What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in EXHIBIT "A".

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation and/or litigation only in Arizona. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Arizona than in your own state.

2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments, may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

TABLE OF CONTENTS

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any document relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

  (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

  (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

  (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

  (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than $100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1 FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The franchised business offered under this Disclosure Document is for a chiropractic clinic that operates under the name THE JOINT® (a "Clinic"). In some cases, the franchisee owns, operates and manages the Clinic (a "Franchised Clinic"). In other cases, the franchisee manages the Clinic on behalf of a professional corporation or professional limited liability company that owns and operates the Clinic, provides the chiropractic services and employs the chiropractic staff (a "Managed Clinic"). We offer franchises for both Franchised Clinics and Managed Clinics under this Disclosure Document.

To simplify the language in this Disclosure Document, "you" means the person who buys the franchise for a Clinic – the franchisee, and includes your partners if you are a partnership, your shareholders if you are a corporation, and your members if you are a limited liability company. "We," "us" and "the Company" mean The Joint Corp. - the franchisor.

Corporate Information

The Joint Corp. is a Delaware corporation that was incorporated on March 10, 2010. Our principal business address is 16767 N. Perimeter Dr., Suite 110, Scottsdale, Arizona 85260. Our telephone number is (480) 245-5960. Our agents for service of process are disclosed in EXHIBIT "A" (for franchise registration states) and EXHIBIT "B" (for other states). We do not do business under any names other than our legal name "The Joint Corp." and the trade names "The Joint" and "The Joint Chiropractic".

Business History

We began offering franchises for Clinics in 2010. We have also offered area representative franchises from: (a) 2011 to December 2013; and (b) November 2016 to present. At this time, we no longer offer franchises for new area representative businesses. However, we continue to offer renewal franchises to existing area representatives. As of December 31, 2023, we have sold a total of 44 area representative franchises. We have never offered franchises in any other line of business.

Area representative franchises are offered under a separate Disclosure Document. We refer to the area representative business as a "Regional Development Business" and we refer to the area representative franchisee as a "Regional Developer". Regional Developers: (a) solicit prospective Clinic franchisees within a defined development territory; and (b) provide these franchisees with certain initial and ongoing support with the development and operation of their Clinics. If your Clinic is located within a Regional Developer's development territory, the Regional Developer may assist you with the development and operation of your Clinic.

In addition to offering franchises and administering the franchise system, we have owned and operated (or in some cases managed) Clinics in various states since 2014. Some of these Clinics are owned, operated and managed by us. Others are owned and operated by a Chiropractic PC but managed by us (similar to a Managed Clinic).

We engage in no business activities other than those discussed above.

Predecessors, Parents and Affiliates

We do not have any predecessors or parent companies. We do not have any affiliates that: (a) offer (or have ever offered) franchises in this or any other line of business; or (b) provide products or services to our franchisees.

Description of Franchised Business

The franchised business offered under this Disclosure Document is for a Clinic, which is a cash-basis, private-pay business that offers chiropractic services to the public using a membership model. Clinics do not accept insurance as compensation for services rendered. In accordance with state law, chiropractic services may only be provided by, or in some cases under the supervision of, a licensed chiropractor. The licensed chiropractors and chiropractic assistants responsible for providing and/or supervising the provision of chiropractic services at a Clinic are referred to as the "Chiropractic Staff". The 2 types of Clinic franchises we offer are described

below:

Franchised Clinic (Direct Ownership Model)

A Clinic may be owned, operated and managed by the franchisee (i.e., a Franchised Clinic) if either: (a) the franchisee is either a licensed chiropractor operating as a sole proprietorship or a Chiropractic PC that, under applicable state law, is authorized to provide chiropractic services and employ Chiropractic Staff; or (b) the franchisee develops the Clinic in a state that allows a person who is not a licensed chiropractor or Chiropractic PC to own and operate a chiropractic clinic and employ Chiropractic Staff.

Managed Clinic (Managed Operation Model)

A franchisee who does not qualify for a Franchised Clinic must acquire a Managed Clinic. Under our Managed Clinic model, the franchisee manages (but does not own or operate) the Clinic. As used in the context of a Managed Clinic, "ownership" and "operation" of the Clinic refers to ownership and operation of the chiropractic practice conducted from the Clinic. It does not refer to ownership of the premises or any of the furniture, fixtures, equipment or other assets located within or utilized at the Clinic. Our Managed Clinic model is described in more detail below under "Laws and Regulations".

If we award you a franchise, you must sign the form of franchise agreement attached to this Disclosure Document as EXHIBIT "C" (the "Franchise Agreement"). We refer to the franchised business you purchase as your "Business". We refer to the Clinic you own, operate and manage (if a Franchised Clinic) or the Clinic you manage on behalf of a Clinic Operator (if a Managed Clinic) as your "Clinic". The Franchise Agreement grants you a license to use certain service marks, trademarks, trade names and logos, including the service marks THE JOINT®, THE JOINT CHIROPRACTIC® and THE JOINT…THE CHIROPRACTIC PLACE® (collectively, the "Marks"). The Franchise Agreement also grants you a license to use the system we developed for the operation of a Clinic (the "System"). Our confidential Operations Manual (the "Manual") describes the operational aspects of a Clinic. You will operate your Clinic as an independent business using the Marks, the System, the information in the Manual, and the support, guidance and other methods and materials we provide.

We developed the System, and the standards and specifications associated with the System, to create a framework that enables Clinics to operate in compliance with our brand standards and maintain a uniform experience for patients. However, we understand that the practice of chiropractic is a licensed medical profession requiring independent judgment, skill and training. We do not engage in the practice of chiropractic, and we are not authorized to provide chiropractic services. Our franchise training and support programs do not include any training or support regarding the method or manner by which chiropractors make clinical decisions. Chiropractors retain complete discretion on all decisions that may impact their chiropractic license. We do not control or influence (or reserve the right or intend to control or influence) the Professional Judgment exercised by you (if you are a licensed chiropractor), the Clinic Operator (if you operate a Managed Clinic) or the Chiropractic Staff. In recognition of these facts, we acknowledge and agree that if any terms of the Franchise Agreement (or any related agreement) and/or the Manual conflict with the Professional Judgment of you (if you are a licensed chiropractor), the Clinic Operator (if you operate a Managed Clinic) or the Chiropractic Staff then: (a) the Professional Judgment of you, the Clinic Operator or the Chiropractic Staff, as applicable, will control; and (b) you will be authorized to act in a manner consistent with the Professional Judgment of you, the Clinic Operator or the Chiropractic Staff without being deemed in breach of the Franchise Agreement.

For purposes of this Disclosure Document, the term "Professional Judgment" means the independent medical judgment exercised by a Chiropractic PC and the Chiropractic Staff it employs regarding the methods and manner by which chiropractic services are provided to patients, including: (a) determining what diagnostic tests are appropriate; (b) determining the need for referrals to or consultation with another medical professional or specialist; (c) responsibility for the ultimate overall care of the patient, including treatment options available to the patient; (d) determining how many patients to see in a given period of time or how many hours Chiropractic Staff must work; (e) managing, and determining the contents of, patient medical records; (f) selecting, hiring and firing Chiropractic Staff; and (g) establishing coding and billing procedures for patient care services.

Area Development Rights

If you satisfy our criteria for multi-unit developers, we may (but need not) offer you the right to sign the form of Area Development Agreement attached to this Disclosure Document as EXHIBIT "D" (the "ADA"). The ADA grants you the right and obligation to develop, open and operate multiple Clinics within a defined "development territory" according to a predetermined "development schedule". You must develop, open and operate all of the Clinics identified in the development schedule. We only grant area development rights to franchisees who commit to develop, open and operate a minimum of 2 Clinics. You must sign a separate franchise agreement for each Clinic you develop. Each franchise agreement will be our then-current form of franchise agreement, which may be different than the form of Franchise Agreement attached to this Disclosure Document.

Market and Competition

The target market for THE JOINT® patients includes members of the general public in need of chiropractic services. The chiropractic industry is developed and competitive. Sales are not seasonal.

As a franchisee, you will compete with other businesses offering chiropractic or related services (e.g., pain relief, physical therapy, wellness, etc.). Competitors include chiropractic clinics, physical therapy specialists, hospitals and other medical facilities. You may also face competition from businesses or professionals that operate multi-disciplinary medical and/or healthcare practices that offer chiropractic care along with other medical and/or health-related services. Some competitors are independently owned and operated businesses while others operate through regional or national chains. Some competitors operate under a franchise model.

Laws and Regulations

You must comply with all laws that affect businesses generally. Chiropractors, and businesses that offer chiropractic services, are heavily regulated and subject to a variety of industry-specific laws and regulations. While chiropractors do not earn a medical doctor (MD) degree, they must obtain a Doctor of Chiropractic (DC) degree in order to practice. In many states, chiropractors are regulated in the same manner as medical doctors. As a result, you may be subject to a variety of laws that regulate or govern the practice of medicine generally, or that specifically apply to the practice of chiropractic ("Healthcare Laws"). Healthcare Laws can vary from state to state. Some of the Healthcare Laws that may apply to you include laws and regulations that:

- restrict or limit the persons who may lawfully own a Clinic, provide chiropractic services and/or employ Chiropractic Staff, including corporate practice of medicine laws and other comparable laws
- regulate the practice of chiropractic, including the licensure of chiropractors or other healthcare professionals
- restrict physician self-referrals, including the federal Stark Law and comparable state laws
- restrict or prohibit the payment or receipt of remuneration as an inducement or reward for patient referrals, including the federal Anti-Kickback Statute and comparable state laws
- restrict or prohibit certain fee splitting arrangements involving physicians or other healthcare professionals
- regulate the use of medical devices
- regulate the privacy of patient records, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Health Information for Economic and Clinical Health Act (HITECH) and other comparable federal and state laws
- regulate the advertising of chiropractic clinics or chiropractic services

Healthcare Laws also include rules and regulations promulgated by state regulatory boards governing chiropractors and/or chiropractic clinics.

Some Healthcare Laws only apply to businesses that accept Medicare, Medicaid or other state or federal government funded benefit plans or fiscal intermediaries. While some of these laws apply to our business model,

a majority do not due to the fact our current business model is limited to a cash-basis, private-pay model (Clinics may not accept insurance as compensation for services rendered).

Some of the Healthcare Laws that may apply to your Business are described below in more detail.

Chiropractor Licensing

All states require the licensure of chiropractors. Only licensed chiropractors are allowed to provide chiropractic services at Clinics. If you are not a licensed chiropractor, you must not engage in any activities that might interfere with the Professional Judgment of the Chiropractic PC (defined below) or the chiropractors who work at the Clinic.

Corporate Practice of Medicine Laws

Some states adhere to a corporate practice of medicine ("CPOM") doctrine that prohibits or restricts a person who is not a licensed healthcare provider from holding an ownership interest in a business that offers chiropractic services or employs chiropractors. In some states, the business entity that owns the practice must be a professional entity, such as a professional corporation or professional limited liability company (a "Chiropractic PC"). A Chiropractic PC may not be required when the licensed chiropractor operates as a sole proprietorship. In some states, such as California, only licensed chiropractors or other licensed healthcare providers may hold an ownership interest a Chiropractic PC. Other states may allow non-licensed individuals to hold an ownership interest in a Chiropractic PC, but may limit the percentage of ownership interests that may be held by non-licensed individuals. The corporate practice of medicine laws applicable in your state may dictate whether you acquire a Managed Clinic or a Franchised Clinic.

A. Franchised Clinic

You must acquire a Franchised Clinic if you are a licensed chiropractor who will own and operate the Clinic either as a sole proprietorship or through Chiropractic PC. The Franchised Clinic is our direct ownership model, where the franchisee directly owns, operates and manages the Clinic and employs the Chiropractic Staff.

In some states that do not adhere to a corporate practice of medicine ("CPOM") doctrine, a person who is neither a licensed chiropractor nor a Chiropractic PC may lawfully own and operate a chiropractic clinic and employ the Chiropractic Staff who provide chiropractic services at the Clinic. We refer to these states as "Non-CPOM States". If you are not a licensed chiropractor but your Clinic is located in a Non-CPOM State, we may authorize you to own and operate a Franchised Clinic, in which case you will directly own and operate the Clinic and employ the Chiropractic Staff who provide chiropractic services at the Clinic. If you are not a licensed chiropractor and you believe the state in which your Clinic is located qualifies as a Non-CPOM State, you must send us a written request to enter into a Waiver Agreement with you. The Waiver Agreement constitutes our written authorization for you, as a non-licensed individual, to own and operate a Franchised Clinic in a Non-CPOM State. Our current form of Waiver Agreement is attached to this Disclosure Document as EXHIBIT "H"-3. As a condition to signing the Waiver Agreement, we may require that you hire healthcare counsel, licensed in your state, to provide us with a legal opinion confirming that you may lawfully own, operate and manage a Franchised Clinic and employ the Chiropractic Staff who provide chiropractic services at the Clinic.

You should be aware that Healthcare Laws change from time to time. If, subsequent to our execution of a Waiver Agreement, there is a change to applicable Healthcare Laws that renders your ownership of a Franchised Clinic and/or employment of Chiropractic Staff unlawful, we may require that you convert from a Franchised Clinic to a Managed Clinic, which may require you to incur additional expense.

B. Managed Clinic

You must acquire a Managed Clinic if you are not a licensed chiropractor and your state has a CPOM law that precludes you from holding an ownership interest in a chiropractic clinic or employing chiropractors. Our Managed Clinic business model separates the chiropractic aspects of the Clinic from the business management

aspects of the business. A franchisee who acquires a Managed Clinic must: (a) identify and establish a relationship with a Chiropractic PC that is authorized to provide chiropractic services under the laws of the state in which the Clinic is located; and (b) enter into a management services agreement or comparable agreement (a "Management Agreement") with the Chiropractic PC. The Chiropractic PC that signs the Management Agreement with the franchisee is referred to as the "Clinic Operator". Under the Management Agreement:

- the Clinic Operator owns and operates the Clinic
- the Clinic Operator employs the Chiropractic Staff who provide chiropractic services at the Clinic
- the franchisee provides the Clinic Operator with certain non-chiropractic management and administrative services and support, including management, administrative, marketing, technology and facility-based services ("Management Services") in accordance with our System for the benefit of the Clinic Operator and the Clinic
- the Clinic Operator pays the franchisee management fees or other compensation ("Management Fees") as consideration for the Management Services it provides

If you acquire a Managed Clinic, you must:

1. identify and establish a relationship with the Clinic Operator that will own and operate the Clinic and employ the Chiropractic Staff who provide chiropractic services at the Clinic;
2. notify us of the identity of the Clinic Operator and provide all information we require about the Clinic Operator and the chiropractors it employs;
3. sign a Managed Clinic Addendum with us (our current form is attached to this Disclosure Document as EXHIBIT "H"-2);
4. sign, and cause the Clinic Operator to sign, the Acceptance and Acknowledgement Agreement that is attached to the Managed Clinic Addendum as Attachment A (we must also sign the Acceptance and Acknowledgment Agreement);
5. sign a Management Agreement with the Clinic Operator (EXHIBIT "H"-4 includes our sample form of Management Agreement); and
6. provide Management Services in accordance with the Franchise Agreement, the Managed Clinic Addendum, the Management Agreement and the Manual.

The Management Services include non-chiropractic management and administrative services and support you provide for the benefit of the Clinic Operator. Management Services do not include chiropractic services or any services that might interfere with the Professional Judgment of the Clinic Operator or the Chiropractic Staff it employs. Management Services may include assistance with matters such as: site selection; managing the Clinic design and construction process; negotiating contracts and managing supplier relationships; procurement and installation of signage, furniture, fixtures, equipment, operating supplies and other goods and services; configuration of technology systems and training staff regarding use of same; staff recruitment; obtaining licenses, permits and chiropractor credentialing reports; payroll services; human resource matters; selection and procurement of insurance; billing and collection services; patient scheduling services; preparation and maintenance of patient records and files; financial management, budgeting, bookkeeping and accounting services; preparing financial and operational reports; filing annual reports and tax documents; advertising and marketing; patient retention and communications; and facility maintenance services.

We provide you with a sample Management Agreement, but it has not been reviewed for compliance with the laws in your state. The sample attached is non-state specific. The Manual includes additional sample Management Agreements for use in the states of California, Florida, Illinois, Kansas, New York and North Carolina. You must hire healthcare counsel, licensed in your state, to review and revise our sample form of Management Agreement for compliance with laws applicable in your state. It is your responsibility to ensure the

Management Agreement you sign complies with the laws of your state. You must send us a copy of the executed Management Agreement.

C. States That May Require Use of Managed Clinic

Based on our review of the laws of the various states, we believe the following states may require you to acquire a Managed Clinic if you are not a licensed chiropractor: Arkansas, California, Colorado, District of Columbia, Florida, Hawaii, Illinois, Kansas, Kentucky, Maryland, Michigan, Minnesota, New Jersey, New York, North Carolina, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Washington, West Virginia, and Wyoming. There are additional states that may, depending on how those states interpret their own laws, also require you to acquire a Managed Clinic if you are not a licensed chiropractor. Some states have not explicitly stated whether an unlicensed person can own and/or operate a chiropractic Clinic in their state. In a few states, such as Alabama and Massachusetts, a person who is not a licensed chiropractor may own and operate a chiropractic clinic but only if the person first obtains a practice permit or similar license from the state.

Privacy and Security of Patient Records

Various state and federal laws regulate the privacy and security of patient health care information. The federal law, HIPAA, requires that healthcare providers protect the confidentiality of patient health care information and disclose that information to patients and third parties when requests are properly submitted. Clinics must ensure the privacy and security of patient health care information shared with "business associates" such as service providers, attorneys and third-party billing companies. Many states have also enacted Healthcare Laws regulating the privacy and security of patient health care information, some of which impose more stringent requirements than HIPAA.

Advertising and Trade Names

Some Healthcare Laws regulate the type of advertising and marketing conducted by a Clinic. For example, some of these laws restrict the representations a Clinic can make regarding the goods or services offered, the results a patient may or may not achieve, or whether devices or services have been authorized, cleared or approved by a governmental agency. These laws may also limit the trade names that a Clinic may use or require that chiropractic service providers use certain acronyms with their professional or trade names.

There may be other local, state and/or federal laws or regulations that apply to your Business. We strongly suggest that you investigate these laws before buying this franchise.

ITEM 3 LITIGATION

Carmel Mountain et al. v. The Joint (Case No. 01-15-0004-1604)

On July 7, 2015, a Demand for Arbitration was filed against us in California by the following former and/or current franchisees: Carmel Mountain The Joint Enterprises, Inc., Funny Bones, LLC, Global Family Enterprises, LLC, Menifee The Joint Enterprises, Inc., Poway The Joint Enterprises, Inc., R&D Management Solutions, LLC, Rancho Bernado The Joint Enterprises, Inc., Timothy Reed and Jamey Jacquemond, Santee The Joint Enterprises, Inc., SJD Corp., Solano Beach The Joint Enterprises, Inc. and Southern California The Joint Enterprises, Inc. ("Claimants"). The Claimants alleged breach of contract; breach of implied covenant of good faith and fair dealing; wrongful termination; fraud; promissory fraud; negligent misrepresentation; and claims under or arising out of violations of Section 31300, 31301, 31201 and 31202 of the California Franchise Investment Law. We vigorously denied liability for all of Claimants' claims and asserted counterclaims against each Claimant for breach of contract and breach of guaranty, among other claims, and sought a declaratory judgment that termination was proper because Claimants failed to adhere to the development schedules in their respective franchise agreements. Through our counterclaim, we sought damages for each unopened license in accordance with the terms of the parties' franchise agreements. On December 12, 2016, the parties entered into a settlement agreement whereby all parties disclaimed any liability or wrongdoing and mutually agreed that it was in their best interests to resolve their differences through settlement rather than arbitration. Under the terms of the settlement we agreed to: (a) pay Claimants the sum of $800,000, $600,000 of which was paid by our insurance carrier and $100,000 of which was paid through the issuance of $100,000 worth of shares of common stock in The Joint Corp. to Claimants and their counsel; and (b) waive, for a limited time, the transfer fees that would otherwise be due to us if the Claimants elect to sell any of their currently-operating franchises. The parties also agreed to exchange mutual general releases. The arbitration was subsequently dismissed with prejudice, based on the parties' stipulation, on December 20, 2016.

Except for the 1 action listed above, no litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

On May 31, 2014, Eric J. Simon, our Vice President of Franchise Development, filed as an individual for protection under Chapter 7 of the U.S. Bankruptcy Code (U.S. Bankruptcy Court, Eastern District of Virginia, Case No. 14-12082-RGM) due to the closing of a restaurant in San Diego, California and the resulting inability to make payments on an associated lease agreement. The case was discharged on September 15, 2014.

No other bankruptcy is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Deposit

If you prefer to find an approved site before signing the Franchise Agreement, you have the option of entering into a Letter of Intent ("LOI") in the form attached to this Disclosure Document as EXHIBIT "H"-7. At the time you sign the LOI, you pay us a nonrefundable deposit of (a) $10,000 if you choose not to acquire a protected Site Selection Area) or (b) $15,000 if you wish to acquire a protected Site Selection Area (in either case, the "Deposit"). The Deposit is fully credited towards your initial franchise fee. Under the terms of the LOI, you will identify and obtain our approval of the site for your Clinic within the Site Selection Area designated in the LOI. You must sign the Franchise Agreement before you sign a lease for your Clinic. You pay us the initial franchise fee, less the Deposit, at the time you sign the Franchise Agreement. The Deposit is uniformly imposed.

Initial Franchise Fee

You pay us a nonrefundable $39,900 initial franchise fee, which is due in full at the time you sign the Franchise Agreement. If you sign an LOI, you pay the initial franchise fee, less the Deposit, when you sign the Franchise Agreement. The initial franchise fee is uniformly imposed except for the discounts listed below:

Type of Discount*	Discount	Qualifications for Discount
Veterans Discount	$6,000 discount ($33,900 initial franchise fee)	Person holding at least a 51% interest in the franchise is an honorably discharged veteran of any branch of the United States military and provides Form DD-214.
Multi-Clinic Discount (discount does not apply to 1st Clinic purchased)	$10,000 discount ($29,900 initial franchise fee)	You must (a) purchase 2 or more Clinics from us at the same time, (b) sign Franchise Agreements for all Clinics at the same time, (c) pay us the $39,900 initial franchise fee for the 1st Clinic and a $29,900 initial franchise fee for each additional Clinic at same time.
DC Path to Ownership Program	$19,900 discount ($20,000 initial franchise fee)	Under our current DC Path to Ownership Program, a participating DC who works in a Clinic for at least 1 year and is approved to open their own Clinic receives a $19,900 discount. If the DC partners with an existing franchisee, the DC must have a 5% or greater ownership interest in the Clinic to qualify for the discount.

* The discounts listed in the table above may not be combined for a single Clinic. If multiple discounts apply to the same Clinic being purchased, you receive the discount resulting in the lowest total initial franchise fee. If you are veteran purchasing 2 or more Clinics, you receive the $6,000 Veterans Discount on the 1st Clinic and the $10,000 Multi-Clinic Discount on the 2nd and additional Clinics.

We reserve the right to offer other initial franchise fee discounts on a case-by-case basis. For example, we may offer a discount as an inducement for a franchisee to open a Clinic in a substandard market.

Clinic Design Fee

After you send us completed pre-construction forms and "as-built" drawings of the existing premises to be developed as your Clinic, we prepare and send you a design plan for your Clinic that includes a floor plan, flooring specifications, ceiling specifications and building specifications (including location of walls, counters, retail displays, fixtures and equipment) (a "Clinic Design"). At the time you sign the Franchise Agreement, you pay us a clinic design fee of: (a) $1,000 if you are opening a new Clinic; or (b) $600 if you are renewing your franchise rights for an existing Clinic and we require an updated Clinic Design for your Clinic. If we send you a Clinic Design and you request changes, you pay us an additional $500 clinic design fee for each revised Clinic Design we prepare, which would be due 10 days after invoicing. The clinic design fee is uniformly imposed.

However, in 2023 we discounted the design fee from $1,000 to $250 in one instance.

Imputed Royalty Fee (for delayed openings)

Your Clinic must open no later than the required opening date listed in Part G of ATTACHMENT "A" (the "Required Opening Date"). You may request an extension of the Required Opening Date, which we may approve or deny at our discretion. However, we will not unreasonably withhold approval if you have used diligent efforts to open by the Required Opening Date. If we deny your extension request, you may cure the default by opening the Clinic before the expiration of the cure period. Regardless of whether we deny or approve your extension request, you must pay us pre-opening royalty fees ("Imputed Royalty Fees") in the amount of $700 per month from your Required Opening Date until the earlier of: (a) the date your Clinic actually opens; or (b) the date your Franchise Agreement is terminated. The first installment of Imputed Royalty Fees is due on the Required Opening Date and is prorated based on the number of days left in the month. Subsequent installments are due on the 1st day of each subsequent month. Imputed Royalty Fees are uniformly imposed and nonrefundable, although in 2023 we did waive the Imputed Royalty Fee on a few occasions.

Development Fee

If you sign an ADA, you pay a $39,900 initial franchise fee for your first Clinic and a $29,900 discounted initial franchise fee for each additional Clinic you commit to develop under the ADA. At the time you sign the ADA, you pay us the full $39,900 initial franchise fee for your first Clinic and a development fee calculated as $10,000 for each additional Clinic you commit to develop. We anticipate most area developers will purchase the right to develop between 2 and 5 Clinics, which results in development fees ranging from $10,000 to $40,000. You pay us the remaining balance of the initial franchise fee (i.e., $19,900) for each additional Clinic at the time you sign the Franchise Agreement for that Clinic. However, if we terminate your ADA due to your default, you are not required to pay the remaining balance of the initial franchise fee for any Clinic for which a Franchise Agreement had not been signed as of the date of termination. Development fees are nonrefundable and uniformly imposed.

2. Definitions: As used in this Disclosure Document, the following capitalized terms have the meanings

given to them below:

"***Brand Fund***" means the brand and system development fund we currently administer to promote public recognition of our brand and improve our System.

"***General Manager***" means a person you hire and we approve to provide onsite management of your Clinic.

"***Gross Sales***" means the sum of all revenues and receipts derived from or invoiced in connection with the operation of the Clinic, regardless of method or form of payment, including amounts invoiced but not collected and without deduction for any chargebacks or disputed payments. Gross Sales includes membership fees, fees for chiropractic care, revenue collected or invoiced for the sale of merchandise, retail items or any other goods or services, and revenue and other monies that are collected or invoiced from any other source and for any purpose and that in any way relate to the Clinic, including advertising revenue, sponsorship fees and business interruption insurance proceeds. If you acquire a Managed Clinic, Gross Sales includes all Management Fees and PC Revenue. Gross Sales includes the full retail value of any free or discounted goods or services the Clinic provides to your owners, staff, friends or family members unless the same pricing is available to the general public as part of an approved promotional program. Gross Sales excludes:

- sales or use taxes
- amounts refunded or credited to patients
- proceeds from the sale of furniture, fixtures and equipment in the ordinary course of business
- tips paid to and retained by staff members as a gratuity

The Manual may include policies governing: (a) the manner in which membership fees and proceeds from the sale of gift cards are treated for purposes of calculating Gross Sales; and (b) the calculation of Gross Sales relating to qualifying purchases and redemptions by members under a loyalty or membership program or the purchase of a "package" or "series" of treatments.

"***Managing Owner***" means the owner you appoint and we approve with primary responsibility for the overall management and operation of your Business.

"***PC Revenue***" means, with respect to a Managed Clinic, the sum of all revenue and receipts derived from or invoiced in connection with the operation of the Clinic that are paid to (or are paid on behalf of or for the benefit of) the Clinic Operator or the Chiropractic Staff it employs, regardless of method or form of payment, and including amounts invoiced but not collected. PC Revenue excludes any amounts that are paid to (or are paid on behalf of or for the benefit of) the Clinic Operator if those amounts are subsequently paid to you or your staff as Management Fees.

"***Permitted Transfer***" means: (a) a Transfer of less than a 5% ownership interest; (b) a Transfer from an owner to the owner's immediate family member or a related trust; (c) a Transfer from one owner to another owner who was an approved owner prior to the Transfer; and/or (d) a Transfer by the owner(s) to a newly established business entity with respect to which the transferring owner(s) collectively own and control 100% of the ownership interests. However, a Permitted Transfer does not include any Transfer that results in either (1) a change of control or (2) the Managing Owner owning less than 5% of the ownership interests in the franchised business.

"***Technology Systems***" means all information and communication technology systems we require franchisees to acquire and utilize from time to time, such as computer systems, point-of-sale systems, electronic health records management systems, medical records management systems, webcam systems, telecommunications systems, security systems, music systems and similar systems, together with the associated hardware, software (including cloud-based software) and related equipment, software applications, mobile apps and third-party services relating to the establishment, use, maintenance,

monitoring, security or improvement of these systems.

"***Transfer***" means a transfer or assignment of: (a) the Franchise Agreement or ADA; (b) the Clinic's assets (other than the sale of furniture, fixtures or equipment in the ordinary course of business); (c) any ownership interest in the entity that is the "franchisee" or "area developer"; or (d) the franchised business you conduct under the Franchise Agreement or ADA. It also includes the grant of a security interest in the Franchise Agreement, the ADA, the Clinic's assets (other than a purchase money security interest) or any equity interest in the franchisee entity.

"***Travel Expenses***" means all travel, meals, lodging, local transportation and other living expenses and costs incurred: (a) by us and our trainers, field support personnel, auditors and/or other representatives to visit your Clinic; or (b) by you or your personnel to attend training programs or conferences.

3. Cooperative Advertising Fee: We may establish regional advertising cooperatives for purposes of pooling advertising funds to be used in discrete regions. We may either: (a) collect cooperative advertising fees and remit them to the applicable cooperative; or (b) require you to pay these fees directly to the cooperative. Cooperative advertising fees are uniformly imposed on all Clinics in the cooperative, including company-owned Clinics. We may set the minimum cooperative advertising fee, which may be increased by majority vote of all members of the cooperative. Each member is entitled to 1 vote for each open Clinic that is owned by the member and located in the cooperative. We and our affiliates will be members of the cooperative (and have the same voting rights as franchisees) with respect to company-owned Clinics located in the cooperative. However, if the majority of Clinics in the cooperative are company-owned Clinics, we will not increase the cooperative advertising fee unless a majority of all franchisee members vote in favor of the increase. All cooperative advertising fees you pay are credited towards your Local Advertising Commitment. There were 45 advertising cooperatives in effect within the U.S. as of December 31, 2023.

4. Liquidated Damages: You must pay us liquidated damages if: (a) we terminate the Franchise Agreement due to your default; or (b) you terminate the Franchise Agreement prior to its expiration date (except in accordance with the provisions governing your right to terminate following our uncured breach). Liquidated damages are calculated as the sum of average monthly royalty fees and brand fund fees imposed during the 12-month period preceding termination (or your entire period of operation if less than 12-months) multiplied by the lesser of: (a) 24 (representing 2 years); or (b) the total number of months remaining under the term. If you pay us liquidated damages in a timely manner, we may not pursue a claim against you for lost profits attributable to fees and revenue we would have received after termination if the Franchise Agreement had not been terminated. However, your payment of liquidated damages does not prevent us from seeking other damages we incur due to your breach.

Development Fee [19]	$10,000 to $40,000	Lump sum	At time you sign ADA	Us
Initial Investment to Open First Clinic	$254,250 to $520,800	This is the total estimated initial investment in Table A above.		
Total Estimated Initial Investment [18]	$264,250 to $560,800			

Notes:

1. Financing and Refunds: We do not offer direct or indirect financing. No amounts paid to us are refundable. We are not aware of any amounts paid to third-party suppliers that are refundable, although your landlord may refund your security deposit at the end of the lease if you do not damage the property or default.

2. Initial Franchise Fee: Some franchisees sign an LOI and pay us a Deposit (either $10,000 or $15,000 depending on whether you choose to acquire a protected Site Selection Area) before signing a Franchise Agreement. If you sign an LOI, your Deposit is credited towards your initial franchise fee. You pay us the remaining when you sign the Franchise Agreement.

3. Training Expenses: This includes the estimated costs you will incur to send 1 to 2 people to our 3½-day initial training program in Scottsdale, Arizona (or another certificated training center). Your Managing Owner and General Manager must attend. Attendance by your other owners is permitted but not required. We estimate the costs for food, lodging and other miscellaneous expenses (excluding travel) will be approximately $250 per person per day. Your actual training expenses may vary depending on: (a) the number of people you send to training; (b) the distance they must travel; and (c) the level and quality of accommodations, travel and dining selected.

4. Security and Utility Deposits: This includes estimated security deposits charged by landlords and utility companies.

5. Real Estate: This estimate assumes you lease your premises. Rent can vary based on a number of factors including:

   - local market conditions
   - the size and location of the premises
   - the amount a landlord agrees to contribute towards leasehold improvement costs (a "TI Allowance")
   - the specific lease terms required by individual landlords

   We anticipate most Clinics will range in size from 1,000 to 1,400 square feet with rent ranging from $3,000 to $9,000 per month. We recommend you lease a space with access to bathrooms and provisions for telecommunications equipment and office furniture. The estimate shown in the table above includes 3 months' rent. Some franchisees may prefer to own the premises for their Clinic. The cost to purchase real estate varies so widely that we cannot reasonably estimate the cost.

6. Construction: The cost of construction and leasehold improvements varies widely based on a number of factors including:

   - the size and condition of the leased space
   - whether the leased space is a first or second generation retail location
   - the extent and nature of any existing leasehold improvements
   - the amount of any TI Allowance you negotiate with the landlord
   - local demolition costs
   - local construction costs and prevailing wage rates in your local market

   In some cases, landlords provide a TI Allowance but increase monthly rent to recapture the TI Allowance and amortize it over the lease term (or part of the lease term). A significant factor in determining whether a landlord will provide a TI Allowance, and if so the amount, is whether the building is first generation or second generation space. The estimates in the table above assume you do not receive any TI Allowance.

7. Signage: You must purchase and install the signage we specify. However, you may need to modify our standard signage to conform to local zoning laws, property use restrictions and/or lease terms. In some instances, exterior signage may be prohibited due to applicable zoning or use restrictions. This estimates your costs to purchase our minimum required signage. If you choose to purchase additional signage, your initial investment may be higher.

8. Technology Systems: This estimates the cost to purchase and set up your Technology Systems, including your: computer hardware, tablets, software and supplies; music system (including music amp, player and

speakers); TVs; and phones . It also includes the associated installation costs.

9. Chiropractic & Other Professional Equipment: This estimates your costs to purchase your chiropractic tables.

10. Office Furniture and Equipment: This estimates your costs to purchase office furniture (such as workstations and chairs), file cabinets and shelving.

11. Uniforms and Office Supplies: This estimates your costs for uniforms and office supplies, such as paper, pens, forms and stationary.

12. Business Licenses/Permits: You may need to obtain a business license from a local government agency in order to operate or manage a Clinic. We estimate the cost for a business license will range from $750 to $1,800 depending on the jurisdiction in which the Clinic is located.

13. Chiropractor Credentialing: You must obtain credentialing reports on all chiropractors who provide chiropractic services at the Clinic (including you, if you are a chiropractor). You must obtain updated credentialing reports on at least an annual basis (or more frequently if there are lawsuits, complaints, etc. involving the chiropractor). You must send us copies of all credentialing reports you obtain. The purpose of the credentialing reports is to ensure chiropractors are properly licensed and in good standing. The reports include background checks, education verification, license verification, liability insurance verification and ongoing monitoring of state board sanctions. You may not allow a chiropractor to provide chiropractic services at the Clinic or access your computer system (or other Technology Systems) unless he or she has a "clean" credentialing report (as further described in the Manual). We estimate the cost of a credentialing report will be approximately $100 per report. You are solely responsible for obtaining these reports and paying the associated costs. This item estimates the costs for obtaining credentialing reports on the initial chiropractors who will provide chiropractic services at the Clinic.

14. Professional Fees: This estimates legal fees, accounting fees and other professional fees you may incur in order to:

    - assist you in reviewing this Disclosure Document and negotiating your Franchise Agreement
    - advise you regarding Healthcare Laws applicable in your state to ensure your ownership structure and Clinic operations are compliant with Healthcare Laws
    - incorporate your business, including forming a Chiropractic PC (if permitted by state law)
    - review operational agreements and forms
    - set up your books, records and accounts
    - perform background checks and personality profiles of potential employees and Chiropractic Staff
    - develop a business plan
    - prepare budgets for the development and operation of your Clinic

    If you acquire a Managed Clinic, you may incur additional legal fees, accounting fees and other fees and costs in order to prepare and negotiate the Management Agreement and negotiate and establish your relationship with a Clinic Operator, but you will not incur the costs to set up a Chiropractic PC. The high estimate assumes you acquire a Managed Clinic, while the low estimate assumes you acquire a Franchised Clinic.

15. Grand Opening Advertising: During the period beginning 60 days before opening through 60 days after opening, you must spend a minimum of $20,000 on grand opening marketing activities in accordance with the Manual. The high estimate assumes you choose to spend more. This amount does not include (and is not credited towards) your Local Advertising Commitment. Your Local Advertising Commitment requires you to spend, at a minimum, an amount equal to the greater of (a) $3,000 per month or (b) 5% of monthly Gross Sales on local advertising and marketing. The Local Advertising Commitment during your

initial 3 months of operation is included under Additional Funds.

16. Insurance Premiums: Insurance premiums vary depending on the insurance carrier's charges, terms of payment and your history of claims and payments. We estimate that annual insurance premiums will range from $4,000 to $10,000 for malpractice insurance and $2,000 to $2,200 for general liability insurance. The estimate in the table includes premium costs for 3 months for required insurance policies.

17. Additional Funds: This estimates your expenses during the first 3 months of operation including: payroll costs (excluding any wages, salary, draws or other amounts paid to you or other owners); Local Advertising Commitment ($9,000 for initial 3 months); Technology Fees ($1,797 for initial 3 months); utilities; HIPPA compliance tools; and other miscellaneous expenses and required working capital. Your initial 3 months of rent and insurance premiums are separately stated in the table above. You may need to put additional cash into the business until you achieve sales equal to or greater than your operating expenses. These figures are estimates based on: (a) the past experience of our management team in developing, opening and operating company-owned Clinics; and (b) the recent experience of our franchisees in developing, opening and operating franchised Clinics.

18. Budget and Initial Investment Report: We strongly recommend you hire an accountant, business advisor or other professional to assist you in developing a budget for the construction, opening and operation of your Clinic. Within 60 days after your Clinic's opening date, you must send us a report, in the form we designate, listing the expenses you incur to develop and open the Clinic. We may use this data to update the initial investment estimate in future versions of our Franchise Disclosure Document.

19. Development Fee: Item 5 discusses how the development fee is calculated. This initial investment estimate assumes you commit to develop either 2 Clinics (low estimate) or 5 Clinics (high estimate). If you purchase the right to develop more than 5 Clinics, your development fee will increase. This estimate does not include your costs to develop any Clinic other than the first Clinic you develop under the ADA.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Source-Restricted Purchases and Leases - Generally

You must purchase or lease certain "source-restricted" goods and services for the development and operation of your Clinic. By "source-restricted", we mean the good or service must meet our specifications and/or must be purchased from an approved or designated supplier. For some goods or services, there may only be a single designated supplier (which may be us, our affiliate or a third-party we designate). The Manual includes our specifications and supplier list. It includes approved items of equipment, fixtures, inventory, and supplies (by brand name and/or by standards and specifications) and lists of approved suppliers for these items. We notify you of changes to our specifications and suppliers by email, updates to the Manual or through other means of communication. In most cases, we notify you of these changes at least 30 days before they become effective. We provide 60 days' notice of changes to Technology Systems.

Your obligation to comply with our sourcing restrictions remains subject to the Professional Judgment of you (if you are licensed chiropractor), the Clinic Operator (if you acquire a Managed Clinic) and the Chiropractic Staff with regard to any purchases or leases that pertain to the rendering of chiropractic services or the diagnosis, treatment or care of patients.

Supplier Criteria

Our criteria for evaluating a supplier include standards for quality, delivery, performance, design, appearance and price of the product or service as well as the supplier's dependability, reputation, supply capabilities, financial strength and length of operations. At this time, we do not have any written supplier approval criteria and therefore do not furnish supplier criteria to franchisees.

If you wish to purchase or lease a source-restricted item from a non-approved supplier, you must send us a written request for approval and submit all additional information we request. We may require that you send

samples from the supplier to us or to an independent laboratory for testing. We may also require that we be allowed to inspect the supplier's facility. We will notify you of our decision within 45 days after we receive your request for approval and all additional information and samples we require. We may periodically re-inspect the facilities and products of an approved supplier and revoke our approval if the supplier fails to meet our then-current criteria. You must reimburse us for all costs we incur to review products and suppliers you propose.

You do not receive any material benefits for using designated or approved suppliers other than having access to any discounted pricing we negotiate. However, purchasing or leasing from unapproved suppliers is a default under your Franchise Agreement that may result in termination (or non-renewal) of your franchise.

Current Source-Restricted Items

We estimate nearly 30% of the total purchases and leases to establish your Clinic and 15% of ongoing operating expenses will consist of source-restricted goods or services, as further described below.

Site Selection

You must locate and obtain our written acceptance of the site for your Clinic. The site you select must meet our minimum site selection criteria.

Lease

We do not review the terms of your lease. However, if you lease the premises for your Clinic you must use best efforts to ensure your landlord signs the Lease Addendum attached to the Franchise Agreement as ATTACHMENT "C".

Design and Construction Services

We will prepare and provide you with a Clinic Design after reviewing the completed pre-construction forms and as-built drawings you submit to us. You must hire an architect and engineer to prepare detailed construction plans which must be: (a) consistent with our Clinic Design; (b) approved by us as meeting our system standards; and (c) compliant with all applicable laws and building codes. Once approved, you must construct and equip your Clinic according to the approved plans and the specifications in the Manual. Your architect and general contractor must be appropriately licensed and bonded (if required by applicable law). We may require that you utilize an architect and/or general contractor that we designate or approve.

Fixtures, Furnishings and Décor

All fixtures, furnishings and décor must meet our standards and specifications and be purchased only from suppliers we designate or approve.

Chiropractic Equipment & Supplies

All chiropractic and other professional equipment and supplies must meet our standards and specifications and be purchased only from suppliers we designate or approve.

Chiropractor Credentialing Reports

You must purchase and send us copies of credentialing reports on all chiropractors before they may provide chiropractic services at the Clinic. You must obtain updated credentialing reports on an annual basis, or on a more frequent basis if there are lawsuits, complaints, etc. involving the chiropractor. You must obtain these reports from reporting agencies that we designate or approve. Currently, we require that you contact with National Integrated Health Group to provide credentialing reports.

HIPAA Compliance

You must purchase HIPAA compliance tools and resources to promote HIPAA compliance at your Clinic. We currently recommend that you purchase a web-based product offering employee training modules, template

policies and procedures and risk assessments. We estimate the cost will range from $35 to $150 per month.

Technology Systems

Your Technology Systems (including hardware, software, equipment, software applications, mobile apps and similar items) must meet our standards and specifications. Certain components of your Technology Systems must be purchased from approved or designated suppliers while other components may be purchased from any supplier of your choosing. We may also require that certain services relating to the establishment, use, maintenance, monitoring, security or improvement of your Technology Systems be purchased from approved or designated suppliers. We currently require that you license our proprietary office management software (which also serves as your point-of-sale system and electronic health records management system) exclusively from us.

Merchant Processing Services

You must use the credit card processing company we designate. We currently require you to contract with Paysafe Group. You must sign the Paysafe Merchant Payment Card Application/Agreement included in EXHIBIT "H"-8 to this Disclosure Document.

Signage

All exterior signage must meet our standards and specifications and be purchased from suppliers we designate or approve.

Uniforms

Your employees must wear the uniforms we require. You must purchase uniforms only from suppliers we designate or approve.

Marketing Materials and Services

All marketing materials must comply with our standards and requirements. We must approve your marketing materials prior to use. You must purchase branded marketing materials only from us or other suppliers we designate or approve. We may require that you utilize suppliers we designate or approve for advertising and marketing materials and services. We are currently evaluating whether to designate ourselves as the exclusive or preferred supplier for digital marketing and advertising services.

Insurance Policies

You must obtain the insurance coverage we require (whether listed in the Franchise Agreement or Manual) from licensed insurance carriers rated A-VIII or better by Alfred M. Best & Company, Inc., including the following:

Policy Type	Minimum Coverage
“All risk” Property Insurance	Replacement Value
Comprehensive General Liability Insurance	$1,000,000 per occurrence and $3,000,000 in the aggregate
Automobile Liability Insurance	$1,000,000 per occurrence and $3,000,000 in the aggregate
Medical Malpractice Insurance	$1,000,000 per occurrence and $3,000,000 in the aggregate
Commercial Umbrella Insurance	$1,000,000 per occurrence and $3,000,000 in the aggregate
Business Interruption Insurance	At least 6 months
Employer’s Liability Insurance	As required by law
Worker’s Compensation Insurance	As required by law
Landlord-Required Insurance	As required by lease
Licensure-Required Insurance	As required by law or government regulation

The required coverage and policies are subject to change. All insurance policies must be endorsed to: (a) name us (and our members, officers, directors and employees) as additional insureds; (b) contain a waiver by the insurance carrier of all subrogation rights against us; and (c) provide us with at least 30 days' prior written notice of the termination, expiration, cancellation or modification of the policy. We must approve the insurance company you use, and we reserve the right to require that you purchase certain insurance policies only from an insurance company we designate.

Purchase Agreements

We have negotiated purchase agreements (including favorable pricing terms) with suppliers of certain goods and services that must be purchased by franchisees. You may purchase these items at the discounted prices we negotiate (less any rebates or other consideration paid to us). We may also purchase items in bulk and resell them to you at our cost plus a reasonable markup. Currently there are no purchasing cooperatives but we may establish them in the future.

Franchisor Revenues from Source-Restricted Purchases

We are currently the exclusive designated supplier for: (a) the clinic design services provided in exchange for the clinic design fee; and (b) our proprietary office management software that we license to you as part of the Technology Fee. We may designate ourselves as an approved or designated supplier for other items in the future. No person affiliated with us is currently an approved (or the only approved) supplier. There are no approved or designated suppliers in which any of our officers own an interest.

We may receive rebates, payments or other material benefits from suppliers based on franchisee purchases and we have no obligation to pass them on to our franchisees or use them in any particular manner. We expect most rebates will range from 0 to 10% of the purchase price of the goods or services sold by the supplier to franchisees. As of the issuance date of this Disclosure Document, we receive the following supplier rebates:

- Paysafe Group (merchant credit card services) pays us a rebate calculated as 37 basis points (0.37%) on each credit card transaction
- 3form, LLC (hardware vendor) pays us a rebate calculated as 5% net on product sales to franchisees

Our total revenue during the fiscal year ended December 31, 2023 was $117,696,356. During that year, we received $6,614,846 in revenue as a result of purchases or leases made by company-owned and franchised Clinics of goods and services from designated or approved suppliers (including purchases from us, Technology Fees, clinic design fees and supplier rebates), which represents 5.6% of our total revenue for that year.

Training Program (§6)

Initial Training Program

We will provide an initial training program for the Managing Owner and your General Manager(s) at least 30 days prior to your opening date. You may send other owners to initial training, but it is not required. Your Managing Owner and General Manager(s) must successfully complete initial training to our satisfaction before your Clinic opens.

Initial training includes the following components (number of hours / days listed are approximate):

- 10 hours of online training modules
- 3.5 days of on-the-job training with a certified trainer at a Clinic we designate (typically in Arizona)
- 3.5 days of live virtual training with leaders from our corporate office
- 3 days of onsite training conducted by an opening supervisor at your Clinic

Onsite training, which begins the day before your Clinic opens, is an informal training program where the opening supervisor monitors your operations, provides onsite training and assists you with the opening of your Clinic.

We reserve the right to conduct all (or any portion) of the training program remotely via webinar, conference call or similar means. The training materials consist of handouts, our Manual, online programs and lectures. We can modify the training program at our discretion based on our subjective assessment of the skills, abilities and prior experience of your Managing Owner and General Manager(s). Currently, we intend to offer initial training on a monthly basis, assuming sufficient demand. The initial training program currently consists of the following:

The training described in the table above does not include the 3 days of onsite training provided by our opening supervisor at your Clinic.

Ongoing Training Programs

From time to time, we may provide refresher or supplemental training programs for your Managing Owner, General Manager(s) and other employees. We may designate these training programs as mandatory or optional. Any new Managing Owner or General Manager you appoint must successfully complete our initial training program before assuming responsibility for the management of your Clinic. If we inspect your Clinic and determine you are not operating in compliance with the Franchise Agreement and/or the Manual, we may require that the Managing Owner, General Manager(s) and other employees attend remedial training to address your operational deficiencies. You may also request that we provide additional training at corporate headquarters or at your Clinic. We are not required to provide additional training you request.

Limited Scope of Training

All Chiropractic Staff must complete online training to ensure they understand and adhere to our brand standards and policies. However, your Managing Owner retains responsibility for training your staff. We do not

provide any training regarding the manner or methods by which chiropractors make clinical decisions. Chiropractors retain complete discretion on all decisions that may impact their chiropractic license.

Instructors

Our current instructors include the individuals listed below. Although the individual instructors of the training program may vary, all instructors have significant experience in their designated subject area.

Name	Title	Background

Training Fees and Costs

We provide our pre-opening initial training program at no additional charge. We also do not charge a training fee for any online training we make available to your staff. We may charge a training fee (not to exceed $1,000 per day) for each person who: (a) attends our initial training program after opening; (b) retakes training after failing a prior attempt; (c) attends remedial training; (d) attends additional training requested by you; or (e) attends system-wide refresher or supplemental training. If we provide onsite training or assistance, you must also reimburse us for all Travel Expenses we incur (this reimbursement obligation does not apply to the onsite initial training we conduct at the time your Clinic opens). You are responsible for all wages and Travel Expenses that you and your trainees incur.

Currently, we do not charge additional fees for training materials. However, we reserve the right to impose reasonable charges for training materials in the future. If we do so, we will notify you of the additional charges before you enroll in the training program.

Site Selection (§8.1 & 8.2)

A typical Clinic ranges in size from 1,000 to 1,400 square feet. We do not select the site for your Clinic and we

do not purchase the premises and lease it to you. You must identify and obtain our acceptance of the site for your Clinic. We do impose any deadline for obtaining our approval of your site.

Your Clinic must be located within the Site Selection Area identified in Part I of ATTACHMENT "A" to the Franchise Agreement (the "Site Selection Area") and conform to our minimum site selection criteria. You must send us a complete site submission package that includes all information we require about your proposed site.

We try to accept or reject sites you propose within 15 business days after receipt of a complete site submission package. Your site is deemed rejected if we fail to issue our written acceptance within the 15 business-day period. We consider the following factors when reviewing proposed sites:

- parking
- visibility, size, condition and characteristics of the building
- traffic counts
- general location
- existence and location of competitive businesses
- general character of the neighborhood
- local demographic information
- various economic indicators

If we accept your site before signing the Franchise Agreement, we will list the address in Part J of ATTACHMENT "A" to the Franchise Agreement. If we do not accept your site before signing, we will send you a Site Acceptance Notice (in the form attached to the Franchise Agreement as ATTACHMENT "B") within 15 days after accepting your site, which will list the address of your accepted site and identify your territory. If you sign an ADA, we must approve the site for each Clinic you develop applying our then-current site selection criteria.

If you lease the premises for your Clinic, you must ensure your landlord signs the Lease Addendum attached to the Franchise Agreement as ATTACHMENT "C". The Lease Addendum is designed to protect our interests. For example, the landlord must notify us of your defaults, offer us the opportunity to cure your defaults, allow us to take an assignment of your lease in certain situations, permit us to enter the premises to remove items bearing our Marks if you refuse to do so and give us a right of first refusal to lease the premises upon the expiration or termination of your lease. If your landlord refuses to sign the Lease Addendum in substantially the form attached to the Franchise Agreement, we may either (a) waive the Lease Addendum requirement (or the provisions disapproved by the landlord) or (b) require you to find a new site for your Clinic.

Site Development (§8.3, 8.4 & 12.10)

The Manual includes our standards and specifications for the design, layout, equipping and trade dress for a Clinic. We prepare and provide you with a Clinic Design based on the completed pre-construction forms and "as-built" drawings you must submit to us. You must hire a licensed and bonded architect and engineer to prepare detailed constructions plans for your Clinic that: (a) are consistent with our Clinic Design; (b) satisfy all required standards and specifications in the Manual; and (c) comply with all federal, state and local ordinances, building codes, permit and lease requirements and restrictions applicable to the premises. You must submit the final construction plans to us for approval. Once approved, you must construct and equip your Clinic according to the approved construction plans and the requirements of the Manual. You must purchase (or lease) and install all Technology Systems, equipment, fixtures, signs and other items we require.

You must remodel and make all improvements and alterations to your Clinic that we reasonably require from time to time to reflect our then-current standards and specifications. However, we will not impose this requirement on you: (a) unless we have implemented similar changes in at least 25% of similarly-situated company-owned Clinics and have developed a plan to implement similar changes in the remaining similarly-situated company-owned Clinics; or (b) during the last 24 months of the term of your Franchise Agreement,

except as a condition to renewal or transfer of your franchise rights. There are no other limitations on the frequency or cost of these remodeling obligations. At a minimum, we require you to spend at least $20,000 every 4 years on remodeling, expansion, redecorating and/or refurnishing the Clinic's premises. You may not remodel or significantly alter your premises without our prior approval.

Opening Requirements (§8.5)

We expect most franchisees will open between 10 and 13 months after signing the Franchise Agreement. Factors that may affect this time include:

- the amount of time needed to find a site we accept
- protracted lease negotiations with your landlord
- the amount of time needed to secure financing, insurance, licenses and permits
- the condition of your building and extent of required upgrades, remodeling and renovations
- construction delays due to labor or materials shortages, inclement weather or other reasons
- delayed delivery or installation of equipment and fixtures
- the amount of time needed to comply with zoning requirements and other laws and regulations
- the amount of time needed to complete training
- the amount of time needed to hire and train your staff
- the amount of time needed to identify the Clinic Operator and negotiate and sign the Management Agreement (only applicable if you purchase a Managed Clinic)

You may not open your Clinic prior to receipt of our written authorization to open. Unless we agree to the contrary, you must open your Clinic by the Required Opening Date listed in Part G of ATTACHMENT "A". In most cases, the Required Opening Date will be 300 days after signing the Franchise Agreement. You may request an extension of the Required Opening Date, which we may approve or deny in our discretion. However, we will not unreasonably withhold approval if you have used diligent efforts to open by the Required Opening Date. If we deny your request, you may cure the default by opening the Clinic before the expiration of the cure period. Regardless of whether we deny or approve your extension request, you must pay us Imputed Royalty Fees of $700 per month from your Required Opening Date until the earlier of (a) the date your Clinic actually opens or (b) the date your Franchise Agreement is terminated for failure to cure the default.

Advertising and Marketing (§11)

We provide the advertising and marketing support discussed below. You must participate at your own expense in all advertising, promotional and marketing programs we require. The NFAB (discussed further below) is a franchisee advisory council that advises us on marketing and advertising matters, among other things. There is no other franchisee advisory council in effect that advise us on marketing and advertising matters.

Grand Opening Marketing

We will assist you in preparing a grand opening marketing plan to promote the opening of your Clinic during the 120-day period that begins 60 days prior to your Clinic's anticipated opening date. The grand opening marketing plan must: (a) comply with all grand opening marketing requirements in the Manual; and (b) be approved by us. You must spend a minimum of $20,000 on approved local marketing and advertising activities in accordance with your approved grand opening marketing plan. We reserve the right to require that you engage a marketing company we designate to help design and implement your grand opening marketing plan.

Ongoing Local Marketing By You

Commencing with your Clinic's opening date, you must spend a monthly amount equal to or greater than your Local Advertising Commitment on approved local advertising. Your Local Advertising Commitment is the

greater of (a) $3,000 per month or (b) 5% of monthly Gross Sales. Your minimum grand opening marketing expenditure is in addition to, and not credited towards, your Local Advertising Commitment. We measure your compliance on a rolling 6-month basis, meaning as long as your average monthly expenditure on local advertising over the 6-month period equals or exceeds your Local Advertising Commitment, you are deemed in compliance even if your expenditure in any given month is less than your Local Advertising Commitment. Each month, you must send us a report of your local advertising and marketing expenditures incurred during the prior month together with a year-to-date report. We may also require that you prepare and send us an annual marketing plan that: (a) describes your proposed advertising and marketing expenditures for the following year; and (b) includes your proposed budget to implement the marketing plan.

You may develop your own advertising and marketing materials and programs, provided we approve them in advance. We must also approve the media you intend to use. You may not use any advertising materials, programs or media that we have not approved. We have 15 days to review and approve or disapprove advertising and marketing materials and programs you submit for approval. Our failure to disapprove them within the 15-day period constitutes our approval. Our approval is good for a period of 12 months, but may be revoked by us at any time.

Local Marketing Assistance From Us

We provide reasonable marketing consulting, guidance and support throughout the franchise term on an "as-needed" basis. As noted above, we will assist you in developing your grand opening marketing plan.

We may create and make available to you advertising and marketing materials for your purchase. We may use the brand fund to pay for the creation and distribution of these materials, in which case there will be no additional charge. We may provide online access to these materials, in which case you must print the materials at your expense. We may also contract with third-party suppliers to create advertising or marketing materials that you may purchase.

We may at any time designate ourselves or a third-party as the exclusive or preferred supplier for certain (or all) digital marketing and/or other advertising services, in which case you must stop using other suppliers for these services no later than the later to occur of: (a) the expiration date of any existing supplier contracts you entered into for these services; or (b) 30 days after we notify you of the change. Any fees you pay us, in our capacity as the designated supplier for digital marketing and/or other advertising services (excluding services relating to administration of the brand fund) will be credited towards your Local Advertising Commitment.

Websites, Social Media and Digital Advertising

We will maintain a corporate website to promote our brand. We will also create and host a local webpage to promote your Clinic, which will be linked to our corporate website. Your webpage will list certain information about your Clinic that we designate, such as address, contact information, hours of operation and information regarding your chiropractors. We can modify or discontinue our website and/or your local webpage at any time.

Under current policy you may not: (a) develop, host, or otherwise maintain any website (other than the local webpage we provide) or other digital presence relating to your Clinic, including any website bearing our Marks; (b) utilize the Internet to conduct digital or online advertising; or (c) engage in ecommerce. However, we do permit you to market your Clinic through approved social media channels subject to the following requirements:

- you may only conduct social media utilizing the social media platforms we approve
- you must strictly comply with our social media policy, as revised from time to time
- you must immediately remove any post we disapprove, even if it complies with our social media policy
- we may require that you contract with and utilize a social media company we designate
- any Clinic-level social media pages must be created by us or a preferred supplier (unless we grant you approval to create the social media pages)

- you must provide us with full administrative rights to your social media accounts
- we must own all social media accounts relating to your Clinic

Gift Card and Loyalty Programs

We may require that you participate in a gift card or other loyalty program in accordance with our policies and procedures. In order to participate, you may be required to purchase additional equipment, software and/or Apps and pay fees relating to the use of these items. We have the right to determine how proceeds from gift card sales are divided or otherwise accounted for and we may retain proceeds from unredeemed gift cards. You must follow all policies we establish for gift card and/or loyalty programs.

Advertising Cooperatives

We may, but need not, form advertising cooperatives for the benefit of all Clinics located in a particular region. We will determine the boundaries of the cooperative. In most instances, the boundaries will coincide with a Designated Market Area ("DMA"), which is a geographic area in which the population can receive the same (or similar) television and radio station offerings (although it may be defined by reference to other types of media such as newspapers or internet content). We may specify the manner in which the cooperative is organized and governed. We may require that each cooperative be formed as a separate legal entity. We may choose between: (a) administering the cooperative ourselves; or (b) establishing an advertising council, comprised by the cooperative's members, to administer the cooperative. We may require that the cooperative be administered in accordance with written bylaws, organizational documents or other governing documents that we approve.

If your Clinic is located within a region subject to an advertising cooperative you must: (a) participate in the cooperative according to its rules and procedures and abide by its decisions; and (b) pay a cooperative advertising fee. We may set the minimum cooperative advertising fee or we may allow the cooperative to set the fee based on majority vote of its members. All cooperative advertising fees you pay are credited against your Local Advertising Commitment if properly documented and spent according to our defined criteria for local advertising. Any company-owned Clinic located in a cooperative will contribute on the same basis as franchisees. Advertising cooperatives prepare unaudited financial statements that are made available to members upon request.

As of December 31, 2023, there were 45 advertising cooperatives throughout the United States. We reserve the right to form, change, merge or terminate advertising cooperatives at any time.

Brand and System Development Fund

We administer the Brand Fund to promote public awareness of our brand and improve our System. There is currently 1 national Brand Fund but we may establish separate regional Brand Funds in the future. We may use the Brand Fund to pay for any of the following at our discretion:

- developing maintaining, administering, directing, preparing, or reviewing advertising and marketing materials, promotions and programs
- conducting and administering promotions, contests or giveaways
- participating in national or regional trade shows
- expanding public awareness of the Marks
- public and consumer relations and publicity
- brand development
- sponsorships
- charitable and nonprofit donations and events
- research and development of technology, products and services

- website development and search engine optimization
- development and maintenance of an ecommerce platform
- development and implementation of quality control programs, including the use of mystery shoppers or member satisfaction surveys
- conducting market research
- changes and improvements to the System
- the fees and expenses of any advertising agency we engage to assist in producing or conducting advertising or marketing efforts
- collecting and accounting for contributions to the Brand Fund
- preparing and distributing financial accountings of the Brand Fund
- any other programs or activities we deem appropriate to promote or improve the System
- direct and indirect labor, administrative, overhead and other expenses incurred by us and/or our affiliates in relation to any of these activities (including salary, benefits and other compensation of any of our, and any of our affiliate's, officers, directors, employees or independent contractors based upon time spent working on any brand fund matters described above)

We control and have complete discretion over all advertising programs paid for by the Brand Fund, including the creative concepts, content, materials, endorsements, frequency, placement and media used. Advertising may be local, regional or national in coverage. We may utilize any media we deem appropriate, such as digital, print, television, radio or billboard. The Brand Fund is not used to pay for advertisements principally directed at selling additional franchises, although consumer advertising may include notations such as "franchises available" and one or more pages on our website may promote the franchise opportunity.

You must contribute to the Brand Fund the amount we specify from time to time (currently 2% of Gross Sales, but not to exceed 3% of Gross Sales). We deposit all brand fund fees we collect into the Brand Fund. Any company-owned Clinic will contribute on the same basis as our franchisees. However, if we modify the amount or timing of required contributions, any company-owned Clinic established or acquired after the modification may contribute to the Brand Fund utilizing the modified amount or timing. Except for brand fund fees paid by company-owned Clinics, we have no obligation to expend our own funds or resources for any marketing activities in your area. Currently, all franchisees contribute at the same rate.

All monies deposited into the Brand Fund that are not used in the fiscal year in which they accrue will be utilized in the following fiscal year. Any surplus of monies may be invested and we may lend money if there is a deficit. An unaudited financial accounting of the operations of the Brand Fund will be prepared annually and made available to you upon request. During the fiscal year ended December 31, 2023, we spent marketing funds in the following manner:

Allocation of Marketing Expenditures (2023)				
Use of Funds	**Production**	**Media Placement**	**Administrative Expenses**	**Other***
Percentage Allocation	8.6%	28.2%	13.5%	49.7%

* "Other" includes digital marketing and SEO, public relations, marketing research, chiropractor recruiting marketing and clinic/employee contests.

We assume no direct or indirect liability or obligation to you with respect to the maintenance, direction or administration of the Brand Fund. The Brand Fund is not a trust. We have no fiduciary obligations with respect to our administration of the Brand Fund. We may discontinue the Brand Fund upon 30 days' prior notice.

National Franchise Advisory Board (§13)

We established the National Franchise Advisory Board ("NFAB") to provide us with suggestions to improve the System, including matters such as marketing, operations and new product or service suggestions. The NFAB serves in an advisory capacity and does not have decision-making authority. We consider all suggestions in good faith, but we are not bound by them. The NFAB has been established and operates according to rules and regulations we periodically approve, including procedures governing the selection of council representatives to communicate with us on matters raised by the NFAB. The NFAB is currently comprised of 9 franchisees elected by other franchisees. Company-owned Clinics are not eligible to serve as representatives on the NFAB. We have the power to form, change or dissolve the NFAB (or other councils we choose to establish) in our discretion.

Computer System (§7.6, 12.7, 12.8, 12.9, 16.3 & 17.1)

You must purchase and use all Technology Systems we designate. One component of our Technology Systems is your "computer system", which consists of the following items: 1 Front Desk PC; 1 Receipt Printer; 1 Key Tag Scanner; 3 Tablets; 1 Printer; and 2 DC Laptops. You must procure and maintain broadband Internet connection with static IP at all times. You must license our proprietary office management software from us. You must purchase HIPAA-compliant privacy screens for all of your laptop screens, desktop monitors and other electronic devices. We may change the components of the Technology Systems from time to time, including your computer system.

Email Addresses

We may, but need not, provide you with one or more email addresses for use with your Clinic. If we do so, you must exclusively use the email address(es) we provide for all communications with us, patients, suppliers and other persons relating to your Clinic. You may not use them for any purpose unrelated to your Clinic. We will own the email addresses and accounts but allow you to use them during the term of your Franchise Agreement.

How Computer System Is Used

The computer system will used for a variety of purposes, including: recording sales; scheduling patient visits; preparing operational and financial reports; completing and storing patient forms; managing all facets of patient records. Our proprietary office management software also serves as your point-of-sale system, allowing you to process and record sales transactions. You must purchase and utilize appropriate HIPAA compliance tools and resources. We will provide you with our recommendation for a web-based HIPPA compliance product, which includes employee training modules, template policies and procedures and risk assessments.

Fees and Costs

We estimate the initial cost of your computer system will range from $5,000 to $10,000. You must pay us a technology fee for certain software, technology and related services that we provide. Our current technology fee is $599 per month ($7,188 per year) and covers use of our proprietary office management software. We may increase the licensing fee for our proprietary office management software up to $799 per month ($9,588 per year) upon at least 30 days' prior written notice. The table below identifies the ongoing fees and costs you must pay for the software, technology, Apps, subscriptions and related services (including the software, technology and related services covered by the technology fee). These fees are subject to change from time to time.

Maintenance, Support, Updates and Upgrades

In exchange for the licensing fees listed in the table above, we (or our designee) will provide all required maintenance, support, updates and upgrades for our proprietary office management software.

Except as otherwise disclosed above: (a) neither we nor any other party has any obligation to provide ongoing maintenance, repairs, upgrades or updates to your computer system; and (b) we are not aware of any optional or required maintenance, updating, upgrading or support contracts relating to your computer system.

Ownership, Collection and Protection of Data

Your computer system will collect and store various data pertaining to your patients, including name, contact information, employment information, insurance information, payment information and Protected Health Information. "Protected Health Information" means any data identifiable to a particular patient that pertains to the patient's medical history, file, records, diagnoses or treatments. Your computer system will also collect credit card information and sales data. We have independent unlimited access to all of this data and there are no contractual limits imposed on our access. Your computer system may also collect Clinic employee data and marketing data, although we will not have independent access to this data stored locally on your hard drive. However, we may access this data as part of an inspection.

We own all data relating to your Clinic's operations and patients other than Protected Health Information. We grant you a license to use this data solely for purposes of operating your Clinic. We serve as the custodian of all Protected Health Information pertaining to the Clinic's patients. You must protect all patient data with a level of control proportionate to the sensitivity of data. You must comply with data protection laws and any data processing and data privacy policies in the Manual. In our capacity as custodian of Protected Health Information, we will also comply with applicable privacy laws with respect to our collection, storage, sharing and use of the data. We may require that you sign a Business Associate Agreement, which governs the use and handling of Protected Health Information. Our current form of Business Associate Agreement is attached to the Franchise Agreement as ATTACHMENT "G".

The Payment Card Industry ("PCI") Data Security Standard ("DSS") is a comprehensive set of requirements applicable to all merchants who accept credit cards. It is designed to ensure the safe handling of cardholder data. You are responsible for knowing and complying with PCI DSS, as updated from time to time. You must stay abreast of periodic enhancements or changes to PCI DSS. With the exception of the services we provide in exchange for the technology fee, you have full responsibility for using all required tools and vendors for ongoing PCI compliance, including quarterly external security scans and annual Self-Assessment Questionnaires. You are responsible for all costs relating to PCI compliance and data security issues, such as security threats, breaches and malware. You must alert our Head of Technology within 24 hours of any suspected or confirmed data security breach so appropriate action can be taken to protect patient data.

Computer System Maintenance and Changes

You must maintain the computer system in good condition at your cost. We may require that you upgrade, update or otherwise change your computer system and other Technology Systems to conform to our then-current specifications. There are no contractual limitations on the frequency or cost of these updates or upgrades (except we will not increase the licensing fee for our proprietary office management software to more than $799 per month during the term of your Franchise Agreement). We will provide you with at least 60 days to implement changes to our required Technology Systems.

ITEM 12 TERRITORY

You will not receive an exclusive territory or development territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Location of Clinic

The Franchise Agreement grants you the right to operate one Clinic from a site you propose and we accept. You must identify a site for your Clinic within the Site Selection Area described in your Franchise Agreement or LOI, as applicable. You may relocate your Clinic with our prior written approval, which we will not unreasonably withhold. If we allow you to relocate, you must: (a) pay us a $2,500 relocation fee and a $1,000 clinic design fee for a new Clinic Design; (b) obtain our acceptance of a new site for your Clinic within the Site Selection Area, but outside any territory granted or reserved to us, our affiliate or any other franchisee; (c) comply with our then-current site selection and development requirements; (d) remove trade dress and alter the premises of the Clinic at the former site to eliminate any resemblance to a THE JOINT® Clinic; and (e) open your Clinic at the new site and resume operations within 30 days* after closing your Clinic at the former site.

* If your Clinic is destroyed, condemned or otherwise rendered unusable due to the physical condition of the premises, you will instead have 300 days to relocate and resume operations at the new site.

Description of Territory (Franchise Agreement)

We will identify the boundaries of your territory. If we accept your site before you sign the Franchise Agreement, then your territory will be identified in Part K of ATTACHMENT "A" to your Franchise Agreement. Otherwise, we will identify your territory in the Site Acceptance Notice we send to you after site acceptance. Your territory will include between 10,000 and 25,000 households, as determined according to data generated by ArcGIS mapping and analytics software. If you renew your franchise rights or engage in a Transfer (other than a Permitted Transfer) we may modify the boundaries of your territory in accordance with our then-current territory guidelines and criteria.

Description of Development Territory (ADA)

If you acquire area development rights, we will identify the boundaries of your development territory in Part E of ATTACHMENT "A" to your ADA. A development territory typically consists of a geographic area that coincides with the boundaries of a municipality, such as a city, county or state. There is no specific minimum or maximum size for a development territory. In determining the size of your development territory, we primarily consider the number of Clinics you commit to develop.

You must sign a separate Franchise Agreement for each Clinic you develop. All Clinics you develop must be located within your development territory. We must approve the site for each Clinic you develop under our then-current site selection criteria. We send you a complete execution copy of the ADA that includes your development territory, development fee and development schedule at least 7 days before you sign it.

Territorial Protections and Limitations

During the term of your Franchise Agreement we will not develop or operate, or license a third party to develop or operate, a Clinic that is located in your territory and operates under our Marks, except as otherwise permitted below with respect to Captive Venues and Acquisitions (each defined below).

During the term of the ADA (if applicable) we will not develop or operate, or license a third party to develop or operate, a Clinic using our Marks that is located in your development territory other than: (a) any Clinic that is located within your development territory as of the date you sign the ADA (either open, under construction or for which a Franchise Agreement has been signed); and (b) as otherwise permitted below with respect to Captive Venues and Acquisitions.

We reserve the right to develop and operate, and license third parties to develop and operate, Clinics that are located in Captive Venues, including Captive Venues located within your territory and development territory, if applicable. A "Captive Venue" means a non-traditional outlet for a Clinic that is located within, or is a part of, another establishment or facility that consumers may visit for a purpose unrelated to the Clinic. Examples include Clinics located within:

- hotels or casinos
- college campuses or universities
- airports, train stations, bus stations or cruise terminals
- stadiums or sporting arenas
- shopping malls
- military bases
- concert venues
- amusement parks
- grocery stores
- urgent care centers
- medical spas

We reserve the right to acquire, or be acquired by, another business or chain that may sell competitive or identical goods or services, and those businesses may be converted into Clinics operating under the Marks regardless of their location (an "Acquisition"). Any such acquired or converted businesses may be located within your territory and development territory, if applicable.

Site Selection Area

You must identify a site for the Clinic within your designated Site Selection Area. During the Protected Search Period, we provide the same territorial rights and protections for your Site Selection Area that we provide for your territory (as described above). If you sign an LOI, you will only receive territorial protections for the Site Selection Area if you choose to acquire a protected Site Selection Area by paying the higher $15,000 Deposit. The "Protected Search Period" means the period of time that begins when the parties sign the Franchise Agreement or LOI, as applicable, and ends on the earlier to occur of: (a) the 180th day after the parties sign the Franchise Agreement or LOI, as applicable; or (b) the date we designate the territory for your Clinic in your Franchise Agreement. All territorial rights and protections for the Site Selection Area immediately terminate upon the expiration of the Protected Search Period.

Alternative Channels of Distribution

We reserve the right to sell, and license others to sell, competitive or identical goods and services under our Marks (or different trademarks) through Alternative Channels of Distribution, including within your territory, development territory, if applicable, and Site Selection Area. An "Alternative Channel of Distribution" means any channel of distribution other than retail sales made to patients while present at a Clinic. Examples of Alternative Channels of Distribution include:

- sales through direct marketing, such as over the Internet or through catalogs or telemarketing
- sales through retail stores that do not operate under the Marks
- providing off-site chiropractic care to patients in their homes or at their place of business
- providing chiropractic care from a mobile vehicle

You are not entitled to any compensation for sales that take place through Alternative Channels of Distribution.

Restrictions on Your Sales and Marketing Activities

You may sell to any patient of your choosing, regardless of where the patient resides. You can market and advertise outside of your territory and development territory, if applicable as long as you comply with all policies and procedures in the Manual governing extra-territorial marketing. There are no extra-territorial marketing policies in effect as of the issuance date of this Disclosure Document but we may implement them at any time. You may not market or sell using Alternative Channels of Distribution (such as the Internet, catalog sales, telemarketing or other direct marketing) either within or outside of your territory or development territory, if applicable. Under current policy, you may promote your Clinic using social media, subject to the restrictions described in Item 11 under the Section entitled "*Websites, Social Media and Digital Advertising*". You must comply with any minimum advertised pricing policy that we establish. There are no other restrictions on your right to solicit patients, whether from inside or outside of your territory or development territory, if applicable.

Minimum Performance Requirements

Your territorial protections under the Franchise Agreement do not depend on achieving a certain sales volume, market penetration or other contingency. If you sign an ADA and fail to satisfy your development schedule by opening and operating the prescribed number of Clinics within the required periods of time, we may terminate your ADA and you will lose the territorial protections associated with your development territory.

Additional Franchises and Territories

We may reduce the size of your territory at the time of renewal in accordance with our then-current territory guidelines and criteria. If the reduction in territory includes removal of a geographic area large enough to qualify as a territory for another Clinic, then we will give you the first option to acquire franchise rights to develop a Clinic within that territory. You are not granted any other options, rights of first refusal or similar rights to acquire additional territories or franchises, other than your right and obligation to develop the prescribed number of Clinics within your development territory if you sign an ADA

Competing Businesses Under Different Marks

Currently, neither we nor any affiliate of ours intends to operate or franchise another business under a different trademark that sells products or services similar to the products or services offered by a Clinic. However, we reserve the right to do so in the future.

ITEM 13 TRADEMARKS

We grant you the right to operate a Clinic under the name THE JOINT® and the associated logo. By trademark, we mean trade names, trademarks, service marks and logos used to identify your Clinic or the products or services you sell. We may change the trademarks you may use from time to time, including by discontinuing use of the Marks listed in Item 13. If this happens, you must change to the new trademark at your expense.

If our right to use any of these Marks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

We have filed all required affidavits and intend to file all required renewals when due.

You must follow our rules when using the Marks. You cannot use the Marks as part of a corporate name or with modifying words, designs, or symbols unless you receive our prior written consent. You cannot use the Marks relating to the sale of any product or service we have not authorized. If you acquire a Managed Clinic, you may not sublicense the right to use any of our Marks to the Clinic Operator.

You must notify us immediately if you discover an infringing use (or challenge to your use) of the Marks. We will take the action we deem appropriate. We are not required to take any action if we do not feel it is warranted. We may require your assistance, but you may not control any proceeding or litigation relating to our Marks. You must not directly or indirectly contest our rights to the Marks.

We will indemnify you against and reimburse you for: (a) all damages for which you are held liable in a judicial or administrative proceeding based on your use of the Marks in compliance with the Franchise Agreement and Manual; and (b) all costs you reasonably incur in defending against any such claim. Except as disclosed above, the Franchise Agreement does not require that we: (a) protect your right to use the Marks; (b) protect you against claims of infringement or unfair competition arising out of your use of the Marks; or (c) participate in your defense or indemnify you for expenses or damages you incur if you are a party to an administrative or judicial proceeding involving our Marks or if the proceeding is resolved in a manner unfavorable to you.

There are currently no: (a) effective material determinations of the Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of this state or any court; (b) pending material infringements, oppositions or cancellations; (c) pending material litigation matters involving any of the Marks; (d) agreements that limit our right to use, or sublicense the use of, any of the Marks; or (e) infringing uses we are aware of that could materially affect your use of the Marks.

ITEM 14 PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents or pending patent applications are material to the franchise.

Although we have not filed an application for copyright registration for the Manual, our website or our marketing materials, we do claim a copyright to these items.

During the term of the Franchise Agreement, we allow you to use certain confidential and proprietary information (some of which constitute "trade secrets") relating to the development, marketing and operation of a Clinic. Examples include:

- architectural plans, drawings and specifications for a prototype Clinic
- site selection criteria

- methods, techniques, policies, procedures, standards and specifications
- supplier lists and information
- marketing and merchandising strategies
- financial information
- information comprising the System

We will own all ideas, improvements, inventions, marketing materials and other concepts you develop relating to a Clinic. We also own all operational and patient data relating to your Clinic and your Clinic's patients (other than Protected Health Information). You must treat this data as confidential and proprietary. We license you the right to use this data during the term of your Franchise Agreement.

We provide access to our confidential information through the Manual, training programs and other periodic support and guidance. You may use this information solely for purposes of developing, marketing and operating your Clinic in compliance with the Franchise Agreement and Manual. You may not disclose our confidential information to any person, other than your employees on a need-to-know basis, without our prior permission. If you acquire a Managed Clinic, you may disclose our confidential information to the Clinic Operator and the Chiropractic Staff to the extent necessary for them to perform their obligations. We consider all information in the Manual to be confidential. All of your other employees, agents and representatives (other than General Managers) must sign the Confidentiality Agreement attached to the Franchise Agreement as ATTACHMENT "F" before you provide them with access to our confidential information.

You must promptly notify us if you discover any unauthorized use of our proprietary information or copyrighted materials. We are not obligated to act, but will respond as we deem appropriate. You may not control any proceeding or litigation involving allegations of unauthorized use of our proprietary information or copyrighted materials. We have no obligation to indemnify you for any expenses or damages arising from any proceeding or litigation involving our proprietary information or copyrighted materials. There are no infringements known to us at this time.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Owner Participation

You must designate an owner with overall responsibility for the management and operation of your Clinic (the "Managing Owner"). The Managing Owner must be approved by us and successfully complete all training programs we require. At all times, the Managing Owner must hold a 5% or greater ownership interest in the franchised business. The Managing Owner is not required to provide onsite management of your Clinic as long as a trained General Manager is onsite. However, we believe having the Managing Owner onsite is the best way to ensure the Clinic is operated in accordance with our quality standards and other requirements. We also believe having the Managing Owner onsite improves the overall profitability and likelihood of success of the franchised business. Any new Managing Owner you appoint must successfully complete our then-current initial training program before assuming responsibility for the supervision, management or operation of the Clinic.

Except for the Managing Owner, your owners are not required to be personally involved with operation or management of your Business. If you are an entity, each owner (i.e., each person holding an ownership interest in you) and the spouse of each owner must sign the Franchise Owner Agreement attached to the Franchise Agreement as ATTACHMENT "D".

General Manager

We may, but need not, allow you to hire a person to assist the Managing Owner with onsite management and supervision of the Clinic (a "General Manager"). Any person you hire as a General Manager must:

- be approved by us

- successfully complete all training programs we require
- have authority to speak with us on matters involving the Clinic
- have binding decision-making authority
- dedicate full-time efforts to the onsite management and supervision of the Clinic
- sign a Confidentiality Agreement

At all times during normal business hours, either the Managing Owner or a trained General Manager must be present at the Clinic to provide onsite management and supervision. The Managing Owner must monitor and supervise each General Manager to ensure the Clinic is operated in accordance with the Franchise Agreement and Manual. We do not require that the General Manager own any equity interest in the franchise.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Subject to the Professional Judgment of you (if you are a licensed chiropractor), the Clinic Operator (if you acquire a Managed Clinic) and the Chiropractic Staff, you must: (a) offer, sell and provide all goods and services we require from time to time in our commercially reasonable discretion; (b) comply with our instructions regarding any changes we make to these goods and services; (c) not offer, sell or provide any goods or services we have not approved; and (d) participate in any market research program we conduct by offering and promoting new or modified goods or services we prescribe on a trial basis. We will not require you to offer any goods or services that: (a) are not reasonably related to our franchise system or business model; or (b) you (if you are a licensed chiropractor), the Clinic Operator (if you acquire a Managed Clinic) or the Chiropractic Staff determine, in their Professional Judgment, are not required for the care of the patient. We may require you to participate in a gift card or other loyalty program (including utilization of a "membership" model) in accordance with our policies and procedures.

ITEM 18 PUBLIC FIGURES

We do not use any public figures to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Defined Terms

For purposes of this financial performance representation, the following terms have the meanings given to them below.

"***Brand Fund Fee***" means the required contribution to the Brand Fund imposed on franchisees that is calculated as 2% of Gross Sales. In the profit and loss statements submitted by franchisees, the Brand Fund Fee was included in "Operating Expenses". We have calculated the Brand Fund Fee as a separate line item by applying 2% to the Gross Sales reported and then subtracting that amount from the Operating Expenses reported in the profit and loss statements.

"***Cost of Goods***" means the direct cost attributable to the production of the goods sold at a Clinic. Because Clinics do not sell any goods or acquire any inventory items for resale, the Cost of Goods is $0.

"***Facilities Expense***" includes the following costs: rent, CAM's, utilities, music, telephone, internet and property taxes, repairs and maintenance.

"***Gross Sales***" means the total gross sales minus refunds. "Gross Sales" is the total of all revenue and receipts derived from the operation of the Clinic, before any reductions related to the total amount of any chargebacks, collections, credit card or payment disputes, or other customer debts. Because no goods are sold at Clinics, franchisees generally do not pay any sales tax. However, a few states like Minnesota impose a healthcare tax (2% of gross sales) that is reflected in the Operating Expenses below for the small minority of Qualifying Clinics that are subject to the tax.

"***Insurance***" includes the cost of general liability insurance and professional liability insurance. The cost of property insurance is reflected in the Facilities Expense line item. For franchisees operating under the

PC model, the franchisee reimburses the PC for malpractice insurance premiums paid on behalf of the PC entity (or the franchisee pays these premiums directly) so the total expenditure is the same under both models.

"***Labor***" includes chiropractor doctor wages, wellness coordinator wages, payroll taxes, payroll expenses, bonuses, contract labor, recruiting costs, employee health insurance, malpractice insurance and workers compensation costs. Note that some franchisees reported payroll expenses as an Operating Expense while others reported it as a Labor expense. For franchisees operating under the PC model, the franchisee pays the PC for compensation paid to chiropractors (the PC is the employer of record) so the total amounts paid for labor is the same under both models.

"***Net Profit***" means Gross Sales minus Cost of Goods, Labor, Facilities Expense, Insurance, Operating Expense, Royalty Fees and Brand Fund Fees.

"***Operating Expenses***" includes the costs for software fees, merchant fees, business licenses and permits, local and Co-op marketing, professional fees which can include attorney and/or accounting fees, healthcare taxes (where applicable), dues and subscriptions. Note that some franchisees reported payroll expenses as an Operating Expense while others reported it as a Labor expense.

"***Royalty Fee***" means the royalty fee imposed on franchisees that is calculated as 7% of Gross Sales. In the profit and loss statements submitted by franchisees, the Royalty Fee was included in "Operating Expenses". We have calculated the Royalty Fee as a separate line item by applying 7% to the Gross Sales reported and then subtracting that amount from the Operating Expenses reported in the profit and loss statements.

System Statistics & Subsets Utilized

This unaudited financial performance representation includes a variety of performance data, including Gross Sales, Net Profit, weekly patient visits, weekly new patient visits, active members and Gross Sales ramp up. The information is based solely upon Clinics operating in the United States. We do not provide data for any Clinics that are located outside of the United States. We do not provide any data for affiliate-owned Clinics. All of the operating Clinics included in this financial performance representation are comparable to the franchise opportunity we offer in this FDD, in that they use the prototypical business format and operating procedures we prescribe for all Clinics.

a. Gross Sales, Weekly Patient Visits (Total), Weekly Patient Visits (New Patients) and Active Members

The financial performance representations based on Gross Sales, weekly patient visits (total), weekly patient visits (new patients) and active members include data from the 696 franchised Clinics in the United States that reported sales during each month from January 1, 2023 through December 31, 2023 (each a "Qualifying Clinic"). We excluded data from: (a) 104 Clinics that opened during 2023 and did not report sales for 1 or more months for 2023; and (b) 16 Clinics that closed or were reacquired during 2023 and did not report sales for 1 or more months for 2023.

We provide the data for the overall system (696 Qualifying Clinics) and we also break down the data into "quartile" subsets that are determined based on the total annual Gross Sales reported by each Qualifying Clinic for 2023, with Quartile 1 being the highest performing quartile and Quartile 4 being the lowest performing quartile.

The financial performance representation regarding 2023 Gross Sales, weekly patient visits (total), weekly patient visits (new patients) and average active members includes data for all 696 Qualifying Clinics that reported sales during each month of 2023. The following table identifies the number of franchised Clinics open for the full measuring period of 2023 as well as the number of Clinics within each Quartile.

b. Net Profit

The Net Profit financial performance representation is based upon data from 330 franchised Clinics in the United States that (a) reported sales during each month in 2023; and (b) provided us with profit and loss statements for the 2023 calendar year on or prior to March 20, 2023, which is the date we compiled the data for the financial performance representation. We excluded data from: (a) 104 Clinics that opened during 2023 and did not report sales for 1 or more months for 2023; (b) 16 Clinics that closed, were acquired then resold to new franchisees, or were reacquired during 2023 and did not report sales for 1 or more months for 2023; and (c) 366 Clinics that reported sales during each month in 2023 but failed to provide us with a 2023 profit and loss statement on or prior to March 20, 2023. We provide the Net Profit data for all 330 franchised Clinics that met the criteria above and we also break down the data into "quartile" subsets, with Quartile 1 being the highest performing clinics and Quartile 4 being the lowest performing quartile. In addition, we extracted the clinics in Quartile 1 with Gross Sales in excess of $1 million ("Million Dollar Clinics" or "$1M Clinics") and added an additional chart B-2.

The table below lists the number of franchised Clinics in each quartile for purposes of the Net Profit financial performance representation. The quartiles were determined based upon the 2023 Gross Sales figures of the various outlets. Specifically, if an outlet was included in Quartile 2 for purposes of the Gross Sales financial performance representation for the 2023 calendar year, then it was included in Quartile 2 for purposes of the Net Profit financial performance representation. As a result, the number of outlets in each quartile varies for the Net Profit financial performance representation.

The average period of operation for the 330 franchised Clinics in 2023 whose Net Profit data has been provided was 72.5 months (see table below). The average period of operations for the 696 franchised Clinics whose Gross Sales data has been provided closely approximates the average period of operation of 69.7 months.

The Gross Sales ramp up financial performance representation presents the average monthly Gross Sales for the initial 12 months of operation for all franchised Clinics that opened during 2023. There were 104 franchised Clinics that opened in 2023. The Gross Sales Ramp Up financial performance representation includes Gross Sales data for all 104 franchised Clinics that opened in 2023.

Financial Performance Representation

The following operating results are unaudited.

Gross Sales

Part A includes 2023 annual Gross Sales for January 1, 2023 through December 31, 2023. The data includes the average, median, highest and lowest Gross Sales and is broken down into Quartiles. The data is based on the actual historical Gross Sales figures for these outlets. The data is presented in the following table:

- Table A – Gross Sales for 2023 (696 Franchised Clinics)

Net Profit

Part B includes 2023 Net Profit data for January 1, 2023 through December 31, 2023. The data includes the average, median, highest and lowest Net Profit and is broken down into Quartiles. The data is based on the actual historical Net Profit figures for these outlets. The data is presented in the following 6 tables:

- Table B-1 - Net Profit for 2023: All Qualifying Outlets (330 Franchised Clinics)
- Table B-2- Net Profit for 2023: Million Dollar Franchised Clinics (29 Franchised Clinics)
- Table B-3 - Net Profit for 2023: Quartile 1 (83 Franchised Clinics)
- Table B-4 - Net Profit for 2023: Quartile 2 (82 Franchised Clinics)
- Table B-5 - Net Profit for 2023: Quartile 3 (82 Franchised Clinics)
- Table B-6 - Net Profit for 2023: Quartile 4 (83 Franchised Clinics)

The expenses in the Net Profit tables cover certain customary and typical expenses of The Joint Chiropractic Clinics operating in the normal course of business throughout the United States. The Net Profit financial performance data is based upon the profit and loss statements from franchisees and includes all operating expense information. However, for purposes of the Net Profit financial performance representation, we have excluded (a) any labor costs that were designated as owner compensation and (b) any labor costs for an operations manager. An operations manager position is necessary only for franchisees that operate a significant number of Clinics. The operations manager oversees all of the Clinics owned by the multi-unit franchisee, although each Clinic must still have a dedicated manager. As a result, the operations manager compensation is not representative of the labor costs incurred by a franchisee that only owns a small number of Clinics.

Weekly Patient Visits

Part C includes 2023 weekly patient visits statistics for January 1, 2023 through December 31, 2023. We have separately provided data for: (a) all patient visits; and (b) new patient visits. The data includes the average, median, highest and lowest number of weekly patient visits and is broken down into Quartiles. The data is based on the actual historical weekly patient visits figures for these outlets. The data is presented in the following 2 tables:

- Table C-1 - Weekly Patient Visits (Total Patients) for 2023 (696 Franchised Clinics)
- Table C-2 - Weekly Patient Visits (New Patients) for 2023 (696 Franchised Clinics)

Active Members

Part D includes 2023 monthly "active member" data for January 1, 2023 through December 31, 2023. An "active member" refers to a patient that has signed a membership agreement and paid the monthly membership fee for the applicable month. The data includes the average, median, highest and lowest number of monthly active members and is broken down into Quartiles. The data is based on the actual active member figures for these outlets. The data is presented in the following table:

- Table D - Active Members for 2023 (696 Franchised Clinics)

Gross Sales Ramp Up

Part E includes data regarding the average monthly Gross Sales generated by new Clinics during their first 12 months of operation. The data includes:

- Monthly Gross Sales for the initial 12 months of operation by each of the 104 franchised Clinics that opened in 2023.

The 12-month Gross Sales ramp up period for each Clinic is a rolling 12-month period commencing with the month in which the Clinic opened. With respect to Clinics that opened in 2023, we measured their monthly Gross Sales from the opening month through December 31, 2023. As a result, we did not provide a full 12 months of Gross Sales data for any Clinic that opened on or after February 1, 2023.

For purposes of this financial performance representation, "Month 1" Gross Sales includes the total Gross Sales generated by the Clinic during the month in which the Clinic opened, regardless of the total number of days the Clinic was open during that month. The data is based on the actual historical Gross Sales figures for these outlets. The data is presented in the following table:

In addition, EXHIBIT "F" (Part B) lists the name, city and state, and the current business telephone number (or, if unknown, the last known home telephone number) of every franchisee who had an outlet terminated, canceled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under the franchise agreement during our most recently completed fiscal year or who has not communicated with us within 10 weeks of the issuance date of this Disclosure Document. **If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.**

In the last 3 fiscal years, some franchisees have signed confidentiality agreements with us. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

We have endorsed the National Franchise Advisory Board (NFAB), which is staffed by franchisees. You may contact the NFAB by emailing its President, LS Carper, at ls.carper@the joint.com.

On April 28, 2023, we received notification regarding the creation of the Aligned Franchisee Association (AFA), which is an independent franchisee organization. The notification did not specify the number or identity of the constituent franchisees other than Board members Alexander Klaus, Philip Davis and Chris O'Neal. AFA does not have any operational or decision-making authority.

Except for the NFAB and AFA, there are no: (a) trademark-specific franchisee organizations associated with the franchise system being offered that we have created, sponsored or endorsed; or (b) independent franchisee organizations that have asked to be included in this Disclosure Document.

2.2. Franchised Clinic. If we grant you the right to own and operate a Franchised Clinic, you will own, operate and manage your Clinic and employ the Chiropractic Staff who provide Chiropractic Services at the Clinic. You are eligible to own and operate a Franchised Clinic only if: (a) you (i.e., the franchisee) are either a Chiropractic PC or a licensed chiropractor who will own and operate the Clinic as a sole proprietorship; or (b) your Clinic is located in a Non-CPOM State and we sign a Waiver Agreement with you in accordance with §2.4. In recognition of these facts, we acknowledge and agree that if any terms within a Definitive Agreement or the Manual conflict with the Professional Judgment of you or your Chiropractic Staff, the Professional Judgment of you or your Chiropractic Staff will control, and you shall be authorized to act in a manner consistent with the Professional Judgment of you and your Chiropractic Staff without being deemed in breach of this Agreement. You must promptly notify us if any terms within a Definitive Agreement or the Manual conflict with the Professional Judgment of you or your Chiropractic Staff.

4. **TERRITORY**.

4.1. **Territory Description.** We grant you a protected territory (your "Territory") that will include between 10,000 and 25,000 households, as determined via ArcGIS mapping and analytics software or any other source of data that we choose to utilize. 4.2. **Territorial Protections and Limitations.** During the Term we will not develop or operate, or license a third party to develop or operate, a Clinic that is located within the Territory except as otherwise provided in this Section with respect to Captive Venues and Acquisitions. At any time during the Term we reserve the right to: (a) develop and operate, and license third parties to develop and operate, Clinics in Captive Venues that are located within your Territory; and (b)

engage in Acquisitions, even if as a result of an Acquisition one or more competitive businesses of the acquired or acquiring company begin using our Intellectual Property (including our Marks) and are located within the Territory. We reserve the right to sell, and license third parties to sell, competitive or identical goods and services (including under the Marks) within the Territory through Alternative Channels of Distribution. As further described in §8.1, your Site Selection Area will receive the same territorial rights and protections set forth in this §4.2 during the Protected Search Period.

5. TERM AND RENEWAL.

5.1. Generally. This Agreement grants you the right to operate your Business only during the Term. Provided that you satisfy all conditions for renewal specified below, you may enter into a maximum of one (1) Successor Agreement following the expiration of the Term. The Successor Agreement shall be the current form of franchise agreement we use in granting franchises as of the expiration of the Term, the terms of which may vary materially and substantially from the terms of this Agreement. Upon renewal, we reserve the right to modify the boundaries of your Territory in accordance with our then-current territory guidelines and criteria. If a reduction in Territory includes the removal of a geographic area large enough to qualify as a territory for another Clinic, we will give you the first option to acquire franchise rights to develop a Clinic within such territory. The renewal term will be 10 years. The parties may agree to further renewals after expiration of the first (1st) renewal term, but neither party is obligated to do so (unless required by applicable state Law, in which case the same renewal terms and conditions set forth in this Agreement shall apply to subsequent renewals). If this Agreement is a Successor Agreement, the renewal provisions in your original franchise agreement will dictate the length of the Term of this Agreement and your remaining renewal rights, if any.

5.2. Renewal Requirements. In order to enter into a Successor Agreement, you and the Owners (as applicable) must:

(i) notify us in writing of your desire to enter into a Successor Agreement not less than 12 months nor more than 24 months before the expiration of the Term;

(ii) not be in default under any Definitive Agreement when you send the renewal notice or sign the Successor Agreement;

(iii) sign the Successor Agreement and all ancillary documents we require franchisees to sign;

(iv) sign a General Release;

(v) pay us a renewal fee equal to 25% of our then-current, non-discounted, initial franchise fee for the purchase of a first franchised Clinic;

(vi) pay us a $600 clinic design fee, but only if we require the preparation of a new Clinic Design for your Clinic;

(vii) remodel the Clinic and upgrade all furniture, fixtures and equipment to conform to our then-current standards and specifications (you must pay us a $600 clinic design fee if we determine a new Clinic Design is necessary); and

(viii) extend the term of your lease for the duration of the renewal term.

If we elect not to renew or offer you the right to renew, we will send you a written notice of non-renewal at least 180 days prior to the expiration date, which shall set forth the basis for our decision not to renew or offer you the right to renew. Our failure to send you a notice of non-renewal at least 180 days prior to the expiration date shall constitute our offer to renew your franchise in accordance with, and subject to, the renewal terms and conditions set forth above. If you have any objections to our notice of non-renewal, including any dispute as to the basis for our decision not to renew, you must send us a written notice of objection that sets forth the basis for your objections.

Your notice of objection must be sent to us no later than 30 days after you receive our notice of non-renewal. Your failure to send us a written notice of objection during such 30-day period shall constitute your agreement to the non-renewal of your franchise.

5.3. Interim Term. If you do not sign a Successor Agreement but continue to operate your Clinic after the expiration of the Term, we may choose between treating this Agreement as: (a) expired as of the Term expiration date with you operating in violation of our rights; or (b) continued on a month-to-month basis (the "Interim Term") until either party provides the other party with 30 days' prior written notice of the party's intention to terminate the Interim Term. In the latter case, all of your obligations will remain in full force and effect during the Interim Term as if this Agreement had not expired, and all obligations and restrictions imposed on you upon the expiration or termination of this Agreement will be deemed to take effect upon the termination of the Interim Term.

6. TRAINING AND CONFERENCES.

6.1. Initial Training Program. The Managing Owner and your General Managers (if any) must attend and successfully complete our initial training program at least 30 days before your Clinic's anticipated opening date. If you hire a new General Manager or appoint a new Managing Owner after we conduct our pre-opening initial training program, the new General Manager or Managing Owner, as applicable, must attend and successfully complete our then-current initial training program before assuming responsibility for the management of your Clinic.

6.2. Onsite Training & Opening Assistance. As part of our initial training program and at no additional charge, we will send an opening supervisor to your Clinic for approximately three (3) days to provide onsite training and assist you with the opening of your Clinic.

6.3. Ongoing Training Programs. We may offer periodic refresher or supplemental training courses for your Managing Owner, management personnel and other staff that we designate. We may designate each course as mandatory or optional. We may also require your employees to periodically complete online training programs, which must be completed to our satisfaction (including by passing any required tests). If we determine your Clinic is not being operated in full compliance with this Agreement and/or the Manual, we may require that your Managing Owner, management personnel and other staff that we designate attend remedial training relevant to your operational deficiencies. Upon your written request, we may, but need not, provide additional assistance or training to you at a mutually convenient time.

6.4. Limited Scope of Our Training. All Chiropractic Staff must complete online training to ensure they understand and adhere to our brand standards and policies. However, your Managing Owner retains responsibility for training your staff. Our franchise training and support programs do not include any training or support regarding the manner or methods by which chiropractors make clinical decisions. Chiropractors retain complete discretion on all decisions that may impact their chiropractic license, including the assessment and diagnosis of patients, the decision to provide Chiropractic Services and the documentation of patient encounters.

6.5. Training Location. Our training programs may take place at any location we designate. We reserve the right to conduct training programs virtually.

6.6. Training Fees and Expenses. We provide our pre-opening initial training program at no additional charge. We also do not charge a training fee for any online training we make available to you or your staff. We may charge a training fee (not to exceed $1,000 per Person per day) for each Person who: (a) attends our initial training program after the Clinic's Opening Date (such as a new Managing Owner or General Manager); (b) retakes training after failing a prior attempt; (c) attends a remedial training program; (d) attends additional training requested by you; or (d) attends a refresher or supplemental training program we conduct. If we provide onsite training or assistance, you must also reimburse us for all Travel Expenses we incur (this reimbursement obligation does not apply to any onsite training we conduct prior to the Clinic's Opening Date pursuant to §6.2).

You are responsible for all wages and Travel Expenses you and your personnel incur to attend training programs.

6.7. **Conferences.** We may hold periodic conferences to discuss business and operational matters relevant to Clinics. Attendance is mandatory unless: (a) we designate attendance as optional; or (b) we waive your obligation to attend based on showing of good cause. We may charge you a conference registration fee of $1,000 per attendee per day. If any required attendee fails to attend a required conference without a waiver from us, then you must pay us the conference registration fee for that Person despite their non-attendance (upon your request, we will provide you with a copy of any written materials distributed at the conference). You are responsible for all wages and Travel Expenses you and your personnel incur to attend conferences.

7. OTHER FRANCHISOR ASSISTANCE.

7.1. **Manual.** We provide you with access to our Manual during the Term. The Manual will help you develop and operate your Clinic. The information in the Manual is confidential and proprietary and may not be disclosed to third parties without our prior approval.

7.2. **Office Management Software**. We will license you the right to use our proprietary Office Management Software. You must use the Office Management Software in the manner we specify. You are responsible for all costs to purchase and install the Office Management Software. You must also pay us a monthly licensing fee for use of the Office Management Software, which will be included as part of the Technology Fee you pay to us pursuant to §12.9(d). The current licensing fee for the Office Management Software is $599 per month, commencing with your opening date. We may increase the licensing fee upon at least 30 days' prior written notice; *provided, however*, that the maximum licensing fee we may impose during the Term for the Office Management Software is $799 per month. The licensing fee is currently debited from your Account in accordance with §14.5 on the fifth (5^{th}) day of each month. We may discontinue licensing the Office Management Software to you upon 30 days' prior written notice.

7.3. **General Guidance.** We will periodically review and evaluate your Clinic and reports you submit to us and provide our guidance and recommendations on ways to improve the operation of your Clinic. We will be available to render advice, discuss problems and offer general guidance to you during normal business hours by telephone, email or other means of communication. If you request onsite training or assistance and we agree to provide it, we may charge you the additional training fee set forth in §6.6 and you must also reimburse us for all Travel Expenses we incur.

7.4. **Field Visits**. We have the right, but not the obligation, to conduct periodic field visits for purposes of providing onsite consultation, assistance and guidance pertaining to the operation and management of your Clinic. We may prepare and provide you with a report detailing any problems or concerns observed during the field visit together with our instructions to address or resolve such problems or concerns. You must implement all required corrective measures in the time and manner we specify.

7.5. **Website.** We currently maintain a corporate website for our brand. We will also develop and host a local webpage for your Clinic that will be linked to our corporate website. Your webpage will include such information about your Clinic that we deem appropriate, such as address, contact information, hours of operation and information regarding your chiropractors. We will own the website (including your webpage) and domain name at all times. We may change or discontinue the website and/or your local webpage at any time.

7.6. **Email Addresses**. We will provide you one or more THE JOINT® email addresses for use with your Business. The email addresses are included as part of what you receive in exchange for the technology fee described in §12.9. You must exclusively use the email addresses we provide for all communications with us, patients, suppliers and other Persons relating to your Clinic. You may not use them for any purpose unrelated to your Clinic. We own the email addresses and accounts but

allow you to use them during the Term.

7.7. **Purchase Agreements.** We may, but need not, negotiate purchase agreements with suppliers to obtain discounted prices for franchisees. We will arrange for you to be able to purchase the goods or services directly from the supplier at the discounted prices we negotiate, subject to any rebates the supplier pays to us. We may also purchase goods from suppliers in bulk and resell them to you at our cost plus shipping fees and a reasonable markup. We are entitled to a profit from these sales.

7.8. **Call Center.** We may operate, or designate a third-party provider to operate, a call center to answer calls, set patient appointments, route new patient leads to an appropriate Clinic and provide other related services. You must participate in the call center program and pay all reasonable setup and monthly fees designated by us or the third-party provider. Participation in the program may include, without limitation:

(i) using and publishing a telephone number that we designate;

(ii) acquiring, installing, and using related technology;

(iii) engaging a designated service provider (which may be us, our affiliate, or a third party) to administer the call center; and

(iv) executing any related user or service agreement designated by us or the third-party provider.

At any time that we are not implementing a call center program, you must arrange for the answering of all incoming phone calls during regular business hours.

7.9. **New Developments**. We may, but need not, develop new merchandise, retail items and other products or services that may be used by or sold from a Clinic. You must comply with any minimum inventory stocking and merchandising requirements in the Manual with respect to any merchandise, retail items or other products we authorize for sale at a Clinic.

8. ESTABLISHING YOUR BUSINESS

8.1. **Site Selection**. You must locate and obtain our written acceptance of the site for your Clinic. The premises must be located within the Site Selection Area and conform to our minimum site selection criteria. During the Protected Search Period, we provide the same territorial rights and protections for your Site Selection Area that we provide for your Territory (as described in §4.2). The "Protected Search Period" means the period of time commencing with the Effective Date and expiring upon the earlier to occur of: (a) the 180th day after the Effective Date; or (b) the date we designate your Territory in accordance with §4.1. All such territorial rights and protections immediately terminate upon the expiration of the Protected Search Period. You must send us a complete site submission package that includes all documents, information, photos and video we require. We may accept or reject each site you propose in our commercially reasonable judgment. We will use best efforts to issue our acceptance or rejection within 15 business days after we receive the complete site submission package. Your site is deemed rejected if we fail to issue our written acceptance within the 15 business day period. If we accept your site prior to execution of this Agreement, then Part J of ATTACHMENT "A" will list the address of the accepted site. Otherwise, we will send you a Site Acceptance Notice that lists the address of your accepted site within 15 days after we accept the site. Within five (5) business days after we send you the Site Acceptance Notice, you must sign and date the franchisee acknowledgment section and send us a copy for our records. Our acceptance of the site (and designation of your Territory) shall be deemed immediately effective and binding on you at the time we issue the Site Acceptance Notice, regardless of whether you send us the signed acknowledgment. Our acceptance of a site does not constitute a representation or warranty of any kind, express or implied, of the suitability of the site for a Clinic. It indicates only that we believe the site meets our minimum criteria.

8.2. **Lease**. If you lease the premises for your Clinic, you must use best efforts to ensure your landlord signs the Lease Addendum attached to this Agreement as ATTACHMENT "C". If your landlord

refuses to sign the Lease Addendum in substantially the form attached to this Agreement we may either: (a) waive the Lease Addendum requirement (or the provisions disapproved by the landlord); or (b) require you to find a new site for your Clinic. You must promptly send us a copy of your fully executed lease and Lease Addendum for our records.

8.3. **Clinic Design**. The Manual includes our standards and specifications for the design, layout, equipping and trade dress for a Clinic. As soon as possible, you must send us completed pre-construction forms and "as-built" drawings of the existing premises to be developed as your Clinic. After receiving these items, we will prepare and send you a design plan that includes: a floor plan; flooring specifications; ceiling specifications; and building specifications, including location of walls, counters, retail displays, fixtures and equipment (the "Clinic Design"). Upon execution of this Agreement, you must pay us a clinic design fee in the amount of: (a) $1,000 if your Clinic is a new Clinic; or (b) $600 if you are renewing your franchise rights for your Clinic. The amount of your clinic design fee is listed in Part F of ATTACHMENT "A". If you request changes to a Clinic Design that we prepared and sent to you, we may charge you an additional $500 clinic design fee for each revised Clinic Design we prepare. You must hire a licensed and bonded architect and engineer to prepare detailed architectural and engineering drawings and constructions plans for your Clinic that: (a) are consistent with our Clinic Design; (b) satisfy all required standards and specifications in the Manual; and (c) comply with all Laws (including the Americans with Disabilities Act), permits and lease requirements and restrictions applicable to the premises. You must obtain all required architectural seals, engineering seals and other approvals at your expense. You must submit the final construction plans to us for approval. The limited purpose of our review is to verify the plans are consistent with our Clinic Design and system standards. We do not review them for compliance with applicable Laws. We may require that you obtain our approval of your architect.

8.4. **Construction.** After we approve your construction plans, you must, at your sole expense, construct, equip and decorate the premises according to the approved construction plans and the specifications in the Manual. You must also purchase (or lease) and install all signage, Technology Systems, equipment, fixtures, furniture, decor and other items we require, subject to any deviations deemed reasonably necessary in the Professional Judgment of you or your Chiropractic Staff. We may require that you obtain our approval of your general contractor. At all times during the construction process, you must maintain the minimum general liability and property damage insurance required by the Manual. It is your responsibility to ensure your Clinic complies with all applicable zoning or land use laws, ordinances and restrictive covenants.

8.5. **Opening**.

(a) Required Opening Date. The Clinic's Opening Date must occur no later than the Required Opening Date listed in Part G of ATTACHMENT "A". If no date is listed in Part G of ATTACHMENT "A", then the Required Opening shall be the date that is 300 days after the Effective Date of this Agreement.

(b) Pre-Opening Inspection. You must send us a written notice identifying your proposed opening date at least 90 days before opening. We may conduct a pre-opening inspection of your Clinic. You must make all changes and modifications we require before you may open.

(c) Conditions to Opening. You may not open your Clinic prior to receipt of our written authorization to open. We will not issue our authorization to open before:

(i) your Managing Owner and General Managers (if any) successfully complete our initial training program;

(ii) you purchase all required insurance and furnish us with evidence of coverage;

(iii) you hire the Chiropractic Staff necessary to operate the Clinic;

(iv) you obtain all required licenses, permits and other governmental approvals;

(v) you provide us with credentialing reports for all of your chiropractors;

(vi) you provide us with reasonably acceptable proof that your organizational structure is compliant with all applicable Laws;

(vii) you collect at least 200 leads from prospective new patients from your pre-opening marketing conducted in accordance with §11.3(b);

(viii) we review and approve the construction, build-out and layout of your Clinic; and

(ix) you satisfy all other pre-opening obligations in this Agreement and the Manual.

(d) Opening Date Extension. If you are unable to open your Clinic by the Required Opening Date, you may send us a written notice that: (i) requests an extension of the Required Opening Date; (ii) describes the reason(s) for your inability to open by the Required Opening Date; (iii) describes the efforts you are making towards opening as soon as possible; and (iv) lists the anticipated opening date. Unless the delay results from an event of Force Majeure, we may approve or deny your request in our discretion, but we will not unreasonably withhold our approval if you demonstrate you have made diligent efforts towards a timely opening date.

(e) Imputed Royalty Fees. If you fail to open by the Required Opening Date, you must commence paying us pre-opening royalty fees ("Imputed Royalty Fees") of $700 per month from the Required Opening Date until the earlier of (i) the actual Opening Date of your Clinic or (ii) the date this Agreement is terminated. You must pay Imputed Royalty Fees in advance on the first (1st) day of each month; *provided, however*, you must pay the first (1st) installment of Imputed Royalty Fees, which shall be prorated for the remainder of the month, on the Required Opening Date. Your final payment of Imputed Royalty Fees may be prorated based on your Clinic's actual Opening Date, in which case we will issue you a credit against future royalty fees in an amount equal to the prorated portion of the Imputed Royalty Fee attributable to the period of time between the actual Opening Date and the last day of such month. You must pay Imputed Royalty Fees regardless of whether we agree to extend the Required Opening Date in accordance with §8.5(d), including during any cure period afforded to you pursuant to §21.2(vi). Your failure to pay Imputed Royalty Fees constitutes a separate financial default entitling us to terminate this Agreement if you fail to cure the financial default within 10 days after demand for payment.

8.6. Relocation. You may relocate your Clinic with our prior approval, which we will not unreasonably withhold. If we allow you to relocate, you must: (a) obtain our acceptance of a site for the new Clinic within the Site Selection Area, but outside any territory granted to us, our affiliate or any other franchisee); (b) pay us a $2,500 relocation fee, which is due seven (7) days after we accept the new site; (c) pay us an additional $1,000 clinic design fee for any new Clinic Design we provide; (d) comply with the site selection, lease, design, construction and opening requirements in §8.1 to §8.5 with respect to the new Clinic (excluding the provisions pertaining to the Required Opening Date and extensions thereof); and (e) cause the Clinic's Opening Date at the new site to occur within 30 days after closing your Clinic at the former site; *provided, however*, that if you relocate because your Clinic is destroyed, condemned or otherwise rendered unusable due to the physical condition of the premises, then you have 300 days after closing to reopen at the new site.

9. MANAGEMENT AND STAFFING.

9.1. Owner Participation. You must designate an Owner who will have overall responsibility for the management and operation of your Business (the "Managing Owner"). The Managing Owner must: (a) be approved by us; (b) successfully complete all training programs we require; and (c) at all times own at least 5% of the ownership interests in the Business or 5% of the Equity Interests in the

Franchisee Entity, as applicable. Any new Managing Owner you appoint must successfully complete our then-current initial training program before assuming responsibility for the supervision, management or operation of the Clinic.

9.2. **General Manager.** With our prior approval, which we may withhold in our commercially reasonable discretion, you may hire a Person to assist the Managing Owner by providing onsite management and supervision of the Clinic (a "General Manager"). Any Person you hire as a General Manager must: (a) be approved by us; (b) have authority to speak with us; (c) have binding decision-making authority; (d) successfully complete all training programs we require; (e) dedicate full-time efforts to the onsite management and supervision of your Clinic; and (f) sign a Confidentiality Agreement. At all times during normal business hours, either the Managing Owner or a trained General Manager must be present at your Clinic to provide onsite management and supervision. The Managing Owner must supervise the General Manager to ensure the Clinic is operated in accordance with this Agreement and the Manual.

9.3. **Chiropractors.** You must ensure that all Persons providing or supervising Chiropractic Services at your Clinic are licensed chiropractors or other healthcare professionals who are authorized to perform or supervise Chiropractic Services in accordance with applicable Healthcare Laws. You must obtain a credentialing report on every chiropractor who will provide Chiropractic Services at the Clinic (including you, if you are a chiropractor) and ensure the chiropractor satisfies the credentialing policies and guidelines described in the Manual. You must obtain updated credentialing reports on at least an annual basis, or more frequently if there are lawsuits, complaints, etc. involving the chiropractor. You must provide us with copies of all credentialing reports that you obtain. You may not allow a chiropractor to provide Chiropractic Services at the Clinic or access your computer system (or other Technology Systems) unless he or she has a "clean" credentialing report (as further described in the Manual). At least one (1) licensed chiropractor must be present at the Clinic at all times during business hours.

9.4. **Employees.** You must determine appropriate staffing levels for the Clinic to ensure full compliance with this Agreement and our system standards. You may hire, train and supervise employees to assist you with the proper operation of the Clinic. To protect the goodwill associated with the Marks, all employees must maintain a neat and clean appearance, wear the uniforms we designate, and comply with any other dress code standards set forth in the Manual. You must pay all wages, commissions, fringe benefits, worker's compensation premiums and payroll taxes (and other withholdings required by Law) due for your employees. These employees will be employees of yours and not of ours. We do not control the day-to-day activities of your employees or the manner in which they perform their assigned tasks. You must inform your employees that you exclusively supervise their activities and dictate the manner in which they perform their assigned tasks. In this regard, you must use your legal business Entity name (not our Marks or a fictitious name) on all employee applications, paystubs, pay checks, employment agreements, time cards, and similar items. We also do not control the hiring or firing of your employees. You have sole responsibility and authority for all employment-related decisions, including employee selection and promotion, hours worked, rates of pay, benefits, work assignments, training and working conditions. We will not provide any advice or guidance on these matters. You must require that your employees review and sign the acknowledgment form we prescribe that explains the nature of the franchise relationship and notifies the employee that you are his or her sole employer. You must also post a conspicuous notice for employees in the back-of-house area explaining your franchise relationship with us and that you (and not we) are the employee's sole employer. We may prescribe the form and content of this notice. Notwithstanding anything in this Agreement to the contrary, decisions regarding the selection, hiring and firing of Chiropractic Staff shall remain subject to the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff.

9.5. **Interim Manager.** We have the right, but not the obligation, to designate a Person of our choosing (an "Interim Manager") to manage your Clinic: (a) if you fail to appoint an approved replacement

Managing Owner, who has successfully completed all training we require, within 30 days after your Managing Owner ceases to perform the responsibilities of a Managing Owner for any reason; (b) if you commit a material breach of this Agreement and fail to cure before the expiration of the applicable cure period, if any; or (c) during the period of time described in §22.2(f) following the termination or expiration of this Agreement. The Interim Manager will cease to manage your Clinic at such time (a) that you appoint an approved replacement Managing Owner who has completed training, (b) that you cure the material breach or (c) designated in §22.2(f), as applicable; *provided, however*, that in no event will the Clinic be managed by an Interim Manager for more than 12 consecutive months. If we appoint an Interim Manager, you agree to: (a) pay us a commercially reasonable management fee (not to exceed the greater of $300 per day or 10% of Gross Sales generated during the time the Interim Manager manages your Clinic); and (b) reimburse us for all Travel Expenses incurred by the Interim Manager. The Interim Manager has no liability to you except for gross negligence or willful misconduct. We have no liability to you for the activities of an Interim Manager unless we are grossly negligent in appointing the Interim Manager. For purposes of clarity, under no circumstances will the Interim Manager provide Chiropractic Services or supervise the Chiropractic Staff.

10. FRANCHISEE AS ENTITY. You represent that Part A of ATTACHMENT "A" includes a complete and accurate list of your Owners. Upon request, you must send us a resolution of the Franchisee Entity authorizing the execution of this Agreement, a copy of the Franchisee Entity's organizational documents and a current Certificate of Good Standing (or the functional equivalent thereof). All Owners of the Franchisee Entity and their spouses must sign a Franchise Owner Agreement.

11. ADVERTISING & MARKETING.

11.1. Brand and System Development Fund. We administer a brand and system development fund to promote public awareness of our brand and improve our System. We may establish and administer separate regional funds in the future. On each royalty payment due date, you must pay us a brand fund fee in the amount we specify from time to time. The current brand fund fee is 2% of Gross Sales. We may adjust the brand fund fee on at least 30 days' notice; *provided, however*, that the maximum brand fund fee we may charge during the Term will not exceed 3% of Gross Sales. We may use the fund to pay for any of the following in our sole discretion:

(i) developing, maintaining, administering, directing, preparing, or reviewing advertising and marketing materials, promotions and programs;

(ii) conducting and administering promotions, contests or giveaways;

(iii) participating in national or regional trade shows;

(iv) improving public awareness of the Marks;

(v) public and consumer relations and publicity;

(vi) brand development;

(vii) sponsorships;

(viii) charitable and non-profit donations and events;

(ix) research and development of technology, products and services;

(x) website development and search engine optimization;

(xi) development and maintenance of an ecommerce platform;

(xii) development and implementation of quality control programs, including the use of mystery shoppers or member satisfaction surveys;

(xiii) conducting market research;

(xiv) changes and improvements to the System;

(xv) the fees and expenses of any advertising agency we engage to assist in producing or conducting advertising or marketing efforts;

(xvi) collecting and accounting for contributions to the fund;

(xvii) preparing and distributing financial accountings of the fund;

(xviii) any other programs or activities we deem appropriate to promote or improve the System; and

(xix) direct or indirect labor, administrative, overhead and other expenses incurred by us and/or our affiliates relating to any of these activities, including salary, benefits and other compensation of any of our (and any of our affiliate's) officers, employees or independent contractors based on time spent working on any brand fund matters described above.

We have sole discretion in determining the content, concepts, materials, media, endorsements, frequency, placement, location and all other matters pertaining to marketing or advertising activities. Any surplus in the fund may be invested and we may lend money to the fund if there is a deficit (although we will not charge interest). The fund is not a trust and we have no fiduciary obligations to you with respect to our administration of the fund. We will prepare, and make available to you upon request, an annual statement of fund operations, including deposits and disbursements. In terms of marketing activities paid for by the fund, we do not ensure that: (a) expenditures in (or affecting) a given geographic area are proportionate or equivalent to the brand fund fees paid by franchisees in that geographic area; or (b) franchisees benefit directly or in proportion to their brand fund fees. We may suspend or discontinue the fund at any time in our sole discretion upon at least 30 days' prior notice. If we discontinue the fund, any monies remaining in the fund will be distributed to each Clinic that is open and operating at such time, including company-owned Clinics and franchised Clinics. The amount allocated to each Clinic will be determined on a proportionate basis by comparing the total amount of brand fund fees paid by such Clinic during the prior 12-month period as compared to the total amount of brand fund fees paid during such 12-mont period by all other Clinics that are open and operating at such time.

11.2. Marketing Assistance From Us. We will assist you in developing a grand opening marketing plan you must implement pursuant to §11.3(b). The Manual may include certain required elements for your grand opening marketing plan. We may create and make available to you advertising and other marketing materials. We may: (a) use the brand fund to pay for the creation and distribution of these materials, in which case there will be no additional charge; (b) provide online access to these materials, in which case you must print the materials at your expense; and/or (c) contract with third-party suppliers to create and sell these materials. We will provide reasonable marketing consulting, guidance and support throughout the Term on an as-needed basis.

11.3. Your Marketing Activities.

(a) Generally. Commencing with the Opening Date, you must spend, on a monthly basis, an amount equal to or greater than your Local Advertising Commitment on local advertising to promote your Clinic. Your "Local Advertising Commitment" is the greater of (i) $3,000 per month or (ii) 5% of monthly Gross Sales. We measure your compliance with this requirement on a rolling six-month basis, meaning as long as your average monthly expenditure on local advertising over the six-month period equals or exceeds the Local Advertising Commitment, you are deemed in compliance even if your expenditure in any given month is less than the Local Advertising Commitment. If you breach your obligation to spend an amount equal to or greater than your Local Advertising Commitment over a given measuring period, we may charge you an amount equal to 10% of the difference between your Local Advertising Commitment and the amount you actually spent over the

measuring period, and deposit such amount into the Brand Fund. Brand fund fees, and your grand opening marketing expenditures, are in addition to, and not credited towards, your Local Advertising Commitment. You must participate at your own expense in all advertising, promotional and marketing programs we require, including any advertising cooperative we establish pursuant to §11.4. We may at any time designate ourselves or a third-party as the exclusive supplier for digital marketing or other advertising services, in which case you must stop using other suppliers for these services no later than the later of: (i) the expiration date of any existing supplier contracts you entered into for these services; or (ii) 30 days after we notify you of the change. Any fees you pay us, in our capacity as the designated supplier for digital marketing and/or other advertising services (excluding services relating to administration of the brand fund) will be credited towards your Local Advertising Commitment.

(b) Grand Opening Marketing. At least 60 days prior to the Opening Date, you must obtain our approval of a grand opening marketing plan that you develop with our assistance. Your grand opening marketing plan must comply with all grand opening marketing requirements in the Manual. During the 120-day period that begins 60 days before the Opening Date, you must spend at least $20,000 on approved grand opening advertising and marketing activities in accordance with your approved grand opening marketing plan. During the 60-day period preceding the Clinic's Opening Date, your pre-opening marketing activities must generate at least 200 leads from prospective new patients.

(c) Standards for Advertising. All advertisements and promotions you create or use must be completely factual, conform to the highest standards of ethical advertising and comply with all Laws. You understand that Chiropractic Services, and the advertising of Chiropractic Services, may be regulated by a chiropractic board or other Governmental Authority in your state and may be subject to various Laws regulating the advertising of chiropractic clinics or Chiropractic Services, including the use of testimonials and the use of tradenames. You are solely responsible for ensuring your advertising and marketing activities comply with all such advertising Laws. You must ensure your advertisements and promotional materials do not infringe upon the intellectual property rights of others. You must comply with any minimum advertised pricing policy we establish from time to time. You must follow any policies we establish from time to time governing a franchisee's right to engage in marketing or advertising outside of the franchisee's territory.

(d) Approval of Advertising. Prior to use, we must approve all advertising and marketing materials and programs you intend to use, including: (i) all advertising and marketing materials we did not prepare or previously approve; and (ii) any materials we prepare or approve and you modify. We must also approve the media you intend to use. Our approval is good for a period of 12 months, but may be revoked by us at any time. You may not use any advertising materials, programs or media that: (i) we have not approved within the prior 12 months; or (ii) we approve and later disapprove. We have 15 days to review and approve or disapprove advertising and marketing materials and programs you submit. Our failure to issue our disapproval within the 15-day period constitutes our approval. Any advertising you propose and we approve will be deemed an "Improvement" for purposes of §18.5.

(e) Annual Marketing Plan. We may require that you prepare and send us an annual marketing plan that: (i) describes your proposed advertising and marketing expenditures for the following year; and (ii) includes your proposed budget to implement the marketing plan.

(f) Social Media. You may promote your Clinic using social media provided that:

(i) you only utilize social media platforms we approve;

(ii) you strictly comply with our social media policy, as revised from time to time;

(iii) you immediately remove any post we disapprove;

(iv) you contract with and exclusively utilize any social media company we designate;

(v) any Clinic-level social media pages must be created by us or a preferred supplier unless we grant you approval to create your own social media pages;

(vi) you provide us with full administrative rights to your social media accounts; and

(vii) we retain ownership of all social media accounts relating to your Clinic.

(g) Internet and Websites. Without our prior approval, which we may withhold in our sole discretion, you may not: (i) develop, host, create or otherwise maintain a website or other online or digital presence in connection with your Clinic, including any website bearing our Marks; (ii) conduct digital or online advertising or marketing; or (iii) engage in ecommerce.

11.4. Advertising Cooperative. We may, but need not, establish regional advertising cooperatives for purposes of creating and/or purchasing advertising programs for the benefit of all Clinics located in a particular region. We may: (a) determine the boundaries of the cooperative; (b) specify the manner in which the cooperative is organized and governed (including the formation of a separate legal Entity); (c) require the cooperative to be administered in accordance with written bylaws, organizational documents or other governing documents that we approve; and (d) require you to participate in the cooperative according to its rules and procedures and abide by its decisions. You must pay the cooperative advertising fee, which will be due on each royalty payment due date or on such other date established by the cooperative. We may set the minimum cooperative advertising fee or we may allow the cooperative to set the cooperative advertising fee based on majority vote of its members. In either case, the cooperative advertising fee will not exceed the amount of your Local Advertising Commitment. We may either: (a) collect cooperative advertising fees and remit them to the cooperative; or (b) require you to pay these fees directly to the cooperative. All cooperative advertising fees you pay are credited towards your Local Advertising Commitment if properly documented and spent according to our defined criteria for local advertising. We reserve the right to form, change, merge or dissolve advertising cooperatives at our discretion.

12. OPERATING STANDARDS.

12.1. Generally. You must operate your Clinic in full compliance with this Agreement, the Manual and our standards in order to maintain the goodwill associated with the Marks.

12.2. Operations Manual. You must develop and operate your Clinic in strict compliance with the Manual. The Manual may contain, among other things:

(i) architectural plans and specifications for the design, dimensions, layout, equipping and trade dress for a prototype Clinic;

(ii) a list of (a) goods and services (or specifications for goods and services) you must purchase to develop and operate your Clinic and (b) designated and approved suppliers;

(iii) a description of the authorized goods and services that Clinics may offer, sell or provide;

(iv) specifications, techniques, methods, operating procedures and quality standards; and

(v) policies and procedures pertaining to: (a) marketing and advertising; (b) accounting; (c) bookkeeping; (d) reporting; (e) insurance; (f) gift card, loyalty or membership programs; (g) data ownership, protection, sharing and use; and (h) other matters we deem appropriate.

The Manual is designed to establish and protect our brand standards and the uniformity and quality of the goods and services offered by Clinics. We can modify the Manual at any time. Except as otherwise provided in this Agreement, these modifications are binding at the time we notify you of the change, subject to any "grace period" we provide to implement the change. Subject to the

Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff, all mandatory provisions in the Manual (whether included now or in the future) are binding on you.

12.3. **Authorized Goods and Services.** Subject to the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff, you must: (a) offer, sell and provide all goods and services we require from time to time in our commercially reasonable discretion; (b) not offer, sell or provide any other goods or services without our prior written permission; and (c) participate in any market research program we conduct by offering and promoting new or modified goods or services we prescribe on a trial basis. If we require Clinics to offer and sell merchandise or other retail products, you must ensure your Clinic complies with any minimum stocking or other merchandising requirements in the Manual. We may change authorized goods and services at any time and you must, subject to the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff, comply with our instructions regarding same. Any such change shall not constitute a termination of this Agreement.

12.4. **Sales Restrictions**. You may only sell to retail customers present at the Clinic. Unless you receive our prior approval, you may not: (a) offer, sell or provide goods or services from any location other than your Clinic's premises; (b) sell or provide goods or services through any other channel of distribution; (c) sell goods to any Person for purposes of resale; or (d) use your Clinic, or permit your Clinic to be used, for any purpose other than offering the goods and services we authorize.

12.5. **Pricing**. We will provide you with our suggested retail pricing. You may deviate from our suggested retail pricing at your discretion; *provided, however*, that: (a) you must obtain our approval of any deviation that is more than 5% higher or lower than our suggested retail pricing unless such pricing is part of a temporary advertising campaign we approve; and (b) we may, to the extent permitted by applicable Law: (i) set maximum or minimum prices (or establish specific prices) you may charge for membership fees or for other goods and services sold at your Clinic; (ii) set maximum or minimum prices (or establish specific prices) for system-wide promotions; and/or (iii) establish mandatory minimum advertised pricing policies.

12.6. **Cash-Basis Payments**. Our current business model is limited to a cash-basis, private-pay model. Accordingly, your Clinic may not accept any of the following as payment for goods or services sold or provided in connection with your Clinic: (a) Medicare, Medicaid or any other state or federal government funded benefit plans or fiscal intermediaries; or (b) third-party private payors such as insurance companies, health plans and health maintenance organization. You must, at your expense, lease or purchase the necessary equipment and/or software and have arrangements in place with Visa, MasterCard, American Express and all other credit card issuers we designate, in order for you to be able to accept such methods of payment from customers. You must accept debit cards, credit cards, stored value cards, and other non-cash systems (including, for example, APPLE PAY and/or GOOGLE WALLET) that we specify. You must acquire and install all necessary hardware and/or software used in connection with these non-cash systems.

12.7. **Suppliers and Purchasing.** Subject to the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff, you must purchase or lease and (when applicable) utilize all products, supplies, equipment, services and other items specified in the Manual. The Manual may require that you purchase certain goods and services only from suppliers we designate or approve. These suppliers may include (or be limited exclusively to) us or our affiliate. Our right to specify the suppliers you use is necessary so we can control the uniformity and quality of goods and services used, sold or otherwise provided in connection with the development and operation of Clinics, protect our trade secrets, negotiate bulk purchase discounts, and protect the reputation and goodwill associated with the System and the Marks. We have no liability to you for the acts, errors or omissions of, or any defective goods or services supplied by, any third-party supplier we designate or approve, provided that we exercise our discretion in good faith in designating or approving such supplier. If we receive rebates, royalty fees, or other consideration from suppliers based on your purchases, we have no obligation to pass them through to you or use them for any

particular purpose. If you wish for us to approve a supplier, you must send us a request for approval specifying the supplier's name and qualifications and provide all additional information we request. We will approve or reject your request within 45 days after we receive your request and all information and samples we require. We are deemed to have rejected your request if we fail to issue our approval within the 45-day period. You must reimburse us for all costs and expenses we incur to review suppliers or products you propose.

12.8. Equipment Maintenance and Changes. You must maintain your equipment in good condition and promptly replace or repair any equipment that is damaged, worn-out or obsolete. We may require that you change your equipment. Our right to require significant equipment changes is critical to our ability to administer and change the System and you must comply with these changes within the time periods we reasonably specify.

12.9. Technology Systems.

(a) Generally. You must acquire and utilize all Technology Systems we require from time to time, including the Office Management Software. Technology Systems may relate to matters such as purchasing, pricing, accounting, order entry, inventory control, security, information storage, retrieval and transmission, patient information, membership programs, gift card and loyalty programs, marketing, communications, copying, printing and scanning, or any other business purpose we deem appropriate. Upon 60 days' prior notice, we may require that you acquire new or substitute Technology Systems and/or replace, upgrade or update existing Technology Systems at your expense. You are solely responsible for: (i) the acquisition, operation, maintenance, updating and upgrading of your Technology Systems; (ii) the manner in which your Technology Systems integrate and interface with our computer system and those of third parties; and (iii) any consequences resulting from improper use or operation, or failure to properly maintain, update or upgrade, Technology Systems. You must purchase and install HIPAA-compliant privacy screens for all laptops, desktop monitors and other electronic devices used at the Clinic. The Clinic must have high-speed, private, password-protected and encoded Internet network for Internet access.

(b) Use and Access. You must utilize your Technology Systems in accordance with the Manual and comply with all associated data entry policies. You may not load or permit any unauthorized programs or games on your Technology Systems. You must ensure your employees are adequately trained in the use of the Technology Systems. Subject to applicable privacy Laws, you agree to take all steps necessary to provide us with independent and unlimited access to all data collected through your Technology Systems, including Gross Sales data for purposes of calculating fees owed. Upon request, including upon termination or expiration of this Agreement, you must provide us with the user IDs and passwords for your Technology Systems.

(c) Disruptions. You are solely responsible for protecting against computer viruses, bugs, power disruptions, communication line disruptions, internet access failures, internet content failures, date-related problems, and attacks by hackers and other unauthorized intruders. Upon request, you must obtain and maintain cyber insurance and business interruption insurance for technology disruptions.

(d) Fees and Costs. You are responsible for all fees, costs and expenses associated with acquiring, licensing, utilizing, updating and upgrading the Technology Systems. Certain components of the Technology Systems must be purchased or licensed from third-party suppliers. We and/or our affiliate may develop proprietary software, technology or other components of the Technology Systems that will become part of our System. If this occurs, you agree to: (i) pay us (or our affiliate) commercially reasonable licensing, support and maintenance fees; and (ii) upon request, enter into a license agreement with us (or our affiliate) in a form we prescribe governing your use of the proprietary software, technology or other component of the Technology Systems. We may enter into master agreements with

third-party suppliers relating to any components of the Technology Systems and charge you for all amounts we pay these suppliers based on your use of their software, technology, equipment, or services. The "technology fee" includes all amounts you pay us and/or our affiliates relating to the Technology Systems, including amounts paid for proprietary items and amounts we collect from you and remit to third-party suppliers based on your use of their systems, software, technology or services. The amount of the technology fee may change based on changes to the Technology Systems or prices charged by third-party suppliers with whom we enter into master agreements. We may include within the technology fee a commercially reasonable administrative fee to compensate us for the time, money and resources we invest in administering the technology platform and associated components, negotiating and managing contracts with third-party licensors, and collecting and remitting technology fees owed to third-party licensors on behalf of franchisees under master license arrangements. The technology fee does not include any amounts you pay directly to third-party suppliers. The technology fee is due 10 days after invoicing or as we otherwise specify. We will list the current technology fee in the Manual.

12.10. Remodeling and Renovations. From time to time, we may consider, test and implement modifications to the standard design, appearance, branding, trade dress and/or layout of a Clinic. You must remodel, renovate and make all improvements to your Clinic that we reasonably require to reflect our then-current standards and specifications; *provided, however*, that we will not impose this requirement: (a) unless we have implemented similar changes in at least 25% of similarly-situated company-owned Clinics and developed a plan to implement similar changes in the remaining similarly-situated company-owned Clinics; or (b) during the last 24 months of the Term, except as a condition to Transfer or renewal of your franchise rights. There are no other limitations on the frequency or cost of these remodeling obligations. At a minimum, we require that you spend at least $20,000 every four (4) years on approved remodeling, expansion, redecorating and/or refurnishing of the Clinic's premises. The $20,000 cap on expenditures excludes any clinic design fee you pay to us. You may not remodel or significantly alter the Clinic's premises without our prior written approval. We will not approve any proposed remodeling or alteration that is inconsistent with our then-current standards and specifications. Unless we waive the requirement, you must procure a new Clinic Design from us, and pay us a $600 clinic design fee, prior to initiating any modifications to the structure of your Clinic.

12.11. Maintenance and Upkeep. You must maintain your Clinic in good order and condition, reasonable wear and tear excepted, and make all necessary repairs, including replacements, renewals and alterations, at your sole expense, to conform to our standards and specifications. Without limiting the generality of the foregoing, you agree to take the following actions at your expense: (a) thorough cleaning, repainting, redecorating of the interior and exterior of the Clinic's premises at the intervals we prescribe (or at such earlier times that such actions are required or advisable); and (b) interior and exterior repair of the Clinic's premises as needed. You must comply with any maintenance, cleaning or facility upkeep schedule we prescribe.

12.12. System Programs.

(a) Generally. We may periodically develop and implement membership programs, loyalty programs, gift card programs and other system-wide programs. You must fully participate in all programs we designate as mandatory. In order to participate you must: (i) comply with all policies and procedures we establish for participation in the program; (ii) purchase (or license) and utilize all equipment, software, mobile applications (Apps), technology and others items we designate as being necessary for participation in the program, and pay all associated fees and costs; and (iii) pay us, our affiliate, or a third party we designate, all program fees and other amounts we specify as being necessary for participation in the program (collectively, "Program Participation Rules"). Program Participation Rules may be set forth in the Manual. We may change Program Participation Rules at any time and you must comply with these changes. We may develop and implement new or successor

programs and/or modify or terminate existing programs at any time in our discretion.

(b) Membership Program. We may require that all Clinics operate under a membership model, in which case your Clinic must honor memberships and the associated benefits and privileges regardless of whether the member purchased their membership from your Clinic. We have the right to: (i) determine how membership fees are divided or otherwise accounted for; (ii) require that all membership fees be paid to us or deposited into a trust account we control for subsequent disbursement to the Clinic(s) visited by the member; (iii) adopt policies regarding cooperation between franchisees relating to members who utilize the services of, or enjoy membership privileges at, multiple Clinics; and (iv) designate the use of new Technology Systems to monitor sales and allocate payments to the Clinic(s) visited by the member, either in whole or on a percentage basis. We may require that you utilize the form of membership agreement we specify. You must hire an attorney, licensed in your state, to review the membership agreement and advise you of any changes necessary to comply with any local Laws affecting the form of membership agreement you use.

(c) Loyalty Program. You must fully participate and implement all required loyalty, rewards and other affinity programs designed to increase customer loyalty, generate new customers or improve overall demand for and utilization of the services offered by Clinics.

(d) Gift Card Program. You must participate in any gift card program we establish and honor all gift cards, even if purchased from us or another Clinic. You may not offer or sell any gift cards we have not approved. We have the right to: (i) determine how gift card proceeds are divided or otherwise accounted for; (ii) require that gift card proceeds be paid to us or deposited into a trust account we control for subsequent disbursement to the Clinic(s) where the gift card is redeemed; and (iii) retain proceeds from unredeemed gift cards.

12.13. Package Sales. If we allow Clinics to sell treatment "series" or "packages" that may be redeemed on multiple visits, we may adopt policies regarding cooperation between franchisees relating to patients who purchase a series or package, including policies applicable when a patient purchases the series or package at one Clinic and redeems treatments or services at another Clinic. We have the right to: (a) determine how the sales proceeds are divided or otherwise accounted for; (b) require that sales proceeds be paid to us or deposited into a trust account we control for subsequent disbursement to the Clinic(s) where services are redeemed; and (c) retain proceeds for unredeemed services. You must comply with all policies and procedures we specify from time to time.

12.14. Hours of Operation. Your Clinic must be open for business during the minimum days and hours of operation set forth in the Manual, subject to: (a) any conflicting requirements in your lease or imposed by Law; and (b) the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff. You must establish specific days and hours of operation and submit them to us for approval.

12.15. Patient Complaints. If you receive a patient complaint, you must follow the complaint resolution process we specify to protect the goodwill associated with the Marks.

12.16. Quality Assurance Programs. For quality control purposes we may: (a) periodically inspect your Clinic in accordance with §7.4 and §17.1; (b) engage the services of a "mystery shopper" or quality assurance firm to inspect your Clinic; and/or (c) implement patient satisfaction surveys or comparable programs, in which case you must provide your patients with any survey or evaluation form we prescribe with instructions for submitting same to us. Inspections may address a variety of issues, including customer service, sanitation, inventory rotation, etc. You must fully cooperate with all inspections. If we engage a mystery shopper or quality assurance firm, we may require that you directly pay the mystery shopper or firm for the cost of the inspection. Alternatively, we may pay for the cost of the inspection, in which case you must reimburse us. We may implement a scoring system pursuant to which each Clinic receives a "grade" or "score" based on the inspection or survey results. Your failure to achieve a passing grade or score constitutes a default under this

Agreement. You must implement all corrective measures we require within the time period we specify to rectify any noncompliance issues revealed by an inspection or patient survey program.

12.17. Failure to Comply with Standards. You acknowledge the importance of every one of our standards and operating procedures to the reputation and integrity of the System and the goodwill associated with the Marks. If we notify you of a breach of our standards or operating procedures (including failure to submit required reports in a timely manner or selling unauthorized goods or services) and you fail to correct the noncompliance within the period of time we prescribe, then in addition to any other remedies available to us under this Agreement, we may impose a noncompliance fee of $100 per occurrence. We may impose an additional $100 fee every 24 hours the same noncompliance issue remains uncured after we impose the initial fee. Any noncompliance fees we collect are paid in consideration of us refraining from exercising our contractual right to terminate this Agreement. If we take steps to cure a default committed by you after the expiration of any applicable cure period, including, without limitation, obtaining required insurance coverage on your behalf or paying amounts you owe to approved or designated suppliers, then you must reimburse us for all costs and expenses we directly or indirectly incur in connection with our efforts to cure the default. Our acceptance of noncompliance fees and default expense reimbursements shall not be construed as a waiver of any of our rights or remedies under this Agreement and we retain the right to terminate this Agreement in accordance with §21 should the default continue after we collect these amounts. Notwithstanding the above, if any of our standards or operating procedures conflict with the Professional Judgment of you (if you are a licensed chiropractor) or your Chiropractic Staff, the Professional Judgment of you (if you are a licensed chiropractor) or your Chiropractic Staff will control, and you shall be authorized to act in a manner consistent with the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff without being deemed in breach of this Agreement.

13. FRANCHISE ADVISORY COUNCIL. We have established the National Franchise Advisory Board ("NFAB") to provide us with suggestions to improve the System, including matters such as marketing, operations and new product or service suggestions. We consider all suggestions in good faith but are not bound by them. The NFAB has been established and operates according to rules and regulations we periodically approve, including eligibility criteria and election procedures for the selection of council members to communicate with us on matters raised by the council. If you are selected as a council member, you would be entitled to all voting rights and privileges granted to other council members.

14. FEES

14.1. Initial Franchise Fee. You agree to pay us an initial franchise fee, in the amount set forth in Part E of ATTACHMENT "A", in one lump sum at the time you sign this Agreement. The initial franchise fee is fully earned by us and nonrefundable once this Agreement is signed.

14.2. Royalty Fee. On each royalty payment due date, you must pay us a royalty fee equal to 7% of Gross Sales generated during the immediately preceding reporting period; *provided, however*, that you must pay us a minimum monthly royalty fee of $700 per month, with the minimum royalty fee commencing upon the earlier of: (a) the Required Opening Date for the Clinic; or (b) the Clinic's actual Opening Date. The current royalty payment due dates are the 1st and 16th day of each month. The current reporting periods include: (a) the 1st day through the 15th day of each month (the royalty fee for this bi-monthly reporting period is due on the 16th day of such month); and (b) the 16th day through the last day of each month (the royalty fee for this bi-monthly reporting period is due on the 1st day of the following month). We may periodically change the reporting period(s) and royalty payment due date(s) through updates to the Manual.

14.3. Other Fees and Payments. You must pay all other fees, expense reimbursements and other amounts specified in this Agreement in a timely manner as if fully set forth in §14. You also agree to promptly pay us an amount equal to all taxes levied or assessed against us based on goods or services you sell or goods or services we furnish to you, excluding income taxes imposed on us based on fees you pay us under this Agreement.

14.4. **Due Date & Late Fee.** Payments are due 10 days after invoicing unless otherwise specified. If any sum due under this Agreement has not been received by us when due or there are insufficient funds in your Account to cover the sum when due, then in addition to this sum you must pay us $100 plus default interest on the amount past due at a rate equal to the lesser of 18% per annum (pro-rated on a daily basis) or the highest rate permitted by applicable Law. We will not impose a late fee for any amount paid pursuant to §14.5 if, but only to the extent that, sufficient funds were available in your Account to be applied towards the payment when due; *provided, however*, that if we are unable to determine the amount due because of your failure to record sales or submit Gross Sales reports in a timely manner, we may assess a late fee on the entire amount that was due. This §14.4 shall not constitute our agreement to accept late payments or extend credit to you.

14.5. **Method of Payment.** No later than 15 days after the Effective Date, you must send us a completed and fully executed ACH Agreement authorizing us to electronically debit your designated Account for all amounts owed to us and our affiliates on the applicable due date, excluding any amounts due within 15 days after the Effective Date. You must sign all other documents required by us or your bank to enable us to debit your Account for amounts owed. You must deposit all Gross Sales into the Account and ensure sufficient funds are available for withdrawal before each payment due date. If there are insufficient funds in your Account, any excess amounts you owe will be payable upon demand, together with any late fee imposed pursuant to §14.4. We may also impose a $35 NSF fee for each instance where either: (a) there are insufficient funds in your Account to cover amounts owed when due; or (b) a check you issue to us is returned due to insufficient funds.

14.6. **Working Capital.** Throughout the Term, you must maintain sufficient working capital in order to: (a) pay all amounts owed to us and our affiliates; (b) pay all amounts owed to employees, third-party suppliers and creditors; and (c) fulfill all of your other obligations under this Agreement.

14.7. **Security Interest.** In order to secure payment of all amounts owed under this Agreement, we will have a lien upon, and you hereby grant us a security interest in, the following collateral and any and all additions, accessions, and substitutions to or for it and the proceeds from all of the same: (a) all inventory now owned or after-acquired by you and the Clinic, including but not limited to all inventory and supplies transferred to or acquired by you in connection with this Agreement; (b) all accounts of you and/or the Clinic now existing or subsequently arising, together with all interest in you and/or the Clinic, now existing or subsequently arising, together with all chattel paper, documents, and instruments relating to such accounts; (c) all contract rights of you and/or the Clinic, now existing or subsequently arising; and (d) all general intangibles of you and/or the Clinic, now owned or existing, or after-acquired or subsequently arising. You agree to execute such financing statements, instruments, and other documents, in a form satisfactory to us, that we deem necessary so that we may establish and maintain a valid security interest in and to these assets.

14.8. **No Fees for Referral of Patients.** The royalty fees, brand fund fees and other fees imposed under this Agreement do not represent payment for the referral of patients to you or your Clinics. You acknowledge and agree that the services we offer to you and our other franchisees do not include the referral of patients.

14.9. **Modification to Fee Structure.** If applicable Healthcare Laws prohibit us from charging a royalty fee and/or brand fund fee calculated as a percentage of Gross Sales, then you and we will negotiate in good faith in an effort to agree upon an alternative fee structure that complies with applicable Healthcare Laws while fairly and adequately funding the brand fund and compensating us for the ongoing support and services we provide as well as the valuable Intellectual Property licensed to you pursuant to this Agreement. If you and we are unable to agree upon an alternative fee structure, then we may terminate this Agreement pursuant to §21.3; *provided, however*, that any such termination would be deemed a "no fault" termination and we would not pursue liquidated damages or other damages resulting from such termination provided that you sign our prescribed form of Mutual Termination and Release Agreement.

15. BRAND PROTECTION COVENANTS.

15.1. **Reason for Covenants**. The Intellectual Property, training and assistance we provide would not be acquired except through implementation of this Agreement. You agree that competition by you, the Owners or Persons associated with you or the Owners (including family members) could seriously jeopardize our franchise system because you and the Owners received an advantage through knowledge of our day-to-day operations and Know-how. You and the Owners agree to comply with the covenants in §15 to protect the Intellectual Property and our franchise system.

15.2. **Intellectual Property and Confidential Information**. You and the Owners agree to:

(i) refrain from using any Intellectual Property or Confidential Information in any business or for any purpose other than the operation of your Clinic pursuant to this Agreement;

(ii) maintain the confidentiality of all Confidential Information at all times;

(iii) refrain from making unauthorized copies of documents containing Confidential Information;

(iv) take all steps we reasonably require to prevent unauthorized use or disclosure of Confidential Information; and

(v) stop using the Intellectual Property and Confidential Information immediately upon the expiration, termination or Transfer of this Agreement (and any Owner who ceases to be an Owner before the expiration, termination or Transfer of this Agreement must stop using the Intellectual Property and Confidential Information immediately at the time he or she ceases to be an Owner), except to the extent authorized by another Franchise Agreement in effect at such time.

15.3. **Unfair Competition**. You and the Owners may not engage in any Prohibited Activities during the Term or Post-Term Restricted Period. Notwithstanding the foregoing, you and the Owners may have an interest in a Competing Business during the Post-Term Restricted Period as long as the Competing Business is not located within the Restricted Territory. If you or an Owner engages in a Prohibited Activity during the Post-Term Restricted Period (other than having an interest in a Competing Business permitted by this Section), then the Post-Term Restricted Period applicable to you or the non-compliant Owner, as applicable, shall be extended by the period of time during which you or the non-compliant Owner, as applicable, engaged in the Prohibited Activity.

15.4. **Family Members**. Because (a) an Owner could circumvent the intent of §15 by disclosing Confidential Information to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild) and (b) it would be difficult for us to prove whether the Owner disclosed Confidential Information to the family member, each Owner agrees that he or she will be presumed to have violated the terms of §15 if any member of his or her immediate family engages in any Prohibited Activity during the Term or Post-Term Restricted Period or uses or discloses Confidential Information. However, the Owner may rebut this presumption with evidence conclusively showing he or she did not disclose Confidential Information to the family member.

15.5. **Employees.** You must ensure all employees, officers, directors, partners, members, independent contractors and other Persons associated with you or your Clinic sign and send us a Confidentiality Agreement before they are given access to any Confidential Information. You must: (a) use best efforts to ensure these individuals comply with the Confidentiality Agreements; (b) immediately notify us of any breach that comes to your attention; and (c) reimburse us for all expenses we incur to enforce a Confidentiality Agreement, including attorneys' fees and court costs.

15.6. **Covenants Reasonable.** You and the Owners agree that: (a) the covenants in §15 are reasonable both in duration and geographic scope; (b) our use and enforcement of similar covenants with respect to other franchisees benefits you and the Owners by preventing others from unfairly competing with your Clinic; and (c) you and the Owners have sufficient resources, business experience and opportunities to earn an adequate living while complying with the covenants in §15.

15.7. **Breach of Covenants**. You and the Owners agree that: (a) any failure to comply with §15 is likely to cause substantial and irreparable damage to us and/or other franchisees for which there is no adequate remedy at Law; and (b) we are entitled to injunctive relief if you or an Owner breaches §15, together with any other relief available at equity or Law. We will notify you if we intend to seek injunctive relief, but we need not post a bond. If a court requires that we post a bond despite our mutual agreement to the contrary, the required amount of the bond may not exceed $1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at Law or in equity, including injunctive relief, specific performance and recovery of monetary damages.

16. YOUR OTHER RESPONSIBILITIES

16.1. **Insurance.** Subject to the Professional Judgment of you (if you are a licensed chiropractor) and your Chiropractic Staff, you agree to procure, and maintain throughout the Term, the following insurance policies for your protection and ours:

(i) "all risk" property insurance coverage on all assets, including inventory, furniture, fixtures, equipment, supplies and other property used in the operation of your Clinic, which must include coverage for fire, theft, cash theft, vandalism and malicious mischief and have coverage limits of at least full replacement cost;

(ii) comprehensive general liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of your Clinic, containing minimum liability protection of $1,000,000 combined single limit per occurrence and $3,000,000 in the aggregate;

(iii) medical malpractice insurance against claims for bodily and personal injury and death caused by or occurring in conjunction with the operation of your Clinic, containing minimum liability protection of $1,000,000 combined single limit per occurrence and $3,000,000 in the aggregate;

(iv) automobile liability and property damage insurance covering all loss, liability, claim or expense of any kind whatsoever resulting from the use, operation, or maintenance of any automobiles or motor vehicles, owned, leased or used by you or your officers, directors, employees, partners or agents in the operation of your Clinic, containing minimum liability protection of $1,000,000 combined single limit per occurrence and $3,000,000 in the aggregate;

(v) business interruption insurance providing coverage for 100% of all expenses and financial obligations for a minimum period of six (6) months, including fees owed to us, which shall be deemed to include average monthly royalty fees and brand fund fees imposed during the six (6) month period preceding the event triggering coverage under the insurance policy;

(vi) umbrella insurance containing minimum liability protection of $1,000,000 combined single limit per occurrence and $3,000,000 in the aggregate;

(vii) worker's compensation insurance and employer's liability insurance as required by Law;

(ix) any other insurance we specify in the Manual from time to time.

You must provide us with proof of coverage: (a) prior to the Opening Date; (b) within 10 days after the renewal of a policy and (c) at any other time on demand. You must obtain these policies from licensed insurance carriers rated A-VIII or better by A.M. Best. We must approve the insurance companies you use and we may require that you obtain medical malpractice insurance from an insurance company we designate. Each policy must be endorsed to: (a) name us and our members, officers, directors, and employees as additional insureds; (b) contain a waiver by the insurance

carrier of all subrogation rights against us; and (c) provide that we receive at least 30 days' prior written notice of the termination, expiration, cancellation or modification of the policy. Insurance policies must be written on an occurrence basis. If any policy fails to meet these criteria, we may disapprove the policy and you must immediately secure a new policy meeting our criteria. Upon 10 days' notice, we may increase the minimum liability coverage amount of any policy and/or require different or additional types of insurance due to inflation, special risks, changes in Law or standards of liability, higher damage awards or other relevant changes in circumstances. If you fail to maintain a required policy, we may, at our option, obtain the policy on your behalf. If we do so, you must: (a) promptly sign any application or other form required to obtain the policy; (b) procure and provide us with an application for insurance for any member of your Chiropractic Staff who is offered a position to work at your Clinic; and (c) reimburse us for all premiums and other costs we incur, together with any noncompliance fee we impose pursuant to §12.17.

16.2. Books and Records. You must prepare complete and accurate books, records, accounts and tax returns pertaining to your Business and keep copies for at least four (4) years after their preparation. You must send us copies of your books and records within seven (7) days of our request.

16.3. Reports.

(a) Generally. You must prepare all reports we require including, without limitation, the reports described below. Reports must be prepared using the forms we designate and in accordance with our instructions. You must send us a copy of any report we require upon request. We also have the right to independently access your Technology Systems to retrieve and compile Business Data and generate any reports we deem appropriate, including Gross Sales reports.

(b) Report of Initial Investment Costs. To assist us in updating our Franchise Disclosure Document, you must complete and send us a report, in the form we designate, listing all expenses you incur in connection with the development and opening of your Clinic. You must send us the completed report within 90 days after the Opening Date of your Clinic.

(c) Gross Sales Reports. No later than each royalty payment due date, you must prepare and send us a report of your Gross Sales generated during the immediately preceding reporting period. If you miscalculate Gross Sales, you must notify us of the error no later than the end of the next Gross Sales reporting period. Otherwise, you will not be entitled to any refund or credit of any fees paid to us based on previously reported Gross Sales.

(d) Advertising Expenditure Reports. No later than 90 days after the Clinic's Opening Date, you must prepare and send us a report that: (i) details your expenditures on your grand opening marketing campaign in accordance with §11.3(b); and (ii) includes all additional information we require. No later than the 30th day of each month, you must prepare and send us reports detailing your expenditures on local advertising and marketing activities in accordance with §11.3(a), including: (i) a monthly report of expenditures incurred during the prior calendar month; and (ii) a year-to-date report of expenditures incurred from the beginning of the calendar year through the end of the prior calendar month. All advertising expenditure reports must include copies of receipts for the reported expenditures.

(e) Credentialing Reports. You must obtain and send us credentialing reports on all of your chiropractors in accordance with §9.3.

16.4. Financial Statements. No later than the 30th day of each month, you must prepare and send us: (a) a profit and loss statement and balance sheet for the preceding calendar month; and (b) a year-to-date profit and loss statement and balance sheet. Within 90 days after the end of your fiscal year, you must prepare and send us a fiscal year-end balance sheet and an annual profit and loss statement for that fiscal year, reflecting all year-end adjustments. Financial statements must be: (a) verified and signed by you certifying to us that the information is true, complete, and accurate;

(b) prepared on an accrual basis in compliance with Generally Accepted Accounting Principles; and (c) submitted in any format we reasonably require. We may require that your financial statements be reviewed or audited by an independent certified public accountant if you submit materially inaccurate financial statements on a prior occasion. You must send us a copy of any financial statement required by this Section upon request. You hereby authorize us to disclose Operational Data to prospective franchisees, Governmental Authorities and other Persons for any reasonable business purpose, provided the disclosure is not prohibited by applicable Law.

16.5. Legal Compliance.

(a) Generally. You must: (i) secure (prior to the Opening Date) and maintain all required licenses, permits and regulatory approvals, including all required building, utility, sign, health, sanitation, occupancy and business permits and licenses; and (ii) operate your Clinic in compliance with all applicable Laws including, without limitation, all applicable Healthcare Laws. You must acquire (from a supplier we designate or approve) and utilize the web-based HIPAA compliance tools and resources we require.

(b) Engagement of Healthcare Counsel. Prior to execution of this Agreement, you must engage Healthcare Counsel, who must be reasonably acceptable to us, to advise you on matters involving Healthcare Laws. Your Healthcare Counsel must review: (i) your business and ownership structure to ensure it complies with CPOM Laws in your state; and (ii) this Agreement and its attachments to ensure they comply with any applicable Healthcare Laws. Throughout the Term, you must maintain an ongoing relationship with your Healthcare Counsel to advise you of changes to applicable Healthcare Laws that may materially affect the franchised business model, our fee structure, or the ownership or operation of the Clinic. You must promptly notify us in writing of any such changes to Healthcare Laws brought to your attention. You are solely responsible for all legal fees and expenses charged by your Healthcare Counsel.

(c) Regulatory Changes. We may periodically monitor and analyze developments in the healthcare and chiropractic industry. You acknowledge that Chiropractic Services, and businesses that offer Chiropractic Services, are heavily regulated by various Governmental Authorities and Healthcare Laws. Changes to these Laws and/or the requirements imposed by Governmental Authorities may require that: (i) we periodically modify the terms of the Franchise Agreement and Manual and/or restructure the franchise business model; (ii) your Owners, General Manager, and/or members of your Chiropractic Staff obtain additional licenses or certifications; (iii) you retain, or establish relationships with, additional professionals or specialists in the chiropractic and/or healthcare industries; and/or (iv) you modify your ownership or organizational structure, including converting from a Franchised Clinic to a Managed Clinic. You hereby acknowledge and consent to all such changes and agree to fully cooperate and implement such changes at your expense. If our regulatory counsel advises us that our business model or fee structure is unlawful in your state and either (i) you and we fail to agree on changes to the business model or fee structure to make it lawful or (ii) the changes necessary to make the business model or fee structure lawful would require fundamental changes to the terms of this Agreement, then we may, but need not, terminate this Agreement pursuant to §21.3; *provided, however*, that any such termination would be deemed a "no fault" termination and we would not pursue liquidated damages or other damages resulting from such termination provided that you sign our prescribed form of Mutual Termination and Release Agreement.

(d) Reportable Events. You must notify us in writing within five (5) days of the occurrence of any of the following (each, a "Reportable Event"):

(i) your receipt or knowledge of any notice of violation issued by a Governmental Authority (or the commencement of any inquiry by a Governmental Authority that may lead to a notice of violation) that (1) relates to any health, safety or Healthcare

Law and (2) involves your Clinic and/or any personnel associated with your Clinic;

(ii) your receipt or knowledge of any other Claim (including the initiation of any investigation), or any order, demand or disciplinary action issued by a Governmental Authority, that is reasonably likely to adversely affect the operation of your Clinic, your reputation, our reputation, or the goodwill associated with the Marks;

(iii) the occurrence (or your suspicion of the occurrence) of any other action, event or circumstance involving your Clinic and/or any personnel associated with your Clinic that is reasonably likely to adversely affect the operation of your Clinic, your reputation, our reputation, or the goodwill associated with the Marks, including, without limitation, any lawsuit or other Claim alleging malpractice brought against you and/or any chiropractor or other Clinic Staff member who works at your Clinic;

(iv) you are, or any Owner or other Person associated with your Clinic is, indicted for, convicted of, or pleads guilty to a felony or any other crime or offense that is reasonably likely to adversely affect the operation of your Clinic, your reputation, our reputation, or the goodwill associated with the Marks.

We may at any time conduct background, criminal and/or credit checks on you and your Owners and Chiropractic Staff, and obtain credentialing reports on your Chiropractic Staff, to verify that no Reportable Events have occurred. You and your Owners hereby consent to us obtaining such background, criminal and/or credit checks and agree to fully cooperate with any such background, criminal and/or credit checks. You agree to assist us by obtaining from your Chiropractic Staff members any consents necessary to conduct background, criminal and/or credit checks or obtain credentialing reports. We assume no obligation to conduct these checks.

16.6. **Ownership and Protection of Data.** We are the exclusive owner of all Business Data collected by you, us or any other Person (other than Protected Health Information). We hereby grant you a license to utilize the Business Data solely for purposes of operating your Clinic in compliance with this Agreement. We will also act as the custodian (but not the owner) of all Protected Health Information generated or collected with respect to patients who visit your Clinic. You must protect all Patient Data with a level of control proportionate to the sensitivity of data. In order to protect sensitive patient health information and comply with patient privacy Laws, you agree to sign our most current form of Business Associate Agreement. We may periodically require you to sign updated versions of our Business Associate Agreement that reflect our most current terms and conditions. You must adhere to applicable privacy Laws with respect to data which, if compromised, could have a negative impact on our image or consumer confidence. You agree to: (a) comply with all applicable data protection Laws and our data processing and data privacy policies in the Manual (if any); and (b) upon request, sign any data processing or data privacy agreement required by us or by Law. You further agree to:

(i) obtain, maintain and adhere to all applicable compliance standards established by PCI-DSS;

(ii) establish appropriate administrative, technical and physical controls consistent with Law and PCI-DSS to preserve the security and confidentiality of any credit card information, in any form whatsoever, that you store, process, transmit or come in contact with;

(iii) promptly notify us if you suspect there is, or has been, a security breach or potential compromise of any such credit card information;

(iv) provide us with updates regarding the status of PCI-DSS, which update may be through a completed PCI AOC (Attestation of Compliance), PCI-DSS SAQ (Self-Assessment Questionnaire) or other method mutually agreed; and

(v) promptly notify us of any noncompliance with PCI-DSS requirements to discuss your

remediation efforts and timeline.

17. INSPECTION AND AUDIT

17.1. Inspections. For quality control purposes and to ensure compliance with this Agreement, we (or our representative) may enter your Clinic, evaluate your operations and inspect your books, records, accounts and tax returns. We will determine the scope of the inspection, which may include, among other things:

(i) evaluating the physical condition of your Clinic for cleanliness, sanitation and state of repair;

(ii) examining and copying your books, records, accounts and tax returns;

(iii) inspecting patient documentation and records;

(iv) inspecting and testing your equipment;

(v) removing samples of inventory items for testing purposes;

(vi) monitoring and speaking with your staff; and

(vii) contacting your landlord and patients.

We may conduct inspections at any time without prior notice. During the inspection, we (or our representative) will use reasonable efforts to minimize any interference with the operation of your Clinic. You and your employees must cooperate and not interfere with the inspection. You consent to us accessing your Technology Systems and retrieving any Business Data (other than Protected Health Information) we deem appropriate, subject to applicable privacy Laws. You must reimburse us for all Travel Expenses and other costs we incur to conduct an inspection to determine if you remedied: (a) a health or safety issue identified by a Governmental Authority; or (b) a breach of our system standards we brought to your attention. We bear the cost of all other inspections.

17.2. Audit. We may audit your books and records at any time. You must fully cooperate with us and any Person we hire to conduct the audit. If an audit reveals an understatement of Gross Sales, you must immediately pay us all additional fees you owe together with any late fee imposed pursuant to §14.4. You must reimburse us for the cost of any audit (including reasonable accounting and attorneys' fees and Travel Expenses incurred by us or the auditor) that: (a) is required due to your failure to provide information we request, preserve records or file reports as required by this Agreement; or (b) reveals an understatement of Gross Sales by at least 2%. We bear the cost of all other audits. We shall not be deemed to have waived our right to terminate this Agreement by accepting reimbursement of our audit costs.

18. INTELLECTUAL PROPERTY

18.1. Ownership and Use. You acknowledge that: (a) we are (or our affiliate is) the exclusive owner of the Intellectual Property and the associated goodwill; (b) your right to use the Intellectual Property is derived solely from this Agreement; and (c) your right to use the Intellectual Property is limited to a license to operate your Clinic during the Term pursuant to, and only in compliance with, this Agreement and the Manual. You may not use the Intellectual Property in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized by us. Any unauthorized use of the Intellectual Property constitutes an infringement of our rights. You must comply with all provisions in the Manual governing use of the Intellectual Property. You will not acquire any goodwill, title or interest in or to the Intellectual Property.

18.2. Changes to Intellectual Property. We may change the Intellectual Property at any time in our sole discretion, including by changing the Copyrighted Materials, Know-how, Marks, Office Management Software and/or System. You must, at your expense, implement all Intellectual Property changes we require in accordance with our instructions. We are not liable for any expenses, losses or damages you incur (including the loss of any goodwill associated with a Mark)

as a result of any change to the Intellectual Property.

18.3. **Use of Marks**. You agree to: (a) use the Marks as the sole identification of your Clinic; *provided, however*, that you must identify yourself as the independent owner of your Clinic in the manner we prescribe; (b) prominently display the Marks in the manner we prescribe on or in connection with any advertising, promotional materials, displays, receipts, stationery and forms we designate to give notice of trademark and service mark registrations and copyrights; and (c) obtain any fictitious or assumed name registrations required by applicable Law. You may not: (a) use the Marks in any modified form or as part of a corporate or trade name or with any prefix, suffix, or other modifying words, designs or symbols (other than logos we license to you); (b) use the Marks when signing a contract, lease, check or other agreement or in any other manner that may cause confusion or imply we are liable for your obligations; (c) register or attempt to register any Marks, or any other trademarks confusingly similar to the Marks, with any Governmental Authority; or (d) challenge or contest the validity or ownership of our Marks.

18.4. **Use of Know-how**. We disclose our proprietary Know-how to you during training programs, in the Manual and through other guidance furnished during the Term. You do not acquire any interest in the Know-how other than the right to utilize it, during the Term, solely for purposes of developing and operating your Clinic in compliance with this Agreement and the Manual.

18.5. **Improvements**. If you, an Owner or your employee conceives of or develops an Improvement, you must send us a written notice describing the Improvement. You must obtain our approval prior to using any such Improvement. Any Improvement we approve may be used by us and any third parties we authorize to operate a Clinic, without any obligation to pay royalties or other fees to you or any other Person. You or your Owner or employee, as applicable, must assign to us or our designee, without charge, all rights to the Improvement, including the right to grant sublicenses. In return, we will authorize you to use Improvements developed by other Persons that we approve for use in connection with the operation of a Clinic.

18.6. **IP Disputes**. You must immediately notify us of any IP Dispute. You may not communicate with any Person other than us and our counsel in connection with any IP Dispute. We have sole discretion in deciding what action, if any, to take in response to the IP Dispute. We may exclusively control any litigation or other proceeding relating to the IP Dispute. You must execute all documents, render all assistance, and perform all acts that are, in our counsel's opinion, necessary or advisable to protect or maintain our interest in the litigation or proceeding and/or protect the Intellectual Property.

19. INDEMNITY.

19.1. **By You**. You agree to indemnify the Indemnified Parties and hold them harmless for, from and against any and all Losses and Expenses they incur as a result of or in connection with:

(i) the marketing, use or operation of your Clinic;

(ii) the rendering of Chiropractic Services or patient care at your Clinic;

(iii) the breach of a Definitive Agreement committed by you or your Owners or affiliates;

(iv) the breach of an agreement with a third party committed by you or your Owners or affiliates;

(v) your failure to name us as an additional insured on any required insurance policy;

(vi) any Claim relating to taxes or penalties a Governmental Authority assesses against us as a direct result of your failure to pay or perform functions required of you under this Agreement;

(vii) libel, slander or disparaging comments made by you or your Owners, officers, employees or independent contractors regarding the System, a Clinic or an Indemnified Party;

(viii) any labor, employment or similar type of Claim pertaining to your employees (including Claims alleging we are a joint employer of your employees) or our relationship with you or your Owners (including Claims alleging we are an employer of you and/or any of your Owners); or

(ix) any actions, investigations, rulings or proceedings conducted by any Governmental Authority (including the United States Department of Labor, Equal Employment Opportunity Commission or National Labor Relations Board) relating to your employees.

You and your Owners must immediately notify us of any Claim or proceeding described above. The Indemnified Parties shall have the right, in their sole discretion, to: (a) retain counsel of their choosing to represent them with respect to any Claim; and (b) control the response thereto and the defense thereof, including the right to enter into an agreement to settle the Claim. You may participate in such defense at your expense. You must fully cooperate and assist the Indemnified Parties with the defense of the Claim. You must reimburse the Indemnified Parties for all of their costs and expenses in defending the Claim, including, without limitation, mediation, arbitration or court expenses, expert fees and Travel Expenses incurred by attorneys or expert witnesses to attend mediation, arbitration or legal or administrative proceedings or hearings relating to the matter. Your indemnification obligations described shall continue in full force and effect after, and notwithstanding, the Transfer, termination or expiration of this Agreement.

19.2. **By Us**. Provided that you and your Owners and affiliates are in full compliance with all Definitive Agreements, we will indemnify you and your Owners and hold them harmless for, from and against any and all Losses and Expenses they incur as a result of or in connection with any Claim asserted against you and/or your Owners alleging that your use of our Marks in strict compliance with the terms of this Agreement and the Manual violates a third-party's intellectual property rights. We have the exclusive right to: (a) retain counsel of our choosing to defend the Claim; and (b) control the response thereto and the defense thereof, including the right to enter into an agreement to settle the Claim. You must promptly notify us of any such Claim and fully cooperate with our defense of the Claim. You may not settle, compromise, discharge or admit any liability with respect to the Claim unless we provide our prior consent to do so.

20. TRANSFERS

20.1. **By Us**. This Agreement is fully assignable by us (without prior notice to you) and shall inure to the benefit of any assignee(s) or other legal successor(s) to our interest in this Agreement, provided that we shall, subsequent to any such assignment, remain liable for any obligations incurred by us prior to the effective date of the assignment. We may also delegate our obligations under this Agreement to one or more Persons without assigning the Agreement.

20.2. **By You**. The rights and duties created by this Agreement are personal to you and the Owners. We are granting you franchise rights in reliance upon the character, skill, attitude, business ability and financial resources of you and your Owners. Because this Agreement is a personal services contract, neither you nor any Owner may engage in a Transfer (other than a Permitted Transfer) without our prior approval. Any Transfer (other than a Permitted Transfer) without our approval is void and constitutes a breach of this Agreement. We will not unreasonably withhold approval if all of the following conditions are satisfied:

(i) the proposed transferee submits a complete Franchise Application in the form we designate;

(ii) we believe the proposed transferee has sufficient business experience, aptitude and financial resources to own and operate the Clinic and meets our minimum criteria for franchisees;

(iii) you and your affiliates and Owners are in full compliance with all Definitive Agreements;

(iv) the transferee's owners successfully complete, or make arrangements to attend, the initial training program (and the transferee pays us any applicable training fee);

(v) your landlord consents to the assignment of your lease to the transferee, or the transferee is diligently pursuing an approved substitute location within the Site Selection Area;

(vi) the transferee and its owners obtain all licenses and permits required by applicable Law to own and operate the Clinic and we receive "clean" credentialing reports on all of the transferee's chiropractors;

(vii) if the transferee is not eligible to own and operate a Franchised Clinic, the transferee complies with all steps referenced in §2.3 to own and operate a Managed Clinic;

(viii) the transferee (a) agrees to discharge and guarantee your obligations under this Agreement and any other agreement relating to the Clinic (including supplier contracts, membership agreements, etc.) and (b) signs any agreement we require to confirm the foregoing;

(ix) the transferee and its owners sign our then-current form of franchise agreement (unless we instruct you to assign this Agreement to the transferee) except that: (a) the Term and renewal term(s) shall be the Term and renewal term(s) remaining under this Agreement unless we agree to the contrary; (b) the transferee need not pay a separate initial franchise fee; and (c) we may modify the boundaries of the Territory in accordance with our then-current territory guidelines and criteria;

(x) the transferee agrees to remodel the Clinic and upgrade all furniture, fixtures and equipment to conform to our then-current standards and specifications within six (6) months after the Transfer or such shorter period of time we specify (transferee must also pay $600 clinic design fee if we determine a new Clinic Design is required);

(xi) you pay us a transfer fee in the amount of (a) $2,500 for a Permitted Transfer, (b) $5,000 for a Transfer of ownership to your Clinic's DC pursuant to our DC Path to Ownership Program or (c) $15,000 for all other completed Transfers (if the transferee is found by a broker we engage, you must also reimburse us for all commissions we pay the broker, which amount shall be in addition to the transfer fee);

(xii) you and your Owners sign a General Release;

(xiii) you agree to subordinate the transferee's financial obligations to you to the transferee's financial obligations owed to us pursuant to the franchise agreement (we may require you to enter into a written subordination agreement);

(xiv) we choose not to exercise our right of first refusal described in §20.6; and

(xv) you or the transferring Owner, as applicable, and the transferee satisfy all other conditions we reasonably require as a condition to approval of the Transfer.

Our consent to a Transfer shall not constitute a waiver of: (a) any Claims we have against the transferor; or (b) our right to demand the transferee comply with all terms of the franchise agreement. If you propose a Transfer that is not completed for any reason, you must pay us a transfer fee equal to the lesser of $5,000 or the actual costs we incur to evaluate the proposed Transfer and transferee.

20.3. <u>Permitted Transfers</u>. You may engage in a Permitted Transfer without our prior approval, but you must: (a) give us at least 10 days' prior written notice; pay us a $2,500 transfer fee; and (c) upon our request, cause any Entity that was the Franchisee Entity immediately prior to the Permitted Transfer to sign a corporate guarantee in the format we require to secure performance of the new Franchisee Entity's financial obligations under all Definitive Agreements. You and the Owners (and the transferee) must sign all documents we reasonably request to effectuate and document the Permitted Transfer.

20.4. Grant of Security Interest. The grant of a security interest in this Agreement, the Clinic's assets (other than a purchase money security interest) or any Equity Interests in the Franchisee Entity constitutes a Transfer and requires our prior written consent, which we may grant or withhold in our sole discretion. As a condition to granting our consent, we may require that the creditor sign a written agreement, in a form we designate or approve, acknowledging that if at any time during the Term you breach any of your obligations owed to the creditor, prior to initiating any action to enforce its security interest, the creditor must: (a) send us a written notice that describes the nature of your breach and specifies the total amount of your remaining financial obligations owed to the creditor, including amounts currently due and amounts due in the future (the "Outstanding Debt"); and (b) provide us with the option, but not the obligation, to acquire and assume the creditor's rights under the security agreement and related agreements by paying the creditor an amount equal to the Outstanding Debt within 30 days after we receive the notice of breach from the creditor. If we decline to exercise this option, the creditor may proceed with enforcement of its security interest, subject to satisfaction of all conditions for Transfer set forth in §20.2.

20.5. Owner Death or Disability. Within 180 days after the death or permanent disability of an Owner, the Owner's ownership interest must be Transferred to another Owner or to a third party we approve. Any Transfer to a third party (other than a Permitted Transfer) will be subject to all terms and conditions of §20.2. An Owner is deemed to have a "permanent disability" only if he/she has a medical or mental problem preventing him/her from substantially complying with his/her obligations under this Agreement or operating the Business in the manner required by this Agreement and the Manual for a continuous period of at least three (3) months.

20.6. Our Right of First Refusal.

(a) Submission of Offer. Before you or an Owner may engage in a Transfer, you or the Owner, as applicable, must send us a true and complete copy of the offer and comply with the right of first refusal procedures set forth in this Section. The offer must be a bona-fide offer submitted by the prospective buyer after completion of due diligence. The offer must include a fully executed purchase agreement and evidence of the prospective buyer's payment of an earnest money deposit equal to at least 5% of the purchase price. The scope of the offer must be limited to the purchase of the Clinic, the Clinic's assets or the Equity Interests in the Franchisee Entity. If a buyer's proposal includes the purchase of any other property or rights owned or held by you, an Owner or any other Person, then: (i) the buyer must submit a separate but contemporaneous offer for such other property or rights; and (ii) the purchase price reflected in the purchase agreement submitted to us must reflect (and be limited to) the bona fide price offered for the Clinic, the Clinic's assets or the Equity Interests in the Franchisee Entity, and exclude the value of any other property or rights owned or held by you, the Owner or such other Person that are the subject of the separate but contemporaneous offer. The purchase agreement must include: (i) the complete purchase price, expressed as a dollar amount; (ii) all payment and financing terms (including amounts owed and the associated due dates); (iii) all other material costs or financial obligations in excess of $5,000 to be borne by the buyer or seller, whether contingent or absolute; (iv) a closing date; (v) any employment-related agreements, promises or representations; and (vi) all other terms and conditions of the proposed sale that a reasonable prospective purchaser would consider material in assessing the offer (collectively, the "Offer Terms").

(b) Right of First Refusal. We have 30 days after receipt of the offer (the "Evaluation Period") to decide whether to purchase the interest upon the Offer Terms, except we may substitute cash, a cash equivalent or marketable securities of equal value for any form of payment proposed in the offer. Our right of first refusal does not apply to Permitted Transfers.

(c) Due Diligence. We may conduct any due diligence we deem appropriate during the Evaluation Period. You must fully cooperate and promptly provide us with all documents and information we reasonably request. If you fail to do so, we may extend the 30-day

Evaluation Period until such time that you have fully complied with all of our reasonable due diligence requests. Upon our request, you agree to provide us with your written consent to contact your landlord in order to: (i) discuss matters involving your lease; (ii) obtain the landlord's consent to an assignment of the lease (if consent is required); and/or (iii) negotiate additional lease terms or options.

(d) Exercise of Right of First Refusal. If, before the expiration of the Evaluation Period, we notify you that we intend to exercise our right of first refusal and purchase the interest, you or the Owner, as applicable, must sell the interest to us. We have an additional 60 days to prepare for closing. You or the Owner, as applicable, must execute our then-current standard form of Purchase Agreement. We are entitled to receive from you or the Owner, as applicable, all customary representations and warranties given by you (with regard to the assets being acquired) or the Owner (with regard to the ownership interest being acquired), including representations and warranties as to: (i) ownership, condition and title; (ii) liens and encumbrances; (iii) validity of contracts; and (iv) liabilities of any kind. Due to our status as a publicly traded company, our purchase of the interest may be subject to financial accounting audits to ensure we comply with federal and state financial reporting requirements.

(e) Waiver of Right of First Refusal and Grounds For Reinstatement. If we do not exercise our right of first refusal, you or the Owner, as applicable, may complete the Transfer to the purchaser pursuant to the Offer Terms but subject to the requirements of §20.2, including our approval of the transferee. However, if there is any material change to the Offer Terms or the sale is not completed within 120 days after the date we receive a copy of the offer then: (i) our right of first refusal shall be reinstated with respect to the offer; (ii) we will have an addition 30-day Evaluation Period to decide whether to purchase the interest; and (iii) you and we will comply with the other terms set forth in this Section governing our right of first refusal.

(f) Multi-Clinic Offer. If (i) you or an Owner intend to engage in a Transfer that involves multiple Clinics and (ii) the right of first refusal provisions set forth in any of the Franchise Agreements executed in connection with such Clinics vary in any material respect, then the right of first refusal provisions set forth in the most recently executed Franchise Agreement shall govern.

21. TERMINATION

21.1. By You. You may terminate this Agreement if we commit a material breach and fail to cure within 90 days after receipt of a default notice specifying the nature of the breach. If you terminate pursuant to §21.1, you must still comply with your post-term obligations described in §22 (other than payment of liquidated damages) and all other obligations that survive the termination of this Agreement.

21.2. By Us. We may terminate this Agreement, effective upon delivery of a written notice of termination to you, for any of the following reasons, all of which constitute material events of default and "good cause" for termination, and without opportunity to cure except for any cure period expressly set forth below:

(i) if you become insolvent by reason of your inability to pay your debts as they become due;

(ii) if you file a voluntary petition in bankruptcy or any pleading seeking any reorganization, liquidation, dissolution or composition or other settlement with creditors under any Law, or you are the subject of an involuntary bankruptcy (which may or may not be enforceable under the Bankruptcy Act of 1978);

(iii) if your Clinic, or a substantial portion of the assets associated with your Clinic, are seized, taken over or foreclosed by a Government Official in the exercise of his or her duties, or

seized, taken over or foreclosed by a creditor, lienholder or lessor;

(iv) if a final judgment against you remains unsatisfied for 30 days unless a supersedes or other appeal bond has been filed;

(v) if a levy of execution has been made upon the license granted by this Agreement or any property used in your Business and is not discharged within 30 days of the levy;

(vi) if your Clinic does not open by the Required Opening Date and you fail to cure by causing the Opening Date to occur by the earlier of (a) 90 days after receipt of a default notice from us or (b) 180 days after the Required Opening Date (you must pay us Imputed Royalty Fees in accordance with §8.5(e) and we may terminate pursuant to §21.2(xiii) if you fail to do so);

(vii) if you abandon or fail to operate your Clinic for three (3) consecutive business days, unless due to Force Majeure (in which case §25.6 governs) or another reason we approve;

(viii) if a Governmental Authority suspends or revokes a license or permit held by you or an Owner that is required to treat patients or operate the Clinic (you have 20 days to cure if the suspended or revoked license is not required to treat patients or operate the Clinic);

(ix) if you, an Owner or a member of your Chiropractic Staff (a) is convicted of or pleads no contest to a felony, a crime involving moral turpitude or any other material crime or (b) is subject to any material administrative disciplinary action or (c) fails to comply with a material Law applicable to your Clinic;

(x) if you, an Owner or a member of your Chiropractic Staff commits an act that can reasonably be expected to materially and adversely affect the reputation of the System or the goodwill associated with the Marks;

(xi) if you manage or operate your Clinic in a manner that presents a health or safety hazard to patients, employees or the public;

(xii) if you or an Owner makes a material misrepresentation to us (including by providing false or incomplete statements or by omission of a material fact), including misrepresentations made before or after being granted franchise rights;

(xiii) if you fail to pay any amount owed to us, our affiliate or an approved or designated supplier within 10 days after demand for payment;

(xiv) if you fail to procure and send us any required credentialing report or maintain any required insurance policy in accordance with our requirements, and fail to cure the breach within 10 days after receipt of a default notice from us;

(xv) if you fail to timely notify us of any Reportable Event in accordance with §16.5(d);

(xvi) if you make an unauthorized Transfer;

(xvii) if you use the Intellectual Property in an unauthorized manner;

(xviii) if you breach any brand protection covenants described in §15;

(xix) if you or an Owner breaches any representations in §24.4 or §24.5;

(xx) if an Owner or the spouse of an Owner breaches a Franchise Owner Agreement;

(xxi) if the lease for your premises is terminated due to your default;

(xxii) if we send you three (3) or more valid default notices within any 12-month period regardless of whether you cure the defaults;

(xxiii) if we or our affiliate terminates a Definitive Agreement due to a default by you or your

affiliate (other than an area development agreement); or

(xxiv) if you or an Owner breaches any other provision of this Agreement (including any mandatory provision in the Manual) and fails to cure the breach within 30 days after receipt of a default notice from us.

If we send you a default notice pursuant to §21.2 we may cease to perform our obligations under this Agreement until you cure the breach.

21.3. Termination on Advice of Counsel. We may terminate this Agreement, effective upon delivery of a written notice of termination to you, without opportunity to cure, if our regulatory counsel advises us that the business model for your Clinic or our percentage-based fee structure is unlawful under the Laws of your state and either: (a) you and we fail to agree on changes to the business model or fee structure to make it lawful; or (b) the changes necessary to make the business model or fee structure lawful would require fundamental changes to this Agreement. Any termination pursuant to this §21.3 will be deemed a "no fault" termination and we will not impose liquidated damages in connection with any such termination provided that you sign our prescribed form of Mutual Termination and Release Agreement.

21.4. Mutual Agreement to Terminate. You and we may mutually agree in writing to terminate this Agreement, in which case you and we are deemed to have waived any required notice period.

22. POST-TERM OBLIGATIONS.

22.1. Obligations of You and the Owners. After the termination, expiration or Transfer of this Agreement, you and the Owners agree to:

(i) immediately cease use of the Intellectual Property;

(ii) pay us all amounts you owe including, if applicable, liquidated damages pursuant to §22.3;

(iii) comply with all covenants in §15 that apply after the expiration, termination or Transfer of this Agreement or the disposal of an ownership interest by an Owner;

(iv) comply with our instructions to return or destroy all copies of the Manual and Copyrighted Materials and all signs, brochures, advertising and promotional materials, forms and other materials bearing the Marks or containing Confidential Information;

(v) ensure all patient information has been entered into the operating system and delete or shred any patient information that resides outside of the operating system;

(vi) return all copies of the Office Management Software and delete such software from your computer memory and storage;

(vii) delete all social media accounts pertaining to the Clinic;

(viii) comply with our data retention policies pertaining to the Business Data;

(ix) cancel all fictitious or assumed name registrations relating to your use of the Marks;

(x) provide us with a list of your current, former and prospective patients together with all associated records, membership agreements and/or contracts, subject to applicable privacy Laws and other Healthcare Laws;

(xi) alter the interior and exterior of the premises to the extent necessary, or to the extent we require, to prevent any further resemblance to or connection with a Clinic or our System, including, without limitation, repainting the exterior and interior with new colors and removing trade dress, fixtures and décor items associated with a Clinic as well as exterior and interior signage (including wall décor items and window decals);

(xii) notify all telephone, listing and domain name registration companies of the termination or expiration of your right to use: (a) any telephone numbers and/or domain names associated with your Clinic; and (b) any regular, classified or other telephone directory listings associated with the Marks (you hereby authorize the foregoing companies to transfer such telephone numbers, domain names and listings to us and you authorize us, and appoint us and any officer we designate as your attorney-in-fact to direct these companies to transfer the telephone numbers, domain names and listings to us if you fail or refuse to do so); and

(xiii) provide us with satisfactory evidence of your compliance with the above obligations within 30 days after the effective date of the termination, expiration or Transfer of this Agreement.

Subsections (iv), (xi) and (xii) above do not apply if you Transfer your Clinic to an approved transferee or we exercise our right to purchase your Clinic.

22.2. Right to Purchase Facility and Assets.

(a) Purchase Option. Upon termination or expiration of this Agreement, we have the option, but not the obligation, to purchase your Clinic and/or its assets (the "Purchase Option"). We also have the option to take an assignment of the lease for your Clinic at no additional charge.

(b) Purchase Notice. In order to exercise the Purchase Option, we will provide you with a written notice (the "Purchase Notice") within 30 days after the termination or expiration of this Agreement that: (i) confirms we have elected to exercise the Purchase Option; (ii) identifies the specific assets we wish to purchase (the "Purchased Assets"); and (iii) confirms whether or not we have elected to take an assignment of the lease for your Clinic.

(c) Purchase Price. The purchase price shall be the fair market value of the Purchased Assets, determined as of the date of the Purchase Notice, less the amount of any outstanding liens or encumbrances, and less the amount of any liabilities we assume on your behalf, such as your future lease payments (the "Purchase Price"). For purposes of §22.2, fair market value shall exclude any value attributable to: (i) the franchise rights or any rights granted under this Agreement or the lease; (ii) the goodwill associated with the Marks; (iii) our brand image or other Intellectual Property; or (iv) any patient lists. The parties shall work together in good faith to agree upon the Purchase Price. If the parties are unable to agree upon the Purchase Price within 10 days from the date of the Purchase Notice, then the Purchase Price will be established through the appraisal process set forth in §22.2(d).

(d) Appraisal Process. The parties shall work together in good faith to identify a mutually agreeable independent third-party appraiser. If the parties cannot agree on a single appraiser within a 15-day period, then each party will appoint one (1) independent appraiser, and those appraisers will appoint a third (3rd) appraiser. You must promptly provide the appraiser(s) with all financial statements, work papers, documents and other information that the appraiser(s) reasonably request. The appraiser(s) may take into account any other information and factors the appraiser(s) deem relevant. Within 30 days of their appointment, the appraiser(s) shall issue a report setting forth the Purchase Price established by the appraiser(s) in accordance with §22.2(c). If the parties jointly appoint a single appraiser, the Purchase Price established by the single appraiser will be the final Purchase Price. If three (3) appraisers are appointed, the final Purchase Price shall be average of the two (2) Purchase Prices established by the appraisers that are closest to each other. Each party must pay 50% of the fees charged by the appraiser(s) when due.

(e) Closing. The closing for the transaction will take place 60 days after the Purchase Price is determined, or on such other date mutually agreed upon by the parties. The parties must execute our then-current standard form of Purchase Agreement. We will be entitled to receive from you all customary representations and warranties pertaining to the Purchased Assets, including representations and warranties as to: (i) ownership, condition and title; (ii)

liens and encumbrances; (iii) validity of contracts; and (iv) liabilities of any kind. We may deduct from the Purchase Price all amounts you (or your affiliates) owe us (or our affiliates) under this Agreement and/or any other Definitive Agreement including, if applicable, liquidated damages. Due to our status as a publicly traded company, our purchase of the interest may be subject to financial accounting audits to ensure we comply with federal and state financial reporting requirements.

(f) Management of Clinic. In accordance with §9.5, we have the right, but not the obligation, to appoint an Interim Manager to manage the Clinic during the period of time commencing with this Agreement's termination or expiration date and ending on (i) the closing date set forth in the Purchase Agreement (if we exercise the Purchase Option) or (ii) the date we notify you we will not exercise the Purchase Option.

22.3. Liquidated Damages. You must pay us liquidated damages if either: (a) we terminate this Agreement due to your default; or (b) you terminate this Agreement without cause or in any manner other than as permitted by §21.1 or §21.4. Liquidated damages shall be calculated as the product of Average Monthly Fees multiplied by the lesser of (a) 24 or (b) the total number of full months remaining under the Term as of the termination effective date. Average Monthly Fees is determined as the combined average monthly royalty fee and brand fund fee (without regard to any fee waivers or other reductions, and regardless of collection) imposed by this Agreement during the 12-month period preceding the termination date (or during the period of time you operated your Clinic if less than 12 months). Liquidated damages are due 30 days after we send you an invoice detailing our calculation of liquidated damages. Liquidated damages are in addition to and not in lieu of: (a) any fees or other amounts incurred by you prior to the termination of this Agreement, all of which must be paid by you in accordance with the terms of this Agreement; or (b) any damages we or our affiliate incur as a result of your breach of this Agreement; *provided, however*, that we may not pursue a claim against you for recovery of lost future profits if you pay us all liquidated damages owed when due. The parties agree the amount of liquidated damages set forth in this Section is in proportion to, and is necessary to protect, our legitimate interests, including: (a) encouraging our franchisees to commit to the 10-year franchise relationship in which both parties have already invested time and expense to develop; (b) the time and expense we will incur to recruit a new franchisee to acquire franchise rights to the Territory; (c) the time and expense we will incur to ensure your timely and orderly departure from our franchise network; (d) protecting the reputation and goodwill associated with our Marks; and (e) partially compensating us for our financial loss caused by your breach and the early termination of this Agreement. If this liquidated damages clause is determined to be unenforceable under applicable Law, then we will be limited to pursuing actual damages we incur as a result of your default or improper termination.

23. DISPUTE RESOLUTION.

23.1. Negotiation and Mediation. Except as otherwise provided below with respect to Excluded Claims, the parties shall attempt in good faith to resolve any Dispute through informal discussions and negotiations. If these efforts are unsuccessful, the parties agree to submit the Dispute to mediation before a mutually-agreeable mediator prior to litigation. The mediator shall be selected from the then-current panel approved by the American Arbitration Association (AAA) for Phoenix, Arizona, or as the parties otherwise agree. If the parties cannot agree on a mediator within 15 days after submission of the Dispute to mediation, then the mediator shall be selected by the AAA based on the criteria supplied by the parties. The costs of mediation (excluding attorneys' fees incurred by either party) shall be equally shared by the parties. All negotiations and mediation proceedings (including all discovery conducted therein and statements and settlement offers made by either party or the mediator in connection with the mediation) shall be strictly confidential, shall be considered as compromise and settlement negotiations for purposes of the Federal Rules of Evidence and state rules of evidence, and shall not be admissible or otherwise used in connection with any legal proceeding for any purpose. The mediator may not be called as a witness in any legal proceeding for any purpose. Any Dispute involving claims alleging a breach of §15 and/or

§18 (referred to as "Excluded Claims") shall not be subject to mediation unless otherwise agreed to by both parties.

23.2. Litigation. If either (a) a Dispute is not successfully resolved by mediation within 60 days after either party makes a demand for mediation or (b) the Dispute involves an Excluded Claim, then either party may file a lawsuit in any state or federal court of general jurisdiction in accordance with the choice of venue provision set forth below. The parties hereby express their clear and unequivocal intent that a court, rather than a mediator, shall have exclusive jurisdiction to decide the threshold issue of whether a Dispute involves an alleged Excluded Claim (i.e., whether there are any claims alleging a breach of §15 and/or §18).

23.3. Venue. All mediation and litigation shall take place in the county in which we maintain our principal place of business at the time the Dispute arises (currently, Maricopa County, Arizona). The parties irrevocably waive any objection to such venue and (with respect to litigation proceedings) submit to the jurisdiction of such courts.

23.4. Attorney's Fees and Costs. If either party must enforce this Agreement in a judicial proceeding, the substantially prevailing party is entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees. In addition, if you or an Owner breaches any term of a Definitive Agreement, you must reimburse us for all reasonable legal fees and other expenses we incur relating to such breach, regardless of whether the breach is cured prior to commencement of formal dispute resolution proceedings. This obligation applies to all breaches, including, without limitation, any failure to comply with any post-termination obligations set forth in §22.

23.5. Waivers. UNLESS PROHIBITED BY APPLICABLE LAW, ANY DISPUTE (OTHER THAN FOR YOUR INDEMNIFICATION OBLIGATIONS, PAYMENT OF MONIES OWED OR A VIOLATION OF §15 OR §18) MUST BE BROUGHT BY FILING A WRITTEN DEMAND FOR MEDIATION WITHIN TWO (2) YEARS FOLLOWING THE CONDUCT, ACT OR OTHER EVENT OR OCCURRENCE GIVING RISE TO THE CLAIM, OR THE RIGHT TO ANY REMEDY WILL BE DEEMED FOREVER WAIVED AND BARRED. WE AND YOU IRREVOCABLY WAIVE: (a) TRIAL BY JURY; (b) THE RIGHT TO LITIGATE ON A CLASS ACTION BASIS IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY A PARTY; AND (c) ANY RIGHT TO, OR CLAIM FOR, PUNITIVE OR EXEMPLARY DAMAGES (EACH PARTY WILL BE LIMITED TO RECOVERY OF ACTUAL DAMAGES OR ANY STIPULATED DAMAGES SET FORTH IN THIS AGREEMENT).

24. REPRESENTATIONS.

24.1. Corporate Representations. You and the Owners jointly and severally represent and warrant to us that the execution and delivery of this Agreement, and the performance of your obligations hereunder, does not: (a) conflict with, breach or constitute a default under any other agreement to which you are (or any affiliate of yours is) a party or by which your (or your affiliate's) assets may be bound; (b) violate any order, writ, injunction, decree, judgment or ruling of any Governmental Authority; or (c) violate any applicable Law. If the franchisee is an Entity, you and the Owners also jointly and severally represent and warrant to us that: (a) the Franchisee Entity is an Entity (or a Chiropractic PC if required by state Law) that is duly organized, validly existing and in good standing under the Laws of the state of its formation and has the requisite power and authority to enter into this Agreement, perform each of its obligations hereunder, provide Chiropractic Services and employ Chiropractic Staff; and (b) the execution and delivery of this Agreement have been duly authorized by all requisite corporate action and this Agreement shall constitute the legal, valid and binding obligation of the Franchisee Entity and shall be enforceable against the Franchisee Entity in accordance with its terms.

24.2. Franchise Compliance Representations. You and the Owners jointly and severally represent and warrant to us that you received: (a) an exact copy of this Agreement and its attachments, with all material terms filled in, at least seven (7) calendar days before you signed this Agreement; and (b)

our Franchise Disclosure Document at the earlier of (i) 14 calendar days before you signed a binding agreement or paid any money to us or our affiliates in connection with this franchise or (ii) such earlier time in the sales process that you requested a copy.

24.3. **General Representations**. You and the Owners jointly and severally represent and warrant to us that you and the Owners are aware that: (a) other franchisees may operate under different forms of agreement and our obligations and rights with respect to franchisees differs materially in certain circumstances; and (b) we may negotiate terms or offer concessions to other franchisees and we have no obligation to offer you the same or similar negotiated terms or concessions.

24.4. **Anti-Terrorism Compliance**. You and the Owners jointly and severally represent and warrant to us that, to the best of your and their knowledge: (a) no property or interest owned by you or any Owner is subject to being "blocked" under any Anti-Terrorism Law; (b) neither you nor any Owner, nor any of their respective funding sources (including any legal or beneficial owner of any Equity Interest in you) or related parties is, or has ever been: (i) a terrorist or suspected terrorist within the meaning of the Anti-Terrorism Law; or (ii) identified by name (or alias, pseudonym or nickname) or address on any Terrorist List, including on the list of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts currently available at www.home.treasury.gov); and (c) you and the Owners are in compliance with, and shall continue to comply with, the Anti-Terrorism Law and all other Laws (either currently in effect or enacted in the future) prohibiting corrupt business practices, money laundering or the aid or support of Persons who conspire to commit acts of terror against any Person or government that are in effect within the United States of America. The foregoing representations and warranties are 'continuing' representations and warranties for the duration of the franchise relationship. Accordingly, you agree to notify us immediately in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

24.5. **Anti-Corruption Compliance**. You and your Owners agree to conduct all Authorized Activities in compliance with: (a) the U.S. Foreign Corrupt Practices Act (which can be found at www.usdoj.gov /criminal/ fraud/fcpa); (b) all other Anti-Corruption Laws applicable in the United States of America; (c) all international conventions that outlaw bribery and corrupt practices (including, for example, the Convention on Combating Bribery of Foreign Public Officials in International Business Transactions); and (d) all policies we establish relating to anti-corruption. You must ensure all of your Owners, employees, consultants, contractors, subcontractors and other Persons under your supervision comply with the foregoing requirements. You and your Owners jointly and severally represent and warrant to us that:

(a) You and the Owners have not, and shall not, in connection with the performance of any Authorized Activities, make, offer, give, or promise to make, offer, or give, directly or indirectly, any payment (in currency, property, or other thing of value): (i) to any Government Official or to an intermediary for payment to any Government Official; or (ii) to any political party if that payment or transfer would violate any applicable Law. It is the intent of the Parties that no payments or transfers of value be made that have the purpose or effect of public or commercial bribery, or acceptance of or acquiescence in extortion, kickbacks, or other unlawful or improper means of obtaining business. This does not, however, prohibit normal and customary business entertainment or the giving of business mementos of nominal value in connection with the performance of the Authorized Activities, provided the entertainment or giving of the memento is otherwise legal under local Law and does not violate or exceed our or the recipient's rules, policies or other ethical standards.

(b) None of your Owners, officers, directors, executives, or employees, or any of their respective immediate family members, are Government Officials. You must immediately notify us in writing if any such individual becomes a Government Official.

If you or an Owner learn or have reason to know of: (a) any payment, offer, or agreement to make a payment to a Government Official or political party for the purpose of obtaining or retaining business or securing any improper advantage for you, any Owner or us in connection with this Agreement or any Authorized Activities, or (b) any other development during the Term that in any way makes your anti-corruption related representations or warranties false, inaccurate, incomplete or misleading, you will immediately notify us in writing of the knowledge or suspicion and the basis therefor. You and your Owners hereby acknowledge and agree to these representations and agree that at any time during the Term, upon our request, you will provide us with an executed certification in a form we reasonably prescribe confirming continued compliance with these representations and warranties. If we believe, in good faith, that you or any of your Owners have acted in any way that may subject us to liability under any Anti-Corruption Law or have otherwise failed to comply with the terms of this Section, we may terminate this Agreement immediately upon notice to you.

25. GENERAL PROVISIONS

25.1. Governing Law. Except as governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051, et seq.), this Agreement and the franchise relationship are governed by the Laws of the State of Arizona without reference to its principles of conflicts of law, but any Law of the State of Arizona that regulates the offer and sale of franchises or business opportunities or governs the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section.

25.2. Relationship of the Parties. You and we are independent contractors. Nothing in this Agreement creates a fiduciary relationship between the parties or is intended to make either party a general or special agent, legal representative, joint venture, partner, employee or servant of the other for any purpose. Throughout the Term you must, in all dealings with third parties, conspicuously identify yourself as a franchisee and the independent owner of your Clinic. We may require that you display a written notice of independent ownership, in the form we prescribe, at any location within your Clinic that we specify. You must also include a written indication of independent ownership on all agreements, forms, letterhead, advertising materials, business cards and other materials that we specify. Neither party may: (a) make any express or implied agreement, warranty or representation, or incur any debt, in the name of or on behalf of the other; or (b) represent that our relationship is other than franchisor and franchisee. In addition, neither party will be obligated by any agreements or representations made by the other that are not expressly authorized by this Agreement.

25.3. Severability and Substitution. Each section of this Agreement (and each portion thereof) shall be severable. If applicable Law (including any Healthcare Law) imposes mandatory non-waivable terms that conflict with a provision of this Agreement, the terms required by such Law shall govern to the extent of the inconsistency. If a court concludes that any promise or covenant in this Agreement is unreasonable or unenforceable: (a) the court may modify such promise or covenant to the minimum extent necessary to make it enforceable; or (b) we may unilaterally modify such promise or covenant to the minimum extent necessary to make it enforceable.

25.4. Waivers. Each party may waive any obligation imposed on the other party in writing. Neither party shall be deemed to have waived or impaired any of its contractual rights under this Agreement, including the right to require strict compliance with all terms of this Agreement or terminate this Agreement due to the other party's failure to comply with such terms, by virtue of: (a) any custom or practice of the parties at variance with the terms of this Agreement; (b) any failure, refusal or neglect by either party to exercise any right under this Agreement or require the other party to strictly comply with its obligations under this Agreement; (c) our waiver, failure or refusal to exercise any of our rights with respect to other franchisees; or (d) our acceptance of payments from you after your breach.

25.5. Approvals. Whenever this Agreement requires our approval, you must make a timely written request for approval. Our approval must be in writing in order to bind us. Except as otherwise

expressly provided in this Agreement, if we fail to approve any request for approval within the required period of time, we shall be deemed to have disapproved your request.

25.6. Force Majeure. Neither party shall be liable for loss or damage or deemed to be in breach of this Agreement if such party's failure to perform its obligations results from an event of Force Majeure; *provided, however*, that an event of Force Majeure shall not excuse or permit any failure to perform for more than 180 days. If the period of non-performance exceeds 180 days from receipt of notice of the Force Majeure event, the party whose ability to perform has not been affected may immediately terminate this Agreement by giving written notice of termination to the other party.

25.7. Binding Effect. This Agreement is binding on the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any Person not a party to this Agreement; *provided, however*, that the additional insureds listed in §16.1 and the Indemnified Parties are intended third-party beneficiaries under this Agreement with respect to §16.1 and §19, respectively.

25.8. Integration. THIS AGREEMENT CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES AND MAY NOT, EXCEPT AS PERMITTED BY §12.2 AND §25.3, BE CHANGED EXCEPT BY A WRITTEN DOCUMENT SIGNED BY BOTH PARTIES. In addition, our issuance of the Site Acceptance Notice attached hereto as ATTACHMENT "B" shall be deemed to amend this Agreement to identify the approved site and Territory for your Clinic, regardless of whether you countersign and/or return the Site Acceptance Notice. Any email or other informal electronic communication shall not be deemed to modify this Agreement unless it is signed by both parties and specifically states it is intended to modify this Agreement. The attachment(s) are part of this Agreement, which, together with any Amendments or Addenda executed on or after the Effective Date, constitutes the entire understanding and agreement of the parties, and there are no other oral or written understandings or agreements between us and you about the subject matter of this Agreement. As referenced above, all mandatory provisions of the Manual are part of this Agreement. Any representations not specifically contained in this Agreement made before entering into this Agreement do not survive after the signing of this Agreement. Nothing in this Agreement is intended to disclaim any of the representations we made in the Franchise Disclosure Document. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

25.9. Covenant of Good Faith. If applicable Law implies into this Agreement a covenant of good faith and fair dealing, the covenant shall not imply any rights or obligations inconsistent with the express terms hereof. This Agreement, and the relationship of the parties inherent in this Agreement, grants us discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with our explicit rights and obligations under this Agreement that may favorably or adversely affect your interests. We will use our judgment in exercising the discretion based on our assessment of our own interests and balancing those interests against the interests of our franchisees, but without considering the individual interests of you or any other franchisee.

25.10. Rights of Parties are Cumulative. The rights of the parties under this Agreement are cumulative and no exercise or enforcement by either party of any right or remedy under this Agreement will preclude any other right or remedy available under this Agreement or by Law.

25.11. Survival. All provisions that expressly or by their nature survive the termination, expiration or Transfer of this Agreement, or the Transfer of an ownership interest in the Clinic or Franchisee Entity, shall continue in full force and effect subsequent to and notwithstanding its termination, expiration or Transfer and until they are satisfied in full or by their nature expire, including, without limitation, §14, §15, §17, §19, §22, §23 and §25.

25.12. Construction. The headings in this Agreement are for convenience only and do not define, limit or construe the contents of the sections or subsections. All references to Sections refer to the Sections contained in this Agreement unless otherwise specified. All references to days in this Agreement refer to calendar days unless otherwise specified. The term "you" as used in this Agreement is applicable to one or more Persons, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine and the possessive.

25.13. Time of Essence. Time is of the essence in this Agreement and every term thereof.

25.14. Notice. All notices given under this Agreement must be in writing, delivered by hand, email (to the last email address provided by the recipient) or first class mail, to the following addresses (which may be changed upon 10 business days' prior written notice):

LEASE ADDENDUM

[See attached]

ADDENDUM TO LEASE AGREEMENT

This Addendum to Lease Agreement (this "Addendum"), is entered into effective on this _____ day of _____, 20___ (the "Effective Date") by and between _____, a _____ ("Lessor"), and _____, a _____ ("Lessee") (each a "Party" and collectively, the "Parties").

RECITALS

A. The Parties hereto have entered into a certain Lease Agreement, dated on the _____ day of _____, 20___ (the "Agreement"), and pertaining to the premises located at _____ (the "Premises").

B. Lessor acknowledges that Lessee intends to operate The Joint franchise from the Premises pursuant to a Franchise Agreement (the "Franchise Agreement") with The Joint Corp., a Delaware corporation ("Franchisor") under the name The Joint or other name designated by Franchisor ("Franchised Business").

C. The Parties now desire to amend the Lease Agreement in accordance with the terms and conditions contained herein.

D. In consideration of the mutual covenants and agreements herein set forth and each act done and to be done pursuant hereto, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby represent, warrant, covenant and agree as follows:

AGREEMENT

1. Remodeling and Decor. The above recitals are hereby incorporated by reference. Lessor agrees that Lessee shall have the right to remodel, equip, paint and decorate the interior of the Premises and to display the proprietary marks and signs on the interior and exterior of the Premises as Lessee is reasonably required to do pursuant to the Franchise Agreement and any successor Franchise Agreement under which Lessee may operate a Franchised Business on the Premises.

2. Assignment. Lessee shall have the right to assign all of its right, title and interest in and to the Lease Agreement to Franchisor or its parent, subsidiary, or affiliate, (including another franchisee) at any time during the term of the Lease, including any extensions or renewals thereof, without first obtaining Lessor's consent, pursuant to the terms of the Collateral Assignment of Lease attached hereto as **Exhibit A**. However, no assignment shall be effective until such time as Franchisor or its designated affiliate gives Lessor written notice of its acceptance of the assignment, and nothing contained herein or in any other document shall constitute Franchisor or its designated subsidiary or affiliate a party to the Lease Agreement, or guarantor thereof, and shall not create any liability or obligation of Franchisor or its parent unless and until the Lease Agreement is assigned to, and accepted in writing by, Franchisor or its parent, subsidiary or affiliate. In the event of any assignment, Lessee shall remain liable under the terms of the Lease. Franchisor shall have the right to reassign the Lease to another franchisee without the Landlord's consent in accordance with Section 4(a).

3. Default and Notice.

   (a) In the event there is a default or violation by Lessee under the terms of the Lease Agreement, Lessor shall give Lessee and Franchisor written notice of the default or violation within 10 after Lessor receives knowledge of its occurrence. If Lessor gives Lessee a default notice, Lessor shall contemporaneously give Franchisor a copy of the notice. Franchisor shall have the right, but not the obligation, to cure the default. Franchisor will notify Lessor whether it intends to cure the default and take an automatic assignment of Lessee's interest as provided in Section 4(a). Franchisor will have an additional 15 days from the expiration of Lessee's cure period in which it may exercise the option to cure, but is not obligated to cure the default or violation.

(b) All notices to Franchisor shall be sent by registered or certified mail, postage prepaid, to the following address:

The Joint Corp. 16767 N. Perimeter Dr., Suite #110 Scottsdale, AZ 85260
Attention: Eric Simon E-mail: eric.simon@thejoint.com

Franchisor may change its address for receiving notices by giving Lessor written notice of the new address. Lessor agrees that it will notify both Lessee and Franchisor of any change in Lessor's mailing address to which notices should be sent.

(c) Following Franchisor's approval of the Lease Agreement, Lessee agrees not to terminate, or in any way alter or amend the same during the Initial Term of the Franchise Agreement or any Interim Period thereof without Franchisor's prior written consent, and any attempted termination, alteration or amendment shall be null and void and have no effect as to Franchisor's interests thereunder; and a clause to the effect shall be included in the Lease.

4. Termination or Expiration.

(a) Upon Lessee's default and failure to cure the default within the applicable cure period, if any, under either the Lease Agreement or the Franchise Agreement, Franchisor will, at its option, have the right, but not the obligation, to take an automatic assignment of Lessee's interest in the Lease Agreement and at any time thereafter to reassign the Lease Agreement to a new franchisee without Lessor's consent and to be fully released from any and all liability to Lessor upon the reassignment, provided the franchisee agrees to assume Lessee's obligations and the Lease Agreement. Upon notice from Franchisor to Lessor requesting an automatic assignment, Lessor will, at the cost of Franchisor, take appropriate actions to secure the leased premises including but not limited changing the locks and granting Franchisor sole rights to the Premises.

(b) Upon the expiration or termination of either the Lease Agreement or the Franchise Agreement (attached), Lessor will cooperate with and assist Franchisor in securing possession of the Premises and if Franchisor does not elect to take an assignment of the Lessee's interest, Lessor will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Lessor, to remove all signs, awnings, and all other items identifying the Premises as a Franchised Business and to make other modifications (such as repainting) as are reasonably necessary to protect The Joint marks and system, and to distinguish the Premises from a Franchised Business. In the event Franchisor exercises its option to purchase assets of Lessee or has rights to those through the terms of any agreement between Lessee and Franchisor, Lessor shall permit Franchisor to remove all the assets being purchased by Franchisor.

5. Consideration; No Liability.

(a) Lessor hereby acknowledges that the provisions of this Addendum are required pursuant to the Franchise Agreement under which Lessee plans to operate its business and Lessee would not lease the Premises without this Addendum. Lessor also hereby consents to the Collateral Assignment of Lease from Lessee to Franchisor as evidenced by **Exhibit A**.

(b) Lessor further acknowledges that Lessee is not an agent or employee of Franchisor and Lessee has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any affiliate of Franchisor, and that Lessor has entered into this Addendum with full understanding that it creates no duties, obligations or liabilities of or against Franchisor or any affiliate of Franchisor.

6. Sales Reports. If requested by Franchisor, Lessor will provide Franchisor with whatever information Lessor has regarding Lessee's sales from its Franchised Business.

7. Amendments. No amendment or variation of the terms of the Lease or this Addendum shall be valid unless made in writing and signed by the Parties hereto.

8. Reaffirmation of Lease. Except as amended or modified herein, all of the terms, conditions and covenants of the Lease Agreement shall remain in full force and effect and are incorporated herein by reference and made a part of this Addendum as though copied herein in full.

9. Beneficiary. Lessor and Lessee expressly agree that Franchisor is a third-party beneficiary of this Addendum.

IN WITNESS WHEREOF, the Parties have duly executed this Addendum as of the Effective Date.

EXHIBIT A – COLLATERAL ASSIGNMENT OF LEASE

This COLLATERAL ASSIGNMENT OF LEASE (this "Assignment") is entered into effective as of the date last set forth below (the "Effective Date"), the undersigned, _____, ("Assignor") hereby assigns, transfers and sets over unto The Joint Corp., a Delaware corporation ("Assignee") all of Assignor's right, title and interest as tenant, in, to and under that certain lease, a copy of which is attached hereto as **Exhibit 1** (the "Lease Agreement") with respect to the premises located at _____ (the "Premises"). This Assignment is for collateral purposes only and except as specified herein, Assignee shall have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment unless Assignee shall take possession of the Premises demised by the Lease Agreement pursuant to the terms hereof and shall assume the obligations of Assignor thereunder.

Assignor agrees it will not suffer or permit any surrender, termination, amendment or modification of the Lease Agreement without the prior written consent of Assignee. Through the Initial Term of the Franchise Agreement and any Renewal Period thereof (as defined in the Franchise Agreement), Assignor agrees that it shall elect and exercise all options to extend the term of or renew the Lease Agreement not less than 30 days before the last day that said option must be exercised, unless Assignee otherwise agrees in writing. Upon failure of Assignee to otherwise agree in writing, and upon failure of Assignor to so elect to extend or renew the Lease Agreement as stated herein, Assignor hereby irrevocably appoints Assignee as its true and lawful attorney-in-fact, which appointment is coupled with an interest, to exercise the extension or renewal options in the name, place and stead of Assignor for the sole purpose of effecting the extension or renewal.

(and including the Clinic's premises itself).

"*System*" means the business format, model and operating system we developed for the operation of a Clinic.

2. Background. In your capacity as an owner (or the spouse of an owner) of Franchisee, you may gain knowledge of our System and Know-how. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and that you could seriously jeopardize our franchise system if you were to unfairly compete with us or misuse our Intellectual Property. In addition, you understand that certain terms of the Franchise Agreement apply to "owners" and not just Franchisee. You agree to comply with this Agreement to: (a) avoid damaging our System by engaging in unfair competition; and (b) bind yourself to the terms of the Franchise Agreement applicable to owners.

3. Brand Protection Covenants.

(a) Intellectual Property and Confidential Information. You agree to:

(i) refrain from using the Intellectual Property or Confidential Information in any capacity or for any purpose other than the operation of Franchisee's Clinic in compliance with the Franchise Agreement and Manual;

(ii) maintain the confidentiality of Confidential Information at all times;

(iii) refrain from making unauthorized copies of documents containing Confidential Information;

(iv) take all steps we reasonably require to prevent unauthorized use or disclosure of Confidential Information; and

(v) immediately stop using the Intellectual Property and Confidential Information at such time that you are (or your spouse is) no longer an owner of Franchisee.

You agree to assign to us or our designee, without charge, all rights to any Improvement developed by you, including the right to grant sublicenses. If applicable law precludes you from assigning ownership of any Improvement to us, then such Improvement shall be perpetually licensed by you to us free of charge, with full rights to use, commercialize and sublicense the same.

(b) Unfair Competition. You may not engage in any Prohibited Activities at any time: (i) that you are (or your spouse is) an owner of Franchisee; or (ii) during the Restricted Period. Notwithstanding the foregoing, you may have an interest in a Competing Business during the Restricted Period as long as the Competing Business is not located within the Restricted Territory. If you engage in any Prohibited Activities during the Restricted Period (other than having an interest in a Competing Business permitted by this Section), your Restricted Period will be extended by the period of time during which you engaged in the Prohibited Activity. Any such extension of time will not constitute a waiver of your breach or impair any of our rights or remedies relating to your breach.

(c) Family Members. Because you could circumvent the purpose of §3 by disclosing Confidential Information to an immediate family member (i.e., parent, sibling, child, or grandchild) and it would be difficult for us to prove any such breach, you will be presumed to have breached this Agreement if a member of your immediate family (i) engages in any Prohibited Activities at any time that you are prohibited from engaging in the Prohibited Activities or (ii) uses or discloses Confidential Information. However, you may rebut this presumption with evidence conclusively showing you did not disclose Confidential Information to the family member.

(d) Covenants Reasonable. You agree that: (i) the covenants in §3 are reasonable both in duration and geographic scope; and (ii) you have sufficient resources, business experience and opportunities to earn an adequate living while complying with these covenants. Although you and we both believe the covenants in §3 are reasonable we may, upon written notice to you, unilaterally modify the brand protection covenants in §3 of this Agreement by limiting the scope of the Prohibited Activities, narrowing the definition of a Competing Business, shortening the duration of the

Restricted Period, reducing the geographic scope of the Restricted Territory and/or reducing the scope of any other covenant imposed upon you under §3 of this Agreement to ensure the covenants are enforceable under applicable law.

(e) Breach. You agree that: (i) any failure to comply with §3 is likely to cause substantial and irreparable damage to us and/or other franchisees for which there is no adequate remedy at law; and (ii) we are entitled to injunctive relief if you breach §3 together with any other relief available at equity or law. We will notify you if we intend to seek injunctive relief, but we need not post a bond. If a court requires that we post a bond despite our mutual agreement to the contrary, the required amount of the bond may not exceed $1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages.

4. Transfer Restrictions. We must approve all persons who hold a direct or indirect ownership interest in the Franchisee entity. If you are an owner of Franchisee, you agree that you will not directly or indirectly sell, assign, mortgage, pledge or in any manner transfer any direct or indirect ownership interest in the Franchisee entity except in accordance with §20 of the Franchise Agreement.

5. Financial Security. In order to secure Franchisee's financial obligations under the Franchise Agreement and all other Definitive Agreements (as defined in the Franchise Agreement) (collectively, the "Secured Agreements"), you, jointly and severally, personally and unconditionally: (a) guarantee to us and our successor and assigns, that Franchisee shall punctually fulfil all of its payment and other financial obligations under the Secured Agreements; and (b) agree to be personally bound by, and personally liable for, each and every monetary provision in the Secured Agreements. You waive:

(i) acceptance and notice of acceptance by us of the foregoing undertakings;

(ii) notice of demand for payment of any indebtedness guaranteed;

(iii) protest and notice of default to any party with respect to the indebtedness guaranteed;

(iv) any right you may have to require that an action be brought against Franchisee or any other person as a condition of liability; and

(v) the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness hereby guaranteed.

You agree that: (a) your direct and immediate liability under this guaranty shall be joint and several with Franchisee and all other signatories to this Agreement; (b) you will render any payment required under the Secured Agreements upon demand if Franchisee fails to promptly do so; (c) your liability shall not be contingent or conditioned upon pursuit by us of any remedies against Franchisee or any other person; and (d) liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence that we may grant to Franchisee or to any other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guarantee, which shall be continuing and irrevocable during the term of each of the Secured Agreements and following the termination, expiration or transfer of each of the Secured Agreements to the extent any financial obligations under any such Secured Agreements survive such termination, expiration or transfer. This guaranty will continue unchanged by the occurrence of any bankruptcy of Franchisee or any assignee or successor of Franchisee or by any abandonment of one or more of the Secured Agreements by a trustee of Franchisee. Neither your obligation to make payment in accordance with the terms of this undertaking nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee or its estate in bankruptcy or of any remedy for enforcement, resulting from the operation of any present or future provision of the U.S. Bankruptcy Act or other statute, or from the decision of any court or agency.

6. **Dispute Resolution.** Any dispute between the parties relating to this Agreement shall be brought in accordance with the dispute resolution procedures in the Franchise Agreement. Notwithstanding the foregoing, if any dispute resolution procedures in the Franchise Agreement conflict with any terms of this Agreement, the terms of this Agreement shall prevail. **You acknowledge and agree that your breach of this Agreement constitutes a material event of default under the Franchise Agreement, permitting us to terminate the Franchise Agreement in accordance with its terms.**

7. **Miscellaneous**.

   (a) If either party hires an attorney or files suit against the other party for breach of this Agreement, the losing party must reimburse the prevailing party for its reasonable attorneys' fees and costs.

   (b) This Agreement will be governed by, construed and enforced under the laws of Arizona and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

   (c) Any claim, defense or cause of action you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

   (d) Each section of this Agreement, including each subsection and portion thereof, is severable. If any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion. The parties agree that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration and geographic area.

   (e) You agree that we may deliver to you any notice or other communication contemplated by this Agreement in the same manner and to the same address listed in the notice provisions of the Franchise Agreement and any such delivery shall be deemed effective for purposes of this Agreement. You may change the address to which notices must be sent by sending us a written notice requesting such change, which notice shall be delivered in the manner and to the address listed in the Franchise Agreement.

None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages.

6. Miscellaneous.

(a) If we hire an attorney or file suit against you for breach of this Agreement and we prevail, you must reimburse us for our reasonable attorneys' fees and costs.

The parties agree that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms enforceable.

This Confidentiality Agreement is executed as of the date set forth below.

In accordance with 42 U.S.C. §17931 of the HITECH Act, Business Associate shall be directly responsible for full compliance with the policies and procedures and documentation requirements of the HIPAA Security Rule including, but not limited to, 45 C.F.R. §§164.308, 164.310, 164.312, 164.314 and 164.316.

3.7. **Reporting of Breach of Unsecured PHI**. Business Associate agrees to report to Covered Entity any Breach of Unsecured PHI of which Business Associate (or Business Associate's employee, officer or agent) becomes aware without unreasonable delay and in no case later than 24 hours after Business Associate knows of such Breach, except where a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security.

3.8. **Agents and Subcontractors**. Business Associate agrees to ensure that any agent, including a subcontractor, to whom Business Associate provides PHI, agrees in writing to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such PHI, and implement the safeguards required by §3.5 above with respect to ePHI. (c) Designated Record Set. To the extent that Business Associate maintains PHI in a Designated Record Set and at the request of Covered Entity, Business Associate agrees to provide access to PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, to an Individual in order to meet the requirements under 45 C.F.R. §164.524 and applicable State law. To the extent that Business Associate maintains PHI in a Designated Record Set, Business Associate agrees to make any amendment(s) to PHI in a Designated Record Set at the request of Covered Entity in accordance with 45 C.F.R. §164.526. Within 15 business days following Business Associate's amendment of PHI as directed by Covered Entity, Business Associate shall provide written notice to Covered Entity confirming that Business Associate has made the amendments or addenda to PHI as directed by Covered Entity and containing any other information as may be necessary for Covered Entity to provide adequate notice to the Individual in accordance with 45 C.F.R. §164.526.

Business Associate shall maintain this record for a period of six (6) years and make it available to Covered Entity upon request in an electronic format so that Covered Entity may meet its disclosure accounting obligations under 45 C.F.R. §164.528. If Covered Entity provides a list of its business associates to an Individual in response to a request by an Individual for an accounting of disclosures, and the Individual thereafter specifically requests an accounting of disclosures from Business Associate, then Business Associate shall provide an accounting of disclosures to such Individual.

3.12. **Secretary's Right to Audit**. Business Associate agrees to keep records, submit compliance reports, and make its internal practices, books, and records relating to the use and disclosure of PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, available to the Secretary for purposes of the Secretary determining Covered Entity's and/or Business Associate's compliance with HIPAA, the HIPAA Regulations and the HITECH Act. Business Associate shall permit the Secretary access to its facilities, books, records, accounts, and other sources of information, including PHI, during normal business hours. No attorney-client or other legal privilege will be deemed to have been waived by Business Associate by virtue of this provision of the Agreement. 4.3. **Restrictions on Use or Disclosure of PHI**. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. §164.522 to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

4.4. **Requested Uses or Disclosures of PHI**. Except for Data Aggregation or management and administrative activities of Business Associate, Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Regulations if done by Covered Entity.

5. TERM AND TERMINATION.

5.1. **Term**. The term of this Agreement shall be coterminous with the Services Agreement. However, Business Associate shall have a continuing obligation to safeguard the confidentiality of PHI received from Covered Entity after the termination of the Services Agreement.

5.2. **Termination Without Cause**. Either Party may terminate this Agreement without cause or penalty by the delivery of a written notice from the terminating Party to the other Party. Such termination is effective 30 calendar days from the date that the other Party receives such notice.

5.3. **Termination For Cause**. A breach of any provision of this Agreement by Business Associate shall constitute a material breach of this Agreement and shall provide grounds for immediate termination of this Agreement and/or the Services Agreement notwithstanding any provision in this Agreement or the Services Agreement to the contrary.

5.4. **Judicial or Administrative Proceedings**. Either Party may terminate the Services Agreement, effective immediately, if: (a) the other Party is named as a defendant in a criminal proceeding for a violation of HIPAA, the HIPAA Regulations, the HITECH Act, or other security or privacy laws; or (b) a finding or stipulation that the other Party has violated any standard or requirement of HIPAA, the HIPAA Regulations, the HITECH Act or other security or privacy laws is made in any administrative or civil proceeding in which the Party has been joined.

5.5. **Effect of Termination**. Except as otherwise provided in this Section, upon termination of this Agreement for any reason, Business Associate shall return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. Business Associate shall certify in writing to Covered Entity that such PHI has been destroyed. If Business Associate determines that returning or destroying the PHI is not feasible, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction unfeasible. Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures to those purposes that make the return or destruction of the PHI unfeasible, for so long as Business Associate maintains such PHI.

6. BREACH PATTERN OR PRACTICE. If either Party (the "Non-Breaching Party") knows of a pattern of activity or practice of the other Party (the "Breaching Party") that constitutes a material breach or violation of the Breaching Party's obligations under this Agreement, the Non-Breaching Party shall either: (a) terminate this Agreement in accordance with §5.3 above; or (b) take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the Non-Breaching Party must terminate the Agreement if feasible. The Non-Breaching Party shall provide written notice to the Breaching Party of any pattern of activity or practice of the Breaching Party that the Non-Breaching Party believes constitutes a material breach or violation of the Breaching Party's obligations under this Agreement within three (3) days of discovery and shall meet with the Breaching Party's Privacy Coordinator to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

7. **DISCLAIMER**. Covered Entity makes no warranty or representation that compliance by Business Associate with this Agreement, HIPAA, the HIPAA Regulations, or the HITECH Act will be adequate or satisfactory for Business Associate's own purposes. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.

8. **CERTIFICATION**. To the extent that Covered Entity determines that such examination is necessary to comply with Covered Entity's legal obligation pursuant to HIPAA, the HIPAA Regulations, and the HITECH Act, Covered Entity or its authorized agents or contractors may, at Covered Entity's expense, examine Business Associate's facilities, systems, procedures (including but not limited to review of training procedures for Business Associate's staff) and records as may be necessary for such agents or contractors to certify to Covered Entity the extent to which Business Associate's security safeguards comply with HIPAA, the HIPAA Regulations, the HITECH Act, and this Agreement.

This indemnification shall not replace or cover claims to which a policy of insurance covers and pays. This indemnification shall continue in full force and effect after, and notwithstanding, the transfer, assignment, expiration or termination of this Agreement.

12.7. **Assistance in Litigation or Administrative Proceedings**. Business Associate shall make itself, and any subcontractors, employees or agents, available to Covered Entity, at no cost to Covered Entity, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against Covered Entity, its directors, officers or employees based upon a claimed violation of HIPAA, the HIPAA Regulations, the HITECH Act, the Privacy Rule, the Security Rule, or other laws relating to security and privacy, except where Business Associate or its subcontractor, employee or agent is a named adverse party.

12.8. **Subpoenas**. If Business Associate receives a subpoena or similar notice or request from any judicial, administrative or other party arising out of or in connection with this Agreement, including, but not limited to, any unauthorized use or disclosure of PHI, Business Associate shall promptly forward a copy of such subpoena, notice or request to Covered Entity and afford Covered Entity the opportunity to exercise any rights it may have under law.

This Renewal Addendum (this "Addendum") applies only if: (a) you are renewing your franchise rights for an existing and operational Clinic; and (b) we have marked "RENEWAL ADDENDUM APPLIES" in Part D of ATTACHMENT "A" of the Franchise Agreement to which this Renewal Addendum is attached (the "Agreement"). You and we may be referred to herein as a "Party" or collectively as the "Parties".

1. **Defined Terms**. Any capitalized term that is not defined herein shall have the meaning ascribed to such term in the Agreement. Any reference to "§" or "Section" shall refer to the § or Section of the Agreement unless otherwise specified.

4. **Clinic Refresh Requirements**. As a condition to renewal, we may require you to remodel, renovate and otherwise alter your Clinic's premises, and upgrade your Clinic's furniture, fixtures and equipment, to conform to our current standards and specifications ("Clinic Refresh Requirements"). If we determine a new Clinic Design is necessary, you must pay us a $600 clinic design fee upon execution of the Agreement. We hereby confirm that (franchisor to check appropriate box):

   ___ New Clinic Design IS Required

   ___ New Clinic Design Is NOT Required

   If we require you to complete any Clinic Refresh Requirements, you must do so at your expense in accordance with our instructions and, if applicable, new Clinic Design. Within 30 days after execution of the Agreement, you shall provide us with evidence of insurance coverage demonstrating your compliance with §16.1 of the Agreement.

6. **Waiver and Release of Claims**. In accordance with the renewal conditions set forth in the prior Franchise Agreement, you and your Owners (as such term is defined in the Successor Agreement) shall sign the Waiver and Release of Claims attached hereto as Attachment A concurrently with the execution of the Agreement. For the sake of clarity, the release of claims shall not extend to any claims arising under state or federal franchise laws relating to: (a) the execution of the Agreement; (b) the offer and grant of franchise renewal rights; or (c) any disclosures or representations made by us or our representatives in connection with either of the foregoing.

7. **Miscellaneous**.

   (a) Effect on Agreement. Except as specifically modified or supplemented by this Addendum, all terms, conditions, covenants and agreements set forth in the Agreement shall remain in full force and effect.

TRANSFER ADDENDUM

This Transfer Addendum (this "Addendum") applies only if: (a) you are acquiring rights to an existing and operational Clinic from another franchisee ("Seller") pursuant to an approved Transfer; and (b) we have marked "TRANSFER ADDENDUM APPLIES" in Part D of ATTACHMENT "A" of the Franchise Agreement to which this Transfer Addendum is attached (the "Agreement"). You and we may be referred to herein as a "Party" or collectively as the "Parties".

1. **Defined Terms**. Any capitalized term that is not defined herein shall have the meaning ascribed to such term in the Agreement. Any reference to "§" or "Section" shall refer to the § or Section of the Agreement unless otherwise specified.

2. **Term**. You may choose between: (a) acquiring a full 10-year Term (a "Full Term"), in which case you must pay us a pro-rated renewal fee in accordance with §3 below; and (b) acquiring the term remaining on Seller's Franchise Agreement (the "Remaining Term"), in which case you do not pay us any renewal fee at this time. If you elect to acquire the Remaining Term, then the Term of the Agreement will expire on the Expiration Date listed below. We hereby confirm that you have elected the following (franchisor to check appropriate box):

   ___ Full Term - expires on 10th anniversary of Effective Date

   ___ Remaining Term - expires on _____, 202___ (the "Expiration Date")

   If you elected to acquire the Remaining Term, then the Agreement is hereby amended to delete the definition of "Term" in §1 and substitute the following definition in its place:

   "*Term*" means the period of time beginning on the Effective Date and expiring on the earlier to occur of: (a) the Expiration Date referenced in the Transfer Addendum; or (b) the date this Agreement is effectively terminated.

3. **Renewal Fee**. If you elected to acquire a Full Term in accordance with §2, then you shall pay us a nonrefundable pro-rated renewal fee of $[_____] upon execution of the Agreement. The renewal fee shall be in addition to the Transfer Fee. If you elected to acquire the Remaining Term, then you will not owe us any renewal fee at the time you sign the Agreement.

4. **Transfer Fee**. We hereby acknowledge receipt of the $[_____] transfer fee required by the Consent to Transfer Agreement.

5. **No Initial Franchise Fee**. You are not required to pay the initial franchise fee set forth in §14.1 of the Agreement.

6. **Assumption of Obligations**. You agree to discharge and guarantee the Seller's obligations under all contracts executed by Seller in connection with the Clinic, including, without limitation, Seller's Franchise Agreement, supplier contracts, membership agreements and other contracts.

7. **Clinic Refresh Requirements**. As a condition to our approval of the Transfer of the Clinic from Seller to you, we may require you to remodel, renovate and otherwise alter the Clinic's premises, and upgrade the Clinic's furniture, fixtures and equipment, to conform to our current standards and specifications ("Clinic Refresh Requirements"). If we determine a new Clinic Design is necessary, you must pay us a $600 clinic design fee upon execution of the Agreement. We hereby confirm that (franchisor to check appropriate box):

   ___ New Clinic Design IS Required

   ___ New Clinic Design Is NOT Required

   If we require you to complete any Clinic Refresh Requirements, you must do so at your expense in accordance with our instructions and, if applicable, new Clinic Design. All required Clinic Refresh Requirements must be completed no later than six (6) months after the Transfer effective date. This Section shall not apply if we determine, in our sole discretion, that the Clinic's premises, furniture, fixtures and

equipment are in substantial compliance with our current standards and specifications. To the extent applicable, you agree to comply with §8.3 (Clinic Design) and §8.4 (Construction) of the Agreement in connection with work you perform to implement any Clinic Refresh Requirements we impose as a condition to Transfer. If we do not require you to complete any Clinic Refresh Requirements, then §8.3 (Clinic Design) and §8.4 (Construction) of the Agreement shall not apply.

8. **Preopening Obligations**. Unless you are an existing and fully trained The Joint franchisee, you and the trainees we designate must successfully complete the initial training program we provide in accordance with §6.1 (Initial Training Program) and §6.2 (Onsite Training & Opening Assistance); *provided, however*, that: (a) our obligation to provide assistance with the opening of the Clinic shall not apply; and (b) we need not train any Person previously employed by or associated with the Seller who has satisfied all of our current training requirements. Because the Agreement grants you the right to operate a fully developed and operational Clinic, the Parties agree that the following preopening obligations set forth in the Agreement shall not apply: §8.1 (Site Selection); §8.5 (Opening); §11.3(b) (Grand Opening); and §16.3(b) (Report of Initial Investment Costs). Prior to or concurrently with the execution of the Agreement, you shall provide us with evidence of insurance coverage demonstrating your compliance with §16.1 of the Agreement.

9. **Miscellaneous**.

Each Clinic must be located within the Development Territory. This Agreement does not grant you any right or license to use our Intellectual Property.

3. TERRITORIAL PROTECTIONS AND LIMITATIONS. During the Term we will not develop or operate, or license a third party to develop or operate, a Clinic that is located in the Development Territory other than: (a) any Clinic that is operating, under development, or for which a franchise agreement has been executed, in each case as of the Effective Date, and that is (or will be) located in the Development Territory; and (b) any Clinic otherwise permitted by this Section. We reserve the right to sell, and license third parties to sell, competitive or identical goods and services (including under the Marks) within the Development Territory through Alternative Channels of Distribution.

4. DEVELOPMENT OBLIGATIONS

4.1. **Development Schedule**. You must develop, open and operate all Clinics listed in the Development Schedule. Each Clinic must be developed and opened in strict compliance with the time periods set forth in the Development Schedule, including the prescribed deadlines for: (a) signing the Franchise Agreement for the Clinic; and (b) opening the Clinic. We may, in our sole discretion, extend one or more of the deadlines listed in the Development Schedule if you demonstrate to our satisfaction that you used best efforts to meet the deadline and the need for the extension is due to unforeseeable delays rather than your lack of diligence or funding. The opening date listed in the Development Schedule for a given Clinic may be earlier than the opening date required under the terms of the associated Franchise Agreement. In order to comply with the Development Schedule you must open each Clinic by the opening date listed in the Development Schedule even if such date is earlier than the opening date required by the associated Franchise Agreement.

4.2. **Site Selection Process**. You must propose sites within the Development Territory for each Clinic to be developed under this Agreement. All sites you propose must conform to our minimum site selection criteria. You must send us a complete site submission package that includes all documents, information, photos and video we require. In evaluating proposed sites, we consider various factors and criteria, including: parking; visibility, size, condition and characteristics of the building; traffic counts; general location; existence and location of competitive businesses; general character of the neighborhood; local demographic information; and various economic indicators. We will not unreasonably withhold our acceptance of a site that meets our minimum site selection criteria. We will use best efforts to issue our acceptance or rejection of sites you propose within 15 business days after we receive the complete site submission package. Your site is deemed rejected if we fail to issue our written acceptance within the 15 business day period. We will list the address of the accepted site in the Franchise Agreement signed by the parties in accordance with §4.3. Our acceptance or recommendation of a site does not constitute a representation or warranty of any kind, express or implied, of the suitability of the site for a Clinic. It indicates only that we believe

the site meets our minimum criteria. We are not responsible if a site we accept or recommend does not meet your expectations.

4.3. **Franchise Agreements**. You must sign a separate Franchise Agreement for each Clinic. You must sign the Initial Franchise Agreement for your first (1st) Clinic at the time you sign this Agreement. For all other Clinics, you must sign the Franchise Agreement after we accept the site but prior to signing a lease. Each Franchise Agreement shall be our then-current form of The Joint Franchise Agreement (modified to reflect the Discounted Initial Franchise Fee), the terms of which may vary materially and substantially from the terms of the Initial Franchise Agreement. At the time you sign the Franchise Agreement for each new Clinic, you must pay us the balance of the Discounted Initial Franchise Fee for that Clinic (i.e., $19,900). You may not sign a lease or purchase contract for a Clinic's premises until the parties have signed the Franchise Agreement and all ancillary agreements for that Clinic. You must develop, open and operate each Clinic in compliance with the Franchise Agreement and the Manual.

4.4. **Additional Clinics**. You may not develop any Clinic other than the Clinics listed in the Development Schedule unless we, in our sole discretion, permit you to enter into a new area development agreement, which will be upon such terms that we specify, after you develop all Clinics listed in the Development Schedule in accordance with this Agreement.

5. **DEVELOPMENT FEE.** At the time you sign this Agreement you must pay us: (a) the full initial franchise fee for your first Clinic in the amount set forth in Part C of ATTACHMENT "A"; and (b) the development fee set forth in Part C of ATTACHMENT "A", which is calculated as $10,000 multiplied by the total number of Clinics to be developed under this Agreement (excluding the first Clinic). The development fee is fully earned and nonrefundable upon execution of this Agreement.

6. **DEVELOPER ENTITY.** You represent that Part A of ATTACHMENT "A" includes a complete and accurate list of your Owners. Upon request, you must send us a resolution of the Developer Entity authorizing the execution of this Agreement, a copy of its organizational documents and a current Certificate of Good Standing. You may form a separate Entity to enter into each Franchise Agreement provided that: (a) the Person or Persons owning the Equity Interests (and the percentage of the Equity Interests owned) in each such Entity must be the same Person or Persons owning the Equity Interests (with the same percentage of the Equity Interests owned) in the Developer Entity; and (b) each such Entity guarantees the performance of all other Entities formed under the authority of this §6. Each Owner, and the spouse of each Owner who is a natural Person, must sign a Franchise Owner Agreement.

7. **TRANSFERS**

7.1. **By Us**. This Agreement is fully assignable by us, without prior notice to you, and shall inure to the benefit of any assignee(s) or other legal successor(s) to our interest in this Agreement, provided that we shall, subsequent to any such assignment, remain liable for the performance of our obligations under this Agreement up to the effective date of the assignment.

7.2. **By You**. The development rights are personal to you and the Owners. We are granting you area development rights in reliance upon the character, skill, attitude, business ability and financial resources of you and your Owners. Because this Agreement is a personal services contract, neither you nor any Owner may engage in any Transfer other than a Permitted Transfer. You may engage in a Permitted Transfer, but you must: (a) give us at least 10 days' prior written notice; and (b) upon our request, cause any Entity that was the Developer Entity immediately prior to the Permitted Transfer to sign a corporate guarantee in the format we require to secure performance of the new Developer Entity's financial obligations under all Definitive Agreements. You and the Owners (and the transferee) agree to sign all documents we reasonably request to effectuate and document the Permitted Transfer.

8. **TERMINATION**

8.1. **Reasonableness**. You represent that you: (a) have conducted your own independent investigation

and analysis of the prospects for the development of the Clinics within the Development Territory; (b) approve the Development Schedule as being reasonable and viable; and (c) recognize that any breach of the Development Schedule is a material breach of this Agreement.

8.2. **Termination By Us**. We may terminate this Agreement, effective upon delivery of a written notice of termination to you, for any of the following reasons, all of which constitute material events of default and "good cause" for termination, and without opportunity to cure except for any cure period expressly set forth below:

(i) if we terminate any Definitive Agreement due to a default committed by you or one of your Owners or affiliates; or

(ii) if you or one of your Owners of affiliates breaches any provision of this Agreement or any other Definitive Agreement and fails to cure the breach within 30 days after receipt of a default notice from us.

8.3. **Effect of Termination**. The termination of this Agreement will end all of your rights and development obligations under this Agreement, including without limitation, your interests in the Development Territory and right to sign new Franchise Agreements or open additional Clinics. We will not refund any portion of the development fee, but you will not be obligated to pay the remaining balance of the Discounted Initial Franchise Fee for any Clinic for which a Franchise Agreement had not yet been signed.

9. **DISPUTE RESOLUTION.** Any Dispute between the parties relating to this Agreement shall be resolved pursuant to the dispute resolution provisions in the Initial Franchise Agreement. All such dispute resolution provisions are incorporated herein by reference as if fully set forth in this Agreement.

10. **REPRESENTATIONS.**

10.1. **Corporate Representations**. You and your Owners jointly and severally represent and warrant to us that the execution and delivery of this Agreement, and the performance of your obligations hereunder, does not: (a) conflict with, breach or constitute a default under any other agreement to which you are (or any affiliate of yours is) a party or by which your (or your affiliate's) assets may be bound; (b) violate any order, writ, injunction, decree, judgment or ruling of any Governmental Authority; or (c) violate any applicable Law. If the developer is an Entity, then you and your Owners also jointly and severally represent and warrant to us that: (a) the Developer Entity is duly organized, validly existing and in good standing under the Laws of the state of its formation and has the requisite power and authority to enter into this Agreement and to perform each of its obligations hereunder; and (b) the execution and delivery of this Agreement have been duly authorized by all requisite corporate action and this Agreement shall constitute the legal, valid and binding obligation of the Developer Entity and shall be enforceable against the Developer Entity in accordance with its terms.

10.3. **General Representations**. You and your Owners jointly and severally represent and warrant to us that: (a) other area developers may operate under different forms of agreement and our obligations and rights with respect to area developers differs materially in certain circumstances; and (b) we may negotiate terms or offer concessions to other area developers and we have no obligation to offer you the same or similar negotiated terms or concessions.

10.4. **Anti-Terrorism Compliance**. You and your Owners jointly and severally represent and warrant to us that, to the best of your knowledge: (a) no property or interest owned by you or any Owner is subject to being "blocked" under any Anti-Terrorism Law; (b) neither you nor any Owner, nor any of their respective funding sources (including any legal or beneficial owner of any Equity Interest in you) or related parties is, or has ever been: (i) a terrorist or suspected terrorist within the meaning of the Anti-Terrorism Law; or (ii) identified by name (or alias, pseudonym or nickname) or address on any Terrorist List, including on the list of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts currently available at www.home.treasury.gov); and (c) you and the Owners are in compliance with, and shall continue to comply with, the Anti-Terrorism Law and all other Laws (either currently in effect or enacted in the future) prohibiting corrupt business practices, money laundering or the aid or support of Persons who conspire to commit acts of terror against any Person or government that are in effect within the United States of America. The foregoing representations and warranties are 'continuing' representations and warranties for the duration of the franchise relationship. Accordingly, you agree to notify us immediately in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

11. GENERAL PROVISIONS

11.1. **Governing Law.** This Agreement and the franchise relationship are governed by the Laws of the State of Arizona without reference to its principles of conflicts of law, but any Law of the State of Arizona that regulates the offer and sale of franchises or business opportunities or governs the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section.

11.2. **Severability**. Each section and subsection of this Agreement, and any portion thereof, shall be considered severable.

11.3. **Waivers.** Each party may waive any obligation imposed on the other party in writing. Nothing in this Agreement is intended to disclaim any of the representations we made in the Franchise Disclosure Document. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. The Joint Corp. 10-K -Annual Report, Item 8

Financial Statements and Supplementary Data

For the Fiscal Years Ended

December 31, 2023 and 2022

Report of Independent Registered Public Accounting Firm

Shareholders and Board of Directors
The Joint Corp.
Scottsdale, Arizona

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of The Joint Corp. (the "Company") as of December 31, 2023 and 2022, the related consolidated statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control – Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") and our report dated March 7, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing separate opinions on the critical audit matter or on the accounts or disclosures to which it relates.

Revenue growth rate utilized in the determination of the fair value of reacquired franchise rights and customer relationships for certain acquisitions

As described in Note 3 of the consolidated financial statements, the Company repurchased certain operating franchised clinics for a net purchase consideration of approximately $1.2 million in May 2023. The acquisitions were treated as an asset purchase. As a result of the acquisitions, management was required to determine the estimated fair values of assets acquired and liabilities assumed, including certain identifiable intangible assets. Management utilized third-party valuation specialists to assist in the preparation of the valuation of certain identifiable intangible assets. Management exercised judgment to develop and select revenue growth rates in the measurement of the fair values of the reacquired franchise rights and customer relationships.

We identified the revenue growth rates utilized in the determination of the fair values of the reacquired franchise rights and customer relationships for certain acquisitions as a critical audit matter. The principal considerations for our determination included the subjectivity and judgment required to determine the revenue growth rates used in the fair value measurement of reacquired franchise rights and customer relationships for certain acquisitions. Auditing these revenue growth rates involved especially subjective auditor judgment due to the nature and extent of audit effort required.

The primary procedures we performed to address this critical audit matter included:

- Evaluating the reasonableness of the revenue growth rates by i) comparing to the historical performance using the audited prior year revenue, (ii) assessing the revenue growth rates against industry metrics, and (iii) comparing the actual post-acquisition net revenue to the forecast revenue.

/s/ BDO USA, P.C.

We have served as the Company's auditor since 2021.

THE JOINT CORP.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Basis of Presentation

These financial statements represent the consolidated financial statements of The Joint Corp. ("The Joint"), which includes its variable interest entities ("VIEs"), and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC (collectively, the "Company"). The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the amount of assets, liabilities, revenue, costs, expenses, other (expenses) income, and income taxes that are reported in the consolidated financial statements and accompanying disclosures. These estimates are based on management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other assumptions that are believed to be reasonable under the circumstances. As a result, actual results may be different from these estimates. For a discussion of significant estimates and judgments made in recognizing revenue, accounting for leases, and accounting for income taxes, see Note 2, "Revenue Disclosures," Note 9, "Income Taxes," and Note 10, "Commitments and Contingencies."

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of The Joint and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC, which was dormant for all periods presented. The Company consolidates VIEs in which the Company is the primary beneficiary in accordance with Accounting Standards Codification 810, Consolidations ("ASC 810"). Non-controlling interests represent third-party equity ownership interests in VIEs. All significant inter-affiliate accounts and transactions between The Joint and its VIEs have been eliminated in consolidation.

Comprehensive (Loss) Income

Net (loss) income and comprehensive (loss) income are the same for the years ended December 31, 2023 and 2022.

Nature of Operations

The Joint Corp., a Delaware corporation, was formed on March 10, 2010 for the principal purpose of franchising, developing, selling regional developer rights, supporting the operations of franchised chiropractic clinics, and operating and managing corporate chiropractic clinics at locations throughout the United States of America. The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities.

The following table summarizes the number of clinics in operation under franchise agreements and as company-owned or managed for the years ended December 31, 2023 and 2022:

Variable Interest Entities

Certain states prohibit the "corporate practice of chiropractic," which restricts business corporations from practicing chiropractic care by exercising control over clinical decisions by chiropractic doctors. In states which prohibit the corporate practice of chiropractic, the Company typically enters into long-term management services agreements ("MSAs") with professional corporations ("PCs") that are owned by licensed chiropractic doctors, which, in turn, employ or contract with doctors who provide professional chiropractic care in its clinics. Under these management agreements with PCs, the Company provides, on an exclusive basis, all non-clinical services of the chiropractic practice. The Company has entered into such management agreements with three PCs, including one in Kansas, in connection with the opening of company-managed clinics in August 2022. An entity deemed to be the primary beneficiary of a VIE is required to consolidate the VIE in its financial statements. An entity is deemed to be the primary beneficiary of a VIE if it has both of the following characteristics: (a) the power to direct the activities of a VIE that most significantly impact the VIE's economic performance and (b) the obligation to absorb the majority of losses of the VIE or the right to receive the majority of benefits from the VIE. In accordance with relevant accounting guidance, these PCs were determined to be VIEs. Such PCs are VIEs, as fees paid by the PCs to the Company as its management service provider are considered variable interests because the fees do not meet all the following criteria: 1) The fees are compensation for services provided and are commensurate with the level of effort required to provide those services; 2) The decision maker or service provider does not hold other interests in the VIE that individually, or in the aggregate, would absorb more than an insignificant amount of the VIE's expected losses or receive more than an insignificant amount of the VIE's expected residual returns; 3) The service arrangement includes only terms, conditions, or amounts that are customarily present in arrangements for similar services negotiated at arm's length. Additionally, the Company has determined that it has the ability to direct the activities that most significantly impact the performance of these PCs and have an obligation to absorb losses or receive benefits which could potentially be significant to the PCs. Accordingly, the PCs are VIEs for which the Company is the primary beneficiary and are consolidated by the Company.

The revenues of VIEs represent the revenues of Company-managed clinics in states that prohibit the corporate practice of chiropractic. The Company's involvement with VIEs affects its financial performance and cash flows primarily through amounts recorded in Revenues from company-owned or managed clinics and General and administrative expenses, which are principally comprised of payroll and related expenses, merchant card fees and insurance expense. The management fees/income provided by the MSAs are considered intercompany transactions and therefore eliminated upon consolidation of VIEs.

The VIEs' total revenue was $41.5 million and $34.8 million for the years ended December 31, 2023 and 2022, respectively. The VIEs' general and administrative expenses, excluding the consolidated intercompany management fee, were $18.4 million and $15.7 million for the years ended December 31, 2023 and 2022, respectively.

The VIEs' deferred revenue liability balance for amounts collected in advance for membership and wellness packages was $1.6 million and $4.7 million as of December 31, 2023 and December 31, 2022, respectively. The VIEs' payroll liability balance as of December 31, 2023 and December 31, 2022 was $0.7 million and $0.6 million, respectively. The VIEs' deferred tax assets balance as of December 31, 2023 and December 31, 2022 was $1.1 million and $1.0 million, respectively. The VIEs' liabilities to be disposed of as of December 31, 2023 was $3.6 million. The carrying amount of the other VIEs' assets and liabilities was immaterial as of December 31, 2023 and December 31, 2022, except for those previously listed.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and credit quality of, the financial institutions with which it invests. As of the balance sheet date and periodically throughout the period, the Company has maintained balances in various operating accounts in excess of federally insured limits. The Company has invested substantially all its cash in short-term bank deposits. The Company had no cash equivalents as of December 31, 2023 and 2022.

Restricted Cash

Restricted cash relates to cash that franchisees and company-owned or managed clinics contribute to the Company's National Marketing Fund and cash that franchisees provide to various voluntary regional Co-Op Marketing Funds. Cash contributed by franchisees to the National Marketing Fund is to be used in accordance with the Company's Franchise Disclosure Document with a focus on regional and national marketing and advertising. While such cash balance is not legally segregated and restricted as to withdrawal or usage, the Company's accounting policy is to classify these funds as restricted cash.

Accounts Receivable

Accounts receivable primarily represent amounts due from franchisees for royalty and software fees. The Company records an allowance for credit losses as a reduction to its accounts receivables for amounts that the Company does not expect to recover. An allowance for credit losses is determined through assessments of collectability based on historical trends, the financial condition of the Company's franchisees, including any known or anticipated bankruptcies, and an evaluation of current economic conditions, as well as the Company's expectations of conditions in the future. Actual losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. As of December 31, 2023, and 2022, the Company had no allowance for credit losses on accounts receivable.

Deferred Franchise Costs and Regional Development Costs

Deferred franchise and regional development costs represent commissions that are direct and incremental to the Company and are paid in conjunction with the sale of a franchise license or regional development rights. These costs are recognized as an expense, in franchise and regional development cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise or regional developer agreement.

Property and Equipment

Property and equipment are stated at cost or for property acquired as part of franchise acquisitions at fair value at the date of closing. Depreciation is computed using the straight-line method over estimated useful lives, which is generally three to ten years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the assets. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Capitalized Software

The Company capitalizes certain software development costs, including costs to implement cloud computing arrangements that is a service contract. These capitalized costs are primarily related to software used by clinics for operations and by the Company for the management of operations. Costs incurred in the preliminary stages of development are expensed as incurred. Once an application has reached the development stage, internal and external costs, if direct, are capitalized as assets in progress until the software is substantially complete and ready for its intended use. Capitalization ceases upon completion of all substantial testing. The Company also capitalizes costs related to specific upgrades and enhancements when it is probable the expenditures will result in additional functionality. Internally developed software is recorded as part of property and equipment. Maintenance and training costs are expensed as incurred. Internally developed software is amortized on a straight-line basis over its estimated useful life, which is generally three to five years. Implementation costs incurred in connection with a cloud computing arrangement that is a service contract are included in prepaid expenses in the Company's consolidated balance sheets.

Leases

The Company leases property and equipment under operating and finance leases. The Company leases its corporate office space and the space for each of the company-owned or managed clinic in the portfolio. The Company recognizes a right-of-use ("ROU") asset and lease liability for all leases. Certain leases include one or more renewal options, generally for the same period as the initial term of the lease. The exercise of lease renewal options is generally at the Company's sole discretion and, as such, the Company typically determines that exercise of these renewal options is not reasonably certain. As a result, the Company does not include the renewal option period in the expected lease term and the associated lease payments are not included in the measurement of the ROU asset and lease liability. When available, the Company uses the rate implicit in the lease to discount lease payments; however, the rate implicit in the lease is not readily determinable for substantially all of its leases. In such cases, the Company estimates its incremental borrowing rate as the interest rate it would pay to borrow an amount equal to the lease payments over a similar term, with similar collateral as in the lease, and in a similar economic environment. The Company estimates these rates using available evidence such as rates imposed by third-party lenders to the Company in recent financings or observable risk-free interest rate and credit spreads for commercial debt of a similar duration, with credit spreads correlating to the Company's estimated creditworthiness.

For operating leases that include rent holidays and rent escalation clauses, the Company recognizes lease expense on a straight-line basis over the lease term from the date it takes possession of the leased property. Pre-opening costs are recorded as incurred in general and administrative expenses. Variable lease payments, such as percentage rentals based on location sales, periodic adjustments for inflation, reimbursement of real estate taxes, any variable common area maintenance and any other variable costs associated with the leased property are expensed as incurred and are also included in general and administrative expenses on the consolidated income statements.

Intangible Assets

Intangible assets consist primarily of re-acquired franchise rights and customer relationships. The Company amortizes the fair value of re-acquired franchise rights over the remaining contractual terms of the re-acquired franchise rights at the time of the acquisition, which generally range from one to nine years. The fair value of customer relationships is amortized over their estimated useful life of two to four years.

Goodwill

Goodwill consists of the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired in the acquisitions of franchises. Goodwill and intangible assets deemed to have indefinite lives are not amortized but are tested for impairment annually and more frequently if a triggering event occurs that makes it more likely than not that the fair value of a reporting unit is below carrying value. As required, the Company performs an annual impairment test of goodwill as of the first day of the fourth quarter or more frequently if a triggering event occurs. No impairments of goodwill were recorded for the years ended December 31, 2023 and 2022.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to estimated undiscounted future cash flows in its assessment of whether or not long-lived assets are recoverable. The Company records an impairment loss when the carrying amount of the asset is not recoverable and exceeds its fair value. During the year ended December 31, 2023, certain long-lived asset groups classified as held and used were determined to not be recoverable. The carrying values of these asset groups included fixed assets of $3.0 million that were written down to $1.2 million. During the year ended December 31, 2022, an operating lease ROU asset related to a closed clinic with a total carrying amount of approximately $0.2 million was written down to zero. As a result, the Company recorded a noncash impairment loss of approximately $1.8 million and $0.2 million during the years ended December 31, 2023 and 2022.

In connection with the planned sale of certain company-owned and managed clinics, the Company reclassified $4.9 million of net property and equipment, $3.4 million of intangible assets, net, $1.1 million of goodwill and $9.2 million of ROU assets to Assets held for sale and reclassified $10.2 million of lease liability and $3.6 million of deferred revenue from Company clinics to Liabilities to be disposed of in the consolidated balance sheet as of December 31, 2023. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell. As a result, the Company recorded a valuation allowance of $0.7 million to adjust the carrying value of the disposal group to fair value less cost to sell during the year ended December 31, 2023.

In connection with the sale of two company-managed clinics to franchisees, the Company reclassified $288,192 of property and equipment and $359,807 of ROU assets to Assets held for sale and reclassified $428,593 of ROU liability and $54,351 of

deferred revenue from company clinics to Liabilities to be disposed of in the consolidated balance sheet as of June 30, 2022. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell. As a result, the Company recorded a valuation allowance of $79,400 to adjust the carrying value of the disposal group to fair value less cost to sell during the year ended December 31, 2022. One of the two clinics was sold during August 2022, and the second clinic was sold in October 2022.

Advertising Fund

The Company has established an advertising fund for national or regional marketing and advertising of services offered by its clinics. The monthly marketing fee is 2% of clinic sales. The Company segregates the marketing funds collected which are included in restricted cash on its consolidated balance sheets. As amounts are expended from the fund, the Company recognizes a related expense. Such costs are included in selling and marketing expenses on the consolidated income statements.

Co-Op Marketing Funds

Some franchises have established regional Co-Ops for advertising within their local and regional markets. The Company maintains a custodial relationship under which the Co-Op Marketing Funds collected are segregated and used for the purposes specified by the Co-Ops' officers. The Co-Op Marketing Funds are included in restricted cash on the Company's consolidated balance sheets.

Revenue Recognition

The Company generates revenue primarily through its company-owned and managed clinics and through royalties, franchise fees, advertising fund contributions, IT related income and computer software fees from its franchisees.

Revenues from Company-Owned or Managed Clinics. The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed. Any unused visits associated with monthly memberships are recognized on a month-to-month basis. The Company recognizes a contract liability (or a deferred revenue liability) related to the prepaid treatment plans for which the Company has an ongoing performance obligation. The Company derecognizes this contract liability, and recognizes revenue, as the patient consumes his or her visits related to the package and the Company transfers its services. If the Company determines that it is not subject to unclaimed property laws for the portion of wellness package that it does not expect to be redeemed (referred to as "breakage") then it recognizes breakage revenue in proportion to the pattern of exercised rights by the patient.

Royalties and Advertising Fund Revenue. The Company collects royalties, as stipulated in the franchise agreement, equal to 7% of gross sales, and a marketing and advertising fee currently equal to 2% of gross sales. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of clinic sales over the term of the franchise agreement. The revenue accounting standard provides an exception for the recognition of sales-based royalties promised in exchange for a license (which generally requires a reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price). As the franchise agreement royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement, such sales-based royalties are recognized as franchisee clinic level sales occur. Royalties are collected semi-monthly, two working days after each sales period has ended.

Franchise Fees. The Company requires the entire non-refundable initial franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of 10 years. Initial franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement. The Company's services under the franchise agreement include training of franchisees and staff, site selection, construction/vendor management and ongoing operations support. The Company provides no financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. Renewal franchise fees, as well as transfer fees, are also recognized as revenue on a straight-line basis over the term of the respective franchise agreement.

Software Fees. The Company collects a monthly fee from its franchisees for use of its proprietary chiropractic software, computer support and internet services support. These fees are recognized ratably on a straight-line basis over the term of the respective franchise agreement.

Capitalized Sales Commissions. Sales commissions earned by the regional developers and the Company's sales force are considered incremental and recoverable costs of obtaining a franchise agreement with a franchisee. These costs are deferred and then amortized as the respective franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement.

Upfront Regional Developer Rights Fees

The Company has a regional developer program where regional developers are granted an exclusive geographical territory and commit to a minimum development obligation within that defined territory. Upon granting of the exclusive rights to develop a territory, a regional developer will pay an upfront fee to the Company. Upfront regional developer fees represent consideration received from a vendor to act as the Company's agent within an exclusive territory. The upfront regional developer rights fee is accounted for as a reduction of cost of revenues, in franchise and regional development cost of revenues, to offset the respective future commissions paid to the regional developer. The fees are ratably recognized over the term of the related regional developer agreement.

Regional developers receive fees which are funded by the initial franchise fees collected from franchisees upon the sale of franchises within their exclusive geographical territory and a royalty of 3% of sales generated by franchised clinics in their exclusive geographical territory. Initial fees related to the sale of franchises within their exclusive geographical territory are initially deferred as deferred franchise costs and are recognized as an expense in franchise cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise agreement. Royalties of 3% of sales generated by franchised clinics in their regions are also recognized as franchise cost of revenues as franchisee clinic level sales occur. This 3% fee is funded by the 7% royalties we collect from the franchisees in their regions. Certain regional developer agreements result in the regional developer acquiring the rights to existing royalty streams from clinics already open in the respective territory. In those instances, fees collected from the sale of the royalty stream is recognized as a decrease to franchise and regional developer cost of revenues over the remaining life of the respective franchise agreements.

Regional Developer Rights Contract Termination Costs

From time to time, subject to the Company's strategy, regional developer rights are reacquired by the Company, resulting in a termination of the contract. The termination costs to reacquire the regional developer rights are recognized at fair value, less any unrecognized upfront regional developer fee liability balance, as a general and administrative expense in the period in which the contract is terminated in accordance with the contract terms and are recorded within general and administrative expenses.

Advertising Costs

Advertising costs are advertising and marketing expenses incurred by the Company, primarily through advertising funds. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Advertising expenses were $6.8 million and $5.2 million, for the years ended December 31, 2023 and 2022, respectively.

Income Taxes

Income taxes are accounted for using a balance sheet approach known as the asset and liability method. The asset and liability method accounts for deferred income taxes by applying the statutory tax rates in effect at the date of the consolidated balance sheets to differences between the book basis and the tax basis of assets and liabilities. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. The differences relate principally to depreciation of property and equipment and treatment of revenue for franchise fees and regional developer fees collected. Tax positions are reviewed at least quarterly and adjusted as new information becomes available. The recoverability of deferred tax assets is evaluated by assessing the adequacy of future expected taxable income from all sources, including reversal of taxable temporary differences, forecasted operating earnings and available tax planning strategies. These estimates of future taxable income inherently require significant judgment. To the extent it is considered more likely than not that a deferred tax asset will be not recovered, a valuation allowance is established.

The Company accounts for uncertainty in income taxes by recognizing the tax benefit or expense from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The Company measures the tax benefits and expenses recognized in the consolidated financial statements from such a position based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution. The Company has identified $1.2 million and $1.3 million in uncertain tax positions as of December 31, 2023 and 2022, respectively. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2023, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2018 and 2017, respectively.

(Loss) Earnings per Common Share

Basic (loss) earnings per common share is computed by dividing net (loss) income by the weighted-average number of common shares outstanding during the period. Diluted (loss) earnings per common share is computed by giving effect to all potentially dilutive common shares including restricted stock and stock options.

Stock-Based Compensation

The Company accounts for share-based payments by recognizing compensation expense based upon the estimated fair value of the awards on the date of grant. The Company determines the estimated grant-date fair value of restricted shares using the closing price on the date of the grant and the grant-date fair value of stock options using the Black-Scholes-Merton model. In order to calculate the fair value of the options, certain assumptions are made regarding the components of the model, including risk-free interest rate, volatility, expected dividend yield and expected option life. Changes to the assumptions could cause significant adjustments to the valuation. The Company recognizes compensation costs ratably over the period of service using the straight-line method. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

Retirement Benefit Plan

Employees of the Company are eligible to participate in a defined contribution retirement plan, the Joint Corp. 401(k) Retirement Plan (the "401(k) Plan"), under Section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, employees may contribute their eligible compensation, not to exceed the annual limits set by the IRS. The 401(k) Plan allows the Company to match participants' contributions in an amount determined at the sole discretion of the Company. The Company matched participants' contributions for the years ended December 31, 2023 and 2022, up to a maximum of 4% of the employee's eligible compensation. Employer contributions totaled $570,877 and $478,277, for the years ended December 31, 2023 and 2022, respectively.

Loss Contingencies

ASC Topic 450 governs the disclosure of loss contingencies and accrual of loss contingencies in respect of litigation and other claims. The Company records an accrual for a potential loss when it is probable that a loss will occur and the amount of the loss can be reasonably estimated. When the reasonable estimate of the potential loss is within a range of amounts, the minimum of the range of potential loss is accrued, unless a higher amount within the range is a better estimate than any other amount within

the range. Moreover, even if an accrual is not required, the Company provides additional disclosure related to litigation and other claims when it is reasonably possible (i.e., more than remote) that the outcomes of such litigation and other claims include potential material adverse impacts on the Company. Legal costs to be incurred in connection with a loss contingency are expensed as such costs are incurred.

Use of Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. Items subject to significant estimates and assumptions include loss contingencies, share-based compensations, useful lives and realizability of long-lived assets, deferred revenue and revenue recognition related to breakage, deferred franchise costs, calculation of ROU assets and liabilities related to leases, realizability of deferred tax assets, impairment of goodwill, intangible assets, other long-lived assets, and purchase price allocations and related valuations.

Recently Adopted Accounting Guidance and Accounting Pronouncements Not Yet Adopted

In December 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures, which requires public entities to provide greater disaggregation within their annual rate reconciliation, including new requirements to present reconciling items on a gross basis in specified categories, disclose both percentages and dollar amounts, and disaggregate individual reconciling items by jurisdiction and nature when the effect of the items meet a quantitative threshold. The guidance also requires disaggregating the annual disclosure of income taxes paid, net of refunds received, by federal (national), state, and foreign taxes, with separate presentation of individual jurisdictions that meet a quantitative threshold. The guidance is effective for annual periods beginning after December 15, 2024 on a prospective basis, with a retrospective option, and early adoption is permitted. We are currently evaluating the impact of adoption of this standard on our consolidated financial statements and disclosures.

In November 2023, the FASB issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which requires public entities with a single reportable segment to provide all the disclosures required by this standard and all existing segment disclosures in Topic 280 on an interim and annual basis, including new requirements to disclose significant segment expenses that are regularly provided to the Chief Operating Decision Maker ("CODM") and included within the reported measure(s) of a segment's profit or loss, the amount and composition of any other segment items, the title and position of the CODM, and how the CODM uses the reported measure(s) of a segment's profit or loss to assess performance and decide how to allocate resources. The guidance is effective for annual periods beginning after December 15, 2023, and interim periods beginning after December 15, 2024, applied retrospectively with early adoption permitted. We are currently evaluating the impact of adoption of this standard on our consolidated financial statements and disclosures.

Note 2: Revenue Disclosures

Company-Owned or Managed Clinics

The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed in accordance with the Company's breakage policy, as discussed in Note 1," Revenue Recognition."

Franchising Fees, Royalty Fees, Advertising Fund Revenue, and Software Fees

As of December 31, 2023, we had 800 franchised clinics in operation, 132 clinic licenses sold but not yet developed and 40 executed letters of intent for future clinic licenses. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fees, (b) continuing franchise fees (royalties), (c) advertising fees, and (d) software fees. Generally, the revenue accounting standard requires the reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price. However, the revenue accounting standard provides an exception, and it allows a reporting entity to recognize revenue for a sales-based or usage-based royalty promised in exchange for a license of intellectual property only when (or as) the later of the following events occurs: (i) the subsequent sale or usage occurs, or (ii) the performance obligation to which some or all of the sales-based or usage-based royalty has been allocated has been satisfied (or partially satisfied). In accordance with the revenue accounting standard exception, royalty and advertising revenue are recognized when the franchisee's sales occur.

The Company recognizes the primary components of the transaction price as follows:

- Initial and renewal franchise fees, as well as transfer fees, are recognized as revenue ratably on a straight-line basis over the term of the respective franchise agreement commencing with the execution of the franchise, renewal, or transfer agreement. As these fees are typically received in cash at or near the beginning of the contract term, the cash received is initially recorded as a contract liability until recognized as revenue over time.

- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either what is considered a contract asset (unbilled receivable) or, once billed, accounts receivable, on the consolidated balance sheet.

- The Company is entitled to a software fee, which is charged monthly. The Company recognizes revenue related to software fees ratably on a straight-line basis over the term of the franchise agreement.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the reported sales of the franchisee, neither of which requires estimation. The Company believes its franchising arrangements do not contain a significant financing component.

The Company recognizes advertising fees received under franchise agreements as advertising fund revenue.

Disaggregation of Revenue

The Company believes that the captions contained on the consolidated income statements appropriately reflect the disaggregation of its revenue by major type for the years ended December 31, 2023 and 2022. Other revenues primarily consist of merchant income associated with preferred vendor royalties associated with franchisees' credit card transactions.

The following table shows the Company's revenues disaggregated according to the timing of transfer of services:

Note 3: Acquisitions and Assets Held for Sale

2023 Acquisitions

On May 22, 2023, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the sellers three operating franchised clinics in California (the "2023 CA Clinics Purchase"). As of the acquisition date, the Company operates the franchises as company-managed clinics. The total purchase price for the transaction was $1,188,764 to the seller less $28,997 of net deferred revenue, resulting in total purchase consideration of $1,159,767.

Based on the terms of the purchase agreement, the 2023 CA Clinics Purchase has been treated as an asset purchase under GAAP as there were no outputs or processes to generate outputs acquired as part of these transactions. Under an asset purchase, assets are recognized based on their cost to the acquiring entity. Cost is allocated to the individual assets acquired or liabilities assumed based on their relative fair values and does not give rise to goodwill.

The allocation of the total purchase price of the 2023 CA Clinics Purchase was as follows:

Property and equipment	$	313,995
Operating lease right-of-use asset		317,662
Intangible assets		1,004,513
Total assets acquired		1,636,170
Deferred revenue		(158,365)
Operating lease liability - current portion		(118,081)
Operating lease liability - net of current portion		(199,957)
Net purchase consideration	$	1,159,767

Intangible assets in the table above primarily consist of reacquired franchise rights of $0.7 million amortized over their estimated useful lives of six to seven years, customer relationships of $0.1 million amortized over an estimated useful life of two years and assembled workforce of $0.2 million amortized over an estimated useful life of two years.

2022 Acquisitions

On May 19, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller four operating franchises in Arizona. The Company operates the franchises as company-owned clinics. The total purchase price for the transaction was $5,761,256, less $70,484 of net deferred revenue, resulting in total purchase consideration of $5,690,772.

On July 5, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller one operating franchise in Arizona (collectively, including the May 19th purchase, the "AZ Clinics Purchase"). The Company operates the franchise as a company-owned clinic. The total purchase price for the transaction was $1,205,667, less $13,241 of net deferred revenue, resulting in total purchase consideration of $1,192,426.

Based on the terms of the purchase agreements, the AZ Clinics Purchase has been treated as a business combination under GAAP using the acquisition method of accounting, which requires that assets acquired and liabilities assumed be recorded at

the date of acquisition at their respective fair values. Any excess of the purchase price over the estimated fair values of the net assets acquired is recorded as goodwill.

The allocation of the total purchase price of AZ Clinics Purchase was as follows:

Property and equipment	$	241,511
Operating lease right-of-use asset		912,937
Intangible assets		3,689,100
Total assets acquired		4,843,548
Goodwill		3,408,205
Deferred revenue		(455,317)
Operating lease liability - current portion		(128,516)
Operating lease liability - net of current portion		(784,722)
Net purchase consideration	$	6,883,198

Intangible assets in the table above consist of re-acquired franchise rights of $2,892,100, amortized over estimated useful lives of approximately four to eight years and customer relationships of $797,000, amortized over estimated useful lives of two to three years. The fair value of re-acquired franchise rights are estimated using the multi-period excess earnings method. The multi-period excess earnings method model estimates revenues and cash flows derived from the primary asset and then deducts portions of the cash flow that can be attributed to supporting assets, such as assembled workforce and working capital that contributed to the generation of the cash flows. The resulting cash flow, which is attributable solely to the primary asset acquired, is then discounted at a rate of return commensurate with the risk of the asset to calculate a present value. Customer relationships are also calculated using the multi-period excess earnings method.

The valuation method involved the use of significant estimates and assumptions primarily related to forecasted revenue growth rates, gross margin, contributory asset charges, customer attrition rates, and market-participant discount rates. These measures are based on significant Level 3 inputs not observable in the market. Key assumptions developed based on the Company's historical experience, future projections and comparable market data include future cash flows, long-term growth rates, attrition rates and discount rates

Goodwill represents the excess of the purchase consideration over the fair value of the underlying acquired net tangible and intangible assets. The factors that contributed to the recognition of goodwill included synergies and benefits expected to be gained from leveraging the Company's existing operations and infrastructures, as well as the expected associated revenue and cash flow projections. Goodwill has been allocated to the Company's Corporate Clinics segment based on such expected benefits. Goodwill related to the acquisition is expected to be deductible for income tax purposes over 15 years. The Company completed the purchase price allocation during the fourth quarter of 2022.

On July 29, 2022, the Company entered into Asset and Franchise Purchase Agreements under which the Company repurchased from the sellers three operating franchises in North Carolina. The Company operates the franchises as company-managed clinics. The total purchase price for the transactions was $1,317,312, less $31,647 of net deferred revenue, resulting in total purchase consideration of $1,285,665.

On October 13, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller an operating franchise in North Carolina. The Company operates the franchise as a company-managed clinic. The total purchase price for the transaction was $761,384, less $5,108 of net deferred revenue, resulting in total purchase consideration of $756,276.

On October 24, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller an operating franchise in North Carolina (collectively, including the July 29th and October 13th purchases, the "NC Clinics Purchase"). The Company operates the franchise as a company-managed clinic. The total purchase price for the transaction was $1,391,112, less $9,262 of net deferred revenue, resulting in total purchase consideration of $1,381,850.

On December 23, 2022, the Company entered into Asset and Franchise Purchase Agreements under which the Company repurchased from the sellers six operating franchises and one undeveloped clinic in California (the "2022 CA Clinics

Purchase"). The Company operates the franchises as company-managed clinics. The total purchase price for the transactions was $1,965,755, less $70,628 of net deferred revenue, resulting in total purchase consideration of $1,895,127.

Based on the terms of the purchase agreement, the NC and 2022 CA Clinics Purchases have been treated as asset purchases under GAAP as there were no outputs or processes to generate outputs acquired as part of these transactions. Under an asset purchase, assets are recognized based on their cost to the acquiring entity. Cost is allocated to the individual assets acquired or liabilities assumed based on their relative fair values and does not give rise to goodwill.

The allocation of the total purchase price of NC Clinics Purchase was as follows:

Property and equipment	$	198,236
Operating lease right-of-use asset		521,222
Intangible assets		3,544,456
Total assets acquired		4,263,914
Deferred revenue		(326,332)
Operating lease liability - current portion		(146,255)
Operating lease liability - net of current portion		(367,536)
Net purchase consideration	$	3,423,791

Intangible assets in the table above consist of reacquired franchise rights of $2,042,658 amortized over their estimated useful lives of two to nine years, customer relationships of $909,828 amortized over an estimated useful life of two to three years, and assembled workforce of $591,970 amortized over an estimated useful life of two years.

The allocation of the total purchase price of 2022 CA Clinics Purchase was as follows:

Property and equipment	$	677,518
Tenant improvement allowance		55,790
Operating lease right-of-use asset		1,520,353
Intangible assets		1,480,359
Total assets acquired		3,734,020
Deferred revenue		(215,555)
Operating lease liability - current portion		(200,877)
Operating lease liability - net of current portion		(1,422,461)
Net purchase consideration	$	1,895,127

Intangible assets in the table above primarily consist of reacquired franchise rights of $1,151,272 amortized over their estimated useful lives of six to seven years, customer relationships of $20,531 amortized over an estimated useful life of two years, and assembled workforce of $308,556 amortized over an estimated useful life of two years.

Assets Held for Sale

In June 2023, the Company entered into negotiations to sell one of its company-managed clinics in California to a franchisee for a total of $0.1 million. The Company executed an LOI with the buyer in October 2023 and the sale closed February 2024. This transaction did not represent a major strategic shift for the Company, and, therefore, it does not meet the criteria to be classified as a discontinued operation. As a result, the results of this clinic are reported in the Company's operating results and in its Corporate Clinics segment until the sale finalized in February 2024. Effective with the designation as held for sale in June 2023, the Company discontinued recording depreciation on property and equipment, net and amortization of ROU assets for the clinic as required by GAAP. The Company also separately classified the related assets and liabilities of the clinics as held for sale in its December 31, 2023 consolidated balance sheet.

During Q3 2023, the Company committed to a plan to sell specific corporate owned or managed clinics making up under 10% of the corporate clinic portfolio with an estimated fair value of $1.6 million. The clinics are in varying stages of sales negotiations with all of them expected to close within one year. The clinics identified to commit to sell during Q3 2023 did not

represent a major strategic shift and therefore, they do not meet the criteria to be classified as a discontinued operation. As a result, the results of these clinics will continue to be reported in the Company's operating results and in its Corporate Clinics segment until the sales are each finalized. Effective with the designation as held for sale in September 2023, the Company discontinued recording depreciation on property and equipment, net, amortization of intangible assets, net and amortization of ROU assets for the clinics as required by GAAP. The Company also separately classified the related assets and liabilities of the clinics as held for sale in its December 31, 2023 consolidated balance sheet.

In November 2023, the Company initiated a plan to re-franchise the majority of its corporate-owned or managed clinics with plans to retain a small portion of high-performing clinics. The clinics identified in the plan to re-franchise make up approximately 67% (excluding the clinics previously committed to sell during Q3 2023) of the corporate owned or managed clinic portfolio. The clinics are in varying stages of sales negotiations with 42 of them expected to close within one year with an estimated fair value of $29.0 million at December 31, 2023. The clinics identified to commit to sell and expected to close within one year did not represent a major strategic shift because the clinics identified to commit to sell and expected to close within one year do not involve exiting a major line of business or exiting a major geographic area. As a result, the results of these clinics will continue to be reported in the Company's operating results and in its Corporate Clinics segment until the sales are each finalized. Effective with the designation as held for sale in November 2023, the Company discontinued recording depreciation on property and equipment, net, amortization of intangible assets, net and amortization of ROU assets for the clinics as required by GAAP. The Company also separately classified the related assets and liabilities of the clinics as held for sale in its December 31, 2023 consolidated balance sheet.

Long-lived assets that meet the criteria for the held for sale designation are reported at the lower of their carrying value or fair value less estimated cost to sell. As a result of its evaluation of the recoverability of the carrying value of the assets and liabilities held for sale relative to the agreed upon sales prices or the clinics estimated fair values, the Company recorded an estimated loss on disposal of $0.7 million for the year ended December 31, 2023 as Net loss on disposition or impairment in its consolidated income statement and a valuation allowance included in assets held for sale on its consolidated balance sheet.

The principal components of the held for sale assets and liabilities as of December 31, 2023 were as follows:

	December 31, 2023	
Assets		
Property and equipment, net	$	4,887,220
Operating lease right-of-use asset		9,193,496
Intangible assets, net		3,351,430
Goodwill		1,140,529
Valuation allowance		(657,620)
Total assets held for sale	$	17,915,055
Liabilities		
Operating lease liability, current and non-current	$	10,209,382
Deferred revenue from company clinics		3,622,481
Total liabilities to be disposed of	$	13,831,863

The pre-tax income of the clinics designated as held for sale is $4.4 million and $3.6 million for the years ended December 31, 2023 and 2022, respectively, the results of which exclude the allocation of overhead.

Note 4: Property and Equipment

Property and equipment consist of the following:

	December 31,	
	2023	2022
Office and computer equipment	$ 4,169,576	$ 5,207,833
Leasehold improvements	12,013,250	17,842,901
Internally developed software	5,399,698	5,843,758
Finance lease assets	151,396	151,396
	21,733,920	29,045,888
Accumulated depreciation and amortization	(12,005,459)	(12,675,085)
	9,728,461	16,370,803
Construction in progress	1,315,856	1,104,349
Property and Equipment, net	$ 11,044,317	$ 17,475,152

Depreciation expense was $5,117,723 and $4,092,669 for the years ended December 31, 2023 and 2022, respectively.

Amortization expense related to finance lease assets was $30,279 and $55,572 for the years ended December 31, 2023 and 2022, respectively.

Construction in progress at December 31, 2023 and December 31, 2022 principally related to development and construction costs for the Company-owned or managed clinics.

Note 5: Fair Value Consideration

The Company's financial instruments include cash, restricted cash, accounts receivable, accounts payable, accrued expenses and debt under the Credit Agreement. The carrying amounts of its financial instruments, excluding the debt under the Credit Agreement, approximate their fair value due to their short maturities. The carrying value of the Company's debt under the Credit Agreement approximates fair value due to its interest rate being calculated from observable quoted prices for similar instruments, which is considered a Level 2 fair value measurement.

Authoritative guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The guidance establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability, developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions of what market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on reliability of the inputs as follows:

Level 1: Observable inputs such as quoted prices in active markets;

Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

As of December 31, 2023 and 2022, the Company did not have any financial instruments that were measured on a recurring basis as Level 1, 2 or 3.

The Company's non-financial assets, which primarily consist of goodwill, intangible assets, property, plant and equipment, and operating lease ROU assets, are not required to be measured at fair value on a recurring basis, and instead are reported at their carrying amount. However, on a periodic basis whenever events or changes in circumstances indicate that their carrying amount may not be fully recoverable (and at least annually for goodwill), non-financial assets are assessed for impairment. If the fair value is determined to be lower than the carrying amount, an impairment charge is recorded to write down the asset to its fair value, which is considered Level 3 within the fair value hierarchy.

The assets and liabilities resulting from the Acquisitions (see Note 3, Acquisitions and Assets Held for Sale) were recorded at fair values on a nonrecurring basis at the date of acquisition and are considered Level 3 within the fair value hierarchy.

During the year ended December 31, 2023, intangible assets related to a clinic planned for closure with a total carrying amount of approximately $0.1 million was written down to zero. The remaining life of the intangible assets related to the clinic extended through December 2025. However, the clinic closed at the end of its lease term in November 2023. The Company considered the intangible assets fully impaired at that time as the ability to obtain economic benefits in the period the clinic remained open was unlikely. As a result, the Company recorded a noncash impairment loss of approximately $0.1 million during the year ended December 31, 2023 as Net loss on disposition or impairment in its consolidated income statement.

In connection with the planned sale of certain company-owned and managed clinics, the Company reclassified $4.9 million of net property and equipment, $3.4 million of intangible assets, net, $1.1 million of goodwill and $9.2 million of ROU assets to Assets held for sale and reclassified $10.2 million of lease liability and $3.6 million of deferred revenue from Company clinics to Liabilities to be disposed of in the consolidated balance sheet as of December 31, 2023. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell. The estimated fair value of the company-owned or managed clinics classified as Held for Sale (see Note 3, Acquisitions and Assets Held for Sale) were recorded at fair values on a nonrecurring basis and are based upon Level 2 inputs, which includes a potential buyer agreed upon selling price or Level 3 inputs, which include historical and future expected financial performance of the clinic and historical acquisition trends based on previous reacquired franchise clinic purchases. The fair value measurement of the assets held for sale was recorded as $0.2 million based upon Level 2 inputs and $30.4 million based upon Level 3 inputs. As a result, the Company recorded a valuation allowance of $0.7 million to adjust the carrying value of the disposal group to fair value less cost to sell during the year ended December 31, 2023.

In connection with the planned sale or determined closure of certain company-owned and managed clinics, the Company recorded an impairment loss of $1.7 million included in the net loss, disposition and impairment on the consolidated income statement for impairment of long-lived assets classified as held and used where the asset group was not determined to be recoverable. The asset group was determined to be the clinic level, as this is the lowest level for which identifiable cash flows are largely independent of the cash flows of other groups of assets and liabilities. The long lived assets fair values were determined by the following: Level 2 inputs where available, which included using a valuation multiple (e.g, price per square foot) based on observable prices for comparable long lived assets; and Level 3 inputs, which included the multiple earnings approach using the Company's historical earnings trend data, comparable historical asset sales by the Company and franchisees that were not exact matches, and (for calculating the fair value of intangible assets specifically) the Company's historical experience, future projections and comparable market data include future cash flows, long-term growth rates, attrition rates and discount rates. The carrying values of these asset groups impaired to their fair value included fixed assets of $2.9 million that were written down to $1.2 million determined by the Level 3 inputs discussed above.

During the year ended December 31, 2022, an operating lease ROU assets related to a closed clinic with a total carrying amount of $0.2 million was written down to zero. The associated operating lease liability had a life of 39 months at the time of impairment. However, the ROU asset was fully impaired due to the abandonment of the lease in 2022. The Company considers the ROU asset as abandoned as it lacks the ability to sublease the underlying asset and obtain economic benefits. As a result, the Company recorded a noncash impairment loss of approximately $0.2 million as Net loss on disposition or impairment in its consolidated income statement during the year ended December 31, 2022.

Note 6: Intangible Assets and Goodwill

Note 7: Debt

Credit Agreement

On February 28, 2020, the Company entered into a Credit Agreement (the "Credit Agreement"), with JPMorgan Chase Bank, N.A., individually, and as Administrative Agent and Issuing Bank ("JPMorgan Chase" or the "Lender"). The Credit Agreement provided for senior secured credit facilities (the "Credit Facilities") in the amount of $7,500,000, including a $2,000,000

revolver (the "Revolver") and $5,500,000 development line of credit (the "Line of Credit"). The Revolver included amounts available for letters of credit of up to $1,000,000 and an uncommitted additional amount of $2,500,000. All outstanding principal and interest on the Revolver were due on February 28, 2022.

On February 28, 2022, the Company entered into an amendment to its Credit Facilities (as amended, the "2022 Credit Facility") with the Lender. Under the 2022 Credit Facility, the Revolver increased to $20,000,000 (from $2,000,000), the portion of the Revolver available for letters of credit increased to $5,000,000 (from $1,000,000), the uncommitted additional amount increased to $30,000,000 (from $2,500,000) and the developmental line of credit of $5,500,000 was terminated. The Revolver will be used for working capital needs, general corporate purposes and for acquisitions, development and capital improvement uses. At the option of the Company, borrowings under the 2022 Credit Facility bear interest at: (i) the adjusted Secured Overnight Financing Rate ("SOFR"), which is the daily simple SOFR, plus 0.10%, plus 1.75%, payable on the last day of the selected interest period of one, three or six months, and on the three-month anniversary of the beginning of any six-month interest period, if applicable; or (ii) an Alternative Base Rate (ABR), plus 1.00%, payable monthly. The ABR is the greatest of: (A) the prime rate (as published by the Wall Street Journal), (B) the Federal Reserve Bank of New York rate, plus 0.5%, and (C) the adjusted one-month term SOFR rate. Amounts outstanding under the Revolver on February 28, 2022 continued to bear interest at the rate selected under the Credit Facilities prior to the amendment until the last day of the interest period in effect, at which time, if not repaid, the amounts outstanding under the Revolver will bear interest at the 2022 Credit Facility rate. As a result of this refinance, $2,000,000 of current maturity of long-term debt has been reclassified to long-term as of December 31, 2022. The 2022 Credit Facility will terminate and all principal and interest will become due and payable on the fifth anniversary of the amendment (February 28, 2027). On January 17, 2024, the Company paid down the outstanding balance on its Debt under the Credit Agreement of $2,000,000. As a result of this pay down, $2,000,000 of the long-term debt has been reclassified as current as of December 31, 2023.

The Credit Facilities contain customary events of default, including but not limited to nonpayment; material inaccuracy of representations and warranties; violations of covenants; certain bankruptcies and liquidations; cross-default to material indebtedness; certain material judgments; and certain fundamental changes such as a merger or sale of substantially all assets (as further defined in the Credit Facilities). The Credit Facilities require the Company to comply with customary affirmative, negative and financial covenants, including minimum interest coverage and maximum net leverage. A breach of any of these operating or financial covenants would result in a default under the Credit Facilities. If an event of default occurs and is continuing, the lenders could elect to declare all amounts then outstanding, together with accrued interest, to be immediately due and payable. The Credit Facilities are collateralized by substantially all of the Company's assets, including the assets in the Company's company-owned or managed clinics. The Company intends to use the Revolver for general working capital needs. The interest rate on funds borrowed under the Revolver as of December 31, 2023 was 7.2%. As of December 31, 2023, the Company was in compliance with all applicable financial and non-financial covenants under the Credit Agreement, and $2,000,000 remains outstanding as of December 31, 2023.

In connection with the issuance of the Credit Facilities and the 2022 Credit Facility, the Company incurred debt issuance costs of $52,648 and $76,415, respectively. Interest expense and amortization expense related to debt issuance costs are being amortized to "Other expense, net" and was $207,555 and $129,118 for the years ended December 31, 2023 and 2022, respectively.

Note 8: Stock-Based Compensation

The Company grants stock-based awards under its 2014 Incentive Stock Plan (the "2014 Plan"). The shares issued as a result of stock-based compensation transactions generally have been funded with the issuance of new shares of the Company's common stock.

The Company may grant the following types of incentive awards under the 2014 Plan: (i) non-qualified stock options; (ii) incentive stock options; (iii) stock appreciation rights; (iv) restricted stock; and (v) restricted stock units. Each award granted under the 2014 Plan is subject to an award agreement that incorporates, as applicable, the exercise price, the term of the award, the periods of restriction, the number of shares to which the award pertains, and such other terms and conditions as the plan committee determines. Awards granted under the 2014 Plan are classified as equity awards, which are recorded in stockholders' equity in the Company's consolidated balance sheets. Through December 31, 2023, the Company has granted under the 2014 Plan (i) non-qualified stock options; (ii) incentive stock options; and (iii) restricted stock. There were no stock appreciation rights and restricted stock units granted under the 2014 Plan as of December 31, 2023.

Stock Options

The Company's closing price on the date of grant is the basis of fair value of its common stock used in determining the value of share-based awards. To the extent the value of the Company's share-based awards involves a measure of volatility, the Company uses available historical volatility of the Company's common stock over a period of time corresponding to the expected stock option term. The Company uses the simplified method to calculate the expected term of stock option grants to employees as the Company does not have sufficient historical exercise data to provide a reasonable basis upon which to estimate the expected term of stock options granted to employees. Accordingly, the expected life of the options granted is based on the average of the vesting term, which is generally four years and the contractual term, which is generally ten years. The Company will continue to evaluate the appropriateness of utilizing such method. The risk-free interest rate is based on United States Treasury yields in effect at the date of grant for periods corresponding to the expected stock option term. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

The Company did not grant options during the years ended December 31, 2023 and 2022.

The information below summarizes the stock options activity:

For the years ended December 31, 2023 and 2022, stock-based compensation expense for stock options was $322,574 and $515,279, respectively.

Unrecognized stock-based compensation expense for stock options as of December 31, 2023 was $275,792, which is expected to be recognized ratably over the next 1.2 years.

Restricted Stock

Restricted stock awards granted to employees generally vest in four equal annual installments, although on May 25, 2023, the Company granted 51,401 shares of restricted stock as part of a special award to certain high performing employees that vest in one installment on the first anniversary of the grant. Restricted stock awards granted to non-employee directors vest on the earlier of (i) one year from the grant date and (ii) the date of the next annual meeting of the shareholders of the Company occurring after the date of grant.

A valuation allowance of $10.9 million and $0 was recorded against the deferred tax asset balance of The Joint Corp., without its VIEs, as of December 31, 2023 and 2022, respectively. As of each reporting date, the Company's management considers new evidence, both positive and negative, that could impact management's view with regard to future realization of deferred tax assets in each reporting jurisdiction. A significant piece of objective evidence evaluated was the cumulative loss incurred in each jurisdiction over the three-year period ended December 31, 2023. Such objective evidence limits the ability to consider other subjective evidence, such as projections for future growth, in evaluating the need for a valuation allowance. As a result, management has determined that it is more likely than not that The Joint Corp. will not realize its deferred tax assets as of December 31, 2023, and has recorded a valuation allowance after consideration of any recorded deferred tax liabilities

The Joint Corp, without the VIE, has federal gross net operating loss carryforwards of $13.4 million and $21.6 million as of December 31, 2023 and 2022, respectively. Federal tax effected of these net operating losses were $2.8 million and $4.5 million as of December 31, 2023 and 2022, respectively. $8.3 million of the federal net operating loss is subject to a 20-year carryforward, with a portion beginning to expire in 2036. $5.1 million of the federal net operating loss has an indefinite carryforward period.

The Joint Corp., without its consolidated VIEs, has various state net operating loss carryforwards. The determination of the state net operating loss carryforwards is dependent upon apportionment percentages and state laws that can change from year to year and impact the amount of such carryforwards. If such net operating loss carryforwards are not utilized, they will begin to expire in 2025.

The Joint Corp. has research and development credits of $14,229 that will begin to expire in 2031 and $21,621 California AMT credits that do not expire.

The VIE's have net operating loss carryforwards of $0.2 million and $0.5 million as of December 31, 2023 and 2022, respectively. No federal net operating loss is subject to a 20 year carryforward. $0.2 million of the federal net operating loss has an indefinite carryforward period.

The VIE's have various state net operating loss carryforwards. The determination of the state net operating loss carryforwards is dependent upon apportionment percentages and state laws that can change from year to year and impact the amount of such carryforwards. If such net operating loss carryforwards are not utilized, they will begin to expire in 2036.

The following is a reconciliation of the statutory federal income tax rate applied to pre-tax accounting net income, compared to the income tax benefit in the consolidated income statements:

Expense	$ 11,390,953	695.1 %	$ 68,448	9.8 %

Changes in the Company's income tax expense relate primarily to states taxes, change in valuation allowance, changes in tax rates, return-to-provision adjustments, as well as changes in pre-tax income during the year ended December 31, 2023, as compared to the year ended December 31, 2022. For the years ended December 31, 2023 and December 31, 2022, effective tax rates were 695.1% and 9.8%, respectively. The difference between the statutory federal income tax rate and the Company's effective tax rate was primarily due to the valuation allowance, and state taxes.

For the years ended December 31, 2023 and December 31, 2022, the Company had gross uncertain tax positions attributable to the VIEs of $1.2 million and $1.3 million, respectively.

At December 31, 2023 and December 31, 2022, there were $19,433 and $19,433, respectively, of unrecognized tax benefits that if recognized would affect the annual effective tax rate.

Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses. Accrued interest and penalties was $142,213 and $143,584 for the years ended December 31, 2023 and December 31, 2022 and recorded as other liabilities.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2023, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2020 and 2019, respectively.

The Company entered into a lease for its new corporate clinic's space that had not yet commenced as of the year ended December 31, 2023. This lease is expected to result in additional ROU asset and liability of approximately $0.6 million. This lease is expected to commence during the first or second quarter of 2024, with lease terms ten years.

Guarantee in Connection with the Sale of the Divested Business

In connection with the sale of a company-managed clinic in 2022, the Company guaranteed one future operating lease commitment assumed by the buyers. The Company is obligated to perform under the guarantee if the buyers fail to perform under the lease agreement at any time during the remainder of the lease agreement, which expires on May 31, 2027. At the date of sale, the undiscounted maximum potential future payments totaled $247,296. As of the year ended December 31, 2023, the undiscounted remaining lease payments under the agreement totaled $184,296. The Company had not recorded a liability with respect to the guarantee obligation as of December 31, 2023, as the Company concluded that payment under the lease guarantee was not probable.

Litigation

In the normal course of business, the Company is party to litigation and claims from time to time. The Company maintains insurance to cover certain litigation and claims, subject to policy limits.

Note 11: Segment Reporting

An operating segment is defined as a component of an enterprise for which discrete financial information is available and is reviewed regularly by the Chief Operating Decision Maker ("CODM") to evaluate performance and make operating decisions. The Company has identified its CODM as the Chief Executive Officer.

The Company has two operating business segments. The Corporate Clinics segment is comprised of the operating activities of the company-owned or managed clinics. As of December 31, 2023, the Company operated or managed 135 clinics under this segment. The Franchise Operations segment is comprised of the operating activities of the franchise business unit. As of December 31, 2023, the franchise system consisted of 800 clinics in operation. Corporate is a non-operating segment that develops and implements strategic initiatives and supports the Company's two operating business segments by centralizing key administrative functions such as finance and treasury, information technology, insurance and risk management, legal and human resources. Corporate also provides the necessary administrative functions to support the Company as a publicly-traded company. A portion of the expenses incurred by Corporate are allocated to the operating segments.

The tables below present financial information for the Company's two operating business segments.

Note 12: Employee Retention Credit

The employee retention credit ("ERC"), as originally enacted through the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") on March 27, 2020, is a refundable credit against certain employment taxes equal to 50% of the qualified wages an eligible employer paid to employees from March 17, 2020 to December 31, 2020. The Disaster Tax Relief Act, enacted on December 27, 2020, extended the ERC for qualified wages paid from January 1, 2021 to June 30, 2021 and the credit was increased to 70% of qualified wages an eligible employer paid to employees during the extended period. The American Rescue Plan Act of 2021, enacted on March 11, 2021, further extended the ERC through December 31, 2021.

In October 2022, the Company filed an application with the IRS for the ERC. Employers are eligible for the credit if they experienced full or partial suspension or modification of operations during any calendar quarter because of governmental orders due to the pandemic or a significant decline in gross receipts based on a comparison of quarterly revenue results for 2020 and/or 2021 with the comparable quarter in 2019. The Company's ERC application was equal to 70% of qualified wages paid to employees during the period from January 1, 2021 to June 30, 2021 for a maximum quarterly credit of $7,000 per employee. In March 2023, the Company received notice and refunds from the IRS related to the overpayment of Federal Employment Tax plus interest in the amount of $4.8 million related to the ERC application. The $4.8 million ERC is subject to a 20% consulting fee. The Company's eligibility remains subject to audit by the IRS for a period of five years.

Since there are no generally accepted accounting principles for for-profit business entities that receive government assistance that is not in the form of a loan, an income tax credit or revenue from a contract with a customer, we determined the appropriate accounting treatment by analogy to other guidance. We accounted for the ERC by analogy to International Accounting Standards ("IAS") 20, Accounting for Government Grants and Disclosure of Government Assistance, of International Financial Reporting Standards.

Under an IAS 20 analogy, a business entity would recognize the ERC on a systematic basis over the periods in which the entity recognizes the payroll expenses for which the grant (i.e., tax credit) is intended to compensate when there is reasonable assurance (i.e., it is probable) that the entity will comply with any conditions attached to the grant and the grant (i.e., tax credit) will be received.

We have accounted for the $3.8 million ERC, net of the consulting fee, for the year ended December 31, 2023 as other income on the Statement of Income when the Company was reasonably assured that the Company met all requirements of the ERC and the grant would be received. The ERC refund is not taxable; however, the credit is subject to expense disallowance rules which increased income tax expense as a discrete item by $0.9 million, net of the consulting expense deduction, for the year ended December 31, 2023.

Note 13: Related Party Transaction

Mr. Jefferson Gramm, Managing Partner of Bandera Partners LLC who is a beneficial holder of more than 5% of our outstanding common stock (approximately 27% as of December 31, 2023) was appointed to the Board of Directors effective as of January 2, 2024, to serve until the election and qualification of his successor at the 2024 Annual Meeting.

In December 2020, we sold two franchise licenses at $39,900 and $29,900 each (which reflects the $10,000 multi-unit discount for the second license per the Franchise Disclosure Document) to Marshall Gramm, who is a family member of Mr. Jefferson Gramm. In April 2020 and 2021, we sold two franchise licenses at $39,900 and $29,900, respectively (which reflects the $10,000 multi-unit discount for the second license per the Franchise Disclosure Document), to a franchisee of which Mr. Jefferson Gramm is a 50% co-partner in the business.

These transactions involved terms no less favorable to us than those that would have been obtained in the absence of such affiliation. Although we have no way of estimating the aggregate amount of franchise fees, royalties, advertising fund fees, IT related income and computer software fees that these franchisees will pay over the life of the franchise licenses, the franchisees affiliated with Mr. Gramm are subject to such fees under the same terms and conditions as all other franchisees. These franchisees affiliated with Mr. Gramm paid $124,275 and $92,767 in 2023 and 2022, respectively, for such royalties and other fees.

In October 2020, Mr. Gramm loaned approximately $370,000 to an unaffiliated franchisee that owns and operates one franchise clinic. The loan is not secured by the assets of the business and there are no foreclosure rights.

Note 14: Subsequent Events

On January 17, 2024, the Company paid down the outstanding balance on its Debt under the Credit Agreement of $2,000,000.

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of The Joint Corp. (the "Company") as of December 31, 2022 and 2021, the related consolidated statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Restatement of Consolidated Financial Statements

As discussed in Note 2 to the consolidated financial statements, the 2022 and 2021 financial statements have been restated to correct misstatements.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's consolidated financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing separate opinions on the critical audit matter or on the accounts or disclosures to which it relates.

Revenue growth rate utilized in the determination of the fair value of acquired member relationships and reacquired franchise rights for certain acquisitions

As described in Note 4 of the consolidated financial statements, the Company acquired certain clinics during the current year. As a result of the acquisitions, management was required to determine the estimated fair values of assets acquired and liabilities assumed, including certain identifiable intangible assets. Management utilized third-party valuation specialists to assist in the preparation of the valuation of certain identifiable intangible assets. Management exercised judgment to develop and select revenue growth rates in the measurement of the fair value of the acquired member relationships and reacquired franchise rights.

We identified the revenue growth rates utilized in the determination of the fair value of acquired member relationships and reacquired franchise rights for certain acquisitions as a critical audit matter. The principal considerations for our determination

included the subjectivity and judgment required to determine the revenue growth rates used in the fair value measurement of acquired member relationships and reacquired franchise rights for certain acquisitions. Auditing these revenue growth rates involved especially subjective auditor judgment due to the nature and extent of audit effort required.
The primary procedures we performed to address this critical audit matter included:

Evaluating the reasonableness of the revenue growth rates by (i) reviewing the historical performance of the Company using its audited financial statements, (ii) assessing revenue projections against industry metrics, and (iii) comparing the actual post-acquisition net revenue to the forecast revenue.

THE JOINT CORP.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Basis of Presentation

These financial statements represent the consolidated financial statements of The Joint Corp. ("The Joint"), which includes its variable interest entities ("VIEs"), and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC (collectively, the "Company"). The preparation of financial statements in conformity with accounting principles generally accepted in the Unites States of America ("GAAP") requires management to make estimates and assumptions that affect the amount of assets, liabilities, revenue, costs, expenses, other (expenses) income, and income taxes that are reported in the consolidated financial statements and accompanying disclosures. These estimates are based on management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other assumptions that are believed to be reasonable under the circumstances. As a result, actual results may be different from these estimates. For a discussion of significant estimates and judgments made in recognizing revenue, accounting for leases, and accounting for income taxes, see Note 3, "Revenue Disclosures", Note 10, "Income Taxes", and Note 11, "Commitments and Contingencies".

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of The Joint and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC, which was dormant for all periods presented. The Company consolidates VIEs in which the Company is the primary beneficiary in accordance with Accounting Standards Codification 810, Consolidations ("ASC 810"). Non-controlling interests represent third-party equity ownership interests in VIEs. All significant inter-affiliate accounts and transactions between The Joint and its VIEs have been eliminated in consolidation.

Comprehensive Income

Net income and comprehensive income are the same for the years ended December 31, 2022 and 2021.

Nature of Operations

The Joint Corp., a Delaware corporation, was formed on March 10, 2010 for the principal purpose of franchising, developing, selling regional developer rights, supporting the operations of franchised chiropractic clinics, and operating and managing corporate chiropractic clinics at locations throughout the United States of America. The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities.

The following table summarizes the number of clinics in operation under franchise agreements and as company-owned or managed for the years ended December 31, 2022 and 2021:

Variable Interest Entities

Certain states prohibit the "corporate practice of chiropractic," which restricts business corporations from practicing chiropractic care by exercising control over clinical decisions by chiropractic doctors. In states which prohibit the corporate practice of chiropractic, the Company typically enters into long-term management services agreements ("MSAs") with professional corporations ("PCs") that are owned by licensed chiropractic doctors, which, in turn, employ or contract with doctors who provide professional chiropractic care in its clinics. Under these management agreements with PCs, the Company provides, on an exclusive basis, all non-clinical services of the chiropractic practice. The Company has entered into such management agreements with three PCs, including one in Kansas, in connection with the opening of company-managed clinics in August 2022. An entity deemed to be the primary beneficiary of a VIE is required to consolidate the VIE in its financial statements. An entity is deemed to be the primary beneficiary of a VIE if it has both of the following characteristics: (a) the power to direct the activities of a VIE that most significantly impact the VIE's economic performance and (b) the obligation to absorb the majority of losses of the VIE or the right to receive the majority of benefits from the VIE. In accordance with relevant accounting guidance, these PCs were determined to be VIEs. Such PCs are VIEs, as fees paid by the PCs to the Company as its management service provider are considered variable interests because the fees do not meet all the following criteria: 1) The fees are compensation for services provided and are commensurate with the level of effort required to provide those services; 2) The decision maker or service provider does not hold other interests in the VIE that individually, or in the aggregate, would absorb more than an insignificant amount of the VIE's expected losses or receive more than an insignificant amount of the VIE's expected residual returns; 3) The service arrangement includes only terms, conditions, or amounts that are customarily present in arrangements for similar services negotiated at arm's length. Additionally, the Company has determined that it has the ability to direct the activities that most significantly impact the performance of these PCs and have an obligation to absorb losses or receive benefits which could potentially be significant to the PCs. Accordingly, the PCs are variable interest entities for which the Company is the primary beneficiary and are consolidated by the Company.

The revenues of VIEs represent the revenues of Company-managed clinics in states that prohibit the corporate practice of chiropractic. The Company's involvement with VIEs affects its financial performance and cash flows primarily through amounts recorded in Revenues from company-owned or managed clinics and General and administrative expenses, which are principally comprised of payroll and related expenses. The management fees/income provided by the MSAs are considered intercompany transactions and therefore eliminated upon consolidation of VIEs.

The VIEs' total revenue and payroll and related expenses for the year ended December 31, 2022 were $34.8 million and $14.0 million, respectively. The VIE's total revenue and payroll and related expenses for the year ended December 31, 2021 were $28.6 million and $8.5 million, respectively.

The VIEs' deferred revenue liability balance for amounts collected in advance for membership and wellness packages was $4.7 million and $3.5 million as of December 31, 2022 and December 31, 2021, respectively. The VIEs' payroll liability balance as of December 31, 2022 and December 31, 2021 was $0.6 million and $0.4 million, respectively. The carrying amount of the other VIEs' assets and liabilities was immaterial as of December 31, 2022 and December 31, 2021.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and credit quality of, the financial institutions with which it invests. As of the balance sheet date and periodically throughout the period, the Company has maintained balances in various operating accounts in excess of federally insured limits. The Company has invested substantially all its cash in short-term bank deposits. The Company had no cash equivalents as of December 31, 2022 and 2021.

Restricted Cash

Restricted cash relates to cash that franchisees and company-owned or managed clinics contribute to the Company's National Marketing Fund and cash that franchisees provide to various voluntary regional Co-Op Marketing Funds. Cash contributed by franchisees to the National Marketing Fund is to be used in accordance with the Company's Franchise Disclosure Document with a focus on regional and national marketing and advertising. While such cash balance is not legally segregated and restricted as to withdrawal or usage, the Company's accounting policy is to classify these funds as restricted cash.

Accounts Receivable

Accounts receivable primarily represent amounts due from franchisees for royalty and software fees. The Company records an allowance for credit losses as a reduction to its accounts receivables for amounts that the Company does not expect to recover. An allowance for credit losses is determined through assessments of collectability based on historical trends, the financial condition of the Company's franchisees, including any known or anticipated bankruptcies, and an evaluation of current economic conditions, as well as the Company's expectations of conditions in the future. Actual losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. As of December 31, 2022, and 2021, the Company had no allowance for credit losses on accounts receivable.

Deferred Franchise Costs and Regional Development Costs

Deferred franchise and regional development costs represent commissions that are direct and incremental to the Company and are paid in conjunction with the sale of a franchise license or regional development rights. These costs are recognized as an expense, in franchise and regional development cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise or regional developer agreement.

Property and Equipment

Property and equipment are stated at cost or for property acquired as part of franchise acquisitions at fair value at the date of closing. Depreciation is computed using the straight-line method over estimated useful lives, which is generally three to ten years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the assets. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Capitalized Software

The Company capitalizes certain software development cost, including costs to implement cloud computing arrangements that is a service contract. These capitalized costs are primarily related to software used by clinics for operations and by the Company for the management of operations. Costs incurred in the preliminary stages of development are expensed as incurred. Once an application has reached the development stage, internal and external costs, if direct, are capitalized as assets in progress until the software is substantially complete and ready for its intended use. Capitalization ceases upon completion of all substantial testing. The Company also capitalizes costs related to specific upgrades and enhancements when it is probable the expenditures will result in additional functionality. Software developed is recorded as part of property and equipment. Maintenance and training costs are expensed as incurred. Internal use software is amortized on a straight-line basis over its estimated useful life, which is generally three to five years. Implementation costs incurred in connection with a cloud computing arrangement that is a service contract are included in prepaid expenses in the Company's consolidated balance sheets.

Leases

The Company leases property and equipment under operating and finance leases. The Company leases its corporate office space and the space for each of the company-owned or managed clinic in the portfolio. The Company recognizes a right-of-use

("ROU") asset and lease liability for all leases. Certain leases include one or more renewal options, generally for the same period as the initial term of the lease. The exercise of lease renewal options is generally at the Company's sole discretion and, as such, the Company typically determines that exercise of these renewal options is not reasonably certain. As a result, the Company does not include the renewal option period in the expected lease term and the associated lease payments are not included in the measurement of the right-of-use asset and lease liability. When available, the Company uses the rate implicit in the lease to discount lease payments; however, the rate implicit in the lease is not readily determinable for substantially all of its leases. In such cases, the Company estimates its incremental borrowing rate as the interest rate it would pay to borrow an amount equal to the lease payments over a similar term, with similar collateral as in the lease, and in a similar economic environment. The Company estimates these rates using available evidence such as rates imposed by third-party lenders to the Company in recent financings or observable risk-free interest rate and credit spreads for commercial debt of a similar duration, with credit spreads correlating to the Company's estimated creditworthiness.

For operating leases that include rent holidays and rent escalation clauses, the Company recognizes lease expense on a straight-line basis over the lease term from the date it takes possession of the leased property. Pre-opening costs are recorded as incurred in general and administrative expenses. Variable lease payments, such as percentage rentals based on location sales, periodic adjustments for inflation, reimbursement of real estate taxes, any variable common area maintenance and any other variable costs associated with the leased property are expensed as incurred and are also included in general and administrative expenses on the consolidated income statements.

Intangible Assets

Intangible assets consist primarily of re-acquired franchise rights and customer relationships. The Company amortizes the fair value of re-acquired franchise rights over the remaining contractual terms of the re-acquired franchise rights at the time of the acquisition, which generally range from one to nine years. The fair value of customer relationships is amortized over their estimated useful life of two to four years.

Goodwill

Goodwill consists of the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired in the acquisitions of franchises. Goodwill and intangible assets deemed to have indefinite lives are not amortized but are tested for impairment annually and more frequently if a triggering event occurs that makes it more likely than not that the fair value of a reporting unit is below carrying value. As required, the Company performs an annual impairment test of goodwill as of the first day of the fourth quarter or more frequently if a triggering event occurs. No impairments of goodwill were recorded for the years ended December 31, 2022 and 2021.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to estimated undiscounted future cash flows in its assessment of whether or not long-lived assets are recoverable. The Company records an impairment loss when the carrying amount of the asset is not recoverable and exceeds its fair value. During the year ended December 31, 2022, an operating lease ROU asset related to a closed clinic with a total carrying amount of approximately $250,000 was written down to zero. As a result, the Company recorded a noncash impairment loss of approximately $250,000 during the year ended December 31, 2022. During the year ended December 31, 2021, certain operating lease right-of-use assets related to closed clinics with a total carrying amount of $0.5 million were written down to their fair value of $0.4 million. As a result, the Company recorded a noncash impairment loss of approximately $0.1 million during the year ended December 31, 2021.

In connection with the sale of two company-managed clinics to franchisees, the Company reclassified $288,192 of property and equipment and $359,807 of ROU assets to Assets held for sale and reclassified $428,593 of ROU liability and $54,351 of deferred revenue from company clinics to Liabilities to be disposed of in the consolidated balance sheet as of June 30, 2022. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell. As a result, the Company recorded a valuation allowance of $79,400 to adjust the carrying value of the disposal group to fair value less cost to sell during the year ended December 31, 2022. One of the two clinics was sold during August 2022, and the second clinic was sold in October 2022.

Advertising Fund

The Company has established an advertising fund for national or regional marketing and advertising of services offered by its clinics. The monthly marketing fee is 2% of clinic sales. The Company segregates the marketing funds collected which are

included in restricted cash on its consolidated balance sheets. As amounts are expended from the fund, the Company recognizes a related expense. Such costs are included in selling and marketing expenses on the consolidated income statements.

Co-Op Marketing Funds

Some franchises have established regional Co-Ops for advertising within their local and regional markets. The Company maintains a custodial relationship under which the Co-Op Marketing Funds collected are segregated and used for the purposes specified by the Co-Ops' officers. The Co-Op Marketing Funds are included in restricted cash on the Company's consolidated balance sheets.

Revenue Recognition

The Company generates revenue primarily through its company-owned and managed clinics and through royalties, franchise fees, advertising fund contributions, IT related income and computer software fees from its franchisees.

Revenues from Company-Owned or Managed Clinics. The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed. Any unused visits associated with monthly memberships are recognized on a month-to-month basis. The Company recognizes a contract liability (or a deferred revenue liability) related to the prepaid treatment plans for which the Company has an ongoing performance obligation. The Company derecognizes this contract liability, and recognizes revenue, as the patient consumes his or her visits related to the package and the Company transfers its services. If the Company determines that it is not subject to unclaimed property laws for the portion of wellness package that it does not expect to be redeemed (referred to as "breakage") then it recognizes breakage revenue in proportion to the pattern of exercised rights by the patient.

Royalties and Advertising Fund Revenue. The Company collects royalties, as stipulated in the franchise agreement, equal to 7% of gross sales, and a marketing and advertising fee currently equal to 2% of gross sales. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of clinic sales over the term of the franchise agreement. The revenue accounting standard provides an exception for the recognition of sales-based royalties promised in exchange for a license (which generally requires a reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price). As the franchise agreement royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement, such sales-based royalties are recognized as franchisee clinic level sales occur. Royalties are collected semi-monthly, two working days after each sales period has ended.

Franchise Fees. The Company requires the entire non-refundable initial franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of ten years. Initial franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement. The Company's services under the franchise agreement include training of franchisees and staff, site selection, construction/vendor management and ongoing operations support. The Company provides no financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. Renewal franchise fees, as well as transfer fees, are also recognized as revenue on a straight-line basis over the term of the respective franchise agreement.

Software Fees. The Company collects a monthly fee from its franchisees for use of its proprietary chiropractic software, computer support, and internet services support. These fees are recognized ratably on a straight-line basis over the term of the respective franchise agreement.

Capitalized Sales Commissions. Sales commissions earned by the regional developers and the Company's sales force are considered incremental and recoverable costs of obtaining a franchise agreement with a franchisee. These costs are deferred and then amortized as the respective franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement.

Upfront Regional Developer Rights Fees (as restated)

The Company has a regional developer program where regional developers are granted an exclusive geographical territory and commit to a minimum development obligation within that defined territory. Upon granting of the exclusive rights to develop a territory, a regional developer will pay an upfront fee to the Company. Upfront regional developer fees represent consideration received from a vendor to act as the Company's agent within an exclusive territory. The upfront regional developer rights fee is

accounted for as a reduction of cost of revenues, in franchise and regional development cost of revenues, to offset the respective future commissions paid to the regional developer. The fees are ratably recognized over the term of the related regional developer agreement.

Regional developers receive fees which are funded by the initial franchise fees collected from franchisees upon the sale of franchises within their exclusive geographical territory and a royalty of 3% of sales generated by franchised clinics in their exclusive geographical territory. Initial fees related to the sale of franchises within their exclusive geographical territory are initially deferred as deferred franchise costs and are recognized as an expense in franchise cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise agreement. Royalties of 3% of sales generated by franchised clinics in their regions are also recognized as franchise cost of revenues as franchisee clinic level sales occur. This 3% fee is funded by the 7% royalties we collect from the franchisees in their regions. Certain regional developer agreements result in the regional developer acquiring the rights to existing royalty streams from clinics already open in the respective territory. In those instances, fees collected from the sale of the royalty stream is recognized as a decrease to franchise and regional developer cost of revenues over the remaining life of the respective franchise agreements.

Regional Developer Rights Contract Termination Costs (as restated)

From time to time, subject to the Company's strategy, regional developer rights are reacquired by the Company, resulting in a termination of the contract. The termination costs to reacquire the regional developer rights are recognized at fair value, less any unrecognized upfront regional developer fee liability balance, as a general and administrative expense in the period in which the contract is terminated in accordance with the contract terms and are recorded within general and administrative expenses.

Advertising Costs

Advertising costs are advertising and marketing expenses incurred by the Company, primarily through advertising funds. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Advertising expenses were $5,163,381 and $4,116,740, for the years ended December 31, 2022 and 2021, respectively.

Income Taxes (as restated)

Income taxes are accounted for using a balance sheet approach known as the asset and liability method. The asset and liability method accounts for deferred income taxes by applying the statutory tax rates in effect at the date of the consolidated balance sheets to differences between the book basis and the tax basis of assets and liabilities. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. The differences relate principally to depreciation of property and equipment and treatment of revenue for franchise fees and regional developer fees collected. Tax positions are reviewed at least quarterly and adjusted as new information becomes available. The recoverability of deferred tax assets is evaluated by assessing the adequacy of future expected taxable income from all sources, including reversal of taxable temporary differences, forecasted operating earnings and available tax planning strategies. These estimates of future taxable income inherently require significant judgment. To the extent it is considered more likely than not that a deferred tax asset will be not recovered, a valuation allowance is established.

The Company accounts for uncertainty in income taxes by recognizing the tax benefit or expense from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The Company measures the tax benefits and expenses recognized in the consolidated financial statements from such a position based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution. The Company has identified $1.3 million and $1.3 million in uncertain tax positions as of December 31, 2022 and 2021, respectively. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2022, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2018 and 2017, respectively.

Earnings per Common Share

Basic earnings per common share is computed by dividing net income by the weighted-average number of common shares outstanding during the period. Diluted earnings per common share is computed by giving effect to all potentially dilutive common shares including restricted stock and stock options.

	Year Ended December 31,	
	2022	2021
	(As Restated)	(As Restated)
Net income	$ 626,705	$ 7,565,047
Weighted average common shares outstanding - basic	14,488,314	14,319,448
Effect of dilutive securities:		
Unvested restricted stock and stock options	379,779	616,129
Weighted average common shares outstanding - diluted	14,868,093	14,935,577
Basic earnings per share	$ 0.04	$ 0.53
Diluted earnings per share	$ 0.04	$ 0.51

Potentially dilutive securities excluded from the calculation of diluted net income per common share as the effect would be anti-dilutive were as follows:

	Year Ended December 31,	
	2022	2021
Unvested restricted stock	—	58
Stock options	40,349	4,658

Stock-Based Compensation

The Company accounts for share-based payments by recognizing compensation expense based upon the estimated fair value of the awards on the date of grant. The Company determines the estimated grant-date fair value of restricted shares using the closing price on the date of the grant and the grant-date fair value of stock options using the Black-Scholes-Merton model. In order to calculate the fair value of the options, certain assumptions are made regarding the components of the model, including risk-free interest rate, volatility, expected dividend yield and expected option life. Changes to the assumptions could cause significant adjustments to the valuation. The Company recognizes compensation costs ratably over the period of service using the straight-line method. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

Retirement Benefit Plan

Employees of the Company are eligible to participate in a defined contribution retirement plan, the Joint Corp. 401(k) Retirement Plan (the "401(k) Plan"), under Section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, employees may contribute their eligible compensation, not to exceed the annual limits set by the IRS. The 401(k) Plan allows the Company to match participants' contributions in an amount determined at the sole discretion of the Company. The Company matched participants' contributions for the years ended December 31, 2022 and 2021, up to a maximum of 4% of the employee's eligible compensation. Employer contributions totaled $478,277 and $346,561, for the years ended December 31, 2022 and 2021, respectively.

Loss Contingencies

ASC Topic 450 governs the disclosure of loss contingencies and accrual of loss contingencies in respect of litigation and other claims. The Company records an accrual for a potential loss when it is probable that a loss will occur and the amount of the loss can be reasonably estimated. When the reasonable estimate of the potential loss is within a range of amounts, the minimum of the range of potential loss is accrued, unless a higher amount within the range is a better estimate than any other amount within the range. Moreover, even if an accrual is not required, the Company provides additional disclosure related to litigation and other claims when it is reasonably possible (i.e., more than remote) that the outcomes of such litigation and other claims include potential material adverse impacts on the Company. Legal costs to be incurred in connection with a loss contingency are expensed as such costs are incurred.

Use of Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. Items subject to significant estimates and assumptions include loss contingencies, share-based compensations, useful lives and realizability of long-lived assets, deferred revenue and revenue recognition related to breakage, deferred franchise costs, calculation of ROU assets and liabilities related to leases, realizability of deferred tax assets, impairment of goodwill, intangible assets, other long-lived assets, and purchase price allocations and related valuations.

Note 2: Restatement of Previously Issued Annual Consolidated Financial Statements for the Fiscal Years Ended December 31, 2022 and December 31, 2021

Subsequent to the issuance of the Company's consolidated financial statements as of and for the year ended December 31, 2022, included in the Form 10-K filed with the SEC on March 10, 2023, the following errors were identified:

- The Company has historically recorded the re-acquired Regional Developer Rights as an intangible asset and amortized the re-acquired Regional Developer Rights over the contractual terms under the RD Agreement remaining at the time of the re-acquisition. The Company has concluded that this treatment was incorrect in accordance with U.S. GAAP. The Company should not have capitalized the re-acquired Regional Developer Rights but instead should have recognized the full cost of the re-acquisition as an expense in the respective period.

- The Company has historically recorded the upfront fee paid by the regional developer as a deferred liability, which was then recognized ratably to revenue as the regional developer performed various service obligations. However, the Company concluded that the deferred liability should be ratably recognized against cost of revenue as an offset against future commissions instead of revenue.

- The Company has historically charged the VIEs a management fee for the benefit of the Company providing non-clinical administrative services needed by the professional corporation chiropractic practice. The economic compensation or profitability resulting from an intercompany transaction between two or more parties is based on each party's relative contribution to the economic activity under analysis. The standalone professional corporations have not historically been profitable from an income tax perspective and are fully valuing their deferred tax assets and related attributes for ASC 740 purposes. The professional corporations' earned annual losses were not consistent with their function, risk, and asset profile for transfer pricing. As such, the Company has estimated transfer pricing adjustments which were computed based on assumed targets of profitability. The resulting operating profit, after incorporating estimated transfer pricing adjustments, were further used as a means for computing overall potential tax exposure and correlative benefit.

The Company assessed the impact of these errors on its previously issued financial statements and determined them to be quantitatively and qualitatively material to 2022 and 2021 based on its analysis of Staff Accounting Bulletin ("SAB") No. 99, "Materiality," and SAB No. 108, "Considering the Effects of Prior Year Misstatements when Quantifying Misstatements in Current Year Financial Statements". These errors have been corrected in the accompanying consolidated balance sheets as of December 31, 2022 and 2021 and the consolidated income statements, statements of changes in stockholders' equity, and statements of cash flows for the years then ended.

The following table summarizes the effect of the errors on the Company's consolidated balance sheet as of December 31, 2022:

Note 3: Revenue Disclosures

Company-owned or Managed Clinics

The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed in accordance with the Company's breakage policy, as discussed in Note 1, Revenue Recognition.

Franchising Fees, Royalty Fees, Advertising Fund Revenue, and Software Fees

The Company currently franchises its concept across 39 states. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fees; (b) continuing franchise fees (royalties); (c) advertising fees; and (d) software fees. Generally, the revenue accounting standard requires the reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price. However, the revenue accounting standard provides an exception, and it allows a reporting entity to recognize revenue for a sales-based or usage-based royalty promised in exchange for a license of intellectual property only when (or as) the later of the following events occurs: (i) the subsequent sale or usage occurs, (ii) the performance obligation to which some or all of the sales-based or usage-based royalty has been allocated has been satisfied (or partially satisfied). In accordance with the revenue accounting standard exception, royalty and advertising revenue are recognized when the franchisee's sales occur.

The Company recognizes the primary components of the transaction price as follows:

- Initial and renewal franchise fees, as well as transfer fees, are recognized as revenue ratably on a straight-line basis over the term of the respective franchise agreement commencing with the execution of the franchise, renewal, or transfer agreement. As these fees are typically received in cash at or near the beginning of the contract term, the cash received is initially recorded as a contract liability until recognized as revenue over time.

- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either what is considered a contract asset (unbilled receivable) or, once billed, accounts receivable, on the consolidated balance sheet.

- The Company is entitled to a software fee, which is charged monthly. The Company recognizes revenue related to software fees ratably on a straight-line basis over the term of the franchise agreement.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the reported sales of the franchisee, neither of which requires estimation. The Company believes its franchising arrangements do not contain a significant financing component.

The Company recognizes advertising fees received under franchise agreements as advertising fund revenue.

Note 4: Acquisitions

2022 Acquisitions

On May 19, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller four operating franchises in Arizona. The Company operates the franchises as company-owned

clinics. The total purchase price for the transaction was $5,761,256, less $70,484 of net deferred revenue, resulting in total purchase consideration of $5,690,772.

On July 5, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller one operating franchise in Arizona (collectively, including the May 19th purchase, the "AZ Clinics Purchase"). The Company operates the franchise as a company-owned clinic. The total purchase price for the transaction was $1,205,667, less $13,241 of net deferred revenue, resulting in total purchase consideration of $1,192,426.

Based on the terms of the purchase agreements, the AZ Clinics Purchase has been treated as a business combination under U.S. GAAP using the acquisition method of accounting, which requires that assets acquired and liabilities assumed be recorded at the date of acquisition at their respective fair values. Any excess of the purchase price over the estimated fair values of the net assets acquired is recorded as goodwill.

The allocation of the total purchase price of AZ Clinics Purchase was as follows:

Property and equipment	$	241,511
Operating lease right-of-use asset		912,937
Intangible assets		3,689,100
Total assets acquired		4,843,548
Goodwill		3,408,205
Deferred revenue		(455,317)
Operating lease liability - current portion		(128,516)
Operating lease liability - net of current portion		(784,722)
Net purchase consideration	$	6,883,198

Intangible assets in the table above consist of re-acquired franchise rights of $2,892,100, amortized over estimated useful lives of approximately four to eight years and customer relationships of $797,000, amortized over estimated useful lives of two to three years. The fair value of re-acquired franchise rights are estimated using the multi-period excess earnings method. The multi-period excess earnings method model estimates revenues and cash flows derived from the primary asset and then deducts portions of the cash flow that can be attributed to supporting assets, such as assembled workforce and working capital that contributed to the generation of the cash flows. The resulting cash flow, which is attributable solely to the primary asset acquired, is then discounted at a rate of return commensurate with the risk of the asset to calculate a present value. Customer relationships are also calculated using the multi-period excess earnings method.

The valuation method involved the use of significant estimates and assumptions primarily related to forecasted revenue growth rates, gross margin, contributory asset charges, customer attrition rates, and market-participant discount rates. These measures are based on significant Level 3 inputs not observable in the market. Key assumptions developed based on the Company's historical experience, future projections and comparable market data include future cash flows, long-term growth rates, attrition rates and discount rates

Goodwill represents the excess of the purchase consideration over the fair value of the underlying acquired net tangible and intangible assets. The factors that contributed to the recognition of goodwill included synergies and benefits expected to be gained from leveraging the Company's existing operations and infrastructures, as well as the expected associated revenue and cash flow projections. Goodwill has been allocated to the Company's Corporate Clinics segment based on such expected benefits. Goodwill related to the acquisition is expected to be deductible for income tax purposes over 15 years. The Company completed the purchase price allocation during the fourth quarter of 2022.

On July 29, 2022, the Company entered into Asset and Franchise Purchase Agreements under which the Company repurchased from the sellers three operating franchises in North Carolina. The Company operates the franchises as company-managed clinics. The total purchase price for the transactions was $1,317,312, less $31,647 of net deferred revenue, resulting in total purchase consideration of $1,285,665.

On October 13, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller an operating franchise in North Carolina. The Company operates the franchise as a company-

managed clinic. The total purchase price for the transaction was $761,384, less $5,108 of net deferred revenue, resulting in total purchase consideration of $756,276.

On October 24, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller an operating franchise in North Carolina (collectively, including the July 29th and October 13th purchases, the "NC Clinics Purchase"). The Company operates the franchise as a company-managed clinic. The total purchase price for the transaction was $1,391,112, less $9,262 of net deferred revenue, resulting in total purchase consideration of $1,381,850.

On December 23, 2022, the Company entered into Asset and Franchise Purchase Agreements under which the Company repurchased from the sellers six operating franchises and one undeveloped clinic in California (the "CA Clinics Purchase"). The Company operates the franchises as company-managed clinics. The total purchase price for the transactions was $1,965,755, less $70,628 of net deferred revenue, resulting in total purchase consideration of $1,895,127.

Based on the terms of the purchase agreement, the NC and CA Clinics Purchases have been treated as asset purchases under U.S. GAAP as there were no outputs or processes to generate outputs acquired as part of these transactions. Under an asset purchase, assets are recognized based on their cost to the acquiring entity. Cost is allocated to the individual assets acquired or liabilities assumed based on their relative fair values and does not give rise to goodwill.

The allocation of the total purchase price of NC Clinics Purchase was as follows:

Property and equipment	$	198,236
Operating lease right-of-use asset		521,222
Intangible assets		3,544,456

Note 6: Fair Value Consideration

The Company's financial instruments include cash, restricted cash, accounts receivable, notes receivable, accounts payable, accrued expenses and debt under the Credit Agreement. The carrying amounts of its financial instruments, excluding the debt under the Credit Agreement, approximate their fair value due to their short maturities. The carrying value of the Company's debt under the Credit Agreement approximates fair value due to its interest rate being calculated from observable quoted prices for similar instruments, which is considered a Level 2 fair value measurement.

Authoritative guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The guidance establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability, developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions of what market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on reliability of the inputs as follows:

Level 1: Observable inputs such as quoted prices in active markets;

Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

As of December 31, 2022 and 2021, the Company did not have any financial instruments that were measured on a recurring basis as Level 1, 2 or 3.

The Company's non-financial assets, which primarily consist of goodwill, intangible assets, property, plant and equipment, and operating lease right-of-use assets, are not required to be measured at fair value on a recurring basis, and instead are reported at their carrying amount. However, on a periodic basis whenever events or changes in circumstances indicate that their carrying amount may not be fully recoverable (and at least annually for goodwill), non-financial assets are assessed for impairment. If the fair value is determined to be lower than the carrying amount, an impairment charge is recorded to write down the asset to its fair value, which is considered Level 3 within the fair value hierarchy.

During the years ended December 31, 2022 and 2021, certain operating lease right-of-use assets related to closed clinics with a total carrying amount of $0.2 million and $0.5 million, respectively, were written down to their respective fair value of zero and $0.4 million. Fair value of the Company's operating lease right-of-use assets was determined based on the discounted cash flows of the estimated market rents. As a result, the Company recorded a noncash impairment loss of approximately $0.2 million and $0.1 million during the years ended December 31, 2022 and 2021, respectively.

Note 7: Intangible Assets and Goodwill

During 2022, the Company recognized $6.1 million, $1.7 million, and $0.9 million of reacquired franchise rights, customer relationships, and assembled workforce, respectively, from the acquisitions (reference Note 4). Intangible assets consisted of the following:

Note 8: Debt

Credit Agreement

On February 28, 2020, the Company entered into a Credit Agreement (the "Credit Agreement"), with JPMorgan Chase Bank, N.A., individually, and as Administrative Agent and Issuing Bank ("JPMorgan Chase" or the "Lender"). The Credit Agreement provided for senior secured credit facilities (the "Credit Facilities") in the amount of $7,500,000, including a $2,000,000 revolver (the "Revolver") and $5,500,000 development line of credit (the "Line of Credit"). The Revolver included amounts available for letters of credit of up to $1,000,000 and an uncommitted additional amount of $2,500,000. All outstanding principal and interest on the Revolver were due on February 28, 2022.

On February 28, 2022, the Company entered into an amendment to its Credit Facilities (as amended, the "2022 Credit Facility") with the Lender. Under the 2022 Credit Facility, the Revolver increased to $20,000,000 (from $2,000,000), the portion of the Revolver available for letters of credit increased to $5,000,000 (from $1,000,000), the uncommitted additional amount increased to $30,000,000 (from $2,500,000) and the developmental line of credit of $5,500,000 was terminated. The Revolver will be used for working capital needs, general corporate purposes and for acquisitions, development and capital improvement uses. At the option of the Company, borrowings under the 2022 Credit Facility bear interest at: (i) the adjusted Secured Overnight Financing Rate ("SOFR"), which is the daily simple SOFR, plus 0.10%, plus 1.75%, payable on the last day of the selected interest period of one, three or six months, and on the three-month anniversary of the beginning of any six-month interest period, if applicable; or (ii) an Alternative Base Rate (ABR), plus 1.00%, payable monthly. The ABR is the greatest of: (A) the prime rate (as published by the Wall Street Journal), (B) the Federal Reserve Bank of New York rate, plus 0.5%, and (C) the adjusted one-month term SOFR rate. Amounts outstanding under the Revolver on February 28, 2022 continued to bear interest at the rate selected under the Credit Facilities prior to the amendment until the last day of the interest period in effect, at which time, if not repaid, the amounts outstanding under the Revolver will bear interest at the 2022 Credit Facility rate. As a result of this refinance, $2,000,000 of current maturity of long-term debt has been reclassified to long-term as of December 31, 2021. The 2022 Credit Facility will terminate and all principal and interest will become due and payable on the fifth anniversary of the amendment (February 28, 2027).

The Credit Facilities contain customary events of default, including but not limited to nonpayment; material inaccuracy of representations and warranties; violations of covenants; certain bankruptcies and liquidations; cross-default to material indebtedness; certain material judgments; and certain fundamental changes such as a merger or sale of substantially all assets

(as further defined in the Credit Facilities). The Credit Facilities require the Company to comply with customary affirmative, negative and financial covenants, including minimum interest coverage and maximum net leverage. A breach of any of these operating or financial covenants would result in a default under the Credit Facilities. If an event of default occurs and is continuing, the lenders could elect to declare all amounts then outstanding, together with accrued interest, to be immediately due and payable. The Credit Facilities are collateralized by substantially all of the Company's assets, including the assets in the Company's company-owned or managed clinics. The Company intends to use the Revolver for general working capital needs and for acquiring and developing new chiropractic clinics. The interest rate on funds borrowed under the Revolver as of December 31, 2022 was 6.43%. As of December 31, 2022, the Company was in compliance with all applicable financial and non-financial covenants under the Credit Agreement, and $2,000,000 remains outstanding as of December 31, 2022.

In connection with the issuance of the Credit Facilities and the 2022 Credit Facility, the Company incurred debt issuance costs of $52,648 and $76,415, respectively. Interest expense and amortization expense related to debt issuance costs are being amortized to "Other expense, net" and was $129,118 and $60,178 for the years ended December 31, 2022 and 2021, respectively.

Paycheck Protection Program Loan

On April 10, 2020, the Company received a loan in the amount of approximately $2.7 million from JPMorgan Chase Bank, N.A. (the "Loan"), pursuant to the Paycheck Protection Program (the "PPP") administered by the United States Small Business Administration. The PPP is part of the Coronavirus Aid, Relief, and Economic Security Act, which provides for forgiveness of up to the full principal amount and accrued interest of qualifying loans guaranteed under the PPP. The Loan was granted pursuant to a Note dated April 9, 2020 issued by the Company. The Note had a maturity date of April 11, 2022 and bore interest at a rate of 0.98% per annum. On March 4, 2021, the Company elected to repay the full principal and accrued interest on the PPP Loan of approximately $2.7 million without prepayment penalty, in accordance with the terms of the PPP loan.

Note 9: Stock-Based Compensation

The Company grants stock-based awards under its 2014 Incentive Stock Plan (the "2014 Plan"). The shares issued as a result of stock-based compensation transactions generally have been funded with the issuance of new shares of the Company's common stock.

The Company may grant the following types of incentive awards under the 2014 Plan: (i) non-qualified stock options; (ii) incentive stock options; (iii) stock appreciation rights; (iv) restricted stock; and (v) restricted stock units. Each award granted under the 2014 Plan is subject to an award agreement that incorporates, as applicable, the exercise price, the term of the award, the periods of restriction, the number of shares to which the award pertains, and such other terms and conditions as the plan committee determines. Awards granted under the 2014 Plan are classified as equity awards, which are recorded in stockholders' equity in the Company's consolidated balance sheets. Through December 31, 2022, the Company has granted under the 2014 Plan (i) non-qualified stock options; (ii) incentive stock options; and (iii) restricted stock. There were no stock appreciation rights and restricted stock units granted under the 2014 Plan as of December 31, 2022.

Stock Options

The Company's closing price on the date of grant is the basis of fair value of its common stock used in determining the value of share-based awards. To the extent the value of the Company's share-based awards involves a measure of volatility, the Company uses available historical volatility of the Company's common stock over a period of time corresponding to the expected stock option term. The Company uses the simplified method to calculate the expected term of stock option grants to employees as the Company does not have sufficient historical exercise data to provide a reasonable basis upon which to estimate the expected term of stock options granted to employees. Accordingly, the expected life of the options granted is based on the average of the vesting term, which is generally four years and the contractual term, which is generally ten years. The Company will continue to evaluate the appropriateness of utilizing such method. The risk-free interest rate is based on United States Treasury yields in effect at the date of grant for periods corresponding to the expected stock option term. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

The Company did not grant options during the year ended December 31, 2022. The Company has computed the fair value of all options granted using the Black-Scholes-Merton model during the year ended December 31, 2021, using the following assumptions:

	Year Ended December 31, 2021
Expected volatility	57%
Expected dividends	None
Expected term (years)	7
Risk-free rate	0.97% to 1.27%

The information below summarizes the stock options activity:

The aggregate fair value of the Company's stock options vested during 2022 and 2021 was $631,512 and $481,404, respectively.

The Company recognizes compensation costs ratably over the period of service using the straight-line method. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%. For the years ended December 31, 2022 and 2021, stock-based compensation expense for stock options was $515,279 and $625,291, respectively.

Unrecognized stock-based compensation expense for stock options as of December 31, 2022 was $712,933, which is expected to be recognized ratably over the next 1.9 years.

The Company entered into various operating leases for its new corporate clinics' spaces that had not yet commenced as of the year ended December 31, 2022. These leases are expected to result in additional ROU asset and liability of approximately $1.5 million. These leases are expected to commence during the first and second quarter of 2023, with lease terms of five to ten years.

Guarantee in Connection with the Sale of the Divested Business

In connection with the sale of a company-managed clinic in 2022, the Company guaranteed one future operating lease commitment assumed by the buyers. The Company is obligated to perform under the guarantee if the buyers fail to perform under the lease agreement at any time during the remainder of the lease agreement, which expires on May 31, 2027. At the date of sale, the undiscounted maximum potential future payments totaled $247,296. As of the year ended December 31, 2022, the undiscounted remaining lease payments under the agreement totaled $234,696. The Company had not recorded a liability with respect to the guarantee obligation as of December 31, 2022, as the Company concluded that payment under the lease guarantee was not probable.

Litigation

In the normal course of business, the Company is party to litigation and claims from time to time. The Company maintains insurance to cover certain litigation and claims.

Note 12: Segment Reporting

An operating segment is defined as a component of an enterprise for which discrete financial information is available and is reviewed regularly by the Chief Operating Decision Maker ("CODM") to evaluate performance and make operating decisions. The Company has identified its CODM as the Chief Executive Officer.

The Company has two operating business segments. The Corporate Clinics segment is comprised of the operating activities of the company-owned or managed clinics. As of December 31, 2022, the Company operated or managed 126 clinics under this segment. The Franchise Operations segment is comprised of the operating activities of the franchise business unit. As of December 31, 2022, the franchise system consisted of 712 clinics in operation. Corporate is a non-operating segment that develops and implements strategic initiatives and supports the Company's two operating business segments by centralizing key administrative functions such as finance and treasury, information technology, insurance and risk management, legal and human resources. Corporate also provides the necessary administrative functions to support the Company as a publicly-traded company. A portion of the expenses incurred by Corporate are allocated to the operating segments.

The tables below present financial information for the Company's two operating business segments.

Note 13: Related Party Transaction

In December 2020, we sold two franchise licenses at $39,900 and $29,900 each (which reflects the $10,000 multi-unit discount for the second license per the Franchise Disclosure Document) to Marshall Gramm, who is a family member of the Managing Partner of Bandera Partners LLC. Bandera Partners LLC was a significant shareholder of more than 5% of our outstanding common stock (approximately 17% as of December 31, 2022). The transaction involved terms no less favorable to us than those that would have been obtained in the absence of such affiliation. Although we have no way of estimating the aggregate

amount of franchise fees, royalties, advertising fund fees, IT related income and computer software fees that Mr. Gramm will pay over the life of the franchise licenses, Mr. Gramm is subject to such fees under the same terms and conditions as all other franchisees. Mr. Gramm paid $34,262 and $11,046 in 2022 and 2021, respectively, for such royalties and other fees.

Note 14: Quarterly Financial Data (Unaudited and Restated)

The Company is providing restated quarterly and year-to-date unaudited consolidated financial information for interim periods occurring within the years ended December 31, 2022 and December 31, 2021. See Note 2, Restatement of Previously Issued Consolidated Financial Statements for further background concerning the events preceding the restatement of financial information in this Comprehensive Form 10-K/A.

The Company assessed the impact of these errors on its previously issued interim financial statements and determined them to be quantitatively and qualitatively material to interim periods for 2022 and 2021 based on its analysis of Staff Accounting Bulletin ("SAB") No. 99, "Materiality," and SAB No. 108, "Considering the Effects of Prior Year Misstatements when Quantifying Misstatements in Current Year Financial Statements". The impact of these errors is summarized in the tables that follow.

Note 15: Subsequent Events

The employee retention credit ("ERC"), as originally enacted through the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") on March 27, 2020, is a refundable credit against certain employment taxes equal to 50% of the qualified wages an eligible employer paid to employees from March 17, 2020 to December 31, 2020. The Disaster Tax Relief Act, enacted on December 27, 2020, extended the employee retention credit for qualified wages paid from January 1, 2021 to June 30, 2021, and the credit was increased to 70% of qualified wages an eligible employer paid to employees during the extended period. The American Rescue Plan Act of 2021, enacted on March 11, 2021, further extended the employee retention credit through December 31, 2021.

In October 2022, the Company filed an application with the IRS for the ERC. Employers are eligible for the credit if they experienced full or partial suspension or modification of operations during any calendar quarter because of governmental orders due to the pandemic or a significant decline in gross receipts based on a comparison of quarterly revenue results for 2020 and/or 2021 with the comparable quarter in 2019. The Company's ERC application was equal to 70% of qualified wages paid to employees during the period from January 1, 2021 to June 30, 2021 for a maximum quarterly credit of $7,000 per employee. In March 2023, the Company received notice from the IRS related to the overpayment of Federal Employment Tax plus interest in the amount of $4.8 million related to the ERC application. The $4.8 million ERC is subject to a 20% consulting fee. The Company's eligibility remains subject to audit by the IRS for a period of five years.

STATE ADDENDA

[See Attached]

STATE ADDENDA AND AMENDMENTS TO FRANCHISE AGREEMENT, SUPPLEMENTAL AGREEMENTS AND FRANCHISE DISCLOSURE DOCUMENT FOR CERTAIN STATES

BACKGROUND AND PURPOSE

The following modifications are made to the THE JOINT® Franchise Disclosure Document ("FDD" or "Disclosure Document") issued by The Joint Corp. ("we" or "us" or "franchisor") to franchisee ("you" or "franchisee") and may supersede certain portions of the Franchise Agreement between you and us dated _____, 202__ (the "Franchise Agreement"). When the term "Supplemental Agreements" is used, it means any area development agreement, area representative agreement, master franchise agreement, or similar agreement entered into between us and you, if applicable.

Certain states have laws governing the franchise relationship and franchise documents. Certain states require modifications to the FDD, Franchise Agreement, Supplemental Agreements and other documents related to the sale of a franchise. This State-Specific Addendum ("State Addendum") will modify these agreements to comply with the applicable state's laws. The terms of this State Addendum will only apply if you meet the requirements of the applicable state independently of your signing of this State Addendum. The terms of this State Addendum (but only the State Addendum for the applicable State) will override any inconsistent provision of the FDD, Franchise Agreement or any Supplemental Documents. This State Addendum only applies to the following states: California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin.

If your state requires these modifications, you will sign this State Addendum along with the Franchise Agreement and any Supplemental Agreements. If you sign this State Addendum, only the terms applicable to the state or states whose franchise laws apply to your transaction will govern. If you sign this State Addendum, but none of the state franchise laws listed above applies because their jurisdictional requirements have not been met, then this State Addendum will be void and inapplicable to you.

CALIFORNIA

1. The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the Franchise be delivered together with the Disclosure Document.

2. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

3. Neither the franchisor nor any person or franchise broker in Item 2 of the FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

4. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a Franchise Agreement or Supplemental Agreement restricting venue to a forum outside the State of California.

5. The Franchise Agreement and Supplemental Agreements require application of the laws of Arizona. This provision may not be enforceable under California law.

6. The Franchise Agreement and Supplemental Agreements may provide for termination upon bankruptcy. Any such provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

7. The Franchise Agreement and Supplemental Agreements may contain a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

8. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable. Any such provisions contained in the Franchise Agreement or Supplemental Agreements may not be enforceable.

9. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement or Supplemental Agreements contain a provision that is inconsistent with the California Franchise Investment Law, the California Franchise Investment Law will control.

10. You must sign a general release of claims if you renew or transfer your Franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

1. Illinois law shall apply to and govern the Franchise Agreement and Supplemental Agreements.

2. In accordance with Section 4 of the Illinois Franchise Disclosure Act, any provision in the Franchise Agreement and Supplemental Agreements that designated jurisdiction and venue in a forum outside of the State of Illinois is void. However, the Franchise Agreement and Supplemental Agreements may provide for arbitration to take place outside of Illinois.

3. Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

4. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

5. The Franchise Agreement and Supplemental Agreements are amended to state the following:

To the extent that any provision in the Illinois State Addendum is inconsistent with any provision in this Agreement, the provision in the Illinois State Addendum shall control.

INDIANA

In recognition of the requirements of the Indiana Franchise Disclosure Law, IC 23-2-2-2.5, the Franchise Agreement and Supplemental Agreements are amended as follows:

1. The laws of the State of Indiana supersede any provisions of the Disclosure Document, Franchise Agreement and Supplemental Agreements if such provisions are in conflict with Indiana law.

2. The Franchise Agreement and Supplemental Agreements are amended to provide that such agreements will be construed in accordance with the laws of the State of Indiana.

3. Any provision in the Franchise Agreement which designates jurisdiction or venue, or requires the franchisee to agree to jurisdiction or venue, in a forum outside of Indiana, is deleted from any Franchise Agreement and Supplemental Agreement issued in the State of Indiana.

4. The prohibition by Indiana Code § 23-2-2.7-1(7) against unilateral termination of the franchise without good cause or in bad faith, good cause being defined therein as material breach of the Franchise Agreement or Supplemental Agreement (as applicable), shall supersede the provisions of the Franchise Agreement or Supplemental Agreement (as applicable) in the State of Indiana to the extent they may be inconsistent with such prohibition.

5. The covenant not to compete that applies after the expiration or termination of the Franchise Agreement is hereby modified to the extent necessary to comply with Indiana Code 23-2-2.7-1(9).

6. Liquidated damages and termination penalties are prohibited by law in the State of Indiana and, therefore, the Disclosure Document, the Franchise Agreement and Supplemental Agreements are amended by the deletion of all references to liquidated damages and termination penalties and the addition of the following language to the original language that appears therein:

   > Notwithstanding any such termination, and in addition to the obligations of the franchisee as otherwise provided, or in the event of termination or cancellation of the Franchise Agreement under any of the other provisions therein, the franchisee nevertheless shall be, continue and remain liable to franchisor for any and all damages which franchisor has sustained or may sustain by reason of such default or defaults and the breach of the Franchise Agreement on the part of the franchisee for the unexpired Term of the Franchise Agreement.
   >
   > At the time of such termination of the Franchise Agreement, the franchisee covenants to pay to franchisor within 10 days after demand as compensation all damages, losses, costs and expenses (including reasonable attorney's fees) incurred by franchisor, and/or amounts which would otherwise be payable thereunder but for such termination for and during the remainder of the unexpired Term of the Franchise Agreement. This Agreement does not constitute a waiver of the franchisee's right to a trial on any of the above matters.

7. No release language set forth in the Disclosure Document or Franchise Agreement or Supplemental Agreement shall relieve franchisor or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Indiana. Any provision in the Franchise Agreement or Supplemental Agreement that would require you to prospectively assent to a release, assignment, novation, waiver or estoppel which purports to relieve any person from liability imposed by the Indiana Deceptive Franchise Practices Law is void to the extent that such provision violates such law.

This provision supersedes any other term of any document executed in connection with the franchise.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any document relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(v) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(vi) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(vii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(viii) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if

the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than $100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

MANAGED CLINIC ADDENDUM

[See Attached]

MANAGED CLINIC ADDENDUM

This Managed Clinic Addendum (this "Addendum") is entered into as of _____, 202__ (the "Effective Date") between The Joint Corp., a Delaware corporation ("we" or "us") and _____, a(n) _____ ("you" and, together with us, the "Parties").

BACKGROUND RECITALS

A. Concurrently with the execution of this Addendum, the Parties are entering into a The Joint Franchise Agreement (the "Franchise Agreement") for the development and operation of a Clinic (your "Clinic").

B. Your Clinic is located in a state that adheres to a corporate practice of medicine doctrine that applies to chiropractic clinics ("CPOM").

C. The CPOM applicable in your state makes it unlawful for you to own and operate the Clinic because you are neither a licensed chiropractor nor a Chiropractic PC. Because of these restrictions, you must acquire franchise rights for a Managed Clinic.

D. Our standard form of Franchise Agreement assumes the franchisee is a licensed chiropractor or Chiropractic PC who may lawfully develop, own and operate a Franchised Clinic.

E. The Parties now desire to enter into this Addendum to amend certain provisions within the Franchise Agreement to reflect the fact you are acquiring a Managed Clinic rather than a Franchised Clinic.

F. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby amend and supplement the Franchise Agreement in accordance with the terms and conditions set forth below.

2. OPERATION OF A MANAGED CLINIC. The Parties hereby acknowledge and affirm that the Franchise Agreement grants you franchise rights for a Managed Clinic rather than a Franchised Clinic. Accordingly, you will not own or operate the Clinic. Instead, Clinic Operator will own and operate the Clinic and you will manage the Clinic by providing Management Services in accordance with the Franchise Agreement, this Addendum, the Management Agreement and the Manual. For purposes of this Addendum, "ownership of the Clinic" refers to ownership of the chiropractic practice conducted from the Clinic and does not necessarily refer to ownership of the premises or any of the furniture, fixtures, equipment or other assets located within or utilized at the Clinic. You must perform all Management Services required by the Manual in strict compliance with all applicable standards, specifications, policies, procedures and other requirements in the Manual and in accordance with our System.

3. ESTABLISHING RELATIONSHIP WITH CLINIC OPERATOR.

3.1. Selection of Clinic Operator. You must identify and appoint a Chiropractic PC (the "Clinic Operator") that is licensed and authorized to own and operate a Clinic, provide Chiropractic Services and employ Chiropractic Staff, in accordance with the CPOM and other Healthcare Laws applicable in the state in which your Clinic is or will be located. You are solely responsible for locating a suitable Chiropractic PC to serve as Clinic Operator. You must provide us with the name and all information we reasonably request regarding the Clinic Operator and its owners and Chiropractic Staff. Your appointment of the Clinic Operator, and the Clinic Operator's acceptance of the appointment, shall be evidenced by execution of the Acceptance and Acknowledgment Agreement by us, you and Clinic Operator.

3.2. Acceptance and Acknowledgment Agreement. You must sign (and cause Clinic Operator to sign) the Acceptance and Acknowledgement Agreement and the Management Agreement prior to the Clinic's opening date. Your failure to do so shall constitute a material event of default under the Franchise Agreement. Clinic Operator shall have no right or license to use any of the Intellectual Property except as otherwise provided in the Acceptance and Acknowledgment Agreement.

3.3. Management Agreement. Your Healthcare Counsel must prepare a Management Agreement that

is signed by you and Clinic Operator. The Management Agreement must satisfy all criteria and requirements described in this Section. The Management Agreement shall include provisions that: (a) require Clinic Operator to own and operate the Clinic, employ the Chiropractic Staff who provide Chiropractic Services at the Clinic and compensate you for the Management Services you provide; and (b) require you to manage the Clinic by providing the Management Services. The Management Agreement shall not: (a) grant any license, sublicense or other right to use the Intellectual Property, except with our prior written approval; or (b) contain any terms or conditions that conflict with the terms of the Franchise Agreement (as modified and supplemented by this Addendum). The Management Agreement must include all mandatory terms and conditions that we designate (as further specified in the Manual or otherwise) including, without limitation:

(i) covenants that protect and/or restrict use of our Intellectual Property;

(ii) non-competition covenants;

(iii) covenants restricting disclosure and use of our Confidential Information;

(iv) limitations on our liability;

(v) provisions governing training of Clinic Operator's owners and Chiropractic Staff;

(vi) provisions governing the ownership, transfer and use of Business Data;

(vii) provisions restricting the goods and services that may be offered and sold from the Clinic;

(viii) covenants requiring you and Clinic Operator to comply with all applicable Healthcare Laws;

(x) obligations that apply following termination or expiration of the Management Agreement;

(xi) covenants regarding insurance policies that must be maintained by Clinic Operator;

(xii) covenants obligating each party to: (a) notify us in writing of any default committed by the other party; and (b) provide us with at least 30 days' notice prior of the termination or expiration of the Management Agreement; and

(xiii) any other terms, conditions or covenants that the Manual requires be included in the Management Agreement.

The Management Agreement shall expressly provide that we are an intended third-party beneficiary with the right to enforce all terms and conditions pertaining to: (a) the Intellectual Property; (b) the use or disclosure of our Confidential Information; (c) covenants against unfair competition; and (d) any other terms and conditions we reasonably designate as being necessary to protect our interests or the interests of our franchisees. If we choose to provide you with a sample Management Agreement (which we have no obligation to do) then: (a) you acknowledge our sample Management Agreement has not been prepared or reviewed for compliance with Healthcare Laws applicable in your state; and (b) your Healthcare Counsel must review and revise our sample Management Agreement for compliance with all applicable Healthcare Laws. You are responsible for ensuring the Management Agreement complies with all applicable Healthcare Laws. You must fully comply, and ensure Clinic Operator fully complies, with your and Clinic Operator's respective obligations under the Management Agreement. You must promptly provide us with a fully executed copy of the Management Agreement.

3.4. **Change of Clinic Operator**. You must maintain your relationship with Clinic Operator at all times following the Clinic's Opening Date. If Clinic Operator ceases to perform its obligations under the Management Agreement for any reason, you must immediately close the Clinic (or, with our permission, continue to operate the Clinic but immediately discontinue all Chiropractic Services) until such time that Clinic Operator resumes performance of its obligations. If your relationship

with a Clinic Operator is discontinued for any reason you must appoint a new Clinic Operator (in accordance with §3.1 and §3.2 of this Addendum) and enter into a new Management Agreement (in accordance with §3.3 of this Addendum) no later than 30 days from the date your relationship with Clinic Operator is discontinued.

4. OPERATION OF CLINIC.

4.1. **Compliance with Brand Standards**. You are responsible for ensuring the Clinic is developed and operated in compliance with the Franchise Agreement, this Addendum and the Manual. Accordingly, you must ensure Clinic Operator operates the Clinic in compliance with the Franchise Agreement, this Addendum and the Manual, subject to any deviations necessary to conform to the Professional Judgment of Clinic Operator or the Chiropractic Staff in accordance with §4.4 of this Addendum. Clinic Operator shall be provided with a complete executed copy of the Franchise Agreement and this Addendum. Clinic Operator must agree to comply with the terms of the Franchise Agreement governing the operation of the Clinic as if Clinic Operator was the franchisee thereunder. To ensure compliance with our brand standards, you agree to provide Clinic Operator's owners and Chiropractic Staff with all training programs we designate from time to time.

4.2. **Access to Confidential Information**. You may disclose to Clinic Operator and the Chiropractic Staff only such portions of our Confidential Information as is necessary to enable them to perform their obligations under, and in compliance with, the Franchise Agreement, this Addendum, the Management Agreement and the Manual. You must ensure that Clinic Operator, all owners of Clinic Operator and all Chiropractic Staff sign a Confidentiality Agreement. You shall be jointly liable to us for any breach of a Confidentiality Agreement committed by Clinic Operator or any of its owners or Chiropractic Staff.

4.3. **Restrictions on Providing Chiropractic Services**. You understand the practice of chiropractic (including the rendering of Chiropractic Services performed at a Clinic) is a licensed medical profession requiring independent judgment, skill and training. Neither we nor you are authorized to engage in the practice of chiropractic or provide Chiropractic Services. You are strictly prohibited from providing, or representing that you provide, any Chiropractic Services. Only Clinic Operator and the Chiropractic Staff may provide Chiropractic Services at the Clinic. Chiropractic Services must be performed by, or under the supervision of, Chiropractic Staff in compliance with applicable Healthcare Laws. You and your Owners are strictly prohibited from: (a) directing, controlling or otherwise influencing Clinic Operator or the Chiropractic Staff with respect to the manner in which Chiropractic Services are rendered to patients; (b) providing Chiropractic Services in connection with the Clinic; (c) engaging in any actions reasonably likely to imply or give the appearance that you or your Owners are providing Chiropractic Services in connection with the Clinic; or (d) marketing or otherwise communicating to any Person that you are, or anyone other than Clinic Operator is, the Clinic operator and owner of the chiropractic practice conducted from the Clinic.

4.4. **Professional Judgment**. You must not engage in any activities that might interfere with the Professional Judgment of Clinic Operator or the Chiropractic Staff. Neither we nor you may control or influence (or reserve the right or intend to control or influence) the Professional Judgment exercised by Clinic Operator or the Chiropractic Staff. In recognition of these facts, you and we acknowledge and agree that if any terms within a Definitive Agreement or the Manual conflict with the Professional Judgment of Clinic Operator or the Chiropractic Staff, the Professional Judgment of Clinic Operator and the Chiropractic Staff will control, and Clinic Operator and the Chiropractic Staff shall be authorized to act in a manner consistent with their Professional Judgment without being deemed in breach of any Definitive Agreement or the Manual. You must promptly notify us if Clinic Operator or any member of the Chiropractic Staff informs you that any terms within a Definitive Agreement or the Manual conflict with their Professional Judgment.

5. SITE SELECTION, LEASE, CONSTRUCTION AND DEVELOPMENT OF CLINIC. Unless we

agree otherwise, you will be responsible, at your expense, for: (a) finding and obtaining our acceptance of the site for the Clinic in accordance with §8.1 of the Franchise Agreement; (b) entering into a lease for the premises of the Clinic and causing the landlord to execute our required Lease Addendum in accordance with §8.2 of the Franchise Agreement; (c) the design, buildout and construction of the Clinic in accordance with §8.3 and §8.4 of the Franchise Agreement; and (d) the purchase (or lease) and installation of all furniture, fixtures, technology systems, operating equipment, signs and other items we require in accordance with §8.4 of the Franchise Agreement, subject to any deviations deemed reasonably necessary in the Professional Judgment of Clinic Operator or the Chiropractic Staff.

6. ACCOUNTING, INSPECTIONS AND AUDITS

6.1. **Books and Records**. You must ensure Clinic Operator maintains its books and records in the manner required by the Franchise Agreement and the Manual. We have the right, in accordance with the terms and conditions of the Franchise Agreement, to inspect: (a) the Clinic; (b) the operation of the Clinic by Clinic Operator and the Chiropractic Staff; and (c) Clinic Operator's books and records. We (or an auditor we designate) have the right, in accordance with the terms and conditions of the Franchise Agreement, to audit Clinic Operator's books and records that relate to the Clinic. You must ensure Clinic Operator and the Chiropractic Staff fully cooperate with all such inspections and audits.

7. INSURANCE. You must ensure that: (a) Clinic Operator obtains, and at all times during the term of the Management Agreement maintains, all required insurance policies set forth in the Franchise Agreement or the Manual; and (b) that we are a named additional insured on all such insurance policies. You must provide us with evidence of such insurance coverage upon request.

8. OTHER MODIFICATIONS TO FRANCHISE AGREEMENT

8.1. **Preopening Requirements**. In addition to the preopening conditions set forth in §8.5 of the Franchise Agreement, we will not issue our authorization to open before:

(i) you appoint the Clinic Operator and provide us with all information we request about the Clinic Operator and its owners and chiropractors;

(ii) you send us a fully executed copy of (a) the Acceptance and Acknowledgment Agreement and (b) the Management Agreement; and

(iii) if we so request, your Healthcare Counsel issues a Legal Compliance Opinion Letter in accordance with §9 of this Addendum.

8.2. **Business Data**. Subject to applicable privacy Laws and Healthcare Laws, we will own all Business Data (excluding Protected Health Information) pertaining to: (a) you, and the Business you conduct; and (b) Clinic Operator, and the chiropractic practice and other business that Clinic Operator conducts from the Clinic. 8.3. **Patient References**. All references to "patients" or "clients" in the Franchise Agreement shall be deemed to refer to patients or clients of the Clinic and include patients and clients of Clinic Operator.

8.4. **Gross Sales**. For all purposes of the Franchise Agreement, the term Gross Sales shall be deemed

amended to include all Management Fees and PC Revenue, regardless of whether the PC Revenue is recognized as revenue on your books.

8.5. **Conditions to Renewal**. As a further condition to you entering into a Successor Agreement in accordance with §5.2 of the Franchise Agreement, you must execute our then-current form of Managed Clinic Addendum.

9. **LEGAL COMPLIANCE.** You must ensure the operation of the Clinic, the Management Services you provide in connection with the Clinic and your relationship with Clinic Operator comply with all Healthcare Laws, including, without limitation, CPOM applicable in your state. You must engage Healthcare Counsel to advise you on these matters. We may require that your Healthcare Counsel prepare an opinion letter, addressed to us, confirming that the Management Agreement and your relationship with Clinic Operator fully comply with CPOM and all other Healthcare Laws applicable in your state (a "Legal Compliance Opinion Letter"). The Legal Compliance Opinion Letter must be reasonably satisfactory to us. You and Clinic Operator must sign any Business Associate Agreement we specify in order to comply with HIPAA; *provided, however*, that you and Clinic Operator remain solely responsible for compliance with Healthcare Laws.

10. **INDEMNIFICATION.** Your indemnification obligations set forth in §19 of the Franchise Agreement shall extend to any and all Losses and Expenses the Indemnified Parties incur as a result of or in connection with:

11. **TERMINATION.** You acknowledge that any acts or omissions committed by Clinic Operator that would constitute a breach of the Franchise Agreement if such acts or omissions were committed by you shall constitute a default under the Franchise Agreement notwithstanding the fact the acts or omissions were committed by Clinic Operator and not you. We may terminate this Addendum, effective upon delivery of a written notice of termination to you, for any of the following reasons, all of which constitute material events of default and "good cause" for termination, and without opportunity to cure except for any cure period expressly set forth below:

This provision supersedes any other term of any document executed in connection with the franchise.

12.3. **Inconsistency**. If there is any inconsistency between the executed Franchise Agreement and this Addendum, this Addendum shall prevail.

12.4. **Assignment**. You may not assign this Addendum, or any of your rights or obligations hereunder, except in connection with a Transfer of the Franchise Agreement, in accordance with the transfer provisions contained therein, to a transferee who is not eligible to acquire a Franchised Clinic.

ACCEPTANCE AND ACKNOWLEDGMENT AGREEMENT

This Acceptance and Acknowledgement Agreement (this "Agreement") is entered into as of _____, 202__ (the "Effective Date") between The Joint Corp., a Delaware corporation ("we" or "us"), _____, a(n) _____ ("Franchisee") and _____, a professional _____ ("Clinic Operator"). We, Franchisee and Clinic Operator may each be referred to individually as a "Party" or collectively as the "Parties".

BACKGROUND RECITALS

A. We offer franchises for a chiropractic clinic that operates under the name THE JOINT® (a "Clinic"). Clinics offer services that may be deemed "medical" services under applicable state Law, including the Chiropractic Services described herein. Some states adhere to a corporate practice of medicine doctrine ("CPOM") that applies to chiropractic clinics and may prohibit a Person who is neither a licensed chiropractor nor a Chiropractic PC from owning and operating a Clinic.

B. We offer two (2) franchise models, including a Franchised Clinic and a Managed Clinic. A franchisee must acquire a Managed Clinic if: (a) the franchisee is neither a licensed chiropractor nor a Chiropractic PC; and (b) CPOM applicable in the state where the Clinic is located prohibits a Person who is neither a licensed chiropractor nor a Chiropractic PC from owning and operating a Clinic.

C. We and Franchisee executed both the The Joint Franchise Agreement attached as Attachment A and the Managed Clinic Addendum attached as Attachment B (collectively, the "Franchise Agreement"), pursuant to which we granted Franchisee, and Franchisee accepted, franchise rights for a Managed Clinic.

D. The Franchise Agreement requires Franchisee to appoint, and enter into a Management Agreement with, a Chiropractic PC that will own and operate the Clinic and employ the Chiropractic Staff.

E. Franchisee has appointed Clinic Operator as the Chiropractic PC that will own and operate the Clinic and employ the Chiropractic Staff.

F. The Parties desire to enter into this Agreement in order to: (a) confirm your appointment of Clinic Operator; (b) confirm Clinic Operator's acceptance of the appointment, including the obligation and responsibility to own and operate the Clinic and employ the Chiropractic Staff; and (c) clarify certain other rights and responsibilities of the Parties relating to the Clinic.

G. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree to the terms and conditions set forth below.

"*System*" means the business format, model and operating system we developed for the operation of a Clinic.

"*We*" or "*us*" is defined in the Introductory Paragraph.

2. APPOINTMENT OF CLINIC OPERATOR. You hereby confirm your appointment of Clinic Operator to serve as the Chiropractic PC that will own and operate the Clinic and employ the Chiropractic Staff.

3. ACCEPTANCE BY CLINIC OPERATOR. Clinic Operator hereby accepts the obligation and responsibility to own and operate the Clinic and employ the Chiropractic Staff who will perform Chiropractic Services at the Clinic and agrees to execute a Management Agreement with you. As used in this Agreement, "ownership of the Clinic" refers to ownership of the chiropractic practice conducted from the Clinic and does not necessarily refer to ownership of the premises or any of the furniture, fixtures, equipment or other assets located within or utilized at the Clinic.

4. **COMPLIANCE WITH BRAND STANDARDS AND GOVERNING AGREEMENTS.** Subject to any deviations necessary to conform to the Professional Judgment of Clinic Operator or the Chiropractic Staff in accordance with §5 of this Agreement, Clinic Operator agrees to operate the Clinic: (a) in compliance with our brand standards, as set forth in the Manual; (b) in compliance with the Governing Agreements; and (c) in a manner consistent with the provisions of the Franchise Agreement as if Clinic Operator were the franchisee thereunder. Clinic Operator hereby acknowledges receipt of a complete copy of the fully executed Franchise Agreement and represents that it has read, and fully understands, all of the terms and conditions thereof. It is the responsibility of Franchisee to disclose to Clinic Operator such portions of the Manual, and only such portions of the Manual, as are necessary for Clinic Operator to properly perform its obligations in connection with the ownership and operation of the Clinic.

5. **PROFESSIONAL JUDGMENT.** Neither we nor Franchisee shall engage in any activities that might interfere with the Professional Judgment of Clinic Operator or the Chiropractic Staff. Neither we nor Franchisee control or influence (or reserve the right or intend to control or influence) the Professional Judgment exercised by Clinic Operator or the Chiropractic Staff. In recognition of these facts, the Parties acknowledge and agree that if any terms within a Governing Agreement or the Manual conflict with the Professional Judgment of Clinic Operator or the Chiropractic Staff, the Professional Judgment of Clinic Operator and the Chiropractic Staff will control, and Clinic Operator and the Chiropractic Staff shall be authorized to act in a manner consistent with their Professional Judgment without being deemed in breach of the Governing Agreements or the Manual. Clinic Operator shall promptly notify us and Franchisee in writing if Clinic Operator or any member of the Chiropractic Staff believes any terms within a Governing Agreement or the Manual conflict with their Professional Judgment.

6. **INTELLECTUAL PROPERTY.** Subject to applicable privacy Laws and Healthcare Laws, we will own all Business Data pertaining to: (a) Clinic Operator, and the chiropractic practice and other business Clinic Operator conducts in connection with the Clinic pursuant to the Governing Agreements; and (b) Franchisee, and the franchised business Franchisee conducts in connection with the Clinic pursuant to the Franchise Agreement. We grant Clinic Operator a license to use the Business Data solely for purposes of operating the Clinic in accordance with the Governing Agreements and the Manual. Clinic Operator is not granted any other right or license to use our Intellectual Property. The Franchise Agreement grants Franchisee sufficient right and license to use our Intellectual Property in connection with Franchisee's management of the Clinic and rendering of the Management Services in connection therewith.

7. **IMPROVEMENTS.** If Clinic Operator or any of Clinic Operator's owners or employees (including any member of the Chiropractic Staff) conceives of or develops an Improvement, Clinic Operator must send us and Franchisee a written notice describing the Improvement. Clinic Operator must obtain our approval prior to using any such Improvement. Any Improvement we approve may be used by us, Franchisee and any other Person we authorize to operate or manage a Clinic, without any obligation to pay royalties or other fees to Clinic Operator or to any of its owners or employees. Clinic Operator or Clinic Operator's owner or employee, as applicable, must assign to us or our designee, without charge, all rights to the Improvement, including the right to grant sublicenses. If applicable Law precludes any such assignment, then the Improvement shall be perpetually licensed by Clinic Operator or Clinic Operator's owner or employee, as applicable, to us free of charge, with full rights to use, commercialize and sublicense same.

8. **ACKNOWLEDGMENT OF RIGHTS.** Clinic Operator acknowledges and agrees that: (a) we shall have access to all of Clinic Operator's books and records that relate to the Clinic in the same manner and to the same extent provided in the Franchise Agreement with respect to Franchisee's books and records; (b) we may inspect the Clinic, and the operation of the Clinic by Clinic Operator and the Chiropractic Staff, in accordance with the terms of the Franchise Agreement; and (c) we may audit Clinic Operator's books and records that relate to the Clinic in accordance with the terms of the Franchise Agreement. Clinic Operator agrees to fully cooperate, and to cause the Chiropractic Staff to fully cooperate, with any such inspection or audit conducted by us or any other Person we designate.

9. **INSURANCE.** Clinic Operator agrees to obtain and maintain all insurance policies required by the Governing Agreements and ensure that they satisfy all requirements in the Governing Agreements and the Manual, including, without limitation, the requirement that all insurance policies be endorsed to name us

and our members, officers, directors, and employees as additional insureds.

10. LEGAL COMPLIANCE. Franchisee and Clinic Operator are solely responsible for ensuring that: (a) the Clinic is operated in full compliance with applicable Laws including, without limitation, all applicable Healthcare Laws; and (b) the Management Agreement, the Management Services performed by Franchisee pursuant to the Management Agreement, and the relationship between Clinic Operator and Franchisee, fully comply with all applicable Healthcare Laws, including CPOM applicable in the state in which the Clinic is located. Clinic Operator and Franchisee must sign any Business Associate Agreement we specify in order to comply with HIPAA; *provided, however*, that Clinic Operator and Franchisee remain solely responsible for compliance with Healthcare Laws.

11. INDEMNIFICATION. Clinic Operator hereby agrees, as a condition to our approval of Clinic Operator pursuant to §2, to indemnify the Indemnified Parties and hold them harmless for, from and against any and all Losses and Expenses they incur as a result of or in connection with any of the following:

(i) Claims arising from or relating to any acts, errors or omissions of Clinic Operator or any member of the Chiropractic Staff;

(ii) Claims arising from or relating to Chiropractic Services or other services provided by Clinic Operator or the Chiropractic Staff;

(iii) Claims arising from or relating to the Management Agreement or the relationship between (a) Clinic Operator and Franchisee, (b) Clinic Operator and the Chiropractic Staff or (c) the Chiropractic Staff and Franchisee;

(iv) the breach of a Governing Agreement or any other agreement by Clinic Operator;

(v) libel, slander or disparaging comments made by Clinic Operator or any of its owners, officers, employees or independent contractors regarding the System, a Clinic or an Indemnified Party;

(vi) any labor, employment or similar type of Claim pertaining to Clinic Operator's employees (including Claims alleging we are a joint employer of Clinic Operator's Chiropractic Staff or other employees) or our relationship with Clinic Operator or its owners (including Claims alleging we are an employer of Clinic Operator and/or any of its owners); or

(vii) any actions, investigations, rulings or proceedings conducted by any Governmental Authority (including the United States Department of Labor, Equal Employment Opportunity Commission or National Labor Relations Board) relating Clinic Operator's employees.

Clinic Operator must immediately notify us of any Claim or proceeding described above. The Indemnified Parties shall have the right, in their sole discretion, to: (a) retain counsel of their choosing to represent them with respect to any Claim; and (b) control the response thereto and the defense thereof, including the right to enter into an agreement to settle the Claim. Clinic Operator may participate in such defense at its expense. Clinic Operator must: (a) fully cooperate and assist the Indemnified Parties with the defense of the Claim; and (b) reimburse the Indemnified Parties for all of their costs and expenses in defending the Claim, including, without limitation, mediation, arbitration or court expenses, expert fees and travel expenses incurred by attorneys or expert witnesses to attend mediation, arbitration or legal or administrative proceedings or hearings relating to the matter. Reimbursement is due 30 days after receipt of an invoice itemizing such costs and expenses. This indemnity will continue in full force and effect after, and notwithstanding, the termination, expiration, transfer or assignment of this Agreement.

12. TERMINATION. Clinic Operator and Franchisee acknowledge that any acts or omissions committed by Clinic Operator that would constitute a breach of the Franchise Agreement if such acts or omissions were committed by Franchisee shall constitute a default under the Franchise Agreement notwithstanding the fact the acts or omissions were committed by Clinic Operator. We may terminate this Agreement, effective upon delivery of a written notice of termination to Clinic Operator and Franchisee, for any of the following reasons, all of which constitute material events of default and "good cause" for termination, and without opportunity to cure except for any cure period expressly set forth below:

(i) if any Governing Agreement is terminated or expires without renewal;

(ii) if the business relationship between Clinic Operator and Franchisee is discontinued for any reason;

(iii) upon the occurrence of any breach of the Management Agreement (or the existence of any facts or circumstances that would constitute a breach of the Management Agreement) that would allow the non-breaching party to terminate the Management Agreement, regardless of whether the non-breaching party chooses to terminate, or refrain from terminating, the Management Agreement; or

(iv) if Clinic Operator breaches any Governing Agreement (including any mandatory provision in the Manual relevant to the performance of Clinic Operator's obligations under the Governing Agreements) and fails to cure the breach within 30 days after receipt of a default notice from us.

13. LIMITATION OF LIABILITY. Clinic Operator acknowledges and agrees that: (a) Franchisee was solely responsible for (i) soliciting Clinic Operator to own and operate the Clinic, (ii) drafting and negotiating the Management Agreement and (iii) all representations made to Clinic Operator regarding the Clinic or as an inducement to Clinic Operator entering into this Agreement or the Management Agreement; (b) we have no contractual obligations or responsibilities owed to Clinic Operator; and (c) except as otherwise provided below, we shall have no liability to Clinic Operator whatsoever, and any Claims Clinic Operator may have pertaining to the Clinic or the Governing Agreements may only be pursued against Franchisee. Clinic Operator hereby waives the right to bring any Claim against us that in any way arises from or relates to the Clinic, Clinic Operator's relationship with Franchisee and/or the Governing Agreements, except to the extent the Claim directly results from our gross negligence or willful misconduct.

14. DISPUTE RESOLUTION. Any dispute between the Parties relating to this Agreement shall be resolved pursuant to the dispute resolution provisions in the Franchise Agreement. All such dispute resolution provisions are incorporated herein by reference as if fully set forth in this Agreement.

15. MISCELLANEOUS.

15.1. Governing Law. This Agreement is governed by the Laws of the State of Arizona without reference to its principles of conflicts of law.

15.2. Severability. Each section and subsection of this Agreement, and any portion thereof, shall be considered severable.

15.3. Binding Effect. This Agreement is binding on the Parties and their respective executors, administrators, heirs, assigns and successors in interest. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any Person not a Party to this Agreement.

15.4. Integration. THIS AGREEMENT CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CHANGED EXCEPT BY A WRITTEN DOCUMENT SIGNED BY ALL PARTIES. Any email or other informal electronic communication shall not be deemed to modify this Agreement unless it is signed by all Parties and specifically states it is intended to modify this Agreement. The attachment(s) are part of this Agreement, which, together with any Amendments or Addenda executed on or after the Effective Date, constitutes the entire understanding and agreement of the Parties, and there are no other oral or written understandings or agreements between the Parties about the subject matter of this Agreement. Any representations not specifically contained in this Agreement made before entering into this Agreement do not survive after the signing of this Agreement. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

15.5. Rights of Parties are Cumulative. The rights of the Parties under this Agreement are cumulative

and no exercise or enforcement by any Party of any right or remedy under this Agreement will preclude any other right or remedy available under this Agreement or by Law.

15.6. **Survival**. All provisions that expressly or by their nature survive the termination, expiration or assignment of this Agreement shall continue in full force and effect subsequent to and notwithstanding its termination, expiration or assignment and until they are satisfied in full or by their nature expire.

15.7. **Construction.** The headings in this Agreement are for convenience only and do not define, limit or construe the contents of the sections or subsections. All references to Sections refer to the Sections contained in this Agreement unless otherwise specified. All references to days in this Agreement refer to calendar days unless otherwise specified.

15.10. **Defined Terms**. Any capitalized term that is not defined herein shall have the meaning given to such term in the Franchise Agreement.

15.11. **Assignment**. Neither Franchisee nor Clinic Operator may assign this Agreement or the Management Agreement, or any of their respective rights or obligations hereunder or thereunder, without our prior written approval, which may be withheld in our sole discretion. We shall have the right to assign this Agreement (a) to any affiliate of ours or (b) to any Person in conjunction with an assignment of the Franchise Agreement to the same Person or to an affiliate of such Person.

15.12. **Counterparts**. This Addendum may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same document.

WAIVER AGREEMENT

WAIVER AGREEMENT

This Waiver Agreement (this "Agreement") is entered into as of _____, 202__ (the "Effective Date") between The Joint Corp., a Delaware corporation ("we" or "us") and _____, a(n) _____ ("you" and together with us, the "Parties").

BACKGROUND RECITALS

A. We offer franchises for a chiropractic clinic that operates under the name THE JOINT® (a "Clinic"). Prior to (or concurrently with) the execution of this Agreement, the Parties have entered into (or are entering into) a The Joint Franchise Agreement (as amended from time to time, the "Franchise Agreement") for the development and operation of a Clinic.

B. Clinics offer services that may be deemed "medical" services under applicable state Law, including the Chiropractic Services described herein. Some states adhere to a corporate practice of medicine doctrine ("CPOM") that applies to chiropractic clinics and may prohibit a Person who is neither a licensed chiropractor nor a Chiropractic PC from owning and operating a Clinic.

C. In certain states (referred to as Non-CPOM States) a Person who is neither a licensed chiropractor nor a Chiropractic PC may lawfully own and operate a Clinic and employ Chiropractic Staff who provide Chiropractic Services at the Clinic.

D. Due to CPOM's restrictions on ownership of a chiropractic clinic, we offer two (2) different franchise models, including a Franchised Clinic and a Managed Clinic. A franchisee who is neither a licensed chiropractor nor a Chiropractic PC may not acquire a Franchised Clinic unless the Clinic is located in a Non-CPOM State and the franchisee signs a Waiver Agreement with us.

E. You have represented to us that: (i) you are neither a licensed chiropractor nor a Chiropractic PC; and (ii) the state in which your Clinic will be located qualifies as a Non-CPOM State. You have requested that we enter into this Agreement with you to waive the requirement that you acquire franchise rights for a Managed Clinic, and we wish to approve your request subject to the terms and conditions set forth herein.

F. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree to the terms and conditions set forth below.

AGREEMENT

1. DEFINITIONS. Capitalized terms used in this Agreement have the meanings given to them below, or if not defined below, the meanings given to them in the Franchise Agreement:

"*Agreement*" is defined in the Introductory Paragraph.

"*Clinic*" is defined in the Background Recitals.

"*CPOM*" is defined in the Background Recitals.

"*Healthcare Laws*" is defined in §2 of this Agreement.

"*Non-CPOM State*" is defined in the Background Recitals.

"*Parties*" is defined in the Introductory Paragraph.

"*We*" or "*us*" is defined in the Introductory Paragraph.

"*You*" is defined in the Introductory Paragraph.

2. **REPRESENTATIONS BY FRANCHISEE**. You understand and agree that you are solely responsible for investigating and complying with all industry-specific Laws that regulate or govern the practice of medicine in general or that specifically apply to the practice of chiropractic ("Healthcare Laws"), including, without limitation, Laws that:

   (i) restrict or limit the Persons who may lawfully own a Clinic, provide Chiropractic Services and/or employ Chiropractic Staff, including CPOM and other comparable Laws;

   (ii) regulate the practice of chiropractic, including Laws requiring the licensure of chiropractors or other Chiropractic Staff;

   (iii) restrict physician self-referrals, including the federal Stark Law and comparable state Laws;

   (iv) restrict or prohibit the payment or receipt of remuneration as an inducement or reward for patient referrals, including the federal Anti-Kickback Statute and comparable state Laws;

   (v) restrict or prohibit certain fee splitting arrangements involving physicians or other healthcare professionals;

   (vi) regulate the use of medical devices;

   (vii) regulate the privacy of patient records, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Health Information for Economic and Clinical Health Act (HITECH) and other comparable federal and state Laws; or

   (viii) regulate the advertising of chiropractic clinics or Chiropractic Services.

   Healthcare Laws also include rules and regulations promulgated by regulatory boards governing chiropractors and/or chiropractic clinics. As a material inducement to us entering into this Agreement with you, you hereby represent and warrant to us as follows:

   (a) you have conducted independent research regarding Healthcare Laws applicable to your Clinic;

   (b) you have engaged Healthcare Counsel to advise you on Healthcare Laws applicable to your Clinic;

   (c) you have provided your Healthcare Counsel with copies of our FDD, the Franchise Agreement and the other proposed agreements pertaining to the ownership, development and operation of your Clinic; and

   (d) your Healthcare Counsel has opined that, in accordance with applicable Healthcare Laws, you may lawfully own and operate a Franchised Clinic and employ the Chiropractic Staff in accordance with the terms of the Franchise Agreement and Manual.

   If we so request, you agree to have your Healthcare Counsel provide us with a legal opinion letter addressed to us and opining that, in accordance with applicable Healthcare Laws, you may lawfully own and operate a Franchised Clinic and employ the Chiropractic Staff who provide Chiropractic Services at the Clinic. The legal opinion letter must be reasonably acceptable to us. You are solely responsible for all legal fees and other costs you incur to engage Healthcare Counsel.

3. **CONSENT TO FRANCHISED CLINIC MODEL**. In reliance upon your representations and warranties set forth in §2 of this Agreement and your other covenants set forth herein, we hereby approve your request to acquire franchise rights for a Franchised Clinic and waive any obligation for you to sign a Managed Clinic Addendum and/or enter into a Management Agreement with a Chiropractic PC. Accordingly, you will own, operate and manage a Franchised Clinic in accordance with the Franchise Agreement and the Manual.

4. **PROFESSIONAL JUDGMENT**. You agree that you will not engage in any activities that might interfere with the Professional Judgment of the Chiropractic Staff. You may not control or influence (or reserve the right or intend to control or influence) the Professional Judgment exercised by the Chiropractic Staff. In recognition of these facts, the Parties acknowledge and agree that if any terms

within a Definitive Agreement or the Manual conflict with the Professional Judgment of the Chiropractic Staff, the Professional Judgment of the Chiropractic Staff will control, and the Chiropractic Staff shall be authorized to act in a manner consistent with their Professional Judgment without being deemed in breach of the Definitive Agreements or the Manual or their relationship with you. You shall promptly notify us in writing if any member of the Chiropractic Staff believes any terms within a Definitive Agreement or the Manual conflict with their Professional Judgment.

5. **CHANGES TO HEALTHCARE LAWS**. You understand that Healthcare Laws (including CPOM) change from time to time, including the enactment of new Healthcare Laws such as CPOM. You must maintain an ongoing attorney-client relationship with Healthcare Counsel for purposes of (among other things) advising you of material changes to Healthcare Laws relevant to your ownership, development and/or operation of the Clinic. If you become aware of any changes to Healthcare Laws that may adversely affect your ability to lawfully own and operate a Franchised Clinic in accordance with the Franchise Agreement and the Manual you must immediately send us a written notice that: (a) identifies the relevant change to Healthcare Laws; (b) summarizes how the change impacts your ownership, development or operation of the Clinic; and (c) if applicable, advises us of your proposed corrective action to ensure ongoing compliance with such Healthcare Laws. If, subsequent to our execution of this Agreement, there is a change to applicable Healthcare Laws that renders your ownership of a Franchised Clinic and/or employment of Chiropractic Staff unlawful, we may require that you convert from a Franchised Clinic to a Managed Clinic in accordance with §2.3 of the Franchise Agreement, which may require you to incur significant additional expense.

6. **DISPUTE RESOLUTION.** Any dispute between the Parties relating to this Agreement shall be resolved pursuant to the dispute resolution provisions in the Franchise Agreement. All such dispute resolution provisions are incorporated herein by reference as if fully set forth in this Agreement.

7. **MISCELLANEOUS.**

7.1. **Governing Law**. This Agreement is governed by the Laws of the State of Arizona without reference to its principles of conflicts of law.

7.2. **Severability**. Each section and subsection of this Agreement, and any portion thereof, shall be considered severable.

7.3. **Binding Effect.** This Agreement is binding on the Parties and their respective executors, administrators, heirs, assigns and successors in interest.

7.4. **Integration**. THIS AGREEMENT CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CHANGED EXCEPT BY A WRITTEN DOCUMENT SIGNED BY BOTH PARTIES. Any email or other informal electronic communication shall not be deemed to modify this Agreement unless it is signed by both Parties and specifically states it is intended to modify this Agreement. The attachment(s), if any, are part of this Agreement, which, together with any Amendments or Addenda executed on or after the Effective Date, constitutes the entire understanding and agreement of the Parties, and there are no other oral or written understandings or agreements between the Parties about the subject matter of this Agreement. Any representations not specifically contained in this Agreement made before entering into this Agreement do not survive after the signing of this Agreement. Nothing in this Agreement is intended to disclaim any of the representations we made in the Franchise Disclosure Document. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7.5. **Notice**. All notices given under this Agreement must be provided in accordance with the Notice Provision of the Franchise Agreement.

7.6. **Assignment.** You may not assign this Agreement. We have the unrestricted to assign this Agreement to the same extent we are permitted to assign the Franchise Agreement.

7.7. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same document.

2.1. Title and Maintenance. During the term of this Agreement, the Company grants to the P.C. the exclusive right to use the Equipment and Furnishings specified in Exhibit A hereto, and as may be amended from time to time, on the terms and conditions hereinafter set forth. The P.C. shall use, and shall cause its Providers (as defined in §4.2, below) to use, the Equipment and Furnishings in connection with the Clinic in a manner that the P.C. determines is in the best interest of its patients. 2.4. **Return of Equipment and Furnishings**. The P.C. hereby approves the use of the Equipment identified in Exhibit A hereto. The Equipment in Exhibit A will be furnished by the Company at no additional expense to the P.C. 10. Security Interest. As security for Practice's obligations set forth in this Agreement, Shareholder, who is owner of 100% of P.C.'s shares of common stock, hereby pledges, and as inducement to Company to enter into this Agreement, grants a security interest in, assigns, transfers, and delivers to Company (or Company's

qualifying designee) P.C.'s shares to Company as collateral security for the performance of P.C.'s obligations hereunder. In the event of a breach by or default of P.C. of this Agreement, or upon termination of this Agreement for any reason, and as further provided below, Shareholder shall cooperate as reasonably requested in the transfer of P.C.'s shares to a chiropractor independently determined to be competent designated by Company. 11. Actions Requiring Company's Consent. As inducement to Company to enter into this Agreement, P.C. agrees that it shall not take certain governance actions without Manager's consent. (e) The dissolution or liquidation of P.C.

12. Non-Solicitation.

(a) Intentionally Omitted.

(b) To the extent permitted by law, during the term of any Provider's employment with the P.C. and for a period of one (1) year after the termination or expiration of any such Provider's employment agreement with the P.C., such Provider shall not, without the express written consent of the P.C., solicit verbally or in writing, any patient or former patient of the P.C., or otherwise interfere with such patient or former patient's relationship with the P.C. in connection with the provisions of chiropractic services. Upon termination of any Provider's employment with the P.C., the P.C. shall promptly notify the Provider's patients of how and where to contact the Provider.

13. Proprietary Rights. The P.C. recognizes and acknowledges that all records, files, reports, protocols, polities, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and

trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

14. Enforcement.

(a) The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the Company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

(b) All works, discoveries and developments, whether or not copyrightable, relating to the Company's present, past or prospective activities, services and products ("Inventions") which are at any time conceived or reduced to practice by P.C. and/or any of its Providers, acting alone or in conjunction with others, in connection with the Company's management of the P.C. or, during the course of the P.C.'s employment or engagement of Providers (or, if based on or related to any Confidential Information, made by P.C. and/or any Provider during or after such management by the Company or employment or engagement by the P.C.) and all concepts and ideas known to P.C. or any Provider at any time during the Company's management of the P.C. which relate to the Company's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to P.C. and/or any Provider on the date of this Agreement or acquired by P.C: and/or any Provider during the term of this Agreement shall be the property of the Company, free of any reserved or other rights of any kind on P.C. and/or 'any Provider's part in respect thereof, and P.C. and/or any such Provider hereby assign all rights therein to the Company.

(c) P.C. and/or its Providers shall promptly make full disclosure of any such Inventions, Concepts and Ideas or modifications thereof to the Company. Further, P.C. and/or its Providers shall, at the Company's cost and expense, promptly execute formal applications for copyrights and also do all other acts and things (including, among others, executing and delivering instruments of further assurance or confirmation) deemed by the Company to be necessary or desirable at any time or times in order to effect the full assignment to the Company of P.C. and/or its Providers' rights and title to such Inventions, Concepts and Ideas or modifications, without payment therefor and without further compensation. In order to confirm the Company's rights, P.C. and/or its Providers will also assign to the Company any and all copyrights and reproduction rights to any written material prepared by P.C. and/or its Providers in connection with the Company's management of the P.C. or the Providers' employment or engagement by the P.C. P.C. and/or its Providers further understand that the absence of a request by the Company for information, or for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Company under this Agreement. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the P.C. or the Company in or to any Inventions, Concepts and Ideas or modifications which the Company has or may have by virtue of the Company's management activities hereunder or the P.C.'s engagement of its Providers.

(d) The P.C. agrees that the restrictive covenants set forth in §12 and §13 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court or arbitrator of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief without the need for the moving party to post any bond or surety. If a court

or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in §12 or §13 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court or arbitrator finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in §12 or §13 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

15. **Employment Agreements**. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement. (c) The Company may terminate this Agreement immediately upon any of the following events:

(i) The date of death of **[Name of sole shareholder]**;

(ii) The date **[Name of sole shareholder] is** determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services;

(iii) The date **[Name of sole shareholder]** becomes disqualified under the Bylaws of the P.C. or applicable law to be a shareholder of the P.C.;

(iv) The date upon which any of the shares of stock in the P.C. held by **[Name of sole shareholder]** are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

This provision shall not be construed as permitting the Company to control or impair the P.C.'s or the Providers' chiropractic judgment, professional performance or patient of care.

(e) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of

termination for any reason of any of the following agreements: the Company's operating agreement and/or the employment agreement between the P.C. and _____ **[Doctor's Name]**.

(f) The Company may terminate this Agreement at any time with or without cause, by giving the P.C. 45 days' prior written notice.

(g) Either party may terminate this Agreement upon 30 days' prior written notice to the other party in the event of a material breach by the other party of any material term or condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within 30 days after the non-breaching party has given notice thereof to the other party.

(h) Upon termination or expiration of this agreement by either party, the P.C. shall pay the Company any amounts owed to the Company under §5 hereof as of the date of termination or expiration.

The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within 90 days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date 180 days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this §16(j), then the restrictions contained in §10 and §11 of this Agreement shall be waived and shall be of no further effect.

19. **Status of Parties**. In the performance of the work duties and obligations under this Agreement, it is mutually understood and agreed that each party is at all times acting and performing as an independent contractor with respect to the other and that no relationship of partnership, joint venture or employment is created by this Agreement.

20. **Force Majeure**. Neither party shall be deemed to be in default of this Agreement if prevented from performing any obligation hereunder for any reason beyond its control, including but not limited to, Acts of God, war, civil commotion, fire, flood or casualty, labor difficulties, shortages of or inability to obtain labor, materials or equipment, governmental regulations or restrictions, or unusually severe weather. In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. It is agreed that financial inability shall not be a matter beyond a party's reasonable control.

21. **Notices**. Any notices to be given hereunder by either party to the other shall be deemed to be received by the intended recipient (a) when delivered personally, (b) the first business day following delivery to a nationally recognized overnight courier service with proof of delivery, or (c) three (3) days after mailing by certified mail, postage prepaid with return receipt requested, in each case addressed to the parties at the addresses set forth on page 1 above or at any other address designated by the parties in writing.

25. **Severability**. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

26. **Waiver**. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term of this Agreement.

27. **Rights Unaffected**. No amendment, supplement or termination of this Agreement shall affect or impair any right or obligations which shall have theretofore matured hereunder.

28. **Interpretation of Syntax**. All references made and pronouns used herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

29. **Successors**. This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, executors, administrators and assigns.

Upon the execution of this Agreement and the other documents and instruments contemplated hereby by Seller and the Lessee (and assuming the due execution and delivery by the other parties), this Agreement and such other documents and instruments will be the valid and legally binding obligations of Seller and the Lessee, enforceable against each of them in accordance with their respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity). Seller has filed when due in accordance with all applicable laws (or properly and timely filed an extension therefor) all tax returns required under applicable statutes, rules or regulations to be filed by it. As of the time of filing, such returns were accurate and complete in all material respects. Seller further warrants, represents and covenants that it has disclosed all material disclosures, documentation and information responsive to the Due Diligence Request.

11. NON-COMPETITION; NON-SOLICTATION; CONFIDENTIALITY.

(a) Definitions. Wherever used in this §11, the term "TJC" shall refer to TJC and any affiliate, subsidiary, or any successor or assign of TJC. Wherever used in this Section, the phrase "directly or indirectly" includes, but is not limited to, acting, either personally or as principal, owner, shareholder, member, employee, independent contractor, agent, manager, partner, joint venturer, consultant, or in any other capacity or by means of any corporate or other device, or acting through the spouse, children, parents, brothers, sisters, or any other relatives, friends, invitees, agents, or associates of any of the undersigned parties. Wherever used in this Section, the term "employees" shall refer to employees of TJC; any affiliate, subsidiary, or any successor or assign of TJC; and any franchisee of TJC existing as of the date of this Agreement and, to the extent allowable by law, any other person that has been an employee (as defined above) in the 12 months preceding the date of this Agreement. Whenever used in this Section, the term "Confidential Information" shall be defined as provided in §9 of Seller's franchise agreement with TJC, which provisions are hereby incorporated by reference and shall expressly further include any audio or video recordings possessed by Seller and/or Lessee of conversations between TJC's employees and both Seller and/or Lessee, if applicable. "Confidential Information" shall also include the terms of this Agreement, and any related communications or negotiations thereto; unless the disclosure of such information shall be required of the Parties for the purposes of tax or legal disclosures.

(b) Consideration. The undersigned parties acknowledge that consideration for this Agreement has been provided and is adequate.

(c) Need for this Agreement. The undersigned parties recognize that in the highly competitive business in which TJC and its affiliates and franchisees are engaged, preservation of Confidential Information is crucial and personal contact is important in securing new franchisees and employees, and retaining the goodwill of present franchisees, employees, customers, and suppliers. Personal contact is a valuable asset and is an integral part of protecting the business of TJC. Seller and the Lessee recognize that each of them has had substantial contact with TJC's employees, customers, consultants, vendors and suppliers and Confidential Information. For that reason, Seller and the Lessee may be in a position to take for his, her or its benefit the goodwill TJC has with its employees and customers (patients) and Confidential Information now or in the future. If Seller or the Lessee at any time after Closing takes advantage of such Confidential Information or goodwill for their own benefit, then the competitive advantage that TJC has created through its efforts and investment will be irreparably harmed.

(d) Non-Competition with TJC. Seller and Lessee agree that, for 36 months following the date of Closing, neither Seller nor the Lessee, will have any direct or indirect interest (e.g., through a spouse, common law or otherwise) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Chiropractic Business located or operating within 25 miles of any chiropractic clinic currently or within such 36-month period owned by TJC or operated by a TJC third party independent franchisee. The term "Chiropractic Business" means any business which derives more than $10,000 which grants franchises or licenses to others to operate such a business, with the sole exception of (i) a regional developer license granted by TJC or (ii) a franchise operated under a franchise agreement with TJC.

(e) Non-Solicitation of TJC's Employees. Seller and Lessee agree that for 12 months after the date of this Agreement, it, he or she will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any employees, suppliers, vendors or consultants of TJC, or any TJC franchisee or affiliated professional corporation to accept employment with any person, firm, or business that competes with any business of TJC or any TJC franchisee or affiliated professional corporation; or (b) induce, request, or advise any employee of TJC or TJC franchisee or affiliated professional corporation to terminate such employee's relationship with TJC or any TJC franchisee or affiliated professional corporation; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the employees of TJC or any TJC franchisee or affiliated professional corporation, except as required by law.

(f) Non-solicitation of TJC's Customers (Patients). Seller and Lessee each agrees that for 36 months after the date of this Agreement, it, he or she will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any customers of TJC or any TJC franchisee or affiliated professional corporation to become customers of any person, firm, or business that competes with any business of TJC or any TJC franchisee or affiliated professional corporation; or (b) induce, request or advise any customer of TJC or any TJC franchisee or affiliated professional corporation to terminate or decrease such customer's relationship with TJC or any TJC franchisee or affiliated professional corporation; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the customers of TJC or any TJC franchisee or affiliated professional corporation, except as required by law.

(g) Confidential Information. Seller and Lessee agree at all times following the date of this Agreement, to hold the Confidential Information in the strictest confidence and not to use such

Confidential Information for Seller's or Lessee's personal benefit, or the benefit of any other person or entity other than TJC, or disclose it directly or indirectly to any person or entity without TJC's express authorization or written consent. Seller and the Lessee fully understand the need to protect the Confidential Information and all other confidential materials and agree to use all reasonable care to prevent unauthorized persons from obtaining access to Confidential Information at any time.

(h) Tolling. To ensure that TJC will receive the full benefit of this §11, the provisions of Subsections (d), (e) and (f) of this §11 will shall be extended by a length of time equal to (i) the period during which Seller or Lessee is in violation of Seller or the Lessee's agreements under such Subsections, and (ii) without duplication, any period during which litigation that TJC institutes to enforce the Seller or Lessee's agreements under such Subsections is pending (to the extent that Seller or Lessee is in violation of Seller's or Lessee's agreements under such Subsections during this period).

(i) Non-Disparagement: Each of the Parties expressly covenant and agree not to make any false representations, or to defame, disparage, discredit or deprecate any of the other Parties or otherwise communicate with any person or entity in a manner intending to damage any of the other Parties, the business conducted by any of the other Parties, or the reputation of any of the other Parties. For purposes of clarity, the obligations in this Section apply to all methods of communications, including the making of statements or representations through direct verbal or written communication as well as the making of statements or representations on the Internet, through social media sites or through any other verbal, digital or electronic method of communication. The obligations in this Section also prohibit the Parties from indirectly violating this Section by influencing or encouraging third parties to engage in activities that would constitute a violation of this Section if conducted directly by one of the Parties.

12. TERMINATION.

(a) This Agreement may be terminated by TJC, upon notice to Seller and the Lessee, if prior to or at Closing:

Lessee's breach of or failure to perform their obligations under this Agreement); or

(c) This Agreement may be terminated by the written agreement of the Parties.

(d) The right of termination under this §12 is in addition to any other rights that a party may have under this Agreement or otherwise, and a party's exercise of its right of termination shall not be considered an election of remedies. Notwithstanding the termination of this Agreement pursuant to this §12, the Parties' confidentiality obligations under §11(g) shall survive termination and continue indefinitely.

13. INDEMNIFICATION OF TJC.

(a) Subject to Sections 15 and 16, Seller and the Lessee agree, jointly and severally, to indemnify TJC against and hold TJC harmless from:

Indemnified party's failure or delay in giving this notice shall not relieve indemnifying party from its indemnification obligation under this §19(a) in respect of the Third-Party Suit, except to the extent that indemnifying party suffers or incur a loss or is prejudiced by reason of indemnified party's failure or delay.

(b) Indemnified party shall control the defense of any Third-Party Suit. Indemnifying party shall be entitled to copies of all pleadings and, at its expense, may participate in, but not control, the defense and employ its own counsel. Indemnifying party shall in any event reasonably cooperate in the defense of the Third-Party Suit.

(ii) as part of the settlement, indemnified party receives a binding release providing that any liability of indemnified party in respect of the Third-Party Suit is being satisfied as part of the settlement.

(e) Indemnified party's failure to defend a Third Party Suit shall not relieve indemnifying party of its indemnification obligation under §13 or §14 of this Agreement if indemnified party gives indemnifying party at least 30 days' prior notice of indemnified party's intention not to defend the Third Party Suit and affords indemnifying party the opportunity to assume the defense without having to satisfy the conditions in §19(c) for assuming the defense.

GENERAL RELEASE

[See Attached]

WAIVER AND RELEASE OF CLAIMS

This Waiver and Release of Claims (this "Agreement") is made as of _____, 202__ (the "Effective Date") by _____, a(n) _____ ("you") and each individual holding a direct or indirect ownership interest in you (collectively "Owner") in favor of The Joint Corp., a Delaware corporation ("us," and together with you and Owner, the "Parties").

Background

A. We signed a Franchise Agreement with you, dated _____, 202____ (the "Franchise Agreement") pursuant to which we granted you the right to own and operate a THE JOINT® clinic.

B. You have notified us of your desire to transfer the Franchise Agreement and all rights related thereto, or an ownership interest in the franchisee entity, to a transferee, [**enter into a successor franchise agreement**] and we have consented to such transfer [**agreed to enter into a successor franchise agreement**].

C. As a condition to our consent to the transfer [**your ability to enter into a successor franchise agreement**], you and Owner have agreed to execute this Agreement upon the terms and conditions stated below.

D. In consideration of our consent to the transfer [**our entering into a successor franchise agreement**], and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and intending to be legally bound, you and Owner hereby agree as set forth below.

Agreement

1. Release. Owner, you, and each of your officers, directors, shareholders, members, owners, employees, agents, representatives, affiliates, parents, divisions, successors and assigns, and all persons or firms claiming by, through, under, or on behalf of any or all of them (the "Franchisee Parties"), hereby release, acquit and forever discharge us, any and all of our past and present affiliates, parents, subsidiaries and related companies, divisions and partnerships, consultants, advisors and franchise sellers and its and their respective past and present officers, directors, shareholders, members, owners, employees, agents, representatives, affiliates, parents, divisions, successors and assigns, and the spouses of such individuals (collectively, the "Franchisor Parties"), from any and all claims, liabilities, damages, expenses, actions or causes of action which any of the Franchisee Parties may now have or has ever had, whether known or unknown, past or present, absolute or contingent, suspected or unsuspected, of any nature whatsoever, directly or indirectly arising out of or relating to the execution and performance (or lack thereof) of the Franchise Agreement or the offer, sale or acceptance of the franchise related thereto (including, but not limited to any disclosures and representations made in connection therewith). The foregoing release shall not be construed to apply with respect to any obligations contained within this Agreement.

2. California Law. You and Owner hereby express your intention to release all existing claims, whether known or unknown, against the Franchisor Parties. Accordingly, you and Owner hereby waive §1542 of the California Civil Code, which provides the following:

   "A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."

   [Section 2 only applies for California franchisees; otherwise it is omitted]

3. Washington Franchise Law. The General Release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, or the rules adopted thereunder.

   [Section 3 only applies for Washington franchisees; otherwise it is omitted]

4. Nondisparagement. Each of the Franchisee Parties expressly covenant and agree not to make any false representation of facts, or to defame, disparage, discredit or deprecate any of the Franchisor Parties or otherwise communicate with any person or entity in a manner intending to damage any of the Franchisor Parties, the business conducted by any of the Franchisor Parties or the reputation of any of the Franchisor

Parties. For purposes of clarity, the obligations in this Section apply to all methods of communications, including the making of statements or representations through direct verbal or written communication as well as the making of statements or representations on the Internet, through social media sites or through any other verbal, digital or electronic method of communication. The obligations in this Section also prohibit the Franchisee Parties from indirectly violating this Section by influencing or encouraging third parties to engage in activities that would constitute a violation of this Section if conducted directly by a Franchisee Party.

5. Representations and Warranties. You and Owner each represent and warrant that: (a) [Insert franchisee entity name] is duly authorized to execute this Agreement and perform its obligations hereunder; (b) neither you nor Owner has assigned, transferred or conveyed, either voluntarily or by operation of law, any of their rights or claims against any of the Franchisor Parties or any of the rights, claims or obligations being terminated or released hereunder; (c) you and Owner have not and shall not (i) institute or cause to be instituted against any of the Franchisor Parties any legal proceeding of any kind, including the filing of any claim or complaint with any state or federal court or regulatory agency, alleging any violation of common law, statute, regulation or public policy premised upon any legal theory or claim whatsoever relating to the matters released in this Agreement or (ii) make any verbal, written or other communication that could reasonably be expected to damage or adversely impact any Franchisor Party's reputation or goodwill; and (d) the individuals identified as Owners on the signature pages hereto together hold 100% of the legal and beneficial ownership interests in [Insert franchisee entity name].

6. Miscellaneous.

   (a) The Parties agree that each has read and fully understands this Agreement and that the opportunity has been afforded to each Party to discuss the terms and contents of said Agreement with legal counsel and/or that such a discussion with legal counsel has occurred.

   (b) This Agreement shall be construed and governed by the laws of the State of Arizona.

   (c) In the event that it shall be necessary for any Party to institute legal action to enforce, or for the breach of, any of the terms and conditions or provisions of this Agreement, the prevailing Party in such action shall be entitled to recover all of its reasonable costs and attorneys' fees.

   (d) All of the provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their respective current and future directors, officers, partners, attorneys, agents, employees, shareholders and the spouses of such individuals, successors, affiliates, and assigns.

   (e) This Agreement contains the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersedes and is in lieu of all prior and contemporaneous agreements, understandings, inducements and conditions, expressed or implied, oral or written, of any nature whatsoever with respect to the subject matter hereof. This Agreement may not be modified except in a writing signed by each of the Parties.

   (f) If one or more of the provisions of this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect or impair any other provision of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provision had not been contained herein.

   (g) The Parties agree to do such further acts and things and to execute and deliver such additional agreements and instruments as any Party may reasonably require to consummate, evidence, or confirm the transactions contemplated hereby.

   (h) This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute but one document.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.

LETTER OF INTENT

[See Attached]

LETTER OF INTENT FOR A THE JOINT CHIROPRACTIC FRANCHISE

(Clinic No: [_____])

Dear Prospective Franchisee:

Thank you for the interest you've expressed in acquiring franchise development rights for a *The Joint Chiropractic*® clinic (a "Clinic"). This Letter of Intent ("LOI") is a binding agreement between "you" (as identified on the signature page to this LOI) and The Joint Corp., a Delaware corporation d/b/a *The Joint Chiropractic* ("we" or "us"). You and we may be individually referred to herein as a "Party" or collectively as the "Parties". Please review this LOI carefully. If you agree to the terms set forth below, please sign where indicated on the signature page and send us an executed copy of this LOI together with a check for your Deposit. Keep in mind you may not sign this LOI or send us a check prior to the expiration of the 14-day "cooling off" period described in §3.

1. **Nature and Purpose of LOI**. You have elected to enter into this LOI in order to obtain our acceptance of the site for your Clinic before you sign a The Joint Franchise Agreement (the "Franchise Agreement") and pay the full initial franchise fee. The site we accept for your Clinic is referred to as your "Site". This LOI is a binding agreement that sets forth the terms and conditions pursuant to which you will seek to obtain our acceptance of your Site. While the terms of this LOI are binding on the Parties, the execution of this LOI does not commit you to sign the Franchise Agreement or acquire franchise rights. This LOI is neither an offer of a franchise nor a contract for the acquisition of a franchise. You will acquire franchise rights for your Clinic only at such time that both Parties sign the Franchise Agreement after we accept your Site.

2. **Term**. The term of this LOI (the "Term") begins on the Effective Date (as set forth on the signature page hereto) and expires 180 days thereafter, unless earlier terminated in accordance with §12. The Term is subject to extension in accordance with §4(d).

3. **Deposit**. At the time you sign this LOI, you will pay us the sum of $10,000 (if you choose not to receive a protected Site Selection Area) or $15,000 (if you choose to receive a protected Site Selection Area (in either case, the "Deposit"). You must pay the Deposit either by wire transfer of immediately available funds to an account we designate or by check made payable to "The Joint Corp." The Deposit is nonrefundable and earned in full upon execution of this LOI as a result of the time, energy and expertise devoted to you and which would otherwise be devoted to other prospective or existing franchisees seeking to purchase Clinic franchises. If the Parties sign a Franchise Agreement for the Clinic, the Deposit is fully credited towards the initial franchise fee imposed by the Franchise Agreement. The Deposit is nonrefundable, even if you choose not to sign the Franchise Agreement for any reason. **You must receive our Franchise Disclosure Document at least 14 days before you may sign this LOI or pay the Deposit**.

4. **Site Selection Area**.

   (a) Generally. You must obtain our acceptance of the Site for your Clinic before the Term expires. All sites you propose must be located within the geographic area described in ATTACHMENT "A" (the "Site Selection Area"). You must choose between a non-protected Site Selection Area (in which case you pay us a $10,000 Deposit) or a protected Site Selection Area (in which case you pay us a $15,000 Deposit). You confirmed to us that you have chosen the following (we will check the appropriate box before you sign):

   _____ I have selected a non-protected Site Selection Area and will pay a $10,000 Deposit

   _____ I have selected a protected Site Selection Area and will pay a $15,000 Deposit

(b) Non-Protected Site Selection Area. If you choose a non-protected Site Selection Area, you will receive no territorial rights or protections to the Site Selection Area, and we shall have the unrestricted right to develop and operate, and grant rights to third parties to develop and operate, Clinics located anywhere within the Site Selection Area.

(c) Protected Site Selection Area. If you choose a protected Site Selection Area, then during the Protected Search Period (as defined below) we will not develop or operate, or grant rights to any person (other than you) to develop or operate, a Clinic located anywhere within the Site Selection Area, except as otherwise provided in this Section with respect to Captive Venues and Acquisitions (each defined below). At any time during the Protected Search Period, we reserve the right to: (i) develop and operate, and license third parties to develop and operate, Clinics in Captive Venues that are located within the Site Selection Area; and (ii) engage in Acquisitions, even if as a result of an Acquisition one or more competitive businesses of the acquired or acquiring company begin using our Intellectual Property (including operating under the name THE JOINT® and our other marks) and are located within the Site Selection Area. At such time that the Parties sign a Franchise Agreement for your Clinic: (a) all territorial rights and protections set forth in this LOI shall terminate; and (b) your territorial rights and protections shall be limited to those set forth in the Franchise Agreement. All territorial rights and protections set forth in this Section shall immediately terminate upon the expiration of the Protected Search Period. For purposes of this Section:

"*Acquisition*" means either: (a) a competitive or non-competitive company, franchise system, network or chain directly or indirectly acquiring us, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise; or (b) us directly or indirectly acquiring another competitive or non-competitive company, franchise system, network or chain, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise.

"*Captive Venue*" means a non-traditional outlet for a Clinic that is located within, or is a part of, another establishment or facility that consumers may visit for a purpose unrelated to the Clinic. Examples of Captive Venues include Clinics that are located within hotels, casinos, college campuses, universities, airports, train stations, bus stations, cruise terminals, stadiums, sporting arenas, shopping malls, military bases, concert venues, amusement parks, grocery stores, urgent care centers, medical spas or similar types of establishments.

"*Protected Search Period*" means the period of time commencing with the Effective Date of this LOI and expiring upon the earlier to occur of: (a) the 180th day after the Effective Date of this LOI; or (b) the date we designate your Territory in the Franchise Agreement signed by the Parties for your Clinic.

(d) Term Extension. If the Parties do not sign a Franchise Agreement before the expiration of the Term, you may send us a written request to extend the Term (an "Extension Request"). You must send the Extension Request at least 30 days before the expiration of the Term. The Extension Request must state: (i) that you anticipate a delay; (ii) the reason or reason(s) for the delay; (iii) the efforts you are making towards finding a Site that we accept; and (iv) a future date by which you expect to sign a lease for the Clinic. We will not unreasonably withhold approval of your request provided that you demonstrate to our satisfaction that you have used diligent and good faith efforts to find an acceptable Site before the expiration of the Term. If we approve your request, we will notify you in writing of the new Term expiration date. If you chose a protected Site Selection Area, we may, but need not, extend the Protected Search Period to coincide with the Term extension.

5. Site Acceptance Process. You must propose sites within the Site Selection Area that conform to our minimum site selection criteria. You must send us a complete site submission package that includes all documents, information, photos and video we require. In evaluating proposed sites, we consider various factors and criteria, including: parking; visibility, size, condition and characteristics of the building; traffic counts; general location; existence and location of competitive businesses; general character of the neighborhood; local demographic information; and various economic indicators. We will not unreasonably

withhold our acceptance of a site that meets our minimum site selection criteria. We will use best efforts to issue our acceptance or rejection of sites you propose within 15 business days after we receive the complete site submission package. Your site is deemed rejected if we fail to issue our written acceptance within the 15 business day period. We will list the address of the accepted Site in the Franchise Agreement signed by the Parties in accordance with §6. Our acceptance or recommendation of a Site does not constitute a representation or warranty of any kind, express or implied, of the suitability of the site for a Clinic. It indicates only that we believe the site meets our minimum criteria. We are not responsible if a site we accept or recommend does not meet your expectations.

6. **Execution of Franchise Agreement**. After we accept your Site, you must sign our then-current form of Franchise Agreement and pay us our then-current initial franchise fee (less the Deposit you pay in connection with this LOI). You may not sign a lease or purchase contract for the Clinic's premises prior to execution of the Franchise Agreement and payment of the initial franchise fee. You must comply with the provisions in the Franchise Agreement governing the lease or purchase contract for your Clinic's premises.

7. **Confidential Information**. To enable you to perform your obligations under this LOI, we may share with you certain of our proprietary and confidential training materials ("Confidential Training Materials") prior to execution of the Franchise Agreement. You agree that: (a) you will not use the Confidential Training Materials for any purpose other than the performance of your obligations under this LOI and, if applicable, the Franchise Agreement; (b) you will not disclose any Confidential Training Materials to any other person without obtaining our prior written approval; and (c) if the Parties execute the Franchise Agreement, the Confidential Training Materials shall be deemed "Confidential Information" subject to protection under the terms of the Franchise Agreement. Notwithstanding the foregoing, you may disclose Confidential Training Materials to your co-owners listed in your franchise application, employees who intend to work at the Clinic and legal and business advisors, but only if they agree in writing to maintain the confidentiality of the Confidential Training Materials in accordance with the terms set forth in this Section.

8. **Compliance with Laws**. Each Party agrees to comply with all applicable federal, state and local laws in connection with the performance of their obligations under this Agreement.

9. **No Intellectual Property License**. Except for any Confidential Training Materials we provide to you in accordance with §7, this LOI does not grant you any right or license to use any Intellectual Property. For purposes of this LOI, "Intellectual Property" means any and all intellectual property owned by us or our affiliates, including, without limitation: (a) know-how and other confidential and proprietary information; (b) copyrighted materials for which we secure common law or registered copyright protection; (c) trademarks, service marks, logos, trade dress and other commercial symbols of origin pertaining to a Clinic or the products or services it sells; (d) patents, patent applications and derivatives thereof; and (e) the business format, model and operating system we developed for the operation of a Clinic. The Franchise Agreement is the only agreement that grants you a license to use our Intellectual Property (other than any Confidential Training Materials we provide). You may not promote or publicize any relationship between you and us or use our name or trademarks for any purpose without obtaining the prior written consent from our legal department, although you may present the executed LOI to prospective landlords.

10. **Indemnification**. You agree to indemnify the Indemnified Parties and hold them harmless for, from and against any and all Losses and Expenses they incur as a result of or in connection with: (a) your breach of this LOI, including the breach of any of your representations, warranties, covenants or obligations set forth herein; or (b) any negligence or intentional misconduct of you or any of your employees, agents, affiliates, assigns, independent contractors, officers, directors or principals. The Indemnified Parties shall have the right, in their sole discretion, to: (a) retain counsel of their choosing to represent them with respect to any Claim and (b) control the response thereto and the defense thereof, including the right to enter into an agreement to settle the Claim. You may participate in such defense at your expense. You must fully cooperate and assist the Indemnified Parties with the defense of the Claim. You must, within 30 days of receipt of a written notice, reimburse the Indemnified Parties for all of their costs and expenses in defending the Claim, including, without limitation, mediation, arbitration or court expenses, expert fees and travel expenses incurred by attorneys or expert witnesses to attend mediation, arbitration or legal or administrative proceedings or hearings relating to the matter. This indemnity shall survive the expiration,

termination, transfer or assignment of this LOI. For purposes of this section:

"*Claim*" means any action, allegation, assessment, claim, demand, litigation, proceeding or regulatory procedure, investigation or inquiry.

"*Indemnified Party*" or "*Indemnified Parties*" means us and each of our past, present and future owners, members, officers, directors, employees, agents, attorneys and chiropractors, as well as our subsidiaries, affiliates, insurance carries and chiropractic management companies, and each of their past, present and future owners, members, officers, directors, employees, agents, attorneys and chiropractors.

"*Losses and Expenses*" means and includes any of the following: compensatory, exemplary and punitive damages; fines and penalties; attorneys' fees; experts' fees; court, mediation or arbitration costs; discovery costs; costs associated with investigating and defending against Claims; settlement amounts; judgments; compensation for damages to reputation or goodwill; and all other costs, damages, liabilities and expenses associated with any of the foregoing losses and expenses or otherwise incurred by an Indemnified Party.

11. No Transfer or Assignment by You. Your rights under this LOI are personal to you. You are strictly prohibited from assigning this LOI or engaging in any other Transfer. For purposes of this Section, a "Transfer" means any direct or indirect, voluntary or involuntary, assignment, sale, conveyance, encumbrance, subdivision, sublicense or other transfer or disposition of: (a) this LOI (or any interest therein); or (b) any direct or indirect ownership interest in you (if you are a business entity).

12. Termination. We may terminate this LOI, effective upon delivery of a written notice of termination to you, if we learn that you made false, misleading, inaccurate or incomplete statements to us or to any of our representatives, either in your application for franchise rights or any in communications between you and us (or our representatives).

13. Miscellaneous.

(a) Governing Law. This LOI and the rights and obligations of the Parties hereto shall be governed by the laws of the State of Arizona without reference to its principles of conflicts of law.

(b) Relationship Between Parties. Neither Party may make any express or implied agreement, warranty or representation, or incur any debt, in the name of or on behalf of the other Party.

(c) Notices. All notices given under this Agreement must be in writing, delivered by hand, email (to the last email address provided by the recipient) or first class mail, to the following addresses (which may be changed upon 10 business days' prior written notice):

MERCHANT PAYMENT CARD APPLICATION - TERMS & CONDITIONS

This AGREEMENT is made by and among CITIZENS BANK, N.A., a national banking association ("BANK"), and PAYSAFE PAYMENT PROCESSING SOLUTIONS, LLC, a Delaware corporation ("Paysafe", and together with BANK, the "SERVICE PROVIDERS"), on the one hand, and the undersigned, "MERCHANT", on the other hand and is subject to the approval of SERVICE PROVIDERS. The parties hereto agree as follows:

1.0 AGREEMENT:

1.1 This document, as well as other documents executed by MERCHANT, pursuant to the acceptance of SERVICE PROVIDERS, shall be incorporated herein and made a part hereof and shall constitute the entire agreement between SERVICE PROVIDERS and MERCHANT.

1.2 MERCHANT agrees that throughout the term of this Agreement, it will not use the services of any bank, corporation, entity or any person other than SERVICE PROVIDERS for the processing of payment card transactions with the following exception:

1.3 MERCHANT may designate a third party that does not have a direct agreement with SERVICE PROVIDERS as its agent for the direct delivery of data-captured Visa transactions to VisaNet for clearing and settlement. MERCHANT must:

(a) Advise SERVICE PROVIDERS that it will use a third party agent.

(b) Agree that SERVICE PROVIDERS must reimburse MERCHANT only for the amount of Visa transactions delivered by SERVICE PROVIDERS to VisaNet, less the appropriate discount fee.

(c) Assume responsibility for any failure by its agent to comply with the Visa International Operating Regulations, including but not limited to, any violation resulting in a chargeback.

1.4 MERCHANT acknowledges that SERVICE PROVIDERS may provide financial transaction processing hereunder through contracts or subcontracts with third parties engaged in the business of transaction processing and authorization.

1.5 SERVICE PROVIDERS hereby notifies MERCHANT that the following options are available hereunder: (i) MERCHANT may elect to accept ONLY consumer credit and commercial cards; (ii) MERCHANT may elect to accept ONLY consumer debit cards; OR (iii) MERCHANT may elect to accept consumer credit and commercial cards and consumer debit cards.

2.0 Rights, Duties, and Responsibilities of Merchant:

2.1 MERCHANT shall honor all cards provided:

(a) The card is valid and is presented to MERCHANT at the time of the sale by the authorized cardholder or an authorized user of the card account. A card is valid only if it is presented on or after the valid date, if any, and before the expiration date shown on its face.

(b) The card is used as payment for products which are sold or rendered by MERCHANT under this Agreement.

(c) The MERCHANT has followed procedures as established by SERVICE PROVIDERS for completion of sales drafts.

2.2 MERCHANT agrees to complete sales drafts in conformity with the terms of this Agreement, American Express Rules and Regulations, the Visa and Mastercard's ("Card Association") Rules and Regulations, Discover® Network Operating Regulations, and additionally must comply with the following:

(a) For transactions that are not mail, phone orders or internet orders, unless electronically swiped, the imprint of the card, including the name of the cardholder, the cardholder account number and the card's expiration date;

(b) MERCHANT is not authorized to accept mail or phone order transactions unless specifically authorized by SERVICE PROVIDERS and that acceptance of such transactions without written authorization from SERVICE PROVIDERS will constitute a breach of the Agreement. If MERCHANT is authorized to accept mail or phone order transactions, the name of the cardholder, the cardholder account number and the expiration date;

(c) The signature of the cardholder or authorized card user. In the case of mail or phone orders, the letters MO or TO, as the case may be, shall be clearly indicated on the sales draft;

(d) The date of the sale;

(e) A short description of the products sold or rendered;

(f) The total cash price of the sale or the words "deposit" or "balance" if full payment is to be made in this manner at different times on different sales drafts; and

(g) The city and state wherein such transaction occurred.

(h) Type of fuel sold and odometer reading (if permitted by POS device) in the case of fleet card transactions

(i) MERCHANT shall deliver a completed copy of the sales draft to the cardholder.

2.3 MERCHANT'S policy for the exchange or return of goods sold and the adjustment for services rendered shall be (i) established and posted in accordance with operating regulations of the applicable Card Associations', or American Express' Rules and Regulations, and/or Discover Network Operating Regulations; (ii) such refund policy shall not treat any payment card more favorably than any other payment card; and (iii). MERCHANT agrees to disclose, if applicable, to a cardholder before a card sale is made, that if merchandise is returned:

(a) No refund, or less than full refund, will be given;

(b) Returned merchandise will only be exchanged for similar merchandise of comparable value;

(c) Only a credit toward purchases will be given; or

(d) Special conditions or circumstances apply to the sale (e.g., late delivery, delivery charges, or other noncredit terms).

If MERCHANT does not make these disclosures, a full refund in the form of a credit to the cardholder's card account must be given. MERCHANT shall under no circumstances issue cash for returns of products where products were originally purchased in a card transaction. Disclosures must be made on all copies of sales drafts or invoices in letters approximately 1/4 inch high in close proximity to the space provided for the cardholder's signature or on an invoice issued at the time of the sale or on an invoice being presented for the cardholder's signature. SERVICE PROVIDERS will not reimburse the MERCHANT for interchange, dues, fees and assessments on returns and refunds. SERVICE PROVIDERS will bill MERCHANT on gross processing volume.

2.4 MERCHANT may not process for payment any transaction(s) representing the refinancing of an existing obligation of a cardholder including, but not limited to, obligations (i) previously owed to MERCHANT, (ii) arising from the dishonor of a cardholder's personal check, and/or (iii) representing the collection of any other pre-existing indebtedness.

2.5 MERCHANT must not disclose a cardholder account number, personal information, or other transaction information to third parties other than to MERCHANT'S agent, SERVICE PROVIDERS, or SERVICE PROVIDERS' agent for the sole purpose of assisting MERCHANT in completing the transaction or as required by law. MERCHANT must store all material containing cardholder account numbers or imprints in an area limited to selected personnel and render all data unreadable prior to discarding. MERCHANT must not retain or store magnetic-stripe data verification data subsequent to authorization of a transaction.

2.6 MERCHANT agrees it will not require, unless specifically allowed by law, any cardholder to pay any part of any discount or charge imposed upon MERCHANT by this Agreement, whether through any increase in price or otherwise. Further, unless specifically allowed by law MERCHANT will not require a customer presenting a card for payment to pay any charge not also required from a person paying cash. These terms shall not, however, be construed as prohibiting discounts to customers for payments in cash.

2.7 MERCHANT agrees to obtain an authorization on all transactions. Any transaction which cannot be authorized electronically through a terminal is subject to a voice authorization charge. MERCHANT will obtain an authorization prior to completing a keyed transaction. Any transaction which is not properly authorized is made with full recourse and may be charged back to MERCHANT; furthermore, any keyed transaction will be subject to additional charges for a non-qualifying transaction. MERCHANT understands that an authorization does not constitute a guarantee of payment, only available credit and may be subject to dispute or chargeback. By signing this Agreement, Merchant agrees that the use of a "store & forward" terminal means that Merchant has the ability to store a swiped transaction at the terminal level when there is no phone line available. When a phone line becomes available, Merchant would then upload the transaction for a possible approval. Merchant understands and agrees that if Merchant uses this type of terminal, there is no guaranty whatsoever that once the transactions are uploaded Merchant will receive an approval. If Merchant allows the release of merchandise/service to the cardholder before receiving approval, Merchant agrees that this is to be done at Merchant's sole risk.

2.8 MERCHANT shall not complete any card sale for which an authorization has been declined. Any unauthorized card transaction is made with full recourse to MERCHANT, and SERVICE PROVIDERS may charge back the amount of such card sale to MERCHANT.

2.9 MERCHANT acknowledges that SERVICE PROVIDERS shall have full recourse to charge back the amount of a card sale for which (i) the imprint of the card is not obtained or (ii) the signature of the cardholder is not obtained and the cardholder disputes that he/she authorized the charge.

2.10 MERCHANT agrees to electronically deposit sales drafts and credit vouchers no later than the business day following the transaction date.

2.11 (a) MERCHANT shall, at all times, maintain an account at a bank that is a member of the Federal Reserve ACH System ("the Account"). All credits for collected funds and debits for fees, payments and chargebacks under the terms of this Agreement shall be made to the Account. MERCHANT may not close or change the Account without written notice to SERVICE PROVIDERS. MERCHANT will be solely liable for all fees and costs associated with the Account and for all overdrafts. MERCHANT will maintain sufficient funds in the Account to accommodate all transactions, including fees, contemplated by this Agreement.

(b) MERCHANT shall promptly upon receipt, examine, balance, and reconcile all statements relating to the Account. Additionally, MERCHANT shall daily balance and reconcile all DAILY deposit and debit totals to confirm accuracy. MERCHANT is required to notify SERVICE PROVIDERS IN WRITING of any and all errors on MERCHANT'S statements and/or DAILY totals. Each such written notice shall contain the following information: (i) MERCHANT name and account number, (ii) the specific dollar amount of the asserted error, (iii) a detailed description of the asserted error, and (iv) a detailed explanation of why MERCHANT believes an error exists and the cause of the error, if known. The written notice MUST be RECEIVED by SERVICE PROVIDERS within ninety (90) days after MERCHANT receives the statement (regarding an asserted error on a statement) or within ninety (90) days from the date the alleged error on a DAILY total was made. **FAILURE TO TIMELY SEND THE NOTICE REFERRED TO HEREIN CONSTITUTES A WAIVER OF ANY AND ALL RIGHTS MERCHANT MAY HAVE AGAINST SERVICE PROVIDERS RELATED TO THE ASSERTED ERROR.**

(c) MERCHANT agrees to fees for maintenance activities including but not limited to Account changes and returned mail as disclosed in the Rates and Fees section of the Agreement.

2.12 MERCHANT assumes the responsibility for storage of all sales drafts and credit vouchers. Failure to provide SERVICE PROVIDERS with requested documentation within five (5) business days after receipt of such request may result in the transaction being charged back to MERCHANT, and SERVICE PROVIDERS shall have the right to debit the Account for full amount of the transaction in question.

2.13 MERCHANT shall pay any fees charged to MERCHANT by the telephone company for the preparation of the site(s) prior to installation of electronic data capture terminals and/or peripheral equipment.

2.14 MERCHANT shall not deposit any transaction for the purpose of obtaining or providing a cash advance. MERCHANT agrees that any such deposit shall be grounds for immediate termination.

2.15 MERCHANT must notify SERVICE PROVIDERS in writing of any changes to the information in this Application, including but not limited to:

(a) Transfer or sale of any substantial part of its total assets, or liquidate;

(b) Change the basic nature of its business, including selling any products or services not related to its current business;

(c) Change ownership or transfer control of its business; or

(d) Enter into any joint venture, partnership or similar business arrangement whereby any person or entity not a party to this Agreement assumes any interest in MERCHANT'S business.

The notice must be received by SERVICE PROVIDERS within ten (10) business days of the change. MERCHANT will provide updated information to SERVICE PROVIDERS within a reasonable time upon request. Failure to provide notice as required above may be deemed as material breach and shall be sufficient grounds for immediate termination of MERCHANT. In the event any of the changes listed above should occur, SERVICE PROVIDERS shall have the option to renegotiate the terms of this Agreement or provide thirty (30) days' notice of termination. MERCHANT is liable to SERVICE PROVIDERS for all losses and expenses incurred by SERVICE PROVIDERS arising out of a failure to report changes to SERVICE PROVIDERS.

2.16 MERCHANT is liable for repayment to SERVICE PROVIDERS for all valid chargebacks. SERVICE PROVIDERS will comply with American Express' Operating Regulations, Card Associations' prevailing Rules and Regulations, and/or Discover Network Operating Regulations in processing any chargebacks which result from cardholder disputes. However, all disputes which are not or cannot be resolved through established chargeback procedures shall be settled between MERCHANT and the cardholder, and MERCHANT will indemnify SERVICE PROVIDERS and will provide reimbursement for all expenses, including reasonable attorney's costs, which it may incur as the result of any cardholder claim which is pursued outside the American Express', or Card Association's Rules and Regulations, and/or Discover Network Operating Regulations. In the event of a chargeback loss to SERVICE PROVIDERS, MERCHANT hereby transfers and assigns to SERVICE PROVIDERS any lien rights that it has or may have on the merchandise sold to the cardholder. Additionally, MERCHANT is prohibited against billing or collecting from any cardholder for any purchase or payment on a payment card unless a chargeback has been initiated, MERCHANT has fully paid for the chargeback, and it has the right to collect on such chargeback.

2.17 MERCHANT shall not accept or deposit any fraudulent transactions and may not under any circumstances present for processing or credit, directly or indirectly, a transaction which originated with any other merchant or any other source. MERCHANT shall be prohibited from making a deposit of a credit transaction without a preceding debit. MERCHANT shall not, under any circumstances, deposit telemarketing transactions under this Agreement unless authorized by SERVICE PROVIDERS in advance of processing any telemarketing transactions. If MERCHANT deposits any such transaction, MERCHANT may be immediately terminated and SERVICE PROVIDERS may hold funds and/or demand an escrow pursuant to Sections 4 and 8; further, MERCHANT may be subject to VISA, Mastercard, and Discover Network reporting requirements set forth in Section 8.8.

2.18 MERCHANT will not deposit duplicate transactions. MERCHANT shall be debited for any adjustments for duplicate transactions and shall be liable for any chargebacks which may result therefrom. Merchant will be liable for any fees assessed by the Card Associations' Rules and Regulations, American Express Operating Regulations, and/or Discover Network Operating Regulations to the SERVICE PROVIDERS.

2.19 MERCHANT shall not initiate a sales transaction in an attempt to collect a chargeback.

2.20 Discount/Fee Schedule:

(a) MERCHANT'S Account will be debited daily and/or monthly, through ACH for amounts set forth in the pricing schedule which is part of this Agreement, and

for any other fees or charges incurred by MERCHANT and associated with processing services. MERCHANT is obligated to pay all taxes and other charges imposed by any governmental authority on the services provided under this Agreement. SERVICE PROVIDERS reserves the right, in its sole discretion, to change, amend, add, or adjust any discount rates or fees set forth herein, in accordance with Section 10.6 of this Agreement.

(b) The "Qualified Retail Discount Rate" will be charged on all magnetic stripe or chip read ("Swiped") customer present retail payment card transactions that are electronically authorized, closed in a daily batch, and where the customer's signature is obtained. Additionally, for the Qualified Discount Rate to apply, payment cards have to be either U.S. bank issued consumer credit card (excluding rewards cards) or payment cards have to be signature debit cards or prepaid debit cards issued by a "Regulated U.S. Bank". ("Regulated U.S. Bank", meaning any issuer that together with its affiliates, has assets equal to or greater than ten billion ($10,000,000,000); "Non-Regulated U.S. Bank", meaning any issuer that together with its affiliates has assets less than ten billion ($10,000,000,000).) The "Mid-Qualified Retail Discount Rate" will be charged on all manually keyed or electronic commerce transactions, that have address verification (also known as "AVS" and is available only for Visa cards), and closed in a daily batch, or any traditional rewards card, signature debit card or prepaid debit card issued by a Non-Regulated U.S. Bank that would otherwise qualify for the Qualified Retail Discount Rate. The "Non-Qualified Retail Discount Rate" will be charged on all commercial, commercial rewards, international issued, or signature rewards card transactions, which include but are not limited to Visa Signature and Signature Preferred, Mastercard World Elite and High Value, Discover Premium and Premium Plus. All other transactions that do not meet the criteria for Qualified Retail Discount Rate or Mid-Qualified Retail Discount Rates will be downgraded to the Non-Qualified Retail Discount Rate.

(c) The Enhanced Recover Reduced ("ERR") pricing will be charged if selected in the Rates and Fees section of this Agreement. Under ERR pricing only, any transaction that does not meet the criteria for the Qualified Retail Discount Rate will be charged the sum of the following: (i) Qualified Retail Discount Rate, (ii) the Non-Qualified Retail Discount Rate and fees, and (iii) the difference between the actual interchange cost as assessed by the Card Associations and the interchange cost assessed on a transaction that qualifies for a Qualified Retail Discount Rate.

(d) Increase in long-distance communications costs and processing charges from third-party vendors may be reflected in increased discount rates.

(e) MERCHANT'S pricing is partially based upon the annual volume, average ticket and method of doing business stated in this MERCHANT Application. If the actual volume and average ticket are not as warranted or if MERCHANT significantly alters its method of doing business, SERVICE PROVIDERS may adjust MERCHANT'S discount and/or transaction fees without prior notice. Merchants using AVS (Address Verification System) will be charged for each address verification request. This is in addition to the transaction fee. In the event of multiple locations, each location shall be considered to have a separate MERCHANT PAYMENT CARD AGREEMENT for all fee purposes. For the purposes of charging Transaction Fees under this Agreement, "transaction" is defined as any action by a merchant that results in activity to a cardholder or merchant account, including authorizations, batch closings, sales, or returns.

2.21 MERCHANT understands that there shall be fees, chargebacks, assessments, and/or amounts which shall arise as a result of the Agreement, both during and after termination of the Agreement. MERCHANT authorizes SERVICE PROVIDERS to debit via ACH from any account held by MERCHANT at any financial institution in the amount of any amount owed by MERCHANT under this Agreement, including but not limited to any amounts owed for fees, chargebacks and or assessments which shall arise after termination of this Agreement. This ACH authorization will remain in effect after termination of this Agreement or until SERVICE PROVIDERS has received written notice terminating this authorization. MERCHANT will indemnify and hold SERVICE PROVIDERS harmless for any action they take pursuant to this Section. MERCHANT will also indemnify and hold harmless any other financial institution for acting in accordance with any instructions from SERVICE PROVIDERS pursuant to this Section.

2.22 MERCHANT will be assessed a fee for each return ACH debit as disclosed in the Rates and Fees section of the Agreement.

2.23 MERCHANT will be assessed a merchant investigation fee for suspicious activity and/or Agreement deviations up to a maximum of ten percent (10%) of the dollar amount investigated.

2.24 A divert fee, as disclosed in the Rates and Fees section of the Agreement, will be charged per month for a special account maintained at SERVICE PROVIDERS to house diverted funds for MERCHANT.

2.25 MERCHANT agrees that Excessive Activity during any monthly period will be a breach of this Agreement and cause of immediate termination. Excessive Activities include i) chargebacks in excess of one percent (1%) of the sales transactions processed, ii) sales activity that exceeds by 25% the dollar volume indicated on the Application, iii) the dollar amount of returns exceeds 20% of the average monthly dollar amount of MERCHANT'S card transactions, iv) other ratios required by VISA, Mastercard, Discover Network, or SERVICE PROVIDERS. SERVICE PROVIDERS will provide MERCHANT with any information possessed by SERVICE PROVIDERS which may enable MERCHANT to recover from others the amount of any sale charged back to MERCHANT. MERCHANT understands that SERVICE PROVIDERS will assess a fee per chargeback per presentment and a fee for each retrieval and each representment request.

2.26 Any transaction that has not received an authorization, or that is deposited (transmitted) more than two (2), but not greater than thirty (30), business days following the transaction date, or that is made with a foreign card will be subject to a non-qualified increase. NOTE: Days allowed for settlements are calculated by excluding the transaction date, Sundays and holidays; and including the processing (settlement) date.

2.27 MERCHANT will use its reasonable, best efforts to recover any card: (i) on VISA cards, if the printed four digits above the embossed account number do not match the first four digits of the embossed account number, (ii) if MERCHANT is advised by SERVICE PROVIDERS (or its designee), the issuer of the card or the designated voice authorization center to retain it, (iii) if MERCHANT has reasonable grounds to believe the card is counterfeit, fraudulent or stolen, or not authorized by the cardholder, (iv) on Discover Network cards, if the printed four digits on the signature panel do not match the last four digits of the embossed account number, or if the card does not have the Discover Network acceptance mark in the lower right corner on both sides of the card, or (v) for Mastercard, the embossed account number, indent printed account number and/or encoded account number do not agree, or the card does not have a Mastercard hologram on the lower right corner of the card face.

MERCHANT represents, warrants and covenants that it has obtained all required consents from cardholders in respect of their personal information to be accessed, collected, used or transferred by SERVICE PROVIDERS in providing the services under this Agreement, and it has read, understood and hereby accepts Paysafe's privacy policy on behalf of itself and the Cardholders at https://www.paysafe.com/privacy-policy/.

10.5 Force Majeure. SERVICE PROVIDERS shall not be liable for any damages resulting from any delay in performance or non-performance caused by circumstances beyond SERVICE PROVIDERS' control including, but not limited to acts of God, fire, flood, war, governmental action, accident, labor trouble or shortage, or other events of similar effect in connection with SERVICE PROVIDERS' obligation herein.

10.6 Amendment. MERCHANT acknowledges that the terms set forth herein including but not limited to fees, rates, and charges may be changed by SERVICE PROVIDERS. MERCHANT agrees that any such changes shall be considered accurate and final unless MERCHANT disputes them in writing within 30 days of receipt of documentation showing said changes.

10.7 Section Headings. All section headings contained herein are for descriptive purposes only, and the language of such section shall control.

10.8 Assignability. This Agreement may not be assigned, directly or by operation of law, without the prior written consent of SERVICE PROVIDERS.

10.9 Attorney's Fees and Costs. MERCHANT shall be liable for and indemnify SERVICE PROVIDERS for any and all attorney's fees and other costs and expenses paid or incurred by the SERVICE PROVIDERS in the enforcement hereof, or in collecting any amounts due from MERCHANT to SERVICE PROVIDERS hereunder or resulting from any breach by MERCHANT of any of the terms or conditions of this Agreement.

10.10 Dispute Resolution; Arbitration and Class Action Waiver. Any claims or controversies between the parties arising out of or relating to this Agreement or the breach thereof, including disputes over the enforceability, validity or scope of this Section 10.10, shall be resolved through arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, as then may be in effect (which rules are available at www.adr.org), except that (i) temporary equitable judicial relief may be sought in a federal or state court located in Montgomery County, Texas, until an arbitrator can be empaneled and has determined whether that relief should be continued, modified or ended, and the parties hereby expressly consent to the exclusive jurisdiction of such courts for such purpose, and (ii) judicial relief may be sought in such court or any other court of competent jurisdiction to compel arbitration or to enforce an award issued pursuant to this section. THE PARTIES ALSO AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING. Further, unless both Parties agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. In the event the foregoing prohibition on representative or class proceedings is invalidated or otherwise held unenforceable, the Parties agree that the remainder of this Section 10.10 similarly shall be deemed void and unenforceable.

10.11 Binding Effect: Governing Law; jurisdiction and Venue. This Agreement shall be construed and governed by the laws of the State of Texas and the Federal Arbitration Act. Except where otherwise expressly stated, if any provision of this Agreement shall be held to be invalid, illegal, or unenforceable, the remaining provisions shall remain in effect. In the event Section 10.10 is deemed void or unenforceable, all claims or controversies between the parties arising out or relating to this Agreement or the breach thereof, shall be brought in a federal or state court located in Montgomery County, Texas, and the parties hereby expressly consent to the exclusive jurisdiction of such courts for such purpose.

10.12 Survivability. The following sections shall survive the termination of this Agreement and shall remain enforceable after such termination: 2.11, 2.12, 2.16, 2.20, 2.21, 2.22, 2.25, 2.28, 2.32, 2.35, 2.36, 2.43, 2.52, 3.2, 3.4, 4.1, 6.1, 6.2, 6.3, 8.4, 8.5, 8.6, 8.7, 8.8, 8.9, 9.1, 10.3, 10.5, 10.9, 10.10, 10.11 and 10.14.

10.13 The rights conferred upon SERVICE PROVIDERS in this Agreement are not intended to be exclusive of each other or of any other rights and remedies. Rather, each and every right of SERVICE PROVIDERS at law or in equity will be cumulative and concurrent and in addition to every other right.

10.14 In the event MERCHANT chooses to participate in the Optional Merchant Club, the following Terms and Conditions shall apply: The term of enrollment is for one (1) year. The term shall be automatically and continually renewed for consecutive one-year terms unless the Merchant or Bank provides a written notice of non-renewal at least sixty (60) days prior to end of the then existing term. The fee for membership shall be charged per unit of equipment per month (terminal, printer, pin pad or any combination thereof). MERCHANT understands membership fee is in addition to fees charged by SERVICE PROVIDERS in MERCHANT'S Merchant Payment Card Agreement. In the event MERCHANT'S Merchant Payment Card Agreement is terminated during the existence of any term of membership, the fee shall be paid for the remainder of the then existing term. Example: In the event a MERCHANT becomes a member and is terminated after seven (7) months, the remaining five (5) months of fees shall still be paid by MERCHANT to SERVICE PROVIDERS. For all members in good standing, and subject to the terms herein, SERVICE PROVIDERS shall provide equipment support or repair during the membership term. If the equipment cannot be repaired, it shall be replaced with refurbished equipment of comparable quality. MERCHANT agrees to pay any and all encryption fees. For any equipment shipped by SERVICE PROVIDERS to MERCHANT hereunder, MERCHANT shall pay SERVICE PROVIDERS the sum of $29.95 per item to cover shipping and handling. MERCHANT agrees to pay SERVICE PROVIDERS additional fees for Saturday or priority delivery. In the event SERVICE PROVIDERS replaces any item of equipment for MERCHANT'S faulty equipment, MERCHANT is required to send SERVICE PROVIDERS the faulty equipment within thirty (30) days from the date MERCHANT receives the replacement equipment. In the event MERCHANT fails to comply with this Section, MERCHANT shall be required to pay SERVICE PROVIDERS the full retail price for the replacement equipment immediately upon the expiration of said thirty (30) day period. Full membership benefits do not take effect for thirty (30) days following the Date of Enrollment. In the event SERVICE PROVIDERS provides replacement equipment during the first thirty (30) days of membership, MERCHANT shall pay SERVICE PROVIDERS the sum of $75.00 per unit replaced. The following items are NOT covered under the membership and MERCHANT shall receive NO benefits for said items: wireless terminals, power packs, pin pad cables, check reader cables, printer cables, printer ribbons, or any other cable that would connect a peripheral device to the terminal, equipment which in the sole discretion of SERVICE PROVIDERS has been subject to abuse, accidental damage, alteration, modification, tampering, negligence, misuse, faulty installation, lack of reasonable care, repair or service which in any way is

not contemplated in the documentation for the equipment, equipment with alteration, tampering or defacing of the serial number or model number, any damage that occurs in shipment, any damage due to an act of God, failures due to power surges, cosmetic damage.

10.15 MERCHANT is liable for repayment to SERVICE PROVIDERS for all valid chargebacks related to Debit and/or ATM Transactions. SERVICE PROVIDERS will comply with Debit/ATM Networks' prevailing Rules and Regulations in processing any chargebacks which result from cardholder disputes. However, all disputes which are not or cannot be resolved through established chargeback procedures shall be settled between MERCHANT and the cardholder, and MERCHANT will indemnify SERVICE PROVIDERS and will provide reimbursement for all expenses, including reasonable attorney's costs, which it may incur as the result of any cardholder claim which is pursued outside the Debit/ATM Network Rules and Regulations.

10.16 MERCHANT agrees to $25 per hour, with one (1) hour minimum, research fee to be charged by SERVICE PROVIDERS for research it performs at MERCHANT'S request.

10.17 For purposes of compliance with Payment Card Industry Security Standards, MERCHANT is required to notify SERVICE PROVIDERS in writing of any changes to the software type and version number from that originally stated within this Agreement. MERCHANT is liable to SERVICE PROVIDERS for all losses and expenses incurred by SERVICE PROVIDERS arising out of a failure to report changes to SERVICE PROVIDERS.

10.18 MERCHANT must report to SERVICE PROVIDERS its participation in any cash advance program outside of that offered by SERVICE PROVIDERS. Failure to report participation in such a program shall result in immediate termination of MERCHANT account.

11.0 Fleet Card Acceptance.

11.1 If MERCHANT executes a Wright Express ("WEX") Merchant Agreement, MERCHANT understands that SERVICE PROVIDERS will provide such agreement to WEX, but that neither SERVICE PROVIDERS nor WEX shall have any obligation whatsoever to MERCHANT with respect to processing WEX Cards unless and until WEX executes WEX Merchant Agreement. If WEX executes WEX Merchant Agreement and MERCHANT accepts WEX Cards, MERCHANT understands that WEX transactions are processed, authorized, and funded by WEX. MERCHANT understands that WEX is solely responsible for all agreements that govern WEX transactions and that SERVICE PROVIDERS is not responsible and assumes absolutely no liability with regard to any such agreement or WEX transactions, including, but not limited to, the funding and settlement of WEX transactions. MERCHANT understands that WEX will charge additional fees for the services that it provides.

11.2 If MERCHANT accepts Voyager Cards, MERCHANT should adhere to the following Voyager Regulations:

(a) MERCHANT should check Fleet Cards for any printer restrictions at the point of sale,

(b) If an increase in the number of Voyager transaction authorization calls from MERCHANT, not due to Voyager system outages, are in excess of 15% for a given month as compared to the previous month, Voyager may, in their sole discretion, deduct telephone charges not to exceed $.25 per call for the increased calls from MERCHANT settlement of MERCHANT'S Voyager transactions,

(c) Settlement of Voyager transactions will generally occur by the fourth banking day after the applicable card transaction is processed. Voyager shall reimburse MERCHANT for the dollar amount of sales submitted for a given day by MERCHANT, reduced by the amount of chargebacks, tax exemptions, discounts, credits, and other fees,

(d) For daily transmission of data, MERCHANT shall maintain true and complete records for not less than thirty-six (36) months from the date of generation of the data, and MERCHANT is responsible for the expense of retaining such sales data records and sales drafts,

(e) In addition to the information provided in Section 6.3, in no event shall SERVICE PROVIDERS' cumulative liability to MERCHANT for losses, claims, suits, controversies, breaches or damages for any cause whatsoever in connection with Voyager transactions, exceed the lesser of $10,000.00 or the Voyager transaction fees paid by MERCHANT for the two months prior to the action giving arise to the claim.

12.0 Data Security.

12.1 MERCHANT hereby warrants and represents that the POS Software, as listed on this Agreement is 100% accurate and that the POS Software used by the Merchant during the Initial Term or any Renewal Term of this Agreement is PCI-DSS Compliant as listed at https://www.pcisecuritystandards.org/security_standards/vpa/. If MERCHANT conducts any business over the Internet or over a VOIP terminal, MERCHANT must: install and maintain a working network firewall to protect data accessible via the Internet; keep security patches up-to-date; encrypt stored data sent over open networks; use and update anti-virus software; restrict access to data by business "need-to-know"; assign a unique ID to each person with computer access to data by unique ID; regularly test security systems and processes; maintain a policy that addresses information security for employees and contractors; and restrict physical access to cardholder information. When outsourcing administration of information assets, networks, or data, MERCHANT must retain legal control of proprietary information and use limited "need-to-know" access to such assets, network, or data. Further, MERCHANT must reference the protection of cardholder information and compliance with the PCI Security Standards Council in contract with other service providers. If MERCHANT stores cardholder account numbers, expiration dates, and other personal cardholder data in a database, MERCHANT must follow VISA, Mastercard, and Discover Network guidelines on securing such data as outlined by the Visa Cardholder Information Security Procedures (CISP), Mastercard Site Data Protection (SDP), and Discover Information Security and Compliance Program (DISC). MERCHANT understands that failure to comply with this Section may result in fines, fees, assessments or requests for reimbursement by VISA, Mastercard, and/or Discover Network, and MERCHANT agrees to indemnify and reimburse SERVICE PROVIDERS immediately for any fine imposed due to MERCHANT'S breach of this Section. For more information on the Payment Card Industry Security Standards, including each of the specific security programs, see www.pcisecuritystandards.org.

13.0 American Express Card Acceptance

13.1 **American Express Definitions.**

(ii) "Establishment" means any or all of a MERCHANT'S locations, outlets, websites, online networks, and all other methods for selling goods and services, including methods that the MERCHANT adopts in the future.

(iv) "Participant" means SERVICE PROVIDERS' merchant services provider Paysafe Payment Processing Solutions, LLC.

13.2 Card Acceptance. MERCHANT agrees to accept American Express Cards in accordance with the terms of this Agreement and agrees to adhere to the American Express Operating Regulations and the American Express OptBlue Program Merchant Requirements, which are both incorporated herein by reference and made a part hereof for all purposes, and are also available at www.americanexpress.com/merchantguide. **MERCHANT ACKNOWLEDGES THAT IT MAY CHOOSE NOT TO ACCEPT AMERICAN EXPRESS CARDS AT ANY TIME DURING THE TERM OF THIS AGREEMENT AND SUCH ACTION DOES NOT DIRECTLY NOR INDIRECTLY AFFECT MERCHANT'S RIGHTS TO ACCEPT ANY OTHER PAYMENT CARD. MERCHANT acknowledges that it is the MERCHANT's sole obligation to ensure that it possesses the most current version of the American Express Operating Regulations and the American Express OptBlue Program Merchant Requirements as they are amended from time to time.**

13.3 **Prohibited Goods and Services.** MERCHANT must accept the Card as payment for goods and services sold (other than those goods and services prohibited under the subsection below), or (if applicable) for charitable contributions made, at all of its Establishments, except as expressly permitted by state statute. MERCHANT is jointly and severally liable for the obligations of MERCHANT'S Establishments under the Agreement. MERCHANT must not accept the Card to verify a cardholder's age or for any of the following:

(i) adult digital content sold via Internet Electronic Delivery;

(ii) amounts that do not represent bona fide sales of goods or services (or, if applicable, amounts that do not represent bona fide charitable contributions made) at MERCHANT'S Establishments; for example, purchases at MERCHANT'S Establishments by MERCHANT'S owners (or their family members) or employees contrived for cash flow purposes, or payments that MERCHANT have accepted in order to advance cash to cardholders in connection with the transaction;
(iii) amounts that do not represent bona fide, direct sales by MERCHANT'S Establishment to Card Members made in the ordinary course of MERCHANT'S business;
(iv) cash or cash equivalent (e.g., gold, silver, platinum, and palladium bullion and/or bars), but collectible coins and jewelry are not prohibited;
(v) charges that the cardholder has not specifically approved;
(vi) costs or fees over the normal price of the goods or services (plus applicable taxes) that the cardholder has not specifically approved;
(vii) damages, losses, penalties, or fines of any kind;
(viii) gambling services (including online gambling), gambling chips, gambling credits, or lottery tickets;
(ix) unlawful/illegal activities, fraudulent business transactions or when providing the goods or services is unlawful/illegal (e.g., unlawful/illegal online internet sales of prescription medications or controlled substances; sales of any goods that infringe the rights of a rights-holder under laws applicable to us, MERCHANT, or the cardholder; online child pornography);
(x) overdue amounts or amounts covering returned, previously dishonored or stop-payment checks (e.g., where the Card is used as a payment of last resort); or
(xi) sales made by third parties or Entities conducting business in industries other than Merchant's.

13.4 **High Volume.** MERCHANT agrees that in the event its annual charge volume for American Express Cards is greater than $1,000,000, then American Express may initiate the process of converting MERCHANT to an AXP Direct Merchant. Upon conversion MERCHANT shall be bound by American Express' then-current Card Acceptance agreement and American Express will set pricing and other fees payable by the MERCHANT for American Express card acceptance.

13.5 **ARBITRATION AGREEMENT** (as to Claims involving American Express). In the event that MERCHANT or Participant is not able to resolve a Claim against American Express, or a claim against Participant or any other entity that American Express has a right to join, this section explains how Claims may be resolved through arbitration. Merchant or American Express may elect to resolve any Claim by binding individual arbitration. Claims will be decided by a neutral arbitrator. If arbitration is elected by any party, MERCHANT nor Participant nor American Express will have the right to litigate or have a jury trial on that Claim in court. Further, MERCHANT, Participant, and American Express will not have the right to participate in a class action or in a representative capacity or in a group of persons alleged to be similarly situated pertaining to any Claim subject to arbitration under this Agreement. Arbitration procedures are generally simpler than the rules in court. An arbitrator's decisions are final and binding, and the arbitrator's final decision on a Claim generally is enforceable as a court order with very limited review by a court. Other rights MERCHANT, Participant, or American Express would have in court may also not be available in arbitration.

(i) Initiation of Arbitration. Claims may be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration Agreement and the selected organization's rules in effect when the Claim is filed, except where those rules conflict with this Agreement. Contact JAMS or AAA to begin an arbitration or for other information. Claims may be referred to another arbitration organization if all parties agree in writing, if American Express selects the organization and MERCHANT selects the other within 30 days thereafter or if an arbitrator is appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA). Any arbitration hearing will take place in the federal judicial district where MERCHANT'S headquarters is located or New York, NY, at MERCHANT'S election.

(ii) Limitations on Arbitration. **If any party elects to resolve a Claim by arbitration, that Claim will be arbitrated on an individual basis. No Claim is to be arbitrated on a class or purported representative basis or on behalf of the general public or other persons allegedly similarly situated.** The arbitrator's authority is limited to Claims between MERCHANT, Participant, and American Express. An arbitration award and any judgment confirming it will apply only to the specific case brought by MERCHANT, Participant or American Express and cannot be used in any other case except to enforce the award as between MERCHANT, Participant and American Express. This prohibition is intended to, and does, preclude MERCHANT from participating in any action by any trade association or other organization against American Express. Notwithstanding any other provision in this Agreement, if any portion of these Limitations on Arbitration is found invalid or unenforceable, then the entire Arbitration Agreement (other than this sentence) will not apply, except that MERCHANT, Participant, and American Express do not waive the right to appeal that decision.

(iii) Previously Filed Claims/No Waiver. MERCHANT, Participant, or American Express may elect to arbitrate any Claim that has been filed in court at any time before trial has begun or final judgment has been entered on the Claim. MERCHANT, Participant, or American Express may choose to delay enforcing or to not exercise rights under this Arbitration Agreement, including the right to elect to arbitrate a claim, without waiving the right to exercise or enforce those rights on any other occasion. For the avoidance of any confusion, and not to limit its scope, this section applies to any class-action lawsuit relating to the "Honor All Cards," "non-discrimination," or "no steering" provisions of the American Express Merchant Regulations, or any similar provisions of any prior American Express Card acceptance agreement, that was filed against American Express prior to the Effective Date of the Agreement to the extent that such claims are not already subject to arbitration pursuant to a prior agreement between MERCHANT and American Express.

(iv) Arbitrator's Authority. The arbitrator will have the power and authority to award any relief that would have been available in court and that is authorized under this Agreement. The arbitrator has no power or authority to alter the Agreement or any of its separate provisions, including this arbitration agreement.

(v) Split Proceedings for Equitable Relief. MERCHANT, Participant, or American Express may seek equitable relief in aid of arbitration prior to arbitration on the merits if necessary to preserve the status quo pending completion of the arbitration. This section shall be enforced by any court of competent jurisdiction, and the party seeking enforcement is entitled to seek an award of reasonable attorneys' fees and costs to be paid by the party against whom enforcement is ordered.

(vi) Small Claims. American Express will not elect arbitration for any Claim MERCHANT properly files in a small claims court so long as the Claim seeks individual relief only and is pending only in that court.

(vii) Governing Law/Arbitration Procedures/Entry of Judgment. This Arbitration Agreement is made pursuant to a transaction involving interstate commerce and is governed by the FAA. The arbitrator shall apply New York law and applicable statutes of limitations and honor claims of privilege recognized by law. The arbitrator shall apply the rules of the arbitration organization selected, as applicable to matters relating to evidence and discovery, not federal or any state rules of procedure or evidence, provided that any party may ask the arbitrator to expand discovery by making a written request, to which the other parties will have 15 days to respond before the arbitrator rules on the request. If MERCHANT'S Claim is for $10,000 or less, MERCHANT may choose whether the arbitration will be conducted solely based on documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing under the rules of the selected arbitration organization. At the timely request of a party, the arbitrator will provide a written opinion explaining his/her award. The arbitrator's decision will be final and binding, except for any rights of appeal provided by the FAA. Judgment on an award rendered by the arbitrator may be entered in any state or federal court in the federal judicial district where MERCHANT'S headquarters or MERCHANT'S assets are located.

(viii) Confidentiality. The arbitration proceeding and all information submitted, relating to or presented in connection with or during the proceeding, shall be deemed confidential information not to be disclosed to any person not a party to the arbitration. All communications, whether written or oral, made in the course of or in connection with the Claim and its resolution, by or on behalf of any party or by the arbitrator or a mediator, including any arbitration award or judgment related

thereto, are confidential and inadmissible for any purpose, including impeachment or estoppel, in any other litigation or proceeding; provided, however, that evidence shall not be rendered inadmissible or non-discoverable solely as a result of its use in the arbitration.

(ix) Costs of Arbitration Proceedings. Merchant will be responsible for paying MERCHANT'S share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees MERCHANT would have incurred if MERCHANT had brought a claim in court. American Express will be responsible for any additional arbitration fees. At MERCHANT'S written request, American Express will consider in good faith making a temporary advance of MERCHANT'S share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

(x) Additional Arbitration Awards. If the arbitrator rules in MERCHANT'S favor against American Express for an amount greater than any final settlement offer American Express made before arbitration, the arbitrator's award will include: (1) any money to which MERCHANT is entitled as determined by the arbitrator, but in no case less than $5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees incurred by MERCHANT.

(xi) Definitions. For purposes of this section 13.4 only, (i) "American Express" includes its Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables, and all agents, directors, and representatives of any of the foregoing, (ii) "MERCHANT" includes Merchant's Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables and all agents, directors, and representatives of any of the foregoing, and (iii) "Claim" means any allegation of an entitlement to relief, whether damages, injunctive or any other form of relief, against American Express or against Participant or any other entity that American Express has the right to join, including, a transaction using an American Express product or network or regarding an American Express policy or procedure.

13.6 **Treatment of the American Express Brand**. Except as expressly permitted by Applicable Law, Merchant must not:

(i) indicate or imply that it prefers, directly or indirectly, any Other Payment Products over the Card,

(ii) try to dissuade Card Members from using the Card,

(iii) criticize or mischaracterize the Card or any of American Express' services or programs,

(iv) try to persuade or prompt Card Members to use any Other Payment Products or any other method of payment (e.g., payment by check),

(v) impose any restrictions, conditions, disadvantages or fees when the Card is accepted that are not imposed equally on all Other Payment Products, except for electronic funds transfer, or cash and check,

(vi) suggest or require Card Members to waive their right to dispute any Transaction,

(vii) engage in activities that harm the American Express business or the American Express Brand (or both),

(viii) promote any Other Payment Products (except Merchant's own private label card that Merchant issues for use solely at Merchant's Establishments) more actively than Merchant promote the Card, or

(ix) convert the currency of the original sale Transaction to another currency when requesting Authorization or submitting Transactions (or both).

MERCHANT may offer discounts or in-kind incentives from MERCHANT'S regular prices for payments in cash, ACH funds transfer, check, debit card or credit/charge card, provided that (to the extent required by Applicable Law): (i) MERCHANT clearly and conspicuously disclose the terms of the discount or in-kind incentive to MERCHANT'S customers, (ii) the discount or in-kind incentive is offered to all of MERCHANT'S prospective customers, and (iii) the discount or in-kind incentive does not differentiate on the basis of the issuer or, except as expressly permitted by applicable state statute, payment card network (e.g., Visa, Mastercard, Discover, JCB, American Express). The offering of discounts or in-kind incentives in compliance with the terms of this paragraph will not constitute a violation of the provisions set forth above in this Section **13.5**, "Treatment of the American Express Brand".

13.7 **Treatment of the American Express Marks**. Whenever payment methods are communicated to customers, or when customers ask what payments are accepted, MERCHANT must indicate MERCHANT'S acceptance of the Card and display our Marks (including any Card application forms provided to MERCHANT) as prominently and in the same manner as any Other Payment Products. MERCHANT must not use the American Express Marks in any way that injures or diminishes the goodwill associated with the Mark, nor (without prior written consent from Participant) indicate that American Express endorse MERCHANT'S goods or services. MERCHANT shall only use the American Express Marks as permitted by the Agreement and shall cease using our Marks upon termination of the Agreement. For additional guidelines on the use of the American Express Marks, contact Merchant's payment processing company.

13.8 **Treatment of American Express Card Member Information.** Any and all Card Member Information is confidential and the sole property of the Issuer, American Express or its Affiliates. Except as otherwise specified, MERCHANT must not disclose Card Member Information, nor use nor store it, other than to facilitate Transactions at MERCHANT'S Establishments in accordance with the Agreement.

13.9 **Disclosure to American Express.** MERCHANT agrees that Bank and its merchant service providers may disclose Transactions Data, Merchant Data, and other information about the MERCHANT to American Express. MERCHANT agrees that American Express may use such information to perform its responsibilities in connection with the Program, promote the American Express Network, perform analytics and create reports, and for any other lawful business purposes, including marketing purposes within the parameters of the Agreement. Additionally, any information obtained in the Merchant Payment Card Application may be used by American Express to screen and/or monitor MERCHANT in connection with American Express Card marketing and administrative purposes.

13.10 **Marketing Opt-Out**. In order to opt-out of American Express newsletters or messages about products, services and resources for different forms of communications, MERCHANT must inform Bank of its request to opt-out via the Merchant Payment Card Application, via telephone or by providing written notice as provided for in this Agreement.

13.11 **Third Party Beneficiary**. MERCHANT agrees that American Express is a third party beneficiary to this Agreement, but American Express does not have obligations to the Merchant, and American Express may enforce the terms of this Agreement against the MERCHANT.
