that the Basic Rent is thereafter due, which in the opinion of Lessor, will cause Lessor's net after-tax annual cash flow and net after-tax rate of return respectively, that would have been available if Lessor had been entitled to full utilization of the depreciation. In the event that any payment is required to be made pursuant to this Section 5, and such payment is to be made on succeeding rent payment dates, but at such time this Lease shall have been terminated or Rent otherwise no longer shall be due and payable on the remaining rent payment dates, Lessee shall promptly pay Lessor any amount equal to the incremental increase in Basic Rent which would have been required if such tax loss had occurred immediately prior to the last rental payment date on or prior to the expiration or other termination of the Lease. Lessor shall promptly notify Lessee of the commencement of any proceeding by the Internal Revenue Service in respect of any item as to which indemnity is

sought hereunder. Lessee's agreement to pay any sums which may become payable pursuant to this Section 5 shall survive the expiration or other termination of this Lease.

6. USE OF VEHICLES. Lessee shall use the Vehicles only in its business and in compliance with all laws, rules, and regulations of any jurisdiction where the Vehicles are used or located. Lessee represents and warrants to Lessor at all times that (i) Lessee has the right and ability to enter into this Lease; (ii) this Lease constitutes a valid, legal, and binding obligation and agreement of Lessee, enforceable against Lessee in accordance with its terms; and (iii) that the entering into and performance of this Lease by Lessee will not result in a breach, violation, or default under any judgment, order, law, regulation, loan, mortgage, agreement, indenture, or other instrument applicable to Lessee, or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon the Vehicles pursuant to any instrument to which Lessee is a party or by which it is bound. Lessee shall (i) use and operate the Vehicles in a careful and prudent manner for the purposes and in the manner intended to be used; (ii) shall keep the Vehicles properly housed or otherwise protected from damage; and (iii) shall pay for all maintenance of Vehicles to keep them in good and efficient working order and condition during the Term, including, but not limited to, Lessee's supplying all fuel, lubricants, and other parts, supplies, maintenance and services, and/or Lessee, upon Lessor's request, entering into a service and maintenance agreement with Lessor or an affiliate of Lessor upon such terms and conditions provided by Lessor. After notice to Lessor, Lessee may, at its own expense, make alterations or add attachments to the Vehicles, provided that such alterations or attachments are removable and do not reduce the value, utility or useful life of the Vehicles. Upon the expiration or termination of the Lease, all alterations or attachments affixed to the Vehicles shall become the property of Lessor if not removed, and if Lessee does remove such attachments, Lessee shall be liable to Lessor for any damage to the Vehicles as the result of such removal. In the event that any federal, state, or local law, ordinance, rule or regulation shall require the installation of any additional accessories to any of the Vehicles, including, but not limited to, anti-pollution and/or safety devices, or in the event that any other modifications to the Vehicles shall be required by virtue of such law, ordinance, rule or regulation, then and in any of such events, Lessee shall pay the full cost thereof, including installation expenses. Lessor may, at its option, arrange for the installation on such Vehicles or the performance of such modifications, and Lessee agrees to pay the full cost thereof immediately upon receipt of an invoice for the same.

7. SURRENDER. Upon either the (i) failure by Lessee to exercise any purchase option for any Vehicle set forth herein, or (ii) upon demand by Lessor made in connection with an Event of Default pursuant to Section 19 hereof, Lessee shall, at its own expense, return such Vehicle to Lessor to such location within the continental United States as Lessor shall designate, in the same condition as when delivered, reasonable wear and tear excepted and otherwise in the condition required by this Lease. Upon return of the Vehicles, Lessor, or such entity designated by Lessor, shall perform a physical and mechanical inspection of the Vehicles. Lessee shall be responsible for the payment of any and all costs associated with the inspection, and for any and all repairs necessary to place the Vehicles in the same condition as when delivered, reasonable wear and tear excepted and otherwise in the condition required by this Lease.

8. PAINTING. Lessee may paint the Vehicles in Lessee's customary manner and affix advertising or identifying insignia, provided that, upon the expiration or termination of this Lease, and in the event that Lessee does not purchase the Vehicles pursuant to Section 4.B hereof, Lessee shall, upon the request of Lessor and at Lessee's expense, restore the Vehicles to original condition, ordinary wear and tear excepted.

9. WARRANTIES. LESSEE ACKNOWLEDGES AND AGREES THAT LESSOR HAS NOT MADE, AND SHALL NOT BE DEEMED TO HAVE MADE, ANY EXPRESS OR IMPLIED WARRANTY AS TO MERCHANTABILITY, FITNESS FOR ANY PURPOSE OR USE, DESIGN OR CONDITION OF VEHICLES, QUALITY OF MATERIAL OR WORKMANSHIP, OR AS TO ANY OTHER MATTER WHATSOEVER RELATING TO THE VEHICLES, AND LESSOR SHALL NOT BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE VEHICLES, OR ANY INADEQUACY, DEFICIENCY, OR DEFECT IN THE VEHICLES. LESSEE AGREES THAT LESSEE LEASES THE VEHICLES "AS IS". Lessor agrees, to the extent possible and without increasing its liability hereunder, and upon request, to assign to Lessee, any warranty of a manufacturer or seller relating to the Vehicles available to Lessor, provided, however, that the foregoing rights shall automatically revert to Lessor upon the occurrence and during the continuance of any Event of Default hereunder, or upon return of the Vehicles to Lessor. Lessee agrees to settle all claims with respect to the Vehicles directly with the manufacturers thereof, and to give Lessor prompt notice of any such settlement and the details of such settlement. Lessee acknowledges that this Lease constitutes a "finance lease" under UCC Article 2A in all respects, and that Lessor's sole obligations to Lessee hereunder is not to interfere with Lessee's quiet enjoyment of the Vehicles so long as Lessee is not in default hereunder. Subject to the foregoing sentence and to the extent permitted by law, Lessee unconditionally and irrevocably waives any and all rights and remedies against Lessor at law or in equity (including, without limitation, any rights and remedies granted Lessee under Article 2A of the UCC and/or the right to reject any Equipment or repudiate this Lease).

10. TITLE AND INSPECTION. Lessee, at its expense, shall protect and defend Lessor's title and keep it free of all claims and liens except those claims and liens created by Lessor in connection with any assignment or financing by Lessor. Lessor may inspect the Vehicles at any time without prior notice during regular business hours. If, at any time during the Term, Lessor supplies Lessee with labels, plates or other markings stating that the Vehicles are owned by Lessor, Lessee shall affix and keep the same in a prominent place on the Vehicles.

11. LICENSES. Lessee shall at its expense obtain all necessary licenses (including motor vehicle license plates) and registrations required for the use and operation of each Vehicle. All certificates of title or registration of each Vehicle shall name Lessor as the owner thereof.

12. INTERESTS IN VEHICLES. Lessee's rights with respect to this Lease and any Vehicles leased hereunder will be subject to any rights and interest in and to said Vehicles which may be granted by Lessor (or Lessor's affiliates) to any assignee or lender of Lessor (or Lessor's affiliates). Lessor may assign to a lender or any other assignee all or any part of Lessor's rights hereunder, including its interest in the Vehicles and the right to receive rents and other sums due hereunder. Upon notice of such assignment in writing by a lender, assignee and/or Lessor, Lessee shall pay all rents and other sums due or to become due under this Lease directly to such lender or assignee without set off, counterclaim, or any defense whatsoever.

13. TAXES. Lessee shall pay all personal property, sales or use taxes, business licenses, assessments, penalties, and charges which may be levied or asserted with respect to the Vehicles (except income taxes levied on lease payments to Lessor). In the

event that any such taxes, licenses, assessments, penalties, or charges are paid by Lessor, Lessee shall reimburse and pay Lessor immediately after Lessor notifies Lessee in writing of the amount of such taxes, licenses, assessments, penalties, charges or expenses paid by Lessor, as well as an administrative fee. Increases or decreases in sales or use tax rates will affect all lease payments after the effective date of the change by the taxing authority, and Lessor shall notify Lessee in writing of such change. Lessee shall indemnify and hold Lessor harmless from and against any loss, cost or expense arising out of or relating to any such tax, import or levy, including, without limitation, any penalties, interest and fines relating thereto.

14. FINES. Lessee shall pay all fines due to overload, overlength, overweight, lack of plates or permits, speeding and any other charges which may be imposed or assessed in respect to the Vehicles and/or Lessee's use thereof. The provisions of this Section 14 shall survive the expiration or other termination of this Lease.

15. LOSS OR DAMAGE. Lessee shall bear the entire risk of loss, theft, destruction of or damage to any Vehicle from any cause whatsoever ("Loss or Damage"). Lessee shall promptly notify Lessor in writing of any Loss or Damage. No Loss or Damage to any Vehicles shall relieve Lessee of any obligation with respect to such Vehicle under this Lease. In the event of Loss or Damage, Lessee shall, at the option of Lessor: (a) put such Vehicle in good condition and repair in accordance with the manufacturer's recommendations, and to the reasonable satisfaction of Lessor, at Lessee's expense; (b) replace such Vehicle with a like Vehicle (same value, utility and useful life as damaged Vehicle) in good condition and repair as approved by Lessor in Lessor's sole discretion with clear title thereto vested in Lessor; or (c) pay Lessor on or before the next rent payment date as set forth in accordance with Section 3 hereof (such payment date, the "Loss Payment Date") in cash the sum of: (i) all amounts then due Lessor by Lessee under the Lease relating to such Vehicle, which amounts shall be prorated through the Loss Payment Date, plus (ii) an amount equal to the present value of the TRAC Residual, if any, relating to such Vehicle (as set forth in the Summary of Lease Terms), discounted at 5.0% computed from the expiration of the Initial Term to the Loss Payment Date, plus (iii) an amount equal to the present value of the unpaid future remaining Rents for the Initial Term, relating to such Vehicle discounted at 5.0% computed from the scheduled payment dates for such Rents to the Loss Payment Date (the "Casualty Value Amount"). Upon receipt of the Casualty Value Amount set forth in (c) above, Lessor shall assign to Lessee (or Lessee's insurer) Lessor's interest in such Vehicle in its then condition and location, "AS IS" without any warranty whatsoever, express or implied. If Lessee is required to repair any Vehicle in accordance with (a) above, or to replace any Vehicle in accordance with (b) above, the insurance proceeds actually received by Lessor, if any, pursuant to Section 16 hereof shall be first applied to pay any amounts then due under this Agreement, and then shall be paid to Lessee upon proof satisfactory to Lessor that such repairs have been completed as required herein (in the case of (a)), or of adequate purchase and title documents in Lessor's sole discretion (in the case of (b)). In the event that Lessee is obligated to pay to Lessor the amount specified in (c) above, Lessee shall be entitled to a credit against such amount equal to the amount of insurance proceeds actually received by Lessor, if any, pursuant to Section 16 hereof, on account of such Vehicle.

16. INSURANCE. Lessee shall obtain and maintain insurance on or with respect to each Vehicle at its own expense and in the amounts and forms satisfactory to Lessor. In no event shall any insurance coverage be less than the following: (a) physical damage insurance insuring against loss or damage to the Vehicles in an amount not less than the full replacement value of such Vehicle; and (b) (i) in all States except Florida: (1) not greater than \$500 deductible for collision, fire, theft, and comprehensive, and (2) \$500,000 combined single limit for bodily injury liability and property damage; or (b)(ii) for the State of Florida: (1) not greater than \$500 deductible for collision, fire, theft, and comprehensive, and (2) \$250,000 per person / \$1,000,000 per incident bodily injury liability, and (3) \$100,000 property damage liability. In addition, the following require \$1,000,000 excess liability coverage (umbrella): (a) truck/tractors over 45,000 lbs.; (b) trailers/semi-trailers; (c) tow trucks; and (d) limos used for livery. Lessee shall furnish Lessor with a certificate of insurance evidencing issuance of such insurance to Lessee in at least the minimum amount required herein, naming Lessor and such other parties designated by Lessor as additional insured thereunder for liability coverage, and as loss payee for property damage coverage. Each policy shall require insurer to give Lessor 30 days prior written notice of any material alteration in terms of policy or cancellation thereof, and shall provide that no action, misrepresentation or breach of warranty of Lessee shall invalidate the policy. If Lessee fails to provide such insurance, Lessor shall have the right, but no duty, to obtain such insurance, and Lessee shall pay Lessor all costs thereof, including all costs incurred by Lessor in obtaining such insurance together with interest at the Default Rate from the date paid by Lessor to the date paid in full by Lessee. Lessee shall not use any Vehicle if the insurance required herein is not in full force and effect with respect to such Vehicle. Upon Loss or Damage as set forth in Section 15 hereof, Lessee shall receive credit for any amounts paid to Lessor by the insurer against Lessee's obligations hereunder.

17. INDEMNITY. Lessee shall indemnify Lessor against, and hold Lessor harmless from, any and all claims, actions, damages, obligations, liabilities, liens (including any arising or imposed under the doctrines or strict liability in tort or product liability), and costs and expenses (including attorneys' fees), arising from or out of the manufacture, purchase, lease, possession, operation, condition, return, or use of the Vehicles, or by operation of law. Lessee agrees that, upon written notice by Lessor of assertion of any such claim, action, damage, obligation, liability, or lien, Lessee, at Lessee's expense shall assume full responsibility for the defense thereof, provided that Lessor shall have the right, but not the obligation, to participate in any defense conducted by Lessee without relieving Lessee of any of its obligations hereunder. The provisions of this Section 17 shall survive termination of this Lease.

18. ASSIGNMENT. Except as otherwise permitted herein, without Lessor's prior written consent, Lessee shall not assign, transfer, pledge, hypothecate or otherwise dispose of this Lease, the Vehicles or any interest therein, or sublet or lend the Vehicles, or permit the Vehicles to be used by anyone except Lessee or Lessee's authorized employees. Lessor may assign this Lease or any interest therein in whole or part without notice to Lessee.

19. DEFAULT. Lessee shall be in default of this Lease upon the happening of any of the following events or conditions which shall constitute "Events of Default": (a) Lessee fails to pay any Rent or other amount when due; (b) Lessee fails to observe, keep or perform any other covenant or provision of this Lease required to be observed, kept, or performed, by Lessee; (c) Lessee removes, sells, transfers, encumbers, creates a security interest in, relinquishes possession of the Vehicles, or performs any act which impairs Lessor's title to any Vehicle or attempts any of the foregoing; (d) Lessee makes a misrepresentation to Lessor of any matter or covenant connected with this Lease; (e) Lessee fails to satisfy any traffic ticket or summons or fails to register any Vehicle; (f) Lessee becomes insolvent, bankrupt or has a trustee or receiver appointed for Lessee or for a substantial part of Lessee's property; (g) Lessee experiences a material change in its business or affairs (including termination of Lessee's employment or termination of the contract under which Lessee provides services or a change in the control or ownership of Lessee or Lessee's employer or the party with which Lessee

contracts to provide services) which in Lessor's sole judgment impairs the security of any Vehicle or increases the credit risk involved therein; (h) Lessee attempts to assign this Lease without the consent of Lessor; or (i) Lessee fails to notify Lessor of any material change in its business and affairs, including a change in the ownership or control of Lessee. Lessee hereby irrevocably appoints and constitutes Bush Truck Leasing, Inc. and its successors and assigns, the true and lawful attorney-in-fact of Lessee, with full power in the name of Lessee upon occurrence of an Event of Default, (i) to demand and receive any and all moneys and claims for moneys due in respect of or relating to the Equipment, (ii) to assign or transfer any of Lessee's rights under this Lease or in the Equipment (including assigning the rights of Lessee to any replacement lessee hereunder and/or causing any other person to become the registered owner of the Equipment) and (iii) to take any other action in respect of this Lease or any of the Equipment. Lessee ratifies and approves all acts of Bush Truck Leasing, Inc., as attorney-in-fact. Bush Truck Leasing, Inc. as attorney-in-fact will not be liable for any acts or omissions or errors of judgment or mistake of fact or law. This power, being coupled with an interest, is irrevocable until all obligations under this Lease have been fully satisfied.

20. REMEDIES. Upon the occurrence of any Event of Default, Lessor may declare this Lease to be in default, and at any time thereafter, Lessor, at its option, may do any one or more of the following: (a) cancel this Lease; (b) proceed by appropriate action to enforce performance of the Lease at Lessee's expense or to recover damages (including attorneys' fees) for the breach thereof; (c) demand that Lessee, and in such case Lessee shall, return all or any part of the Vehicles promptly in the manner required by and in accordance with Section 7 hereof; (d) enter, with or without legal process, Lessee's premises or any other premises where the Vehicles are located, and take possession of all or any part of the Vehicles without any liability to Lessee by reason of such entry; (e) sell, lease, or otherwise dispose of all or any part of the Vehicles at a public or private sale, which may be conducted where such Vehicles are then located; (f) demand that Lessee, and in such case Lessee shall, pay to Lessor as liquidated damages for loss of a bargain and not as a penalty an amount equal to the sum of (i) all amounts due and unpaid under the Lease (including without limitation any indemnity obligations) plus interest thereon from the due date thereof at a per annum interest rate equal to the prime rate of interest then in effect as published in the Wall Street Journal plus 2.0% (the "Default Rate"), plus (ii) the present value of all future Rent payments for such Vehicles, discounted at 5.0%, plus (iii) the present value of the TRAC Residual, if any, discounted at 5.0%, plus (iv) all costs and expenses incurred by Lessor in enforcing Lessor's rights hereunder (including, without limitation, all costs of repossession, recovery, storage, repair, sale, re-lease, and attorneys' fees), together with interest thereon at the Default Rate from the date of demand to the date of payment in full (the "Liquidated Damages"), or (g) exercise any other right or remedy which may be available to Lessor under the Uniform Commercial Code or any other applicable law. The proceeds of any sale or lease of the Vehicles by Lessor shall be applied in the following order of priority: (1) to pay all of Lessor's expenses in taking, holding, preparing for sale or lease, and disposing of the Vehicles, including all attorneys' fees and legal expenses, then (2) to pay any late charges and all interest accrued at the Default Rate; then (3) to pay accrued but unpaid Rent payments, then (4) to pay any other unpaid sums due under this Lease including Liquidated Damages. If the proceeds of any sale or lease are not sufficient to pay the amounts owed to Lessor under this Lease, Lessee will pay the deficiency. Lessor may also, without liability, take any personal property stored within the Vehicles and may store any such property at Lessee's expense for 30 days. Lessee will be obligated to reclaim such property within 30 days and hereby waives any rights in such property thereafter. Any unclaimed property will be deemed abandoned after 30 days and will be discarded by Lessor. Lessor's remedies hereunder shall be cumulative. Any security deposit paid by Lessee to Lessor in connection with this Lease shall be forfeited by Lessee upon the happening of any Event of Default and shall be applied to Lessee's obligations under this Lease pursuant to this Section 20. Lessor's remedies hereunder may be exercised instead of or in addition to any other legal or equitable remedies. Lessor has the right to set off any sums received from any source (including insurance proceeds) against Lessee's obligations under this Lease. Lessee waives its right to object to the notice of the time or place of sale or lease, and to the manner and place of any advertising therefore. Lessee waives any defense based on statutes of limitations or laches in actions for damages. In case of failure by Lessee to pay any fees, assessments, charges, or taxes arising with respect to the Vehicles, Lessor shall have the right, but not the obligation to pay such amounts, and in that event, the cost thereof shall be payable by Lessee to Lessor upon demand, together with interest at the Default Rate from the date of disbursement by Lessor.

21. SECURITY DEPOSIT. The Security Deposit shall be held by Lessor during the entire Term, including the Interim Term and any renewal term, as security for the full payment and performance of the terms, conditions and obligations of Lessee hereunder and under any and all Schedules. The Security Deposit shall not excuse the performance at the time and in the manner prescribed or any obligation of Lessee or cure a default of Lessee. Lessor may, but shall not be required to, apply such Security Deposit towards discharge of any overdue obligation of Lessee. Lessor shall be entitled to commingle the Security Deposit with any of its own funds. No Interest shall accrue on the Security Deposit and Lessor shall have no liability to account to Lessee for any interest. If Lessor shall apply any of the Security Deposit towards any obligations of Lessee under the Lease, Lessee shall, upon demand, pay to Lessor an amount necessary to return the Security Deposit to the sum specified above. In furtherance thereof, Lessee hereby grants to Lessor a security interest in the cash comprising the Security Deposit from time to time and any and all interest thereon, together with the proceeds thereof, to secure the prompt payment as and when due of all indebtedness, and the prompt performance as and when due of all obligations, of Lessee now or hereafter required under the Lease. If no Event of Default then exists, upon the expiration or earlier termination of the Term, the balance of the Security Deposit then held by Lessor shall promptly be paid to Lessee.

22. SEVERABILITY. The invalidation of any provision or provisions of this Lease as unenforceable shall not operate to invalidate the remainder of the Lease which shall remain in full force and effect.

23. NOTICES. All notices relating to this Lease shall be delivered in person to an officer of Lessor or Lessee or mailed to the respective addresses shown above on the first page of this Lease, or to such address as otherwise specified in writing by the appropriate party hereto.

24. WAIVER. Lessor's forbearance of exercise of any right or remedy on Lessee's breach of any terms, covenants or conditions hereunder shall not be deemed a waiver of such right or remedy, the requirement of punctual performance, or any of its remedies upon any other or subsequent breach or default.

25. GOVERNING LAW. This Lease takes effect upon its acceptance and execution by Lessor and shall be governed, interpreted and construed under the laws of the State of Ohio. Ohio law shall prevail in the event of any conflict of law without regard to, and without giving effect to, the application of choice of law rules. LESSEE WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY LITIGATION ARISING FROM OR RELATED TO THIS LEASE, AND LESSEE SUBMITS TO THE JURISDICTION OF THE

FEDERAL DISTRICT COURT FOR THE SOUTHERN DISTRICT OF OHIO, OR ANY STATE COURT OF COMPETENT JURISDICTION WITHIN MONTGOMERY COUNTY, OHIO, AND WAIVES ANY RIGHT TO ASSERT THAT ANY ACTION INSTITUTED BY LESSOR IN ANY SUCH COURT IS IN THE IMPROPER VENUE OR SHOULD BE TRANSFERRED TO A MORE CONVENIENT FORUM.

26. WAIVER OF DAMAGES. Lessee waives to the fullest extent permitted by law any right to or claim of any punitive, exemplary, indirect, special, consequential, or incidental damages against Lessor. Lessee agrees that, in the event of a dispute, claim or controversy against Lessor, Lessee shall be limited to the recovery of actual direct damages sustained by it, subject to any limit on direct damages set forth in this Lease. Lessee will not accept or attempt to collect through the courts or otherwise any punitive, exemplary, indirect, consequential, or incidental damages from Lessor.

27. SUCCESSORS AND ASSIGNS. This Lease shall be binding on and inure to the benefit of Lessor and Lessee and their respective successors and assigns permitted hereunder.

28. FORCE MAJEURE. The obligations of Lessor hereunder shall be suspended to the extent that it is hindered or prevented from complying therewith because of labor disturbances, acts of God, fires, storms, accidents, failure of the manufacturer to deliver any of the Vehicles, court order, governmental regulations, or other interference or any cause whatsoever not within the sole control of Lessor.

29. SANCTIONS. Lessee covenants and agrees that at all times: (i) no member of its Related Party Group (as hereinafter defined) is a Sanctioned Target (as hereinafter defined) of economic or financial sanctions, sectoral sanctions, secondary sanctions, trade embargoes or restrictions and anti-terrorism laws imposed, administered or enforced from time to time by the United States, the United Nations Security Council, the European Union, the United Kingdom, any other governmental authority with jurisdiction over Lessee or any member of its Related Party Group (collectively, "**Sanctions**"); (ii) each member of its Related Party Group (A) has instituted, maintains and complies with policies, procedures and controls reasonably designed to assure compliance with Anti-Money Laundering Laws and Anti-Corruption Laws (each as hereinafter defined) and (B) is in compliance with all Anti-Money Laundering Laws and Anti-Corruption Laws; and (iii) to the best of Lessee's knowledge, after due care and inquiry, no member of its Related Party Group is under investigation for an alleged violation of any Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws by a governmental authority that enforces such laws. As used herein: "**Anti-Corruption Laws**" means: (I) the U.S. Foreign Corrupt Practices Act of 1977, as amended; (II) the U.K. Bribery Act 2010, as amended; (III) the French Law 2016-1691 of 9 December 2016, as amended; and (IV) any other anti-bribery or anti-corruption laws, regulations or ordinances (in each case, as amended) in any jurisdiction in which Lessee or any member of its Related Party Group is located or doing business; "**Anti-Money Laundering Laws**" means applicable laws in any jurisdiction in which Lessee or any member of its Related Party Group is located or doing business that relates to money laundering, any predicate crime to money laundering, or any financial record keeping and reporting requirements related thereto; "**Related Party Group**" means: (I) Lessee, and (II) any affiliate of Lessee, and (III) to the knowledge of Lessee, any officer or director acting on behalf of any of the foregoing parties with respect to any obligations hereunder; and "**Sanctioned Target**" means any target of Sanctions, including (without limitation) (I) persons or entities on any list of targets identified or designated pursuant to any Sanctions, (II) persons, entities, countries, or territories that are the target of any territorial or country-based Sanctions program, and (III) persons or entities that are a target of Sanctions due to their ownership or control by any Sanctioned Target(s).

30. GENERAL PROVISIONS. The Agreement (including any addendum, amendment, modification or supplement thereto or thereof) may be in the form of an Electronic Record and may, only so long as Lessor has expressly agreed in favor of Lessee to accept Electronic Signatures, be executed using Electronic Signatures (including manually executed paper documents that are sent by facsimile or .pdf), which shall be considered an original and shall have the same legal effect, validity and enforceability as an original paper record. This Lease may be executed in one or more counterparts, including both paper and electronic counterparts, but all such counterparts shall constitute one and the same agreement. If the Agreement (or a counterpart hereof) is in the form of an Electronic Record, each of the parties hereto acknowledges and agrees that Lessor may, in its sole discretion: (a) designate one version thereof as the sole authoritative copy of the Agreement (the "**Authoritative Copy**") and maintain, in the ordinary course of its business, the Authoritative Copy in a document management system designated by it for the storage of authoritative copies of Electronic Records (and destroy any paper original thereof); and/or (b) convert the same to paper format and mark such converted version as the "original" (the "**Paper Original**"), which Paper Original shall be binding on the parties hereto. For purposes hereof, each of the terms "**Electronic Record**" and "**Electronic Signature**" has the respective meaning assigned to it in 15 USC §7006 (as the same may be amended from time to time). To the extent that this Lease constitutes chattel paper (as that term is defined in the Uniform Commercial Code), a security or ownership interest intended to be created through the transfer and possession of this Lease can be done only by the transfer of the "Original" bearing the original wet ink signature of Lessor. Upon request by Lessor, Lessee shall verify in writing the location of the Vehicles. Lessee shall furnish Lessor with such financial information as Lessor may from time to time request. Lessee hereby warrants and represents that all financial statements heretofore and hereafter delivered to Lessor by or on behalf of Lessee have been and will be prepared in accordance with generally accepted accounting principals consistently applied, and all statements and data submitted to Lessor in connection with this Lease shall be complete and accurate in all respects.

RENEWAL ADDENDUM TO FRANCHISE AGREEMENT

THIS ADDENDUM (this “Addendum”) is entered into on this ___ day of _____, 20__ between PuroSystems, LLC (“Franchisor”) and _____ (“Franchisee”).

BACKGROUND:

A. Franchisor and Franchisee are party to a Franchise Agreement dated [_____] (the “Prior Franchise Agreement”) pursuant to which Franchisee agreed, among other things, to operate a PUROCLEAN Franchise under Franchisor’s brand (“Franchised Business”).

B. Franchisor and Franchisee entered into a Franchise Agreement of even date herewith (the “Franchise Agreement”), pursuant to which, among other things, the Prior Franchise Agreement is hereby terminated and replaced with the terms and conditions of the Franchise Agreement. Capitalized terms used in this Addendum but not defined in this Addendum shall have the meanings given to such terms in the Franchise Agreement.

C. Because of Franchise’s preexisting relationship with Franchisor, Franchisor has agreed to make certain modifications to the Franchise Agreement as set forth below.

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual promises below, and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree as follows:

1. No Initial Franchise Fee. Rather than pay an Initial Franchise Fee, Franchisee will pay the renewal fee due under the Franchise Agreement.

2. Termination of Prior Franchise Agreement; Release.

(a) The parties hereby agree that the Prior Franchise Agreement is hereby terminated with no further force and effect, except that Franchisee agrees to comply with the indemnification obligations set forth in the Prior Franchise Agreement, which shall expressly survive as well as Franchisee agrees to remain responsible for any unpaid amounts still due under the Prior Franchise Agreement.

(b) Except as noted in this Section 2(b), Franchisee, for itself, its heirs, successors, assigns, affiliates, directors, officers, shareholders, and employees and any other party claiming an interest through them (collectively and individually referred to as the “Franchisee Parties”), hereby release and forever discharge Franchisor, its successors and assigns, affiliates, directors, officers and shareholders, (collectively and individually referred to as the “Franchisor Parties”) from any and all claims, debts, liabilities, demands, obligations, costs, expenses, actions and causes of action, whether known or unknown, vested or contingent, which you may now or in the future own or hold, that in any way relate to the Prior Franchise Agreement (collectively, “Claims”), for known or unknown damages or other losses including but not limited to, any alleged violations of any deceptive or unfair trade practices laws, franchise laws, or other local, municipal, state, federal, or

other laws, statutes, rules or regulations, and any alleged violations of the Prior Franchise Agreement or any other related agreement between the Franchisee Parties and the Franchisor Parties up through the date of this Addendum. Notwithstanding the above, this release of Claims is not a release of any claims related to the Franchise Agreement signed of even date herewith and the renewal franchise that is subject to said Franchise Agreement.

(c) The release of Claims set forth in Section 3(b) is intended by the to be a full and unconditional general release, as that phrase is used and commonly interpreted, extending to all claims of any nature, whether or not known, expected or anticipated to exist in favor of the one of the Franchisee Parties This release of Claims is and shall be and remain a full, complete and unconditional general release.

(d) Franchisee, for itself and its Franchisee Parties, hereby expressly, voluntarily, and knowingly waives, relinquishes and abandons each and every right, protection, and benefit to which they would be entitled, now or at any time hereafter under Section 1542 of the Civil Code of the State of California, as well as under any other statutes or common law principles of similar effect to said Section 1542, whether now or hereafter existing under the laws of California or any other applicable federal or state law with jurisdiction over the parties' relationship. Franchisee acknowledges that Section 1542 of the Civil Code of the State of California provides as follows:

“A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor or released party.”

4. No Other Modifications. Except as expressly modified by this Addendum, the Franchise Agreement remains in full force and effect and is enforceable according to its terms and conditions.

OPERATIVE TERMS

1. **Initial Franchise Fee.** The Initial Franchise Fee in Section 5 of any Future Agreements entered into by the parties will be \$25,000 as long as this Amendment remains in effect. Franchisee must have a majority interest in each Franchise Business receiving the discounted Initial Franchise Fee.

2. **Transfer Fee.** Section 11 of the Current Agreement and any Future Agreements entered into by the parties is amended to provide for the discounted transfer fees described below:

- a) The transfer fee will be reduced to \$10,000 if Franchisee transfers a single Franchise Business to a minority partner in the Franchise Business who also acts as a full time manager of the Franchise Business.
- b) The transfer fee will be reduced to \$20,000 if a single Franchise Business is sold to a third-party.
- c) The transfer fee for each Franchise Business will be reduced to \$10,000 if Franchisee transfers more than two Franchise Businesses in a single transaction.

3. **Mitigation Services Royalty Fee.** Franchisee will file a separate royalty report for each Franchise Business as provided in Section 5 of each franchise agreement. Beginning January 1, 2025, the total Mitigation Services Gross Receipts for all Franchise Businesses owned by Franchisee will be aggregated and charged a Royalty Fee according to the scale below based upon Franchisee’s cumulative Gross Receipts each calendar year. Franchisee must be a majority owner of each Franchise Business participating in the aggregate royalty scale below.

<u>On Cumulative Gross Receipts for Each Calendar Year</u>	<u>Franchisee Pays</u>
For your first \$0 to \$399,999.99 of Mitigation Services Gross Receipts	10%
For your next \$400,000 to \$799,999.99 of Mitigation Services Gross Receipts	9%
For your next \$800,000 to \$1,199,999.99 of Mitigation Services Gross Receipts	8%
For your next \$1,200,000 to \$1,599,999.99 of Mitigation Services Gross Receipts	7%
For your next \$1,600,000 to \$1,999,999.99 of Mitigation Services Gross Receipts	6%
For your next \$2,000,000 to \$2,399,999.99 of Mitigation Services Gross Receipts	5%
For your next \$2,400,000 to \$2,799,999.99 of Mitigation Services Gross Receipts	4%
For any remaining Mitigation Services Gross Receipts of \$2,800,000 and over	3%

Franchisee’s Royalty Fee Rate for Mitigation Services will reset to 10% on January 1st of each new calendar year, and Franchisee will restart the process of earning royalty rate reductions based on its cumulative aggregate Gross Receipts.

4. **Reconstruction Services Royalty Fee.** Gross Receipts from Franchisee’s Reconstruction Services will be reported and paid as required by each franchise agreement. Franchisor

has chosen to temporarily reduce the Reconstruction Services Royalty Fee to 2% but reserves the right to charge the Reconstruction Services Royalty Fee described in each franchise agreement in the future.

5. **Marketing Fee.** Nothing in this amendment alters Franchisee's obligation to pay the Marketing Fee described in Section 6 of the Current Agreement and any Future Agreements. The marketing fee for each Franchise Business will be subject to Franchisor's then current marketing fee cap, which may be adjusted each year.

6. **PuroLogic Software.** Each Franchise Business owned by Franchisee must obtain a license for and use PuroLogic (DASH) or other operating system designated by Franchisor.

7. **Operational Requirements.** The parties agree that each Franchise Business owned by Franchisee must maintain the following:

- a) Its own physical office and warehouse location within its designated POL;
- b) A Clarity telephone number with a local area code and prefix reflective of the approved office location;
- c) Equipment equal to the then current full Initial Equipment Package required for new PuroClean franchisees;
- d) A dedicated production vehicle that meets the standards applicable for new PuroClean franchisees;
- e) A full-time operations manager dedicated to the individual Franchise Business (preferably with equity);
- f) A full-time marketing employee who is dedicated to the individual Franchise Business and utilizing Luxor or such other system designated by Franchisor;
- g) A unique XactNet address.

8. **Hub and Spoke Model.** The requirement for a physical office and warehouse location will be waived for any POL located entirely within a 15-mile radius of the office location of another Franchise Business owned by Franchisee that meets all of the requirements in Section 7 above.

9. **Performance Standards.** In order to remain eligible for participation in the Program, including but not limited to, the royalty rates described in this Amendment, Franchisee must meet all performance standards below:

- a) Each Franchise Business must be certified in PuroClean's Certified Priority Response program at the Gold level.
- b) The Franchise Business granted under the Current Agreement must continue to generate a minimum of \$1,000,000 in annual Mitigation Services Gross Receipts.
- c) Each subsequent Franchise Business established by Franchisee must remain in compliance with the terms of its franchise agreement, and reach the following annual levels of Mitigation Services Gross Receipts in its first five years of operation:
 - i. Year one: \$200,000
 - ii. Year two: \$300,000
 - iii. Year three: \$500,000
 - iv. Year five: \$1,000,000
- d) After five years of operation, a Franchise Business must maintain \$1,000,000 in annual Mitigation Services Gross Receipts. If any Franchise Business fails to achieve

\$1,000,000 annual Mitigation Services Gross Receipts, it will have a one-year probationary period to return to the required revenue level.

- e) In order to expand beyond three Franchise Businesses, each of Franchisee’s existing Franchise Businesses must be generating a minimum of \$1,000,000 in annual Mitigation Services Gross Receipts before additional franchises will be approved.

10. **Compliance with Requirements and Standards.** Without limiting any of its rights under each franchise agreement, if operational requirements, performance standards, and other conditions of this Amendment are not met, Franchisor may, in its discretion, take any of the following actions:

- a) Eliminate the Halo for any location not meeting performance or operational requirements;
- b) Disqualify Franchisee from participation in President’s Circle and/or PuroClean awards;
- c) Provide Franchisee with written notice that Franchisee is being removed from the Program, terminate this Amendment, and each Franchise Business will operate and pay fees according to its corresponding franchise agreement.

11. **Miscellaneous:** This Amendment is not valid until signed by all parties. Except as expressly modified by this Amendment, the Franchise Agreement and any amendments thereto will be construed and enforced pursuant to their terms. This Amendment, the Franchise Agreement, and any other written amendments thereto contain the entire agreement of the parties with respect to the subject matter hereof and shall not be amended except by the written agreement of the parties.
